auctioneering at an institution that is approved every three years 33579
by the state auctioneers commission, and conduct, as a bid caller, 33580
at least twelve auction sales under the direct supervision of the 33581
sponsoring licensed auctioneer, which sales shall be certified by 33582
the licensed auctioneer on the apprentice's application for an 33583

If an auctioneer intends to terminate ~~his~~ sponsorship of an 33585
apprentice auctioneer, the sponsoring auctioneer shall notify the 33586

apprentice auctioneer of ~~his~~ the sponsoring auctioneer's intention 33587
by certified mail, return receipt requested, at least ten days 33588
prior to the effective date of termination and, at the same time, 33589
shall deliver or mail by certified mail to the department of 33590
~~commerce~~ agriculture a copy of the termination notice and the 33591
license of the apprentice auctioneer. No apprentice auctioneer 33592
shall perform any acts under authority of ~~his~~ the apprentice's 33593
license after the effective date of the termination until ~~he~~ the 33594
apprentice receives a new license bearing the name and address of 33595

sponsorship with an auctioneer by notifying the auctioneer of ~~his~~ 33603
the apprentice's intention by certified mail, return receipt 33604

termination. At the same time, ~~he~~ the apprentice shall deliver or 33606
mail by certified mail to the department of ~~commerce~~ agriculture a 33607
copy of the termination notice. Upon receiving the termination 33608
notice, the sponsoring auctioneer shall promptly deliver or mail 33609
by certified mail to the department the license of the apprentice 33610
auctioneer. 33611

The termination of a sponsorship, regardless of who initiates 33612
the termination, shall not be cause for an apprentice auctioneer 33613
to lose credit for any certified sales ~~he~~ the apprentice conducted 33614
or apprenticeship time ~~he~~ the apprentice served under the direct 33615
supervision of the former sponsor. 33616

Sec. 4707.10. (A) The fee for each auctioneer's, apprentice 33617

auctioneer's, or special auctioneer's license issued by the 33618

All licenses expire annually on the last day of June of each year 33621
and shall be renewed according to the standard renewal procedures 33622
of Chapter 4745. of the Revised Code, or the procedures of this 33623

the licensee's license but fails to do so before the first day of 33625

renewal fee, a late renewal penalty of one hundred dollars. 33630

(B) Any person who fails to renew ~~his~~ the person's license 33631

Revised Code until such time as ~~his~~ the person's license is 33634
renewed or a new license is issued. Renewal of a license between 33635
the first day of July and the first day of September does not 33636
relieve any person from complying with this division. The 33637
department may refuse to renew the license of or issue a new 33638
license to any person who violates this division. 33639

(C) The department shall prepare and deliver to each licensee 33640
a permanent license certificate and an annual renewal card, the 33641
appropriate portion of which shall be carried on the person of the 33642
licensee at all times when engaged in any type of auction 33643

each auctioneer or apprentice auctioneer licensee of any change of 33648
principal business location or any change or addition to the name 33649

or names under which business is conducted, whereupon the 33650
department shall issue a new license for the unexpired period. Any 33651
change of business location or change or addition of names without 33652
notification to the department shall automatically cancel any 33653
license previously issued. For each new auctioneer or apprentice 33654
auctioneer license issued upon the occasion of a change in 33655
business location or a change in or an addition of names under 33656
which business is conducted, the department may collect a fee of 33657
ten dollars for each change in location, or name or each added 33658
name unless the notification of the change occurs concurrently 33659
with the renewal application. 33660

Sec. 4707.11. Each application for an auctioneer's, 33661
apprentice auctioneer's, or auction company license shall be 33662
accompanied by a bond in the sum of ten thousand dollars, except 33663
that: 33664

(A) An individual licensed as an auctioneer under this 33665
chapter that applies for an auction company license shall not be 33666
required to file a bond for the auction company license if the 33667
applicant has filed a bond in connection with the auctioneer's 33668
license. 33669

(B) A partnership, association, or corporation that applies 33670
for an auction company license shall file a blanket bond in the 33671
name of such partnership, association, or corporation in an amount 33672
equal to ten thousand dollars times the number of members, 33673
employees, or officers thereof who are authorized to perform the 33674
functions of an auctioneer as agents of the applicant. The maximum 33675
total amount payable under such blanket bond for a failure of each 33676
such individual member or officer of the applicant to conduct 33677
business in accordance with sections 4707.01 to 4707.22 of the 33678
Revised Code shall be ten thousand dollars. 33679

(C) A licensed auctioneer member, employee, or officer of a 33680

partnership, association, or corporation licensed as an auction
company under this chapter shall not be required to file a bond in
~~his~~ the licensee's own name in connection with ~~his~~ the
auctioneer's license; except that if such auctioneer acts at any
time in any auction capacity other than as an agent for such
auction company, the auctioneer must file an individual bond, as
set forth in this section. The bond may be either a cash bond or a
surety bond and, if a surety bond, it shall be executed by a
surety company authorized to do business in this state. Such
surety bond shall be made to the department of agriculture and the
bond shall be conditioned that the applicant shall conduct ~~his~~ the
applicant's business in accordance with sections 4707.01 to
4707.22 of the Revised Code. All bonds shall be in a form approved
by the department.

The department shall not issue an auctioneer's, apprentice
auctioneer's, or auction company license until bond has been filed
in accordance with this section.

Sec. 4707.111. The state, through the department of ~~commerce~~
agriculture and in accordance with this chapter, shall solely
regulate auctioneers and the conduct of auction sales.

By enactment of this chapter, it is the intent of the general
assembly to preempt municipal corporations and other political
subdivisions from the regulation and licensing of auctioneers and
auction sales.

At least twenty-four hours prior to an auction, the person
licensed under this chapter to conduct the auction shall notify
the chief of police of the municipal corporation in which the
auction site is located, or if the site is in the unincorporated
area of a county, the county sheriff as to the location and time
of the auction and give to that officer a general description of
the items offered for sale.

Sec. 4707.12. A nonresident may operate as an auctioneer, 33712
apprentice auctioneer, or special auctioneer within the state by 33713
conforming to this chapter. 33714

The department of ~~commerce~~ agriculture may, within its 33715
discretion, waive the testing and schooling requirements for a 33716
nonresident, provided ~~he~~ the nonresident holds a valid auctioneer 33717
or apprentice auctioneer license issued by a state with which the 33718
department has entered into a reciprocal licensing agreement. 33719
Nonresidents wishing to so operate in this state shall make 33720
application in writing to the department and furnish the 33721
department with proof of their ability to conduct an auction, 33722
proof of license and bond if they reside in a state with these 33723
requirements, as well as other information which the department 33724
may request. 33725

This section does not apply to nonresident auctioneers who 33726
reside in states under the laws of which similar recognition and 33727
courtesies are not extended to licensed auctioneers of this state. 33728

Sec. 4707.13. Any nonresident who applies for permission to 33729
operate as an auctioneer within this state shall file an 33730
irrevocable consent with the department of ~~commerce~~ agriculture 33731
that suits and actions may be commenced against such applicant in 33732

care or adoption assistance; 36634

(d) A woman at least six months pregnant. 36635

(2) The assistance group must meet the income requirements 36636
established by division (D) of this section. 36637

(3) No member of the assistance group may be involved in a 36638
strike. 36639

(4) The assistance group must satisfy the requirements for 36640
Ohio works first established by this chapter and sections ~~5101.19,~~ 36641
5101.58, 5101.59, and 5101.83 of the Revised Code. 36642

(5) The assistance group must meet requirements for Ohio 36643
works first established by rules adopted under section 5107.05 of 36644
the Revised Code. 36645

(D)(1) Except as provided in division (D)(3) of this section, 36646
to determine whether an assistance group is initially eligible to 36647
participate in Ohio works first, a county department of job and 36648
family services shall do the following: 36649

(a) Determine whether the assistance group's gross income 36650
exceeds the following amount: 36651

Size of Assistance Group	Gross Income	
1	\$423	36653
2	\$537	36654
3	\$630	36655
4	\$750	36656
5	\$858	36657

6	\$942	36658
7	\$1,038	36659
8	\$1,139	36660
9	\$1,241	36661
10	\$1,343	36662
11	\$1,440	36663
12	\$1,542	36664
13	\$1,643	36665
14	\$1,742	36666
15	\$1,844	36667

For each person in the assistance group that brings the 36668
assistance group to more than fifteen persons, add one hundred two 36669
dollars to the amount of gross income for an assistance group of 36670
fifteen specified in division (D)(1)(a) of this section. 36671

In making this determination, the county department shall 36672
disregard amounts that federal statutes or regulations and 36673
sections 5101.17 and 5117.10 of the Revised Code require be 36674
disregarded. The assistance group is ineligible to participate in 36675
Ohio works first if the assistance group's gross income, less the 36676
amounts disregarded, exceeds the amount specified in division 36677
(D)(1)(a) of this section. 36678

(b) If the assistance group's gross income, less the amounts 36679
disregarded pursuant to division (D)(1)(a) of this section, does 36680
not exceed the amount specified in that division, determine 36681
whether the assistance group's countable income is less than the 36682
payment standard. The assistance group is ineligible to 36683
participate in Ohio works first if the assistance group's 36684
countable income equals or exceeds the payment standard. 36685

(2) To determine whether an assistance group participating in 36686
Ohio works first continues to be eligible to participate, a county 36687
department of job and family services shall determine whether the 36688
assistance group's countable income continues to be less than the 36689

payment standard. In making this determination, the county 36690
department shall disregard the first two hundred fifty dollars and 36691
fifty per cent of the remainder of the assistance group's gross 36692
earned income. No amounts shall be disregarded from the assistance 36693
group's gross unearned income. The assistance group ceases to be 36694
eligible to participate in Ohio works first if its countable 36695
income, less the amounts disregarded, equals or exceeds the 36696
payment standard. 36697

(3) If an assistance group reapplies to participate in Ohio 36698
works first not more than four months after ceasing to 36699
participate, a county department of job and family services shall 36700
use the income requirement established by division (D)(2) of this 36701
section to determine eligibility for resumed participation rather 36702
than the income requirement established by division (D)(1) of this 36703
section. 36704

(E)(1) An assistance group may continue to participate in 36705
Ohio works first even though a public children services agency 36706
removes the assistance group's minor children from the assistance 36707
group's home due to abuse, neglect, or dependency if the agency 36708
does both of the following: 36709

(a) Notifies the county department of job and family services 36710
at the time the agency removes the children that it believes the 36711
children will be able to return to the assistance group within six 36712
months; 36713

(b) Informs the county department at the end of each of the 36714
first five months after the agency removes the children that the 36715
parent, guardian, custodian, or specified relative of the children 36716
is cooperating with the case plans prepared for the children under 36717
section 2151.412 of the Revised Code and that the agency is making 36718
reasonable efforts to return the children to the assistance group. 36719

(2) An assistance group may continue to participate in Ohio 36720

works first pursuant to division (E)(1) of this section for not 36721
more than six payment months. This division does not affect the 36722
eligibility of an assistance group that includes a woman at least 36723
six months pregnant. 36724

Sec. 5107.14. An assistance group is ineligible to 36725
participate in Ohio works first unless the minor head of household 36726
or each adult member of the assistance group, not later than 36727
thirty days after applying for or undergoing a redetermination of 36728
eligibility for the program, enters into a written 36729
self-sufficiency contract with the county department of job and 36730
family services. The contract shall set forth the rights and 36731
responsibilities of the assistance group as applicants for and 36732
participants of the program, including work responsibilities 36733
established under sections 5107.40 to 5107.69 of the Revised Code 36734
and other requirements designed to assist the assistance group in 36735
achieving self sufficiency and personal responsibility. The county 36736
department shall provide without charge a copy of the contract to 36737
each assistance group member who signs it. 36738

Each self-sufficiency contract shall include, based on 36739
appraisals conducted under section 5107.41 of the Revised Code and 36740
assessments conducted under section 5107.70 of the Revised Code, 36741
the following: 36742

(A) The assistance group's plan, developed under section 36743
5107.41 of the Revised Code, to achieve the goal of self 36744
sufficiency and personal responsibility through unsubsidized 36745
employment within the time limit for participating in Ohio works 36746
first established by section 5107.18 of the Revised Code; 36747

(B) Work activities, developmental activities, and 36748
alternative work activities to which members of the assistance 36749
group are assigned under sections 5107.40 to 5107.69 of the 36750
Revised Code; 36751

(C) The responsibility of a caretaker member of the 36752
assistance group to cooperate in establishing a minor child's 36753
paternity and establishing, modifying, and enforcing a support 36754
order for the child in accordance with section 5107.22 of the 36755
Revised Code; 36756

(D) Other responsibilities that members of the assistance 36757
group must satisfy to participate in Ohio works first and the 36758
consequences for failure or refusal to satisfy the 36759
responsibilities; 36760

(E) An agreement that the assistance group will comply with 36761
the conditions of participating in Ohio works first established by 36762
this chapter and sections ~~5101.19~~, 5101.58, 5101.59, and 5101.83 36763
of the Revised Code; 36764

(F) Assistance and services the county department will 36765
provide to the assistance group; 36766

(G) Assistance and services the child support enforcement 36767
agency and public children services agency will provide to the 36768
assistance group pursuant to a plan of cooperation entered into 36769
under section 307.983 of the Revised Code; 36770

(H) Other provisions designed to assist the assistance group 36771
in achieving self sufficiency and personal responsibility; 36772

(I) Procedures for assessing whether responsibilities are 36773
being satisfied and whether the contract should be amended; 36774

(J) Procedures for amending the contract. 36775

Sec. 5107.18. (A) Except as provided in divisions (B), (C), 36776
(D), and (E) of this section, an assistance group is ineligible to 36777
participate in Ohio works first if the assistance group includes 36778
an ~~adult~~ individual who has participated in the program for 36779
thirty-six months as any of the following: an adult head of 36780
household, minor head of household, or spouse of an adult head of 36781

household or minor head of household. The time limit applies 36782
regardless of whether the thirty-six months are consecutive. 36783

(B) An assistance group that has ceased to participate in 36784
Ohio works first pursuant to division (A) of this section for at 36785
least twenty-four months, whether consecutive or not, may reapply 36786
to participate in the program if good cause exists as determined 36787
by the county department of job and family services. Good cause 36788
may include losing employment, inability to find employment, 36789
divorce, domestic violence considerations, and unique personal 36790
circumstances. The assistance group must provide a county 36791
department of job and family services verification acceptable to 36792
the county department of whether any members of the assistance 36793
group had employment during the period the assistance group was 36794
not participating in Ohio works first and the amount and sources 36795
of the assistance group's income during that period. If a county 36796
department is satisfied that good cause exists for the assistance 36797
group to reapply to participate in Ohio works first, the 36798
assistance group may reapply. Except as provided in divisions (C), 36799
(D), and (E) of this section, the assistance group may not 36800
participate in Ohio works first for more than twenty-four 36801
additional months. The time limit applies regardless of whether 36802
the twenty-four months are consecutive. 36803

(C) In determining the number of months a parent or pregnant 36804
woman has received assistance under Title IV-A, a county 36805
department of job and family services shall disregard any month 36806
during which the parent or pregnant woman was a minor child but 36807
was neither a minor head of household nor married to the head of 36808
an assistance group. 36809

(D) In determining the number of months an adult has received 36810
assistance under Title IV-A, a county department of job and family 36811
services shall disregard any month during which the adult lived on 36812
an Indian reservation or in an Alaska native village, as those 36813

terms are used in 42 U.S.C.A. 608(a)(7)(D), if, during the month, 36814
at least one thousand individuals lived on the reservation or in 36815
the village and at least fifty per cent of the adults living on 36816
the reservation or in the village were unemployed. 36817

36818

(E) A county department of job and family services may exempt 36819
not more than twenty per cent of the average monthly number of 36820
Ohio works first ~~participants~~ assistance groups from the time 36821
limit established by this section on the grounds that the county 36822
department determines that the time limit is a hardship. In the 36823
case of the time limit established by division (A) of this 36824
section, a county department may not exempt an assistance group 36825
until the group has exhausted its thirty-six months of cash 36826
assistance. 36827

(F) The department of job and family services shall 36828
continually monitor the percentage of the average monthly number 36829
of Ohio works first ~~participants~~ assistance groups in each county 36830
that is exempted under division (E) of this section from the time 36831
limit established by this section. On determining that the 36832
percentage in any county equals or exceeds eighteen per cent, the 36833
department shall immediately notify the county department of job 36834
and family services. 36835

(G) Only participation in Ohio works first on or after 36836
October 1, 1997, applies to the time limit established by this 36837
section. The time limit applies regardless of the source of 36838
funding for the program. Assistance under Title IV-A provided by 36839
any state applies to the time limit. The time limit is a lifetime 36840
limit. No assistance group shall receive assistance under the 36841
program in violation of the time limit for assistance under Title 36842
IV-A established by section 408(a)(7) of the "Social Security 36843
Act," as amended by the "Personal Responsibility and Work 36844
Opportunity Reconciliation Act of 1996," 110 Stat. 2105, 42 36845

U.S.C.A. 608 (a)(7).

~~Sec. 5108.07~~ 5108.05. The department of job and family services shall develop a model design for the prevention, retention, and contingency program that county departments of job and family services may adopt under section ~~5108.08~~ 5108.06 of the Revised Code. ~~The model design must be consistent with Title IV-A, federal regulations, state law, the Title IV-A state plan submitted to the United States secretary of health and human services under section 5101.80 of the Revised Code, and amendments to the plan.~~ No rules shall be adopted to develop the model design. The department shall provide each county department a written copy of the model design.

~~Sec. 5108.08~~ 5108.06. Each county department of job and family services shall either adopt the model design for the prevention, retention, and contingency program the department of job and family services develops under section ~~5108.07~~ 5108.05 of the Revised Code or develop its own policies for the program. To develop its own policies, a county department shall adopt a written statement of the policies governing the program. The policies may be a modification of the model design, different from the model design, or a combination. ~~The policies shall establish or specify eligibility requirements, assistance or services to be provided under the program, administrative requirements, and other matters the county department determines necessary.~~ A county department may amend its statement of policies to modify, terminate, and establish new policies. ~~The policies must be consistent with Title IV-A, federal regulations, state law, the Title IV-A state plan submitted to the United States secretary of health and human services under section 5101.80 of the Revised Code, and amendments to the plan.~~

A county department of job and family services shall inform the department of job and family services of whether it has

adopted the model design or developed its own policies for the prevention, retention, and contingency program. If a county department develops its own policies, it shall provide the department a written copy of the statement of policies and any amendments it adopts to the statement.

Sec. 5108.07. The model design for the prevention, retention, and contingency program that the department of job and family services develops under section 5108.05 of the Revised Code and policies for the program that a county department of job and family services may develop under section 5108.06 of the Revised Code shall establish or specify eligibility requirements for assistance groups that apply for the program under section 5108.10 of the Revised Code, benefits and services to be provided under the program to assistance groups, administrative requirements, and other matters the department, in the case of the model design, or a county department, in the case of county policies, determine are necessary.

The model design and a county department's policies may establish eligibility requirements for, and specify benefits and services to be provided to, types of groups, such as students in the same class, that share a common need for the benefits and services. If the model design or a county department's policies include such a provision, the model design or county department's policies shall require that each individual who is to receive the benefits and services meet the eligibility requirements established for the type of group of which the individual is a member. The model design or county department's policies also shall require that the county department providing the benefits and services certify the group's eligibility, specify the duration that the group is to receive the benefits and services, and maintain the eligibility information for each member of the group receiving the benefits and services.

The model design and a county department's policies may specify benefits and services that a county department may provide for the general public, including billboards that promote the prevention, and reduction in the incidence, of out-of-wedlock pregnancies or encourage the formation and maintenance of two-parent families.

The model design and a county department's policies must be consistent with Title IV-A, federal regulations, state law, the Title IV-A state plan submitted to the United States secretary of health and human services under section 5101.80 of the Revised Code, and amendments to the plan. All benefits and services to be provided under the model design or a county department's policies must be allowable uses of federal Title IV-A funds as specified in 42 U.S.C.A. 604(a), except that they may not be "assistance" as defined in 45 C.F.R. 260.31(a). The benefits and services shall be benefits and services that 45 C.F.R. 260.31(b) excludes from the definition of assistance.

Sec. 5108.08. Benefits and services provided under the prevention, retention, and contingency program are inalienable whether by way of assignment, charge, or otherwise and exempt from execution, attachment, garnishment, and other like process.

Sec. 5108.09. When a state hearing under division (B) of section 5101.35 of the Revised Code or an administrative appeal under division (C) of that section is held regarding the prevention, retention, and contingency program, the hearing officer, director of job and family services, or director's designee shall base the decision in the hearing or appeal on the following:

(A) If the county department of job and family services involved in the hearing or appeal adopted the department of job

and family services' model design for the program developed under 36967
section ~~5108.07~~ 5108.05 of the Revised Code, the model design; 36968

(B) If the county department developed its own policies for 36969
the program, the county department's written statement of policies 36970
adopted under section ~~5108.08~~ 5108.06 of the Revised Code and any 36971
amendments the county department adopted to the statement. 36972

Sec. 5108.10. An assistance group seeking to participate in 36973
the prevention, retention, and contingency program shall apply to 36974
a county department of job and family services using an 36975
application containing information the county department requires. 36976

When a county department receives an application for 36977
participation in the prevention, retention, and contingency 36978
program, it shall promptly make an investigation and record of the 36979
circumstances of the applicant in order to ascertain the facts 36980
surrounding the application and to obtain such other information 36981
as may be required. On completion of the investigation, the county 36982
department shall determine whether the applicant is eligible to 36983
participate, the ~~assistance~~ benefits or services the applicant 36984
should receive, and the approximate date when participation is to 36985
begin. 36986

program" or "medicaid" means the program that is authorized by 36988

medicaid program. As the single state agency, the department shall 36998
comply with 42 C.F.R. 431.10(e). The department's rules governing 36999
medicaid are binding on other agencies that administer components 37000
of the medicaid program. No agency may establish, by rule or 37001
otherwise, a policy governing medicaid that is inconsistent with a 37002
medicaid policy established, in rule or otherwise, by the director 37003
of job and family services. 37004

waivers granted pursuant to requests made under former section 37014
5101.09 of the Revised Code, and rules adopted by the department 37015
or any changes the department makes to those requirements in 37016
accordance with paragraph (a)(2) of section 114 of the "Personal 37017
Responsibility and Work Opportunity Reconciliation Act of 1996," 37018

(C) The department may expand eligibility for medical 37069
assistance to include individuals under age nineteen with family 37070

values established by the United States department of health and 37343
human services. Except as modified in rules adopted under division 37344
(A)(1)(c) of this section, the department also shall use the 37345
grouper methodology used on June 30, 1999, by the United States 37346
department of health and human services for prospective payment of 37347
skilled nursing facilities under the medicare program established 37348
by Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 37349

(b) Express all of the case-mix values in numeric terms that 37355
are different from the terms specified by the United States 37356
department of health and human services but that do not alter the 37357
relationship of the case-mix values to one another; 37358

(c) Modify the grouper methodology as follows: 37359

(i) Establish a different hierarchy for assigning residents 37360
to case-mix categories under the methodology; 37361

methodology; 37363

(iii) Incorporate changes to the methodology the United 37364

States department of health and human services makes after June 30, 1999+ 37365
37366

~~(iv) Make other changes the medicaid long-term care reimbursement study council established by section 5111.34 of the Revised Code approves. 37367
37368
37369~~

(2) The department shall determine case-mix scores for 37370
intermediate care facilities for the mentally retarded using data 37371
for each resident, regardless of payment source, from a resident 37372
assessment instrument and grouper methodology prescribed in rules 37373
adopted in accordance with Chapter 119. of the Revised Code and 37374
expressed in case-mix values established by the department in 37375
those rules. ~~The department may change the grouper methodology 37376
prescribed in rules in effect on June 30, 1999, only if the 37377
medicaid long-term care reimbursement study council approves the 37378
change. 37379~~

(B) Not later than fifteen days after the end of each 37380
calendar quarter, each nursing facility and intermediate care 37381
facility for the mentally retarded shall submit to the department 37382
the complete assessment data, from the instrument specified in 37383
rules adopted under division (A) of this section, for each 37384
resident, regardless of payment source, who was in the facility or 37385
on hospital or therapeutic leave from the facility on the last day 37386
of the quarter. 37387

Except as provided in division (C) of this section, the 37388
department, after the end of each calendar year and pursuant to 37389
procedures specified in rules adopted in accordance with Chapter 37390
119. of the Revised Code, shall calculate an annual average 37391
case-mix score for each nursing facility and intermediate care 37392
facility for the mentally retarded using the facility's quarterly 37393
case-mix scores for that calendar year. 37394

(C)(1) If a facility does not timely submit information for a 37395

calendar quarter necessary to calculate its case-mix score, or 37396
submits incomplete or inaccurate information for a calendar 37397
quarter, the department may assign the facility a quarterly 37398
average case-mix score that is five per cent less than the 37399
facility's quarterly average case-mix score for the preceding 37400
calendar quarter. If the facility was subject to an exception 37401
review under division (C) of section 5111.27 of the Revised Code 37402
for the preceding calendar quarter, the department may assign a 37403
quarterly average case-mix score that is five per cent less than 37404
the score determined by the exception review. If the facility was 37405
assigned a quarterly average case-mix score for the preceding 37406
quarter, the department may assign a quarterly average case-mix 37407
score that is five per cent less than that score assigned for the 37408
preceding quarter. 37409

The department may use a quarterly average case-mix score 37410
assigned under division (C)(1) of this section, instead of a 37411
quarterly average case-mix score calculated based on the 37412
facility's submitted information, to calculate the facility's rate 37413
for direct care costs being established under section 5111.23 of 37414
the Revised Code for one or more months, as specified in rules 37415
adopted under division (D) of this section, of the quarter for 37416
which the rate established under section 5111.23 of the Revised 37417
Code will be paid. 37418

Before taking action under division (C)(1) of this section, 37419
the department shall permit the facility a reasonable period of 37420
time, specified in rules adopted under division (D) of this 37421
section, to correct the information. In the case of an 37422
intermediate care facility for the mentally retarded, the 37423
department shall not assign a quarterly average case-mix score due 37424
to late submission of corrections to assessment information unless 37425
the facility fails to submit corrected information prior to the 37426
eighty-first day after the end of the calendar quarter to which 37427

the information pertains. In the case of a nursing facility, the 37428
department shall not assign a quarterly average case-mix score due 37429
to late submission of corrections to assessment information unless 37430
the facility fails to submit corrected information prior to the 37431
earlier of the eighty-first day after the end of the calendar 37432
quarter to which the information pertains or the deadline for 37433
submission of such corrections established by regulations adopted 37434
by the United States department of health and human services under 37435
Titles XVIII and XIX of the Social Security Act. 37436

(2) If a facility is paid a rate calculated using a quarterly 37437
average case-mix score assigned under division (C)(1) of this 37438
section for more than six months in a calendar year, the 37439
department may assign the facility a cost per case-mix unit that 37440
is five per cent less than the facility's actual or assigned cost 37441
per case-mix unit for the preceding calendar year. The department 37442
may use the assigned cost per case-mix unit, instead of 37443
calculating the facility's actual cost per case-mix unit in 37444
accordance with section 5111.23 of the Revised Code, to establish 37445
the facility's rate for direct care costs for the following fiscal 37446
year. 37447

(3) The department shall take action under division (C)(1) or 37448
(2) of this section only in accordance with rules adopted under 37449
division (D) of this section. The department shall not take an 37450
action that affects rates for prior payment periods except in 37451
accordance with sections 5111.27 and 5111.28 of the Revised Code. 37452

(D) The director may adopt rules in accordance with Chapter 37453
119. of the Revised Code that do any of the following: 37454

(1) Specify the medium or media through which the completed 37455
assessment information shall be submitted; 37456

(2) Establish procedures under which the department will 37457
review assessment information for accuracy and notify the facility 37458

of any information that requires correction; 37459

(3) Establish procedures for facilities to correct assessment 37460
information. The procedures may prohibit an intermediate care 37461
facility for the mentally retarded from submitting corrected 37462
assessment information, for the purpose of calculating its annual 37463
average case-mix score, more than two calendar quarters after the 37464
end of the quarter to which the information pertains or, if the 37465
information pertains to the quarter ending the thirty-first day of 37466
December, after the thirty-first day of the following March. The 37467
procedures may limit the content of corrections by nursing 37468
facilities in the manner required by regulations adopted by the 37469
United States department of health and human services under Titles 37470
XVIII and XIX of the Social Security Act and prohibit a nursing 37471
facility from submitting corrected assessment information, for the 37472
purpose of calculating its annual average case-mix score, more 37473
than the earlier of the following: 37474
37475

(a) Two calendar quarters after the end of the quarter to 37476
which the information pertains or, if the information pertains to 37477
the quarter ending the thirty-first day of December, after the 37478
thirty-first day of the following March; 37479

(b) The deadline for submission of such corrections 37480
established by regulations adopted by the United States department 37481
of health and human services under Titles XVIII and XIX of the 37482
Social Security Act. 37483

(4) Specify when and how the department will assign case-mix 37484
scores or costs per case-mix unit under division (C) of this 37485
section if information necessary to calculate the facility's 37486
average annual or quarterly case-mix score is not provided or 37487
corrected in accordance with the procedures established by the 37488
rules. Notwithstanding any other provision of sections 5111.20 to 37489
5111.32 of the Revised Code, the rules also may provide for 37490

exclusion of case-mix scores assigned under division (C) of this 37491
section from calculation of the facility's annual average case-mix 37492
score and the maximum cost per case-mix unit for the facility's 37493
peer group. 37494

Sec. 5111.25. (A) The department of job and family services 37495
shall pay each eligible nursing facility a per resident per day 37496
rate for its reasonable capital costs established prospectively 37497
each fiscal year for each facility. Except as otherwise provided 37498
in sections 5111.20 to 5111.32 of the Revised Code, the rate shall 37499
be based on the facility's capital costs for the calendar year 37500
preceding the fiscal year in which the rate will be paid. The rate 37501
shall equal the sum of divisions (A)(1) to (3) of this section: 37502

(1) The lesser of the following: 37503
37504

(a) Eighty-eight and sixty-five one-hundredths per cent of 37505
the facility's desk-reviewed, actual, allowable, per diem cost of 37506
ownership and eighty-five per cent of the facility's actual, 37507
allowable, per diem cost of nonextensive renovation determined 37508
under division (F) of this section; 37509

(b) Eighty-eight and sixty-five one-hundredths per cent of 37510
the following limitation: 37511

(i) For the fiscal year beginning July 1, 1993, sixteen 37512
dollars per resident day; 37513

(ii) For the fiscal year beginning July 1, 1994, sixteen 37514
dollars per resident day, adjusted to reflect the rate of 37515
inflation for the twelve-month period beginning July 1, 1992, and 37516
ending June 30, 1993, using the consumer price index for shelter 37517
costs for all urban consumers for the north central region, 37518
published by the United States bureau of labor statistics; 37519

(iii) For subsequent fiscal years, the limitation in effect 37520

during the previous fiscal year, adjusted to reflect the rate of 37521
inflation for the twelve-month period beginning on the first day 37522
of July for the calendar year preceding the calendar year that 37523
precedes the fiscal year and ending on the following thirtieth day 37524
of June, using the consumer price index for shelter costs for all 37525
urban consumers for the north central region, published by the 37526
United States bureau of labor statistics. 37527

(2) Any efficiency incentive determined under division (D) of 37528
this section; 37529

(3) Any amounts for return on equity determined under 37530
division (H) of this section. 37531

Buildings shall be depreciated using the straight line method 37532
over forty years or over a different period approved by the 37533
department. Components and equipment shall be depreciated using 37534
the straight-line method over a period designated in rules adopted 37535
by the director of job and family services in accordance with 37536
Chapter 119. of the Revised Code, consistent with the guidelines 37537
of the American hospital association, or over a different period 37538
approved by the department. Any rules adopted under this division 37539
that specify useful lives of buildings, components, or equipment 37540
apply only to assets acquired on or after July 1, 1993. 37541
Depreciation for costs paid or reimbursed by any government agency 37542
shall not be included in cost of ownership or renovation unless 37543
that part of the payment under sections 5111.20 to 5111.32 of the 37544
Revised Code is used to reimburse the government agency. 37545

(B) The capital cost basis of nursing facility assets shall 37546
be determined in the following manner: 37547

(1) For purposes of calculating the rate to be paid for the 37548
fiscal year beginning July 1, 1993, for facilities with dates of 37549
licensure on or before June 30, 1993, the capital cost basis shall 37550
be equal to the following: 37551

(a) For facilities that have not had a change of ownership 37552
during the period beginning January 1, 1993, and ending June 30, 37553
1993, the desk-reviewed, actual, allowable capital cost basis that 37554
is listed on the facility's cost report for the cost reporting 37555
period ending December 31, 1992, plus the actual, allowable 37556
capital cost basis of any assets constructed or acquired after 37557
December 31, 1992, but before July 1, 1993, if the aggregate 37558
capital costs of those assets would increase the facility's rate 37559
for capital costs by twenty or more cents per resident per day. 37560

(b) For facilities that have a date of licensure or had a 37561
change of ownership during the period beginning January 1, 1993, 37562
and ending June 30, 1993, the actual, allowable capital cost basis 37563
of the person or government entity that owns the facility on June 37564
30, 1993. 37565

Capital cost basis shall be calculated as provided in 37566
division (B)(1) of this section subject to approval by the United 37567
States health care financing administration of any necessary 37568
amendment to the state plan for providing medical assistance. 37569

The department shall include the actual, allowable capital 37570
cost basis of assets constructed or acquired during the period 37571
beginning January 1, 1993, and ending June 30, 1993, in the 37572
calculation for the facility's rate effective July 1, 1993, if the 37573
aggregate capital costs of the assets would increase the 37574
facility's rate by twenty or more cents per resident per day and 37575
the facility provides the department with sufficient documentation 37576
of the costs before June 1, 1993. If the facility provides the 37577
documentation after that date, the department shall adjust the 37578
facility's rate to reflect the costs of the assets one month after 37579
the first day of the month after the department receives the 37580
documentation. 37581

(2) Except as provided in division (B)(4) of this section, 37582
for purposes of calculating the rates to be paid for fiscal years 37583

beginning after June 30, 1994, for facilities with dates of
licensure on or before June 30, 1993, the capital cost basis of
each asset shall be equal to the desk-reviewed, actual, allowable,
capital cost basis that is listed on the facility's cost report
for the calendar year preceding the fiscal year during which the
rate will be paid.

(3) For facilities with dates of licensure after June 30,
1993, the capital cost basis shall be determined in accordance
with the principles of the medicare program established under
Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42
U.S.C.A. 301, as amended, except as otherwise provided in sections
5111.20 to 5111.32 of the Revised Code.

(4) Except as provided in division (B)(5) of this section, if
a provider transfers an interest in a facility to another provider
after June 30, 1993, there shall be no increase in the capital
cost basis of the asset if the providers are related parties. If
the providers are not related parties or if they are related
parties and division (B)(5) of this section requires the
adjustment of the capital cost basis under this division, the
basis of the asset shall be adjusted by the lesser of the
following:

(a) One-half of the change in construction costs during the
time that the transferor held the asset, as calculated by the
department of job and family services using the "Dodge building
cost indexes, northeastern and north central states," published by
Marshall and Swift;

(b) One-half of the change in the consumer price index for
all items for all urban consumers, as published by the United
States bureau of labor statistics, during the time that the
transferor held the asset.

(5) If a provider transfers an interest in a facility to

another provider who is a related party, the capital cost basis of 37615
the asset shall be adjusted as specified in division (B)(4) of 37616
this section for a transfer to a provider that is not a related 37617
party if all of the following conditions are met: 37618

(a) The related party is a relative of owner; 37619

(b) Except as provided in division (B)(5)(c)(ii) of this 37620
section, the provider making the transfer retains no ownership 37621
interest in the facility; 37622

(c) The department of job and family services determines that 37623
the transfer is an arm's length transaction pursuant to rules the 37624
department shall adopt in accordance with Chapter 119. of the 37625
Revised Code no later than December 31, 2000. The rules shall 37626
provide that a transfer is an arm's length transaction if all of 37627
the following apply: 37628

(i) Once the transfer goes into effect, the provider that 37629
made the transfer has no direct or indirect interest in the 37630
provider that acquires the facility or the facility itself, 37631
including interest as an owner, officer, director, employee, 37632
independent contractor, or consultant, but excluding interest as a 37633
creditor. 37634

(ii) The provider that made the transfer does not reacquire 37635
an interest in the facility except through the exercise of a 37636
creditor's rights in the event of a default. If the provider 37637
reacquires an interest in the facility in this manner, the 37638
department shall treat the facility as if the transfer never 37639
occurred when the department calculates its reimbursement rates 37640
for capital costs. 37641

(iii) The transfer satisfies any other criteria specified in 37642
the rules. 37643

(d) Except in the case of hardship caused by a catastrophic 37644
event, as determined by the department, or in the case of a 37645

provider making the transfer who is at least sixty-five years of 37646
age, not less than twenty years have elapsed since, for the same 37647
facility, the capital cost basis was adjusted most recently under 37648
division (B)(5) of this section or actual, allowable cost of 37649
ownership was determined most recently under division (C)(9) of 37650
this section. 37651

(C) As used in this division, "lease expense" means lease 37652
payments in the case of an operating lease and depreciation 37653
expense and interest expense in the case of a capital lease. As 37654
used in this division, "new lease" means a lease, to a different 37655
lessee, of a nursing facility that previously was operated under a 37656
lease. 37657

(1) Subject to the limitation specified in division (A)(1) of 37658
this section, for a lease of a facility that was effective on May 37659
27, 1992, the entire lease expense is an actual, allowable cost of 37660
ownership during the term of the existing lease. The entire lease 37661
expense also is an actual, allowable cost of ownership if a lease 37662
in existence on May 27, 1992, is renewed under either of the 37663
following circumstances: 37664

(a) The renewal is pursuant to a renewal option that was in 37665
existence on May 27, 1992; 37666

(b) The renewal is for the same lease payment amount and 37667
between the same parties as the lease in existence on May 27, 37668
1992. 37669

(2) Subject to the limitation specified in division (A)(1) of 37670
this section, for a lease of a facility that was in existence but 37671
not operated under a lease on May 27, 1992, actual, allowable cost 37672
of ownership shall include the lesser of the annual lease expense 37673
or the annual depreciation expense and imputed interest expense 37674
that would be calculated at the inception of the lease using the 37675
lessor's entire historical capital asset cost basis, adjusted by 37676

the lesser of the following amounts: 37677

(a) One-half of the change in construction costs during the 37678
time the lessor held each asset until the beginning of the lease, 37679
as calculated by the department using the "Dodge building cost 37680
indexes, northeastern and north central states," published by 37681
Marshall and Swift; 37682

(b) One-half of the change in the consumer price index for 37683
all items for all urban consumers, as published by the United 37684
States bureau of labor statistics, during the time the lessor held 37685
each asset until the beginning of the lease. 37686

(3) Subject to the limitation specified in division (A)(1) of 37687
this section, for a lease of a facility with a date of licensure 37688
on or after May 27, 1992, that is initially operated under a 37689
lease, actual, allowable cost of ownership shall include the 37690
annual lease expense if there was a substantial commitment of 37691
money for construction of the facility after December 22, 1992, 37692
and before July 1, 1993. If there was not a substantial commitment 37693
of money after December 22, 1992, and before July 1, 1993, actual, 37694
allowable cost of ownership shall include the lesser of the annual 37695
lease expense or the sum of the following: 37696

(a) The annual depreciation expense that would be calculated 37697
at the inception of the lease using the lessor's entire historical 37698
capital asset cost basis; 37699

(b) The greater of the lessor's actual annual amortization of 37700
financing costs and interest expense at the inception of the lease 37701
or the imputed interest expense calculated at the inception of the 37702
lease using seventy per cent of the lessor's historical capital 37703
asset cost basis. 37704

(4) Subject to the limitation specified in division (A)(1) of 37705
this section, for a lease of a facility with a date of licensure 37706
on or after May 27, 1992, that was not initially operated under a 37707

lease and has been in existence for ten years, actual, allowable
cost of ownership shall include the lesser of the annual lease
expense or the annual depreciation expense and imputed interest
expense that would be calculated at the inception of the lease
using the entire historical capital asset cost basis of the
lessor, adjusted by the lesser of the following:

(a) One-half of the change in construction costs during the
time the lessor held each asset until the beginning of the lease,
as calculated by the department using the "Dodge building cost
indexes, northeastern and north central states," published by
Marshall and Swift;

(b) One-half of the change in the consumer price index for
all items for all urban consumers, as published by the United
States bureau of labor statistics, during the time the lessor held
each asset until the beginning of the lease.

(5) Subject to the limitation specified in division (A)(1) of
this section, for a new lease of a facility that was operated
under a lease on May 27, 1992, actual, allowable cost of ownership
shall include the lesser of the annual new lease expense or the
annual old lease payment. If the old lease was in effect for ten
years or longer, the old lease payment from the beginning of the
old lease shall be adjusted by the lesser of the following:

(a) One-half of the change in construction costs from the
beginning of the old lease to the beginning of the new lease, as
calculated by the department using the "Dodge building cost
indexes, northeastern and north central states," published by
Marshall and Swift;

(b) One-half of the change in the consumer price index for
all items for all urban consumers, as published by the United
States bureau of labor statistics, from the beginning of the old
lease to the beginning of the new lease.

(6) Subject to the limitation specified in division (A)(1) of this section, for a new lease of a facility that was not in existence or that was in existence but not operated under a lease on May 27, 1992, actual, allowable cost of ownership shall include the lesser of annual new lease expense or the annual amount calculated for the old lease under division (C)(2), (3), (4), or (6) of this section, as applicable. If the old lease was in effect for ten years or longer, the lessor's historical capital asset cost basis shall be adjusted by the lesser of the following for purposes of calculating the annual amount under division (C)(2), (3), (4), or (6) of this section:

(a) One-half of the change in construction costs from the beginning of the old lease to the beginning of the new lease, as calculated by the department using the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift;

(b) One-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, from the beginning of the old lease to the beginning of the new lease.

In the case of a lease under division (C)(3) of this section of a facility for which a substantial commitment of money was made after December 22, 1992, and before July 1, 1993, the old lease payment shall be adjusted for the purpose of determining the annual amount.

(7) For any revision of a lease described in division (C)(1), (2), (3), (4), (5), or (6) of this section, or for any subsequent lease of a facility operated under such a lease, other than execution of a new lease, the portion of actual, allowable cost of ownership attributable to the lease shall be the same as before the revision or subsequent lease.

(8) Except as provided in division (C)(9) of this section, if a provider leases an interest in a facility to another provider who is a related party, the related party's actual, allowable cost of ownership shall include the lesser of the annual lease expense or the reasonable cost to the lessor.

(9) If a provider leases an interest in a facility to another provider who is a related party, regardless of the date of the lease, the related party's actual, allowable cost of ownership shall include the annual lease expense, subject to the limitations specified in divisions (C)(1) to (7) of this section, if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) If the lessor retains an ownership interest, it is, except as provided in division (C)(9)(c)(ii) of this section, in only the real property and any improvements on the real property;

(c) The department of job and family services determines that the lease is an arm's length transaction pursuant to rules the department shall adopt in accordance with Chapter 119. of the Revised Code no later than December 31, 2000. The rules shall provide that a lease is an arm's length transaction if all of the following apply:

(i) Once the lease goes into effect, the lessor has no direct or indirect interest in the lessee or, except as provided in division (C)(9)(b) of this section, the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a lessor.

(ii) The lessor does not reacquire an interest in the facility except through the exercise of a lessor's rights in the event of a default. If the lessor reacquires an interest in the facility in this manner, the department shall treat the facility

as if the lease never occurred when the department calculates its reimbursement rates for capital costs. 37801
37802

(iii) The lease satisfies any other criteria specified in the rules. 37803
37804

(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a lessor who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (B)(5) of this section or actual, allowable cost of ownership was determined most recently under division (C)(9) of this section. 37805
37806
37807
37808
37809
37810
37811

(10) This division does not apply to leases of specific items of equipment. 37812
37813

(D)(1) Subject to division (D)(2) of this section, the department shall pay each nursing facility an efficiency incentive that is equal to fifty per cent of the difference between the following: 37814
37815
37816
37817

(a) Eighty-eight and sixty-five one-hundredths per cent of the facility's desk-reviewed, actual, allowable, per diem cost of ownership; 37818
37819
37820

(b) The applicable amount specified in division (E) of this section. 37821
37822

(2) The efficiency incentive paid to a nursing facility shall not exceed the greater of the following: 37823
37824

(a) The efficiency incentive the facility was paid during the fiscal year ending June 30, 1994; 37825
37826

(b) Three dollars per resident per day, adjusted annually for rates paid beginning July 1, 1994, for the inflation rate for the twelve-month period beginning on the first day of July of the calendar year preceding the calendar year that precedes the fiscal 37827
37828
37829
37830

year for which the efficiency incentive is determined and ending 37831
on the thirtieth day of the following June, using the consumer 37832
price index for shelter costs for all urban consumers for the 37833
north central region, as published by the United States bureau of 37834
labor statistics. 37835

(3) For purposes of calculating the efficiency incentive, 37836
depreciation for costs that are paid or reimbursed by any 37837
government agency shall be considered as costs of ownership, and 37838
renovation costs that are paid under division (F) of this section 37839
shall not be considered costs of ownership. 37840

(E) The following amounts shall be used to calculate 37841
efficiency incentives for nursing facilities under this section: 37842

(1) For facilities with dates of licensure prior to January 37843
1, 1958, four dollars and twenty-four cents per patient day; 37844

(2) For facilities with dates of licensure after December 31, 37845
1957, but prior to January 1, 1968: 37846

(a) Five dollars and twenty-four cents per patient day if the 37847
cost of construction was three thousand five hundred dollars or 37848
more per bed; 37849

(b) Four dollars and twenty-four cents per patient day if the 37850
cost of construction was less than three thousand five hundred 37851
dollars per bed. 37852

(3) For facilities with dates of licensure after December 31, 37853
1967, but prior to January 1, 1976: 37854

(a) Six dollars and twenty-four cents per patient day if the 37855
cost of construction was five thousand one hundred fifty dollars 37856
or more per bed; 37857

(b) Five dollars and twenty-four cents per patient day if the 37858
cost of construction was less than five thousand one hundred fifty 37859
dollars per bed, but exceeded three thousand five hundred dollars 37860

per bed;	37861
(c) Four dollars and twenty-four cents per patient day if the cost of construction was three thousand five hundred dollars or less per bed.	37862 37863 37864
(4) For facilities with dates of licensure after December 31, 1975, but prior to January 1, 1979:	37865 37866
(a) Seven dollars and twenty-four cents per patient day if the cost of construction was six thousand eight hundred dollars or more per bed;	37867 37868 37869
(b) Six dollars and twenty-four cents per patient day if the cost of construction was less than six thousand eight hundred dollars per bed but exceeded five thousand one hundred fifty dollars per bed;	37870 37871 37872 37873
(c) Five dollars and twenty-four cents per patient day if the cost of construction was five thousand one hundred fifty dollars or less per bed, but exceeded three thousand five hundred dollars per bed;	37874 37875 37876 37877
(d) Four dollars and twenty-four cents per patient day if the cost of construction was three thousand five hundred dollars or less per bed.	37878 37879 37880
(5) For facilities with dates of licensure after December 31, 1978, but prior to January 1, 1981:	37881 37882
(a) Seven dollars and seventy-four cents per patient day if the cost of construction was seven thousand six hundred twenty-five dollars or more per bed;	37883 37884 37885
(b) Seven dollars and twenty-four cents per patient day if the cost of construction was less than seven thousand six hundred twenty-five dollars per bed but exceeded six thousand eight hundred dollars per bed;	37886 37887 37888 37889
(c) Six dollars and twenty-four cents per patient day if the	37890

cost of construction was six thousand eight hundred dollars or 37891
less per bed but exceeded five thousand one hundred fifty dollars 37892
per bed; 37893

(d) Five dollars and twenty-four cents per patient day if the 37894
cost of construction was five thousand one hundred fifty dollars 37895
or less but exceeded three thousand five hundred dollars per bed; 37896
37897

(e) Four dollars and twenty-four cents per patient day if the 37898
cost of construction was three thousand five hundred dollars or 37899
less per bed. 37900

(6) For facilities with dates of licensure in 1981 or any 37901
year thereafter prior to December 22, 1992, the following amount: 37902

(a) For facilities with construction costs less than seven 37903
thousand six hundred twenty-five dollars per bed, the applicable 37904
amounts for the construction costs specified in divisions 37905
(E)(5)(b) to (e) of this section; 37906

(b) For facilities with construction costs of seven thousand 37907
six hundred twenty-five dollars or more per bed, six dollars per 37908
patient day, provided that for 1981 and annually thereafter prior 37909
to December 22, 1992, department shall do both of the following to 37910
the six-dollar amount: 37911

(i) Adjust the amount for fluctuations in construction costs 37912
calculated by the department using the "Dodge building cost 37913
indexes, northeastern and north central states," published by 37914
Marshall and Swift, using 1980 as the base year; 37915

(ii) Increase the amount, as adjusted for inflation under 37916
division (E)(6)(b)(i) of this section, by one dollar and 37917
seventy-four cents. 37918

(7) For facilities with dates of licensure on or after 37919
January 1, 1992, seven dollars and ninety-seven cents, adjusted 37920

for fluctuations in construction costs between 1991 and 1993 as 37921
calculated by the department using the "Dodge building cost 37922
indexes, northeastern and north central states," published by 37923
Marshall and Swift, and then increased by one dollar and 37924
seventy-four cents. 37925

For the fiscal year that begins July 1, 1994, each of the 37926
amounts listed in divisions (E)(1) to (7) of this section shall be 37927
increased by twenty-five cents. For the fiscal year that begins 37928
July 1, 1995, each of those amounts shall be increased by an 37929
additional twenty-five cents. For subsequent fiscal years, each of 37930
those amounts, as increased for the prior fiscal year, shall be 37931
adjusted to reflect the rate of inflation for the twelve-month 37932
period beginning on the first day of July of the calendar year 37933
preceding the calendar year that precedes the fiscal year and 37934
ending on the following thirtieth day of June, using the consumer 37935
price index for shelter costs for all urban consumers for the 37936
north central region, as published by the United States bureau of 37937
labor statistics. 37938

If the amount established for a nursing facility under this 37939
division is less than the amount that applied to the facility 37940
under division (B) of former section 5111.25 of the Revised Code, 37941
as the former section existed immediately prior to December 22, 37942
1992, the amount used to calculate the efficiency incentive for 37943
the facility under division (D)(2) of this section shall be the 37944
amount that was calculated under division (B) of the former 37945
section. 37946

(F) Beginning July 1, 1993, regardless of the facility's date 37947
of licensure or the date of the nonextensive renovations, the rate 37948
for the costs of nonextensive renovations for nursing facilities 37949
shall be eighty-five per cent of the desk-reviewed, actual, 37950
allowable, per diem, nonextensive renovation costs. This division 37951
applies to nonextensive renovations regardless of whether they are 37952

made by an owner or a lessee. If the tenancy of a lessee that has
made nonextensive renovations ends before the depreciation expense
for the renovation costs has been fully reported, the former
lessee shall not report the undepreciated balance as an expense.

(1) For a nonextensive renovation made after July 1, 1993, to
qualify for payment under this division, both of the following
conditions must be met:

(a) At least five years have elapsed since the date of
licensure of the portion of the facility that is proposed to be
renovated, except that this condition does not apply if the
renovation is necessary to meet the requirements of federal,
state, or local statutes, ordinances, rules, or policies.

(b) The provider has obtained prior approval from the
department of job and family services, and if required the
director of health has granted a certificate of need for the
renovation under section 3702.52 of the Revised Code. The provider
shall submit a plan that describes in detail the changes in
capital assets to be accomplished by means of the renovation and
the timetable for completing the project. The time for completion
of the project shall be no more than eighteen months after the
renovation begins. The department of job and family services shall
adopt rules in accordance with Chapter 119. of the Revised Code
that specify criteria and procedures for prior approval of
renovation projects. No provider shall separate a project with the
intent to evade the characterization of the project as a
renovation or as an extensive renovation. No provider shall
increase the scope of a project after it is approved by the
department of job and family services unless the increase in scope
is approved by the department.

(2) The payment provided for in this division is the only
payment that shall be made for the costs of a nonextensive

renovation. Nonextensive renovation costs shall not be included in 37985
costs of ownership, and a nonextensive renovation shall not affect 37986
the date of licensure for purposes of calculating the efficiency 37987
incentive under divisions (D) and (E) of this section. 37988

(G) The owner of a nursing facility operating under a 37989
provider agreement shall provide written notice to the department 37990
of job and family services at least forty-five days prior to 37991
entering into any contract of sale for the facility or voluntarily 37992
terminating participation in the medical assistance program. After 37993
the date on which a transaction of sale is closed, the owner shall 37994
refund to the department the amount of excess depreciation paid to 37995
the facility by the department for each year the owner has 37996
operated the facility under a provider agreement and prorated 37997
according to the number of medicaid patient days for which the 37998
facility has received payment. If a nursing facility is sold after 37999
five or fewer years of operation under a provider agreement, the 38000
refund to the department shall be equal to the excess depreciation 38001
paid to the facility. If a nursing facility is sold after more 38002
than five years but less than ten years of operation under a 38003
provider agreement, the refund to the department shall equal the 38004
excess depreciation paid to the facility multiplied by twenty per 38005
cent, multiplied by the difference between ten and the number of 38006
years that the facility was operated under a provider agreement. 38007
If a nursing facility is sold after ten or more years of operation 38008
under a provider agreement, the owner shall not refund any excess 38009
depreciation to the department. The owner of a facility that is 38010
sold or that voluntarily terminates participation in the medical 38011
assistance program also shall refund any other amount that the 38012
department properly finds to be due after the audit conducted 38013
under this division. For the purposes of this division, 38014
"depreciation paid to the facility" means the amount paid to the 38015
nursing facility for cost of ownership pursuant to this section 38016

less any amount paid for interest costs, amortization of financing 38017
costs, and lease expenses. For the purposes of this division, 38018
"excess depreciation" is the nursing facility's depreciated basis, 38019
which is the owner's cost less accumulated depreciation, 38020
subtracted from the purchase price net of selling costs but not 38021
exceeding the amount of depreciation paid to the facility. 38022

38023
A cost report shall be filed with the department within 38024
ninety days after the date on which the transaction of sale is 38025
closed or participation is voluntarily terminated. The report 38026
shall show the accumulated depreciation, the sales price, and 38027
other information required by the department. The department shall 38028
provide for a bank, trust company, or savings and loan association 38029
to hold in escrow the amount of the last two monthly payments to a 38030
nursing facility made pursuant to division (A)(1) of section 38031
5111.22 of the Revised Code before a sale or termination of 38032
participation ~~shall be held in escrow by a bank, trust company, or~~ 38033
~~savings and loan association, except that if~~ or, if the owner 38034
fails, within the time required by this division, to notify the 38035
department before entering into a contract of sale for the 38036
facility, the amount of the first two monthly payments made to the 38037
facility after the department learns of the contract, regardless 38038
of whether a new owner is in possession of the facility. If the 38039
amount the owner will be required to refund under this section is 38040
likely to be less than the amount of the ~~last~~ two monthly payments 38041
otherwise put into escrow under this division, the department 38042
shall take one of the following actions instead of withholding the 38043
amount of the ~~last~~ two monthly payments: 38044

(1) In the case of an owner that owns other facilities that 38045
participate in the medical assistance program, obtain a promissory 38046
note in an amount sufficient to cover the amount likely to be 38047
refunded; 38048

(2) In the case of all other owners, withhold the amount of 38049
the last monthly payment to the nursing facility or, if the owner 38050
fails, within the time required by this division, to notify the 38051
department before entering into a contract of sale for the 38052
facility, the amount of the first monthly payment made to the 38053
facility after the department learns of the contract, regardless 38054
of whether a new owner is in possession of the facility. 38055

The department shall, within ninety days following the filing 38056
of the cost report, audit the cost report and issue an audit 38057
report to the owner. The department also may audit any other cost 38058
report that the facility has filed during the previous three 38059
years. In the audit report, the department shall state its 38060
findings and the amount of any money owed to the department by the 38061
nursing facility. The findings shall be subject to adjudication 38062
conducted in accordance with Chapter 119. of the Revised Code. No 38063
later than fifteen days after the owner agrees to a settlement, 38064
any funds held in escrow less any amounts due to the department 38065
shall be released to the owner and amounts due to the department 38066
shall be paid to the department. If the amounts in escrow are less 38067
than the amounts due to the department, the balance shall be paid 38068
to the department within fifteen days after the owner agrees to a 38069
settlement. If the department does not issue its audit report 38070
within the ninety-day period, the department shall release any 38071
money held in escrow to the owner. For the purposes of this 38072
section, a transfer of corporate stock, the merger of one 38073
corporation into another, or a consolidation does not constitute a 38074
sale. 38075

If a nursing facility is not sold or its participation is not 38076
terminated after notice is provided to the department under this 38077
division, the department shall order any payments held in escrow 38078
released to the facility upon receiving written notice from the 38079
owner that there will be no sale or termination. After written 38080

notice is received from a nursing facility that a sale or
termination will not take place, the facility shall provide notice
to the department at least forty-five days prior to entering into
any contract of sale or terminating participation at any future
time.

(H) The department shall pay each eligible proprietary
nursing facility a return on the facility's net equity computed at
the rate of one and one-half times the average interest rate on
special issues of public debt obligations issued to the federal
hospital insurance trust fund for the cost reporting period,
except that no facility's return on net equity shall exceed ~~one~~
dollar fifty cents per patient day.

When calculating the rate for return on net equity, the
department shall use the greater of the facility's inpatient days
during the applicable cost reporting period or the number of
inpatient days the facility would have had during that period if
its occupancy rate had been ninety-five per cent.

(I) If a nursing facility would receive a lower rate for
capital costs for assets in the facility's possession on July 1,
1993, under this section than it would receive under former
section 5111.25 of the Revised Code, as the former section existed
immediately prior to December 22, 1992, the facility shall receive
for those assets the rate it would have received under the former
section for each fiscal year beginning on or after July 1, 1993,
until the rate it would receive under this section exceeds the
rate it would have received under the former section. Any facility
that receives a rate calculated under the former section 5111.25
of the Revised Code for assets in the facility's possession on
July 1, 1993, also shall receive a rate calculated under this
section for costs of any assets it constructs or acquires after
July 1, 1993.

Sec. 5111.251. (A) The department of job and family services 38112
shall pay each eligible intermediate care facility for the 38113
mentally retarded for its reasonable capital costs, a per resident 38114
per day rate established prospectively each fiscal year for each 38115
intermediate care facility for the mentally retarded. Except as 38116
otherwise provided in sections 5111.20 to 5111.32 of the Revised 38117
Code, the rate shall be based on the facility's capital costs for 38118
the calendar year preceding the fiscal year in which the rate will 38119
be paid. The rate shall equal the sum of the following: 38120

(1) The facility's desk-reviewed, actual, allowable, per diem 38121
cost of ownership for the preceding cost reporting period, limited 38122
as provided in divisions (C) and (F) of this section; 38123

(2) Any efficiency incentive determined under division (B) of 38124
this section; 38125

(3) Any amounts for renovations determined under division (D) 38126
of this section; 38127

(4) Any amounts for return on equity determined under 38128
division (I) of this section. 38129

Buildings shall be depreciated using the straight line method 38130
over forty years or over a different period approved by the 38131
department. Components and equipment shall be depreciated using 38132
the straight line method over a period designated by the director 38133
of job and family services in rules adopted in accordance with 38134
Chapter 119. of the Revised Code, consistent with the guidelines 38135
of the American hospital association, or over a different period 38136
approved by the department of job and family services. Any rules 38137
adopted under this division that specify useful lives of 38138
buildings, components, or equipment apply only to assets acquired 38139
on or after July 1, 1993. Depreciation for costs paid or 38140
reimbursed by any government agency shall not be included in costs 38141
of ownership or renovation unless that part of the payment under 38142

sections 5111.20 to 5111.32 of the Revised Code is used to 38143
reimburse the government agency. 38144

(B) The department of job and family services shall pay to 38145
each intermediate care facility for the mentally retarded an 38146
efficiency incentive equal to fifty per cent of the difference 38147
between any desk-reviewed, actual, allowable cost of ownership and 38148
the applicable limit on cost of ownership payments under division 38149
(C) of this section. For purposes of computing the efficiency 38150
incentive, depreciation for costs paid or reimbursed by any 38151
government agency shall be considered as a cost of ownership, and 38152
the applicable limit under division (C) of this section shall 38153
apply both to facilities with more than eight beds and facilities 38154
with eight or fewer beds. The efficiency incentive paid to a 38155
facility with eight or fewer beds shall not exceed three dollars 38156
per patient day, adjusted annually for the inflation rate for the 38157
twelve-month period beginning on the first day of July of the 38158
calendar year preceding the calendar year that precedes the fiscal 38159
year for which the efficiency incentive is determined and ending 38160
on the thirtieth day of the following June, using the consumer 38161
price index for shelter costs for all urban consumers for the 38162
north central region, as published by the United States bureau of 38163
labor statistics. 38164

(C) Cost of ownership payments to intermediate care 38165
facilities for the mentally retarded with more than eight beds 38166
shall not exceed the following limits: 38167

(1) For facilities with dates of licensure prior to January 38168
1, 1958, not exceeding two dollars and fifty cents per patient 38169
day; 38170

(2) For facilities with dates of licensure after December 31, 38171
1957, but prior to January 1, 1968, not exceeding: 38172

(a) Three dollars and fifty cents per patient day if the cost 38173

of construction was three thousand five hundred dollars or more	38174
per bed;	38175
(b) Two dollars and fifty cents per patient day if the cost	38176
of construction was less than three thousand five hundred dollars	38177
per bed.	38178
(3) For facilities with dates of licensure after December 31,	38179
1967, but prior to January 1, 1976, not exceeding:	38180
(a) Four dollars and fifty cents per patient day if the cost	38181
of construction was five thousand one hundred fifty dollars or	38182
more per bed;	38183
(b) Three dollars and fifty cents per patient day if the cost	38184
of construction was less than five thousand one hundred fifty	38185
dollars per bed, but exceeds three thousand five hundred dollars	38186
per bed;	38187
(c) Two dollars and fifty cents per patient day if the cost	38188
of construction was three thousand five hundred dollars or less	38189
per bed.	38190
(4) For facilities with dates of licensure after December 31,	38191
1975, but prior to January 1, 1979, not exceeding:	38192
(a) Five dollars and fifty cents per patient day if the cost	38193
of construction was six thousand eight hundred dollars or more per	38194
bed;	38195
(b) Four dollars and fifty cents per patient day if the cost	38196
of construction was less than six thousand eight hundred dollars	38197
per bed but exceeds five thousand one hundred fifty dollars per	38198
bed;	38199
(c) Three dollars and fifty cents per patient day if the cost	38200
of construction was five thousand one hundred fifty dollars or	38201
less per bed, but exceeds three thousand five hundred dollars per	38202
bed;	38203

(d) Two dollars and fifty cents per patient day if the cost of construction was three thousand five hundred dollars or less per bed.	38204 38205 38206
(5) For facilities with dates of licensure after December 31, 1978, but prior to January 1, 1980, not exceeding:	38207 38208
(a) Six dollars per patient day if the cost of construction was seven thousand six hundred twenty-five dollars or more per bed;	38209 38210 38211
(b) Five dollars and fifty cents per patient day if the cost of construction was less than seven thousand six hundred twenty-five dollars per bed but exceeds six thousand eight hundred dollars per bed;	38212 38213 38214 38215
(c) Four dollars and fifty cents per patient day if the cost of construction was six thousand eight hundred dollars or less per bed but exceeds five thousand one hundred fifty dollars per bed;	38216 38217 38218
(d) Three dollars and fifty cents per patient day if the cost of construction was five thousand one hundred fifty dollars or less but exceeds three thousand five hundred dollars per bed;	38219 38220 38221
(e) Two dollars and fifty cents per patient day if the cost of construction was three thousand five hundred dollars or less per bed.	38222 38223 38224
(6) For facilities with dates of licensure after December 31, 1979, but prior to January 1, 1981, not exceeding:	38225 38226
(a) Twelve dollars per patient day if the beds were originally licensed as residential facility beds by the department of mental retardation and developmental disabilities;	38227 38228 38229
(b) Six dollars per patient day if the beds were originally licensed as nursing home beds by the department of health.	38230 38231

(14) For facilities with dates of licensure after December 31, 1987, but prior to January 1, 1989, not exceeding thirteen dollars and twenty-six cents per patient day;	38291 38292 38293

(15) For facilities with dates of licensure after December 31, 1988, but prior to January 1, 1990, not exceeding thirteen dollars and forty-six cents per patient day;	38294 38295 38296
(16) For facilities with dates of licensure after December 31, 1989, but prior to January 1, 1991, not exceeding thirteen dollars and sixty cents per patient day;	38297 38298 38299

(18) For facilities with dates of licensure after December 31, 1991, but prior to January 1, 1993, not exceeding thirteen dollars and sixty-seven cents per patient day;	38303 38304 38305
(19) For facilities with dates of licensure after December 31, 1992, not exceeding fourteen dollars and twenty-eight cents per patient day.	38306 38307 38308
(D) Beginning January 1, 1981, regardless of the original date of licensure, the department of job and family services shall pay a rate for the per diem capitalized costs of renovations to intermediate care facilities for the mentally retarded made after January 1, 1981, not exceeding six dollars per patient day using 1980 as the base year and adjusting the amount annually until June 30, 1993, for fluctuations in construction costs calculated by the department using the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift. The payment provided for in this division is the only payment that shall be made for the capitalized costs of a nonextensive renovation of an intermediate care facility for the mentally retarded. Nonextensive renovation costs shall not be included in cost of ownership, and a nonextensive renovation shall not affect the date of licensure for purposes of division (C) of this section. This division applies to nonextensive renovations	38309 38310 38311 38312 38313 38314 38315 38316 38317 38318 38319 38320 38321 38322 38323 38324

regardless of whether they are made by an owner or a lessee. If 38325
the tenancy of a lessee that has made renovations ends before the 38326
depreciation expense for the renovation costs has been fully 38327
reported, the former lessee shall not report the undepreciated 38328
balance as an expense. 38329

For a nonextensive renovation to qualify for payment under 38330
this division, both of the following conditions must be met: 38331

(1) At least five years have elapsed since the date of 38332
licensure or date of an extensive renovation of the portion of the 38333
facility that is proposed to be renovated, except that this 38334
condition does not apply if the renovation is necessary to meet 38335
the requirements of federal, state, or local statutes, ordinances, 38336
rules, or policies. 38337

(2) The provider has obtained prior approval from the 38338
department of job and family services. The provider shall submit a 38339
plan that describes in detail the changes in capital assets to be 38340
accomplished by means of the renovation and the timetable for 38341
completing the project. The time for completion of the project 38342
shall be no more than eighteen months after the renovation begins. 38343
The director of job and family services shall adopt rules in 38344
accordance with Chapter 119. of the Revised Code that specify 38345
criteria and procedures for prior approval of renovation projects. 38346
No provider shall separate a project with the intent to evade the 38347
characterization of the project as a renovation or as an extensive 38348
renovation. No provider shall increase the scope of a project 38349
after it is approved by the department of job and family services 38350
unless the increase in scope is approved by the department. 38351

(E) The amounts specified in divisions (C) and (D) of this 38352
section shall be adjusted beginning July 1, 1993, for the 38353
estimated inflation for the twelve-month period beginning on the 38354
first day of July of the calendar year preceding the calendar year 38355
that precedes the fiscal year for which rate will be paid and 38356

ending on the thirtieth day of the following June, using the 38357
consumer price index for shelter costs for all urban consumers for 38358
the north central region, as published by the United States bureau 38359
of labor statistics. 38360

(F)(1) For facilities of eight or fewer beds that have dates 38361
of licensure or have been granted project authorization by the 38362
department of mental retardation and developmental disabilities 38363
before July 1, 1993, and for facilities of eight or fewer beds 38364
that have dates of licensure or have been granted project 38365
authorization after that date if the facilities demonstrate that 38366
they made substantial commitments of funds on or before that date, 38367
cost of ownership shall not exceed eighteen dollars and thirty 38368
cents per resident per day. The eighteen-dollar and thirty-cent 38369
amount shall be increased by the change in the "Dodge building 38370
cost indexes, northeastern and north central states," published by 38371
Marshall and Swift, during the period beginning June 30, 1990, and 38372
ending July 1, 1993, and by the change in the consumer price index 38373
for shelter costs for all urban consumers for the north central 38374
region, as published by the United States bureau of labor 38375
statistics, annually thereafter. 38376

(2) For facilities with eight or fewer beds that have dates 38377
of licensure or have been granted project authorization by the 38378
department of mental retardation and developmental disabilities on 38379
or after July 1, 1993, for which substantial commitments of funds 38380
were not made before that date, cost of ownership payments shall 38381
not exceed the applicable amount calculated under division (F)(1) 38382
of this section, if the department of job and family services 38383
gives prior approval for construction of the facility. If the 38384
department does not give prior approval, cost of ownership 38385
payments shall not exceed the amount specified in division (C) of 38386
this section. 38387

(3) Notwithstanding divisions (D) and (F)(1) and (2) of this 38388

section, the total payment for cost of ownership, cost of 38389
ownership efficiency incentive, and capitalized costs of 38390
renovations for an intermediate care facility for the mentally 38391
retarded with eight or fewer beds shall not exceed the sum of the 38392
limitations specified in divisions (C) and (D) of this section. 38393

(G) Notwithstanding any provision of this section or section 38394
5111.24 of the Revised Code, the director of job and family 38395
services may adopt rules in accordance with Chapter 119. of the 38396
Revised Code that provide for a calculation of a combined maximum 38397
payment limit for indirect care costs and cost of ownership for 38398
intermediate care facilities for the mentally retarded with eight 38399
or fewer beds. 38400

(H) After June 30, 1980, the owner of an intermediate care 38401
facility for the mentally retarded operating under a provider 38402
agreement shall provide written notice to the department of job 38403
and family services at least forty-five days prior to entering 38404
into any contract of sale for the facility or voluntarily 38405
terminating participation in the medical assistance program. After 38406
the date on which a transaction of sale is closed, the owner shall 38407
refund to the department the amount of excess depreciation paid to 38408
the facility by the department for each year the owner has 38409
operated the facility under a provider agreement and prorated 38410
according to the number of medicaid patient days for which the 38411
facility has received payment. If an intermediate care facility 38412
for the mentally retarded is sold after five or fewer years of 38413
operation under a provider agreement, the refund to the department 38414
shall be equal to the excess depreciation paid to the facility. If 38415
an intermediate care facility for the mentally retarded is sold 38416
after more than five years but less than ten years of operation 38417
under a provider agreement, the refund to the department shall 38418
equal the excess depreciation paid to the facility multiplied by 38419
twenty per cent, multiplied by the number of years less than ten 38420

that a facility was operated under a provider agreement. If an
intermediate care facility for the mentally retarded is sold after
ten or more years of operation under a provider agreement, the
owner shall not refund any excess depreciation to the department.
For the purposes of this division, "depreciation paid to the
facility" means the amount paid to the intermediate care facility
for the mentally retarded for cost of ownership pursuant to this
section less any amount paid for interest costs. For the purposes
of this division, "excess depreciation" is the intermediate care
facility for the mentally retarded's depreciated basis, which is
the owner's cost less accumulated depreciation, subtracted from
the purchase price but not exceeding the amount of depreciation
paid to the facility.

A cost report shall be filed with the department within
ninety days after the date on which the transaction of sale is
closed or participation is voluntarily terminated for an
intermediate care facility for the mentally retarded subject to
this division. The report shall show the accumulated depreciation,
the sales price, and other information required by the department.
The department shall provide for a bank, trust company, or savings
and loan association to hold in escrow the amount of the last two
monthly payments to an intermediate care facility for the mentally
retarded made pursuant to division (A)(1) of section 5111.22 of
the Revised Code before a sale or voluntary termination of
participation shall be held in escrow by a bank, trust company, or
savings and loan association, except that if or, if the owner
fails, within the time required by this division, to notify the
department before entering into a contract of sale for the
facility, the amount of the first two monthly payments made to the
facility after the department learns of the contract, regardless
of whether a new owner is in possession of the facility. If the
amount the owner will be required to refund under this section is

likely to be less than the amount of the ~~last~~ two monthly payments 38453
otherwise put into escrow under this division, the department 38454
shall take one of the following actions instead of withholding the 38455
amount of the ~~last~~ two monthly payments: 38456

(1) In the case of an owner that owns other facilities that 38458
participate in the medical assistance program, obtain a promissory 38459
note in an amount sufficient to cover the amount likely to be 38460
refunded; 38461

(2) In the case of all other owners, withhold the amount of 38462
the last monthly payment to the intermediate care facility for the 38463
mentally retarded or, if the owner fails, within the time required 38464
by this division, to notify the department before entering into a 38465
contract of sale for the facility, the amount of the first monthly 38466
payment made to the facility after the department learns of the 38467
contract, regardless of whether a new owner is in possession of 38468
the facility. 38469

The department shall, within ninety days following the filing 38470
of the cost report, audit the report and issue an audit report to 38471
the owner. The department also may audit any other cost reports 38472
for the facility that have been filed during the previous three 38473
years. In the audit report, the department shall state its 38474
findings and the amount of any money owed to the department by the 38475
intermediate care facility for the mentally retarded. The findings 38476
shall be subject to an adjudication conducted in accordance with 38477
Chapter 119. of the Revised Code. No later than fifteen days after 38478
the owner agrees to a settlement, any funds held in escrow less 38479
any amounts due to the department shall be released to the owner 38480
and amounts due to the department shall be paid to the department. 38481
If the amounts in escrow are less than the amounts due to the 38482
department, the balance shall be paid to the department within 38483
fifteen days after the owner agrees to a settlement. If the 38484

department does not issue its audit report within the ninety-day 38485
period, the department shall release any money held in escrow to 38486
the owner. For the purposes of this section, a transfer of 38487
corporate stock, the merger of one corporation into another, or a 38488
consolidation does not constitute a sale. 38489
38490

If an intermediate care facility for the mentally retarded is 38491
not sold or its participation is not terminated after notice is 38492
provided to the department under this division, the department 38493
shall order any payments held in escrow released to the facility 38494
upon receiving written notice from the owner that there will be no 38495
sale or termination of participation. After written notice is 38496
received from an intermediate care facility for the mentally 38497
retarded that a sale or termination of participation will not take 38498
place, the facility shall provide notice to the department at 38499
least forty-five days prior to entering into any contract of sale 38500
or terminating participation at any future time. 38501

(I) The department of job and family services shall pay each 38502
eligible proprietary intermediate care facility for the mentally 38503
retarded a return on the facility's net equity computed at the 38504
rate of one and one-half times the average of interest rates on 38505
special issues of public debt obligations issued to the federal 38506
hospital insurance trust fund for the cost reporting period. No 38507
facility's return on net equity paid under this division shall 38508
exceed one dollar per patient day. 38509

In calculating the rate for return on net equity, the 38510
department shall use the greater of the facility's inpatient days 38511
during the applicable cost reporting period or the number of 38512
inpatient days the facility would have had during that period if 38513
its occupancy rate had been ninety-five per cent. 38514

(J)(1) Except as provided in division (J)(2) of this section, 38515
if a provider leases or transfers an interest in a facility to 38516

another provider who is a related party, the related party's 38517
allowable cost of ownership shall include the lesser of the 38518
following: 38519

(a) The annual lease expense or actual cost of ownership, 38520
whichever is applicable; 38521

(b) The reasonable cost to the lessor or provider making the 38522
transfer. 38523

(2) If a provider leases or transfers an interest in a 38524
facility to another provider who is a related party, regardless of 38525
the date of the lease or transfer, the related party's allowable 38526
cost of ownership shall include the annual lease expense or actual 38527
cost of ownership, whichever is applicable, subject to the 38528
limitations specified in divisions (B) to (I) of this section, if 38529
all of the following conditions are met: 38530

(a) The related party is a relative of owner; 38531

(b) In the case of a lease, if the lessor retains any 38532
ownership interest, it is, except as provided in division 38533
(J)(2)(d)(ii) of this section, in only the real property and any 38534
improvements on the real property; 38535

(c) In the case of a transfer, the provider making the 38536
transfer retains, except as provided in division (J)(2)(d)(iv) of 38537
this section, no ownership interest in the facility; 38538

(d) The department of job and family services determines that 38539
the lease or transfer is an arm's length transaction pursuant to 38540
rules the department shall adopt in accordance with Chapter 119. 38541
of the Revised Code no later than December 31, 2000. The rules 38542
shall provide that a lease or transfer is an arm's length 38543
transaction if all of the following, as applicable, apply: 38544

(i) In the case of a lease, once the lease goes into effect, 38545
the lessor has no direct or indirect interest in the lessee or, 38546

except as provided in division (J)(2)(b) of this section, the 38547
facility itself, including interest as an owner, officer, 38548
director, employee, independent contractor, or consultant, but 38549
excluding interest as a lessor. 38550

(ii) In the case of a lease, the lessor does not reacquire an 38551
interest in the facility except through the exercise of a lessor's 38552
rights in the event of a default. If the lessor reacquires an 38553
interest in the facility in this manner, the department shall 38554
treat the facility as if the lease never occurred when the 38555
department calculates its reimbursement rates for capital costs. 38556
38557

(iii) In the case of a transfer, once the transfer goes into 38558
effect, the provider that made the transfer has no direct or 38559
indirect interest in the provider that acquires the facility or 38560
the facility itself, including interest as an owner, officer, 38561
director, employee, independent contractor, or consultant, but 38562
excluding interest as a creditor. 38563

(iv) In the case of a transfer, the provider that made the 38564
transfer does not reacquire an interest in the facility except 38565
through the exercise of a creditor's rights in the event of a 38566
default. If the provider reacquires an interest in the facility in 38567
this manner, the department shall treat the facility as if the 38568
transfer never occurred when the department calculates its 38569
reimbursement rates for capital costs. 38570

(v) The lease or transfer satisfies any other criteria 38571
specified in the rules. 38572

(e) Except in the case of hardship caused by a catastrophic 38573
event, as determined by the department, or in the case of a lessor 38574
or provider making the transfer who is at least sixty-five years 38575
of age, not less than twenty years have elapsed since, for the 38576
same facility, allowable cost of ownership was determined most 38577

recently under this division. 38578

Sec. 5111.262. ~~Costs~~ For costs incurred during calendar year 38579
2000 and thereafter, costs reported in nursing facilities' cost 38580
reports for purchased nursing services shall be allowable direct 38581
care costs up to ~~the following amounts:~~ 38582

~~(A) For costs incurred during calendar year 1992, twenty per~~ 38583
~~cent of the nursing facility's direct care costs specified in the~~ 38584
~~cost report for services provided that year by registered nurses,~~ 38585
~~licensed practical nurses, and nurse aides who are employees of~~ 38586
~~the facility, plus one-half of the amount by which the reported~~ 38587
~~costs for purchased nursing services exceed that percentage;~~ 38588

~~(B) For costs incurred during calendar year 1993, fifteen per~~ 38589
~~cent of the nursing facility's costs specified in the cost report~~ 38590
~~for services provided that year by registered nurses, licensed~~ 38591
~~practical nurses, and nurse aides who are employees of the~~ 38592
~~facility, plus one-half of the amount by which the reported costs~~ 38593
~~for purchased nursing services exceed that percentage;~~ 38594

~~(C) For costs incurred during calendar year 1994 and each~~ 38595
~~calendar year thereafter, ten~~ twenty per cent of the nursing 38596
facility's costs specified in the cost report for services 38597
provided that year by registered nurses, licensed practical 38598
nurses, and nurse aides who are employees of the facility, plus 38599
one-half of the amount by which the reported costs for purchased 38600
nursing services exceed that percentage. 38601

Sec. 5111.28. (A) If a provider properly amends its cost 38602
report under section 5111.27 of the Revised Code and the amended 38603
report shows that the provider received a lower rate under the 38604
original cost report than it was entitled to receive, the 38605
department shall adjust the provider's rate prospectively to 38606
reflect the corrected information. The department shall pay the 38607

adjusted rate beginning two months after the first day of the 38608
month after the provider files the amended cost report. If the 38609
department finds, from an exception review of resident assessment 38610
information conducted after the effective date of the rate for 38611
direct care costs that is based on the assessment information, 38612
that inaccurate assessment information resulted in the provider 38613
receiving a lower rate than it was entitled to receive, the 38614
department prospectively shall adjust the provider's rate 38615
accordingly and shall make payments using the adjusted rate for 38616
the remainder of the calendar quarter for which the assessment 38617
information is used to determine the rate, beginning one month 38618
after the first day of the month after the exception review is 38619
completed. 38620

(B) If the provider properly amends its cost report under 38621
section 5111.27 of the Revised Code, the department makes a 38622
finding based on an audit under that section, or the department 38623
makes a finding based on an exception review of resident 38624
assessment information conducted under that section after the 38625
effective date of the rate for direct care costs that is based on 38626
the assessment information, any of which results in a 38627
determination that the provider has received a higher rate than it 38628
was entitled to receive, the department shall recalculate the 38629
provider's rate using the revised information. The department 38630
shall apply the recalculated rate to the periods when the provider 38631
received the incorrect rate to determine the amount of the 38632
overpayment. The provider shall refund the amount of the 38633
overpayment. 38634

In addition to requiring a refund under this division, the 38635
department may charge the provider interest at the applicable rate 38636
specified in this division from the time the overpayment was made. 38637

(1) If the overpayment resulted from costs reported for 38638
calendar year 1993, the interest shall be no greater than one and 38639

one-half times the average bank prime rate. 38640

(2) If the overpayment resulted from costs reported for 38641
subsequent calendar years: 38642

(a) The interest shall be no greater than two times the 38643
average bank prime rate if the overpayment was equal to or less 38644
than one per cent of the total medicaid payments to the provider 38645
for the fiscal year for which the incorrect information was used 38646
to establish a rate. 38647

(b) The interest shall be no greater than two and one-half 38648
times the current average bank prime rate if the overpayment was 38649
greater than one per cent of the total medicaid payments to the 38650
provider for the fiscal year for which the incorrect information 38651
was used to establish a rate. 38652

~~(3) The department shall determine the average bank prime 38653
rate using statistical release H.15, "selected interest rates," a 38654
weekly publication of the federal reserve board, or any successor 38655
publication. If statistical release H.15, or its successor, ceases 38656
to contain the bank prime rate information or ceases to be 38657
published, the department shall request a written statement of the 38658
average bank prime rate from the federal reserve bank of Cleveland 38659
or the federal reserve board. 38660~~

(C) The department also may impose the following penalties: 38661

(1) If a provider does not furnish invoices or other 38662
documentation that the department requests during an audit within 38663
sixty days after the request, no more than the greater of one 38664
thousand dollars per audit or twenty-five per cent of the 38665
cumulative amount by which the costs for which documentation was 38666
not furnished increased the total medicaid payments to the 38667
provider during the fiscal year for which the costs were used to 38668
establish a rate; 38669

(2) If an owner fails to provide notice of sale of the 38670

facility or voluntary termination of participation in the medical 38671
assistance program, as required by section 5111.25 or 5111.251 of 38672
the Revised Code, no more than ~~two~~ the current average bank prime 38673
rate plus four per cent of the last two monthly payments. 38674

(D) If the provider continues to participate in the medical 38675
assistance program, the department shall deduct any amount that 38676
the provider is required to refund under this section, and the 38677
amount of any interest charged or penalty imposed under this 38678
section, from the next available payment from the department to 38679
the provider. The department and the provider may enter into an 38680
agreement under which the amount, together with interest, is 38681
deducted in installments from payments from the department to the 38682
provider. 38683

(E) The department shall transmit refunds and penalties to 38684
the treasurer of state for deposit in the general revenue fund. 38685

(F) For the purpose of this section, the department shall 38686
determine the average bank prime rate using statistical release 38687
H.15, "selected interest rates," a weekly publication of the 38688
federal reserve board, or any successor publication. If 38689
statistical release H.15, or its successor, ceases to contain the 38690
bank prime rate information or ceases to be published, the 38691
department shall request a written statement of the average bank 38692
prime rate from the federal reserve bank of Cleveland or the 38693
federal reserve board. 38694

Sec. 5111.29. (A) The director of job and family services 38695
shall adopt rules in accordance with Chapter 119. of the Revised 38696
Code that establish a process under which a nursing facility or 38697
intermediate care facility for the mentally retarded, or a group 38698
or association of facilities, may seek reconsideration of rates 38699
established under sections 5111.23 to 5111.28 of the Revised Code, 38700
including a rate for direct care costs recalculated before the 38701

effective date of the rate as a result of an exception review of 38702
resident assessment information conducted under section 5111.27 of 38703
the Revised Code. 38704

(1) Except as provided in divisions (A)(2) to (4) of this 38705
section, the only issue that a facility, group, or association may 38706
raise in the rate reconsideration shall be whether the rate was 38707
calculated in accordance with sections 5111.23 to 5111.28 of the 38708
Revised Code and the rules adopted under those sections. The rules 38709
shall permit a facility, group, or association to submit written 38710
arguments or other materials that support its position. The rules 38711
shall specify time frames within which the facility, group, or 38712
association and the department must act. If the department 38713
determines, as a result of the rate reconsideration, that the rate 38714
established for one or more facilities is less than the rate to 38715
which it is entitled, the department shall increase the rate. If 38716
the department has paid the incorrect rate for a period of time, 38717
the department shall pay the facility the difference between the 38718
amount it was paid for that period and the amount it should have 38719
been paid. 38720

(2) The rules shall provide that during a fiscal year, the 38721
department, by means of the rate reconsideration process, may 38722
increase a facility's rate as calculated under sections 5111.23 to 38723
5111.28 of the Revised Code if the facility demonstrates that its 38724
actual, allowable costs have increased because of extreme 38725
circumstances. A facility may qualify for a rate increase only if 38726
its per diem, actual, allowable costs have increased to a level 38727
that exceeds its total rate, including any efficiency incentive 38728
and return on equity payment. The rules shall specify the 38729
circumstances that would justify a rate increase under division 38730
(A)(2) of this section. The In the case of nursing facilities, the 38731
rules shall provide that the extreme circumstances include 38732
increased security costs for an inner-city nursing facility and an 38733

increase in workers' compensation experience rating of greater 38734
than five per cent for a facility that has an appropriate claims 38735
management program but do not include a change of ownership that 38736
results from bankruptcy, foreclosure, or findings of violations of 38737
certification requirements by the department of health. In the 38738
case of intermediate care facilities for the mentally retarded, 38739
the rules shall provide that the extreme circumstances include, 38740
but are not limited to, renovations approved under division (D) of 38741
section 5111.251 of the Revised Code, an increase in workers' 38742
compensation experience rating of greater than five per cent for a 38743
facility that has an appropriate claims management program, 38744
increased security costs for an inner-city facility, and a change 38745
of ownership that results from bankruptcy, foreclosure, or 38746
findings of violations of certification requirements by the 38747
department of health. An increase under division (A)(2) of this 38748
section is subject to any rate limitations or maximum rates 38749
established by sections 5111.23 to 5111.28 of the Revised Code for 38750
specific cost centers. Any rate increase granted under division 38751
(A)(2) of this section shall take effect on the first day of the 38752
first month after the department receives the request. 38753

(3) The rules shall provide that the department, through the 38754
rate reconsideration process, may increase a facility's rate as 38755
calculated under sections 5111.23 to 5111.28 of the Revised Code 38756
if the department, in its sole discretion, determines that the 38757
rate as calculated under those sections works an extreme hardship 38758
on the facility. 38759

(4) The rules shall provide that when beds certified for the 38760
medical assistance program are added to an existing facility, 38761
replaced at the same site, or subject to a change of ownership or 38762
lease, the department, through the rate reconsideration process, 38763
shall increase the facility's rate for capital costs 38764
proportionately, as limited by any applicable limitation under 38765

section 5111.25 or 5111.251 of the Revised Code, to account for 38766
the costs of the beds that are added, replaced, or subject to a 38767
change of ownership or lease. The department shall make this 38768
increase one month after the first day of the month after the 38769
department receives sufficient documentation of the costs. Any 38770
rate increase granted under division (A)(4) of this section after 38771
June 30, 1993, shall remain in effect until the effective date of 38772
a rate calculated under section 5111.25 or 5111.251 of the Revised 38773
Code that includes costs incurred for a full calendar year for the 38774
bed addition, bed replacement, or change of ownership or lease. 38775
The facility shall report double accumulated depreciation in an 38776
amount equal to the depreciation included in the rate adjustment 38777
on its cost report for the first year of operation. During the 38778
term of any loan used to finance a project for which a rate 38779
adjustment is granted under division (A)(4) of this section, if 38780
the facility is operated by the same provider, the facility shall 38781
subtract from the interest costs it reports on its cost report an 38782
amount equal to the difference between the following: 38783

(a) The actual, allowable interest costs for the loan during 38784
the calendar year for which the costs are being reported; 38785

(b) The actual, allowable interest costs attributable to the 38786
loan that were used to calculate the rates paid to the facility 38787
during the same calendar year. 38788

(5) The department's decision at the conclusion of the 38789
reconsideration process shall not be subject to any administrative 38790
proceedings under Chapter 119. or any other provision of the 38791
Revised Code. 38792

(B) Any audit disallowance that the department makes as the 38793
result of an audit under section 5111.27 of the Revised Code, any 38794
adverse finding that results from an exception review of resident 38795
assessment information conducted under that section after the 38796
effective date of the facility's rate that is based on the 38797

assessment information, and any penalty the department imposes 38798
under division (C) of section 5111.28 of the Revised Code shall be 38799
subject to an adjudication conducted in accordance with Chapter 38800
119. of the Revised Code. 38801

Sec. 5111.34. (A) There is hereby created the nursing 38802
facility reimbursement study council consisting of the following 38803
thirteen members: 38804

(1) The director of job and family services; 38805

(2) The director of health; 38806

(3) The director of aging; 38807

(4) Two members of the house of representatives, appointed by 38808

Revised Code. 39272

(2) Nothing in division (A)(1)(d) of this section shall be 39273
construed to permit personal care services to be imposed on a 39274
resident who is capable of performing the activity in question 39275
without assistance. 39276

(3) Except in the case of a residential facility described in 39277
division (A)(1)(d)(i) of this section, members of the staff of a 39278
residential facility shall not administer medication to residents, 39279
all medication taken by residents of a residential facility shall 39280
be self-administered, and no person shall be admitted to or 39281
retained by a residential facility unless the person is capable of 39282
taking the person's own medication and biologicals, as determined 39283
in writing by the person's personal physician. Members of the 39284

with the consent of the resident. If a resident is physically 39299
unable to place a dose of medicine to the resident's mouth without 39300
spilling it, a staff member may place the dose in a container and 39301
place the container to the mouth of the resident. 39302

(B) Every person operating or desiring to operate a 39303
residential facility shall apply for licensure of the facility to 39304
the department of mental health and shall send a copy of the 39305
application to the board of alcohol, drug addiction, and mental 39306
health services whose service district includes the county in 39307
which the person operates or desires to operate a residential 39308
facility. The board shall review such applications and recommend 39309
approval or disapproval to the department. Each recommendation 39310
shall be consistent with the board's community mental health plan. 39311

(C) The department of mental health shall inspect and license 39312
the operation of residential facilities. The department shall 39313
consider the past record of the facility and the applicant or 39314

issue full, probationary, and interim licenses. A full license 39316
shall expire two years after the date of issuance, a probationary 39317
license shall expire in a shorter period of time as prescribed by 39318
rule adopted by the director of mental health pursuant to Chapter 39319

119. of the Revised Code, and an interim license shall expire 39320
ninety days after the date of issuance. The department may refuse 39321
to issue or renew and may revoke a license if it finds the 39322
facility is not in compliance with rules adopted by the department 39323
pursuant to division (G) of this section or if any facility 39324
operated by the applicant or licensee has had repeated violations 39325
of statutes or rules during the period of previous licenses. 39326
Proceedings initiated to deny applications for full or 39327
probationary licenses or to revoke such licenses are governed by 39328
Chapter 119. of the Revised Code. 39329

(D) The department may issue an interim license to operate a 39330
residential facility if both of the following conditions are met: 39331

(1) The department determines that the closing of or the need 39332
to remove residents from another residential facility has created 39333
an emergency situation requiring immediate removal of residents 39334
and an insufficient number of licensed beds are available. 39335

(2) The residential facility applying for an interim license 39336
meets standards established for interim licenses in rules adopted 39337
by the director under Chapter 119. of the Revised Code. 39338
39339

An interim license shall be valid for ninety days and may be 39340
renewed by the director no more than twice. Proceedings initiated 39341
to deny applications for or to revoke interim licenses under this 39342
division are not subject to Chapter 119. of the Revised Code. 39343

(E) The department of mental health may conduct an inspection 39344
of a residential facility: 39345

(1) Prior to the issuance of a license to a prospective 39346
operator; 39347

(2) Prior to the renewal of any operator's license; 39348

(3) To determine whether a facility has completed a plan of 39349

correction required pursuant to this division and corrected	39350
deficiencies to the satisfaction of the department and in	39351
compliance with this section and rules adopted pursuant to it;	39352
(4) Upon complaint by any individual or agency;	39353
(5) At any time the director considers an inspection to be	39354
necessary in order to determine whether a residential facility is	39355
in compliance with this section and rules adopted pursuant to this	39356
section.	39357
In conducting inspections the department may conduct an	39358
on-site examination and evaluation of the residential facility,	39359
its personnel, activities, and services. The department shall have	39360
access to examine all records, accounts, and any other documents	39361
relating to the operation of the residential facility, and shall	39362
have access to the facility in order to conduct interviews with	39363
the operator, staff, and residents. Following each inspection and	39364
review, the department shall complete a report listing any	39365
deficiencies, and including, when appropriate, a time table within	39366
which the operator shall correct the deficiencies. The department	39367
may require the operator to submit a plan of correction describing	39368
how the deficiencies will be corrected.	39369
(F) No person shall do any of the following:	39370
(1) Operate a residential facility unless the facility holds	39371
a valid license;	39372
(2) Violate any of the conditions of licensure after having	39373
been granted a license;	39374
(3) Interfere with a state or local official's inspection or	39375
investigation of a residential facility;	39376
(4) Violate any of the provisions of this section or any	39377
rules adopted pursuant to this section.	39378
(G) The director shall adopt and may amend and rescind rules	39379

pursuant to Chapter 119. of the Revised Code, prescribing minimum 39380
standards for the health, safety, adequacy, and cultural 39381
specificity and sensitivity of treatment of and services for 39382
persons in residential facilities; establishing procedures for the 39383
issuance, renewal or revocation of the licenses of such 39384
facilities; establishing the maximum number of residents of a 39385
facility; establishing the rights of residents and procedures to 39386
protect such rights; and requiring an affiliation agreement 39387
approved by the board between a residential facility and a mental 39388
health agency. Such affiliation agreement must be consistent with 39389
the residential portion of the community mental health plan 39390
submitted pursuant to section 340.03 of the Revised Code. 39391

(H) The department may investigate any facility that has been 39392
reported to the department or that the department has reasonable 39393
cause to believe is operating as a residential facility without a 39394
valid license. 39395

(I) The department may withhold the source of any complaint 39396
reported as a violation of this act when the department determines 39397
that disclosure could be detrimental to the department's purposes 39398
or could jeopardize the investigation. The department may disclose 39399
the source of any complaint if the complainant agrees in writing 39400
to such disclosure and shall disclose the source upon order by a 39401
court of competent jurisdiction. 39402

(J) The director of mental health may petition the court of 39403
common pleas of the county in which a residential facility is 39404
located for an order enjoining any person from operating a 39405
residential facility without a license or from operating a 39406
licensed facility when, in the director's judgment, there is a 39407
real and present danger to the health or safety of any of the 39408
occupants of the facility. The court shall have jurisdiction to 39409
grant such injunctive relief upon a showing that the respondent 39410
named in the petition is operating a facility without a license or 39411

there is a real and present danger to the health or safety of any residents of the facility. 39412
39413

(K) Whoever violates division (F) of this section or any rule adopted under this section is liable for a civil penalty of one hundred dollars for the first offense; for each subsequent offense, such violator is liable for a civil penalty of five hundred dollars. If the violator does not pay, the attorney general, upon the request of the director of mental health, shall bring a civil action to collect the penalty. Fines collected pursuant to this section shall be deposited into the state treasury to the credit of the mental health sale of goods and services fund. 39414

department shall assess a board's evaluation of services and the 39544
compliance of each board with this section, Chapter 340. or 39545

each client, and each time the client's case is opened or closed. 39571
The department shall not collect any information for the purpose 39572
of identifying by name any person who receives a service through a 39573
board of alcohol, drug addiction, and mental health services, 39574

(L)(I) Review each board's community mental health plan 39579
submitted pursuant to section 340.03 of the Revised Code and 39580
approve or disapprove it in whole or in part. Periodically, in 39581
consultation with representatives of boards and after considering 39582
the recommendations of the medical director, the director shall 39583
issue criteria for determining when a plan is complete, criteria 39584
for plan approval or disapproval, and provisions for conditional 39585
approval. The factors that the director considers may include, but 39586
are not limited to, the following: 39587

the board's service district, especially severely mentally 39589
disabled children, adolescents, and adults; 39590

If the director disapproves all or part of any plan, the 39598
director shall provide the board an opportunity to present its 39599

position. The director shall inform the board of the reasons for 39600

plan may be approved. The director shall give the board a 39602
reasonable time within which to meet the criteria, and shall offer 39603
technical assistance to the board to help it meet the criteria. 39604

If the approval of a plan remains in dispute thirty days 39605
prior to the conclusion of the fiscal year in which the board's 39606
current plan is scheduled to expire, the board or the director may 39607
request that the dispute be submitted to a mutually agreed upon 39608
third-party mediator with the cost to be shared by the board and 39609
the department. The mediator shall issue to the board and the 39610
department recommendations for resolution of the dispute. Prior to 39611
the conclusion of the fiscal year in which the current plan is 39612
scheduled to expire, the director, taking into consideration the 39613
recommendations of the mediator, shall make a final determination 39614
and approve or disapprove the plan, in whole or in part. 39615

~~(M) Visit and evaluate any community mental health program,~~ 39616
~~agency, or facility, in cooperation with a board of alcohol, drug~~ 39617
~~addiction, and mental health services, to determine if the~~ 39618
~~services meet minimum standards pursuant to division (G) of~~ 39619
~~section 5119.01 of the Revised Code. If the director determines~~ 39620
~~that the services meet minimum standards, the director shall so~~ 39621
~~certify.~~ 39622

~~If the director determines that the services of any program,~~ 39623
~~agency, or facility that has a contract with a board do not meet~~ 39624
~~minimum standards, the director shall identify the areas of~~ 39625
~~noncompliance, specify what action is necessary to meet the~~ 39626
~~standards, and offer technical assistance to the board so that it~~ 39627
~~may assist the program, agency, or facility to meet minimum~~ 39628
~~standards. The director shall give the board a reasonable time~~ 39629
~~within which to demonstrate that the services meet minimum~~ 39630
~~standards or to bring the program or facility into compliance with~~ 39631

~~the standards. If the director concludes that the services
continue to fail to meet minimum standards, the director may
request that the board reallocate the funds for those services to
another program, agency, or facility which meets minimum
standards. If the board does not reallocate those funds in a
reasonable period of time, the director may withhold state and
federal funds for the services and allocate those funds directly
to a public or private agency that meets minimum standards.~~

~~Each program, agency, and facility shall pay a fee for the
certification review required by this division. Fees shall be paid
into the sale of goods and services fund created pursuant to
section 5119.161 of the Revised Code.~~

~~The director shall adopt rules under Chapter 119. of the
Revised Code to implement this division. The rules shall do all of
the following:~~

~~(1) Establish the process for certification of services of
programs, agencies, or facilities;~~

~~(2) Set the amount of certification review fees based on a
portion of the cost of performing the review;~~

~~(3) Specify the type of notice and hearing to be provided
prior to a decision whether to reallocate funds.~~

Sec. 5119.611. (A) A board of alcohol, drug addiction, and
mental health services may not contract with a community mental
health agency under division (A)(8)(a) of section 340.03 of the
Revised Code to provide community mental health services included
in the board's community mental health plan unless the services
are certified by the director of mental health under this section.

A community mental health agency that seeks the director's
certification of its community mental health services shall submit
an application to the director. On receipt of the application, the

director may visit and shall evaluate the agency to determine 39662
whether its services satisfy the standards established by rules 39663
adopted under division (C) of this section. The director shall 39664
make the evaluation, and, if the director visits the agency, shall 39665
make the visit, in cooperation with the board of alcohol, drug 39666
addiction, and mental health services with which the agency seeks 39667
to contract. 39668

If the director determines that a community mental health 39672

subject to one of those minimum standards when the director 39776
determines that strict compliance with the minimum standards would 39777
cause unusual, practical difficulties or financial hardship, that 39778
existing or alternative practices meet the intent of the minimum 39779
standards, and that granting a variance would not seriously affect 39780
the security of the facility, the supervision of the inmates, or 39781
the safe, healthful operation of the facility. If the director or 39782
the director's designee denies a variance, the applicant may 39783

determines that the person is sixty years of age or older but does 43544

and that access to ~~his~~ the adult's residence has been denied or 43673
obstructed, the court shall issue a temporary order restraining 43674
the interference or obstruction. After the order has been 43675
obtained, at the request of the board, an officer of the law 43676
enforcement agency investigating the report shall accompany 43677
representatives of the board to the adult's residence. 43678

If a person refuses to allow or interferes with the provision 43679

Sections 4723.62 and 5126.351 to 5126.356 of the Revised Code do not apply to the in-home care authorized by a family member under this section. Instead, a family member shall obtain a prescription, if applicable, and written instructions from a health care professional for the care to be provided to the individual. The family member shall authorize the unlicensed in-home care worker to provide the care by preparing a written document granting the authority. The family member shall provide the unlicensed in-home care worker with appropriate training and written instructions in accordance with the instructions obtained from the health care professional.

(C) A family member who authorizes an unlicensed in-home care

worker to give or apply prescribed medication or perform other 43733
health care tasks retains full responsibility for the health and 43734
safety of the individual receiving the care and for ensuring that 43735
the worker provides the care appropriately and safely. No entity 43736
that funds or monitors the provision of in-home care may be held 43737
liable for the results of the care provided under this section by 43738
an unlicensed in-home care worker, including such entities as the 43739
county board of mental retardation and developmental disabilities, 43740
any other entity that employs an unlicensed in-home care worker, 43741
and the department of mental retardation and developmental 43742
disabilities. 43743

An unlicensed in-home care worker who is authorized under 43744
this section by a family member to provide care to an individual 43745
may not be held liable for any injury caused in providing the 43746
care, unless the worker provides the care in a manner that is not 43747
in accordance with the training and instructions received or the 43748
worker acts in a manner that constitutes wanton or reckless 43749
misconduct. 43750

(D) A county board of mental retardation and developmental 43751
disabilities may evaluate the authority granted by a family member 43752
under this section to an unlicensed in-home care worker at any 43753
time it considers necessary and shall evaluate the authority on 43754
receipt of a complaint. If the board determines that a family 43755
member has acted in a manner that is inappropriate for the health 43756
and safety of the individual receiving the services, the 43757
authorization granted by the family member to an unlicensed 43758
in-home care worker is void, and the family member may not 43759
authorize other unlicensed in-home care workers to provide the 43760
care. In making such a determination, the board shall use 43761
appropriately licensed health care professionals and shall provide 43762
the family member an opportunity to file a complaint under section 43763
5126.06 of the Revised Code. 43764

(SS) For both of the purposes set forth in divisions (BB) and 44577
(KK) of this section. This division applies only to a county. 44578

The resolution shall be confined to the purpose or purposes 44579
described in one division of this section, to which the revenue 44580
derived therefrom shall be applied. The existence in any other 44581
division of this section of authority to levy a tax for any part 44582
or all of the same purpose or purposes does not preclude the use 44583
of such revenues for any part of the purpose or purposes of the 44584
division under which the resolution is adopted. 44585

The resolution shall specify the amount of the increase in rate that it is necessary to levy, the purpose of that increase in rate, and the number of years during which the increase in rate shall be in effect, which may or may not include a levy upon the duplicate of the current year. The number of years may be any number not exceeding five, except as follows:

(1) When the additional rate is for the payment of debt charges, the increased rate shall be for the life of the indebtedness.

(2) When the additional rate is for any of the following, the increased rate shall be for a continuing period of time:

(a) For the current expenses for a detention home district, a district organized under section 2151.65 of the Revised Code, or a combined district organized under sections 2151.34 and 2151.65 of the Revised Code;

(b) For providing a county's share of the cost of maintaining and operating schools, district detention homes, forestry camps, or other facilities, or any combination thereof, established under section 2151.34 or 2151.65 of the Revised Code or under both of those sections.

(3) When the additional rate is for any of the following, the increased rate may be for a continuing period of time:

(a) For the purposes set forth in division (I), (J), (U), or (KK) of this section;

(b) For the maintenance and operation of a joint recreation district;

(c) A levy imposed by a township for the purposes set forth in division (G) of this section.

(4) When the increase is for the purpose set forth in division (D) or (CC) of this section or for both of the purposes

set forth in divisions (G) and (OO) of this section, the tax levy 44616
may be for any specified number of years or for a continuing 44617
period of time, as set forth in the resolution. 44618

(5) When the additional rate is for the purpose described in 44619
division (Z) of this section, the increased rate shall be for any 44620
number of years not exceeding ten. 44621

A levy for the purposes set forth in division (I), (J), or 44622
(U) of this section, and a levy imposed by a township for the 44623
purposes set forth in division (G) of this section, may be reduced 44624
pursuant to section 5705.261 or 5705.31 of the Revised Code. A 44625
levy for the purposes set forth in division (I), (J), or (U) of 44626
this section, and a levy imposed by a township for the purposes 44627
set forth in division (G) of this section, may also be terminated 44628
or permanently reduced by the taxing authority if it adopts a 44629
resolution stating that the continuance of the levy is unnecessary 44630
and the levy shall be terminated or that the millage is excessive 44631
and the levy shall be decreased by a designated amount. 44632

A resolution of a detention home district, a district 44633
organized under section 2151.65 of the Revised Code, or a combined 44634
district organized under both sections 2151.34 and 2151.65 of the 44635
Revised Code may include both current expenses and other purposes, 44636
provided that the resolution shall apportion the annual rate of 44637
levy between the current expenses and the other purpose or 44638
purposes. The apportionment need not be the same for each year of 44639
the levy, but the respective portions of the rate actually levied 44640
each year for the current expenses and the other purpose or 44641
purposes shall be limited by the apportionment. 44642

Whenever a board of county commissioners, acting either as 44643
the taxing authority of its county or as the taxing authority of a 44644
sewer district or subdistrict created under Chapter 6117. of the 44645
Revised Code, by resolution declares it necessary to levy a tax in 44646
excess of the ten-mill limitation for the purpose of constructing, 44647

improving, or extending sewage disposal plants or sewage systems, 44648
the tax may be in effect for any number of years not exceeding 44649
twenty, and the proceeds of the tax, notwithstanding the general 44650
provisions of this section, may be used to pay debt charges on any 44651
obligations issued and outstanding on behalf of the subdivision 44652
for the purposes enumerated in this paragraph, provided that any 44653
such obligations have been specifically described in the 44654
resolution. 44655

The resolution shall go into immediate effect upon its 44656
passage, and no publication of the resolution is necessary other 44657
than that provided for in the notice of election. 44658

When the electors of a subdivision have approved a tax levy 44659
under this section, the taxing authority of the subdivision may 44660
anticipate a fraction of the proceeds of the levy and issue 44661
anticipation notes in accordance with section 5705.191 or 5705.193 44662
of the Revised Code. 44663

Sec. 5705.41. No subdivision or taxing unit shall: 44664

(A) Make any appropriation of money except as provided in 44665
Chapter 5705. of the Revised Code; provided, that the 44666
authorization of a bond issue shall be deemed to be an 44667
appropriation of the proceeds of the bond issue for the purpose 44668
for which such bonds were issued, but no expenditure shall be made 44669
from any bond fund until first authorized by the taxing authority; 44670

(B) Make any expenditure of money unless it has been 44671
appropriated as provided in such chapter; 44672

(C) Make any expenditure of money except by a proper warrant 44673
drawn against an appropriate fund; 44674

(D)(1) Except as otherwise provided in division (D)(2) of 44675
this section and section 5705.44 of the Revised Code, make any 44676
contract or give any order involving the expenditure of money 44677

unless there is attached thereto a certificate of the fiscal 44678
officer of the subdivision that the amount required to meet the 44679
obligation or, in the case of a continuing contract to be 44680
performed in whole or in part in an ensuing fiscal year, the 44681
amount required to meet the obligation in the fiscal year in which 44682
the contract is made, has been lawfully appropriated for such 44683
purpose and is in the treasury or in process of collection to the 44684
credit of an appropriate fund free from any previous encumbrances. 44685
This certificate need be signed only by the subdivision's fiscal 44686
officer. Every such contract made without such a certificate shall 44687
be void, and no warrant shall be issued in payment of any amount 44688
due thereon. If no certificate is furnished as required, upon 44689
receipt by the taxing authority of the subdivision or taxing unit 44690
of a certificate of the fiscal officer stating that there was at 44691
the time of the making of such contract or order and at the time 44692
of the execution of such certificate a sufficient sum appropriated 44693
for the purpose of such contract and in the treasury or in process 44694
of collection to the credit of an appropriate fund free from any 44695
previous encumbrances, such taxing authority may authorize the 44696
drawing of a warrant in payment of amounts due upon such contract, 44697
but such resolution or ordinance shall be passed within thirty 44698
days from the receipt of such certificate; provided that, if the 44699
amount involved is less than one hundred dollars in the case of 44700
counties or one thousand dollars in the case of all other 44701
subdivisions or taxing units, the fiscal officer may authorize it 44702
to be paid without such affirmation of the taxing authority of the 44703
subdivision or taxing unit, if such expenditure is otherwise 44704
valid. 44705

(2) Annually, the board of county commissioners may adopt a 44706
resolution exempting for the current fiscal year county purchases 44707
of seven hundred fifty dollars or less from the requirement of 44708
division (D)(1) of this section that a certificate be attached to 44709
any contract or order involving the expenditure of money. The 44710

resolution shall state the dollar amount that is exempted from the
certificate requirement and whether the exemption applies to all
purchases, to one or more specific classes of purchases, or to the
purchase of one or more specific items. Prior to the adoption of
the resolution, the board shall give written notice to the county
auditor that it intends to adopt the resolution. The notice shall
state the dollar amount that is proposed to be exempted and
whether the exemption would apply to all purchases, to one or more
specific classes of purchases, or to the purchase of one or more
specific items. The county auditor may review and comment on the
proposal, and shall send any comments to the board within fifteen
days after receiving the notice. The board shall wait at least
fifteen days after giving the notice to the auditor before
adopting the resolution. A person authorized to make a county
purchase in a county that has adopted such a resolution shall
prepare and file with the county auditor, within three business
days after incurring an obligation not requiring a certificate, a
written document specifying the purpose and amount of the
expenditure, the date of the purchase, the name of the vendor, and
such additional information as the auditor of state may prescribe.

(3) Upon certification by the auditor or other chief fiscal
officer that a certain sum of money, not in excess of five
thousand dollars, has been lawfully appropriated, authorized, or
directed for a certain purpose and is in the treasury or in the
process of collection to the credit of a specific line-item
appropriation account in a certain fund free from previous and
then outstanding obligations or certifications, then for such
purpose and from such line-item appropriation account in such
fund, over a period not exceeding three months and not extending
beyond the end of the fiscal year, expenditures may be made,
orders for payment issued, and contracts or obligations calling
for or requiring the payment of money made and assumed; provided,

that the aggregate sum of money included in and called for by such
expenditures, orders, contracts, and obligations shall not exceed
the sum so certified. Such a certification need be signed only by
the fiscal officer of the subdivision or the taxing district and
may, but need not, be limited to a specific vendor. An itemized
statement of obligations incurred and expenditures made under such
certificate shall be rendered to the auditor or other chief fiscal
officer before another such certificate may be issued, and not
more than one such certificate shall be outstanding at a time.

In addition to providing the certification for expenditures
of five thousand dollars or less as provided in this division, a
subdivision also may make expenditures, issue orders for payment,
and make contracts or obligations calling for or requiring the
payment of money made and assumed for specified permitted purposes
from a specific line-item appropriation account in a specified
fund for a sum of money exceeding five thousand dollars upon the
certification by the fiscal officer of the subdivision that this
sum of money has been lawfully appropriated, authorized, or
directed for a permitted purpose and is in the treasury or in the
process of collection to the credit of the specific line-item
appropriation account in the specified fund free from previous and
then-outstanding obligations or certifications; provided that the
aggregate sum of money included in and called for by the
expenditures, orders, and obligations shall not exceed the
certified sum. The purposes for which a subdivision may lawfully
appropriate, authorize, or issue such a certificate are the
services of an accountant, architect, attorney at law, physician,
professional engineer, construction project manager, consultant,
surveyor, or appraiser by or on behalf of the subdivision or
contracting authority; fuel oil, gasoline, food items, roadway
materials, and utilities; and any purchases exempt from
competitive bidding under section 125.04 of the Revised Code and

any other specific expenditure that is a recurring and reasonably
predictable operating expense. Such a certification shall not
extend beyond the end of the fiscal year or, in the case of a
board of county commissioners that has established a quarterly
spending plan under section 5705.392 of the Revised Code, beyond
the quarter to which the plan applies. Such a certificate shall be
signed by the fiscal officer and may, but need not, be limited to
a specific vendor. An itemized statement of obligations incurred
and expenditures made under such a certificate shall be rendered
to the fiscal officer for each certificate issued. More than one
such certificate may be outstanding at any time.

In any case in which a contract is entered into upon a per
unit basis, the head of the department, board, or commission for
the benefit of which the contract is made shall make an estimate
of the total amount to become due upon such contract, which
estimate shall be certified in writing to the fiscal officer of
the subdivision. Such a contract may be entered into if the
appropriation covers such estimate, or so much thereof as may be
due during the current year. In such a case the certificate of the
fiscal officer based upon the estimate shall be a sufficient
compliance with the law requiring a certificate.

Any certificate of the fiscal officer attached to a contract
shall be binding upon the political subdivision as to the facts
set forth therein. Upon request of any person receiving an order
or entering into a contract with any political subdivision, the
certificate of the fiscal officer shall be attached to such order
or contract. "Contract" as used in this section excludes current
payrolls of regular employees and officers.

Taxes and other revenue in process of collection, or the
proceeds to be derived from authorized bonds, notes, or
certificates of indebtedness sold and in process of delivery,
shall for the purpose of this section be deemed in the treasury or

in process of collection and in the appropriate fund. This section 44807
applies neither to the investment of sinking funds by the trustees 44808
of such funds, nor to investments made under sections 731.56 to 44809
731.59 of the Revised Code. 44810

No district authority shall, in transacting its own affairs, 44811
do any of the things prohibited to a subdivision by this section, 44812
but the appropriation referred to shall become the appropriation 44813
by the district authority, and the fiscal officer referred to 44814
shall mean the fiscal officer of the district authority. 44815

Sec. 5705.44. When contracts or leases run beyond the 44816
termination of the fiscal year in which they are made, the fiscal 44817
officer of the taxing authority shall make a certification for the 44818
amount required to meet the obligation of such contract or lease 44819
maturing in such fiscal year. The amount of the obligation under 44820
such contract or lease remaining unfulfilled at the end of a 44821
fiscal year, and which will become payable during the next fiscal 44822
year, shall be included in the annual appropriation measure for 44823
the next year as a fixed charge. 44824

The certificate required by section 5705.41 of the Revised 44825
Code as to money in the treasury shall not be required for 44826
contracts on which payments are to be made from the earnings of a 44827
publicly operated water works or public utility, but in the case 44828
of any such contract made without such certification, no payment 44829
shall be made on account thereof, and no claim or demand thereon 44830
shall be recoverable, except out of such earnings. That 44831
certificate also shall not be required if requiring the 44832
certificate makes it impossible for a county board of mental 44833
retardation and developmental disabilities to pay the nonfederal 44834
share of medicaid expenditures that the county board is required 44835
by division (A) of section 5126.056 of the Revised Code to pay. 44836

Sec. 5709.17. (A) Real estate held or occupied by an 44837
association or corporation, organized or incorporated under the 44838
laws of this state relative to soldiers' memorial associations, 44839
monumental building associations, or cemetery associations or 44840
corporations, which in the opinion of the trustees, directors, or 44841
managers thereof is necessary and proper to carry out the object 44842
intended for such association or corporation, shall be exempt from 44843
taxation. 44844

(B) Real estate and tangible personal property held or 44845
occupied by a war veterans' organization, which is organized 44846
exclusively for charitable purposes and incorporated under the 44847
laws of this state or the United States, except real estate held 44848
by such organization for the production of rental income, shall be 44849
exempt from taxation. 44850

(C) Tangible personal property held by a corporation 44851
chartered under 112 Stat. 1335, 36 U.S.C.A. 40701, described in 44852
section 501(c)(3) of the Internal Revenue Code, and exempt from 44853
taxation under section 501(a) of the Internal Revenue Code shall 44854
be exempt from taxation if it is surplus property obtained as 44855
described in 112 Stat. 1340, 36 U.S.C.A. 40730. 44856

Sec. 5711.33. (A)(1) When a county treasurer receives a 44857
certificate from a county auditor pursuant to division (A) of 44858
section 5711.32 of the Revised Code charging the treasurer with 44859
the collection of an amount of taxes due as the result of a 44860
deficiency assessment, the treasurer shall immediately prepare and 44861
mail a tax bill to the taxpayer owing such tax. The tax bill shall 44862
contain the name of the taxpayer; the taxable value, tax rate, and 44863
taxes charged for each year being assessed; the total amount of 44864
taxes due; the final date payment may be made without additional 44865
penalty; and any other information the treasurer considers 44866
pertinent or necessary. Taxes due and payable as a result of a 44867

deficiency assessment, less any amount specifically excepted from 44868
collection under division (B) of section 5711.32 of the Revised 44869
Code, shall be paid with interest thereon as prescribed by section 44870
5719.041 of the Revised Code on or before the sixtieth day 44871
following the date of issuance of the certificate by the county 44872
auditor. The balance of taxes found due and payable after a final 44873
determination by the tax commissioner or a final judgment of the 44874
board of tax appeals or any court to which such final judgment may 44875
be appealed, shall be paid with interest thereon as prescribed by 44876
section 5719.041 of the Revised Code on or before the sixtieth day 44877
following the date of certification by the auditor to the 44878
treasurer pursuant to division (C) of section 5711.32 of the 44879
Revised Code of such final determination or judgment. Such final 44880
dates for payment shall be determined and exhibited on the tax 44881
bill by the treasurer. 44882

(2) If, on or before the sixtieth day following the date of a 44883
certification of a deficiency assessment under division (A) of 44884
section 5711.32 of the Revised Code or of a certification of a 44885
final determination or judgment under division (C) of section 44886
5711.32 of the Revised Code, the taxpayer pays the full amount of 44887
taxes and interest due at the time of the receipt of certification 44888
with respect to that assessment, determination, or judgment, no 44889
interest shall accrue or be charged with respect to that 44890
assessment, determination, or judgment for the period that begins 44891
on the first day of the month in which the certification is made 44892
and that ends on the last day of the month preceding the month in 44893
which such sixtieth day occurs. 44894

(3) In addition to any other means provided by law for the 44895
collection of such taxes, the county treasurer may enter into a 44896
written tax contract with a taxpayer charged with the payment of 44897
taxes as a result of a deficiency assessment issued under division 44898
(A) of section 5711.32 of the Revised Code whereby the taxpayer is 44899

permitted to pay the full amount of those taxes in installments. 44900
Such a contract may not be entered into later than the sixtieth 44901
day after the day the assessment is issued. The terms of the tax 44902
contract shall include the amount payable and the due date of each 44903
installment including the final payment date, which shall be not 44904
more than five years after the date of the first payment. A 44905
receipt shall be issued for each installment payment when paid. 44906
Each payment shall be applied to the taxes and interest in the 44907
same order as each became due and shall be apportioned among the 44908
various funds for which the taxes were levied at the next 44909
succeeding tax settlement. When a payment is not tendered as 44910
agreed upon, the treasurer shall declare the tax contract to be 44911
void and proceed to collect the unpaid balance by any means 44912
provided by law. When the treasurer declares a tax contract to be 44913
void, the remaining tax and interest due becomes delinquent, and 44914
the penalty provided by division (B) of this section shall be 44915
imposed on that remaining tax and interest due. The treasurer may 44916
permit a delinquent tax contract to be undertaken on any 44917
delinquent tax due as provided in section 5719.05 of the Revised 44918
Code. 44919

(B) When the taxes charged, as mentioned in division (A) of 44920
this section, are not paid within the time prescribed by such 44921
division or if a tax contract is not entered into as provided in 44922
division (A)(3) of this section, a penalty of ten per cent of the 44923
amount due and unpaid and interest for the period described in 44924
division (A)(2) of this section shall accrue at the time the 44925
treasurer closes the treasurer's office for business on the last 44926
day so prescribed, but if the taxes are paid within ten days 44927
subsequent to the last day prescribed, the treasurer shall waive 44928
the collection of and the auditor shall remit one-half of the 44929
penalty. The treasurer shall not thereafter accept less than the 44930
full amount of taxes and penalty except as otherwise authorized by 44931

law. Such penalty shall be distributed in the same manner and at 44932
the same time as the tax upon which it has accrued. The whole 44933
amount collected shall be included in the next succeeding 44934
settlement of appropriate taxes. 44935

(C) When the taxes charged, as mentioned in division (A) of 44936
this section, remain unpaid after the final date for payment 44937
prescribed by such division, such charges shall be deemed to be 44938
delinquent taxes. The county auditor shall cause such charges, 44939
including the penalty that has accrued pursuant to this section, 44940
to be added to the delinquent tax duplicate in accordance with 44941
section 5719.04 of the Revised Code. 44942

(D) The county auditor, upon consultation with the county 44943
treasurer, shall remit a penalty imposed under division (B) of 44944
this section or division (C) of section 5719.03 of the Revised 44945
Code for the late payment of taxes when: 44946

(1) The taxpayer could not make timely payment of the tax 44947
because of the negligence or error of the auditor or treasurer in 44948
the performance of a statutory duty relating to the levy or 44949
collection of such tax. 44950

(2) In cases other than those described in division (D)(1) of 44951
this section, the taxpayer failed to receive a tax bill or a 44952
correct tax bill, and the taxpayer made a good faith effort to 44953
obtain such bill within thirty days after the last day for payment 44954
of the tax. 44955

(3) The tax was not timely paid because of the death or 44956
serious injury of the taxpayer, or the taxpayer's confinement in a 44957
hospital within sixty days preceding the last day for payment of 44958
the tax if, in any case, the tax was subsequently paid within 44959
sixty days after the last day for payment of such tax. 44960

(4) The taxpayer demonstrates to the satisfaction of the 44961
auditor that the full payment was properly deposited in the mail 44962

in sufficient time for the envelope to be postmarked by the United States postal service on or before the last day for payment of such tax. A private meter postmark on an envelope is not a valid postmark for purposes of establishing the date of payment of such tax.

(E) The taxpayer, upon application, may request the tax commissioner to review the denial of the remission of a penalty by the auditor. The commissioner shall consider the application, determine whether the penalty should be remitted, and certify the determination to the taxpayer and to the treasurer and auditor who shall correct the tax list and duplicate accordingly. The commissioner shall issue orders and instructions for the uniform implementation of this section by all auditors and treasurers, and such orders and instructions shall be followed by such officers.

Sec. 5721.30. As used in sections 5721.30 to 5721.42 of the Revised Code:

(A) "Tax certificate," "certificate," or "duplicate certificate" means a document which may be issued as a physical certificate, in book-entry form, or through an electronic medium, at the discretion of the county treasurer. Such document shall contain the information required by section 5721.31 of the Revised Code and shall be prepared, transferred, or redeemed in the manner prescribed by sections 5721.30 to 5721.41 of the Revised Code. As used in those sections, "tax certificate," "certificate," and "duplicate certificate" do not refer to the delinquent land tax certificate or the delinquent vacant land tax certificate issued under section 5721.13 of the Revised Code.

(B) "Certificate parcel" means the parcel of delinquent land that is the subject of and is described in a tax certificate.

(C) "Certificate holder" means a person who purchases a tax certificate under section 5721.32 or 5721.33 of the Revised Code,

or a person to whom a tax certificate has been transferred 44994
pursuant to section 5721.36 of the Revised Code. 44995

(D) "Certificate purchase price" means, with respect to the 44996
sale of tax certificates under sections 5721.32 and 5721.33 of the 44997
Revised Code, the amount equal to delinquent taxes, assessments, 44998
penalties, and interest computed under section 323.121 of the 44999
Revised Code charged against a certificate parcel at the time the 45000
tax certificate respecting that parcel is sold, not including any 45001
delinquent taxes, assessments, penalties, interest, and charges, 45002
the lien for which has been conveyed to a certificate holder 45003
through a prior sale of a tax certificate respecting that parcel; 45004
provided, however, that payment of the certificate purchase price 45005
in a sale under section 5721.33 of the Revised Code may be made 45006
wholly in cash or partially in cash and partially by noncash 45007
consideration acceptable to the county treasurer from the 45008
purchaser. In the event that any such noncash consideration is 45009
delivered to pay a portion of the certificate purchase price, such 45010
noncash consideration may be subordinate to the rights of the 45011
holders of other obligations whose proceeds paid the cash portion 45012
of the certificate purchase price. 45013

"Certificate purchase price" also includes the amount of the 45014
fee charged by the county treasurer to the purchaser of the 45015
certificate under division (H) of section 5721.32 of the Revised 45016
Code. 45017

(E) With respect to a sale of tax certificates under section 45018
5721.32 of the Revised Code and except as provided in division 45019
(E)(3) of this section, "certificate redemption price" means the 45020
amount determined under division (E)(1) or (2) of this section. 45021

(1) During the first year after the date on which a tax 45022
certificate is sold, the sum of the following: 45023

(a) The certificate purchase price; 45024

(b) The greater of the following:	45025
(i) Interest, at the certificate rate of interest, accruing during the certificate interest period on the certificate purchase price;	45026 45027 45028
(ii) Six per cent of the certificate purchase price.	45029

the event a meter is not actually read for a measurement period, 45411
the estimated kilowatt hours distributed by an electric 45412
distribution company to bill for its distribution charges shall be 45413
used. 45414

state in the manner prescribed by the tax commissioner; 45422

(3) The company is distributing electricity in this state 45423
without the use of a meter, but the electricity is consumed in 45424
this state as estimated and in the manner prescribed by the tax 45425
commissioner. 45426

(C)(1) As used in division (C) of this section: 45427

(a) "Total price of electricity" means the aggregate value in 45428
money of anything paid or transferred, or promised to be paid or 45429
transferred, to obtain electricity or electric service, including 45430

but not limited to the value paid or promised to be paid for the 45431
transmission or distribution of electricity and for transition 45432
costs as described in Chapter 4928. of the Revised Code. 45433

(b) "Package" means the provision or the acquisition, at a 45434
combined price, of electricity with other services or products, or 45435
any combination thereof, such as natural gas or other fuels; 45436
energy management products, software, and services; machinery and 45437
equipment acquisition; and financing agreements. 45438

(c) "Single location" means a facility located on contiguous 45439
property separated only by a roadway, railway, or waterway. 45440

(2) Division (C) of this section applies to any commercial or 45441
industrial purchaser's receipt of electricity through a meter of 45442
an end user in this state or through more than one meter at a 45443
single location in this state in a quantity that exceeds 45444
forty-five million kilowatt hours of electricity over the course 45445
of the preceding calendar year, or any commercial or industrial 45446
purchaser that will consume more than forty-five million kilowatt 45447
hours of electricity over the course of the succeeding twelve 45448
months as estimated by the tax commissioner. The tax commissioner 45449
shall make such an estimate upon the written request by an 45450
applicant for registration as a self-assessing purchaser under 45451
this division. Such a purchaser may elect to self-assess the 45452
excise tax imposed by this section at the rate of \$.00075 per 45453
kilowatt hour on ~~not more than~~ the first five hundred four million 45454
kilowatt hours distributed to that meter or location during the 45455
registration year, and four per cent of the total price of all 45456
electricity distributed to that meter or location. A qualified end 45457
user that receives electricity through a meter of an end user in 45458
this state or through more than one meter at a single location in 45459
this state and that consumes, over the course of the previous 45460
calendar year, more than forty-five million kilowatt hours in 45461
other than its qualifying manufacturing process, may elect to 45462

self-assess the tax as allowed by this division with respect to 45463
the electricity used in other than its qualifying manufacturing 45464
process. Payment Until January 1, 2003, payment of the tax shall 45465
be made directly to the treasurer of state in accordance with 45466
divisions (A)(4) and (5) of section 5727.82 of the Revised Code. 45467
Beginning January 1, 2003, payment of the tax shall be made 45468
directly to the tax commissioner in accordance with divisions 45469
(A)(4) and (5) of section 5727.82 of the Revised Code, or the 45470
treasurer of state in accordance with section 5727.83 of the 45471
Revised Code. If the electric distribution company serving the 45472
self-assessing purchaser is a municipal electric utility and the 45473
purchaser is within the municipal corporation's corporate limits, 45474
payment shall be made to such municipal corporation's general fund 45475
and reports shall be filed in accordance with divisions (A)(4) and 45476
(5) of section 5727.82 of the Revised Code, except that "municipal 45477
corporation" shall be substituted for "treasurer of state" and 45478
"tax commissioner." A self-assessing purchaser that pays the 45479
excise tax as provided in this division shall not be required to 45480
pay the tax to the electric distribution company from which its 45481
electricity is distributed. If a self-assessing purchaser's 45482
receipt of electricity is not subject to the tax as measured under 45483
this division, the tax on the receipt of such electricity shall be 45484
measured and paid as provided in division (A) of this section. 45485

45486
(3) In the case of the acquisition of a package, unless the 45487
elements of the package are separately stated isolating the total 45488
price of electricity from the price of the remaining elements of 45489
the package, the tax imposed under this section applies to the 45490
entire price of the package. If the elements of the package are 45491
separately stated, the tax imposed under this section applies to 45492
the total price of the electricity. 45493

(4) Any electric supplier that sells electricity as part of a 45494

package shall separately state to the purchaser the total price of
the electricity and, upon request by the tax commissioner, the
total price of each of the other elements of the package.

(5) The tax commissioner may adopt rules relating to the
computation of the total price of electricity with respect to
self-assessing purchasers, which may include rules to establish
the total price of electricity purchased as part of a package.

(6) ~~Application~~ An annual application for registration as a
self-assessing purchaser shall be made for each qualifying meter
or location, on a form prescribed by the tax commissioner. The
registration year begins on the first day of may and ends on the
following thirtieth day of April. Persons may apply after the
first day of May for the remainder of the registration year. In
the case of an applicant applying on the basis of an estimated
consumption of forty-five million kilowatt hours over the course
of the succeeding twelve months, the applicant shall provide such
information as the tax commissioner considers to be necessary to
estimate such consumption. At the time of making the application
and by the first day of May of each year, excluding May 1, 2000, a
self-assessing purchaser shall pay a fee of five hundred dollars
to the tax commissioner, or to the treasurer of state as provided
in section 5727.83 of the Revised Code, for each qualifying meter
or location. The tax commissioner shall immediately pay to the
treasurer of state all amounts that the tax commissioner receives
under this section. The treasurer of state shall deposit such ~~fees~~
amounts into the kilowatt hour excise tax administration fund,
which is hereby created in the state treasury. Money in the fund
shall be used to defray the tax commissioner's cost in
administering the tax owed under section 5727.81 of the Revised
Code by self-assessing purchasers. After the application is
approved by the tax commissioner, the registration shall remain in
effect for the current registration year, or until canceled by the

registrant upon written notification to the commissioner of the 45527
election to pay the tax in accordance with division (A) of this 45528
section, or until canceled by the tax commissioner for not paying 45529
the tax or fee under division (C) of this section, or for not 45530
meeting the qualifications in division (C)(2) of this section. The 45531
tax commissioner shall give written notice to the electric 45532
distribution company from which electricity is delivered to a 45533
self-assessing purchaser of the purchaser's self-assessing status, 45534
and the electric distribution company is relieved of the 45535
obligation to pay the tax imposed by division (A) of this section 45536
for electricity distributed to that self-assessing purchaser until 45537
it is notified by the tax commissioner that the self-assessing 45538
purchaser's registration is canceled. Within fifteen days of 45539
notification of the canceled registration, the electric 45540
distribution company shall be responsible for payment of the tax 45541
imposed by division (A) of this section on electricity distributed 45542
to a purchaser that is no longer registered as a self-assessing 45543
purchaser. A self-assessing purchaser with a canceled registration 45544
must file a report and remit the tax imposed by division (A) of 45545
this section on all electricity it receives for any measurement 45546
period prior to the tax being reported and paid by the electric 45547
distribution company. A self-assessing purchaser whose 45548
registration is canceled by the tax commissioner is not eligible 45549
to register as a self-assessing purchaser for two years after the 45550
registration is canceled. 45551

(7) If the tax commissioner cancels the self-assessing 45552
registration of a purchaser registered on the basis of its 45553
estimated consumption because the purchaser does not consume at 45554
least forty-five million kilowatt hours of electricity over the 45555
course of the twelve-month period for which the estimate was made, 45556
the tax commissioner shall assess and collect from the purchaser 45557
the difference between (a) the amount of tax that would have been 45558
payable under division (A) of this section on the electricity 45559

distributed to the purchaser during that period and (b) the amount 45560
of tax paid by the purchaser on such electricity pursuant to 45561
division (C)(2)(a) of this section. The assessment shall be paid 45562
within sixty days after the tax commissioner issues it, regardless 45563
of whether the purchaser files a petition for reassessment under 45564
section 5727.89 of the Revised Code covering that period. If the 45565
purchaser does not pay the assessment within the time prescribed, 45566
the amount assessed is subject to the additional charge and the 45567
interest prescribed by divisions (B) and (C) of section 5727.82 of 45568
the Revised Code, and is subject to assessment under section 45569
5727.89 of the Revised Code. If the purchaser is a qualified end 45570
user, division (C)(7) of this section applies only to electricity 45571
it consumes in other than its qualifying manufacturing process. 45572

(D) The tax imposed by this section does not apply to the 45573
distribution of any kilowatt hours of electricity to the federal 45574
government, to an end user located at a federal facility that uses 45575
electricity for the enrichment of uranium, to a qualified 45576
regeneration meter, or to an end user for any day the end user is 45577
a qualified end user. The exemption under this division for a 45578
qualified end user only applies to the manufacturing location 45579
where the qualified end user uses more than three million kilowatt 45580
hours per day in a qualifying manufacturing process. 45581

Sec. 5727.811. (A) For the purpose of raising revenue for 45582
public education and state and local government operations, an 45583
excise tax is hereby levied on every natural gas distribution 45584
company for all natural gas volumes billed by, or on behalf of, 45585
the company ~~on and after~~ beginning with the measurement period 45586
that includes July 1, 2001. Except as provided in divisions (C) or 45587
(D) of this section, the tax shall be levied at the following 45588
rates per MCF of natural gas distributed by the company through a 45589
meter of an end user in this state: 45590

MCF DISTRIBUTED TO AN END USER	RATE PER MCF	45591
--------------------------------	--------------	-------

For the first 100 MCF per month	\$.1593	45592
For the next 101 to 2000 MCF per month	\$.0877	45593
For 2001 and above MCF per month	\$.0411	45594

If no meter is used to measure the MCF of natural gas distributed by the company, the rates shall apply to the estimated MCF of natural gas distributed to an unmetered location in this state.

(B) A natural gas distribution company shall base the tax on the MCF of natural gas distributed to an end user through the meter of the end user in this state that is estimated to be consumed by the end user as reflected on the end user's customer statement from the natural gas distribution company. The Until January 1, 2003, the natural gas distribution company shall pay the tax levied by this section to the treasurer of state in accordance with section 5727.82 of the Revised Code. Beginning January 1, 2003, the natural gas distribution company shall pay the tax levied by this section to the tax commissioner in accordance with section 5747.82 of the Revised Code unless required to remit payment to the treasurer of state in accordance with section 5727.83 of the Revised Code.

(C) A natural gas distribution company with fifty thousand customers or less may elect to apply the rates specified in division (A) of this section to the aggregate of the natural gas distributed by the company through the meter of all its customers in this state, and upon such election, this method shall be used to determine the amount of tax to be paid by such company.

(D) A natural gas distribution company shall pay the tax imposed by this section at the rate of \$.02 per MCF of natural gas distributed by the company through the meter of a flex customer. The natural gas distribution company correspondingly shall reduce the per MCF rate that it charges the flex customer for natural gas distribution services by \$.02 per MCF of natural gas distributed

to the flex customer. 45624

(E) Except as provided in division (F) of this section, each 45625
natural gas distribution company shall pay the tax imposed by this 45626
section in all of the following circumstances: 45627

(1) The natural gas is distributed by the company through a 45628
meter of an end user in this state; 45629

(2) The natural gas distribution company is distributing 45630
natural gas through a meter located in another state, but the 45631
natural gas is consumed in this state in the manner prescribed by 45632
the tax commissioner; 45633

(3) The natural gas distribution company is distributing 45634
natural gas in this state without the use of a meter, but the 45635
natural gas is consumed in this state as estimated and in the 45636
manner prescribed by the tax commissioner. 45637

(F) The tax levied by this section does not apply to the 45638
distribution of natural gas to the federal government, or natural 45639
gas produced by an end user in this state that is consumed by that 45640
end user or its affiliates and is not distributed through the 45641
facilities of a natural gas company. 45642

Sec. 5727.82. (A)(1) Except as provided in divisions (A)(3) 45643
and (D) of this section, by the twentieth day of each month, each 45644
electric distribution company required to pay the tax imposed by 45645
section 5727.81 of the Revised Code shall file with the ~~treasurer~~ 45646
of state tax commissioner a return as prescribed by the tax 45647
commissioner and shall make payment of the full amount of tax due 45648
for the preceding month. The first payment of this tax shall be 45649
made on or before June 20, 2001. The electric distribution company 45650
shall make payment to the tax commissioner unless required to 45651
remit each tax payment by electronic funds transfer to the 45652
treasurer of state as provided in section 5727.83 of the Revised 45653

Code. 45654

(2) By the twentieth day of May, August, November, and 45655
February, each natural gas distribution company required to pay 45656
the tax imposed by section 5727.811 of the Revised Code shall file 45657
with the ~~treasurer of state tax commissioner~~ a return as 45658
prescribed by the tax commissioner and shall make payment to the 45659
tax commissioner, or to the treasurer of state as provided in 45660
section 5727.83 of the Revised Code, of the full amount of tax due 45661
for the preceding quarter. The first payment of this tax shall be 45662
made on or before November 20, 2001, for the quarter ending 45663
September 30, 2001. 45664

(3) If the electric distribution company required to pay the 45665
tax imposed by section 5727.81 of the Revised Code is a municipal 45666
electric utility, it may retain in its general fund that portion 45667
of the tax on the kilowatt hours distributed to end users located 45668
within the boundaries of the municipal corporation. However, the 45669
municipal electric utility shall make payment in accordance with 45670
division (A)(1) of this section of the tax due on the kilowatt 45671
hours distributed to end users located outside the boundaries of 45672
the municipal corporation. 45673

(4) By the twentieth day of each month, each self-assessing 45674
purchaser that under division (C) of section 5727.81 of the 45675
Revised Code pays directly to the tax commissioner or the 45676
treasurer of state the tax imposed by section 5727.81 of the 45677
Revised Code shall file with the ~~treasurer of state tax~~ 45678
commissioner a return as prescribed by the tax commissioner and 45679
shall make payment of the full amount of the tax due for the 45680
preceding month. 45681

(5) As prescribed by the tax commissioner, a return shall be 45682
signed by the company or self-assessing purchaser required to file 45683
it, or an authorized employee, officer, or agent of the company or 45684

~~purchaser. The treasurer of state shall mark on the return the date it was received and indicate payment or nonpayment of the tax shown to be due on the return. The treasurer of state immediately shall transmit all returns to the tax commissioner. The return shall be deemed filed when received by the treasurer of state tax commissioner.~~

(B) Any natural gas distribution company, electric distribution company, or self-assessing purchaser required by this section to file a return who fails to file it and pay the tax within the period prescribed shall pay an additional charge of fifty dollars or ten per cent of the tax required to be paid for the reporting period, whichever is greater. The tax commissioner may collect the additional charge by assessment pursuant to section 5727.89 of the Revised Code. The commissioner may abate all or a portion of the additional charge and may adopt rules governing such abatements.

(C) If any tax due is not paid timely in accordance with this section, the natural gas distribution company, electric distribution company, or self-assessing purchaser liable for the tax shall pay interest, calculated at the rate per annum prescribed by section 5703.47 of the Revised Code, from the date the tax payment was due to the date of payment or to the date an assessment is issued, whichever occurs first. Interest shall be paid in the same manner as the tax, and the commissioner may collect the interest by assessment pursuant to section 5727.89 of the Revised Code.

(D) Not later than the tenth day of each month, a qualified end user not making the election to self-assess under division (C) of section 5727.81 of the Revised Code shall report in writing to the electric distribution company that distributes electricity to the end user the kilowatt hours that were consumed as a qualified end user in a qualifying manufacturing process for the prior month

and the number of days, if any, on which the end user was not a
qualified end user. For each calendar day during that month, a
qualified end user shall report the kilowatt hours that were not
used in a qualifying manufacturing process. For each calendar day
the end user was not a qualified end user, the end user shall
report in writing to the electric distribution company the total
number of kilowatt hours used on that day, and the electric
distribution company shall pay the tax imposed under section
5727.81 of the Revised Code on each kilowatt hour that was not
distributed to a qualified end user in a qualifying manufacturing
process. The electric distribution company may rely in good faith
on a qualified end user's report filed under this division. If it
is determined that the end user was not a qualified end user for
any calendar day or the quantity of electricity used by the
qualified end user in a qualifying manufacturing process was
overstated, the tax commissioner shall assess and collect any tax
imposed under section 5727.81 of the Revised Code directly from
the qualified end user. As requested by the commissioner, each end
user reporting to an electric distribution company that it is a
qualified end user shall provide documentation to the commissioner
that establishes the volume of electricity consumed daily by the
qualified end user and the total number of kilowatt hours consumed
in a qualifying manufacturing process.

the tax year preceding the distribution year. For the years 2007 45962
through 2016 in the case of school district emergency levies, and 45963

tax year 1998 or 1999, respectively, less the amount of the 45976
payment certified under this division for 2002. 45977

(2) ~~The total taxable value in tax year 1998 in the case of~~ 45978

If the amount computed under division (H) of this section for 45983
any school district, joint vocational school district, or local 45984
taxing unit is greater than zero, that amount shall equal the 45985
fixed-sum levy loss reimbursed pursuant to division (E) of section 45986
5727.85 of the Revised Code or division (A)(2) of section 5727.86 45987

proportion of each levy to the sum of all fixed-sum levies within 45991
each school district, joint vocational school district, or local 45992
taxing unit. 45993

(I) Notwithstanding divisions (D), (E), (G), and (H) of this 45994
section, in computing the tax value loss, fixed-rate levy loss, 45995
and fixed-sum levy loss, the tax commissioner shall use the 45996
greater of the 1998 tax rate or the 1999 tax rate in the case of 45997

levy losses associated with the electric company tax value loss, 45998
but the 1999 tax rate shall not include for this purpose any tax 45999
levy approved by the voters after June 30, 1999, and the tax 46000
commissioner shall use the greater of the 1999 or the 2000 tax 46001
rate in the case of levy losses associated with the natural gas 46002
company tax value loss, ~~but the 2000 tax rate shall not include~~ 46003

(J) Not later than January 1, 2002, the tax commissioner 46006
shall certify to the department of education the tax value loss 46007
determined under divisions (D) and (E) of this section for each 46008
taxing district, the fixed-rate levy loss calculated under 46009
division (G) of this section, and the fixed-sum levy loss 46010
calculated under division (H) of this section. The calculations 46011

included the tax value loss for ~~all taxing districts~~ in the school 46035
district or joint vocational school district. 46036

(2) The greater of zero or difference obtained by subtracting 46037
the state education aid offset determined under division (A)(1) of 46038

current year. 46060

(3) The difference obtained by subtracting the amount 46061

Divisions (C) to (H) of that section govern the tax credit allowed 46637
by this section, except that "credit period" shall be substituted 46638
for "tax year with respect to a calendar year" wherever that 46639
phrase appears in those divisions and that the company shall be 46640
considered a taxpayer for the purposes of those divisions. 46641

A foreign insurance company may carry forward the credit 46642
allowed under this section to the extent that the credit exceeds 46643
the company's tax due for the credit period. The company may carry 46644
the excess credit forward for three credit periods following the 46645
credit period for which the credit is first claimed under this 46646
section. The credit allowed by this section is in addition to any 46647
credit allowed under section 5729.031 of the Revised Code. 46648

The reduction in the tax due under this chapter to the extent 46649
of the credit allowed by this section does not increase the amount 46650
of the tax otherwise due under section 5729.06 of the Revised 46651
Code. 46652

Sec. 5731.21. (A)(1)(a) Except as provided under division 46653
(A)(3) of this section, the executor or administrator, or, if no 46654
executor or administrator has been appointed, another person in 46655
possession of property the transfer of which is subject to estate 46656
taxes under section 5731.02 or division (A) of section 5731.19 of 46657
the Revised Code, shall file an estate tax return, within nine 46658
months of the date of the decedent's death, in the form prescribed 46659
by the tax commissioner, in duplicate, with the probate court of 46660
the county. The return shall include all property the transfer of 46661
which is subject to estate taxes, whether that property is 46662
transferred under the last will and testament of the decedent or 46663

otherwise. The time for filing the return may be extended by the tax commissioner. 46664
46665

(b) The estate tax return described in division (A)(1)(a) of this section shall be accompanied by a certificate, in the form prescribed by the tax commissioner, that is signed by the executor, administrator, or other person required to file the return, and that states all of the following: 46666
46667
46668
46669
46670

(i) The fact that the return was filed; 46671

(ii) The date of the filing of the return; 46672

(iii) The fact that the estate taxes under section 5731.02 or division (A) of section 5731.19 of the Revised Code, that are shown to be due in the return, have been paid in full; 46673
46674
46675

(iv) If applicable, the fact that real property listed in the inventory for the decedent's estate is included in the return; 46676
46677

(v) If applicable, the fact that real property not listed in the inventory for the decedent's estate, including, but not limited to, survivorship tenancy property as described in section 5302.17 of the Revised Code or transfer on death property as described in sections 5302.22 and 5302.23 of the Revised Code, also is included in the return. In this regard, the certificate additionally shall describe that real property by the same description used in the return. 46678
46679
46680
46681
46682
46683
46684
46685

(2) The probate court shall forward one copy of the estate tax return described in division (A)(1)(a) of this section to the tax commissioner. 46686
46687
46688

(3) A person may, but shall not be required to, file a return under division (A) of this section if the decedent was a resident of this state and the value of the decedent's gross estate is twenty-five thousand dollars or less in the case of a decedent dying on or after July 1, 1968, but before January 1, 2001; two hundred thousand dollars or less in the case of a decedent dying 46689

hundred thirty-eight thousand three hundred thirty-three dollars 46696
or less in the case of a decedent dying on or after January 1, 46697
2002. If a probate court issues an order that grants a summary 46698
release from administration in connection with a decedent's estate 46699
under section 2113.031 of the Revised Code, that order eliminates 46700
the duty of all persons to file an estate tax return and 46701
certificate under divisions (A)(1)(a) and (b) of this section with 46702
respect to the estate for which the order was granted. 46703
46704

(4)(a) Upon receipt of the estate tax return described in 46705
division (A)(1)(a) of this section and the accompanying 46706
certificate described in division (A)(1)(b) of this section, the 46707
probate court promptly shall give notice of the return, by a form 46708
prescribed by the tax commissioner, to the county auditor. The 46709
auditor then shall make a charge based upon the notice and shall 46710
certify a duplicate of the charge to the county treasurer. The 46711
treasurer then shall collect, subject to division (A) of section 46712
5731.25 of the Revised Code or any other statute extending the 46713
time for payment of an estate tax, the tax so charged. 46714

(b) Upon receipt of the return and the accompanying 46715
certificate, the probate court also shall forward the certificate 46716
to the auditor. When satisfied that the estate taxes under section 46717
5731.02 or division (A) of section 5731.19 of the Revised Code, 46718
that are shown to be due in the return, have been paid in full, 46719
the auditor shall stamp the certificate so forwarded to verify 46720
that payment. The auditor then shall return the stamped 46721
certificate to the probate court. 46722

(5)(a) The certificate described in division (A)(1)(b) of 46723
this section is a public record subject to inspection and copying 46724
in accordance with section 149.43 of the Revised Code. It shall be 46725
kept in the records of the probate court pertaining to the 46726

decedent's estate and is not subject to the confidentiality provisions of section 5731.90 of the Revised Code.

46727
46728

(b) All persons are entitled to rely on the statements contained in a certificate as described in division (A)(1)(b) of this section if it has been filed in accordance with that division, forwarded to a county auditor and stamped in accordance with division (A)(4) of this section, and placed in the records of the probate court pertaining to the decedent's estate in accordance with division (A)(5)(a) of this section. The real property referred to in the certificate shall be free of, and may be regarded by all persons as being free of, any lien for estate taxes under section 5731.02 and division (A) of section 5731.19 of the Revised Code.

(B) An estate tax return filed under this section, in the form prescribed by the tax commissioner, and showing that no estate tax is due shall result in a determination that no estate tax is due, if the tax commissioner within three months after the receipt of the return by the department of taxation, fails to file exceptions to the return in the probate court of the county in which the return was filed. A copy of exceptions to a return of that nature, when the tax commissioner files them within that period, shall be sent by ordinary mail to the person who filed the return. The tax commissioner is not bound under this division by a determination that no estate tax is due, with respect to property not disclosed in the return.

transferee shall add to its net income allocated or apportioned to 46856
this state its transferor's net income allocated or apportioned to 46857
this state. The transferee shall add such income in computing its 46858
tax for the same tax year or years that such income would have 46859
been reported by the transferor if the transfer had not been made. 46860
The transferee shall add such income only to the extent the income 46861
is not required to be reported by the transferor for the purposes 46862

and 382 of the Internal Revenue Code concerning net operating loss 46883
carryovers; 46884

(3) Any other deduction from or addition to net income under 46885
this chapter involving the transferor, the disallowance of which 46886

forth in sections 381 and 382 of the Internal Revenue Code and 46889
regulations prescribed thereunder. 46890

the Internal Revenue Code, such as those employed in foreign 46924
countries, the determination of whether such payments would 46925

Revenue Code shall be made as though such employees were subject 46927

employees of the taxpayer. 47044

(18) "State" means a state of the United States, the District 47045
of Columbia, the commonwealth of Puerto Rico, or any territory or 47046
possession of the United States. 47047

(19) "Syndication" means an extension of credit in which two 47048
or more persons fund and each person is at risk only up to a 47049
specified percentage of the total extension of credit or up to a 47050
specified dollar amount. 47051

(20) "Transportation property" means vehicles and vessels 47052
capable of moving under their own power, such as aircraft, trains, 47053
water vessels and motor vehicles, as well as any equipment or 47054
containers attached to such property, such as rolling stock, 47055
barges, trailers, or the like. 47056

(B) The annual financial institution report determines the 47057
value of the issued and outstanding shares of stock of the 47058
taxpayer, and is the base or measure of the franchise tax 47059
liability. Such determination shall be made as of the date shown 47060
by the report to have been the beginning of the financial 47061

institution's annual accounting period that includes the first day 47062
of January of the tax year. For purposes of this section, division 47063
(A) of section 5733.05, and division (D) of section 5733.06 of the 47064
Revised Code, the value of the issued and outstanding shares of 47065
stock of the financial institution shall include the total value, 47066
as shown by the books of the financial institution, of its 47067
capital, surplus, whether earned or unearned, undivided profits, 47068
and reserves, but exclusive of: 47069

(1) Reserves for accounts receivable, depreciation, 47070
depletion, and any other valuation reserves with respect to 47071
specific assets; 47072

(2) Taxes due and payable during the year for which such 47073
report was made; 47074

(3) Voting stock and participation certificates in 47075
corporations chartered pursuant to the "Farm Credit Act of 1971," 47076
85 Stat. 597, 12 U.S.C. 2091, as amended; 47077

(4) Good will, appreciation, and abandoned property as set up 47078
in the annual report of the financial institution, provided a 47079
certified balance sheet of the company is made available upon the 47080
request of the tax commissioner. Such balance sheet shall not be a 47081
part of the public records, but shall be a confidential report for 47082
use of the tax commissioner only. 47083

(5) A portion of the value of the issued and outstanding 47084
shares of stock of such financial institution equal to the amount 47085
obtained by multiplying such value by the quotient obtained by: 47086

(a) Dividing (1) the amount of the financial institution's 47087
assets, as shown on its books, represented by investments in the 47088
capital stock and indebtedness of public utilities of which at 47089
least eighty per cent of the utility's issued and outstanding 47090
common stock is owned by the financial institution by (2) the 47091
total assets of such financial institution as shown on its books; 47092

(b) Dividing (1) the amount of the financial institution's 47093
assets, as shown on its books, represented by investments in the 47094
capital stock and indebtedness of insurance companies of which at 47095
least eighty per cent of the insurance company's issued and 47096
outstanding common stock is owned by the financial institution by 47097
(2) the total assets of such financial institution as shown on its 47098
books; 47099

(c) Dividing (1) the amount of the financial institution's 47100
assets, as shown on its books, represented by investments in the 47101
capital stock and indebtedness of other financial institutions of 47102
which at least twenty-five per cent of the other financial 47103
institution's issued and outstanding common stock is owned by the 47104
financial institution by (2) the total assets of the financial 47105
institution as shown on its books. Division (B)(5)(c) of this 47106
section applies only with respect to such other financial 47107
institutions that for the tax year immediately following the 47108
taxpayer's taxable year will pay the tax imposed by division (D) 47109
of section 5733.06 of the Revised Code. 47110

(6) Land that has been determined pursuant to section 5713.31 47111
of the Revised Code by the county auditor of the county in which 47112
the land is located to be devoted exclusively to agricultural use 47113
as of the first Monday of June in the financial institution's 47114
taxable year. 47115

(7) Property within this state used exclusively during the 47116
taxable year for qualified research as defined in section 5733.05 47117
of the Revised Code. 47118

(C) The base upon which the tax levied under division (D) of 47119
section 5733.06 of the Revised Code shall be computed by 47120
multiplying the value of a financial institution's issued and 47121
outstanding shares of stock as determined in division (B) of this 47122
section by a fraction. The numerator of the fraction is the sum of 47123
the following: the property factor multiplied by fifteen, the 47124

payroll factor multiplied by fifteen, and the sales factor 47125
multiplied by seventy. The denominator of the fraction is one 47126
hundred, provided that the denominator shall be reduced by fifteen 47127
if the property factor has a denominator of zero, by fifteen if 47128
the payroll factor has a denominator of zero, and by seventy if 47129
the sales factor has a denominator of zero. 47130

(D) A financial institution shall calculate the property 47131
factor as follows: 47132

(1) The property factor is a fraction, the numerator of which 47133
is the average value of real property and tangible personal 47134
property rented to the taxpayer that is located or used within 47135
this state during the taxable year, the average value of real and 47136
tangible personal property owned by the taxpayer that is located 47137
or used within this state during the taxable year, and the average 47138
value of the taxpayer's loans and credit card receivables that are 47139
located within this state during the taxable year; and the 47140
denominator of which is the average value of all such property 47141
located or used within and without this state during the taxable 47142
year. 47143

(2)(a) The value of real property and tangible personal 47144
property owned by the taxpayer is the original cost or other basis 47145
of such property for federal income tax purposes without regard to 47146
depletion, depreciation, or amortization. 47147

(b) Loans are valued at their outstanding principal balance, 47148
without regard to any reserve for bad debts. If a loan is 47149
charged-off in whole or in part for federal income tax purposes, 47150
the portion of the loan charged-off is not outstanding. A 47151
specifically allocated reserve established pursuant to financial 47152
accounting guidelines which is treated as charged-off for federal 47153
income tax purposes shall be treated as charged-off for purposes 47154
of this section. 47155

(c) Credit card receivables are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a credit card receivable is charged-off in whole or in part for federal income tax purposes, the portion of the receivable charged-off is not outstanding.

(3) The average value of property owned by the taxpayer is computed on an annual basis by adding the value of the property on the first day of the taxable year and the value on the last day of the taxable year and dividing the sum by two. If averaging on this basis does not properly reflect average value, the tax commissioner may require averaging on a more frequent basis. The taxpayer may elect to average on a more frequent basis. When averaging on a more frequent basis is required by the tax commissioner or is elected by the taxpayer, the same method of valuation must be used consistently by the taxpayer with respect to property within and without this state and on all subsequent returns unless the taxpayer receives prior permission from the tax commissioner or the tax commissioner requires a different method of determining value.

(4)(a) The average value of real property and tangible personal property that the taxpayer has rented from another and is not treated as property owned by the taxpayer for federal income tax purposes, shall be determined annually by multiplying the gross rents payable during the taxable year by eight.

(b) Where the use of the general method described in division (D)(4)(a) of this section results in inaccurate valuations of rented property, any other method which properly reflects the value may be adopted by the tax commissioner or by the taxpayer when approved in writing by the tax commissioner. Once approved, such other method of valuation must be used on all subsequent returns unless the taxpayer receives prior approval from the tax commissioner or the tax commissioner requires a different method

of valuation.

47188

(5)(a) Except as described in division (D)(5)(b) of this section, real property and tangible personal property owned by or rented to the taxpayer is considered to be located within this state if it is physically located, situated, or used within this state.

47189

47190

47191

47192

47193

(b) Transportation property is included in the numerator of the property factor to the extent that the property is used in this state. The extent an aircraft will be deemed to be used in this state and the amount of value that is to be included in the numerator of this state's property factor is determined by multiplying the average value of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this state and the denominator of which is the total number of landings of the aircraft everywhere. If the extent of the use of any transportation property within this state cannot be determined, then the property will be deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle will be deemed to be used wholly in the state in which it is registered.

47194

47195

47196

47197

47198

47199

47200

47201

47202

47203

47204

47205

47206

47207

(6)(a)(i) A loan, other than a loan or advance described in division (D)(6)(d) of this section, is considered to be located within this state if it is properly assigned to a regular place of business of the taxpayer within this state.

47208

47209

47210

47211

(ii) A loan is properly assigned to the regular place of business with which it has a preponderance of substantive contacts. A loan assigned by the taxpayer to a regular place of business without the state shall be presumed to have been properly assigned if:

47212

47213

47214

47215

47216

(I) The taxpayer has assigned, in the regular course of its business, such loan on its records to a regular place of business

47217

47218

consistent with federal or state regulatory requirements; 47219

(II) Such assignment on its records is based upon substantive 47220
contacts of the load to such regular place of business; and 47221
47222

(III) The taxpayer uses the records reflecting assignment of 47223
loans for the filing of all state and local tax returns for which 47224
an assignment of loans to a regular place of business is required. 47225

(iii) The presumption of proper assignment of a loan provided 47226
in division (D)(6)(a)(ii) of this section may be rebutted upon a 47227
showing by the tax commissioner, supported by a preponderance of 47228
the evidence, that the preponderance of substantive contacts 47229
regarding such loan did not occur at the regular place of business 47230
to which it was assigned on the taxpayer's records. When such 47231
presumption has been rebutted, the loan shall then be located 47232
within this state if (1) the taxpayer had a regular place of 47233
business within this state at the time the loan was made; and (2) 47234
the taxpayer fails to show, by a preponderance of the evidence, 47235
that the preponderance of substantive contacts regarding such load 47236
did not occur within this state. 47237
47238

(b) In the case of a loan which is assigned by the taxpayer 47239
to a place without this state which is not a regular place of 47240
business, it shall be presumed, subject to rebuttal by the 47241
taxpayer on a showing supported by the preponderance of evidence, 47242
that the preponderance of substantive contacts regarding the loan 47243
occurred within this state if, at the time the loan was made the 47244
taxpayer's commercial domicile was within this state. 47245

(c) To determine the state in which the preponderance of 47246
substantive contacts relating to a loan have occurred, the facts 47247
and circumstances regarding the loan at issue shall be reviewed on 47248
a case-by-case basis and consideration shall be given to such 47249

activities as the solicitation, investigation, negotiation, 47250
approval, and administration of the loan. The terms 47251
"solicitation," "investigation," "negotiation," "approval," and 47252
"administration" are defined as follows: 47253

(i) "Solicitation" is either active or passive. Active 47254
solicitation occurs when an employee of the taxpayer initiates the 47255
contact with the customer. Such activity is located at the regular 47256
place of business which the taxpayer's employee is regularly 47257
connected with or working out of, regardless of where the services 47258
of such employee were actually performed. Passive solicitation 47259
occurs when the customer initiates the contact with the taxpayer. 47260
If the customer's initial contact was not at a regular place of 47261
business of the taxpayer, the regular place of business, if any, 47262
where the passive solicitation occurred is determined by the facts 47263
in each case. 47264

(ii) "Investigation" is the procedure whereby employees of 47265
the taxpayer determine the creditworthiness of the customer as 47266
well as the degree of risk involved in making a particular 47267
agreement. Such activity is located at the regular place of 47268
business which the taxpayer's employees are regularly connected 47269
with or working out of, regardless of where the services of such 47270
employees were actually performed. 47271

(iii) Negotiation is the procedure whereby employees of the 47272
taxpayer and its customer determine the terms of the agreement, 47273
such as the amount, duration, interest rate, frequency of 47274
repayment, currency denomination, and security required. Such 47275
activity is located at the regular place of business to which the 47276
taxpayer's employees are regularly connected or working from, 47277
regardless of where the services of such employees were actually 47278
performed. 47279

(iv) "Approval" is the procedure whereby employees or the 47280
board of directors of the taxpayer make the final determination 47281

whether to enter into the agreement. Such activity is located at 47282
the regular place of business to which the taxpayer's employees 47283
are regularly connected or working from, regardless of where the 47284
services of such employees were actually performed. If the board 47285
of directors makes the final determination, such activity is 47286
located at the commercial domicile of the taxpayer. 47287

(v) "Administration" is the process of managing the account. 47288
This process includes bookkeeping, collecting the payments, 47289
corresponding with the customer, reporting to management regarding 47290
the status of the agreement, and proceeding against the borrower 47291
or the security interest if the borrower is in default. Such 47292
activity is located at the regular place of business that oversees 47293
this activity. 47294

(d) A loan or advance to a subsidiary corporation at least 47295
fifty-one per cent of whose common stock is owned by the financial 47296
institution shall be allocated in and out of the state by the 47297
application of a ratio whose numerator is the sum of the net book 47298
value of the subsidiary's real property owned in this state and 47299
the subsidiary's tangible personal property owned in this state 47300
and whose denominator is the sum of the subsidiary's real property 47301
owned wherever located and the subsidiary's tangible personal 47302
property owned wherever located. For purposes of calculating this 47303
ratio, the taxpayer shall determine net book value in accordance 47304
with generally accepted accounting principles. If the subsidiary 47305
corporation owns at least fifty-one per cent of the common stock 47306
of another corporation, the ratio shall be calculated by including 47307
the other corporation's real property and tangible personal 47308
property. The calculation of the ratio applies with respect to all 47309
lower-tiered subsidiaries, provided that the immediate parent 47310
corporation of the subsidiary owns at least fifty-one per cent of 47311
the common stock of that subsidiary. 47312

(7) For purposes of determining the location of credit card 47313

receivables, credit card receivables shall be treated as loans and 47314
shall be subject to division (D)(6) of this section. 47315

(8) A loan that has been properly assigned to a state shall, 47316
absent any change of material fact, remain assigned to that state 47317
for the length of the original term of the loan. Thereafter, the 47318
loan may be properly assigned to another state if the loan has a 47319
preponderance of substantive contact to a regular place of 47320
business there. 47321

(E) A financial institution shall calculate the payroll 47322
factor as follows: 47323

(1) The payroll factor is a fraction, the numerator of which 47324
is the total amount paid in this state during the taxable year by 47325
the taxpayer for compensation, and the denominator of which is the 47326
total compensation paid both within and without this state during 47327
the taxable year. 47328

(2) Compensation is paid in this state if any one of the 47329
following tests, applied consecutively, is met: 47330

(a) The employee's services are performed entirely within 47331
this state. 47332

(b) The employee's services are performed both within and 47333
without this state, but the service performed without this state 47334
is incidental to the employee's service within this state. The 47335
term "incidental" means any service which is temporary or 47336
transitory in nature, or which is rendered in connection with an 47337
isolated transaction. 47338

(c) The employee's services are performed both within and 47339
without this state, and: 47340

(i) The employee's principal base of operations is within 47341
this state; or 47342

(ii) There is no principal base of operations in any state in 47343

which some part of the services are performed, but the place from 47344
which the services are directed or controlled is in this state; or 47345
47346

(iii) The principal base of operations and the place from 47347
which the services are directed or controlled are not in any state 47348
in which some part of the service is performed but the employee's 47349
residence is in this state. 47350

(F) A financial institution shall calculate the sales factor 47351
as follows: 47352

(1) The sales factor is a fraction, the numerator of which is 47353
the receipts of the taxpayer in this state during the taxable year 47354
and the denominator of which is the receipts of the taxpayer 47355
within and without this state during the taxable year. The method 47356
of calculating receipts for purposes of the denominator is the 47357
same as the method used in determining receipts for purposes of 47358
the numerator. 47359

(2) The numerator of the sales factor includes receipts from 47360
the lease or rental of real property owned by the taxpayer if the 47361
property is located within this state, or receipts from the 47362
sublease of real property if the property is located within this 47363
state. 47364

(3)(a) Except as described in division (F)(3)(b) of this 47365
section the numerator of the sales factor includes receipts from 47366
the lease or rental of tangible personal property owned by the 47367
taxpayer if the property is located within this state when it is 47368
first placed in service by the lessee. 47369

(b) Receipts from the lease or rental of transportation 47370
property owned by the taxpayer are included in the numerator of 47371
the sales factor to the extent that the property is used in this 47372
state. The extent an aircraft will be deemed to be used in this 47373
state and the amount of receipts that is to be included in the 47374

numerator of this state's sales factor is determined by 47375
multiplying all the receipts from the lease or rental of the 47376
aircraft by a fraction, the numerator of which is the number of 47377
landings of the aircraft in this state and the denominator of 47378
which is the total number of landings of the aircraft. If the 47379
extent of the use of any transportation property within this state 47380
cannot be determined, then the property will be deemed to be used 47381
wholly in the state in which the property has its principal base 47382
of operations. A motor vehicle will be deemed to be used wholly in 47383
the state in which it is registered. 47384

(4)(a) The numerator of the sales factor includes interest 47385
and fees or penalties in the nature of interest from loans secured 47386
by real property if the property is located within this state. If 47387
the property is located both within this state and one or more 47388
other states, the receipts described in this paragraph are 47389
included in the numerator of the sales factor if more than fifty 47390
per cent of the fair market value of the real property is located 47391
within this state. If more than fifty per cent of the fair market 47392
value of the real property is not located within any one state, 47393
then the receipts described in this paragraph shall be included in 47394
the numerator of the sales factor if the borrower is located in 47395
this state. 47396

(b) The determination of whether the real property securing a 47397
loan is located within this state shall be made as of the time the 47398
original agreement was made and any and all subsequent 47399
substitutions of collateral shall be disregarded. 47400

(5) The numerator of the sales factor includes interest and 47401
fees or penalties in the nature of interest from loans not secured 47402
by real property if the borrower is located in this state. 47403

(6) The numerator of the sales factor includes net gains from 47404
the sale of loans. Net gains from the sale of loans includes 47405
income recorded under the coupon stripping rules of section 1286 47406

of the Internal Revenue Code. 47407

(a) The amount of net gains, but not less than zero, from the 47408
sale of loans secured by real property included in the numerator 47409
is determined by multiplying such net gains by a fraction the 47410
numerator of which is the amount included in the numerator of the 47411
sales factor pursuant to division (F)(4) of this section and the 47412
denominator of which is the total amount of interest and fees or 47413
penalties in the nature of interest from loans secured by real 47414
property. 47415

(b) The amount of net gains, but not less than zero, from the 47416
sale of loans not secured by real property included in the 47417
numerator is determined by multiplying such net gains by a 47418
fraction the numerator of which is the amount included in the 47419
numerator of the sales factor pursuant to division (F)(5) of this 47420
section and the denominator of which is the total amount of 47421
interest and fees or penalties in the nature of interest from 47422
loans not secured by real property. 47423

(7) The numerator of the sales factor includes interest and 47424
fees or penalties in the nature of interest from credit card 47425
receivables and receipts from fees charged to card holders, such 47426
as annual fees, if the billing address of the card holder is in 47427
this state. 47428

(8) The numerator of the sales factor includes net gains, but 47429
not less than zero, from the sale of credit card receivables 47430
multiplied by a fraction, the numerator of which is the amount 47431
included in the numerator of the sales factor pursuant to division 47432
(F)(7) of this section and the denominator of which is the 47433
taxpayer's total amount of interest and fees or penalties in the 47434
nature of interest from credit card receivables and fees charged 47435
to card holders. 47436

(9) The numerator of the sales factor includes all credit 47437

card issuer's reimbursement fees multiplied by a fraction, the 47438
numerator of which is the amount included in the numerator of the 47439
sales factor pursuant to division (F)(7) of this section and the 47440
denominator of which is the taxpayer's total amount of interest 47441
and fees or penalties in the nature of interest from credit card 47442
receivables and fees charged to card holders. 47443

(10) The numerator of the sales factor includes receipts from 47444
merchant discount if the commercial domicile of the merchant is in 47445
this state. Such receipts shall be computed net of any card holder 47446
charge backs, but shall not be reduced by any interchange 47447
transaction fees or by any issuer's reimbursement fees paid to 47448
another for charges made by its card holders. 47449

(11)(a)(i) The numerator of the sales factor includes loan 47450
servicing fees derived from loans secured by real property 47451
multiplied by a fraction the numerator of which is the amount 47452
included in the numerator of the sales factor pursuant to division 47453
(F)(4) of this section and the denominator of which is the total 47454
amount of interest and fees or penalties in the nature of interest 47455
from loans secured by real property. 47456

(ii) The numerator of the sales factor includes loan 47457
servicing fees derived from loans not secured by real property 47458
multiplied by a fraction the numerator of which is the amount 47459
included in the numerator of the sales factor pursuant to division 47460
(F)(5) of this section and the denominator of which is the total 47461
amount of interest and fees or penalties in the nature of interest 47462
from loans not secured by real property. 47463

(b) In circumstances in which the taxpayer receives loan 47464
servicing fees for servicing either the secured or the unsecured 47465
loans of another, the numerator of the sales factor shall include 47466
such fees if the borrower is located in this state. 47467

(12) The numerator of the sales factor includes receipts from 47468

services not otherwise apportioned under this section if the 47469
service is performed in this state. If the service is performed 47470
both within and without this state, the numerator of the sales 47471
factor includes receipts from services not otherwise apportioned 47472
under this section, if a greater proportion of the income 47473
producing activity is performed in this state based on cost of 47474
performance. 47475

(13)(a) Interest, dividends, net gains, but not less than 47476
zero, and other income from investment assets and activities and 47477
from trading assets and activities shall be included in the sales 47478
factor. Investment assets and activities and trading assets and 47479
activities include but are not limited to: investment securities; 47480
trading account assets; federal funds; securities purchased and 47481
sold under agreements to resell or repurchase; options; futures 47482
contracts; forward contracts; notional principal contracts such as 47483
swaps; equities; and foreign currency transactions. With respect 47484
to the investment and trading assets and activities described in 47485
divisions (F)(13)(a)(i) and (ii) of this section, the sales factor 47486
shall include the amounts described in such divisions. 47487

(i) The sales factor shall include the amount by which 47488
interest from federal funds sold and securities purchased under 47489
resale agreements exceeds interest expense on federal funds 47490
purchased and securities sold under repurchase agreements. 47491

(ii) The sales factor shall include the amount by which 47492
interest, dividends, gains, and other income from trading assets 47493
and activities, including, but not limited to, assets and 47494
activities in the matched book, in the arbitrage book, and foreign 47495
currency transactions, exceed amounts paid in lieu of interest, 47496
amounts paid in lieu of dividends, and losses from such assets and 47497
activities. 47498

(b) The numerator of the sales factor includes interest, 47499
dividends, net gains, but not less than zero, and other income 47500

from investment assets and activities and from trading assets and 47501
activities described in division (F)(13)(a) of this section that 47502
are attributable to this state. 47503

(i) The amount of interest, other than interest described in 47504
division (F)(13)(b)(iv) of this section, dividends, other than 47505
dividends described in that division, net gains, but not less than 47506
zero, and other income from investment assets and activities in 47507
the investment account to be attributed to this state and included 47508
in the numerator is determined by multiplying all such income from 47509
such assets and activities by a fraction, the numerator of which 47510
is the average value of such assets which are properly assigned to 47511
a regular place of business of the taxpayer within this state and 47512
the denominator of which is the average value of all such assets. 47513

(ii) The amount of interest from federal funds sold and 47514
purchased and from securities purchased under resale agreements 47515
and securities sold under repurchase agreements attributable to 47516
this state and included in the numerator is determined by 47517
multiplying the amount described in division (F)(13)(a)(i) of this 47518
section from such funds and such securities by a fraction, the 47519
numerator of which is the average value of federal funds sold and 47520
securities purchased under agreements to resell which are properly 47521
assigned to a regular place of business of the taxpayer within 47522
this state and the denominator of which is the average value of 47523
all such funds and such securities. 47524

(iii) The amount of interest, dividends, gains, and other 47525
income from trading assets and activities, including but not 47526
limited to assets and activities in the matched book, in the 47527
arbitrage book, and foreign currency transaction, but excluding 47528
amounts described in division (F)(13)(b)(i) or (ii) of this 47529
section, attributable to this state and included in the numerator 47530
is determined by multiplying the amount described in division 47531
(F)(13)(a)(ii) of this section by a fraction, the numerator of 47532

which is the average value of such trading assets which are 47533
properly assigned to a regular place of business of the taxpayer 47534
within this state and the denominator of which is the average 47535
value of all such assets. 47536

(iv) The amount of dividends received on the capital stock 47537
of, and the amount of interest received from loans and advances 47538
to, subsidiary corporations at least fifty-one per cent of whose 47539
common stock is owned by the reporting financial institution shall 47540
be allocated in and out of this state by the application of a 47541
ratio whose numerator is the sum of the net book value of the 47542
payor's real property owned in this state and the payor's tangible 47543
personal property owned in this state and whose denominator is the 47544
sum of the net book value of the payor's real property owned 47545
wherever located and the payor's tangible personal property owned 47546
wherever located. For purposes of calculating this ratio, the 47547
taxpayer shall determine net book value in accordance with 47548
generally accepted accounting principles. 47549

(v) For purposes of this division, average value shall be 47550
determined using the rules for determining the average value of 47551
tangible personal property set forth in division (D)(2) and (3) of 47552
this section. 47553

(c) In lieu of using the method set forth in division 47554
(F)(13)(b) of this section, the taxpayer may elect, or the tax 47555
commissioner may require in order to fairly represent the business 47556
activity of the taxpayer in this state, the use of the method set 47557
forth in division (F)(13)(c) of this section. 47558

(i) The amount of interest, other than interest described in 47559
division (F)(13)(b)(iv) of this section, dividends, other than 47560
dividends described in that division, net gains, but not less than 47561
zero, and other income from investment assets and activities in 47562
the investment account to be attributed to this state and included 47563
in the numerator is determined by multiplying all such income from 47564

such assets and activities by a fraction, the numerator of which 47565
is the gross income from such assets and activities which are 47566
properly assigned to a regular place of business of the taxpayer 47567
within this state, and the denominator of which is the gross 47568
income from all such assets and activities. 47569

(ii) The amount of interest from federal funds sold and 47570
purchased and from securities purchased under resale agreements 47571
and securities sold under repurchase agreements attributable to 47572
this state and included in the numerator is determined by 47573
multiplying the amount described in division (F)(13)(a)(i) of this 47574
section from such funds and such securities by a fraction, the 47575
numerator of which is the gross income from such funds and such 47576
securities which are properly assigned to a regular place of 47577
business of the taxpayer within this state and the denominator of 47578
which is the gross income from all such funds and such securities. 47579

(iii) The amount of interest, dividends, gains, and other 47580
income from trading assets and activities, including, but not 47581
limited to, assets and activities in the matched book, in the 47582
arbitrage book, and foreign currency transactions, but excluding 47583
amounts described in division (F)(13)(a)(i) or (ii) of this 47584
section, attributable to this state and included in the numerator, 47585
is determined by multiplying the amount described in division 47586
(F)(13)(a)(ii) of this section by a fraction, the numerator of 47587
which is the gross income from such trading assets and activities 47588
which are properly assigned to a regular place of business of the 47589
taxpayer within this state and the denominator of which is the 47590
gross income from all such assets and activities. 47591

(iv) The amount of dividends received on the capital stock 47592
of, and the amount of interest received from loans and advances 47593
to, subsidiary corporations at least fifty-one per cent of whose 47594
common stock is owned by the reporting financial institution shall 47595
be allocated in and out of this state by the application of a 47596

ratio whose numerator is the sum of the net book value of the
payor's real property owned in this state and the payor's tangible
personal property owned in this state and whose denominator is the
sum of the payor's real property owned wherever located and the
payor's tangible personal property owned wherever located. For
purposes of calculating this ratio, the taxpayer shall determine
net book value in accordance with generally accepted accounting
principles.

(d) If the taxpayer elects or is required by the tax
commissioner to use the method set forth in division (F)(13)(c) of
this section, it shall use this method on all subsequent returns
unless the taxpayer receives prior permission from the tax
commissioner to use or the tax commissioner requires a different
method.

(e) The taxpayer shall have the burden of proving that an
investment asset or activity or trading asset or activity was
properly assigned to a regular place of business outside of this
state by demonstrating that the day-to-day decisions regarding the
asset or activity occurred at a regular place of business outside
this state. Where the day-to-day decisions regarding an investment
asset or activity or trading asset or activity occur at more than
one regular place of business and one such regular place of
business is in this state and one such regular place of business
is outside this state such asset or activity shall be considered
to be located at the regular place of business of the taxpayer
where the investment or trading policies or guidelines with
respect to the asset or activity are established. Unless the
taxpayer demonstrates to the contrary, such policies and
guidelines shall be presumed to be established at the commercial
domicile of the taxpayer.

(14) The numerator of the sales factor includes all other
receipts if either:

(a) The income-producing activity is performed solely in this state; or

(b) The income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed within this state than in any other state, based on costs of performance.

(G) A qualified institution may calculate the base upon which the fee provided for in division (D) of section 5733.06 ~~(D)~~ of the ~~revised code~~ Revised Code is determined for each of the tax years 1998, 1999, 2000, ~~and 2001, 2002, and 2003~~ by multiplying the value of its issued and outstanding shares of stock determined under division (B) of this section by a single deposits fraction whose numerator is the deposits assigned to branches in this state and whose denominator is the deposits assigned to branches everywhere. Deposits shall be assigned to branches in the same manner in which the assignment is made for regulatory purposes. If the base calculated under this division is less than the base calculated under division (C) of this section, then the qualifying institution may elect to substitute the base calculated under this division for the base calculated under division (C) of this section. Such election may be made annually for each of the tax years 1998, 1999, 2000, ~~and 2001, 2002, and 2003~~ on the corporate report. The election need not accompany the report; rather, the election may accompany a subsequently filed but timely application for refund, a subsequently filed but timely amended report, or a subsequently filed but timely petition for reassessment. The election is not irrevocable and it applies only to the specified tax year. Nothing in this division shall be construed to extend any statute of limitations set forth in this chapter

(H) If the apportionment provisions of this section do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the tax commissioner

may require, in respect to all or any part of the taxpayer's
business activity, if reasonable:

- (1) Separate accounting;
- (2) The exclusion of any one or more of the factors;
- (3) The inclusion of one or more additional factors which
will fairly represent the taxpayer's business activity in this
state; or
- (4) The employment of any other method to effectuate an
equitable allocation and apportionment of the taxpayer's value.

Sec. 5733.06. The tax hereby charged each corporation subject
to this chapter shall be the greater of the sum of divisions (A)
and (B) of this section, after the reduction, if any, provided by
division (J) of this section, or division (C) of this section,
after the reduction, if any, provided by division (J) of this
section, except that the tax hereby charged each financial
institution subject to this chapter shall be the amount computed
under division (D) of this section:

(A) Except as set forth in division (F) of this section, five
and one-tenth per cent upon the first fifty thousand dollars of
the value of the taxpayer's issued and outstanding shares of stock
as determined under division (B) of section 5733.05 of the Revised
Code;

(B) Except as set forth in division (F) of this section,
eight and one-half per cent upon the value so determined in excess
of fifty thousand dollars; or

(C) Except as otherwise provided under division (G) of this
section, four mills times that portion of the value of the issued
and outstanding shares of stock as determined under division (C)
of section 5733.05 of the Revised Code. For the purposes of
division (C) of this section, division (C)(2) of section 5733.065,

and division (C) of section 5733.066 of the Revised Code, the 47691
value of the issued and outstanding shares of stock of a qualified 47692
holding company is zero. 47693

(D) The tax charged each financial institution subject to 47694
this chapter shall be that portion of the value of the issued and 47695
outstanding shares of stock as determined under division (A) of 47696
section 5733.05 of the Revised Code, multiplied by the following 47697
amounts: 47698

(1) For tax years prior to the 1999 tax year, fifteen mills; 47699

(2) For the 1999 tax year, fourteen mills; 47700

(3) For tax year 2000 and thereafter, thirteen mills. 47701

(E) No tax shall be charged from any corporation that has 47702
been adjudicated bankrupt, or for which a receiver has been 47703
appointed, or that has made a general assignment for the benefit 47704
of creditors, except for the portion of the then current tax year 47705
during which the tax commissioner finds such corporation had the 47706
power to exercise its corporate franchise unimpaired by such 47707
proceedings or act. The minimum payment for all corporations shall 47708
be fifty dollars. 47709

The tax charged to corporations under this chapter for the 47710
privilege of engaging in business in this state, which is an 47711
excise tax levied on the value of the issued and outstanding 47712
shares of stock, shall in no manner be construed as prohibiting or 47713
otherwise limiting the powers of municipal corporations, joint 47714
economic development zones created under section 715.691 of the 47715
Revised Code, and joint economic development districts created 47716
under section 715.70 or 715.71 or sections 715.72 to 715.81 of the 47717
Revised Code in this state to impose an income tax on the income 47718
of such corporations. 47719

(F) If two or more taxpayers satisfy the ownership or control 47720
requirements of division (A) of section 5733.052 of the Revised 47721

Code, each such taxpayer shall substitute "the taxpayer's pro-rata amount" for "fifty thousand dollars" in divisions (A) and (B) of this section. For purposes of this division, "the taxpayer's pro-rata amount" is an amount that, when added to the other such taxpayers' pro-rata amounts, does not exceed fifty thousand dollars. For the purpose of making that computation, the taxpayer's pro-rata amount shall not be less than zero. Nothing in this division derogates from or eliminates the requirement to make the alternative computation of tax under division (C) of this section.

(G) The tax liability of any corporation under division (C) of this section shall not exceed one hundred fifty thousand dollars.

(H)(1) For the purposes of division (H) of this section, "exiting corporation" means a corporation that satisfies all of the following conditions:

(a) The corporation had nexus with or in this state under the Constitution of the United States during any portion of a calendar year;

(b) The corporation was not a corporation described in division (A) of section 5733.01 of the Revised Code on the first day of January immediately following that calendar year;

(c) The corporation was not a financial institution on the first day of January immediately following that calendar year;

(d) If the corporation was a transferor as defined in section 5733.053 of the Revised Code, the corporation's transferee was not required to add to the transferee's net income the income of the transferor pursuant to division (B) of that section;

(e) During any portion of that calendar year, or any portion of the immediately preceding calendar year, the corporation had net income that was not included in a report filed by the

corporation or its transferee pursuant to section 5733.02, 47753
5733.021, 5733.03, 5733.031, or 5733.053 of the Revised Code; 47754

(f) The corporation would have been subject to the tax 47755
computed under divisions (A), (B), (C), (F), and (G) of this 47756
section if the corporation is assumed to be a corporation 47757
described in division (A) of section 5733.01 of the Revised Code 47758
on the first day of January immediately following the calendar 47759
year to which division (H)(1)(a) of this section refers. 47760

(2) For the purposes of division (H) of this section, 47761
"unreported net income" means net income that was not previously 47762
included in a report filed pursuant to section 5733.02, 5733.021, 47763
5733.03, 5733.031, or 5733.053 of the Revised Code and that was 47764
realized or recognized during the calendar year to which division 47765
(H)(1) of this section refers or the immediately preceding 47766
calendar year. 47767

(3) Each exiting corporation shall pay a tax computed by 47768
first allocating and apportioning the unreported net income 47769
pursuant to division (B) of section 5733.05 and section 5733.051 47770
and, if applicable, section 5733.052 of the Revised Code. The 47771
exiting corporation then shall compute the tax due on its 47772
unreported net income allocated and apportioned to this state by 47773
applying divisions (A), (B), and (F) of this section to that 47774
income. 47775

(4) Divisions (C) and (G) of this section, division (D)(2) of 47776
section 5733.065, and division (C) of section 5733.066 of the 47777
Revised Code do not apply to an exiting corporation, but exiting 47778
corporations are subject to every other provision of this chapter. 47779

(5) Notwithstanding division (B) of section 5733.01 or 47780
sections 5733.02, 5733.021, and 5733.03 of the Revised Code to the 47781
contrary, each exiting corporation shall report and pay the tax 47782
due under division (H) of this section on or before the 47783

thirty-first day of May immediately following the calendar year to 47784
which division (H)(1)(a) of this section refers. The exiting 47785
corporation shall file that report on the form most recently 47786
prescribed by the tax commissioner for the purposes of complying 47787
with sections 5733.02 and 5733.03 of the Revised Code. Upon 47788
request by the corporation, the tax commissioner may extend the 47789
date for filing the report. 47790

(6) If, on account of the application of section 5733.053 of 47791
the Revised Code, net income is subject to the tax imposed by 47792
divisions (A) and (B) of this section, such income shall not be 47793
subject to the tax imposed by division (H)(3) of this section. 47794

(7) The amendments made to division (H) of this section by 47795
Am. Sub. S.B. 287 of the 123rd general assembly do not apply to 47796
any transfer, as defined in section 5733.053 of the Revised Code, 47797
for which negotiations began prior to January 1, 2001, and that 47798
was commenced in and completed during calendar year 2001, unless 47799
the taxpayer makes an election prior to December 31, 2001, to 47800
apply those amendments. 47801

(8) The tax commissioner may adopt rules governing division 47802
(H) of this section. 47803

(I) Any reference in the Revised Code to "the tax imposed by 47804
section 5733.06 of the Revised Code" or "the tax due under section 47805
5733.06 of the Revised Code" includes the taxes imposed under 47806
sections 5733.065 and 5733.066 of the Revised Code. 47807

(J)(1) Division (J) of this section applies solely to a 47808
combined company. Section 5733.057 of the Revised Code shall apply 47809
when calculating the adjustments required by division (J) of this 47810
section. 47811

(2) Subject to division (J)(4) of this section, the total tax 47812
calculated in divisions (A) and (B) of this section shall be 47813
reduced by an amount calculated by multiplying such tax by a 47814

fraction, the numerator of which is the total taxable gross receipts attributed to providing public utility activity other than as an electric company under section 5727.03 of the Revised Code for the year upon which the taxable gross receipts are measured immediately preceding the tax year, and the denominator of which is the total gross receipts from all sources for the year upon which the taxable gross receipts are measured immediately preceding the tax year. Nothing herein shall be construed to exclude from the denominator any item of income described in section 5733.051 of the Revised Code.

(3) Subject to division (J)(4) of this section, the total tax calculated in division (C) of this section shall be reduced by an amount calculated by multiplying such tax by the fraction described in division (J)(2) of this section.

(4) In no event shall the reduction provided by division (J)(2) or (J)(3) of this section exceed the amount of the excise tax paid in accordance with section 5727.38 of the Revised Code, for the year upon which the taxable gross receipts are measured immediately preceding the tax year.

Sec. 5733.12. (A) Four and two-tenths per cent of all payments received ~~by the treasurer of state~~ from the taxes imposed under sections 5733.06 and 5733.41 of the Revised Code shall be credited to the local government fund for distribution in accordance with section 5747.50 of the Revised Code, six-tenths of one per cent shall be credited to the local government revenue assistance fund for distribution in accordance with section 5747.61 of the Revised Code, and ninety-five and two-tenths per cent shall be credited to the general revenue fund.

(B) Except as otherwise provided under divisions (C) and (D) of this section, an application to refund to the corporation the amount of taxes imposed under section 5733.06 of the Revised Code

that are overpaid, paid illegally or erroneously, or paid on any
illegal, erroneous, or excessive assessment, with interest thereon
as provided by section 5733.26 of the Revised Code, shall be filed
with the tax commissioner, on the form prescribed by the
commissioner, within three years from the date of the illegal,
erroneous, or excessive payment of the tax, or within any
additional period allowed by division (C)(2) of section 5733.031,
division (D)(2) of section 5733.067, or division (A) of section
5733.11 of the Revised Code.

On the filing of the refund application, the commissioner
shall determine the amount of refund due and certify such amount
to the director of budget and management and treasurer of state
for payment from the tax refund fund created by section 5703.052
of the Revised Code.

(C) "Ninety days" shall be substituted for "three years" in
division (B) of this section if the taxpayer satisfies both of the
following:

(1) The taxpayer has applied for a refund based in whole or
in part upon section 5733.0611 of the Revised Code;

(2) The taxpayer asserts that the imposition or collection of
the tax imposed or charged by section 5733.06 of the Revised Code
or any portion of such tax violates the Constitution of the United
States or the Constitution of this state.

(D)(1) Division (D)(2) of this section applies only if all of
the following conditions are satisfied:

(a) A qualifying pass-through entity pays an amount of the
tax imposed by section 5733.41 of the Revised Code;

(b) The taxpayer is a qualifying investor as to that
qualifying pass-through entity;

(c) The taxpayer did not claim the credit provided for in

section 5733.0611 of the Revised Code as to the tax described in 47876
division (D)(1)(a) of this section; 47877

(d) The three-year period described in division (B) of this 47878
section has ended as to the taxable year for which the taxpayer 47879
otherwise would have claimed that credit. 47880

(2) A taxpayer shall file an application for refund pursuant 47881
to this division within one year after the date the payment 47882
described in division (D)(1)(a) of this section is made. An 47883
application filed under this division shall only claim refund of 47884
overpayments resulting from the taxpayer's failure to claim the 47885
credit described in division (D)(1)(c) of this section. Nothing in 47886
this division shall be construed to relieve a taxpayer from 47887
complying with the provisions of division (I)(14) of section 47888
5733.04 of the Revised Code. 47889

Sec. 5733.122. Between the first and fifteenth days of July 47890
each year, the tax commissioner shall certify to the director of 47891
budget and management the total reported liability of the taxes or 47892
surcharges levied in the second preceding year under sections 47893
5733.065 and 5733.066 of the Revised Code. Notwithstanding section 47894
5733.12 of the Revised Code, during the period July 1, 1980, to 47895
December 31, 1981, four million dollars received by the treasurer 47896
of state under this chapter the total amount certified in each 47897
year less an amount to be retained by the department of taxation 47898
for expenses resulting from the administration of the taxes or 47899
surcharges levied under sections 5733.065 and 5733.066 of the 47900
Revised Code shall be credited to the recycling and litter 47901
prevention fund created by section 1502.02 of the Revised Code. 47902
Thereafter, during each of the consecutive six-month periods 47903
beginning January 1, 1982, five million dollars from amounts 47904
received by the treasurer of state under this chapter shall be 47905
credited to that fund. No amount shall be credited to the local 47906

government fund from any receipts credited to the recycling and 47907
litter prevention fund under this section. 47908

The office of budget and mangement shall provide the 47909
treasurer of state with a monthly schedule in accordance with 47910
which the amounts shall be credited. 47911

Sec. 5733.18. Annually, on the day fixed for the payment of 47912
any excise or franchise tax required to be paid by law, such tax, 47913
together with any penalties subsequently accruing thereon, shall 47914
become a lien on all property in this state of a corporation, 47915
whether such property is employed by the corporation in the 47916
prosecution of its business or is in the hands of an assignee, 47917
trustee, or receiver for the benefit of the creditors and 47918
stockholders. Such lien shall continue until such taxes, together 47919
with any penalties subsequently accruing, are paid. 47920

Upon failure of such corporation to pay such tax on the day 47921
fixed for payment, ~~the treasurer of state shall thereupon notify~~ 47922
the tax commissioner ~~and the commissioner~~ may file, for which 47923
filing no fee shall be charged, in the office of the county 47924
recorder in each county in this state in which such corporation 47925
owns or has a beneficial interest in real estate, notice of such 47926
lien containing a brief description of such real estate. Such lien 47927

never a construction contract. The transfer of copyrighted motion 48457

films as are used solely for advertising purposes. Other than as 48459
provided in this section, "sale" and "selling" do not include 48460

Physicians, dentists, hospitals, and veterinarians who are 48498

engaged in selling tangible personal property as received from 48499
others, such as eyeglasses, mouthwashes, dentifrices, or similar 48500

of which does not require an order of a licensed veterinarian or 48503
physician under federal law, are vendors. 48504

vacuum equipment or equipment that dispenses water, whether or not 48638
in combination with soap or other cleaning agents or wax, to the 48639
consumer for the consumer's use on the premises in washing, 48640

transaction, are not retail sales or sales at retail. 48643

(F) "Business" includes any activity engaged in by any person 48644
with the object of gain, benefit, or advantage, either direct or 48645

(G) "Engaging in business" means commencing, conducting, or 48648
continuing in business, and liquidating a business when the 48649
liquidator thereof holds ~~self~~ itself out to the public as 48650
conducting such business. Making a casual sale is not engaging in 48651
business. 48652

(H)(1) "Price," except as provided in divisions (H)(2) and 48653
(3) of this section, means the aggregate value in money of 48654

personal property, "price" means the aggregate value in money of 48661

consideration received as a deposit refundable to the consumer 48669
upon return of a beverage container, the consideration received as 48670

containers, or the consideration received as a refundable security 48672
deposit for the use of tangible personal property to the extent 48673
that it actually is refunded, if the consideration for such 48674
refundable deposit is separately stated from the consideration 48675
received or to be received for the tangible personal property 48676
transferred in the retail sale. Such separation must appear in the 48677
sales agreement or on the initial invoice or initial billing 48678
rendered by the vendor to the consumer. Price is the amount 48679
received inclusive of the tax, provided the vendor establishes to 48680
the satisfaction of the tax commissioner that the tax was added to 48681
the price. When the price includes both a charge for tangible 48682
personal property and a charge for providing a service and the 48683
sale of the property and the charge for the service are separately 48684
taxable, or have a separately determinable tax status, the price 48685
shall be separately stated for each such charge so the tax can be 48686
correctly computed and charged. 48687

The tax collected by the vendor from the consumer under this chapter is not part of the price, but is a tax collection for the benefit of the state and of counties levying an additional sales tax pursuant to section 5739.021 or 5739.026 of the Revised Code and of transit authorities levying an additional sales tax pursuant to section 5739.023 of the Revised Code. jurisdiction on its sale or use, and includes such items acquired 48733
for the seller's use ~~which~~ that are sold by an auctioneer employed 48734
directly by the person for such purpose, provided the location of 48735
such sales is not the auctioneer's permanent place of business. As 48736
used in this division, "permanent place of business" includes any 48737
location where such auctioneer has conducted more than two 48738
auctions during the year. 48739

(M) "Hotel" means every establishment kept, used, maintained, 48740
advertised, or held out to the public to be a place where sleeping 48741
accommodations are offered to guests, in which five or more rooms 48742

include the preliminary acts of promoting or soliciting the retail
sales, other than the distribution of printed matter which
displays or describes and prices the item offered for sale, nor
does it include delivery of a predetermined quantity of tangible
personal property or transportation of property or personnel to or
from a place where a service is performed, regardless of whether
the vendor is a delivery vendor.

(P) "Used directly in the rendition of a public utility
service" means that property which is to be incorporated into and

Division (A)(3) of this section does not apply to the board 49650
of county commissioners of any county in which a convention center 49651
or facility exists or is being constructed on November 15, 1998, 49652
or of any county in which a convention facilities authority levies 49653
a tax pursuant to section 351.021 of the Revised Code on that 49654
date. 49655

As used in division (A)(3) of this section, "costs" and 49656
"facility" have the same meanings as in section 351.01 of the 49657

Revised Code, and "convention center" has the same meaning as in
section 307.695 of the Revised Code.

(B) The legislative authority of a municipal corporation or
the board of trustees of a township that is not wholly or partly
located in a county that has in effect a resolution levying an
excise tax pursuant to division (A)(1) of this section may by
ordinance or resolution levy an excise tax not to exceed three per
cent on transactions by which lodging by a hotel is or is to be
furnished to transient guests. The legislative authority of the
municipal corporation or township shall deposit at least fifty per
cent of the revenue from the tax levied pursuant to this division
into a separate fund, which shall be spent solely to make
contributions to convention and visitors' bureaus operating within
the county in which the municipal corporation or township is
wholly or partly located, and the balance of such revenue shall be
deposited in the general fund. The municipal corporation or
township shall establish all regulations necessary to provide for
the administration and allocation of the tax. The regulations may
prescribe the time for payment of the tax, and may provide for the
imposition of a penalty or interest, or both, for late payments,
provided that the penalty does not exceed ten per cent of the
amount of tax due, and the rate at which interest accrues does not
exceed the rate per annum prescribed pursuant to section 5703.47
of the Revised Code. The levy of a tax under this division is in
addition to any tax imposed on the same transaction by a municipal
corporation or a township as authorized by division (C)(1) of
section 5739.02 of the Revised Code.

effect may, by resolution adopted within ninety days after July 15, 1985, by a majority of the members of the board, levy an additional excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The tax authorized by this division shall be in addition to any tax that is levied pursuant to division (A) of this section, but it shall not apply to transactions subject to a tax levied by a municipal corporation or township pursuant to the authorization granted by division (C)(1) of section 5739.02 of the Revised Code. The board shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. All revenues arising from the tax shall be expended in accordance with section 307.695 of the Revised Code. A tax imposed under this section shall remain in effect at the rate at which it is imposed for the duration of the period for which the revenue therefrom has been pledged pursuant to such section.

(D) For the purpose of providing contributions under division (B)(1) of section 307.671 of the Revised Code to enable the acquisition, construction, and equipping of a port authority educational and cultural facility in the county and, to the extent provided for in the cooperative agreement authorized by that section, for the purpose of paying debt service charges on bonds, or notes in anticipation thereof, described in division (B)(1)(b) of that section, a board of county commissioners, by resolution adopted within ninety days after December 22, 1992, by a majority of the members of the board, may levy an additional excise tax not

to exceed one and one-half per cent on transactions by which
lodging by a hotel is or is to be furnished to transient guests.
The excise tax authorized by this division shall be in addition to
any tax that is levied pursuant to divisions (A), (B), and (C) of
this section, to any excise tax levied pursuant to division (C) of
section 5739.02 of the Revised Code, and to any excise tax levied
pursuant to section 351.021 of the Revised Code. The board of
county commissioners shall establish all regulations necessary to
provide for the administration and allocation of the tax that are
not inconsistent with this section or section 307.671 of the
Revised Code. The regulations may prescribe the time for payment
of the tax, and may provide for the imposition of a penalty or
interest, or both, for late payments, provided that the penalty
does not exceed ten per cent of the amount of tax due, and the
rate at which interest accrues does not exceed the rate per annum
prescribed pursuant to section 5703.47 of the Revised Code. All
revenues arising from the tax shall be expended in accordance with
section 307.671 of the Revised Code and division (D) of this
section. The levy of a tax imposed under this section may not
commence prior to the first day of the month next following the
execution of the cooperative agreement authorized by section
307.671 of the Revised Code by all parties to that agreement. Such
tax shall remain in effect at the rate at which it is imposed for
the period of time described in division (C) of section 307.671 of
the Revised Code for which the revenue from the tax has been
pledged by the county to the corporation pursuant to such section,
but, to any extent provided for in the cooperative agreement, for
no lesser period than the period of time required for payment of
the debt service charges on bonds, or notes in anticipation
thereof, described in division (B)(1)(b) of that section.

county in the resolution levying the tax or amendments thereto, 49757
including subsequent amendments providing for paying costs of 49758
acquiring, constructing, renovating, rehabilitating, equipping, 49759

authority of a county, by resolution adopted within ninety days 49764
after June 30, 1993, by a majority of the members of the 49765
legislative authority, may levy an additional excise tax not to 49766
exceed one and one-half per cent on transactions by which lodging 49767
by a hotel is or is to be furnished to transient guests. The 49768
excise tax authorized by this division shall be in addition to any 49769
tax that is levied pursuant to divisions (A), (B), (C), and (D) of 49770
this section, to any excise tax levied pursuant to division (C) of 49771
section 5739.02 of the Revised Code, and to any excise tax levied 49772
pursuant to section 351.021 of the Revised Code. The legislative 49773
authority of the county shall establish all regulations necessary 49774
to provide for the administration and allocation of the tax. The 49775
regulations may prescribe the time for payment of the tax, and may 49776
provide for the imposition of a penalty or interest, or both, for 49777
late payments, provided that the penalty does not exceed ten per 49778
cent of the amount of tax due, and the rate at which interest 49779
accrues does not exceed the rate per annum prescribed pursuant to 49780
section 5703.47 of the Revised Code. All revenues arising from the 49781
tax shall be expended in accordance with section 307.672 of the 49782
Revised Code and division (E) of this section. The levy of a tax 49783
imposed under this division shall not commence prior to the first 49784
day of the month next following the execution of the cooperative 49785
agreement authorized by section 307.672 of the Revised Code by all 49786

parties to that agreement. Such tax shall remain in effect at the 49787
rate at which it is imposed for the period of time determined by 49788
the legislative authority of the county, but not to exceed fifteen 49789
years. 49790

(F) The legislative authority of a county that has levied a 49791
tax under division (E) of this section may, by resolution adopted 49792
within one hundred eighty days after ~~the effective date of this~~ 49793
~~amendment~~ January 4, 2001, by a majority of the members of the 49794
legislative authority, amend the resolution levying a tax under 49795
division (E) of this section to provide for the use of the 49796
proceeds of that tax, to the extent that it is no longer needed 49797
for its original purpose as determined by the parties to a 49798
cooperative agreement amendment pursuant to division (D) of 49799
section 307.672 of the Revised Code, to pay costs of acquiring, 49800
constructing, renovating, rehabilitating, equipping, and improving 49801
a port authority educational and cultural performing arts 49802
facility, including debt service charges on bonds provided for in 49803
division (B) of section 307.674 of the Revised Code, and to pay 49804
all obligations under any guaranty agreements, reimbursement 49805
agreements, or other credit enhancement agreements described in 49806
division (C) of section 307.674 of the Revised Code. The 49807
resolution may also provide for the extension of the tax at the 49808
same rate for the longer of the period of time determined by the 49809
legislative authority of the county, but not to exceed an 49810
additional twenty-five years, or the period of time required to 49811
pay all debt service charges on bonds provided for in division (B) 49812
of section 307.672 of the Revised Code and on port authority 49813
revenue bonds provided for in division (B) of section 307.674 of 49814
the Revised Code. All revenues arising from the amendment and 49815
extension of the tax shall be expended in accordance with section 49816
307.674 of the Revised Code and divisions (E) and (F) of this 49817
section. 49818

(G) For purposes of a tax levied by a county, township, or municipal corporation under this section or division (C) of section 5739.02 of the Revised Code, a board of county commissioners, board of township trustees, or the legislative authority of a municipal corporation may adopt a resolution or ordinance at any time specifying that "hotel," as otherwise defined in section 5739.01 of the Revised Code, includes establishments in which fewer than five rooms are used for the accommodation of guests. The resolution or ordinance may apply to a tax imposed pursuant to this section prior to the adoption of the resolution or ordinance if the resolution or ordinance so states, but the tax shall not apply to transactions by which lodging by such an establishment is provided to transient guests prior to the adoption of the resolution or ordinance.

Sec. 5739.032. (A) If the total amount of tax required to be paid by a permit holder under section 5739.031 of the Revised Code for any calendar year indicated in the following schedule equals or exceeds the amounts prescribed for that year in the schedule, the permit holder shall remit each monthly tax payment in the second ensuing and each succeeding year by electronic funds transfer as prescribed by division (B) of this section.

Year	1992	1993 through 1999	2000 and thereafter
Tax payment	\$1,200,000	\$600,000	\$60,000

If a permit holder's tax payment for each of two consecutive years beginning with 2000 is less than sixty thousand dollars, the permit holder is relieved of the requirement to remit taxes by electronic funds transfer for the year that next follows the second of the consecutive years in which the tax payment is less than sixty thousand dollars, and is relieved of that requirement for each succeeding year unless the tax payment in a subsequent year equals or exceeds sixty thousand dollars.

The tax commissioner shall notify each permit holder required 49850
to remit taxes by electronic funds transfer of the permit holder's 49851
obligation to do so, shall maintain an updated list of those 49852
permit holders, and shall timely certify the list and any 49853
additions thereto or deletions therefrom to the treasurer of 49854
state. Failure by the tax commissioner to notify a permit holder 49855
subject to this section to remit taxes by electronic funds 49856
transfer does not relieve the permit holder of its obligation to 49857
remit taxes by electronic funds transfer. 49858

(B) Permit holders required by division (A) of this section 49859
to remit payments by electronic funds transfer shall remit such 49860
payments to the treasurer of state in the manner prescribed by 49861
rules adopted by the treasurer under section 113.061 of the 49862
Revised Code and on or before the dates specified under section 49863
5739.031 of the Revised Code. The payment of taxes by electronic 49864
funds transfer does not affect a permit holder's obligation to 49865
file the monthly return as required under section 5739.031 of the 49866
Revised Code. 49867

A permit holder required by this section to remit taxes by 49868
electronic funds transfer may apply to the treasurer of state in 49869
the manner prescribed by the treasurer to be excused from that 49870
requirement. The treasurer of state may excuse the permit holder 49871
from remittance by electronic funds transfer for good cause shown 49872
for the period of time requested by the permit holder or for a 49873
portion of that period. The treasurer shall notify the tax 49874
commissioner and the permit holder of the treasurer's decision as 49875
soon as is practicable. 49876

(C) If a permit holder required by this section to remit 49877
taxes by electronic funds transfer remits those taxes by some 49878
means other than by electronic funds transfer as prescribed by 49879
this section and the rules adopted by the treasurer of state, and 49880
the ~~treasurer~~ tax commissioner determines that such failure was 49881

not due to reasonable cause or was due to willful neglect, the 49882
~~treasurer shall notify the tax commissioner of the failure to~~ 49883
~~remit by electronic funds transfer and shall provide the~~ 49884
~~commissioner with any information used in making that~~ 49885
~~determination. The tax~~ commissioner may collect an additional 49886
charge by assessment in the manner prescribed by section 5739.13 49887
of the Revised Code. The additional charge shall equal five per 49888
cent of the amount of the taxes required to be paid by electronic 49889
funds transfer, but shall not exceed five thousand dollars. Any 49890
additional charge assessed under this section is in addition to 49891
any other penalty or charge imposed under this chapter, and shall 49892
be considered as revenue arising from taxes imposed under this 49893
chapter. The tax commissioner may remit all or a portion of such a 49894
charge and may adopt rules governing such remission. 49895

No additional charge shall be assessed under this division 49896
against a permit holder that has been notified of its obligation 49897
to remit taxes under this section and that remits its first two 49898
tax payments after such notification by some means other than 49899
electronic funds transfer. The additional charge may be assessed 49900
upon the remittance of any subsequent tax payment that the permit 49901
holder remits by some means other than electronic funds transfer. 49902

Sec. 5739.07. (A) The tax commissioner shall refund to 49903
vendors the amount of taxes paid illegally or erroneously or paid 49904
on any illegal or erroneous assessment if the vendor has not been 49905
reimbursed from the consumer. When the illegal or erroneous 49906
payment or assessment was not paid to a vendor but was paid by the 49907
consumer directly to the treasurer of state ~~or~~ an agent of the 49908
treasurer of state, the tax commissioner, or an agent of the tax 49909
commissioner, the tax commissioner shall refund to the consumer. 49910
When a refund is granted for payment of an illegal or erroneous 49911
assessment issued by the department, the refund shall include 49912
interest as provided by section 5739.132 of the Revised Code. 49913

(B) The tax commissioner may make a refund to the consumer of 49914
taxes paid illegally or erroneously if the tax has not been 49915
refunded to the vendor and any of the following circumstances 49916
apply: 49917

(1) The consumer is unable to receive a refund from the 49918
vendor because the vendor has ceased business; 49919

(2) The vendor is unable to issue a refund because of 49920
bankruptcy or similar financial condition; 49921

(3) The consumer receives a refund of the full price paid to 49922
the vendor from a manufacturer or other person, other than the 49923
vendor, as a settlement for a complaint by the consumer about the 49924
property or service purchased. 49925

(C) Applications for refund shall be filed with the tax 49926
commissioner, on the form prescribed by the tax commissioner, 49927
within four years from the date of the illegal or erroneous 49928
payment of the tax, unless the vendor or consumer waives the time 49929
limitation under division (A)(3) of section 5739.16 of the Revised 49930
Code. If the time limitation is waived, the four-year refund 49931
limitation shall be extended for the same period of time as the 49932
waiver. On the filing of an application for refund, the 49933
commissioner shall determine the amount of refund due and certify 49934
that amount to the director of budget and management and treasurer 49935
of state for payment from the tax refund fund created by section 49936
5703.052 of the Revised Code. 49937

Sec. 5739.102. A person who is liable for a tax levied under 49938
section 5739.101 of the Revised Code shall file a return with the 49939
~~treasurer of state~~ tax commissioner showing ~~his~~ the person's 49940
taxable gross receipts from sales described under division (B)(1) 49941
or (2) of that section. The tax commissioner shall prescribe the 49942
form of the return, and the six- or twelve-month reporting period. 49943
The person shall file the return on or before the last day of the 49944

month following the end of the reporting period prescribed by the 49945
commissioner, and shall include with the return payment of the tax 49946
for the period. The remittance shall be made payable to the 49947
treasurer of state. 49948

Upon receipt of a return, the ~~treasurer of state tax~~ 49949
~~commissioner~~ shall credit any money included with it to the resort 49950
area excise tax fund, which is hereby created, ~~and shall forward~~ 49951
~~the return to the tax commissioner. The treasurer of state shall~~ 49952
~~stamp or otherwise mark on the return the date it was received,~~ 49953
~~and shall indicate on the return the amount of payment received~~ 49954
~~with it.~~ Within forty-five days after the end of each month, the 49955
commissioner shall provide for the distribution of all money paid 49956
during that month into the resort area excise tax fund to the 49957
appropriate municipal corporations and townships, after first 49958
subtracting and crediting to the general revenue fund one per cent 49959
to cover the costs of administering the excise tax. 49960

If a person liable for the tax fails to file a return or pay 49961
the tax as required under this section and the rules of the tax 49962
commissioner, ~~he~~ the person shall pay an additional charge of the 49963
greater of fifty dollars or ten per cent of the tax due for the 49964
return period. The additional charge shall be considered revenue 49965
arising from the tax levied under section 5739.101 of the Revised 49966
Code, and may be collected by assessment in the manner provided in 49967
section 5739.13 of the Revised Code. The tax commissioner may 49968
remit all or a portion of the charge. 49969

Sec. 5739.12. Each person who has or is required to have a 49970
vendor's license, on or before the twenty-third day of each month, 49971
shall make and file a return for the preceding month, on forms 49972
prescribed by the tax commissioner, and shall pay the tax shown on 49973
the return to be due. The return shall show the amount of tax due 49974
from the vendor to the state for the period covered by the return 49975
and such other information as the commissioner deems necessary for 49976

the proper administration of this chapter. The commissioner may 49977
extend the time for making and filing returns and paying the tax, 49978
and may require that the return for the last month of any annual 49979
or semiannual period, as determined by the commissioner, be a 49980
reconciliation return detailing the vendor's sales activity for 49981
the preceding annual or semiannual period. The reconciliation 49982
return shall be filed by the last day of the month following the 49983
last month of the annual or semiannual period. The commissioner 49984
may remit all or any part of amounts or penalties which may become 49985
due under this chapter and may adopt rules relating thereto. Such 49986
return shall be filed by mailing ~~the same~~ it to the ~~treasurer of~~ 49987
state tax commissioner, together with payment of the amount of tax 49988
shown to be due thereon after deduction of any discount provided 49989
for under this section. Remittance shall be made payable to the 49990
treasurer of state. The return shall be considered filed when 49991
received by the ~~treasurer of state~~ tax commissioner, and the 49992
payment shall be considered made when received by the ~~treasurer of~~ 49993
state tax commissioner or when credited to an account designated 49994
by the treasurer of state or the tax commissioner. If the return 49995
is filed and the amount of tax shown thereon to be due is paid on 49996
or before the date such return is required to be filed, the vendor 49997
shall be entitled to a discount of three-fourths of one per cent 49998
of the amount shown to be due on the return. Amounts paid to the 49999
clerk of courts pursuant to section 4505.06 of the Revised Code 50000
shall be subject to the three-fourths of one per cent discount. 50001
The discount shall be in consideration for prompt payment to the 50002
clerk of courts and for other services performed by the vendor in 50003
the collection of the tax. 50004

Upon application to the commissioner, a vendor who is 50005
required to file monthly returns may be relieved of the 50006
requirement to report and pay the actual tax due, provided that 50007
the vendor agrees to remit to the ~~treasurer of state~~ tax 50008
commissioner payment of not less than an amount determined by the 50009

commissioner to be the average monthly tax liability of the 50010
vendor, based upon a review of the returns or other information 50011
pertaining to such vendor for a period of not less than six months 50012
nor more than two years immediately preceding the filing of the 50013
application. Vendors who agree to the above conditions shall make 50014
and file an annual or semiannual reconciliation return, as 50015
prescribed by the commissioner. The reconciliation return shall be 50016
filed by mailing or delivering ~~the same~~ it to the ~~treasurer of~~ 50017
state tax commissioner, together with payment of the amount of tax 50018
shown to be due thereon after deduction of any discount provided 50019
in this section. Remittance shall be made payable to the treasurer 50020
of state. Failure of a vendor to comply with any of the above 50021
conditions may result in immediate reinstatement of the 50022
requirement of reporting and paying the actual tax liability on 50023
each monthly return, and the commissioner may at the 50024
commissioner's discretion deny the vendor the right to report and 50025
pay based upon the average monthly liability for a period not to 50026
exceed two years. The amount ~~determined~~ ascertained by the 50027
commissioner to be the average monthly tax liability of a vendor 50028
may be adjusted, based upon a review of the returns or other 50029
information pertaining to the vendor for a period of not less than 50030
six months nor more than two years preceding such adjustment. 50031

The commissioner may authorize vendors whose tax liability is 50032
not such as to merit monthly returns, as ~~determined~~ ascertained by 50033
the commissioner upon the basis of administrative costs to the 50034
state, to make and file returns at less frequent intervals. When 50035
returns are filed at less frequent intervals in accordance with 50036
such ~~a determination~~ authorization, the vendor shall be allowed 50037
the discount of three-fourths of one per cent in consideration for 50038
prompt payment with the return, provided the return is filed 50039
together with payment of the amount of tax shown to be due 50040
thereon, at the time specified by the commissioner. 50041

~~The treasurer of state shall stamp or otherwise mark on all~~ 50042
~~returns the date received by the treasurer of state and shall also~~ 50043
~~show thereon by stamp or otherwise the amount of payment received~~ 50044
~~for the period for which the return is filed. Thereafter, the~~ 50045
~~treasurer of state shall immediately transmit all returns filed~~ 50046
~~under this section to the commissioner.~~ Any vendor who fails to 50047
file a return or pay the full amount of the tax shown on the 50048
return to be due under this section and the rules of the 50049
commissioner may, for each such return the vendor fails to file or 50050
each such tax the vendor fails to pay in full as shown on the 50051
return within the period prescribed by this section and the rules 50052
of the commissioner, be required to forfeit and pay into the state 50053
treasury an additional charge not exceeding fifty dollars or ten 50054
per cent of the tax required to be paid for the reporting period, 50055
whichever is greater, as revenue arising from the tax imposed by 50056
this chapter, and such sum may be collected by assessment in the 50057
manner provided in section 5739.13 of the Revised Code. The 50058
commissioner may remit all or a portion of the additional charge 50059
and may adopt rules relating to the imposition and remission of 50060
the additional charge. 50061

If the amount required to be collected by a vendor from 50062
consumers is in excess of five per cent of the vendor's receipts 50063
from sales which are taxable under section 5739.02 of the Revised 50064
Code, or in the case of sales subject to a tax levied pursuant to 50065
section 5739.021, 5739.023, or 5739.026 of the Revised Code, in 50066
excess of the percentage equal to the aggregate rate of such taxes 50067
and the tax levied by section 5739.02 of the Revised Code, such 50068
excess shall be remitted along with the remittance of the amount 50069
of tax due under section 5739.10 of the Revised Code. 50070

The commissioner, if the commissioner deems it necessary in 50071
order to insure the payment of the tax imposed by this chapter, 50072
may require returns and payments to be made for other than monthly 50073

periods. The returns shall be signed by the vendor or the vendor's
authorized agent. 50074
50075

Any vendor required to file a return and pay the tax under 50076
this section whose total payment in any year indicated in division 50077
(A) of section 5739.122 of the Revised Code equals or exceeds the 50078
amount shown in that division shall make each payment required by 50079
this section in the second ensuing and each succeeding year by 50080
electronic funds transfer as prescribed by section 5739.122 of the 50081
Revised Code, except as otherwise prescribed by that section. 50082

Sec. 5739.121. As used in this section, "bad debt" means any 50083
debt that has become worthless or uncollectible in the time period 50084
between a vendor's preceding return and the present return, have 50085
been uncollected for at least six months, and that may be claimed 50086
as a deduction pursuant to the "Internal Revenue Code of 1954," 50087
68A Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted 50088
pursuant thereto, or that could be claimed as such a deduction if 50089
the vendor kept accounts on an accrual basis. "Bad debt" does not 50090
include any interest or sales tax on the purchase price, 50091
uncollectible amounts on property that remains in the possession 50092
of the vendor until the full purchase price is paid, expenses 50093
incurred in attempting to collect any account receivable or for 50094
any portion of the debt recovered, any accounts receivable that 50095
have been sold to a third party for collection, and repossessed 50096
property. 50097

In computing taxable receipts for purposes of this chapter, a 50098
vendor may deduct the amount of bad debts, as defined in this 50099
section. The amount deducted must be charged off as uncollectible 50100
on the books of the vendor. A deduction may be claimed only with 50101
respect to bad debts on which the taxes pursuant to sections 50102
5739.10 and 5739.12 of the Revised Code were paid in a preceding 50103
tax period. If the vendor's business consists of taxable and 50104

nontaxable transactions, the deduction shall equal the full amount 50105
of the debt if the debt is documented as a taxable transaction in 50106
the vendor's records. If no such documentation is available, the 50107
maximum deduction on any bad debt shall equal the amount of the 50108
bad debt multiplied by the quotient obtained by dividing the sales 50109
taxed pursuant to this chapter during the preceding calendar year 50110
by all sales during the preceding calendar year, whether taxed or 50111
not. If a consumer or other person pays all or part of a bad debt 50112
with respect to which a vendor claimed a deduction under this 50113
section, the vendor shall be liable for the amount of taxes 50114
deducted in connection with that portion of the debt for which 50115
payment is received and shall remit such taxes in his the vendor's 50116
next payment to the ~~treasurer of state~~ tax commissioner. 50117

Any claim for a bad debt deduction under this section shall 50118
be supported by such evidence as the tax commissioner by rule 50119
requires. The commissioner shall review any change in the rate of 50120
taxation applicable to any taxable sales by a vendor claiming a 50121
deduction pursuant to this section and adopt rules for altering 50122
the deduction in the event of such a change in order to ensure 50123
that the deduction on any bad debt does not result in the vendor 50124
claiming the deduction recovering any more or less than the taxes 50125
imposed on the sale that constitutes the bad debt. 50126

Sec. 5739.13. (A) If any vendor collects the tax imposed by 50127
or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of 50128
the Revised Code, and fails to remit the tax to the state as 50129
prescribed, or on the sale of a motor vehicle, watercraft, or 50130
outboard motor required to be titled, fails to remit payment to a 50131
clerk of a court of common pleas as provided in section 1548.06 or 50132
4505.06 of the Revised Code, the vendor shall be personally liable 50133
for any tax collected and not remitted. The tax commissioner may 50134
make an assessment against such vendor based upon any information 50135
in the commissioner's possession. 50136

If any vendor fails to collect the tax or any consumer fails to pay the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code, on any transaction subject to the tax, the vendor or consumer shall be personally liable for the amount of the tax applicable to the transaction. The commissioner may make an assessment against either the vendor or consumer, as the facts may require, based upon any information in the commissioner's possession.

An assessment against a vendor when the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code has not been collected or paid, shall not discharge the purchaser's or consumer's liability to reimburse the vendor for the tax applicable to such transaction.

An assessment issued against either, pursuant to this section, shall not be considered an election of remedies, nor a bar to an assessment against the other for the tax applicable to the same transaction, provided that no assessment shall be issued against any person for the tax due on a particular transaction if the tax on that transaction actually has been paid by another.

The commissioner may make an assessment against any vendor who fails to file a return or remit the proper amount of tax required by this chapter, or against any consumer who fails to pay the proper amount of tax required by this chapter. When information in the possession of the commissioner indicates that the amount required to be collected or paid under this chapter is greater than the amount remitted by the vendor or paid by the consumer, the commissioner may audit a sample of the vendor's sales or the consumer's purchases for a representative period, to ascertain the per cent of exempt or taxable transactions or the effective tax rate and may issue an assessment based on the audit. The commissioner shall make a good faith effort to reach agreement with the vendor or consumer in selecting a representative sample

period.

50169

The tax commissioner may make an assessment, based on any information in his possession, against any person who fails to file a return or remit the proper amount of tax required by section 5739.102 of the Revised Code.

50170
50171
50172
50173

The tax commissioner may issue an assessment on any transaction for which any tax imposed under this chapter or Chapter 5741. of the Revised Code was due and unpaid on the date the vendor or consumer was informed by an agent of the tax commissioner of an investigation or audit. If the vendor or consumer remits any payment of the tax for the period covered by the assessment after the vendor or consumer was informed of the investigation or audit, the payment shall be credited against the amount of the assessment.

(B) Unless the party to whom the notice of assessment is directed files with the commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a petition for reassessment in writing, signed by the party assessed, or by the party's authorized agent having knowledge of the facts, the assessment shall become final and the amount of the assessment shall be due ~~and payable~~ from the party assessed and payable to the treasurer of state and remitted to the tax commissioner. 50199

notify the petitioner of the time and place of the hearing by 50200
personal service or certified mail, but the commissioner may 50201
continue the hearing from time to time if necessary. 50202

The commissioner may make such correction to the assessment 50203
as the commissioner finds proper. The commissioner shall serve a 50204
copy of the commissioner's final determination on the petitioner 50205
by personal service or certified mail, and the commissioner's 50206
decision in the matter shall be final, subject to appeal as 50207
provided in section 5717.02 of the Revised Code. Only objections 50208
decided on the merits by the board of tax appeals or a court shall 50209
be given collateral estoppel or res judicata effect in considering 50210
an application for refund of amounts paid pursuant to the 50211
assessment. 50212

(C) After an assessment becomes final, if any portion of the 50213
assessment remains unpaid, including accrued interest, a certified 50214
copy of the commissioner's entry making the assessment final may 50215
be filed in the office of the clerk of the court of common pleas 50216
in the county in which the place of business of the party assessed 50217
is located or the county in which the party assessed resides. If 50218
the party assessed maintains no place of business in this state 50219
and is not a resident of this state, the certified copy of the 50220
entry may be filed in the office of the clerk of the court of 50221
common pleas of Franklin county. 50222

The clerk, immediately upon the filing of such entry, shall 50223
enter a judgment for the state against the party assessed in the 50224
amount shown on the entry. The judgment may be filed by the clerk 50225
in a loose-leaf book entitled "special judgments for state, 50226
county, and transit authority retail sales tax" or, if 50227
appropriate, "special judgments for resort area excise tax," and 50228
shall have the same effect as other judgments. Execution shall 50229
issue upon the judgment upon the request of the tax commissioner, 50230
and all laws applicable to sales on execution shall apply to sales 50231

made under the judgment except as otherwise provided in this 50232
chapter. 50233

The portion of the assessment not paid within sixty days 50234
after the date the assessment was issued shall bear interest at 50235
the rate per annum prescribed by section 5703.47 of the Revised 50236
Code from the day the tax commissioner issues the assessment until 50237
the assessment is paid. Interest shall be paid in the same manner 50238
as the tax and may be collected by issuing an assessment under 50239
this section. 50240

(D) All money collected by the commissioner under this 50241
section shall be paid to the treasurer of state, and when paid 50242
shall be considered as revenue arising from the taxes imposed by 50243
or pursuant to sections 5739.01 to 5739.31 of the Revised Code. 50244

Sec. 5739.18. On the first business day of each week, each 50245
county auditor shall make in triplicate a list showing the names 50246
of all vendors licensed in ~~his~~ the auditor's county during the 50247
preceding week pursuant to sections 5739.01 to 5739.31, ~~inclusive,~~ 50248
of the Revised Code, and such other information as to each, 50249

commissioner prescribes, and shall immediately certify one of such 50251
lists to the commissioner, one to the treasurer of state, and one 50252
to the county treasurer. The commissioner shall keep an 50253
alphabetical index of such licensees so certified to ~~him~~ the 50254
commissioner but ~~he~~ may delete therefrom the names of those 50255
persons whose licenses have been cancelled. 50256

Sec. 5741.10. The tax commissioner shall refund to sellers 50257
the amount of tax levied pursuant to section 5741.02, 5741.021, 50258
5741.022, or 5741.023 of the Revised Code paid on any illegal or 50259
erroneous payment or assessment, where the seller has reimbursed 50260
the consumer. When such payment or assessment was not paid to a 50261

seller, but was paid by the consumer directly to the treasurer of 50262
state, ~~or the treasurer of state's agent, by the consumer~~ 50263
commissioner, or the commissioner's agent, the treasurer of state 50264
shall make refund to the consumer. When such a refund is granted, 50265

of the Revised Code. Applications for refund shall be filed with 50267
the tax commissioner, on the form prescribed by the commissioner, 50268
within four years from the date of the illegal or erroneous 50269
payment of the tax except where the vendor or consumer waives the 50270
time limitation under division (C) of section 5741.16 of the 50271
Revised Code, in which case the four-year refund limitation shall 50272
be extended for the same period of time as the waiver. On filing 50273
such application, the commissioner shall determine the amount of 50274
refund due and shall certify such amount to the director of budget 50275
and management and treasurer of state for payment from the tax 50276
refund fund created by section 5703.052 of the Revised Code. 50277

Sec. 5741.12. (A) Each seller required by section 5741.17 of 50278
the Revised Code to register with the tax commissioner, and any 50279
seller authorized by the commissioner to collect the tax imposed 50280
by or pursuant to section 5741.02, 5741.021, 5741.022, or 5741.023 50281
of the Revised Code is subject to the same requirements and 50282
entitled to the same deductions and discount for prompt payments 50283
as are vendors under section 5739.12 of the Revised Code. The 50284
powers and duties of the commissioner and the treasurer of state 50285
with respect to returns and tax remittances under this section 50286
shall be identical with those prescribed in section 5739.12 of the 50287
Revised Code. 50288

tax imposed by or pursuant to section 5741.02, 5741.021, 5741.022, 50292
or 5741.023 of the Revised Code, when such tax was not paid to a 50293

seller, shall, on or before the twenty-third day of each month, 50294
file with the ~~treasurer of state~~ tax commissioner a return for the 50295
preceding month in such form as is prescribed by the commissioner, 50296
showing such information as the commissioner deems necessary, and 50297
shall pay the tax shown on the return to be due. Remittance shall 50298
be made payable to the treasurer of state. The commissioner may 50299
require consumers to file returns and pay the tax at other than 50300
monthly intervals, if ~~he~~ the commissioner determines that such 50301
filing is necessary for the efficient administration of the tax. 50302
If the commissioner determines that a consumer's tax liability is 50303
not such as to merit monthly filing, the commissioner may 50304
authorize the consumer to file returns and pay tax at less 50305
frequent intervals. ~~The treasurer of state shall show on the~~ 50306
~~return the date it was filed and the amount of the payment~~ 50307
~~remitted to the treasurer. Thereafter, the treasurer immediately~~ 50308
~~shall transmit all returns filed under this section to the tax~~ 50309
~~commissioner.~~ 50310

of the wholesale price of the tobacco product whenever the tobacco 50326
product is delivered to a consumer in this state for the storage, 50327
use, or other consumption of such tobacco products. The tax 50328
imposed by this section applies only to sellers having nexus in 50329
this state, as defined in section 5741.01 of the Revised Code. 50330

50331
(B) A seller of tobacco products who has nexus in this state 50332
as defined in section 5741.01 of the Revised Code shall register 50333
with the tax commissioner and supply any information concerning 50334
~~his~~ the seller's contacts with this state as may be required by 50335
the tax commissioner. A seller who does not have nexus in this 50336
state may voluntarily register with the tax commissioner. A seller 50337
who voluntarily registers with the tax commissioner is entitled to 50338
the same benefits and is subject to the same duties and 50339
requirements as a seller required to be registered with the tax 50340
commissioner under this division. 50341

(C) Each seller of tobacco products subject to the tax levied 50342
by this section, on or before the last day of each month, shall 50343
file with the ~~treasurer of state~~ tax commissioner a return for the 50344

~~under this section to the commissioner.~~ The return and payment of 50352
the tax required by this section shall be filed in such a manner 50353
that it is received by the ~~treasurer of state~~ tax commissioner on 50354
or before the last day of the month following the reporting 50355
period. If the return is filed and the amount of the tax shown on 50356

the return to be due is paid on or before the date the return is 50357
required to be filed, the seller is entitled to a discount equal 50358
to two and five-tenths per cent of the amount shown on the return 50359
to be due. 50360

(D) ~~The tax commissioner shall immediately forward to the~~ 50361
~~treasurer of state all~~ money received into the state treasury from 50362

indicate the seller's account number as assigned by the tax 50368
commissioner. 50369

Sec. 5743.63. (A) To provide revenue for the general revenue 50370
fund of the state, an excise tax is hereby levied on the storage, 50371
use, or other consumption of tobacco products at the rate of 50372
seventeen per cent of the wholesale price of the tobacco product, 50373

or before the last day of each month, shall file with the 50378
~~treasurer of state~~ tax commissioner a return for the preceding 50379
month showing any information the tax commissioner finds necessary 50380

Sec. 5745.03. (A) For each taxable year, each taxpayer shall 50395
file an annual report with the ~~treasurer of state tax commissioner~~ 50396
not later than the fifteenth day of the fourth month after the end 50397
of the taxpayer's taxable year, and shall remit with that report 50398

filing a federal income tax return may request an extension for 50417
filing the return required under this section by filing with the 50418
tax commissioner a copy of the taxpayer's request for the federal 50419

filing extension. The request shall be filed not later than the 50420
last day for filing the return as required under division (A) of 50421
this section. If such a request is properly and timely filed, the 50422
tax commissioner shall extend the last day for filing the return 50423
required under this section for the same period for which the 50424
federal filing extension was granted. The tax commissioner may 50425
deny the filing extension request only if the taxpayer fails to 50426
timely file the request, fails to file a copy of the federal 50427
extension request, owes past due taxes, interest, or penalty under 50428
this chapter, or has failed to file a required report or other 50429
document for a prior taxable year. The granting of an extension 50430
under this section does not extend the last day for paying taxes 50431
without penalty pursuant to this chapter unless the tax 50432
commissioner extends the payment date. 50433

(C) The annual report shall include statements of the 50434
following facts as of the last day of the taxpayer's taxable year: 50435

(E) A municipal corporation may not require a taxpayer 50455
required to file a report under this section to file a report of 50456
the taxpayer's income, but a municipal corporation may require a 50457
taxpayer to report to the municipal corporation the value of the 50458
taxpayer's real and tangible personal property situated in the 50459
municipal corporation, compensation paid by the taxpayer to its 50460
employees in the municipal corporation, and sales made in the 50461
municipal corporation by the taxpayer, to the extent necessary for 50462
the municipal corporation to compute the taxpayer's municipal 50463
property, payroll, and sales factors for the municipal 50464
corporation. 50465

(F) On or before the thirty-first day of January each year, 50466
each municipal corporation imposing a tax on income shall certify 50467
to the tax commissioner the rate of the tax in effect on the first 50468
day of January of that year. If any municipal corporation fails to 50469
certify its income tax rate as required by this division, the tax 50470
commissioner shall notify the director of budget and management, 50471
who, upon receiving such notification, shall withhold from each 50472
payment made to the municipal corporation under section 5745.05 of 50473
the Revised Code fifty per cent of the amount of the payment 50474
otherwise due the municipal corporation under that section as 50475
computed on the basis of the tax rate most recently certified 50476
until the municipal corporation certifies the tax rate in effect 50477
on the first day of January of that year. 50478

The tax rate used to determine the tax payable to a municipal 50479
corporation under this section for a taxpayer's taxable year shall 50480
be the tax rate in effect in a municipal corporation on the first 50481
day of January in that taxable year. If a taxpayer's taxable year 50482

is for a period less than twelve months that does not include the 50483
first day of January, the tax rate used to determine the tax 50484
payable to a municipal corporation under this section for the 50485
taxpayer's taxable year shall be the tax rate in effect in a 50486
municipal corporation on the first day of January in the preceding 50487
taxable year. 50488

Sec. 5745.04. (A) As used in this section, "combined tax 50489
liability" means the total of a taxpayer's income tax liabilities 50490
to all municipal corporations in this state for a taxable year. 50491

(B) Beginning with its taxable year beginning in 2003, each 50492
taxpayer shall file a declaration of estimated tax report with, 50493
and remit estimated taxes to the tax commissioner, payable to the 50494
treasurer of state, at the times and in the amounts prescribed in 50495
divisions (B)(1) to (4) of this section. This division also 50496
applies to a taxpayer having a taxable year consisting of fewer 50497
than twelve months, at least one of which is in 2002, that ends 50498
before January 1, 2003. 50499

(1) Not less than twenty-five per cent of the combined tax 50500
liability for the preceding taxable year or twenty per cent of the 50501
combined tax liability for the current taxable year shall have 50502
been remitted not later than the fifteenth day of the fourth month 50503
after the end of the preceding taxable year. 50504

(2) Not less than fifty per cent of the combined tax 50505
liability for the preceding taxable year or forty per cent of the 50506
combined tax liability for the current taxable year shall have 50507
been remitted not later than the fifteenth day of the sixth month 50508
after the end of the preceding taxable year. 50509

(3) Not less than seventy-five per cent of the combined tax 50510
liability for the preceding taxable year or sixty per cent of the 50511
combined tax liability for the current taxable year shall have 50512
been remitted not later than the fifteenth day of the ninth month 50513

after the end of the preceding taxable year. 50514

(4) Not less than one hundred per cent of the combined tax 50515
liability for the preceding taxable year or eighty per cent of the 50516
combined tax liability for the current taxable year shall have 50517
been remitted not later than the fifteenth day of the twelfth 50518
month after the end of the preceding taxable year. 50519

(C) Each taxpayer shall report on the declaration of 50520
estimated tax report the portion of the remittance that the 50521
taxpayer estimates that it owes to each municipal corporation for 50522
the taxable year. 50523

(D) Upon receiving a declaration of estimated tax report and 50524
remittance of estimated taxes under this section, the tax 50525
commissioner shall immediately forward to the treasurer of state 50526
such remittance. The treasurer of state shall credit ninety-eight 50527
and one-half per cent of the remittance to the municipal income 50528
tax fund and credit the remainder to the municipal income tax 50529
administrative fund, ~~and shall transmit the report to the tax~~ 50530
~~commissioner.~~ 50531

(E) If any remittance of estimated taxes is for one thousand 50532
dollars or more, the taxpayer shall make the remittance by 50533
electronic funds transfer as prescribed by section 5745.04 of the 50534
Revised Code. 50535

(F) Notwithstanding section 5745.08 or 5745.09 of the Revised 50536
Code, no penalty or interest shall be imposed on a taxpayer if the 50537
declaration of estimated tax report is properly filed, and the 50538
estimated tax is ~~remitted~~ paid, within the time prescribed by 50539
division (B) of this section. 50540

Sec. 5747.122. (A) The tax commissioner, in accordance with 50541
section 5101.184 of the Revised Code, shall cooperate with the 50542
director of job and family services to collect overpayments of 50543

assistance under Chapter 5107., 5111., or 5115., former Chapter 50544
5113., or ~~sections~~ section 5101.54 to ~~5101.543~~ of the Revised Code 50545
from refunds of state income taxes for taxable year 1992 and 50546
thereafter that are payable to the recipients of such 50547
overpayments. 50548

(B) At the request of the department of job and family 50549
services in connection with the collection of an overpayment of 50550
assistance from a refund of state income taxes pursuant to this 50551
section and section 5101.184 of the Revised Code, the tax 50552
commissioner shall release to the department the home address and 50553
social security number of any recipient of assistance whose 50554
overpayment may be collected from a refund of state income taxes 50555
under those sections. 50556

(C) In the case of a joint income tax return for two people 50557
who were not married to each other at the time one of them 50558
received an overpayment of assistance, only the portion of a 50559
refund that is due to the recipient of the overpayment shall be 50560
available for collection of the overpayment under this section and 50561
section 5101.184 of the Revised Code. The tax commissioner shall 50562
determine such portion. A recipient's spouse who objects to the 50563
portion as determined by the commissioner may file a complaint 50564
with the commissioner within twenty-one days after receiving 50565
notice of the collection, and the commissioner shall afford the 50566
spouse an opportunity to be heard on the complaint. The 50567
commissioner shall waive or extend the twenty-one-day period if 50568
the recipient's spouse establishes that such action is necessary 50569
to avoid unjust, unfair, or unreasonable results. After the 50570
hearing, the commissioner shall make a final determination of the 50571
portion of the refund available for collection of the overpayment. 50572

(D) The welfare overpayment intercept fund is hereby created 50573
in the state treasury. The tax commissioner shall deposit amounts 50574
collected from income tax refunds under this section to the credit 50575

of the welfare overpayment intercept fund. The director of job and 50576
family services shall distribute money in the fund in accordance 50577
with appropriate federal or state laws and procedures regarding 50578
collection of welfare overpayments. 50579

Sec. 5747.221. For (A) As used in this section, "investment 50580
pass-through entity" has the same meaning as in section 5733.401 50581
of the Revised Code. 50582

(B) Except as provided in division (C) of this section, for 50583
the purposes of sections 5747.20, 5747.21, and 5747.22 of the 50584
Revised Code, no item of income or deduction shall be allocated or 50585
apportioned to this state to the extent that such item represents 50586
~~or relates to~~ the portion of an adjusted qualifying amount for 50587
which the withholding tax is not imposed under section 5747.41 of 50588
the Revised Code by reason of division (C) of section 5733.401 of 50589
the Revised Code. This section shall be applied without regard to 50590
division (I) of section 5733.40 of the Revised Code. 50591

(C) If a taxpayer has a direct or indirect investment in an 50592
investment pass-through entity that has a direct or indirect 50593
investment in any other pass-through entity, division (B) of this 50594
section does not apply to any item of income, gain, deduction, or 50595

is directly or indirectly attributable to either of the following: 50597

(1) A distributive share of income or gain from a 50598
pass-through entity that does not qualify as an investment 50599
pass-through entity; 50600

(2) A pass-through entity's income or gain to which division 50601
(C) of section 5733.401 of the Revised Code does not apply. 50602
50603

An indirect investment includes any interest that a person 50604
constructively owns on account of the attribution rules set forth 50605

in section 267, 318, or 1563 of the Internal Revenue Code. 50606

Sec. 5747.39. As used in this section, "eligible employee" 50607
and "eligible training costs" have the same meanings as in section 50608
5733.42 of the Revised Code, and "pass-through entity" includes a 50609
sole proprietorship. 50610

For taxable years beginning after ~~December 31, 2000~~ in 2003, 50611
2004, and 2005, there is hereby allowed a nonrefundable credit 50612
against the tax imposed by section 5747.02 of the Revised Code for 50613
a taxpayer that is an investor in a pass-through entity for which 50614
a tax credit certificate is issued under section 5733.42 of the 50615
Revised Code. ~~The~~ For the taxable year beginning in 2003, the 50616
amount of eligible training costs for which a credit may be 50617
claimed by all taxpayers that are investors in an entity shall 50618
equal one-half of the average of the eligible training costs 50619
incurred by the entity during ~~the three~~ calendar years ~~that end in~~ 50620
~~the taxable year for which the credit is claimed~~ 1999, 2000, and 50621
2001, but shall not exceed one thousand dollars for each eligible 50622
employee on account of whom such costs were paid or incurred by 50623
the entity, and the total amount of credits that may be claimed by 50624
all such taxpayers shall not exceed one hundred thousand dollars 50625
each year. ~~Each taxpayer's credit shall be claimed for the~~ 50626
~~taxpayer's taxable year that includes the last day of the third~~ 50627
~~calendar year of the three-year period during which eligible~~ 50628
~~training costs are paid or incurred by the entity. The credit may~~ 50629
~~be claimed for eligible training costs paid or incurred on or~~ 50630
~~before December 31, 2003. The~~ 50631

The amount of a taxpayer's credit for the taxpayer's taxable 50632
year beginning in 2003 shall equal the taxpayer's interest in the 50633
entity on December 31, 2001, multiplied by the credit available to 50634
the entity as computed by the entity. 50635

For the taxable year beginning in 2004, the amount of the 50636

eligible training costs for which a credit may be claimed by all taxpayers that are investors in an entity shall equal one-half of the average of the eligible training costs incurred by the entity during calendar years 2002, 2003, and 2004, but shall not exceed one thousand dollars for each eligible employee on account of whom such costs were paid or incurred by the entity, and the total amount of credits that may be claimed by all such taxpayers shall not exceed one hundred thousand dollars. The amount of a taxpayer's credit for the taxpayer's taxable year beginning in 2004 shall equal the taxpayer's interest in the entity on December 31, 2004, multiplied by the credit available to the entity as computed by the entity.

For the taxable year beginning in 2005, the amount of the eligible training costs for which a credit may be claimed by all taxpayers that are investors in an entity shall equal one-half of the average of the eligible training costs incurred by the entity during calendar years 2003, 2004, and 2005, but shall not exceed one thousand dollars for each eligible employee on account of whom such costs were paid or incurred by the entity, and the total amount of credits that may be claimed by all such taxpayers shall not exceed one hundred thousand dollars. The amount of a taxpayer's credit for the taxpayer's taxable year beginning in 2005 shall equal the taxpayer's interest in the entity on the last day of the third calendar year of the three-year period ending in or with the last day of the taxpayer's taxable year December 31, 2005, multiplied by the credit available to the entity as computed by the entity.

The credit shall be claimed in the order prescribed by section 5747.98 of the Revised Code. A taxpayer may carry forward the credit to the extent that the taxpayer's credit exceeds the taxpayer's tax due after allowing for any other credits that precede the credit allowed by this section in the order prescribed

by section 5747.98 of the Revised Code. The taxpayer may carry the 50669
excess credit forward for three taxable years following the 50670
taxable year for which the taxpayer first claims the credit under 50671
this section. 50672

A pass-through entity shall apply to the director of job and 50673
family services for a tax credit certificate in the manner 50674
prescribed by division (C) of section 5733.42 of the Revised Code. 50675
Divisions (C) to (H) of that section govern the tax credit allowed 50676
by this section, except that "taxable year" shall be substituted 50677
for "tax year" wherever that phrase appears in those divisions, 50678
and that "pass-through entity" shall be substituted for "taxpayer" 50679
wherever "taxpayer" appears in those divisions. 50680

Sec. 5749.06. Each severer liable for the tax imposed by 50681
section 5749.02 of the Revised Code shall make and file returns 50682
with the tax commissioner in the prescribed form and as of the 50683
prescribed times, computing and reflecting therein the tax as 50684
required by this chapter. 50685

The returns shall be filed for every quarterly period, which 50686
periods shall end on the thirty-first of March, the thirtieth day 50687
of June, the thirtieth day of September, and the thirty-first day 50688
of December of each year, as required by this section, unless a 50689
different return period is prescribed for a taxpayer by the tax 50690
commissioner. 50691

A separate return shall be filed for each calendar quarterly 50692
period, or other period, or any part thereof, during which the 50693
severer holds a license as provided by section 5749.04 of the 50694
Revised Code, or is required to hold such license, and such return 50695
shall be filed within forty-five days after the last day of each 50696
such calendar month, or other period, or any part thereof, for 50697
which such return is required and shall include remittance payable 50698
to the treasurer of state of the amount of tax due. All such 50699

returns shall contain such information as the commissioner may 50700
require to fairly administer the tax. 50701

All returns shall be signed by the severer, shall contain the 50702
full and complete information requested, and shall be made under 50703
penalty of perjury. 50704

If the commissioner believes that quarterly payments of tax 50705
would result in a delay which might jeopardize the collection of 50706
such tax payments, the commissioner may order that such payments 50707
be made weekly, or more frequently if necessary, such payments to 50708
be made not later than seven days following the close of the 50709
period for which the jeopardy payment is required. Such an order 50710
shall be delivered to the taxpayer personally or by certified mail 50711
and shall remain in effect until the commissioner notifies the 50712
taxpayer to the contrary. 50713

Upon good cause the commissioner may extend the period for 50714
filing any notice or return required to be filed under this 50715
section, and may remit all or a part of penalties that may become 50716
due under this chapter. 50717

Any tax not paid by the day the tax is due shall bear 50718
interest computed at the rate per annum prescribed by section 50719
5703.47 of the Revised Code on that amount of tax due from the day 50720
that such amount was originally required to be paid to the day of 50721
actual payment or to the day an assessment was issued under 50722
section 5749.07 or 5749.10 of the Revised Code, whichever occurs 50723
first. 50724

The severer shall make all payments payable to the treasurer 50725
of state. All amounts that the tax commissioner receives under 50726
this section shall be deemed to be revenue from taxes imposed 50727
under this chapter. The tax commissioner shall immediately forward 50728
to the treasurer of state all amounts received under this section. 50729

Sec. 6101.25. The board of directors of a conservancy 50730
district may construct, improve, operate, maintain, and protect 50731
parks, parkways, forest preserves, bathing beaches, playgrounds, 50732
and other recreational facilities upon the lands owned or 50733
controlled by the district, or upon lands located within the 50734
district owned or controlled by the United States government or 50735
any department of it, by this state or any department or division 50736
of it, or by any political subdivision, if authorized by lease, 50737
contract, or other arrangements with the appropriate agency of 50738
government having ownership or control. The board may acquire by 50739
lease, purchase, or appropriation property additional to that 50740
required for the purposes for which the district was incorporated, 50741
in order to provide for the protection, more adequate development, 50742
and fuller public use and enjoyment of the improvements and 50743
facilities. The board may impose and collect charges for the use 50744
of the properties, improvements, and facilities maintained or 50745
operated by the district for recreational purposes. Moneys 50746
collected from these charges may be used to promote the district's 50747
recreational facilities. 50748

In case the revenues derived or to be derived from the 50749
properties, improvements, and facilities maintained, operated, 50750
used, or acquired by the district for recreational purposes are 50751
not sufficient for the purposes of this section, the board, with 50752
the approval of the court, may provide for the payment of 50753
obligations incurred under this section by the levy of special 50754
assessments upon all the taxable property of the district and upon 50755
public corporations having lands within the district. 50756

In no case shall the obligations incurred under this section 50757
be paid from the proceeds of special assessments levied under 50758
section 6101.48 or 6101.53 of the Revised Code, or of bonds or 50759
notes issued in anticipation of them. After special assessments 50760
against the taxable property and public corporations are approved 50761

by the court, the board of appraisers of the conservancy district 50762
shall appraise the benefits to be conferred on each parcel of 50763
taxable property and public corporation by reason of the 50764
acquisition and construction of the properties and improvements 50765
authorized by the board of directors under this section, and shall 50766
appraise the damages accruing to persons and public corporations 50767
from the improvements. The provisions of this chapter that refer 50768
to the determination of benefits and damages apply to the 50769
appraisals made under this section, but they shall be separate 50770
from other appraisals of benefits and damages made under this 50771
chapter, and separate records of them shall be prepared. After the 50772
appraisal of benefits has been approved by the court, and within 50773
the amount of benefits so determined, the board of directors may 50774
levy assessments on the taxable property and public corporations 50775
benefited to pay the cost of the properties and improvements 50776
acquired and constructed under this section, and may issue bonds 50777
and notes in anticipation of the collection of these assessments. 50778
In addition, the board of directors may annually levy a 50779
maintenance assessment for the purposes of this section on the 50780
taxable property and public corporations upon the basis of total 50781
appraised benefits. The provisions of this chapter that relate to 50782
assessments for district purposes and to bonds and notes issued in 50783
anticipation of the assessments apply to the assessments 50784
authorized under this section and the bonds and notes issued in 50785
anticipation of the assessments. Improvement, bond retirement, and 50786
maintenance funds shall be established for recreational purposes 50787
in conformity with section 6101.44 of the Revised Code, which 50788
shall be separate from one another and from other funds of the 50789
district, and no transfers shall be made to them from the other 50790
funds of the district. The proceeds of all bonds, notes, and 50791
assessments authorized by this section and all receipts derived 50792
from the recreational properties, improvements, and facilities 50793
owned, controlled, operated, or maintained by the district shall 50794

be paid into those funds, and all expenditures in accordance with 50795
this section shall be made from them. 50796

Sec. 6109.13. No official, officer, or employee in charge of 50797
or being employed in the maintenance and operation of a public 50798
water system and no other person, ~~or firm, or corporation~~ shall 50799
establish or permit to be established any connection whereby water 50800
from a private, auxiliary, or emergency water system may enter the 50801
public water system, unless ~~such~~ the private, auxiliary, or 50802
emergency water system, and the method of connection and use of 50803
~~such~~ the system, ~~has~~ have been approved by the environmental 50804
protection agency. However, a backflow prevention device shall not 50805
be required when a physical separation exists between the public 50806
water system and the private, auxiliary, or emergency water 50807
system. 50808

As used in this section: 50809

(A) "Backflow prevention device" means any device, method, or 50810
type of construction that is intended to prevent backflow into a 50811
potable water sytem. 50812

(B) "Physical separation" means that there is no direct or 50813
indirect connection between a public water system and a private, 50814
auxiliary, or emergency water system. 50815

Sec. 6109.21. (A) Except as provided in divisions (D) and (E) 50816
of this section, on and after January 1, 1994, no person shall 50817
operate or maintain a public water system in this state without a 50818
license issued by the director of environmental protection. A 50819
person who operates or maintains a public water system on January 50820
1, 1994, shall obtain an initial license under this section in 50821
accordance with the following schedule: 50822

(1) If the public water system is a community water system, 50823
not later than January 31, 1994; 50824

(2) If the public water system is not a community water system and serves a nontransient population, not later than January 31, 1994;

(3) If the public water system is not a community water system and serves a transient population, not later than January 31, 1995.

A person proposing to operate or maintain a new public water system after January 1, 1994, in addition to complying with section 6109.07 of the Revised Code and rules adopted under it, shall submit an application for an initial license under this section to the director prior to commencing operation of the system.

A license or license renewal issued under this section shall be renewed annually. Such a license or license renewal shall expire on the thirtieth day of January in the year following its issuance. A license holder that proposes to continue operating the public water system for which the license or license renewal was issued shall apply for a license renewal at least thirty days prior to that expiration date.

The director shall adopt, and may amend and rescind, rules in accordance with Chapter 119. of the Revised Code establishing procedures governing and information to be included on applications for licenses and license renewals under this section. Through June 30, ~~2002~~ 2004, each application shall be accompanied by the appropriate fee established under division (M) of section 3745.11 of the Revised Code, provided that an applicant for an initial license who is proposing to operate or maintain a new public water system after January 1, 1994, shall submit a fee that equals a prorated amount of the appropriate fee established under that division for the remainder of the licensing year.

(B) Not later than thirty days after receiving a completed

application and the appropriate license fee for an initial license 50856
under division (A) of this section, the director shall issue the 50857
license for the public water system. Not later than thirty days 50858
after receiving a completed application and the appropriate 50859
license fee for a license renewal under division (A) of this 50860
section, the director shall do one of the following: 50861

(1) Issue the license renewal for the public water system; 50862

(2) Issue the license renewal subject to terms and conditions 50863
that the director determines are necessary to ensure compliance 50864
with this chapter and rules adopted under it; 50865

(3) Deny the license renewal if the director finds that the 50866
public water system was not operated in substantial compliance 50867
with this chapter and rules adopted under it. 50868

(C) The director may suspend or revoke a license or license 50869
renewal issued under this section if the director finds that the 50870
public water system was not operated in substantial compliance 50871
with this chapter and rules adopted under it. The director shall 50872
adopt, and may amend and rescind, rules in accordance with Chapter 50873
119. of the Revised Code governing such suspensions and 50874
revocations. 50875

(D)(1) As used in division (D) of this section, "church" 50876
means a fellowship of believers, congregation, society, 50877
corporation, convention, or association that is formed primarily 50878
or exclusively for religious purposes and that is not formed or 50879
operated for the private profit of any person. 50880

(2) This section does not apply to a church that operates or 50881
maintains a public water system solely to provide water for that 50882
church or for a campground that is owned by the church and 50883
operated primarily or exclusively for members of the church and 50884
their families. A church that, on or before March 5, 1996, has 50885
obtained a license under this section for such a public water 50886

system need not obtain a license renewal under this section. 50887

(E) This section does not apply to any public or nonpublic 50888
school that meets minimum standards of the state board of 50889
education that operates or maintains a public water system solely 50890
to provide water for that school. 50891

Sec. 6111.035. (A) The director of environmental protection, 50892
consistent with the Federal Water Pollution Control Act and the 50893
regulations adopted thereunder, without application therefor, may 50894
issue, modify, revoke, or terminate a general permit under this 50895
chapter for both of the following: 50896

(1) Discharge of stormwater; the discharge of liquids, 50897
sediments, solids, or water-borne mining related waste, such as, 50898
but not limited to, acids, metallic cations, or their salts, from 50899
coal mining and reclamation operations as defined in section 50900
1513.01 of the Revised Code; or treatment works whose discharge 50901
would have de minimis impact on the waters of the state receiving 50902
the discharge; 50903

(2) Installation or modification of disposal systems or any 50904
parts thereof, including disposal systems for stormwater or for 50905
coal mining and reclamation operations as defined in section 50906
1513.01 of the Revised Code. 50907

A general permit shall apply to a class or category of 50908
discharges or disposal systems or to persons conducting similar 50909
activities, within any area of the state, including the entire 50910
state. 50911

A general permit shall not be issued unless the director 50912
determines that the discharges authorized by the permit will have 50913
only minimal cumulative adverse effects on the environment when 50914
the discharges are considered collectively and individually and 50915
if, in the opinion of the director, the discharges, installations, 50916

or modifications authorized by the permit are more appropriately 50917
authorized by a general permit than by an individual permit. 50918

A general permit shall be issued subject to applicable 50919
mandatory provisions and may be issued subject to any applicable 50920
permissive provision of the Federal Water Pollution Control Act 50921
and the regulations adopted thereunder. 50922

The director, at the director's discretion, may require any 50923
person authorized to discharge or to install or modify a disposal 50924
system under a general permit to apply for and obtain an 50925
individual permit for the discharge, installation, or 50926
modification. When a particular discharge, installation, or 50927
modification is subject to an individual permit, a general permit 50928
shall not apply to that discharge, installation, or modification 50929
until the individual permit is revoked, terminated, or modified to 50930
exclude the discharge, installation, or modification. 50931

(B) Notwithstanding any requirement under Chapter 119. of the 50932
Revised Code concerning the manner in which notice of a permit 50933
action is provided, the director shall not be required to provide 50934
certified mail notice to persons subject to the issuance, 50935
modification, revocation, or termination of a general permit under 50936
division (A) of this section. 50937

Notwithstanding section 3745.07 of the Revised Code 50938
concerning the location of newspapers in which notices of permit 50939
actions are published, the director shall cause notice of the 50940
issuance, modification, revocation, or termination of a general 50941
permit to be published in the newspapers of general circulation 50942
determined by the director to provide reasonable notice to persons 50943
affected by the permit action in the geographic area covered by 50944
the general permit within the time periods prescribed by section 50945
3745.07 of the Revised Code. Any notice under this section or 50946
section 3745.07 of the Revised Code concerning the issuance, 50947
modification, revocation, or termination of a general permit shall 50948

include a summary of the permit action and instructions on how to 50949
obtain a copy of the full text of the permit action. The director 50950
may take other appropriate measures, such as press releases and 50951
notice to trade journals, associations, and other persons known to 50952
the director to desire notification, in order to provide notice of 50953
the director's actions concerning the issuance, modification, 50954
revocation, or termination of a general permit; however, the 50955
failure to provide such notice shall not invalidate any general 50956
permit. 50957

(C) Notwithstanding any other provision of the Revised Code, 50958
a person subject to the proposed issuance, modification, 50959
revocation, or termination of a general permit under division (A) 50960
of this section may request an adjudication hearing pursuant to 50961
section 119.07 of the Revised Code concerning the proposed action 50962
within thirty days after publication of the notice of the proposed 50963
action in newspapers of general circulation pursuant to division 50964
(B) of this section. This division shall not be interpreted to 50965
affect the authority of the director to take actions on general 50966
permits in forms other than proposed general permits. 50967

(D) The director may exercise all incidental powers required 50968
to carry out this section, including, without limitation, the 50969
adoption, amendment, and rescission of rules to implement a 50970
general permit program for classes or categories of dischargers or 50971
disposal systems. 50972

(E) On and after the date on which the United States 50973
environmental protection agency approves the NPDES program 50974
submitted by the director of agriculture under section 903.08 of 50975
the Revised Code, this section does not apply to storm water from 50976
an animal feeding facility, as defined in section 903.01 of the 50977
Revised Code, or to manure, as defined in that section. 50978

(F) As used in this section, "Federal Water Pollution Control 50979
Act" means the "Federal Water Pollution Control Act Amendments of 50980

1972," 86 Stat. 886, 33 U.S.C.A. 1251, as amended by the "Clean 50981
Water Act of 1977," 91 Stat. 1566, 33 U.S.C.A. 1251, the "Act of 50982
October 21, 1980," 94 Stat. 2360, 33 U.S.C.A. 1254, the "Municipal 50983
Wastewater Treatment Construction Grant Amendments of 1981," 95 50984
Stat. 1623, 33 U.S.C.A. 1281, and the "Water Quality Act of 1987," 50985
101 Stat. 7, 33 U.S.C.A. 1251. 50986

Sec. 6111.044. Upon receipt of an application for an 50987
injection well drilling permit, an injection well operating 50988
permit, a renewal of an injection well operating permit, or a 50989
modification of an injection well drilling permit, operating 50990
permit, or renewal of an operating permit, the director of 50991
environmental protection shall determine whether the application 50992
is complete and demonstrates that the activities for which the 50993
permit, renewal permit, or modification is requested will comply 50994
with the Federal Water Pollution Control Act and regulations 50995
adopted under it; the "Safe Drinking Water Act," 88 Stat. 1661 50996
(1974), 42 U.S.C.A. 300(f), as amended, and regulations adopted 50997
under it; and this chapter and the rules adopted under it. If the 50998
application demonstrates that the proposed activities will not 50999
comply or will pose an unreasonable risk of inducing seismic 51000
activity, inducing geologic fracturing, or contamination of an 51001
underground source of drinking water, the director shall deny the 51002
application. If the application does not make the required 51003
demonstrations, the director shall return it to the applicant with 51004
an indication of those matters about which a required 51005
demonstration was not made. If the director determines that the 51006
application makes the required demonstrations, the director shall 51007
transmit copies of the application and all of the accompanying 51008
maps, data, samples, and information to the chief of the division 51009
of mineral resources management, the chief of the division of 51010
geological survey, and the chief of the division of water in the 51011
department of natural resources. 51012

The chief of the division of geological survey shall comment 51013
upon the application if the chief determines that the proposed 51014
well or injection will present an unreasonable risk of loss or 51015
damage to valuable mineral resources. If the chief submits 51016
comments on the application, those comments shall be accompanied 51017
by an evaluation of the geological factors upon which the comments 51018
are based, including fractures, faults, earthquake potential, and 51019
the porosity and permeability of the injection zone and confining 51020
zone, and by the documentation supporting the evaluation. The 51021
director shall take into consideration the chief's comments, and 51022
the accompanying evaluation of geologic factors and supporting 51023
documentation, when considering the application. The director 51024
shall provide written notice to the chief of the director's 51025
decision on the application and, if the chief's comments are not 51026
included in the permit, renewal permit, or modification, of the 51027
director's rationale for not including them. 51028

The chief of the division of mineral resources management 51029
shall comment upon the application if the chief determines that 51030
the proposed well or injection will present an unreasonable risk 51031
that waste or contamination of recoverable oil or gas in the earth 51032
will occur. If the chief submits comments on the application, 51033
those comments shall be accompanied by an evaluation of the oil or 51034
gas reserves that, in the best professional judgment of the chief, 51035
are recoverable and will be adversely affected by the proposed 51036
well or injection, and by the documentation supporting the 51037
evaluation. The director shall take into consideration the chief's 51038
comments, and the accompanying evaluation and supporting 51039
documentation, when considering the application. The director 51040
shall provide written notice to the chief of the director's 51041
decision on the application and, if the chief's comments are not 51042
included in the permit, renewal permit, or modification, of the 51043
director's rationale for not including them. 51044

The chief of the division of water shall assist the director 51045
in determining whether all underground sources of drinking water 51046
in the area of review of the proposed well or injection have been 51047
identified and correctly delineated in the application. If the 51048
application fails to identify or correctly delineate an 51049
underground source of drinking water, the chief shall provide 51050
written notice of that fact to the director. 51051

The chief of the division of mineral resources management 51052
also shall review the application as follows: 51053

If the application concerns the drilling or conversion of a 51054
well or the injection into a well that is not or is not to be 51055
located within five thousand feet of the excavation and workings 51056
of a mine, the chief of the division of mineral resources 51057
management shall note upon the application that it has been 51058
examined by the division of mineral resources management, retain a 51059
copy of the application and map, and immediately return a copy of 51060
the application to the director. 51061

If the application concerns the drilling or conversion of a 51062
well or the injection into a well that is or is to be located 51063
within five thousand feet, but more than five hundred feet from 51064
the surface excavations and workings of a mine, the chief of the 51065
division of mineral resources management immediately shall notify 51066
the owner or lessee of the mine that the application has been 51067
filed and send to the owner or lessee a copy of the map 51068
accompanying the application setting forth the location of the 51069
well. The chief of the division of mineral resources management 51070
shall note on the application that the notice has been sent to the 51071
owner or lessee of the mine, retain a copy of the application and 51072
map, and immediately return a copy of the application to the 51073
director with the chief's notation on it. 51074

If the application concerns the drilling or conversion of a 51075
well or the injection into a well that is or is to be located 51076

within five thousand feet of the underground excavations and
workings of a mine or within five hundred feet of the surface
excavations and workings of a mine, the chief of the division of
mineral resources management immediately shall notify the owner or
lessee of the mine that the application has been filed and send to
the owner or lessee a copy of the map accompanying the application
setting forth the location of the well. If the owner or lessee
objects to the application, the owner or lessee shall notify the
chief of the division of mineral resources management of the
objection, giving the reasons, within six days after the receipt
of the notice. If the chief of the division of mineral resources
management receives no objections from the owner or lessee of the
mine within ten days after the receipt of the notice by the owner
or lessee, or if in the opinion of the chief of the division of
mineral resources management the objections offered by the owner
or lessee are not sufficiently well-founded, the chief shall
retain a copy of the application and map and return a copy of the
application to the director with any applicable notes concerning
it.

If the chief of the division of mineral resources management
receives an objection from the owner or lessee of the mine as to
the application, within ten days after receipt of the notice by
the owner or lessee, and if in the opinion of the chief the
objection is well-founded, the chief shall disapprove the
application and immediately return it to the director together
with the chief's reasons for the disapproval. The director
promptly shall notify the applicant for the permit, renewal
permit, or modification of the disapproval. The applicant may
appeal the disapproval of the application by the chief of the
division of mineral resources management to the ~~mine-examining~~
board reclamation commission created under section ~~1561.10~~ 1513.05
of the Revised Code, and the ~~board~~ commission shall hear the

appeal in accordance with section ~~1561.53~~ 1513.13 of the Revised 51109
Code. The appeal shall be filed within thirty days from the date 51110
the applicant receives notice of the disapproval. No comments 51111
concerning or disapproval of an application shall be delayed by 51112
the chief of the division of mineral resources management for more 51113
than fifteen days from the date of sending of notice to the mine 51114
owner or lessee as required by this section. 51115

The director shall not approve an application for an 51116
injection well drilling permit, an injection well operating 51117
permit, a renewal of an injection well operating permit, or a 51118
modification of an injection well drilling permit, operating 51119
permit, or renewal of an operating permit for a well that is or is 51120
to be located within three hundred feet of any opening of any mine 51121
used as a means of ingress, egress, or ventilation for persons 51122
employed in the mine, nor within one hundred feet of any building 51123
or flammable structure connected with the mine and actually used 51124
as a part of the operating equipment of the mine, unless the chief 51125
of the division of mineral resources management determines that 51126
life or property will not be endangered by drilling and operating 51127
the well in that location. 51128

Upon review by the chief of the division of mineral resources 51129
management, the chief of the division of geological survey, and 51130
the chief of the division of water, and if the chief of the 51131
division of mineral resources management has not disapproved the 51132
application, the director shall issue a permit, renewal permit, or 51133
modification with any terms and conditions that may be necessary 51134
to comply with the Federal Water Pollution Control Act and 51135
regulations adopted under it; the "Safe Drinking Water Act," 88 51136
Stat. 1661 (1974), 42 U.S.C.A. 300(f) as amended, and regulations 51137
adopted under it; and this chapter and the rules adopted under it. 51138
The director shall not issue a permit, renewal permit, or 51139
modification to an applicant if the applicant or persons 51140

associated with the applicant have engaged in or are engaging in a 51141
substantial violation of this chapter that is endangering or may 51142
endanger human health or the environment or if, in the case of an 51143
applicant for an injection well drilling permit, the applicant, at 51144
the time of applying for the permit, did not hold an injection 51145
well operating permit or renewal of an injection well drilling 51146
permit and failed to demonstrate sufficient expertise and 51147
competency to operate the well in compliance with the applicable 51148
provisions of this chapter. 51149

If the director receives a disapproval from the chief of the 51150
division of mineral resources management regarding an application 51151
for an injection well drilling or operating permit, renewal 51152
permit, or modification, if required, the director shall issue an 51153
order denying the application. 51154

The director need not issue a proposed action under section 51155
3745.07 of the Revised Code or hold an adjudication hearing under 51156
that section and Chapter 119. of the Revised Code before issuing 51157
or denying a permit, renewal permit, or modification of a permit 51158
or renewal permit. Before issuing or renewing a permit to drill or 51159
operate a class I injection well or a modification of it, the 51160
director shall propose the permit, renewal permit, or modification 51161
in draft form and shall hold a public hearing to receive public 51162
comment on the draft permit, renewal permit, or modification. At 51163
least fifteen days before the public hearing on a draft permit, 51164
renewal permit, or modification, the director shall publish notice 51165
of the date, time, and location of the public hearing in at least 51166
one newspaper of general circulation serving the area where the 51167
well is or is to be located. The proposing of such a draft permit, 51168
renewal permit, or modification does not constitute the issuance 51169
of a proposed action under section 3745.07 of the Revised Code, 51170
and the holding of the public hearing on such a draft permit, 51171
renewal permit, or modification does not constitute the holding of 51172

an adjudication hearing under that section and Chapter 119. of the 51173
Revised Code. Appeals of orders other than orders of the chief of 51174
the division of mineral resources management shall be taken under 51175
sections 3745.04 to 3745.08 of the Revised Code. 51176

The director may order that an injection well drilling permit 51177
or an injection well operating permit or renewal permit be 51178
suspended and that activities under it cease after determining 51179
that those activities are occurring in violation of law, rule, 51180
order, or term or condition of the permit. Upon service of a copy 51181
of the order upon the permit holder or the permit holder's 51182
authorized agent or assignee, the permit and activities under it 51183
shall be suspended immediately without prior hearing and shall 51184
remain suspended until the violation is corrected and the order of 51185
suspension is lifted. If a violation is the second within a 51186
one-year period, the director, after a hearing, may revoke the 51187
permit. 51188

The director may order that an injection well drilling permit 51189
or an injection well operating permit or renewal permit be 51190
suspended and that activities under it cease if the director has 51191
reasonable cause to believe that the permit would not have been 51192
issued if the information available at the time of suspension had 51193
been available at the time a determination was made by one of the 51194
agencies acting under authority of this section. Upon service of a 51195
copy of the order upon the permit holder or the permit holder's 51196
authorized agent or assignee, the permit and activities under it 51197
shall be suspended immediately without prior hearing, but a permit 51198
may not be suspended for that reason without prior hearing unless 51199
immediate suspension is necessary to prevent waste or 51200
contamination of oil or gas, comply with the Federal Water 51201
Pollution Control Act and regulations adopted under it; the "Safe 51202
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), as 51203
amended, and regulations adopted under it; and this chapter and 51204

the rules adopted under it, or prevent damage to valuable mineral 51205
resources, prevent contamination of an underground source of 51206
drinking water, or prevent danger to human life or health. If 51207
after a hearing the director determines that the permit would not 51208
have been issued if the information available at the time of the 51209
hearing had been available at the time a determination was made by 51210
one of the agencies acting under authority of this section, the 51211
director shall revoke the permit. 51212

When a permit has been revoked, the permit holder or other 51213
person responsible for it immediately shall plug the well in the 51214
manner required by the director. 51215

The director may issue orders to prevent or require cessation 51216
of violations of this section, section 6111.043, 6111.045, 51217
6111.046, or 6111.047 of the Revised Code, rules adopted under any 51218
of those sections, and terms or conditions of permits issued under 51219
any of them. The orders may require the elimination of conditions 51220
caused by the violation. 51221

government, school districts, and fire departments. 53529

(F) Each of these programs of state financial assistance 53530
shall be carried out as follows: 53531

(1) PROSECUTION COSTS 53532

(a) Appropriations may be transferred to the Office of 53533
Criminal Justice Services to cover local prosecution costs for 53534
aggravated murder, murder, felonies of the first degree, and 53535
felonies of the second degree that occur on the grounds of 53536

(b) Upon a delinquency filing in juvenile court or the return 53539
of an indictment for aggravated murder, murder, or any felony of 53540
the first or second degree that was committed at a Department of 53541
Youth Services or a Department of Rehabilitation and Correction 53542
institution, the affected county may, in accordance with rules 53543
that the Office of Criminal Justice Services shall adopt, apply to 53544
the Office of Criminal Justice Services for a grant to cover all 53545
documented costs that are incurred by the county prosecutor's 53546
office. 53547

(c) Twice each year, the Office of Criminal Justice Services 53548
shall designate counties to receive grants from those counties 53549

that have submitted one or more applications in compliance with 53550
the rules that have been adopted by the Office of Criminal Justice 53551
Services for the receipt of such grants. In each year's first 53552
round of grant awards, if sufficient appropriations have been 53553
made, up to a total of \$100,000 may be awarded. In each year's 53554
second round of grant awards, the remaining appropriations 53555
available for this purpose may be awarded. 53556

(d) If for a given round of grants there are insufficient 53557
appropriations to make grant awards to all the eligible counties, 53558
the first priority shall be given to counties with cases involving 53559
aggravated murder and murder, second priority shall be given to 53560
cases involving a felony of the first degree, and third priority 53561
shall be given to cases involving a felony of the second degree. 53562
Within these priorities, the grant awards shall be based on the 53563
order in which the applications were received, except that 53564
applications for cases involving a felony of the first or second 53565
degree shall not be considered in more than two consecutive rounds 53566
of grant awards. 53567

(2) FIREFIGHTER TRAINING COSTS 53568

Appropriations may be transferred to the Department of 53569
Commerce for use as full or partial reimbursement to local units 53570
of government and fire departments for the cost of firefighter 53571
training and equipment or gear. In accordance with rules that the 53572
department shall adopt, a local unit of government or fire 53573
department may apply to the department for a grant to cover all 53574
documented costs that are incurred to provide firefighter training 53575
and equipment or gear. The department shall make grants within the 53576
limits of the funding provided, with priority given to fire 53577
departments that serve small villages and townships. 53578

(3) CHILD ABUSE DETECTION TRAINING COSTS 53579

Appropriations may be transferred to the Department of 53580

Education for disbursement to local school districts as full or 53581
partial reimbursement for the cost of providing in-service 53582
training for child abuse detection. In accordance with rules that 53583
the department shall adopt, a local school district may apply to 53584
the department for a grant to cover all documented costs that are 53585
incurred to provide in-service training for child abuse detection. 53586
The department shall make grants within the limits of the funding 53587
provided. 53588

(G) Any moneys allocated within appropriation item 911-404, 53589
Mandate Assistance, not fully utilized may, upon application of 53590
the Department of Education, and with the approval of the 53591
Controlling Board, be disbursed to boards of county commissioners 53592
to provide reimbursement for office space, equipment, and related 53593
mandated expenses for educational service centers. 53594

The amount to be disbursed to each county shall be allocated 53595
proportionately to the ADM of the educational service center for 53596
which a board of county commissioners is required to provide an 53597
office under section 3319.19 of the Revised Code. 53598

OHIO'S BICENTENNIAL CELEBRATION 53599

The foregoing appropriation item 911-408, Ohio's Bicentennial 53600
Celebration, shall be distributed according to a plan approved by 53601
the Ohio Bicentennial Commission. Pursuant to requests submitted 53602
by the Ohio Bicentennial Commission, the Controlling Board may 53603

Section 44.01. MAINTENANCE AND EQUIPMENT 54488

Of the foregoing appropriation item 200-320, Maintenance and 54489
Equipment, up to \$25,000 may be expended in each year of the 54490
biennium for State Board of Education out-of-state travel. 54491

Section 44.02. HEAD START 54492

No later than July 15, 2001, the Director of Budget and 54493
Management shall transfer \$76,156,175 from Fund 3W6, TANF 54494
Education, to the General Revenue Fund. No later than July 15, 54495
2002, the Director of Budget and Management shall transfer 54496
\$98,843,825 from Fund 3W6, TANF Education, to the General Revenue 54497
Fund. The transferred funds are appropriated for the appropriation 54498
item 200-406, Head Start. The foregoing appropriation item 54499
200-406, Head Start, includes transferred funds of \$76,156,175 in 54500
fiscal year 2002 and \$98,843,825 in fiscal year 2003. 54501

Of the foregoing appropriation item 200-406, Head Start, 54502
\$100,000 per fiscal year shall be used for the Read Baby Read Book 54503
Club Program. 54504

The remainder of foregoing appropriation item 200-406, Head 54505
Start, shall be distributed by the Department of Education to Head 54506
Start agencies. A "Head Start agency" means an entity that has 54507
been approved to be an agency in accordance with Section 641 (42 54508
U.S.C. 9836) of the Head Start Act and amendments thereto, or an 54509
entity designated for state Head Start funding under this section. 54510
Participation in state-funded Head Start programs is voluntary. 54511

Moneys distributed under this heading shall not be used to 54512
reduce expenditures from funds received by a Head Start agency 54513
from any other sources. Section 3301.31 of the Revised Code does 54514
not apply to funds distributed under this heading. In lieu of 54515
section 3301.31 of the Revised Code, distribution of moneys under 54516
this heading shall be as follows: 54517

(A) In fiscal years 2002 and 2003, up to two per cent of the 54518
appropriation may be used by the department for administrative 54519
costs of complying with this section; developing program capacity; 54520
and assisting programs with facilities planning, construction, 54521
renovation, or lease agreements in combination with the Community 54522

Development Finance Fund (CDFF). Up to \$1,530,000 in fiscal year 2002 and up to \$1,560,600 in fiscal year 2003 may be used for the services of literacy specialist and training in early literacy for Head Start classroom teachers and administrators to support the OhioReads Initiative.

(B) The department shall provide an annual report to the Governor, the Speaker of the House of Representatives, the President of the Senate, the State Board of Education, Head Start grantees, and other interested parties. The report shall include the following:

(1) The number and per cent of eligible children by county and by grantee;

(2) The amount of state funds received for continuation per grantee;

(3) A summary of program performance on the state critical performance indicators;

(4) A summary of developmental progress of children participating in the state-funded Head Start program;

(5) Any other data reflecting the performance of Head Start that the department considers pertinent.

(C) For purposes of this section, "eligible child" means a child who is at least three years of age and not of compulsory school age whose family earns no more than 100 per cent of the federal poverty level, except as otherwise provided in this division.

The Department of Education, in consultation with Head Start grantees or their designated representatives, shall establish criteria under which individual Head Start grantees may apply to the department for a waiver to include as "eligible children" those children from families earning up to 185 per cent of the

federal poverty level when the children otherwise qualify as 54553
"eligible children" under this division. 54554

In order to serve children whose families receive child care 54555
subsidy and whose incomes do not exceed 185 per cent of the 54556
federal poverty guidelines, Head Start grantees may enroll 54557
children whose families receive child care subsidy from the Ohio 54558
Department of Job and Family Services. Head Start grantees 54559
providing full-day, full-year comprehensive services, or otherwise 54560
meeting the child care needs of working families, may partner with 54561
child care centers or family day care homes or may access child 54562
care subsidy directly. This provision is to meet the child care 54563
needs of low-income families who are working, in training or 54564
education programs, or participating in Ohio Works First approved 54565
activities. 54566

(D) After setting aside amounts to make any payments due from 54567
the prior fiscal year, in fiscal years 2002 and 2003, funds shall 54568
only be distributed to recipients of Head Start funds during the 54569
preceding fiscal year. Awards under this division shall be based 54570
on a per-pupil formula prescribed by the Department of Education 54571
and may be adjusted for one-time start-up costs, actual months of 54572
program operation, or the number of children enrolled and 54573
receiving services, as defined by the Department of Education, 54574
reported during the first full week of December, and may be 54575
increased by a reasonable percentage for inflation to be 54576
determined by the Department of Education and in accordance with 54577
this section. The department may redistribute dollars to programs 54578
demonstrating an unmet need based on updated assessments of family 54579
needs and community resources. In fiscal years 2002 and 2003, the 54580
department may authorize recipients to carry over funds to the 54581
subsequent fiscal year. 54582

The department may reallocate unobligated or unspent money to 54583
participating Head Start agencies for: (1) facilities planning 54584

grants and to leverage construction, renovation, or lease 54585
agreements and for repair of critical deferred maintenance and 54586
safety items in combination with the CDFF; (2) teacher 54587
professional development and enhanced compensation in order to 54588
meet the requirements of section 3301.311 of the Revised Code; (3) 54589
meeting the documentation and reporting requirements and for 54590
technical support in accordance with division (F) of this section; 54591
and (4) expansion, improvement, or special projects to promote 54592
excellence and innovation. 54593

(E) Costs for developing and administering a Head Start 54594
program may not exceed fifteen per cent of the total approved 54595
costs of the program. 54596

All recipients of funds shall maintain such fiscal control 54597
and accounting procedures as may be necessary to ensure the 54598
disbursement of, and accounting for, these funds. The control of 54599
funds provided in this program, and title to property obtained 54600
therefrom, shall be under the authority of the approved recipient 54601
for purposes provided in the program. The approved recipient shall 54602
administer and use such property and funds for the purposes 54603
specified. 54604

Each recipient shall furnish the department an annual audit 54605
that includes the review of state funds received under this 54606
section. 54607

In conjunction with the required audit of federal Head Start 54608
funds, the independent auditor shall examine state Head Start 54609
funds in accordance with the federal regulations and agreed-upon 54610
state procedures formulated by the department. 54611

(F) The department shall prescribe target levels for critical 54612
performance indicators for the purpose of assessing Head Start 54613
programs. On-site reviews and follow-up visits shall be based on 54614
grantee progress in meeting the prescribed target levels. 54615

The Department of Education, in consultation with the interested parties, including the state Department of Job and Family Services, shall develop the criteria to be used by Head Start grantees and delegate agencies with developing partnership agreements.

The department may audit a Head Start agency's financial and program records. Head Start agencies that have financial practices not in accordance with standard accounting principles, that fail to substantially meet the Head Start performance standards, or that exhibit below-average performance shall be subject to an on-site review.

The department shall require corrective plans of action for programs not achieving target levels or financial and program standards. Action plans shall include activities to be conducted by the grantee and timelines for activities to be completed and timelines for additional data submission to the department demonstrating targets have been met. The Policy Council chairperson and the appropriate grantee board official shall sign the corrective plans of action.

Head Start programs not meeting performance targets in accordance with the plan of action and prescribed timelines may have their funding reduced until targets are met, or have all state funds withdrawn.

The department shall require school districts to collect "preschool" information by program type. All data shall be reported via the Education Management Information System (EMIS).

(G) The department shall develop prekindergarten reading and mathematics content standards and model curricula. These standards and curricula shall be made available to grantees. Head Start grantees delegate agencies, and child care partners shall document child progress, using a common instrument prescribed by the

department, and report results annually. The department shall 54647
determine the dates for documenting and reporting. 54648

(H) In either event, the grantee and delegate shall transfer 54649
control of title to property, equipment, and remaining supplies 54650
obtained through this program to the newly designated grantee and 54651
return any unexpended funds to the department along with any 54652
reports prescribed by the department. 54653

Section 3313.646 of the Revised Code does not apply to funds 54654
distributed under this section. 54655

(I) It is the intent of the General Assembly that 54656
appropriations for appropriation items 200-406, Head Start, and 54657
200-408, Public Preschool, be available for transfer between Head 54658
Start and public preschool programs so that unallocated funds may 54659
be used between the two programs. 54660

(J) The Department of Education shall comply with all TANF 54661
requirements, including reporting requirements and timelines, as 54662
specified in state and federal laws, federal regulations, state 54663
rules, and the Title IV-A state plan, and is responsible for 54664
payment of any adverse audit finding, final disallowance of 54665
federal financial participation, or other sanction or penalty 54666

funds. Having met all of the above requirements, the Department 54668
shall have the authority to administer these funds in accordance 54669
with its own rules and guidelines, including grant administration 54670
procedures. 54671

(A) In fiscal years 2002 and 2003, up to two per cent of the 54678
total appropriation may be used by the department for 54679
administrative costs of complying with this section; developing 54680
program capacity; and assisting programs with facilities planning, 54681
construction, renovation, or lease agreements in conjunction with 54682
the Community Development Finance Fund (CDFF). 54683

(B) The department shall provide an annual report to the 54684

President of the Senate, the State Board of Education, Head Start 54686
grantees, and other interested parties. The report shall include: 54687

(1) The number and per cent of eligible children by county 54688
and by school district; 54689

The Department of Education, in consultation with the 54703
Department of Job and Family Services, interested parties, and 54704
Head Start agencies shall formulate a method for determining an 54705
estimate of the number of eligible children and the percentage 54706

served by grantees in each county.

54707

(D) After setting aside amounts to make any payments due from the prior fiscal year, in fiscal years 2002 and 2003, funds shall first be distributed to recipients of funds during the preceding fiscal year. Awards under this division may be reduced by the amount received in that fiscal year for one-time start-up costs and may be adjusted for actual months of program operation or enrollment as reported during the first full week of December, and may be increased by a reasonable percentage to be determined by the Department of Education. The department may redistribute dollars to programs demonstrating an unmet need based on updated assessments of family needs and community resources, with special attention to the projected impact of welfare reform. funds withdrawn and a new program established. 54760

(G) The department shall require public preschool programs to 54761
document child progress, using a common instrument prescribed by 54762
the department, and report results annually. The department shall 54763
determine the dates for documenting and reporting. 54764

The State Board of Education shall adopt rules addressing the 54765
use of screening and assessment data, including, but not limited 54766
to, all of the following: 54767

Section 44.05. FAMILY AND CHILDREN FIRST

(A) Of the foregoing appropriation item 200-411, Family and Children First, the Department of Education shall transfer up to \$3,677,188 in each fiscal year by intrastate transfer voucher to the Department of Mental Retardation and Developmental Disabilities. These funds shall be spent on direct grants to county family and children first councils created under section 121.37 of the Revised Code. The funds shall be used as partial support payment and reimbursement for locally coordinated treatment plans for multineeds children that come to the attention of the Family and Children First Cabinet Council pursuant to section 121.37 of the Revised Code. The treatment plans shall include strategies to address each child's academic achievement. The Department of Mental Retardation and Developmental Disabilities shall administer the distribution of the direct grants to the county councils. The Department of Mental Retardation and Developmental Disabilities may use up to five per cent of this amount for administrative expenses associated with

the distribution of funds to the county councils. 54894

(B) Of the foregoing appropriation item 200-411, Family and 54895
Children First, up to \$1,775,000 in each fiscal year shall be used 54896
as administrative grants to county family and children first 54897
councils to provide a portion of the salary and fringe benefits 54898

support, training, or parental involvement. The total initial 54900
grant under this provision to any county family and children first 54901
council shall not exceed \$20,000. In the event that not all 54902
counties in the state have established a county council, at the 54903
beginning of the fourth quarter of a fiscal year, any remaining 54904
funds to be used as administrative grants may be redirected by the 54905
Family and Children First Cabinet Council to other priorities and 54906
activities. Up to \$15,000 of the \$1,775,000 in each fiscal year 54907
shall be used by the Family and Children First Cabinet Council for 54908

participating in approved activities of the initiative, 54910
educational and informational forums, and technical assistance to 54911

centers in school districts where there is a concentration of risk 54916
factors to school readiness and success, including indicators of 54917
poverty, health, and family stability. The purpose of these 54918
centers is to assist in providing services to families of 54919
school-age children who want and need support. 54920

School readiness resource centers shall be located in each of 54921
the state's 21 urban school districts as defined in division (O) 54922
of section 3317.02 of the Revised Code, as that section existed 54923
prior to July 1, 1998. The Ohio Family and Children First Cabinet 54924
Council, in consultation with the Department of Education and 54925

school districts, shall identify individual schools based on 54926
quantitative and qualitative factors that reflect both the need 54927
for school readiness resource centers and the local capacity for 54928
redesigning, as necessary, a delivery system of family support 54929
services. The council and the Department of Education shall 54930
organize and provide technical assistance to the school districts 54931
and communities in planning, developing, and implementing the 54932
centers. The council shall also negotiate a performance agreement 54933
that details required program characteristics, service options, 54934
and expected results. 54935

Each urban school district and community may receive up to 54936
\$240,000 to maintain three school readiness resource centers that 54937
are located in or linked to elementary, middle, and high school 54938
sites that are connected by student assignment patterns within the 54939
school districts. Each school district shall work with a 54940
representative of the local family and children first council and 54941
a representative cross-section of families and community leaders 54942
in the district to operate the school readiness resource centers 54943
based upon conditions agreed to in the performance agreement 54944
negotiated with the cabinet council. 54945

Up to \$50,000 in each fiscal year may be used by the Ohio 54946
Family and Children First Cabinet Council for an evaluation of the 54947
effectiveness of the school readiness resource centers. Up to 54948
\$100,000 in each fiscal year may be used by the cabinet council to 54949
approve technical assistance and oversee the implementation of the 54950
centers. The administration and management of the school readiness 54951
resource centers may be contracted out through a competitive 54952
bidding process established by the cabinet council in consultation 54953
with the Department of Education. 54954

The foregoing appropriation item 200-420, Technical Systems 54961
Development, shall be used to support the development and 54962
implementation of information technology solutions designed to 54963
improve the performance and customer service of the Department of 54964
Education. Funds may be used for personnel, maintenance, and 54965
equipment costs related to the development and implementation of 54966
these technical system projects. Implementation of these systems 54967
shall allow the department to provide greater levels of assistance 54968
to school districts and to provide more timely information to the 54969
public, including school districts, administrators, and 54970
legislators. 54971

ALTERNATIVE EDUCATION PROGRAMS 54972

There is hereby created the Alternative Education Advisory 54973
Council, which shall consist of one representative from each of 54974
the following agencies: the Ohio Department of Education; the 54975
Department of Youth Services; the Ohio Department of Alcohol and 54976
Drug Addiction Services; the Department of Mental Health; the 54977
Office of the Governor or, at the Governor's discretion, the 54978
Office of the Lieutenant Governor; and the Office of the Attorney 54979
General. 54980

Of the foregoing appropriation item 200-421, Alternative 54981
Education Programs, not less than \$9,253,031 in each fiscal year 54982
shall be used for the renewal of successful implementation grants 54983
and for competitive matching grants to the 21 urban school 54984
districts as defined in division (O) of section 3317.02 of the 54985
Revised Code as it existed prior to July 1, 1998, and not less 54986
than \$9,253,031 in each fiscal year shall be used for the renewal 54987

alternative educational programs for existing and new at-risk and 54990
delinquent youth. Programs shall be focused on youth in one or 54991
more of the following categories: those who have been expelled or 54992
suspended, those who have dropped out of school or who are at risk 54993
of dropping out of school, those who are habitually truant or 54994
disruptive, or those on probation or on parole from a Department 54995
of Youth Services facility. Grants shall be awarded according to 54996
the criteria established by the Alternative Education Advisory 54997
Council in 1999. Grants shall be awarded only to programs where 54998
the grant would not serve as the program's primary source of 54999
funding. These grants shall be administered by the Department of 55000
Education. Of the set-aside for the 21 urban school districts, 55001
\$1,000,000 in each fiscal year shall be used for programs where 55002
the minimum length of each student's assignment is 90 days in 55003
length. 55004

The Department of Education may waive compliance with any 55005
minimum education standard established under section 3301.07 of 55006
the Revised Code for any alternative school that receives a grant 55007
under this section on the grounds that the waiver will enable the 55008
program to more effectively educate students enrolled in the 55009
alternative school. 55010

Of the foregoing appropriation item 200-421, Alternative 55011
Education Programs, up to \$480,552 in each fiscal year may be used 55012
for program administration, monitoring, technical assistance, 55013
support, research, and evaluation. Any unexpended balance may be 55014
used to provide additional matching grants to urban, suburban, or 55015
rural school districts as outlined above. 55016

Of the foregoing appropriation item 200-421, Alternative 55017
Education Programs, \$313,386 in each fiscal year shall be used to 55018
contract with the Center for Learning Excellence at The Ohio State 55019

University to provide technical support for the project and the 55020
completion of formative and summative evaluation of the grants. 55021

Of the foregoing appropriation item 200-421, Alternative 55022
Education Programs, up to \$700,000 in each fiscal year shall be 55023
used to support Amer-I-Can. Of this set aside, no funds shall be 55024
disbursed without approval of the Controlling Board. Amer-I-Can 55025
programs shall submit to the Controlling Board a biennial spending 55026
plan that delineates how these funds will be spent. Amer-I-can 55027
programs also shall demonstrate to the Controlling Board that they 55028
have hired an independent evaluator and have selected valid and 55029
reliable instruments to assess pre and post changes in student 55030
behavior. 55031

SCHOOL MANAGEMENT ASSISTANCE 55032

Of the foregoing appropriation item 200-422, School 55033
Management Assistance, \$700,000 in fiscal year 2002 and \$400,000 55034
in fiscal year 2003 shall be used by the Auditor of State for 55035
expenses incurred in the Auditor of State's role relating to 55036
fiscal caution activities as defined in Chapter 3316. of the 55037
Revised Code. Expenses include duties related to the completion of 55038
performance audits for school districts that the Superintendent of 55039
Public Instruction determines are employing fiscal practices or 55040
experiencing budgetary conditions that could produce a state of 55041
fiscal watch or fiscal emergency. 55042

The remainder of foregoing appropriation item 200-422, School 55043
Management Assistance, shall be used by the Department of 55044
Education to provide fiscal technical assistance and inservice 55045
education for school district management personnel and to 55046
administer, monitor, and implement the fiscal watch and fiscal 55047
emergency provisions under Chapter 3316. of the Revised Code. 55048

of administrative, statistical, and legislative education 55052
information to be used for policy analysis. Staff supported by 55053
this appropriation shall administer the development of reports, 55054
analyses, and briefings to inform education policymakers of 55055
current trends in education practice, efficient and effective use 55056
of resources, and evaluation of programs to improve education 55057
results. The database shall be kept current at all times. These 55058
research efforts shall be used to supply information and analysis 55059
of data to the General Assembly and other state policymakers, 55060
including the Office of Budget and Management and the Legislative 55061
Service Commission. 55062

The Department of Education may use funding from this 55063
appropriation item to purchase or contract for the development of 55064
software systems or contract for policy studies that will assist 55065
in the provision and analysis of policy-related information. 55066
Funding from this appropriation item also may be used to monitor 55067
and enhance quality assurance for research-based policy analysis 55068
and program evaluation to enhance the effective use of education 55069
information to inform education policymakers. 55070

TECH PREP ADMINISTRATION 55071

The foregoing appropriation item 200-425, Tech Prep 55072

The treasurer of each school district or educational service 56322
center may accrue, in addition to the payments defined in this 56323
section, to the accounts of the calendar years that end during 56324
each fiscal year, the difference between the sum of the first six 56325
months' payments in each fiscal year and the amounts the district 56326
would have received had the payments been made in, as nearly as 56327
possible in each fiscal year, twelve equal monthly payments. 56328

Notwithstanding the limitations on the amount of borrowing 56329
and time of payment provided for in section 133.10 of the Revised 56330
Code but subject to sections 133.26 and 133.30 of the Revised 56331
Code, a board of education of a school district may at any time 56332
between July 1, 2001, and December 31, 2001, or at any time 56333
between July 1, 2002, and December 31, 2002, borrow money to pay 56334
any necessary and actual expenses of the school district during 56335
the last six months of calendar years 2001 and 2002 and in 56336
anticipation of the receipt of any portion of the payments to be 56337
received by that district in the first six months of calendar 56338
years 2002 and 2003 representing the respective amounts accrued 56339
pursuant to the preceding paragraph, and issue notes to evidence 56340
that borrowing to mature no later than the thirtieth day of June 56341
of the calendar year following the calendar year in which such 56342
amount was borrowed. The principal amount borrowed in the last six 56343
months of calendar years 2001 or 2002 under this paragraph may not 56344
exceed the entire amount accrued or to be accrued by the district 56345
treasurer in those calendar years pursuant to the preceding 56346
paragraph. The proceeds of the notes shall be used only for the 56347
purposes for which the anticipated receipts are lawfully 56348
appropriated by the board of education. No board of education 56349

shall be required to use the authority granted by this paragraph. 56350
The receipts so anticipated, and additional amounts from 56351
distributions to the districts in the first six months of calendar 56352
years 2002 and 2003 pursuant to Chapter 3317. of the Revised Code 56353
needed to pay the interest on the notes, shall be deemed 56354
appropriated by the board of education to the extent necessary for 56355
the payment of the principal of and interest on the notes at 56356
maturity, and the amounts necessary to make those monthly 56357
distributions are appropriated from the General Revenue Fund. For 56358
the purpose of better ensuring the prompt payment of principal of 56359
and interest on the notes when due, the resolution of the board of 56360
education authorizing the notes may direct that the amount of the 56361
receipts anticipated, together with those additional amounts 56362
needed to pay the interest on the borrowed amounts, shall be 56363
deposited and segregated, in trust or otherwise, to the extent, at 56364
the time or times, and in the manner provided in that resolution. 56365
The borrowing authorized by this section does not constitute debt 56366
for purposes of section 133.04 of the Revised Code. School 56367
districts shall be reimbursed by the state for all necessary and 56368
actual costs to districts arising from this provision, including, 56369
without limitation, the interest paid on the notes while the notes 56370
are outstanding. The Department of Education shall adopt rules 56371
that are not inconsistent with this section for school district 56372
eligibility and application for reimbursement of such costs. 56373
Payments of these costs shall be made out of any anticipated 56374
balances in appropriation items distributed under Chapter 3317. of 56375
the Revised Code. The department shall submit all requests for 56376
reimbursement under these provisions to the Controlling Board for 56377
approval. 56378

During the last six months of each calendar year, instead of 56379
deducting the amount the Superintendent of Public Instruction 56380
would otherwise deduct from a school district's or educational 56381

service center's state aid payments in accordance with the 56382
certifications made for such year pursuant to sections 3307.56 and 56383
3309.51 of the Revised Code, the superintendent shall deduct an 56384
amount equal to forty per cent of the amount so certified. The 56385
secretaries of the retirement systems shall compute the 56386
certifications for the ensuing year under such sections as if the 56387
entire amounts certified as due in the calendar year ending the 56388
current fiscal year, but not deducted pursuant to this paragraph, 56389
had been deducted and paid in that calendar year. During the first 56390
six months of the ensuing calendar year, in addition to deducting 56391
the amounts the Superintendent of Public Instruction is required 56392
to deduct under such sections during such period, the 56393
superintendent shall deduct from a district's or educational 56394
service center's state aid payments an additional amount equal to 56395
the amount that was certified as due from the district for the 56396
calendar year that ends during the fiscal year, but that was not 56397
deducted because of this paragraph. The superintendent's 56398
certifications to the Director of Budget and Management during the 56399
first six months of the calendar year shall reflect such 56400
additional deduction. 56401

Section 44.26. REALLOCATION OF FUNDS 56402

(A) As used in this section: 56403

(1) "Basic aid" means the amount calculated for the school 56404
district received for the fiscal year under divisions (A) and (C) 56405
of section 3317.022 and sections 3317.023, 3317.025 to 3317.029, 56406
3317.0212, and 3317.0213 of the Revised Code and the amount 56407
computed for a joint vocational school district under section 56408
3317.16 of the Revised Code. 56409

(2) "Nonbasic aid" means the amount computed for a school 56410
district for fiscal year 2002 or fiscal year 2003 under Chapter 56411
3317. of the Revised Code and this act, excluding the district's 56412

basic aid and the amount computed under such chapter and acts for 56413
educational service centers, MR/DD boards, and institutions. 56414

(B) If in either fiscal year of the biennium the Governor 56415
issues an order under section 126.05 of the Revised Code to reduce 56416
expenditures and incurred obligations and the order requires the 56417
superintendent to reduce such state education payments, or if 56418
lottery profits transfers are insufficient to meet the amounts 56419
appropriated from the Lottery Profits Education Fund for base cost 56420
funding, and if other funds are not sufficient to offset the 56421
shortfall, the superintendent shall reduce nonbasic aid payments 56422
so that the total amount expended in the fiscal year will not 56423
exceed the amount available for expenditure pursuant to the 56424
Governor's order. Subject to Controlling Board approval, the 56425
superintendent shall reallocate appropriations not yet expended 56426
from one program to another. 56427

(C)(1) If further reductions in nonbasic aid are necessary 56428
following the reallocations implemented pursuant to division (B) 56429
of this section, the superintendent shall request the Controlling 56430
Board to approve the use of the money appropriated by this 56431
division. The superintendent shall include with the 56432
superintendent's request a report listing the amount of reductions 56433
that each school district will receive if the request is not 56434
approved, and also the amount of the reduction, if any, that will 56435
still be required if the use of the money appropriated by this 56436
section is approved. 56437

(2) In accordance with division (C)(1) of this section, there 56438
is appropriated to the Department of Education from the 56439
unobligated balance remaining in the Lottery Profits Education 56440
Fund at the end of fiscal year 2001 the lesser of: the unobligated 56441
balance in the fund, or the amount needed to preclude a 56442
reallocation pursuant to this section. The money appropriated by 56443
this division may be spent or distributed by the department only 56444

with the approval of the Controlling Board. 56445

(D) If reductions in nonbasic aid are still necessary 56446
following the actions taken pursuant to divisions (B) and (C) of 56447
this section, the superintendent shall determine by what 56448
percentage expenditures for nonbasic aid must be reduced for the 56449
remainder of the fiscal year to make the total amount distributed 56450
for the year equal the amount appropriated or available for 56451
distribution. The superintendent shall reduce by that percentage 56452
the amount to be paid in nonbasic aid to each city, exempted 56453
village, local, and joint vocational school district, to each 56454
educational service center, to each county board of mental 56455
retardation and developmental disabilities, and to each 56456
institution providing special education programs under section 56457
3323.091 of the Revised Code for the remainder of the fiscal year. 56458

Section 44.27. EDUCATIONAL SERVICE CENTERS FUNDING 56459

Notwithstanding division (B) of section 3317.11 of the 56460
Revised Code, no funds shall be provided to an educational service 56461
center in either fiscal year for any pupils of a city or exempted 56462
village school district unless an agreement to provide services 56463
under section 3313.843 of the Revised Code was entered into by 56464
January 1, 1997, except that funds shall be provided to an 56465
educational service center for any pupils of a city school 56466
district if the agreement to provide services was entered into 56467
within one year of the date upon which such district changed from 56468
a local school district to a city school district. If insufficient 56469
funds are appropriated in fiscal year 2002 or fiscal year 2003 for 56470
the purposes of division (B) of section 3317.11 of the Revised 56471
Code, the department shall first distribute to each educational 56472
service center \$37 per pupil in its service center ADM, as defined 56473
in that section. The remaining funds in each fiscal year shall be 56474
distributed proportionally, on a per-student basis, to each 56475

educational service center for its client ADM, as defined in that 56476
section, that is attributable to each city and exempted village 56477
school district that had entered into an agreement with an 56478
educational service center for that fiscal year under section 56479
3313.843 of the Revised Code by January 1, 1997. 56480

Section 44.28. The State Board of Education shall adopt rules 56481
in accordance with section 119.03 of the Revised Code establishing 56482
a method for school districts to report their spending for special 56483
education and related services. Not later than February 1, 2002, 56484
the State Board shall file the rules in proposed form in 56485
accordance with section 119.03 of the Revised Code. The State 56486
Board shall make every effort to file the rules in final form so 56487
that they apply first in fiscal year 2003. 56488

Section 44.29. The Legislative Office of Education Oversight 56489
shall conduct a statistical sampling of individualized education 56490
programs developed for handicapped children under Chapter 3323. of 56491
the Revised Code to determine the following: 56492

(A) The extent to which school districts provide, and 56493
handicapped children utilize, all of the following: 56494

(1) Attendant services; 56495

(2) Vocational special education coordinator services; 56496

(3) Work-study services. 56497

(B) The handicaps that school districts identify as "other 56498
health handicaps" and the services that school districts provide 56499
to children identified as having "other health handicaps"; 56500

(C) How school districts currently serve children identified 56501
as having learning disabilities. 56502

The Office shall report its findings and any recommendations 56503
to the General Assembly no later than January 1, 2003. 56504

Section 44.30. * For the school year commencing July 1, 2001, 56505
or the school year commencing July 1, 2002, or both, the 56506
Superintendent of Public Instruction may waive for the board of 56507
education of any school district the ratio of teachers to pupils 56508
in kindergarten through fourth grade required under paragraph 56509
(A)(3) of rule 3301-35-03 of the Administrative Code if the 56510
following conditions apply: 56511

(A) The board of education requests the waiver. 56512

(B) After the Department of Education conducts an on-site 56513
evaluation of the district related to meeting the required ratio, 56514
the board of education demonstrates to the satisfaction of the 56515
Superintendent of Public Instruction that providing the facilities 56516
necessary to meet the required ratio during the district's regular 56517
school hours with pupils in attendance would impose an extreme 56518
hardship on the district. 56519

(C) The board of education provides assurances that are 56520
satisfactory to the Superintendent of Public Instruction that the 56521
board will act in good faith to meet the required ratio as soon as 56522
possible. 56523

Section 44.31. PRIVATE TREATMENT FACILITY PILOT PROJECT 56524

(A) As used in this section: 56525

(1) The following are "participating residential treatment 56526
centers": 56527

(a) Private residential treatment facilities that have 56528
entered into a contract with the Department of Youth Services to 56529
provide services to children placed at the facility by the 56530
department and which, in fiscal year 2002 or 2003 or both, the 56531
department pays through appropriation item 470-401, Care and 56532
Custody; 56533

(b) Abraxas, in Shelby;	56534
(c) Paint Creek, in Bainbridge;	56535
(d) Act One, in Akron;	56536
(e) Friars Club, in Cincinnati.	56537
(2) "Education program" means an elementary or secondary education program or a special education program and related services.	56538 56539 56540
(3) "Served child" means any child receiving an education program pursuant to division (B) of this section.	56541 56542
(4) "School district responsible for tuition" means a city, exempted village, or local school district that, if tuition payment for a child by a school district is required under law that existed in fiscal year 1998, is the school district required to pay that tuition.	56543 56544 56545 56546 56547
(5) "Residential child" means a child who resides in a participating residential treatment center and who is receiving an educational program under division (B) of this section.	56548 56549 56550
(B) A youth who is a resident of the state and has been assigned by a juvenile court or other authorized agency to a residential treatment facility specified in division (A) of this section shall be enrolled in an approved educational program located in or near the facility. Approval of the educational program shall be contingent upon compliance with the criteria established for such programs by the Department of Education. The educational program shall be provided by a school district or educational service center, or by the residential facility itself. Maximum flexibility shall be given to the residential treatment facility to determine the provider. In the event that a voluntary agreement cannot be reached and the residential facility does not choose to provide the educational program, the educational service	56551 56552 56553 56554 56555 56556 56557 56558 56559 56560 56561 56562 56563

center in the county in which the facility is located shall 56564
provide the educational program at the treatment center to 56565
children under twenty-two years of age residing in the treatment 56566
center. 56567

(C) Any school district responsible for tuition for a 56568
residential child shall, notwithstanding any conflicting provision 56569
of the Revised Code regarding tuition payment, pay tuition for the 56570
child for fiscal years 2002 and 2003 to the education program 56571
provider and in the amount specified in this division. If there is 56572
no school district responsible for tuition for a residential child 56573
and if the participating residential treatment center to which the 56574
child is assigned is located in the city, exempted village, or 56575
local school district that, if the child were not a resident of 56576
that treatment center, would be the school district where the 56577
child is entitled to attend school under sections 3313.64 and 56578
3313.65 of the Revised Code, that school district shall, 56579
notwithstanding any conflicting provision of the Revised Code, pay 56580
tuition for the child for fiscal years 2002 and 2003 under this 56581
division unless that school district is providing the educational 56582
program to the child under division (B) of this section. 56583
56584

A tuition payment under this division shall be made to the 56585
school district, educational service center, or residential 56586
treatment facility providing the educational program to the child. 56587

The amount of tuition paid shall be: 56588

(1) The amount of tuition determined for the district under 56589
division (A) of section 3317.08 of the Revised Code; 56590

(2) In addition, for any student receiving special education 56591
pursuant to an individualized education program as defined in 56592
section 3323.01 of the Revised Code, a payment for excess costs. 56593
This payment shall equal the actual cost to the school district, 56594

educational service center, or residential treatment facility of 56595
providing special education and related services to the student 56596
pursuant to the student's individualized education program, minus 56597
the tuition paid for the child under division (C)(1) of this 56598
section. 56599

A school district paying tuition under this division shall 56600
not include the child for whom tuition is paid in the district's 56601
average daily membership certified under division (A) of section 56602
3317.03 of the Revised Code. 56603

(D) In each of fiscal years 2002 and 2003, the Department of 56604
Education shall reimburse, from appropriations made for the 56605
purpose, a school district, educational service center, or 56606
residential treatment facility, whichever is providing the 56607
service, that has demonstrated that it is in compliance with the 56608
funding criteria for each served child for whom a school district 56609
must pay tuition under division (C) of this section. The amount of 56610
the reimbursement in either fiscal year shall be the formula 56611
amount specified in section 3317.022 of the Revised Code, except 56612
that the department shall proportionately reduce this 56613
reimbursement if sufficient funds are not available to pay this 56614
amount to all qualified providers. 56615

(E) Funds provided to a school district, educational service 56616
center, or residential treatment facility under this section shall 56617
be used to supplement, not supplant, funds from other public 56618
sources for which the school district, service center, or 56619
residential treatment facility is entitled or eligible. 56620

(F) The Department of Education shall track the utilization 56621
of funds provided to school districts, educational service 56622
centers, and residential treatment facilities under this section 56623
and monitor the effect of the funding on the educational programs 56624
they provide in participating residential treatment facilities. 56625
The department shall monitor the programs for educational 56626

accountability. 56627

Section 44.32. SCHOOL DISTRICT PARTICIPATION IN NATIONAL 56628
ASSESSMENT OF EDUCATION PROGRESS 56629

The General Assembly intends for the Superintendent of Public 56630
Instruction to provide for school district participation in the 56631
administration of the National Assessment of Education Progress in 56632
fiscal years 2002 and 2003 in accordance with section 3301.27 of 56633
the Revised Code. 56634

Section 44.33. Notwithstanding Chapter 3318. of the Revised 56635
Code, for purposes of complying with the local share and repayment 56636
tax requirements of section 3318.05 of the Revised Code, any 56637
school district given conditional approval for classroom 56638
facilities assistance under section 3318.04 of the Revised Code as 56639
of January 1, 1993, that approved a replacement permanent 56640
improvement levy at the November 5, 1996, election shall be 56641
permitted to use the proceeds of such levy, and any notes issued 56642
or to be issued in anticipation thereof, as available funds, 56643
within the meaning specified under section 3318.03 of the Revised 56644
Code, to pay the local share of the cost of the approved classroom 56645
facilities project. Notwithstanding the local share as previously 56646
determined for purposes of the conditional approval of the 56647
project, the local share shall be equal to the amount of proceeds 56648
to be obtained by the district under such replacement permanent 56649
improvement levy. Such school districts shall not be required to 56650
obtain approval of either of the propositions described in 56651
division (A) or (B) of section 3318.051 of the Revised Code. The 56652
agreement required under section 3318.08 of the Revised Code for 56653
the construction and sale of the project shall include provisions 56654
for the transfer of the proceeds of the replacement permanent 56655
improvement levy, and any notes issued in anticipation thereof, to 56656
the school district's project construction account, and for the 56657

levy of the replacement permanent improvement levy. 56658

Section 44.34. The Superintendent of Public Instruction shall 56659
contract with an independent research entity to evaluate the pilot 56660
project approved pursuant to section 3313.975 of the Revised Code. 56661
The evaluation shall study the impact of scholarships on student 56662
attendance, conduct, commitment to education, and standardized 56663
test scores; parental involvement; the school district's ability 56664
to provide services to district students; and the availability of 56665
alternative educational opportunities. The evaluation shall also 56666
study the economic impact of scholarships on the school district. 56667
56668

Section 44.35. Notwithstanding division (C)(1) of section 56669
3313.975 of the Revised Code, in addition to students in 56670
kindergarten through third grade, initial scholarships may be 56671
awarded to fourth, fifth, sixth, seventh, and eighth grade 56672
students in fiscal year 2002 and in fiscal year 2003. 56673

Section 44.36. (A) As used in this section, "pilot project 56674
area" means the school districts included in the territory of the 56675
former community school pilot project established by former 56676
Section 50.52 of Am. Sub. H.B. 215 of the 122nd General Assembly. 56677

(B) Any teacher or nonteaching employee of a school district 56678
in the pilot project area who, on the effective date of this 56679
section, is taking a leave of absence from the district pursuant 56680
to a policy adopted under former Section 50.52.13 of that act to 56681
work at a community school established under the pilot project and 56682
located in another school district may continue the leave under 56683
the terms of that policy and former section. Upon termination of 56684
the leave, the district shall return the teacher or nonteaching 56685
employee to a position, salary, and level of seniority as required 56686

by that former section. 56687

Section 44.37. As required by Section 50.52.2 of Am. Sub. 56688
H.B. 215 of the 122nd General Assembly, as subsequently amended, 56689
the Legislative Office of Education Oversight shall complete, by 56690
June 1, 2003, its final report on community schools with 56691
recommendations as to the future of community schools in Ohio. 56692
Copies of the report shall be delivered to the President of the 56693
Senate and the Speaker of the House of Representatives. 56694

Section 44.38. STATEMENT OF STATE SHARE PERCENTAGE FOR BASE 56695
COST AND PARITY AID FUNDING 56696

Pursuant to division (D)(3) of section 3317.012 of the 56697
Revised Code, and based on the most recent data available prior to 56698
the enactment of this act, the General Assembly has determined 56699
that the state share percentage of base cost and parity aid 56700
funding for the update year (fiscal year 2002) is 49.0%. This is 56701
the target percentage for fiscal years 2003 through 2007 that the 56702
General Assembly shall use to fulfill its obligation under 56703
division (D)(4) of section 3317.012 of the Revised Code. 56704

Pursuant to division (D)(4) of section 3317.012 of the 56705
Revised Code, and based on the most recent data available prior to 56706
the enactment of this act, the General Assembly has determined 56707
that the state share percentage of base cost and parity aid 56708
funding for fiscal year 2003 is 49.4%. This determination fulfills 56709
the General Assembly's obligation under that division for fiscal 56710
year 2003. 56711

payments for services provided during fiscal year 2002 or 2003, 58752
the Department shall pay a nursing facility or intermediate care 58753

Section 93.01. STATE SHARE OF INSTRUCTION 60589

As soon as practicable during each fiscal year of the 60590
 2001-2003 biennium in accordance with instructions of the Board of 60591
 Regents, each state-assisted institution of higher education shall 60592
 report its actual enrollment to the Board of Regents. 60593

The Board of Regents shall establish procedures required by 60594
 the system of formulas set out below and for the assignment of 60595
 individual institutions to categories described in the formulas. 60596
 The system of formulas establishes the manner in which aggregate 60597
 expenditure requirements shall be determined for each of the three 60598
 components of institutional operations. In addition to other 60599
 adjustments and calculations described below, the subsidy 60600
 entitlement of an institution shall be determined by subtracting 60601
 from the institution's aggregate expenditure requirements income 60602
 to be derived from the local contributions assumed in calculating 60603
 the subsidy entitlements. The local contributions for purposes of 60604

determining subsidy support shall not limit the authority of the individual boards of trustees to establish fee levels. 60605
60606

The General Studies and Technical models shall be adjusted by the Board of Regents so that the share of state subsidy earned by those models is not altered by changes in the overall local share. A lower-division fee differential shall be used to maintain the relationship that would have occurred between these models and the baccalaureate models had an assumed share of thirty-seven per cent been funded. 60607
60608
60609
60610
60611
60612
60613

In defining the number of full-time equivalent (FTE) students for state subsidy purposes, the Board of Regents shall exclude all undergraduate students who are not residents of Ohio, except those charged in-state fees in accordance with reciprocity agreements made pursuant to section 3333.17 or employer contracts entered into pursuant to section 3333.32 of the Revised Code. 60614

on a part-time basis. 60640

(B) PLANT OPERATION AND MAINTENANCE (POM) 60655

(1) DETERMINATION OF THE SQUARE-FOOT-BASED POM SUBSIDY 60656

Space undergoing renovation shall be funded at the rate 60657
allowed for storage space. 60658

In the calculation of square footage for each campus, square 60659
footage shall be weighted to reflect differences in space 60660
utilization. 60661

The space inventories for each campus shall be those 60662
determined in the fiscal year 1999 instructional subsidy, adjusted 60663
for changes attributable to the construction or renovation of 60664
facilities for which state appropriations were made or local 60665
commitments were made prior to January 1, 1995. 60666

Only 50 per cent of the space permanently taken out of operation in fiscal year 2002 or fiscal year 2003 that is not otherwise replaced by a campus shall be deleted from the fiscal year 1997 inventory.

The square-foot-based plant operation and maintenance subsidy for each campus shall be determined as follows:

(a) For each standard room type category shown below, the subsidy-eligible net assignable square feet (NASF) for each campus shall be multiplied by the following rates, and the amounts summed for each campus to determine the total gross square-foot-based POM expenditure requirement:

	FY 2002	FY 2003	
Classrooms	\$5.33	\$5.56	
Laboratories	\$6.65	\$6.93	
Offices	\$5.33	\$5.56	
Audio Visual Data Processing	\$6.65	\$6.93	
Storage	\$2.36	\$2.46	
Circulation	\$6.73	\$7.01	
Other	\$5.33	\$5.56	

(b) The total gross square-foot POM expenditure requirement shall be allocated to models in proportion to FTE enrollments as reported in enrollment data for all models except Doctoral I and Doctoral II.

(c) The amounts allocated to models in division (B)(1)(b) of this section shall be multiplied by the ratio of subsidy-eligible FTE students to total FTE students reported in each model, and the amounts summed for all models. To this total amount shall be added an amount to support roads and grounds expenditures to produce the total square-foot-based POM subsidy.

(2) DETERMINATION OF THE ACTIVITY-BASED POM SUBSIDY

(a) The number of subsidy-eligible FTE students in each model

shall be multiplied by the following rates for each campus for			60699
each fiscal year.			60700
	FY 2002	FY 2003	60701
General Studies I	\$ 537	\$ 543	60702
General Studies II	\$ 669	\$ 686	60703
General Studies III	\$1,424	\$1,565	60704
Technical I	\$ 649	\$ 750	60705
Technical II	\$1,315	\$1,436	60706
Baccalaureate I	\$ 671	\$ 692	60707
Baccalaureate II	\$1,175	\$1,263	60708
Baccalaureate III	\$1,606	\$1,674	60709
Masters and Professional I	\$1,138	\$1,217	60710
Masters and Professional II	\$2,447	\$2,928	60711
Masters and Professional III	\$3,363	\$3,932	60712
Medical I	\$2,568	\$2,653	60713
Medical II	\$3,470	\$3,581	60714
Blended MPD I	\$1,135	\$1,192	60715

(b) The sum of the products for each campus determined in 60716
division (B)(2)(a) of this section for all models except Doctoral 60717
I and Doctoral II for each fiscal year shall be weighted by a 60718
factor to reflect sponsored research activity and job 60719
training-related public services expenditures to determine the 60720
total activity-based POM subsidy. 60721

(C) CALCULATION OF CORE SUBSIDY ENTITLEMENTS AND ADJUSTMENTS 60722

(1) CALCULATION OF CORE SUBSIDY ENTITLEMENTS 60723

The calculation of the core subsidy entitlement shall consist 60724
of the following components: 60725

(a) For each campus and for each fiscal year, the core 60726
subsidy entitlement shall be determined by multiplying the amounts 60727
listed above in divisions (A)(1) and (2) and (B)(2) of this 60728
section less assumed local contributions, by (i) average 60729

subsidy-eligible FTEs for the two-year period ending in the prior 60730
year for all models except Doctoral I and Doctoral II; and (ii) 60731
average subsidy-eligible FTEs for the five-year period ending in 60732
the prior year for all models except Doctoral I and Doctoral II. 60733

(b) In calculating the core subsidy entitlements for Medical 60734
II models only, the Board of Regents shall use the following count 60735
of FTE students in place of the two-year average and five-year 60736
average of subsidy-eligible students: 60737

(i) For those medical schools whose current year enrollment 60738
is below the base enrollment, the Medical II FTE enrollment shall 60739
equal: 65 per cent of the base enrollment plus 35 per cent of the 60740
current year enrollment, where the base enrollment is: 60741

The Ohio State University	1010	60742
University of Cincinnati	833	60743
Medical College of Ohio at Toledo	650	60744
Wright State University	433	60745
Ohio University	433	60746
Northeastern Ohio Universities	433	60747
College of Medicine		

(ii) For those medical schools whose current year enrollment 60748
is equal to or greater than the base enrollment, the Medical II 60749
FTE enrollment shall equal the current enrollment. 60750

(c) For all FTE-based subsidy calculations involving 60751
annualized FTE data, FTE-based allowances shall be converted from 60752
annualized to all-terms rates to ensure equity and consistency of 60753
subsidy determination. 60754

(d) The Board of Regents shall compute the sum of the two 60755
calculations listed in division (C)(1)(a) of this section and use 60756
the greater sum as the core subsidy entitlement. 60757

The POM subsidy for each campus shall equal the greater of 60758
the square-foot-based subsidy or the activity-based POM subsidy 60759

component of the core subsidy entitlement.

60760

(e) The state share of instruction provided for doctoral students shall be based on a fixed percentage of the total appropriation. In each fiscal year of the biennium not more than 10.34 per cent of the total state share of instruction shall be reserved to implement the recommendations of the Graduate Funding Commission. It is the intent of the General Assembly that the doctoral reserve be reduced each year thereafter until no more than 10.0 per cent of the total state share of instruction is reserved to implement the recommendations of the Graduate Funding Commission. The Board of Regents shall reallocate 2 per cent in each fiscal year of the biennium of the reserve among the state-assisted universities on the basis of a quality review as specified in the recommendations of the Graduate Funding Commission.

The amount so reserved shall be allocated to universities in proportion to their share of the total number of Doctoral I equivalent FTEs as calculated on an institutional basis using the greater of the two-year or five-year FTEs for the period fiscal year 1994 through fiscal year 1998 with annualized FTEs for fiscal years 1994 through 1997 and all-term FTEs for fiscal year 1998 as adjusted to reflect the effects of doctoral review. For the purposes of this calculation, Doctoral I equivalent FTEs shall equal the sum of Doctoral I FTEs plus 1.5 times the sum of Doctoral II FTEs.

(2) ANNUAL HOLD HARMLESS PROVISION

60785

In addition to and after the other adjustment noted above, in fiscal year 2002 each campus shall have its state share of instruction adjusted to the extent necessary to provide an amount that is not less than 100 per cent of the state share of instruction received by the campus in fiscal year 2001. In fiscal year 2003, each campus shall have its state share of instruction

60787
60788
60789
60790
60791

adjusted to the extent necessary to provide an amount that is not 60792
less than 100 per cent of the state share of instruction received 60793
by the campus in fiscal year 2002. 60794

(3) CAPITAL COMPONENT DEDUCTION 60795

After all other adjustments have been made, instructional 60796
subsidy earnings shall be reduced for each campus by the amount, 60797
if any, by which debt service charged in Am. H.B. No. 748 of the 60798
121st General Assembly, Am. Sub. H.B. No. 850 of the 122nd General 60799
Assembly, and Am. H.B. No. 640 of the 123rd General Assembly for 60800
that campus exceeds that campus's capital component earnings. 60801

(D) REDUCTIONS IN EARNINGS 60802

If the total state share of instruction earnings in any 60803
fiscal year exceed the total appropriations available for such 60804
purposes, the Board of Regents shall proportionately reduce the 60805
state share of instruction earnings for all campuses by a uniform 60806
percentage so that the systemwide sum equals available 60807
appropriations. 60808

(E) EXCEPTIONAL CIRCUMSTANCES 60809

Adjustments may be made to the state share of instruction 60810
payments and other subsidies distributed by the Board of Regents 60811
to state-assisted colleges and universities for exceptional 60812
circumstances. No adjustments for exceptional circumstances may be 60813
made without the recommendation of the Chancellor and the approval 60814
of the Controlling Board. 60815

DISTRIBUTION OF STATE SHARE OF INSTRUCTION 60816

The state share of instruction payments to the institutions 60817
shall be in substantially equal monthly amounts during the fiscal 60818
year, unless otherwise determined by the Director of Budget and 60819
Management pursuant to section 126.09 of the Revised Code. 60820
Payments during the first six months of the fiscal year shall be 60821

based upon the state share of instruction appropriation estimates 60822
made for the various institutions of higher education according to 60823
Board of Regents enrollment estimates. Payments during the last 60824
six months of the fiscal year shall be distributed after approval 60825
of the Controlling Board upon the request of the Board of Regents. 60826
60827

LAW SCHOOL SUBSIDY 60828

The state share of instruction to state-supported 60829
universities for students enrolled in law schools in fiscal year 60830
2002 and fiscal year 2003 shall be calculated by using the number 60831
of subsidy-eligible FTE law school students funded by state 60832
subsidy in fiscal year 1995 or the actual number of 60833
subsidy-eligible FTE law school students at the institution in the 60834
fiscal year, whichever is less. 60835

Section 93.02. MISSION-BASED CORE FUNDING FOR HIGHER 60836
EDUCATION 60837

JOBS CHALLENGE 60838

Funds appropriated to appropriation item 235-415, Jobs 60839
Challenge, shall be distributed to state-assisted community and 60840
technical colleges, regional campuses of state-assisted 60841
universities, and other organizationally distinct and identifiable 60842
member campuses of the EnterpriseOhio Network in support of 60843
noncredit job-related training. In fiscal years 2002 and 2003, 60844
\$2,114,673 and \$1,981,841, respectively, shall be distributed as 60845
performance grants to EnterpriseOhio Network campuses based upon 60846
each campus's documented performance according to criteria 60847
established by the Board of Regents for increasing training and 60848
related services to businesses, industries, and public sector 60849
organizations. 60850

Of the foregoing appropriation item 235-415, Jobs Challenge, 60851
\$3,130,087 in fiscal year 2002 and \$2,875,953 in fiscal year 2003 60852

shall be allocated to the Targeted Industries Training Grant Program to attract, develop, and retain business and industry strategically important to the state's economy.

Also, in fiscal years 2002 and 2003, \$2,991,513 and \$3,629,797, respectively, shall be allocated to the Non-credit Incentives Grant Program to reward two-year campuses for increasing the amount of non-credit skill upgrading services provided to Ohio employers and employees. The funds shall be distributed to campuses in proportion to each campus's share of noncredit job-related training revenues received by all campuses for the previous fiscal year. It is the intent of the General Assembly that this workforce development incentive component of the Jobs Challenge Program reward campus noncredit job-related training efforts in the same manner that the Research Challenge Program rewards campuses for their ability to obtain sponsored research revenues.

Of the foregoing appropriation item 235-415, Jobs Challenge, \$1,863,726 in fiscal year 2002 and \$1,712,409 in fiscal year 2003 shall be allocated as an incentive to support local EnterpriseOhio Network Campus/Adult Workforce Education Center Partnerships. The purpose of the partnerships is to promote and deliver coordinated, comprehensive training to local employers. Each partnership shall include a formal agreement between one or more EnterpriseOhio Network campus and one or more adult workforce education center for the delivery of training services. The Department of Education and Board of Regents shall jointly award funds to certified EnterpriseOhio campus/adult workforce education center partnerships to offer training grants to eligible companies. A certified EnterpriseOhio Network/adult workforce education center partnership is one that has been documented and approved by the Board of Regents and the Department of Education according to partnership criteria established jointly by those agencies. An

eligible company is one that meets the funding criteria of the 60885
Targeted Industries Training Grant Program. The amount set aside 60886
for the partnerships is designed to match an equal appropriation 60887
in the Department of Education's appropriation item 200-514, 60888
Post-Secondary/Adult Career-Technical Education. The Department of 60889
Education's appropriation also serves as a partnership-building 60890
incentive by allocating funds to local EnterpriseOhio Network 60891
campus/adult workforce education center partnerships. 60892

ACCESS CHALLENGE 60893

In each fiscal year, the foregoing appropriation item 60894
235-418, Access Challenge, shall be distributed to Ohio's 60895
state-assisted access colleges and universities. For the purposes 60896
of this allocation, "access campuses" includes state-assisted 60897
community colleges, state community colleges, technical colleges, 60898
Shawnee State University, Central State University, Cleveland 60899
State University, the regional campuses of state-assisted 60900
universities, and, where they are organizationally distinct and 60901
identifiable, the community-technical colleges located at the 60902
University of Cincinnati, Youngstown State University, and the 60903
University of Akron. 60904

In each year of the biennium, Access Challenge appropriations 60905
shall be allocated to eligible campuses according to the following 60906
methodology: 60907

(A) Each campus shall receive an amount equal to four per 60908
cent of the product of its subsidy-eligible lower-division FTE 60909
student enrollments for the prior fiscal year multiplied by the 60910
unweighted average of in-state undergraduate instructional and 60911
general fees for community colleges, state community colleges, 60912
technical colleges, and regional campuses in fiscal year 2001. 60913

(B) All remaining appropriations shall be allocated to each 60914
campus proportionate to its share of the sum of FTEs used in the 60915

distribution of access funds in the prior fiscal year updated with 60916
the most recent FTE data available. 60917

For the purposes of this calculation, Cleveland State 60918
University's and Youngstown State University's enrollments shall 60919
be adjusted by the ratio of the sum of subsidy-eligible 60920
lower-division FTE student enrollments eligible for access funding 60921
to the sum of subsidy-eligible General Studies FTE student 60922
enrollments at Central State University and Shawnee State 60923
University, and for the following universities and their regional 60924
campuses: Ohio State University, Ohio University, Kent State 60925
University, Bowling Green State University, Miami University, the 60926
University of Cincinnati, the University of Akron, and Wright 60927
State University. 60928

SUCCESS CHALLENGE 60929

The foregoing appropriation item 235-420, Success Challenge, 60930
shall be used by the Board of Regents to promote degree completion 60931
by students enrolled at a main campus of a state-assisted 60932
university. 60933

In each fiscal year, two-thirds of the appropriations shall 60934
be distributed to state-assisted university main campuses in 60935
proportion to each campus's share of the total statewide 60936
bachelor's degrees granted by university main campuses to 60937
"at-risk" students. In fiscal years 2002 and 2003, an "at-risk" 60938
student means any undergraduate student who has received an Ohio 60939
Instructional Grant during the past ten years. An eligible 60940
institution shall not receive its share of this distribution until 60941
it has submitted a plan that addresses how the subsidy will be 60942
used to better serve at-risk students and increase their 60943
likelihood of successful completion of a bachelor's degree 60944
program. The Board of Regents shall disseminate to all 60945
state-supported institutions of higher education all such plans 60946
submitted by institutions that received Success Challenge funds. 60947

In each fiscal year, one-third of the appropriations shall be distributed to university main campuses in proportion to each campus's share of the total bachelor's degrees granted by university main campuses to undergraduate students who completed their bachelor's degrees in a "timely manner" in the previous fiscal year. For the purposes of this section, "timely manner" means the normal time it would take for a full-time degree-seeking undergraduate student to complete the student's degree. Generally, for such students pursuing a bachelor's degree, "timely manner" means four years. Exceptions to this general rule shall be permitted for students enrolled in programs specifically designed to be completed in a longer time period. The Board of Regents shall collect base-line data beginning with the 1998-99 academic year to assess the timely completion statistics by university main campuses.

RESEARCH CHALLENGE

The foregoing appropriation item 235-454, Research Challenge, shall be used to enhance the basic research capabilities of public colleges and universities and accredited Ohio institutions of higher education holding certificates of authorization issued pursuant to section 1713.02 of the Revised Code, in order to strengthen academic research for pursuing Ohio's economic redevelopment goals. The Board of Regents, in consultation with the colleges and universities, shall administer the Research Challenge Program and utilize a means of matching, on a fractional basis, external funds attracted in the previous year by institutions for basic research. The program may include incentives for increasing the amount of external research funds coming to eligible institutions and for focusing research efforts upon critical state needs. Colleges and universities shall submit for review and approval to the Board of Regents plans for the institutional allocation of state dollars received through the

program. The institutional plans shall provide the rationale for 60980
the allocation in terms of the strategic targeting of funds for 60981
academic and state purposes, for strengthening research programs, 60982
and for increasing the amount of external research funds, and 60983
shall include an evaluation process to provide results of the 60984
increased support. 60985

The Board of Regents shall submit a biennial report of 60986
progress to the General Assembly. 60987

COMPUTER SCIENCE GRADUATE EDUCATION 60988

The foregoing appropriation item 235-554, Computer Science 60989
Graduate Education, shall be used by the Board of Regents to 60990
support improvements in graduate programs in computer science at 60991
state-assisted universities. In each fiscal year, up to \$200,000 60992
may be used to support collaborative efforts in graduate education 60993
in this program area. 60994

Section 93.03. HIGHER EDUCATION - BOARD OF TRUSTEES 60995

Funds appropriated for instructional subsidies at colleges 60996
and universities may be used to provide such branch or other 60997
off-campus undergraduate courses of study and such master's degree 60998
courses of study as may be approved by the Board of Regents. 60999

In providing instructional and other services to students, 61000
boards of trustees of state-assisted institutions of higher 61001
education shall supplement state subsidies by income from charges 61002
to students. Each board shall establish the fees to be charged to 61003
all students, including an instructional fee for educational and 61004
associated operational support of the institution and a general 61005
fee for noninstructional services, including locally financed 61006
student services facilities used for the benefit of enrolled 61007
students. The instructional fee and the general fee shall 61008
encompass all charges for services assessed uniformly to all 61009

enrolled students. Each board may also establish special purpose 61010
fees, service charges, and fines as required; such special purpose 61011
fees and service charges shall be for services or benefits 61012
furnished individual students or specific categories of students 61013
and shall not be applied uniformly to all enrolled students. A 61014
tuition surcharge shall be paid by all students who are not 61015
residents of Ohio. 61016

The board of trustees of a state-assisted institution of 61017
higher education shall not authorize a waiver or nonpayment of 61018
instructional fees or general fees for any particular student or 61019
any class of students other than waivers specifically authorized 61020
by law or approved by the Chancellor. This prohibition is not 61021
intended to limit the authority of boards of trustees to provide 61022
for payments to students for services rendered the institution, 61023
nor to prohibit the budgeting of income for staff benefits or for 61024
student assistance in the form of payment of such instructional 61025
and general fees. 61026

Each state-assisted institution of higher education in its 61027
statement of charges to students shall separately identify the 61028
instructional fee, the general fee, the tuition charge, and the 61029
tuition surcharge. Fee charges to students for instruction shall 61030
not be considered to be a price of service but shall be considered 61031
to be an integral part of the state government financing program 61032
in support of higher educational opportunity for students. 61033

In providing the appropriations in support of instructional 61034
services at state-assisted institutions of higher education and 61035
the appropriations for other instruction it is the intent of the 61036
General Assembly that faculty members shall devote a proper and 61037
judicious part of their work week to the actual instruction of 61038
students. Total class credit hours of production per quarter per 61039
full-time faculty member is expected to meet the standards set 61040
forth in the budget data submitted by the Board of Regents. 61041

The authority of government vested by law in the boards of trustees of state-assisted institutions of higher education shall in fact be exercised by those boards. Boards of trustees may consult extensively with appropriate student and faculty groups. Administrative decisions about the utilization of available resources, about organizational structure, about disciplinary procedure, about the operation and staffing of all auxiliary facilities, and about administrative personnel shall be the exclusive prerogative of boards of trustees. Any delegation of authority by a board of trustees in other areas of responsibility shall be accompanied by appropriate standards of guidance concerning expected objectives in the exercise of such delegated authority and shall be accompanied by periodic review of the exercise of this delegated authority to the end that the public interest, in contrast to any institutional or special interest, shall be served.

Primary care physicians are general family practice physicians, general internal medicine practitioners, and general pediatric care physicians. The Board of Regents shall monitor medical school performance in relation to their plans for reaching the 50 per cent systemwide standard for primary care physicians.

Program participants shall communicate with trainers and participants at other program sites through telecommunications and facsimile and on-line computer technology. As much as possible, the project shall utilize systems currently available in state-supported technology programs and conduct the program in a manner that

promotes innovative, interactive communications between program 62629
participants at all the sites. Parent support groups and teacher 62630
training sessions shall supplement the teleconferences and shall 62631
occur on a local basis. 62632

RISE Learning Solutions may subcontract components of the 62633
project. 62634

the commission and the members of the General Assembly explaining 62654
the goals and objectives determined, the activities implemented, 62655
the progress made toward the achievement of the goals and 62656
objectives, and the outcome of the project. 62657

Not later than August 30, 2001, after the approval of the 62658

submit a budget for the expected appropriations from the Tobacco Settlement Education Technologies Trust Fund to the Controlling Board. The SchoolNet Commission shall demonstrate to the Controlling Board how the Commission's other funding provided by this act works with these additional appropriations.

In the event that the funds in the Tobacco Settlement Education Technologies Trust Fund are not sufficient to cover the appropriations for the specific projects listed in this section, spending on every project shall be reduced proportionately.

Section 102.04. There is hereby created the Ohio Schools Technology Implementation Task Force. Section 119. REISSUANCE OF VOIDED WARRANTS 63264

In order to provide funds for the reissuance of voided 63265

credited as provided in section 117.47 of the Revised Code, that 63268
amount sufficient to pay such warrants when approved by the Office 63269
of Budget and Management. 63270

Section 120. * CAPITAL PROJECT SETTLEMENTS 63271

This section specifies an additional and supplemental 63272
procedure to provide for payments of judgments and settlements if 63273
the Director of Budget and Management determines, pursuant to 63274
division (C)(4) of section 2743.19 of the Revised Code, that 63275
sufficient unencumbered moneys do not exist in the particular 63276
appropriation to pay the amount of a final judgment rendered 63277
against the state or a state agency, including the settlement of a 63278
claim approved by a court, in an action upon and arising out of a 63279
contractual obligation for the construction or improvement of a 63280

capital facility if the costs under the contract were payable in 63281
whole or in part from a state capital projects appropriation. In 63282
such a case, the director may either proceed pursuant to division 63283
(C)(4) of section 2743.19 of the Revised Code, or apply to the 63284
Controlling Board to increase an appropriation or create an 63285
appropriation out of any unencumbered moneys in the state treasury 63286
to the credit of the capital projects fund from which the initial 63287
state appropriation was made. The Controlling Board may approve or 63288
disapprove the application as submitted or modified. The amount of 63289
an increase in appropriation or new appropriation specified in an 63290
application approved by the Controlling Board is hereby 63291
appropriated from the applicable capital projects fund and made 63292
available for the payment of the judgment or settlement. 63293

If the director does not make the application authorized by 63294
this section or the Controlling Board disapproves the application, 63295
and the director does not make application pursuant to division 63296
(C)(4) of section 2743.19 of the Revised Code, the director shall 63297
for the purpose of making that payment request to the General 63298
Assembly as provided for in division (C)(5) of that section. 63299

Section 121. INCOME TAX DISTRIBUTION TO COUNTIES 63300

There are hereby appropriated out of any moneys in the state 63301
treasury to the credit of the General Revenue Fund, which are not 63302
otherwise appropriated, funds sufficient to make any payment 63303
required by division (B)(2) of section 5747.03 of the Revised 63304
Code. 63305

Section 122. SATISFACTION OF JUDGMENTS AND SETTLEMENTS 63306
AGAINST THE STATE 63307

Any appropriation may be used for the purpose of satisfying 63308
judgments or settlements in connection with civil actions against 63309
the state in federal court not barred by sovereign immunity or the 63310

Eleventh Amendment to the Constitution of the United States, or
for the purpose of satisfying judgments, settlements, or
administrative awards ordered or approved by the Court of Claims
in connection with civil actions against the state, pursuant to
section 2743.15, 2743.19, or 2743.191 of the Revised Code. This
authorization does not apply to appropriations to be applied to or
used for payment of guarantees by or on behalf of the state, for
or relating to lease payments or debt service on bonds, notes, or
similar obligations and those from the Sports Facilities Building
Fund (Fund 024), the Highway Safety Building Fund (Fund 025), the
Administrative Building Fund (Fund 026), the Adult Correctional

Capital Improvements Fund (Fund 038), the Highway Obligation Fund
(Fund 041), the Coal Research/Development Fund (Fund 046), and any
other fund into which proceeds of obligations are deposited.
Nothing contained in this section is intended to subject the state
to suit in any forum in which it is not otherwise subject to suit,
nor is it intended to waive or compromise any defense or right
available to the state in any suit against it.

**Section 183. EXTREME ENVIRONMENTAL CONTAMINATION OF SCHOOL
FACILITIES**

Notwithstanding any other provisions of law to the contrary,
the School Facilities Commission may provide assistance under the
Exceptional Needs Pilot Program to any school district and not
exclusively a school district in the lowest 50 per cent of
adjusted valuation per pupil on the fiscal year 1999 ranking of
school districts established pursuant to section 3317.02 of the
Revised Code, for the purpose of the relocation or replacement of
school facilities required as a result of extreme environmental
contamination. If in the assessment of the school district's
classroom facilities needs conducted under the Exceptional Needs
Pilot Program pursuant to Section 26 of Am. Sub. H.B. 850 of the
122nd General Assembly, the commission determines that all the
school district's classroom facilities ultimately will require
replacement under sections 3318.01 to 3318.20 of the Revised Code,
then the commission may undertake a district-wide project under
sections 3318.01 to 3318.20 of the Revised Code.

The School Facilities Commission shall contract with an
independent environmental consultant to conduct a study and to
report to the commission as to the seriousness of the
environmental contamination, whether the contamination violates
applicable state and federal standards, and whether the facilities
are no longer suitable for use as school facilities. The
commission then shall make a determination regarding funding for
the relocation or replacement of the school facilities. If the
federal government or other public or private entity provides
funds for restitution of costs incurred by the state or school

district in the relocation or replacement of the school 64715
facilities, the school district shall use such funds in excess of 64716
the school district's share to refund the state for the state's 64717
contribution to the environmental contamination portion of the 64718
project. The school district may apply an amount of such 64719
restitution funds up to an amount equal to the school district's 64720
portion of the project, as defined by the commission, toward 64721
paying its portion of that project to reduce the amount of bonds 64722
the school district otherwise must issue to receive state 64723
assistance under sections 3318.01 to 3318.20 of the Revised Code. 64724

Section 184. (A) The Ohio School Facilities Commission may 64725
commit up to thirty-five million dollars to the Canton City School 64726
District for construction of a facility described in this section, 64727
in lieu of a high school that would otherwise be authorized under 64728
Chapter 3318. of the Revised Code. The commission shall not commit 64729
funds under this section unless all of the following conditions 64730
are met: 64731

(1) The district has entered into a cooperative agreement 64732
with a state-assisted technical college. 64733

(2) The district has received an irrevocable commitment of 64734
additional funding from nonpublic sources. 64735

(3) The facility is intended to serve both secondary and 64736
postsecondary instructional purposes. 64737

(B) The commission shall enter into an agreement with the 64738
district for the construction of the facility authorized under 64739
this section that is separate from and in addition to the 64740
agreement required for the district's participation in the 64741
Classroom Facilities Assistance Program under section 3318.08 of 64742
the Revised Code. Notwithstanding that section and sections 64743
3318.03, 3318.04, and 3318.083 of the Revised Code, the additional 64744
agreement shall provide, but not be limited to, the following: 64745

(1) The commission shall not have any oversight 64746
responsibilities over the construction of the facility. 64747

(2) The facility need not comply with the specifications for 64748
plans and materials for high schools adopted by the commission. 64749

(3) The commission may decrease the basic project cost that 64750
would otherwise be calculated for a high school under Chapter 64751
3318. of the Revised Code. 64752

(4) The state shall not share in any increases in the basic 64753
project cost for the facility above the amount authorized under 64754
this section. 64755

All other provisions of Chapter 3318. of the Revised Code 64756
apply to the approval and construction of a facility authorized 64757
under this section. 64758

The state funds committed to the facility authorized by this 64759
section shall be part of the total amount the state commits to the 64760
Canton City School District under Chapter 3318. of the Revised 64761
Code. All additional state funds committed to the Canton City 64762
School District for classroom facilities assistance shall be 64763
subject to all provisions of Chapter 3318. of the Revised Code. 64764

Section 185. Not later than July 1, 2001, the Tax 64765
Commissioner shall certify to the Department of Education for each 64766
city, local, and exempted village school district the total 64767
federal adjusted gross income of the residents of the school 64768
district, based on tax returns filed by the residents of the 64769
district, for each of the three most recent years for which this 64770
information is available. The Department shall use the information 64771
certified under this section to compute each district's state 64772
parity aid funding under section 3317.0217 of the Revised Code in 64773
fiscal year 2002. 64774

Section 186. Not later than March 1, 2003, the Department of 64775
Job and Family Services shall certify to the State Board of 64776
Education, for the month of October in 1998, 1999, 2000, 2001, and 64777
2002, the unduplicated number of children ages five through 64778
seventeen residing in each school district and living in a family 64779
that had family income not exceeding the federal poverty 64780
guidelines, as defined in section 5101.46 of the Revised Code, and 64781
that participated in one of the following: 64782

(A) Ohio Works First; 64783

Start program, established under Chapter 5111. of the Revised 64786
Code; 64787

(D) The Children's Health Insurance Program Part I 64788
established under section 5101.50 of the Revised Code or, prior to 64789

of the Revised Code; 64791

(E) The disability assistance program established under 64792
Chapter 5115. of the Revised Code. 64793

The Department of Job and Family Services shall report this 64794
information according to the school district of residence for each 64795
child in the same manner as required by section 3317.10 of the 64796
Revised Code. It is the intent of the General Assembly that in 64797
making this report, the Department of Job and Family Services will 64798
utilize the same, or substantially similar, computer programming 64799
as it developed to assist the Legislative Office of Education 64800
Oversight in developing the report "A New Poverty Indicator to 64801
Distribute Disadvantaged Pupil Impact Aid (DPIA)." 64802

The Department of Education shall use the information 64803
reported under this section to calculate five-year averages in 64804

order to make payments to school districts under section 3317.029 64805
of the Revised Code in fiscal year 2004 and subsequent fiscal 64806
years. 64807

Section 187. The Department of Education shall consider the 64808
feasibility and desirability of relocating the department staff 64809
responsible for gifted education from the Center for Students, 64810
Families, and Communities to the Center for Curriculum and 64811

Council and that are in effect at the time of the transfer shall 65244
continue in force as rules, acts, determinations, approvals, and 65245
decisions of the Board until they are duly modified, superseded, 65246
or repealed by the Council, as appropriate. Whenever the duties, 65247
powers, obligations, and functions of the Board that are 65248
transferred by this act to the Council are referred to or 65249
