applicable rules adopted under it, or any applicable, similar 2152
rules adopted by the supreme court governing judicial officers and 2153
employees, does not violate division (D), (E), or (F) of this 2154
section. This division does not preclude any person from seeking 2155

section 102.08 of the Revised Code. 2157

(J) For purposes of divisions (D), (E), and (F) of this 2158
section, the membership of a public official or employee in an 2159
organization shall not be considered, in and of itself, to be of 2160

such a character as to manifest a substantial and improper 2161
influence on the public official or employee with respect to that 2162
person's duties. As used in this division, "organization" means a 2163
church or a religious, benevolent, fraternal, or professional 2164
organization that is tax exempt under subsection 501(a) and 2165
described in subsection 501(c)(3), (4), (8), (10), or (19) of the 2166

public official or employee who is an employee of an organization, 2168
serves as a trustee, director, or officer of an organization, or 2169
otherwise holds a fiduciary relationship with an organization. 2170
This division does not allow a public official or employee who is 2171
a member of an organization to participate, formally or 2172
informally, in deliberations, discussions, or voting on a matter 2173
or to use his official position with regard to the interests of 2174
the organization on the matter if the public official or employee 2175
has assumed a particular responsibility in the organization with 2176
respect to the matter or if the matter would affect that person's 2177
personal, pecuniary interests. 2178

(K) It is not a violation of this section for a prosecuting 2179
attorney to appoint assistants and employees in accordance with 2180
division (B) of section 309.06 and section 2921.421 of the Revised 2181
Code, for a chief legal officer of a municipal corporation or an 2182
official designated as prosecutor in a municipal corporation to 2183
appoint assistants and employees in accordance with sections 2184
733.621 and 2921.421 of the Revised Code, for a township law 2185
director appointed under section 504.15 of the Revised Code to 2186
appoint assistants and employees in accordance with sections 2187
504.151 and 2921.421 of the Revised Code, or for a coroner to 2188
appoint assistants and employees in accordance with division (B) 2189
of section 313.05 of the Revised Code. 2190

As used in this division, "chief legal officer" has the same 2191
meaning as in section 733.621 of the Revised Code. 2192

Sec. 102.031. (A) As used in this section:	2193

(B) No member of the general assembly shall vote on any legislation that he <u>the member</u> knows is then being actively advocated if he <u>the member</u> is one of the following with respect to a legislative agent or employer that is then actively advocating on that legislation:	2211 2212 2213 2214 2215
(1) An employee;	2216

(3) A gift of any amount in the form of cash or the 2238
equivalent of cash, or a gift of any other thing of value whose 2239
value exceeds seventy-five dollars. As used in division (C)(3) of 2240
this section, "gift" does not include any contribution or any 2241
gifts of meals and other food and beverages or the payment of 2242
expenses incurred for travel to destinations either inside or 2243
outside this state that is received by the member of the general 2244
assembly and that is incurred in connection with the member's 2245
official duties. 2246

(D) It is not a violation of division (C)(2) of this section 2247
if, within sixty days after receiving notice from a legislative 2248
agent that the legislative agent has provided a member of the 2249
general assembly with more than seventy-five dollars aggregated in 2250

the member of the general assembly returns to that legislative 2252
agent the amount received that exceeds seventy-five dollars. 2253

(E) The joint legislative ethics committee may impose a fine 2254
of not more than one thousand dollars upon a member of the general 2255
assembly who violates division (B) of this section. 2256

Sec. 102.06. (A) The appropriate ethics commission shall 2257
receive and may initiate complaints against persons subject to 2258
Chapter 102. of the Revised Code concerning conduct alleged to be 2259
in violation of this chapter or section 2921.42 or 2921.43 of the 2260
Revised Code. All complaints except those by the commission shall 2261
be by affidavit made on personal knowledge, subject to the 2262
penalties of perjury. Complaints by the commission shall be by 2263
affidavit, based upon reasonable cause to believe that a violation 2264
has occurred. 2265

(B) The commission shall investigate complaints, may 2266
investigate charges presented to it, and may request further 2267
information, including the specific amount of income from a 2268
source, from any person filing with the commission a statement 2269
required by section 102.02 of the Revised Code, if the information 2270
sought is directly relevant to a complaint or charges received by 2271
the commission pursuant to this section. This information is 2272
confidential, except that the commission, at its discretion, may 2273
share information gathered in the course of any investigation 2274
with, or disclose the information to, any appropriate prosecuting 2275
authority, any law enforcement agency, or any other appropriate 2276
ethics commission. The person so requested shall furnish the 2277
information to the commission, unless within fifteen days from the 2278
date of the request the person files an action for declaratory 2279
judgment challenging the legitimacy of the request in the court of 2280
common pleas of the county of ~~his~~ the person's residence, ~~his~~ the 2281
person's place of employment, or Franklin county. The requested 2282
information need not be furnished to the commission during the 2283
pendency of the judicial proceedings. Proceedings of the 2284
commission in connection with the declaratory judgment action 2285

shall be kept confidential except as otherwise provided by this 2286
section. Before the commission proceeds to take any formal action 2287
against a person who is the subject of an investigation based on 2288
charges presented to the commission, a complaint shall be filed 2289
against the person. If the commission finds that a complaint is 2290
not frivolous, and there is reasonable cause to believe that the 2291
facts alleged in a complaint constitute a violation of section 2292
102.02, 102.03, 102.04, 102.07, 2921.42, or 2921.43 of the Revised 2293
Code, it shall hold a hearing. If the commission does not so find, 2294
it shall dismiss the complaint and notify the accused person in 2295
writing of the dismissal of the complaint. The commission shall 2296
not make a report of its finding unless the accused person 2297
requests a report. Upon the request of the accused person, the 2298
commission shall make a public report of its finding. The person 2299
against whom the complaint is directed shall be given reasonable 2300
notice by certified mail of the date, time, and place of the 2301
hearing and a statement of the charges and the law directly 2302
involved and shall be given the opportunity to be represented by 2303
counsel, to have counsel appointed for ~~him~~ the person if ~~he~~ the 2304
person is unable to afford counsel without undue hardship, to 2305
examine the evidence against ~~him~~ the person, to produce evidence 2306
and to call and subpoena witnesses in ~~his~~ the person's defense, to 2307
confront ~~his~~ the person's accusers, and to cross-examine 2308
witnesses. The commission shall have a stenographic record made of 2309
the hearing. The hearing shall be closed to the public. 2310

(C)(1)(a) If upon the basis of the hearing, the commission 2311
finds by a preponderance of the evidence that the facts alleged in 2312
the complaint are true and constitute a violation of section 2313
102.02, 102.03, 102.04, 102.07, 2921.42, or 2921.43 of the Revised 2314
Code, it shall report its findings to the appropriate prosecuting 2315
authority for proceedings in prosecution of the violation and to 2316
the appointing or employing authority of the accused. 2317

(b) If the Ohio ethics commission reports its findings to the appropriate prosecuting authority under division (C)(1)(a) of this section and the prosecuting authority has not initiated any official action on those findings within ninety days after receiving the commission's report of them, then the commission may publicly comment that no official action has been taken on its findings, except that the commission shall make no comment in violation of the Rules of Criminal Procedure or about any indictment that has been sealed pursuant to any law or those rules. The commission shall make no comment regarding the merits of its findings. As used in division (C)(1)(b) of this section, "official action" means prosecution, closure after investigation, or grand jury action resulting in a true bill of indictment or no true bill of indictment.

(2) If the appropriate ethics commission does not find by a preponderance of the evidence that the facts alleged in the complaint are true and constitute a violation of section 102.02, 102.03, 102.04, 102.07, 2921.42, or 2921.43 of the Revised Code or if the commission has not scheduled a hearing within ninety days after the complaint is filed or has not finally disposed of the complaint within six months after it has been heard, it shall dismiss the complaint and notify the accused person in writing of the dismissal of the complaint. The commission shall not make a report of its finding unless the accused person requests a report. Upon the request of the accused person, the commission shall make a public report of the finding, but in this case all evidence and the record of the hearing shall remain confidential unless the accused person also requests that the evidence and record be made public. Upon request by the accused person, the commission shall make the evidence and the record available for public inspection.

(D) The commission, or a member of the commission, may administer oaths, and the commission may issue subpoenas to any

person in the state compelling the attendance of witnesses and the 2350
production of relevant papers, books, accounts, and records. The 2351
commission shall issue subpoenas to compel the attendance of 2352
witnesses and the production of documents upon the request of an 2353
accused person. Section 101.42 of the Revised Code shall govern 2354
the issuance of these subpoenas insofar as applicable. Upon the 2355
refusal of any person to obey a subpoena or to be sworn or to 2356
answer as a witness, the commission may apply to the court of 2357
common pleas of Franklin county under section 2705.03 of the 2358
Revised Code. The court shall hold proceedings in accordance with 2359
Chapter 2705. of the Revised Code. The commission or the accused 2360
person may take the depositions of witnesses residing within or 2361
without the state in the same manner as prescribed by law for the 2362
taking of depositions in civil actions in the court of common 2363
pleas. 2364

(E) At least once each year, the Ohio ethics commission shall 2365
report on its activities of the immediately preceding year to the 2366
majority and minority leaders of the senate and house of 2367
representatives of the general assembly. The report shall indicate 2368
the total number of complaints received, initiated, and 2369
investigated by the commission, the total number of complaints for 2370
which formal hearings were held, and the total number of 2371
complaints for which formal prosecution was recommended or 2372
requested by the commission. The report also shall indicate the 2373
nature of the inappropriate conduct alleged in each complaint and 2374
the governmental entity with which any employee or official that 2375
is the subject of a complaint was employed at the time of the 2376
alleged inappropriate conduct. 2377

(F) All papers, records, affidavits, and documents upon any 2378
complaint, inquiry, or investigation relating to the proceedings 2379
of the appropriate commission shall be sealed and are private and 2380
confidential, except as otherwise provided in this section and 2381

section 102.07 of the Revised Code. 2382

(G)(1) When a complaint or charge is before it, the Ohio 2383
ethics commission or the appropriate prosecuting authority, in 2384
consultation with the person filing the complaint or charge, the 2385
accused, and any other person the commission or prosecuting 2386
authority considers necessary, may compromise or settle the 2387
complaint or charge with the agreement of the accused. The 2388
compromise or settlement may include mediation, restitution, 2389
rescission of affected contracts, forfeiture of any benefits 2390
resulting from a violation or potential violation of law, 2391
resignation of a public official or employee, or any other relief 2392
that is agreed upon between the commission or prosecuting 2393
authority and the accused. 2394

(2) Any settlement agreement entered into under division 2395
(G)(1) of this section shall be in writing and be accompanied by a 2396
statement of the findings of the commission or prosecuting 2397
authority and the reasons for entering into the agreement. The 2398
commission or prosecuting authority shall retain the agreement and 2399
statement in ~~its~~ the commission's or ~~his~~ prosecuting attorney's 2400
office and, in ~~its~~ the commission's or ~~his~~ prosecuting authority's 2401
discretion, may make the agreement, the statement, and any 2402
supporting information public, unless the agreement provides 2403
otherwise. 2404

(3) If a settlement agreement is breached by the accused, the 2405
commission or prosecuting authority, in ~~its~~ the commission's or 2406
~~his~~ prosecuting authority's discretion, may rescind the agreement 2407
and reinstitute any investigation, hearing, or prosecution of the 2408
accused. No information obtained from the accused in reaching the 2409
settlement that is not otherwise discoverable from the accused 2410
shall be used in any proceeding before the commission or by the 2411
appropriate prosecuting authority in prosecuting the violation. 2412
Notwithstanding any other section of the Revised Code, if a 2413

settlement agreement is breached, any statute of limitations for a 2414
violation of this chapter or section 2921.42 or 2921.43 of the 2415
Revised Code is tolled from the date the complaint or charge is 2416
filed until the date the settlement agreement is breached. 2417

2418

Sec. 103.143. In addition to its duties under section 103.14 2419
of the Revised Code, ~~the legislative budget office~~ of the 2420
legislative service commission shall, in accordance with this 2421
section, review all bills assigned to a committee of the general 2422
assembly, complete the appropriate local impact statements 2423
required by this section, and compile and distribute these 2424
statements as required by division (D) of this section. 2425

(A) Subject to division (F) of this section, whenever any 2426
bill is introduced into either house of the general assembly and 2427
receives second consideration pursuant to the rules of that house, 2428
the bill shall be reviewed immediately by the legislative budget 2429
officer. Upon completing this review, the legislative budget 2430
officer shall determine whether the bill could result in a net 2431
additional cost to school districts, counties, townships, or 2432
municipal corporations from any new or expanded program or service 2433
that school districts, counties, townships, or municipal 2434
corporations would be required to perform or administer under the 2435
bill. If the legislative budget officer determines that it could 2436
result in such a cost, the legislative ~~budget office~~ service 2437
commission shall prepare a local impact statement in the manner 2438
specified in this section. Immediately upon determining the 2439
potential for a net additional cost, the legislative budget 2440
officer shall notify the sponsor of the bill, the chairperson of 2441
the committee to which the bill has been assigned, and the 2442
presiding officer and minority leader of the house in which the 2443
bill originates of the legislative budget officer's determination 2444
by signing and dating a statement to be delivered to them. 2445

If a local impact statement is required, the legislative 2446
~~budget office~~ service commission shall, as soon as possible but no 2447
later than thirty days after the date the bill is scheduled for a 2448
first hearing in a committee in the house in which the bill was 2449
introduced or no later than thirty days after being requested to 2450
do so by the chairperson of such a committee, prepare a statement 2451
containing the most accurate estimate possible, in dollars, of the 2452
net additional costs, if any, that will be required of school 2453
districts, counties, townships, or municipal corporations to 2454
perform or administer a new or expanded program or service 2455
required under the bill. Copies of this statement shall be sent to 2456
the governor, the speaker of the house of representatives, the 2457
president of the senate, the sponsor of the bill, the minority 2458
leader in both houses, and the chairperson of the committee to 2459
which the bill has been assigned. 2460

No bill for which a local impact statement is required by 2461
this section shall be voted out of committee until after the 2462
committee members have received and considered the statement or, 2463
if the bill was amended in committee, the revised statement, 2464
unless the bill is voted out of committee by a two-thirds vote of 2465
the membership of the committee. 2466

(B) In preparing a local impact statement, the legislative 2467
~~budget office~~ service commission may request any department, 2468
division, institution, board, commission, authority, bureau, or 2469
other instrumentality or officer of the state, a school district, 2470
a county, a municipal corporation, or a township to provide any of 2471
the following information: 2472

(1) An estimate, in dollars, of the amount by which the bill 2473
would increase or decrease the revenues received or expenditures 2474
made by the instrumentality, officer, or entity; 2475

(2) Any other information the legislative ~~budget office~~ 2476
service commission considers necessary for it to understand or 2477

explain the fiscal effect of the bill. 2478

An instrumentality, officer, or entity shall comply with a 2479
request as soon as reasonably possible, but not later than fifteen 2480
days, after receiving it. The legislative ~~budget office~~ service 2481
commission shall specify the manner of compliance in its request, 2482
and if necessary may specify a period of time longer than fifteen 2483
days for compliance. The legislative ~~budget office~~ service 2484
commission may consider any information provided under division 2485
(B)(1) or (2) of this section in preparing a local impact 2486
statement. 2487

(C) Any time a bill is amended, the legislative ~~budget office~~ 2488
service commission shall, as soon as reasonably possible, revise 2489
the local impact statement to reflect changes made by amendment. 2490
2491

(D) The legislative ~~budget office~~ service commission shall 2492
annually compile the final local impact statements completed for 2493
all laws passed by both houses of the general assembly in the 2494
preceding year. It shall send a copy of this compilation as a 2495
draft report ~~to the state and local government commission~~ and to 2496
associations or nonprofit organizations formed for the improvement 2497
of school districts or municipal, township, or county government 2498
or for their elected officials by the last day of July of each 2499
year. Upon receiving the draft report, ~~the state and local~~ 2500
~~government commission shall solicit comments from~~ these 2501
associations and organizations may comment about the actual fiscal 2502
impact of bills passed during the year covered by the report. ~~The~~ 2503
~~commission shall review and comment on the draft report before~~ 2504
~~returning it to the legislative budget office, along with the~~ and 2505
forward those comments of the associations and organizations, to 2506
the legislative service commission by the last day of August. The 2507
legislative ~~budget office~~ service commission shall then prepare a 2508
final report consisting of the compiled local impact statements 2509

and all forwarded comments ~~returned by the state and local~~ 2510
~~government commission~~. The final report shall be completed by the 2511
last day of September and copies of the report shall be sent to 2512
the governor, the speaker of the house of representatives, and the 2513
president of the senate. 2514

(E) As used in this section, "net additional cost" means any 2515
cost incurred or anticipated to be incurred by a school district, 2516
county, township, or municipal corporation in performing or 2517
administering a new or expanded program or service required by a 2518
state law other than any of the following: 2519

(1) A cost arising from the exercise of authority granted by 2520
a state law rather than from the performance of a duty or 2521
obligation imposed by a state law; 2522

(2) New duties or obligations that create only a minimal cost 2523
for affected school districts, counties, townships, or municipal 2524
corporations. The legislative ~~budget office~~ service commission 2525
shall determine what constitutes such a minimal cost. Before 2526
making this determination, the legislative ~~budget office~~ service 2527
commission shall notify the state organizations that represent 2528
school districts, counties, townships, and municipal corporations 2529
regarding the proposed determination and provide a thirty-day 2530
period for these organizations and individual school districts, 2531
counties, townships, and municipal corporations to comment on it. 2532
2533

(3) A cost arising from a law passed as a result of a federal 2534
mandate. 2535

The amounts described in division (E)(2) of this section 2536
include only the amounts remaining after subtracting from such 2537
costs any revenues received or receivable by the school district, 2538
county, township, or municipal corporation on account of the 2539
program or service, including the following: 2540

~~state may open an account outside the state treasury in a 3093
financial institution for the purpose of depositing credit card 3094
receipts. Within forty-eight hours following the deposit of the 3095
receipts, the financial institution shall make available to the 3096
secretary of state funds in the amount of the receipts. The 3097
secretary of state shall then pay these funds into the state 3098
treasury to the credit of the general revenue fund, except as 3099
otherwise provided by the Revised Code. 3100~~

~~The secretary of state may pay the cost of any service charge 3101
required by a financial institution or credit card company in 3102
connection with a credit card payment program. 3103~~

~~The secretary of state shall adopt rules as necessary to 3104
carry out the purposes of this division. The rules shall include 3105
standards for determining eligible financial institutions and the 3106

consistent with the standards contained in sections 135.03, 3108
135.18, and 135.181 of the Revised Code. 3109~~

The secretary of state may implement alternative payment 3110
programs that permit payment of any fee charged by the secretary 3111
of state by means other than cash, check, money order, or credit 3112
card; an alternative payment program may include, but is not 3113
limited to, one that permits a fee to be paid by electronic means 3114
of transmission. Fees paid under an alternative payment program 3115
shall be deposited to the credit of the secretary of state 3116
alternative payment program fund, which is hereby created. The 3117
secretary of state alternative payment program fund shall be in 3118
the custody of the treasurer of state but shall not be part of the 3119
state treasury. Any investment income of the secretary of state 3120
alternative payment program fund shall be credited to that fund 3121
and used to operate the alternative payment program. Within two 3122
working days following the deposit of funds to the credit of the 3123
secretary of state alternative payment program fund, the secretary 3124

of state shall pay those funds into the state treasury to the 3125
credit of the corporate and uniform commercial code filing fund, 3126
subject to division (B) of section 1309.401 of the Revised Code 3127
and except as otherwise provided in the Revised Code. 3128

The secretary of state shall adopt rules necessary to carry 3129
out the purposes of this division. 3130

Sec. 111.23. (A) The secretary of state, by rule, shall 3131
establish, and prescribe guidelines and fees for the use of, an 3132
"expedited filing service" that provides, at the option of the 3133
person making such a filing, expeditious processing of any filing 3134
with the secretary of state under ~~Chapters~~ Chapter 1309. and or 3135
1329. and of any filing referred to in divisions (A), (B), (C), 3136
(D), (E), (F), and (G) of section 111.16 or Title XVII of the 3137
Revised Code. 3138

(B) The secretary of state may adopt rules establishing, and 3139
prescribing guidelines and fees for the use of, a bulk filing 3140
service that provides, at the option of the person making a 3141
filing, a method for providing large amounts of information. The 3142
secretary of state may charge and collect fees for filings made 3143
through a bulk filing service at reduced amounts from those 3144
otherwise specified in or authorized by the Revised Code. 3145

(C) The secretary of state may adopt rules establishing, and 3146
prescribing guidelines and fees for the use of, alternative filing 3147
procedures in making filings with the secretary of state. Under 3148
these rules, the secretary of state may accept any filing and 3149
payment of associated fees through any electronic, digital, 3150
facsimile, or other means of transmission. The filings shall be 3151
made on a form prescribed by the secretary of state and shall 3152
comply fully with any other requirements of the Revised Code 3153
applicable to the type of filing being made. 3154

Sec. 111.25. (A) The secretary of state shall prescribe the following forms for persons to use in complying with the requirements of Chapter 1309. of the Revised Code for the filing of financing statements and related documents:

~~(A)~~(1) The financing statement described in division (A) of section 1309.39 of the Revised Code;

~~(B)~~(2) A form for the amendment of a financing statement described in division (C) of section 1309.39 of the Revised Code;

~~(C)~~(3) A continuation statement described in division (C) of section 1309.40 of the Revised Code;

~~(D)~~(4) A termination statement described in division (A) of section 1309.41 of the Revised Code;

~~(E)~~(5) A form for an assignment of rights under a financing statement described in section 1309.42 of the Revised Code;

~~(F)~~(6) A statement of release described in section 1309.43 of the Revised Code.

(B) The secretary of state shall prescribe the forms for persons to use in complying with the requirements of Title XVII of the Revised Code to the extent that those requirements relate to filings with the secretary of state's office.

Sec. 118.08. (A) The members of the financial planning and supervision commission shall serve without compensation, but shall be paid by the commission their necessary and actual expenses incurred while engaged in the business of the commission.

(B) All expenses incurred for services rendered by the financial supervisor for a period of twenty-four months shall be paid by the commission pursuant to an appropriation made by the general assembly for this purpose. Expenses incurred for services rendered by the financial supervisor beyond this period shall be

borne by the municipal corporation, county, or township unless the 3184
director of budget and management waives the costs and allows 3185
payment in accordance with the following: 3186

(1) If the continued performance of the financial supervisor 3187
is required for a period of twenty-five to thirty months, the 3188
municipal corporation, county, or township is responsible for 3189
twenty per cent of the compensation due. 3190

(2) If the continued performance of the financial supervisor 3191
is required for a period of thirty-one to thirty-six months, the 3192
municipal corporation, county, or township is responsible for 3193
fifty per cent of the compensation due. 3194

(3) If the continued performance of the financial supervisor 3195
is required for a period of thirty-seven months or more, the 3196
municipal corporation, county, or township is responsible for one 3197
hundred per cent of the compensation due except as otherwise 3198
provided in division (B)(4) of this section. 3199

(4) ~~Beginning in fiscal year 2000, if~~ If the continued 3200
performance of the financial supervisor has been required longer 3201
than eight fiscal years for any municipal corporation, county, or 3202
township declared to be in a fiscal emergency prior to fiscal year 3203
1996, that municipal corporation, county, or township is 3204
responsible for fifty per cent of the compensation due in its 3205
ninth fiscal year ~~2000~~ while in fiscal emergency and one hundred 3206
per cent of the compensation due in its tenth fiscal year ~~2001~~ and 3207
every fiscal year thereafter while in fiscal emergency. 3208

(C) If the municipal corporation, county, or township fails 3209
to make any payment to the financial supervisor as required by 3210
this chapter, the financial supervisor may certify to the county 3211
auditor the amount due, and that amount shall be withheld from the 3212
municipal corporation, county, or township from any fund or funds 3213
in the custody of the county auditor for distribution to the 3214

municipal corporation, county, or township, except for those 3215
reserved for payment of local government fund notes. Upon 3216
receiving ~~such~~ the certification from the ~~auditor of state~~ 3217
financial supervisor, the county auditor shall draw a voucher for 3218
the amount against ~~such~~ those fund or funds in favor of the 3219
financial supervisor. 3220

Sec. 119.12. Any party adversely affected by any order of an 3221
agency issued pursuant to an adjudication denying an applicant 3222
admission to an examination, or denying the issuance or renewal of 3223
a license or registration of a licensee, or revoking or suspending 3224
a license, or allowing the payment of a forfeiture under section 3225
4301.252 of the Revised Code, may appeal from the order of the 3226
agency to the court of common pleas of the county in which the 3227
place of business of the licensee is located or the county in 3228
which the licensee is a resident, except that appeals from 3229
decisions of the liquor control commission, the state medical 3230
board, state chiropractic board, state dental board, and board of 3231
nursing shall be to the court of common pleas of Franklin county. 3232
If any such party is not a resident of and has no place of 3233
business in this state, the party may appeal to the court of 3234
common pleas of Franklin county. 3235

Any party adversely affected by any order of an agency issued 3236
pursuant to any other adjudication may appeal to the court of 3237
common pleas of Franklin county, except that appeals from orders 3238
of the fire marshal issued under Chapter 3737. of the Revised Code 3239
may be to the court of common pleas of the county in which the 3240
building of the aggrieved person is located. 3241

This section does not apply to appeals from the department of 3242
taxation. 3243

Any party desiring to appeal shall file a notice of appeal 3244
with the agency setting forth the order appealed from and the 3245

grounds of the party's appeal. A copy of such notice of appeal 3246
shall also be filed by the appellant with the court. Unless 3247
otherwise provided by law relating to a particular agency, such 3248
notices of appeal shall be filed within fifteen days after the 3249
mailing of the notice of the agency's order as provided in this 3250
section. For purposes of this paragraph, an order includes a 3251
determination appealed pursuant to division (C) of section 119.092 3252
of the Revised Code. 3253

The filing of a notice of appeal shall not automatically 3254
operate as a suspension of the order of an agency. If it appears 3255
to the court that an unusual hardship to the appellant will result 3256
from the execution of the agency's order pending determination of 3257
the appeal, the court may grant a suspension and fix its terms. If 3258
an appeal is taken from the judgment of the court and the court 3259
has previously granted a suspension of the agency's order as 3260
provided in this section, such suspension of the agency's order 3261
shall not be vacated and shall be given full force and effect 3262
until the matter is finally adjudicated. No renewal of a license 3263
or permit shall be denied by reason of such suspended order during 3264
the period of the appeal from the decision of the court of common 3265
pleas. In the case of an appeal from the state medical board or 3266
state chiropractic board, the court may grant a suspension and fix 3267
its terms if it appears to the court that an unusual hardship to 3268
the appellant will result from the execution of the agency's order 3269
pending determination of the appeal and the health, safety, and 3270
welfare of the public will not be threatened by suspension of the 3271
order. This provision shall not be construed to limit the factors 3272
the court may consider in determining whether to suspend an order 3273
of any other agency pending determination of an appeal. 3274

The final order of adjudication may apply to any renewal of a 3275
license or permit which has been granted during the period of the 3276
appeal. 3277

Notwithstanding any other provision of this section, any 3278
order issued by a court of common pleas or a court of appeals 3279
suspending the effect of an order of the liquor control commission 3280
issued pursuant to Chapter 4301. or 4303. of the Revised Code that 3281
suspends, revokes, or cancels a permit issued under Chapter 4303. 3282
of the Revised Code, or that allows the payment of a forfeiture 3283
under section 4301.252 of the Revised Code, shall terminate not 3284
more than six months after the date of the filing of the record of 3285
the liquor control commission with the clerk of the court of 3286
common pleas and shall not be extended. The court of common pleas, 3287
or the court of appeals on appeal, shall render a judgment in that 3288
matter within six months after the date of the filing of the 3289
record of the liquor control commission with the clerk of the 3290
court of common pleas. A court of appeals shall not issue an order 3291
suspending the effect of an order of the liquor control commission 3292
that extends beyond six months after the date on which the record 3293
of the liquor control commission is filed with a court of common 3294
pleas. 3295

Notwithstanding any other provision of this section, any 3296
order issued by a court of common pleas suspending the effect of 3297
an order of the state medical board or state chiropractic board 3298
that limits, revokes, suspends, places on probation, or refuses to 3299
register or reinstate a certificate issued by the board or 3300
reprimands the holder of such a certificate shall terminate not 3301
more than fifteen months after the date of the filing of a notice 3302
of appeal in the court of common pleas, or upon the rendering of a 3303
final decision or order in the appeal by the court of common 3304
pleas, whichever occurs first. 3305

Within thirty days after receipt of a notice of appeal from 3306
an order in any case in which a hearing is required by sections 3307
119.01 to 119.13 of the Revised Code, the agency shall prepare and 3308
certify to the court a complete record of the proceedings in the 3309

case. Failure of the agency to comply within the time allowed, 3310
upon motion, shall cause the court to enter a finding in favor of 3311
the party adversely affected. Additional time, however, may be 3312
granted by the court, not to exceed thirty days, when it is shown 3313
that the agency has made substantial effort to comply. Such record 3314
shall be prepared and transcribed and the expense of it shall be 3315
taxed as a part of the costs on the appeal. The appellant shall 3316
provide security for costs satisfactory to the court of common 3317
pleas. Upon demand by any interested party, the agency shall 3318
furnish at the cost of the party requesting it a copy of the 3319
stenographic report of testimony offered and evidence submitted at 3320
any hearing and a copy of the complete record. 3321

Notwithstanding any other provision of this section, any 3322
party desiring to appeal an order or decision of the state 3323
personnel board of review shall, at the time of filing a notice of 3324
appeal with the board, provide a security deposit in an amount and 3325
manner prescribed in rules that the board shall adopt in 3326
accordance with this chapter. In addition, the board is not 3327
required to prepare or transcribe the record of any of its 3328
proceedings unless the appellant has provided the deposit 3329
described above. The failure of the board to prepare or transcribe 3330
a record for an appellant who has not provided a security deposit 3331
shall not cause a court to enter a finding adverse to the board. 3332

Unless otherwise provided by law, in the hearing of the 3334
appeal, the court is confined to the record as certified to it by 3335
the agency. Unless otherwise provided by law, the court may grant 3336
a request for the admission of additional evidence when satisfied 3337
that such additional evidence is newly discovered and could not 3338
with reasonable diligence have been ascertained prior to the 3339
hearing before the agency. 3340

The court shall conduct a hearing on such appeal and shall 3341

give preference to all proceedings under sections 119.01 to 119.13 3342
of the Revised Code, over all other civil cases, irrespective of 3343
the position of the proceedings on the calendar of the court. An 3344
appeal from an order of the state medical board issued pursuant to 3345
division (G) of either section 4730.25 or 4731.22 of the Revised 3346
Code, or the state chiropractic board issued pursuant to section 3347
4734.37 of the Revised Code, or the liquor control commission 3348
issued pursuant to Chapter 4301. or 4303. of the Revised Code 3349
shall be set down for hearing at the earliest possible time and 3350
takes precedence over all other actions. The hearing in the court 3351
of common pleas shall proceed as in the trial of a civil action, 3352
and the court shall determine the rights of the parties in 3353
accordance with the laws applicable to such action. At such 3354
hearing, counsel may be heard on oral argument, briefs may be 3355
submitted, and evidence introduced if the court has granted a 3356
request for the presentation of additional evidence. 3357

The court may affirm the order of the agency complained of in 3358
the appeal if it finds, upon consideration of the entire record 3359
and such additional evidence as the court has admitted, that the 3360
order is supported by reliable, probative, and substantial 3361
evidence and is in accordance with law. In the absence of such a 3362
finding, it may reverse, vacate, or modify the order or make such 3363
other ruling as is supported by reliable, probative, and 3364
substantial evidence and is in accordance with law. The court 3365
shall award compensation for fees in accordance with section 3366
2335.39 of the Revised Code to a prevailing party, other than an 3367
agency, in an appeal filed pursuant to this section. 3368

The judgment of the court shall be final and conclusive 3369
unless reversed, vacated, or modified on appeal. Such appeals may 3370
be taken either by the party or the agency, shall proceed as in 3371
the case of appeals in civil actions, and shall be pursuant to the 3372
Rules of Appellate Procedure and, to the extent not in conflict 3373

with those rules, Chapter 2505. of the Revised Code. Such appeal 3374
by the agency shall be taken on questions of law relating to the 3375
constitutionality, construction, or interpretation of statutes and 3376
rules of the agency, and in such appeal the court may also review 3377
and determine the correctness of the judgment of the court of 3378
common pleas that the order of the agency is not supported by any 3379
reliable, probative, and substantial evidence in the entire 3380
record. 3381

The court shall certify its judgment to such agency or take 3382
such other action necessary to give its judgment effect. 3383

Sec. 120.06. (A)(1) The state public defender, when 3384
designated by the court or requested by a county public defender 3385
or joint county public defender, may provide legal representation 3386
in all courts throughout the state to indigent adults and 3387
juveniles who are charged with the commission of an offense or act 3388
for which the penalty or any possible adjudication includes the 3389
potential loss of liberty. 3390

(2) The state public defender may provide legal 3391
representation to any indigent person who, while incarcerated in 3392
any state correctional institution, is charged with a felony 3393
offense, for which the penalty or any possible adjudication that 3394
may be imposed by a court upon conviction includes the potential 3395
loss of liberty. 3396

(3) The state public defender may provide legal 3397
representation to any person incarcerated in any correctional 3398
institution of the state, in any matter in which the person 3399
asserts the person is unlawfully imprisoned or detained. 3400

(4) The state public defender, in any case in which the state 3401
public defender has provided legal representation or is requested 3402
to do so by a county public defender or joint county public 3403
defender, may provide legal representation on appeal. 3404

(5) The state public defender, when designated by the court 3405
or requested by a county public defender, joint county public 3406
defender, or the director of rehabilitation and correction, shall 3407
provide legal representation in parole and probation revocation 3408
matters, unless the state public defender finds that the alleged 3409
parole or probation violator has the financial capacity to retain 3410
the alleged violator's own counsel. 3411

(6) If the state public defender contracts with a county 3412
public defender commission, a joint county public defender 3413
commission, or a board of county commissioners for the provision 3414
of services, under authority of division (C)(7) of section 120.04 3415
of the Revised Code, the state public defender shall provide legal 3416
representation in accordance with the contract. 3417

(B) The state public defender shall not be required to 3418
prosecute any appeal, postconviction remedy, or other proceeding 3419
pursuant to division (A)(3), (4), or (5) of this section, unless 3420
the state public defender first is satisfied that there is 3421
arguable merit to the proceeding. 3422

(C) A court may appoint counsel or allow an indigent person 3423
to select the indigent's own personal counsel to assist the state 3424
public defender as co-counsel when the interests of justice so 3425
require. When co-counsel is appointed to assist the state public 3426
defender, the co-counsel shall receive any compensation that the 3427
court may approve, not to exceed the amounts provided for in 3428
section 2941.51 of the Revised Code. 3429

(D) When the state public defender is designated by the court 3430
or requested by a county public defender or joint county public 3431
defender to provide legal representation for an indigent person in 3432
any case, other than pursuant to a contract entered into under 3433
authority of division (C)(7) of section 120.04 of the Revised 3434
Code, the state public defender shall send to the county in which 3435
the case is filed an itemized bill for fifty per cent of the 3436

actual cost of the representation. The county, upon receipt of an
itemized bill from the state public defender pursuant to this
division, shall pay fifty per cent of the actual cost of the legal
representation as set forth in the itemized bill. There is hereby
created in the state treasury the county representation fund for
the deposit of moneys received from counties under this division.
All moneys credited to the fund shall be used by the state public
defender to provide legal representation for indigent persons when
designated by the court or requested by a county or joint county
public defender.

(E)(1) Notwithstanding any contrary provision of sections
109.02, 109.07, 109.361 to 109.366, and 120.03 of the Revised Code
that pertains to representation by the attorney general, an
assistant attorney general, or special counsel of an officer or
employee, as defined in section 109.36 of the Revised Code, or of
an entity of state government, the state public defender may elect
to contract with, and to have the state pay pursuant to division
(E)(2) of this section for the services of, private legal counsel
to represent the Ohio public defender commission, the state public
defender, assistant state public defenders, other employees of the
commission or the state public defender, and attorneys described
in division (C) of section 120.41 of the Revised Code in a
malpractice or other civil action or proceeding that arises from
alleged actions or omissions related to responsibilities derived
pursuant to this chapter, or in a civil action that is based upon
alleged violations of the constitution or statutes of the United
States, including section 1983 of Title 42 of the United States
Code, 93 Stat. 1284 (1979), 42 U.S.C.A. 1983, as amended, and that
arises from alleged actions or omissions related to
responsibilities derived pursuant to this chapter, if the state
public defender determines, in good faith, that the defendant in
the civil action or proceeding did not act manifestly outside the

scope of the defendant's employment or official responsibilities, 3469
with malicious purpose, in bad faith, or in a wanton or reckless 3470
manner. If the state public defender elects not to contract 3471
pursuant to this division for private legal counsel in a civil 3472
action or proceeding, then, in accordance with sections 109.02, 3473
109.07, 109.361 to 109.366, and 120.03 of the Revised Code, the 3474
attorney general shall represent or provide for the representation 3475
of the Ohio public defender commission, the state public defender, 3476
assistant state public defenders, other employees of the 3477
commission or the state public defender, or attorneys described in 3478
division (C) of section 120.41 of the Revised Code in the civil 3479
action or proceeding. 3480

(2)(a) Subject to division (E)(2)(b) of this section, payment 3481
from the state treasury for the services of private legal counsel 3482
with whom the state public defender has contracted pursuant to 3483
division (E)(1) of this section shall be accomplished only through 3484
the following procedure: 3485

(i) The private legal counsel shall file with the attorney 3486
general a copy of the contract; a request for an award of legal 3487
fees, court costs, and expenses earned or incurred in connection 3488
with the defense of the Ohio public defender commission, the state 3489
public defender, an assistant state public defender, an employee, 3490
or an attorney in a specified civil action or proceeding; a 3491
written itemization of those fees, costs, and expenses, including 3492
the signature of the state public defender and the state public 3493
defender's attestation that the fees, costs, and expenses were 3494
earned or incurred pursuant to division (E)(1) of this section to 3495
the best of the state public defender's knowledge and information; 3496
a written statement whether the fees, costs, and expenses are for 3497
all legal services to be rendered in connection with that defense, 3498
are only for legal services rendered to the date of the request 3499
and additional legal services likely will have to be provided in 3500

connection with that defense, or are for the final legal services 3501
rendered in connection with that defense; a written statement 3502
indicating whether the private legal counsel previously submitted 3503
a request for an award under division (E)(2) of this section in 3504
connection with that defense and, if so, the date and the amount 3505
of each award granted; and, if the fees, costs, and expenses are 3506
for all legal services to be rendered in connection with that 3507
defense or are for the final legal services rendered in connection 3508
with that defense, a certified copy of any judgment entry in the 3509
civil action or proceeding or a signed copy of any settlement 3510
agreement entered into between the parties to the civil action or 3511
proceeding. 3512

(ii) Upon receipt of a request for an award of legal fees, 3513
court costs, and expenses and the requisite supportive 3514
documentation described in division (E)(2)(a)(i) of this section, 3515
the attorney general shall review the request and documentation; 3516
determine whether any of the limitations specified in division 3517
(E)(2)(b) of this section apply to the request; and, if an award 3518
of legal fees, court costs, or expenses is permissible after 3519
applying the limitations, prepare a document awarding legal fees, 3520
court costs, or expenses to the private legal counsel. The 3521
document shall name the private legal counsel as the recipient of 3522
the award; specify the total amount of the award as determined by 3523
the attorney general; itemize the portions of the award that 3524
represent legal fees, court costs, and expenses; specify any 3525
limitation applied pursuant to division (E)(2)(b) of this section 3526
to reduce the amount of the award sought by the private legal 3527
counsel; state that the award is payable from the state treasury 3528
pursuant to division (E)(2)(a)(iii) of this section; and be 3529
approved by the inclusion of the signatures of the attorney 3530
general, the state public defender, and the private legal counsel. 3531

(iii) The attorney general shall forward a copy of the 3532

document prepared pursuant to division (E)(2)(a)(ii) of this 3533
section to the director of budget and management. The award of 3534
legal fees, court costs, or expenses shall be paid out of the 3535
state public defender's appropriations, to the extent there is a 3536
sufficient available balance in those appropriations. If the state 3537
public defender does not have a sufficient available balance in 3538
the state public defender's appropriations to pay the entire award 3539
of legal fees, court costs, or expenses, the director shall make 3540
application for a transfer of appropriations out of the emergency 3541
purposes account or any other appropriation for emergencies or 3542
contingencies in an amount equal to the portion of the award that 3543
exceeds the sufficient available balance in the state public 3544
defender's appropriations. A transfer of appropriations out of the 3545
emergency purposes account or any other appropriation for 3546
emergencies or contingencies shall be authorized if there are 3547
sufficient moneys greater than the sum total of then pending 3548
emergency purposes account requests, or requests for releases from 3549
the other appropriation. If a transfer of appropriations out of 3550
the emergency purposes account or other appropriation for 3551
emergencies or contingencies is made to pay an amount equal to the 3552
portion of the award that exceeds the sufficient available balance 3553
in the state public defender's appropriations, the director shall 3554
cause the payment to be made to the private legal counsel. If 3555
sufficient moneys do not exist in the emergency purposes account 3556
or other appropriation for emergencies or contingencies to pay an 3557
amount equal to the portion of the award that exceeds the 3558
sufficient available balance in the state public defender's 3559
appropriations, the private legal counsel shall request the 3560
general assembly to make an appropriation sufficient to pay an 3561
amount equal to the portion of the award that exceeds the 3562
sufficient available balance in the state public defender's 3563
appropriations, and no payment in that amount shall be made until 3564
the appropriation has been made. The private legal counsel shall 3565

make the request during the current biennium and during each 3566
succeeding biennium until a sufficient appropriation is made. 3567
3568

(b) An award of legal fees, court costs, and expenses 3569
pursuant to division (E) of this section is subject to the 3570
following limitations: 3571

(i) The maximum award or maximum aggregate of a series of 3572
awards of legal fees, court costs, and expenses to the private 3573
legal counsel in connection with the defense of the Ohio public 3574
defender commission, the state public defender, an assistant state 3575
public defender, an employee, or an attorney in a specified civil 3576
action or proceeding shall not exceed fifty thousand dollars. 3577

(ii) The private legal counsel shall not be awarded legal 3578
fees, court costs, or expenses to the extent the fees, costs, or 3579
expenses are covered by a policy of malpractice or other 3580
insurance. 3581

(iii) The private legal counsel shall be awarded legal fees 3582
and expenses only to the extent that the fees and expenses are 3583
reasonable in light of the legal services rendered by the private 3584
legal counsel in connection with the defense of the Ohio public 3585
defender commission, the state public defender, an assistant state 3586
public defender, an employee, or an attorney in a specified civil 3587
action or proceeding. 3588

(c) If, pursuant to division (E)(2)(a) of this section, the 3589
attorney general denies a request for an award of legal fees, 3590
court costs, or expenses to private legal counsel because of the 3591
application of a limitation specified in division (E)(2)(b) of 3592
this section, the attorney general shall notify the private legal 3593
counsel in writing of the denial and of the limitation applied. 3594

(d) If, pursuant to division (E)(2)(c) of this section, a 3595
private legal counsel receives a denial of an award notification 3596

or if a private legal counsel refuses to approve a document under
division (E)(2)(a)(ii) of this section because of the proposed
application of a limitation specified in division (E)(2)(b) of
this section, the private legal counsel may commence a civil
action against the attorney general in the court of claims to
prove the private legal counsel's entitlement to the award sought,
to prove that division (E)(2)(b) of this section does not prohibit
or otherwise limit the award sought, and to recover a judgment for
the amount of the award sought. A civil action under division
(E)(2)(d) of this section shall be commenced no later than two
years after receipt of a denial of award notification or, if the
private legal counsel refused to approve a document under division
(E)(2)(a)(ii) of this section because of the proposed application
of a limitation specified in division (E)(2)(b) of this section,
no later than two years after the refusal. Any judgment of the
court of claims in favor of the private legal counsel shall be
paid from the state treasury in accordance with division (E)(2)(a)
of this section.

(F) If a court appoints the office of the state public

proceedings set forth in division (A) of section 120.16 of the 3728
Revised Code, the board of county commissioners of any county may 3729

resolution shall include those provisions the board of county 3732
commissioners considers necessary to provide effective 3733
representation of indigent persons in any proceeding for which 3734
counsel is provided under this section. The resolution shall 3735

appointed counsel system to comply with the rules and standards 3841
within ninety days after the date of the notice, the state public 3842
defender may deny all or part of the county's reimbursement from 3843
the state provided for in division (A)(4) of this section. 3844

set forth in division (A) of section 120.16 of the Revised Code, 3847

and in lieu of adopting the resolution and following the procedure 3848
described in division (A) of this section, the board of county 3849
commissioners of any county may contract with the state public 3850
defender for the state public defender's legal representation of 3851
indigent persons. A contract entered into pursuant to this 3852
division may provide for payment for the services provided on a 3853
per case, hourly, or fixed contract basis. 3854

(C) If a court appoints an attorney pursuant to this section 3855

ceiling is the product of seventy-five dollars multiplied by the 5376
state population in 1987 and fifty dollars multiplied by the state 5377
population in each succeeding calendar year. 5378

The general assembly further finds and declares that the Act 5379
requires the state to allocate its volume ceiling according to a 5380
specified formula unless a different procedure is established by 5381
the governor or general assembly. 5382

The general assembly further finds and declares that pursuant 5383

to authorization of state legislation the general assembly has, by 5384
division (D)(3) of section 133.02 of the Revised Code, effective 5385
October 30, 1989, provided for delegating such function to the 5386
governor and for further delegation as therein provided, subject 5387

unified volume ceiling. 5393

The general assembly therefore finds and declares that it is 5394
necessary to create the joint select committee on volume cap to 5395
create a process for the allocation of the unified volume ceiling. 5396

(A) Pursuant to section 146(e)(2)(B)(ii) of the Internal 5397
Revenue Code, which provides that a state may by law provide a 5398
different formula for allocating the state ceiling, there is 5399

state having authority to issue tax exempt private activity bonds. 5403

(B) The committee shall consist of eight members. Two members 5404

economic benefits of the unified volume ceiling to all citizens of 5414

the state. To this end, the joint select committee on volume cap 5415
shall: 5416

~~(1) Annually, survey the governmental units (or other 5417
authorities) in the state having authority to issue tax exempt 5418
private activity bonds concerning: 5419~~

~~(a) The amount of tax exempt private activity bonds issued 5420
for the previous calendar year; and 5421~~

~~(b) The amount requested for the calendar year allocation 5422
currently under consideration. 5423~~

~~(2) Set forth procedures for making allocations, reallocation 5424
and carry forward of the state's unified volume ceiling in 5425
accordance with the Act; 5426~~

~~(3)(2) Develop strategies for allocating and reallocating the 5427
unified volume ceiling which are designed to maximize the 5428
availability of tax exempt private activity bonds among competing 5429
sectors of the state. 5430~~

(D) To provide for the orderly and prompt issuance of private 5431
activity bonds, the committee is authorized to allocate the 5432
unified volume ceiling among those governmental units (or other 5433
authorities) in the state having authority to issue tax exempt 5434
private activity bonds. The committee shall reserve a portion of 5435

that corrections to permanent improvements are necessary to remove 5557
or prevent health or safety hazards. 5558

(b) Existing fiscal and net indebtedness limitations make 5559
adequate replacement, additions, or improvements impossible. 5560

(2) Upon the declaration of an emergency, the board of 5561
education may, by resolution, submit to the electors of the 5562
district pursuant to section 133.18 of the Revised Code the 5563
question of issuing securities for the purpose of paying the cost, 5564

Code, to provide that eligible government with a certificate of 5841

amount owed to any person with respect to any letter of credit, 5913

provided that the corporation or other person is an "eligible 5932
borrower" under the Federal Steel Loan Act. 5933

(I) "Federal Steel Loan Act" means the federal "Emergency 5934
Steel Loan Guarantee Act of 1999," 113 Stat. 252, 15 U.S.C. 1841 5935

Sec. 135.82. (A) The general assembly finds that several 5943
areas in the state are experiencing economic stagnation or decline 5944
because business activity in those areas is at a level that is too 5945
low to sustain an adequate level of prosperity and a decent 5946
standard of living for area residents. A major factor contributing 5947
to the low level of business activity is the inability of 5948
businesses to obtain needed financing at reasonable interest rates 5949
so as to sustain their operations or to expand operations. The 5950
depressed economic area linked deposit program provided for in 5951
sections 135.81 to 135.88 of the Revised Code is intended to 5952
provide a targeted availability of lower cost funds for lending 5953
purposes that will materially contribute to the economic 5954
revitalization of depressed economic areas in this state to allow 5955
the residents of those areas to enjoy the same level of prosperity 5956
and well being that other residents of the state are able to 5957
enjoy. Accordingly, it is declared to be the public policy of the 5958
state through the depressed economic area linked deposit program 5959
to create an availability of lower cost funds to inject needed 5960
capital into the business community, sustain or improve business 5961
profitability, preserve existing employment and create new job 5962
opportunities, and thereby enhance the economic prosperity of the 5963
affected areas. 5964

(B) The general assembly finds and declares it to be the 5965
public policy of this state, consistent with the purposes of the 5966
steel futures program created under section 122.37 of the Revised 5967
Code, to assist steel companies operating in this state by 5968

expanding forms of assistance available under the depressed 5969
economic area linked deposit program provided for in sections 5970
135.81 to 135.88 of the Revised Code, as amended by the main 5971
operating appropriations act for the 2001-2003 biennium. 5972

(C) The depressed economic area linked deposit program 5973
authorized pursuant to sections 135.81 to 135.88 of the Revised 5974
Code is in addition to and separate from the linked deposit 5975
program authorized pursuant to sections 135.61 to 135.67 of the 5976
Revised Code and the agricultural linked deposit program 5977
authorized pursuant to sections 135.71 to 135.76 of the Revised 5978
Code. 5979

Sec. 135.83. (A) The treasurer of state may invest in 5980
depressed economic area linked deposits, provided that at the time 5981
of placement of the linked deposit, not more than three per cent 5982
of the state's total investment portfolio is so invested and, in 5983
the case of linked deposits with respect to which an above-market 5984
investment will be provided to an eligible government or a reduced 5985
rate loan will be made for the benefit of an eligible steel 5986
company, the amount of the linked deposit does not exceed the 5987
product of fifteen thousand dollars, multiplied by the number of 5988
employees, as of the time of placement of the linked deposit, 5989
whose employment was reasonably expected to be created or 5990
preserved as a result of the financial assistance provided under 5991
sections 135.81 to 135.88 of the Revised Code. 5992

(B) The amounts the treasurer is authorized to invest 5993
pursuant to division (A) of this section are in addition to the 5994
amounts the treasurer may invest pursuant to section 135.63 of the 5995
Revised Code. 5996

(C) The treasurer of state may not invest more than one 5997
million dollars in depressed economic area linked deposits per 5998
county in any two-year period, excluding deposits linked to 5999

above-market investments held by eligible governments. 6000

Sec. 135.84. (A) A board of county commissioners of an 6001
eligible county may authorize the county's participation in the 6002
depressed economic area linked deposit program established 6003
pursuant to sections 135.81 to 135.88 of the Revised Code. For 6004
that purpose, the board may: 6005

(1) Appoint a qualified agent to operate the program on 6006
behalf of the board; 6007

(2) Secure eligible lending institutions to participate in 6008
the program. The board shall make every effort to secure eligible 6009
lending institutions located within the county. If no eligible 6010
lending institution located within the county agrees to 6011
participate in the program, the board may secure the participation 6012
of the nearest available eligible lending institution. 6013

(3) Approve loan applications from eligible businesses prior 6014
to the transmittal of depressed economic area linked deposit loan 6015
to the treasurer of state; 6016

(4) Secure and encourage eligible businesses to make loan 6017
applications; 6018

(5) Employ staff, develop forms, and procedures as will 6019
effectuate the county's participation in the program; 6020

(6) Establish, with the approval of the treasurer of state, a 6021
service charge to cover the costs to the board of the county's 6022
participation in the depressed economic area linked deposit 6023
program; 6024

(7) Fix the amount of a loan that is eligible for a reduced 6025
rate based upon a depressed economic area linked deposit, which in 6026
no event, may exceed fifty per cent of the total loan. 6027

(B) If the treasurer of state determines that an eligible 6028
county ceases to be eligible to participate in the depressed 6029

economic area linked deposit program, the treasurer shall notify 6030
the board of county commissioners together with all affected 6031
eligible lending institutions and any qualified agent. Effective 6032
with the first day of the month following the month in which 6033
notification is given, the board shall suspend participation of 6034
the county in the program and shall not approve any further loan 6035
applications pursuant to the program, except that this division 6036
shall not be construed to affect the review and approval or denial 6037
of loan applications that are pending on the date the suspension 6038
takes effect nor the repayment or servicing of loans already made. 6039
If the county subsequently again becomes eligible to participate 6040
in the program, the board may, with the approval of the treasurer 6041
of state, commence operation of the program in the county the 6042
first day of the month following the month in which the treasurer 6043
of state grants approval. 6044

(C) The board of county commissioners may, with the approval 6045
of the treasurer of state, establish a service fee to be charged 6046
in connection with the application of an eligible business for 6047
that portion of a total loan which represents a depressed economic 6048
area linked deposit loan. The eligible business shall pay the 6049
service fee to the board. The board shall use the service fee 6050
solely to pay the costs incurred by the board or its qualified 6051
agent in effectuating the county's participation in the depressed 6052
economic area linked deposit program. The amount of the fee shall 6053
be no more than will recover to the county its costs and may not 6054
exceed an amount equal to one-half of one per cent of that portion 6055
of a loan that is based upon a depressed economic area linked 6056
deposit. 6057

(D) The board of county commissioners, in lieu of directly 6058
operating the depressed economic area linked deposit loan program 6059
for the county, may appoint a qualified agent upon terms as are 6060
agreed to between the board and the agent. Where the board 6061

appoints a community improvement corporation as its qualified 6062
agent pursuant to sections 135.81 to 135.88 of the Revised Code, 6063
the appointment does not constitute an appointment of the 6064
corporation as the county agent for the purposes of section 6065
1724.10 of the Revised Code, unless the board separately appoints 6066
the corporation pursuant to that section, nor does appointment of 6067
the corporation pursuant to section 1724.10 of the Revised Code 6068
constitute appointment of the corporation for the purposes of 6069
sections 135.81 to 135.88 of the Revised Code. 6070

(E) The board of county commissioners of any county that is 6071
an eligible government, and the legislative authority of any 6072
municipal corporation that is an eligible government, may 6073
authorize that eligible government to participate with the 6074
treasurer of state in the depressed economic area linked deposit 6075
program established pursuant to sections 135.81 to 135.88 of the 6076
Revised Code on such terms as may be agreed upon between the 6077
eligible government and the treasurer of state. 6078

Sec. 135.85. (A) An eligible business desiring to receive a 6079
loan from an eligible lending institution up to fifty per cent of 6080
which is a depressed economic area linked deposit reduced rate 6081
loan, shall make application to the institution upon such forms as 6082
the institution requires. The business shall certify on its loan 6083
application that the total loan will be used exclusively to 6084
preserve existing jobs or employment opportunities or create new 6085
jobs and will materially contribute to the preservation or 6086
expansion of the business. Whoever knowingly makes a false 6087
statement concerning such application is guilty of the offense of 6088
falsification under section 2921.13 of the Revised Code. In making 6089
its decision with respect to a loan application, the eligible 6090
lending institution shall apply all usual lending institution 6091
standards to determine the creditworthiness of each eligible 6092
business. 6093

(B) The eligible lending institution shall forward completed 6094
loan applications the institution approves to the board of county 6095
commissioners or the qualified agent of the board. The board or 6096
agent shall approve or disapprove the loan within fourteen working 6097
days from receipt of the application from the eligible lending 6098
institution. In considering which loan applications to approve, 6099
the board of county commissioners or its qualified agent shall 6100
give priority to the immediacy of a business's financial need for 6101
the loan, the economic needs of the area in which the business is 6102
located, the number of jobs to be created or preserved by the 6103
receipt of the loan, and such other factors as the board or the 6104
agent consider appropriate to determine the relative financial 6105
need of the eligible business and the county as a whole. The 6106
eligible lending institution also shall forward to the board of 6107
county commissioners or its qualified agent those loan 6108
applications it rejects together with a statement of the reason 6109
for the rejection. 6110

(C) The eligible lending institution shall forward to the 6111
treasurer of state a depressed economic area linked deposit 6112
package, based upon loans which the board of county commissioners 6113
or the qualified agent have approved, in the form and manner 6114
prescribed by the treasurer of state. The package shall include 6115
information regarding the amount of the loan requested by each 6116
eligible business and such other information regarding each 6117
business as the treasurer of state requires. The institution shall 6118
certify that each applicant is an eligible business, that the 6119
depressed economic area linked deposit for which the institution 6120
is making application represents no more than fifty per cent of 6121
the total loan for which the eligible business is applying, and 6122
shall, for each business, certify the present borrowing rate 6123
applicable to the depressed economic area linked deposit portion 6124
of the loan applicable to each specific eligible business. 6125

6126
(D) An eligible lending institution and eligible government 6127
may forward to the treasurer of state, either separately or in 6128
conjunction with a depressed economic area linked deposit package, 6129
a proposal for the eligible lending institution to provide the 6130
eligible government with an above-market investment on such terms 6131
as may be agreed upon between the eligible lending institution and 6132
the eligible government. 6133

Sec. 135.86. (A) The treasurer of state may accept or reject 6134
a depressed economic area linked deposit loan or loan package, 6135
including a proposal for an above-market investment to be held by 6136
an eligible government, or any portion of a loan package based on 6137
the treasurer's evaluation of the eligible businesses or eligible 6138
governments included, the amount of individual loans involved, and 6139
the amount of the total package. The treasurer of state may 6140
consult with the director of development as the treasurer finds 6141
necessary in making the decision. The treasurer shall give 6142
priority to a business's or an eligible government's need for the 6143
loan, the economic needs of the area where the business or 6144
eligible government is located, and the ratio of state funds to be 6145
deposited with the eligible lending institution to the jobs 6146
sustained or created. The treasurer also shall consider any 6147
reports, statements, or plans applicable to the business or 6148
eligible government, the overall financial need of the business or 6149
eligible government, and such other factors as the treasurer 6150
considers appropriate. Whenever the department of development 6151
believes that the economic needs of a county or the state require 6152
the suspension or redirection of depressed economic area linked 6153
deposits with respect to a county or that a linked deposit loan 6154
will be improperly made, it may make such recommendations to the 6155
treasurer of state as the department considers appropriate to its 6156
concerns. 6157

(B) Upon acceptance of the depressed economic area loan package or any portion thereof, the treasurer of state may place certificates of deposit with the eligible lending institution at a rate of up to three per cent below current market rates as determined and calculated by the treasurer of state. When necessary, the treasurer may place certificates of deposit prior to acceptance of a depressed economic area linked deposit loan package.

(C) The eligible lending institution shall enter into a depressed economic area linked deposit agreement with the treasurer of state which shall include requirements necessary to carry out the purposes of sections 135.81 to 135.88 of the Revised Code. The requirements shall include an agreement by the eligible lending institution either to lend the value of the depressed economic area linked deposit to eligible businesses at a rate of up to three per cent below the present borrowing rate applicable to each specific business in the loan package, or to enter into an agreement with an eligible government to provide that eligible government with an above-market investment in the value of the depressed economic area linked deposit. The requirements also shall reflect the market conditions prevailing in the eligible lending institution's lending area. The agreement may include a specification of the period of time in which the lending institution is to lend funds or to provide an above-market investment upon the placement of the linked deposit and shall include provisions for the certificates of deposit to be placed for any maturity considered appropriate by the treasurer of state, not to exceed two years. Certificates of deposit may be renewed for additional periods not to exceed two years at the option of the treasurer of state. Interest shall be paid at the times determined by the treasurer of state.

(D) Notwithstanding any other provision of this chapter to

the contrary, an above-market investment entered into by an 6190
eligible government with an eligible lending institution in 6191
compliance with the provisions of this chapter that refer 6192
expressly to above-market investments shall be a legal and 6193
authorized investment for the interim or inactive moneys of that 6194
government. 6195

(E) Eligible lending institutions shall comply fully with 6196
sections 135.81 to 135.88 of the Revised Code. 6197

Sec. 135.87. (A) Upon placement of a depressed economic area 6198
linked deposit with an eligible lending institution, the 6199
institution is required either to lend such funds to each approved 6200
eligible business listed in the depressed economic area linked 6201
deposit loan package required by division (C) of section 135.85 of 6202
the Revised Code, or to enter in above-market investments with 6203
eligible governments or eligible lending institutions in 6204
accordance with the terms of the proposal submitted to the 6205
treasurer of state under division (D) of section 135.85 of the 6206
Revised Code, in each case in accordance with the deposit 6207
agreement required by division (C) of section 135.86 of the 6208
Revised Code. The loan shall be at a rate that is up to three per 6209
cent below the present borrowing rate applicable to each business, 6210
and any above-market investment shall bear interest at a rate that 6211
is up to three per cent above current market rates as determined 6212
by the treasurer of state. A certificate of compliance with this 6213
section in the form and manner prescribed by the treasurer of 6214
state shall be required of the eligible lending institution. 6215

(B) The treasurer of state shall take any and all steps 6216
necessary to implement the depressed economic area linked deposit 6217
program, including the development of guidelines as necessary, and 6218
monitor compliance of eligible lending institutions and, eligible 6219
businesses, and eligible governments. The treasurer of state and 6220
the department of development shall notify each other at least 6221

quarterly of the names of the eligible businesses and eligible 6222
governments receiving financial assistance from their respective 6223
programs. 6224

Annually, by the first day of February, the treasurer of 6225
state shall report on the depressed economic area linked deposit 6226
program for the preceding calendar year to the governor, the 6227
speaker of the house of representatives, the president of the 6228
senate, and to the ~~chairmen~~ chairpersons of the standing 6229
committees in each house that customarily consider economic 6230
development legislation. The report shall set forth the depressed 6231
economic area linked deposits made by the treasurer of state under 6232
the program during the prior calendar year and shall include 6233
information regarding the nature, terms, and amounts of the loans 6234
upon which the deposits were based and the eligible businesses and 6235
eligible governments to which ~~loans were made~~ financial assistance 6236
was provided. 6237

(C) A county appointing authority may apply to the board of county commissioners for authorization to have an officer or employee of the appointing authority use a credit card held by that appointing authority. The authorization request shall state whether the card is to be issued only in the name of the office of the appointing authority itself or whether the issued card shall also include the name of a specified officer or employee.

(D) The debt incurred as a result of the use of a credit card pursuant to this section shall be paid from moneys appropriated to the appointing authority for work-related ~~food, transportation, gasoline and oil, minor motor vehicle maintenance, emergency motor vehicle repair, telephone, lodging, and internet service provider~~ expenses listed in division (B) of this section.

(E)(1) Except as otherwise provided in division (E)(2) of this section, every officer or employee authorized to use a credit card held by the board or appointing authority shall submit to the board by the first day of each month an estimate of the officer's or employee's work-related ~~food, transportation, gasoline and oil, minor motor vehicle maintenance, emergency motor vehicle repair, telephone, lodging, and internet service provider~~ expenses listed in division (B) of this section for that month, unless the board authorizes, by resolution, the officer or employee to submit to the board such an estimate for a period longer than one month. The board may revise the estimate and determine the amount it approves, if any, not to exceed the estimated amount. The board shall certify the amount of its determination to the county auditor along with the necessary information for the auditor to determine the appropriate appropriation line item from which such expenditures are to be made. After receiving certification from the county auditor that the determined sum of money is in the treasury or in the process of collection to the credit of the appropriate appropriation line item for which the credit card is

approved for use, and is free from previous and then-outstanding 7729
obligations or certifications, the board shall authorize the 7730
officer or employee to incur debt for such expenses against the 7731
county's credit up to the authorized amount. 7732

(2) In lieu of following the procedure set forth in division 7733
(E)(1) of this section, a board of county commissioners may adopt 7734
a resolution authorizing an officer or employee of an appointing 7735
authority to use a county credit card to pay for specific classes 7736
of the work-related expenses listed in division (B) of this 7737
section, or use a specific credit card for any of those 7738
work-related expenses listed in division (B) of this section, 7739
without submitting an estimate of those expenses to the board as 7740
required by division (E)(1) of this section. Prior to adopting the 7741
resolution, the board shall notify the county auditor. The 7742
resolution shall specify whether the officer's or employee's 7743
exemption extends to the use of a specific card, which card shall 7744
be identified by its number, or to one or more specific 7745
work-related uses from the classes of uses permitted under 7746
division (B) of this section. Before any credit card exempted for 7747
specific uses may be used to make purchases for uses other than 7748
those specific uses listed in the resolution, the procedures 7749
outlined in division (E)(1) of this section must be followed or 7750
the use shall be considered an unauthorized use. Use of any credit 7751
card under division (E)(2) of this section shall be limited to the 7752
amount appropriated and encumbered in a specific appropriation 7753
line item for the permitted use or uses designated in the 7754
authorizing resolution, or, in the case of a resolution that 7755
authorizes use of a specific credit card, for each of the 7756
permitted uses listed in division (B) of this section, but only to 7757
the extent the moneys in such appropriations are not otherwise 7758
encumbered. 7759

(F)(1) Any time a county credit card approved for use for an 7760

authorized amount under division (E)(1) of this section is used 7761
for more than that authorized amount, the appointing authority may 7762
request the board of county commissioners to authorize after the 7763
fact the expenditure of any amount charged beyond the originally 7764
authorized amount if, upon the board's request, the county auditor 7765
certifies that sum of money is in the treasury or in the process 7766
of collection to the credit of the appropriate appropriation line 7767
item for which the credit card was used and is free from previous 7768
and then-outstanding obligations or certifications. If the card is 7769
used for more than the amount originally authorized and if for any 7770
reason that amount is not authorized after the fact, then the 7771
county treasury shall be reimbursed for any amount spent beyond 7772
the originally authorized amount in the following manner: 7773

(a) If the card is issued in the name of a specific officer 7774
or employee, then that officer or employee is liable in person and 7775
upon any official bond the officer or employee has given to the 7776
county to reimburse the county treasury for the amount charged to 7777
the county beyond the originally authorized amount. 7778

(b) If the card was issued to the office of the appointing 7779
authority, then the appointing authority is liable in person and 7780
upon any official bond the appointing authority has given to the 7781
county for the amount charged to the county beyond the originally 7782
authorized amount. 7783

(2) Any time a county credit card authorized for use under 7784
division (E)(2) of this section is used for more than the amount 7785
appropriated under that division, the appointing authority may 7786
request the board of county commissioners to issue a supplemental 7787
appropriation or make a transfer to the proper line item account 7788
as permitted in section 5705.40 of the Revised Code, to cover the 7789
amount charged beyond the originally appropriated amount. If the 7790
card is used for more than the amount originally appropriated and 7791
if for any reason that amount is not appropriated or transferred 7792

as permitted by this section, then the county treasury shall be 7793
reimbursed for any amount spent beyond the originally appropriated 7794
amount in the following manner: 7795

(a) If the card is issued in the name of a specific officer 7796
or employee, then that officer or employee is liable in person and 7797
upon any official bond the officer or employee has given to the 7798
county for reimbursing the county treasury for any amount charged 7799
on the card beyond the originally appropriated amount. 7800

(b) If the card is issued in the name of the office of the 7801
appointing authority, then the appointing authority is liable in 7802
person and upon any official bond the appointing authority has 7803
given to the county for reimbursement for any amount charged on 7804
the card beyond the originally appropriated amount. 7805

(3) Whenever any officer or employee authorized to use a 7806
credit card held by the board or the office of any other county 7807
appointing authority suspects the loss, theft, or possibility of 7808
unauthorized use of the county credit card the officer or employee 7809
is authorized to use, the officer or employee shall so notify the 7810
officer's or employee's appointing authority or the board 7811
immediately and in writing. 7812

(4) If the county auditor determines there has been a credit 7813
card expenditure beyond the appropriated or authorized amount as 7814
provided in division (E) of this section, the auditor immediately 7815
shall notify the board of county commissioners of this fact. When 7816
the board of county commissioners determines on its own or after 7817
notification from the county auditor that the county treasury 7818
should be reimbursed for credit card expenditures beyond the 7819
appropriated or authorized amount as provided in divisions (F)(1) 7820
and (2) of this section, it shall give written notice to the 7821
officer or employee or appointing authority liable to the treasury 7822
as provided in divisions (F)(1) and (2) of this section. If, 7823
within thirty days after issuance of this written notice the 7824

county treasury is not reimbursed for the amount shown on the
written notice, the prosecuting attorney of the county shall
recover that amount from the officer or employee or appointing
authority who is liable under this section by civil action in any
court of appropriate jurisdiction.

(G) Use of a county credit card for any use other than those
permitted under division (B) of this section is a violation of law
for the purposes of section 2913.21 of the Revised Code.

Sec. 307.86. Anything to be purchased, leased, leased with an
option or agreement to purchase, or constructed, including, but
not limited to, any product, structure, construction,

in sections 125.04, 307.022, 307.041, 307.861, 339.05, 340.03,
340.033, 4115.31 to 4115.35, 5119.16, 5513.01, 5543.19, 5713.01,

are entered in the minutes of the proceedings of the board, when
either of the following applies:

(1) The estimated cost is less than fifty thousand dollars.

(2) There is actual physical disaster to structures, radio
communications equipment, or computers.

For purposes of this division, "unanimous vote" means all 7856
three members of a board of county commissioners when all three 7857
members are present, or two members of the board if only two 7858
members, constituting a quorum, are present. 7859

Whenever a contract of purchase, lease, or construction is 7860
exempted from competitive bidding under division (A)(1) of this 7861
section because the estimated cost is less than fifty thousand 7862
dollars, but the estimated cost is fifteen thousand dollars or 7863

estimates from no fewer than three persons who could perform the 7865
contract, before awarding the contract. With regard to each such 7866
contract, the county or contracting authority shall maintain a 7867
record of such estimates, including the name of each person from 7868
whom an estimate is solicited. The county or contracting authority 7869

government requires. 7872

(B)(1) Except as provided in divisions (B)(2) and (F) of this 9410
section, a filed financing statement is effective for a period of 9411
five years from the date of filing. The effectiveness of a filed 9412
financing statement lapses on the expiration of the five-year 9413
period unless a continuation statement is filed prior to the 9414
lapse. If a security interest perfected by filing exists at the 9415
time insolvency proceedings are commenced by or against the 9416
debtor, the security interest remains perfected until termination 9417
of the insolvency proceedings and thereafter for a period of sixty 9418
days or until expiration of the five-year period, whichever occurs 9419
later. Upon lapse the security interest becomes unperfected, 9420
unless it is perfected without filing. If the security interest 9421
becomes unperfected upon lapse, it is deemed to have been 9422
unperfected as against a person who became a purchaser or lien 9423
creditor before lapse. 9424

(2) A filed financing statement that states that it relates 9425
to an obligation secured by both (a) a mortgage upon real estate 9426
filed for record within this state and (b) a security interest in 9427
collateral, whether or not such collateral includes or consists of 9428
goods which are or are to become fixtures situated upon such real 9429
estate, shall, if such financing statement states a maturity date 9430
of such obligation, or the final installment thereof, of more than 9431
five years, be fully effective until the maturity date set forth 9432
therein. Such financing statement shall also contain a reference 9433
to the recorder's file number of the mortgage upon real estate or 9434
to the volume and page of the mortgage record in which such 9435
mortgage is recorded. 9436

(C) A continuation statement may be filed by the secured 9437
party within six months prior to the expiration of the five-year 9438
period specified in division (B)(1) of this section, or within six 9439
months prior to the stated maturity date referred to in division 9440

(B)(2) of this section. A continuation statement shall be filed on 9441
a form prescribed by the secretary of state. A continuation 9442
statement filed in the office of the county recorder shall also 9443
comply with Chapter 317. of the Revised Code. The continuation 9444
statement must be signed by the secured party, identify the 9445
original statement by file number, and state that the original 9446
statement is still effective. A continuation statement signed by a 9447
person other than the secured party of record must be accompanied 9448
by a separate written statement of assignment signed by the 9449
secured party of record and complying with division (B) of section 9450
1309.42 of the Revised Code, including payment of the required 9451
fee. Upon timely filing of the continuation statement, the 9452
effectiveness of the original statement is continued for five 9453
years after the last date to which the filing was effective 9454
whereupon it lapses in the same manner as provided in division (B) 9455
of this section unless another continuation statement is filed 9456
prior to such lapse. Succeeding continuation statements may be 9457
filed in the same manner to continue the effectiveness of the 9458
original statement. The filing officer may remove a lapsed 9459
statement from the files and destroy it immediately if the filing 9460
officer has retained a microfilm or other photographic record, or 9461
in other cases one year after the lapse. The filing officer shall 9462
so arrange matters by physical annexation of financing statements 9463
to continuation statements or other related filings, or by other 9464
means, that if the filing officer physically destroys the 9465
financing statements of a period more than five years past, those 9466
which have been continued by a continuation statement or which are 9467
still effective under division (B)(2) or (F) of this section shall 9468
be retained. 9469

(D) Except as provided in division (G) of this section, a 9470
filing officer shall assign each statement a consecutive file 9471
number and shall hold the statement or a microfilm or other 9472

photographic or digitized copy thereof for public inspection. In 9473
addition, the filing officer shall index the statements according 9474
to the name of the debtor and shall note in the index the file 9475
number, the date and hour of filing, and the address of the debtor 9476

shall be two dollars for each record owner or lessee listed in the 9489
statement, as provided in division (E) of section 317.32 of the 9490

Revised Code remains effective as a fixture filing until the 9503
mortgage is released or satisfied of record or its effectiveness 9504

otherwise terminates as to the real estate. 9505

statement, termination statement, statement of assignment, or 9507

mine, the name of the mine, and the name of the person operating
the mine. 10332
10333

The chief shall cause a copy of the weekly circular prepared
by the division to be provided to the county engineer of each
county that contains active or proposed drilling activity. The
weekly circular shall contain, in the manner prescribed by the
chief, the names of all applicants for permits, the location of
each well or proposed well, the information required by division
(K) of this section, and any additional information the chief
prescribes. 10334
10335

10337
10338
10339
10340
10341

The chief shall not issue a permit for at least ten days
after the date of filing of the application for the permit unless,
upon reasonable cause shown, the chief waives that period or a
request for expedited review is filed under this section. However,
the chief shall issue a permit within twenty-one days of the
filing of the application unless the chief denies the application
by order. 10342

10345
10346
10347
10348

An applicant may file a request with the chief for expedited
review of a permit application if the well is not or is not to be
located in a gas storage reservoir or reservoir protective area,
as "reservoir protective area" is defined in section 1571.01 of
the Revised Code. If the well is or is to be located in a coal
bearing township, the application shall be accompanied by the
affidavit of the landowner prescribed in section 1509.08 of the
Revised Code. 10349

In addition to a complete application for a permit that meets
the requirements of this section and the permit fee prescribed by
this section, a request for expedited review shall be accompanied
by a separate nonrefundable filing fee of five hundred dollars.
Upon the filing of a request for expedited review, the chief shall
cause the county engineer of the county in which the well is or is
to be located to be notified of the filing of the permit 10357

application and the request for expedited review by telephone or 10364
other means that in the judgment of the chief will provide timely 10365
notice of the application and request. The chief shall issue a 10366
permit within seven days of the filing of the request unless the 10367
chief denies the application by order. Notwithstanding the 10368
provisions of this section governing expedited review of permit 10369
applications, the chief may refuse to accept requests for 10370
expedited review if, in the chief's judgment, the acceptance of 10371
the requests would prevent the issuance, within twenty-one days of 10372
their filing, of permits for which applications are pending. 10373

A well shall be drilled and operated in accordance with the 10374
plans, sworn statements, and other information submitted in the 10375
approved application. 10376

The chief shall issue an order denying a permit if the chief 10377
finds that there is a substantial risk that the operation will 10378
result in violations of this chapter or rules adopted under it 10379
that will present an imminent danger to public health or safety or 10380
damage to the environment, provided that where the chief finds 10381
that terms or conditions to the permit can reasonably be expected 10382
to prevent such violations, the chief shall issue the permit 10383
subject to those terms or conditions. 10384

Each application for a permit required by section 1509.05 of 10385
the Revised Code, except an application for a well drilled or 10386
reopened for purposes of section 1509.22 of the Revised Code, also 10387
shall be accompanied by a nonrefundable fee of two hundred fifty 10388
dollars. 10389

The chief may order the immediate suspension of drilling, 10390
operating, or plugging activities after finding that any person is 10391
causing, engaging in, or maintaining a condition or activity that 10392
in the chief's judgment presents an imminent danger to public 10393
health or safety or results in or is likely to result in immediate 10394
substantial damage to natural resources or for nonpayment of the 10395

fee required by this section. The chief may order the immediate
suspension of the drilling or reopening of a well in a coal
bearing township after determining that the drilling or reopening
activities present an imminent and substantial threat to public
health or safety or to miners' health or safety. Before issuing
any such order, the chief shall notify the owner in such manner as
in the chief's judgment would provide reasonable notification that
the chief intends to issue a suspension order. The chief may issue
such an order without prior notification if reasonable attempts to
notify the owner have failed, but in such an event notification
shall be given as soon thereafter as practical. Within five
calendar days after the issuance of the order, the chief shall
provide the owner an opportunity to be heard and to present
evidence that the condition or activity is not likely to result in
immediate substantial damage to natural resources or does not
present an imminent danger to public health or safety or to
miners' health or safety, if applicable. In the case of activities
in a coal bearing township, if the chief, after considering
evidence presented by the owner, determines that the activities do
not present such a threat, the chief shall revoke the suspension
order. Notwithstanding any provision of this chapter, the owner
may appeal a suspension order directly to the court of common
pleas of the county in which the activity is located or, if in a
coal bearing township, to the ~~mine-examining board~~ reclamation
commission under section 1513.13 of the Revised Code.

Sec. 1509.071. (A) When the chief of the division of mineral
resources management finds that an owner has failed to comply with
the restoration requirements of section 1509.072, plugging
requirements of section 1509.12, or permit provisions of section
1509.13 of the Revised Code, or rules and orders relating thereto,
the chief shall make a finding of that fact and declare any surety

bond filed to ensure compliance with those sections and rules 10428
forfeited in the amount set by rule of the chief. The chief 10429
thereupon shall certify the total forfeiture to the attorney 10430
general, who shall proceed to collect the amount of the 10431
forfeiture. 10432

In lieu of total forfeiture, the surety, at its option, may 10433
cause the well to be properly plugged and abandoned and the area 10434
properly restored or pay to the treasurer of state the cost of 10435
plugging and abandonment. 10436

(B) All moneys collected because of forfeitures of bonds as 10437
provided in this section shall be deposited in the state treasury 10438
to the credit of the oil and gas well fund created in section 10439
1509.02 of the Revised Code. The fund shall be expended by the 10440
chief for the following purposes in addition to the other purposes 10441
specified in that section: 10442

(1) In accordance with division (D) of this section, to plug 10443
wells or to restore the land surface properly as required in 10444
section 1509.072 of the Revised Code for which the bonds have been 10445
forfeited, for abandoned wells for which no funds are available to 10446
plug the wells in accordance with this chapter, or to use 10447
abandoned wells for the injection of oil or gas production wastes; 10448

(2) In accordance with division (E) of this section, to 10449
correct conditions that the chief reasonably has determined are 10450
causing imminent health or safety risks. 10451

Expenditures from the fund shall be made only for lawful 10452
purposes. 10453

(C)(1) Upon determining that the owner of a well has failed 10454
to properly plug and abandon it or to properly restore the land 10455
surface at the well site in compliance with the applicable 10456
requirements of this chapter and applicable rules adopted and 10457
orders issued under it or that a well is an abandoned well for 10458

which no funds are available to plug the well in accordance with 10459
this chapter, the chief shall do all of the following: 10460

(a) Determine from the records in the office of the county 10461
recorder of the county in which the well is located the identity 10462
of the owner of the land on which the well is located, the 10463
identity of the owner of the oil or gas lease under which the well 10464
was drilled or the identity of each person owning an interest in 10465
the lease, and the identities of the persons having legal title 10466
to, or a lien upon, any of the equipment appurtenant to the well; 10467

(b) Mail notice to the owner of the land on which the well is 10468
located informing the landowner that the well is to be plugged. If 10469
the owner of the oil or gas lease under which the well was drilled 10470
is different from the owner of the well or if any persons other 10471
than the owner of the well own interests in the lease, the chief 10472
also shall mail notice that the well is to be plugged to the owner 10473
of the lease or to each person owning an interest in the lease, as 10474
appropriate. 10475

(c) Mail notice to each person having legal title to, or a 10476
lien upon, any equipment appurtenant to the well, informing the 10477
person that the well is to be plugged and offering the person the 10478
opportunity to plug the well and restore the land surface at the 10479
well site at the person's own expense in order to avoid forfeiture 10480
of the equipment to this state. 10481

(2) If none of the persons described in division (C)(1)(c) of 10482
this section plugs the well within sixty days after the mailing of 10483
the notice required by that division, all equipment appurtenant to 10484
the well is hereby declared to be forfeited to this state without 10485
compensation and without the necessity for any action by the state 10486
for use to defray the cost of plugging and abandoning the well and 10487
restoring the land surface at the well site. 10488

(D) Expenditures from the fund for the purpose of division 10489

(B)(1) of this section shall be made in accordance with either of 10490
the following: 10491

(1) The expenditures may be made pursuant to contracts 10492
entered into by the chief with persons who agree to furnish all of 10493
the materials, equipment, work, and labor as specified and 10494
provided in such a contract. Agents or employees of persons 10495
contracting with the chief for the restoration, plugging, and 10496
injection projects may enter upon any land, public or private, for 10497
~~which a project has been approved by the controlling board and on~~ 10498
which the well is located, for the purpose of performing the work. 10499
Prior to such entry, the chief shall give to the following persons 10500
written notice of the existence of a contract for a project to 10501
restore, plug, or inject oil or gas production wastes into a well, 10502
the names of the persons with whom the contract is made, and the 10503
date that the project will commence: the owner of the well, the 10504
owner of the land upon which the well is located, the owner or 10505
agents of adjoining land, and, if the well is located in the same 10506
township as or in a township adjacent to the excavations and 10507
workings of a mine and the owner or lessee of that mine has 10508
provided written notice identifying those townships to the chief 10509
at any time during the immediately preceding three years, the 10510
owner or lessee of the mine. 10511

~~The chief periodically shall submit project proposals under 10512
division (D)(1) of this section to the controlling board, together 10513
with benefit and cost data and other pertinent information. 10514
Expenditures from the fund for the purpose of division (D)(1) of 10515
this section may be made only for restoration, plugging, or 10516
injection projects that are approved by the controlling board, and 10517
expenditures for a particular project may not exceed any limits 10518
set by the board. 10519~~

(2)(a) The owner of the land on which a well is located who 10520
has received notice under division (C)(1)(b) of this section may 10521

plug the well and be reimbursed by the division for the reasonable 10522
cost of plugging the well. In order to plug the well, the 10523
landowner shall submit an application to the chief on a form 10524
prescribed by the chief and approved by the technical advisory 10525
council on oil and gas created in section 1509.38 of the Revised 10526
Code. The application, at a minimum, shall require the landowner 10527
to provide the same information as is required to be included in 10528
the application for a permit to plug and abandon under section 10529
1509.13 of the Revised Code. The application shall be accompanied 10530
by a copy of a proposed contract to plug the well prepared by a 10531
contractor regularly engaged in the business of plugging oil and 10532
gas wells. The proposed contract shall require the contractor to 10533
furnish all of the materials, equipment, work, and labor necessary 10534
to plug the well properly and shall specify the price for doing 10535
the work, including a credit for the equipment appurtenant to the 10536
well that was forfeited to the state through the operation of 10537
division (C)(2) of this section. The application also shall be 10538
accompanied by the permit fee required by section 1509.13 of the 10539
Revised Code unless the chief, in the chief's discretion, waives 10540
payment of the permit fee. The application constitutes an 10541
application for a permit to plug and abandon the well for the 10542
purposes of section 1509.13 of the Revised Code. 10543

(b) Within thirty days after receiving an application and 10544
accompanying proposed contract under division (D)(2)(a) of this 10545
section, the chief shall determine whether the plugging would 10546
comply with the applicable requirements of this chapter and 10547
applicable rules adopted and orders issued under it and whether 10548
the cost of the plugging under the proposed contract is 10549
reasonable. If the chief determines that the proposed plugging 10550
would comply with those requirements and that the proposed cost of 10551
the plugging is reasonable, the chief shall notify the landowner 10552
of that determination and issue to the landowner a permit to plug 10553

and abandon the well under section 1509.13 of the Revised Code. 10554
Upon approval of the application and proposed contract, the chief 10555
shall transfer ownership of the equipment appurtenant to the well 10556
to the landowner. The chief may disapprove an application 10557
submitted under division (D)(2)(a) of this section if the chief 10558
determines that the proposed plugging would not comply with the 10559
applicable requirements of this chapter and applicable rules 10560
adopted and orders issued under it, that the cost of the plugging 10561
under the proposed contract is unreasonable, or that the proposed 10562
contract is not a bona fide, arms length contract. 10563

(c) After receiving the chief's notice of the approval of the 10564
application and permit to plug and abandon a well under division 10565
(D)(2)(b) of this section, the landowner shall enter into the 10566
proposed contract to plug the well. The plugging shall be 10567
completed within one hundred eight days after the landowner 10568
receives the notice of approval and permit. 10569

(d) Upon determining that the plugging has been completed 10570
within the time required by division (D)(2)(c) of this section and 10571
has been completed in compliance with the applicable requirements 10572
of this chapter and applicable rules adopted and orders issued 10573
under it, the chief shall reimburse the landowner for the cost of 10574
the plugging as set forth in the proposed contract approved by the 10575
chief. The reimbursement shall be paid from the oil and gas well 10576
fund. If the chief determines that the plugging was not completed 10577
within the required time or was not completed in accordance with 10578
the applicable requirements, the chief shall not reimburse the 10579
landowner for the cost of the plugging, and the landowner or the 10580
contractor, as applicable, promptly shall transfer back to this 10581
state title to and possession of the equipment appurtenant to the 10582
well that previously was transferred to the landowner under 10583
division (D)(2)(b) of this section. If any such equipment was 10584
removed from the well during the plugging and sold, the landowner 10585

shall pay to the chief the proceeds from the sale of the 10586
equipment, and the chief promptly shall pay the moneys so received 10587
to the treasurer of state for deposit into the oil and gas well 10588
fund. 10589

The chief may establish an annual limit on the number of 10590
wells that may be plugged under division (D)(2) of this section or 10591
an annual limit on the expenditures to be made under that 10592
division. 10593

As used in division (D)(2) of this section, "plug" and 10594
"plugging" include the plugging of the well and the restoration of 10595
the land surface disturbed by the plugging. 10596

(E) Expenditures from the oil and gas well fund for the 10597
purpose of division (B)(2) of this section may be made pursuant to 10598
contracts entered into by the chief with persons who agree to 10599
furnish all of the materials, equipment, work, and labor as 10600
specified and provided in such a contract. The competitive bidding 10601
requirements of Chapter 153. of the Revised Code do not apply if 10602
the chief reasonably determines that correction of the applicable 10603
health or safety risk requires immediate action. The chief, 10604
designated representatives of the chief, and agents or employees 10605
of persons contracting with the chief under this division may 10606
enter upon any land, public or private, for the purpose of 10607
performing the work. 10608

(F) Contracts entered into by the chief under this section 10609
are not subject to either of the following: 10610

(1) Chapter 4115. of the Revised Code; 10611

(2) Section 153.54 of the Revised Code, except that the 10612
contractor shall obtain and provide to the chief as a bid guaranty 10613
a surety bond or letter of credit in an amount equal to ten per 10614
cent of the amount of the contract. 10615

(G) The owner of land on which a well is located who has 10616

received notice under division (C)(1)(b) of this section, in lieu 10617
of plugging the well in accordance with division (D)(2) of this 10618
section, may cause ownership of the well to be transferred to an 10619
owner who is lawfully doing business in this state and who has met 10620
the financial responsibility requirements established under 10621
section 1509.07 of the Revised Code, subject to the approval of 10622
the chief. The transfer of ownership also shall be subject to the 10623
landowner's filing the appropriate forms required under this 10624
chapter and providing to the chief sufficient information to 10625
demonstrate the landowner's or owner's right to produce a 10626
formation or formations. That information may include a deed, a 10627
lease, or other documentation of ownership or property rights. 10628

The chief shall approve or disapprove the transfer of 10629
ownership of the well. If the chief approves the transfer, the 10630
owner is responsible for operating the well in accordance with 10631
this chapter and rules adopted under it, including, without 10632
limitation, all of the following: 10633

(1) Filing an application with the chief under section 10634
1509.06 of the Revised Code if the owner intends to drill deeper 10635
or produce a formation that is not listed in the records of the 10636
division for that well; 10637

(2) Taking title to and possession of the equipment 10638
appurtenant to the well that has been identified by the chief as 10639
having been abandoned by the former owner; 10640

(3) Complying with all applicable requirements that are 10641
necessary to drill deeper, plug the well, or plug back the well. 10642

Sec. 1509.08. Upon receipt of an application for a permit 10643
required by section 1509.05 of the Revised Code, or upon receipt 10644
of an application for a permit to plug and abandon under section 10645
1509.13 of the Revised Code, the chief of the division of mineral 10646
resources management shall determine whether the well is or is to 10647

be located in a coal bearing township. 10648

Whether or not the well is or is to be located in a coal 10649
bearing township, the chief, by order, may refuse to issue a 10650
permit required by section 1509.05 of the Revised Code to any 10651
applicant who at the time of applying for the permit is in 10652
material or substantial violation of this chapter or rules adopted 10653
or orders issued under it. The chief shall refuse to issue a 10654
permit to any applicant who at the time of applying for the permit 10655
has been found liable by a final nonappealable order of a court of 10656
competent jurisdiction for damage to streets, roads, highways, 10657
bridges, culverts, or drainways pursuant to section 4513.34 or 10658
5577.12 of the Revised Code until the applicant provides the chief 10659
with evidence of compliance with the order. No applicant shall 10660
attempt to circumvent this provision by applying for a permit 10661
under a different name or business organization name, by 10662
transferring responsibility to another person or entity, by 10663
abandoning the well or lease, or by any other similar act. 10664

If the well is not or is not to be located in a coal bearing 10665
township, or if it is to be located in a coal bearing township, 10666
but the landowner submits an affidavit attesting to ownership of 10667
the property in fee simple, including the coal, and has no 10668
objection to the well, the chief shall issue the permit. 10669

If the application to drill, reopen, or convert concerns a 10670
well that is or is to be located in a coal bearing township, the 10671
chief immediately shall notify the owner or lessee of any affected 10672
mine that the application has been filed and send to the owner or 10673
lessee two copies of the map accompanying the application setting 10674
forth the location of the well. 10675

If the owner or lessee objects to the location of the well or 10676
objects to any location within fifty feet of the original location 10677
as a possible site for relocation of the well, the owner or lessee 10678
shall notify the chief of the objection, giving the reasons for 10679

the objection and, if applicable, indicating on a copy of the map 10680
the particular location or locations within fifty feet of the 10681
original location to which the owner or lessee objects as a site 10682
for possible relocation of the well, within six days after the 10683
receipt of the notice. If the chief receives no objections from 10684
the owner or lessee of the mine within ten days after the receipt 10685
of the notice by the owner or lessee, or if in the opinion of the 10686
chief the objections offered by the owner or lessee are not 10687
sufficiently well founded, the chief immediately shall notify the 10688
owner or lessee of those findings. The owner or lessee may appeal 10689
the decision of the chief to the ~~mine examining board created~~ 10690
reclamation commission under section ~~1561.10~~ 1513.13 of the 10691
Revised Code. The appeal shall be filed within fifteen days, 10692
notwithstanding provisions in divisions (A)(1) of section 1513.13 10693
of the Revised Code, to the contrary, from the date on which the 10694
owner or lessee receives the notice. If the appeal is not filed 10695
within that time, the chief immediately shall approve the 10696
application and issue the permit if the provisions of this chapter 10697
pertaining to the issuance of such a permit have been complied 10698
with. 10699

If the chief receives an objection from the owner or lessee 10700
of the mine as to the location of the well within ten days after 10701
receipt of the notice by the owner or lessee, and if in the 10702
opinion of the chief the objection is well founded, the chief 10703
shall disapprove the application and suggest a new location for 10704
the well, provided that the suggested new location shall not be a 10705
location within fifty feet of the original location to which the 10706
owner or lessee has objected as a site for possible relocation of 10707
the well if the chief has determined that the objection is well 10708
founded. The chief immediately shall notify the applicant for the 10709
permit of the disapproval and any suggestion as to a new location 10710
for the well. The applicant may withdraw the application or amend 10711

the application to drill the well at the location suggested by the chief, or the applicant may appeal the disapproval of the application by the chief to the ~~mine-examining board~~ reclamation commission.

If the chief receives no objection from the owner or lessee of a mine as to the location of the well, but does receive an objection from the owner or lessee as to one or more locations within fifty feet of the original location as possible sites for relocation of the well within ten days after receipt of the notice by the owner or lessee, and if in the opinion of the chief the objection is well founded, the chief nevertheless shall approve the application and issue a permit if the provisions of this chapter pertaining to the issuance of such a permit have been complied with, incorporating as a term or condition of the permit that the applicant is prohibited from commencing drilling at any location within fifty feet of the original location that has been disapproved by the chief. The applicant may appeal to the ~~mine examining board~~ reclamation commission the terms and conditions of the permit prohibiting the commencement of drilling at any such location disapproved by the chief.

Any such appeal shall be filed within fifteen days, notwithstanding provisions in division (A)(1) of section 1513.13 of the Revised Code to the contrary, from the date the applicant receives notice of the disapproval of the application, any other location within fifty feet of the original location, or terms or conditions of the permit, or the owner or lessee receives notice of the chief's decision. No approval or disapproval of an application shall be delayed by the chief for more than fifteen days from the date of sending the notice of the application to the mine owner or lessee as required by this section.

All appeals provided for in this section shall be treated as expedited appeals. The ~~mine-examining board~~ reclamation commission

shall hear any such appeal in accordance with section ~~1561.53~~ 10744
1513.13 of the Revised Code and ~~render~~ issue a decision within 10745
thirty days of the filing of the notice of appeal. 10746

The chief shall not issue a permit to drill a new well or 10747
reopen a well that is or is to be located within three hundred 10748
feet of any opening of any mine used as a means of ingress, 10749
egress, or ventilation for persons employed in the mine, nor 10750
within one hundred feet of any building or inflammable structure 10751
connected with the mine and actually used as a part of the 10752
operating equipment of the mine, unless the chief determines that 10753
life or property will not be endangered by drilling and operating 10754
the well in that location. 10755

Sec. 1509.11. The owner of any well producing or capable of 10756
producing oil or gas shall file with the chief of the division of 10757
mineral resources management, on or before the ~~fifteenth~~ first day 10758
of ~~April~~ March, a statement of production of oil, gas, and brine 10759
for the last preceding calendar year in such form as the chief may 10760
prescribe. The chief shall include on the form, at the minimum, a 10761
request for the submittal of the information that a person who is 10762
regulated under this chapter is required to submit under the 10763
"Emergency Planning and Community Right-To-Know Act of 1986," 100 10764
Stat. 1728, 42 U.S.C.A. 11001, and regulations adopted under it, 10765
and that the division does not obtain through other reporting 10766
mechanisms. 10767

Sec. 1509.23. (A) Rules of the chief of the division of 10768
mineral resources management may specify practices to be followed 10769
in the drilling of wells and production of oil and gas for 10770
protection of public health or safety or to prevent damage to 10771
natural resources, including specification of devices, minimum 10772
distances that wells and other excavations, structures, and 10773
equipment shall be located from water wells, streets, roads, 10774

highways, railroad tracks, and buildings, other methods of 10775
operation, and procedures, methods, and equipment and other 10776
requirements for equipment to prevent and contain discharges of 10777
oil from oil production facilities and oil drilling and workover 10778
facilities consistent with and equivalent in scope, content, and 10779
coverage to section 311(j)(1)(c) of the "Federal Water Pollution 10780
Control Act Amendments of 1972," 86 Stat. 886, 33 U.S.C.A. 1251, 10781
as amended, and regulations adopted under it. 10782

(B) The chief, in consultation with the emergency response 10783
commission created in section 3750.02 of the Revised Code, shall 10784
adopt rules in accordance with Chapter 119. of the Revised Code 10785
that specify the information that shall be included in an 10786
electronic database that the chief shall create and host. The 10787
information shall be that which the chief considers to be 10788
appropriate for the purpose of responding to emergency situations 10789
that pose a threat to public health or safety or the environment. 10790
At the minimum, the information shall include that which a person 10791
who is regulated under this chapter is required to submit under 10792
the "Emergency Planning and Community Right-To-Know Act of 1986," 10793
100 Stat. 1728, 42 U.S.C.A. 11001, and regulations adopted under 10794
it. 10795

In addition, the rules shall specify whether and to what 10796
extent the database and the information that it contains will be 10797
made accessible to the public. The rules shall ensure that the 10798
database will be made available via the internet or a system of 10799
computer disks to the emergency response commission and to every 10800
local emergency planning committee and fire department in this 10801
state. 10802

Sec. 1513.05. There is hereby created a reclamation 10803
commission consisting of seven members appointed by the governor 10804
with the advice and consent of the senate. For the purposes of 10805
hearing appeals under section 1513.13 of the Revised Code that 10806

involve mine safety issues, the reclamation commission shall 10807
consist of two additional members appointed specifically for that 10808
function by the governor with the advice and consent of the 10809
senate. All terms of office shall be for five years, commencing on 10810
the twenty-ninth day of June and ending on the twenty-eighth day 10811
of June. Each member shall hold office from the date of 10812
appointment until the end of the term for which the appointment 10813
was made. Each vacancy occurring on the commission shall be filled 10814
by appointment within sixty days after the vacancy occurs. Any 10815
member appointed to fill a vacancy occurring prior to the 10816
expiration of the term for which the member's predecessor was 10817
appointed shall hold office for the remainder of such term. Any 10818
member shall continue in office subsequent to the expiration date 10819
of the member's term until the member's successor takes office, or 10820
until a period of sixty days has elapsed, whichever occurs first. 10821

~~Two~~ 10822

Two of the appointees to the commission shall be persons who, 10823
at the time of their appointment, own and operate a farm or are 10824
retired farmers. Notwithstanding section 1513.04 of the Revised 10825
Code, one of the appointees to the commission shall be a person 10826
who, at the time of appointment, is the representative of an 10827
operator of a coal mine. One of the appointees to the commission 10828
shall be a person who, by reason of the person's previous 10829
vocation, employment, or affiliations, can be classed as a 10830
representative of the public. One of the appointees to the 10831
commission shall be a person who, by reason of previous training 10832
and experience, can be classed as one learned and experienced in 10833
modern forestry practices. One of the appointees to the commission 10834
shall be a person who, by reason of previous training and 10835
experience, can be classed as one learned and experienced in 10836
agronomy. One of the appointees to the commission shall be either 10837
a person who, by reason of previous training and experience, can 10838
be classed as one capable and experienced in earth-grading 10839

problems, or a civil engineer. Not more than four members shall be 10840
members of the same political party. 10841

The two additional members of the commission who are 10842
appointed specifically to hear appeals that involve mine safety 10843
issues shall be individuals who, because of previous vocation, 10844
employment, or affiliation, can be classified as representatives 10845
of employees currently engaged in mining operations. One shall be 10846
a representative of coal miners, and one shall be a representative 10847
of aggregates miners. Prior to making the appointment, the 10848
governor shall request the highest ranking officer in the major 10849
employee organization representing coal miners in this state to 10850
submit to the governor the names and qualifications of three 10851
nominees and shall request the highest ranking officer in the 10852
major employee organization representing aggregates miners in this 10853
state to do the same. The governor shall appoint one person 10854
nominated by each organization to the commission. The nominees 10855
shall have not less than five years of practical experience in 10856
dealing with mine health and safety issues and at the time of the 10857
nomination shall be employed in positions that involve the 10858
protection of the health and safety of miners. The major employee 10859
organization representing coal miners and the major employee 10860
organization representing aggregates miners shall represent a 10861
membership consisting of the largest number of coal miners and 10862
aggregates miners, respectively, in this state compared to other 10863
employee organizations in the year prior to the year in which the 10864
appointments are made. 10865

When the commission hears an appeal that involves a coal 10866
mining safety issue, one of the commission members who owns and 10867
operates a farm or is a retired farmer shall be replaced by the 10868
additional member who is a representative of coal miners. When the 10869
commission hears an appeal that involves an aggregates mining 10870
safety issue, one of the commission members who owns and operates 10871

a farm or is a retired farmer shall be replaced by the additional 10872
member who is a representative of aggregates miners. Neither of 10873
the additional members who are appointed specifically to hear 10874
appeals that involve mine safety issues shall be considered to be 10875
members of the commission for any other purpose, and they shall 10876
not participate in any other matters that come before the 10877
commission. 10878

The commission may appoint a secretary to hold office at its 10879
pleasure. A commission member may serve as secretary. The 10880
secretary shall perform such duties as the commission prescribes, 10881
and shall receive such compensation as the commission fixes in 10882
accordance with such schedules as are provided by law for the 10883
compensation of state employees. 10884

The commission shall appoint one or more hearing officers who 10885
shall be attorneys at law admitted to practice in this state to 10886
conduct hearings under this chapter. 10887

Four members constitute a quorum, and no action of the 10888
commission shall be valid unless it has the concurrence of at 10889
least four members. The commission shall keep a record of its 10890
proceedings. 10891

Each member shall be paid as compensation for work as a 10892
member one hundred fifty dollars per day when actually engaged in 10893
the performance of work as a member and when engaged in travel 10894
necessary in connection with such work. In addition to such 10895
compensation each member shall be reimbursed for all traveling, 10896
hotel, and other expenses, in accordance with the current travel 10897
rules of the office of budget and management, necessarily incurred 10898
in the performance of the member's work as a member. 10899

Annually one member shall be elected as chairperson and 10900
another member shall be elected as vice-chairperson for terms of 10901
one year. 10902

The governor may remove any member of the commission from office for inefficiency, neglect of duty, malfeasance, misfeasance, or nonfeasance, after delivering to the member the charges against the member in writing with at least ten days' written notice of the time and place at which the governor will publicly hear the member, either in person or by counsel, in defense of the charges against the member. If the member is removed from office, the governor shall file in the office of the secretary of state a complete statement of the charges made against the member and a complete report of the proceedings. The action of the governor removing a member from office is final.

The commission shall adopt rules governing procedure of appeals under section 1513.13 of the Revised Code and may, for its own internal management, adopt rules ~~which~~ that do not affect private rights.

Sec. 1513.10. If, at the end of a coal mining operation's permit or renewal period, the number of acres of land affected by the operation proves to be smaller than the number of acres of land for which the operator paid a permit fee for the operation under section 1513.07 of the Revised Code, the operator is entitled to a refund of the excess permit fee. The refund shall be in an amount equal to the amount paid per acre as a permit fee multiplied by the difference between the number of acres in the area of land affected as verified by the division of mineral resources management and the number of acres of land for which the operator paid a permit fee.

Refunds shall be paid out of the reclamation fee fund, which is hereby created in the state treasury. The treasurer of state shall place forty thousand dollars from the fees collected under section 1513.07 of the Revised Code in the fund. As moneys are spent from the fund, the treasurer of state shall credit to the

fund the amount that is needed to keep the balance of the fund at 10934
forty thousand dollars. The remainder of the fees collected under 10935
section 1513.07 of the Revised Code shall be deposited with the 10936
treasurer of state to the credit of the coal mining administration 10937
and reclamation reserve fund created in section 1513.181 of the 10938
Revised Code. 10939

Sec. 1513.13. (A)(1) ~~A person having an interest that is or~~ 10940
~~may be adversely affected by a finding or determination of the~~ 10941
~~chief of the division of mineral resources management made under~~ 10942
~~section 1509.08, 1561.35, 1561.351, 1563.13, or 6111.044 of the~~ 10943
~~Revised Code or an investigation made by the chief under section~~ 10944
~~1561.51 of the Revised Code may appeal to the mine examining board~~ 10945
~~in accordance with those sections. Any other person having an~~ 10946
~~interest that is or may be adversely affected by a notice of~~ 10947
~~violation, order, or decision of the chief of the division of~~ 10948
~~mineral resources management, other than a show cause order or an~~ 10949
~~order that adopts a rule, or by any modification, vacation, or~~ 10950
~~termination of such a notice, order, or decision, may appeal by~~ 10951
~~filing a notice of appeal with the reclamation commission for~~ 10952
~~review of the notice, order, or decision within thirty days after~~ 10953
~~the notice, order, or decision is served upon the person or within~~ 10954
~~thirty days after its modification, vacation, or termination and~~ 10955
~~by filing a copy of the notice of appeal with the chief within~~ 10956
~~three days after filing the notice of appeal with the commission.~~ 10957
~~The notice of appeal shall contain a copy of the notice of~~ 10958
~~violation, order, or decision complained of and the grounds upon~~ 10959
~~which the appeal is based. The commission has exclusive original~~ 10960
~~jurisdiction to hear and decide such appeals. The filing of a~~ 10961
~~notice of appeal under division (A)(1) of this section does not~~ 10962
~~operate as a stay of any order, notice of violation, or decision~~ 10963
~~of the chief.~~ 10964

(2) The permittee, the chief, and other interested persons 10965

shall be given written notice of the time and place of the hearing 10966
at least five days prior thereto. The hearing shall be of record. 10967

(3) Any person authorized under this section to appeal to the 10968
commission may request an informal review by the chief or the 10969
chief's designee by filing a written request with the chief within 10970
thirty days after a notice, order, decision, modification, 10971
vacation, or termination is served upon the person. Filing of the 10972
written request shall toll the time for appeal before the 10973
commission, but shall not operate as a stay of any order, notice 10974
of violation, or decision of the chief. The chief's determination 10975
of an informal review is appealable to the commission under this 10976
section. 10977

(B) The commission shall affirm the notice of violation, 10978
order, or decision of the chief unless the commission determines 10979
that it is arbitrary, capricious, or otherwise inconsistent with 10980
law; in that case the commission may modify the notice of 10981
violation, order, or decision or vacate it and remand it to the 10982
chief for further proceedings that the commission may direct. 10983

The commission shall conduct hearings and render decisions in 10984
a timely fashion, except that all of the following apply: 10985

(1) When the appeal concerns an order for the cessation of 10986
coal mining and reclamation operations issued pursuant to division 10987
(D)(1) or (2) of section 1513.02 of the Revised Code, the 10988
commission shall issue its written decision within thirty days 10989
after the receipt of the appeal unless temporary relief has been 10990
granted by the chairperson pursuant to division (C) of this 10991
section. 10992

(2) When the appeal concerns an application for a permit 10993
under division (I) of section 1513.07 of the Revised Code, the 10994
commission shall hold a hearing within thirty days after receipt 10995
of the notice of appeal and issue its decision within thirty days 10996

after the hearing. 10997

(3) When the appeal concerns a decision of the chief 10998
regarding release of bond under division (F) of section 1513.16 of 10999
the Revised Code, the commission shall hold a hearing within 11000
thirty days after receipt of the notice of appeal and issue its 11001
decision within sixty days after the hearing. 11002

(4) When the appeal concerns a decision of the chief 11003
regarding the location of a well in a coal bearing township under 11004
section 1509.08 of the Revised Code, the commission shall hold a 11005
hearing and issue its decision within thirty days after receipt of 11006
the notice of appeal. 11007

(C) The chairperson of the commission, under conditions the 11008
chairperson prescribes, may grant temporary relief the chairperson 11009
considers appropriate pending final determination of an appeal if 11010
all of the following conditions are met: 11011

(1) All parties to the appeal have been notified and given an 11012
opportunity for a hearing to be held in the locality of the 11013
subject site on the request for temporary relief and the 11014
opportunity to be heard on the request. 11015

(2) The person requesting relief shows that there is a 11016
substantial likelihood that the person will prevail on the merits. 11017

(3) The relief will not adversely affect public health or 11018
safety or cause significant imminent environmental harm to land, 11019
air, or water resources. 11020

The chairperson shall issue a decision expeditiously, except 11021
that when the applicant requests relief from an order for the 11022
cessation of coal mining and reclamation operations issued 11023
pursuant to division (D)(1) or (2) of section 1513.02 of the 11024
Revised Code, the decision shall be issued within five days after 11025
its receipt. 11026

Any party to an appeal filed with the commission who is 11027
aggrieved or adversely affected by a decision of the chairperson 11028
to grant or deny temporary relief under this section may appeal 11029
that decision to the commission. The commission may confine its 11030
review to the record developed at the hearing before the 11031
chairperson. 11032

The appeal shall be filed with the commission within thirty 11033
days after the chairperson issues the decision on the request for 11034
temporary relief. The commission shall issue a decision as 11035
expeditiously as possible, except that when the appellant requests 11036
relief from an order for the cessation of coal mining and 11037
reclamation operations issued pursuant to division (D)(1) or (2) 11038
of section 1513.02 of the Revised Code, the decision of the 11039
commission shall be issued within five days after receipt of the 11040
notice of appeal. 11041

The commission shall affirm the decision of the chairperson 11042
granting or denying temporary relief unless it determines that the 11043
decision is arbitrary, capricious, or otherwise inconsistent with 11044
law. 11045

(D) Following the issuance of an order to show cause as to 11046
why a permit should not be suspended or revoked pursuant to 11047
division (D)(3) of section 1513.02 of the Revised Code, the chief 11048
or a representative of the chief shall hold a public adjudicatory 11049
hearing after giving written notice of the time, place, and date 11050
thereof. The hearing shall be of record. 11051

Within sixty days following the public hearing, the chief 11052
shall issue and furnish to the permittee and all other parties to 11053
the hearing a written decision, and the reasons therefor, 11054
concerning suspension or revocation of the permit. If the chief 11055
revokes the permit, the permittee immediately shall cease coal 11056
mining operations on the permit area and shall complete 11057
reclamation within a period specified by the chief, or the chief 11058

shall declare as forfeited the performance bonds for the 11059
operation. 11060

(E)(1) Whenever an enforcement order or permit decision is 11061
appealed under this section or any action is filed under division 11062
(B) of section 1513.15 or 1513.39 of the Revised Code, at the 11063
request of a prevailing party, a sum equal to the aggregate amount 11064
of all costs and expenses, including attorney's fees, as 11065
determined to have been necessary and reasonably incurred by the 11066
prevailing party for or in connection with participation in the 11067
enforcement proceedings before the commission, the court under 11068
section 1513.15 of the Revised Code, or the chief under section 11069
1513.39 of the Revised Code, may be awarded, as considered proper, 11070
in accordance with divisions (E)(1)(a) to (c) of this section. In 11071
no event shall attorney's fees awarded under this section exceed, 11072
for the kind and quality of services, the prevailing market rates 11073
at the time the services were furnished under division (A) of this 11074
section. A party may be entitled to costs and expenses related 11075
solely to the preparation, defense, and appeal of a petition for 11076
costs and expenses, provided that the costs and expenses are 11077
limited and proportionate to costs and expenses otherwise allowed 11078
under division (E) of this section. 11079

(a) A party, other than the permittee or the division of 11080
mineral resources management, shall file a petition, if any, for 11081
an award of costs and expenses, including attorney's fees, with 11082
the chief, who shall review the petition. If the chief finds that 11083
the party, other than the permittee or the division, prevailed in 11084
whole or in part, made a substantial contribution to a full and 11085
fair determination of the issues, and made a contribution separate 11086
and distinct from the contribution made by any other party, the 11087
chief may award to that party the party's costs and expenses, 11088
including attorney's fees that were necessary and reasonably 11089
incurred by the party for, or in connection with, participation in 11090

the proceeding before the commission. 11091

(b) If a permittee who made a request under division (E)(1) 11092
of this section demonstrates that a party other than a permittee 11093
who initiated an appeal under this section or participated in such 11094
an appeal initiated or participated in the appeal in bad faith and 11095
for the purpose of harassing or embarrassing the permittee, the 11096
permittee may file a petition with the chief. The chief may award 11097
to the permittee the costs and expenses reasonably incurred by the 11098

the court determines that it is arbitrary, capricious, or 11139

the operator failed to reclaim and for which the performance bond 11162
filed by the operator is insufficient to complete the reclamation, 11163
~~and~~ for the reclamation of land affected by surface mining that 11164
was abandoned and left unreclaimed and for which no permit was 11165
issued or bond filed under this chapter, and for the mine safety 11166

1561.26 of the Revised Code. The chief, with the approval of the 11168
director of natural resources, annually shall determine the 11169
amounts to be expended for the mine safety and first aid classes. 11170
For purposes of this section, the chief shall expend moneys in the 11171
fund in accordance with the procedures and requirements 11172
established in section 1514.06 of the Revised Code and may enter 11173

Sec. 1517.05. The department of natural resources, for and on 11185
behalf of the state, shall acquire a system of nature preserves 11186
for the following uses and purposes: 11187

(A) For scientific research in such fields as ecology, 11188
taxonomy, genetics, forestry, pharmacology, agriculture, soil 11189
science, geology, paleontology, conservation, and similar fields; 11190

(B) For the teaching of biology, natural history, ecology, 11191
geology, conservation, and other subjects; 11192

(C) As habitats for plant and animal species and communities 11193
and other natural objects; 11194

(D) As reservoirs of natural materials; 11195

(E) As places of natural interest and beauty; 11196

(F) For visitation whereby persons may observe and experience 11197
natural biotic and environmental systems of the earth and their 11198
processes; 11199

(G) To promote understanding and appreciation of the 11200
aesthetic, cultural, scientific, and spiritual values of such 11201
areas by the people of the state; 11202

(H) For the preservation and protection of nature preserves 11203
against modification or encroachment resulting from occupation, 11204
development, or other use ~~which~~ that would destroy their natural 11205
or aesthetic conditions. 11206

The director of natural resources, upon the advice and 11207
concurrence of the Ohio natural areas council, shall accept 11208
natural areas by articles of dedication or gift, provided that 11209
funds and services are available for their preservation and 11210
protection. 11211

A nature preserve is established when articles of dedication 11212
have been filed by or at the direction of the owner of land, or a 11213

governmental agency having ownership or control thereof, in the 11214
office of the county recorder of the county in which the land is 11215
located. 11216

Articles of dedication shall be executed by the owner of the 11217
land in the same manner and with the same effect as a conveyance 11218
of an interest in land and shall be irrevocable except as provided 11219
in this section. The county recorder may not accept articles of 11220
dedication for recording unless they have been accepted by the 11221
director of natural resources. The director may not accept 11222
articles of dedication unless they contain terms restricting the 11223
use of the land ~~which~~ that adequately provide for its preservation 11224
and protection against modification or encroachment resulting from 11225
occupation, development, or other use ~~which~~ that would destroy its 11226
natural or aesthetic conditions for one or more of the uses and 11227
purposes set forth in this section. Wherever possible and 11228
consistent with such preservation and protection of the land, the 11229
articles shall provide for public access in order that the maximum 11230
benefit be obtained for the uses and purposes stated in this 11231
section. 11232

Articles of dedication may contain provisions for the 11233

such other provisions as may be necessary or advisable to carry 11236

natural resources may agree to rescind the articles. 11239

The attorney general, upon request of the director of natural 11240

The department may make or accept amendments of any articles 11244
of dedication upon terms and conditions that the director of 11245

natural resources determines will not destroy the natural or 11246
aesthetic conditions of a preserve, including amendments that 11247
provide for the relocation of an existing easement or other 11248
encumbrance within the boundaries of a preserve. The relocation of 11249
an existing easement or encumbrance does not constitute the 11250
destruction of the natural or aesthetic conditions of a preserve. 11251
If the fee simple interest in the area or preserve is not held by 11252
the state, no amendments shall be made without the written consent 11253
of the owner. Each amendment shall be recorded in the same manner 11254
as the articles of dedication. 11255

Sec. 1517.06. (A) Nature preserves dedicated under section 11256
1517.05 of the Revised Code are to be held in trust, for the uses 11257
and purposes set forth in that section ~~1517.05 of the Revised~~ 11258
~~Code~~, for the benefit of the people of the state of present and 11259
future generations. They shall be managed and protected in the 11260
manner approved by, and subject to rules established by the chief 11261

by the department of natural resources of the existence of an 11264
imperative and unavoidable public necessity for such other public 11265
use and with the approval of the governor. Except as may otherwise 11266
be provided in the articles of dedication, the department may 11267
grant, upon such terms and conditions as it may determine, an 11268
estate, interest, or right in, or dispose of, a nature preserve, 11269
but only after a finding by the department of the existence of an 11270
imperative and unavoidable public necessity for ~~such~~ the grant or 11271
disposition and with the approval of the governor. 11272

(B) For purposes of this section, the relocation of an 11274
existing easement or other encumbrance within the boundaries of a 11275
preserve does not constitute the taking of land for another use. 11276
In addition, the relocation does not require a finding of the 11277

existence of an imperative and unavoidable public necessity by the 11278
department and does not require the approval of the governor. 11279

Sec. 1517.07. Before (A) Except as provided in division (B) 11280
of this section, before the department of natural resources makes 11281
any finding of the existence of an imperative and unavoidable 11282
public necessity, or grants any estate, interest, or right in a 11283
nature preserve or disposes of a nature preserve or of any estate, 11284
interest, or right therein as provided in section 1517.06 of the 11285
Revised Code, it shall give notice of ~~such~~ the proposed action and 11286
an opportunity for any person to be heard at a public hearing in 11287
the county in which the preserve is located. In the event the 11288
preserve is located in more than one county, the public hearing 11289
shall be held in the most populous county. ~~Such~~ The notice shall 11290
be published at least once in a newspaper with a general 11291
circulation in the county in which the nature preserve is located. 11292

and describe, with or without legal description, the nature 11294
preserve affected, and shall specify a place and time not less 11295
than thirty days after ~~such~~ the publication for a public hearing 11296
before the department on ~~such~~ the proposed action. All persons 11297
desiring to be heard shall have a reasonable opportunity to be 11298
heard prior to action by the department on ~~such~~ the proposal. 11299

(B) A public hearing under this section is not required for 11300
the relocation of an existing easement or encumbrance within the 11301
boundaries of a preserve. 11302

Sec. 1521.04. The chief of the division of water, with the 11303
approval of the director of natural resources, may make loans and 11304

by any governmental agency in any federal financial or technical 11312
assistance program. Direct and indirect costs of administration 11313
may be paid from the water management fund. 11314

The chief may use the water management fund to acquire, 11315
construct, reconstruct, improve, equip, maintain, operate, and 11316
dispose of water management improvements. The chief may fix, 11317
alter, charge, and collect rates, fees, rentals, and other charges 11318
to be paid into the water management fund by governmental agencies 11319
and persons who are supplied with water by facilities constructed 11320
or operated by the department of natural resources in order to 11321
amortize and defray the cost of the construction, maintenance, and 11322
operation of those facilities. ~~This section does not apply to the~~ 11323
~~Burr Oak water system administered by the chief engineer of the~~ 11324
~~department of natural resources under sections 1507.01 and 1507.12~~ 11325

(5) A county court may tax as part of the costs in a trial of 14231
the cause, in an amount fixed by rule of court, a reasonable 14232

preserving motor vehicles and other personal property recovered or 14234
seized in a proceeding. 14235

(6) The court shall preserve chattel property seized under a 14236
writ or process issued by the court pending final disposition for 14237
the benefit of all interested persons. The court may place the 14238

additional charge in a case of that type, over and above court 14264
costs, to cover the special program or service. The county court 14265
shall adjust the special assessment periodically, but not 14266
retroactively, so that the amount assessed in those cases does not 14267
exceed the actual cost of providing the service or program. 14268

All moneys collected under division (B) of this section shall 14269

division shall be in addition to any other filing fees imposed in 14491
the action or proceeding and shall be collected at the time of the 14492
filing of the action or proceeding. The court shall not waive the 14493
payment of the additional filing fees in a new civil action or 14494
proceeding unless the court waives the advanced payment of all 14495
filing fees in the action or proceeding. All such moneys collected 14496
during a month shall be transmitted on or before the twentieth day 14497
of the following month by the clerk of the court to the treasurer 14498

The court may retain up to one per cent of the moneys it 14502
collects under this division to cover administrative costs, 14503
including the hiring of any additional personnel necessary to 14504
implement this division. 14505

(D) On and after the thirtieth day after December 9, 1994, 14506
the court of common pleas shall collect the sum of thirty-two 14507

additional filing fees in a new action or proceeding for 14516
annulment, divorce, or dissolution of marriage unless the court 14517
waives the advanced payment of all filing fees in the action or 14518
proceeding. On or before the twentieth day of each month, all 14519
moneys collected during the immediately preceding month pursuant 14520
to this division shall be deposited by the clerk of the court into 14521
the county treasury in the special fund used for deposit of 14522
additional marriage license fees as described in section 3113.34 14523

shall be retained in the fund and expended only as described in 14525
section 3113.34 of the Revised Code. 14526

(E)(1) The court of common pleas may determine that, for the 14527
efficient operation of the court, additional funds are necessary 14528
to acquire and pay for special projects of the court, including, 14529

determination, the court by rule may charge a fee, in addition to 14536
all other court costs, on the filing of each criminal cause, civil 14537
action or proceeding, or judgment by confession. 14538

If the court of common pleas offers a special program or 14539
service in cases of a specific type, the court by rule may assess 14540
an additional charge in a case of that type, over and above court 14541
costs, to cover the special program or service. The court shall 14542
adjust the special assessment periodically, but not retroactively, 14543
so that the amount assessed in those cases does not exceed the 14544
actual cost of providing the service or program. 14545

All moneys collected under division (E) of this section shall 14546
be paid to the county treasurer for deposit into either a general 14547
special projects fund or a fund established for a specific special 14548
project. Moneys from a fund of that nature shall be disbursed upon 14549
an order of the court in an amount no greater than the actual cost 14550
to the court of a project. If a specific fund is terminated 14551
because of the discontinuance of a program or service established 14552
under division (E) of this section, the court may order that 14553
moneys remaining in the fund be transferred to an account 14554
established under this division for a similar purpose. 14555

whether filed as part of a multiple charge on a single summons, 14561

consent of the surviving spouse or the executor or administrator 14575
of the estate of the deceased client and except that, if the 14576
client voluntarily testifies or is deemed by section 2151.421 of 14577

this division, the attorney may be compelled to testify on the 14579
same subject; 14580

made to the physician or dentist by a patient in that relation or 14582
the physician's or dentist's advice to a patient, except as 14583
otherwise provided in this division, division (B)(2), and division 14584
(B)(3) of this section, and except that, if the patient is deemed 14585
by section 2151.421 of the Revised Code to have waived any 14586
testimonial privilege under this division, the physician may be 14587
compelled to testify on the same subject. 14588

The testimonial privilege established under this division 14589
does not apply, and a physician or dentist may testify or may be 14590
compelled to testify, in any of the following circumstances: 14591

(a) In any civil action, in accordance with the discovery 14592
provisions of the Rules of Civil Procedure in connection with a 14593

time relevant to the criminal offense in question. 14619

(d) In any criminal action against a physician or dentist. In 14620

dental records or other communications between a patient and the 14624

physician or dentist that are related to the action and obtained 14625
by subpoena, search warrant, or other lawful means. A court that 14626
permits or compels a physician or dentist to testify in such an 14627
action or permits the introduction into evidence of patient 14628
records or other communications in such an action shall require 14629
that appropriate measures be taken to ensure that the 14630
confidentiality of any patient named or otherwise identified in 14631
the records is maintained. Measures to ensure confidentiality that 14632
may be taken by the court include sealing its records or deleting 14633
specific information from its records. 14634

(2)(a) If any law enforcement officer submits a written 14635
statement to a health care provider that states that an official 14636
criminal investigation has begun regarding a specified person or 14637
that a criminal action or proceeding has been commenced against a 14638
specified person, that requests the provider to supply to the 14639
officer copies of any records the provider possesses that pertain 14640
to any test or the results of any test administered to the 14641
specified person to determine the presence or concentration of 14642
alcohol, a drug of abuse, or alcohol and a drug of abuse in the 14643

criminal offense in question, and that conforms to section 14645

specifically prohibited by any law of this state or of the United 14647
States, shall supply to the officer a copy of any of the requested 14648
records the provider possesses. If the health care provider does 14649
not possess any of the requested records, the provider shall give 14650
the officer a written statement that indicates that the provider 14651
does not possess any of the requested records. 14652

the test in question, the custodian of the records may submit a certified copy of the records, and, upon its submission, the certified copy is qualified as authentic evidence and may be admitted as evidence in accordance with the Rules of Evidence. Division (A) of section 2317.422 of the Revised Code does not apply to any certified copy of records submitted in accordance with this division. together with a copy of the complaint and summons, if not 15337
previously served, and a copy of the motion for the attachment of 15338
property and the affidavit attached to the motion, in the same 15339
manner as provided in the Rules of Civil Procedure for the service 15340
of process. Service may be effected by publication as provided in 15341
the Rules of Civil Procedure except that the number of weeks for 15342
publication may be reduced by the court to the extent appropriate. 15343

Sec. 2715.045. (A) Upon the filing of a motion for 15344
attachment, a court may issue an order of attachment without 15345
issuing notice to the defendant against whom the motion was filed 15346
and without conducting a hearing if the court finds that there is 15347
probable cause to support the motion and that the plaintiff that 15348
filed the motion for attachment will suffer irreparable injury if 15349
the order is delayed until the defendant against whom the motion 15350
has been filed has been given the opportunity for a hearing. The 15351
court's findings shall be based upon the motion and affidavit 15352
filed pursuant to section 2715.03 of the Revised Code and any 15353
other relevant evidence that it may wish to consider. 15354

(B) A finding by the court that the plaintiff will suffer 15355
irreparable injury may be made only if the court finds the 15356
existence of either of the following circumstances: 15357

(1) There is present danger that the property will be 15358
immediately disposed of, concealed, or placed beyond the 15359
jurisdiction of the court. 15360

(2) The value of the property will be impaired substantially 15361
if the issuance of an order of attachment is delayed. 15362

(C)(1) Upon the issuance by a court of an order of attachment without notice and hearing pursuant to this section, the plaintiff shall file the order with the clerk of the court, together with a praecipe instructing the clerk to issue to the defendant against whom the order was issued a copy of the motion, affidavit, and order of attachment, and a notice that an order of attachment was issued and that the defendant has a right to a hearing on the matter. The clerk then immediately shall serve upon the defendant, in the manner provided by the Rules of Civil Procedure for service of process, a copy of the complaint and summons, if not previously served, a copy of the motion, affidavit, and order of attachment, and the following notice:

disputing the plaintiff's claim for possession of property. 15470
However, neither the defendant's inclusion of nor failure to 15471

the request is made by the defendant, the court shall schedule a 15475

The copies of the order and of the notice shall not be served later than seven days prior to the date on which the hearing is scheduled. The order shall bind the property, other than personal earnings, of the judgment debtor in the possession of the garnishee at the time of service.

NOTICE TO THE JUDGMENT DEBTOR 15614

You are hereby notified that this court has issued an order 15615
in the above case in favor of (name and address of judgment 15616
creditor), the judgment creditor in this proceeding, directing 15617
that some of your money, property, or credits, other than personal 15618
earnings, now in the possession of (name and address of 15619
garnishee), the garnishee in this proceeding, be used to satisfy 15620
your debt to the judgment creditor. This order was issued on the 15621
basis of the judgment creditor's judgment against you that was 15622

receipt of this notice, you are prohibited from removing or 15624
attempting to remove the money, property, or credits until 15625

prohibition subjects you to punishment for contempt of court. 15627

The law of Ohio and the United States provides that certain 15628
benefit payments cannot be taken from you to pay a debt. Typical 15629
among the benefits that cannot be attached or executed upon by a 15630
creditor are the following: 15631

property and believe that the judgment creditor should not be 15648
given your money, property, or credits, other than personal 15649
earnings, now in the possession of the garnishee because they are 15650
exempt or if you feel that this order is improper for any other 15651
reason, you may request a hearing before this court by disputing 15652
the claim in the request for hearing form, appearing below, or in 15653

(2) The judgment debtor may receive a hearing in accordance	15729
with this division by delivering a written request for hearing to	15730
the court within five business days after receipt of the notice	15731
provided pursuant to division (C)(1) of this section. The request	15732

may set forth the judgment debtor's reasons for disputing the
judgment creditor's right to garnish the money, property, or
credits, other than personal earnings; however, neither the
judgment debtor's inclusion of nor failure to include those
reasons upon the request constitutes a waiver of any defense of
the judgment debtor or affects the judgment debtor's right to
produce evidence at the hearing. If the request is made by the
judgment debtor within the prescribed time, the hearing shall be
limited to a consideration of the amount of money, property, or
credits, other than personal earnings, of the judgment debtor in
the hands of the garnishee, if any, that can be used to satisfy
all or part of the debt owed by the judgment debtor to the
judgment creditor. If a request for a hearing is not received by
the court within the prescribed time, the hearing scheduled
pursuant to division (A) of this section shall be canceled unless
the court grants the judgment debtor a continuance in accordance
with division (C)(3) of this section.

(3) If the judgment debtor does not request a hearing in the
action within the prescribed time pursuant to division (C)(2) of
this section, the court nevertheless may grant a continuance of
the scheduled hearing if the judgment debtor, prior to the time at
which the hearing was scheduled, as indicated on the notice to the
judgment debtor required by division (C)(1) of this section,
establishes a reasonable justification for failure to request the
hearing within the prescribed time. If the court grants a
continuance of the hearing, it shall cause the matter to be set
for hearing as soon as practicable thereafter. The continued
hearing shall be conducted in accordance with division (C)(2) of
this section.

(4) The court may conduct the hearing on the matter prior to
the time at which the hearing was scheduled, as indicated on the
notice to the judgment debtor required by division (C)(1) of this

section, upon the request of the judgment debtor. The parties 15765
shall be sent notice, by the clerk of the court, by regular mail, 15766
of any change in the date, time, or place of the hearing. 15767

(5) If the scheduled hearing is canceled and no continuance 15768
is granted, the court shall issue an order to the garnishee to pay 15769
all or some of the money, property, or credits, other than 15770
personal earnings, of the judgment debtor in the possession of the 15771
garnishee at the time of service of the notice and order into 15772
court if they have not already been paid to the court. This order 15773
shall be based on the answer of the garnishee filed pursuant to 15774
this section. If the scheduled hearing is conducted or if it is 15775
continued and conducted, the court shall determine at the hearing 15776
the amount of the money, property, or credits, other than personal 15777
earnings, of the judgment debtor in the possession of the 15778
garnishee at the time of service of the notice and order, if any, 15779
that can be used to satisfy all or part of the debt owed by the 15780
judgment debtor to the judgment creditor, and issue an order, 15781
accordingly, to the garnishee to pay that amount into court if it 15782
has not already been paid to the court. 15783

(D) The notice to the judgment debtor form and the request 15784
for hearing form described in division (C) of this section shall 15785
be sent by the clerk by ordinary or regular mail service unless 15786
the judgment creditor requests that service be made in accordance 15787
with the Rules of Civil Procedure, in which case the forms shall 15788
be served in accordance with the Rules of Civil Procedure. Any 15789
court of common pleas that issues an order of garnishment of 15790
property, other than personal earnings, under this section has 15791
jurisdiction to serve process pursuant to this section upon a 15792
garnishee who does not reside within the jurisdiction of the 15793
court. Any county court or municipal court that issues an order of 15794
garnishment of property, other than personal earnings, under this 15795
section has jurisdiction to serve process pursuant to this section 15796

upon a garnishee who does not reside within the jurisdiction of 15797
the court. 15798

Sec. 2919.271. (A)(1)(a) If a defendant is charged with a 15799
violation of section 2919.27 of the Revised Code or of a municipal 15800
ordinance that is substantially similar to that section, the court 15801
may order an evaluation of the mental condition of the defendant 15802
if the court determines that either of the following criteria 15803
apply: 15804

(i) If the alleged violation is a violation of a protection 15805
order issued or consent agreement approved pursuant to section 15806
2919.26 or 3113.31 of the Revised Code, that the violation 15807
allegedly involves conduct by the defendant that caused physical 15808
harm to the person or property of a family or household member 15809
covered by the order or agreement, or conduct by the defendant 15810
that caused a family or household member to believe that the 15811
defendant would cause physical harm to that member or that 15812
member's property. 15813

(ii) If the alleged violation is a violation of a protection 15814
order issued pursuant to section 2903.213 or 2903.214 of the 15815
Revised Code or a protection order issued by a court of another 15816
state, that the violation allegedly involves conduct by the 15817
defendant that caused physical harm to the person or property of 15818
the person covered by the order, or conduct by the defendant that 15819
caused the person covered by the order to believe that the 15820
defendant would cause physical harm to that person or that 15821
person's property. 15822

(b) If a defendant is charged with a violation of section 15823
2903.211 of the Revised Code or of a municipal ordinance that is 15824
substantially similar to that section, the court may order an 15825
evaluation of the mental condition of the defendant. 15826

(2) An evaluation ordered under division (A)(1) of this 15827

section shall be completed no later than thirty days from the date 15828
the order is entered pursuant to that division. In that order, the 15829
court shall do either of the following: 15830

(a) Order that the evaluation of the mental condition of the 15831
defendant be preceded by an examination conducted either by a 15832
forensic center that is designated by the department of mental 15833
health to conduct examinations and make evaluations of defendants 15834
charged with violations of section 2903.211 or 2919.27 of the 15835
Revised Code or of substantially similar municipal ordinances in 15836
the area in which the court is located, or by any other program or 15837
facility that is designated by the department of mental health or 15838
the department of mental retardation and developmental 15839
disabilities to conduct examinations and make evaluations of 15840
defendants charged with violations of section 2903.211 or 2919.27 15841
of the Revised Code or of substantially similar municipal 15842
ordinances, and that is operated by either department or is 15843
certified by either department as being in compliance with the 15844
standards established under division ~~(F)~~(I) of section 5119.01 of 15845
the Revised Code or division (C) of section 5123.04 of the Revised 15846
Code. 15847

(b) Designate a center, program, or facility other than one 15848
designated by the department of mental health or the department of 15849
mental retardation and developmental disabilities, as described in 15850
division (A)(2)(a) of this section, to conduct the evaluation and 15851
preceding examination of the mental condition of the defendant. 15852

Whether the court acts pursuant to division (A)(2)(a) or (b) 15853
of this section, the court may designate examiners other than the 15854
personnel of the center, program, facility, or department involved 15855
to make the evaluation and preceding examination of the mental 15856
condition of the defendant. 15857

(B) If the court considers that additional evaluations of the 15858
mental condition of a defendant are necessary following the 15859

evaluation authorized by division (A) of this section, the court 15860
may order up to two additional similar evaluations. These 15861
evaluations shall be completed no later than thirty days from the 15862
date the applicable court order is entered. If more than one 15863
evaluation of the mental condition of the defendant is ordered 15864
under this division, the prosecutor and the defendant may 15865
recommend to the court an examiner whom each prefers to perform 15866
one of the evaluations and preceding examinations. 15867

(C)(1) The court may order a defendant who has been released 15868
on bail to submit to an examination under division (A) or (B) of 15869
this section. The examination shall be conducted either at the 15870
detention facility in which the defendant would have been confined 15871
if the defendant had not been released on bail, or, if so 15872
specified by the center, program, facility, or examiners involved, 15873
at the premises of the center, program, or facility. Additionally, 15874
the examination shall be conducted at the times established by the 15875
examiners involved. If such a defendant refuses to submit to an 15876
examination or a complete examination as required by the court or 15877
the center, program, facility, or examiners involved, the court 15878
may amend the conditions of the bail of the defendant and order 15879
the sheriff to take the defendant into custody and deliver the 15880
defendant to the detention facility in which the defendant would 15881
have been confined if the defendant had not been released on bail, 15882
or, if so specified by the center, program, facility, or examiners 15883
involved, to the premises of the center, program, or facility, for 15884
purposes of the examination. 15885

(2) A defendant who has not been released on bail shall be 15886
examined at the detention facility in which the defendant is 15887
confined or, if so specified by the center, program, facility, or 15888
examiners involved, at the premises of the center, program, or 15889
facility. 15890

(D) The examiner of the mental condition of a defendant under 15891

division (A) or (B) of this section shall file a written report
with the court within thirty days after the entry of an order for
the evaluation of the mental condition of the defendant. The
report shall contain the findings of the examiner; the facts in
reasonable detail on which the findings are based; the opinion of
the examiner as to the mental condition of the defendant; the
opinion of the examiner as to whether the defendant represents a
substantial risk of physical harm to other persons as manifested
by evidence of recent homicidal or other violent behavior,
evidence of recent threats that placed other persons in reasonable
fear of violent behavior and serious physical harm, or evidence of
present dangerousness; and the opinion of the examiner as to the
types of treatment or counseling that the defendant needs. The
court shall provide copies of the report to the prosecutor and
defense counsel.

(E) The costs of any evaluation and preceding examination of
a defendant that is ordered pursuant to division (A) or (B) of
this section shall be taxed as court costs in the criminal case.

(F) If the examiner considers it necessary in order to make
an accurate evaluation of the mental condition of a defendant, an
examiner under division (A) or (B) of this section may request any
family or household member of the defendant to provide the
examiner with information. A family or household member may, but
is not required to, provide information to the examiner upon
receipt of the request.

of the offense and for reasonable attorney's fees, court costs,
and other expenses incurred as a result of prosecuting the civil
action commenced under this division. A civil action under this
division is not the exclusive remedy of a person who incurs
injury, death, or loss to person or property as a result of a
violation of this section.

Sec. 2953.21. (A)(1) Any person who has been convicted of a
criminal offense or adjudicated a delinquent child and who claims
that there was such a denial or infringement of the person's
rights as to render the judgment void or voidable under the Ohio
Constitution or the Constitution of the United States may file a
petition in the court that imposed sentence, stating the grounds
for relief relied upon, and asking the court to vacate or set
aside the judgment or sentence or to grant other appropriate
relief. The petitioner may file a supporting affidavit and other
documentary evidence in support of the claim for relief.

(2) A petition under division (A)(1) of this section shall be
filed no later than one hundred eighty days after the date on
which the trial transcript is filed in the court of appeals in the

direct appeal of the judgment of conviction or adjudication or, if
the direct appeal involves a sentence of death, the date on which
the trial transcript is filed in the supreme court. If no appeal
is taken, the petition shall be filed no later than one hundred
eighty days after the expiration of the time for filing the
appeal.

(3) In a petition filed under division (A) of this section, a
person upon whom a sentence of death has been imposed may ask the
court to render void or voidable the judgment with respect to the
conviction of aggravated murder or the specification of an
aggravating circumstance.

(4) A petitioner shall state in the original or amended
petition filed under division (A) of this section all grounds for
relief claimed by the petitioner. Except as provided in section
2953.23 of the Revised Code, any ground for relief that is not so
stated in the petition is waived.

(5) If the petitioner in a petition filed under division (A)
of this section was convicted of or pleaded guilty to a felony,
the petition may include a claim that the petitioner was denied
the equal protection of the laws in violation of the Ohio
Constitution or the United States Constitution because the
sentence imposed upon the petitioner for the felony was part of a
consistent pattern of disparity in sentencing by the judge who
imposed the sentence, with regard to the petitioner's race,
gender, ethnic background, or religion. If the supreme court
adopts a rule requiring a court of common pleas to maintain
information with regard to an offender's race, gender, ethnic
background, or religion, the supporting evidence for the petition
shall include, but shall not be limited to, a copy of that type of
information relative to the petitioner's sentence and copies of
that type of information relative to sentences that the same judge
imposed upon other persons.

(B) The clerk of the court in which the petition is filed 16078
shall docket the petition and bring it promptly to the attention 16079
of the court. The petitioner need not serve a copy of the petition 16080
on the prosecuting attorney. The clerk of the court in which the 16081
petition is filed immediately shall forward a copy of the petition 16082
to the prosecuting attorney of that county. 16083

(C) The court shall consider a petition that is timely filed 16084
under division (A)(2) of this section even if a direct appeal of 16085
the judgment is pending. Before granting a hearing on a petition 16086
filed under division (A) of this section, the court shall 16087
determine whether there are substantive grounds for relief. In 16088
making such a determination, the court shall consider, in addition 16089
to the petition, the supporting affidavits, and the documentary 16090
evidence, all the files and records pertaining to the proceedings 16091
against the petitioner, including, but not limited to, the 16092
indictment, the court's journal entries, the journalized records 16093
of the clerk of the court, and the court reporter's transcript. 16094
The court reporter's transcript, if ordered and certified by the 16095
court, shall be taxed as court costs. If the court dismisses the 16096
petition, it shall make and file findings of fact and conclusions 16097
of law with respect to such dismissal. 16098

(D) Within ten days after the docketing of the petition, or 16099
within any further time that the court may fix for good cause 16100
shown, the prosecuting attorney shall respond by answer or motion. 16101
Within twenty days from the date the issues are made up, either 16102
party may move for summary judgment. The right to summary judgment 16103
shall appear on the face of the record. 16104

(E) Unless the petition and the files and records of the case 16105
show the petitioner is not entitled to relief, the court shall 16106
proceed to a prompt hearing on the issues even if a direct appeal 16107
of the case is pending. If the court notifies the parties that it 16108
has found grounds for granting relief, either party may request an 16109

appellate court in which a direct appeal of the judgment is 16110
pending to remand the pending case to the court. 16111

(F) At any time before the answer or motion is filed, the 16112
petitioner may amend the petition with or without leave or 16113
prejudice to the proceedings. The petitioner may amend the 16114
petition with leave of court at any time thereafter. 16115

(G) If the court does not find grounds for granting relief, 16116
it shall make and file findings of fact and conclusions of law and 16117
shall enter judgment denying relief on the petition. If no direct 16118
appeal of the case is pending and the court finds grounds for 16119
relief or if a pending direct appeal of the case has been remanded 16120
to the court pursuant to a request made pursuant to division (E) 16121
of this section and the court finds grounds for granting relief, 16122
it shall make and file findings of fact and conclusions of law and 16123
shall enter a judgment that vacates and sets aside the judgment in 16124
question, and, in the case of a petitioner who is a prisoner in 16125
custody, shall discharge or resentence the petitioner or grant a 16126
new trial as the court determines appropriate. The court also may 16127
make supplementary orders to the relief granted, concerning such 16128
matters as rearraignment, retrial, custody, and bail. If the trial 16129
court's order granting the petition is reversed on appeal and if 16130
the direct appeal of the case has been remanded from an appellate 16131
court pursuant to a request under division (E) of this section, 16132
the appellate court reversing the order granting the petition 16133
shall notify the appellate court in which the direct appeal of the 16134
case was pending at the time of the remand of the reversal and 16135
remand of the trial court's order. Upon the reversal and remand of 16136
the trial court's order granting the petition, regardless of 16137
whether notice is sent or received, the direct appeal of the case 16138
that was remanded is reinstated. 16139

(H) Upon the filing of a petition pursuant to division (A) of 16140
this section by a prisoner in a state correctional institution who 16141

has received the death penalty, the court may stay execution of 16142
the judgment challenged by the petition. 16143

(I)(1) If a person who has received the death penalty intends 16144
to file a petition under this section, the court shall appoint 16145
counsel to represent the person upon a finding that the person is 16146
indigent and that the person either accepts the appointment of 16147
counsel or is unable to make a competent decision whether to 16148
accept or reject the appointment of counsel. The court may decline 16149
to appoint counsel for the person only upon a finding, after a 16150
hearing if necessary, that the person rejects the appointment of 16151
counsel and understands the legal consequences of that decision or 16152
upon a finding that the person is not indigent. 16153

(2) The court shall not appoint as counsel under division 16154
(I)(1) of this section an attorney who represented the petitioner 16155
at trial in the case to which the petition relates unless the 16156
person and the attorney expressly request the appointment. The 16157
court shall appoint as counsel under division (I)(1) of this 16158
section only an attorney who is certified under Rule 65 20 of the 16159
Rules of Superintendence for the Courts of ~~Common Pleas~~ Ohio to 16160
represent indigent defendants charged with or convicted of an 16161
offense for which the death penalty can be or has been imposed. 16162
The ineffectiveness or incompetence of counsel during proceedings 16163
under this section does not constitute grounds for relief in a 16164
proceeding under this section, in an appeal of any action under 16165
this section, or in an application to reopen a direct appeal. 16166

(3) Division (I) of this section does not preclude attorneys 16167
who represent the state of Ohio from invoking the provisions of 28 16168
U.S.C. 154 with respect to capital cases that were pending in 16169
federal habeas corpus proceedings prior to the effective date of 16170
this amendment insofar as the petitioners in those cases were 16171
represented in proceedings under this section by one or more 16172
counsel appointed by the court under this section or section 16173

120.06, 120.16, 120.26, or 120.33 of the Revised Code and those
appointed counsel meet the requirements of division (I)(2) of this
section.

(J) Subject to the appeal of a sentence for a felony that is
authorized by section 2953.08 of the Revised Code, the remedy set
forth in this section is the exclusive remedy by which a person
may bring a collateral challenge to the validity of a conviction
or sentence in a criminal case or to the validity of an
adjudication of a child as a delinquent child for the commission
of an act that would be a criminal offense if committed by an
adult or the validity of a related order of disposition.

Sec. 3109.14. (A) As used in this section, "birth record" and
"certification of birth" have the meanings given in section
3705.01 of the Revised Code.

(B)(1) The director of health, a person authorized by the
director, a local commissioner of health, or a local registrar of
vital statistics shall charge and collect a fee for each certified
copy of a birth record ~~and~~, for each certification of birth ~~a fee~~
~~of two dollars~~, and for each copy of a death record ~~a fee of two~~
~~dollars~~, Until October 1, 2001, the fee shall be two dollars. On
and after October 1, 2001, the fee shall be three dollars. The fee
is in addition to the fee imposed by section 3705.24 or any other
section of the Revised Code. A local commissioner of health or a
local registrar of vital statistics may retain an amount of each
additional fee collected, not to exceed three per cent of the
amount of the additional fee, to be used for costs directly
related to the collection of the fee and the forwarding of the fee
to the treasurer of state.

(2) Upon the filing for a divorce decree under section
3105.10 or a decree of dissolution under section 3105.65 of the
Revised Code, a court of common pleas shall charge and collect a

fee of ten dollars. Until October 1, 2001, the fee shall be ten 16205
dollars. On and after October 1, 2001, the fee shall be eleven 16206
dollars. The fee is in addition to any other court costs or fees. 16207
The county clerk of courts may retain an amount of each additional 16208
fee collected, not to exceed three per cent of the amount of the 16209
additional fee, to be used for costs directly related to the 16210
collection of the fee and the forwarding of the fee to the 16211
treasurer of state. 16212

(C) The additional fees collected, but not retained, under 16213
this section during each month shall be forwarded not later than 16214
the tenth day of the immediately following month to the treasurer 16215
of state, who shall deposit the fees in the state treasury to the 16216
credit of the children's trust fund, which is hereby created. A 16217
person or government entity that fails to forward the fees in a 16218
timely manner, as determined by the treasurer of state, shall 16219
forward to the treasurer of state, in addition to the fees, a 16220
penalty equal to ten per cent of the fees. 16221

The treasurer of state shall invest the moneys in the fund, 16222
and all earnings resulting from investment of the fund shall be 16223
credited to the fund, except that actual administrative costs 16224
incurred by the treasurer of state in administering the fund may 16225
be deducted from the earnings resulting from investments. The 16226
amount that may be deducted shall not exceed three per cent of the 16227
total amount of fees credited to the fund in each fiscal year, 16228
except that the children's trust fund board may approve an amount 16229
for actual administrative costs exceeding three per cent but not 16230
exceeding four per cent of such amount. The balance of the 16231
investment earnings shall be credited to the fund. Moneys credited 16232
to the fund shall be used only for the purposes described in 16233
sections 3109.13 to 3109.18 of the Revised Code. 16234

Sec. 3109.17. (A) For each fiscal biennium, the children's 16235

trust fund board shall establish a biennial state plan for 16236
comprehensive child abuse and child neglect prevention. The plan 16237
shall be transmitted to the governor, the president and minority 16238

(K) For purposes of determining the number of students for 18102

department's report under section 3317.10 of the Revised Code. The 18114
department shall make this determination on the basis of 18115

The amount of the reduction shall be a pro-rated amount of the total due to the school for the student under division (D) of this section, based on the amount of lost instructional time resulting from the lack of computer access for each student not provided the hardware and software by the end of the first full week of school. The department of education shall determine such reductions and shall continue to make reductions as long as the hardware and software is not delivered, installed, and activated for all students. 18137

Sec. 3314.09. (A) As used in this section and section 3314.091 of the Revised Code, "native student" means a student entitled to attend school in the school district under section 18163
18164
18165

3313.64 or 3313.65 of the Revised Code. 18166

The (B) Except as provided in section 3314.091 of the Revised 18167
Code, the board of education of each city, local, and exempted 18168
village school district shall provide transportation to and from 18169
school for its district's native students enrolled in a community 18170
school located in that district or another district on the same 18171
basis that it provides transportation for its native students 18172
enrolled in schools to which they are assigned by the board of 18173
education at the same grade level and who live the same distance 18174
from school except when, in the judgment of the board, confirmed 18175
by the state board of education, the transportation is unnecessary 18176
or unreasonable. A board shall not be required to transport 18177
nonhandicapped students to and from a community school located in 18178
another school district if the transportation would require more 18179
than thirty minutes of direct travel time as measured by school 18180
bus from the collection point designated by the district's 18181
coordinator of school transportation. 18182

(C) Where it is impractical to transport a pupil to and from 18183
a community school by school conveyance, a board may, in lieu of 18184
providing the transportation, pay a parent, guardian, or other 18185
person in charge of the child. The amount paid per pupil shall in 18186
no event exceed the average transportation cost per pupil, which 18187
shall be based on the cost of transportation of children by all 18188
boards of education in this state during the next preceding year. 18189

(D) The daily and annual instructional schedules of a 18190
community school are the sole responsibility of the community 18191
school's governing authority, and are subject only to the 18192
requirements of this chapter and the governing authority's 18193
contract with its sponsor. Each school district board of education 18194
that is required to provide transportation for community school 18195
students under this section shall provide the transportation in 18196
accordance with those schedules so that students may be present on 18197

time and at all times that the community school is open for 18198
instruction. 18199

Sec. 3314.091. (A) A school district is not required to 18200
provide transportation for any native student enrolled in a 18201
community school if the district board of education has entered 18202
into an agreement with the community school's governing authority 18203
that designates the community school as responsible for providing 18204
or arranging for the transportation of the district's native 18205
students to and from the community school. For any such agreement 18206
to be effective, it must be certified by the superintendent of 18207
public instruction as having met both of the following 18208
requirements: 18209

(1) It is submitted to the department of education by a 18210
deadline which shall be established by the department. 18211

(2) It specifies qualifications, such as residing a minimum 18212
distance from the school, for students to have their 18213
transportation provided or arranged. 18214

(B)(1) A community school governing board that enters into an 18215
agreement to provide transportation under this section shall 18216
provide or arrange transportation free of any charge for each of 18217
its enrolled students in grades kindergarten through eight who 18218
live more than two miles from the school, except that the 18219
governing board may make a payment in lieu of providing 18220
transportation to the parent, guardian, or person in charge of the 18221
student at the same rate as specified for a school district board 18222
in division (C) of section 3314.09 of the Revised Code if the 18223
drive time measured by the vehicle specified by the school for 18224
transporting the students from the student's residence to the 18225
school is more than thirty minutes. The governing board may 18226
provide or arrange transportation for any other enrolled student 18227
and may charge a fee for such service. The governing board may 18228

request the payment specified under division (C) of this section 18229
for any student it transports, for whom it arranges 18230
transportation, or for whom it makes a payment in lieu of 18231
providing transportation if the student lives more than one mile 18232
from the community school. 18233

(2) Notwithstanding anything to the contrary in division 18234
(B)(1) of this section, a community school governing board shall 18235
provide or arrange transportation free of any charge for any 18236
disabled student enrolled in the school for whom the student's 18237
individualized education program developed under Chapter 3323. of 18238
the Revised Code specifies transportation. 18239

(C)(1) If a school district board and a community school 18240
governing authority elect to enter into an agreement under this 18241
section, the department of education annually shall pay the 18242
community school the amount specified in division (C)(2) of this 18243
section for each of the enrolled students for whom the school's 18244
governing authority provides or arranges transportation to and 18245
from school. The department shall deduct the payment from the 18246
state payment under Chapter 3317. and, if necessary, sections 18247
321.14 and 323.156 of the Revised Code that is otherwise paid to 18248
the school district in which the student enrolled in the community 18249
school resides. The department shall include the number of the 18250
district's native students for whom payment is made to a community 18251
school under this division in the calculation of the district's 18252
transportation payment under division (D) of section 3317.022 of 18253
the Revised Code. 18254

A community school shall be paid under this division only for 18255
students who live more than one mile from the school and whose 18256
transportation to and from school is actually provided or arranged 18257
or for whom a payment in lieu of transportation is made by the 18258
community school's governing authority. To qualify for the 18259
payments, the community school shall report to the department, in 18260

the form and manner required by the department, data on the number of students transported or whose transportation is arranged, the number of miles traveled, cost to transport, and any other information requested by the department. 18261
18262
18263
18264

A community school shall use payments received under this division solely to pay the costs of providing or arranging for the transportation of students who live more than one mile from the school, which may include payments to a parent, guardian, or other person in charge of a child in lieu of transportation. 18265
18266
18267
18268
18269

(2) The payment to a community school governing authority under this section for each student who lives more than one mile from the school or who is disabled and whose individualized education program requires transportation and for whom the school actually provides or arranges transportation or makes a payment in lieu of providing transportation, shall be made according to the following schedule: 18270
18271
18272
18273
18274
18275
18276

(a) In fiscal year 2002, four-hundred fifty dollars per student; 18277
18278

(b) In fiscal year 2003 and every fiscal year thereafter, the amount specified in division (C)(2)(a) of this section multiplied by the negative or positive percentage of change reported in the consumer price index (all urban consumers, transportation) by the bureau of labor statistics of the United States department of labor from the beginning of the calendar year that ended just prior to the beginning of the fiscal year to the end of that calendar year. 18279
18280
18281
18282
18283
18284
18285
18286

(D) Except when arranged through payment to a parent, guardian, or person in charge of a child, transportation provided or arranged for by a community school pursuant to an agreement under this section is subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to 18287
18288
18289
18290
18291

the construction, design, equipment, and operation of school buses 18292
and other vehicles transporting students to and from school. The 18293
drivers and mechanics of the vehicles are subject to all 18294
provisions of the Revised Code, and all rules adopted under the 18295
Revised Code, pertaining to drivers and mechanics of such 18296
vehicles. The community school also shall comply with sections 18297
3313.201, 3327.09, and 3327.10 and division (B) of section 3327.16 18298
of the Revised Code as if it were a school district. For purposes 18299
of complying with section 3327.10 of the Revised Code, the 18300
educational service center that serves the county in which the 18301
community school is located shall be the certifying agency, unless 18302
the agreement designates the school district as the certifying 18303
agency. 18304

Sec. 3316.20. (A)(1) The school district solvency assistance 18305
fund is hereby created in the state treasury, to consist of such 18306
amounts designated for the purposes of the fund by the general 18307
assembly. The fund shall be used to provide assistance and grants 18308
to school districts to enable them to remain solvent and to pay 18309
unforseeable expenses of a temporary or emergency nature that they 18310
are unable to pay from existing resources. 18311

(2) There is hereby created within the fund an account known 18312
as the school district shared resource account, which shall 18313
consist of money appropriated to it by the general assembly. The 18314
money in the account shall be used solely for solvency assistance 18315
to school districts that have been declared under division (B)~~(1)~~ 18316
~~or (5)~~ of section 3316.03 of the Revised Code to be in a state of 18317
fiscal emergency ~~because of a certified operating deficit~~ 18318
~~exceeding ten per cent.~~ 18319
18320

(3) There is hereby created within the fund an account known 18321
as the catastrophic expenditures account, which shall consist of 18322

money appropriated to the account by the general assembly plus all 18323
investment earnings of the fund. Money in the account shall be 18324
used solely for the following: 18325

(a) Solvency assistance to school districts that have been 18326
declared under division (B)~~(1) or (5)~~ of section 3316.03 of the 18327
Revised Code to be in a state of fiscal emergency ~~because of a~~ 18328
~~certified operating deficit exceeding ten per cent~~, in the event 18329
that all money in the shared resource account is utilized for 18330
solvency assistance; 18331

(b) Grants to school districts under division (C) of this 18332
section. 18333

(B) Solvency assistance payments under division (A)(2) or 18334
(3)(a) of this section shall be made from the fund by the 18335
superintendent of public instruction in accordance with rules 18336
adopted by the director of budget and management, after consulting 18337
with the superintendent, specifying approval criteria and 18338
procedures necessary for administering the fund. 18339

The fund shall be reimbursed for any solvency assistance 18340
amounts paid under division (A)(2) or (3)(a) of this section not 18341
later than the end of the second fiscal year following the fiscal 18342
year in which the solvency assistance payment was made. If not 18343
made directly by the school district, such reimbursement shall be 18344
made by the director of budget and management from the amounts the 18345
school district would otherwise receive pursuant to sections 18346
3317.022 to 3317.025 of the Revised Code, or from any other funds 18347
appropriated for the district by the general assembly. 18348
Reimbursements shall be credited to the respective account from 18349
which the solvency assistance paid to the district was deducted. 18350

(C) The superintendent of public instruction may make 18351
recommendations, and the controlling board may grant money from 18352
the catastrophic expenditures account to any school district that 18353

suffers an unforeseen catastrophic event that severely depletes 18354
the district's financial resources. The superintendent shall make 18355
recommendations for the grants in accordance with rules adopted by 18356
the director of budget and management after consulting with the 18357
superintendent. A school district shall not be required to repay 18358
any grant awarded to the district under this division unless the 18359
district receives money from a third party, including an agency of 18360
the government of the United States, specifically for the purpose 18361
of compensating the district for expenses incurred as a result of 18362
the unforeseen catastrophic event. 18363

school district expenditure and cost data for fiscal year ~~1996~~ 18365

(2) The base cost per pupil amounts specified in division 18377
(A)(1) of this section include amounts to reflect the cost to 18378
school districts of increasing the minimum number of high school 18379
academic units required for graduation beginning September 15, 18380
2001, under section 3313.603 of the Revised Code. Analysis of 18381
fiscal year 1999 data revealed that the school districts meeting 18382
the requirements of division (B) of this section on average 18383
required high school students to complete a minimum of nineteen 18384
and eight-tenths units to graduate. The general assembly 18385

determines that the cost of funding the additional two-tenths unit 18386
required by section 3313.603 of the Revised Code is \$12 per pupil 18387
in fiscal year 2002. This amount was added after the calculation 18388
described in division (B) of this section and the adjustment for 18389
inflation from fiscal year 1999 to fiscal year 2002. It is this 18390
total amount, the calculated base cost plus the supplement to pay 18391
for the additional partial unit, that constitutes the base cost 18392
amount specified in division (A)(1) of this section for fiscal 18393
year 2002 and that is inflated to produce the base cost amounts 18394
for fiscal years 2003 through 2007. 18395

(B) In determining the base cost stated in division (A) of 18396
this section, capital and debt costs, costs paid for by federal 18397
funds, and costs covered by funds provided ~~pursuant to sections~~ 18398
~~3317.023 and 3317.024 of the Revised Code as they existed prior to~~ 18399
~~July 1, 1998,~~ for disadvantaged pupil impact aid and 18400
transportation were excluded, as were the effects on the 18401
districts' state funds of the application of the 18402
cost-of-doing-business factors, assuming ~~an eighteen~~ a seven and 18403
one-half per cent variance. 18404

The base cost for fiscal year ~~1996~~ 1999 was calculated as the 18405
unweighted average cost per student, on a school district basis, 18406
of educating students who were not receiving vocational education 18407
or services pursuant to Chapter 3323. of the Revised Code and who 18408
were enrolled in a city, exempted village, or local school 18409
district that in fiscal year ~~1994~~ 1999 met all of the following 18410
criteria: 18411

(1) The district met at least ~~all but one~~ twenty of the 18412
following twenty-seven performance standards: 18413

(a) A three ninety per cent or ~~lower dropout~~ higher 18414

(aa) An attendance rate for the year of at least ninety-three 18499
per cent as defined in section 3302.01 of the Revised Code. 18500
18501

In determining whether a school district met any of the 18502
performance standards specified in divisions (B)(1)(a) to (aa) of 18503
this section, the general assembly used a rounding procedure 18504
previously recommended by the department of education. It is the 18505
same rounding procedure the general assembly used in 1998 to 18506
determine whether a district had met the standards of former 18507
divisions (B)(1)(a) to (r) of this section for purposes of 18508

constructing the previous model based on fiscal year 1996 data. 18509

(2) The district was not among the ~~ten~~ five per cent of all 18510
districts with the highest income factors, ~~as defined in section~~ 18511
~~3317.02 of the Revised Code~~, nor among the ~~ten~~ five per cent of 18512
all districts with the lowest income factors. 18513

(3) The district was not among the five per cent of all 18514
districts with the highest valuation per pupil ~~in ADM, as reported~~ 18515
~~under division (A) of section 3317.03 of the Revised Code as it~~ 18516
~~existed prior to July 1, 1998~~, nor among the five per cent of all 18517
districts with the lowest valuation per pupil. 18518

This model for calculating the base cost of an adequate 18519
education is expenditure-based. The general assembly recognizes 18520
that increases in state funding to school districts since fiscal 18521
year 1996, the fiscal year upon which the general assembly based 18522
its model for calculating state funding to school districts for 18523
fiscal years 1999 through 2001, has increased school district base 18524
cost expenditures for fiscal year 1999, the fiscal year upon which 18525
the general assembly based its model for calculating state funding 18526
for fiscal years 2002 through 2007. In the case of school 18527
districts included in the fiscal year 1999 model that also had met 18528
the fiscal year 1996 performance criteria of former division 18529
(B)(1) of this section, the increased state funding may have 18530
driven the districts' expenditures beyond the expenditures that 18531
were actually needed to maintain their educational programs at the 18532
level necessary to maintain their ability to meet the fiscal year 18533
1999 performance criteria of current division (B)(1) of this 18534
section. The general assembly has determined to control for this 18535
effect by stipulating in the later model that the fiscal year 1999 18536
base cost expenditures of the districts that also met the 18537
performance criteria of former division (B)(1) of this section 18538
equals their base cost expenditures per pupil for fiscal year 18539
1996, inflated to fiscal year 1999 using an annual rate of 18540

inflation of two and eight-tenths per cent. However, if this
inflated amount exceeded the district's actual fiscal year 1999
base cost expenditures per pupil, the district's actual fiscal
year 1999 base cost expenditures per pupil were used in the
calculation. For districts in the 1999 model that did not also
meet the performance criteria of former division (B)(1) of this
section, the actual 1999 base cost per pupil expenditures were
used in the calculation of the average district per pupil costs of
the model districts.

(C) In July of ~~2000~~ 2005, and in July of every six years
thereafter, the speaker of the house of representatives and the
president of the senate shall each appoint three members to a
committee to reexamine the cost of an adequate education. No more
than two members from any political party shall represent each
house. The director of budget and management and the

The committee shall select a rational methodology for
calculating the costs of an adequate education system for the
ensuing six-year period, and shall report the methodology and the
resulting costs to the general assembly. In performing its
function, the committee is not bound by any method used by
previous general assemblies to examine and calculate costs and
instead may utilize any rational method it deems suitable and
reasonable given the educational needs and requirements of the
state at that time.

special conditions encountered by certain classifications of
school districts.

The committee also shall redetermine, for purposes of 18573
updating the parity aid calculation under section 3317.0217 of the 18574
Revised Code, the average number of effective operating mills that 18575
school districts in the seventieth to ninetieth percentiles of 18576
valuations per pupil collect above the revenues required to 18577
finance their attributed local shares of the calculated cost of an 18578
adequate education. 18579

Any committee appointed pursuant to this section shall make 18580
its report to the office of budget and management and the general 18581
assembly within ~~six months~~ one year of its appointment so that the 18582
information is available for use by the office and the general 18583
assembly in preparing the next biennial appropriations act. 18584

(D)(1) For purposes of this division, an "update year" is the 18585
first fiscal year for which the per pupil base cost of an adequate 18586
education is in effect after being recalculated by the general 18587
assembly. The first update year is fiscal year 2002. The second 18588
update year is fiscal year 2008. 18589

(2) The general assembly shall recalculate the per pupil base 18590
cost of an adequate education every six years after considering 18591
the recommendations of the committee appointed under division (C) 18592
of this section. At the time of the recalculation, for each of the 18593
five fiscal years following the update year, the general assembly 18594
shall adjust the base cost recalculated for the update year using 18595
an annual rate of inflation that the general assembly determines 18596
appropriate. 18597

(3) The general assembly shall include, in the act 18598
appropriating state funds for education programs for a fiscal 18599
biennium that begins with an update year, a statement of its 18600
determination of the total state share percentage of base cost and 18601
parity aid funding for the update year. 18602

(4) During its biennial budget deliberations, the general 18603

assembly shall determine the total state share percentage of base
cost and parity aid funding for each fiscal year of the upcoming
biennium. This determination shall be based on the latest
projections and data provided by the department of education under
division (D)(6) of this section prior to the enactment of
education appropriations for the upcoming biennium. If, based on
those latest projections and data, the general assembly determines
that the total state share percentage for either or both nonupdate
fiscal years varies more than two and one-half percentage points
more or less than the total state share percentage for the most
recent update year, as previously stated by the general assembly
under division (D)(3) of this section, the general assembly shall
determine and enact a method that it considers appropriate to
restrict the estimated variance for each year to within two and
one-half percentage points. The general assembly's methods may
include, but are not required to include and need not be limited
to, reexamining the rate of millage charged off as the local share
of base cost funding under divisions (A)(1) and (2) of section
3317.022 of the Revised Code. Regardless of any changes in
charge-off millage rates in years between update years, however,
the charge-off millage rate for update years shall be twenty-three
mills, unless the general assembly determines that a different
millage rate is more appropriate to share the total calculated
base cost between the state and school districts.

(5) The total state share percentage of base cost and parity
aid funding for any fiscal year is calculated as follows:

$$\frac{[(\text{Total state base cost} + \text{total state parity aid funding}) - \text{statewide charge-off amount}]}{(\text{Total state base cost} + \text{total state parity aid funding})}$$

Where:

(a) The total state base cost equals the sum of the base
costs for all school districts for the fiscal year.

(b) The base cost for each school district equals: 18636
formula amount X cost-of-doing-business factor X 18637
the greater of formula ADM or 18638
three-year average formula ADM 18639

(c) The total state parity aid funding equals the sum of the 18640
amounts paid to all school districts for the fiscal year under 18641
section 3317.0217 of the Revised Code. 18642

(d) The statewide charge-off amount equals the sum of the 18643
charge-off amounts for all school districts. 18644

(e) The charge-off amount for each school district is the 18645
amount calculated as its local share of base cost funding and 18646
deducted from the total calculated base cost to determine the 18647
amount of its state payment under divisions (A)(1) and (2) of 18648
section 3317.022 of the Revised Code. The charge-off amount for 18649
each school district in fiscal year 2002 is the product of 18650
twenty-three mills multiplied by the district's recognized 18651
valuation. If however, in any fiscal year, including fiscal year 18652
2002, a school district's calculated charge-off amount exceeds its 18653
base cost calculated as described in division (D)(2) of this 18654
section, the district's charge-off amount shall be deemed to equal 18655
its calculated base cost. 18656

(6) Whenever requested by the chairperson of the standing 18657
committee of the house or representatives or the senate having 18658
primary jurisdiction over appropriations, the legislative budget 18659
officer, or the director of budget and management, the department 18660
of education shall report its latest projections for total base 18661
cost, total parity aid funding, and the statewide charge-off 18662
amount, as those terms are defined in division (D)(5) of this 18663
section, for each year of the upcoming fiscal biennium, and all 18664
data it used to make the projections. 18665

Sec. 3317.013. This section does not apply to handicapped 18666

preschool students. 18667

Analysis of special education cost data has resulted in a 18668
finding that the average special education additional cost per 18669
pupil, including the costs of related services, can be expressed 18670
as a multiple of the base cost per pupil calculated under section 18671
3317.012 of the Revised Code. The multiples for the following 18672
categories of special education programs, as these programs are 18673
defined for purposes of Chapter 3323. of the Revised Code, are as 18674
follows: 18675

(A) A multiple of ~~0.22~~ 0.21 for students identified as 18676
specific learning disabled, other health handicapped, or 18677
developmentally handicapped, as these terms are defined pursuant 18678
to Chapter 3323. of the Revised Code; 18679

(B) A multiple of ~~3.01~~ 2.85 for students identified as 18680
hearing handicapped, orthopedically handicapped, vision impaired, 18681
multihandicapped, and severe behavior handicapped, as these terms 18682
are defined pursuant to Chapter 3323. of the Revised Code. 18683

Further analysis indicates that approximately one-eighth of 18684
the total costs of serving special education students consists of 18685
the furnishing of the related services specified in division 18686
(B)(3) of section 3317.022 of the Revised Code. 18687

The general assembly has adjusted the multiples specified in 18688
this section for calculating payments beginning in fiscal year 18689
2002 in recognition that its policy change regarding the 18690
application of the cost-of-doing-business factor produces a higher 18691
base cost amount than would exist if no change were made to its 18692
application. The adjustment maintains the same weighted costs as 18693
would exist if no change were made to the application of the 18694
cost-of-doing-business factor. 18695

Sec. 3317.014. The average vocational education additional 18696
cost per pupil can be expressed as a multiple of the base cost per 18697

pupil calculated under section 3317.012 of the Revised Code. the 18698
multiples for the following categories of vocational education 18699
programs are as follows: 18700

(A) A multiple of ~~0.60~~ 0.57 for students enrolled in 18701
vocational education job-training and workforce development 18702
programs approved by the department of education in accordance 18703
with rules adopted under section 3313.90 of the Revised Code. 18704

The rules adopted under this division may provide for 18705
programs that include instructional time beyond the normal periods 18706
of instruction, including summers, for areas of study such as 18707
agriculture. For any such program, the multiple of 0.57 may be 18708
apportioned so that the multiple for the normal school year is 18709
less than the multiple for the additional instructional time but 18710
that a school district may receive the entire value of the weight 18711
for the program if the program extends beyond the normal periods 18712
of instruction. 18713

(B) A multiple of ~~0.30~~ 0.28 for students enrolled in 18714
vocational education classes other than job-training and workforce 18715
development programs. 18716

Vocational education associated services costs can be 18717
expressed as a multiple of 0.05 of the base cost per pupil 18718
calculated under section 3317.012 of the Revised Code. 18719

The general assembly has adjusted the multiples specified in 18720
this section for calculating payments beginning in fiscal year 18721
2002 in recognition that its policy change regarding the 18722
application of the cost-of-doing-business factor produces a higher 18723
base cost amount than would exist if no change were made to its 18724
application. The adjustment maintains the same weighted costs as 18725
would exist if no change were made to the application of the 18726
cost-of-doing-business factor. 18727

Sec. 3317.02. As used in this chapter: 18728

(A) Unless otherwise specified, "school district" means city, local, and exempted village school districts.

(B) "Formula amount" means the base cost for the fiscal year specified in section 3317.012 of the Revised Code, ~~except that to allow for the orderly phase-in of the increased funding specified in that section, the formula amount for fiscal year 1999 shall be \$3,851, and the formula amount for fiscal year 2000 shall be \$4,052. Thereafter, the formula amount shall be as specified in that section.~~

(C) "FTE basis" means a count of students based on full-time equivalency, in accordance with rules adopted by the department of education pursuant to section 3317.03 of the Revised Code. In adopting its rules under this division, the department shall provide for counting any student in category one, two, or three special education ADM or in category one or two vocational education ADM in the same proportion the student is counted in formula ADM.

(D)(1) "Formula ADM" means, for a city, local, or exempted village school district, the number reported pursuant to division (A) of section 3317.03 of the Revised Code, and for a joint vocational school district, the number reported pursuant to division (D) of that section.

(2) "Three-year average formula ADM" means the average of formula ADMs for the current and preceding two fiscal years. However, as applicable in fiscal years 1999 and 2000, the three-year average for city, local, and exempted village school districts shall be determined utilizing the FY 1997 ADM or FY 1998 ADM in lieu of formula ADM for fiscal year 1997 or 1998. In fiscal years 2000 and 2001, the three-year average for joint vocational school districts shall be determined utilizing the average daily membership reported in fiscal years 1998 and 1999 under division (D) of section 3317.03 of the Revised Code in lieu of formula ADM

for fiscal years 1998 and 1999. 18761

(E) "FY 1997 ADM" or "FY 1998 ADM" means the school 18762
district's average daily membership reported for the applicable 18763
fiscal year under the version of division (A) of section 3317.03 18764
of the Revised Code in effect during that fiscal year, adjusted as 18765
follows: 18766

(1) Minus the average daily membership of handicapped 18767
preschool children; 18768

(2) Minus one-half of the average daily membership attending 18769
kindergarten; 18770

(3) Minus three-fourths of the average daily membership 18771
attending a joint vocational school district; 18772

(4) Plus the average daily membership entitled under section 18773
3313.64 or 3313.65 of the Revised Code to attend school in the 18774

that year under that division, the district's state share 19160
percentage is zero. 19161

(b) If the district would receive state base cost funding 19162
under that division, divide that amount by an amount equal to the 19163
following: 19164

Cost-of-doing-business factor X 19165

(4)(a) The department shall compute and pay in accordance 19221
with this division additional state aid to school districts for 19222
students in ~~category three~~ categories one and two special 19223
education ADM. If a district's costs for the fiscal year for a 19224
student in its ~~category three~~ categories one and two special 19225
education ADM are twenty-five thousand dollars or more, the 19226

district may submit to the superintendent of public instruction 19227
documentation, as prescribed by the superintendent, of all its 19228
costs for that student. Upon submission of documentation for a 19229
student of the type and in the manner prescribed, the department 19230
shall pay to the district an amount equal to the sum of the 19231

to (c) of this section, and the department shall only pay for, the 19266
costs of educational expenses and the related services provided to 19267
the student in accordance with the student's individualized 19268
education program. Any legal fees, court costs, or other costs 19269
associated with any cause of action relating to the student may 19270
not be included in the amount. 19271

special education expenses. 19284

(D)(1) As used in this division: 19285

(a) "Daily bus miles per student" equals the number of bus 19286
miles traveled per day, divided by transportation base. 19287

(b) "Transportation base" equals total student count as defined in section 3301.011 of the Revised Code, minus the number of students enrolled in preschool handicapped units, plus the number of nonpublic school students included in transportation ADM.

(c) "Transported student percentage" equals transportation ADM divided by transportation base.

(d) "Transportation cost per student" equals total operating costs for board-owned or contractor-operated school buses divided by transportation base.

(2) Analysis of student transportation cost data has resulted in a finding that an average efficient transportation use cost per student can be calculated by means of a regression formula that has as its two independent variables the number of daily bus miles per student and the transported student percentage. For fiscal year 1998 transportation cost data, the average efficient transportation use cost per student is expressed as follows:

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + (116.25573 \times \text{transported student percentage})$$

The department of education shall annually determine the average efficient transportation use cost per student in accordance with the principles stated in division (D)(2) of this section, updating the intercept and regression coefficients of the regression formula modeled in this division, based on an annual statewide analysis of each school district's daily bus miles per student, transported student percentage, and transportation cost per student data. The department shall conduct the annual update using data, including daily bus miles per student, transported student percentage, and transportation cost per student data, from the prior fiscal year. The department shall notify the office of budget and management of such update by the fifteenth day of

February of each year. 19320

(3) In addition to funds paid under divisions (A), (C), and 19321
(E) of this section, each district with a transported student 19322
percentage greater than zero shall receive a payment equal to a 19323
percentage of the product of the district's transportation base 19324
from the prior fiscal year times the annually updated average 19325
efficient transportation use cost per student, times an inflation 19326
factor of two and eight tenths per cent to account for the 19327
one-year difference between the data used in updating the formula 19328
and calculating the payment and the year in which the payment is 19329
made. The percentage shall be the following percentage of that 19330
product specified for the corresponding fiscal year: 19331

FISCAL YEAR	PERCENTAGE	
2000	52.5%	19332
2001	55%	19333
2002	57.5%	19334
2003 and thereafter	<u>The greater</u> <u>of 60% or</u> <u>the</u> <u>district's</u> <u>state share</u> <u>percentage</u>	19335 19336

The payments made under division (D)(3) of this section each 19337
year shall be calculated based on all of the same prior year's 19338
data used to update the formula. 19339

(4) In addition to funds paid under divisions (D)(2) and (3) 19340
of this section, a school district shall receive a rough road 19341
subsidy if both of the following apply: 19342

(a) Its county rough road percentage is higher than the 19343
statewide rough road percentage, as those terms are defined in 19344
division (D)(5) of this section; 19345

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division. 19346
19347

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula: 19348
19349
19350

(per rough mile subsidy X total rough road miles) X
density multiplier 19351
19352

where: 19353

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula: 19354
19355

$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$ 19356
19357
19358
19359

(i) "Maximum rough road percentage" means the highest county rough road percentage in the state. 19360
19361

(ii) "County rough road percentage" equals the percentage of the mileage of state, municipal, county, and township roads that is rated by the department of transportation as type A, B, C, E2, or F in the county in which the school district is located or, if the district is located in more than one county, the county to which it is assigned for purposes of determining its cost-of-doing-business factor. 19362

19365
19366
19367
19368

(iii) "Statewide rough road percentage" means the percentage of the statewide total mileage of state, municipal, county, and township roads that is rated as type A, B, C, E2, or F by the department of transportation. 19369
19370
19371
19372

(b) "Total rough road miles" means a school district's total bus miles traveled in one year times its county rough road percentage. 19373
19374
19375

(c) "Density multiplier" means a figure calculated in accordance with the following formula:

$$1 - \left[\frac{\text{minimum student density} - \text{district student density}}{\text{minimum student density} - \text{statewide student density}} \right]$$

(i) "Minimum student density" means the lowest district student density in the state.

(ii) "District student density" means a school district's transportation base divided by the number of square miles in the district.

(iii) "Statewide student density" means the sum of the transportation bases for all school districts divided by the sum of the square miles in all school districts.

(6) In addition to funds paid under divisions (D)(2) to (5) of this section, each district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than board-owned or contractor-operated buses and whose transportation is not funded under division (J) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students.

~~(7) Notwithstanding divisions (D)(1) to (6) of this section, in fiscal year 2000 only, each school district shall receive the greater of the total amount calculated for it under those divisions and division (J) of section 3317.024 of the Revised Code or the total amount calculated for it for types one through six student transportation operating funds in fiscal year 1999. For purposes of division (D)(7) of this section, the fiscal year 1999 guaranteed total amount does not include subsidies for school bus purchases.~~

(E)(1) The department shall compute and distribute state

vocational education additional weighted costs funds to each 19407
school district in accordance with the following formula: 19408

state share percentage X 19409

the formula amount X 19410

total vocational education weight 19411

In any fiscal year, a school district receiving funds under 19412
division (E)(1) of this section shall spend those funds only for 19413
the purposes that the department designates as approved for 19414
vocational education expenses. 19415

(2) The department shall compute for each school district 19416
state funds for vocational education associated services in 19417
accordance with the following formula: 19418

state share percentage X .05 X 19419

the formula amount X the sum of categories one and two 19420

vocational education ADM 19421

In any fiscal year, a school district receiving funds under 19422
division (E)(2) of this section, or through a transfer of funds 19423
pursuant to division (L) of section 3317.023 of the Revised Code, 19424
shall spend those funds only for the purposes that the department 19425
designates as approved for vocational education associated 19426
services expenses, which may include such purposes as 19427
apprenticeship coordinators, coordinators for other vocational 19428
education services, vocational evaluation, and other purposes 19429
designated by the department. The department may deny payment 19430
under division (E)(2) of this section to any district that the 19431
department determines is not operating those services or is using 19432
funds paid under division (E)(2) of this section, or through a 19433
transfer of funds pursuant to division (L) of section 3317.023 of 19434
the Revised Code, for other purposes. 19435

~~In fiscal years 2000 and 2001, each school district shall 19436
continue to offer the same number of the vocational education 19437
programs that the district offered in fiscal year 1999, unless the 19438~~

~~department of education expressly agrees that the district may
offer fewer programs in either fiscal year 2000 or 2001 or both.~~

vocational education and associated services additional weighted
costs funding calculated under divisions (E)(1) and (2) of this
section shall not exceed for any school district the product of
three mills times the district's recognized valuation. Beginning
in fiscal year 2003, the department annually shall pay each school
district as an excess cost supplement any amount by which the sum
of the district's attributed local shares for that funding exceeds
that product. For purposes of calculating the excess cost

Sec. 3317.023. (A) Notwithstanding section 3317.022 of the 19470
Revised Code, the amounts required to be paid to a district under 19471

enrolled concurrently in a joint vocational school district. 19501

(5) "State share percentage" has the same meaning as in 19502
section 3317.022 of the Revised Code. 19503

(6) "VEPD" means a school district or group of school 19504

(B) If the district employs less than one full-time 19512
equivalent classroom teacher for each twenty-five pupils in the 19513
regular student population in any school district, deduct the sum 19514
of the amounts obtained from the following computations: 19515

(1) Divide the number of the district's full-time equivalent 19516
classroom teachers employed by one twenty-fifth; 19517

(C) If a positive amount, add one-half of the amount obtained 19522
by multiplying the number of full-time equivalent classroom 19523
teachers by: 19524

(1) The mean annual salary of all full-time equivalent 19525
classroom teachers employed by the district at their respective 19526
training and experience levels minus; 19527

respective levels in all school districts receiving payments under 19529
this section. 19530

The number of full-time equivalent classroom teachers used in 19531
this computation shall not exceed one twenty-fifth of the 19532
district's regular student population. In calculating the 19533
district's mean salary under this division, those full-time 19534
equivalent classroom teachers with the highest training level 19535
shall be counted first, those with the next highest training level 19536
second, and so on, in descending order. Within the respective 19537
training levels, teachers with the highest years of service shall 19538
be counted first, the next highest years of service second, and so 19539
on, in descending order. 19540

(D) This division does not apply to a school district that 19541
has entered into an agreement under division (A) of section 19542
3313.42 of the Revised Code. Deduct the amount obtained from the 19543
following computations if the district employs fewer than five 19544
full-time equivalent educational service personnel, including 19545
elementary school art, music, and physical education teachers, 19546
counselors, librarians, visiting teachers, school social workers, 19547

service personnel employed by the district by five 19551
one-thousandths; 19552

the reimbursement of the governing board under section 3317.11 of 19560
the Revised Code. 19561

(F)(1) If the district is required to pay to or entitled to receive tuition from another school district under division (C)(2) or (3) of section 3313.64 or section 3313.65 of the Revised Code, or if the superintendent of public instruction is required to determine the correct amount of tuition and make a deduction or credit under section 3317.08 of the Revised Code, deduct and credit such amounts as provided in division (I) of section 3313.64 or section 3317.08 of the Revised Code.

by division (B)(4) of section 3311.52 or division (B)(8) of 19597
section 3311.521 of the Revised Code, deduct such amounts as 19598
provided under that provision and credit those amounts to the 19599

assistance district's DPIA student count.

Except as otherwise provided in division (F) of this section,

or equal to six-tenths, but less than two and one-half, the
formula number of teachers is calculated as follows:

$$43.478 + \{[(\text{DPIA index} - 0.6) / 1.9] \times 23.188\}$$

Where 43.478 is the number of teachers per one thousand
students at a student-teacher ratio of twenty-three to one; 1.9 is

the interval from a DPIA index of six-tenths to a DPIA index of two and one-half; and 23.188 is the difference in the number of teachers per one thousand students at a student-teacher ratio of fifteen to one and the number of teachers per one thousand students at a student-teacher ratio of twenty-three to one.

(c) If the DPIA index of the school district is greater than or equal to two and one-half, the formula number of teachers is 66.667, which is the number of teachers per one thousand students at a student-teacher ratio of fifteen to one.

(2) Multiply the formula number of teachers determined or calculated in division (E)(1) of this section by the kindergarten through third grade ADM for the district and divide that product by one thousand;

(3) Calculate the number of new teachers as follows:

(a) Multiply the kindergarten through third grade ADM by 43.478, which is the number of teachers per one thousand students at a student-teacher ratio of twenty-three to one, and divide that product by one thousand;

(b) Subtract the quotient obtained in division (E)(3)(a) of this section from the product in division (E)(2) of this section.

(4) Multiply the greater of the difference obtained under division (E)(3) of this section or zero by the statewide average teachers salary.

(F) This division applies only to school districts whose DPIA index is one or greater.

(1) Each school district subject to this division shall first utilize funds received under this section so that, when combined with other funds of the district, sufficient funds exist to provide all-day kindergarten to at least the number of children in the district's all-day kindergarten percentage.

(2) Up to an amount equal to the district's DPIA index 19963
multiplied by ~~the five-year average number of pupils in a district~~ 19964
~~receiving family assistance~~ its DPIA student count multiplied by 19965
two hundred thirty dollars of the money distributed under this 19966
section may be utilized for one or both of the following: 19967

(a) Programs designed to ensure that schools are free of 19968
drugs and violence and have a disciplined environment conducive to 19969
learning; 19970

(b) Remediation for students who have failed or are in danger 19971
of failing any of the proficiency tests administered pursuant to 19972

this section to provide intervention services required by section 19977
3313.608 of the Revised Code. 19978

(3) Except as otherwise required by division (G) or permitted 19979
under division (K) of this section, all other funds distributed 19980
under this section to districts subject to this division shall be 19981
utilized for the purpose of the third grade guarantee. The third 19982
grade guarantee consists of increasing the amount of instructional 19983
attention received per pupil in kindergarten through third grade, 19984
either by reducing the ratio of students to instructional 19985
personnel or by increasing the amount of instruction and 19986
curriculum-related activities by extending the length of the 19987
school day or the school year. 19988

School districts may implement a reduction of the ratio of 19989
students to instructional personnel through any or all of the 19990
following methods: 19991

(a) Reducing the number of students in a classroom taught by 19992
a single teacher; 19993

(b) Employing full-time educational aides or educational paraprofessionals issued a permit or license under section 3319.088 of the Revised Code; 19994
19995
19996

(c) Instituting a team-teaching method that will result in a lower student-teacher ratio in a classroom. 19997

Districts may extend the school day either by increasing the amount of time allocated for each class, increasing the number of classes provided per day, offering optional academic-related after-school programs, providing curriculum-related extra curricular activities, or establishing tutoring or remedial services for students who have demonstrated an educational need. In accordance with section 3319.089 of the Revised Code, a district extending the school day pursuant to this division may utilize a participant of the work experience program who has a child enrolled in a public school in that district and who is fulfilling the work requirements of that program by volunteering or working in that public school. school district wishing to receive any funds under division (D) of 20032
this section shall submit to the department of education an 20033
estimate of its all-day kindergarten percentage. Each district 20034
shall update its estimate throughout the fiscal year in the form 20035
and manner required by the department, and the department shall 20036
adjust payments under this section to reflect the updates. 20037

education, utilizing data from the information system established 20039
under section 3301.0714 of the Revised Code and after consultation 20040
with the legislative office of education oversight, shall 20041

section whether in the preceding fiscal year the district's ratio 20043
of instructional personnel to students and its number of 20044
kindergarten students receiving all-day kindergarten appear 20045

that fiscal year pursuant to divisions (D) and (E) of this 20047
section. If the department is unable to verify from the data 20048
available that students are receiving reasonable amounts of 20049

Sec. 3317.0217. The department of education shall annually 20494
compute and pay state parity aid to school districts, as follows: 20495

(A) Calculate the local wealth per pupil of each school 20496
district, which equals the following sum: 20497

(1) Two-thirds times the quotient of (a) the district's 20498
recognized valuation divided by (b) its formula ADM; plus 20499

(2) One-third times the quotient of (a) the average of the 20500
total federal adjusted gross income of the school district's 20501
residents for the three years most recently reported under section 20502
3317.021 of the Revised Code divided by (b) its formula ADM. 20503

(B) Rank all school districts in order of local wealth per 20504
pupil, from the district with the lowest local wealth per pupil to 20505
the district with the highest local wealth per pupil. 20506

(C) Compute the per pupil state parity aid funding for each 20507
school district in accordance with the following formula: 20508

Payment percentage X (threshold local wealth 20509
per pupil - the district's local 20510
wealth per pupil) X 0.0095 20511

Where: 20512

(1) "Payment percentage," for purposes of division (C) of 20513

this section, equals 20% in fiscal year 2002, 40% in fiscal year 20514
2003, 60% in fiscal year 2004, 80% in fiscal year 2005, and 100% 20515
after fiscal year 2005. 20516

(2) Nine and one-half mills (0.0095) is the general 20517
assembly's determination of the average number of effective 20518
operating mills that districts in the seventieth to ninetieth 20519
percentiles of valuations per pupil collected in fiscal year 2001 20520
above the revenues required to finance their attributed local 20521
shares of the calculated cost of an adequate education. This was 20522
determined by (a) adding the district revenues from operating 20523
property tax levies and income tax levies, (b) subtracting from 20524
that total the sum of (i) twenty-three mills times adjusted 20525
recognized valuation plus (ii) the attributed local shares of 20526
special education, transportation, and vocational education 20527
funding as described in divisions (F)(1) to (3) of section 20528
3317.022 of the Revised Code, and (c) converting the result to an 20529
effective operating property tax rate. 20530

(3) The "threshold local wealth per pupil" is the local 20531
wealth per pupil of the school district with the 20532
four-hundred-ninetieth lowest local wealth per pupil. 20533

If the result of the calculation for a school district under 20534
division (C) of this section is less than zero, the district's per 20535
pupil parity aid shall be zero. 20536

(D) Compute the per pupil alternative parity aid for each 20537
school district that has a combination of an income factor of 1.0 20538
or less, a DPIA index of 1.0 or greater, and a 20539
cost-of-doing-business factor of 1.0375 or greater, in accordance 20540
with the following formula: 20541

$$\frac{\text{Payment percentage} \times \$60,000 \times (1 - \text{income factor}) \times 4/15 \times 0.023}{1}$$
 20542
20543

Where: 20544

(1) "DPIA index" has the same meaning as in section 3317.029 20545
of the Revised Code. 20546

(2) "Payment percentage," for purposes of division (D) of 20547
this section, equals 50% in fiscal year 2002 and 100% after fiscal 20548
year 2002. 20549

(E) Pay each district that has a combination of an income 20550
factor 1.0 or less, a DPIA index of 1.0 or greater, and a 20551
cost-of-doing-business factor of 1.0375 or greater, the greater of 20552
the following: 20553

(1) The product of the district's per pupil parity aid 20554
calculated under division (C) of this section times its formula 20555
ADM; 20556

(2) The product of its per pupil alternative parity aid 20557
calculated under division (D) of this section times its formula 20558
ADM. 20559

(F) Pay every other district the product of its per pupil 20560
parity aid calculated under division (C) of this section times its 20561
formula ADM. 20562

Every six years, the general assembly shall redetermine, 20563
after considering the report of the committee appointed under 20564
section 3317.012 of the Revised Code, the average number of 20565
effective operating mills that districts in the seventieth to 20566
ninetieth percentiles of valuations per pupil collect above the 20567
revenues required to finance their attributed local shares of the 20568
cost of an adequate education. 20569

shall be maintained a record of school membership, which record
shall accurately show, for each day the school is in session, the
actual membership enrolled in regular day classes. For the purpose
of determining average daily membership, the membership figure of
any school shall not include any pupils except those pupils
described by division (A) of this section. The record of
membership for each school shall be maintained in such manner that
no pupil shall be counted as in membership prior to the actual

shall not be counted as in membership from and after the date of
such withdrawal. There shall not be included in the membership of
any school any of the following:

system of their residence not later than four years after
termination of war or their honorable discharge.

If, however, any veteran described by division (E)(4)~~(b)~~ of
this section elects to enroll in special courses organized for
veterans for whom tuition is paid under the provisions of federal

laws, or otherwise, that veteran shall not be included in average 20822
daily membership. 20823

Notwithstanding division (E)(3) of this section, the 20824
membership of any school may include a pupil who did not take a 20825
test required by section 3301.0711 of the Revised Code if the 20826
superintendent of public instruction grants a waiver from the 20827
requirement to take the test to the specific pupil. The 20828
superintendent may grant such a waiver only for good cause in 20829
accordance with rules adopted by the state board of education. 20830

Except as provided in division (B)(2) of this section, the 20831
average daily membership figure of any local, city, exempted 20832
village, or joint vocational school district shall be determined 20833
by dividing the figure representing the sum of the number of 20834
pupils enrolled during each day the school of attendance is 20835
actually open for instruction during the first full school week in 20836
October by the total number of days the school was actually open 20837
for instruction during that week. For purposes of state funding, 20838
"enrolled" persons are only those pupils who are attending school, 20839
those who have attended school during the current school year and 20840
are absent for authorized reasons, and those handicapped children 20841
currently receiving home instruction. 20842

The average daily membership figure of any cooperative 20843
education school district shall be determined in accordance with 20844
rules adopted by the state board of education. 20845

(F)(1) If the formula ADM for the first full school week in 20846
February is at least three per cent greater than that certified 20847
for the first full school week in the preceding October, the 20848
superintendent of schools of any city, exempted village, or joint 20849
vocational school district or educational service center shall 20850
certify such increase to the superintendent of public instruction. 20851
Such certification shall be submitted no later than the fifteenth 20852
day of February. For the balance of the fiscal year, beginning 20853

with the February payments, the superintendent of public 20854
instruction shall use the increased formula ADM in calculating or 20855
recalculating the amounts to be allocated in accordance with 20856
section 3317.022 or 3317.16 of the Revised Code. In no event shall 20857
the superintendent use an increased membership certified to the 20858
superintendent after the fifteenth day of February. 20859

(2) If on the first school day of April the total number of 20860
classes or units for handicapped preschool children that are 20861
eligible for approval under division (B) of section 3317.05 of the 20862
Revised Code exceeds the number of units that have been approved 20863
for the year under that division, the superintendent of schools of 20864
any city, exempted village, or cooperative education school 20865
district or educational service center shall make the 20866
certifications required by this section for that day. If the state 20867
board of education determines additional units can be approved for 20868
the fiscal year within any limitations set forth in the acts 20869
appropriating moneys for the funding of such units, the board 20870
shall approve additional units for the fiscal year on the basis of 20871
such average daily membership. For each unit so approved, the 20872
department of education shall pay an amount computed in the manner 20873
prescribed in section ~~3317.161~~ 3317.052 or 3317.19 and section 20874
~~3317.162~~ 3317.053 of the Revised Code. 20875

(G)(1)(a) The superintendent of an institution operating a 20876
special education program pursuant to section 3323.091 of the 20877
Revised Code shall, for the programs under such superintendent's 20878
supervision, certify to the state board of education the average 20879
daily membership of all handicapped children in classes or 20880
programs approved annually by the state board of education, in the 20881
manner prescribed by the superintendent of public instruction. 20882

(b) The superintendent of an institution with vocational 20883
education units approved under division (A) of section 3317.05 of 20884
the Revised Code shall, for the units under the superintendent's 20885

daily membership in those units, in the manner prescribed by the
superintendent of public instruction.

(2) The superintendent of each county MR/DD board that

Revised Code or units approved by the state board of education
pursuant to section 3317.05 of the Revised Code shall do both of

Revised Code. 22170

(R) "Installation of site utilities" means the installation 22171
of a site domestic water system, site fire protection system, site 22172
gas distribution system, site sanitary system, site storm drainage 22173
system, and site telephone and data system. 22174

(S) "Site preparation" means the earthwork necessary for 22175
preparation of the building foundation system, the paved 22176
pedestrian and vehicular circulation system, playgrounds on the 22177
project site, and lawn and planting on the project site. 22178

Sec. 3318.04. (A) If the Ohio school facilities commission 22179
makes a determination under section 3318.03 of the Revised Code in 22180
favor of constructing, acquiring, reconstructing, or making 22181
additions to a classroom facility, the project shall be 22182
conditionally approved. Such conditional approval shall be 22183
submitted to the controlling board for approval thereof. The 22184
controlling board shall forthwith approve or reject the 22185
commission's determination, conditional approval, the amount of 22186
the state's portion of the basic project cost, and, if the state's 22187
portion exceeds twenty-five million dollars, the amount of the 22188
state's portion to be encumbered in the current fiscal biennium. 22189
In the event of approval thereof by the controlling board, the 22190
commission shall certify such conditional approval to the school 22191
district board and shall encumber from the total funds 22192
appropriated for the purpose of sections 3318.01 to 3318.20 of the 22193
Revised Code the amount of the state's portion of the basic 22194

project cost or, if the state's portion exceeds twenty-five 22195
million dollars, the amount approved under this section to be 22196
encumbered in the current fiscal biennium. 22197

The basic project cost for a project approved under this 22198
section shall not exceed the cost that would otherwise have to be 22199
incurred if the classroom facilities to be constructed, acquired, 22200
or reconstructed, or the additions to be made to classroom 22201
facilities, under such project meet, but do not exceed, the 22202
specifications for plans and materials for classroom facilities 22203
adopted by the commission. 22204

(B)(1) No school district shall have a project conditionally 22205
approved pursuant to this section if the school district has 22206
already received any assistance for a project funded under any 22207
version of sections 3318.01 to 3318.20 of the Revised Code, and 22208
the prior project was one for which the electors of such district 22209
approved a levy within the last twenty years pursuant to any 22210
version of section 3318.06 of the Revised Code for purposes of 22211
qualifying for the funding of that project, unless the district 22212
demonstrates to the satisfaction of the commission that the 22213
district has experienced since approval of its prior project an 22214
exceptional increase in enrollment significantly above the 22215
district's design capacity under that prior project as determined 22216
by rule of the commission. 22217

(2) Notwithstanding division (B)(1) of this section, any 22218
school district that received assistance under sections 3318.01 to 22219
3318.20 of the Revised Code, as those sections existed prior to 22220
May 20, 1997, may receive additional assistance under those 22221
sections, as they exist on and after May 20, 1997, prior to the 22222
expiration of the period of time required under division (B)(1) of 22223
this section, if the percentile in which the school district is 22224
located, as determined under section 3318.011 of the Revised Code, 22225
is eligible for assistance as prescribed in section 3318.02 of the 22226

Revised Code.

22227

The commission may provide assistance under sections 3318.01 to 3318.20 of the Revised Code pursuant to this division to no more than five school districts per fiscal year until all eligible school districts have received the additional assistance authorized under this division. The commission shall establish application procedures, deadlines, and priorities for funding projects under this division.

If the commission finds that a school district's existing classroom facilities are adequate to meet all of the school district's needs, the commission may determine that no additional state assistance be awarded to a school district under this division.

Sec. 3318.042. (A) The board of education of any school district that is receiving assistance under sections 3318.01 to 3318.20 of the Revised Code after May 20, 1997, and whose project is still under construction, may request that the Ohio school facilities commission examine whether the circumstances prescribed in either division (B)(1) or (2) of this section exist in the school district. If the commission so finds, the commission shall review the school district's original assessment and approved project under sections 3318.01 to 3318.20 of the Revised Code, and consider providing additional assistance to the school district to correct the prescribed conditions found to exist in the district. Additional assistance under this section shall be limited to additions to one or more buildings, remodeling of one or more buildings, or changes to the infrastructure of one or more buildings.

(B) Consideration of additional assistance to a school district under this section is warranted in either of the following circumstances:

(1) Additional work is needed to correct an oversight or deficiency not identified or included in the district's initial assessment.

(2) Other conditions exist that, in the opinion of the commission, warrant additions or remodeling of the project facilities or changes to infrastructure associated with the district's project that were not identified in the initial assessment and plan.

(C) If the commission decides in favor of providing additional assistance to any school district under this section, the school district shall be responsible for paying for its portion of the cost the additions, remodeling, or infrastructure changes pursuant to section 3318.083 of the Revised Code. If after

making a financial evaluation of the school district, the 22290
commission determines that the school district is unable without 22291
undue hardship, according to the guidelines adopted by the 22292
commission, to fund the school district portion of the increase, 22293
then the state and the school district shall enter into an 22294
agreement whereby the state shall pay the portion of the cost 22295
increase attributable to the school district which is determined 22296
to be in excess of any local resources available to the district 22297
and the district shall thereafter reimburse the state. The 22298
commission shall establish the district's schedule for reimbursing 22299
the state, which shall not extend beyond five years. Debt incurred 22300
under this section shall not be included in the calculation of the 22301
net indebtedness of the school district under section 133.06 of 22302
the Revised Code. 22303

Sec. 3318.052. (A) At any time after the electors of a school 22304
district have approved either or both a property tax levied under 22305
section 5705.21 or 5705.218 of the Revised Code for the purpose of 22306
general ongoing permanent improvements or a school district income 22307
tax levied under Chapter 5748. of the Revised Code, the board of 22308
education of the school district may do all of the following: 22309

(1) Within one year following the date of the certification 22311
of the conditional approval of the school district's classroom 22312
facilities project by the Ohio school facilities commission, enter 22313
into a written agreement with the commission, which may be part of 22314
an agreement entered into under section 3318.08 of the Revised 22315
Code, under which the school district board covenants and agrees 22316
to apply a specified amount of the proceeds of that property tax 22317
levy, of that school district income tax, or of securities issued 22318
under this section, or of proceeds from any two or more of those 22319
sources, to pay all or part of the district's portion of the basic 22320
project cost of its classroom facilities project. 22321

(2) Receive as a credit against the amount of bonds required 22322
under sections 3318.05 and 3318.06 of the Revised Code, to be 22323
approved by the electors of the district and issued by the 22324
district board for the district's portion of the basic project 22325
cost of its classroom facilities project in order for the district 22326
to receive state assistance for the project, an amount equal to 22327
the specified amount that the district board covenants and agrees 22328
with the commission to apply as set forth in division (A) (1) of 22329
this section. 22330

(3) Apply the proceeds of either or both such taxes to the 22331
payment of debt charges on and financing costs related to 22332
securities issued under this section and to make any necessary 22333
transfers of funds arising from such a tax to the bond retirement 22334
fund established for those securities from the fund to which the 22335
proceeds of the tax are credited. 22336

(4) Issue securities to provide moneys to pay all or part of 22337
the district's portion of the basic project cost of its classroom 22338
facilities project in accordance with an agreement entered into 22339
under division (A) (1) of this section. 22340

(B) Securities issued under this section shall be Chapter 22341
133. securities and may be issued as general obligation securities 22342
or issued in anticipation of a school district income tax or as 22343
property tax anticipation notes under section 133.24 of the 22344
Revised Code. The district board's resolution authorizing the 22345
issuance and sale of general obligation securities under this 22346
section shall conform to the applicable requirements of section 22347
133.22 or 133.23 of the Revised Code. Securities issued under this 22348
section shall have principal payments during each year after the 22349
year of issuance over a period of not more than twenty-three years 22350
and, if so determined by the district board, during the year of 22351
issuance. Securities issued under this section shall not be 22352
included in the calculation of net indebtedness of the district 22353

under section 133.06 of the Revised Code if the resolution of the district board authorizing their issuance and sale includes covenants to appropriate annually from the proceeds of the property tax levied or of the school district income tax referred to in division (A) of this section and to continue to levy and collect the tax in amounts necessary to pay the debt charges on and financing costs related to the securities as they become due. No such tax the proceeds of which are pledged, or that the school district board has covenanted to levy, collect, and appropriate annually, to pay the debt charges on and financing costs related to securities issued under this section shall be repealed while those securities are outstanding. If such a tax is reduced by the electors of the district or by the district board while those securities are outstanding, the school district board shall continue to levy and collect the tax under the authority of the original election authorizing the tax at a rate in each year that the board reasonably estimates will produce an amount in that year equal to the debt charges on the securities in that year.

If the requisite favorable vote on the election is obtained, or if the school district board has resolved to apply the proceeds of a property tax levy or the proceeds of an income tax, or a combination of proceeds from such taxes, as authorized in section 3318.052 of the Revised Code, the Ohio school facilities commission, upon certification to it of either the results of the election or the resolution under section 3318.052 of the Revised Code, shall enter into a written agreement with the

school district board for the construction and sale of the 22386
project, which agreement shall include, but need not be limited 22387
to, the following provisions: 22388

(A) The sale and issuance of bonds or notes in anticipation 22389
thereof, as soon as practicable after the execution of the 22390
agreement, in an amount equal to the school district's portion of 22391
the basic project cost, including any bonds previously authorized 22392
by the district's electors as described in section 3318.033 of the 22393
Revised Code; provided, that if at that time the county treasurer 22394
of each county in which the school district is located has not 22395
commenced the collection of taxes on the general duplicate of real 22396
and public utility property for the year in which the controlling 22397
board approved the project, the school district board shall 22398
authorize the issuance of a first installment of bond anticipation 22399
notes in an amount specified by the agreement, which amount shall 22400
not exceed an amount necessary to raise the net bonded 22401
indebtedness of the school district as of the date of the 22402
controlling board's approval to within five thousand dollars of 22403
the required level of indebtedness for the preceding year. In the 22404
event that a first installment of bond anticipation notes is 22405
issued, the school district board shall, as soon as practicable 22406
after the county treasurer of each county in which the school 22407
district is located has commenced the collection of taxes on the 22408
general duplicate of real and public utility property for the year 22409
in which the controlling board approved the project, authorize the 22410
issuance of a second and final installment of bond anticipation 22411
notes or a first and final issue of bonds. 22412

The combined value of the first and second installment of 22413
bond anticipation notes or the value of the first and final issue 22414
of bonds shall be equal to the school district's portion of the 22415
basic project cost. The proceeds of any such bonds shall be used 22416
first to retire any bond anticipation notes. Otherwise, the 22417

proceeds of such bonds and of any bond anticipation notes, except 22418
the premium and accrued interest thereon, shall be deposited in 22419
the school district's project construction fund. In determining 22420
the amount of net bonded indebtedness for the purpose of fixing 22421
the amount of an issue of either bonds or bond anticipation notes, 22422
gross indebtedness shall be reduced by moneys in the bond 22423
retirement fund only to the extent of the moneys therein on the 22424
first day of the year preceding the year in which the controlling 22425
board approved the project. Should there be a decrease in the tax 22426
valuation of the school district so that the amount of 22427
indebtedness that can be incurred on the tax duplicates for the 22428
year in which the controlling board approved the project is less 22429
than the amount of the first installment of bond anticipation 22430
notes, there shall be paid from the school district's project 22431
construction fund to the school district's bond retirement fund to 22432
be applied against such notes an amount sufficient to cause the 22433
net bonded indebtedness of the school district, as of the first 22434
day of the year following the year in which the controlling board 22435
approved the project, to be within five thousand dollars of the 22436
required level of indebtedness for the year in which the 22437
controlling board approved the project. The maximum amount of 22438
indebtedness to be incurred by any school district board as its 22439
share of the cost of the project is either an amount that will 22440
cause its net bonded indebtedness, as of the first day of the year 22441
following the year in which the controlling board approved the 22442
project, to be within five thousand dollars of the required level 22443
of indebtedness, or an amount equal to the required percentage of 22444
the basic project costs, whichever is greater. All bonds and bond 22445
anticipation notes shall be issued in accordance with Chapter 133. 22446
of the Revised Code, and notes may be renewed as provided in 22447
section 133.22 of the Revised Code. 22448

(B)(1) The transfer of such funds of the school district 22449

board available for the project, together with the proceeds of the 22450
sale of the bonds or notes, except premium, accrued interest, and 22451
interest included in the amount of the issue, to the school 22452
district's project construction fund; 22453

(2) If section 3318.052 of the Revised Code applies, the 22454
earmarking of the proceeds of a tax levied under section 5705.21 22455
of the Revised Code for general ongoing permanent improvements or 22456
the proceeds of a school district income tax levied under Chapter 22457
5748. of the Revised Code, or the proceeds from a combination of 22458
those two taxes, in an amount to pay all or part of the service 22459
charges on bonds issued to pay the school district portion of the 22460
project and an amount equivalent to all or part of the tax 22461
required under division (B) of section 3318.05 of the Revised 22462
Code. 22463

(C) If section 3318.052 of the Revised Code does not apply, 22464
either of the following: 22465

(1) The levy of the tax authorized at the election for the 22466
payment of maintenance costs, as specified in division (B) of 22467
section 3318.05 of the Revised Code; 22468

(2) If the school district electors have approved a 22469
continuing tax of at least two mills for each dollar of valuation 22470
for general ongoing permanent improvements under section 5705.21 22471
of the Revised Code and that tax can be used for maintenance, the 22472
earmarking of an amount of the proceeds from such tax for 22473
maintenance of classroom facilities as specified in division (B) 22474
of section 3318.05 of the Revised Code. 22475

(D) Ownership of or interest in the project during the period 22476
of construction, which shall be divided between the commission and 22477
the school district board in proportion to their respective 22478
contributions to the school district's project construction fund; 22479
22480

(E) Maintenance of the state's interest in the project until 22481
any obligations issued for the project under section 3318.26 of 22482
the Revised Code are no longer outstanding; 22483

(F) The insurance of the project by the school district from 22484
the time there is an insurable interest therein and so long as the 22485
state retains any ownership or interest in the project pursuant to 22486
division (D) of this section, in such amounts and against such 22487
risks as the commission shall require; provided, that the cost of 22488
any required insurance until the project is completed shall be a 22489
part of the basic project cost; 22490

(G) The certification by the director of budget and 22491
management that funds are available and have been set aside to 22492
meet the state's share of the basic project cost as approved by 22493
the controlling board pursuant to section 3318.04 of the Revised 22494
Code; 22495

(H) Authorization of the school district board to advertise 22496
for and receive construction bids for the project, for and on 22497
behalf of the commission, and to award contracts in the name of 22498
the state subject to approval by the commission; 22499

(I) Provisions for the disbursement of moneys from the school 22500
district's project account upon issuance by the commission or the 22501
commission's designated representative of vouchers for work done 22502
to be certified to the commission by the treasurer of the school 22503
district board; 22504

(J) Disposal of any balance left in the school district's 22505
project construction fund upon completion of the project; 22506

(K) Limitations upon use of the project or any part of it so 22507
long as any obligations issued to finance the project under 22508
section 3318.26 of the Revised Code are outstanding; 22509

(L) Provision for vesting the state's interest in the project 22510
to the school district board when the obligations issued to 22511

finance the project under section 3318.26 of the Revised Code are	22512
outstanding;	22513
(M) Provision for deposit of an executed copy of the	22514
agreement in the office of the commission;	22515
(N) Provision for termination of the contract and release of	22516
the funds encumbered at the time of the conditional approval, if	22517
the proceeds of the sale of the bonds of the school district board	22518
are not paid into the school district's project construction fund	22519
and if bids for the construction of the project have not been	22520
taken within such period after the execution of the agreement as	22521
may be fixed by the commission;	22522
(O) Provision for the school district to maintain the project	22523
in accordance with a plan approved by the commission;	22524
(P) Provision that all state funds reserved and encumbered to	22525
pay the state share of the cost of the project pursuant to section	22526
3318.03 of the Revised Code be spent on the construction or	22527
acquisition of the project prior to the expenditure of any funds	22528
provided by the school district to pay for its share of the	22529
project cost, unless the school district certifies to the	22530
commission that expenditure by the school district is necessary to	22531
maintain the tax-exempt status of notes or bonds issued by the	22532
school district to pay for its share of the project cost in which	22533
case, the school district may commit to spend, or spend, a portion	22534
of the funds it provides;	22535
(Q) A provision stipulating that the commission may prohibit	22536
the district from proceeding with any project if the commission	22537
determines that the site is not suitable for construction	22538
purposes. The commission may perform soil tests in its	22539
determination of whether a site is appropriate for construction	22540
purposes.	22541
<u>(R) A provision stipulating that, unless otherwise authorized</u>	22542

by the commission, any contingency reserve portion of the 22543
construction budget prescribed by the commission shall be used 22544
only to pay costs resulting from unforeseen job conditions, to 22545
comply with rulings regarding building and other codes, to pay 22546
costs related to design clarifications or corrections to contract 22547
documents, and to pay the costs of settlements or judgments 22548
related to the project as provided under section 3318.086 of the 22549
Revised Code. 22550

Sec. 3318.084. (A) Notwithstanding anything to the contrary 22551
in Chapter 3318. of the Revised Code, a school district board may 22552
apply any local donated contribution toward ~~the~~ either or both of 22553
the following: 22554

(1) The district's portion of the basic project cost of a 22555
project under sections 3318.01 to 3318.20 of the Revised Code ~~and~~ 22556
~~may use such local donated contribution~~ to reduce the amount of 22557
bonds the district otherwise must issue in order to receive state 22558
assistance under those sections; 22559

(2) An offset of all or part of a district's obligation to 22560
levy the tax described in division (B) of section 3318.05 of the 22561
Revised Code, which shall be applied only in the manner prescribed 22562
in division (B) of this section. 22563

(B) No school district board shall apply any local donated 22564
contribution under division (A)(2) of this section unless the Ohio 22565
school facilities commission first approves that application. 22566

Upon the request of the school district board to apply local 22567
donated contribution under division (A)(2) of this section, the 22568
commission in consultation with the department of taxation shall 22569
determine the amount of total revenue that likely would be 22570
generated by one-half mill of the tax described in division (B) of 22571
section 3318.05 of the Revised Code over the entire 22572
twenty-three-year period required under that section and shall 22573

deduct from that amount any amount of local donated contribution 22574
that the board has committed to apply under division (A)(2) of 22575
this section. The commission then shall determine in consultation 22576
with the department of taxation the rate of tax over twenty-three 22577
years necessary to generate the amount of a one-half mill tax not 22578
offset by the local donated contribution. Notwithstanding anything 22579
to the contrary in section 3318.06, 3318.061, or 3318.361 of the 22580
Revised Code, the rate determined by the commission shall be the 22581
rate for which the district board shall seek elector approval 22582
under those sections to meet its obligation under division (B) of 22583
section 3318.05 of the Revised Code. In the case of a complete 22584
offset of the district's obligation under division (B) of section 22585
3318.05 of the Revised Code, the district shall not be required to 22586
levy the tax otherwise required under that section. At the end of 22587
the twenty-three-year period of the tax required under division 22588
(B) of section 3318.05 of the Revised Code, whether or not the tax 22589
is actually levied, the commission in consultation of the 22590
department of taxation shall recalculate the amount that would 22591
have been generated by the tax if it had been levied at one-half 22592
mill. If the total amount actually generated over that period from 22593
both the tax that was actually levied and any local donated 22594
contribution applied under division (A)(2) of this section is less 22595
than the amount that would have been raised by a one-half mill 22596
tax, the district shall pay any difference. If the total amount 22597
actually raised in such manner is greater than the amount that 22598
would have been raised by a one-half mill tax the difference shall 22599
be zero and no payments shall be made by either the district or 22600
the commission. 22601

(C) As used in this section, "local donated contribution" 22602
means either of the following: 22603

(A)(1) Any moneys irrevocably donated or granted to a school 22604
district board by a source other than the state which the board 22605

has the authority to apply to the school district's project under 22606
sections 3318.01 to 3318.20 of the Revised Code and which the 22607
board has pledged for that purpose by resolution adopted by a 22608
majority of its members; 22609

~~(B)(2)~~ Any irrevocable letter of credit issued on behalf of a 22610
school district or any cash a school district has on hand, 22611
including any year-end operating fund balances, that can be spent 22612
for classroom facilities, either of which the school district 22613
board has encumbered for payment of the school district's share of 22614
its project under sections 3318.01 to 3318.20 of the Revised Code 22615
and either of which has been approved by the ~~Ohio school~~ 22616
~~facilities~~ commission in consultation with the department of 22617
education. 22618

(D) No state moneys shall be released for a project to which 22619
this section applies until any local donated ~~local~~ contribution 22620
authorized under this section is first deposited into the school 22621
district's project construction fund, if applied under division 22622
(A)(1) of this section, or into the district's capital and 22623
maintenance fund if applied under division (A)(2) of this section. 22624

Sec. 3318.086. The construction budget for any project under 22625
sections 3318.01 to 3318.20 of the Revised Code shall contain a 22626
contingency reserve in an amount prescribed by the Ohio school 22627
facilities commission, which unless otherwise authorized by the 22628
commission, shall be used only to pay costs resulting from 22629
unforeseen job conditions, to comply with rulings regarding 22630
building and other codes, to pay costs related to design 22631
clarifications or corrections to contract documents, and to pay 22632
the costs of settlements or judgments related to the project. 22633

Sec. 3318.10. When such working drawings, specifications, and 22634
estimates of cost have been approved by the school district board 22635
and the Ohio school facilities commission, the treasurer of the 22636

school district board shall advertise for construction bids for 22637
~~the project once a week for three consecutive weeks in a newspaper~~ 22638
~~published in and of general circulation in the county in which the~~ 22639
~~project is located~~ in accordance with section 3313.46 of the 22640
Revised Code. Such notices shall state that plans and 22641
specifications for the project are on file in the office of the 22642
commission and such other place as may be designated in such 22643
notice, and the time and place when and where bids therefor will 22644
be received. 22645

The form of proposal to be submitted by bidders shall be 22646
supplied by the commission. Bidders may be permitted to bid upon 22647
all the branches of work and materials to be furnished and 22648
supplied, upon any branch thereof, or upon all or any thereof. 22649

~~A proposal shall be invalid and not considered unless it~~ 22650
~~meets the requirements of section 153.54 of the Revised Code.~~ 22651

When the construction bids for all branches of work and 22652
materials have been tabulated, the commission shall cause to be 22653
prepared a revised estimate of the basic project cost based upon 22654
the lowest responsible bids received. If such revised estimate 22655
exceeds the estimated basic project cost as approved by the 22656
controlling board pursuant to section 3318.04 of the Revised Code, 22657
no contracts may be entered into pursuant to this section unless 22658
such revised estimate is approved by the commission and by the 22659
controlling board referred to in section 3318.04 of the Revised 22660
Code. When such revised estimate has been prepared, and after such 22661
approvals are given, if necessary, and if the school district 22662
board has caused to be transferred to the project construction 22663
fund the proceeds from the sale of the first or first and final 22664
installment of its bonds or bond anticipation notes pursuant to 22665
the provision of written agreement required by division (B) of 22666
section 3318.08 of the Revised Code, and when the director of 22667
budget and management has certified that there is a balance in the 22668

appropriation, not otherwise obligated to pay precedent 22669
obligations, pursuant to which the state's share of such revised 22670
estimate is required to be paid, the contract for all branches of 22671
work and materials to be furnished and supplied, or for any branch 22672
thereof as determined by the school district board, shall be 22673
awarded by the school district board to the lowest responsible 22674
bidder subject to the approval of the commission. Such award shall 22675
be made within sixty days after the date on which the bids are 22676
opened, and the successful bidder shall enter into a contract 22677
within ten days after the successful bidder is notified of the 22678
award of the contract. 22679

Subject to the approval of the commission, the school 22680
district board may reject all bids and readvertise. Any contract 22681
made under this section shall be made in the name of the state and 22682
executed on its behalf by the president and treasurer of the 22683
school district board. 22684

The provisions of sections ~~153.50 to 153.99~~ 9.312 and 3313.46 22685
of the Revised Code, which are applicable to construction 22686
contracts of boards of education ~~and which permit bids to be made~~ 22687
~~for two or more trades or kinds of work~~, shall apply to 22688
construction contracts for the project ~~to the exclusion of~~ 22689
~~sections 153.01 to 153.20 of the Revised Code applicable to state~~ 22690
~~construction contracts.~~ 22691

The remedies afforded to any subcontractor, materials 22692
supplier, laborer, mechanic, or persons furnishing material or 22693
machinery for the project under sections 1311.26 to 1311.32 of the 22694
Revised Code, shall apply to contracts entered into under this 22695
section and the itemized statement required by section 1311.26 of 22696
the Revised Code shall be filed with the school district board. 22697

Sec. 3318.31. (A) The Ohio school facilities commission may 22698
perform any act and ensure the performance of any function 22699

necessary or appropriate to carry out the purposes of, and 22700
exercise the powers granted under, Chapter 3318. of the Revised 22701
Code, including any of the following: 22702

~~(1) Employ and fix the compensation of such employees as will 22703
facilitate the activities and purposes of the commission, and who 22704
shall serve at the pleasure of the commission. 22705~~

~~(2)~~ Adopt, amend, and rescind, pursuant to section 111.15 of 22706
the Revised Code, rules for the administration of programs 22707
authorized under Chapter 3318. of the Revised Code. 22708

~~(3)~~(2) Contract with, retain the services of, or designate, 22709
and fix the compensation of, such agents, accountants, 22710
consultants, advisers, and other independent contractors as may be 22711
necessary or desirable to carry out the programs authorized under 22712
Chapter 3318. of the Revised Code. 22713

~~(4)~~(3) Receive and accept any gifts, grants, donations, and 22714
pledges, and receipts therefrom, to be used for the programs 22715
authorized under Chapter 3318. of the Revised Code. 22716

~~(5)~~(4) Make and enter into all contracts, commitments, and 22717
agreements, and execute all instruments, necessary or incidental 22718
to the performance of its duties and the execution of its rights 22719
and powers under Chapter 3318. of the Revised Code. 22720

(B) The commission shall appoint and fix the compensation of 22721
an executive director who shall serve at the pleasure of the 22722
commission. The executive director shall supervise the operations 22723
of the commission. The executive director also shall employ and 22724
fix the compensation of such employees as will facilitate the 22725
activities and purposes of the commission, who shall serve at the 22726
pleasure of the executive director. 22727

(C) The attorney general shall serve as the legal 22728
representative for the commission and may appoint other counsel as 22729
necessary for that purpose in accordance with section 109.07 of 22730

the Revised Code.	22731
Sec. 3318.36. (A) As used in this section:	22732
(1) "Ohio school facilities commission," "classroom facilities," "school district," "school district board," "net bonded indebtedness," "required percentage of the basic project costs," "basic project cost," "valuation," and "percentile" have the same meanings as in section 3318.01 of the Revised Code.	22733 22734 22735 22736 22737
(2) "Required level of indebtedness" means five per cent of the school district's valuation for the year preceding the year in which the commission and school district enter into an agreement under division (B) of this section, plus [two one-hundredths of one per cent multiplied by (the percentile in which the district ranks in the fiscal year the commission and the school district enter into such agreement minus one)].	22738 22739 22740 22741 22742 22743 22744
(3) "Local resources" means any moneys generated in any manner permitted for a school district board to raise the school district portion of a project undertaken with assistance under sections 3318.01 to 3318.20 of the Revised Code.	22745 22746 22747 22748
(B)(1) There is hereby established the school building assistance expedited local partnership program. Under the program, the Ohio school facilities commission may enter into an agreement with the school district board of any school district under which the school district board may proceed with the new construction or major repairs of a part of the school district's classroom facilities needs, as determined under sections 3318.01 to 3318.20 of the Revised Code, through the expenditure of local resources prior to the school district's eligibility for state assistance under sections 3318.01 to 3318.20 of the Revised Code and may apply that expenditure toward meeting the school district's portion of the basic project cost of the total of the school district's classroom facilities needs, as determined under	22749 22750 22751 22752 22753 22754 22755 22756 22757 22758 22759 22760 22761

sections 3318.01 to 3318.20 of the Revised Code and as 22762
recalculated under division (E) of this section, that are eligible 22763
for state assistance under sections 3318.01 to 3318.20 of the 22764
Revised Code when the school district becomes eligible for such 22765
state assistance. Any school district that is reasonably expected 22766
to receive assistance under sections 3318.01 to 3318.20 of the 22767
Revised Code within two fiscal years from the date the school 22768
district adopts its resolution under division (B) of this section 22769
shall not be eligible to participate in the program. 22770

(2) To participate in the program, a school district board 22771
shall first adopt a resolution certifying to the commission the 22772
board's intent to participate in the program. 22773

The resolution shall specify the approximate date that the 22774
board intends to seek elector approval of any bond or tax measures 22775
or to apply other local resources to use to pay the cost of 22776
classroom facilities to be constructed under this section. ~~The~~ 22777
~~resolution shall not specify an election sooner than twelve months~~ 22778
~~after the date the resolution is adopted by the board~~ The 22779
resolution may specify the application of local resources or 22780
elector-approved bond or tax measures after the resolution is 22781
adopted by the board, and in such case the board may proceed with 22782
a discrete portion of its project under this section as soon as 22783
the commission and the controlling board have approved the basic 22784
project cost of the district's classroom facilities needs as 22785
specified in division (D) of this section. The board shall submit 22786
its resolution to the commission not later than ten days after the 22787
date the resolution is adopted by the board. 22788

The commission shall not consider any resolution that is 22789
submitted pursuant to division (B)(2) of this section, as amended 22790
by this amendment, sooner than ~~the effective date of this~~ 22791
~~amendment~~ September 14, 2000. 22792

(3) Any project under this section shall comply with section 22793

3318.03 of the Revised Code and with any specifications for plans 22794
and materials for classroom facilities adopted by the commission 22795
under section 3318.04 of the Revised Code. 22796

(4) If a school district that enters into an agreement under 22797
this section has not begun a project applying local resources as 22798
provided for under that agreement at the time the district is 22799
notified by the commission that it is eligible to receive state 22800
assistance under sections 3318.01 to 3318.20 of the Revised Code, 22801
all assessment and agreement documents entered into under this 22802
section are void. 22803

(5) Only construction of or repairs to classroom facilities 22804
that have been approved by the commission and have been therefore 22805
included as part of a district's basic project cost qualify for 22806
application of local resources under this section. 22807

(C) Based on the results of the on-site visits and assessment 22808
conducted under division (B)(2) of this section, the commission 22809
shall determine the basic project cost of the school district's 22810
classroom facilities needs. The commission shall determine the 22811
school district's portion of such basic project cost, which shall 22812
be the greater of: 22813

(1) The required percentage of the basic project costs, 22814
determined based on the school district's percentile ranking in 22815
the fiscal year the commission and the school district enter into 22816
the agreement under division (B) of this section; 22817

(2) An amount necessary to raise the school district's net 22818
bonded indebtedness, as of the fiscal year the commission and the 22819
school district enter into the agreement under division (B) of 22820
this section, to within five thousand dollars of the required 22821
level of indebtedness. 22822

(D)(1) When the commission determines the basic project cost 22823
of the classroom facilities needs of a school district and the 22824

school district's portion of that basic project cost under 22825
division (C) of this section, the project shall be conditionally 22826
approved. Such conditional approval shall be submitted to the 22827
controlling board for approval thereof. The controlling board 22828
shall forthwith approve or reject the commission's determination, 22829
conditional approval, and the amount of the state's portion of the 22830
basic project cost; however, no state funds shall be encumbered 22831
under this section. Upon approval by the controlling board, the 22832
school district board may identify a discrete part of its 22833
classroom facilities needs, which shall include only new 22834
construction of or additions or major repairs to a particular 22835
building, to address with local resources. Upon identifying a part 22836
of the school district's basic project cost to address with local 22837
resources, the school district board may allocate any available 22838
school district moneys to pay the cost of that identified part, 22839
including the proceeds of an issuance of bonds if approved by the 22840
electors of the school district. 22841

All local resources utilized under this division shall first 22842
be deposited in the project construction account required under 22843
section 3318.08 of the Revised Code. 22844

(2) Unless the school district board exercises its option 22845
under division (D)(3) of this section, for a school district to 22846
qualify for participation in the program authorized under this 22847
section, either: 22848

(a) The electors of the school district by a majority vote 22849
shall approve the levy of taxes outside the ten-mill limitation 22850
for a period of twenty-three years at the rate of not less than 22851
one-half mill for each dollar of valuation to be used to pay the 22852
cost of maintaining the classroom facilities included in the basic 22853
project cost as determined by the commission. The form of the 22854
ballot to be used to submit the question whether to approve the 22855
tax required under this division to the electors of the school 22856

district shall be the form for an additional levy of taxes 22857
prescribed in section 3318.361 of the Revised Code. 22858

(b) As authorized under division (C) of section 3318.05 of 22859
the Revised Code, the school district board shall earmark from the 22860
proceeds of a permanent improvement tax levied under section 22861
5705.21 of the Revised Code, an amount equivalent to the 22862
additional tax otherwise required under division (D)(2)(a) of this 22863
section for the maintenance of the classroom facilities included 22864
in the basic project cost as determined by the commission. 22865

(3) A school district board may opt to delay levying the 22866
additional tax required under division (D)(2)(a) of this section 22867
or earmarking of the proceeds of a permanent improvement tax 22868
alternatively required under division (D)(2)(b) of this section 22869
until such time as the school district becomes eligible for state 22870
assistance under sections 3318.01 to 3318.20 of the Revised Code. 22871
In order to exercise its option under this division, the board 22872
shall certify to the commission a resolution indicating the 22873
board's intent to do so prior to entering into an agreement under 22874
division (B) of this section. 22875

(4) If pursuant to division (D)(3) of this section a district 22876
board opts to delay levying an additional tax until the district 22877
becomes eligible for state assistance, it shall submit the 22878
question of levying that tax to the district electors as follows: 22879

(a) In accordance with section 3318.06 of the Revised Code if 22881
it will also be necessary pursuant to division (E) of this section 22882
to submit a proposal for approval of a bond issue; 22883

(b) In accordance with section 3318.361 of the Revised Code 22884
if it is not necessary to also submit a proposal for approval of a 22885
bond issue pursuant to division (E) of this section. 22886

(5) No state assistance under sections 3318.01 to 3318.20 of 22887

the Revised Code shall be released until a school district board 22888
that adopts and certifies a resolution under this division either 22889
has levied the additional tax or has earmarked the proceeds of a 22890
tax as specified in division (D) of this section. 22891

Any amount required for maintenance under division (D)(2) of 22892
this section shall be deposited into a separate fund as specified 22893
in division (B) of section 3318.05 of the Revised Code. 22894

(E)(1) If the school district becomes eligible for state 22895
assistance under sections 3318.01 to 3318.20 of the Revised Code 22896
based on its percentile ranking as determined under division (B) 22897
of this section, the commission shall conduct a new assessment of 22898
the school district's classroom facilities needs and shall 22899
recalculate the basic project cost based on this new assessment. 22900
The basic project cost recalculated under this division shall 22901
include the amount of expenditures made by the school district 22902
board under division (D)(1) of this section. The commission shall 22903
then recalculate the school district's portion of the new basic 22904
project cost, which shall be the percentage of the original basic 22905
project cost assigned to the school district as its portion under 22906
division (C) of this section. The commission shall deduct the 22907
expenditure of school district moneys made under division (D)(1) 22908
of this section from the school district's portion of the basic 22909
project cost as recalculated under this division. If the amount of 22910
school district resources applied by the school district board to 22911
the school district's portion of the basic project cost under this 22912
section is less than the total amount of such portion as 22913
recalculated under this division, the school district board by a 22914
majority vote of all of its members shall, if it desires to seek 22915
state assistance under sections 3318.01 to 3318.20 of the Revised 22916
Code, adopt a resolution as specified in section 3318.06 of the 22917
Revised Code to submit to the electors of the school district the 22918
question of approval of a bond issue in order to pay any 22919

additional amount of school district portion required for state 22920
assistance. Any tax levy approved under division (D) of this 22921
section satisfies the requirements to levy the additional tax 22922
under section 3318.06 of the Revised Code. 22923

(2) If the amount of school district resources applied by the 22924
school district board to the school district's portion of the 22925
basic project cost under this section is more than the total 22926
amount of such portion as recalculated under this division, within 22927
one year after the school district's portion is recalculated under 22928
division (E)(1) of this section the commission may grant to the 22929
school district the difference between the two calculated 22930
portions, but at no time shall the commission expend any state 22931
funds on a project in an amount greater than the state's portion 22932
of the basic project cost as recalculated under this division. 22933

Any reimbursement under this division shall be only for local 22934
resources the school district has applied toward construction cost 22935
expenditures for the classroom facilities approved by the 22936
commission, which shall not include any financing costs associated 22937
with that construction. 22938

The school district board shall use any moneys reimbursed to 22939
the district under this division to pay off any debt service the 22940
district owes for classroom facilities constructed under its 22941
project under this section before such moneys are applied to any 22942
other purpose. 22943

Sec. 3318.363. (A) This section applies only to a school 22944
district participating in the school building assistance expedited 22945
local partnership program under section 3318.36 of the Revised 22946
Code. 22947

(B) If there is a decrease in the tax valuation of a school 22948
district to which this section applies by ten per cent or greater 22949
from one tax year to the next due to a decrease in the assessment 22950

rate of the taxable property of an electric company that owns 22951
property in the district, as provided for in section 5727.111 of 22952
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 22953
General Assembly, the Ohio school facilities commission shall 22954
calculate or recalculate the state and school district portions of 22955
the basic project cost of the school district's project by 22956
determining the percentile rank in which the district would be 22957
located if such ranking were made using the current year adjusted 22958
valuation per pupil, as calculated and reported to the commission 22959
by the department of education under division (A) of section 22960
3318.011 of the Revised Code, rather than the three-year average 22961
adjusted valuation per pupil, calculated under division (B) of 22962
that section. For such district, the required percentage of the 22963
basic project cost used to determine the state and school district 22964
shares of that cost under division (C) of section 3318.36 of the 22965
Revised Code shall be based on the percentile rank as calculated 22966
under this section rather than as otherwise provided in division 22967
(C)(1) of section 3318.36 of the Revised Code. If the commission 22968
has determined the state and school district portion of the basic 22969
project cost of such a district's project under section 3318.36 of 22970
the Revised Code prior to that decrease in tax valuation, the 22971
commission shall adjust the state and school district shares of 22972
the basic project cost of such project in accordance with this 22973
section. 22974

Sec. 3318.50. (A) As used in this section and in section 22975
3318.52 of the Revised Code: 22976

(1) "Start-up community school" means a "new start-up school" 22977
as that term is defined in division (A) of section 3314.02 of the 22978
Revised Code. 22979

(2) "Classroom facilities" has the same meaning as in section 22980
3318.01 of the Revised Code. 22981

(B) There is hereby established the community school classroom facilities loan guarantee program. rationale used to determine such costs. 23143

A copy of the total estimate of costs under this division 23144
shall be sent to the superintendent of the educational service 23145
center not later than the fifth day of April. The superintendent 23146

the estimate of either agreement with the estimate or any specific 23149
objections to the estimates and the reasons for the objections. If 23150
the superintendent agrees with the estimate, it shall become the 23151
final total estimate of cost. Failure of the superintendent to 23152
make objections to the estimate by the twentieth day after receipt 23153
of it shall be deemed to mean that the superintendent is in 23154
agreement with the estimate. 23155

If the superintendent provides specific objections to the 23156
board of county commissioners, the board shall review the 23157
objections and may modify the original estimate and shall send a 23158
revised total estimate to the superintendent within ten days after 23159
the receipt of the superintendent's objections. The superintendent 23160
shall respond to the revised estimate within ten days after its 23161
receipt. If the superintendent agrees with it, it shall become the 23162
final total estimated cost. If the superintendent fails to respond 23163
within the required time, the superintendent shall be deemed to 23164
have agreed with the revised estimate. If the superintendent 23165
disagrees with the revised estimate, the superintendent shall send 23166
specific objections to the county commissioners. 23167

the county which has the greatest number of resident local school 23171
district pupils under the supervision of the educational service 23172
center shall determine the final estimated cost and certify this 23173

(b) Sixty per cent for fiscal year 2004; 23180

(c) Forty per cent for fiscal year 2005; 23181

and equipment of offices for the educational service center and 23187
for provision of heat, light, water, and janitorial services for 23188
such offices, including any unanticipated or unexpected increases 23189
in the costs beyond the final estimated cost amount. 23190

commissioners shall have any obligation to provide and equip 23192
offices for an educational service center or to provide heat, 23193

educational service center formed under section 3311.053 of the 23210
Revised Code and the board of county commissioners required to 23211
provide and equip its office pursuant to division (B) of this 23212
section shall take effect unless the boards of county 23213
commissioners of all other counties required to participate in the 23214
funding for such offices pursuant to division (B) of this section 23215
adopt resolutions approving the contract. 23216

consultation with the child's teacher and principal, formally 23236
withdraws the child from kindergarten. The compulsory school age 23237

in those school districts using or obtaining educationally 23249
accepted standardized testing programs for determining entrance, 23250
as approved by the board of education of such districts, the board 23251
shall admit a child to kindergarten or the first grade who fails 23252
to meet the age requirement, provided the child meets necessary 23253
standards as determined by such standardized testing programs. If 23254
the board of education has not established a standardized testing 23255
program, the board shall designate the necessary standards and a 23256
testing program it will accept for the purpose of admitting a 23257
child to kindergarten or first grade who fails to meet the age 23258
requirement. Each child who will be the proper age for entrance to 23259
kindergarten or first grade by the first day of January of the 23260

thereafter the board of education of any district may adopt a 23265
resolution establishing the first day of August in lieu of the 23266
thirtieth day of September as the required date by which students 23267

services committee in the case of a child who is at least six 23294
years of age by the thirtieth day of September of the year of 23295
admittance and who demonstrates to the satisfaction of the 23296

duties of the commission. Meetings of the commission may be held 24466
anywhere in the state, and shall be held in compliance with 24467

determined that there is a need for the arts project and the Ohio 24661
arts facility related to the project in the region of the state 24662
~~for~~ in which the Ohio arts facility is located or for which the 24663
facility is proposed to be located. 24664

(2) The commission has determined that, as an indication of 24665

than fifty per cent of the total state funding for the arts 24669
project. 24670

(3) The general assembly has specifically authorized the 24671
spending of money on, or made an appropriation for, the 24672
construction of the arts project, or for rental payments relating 24673

Authorization to spend money, or an appropriation, for planning 24675
the arts project does not constitute authorization to spend money 24676
on, or an appropriation for, construction of the arts project. 24677

(E) No state funds, including any state bond proceeds, shall 24678
be spent on the construction of any state historical facility 24679

(F) State funds shall not be used to pay or reimburse more 24688
than fifteen per cent of the initial estimated construction cost 24689

chapter. 24698

facility, the commission has received a financial and development 24700
plan satisfactory to it, and provision has been made, by agreement 24701
or otherwise, satisfactory to the commission, for a contribution 24702
amounting to not less than eighty-five per cent of the total 24703
estimated construction cost of the facility, excluding any site 24704
acquisition cost, from sources other than the state. 24705

(3) The general assembly has specifically authorized the 24706
spending of money on, or made an appropriation for, the 24707
construction of the facility, or for rental payments relating to 24708
state financing of all or a portion of the costs of constructing 24709
the facility. Authorization to spend money, or an appropriation, 24710
for planning or determining the feasibility of or need for the 24711
facility does not constitute authorization to spend money on, or 24712
an appropriation for, costs of constructing the facility. 24713

(4) If state bond proceeds are being used for the Ohio sports 24714
facility, the state or a governmental agency owns or has 24715

facility for the presentation of sport and athletic events to the 24720
public at the facility, extending for a period of not less than 24721
the greater of the useful life of the portion of the facility 24722
financed from proceeds of those bonds as determined using the 24723
guidelines for maximum maturities as provided under divisions (B), 24724
(C), and (D) of section 133.20 of the Revised Code, or the period 24725
of time remaining to the date of payment or provision for payment 24726
of outstanding state bonds allocable to costs of the facility, all 24727
as determined by the director of budget and management and 24728
certified by the director to the Ohio arts and sports facilities 24729
commission and to the Ohio building authority. 24730

in effect until the district's resolution levying fees under this 26576
division is amended or repealed in accordance with this division 26577

to amend or abolish the schedule of fees, the schedule of fees is 26578
amended or abolished in an amended plan of the district approved 26579
under section 3734.521 or division (A) or (D) of section 3734.56 26580

division (E) of section 3734.56 of the Revised Code; the 26583
notification of the amendment or abolishment of the fees has been 26584

The solid waste management policy committee of a district 26588
levying fees under divisions (B)(1) to (3) of this section on 26589
October 29, 1993, under its solid waste management plan approved 26590
under section 3734.55 of the Revised Code or a resolution adopted 26591
and ratified under this division that are within the ranges of 26592
rates prescribed by this amendment, by adoption of a resolution 26593
not later than December 1, 1993, and without the necessity for 26594
ratification of the resolution under this division, may amend 26595
those fees within the prescribed ranges, provided that the 26596
estimated revenues from the amended fees will not substantially 26597
exceed the estimated revenues set forth in the district's budget 26598
for calendar year 1994. Not later than seven days after the 26599
adoption of such a resolution, the committee shall notify by 26600
certified mail the owner or operator of each solid waste disposal 26601
facility that is required to collect the fees of the adoption of 26602
the resolution and of the amount of the amended fees. Collection 26603
of the amended fees shall take effect on the first day of the 26604
first month following the month in which the notification is sent 26605
to the owner or operator. The fees established in such a 26606
resolution shall remain in effect until the district's resolution 26607
levying fees that was adopted and ratified under this division is 26608
amended or repealed, and the amendment or repeal of the resolution 26609

is ratified, in accordance with this division, to amend or abolish 26610
the fees, the schedule of fees is amended or abolished in an 26611
amended plan of the district approved under section 3734.521 or 26612
division (A) or (D) of section 3734.56 of the Revised Code, or the 26613
schedule of fees is amended or abolished through an amendment to 26614
the district's plan under division (E) of section 3734.56 of the 26615
Revised Code; the notification of the amendment or abolishment of 26616
the fees has been given in accordance with this division; and 26617
collection of the amended fees so established commences, or 26618
collection of the fees ceases, in accordance with this division. 26619

Prior to the approval of the solid waste management plan of 26620
the district under section 3734.55 of the Revised Code, the solid 26621
waste management policy committee of a district may levy fees 26622
under this division by adopting a resolution establishing the 26623
proposed amount of the fees. Upon adopting the resolution, the 26624
committee shall deliver a copy of the resolution to the board of 26625
county commissioners of each county forming the district and to 26626
the legislative authority of each municipal corporation and 26627
township under the jurisdiction of the district and shall prepare 26628
and publish the resolution and a notice of the time and location 26629
where a public hearing on the fees will be held. Upon adopting the 26630
resolution, the committee shall deliver written notice of the 26631
adoption of the resolution; of the amount of the proposed fees; 26632
and of the date, time, and location of the public hearing to the 26633
director and to the fifty industrial, commercial, or institutional 26634
generators of solid wastes within the district that generate the 26635
largest quantities of solid wastes, as determined by the 26636
committee, and to their local trade associations. The committee 26637
shall make good faith efforts to identify those generators within 26638
the district and their local trade associations, but the 26639
nonprovision of notice under this division to a particular 26640
generator or local trade association does not invalidate the 26641

proceedings under this division. The publication shall occur at
least thirty days before the hearing. After the hearing, the
committee may make such revisions to the proposed fees as it
considers appropriate and thereafter, by resolution, shall adopt
the revised fee schedule. Upon adopting the revised fee schedule,
the committee shall deliver a copy of the resolution doing so to
the board of county commissioners of each county forming the
district and to the legislative authority of each municipal
corporation and township under the jurisdiction of the district.
Within sixty days after the delivery of a copy of the resolution
adopting the proposed revised fees by the policy committee, each
such board and legislative authority, by ordinance or resolution,
shall approve or disapprove the revised fees and deliver a copy of
the ordinance or resolution to the committee. If any such board or
legislative authority fails to adopt and deliver to the policy
committee an ordinance or resolution approving or disapproving the
revised fees within sixty days after the policy committee
delivered its resolution adopting the proposed revised fees, it
shall be conclusively presumed that the board or legislative
authority has approved the proposed revised fees.

In the case of a county district or a joint district formed
by two or three counties, the committee shall declare the proposed
revised fees to be ratified as the fee schedule of the district
upon determining that the board of county commissioners of each
county forming the district has approved the proposed revised fees
and that the legislative authorities of a combination of municipal
corporations and townships with a combined population within the
district comprising at least sixty per cent of the total
population of the district have approved the proposed revised
fees, provided that in the case of a county district, that
combination shall include the municipal corporation having the
largest population within the boundaries of the district, and

provided further that in the case of a joint district formed by two or three counties, that combination shall include for each county forming the joint district the municipal corporation having the largest population within the boundaries of both the county in which the municipal corporation is located and the joint district. In the case of a joint district formed by four or more counties, the committee shall declare the proposed revised fees to be ratified as the fee schedule of the joint district upon determining that the boards of county commissioners of a majority of the counties forming the district have approved the proposed revised fees; that, in each of a majority of the counties forming the joint district, the proposed revised fees have been approved by the municipal corporation having the largest population within the county and the joint district; and that the legislative authorities of a combination of municipal corporations and townships with a combined population within the joint district comprising at least sixty per cent of the total population of the joint district have approved the proposed revised fees.

For the purposes of this division, only the population of the unincorporated area of a township shall be considered. For the purpose of determining the largest municipal corporation within each county under this division, a municipal corporation that is located in more than one solid waste management district, but that is under the jurisdiction of one county or joint solid waste management district in accordance with division (A) of section 3734.52 of the Revised Code shall be considered to be within the boundaries of the county in which a majority of the population of the municipal corporation resides.

The committee may amend the schedule of fees levied pursuant to a resolution or amended resolution adopted and ratified under this division by adopting a resolution establishing the proposed amount of the amended fees. The committee may abolish the fees

levied pursuant to such a resolution or amended resolution by 26706
adopting a resolution proposing to repeal them. Upon adopting such 26707
a resolution, the committee shall proceed to obtain ratification 26708
of the resolution in accordance with this division. 26709

Not later than fourteen days after declaring the fees or 26710
amended fees to be ratified under this division, the committee 26711
shall notify by certified mail the owner or operator of each solid 26712
waste disposal facility that is required to collect the fees of 26713
the ratification and the amount of the fees. Collection of any 26714
fees or amended fees ratified on or after March 24, 1992, shall 26715
commence on the first day of the second month following the month 26716
in which notification is sent to the owner or operator. 26717

Not later than fourteen days after declaring the repeal of 26718
the district's schedule of fees to be ratified under this 26719
division, the committee shall notify by certified mail the owner 26720
or operator of each facility that is collecting the fees of the 26721
repeal. Collection of the fees shall cease on the first day of the 26722
second month following the month in which notification is sent to 26723
the owner or operator. 26724

Not later than fourteen days after the director issues an 26725
order approving a district's solid waste management plan under 26726
section 3734.55 of the Revised Code or amended plan under division 26727
(A) or (D) of section 3734.56 of the Revised Code that establishes 26728
or amends a schedule of fees levied by the district, or the 26729
ratification of an amendment to the district's approved plan or 26730
amended plan under division (E) of section 3734.56 of the Revised 26731
Code that establishes or amends a schedule of fees, as 26732
appropriate, the committee shall notify by certified mail the 26733
owner or operator of each solid waste disposal facility that is 26734
required to collect the fees of the approval of the plan or 26735
amended plan, or the amendment to the plan, as appropriate, and 26736
the amount of the fees or amended fees. In the case of an initial 26737

or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, that establishes or amends a schedule of fees levied under divisions (B)(1) to (3) of this section by a district resulting from the change, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees or amended fees. Collection of any fees set forth in a plan or amended plan approved by the director on or after April 16, 1993, or an amendment of a plan or amended plan under division (E) of section 3734.56 of the Revised Code that is ratified on or after April 16, 1993, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

Not later than fourteen days after the director issues an order approving a district's plan under section 3734.55 of the Revised Code or amended plan under division (A) or (D) of section 3734.56 of the Revised Code that abolishes the schedule of fees levied under divisions (B)(1) to (3) of this section, or an amendment to the district's approved plan or amended plan abolishing the schedule of fees is ratified pursuant to division (E) of section 3734.56 of the Revised Code, as appropriate, the committee shall notify by certified mail the owner or operator of each facility that is collecting the fees of the approval of the plan or amended plan, or the amendment of the plan or amended plan, as appropriate, and the abolishment of the fees. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county

from a joint district, that abolishes the schedule of fees levied 26770
under divisions (B)(1) to (3) of this section by a district 26771
resulting from the change, the committee, within fourteen days 26772
after the change takes effect pursuant to division (G) of that 26773
section, shall notify by certified mail the owner or operator of 26774
each solid waste disposal facility that is required to collect the 26775
fees that the change has taken effect and of the abolishment of 26776
the fees. Collection of the fees shall cease on the first day of 26777
the second month following the month in which notification is sent 26778
to the owner or operator. 26779

Except as otherwise provided in this division, if the 26780
schedule of fees that a district is levying under divisions (B)(1) 26781
to (3) of this section pursuant to a resolution or amended 26782
resolution adopted and ratified under this division, the solid 26783
waste management plan of the district approved under section 26784
3734.55 of the Revised Code, an amended plan approved under 26785
division (A) or (D) of section 3734.56 of the Revised Code, or an 26786
amendment to the district's approved plan or amended plan under 26787
division (E) of section 3734.56 of the Revised Code, is amended by 26788
the adoption and ratification of an amendment to the resolution or 26789
amended resolution or an amendment of the district's approved plan 26790
or amended plan, the fees in effect immediately prior to the 26791
approval of the plan or the amendment of the resolution, amended 26792
resolution, plan, or amended plan, as appropriate, shall continue 26793
to be collected until collection of the amended fees commences 26794
pursuant to this division. 26795

If, in the case of a change in district composition involving 26796
the withdrawal of a county from a joint district, the director 26797
completes the actions required under division (G)(1) or (3) of 26798
section 3734.521 of the Revised Code, as appropriate, forty-five 26799
days or more before the beginning of a calendar year, the policy 26800
committee of each of the districts resulting from the change that 26801

obtained the director's approval of an initial or amended plan in 26802
connection with the change, within fourteen days after the 26803
director's completion of the required actions, shall notify by 26804
certified mail the owner or operator of each solid waste disposal 26805
facility that is required to collect the district's fees that the 26806
change is to take effect on the first day of January immediately 26807
following the issuance of the notice and of the amount of the fees 26808
or amended fees levied under divisions (B)(1) to (3) of this 26809
section pursuant to the district's initial or amended plan as so 26810
approved or, if appropriate, the abolishment of the district's 26811
fees by that initial or amended plan. Collection of any fees set 26812
forth in such a plan or amended plan shall commence on the first 26813
day of January immediately following the issuance of the notice. 26814
If such an initial or amended plan abolishes a schedule of fees, 26815
collection of the fees shall cease on that first day of January. 26816

If, in the case of a change in district composition involving 26817
the withdrawal of a county from a joint district, the director 26818
completes the actions required under division (G)(1) or (3) of 26819
section 3734.521 of the Revised Code, as appropriate, less than 26820
forty-five days before the beginning of a calendar year, the 26821
director, on behalf of each of the districts resulting from the 26822
change that obtained the director's approval of an initial or 26823
amended plan in connection with the change proceedings, shall 26824
notify by certified mail the owner or operator of each solid waste 26825
disposal facility that is required to collect the district's fees 26826
that the change is to take effect on the first day of January 26827
immediately following the mailing of the notice and of the amount 26828
of the fees or amended fees levied under divisions (B)(1) to (3) 26829
of this section pursuant to the district's initial or amended plan 26830
as so approved or, if appropriate, the abolishment of the 26831
district's fees by that initial or amended plan. Collection of any 26832
fees set forth in such a plan or amended plan shall commence on 26833

the first day of the second month following the month in which 26834
notification is sent to the owner or operator. If such an initial 26835
or amended plan abolishes a schedule of fees, collection of the 26836
fees shall cease on the first day of the second month following 26837
the month in which notification is sent to the owner or operator. 26838

In the case of a change in district composition, the schedule 26839
of fees that the former districts that existed prior to the change 26840

Revised Code, an amended plan approved under section 3734.521 or 26845
division (A) or (D) of section 3734.56 of the Revised Code, or an 26846

under division (E) of section 3734.56 of the Revised Code, and 26848

actions required under division (G)(1) or (3) of section 3734.521 26850
of the Revised Code shall continue to be collected until the 26851
collection of the fees or amended fees of the districts resulting 26852
from the change is required to commence, or if an initial or 26853
amended plan of a resulting district abolishes a schedule of fees, 26854
collection of the fees is required to cease, under this division. 26855
Moneys so received from the collection of the fees of the former 26856
districts shall be divided among the resulting districts in 26857

districts and any amendments to those agreements. 26861

For the purposes of the provisions of division (B) of this 26862
section establishing the times when newly established or amended 26863
fees levied by a district are required to commence and the 26864
collection of fees that have been amended or abolished is required 26865

to cease, "fees" or "schedule of fees" includes, in addition to 26866

public facilities and of providing emergency and other public 26871
services, and compensating a municipal corporation or township for 26872
reductions in real property tax revenues due to reductions in real 26873
property valuations resulting from the location and operation of a 26874
solid waste disposal facility within the municipal corporation or 26875
township, a municipal corporation or township in which such a 26876
solid waste disposal facility is located may levy a fee of not 26877

wastes at a solid waste disposal facility located within the 26879
boundaries of the municipal corporation or township regardless of 26880
where the wastes were generated. 26881

The legislative authority of a municipal corporation or 26882
township may levy fees under this division by enacting an 26883
ordinance or adopting a resolution establishing the amount of the 26884

owner or operator of each solid waste disposal facility in the 26892
municipal corporation or township that is required to collect the 26893
fee by the ordinance or resolution, and the director of 26894
environmental protection. Although the fees levied under this 26895
division are levied on the basis of tons as the unit of 26896
measurement, the legislative authority, in its ordinance or 26897

resolution levying the fees under this division, may direct that
the fees be levied on the basis of cubic yards as the unit of
measurement based upon a conversion factor of three cubic yards
per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or
adopting a resolution under this division, the legislative
authority shall so notify by certified mail the owner or operator
of each solid waste disposal facility that is required to collect
the fee. Collection of any fee levied on or after March 24, 1992,

(2)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2001~~ 2004, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

(3) The fees assessed under division (D)(1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 1995. The fees assessed under division (D)(2) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000, ~~and shall continue through June~~

30, 2001. The fees assessed under division (D) of this section in 27747
a calendar year shall be based upon the sum of the actual 27748
emissions of those regulated pollutants during the preceding 27749
calendar year. For the purpose of division (D) of this section, 27750
emissions of air contaminants may be calculated using engineering 27751
calculations, emission factors, material balance calculations, or 27752
performance testing procedures, as authorized by the director. The 27753
director, by rule, may require persons who are required to pay the 27754
fees assessed under division (D) of this section to pay those fees 27755
biennially rather than annually. 27756

(E)(1) Consistent with the need to cover the reasonable costs 27757
of the Title V permit program, the director annually shall 27758
increase the fees prescribed in division (C)(1) of this section by 27759
the percentage, if any, by which the consumer price index for the 27760
most recent calendar year ending before the beginning of a year 27761
exceeds the consumer price index for calendar year 1989. Upon 27762
calculating an increase in fees authorized by division (E)(1) of 27763
this section, the director shall compile revised fee schedules for 27764
the purposes of division (C)(1) of this section and shall make the 27765
revised schedules available to persons required to pay the fees 27766
assessed under that division and to the public. 27767

(a) The consumer price index for any year is the average of 27769
the consumer price index for all urban consumers published by the 27770
United States department of labor as of the close of the 27771
twelve-month period ending on the thirty-first day of August of 27772
that year. 27773

(b) If the 1989 consumer price index is revised, the director 27774
shall use the revision of the consumer price index that is most 27775
consistent with that for calendar year 1989. 27776

of value for the member's district or the local emergency planning 28984
committee of which the member is a member. A member of the 28985
commission who is also a member of a local emergency planning 28986
committee may vote on resolutions of the commission that apply 28987
uniformly to all local emergency planning committees and districts 28988
in the state and do not provide a grant or other pecuniary benefit 28989

to the member's district or the committee of which the member is a member. 28990
28991

The governor shall make the initial appointments to the commission within thirty days after December 14, 1988. Of the initial appointments to the commission, five shall be for a term of two years and five shall be for a term of one year. Each member shall hold office from the date of appointment until the end of the term for which the member was appointed. Members may be reappointed. Vacancies shall be filled in the manner provided for original appointments. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of that term. A member shall continue in office subsequent to the expiration date of the member's term until the member's successor takes office or until a period of sixty days has elapsed, whichever occurs first. The commission may at any time by a vote of two-thirds of all the members remove any appointed member of the commission for misfeasance, nonfeasance, or malfeasance. Members of the commission shall serve without compensation, but shall be reimbursed for the reasonable expenses incurred by them in the discharge of their duties as members of the commission. 28992

The commission shall meet at least annually and shall hold such additional meetings as are necessary to implement and administer this chapter. Additional meetings may be held at the behest of either a co-chairperson or a majority of the members. or authorized to be so delegated by that division. The commission 29022
may organize itself into such additional committees as it 29023
considers necessary or convenient to implement and administer this 29024
chapter. The director of environmental protection and the director 29025
of public safety or their designees shall serve as co-chairpersons 29026
of the commission and the executive committee. Except as otherwise 29027
provided in this chapter, a majority of the voting members of the 29028
commission constitutes a quorum and the affirmative vote of a 29029
majority of the voting members of the commission is necessary for 29030
any action taken by the commission. Meetings of the executive 29031
committee conducted for the purpose of determining whether to 29032
issue an enforcement order or request that a civil action, civil 29033
penalty action, or criminal action be brought to enforce this 29034
chapter or rules adopted or orders issued under it are not subject 29035
to section 121.22 of the Revised Code pursuant to division (D) of 29036
that section. 29037

Except for the purposes of Chapters 102. and 2921. and 29038
sections 9.86 and 109.36 to 109.366 of the Revised Code, serving 29039
as an appointed member of the commission does not constitute 29040
holding a public office or position of employment under the laws 29041
of this state and does not constitute grounds for removal of 29042
public officers or employees from their offices or positions of 29043
employment. 29044

(B) The commission shall: 29045

(1) Adopt rules in accordance with Chapter 119. of the 29046
Revised Code that are consistent with and equivalent in scope, 29047
content, and coverage to the "Emergency Planning and Community 29048
Right-To-Know Act of 1986," 100 Stat. 1729, 42 U.S.C.A. 11001, and 29049
applicable regulations adopted under it: 29050

(a) Identifying or listing extremely hazardous substances and 29051
establishing a threshold planning quantity for each such 29052
substance. To the extent consistent with that act and applicable 29053

regulations adopted under it, the rules may establish threshold 29054
planning quantities based upon classes of those substances or 29055
categories of facilities at which such substances are present. 29056

(b) Listing hazardous chemicals, establishing threshold 29057
quantities for those chemicals, establishing categories of health 29058
and physical hazards of those chemicals, establishing criteria or 29059
procedures for identifying those chemicals and the appropriate 29060
hazard categories of those chemicals, and establishing ranges of 29061
quantities for those chemicals to be used in preparing emergency 29062
and hazardous chemical inventory forms under section 3750.08 of 29063
the Revised Code. To the extent consistent with that act and 29064
applicable regulations adopted under it, the rules may establish 29065
threshold quantities based upon classes of those chemicals or 29066
categories of facilities where those chemicals are present. 29067

To the extent consistent with that act, the threshold 29068
quantities for purposes of the submission of lists of hazardous 29069
chemicals under section 3750.07 and the submission of emergency 29070
and hazardous chemical inventory forms under section 3750.08 of 29071
the Revised Code may differ. 29072

(c) Identifying or listing hazardous substances and 29073
establishing reportable quantities of each of those substances and 29074
each extremely hazardous substance. In addition to being 29075
consistent with and equivalent in scope, content, and coverage to 29076
that act and applicable regulations adopted under it, the rules 29077
shall be consistent with and equivalent in scope, content, and 29078
coverage to regulations identifying or listing hazardous 29079
substances and reportable quantities of those substances adopted 29080
under the "Comprehensive Environmental Response, Compensation, and 29081
Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as 29082
amended. 29083

(d) Prescribing the information to be included in the lists 29084
of hazardous chemicals required to be submitted under section 29085

3750.07 of the Revised Code; 29086

(e) Prescribing the information to be included in the 29087
emergency and hazardous chemical inventory forms required to be 29088
submitted under section 3750.08 of the Revised Code. If the 29089
commission establishes its own emergency and hazardous chemical 29090
inventory form, the rules shall authorize owners and operators of 29091
facilities who also have one or more facilities located outside 29092
the state for which they are required to submit inventory forms 29093
under the federal act and regulations adopted under it to submit 29094
their annual inventories on forms prescribed by the administrator 29095
of the United States environmental protection agency under that 29096
act instead of on forms prescribed by the commission and shall 29097
require those owners or operators to submit any additional 29098
information required by the commission's inventory form on an 29099
attachment to the federal form. 29100

(f) Establishing procedures for giving verbal notice of 29101
releases under section 3750.06 of the Revised Code and prescribing 29102
the information to be provided in such a notice and in the 29103
follow-up written notice required by that section; 29104

(g) Establishing standards for determining valid needs for 29105
the release of tier II information under division (B)(4) of 29106
section 3750.10 of the Revised Code; 29107

(h) Identifying the types or categories of information 29108
submitted or obtained under this chapter and rules adopted under 29109
it that constitute confidential business information; 29110

(i) Establishing criteria and procedures to protect trade 29111
secret and confidential business information from unauthorized 29112
disclosure; 29113

(j) Establishing other requirements or authorizations that 29114
the commission considers necessary or appropriate to implement, 29115
administer, and enforce this chapter. 29116

(2) Adopt rules in accordance with Chapter 119. of the 29117
Revised Code to implement and administer this chapter that may be 29118
more stringent than the "Emergency Planning and Community 29119
Right-To-Know Act of 1986," 100 Stat. 1729, 42 U.S.C.A. 11001, and 29120
regulations adopted under it. Rules adopted under division (B)(2) 29121
of this section shall not be inconsistent with that act or the 29122
regulations adopted under it. The rules shall: 29123

(a) Prescribe the information to be included in the chemical 29124
emergency response and preparedness plans prepared and submitted 29125
by local emergency planning committees under section 3750.04 of 29126
the Revised Code; 29127

(b) Establish criteria and procedures for reviewing the 29128
chemical emergency response and preparedness plans of local 29129
emergency planning committees required by section 3750.04 of the 29130
Revised Code and the annual exercise of those plans and for 29131
providing concurrence or requesting modifications in the plans and 29132
the exercise of those plans. The criteria shall include, without 29133
limitation, the requirement that each exercise of a committee's 29134
plan involve, in addition to local emergency response and medical 29135
personnel, either a facility that is subject to the plan or a 29136
transporter of materials that are identified or listed as 29137
hazardous materials by regulations adopted under the "Hazardous 29138
Materials Transportation Act," 88 Stat. 2156 (1975), 49 U.S.C.A. 29139
1801, as amended. 29140

(c) Establish policies and procedures for maintaining 29141
information submitted to the commission and local emergency 29142
planning committees under this chapter, and for receiving and 29143
fulfilling requests from the public for access to review and to 29144
obtain copies of that information. The criteria and procedures 29145
shall include the following requirements and authorizations 29146
regarding that information and access to it: 29147

(i) Information that is protected as trade secret information 29148

or confidential business information under this chapter and rules 29149
adopted under it shall be kept in files that are separate from 29150
those containing information that is not so protected. 29151
29152

(ii) The original copies of information submitted to the 29153
commission or committee shall not be removed from the custody and 29154
control of the commission or committee. 29155

(iii) A person who, either in person or by mail, requests to 29156
obtain a copy of a material safety data sheet submitted under this 29157
chapter by a facility owner or operator shall submit a separate 29158
application for each facility for which a material safety data 29159
sheet is being requested. 29160

(iv) A person who requests to receive by mail a copy of 29161
information submitted under this chapter by a facility owner or 29162
operator shall submit a separate application for each facility for 29163
which information is being requested and shall specify both the 29164
facility for which information is being requested and the 29165
particular types of documents requested. 29166

(v) Only employees of the commission or committee shall copy 29167
information in the files of the commission or committee. 29168

(vi) The commission or committee may require any person who 29169
requests to review or obtain a copy of information in its files to 29170
schedule an appointment for that purpose with the information 29171
coordinator of the commission or committee at least twenty-four 29172
hours before arriving at the office of the commission or committee 29173
for the review or copy. 29174

(vii) Any person who seeks access to information in the files 29175
of the commission or a local emergency planning committee shall 29176
submit a written application, either in person or by mail, to the 29177
information coordinator on a form provided by the commission or 29178
committee. The person also shall provide the person's name and 29179

current mailing address on the application and may be requested by 29180
the commission or committee to provide basic demographic 29181
information on the form to assist in the evaluation of the 29182
information access provisions of this chapter and rules adopted 29183
under it. Application forms may be obtained by mail or in person 29184
or by request by telephone at the office of the commission or 29185
committee during regular business hours. Upon receipt of a request 29186
for an application by telephone or mail, the information 29187
coordinator shall promptly mail an application to the person who 29188
requested it. 29189

(viii) The application form shall provide the applicant with 29190
a means of indicating that the applicant's name and address are to 29191
be kept confidential. If the applicant so indicates, that 29192
information is not a public record under section 149.43 of the 29193
Revised Code and shall not be disclosed to any person who is not a 29194
member or employee of the commission or committee or an employee 29195
of the environmental protection agency. When a name and address 29196
are to be kept confidential, they also shall be deleted from the 29197
copy of the application required to be placed in the file of the 29198
facility under division (B)(2)(c)(xii) of this section and shall 29199
be withheld from any log of information requests kept by the 29200
commission or committee pursuant to that division. 29201

(ix) Neither the commission nor a local emergency planning 29202
committee shall charge any fee for access to review information in 29203
its files when no copies or computer searches of that information 29204
are requested. 29205

(x) An applicant shall be informed of the cost of copying, 29206
mailing, or conducting a computer search of information on file 29207
with the commission or committee before such a copy or search is 29208
made, and the commission or committee shall collect the 29209
appropriate fees as established under section 3750.13 of the 29210
Revised Code. Each applicant shall acknowledge on the application 29211

form that the applicant is aware that the applicant will be charged for copies and computer searches of that information the applicant requests and for the costs of mailing copies of the information to the applicant.

(xi) The commission or committee may require a person requesting copies of information on file with it to take delivery of them in the office of the commission or committee whenever it considers the volume of the information to be large enough to make mailing or delivery by a parcel or package delivery service impractical.

(xii) When the commission or committee receives a request for access to review or obtain copies of information in its files, it shall not routinely notify the owner or operator of the facility involved, but instead shall either keep a log or file of requests for the information or shall place a copy of each completed application form in the file for the facility to which the application pertains. Such a log or file shall be available for review by the public and by the owners and operators of facilities required to submit information to the commission or committee under this chapter and rules adopted under it.

(d) Require that claims for the protection, as a trade secret, of information obtained under this chapter regarding extremely hazardous substances identified or listed in rules adopted under division (B)(1)(a) of this section and hazardous chemicals identified or listed in rules adopted under division (B)(1)(b) of this section be submitted to the administrator of the United States environmental protection agency for determination under section 322 of the the "Emergency Planning and Community Right-To-Know Act of 1986," 100 Stat. 1747, 42 U.S.C.A. 11042, and regulations adopted under that section;

(e) Establish criteria and procedures for the issuance of variances under divisions (B) and (C) of section 3750.11 of the

Revised Code. The rules shall require that, before approval of an application for a variance, the commission or committee find by a preponderance of the scientific evidence based upon generally accepted scientific principles or laboratory tests that the extremely hazardous substances, hazardous chemicals, or hazardous substances that would be subject to the reporting requirement pose a substantial risk of catastrophic injury to public health or safety or to the environment, or pose an extraordinary risk of injury to emergency management personnel responding to a release of the chemicals or substances, when the substances or chemicals are present at a facility in an amount equal to or exceeding the quantity for which reporting would be required under the reporting requirement for which the variance is sought. The rules shall also require that before approval of an application for a variance, the commission or committee find by a preponderance of the evidence that the development and implementation of a local emergency response plan for releases of the substances or chemicals covered by the reporting requirement will reduce the risk of catastrophic injury to public health or safety or to the environment, or will reduce the extraordinary risk of injury to responding emergency management personnel, in the event of a release of the substances or chemicals and find by a preponderance of the evidence that the reporting requirement is necessary for the development of such a local emergency response plan. The rules shall require that when determining whether the substances or chemicals that would be subject to the reporting requirement pose a substantial risk of catastrophic injury to public health or safety or to the environment, or pose an extraordinary risk of injury to emergency management personnel responding to a release of the substance or chemical, the commission or committee consider all of the following factors:

- (i) The specific characteristics and degree and nature of the

hazards posed by a release of the extremely hazardous substances, 29276
hazardous chemicals, or hazardous substances; 29277

(ii) The proximity of the facilities that would be subject to 29278
the reporting requirement to residential areas, to areas where 29279
significantly large numbers of people are employed or otherwise 29280
congregate, and to environmental resources that are subject to 29281
injury; 29282

(iii) The quantities of the extremely hazardous substances, 29283
hazardous chemicals, or hazardous substances that are routinely 29284
present at facilities that would be subject to the reporting 29285
requirement; 29286

(iv) The frequency with which the extremely hazardous 29287
substances, hazardous chemicals, or hazardous substances are 29288
present at the facilities that would be subject to the reporting 29289
requirement in quantities for which reporting would be required 29290
thereunder. 29291

(f) Establish criteria and procedures for the issuance of 29292
orders under division (D) of section 3750.11 of the Revised Code 29293
requiring the placement of emergency response lock box units. The 29294
rules shall require that before approval of an application for 29295
issuance of such an order, the commission or committee find by a 29296
preponderance of the scientific evidence based upon generally 29297
accepted scientific principles or laboratory tests that the 29298
presence of the extremely hazardous substances, hazardous 29299
chemicals, or hazardous substances in the quantities in which they 29300
are routinely or intermittently present at the facility for which 29301
the order is sought pose a substantial risk of catastrophic injury 29302
to public health or safety or to the environment, or pose an 29303
extraordinary risk of injury to responding emergency management 29304
personnel, in the event of a release of any of those substances or 29305
chemicals from the facility. The rules shall require that before 29306
approval of an application for issuance of such an order, the 29307

commission or committee also find by a preponderance of the 29308
evidence that the placement of an emergency response lock box unit 29309
at the facility is necessary to protect against the substantial 29310
risk of catastrophic injury to public health or safety or the 29311
environment, or to protect against an extraordinary risk of injury 29312
to responding emergency management personnel, in the event of a 29313
release of any of the extremely hazardous substances, hazardous 29314
chemicals, or hazardous substances routinely or intermittently 29315
present at the facility. The rules shall require that when 29316
determining whether the extremely hazardous substances, hazardous 29317
chemicals, or hazardous substances present at the facility pose a 29318
substantial risk of catastrophic injury to public health or safety 29319
or to the environment, or pose an extraordinary risk of injury to 29320
responding emergency management personnel, in the event of a 29321
release of any of those substances or chemicals from the facility, 29322
the commission or committee consider all of the following factors: 29323

(i) The specific characteristics and the degree and nature of 29324
the hazards posed by a release of the extremely hazardous 29325
substances, hazardous chemicals, or hazardous substances present 29326
at the facility; 29327

(ii) The proximity of the facility to residential areas, to 29328
areas where significantly large numbers of people are employed or 29329
otherwise congregate, and to environmental resources that are 29330
subject to injury; 29331

(iii) The quantities of the extremely hazardous substances, 29332
hazardous chemicals, or hazardous substances that are routinely 29333
present at the facility; 29334

(iv) The frequency with which the extremely hazardous 29335
substances, hazardous chemicals, or hazardous substances are 29336
present at the facility. 29337

(g) Establish procedures to be followed by the commission and 29338

the executive committee of the commission for the issuance of 29339
orders under this chapter. 29340

(3) In accordance with Chapter 119. of the Revised Code adopt 29341
rules establishing reportable quantities for releases of oil that 29342
are consistent with and equivalent in scope, content, and coverage 29343
to section 311 of the "Federal Water Pollution Control Act 29344
Amendments of 1972," 86 Stat. 862, 33 U.S.C.A. 1321, as amended, 29345
and applicable regulations adopted under it; 29346

(4) Adopt rules in accordance with Chapter 119. of the 29347
Revised Code establishing criteria and procedures for identifying 29348
or listing extremely hazardous substances in addition to those 29349
identified or listed in rules adopted under division (B)(1)(a) of 29350
this section and for establishing threshold planning quantities 29351
and reportable quantities for the added extremely hazardous 29352
substances; for identifying or listing hazardous chemicals in 29353
addition to those identified or listed in rules adopted under 29354
division (B)(1)(b) of this section and for establishing threshold 29355
quantities and categories of health and physical hazards for the 29356
added hazardous chemicals; and for identifying or listing 29357
hazardous substances in addition to those identified or listed in 29358
rules adopted under division (B)(1)(c) of this section and for 29359
establishing reportable quantities for the added hazardous 29360
substances. The criteria for identifying or listing additional 29361
extremely hazardous substances and establishing threshold planning 29362
quantities and reportable quantities therefor and for identifying 29363
or listing additional hazardous chemicals and establishing 29364
threshold quantities and categories of health and physical hazards 29365
for the added hazardous chemicals shall be consistent with and 29366
equivalent to applicable criteria therefor under the "Emergency 29367
Planning and Community Right-To-Know Act of 1986," 100 Stat. 1729, 29368
42 U.S.C.A. 11001, and regulations adopted under it. The criteria 29369
for identifying additional hazardous substances and for 29370

establishing reportable quantities of the added hazardous 29371
substances shall be consistent with and equivalent to the 29372
applicable criteria for identifying or listing hazardous 29373
substances and establishing reportable quantities therefor under 29374
the "Comprehensive Environmental Response, Compensation, and 29375
Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as 29376
amended, and regulations adopted under it. 29377

The rules shall require that, before identifying or listing 29378
any such additional extremely hazardous substance, hazardous 29379
chemical, or hazardous substance and establishing a threshold 29380
planning quantity, threshold quantity, or reportable quantity 29381
therefor, the commission find by a preponderance of the scientific 29382
evidence based on generally accepted scientific principles or 29383
laboratory tests that the substance or chemical poses a 29384
substantial risk of catastrophic injury to public health or safety 29385
or to the environment, or poses an extraordinary risk of injury to 29386
emergency management personnel responding to a release of the 29387
chemical or substance, when the chemical or substance is present 29388
at a facility in an amount equal to the proposed threshold 29389
planning quantity or threshold quantity or, in the instance of a 29390
proposed additional extremely hazardous substance or hazardous 29391
substance, poses a substantial risk of catastrophic injury to 29392
public health or safety or to the environment if a release of the 29393
proposed reportable quantity of the substance occurs. The rules 29394
shall further require that, before so identifying or listing a 29395
substance or chemical, the commission find by a preponderance of 29396
the evidence that the development and implementation of state or 29397
local emergency response plans for releases of the substance or 29398
chemical will reduce the risk of a catastrophic injury to public 29399
health or safety or to the environment, or will reduce the 29400
extraordinary risk of injury to responding emergency response 29401
personnel, in the event of a release of the substance or chemical 29402

and find by a preponderance of the evidence that the 29403
identification or listing of the substance or chemical is 29404
necessary for the development of state or local emergency response 29405
plans for releases of the substance or chemical. The rules shall 29406
require that the commission consider the toxicity of the substance 29407
or chemical in terms of both the short-term and long-term health 29408
effects resulting from exposure to it and its reactivity, 29409
volatility, dispersibility, combustibility, and flammability when 29410
determining the risks posed by a release of the substance or 29411
chemical and, as appropriate, when establishing a threshold 29412
planning quantity, threshold quantity, reportable quantity, or 29413
category of health or physical hazard for it. 29414

(5) Adopt rules in accordance with Chapter 119. of the 29415
Revised Code establishing criteria and procedures for receiving 29416
and deciding claims for protection of information as a trade 29417
secret that are applicable only to extremely hazardous substances 29418
and hazardous chemicals identified or listed in rules adopted 29419
under division (C)(5) of this section. The rules shall be 29420
equivalent in scope, content, and coverage to section 322 of the 29421
"Emergency Planning and Community Right-To-Know Act of 1986," 100 29422
Stat. 1747, 42 U.S.C.A. 11042, and regulations adopted under it. 29423

(6)(a) After consultation with the fire marshal, adopt rules 29424
in accordance with Chapter 119. of the Revised Code establishing 29425
standards for the construction, placement, and use of emergency 29426
response lock box units at facilities that are subject to this 29427
chapter. The rules shall establish all of the following: 29428

(i) Specific standards of construction for lock box units; 29429

(ii) The specific types of information that shall be placed 29430
in the lock box units required to be placed at a facility by an 29431
order issued under division (D) of section 3750.11 of the Revised 29432
Code, which shall include the location of on-site emergency 29433
fire-fighting and spill cleanup equipment; a diagram of the public 29434

and private water supply and sewage systems serving the facility 29435
that are known to the owner or operator of the facility; a copy of 29436
the emergency and hazardous chemical inventory form for the 29437
facility most recently required to be submitted under section 29438
3750.08 of the Revised Code from which the owner or operator may 29439
withhold information claimed or determined to be trade secret 29440
information pursuant to rules adopted under division (B)(2)(d) of 29441
this section, or pursuant to division (B)(14) of this section and 29442
rules adopted under division (B)(5) of this section, and 29443
confidential business information identified in rules adopted 29444
under division (B)(1)(h) of this section; a copy of the local fire 29445
department's and facility's emergency management plans for the 29446
facility, if any; a current list of the names, positions, 29447
addresses, and telephone numbers of all key facility personnel 29448
knowledgeable in facility safety procedures and the locations at 29449
the facility where extremely hazardous substances, hazardous 29450
chemicals, and hazardous substances are produced, used, or stored. 29451
The rules shall stipulate that, in the instance of lock box units 29452
placed voluntarily at facilities by the owners or operators of the 29453
facilities, such information shall be maintained in them as is 29454
prescribed by agreement by the owner or operator and the fire 29455
department having jurisdiction over the facility. 29456

(iii) The conditions that shall be met in order to provide 29457
safe and expedient access to a lock box unit during a release or 29458
threatened release of an extremely hazardous substance, hazardous 29459
chemical, or hazardous substance. 29460

(b) Unless the owner or operator of a facility is issued an 29461
order under division (D) of section 3750.11 of the Revised Code 29462
requiring the owner or operator to place a lock box unit at the 29463
facility, the owner or operator may place a lock box unit at the 29464
facility at the owner's or operator's discretion. If the owner or 29465
operator chooses to place a lock box unit at the facility, the 29466

responsibility to deposit information in the lock box unit is in 29467
addition to any other obligations established in this chapter. 29468

(c) Any costs associated with the purchase, construction, or 29469
placement of a lock box unit shall be paid by the owner or 29470
operator of the facility. 29471

(7) In accordance with Chapter 119. of the Revised Code, 29472
adopt rules governing the application for and awarding of grants 29473
under division (C) of section 3750.14 and division (B) of section 29474
3750.15 of the Revised Code; 29475

(8) Adopt rules in accordance with Chapter 119. of the 29476
Revised Code establishing reasonable maximum fees that may be 29477
charged by the commission and local emergency planning committees 29478
for copying information in the commission's or committee's files 29479
to fulfill requests from the public for that information; 29480

(9) Adopt internal management rules governing the operations 29481
of the commission. The internal management rules shall establish 29482
an executive committee of the commission consisting of the 29483
director of environmental protection or the director's designee, 29484
the director of public safety or the director's designee, the 29485
attorney general or the attorney general's designee, one of the 29486
appointed members of the commission representing industries 29487
subject to this chapter to be appointed by the commission, one of 29488
the appointed members of the commission representing the interests 29489
of environmental advocacy organizations to be appointed by the 29490
commission, and one other appointed member or member ex officio of 29491
the commission to be appointed by the commission. The executive 29492
committee has exclusive authority to issue enforcement orders 29493
under section 3750.18 of the Revised Code and to request the 29494
attorney general to bring a civil action, civil penalty action, or 29495
criminal action under section 3750.20 of the Revised Code in the 29496
name of the commission regarding violations of this chapter, rules 29497
adopted under it, or orders issued under it. The internal 29498

management rules may set forth the other specific powers and 29499
duties of the commission that the executive committee may exercise 29500
and carry out and the conditions under which the executive 29501
committee may do so. The internal management rules shall not 29502
authorize the executive committee to issue variances under 29503
division (B) or (C) of section 3750.11 of the Revised Code or 29504
orders under division (D) of that section. 29505

(10) Oversee and coordinate the implementation and 29506
enforcement of this chapter and make such recommendations to the 29507
director of environmental protection and the director of public 29508
safety as it considers necessary or appropriate to improve the 29509
implementation and enforcement of this chapter; 29510

(11) Make allocations of moneys under division (B) of section 29511
3750.14 of the Revised Code and make grants under division (C) of 29512
section 3750.14 and division (B) of section 3750.15 of the Revised 29513
Code; 29514

(12) Designate an officer of the environmental protection 29515
agency to serve as the commission's information coordinator under 29516
this chapter; 29517

(13) Not later than December 14, 1989, develop and distribute 29518
a state emergency response plan that defines the emergency 29519
response roles and responsibilities of the state agencies that are 29520
represented on the commission and that provides appropriate 29521
coordination with the national contingency plan and the regional 29522
contingency plan required by section 105 of the "Comprehensive 29523
Environmental Response, Compensation, and Liability Act of 1980," 29524
94 Stat. 2767, 42 U.S.C.A. 9601, as amended. The plan shall ensure 29525
a well-coordinated response by state agencies that may be involved 29526
in assisting local emergency responders during a major release of 29527
oil or a major sudden and accidental release of a hazardous 29528
substance or extremely hazardous substance. The plan may 29529
incorporate existing state emergency response plans by reference. 29530

At least annually, the commission and the state agencies that are
represented on it shall jointly exercise the state plan in
conjunction with the exercise of a local emergency response plan
by a local emergency planning committee under section 3750.04 of
the Revised Code. After any such exercise, the commission shall
review the state plan and make such revisions in it as the
commission considers necessary or appropriate.

(14) Receive and decide claims for the protection of
information as a trade secret that pertain only to extremely
hazardous substances and hazardous chemicals identified or listed
by rules adopted under division (C)(5) of this section. If the
commission determines that the claim meets the criteria
established in rules adopted under division (B)(5) of this
section, it shall issue an order to that effect in accordance with
section 3750.18 of the Revised Code. If the commission determines
that the claim does not meet the criteria established in those
rules, it shall issue an order to that effect in accordance with
section 3750.18 of the Revised Code.

(15) Annually compile, make available to the public, and
submit to the president of the senate and the speaker of the house
of representatives a summary report on the number of facilities
estimated to be subject to regulation under sections 3750.05,
3750.07, and 3750.08 of the Revised Code, the number of facilities
reporting to the commission, an estimate of the percentage of
facilities in compliance with those sections, and recommendations
regarding the types of activities the commission considers
necessary to improve such compliance. The commission shall base
its estimate of the number of facilities that are subject to
regulation under those sections on the current estimates provided
by the local emergency planning committees under division (D)(6)
of section 3750.03 of the Revised Code.

(C) The commission may:

(1) Procure by contract the temporary or intermittent	29563
services of experts or consultants when those services are to be	29564
performed on a part-time or fee-for-service basis and do not	29565
involve the performance of administrative duties;	29566
(2) Enter into contracts or agreements with political	29567
subdivisions or emergency planning districts for the purposes of	29568
this chapter;	29569
(3) Accept on behalf of the state any gift, grant, or	29570
contribution from any governmental or private source for the	29571
purposes of this chapter;	29572
(4) Enter into contracts, agreements, or memoranda of	29573
understanding with any state department, agency, board,	29574
commission, or institution to obtain the services of personnel	29575
thereof or utilize resources thereof for the purposes of this	29576
chapter. Employees of a state department, agency, board,	29577
commission, or institution providing services to the commission	29578
under any such contract, agreement, or memorandum shall perform	29579
only those functions and provide only the services provided for in	29580
the contract, agreement, or memorandum.	29581
(5) Identify or list extremely hazardous substances in	29582
addition to those identified or listed in rules adopted under	29583
division (B)(1)(a) of this section and establish threshold	29584
planning quantities and reportable quantities for the additional	29585
extremely hazardous substances, identify or list hazardous	29586
chemicals in addition to those identified or listed in rules	29587
adopted under division (B)(1)(b) of this section and establish	29588
threshold quantities and categories or health and physical hazards	29589
for the added chemicals, and identify or list hazardous substances	29590
in addition to those identified or listed in rules adopted under	29591
division (B)(1)(c) of this section and establish reportable	29592
quantities for the added hazardous substances. The commission may	29593
establish threshold planning quantities for the additional	29594

extremely hazardous substances based upon classes of those 29595
substances or categories of facilities at which they are present 29596
and may establish threshold quantities for the additional 29597
hazardous chemicals based upon classes of those chemicals or 29598
categories of facilities where they are present. The commission 29599
shall identify or list such additional substances or chemicals and 29600
establish threshold planning quantities, threshold quantities, 29601
reportable quantities, and hazard categories therefor in 29602
accordance with the criteria and procedures established in rules 29603
adopted under division (B)(4) of this section and, after 29604
compliance with those criteria and procedures, by the adoption of 29605
rules in accordance with Chapter 119. of the Revised Code. The 29606
commission shall not adopt rules under division (C)(5) of this 29607
section modifying any threshold planning quantity established in 29608
rules adopted under division (B)(1)(a) of this section, any 29609
threshold quantity established in rules adopted under division 29610
(B)(1)(b) of this section, or any reportable quantity established 29611
in rules adopted under division (B)(1)(c) of this section. 29612

If, after the commission has adopted rules under division 29613
(C)(5) of this section identifying or listing an extremely 29614
hazardous substance, hazardous chemical, or hazardous substance, 29615
the administrator of the United States environmental protection 29616
agency identifies or lists the substance or chemical as an 29617
extremely hazardous substance or hazardous chemical under the 29618
"Emergency Planning and Community Right-To-Know Act of 1986," 100 29619
Stat. 1729, 42 U.S.C.A. 11001, or identifies or lists a substance 29620
as a hazardous substance under the "Comprehensive Environmental 29621
Response, Compensation, and Liability Act of 1980," 94 Stat. 2779, 29622
42 U.S.C.A. 9602, as amended, the commission shall rescind its 29623
rules adopted under division (C)(5) of this section pertaining to 29624
the substance or chemical and adopt the appropriate rules under 29625
division (B)(1)(a), (b), or (c) of this section. 29626

(6) From time to time, request the director of environmental protection and the executive director of the emergency management agency to review implementation, administration, and enforcement of the chemical emergency response planning and reporting programs created by this chapter and rules adopted under it regarding their effectiveness in preparing for response to releases of extremely hazardous substances, hazardous chemicals, and hazardous substances. After completion of any such review, the director of environmental protection and the director of public safety shall report their findings to the commission. Upon receipt of their findings, the commission may make such recommendations for legislative and administrative action as the commission finds necessary or appropriate to promote achievement of the purposes of this chapter.

(D) Except as provided in section 3750.06 of the Revised Code, nothing in this chapter applies to the transportation, including the storage incident to transportation, of any substance or chemical subject to the requirements of this chapter, including the transportation and distribution of natural gas.

(E) This chapter authorizes the state, through the emergency response commission, the department of public safety, and the environmental protection agency, to establish and maintain chemical emergency response planning and preparedness, community right-to-know, and hazardous substance and extremely hazardous substance release reporting programs that are consistent with and equivalent in scope, coverage, and content to the "Emergency Planning and Community Right-To-Know Act of 1986," 100 Stat. 1729, 42 U.S.C.A. 11001, and regulations adopted under it, except as otherwise specifically required or authorized in this chapter. The commission, department, and agencies may do all things necessary, incidental, or appropriate to implement, administer, and enforce this chapter and to perform the duties and exercise the powers of

the state emergency response commission under that act and 29659
regulations adopted under it and under this chapter. 29660

Sec. 3750.081. (A) Notwithstanding any provision in this 29661
chapter to the contrary, an owner or operator of a facility that 29662
is regulated under Chapter 1509. of the Revised Code who has filed 29663
a log in accordance with section 1509.10 of the Revised Code and a 29664
production statement in accordance with section 1509.11 of the 29665
Revised Code shall be deemed to have satisfied all of the 29666
inventory, notification, listing, and other submission and filing 29667
requirements established under this chapter, except for the 29668
release reporting requirements established under section 3750.06 29669
of the Revised Code. 29670

(B) The emergency response commission and every local 29671
emergency planning committee and fire department in this state 29672
shall establish a means by which to access, view, and retrieve 29673
information, through the use of the internet or a computer disk, 29674
from the electronic database maintained by the division of mineral 29675
resources management in the department of natural resources in 29676
accordance with section 1509.23 of the Revised Code. With respect 29677
to facilities regulated under Chapter 1509. of the Revised Code, 29678
the database shall be the means of providing and receiving the 29679

the inventory form a filing fee of one hundred fifty dollars. In 29685
addition to the filing fee, the owner or operator shall submit 29686
with the inventory form the following additional fees for 29687
reporting inventories of the individual hazardous chemicals and 29688
extremely hazardous substances produced, used, or stored at the 29689

facility: 29690

enumerated on the inventory form ~~in excess of five~~; 29693

(b) An additional fee of one hundred fifty dollars per 29694
extremely hazardous substance enumerated on the inventory form. 29695
The fee established in division (A)(1)(a) of this section does not 29696
apply to the reporting of the inventory of a hazardous chemical 29697
that is also an extremely hazardous substance to which the 29698
inventory reporting fee established in division (A)(1)(b) of this 29699
section applies. 29700

The total fees required to accompany any inventory form shall 29701
not exceed twenty-five hundred dollars. 29702

(2) An owner or operator of a facility who fails to submit 29703
such an inventory form within thirty days after the applicable 29704
filing date prescribed in section 3750.08 of the Revised Code 29705
shall submit with the inventory form a late filing fee in the 29706
amount of ~~fifteen~~ ten per cent per year of the total fees due 29707

~~fees due under division (A)(1) or (4) of this section are~~ 29711
~~submitted to the emergency response commission.~~ 29712

(3) The owner or operator of a facility who, during the 29713
preceding year, was required to pay a fee to a municipal 29714
corporation pursuant to an ordinance, rule, or requirement that 29715
was in effect on the effective date of this section for the 29716

hazardous substances or hazardous chemicals produced, used, or 29718
stored at the facility may claim a credit against the fees due 29719
under division (A)(1) or (4) of this section for the fees paid to 29720
the municipal corporation pursuant to its reporting requirement. 29721

The amount of the credit claimed in any reporting year shall not exceed the amount of the fees due under division (A)(1) or (4) of this section during that reporting year, and no unused portion of the credit shall be carried over to subsequent years. In order to claim a credit under this division, the owner or operator shall submit with the emergency and hazardous chemical inventory form a receipt issued by the municipal corporation or other documentation acceptable to the commission indicating the amount of the fee paid to the municipal corporation and the date on which the fee was paid.

(4) An owner or operator who is regulated under Chapter 1509. of the Revised Code and who submits inventory forms information under section 1509.11 of the Revised Code for not more than ~~thirty-five~~ twenty-five facilities ~~that meet all of the following conditions~~ shall submit with the forms to the emergency response commission on or before the first day of March a flat fee of ~~twenty-five~~ fifty dollars if the facilities meet all of the following conditions:

(d) The facility is used for the storage of the crude oil, liquid hydrocarbons, or other fluids prior to their transportation off the premises of the facility for sale, use, or disposal.

An owner or operator who submits ~~inventory forms~~ information 29753
for more than ~~thirty-five~~ twenty-five facilities that meet all of 29754

thoroughbred racing shall use for purse money a sum equal to fifty 29838
per cent of the pari-mutuel revenues retained by the permit holder 29839
as a commission after payment of the state tax. This fifty per 29840
cent payment shall be in addition to the purse distribution from 29841

"PASSPORT program" means the PASSPORT program created under 29864

formation of the corporation described in section 3769.21 of the 29991
Revised Code to establish a harness horsemen's health and 29992

(J)(1) To encourage the improvement of racing facilities for the benefit of the public, breeders, and horse owners, and to increase the revenue to the state from the increase in pari-mutuel

wagering resulting from ~~such~~ those improvements, the taxes paid by 30038
a permit holder to the state as provided for in this chapter shall 30039
be reduced by three-fourths of one per cent of the total amount 30040
wagered for those permit holders who make capital improvements to 30041
existing race tracks or construct new race tracks. The percentage 30042
of the reduction that may be taken each racing day shall equal 30043
seventy-five per cent of the tax levied under divisions (B) and 30044
(C) of this section and section 3769.087 of the Revised Code, and 30045
division (F)(2) of section 3769.26 of the Revised Code, as 30046
applicable, divided by the calculated amount each fund should 30047
receive under divisions (B) and (C) of this section and section 30048
3769.087 of the Revised Code, and division (F)(2) of section 30049
3769.26 of the Revised Code and the reduction provided for in this 30050
division. If the resulting percentage is less than one, that 30051
percentage shall be multiplied by the amount of the reduction 30052
provided for in this division. Otherwise, the permit holder shall 30053
receive the full reduction provided for in this division. The 30054
amount of the allowable reduction not received shall be carried 30055
forward and applied against future tax liability. After any 30056
reductions expire, any reduction carried forward shall be treated 30057
as a reduction as provided for in this division. ~~If~~ 30058

If more than one permit holder is authorized to conduct 30059
racing at the facility that is being built or improved, the cost 30060
of the new race track or capital improvement shall be allocated 30061
between or among all the permit holders in the ratio that the 30062
permit holders' number of racing days bears to the total number of 30063
racing days conducted at the facility. ~~Such~~ 30064

A reduction for a new race track or a capital improvement 30065
shall start from the day racing is first conducted following the 30066
date actual construction of the new race track or each capital 30067
improvement is completed and the construction cost has been 30068
~~certified~~ approved by the racing commission, unless otherwise 30069

provided in this section. Such A reduction for a new race track or 30070
a capital improvement shall continue for a period of twenty-five 30071
years for new race tracks and for fifteen years for ~~new~~ capital 30072
improvements if the construction of the capital improvement or new 30073
race track commenced prior to March 29, 1988, and for a period of 30074
ten years for new race tracks or ~~new~~ capital improvements if the 30075
construction of the capital improvement or new race track 30076
commenced on or after March 29, 1988, but before the effective 30077
date of this amendment, or until the total tax reduction reaches 30078
seventy per cent of the approved cost of the new race track or ~~new~~ 30079
capital improvement, as allocated to each permit holder, whichever 30080
occurs first. The tax A reduction for a new race track or a 30081
capital improvement approved after the effective date of this 30082
amendment shall continue until the total tax reduction reaches one 30083
hundred per cent of the approved cost of the new race track or 30084
capital improvement, as allocated to each permit holder. 30085

A reduction granted for any a new race track or a capital 30086
improvement, the application for which was approved by the racing 30087
commission after March 29, 1988, but before the effective date of 30088
this amendment, shall not commence nor shall the ten-year period 30089
begin to run until all prior tax reductions with respect to the 30090
same race track have ended. The total tax reduction because of 30091
capital improvements shall not during any one year exceed for all 30092
permit holders using any one track three-fourths of one per cent 30093
of the total amount wagered, regardless of the number of capital 30094
improvements made. Several capital improvements to a race track 30095
may be consolidated in an application if the racing commission 30096
approved the application prior to March 29, 1988. No permit holder 30097
may receive a tax reduction for a capital improvement approved by 30098
the racing commission on or after March 29, 1988, at a race track 30099
until all tax reductions have ended for all prior capital 30100
improvements approved by the racing commission under this section 30101
or section 3769.20 of the Revised Code at that race track. If 30102

there are two or more permit holders operating meetings at the 30103
same track, they may consolidate their applications. The racing 30104
commission shall notify the tax commissioner when the ~~diminution~~ 30105
reduction of tax begins and when it ends. ~~Each~~ 30106

Each fiscal year the racing commission shall submit a report 30107
to the tax commissioner, the office of budget and management, and 30108
the ~~legislative budget office of the~~ legislative service 30109
commission. The report shall identify each capital improvement 30110
project undertaken under this division and in progress at each 30111
race track, indicate the total cost of each ~~such~~ project, state 30112
the tax reduction that resulted from each ~~such~~ project during the 30113
immediately preceding fiscal year, estimate the tax reduction that 30114
will result from each ~~such~~ project during the current fiscal year, 30115
state the total tax reduction that resulted from all such projects 30116
at all race tracks during the immediately preceding fiscal year, 30117
and estimate the total tax reduction that will result from all 30118
such projects at all race tracks during the current fiscal year. 30119

(2) In order to qualify for the reduction in tax, a permit 30120
holder shall apply to the racing commission in such form as the 30121
commission may require and shall provide full details of the new 30122
~~racing~~ race track or capital improvement, including a schedule for 30123
its construction and completion, and set forth the costs and 30124
expenses incurred in connection ~~therewith~~ with it. The racing 30125
commission shall not approve an application unless the permit 30126
holder shows that a contract for the new race track or capital 30127
improvement has been let under an unrestricted competitive bidding 30128
procedure, unless the contract is exempted by the controlling 30129
board because of its unusual nature. In determining whether to 30130
approve an application, the racing commission shall consider 30131
whether the new race track or capital improvement will promote the 30132
safety, convenience, and comfort of the racing public and horse 30133
owners and generally tend towards the improvement of racing in 30134

this state. 30135

(3) If a new race track or capital improvement is approved by 30136
the racing commission and construction has started, the tax 30137
adjustment reduction may be authorized by the commission upon 30138
presentation of copies of paid bills in excess of one hundred 30139
thousand dollars or ten per cent of the approved cost, whichever 30140
is greater. After the initial authorization, the permit holder 30141
shall present copies of paid bills. If the permit holder is in 30142
substantial compliance with the schedule for construction and 30143
completion of the new race track or capital improvement, the 30144
racing commission may authorize the continuation of the tax 30145
adjustment reduction upon the presentation of ~~such~~ the additional 30146
paid bills. The total amount of the tax adjustment reduction 30147
authorized shall not exceed ~~seventy per cent~~ the percentage of the 30148
approved cost of the new race track or capital improvement 30149
specified in division (J)(1) of this section. The racing 30150
commission may terminate any tax adjustment reduction immediately 30151
if a permit holder fails to complete the new race track or capital 30152
improvement, or to substantially comply with the schedule for 30153
construction and completion of the new race track or capital 30154
improvement. If a permit holder fails to complete a new race track 30155
or capital improvement, the racing commission shall order the 30156
permit holder to repay to the state the total amount of tax 30157
reduced. The normal tax paid by the permit holder shall be 30158
increased by three-fourths of one per cent of the total amount 30159
wagered until the total amount of the additional tax collected 30160
equals the total amount of tax reduced. 30161

(4) As used in this section, ~~"capital:~~ 30162

(a) "Capital improvement" means an addition, replacement, or 30163
remodeling of a structural unit of a race track facility costing 30164
at least one hundred thousand dollars, including, but not limited 30165
to, the construction of barns used exclusively for ~~such~~ the race 30166

track facility, backstretch facilities for horsemen, paddock 30167
facilities, new pari-mutuel and totalizator equipment and 30168
appurtenances ~~thereto~~ to that equipment purchased by the track, 30169
new access roads, new parking areas, the complete reconstruction, 30170
reshaping, and leveling of the ~~race track~~ racing surface and 30171
appurtenances, the installation of permanent new heating or air 30172
conditioning, ~~and~~ roof replacement or restoration, installations 30173
of a permanent nature forming a part of the track structure, and 30174
construction of buildings that are located on a permit holder's 30175
premises. "Capital improvement" does not include the cost of 30176
replacement of equipment that is not permanently installed, 30177
ordinary repairs, painting, and maintenance required to keep a 30178
race track facility in ordinary operating condition. "~~New~~ 30179

(b) "New race track" or "~~new racing track~~" includes the 30180
reconstruction of a race track damaged by fire or other cause that 30181
has been declared by the racing commission, as a result of the 30182
damage, to be an inadequate facility for the safe operation of 30183
horse racing. 30184

(c) "Approved cost" includes all debt service and interest 30185
costs that are associated with a capital improvement or new race 30186
track and that the racing commission approves for a tax reduction 30187
under division (J) of this section. 30188

(5) The racing commission shall not approve an application 30189
for a tax reduction under this section if it has reasonable cause 30190
to believe that the actions or negligence of the permit holder 30191
substantially contributed to the damage suffered by the track due 30192
to fire or other cause. The racing commission shall obtain any 30193
data or information available from a fire marshal, law enforcement 30194
official, or insurance company concerning any fire or other damage 30195
suffered by a track, prior to approving an application for a tax 30196
reduction. 30197

(6) The approved cost and expenses to which a tax reduction 30198

applies shall be determined by generally accepted accounting 30199
principles and verified by an audit of the permit holder's records 30200
upon completion of the project by the racing commission, or by an 30201
independent certified public accountant selected by the permit 30202
holder and approved by the commission. 30203

~~The tax reductions for capital improvements and new tracks 30204
provided for in this division apply only to tax reductions 30205
approved by the state racing commission prior to the effective 30206
date of this amendment. 30207~~

(K) No other license or excise tax or fee, except as provided 30208
in sections 3769.01 to 3769.14 of the Revised Code, shall be 30209
assessed or collected from such licensee by any county, township, 30210
district, municipal corporation, or other body having power to 30211
assess or collect a tax or fee. That portion of the tax paid under 30212
this section by permit holders for racing conducted at and during 30213
the course of an agricultural exposition or fair, and that portion 30214
of the tax that would have been paid by eligible permit holders 30215
into the PASSPORT fund as a result of racing conducted at and 30216
during the course of an agricultural exposition or fair, shall be 30217
deposited into the state treasury to the credit of the horse 30218
racing tax fund, which is hereby created for the use of the 30219
agricultural societies of the several counties in which the taxes 30220
originate. The state racing commission shall determine eligible 30221
permit holders for purposes of the preceding sentence, taking into 30222
account the breed of horse, the racing dates, the geographic 30223
proximity to the fair, and the best interests of Ohio racing. On 30224
the first day of any month on which there is money in the fund, 30225
the ~~director of budget and management~~ tax commissioner shall 30226
provide for payment to the treasurer of each agricultural society 30227
the amount of the taxes collected under this section upon racing 30228
conducted at and during the course of any exposition or fair 30229
conducted by ~~such~~ the society. 30230

(L) From the tax paid under this section by harness track permit holders, the tax commissioner shall pay into the Ohio thoroughbred race fund a sum equal to a percentage of the amount wagered upon which ~~such~~ the tax is paid. The percentage shall be determined by the tax commissioner and shall be rounded to the nearest one-hundredth. The percentage shall be such that, when multiplied by the amount wagered upon which tax was paid by the harness track permit holders in the most recent year for which final figures are available, it results in a sum that substantially equals the same amount of tax paid by the tax commissioner during that year into the Ohio fairs fund from taxes paid by thoroughbred permit holders. This division does not apply to county and independent fairs and agricultural societies.

(M) Twenty-five per cent of the taxes levied on ~~thoroughbred-racing~~ thoroughbred racing permit holders, ~~harness-racing~~ harness racing permit holders, and quarter horse racing permit holders under this section, section 3769.087 of the Revised Code, and division (F)(2) of section 3769.26 of the Revised Code shall be paid ~~to~~ into the PASSPORT fund. The tax commissioner shall pay any money remaining, after the payment ~~to~~ into the PASSPORT fund and the reductions provided for in division (J) of this section and in section 3769.20 of the Revised Code, into the Ohio fairs fund, Ohio thoroughbred race fund, Ohio standardbred development fund, Ohio quarter horse fund, and state racing commission operating fund as prescribed in this section and section 3769.087 of the Revised Code; ~~except that the state racing commission operating fund shall not receive more than two million five hundred thousand dollars in any calendar year.~~ The tax commissioner shall thereafter use and apply the balance of the money paid as a tax by any permit holder to cover any shortage in the accounts of such funds resulting from an insufficient payment as a tax by any other permit holder. The moneys received by the

tax commissioner shall be deposited weekly and paid by the tax 30263
commissioner into the funds to cover the total aggregate amount 30264
due from all permit holders to the funds, as calculated under this 30265
section and section 3769.087 of the Revised Code, as applicable. 30266
If, after ~~the~~ payment ~~to~~ into the PASSPORT fund, sufficient funds 30267
are not available from the tax deposited by the tax commissioner 30268
to pay the required ~~amount~~ amounts into the Ohio fairs fund, Ohio 30269
standardbred development fund, Ohio thoroughbred race fund, Ohio 30270
quarter horse fund, and the state racing commission operating 30271
fund, the tax commissioner shall prorate on a proportional basis 30272
the amount paid to each of the funds. Any shortage to the funds as 30273
a result of a proration shall be applied against future deposits 30274
for the same calendar year when funds are available. After this 30275
application, the tax commissioner shall pay any remaining money 30276
paid as a tax by all permit holders into the PASSPORT fund. ~~If the~~ 30277
~~Ohio fairs fund does not receive two million five hundred thousand~~ 30278
~~dollars in calendar year 1997 or 1998, the tax commissioner shall~~ 30279
~~pay into the Ohio fairs fund, on a prorated basis, money that~~ 30280
~~would have been paid into the Ohio thoroughbred race fund, Ohio~~ 30281
~~standardbred development fund, Ohio quarter horse development~~ 30282
~~fund, and state racing commission operating fund and the portion~~ 30283
~~that was retained by the tracks the previous calendar year as a~~ 30284
~~reduction provided for in division (J) of this section and section~~ 30285
~~3769.20 of the Revised Code until the previous year's deficiency~~ 30286
~~is met. Each track that has an existing reduction shall increase~~ 30287
~~its reduction credit balance by the amount determined by the tax~~ 30288
~~commissioner that is needed to meet its prorated portion of the~~ 30289
~~Ohio fairs fund deficiency. The credit balance increase shall be~~ 30290
~~paid to the tax commissioner as a tax. This division does not~~ 30291
apply to permit holders conducting racing at the course of an 30292
agricultural exposition or fair as described in division (K) of 30293
this section. 30294

Sec. 3769.085. There is hereby created in the state treasury 30295
the Ohio standardbred development fund, to consist of moneys paid 30296
into it pursuant to section 3769.08 of the Revised Code and any 30297
fees assessed for or on behalf of the Ohio sires stakes races. All 30298
investment earnings on the cash balance in the fund shall be 30299
credited to the fund. Moneys to the credit of the Ohio 30300
~~standardbred development~~ fund shall be distributed on order of the 30301
state racing commission with the approval of the Ohio standardbred 30302
development commission. 30303

The development commission shall consist of three members, 30304
all to be residents of this state knowledgeable in breeding and 30305
racing, to be appointed by the governor with the advice and 30306
consent of the senate. One member shall be a standardbred breeder, 30307
and one shall be a standardbred owner. Of the initial 30308
appointments, one member shall be appointed for a term ending June 30309
30, 1977, and two members shall be appointed for terms ending June 30310
30, 1979. Thereafter, appointments for other than unexpired terms 30311
shall be for four years. Terms shall begin the first day of July 30312
and end the thirtieth day of June. Any member appointed to fill a 30313
vacancy occurring prior to the expiration of the term for which 30314
the member's predecessor was appointed shall hold office for the 30315
remainder of ~~such~~ that term. Any member shall continue in office 30316
subsequent to the expiration date of the member's term until a 30317
successor takes office. Members shall receive no compensation, 30318
except they shall be paid actual and necessary expenses from the 30319
Ohio standardbred development fund. The state racing commission 30320
shall also be reimbursed for actual expense approved by the 30321
development commission. The development commission may elect one 30322
member to serve as secretary. 30323

Upon application not later than the first day of December 30324
from the harness tracks conducting races with pari-mutuel 30325
wagering, other than agricultural expositions and fairs, the 30326

development commission shall, after a hearing and not later than 30327
the twentieth day of January, allocate and approve all available 30328
moneys for colt races for two-year-old and three-year-old colts 30329
and fillies, both trotting and pacing. Separate races for fillies 30330
shall be provided at each age and gait. At least five races and a 30331
championship race shall be scheduled for each of the eight 30332
categories of age, sex, and gait. The allocations shall take into 30333
account the time of year that racing colts is feasible, the equity 30334
and continuity of the proposed dates for racing the events, and 30335
the amounts to be added by the tracks, looking to the maximum 30336
benefit for those participating in the races. Representatives of 30337
the tracks and the Ohio harness horsemens association shall be 30338
given an opportunity to be heard before the allocations are made. 30339
No races shall be contested earlier than the first day of May or 30340
later than the first day of November; all permit holders operating 30341
extended pari-mutuel meetings between ~~such~~ those dates shall be 30342
entitled to at least three races. No funds for a race shall be 30343
allocated to and paid to a permit holder by the development 30344
commission unless the permit holder adds at least twenty-five per 30345
cent to the amount allocated by the development commission, and 30346
not less than five thousand dollars to each race. 30347

Colts and fillies eligible to the races shall be only those 30348
sired by a standardbred stallion that was registered with the 30349
state racing commission and stood in ~~Ohio~~ the state the entire 30350
breeding season of the year the colt or filly was conceived and 30351
fillies foaled before November 1, 1979, that are not so qualified 30352
but wholly owned by a resident or residents of ~~Ohio~~ the state on 30353
the first day of January of the year that such filly would be 30354
eligible to race as a two-year-old and also wholly owned by a 30355
resident or residents of ~~Ohio~~ the state on the date the race is 30356
contested. 30357

If the development commission concludes that sufficient funds 30358

are available to add aged races without reducing purse levels of 30359
the colt and filly races, the development commission may allocate 30360
funds to four-year-old and five-year-old races of each sex and 30361
gait with Ohio eligibility required as set forth in this section. 30362

The state racing commission may allocate an amount not to 30363
exceed five per cent of the total Ohio standardbred development 30364
fund available in any one calendar year to research projects 30365
directed toward improving the breeding, raising, racing, and 30366
health and soundness of horses in the state and toward education 30367
or promotion of the industry. 30368

Sec. 3769.087. (A) In addition to the commission of eighteen 30369
per cent retained by each permit holder as provided in section 30370
3769.08 of the Revised Code, each permit holder shall retain an 30371
additional amount equal to four per cent of the total of all 30372
moneys wagered on each racing day on all wagering pools other than 30373
win, place, and show, of which amount retained an amount equal to 30374
three per cent of the total of all moneys wagered on each racing 30375
day on ~~such~~ those pools shall be paid by check, draft, or money 30376
order to the tax commissioner, as a tax. Subject to the 30377
restrictions contained in divisions (B), (C), and (M) of section 30378
3769.08 of the Revised Code, from such additional moneys paid to 30379
the tax commissioner: 30380

(1) Four-sixths shall be ~~PASSPORT~~ allocated to fund 30381
distribution as provided in division (M) of section 3769.08 of the 30382
Revised Code~~+~~. 30383

(2) One-twelfth shall be paid into the Ohio fairs fund 30384
created by section 3769.082 of the Revised Code~~+~~. 30385

(3) One-twelfth of the additional moneys paid to the tax 30386
commissioner by thoroughbred racing permit holders shall be paid 30387
into the Ohio thoroughbred race fund created by section 3769.083 30388
of the Revised Code~~+~~. 30389

(4) One-twelfth of the additional moneys paid to the tax commissioner by harness horse racing permit holders shall be paid to the Ohio standardbred development fund created by section 3769.085 of the Revised Code.

(5) One-twelfth of the additional moneys paid to the tax commissioner by quarter horse racing permit holders shall be paid to the Ohio quarter horse development fund created by section 3769.086 of the Revised Code.

(6) One-sixth shall be paid into the state racing commission operating fund created by section 3769.03 of the Revised Code.

The remaining one per cent that is retained of the total of all moneys wagered on each racing day on all pools other than win, place, and show, shall be retained by racing permit holders, and, except as otherwise provided in section 3769.089 of the Revised Code, racing permit holders shall use one-half for purse money and retain one-half.

(B) In addition to the commission of eighteen per cent retained by each permit holder as provided in section 3769.08 of the Revised Code and the additional amount retained by each permit holder as provided in division (A) of this section, each permit holder ~~may shall~~ retain, ~~upon notification to the state racing commission,~~ an additional amount equal to ~~not less than two one-half of one~~ per cent but not more than three per cent of the total of all moneys wagered on each racing day on all wagering pools ~~designated by the permit holder that require three or more runner selections to complete the wager. If a permit holder retains an additional amount under this division that equals or exceeds two per cent of the total of all moneys wagered on a racing day on the wagering pools designated under this division,~~ the permit holder shall pay by check, draft, or money order to the tax commissioner, as a tax, an amount equal to two per cent of the total of all moneys wagered on that racing day on those designated

~~wagering pools. The tax commissioner shall deposit the amount of~~ 30422
~~the tax received under this division in the PASSPORT fund. Any~~ 30423
~~amount that is retained but not paid under this division to the~~ 30424
~~tax commissioner as a tax other than win, place, and show. From~~ 30425
~~the additional amount retained under this division, each permit~~ 30426
~~holder shall retain an amount equal to one-quarter of one per cent~~ 30427
~~of the total of all moneys wagered on each racing day on all pools~~ 30428
~~other than win, place, and show and shall pay that amount by~~ 30429
~~check, draft, or money order to the tax commissioner, as a tax.~~ 30430
~~The tax commissioner shall pay the amount of the tax received~~ 30431
~~under this division to the state racing commission operating fund~~ 30432
~~created by section 3769.03 of the Revised Code.~~ 30433

The remaining one-quarter of one per cent that is retained 30434
from the total of all moneys wagered on each racing day on all 30435
pools other than win, place, and show shall be retained by the 30436
permit holder, and the permit holder shall use one-half for purse 30437
money and retain one-half. 30438

Sec. 3769.20. (A) To encourage the renovation of existing 30439
racing facilities for the benefit of the public, breeders, and 30440
horse owners and to increase the revenue to the state from the 30441
increase in pari-mutuel wagering resulting from such improvement, 30442
the taxes paid by a permit holder to the state, in excess of the 30443
amount paid ~~to~~ into the PASSPORT fund, shall be reduced by one per 30444
cent of the total amount wagered for those permit holders who 30445
carry out a major capital improvement project. The percentage of 30446
the reduction that may be taken each racing day shall equal 30447
seventy-five per cent of the amount of the tax levied under 30448
divisions (B) and (C) of section 3769.08, section 3769.087, and 30449
division (F)(2) of section 3769.26 of the Revised Code, as 30450
applicable, divided by the calculated amount each fund should 30451
receive under divisions (B) and (C) of section 3769.08, section 30452
3769.087, and division (F)(2) of section 3769.26 of the Revised 30453

Code and the reduction provided for in this section. If the 30454
resulting percentage is less than one, that percentage shall be 30455
multiplied by the amount of the reduction provided for in this 30456
section. Otherwise, the permit holder shall receive the full 30457
reduction provided for in this section. The amount of the 30458
allowable reduction not received shall be carried forward and 30459
added to any other reduction balance and applied against future 30460
tax liability. After any reductions expire, any reduction carried 30461
forward shall be treated as a reduction as provided for in this 30462
section. If the amount of allowable ~~abatement~~ reduction exceeds 30463
the amount of taxes derived from a permit holder, the amount of 30464
the allowable ~~abatement~~ reduction not used may be carried forward 30465
and applied against future tax liability. ~~If~~ 30466

If more than one permit holder is authorized to conduct 30467
racing at the facility that is being improved, the cost of the 30468
major capital improvement project shall be allocated between or 30469
among all the permit holders in the ratio that each permit 30470
holder's number of racing days bears to the total number of racing 30471
days conducted at the facility. ~~Such~~ 30472

A reduction for a major capital improvement project shall 30473
start from the day racing is first conducted following the date on 30474
which the major capital improvement project is completed and the 30475
construction cost has been ~~certified~~ approved by the state racing 30476
commission, except as otherwise provided in division (E) of this 30477
section, and shall continue until the total tax reduction equals 30478
the cost of the major capital improvement project plus debt 30479
service applicable to the project. In no event, however, shall any 30480
tax reduction, excluding any reduction balances, be permitted 30481
under this section after December 31, 2014. The total tax 30482
reduction because of the major capital improvement project shall 30483
not during any one year exceed for all permit holders using any 30484
one track, one per cent of the total amount wagered. The racing 30485

commission shall notify the tax commissioner when the ~~diminution~~ 30486
reduction of tax begins and when it ends. 30487

(B) Each fiscal year, the racinq commission shall submit a 30488
report to the tax commissioner, the office of budget and 30489
management, and the ~~legislative budget office of the~~ legislative 30490
service commission. The report shall identify each capital 30491
improvement project undertaken under this section and in progress 30492
at each race track, indicate the total cost of each ~~such~~ project, 30493
state the tax reduction that resulted from each ~~such~~ project 30494
during the immediately preceding fiscal year, estimate the tax 30495
reduction that will result from each ~~such~~ project during the 30496
current fiscal year, state the total tax reduction that resulted 30497
from all such projects at all race tracks during the immediately 30498
preceding fiscal year, and estimate the total tax reduction that 30499
will result from all such projects at all race tracks during the 30500
current fiscal year. 30501

(C) The tax reduction granted pursuant to this section shall 30502
be in addition to any tax reductions for capital improvements and 30503
new race tracks provided for in section 3769.08 of the Revised 30504
Code and approved by the racinq commission ~~prior to March 29,~~ 30505
1988. 30506

(D) In order to qualify for the reduction in tax, a permit 30507
holder shall apply to the racinq commission in such form as the 30508
commission may require and shall provide full details of the major 30509
capital improvement project, including plans and specifications, a 30510
schedule for the project's construction and completion, and a 30511
breakdown of proposed costs. In addition, the permit holder shall 30512
have commenced construction of the major capital improvement 30513
project or shall have had the application for the project approved 30514
by the racinq commission prior to March 29, 1988. The racinq 30515
commission shall not approve an application unless the permit 30516
holder shows that a contract for the major capital improvement 30517

project has been let under an unrestricted competitive bidding 30518
procedure, unless the contract is exempted by the controlling 30519
board because of its unusual nature. In determining whether to 30520
approve an application, the racing commission shall consider 30521
whether the major capital improvement project will promote the 30522
safety, convenience, and comfort of the racing public and horse 30523
owners and generally tend toward the improvement of racing in this 30524
state. 30525

(E) If the major capital improvement project is approved by 30526
the racing commission and construction has started, the tax 30527
~~adjustment~~ reduction may be authorized by the commission upon 30528
presentation of copies of paid bills in excess of five hundred 30529
thousand dollars. After the initial authorization, the permit 30530
holder shall present copies of paid bills in the amount of not 30531
less than five hundred thousand dollars. If the permit holder is 30532
in substantial compliance with the schedule for construction and 30533
completion of the major capital improvement project, the racing 30534
commission may authorize the continuance of the tax ~~adjustment~~ 30535
reduction upon the presentation of ~~such~~ the additional paid bills 30536
in increments of five hundred thousand dollars. The racing 30537
commission may terminate the tax ~~adjustment~~ reduction if a permit 30538
holder fails to complete the major capital improvement project or 30539
fails to comply substantially with the schedule for construction 30540
and completion of the major capital improvement project. If the 30541
time for completion of the major capital improvement project is 30542
delayed by acts of God, strikes, or the unavailability of labor or 30543
materials, the time for completion as set forth in the schedule 30544
shall be extended by the period of the delay. If a permit holder 30545
fails to complete the major capital improvement project, the 30546
racing commission shall order the permit holder to repay to the 30547
state the total amount of tax reduced, unless the permit holder 30548
has spent at least six million dollars on the project. The normal 30549
tax paid by the permit holder under section 3769.08 of the Revised 30550

Code shall be increased by one per cent of the total amount 30551
wagered until the total amount of the additional tax collected 30552
equals the total amount of tax reduced. Any action taken by the 30553
racing commission pursuant to this section in terminating the tax 30554
adjustment or requiring repayment of the amount of tax reduced 30555
shall be subject to Chapter 119. of the Revised Code. 30556

(F) As used in this section, "major capital improvement 30557
project" means the renovation, reconstruction, or remodeling, 30558
costing at least six million dollars, of a race track facility, 30559
including, but not limited to, the construction of barns used 30560
exclusively for that race track facility, backstretch facilities 30561
for horsemen, paddock facilities, pari-mutuel and totalizator 30562
equipment and appurtenances to that equipment purchased by the 30563
track, new access roads, new parking areas, the complete 30564
reconstruction, reshaping, and leveling of the ~~race track~~ racing 30565
surface and appurtenances, grandstand enclosure, installation of 30566
permanent new heating or air conditioning, roof replacement, and 30567
installations of a permanent nature forming a part of the track 30568
structure. 30569

(G) The cost and expenses to which the tax reduction granted 30570
under this section applies shall be determined by generally 30571
accepted accounting principles and be verified by an audit of the 30572
permit holder's records, upon completion of the major capital 30573
improvement project, either by the racing commission or by an 30574
independent certified public accountant selected by the permit 30575
holder and approved by the commission. 30576

(H) This section and section 3769.201 of the Revised Code 30577
govern any tax reduction granted to a permit holder for the cost 30578
to the permit holder of any cleanup, repair, or improvement 30579
required as a result of damage caused by the 1997 Ohio river flood 30580
to the place, track, or enclosure for which the permit is issued. 30581

Sec. 3770.06. (A) There is hereby created the state lottery 30582
gross revenue fund, which shall be in the custody of the treasurer 30583
of state but shall not be part of the state treasury. All gross 30584
revenues received from sales of lottery tickets, fines, fees, and 30585
related proceeds shall be deposited into the fund. The treasurer 30586
of state shall invest any portion of the fund not needed for 30587
immediate use in the same manner as, and subject to all provisions 30588
of law with respect to the investment of, state funds. The 30589
treasurer of state shall disburse money from the fund on order of 30590
the director of the state lottery commission or the director's 30591
designee. All revenues of the state lottery gross revenue fund 30592
that are not paid to holders of winning lottery tickets, that are 30593
not required to meet short-term prize liabilities, that are not 30594
paid to lottery sales agents in the form of ~~agent~~ bonuses, 30595
commissions, or reimbursements, and that are not paid to financial 30596
institutions to reimburse ~~such those~~ institutions for sales agent 30597
nonsufficient funds shall be transferred to the state lottery 30598
fund, which is hereby created in the state treasury. All 30599
investment earnings of the fund shall be credited to the fund. 30600
Moneys shall be disbursed from the ~~state lottery~~ fund pursuant to 30601
vouchers approved by the director ~~of the state lottery commission~~. 30602
Total disbursements for monetary prize awards to holders of 30603
winning lottery tickets and purchases of goods and services 30604
awarded as prizes to holders of winning lottery tickets shall be 30605
of an amount equal to at least fifty per cent of the total revenue 30606
accruing from the sale of lottery tickets. 30607

(B) Pursuant to Section 6 of Article XV, Ohio Constitution, 30608
there is hereby established in the state treasury the lottery 30609
profits education fund. Whenever, in the judgment of the director 30610
of budget and management, the amount to the credit of the state 30611
lottery fund is in excess of that needed to meet the maturing 30612
obligations of the commission and as working capital for its 30613

further operations, the director shall transfer the excess to the lottery profits education fund, ~~provided that the amount to be transferred into the lottery profits education fund shall equal no less than thirty per cent of the total revenue accruing from the sale of lottery tickets.~~ Investment earnings of the lottery profits education fund shall be credited to the fund. There shall also be credited to the fund any repayments of moneys loaned from the educational excellence investment fund. The lottery profits education fund shall be used solely for the support of elementary, secondary, vocational, and special education programs as determined in appropriations made by the general assembly, or as provided in applicable bond proceedings for the payment of debt service on obligations issued to pay costs of capital facilities, including those for a system of common schools throughout the state pursuant to section 2n of Article VIII, Ohio Constitution. When determining the availability of money in the lottery profits education fund, the director of budget and management may consider all balances and estimated revenues of the fund.

From the amounts that the director of budget and management transfers in any fiscal year from the state lottery fund to the lottery profits education fund, the director shall transfer the initial ten million dollars of ~~such~~ those amounts from the lottery profits education fund to the school building program bond service fund created in division (Q) of section 3318.26 of the Revised Code to be pledged for the purpose of paying bond service charges as defined in division (C) of section 3318.21 of the Revised Code on one or more issuances of obligations, which obligations are issued to provide moneys for the school building program assistance fund created in section 3318.25 of the Revised Code.

(C) There is hereby established in the state treasury the deferred prizes trust fund. With the approval of the director of budget and management, an amount sufficient to fund annuity prizes

shall be transferred from the state lottery fund and credited to
the trust fund. The treasurer of state shall credit all earnings
arising from investments purchased under this division to the
fund. Within sixty days after the end of each fiscal year, the
director of budget and management shall certify the amount of
investment earnings necessary to have been credited to the trust
fund during the fiscal year just ending to provide for continued
funding of deferred prizes. Any earnings credited in excess of
this certified amount shall be transferred to the lottery profits
education fund. To provide all or a part of the amounts necessary
to fund deferred prizes awarded by the commission, the treasurer
of state, in consultation with the commission, may invest moneys
contained in the deferred prizes trust fund in obligations of the
type permitted for the investment of state funds but whose
maturities are thirty years or less. Investments of the deferred
prizes trust fund are not subject to the provisions of division
(A)(10) of section 135.143 of the Revised Code limiting to five
per cent the amount of the state's total average portfolio that
may be invested in debt interests and limiting to one-half of one
per cent the amount that may be invested in debt interests of a
single issuer.

All purchases made under this division shall be effected on a
delivery versus payment method and shall be in the custody of the
treasurer of state.

The treasurer of state may retain an investment advisor, if
necessary. The commission shall pay any costs incurred by the
treasurer of state in retaining an investment advisor.
