A reduction for a major capital improvement project shall 30472  
start from the day racing is first conducted following the date on 30473  
which the major capital improvement project is completed and the 30474  
construction cost has been ~~certified~~ approved by the state racing 30475  
commission, except as otherwise provided in division (E) of this 30476

commission shall notify the tax commissioner when the ~~diminution~~ 30485

(B) Each fiscal year, the racinq commission shall submit a 30487  
report to the tax commissioner, the office of budget and 30488  
management, and the ~~legislative budget office of the~~ legislative 30489

improvement project undertaken under this section and in progress 30491  
at each race track, indicate the total cost of each ~~such~~ project, 30492  
state the tax reduction that resulted from each ~~such~~ project 30493  
during the immediately preceding fiscal year, estimate the tax 30494  
reduction that will result from each ~~such~~ project during the 30495  
current fiscal year, state the total tax reduction that resulted 30496  
from all such projects at all race tracks during the immediately 30497  
preceding fiscal year, and estimate the total tax reduction that 30498  
will result from all such projects at all race tracks during the 30499  
current fiscal year. 30500

(C) The tax reduction granted pursuant to this section shall 30501  
be in addition to any tax reductions for capital improvements and 30502  
new race tracks provided for in section 3769.08 of the Revised 30503

commission may require and shall provide full details of the major 30508  
capital improvement project, including plans and specifications, a 30509

breakdown of proposed costs. In addition, the permit holder shall 30511  
have commenced construction of the major capital improvement 30512  
project or shall have had the application for the project approved 30513

project has been let under an unrestricted competitive bidding 30517  
procedure, unless the contract is exempted by the controlling 30518  
board because of its unusual nature. In determining whether to 30519  
approve an application, the racing commission shall consider 30520  
whether the major capital improvement project will promote the 30521  
safety, convenience, and comfort of the racing public and horse 30522  
owners and generally tend toward the improvement of racing in this 30523  
state. 30524

(E) If the major capital improvement project is approved by 30525  
the racing commission and construction has started, the tax 30526  
~~adjustment~~ reduction may be authorized by the commission upon 30527  
presentation of copies of paid bills in excess of five hundred 30528  
thousand dollars. After the initial authorization, the permit 30529  
holder shall present copies of paid bills in the amount of not 30530  
less than five hundred thousand dollars. If the permit holder is 30531  
in substantial compliance with the schedule for construction and 30532  
completion of the major capital improvement project, the racing 30533  
commission may authorize the continuance of the tax ~~adjustment~~ 30534  
reduction upon the presentation of ~~such~~ the additional paid bills 30535  
in increments of five hundred thousand dollars. The racing 30536  
commission may terminate the tax ~~adjustment~~ reduction if a permit 30537  
holder fails to complete the major capital improvement project or 30538  
fails to comply substantially with the schedule for construction 30539  
and completion of the major capital improvement project. If the 30540  
time for completion of the major capital improvement project is 30541  
delayed by acts of God, strikes, or the unavailability of labor or 30542  
materials, the time for completion as set forth in the schedule 30543  
shall be extended by the period of the delay. If a permit holder 30544  
fails to complete the major capital improvement project, the 30545  
racing commission shall order the permit holder to repay to the 30546  
state the total amount of tax reduced, unless the permit holder 30547

adjustment or requiring repayment of the amount of tax reduced 30554  
shall be subject to Chapter 119. of the Revised Code. 30555

permanent new heating or air conditioning, roof replacement, and 30566  
installations of a permanent nature forming a part of the track 30567

(G) The cost and expenses to which the tax reduction granted 30569  
under this section applies shall be determined by generally 30570  
accepted accounting principles and be verified by an audit of the 30571  
permit holder's records, upon completion of the major capital 30572  
improvement project, either by the racing commission or by an 30573  
independent certified public accountant selected by the permit 30574  
holder and approved by the commission. 30575

## As Reported by the Senate Finance and Financial Institutions Committee

~~(C)(B) The department, by rule adopted under this section, 37271  
may require any recipients in any other county to receive all or 37272  
some of their care through managed care organizations that 37273  
contract with the department and are paid by the department 37274  
pursuant to a capitation or other risk-based methodology 37275  
prescribed in the rules, and to receive their care only from 37276  
providers designated by the organizations may enter into contracts 37277  
with managed care organizations to authorize the organizations to 37278

medical assistance recipients participating in a managed care 37280  
system established under this section. 37281~~

~~(D) In accordance with rules adopted under division (G) of 37282

department to provide managed care to participating medical 37285  
assistance recipients. 37286~~

~~(E) A health insuring corporation under contract with the 37287  
department under this section may enter into an agreement with any 37288  
community-based clinic for the provision of medical services to 37289  
medical assistance recipients participating in the managed care 37290  
system if the clinic is willing to accept the terms, conditions, 37291  
and payment procedures established by the health insuring 37292  
corporation. 37293~~

~~(F)(C) For the purpose of determining the amount the 37294

"Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as 37298

Sec. 5111.171. (A) The department of job and family services 37310  
 may provide financial incentive awards to managed care 37311  
 organizations that contract with the department under section 37312  
 5111.17 of the Revised Code to provide health care services to 37313  
 participating medical assistance recipients and that meet or 37314

 rules adopted by the department. The department may specify in a 37316  
 contract with a managed care organization the amounts of financial 37317  
 incentive awards, methodology for distributing awards, types of 37318  
 awards, and standards for administration by the department. 37319

(B) There is hereby created in the state treasury the health 37320  
 care compliance fund. The fund shall consist of all fines imposed 37321  
 on and collected from managed care organizations for failure to 37322  
 meet performance standards or other requirements specified in 37323  
 provider agreements or rules adopted by the department. All 37324  
 investment earnings of the fund shall be credited to the fund. 37325  
 Moneys credited to the fund shall be used solely for the following 37326  
 purposes: 37327

(1) To reimburse managed care organizations that have paid 37328  
 fines for failures to meet performance standards or other 37329  
 requirements and that have come into compliance by meeting 37330  
 requirements as specified by the department; 37331

(2) To provide financial incentive awards established 37332  
 pursuant to division (A) of this section and specified in 37333

contracts between managed care organizations and the department. 37334

**Sec. 5111.231.** (A)(1) The department of job and family 37335  
services shall determine case-mix scores for nursing facilities 37336  
using data for each resident, regardless of payment source, from a 37337  
resident assessment instrument specified in rules adopted in 37338  
accordance with Chapter 119. of the ~~Revised~~ Revised Code pursuant 37339

values established by the United States department of health and 37342  
human services. Except as modified in rules adopted under division 37343  
(A)(1)(c) of this section, the department also shall use the 37344  
grouper methodology used on June 30, 1999, by the United States 37345  
department of health and human services for prospective payment of 37346  
skilled nursing facilities under the medicare program established 37347  
by Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 37348  
42 U.S.C.A. 301, as amended. The director of job and family 37349  
services may adopt rules in accordance with Chapter 119. of the 37350  
Revised Code that do any of the following: 37351

(a) Adjust the case-mix values to reflect changes in relative 37352  
wage differentials that are specific to this state; 37353

(b) Express all of the case-mix values in numeric terms that 37354  
are different from the terms specified by the United States 37355  
department of health and human services but that do not alter the 37356  
relationship of the case-mix values to one another; 37357

(c) Modify the grouper methodology as follows: 37358

(i) Establish a different hierarchy for assigning residents 37359  
to case-mix categories under the methodology; 37360

(ii) Prohibit the use of the index maximizer element of the 37361  
methodology; 37362

(iii) Incorporate changes to the methodology the United 37363

States department of health and human services makes after June 30, 1999+ 37364

(B) Not later than fifteen days after the end of each calendar quarter, each nursing facility and intermediate care facility for the mentally retarded shall submit to the department the complete assessment data, from the instrument specified in rules adopted under division (A) of this section, for each resident, regardless of payment source, who was in the facility or on hospital or therapeutic leave from the facility on the last day of the quarter. 37379

Except as provided in division (C) of this section, the department, after the end of each calendar year and pursuant to procedures specified in rules adopted in accordance with Chapter 119. of the Revised Code, shall calculate an annual average case-mix score for each nursing facility and intermediate care facility for the mentally retarded using the facility's quarterly case-mix scores for that calendar year. 37387

calendar quarter necessary to calculate its case-mix score, or  
submits incomplete or inaccurate information for a calendar  
quarter, the department may assign the facility a quarterly  
average case-mix score that is five per cent less than the  
facility's quarterly average case-mix score for the preceding  
calendar quarter. If the facility was subject to an exception  
review under division (C) of section 5111.27 of the Revised Code  
for the preceding calendar quarter, the department may assign a  
quarterly average case-mix score that is five per cent less than  
the score determined by the exception review. If the facility was  
assigned a quarterly average case-mix score for the preceding  
quarter, the department may assign a quarterly average case-mix  
score that is five per cent less than that score assigned for the  
preceding quarter.

The department may use a quarterly average case-mix score  
assigned under division (C)(1) of this section, instead of a  
quarterly average case-mix score calculated based on the  
facility's submitted information, to calculate the facility's rate  
for direct care costs being established under section 5111.23 of  
the Revised Code for one or more months, as specified in rules  
adopted under division (D) of this section, of the quarter for  
which the rate established under section 5111.23 of the Revised  
Code will be paid.

Before taking action under division (C)(1) of this section,  
the department shall permit the facility a reasonable period of  
time, specified in rules adopted under division (D) of this  
section, to correct the information. In the case of an  
intermediate care facility for the mentally retarded, the  
department shall not assign a quarterly average case-mix score due  
to late submission of corrections to assessment information unless  
the facility fails to submit corrected information prior to the  
eighty-first day after the end of the calendar quarter to which

the information pertains. In the case of a nursing facility, the department shall not assign a quarterly average case-mix score due to late submission of corrections to assessment information unless the facility fails to submit corrected information prior to the earlier of the eighty-first day after the end of the calendar quarter to which the information pertains or the deadline for submission of such corrections established by regulations adopted by the United States department of health and human services under Titles XVIII and XIX of the Social Security Act.

(2) If a facility is paid a rate calculated using a quarterly average case-mix score assigned under division (C)(1) of this section for more than six months in a calendar year, the department may assign the facility a cost per case-mix unit that is five per cent less than the facility's actual or assigned cost per case-mix unit for the preceding calendar year. The department may use the assigned cost per case-mix unit, instead of calculating the facility's actual cost per case-mix unit in accordance with section 5111.23 of the Revised Code, to establish the facility's rate for direct care costs for the following fiscal year.

(3) The department shall take action under division (C)(1) or (2) of this section only in accordance with rules adopted under division (D) of this section. The department shall not take an action that affects rates for prior payment periods except in accordance with sections 5111.27 and 5111.28 of the Revised Code.

(D) The director may adopt rules in accordance with Chapter 119. of the Revised Code that do any of the following:

(1) Specify the medium or media through which the completed assessment information shall be submitted;

(2) Establish procedures under which the department will review assessment information for accuracy and notify the facility

of any information that requires correction; 37458

(3) Establish procedures for facilities to correct assessment 37459  
information. The procedures may prohibit an intermediate care 37460  
facility for the mentally retarded from submitting corrected 37461  
assessment information, for the purpose of calculating its annual 37462  
average case-mix score, more than two calendar quarters after the 37463  
end of the quarter to which the information pertains or, if the 37464  
information pertains to the quarter ending the thirty-first day of 37465  
December, after the thirty-first day of the following March. The 37466  
procedures may limit the content of corrections by nursing 37467  
facilities in the manner required by regulations adopted by the 37468  
United States department of health and human services under Titles 37469  
XVIII and XIX of the Social Security Act and prohibit a nursing 37470  
facility from submitting corrected assessment information, for the 37471  
purpose of calculating its annual average case-mix score, more 37472  
than the earlier of the following: 37473  
37474

(a) Two calendar quarters after the end of the quarter to 37475  
which the information pertains or, if the information pertains to 37476  
the quarter ending the thirty-first day of December, after the 37477  
thirty-first day of the following March; 37478

(b) The deadline for submission of such corrections 37479  
established by regulations adopted by the United States department 37480  
of health and human services under Titles XVIII and XIX of the 37481  
Social Security Act. 37482

(4) Specify when and how the department will assign case-mix 37483  
scores or costs per case-mix unit under division (C) of this 37484  
section if information necessary to calculate the facility's 37485  
average annual or quarterly case-mix score is not provided or 37486  
corrected in accordance with the procedures established by the 37487  
rules. Notwithstanding any other provision of sections 5111.20 to 37488  
5111.32 of the Revised Code, the rules also may provide for 37489

exclusion of case-mix scores assigned under division (C) of this 37490  
 section from calculation of the facility's annual average case-mix 37491  
 score and the maximum cost per case-mix unit for the facility's 37492  
 peer group. 37493

**Sec. 5111.25.** (A) The department of job and family services 37494  
 shall pay each eligible nursing facility a per resident per day 37495  
 rate for its reasonable capital costs established prospectively 37496  
 each fiscal year for each facility. Except as otherwise provided 37497  
 in sections 5111.20 to 5111.32 of the Revised Code, the rate shall 37498  
 be based on the facility's capital costs for the calendar year 37499  
 preceding the fiscal year in which the rate will be paid. The rate 37500  
 shall equal the sum of divisions (A)(1) to (3) of this section: 37501

(1) The lesser of the following: 37502  
 37503

(a) Eighty-eight and sixty-five one-hundredths per cent of 37504  
 the facility's desk-reviewed, actual, allowable, per diem cost of 37505  
 ownership and eighty-five per cent of the facility's actual, 37506  
 allowable, per diem cost of nonextensive renovation determined 37507  
 under division (F) of this section; 37508

(b) Eighty-eight and sixty-five one-hundredths per cent of 37509  
 the following limitation: 37510

(i) For the fiscal year beginning July 1, 1993, sixteen 37511  
 dollars per resident day; 37512

(ii) For the fiscal year beginning July 1, 1994, sixteen 37513  
 dollars per resident day, adjusted to reflect the rate of 37514  
 inflation for the twelve-month period beginning July 1, 1992, and 37515  
 ending June 30, 1993, using the consumer price index for shelter 37516  
 costs for all urban consumers for the north central region, 37517  
 published by the United States bureau of labor statistics; 37518

(iii) For subsequent fiscal years, the limitation in effect 37519

during the previous fiscal year, adjusted to reflect the rate of 37520  
inflation for the twelve-month period beginning on the first day 37521  
of July for the calendar year preceding the calendar year that 37522  
precedes the fiscal year and ending on the following thirtieth day 37523  
of June, using the consumer price index for shelter costs for all 37524  
urban consumers for the north central region, published by the 37525  
United States bureau of labor statistics. 37526

(2) Any efficiency incentive determined under division (D) of 37527  
this section; 37528

(3) Any amounts for return on equity determined under 37529  
division (H) of this section. 37530

Buildings shall be depreciated using the straight line method 37531  
over forty years or over a different period approved by the 37532  
department. Components and equipment shall be depreciated using 37533  
the straight-line method over a period designated in rules adopted 37534  
by the director of job and family services in accordance with 37535  
Chapter 119. of the Revised Code, consistent with the guidelines 37536  
of the American hospital association, or over a different period 37537  
approved by the department. Any rules adopted under this division 37538  
that specify useful lives of buildings, components, or equipment 37539  
apply only to assets acquired on or after July 1, 1993. 37540  
Depreciation for costs paid or reimbursed by any government agency 37541  
shall not be included in cost of ownership or renovation unless 37542  
that part of the payment under sections 5111.20 to 5111.32 of the 37543  
Revised Code is used to reimburse the government agency. 37544

(B) The capital cost basis of nursing facility assets shall 37545  
be determined in the following manner: 37546

(1) For purposes of calculating the rate to be paid for the 37547  
fiscal year beginning July 1, 1993, for facilities with dates of 37548  
licensure on or before June 30, 1993, the capital cost basis shall 37549  
be equal to the following: 37550

## As Reported by the Senate Finance and Financial Institutions Committee

(a) For facilities that have not had a change of ownership during the period beginning January 1, 1993, and ending June 30, 1993, the desk-reviewed, actual, allowable capital cost basis that is listed on the facility's cost report for the cost reporting period ending December 31, 1992, plus the actual, allowable capital cost basis of any assets constructed or acquired after December 31, 1992, but before July 1, 1993, if the aggregate capital costs of those assets would increase the facility's rate for capital costs by twenty or more cents per resident per day.

(b) For facilities that have a date of licensure or had a change of ownership during the period beginning January 1, 1993, and ending June 30, 1993, the actual, allowable capital cost basis of the person or government entity that owns the facility on June 30, 1993.

Capital cost basis shall be calculated as provided in division (B)(1) of this section subject to approval by the United States health care financing administration of any necessary amendment to the state plan for providing medical assistance.

The department shall include the actual, allowable capital cost basis of assets constructed or acquired during the period beginning January 1, 1993, and ending June 30, 1993, in the calculation for the facility's rate effective July 1, 1993, if the aggregate capital costs of the assets would increase the facility's rate by twenty or more cents per resident per day and the facility provides the department with sufficient documentation of the costs before June 1, 1993. If the facility provides the documentation after that date, the department shall adjust the facility's rate to reflect the costs of the assets one month after the first day of the month after the department receives the documentation.

(2) Except as provided in division (B)(4) of this section, for purposes of calculating the rates to be paid for fiscal years

## As Reported by the Senate Finance and Financial Institutions Committee

beginning after June 30, 1994, for facilities with dates of  
licensure on or before June 30, 1993, the capital cost basis of  
each asset shall be equal to the desk-reviewed, actual, allowable,  
capital cost basis that is listed on the facility's cost report  
for the calendar year preceding the fiscal year during which the  
rate will be paid.

(3) For facilities with dates of licensure after June 30,  
1993, the capital cost basis shall be determined in accordance  
with the principles of the medicare program established under  
Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42  
U.S.C.A. 301, as amended, except as otherwise provided in sections  
5111.20 to 5111.32 of the Revised Code.

(4) Except as provided in division (B)(5) of this section, if  
a provider transfers an interest in a facility to another provider  
after June 30, 1993, there shall be no increase in the capital  
cost basis of the asset if the providers are related parties. If  
the providers are not related parties or if they are related  
parties and division (B)(5) of this section requires the  
adjustment of the capital cost basis under this division, the  
basis of the asset shall be adjusted by the lesser of the  
following:

(a) One-half of the change in construction costs during the  
time that the transferor held the asset, as calculated by the  
department of job and family services using the "Dodge building  
cost indexes, northeastern and north central states," published by  
Marshall and Swift;

(b) One-half of the change in the consumer price index for  
all items for all urban consumers, as published by the United  
States bureau of labor statistics, during the time that the  
transferor held the asset.

(5) If a provider transfers an interest in a facility to

the asset shall be adjusted as specified in division (B)(4) of 37615  
this section for a transfer to a provider that is not a related 37616  
party if all of the following conditions are met: 37617

(a) The related party is a relative of owner; 37618

(b) Except as provided in division (B)(5)(c)(ii) of this 37619  
section, the provider making the transfer retains no ownership 37620  
interest in the facility; 37621

(c) The department of job and family services determines that 37622  
the transfer is an arm's length transaction pursuant to rules the 37623  
department shall adopt in accordance with Chapter 119. of the 37624  
Revised Code no later than December 31, 2000. The rules shall 37625  
provide that a transfer is an arm's length transaction if all of 37626  
the following apply: 37627

(i) Once the transfer goes into effect, the provider that 37628  
made the transfer has no direct or indirect interest in the 37629  
provider that acquires the facility or the facility itself, 37630  
including interest as an owner, officer, director, employee, 37631  
independent contractor, or consultant, but excluding interest as a 37632  
creditor. 37633

(ii) The provider that made the transfer does not reacquire 37634  
an interest in the facility except through the exercise of a 37635  
creditor's rights in the event of a default. If the provider 37636  
reacquires an interest in the facility in this manner, the 37637  
department shall treat the facility as if the transfer never 37638  
occurred when the department calculates its reimbursement rates 37639  
for capital costs. 37640

(iii) The transfer satisfies any other criteria specified in 37641  
the rules. 37642

(d) Except in the case of hardship caused by a catastrophic 37643

provider making the transfer who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (B)(5) of this section or actual, allowable cost of ownership was determined most recently under division (C)(9) of this section.

(C) As used in this division, "lease expense" means lease payments in the case of an operating lease and depreciation expense and interest expense in the case of a capital lease. As used in this division, "new lease" means a lease, to a different lessee, of a nursing facility that previously was operated under a lease.

(1) Subject to the limitation specified in division (A)(1) of this section, for a lease of a facility that was effective on May 27, 1992, the entire lease expense is an actual, allowable cost of ownership during the term of the existing lease. The entire lease expense also is an actual, allowable cost of ownership if a lease in existence on May 27, 1992, is renewed under either of the following circumstances:

(a) The renewal is pursuant to a renewal option that was in existence on May 27, 1992;

(b) The renewal is for the same lease payment amount and between the same parties as the lease in existence on May 27, 1992.

(2) Subject to the limitation specified in division (A)(1) of this section, for a lease of a facility that was in existence but not operated under a lease on May 27, 1992, actual, allowable cost of ownership shall include the lesser of the annual lease expense or the annual depreciation expense and imputed interest expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis, adjusted by

the lesser of the following amounts: 37676

(a) One-half of the change in construction costs during the 37677  
time the lessor held each asset until the beginning of the lease, 37678  
as calculated by the department using the "Dodge building cost 37679  
indexes, northeastern and north central states," published by 37680  
Marshall and Swift; 37681

(b) One-half of the change in the consumer price index for 37682  
all items for all urban consumers, as published by the United 37683  
States bureau of labor statistics, during the time the lessor held 37684  
each asset until the beginning of the lease. 37685

(3) Subject to the limitation specified in division (A)(1) of 37686  
this section, for a lease of a facility with a date of licensure 37687  
on or after May 27, 1992, that is initially operated under a 37688  
lease, actual, allowable cost of ownership shall include the 37689  
annual lease expense if there was a substantial commitment of 37690  
money for construction of the facility after December 22, 1992, 37691  
and before July 1, 1993. If there was not a substantial commitment 37692  
of money after December 22, 1992, and before July 1, 1993, actual, 37693  
allowable cost of ownership shall include the lesser of the annual 37694  
lease expense or the sum of the following: 37695

(a) The annual depreciation expense that would be calculated 37696  
at the inception of the lease using the lessor's entire historical 37697  
capital asset cost basis; 37698

(b) The greater of the lessor's actual annual amortization of 37699  
financing costs and interest expense at the inception of the lease 37700  
or the imputed interest expense calculated at the inception of the 37701  
lease using seventy per cent of the lessor's historical capital 37702  
asset cost basis. 37703

(4) Subject to the limitation specified in division (A)(1) of 37704  
this section, for a lease of a facility with a date of licensure 37705  
on or after May 27, 1992, that was not initially operated under a 37706

lease and has been in existence for ten years, actual, allowable  
cost of ownership shall include the lesser of the annual lease  
expense or the annual depreciation expense and imputed interest  
expense that would be calculated at the inception of the lease  
using the entire historical capital asset cost basis of the  
lessor, adjusted by the lesser of the following:

(a) One-half of the change in construction costs during the  
time the lessor held each asset until the beginning of the lease,  
as calculated by the department using the "Dodge building cost  
indexes, northeastern and north central states," published by  
Marshall and Swift;

(b) One-half of the change in the consumer price index for  
all items for all urban consumers, as published by the United  
States bureau of labor statistics, during the time the lessor held  
each asset until the beginning of the lease.

(5) Subject to the limitation specified in division (A)(1) of  
this section, for a new lease of a facility that was operated  
under a lease on May 27, 1992, actual, allowable cost of ownership  
shall include the lesser of the annual new lease expense or the  
annual old lease payment. If the old lease was in effect for ten  
years or longer, the old lease payment from the beginning of the  
old lease shall be adjusted by the lesser of the following:

(a) One-half of the change in construction costs from the  
beginning of the old lease to the beginning of the new lease, as  
calculated by the department using the "Dodge building cost  
indexes, northeastern and north central states," published by  
Marshall and Swift;

(b) One-half of the change in the consumer price index for  
all items for all urban consumers, as published by the United  
States bureau of labor statistics, from the beginning of the old  
lease to the beginning of the new lease.

(6) Subject to the limitation specified in division (A)(1) of this section, for a new lease of a facility that was not in existence or that was in existence but not operated under a lease on May 27, 1992, actual, allowable cost of ownership shall include the lesser of annual new lease expense or the annual amount calculated for the old lease under division (C)(2), (3), (4), or (6) of this section, as applicable. If the old lease was in effect for ten years or longer, the lessor's historical capital asset cost basis shall be adjusted by the lesser of the following for purposes of calculating the annual amount under division (C)(2), (3), (4), or (6) of this section:

(a) One-half of the change in construction costs from the beginning of the old lease to the beginning of the new lease, as calculated by the department using the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift;

(b) One-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, from the beginning of the old lease to the beginning of the new lease.

In the case of a lease under division (C)(3) of this section of a facility for which a substantial commitment of money was made after December 22, 1992, and before July 1, 1993, the old lease payment shall be adjusted for the purpose of determining the annual amount.

(7) For any revision of a lease described in division (C)(1), (2), (3), (4), (5), or (6) of this section, or for any subsequent lease of a facility operated under such a lease, other than execution of a new lease, the portion of actual, allowable cost of ownership attributable to the lease shall be the same as before the revision or subsequent lease.

(8) Except as provided in division (C)(9) of this section, if a provider leases an interest in a facility to another provider who is a related party, the related party's actual, allowable cost of ownership shall include the lesser of the annual lease expense or the reasonable cost to the lessor.

(9) If a provider leases an interest in a facility to another provider who is a related party, regardless of the date of the lease, the related party's actual, allowable cost of ownership shall include the annual lease expense, subject to the limitations specified in divisions (C)(1) to (7) of this section, if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) If the lessor retains an ownership interest, it is, except as provided in division (C)(9)(c)(ii) of this section, in only the real property and any improvements on the real property;

(c) The department of job and family services determines that the lease is an arm's length transaction pursuant to rules the department shall adopt in accordance with Chapter 119. of the Revised Code no later than December 31, 2000. The rules shall provide that a lease is an arm's length transaction if all of the following apply:

(i) Once the lease goes into effect, the lessor has no direct or indirect interest in the lessee or, except as provided in division (C)(9)(b) of this section, the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a lessor.

(ii) The lessor does not reacquire an interest in the facility except through the exercise of a lessor's rights in the event of a default. If the lessor reacquires an interest in the facility in this manner, the department shall treat the facility

as if the lease never occurred when the department calculates its reimbursement rates for capital costs. 37800  
37801

(iii) The lease satisfies any other criteria specified in the rules. 37802  
37803

(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a lessor who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (B)(5) of this section or actual, allowable cost of ownership was determined most recently under division (C)(9) of this section. 37804

37808  
37809  
37810

(10) This division does not apply to leases of specific items of equipment. 37811  
37812

(D)(1) Subject to division (D)(2) of this section, the department shall pay each nursing facility an efficiency incentive that is equal to fifty per cent of the difference between the following: 37813  
37814  
37815  
37816

(a) Eighty-eight and sixty-five one-hundredths per cent of the facility's desk-reviewed, actual, allowable, per diem cost of ownership; 37817  
37818  
37819

(b) The applicable amount specified in division (E) of this section. 37820  
37821

(2) The efficiency incentive paid to a nursing facility shall not exceed the greater of the following: 37822  
37823

(a) The efficiency incentive the facility was paid during the fiscal year ending June 30, 1994; 37824  
37825

(b) Three dollars per resident per day, adjusted annually for rates paid beginning July 1, 1994, for the inflation rate for the twelve-month period beginning on the first day of July of the calendar year preceding the calendar year that precedes the fiscal 37826

on the thirtieth day of the following June, using the consumer	37831
price index for shelter costs for all urban consumers for the	37832
north central region, as published by the United States bureau of	37833
labor statistics.	37834
(3) For purposes of calculating the efficiency incentive,	37835
depreciation for costs that are paid or reimbursed by any	37836
government agency shall be considered as costs of ownership, and	37837
renovation costs that are paid under division (F) of this section	37838
shall not be considered costs of ownership.	37839

efficiency incentives for nursing facilities under this section:	37841
(1) For facilities with dates of licensure prior to January	37842
1, 1958, four dollars and twenty-four cents per patient day;	37843
(2) For facilities with dates of licensure after December 31,	37844
1957, but prior to January 1, 1968:	37845

cost of construction was six thousand eight hundred dollars or	37890
less per bed but exceeded five thousand one hundred fifty dollars	37891

(e) Four dollars and twenty-four cents per patient day if the	37897

(6) For facilities with dates of licensure in 1981 or any	37900
year thereafter prior to December 22, 1992, the following amount:	37901
(a) For facilities with construction costs less than seven	37902
thousand six hundred twenty-five dollars per bed, the applicable	37903
amounts for the construction costs specified in divisions	37904

(b) For facilities with construction costs of seven thousand	37906
six hundred twenty-five dollars or more per bed, six dollars per	37907
patient day, provided that for 1981 and annually thereafter prior	37908
to December 22, 1992, department shall do both of the following to	37909
the six-dollar amount:	37910
(i) Adjust the amount for fluctuations in construction costs	37911
calculated by the department using the "Dodge building cost	37912
indexes, northeastern and north central states," published by	37913
Marshall and Swift, using 1980 as the base year;	37914
(ii) Increase the amount, as adjusted for inflation under	37915
division (E)(6)(b)(i) of this section, by one dollar and	37916
seventy-four cents.	37917
(7) For facilities with dates of licensure on or after	37918

for fluctuations in construction costs between 1991 and 1993 as  
calculated by the department using the "Dodge building cost  
indexes, northeastern and north central states," published by  
Marshall and Swift, and then increased by one dollar and  
seventy-four cents.

For the fiscal year that begins July 1, 1994, each of the  
amounts listed in divisions (E)(1) to (7) of this section shall be  
increased by twenty-five cents. For the fiscal year that begins  
July 1, 1995, each of those amounts shall be increased by an  
additional twenty-five cents. For subsequent fiscal years, each of  
those amounts, as increased for the prior fiscal year, shall be  
adjusted to reflect the rate of inflation for the twelve-month  
period beginning on the first day of July of the calendar year  
preceding the calendar year that precedes the fiscal year and  
ending on the following thirtieth day of June, using the consumer  
price index for shelter costs for all urban consumers for the  
north central region, as published by the United States bureau of  
labor statistics.

If the amount established for a nursing facility under this  
division is less than the amount that applied to the facility  
under division (B) of former section 5111.25 of the Revised Code,  
as the former section existed immediately prior to December 22,  
1992, the amount used to calculate the efficiency incentive for  
the facility under division (D)(2) of this section shall be the  
amount that was calculated under division (B) of the former  
section.

(F) Beginning July 1, 1993, regardless of the facility's date  
of licensure or the date of the nonextensive renovations, the rate  
for the costs of nonextensive renovations for nursing facilities  
shall be eighty-five per cent of the desk-reviewed, actual,  
allowable, per diem, nonextensive renovation costs. This division  
applies to nonextensive renovations regardless of whether they are

## As Reported by the Senate Finance and Financial Institutions Committee

made by an owner or a lessee. If the tenancy of a lessee that has  
made nonextensive renovations ends before the depreciation expense  
for the renovation costs has been fully reported, the former  
lessee shall not report the undepreciated balance as an expense.

(1) For a nonextensive renovation made after July 1, 1993, to  
qualify for payment under this division, both of the following  
conditions must be met:

(a) At least five years have elapsed since the date of  
licensure of the portion of the facility that is proposed to be  
renovated, except that this condition does not apply if the  
renovation is necessary to meet the requirements of federal,  
state, or local statutes, ordinances, rules, or policies.

(b) The provider has obtained prior approval from the  
department of job and family services, and if required the  
director of health has granted a certificate of need for the  
renovation under section 3702.52 of the Revised Code. The provider  
shall submit a plan that describes in detail the changes in  
capital assets to be accomplished by means of the renovation and  
the timetable for completing the project. The time for completion  
of the project shall be no more than eighteen months after the  
renovation begins. The department of job and family services shall  
adopt rules in accordance with Chapter 119. of the Revised Code  
that specify criteria and procedures for prior approval of  
renovation projects. No provider shall separate a project with the  
intent to evade the characterization of the project as a  
renovation or as an extensive renovation. No provider shall  
increase the scope of a project after it is approved by the  
department of job and family services unless the increase in scope  
is approved by the department.

(2) The payment provided for in this division is the only  
payment that shall be made for the costs of a nonextensive

renovation. Nonextensive renovation costs shall not be included in 37984  
costs of ownership, and a nonextensive renovation shall not affect 37985  
the date of licensure for purposes of calculating the efficiency 37986  
incentive under divisions (D) and (E) of this section. 37987

(G) The owner of a nursing facility operating under a 37988  
provider agreement shall provide written notice to the department 37989  
of job and family services at least forty-five days prior to 37990  
entering into any contract of sale for the facility or voluntarily 37991  
terminating participation in the medical assistance program. After 37992  
the date on which a transaction of sale is closed, the owner shall 37993  
refund to the department the amount of excess depreciation paid to 37994  
the facility by the department for each year the owner has 37995  
operated the facility under a provider agreement and prorated 37996  
according to the number of medicaid patient days for which the 37997  
facility has received payment. If a nursing facility is sold after 37998  
five or fewer years of operation under a provider agreement, the 37999  
refund to the department shall be equal to the excess depreciation 38000  
paid to the facility. If a nursing facility is sold after more 38001  
than five years but less than ten years of operation under a 38002  
provider agreement, the refund to the department shall equal the 38003  
excess depreciation paid to the facility multiplied by twenty per 38004  
cent, multiplied by the difference between ten and the number of 38005  
years that the facility was operated under a provider agreement. 38006  
If a nursing facility is sold after ten or more years of operation 38007  
under a provider agreement, the owner shall not refund any excess 38008  
depreciation to the department. The owner of a facility that is 38009  
sold or that voluntarily terminates participation in the medical 38010  
assistance program also shall refund any other amount that the 38011  
department properly finds to be due after the audit conducted 38012  
under this division. For the purposes of this division, 38013  
"depreciation paid to the facility" means the amount paid to the 38014  
nursing facility for cost of ownership pursuant to this section 38015

## As Reported by the Senate Finance and Financial Institutions Committee

less any amount paid for interest costs, amortization of financing costs, and lease expenses. For the purposes of this division, "excess depreciation" is the nursing facility's depreciated basis, which is the owner's cost less accumulated depreciation, subtracted from the purchase price net of selling costs but not exceeding the amount of depreciation paid to the facility.

A cost report shall be filed with the department within ninety days after the date on which the transaction of sale is closed or participation is voluntarily terminated. The report shall show the accumulated depreciation, the sales price, and other information required by the department. The department shall provide for a bank, trust company, or savings and loan association to hold in escrow the amount of the last two monthly payments to a nursing facility made pursuant to division (A)(1) of section 5111.22 of the Revised Code before a sale or termination of participation shall be held in escrow by a bank, trust company, or savings and loan association, except that if or, if the owner fails, within the time required by this division, to notify the department before entering into a contract of sale for the facility, the amount of the first two monthly payments made to the facility after the department learns of the contract, regardless of whether a new owner is in possession of the facility. If the amount the owner will be required to refund under this section is likely to be less than the amount of the last two monthly payments otherwise put into escrow under this division, the department shall take one of the following actions instead of withholding the amount of the last two monthly payments:

(1) In the case of an owner that owns other facilities that participate in the medical assistance program, obtain a promissory note in an amount sufficient to cover the amount likely to be refunded;

## As Reported by the Senate Finance and Financial Institutions Committee

(2) In the case of all other owners, withhold the amount of 38048  
the last monthly payment to the nursing facility or, if the owner 38049  
fails, within the time required by this division, to notify the 38050  
department before entering into a contract of sale for the 38051  
facility, the amount of the first monthly payment made to the 38052  
facility after the department learns of the contract, regardless 38053  
of whether a new owner is in possession of the facility. 38054

The department shall, within ninety days following the filing 38055  
of the cost report, audit the cost report and issue an audit 38056  
report to the owner. The department also may audit any other cost 38057  
report that the facility has filed during the previous three 38058  
years. In the audit report, the department shall state its 38059  
findings and the amount of any money owed to the department by the 38060  
nursing facility. The findings shall be subject to adjudication 38061  
conducted in accordance with Chapter 119. of the Revised Code. No 38062  
later than fifteen days after the owner agrees to a settlement, 38063  
any funds held in escrow less any amounts due to the department 38064  
shall be released to the owner and amounts due to the department 38065  
shall be paid to the department. If the amounts in escrow are less 38066  
than the amounts due to the department, the balance shall be paid 38067  
to the department within fifteen days after the owner agrees to a 38068  
settlement. If the department does not issue its audit report 38069  
within the ninety-day period, the department shall release any 38070  
money held in escrow to the owner. For the purposes of this 38071  
section, a transfer of corporate stock, the merger of one 38072  
corporation into another, or a consolidation does not constitute a 38073  
sale. 38074

If a nursing facility is not sold or its participation is not 38075  
terminated after notice is provided to the department under this 38076  
division, the department shall order any payments held in escrow 38077  
released to the facility upon receiving written notice from the 38078  
owner that there will be no sale or termination. After written 38079

notice is received from a nursing facility that a sale or 38080  
termination will not take place, the facility shall provide notice 38081  
to the department at least forty-five days prior to entering into 38082  
any contract of sale or terminating participation at any future 38083  
time. 38084

(H) The department shall pay each eligible proprietary 38085  
nursing facility a return on the facility's net equity computed at 38086  
the rate of one and one-half times the average interest rate on 38087  
special issues of public debt obligations issued to the federal 38088  
hospital insurance trust fund for the cost reporting period, 38089  
except that no facility's return on net equity shall exceed ~~one~~ 38090  
dollar fifty cents per patient day. 38091

When calculating the rate for return on net equity, the 38092  
department shall use the greater of the facility's inpatient days 38093  
during the applicable cost reporting period or the number of 38094  
inpatient days the facility would have had during that period if 38095  
its occupancy rate had been ninety-five per cent. 38096

(I) If a nursing facility would receive a lower rate for 38097  
capital costs for assets in the facility's possession on July 1, 38098  
1993, under this section than it would receive under former 38099  
section 5111.25 of the Revised Code, as the former section existed 38100  
immediately prior to December 22, 1992, the facility shall receive 38101  
for those assets the rate it would have received under the former 38102  
section for each fiscal year beginning on or after July 1, 1993, 38103

rate it would have received under the former section. Any facility 38105  
that receives a rate calculated under the former section 5111.25 38106  
of the Revised Code for assets in the facility's possession on 38107  
July 1, 1993, also shall receive a rate calculated under this 38108

intermediate care facility for the mentally retarded. Except as 38115  
otherwise provided in sections 5111.20 to 5111.32 of the Revised 38116  
Code, the rate shall be based on the facility's capital costs for 38117  
the calendar year preceding the fiscal year in which the rate will 38118  
be paid. The rate shall equal the sum of the following: 38119

(1) The facility's desk-reviewed, actual, allowable, per diem 38120  
cost of ownership for the preceding cost reporting period, limited 38121  
as provided in divisions (C) and (F) of this section; 38122

(2) Any efficiency incentive determined under division (B) of 38123  
this section; 38124

(3) Any amounts for renovations determined under division (D) 38125  
of this section; 38126

(4) Any amounts for return on equity determined under 38127  
division (I) of this section. 38128

Buildings shall be depreciated using the straight line method 38129  
over forty years or over a different period approved by the 38130  
department. Components and equipment shall be depreciated using 38131  
the straight line method over a period designated by the director 38132  
of job and family services in rules adopted in accordance with 38133  
Chapter 119. of the Revised Code, consistent with the guidelines 38134  
of the American hospital association, or over a different period 38135  
approved by the department of job and family services. Any rules 38136  
adopted under this division that specify useful lives of 38137  
buildings, components, or equipment apply only to assets acquired 38138  
on or after July 1, 1993. Depreciation for costs paid or 38139  
reimbursed by any government agency shall not be included in costs 38140  
of ownership or renovation unless that part of the payment under 38141

(D) Beginning January 1, 1981, regardless of the original date of licensure, the department of job and family services shall pay a rate for the per diem capitalized costs of renovations to intermediate care facilities for the mentally retarded made after January 1, 1981, not exceeding six dollars per patient day using 1980 as the base year and adjusting the amount annually until June 30, 1993, for fluctuations in construction costs calculated by the department using the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift. The payment provided for in this division is the only payment that shall be made for the capitalized costs of a nonextensive renovation of an intermediate care facility for the mentally retarded. Nonextensive renovation costs shall not be included in cost of ownership, and a nonextensive renovation shall not affect the date of licensure for purposes of division (C) of this section. regardless of whether they are made by an owner or a lessee. If 38324  
the tenancy of a lessee that has made renovations ends before the 38325  
depreciation expense for the renovation costs has been fully 38326  
reported, the former lessee shall not report the undepreciated 38327  
balance as an expense. 38328

For a nonextensive renovation to qualify for payment under 38329  
this division, both of the following conditions must be met: 38330

(1) At least five years have elapsed since the date of 38331  
licensure or date of an extensive renovation of the portion of the 38332  
facility that is proposed to be renovated, except that this 38333  
condition does not apply if the renovation is necessary to meet 38334  
the requirements of federal, state, or local statutes, ordinances, 38335  
rules, or policies. 38336

(2) The provider has obtained prior approval from the 38337  
department of job and family services. The provider shall submit a 38338  
plan that describes in detail the changes in capital assets to be 38339  
accomplished by means of the renovation and the timetable for 38340  
completing the project. The time for completion of the project 38341  
shall be no more than eighteen months after the renovation begins. 38342  
The director of job and family services shall adopt rules in 38343  
accordance with Chapter 119. of the Revised Code that specify 38344  
criteria and procedures for prior approval of renovation projects. 38345  
No provider shall separate a project with the intent to evade the 38346  
characterization of the project as a renovation or as an extensive 38347  
renovation. No provider shall increase the scope of a project 38348  
after it is approved by the department of job and family services 38349  
unless the increase in scope is approved by the department. 38350

(E) The amounts specified in divisions (C) and (D) of this 38351  
section shall be adjusted beginning July 1, 1993, for the 38352  
estimated inflation for the twelve-month period beginning on the 38353  
first day of July of the calendar year preceding the calendar year 38354  
that precedes the fiscal year for which rate will be paid and 38355

ending on the thirtieth day of the following June, using the 38356  
consumer price index for shelter costs for all urban consumers for 38357  
the north central region, as published by the United States bureau 38358  
of labor statistics. 38359

(F)(1) For facilities of eight or fewer beds that have dates 38360  
of licensure or have been granted project authorization by the 38361  
department of mental retardation and developmental disabilities 38362  
before July 1, 1993, and for facilities of eight or fewer beds 38363  
that have dates of licensure or have been granted project 38364  
authorization after that date if the facilities demonstrate that 38365  
they made substantial commitments of funds on or before that date, 38366  
cost of ownership shall not exceed eighteen dollars and thirty 38367  
cents per resident per day. The eighteen-dollar and thirty-cent 38368  
amount shall be increased by the change in the "Dodge building 38369  
cost indexes, northeastern and north central states," published by 38370  
Marshall and Swift, during the period beginning June 30, 1990, and 38371  
ending July 1, 1993, and by the change in the consumer price index 38372  
for shelter costs for all urban consumers for the north central 38373  
region, as published by the United States bureau of labor 38374  
statistics, annually thereafter. 38375

(2) For facilities with eight or fewer beds that have dates 38376  
of licensure or have been granted project authorization by the 38377  
department of mental retardation and developmental disabilities on 38378  
or after July 1, 1993, for which substantial commitments of funds 38379  
were not made before that date, cost of ownership payments shall 38380  
not exceed the applicable amount calculated under division (F)(1) 38381  
of this section, if the department of job and family services 38382  
gives prior approval for construction of the facility. If the 38383  
department does not give prior approval, cost of ownership 38384  
payments shall not exceed the amount specified in division (C) of 38385  
this section. 38386

(3) Notwithstanding divisions (D) and (F)(1) and (2) of this 38387

section, the total payment for cost of ownership, cost of  
ownership efficiency incentive, and capitalized costs of  
renovations for an intermediate care facility for the mentally  
retarded with eight or fewer beds shall not exceed the sum of the  
limitations specified in divisions (C) and (D) of this section.

(G) Notwithstanding any provision of this section or section  
5111.24 of the Revised Code, the director of job and family  
services may adopt rules in accordance with Chapter 119. of the  
Revised Code that provide for a calculation of a combined maximum  
payment limit for indirect care costs and cost of ownership for  
intermediate care facilities for the mentally retarded with eight  
or fewer beds.

(H) After June 30, 1980, the owner of an intermediate care  
facility for the mentally retarded operating under a provider  
agreement shall provide written notice to the department of job  
and family services at least forty-five days prior to entering  
into any contract of sale for the facility or voluntarily  
terminating participation in the medical assistance program. After  
the date on which a transaction of sale is closed, the owner shall  
refund to the department the amount of excess depreciation paid to  
the facility by the department for each year the owner has  
operated the facility under a provider agreement and prorated  
according to the number of medicaid patient days for which the  
facility has received payment. If an intermediate care facility  
for the mentally retarded is sold after five or fewer years of  
operation under a provider agreement, the refund to the department  
shall be equal to the excess depreciation paid to the facility. If  
an intermediate care facility for the mentally retarded is sold  
after more than five years but less than ten years of operation  
under a provider agreement, the refund to the department shall  
equal the excess depreciation paid to the facility multiplied by  
twenty per cent, multiplied by the number of years less than ten

38420 that a facility was operated under a provider agreement. If an  
 38421 intermediate care facility for the mentally retarded is sold after  
 38422 ten or more years of operation under a provider agreement, the  
 38423 owner shall not refund any excess depreciation to the department.  
 38424 For the purposes of this division, "depreciation paid to the  
 38425 facility" means the amount paid to the intermediate care facility  
 38426 for the mentally retarded for cost of ownership pursuant to this  
 38427 section less any amount paid for interest costs. For the purposes  
 38428 of this division, "excess depreciation" is the intermediate care  
 38429 facility for the mentally retarded's depreciated basis, which is  
 38430 the owner's cost less accumulated depreciation, subtracted from  
 38431 the purchase price but not exceeding the amount of depreciation  
 38432 paid to the facility.

38433 A cost report shall be filed with the department within  
 38434 ninety days after the date on which the transaction of sale is  
 38435 closed or participation is voluntarily terminated for an  
 38436 intermediate care facility for the mentally retarded subject to  
 38437 this division. The report shall show the accumulated depreciation,  
 38438 the sales price, and other information required by the department.  
 38439 The department shall provide for a bank, trust company, or savings  
 38440 and loan association to hold in escrow the amount of the last two  
 38441 monthly payments to an intermediate care facility for the mentally  
 38442 retarded made pursuant to division (A)(1) of section 5111.22 of  
 38443 the Revised Code before a sale or voluntary termination of  
 38444 participation ~~shall be held in escrow by a bank, trust company, or~~  
 38445 ~~savings and loan association, except that if or, if the owner~~  
 38446 fails, within the time required by this division, to notify the  
 38447 department before entering into a contract of sale for the  
 38448 facility, the amount of the first two monthly payments made to the  
 38449 facility after the department learns of the contract, regardless  
 38450 of whether a new owner is in possession of the facility. If the  
 38451 amount the owner will be required to refund under this section is

## As Reported by the Senate Finance and Financial Institutions Committee

likely to be less than the amount of the ~~last~~ two monthly payments 38452  
otherwise put into escrow under this division, the department 38453  
shall take one of the following actions instead of withholding the 38454  
amount of the ~~last~~ two monthly payments: 38455

(1) In the case of an owner that owns other facilities that 38457  
participate in the medical assistance program, obtain a promissory 38458  
note in an amount sufficient to cover the amount likely to be 38459  
refunded; 38460

(2) In the case of all other owners, withhold the amount of 38461  
the last monthly payment to the intermediate care facility for the 38462  
mentally retarded or, if the owner fails, within the time required 38463  
by this division, to notify the department before entering into a 38464  
contract of sale for the facility, the amount of the first monthly 38465  
payment made to the facility after the department learns of the 38466  
contract, regardless of whether a new owner is in possession of 38467  
the facility. 38468

The department shall, within ninety days following the filing 38469  
of the cost report, audit the report and issue an audit report to 38470  
the owner. The department also may audit any other cost reports 38471  
for the facility that have been filed during the previous three 38472  
years. In the audit report, the department shall state its 38473  
findings and the amount of any money owed to the department by the 38474  
intermediate care facility for the mentally retarded. The findings 38475  
shall be subject to an adjudication conducted in accordance with 38476  
Chapter 119. of the Revised Code. No later than fifteen days after 38477  
the owner agrees to a settlement, any funds held in escrow less 38478  
any amounts due to the department shall be released to the owner 38479  
and amounts due to the department shall be paid to the department. 38480  
If the amounts in escrow are less than the amounts due to the 38481  
department, the balance shall be paid to the department within 38482  
fifteen days after the owner agrees to a settlement. If the 38483

department does not issue its audit report within the ninety-day  
period, the department shall release any money held in escrow to  
the owner. For the purposes of this section, a transfer of  
corporate stock, the merger of one corporation into another, or a  
consolidation does not constitute a sale.

If an intermediate care facility for the mentally retarded is  
not sold or its participation is not terminated after notice is  
provided to the department under this division, the department  
shall order any payments held in escrow released to the facility  
upon receiving written notice from the owner that there will be no  
sale or termination of participation. After written notice is  
received from an intermediate care facility for the mentally  
retarded that a sale or termination of participation will not take  
place, the facility shall provide notice to the department at  
least forty-five days prior to entering into any contract of sale  
or terminating participation at any future time.

(I) The department of job and family services shall pay each  
eligible proprietary intermediate care facility for the mentally  
retarded a return on the facility's net equity computed at the  
rate of one and one-half times the average of interest rates on  
special issues of public debt obligations issued to the federal  
hospital insurance trust fund for the cost reporting period. No  
facility's return on net equity paid under this division shall  
exceed one dollar per patient day.

In calculating the rate for return on net equity, the  
department shall use the greater of the facility's inpatient days  
during the applicable cost reporting period or the number of  
inpatient days the facility would have had during that period if  
its occupancy rate had been ninety-five per cent.

(J)(1) Except as provided in division (J)(2) of this section,  
if a provider leases or transfers an interest in a facility to

another provider who is a related party, the related party's  
allowable cost of ownership shall include the lesser of the  
following:

(a) The annual lease expense or actual cost of ownership,  
whichever is applicable;

(b) The reasonable cost to the lessor or provider making the  
transfer.

(2) If a provider leases or transfers an interest in a  
facility to another provider who is a related party, regardless of  
the date of the lease or transfer, the related party's allowable  
cost of ownership shall include the annual lease expense or actual  
cost of ownership, whichever is applicable, subject to the  
limitations specified in divisions (B) to (I) of this section, if  
all of the following conditions are met:

(a) The related party is a relative of owner;

(b) In the case of a lease, if the lessor retains any  
ownership interest, it is, except as provided in division  
(J)(2)(d)(ii) of this section, in only the real property and any  
improvements on the real property;

(c) In the case of a transfer, the provider making the  
transfer retains, except as provided in division (J)(2)(d)(iv) of  
this section, no ownership interest in the facility;

(d) The department of job and family services determines that  
the lease or transfer is an arm's length transaction pursuant to  
rules the department shall adopt in accordance with Chapter 119.  
of the Revised Code no later than December 31, 2000. The rules  
shall provide that a lease or transfer is an arm's length  
transaction if all of the following, as applicable, apply:

(i) In the case of a lease, once the lease goes into effect,  
the lessor has no direct or indirect interest in the lessee or,

except as provided in division (J)(2)(b) of this section, the  
facility itself, including interest as an owner, officer,  
director, employee, independent contractor, or consultant, but  
excluding interest as a lessor.

(ii) In the case of a lease, the lessor does not reacquire an  
interest in the facility except through the exercise of a lessor's  
rights in the event of a default. If the lessor reacquires an  
interest in the facility in this manner, the department shall  
treat the facility as if the lease never occurred when the  
department calculates its reimbursement rates for capital costs.

(iii) In the case of a transfer, once the transfer goes into  
effect, the provider that made the transfer has no direct or  
indirect interest in the provider that acquires the facility or  
the facility itself, including interest as an owner, officer,  
director, employee, independent contractor, or consultant, but  
excluding interest as a creditor.

(iv) In the case of a transfer, the provider that made the  
transfer does not reacquire an interest in the facility except  
through the exercise of a creditor's rights in the event of a  
default. If the provider reacquires an interest in the facility in  
this manner, the department shall treat the facility as if the  
transfer never occurred when the department calculates its  
reimbursement rates for capital costs.

(v) The lease or transfer satisfies any other criteria  
specified in the rules.

(e) Except in the case of hardship caused by a catastrophic  
event, as determined by the department, or in the case of a lessor  
or provider making the transfer who is at least sixty-five years  
of age, not less than twenty years have elapsed since, for the  
same facility, allowable cost of ownership was determined most

<b>Sec. 5111.28.</b> (A) If a provider properly amends its cost	38601
report under section 5111.27 of the Revised Code and the amended	38602
report shows that the provider received a lower rate under the	38603
original cost report than it was entitled to receive, the	38604
department shall adjust the provider's rate prospectively to	38605

adjusted rate beginning two months after the first day of the month after the provider files the amended cost report. If the department finds, from an exception review of resident assessment information conducted after the effective date of the rate for direct care costs that is based on the assessment information, that inaccurate assessment information resulted in the provider receiving a lower rate than it was entitled to receive, the department prospectively shall adjust the provider's rate accordingly and shall make payments using the adjusted rate for the remainder of the calendar quarter for which the assessment information is used to determine the rate, beginning one month after the first day of the month after the exception review is completed.

(B) If the provider properly amends its cost report under section 5111.27 of the Revised Code, the department makes a finding based on an audit under that section, or the department makes a finding based on an exception review of resident assessment information conducted under that section after the effective date of the rate for direct care costs that is based on the assessment information, any of which results in a determination that the provider has received a higher rate than it was entitled to receive, the department shall recalculate the provider's rate using the revised information. The department shall apply the recalculated rate to the periods when the provider received the incorrect rate to determine the amount of the overpayment. The provider shall refund the amount of the overpayment.

In addition to requiring a refund under this division, the department may charge the provider interest at the applicable rate specified in this division from the time the overpayment was made.

(1) If the overpayment resulted from costs reported for calendar year 1993, the interest shall be no greater than one and

one-half times the average bank prime rate. 38639

(2) If the overpayment resulted from costs reported for 38640  
subsequent calendar years: 38641

(a) The interest shall be no greater than two times the 38642  
average bank prime rate if the overpayment was equal to or less 38643  
than one per cent of the total medicaid payments to the provider 38644  
for the fiscal year for which the incorrect information was used 38645  
to establish a rate. 38646

(b) The interest shall be no greater than two and one-half 38647  
times the current average bank prime rate if the overpayment was 38648  
greater than one per cent of the total medicaid payments to the 38649  
provider for the fiscal year for which the incorrect information 38650  
was used to establish a rate. 38651

~~(3) The department shall determine the average bank prime 38652  
rate using statistical release H.15, "selected interest rates," a 38653  
weekly publication of the federal reserve board, or any successor 38654  
publication. If statistical release H.15, or its successor, ceases 38655  
to contain the bank prime rate information or ceases to be 38656  
published, the department shall request a written statement of the 38657  
average bank prime rate from the federal reserve bank of Cleveland 38658  
or the federal reserve board. 38659~~

(C) The department also may impose the following penalties: 38660

(1) If a provider does not furnish invoices or other 38661  
documentation that the department requests during an audit within 38662  
sixty days after the request, no more than the greater of one 38663  
thousand dollars per audit or twenty-five per cent of the 38664  
cumulative amount by which the costs for which documentation was 38665  
not furnished increased the total medicaid payments to the 38666  
provider during the fiscal year for which the costs were used to 38667  
establish a rate; 38668

(2) If an owner fails to provide notice of sale of the 38669

facility or voluntary termination of participation in the medical 38670  
assistance program, as required by section 5111.25 or 5111.251 of 38671  
the Revised Code, no more than ~~two~~ the current average bank prime 38672  
rate plus four per cent of the last two monthly payments. 38673

(D) If the provider continues to participate in the medical 38674  
assistance program, the department shall deduct any amount that 38675  
the provider is required to refund under this section, and the 38676  
amount of any interest charged or penalty imposed under this 38677  
section, from the next available payment from the department to 38678  
the provider. The department and the provider may enter into an 38679  
agreement under which the amount, together with interest, is 38680  
deducted in installments from payments from the department to the 38681  
provider. 38682

(E) The department shall transmit refunds and penalties to 38683  
the treasurer of state for deposit in the general revenue fund. 38684

(F) For the purpose of this section, the department shall 38685  
determine the average bank prime rate using statistical release 38686  
H.15, "selected interest rates," a weekly publication of the 38687  
federal reserve board, or any successor publication. If 38688  
statistical release H.15, or its successor, ceases to contain the 38689  
bank prime rate information or ceases to be published, the 38690  
department shall request a written statement of the average bank 38691  
prime rate from the federal reserve bank of Cleveland or the 38692  
federal reserve board. 38693

**Sec. 5111.29.** (A) The director of job and family services 38694  
shall adopt rules in accordance with Chapter 119. of the Revised 38695  
Code that establish a process under which a nursing facility or 38696  
intermediate care facility for the mentally retarded, or a group 38697  
or association of facilities, may seek reconsideration of rates 38698  
established under sections 5111.23 to 5111.28 of the Revised Code, 38699  
including a rate for direct care costs recalculated before the 38700

effective date of the rate as a result of an exception review of 38701  
resident assessment information conducted under section 5111.27 of 38702  
the Revised Code. 38703

(1) Except as provided in divisions (A)(2) to (4) of this 38704  
section, the only issue that a facility, group, or association may 38705  
raise in the rate reconsideration shall be whether the rate was 38706  
calculated in accordance with sections 5111.23 to 5111.28 of the 38707  
Revised Code and the rules adopted under those sections. The rules 38708  
shall permit a facility, group, or association to submit written 38709  
arguments or other materials that support its position. The rules 38710  
shall specify time frames within which the facility, group, or 38711  
association and the department must act. If the department 38712  
determines, as a result of the rate reconsideration, that the rate 38713  
established for one or more facilities is less than the rate to 38714  
which it is entitled, the department shall increase the rate. If 38715  
the department has paid the incorrect rate for a period of time, 38716  
the department shall pay the facility the difference between the 38717  
amount it was paid for that period and the amount it should have 38718  
been paid. 38719

(2) The rules shall provide that during a fiscal year, the 38720  
department, by means of the rate reconsideration process, may 38721  
increase a facility's rate as calculated under sections 5111.23 to 38722  
5111.28 of the Revised Code if the facility demonstrates that its 38723  
actual, allowable costs have increased because of extreme 38724  
circumstances. A facility may qualify for a rate increase only if 38725  
its per diem, actual, allowable costs have increased to a level 38726  
that exceeds its total rate, including any efficiency incentive 38727  
and return on equity payment. The rules shall specify the 38728  
circumstances that would justify a rate increase under division 38729  
(A)(2) of this section. The In the case of nursing facilities, the 38730  
rules shall provide that the extreme circumstances include 38731  
increased security costs for an inner-city nursing facility and an 38732

increase in workers' compensation experience rating of greater 38733  
than five per cent for a facility that has an appropriate claims 38734  
management program but do not include a change of ownership that 38735  
results from bankruptcy, foreclosure, or findings of violations of 38736  
certification requirements by the department of health. In the 38737  
case of intermediate care facilities for the mentally retarded, 38738  
the rules shall provide that the extreme circumstances include, 38739  
but are not limited to, renovations approved under division (D) of 38740  
section 5111.251 of the Revised Code, an increase in workers' 38741  
compensation experience rating of greater than five per cent for a 38742  
facility that has an appropriate claims management program, 38743  
increased security costs for an inner-city facility, and a change 38744  
of ownership that results from bankruptcy, foreclosure, or 38745  
findings of violations of certification requirements by the 38746  
department of health. An increase under division (A)(2) of this 38747  
section is subject to any rate limitations or maximum rates 38748  
established by sections 5111.23 to 5111.28 of the Revised Code for 38749  
specific cost centers. Any rate increase granted under division 38750  
(A)(2) of this section shall take effect on the first day of the 38751  
first month after the department receives the request. 38752

(3) The rules shall provide that the department, through the 38753  
rate reconsideration process, may increase a facility's rate as 38754  
calculated under sections 5111.23 to 5111.28 of the Revised Code 38755  
if the department, in its sole discretion, determines that the 38756  
rate as calculated under those sections works an extreme hardship 38757  
on the facility. 38758

(4) The rules shall provide that when beds certified for the 38759  
medical assistance program are added to an existing facility, 38760  
replaced at the same site, or subject to a change of ownership or 38761  
lease, the department, through the rate reconsideration process, 38762  
shall increase the facility's rate for capital costs 38763  
proportionately, as limited by any applicable limitation under 38764

section 5111.25 or 5111.251 of the Revised Code, to account for  
the costs of the beds that are added, replaced, or subject to a  
change of ownership or lease. The department shall make this  
increase one month after the first day of the month after the  
department receives sufficient documentation of the costs. Any  
rate increase granted under division (A)(4) of this section after  
June 30, 1993, shall remain in effect until the effective date of  
a rate calculated under section 5111.25 or 5111.251 of the Revised  
Code that includes costs incurred for a full calendar year for the  
bed addition, bed replacement, or change of ownership or lease.  
The facility shall report double accumulated depreciation in an  
amount equal to the depreciation included in the rate adjustment  
on its cost report for the first year of operation. During the  
term of any loan used to finance a project for which a rate  
adjustment is granted under division (A)(4) of this section, if  
the facility is operated by the same provider, the facility shall  
subtract from the interest costs it reports on its cost report an  
amount equal to the difference between the following:

(a) The actual, allowable interest costs for the loan during  
the calendar year for which the costs are being reported;

(b) The actual, allowable interest costs attributable to the  
loan that were used to calculate the rates paid to the facility  
during the same calendar year.

(5) The department's decision at the conclusion of the  
reconsideration process shall not be subject to any administrative  
proceedings under Chapter 119. or any other provision of the  
Revised Code.

(B) Any audit disallowance that the department makes as the  
result of an audit under section 5111.27 of the Revised Code, any  
adverse finding that results from an exception review of resident  
assessment information conducted under that section after the  
effective date of the facility's rate that is based on the

 119. of the Revised Code. 38800

application to the board of alcohol, drug addiction, and mental 39305  
health services whose service district includes the county in 39306  
which the person operates or desires to operate a residential 39307  
facility. The board shall review such applications and recommend 39308

to issue or renew and may revoke a license if it finds the 39321  
facility is not in compliance with rules adopted by the department 39322  
pursuant to division (G) of this section or if any facility 39323  
operated by the applicant or licensee has had repeated violations 39324  
of statutes or rules during the period of previous licenses. 39325  
Proceedings initiated to deny applications for full or 39326  
probationary licenses or to revoke such licenses are governed by 39327  
Chapter 119. of the Revised Code. 39328

(D) The department may issue an interim license to operate a 39329  
residential facility if both of the following conditions are met: 39330

(1) The department determines that the closing of or the need 39331  
to remove residents from another residential facility has created 39332  
an emergency situation requiring immediate removal of residents 39333  
and an insufficient number of licensed beds are available. 39334

39335

(2) The residential facility applying for an interim license 39336  
meets standards established for interim licenses in rules adopted 39337  
by the director under Chapter 119. of the Revised Code. 39338

An interim license shall be valid for ninety days and may be 39339  
renewed by the director no more than twice. Proceedings initiated 39340  
to deny applications for or to revoke interim licenses under this 39341  
division are not subject to Chapter 119. of the Revised Code. 39342

section.	39356
In conducting inspections the department may conduct an	39357

relating to the operation of the residential facility, and shall	39361
have access to the facility in order to conduct interviews with	39362
the operator, staff, and residents. Following each inspection and	39363
review, the department shall complete a report listing any	39364
deficiencies, and including, when appropriate, a time table within	39365

real and present danger to the health or safety of any of the 39407  
occupants of the facility. The court shall have jurisdiction to 39408

~~(F)~~(C) Withhold state and federal funds for any program, in whole or in part, from a board of alcohol, drug addiction, and mental health services in the event of failure of that program to comply with Chapter 340. or section 5119.61, 5119.611, 5119.612, or 5119.62 of the Revised Code or rules of the department of mental health. The director shall identify the areas of noncompliance and the action necessary to achieve compliance. The director shall offer technical assistance to the board to achieve compliance. The director shall give the board a reasonable time within which to comply or to present its position that it is in compliance. Before withholding funds, a hearing shall be conducted to determine if there are continuing violations and that either assistance is rejected or the board is unable to achieve compliance. Subsequent to the hearing process, if it is determined that compliance has not been achieved, the director may allocate all or part of the withheld funds to a public or private agency to provide the services not in compliance until the time that there is compliance. The director shall establish rules pursuant to Chapter 119. of the Revised Code to implement this division.

~~(G)~~(D) Withhold state or federal funds from a board of alcohol, drug addiction, and mental health services that denies available service on the basis of religion, race, color, creed, sex, national origin, age, disability as defined in section 4112.01 of the Revised Code, developmental disability, or the inability to pay;

special programs or projects the director considers necessary but 39536  
for which local funds are not available; 39537

~~(J)~~(G) Establish criteria by which a board of alcohol, drug 39538  
addiction, and mental health services reviews and evaluates the 39539  
quality, effectiveness, and efficiency of services provided 39540  
through its community mental health plan. The criteria shall 39541

department shall assess a board's evaluation of services and the 39543  
compliance of each board with this section, Chapter 340. or 39544  
section 5119.62 of the Revised Code, and other state or federal 39545  
law and regulations. The department, in cooperation with the 39546  
board, periodically shall review and evaluate the quality, 39547  
effectiveness, and efficiency of services provided through each 39548  
board. The department shall collect information that is necessary 39549

dates in accordance with rules adopted by the department in 39562  
accordance with Chapter 119. of the Revised Code; 39563

(2) Financial information other than price or price-related 39564  
data regarding expenditures of boards and community mental health 39565  
agencies, including units of service provided, budgeted and actual 39566  
expenses by type, and sources of funds. 39567

Boards shall submit the information specified in division 39568  
(K)(H)(1) of this section no less frequently than annually for 39569  
each client, and each time the client's case is opened or closed. 39570  
The department shall not collect any information for the purpose 39571  
of identifying by name any person who receives a service through a 39572  
board of alcohol, drug addiction, and mental health services, 39573  
except as required by state or federal law to validate appropriate 39574  
reimbursement. For the purposes of division (K)(H)(1) of this 39575

(L)(I) Review each board's community mental health plan 39578

for plan approval or disapproval, and provisions for conditional 39584  
approval. The factors that the director considers may include, but 39585  
are not limited to, the following: 39586

(1) The mental health needs of all persons residing within 39587  
the board's service district, especially severely mentally 39588  
disabled children, adolescents, and adults; 39589

(2) The demonstrated quality, effectiveness, efficiency, and 39590  
cultural relevance of the services provided in each service 39591  
district, the extent to which any services are duplicative of 39592  
other available services, and whether the services meet the needs 39593  
identified above; 39594

(3) The adequacy of the board's accounting for the 39595  
expenditure of funds. 39596

If the director disapproves all or part of any plan, the 39597  
director shall provide the board an opportunity to present its 39598

plan may be approved. The director shall give the board a 39601  
reasonable time within which to meet the criteria, and shall offer 39602  
technical assistance to the board to help it meet the criteria. 39603

If the approval of a plan remains in dispute thirty days 39604

current plan is scheduled to expire, the board or the director may 39606  
request that the dispute be submitted to a mutually agreed upon 39607  
third-party mediator with the cost to be shared by the board and 39608  
the department. The mediator shall issue to the board and the 39609  
department recommendations for resolution of the dispute. Prior to 39610  
the conclusion of the fiscal year in which the current plan is 39611  
scheduled to expire, the director, taking into consideration the 39612  
recommendations of the mediator, shall make a final determination 39613

This certificate need be signed only by the subdivision's fiscal officer. Every such contract made without such a certificate shall be void, and no warrant shall be issued in payment of any amount due thereon. If no certificate is furnished as required, upon receipt by the taxing authority of the subdivision or taxing unit of a certificate of the fiscal officer stating that there was at the time of the making of such contract or order and at the time of the execution of such certificate a sufficient sum appropriated for the purpose of such contract and in the treasury or in process of collection to the credit of an appropriate fund free from any previous encumbrances, such taxing authority may authorize the drawing of a warrant in payment of amounts due upon such contract, but such resolution or ordinance shall be passed within thirty days from the receipt of such certificate; provided that, if the amount involved is less than one hundred dollars in the case of counties or one thousand dollars in the case of all other subdivisions or taxing units, the fiscal officer may authorize it to be paid without such affirmation of the taxing authority of the subdivision or taxing unit, if such expenditure is otherwise valid.

(2) Annually, the board of county commissioners may adopt a resolution exempting for the current fiscal year county purchases of seven hundred fifty dollars or less from the requirement of division (D)(1) of this section that a certificate be attached to any contract or order involving the expenditure of money. The

resolution shall state the dollar amount that is exempted from the certificate requirement and whether the exemption applies to all purchases, to one or more specific classes of purchases, or to the purchase of one or more specific items. Prior to the adoption of the resolution, the board shall give written notice to the county auditor that it intends to adopt the resolution. The notice shall state the dollar amount that is proposed to be exempted and whether the exemption would apply to all purchases, to one or more specific classes of purchases, or to the purchase of one or more specific items. The county auditor may review and comment on the proposal, and shall send any comments to the board within fifteen days after receiving the notice. The board shall wait at least fifteen days after giving the notice to the auditor before adopting the resolution. A person authorized to make a county purchase in a county that has adopted such a resolution shall prepare and file with the county auditor, within three business days after incurring an obligation not requiring a certificate, a written document specifying the purpose and amount of the expenditure, the date of the purchase, the name of the vendor, and such additional information as the auditor of state may prescribe.

(3) Upon certification by the auditor or other chief fiscal officer that a certain sum of money, not in excess of five thousand dollars, has been lawfully appropriated, authorized, or directed for a certain purpose and is in the treasury or in the process of collection to the credit of a specific line-item appropriation account in a certain fund free from previous and then outstanding obligations or certifications, then for such purpose and from such line-item appropriation account in such fund, over a period not exceeding three months and not extending beyond the end of the fiscal year, expenditures may be made, orders for payment issued, and contracts or obligations calling for or requiring the payment of money made and assumed; provided,

## As Reported by the Senate Finance and Financial Institutions Committee

that the aggregate sum of money included in and called for by such expenditures, orders, contracts, and obligations shall not exceed the sum so certified. Such a certification need be signed only by the fiscal officer of the subdivision or the taxing district and may, but need not, be limited to a specific vendor. An itemized statement of obligations incurred and expenditures made under such certificate shall be rendered to the auditor or other chief fiscal officer before another such certificate may be issued, and not more than one such certificate shall be outstanding at a time.

In addition to providing the certification for expenditures of five thousand dollars or less as provided in this division, a subdivision also may make expenditures, issue orders for payment, and make contracts or obligations calling for or requiring the payment of money made and assumed for specified permitted purposes from a specific line-item appropriation account in a specified fund for a sum of money exceeding five thousand dollars upon the certification by the fiscal officer of the subdivision that this sum of money has been lawfully appropriated, authorized, or directed for a permitted purpose and is in the treasury or in the process of collection to the credit of the specific line-item appropriation account in the specified fund free from previous and then-outstanding obligations or certifications; provided that the aggregate sum of money included in and called for by the expenditures, orders, and obligations shall not exceed the certified sum. The purposes for which a subdivision may lawfully appropriate, authorize, or issue such a certificate are the services of an accountant, architect, attorney at law, physician, professional engineer, construction project manager, consultant, surveyor, or appraiser by or on behalf of the subdivision or contracting authority; fuel oil, gasoline, food items, roadway materials, and utilities; and any purchases exempt from competitive bidding under section 125.04 of the Revised Code and

any other specific expenditure that is a recurring and reasonably  
predictable operating expense. Such a certification shall not  
extend beyond the end of the fiscal year or, in the case of a  
board of county commissioners that has established a quarterly  
spending plan under section 5705.392 of the Revised Code, beyond  
the quarter to which the plan applies. Such a certificate shall be  
signed by the fiscal officer and may, but need not, be limited to  
a specific vendor. An itemized statement of obligations incurred  
and expenditures made under such a certificate shall be rendered  
to the fiscal officer for each certificate issued. More than one  
such certificate may be outstanding at any time.

In any case in which a contract is entered into upon a per  
unit basis, the head of the department, board, or commission for  
the benefit of which the contract is made shall make an estimate  
of the total amount to become due upon such contract, which  
estimate shall be certified in writing to the fiscal officer of  
the subdivision. Such a contract may be entered into if the  
appropriation covers such estimate, or so much thereof as may be  
due during the current year. In such a case the certificate of the  
fiscal officer based upon the estimate shall be a sufficient  
compliance with the law requiring a certificate.

Any certificate of the fiscal officer attached to a contract  
shall be binding upon the political subdivision as to the facts  
set forth therein. Upon request of any person receiving an order  
or entering into a contract with any political subdivision, the  
certificate of the fiscal officer shall be attached to such order  
or contract. "Contract" as used in this section excludes current  
payrolls of regular employees and officers.

Taxes and other revenue in process of collection, or the  
proceeds to be derived from authorized bonds, notes, or  
certificates of indebtedness sold and in process of delivery,  
shall for the purpose of this section be deemed in the treasury or

in process of collection and in the appropriate fund. This section 44806  
applies neither to the investment of sinking funds by the trustees 44807  
of such funds, nor to investments made under sections 731.56 to 44808  
731.59 of the Revised Code. 44809

No district authority shall, in transacting its own affairs, 44810  
do any of the things prohibited to a subdivision by this section, 44811  
but the appropriation referred to shall become the appropriation 44812  
by the district authority, and the fiscal officer referred to 44813  
shall mean the fiscal officer of the district authority. 44814

**Sec. 5705.44.** When contracts or leases run beyond the 44815  
termination of the fiscal year in which they are made, the fiscal 44816  
officer of the taxing authority shall make a certification for the 44817  
amount required to meet the obligation of such contract or lease 44818  
maturing in such fiscal year. The amount of the obligation under 44819  
such contract or lease remaining unfulfilled at the end of a 44820  
fiscal year, and which will become payable during the next fiscal 44821  
year, shall be included in the annual appropriation measure for 44822  
the next year as a fixed charge. 44823

The certificate required by section 5705.41 of the Revised 44824  
Code as to money in the treasury shall not be required for 44825  
contracts on which payments are to be made from the earnings of a 44826  
publicly operated water works or public utility, but in the case 44827  
of any such contract made without such certification, no payment 44828  
shall be made on account thereof, and no claim or demand thereon 44829  
shall be recoverable, except out of such earnings. That 44830  
certificate also shall not be required if requiring the 44831  
certificate makes it impossible for a county board of mental 44832  
retardation and developmental disabilities to pay the nonfederal 44833  
share of medicaid expenditures that the county board is required 44834  
by division (A) of section 5126.056 of the Revised Code to pay. 44835

(C) Tangible personal property held by a corporation chartered under 112 Stat. 1335, 36 U.S.C.A. 40701, described in section 501(c)(3) of the Internal Revenue Code, and exempt from taxation under section 501(a) of the Internal Revenue Code shall be exempt from taxation if it is surplus property obtained as described in 112 Stat. 1340, 36 U.S.C.A. 40730.

**Sec. 5711.33.** (A)(1) When a county treasurer receives a certificate from a county auditor pursuant to division (A) of section 5711.32 of the Revised Code charging the treasurer with the collection of an amount of taxes due as the result of a deficiency assessment, the treasurer shall immediately prepare and mail a tax bill to the taxpayer owing such tax. The tax bill shall contain the name of the taxpayer; the taxable value, tax rate, and taxes charged for each year being assessed; the total amount of taxes due; the final date payment may be made without additional penalty; and any other information the treasurer considers pertinent or necessary. Taxes due and payable as a result of a

deficiency assessment, less any amount specifically excepted from 44867  
collection under division (B) of section 5711.32 of the Revised 44868  
Code, shall be paid with interest thereon as prescribed by section 44869  
5719.041 of the Revised Code on or before the sixtieth day 44870  
following the date of issuance of the certificate by the county 44871  
auditor. The balance of taxes found due and payable after a final 44872  
determination by the tax commissioner or a final judgment of the 44873  
board of tax appeals or any court to which such final judgment may 44874  
be appealed, shall be paid with interest thereon as prescribed by 44875  
section 5719.041 of the Revised Code on or before the sixtieth day 44876  
following the date of certification by the auditor to the 44877  
treasurer pursuant to division (C) of section 5711.32 of the 44878  
Revised Code of such final determination or judgment. Such final 44879  
dates for payment shall be determined and exhibited on the tax 44880  
bill by the treasurer. 44881

(2) If, on or before the sixtieth day following the date of a 44882  
certification of a deficiency assessment under division (A) of 44883  
section 5711.32 of the Revised Code or of a certification of a 44884  
final determination or judgment under division (C) of section 44885  
5711.32 of the Revised Code, the taxpayer pays the full amount of 44886  
taxes and interest due at the time of the receipt of certification 44887  
with respect to that assessment, determination, or judgment, no 44888  
interest shall accrue or be charged with respect to that 44889  
assessment, determination, or judgment for the period that begins 44890  
on the first day of the month in which the certification is made 44891  
and that ends on the last day of the month preceding the month in 44892  
which such sixtieth day occurs. 44893

(3) In addition to any other means provided by law for the 44894  
collection of such taxes, the county treasurer may enter into a 44895  
written tax contract with a taxpayer charged with the payment of 44896  
taxes as a result of a deficiency assessment issued under division 44897  
(A) of section 5711.32 of the Revised Code whereby the taxpayer is 44898

permitted to pay the full amount of those taxes in installments. 44899  
Such a contract may not be entered into later than the sixtieth 44900  
day after the day the assessment is issued. The terms of the tax 44901  
contract shall include the amount payable and the due date of each 44902  
installment including the final payment date, which shall be not 44903  
more than five years after the date of the first payment. A 44904  
receipt shall be issued for each installment payment when paid. 44905  
Each payment shall be applied to the taxes and interest in the 44906  
same order as each became due and shall be apportioned among the 44907  
various funds for which the taxes were levied at the next 44908  
succeeding tax settlement. When a payment is not tendered as 44909  
agreed upon, the treasurer shall declare the tax contract to be 44910  
void and proceed to collect the unpaid balance by any means 44911  
provided by law. When the treasurer declares a tax contract to be 44912  
void, the remaining tax and interest due becomes delinquent, and 44913  
the penalty provided by division (B) of this section shall be 44914  
imposed on that remaining tax and interest due. The treasurer may 44915  
permit a delinquent tax contract to be undertaken on any 44916  
delinquent tax due as provided in section 5719.05 of the Revised 44917  
Code. 44918

(B) When the taxes charged, as mentioned in division (A) of 44919  
this section, are not paid within the time prescribed by such 44920  
division or if a tax contract is not entered into as provided in 44921  
division (A)(3) of this section, a penalty of ten per cent of the 44922  
amount due and unpaid and interest for the period described in 44923  
division (A)(2) of this section shall accrue at the time the 44924  
treasurer closes the treasurer's office for business on the last 44925  
day so prescribed, but if the taxes are paid within ten days 44926  
subsequent to the last day prescribed, the treasurer shall waive 44927  
the collection of and the auditor shall remit one-half of the 44928  
penalty. The treasurer shall not thereafter accept less than the 44929  
full amount of taxes and penalty except as otherwise authorized by 44930

law. Such penalty shall be distributed in the same manner and at 44931  
the same time as the tax upon which it has accrued. The whole 44932  
amount collected shall be included in the next succeeding 44933  
settlement of appropriate taxes. 44934

(C) When the taxes charged, as mentioned in division (A) of 44935  
this section, remain unpaid after the final date for payment 44936  
prescribed by such division, such charges shall be deemed to be 44937  
delinquent taxes. The county auditor shall cause such charges, 44938  
including the penalty that has accrued pursuant to this section, 44939  
to be added to the delinquent tax duplicate in accordance with 44940  
section 5719.04 of the Revised Code. 44941

(D) The county auditor, upon consultation with the county 44942  
treasurer, shall remit a penalty imposed under division (B) of 44943  
this section or division (C) of section 5719.03 of the Revised 44944  
Code for the late payment of taxes when: 44945

(1) The taxpayer could not make timely payment of the tax 44946  
because of the negligence or error of the auditor or treasurer in 44947  
the performance of a statutory duty relating to the levy or 44948  
collection of such tax. 44949

(2) In cases other than those described in division (D)(1) of 44950  
this section, the taxpayer failed to receive a tax bill or a 44951  
correct tax bill, and the taxpayer made a good faith effort to 44952  
obtain such bill within thirty days after the last day for payment 44953  
of the tax. 44954

(3) The tax was not timely paid because of the death or 44955  
serious injury of the taxpayer, or the taxpayer's confinement in a 44956  
hospital within sixty days preceding the last day for payment of 44957  
the tax if, in any case, the tax was subsequently paid within 44958  
sixty days after the last day for payment of such tax. 44959

(4) The taxpayer demonstrates to the satisfaction of the 44960  
auditor that the full payment was properly deposited in the mail 44961

in sufficient time for the envelope to be postmarked by the United States postal service on or before the last day for payment of such tax. A private meter postmark on an envelope is not a valid postmark for purposes of establishing the date of payment of such tax.

(E) The taxpayer, upon application, may request the tax commissioner to review the denial of the remission of a penalty by the auditor. The commissioner shall consider the application, determine whether the penalty should be remitted, and certify the determination to the taxpayer and to the treasurer and auditor who shall correct the tax list and duplicate accordingly. The commissioner shall issue orders and instructions for the uniform implementation of this section by all auditors and treasurers, and such orders and instructions shall be followed by such officers.

 electricity distributed by the company, the rates shall apply to 45379  
 the estimated kilowatt hours of electricity distributed to an 45380  
 unmetered location in this state. 45381

The electric distribution company shall base the monthly tax 45382  
 on the kilowatt hours of electricity distributed to an end user 45383

Only the distribution of electricity through a meter of an 45407  
end user in this state shall be used by the electric distribution 45408  
company to compute the amount or estimated amount of tax due. In 45409  
the event a meter is not actually read for a measurement period, 45410  
the estimated kilowatt hours distributed by an electric 45411  
distribution company to bill for its distribution charges shall be 45412  
used. 45413

(B) Except as provided in division (C) of this section, each 45414

electricity is distributed. If a self-assessing purchaser's 45481  
receipt of electricity is not subject to the tax as measured under 45482  
this division, the tax on the receipt of such electricity shall be 45483  
measured and paid as provided in division (A) of this section. 45484

45485

(3) In the case of the acquisition of a package, unless the 45486  
elements of the package are separately stated isolating the total 45487  
price of electricity from the price of the remaining elements of 45488  
the package, the tax imposed under this section applies to the 45489  
entire price of the package. If the elements of the package are 45490

package shall separately state to the purchaser the total price of  
the electricity and, upon request by the tax commissioner, the  
total price of each of the other elements of the package.

(5) The tax commissioner may adopt rules relating to the  
computation of the total price of electricity with respect to  
self-assessing purchasers, which may include rules to establish  
the total price of electricity purchased as part of a package.

(6) ~~Application~~ An annual application for registration as a  
self-assessing purchaser shall be made for each qualifying meter  
or location, on a form prescribed by the tax commissioner. The  
registration year begins on the first day of may and ends on the  
following thirtieth day of April. Persons may apply after the  
first day of May for the remainder of the registration year. In  
the case of an applicant applying on the basis of an estimated  
consumption of forty-five million kilowatt hours over the course  
of the succeeding twelve months, the applicant shall provide such  
information as the tax commissioner considers to be necessary to  
estimate such consumption. At the time of making the application  
and by the first day of May of each year, excluding May 1, 2000, a  
self-assessing purchaser shall pay a fee of five hundred dollars  
to the tax commissioner, or to the treasurer of state as provided  
in section 5727.83 of the Revised Code, for each qualifying meter

treasurer of state all amounts that the tax commissioner receives  
under this section. The treasurer of state shall deposit such fees  
amounts into the kilowatt hour excise tax administration fund,  
which is hereby created in the state treasury. Money in the fund  
shall be used to defray the tax commissioner's cost in  
administering the tax owed under section 5727.81 of the Revised  
Code by self-assessing purchasers. After the application is

section, or until canceled by the tax commissioner for not paying 45528  
the tax or fee under division (C) of this section, or for not 45529  
meeting the qualifications in division (C)(2) of this section. The 45530  
tax commissioner shall give written notice to the electric 45531  
distribution company from which electricity is delivered to a 45532  
self-assessing purchaser of the purchaser's self-assessing status, 45533  
and the electric distribution company is relieved of the 45534  
obligation to pay the tax imposed by division (A) of this section 45535  
for electricity distributed to that self-assessing purchaser until 45536  
it is notified by the tax commissioner that the self-assessing 45537  
purchaser's registration is canceled. Within fifteen days of 45538  
notification of the canceled registration, the electric 45539  
distribution company shall be responsible for payment of the tax 45540  
imposed by division (A) of this section on electricity distributed 45541  
to a purchaser that is no longer registered as a self-assessing 45542  
purchaser. A self-assessing purchaser with a canceled registration 45543  
must file a report and remit the tax imposed by division (A) of 45544  
this section on all electricity it receives for any measurement 45545  
period prior to the tax being reported and paid by the electric 45546  
distribution company. A self-assessing purchaser whose 45547  
registration is canceled by the tax commissioner is not eligible 45548  
to register as a self-assessing purchaser for two years after the 45549  
registration is canceled. 45550

(7) If the tax commissioner cancels the self-assessing 45551  
registration of a purchaser registered on the basis of its 45552  
estimated consumption because the purchaser does not consume at 45553  
least forty-five million kilowatt hours of electricity over the 45554  
course of the twelve-month period for which the estimate was made, 45555  
the tax commissioner shall assess and collect from the purchaser 45556  
the difference between (a) the amount of tax that would have been 45557  
payable under division (A) of this section on the electricity 45558

distributed to the purchaser during that period and (b) the amount of tax paid by the purchaser on such electricity pursuant to division (C)(2)(a) of this section. The assessment shall be paid within sixty days after the tax commissioner issues it, regardless of whether the purchaser files a petition for reassessment under section 5727.89 of the Revised Code covering that period. If the purchaser does not pay the assessment within the time prescribed, the amount assessed is subject to the additional charge and the interest prescribed by divisions (B) and (C) of section 5727.82 of the Revised Code, and is subject to assessment under section 5727.89 of the Revised Code. If the purchaser is a qualified end user, division (C)(7) of this section applies only to electricity it consumes in other than its qualifying manufacturing process.

(D) The tax imposed by this section does not apply to the distribution of any kilowatt hours of electricity to the federal government, to an end user located at a federal facility that uses electricity for the enrichment of uranium, to a qualified regeneration meter, or to an end user for any day the end user is a qualified end user. The exemption under this division for a qualified end user only applies to the manufacturing location where the qualified end user uses more than three million kilowatt hours per day in a qualifying manufacturing process.

The reduction in the tax due under this chapter to the extent 46648  
of the credit allowed by this section does not increase the amount 46649  
of the tax otherwise due under section 5729.06 of the Revised 46650  
Code. 46651

**Sec. 5731.21.** (A)(1)(a) Except as provided under division 46652  
(A)(3) of this section, the executor or administrator, or, if no 46653  
executor or administrator has been appointed, another person in 46654  
possession of property the transfer of which is subject to estate 46655  
taxes under section 5731.02 or division (A) of section 5731.19 of 46656  
the Revised Code, shall file an estate tax return, within nine 46657  
months of the date of the decedent's death, in the form prescribed 46658  
by the tax commissioner, in duplicate, with the probate court of 46659  
the county. The return shall include all property the transfer of 46660

otherwise. The time for filing the return may be extended by the tax commissioner.

(b) The estate tax return described in division (A)(1)(a) of this section shall be accompanied by a certificate, in the form prescribed by the tax commissioner, that is signed by the executor, administrator, or other person required to file the return, and that states all of the following:

(i) The fact that the return was filed;

(ii) The date of the filing of the return;

(iii) The fact that the estate taxes under section 5731.02 or division (A) of section 5731.19 of the Revised Code, that are shown to be due in the return, have been paid in full;

(iv) If applicable, the fact that real property listed in the inventory for the decedent's estate is included in the return;

(v) If applicable, the fact that real property not listed in the inventory for the decedent's estate, including, but not limited to, survivorship tenancy property as described in section 5302.17 of the Revised Code or transfer on death property as described in sections 5302.22 and 5302.23 of the Revised Code, also is included in the return. In this regard, the certificate additionally shall describe that real property by the same description used in the return.

(2) The probate court shall forward one copy of the estate tax return described in division (A)(1)(a) of this section to the tax commissioner.

(3) A person may, but shall not be required to, file a return under division (A) of this section if the decedent was a resident of this state and the value of the decedent's gross estate is twenty-five thousand dollars or less in the case of a decedent dying on or after July 1, 1968, but before January 1, 2001; two hundred thousand dollars or less in the case of a decedent dying

on or after January 1, 2001, but before January 1, 2002; or three  
hundred thirty-eight thousand three hundred thirty-three dollars  
or less in the case of a decedent dying on or after January 1,  
2002. If a probate court issues an order that grants a summary  
release from administration in connection with a decedent's estate  
under section 2113.031 of the Revised Code, that order eliminates  
the duty of all persons to file an estate tax return and  
certificate under divisions (A)(1)(a) and (b) of this section with  
respect to the estate for which the order was granted.

(4)(a) Upon receipt of the estate tax return described in  
division (A)(1)(a) of this section and the accompanying  
certificate described in division (A)(1)(b) of this section, the  
probate court promptly shall give notice of the return, by a form  
prescribed by the tax commissioner, to the county auditor. The  
auditor then shall make a charge based upon the notice and shall  
certify a duplicate of the charge to the county treasurer. The  
treasurer then shall collect, subject to division (A) of section  
5731.25 of the Revised Code or any other statute extending the  
time for payment of an estate tax, the tax so charged.

(b) Upon receipt of the return and the accompanying  
certificate, the probate court also shall forward the certificate  
to the auditor. When satisfied that the estate taxes under section  
5731.02 or division (A) of section 5731.19 of the Revised Code,  
that are shown to be due in the return, have been paid in full,  
the auditor shall stamp the certificate so forwarded to verify  
that payment. The auditor then shall return the stamped  
certificate to the probate court.

(5)(a) The certificate described in division (A)(1)(b) of  
this section is a public record subject to inspection and copying  
in accordance with section 149.43 of the Revised Code. It shall be  
kept in the records of the probate court pertaining to the

decedent's estate and is not subject to the confidentiality 46726  
provisions of section 5731.90 of the Revised Code. 46727

(b) All persons are entitled to rely on the statements 46728  
contained in a certificate as described in division (A)(1)(b) of 46729  
this section if it has been filed in accordance with that 46730  
division, forwarded to a county auditor and stamped in accordance 46731  
with division (A)(4) of this section, and placed in the records of 46732  
the probate court pertaining to the decedent's estate in 46733  
accordance with division (A)(5)(a) of this section. The real 46734  
property referred to in the certificate shall be free of, and may 46735  
be regarded by all persons as being free of, any lien for estate 46736  
taxes under section 5731.02 and division (A) of section 5731.19 of 46737  
the Revised Code. 46738

(B) An estate tax return filed under this section, in the 46739  
form prescribed by the tax commissioner, and showing that no 46740  
estate tax is due shall result in a determination that no estate 46741  
tax is due, if the tax commissioner within three months after the 46742  
receipt of the return by the department of taxation, fails to file 46743  
exceptions to the return in the probate court of the county in 46744  
which the return was filed. A copy of exceptions to a return of 46745  
that nature, when the tax commissioner files them within that 46746  
period, shall be sent by ordinary mail to the person who filed the 46747  
return. The tax commissioner is not bound under this division by a 46748  
determination that no estate tax is due, with respect to property 46749  
not disclosed in the return. 46750

(C) If the executor, administrator, or other person required 46751  
to file an estate tax return fails to file it within nine months 46752  
of the date of the decedent's death, the tax commissioner may 46753  
determine the estate tax in that estate and issue a certificate of 46754  
determination in the same manner as is provided in division (B) of 46755  
section 5731.27 of the Revised Code. A certificate of 46756  
determination of that nature has the same force and effect as 46757

though a return had been filed and a certificate of determination 46758

of Columbia, the commonwealth of Puerto Rico, or any territory or 47045  
possession of the United States. 47046
- (19) "Syndication" means an extension of credit in which two 47047  
or more persons fund and each person is at risk only up to a 47048  
specified percentage of the total extension of credit or up to a 47049  
specified dollar amount. 47050
- (20) "Transportation property" means vehicles and vessels 47051  
capable of moving under their own power, such as aircraft, trains, 47052  
water vessels and motor vehicles, as well as any equipment or 47053  
containers attached to such property, such as rolling stock, 47054  
barges, trailers, or the like. 47055
- (B) The annual financial institution report determines the 47056  
value of the issued and outstanding shares of stock of the 47057  
taxpayer, and is the base or measure of the franchise tax 47058  
liability. Such determination shall be made as of the date shown 47059  
by the report to have been the beginning of the financial 47060

institution's annual accounting period that includes the first day  
of January of the tax year. For purposes of this section, division  
(A) of section 5733.05, and division (D) of section 5733.06 of the  
Revised Code, the value of the issued and outstanding shares of  
stock of the financial institution shall include the total value,  
as shown by the books of the financial institution, of its  
capital, surplus, whether earned or unearned, undivided profits,  
and reserves, but exclusive of:

(1) Reserves for accounts receivable, depreciation,  
depletion, and any other valuation reserves with respect to  
specific assets;

(2) Taxes due and payable during the year for which such  
report was made;

(3) Voting stock and participation certificates in  
corporations chartered pursuant to the "Farm Credit Act of 1971,"  
85 Stat. 597, 12 U.S.C. 2091, as amended;

(4) Good will, appreciation, and abandoned property as set up  
in the annual report of the financial institution, provided a  
certified balance sheet of the company is made available upon the  
request of the tax commissioner. Such balance sheet shall not be a  
part of the public records, but shall be a confidential report for  
use of the tax commissioner only.

(5) A portion of the value of the issued and outstanding  
shares of stock of such financial institution equal to the amount  
obtained by multiplying such value by the quotient obtained by:

(a) Dividing (1) the amount of the financial institution's  
assets, as shown on its books, represented by investments in the  
capital stock and indebtedness of public utilities of which at  
least eighty per cent of the utility's issued and outstanding  
common stock is owned by the financial institution by (2) the  
total assets of such financial institution as shown on its books;

## As Reported by the Senate Finance and Financial Institutions Committee

(b) Dividing (1) the amount of the financial institution's assets, as shown on its books, represented by investments in the capital stock and indebtedness of insurance companies of which at least eighty per cent of the insurance company's issued and outstanding common stock is owned by the financial institution by (2) the total assets of such financial institution as shown on its books;

(c) Dividing (1) the amount of the financial institution's assets, as shown on its books, represented by investments in the capital stock and indebtedness of other financial institutions of which at least twenty-five per cent of the other financial institution's issued and outstanding common stock is owned by the financial institution by (2) the total assets of the financial institution as shown on its books. Division (B)(5)(c) of this section applies only with respect to such other financial institutions that for the tax year immediately following the taxpayer's taxable year will pay the tax imposed by division (D) of section 5733.06 of the Revised Code.

(6) Land that has been determined pursuant to section 5713.31 of the Revised Code by the county auditor of the county in which the land is located to be devoted exclusively to agricultural use as of the first Monday of June in the financial institution's taxable year.

(7) Property within this state used exclusively during the taxable year for qualified research as defined in section 5733.05 of the Revised Code.

(C) The base upon which the tax levied under division (D) of section 5733.06 of the Revised Code shall be computed by multiplying the value of a financial institution's issued and outstanding shares of stock as determined in division (B) of this section by a fraction. The numerator of the fraction is the sum of the following: the property factor multiplied by fifteen, the

## As Reported by the Senate Finance and Financial Institutions Committee

payroll factor multiplied by fifteen, and the sales factor  
multiplied by seventy. The denominator of the fraction is one  
hundred, provided that the denominator shall be reduced by fifteen  
if the property factor has a denominator of zero, by fifteen if  
the payroll factor has a denominator of zero, and by seventy if  
the sales factor has a denominator of zero.

(D) A financial institution shall calculate the property  
factor as follows:

(1) The property factor is a fraction, the numerator of which  
is the average value of real property and tangible personal  
property rented to the taxpayer that is located or used within  
this state during the taxable year, the average value of real and  
tangible personal property owned by the taxpayer that is located  
or used within this state during the taxable year, and the average  
value of the taxpayer's loans and credit card receivables that are  
located within this state during the taxable year; and the  
denominator of which is the average value of all such property  
located or used within and without this state during the taxable  
year.

(2)(a) The value of real property and tangible personal  
property owned by the taxpayer is the original cost or other basis  
of such property for federal income tax purposes without regard to  
depletion, depreciation, or amortization.

(b) Loans are valued at their outstanding principal balance,  
without regard to any reserve for bad debts. If a loan is  
charged-off in whole or in part for federal income tax purposes,  
the portion of the loan charged-off is not outstanding. A  
specifically allocated reserve established pursuant to financial  
accounting guidelines which is treated as charged-off for federal  
income tax purposes shall be treated as charged-off for purposes  
of this section.

## As Reported by the Senate Finance and Financial Institutions Committee

(c) Credit card receivables are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a credit card receivable is charged-off in whole or in part for federal income tax purposes, the portion of the receivable charged-off is not outstanding.

(3) The average value of property owned by the taxpayer is computed on an annual basis by adding the value of the property on the first day of the taxable year and the value on the last day of the taxable year and dividing the sum by two. If averaging on this basis does not properly reflect average value, the tax commissioner may require averaging on a more frequent basis. The taxpayer may elect to average on a more frequent basis. When averaging on a more frequent basis is required by the tax commissioner or is elected by the taxpayer, the same method of valuation must be used consistently by the taxpayer with respect to property within and without this state and on all subsequent returns unless the taxpayer receives prior permission from the tax commissioner or the tax commissioner requires a different method of determining value.

(4)(a) The average value of real property and tangible personal property that the taxpayer has rented from another and is not treated as property owned by the taxpayer for federal income tax purposes, shall be determined annually by multiplying the gross rents payable during the taxable year by eight.

(b) Where the use of the general method described in division (D)(4)(a) of this section results in inaccurate valuations of rented property, any other method which properly reflects the value may be adopted by the tax commissioner or by the taxpayer when approved in writing by the tax commissioner. Once approved, such other method of valuation must be used on all subsequent returns unless the taxpayer receives prior approval from the tax commissioner or the tax commissioner requires a different method

of valuation. 47187

(5)(a) Except as described in division (D)(5)(b) of this 47188  
section, real property and tangible personal property owned by or 47189  
rented to the taxpayer is considered to be located within this 47190  
state if it is physically located, situated, or used within this 47191  
state. 47192

(b) Transportation property is included in the numerator of 47193  
the property factor to the extent that the property is used in 47194  
this state. The extent an aircraft will be deemed to be used in 47195  
this state and the amount of value that is to be included in the 47196  
numerator of this state's property factor is determined by 47197  
multiplying the average value of the aircraft by a fraction, the 47198  
numerator of which is the number of landings of the aircraft in 47199  
this state and the denominator of which is the total number of 47200  
landings of the aircraft everywhere. If the extent of the use of 47201  
any transportation property within this state cannot be 47202  
determined, then the property will be deemed to be used wholly in 47203  
the state in which the property has its principal base of 47204  
operations. A motor vehicle will be deemed to be used wholly in 47205  
the state in which it is registered. 47206

(6)(a)(i) A loan, other than a loan or advance described in 47207  
division (D)(6)(d) of this section, is considered to be located 47208  
within this state if it is properly assigned to a regular place of 47209  
business of the taxpayer within this state. 47210

(ii) A loan is properly assigned to the regular place of 47211  
business with which it has a preponderance of substantive 47212  
contacts. A loan assigned by the taxpayer to a regular place of 47213  
business without the state shall be presumed to have been properly 47214  
assigned if: 47215

(I) The taxpayer has assigned, in the regular course of its 47216  
business, such loan on its records to a regular place of business 47217

## As Reported by the Senate Finance and Financial Institutions Committee

consistent with federal or state regulatory requirements; 47218

(II) Such assignment on its records is based upon substantive 47219  
contacts of the load to such regular place of business; and 47220  
47221

(III) The taxpayer uses the records reflecting assignment of 47222  
loans for the filing of all state and local tax returns for which 47223  
an assignment of loans to a regular place of business is required. 47224

(iii) The presumption of proper assignment of a loan provided 47225  
in division (D)(6)(a)(ii) of this section may be rebutted upon a 47226  
showing by the tax commissioner, supported by a preponderance of 47227  
the evidence, that the preponderance of substantive contacts 47228  
regarding such loan did not occur at the regular place of business 47229  
to which it was assigned on the taxpayer's records. When such 47230  
presumption has been rebutted, the loan shall then be located 47231  
within this state if (1) the taxpayer had a regular place of 47232  
business within this state at the time the loan was made; and (2) 47233  
the taxpayer fails to show, by a preponderance of the evidence, 47234  
that the preponderance of substantive contacts regarding such load 47235  
did not occur within this state. 47236  
47237

(b) In the case of a loan which is assigned by the taxpayer 47238  
to a place without this state which is not a regular place of 47239  
business, it shall be presumed, subject to rebuttal by the 47240  
taxpayer on a showing supported by the preponderance of evidence, 47241  
that the preponderance of substantive contacts regarding the loan 47242  
occurred within this state if, at the time the loan was made the 47243  
taxpayer's commercial domicile was within this state. 47244

(c) To determine the state in which the preponderance of 47245  
substantive contacts relating to a loan have occurred, the facts 47246  
and circumstances regarding the loan at issue shall be reviewed on 47247  
a case-by-case basis and consideration shall be given to such 47248

activities as the solicitation, investigation, negotiation, 47249  
approval, and administration of the loan. The terms 47250  
"solicitation," "investigation," "negotiation," "approval," and 47251  
"administration" are defined as follows: 47252

(i) "Solicitation" is either active or passive. Active 47253  
solicitation occurs when an employee of the taxpayer initiates the 47254  
contact with the customer. Such activity is located at the regular 47255  
place of business which the taxpayer's employee is regularly 47256  
connected with or working out of, regardless of where the services 47257  
of such employee were actually performed. Passive solicitation 47258  
occurs when the customer initiates the contact with the taxpayer. 47259  
If the customer's initial contact was not at a regular place of 47260  
business of the taxpayer, the regular place of business, if any, 47261  
where the passive solicitation occurred is determined by the facts 47262  
in each case. 47263

(ii) "Investigation" is the procedure whereby employees of 47264  
the taxpayer determine the creditworthiness of the customer as 47265  
well as the degree of risk involved in making a particular 47266  
agreement. Such activity is located at the regular place of 47267  
business which the taxpayer's employees are regularly connected 47268  
with or working out of, regardless of where the services of such 47269  
employees were actually performed. 47270

(iii) Negotiation is the procedure whereby employees of the 47271  
taxpayer and its customer determine the terms of the agreement, 47272  
such as the amount, duration, interest rate, frequency of 47273  
repayment, currency denomination, and security required. Such 47274  
activity is located at the regular place of business to which the 47275  
taxpayer's employees are regularly connected or working from, 47276  
regardless of where the services of such employees were actually 47277  
performed. 47278

(iv) "Approval" is the procedure whereby employees or the 47279  
board of directors of the taxpayer make the final determination 47280

## As Reported by the Senate Finance and Financial Institutions Committee

whether to enter into the agreement. Such activity is located at 47281  
the regular place of business to which the taxpayer's employees 47282  
are regularly connected or working from, regardless of where the 47283  
services of such employees were actually performed. If the board 47284  
of directors makes the final determination, such activity is 47285  
located at the commercial domicile of the taxpayer. 47286

(v) "Administration" is the process of managing the account. 47287  
This process includes bookkeeping, collecting the payments, 47288  
corresponding with the customer, reporting to management regarding 47289  
the status of the agreement, and proceeding against the borrower 47290  
or the security interest if the borrower is in default. Such 47291  
activity is located at the regular place of business that oversees 47292  
this activity. 47293

(d) A loan or advance to a subsidiary corporation at least 47294  
fifty-one per cent of whose common stock is owned by the financial 47295  
institution shall be allocated in and out of the state by the 47296  
application of a ratio whose numerator is the sum of the net book 47297  
value of the subsidiary's real property owned in this state and 47298  
the subsidiary's tangible personal property owned in this state 47299  
and whose denominator is the sum of the subsidiary's real property 47300  
owned wherever located and the subsidiary's tangible personal 47301  
property owned wherever located. For purposes of calculating this 47302  
ratio, the taxpayer shall determine net book value in accordance 47303  
with generally accepted accounting principles. If the subsidiary 47304  
corporation owns at least fifty-one per cent of the common stock 47305  
of another corporation, the ratio shall be calculated by including 47306  
the other corporation's real property and tangible personal 47307  
property. The calculation of the ratio applies with respect to all 47308  
lower-tiered subsidiaries, provided that the immediate parent 47309  
corporation of the subsidiary owns at least fifty-one per cent of 47310  
the common stock of that subsidiary. 47311

(7) For purposes of determining the location of credit card 47312

## As Reported by the Senate Finance and Financial Institutions Committee

receivables, credit card receivables shall be treated as loans and 47313  
shall be subject to division (D)(6) of this section. 47314

(8) A loan that has been properly assigned to a state shall, 47315  
absent any change of material fact, remain assigned to that state 47316  
for the length of the original term of the loan. Thereafter, the 47317  
loan may be properly assigned to another state if the loan has a 47318  
preponderance of substantive contact to a regular place of 47319  
business there. 47320

(E) A financial institution shall calculate the payroll 47321  
factor as follows: 47322

(1) The payroll factor is a fraction, the numerator of which 47323  
is the total amount paid in this state during the taxable year by 47324  
the taxpayer for compensation, and the denominator of which is the 47325  
total compensation paid both within and without this state during 47326  
the taxable year. 47327

(2) Compensation is paid in this state if any one of the 47328  
following tests, applied consecutively, is met: 47329

(a) The employee's services are performed entirely within 47330  
this state. 47331

(b) The employee's services are performed both within and 47332  
without this state, but the service performed without this state 47333  
is incidental to the employee's service within this state. The 47334  
term "incidental" means any service which is temporary or 47335  
transitory in nature, or which is rendered in connection with an 47336  
isolated transaction. 47337

(c) The employee's services are performed both within and 47338  
without this state, and: 47339

(i) The employee's principal base of operations is within 47340  
this state; or 47341

(ii) There is no principal base of operations in any state in 47342

## As Reported by the Senate Finance and Financial Institutions Committee

which some part of the services are performed, but the place from 47343  
which the services are directed or controlled is in this state; or 47344  
47345

(iii) The principal base of operations and the place from 47346  
which the services are directed or controlled are not in any state 47347  
in which some part of the service is performed but the employee's 47348  
residence is in this state. 47349

(F) A financial institution shall calculate the sales factor 47350  
as follows: 47351

(1) The sales factor is a fraction, the numerator of which is 47352  
the receipts of the taxpayer in this state during the taxable year 47353  
and the denominator of which is the receipts of the taxpayer 47354  
within and without this state during the taxable year. The method 47355  
of calculating receipts for purposes of the denominator is the 47356  
same as the method used in determining receipts for purposes of 47357  
the numerator. 47358

(2) The numerator of the sales factor includes receipts from 47359  
the lease or rental of real property owned by the taxpayer if the 47360  
property is located within this state, or receipts from the 47361  
sublease of real property if the property is located within this 47362  
state. 47363

(3)(a) Except as described in division (F)(3)(b) of this 47364  
section the numerator of the sales factor includes receipts from 47365  
the lease or rental of tangible personal property owned by the 47366  
taxpayer if the property is located within this state when it is 47367  
first placed in service by the lessee. 47368

(b) Receipts from the lease or rental of transportation 47369  
property owned by the taxpayer are included in the numerator of 47370  
the sales factor to the extent that the property is used in this 47371  
state. The extent an aircraft will be deemed to be used in this 47372  
state and the amount of receipts that is to be included in the 47373

## As Reported by the Senate Finance and Financial Institutions Committee

numerator of this state's sales factor is determined by 47374  
multiplying all the receipts from the lease or rental of the 47375  
aircraft by a fraction, the numerator of which is the number of 47376  
landings of the aircraft in this state and the denominator of 47377  
which is the total number of landings of the aircraft. If the 47378  
extent of the use of any transportation property within this state 47379  
cannot be determined, then the property will be deemed to be used 47380  
wholly in the state in which the property has its principal base 47381  
of operations. A motor vehicle will be deemed to be used wholly in 47382  
the state in which it is registered. 47383

(4)(a) The numerator of the sales factor includes interest 47384  
and fees or penalties in the nature of interest from loans secured 47385  
by real property if the property is located within this state. If 47386  
the property is located both within this state and one or more 47387  
other states, the receipts described in this paragraph are 47388  
included in the numerator of the sales factor if more than fifty 47389  
per cent of the fair market value of the real property is located 47390  
within this state. If more than fifty per cent of the fair market 47391  
value of the real property is not located within any one state, 47392  
then the receipts described in this paragraph shall be included in 47393  
the numerator of the sales factor if the borrower is located in 47394  
this state. 47395

(b) The determination of whether the real property securing a 47396  
loan is located within this state shall be made as of the time the 47397  
original agreement was made and any and all subsequent 47398  
substitutions of collateral shall be disregarded. 47399

(5) The numerator of the sales factor includes interest and 47400  
fees or penalties in the nature of interest from loans not secured 47401  
by real property if the borrower is located in this state. 47402

(6) The numerator of the sales factor includes net gains from 47403  
the sale of loans. Net gains from the sale of loans includes 47404  
income recorded under the coupon stripping rules of section 1286 47405

- of the Internal Revenue Code. 47406
- (a) The amount of net gains, but not less than zero, from the 47407  
sale of loans secured by real property included in the numerator 47408  
is determined by multiplying such net gains by a fraction the 47409  
numerator of which is the amount included in the numerator of the 47410  
sales factor pursuant to division (F)(4) of this section and the 47411  
denominator of which is the total amount of interest and fees or 47412  
penalties in the nature of interest from loans secured by real 47413  
property. 47414
- (b) The amount of net gains, but not less than zero, from the 47415  
sale of loans not secured by real property included in the 47416  
numerator is determined by multiplying such net gains by a 47417  
fraction the numerator of which is the amount included in the 47418

section and the denominator of which is the total amount of 47420  
interest and fees or penalties in the nature of interest from 47421  
loans not secured by real property. 47422

fees or penalties in the nature of interest from credit card 47424  
receivables and receipts from fees charged to card holders, such 47425  
as annual fees, if the billing address of the card holder is in 47426  
this state. 47427
- (8) The numerator of the sales factor includes net gains, but 47428  
not less than zero, from the sale of credit card receivables 47429  
multiplied by a fraction, the numerator of which is the amount 47430  
included in the numerator of the sales factor pursuant to division 47431  
(F)(7) of this section and the denominator of which is the 47432  
taxpayer's total amount of interest and fees or penalties in the 47433  
nature of interest from credit card receivables and fees charged 47434  
to card holders. 47435
- (9) The numerator of the sales factor includes all credit 47436

numerator of which is the amount included in the numerator of the  
sales factor pursuant to division (F)(7) of this section and the  
denominator of which is the taxpayer's total amount of interest  
and fees or penalties in the nature of interest from credit card  
receivables and fees charged to card holders.

(10) The numerator of the sales factor includes receipts from  
merchant discount if the commercial domicile of the merchant is in  
this state. Such receipts shall be computed net of any card holder  
charge backs, but shall not be reduced by any interchange  
transaction fees or by any issuer's reimbursement fees paid to  
another for charges made by its card holders.

(11)(a)(i) The numerator of the sales factor includes loan  
servicing fees derived from loans secured by real property  
multiplied by a fraction the numerator of which is the amount  
included in the numerator of the sales factor pursuant to division  
(F)(4) of this section and the denominator of which is the total  
amount of interest and fees or penalties in the nature of interest  
from loans secured by real property.

(ii) The numerator of the sales factor includes loan  
servicing fees derived from loans not secured by real property  
multiplied by a fraction the numerator of which is the amount  
included in the numerator of the sales factor pursuant to division  
(F)(5) of this section and the denominator of which is the total  
amount of interest and fees or penalties in the nature of interest  
from loans not secured by real property.

(b) In circumstances in which the taxpayer receives loan  
servicing fees for servicing either the secured or the unsecured  
loans of another, the numerator of the sales factor shall include  
such fees if the borrower is located in this state.

(12) The numerator of the sales factor includes receipts from

services not otherwise apportioned under this section if the 47468  
service is performed in this state. If the service is performed 47469  
both within and without this state, the numerator of the sales 47470  
factor includes receipts from services not otherwise apportioned 47471  
under this section, if a greater proportion of the income 47472  
producing activity is performed in this state based on cost of 47473  
performance. 47474

(13)(a) Interest, dividends, net gains, but not less than 47475  
zero, and other income from investment assets and activities and 47476  
from trading assets and activities shall be included in the sales 47477  
factor. Investment assets and activities and trading assets and 47478  
activities include but are not limited to: investment securities; 47479  
trading account assets; federal funds; securities purchased and 47480  
sold under agreements to resell or repurchase; options; futures 47481  
contracts; forward contracts; notional principal contracts such as 47482  
swaps; equities; and foreign currency transactions. With respect 47483  
to the investment and trading assets and activities described in 47484  
divisions (F)(13)(a)(i) and (ii) of this section, the sales factor 47485  
shall include the amounts described in such divisions. 47486

(i) The sales factor shall include the amount by which 47487  
interest from federal funds sold and securities purchased under 47488  
resale agreements exceeds interest expense on federal funds 47489  
purchased and securities sold under repurchase agreements. 47490

(ii) The sales factor shall include the amount by which 47491  
interest, dividends, gains, and other income from trading assets 47492  
and activities, including, but not limited to, assets and 47493  
activities in the matched book, in the arbitrage book, and foreign 47494  
currency transactions, exceed amounts paid in lieu of interest, 47495  
amounts paid in lieu of dividends, and losses from such assets and 47496  
activities. 47497

(b) The numerator of the sales factor includes interest, 47498  
dividends, net gains, but not less than zero, and other income 47499

division (F)(13)(b)(iv) of this section, dividends, other than 47504  
dividends described in that division, net gains, but not less than 47505  
zero, and other income from investment assets and activities in 47506  
the investment account to be attributed to this state and included 47507  
in the numerator is determined by multiplying all such income from 47508  
such assets and activities by a fraction, the numerator of which 47509  
is the average value of such assets which are properly assigned to 47510  
a regular place of business of the taxpayer within this state and 47511  
the denominator of which is the average value of all such assets. 47512

purchased and from securities purchased under resale agreements 47514

this state and included in the numerator is determined by 47516  
multiplying the amount described in division (F)(13)(a)(i) of this 47517  
section from such funds and such securities by a fraction, the 47518  
numerator of which is the average value of federal funds sold and 47519  
securities purchased under agreements to resell which are properly 47520

ratio whose numerator is the sum of the net book value of the 47541  
payor's real property owned in this state and the payor's tangible 47542  
personal property owned in this state and whose denominator is the 47543  
sum of the net book value of the payor's real property owned 47544  
wherever located and the payor's tangible personal property owned 47545

(ii) The amount of interest from federal funds sold and 47569  
purchased and from securities purchased under resale agreements 47570  
and securities sold under repurchase agreements attributable to 47571  
this state and included in the numerator is determined by 47572  
multiplying the amount described in division (F)(13)(a)(i) of this 47573  
section from such funds and such securities by a fraction, the 47574  
numerator of which is the gross income from such funds and such 47575

business of the taxpayer within this state and the denominator of 47577  
which is the gross income from all such funds and such securities. 47578

net book value in accordance with generally accepted accounting  
principles.

(d) If the taxpayer elects or is required by the tax  
commissioner to use the method set forth in division (F)(13)(c) of  
this section, it shall use this method on all subsequent returns  
unless the taxpayer receives prior permission from the tax  
commissioner to use or the tax commissioner requires a different  
method.

(e) The taxpayer shall have the burden of proving that an  
investment asset or activity or trading asset or activity was  
properly assigned to a regular place of business outside of this  
state by demonstrating that the day-to-day decisions regarding the  
asset or activity occurred at a regular place of business outside  
this state. Where the day-to-day decisions regarding an investment  
asset or activity or trading asset or activity occur at more than  
one regular place of business and one such regular place of  
business is in this state and one such regular place of business  
is outside this state such asset or activity shall be considered  
to be located at the regular place of business of the taxpayer  
where the investment or trading policies or guidelines with  
respect to the asset or activity are established. Unless the  
taxpayer demonstrates to the contrary, such policies and  
guidelines shall be presumed to be established at the commercial  
domicile of the taxpayer.

(14) The numerator of the sales factor includes all other  
receipts if either:

(a) The income-producing activity is performed solely in this state; or

(b) The income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed within this state than in any other state, based on costs of performance.

(G) A qualified institution may calculate the base upon which the fee provided for in division (D) of section 5733.06 ~~(D)~~ of the ~~revised code~~ Revised Code is determined for each of the tax years 1998, 1999, 2000, ~~and 2001, 2002, and 2003~~ by multiplying the value of its issued and outstanding shares of stock determined under division (B) of this section by a single deposits fraction whose numerator is the deposits assigned to branches in this state and whose denominator is the deposits assigned to branches everywhere. Deposits shall be assigned to branches in the same manner in which the assignment is made for regulatory purposes. If the base calculated under this division is less than the base calculated under division (C) of this section, then the qualifying institution may elect to substitute the base calculated under this division for the base calculated under division (C) of this section. Such election may be made annually for each of the tax years 1998, 1999, 2000, ~~and 2001, 2002, and 2003~~ on the corporate report. The election need not accompany the report; rather, the election may accompany a subsequently filed but timely application for refund, a subsequently filed but timely amended report, or a subsequently filed but timely petition for reassessment. The election is not irrevocable and it applies only to the specified tax year. Nothing in this division shall be construed to extend any statute of limitations set forth in this chapter

For purposes of this division, "the taxpayer's pro-rata amount" is an amount that, when added to the other such taxpayers' pro-rata amounts, does not exceed fifty thousand dollars. For the purpose of making that computation, the taxpayer's pro-rata amount shall not be less than zero. Nothing in this division derogates from or eliminates the requirement to make the alternative computation of tax under division (C) of this section.

(G) The tax liability of any corporation under division (C) of this section shall not exceed one hundred fifty thousand dollars.

(H)(1) For the purposes of division (H) of this section, "exiting corporation" means a corporation that satisfies all of the following conditions:

(f) The corporation would have been subject to the tax 47754

on the first day of January immediately following the calendar 47758  
year to which division (H)(1)(a) of this section refers. 47759

(2) For the purposes of division (H) of this section, 47760

pursuant to division (B) of section 5733.05 and section 5733.051 47769  
and, if applicable, section 5733.052 of the Revised Code. The 47770  
exiting corporation then shall compute the tax due on its 47771  
unreported net income allocated and apportioned to this state by 47772  
applying divisions (A), (B), and (F) of this section to that 47773

corporations are subject to every other provision of this chapter. 47778

(5) Notwithstanding division (B) of section 5733.01 or 47779

corporation shall file that report on the form most recently 47785  
prescribed by the tax commissioner for the purposes of complying 47786  
with sections 5733.02 and 5733.03 of the Revised Code. Upon 47787  
request by the corporation, the tax commissioner may extend the 47788

(6) If, on account of the application of section 5733.053 of 47790  
the Revised Code, net income is subject to the tax imposed by 47791  
divisions (A) and (B) of this section, such income shall not be 47792  
subject to the tax imposed by division (H)(3) of this section. 47793

(7) The amendments made to division (H) of this section by 47794  
Am. Sub. S.B. 287 of the 123rd general assembly do not apply to 47795  
any transfer, as defined in section 5733.053 of the Revised Code, 47796

Nothing herein shall be construed to exclude from the denominator any item of income described in section 5733.051 of the Revised Code.

(3) Subject to division (J)(4) of this section, the total tax calculated in division (C) of this section shall be reduced by an amount calculated by multiplying such tax by the fraction described in division (J)(2) of this section.

(4) In no event shall the reduction provided by division (J)(2) or (J)(3) of this section exceed the amount of the excise tax paid in accordance with section 5727.38 of the Revised Code, for the year upon which the taxable gross receipts are measured immediately preceding the tax year.

commissioner, within three years from the date of the illegal,  
erroneous, or excessive payment of the tax, or within any  
additional period allowed by division (C)(2) of section 5733.031,  
division (D)(2) of section 5733.067, or division (A) of section

to this division within one year after the date the payment 47881  
described in division (D)(1)(a) of this section is made. An 47882

materials used, labor or service cost, interest, discount paid or 48657

deposit for the use of tangible personal property to the extent 48672  
that it actually is refunded, if the consideration for such 48673  
refundable deposit is separately stated from the consideration 48674  
received or to be received for the tangible personal property 48675  
transferred in the retail sale. Such separation must appear in the 48676  
sales agreement or on the initial invoice or initial billing 48677

sale of the property and the charge for the service are separately 48683  
taxable, or have a separately determinable tax status, the price 48684

cent of the amount of tax due, and the rate at which interest 49571

section shall remain in effect at the rate at which it is imposed 49615  
for the duration of the period during which any agreement is in 49616

chapter; 49637

(c) That no portion of the revenue arising from the increase 49638  
in rate need be returned to municipal corporations or townships as 49639  
otherwise required under division (A)(1) of this section; 49640

(d) That the increase in rate shall not be subject to 49641

The tax authorized by this division shall be in addition to any tax that is levied pursuant to division (A) of this section, but it shall not apply to transactions subject to a tax levied by a municipal corporation or township pursuant to the authorization granted by division (C)(1) of section 5739.02 of the Revised Code. The board shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. division (E) of this section to provide for the use of the 49795  
proceeds of that tax, to the extent that it is no longer needed 49796  
for its original purpose as determined by the parties to a 49797  
cooperative agreement amendment pursuant to division (D) of 49798

all obligations under any guaranty agreements, reimbursement 49804  
agreements, or other credit enhancement agreements described in 49805  
division (C) of section 307.674 of the Revised Code. The 49806  
resolution may also provide for the extension of the tax at the 49807  
same rate for the longer of the period of time determined by the 49808  
legislative authority of the county, but not to exceed an 49809  
additional twenty-five years, or the period of time required to 49810

section. 49817

As Reported by the Senate Finance and Financial Institutions Committee

(G) For purposes of a tax levied by a county, township, or municipal corporation under this section or division (C) of section 5739.02 of the Revised Code, a board of county commissioners, board of township trustees, or the legislative authority of a municipal corporation may adopt a resolution or ordinance at any time specifying that "hotel," as otherwise defined in section 5739.01 of the Revised Code, includes establishments in which fewer than five rooms are used for the accommodation of guests. The resolution or ordinance may apply to a tax imposed pursuant to this section prior to the adoption of the resolution or ordinance if the resolution or ordinance so states, but the tax shall not apply to transactions by which lodging by such an establishment is provided to transient guests prior to the adoption of the resolution or ordinance.

**Sec. 5739.032.** (A) If the total amount of tax required to be paid by a permit holder under section 5739.031 of the Revised Code for any calendar year indicated in the following schedule equals or exceeds the amounts prescribed for that year in the schedule, the permit holder shall remit each monthly tax payment in the second ensuing and each succeeding year by electronic funds transfer as prescribed by division (B) of this section.

Year	1992	1993 through 1999	2000 and thereafter	
Tax payment	\$1,200,000	\$600,000	\$60,000	

If a permit holder's tax payment for each of two consecutive years beginning with 2000 is less than sixty thousand dollars, the permit holder is relieved of the requirement to remit taxes by electronic funds transfer for the year that next follows the second of the consecutive years in which the tax payment is less than sixty thousand dollars, and is relieved of that requirement for each succeeding year unless the tax payment in a subsequent year equals or exceeds sixty thousand dollars.

## As Reported by the Senate Finance and Financial Institutions Committee

The tax commissioner shall notify each permit holder required to remit taxes by electronic funds transfer of the permit holder's obligation to do so, shall maintain an updated list of those permit holders, and shall timely certify the list and any additions thereto or deletions therefrom to the treasurer of state. Failure by the tax commissioner to notify a permit holder subject to this section to remit taxes by electronic funds transfer does not relieve the permit holder of its obligation to remit taxes by electronic funds transfer.

(B) Permit holders required by division (A) of this section to remit payments by electronic funds transfer shall remit such payments to the treasurer of state in the manner prescribed by rules adopted by the treasurer under section 113.061 of the Revised Code and on or before the dates specified under section 5739.031 of the Revised Code. The payment of taxes by electronic funds transfer does not affect a permit holder's obligation to file the monthly return as required under section 5739.031 of the Revised Code.

A permit holder required by this section to remit taxes by electronic funds transfer may apply to the treasurer of state in the manner prescribed by the treasurer to be excused from that requirement. The treasurer of state may excuse the permit holder from remittance by electronic funds transfer for good cause shown for the period of time requested by the permit holder or for a portion of that period. The treasurer shall notify the tax commissioner and the permit holder of the treasurer's decision as soon as is practicable.

(C) If a permit holder required by this section to remit taxes by electronic funds transfer remits those taxes by some means other than by electronic funds transfer as prescribed by this section and the rules adopted by the treasurer of state, and the ~~treasurer~~ tax commissioner determines that such failure was

not due to reasonable cause or was due to willful neglect, the 49881  
~~treasurer shall notify the tax commissioner of the failure to~~ 49882  
~~remit by electronic funds transfer and shall provide the~~ 49883  
~~commissioner with any information used in making that~~ 49884  
~~determination. The tax~~ commissioner may collect an additional 49885  
charge by assessment in the manner prescribed by section 5739.13 49886  
of the Revised Code. The additional charge shall equal five per 49887  
cent of the amount of the taxes required to be paid by electronic 49888  
funds transfer, but shall not exceed five thousand dollars. Any 49889  
additional charge assessed under this section is in addition to 49890  
any other penalty or charge imposed under this chapter, and shall 49891  
be considered as revenue arising from taxes imposed under this 49892  
chapter. The tax commissioner may remit all or a portion of such a 49893  
charge and may adopt rules governing such remission. 49894

No additional charge shall be assessed under this division 49895  
against a permit holder that has been notified of its obligation 49896  
to remit taxes under this section and that remits its first two 49897  
tax payments after such notification by some means other than 49898  
electronic funds transfer. The additional charge may be assessed 49899  
upon the remittance of any subsequent tax payment that the permit 49900  
holder remits by some means other than electronic funds transfer. 49901

**Sec. 5739.07.** (A) The tax commissioner shall refund to 49902  
vendors the amount of taxes paid illegally or erroneously or paid 49903  
on any illegal or erroneous assessment if the vendor has not been 49904  
reimbursed from the consumer. When the illegal or erroneous 49905  
payment or assessment was not paid to a vendor but was paid by the 49906  
consumer directly to the treasurer of state ~~or~~ an agent of the 49907  
treasurer of state, the tax commissioner, or an agent of the tax 49908  
commissioner, the tax commissioner shall refund to the consumer. 49909  
When a refund is granted for payment of an illegal or erroneous 49910  
assessment issued by the department, the refund shall include 49911  
interest as provided by section 5739.132 of the Revised Code. 49912

## As Reported by the Senate Finance and Financial Institutions Committee

(B) The tax commissioner may make a refund to the consumer of taxes paid illegally or erroneously if the tax has not been refunded to the vendor and any of the following circumstances apply:

(1) The consumer is unable to receive a refund from the vendor because the vendor has ceased business;

(2) The vendor is unable to issue a refund because of bankruptcy or similar financial condition;

(3) The consumer receives a refund of the full price paid to the vendor from a manufacturer or other person, other than the vendor, as a settlement for a complaint by the consumer about the property or service purchased.

(C) Applications for refund shall be filed with the tax commissioner, on the form prescribed by the tax commissioner, within four years from the date of the illegal or erroneous payment of the tax, unless the vendor or consumer waives the time limitation under division (A)(3) of section 5739.16 of the Revised Code. If the time limitation is waived, the four-year refund limitation shall be extended for the same period of time as the waiver. On the filing of an application for refund, the commissioner shall determine the amount of refund due and certify that amount to the director of budget and management and treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code.

**Sec. 5739.102.** A person who is liable for a tax levied under section 5739.101 of the Revised Code shall file a return with the ~~treasurer of state~~ tax commissioner showing ~~his~~ the person's taxable gross receipts from sales described under division (B)(1) or (2) of that section. The tax commissioner shall prescribe the form of the return, and the six- or twelve-month reporting period. The person shall file the return on or before the last day of the

month following the end of the reporting period prescribed by the 49944  
commissioner, and shall include with the return payment of the tax 49945  
for the period. The remittance shall be made payable to the 49946  
treasurer of state. 49947

Upon receipt of a return, the ~~treasurer of state tax~~ 49948  
~~commissioner~~ shall credit any money included with it to the resort 49949  
area excise tax fund, which is hereby created, ~~and shall forward~~ 49950  
~~the return to the tax commissioner. The treasurer of state shall~~ 49951  
~~stamp or otherwise mark on the return the date it was received,~~ 49952  
~~and shall indicate on the return the amount of payment received~~ 49953  
~~with it.~~ Within forty-five days after the end of each month, the 49954  
commissioner shall provide for the distribution of all money paid 49955  
during that month into the resort area excise tax fund to the 49956  
appropriate municipal corporations and townships, after first 49957  
subtracting and crediting to the general revenue fund one per cent 49958  
to cover the costs of administering the excise tax. 49959

If a person liable for the tax fails to file a return or pay 49960  
the tax as required under this section and the rules of the tax 49961  
commissioner, ~~he~~ the person shall pay an additional charge of the 49962  
greater of fifty dollars or ten per cent of the tax due for the 49963  
return period. The additional charge shall be considered revenue 49964  
arising from the tax levied under section 5739.101 of the Revised 49965  
Code, and may be collected by assessment in the manner provided in 49966  
section 5739.13 of the Revised Code. The tax commissioner may 49967  
remit all or a portion of the charge. 49968

**Sec. 5739.12.** Each person who has or is required to have a 49969  
vendor's license, on or before the twenty-third day of each month, 49970  
shall make and file a return for the preceding month, on forms 49971  
prescribed by the tax commissioner, and shall pay the tax shown on 49972  
the return to be due. The return shall show the amount of tax due 49973  
from the vendor to the state for the period covered by the return 49974  
and such other information as the commissioner deems necessary for 49975

the proper administration of this chapter. The commissioner may 49976  
 extend the time for making and filing returns and paying the tax, 49977  
 and may require that the return for the last month of any annual 49978  
 or semiannual period, as determined by the commissioner, be a 49979  
 reconciliation return detailing the vendor's sales activity for 49980  
 the preceding annual or semiannual period. The reconciliation 49981  
 return shall be filed by the last day of the month following the 49982  
 last month of the annual or semiannual period. The commissioner 49983  
 may remit all or any part of amounts or penalties which may become 49984  
 due under this chapter and may adopt rules relating thereto. Such 49985  
 return shall be filed by mailing ~~the same~~ it to the ~~treasurer of~~ 49986  
~~state tax commissioner~~, together with payment of the amount of tax 49987  
 shown to be due thereon after deduction of any discount provided 49988  
 for under this section. Remittance shall be made payable to the 49989  
treasurer of state. The return shall be considered filed when 49990  
 received by the ~~treasurer of state tax commissioner~~, and the 49991  
 payment shall be considered made when received by the ~~treasurer of~~ 49992  
~~state tax commissioner~~ or when credited to an account designated 49993  
 by the treasurer of state or the tax commissioner. If the return 49994  
 is filed and the amount of tax shown thereon to be due is paid on 49995  
 or before the date such return is required to be filed, the vendor 49996  
 shall be entitled to a discount of three-fourths of one per cent 49997  
 of the amount shown to be due on the return. Amounts paid to the 49998  
 clerk of courts pursuant to section 4505.06 of the Revised Code 49999  
 shall be subject to the three-fourths of one per cent discount. 50000  
 The discount shall be in consideration for prompt payment to the 50001  
 clerk of courts and for other services performed by the vendor in 50002  
 the collection of the tax. 50003

Upon application to the commissioner, a vendor who is 50004  
 required to file monthly returns may be relieved of the 50005  
 requirement to report and pay the actual tax due, provided that 50006  
 the vendor agrees to remit to the ~~treasurer of state tax~~ 50007  
commissioner payment of not less than an amount determined by the 50008

commissioner to be the average monthly tax liability of the 50009  
vendor, based upon a review of the returns or other information 50010  
pertaining to such vendor for a period of not less than six months 50011  
nor more than two years immediately preceding the filing of the 50012  
application. Vendors who agree to the above conditions shall make 50013  
and file an annual or semiannual reconciliation return, as 50014  
prescribed by the commissioner. The reconciliation return shall be 50015  
filed by mailing or delivering ~~the same~~ it to the ~~treasurer of~~ 50016  
state tax commissioner, together with payment of the amount of tax 50017  
shown to be due thereon after deduction of any discount provided 50018  
in this section. Remittance shall be made payable to the treasurer 50019  
of state. Failure of a vendor to comply with any of the above 50020  
conditions may result in immediate reinstatement of the 50021  
requirement of reporting and paying the actual tax liability on 50022  
each monthly return, and the commissioner may at the 50023  
commissioner's discretion deny the vendor the right to report and 50024  
pay based upon the average monthly liability for a period not to 50025  
exceed two years. The amount ~~determined~~ ascertained by the 50026  
commissioner to be the average monthly tax liability of a vendor 50027  
may be adjusted, based upon a review of the returns or other 50028  
information pertaining to the vendor for a period of not less than 50029  
six months nor more than two years preceding such adjustment. 50030

The commissioner may authorize vendors whose tax liability is 50031  
not such as to merit monthly returns, as ~~determined~~ ascertained by 50032  
the commissioner upon the basis of administrative costs to the 50033  
state, to make and file returns at less frequent intervals. When 50034  
returns are filed at less frequent intervals in accordance with 50035  
such a ~~determination~~ authorization, the vendor shall be allowed 50036  
the discount of three-fourths of one per cent in consideration for 50037  
prompt payment with the return, provided the return is filed 50038  
together with payment of the amount of tax shown to be due 50039  
thereon, at the time specified by the commissioner. 50040

~~The treasurer of state shall stamp or otherwise mark on all~~ 50041  
~~returns the date received by the treasurer of state and shall also~~ 50042  
~~show thereon by stamp or otherwise the amount of payment received~~ 50043  
~~for the period for which the return is filed. Thereafter, the~~ 50044  
~~treasurer of state shall immediately transmit all returns filed~~ 50045  
~~under this section to the commissioner.~~ Any vendor who fails to 50046  
file a return or pay the full amount of the tax shown on the 50047  
return to be due under this section and the rules of the 50048  
commissioner may, for each such return the vendor fails to file or 50049  
each such tax the vendor fails to pay in full as shown on the 50050  
return within the period prescribed by this section and the rules 50051  
of the commissioner, be required to forfeit and pay into the state 50052  
treasury an additional charge not exceeding fifty dollars or ten 50053  
per cent of the tax required to be paid for the reporting period, 50054  
whichever is greater, as revenue arising from the tax imposed by 50055  
this chapter, and such sum may be collected by assessment in the 50056  
manner provided in section 5739.13 of the Revised Code. The 50057  
commissioner may remit all or a portion of the additional charge 50058  
and may adopt rules relating to the imposition and remission of 50059  
the additional charge. 50060

If the amount required to be collected by a vendor from 50061  
consumers is in excess of five per cent of the vendor's receipts 50062  
from sales which are taxable under section 5739.02 of the Revised 50063  
Code, or in the case of sales subject to a tax levied pursuant to 50064  
section 5739.021, 5739.023, or 5739.026 of the Revised Code, in 50065  
excess of the percentage equal to the aggregate rate of such taxes 50066  
and the tax levied by section 5739.02 of the Revised Code, such 50067  
excess shall be remitted along with the remittance of the amount 50068  
of tax due under section 5739.10 of the Revised Code. 50069

The commissioner, if the commissioner deems it necessary in 50070  
order to insure the payment of the tax imposed by this chapter, 50071  
may require returns and payments to be made for other than monthly 50072

periods. The returns shall be signed by the vendor or the vendor's  
authorized agent. 50073  
50074

Any vendor required to file a return and pay the tax under 50075  
this section whose total payment in any year indicated in division 50076  
(A) of section 5739.122 of the Revised Code equals or exceeds the 50077  
amount shown in that division shall make each payment required by 50078  
this section in the second ensuing and each succeeding year by 50079  
electronic funds transfer as prescribed by section 5739.122 of the 50080  
Revised Code, except as otherwise prescribed by that section. 50081

**Sec. 5739.121.** As used in this section, "bad debt" means any 50082  
debt that has become worthless or uncollectible in the time period 50083  
between a vendor's preceding return and the present return, have 50084  
been uncollected for at least six months, and that may be claimed 50085  
as a deduction pursuant to the "Internal Revenue Code of 1954," 50086  
68A Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted 50087  
pursuant thereto, or that could be claimed as such a deduction if 50088  
the vendor kept accounts on an accrual basis. "Bad debt" does not 50089  
include any interest or sales tax on the purchase price, 50090  
uncollectible amounts on property that remains in the possession 50091  
of the vendor until the full purchase price is paid, expenses 50092  
incurred in attempting to collect any account receivable or for 50093  
any portion of the debt recovered, any accounts receivable that 50094  
have been sold to a third party for collection, and repossessed 50095  
property. 50096

In computing taxable receipts for purposes of this chapter, a 50097  
vendor may deduct the amount of bad debts, as defined in this 50098  
section. The amount deducted must be charged off as uncollectible 50099  
on the books of the vendor. A deduction may be claimed only with 50100  
respect to bad debts on which the taxes pursuant to sections 50101  
5739.10 and 5739.12 of the Revised Code were paid in a preceding 50102  
tax period. If the vendor's business consists of taxable and 50103

## As Reported by the Senate Finance and Financial Institutions Committee

nontaxable transactions, the deduction shall equal the full amount  
of the debt if the debt is documented as a taxable transaction in  
the vendor's records. If no such documentation is available, the  
maximum deduction on any bad debt shall equal the amount of the  
bad debt multiplied by the quotient obtained by dividing the sales  
taxed pursuant to this chapter during the preceding calendar year  
by all sales during the preceding calendar year, whether taxed or  
not. If a consumer or other person pays all or part of a bad debt  
with respect to which a vendor claimed a deduction under this  
section, the vendor shall be liable for the amount of taxes  
deducted in connection with that portion of the debt for which  
payment is received and shall remit such taxes in ~~his~~ the vendor's  
next payment to the ~~treasurer of state~~ tax commissioner.

Any claim for a bad debt deduction under this section shall  
be supported by such evidence as the tax commissioner by rule  
requires. The commissioner shall review any change in the rate of  
taxation applicable to any taxable sales by a vendor claiming a  
deduction pursuant to this section and adopt rules for altering  
the deduction in the event of such a change in order to ensure  
that the deduction on any bad debt does not result in the vendor  
claiming the deduction recovering any more or less than the taxes  
imposed on the sale that constitutes the bad debt.

**Sec. 5739.13.** (A) If any vendor collects the tax imposed by  
or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of  
the Revised Code, and fails to remit the tax to the state as  
prescribed, or on the sale of a motor vehicle, watercraft, or  
outboard motor required to be titled, fails to remit payment to a  
clerk of a court of common pleas as provided in section 1548.06 or  
4505.06 of the Revised Code, the vendor shall be personally liable  
for any tax collected and not remitted. The tax commissioner may  
make an assessment against such vendor based upon any information  
in the commissioner's possession.

## As Reported by the Senate Finance and Financial Institutions Committee

If any vendor fails to collect the tax or any consumer fails to pay the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code, on any transaction subject to the tax, the vendor or consumer shall be personally liable for the amount of the tax applicable to the transaction. The commissioner may make an assessment against either the vendor or consumer, as the facts may require, based upon any information in the commissioner's possession.

An assessment against a vendor when the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code has not been collected or paid, shall not discharge the purchaser's or consumer's liability to reimburse the vendor for the tax applicable to such transaction.

An assessment issued against either, pursuant to this section, shall not be considered an election of remedies, nor a bar to an assessment against the other for the tax applicable to the same transaction, provided that no assessment shall be issued against any person for the tax due on a particular transaction if the tax on that transaction actually has been paid by another.

The commissioner may make an assessment against any vendor who fails to file a return or remit the proper amount of tax required by this chapter, or against any consumer who fails to pay the proper amount of tax required by this chapter. When information in the possession of the commissioner indicates that the amount required to be collected or paid under this chapter is greater than the amount remitted by the vendor or paid by the consumer, the commissioner may audit a sample of the vendor's sales or the consumer's purchases for a representative period, to ascertain the per cent of exempt or taxable transactions or the effective tax rate and may issue an assessment based on the audit. The commissioner shall make a good faith effort to reach agreement with the vendor or consumer in selecting a representative sample

period.

50168

The tax commissioner may make an assessment, based on any information in his possession, against any person who fails to file a return or remit the proper amount of tax required by section 5739.102 of the Revised Code.

50172

The tax commissioner may issue an assessment on any transaction for which any tax imposed under this chapter or Chapter 5741. of the Revised Code was due and unpaid on the date the vendor or consumer was informed by an agent of the tax commissioner of an investigation or audit. If the vendor or consumer remits any payment of the tax for the period covered by the assessment after the vendor or consumer was informed of the investigation or audit, the payment shall be credited against the amount of the assessment.

by personal service or certified mail, and the commissioner's 50205  
decision in the matter shall be final, subject to appeal as 50206

be given collateral estoppel or res judicata effect in considering 50209  
an application for refund of amounts paid pursuant to the 50210

(C) After an assessment becomes final, if any portion of the 50212

and is not a resident of this state, the certified copy of the 50219  
entry may be filed in the office of the clerk of the court of 50220  
common pleas of Franklin county. 50221

The clerk, immediately upon the filing of such entry, shall 50222

amount shown on the entry. The judgment may be filed by the clerk 50224

county, and transit authority retail sales tax" or, if 50226  
appropriate, "special judgments for resort area excise tax," and 50227  
shall have the same effect as other judgments. Execution shall 50228  
issue upon the judgment upon the request of the tax commissioner, 50229  
and all laws applicable to sales on execution shall apply to sales 50230

made under the judgment except as otherwise provided in this 50231  
chapter. 50232

The portion of the assessment not paid within sixty days 50233  
after the date the assessment was issued shall bear interest at 50234  
the rate per annum prescribed by section 5703.47 of the Revised 50235  
Code from the day the tax commissioner issues the assessment until 50236  
the assessment is paid. Interest shall be paid in the same manner 50237  
as the tax and may be collected by issuing an assessment under 50238  
this section. 50239

(D) All money collected by the commissioner under this 50240  
section shall be paid to the treasurer of state, and when paid 50241  
shall be considered as revenue arising from the taxes imposed by 50242  
or pursuant to sections 5739.01 to 5739.31 of the Revised Code. 50243

**Sec. 5739.18.** On the first business day of each week, each 50244  
county auditor shall make in triplicate a list showing the names 50245  
of all vendors licensed in ~~his~~ the auditor's county during the 50246  
preceding week pursuant to sections 5739.01 to 5739.31, ~~inclusive,~~ 50247  
of the Revised Code, and such other information as to each, 50248

commissioner prescribes, and shall immediately certify one of such 50250  
lists to the commissioner, one to the treasurer of state, and one 50251  
to the county treasurer. The commissioner shall keep an 50252

commissioner but ~~he~~ may delete therefrom the names of those 50254  
persons whose licenses have been cancelled. 50255

**Sec. 5741.10.** The tax commissioner shall refund to sellers 50256

seller, but was paid by the consumer directly to the treasurer of 50261  
state, ~~or the treasurer of state's agent, by the consumer~~ 50262  
commissioner, or the commissioner's agent, the treasurer of state 50263  
shall make refund to the consumer. When such a refund is granted, 50264  
it shall include interest thereon as provided by section 5739.132 50265  
of the Revised Code. Applications for refund shall be filed with 50266  
the tax commissioner, on the form prescribed by the commissioner, 50267  
within four years from the date of the illegal or erroneous 50268  
payment of the tax except where the vendor or consumer waives the 50269  
time limitation under division (C) of section 5741.16 of the 50270  
Revised Code, in which case the four-year refund limitation shall 50271  
be extended for the same period of time as the waiver. On filing 50272  
such application, the commissioner shall determine the amount of 50273  
refund due and shall certify such amount to the director of budget 50274  
and management and treasurer of state for payment from the tax 50275  
refund fund created by section 5703.052 of the Revised Code. 50276

**Sec. 5741.12.** (A) Each seller required by section 5741.17 of 50277  
the Revised Code to register with the tax commissioner, and any 50278  
seller authorized by the commissioner to collect the tax imposed 50279

For the taxable year beginning in 2005, the amount of the eligible training costs for which a credit may be claimed by all taxpayers that are investors in an entity shall equal one-half of the average of the eligible training costs incurred by the entity during calendar years 2003, 2004, and 2005, but shall not exceed one thousand dollars for each eligible employee on account of whom such costs were paid or incurred by the entity, and the total amount of credits that may be claimed by all such taxpayers shall not exceed one hundred thousand dollars. The amount of a taxpayer's credit for the taxpayer's taxable year beginning in 2005 shall equal the taxpayer's interest in the entity on the last day of the third calendar year of the three-year period ending in or with the last day of the taxpayer's taxable year December 31, 2005, multiplied by the credit available to the entity as computed by the entity.

The credit shall be claimed in the order prescribed by section 5747.98 of the Revised Code. A taxpayer may carry forward the credit to the extent that the taxpayer's credit exceeds the taxpayer's tax due after allowing for any other credits that precede the credit allowed by this section in the order prescribed

by section 5747.98 of the Revised Code. The taxpayer may carry the 50668  
excess credit forward for three taxable years following the 50669  
taxable year for which the taxpayer first claims the credit under 50670  
this section. 50671

A pass-through entity shall apply to the director of job and 50672  
family services for a tax credit certificate in the manner 50673  
prescribed by division (C) of section 5733.42 of the Revised Code. 50674  
Divisions (C) to (H) of that section govern the tax credit allowed 50675  
by this section, except that "taxable year" shall be substituted 50676  
for "tax year" wherever that phrase appears in those divisions, 50677  
and that "pass-through entity" shall be substituted for "taxpayer" 50678  
wherever "taxpayer" appears in those divisions. 50679

**Sec. 5749.06.** Each severer liable for the tax imposed by 50680  
section 5749.02 of the Revised Code shall make and file returns 50681  
with the tax commissioner in the prescribed form and as of the 50682  
prescribed times, computing and reflecting therein the tax as 50683  
required by this chapter. 50684

The returns shall be filed for every quarterly period, which 50685  
periods shall end on the thirty-first of March, the thirtieth day 50686  
of June, the thirtieth day of September, and the thirty-first day 50687  
of December of each year, as required by this section, unless a 50688  
different return period is prescribed for a taxpayer by the tax 50689  
commissioner. 50690

A separate return shall be filed for each calendar quarterly 50691  
period, or other period, or any part thereof, during which the 50692  
severer holds a license as provided by section 5749.04 of the 50693  
Revised Code, or is required to hold such license, and such return 50694  
shall be filed within forty-five days after the last day of each 50695  
such calendar month, or other period, or any part thereof, for 50696  
which such return is required and shall include remittance payable 50697  
to the treasurer of state of the amount of tax due. All such 50698

## As Reported by the Senate Finance and Financial Institutions Committee

returns shall contain such information as the commissioner may 50699  
require to fairly administer the tax. 50700

All returns shall be signed by the severer, shall contain the 50701  
full and complete information requested, and shall be made under 50702  
penalty of perjury. 50703

If the commissioner believes that quarterly payments of tax 50704  
would result in a delay which might jeopardize the collection of 50705  
such tax payments, the commissioner may order that such payments 50706  
be made weekly, or more frequently if necessary, such payments to 50707  
be made not later than seven days following the close of the 50708  
period for which the jeopardy payment is required. Such an order 50709  
shall be delivered to the taxpayer personally or by certified mail 50710  
and shall remain in effect until the commissioner notifies the 50711  
taxpayer to the contrary. 50712

Upon good cause the commissioner may extend the period for 50713  
filing any notice or return required to be filed under this 50714  
section, and may remit all or a part of penalties that may become 50715  
due under this chapter. 50716

Any tax not paid by the day the tax is due shall bear 50717  
interest computed at the rate per annum prescribed by section 50718  
5703.47 of the Revised Code on that amount of tax due from the day 50719  
that such amount was originally required to be paid to the day of 50720  
actual payment or to the day an assessment was issued under 50721  
section 5749.07 or 5749.10 of the Revised Code, whichever occurs 50722  
first. 50723

The severer shall make all payments payable to the treasurer 50724  
of state. All amounts that the tax commissioner receives under 50725  
this section shall be deemed to be revenue from taxes imposed 50726  
under this chapter. The tax commissioner shall immediately forward 50727  
to the treasurer of state all amounts received under this section. 50728

Sec. 6101.25. The board of directors of a conservancy 50729  
district may construct, improve, operate, maintain, and protect 50730  
parks, parkways, forest preserves, bathing beaches, playgrounds, 50731  
and other recreational facilities upon the lands owned or 50732  
controlled by the district, or upon lands located within the 50733  
district owned or controlled by the United States government or 50734  
any department of it, by this state or any department or division 50735  
of it, or by any political subdivision, if authorized by lease, 50736  
contract, or other arrangements with the appropriate agency of 50737  
government having ownership or control. The board may acquire by 50738  
lease, purchase, or appropriation property additional to that 50739  
required for the purposes for which the district was incorporated, 50740  
in order to provide for the protection, more adequate development, 50741  
and fuller public use and enjoyment of the improvements and 50742  
facilities. The board may impose and collect charges for the use 50743  
of the properties, improvements, and facilities maintained or 50744  
operated by the district for recreational purposes. Moneys 50745  
collected from these charges may be used to promote the district's 50746  
recreational facilities. 50747

In case the revenues derived or to be derived from the 50748  
properties, improvements, and facilities maintained, operated, 50749  
used, or acquired by the district for recreational purposes are 50750  
not sufficient for the purposes of this section, the board, with 50751  
the approval of the court, may provide for the payment of 50752  
obligations incurred under this section by the levy of special 50753  
assessments upon all the taxable property of the district and upon 50754  
public corporations having lands within the district. 50755

In no case shall the obligations incurred under this section 50756  
be paid from the proceeds of special assessments levied under 50757  
section 6101.48 or 6101.53 of the Revised Code, or of bonds or 50758  
notes issued in anticipation of them. After special assessments 50759  
against the taxable property and public corporations are approved 50760

## As Reported by the Senate Finance and Financial Institutions Committee

by the court, the board of appraisers of the conservancy district 50761  
shall appraise the benefits to be conferred on each parcel of 50762  
taxable property and public corporation by reason of the 50763  
acquisition and construction of the properties and improvements 50764  
authorized by the board of directors under this section, and shall 50765  
appraise the damages accruing to persons and public corporations 50766  
from the improvements. The provisions of this chapter that refer 50767  
to the determination of benefits and damages apply to the 50768  
appraisals made under this section, but they shall be separate 50769  
from other appraisals of benefits and damages made under this 50770  
chapter, and separate records of them shall be prepared. After the 50771  
appraisal of benefits has been approved by the court, and within 50772  
the amount of benefits so determined, the board of directors may 50773  
levy assessments on the taxable property and public corporations 50774  
benefited to pay the cost of the properties and improvements 50775  
acquired and constructed under this section, and may issue bonds 50776  
and notes in anticipation of the collection of these assessments. 50777  
In addition, the board of directors may annually levy a 50778  
maintenance assessment for the purposes of this section on the 50779  
taxable property and public corporations upon the basis of total 50780  
appraised benefits. The provisions of this chapter that relate to 50781  
assessments for district purposes and to bonds and notes issued in 50782  
anticipation of the assessments apply to the assessments 50783  
authorized under this section and the bonds and notes issued in 50784  
anticipation of the assessments. Improvement, bond retirement, and 50785  
maintenance funds shall be established for recreational purposes 50786  
in conformity with section 6101.44 of the Revised Code, which 50787  
shall be separate from one another and from other funds of the 50788  
district, and no transfers shall be made to them from the other 50789  
funds of the district. The proceeds of all bonds, notes, and 50790  
assessments authorized by this section and all receipts derived 50791  
from the recreational properties, improvements, and facilities 50792  
owned, controlled, operated, or maintained by the district shall 50793

be paid into those funds, and all expenditures in accordance with 50794  
this section shall be made from them. 50795

**Sec. 6109.13.** No official, officer, or employee in charge of 50796  
or being employed in the maintenance and operation of a public 50797  
water system and no other person, ~~or firm, or corporation~~ shall 50798  
establish or permit to be established any connection whereby water 50799  
from a private, auxiliary, or emergency water system may enter the 50800  
public water system, unless ~~such~~ the private, auxiliary, or 50801  
emergency water system, and the method of connection and use of 50802  
~~such~~ the system, ~~has~~ have been approved by the environmental 50803  
protection agency. However, a backflow prevention device shall not 50804  
be required when a physical separation exists between the public 50805  
water system and the private, auxiliary, or emergency water 50806  
system. 50807

As used in this section: 50808

(A) "Backflow prevention device" means any device, method, or 50809  
type of construction that is intended to prevent backflow into a 50810  
potable water sytem. 50811

(B) "Physical separation" means that there is no direct or 50812  
indirect connection between a public water system and a private, 50813  
auxiliary, or emergency water system. 50814

**Sec. 6109.21.** (A) Except as provided in divisions (D) and (E) 50815  
of this section, on and after January 1, 1994, no person shall 50816  
operate or maintain a public water system in this state without a 50817  
license issued by the director of environmental protection. A 50818  
person who operates or maintains a public water system on January 50819  
1, 1994, shall obtain an initial license under this section in 50820  
accordance with the following schedule: 50821

(1) If the public water system is a community water system, 50822  
not later than January 31, 1994; 50823

## As Reported by the Senate Finance and Financial Institutions Committee

(2) If the public water system is not a community water system and serves a nontransient population, not later than January 31, 1994;

(3) If the public water system is not a community water system and serves a transient population, not later than January 31, 1995.

A person proposing to operate or maintain a new public water system after January 1, 1994, in addition to complying with section 6109.07 of the Revised Code and rules adopted under it, shall submit an application for an initial license under this section to the director prior to commencing operation of the system.

A license or license renewal issued under this section shall be renewed annually. Such a license or license renewal shall expire on the thirtieth day of January in the year following its issuance. A license holder that proposes to continue operating the public water system for which the license or license renewal was issued shall apply for a license renewal at least thirty days prior to that expiration date.

The director shall adopt, and may amend and rescind, rules in accordance with Chapter 119. of the Revised Code establishing procedures governing and information to be included on applications for licenses and license renewals under this section. Through June 30, ~~2002~~ 2004, each application shall be accompanied by the appropriate fee established under division (M) of section 3745.11 of the Revised Code, provided that an applicant for an initial license who is proposing to operate or maintain a new public water system after January 1, 1994, shall submit a fee that equals a prorated amount of the appropriate fee established under that division for the remainder of the licensing year.

(B) Not later than thirty days after receiving a completed

application and the appropriate license fee for an initial license 50855  
under division (A) of this section, the director shall issue the 50856  
license for the public water system. Not later than thirty days 50857  
after receiving a completed application and the appropriate 50858  
license fee for a license renewal under division (A) of this 50859  
section, the director shall do one of the following: 50860

(1) Issue the license renewal for the public water system; 50861

(2) Issue the license renewal subject to terms and conditions 50862  
that the director determines are necessary to ensure compliance 50863  
with this chapter and rules adopted under it; 50864

(3) Deny the license renewal if the director finds that the 50865  
public water system was not operated in substantial compliance 50866  
with this chapter and rules adopted under it. 50867

(C) The director may suspend or revoke a license or license 50868  
renewal issued under this section if the director finds that the 50869  
public water system was not operated in substantial compliance 50870  
with this chapter and rules adopted under it. The director shall 50871  
adopt, and may amend and rescind, rules in accordance with Chapter 50872  
119. of the Revised Code governing such suspensions and 50873  
revocations. 50874

(D)(1) As used in division (D) of this section, "church" 50875  
means a fellowship of believers, congregation, society, 50876  
corporation, convention, or association that is formed primarily 50877  
or exclusively for religious purposes and that is not formed or 50878  
operated for the private profit of any person. 50879

(2) This section does not apply to a church that operates or 50880  
maintains a public water system solely to provide water for that 50881  
church or for a campground that is owned by the church and 50882  
operated primarily or exclusively for members of the church and 50883  
their families. A church that, on or before March 5, 1996, has 50884  
obtained a license under this section for such a public water 50885

system need not obtain a license renewal under this section. 50886

(E) This section does not apply to any public or nonpublic 50887  
school that meets minimum standards of the state board of 50888  
education that operates or maintains a public water system solely 50889  
to provide water for that school. 50890

**Sec. 6111.035.** (A) The director of environmental protection, 50891  
consistent with the Federal Water Pollution Control Act and the 50892  
regulations adopted thereunder, without application therefor, may 50893  
issue, modify, revoke, or terminate a general permit under this 50894  
chapter for both of the following: 50895

(1) Discharge of stormwater; the discharge of liquids, 50896  
sediments, solids, or water-borne mining related waste, such as, 50897  
but not limited to, acids, metallic cations, or their salts, from 50898  
coal mining and reclamation operations as defined in section 50899  
1513.01 of the Revised Code; or treatment works whose discharge 50900  
would have de minimis impact on the waters of the state receiving 50901  
the discharge; 50902

(2) Installation or modification of disposal systems or any 50903  
parts thereof, including disposal systems for stormwater or for 50904  
coal mining and reclamation operations as defined in section 50905  
1513.01 of the Revised Code. 50906

A general permit shall apply to a class or category of 50907  
discharges or disposal systems or to persons conducting similar 50908  
activities, within any area of the state, including the entire 50909  
state. 50910

A general permit shall not be issued unless the director 50911  
determines that the discharges authorized by the permit will have 50912  
only minimal cumulative adverse effects on the environment when 50913  
the discharges are considered collectively and individually and 50914  
if, in the opinion of the director, the discharges, installations, 50915

## As Reported by the Senate Finance and Financial Institutions Committee

or modifications authorized by the permit are more appropriately 50916  
authorized by a general permit than by an individual permit. 50917

A general permit shall be issued subject to applicable 50918  
mandatory provisions and may be issued subject to any applicable 50919  
permissive provision of the Federal Water Pollution Control Act 50920  
and the regulations adopted thereunder. 50921

The director, at the director's discretion, may require any 50922  
person authorized to discharge or to install or modify a disposal 50923  
system under a general permit to apply for and obtain an 50924  
individual permit for the discharge, installation, or 50925  
modification. When a particular discharge, installation, or 50926  
modification is subject to an individual permit, a general permit 50927  
shall not apply to that discharge, installation, or modification 50928  
until the individual permit is revoked, terminated, or modified to 50929  
exclude the discharge, installation, or modification. 50930

(B) Notwithstanding any requirement under Chapter 119. of the 50931  
Revised Code concerning the manner in which notice of a permit 50932  
action is provided, the director shall not be required to provide 50933  
certified mail notice to persons subject to the issuance, 50934  
modification, revocation, or termination of a general permit under 50935  
division (A) of this section. 50936

Notwithstanding section 3745.07 of the Revised Code 50937  
concerning the location of newspapers in which notices of permit 50938  
actions are published, the director shall cause notice of the 50939  
issuance, modification, revocation, or termination of a general 50940  
permit to be published in the newspapers of general circulation 50941  
determined by the director to provide reasonable notice to persons 50942  
affected by the permit action in the geographic area covered by 50943  
the general permit within the time periods prescribed by section 50944  
3745.07 of the Revised Code. Any notice under this section or 50945  
section 3745.07 of the Revised Code concerning the issuance, 50946  
modification, revocation, or termination of a general permit shall 50947

## As Reported by the Senate Finance and Financial Institutions Committee

include a summary of the permit action and instructions on how to 50948  
obtain a copy of the full text of the permit action. The director 50949  
may take other appropriate measures, such as press releases and 50950  
notice to trade journals, associations, and other persons known to 50951  
the director to desire notification, in order to provide notice of 50952  
the director's actions concerning the issuance, modification, 50953  
revocation, or termination of a general permit; however, the 50954  
failure to provide such notice shall not invalidate any general 50955  
permit. 50956

(C) Notwithstanding any other provision of the Revised Code, 50957  
a person subject to the proposed issuance, modification, 50958  
revocation, or termination of a general permit under division (A) 50959  
of this section may request an adjudication hearing pursuant to 50960  
section 119.07 of the Revised Code concerning the proposed action 50961  
within thirty days after publication of the notice of the proposed 50962  
action in newspapers of general circulation pursuant to division 50963  
(B) of this section. This division shall not be interpreted to 50964  
affect the authority of the director to take actions on general 50965  
permits in forms other than proposed general permits. 50966

(D) The director may exercise all incidental powers required 50967  
to carry out this section, including, without limitation, the 50968  
adoption, amendment, and rescission of rules to implement a 50969  
general permit program for classes or categories of dischargers or 50970  
disposal systems. 50971

(E) On and after the date on which the United States 50972  
environmental protection agency approves the NPDES program 50973  
submitted by the director of agriculture under section 903.08 of 50974  
the Revised Code, this section does not apply to storm water from 50975  
an animal feeding facility, as defined in section 903.01 of the 50976  
Revised Code, or to manure, as defined in that section. 50977

(F) As used in this section, "Federal Water Pollution Control 50978  
Act" means the "Federal Water Pollution Control Act Amendments of 50979

**Sec. 6111.044.** Upon receipt of an application for an 50986  
injection well drilling permit, an injection well operating 50987  
permit, a renewal of an injection well operating permit, or a 50988  
modification of an injection well drilling permit, operating 50989  
permit, or renewal of an operating permit, the director of 50990  
environmental protection shall determine whether the application 50991  
is complete and demonstrates that the activities for which the 50992  
permit, renewal permit, or modification is requested will comply 50993  
with the Federal Water Pollution Control Act and regulations 50994  
adopted under it; the "Safe Drinking Water Act," 88 Stat. 1661 50995  
(1974), 42 U.S.C.A. 300(f), as amended, and regulations adopted 50996  
under it; and this chapter and the rules adopted under it. If the 50997  
application demonstrates that the proposed activities will not 50998  
comply or will pose an unreasonable risk of inducing seismic 50999  
activity, inducing geologic fracturing, or contamination of an 51000  
underground source of drinking water, the director shall deny the 51001  
application. If the application does not make the required 51002  
demonstrations, the director shall return it to the applicant with 51003  
an indication of those matters about which a required 51004  
demonstration was not made. If the director determines that the 51005  
application makes the required demonstrations, the director shall 51006  
transmit copies of the application and all of the accompanying 51007  
maps, data, samples, and information to the chief of the division 51008  
of mineral resources management, the chief of the division of 51009  
geological survey, and the chief of the division of water in the 51010  
department of natural resources. 51011

## As Reported by the Senate Finance and Financial Institutions Committee

The chief of the division of geological survey shall comment 51012  
upon the application if the chief determines that the proposed 51013  
well or injection will present an unreasonable risk of loss or 51014  
damage to valuable mineral resources. If the chief submits 51015  
comments on the application, those comments shall be accompanied 51016  
by an evaluation of the geological factors upon which the comments 51017  
are based, including fractures, faults, earthquake potential, and 51018  
the porosity and permeability of the injection zone and confining 51019  
zone, and by the documentation supporting the evaluation. The 51020  
director shall take into consideration the chief's comments, and 51021  
the accompanying evaluation of geologic factors and supporting 51022  
documentation, when considering the application. The director 51023  
shall provide written notice to the chief of the director's 51024  
decision on the application and, if the chief's comments are not 51025  
included in the permit, renewal permit, or modification, of the 51026  
director's rationale for not including them. 51027

The chief of the division of mineral resources management 51028  
shall comment upon the application if the chief determines that 51029  
the proposed well or injection will present an unreasonable risk 51030  
that waste or contamination of recoverable oil or gas in the earth 51031  
will occur. If the chief submits comments on the application, 51032  
those comments shall be accompanied by an evaluation of the oil or 51033  
gas reserves that, in the best professional judgment of the chief, 51034  
are recoverable and will be adversely affected by the proposed 51035  
well or injection, and by the documentation supporting the 51036  
evaluation. The director shall take into consideration the chief's 51037  
comments, and the accompanying evaluation and supporting 51038  
documentation, when considering the application. The director 51039  
shall provide written notice to the chief of the director's 51040  
decision on the application and, if the chief's comments are not 51041  
included in the permit, renewal permit, or modification, of the 51042  
director's rationale for not including them. 51043

## As Reported by the Senate Finance and Financial Institutions Committee

The chief of the division of water shall assist the director 51044  
in determining whether all underground sources of drinking water 51045  
in the area of review of the proposed well or injection have been 51046  
identified and correctly delineated in the application. If the 51047  
application fails to identify or correctly delineate an 51048  
underground source of drinking water, the chief shall provide 51049  
written notice of that fact to the director. 51050

The chief of the division of mineral resources management 51051  
also shall review the application as follows: 51052

If the application concerns the drilling or conversion of a 51053  
well or the injection into a well that is not or is not to be 51054  
located within five thousand feet of the excavation and workings 51055  
of a mine, the chief of the division of mineral resources 51056  
management shall note upon the application that it has been 51057  
examined by the division of mineral resources management, retain a 51058  
copy of the application and map, and immediately return a copy of 51059  
the application to the director. 51060

If the application concerns the drilling or conversion of a 51061  
well or the injection into a well that is or is to be located 51062  
within five thousand feet, but more than five hundred feet from 51063  
the surface excavations and workings of a mine, the chief of the 51064  
division of mineral resources management immediately shall notify 51065  
the owner or lessee of the mine that the application has been 51066  
filed and send to the owner or lessee a copy of the map 51067  
accompanying the application setting forth the location of the 51068  
well. The chief of the division of mineral resources management 51069  
shall note on the application that the notice has been sent to the 51070  
owner or lessee of the mine, retain a copy of the application and 51071  
map, and immediately return a copy of the application to the 51072  
director with the chief's notation on it. 51073

If the application concerns the drilling or conversion of a 51074  
well or the injection into a well that is or is to be located 51075

## As Reported by the Senate Finance and Financial Institutions Committee

within five thousand feet of the underground excavations and  
workings of a mine or within five hundred feet of the surface  
excavations and workings of a mine, the chief of the division of  
mineral resources management immediately shall notify the owner or  
lessee of the mine that the application has been filed and send to  
the owner or lessee a copy of the map accompanying the application  
setting forth the location of the well. If the owner or lessee  
objects to the application, the owner or lessee shall notify the  
chief of the division of mineral resources management of the  
objection, giving the reasons, within six days after the receipt  
of the notice. If the chief of the division of mineral resources  
management receives no objections from the owner or lessee of the  
mine within ten days after the receipt of the notice by the owner  
or lessee, or if in the opinion of the chief of the division of  
mineral resources management the objections offered by the owner  
or lessee are not sufficiently well-founded, the chief shall  
retain a copy of the application and map and return a copy of the  
application to the director with any applicable notes concerning  
it.

If the chief of the division of mineral resources management  
receives an objection from the owner or lessee of the mine as to  
the application, within ten days after receipt of the notice by  
the owner or lessee, and if in the opinion of the chief the  
objection is well-founded, the chief shall disapprove the  
application and immediately return it to the director together  
with the chief's reasons for the disapproval. The director  
promptly shall notify the applicant for the permit, renewal  
permit, or modification of the disapproval. The applicant may  
appeal the disapproval of the application by the chief of the  
division of mineral resources management to the ~~mine-examining~~  
board reclamation commission created under section ~~1561.10~~ 1513.05  
of the Revised Code, and the ~~board~~ commission shall hear the

appeal in accordance with section ~~1561.53~~ 1513.13 of the Revised 51108  
Code. The appeal shall be filed within thirty days from the date 51109  
the applicant receives notice of the disapproval. No comments 51110  
concerning or disapproval of an application shall be delayed by 51111  
the chief of the division of mineral resources management for more 51112  
than fifteen days from the date of sending of notice to the mine 51113  
owner or lessee as required by this section. 51114

The director shall not approve an application for an 51115  
injection well drilling permit, an injection well operating 51116  
permit, a renewal of an injection well operating permit, or a 51117  
modification of an injection well drilling permit, operating 51118  
permit, or renewal of an operating permit for a well that is or is 51119  
to be located within three hundred feet of any opening of any mine 51120  
used as a means of ingress, egress, or ventilation for persons 51121  
employed in the mine, nor within one hundred feet of any building 51122  
or flammable structure connected with the mine and actually used 51123  
as a part of the operating equipment of the mine, unless the chief 51124  
of the division of mineral resources management determines that 51125  
life or property will not be endangered by drilling and operating 51126  
the well in that location. 51127

Upon review by the chief of the division of mineral resources 51128  
management, the chief of the division of geological survey, and 51129  
the chief of the division of water, and if the chief of the 51130  
division of mineral resources management has not disapproved the 51131  
application, the director shall issue a permit, renewal permit, or 51132  
modification with any terms and conditions that may be necessary 51133  
to comply with the Federal Water Pollution Control Act and 51134  
regulations adopted under it; the "Safe Drinking Water Act," 88 51135  
Stat. 1661 (1974), 42 U.S.C.A. 300(f) as amended, and regulations 51136  
adopted under it; and this chapter and the rules adopted under it. 51137  
The director shall not issue a permit, renewal permit, or 51138  
modification to an applicant if the applicant or persons 51139

## As Reported by the Senate Finance and Financial Institutions Committee

associated with the applicant have engaged in or are engaging in a 51140  
substantial violation of this chapter that is endangering or may 51141  
endanger human health or the environment or if, in the case of an 51142  
applicant for an injection well drilling permit, the applicant, at 51143  
the time of applying for the permit, did not hold an injection 51144  
well operating permit or renewal of an injection well drilling 51145  
permit and failed to demonstrate sufficient expertise and 51146  
competency to operate the well in compliance with the applicable 51147  
provisions of this chapter. 51148

If the director receives a disapproval from the chief of the 51149  
division of mineral resources management regarding an application 51150  
for an injection well drilling or operating permit, renewal 51151  
permit, or modification, if required, the director shall issue an 51152  
order denying the application. 51153

The director need not issue a proposed action under section 51154  
3745.07 of the Revised Code or hold an adjudication hearing under 51155  
that section and Chapter 119. of the Revised Code before issuing 51156  
or denying a permit, renewal permit, or modification of a permit 51157  
or renewal permit. Before issuing or renewing a permit to drill or 51158  
operate a class I injection well or a modification of it, the 51159  
director shall propose the permit, renewal permit, or modification 51160  
in draft form and shall hold a public hearing to receive public 51161  
comment on the draft permit, renewal permit, or modification. At 51162  
least fifteen days before the public hearing on a draft permit, 51163  
renewal permit, or modification, the director shall publish notice 51164  
of the date, time, and location of the public hearing in at least 51165  
one newspaper of general circulation serving the area where the 51166  
well is or is to be located. The proposing of such a draft permit, 51167  
renewal permit, or modification does not constitute the issuance 51168  
of a proposed action under section 3745.07 of the Revised Code, 51169  
and the holding of the public hearing on such a draft permit, 51170  
renewal permit, or modification does not constitute the holding of 51171

an adjudication hearing under that section and Chapter 119. of the 51172  
Revised Code. Appeals of orders other than orders of the chief of 51173  
the division of mineral resources management shall be taken under 51174  
sections 3745.04 to 3745.08 of the Revised Code. 51175

The director may order that an injection well drilling permit 51176  
or an injection well operating permit or renewal permit be 51177  
suspended and that activities under it cease after determining 51178  
that those activities are occurring in violation of law, rule, 51179  
order, or term or condition of the permit. Upon service of a copy 51180  
of the order upon the permit holder or the permit holder's 51181  
authorized agent or assignee, the permit and activities under it 51182  
shall be suspended immediately without prior hearing and shall 51183  
remain suspended until the violation is corrected and the order of 51184  
suspension is lifted. If a violation is the second within a 51185  
one-year period, the director, after a hearing, may revoke the 51186  
permit. 51187

The director may order that an injection well drilling permit 51188  
or an injection well operating permit or renewal permit be 51189  
suspended and that activities under it cease if the director has 51190  
reasonable cause to believe that the permit would not have been 51191  
issued if the information available at the time of suspension had 51192  
been available at the time a determination was made by one of the 51193  
agencies acting under authority of this section. Upon service of a 51194  
copy of the order upon the permit holder or the permit holder's 51195  
authorized agent or assignee, the permit and activities under it 51196  
shall be suspended immediately without prior hearing, but a permit 51197  
may not be suspended for that reason without prior hearing unless 51198  
immediate suspension is necessary to prevent waste or 51199  
contamination of oil or gas, comply with the Federal Water 51200  
Pollution Control Act and regulations adopted under it; the "Safe 51201  
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), as 51202  
amended, and regulations adopted under it; and this chapter and 51203

the rules adopted under it, or prevent damage to valuable mineral 51204  
resources, prevent contamination of an underground source of 51205  
drinking water, or prevent danger to human life or health. If 51206  
after a hearing the director determines that the permit would not 51207  
have been issued if the information available at the time of the 51208  
hearing had been available at the time a determination was made by 51209  
one of the agencies acting under authority of this section, the 51210  
director shall revoke the permit. 51211

When a permit has been revoked, the permit holder or other 51212  
person responsible for it immediately shall plug the well in the 51213  
manner required by the director. 51214

The director may issue orders to prevent or require cessation 51215  
of violations of this section, section 6111.043, 6111.045, 51216  
6111.046, or 6111.047 of the Revised Code, rules adopted under any 51217  
of those sections, and terms or conditions of permits issued under 51218  
any of them. The orders may require the elimination of conditions 51219  
caused by the violation. 51220

A resolution of a detention facility district, a district organized under section 2151.65 of the Revised Code, or a combined district organized under both sections 2152.41 and 2151.65 of the Revised Code may include both current expenses and other purposes,

provided that the resolution shall apportion the annual rate of 51573  
levy between the current expenses and the other purpose or 51574  
purposes. The apportionment need not be the same for each year of 51575  
the levy, but the respective portions of the rate actually levied 51576

purposes shall be limited by the apportionment. 51578

Whenever a board of county commissioners, acting either as 51579  
the taxing authority of its county or as the taxing authority of a 51580

**Section 44.02. HEAD START** 54491

No later than July 15, 2001, the Director of Budget and Management shall transfer \$76,156,175 from Fund 3W6, TANF Education, to the General Revenue Fund. No later than July 15, 2002, the Director of Budget and Management shall transfer \$98,843,825 from Fund 3W6, TANF Education, to the General Revenue Fund. The transferred funds are appropriated for the appropriation item 200-406, Head Start. The foregoing appropriation item 200-406, Head Start, includes transferred funds of \$76,156,175 in fiscal year 2002 and \$98,843,825 in fiscal year 2003.

Of the foregoing appropriation item 200-406, Head Start, \$100,000 per fiscal year shall be used for the Read Baby Read Book Club Program.

The remainder of foregoing appropriation item 200-406, Head Start, shall be distributed by the Department of Education to Head Start agencies. A "Head Start agency" means an entity that has been approved to be an agency in accordance with Section 641 (42 U.S.C. 9836) of the Head Start Act and amendments thereto, or an entity designated for state Head Start funding under this section. Participation in state-funded Head Start programs is voluntary.

Moneys distributed under this heading shall not be used to reduce expenditures from funds received by a Head Start agency from any other sources. Section 3301.31 of the Revised Code does not apply to funds distributed under this heading. In lieu of section 3301.31 of the Revised Code, distribution of moneys under this heading shall be as follows:

(A) In fiscal years 2002 and 2003, up to two per cent of the appropriation may be used by the department for administrative costs of complying with this section; developing program capacity; and assisting programs with facilities planning, construction, renovation, or lease agreements in combination with the Community

Development Finance Fund (CDFF). Up to \$1,530,000 in fiscal year 2002 and up to \$1,560,600 in fiscal year 2003 may be used for the services of literacy specialist and training in early literacy for Head Start classroom teachers and administrators to support the OhioReads Initiative.

(B) The department shall provide an annual report to the Governor, the Speaker of the House of Representatives, the President of the Senate, the State Board of Education, Head Start grantees, and other interested parties. The report shall include the following:

(1) The number and per cent of eligible children by county and by grantee;

(2) The amount of state funds received for continuation per grantee;

(3) A summary of program performance on the state critical performance indicators;

(4) A summary of developmental progress of children participating in the state-funded Head Start program;

(5) Any other data reflecting the performance of Head Start that the department considers pertinent.

(C) For purposes of this section, "eligible child" means a child who is at least three years of age and not of compulsory school age whose family earns no more than 100 per cent of the federal poverty level, except as otherwise provided in this division.

The Department of Education, in consultation with Head Start grantees or their designated representatives, shall establish criteria under which individual Head Start grantees may apply to the department for a waiver to include as "eligible children" those children from families earning up to 185 per cent of the

federal poverty level when the children otherwise qualify as 54552  
"eligible children" under this division. 54553

In order to serve children whose families receive child care 54554  
subsidy and whose incomes do not exceed 185 per cent of the 54555  
federal poverty guidelines, Head Start grantees may enroll 54556  
children whose families receive child care subsidy from the Ohio 54557  
Department of Job and Family Services. Head Start grantees 54558  
providing full-day, full-year comprehensive services, or otherwise 54559  
meeting the child care needs of working families, may partner with 54560  
child care centers or family day care homes or may access child 54561  
care subsidy directly. This provision is to meet the child care 54562  
needs of low-income families who are working, in training or 54563  
education programs, or participating in Ohio Works First approved 54564  
activities. 54565

(D) After setting aside amounts to make any payments due from 54566  
the prior fiscal year, in fiscal years 2002 and 2003, funds shall 54567  
only be distributed to recipients of Head Start funds during the 54568  
preceding fiscal year. Awards under this division shall be based 54569  
on a per-pupil formula prescribed by the Department of Education 54570  
and may be adjusted for one-time start-up costs, actual months of 54571  
program operation, or the number of children enrolled and 54572  
receiving services, as defined by the Department of Education, 54573  
reported during the first full week of December, and may be 54574  
increased by a reasonable percentage for inflation to be 54575  
determined by the Department of Education and in accordance with 54576  
this section. The department may redistribute dollars to programs 54577  
demonstrating an unmet need based on updated assessments of family 54578  
needs and community resources. In fiscal years 2002 and 2003, the 54579  
department may authorize recipients to carry over funds to the 54580  
subsequent fiscal year. 54581

The department may reallocate unobligated or unspent money to 54582  
participating Head Start agencies for: (1) facilities planning 54583

grants and to leverage construction, renovation, or lease 54584  
agreements and for repair of critical deferred maintenance and 54585  
safety items in combination with the CDFF; (2) teacher 54586  
professional development and enhanced compensation in order to 54587  
meet the requirements of section 3301.311 of the Revised Code; (3) 54588  
meeting the documentation and reporting requirements and for 54589  
technical support in accordance with division (F) of this section; 54590  
and (4) expansion, improvement, or special projects to promote 54591  
excellence and innovation. 54592

(E) Costs for developing and administering a Head Start 54593  
program may not exceed fifteen per cent of the total approved 54594  
costs of the program. 54595

All recipients of funds shall maintain such fiscal control 54596  
and accounting procedures as may be necessary to ensure the 54597  
disbursement of, and accounting for, these funds. The control of 54598  
funds provided in this program, and title to property obtained 54599  
therefrom, shall be under the authority of the approved recipient 54600  
for purposes provided in the program. The approved recipient shall 54601  
administer and use such property and funds for the purposes 54602  
specified. 54603

Each recipient shall furnish the department an annual audit 54604  
that includes the review of state funds received under this 54605  
section. 54606

In conjunction with the required audit of federal Head Start 54607  
funds, the independent auditor shall examine state Head Start 54608

The department may audit a Head Start agency's financial and program records. Head Start agencies that have financial practices not in accordance with standard accounting principles, that fail to substantially meet the Head Start performance standards, or that exhibit below-average performance shall be subject to an on-site review.

The department shall require corrective plans of action for programs not achieving target levels or financial and program standards. The Policy Council chairperson and the appropriate grantee board official shall sign the corrective plans of action.

The department shall require school districts to collect "preschool" information by program type. All data shall be reported via the Education Management Information System (EMIS).

(G) The department shall develop prekindergarten reading and mathematics content standards and model curricula. These standards and curricula shall be made available to grantees. department, and report results annually. The department shall 54646  
determine the dates for documenting and reporting. 54647

(H) In either event, the grantee and delegate shall transfer 54648  
control of title to property, equipment, and remaining supplies 54649  
obtained through this program to the newly designated grantee and 54650  
return any unexpended funds to the department along with any 54651  
reports prescribed by the department. 54652

Section 3313.646 of the Revised Code does not apply to funds 54653  
distributed under this section. 54654

(I) It is the intent of the General Assembly that 54655  
appropriations for appropriation items 200-406, Head Start, and 54656  
200-408, Public Preschool, be available for transfer between Head 54657  
Start and public preschool programs so that unallocated funds may 54658  
be used between the two programs. 54659

(J) The Department of Education shall comply with all TANF 54660

issued by the federal government or other entity concerning these 54666  
funds. Having met all of the above requirements, the Department 54667  
shall have the authority to administer these funds in accordance 54668  
with its own rules and guidelines, including grant administration 54669  
procedures. 54670

**Section 44.03. PUBLIC PRESCHOOL** 54671

The Department of Education shall distribute the foregoing 54672  
appropriation item 200-408, Public Preschool, to pay the costs of 54673  
comprehensive preschool programs. As used in this section, "school 54674  
district" means a city, local, exempted village, or joint 54675

vocational school district, or an educational service center. 54676

(A) In fiscal years 2002 and 2003, up to two per cent of the 54677  
total appropriation may be used by the department for 54678  
administrative costs of complying with this section; developing 54679  
program capacity; and assisting programs with facilities planning, 54680  
construction, renovation, or lease agreements in conjunction with 54681  
the Community Development Finance Fund (CDFF). 54682

(B) The department shall provide an annual report to the 54683  
Governor, the Speaker of the House of Representatives, the 54684  
President of the Senate, the State Board of Education, Head Start 54685  
grantees, and other interested parties. The report shall include: 54686

(1) The number and per cent of eligible children by county 54687  
and by school district; 54688

(2) The amount of state funds requested for continuation per 54689  
school district; 54690

(3) The amount of state funds received for continuation per 54691  
school district; 54692

(4) A summary of program performance on the state critical 54693  
performance indicators in the public preschool program; 54694

(5) A summary of developmental progress of children 54695  
participating in the state-funded public preschool program; 54696

(6) Any other data reflecting the performance of public 54697  
preschool programs that the department considers pertinent. 54698

(C) For purposes of this section, "eligible child" means a 54699  
child who is at least three years of age whose family earns no 54700  
more than 185 per cent of the federal poverty level. 54701

The Department of Education, in consultation with the 54702  
Department of Job and Family Services, interested parties, and 54703  
Head Start agencies shall formulate a method for determining an 54704  
estimate of the number of eligible children and the percentage 54705

served by grantees in each county. 54706

(D) After setting aside amounts to make any payments due from 54707  
the prior fiscal year, in fiscal years 2002 and 2003, funds shall 54708  
first be distributed to recipients of funds during the preceding 54709  
fiscal year. Awards under this division may be reduced by the 54710  
amount received in that fiscal year for one-time start-up costs 54711  
and may be adjusted for actual months of program operation or 54712  
enrollment as reported during the first full week of December, and 54713  
may be increased by a reasonable percentage to be determined by 54714  
the Department of Education. The department may redistribute 54715  
dollars to programs demonstrating an unmet need based on updated 54716  
assessments of family needs and community resources, with special 54717  
attention to the projected impact of welfare reform. In fiscal 54718  
years 2002 and 2003, the department may authorize recipients to 54719  
carry over funds to the subsequent fiscal year. 54720

The department may reallocate unobligated or unspent money to 54721  
participating school districts for purposes of program expansion, 54722  
improvement, or special projects to promote excellence and 54723  
innovation. 54724

(E) Costs for developing and administering a preschool 54725  
program may not exceed fifteen per cent of the total approved 54726  
costs of the program. 54727

All recipients of funds shall maintain such fiscal control 54728  
and accounting procedures as may be necessary to ensure the 54729  
disbursement of, and accounting for, these funds. The control of 54730  
funds provided in this program, and title to property obtained 54731  
therefrom, shall be under the authority of the approved recipient 54732  
for purposes provided in the program. The approved recipient shall 54733  
administer and use such property and funds for the purposes 54734  
specified. 54735

(F) The department shall prescribe target levels for critical 54736

performance indicators for the purpose of assessing public 54737  
preschool programs. On-site reviews and follow-up visits shall be 54738  
based on progress in meeting the prescribed target levels. 54739  
54740

The department may audit a school district's preschool 54741  
financial and program records. School districts that have 54742  
financial practices not in accordance with standard accounting 54743  
principles, that operate preschool programs that fail to 54744  
substantially meet the Head Start performance standards, or that 54745  
exhibit below-average performance shall be subject to an on-site 54746  
review. 54747

The department shall require corrective plans of action for 54748  
programs not achieving target levels or financial and program 54749  
standards. Action plans shall include activities to be conducted 54750  
by the grantee and timelines for activities to be completed and 54751  
timelines for additional data submission to the department 54752  
demonstrating that targets have been met. The appropriate school 54753  
board official shall sign the corrective plans of action. 54754

Public preschool programs not meeting performance targets in 54755  
accordance with the plan of action and prescribed timelines may 54756  
have their continuation funding reduced, be disqualified for 54757  
expansion consideration until targets are met, or have all state 54758  
funds withdrawn and a new program established. 54759

(G) The department shall require public preschool programs to 54760  
document child progress, using a common instrument prescribed by 54761  
the department, and report results annually. The department shall 54762  
determine the dates for documenting and reporting. 54763

The State Board of Education shall adopt rules addressing the 54764  
use of screening and assessment data, including, but not limited 54765  
to, all of the following: 54766

(1) Protection of the identity of individual children through 54767

assignment of a unique but not personally identifiable code;	54768

(2) Parents' rights;	54770
(3) Use of the data by school personnel as it relates to kindergarten entrance.	54771

	54774
	54775
(I) It is the intent of the General Assembly that appropriations for appropriation items 200-406, Head Start, and 200-408, Public Preschool, be available for transfer between Head Start and Public Preschool programs so that unallocated funds may be used between the two programs.	54776

(A) Of the foregoing appropriation item 200-411, Family and Children First, the Department of Education shall transfer up to \$3,677,188 in each fiscal year by intrastate transfer voucher to the Department of Mental Retardation and Developmental Disabilities. These funds shall be spent on direct grants to county family and children first councils created under section 121.37 of the Revised Code. support, training, or parental involvement. The total initial 54899  
grant under this provision to any county family and children first 54900  
council shall not exceed \$20,000. In the event that not all 54901  
counties in the state have established a county council, at the 54902  
beginning of the fourth quarter of a fiscal year, any remaining 54903  
funds to be used as administrative grants may be redirected by the 54904

school districts, shall identify individual schools based on 54925  
 quantitative and qualitative factors that reflect both the need 54926  
 for school readiness resource centers and the local capacity for 54927  
 redesigning, as necessary, a delivery system of family support 54928  
 services. The council and the Department of Education shall 54929  
 organize and provide technical assistance to the school districts 54930  
 and communities in planning, developing, and implementing the 54931  
 centers. The council shall also negotiate a performance agreement 54932

 school districts. Each school district shall work with a 54939  
 representative of the local family and children first council and 54940  
 a representative cross-section of families and community leaders 54941  
 in the district to operate the school readiness resource centers 54942  
 based upon conditions agreed to in the performance agreement 54943  
 negotiated with the cabinet council. 54944

Up to \$50,000 in each fiscal year may be used by the Ohio 54945  
 Family and Children First Cabinet Council for an evaluation of the 54946  
 effectiveness of the school readiness resource centers. Up to 54947  
 \$100,000 in each fiscal year may be used by the cabinet council to 54948  
 approve technical assistance and oversee the implementation of the 54949

 Education. Funds may be used for personnel, maintenance, and 54964  
 equipment costs related to the development and implementation of 54965  
 these technical system projects. Implementation of these systems 54966  
 shall allow the department to provide greater levels of assistance 54967  
 to school districts and to provide more timely information to the 54968

alternative educational programs for existing and new at-risk and 54989  
delinquent youth. Programs shall be focused on youth in one or 54990  
more of the following categories: those who have been expelled or 54991

of dropping out of school, those who are habitually truant or 54993

the criteria established by the Alternative Education Advisory 54996  
Council in 1999. Grants shall be awarded only to programs where 54997  
the grant would not serve as the program's primary source of 54998  
funding. These grants shall be administered by the Department of 54999  
Education. Of the set-aside for the 21 urban school districts, 55000  
\$1,000,000 in each fiscal year shall be used for programs where 55001

minimum education standard established under section 3301.07 of 55005  
the Revised Code for any alternative school that receives a grant 55006  
under this section on the grounds that the waiver will enable the 55007  
program to more effectively educate students enrolled in the 55008  
alternative school. 55009

Of the foregoing appropriation item 200-421, Alternative 55010  
Education Programs, up to \$480,552 in each fiscal year may be used 55011  
for program administration, monitoring, technical assistance, 55012

(B) Discretionary changes in formulas for distributing	56299
federal appropriations;	56300
(C) Federally mandated changes in formulas for distributing	56301
federal appropriations.	56302
Any such changes shall be reported two weeks prior to the	56303
effective date of the change.	56304
<b>Section 44.25. DISTRIBUTION - SCHOOL DISTRICT SUBSIDY</b>	56305
<b>PAYMENTS</b>	56306
This section shall not take effect unless the Director of	56307
Budget and Management adopts an order putting it into effect and	56308
certifies a copy of the order to the Superintendent of Public	56309
Instruction and the Controlling Board.	56310
Notwithstanding any other provision of the Revised Code, the	56311
monthly distribution of payments made to school districts and	56312
educational service centers pursuant to section 3317.01 of the	56313
Revised Code for the first six months of each fiscal year shall	56314
equal, as nearly as possible, six and two-thirds per cent of the	56315
estimate of the amounts payable for each fiscal year. The monthly	56316

distribution of payments for the last six months of each fiscal 56317  
year shall equal, as nearly as possible, ten per cent of the final 56318  
calculation of the amounts payable to each school district for 56319  
that fiscal year. 56320

The treasurer of each school district or educational service 56321  
center may accrue, in addition to the payments defined in this 56322  
section, to the accounts of the calendar years that end during 56323  
each fiscal year, the difference between the sum of the first six 56324  
months' payments in each fiscal year and the amounts the district 56325  
would have received had the payments been made in, as nearly as 56326  
possible in each fiscal year, twelve equal monthly payments. 56327

Notwithstanding the limitations on the amount of borrowing 56328  
and time of payment provided for in section 133.10 of the Revised 56329  
Code but subject to sections 133.26 and 133.30 of the Revised 56330  
Code, a board of education of a school district may at any time 56331  
between July 1, 2001, and December 31, 2001, or at any time 56332  
between July 1, 2002, and December 31, 2002, borrow money to pay 56333  
any necessary and actual expenses of the school district during 56334  
the last six months of calendar years 2001 and 2002 and in 56335  
anticipation of the receipt of any portion of the payments to be 56336  
received by that district in the first six months of calendar 56337  
years 2002 and 2003 representing the respective amounts accrued 56338  
pursuant to the preceding paragraph, and issue notes to evidence 56339  
that borrowing to mature no later than the thirtieth day of June 56340  
of the calendar year following the calendar year in which such 56341  
amount was borrowed. The principal amount borrowed in the last six 56342  
months of calendar years 2001 or 2002 under this paragraph may not 56343  
exceed the entire amount accrued or to be accrued by the district 56344  
treasurer in those calendar years pursuant to the preceding 56345  
paragraph. The proceeds of the notes shall be used only for the 56346  
purposes for which the anticipated receipts are lawfully 56347  
appropriated by the board of education. No board of education 56348

shall be required to use the authority granted by this paragraph. 56349  
The receipts so anticipated, and additional amounts from 56350  
distributions to the districts in the first six months of calendar 56351  
years 2002 and 2003 pursuant to Chapter 3317. of the Revised Code 56352  
needed to pay the interest on the notes, shall be deemed 56353  
appropriated by the board of education to the extent necessary for 56354  
the payment of the principal of and interest on the notes at 56355  
maturity, and the amounts necessary to make those monthly 56356  
distributions are appropriated from the General Revenue Fund. For 56357  
the purpose of better ensuring the prompt payment of principal of 56358  
and interest on the notes when due, the resolution of the board of 56359  
education authorizing the notes may direct that the amount of the 56360  
receipts anticipated, together with those additional amounts 56361  
needed to pay the interest on the borrowed amounts, shall be 56362  
deposited and segregated, in trust or otherwise, to the extent, at 56363  
the time or times, and in the manner provided in that resolution. 56364  
The borrowing authorized by this section does not constitute debt 56365  
for purposes of section 133.04 of the Revised Code. School 56366  
districts shall be reimbursed by the state for all necessary and 56367  
actual costs to districts arising from this provision, including, 56368  
without limitation, the interest paid on the notes while the notes 56369  
are outstanding. The Department of Education shall adopt rules 56370  
that are not inconsistent with this section for school district 56371  
eligibility and application for reimbursement of such costs. 56372  
Payments of these costs shall be made out of any anticipated 56373  
balances in appropriation items distributed under Chapter 3317. of 56374  
the Revised Code. The department shall submit all requests for 56375  
reimbursement under these provisions to the Controlling Board for 56376  
approval. 56377

During the last six months of each calendar year, instead of 56378  
deducting the amount the Superintendent of Public Instruction 56379  
would otherwise deduct from a school district's or educational 56380

service center's state aid payments in accordance with the 56381  
 certifications made for such year pursuant to sections 3307.56 and 56382  
 3309.51 of the Revised Code, the superintendent shall deduct an 56383  
 amount equal to forty per cent of the amount so certified. The 56384  
 secretaries of the retirement systems shall compute the 56385  
 certifications for the ensuing year under such sections as if the 56386  
 entire amounts certified as due in the calendar year ending the 56387  
 current fiscal year, but not deducted pursuant to this paragraph, 56388  
 had been deducted and paid in that calendar year. During the first 56389  
 six months of the ensuing calendar year, in addition to deducting 56390  
 the amounts the Superintendent of Public Instruction is required 56391  
 to deduct under such sections during such period, the 56392  
 superintendent shall deduct from a district's or educational 56393  
 service center's state aid payments an additional amount equal to 56394  
 the amount that was certified as due from the district for the 56395  
 calendar year that ends during the fiscal year, but that was not 56396  
 deducted because of this paragraph. The superintendent's 56397  
 certifications to the Director of Budget and Management during the 56398  
 first six months of the calendar year shall reflect such 56399  
 additional deduction. 56400

**Section 44.26. REALLOCATION OF FUNDS** 56401

(A) As used in this section: 56402

(1) "Basic aid" means the amount calculated for the school 56403  
 district received for the fiscal year under divisions (A) and (C) 56404  
 of section 3317.022 and sections 3317.023, 3317.025 to 3317.029, 56405  
 3317.0212, and 3317.0213 of the Revised Code and the amount 56406  
 computed for a joint vocational school district under section 56407  
 3317.16 of the Revised Code. 56408

(2) "Nonbasic aid" means the amount computed for a school 56409  
 district for fiscal year 2002 or fiscal year 2003 under Chapter 56410  
 3317. of the Revised Code and this act, excluding the district's 56411

## As Reported by the Senate Finance and Financial Institutions Committee

basic aid and the amount computed under such chapter and acts for 56412  
educational service centers, MR/DD boards, and institutions. 56413

(B) If in either fiscal year of the biennium the Governor 56414  
issues an order under section 126.05 of the Revised Code to reduce 56415  
expenditures and incurred obligations and the order requires the 56416  
superintendent to reduce such state education payments, or if 56417  
lottery profits transfers are insufficient to meet the amounts 56418  
appropriated from the Lottery Profits Education Fund for base cost 56419  
funding, and if other funds are not sufficient to offset the 56420  
shortfall, the superintendent shall reduce nonbasic aid payments 56421  
so that the total amount expended in the fiscal year will not 56422  
exceed the amount available for expenditure pursuant to the 56423  
Governor's order. Subject to Controlling Board approval, the 56424  
superintendent shall reallocate appropriations not yet expended 56425  
from one program to another. 56426

(C)(1) If further reductions in nonbasic aid are necessary 56427  
following the reallocations implemented pursuant to division (B) 56428  
of this section, the superintendent shall request the Controlling 56429  
Board to approve the use of the money appropriated by this 56430  
division. The superintendent shall include with the 56431  
superintendent's request a report listing the amount of reductions 56432  
that each school district will receive if the request is not 56433  
approved, and also the amount of the reduction, if any, that will 56434  
still be required if the use of the money appropriated by this 56435  
section is approved. 56436

(2) In accordance with division (C)(1) of this section, there 56437  
is appropriated to the Department of Education from the 56438  
unobligated balance remaining in the Lottery Profits Education 56439  
Fund at the end of fiscal year 2001 the lesser of: the unobligated 56440  
balance in the fund, or the amount needed to preclude a 56441  
reallocation pursuant to this section. The money appropriated by 56442  
this division may be spent or distributed by the department only 56443

with the approval of the Controlling Board. 56444

(D) If reductions in nonbasic aid are still necessary 56445  
following the actions taken pursuant to divisions (B) and (C) of 56446  
this section, the superintendent shall determine by what 56447  
percentage expenditures for nonbasic aid must be reduced for the 56448  
remainder of the fiscal year to make the total amount distributed 56449  
for the year equal the amount appropriated or available for 56450  
distribution. The superintendent shall reduce by that percentage 56451  
the amount to be paid in nonbasic aid to each city, exempted 56452  
village, local, and joint vocational school district, to each 56453  
educational service center, to each county board of mental 56454  
retardation and developmental disabilities, and to each 56455  
institution providing special education programs under section 56456  
3323.091 of the Revised Code for the remainder of the fiscal year. 56457

**Section 44.27. EDUCATIONAL SERVICE CENTERS FUNDING** 56458

Notwithstanding division (B) of section 3317.11 of the 56459  
Revised Code, no funds shall be provided to an educational service 56460  
center in either fiscal year for any pupils of a city or exempted 56461  
village school district unless an agreement to provide services 56462  
under section 3313.843 of the Revised Code was entered into by 56463  
January 1, 1997, except that funds shall be provided to an 56464  
educational service center for any pupils of a city school 56465  
district if the agreement to provide services was entered into 56466  
within one year of the date upon which such district changed from 56467  
a local school district to a city school district. If insufficient 56468  
funds are appropriated in fiscal year 2002 or fiscal year 2003 for 56469  
the purposes of division (B) of section 3317.11 of the Revised 56470  
Code, the department shall first distribute to each educational 56471  
service center \$37 per pupil in its service center ADM, as defined 56472  
in that section. The remaining funds in each fiscal year shall be 56473  
distributed proportionally, on a per-student basis, to each 56474

educational service center for its client ADM, as defined in that 56475  
section, that is attributable to each city and exempted village 56476  
school district that had entered into an agreement with an 56477  
educational service center for that fiscal year under section 56478  
3313.843 of the Revised Code by January 1, 1997. 56479

**Section 44.28.** The State Board of Education shall adopt rules 56480  
in accordance with section 119.03 of the Revised Code establishing 56481  
a method for school districts to report their spending for special 56482  
education and related services. Not later than February 1, 2002, 56483  
the State Board shall file the rules in proposed form in 56484  
accordance with section 119.03 of the Revised Code. The State 56485  
Board shall make every effort to file the rules in final form so 56486  
that they apply first in fiscal year 2003. 56487

**Section 44.29.** The Legislative Office of Education Oversight 56488  
shall conduct a statistical sampling of individualized education 56489  
programs developed for handicapped children under Chapter 3323. of 56490  
the Revised Code to determine the following: 56491

(A) The extent to which school districts provide, and 56492  
handicapped children utilize, all of the following: 56493

(1) Attendant services; 56494

(2) Vocational special education coordinator services; 56495

(3) Work-study services. 56496

(B) The handicaps that school districts identify as "other 56497  
health handicaps" and the services that school districts provide 56498  
to children identified as having "other health handicaps"; 56499

(C) How school districts currently serve children identified 56500  
as having learning disabilities. 56501

The Office shall report its findings and any recommendations 56502  
to the General Assembly no later than January 1, 2003. 56503

or the school year commencing July 1, 2002, or both, the 56505  
Superintendent of Public Instruction may waive for the board of 56506  
education of any school district the ratio of teachers to pupils 56507  
in kindergarten through fourth grade required under paragraph 56508  
(A)(3) of rule 3301-35-03 of the Administrative Code if the 56509  
following conditions apply: 56510

(A) The board of education requests the waiver. 56511

(B) After the Department of Education conducts an on-site 56512  
evaluation of the district related to meeting the required ratio, 56513  
the board of education demonstrates to the satisfaction of the 56514  
Superintendent of Public Instruction that providing the facilities 56515  
necessary to meet the required ratio during the district's regular 56516  
school hours with pupils in attendance would impose an extreme 56517  
hardship on the district. 56518

(C) The board of education provides assurances that are 56519  
satisfactory to the Superintendent of Public Instruction that the 56520  
board will act in good faith to meet the required ratio as soon as 56521

A tuition payment under this division shall be made to the 56584

The foregoing appropriation item 723-603, State Fair Reserve, 56942

shall serve as a budget reserve fund for the Ohio Expositions 56943

Commission in the event of a significant decline in attendance due 56944

to inclement weather or extraordinary circumstances during the 56945

Ohio State Fair and resulting in a loss of revenue. The State Fair 56946

Reserve may be used by the Ohio Expositions Commission to pay 56947

bills resulting from the Ohio State Fair only if all the following 56948

criteria are met: 56949

(A) Admission revenues for the 2001 Ohio State Fair are less 56950

than \$2,920,000 or admission revenues for the 2002 Ohio State Fair 56951

are less than \$3,010,000 due to inclement weather or extraordinary 56952

circumstances. These amounts are ninety per cent of the projected 56953

admission revenues for each year. 56954

(B) The Ohio Expositions Commission declares a state of 56955

fiscal exigency and requests release of funds by the Director of 56956

Budget and Management. 56957

(C) The Director of Budget and Management releases the funds. 56958  
 The Director of Budget and Management may approve or disapprove 56959  
 the request for release of funds, may increase or decrease the 56960  
 amount of release, and may place such conditions as the director 56961  
 deems necessary on the use of the released funds. The Director of 56962  
 Budget and Management may transfer appropriation authority from 56963  
 fiscal year 2002 to fiscal year 2003 as needed. 56964

In the event that the Ohio Expositions Commission faces a 56965  
 temporary cash shortage that will preclude them from meeting 56966  
 current obligations, the Commission may request the Director of 56967  
 Budget and Management to approve use of the State Fair Reserve to 56968  
 meet those obligations. The request shall include a plan 56969  
 describing how the Commission will eliminate the cash shortage. If 56970  
 the Director of Budget and Management approves the expenditures, 56971  
 the Commission shall reimburse Fund 640 by the thirtieth day of 56972

**Section 62.35. (A) As used in this section:** 58661

(1) "Medicaid days" means all days during which a resident 58662  
 who is a Medicaid recipient occupies a bed in a nursing facility 58663  
 that is included in the facility's certified capacity under Title 58664  
 XIX of the "Social Security Act," 79 Stat. 286 (1965), 42 U.S.C.A. 58665  
 1396, as amended. Therapeutic or hospital leave days for which 58666  
 payment is made under section 5111.33 of the Revised Code are 58667

 nursing facility's per resident per day rate paid for those days. 58669

(2) "Nursing facility" has the same meaning as in section 58670  
 5111.20 of the Revised Code. 58671

(B) Notwithstanding sections 5111.20 to 5111.32 of the 58672

all nursing facilities in the state, weighted by Medicaid days and  
calculated as of July 1, 2002, under sections 5111.20 to 5111.32  
of the Revised Code, shall not exceed \$154.41, plus any difference  
between \$144.99 and the mean total per diem rate for all nursing  
facilities in the state for fiscal year 2002, weighted by Medicaid  
days and calculated as of July 1, 2001, under sections 5111.20 to  
5111.32 of the Revised Code.

(3) If the mean total per diem rate for all nursing  
facilities in the state for fiscal year 2002 or 2003, weighted by  
Medicaid days and calculated under sections 5111.20 to 5111.32 of  
the Revised Code as of the first day of July of the calendar year  
in which the fiscal year begins, exceeds the amount specified for

facility would have had during that period if its occupancy rate 58712  
had been eighty-two per cent. 58713

Revised Code for fiscal year 2002, "per diem," as used in sections 58728  
5111.20 to 5111.32 of the Revised Code, means a nursing facility's 58729  
or intermediate care facility for the mentally retarded's actual, 58730  
allowable capital costs in the cost reporting period divided by 58731  
the greater of the facility's inpatient days for that period or 58732  
the number of inpatient days the facility would have had during 58733  
that period if its occupancy rate had been eighty-eight per cent. 58734

Revised Code, when calculating capital costs for the purpose of 58736  
establishing rates under section 5111.25 or 5111.251 of the 58737  
Revised Code for fiscal year 2003, "per diem," as used in sections 58738

 allowable capital costs in the cost reporting period divided by  
 the greater of the facility's inpatient days for that period or  
 the number of inpatient days the facility would have had during  
 that period if its occupancy rate had been ninety-one per cent.

(E) As soon as practicable, the Department of Job and Family  
 Services shall follow this section for the purpose of calculating  
 nursing facilities' and intermediate care facilities for the  
 mentally retarded's Medicaid reimbursement rates for indirect care  
 and capital costs for fiscal years 2002 and 2003. If the  
 Department is unable to calculate the rates before it makes  
 payments for services provided during fiscal year 2002 or 2003,  
 the Department shall pay a nursing facility or intermediate care  
 facility for the mentally retarded the difference between the  
 amount it pays the facility and the amount that would have been  
 paid had the Department made the calculation in time.

**Section 62.37. NURSING FACILITY STABILIZATION FUND**

**Section 93.01. STATE SHARE OF INSTRUCTION** 60588

As soon as practicable during each fiscal year of the 60589  
 2001-2003 biennium in accordance with instructions of the Board of 60590  
 Regents, each state-assisted institution of higher education shall 60591  
 report its actual enrollment to the Board of Regents. 60592

The Board of Regents shall establish procedures required by 60593  
 the system of formulas set out below and for the assignment of 60594  
 individual institutions to categories described in the formulas. 60595  
 The system of formulas establishes the manner in which aggregate 60596  
 expenditure requirements shall be determined for each of the three 60597  
 components of institutional operations. In addition to other 60598  
 adjustments and calculations described below, the subsidy 60599  
 entitlement of an institution shall be determined by subtracting 60600  
 from the institution's aggregate expenditure requirements income 60601  
 to be derived from the local contributions assumed in calculating 60602  
 the subsidy entitlements. The local contributions for purposes of 60603

determining subsidy support shall not limit the authority of the individual boards of trustees to establish fee levels. 60604  
60605

The General Studies and Technical models shall be adjusted by the Board of Regents so that the share of state subsidy earned by those models is not altered by changes in the overall local share. A lower-division fee differential shall be used to maintain the relationship that would have occurred between these models and the baccalaureate models had an assumed share of thirty-seven per cent been funded. 60606

60612

In defining the number of full-time equivalent (FTE) students for state subsidy purposes, the Board of Regents shall exclude all undergraduate students who are not residents of Ohio, except those charged in-state fees in accordance with reciprocity agreements made pursuant to section 3333.17 or employer contracts entered into pursuant to section 3333.32 of the Revised Code. 60613

(B) PLANT OPERATION AND MAINTENANCE (POM)			60655
(1) DETERMINATION OF THE SQUARE-FOOT-BASED POM SUBSIDY			60656
Space undergoing renovation shall be funded at the rate			60657
allowed for storage space.			60658
In the calculation of square footage for each campus, square			60659
footage shall be weighted to reflect differences in space			60660
utilization.			60661
The space inventories for each campus shall be those			60662
determined in the fiscal year 1999 instructional subsidy, adjusted			60663
for changes attributable to the construction or renovation of			60664
facilities for which state appropriations were made or local			60665
commitments were made prior to January 1, 1995.			60666

## As Reported by the Senate Finance and Financial Institutions Committee

Only 50 per cent of the space permanently taken out of operation in fiscal year 2002 or fiscal year 2003 that is not otherwise replaced by a campus shall be deleted from the fiscal year 1997 inventory.

The square-foot-based plant operation and maintenance subsidy for each campus shall be determined as follows:

(a) For each standard room type category shown below, the subsidy-eligible net assignable square feet (NASF) for each campus shall be multiplied by the following rates, and the amounts summed for each campus to determine the total gross square-foot-based POM expenditure requirement:

	FY 2002	FY 2003	
Classrooms	\$5.33	\$5.56	60679
Laboratories	\$6.65	\$6.93	60680
Offices	\$5.33	\$5.56	60681

Storage	\$2.36	\$2.46	60683
Circulation	\$6.73	\$7.01	60684
Other	\$5.33	\$5.56	60685

(b) The total gross square-foot POM expenditure requirement shall be allocated to models in proportion to FTE enrollments as reported in enrollment data for all models except Doctoral I and Doctoral II.

(c) The amounts allocated to models in division (B)(1)(b) of this section shall be multiplied by the ratio of subsidy-eligible FTE students to total FTE students reported in each model, and the amounts summed for all models. To this total amount shall be added an amount to support roads and grounds expenditures to produce the total square-foot-based POM subsidy.

(2) DETERMINATION OF THE ACTIVITY-BASED POM SUBSIDY 60696

(b) The sum of the products for each campus determined in division (B)(2)(a) of this section for all models except Doctoral I and Doctoral II for each fiscal year shall be weighted by a factor to reflect sponsored research activity and job training-related public services expenditures to determine the total activity-based POM subsidy.

(C) CALCULATION OF CORE SUBSIDY ENTITLEMENTS AND ADJUSTMENTS 60721

(1) CALCULATION OF CORE SUBSIDY ENTITLEMENTS 60722

The calculation of the core subsidy entitlement shall consist of the following components: 60723  
60724

(a) For each campus and for each fiscal year, the core subsidy entitlement shall be determined by multiplying the amounts listed above in divisions (A)(1) and (2) and (B)(2) of this section less assumed local contributions, by (i) average 60725

 year for all models except Doctoral I and Doctoral II; and (ii) 60730  
 average subsidy-eligible FTEs for the five-year period ending in 60731  
 the prior year for all models except Doctoral I and Doctoral II. 60732

(b) In calculating the core subsidy entitlements for Medical 60733  
 II models only, the Board of Regents shall use the following count 60734  
 of FTE students in place of the two-year average and five-year 60735  
 average of subsidy-eligible students: 60736

(i) For those medical schools whose current year enrollment 60737  
 is below the base enrollment, the Medical II FTE enrollment shall 60738  
 equal: 65 per cent of the base enrollment plus 35 per cent of the 60739  
 current year enrollment, where the base enrollment is: 60740

(ii) For those medical schools whose current year enrollment 60747  
 is equal to or greater than the base enrollment, the Medical II 60748  
 FTE enrollment shall equal the current enrollment. 60749

(c) For all FTE-based subsidy calculations involving 60750  
 annualized FTE data, FTE-based allowances shall be converted from 60751  
 annualized to all-terms rates to ensure equity and consistency of 60752  
 subsidy determination. 60753

(d) The Board of Regents shall compute the sum of the two 60754  
 calculations listed in division (C)(1)(a) of this section and use 60755  
 the greater sum as the core subsidy entitlement. 60756

The POM subsidy for each campus shall equal the greater of 60757  
 the square-foot-based subsidy or the activity-based POM subsidy 60758

component of the core subsidy entitlement. 60759

(e) The state share of instruction provided for doctoral 60760  
students shall be based on a fixed percentage of the total 60761  
appropriation. In each fiscal year of the biennium not more than 60762  
10.34 per cent of the total state share of instruction shall be 60763  
reserved to implement the recommendations of the Graduate Funding 60764  
Commission. It is the intent of the General Assembly that the 60765  
doctoral reserve be reduced each year thereafter until no more 60766  
than 10.0 per cent of the total state share of instruction is 60767  
reserved to implement the recommendations of the Graduate Funding 60768  
Commission. The Board of Regents shall reallocate 2 per cent in 60769  
each fiscal year of the biennium of the reserve among the 60770  
state-assisted universities on the basis of a quality review as 60771  
specified in the recommendations of the Graduate Funding 60772  
Commission. 60773

The amount so reserved shall be allocated to universities in 60774  
proportion to their share of the total number of Doctoral I 60775  
equivalent FTEs as calculated on an institutional basis using the 60776  
greater of the two-year or five-year FTEs for the period fiscal 60777  
year 1994 through fiscal year 1998 with annualized FTEs for fiscal 60778  
years 1994 through 1997 and all-term FTEs for fiscal year 1998 as 60779  
adjusted to reflect the effects of doctoral review. For the 60780  
purposes of this calculation, Doctoral I equivalent FTEs shall 60781  
equal the sum of Doctoral I FTEs plus 1.5 times the sum of 60782  
Doctoral II FTEs. 60783

(2) ANNUAL HOLD HARMLESS PROVISION 60784

In addition to and after the other adjustment noted above, in 60785  
fiscal year 2002 each campus shall have its state share of 60786  
instruction adjusted to the extent necessary to provide an amount 60787  
that is not less than 100 per cent of the state share of 60788  
instruction received by the campus in fiscal year 2001. In fiscal 60789  
year 2003, each campus shall have its state share of instruction 60790

adjusted to the extent necessary to provide an amount that is not 60791  
less than 100 per cent of the state share of instruction received 60792  
by the campus in fiscal year 2002. 60793

(3) CAPITAL COMPONENT DEDUCTION 60794

After all other adjustments have been made, instructional 60795  
subsidy earnings shall be reduced for each campus by the amount, 60796  
if any, by which debt service charged in Am. H.B. No. 748 of the 60797  
121st General Assembly, Am. Sub. H.B. No. 850 of the 122nd General 60798  
Assembly, and Am. H.B. No. 640 of the 123rd General Assembly for 60799  
that campus exceeds that campus's capital component earnings. 60800

(D) REDUCTIONS IN EARNINGS 60801

If the total state share of instruction earnings in any 60802  
fiscal year exceed the total appropriations available for such 60803  
purposes, the Board of Regents shall proportionately reduce the 60804  
state share of instruction earnings for all campuses by a uniform 60805  
percentage so that the systemwide sum equals available 60806  
appropriations. 60807

(E) EXCEPTIONAL CIRCUMSTANCES 60808

Adjustments may be made to the state share of instruction 60809  
payments and other subsidies distributed by the Board of Regents 60810  
to state-assisted colleges and universities for exceptional 60811  
circumstances. No adjustments for exceptional circumstances may be 60812  
made without the recommendation of the Chancellor and the approval 60813  
of the Controlling Board. 60814

DISTRIBUTION OF STATE SHARE OF INSTRUCTION 60815

The state share of instruction payments to the institutions 60816  
shall be in substantially equal monthly amounts during the fiscal 60817  
year, unless otherwise determined by the Director of Budget and 60818  
Management pursuant to section 126.09 of the Revised Code. 60819  
Payments during the first six months of the fiscal year shall be 60820

based upon the state share of instruction appropriation estimates 60821  
 made for the various institutions of higher education according to 60822  
 Board of Regents enrollment estimates. Payments during the last 60823  
 six months of the fiscal year shall be distributed after approval 60824  
 of the Controlling Board upon the request of the Board of Regents. 60825  
 60826

## LAW SCHOOL SUBSIDY 60827

The state share of instruction to state-supported 60828  
 universities for students enrolled in law schools in fiscal year 60829  
 2002 and fiscal year 2003 shall be calculated by using the number 60830  
 of subsidy-eligible FTE law school students funded by state 60831  
 subsidy in fiscal year 1995 or the actual number of 60832  
 subsidy-eligible FTE law school students at the institution in the 60833  
 fiscal year, whichever is less. 60834

**Section 93.02. MISSION-BASED CORE FUNDING FOR HIGHER** 60835  
 EDUCATION 60836

## JOBS CHALLENGE 60837

Funds appropriated to appropriation item 235-415, Jobs 60838  
 Challenge, shall be distributed to state-assisted community and 60839  
 technical colleges, regional campuses of state-assisted 60840  
 universities, and other organizationally distinct and identifiable 60841  
 member campuses of the EnterpriseOhio Network in support of 60842  
 noncredit job-related training. In fiscal years 2002 and 2003, 60843  
 \$2,114,673 and \$1,981,841, respectively, shall be distributed as 60844  
 performance grants to EnterpriseOhio Network campuses based upon 60845  
 each campus's documented performance according to criteria 60846  
 established by the Board of Regents for increasing training and 60847  
 related services to businesses, industries, and public sector 60848  
 organizations. 60849

Of the foregoing appropriation item 235-415, Jobs Challenge, 60850  
 \$3,130,087 in fiscal year 2002 and \$2,875,953 in fiscal year 2003 60851

## As Reported by the Senate Finance and Financial Institutions Committee

shall be allocated to the Targeted Industries Training Grant Program to attract, develop, and retain business and industry strategically important to the state's economy.

Also, in fiscal years 2002 and 2003, \$2,991,513 and \$3,629,797, respectively, shall be allocated to the Non-credit Incentives Grant Program to reward two-year campuses for increasing the amount of non-credit skill upgrading services provided to Ohio employers and employees. The funds shall be distributed to campuses in proportion to each campus's share of noncredit job-related training revenues received by all campuses for the previous fiscal year. It is the intent of the General Assembly that this workforce development incentive component of the Jobs Challenge Program reward campus noncredit job-related training efforts in the same manner that the Research Challenge Program rewards campuses for their ability to obtain sponsored research revenues.

Of the foregoing appropriation item 235-415, Jobs Challenge, \$1,863,726 in fiscal year 2002 and \$1,712,409 in fiscal year 2003 shall be allocated as an incentive to support local EnterpriseOhio Network Campus/Adult Workforce Education Center Partnerships. The purpose of the partnerships is to promote and deliver coordinated, comprehensive training to local employers. Each partnership shall include a formal agreement between one or more EnterpriseOhio Network campus and one or more adult workforce education center for the delivery of training services. The Department of Education and Board of Regents shall jointly award funds to certified EnterpriseOhio campus/adult workforce education center partnerships to offer training grants to eligible companies. A certified EnterpriseOhio Network/adult workforce education center partnership is one that has been documented and approved by the Board of Regents and the Department of Education according to partnership criteria established jointly by those agencies. An

## As Reported by the Senate Finance and Financial Institutions Committee

eligible company is one that meets the funding criteria of the Targeted Industries Training Grant Program. The amount set aside for the partnerships is designed to match an equal appropriation in the Department of Education's appropriation item 200-514, Post-Secondary/Adult Career-Technical Education. The Department of Education's appropriation also serves as a partnership-building incentive by allocating funds to local EnterpriseOhio Network campus/adult workforce education center partnerships.

## ACCESS CHALLENGE

In each fiscal year, the foregoing appropriation item 235-418, Access Challenge, shall be distributed to Ohio's state-assisted access colleges and universities. For the purposes of this allocation, "access campuses" includes state-assisted community colleges, state community colleges, technical colleges, Shawnee State University, Central State University, Cleveland State University, the regional campuses of state-assisted universities, and, where they are organizationally distinct and identifiable, the community-technical colleges located at the University of Cincinnati, Youngstown State University, and the University of Akron.

In each year of the biennium, Access Challenge appropriations shall be allocated to eligible campuses according to the following methodology:

(A) Each campus shall receive an amount equal to four per cent of the product of its subsidy-eligible lower-division FTE student enrollments for the prior fiscal year multiplied by the unweighted average of in-state undergraduate instructional and general fees for community colleges, state community colleges, technical colleges, and regional campuses in fiscal year 2001.

(B) All remaining appropriations shall be allocated to each campus proportionate to its share of the sum of FTEs used in the

## As Reported by the Senate Finance and Financial Institutions Committee

distribution of access funds in the prior fiscal year updated with 60915  
the most recent FTE data available. 60916

For the purposes of this calculation, Cleveland State 60917  
University's and Youngstown State University's enrollments shall 60918  
be adjusted by the ratio of the sum of subsidy-eligible 60919  
lower-division FTE student enrollments eligible for access funding 60920  
to the sum of subsidy-eligible General Studies FTE student 60921  
enrollments at Central State University and Shawnee State 60922  
University, and for the following universities and their regional 60923  
campuses: Ohio State University, Ohio University, Kent State 60924  
University, Bowling Green State University, Miami University, the 60925  
University of Cincinnati, the University of Akron, and Wright 60926  
State University. 60927

## SUCCESS CHALLENGE 60928

The foregoing appropriation item 235-420, Success Challenge, 60929  
shall be used by the Board of Regents to promote degree completion 60930  
by students enrolled at a main campus of a state-assisted 60931  
university. 60932

In each fiscal year, two-thirds of the appropriations shall 60933  
be distributed to state-assisted university main campuses in 60934  
proportion to each campus's share of the total statewide 60935  
bachelor's degrees granted by university main campuses to 60936  
"at-risk" students. In fiscal years 2002 and 2003, an "at-risk" 60937  
student means any undergraduate student who has received an Ohio 60938  
Instructional Grant during the past ten years. An eligible 60939  
institution shall not receive its share of this distribution until 60940  
it has submitted a plan that addresses how the subsidy will be 60941  
used to better serve at-risk students and increase their 60942  
likelihood of successful completion of a bachelor's degree 60943  
program. The Board of Regents shall disseminate to all 60944  
state-supported institutions of higher education all such plans 60945  
submitted by institutions that received Success Challenge funds. 60946

## As Reported by the Senate Finance and Financial Institutions Committee

In each fiscal year, one-third of the appropriations shall be distributed to university main campuses in proportion to each campus's share of the total bachelor's degrees granted by university main campuses to undergraduate students who completed their bachelor's degrees in a "timely manner" in the previous fiscal year. For the purposes of this section, "timely manner" means the normal time it would take for a full-time degree-seeking undergraduate student to complete the student's degree. Generally, for such students pursuing a bachelor's degree, "timely manner" means four years. Exceptions to this general rule shall be permitted for students enrolled in programs specifically designed to be completed in a longer time period. The Board of Regents shall collect base-line data beginning with the 1998-99 academic year to assess the timely completion statistics by university main campuses.

## RESEARCH CHALLENGE

The foregoing appropriation item 235-454, Research Challenge, shall be used to enhance the basic research capabilities of public colleges and universities and accredited Ohio institutions of higher education holding certificates of authorization issued pursuant to section 1713.02 of the Revised Code, in order to strengthen academic research for pursuing Ohio's economic redevelopment goals. The Board of Regents, in consultation with the colleges and universities, shall administer the Research Challenge Program and utilize a means of matching, on a fractional basis, external funds attracted in the previous year by institutions for basic research. The program may include incentives for increasing the amount of external research funds coming to eligible institutions and for focusing research efforts upon critical state needs. Colleges and universities shall submit for review and approval to the Board of Regents plans for the institutional allocation of state dollars received through the

## As Reported by the Senate Finance and Financial Institutions Committee

program. The institutional plans shall provide the rationale for  
the allocation in terms of the strategic targeting of funds for  
academic and state purposes, for strengthening research programs,  
and for increasing the amount of external research funds, and  
shall include an evaluation process to provide results of the  
increased support.

The Board of Regents shall submit a biennial report of  
progress to the General Assembly.

## COMPUTER SCIENCE GRADUATE EDUCATION 60987

The foregoing appropriation item 235-554, Computer Science  
Graduate Education, shall be used by the Board of Regents to  
support improvements in graduate programs in computer science at  
state-assisted universities. In each fiscal year, up to \$200,000  
may be used to support collaborative efforts in graduate education  
in this program area.

**Section 93.03.** HIGHER EDUCATION - BOARD OF TRUSTEES 60994

Funds appropriated for instructional subsidies at colleges  
and universities may be used to provide such branch or other  
off-campus undergraduate courses of study and such master's degree  
courses of study as may be approved by the Board of Regents.

In providing instructional and other services to students,  
boards of trustees of state-assisted institutions of higher  
education shall supplement state subsidies by income from charges  
to students. Each board shall establish the fees to be charged to  
all students, including an instructional fee for educational and  
associated operational support of the institution and a general  
fee for noninstructional services, including locally financed  
student services facilities used for the benefit of enrolled  
students. The instructional fee and the general fee shall  
encompass all charges for services assessed uniformly to all

## As Reported by the Senate Finance and Financial Institutions Committee

enrolled students. Each board may also establish special purpose  
fees, service charges, and fines as required; such special purpose  
fees and service charges shall be for services or benefits  
furnished individual students or specific categories of students  
and shall not be applied uniformly to all enrolled students. A  
tuition surcharge shall be paid by all students who are not  
residents of Ohio.

The board of trustees of a state-assisted institution of  
higher education shall not authorize a waiver or nonpayment of  
instructional fees or general fees for any particular student or  
any class of students other than waivers specifically authorized  
by law or approved by the Chancellor. This prohibition is not  
intended to limit the authority of boards of trustees to provide  
for payments to students for services rendered the institution,  
nor to prohibit the budgeting of income for staff benefits or for  
student assistance in the form of payment of such instructional  
and general fees.

Each state-assisted institution of higher education in its  
statement of charges to students shall separately identify the  
instructional fee, the general fee, the tuition charge, and the  
tuition surcharge. Fee charges to students for instruction shall  
not be considered to be a price of service but shall be considered  
to be an integral part of the state government financing program  
in support of higher educational opportunity for students.

In providing the appropriations in support of instructional  
services at state-assisted institutions of higher education and  
the appropriations for other instruction it is the intent of the  
General Assembly that faculty members shall devote a proper and  
judicious part of their work week to the actual instruction of  
students. Total class credit hours of production per quarter per  
full-time faculty member is expected to meet the standards set  
forth in the budget data submitted by the Board of Regents.

## As Reported by the Senate Finance and Financial Institutions Committee

The authority of government vested by law in the boards of trustees of state-assisted institutions of higher education shall in fact be exercised by those boards. Boards of trustees may consult extensively with appropriate student and faculty groups. Administrative decisions about the utilization of available resources, about organizational structure, about disciplinary procedure, about the operation and staffing of all auxiliary facilities, and about administrative personnel shall be the exclusive prerogative of boards of trustees. Any delegation of authority by a board of trustees in other areas of responsibility shall be accompanied by appropriate standards of guidance concerning expected objectives in the exercise of such delegated authority and shall be accompanied by periodic review of the exercise of this delegated authority to the end that the public interest, in contrast to any institutional or special interest, shall be served.

Special emphasis in the standards shall be placed on attempting to ensure that at least 50 per cent of the aggregate number of students enrolled in state-assisted medical colleges continue to enter residency as primary care physicians. Primary care physicians are general family practice physicians, general internal medicine practitioners, and general pediatric care physicians. The Board of Regents shall monitor medical school performance in relation to their plans for reaching the 50 per cent systemwide standard for primary care physicians.

**Section 183. EXTREME ENVIRONMENTAL CONTAMINATION OF SCHOOL  
FACILITIES**

Notwithstanding any other provisions of law to the contrary,  
the School Facilities Commission may provide assistance under the  
Exceptional Needs Pilot Program to any school district and not  
exclusively a school district in the lowest 50 per cent of  
adjusted valuation per pupil on the fiscal year 1999 ranking of  
school districts established pursuant to section 3317.02 of the  
Revised Code, for the purpose of the relocation or replacement of  
school facilities required as a result of extreme environmental  
contamination. If in the assessment of the school district's  
classroom facilities needs conducted under the Exceptional Needs  
Pilot Program pursuant to Section 26 of Am. Sub. H.B. 850 of the  
122nd General Assembly, the commission determines that all the  
school district's classroom facilities ultimately will require  
replacement under sections 3318.01 to 3318.20 of the Revised Code,  
then the commission may undertake a district-wide project under  
sections 3318.01 to 3318.20 of the Revised Code.

The School Facilities Commission shall contract with an  
independent environmental consultant to conduct a study and to  
report to the commission as to the seriousness of the  
environmental contamination, whether the contamination violates  
applicable state and federal standards, and whether the facilities  
are no longer suitable for use as school facilities. The  
commission then shall make a determination regarding funding for  
the relocation or replacement of the school facilities. If the  
federal government or other public or private entity provides  
funds for restitution of costs incurred by the state or school

district in the relocation or replacement of the school 64714  
facilities, the school district shall use such funds in excess of 64715  
the school district's share to refund the state for the state's 64716  
contribution to the environmental contamination portion of the 64717  
project. The school district may apply an amount of such 64718  
restitution funds up to an amount equal to the school district's 64719  
portion of the project, as defined by the commission, toward 64720  
paying its portion of that project to reduce the amount of bonds 64721  
the school district otherwise must issue to receive state 64722  
assistance under sections 3318.01 to 3318.20 of the Revised Code. 64723

**Section 184.** (A) The Ohio School Facilities Commission may 64724  
commit up to thirty-five million dollars to the Canton City School 64725  
District for construction of a facility described in this section, 64726  
in lieu of a high school that would otherwise be authorized under 64727  
Chapter 3318. of the Revised Code. The commission shall not commit 64728  
funds under this section unless all of the following conditions 64729  
are met: 64730

(1) The district has entered into a cooperative agreement 64731  
with a state-assisted technical college. 64732

(2) The district has received an irrevocable commitment of 64733  
additional funding from nonpublic sources. 64734

(3) The facility is intended to serve both secondary and 64735  
postsecondary instructional purposes. 64736

(B) The commission shall enter into an agreement with the 64737  
district for the construction of the facility authorized under 64738  
this section that is separate from and in addition to the 64739  
agreement required for the district's participation in the 64740  
Classroom Facilities Assistance Program under section 3318.08 of 64741  
the Revised Code. Notwithstanding that section and sections 64742  
3318.03, 3318.04, and 3318.083 of the Revised Code, the additional 64743  
agreement shall provide, but not be limited to, the following: 64744

(1) The commission shall not have any oversight 64745  
responsibilities over the construction of the facility. 64746

(2) The facility need not comply with the specifications for 64747  
plans and materials for high schools adopted by the commission. 64748

(3) The commission may decrease the basic project cost that 64749  
would otherwise be calculated for a high school under Chapter 64750  
3318. of the Revised Code. 64751

(4) The state shall not share in any increases in the basic 64752  
project cost for the facility above the amount authorized under 64753  
this section. 64754

All other provisions of Chapter 3318. of the Revised Code 64755  
apply to the approval and construction of a facility authorized 64756  
under this section. 64757

section shall be part of the total amount the state commits to the 64759  
Canton City School District under Chapter 3318. of the Revised 64760  
Code. All additional state funds committed to the Canton City 64761  
School District for classroom facilities assistance shall be 64762  
subject to all provisions of Chapter 3318. of the Revised Code. 64763

**Section 185.** Not later than July 1, 2001, the Tax 64764

information is available. The Department shall use the information 64770  
certified under this section to compute each district's state 64771

years beginning with fiscal year 2003. 65151

**Section 212.** The enactment of section 1309.525 of the Revised 65152  
Code by this act is contingent upon and takes effect only if S.B. 65153  
74 of the 124th General Assembly becomes law and section 1309.40 65154  
of the Revised Code is repealed by that latter act. 65155

**Section 213.** Section 3317.10 of the Revised Code, as amended 65156  
by this act, shall take effect January 1, 2003. 65157

**Section 214.** (A) Sections 1345.21, 4707.01, 4707.011, 65158  
4707.02, 4707.03, 4707.04, 4707.05, 4707.06, 4707.07, 4707.071, 65159

4707.23, and 4707.99 of the Revised Code, as amended by this act, 65162  
shall take effect on October 1, 2001, or the earliest date 65163

thereafter permitted by law. 65164

(B)(1) On the effective date under division (A) of this 65165  
section of the sections as amended, the licensing functions of the 65166  
Department of Commerce under Chapter 4707. of the Revised Code are 65167  
transferred to the Department of Agriculture. The Department of 65168  
Agriculture thereupon and thereafter assumes these functions. 65169

Any business commenced but not completed by the Department of 65170  
Commerce on that effective date shall be completed by the Director 65171  
or Department of Agriculture in the same manner, and with the same 65172  
effect, as if completed by the Director or Department of Commerce. 65173  
No validation, cure, right, privilege, remedy, obligation, or 65174  
liability is lost or impaired by reason of the transfer of 65175  
functions required by this section and shall be administered by 65176  
the Director or Department of Agriculture. All of the Department 65177  
of Commerce's rules, orders, and determinations continue in effect 65178  
as rules, orders, and determinations of the Department of 65179  
Agriculture until modified or rescinded by the Department of 65180  
Agriculture. If necessary to ensure the integrity of the numbering 65181  
of the Administrative Code, the Director of the Legislative 65182  
Service Commission shall renumber the Department of Commerce's 65183  
relevant rules as appropriate to reflect their transfer to the 65184  
Department of Agriculture. 65185

No employees of the Department of Commerce are transferred to 65186  
the Department of Agriculture. The Director of Agriculture may 65187  
create up to three additional full-time positions for the 65188  
administration of the licensing functions of Chapter 4707. of the 65189  
Revised Code assumed by the Director and Department payable out of 65190  
the unexpended balances transferred to the Department of 65191  
Agriculture under division (B)(2) of this section. 65192

(2) The Director of Budget and Management shall determine the 65193  
amount of unexpended balances in the Department of Commerce 65194  
appropriation accounts that pertain to auctioneers and the 65195

licensing functions of the Department of Commerce under Chapter 4707. of the Revised Code and shall recommend to the Controlling Board the transfer of such unexpended balances to the Department of Agriculture.

In preparation for the transfer of the licensing functions under Chapter 4707. of the Revised Code from the Department of Commerce to the Department of Agriculture, on October 1, 2001, or thereafter, the Director of Budget and Management also may recommend to the Controlling Board the transfer of such moneys in the unexpended balances in the appropriations to the Department of Commerce to the Department of Agriculture prior to the effective date of the transfer as will enable the Department of Agriculture to effectively prepare for the transfer of duties. The Department of Commerce shall provide full and timely information to the Controlling Board to facilitate this transfer.

(3) Whenever the Director or Department of Commerce is referred to in any law, contract, or other document relating to the transferred functions, the reference shall be deemed to refer to the Director or Department of Agriculture, whichever is appropriate.

No action or proceeding pending on the effective date of this section is affected by the transfer, and shall be prosecuted or defended in the name of the Director or Department of Agriculture. In all such actions, the Director or Department of Agriculture upon application to the court shall be substituted as a party.

(B) All moneys appropriated or reappropriated to the Board 65228  
for the performance of the duties, powers, obligations, and 65229  
functions, and the exercise of the rights, that are transferred by 65230  
this act to the Council, to the extent of the remaining unexpended 65231  
or unencumbered balance of the appropriations or reappropriations, 65232  
whether obligated or unobligated, are hereby transferred to the 65233  
Council for performing the duties, powers, obligations, and 65234  
functions, and exercising the rights of the Council. Payments for 65235  
liabilities for expenses incurred before or after the effective 65236  
date of sections 3701.77, 3701.771, and 3701.772 of the Revised 65237  
Code, as amended by this act, shall be made on separate vouchers 65238  
or certificates approved by the Council. 65239

(C) All rules, acts, determinations, approvals, and decisions 65240  
of the Board pertaining to the duties, powers, obligations, and 65241  
functions that are transferred and assigned by this act to the 65242  
Council and that are in effect at the time of the transfer shall 65243  
continue in force as rules, acts, determinations, approvals, and 65244  
decisions of the Board until they are duly modified, superseded, 65245  
or repealed by the Council, as appropriate. Whenever the duties, 65246  
powers, obligations, and functions of the Board that are 65247  
transferred by this act to the Council are referred to or 65248  
designated in any law, contract, or other document pertaining to 65249  
those duties, powers, obligations, or functions, including the 65250  
reference to the Board within section 27 of Sub. H.B. 670 of the 65251  
121st General Assembly as subsequently amended, the reference or 65252  
designation shall be considered, as appropriate, to be a reference 65253  
or designation to the Council and to the duties, powers, 65254  
obligations, and functions as transferred to it. 65255

No existing right or remedy of any character shall be lost, 65256  
impaired, or affected by reason of the transfer, except as insofar 65257  
as that remedy or right shall be administered, as appropriate, by 65258

the Council instead of the Board.

Therefore, under Ohio Constitution, Article II, Section 1c and section 1.471 of the Revised Code, the uncodified sections and items of law marked with an asterisk take effect on the ninety-first day after this act is filed with the Secretary of State. **Section 218.** The amendment to Section 10 of Am. Sub. S.B. 287 65290  
of the 123rd General Assembly constitutes an item of law that is 65291  
subject to the referendum. Therefore, under Ohio Constitution, 65292  
Article II, Section 1c and section 1.471 of the Revised Code, the 65293

filed against the item, the item, unless rejected at the 65296  
referendum, takes effect at the earliest time permitted by law. 65297

**Section 219.** The amendments by this act to Section 5 of Am. 65298  
Sub. S.B. 50 of the 121st General Assembly, to Section 153 of Am. 65299  
Sub. H.B. 117 of the 121st General Assembly, to Section 3 of Am. 65300  
Sub. H.B. 440 of the 121st General Assembly, to Section 3 of Am. 65301  
Sub. H.B. 621 of the 122nd General Assembly, to Section 3 of Am. 65302  
Sub. H.B. 215 of the 123rd General Assembly, to Section 4 of Am. 65303  
S.B. 210 of the 123rd General Assembly, and to Section 129 of Am. 65304  
Sub. H.B. 283 of the 123rd General Assembly constitute items of 65305  
law that are not subject to the referendum. Therefore, under Ohio 65306  
Constitution, Article II, Section 1d and section 1.471 of the 65307  
Revised Code, the items go into immediate effect when this act 65308  
becomes law. 65309

**Section 220.** The repeals by this act of Section 18 of Am. 65310  
Sub. H.B. 650 of the 122nd General Assembly and of Section 17 of 65311  
Am. Sub. H.B. 282 of the 123rd General Assembly are not subject to 65312  
the referendum. Therefore, under Ohio Constitution, Article II, 65313  
Section 1d and section 1.471 of the Revised Code, the repeals go 65314  
into immediate effect when this act becomes law. 65315

**Section 221.** If the amendment or enactment in this act of a 65316  
codified or uncodified section of law is subject to the 65317

referendum, the corresponding indications in the amending, 65318  
enacting, or existing repeal clauses commanding the amendment or 65319  
enactment also are subject to the referendum, along with the 65320  
amendment or enactment. If the amendment or enactment by this act 65321  
of a codified or uncodified section of law is not subject to the 65322  
referendum, the corresponding indications in the amending, 65323  
enacting, or existing repeal clauses commanding the amendment or 65324  
enactment also are not subject to the referendum, the same as the 65325  
amendment or enactment. 65326

**Section 222.** An item, other than an amending, enacting, or 65327  
repealing clause, that composes the whole or part of an uncodified 65328  
section contained in this act has no effect after June 30, 2003, 65329  
unless its context clearly indicates otherwise. 65330

**Section 223.** The amendment of sections 4779.01, 4779.02, 65331
