MESSAGE FROM THE SPEAKER

Dear Speaker Householder,

I write to inform you that I will be resigning my position as State Representative for Ohio's 93rd House District effective on October 3, 2019.

It has been a tremendous honor to serve in this institution and to have the

opportunity to advance the needs of the wonderful people of the 93rd House District. Over the past eight years, I have had the pleasure of developing meaningful relationships with so many of my distinguished colleagues, and I was sincerely honored to have been elected by them to serve as the 103rd Speaker of the House.

I am incredibly proud of the work we have been able to accomplish to improve the lives of those in need and to give a voice to those who oftentimes feel voiceless. During my career in the legislature, we have been able to take on some of the most serious issues plaguing our state – whether it be the opioid crisis, education reform, or improved access to healthcare. Tackling these issues must continue to be a priority for our state to flourish. I am confident that this chamber can rise to the occasion and resolve these important issues.

But it has come time for me to depart the legislature in order to continue my own mission to ensure quality education for the people of Southeast Ohio.

I am honored to have been selected as the next president at the University of Rio Grande and Rio Grande Community College. Since 1876, these distinguished institutions have offered critical educational programs to the people of Southeast Ohio and continue to stand as beacons of strength and opportunity for our region. I look forward to joining them in fulfilling their core mission to provide students the opportunity to attain a high-quality, high-value education, while promoting successful lives, careers, and responsible citizenship.

Once again, I want to offer my sincere thanks to both my colleagues and my constituents. May God continue to bless all of you, and may He continue to bless the Great State of Ohio.

Sincerely,

/s/RYAN SMITH

Ryan Smith
State Representative
Ohio House District 93

MESSAGE FROM THE SPEAKER

Representative Ryan Smith,

This is to acknowledge receipt and acceptance of your letter of resignation from the Ohio House of Representatives, dated September 26, 2019, and

effective October 3, 2019.

The Ohio House of Representatives is appreciative of your service in the People's House and applaud your commitment to continuing your service in your new position.

You have been a strong advocate of lifelong education for Ohio's Appalachian region. I am confident you have the experience, both in the private and public sectors, to excel in your new role.

It's unfortunate that our paths met at a place and time that brought competition between us. I have always believed that both of us have shared many of the same life experiences and both have a passion for the future of our state. Education is the key to improving the lives of our fellow Ohioans and, in particular, restoring our once vibrant, proud communities in Southeastern Ohio.

As we both move forward, rest assured that my desire is to work together to meet common objectives and assist in whatever way possible to promote lifelong education for all Ohioans regardless of from where they hail or what circumstances they face.

Thank you for your service and I wish you well in your new role as President of the University of Rio Grande and Rio Grande Community College.

I look forward to assisting in the success of your institution into the future.

Best regards,

/s/LARRY HOUSEHOLDER

Speaker of the House
