dedication of the Neil Armstrong STEM Inspiration Center and two
bronze statues; and

staff of the Armstrong Air and Space Museum the opportunity to
reflect with pride on the accomplishments of the past and to look

forward to a rewarding future. Indeed, the new additions to this 19
facility convincingly demonstrate how very much can be 20
accomplished by a group of conscientious people with clear 21
objectives and firm resolve, and we applaud their tremendous 22
efforts; and 23

has enhanced the quality of life within the surrounding area, and 25
the institution's generous contributions have earned it the 26
gratitude and respect of countless citizens. We are certain that 27
as this worthy organization maintains its commitment to service, 28
it will continue in the tradition of excellence for which it has 29
become known; therefore be it 30
