Section 2. LAW GENERALLY APPLICABLE TO APPROPRIATIONS

Law contained in the main operating appropriations act of the 124th General Assembly that applies generally to the appropriations made in that act also applies generally to the appropriations made in this act.

Section 3. The uncodified sections of law contained in this act, and the items of law of which the uncodified sections of law contained in this act are composed, are not subject to the referendum. Therefore, under Ohio Constitution, Article II, Section 1d and section 1.471 of the Revised Code, the uncodified sections of law contained in this act, and the items of law of which the uncodified sections of law contained in this act are composed, go into immediate effect when this act becomes law.

held invalid, the invalidity does not affect other items of law or 51
applications of items of law that can be given effect without the 52
invalid item of law or application. To this end, the items of law 53
of which the uncodified sections of law contained in this act are 54
composed, and their applications, are independent and severable. 55
