agency issued pursuant to an adjudication denying an applicant 3221  
admission to an examination, or denying the issuance or renewal of 3222  
a license or registration of a licensee, or revoking or suspending 3223  
a license, or allowing the payment of a forfeiture under section 3224  
4301.252 of the Revised Code, may appeal from the order of the 3225  
agency to the court of common pleas of the county in which the 3226  
place of business of the licensee is located or the county in 3227  
which the licensee is a resident, except that appeals from 3228  
decisions of the liquor control commission, the state medical 3229  
board, state chiropractic board, state dental board, and board of 3230  
nursing shall be to the court of common pleas of Franklin county. 3231  
If any such party is not a resident of and has no place of 3232  
business in this state, the party may appeal to the court of 3233  
common pleas of Franklin county. 3234

Any party adversely affected by any order of an agency issued 3235  
pursuant to any other adjudication may appeal to the court of 3236  
common pleas of Franklin county, except that appeals from orders 3237  
of the fire marshal issued under Chapter 3737. of the Revised Code 3238  
may be to the court of common pleas of the county in which the 3239  
building of the aggrieved person is located. 3240

This section does not apply to appeals from the department of 3241  
taxation. 3242

Any party desiring to appeal shall file a notice of appeal 3243  
with the agency setting forth the order appealed from and the 3244  
grounds of the party's appeal. A copy of such notice of appeal 3245  
shall also be filed by the appellant with the court. Unless 3246

otherwise provided by law relating to a particular agency, such 3247  
notices of appeal shall be filed within fifteen days after the 3248  
mailing of the notice of the agency's order as provided in this 3249  
section. For purposes of this paragraph, an order includes a 3250  
determination appealed pursuant to division (C) of section 119.092 3251  
of the Revised Code. 3252

The filing of a notice of appeal shall not automatically 3253  
operate as a suspension of the order of an agency. If it appears 3254  
to the court that an unusual hardship to the appellant will result 3255  
from the execution of the agency's order pending determination of 3256  
the appeal, the court may grant a suspension and fix its terms. If 3257  
an appeal is taken from the judgment of the court and the court 3258  
has previously granted a suspension of the agency's order as 3259  
provided in this section, such suspension of the agency's order 3260  
shall not be vacated and shall be given full force and effect 3261  
until the matter is finally adjudicated. No renewal of a license 3262  
or permit shall be denied by reason of such suspended order during 3263  
the period of the appeal from the decision of the court of common 3264  
pleas. In the case of an appeal from the state medical board or 3265  
state chiropractic board, the court may grant a suspension and fix 3266  
its terms if it appears to the court that an unusual hardship to 3267  
the appellant will result from the execution of the agency's order 3268  
pending determination of the appeal and the health, safety, and 3269  
welfare of the public will not be threatened by suspension of the 3270  
order. This provision shall not be construed to limit the factors 3271  
the court may consider in determining whether to suspend an order 3272  
of any other agency pending determination of an appeal. 3273

The final order of adjudication may apply to any renewal of a 3274  
license or permit which has been granted during the period of the 3275  
appeal. 3276

Notwithstanding any other provision of this section, any 3277  
order issued by a court of common pleas or a court of appeals 3278

issued pursuant to Chapter 4301. or 4303. of the Revised Code that 3280  
suspends, revokes, or cancels a permit issued under Chapter 4303. 3281  
of the Revised Code, or that allows the payment of a forfeiture 3282  
under section 4301.252 of the Revised Code, shall terminate not 3283  
more than six months after the date of the filing of the record of 3284  
the liquor control commission with the clerk of the court of 3285  
common pleas and shall not be extended. The court of common pleas, 3286  
or the court of appeals on appeal, shall render a judgment in that 3287  
matter within six months after the date of the filing of the 3288  
record of the liquor control commission with the clerk of the 3289  
court of common pleas. A court of appeals shall not issue an order 3290  
suspending the effect of an order of the liquor control commission 3291  
that extends beyond six months after the date on which the record 3292  
of the liquor control commission is filed with a court of common 3293  
pleas. 3294

Notwithstanding any other provision of this section, any 3295  
order issued by a court of common pleas suspending the effect of 3296  
an order of the state medical board or state chiropractic board 3297  
that limits, revokes, suspends, places on probation, or refuses to 3298  
register or reinstate a certificate issued by the board or 3299  
reprimands the holder of such a certificate shall terminate not 3300  
more than fifteen months after the date of the filing of a notice 3301  
of appeal in the court of common pleas, or upon the rendering of a 3302  
final decision or order in the appeal by the court of common 3303  
pleas, whichever occurs first. 3304

Within thirty days after receipt of a notice of appeal from 3305  
an order in any case in which a hearing is required by sections 3306  
119.01 to 119.13 of the Revised Code, the agency shall prepare and 3307  
certify to the court a complete record of the proceedings in the 3308  
case. Failure of the agency to comply within the time allowed, 3309  
upon motion, shall cause the court to enter a finding in favor of 3310

the party adversely affected. Additional time, however, may be  
granted by the court, not to exceed thirty days, when it is shown  
that the agency has made substantial effort to comply. Such record  
shall be prepared and transcribed and the expense of it shall be  
taxed as a part of the costs on the appeal. The appellant shall  
provide security for costs satisfactory to the court of common  
pleas. Upon demand by any interested party, the agency shall  
furnish at the cost of the party requesting it a copy of the  
stenographic report of testimony offered and evidence submitted at  
any hearing and a copy of the complete record.

Notwithstanding any other provision of this section, any  
party desiring to appeal an order or decision of the state  
personnel board of review shall, at the time of filing a notice of  
appeal with the board, provide a security deposit in an amount and  
manner prescribed in rules that the board shall adopt in  
accordance with this chapter. In addition, the board is not  
required to prepare or transcribe the record of any of its  
proceedings unless the appellant has provided the deposit  
described above. The failure of the board to prepare or transcribe  
a record for an appellant who has not provided a security deposit  
shall not cause a court to enter a finding adverse to the board.

Unless otherwise provided by law, in the hearing of the  
appeal, the court is confined to the record as certified to it by  
the agency. Unless otherwise provided by law, the court may grant  
a request for the admission of additional evidence when satisfied  
that such additional evidence is newly discovered and could not  
with reasonable diligence have been ascertained prior to the  
hearing before the agency.

The court shall conduct a hearing on such appeal and shall  
give preference to all proceedings under sections 119.01 to 119.13  
of the Revised Code, over all other civil cases, irrespective of

the position of the proceedings on the calendar of the court. An 3343  
appeal from an order of the state medical board issued pursuant to 3344  
division (G) of either section 4730.25 or 4731.22 of the Revised 3345  
Code, or the state chiropractic board issued pursuant to section 3346  
4734.37 of the Revised Code, or the liquor control commission 3347  
issued pursuant to Chapter 4301. or 4303. of the Revised Code 3348  
shall be set down for hearing at the earliest possible time and 3349  
takes precedence over all other actions. The hearing in the court 3350  
of common pleas shall proceed as in the trial of a civil action, 3351  
and the court shall determine the rights of the parties in 3352  
accordance with the laws applicable to such action. At such 3353  
hearing, counsel may be heard on oral argument, briefs may be 3354  
submitted, and evidence introduced if the court has granted a 3355  
request for the presentation of additional evidence. 3356

The court may affirm the order of the agency complained of in 3357  
the appeal if it finds, upon consideration of the entire record 3358  
and such additional evidence as the court has admitted, that the 3359  
order is supported by reliable, probative, and substantial 3360  
evidence and is in accordance with law. In the absence of such a 3361  
finding, it may reverse, vacate, or modify the order or make such 3362  
other ruling as is supported by reliable, probative, and 3363  
substantial evidence and is in accordance with law. The court 3364  
shall award compensation for fees in accordance with section 3365  
2335.39 of the Revised Code to a prevailing party, other than an 3366  
agency, in an appeal filed pursuant to this section. 3367

The judgment of the court shall be final and conclusive 3368  
unless reversed, vacated, or modified on appeal. Such appeals may 3369  
be taken either by the party or the agency, shall proceed as in 3370  
the case of appeals in civil actions, and shall be pursuant to the 3371  
Rules of Appellate Procedure and, to the extent not in conflict 3372  
with those rules, Chapter 2505. of the Revised Code. Such appeal 3373  
by the agency shall be taken on questions of law relating to the 3374

constitutionality, construction, or interpretation of statutes and 3375  
rules of the agency, and in such appeal the court may also review 3376  
and determine the correctness of the judgment of the court of 3377  
common pleas that the order of the agency is not supported by any 3378  
reliable, probative, and substantial evidence in the entire 3379  
record. 3380

The court shall certify its judgment to such agency or take 3381  
such other action necessary to give its judgment effect. 3382

**Sec. 120.06.** (A)(1) The state public defender, when 3383  
designated by the court or requested by a county public defender 3384  
or joint county public defender, may provide legal representation 3385  
in all courts throughout the state to indigent adults and 3386  
juveniles who are charged with the commission of an offense or act 3387  
for which the penalty or any possible adjudication includes the 3388  
potential loss of liberty. 3389

(2) The state public defender may provide legal 3390  
representation to any indigent person who, while incarcerated in 3391  
any state correctional institution, is charged with a felony 3392  
offense, for which the penalty or any possible adjudication that 3393  
may be imposed by a court upon conviction includes the potential 3394  
loss of liberty. 3395

(3) The state public defender may provide legal 3396  
representation to any person incarcerated in any correctional 3397  
institution of the state, in any matter in which the person 3398  
asserts the person is unlawfully imprisoned or detained. 3399

(4) The state public defender, in any case in which the state 3400  
public defender has provided legal representation or is requested 3401  
to do so by a county public defender or joint county public 3402  
defender, may provide legal representation on appeal. 3403

(5) The state public defender, when designated by the court 3404

or requested by a county public defender, joint county public  
defender, or the director of rehabilitation and correction, shall  
provide legal representation in parole and probation revocation  
matters, unless the state public defender finds that the alleged  
parole or probation violator has the financial capacity to retain  
the alleged violator's own counsel.

(6) If the state public defender contracts with a county  
public defender commission, a joint county public defender  
commission, or a board of county commissioners for the provision  
of services, under authority of division (C)(7) of section 120.04  
of the Revised Code, the state public defender shall provide legal  
representation in accordance with the contract.

(B) The state public defender shall not be required to  
prosecute any appeal, postconviction remedy, or other proceeding  
pursuant to division (A)(3), (4), or (5) of this section, unless  
the state public defender first is satisfied that there is  
arguable merit to the proceeding.

(C) A court may appoint counsel or allow an indigent person  
to select the indigent's own personal counsel to assist the state  
public defender as co-counsel when the interests of justice so  
require. When co-counsel is appointed to assist the state public  
defender, the co-counsel shall receive any compensation that the  
court may approve, not to exceed the amounts provided for in  
section 2941.51 of the Revised Code.

(D) When the state public defender is designated by the court  
or requested by a county public defender or joint county public  
defender to provide legal representation for an indigent person in  
any case, other than pursuant to a contract entered into under  
authority of division (C)(7) of section 120.04 of the Revised  
Code, the state public defender shall send to the county in which  
the case is filed an itemized bill for fifty per cent of the  
actual cost of the representation. The county, upon receipt of an

itemized bill from the state public defender pursuant to this 3437  
division, shall pay fifty per cent of the actual cost of the legal 3438  
representation as set forth in the itemized bill. There is hereby 3439  
created in the state treasury the county representation fund for 3440  
the deposit of moneys received from counties under this division. 3441  
All moneys credited to the fund shall be used by the state public 3442  
defender to provide legal representation for indigent persons when 3443  
designated by the court or requested by a county or joint county 3444  
public defender. 3445

(E)(1) Notwithstanding any contrary provision of sections 3446  
109.02, 109.07, 109.361 to 109.366, and 120.03 of the Revised Code 3447  
that pertains to representation by the attorney general, an 3448  
assistant attorney general, or special counsel of an officer or 3449  
employee, as defined in section 109.36 of the Revised Code, or of 3450  
an entity of state government, the state public defender may elect 3451  
to contract with, and to have the state pay pursuant to division 3452  
(E)(2) of this section for the services of, private legal counsel 3453  
to represent the Ohio public defender commission, the state public 3454

commission or the state public defender, and attorneys described 3456  
in division (C) of section 120.41 of the Revised Code in a 3457  
malpractice or other civil action or proceeding that arises from 3458  
alleged actions or omissions related to responsibilities derived 3459  
pursuant to this chapter, or in a civil action that is based upon 3460  
alleged violations of the constitution or statutes of the United 3461  
States, including section 1983 of Title 42 of the United States 3462  
Code, 93 Stat. 1284 (1979), 42 U.S.C.A. 1983, as amended, and that 3463  
arises from alleged actions or omissions related to 3464  
responsibilities derived pursuant to this chapter, if the state 3465  
public defender determines, in good faith, that the defendant in 3466  
the civil action or proceeding did not act manifestly outside the 3467  
scope of the defendant's employment or official responsibilities, 3468

with malicious purpose, in bad faith, or in a wanton or reckless manner. If the state public defender elects not to contract pursuant to this division for private legal counsel in a civil action or proceeding, then, in accordance with sections 109.02, 109.07, 109.361 to 109.366, and 120.03 of the Revised Code, the attorney general shall represent or provide for the representation of the Ohio public defender commission, the state public defender, assistant state public defenders, other employees of the commission or the state public defender, or attorneys described in division (C) of section 120.41 of the Revised Code in the civil action or proceeding.

(2)(a) Subject to division (E)(2)(b) of this section, payment from the state treasury for the services of private legal counsel with whom the state public defender has contracted pursuant to division (E)(1) of this section shall be accomplished only through the following procedure:

(i) The private legal counsel shall file with the attorney general a copy of the contract; a request for an award of legal fees, court costs, and expenses earned or incurred in connection with the defense of the Ohio public defender commission, the state public defender, an assistant state public defender, an employee, or an attorney in a specified civil action or proceeding; a written itemization of those fees, costs, and expenses, including the signature of the state public defender and the state public defender's attestation that the fees, costs, and expenses were earned or incurred pursuant to division (E)(1) of this section to the best of the state public defender's knowledge and information; a written statement whether the fees, costs, and expenses are for all legal services to be rendered in connection with that defense, are only for legal services rendered to the date of the request and additional legal services likely will have to be provided in connection with that defense, or are for the final legal services

rendered in connection with that defense; a written statement 3501  
indicating whether the private legal counsel previously submitted 3502  
a request for an award under division (E)(2) of this section in 3503  
connection with that defense and, if so, the date and the amount 3504  
of each award granted; and, if the fees, costs, and expenses are 3505  
for all legal services to be rendered in connection with that 3506  
defense or are for the final legal services rendered in connection 3507  
with that defense, a certified copy of any judgment entry in the 3508  
civil action or proceeding or a signed copy of any settlement 3509  
agreement entered into between the parties to the civil action or 3510  
proceeding. 3511

(ii) Upon receipt of a request for an award of legal fees, 3512  
court costs, and expenses and the requisite supportive 3513  
documentation described in division (E)(2)(a)(i) of this section, 3514  
the attorney general shall review the request and documentation; 3515  
determine whether any of the limitations specified in division 3516  
(E)(2)(b) of this section apply to the request; and, if an award 3517  
of legal fees, court costs, or expenses is permissible after 3518  
applying the limitations, prepare a document awarding legal fees, 3519  
court costs, or expenses to the private legal counsel. The 3520  
document shall name the private legal counsel as the recipient of 3521  
the award; specify the total amount of the award as determined by 3522  
the attorney general; itemize the portions of the award that 3523  
represent legal fees, court costs, and expenses; specify any 3524  
limitation applied pursuant to division (E)(2)(b) of this section 3525  
to reduce the amount of the award sought by the private legal 3526  
counsel; state that the award is payable from the state treasury 3527  
pursuant to division (E)(2)(a)(iii) of this section; and be 3528  
approved by the inclusion of the signatures of the attorney 3529  
general, the state public defender, and the private legal counsel. 3530

(iii) The attorney general shall forward a copy of the 3531

section to the director of budget and management. The award of 3533  
legal fees, court costs, or expenses shall be paid out of the 3534  
state public defender's appropriations, to the extent there is a 3535  
sufficient available balance in those appropriations. If the state 3536  
public defender does not have a sufficient available balance in 3537  
the state public defender's appropriations to pay the entire award 3538  
of legal fees, court costs, or expenses, the director shall make 3539  
application for a transfer of appropriations out of the emergency 3540  
purposes account or any other appropriation for emergencies or 3541  
contingencies in an amount equal to the portion of the award that 3542  
exceeds the sufficient available balance in the state public 3543  
defender's appropriations. A transfer of appropriations out of the 3544  
emergency purposes account or any other appropriation for 3545  
emergencies or contingencies shall be authorized if there are 3546  
sufficient moneys greater than the sum total of then pending 3547  
emergency purposes account requests, or requests for releases from 3548  
the other appropriation. If a transfer of appropriations out of 3549  
the emergency purposes account or other appropriation for 3550  
emergencies or contingencies is made to pay an amount equal to the 3551  
portion of the award that exceeds the sufficient available balance 3552  
in the state public defender's appropriations, the director shall 3553  
cause the payment to be made to the private legal counsel. If 3554  
sufficient moneys do not exist in the emergency purposes account 3555  
or other appropriation for emergencies or contingencies to pay an 3556  
amount equal to the portion of the award that exceeds the 3557  
sufficient available balance in the state public defender's 3558  
appropriations, the private legal counsel shall request the 3559  
general assembly to make an appropriation sufficient to pay an 3560  
amount equal to the portion of the award that exceeds the 3561  
sufficient available balance in the state public defender's 3562  
appropriations, and no payment in that amount shall be made until 3563  
the appropriation has been made. The private legal counsel shall 3564  
make the request during the current biennium and during each 3565

succeeding biennium until a sufficient appropriation is made. 3566  
3567

(b) An award of legal fees, court costs, and expenses 3568  
pursuant to division (E) of this section is subject to the 3569  
following limitations: 3570

(i) The maximum award or maximum aggregate of a series of 3571  
awards of legal fees, court costs, and expenses to the private 3572  
legal counsel in connection with the defense of the Ohio public 3573  
defender commission, the state public defender, an assistant state 3574  
public defender, an employee, or an attorney in a specified civil 3575  
action or proceeding shall not exceed fifty thousand dollars. 3576

(ii) The private legal counsel shall not be awarded legal 3577  
fees, court costs, or expenses to the extent the fees, costs, or 3578  
expenses are covered by a policy of malpractice or other 3579  
insurance. 3580

(iii) The private legal counsel shall be awarded legal fees 3581  
and expenses only to the extent that the fees and expenses are 3582  
reasonable in light of the legal services rendered by the private 3583  
legal counsel in connection with the defense of the Ohio public 3584  
defender commission, the state public defender, an assistant state 3585  
public defender, an employee, or an attorney in a specified civil 3586  
action or proceeding. 3587

(c) If, pursuant to division (E)(2)(a) of this section, the 3588  
attorney general denies a request for an award of legal fees, 3589  
court costs, or expenses to private legal counsel because of the 3590  
application of a limitation specified in division (E)(2)(b) of 3591  
this section, the attorney general shall notify the private legal 3592  
counsel in writing of the denial and of the limitation applied. 3593

(d) If, pursuant to division (E)(2)(c) of this section, a 3594  
private legal counsel receives a denial of an award notification 3595  
or if a private legal counsel refuses to approve a document under 3596

action against the attorney general in the court of claims to 3600  
prove the private legal counsel's entitlement to the award sought, 3601  
to prove that division (E)(2)(b) of this section does not prohibit 3602  
or otherwise limit the award sought, and to recover a judgment for 3603  
the amount of the award sought. A civil action under division 3604  
(E)(2)(d) of this section shall be commenced no later than two 3605  
years after receipt of a denial of award notification or, if the 3606  
private legal counsel refused to approve a document under division 3607  
(E)(2)(a)(ii) of this section because of the proposed application 3608  
of a limitation specified in division (E)(2)(b) of this section, 3609  
no later than two years after the refusal. Any judgment of the 3610  
court of claims in favor of the private legal counsel shall be 3611  
paid from the state treasury in accordance with division (E)(2)(a) 3612  
of this section. 3613

(F) If a court appoints the office of the state public 3614  
defender to represent a petitioner in a postconviction relief 3615  
proceeding under section 2953.21 of the Revised Code, the 3616  
petitioner has received a sentence of death, and the proceeding 3617  
relates to that sentence, all of the attorneys who represent the 3618  
petitioner in the proceeding pursuant to the appointment, whether 3619

appointing counsel other than the county public defender or from 3653  
allowing an indigent person to select the indigent person's own 3654  
personal counsel to represent the indigent person. A court may 3655  
also appoint counsel or allow an indigent person to select the 3656

<b>Sec. 135.82.</b> (A) The general assembly finds that several areas in the state are experiencing economic stagnation or decline because business activity in those areas is at a level that is too low to sustain an adequate level of prosperity and a decent standard of living for area residents. A major factor contributing to the low level of business activity is the inability of businesses to obtain needed financing at reasonable interest rates so as to sustain their operations or to expand operations. The depressed economic area linked deposit program provided for in sections 135.81 to 135.88 of the Revised Code is intended to provide a targeted availability of lower cost funds for lending purposes that will materially contribute to the economic revitalization of depressed economic areas in this state to allow the residents of those areas to enjoy the same level of prosperity and well being that other residents of the state are able to enjoy. Accordingly, it is declared to be the public policy of the state through the depressed economic area linked deposit program to create an availability of lower cost funds to inject needed capital into the business community, sustain or improve business profitability, preserve existing employment and create new job opportunities, and thereby enhance the economic prosperity of the affected areas.	5942 5943 5944 5945 5946 5947 5948 5949 5950 5951 5952 5953 5954 5955 5956 5957 5958 5959 5960 5961 5962 5963

**Sec. 135.83.** (A) The treasurer of state may invest in 5979  
 depressed economic area linked deposits, provided that at the time 5980  
 of placement of the linked deposit, not more than three per cent 5981  
 of the state's total investment portfolio is so invested and, in 5982

whose employment was reasonably expected to be created or 5989

sections 135.81 to 135.88 of the Revised Code. 5991

(B) The amounts the treasurer is authorized to invest 5992  
 pursuant to division (A) of this section are in addition to the 5993  
 amounts the treasurer may invest pursuant to section 135.63 of the 5994  
 Revised Code. 5995

 million dollars in depressed economic area linked deposits per 5997  
 county in any two-year period, excluding deposits linked to 5998

above-market investments held by eligible governments. 5999

**Sec. 135.84.** (A) A board of county commissioners of an 6000  
eligible county may authorize the county's participation in the 6001  
depressed economic area linked deposit program established 6002  
pursuant to sections 135.81 to 135.88 of the Revised Code. For 6003  
that purpose, the board may: 6004

(1) Appoint a qualified agent to operate the program on 6005  
behalf of the board; 6006

(2) Secure eligible lending institutions to participate in 6007  
the program. The board shall make every effort to secure eligible 6008  
lending institutions located within the county. If no eligible 6009  
lending institution located within the county agrees to 6010  
participate in the program, the board may secure the participation 6011  
of the nearest available eligible lending institution. 6012

(3) Approve loan applications from eligible businesses prior 6013  
to the transmittal of depressed economic area linked deposit loan 6014  
to the treasurer of state; 6015

(4) Secure and encourage eligible businesses to make loan 6016  
applications; 6017

(5) Employ staff, develop forms, and procedures as will 6018  
effectuate the county's participation in the program; 6019

(6) Establish, with the approval of the treasurer of state, a 6020  
service charge to cover the costs to the board of the county's 6021  
participation in the depressed economic area linked deposit 6022  
program; 6023

(7) Fix the amount of a loan that is eligible for a reduced 6024  
rate based upon a depressed economic area linked deposit, which in 6025  
no event, may exceed fifty per cent of the total loan. 6026

county ceases to be eligible to participate in the depressed 6028

economic area linked deposit program, the treasurer shall notify  
the board of county commissioners together with all affected  
eligible lending institutions and any qualified agent. Effective  
with the first day of the month following the month in which  
notification is given, the board shall suspend participation of  
the county in the program and shall not approve any further loan  
applications pursuant to the program, except that this division  
shall not be construed to affect the review and approval or denial  
of loan applications that are pending on the date the suspension  
takes effect nor the repayment or servicing of loans already made.  
If the county subsequently again becomes eligible to participate  
in the program, the board may, with the approval of the treasurer  
of state, commence operation of the program in the county the  
first day of the month following the month in which the treasurer  
of state grants approval.

(C) The board of county commissioners may, with the approval  
of the treasurer of state, establish a service fee to be charged  
in connection with the application of an eligible business for  
that portion of a total loan which represents a depressed economic  
area linked deposit loan. The eligible business shall pay the  
service fee to the board. The board shall use the service fee  
solely to pay the costs incurred by the board or its qualified  
agent in effectuating the county's participation in the depressed  
economic area linked deposit program. The amount of the fee shall  
be no more than will recover to the county its costs and may not  
exceed an amount equal to one-half of one per cent of that portion  
of a loan that is based upon a depressed economic area linked  
deposit.

(D) The board of county commissioners, in lieu of directly  
operating the depressed economic area linked deposit loan program  
for the county, may appoint a qualified agent upon terms as are  
agreed to between the board and the agent. Where the board

6061 appoints a community improvement corporation as its qualified  
6062 agent pursuant to sections 135.81 to 135.88 of the Revised Code,  
6063 the appointment does not constitute an appointment of the  
6064 corporation as the county agent for the purposes of section  
6065 1724.10 of the Revised Code, unless the board separately appoints  
6066 the corporation pursuant to that section, nor does appointment of  
6067 the corporation pursuant to section 1724.10 of the Revised Code  
6068 constitute appointment of the corporation for the purposes of  
6069 sections 135.81 to 135.88 of the Revised Code.

6070 (E) The board of county commissioners of any county that is  
6071 an eligible government, and the legislative authority of any  
6072 municipal corporation that is an eligible government, may  
6073 authorize that eligible government to participate with the  
6074 treasurer of state in the depressed economic area linked deposit  
6075 program established pursuant to sections 135.81 to 135.88 of the  
6076 Revised Code on such terms as may be agreed upon between the  
6077 eligible government and the treasurer of state.

6078 **Sec. 135.85.** (A) An eligible business desiring to receive a  
6079 loan from an eligible lending institution up to fifty per cent of  
6080 which is a depressed economic area linked deposit reduced rate  
6081 loan, shall make application to the institution upon such forms as  
6082 the institution requires. The business shall certify on its loan  
6083 application that the total loan will be used exclusively to  
6084 preserve existing jobs or employment opportunities or create new  
6085 jobs and will materially contribute to the preservation or  
6086 expansion of the business. Whoever knowingly makes a false  
6087 statement concerning such application is guilty of the offense of  
6088 falsification under section 2921.13 of the Revised Code. In making  
6089 its decision with respect to a loan application, the eligible  
6090 lending institution shall apply all usual lending institution  
6091 standards to determine the creditworthiness of each eligible  
6092 business.

## As Reported by the Senate Finance and Financial Institutions Committee

(B) The eligible lending institution shall forward completed loan applications the institution approves to the board of county commissioners or the qualified agent of the board. The board or agent shall approve or disapprove the loan within fourteen working days from receipt of the application from the eligible lending institution. In considering which loan applications to approve, the board of county commissioners or its qualified agent shall give priority to the immediacy of a business's financial need for the loan, the economic needs of the area in which the business is located, the number of jobs to be created or preserved by the receipt of the loan, and such other factors as the board or the agent consider appropriate to determine the relative financial need of the eligible business and the county as a whole. The eligible lending institution also shall forward to the board of county commissioners or its qualified agent those loan applications it rejects together with a statement of the reason for the rejection.

(C) The eligible lending institution shall forward to the treasurer of state a depressed economic area linked deposit package, based upon loans which the board of county commissioners or the qualified agent have approved, in the form and manner prescribed by the treasurer of state. The package shall include information regarding the amount of the loan requested by each eligible business and such other information regarding each business as the treasurer of state requires. The institution shall certify that each applicant is an eligible business, that the depressed economic area linked deposit for which the institution is making application represents no more than fifty per cent of the total loan for which the eligible business is applying, and shall, for each business, certify the present borrowing rate applicable to the depressed economic area linked deposit portion of the loan applicable to each specific eligible business.

6125  
 6126 (D) An eligible lending institution and eligible government  
 6127 may forward to the treasurer of state, either separately or in  
 6128 conjunction with a depressed economic area linked deposit package,  
 6129 a proposal for the eligible lending institution to provide the  
 6130 eligible government with an above-market investment on such terms  
 6131 as may be agreed upon between the eligible lending institution and  
 6132 the eligible government.

6133 **Sec. 135.86.** (A) The treasurer of state may accept or reject 6133  
 6134 a depressed economic area linked deposit loan or loan package,  
 6135 including a proposal for an above-market investment to be held by  
 6136 an eligible government, or any portion of a loan package based on 6136  
 6137 the treasurer's evaluation of the eligible businesses or eligible  
 6138 governments included, the amount of individual loans involved, and 6138  
 6139 the amount of the total package. The treasurer of state may 6139  
 6140 consult with the director of development as the treasurer finds 6140  
 6141 necessary in making the decision. The treasurer shall give 6141  
 6142 priority to a business's or an eligible government's need for the 6142  
 6143 loan, the economic needs of the area where the business or  
 6144 eligible government is located, and the ratio of state funds to be 6144  
 6145 deposited with the eligible lending institution to the jobs 6145  
 6146 sustained or created. The treasurer also shall consider any 6146  
 6147 reports, statements, or plans applicable to the business or  
 6148 eligible government, the overall financial need of the business or  
 6149 eligible government, and such other factors as the treasurer 6149  
 6150 considers appropriate. Whenever the department of development 6150  
 6151 believes that the economic needs of a county or the state require 6151  
 6152 the suspension or redirection of depressed economic area linked 6152  
 6153 deposits with respect to a county or that a linked deposit loan 6153  
 6154 will be improperly made, it may make such recommendations to the 6154  
 6155 treasurer of state as the department considers appropriate to its 6155  
 6156 concerns. 6156

When necessary, the treasurer may place certificates of deposit prior to acceptance of a depressed economic area linked deposit loan package.

(C) The eligible lending institution shall enter into a depressed economic area linked deposit agreement with the treasurer of state which shall include requirements necessary to carry out the purposes of sections 135.81 to 135.88 of the Revised Code. The requirements shall include an agreement by the eligible lending institution either to lend the value of the depressed economic area linked deposit to eligible businesses at a rate of up to three per cent below the present borrowing rate applicable to each specific business in the loan package, or to enter into an agreement with an eligible government to provide that eligible government with an above-market investment in the value of the depressed economic area linked deposit. The requirements also shall reflect the market conditions prevailing in the eligible lending institution's lending area. The agreement may include a specification of the period of time in which the lending institution is to lend funds or to provide an above-market investment upon the placement of the linked deposit and shall include provisions for the certificates of deposit to be placed for any maturity considered appropriate by the treasurer of state, not to exceed two years. is up to three per cent above current market rates as determined 6211  
by the treasurer of state. A certificate of compliance with this 6212

(C) A county appointing authority may apply to the board of county commissioners for authorization to have an officer or employee of the appointing authority use a credit card held by that appointing authority. The authorization request shall state whether the card is to be issued only in the name of the office of the appointing authority itself or whether the issued card shall also include the name of a specified officer or employee.

(D) The debt incurred as a result of the use of a credit card pursuant to this section shall be paid from moneys appropriated to the appointing authority for work-related ~~food, transportation, gasoline and oil, minor motor vehicle maintenance, emergency motor vehicle repair, telephone, lodging, and internet service provider~~ expenses listed in division (B) of this section.

(E)(1) Except as otherwise provided in division (E)(2) of this section, every officer or employee authorized to use a credit card held by the board or appointing authority shall submit to the board by the first day of each month an estimate of the officer's or employee's work-related ~~food, transportation, gasoline and oil, minor motor vehicle maintenance, emergency motor vehicle repair, telephone, lodging, and internet service provider~~ expenses listed in division (B) of this section for that month, unless the board authorizes, by resolution, the officer or employee to submit to the board such an estimate for a period longer than one month. The board may revise the estimate and determine the amount it approves, if any, not to exceed the estimated amount. The board shall certify the amount of its determination to the county auditor along with the necessary information for the auditor to determine the appropriate appropriation line item from which such expenditures are to be made. After receiving certification from the county auditor that the determined sum of money is in the treasury or in the process of collection to the credit of the appropriate appropriation line item for which the credit card is

approved for use, and is free from previous and then-outstanding 7728  
obligations or certifications, the board shall authorize the 7729  
officer or employee to incur debt for such expenses against the 7730  
county's credit up to the authorized amount. 7731

(2) In lieu of following the procedure set forth in division 7732  
(E)(1) of this section, a board of county commissioners may adopt 7733  
a resolution authorizing an officer or employee of an appointing 7734  
authority to use a county credit card to pay for specific classes 7735  
of the work-related expenses listed in division (B) of this 7736  
section, or use a specific credit card for any of those 7737  
work-related expenses listed in division (B) of this section, 7738  
without submitting an estimate of those expenses to the board as 7739  
required by division (E)(1) of this section. Prior to adopting the 7740  
resolution, the board shall notify the county auditor. The 7741  
resolution shall specify whether the officer's or employee's 7742  
exemption extends to the use of a specific card, which card shall 7743  
be identified by its number, or to one or more specific 7744  
work-related uses from the classes of uses permitted under 7745  
division (B) of this section. Before any credit card exempted for 7746  
specific uses may be used to make purchases for uses other than 7747  
those specific uses listed in the resolution, the procedures 7748  
outlined in division (E)(1) of this section must be followed or 7749  
the use shall be considered an unauthorized use. Use of any credit 7750  
card under division (E)(2) of this section shall be limited to the 7751  
amount appropriated and encumbered in a specific appropriation 7752  
line item for the permitted use or uses designated in the 7753  
authorizing resolution, or, in the case of a resolution that 7754  
authorizes use of a specific credit card, for each of the 7755  
permitted uses listed in division (B) of this section, but only to 7756  
the extent the moneys in such appropriations are not otherwise 7757  
encumbered. 7758

(F)(1) Any time a county credit card approved for use for an 7759

As Reported by the Senate Finance and Financial Institutions Committee

authorized amount under division (E)(1) of this section is used 7760  
for more than that authorized amount, the appointing authority may 7761  
request the board of county commissioners to authorize after the 7762  
fact the expenditure of any amount charged beyond the originally 7763  
authorized amount if, upon the board's request, the county auditor 7764  
certifies that sum of money is in the treasury or in the process 7765  
of collection to the credit of the appropriate appropriation line 7766  
item for which the credit card was used and is free from previous 7767  
and then-outstanding obligations or certifications. If the card is 7768  
used for more than the amount originally authorized and if for any 7769  
reason that amount is not authorized after the fact, then the 7770  
county treasury shall be reimbursed for any amount spent beyond 7771  
the originally authorized amount in the following manner: 7772

(a) If the card is issued in the name of a specific officer 7773  
or employee, then that officer or employee is liable in person and 7774  
upon any official bond the officer or employee has given to the 7775  
county to reimburse the county treasury for the amount charged to 7776  
the county beyond the originally authorized amount. 7777

(b) If the card was issued to the office of the appointing 7778  
authority, then the appointing authority is liable in person and 7779  
upon any official bond the appointing authority has given to the 7780  
county for the amount charged to the county beyond the originally 7781  
authorized amount. 7782

(2) Any time a county credit card authorized for use under 7783  
division (E)(2) of this section is used for more than the amount 7784  
appropriated under that division, the appointing authority may 7785  
request the board of county commissioners to issue a supplemental 7786  
appropriation or make a transfer to the proper line item account 7787  
as permitted in section 5705.40 of the Revised Code, to cover the 7788  
amount charged beyond the originally appropriated amount. If the 7789  
card is used for more than the amount originally appropriated and 7790  
if for any reason that amount is not appropriated or transferred 7791

## As Reported by the Senate Finance and Financial Institutions Committee

as permitted by this section, then the county treasury shall be 7792  
reimbursed for any amount spent beyond the originally appropriated 7793  
amount in the following manner: 7794

(a) If the card is issued in the name of a specific officer 7795  
or employee, then that officer or employee is liable in person and 7796  
upon any official bond the officer or employee has given to the 7797  
county for reimbursing the county treasury for any amount charged 7798  
on the card beyond the originally appropriated amount. 7799

(b) If the card is issued in the name of the office of the 7800  
appointing authority, then the appointing authority is liable in 7801  
person and upon any official bond the appointing authority has 7802  
given to the county for reimbursement for any amount charged on 7803  
the card beyond the originally appropriated amount. 7804

(3) Whenever any officer or employee authorized to use a 7805  
credit card held by the board or the office of any other county 7806  
appointing authority suspects the loss, theft, or possibility of 7807  
unauthorized use of the county credit card the officer or employee 7808  
is authorized to use, the officer or employee shall so notify the 7809  
officer's or employee's appointing authority or the board 7810  
immediately and in writing. 7811

(4) If the county auditor determines there has been a credit 7812  
card expenditure beyond the appropriated or authorized amount as 7813  
provided in division (E) of this section, the auditor immediately 7814  
shall notify the board of county commissioners of this fact. When 7815  
the board of county commissioners determines on its own or after 7816  
notification from the county auditor that the county treasury 7817  
should be reimbursed for credit card expenditures beyond the 7818  
appropriated or authorized amount as provided in divisions (F)(1) 7819  
and (2) of this section, it shall give written notice to the 7820  
officer or employee or appointing authority liable to the treasury 7821  
as provided in divisions (F)(1) and (2) of this section. If, 7822  
within thirty days after issuance of this written notice the 7823

county treasury is not reimbursed for the amount shown on the 7824  
written notice, the prosecuting attorney of the county shall 7825  
recover that amount from the officer or employee or appointing 7826  
authority who is liable under this section by civil action in any 7827  
court of appropriate jurisdiction. 7828

(G) Use of a county credit card for any use other than those 7829  
permitted under division (B) of this section is a violation of law 7830  
for the purposes of section 2913.21 of the Revised Code. 7831

**Sec. 307.86.** Anything to be purchased, leased, leased with an 7832  
option or agreement to purchase, or constructed, including, but 7833  
not limited to, any product, structure, construction, 7834

except the services of an accountant, architect, attorney at law, 7836  
physician, professional engineer, construction project manager, 7837  
consultant, surveyor, or appraiser, by or on behalf of the county 7838  
or contracting authority, as defined in section 307.92 of the 7839  
Revised Code, at a cost in excess of fifteen thousand dollars, 7840  
except as otherwise provided in division (D) of section 713.23 and 7841  
in sections 125.04, 307.022, 307.041, 307.861, 339.05, 340.03, 7842

when any of the following applies: 7846

 suspension of the drilling or reopening of a well in a coal

 activities present an imminent and substantial threat to public  
 health or safety or to miners' health or safety. Before issuing  
 any such order, the chief shall notify the owner in such manner as  
 in the chief's judgment would provide reasonable notification that  
 the chief intends to issue a suspension order. The chief may issue  
 such an order without prior notification if reasonable attempts to  
 notify the owner have failed, but in such an event notification  
 shall be given as soon thereafter as practical. Within five

 miners' health or safety, if applicable. In the case of activities  
 in a coal bearing township, if the chief, after considering  
 evidence presented by the owner, determines that the activities do  
 not present such a threat, the chief shall revoke the suspension  
 order. Notwithstanding any provision of this chapter, the owner  
 may appeal a suspension order directly to the court of common  
 pleas of the county in which the activity is located or, if in a  
 coal bearing township, to the ~~mine-examining board~~ reclamation  
commission under section 1513.13 of the Revised Code.

section 1509.072 of the Revised Code for which the bonds have been 10444  
forfeited, for abandoned wells for which no funds are available to 10445  
plug the wells in accordance with this chapter, or to use 10446  
abandoned wells for the injection of oil or gas production wastes; 10447

(2) In accordance with division (E) of this section, to 10448  
correct conditions that the chief reasonably has determined are 10449  
causing imminent health or safety risks. 10450

Expenditures from the fund shall be made only for lawful 10451  
purposes. 10452

of the lease or to each person owning an interest in the lease, as 10473

person that the well is to be plugged and offering the person the 10477  
opportunity to plug the well and restore the land surface at the 10478  
well site at the person's own expense in order to avoid forfeiture 10479  
of the equipment to this state. 10480

the application for a permit to plug and abandon under section  
1509.13 of the Revised Code. The application shall be accompanied  
by a copy of a proposed contract to plug the well prepared by a  
contractor regularly engaged in the business of plugging oil and  
gas wells. The proposed contract shall require the contractor to  
furnish all of the materials, equipment, work, and labor necessary  
to plug the well properly and shall specify the price for doing  
the work, including a credit for the equipment appurtenant to the  
well that was forfeited to the state through the operation of  
division (C)(2) of this section. The application also shall be  
accompanied by the permit fee required by section 1509.13 of the  
Revised Code unless the chief, in the chief's discretion, waives  
payment of the permit fee. The application constitutes an  
application for a permit to plug and abandon the well for the  
purposes of section 1509.13 of the Revised Code.

(b) Within thirty days after receiving an application and  
accompanying proposed contract under division (D)(2)(a) of this  
section, the chief shall determine whether the plugging would  
comply with the applicable requirements of this chapter and  
applicable rules adopted and orders issued under it and whether  
the cost of the plugging under the proposed contract is  
reasonable. If the chief determines that the proposed plugging  
would comply with those requirements and that the proposed cost of  
the plugging is reasonable, the chief shall notify the landowner  
of that determination and issue to the landowner a permit to plug

and abandon the well under section 1509.13 of the Revised Code. 10553  
Upon approval of the application and proposed contract, the chief 10554  
shall transfer ownership of the equipment appurtenant to the well 10555  
to the landowner. The chief may disapprove an application 10556  
submitted under division (D)(2)(a) of this section if the chief 10557  
determines that the proposed plugging would not comply with the 10558  
applicable requirements of this chapter and applicable rules 10559  
adopted and orders issued under it, that the cost of the plugging 10560  
under the proposed contract is unreasonable, or that the proposed 10561  
contract is not a bona fide, arms length contract. 10562

(c) After receiving the chief's notice of the approval of the 10563  
application and permit to plug and abandon a well under division 10564  
(D)(2)(b) of this section, the landowner shall enter into the 10565  
proposed contract to plug the well. The plugging shall be 10566  
completed within one hundred eight days after the landowner 10567  
receives the notice of approval and permit. 10568

(d) Upon determining that the plugging has been completed 10569  
within the time required by division (D)(2)(c) of this section and 10570  
has been completed in compliance with the applicable requirements 10571  
of this chapter and applicable rules adopted and orders issued 10572  
under it, the chief shall reimburse the landowner for the cost of 10573  
the plugging as set forth in the proposed contract approved by the 10574  
chief. The reimbursement shall be paid from the oil and gas well 10575  
fund. If the chief determines that the plugging was not completed 10576  
within the required time or was not completed in accordance with 10577  
the applicable requirements, the chief shall not reimburse the 10578  
landowner for the cost of the plugging, and the landowner or the 10579  
contractor, as applicable, promptly shall transfer back to this 10580  
state title to and possession of the equipment appurtenant to the 10581  
well that previously was transferred to the landowner under 10582  
division (D)(2)(b) of this section. If any such equipment was 10583  
removed from the well during the plugging and sold, the landowner 10584

## As Reported by the Senate Finance and Financial Institutions Committee

shall pay to the chief the proceeds from the sale of the  
equipment, and the chief promptly shall pay the moneys so received  
to the treasurer of state for deposit into the oil and gas well  
fund.

The chief may establish an annual limit on the number of  
wells that may be plugged under division (D)(2) of this section or  
an annual limit on the expenditures to be made under that  
division.

As used in division (D)(2) of this section, "plug" and  
"plugging" include the plugging of the well and the restoration of  
the land surface disturbed by the plugging.

(E) Expenditures from the oil and gas well fund for the  
purpose of division (B)(2) of this section may be made pursuant to  
contracts entered into by the chief with persons who agree to  
furnish all of the materials, equipment, work, and labor as  
specified and provided in such a contract. The competitive bidding  
requirements of Chapter 153. of the Revised Code do not apply if  
the chief reasonably determines that correction of the applicable  
health or safety risk requires immediate action. The chief,  
designated representatives of the chief, and agents or employees  
of persons contracting with the chief under this division may  
enter upon any land, public or private, for the purpose of  
performing the work.

(F) Contracts entered into by the chief under this section  
are not subject to either of the following:

(1) Chapter 4115. of the Revised Code;

(2) Section 153.54 of the Revised Code, except that the  
contractor shall obtain and provide to the chief as a bid guaranty  
a surety bond or letter of credit in an amount equal to ten per  
cent of the amount of the contract.

(G) The owner of land on which a well is located who has

received notice under division (C)(1)(b) of this section, in lieu 10616  
of plugging the well in accordance with division (D)(2) of this 10617  
section, may cause ownership of the well to be transferred to an 10618  
owner who is lawfully doing business in this state and who has met 10619  
the financial responsibility requirements established under 10620  
section 1509.07 of the Revised Code, subject to the approval of 10621  
the chief. The transfer of ownership also shall be subject to the 10622  
landowner's filing the appropriate forms required under this 10623  
chapter and providing to the chief sufficient information to 10624  
demonstrate the landowner's or owner's right to produce a 10625  
formation or formations. That information may include a deed, a 10626  
lease, or other documentation of ownership or property rights. 10627

The chief shall approve or disapprove the transfer of 10628  
ownership of the well. If the chief approves the transfer, the 10629  
owner is responsible for operating the well in accordance with 10630  
this chapter and rules adopted under it, including, without 10631  
limitation, all of the following: 10632

(1) Filing an application with the chief under section 10633  
1509.06 of the Revised Code if the owner intends to drill deeper 10634  
or produce a formation that is not listed in the records of the 10635  
division for that well; 10636

(2) Taking title to and possession of the equipment 10637  
appurtenant to the well that has been identified by the chief as 10638  
having been abandoned by the former owner; 10639

(3) Complying with all applicable requirements that are 10640  
necessary to drill deeper, plug the well, or plug back the well. 10641

**Sec. 1509.08.** Upon receipt of an application for a permit 10642  
required by section 1509.05 of the Revised Code, or upon receipt 10643  
of an application for a permit to plug and abandon under section 10644  
1509.13 of the Revised Code, the chief of the division of mineral 10645  
resources management shall determine whether the well is or is to 10646

be located in a coal bearing township. 10647

Whether or not the well is or is to be located in a coal 10648  
bearing township, the chief, by order, may refuse to issue a 10649  
permit required by section 1509.05 of the Revised Code to any 10650  
applicant who at the time of applying for the permit is in 10651  
material or substantial violation of this chapter or rules adopted 10652  
or orders issued under it. The chief shall refuse to issue a 10653  
permit to any applicant who at the time of applying for the permit 10654  
has been found liable by a final nonappealable order of a court of 10655  
competent jurisdiction for damage to streets, roads, highways, 10656  
bridges, culverts, or drainways pursuant to section 4513.34 or 10657  
5577.12 of the Revised Code until the applicant provides the chief 10658  
with evidence of compliance with the order. No applicant shall 10659  
attempt to circumvent this provision by applying for a permit 10660  
under a different name or business organization name, by 10661  
transferring responsibility to another person or entity, by 10662  
abandoning the well or lease, or by any other similar act. 10663

If the well is not or is not to be located in a coal bearing 10664  
township, or if it is to be located in a coal bearing township, 10665  
but the landowner submits an affidavit attesting to ownership of 10666  
the property in fee simple, including the coal, and has no 10667  
objection to the well, the chief shall issue the permit. 10668

If the application to drill, reopen, or convert concerns a 10669  
well that is or is to be located in a coal bearing township, the 10670  
chief immediately shall notify the owner or lessee of any affected 10671  
mine that the application has been filed and send to the owner or 10672  
lessee two copies of the map accompanying the application setting 10673  
forth the location of the well. 10674

If the owner or lessee objects to the location of the well or 10675  
objects to any location within fifty feet of the original location 10676  
as a possible site for relocation of the well, the owner or lessee 10677  
shall notify the chief of the objection, giving the reasons for 10678

the objection and, if applicable, indicating on a copy of the map  
the particular location or locations within fifty feet of the  
original location to which the owner or lessee objects as a site  
for possible relocation of the well, within six days after the  
receipt of the notice. If the chief receives no objections from  
the owner or lessee of the mine within ten days after the receipt  
of the notice by the owner or lessee, or if in the opinion of the  
chief the objections offered by the owner or lessee are not  
sufficiently well founded, the chief immediately shall notify the  
owner or lessee of those findings. The owner or lessee may appeal  
the decision of the chief to the ~~mine examining board created~~  
reclamation commission under section ~~1561.10~~ 1513.13 of the  
Revised Code. The appeal shall be filed within fifteen days,  
notwithstanding provisions in divisions (A)(1) of section 1513.13  
of the Revised Code, to the contrary, from the date on which the  
owner or lessee receives the notice. If the appeal is not filed  
within that time, the chief immediately shall approve the  
application and issue the permit if the provisions of this chapter  
pertaining to the issuance of such a permit have been complied  
with.

If the chief receives an objection from the owner or lessee  
of the mine as to the location of the well within ten days after  
receipt of the notice by the owner or lessee, and if in the  
opinion of the chief the objection is well founded, the chief  
shall disapprove the application and suggest a new location for  
the well, provided that the suggested new location shall not be a  
location within fifty feet of the original location to which the  
owner or lessee has objected as a site for possible relocation of  
the well if the chief has determined that the objection is well  
founded. The chief immediately shall notify the applicant for the  
permit of the disapproval and any suggestion as to a new location  
for the well. The applicant may withdraw the application or amend

the application to drill the well at the location suggested by the chief, or the applicant may appeal the disapproval of the application by the chief to the ~~mine-examining board~~ reclamation commission.

If the chief receives no objection from the owner or lessee of a mine as to the location of the well, but does receive an objection from the owner or lessee as to one or more locations within fifty feet of the original location as possible sites for relocation of the well within ten days after receipt of the notice by the owner or lessee, and if in the opinion of the chief the objection is well founded, the chief nevertheless shall approve the application and issue a permit if the provisions of this chapter pertaining to the issuance of such a permit have been complied with, incorporating as a term or condition of the permit that the applicant is prohibited from commencing drilling at any location within fifty feet of the original location that has been disapproved by the chief. The applicant may appeal to the ~~mine examining board~~ reclamation commission the terms and conditions of the permit prohibiting the commencement of drilling at any such location disapproved by the chief.

Any such appeal shall be filed within fifteen days, notwithstanding provisions in division (A)(1) of section 1513.13 of the Revised Code to the contrary, from the date the applicant receives notice of the disapproval of the application, any other location within fifty feet of the original location, or terms or conditions of the permit, or the owner or lessee receives notice of the chief's decision. No approval or disapproval of an application shall be delayed by the chief for more than fifteen days from the date of sending the notice of the application to the mine owner or lessee as required by this section.

All appeals provided for in this section shall be treated as expedited appeals. The ~~mine-examining board~~ reclamation commission

shall hear any such appeal in accordance with section ~~1561.53~~ 10743  
~~1513.13~~ of the Revised Code and ~~render~~ issue a decision within 10744  
 thirty days of the filing of the notice of appeal. 10745

The chief shall not issue a permit to drill a new well or 10746  
 reopen a well that is or is to be located within three hundred 10747  
 feet of any opening of any mine used as a means of ingress, 10748  
 egress, or ventilation for persons employed in the mine, nor 10749  
 within one hundred feet of any building or inflammable structure 10750  
 connected with the mine and actually used as a part of the 10751  
 operating equipment of the mine, unless the chief determines that 10752  
 life or property will not be endangered by drilling and operating 10753  
 the well in that location. 10754

**Sec. 1509.11.** The owner of any well producing or capable of 10755  
 producing oil or gas shall file with the chief of the division of 10756  
 mineral resources management, on or before the ~~fifteenth~~ first day 10757  
 of ~~April~~ March, a statement of production of oil, gas, and brine 10758  
 for the last preceding calendar year in such form as the chief may 10759  
 prescribe. The chief shall include on the form, at the minimum, a 10760  
request for the submittal of the information that a person who is 10761  
regulated under this chapter is required to submit under the 10762  
"Emergency Planning and Community Right-To-Know Act of 1986," 100 10763  
Stat. 1728, 42 U.S.C.A. 11001, and regulations adopted under it, 10764  
and that the division does not obtain through other reporting 10765  
mechanisms. 10766

**Sec. 1509.23. (A)** Rules of the chief of the division of 10767  
 mineral resources management may specify practices to be followed 10768  
 in the drilling of wells and production of oil and gas for 10769  
 protection of public health or safety or to prevent damage to 10770  
 natural resources, including specification of devices, minimum 10771  
 distances that wells and other excavations, structures, and 10772  
 equipment shall be located from water wells, streets, roads, 10773

operation, and procedures, methods, and equipment and other 10775  
requirements for equipment to prevent and contain discharges of 10776  
oil from oil production facilities and oil drilling and workover 10777  
facilities consistent with and equivalent in scope, content, and 10778  
coverage to section 311(j)(1)(c) of the "Federal Water Pollution 10779  
Control Act Amendments of 1972," 86 Stat. 886, 33 U.S.C.A. 1251, 10780  
as amended, and regulations adopted under it. 10781

(B) The chief, in consultation with the emergency response 10782  
commission created in section 3750.02 of the Revised Code, shall 10783  
adopt rules in accordance with Chapter 119. of the Revised Code 10784  
that specify the information that shall be included in an 10785  
electronic database that the chief shall create and host. The 10786  
information shall be that which the chief considers to be 10787  
appropriate for the purpose of responding to emergency situations 10788  
that pose a threat to public health or safety or the environment. 10789  
At the minimum, the information shall include that which a person 10790  
who is regulated under this chapter is required to submit under 10791  
the "Emergency Planning and Community Right-To-Know Act of 1986," 10792  
100 Stat. 1728, 42 U.S.C.A. 11001, and regulations adopted under 10793  
it. 10794

In addition, the rules shall specify whether and to what 10795  
extent the database and the information that it contains will be 10796  
made accessible to the public. The rules shall ensure that the 10797  
database will be made available via the internet or a system of 10798  
computer disks to the emergency response commission and to every 10799  
local emergency planning committee and fire department in this 10800  
state. 10801

involve mine safety issues, the reclamation commission shall 10806  
consist of two additional members appointed specifically for that 10807  
function by the governor with the advice and consent of the 10808  
senate. All terms of office shall be for five years, commencing on 10809

The two additional members of the commission who are 10841  
appointed specifically to hear appeals that involve mine safety 10842  
issues shall be individuals who, because of previous vocation, 10843  
employment, or affiliation, can be classified as representatives 10844  
of employees currently engaged in mining operations. One shall be 10845  
a representative of coal miners, and one shall be a representative 10846  
of aggregates miners. Prior to making the appointment, the 10847  
governor shall request the highest ranking officer in the major 10848  
employee organization representing coal miners in this state to 10849  
submit to the governor the names and qualifications of three 10850  
nominees and shall request the highest ranking officer in the 10851  
major employee organization representing aggregates miners in this 10852  
state to do the same. The governor shall appoint one person 10853  
nominated by each organization to the commission. The nominees 10854  
shall have not less than five years of practical experience in 10855  
dealing with mine health and safety issues and at the time of the 10856  
nomination shall be employed in positions that involve the 10857

organization representing coal miners and the major employee 10859

membership consisting of the largest number of coal miners and 10861  
aggregates miners, respectively, in this state compared to other 10862  
employee organizations in the year prior to the year in which the 10863

mining safety issue, one of the commission members who owns and 10866  
operates a farm or is a retired farmer shall be replaced by the 10867  
additional member who is a representative of coal miners. When the 10868

Each member shall be paid as compensation for work as a member one hundred fifty dollars per day when actually engaged in the performance of work as a member and when engaged in travel necessary in connection with such work. In addition to such compensation each member shall be reimbursed for all traveling, hotel, and other expenses, in accordance with the current travel rules of the office of budget and management, necessarily incurred in the performance of the member's work as a member.

Annually one member shall be elected as chairperson and another member shall be elected as vice-chairperson for terms of one year.

## As Reported by the Senate Finance and Financial Institutions Committee

The governor may remove any member of the commission from office for inefficiency, neglect of duty, malfeasance, misfeasance, or nonfeasance, after delivering to the member the charges against the member in writing with at least ten days' written notice of the time and place at which the governor will publicly hear the member, either in person or by counsel, in defense of the charges against the member. If the member is removed from office, the governor shall file in the office of the secretary of state a complete statement of the charges made against the member and a complete report of the proceedings. The action of the governor removing a member from office is final.

The commission shall adopt rules governing procedure of appeals under section 1513.13 of the Revised Code and may, for its own internal management, adopt rules ~~which~~ that do not affect private rights.

**Sec. 1513.10.** If, at the end of a coal mining operation's permit or renewal period, the number of acres of land affected by the operation proves to be smaller than the number of acres of land for which the operator paid a permit fee for the operation under section 1513.07 of the Revised Code, the operator is entitled to a refund of the excess permit fee. The refund shall be in an amount equal to the amount paid per acre as a permit fee multiplied by the difference between the number of acres in the area of land affected as verified by the division of mineral resources management and the number of acres of land for which the operator paid a permit fee.

Refunds shall be paid out of the reclamation fee fund, which is hereby created in the state treasury. The treasurer of state shall place forty thousand dollars from the fees collected under section 1513.07 of the Revised Code in the fund. As moneys are spent from the fund, the treasurer of state shall credit to the

thirty days after a notice, order, decision, modification, 10970  
vacation, or termination is served upon the person. Filing of the 10971  
written request shall toll the time for appeal before the 10972  
commission, but shall not operate as a stay of any order, notice 10973  
of violation, or decision of the chief. The chief's determination 10974  
of an informal review is appealable to the commission under this 10975  
section. 10976

(B) The commission shall affirm the notice of violation, 10977  
order, or decision of the chief unless the commission determines 10978

violation, order, or decision or vacate it and remand it to the 10981  
chief for further proceedings that the commission may direct. 10982

The commission shall conduct hearings and render decisions in 10983  
a timely fashion, except that all of the following apply: 10984

(D)(1) or (2) of section 1513.02 of the Revised Code, the 10987  
commission shall issue its written decision within thirty days 10988

 thirty days after receipt of the notice of appeal and issue its 11000  
 decision within sixty days after the hearing. 11001

(4) When the appeal concerns a decision of the chief 11002  
regarding the location of a well in a coal bearing township under 11003  
section 1509.08 of the Revised Code, the commission shall hold a 11004  
hearing and issue its decision within thirty days after receipt of 11005  
the notice of appeal. 11006

(C) The chairperson of the commission, under conditions the 11007  
 chairperson prescribes, may grant temporary relief the chairperson 11008  
 considers appropriate pending final determination of an appeal if 11009  
 all of the following conditions are met: 11010

(1) All parties to the appeal have been notified and given an 11011  
 opportunity for a hearing to be held in the locality of the 11012  
 subject site on the request for temporary relief and the 11013  
 opportunity to be heard on the request. 11014

(2) The person requesting relief shows that there is a 11015  
 substantial likelihood that the person will prevail on the merits. 11016

(3) The relief will not adversely affect public health or 11017  
 safety or cause significant imminent environmental harm to land, 11018  
 air, or water resources. 11019

The chairperson shall issue a decision expeditiously, except 11020  
 that when the applicant requests relief from an order for the 11021  
 cessation of coal mining and reclamation operations issued 11022  
 pursuant to division (D)(1) or (2) of section 1513.02 of the 11023  
 Revised Code, the decision shall be issued within five days after 11024  
 its receipt. 11025

## As Reported by the Senate Finance and Financial Institutions Committee

Any party to an appeal filed with the commission who is 11026  
aggrieved or adversely affected by a decision of the chairperson 11027  
to grant or deny temporary relief under this section may appeal 11028  
that decision to the commission. The commission may confine its 11029  
review to the record developed at the hearing before the 11030  
chairperson. 11031

The appeal shall be filed with the commission within thirty 11032  
days after the chairperson issues the decision on the request for 11033  
temporary relief. The commission shall issue a decision as 11034  
expeditiously as possible, except that when the appellant requests 11035  
relief from an order for the cessation of coal mining and 11036  
reclamation operations issued pursuant to division (D)(1) or (2) 11037  
of section 1513.02 of the Revised Code, the decision of the 11038  
commission shall be issued within five days after receipt of the 11039  
notice of appeal. 11040

The commission shall affirm the decision of the chairperson 11041  
granting or denying temporary relief unless it determines that the 11042  
decision is arbitrary, capricious, or otherwise inconsistent with 11043  
law. 11044

(D) Following the issuance of an order to show cause as to 11045

concerning suspension or revocation of the permit. If the chief 11054

appealed under this section or any action is filed under division 11061  
(B) of section 1513.15 or 1513.39 of the Revised Code, at the 11062  
request of a prevailing party, a sum equal to the aggregate amount 11063  
of all costs and expenses, including attorney's fees, as 11064  
determined to have been necessary and reasonably incurred by the 11065  
prevailing party for or in connection with participation in the 11066  
enforcement proceedings before the commission, the court under 11067  
section 1513.15 of the Revised Code, or the chief under section 11068  
1513.39 of the Revised Code, may be awarded, as considered proper, 11069  
in accordance with divisions (E)(1)(a) to (c) of this section. In 11070  
no event shall attorney's fees awarded under this section exceed, 11071  
for the kind and quality of services, the prevailing market rates 11072  
at the time the services were furnished under division (A) of this 11073  
section. A party may be entitled to costs and expenses related 11074  
solely to the preparation, defense, and appeal of a petition for 11075  
costs and expenses, provided that the costs and expenses are 11076  
limited and proportionate to costs and expenses otherwise allowed 11077  
under division (E) of this section. 11078

(a) A party, other than the permittee or the division of 11079  
mineral resources management, shall file a petition, if any, for 11080  
an award of costs and expenses, including attorney's fees, with 11081  
the chief, who shall review the petition. If the chief finds that 11082  
the party, other than the permittee or the division, prevailed in 11083  
whole or in part, made a substantial contribution to a full and 11084  
fair determination of the issues, and made a contribution separate 11085  
and distinct from the contribution made by any other party, the 11086  
chief may award to that party the party's costs and expenses, 11087  
including attorney's fees that were necessary and reasonably 11088  
incurred by the party for, or in connection with, participation in 11089

the proceeding before the commission. 11090

(b) If a permittee who made a request under division (E)(1) 11091  
of this section demonstrates that a party other than a permittee 11092  
who initiated an appeal under this section or participated in such 11093  
an appeal initiated or participated in the appeal in bad faith and 11094  
for the purpose of harassing or embarrassing the permittee, the 11095  
permittee may file a petition with the chief. The chief may award 11096  
to the permittee the costs and expenses reasonably incurred by the 11097  
permittee in connection with participation in the appeal and 11098  
assess those costs and expenses against the party who initiated 11099  
the appeal. 11100

(c) The division may file, with the commission, a request for 11101  
an award to the division of the costs and expenses reasonably 11102  
incurred by the division in connection with an appeal initiated 11103  
under this section. The commission may assess those costs and 11104  
expenses against the party who initiated the appeal if the 11105  
division demonstrates that the party initiated or participated in 11106  
the appeal in bad faith and for the purpose of harassing or 11107  
embarrassing the division. 11108

(2) Whenever an order issued under this section or as a 11109  
result of any administrative proceeding under this chapter is the 11110  
subject of judicial review, at the request of any party, a sum 11111  
equal to the aggregate amount of all costs and expenses, including 11112  
attorney's fees, as determined by the court to have been necessary 11113  
and reasonably incurred by the party for or in connection with 11114  
participation in the proceedings, may be awarded to either party, 11115  
in accordance with division (E)(1) of this section, as the court, 11116  
on the basis of judicial review, considers proper. 11117

**Sec. 1513.14.** (A) Any party aggrieved or adversely affected 11118

(B) Any order of the chief of the division of mineral resources management adopting a rule shall be subject to judicial review in the Franklin county court of appeals, which court has exclusive original jurisdiction to review the order. A petition for review of the order shall be filed within thirty days from the date of such order. The petition may be made by any person who participated in the rule-making proceedings and who is aggrieved by the order. against modification or encroachment resulting from occupation, 11203  
development, or other use ~~which~~ that would destroy their natural 11204

The director of natural resources, upon the advice and 11206  
concurrence of the Ohio natural areas council, shall accept 11207  
natural areas by articles of dedication or gift, provided that 11208  
funds and services are available for their preservation and 11209

Articles of dedication shall be executed by the owner of the 11216  
land in the same manner and with the same effect as a conveyance 11217

an existing easement or encumbrance does not constitute the 11249

establishes a reasonable justification for failure to request the  
hearing within the prescribed time. If the court grants a  
continuance of the hearing, it shall cause the matter to be set  
for hearing as soon as practicable thereafter. The continued  
hearing shall be conducted in accordance with division (C)(2) of  
this section.

(4) The court may conduct the hearing on the matter prior to  
the time at which the hearing was scheduled, as indicated on the  
notice to the judgment debtor required by division (C)(1) of this

section, upon the request of the judgment debtor. The parties 15764  
shall be sent notice, by the clerk of the court, by regular mail, 15765  
of any change in the date, time, or place of the hearing. 15766

(5) If the scheduled hearing is canceled and no continuance 15767  
is granted, the court shall issue an order to the garnishee to pay 15768  
all or some of the money, property, or credits, other than 15769  
personal earnings, of the judgment debtor in the possession of the 15770  
garnishee at the time of service of the notice and order into 15771  
court if they have not already been paid to the court. This order 15772  
shall be based on the answer of the garnishee filed pursuant to 15773  
this section. If the scheduled hearing is conducted or if it is 15774  
continued and conducted, the court shall determine at the hearing 15775  
the amount of the money, property, or credits, other than personal 15776  
earnings, of the judgment debtor in the possession of the 15777  
garnishee at the time of service of the notice and order, if any, 15778  
that can be used to satisfy all or part of the debt owed by the 15779  
judgment debtor to the judgment creditor, and issue an order, 15780  
accordingly, to the garnishee to pay that amount into court if it 15781  
has not already been paid to the court. 15782

(D) The notice to the judgment debtor form and the request 15783  
for hearing form described in division (C) of this section shall 15784  
be sent by the clerk by ordinary or regular mail service unless 15785  
the judgment creditor requests that service be made in accordance 15786  
with the Rules of Civil Procedure, in which case the forms shall 15787  
be served in accordance with the Rules of Civil Procedure. Any 15788  
court of common pleas that issues an order of garnishment of 15789  
property, other than personal earnings, under this section has 15790  
jurisdiction to serve process pursuant to this section upon a 15791  
garnishee who does not reside within the jurisdiction of the 15792  
court. Any county court or municipal court that issues an order of 15793  
garnishment of property, other than personal earnings, under this 15794  
section has jurisdiction to serve process pursuant to this section 15795

upon a garnishee who does not reside within the jurisdiction of 15796  
the court. 15797

**Sec. 2919.271.** (A)(1)(a) If a defendant is charged with a 15798  
violation of section 2919.27 of the Revised Code or of a municipal 15799  
ordinance that is substantially similar to that section, the court 15800  
may order an evaluation of the mental condition of the defendant 15801  
if the court determines that either of the following criteria 15802  
apply: 15803

(i) If the alleged violation is a violation of a protection 15804  
order issued or consent agreement approved pursuant to section 15805  
2919.26 or 3113.31 of the Revised Code, that the violation 15806  
allegedly involves conduct by the defendant that caused physical 15807  
harm to the person or property of a family or household member 15808  
covered by the order or agreement, or conduct by the defendant 15809  
that caused a family or household member to believe that the 15810  
defendant would cause physical harm to that member or that 15811  
member's property. 15812

(ii) If the alleged violation is a violation of a protection 15813  
order issued pursuant to section 2903.213 or 2903.214 of the 15814  
Revised Code or a protection order issued by a court of another 15815  
state, that the violation allegedly involves conduct by the 15816  
defendant that caused physical harm to the person or property of 15817  
the person covered by the order, or conduct by the defendant that 15818  
caused the person covered by the order to believe that the 15819  
defendant would cause physical harm to that person or that 15820  
person's property. 15821

(b) If a defendant is charged with a violation of section 15822  
2903.211 of the Revised Code or of a municipal ordinance that is 15823  
substantially similar to that section, the court may order an 15824  
evaluation of the mental condition of the defendant. 15825

section shall be completed no later than thirty days from the date 15827  
the order is entered pursuant to that division. In that order, the 15828  
court shall do either of the following: 15829

(a) Order that the evaluation of the mental condition of the 15830  
defendant be preceded by an examination conducted either by a 15831  
forensic center that is designated by the department of mental 15832  
health to conduct examinations and make evaluations of defendants 15833  
charged with violations of section 2903.211 or 2919.27 of the 15834  
Revised Code or of substantially similar municipal ordinances in 15835  
the area in which the court is located, or by any other program or 15836  
facility that is designated by the department of mental health or 15837  
the department of mental retardation and developmental 15838  
disabilities to conduct examinations and make evaluations of 15839  
defendants charged with violations of section 2903.211 or 2919.27 15840  
of the Revised Code or of substantially similar municipal 15841  
ordinances, and that is operated by either department or is 15842  
certified by either department as being in compliance with the 15843  
standards established under division ~~(F)~~(I) of section 5119.01 of 15844  
the Revised Code or division (C) of section 5123.04 of the Revised 15845  
Code. 15846

(b) Designate a center, program, or facility other than one 15847  
designated by the department of mental health or the department of 15848  
mental retardation and developmental disabilities, as described in 15849  
division (A)(2)(a) of this section, to conduct the evaluation and 15850  
preceding examination of the mental condition of the defendant. 15851

Whether the court acts pursuant to division (A)(2)(a) or (b) 15852  
of this section, the court may designate examiners other than the 15853  
personnel of the center, program, facility, or department involved 15854  
to make the evaluation and preceding examination of the mental 15855  
condition of the defendant. 15856

(B) If the court considers that additional evaluations of the 15857  
mental condition of a defendant are necessary following the 15858

evaluation authorized by division (A) of this section, the court  
may order up to two additional similar evaluations. These  
evaluations shall be completed no later than thirty days from the  
date the applicable court order is entered. If more than one  
evaluation of the mental condition of the defendant is ordered  
under this division, the prosecutor and the defendant may  
recommend to the court an examiner whom each prefers to perform  
one of the evaluations and preceding examinations.

(C)(1) The court may order a defendant who has been released  
on bail to submit to an examination under division (A) or (B) of  
this section. The examination shall be conducted either at the  
detention facility in which the defendant would have been confined  
if the defendant had not been released on bail, or, if so  
specified by the center, program, facility, or examiners involved,  
at the premises of the center, program, or facility. Additionally,  
the examination shall be conducted at the times established by the  
examiners involved. If such a defendant refuses to submit to an  
examination or a complete examination as required by the court or  
the center, program, facility, or examiners involved, the court  
may amend the conditions of the bail of the defendant and order  
the sheriff to take the defendant into custody and deliver the  
defendant to the detention facility in which the defendant would  
have been confined if the defendant had not been released on bail,  
or, if so specified by the center, program, facility, or examiners  
involved, to the premises of the center, program, or facility, for  
purposes of the examination.

(2) A defendant who has not been released on bail shall be  
examined at the detention facility in which the defendant is  
confined or, if so specified by the center, program, facility, or  
examiners involved, at the premises of the center, program, or  
facility.

(D) The examiner of the mental condition of a defendant under

division (A) or (B) of this section shall file a written report  
with the court within thirty days after the entry of an order for  
the evaluation of the mental condition of the defendant. The  
report shall contain the findings of the examiner; the facts in  
reasonable detail on which the findings are based; the opinion of  
the examiner as to the mental condition of the defendant; the  
opinion of the examiner as to whether the defendant represents a  
substantial risk of physical harm to other persons as manifested  
by evidence of recent homicidal or other violent behavior,  
evidence of recent threats that placed other persons in reasonable  
fear of violent behavior and serious physical harm, or evidence of  
present dangerousness; and the opinion of the examiner as to the  
types of treatment or counseling that the defendant needs. The  
court shall provide copies of the report to the prosecutor and  
defense counsel.

(E) The costs of any evaluation and preceding examination of  
a defendant that is ordered pursuant to division (A) or (B) of  
this section shall be taxed as court costs in the criminal case.

(F) If the examiner considers it necessary in order to make  
an accurate evaluation of the mental condition of a defendant, an  
examiner under division (A) or (B) of this section may request any  
family or household member of the defendant to provide the  
examiner with information. A family or household member may, but  
is not required to, provide information to the examiner upon  
receipt of the request.

violation of this section.

**Sec. 2953.21.** (A)(1) Any person who has been convicted of a  
criminal offense or adjudicated a delinquent child and who claims  
that there was such a denial or infringement of the person's  
rights as to render the judgment void or voidable under the Ohio  
Constitution or the Constitution of the United States may file a  
petition in the court that imposed sentence, stating the grounds  
for relief relied upon, and asking the court to vacate or set  
aside the judgment or sentence or to grant other appropriate  
relief. The petitioner may file a supporting affidavit and other  
documentary evidence in support of the claim for relief.

(2) A petition under division (A)(1) of this section shall be  
filed no later than one hundred eighty days after the date on  
which the trial transcript is filed in the court of appeals in the

direct appeal of the judgment of conviction or adjudication or, if  
the direct appeal involves a sentence of death, the date on which  
the trial transcript is filed in the supreme court. If no appeal  
is taken, the petition shall be filed no later than one hundred  
eighty days after the expiration of the time for filing the  
appeal.

(3) In a petition filed under division (A) of this section, a  
person upon whom a sentence of death has been imposed may ask the  
court to render void or voidable the judgment with respect to the  
conviction of aggravated murder or the specification of an  
aggravating circumstance.

(4) A petitioner shall state in the original or amended  
petition filed under division (A) of this section all grounds for  
relief claimed by the petitioner. Except as provided in section  
2953.23 of the Revised Code, any ground for relief that is not so  
stated in the petition is waived.

(5) If the petitioner in a petition filed under division (A)  
of this section was convicted of or pleaded guilty to a felony,  
the petition may include a claim that the petitioner was denied  
the equal protection of the laws in violation of the Ohio  
Constitution or the United States Constitution because the  
sentence imposed upon the petitioner for the felony was part of a  
consistent pattern of disparity in sentencing by the judge who  
imposed the sentence, with regard to the petitioner's race,  
gender, ethnic background, or religion. If the supreme court  
adopts a rule requiring a court of common pleas to maintain  
information with regard to an offender's race, gender, ethnic  
background, or religion, the supporting evidence for the petition  
shall include, but shall not be limited to, a copy of that type of  
information relative to the petitioner's sentence and copies of  
that type of information relative to sentences that the same judge  
imposed upon other persons.

(B) The clerk of the court in which the petition is filed 16077  
shall docket the petition and bring it promptly to the attention 16078  
of the court. The petitioner need not serve a copy of the petition 16079  
on the prosecuting attorney. The clerk of the court in which the 16080  
petition is filed immediately shall forward a copy of the petition 16081  
to the prosecuting attorney of that county. 16082

(C) The court shall consider a petition that is timely filed 16083  
under division (A)(2) of this section even if a direct appeal of 16084  
the judgment is pending. Before granting a hearing on a petition 16085  
filed under division (A) of this section, the court shall 16086  
determine whether there are substantive grounds for relief. In 16087  
making such a determination, the court shall consider, in addition 16088  
to the petition, the supporting affidavits, and the documentary 16089  
evidence, all the files and records pertaining to the proceedings 16090  
against the petitioner, including, but not limited to, the 16091  
indictment, the court's journal entries, the journalized records 16092  
of the clerk of the court, and the court reporter's transcript. 16093  
The court reporter's transcript, if ordered and certified by the 16094  
court, shall be taxed as court costs. If the court dismisses the 16095  
petition, it shall make and file findings of fact and conclusions 16096  
of law with respect to such dismissal. 16097

(D) Within ten days after the docketing of the petition, or 16098  
within any further time that the court may fix for good cause 16099  
shown, the prosecuting attorney shall respond by answer or motion. 16100  
Within twenty days from the date the issues are made up, either 16101  
party may move for summary judgment. The right to summary judgment 16102  
shall appear on the face of the record. 16103

(E) Unless the petition and the files and records of the case 16104  
show the petitioner is not entitled to relief, the court shall 16105  
proceed to a prompt hearing on the issues even if a direct appeal 16106  
of the case is pending. If the court notifies the parties that it 16107  
has found grounds for granting relief, either party may request an 16108

appellate court in which a direct appeal of the judgment is 16109  
pending to remand the pending case to the court. 16110

(F) At any time before the answer or motion is filed, the 16111  
petitioner may amend the petition with or without leave or 16112  
prejudice to the proceedings. The petitioner may amend the 16113  
petition with leave of court at any time thereafter. 16114

(G) If the court does not find grounds for granting relief, 16115  
it shall make and file findings of fact and conclusions of law and 16116  
shall enter judgment denying relief on the petition. If no direct 16117  
appeal of the case is pending and the court finds grounds for 16118  
relief or if a pending direct appeal of the case has been remanded 16119  
to the court pursuant to a request made pursuant to division (E) 16120  
of this section and the court finds grounds for granting relief, 16121  
it shall make and file findings of fact and conclusions of law and 16122  
shall enter a judgment that vacates and sets aside the judgment in 16123  
question, and, in the case of a petitioner who is a prisoner in 16124  
custody, shall discharge or resentence the petitioner or grant a 16125  
new trial as the court determines appropriate. The court also may 16126  
make supplementary orders to the relief granted, concerning such 16127  
matters as rearraignment, retrial, custody, and bail. If the trial 16128  
court's order granting the petition is reversed on appeal and if 16129  
the direct appeal of the case has been remanded from an appellate 16130  
court pursuant to a request under division (E) of this section, 16131  
the appellate court reversing the order granting the petition 16132  
shall notify the appellate court in which the direct appeal of the 16133  
case was pending at the time of the remand of the reversal and 16134  
remand of the trial court's order. Upon the reversal and remand of 16135  
the trial court's order granting the petition, regardless of 16136  
whether notice is sent or received, the direct appeal of the case 16137  
that was remanded is reinstated. 16138

(H) Upon the filing of a petition pursuant to division (A) of 16139  
this section by a prisoner in a state correctional institution who 16140

has received the death penalty, the court may stay execution of 16141  
the judgment challenged by the petition. 16142

(I)(1) If a person who has received the death penalty intends 16143  
to file a petition under this section, the court shall appoint 16144  
counsel to represent the person upon a finding that the person is 16145  
indigent and that the person either accepts the appointment of 16146  
counsel or is unable to make a competent decision whether to 16147  
accept or reject the appointment of counsel. The court may decline 16148  
to appoint counsel for the person only upon a finding, after a 16149  
hearing if necessary, that the person rejects the appointment of 16150  
counsel and understands the legal consequences of that decision or 16151  
upon a finding that the person is not indigent. 16152

(2) The court shall not appoint as counsel under division 16153  
(I)(1) of this section an attorney who represented the petitioner 16154  
at trial in the case to which the petition relates unless the 16155  
person and the attorney expressly request the appointment. The 16156  
court shall appoint as counsel under division (I)(1) of this 16157  
section only an attorney who is certified under Rule 65 20 of the 16158

the district in which the child is with the child's parent, and no 17450  
other school district shall be required to pay tuition for the 17451  
child's attendance in that school district. 17452

The enrollment of a child in a school district under this 17453  
division shall not be denied due to a delay in the school 17454  
district's receipt of any records required under section 3313.672 17455  
of the Revised Code or any other records required for enrollment. 17456  
Any days of attendance and any credits earned by a child while 17457

transferred to and accepted by any school district in which the 17459  
child subsequently enrolls. The state board of education shall 17460

(10) Any child under the age of twenty-two years whose parent 17462

in the district in which the child attended school at the time of 17466  
the parental move for the remainder of the school year and for one 17467  
additional semester or equivalent term. A district board may also 17468  
adopt a policy specifying extenuating circumstances under which a 17469  
student may continue to attend school under division (F)(10) of 17470  
this section for an additional period of time in order to 17471  
successfully complete the high school curriculum for the 17472

grandparent resides, provided that, prior to such attendance in 17480  
any school year, the board of education of the school district in 17481  
which the child's grandparent resides and the board of education 17482  
of the school district in which the child's parent resides enter 17483  
into a written agreement specifying that good cause exists for 17484  
such attendance, describing the nature of this good cause, and 17485  
consenting to such attendance. 17486

In lieu of a consent form signed by a parent, a board of 17487  
education may request the grandparent of a child attending school 17488  
in the district in which the grandparent resides pursuant to 17489  
division (F)(11) of this section to complete any consent form 17490  
required by the district, including any authorization required by 17491  
sections 3313.712, 3313.713, and 3313.716 of the Revised Code. 17492  
Upon request, the grandparent shall complete any consent form 17493  
required by the district. A school district shall not incur any 17494  
liability solely because of its receipt of a consent form from a 17495  
grandparent in lieu of a parent. 17496

Division (F)(11) of this section does not create, and shall 17497  
not be construed as creating, a new cause of action or substantive 17498  
legal right against a school district, a member of a board of 17499  
education, or an employee of a school district. This section does 17500  
not affect, and shall not be construed as affecting, any 17501  
immunities from defenses to tort liability created or recognized 17502  
by Chapter 2744. of the Revised Code for a school district, 17503  
member, or employee. 17504

(12) A child under the age of twenty-two years is entitled to 17505  
attend school in a school district other than the district in 17506  
which the child is entitled to attend school under division (B), 17507  
(C), or (E) of this section provided that, prior to such 17508  
attendance in any school year, both of the following occur: 17509

(a) The superintendent of the district in which the child is 17510  
entitled to attend school under division (B), (C), or (E) of this 17511

section contacts the superintendent of another district for 17512  
purposes of this division; 17513

(b) The superintendents of both districts enter into a 17514  
written agreement that consents to the attendance and specifies 17515  
that the purpose of such attendance is to protect the student's 17516  
physical or mental well-being or to deal with other extenuating 17517  
circumstances deemed appropriate by the superintendents. 17518

While an agreement is in effect under this division for a 17519  
student who is not receiving special education under Chapter 3323. 17520  
of the Revised Code and notwithstanding Chapter 3327. of the 17521  
Revised Code, the board of education of neither school district 17522  
involved in the agreement is required to provide transportation 17523  
for the student to and from the school where the student attends. 17524

A student attending a school of a district pursuant to this 17525  
division shall be allowed to participate in all student 17526  
activities, including interscholastic athletics, at the school 17527  
where the student is attending on the same basis as any student 17528  
who has always attended the schools of that district while of 17529  
compulsory school age. 17530

(13) All school districts shall comply with the 17531  
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 17532  
seq., for the education of homeless children. Each city, local, 17533  
and exempted village school district shall comply with the 17534  
requirements of that act governing the provision of a free, 17535  
appropriate public education, including public preschool, to each 17536  
homeless child. 17537

When a child loses permanent housing and becomes a homeless 17538  
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 17539  
such a homeless person changes temporary living arrangements, the 17540  
child's parent or guardian shall have the option of enrolling the 17541  
child in either of the following: 17542

<u>(a) The child's school of origin, as defined in 42 U.S.C.A.</u>	17543
<u>11432(g)(3)(C);</u>	17544
<u>(b) The school that is operated by the school district in</u>	17545
<u>which the shelter where the child currently resides is located and</u>	17546
<u>that serves the geographic area in which the shelter is located.</u>	17547
(G) A board of education, after approving admission, may	17548
waive tuition for students who will temporarily reside in the	17549
district and who are either of the following:	17550
(1) Residents or domiciliaries of a foreign nation who	17551
request admission as foreign exchange students;	17552
(2) Residents or domiciliaries of the United States but not	17553
of Ohio who request admission as participants in an exchange	17554
program operated by a student exchange organization.	17555
(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04,	17556
3327.04, and 3327.06 of the Revised Code, a child may attend	17557
school or participate in a special education program in a school	17558
district other than in the district where the child is entitled to	17559
attend school under division (B) of this section.	17560
(I) This division does not apply to a child receiving special	17561
education.	17562
A school district required to pay tuition pursuant to	17563
division (C)(2) or (3) of this section or section 3313.65 of the	17564
Revised Code shall have an amount deducted under division (F) of	17565
section 3317.023 of the Revised Code equal to its own tuition rate	17566
for the same period of attendance. A school district entitled to	17567
receive tuition pursuant to division (C)(2) or (3) of this section	17568
or section 3313.65 of the Revised Code shall have an amount	17569
credited under division (F) of section 3317.023 of the Revised	17570

Revised Code but not credited to other school districts under such 17577  
division and from appropriations made for such purpose. The 17578  
treasurer of each school district shall, by the fifteenth day of 17579  
January and July, furnish the superintendent of public instruction 17580  
a report of the names of each child who attended the district's 17581  
schools under divisions (C)(2) and (3) of this section or section 17582  
3313.65 of the Revised Code during the preceding six calendar 17583  
months, the duration of the attendance of those children, the 17584  
school district responsible for tuition on behalf of the child, 17585  
and any other information that the superintendent requires. 17586

Upon receipt of the report the superintendent, pursuant to 17587  
division (F) of section 3317.023 of the Revised Code, shall deduct 17588  
each district's tuition obligations under divisions (C)(2) and (3) 17589  
of this section or section 3313.65 of the Revised Code and pay to 17590

services shall not report to the state department of education any 18122  
personally identifiable information on any student. 18123

The amount of the reduction shall be a pro-rated amount of the total due to the school for the student under division (D) of this section, based on the amount of lost instructional time resulting from the lack of computer access for each student not provided the hardware and software by the end of the first full week of school. The department of education shall determine such reductions and shall continue to make reductions as long as the hardware and software is not delivered, installed, and activated for all students. 18136

**Sec. 3314.09.** (A) As used in this section and section 3314.091 of the Revised Code, "native student" means a student entitled to attend school in the school district under section 18162  
18163  
18164

## As Reported by the Senate Finance and Financial Institutions Committee

3313.64 or 3313.65 of the Revised Code. 18165

The (B) Except as provided in section 3314.091 of the Revised 18166  
Code, the board of education of each city, local, and exempted 18167  
village school district shall provide transportation to and from 18168  
school for its district's native students enrolled in a community 18169  
school located in that district or another district on the same 18170  
basis that it provides transportation for its native students 18171  
enrolled in schools to which they are assigned by the board of 18172  
education at the same grade level and who live the same distance 18173  
from school except when, in the judgment of the board, confirmed 18174  
by the state board of education, the transportation is unnecessary 18175  
or unreasonable. A board shall not be required to transport 18176  
nonhandicapped students to and from a community school located in 18177  
another school district if the transportation would require more 18178  
than thirty minutes of direct travel time as measured by school 18179  
bus from the collection point designated by the district's 18180  
coordinator of school transportation. 18181

(C) Where it is impractical to transport a pupil to and from 18182  
a community school by school conveyance, a board may, in lieu of 18183  
providing the transportation, pay a parent, guardian, or other 18184  
person in charge of the child. The amount paid per pupil shall in 18185  
no event exceed the average transportation cost per pupil, which 18186  
shall be based on the cost of transportation of children by all 18187  
boards of education in this state during the next preceding year. 18188

(D) The daily and annual instructional schedules of a 18189  
community school are the sole responsibility of the community 18190  
school's governing authority, and are subject only to the 18191  
requirements of this chapter and the governing authority's 18192  
contract with its sponsor. Each school district board of education 18193  
that is required to provide transportation for community school 18194  
students under this section shall provide the transportation in 18195  
accordance with those schedules so that students may be present on 18196

time and at all times that the community school is open for 18197  
instruction. 18198

Sec. 3314.091. (A) A school district is not required to 18199  
provide transportation for any native student enrolled in a 18200  
community school if the district board of education has entered 18201  
into an agreement with the community school's governing authority 18202  
that designates the community school as responsible for providing 18203  
or arranging for the transportation of the district's native 18204  
students to and from the community school. For any such agreement 18205  
to be effective, it must be certified by the superintendent of 18206  
public instruction as having met both of the following 18207  
requirements: 18208

(1) It is submitted to the department of education by a 18209  
deadline which shall be established by the department. 18210

(2) It specifies qualifications, such as residing a minimum 18211  
distance from the school, for students to have their 18212  
transportation provided or arranged. 18213

(B)(1) A community school governing board that enters into an 18214  
agreement to provide transportation under this section shall 18215  
provide or arrange transportation free of any charge for each of 18216  
its enrolled students in grades kindergarten through eight who 18217  
live more than two miles from the school, except that the 18218  
governing board may make a payment in lieu of providing 18219  
transportation to the parent, guardian, or person in charge of the 18220  
student at the same rate as specified for a school district board 18221  
in division (C) of section 3314.09 of the Revised Code if the 18222  
drive time measured by the vehicle specified by the school for 18223  
transporting the students from the student's residence to the 18224  
school is more than thirty minutes. The governing board may 18225  
provide or arrange transportation for any other enrolled student 18226  
and may charge a fee for such service. The governing board may 18227

## As Reported by the Senate Finance and Financial Institutions Committee

request the payment specified under division (C) of this section 18228  
for any student it transports, for whom it arranges 18229  
transportation, or for whom it makes a payment in lieu of 18230  
providing transportation if the student lives more than one mile 18231  
from the community school. 18232

(2) Notwithstanding anything to the contrary in division 18233  
(B)(1) of this section, a community school governing board shall 18234  
provide or arrange transportation free of any charge for any 18235  
disabled student enrolled in the school for whom the student's 18236  
individualized education program developed under Chapter 3323. of 18237  
the Revised Code specifies transportation. 18238

(C)(1) If a school district board and a community school 18239  
governing authority elect to enter into an agreement under this 18240  
section, the department of education annually shall pay the 18241  
community school the amount specified in division (C)(2) of this 18242  
section for each of the enrolled students for whom the school's 18243  
governing authority provides or arranges transportation to and 18244  
from school. The department shall deduct the payment from the 18245  
state payment under Chapter 3317. and, if necessary, sections 18246  
321.14 and 323.156 of the Revised Code that is otherwise paid to 18247  
the school district in which the student enrolled in the community 18248  
school resides. The department shall include the number of the 18249  
district's native students for whom payment is made to a community 18250  
school under this division in the calculation of the district's 18251  
transportation payment under division (D) of section 3317.022 of 18252  
the Revised Code. 18253

A community school shall be paid under this division only for 18254  
students who live more than one mile from the school and whose 18255  
transportation to and from school is actually provided or arranged 18256  
or for whom a payment in lieu of transportation is made by the 18257  
community school's governing authority. To qualify for the 18258  
payments, the community school shall report to the department, in 18259

## As Reported by the Senate Finance and Financial Institutions Committee

the form and manner required by the department, data on the number of students transported or whose transportation is arranged, the number of miles traveled, cost to transport, and any other information requested by the department.

A community school shall use payments received under this division solely to pay the costs of providing or arranging for the transportation of students who live more than one mile from the school, which may include payments to a parent, guardian, or other person in charge of a child in lieu of transportation.

(2) The payment to a community school governing authority under this section for each student who lives more than one mile from the school or who is disabled and whose individualized education program requires transportation and for whom the school actually provides or arranges transportation or makes a payment in lieu of providing transportation, shall be made according to the following schedule:

(a) In fiscal year 2002, four-hundred fifty dollars per student;

(b) In fiscal year 2003 and every fiscal year thereafter, the amount specified in division (C)(2)(a) of this section multiplied by the negative or positive percentage of change reported in the consumer price index (all urban consumers, transportation) by the bureau of labor statistics of the United States department of labor from the beginning of the calendar year that ended just prior to the beginning of the fiscal year to the end of that calendar year.

(D) Except when arranged through payment to a parent, guardian, or person in charge of a child, transportation provided or arranged for by a community school pursuant to an agreement under this section is subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to

As Reported by the Senate Finance and Financial Institutions Committee

the construction, design, equipment, and operation of school buses and other vehicles transporting students to and from school. The drivers and mechanics of the vehicles are subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to drivers and mechanics of such vehicles. The community school also shall comply with sections 3313.201, 3327.09, and 3327.10 and division (B) of section 3327.16 of the Revised Code as if it were a school district. For purposes of complying with section 3327.10 of the Revised Code, the educational service center that serves the county in which the community school is located shall be the certifying agency, unless the agreement designates the school district as the certifying agency.

**Sec. 3316.20.** (A)(1) The school district solvency assistance fund is hereby created in the state treasury, to consist of such amounts designated for the purposes of the fund by the general assembly. The fund shall be used to provide assistance and grants to school districts to enable them to remain solvent and to pay unforeseeable expenses of a temporary or emergency nature that they are unable to pay from existing resources.

(2) There is hereby created within the fund an account known as the school district shared resource account, which shall consist of money appropriated to it by the general assembly. The money in the account shall be used solely for solvency assistance to school districts that have been declared under division (B)~~(1)~~ ~~or (5)~~ of section 3316.03 of the Revised Code to be in a state of fiscal emergency ~~because of a certified operating deficit exceeding ten per cent.~~

(3) There is hereby created within the fund an account known as the catastrophic expenditures account, which shall consist of

money appropriated to the account by the general assembly plus all 18322  
investment earnings of the fund. Money in the account shall be 18323  
used solely for the following: 18324

(a) Solvency assistance to school districts that have been 18325  
declared under division (B)~~(1) or (5)~~ of section 3316.03 of the 18326  
Revised Code to be in a state of fiscal emergency ~~because of a~~ 18327  
~~certified operating deficit exceeding ten per cent~~, in the event 18328  
that all money in the shared resource account is utilized for 18329  
solvency assistance; 18330

(b) Grants to school districts under division (C) of this 18331  
section. 18332

(B) Solvency assistance payments under division (A)(2) or 18333  
(3)(a) of this section shall be made from the fund by the 18334  
superintendent of public instruction in accordance with rules 18335  
adopted by the director of budget and management, after consulting 18336  
with the superintendent, specifying approval criteria and 18337  
procedures necessary for administering the fund. 18338

The fund shall be reimbursed for any solvency assistance 18339  
amounts paid under division (A)(2) or (3)(a) of this section not 18340  
later than the end of the second fiscal year following the fiscal 18341  
year in which the solvency assistance payment was made. If not 18342  
made directly by the school district, such reimbursement shall be 18343  
made by the director of budget and management from the amounts the 18344  
school district would otherwise receive pursuant to sections 18345  
3317.022 to 3317.025 of the Revised Code, or from any other funds 18346  
appropriated for the district by the general assembly. 18347  
Reimbursements shall be credited to the respective account from 18348  
which the solvency assistance paid to the district was deducted. 18349

(C) The superintendent of public instruction may make 18350  
recommendations, and the controlling board may grant money from 18351  
the catastrophic expenditures account to any school district that 18352

## As Reported by the Senate Finance and Financial Institutions Committee

suffers an unforeseen catastrophic event that severely depletes 18353  
the district's financial resources. The superintendent shall make 18354  
recommendations for the grants in accordance with rules adopted by 18355  
the director of budget and management after consulting with the 18356  
superintendent. A school district shall not be required to repay 18357  
any grant awarded to the district under this division unless the 18358  
district receives money from a third party, including an agency of 18359  
the government of the United States, specifically for the purpose 18360  
of compensating the district for expenses incurred as a result of 18361  
the unforeseen catastrophic event. 18362

**Sec. 3317.012.** (A)(1) The general assembly, having analyzed 18363  
school district expenditure and cost data for fiscal year ~~1996~~ 18364  
1999, performed the calculation described in division (B) of this 18365  
section, ~~and~~ adjusted the results for inflation, and added the 18366  
amounts described in division (A)(2) of this section, hereby 18367  
determines that the base cost of an adequate education per pupil 18368  
for the fiscal year beginning July 1, ~~1998~~ 2001, is ~~\$4,063~~ \$4,814. 18369  
For the five following fiscal years, the base cost per pupil for 18370  
each of those years, reflecting an annual rate of inflation of two 18371  
and eight-tenths per cent, is ~~\$4,177~~ \$4,949 for fiscal year ~~2000~~ 18372  
2003, ~~\$4,294~~ \$5,088 for fiscal year ~~2001~~ 2004, ~~\$4,414~~ \$5,230 for 18373  
fiscal year ~~2002~~ 2005, ~~\$4,538~~ \$5,376 for fiscal year ~~2003~~ 2006, 18374  
and ~~\$4,665~~ \$5,527 for fiscal year ~~2004~~ 2007. 18375

(2) The base cost per pupil amounts specified in division 18376  
(A)(1) of this section include amounts to reflect the cost to 18377  
school districts of increasing the minimum number of high school 18378  
academic units required for graduation beginning September 15, 18379  
2001, under section 3313.603 of the Revised Code. Analysis of 18380  
fiscal year 1999 data revealed that the school districts meeting 18381  
the requirements of division (B) of this section on average 18382  
required high school students to complete a minimum of nineteen 18383  
and eight-tenths units to graduate. The general assembly 18384

## As Reported by the Senate Finance and Financial Institutions Committee

determines that the cost of funding the additional two-tenths unit 18385  
required by section 3313.603 of the Revised Code is \$12 per pupil 18386  
in fiscal year 2002. This amount was added after the calculation 18387  
described in division (B) of this section and the adjustment for 18388  
inflation from fiscal year 1999 to fiscal year 2002. It is this 18389  
total amount, the calculated base cost plus the supplement to pay 18390  
for the additional partial unit, that constitutes the base cost 18391  
amount specified in division (A)(1) of this section for fiscal 18392  
year 2002 and that is inflated to produce the base cost amounts 18393  
for fiscal years 2003 through 2007. 18394

(B) In determining the base cost stated in division (A) of 18395  
this section, capital and debt costs, costs paid for by federal 18396  
funds, and costs covered by funds provided ~~pursuant to sections~~ 18397  
~~3317.023 and 3317.024 of the Revised Code as they existed prior to~~ 18398  
~~July 1, 1998,~~ for disadvantaged pupil impact aid and 18399  
transportation were excluded, as were the effects on the 18400  
districts' state funds of the application of the 18401  
cost-of-doing-business factors, assuming ~~an eighteen~~ a seven and 18402  
one-half per cent variance. 18403

The base cost for fiscal year ~~1996~~ 1999 was calculated as the 18404  
unweighted average cost per student, on a school district basis, 18405  
of educating students who were not receiving vocational education 18406  
or services pursuant to Chapter 3323. of the Revised Code and who 18407  
were enrolled in a city, exempted village, or local school 18408  
district that in fiscal year ~~1994~~ 1999 met all of the following 18409  
criteria: 18410

(1) The district met at least ~~all but one~~ twenty of the 18411  
following twenty-seven performance standards: 18412

(a) A three ninety per cent or ~~lower dropout~~ higher 18413  
graduation rate; 18414

This model for calculating the base cost of an adequate 18518  
education is expenditure-based. The general assembly recognizes 18519  
that increases in state funding to school districts since fiscal 18520  
year 1996, the fiscal year upon which the general assembly based 18521  
its model for calculating state funding to school districts for 18522  
fiscal years 1999 through 2001, has increased school district base 18523  
cost expenditures for fiscal year 1999, the fiscal year upon which 18524  
the general assembly based its model for calculating state funding 18525  
for fiscal years 2002 through 2007. In the case of school 18526  
districts included in the fiscal year 1999 model that also had met 18527  
the fiscal year 1996 performance criteria of former division 18528  
(B)(1) of this section, the increased state funding may have 18529  
driven the districts' expenditures beyond the expenditures that 18530  
were actually needed to maintain their educational programs at the 18531  
level necessary to maintain their ability to meet the fiscal year 18532  
1999 performance criteria of current division (B)(1) of this 18533  
section. The general assembly has determined to control for this 18534  
effect by stipulating in the later model that the fiscal year 1999 18535  
base cost expenditures of the districts that also met the 18536  
performance criteria of former division (B)(1) of this section 18537  
equals their base cost expenditures per pupil for fiscal year 18538  
1996, inflated to fiscal year 1999 using an annual rate of 18539

## As Reported by the Senate Finance and Financial Institutions Committee

inflation of two and eight-tenths per cent. However, if this 18540  
inflated amount exceeded the district's actual fiscal year 1999 18541  
base cost expenditures per pupil, the district's actual fiscal 18542  
year 1999 base cost expenditures per pupil were used in the 18543  
calculation. For districts in the 1999 model that did not also 18544  
meet the performance criteria of former division (B)(1) of this 18545  
section, the actual 1999 base cost per pupil expenditures were 18546  
used in the calculation of the average district per pupil costs of 18547  
the model districts. 18548

(C) In July of ~~2000~~ 2005, and in July of every six years 18549  
thereafter, the speaker of the house of representatives and the 18550  
president of the senate shall each appoint three members to a 18551  
committee to reexamine the cost of an adequate education. No more 18552  
than two members from any political party shall represent each 18553  
house. The director of budget and management and the 18554  
superintendent of public instruction shall serve as nonvoting ex 18555  
officio members of the committee. 18556

The committee shall select a rational methodology for 18557  
calculating the costs of an adequate education system for the 18558  
ensuing six-year period, and shall report the methodology and the 18559  
resulting costs to the general assembly. In performing its 18560  
function, the committee is not bound by any method used by 18561  
previous general assemblies to examine and calculate costs and 18562  
instead may utilize any rational method it deems suitable and 18563  
reasonable given the educational needs and requirements of the 18564  
state at that time. 18565

The methodology for determining the cost of an adequate 18566  
education system shall take into account the basic educational 18567  
costs that all districts incur in educating regular students, the 18568  
unique needs of special categories of students, and significant 18569  
special conditions encountered by certain classifications of 18570  
school districts. 18571

## As Reported by the Senate Finance and Financial Institutions Committee

The committee also shall redetermine, for purposes of 18572  
updating the parity aid calculation under section 3317.0217 of the 18573  
Revised Code, the average number of effective operating mills that 18574  
school districts in the seventieth to ninetieth percentiles of 18575  
valuations per pupil collect above the revenues required to 18576  
finance their attributed local shares of the calculated cost of an 18577  
adequate education. 18578

Any committee appointed pursuant to this section shall make 18579  
its report to the office of budget and management and the general 18580  
assembly within ~~six months~~ one year of its appointment so that the 18581  
information is available for use by the office and the general 18582  
assembly in preparing the next biennial appropriations act. 18583

(D)(1) For purposes of this division, an "update year" is the 18584  
first fiscal year for which the per pupil base cost of an adequate 18585  
education is in effect after being recalculated by the general 18586  
assembly. The first update year is fiscal year 2002. The second 18587  
update year is fiscal year 2008. 18588

(2) The general assembly shall recalculate the per pupil base 18589  
cost of an adequate education every six years after considering 18590  
the recommendations of the committee appointed under division (C) 18591  
of this section. At the time of the recalculation, for each of the 18592  
five fiscal years following the update year, the general assembly 18593  
shall adjust the base cost recalculated for the update year using 18594  
an annual rate of inflation that the general assembly determines 18595  
appropriate. 18596

(3) The general assembly shall include, in the act 18597  
appropriating state funds for education programs for a fiscal 18598  
biennium that begins with an update year, a statement of its 18599  
determination of the total state share percentage of base cost and 18600  
parity aid funding for the update year. 18601

(4) During its biennial budget deliberations, the general 18602

## As Reported by the Senate Finance and Financial Institutions Committee

assembly shall determine the total state share percentage of base 18603  
cost and parity aid funding for each fiscal year of the upcoming 18604  
biennium. This determination shall be based on the latest 18605  
projections and data provided by the department of education under 18606  
division (D)(6) of this section prior to the enactment of 18607  
education appropriations for the upcoming biennium. If, based on 18608  
those latest projections and data, the general assembly determines 18609  
that the total state share percentage for either or both nonupdate 18610  
fiscal years varies more than two and one-half percentage points 18611  
more or less than the total state share percentage for the most 18612  
recent update year, as previously stated by the general assembly 18613  
under division (D)(3) of this section, the general assembly shall 18614  
determine and enact a method that it considers appropriate to 18615  
restrict the estimated variance for each year to within two and 18616  
one-half percentage points. The general assembly's methods may 18617  
include, but are not required to include and need not be limited 18618  
to, reexamining the rate of millage charged off as the local share 18619  
of base cost funding under divisions (A)(1) and (2) of section 18620  
3317.022 of the Revised Code. Regardless of any changes in 18621  
charge-off millage rates in years between update years, however, 18622  
the charge-off millage rate for update years shall be twenty-three 18623  
mills, unless the general assembly determines that a different 18624  
millage rate is more appropriate to share the total calculated 18625  
base cost between the state and school districts. 18626

(5) The total state share percentage of base cost and parity 18627  
aid funding for any fiscal year is calculated as follows: 18628

[(Total state base cost + total state parity aid funding) - 18629  
statewide charge-off amount] / (Total state base cost + total 18629  
state parity aid funding) 18630

Where: 18632

(a) The total state base cost equals the sum of the base 18633  
costs for all school districts for the fiscal year. 18634

 <b>Sec. 3317.013.</b> This section does not apply to handicapped	18665

preschool students. 18666

Analysis of special education cost data has resulted in a 18667  
finding that the average special education additional cost per 18668  
pupil, including the costs of related services, can be expressed 18669  
as a multiple of the base cost per pupil calculated under section 18670  
3317.012 of the Revised Code. The multiples for the following 18671  
categories of special education programs, as these programs are 18672  
defined for purposes of Chapter 3323. of the Revised Code, are as 18673  
follows: 18674

(A) A multiple of ~~0.22~~ 0.21 for students identified as 18675  
specific learning disabled, other health handicapped, or 18676  
developmentally handicapped, as these terms are defined pursuant 18677  
to Chapter 3323. of the Revised Code; 18678

(B) A multiple of ~~3.01~~ 2.85 for students identified as 18679  
hearing handicapped, orthopedically handicapped, vision impaired, 18680  
multihandicapped, and severe behavior handicapped, as these terms 18681  
are defined pursuant to Chapter 3323. of the Revised Code. 18682

Further analysis indicates that approximately one-eighth of 18683  
the total costs of serving special education students consists of 18684  
the furnishing of the related services specified in division 18685  
(B)(3) of section 3317.022 of the Revised Code. 18686

The general assembly has adjusted the multiples specified in 18687  
this section for calculating payments beginning in fiscal year 18688  
2002 in recognition that its policy change regarding the 18689  
application of the cost-of-doing-business factor produces a higher 18690  
base cost amount than would exist if no change were made to its 18691  
application. The adjustment maintains the same weighted costs as 18692  
would exist if no change were made to the application of the 18693  
cost-of-doing-business factor. 18694

**Sec. 3317.014.** The average vocational education additional 18695  
cost per pupil can be expressed as a multiple of the base cost per 18696

pupil calculated under section 3317.012 of the Revised Code. the 18697  
 multiples for the following categories of vocational education 18698  
 programs are as follows: 18699

(A) A multiple of ~~0.60~~ 0.57 for students enrolled in 18700  
 vocational education job-training and workforce development 18701  
 programs approved by the department of education in accordance 18702  
 with rules adopted under section 3313.90 of the Revised Code. 18703

The rules adopted under this division may provide for 18704  
programs that include instructional time beyond the normal periods 18705  
of instruction, including summers, for areas of study such as 18706  
agriculture. For any such program, the multiple of 0.57 may be 18707  
apportioned so that the multiple for the normal school year is 18708  
less than the multiple for the additional instructional time but 18709  
that a school district may receive the entire value of the weight 18710  
for the program if the program extends beyond the normal periods 18711  
of instruction. 18712

(B) A multiple of ~~0.30~~ 0.28 for students enrolled in 18713  
 vocational education classes other than job-training and workforce 18714  
 development programs. 18715

Vocational education associated services costs can be 18716  
 expressed as a multiple of 0.05 of the base cost per pupil 18717  
 calculated under section 3317.012 of the Revised Code. 18718

The general assembly has adjusted the multiples specified in 18719  
this section for calculating payments beginning in fiscal year 18720  
2002 in recognition that its policy change regarding the 18721  
application of the cost-of-doing-business factor produces a higher 18722  
base cost amount than would exist if no change were made to its 18723  
application. The adjustment maintains the same weighted costs as 18724  
would exist if no change were made to the application of the 18725  
cost-of-doing-business factor. 18726

**Sec. 3317.02.** As used in this chapter: 18727

Thereafter, the formula amount shall be as specified in that section.~~

However, as applicable in fiscal years 1999 and 2000, the three-year average for city, local, and exempted village school districts shall be determined utilizing the FY 1997 ADM or FY 1998 ADM in lieu of formula ADM for fiscal year 1997 or 1998. In fiscal years 2000 and 2001, the three-year average for joint vocational school districts shall be determined utilizing the average daily membership reported in fiscal years 1998 and 1999 under division (D) of section 3317.03 of the Revised Code in lieu of formula ADM

for fiscal years 1998 and 1999. 18760

(E) "FY 1997 ADM" or "FY 1998 ADM" means the school 18761  
district's average daily membership reported for the applicable 18762

preschool children; 18767

(2) Minus one-half of the average daily membership attending 18768  
kindergarten; 18769

(3) Minus three-fourths of the average daily membership 18770  
attending a joint vocational school district; 18771

(4) Plus the average daily membership entitled under section 18772

district but receiving educational services in approved units from 18774  
an educational service center or another school district under a 18775  
compact or a cooperative education agreement, as determined by the 18776  
department; 18777

(5) Minus the average daily membership receiving educational 18778  
services from the district in approved units but entitled under 18779  
section 3313.64 or 3313.65 of the Revised Code to attend school in 18780  
another school district, as determined by the department. 18781

(F)(1) "Category one special education ADM" means the average 18782  
daily membership of handicapped children receiving special 18783  
education services for those handicaps specified in division (A) 18784  
of section 3317.013 of the Revised Code and reported under 18785

district may submit to the superintendent of public instruction 19226  
documentation, as prescribed by the superintendent, of all its 19227  
costs for that student. Upon submission of documentation for a 19228  
student of the type and in the manner prescribed, the department 19229  
shall pay to the district an amount equal to the sum of the 19230

in its category three special education ADM are twenty-five 19238  
thousand dollars or more, the district may submit to the 19239  
superintendent of public instruction documentation, as prescribed 19240

(i) One-half of the district's costs for the student in 19245  
excess of twenty-five thousand dollars; 19246

(ii) The product of one-half of the district's costs for the 19247  
student in excess of twenty-five thousand dollars multiplied by 19248  
the district's state share percentage. 19249

(c) In any fiscal year after fiscal year 2002, if a 19250  
district's costs for a student in its category three special 19251  
education ADM are twenty thousand dollars or more, the district 19252  
may submit to the superintendent of public instruction 19253  
documentation, as prescribed by the superintendent, of all its 19254  
costs for that student. Upon submission of documentation for a 19255  
student of the type and in the manner prescribed, the department 19256

student in excess of twenty thousand dollars multiplied by the 19262  
district's state share percentage. 19263

(d) The district shall only report under divisions (C)(4)(a) 19264  
to (c) of this section, and the department shall only pay for, the 19265  
costs of educational expenses and the related services provided to 19266  
the student in accordance with the student's individualized 19267  
education program. Any legal fees, court costs, or other costs 19268  
associated with any cause of action relating to the student may 19269  
not be included in the amount. 19270

(5)(a) As used in this division, the "personnel allowance" 19271  
means ~~twenty-five thousand dollars in fiscal year 2000 and thirty~~ 19272  
thousand dollars in fiscal year ~~2001~~ 2002 and fifty-five thousand 19273  
six hundred fifty-two dollars in fiscal year 2003. 19274

(b) For the provision of speech services to students and for 19275  
no other purpose, the department of education shall pay each 19276  
school district an amount calculated under the following formula: 19277

(formula ADM divided by 2000) X 19278

the personnel allowance X the state share percentage 19279

(6) In any fiscal year, a school district receiving funds 19280  
under division (C)(1) of this section shall spend those funds only 19281  
for the purposes that the department designates as approved for 19282  
special education expenses. 19283

(D)(1) As used in this division: 19284

(a) "Daily bus miles per student" equals the number of bus 19285  
miles traveled per day, divided by transportation base. 19286

## As Reported by the Senate Finance and Financial Institutions Committee

(b) "Transportation base" equals total student count as defined in section 3301.011 of the Revised Code, minus the number of students enrolled in preschool handicapped units, plus the number of nonpublic school students included in transportation ADM.

(c) "Transported student percentage" equals transportation ADM divided by transportation base.

(d) "Transportation cost per student" equals total operating costs for board-owned or contractor-operated school buses divided by transportation base.

(2) Analysis of student transportation cost data has resulted in a finding that an average efficient transportation use cost per student can be calculated by means of a regression formula that has as its two independent variables the number of daily bus miles per student and the transported student percentage. For fiscal year 1998 transportation cost data, the average efficient transportation use cost per student is expressed as follows:

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + (116.25573 \times \text{transported student percentage})$$

The department of education shall annually determine the average efficient transportation use cost per student in accordance with the principles stated in division (D)(2) of this section, updating the intercept and regression coefficients of the regression formula modeled in this division, based on an annual statewide analysis of each school district's daily bus miles per student, transported student percentage, and transportation cost per student data. The department shall conduct the annual update using data, including daily bus miles per student, transported student percentage, and transportation cost per student data, from the prior fiscal year. The department shall notify the office of budget and management of such update by the fifteenth day of

February of each year. 19319

(3) In addition to funds paid under divisions (A), (C), and 19320  
(E) of this section, each district with a transported student 19321  
percentage greater than zero shall receive a payment equal to a 19322  
percentage of the product of the district's transportation base 19323  
from the prior fiscal year times the annually updated average 19324  
efficient transportation use cost per student, times an inflation 19325  
factor of two and eight tenths per cent to account for the 19326  
one-year difference between the data used in updating the formula 19327  
and calculating the payment and the year in which the payment is 19328  
made. The percentage shall be the following percentage of that 19329  
product specified for the corresponding fiscal year: 19330

FISCAL YEAR	PERCENTAGE	
2000	52.5%	19331
2001	55%	19332
2002	57.5%	19333
2003 and thereafter	<u>The greater</u> <u>of 60% or</u> <u>the</u> <u>district's</u> <u>state share</u> <u>percentage</u>	19334

The payments made under division (D)(3) of this section each 19336  
year shall be calculated based on all of the same prior year's 19337  
data used to update the formula. 19338

(4) In addition to funds paid under divisions (D)(2) and (3) 19339  
of this section, a school district shall receive a rough road 19340  
subsidy if both of the following apply: 19341

(a) Its county rough road percentage is higher than the 19342  
statewide rough road percentage, as those terms are defined in 19343  
division (D)(5) of this section; 19344

## As Reported by the Senate Finance and Financial Institutions Committee

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division. 19345  
19346

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula: 19347  
19348  
19349

(per rough mile subsidy X total rough road miles) X  
density multiplier 19350  
19351

where: 19352

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula: 19353  
19354

$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$  19355  
19356  
19357  
19358

(i) "Maximum rough road percentage" means the highest county rough road percentage in the state. 19359  
19360

(ii) "County rough road percentage" equals the percentage of the mileage of state, municipal, county, and township roads that is rated by the department of transportation as type A, B, C, E2, or F in the county in which the school district is located or, if the district is located in more than one county, the county to which it is assigned for purposes of determining its cost-of-doing-business factor. 19361  
19362  
19363  
19364  
19365  
19366  
19367

(iii) "Statewide rough road percentage" means the percentage of the statewide total mileage of state, municipal, county, and township roads that is rated as type A, B, C, E2, or F by the department of transportation. 19368  
19369  
19370  
19371

(b) "Total rough road miles" means a school district's total bus miles traveled in one year times its county rough road percentage. 19372  
19373  
19374

## As Reported by the Senate Finance and Financial Institutions Committee

(c) "Density multiplier" means a figure calculated in accordance with the following formula:

$$1 - \left[ \frac{\text{minimum student density} - \text{district student density}}{\text{minimum student density} - \text{statewide student density}} \right]$$

(i) "Minimum student density" means the lowest district student density in the state.

(ii) "District student density" means a school district's transportation base divided by the number of square miles in the district.

(iii) "Statewide student density" means the sum of the transportation bases for all school districts divided by the sum of the square miles in all school districts.

(6) In addition to funds paid under divisions (D)(2) to (5) of this section, each district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than board-owned or contractor-operated buses and whose transportation is not funded under division (J) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students.

~~(7) Notwithstanding divisions (D)(1) to (6) of this section, in fiscal year 2000 only, each school district shall receive the greater of the total amount calculated for it under those divisions and division (J) of section 3317.024 of the Revised Code or the total amount calculated for it for types one through six student transportation operating funds in fiscal year 1999. For purposes of division (D)(7) of this section, the fiscal year 1999 guaranteed total amount does not include subsidies for school bus purchases.~~

(E)(1) The department shall compute and distribute state

vocational education additional weighted costs funds to each 19406  
school district in accordance with the following formula: 19407

state share percentage X 19408

the formula amount X 19409

total vocational education weight 19410

In any fiscal year, a school district receiving funds under 19411  
division (E)(1) of this section shall spend those funds only for 19412  
the purposes that the department designates as approved for 19413  
vocational education expenses. 19414

(2) The department shall compute for each school district 19415  
state funds for vocational education associated services in 19416  
accordance with the following formula: 19417

state share percentage X .05 X 19418

the formula amount X the sum of categories one and two 19419

vocational education ADM 19420

In any fiscal year, a school district receiving funds under 19421  
division (E)(2) of this section, or through a transfer of funds 19422  
pursuant to division (L) of section 3317.023 of the Revised Code, 19423  
shall spend those funds only for the purposes that the department 19424  
designates as approved for vocational education associated 19425  
services expenses, which may include such purposes as 19426  
apprenticeship coordinators, coordinators for other vocational 19427  
education services, vocational evaluation, and other purposes 19428  
designated by the department. The department may deny payment 19429  
under division (E)(2) of this section to any district that the 19430  
department determines is not operating those services or is using 19431  
funds paid under division (E)(2) of this section, or through a 19432  
transfer of funds pursuant to division (L) of section 3317.023 of 19433  
the Revised Code, for other purposes. 19434

~~In fiscal years 2000 and 2001, each school district shall 19435~~  
~~continue to offer the same number of the vocational education 19436~~  
~~programs that the district offered in fiscal year 1999, unless the 19437~~

## As Reported by the Senate Finance and Financial Institutions Committee

~~department of education expressly agrees that the district may  
offer fewer programs in either fiscal year 2000 or 2001 or both.~~

(F) Beginning in fiscal year 2003, the actual local share in  
any fiscal year for the combination of special education and  
related services additional weighted costs funding calculated  
under division (C)(1) of this section, transportation funding  
calculated under divisions (D)(2) and (3) of this section, and  
vocational education and associated services additional weighted  
costs funding calculated under divisions (E)(1) and (2) of this  
section shall not exceed for any school district the product of  
three mills times the district's recognized valuation. Beginning  
in fiscal year 2003, the department annually shall pay each school  
district as an excess cost supplement any amount by which the sum  
of the district's attributed local shares for that funding exceeds  
that product. For purposes of calculating the excess cost  
supplement:

(1) The attributed local share for special education and  
related services additional weighted costs funding is the amount  
specified in division (C)(3) of this section.

(2) The attributed local share of transportation funding  
equals the difference of the total amount calculated for the  
district using the formula developed under division (D)(2) of this  
section minus the actual amount paid to the district after  
applying the percentage specified in division (D)(3) of this  
section.

(3) The attributed local share of vocational education and  
associated services additional weighted costs funding is the  
amount determined as follows:

(1 - state share percentage) X  
[(total vocational education weight X the formula amount) +  
the payment under division (E)(2) of this section]

**Sec. 3317.023.** (A) Notwithstanding section 3317.022 of the Revised Code, the amounts required to be paid to a district under this chapter shall be adjusted by the amount of the computations made under divisions (B) to ~~(K)~~(L) of this section.

(B) If the district employs less than one full-time 19511  
equivalent classroom teacher for each twenty-five pupils in the 19512  
regular student population in any school district, deduct the sum 19513  
of the amounts obtained from the following computations: 19514

(1) Divide the number of the district's full-time equivalent 19515  
classroom teachers employed by one twenty-fifth; 19516

(2) Subtract the quotient in (1) from the district's regular 19517  
student population; 19518

(3) Multiply the difference in (2) by seven hundred fifty-two 19519

by multiplying the number of full-time equivalent classroom 19522  
teachers by: 19523

(1) The mean annual salary of all full-time equivalent 19524  
classroom teachers employed by the district at their respective 19525

district's mean salary under this division, those full-time 19533  
equivalent classroom teachers with the highest training level 19534  
shall be counted first, those with the next highest training level 19535  
second, and so on, in descending order. Within the respective 19536  
training levels, teachers with the highest years of service shall 19537  
be counted first, the next highest years of service second, and so 19538  
on, in descending order. 19539

(D) This division does not apply to a school district that 19540  
has entered into an agreement under division (A) of section 19541  
3313.42 of the Revised Code. Deduct the amount obtained from the 19542  
following computations if the district employs fewer than five 19543  
full-time equivalent educational service personnel, including 19544  
elementary school art, music, and physical education teachers, 19545  
counselors, librarians, visiting teachers, school social workers, 19546

service personnel employed by the district by five 19550  
one-thousandths; 19551

(2) Subtract the quotient in (1) from the district's regular 19552  
student population; 19553

(3) Multiply the difference in (2) by ninety-four dollars. 19554

(E) If a local school district, or a city or exempted village 19555  
school district to which a governing board of an educational 19556  
service center provides services pursuant to section 3313.843 of 19557  
the Revised Code, deduct the amount of the payment required for 19558  
the reimbursement of the governing board under section 3317.11 of 19559  
the Revised Code. 19560

(c) If, in any fiscal year, the information provided by the 19871

or equal to thirty-five-hundredths, but less than one, an amount 19895  
obtained by multiplying the ~~five-year average number of pupils in~~ 19896  
~~a district receiving family assistance~~ district's DPIA student 19897  
count by two hundred thirty dollars; 19898

(2) If the DPIA index of the school district is greater than 19899  
or equal to one, an amount obtained by multiplying the DPIA index 19900

by two hundred thirty dollars and multiplying that product by the  
~~five-year average number of pupils in a district receiving family~~  
assistance district's DPIA student count.

Except as otherwise provided in division (F) of this section,  
beginning with the school year that starts July 1, 2002, each  
school district annually shall use at least twenty per cent of the  
funds calculated for the district under this division for  
intervention services required by section 3313.608 of the Revised  
Code.

(D) A payment for all-day kindergarten if the DPIA index of  
the school district is greater than or equal to one or if the  
district's three-year average formula ADM exceeded seventeen  
thousand five hundred, calculated by multiplying the all-day  
kindergarten percentage by the kindergarten ADM and multiplying  
that product by the formula amount.

(E) A class-size reduction payment based on calculating the  
number of new teachers necessary to achieve a lower  
student-teacher ratio, as follows:

(1) Determine or calculate a formula number of teachers per  
one thousand students based on the DPIA index of the school  
district as follows:

(a) If the DPIA index of the school district is less than  
six-tenths, the formula number of teachers is 43.478, which is the  
number of teachers per one thousand students at a student-teacher  
ratio of twenty-three to one;

(b) If the DPIA index of the school district is greater than  
or equal to six-tenths, but less than two and one-half, the  
formula number of teachers is calculated as follows:

$$43.478 + \{[(\text{DPIA index} - 0.6) / 1.9] \times 23.188\}$$

Where 43.478 is the number of teachers per one thousand  
students at a student-teacher ratio of twenty-three to one; 1.9 is

the interval from a DPIA index of six-tenths to a DPIA index of two and one-half; and 23.188 is the difference in the number of teachers per one thousand students at a student-teacher ratio of fifteen to one and the number of teachers per one thousand students at a student-teacher ratio of twenty-three to one.

(c) If the DPIA index of the school district is greater than or equal to two and one-half, the formula number of teachers is 66.667, which is the number of teachers per one thousand students at a student-teacher ratio of fifteen to one.

(2) Multiply the formula number of teachers determined or calculated in division (E)(1) of this section by the kindergarten through third grade ADM for the district and divide that product by one thousand;

(3) Calculate the number of new teachers as follows:

(a) Multiply the kindergarten through third grade ADM by 43.478, which is the number of teachers per one thousand students at a student-teacher ratio of twenty-three to one, and divide that product by one thousand;

(b) Subtract the quotient obtained in division (E)(3)(a) of this section from the product in division (E)(2) of this section.

(4) Multiply the greater of the difference obtained under division (E)(3) of this section or zero by the statewide average teachers salary.

(F) This division applies only to school districts whose DPIA index is one or greater.

(1) Each school district subject to this division shall first utilize funds received under this section so that, when combined with other funds of the district, sufficient funds exist to provide all-day kindergarten to at least the number of children in the district's all-day kindergarten percentage.

## As Reported by the Senate Finance and Financial Institutions Committee

(2) Up to an amount equal to the district's DPIA index 19962  
 multiplied by ~~the five-year average number of pupils in a district~~ 19963  
~~receiving family assistance~~ its DPIA student count multiplied by 19964  
 two hundred thirty dollars of the money distributed under this 19965  
 section may be utilized for one or both of the following: 19966

(a) Programs designed to ensure that schools are free of 19967  
 drugs and violence and have a disciplined environment conducive to 19968  
 learning; 19969

(b) Remediation for students who have failed or are in danger 19970  
 of failing any of the proficiency tests administered pursuant to 19971  
 section 3301.0710 of the Revised Code. 19972

Beginning with the school year that starts on July 1, 2002, 19973  
each school district shall use at least twenty per cent of the 19974  
funds set aside for the purposes of divisions (F)(2)(a) and (b) of 19975  
this section to provide intervention services required by section 19976  
3313.608 of the Revised Code. 19977

(3) Except as otherwise required by division (G) or permitted 19978  
 under division (K) of this section, all other funds distributed 19979  
 under this section to districts subject to this division shall be 19980  
 utilized for the purpose of the third grade guarantee. The third 19981  
 grade guarantee consists of increasing the amount of instructional 19982  
 attention received per pupil in kindergarten through third grade, 19983  
 either by reducing the ratio of students to instructional 19984  
 personnel or by increasing the amount of instruction and 19985  
 curriculum-related activities by extending the length of the 19986  
 school day or the school year. 19987

School districts may implement a reduction of the ratio of 19988  
 students to instructional personnel through any or all of the 19989  
 following methods: 19990

(a) Reducing the number of students in a classroom taught by 19991  
 a single teacher; 19992

(c) Instituting a team-teaching method that will result in a	19996
lower student-teacher ratio in a classroom.	19997
Districts may extend the school day either by increasing the	19998

In accordance with section 3319.089 of the Revised Code, a	20004
district extending the school day pursuant to this division may	20005
utilize a participant of the work experience program who has a	20006
child enrolled in a public school in that district and who is	20007
fulfilling the work requirements of that program by volunteering	20008
or working in that public school. If the work experience program	20009
participant is compensated, the school district may use the funds	20010
distributed under this section for all or part of the	20011
compensation.	20012
Districts may extend the school year either through adding	20013
regular days of instruction to the school calendar or by providing	20014
summer programs.	20015
(G) Each district subject to division (F) of this section	20016
shall not expend any funds received under division (E) of this	20017
section in any school buildings that are not buildings with the	20018

personnel to students in kindergarten and first grade. A school district may spend the funds in those buildings in any manner permitted by division (F)(3) of this section, but may not spend the money in other buildings unless the fifteen-to-one ratio required by this division is attained.

(H)(1) By the first day of August of each fiscal year, each school district wishing to receive any funds under division (D) of this section shall submit to the department of education an estimate of its all-day kindergarten percentage. Each district shall update its estimate throughout the fiscal year in the form and manner required by the department, and the department shall adjust payments under this section to reflect the updates.

(2) Annually by the end of December, the department of education, utilizing data from the information system established under section 3301.0714 of the Revised Code and after consultation with the legislative office of education oversight, shall determine for each school district subject to division (F) of this section whether in the preceding fiscal year the district's ratio of instructional personnel to students and its number of kindergarten students receiving all-day kindergarten appear reasonable, given the amounts of money the district received for that fiscal year pursuant to divisions (D) and (E) of this section. If the department is unable to verify from the data available that students are receiving reasonable amounts of instructional attention and all-day kindergarten, given the funds the district has received under this section and that class-size reduction funds are being used in school buildings with the highest concentration of need as required by division (G) of this section, the department shall conduct a more intensive investigation to ensure that funds have been expended as required by this section. Sec. 3317.0217. The department of education shall annually 20493

recognized valuation divided by (b) its formula ADM; plus 20498

(2) One-third times the quotient of (a) the average of the 20499  
total federal adjusted gross income of the school district's 20500

(B) Rank all school districts in order of local wealth per 20503  
pupil, from the district with the lowest local wealth per pupil to 20504  
the district with the highest local wealth per pupil. 20505

(C) Compute the per pupil state parity aid funding for each 20506  
school district in accordance with the following formula: 20507

Payment percentage X (threshold local wealth 20508  
per pupil - the district's local 20509

(2) Nine and one-half mills (0.0095) is the general assembly's determination of the average number of effective operating mills that districts in the seventieth to ninetieth percentiles of valuations per pupil collected in fiscal year 2001 above the revenues required to finance their attributed local shares of the calculated cost of an adequate education. This was determined by (a) adding the district revenues from operating property tax levies and income tax levies, (b) subtracting from that total the sum of (i) twenty-three mills times adjusted recognized valuation plus (ii) the attributed local shares of special education, transportation, and vocational education funding as described in divisions (F)(1) to (3) of section 3317.022 of the Revised Code, and (c) converting the result to an effective operating property tax rate. 20516

For purposes of determining the minimum salary at any level of training and service, the base of one hundred per cent shall be the base amount. The percentages used in this section show the relationships between the minimum salaries required by this section and the base amount and shall not be construed as requiring any school district or educational service center to adopt a schedule containing salaries in excess of the amounts set forth in this section for corresponding levels of training and experience. 21781

for a joint vocational school district as follows: 21799

(a) Calculate the state base cost funding amount for the 21800  
district under division (B) of this section. If the district would 21801

division, the district's state share percentage is zero. 21803

(b) If the district would receive base cost funding under 21804  
that division, divide that base cost amount by an amount equal to 21805  
the following: 21806

cost-of-doing-business factor X 21807  
the formula amount X 21808  
the greater of formula ADM or 21809  
three-year average formula ADM 21810

The resultant number is the district's state share 21811  
percentage. 21812

(2) The "total special education weight" for a joint 21813  
vocational school district shall be calculated in the same manner 21814

encumbered in the current fiscal biennium. 22196

The basic project cost for a project approved under this 22197  
section shall not exceed the cost that would otherwise have to be 22198  
incurred if the classroom facilities to be constructed, acquired, 22199  
or reconstructed, or the additions to be made to classroom 22200  
facilities, under such project meet, but do not exceed, the 22201  
specifications for plans and materials for classroom facilities 22202  
adopted by the commission. 22203

(B)(1) No school district shall have a project conditionally 22204  
approved pursuant to this section if the school district has 22205  
already received any assistance for a project funded under any 22206  
version of sections 3318.01 to 3318.20 of the Revised Code, and 22207  
the prior project was one for which the electors of such district 22208  
approved a levy within the last twenty years pursuant to any 22209  
version of section 3318.06 of the Revised Code for purposes of 22210  
qualifying for the funding of that project, unless the district 22211  
demonstrates to the satisfaction of the commission that the 22212  
district has experienced since approval of its prior project an 22213  
exceptional increase in enrollment significantly above the 22214  
district's design capacity under that prior project as determined 22215  
by rule of the commission. 22216

(2) Notwithstanding division (B)(1) of this section, any 22217  
school district that received assistance under sections 3318.01 to 22218  
3318.20 of the Revised Code, as those sections existed prior to 22219  
May 20, 1997, may receive additional assistance under those 22220  
sections, as they exist on and after May 20, 1997, prior to the 22221  
expiration of the period of time required under division (B)(1) of 22222  
this section, if the percentile in which the school district is 22223  
located, as determined under section 3318.011 of the Revised Code, 22224  
is eligible for assistance as prescribed in section 3318.02 of the 22225

Revised Code. 22226

The commission may provide assistance under sections 3318.01 22227  
to 3318.20 of the Revised Code pursuant to this division to no 22228  
more than five school districts per fiscal year until all eligible 22229  
school districts have received the additional assistance 22230  
authorized under this division. The commission shall establish 22231  
application procedures, deadlines, and priorities for funding 22232  
projects under this division. 22233

The commission at its discretion may waive current design 22234  
specifications it has adopted for projects under sections 3318.01 22235  
to 3318.20 of the Revised Code when assessing an application for 22236  
additional assistance under this division for the renovation of 22237  
classroom facilities constructed or renovated under a school 22238  
district's previous project. If the commission finds that a school 22239  
district's existing classroom facilities are adequate to meet all 22240  
of the school district's needs, the commission may determine that 22241  
no additional state assistance be awarded to a school district 22242  
under this division. 22243

In order for a school district to be eligible to receive any 22244  
additional assistance under this division, the school district 22245  
electors shall extend the school district's existing levy 22246  
dedicated for maintenance of classroom facilities under Chapter 22247  
3318. of the Revised Code, pursuant to section 3318.061 of the 22248  
Revised Code or shall provide equivalent alternative maintenance 22249  
funds as specified in division (B) of section 3318.06 of the 22250  
Revised Code. 22251

(3) Notwithstanding division (B)(1) of this section, any 22252  
school district that has received assistance under sections 22253  
3318.01 to 3318.20 of the Revised Code after May 20, 1997, may 22254  
receive additional assistance if the commission decides in favor 22255  
of providing such assistance pursuant to section 3318.042 of the 22256  
Revised Code. 22257

Sec. 3318.042. (A) The board of education of any school district that is receiving assistance under sections 3318.01 to 3318.20 of the Revised Code after May 20, 1997, and whose project is still under construction, may request that the Ohio school facilities commission examine whether the circumstances prescribed in either division (B)(1) or (2) of this section exist in the school district. If the commission so finds, the commission shall review the school district's original assessment and approved project under sections 3318.01 to 3318.20 of the Revised Code, and consider providing additional assistance to the school district to correct the prescribed conditions found to exist in the district. Additional assistance under this section shall be limited to additions to one or more buildings, remodeling of one or more buildings, or changes to the infrastructure of one or more buildings. 22258

(B) Consideration of additional assistance to a school district under this section is warranted in either of the following circumstances: 22273  
22274  
22275

(1) Additional work is needed to correct an oversight or deficiency not identified or included in the district's initial assessment. 22276  
22277  
22278

(2) Other conditions exist that, in the opinion of the commission, warrant additions or remodeling of the project facilities or changes to infrastructure associated with the district's project that were not identified in the initial assessment and plan. 22279

commission, to fund the school district portion of the increase, 22292  
then the state and the school district shall enter into an 22293  
agreement whereby the state shall pay the portion of the cost 22294  
increase attributable to the school district which is determined 22295  
to be in excess of any local resources available to the district 22296  
and the district shall thereafter reimburse the state. The 22297  
commission shall establish the district's schedule for reimbursing 22298  
the state, which shall not extend beyond five years. Debt incurred 22299

district have approved either or both a property tax levied under 22304  
section 5705.21 or 5705.218 of the Revised Code for the purpose of 22305  
general ongoing permanent improvements or a school district income 22306  
tax levied under Chapter 5748. of the Revised Code, the board of 22307  
education of the school district may do all of the following: 22308

(1) Within one year following the date of the certification 22310  
of the conditional approval of the school district's classroom 22311  
facilities project by the Ohio school facilities commission, enter 22312  
into a written agreement with the commission, which may be part of 22313  
an agreement entered into under section 3318.08 of the Revised 22314  
Code, under which the school district board covenants and agrees 22315  
to apply a specified amount of the proceeds of that property tax 22316  
levy, of that school district income tax, or of securities issued 22317  
under this section, or of proceeds from any two or more of those 22318  
sources, to pay all or part of the district's portion of the basic 22319  
project cost of its classroom facilities project. 22320

(2) Receive as a credit against the amount of bonds required 22321  
under sections 3318.05 and 3318.06 of the Revised Code, to be 22322  
approved by the electors of the district and issued by the 22323  
district board for the district's portion of the basic project 22324  
cost of its classroom facilities project in order for the district 22325  
to receive state assistance for the project, an amount equal to 22326  
the specified amount that the district board covenants and agrees 22327  
with the commission to apply as set forth in division (A) (1) of 22328  
this section. 22329

(3) Apply the proceeds of either or both such taxes to the 22330  
payment of debt charges on and financing costs related to 22331  
securities issued under this section and to make any necessary 22332  
transfers of funds arising from such a tax to the bond retirement 22333  
fund established for those securities from the fund to which the 22334  
proceeds of the tax are credited. 22335

issuance and sale of general obligation securities under this 22345  
section shall conform to the applicable requirements of section 22346

district board authorizing their issuance and sale includes 22354  
covenants to appropriate annually from the proceeds of the 22355  
property tax levied or of the school district income tax referred 22356  
to in division (A) of this section and to continue to levy and 22357  
collect the tax in amounts necessary to pay the debt charges on 22358  
and financing costs related to the securities as they become due. 22359  
No such tax the proceeds of which are pledged, or that the school 22360  
district board has covenanted to levy, collect, and appropriate 22361  
annually, to pay the debt charges on and financing costs related 22362  
to securities issued under this section shall be repealed while 22363  
those securities are outstanding. If such a tax is reduced by the 22364  
electors of the district or by the district board while those 22365  
securities are outstanding, the school district board shall 22366  
continue to levy and collect the tax under the authority of the 22367  
original election authorizing the tax at a rate in each year that 22368  
the board reasonably estimates will produce an amount in that year 22369  
equal to the debt charges on the securities in that year. 22370

No state moneys shall be released for a project to which this 22371  
section applies until the proceeds of the tax securities issued 22372  
under this section that are dedicated for the payment of the 22373  
district portion of the basic project cost of its classroom 22374  
facilities project are first deposited into the district's project 22375

to, the following provisions: 22387

(A) The sale and issuance of bonds or notes in anticipation 22388  
thereof, as soon as practicable after the execution of the 22389  
agreement, in an amount equal to the school district's portion of 22390  
the basic project cost, including any bonds previously authorized 22391  
by the district's electors as described in section 3318.033 of the 22392  
Revised Code; provided, that if at that time the county treasurer 22393  
of each county in which the school district is located has not 22394  
commenced the collection of taxes on the general duplicate of real 22395  
and public utility property for the year in which the controlling 22396  
board approved the project, the school district board shall 22397  
authorize the issuance of a first installment of bond anticipation 22398  
notes in an amount specified by the agreement, which amount shall 22399  
not exceed an amount necessary to raise the net bonded 22400  
indebtedness of the school district as of the date of the 22401  
controlling board's approval to within five thousand dollars of 22402  
the required level of indebtedness for the preceding year. In the 22403  
event that a first installment of bond anticipation notes is 22404  
issued, the school district board shall, as soon as practicable 22405  
after the county treasurer of each county in which the school 22406  
district is located has commenced the collection of taxes on the 22407  
general duplicate of real and public utility property for the year 22408  
in which the controlling board approved the project, authorize the 22409  
issuance of a second and final installment of bond anticipation 22410  
notes or a first and final issue of bonds. 22411

The combined value of the first and second installment of 22412  
bond anticipation notes or the value of the first and final issue 22413  
of bonds shall be equal to the school district's portion of the 22414  
basic project cost. The proceeds of any such bonds shall be used 22415  
first to retire any bond anticipation notes. Otherwise, the 22416

proceeds of such bonds and of any bond anticipation notes, except  
the premium and accrued interest thereon, shall be deposited in  
the school district's project construction fund. In determining  
the amount of net bonded indebtedness for the purpose of fixing  
the amount of an issue of either bonds or bond anticipation notes,  
gross indebtedness shall be reduced by moneys in the bond  
retirement fund only to the extent of the moneys therein on the  
first day of the year preceding the year in which the controlling  
board approved the project. Should there be a decrease in the tax  
valuation of the school district so that the amount of  
indebtedness that can be incurred on the tax duplicates for the  
year in which the controlling board approved the project is less  
than the amount of the first installment of bond anticipation  
notes, there shall be paid from the school district's project  
construction fund to the school district's bond retirement fund to  
be applied against such notes an amount sufficient to cause the  
net bonded indebtedness of the school district, as of the first  
day of the year following the year in which the controlling board  
approved the project, to be within five thousand dollars of the  
required level of indebtedness for the year in which the  
controlling board approved the project. The maximum amount of  
indebtedness to be incurred by any school district board as its  
share of the cost of the project is either an amount that will  
cause its net bonded indebtedness, as of the first day of the year  
following the year in which the controlling board approved the  
project, to be within five thousand dollars of the required level  
of indebtedness, or an amount equal to the required percentage of  
the basic project costs, whichever is greater. All bonds and bond  
anticipation notes shall be issued in accordance with Chapter 133.  
of the Revised Code, and notes may be renewed as provided in  
section 133.22 of the Revised Code.

district's project construction fund; 22452

(2) If section 3318.052 of the Revised Code applies, the 22453  
earmarking of the proceeds of a tax levied under section 5705.21 22454  
of the Revised Code for general ongoing permanent improvements or 22455  
the proceeds of a school district income tax levied under Chapter 22456

those two taxes, in an amount to pay all or part of the service 22458

project and an amount equivalent to all or part of the tax 22460  
required under division (B) of section 3318.05 of the Revised 22461  
Code. 22462

(C) If section 3318.052 of the Revised Code does not apply, 22463  
either of the following: 22464

(1) The levy of the tax authorized at the election for the 22465  
payment of maintenance costs, as specified in division (B) of 22466  
section 3318.05 of the Revised Code; 22467

(2) If the school district electors have approved a 22468  
continuing tax of at least two mills for each dollar of valuation 22469  
for general ongoing permanent improvements under section 5705.21 22470  
of the Revised Code and that tax can be used for maintenance, the 22471

by the commission, any contingency reserve portion of the 22542  
construction budget prescribed by the commission shall be used 22543  
only to pay costs resulting from unforeseen job conditions, to 22544  
comply with rulings regarding building and other codes, to pay 22545  
costs related to design clarifications or corrections to contract 22546  
documents, and to pay the costs of settlements or judgments 22547  
related to the project as provided under section 3318.086 of the 22548  
Revised Code. 22549

**Sec. 3318.084.** (A) Notwithstanding anything to the contrary 22550  
in Chapter 3318. of the Revised Code, a school district board may 22551  
apply any local donated contribution toward ~~the~~ either or both of 22552  
the following: 22553

(1) The district's portion of the basic project cost of a 22554  
project under sections 3318.01 to 3318.20 of the Revised Code ~~and~~ 22555  
may use such local donated contribution to reduce the amount of 22556  
bonds the district otherwise must issue in order to receive state 22557  
assistance under those sections; 22558

(2) An offset of all or part of a district's obligation to 22559  
levy the tax described in division (B) of section 3318.05 of the 22560  
Revised Code, which shall be applied only in the manner prescribed 22561  
in division (B) of this section. 22562

(B) No school district board shall apply any local donated 22563  
contribution under division (A)(2) of this section unless the Ohio 22564  
school facilities commission first approves that application. 22565

Upon the request of the school district board to apply local 22566  
donated contribution under division (A)(2) of this section, the 22567  
commission in consultation with the department of taxation shall 22568  
determine the amount of total revenue that likely would be 22569  
generated by one-half mill of the tax described in division (B) of 22570  
section 3318.05 of the Revised Code over the entire 22571  
twenty-three-year period required under that section and shall 22572

deduct from that amount any amount of local donated contribution 22573  
that the board has committed to apply under division (A)(2) of 22574  
this section. The commission then shall determine in consultation 22575  
with the department of taxation the rate of tax over twenty-three 22576  
years necessary to generate the amount of a one-half mill tax not 22577  
offset by the local donated contribution. Notwithstanding anything 22578  
to the contrary in section 3318.06, 3318.061, or 3318.361 of the 22579  
Revised Code, the rate determined by the commission shall be the 22580  
rate for which the district board shall seek elector approval 22581  
under those sections to meet its obligation under division (B) of 22582  
section 3318.05 of the Revised Code. In the case of a complete 22583  
offset of the district's obligation under division (B) of section 22584  
3318.05 of the Revised Code, the district shall not be required to 22585  
levy the tax otherwise required under that section. At the end of 22586  
the twenty-three-year period of the tax required under division 22587  
(B) of section 3318.05 of the Revised Code, whether or not the tax 22588  
is actually levied, the commission in consultation of the 22589  
department of taxation shall recalculate the amount that would 22590  
have been generated by the tax if it had been levied at one-half 22591  
mill. If the total amount actually generated over that period from 22592  
both the tax that was actually levied and any local donated 22593  
contribution applied under division (A)(2) of this section is less 22594  
than the amount that would have been raised by a one-half mill 22595  
tax, the district shall pay any difference. If the total amount 22596  
actually raised in such manner is greater than the amount that 22597  
would have been raised by a one-half mill tax the difference shall 22598  
be zero and no payments shall be made by either the district or 22599  
the commission. 22600

(C) As used in this section, "local donated contribution" 22601  
means either of the following: 22602

(A)(1) Any moneys irrevocably donated or granted to a school 22603  
district board by a source other than the state which the board 22604

 board has pledged for that purpose by resolution adopted by a 22607  
 majority of its members; 22608

~~(B)(2)~~ Any irrevocable letter of credit issued on behalf of a 22609  
 school district or any cash a school district has on hand, 22610  
 including any year-end operating fund balances, that can be spent 22611  
 for classroom facilities, either of which the school district 22612  
 board has encumbered for payment of the school district's share of 22613  
 its project under sections 3318.01 to 3318.20 of the Revised Code 22614  
 and either of which has been approved by the ~~Ohio school~~ 22615

 education. 22617

(D) No state moneys shall be released for a project to which 22618  
 this section applies until any local donated ~~local~~ contribution 22619  
 authorized under this section is first deposited into the school 22620  
 district's project construction fund, if applied under division 22621  
(A)(1) of this section, or into the district's capital and 22622  
maintenance fund if applied under division (A)(2) of this section. 22623

Sec. 3318.086. The construction budget for any project under 22624  
sections 3318.01 to 3318.20 of the Revised Code shall contain a 22625  
contingency reserve in an amount prescribed by the Ohio school 22626  
facilities commission, which unless otherwise authorized by the 22627  
commission, shall be used only to pay costs resulting from 22628  
unforeseen job conditions, to comply with rulings regarding 22629  
building and other codes, to pay costs related to design 22630  
clarifications or corrections to contract documents, and to pay 22631  
the costs of settlements or judgments related to the project. 22632

Sec. 3318.10. When such working drawings, specifications, and 22633

notified by the commission that it is eligible to receive state 22799  
assistance under sections 3318.01 to 3318.20 of the Revised Code, 22800

application of local resources under this section. 22806

(C) Based on the results of the on-site visits and assessment 22807

division (C) of this section, the project shall be conditionally 22825

under this section. Upon approval by the controlling board, the 22831  
school district board may identify a discrete part of its 22832  
classroom facilities needs, which shall include only new 22833  
construction of or additions or major repairs to a particular 22834  
building, to address with local resources. Upon identifying a part 22835  
of the school district's basic project cost to address with local 22836  
resources, the school district board may allocate any available 22837  
school district moneys to pay the cost of that identified part, 22838  
including the proceeds of an issuance of bonds if approved by the 22839  
electors of the school district. 22840

prescribed in section 3318.361 of the Revised Code. 22857

(b) As authorized under division (C) of section 3318.05 of 22858  
the Revised Code, the school district board shall earmark from the 22859  
proceeds of a permanent improvement tax levied under section 22860  
5705.21 of the Revised Code, an amount equivalent to the 22861  
additional tax otherwise required under division (D)(2)(a) of this 22862  
section for the maintenance of the classroom facilities included 22863  
in the basic project cost as determined by the commission. 22864

(3) A school district board may opt to delay levying the 22865  
additional tax required under division (D)(2)(a) of this section 22866  
or earmarking of the proceeds of a permanent improvement tax 22867  
alternatively required under division (D)(2)(b) of this section 22868  
until such time as the school district becomes eligible for state 22869  
assistance under sections 3318.01 to 3318.20 of the Revised Code. 22870  
In order to exercise its option under this division, the board 22871  
shall certify to the commission a resolution indicating the 22872  
board's intent to do so prior to entering into an agreement under 22873  
division (B) of this section. 22874

(4) If pursuant to division (D)(3) of this section a district 22875  
board opts to delay levying an additional tax until the district 22876  
becomes eligible for state assistance, it shall submit the 22877  
question of levying that tax to the district electors as follows: 22878  
22879

(a) In accordance with section 3318.06 of the Revised Code if 22880  
it will also be necessary pursuant to division (E) of this section 22881  
to submit a proposal for approval of a bond issue; 22882

(b) In accordance with section 3318.361 of the Revised Code 22883  
if it is not necessary to also submit a proposal for approval of a 22884  
bond issue pursuant to division (E) of this section. 22885

(5) No state assistance under sections 3318.01 to 3318.20 of 22886

the Revised Code shall be released until a school district board 22887  
that adopts and certifies a resolution under this division either 22888  
has levied the additional tax or has earmarked the proceeds of a 22889  
tax as specified in division (D) of this section. 22890

Any amount required for maintenance under division (D)(2) of 22891  
this section shall be deposited into a separate fund as specified 22892  
in division (B) of section 3318.05 of the Revised Code. 22893

(E)(1) If the school district becomes eligible for state 22894  
assistance under sections 3318.01 to 3318.20 of the Revised Code 22895  
based on its percentile ranking as determined under division (B) 22896  
of this section, the commission shall conduct a new assessment of 22897  
the school district's classroom facilities needs and shall 22898  
recalculate the basic project cost based on this new assessment. 22899  
The basic project cost recalculated under this division shall 22900  
include the amount of expenditures made by the school district 22901  
board under division (D)(1) of this section. The commission shall 22902  
then recalculate the school district's portion of the new basic 22903  
project cost, which shall be the percentage of the original basic 22904  
project cost assigned to the school district as its portion under 22905  
division (C) of this section. The commission shall deduct the 22906  
expenditure of school district moneys made under division (D)(1) 22907  
of this section from the school district's portion of the basic 22908  
project cost as recalculated under this division. If the amount of 22909  
school district resources applied by the school district board to 22910  
the school district's portion of the basic project cost under this 22911  
section is less than the total amount of such portion as 22912  
recalculated under this division, the school district board by a 22913  
majority vote of all of its members shall, if it desires to seek 22914  
state assistance under sections 3318.01 to 3318.20 of the Revised 22915  
Code, adopt a resolution as specified in section 3318.06 of the 22916  
Revised Code to submit to the electors of the school district the 22917  
question of approval of a bond issue in order to pay any 22918

 assistance. Any tax levy approved under division (D) of this 22920  
 section satisfies the requirements to levy the additional tax 22921  
 under section 3318.06 of the Revised Code. 22922

(2) If the amount of school district resources applied by the 22923  
 school district board to the school district's portion of the 22924  
 basic project cost under this section is more than the total 22925  
 amount of such portion as recalculated under this division, within 22926  
 one year after the school district's portion is recalculated under 22927  
 division (E)(1) of this section the commission may grant to the 22928  
 school district the difference between the two calculated 22929  
 portions, but at no time shall the commission expend any state 22930  
 funds on a project in an amount greater than the state's portion 22931  
 of the basic project cost as recalculated under this division. 22932

Any reimbursement under this division shall be only for local 22933  
 resources the school district has applied toward construction cost 22934  
 expenditures for the classroom facilities approved by the 22935  
 commission, which shall not include any financing costs associated 22936  
 with that construction. 22937

The school district board shall use any moneys reimbursed to 22938  
 the district under this division to pay off any debt service the 22939  
 district owes for classroom facilities constructed under its 22940  
 project under this section before such moneys are applied to any 22941  
 other purpose. 22942

Sec. 3318.363. (A) This section applies only to a school 22943  
district participating in the school building assistance expedited 22944  
local partnership program under section 3318.36 of the Revised 22945  
Code. 22946

(B) If there is a decrease in the tax valuation of a school 22947  
district to which this section applies by ten per cent or greater 22948

the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 22952  
General Assembly, the Ohio school facilities commission shall 22953  
calculate or recalculate the state and school district portions of 22954  
the basic project cost of the school district's project by 22955  
determining the percentile rank in which the district would be 22956  
located if such ranking were made using the current year adjusted 22957  
valuation per pupil, as calculated and reported to the commission 22958  
by the department of education under division (A) of section 22959  
3318.011 of the Revised Code, rather than the three-year average 22960  
adjusted valuation per pupil, calculated under division (B) of 22961  
that section. For such district, the required percentage of the 22962  
basic project cost used to determine the state and school district 22963  
shares of that cost under division (C) of section 3318.36 of the 22964  
Revised Code shall be based on the percentile rank as calculated 22965  
under this section rather than as otherwise provided in division 22966  
(C)(1) of section 3318.36 of the Revised Code. If the commission 22967  
has determined the state and school district portion of the basic 22968  
project cost of such a district's project under section 3318.36 of 22969  
the Revised Code prior to that decrease in tax valuation, the 22970  
commission shall adjust the state and school district shares of 22971  
the basic project cost of such project in accordance with this 22972  
section. 22973

Sec. 3318.50. (A) As used in this section and in section 22974  
3318.52 of the Revised Code: 22975

Under the program, the Ohio school facilities commission may guarantee for up to fifteen years any loan made to the governing authority of a start-up community school established under Chapter 3314. of the Revised Code for the sole purpose of assisting the governing board in acquiring classroom facilities for the community school by lease, purchase, remodeling of existing facilities, or any other means except by new construction.

In considering an application for a loan guarantee, the commission shall apply all usual commercial lending standards to determine the creditworthiness of the members of the community school's governing authority. The commission shall not make any loan guarantee under this section unless the commission has determined that the members of the community school's governing authority are creditworthy, that the community school has the ability to repay the loan, and that the classroom facilities meet specifications established by the commission under section 3318.51 of the Revised Code.

The agreement between the commission and the governing authority of a community school for a loan guarantee under this section shall contain a stipulation holding all members of the governing authority at the time the agreement is executed jointly and severally liable in their personal capacity to the state for the amount of any payment made by the state to pay any default on a loan guaranteed by that agreement regardless of whether such members are still members of the governing authority at the time of the default. The agreement shall require each member of the governing authority to execute a bond or provide other means satisfactory to the commission to indemnify the state for any payment made by the state to pay any default on a loan guaranteed by the agreement.

chapter. 24697

(2) As an indication of substantial local support for the 24698  
facility, the commission has received a financial and development 24699  
plan satisfactory to it, and provision has been made, by agreement 24700  
or otherwise, satisfactory to the commission, for a contribution 24701

the district under section 3734.55 of the Revised Code, the solid 26620  
waste management policy committee of a district may levy fees 26621  
under this division by adopting a resolution establishing the 26622  
proposed amount of the fees. Upon adopting the resolution, the 26623  
committee shall deliver a copy of the resolution to the board of 26624  
county commissioners of each county forming the district and to 26625  
the legislative authority of each municipal corporation and 26626

least thirty days before the hearing. After the hearing, the  
committee may make such revisions to the proposed fees as it  
considers appropriate and thereafter, by resolution, shall adopt  
the revised fee schedule. Upon adopting the revised fee schedule,  
the committee shall deliver a copy of the resolution doing so to  
the board of county commissioners of each county forming the  
district and to the legislative authority of each municipal

adopting the proposed revised fees by the policy committee, each  
such board and legislative authority, by ordinance or resolution,

corporations and townships with a combined population within the  
district comprising at least sixty per cent of the total  
population of the district have approved the proposed revised  
fees, provided that in the case of a county district, that  
combination shall include the municipal corporation having the  
largest population within the boundaries of the district, and

provided further that in the case of a joint district formed by two or three counties, that combination shall include for each county forming the joint district the municipal corporation having the largest population within the boundaries of both the county in which the municipal corporation is located and the joint district. In the case of a joint district formed by four or more counties, the committee shall declare the proposed revised fees to be ratified as the fee schedule of the joint district upon determining that the boards of county commissioners of a majority of the counties forming the district have approved the proposed revised fees; that, in each of a majority of the counties forming the joint district, the proposed revised fees have been approved by the municipal corporation having the largest population within the county and the joint district; and that the legislative authorities of a combination of municipal corporations and townships with a combined population within the joint district comprising at least sixty per cent of the total population of the joint district have approved the proposed revised fees.

For the purposes of this division, only the population of the unincorporated area of a township shall be considered. adopting a resolution proposing to repeal them. Upon adopting such 26706  
a resolution, the committee shall proceed to obtain ratification 26707  
of the resolution in accordance with this division. 26708

Not later than fourteen days after declaring the fees or 26709  
amended fees to be ratified under this division, the committee 26710  
shall notify by certified mail the owner or operator of each solid 26711  
waste disposal facility that is required to collect the fees of 26712  
the ratification and the amount of the fees. Collection of any 26713  
fees or amended fees ratified on or after March 24, 1992, shall 26714

operates an air contaminant source and who is required to apply 27651  
for and obtain a Title V permit under section 3704.036 of the 27652  
Revised Code shall pay the fees set forth in division (C)(1) of 27653  
this section. For the purposes of that division, total emissions 27654  
of air contaminants may be calculated using engineering 27655  
calculations, emissions factors, material balance calculations, or 27656  
performance testing procedures, as authorized by the director. 27657

The following fees shall be assessed on the total actual 27658  
emissions from a source in tons per year of the regulated 27659  
pollutants particulate matter, sulfur dioxide, nitrogen oxides, 27660  
organic compounds, and lead: 27661

(a) Fifteen dollars per ton on the total actual emissions of 27662  
each such regulated pollutant during the period July through 27663  
December 1993, to be collected no sooner than July 1, 1994; 27664

(b) Twenty dollars per ton on the total actual emissions of 27665  
each such regulated pollutant during calendar year 1994, to be 27666  
collected no sooner than April 15, 1995; 27667

(c) Twenty-five dollars per ton on the total actual emissions 27668  
of each such regulated pollutant in calendar year 1995, and each 27669  
subsequent calendar year, to be collected no sooner than the 27670  
fifteenth day of April of the year next succeeding the calendar 27671  
year in which the emissions occurred. 27672

The fees levied under division (C)(1) of this section do not 27673  
apply to that portion of the emissions of a regulated pollutant at 27674  
a facility that exceed four thousand tons during a calendar year. 27675

(2) The fees assessed under division (C)(1) of this section 27676  
are for the purpose of providing funding for the Title V permit 27677  
program. 27678

(3) The fees assessed under division (C)(1) of this section 27679  
do not apply to emissions from any electric generating unit 27680  
designated as a Phase I unit under Title IV of the federal Clean 27681

As Reported by the Senate Finance and Financial Institutions Committee

Air Act prior to calendar year 2000. Those fees shall be assessed 27682  
 on the emissions from such a generating unit commencing in 27683  
 calendar year 2001 based upon the total actual emissions from the 27684  
 generating unit during calendar year 2000 and shall continue to be 27685  
assessed each subsequent calendar year based on the total actual 27686  
emissions from the generating unit during the preceding calendar 27687  
year. 27688

(4) The director shall issue invoices to owners or operators 27689  
 of air contaminant sources who are required to pay a fee assessed 27690  
 under division (C) or (D) of this section. Any such invoice shall 27691  
 be issued no sooner than the applicable date when the fee first 27692  
 may be collected in a year under the applicable division, shall 27693  
 identify the nature and amount of the fee assessed, and shall 27694  
 indicate that the fee is required to be paid within thirty days 27695  
 after the issuance of the invoice. 27696

(D)(1) Except as provided in division (D)(2) of this section, 27697  
 beginning January 1, 1994, each person who owns or operates an air 27698  
 contaminant source; who is required to apply for a permit to 27699  
 operate pursuant to rules adopted under division (G), or a 27700  
 variance pursuant to division (H), of section 3704.03 of the 27701  
 Revised Code; and who is not required to apply for and obtain a 27702  
 Title V permit under section 3704.036 of the Revised Code shall 27703  
 pay a single fee based upon the sum of the actual annual emissions 27704  
 from the facility of the regulated pollutants particulate matter, 27705  
 sulfur dioxide, nitrogen oxides, organic compounds, and lead in 27706  
 accordance with the following schedule: 27707

(2)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2001~~ 2004, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

The fees assessed under division (D)(2) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000, ~~and shall continue through June~~

~~30, 2001~~. The fees assessed under division (D) of this section in 27746  
a calendar year shall be based upon the sum of the actual 27747  
emissions of those regulated pollutants during the preceding 27748  
calendar year. For the purpose of division (D) of this section, 27749  
emissions of air contaminants may be calculated using engineering 27750  
calculations, emission factors, material balance calculations, or 27751  
performance testing procedures, as authorized by the director. The 27752  
director, by rule, may require persons who are required to pay the 27753  
fees assessed under division (D) of this section to pay those fees 27754  
biennially rather than annually. 27755

(E)(1) Consistent with the need to cover the reasonable costs 27756  
of the Title V permit program, the director annually shall 27757  
increase the fees prescribed in division (C)(1) of this section by 27758  
the percentage, if any, by which the consumer price index for the 27759  
most recent calendar year ending before the beginning of a year 27760  
exceeds the consumer price index for calendar year 1989. Upon 27761  
calculating an increase in fees authorized by division (E)(1) of 27762  
this section, the director shall compile revised fee schedules for 27763  
the purposes of division (C)(1) of this section and shall make the 27764  
revised schedules available to persons required to pay the fees 27765  
assessed under that division and to the public. 27766

(2) For the purposes of division (E)(1) of this section: 27767

(a) The consumer price index for any year is the average of 27768  
the consumer price index for all urban consumers published by the 27769  
United States department of labor as of the close of the 27770  
twelve-month period ending on the thirty-first day of August of 27771  
that year. 27772

(b) If the 1989 consumer price index is revised, the director 27773  
shall use the revision of the consumer price index that is most 27774  
consistent with that for calendar year 1989. 27775

rules adopted under division (F) of section 3704.03 of the Revised 27777

division only applies to sources for which actual construction of 27891  
the source begins on or after July 1, 1993. The imposition or 27892

or by request by telephone at the office of the commission or 29184  
committee during regular business hours. Upon receipt of a request 29185  
for an application by telephone or mail, the information 29186  
coordinator shall promptly mail an application to the person who 29187  
requested it. 29188

(viii) The application form shall provide the applicant with 29189  
a means of indicating that the applicant's name and address are to 29190  
be kept confidential. If the applicant so indicates, that 29191  
information is not a public record under section 149.43 of the 29192  
Revised Code and shall not be disclosed to any person who is not a 29193  
member or employee of the commission or committee or an employee 29194  
of the environmental protection agency. When a name and address 29195  
are to be kept confidential, they also shall be deleted from the 29196  
copy of the application required to be placed in the file of the 29197  
facility under division (B)(2)(c)(xii) of this section and shall 29198  
be withheld from any log of information requests kept by the 29199  
commission or committee pursuant to that division. 29200

(ix) Neither the commission nor a local emergency planning 29201  
committee shall charge any fee for access to review information in 29202  
its files when no copies or computer searches of that information 29203  
are requested. 29204

(x) An applicant shall be informed of the cost of copying, 29205  
mailing, or conducting a computer search of information on file 29206  
with the commission or committee before such a copy or search is 29207  
made, and the commission or committee shall collect the 29208  
appropriate fees as established under section 3750.13 of the 29209  
Revised Code. Each applicant shall acknowledge on the application 29210

form that the applicant is aware that the applicant will be charged for copies and computer searches of that information the applicant requests and for the costs of mailing copies of the information to the applicant.

(xi) The commission or committee may require a person requesting copies of information on file with it to take delivery of them in the office of the commission or committee whenever it considers the volume of the information to be large enough to make mailing or delivery by a parcel or package delivery service impractical.

(xii) When the commission or committee receives a request for access to review or obtain copies of information in its files, it shall not routinely notify the owner or operator of the facility involved, but instead shall either keep a log or file of requests for the information or shall place a copy of each completed application form in the file for the facility to which the application pertains. Such a log or file shall be available for review by the public and by the owners and operators of facilities required to submit information to the commission or committee under this chapter and rules adopted under it.

(d) Require that claims for the protection, as a trade secret, of information obtained under this chapter regarding extremely hazardous substances identified or listed in rules adopted under division (B)(1)(a) of this section and hazardous chemicals identified or listed in rules adopted under division (B)(1)(b) of this section be submitted to the administrator of the United States environmental protection agency for determination under section 322 of the the "Emergency Planning and Community Right-To-Know Act of 1986," 100 Stat. 1747, 42 U.S.C.A. 11042, and regulations adopted under that section;

Revised Code. The rules shall require that, before approval of an application for a variance, the commission or committee find by a preponderance of the scientific evidence based upon generally accepted scientific principles or laboratory tests that the extremely hazardous substances, hazardous chemicals, or hazardous substances that would be subject to the reporting requirement pose a substantial risk of catastrophic injury to public health or safety or to the environment, or pose an extraordinary risk of injury to emergency management personnel responding to a release of the chemicals or substances, when the substances or chemicals are present at a facility in an amount equal to or exceeding the quantity for which reporting would be required under the reporting requirement for which the variance is sought. The rules shall also require that before approval of an application for a variance, the commission or committee find by a preponderance of the evidence that the development and implementation of a local emergency response plan for releases of the substances or chemicals covered by the reporting requirement will reduce the risk of catastrophic injury to public health or safety or to the environment, or will reduce the extraordinary risk of injury to responding emergency management personnel, in the event of a release of the substances or chemicals and find by a preponderance of the evidence that the reporting requirement is necessary for the development of such a local emergency response plan. The rules shall require that when determining whether the substances or chemicals that would be subject to the reporting requirement pose a substantial risk of catastrophic injury to public health or safety or to the environment, or pose an extraordinary risk of injury to emergency management personnel responding to a release of the substance or chemical, the commission or committee consider all of the following factors:

- (i) The specific characteristics and degree and nature of the

hazards posed by a release of the extremely hazardous substances,	29275
hazardous chemicals, or hazardous substances;	29276
(ii) The proximity of the facilities that would be subject to	29277
the reporting requirement to residential areas, to areas where	29278
significantly large numbers of people are employed or otherwise	29279
congregate, and to environmental resources that are subject to	29280
injury;	29281
(iii) The quantities of the extremely hazardous substances,	29282
hazardous chemicals, or hazardous substances that are routinely	29283
present at facilities that would be subject to the reporting	29284
requirement;	29285
(iv) The frequency with which the extremely hazardous	29286
substances, hazardous chemicals, or hazardous substances are	29287
present at the facilities that would be subject to the reporting	29288
requirement in quantities for which reporting would be required	29289
thereunder.	29290
(f) Establish criteria and procedures for the issuance of	29291
orders under division (D) of section 3750.11 of the Revised Code	29292
requiring the placement of emergency response lock box units. The	29293
rules shall require that before approval of an application for	29294
issuance of such an order, the commission or committee find by a	29295
preponderance of the scientific evidence based upon generally	29296
accepted scientific principles or laboratory tests that the	29297
presence of the extremely hazardous substances, hazardous	29298
chemicals, or hazardous substances in the quantities in which they	29299
are routinely or intermittently present at the facility for which	29300
the order is sought pose a substantial risk of catastrophic injury	29301
to public health or safety or to the environment, or pose an	29302
extraordinary risk of injury to responding emergency management	29303
personnel, in the event of a release of any of those substances or	29304
chemicals from the facility. The rules shall require that before	29305
approval of an application for issuance of such an order, the	29306

commission or committee also find by a preponderance of the  
evidence that the placement of an emergency response lock box unit  
at the facility is necessary to protect against the substantial  
risk of catastrophic injury to public health or safety or the  
environment, or to protect against an extraordinary risk of injury  
to responding emergency management personnel, in the event of a  
release of any of the extremely hazardous substances, hazardous  
chemicals, or hazardous substances routinely or intermittently  
present at the facility. The rules shall require that when  
determining whether the extremely hazardous substances, hazardous  
chemicals, or hazardous substances present at the facility pose a  
substantial risk of catastrophic injury to public health or safety  
or to the environment, or pose an extraordinary risk of injury to  
responding emergency management personnel, in the event of a  
release of any of those substances or chemicals from the facility,  
the commission or committee consider all of the following factors:

(i) The specific characteristics and the degree and nature of  
the hazards posed by a release of the extremely hazardous  
substances, hazardous chemicals, or hazardous substances present  
at the facility;

(ii) The proximity of the facility to residential areas, to  
areas where significantly large numbers of people are employed or  
otherwise congregate, and to environmental resources that are  
subject to injury;

(iii) The quantities of the extremely hazardous substances,  
hazardous chemicals, or hazardous substances that are routinely  
present at the facility;

(iv) The frequency with which the extremely hazardous  
substances, hazardous chemicals, or hazardous substances are  
present at the facility.

(g) Establish procedures to be followed by the commission and

orders under this chapter. 29339

(3) In accordance with Chapter 119. of the Revised Code adopt 29340  
rules establishing reportable quantities for releases of oil that 29341  
are consistent with and equivalent in scope, content, and coverage 29342  
to section 311 of the "Federal Water Pollution Control Act 29343  
Amendments of 1972," 86 Stat. 862, 33 U.S.C.A. 1321, as amended, 29344  
and applicable regulations adopted under it; 29345

(4) Adopt rules in accordance with Chapter 119. of the 29346  
Revised Code establishing criteria and procedures for identifying 29347  
or listing extremely hazardous substances in addition to those 29348  
identified or listed in rules adopted under division (B)(1)(a) of 29349  
this section and for establishing threshold planning quantities 29350  
and reportable quantities for the added extremely hazardous 29351  
substances; for identifying or listing hazardous chemicals in 29352  
addition to those identified or listed in rules adopted under 29353  
division (B)(1)(b) of this section and for establishing threshold 29354  
quantities and categories of health and physical hazards for the 29355  
added hazardous chemicals; and for identifying or listing 29356  
hazardous substances in addition to those identified or listed in 29357  
rules adopted under division (B)(1)(c) of this section and for 29358  
establishing reportable quantities for the added hazardous 29359  
substances. The criteria for identifying or listing additional 29360  
extremely hazardous substances and establishing threshold planning 29361  
quantities and reportable quantities therefor and for identifying 29362  
or listing additional hazardous chemicals and establishing 29363  
threshold quantities and categories of health and physical hazards 29364  
for the added hazardous chemicals shall be consistent with and 29365  
equivalent to applicable criteria therefor under the "Emergency 29366  
Planning and Community Right-To-Know Act of 1986," 100 Stat. 1729, 29367  
42 U.S.C.A. 11001, and regulations adopted under it. The criteria 29368  
for identifying additional hazardous substances and for 29369

establishing reportable quantities of the added hazardous 29370  
substances shall be consistent with and equivalent to the 29371  
applicable criteria for identifying or listing hazardous 29372  
substances and establishing reportable quantities therefor under 29373  
the "Comprehensive Environmental Response, Compensation, and 29374  
Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as 29375  
amended, and regulations adopted under it. 29376

The rules shall require that, before identifying or listing 29377  
any such additional extremely hazardous substance, hazardous 29378  
chemical, or hazardous substance and establishing a threshold 29379  
planning quantity, threshold quantity, or reportable quantity 29380  
therefor, the commission find by a preponderance of the scientific 29381  
evidence based on generally accepted scientific principles or 29382  
laboratory tests that the substance or chemical poses a 29383  
substantial risk of catastrophic injury to public health or safety 29384  
or to the environment, or poses an extraordinary risk of injury to 29385  
emergency management personnel responding to a release of the 29386  
chemical or substance, when the chemical or substance is present 29387  
at a facility in an amount equal to the proposed threshold 29388  
planning quantity or threshold quantity or, in the instance of a 29389  
proposed additional extremely hazardous substance or hazardous 29390  
substance, poses a substantial risk of catastrophic injury to 29391  
public health or safety or to the environment if a release of the 29392  
proposed reportable quantity of the substance occurs. The rules 29393  
shall further require that, before so identifying or listing a 29394  
substance or chemical, the commission find by a preponderance of 29395  
the evidence that the development and implementation of state or 29396  
local emergency response plans for releases of the substance or 29397  
chemical will reduce the risk of a catastrophic injury to public 29398  
health or safety or to the environment, or will reduce the 29399  
extraordinary risk of injury to responding emergency response 29400  
personnel, in the event of a release of the substance or chemical 29401

and find by a preponderance of the evidence that the  
identification or listing of the substance or chemical is  
necessary for the development of state or local emergency response  
plans for releases of the substance or chemical. The rules shall  
require that the commission consider the toxicity of the substance  
or chemical in terms of both the short-term and long-term health  
effects resulting from exposure to it and its reactivity,  
volatility, dispersibility, combustibility, and flammability when  
determining the risks posed by a release of the substance or  
chemical and, as appropriate, when establishing a threshold  
planning quantity, threshold quantity, reportable quantity, or  
category of health or physical hazard for it.

(5) Adopt rules in accordance with Chapter 119. of the  
Revised Code establishing criteria and procedures for receiving  
and deciding claims for protection of information as a trade  
secret that are applicable only to extremely hazardous substances  
and hazardous chemicals identified or listed in rules adopted  
under division (C)(5) of this section. The rules shall be  
equivalent in scope, content, and coverage to section 322 of the  
"Emergency Planning and Community Right-To-Know Act of 1986," 100  
Stat. 1747, 42 U.S.C.A. 11042, and regulations adopted under it.

(6)(a) After consultation with the fire marshal, adopt rules  
in accordance with Chapter 119. of the Revised Code establishing  
standards for the construction, placement, and use of emergency  
response lock box units at facilities that are subject to this  
chapter. The rules shall establish all of the following:

- (i) Specific standards of construction for lock box units;
- (ii) The specific types of information that shall be placed  
in the lock box units required to be placed at a facility by an  
order issued under division (D) of section 3750.11 of the Revised  
Code, which shall include the location of on-site emergency  
fire-fighting and spill cleanup equipment; a diagram of the public

that are known to the owner or operator of the facility; a copy of 29435  
the emergency and hazardous chemical inventory form for the 29436  
facility most recently required to be submitted under section 29437  
3750.08 of the Revised Code from which the owner or operator may 29438  
withhold information claimed or determined to be trade secret 29439  
information pursuant to rules adopted under division (B)(2)(d) of 29440  
this section, or pursuant to division (B)(14) of this section and 29441  
rules adopted under division (B)(5) of this section, and 29442  
confidential business information identified in rules adopted 29443  
under division (B)(1)(h) of this section; a copy of the local fire 29444  
department's and facility's emergency management plans for the 29445  
facility, if any; a current list of the names, positions, 29446  
addresses, and telephone numbers of all key facility personnel 29447  
knowledgeable in facility safety procedures and the locations at 29448  
the facility where extremely hazardous substances, hazardous 29449  
chemicals, and hazardous substances are produced, used, or stored. 29450  
The rules shall stipulate that, in the instance of lock box units 29451  
placed voluntarily at facilities by the owners or operators of the 29452  
facilities, such information shall be maintained in them as is 29453  
prescribed by agreement by the owner or operator and the fire 29454  
department having jurisdiction over the facility. 29455

(iii) The conditions that shall be met in order to provide 29456  
safe and expedient access to a lock box unit during a release or 29457  
threatened release of an extremely hazardous substance, hazardous 29458  
chemical, or hazardous substance. 29459

(b) Unless the owner or operator of a facility is issued an 29460  
order under division (D) of section 3750.11 of the Revised Code 29461  
requiring the owner or operator to place a lock box unit at the 29462  
facility, the owner or operator may place a lock box unit at the 29463  
facility at the owner's or operator's discretion. If the owner or 29464  
operator chooses to place a lock box unit at the facility, the 29465

(9) Adopt internal management rules governing the operations of the commission. The internal management rules shall establish an executive committee of the commission consisting of the director of environmental protection or the director's designee, the director of public safety or the director's designee, the attorney general or the attorney general's designee, one of the appointed members of the commission representing industries subject to this chapter to be appointed by the commission, one of the appointed members of the commission representing the interests of environmental advocacy organizations to be appointed by the commission, and one other appointed member or member ex officio of the commission to be appointed by the commission. The executive committee has exclusive authority to issue enforcement orders under section 3750.18 of the Revised Code and to request the attorney general to bring a civil action, civil penalty action, or criminal action under section 3750.20 of the Revised Code in the name of the commission regarding violations of this chapter, rules adopted under it, or orders issued under it. duties of the commission that the executive committee may exercise 29499  
and carry out and the conditions under which the executive 29500  
committee may do so. The internal management rules shall not 29501  
authorize the executive committee to issue variances under 29502  
division (B) or (C) of section 3750.11 of the Revised Code or 29503  
orders under division (D) of that section. 29504

(10) Oversee and coordinate the implementation and 29505  
enforcement of this chapter and make such recommendations to the 29506  
director of environmental protection and the director of public 29507  
safety as it considers necessary or appropriate to improve the 29508  
implementation and enforcement of this chapter; 29509

(11) Make allocations of moneys under division (B) of section 29510  
3750.14 of the Revised Code and make grants under division (C) of 29511

Code; 29513

(12) Designate an officer of the environmental protection 29514  
agency to serve as the commission's information coordinator under 29515  
this chapter; 29516

(13) Not later than December 14, 1989, develop and distribute 29517  
a state emergency response plan that defines the emergency 29518  
response roles and responsibilities of the state agencies that are 29519  
represented on the commission and that provides appropriate 29520  
coordination with the national contingency plan and the regional 29521  
contingency plan required by section 105 of the "Comprehensive 29522  
Environmental Response, Compensation, and Liability Act of 1980," 29523  
94 Stat. 2767, 42 U.S.C.A. 9601, as amended. The plan shall ensure 29524  
a well-coordinated response by state agencies that may be involved 29525  
in assisting local emergency responders during a major release of 29526  
oil or a major sudden and accidental release of a hazardous 29527  
substance or extremely hazardous substance. The plan may 29528  
incorporate existing state emergency response plans by reference. 29529

## As Reported by the Senate Finance and Financial Institutions Committee

At least annually, the commission and the state agencies that are represented on it shall jointly exercise the state plan in conjunction with the exercise of a local emergency response plan by a local emergency planning committee under section 3750.04 of the Revised Code. After any such exercise, the commission shall review the state plan and make such revisions in it as the commission considers necessary or appropriate.

(14) Receive and decide claims for the protection of information as a trade secret that pertain only to extremely hazardous substances and hazardous chemicals identified or listed by rules adopted under division (C)(5) of this section. If the commission determines that the claim meets the criteria established in rules adopted under division (B)(5) of this section, it shall issue an order to that effect in accordance with section 3750.18 of the Revised Code. If the commission determines that the claim does not meet the criteria established in those rules, it shall issue an order to that effect in accordance with section 3750.18 of the Revised Code.

(15) Annually compile, make available to the public, and submit to the president of the senate and the speaker of the house of representatives a summary report on the number of facilities estimated to be subject to regulation under sections 3750.05, 3750.07, and 3750.08 of the Revised Code, the number of facilities reporting to the commission, an estimate of the percentage of facilities in compliance with those sections, and recommendations regarding the types of activities the commission considers necessary to improve such compliance. The commission shall base its estimate of the number of facilities that are subject to regulation under those sections on the current estimates provided by the local emergency planning committees under division (D)(6) of section 3750.03 of the Revised Code.

(C) The commission may:

a permit holder to the state as provided for in this chapter shall 30038  
be reduced by three-fourths of one per cent of the total amount 30039  
wagered for those permit holders who make capital improvements to 30040  
existing race tracks or construct new race tracks. The percentage 30041  
of the reduction that may be taken each racing day shall equal 30042  
seventy-five per cent of the tax levied under divisions (B) and 30043  
(C) of this section and section 3769.087 of the Revised Code, and 30044  
division (F)(2) of section 3769.26 of the Revised Code, as 30045  
applicable, divided by the calculated amount each fund should 30046  
receive under divisions (B) and (C) of this section and section 30047  
3769.087 of the Revised Code, and division (F)(2) of section 30048  
3769.26 of the Revised Code and the reduction provided for in this 30049

percentage shall be multiplied by the amount of the reduction 30051  
provided for in this division. Otherwise, the permit holder shall 30052  
receive the full reduction provided for in this division. The 30053  
amount of the allowable reduction not received shall be carried 30054  
forward and applied against future tax liability. After any 30055  
reductions expire, any reduction carried forward shall be treated 30056  
as a reduction as provided for in this division. ~~If~~ 30057

If more than one permit holder is authorized to conduct 30058  
racing at the facility that is being built or improved, the cost 30059  
of the new race track or capital improvement shall be allocated 30060

permit holders' number of racing days bears to the total number of 30062  
racing days conducted at the facility. ~~Such~~ 30063

A reduction for a new race track or a capital improvement 30064

provided in this section. Such A reduction for a new race track or a capital improvement shall continue for a period of twenty-five years for new race tracks and for fifteen years for ~~new~~ capital improvements if the construction of the capital improvement or new race track commenced prior to March 29, 1988, and for a period of ten years for new race tracks or ~~new~~ capital improvements if the construction of the capital improvement or new race track commenced on or after March 29, 1988, but before the effective date of this amendment, or until the total tax reduction reaches seventy per cent of the approved cost of the new race track or ~~new~~ capital improvement, as allocated to each permit holder, whichever occurs first. The tax A reduction for a new race track or a capital improvement approved after the effective date of this amendment shall continue until the total tax reduction reaches one hundred per cent of the approved cost of the new race track or capital improvement, as allocated to each permit holder.

A reduction granted for any a new race track or a capital improvement, the application for which was approved by the racing commission after March 29, 1988, but before the effective date of this amendment, shall not commence nor shall the ten-year period begin to run until all prior tax reductions with respect to the same race track have ended. The total tax reduction because of capital improvements shall not during any one year exceed for all permit holders using any one track three-fourths of one per cent of the total amount wagered, regardless of the number of capital improvements made. Several capital improvements to a race track may be consolidated in an application if the racing commission approved the application prior to March 29, 1988. No permit holder may receive a tax reduction for a capital improvement approved by the racing commission on or after March 29, 1988, at a race track until all tax reductions have ended for all prior capital improvements approved by the racing commission under this section or section 3769.20 of the Revised Code at that race track. If

there are two or more permit holders operating meetings at the 30102  
same track, they may consolidate their applications. The racing 30103  
commission shall notify the tax commissioner when the ~~diminution~~ 30104  
reduction of tax begins and when it ends. ~~Each~~ 30105

Each fiscal year the racing commission shall submit a report 30106  
to the tax commissioner, the office of budget and management, and 30107  
the ~~legislative budget office of the~~ legislative service 30108  
commission. The report shall identify each capital improvement 30109  
project undertaken under this division and in progress at each 30110  
race track, indicate the total cost of each ~~such~~ project, state 30111  
the tax reduction that resulted from each ~~such~~ project during the 30112  
immediately preceding fiscal year, estimate the tax reduction that 30113  
will result from each ~~such~~ project during the current fiscal year, 30114  
state the total tax reduction that resulted from all such projects 30115  
at all race tracks during the immediately preceding fiscal year, 30116  
and estimate the total tax reduction that will result from all 30117  
such projects at all race tracks during the current fiscal year. 30118

(2) In order to qualify for the reduction in tax, a permit 30119  
holder shall apply to the racing commission in such form as the 30120  
commission may require and shall provide full details of the new 30121  
~~racing~~ race track or capital improvement, including a schedule for 30122  
its construction and completion, and set forth the costs and 30123  
expenses incurred in connection ~~therewith~~ with it. The racing 30124  
commission shall not approve an application unless the permit 30125  
holder shows that a contract for the new race track or capital 30126  
improvement has been let under an unrestricted competitive bidding 30127  
procedure, unless the contract is exempted by the controlling 30128  
board because of its unusual nature. In determining whether to 30129  
approve an application, the racing commission shall consider 30130  
whether the new race track or capital improvement will promote the 30131  
safety, convenience, and comfort of the racing public and horse 30132  
owners and generally tend towards the improvement of racing in 30133

this state. 30134

(3) If a new race track or capital improvement is approved by 30135  
the racing commission and construction has started, the tax 30136  
adjustment reduction may be authorized by the commission upon 30137  
presentation of copies of paid bills in excess of one hundred 30138  
thousand dollars or ten per cent of the approved cost, whichever 30139  
is greater. After the initial authorization, the permit holder 30140  
shall present copies of paid bills. If the permit holder is in 30141  
substantial compliance with the schedule for construction and 30142  
completion of the new race track or capital improvement, the 30143  
racing commission may authorize the continuation of the tax 30144  
adjustment reduction upon the presentation of ~~such~~ the additional 30145  
paid bills. The total amount of the tax adjustment reduction 30146  
authorized shall not exceed ~~seventy per cent~~ the percentage of the 30147  
approved cost of the new race track or capital improvement 30148  
specified in division (J)(1) of this section. The racing 30149  
commission may terminate any tax adjustment reduction immediately 30150  
if a permit holder fails to complete the new race track or capital 30151  
improvement, or to substantially comply with the schedule for 30152  
construction and completion of the new race track or capital 30153  
improvement. If a permit holder fails to complete a new race track 30154  
or capital improvement, the racing commission shall order the 30155  
permit holder to repay to the state the total amount of tax 30156  
reduced. The normal tax paid by the permit holder shall be 30157  
increased by three-fourths of one per cent of the total amount 30158  
wagered until the total amount of the additional tax collected 30159  
equals the total amount of tax reduced. 30160

premises. "Capital improvement" does not include the cost of 30175  
replacement of equipment that is not permanently installed, 30176  
ordinary repairs, painting, and maintenance required to keep a 30177  
race track facility in ordinary operating condition. "~~New~~ 30178

(b) "New race track" or "~~new racing track~~" includes the 30179  
reconstruction of a race track damaged by fire or other cause that 30180  
has been declared by the racing commission, as a result of the 30181  
damage, to be an inadequate facility for the safe operation of 30182  
horse racing. 30183

(c) "Approved cost" includes all debt service and interest 30184  
costs that are associated with a capital improvement or new race 30185  
track and that the racing commission approves for a tax reduction 30186  
under division (J) of this section. 30187

(5) The racing commission shall not approve an application 30188  
for a tax reduction under this section if it has reasonable cause 30189  
to believe that the actions or negligence of the permit holder 30190  
substantially contributed to the damage suffered by the track due 30191  
to fire or other cause. The racing commission shall obtain any 30192  
data or information available from a fire marshal, law enforcement 30193  
official, or insurance company concerning any fire or other damage 30194  
suffered by a track, prior to approving an application for a tax 30195  
reduction. 30196

 principles and verified by an audit of the permit holder's records 30199  
 upon completion of the project by the racing commission, or by an 30200  
 independent certified public accountant selected by the permit 30201  
 holder and approved by the commission. 30202

~~The tax reductions for capital improvements and new tracks 30203  
 provided for in this division apply only to tax reductions 30204  
 approved by the state racing commission prior to the effective 30205  
 date of this amendment. 30206~~

(K) No other license or excise tax or fee, except as provided 30207

 this section by permit holders for racing conducted at and during 30212  
 the course of an agricultural exposition or fair, and that portion 30213  
 of the tax that would have been paid by eligible permit holders 30214

 during the course of an agricultural exposition or fair, shall be 30216  
 deposited into the state treasury to the credit of the horse 30217  
 racing tax fund, which is hereby created for the use of the 30218  
 agricultural societies of the several counties in which the taxes 30219  
 originate. The state racing commission shall determine eligible 30220  
 permit holders for purposes of the preceding sentence, taking into 30221  
 account the breed of horse, the racing dates, the geographic 30222  
 proximity to the fair, and the best interests of Ohio racing. On 30223  
 the first day of any month on which there is money in the fund, 30224  
 the ~~director of budget and management~~ tax commissioner shall 30225  
 provide for payment to the treasurer of each agricultural society 30226

(L) From the tax paid under this section by harness track permit holders, the tax commissioner shall pay into the Ohio thoroughbred race fund a sum equal to a percentage of the amount wagered upon which ~~such~~ the tax is paid. The percentage shall be determined by the tax commissioner and shall be rounded to the nearest one-hundredth. The percentage shall be such that, when multiplied by the amount wagered upon which tax was paid by the harness track permit holders in the most recent year for which final figures are available, it results in a sum that substantially equals the same amount of tax paid by the tax commissioner during that year into the Ohio fairs fund from taxes paid by thoroughbred permit holders. This division does not apply to county and independent fairs and agricultural societies.

(M) Twenty-five per cent of the taxes levied on ~~thoroughbred-racing~~ thoroughbred racing permit holders, ~~harness-racing~~ harness racing permit holders, and quarter horse racing permit holders under this section, section 3769.087 of the Revised Code, and division (F)(2) of section 3769.26 of the Revised Code shall be paid ~~to~~ into the PASSPORT fund. The tax commissioner shall pay any money remaining, after the payment ~~to~~ into the PASSPORT fund and the reductions provided for in division (J) of this section and in section 3769.20 of the Revised Code, into the Ohio fairs fund, Ohio thoroughbred race fund, Ohio standardbred development fund, Ohio quarter horse fund, and state racing commission operating fund as prescribed in this section and section 3769.087 of the Revised Code; ~~except that the state racing commission operating fund shall not receive more than two million five hundred thousand dollars in any calendar year.~~ The tax commissioner shall thereafter use and apply the balance of the money paid as a tax by any permit holder to cover any shortage in the accounts of such funds resulting from an insufficient payment as a tax by any other permit holder. commissioner into the funds to cover the total aggregate amount 30263  
due from all permit holders to the funds, as calculated under this 30264  
section and section 3769.087 of the Revised Code, as applicable. 30265  
If, after ~~the~~ payment ~~to~~ into the PASSPORT fund, sufficient funds 30266  
are not available from the tax deposited by the tax commissioner 30267  
to pay the required ~~amount~~ amounts into the Ohio fairs fund, Ohio 30268  
standardbred development fund, Ohio thoroughbred race fund, Ohio 30269  
quarter horse fund, and the state racing commission operating 30270

the amount paid to each of the funds. Any shortage to the funds as 30272  
a result of a proration shall be applied against future deposits 30273  
for the same calendar year when funds are available. After this 30274  
application, the tax commissioner shall pay any remaining money 30275  
paid as a tax by all permit holders into the PASSPORT fund. ~~If the~~ 30276  
~~Ohio fairs fund does not receive two million five hundred thousand~~ 30277

~~that was retained by the tracks the previous calendar year as a~~ 30283  
~~reduction provided for in division (J) of this section and section~~ 30284  
~~3769.20 of the Revised Code until the previous year's deficiency~~ 30285  
~~is met. Each track that has an existing reduction shall increase~~ 30286  
~~its reduction credit balance by the amount determined by the tax~~ 30287  
~~commissioner that is needed to meet its prorated portion of the~~ 30288  
~~Ohio fairs fund deficiency. The credit balance increase shall be~~ 30289  
~~paid to the tax commissioner as a tax. This division does not~~ 30290  
apply to permit holders conducting racing at the course of an 30291

shall be provided at each age and gait. At least five races and a 30330  
championship race shall be scheduled for each of the eight 30331  
categories of age, sex, and gait. The allocations shall take into 30332  
account the time of year that racing colts is feasible, the equity 30333  
and continuity of the proposed dates for racing the events, and 30334  
the amounts to be added by the tracks, looking to the maximum 30335  
benefit for those participating in the races. Representatives of 30336  
the tracks and the Ohio harness horsemens association shall be 30337  
given an opportunity to be heard before the allocations are made. 30338  
No races shall be contested earlier than the first day of May or 30339

eligible to race as a two-year-old and also wholly owned by a 30354  
resident or residents of ~~Ohio~~ the state on the date the race is 30355

the colt and filly races, the development commission may allocate 30359
