"Sec. 3706.47. (A) Beginning January 1, 2020, and until December 31, 2026, each retail electric customer of an electric distribution utility in this state shall pay a per-ccount monthly charge, which may vary by customer class and shall be billed and collected by each electric distribution utility and remitted to the state treasurer for deposit into the Ohio clean air program fund, created under section 3706.46 of the Revised Code.

(B) The monthly charges under division (A) of this section shall be established by the public utilities commission in accordance with the information provided by the Ohio air quality development authority from the financial disclosures submitted under section 3706.488 of the Revised Code. The commission shall periodically review the charges based on information provided by the authority from the most recent financial disclosures submitted, to determine the continued need for the charges and whether the charges are reasonable.

(C) The monthly charges established in division (B) of this section shall not exceed the following:

(1) For customers classified by the utility as residential, one dollar.

(2) For customers classified by the utility as commercial, fifteen dollars.

(3) For customers classified by the utility as industrial, two hundred fifty dollars.

(D)(1) The charges required to be collected under divisions (A) and (B) of this section shall cease being collected any time that the total amount in the Ohio clean air program fund created under section 3706.46 of the Revised Code reaches one hundred sixty million dollars.

(2) The charges under divisions (A) and (B) of this section shall resume being collected when the shortfall amount below one hundred sixty million dollars in the Ohio clean air program fund exceeds the amount of the charges that would be collected in the next monthly period."

Delete lines 535 and 544 and insert:

"(B) The price for each clean air credit shall be established by the authority in accordance with the information from the financial disclosures submitted under section 3706.488 of the Revised Code. The authority shall adjust the price as it determines necessary based on the most recent financial disclosures submitted."

After line 586, insert:

"Sec. 3706.487. The money remitted to an owner of a certified clean

air resource under section 3706.482 of the Revised Code shall be used only for the operation and maintenance of the resource and to cover any shortfalls regarding that operation or maintenance, including shortfalls for employee wages, salaries, and benefits. The remitted money shall not be applied to subsidize any profit, return on investment, or earned rate of return.

Sec. 3706.488. (A) Each owner of a certified clean air resource shall submit, beginning on July 1, 2021, and on the date that is every six months thereafter, a financial disclosure to the Ohio air quality development authority, providing financial information regarding the operation and maintenance of the resource, including employee wages, salaries, and benefits, demonstrating compliance with the requirements of section 3706.487 of the Revised Code, and providing any other financial information required under rules adopted by the authority.

(B) The authority shall provide information from the financial disclosures to the public utilities commission for the commission's purposes under section 3706.47 of the Revised Code.

(C) The authority, not later than ninety days after the effective date of this section, shall adopt rules under Chapter 119. of the Revised Code governing the financial disclosures required under this section."

After line 619, insert:

"Sec. 3706.51. Any owner of a clean air resource receiving clean air credits shall annually, beginning February 1, 2021, provide to the governor, the general assembly, and the Ohio air quality development authority a report of the following information for the prior calendar year:

(A) The amount of jobs created in this state by the resource, and the wage and salary ranges of the jobs;

(B) The amount of carbon dioxide emissions prevented due to the use of the resource;

(C) Annual tax disbursements to or from the state and any political subdivision of the state;

(D) The number of megawatts of electricity produced and sold by the resource and the price per megawatt hour received by the resource for the electricity produced.

Sec. 3706.52. (A) Notwithstanding section 4905.32 of the Revised Code, if a certified clean air resource or certified reduced emissions resource closes or is sold prior to the termination of the Ohio clean air program, the charges paid under section 3706.47 of the Revised Code shall be refunded to the customers that paid the charges.

(B) Not later than ninety days after the effective date of this section, the public utilities commission, in consultation with the consumers' counsel, shall adopt rules to determine the disbursement of refunds under division (A)

of this section."
