The registrar may pay service charges usually collected by banks and depositories for such service. If deputy registrars are located in communities where banking facilities are not available, they shall transmit the fees forthwith, by money order or otherwise, as the registrar, by rule approved by the director and the treasurer of state, may prescribe. The registrar may pay the usual and customary fees for such service.

(2)(a) The registrar shall adopt rules ensuring that each owner registering a motor vehicle in a county where a motor vehicle inspection and maintenance program is in effect under section 3704.14 of the Revised Code and rules adopted under it receives information about the requirements established in that section and those rules and about the need in those counties to present an inspection certificate with an application for registration or preregistration.

(b) Upon request, the registrar shall provide the director of environmental protection, or any person that has been awarded a contract under section 3704.14 of the Revised Code, an on-line computer data link to registration information for all passenger cars, noncommercial motor vehicles, and commercial cars that are subject to that section. The registrar also shall provide to the director of environmental protection a magnetic data tape containing registration information regarding passenger cars, noncommercial motor vehicles, and commercial cars for which a multi-year registration is in effect under section 4503.103 of the Revised Code or rules adopted under it, including, without limitation, the date of issuance of the multi-year registration, the registration deadline established under rules adopted under section 4503.101 of the Revised Code that was applicable in the year in which the multi-year registration was issued, and the registration deadline for renewal of the multi-year registration.

(J) Subject to division (K) of this section, application for registration under the international registration plan, as set forth in sections 4503.60 to 4503.66 of the Revised Code, shall be made to the registrar on forms furnished by the registrar. (K) The registrar shall determine the feasibility of implementing an electronic commercial fleet licensing and management program that will enable the owners of commercial tractors, commercial trailers, and commercial semitrailers to conduct electronic transactions by July 1, 2010, or sooner. If the registrar determines that implementing such a program is feasible, the registrar shall adopt new rules under this division or amend existing rules adopted under this division as necessary in order to respond to advances in technology.

If international registration plan guidelines and provisions allow member

jurisdictions to permit applications for registrations under the international registration plan to be made via the internet, the rules the registrar adopts under this division shall permit such action."

**LOCAL GOVERNMENT FUND**

The additional appropriation in the foregoing appropriation item 110969, Local Government Fund, shall be used for making payments to the undivided local government funds of qualifying counties under Section 4 of this act.

Section 4. (A) As used in this section, "qualifying county" means a county that, in fiscal year 2021, received one or more payments under division (B) of section 5747.50 of the Revised Code that was reduced pursuant to section 5747.502 of the Revised Code by an amount exceeding the reduction that would have applied had the payment been computed in that fiscal year under section 5747.502 of the Revised Code, as amended by this act.

(B) The Tax Commissioner shall increase the amount of the first payment under division (B) of section 5747.50 of the Revised Code following the effective date of this section to each qualifying county by the difference obtained by subtracting (1) the aggregate amount of payments actually received by the qualifying county under that division in fiscal year 2021, from (2) the aggregate amount of payments the qualifying county would have received under that division had any reductions required by section 5747.502 of the Revised Code been computed in that fiscal year under that section, as amended by this act.

(C) Notwithstanding division (B) of section 5747.50 or section 5747.51 or 5747.53 of the Revised Code, a qualifying county shall distribute any increase in payment received under division (B) of this section to any subdivision that received a reduced distribution from the county undivided local government fund under section 5747.502 of the Revised Code in fiscal year 2021 due to the operation of traffic law photo-monitoring devices by another subdivision. The amount distributed to each such subdivision shall equal the amount by which payments to its general fund from the county undivided local government were reduced for that reason in fiscal year 2021. Amounts distributed under this division shall be paid into the general fund of the subdivision used for the current operating expenses of the subdivision.

(D) Within the limits set forth in this act, the Director of Budget and Management shall transfer from the Ohio Highway and Transportation Safety Fund to the Local Government Fund (Fund 7069) in the Revenue Distribution Fund Group, the amount necessary to make the payments described by division (B) of this section.

(E) The appropriations made in this act are subject to all provisions of H.B. 166 of the 133rd General Assembly that are generally applicable to such appropriations.

Section 5. (A) All terms used in this section have the same meanings as in section 5747.502 of the Revised Code, as amended by this act.

(B) Notwithstanding division (B)(2) of section 5747.502 of the Revised Code, as amended by this act, the Tax Commissioner shall compute a local government fund adjustment for each local authority that filed a report under division (B) of section 5747.502 of the Revised Code, as that section existed before the effective date of the amendments to that section by this act, immediately following the effective date of this section. The LGF adjustment computed under this division shall be used by the Commissioner to determine the amount of the reductions required under division (C) of section 5747.502 of the Revised Code, as amended by this act, starting with the next required reduction. The LGF adjustment computed under this section terminates on July 31, 2021. Following that date, the amount of the reductions required under division (C) of section 5747.502 of the Revised Code, as amended by

this act, if they continue to be required, shall be determined based on an updated LGF adjustment computed under division (B)(2) of that section.

(C) Notwithstanding divisions (A)(8) and (B)(4) of section 5747.502 of the Revised Code, as amended by this act, on or before August 10, 2021, the Tax Commissioner shall compute a residual adjustment for each local authority that filed a report under division (B) of section 5747.502 of the Revised Code, as that section existed before the effective date of the amendments to that section by this act. The residual adjustment shall equal:

(1) The most recent LGF adjustment computed for the local authority under this section or division (B)(3) of section 5747.502 of the Revised Code; minus

(2) The sum of the reductions applied after that computation to the local authority's LGF payments under division (C) of section 5747.502 of the Revised Code, as amended by this act; minus

(3) The sum of the reductions applied to the local authority's LGF payments between July 31, 2020, and the effective date of this section under division (C) of section 5747.502 of the Revised Code, as that section existed before the effective date of the amendments to that section by this act; plus

(4) Any amount by which the reductions described in division (C)(3) of this section exceed the LGF payments the local authority would have otherwise received during that period.

(D) The report required by division (B)(1) of section 5747.502 of the Revised Code, as amended by this act, shall not include traffic camera fines collected for violations that occurred before July 1, 2019.

Section 6. This act is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety. Recognizing National Hunting and Fishing Day, September 26, 2020.

WHEREAS, The members of the Senate of the 133rd General Assembly of Ohio are pleased to celebrate September 26, 2020, as National Hunting and Fishing Day in Ohio; and

WHEREAS, Ohio has a rich and storied tradition of hunting and angling that dates back further than the state itself and carries forward to this day. Indeed, local sportsmen and women were among the first environmentalists to support the establishment of the Ohio Department of Natural Resources in an effort to protect fish, wildlife, and their traditional habitats. Through the American System of Conservation Funding and the payment of license fees and excise taxes on firearms, ammunition, and hunting, fishing, archery, and boating equipment, they have continued to help fund state efforts to provide for healthy and sustainable natural resources; and

WHEREAS, Ohio's sportsmen and women have generated \$301 million in state and local tax revenue as well as an additional \$61.37 million to support the conservation efforts of the Ohio Department of Natural Resources. To their credit, 1.56 million hunters and anglers contribute \$2.75 billion annually to our state's economy and provide for 46,800 jobs; and

WHEREAS, Designated by each president since 1972, National Hunting and Fishing Day was established to celebrate hunters and anglers for their immense contributions to fish and wildlife management and to our society. Clearly, these fine individuals are deserving of high praise; therefore be it

RESOLVED, That we, the members of the Senate of the 133rd General Assembly of Ohio, in adopting this Resolution, pay tribute to the many social, cultural, economic, and ecological benefits of our time-honored traditions of hunting and angling by recognizing September 26, 2020, as National Hunting and Fishing Day in Ohio; and be it further
