The commission shall not make a report of its finding unless the accused person requests a report. Upon the request of the accused person, the commission shall make a public report of the finding, but in this case all evidence and the record of the hearing shall remain confidential unless the accused person also requests that the evidence and record be made

public. Upon request by the accused person, the commission shall 2568
make the evidence and the record available for public inspection. 2569

(D) The commission, or a member of the commission, may 2570

production of relevant papers, books, accounts, and records. The 2573
commission shall issue subpoenas to compel the attendance of 2574
witnesses and the production of documents upon the request of an 2575
accused person. Section 101.42 of the Revised Code shall govern 2576
the issuance of these subpoenas insofar as applicable. Upon the 2577
refusal of any person to obey a subpoena or to be sworn or to 2578

which formal hearings were held, and the total number of 2593
complaints for which formal prosecution was recommended or 2594
requested by the commission. The report also shall indicate the 2595
nature of the inappropriate conduct alleged in each complaint and 2596
the governmental entity with which any employee or official that 2597
is the subject of a complaint was employed at the time of the 2598
alleged inappropriate conduct. 2599

(F) All papers, records, affidavits, and documents upon any 2600

consultation with the person filing the complaint or charge, the 2607
accused, and any other person the commission or prosecuting 2608

authority and the accused. 2616

(2) Any settlement agreement entered into under division 2617

discretion, may make the agreement, the statement, and any 2624
supporting information public, unless the agreement provides 2625
otherwise. 2626

(3) If a settlement agreement is breached by the accused, the 2627
commission or prosecuting authority, in ~~its~~ the commission's or 2628
~~his~~ prosecuting authority's discretion, may rescind the agreement 2629
and reinstitute any investigation, hearing, or prosecution of the 2630

settlement that is not otherwise discoverable from the accused 2632
shall be used in any proceeding before the commission or by the 2633
appropriate prosecuting authority in prosecuting the violation. 2634
Notwithstanding any other section of the Revised Code, if a 2635

draft report ~~to the state and local government commission and to~~

rendered in connection with that defense; a written statement 3540
indicating whether the private legal counsel previously submitted 3541
a request for an award under division (E)(2) of this section in 3542
connection with that defense and, if so, the date and the amount 3543
of each award granted; and, if the fees, costs, and expenses are 3544
for all legal services to be rendered in connection with that 3545
defense or are for the final legal services rendered in connection 3546
with that defense, a certified copy of any judgment entry in the 3547
civil action or proceeding or a signed copy of any settlement 3548
agreement entered into between the parties to the civil action or 3549
proceeding. 3550

(ii) Upon receipt of a request for an award of legal fees, 3551
court costs, and expenses and the requisite supportive 3552
documentation described in division (E)(2)(a)(i) of this section, 3553
the attorney general shall review the request and documentation; 3554
determine whether any of the limitations specified in division 3555
(E)(2)(b) of this section apply to the request; and, if an award 3556
of legal fees, court costs, or expenses is permissible after 3557
applying the limitations, prepare a document awarding legal fees, 3558
court costs, or expenses to the private legal counsel. The 3559

document shall name the private legal counsel as the recipient of 3560
the award; specify the total amount of the award as determined by 3561
the attorney general; itemize the portions of the award that 3562
represent legal fees, court costs, and expenses; specify any 3563
limitation applied pursuant to division (E)(2)(b) of this section 3564
to reduce the amount of the award sought by the private legal 3565
counsel; state that the award is payable from the state treasury 3566
pursuant to division (E)(2)(a)(iii) of this section; and be 3567
approved by the inclusion of the signatures of the attorney 3568
general, the state public defender, and the private legal counsel. 3569

(iii) The attorney general shall forward a copy of the 3570
document prepared pursuant to division (E)(2)(a)(ii) of this 3571
section to the director of budget and management. The award of 3572
legal fees, court costs, or expenses shall be paid out of the 3573
state public defender's appropriations, to the extent there is a 3574
sufficient available balance in those appropriations. If the state 3575
public defender does not have a sufficient available balance in 3576
the state public defender's appropriations to pay the entire award 3577
of legal fees, court costs, or expenses, the director shall make 3578
application for a transfer of appropriations out of the emergency 3579
purposes account or any other appropriation for emergencies or 3580
contingencies in an amount equal to the portion of the award that 3581
exceeds the sufficient available balance in the state public 3582
defender's appropriations. A transfer of appropriations out of the 3583
emergency purposes account or any other appropriation for 3584
emergencies or contingencies shall be authorized if there are 3585
sufficient moneys greater than the sum total of then pending 3586
emergency purposes account requests, or requests for releases from 3587
the other appropriation. If a transfer of appropriations out of 3588
the emergency purposes account or other appropriation for 3589
emergencies or contingencies is made to pay an amount equal to the 3590
portion of the award that exceeds the sufficient available balance 3591

in the state public defender's appropriations, the director shall 3592
cause the payment to be made to the private legal counsel. If 3593
sufficient moneys do not exist in the emergency purposes account 3594
or other appropriation for emergencies or contingencies to pay an 3595
amount equal to the portion of the award that exceeds the 3596
sufficient available balance in the state public defender's 3597
appropriations, the private legal counsel shall request the 3598
general assembly to make an appropriation sufficient to pay an 3599
amount equal to the portion of the award that exceeds the 3600
sufficient available balance in the state public defender's 3601
appropriations, and no payment in that amount shall be made until 3602
the appropriation has been made. The private legal counsel shall 3603
make the request during the current biennium and during each 3604
succeeding biennium until a sufficient appropriation is made. 3605
3606

(b) An award of legal fees, court costs, and expenses 3607
pursuant to division (E) of this section is subject to the 3608
following limitations: 3609

(i) The maximum award or maximum aggregate of a series of 3610
awards of legal fees, court costs, and expenses to the private 3611
legal counsel in connection with the defense of the Ohio public 3612
defender commission, the state public defender, an assistant state 3613
public defender, an employee, or an attorney in a specified civil 3614
action or proceeding shall not exceed fifty thousand dollars. 3615

(ii) The private legal counsel shall not be awarded legal 3616
fees, court costs, or expenses to the extent the fees, costs, or 3617
expenses are covered by a policy of malpractice or other 3618
insurance. 3619

(iii) The private legal counsel shall be awarded legal fees 3620
and expenses only to the extent that the fees and expenses are 3621
reasonable in light of the legal services rendered by the private 3622
legal counsel in connection with the defense of the Ohio public 3623

defender commission, the state public defender, an assistant state
public defender, an employee, or an attorney in a specified civil
action or proceeding.

(c) If, pursuant to division (E)(2)(a) of this section, the
attorney general denies a request for an award of legal fees,
court costs, or expenses to private legal counsel because of the
application of a limitation specified in division (E)(2)(b) of
this section, the attorney general shall notify the private legal
counsel in writing of the denial and of the limitation applied.

(d) If, pursuant to division (E)(2)(c) of this section, a
private legal counsel receives a denial of an award notification
or if a private legal counsel refuses to approve a document under
division (E)(2)(a)(ii) of this section because of the proposed
application of a limitation specified in division (E)(2)(b) of
this section, the private legal counsel may commence a civil
action against the attorney general in the court of claims to
prove the private legal counsel's entitlement to the award sought,
to prove that division (E)(2)(b) of this section does not prohibit
or otherwise limit the award sought, and to recover a judgment for
the amount of the award sought. A civil action under division
(E)(2)(d) of this section shall be commenced no later than two
years after receipt of a denial of award notification or, if the
private legal counsel refused to approve a document under division
(E)(2)(a)(ii) of this section because of the proposed application
of a limitation specified in division (E)(2)(b) of this section,
no later than two years after the refusal. Any judgment of the
court of claims in favor of the private legal counsel shall be
paid from the state treasury in accordance with division (E)(2)(a)
of this section.

(F) If a court appoints the office of the state public
defender to represent a petitioner in a postconviction relief
proceeding under section 2953.21 of the Revised Code, the

petitioner has received a sentence of death, and the proceeding
relates to that sentence, all of the attorneys who represent the

(D) The county public defender shall not be required to 3687
prosecute any appeal, postconviction remedy, or other proceeding, 3688
unless the county public defender is first satisfied there is 3689
arguable merit to the proceeding. 3690

(E) Nothing in this section shall prevent a court from 3691
appointing counsel other than the county public defender or from 3692
allowing an indigent person to select the indigent person's own 3693
personal counsel to represent the indigent person. A court may 3694
also appoint counsel or allow an indigent person to select the 3695
indigent person's own personal counsel to assist the county public 3696
defender as co-counsel when the interests of justice so require. 3697

(F) Information as to the right to legal representation by 3698
the county public defender or assigned counsel shall be afforded 3699
to an accused person immediately upon arrest, when brought before 3700
a magistrate, or when formally charged, whichever occurs first. 3701

(G) If a court appoints the office of the county public 3702
defender to represent a petitioner in a postconviction relief 3703
proceeding under section 2953.21 of the Revised Code, the 3704

relates to that sentence, all of the attorneys who represent the 3706
petitioner in the proceeding pursuant to the appointment, whether 3707
an assistant county public defender or the county public defender, 3708
shall be certified under Rule ~~65~~ 20 of the Rules of 3709
Superintendence for ~~Common Pleas~~ the Courts of Ohio to represent 3710
indigent defendants charged with or convicted of an offense for 3711
which the death penalty can be or has been imposed. 3712

Sec. 120.26. (A)(1) The joint county public defender shall 3713
provide legal representation to indigent adults and juveniles who 3714
are charged with the commission of an offense or act that is a 3715
violation of a state statute and for which the penalty or any 3716
possible adjudication includes the potential loss of liberty and 3717

in postconviction proceedings as defined in this section. 3718

(2) The joint county public defender may provide legal 3719
representation to indigent adults and juveniles charged with the 3720
violation of an ordinance of a municipal corporation for which the 3721
penalty or any possible adjudication includes the potential loss 3722
of liberty, if the joint county public defender commission has 3723
contracted with the municipal corporation to provide legal 3724
representation for indigent persons charged with a violation of an 3725
ordinance of the municipal corporation. 3726

(B) The joint county public defender shall provide the legal 3727

summons, or indictment. 3730

(C) The joint county public defender may request the Ohio 3731
public defender to prosecute any appeal or other remedy before or 3732
after conviction that the joint county public defender decides is 3733
in the interests of justice and may provide legal representation 3734
in parole and probation revocation matters. 3735

(D) The joint county public defender shall not be required to 3736
prosecute any appeal, postconviction remedy, or other proceeding, 3737
unless the joint county public defender is first satisfied that 3738
there is arguable merit to the proceeding. 3739

(E) Nothing in this section shall prevent a court from 3740
appointing counsel other than the joint county public defender or 3741
from allowing an indigent person to select the indigent person's 3742
own personal counsel to represent the indigent person. A court may 3743
also appoint counsel or allow an indigent person to select the 3744
indigent person's own personal counsel to assist the joint county 3745
public defender as co-counsel when the interests of justice so 3746
require. 3747

(F) Information as to the right to legal representation by 3748

the joint county public defender or assigned counsel shall be 3749
afforded to an accused person immediately upon arrest, when 3750
brought before a magistrate, or when formally charged, whichever 3751
occurs first. 3752

(G) If a court appoints the office of the joint county public 3753
defender to represent a petitioner in a postconviction relief 3754
proceeding under section 2953.21 of the Revised Code, the 3755
petitioner has received a sentence of death, and the proceeding 3756
relates to that sentence, all of the attorneys who represent the 3757
petitioner in the proceeding pursuant to the appointment, whether 3758
an assistant joint county defender or the joint county public 3759
defender, shall be certified under Rule ~~65~~ 20 of the Rules of 3760
Superintendence for ~~Common Pleas~~ the Courts of Ohio to represent 3761
indigent defendants charged with or convicted of an offense for 3762
which the death penalty can be or has been imposed. 3763

Sec. 120.33. (A) In lieu of using a county public defender or 3764
joint county public defender to represent indigent persons in the 3765
proceedings set forth in division (A) of section 120.16 of the 3766
Revised Code, the board of county commissioners of any county may 3767
adopt a resolution to pay counsel who are either personally 3768
selected by the indigent person or appointed by the court. The 3769
resolution shall include those provisions the board of county 3770
commissioners considers necessary to provide effective 3771
representation of indigent persons in any proceeding for which 3772
counsel is provided under this section. The resolution shall 3773
include provisions for contracts with any municipal corporation 3774
under which the municipal corporation shall reimburse the county 3775
for counsel appointed to represent indigent persons charged with 3776
violations of the ordinances of the municipal corporation. 3777

(1) In a county that adopts a resolution to pay counsel, an 3778
indigent person shall have the right to do either of the 3779

following:	3780
(a) To select the person's own personal counsel to represent the person in any proceeding included within the provisions of the resolution;	3781 3782 3783
(b) To request the court to appoint counsel to represent the person in such a proceeding.	3784 3785
(2) The court having jurisdiction over the proceeding in a county that adopts a resolution to pay counsel shall, after determining that the person is indigent and entitled to legal representation under this section, do either of the following:	3786 3787 3788 3789
(a) By signed journal entry recorded on its docket, enter the name of the lawyer selected by the indigent person as counsel of record;	3790 3791 3792
(b) Appoint counsel for the indigent person if the person has requested the court to appoint counsel and, by signed journal entry recorded on its dockets, enter the name of the lawyer appointed for the indigent person as counsel of record.	3793 3794 3795 3796
(3) The board of county commissioners shall establish a schedule of fees by case or on an hourly basis to be paid to counsel for legal services provided pursuant to a resolution adopted under this section. Prior to establishing the schedule, the board of county commissioners shall request the bar association or associations of the county to submit a proposed schedule. The schedule submitted shall be subject to the review, amendment, and approval of the board of county commissioners.	3797 3798 3799 3800 3801 3802 3803 3804
(4) Counsel selected by the indigent person or appointed by the court at the request of an indigent person in a county that adopts a resolution to pay counsel, except for counsel appointed to represent a person charged with any violation of an ordinance of a municipal corporation that has not contracted with the county commissioners for the payment of appointed counsel, shall be paid	3805 3806 3807 3808 3809 3810

by the county and shall receive the compensation and expenses the
court approves. Each request for payment shall be accompanied by a
financial disclosure form and an affidavit of indigency that are
completed by the indigent person on forms prescribed by the state
public defender. Compensation and expenses shall not exceed the
amounts fixed by the board of county commissioners in the schedule
adopted pursuant to division (A)(3) of this section. No court
shall approve compensation and expenses that exceed the amount
fixed pursuant to division (A)(3) of this section.

The fees and expenses approved by the court shall not be
taxed as part of the costs and shall be paid by the county.
However, if the person represented has, or may reasonably be
expected to have, the means to meet some part of the cost of the
services rendered to the person, the person shall pay the county
an amount that the person reasonably can be expected to pay.
Pursuant to section 120.04 of the Revised Code, the county shall
pay to the state public defender a percentage of the payment
received from the person in an amount proportionate to the
percentage of the costs of the person's case that were paid to the
county by the state public defender pursuant to this section. The
money paid to the state public defender shall be credited to the
client payment fund created pursuant to division (B)(5) of section
120.04 of the Revised Code.

The county auditor shall draw a warrant on the county
treasurer for the payment of counsel in the amount fixed by the
court, plus the expenses the court fixes and certifies to the
auditor. The county auditor shall report periodically, but not
less than annually, to the board of county commissioners and to
the Ohio public defender commission the amounts paid out pursuant
to the approval of the court. The board of county commissioners,
after review and approval of the auditor's report, may then
certify it to the state public defender for reimbursement. If a

request for reimbursement is not accompanied by a financial 3843
disclosure form and an affidavit of indigency completed by the 3844
indigent person on forms prescribed by the state public defender, 3845
the state public defender shall not pay the requested 3846
reimbursement. If a request for the reimbursement of the cost of 3847
counsel in any case is not received by the state public defender 3848
within ninety days after the end of the calendar month in which 3849
the case is finally disposed of by the court, unless the county 3850
has requested and the state public defender has granted an 3851
extension of the ninety-day limit, the state public defender shall 3852
not pay the requested reimbursement. The state public defender 3853
shall also review the report and, in accordance with the 3854
standards, guidelines, and maximums established pursuant to 3855
divisions (B)(7) and (8) of section 120.04 of the Revised Code, 3856
prepare a voucher for fifty per cent of the total cost of each 3857
county appointed counsel system in the period of time covered by 3858
the certified report and a voucher for fifty per cent of the costs 3859
and expenses that are reimbursable under section 120.35 of the 3860
Revised Code, if any, or, if the amount of money appropriated by 3861
the general assembly to reimburse counties for the operation of 3862
county public defender offices, joint county public defender 3863
offices, and county appointed counsel systems is not sufficient to 3864
pay fifty per cent of the total cost of all of the offices and 3865
systems other than costs and expenses that are reimbursable under 3866
section 120.35 of the Revised Code, for the lesser amount required 3867
by section 120.34 of the Revised Code. 3868

(5) If any county appointed counsel system fails to maintain 3869
the standards for the conduct of the system established by the 3870
rules of the Ohio public defender commission pursuant to divisions 3871
(B) and (C) of section 120.03 or the standards established by the 3872
state public defender pursuant to division (B)(7) of section 3873
120.04 of the Revised Code, the Ohio public defender commission 3874

shall notify the board of county commissioners of the county that
the county appointed counsel system has failed to comply with its
rules or the standards of the state public defender. Unless the
board of county commissioners corrects the conduct of its
appointed counsel system to comply with the rules and standards
within ninety days after the date of the notice, the state public
defender may deny all or part of the county's reimbursement from
the state provided for in division (A)(4) of this section.

(B) In lieu of using a county public defender or joint county
public defender to represent indigent persons in the proceedings
set forth in division (A) of section 120.16 of the Revised Code,
and in lieu of adopting the resolution and following the procedure
described in division (A) of this section, the board of county
commissioners of any county may contract with the state public
defender for the state public defender's legal representation of
indigent persons. A contract entered into pursuant to this
division may provide for payment for the services provided on a
per case, hourly, or fixed contract basis.

(C) If a court appoints an attorney pursuant to this section
to represent a petitioner in a postconviction relief proceeding
under section 2953.21 of the Revised Code, the petitioner has
received a sentence of death, and the proceeding relates to that
sentence, the attorney who represents the petitioner in the
proceeding pursuant to the appointment shall be certified under
Rule ~~65~~ 20 of the Rules of Superintendence for ~~Common Pleas~~ the
Courts of Ohio to represent indigent defendants charged with or
convicted of an offense for which the death penalty can be or has
been imposed.

~~(C)~~(D) "Eligible business" means an eligible steel company or

any person that possesses all of the following characteristics: 5597

municipal corporation, or other political subdivision shall be 5611
regarded as having guaranteed a loan to an eligible steel company 5612
if the state, county, municipal corporation, or other political 5613

to repay all or any portion of a loan made to an eligible steel 5615
company, any of the interest accrued on any such loan, or any 5616
amount owed to any person with respect to any letter of credit, 5617

(I) "Federal Steel Loan Act" means the federal "Emergency Steel Loan Guarantee Act of 1999," 113 Stat. 252, 15 U.S.C. 1841 (note), as amended, and the regulations thereunder.

Sec. 135.82. (A) The general assembly finds that several areas in the state are experiencing economic stagnation or decline because business activity in those areas is at a level that is too low to sustain an adequate level of prosperity and a decent standard of living for area residents. A major factor contributing to the low level of business activity is the inability of businesses to obtain needed financing at reasonable interest rates so as to sustain their operations or to expand operations. The depressed economic area linked deposit program provided for in sections 135.81 to 135.88 of the Revised Code is intended to provide a targeted availability of lower cost funds for lending purposes that will materially contribute to the economic

revitalization of depressed economic areas in this state to allow 5659
the residents of those areas to enjoy the same level of prosperity 5660
and well being that other residents of the state are able to 5661
enjoy. Accordingly, it is declared to be the public policy of the 5662
state through the depressed economic area linked deposit program 5663
to create an availability of lower cost funds to inject needed 5664
capital into the business community, sustain or improve business 5665
profitability, preserve existing employment and create new job 5666
opportunities, and thereby enhance the economic prosperity of the 5667
affected areas. 5668

(B) The general assembly finds and declares it to be the 5669
public policy of this state, consistent with the purposes of the 5670
steel futures program created under section 122.37 of the Revised 5671
Code, to assist steel companies operating in this state by 5672
expanding forms of assistance available under the depressed 5673
economic area linked deposit program provided for in sections 5674
135.81 to 135.88 of the Revised Code, as amended by the main 5675
operating appropriations act for the 2001-2003 biennium. 5676

(C) The depressed economic area linked deposit program 5677
authorized pursuant to sections 135.81 to 135.88 of the Revised 5678
Code is in addition to and separate from the linked deposit 5679
program authorized pursuant to sections 135.61 to 135.67 of the 5680
Revised Code and the agricultural linked deposit program 5681
authorized pursuant to sections 135.71 to 135.76 of the Revised 5682
Code. 5683

Sec. 135.83. (A) The treasurer of state may invest in 5684
depressed economic area linked deposits, provided that at the time 5685
of placement of the linked deposit, not more than three per cent 5686
of the state's total investment portfolio is so invested and, in 5687
the case of linked deposits with respect to which an above-market 5688
investment will be provided to an eligible government or a reduced 5689
rate loan will be made for the benefit of an eligible steel 5690

company, the amount of the linked deposit does not exceed the 5691
product of fifteen thousand dollars, multiplied by the number of 5692
employees, as of the time of placement of the linked deposit, 5693
whose employment was reasonably expected to be created or 5694
preserved as a result of the financial assistance provided under 5695
sections 135.81 to 135.88 of the Revised Code. 5696

(B) The amounts the treasurer is authorized to invest 5697
pursuant to division (A) of this section are in addition to the 5698
amounts the treasurer may invest pursuant to section 135.63 of the 5699
Revised Code. 5700

(C) The treasurer of state may not invest more than one 5701
million dollars in depressed economic area linked deposits per 5702
county in any two-year period, excluding deposits linked to 5703
above-market investments held by eligible governments. 5704

Sec. 135.84. (A) A board of county commissioners of an 5705
eligible county may authorize the county's participation in the 5706
depressed economic area linked deposit program established 5707
pursuant to sections 135.81 to 135.88 of the Revised Code. For 5708
that purpose, the board may: 5709

(1) Appoint a qualified agent to operate the program on 5710
behalf of the board; 5711

(2) Secure eligible lending institutions to participate in 5712
the program. The board shall make every effort to secure eligible 5713
lending institutions located within the county. If no eligible 5714
lending institution located within the county agrees to 5715
participate in the program, the board may secure the participation 5716
of the nearest available eligible lending institution. 5717

(3) Approve loan applications from eligible businesses prior 5718
to the transmittal of depressed economic area linked deposit loan 5719
to the treasurer of state; 5720

(4) Secure and encourage eligible businesses to make loan applications;	5721 5722
(5) Employ staff, develop forms, and procedures as will effectuate the county's participation in the program;	5723 5724
(6) Establish, with the approval of the treasurer of state, a service charge to cover the costs to the board of the county's participation in the depressed economic area linked deposit program;	5725 5726 5727 5728
(7) Fix the amount of a loan that is eligible for a reduced rate based upon a depressed economic area linked deposit, which in no event, may exceed fifty per cent of the total loan.	5729 5730 5731
(B) If the treasurer of state determines that an eligible county ceases to be eligible to participate in the depressed economic area linked deposit program, the treasurer shall notify the board of county commissioners together with all affected eligible lending institutions and any qualified agent. Effective with the first day of the month following the month in which notification is given, the board shall suspend participation of the county in the program and shall not approve any further loan applications pursuant to the program, except that this division shall not be construed to affect the review and approval or denial of loan applications that are pending on the date the suspension takes effect nor the repayment or servicing of loans already made. If the county subsequently again becomes eligible to participate in the program, the board may, with the approval of the treasurer of state, commence operation of the program in the county the first day of the month following the month in which the treasurer of state grants approval.	5732 5733 5734 5735 5736 5737 5738 5739 5740 5741 5742 5743 5744 5745 5746 5747 5748
(C) The board of county commissioners may, with the approval of the treasurer of state, establish a service fee to be charged in connection with the application of an eligible business for	5749 5750 5751

that portion of a total loan which represents a depressed economic
area linked deposit loan. The eligible business shall pay the
service fee to the board. The board shall use the service fee
solely to pay the costs incurred by the board or its qualified
agent in effectuating the county's participation in the depressed
economic area linked deposit program. The amount of the fee shall
be no more than will recover to the county its costs and may not
exceed an amount equal to one-half of one per cent of that portion
of a loan that is based upon a depressed economic area linked
deposit.

(D) The board of county commissioners, in lieu of directly
operating the depressed economic area linked deposit loan program
for the county, may appoint a qualified agent upon terms as are
agreed to between the board and the agent. Where the board
appoints a community improvement corporation as its qualified
agent pursuant to sections 135.81 to 135.88 of the Revised Code,
the appointment does not constitute an appointment of the
corporation as the county agent for the purposes of section
1724.10 of the Revised Code, unless the board separately appoints
the corporation pursuant to that section, nor does appointment of
the corporation pursuant to section 1724.10 of the Revised Code
constitute appointment of the corporation for the purposes of
sections 135.81 to 135.88 of the Revised Code.

(E) The board of county commissioners of any county that is
an eligible government, and the legislative authority of any
municipal corporation that is an eligible government, may
authorize that eligible government to participate with the
treasurer of state in the depressed economic area linked deposit
program established pursuant to sections 135.81 to 135.88 of the
Revised Code on such terms as may be agreed upon between the
eligible government and the treasurer of state.

Sec. 135.85. (A) An eligible business desiring to receive a 5783
loan from an eligible lending institution up to fifty per cent of 5784
which is a depressed economic area linked deposit reduced rate 5785
loan, shall make application to the institution upon such forms as 5786
the institution requires. The business shall certify on its loan 5787
application that the total loan will be used exclusively to 5788
preserve existing jobs or employment opportunities or create new 5789
jobs and will materially contribute to the preservation or 5790
expansion of the business. Whoever knowingly makes a false 5791
statement concerning such application is guilty of the offense of 5792
falsification under section 2921.13 of the Revised Code. In making 5793
its decision with respect to a loan application, the eligible 5794
lending institution shall apply all usual lending institution 5795
standards to determine the creditworthiness of each eligible 5796
business. 5797

(B) The eligible lending institution shall forward completed 5798
loan applications the institution approves to the board of county 5799
commissioners or the qualified agent of the board. The board or 5800
agent shall approve or disapprove the loan within fourteen working 5801
days from receipt of the application from the eligible lending 5802
institution. In considering which loan applications to approve, 5803
the board of county commissioners or its qualified agent shall 5804
give priority to the immediacy of a business's financial need for 5805
the loan, the economic needs of the area in which the business is 5806
located, the number of jobs to be created or preserved by the 5807
receipt of the loan, and such other factors as the board or the 5808
agent consider appropriate to determine the relative financial 5809
need of the eligible business and the county as a whole. The 5810
eligible lending institution also shall forward to the board of 5811
county commissioners or its qualified agent those loan 5812
applications it rejects together with a statement of the reason 5813
for the rejection. 5814

(C) The eligible lending institution shall forward to the treasurer of state a depressed economic area linked deposit package, based upon loans which the board of county commissioners or the qualified agent have approved, in the form and manner prescribed by the treasurer of state. The package shall include information regarding the amount of the loan requested by each eligible business and such other information regarding each business as the treasurer of state requires. The institution shall certify that each applicant is an eligible business, that the depressed economic area linked deposit for which the institution is making application represents no more than fifty per cent of the total loan for which the eligible business is applying, and shall, for each business, certify the present borrowing rate applicable to the depressed economic area linked deposit portion of the loan applicable to each specific eligible business.

(D) An eligible lending institution and eligible government may forward to the treasurer of state, either separately or in conjunction with a depressed economic area linked deposit package, a proposal for the eligible lending institution to provide the eligible government with an above-market investment on such terms as may be agreed upon between the eligible lending institution and the eligible government.

Sec. 135.86. (A) The treasurer of state may accept or reject a depressed economic area linked deposit loan or loan package, including a proposal for an above-market investment to be held by an eligible government, or any portion of a loan package based on the treasurer's evaluation of the eligible businesses or eligible governments included, the amount of individual loans involved, and the amount of the total package. The treasurer of state may consult with the director of development as the treasurer finds necessary in making the decision. The treasurer shall give

priority to a business's or an eligible government's need for the 5847
loan, the economic needs of the area where the business or 5848
eligible government is located, and the ratio of state funds to be 5849
deposited with the eligible lending institution to the jobs 5850
sustained or created. The treasurer also shall consider any 5851
reports, statements, or plans applicable to the business or 5852
eligible government, the overall financial need of the business or 5853
eligible government, and such other factors as the treasurer 5854
considers appropriate. Whenever the department of development 5855
believes that the economic needs of a county or the state require 5856
the suspension or redirection of depressed economic area linked 5857
deposits with respect to a county or that a linked deposit loan 5858
will be improperly made, it may make such recommendations to the 5859
treasurer of state as the department considers appropriate to its 5860
concerns. 5861

(B) Upon acceptance of the depressed economic area loan 5862
package or any portion thereof, the treasurer of state may place 5863
certificates of deposit with the eligible lending institution at a 5864
rate of up to three per cent below current market rates as 5865
determined and calculated by the treasurer of state. When 5866
necessary, the treasurer may place certificates of deposit prior 5867
to acceptance of a depressed economic area linked deposit loan 5868
package. 5869

(C) The eligible lending institution shall enter into a 5870
depressed economic area linked deposit agreement with the 5871
treasurer of state which shall include requirements necessary to 5872
carry out the purposes of sections 135.81 to 135.88 of the Revised 5873
Code. The requirements shall include an agreement by the eligible 5874
lending institution either to lend the value of the depressed 5875
economic area linked deposit to eligible businesses at a rate of 5876
up to three per cent below the present borrowing rate applicable 5877
to each specific business in the loan package, or to enter into an 5878

agreement with an eligible government to provide that eligible 5879
government with an above-market investment in the value of the 5880
depressed economic area linked deposit. The requirements also 5881
shall reflect the market conditions prevailing in the eligible 5882
lending institution's lending area. The agreement may include a 5883
specification of the period of time in which the lending 5884
institution is to lend funds or to provide an above-market 5885
investment upon the placement of the linked deposit and shall 5886
include provisions for the certificates of deposit to be placed 5887
for any maturity considered appropriate by the treasurer of state, 5888
not to exceed two years. Certificates of deposit may be renewed 5889
for additional periods not to exceed two years at the option of 5890
the treasurer of state. Interest shall be paid at the times 5891
determined by the treasurer of state. 5892

(D) Notwithstanding any other provision of this chapter to 5893
the contrary, an above-market investment entered into by an 5894
eligible government with an eligible lending institution in 5895
compliance with the provisions of this chapter that refer 5896
expressly to above-market investments shall be a legal and 5897
authorized investment for the interim or inactive moneys of that 5898
government. 5899

(E) Eligible lending institutions shall comply fully with 5900
sections 135.81 to 135.88 of the Revised Code. 5901

Sec. 135.87. (A) Upon placement of a depressed economic area 5902
linked deposit with an eligible lending institution, the 5903

salary during the month, and the denominator shall be two hundred 6404
fifty dollars, except that if the member's annual earnable salary 6405
is less than six hundred dollars, the member's credit shall not be 6406

increased salary for the office the member holds. If the member
elects to have the amount by which the member's contribution would
have increased withheld from the member's salary, the member shall

contribution would have been withheld from the member's salary to
the date of payment. A member may make a payment for part of the
period for which the increased contribution was not withheld, in
which case the interest shall be computed from the date the last
contribution would have been withheld for the period for which the
payment is made. Upon the payment of the increased contributions

(C) A county appointing authority may apply to the board of county commissioners for authorization to have an officer or employee of the appointing authority use a credit card held by that appointing authority. The authorization request shall state whether the card is to be issued only in the name of the office of the appointing authority itself or whether the issued card shall 8152
8153
8154
8155
8156
8157

also include the name of a specified officer or employee. 8158

(D) The debt incurred as a result of the use of a credit card 8159
pursuant to this section shall be paid from moneys appropriated to 8160
the appointing authority for work-related ~~food, transportation,~~ 8161
~~gasoline and oil, minor motor vehicle maintenance, emergency motor~~ 8162
~~vehicle repair, telephone, lodging, and internet service provider~~ 8163
expenses listed in division (B) of this section. 8164

(E)(1) Except as otherwise provided in division (E)(2) of 8165
this section, every officer or employee authorized to use a credit 8166
card held by the board or appointing authority shall submit to the 8167
board by the first day of each month an estimate of the officer's 8168
or employee's work-related ~~food, transportation, gasoline and oil,~~ 8169
~~minor motor vehicle maintenance, emergency motor vehicle repair,~~ 8170
~~telephone, lodging, and internet service provider~~ expenses listed 8171
in division (B) of this section for that month, unless the board 8172
authorizes, by resolution, the officer or employee to submit to 8173
the board such an estimate for a period longer than one month. The 8174
board may revise the estimate and determine the amount it 8175
approves, if any, not to exceed the estimated amount. The board 8176
shall certify the amount of its determination to the county 8177
auditor along with the necessary information for the auditor to 8178
determine the appropriate appropriation line item from which such 8179
expenditures are to be made. After receiving certification from 8180
the county auditor that the determined sum of money is in the 8181
treasury or in the process of collection to the credit of the 8182
appropriate appropriation line item for which the credit card is 8183
approved for use, and is free from previous and then-outstanding 8184
obligations or certifications, the board shall authorize the 8185
officer or employee to incur debt for such expenses against the 8186
county's credit up to the authorized amount. 8187

(2) In lieu of following the procedure set forth in division 8188
(E)(1) of this section, a board of county commissioners may adopt 8189

a resolution authorizing an officer or employee of an appointing authority to use a county credit card to pay for specific classes of the work-related expenses listed in division (B) of this section, or use a specific credit card for any of those work-related expenses listed in division (B) of this section, without submitting an estimate of those expenses to the board as required by division (E)(1) of this section. Prior to adopting the resolution, the board shall notify the county auditor. The resolution shall specify whether the officer's or employee's exemption extends to the use of a specific card, which card shall be identified by its number, or to one or more specific work-related uses from the classes of uses permitted under division (B) of this section. Before any credit card exempted for specific uses may be used to make purchases for uses other than those specific uses listed in the resolution, the procedures outlined in division (E)(1) of this section must be followed or the use shall be considered an unauthorized use. Use of any credit card under division (E)(2) of this section shall be limited to the amount appropriated and encumbered in a specific appropriation line item for the permitted use or uses designated in the authorizing resolution, or, in the case of a resolution that authorizes use of a specific credit card, for each of the permitted uses listed in division (B) of this section, but only to the extent the moneys in such appropriations are not otherwise encumbered.

(F)(1) Any time a county credit card approved for use for an authorized amount under division (E)(1) of this section is used for more than that authorized amount, the appointing authority may request the board of county commissioners to authorize after the fact the expenditure of any amount charged beyond the originally authorized amount if, upon the board's request, the county auditor certifies that sum of money is in the treasury or in the process

of collection to the credit of the appropriate appropriation line 8222
item for which the credit card was used and is free from previous 8223
and then-outstanding obligations or certifications. If the card is 8224
used for more than the amount originally authorized and if for any 8225
reason that amount is not authorized after the fact, then the 8226
county treasury shall be reimbursed for any amount spent beyond 8227
the originally authorized amount in the following manner: 8228

(a) If the card is issued in the name of a specific officer 8229
or employee, then that officer or employee is liable in person and 8230
upon any official bond the officer or employee has given to the 8231
county to reimburse the county treasury for the amount charged to 8232
the county beyond the originally authorized amount. 8233

(b) If the card was issued to the office of the appointing 8234
authority, then the appointing authority is liable in person and 8235
upon any official bond the appointing authority has given to the 8236
county for the amount charged to the county beyond the originally 8237
authorized amount. 8238

(2) Any time a county credit card authorized for use under 8239
division (E)(2) of this section is used for more than the amount 8240
appropriated under that division, the appointing authority may 8241
request the board of county commissioners to issue a supplemental 8242
appropriation or make a transfer to the proper line item account 8243
as permitted in section 5705.40 of the Revised Code, to cover the 8244
amount charged beyond the originally appropriated amount. If the 8245
card is used for more than the amount originally appropriated and 8246
if for any reason that amount is not appropriated or transferred 8247
as permitted by this section, then the county treasury shall be 8248
reimbursed for any amount spent beyond the originally appropriated 8249
amount in the following manner: 8250

(a) If the card is issued in the name of a specific officer 8251
or employee, then that officer or employee is liable in person and 8252
upon any official bond the officer or employee has given to the 8253

county for reimbursing the county treasury for any amount charged 8254
on the card beyond the originally appropriated amount. 8255

(b) If the card is issued in the name of the office of the 8256
appointing authority, then the appointing authority is liable in 8257
person and upon any official bond the appointing authority has 8258
given to the county for reimbursement for any amount charged on 8259
the card beyond the originally appropriated amount. 8260

(3) Whenever any officer or employee authorized to use a 8261
credit card held by the board or the office of any other county 8262
appointing authority suspects the loss, theft, or possibility of 8263
unauthorized use of the county credit card the officer or employee 8264
is authorized to use, the officer or employee shall so notify the 8265
officer's or employee's appointing authority or the board 8266
immediately and in writing. 8267

(4) If the county auditor determines there has been a credit 8268
card expenditure beyond the appropriated or authorized amount as 8269
provided in division (E) of this section, the auditor immediately 8270
shall notify the board of county commissioners of this fact. When 8271
the board of county commissioners determines on its own or after 8272
notification from the county auditor that the county treasury 8273
should be reimbursed for credit card expenditures beyond the 8274
appropriated or authorized amount as provided in divisions (F)(1) 8275
and (2) of this section, it shall give written notice to the 8276
officer or employee or appointing authority liable to the treasury 8277
as provided in divisions (F)(1) and (2) of this section. If, 8278
within thirty days after issuance of this written notice the 8279
county treasury is not reimbursed for the amount shown on the 8280
written notice, the prosecuting attorney of the county shall 8281
recover that amount from the officer or employee or appointing 8282
authority who is liable under this section by civil action in any 8283
court of appropriate jurisdiction. 8284

(G) Use of a county credit card for any use other than those 8285

permitted under division (B) of this section is a violation of law 8286
for the purposes of section 2913.21 of the Revised Code. 8287

Sec. 307.86. Anything to be purchased, leased, leased with an 8288

either of the following applies: 8307

members, constituting a quorum, are present. 8314

Whenever a contract of purchase, lease, or construction is 8315

exempted from competitive bidding under division (A)(1) of this section because the estimated cost is less than fifty thousand dollars, but the estimated cost is fifteen thousand dollars or more, the county or contracting authority shall solicit informal estimates from no fewer than three persons who could perform the contract, before awarding the contract. With regard to each such contract, the county or contracting authority shall maintain a record of such estimates, including the name of each person from whom an estimate is solicited. The county or contracting authority shall maintain the record for the longer of at least one year after the contract is awarded or the amount of time the federal government requires.

mine, the name of the mine, and the name of the person operating 10783
the mine. 10784

The chief shall cause a copy of the weekly circular prepared 10785
by the division to be provided to the county engineer of each 10786
county that contains active or proposed drilling activity. The 10787
weekly circular shall contain, in the manner prescribed by the 10788
chief, the names of all applicants for permits, the location of 10789
each well or proposed well, the information required by division 10790
(K) of this section, and any additional information the chief 10791
prescribes. 10792

The chief shall not issue a permit for at least ten days 10793
after the date of filing of the application for the permit unless, 10794
upon reasonable cause shown, the chief waives that period or a 10795
request for expedited review is filed under this section. However, 10796
the chief shall issue a permit within twenty-one days of the 10797
filing of the application unless the chief denies the application 10798
by order. 10799

An applicant may file a request with the chief for expedited 10800
review of a permit application if the well is not or is not to be 10801
located in a gas storage reservoir or reservoir protective area, 10802
as "reservoir protective area" is defined in section 1571.01 of 10803
the Revised Code. If the well is or is to be located in a coal 10804
bearing township, the application shall be accompanied by the 10805
affidavit of the landowner prescribed in section 1509.08 of the 10806
Revised Code. 10807

In addition to a complete application for a permit that meets 10808
the requirements of this section and the permit fee prescribed by 10809
this section, a request for expedited review shall be accompanied 10810
by a separate nonrefundable filing fee of five hundred dollars. 10811
Upon the filing of a request for expedited review, the chief shall 10812
cause the county engineer of the county in which the well is or is 10813
to be located to be notified of the filing of the permit 10814
application and the request for expedited review by telephone or 10815
other means that in the judgment of the chief will provide timely 10816

notice of the application and request. The chief shall issue a permit within seven days of the filing of the request unless the chief denies the application by order. Notwithstanding the provisions of this section governing expedited review of permit applications, the chief may refuse to accept requests for expedited review if, in the chief's judgment, the acceptance of the requests would prevent the issuance, within twenty-one days of their filing, of permits for which applications are pending.

A well shall be drilled and operated in accordance with the plans, sworn statements, and other information submitted in the approved application.

The chief shall issue an order denying a permit if the chief finds that there is a substantial risk that the operation will result in violations of this chapter or rules adopted under it that will present an imminent danger to public health or safety or damage to the environment, provided that where the chief finds that terms or conditions to the permit can reasonably be expected to prevent such violations, the chief shall issue the permit subject to those terms or conditions.

Each application for a permit required by section 1509.05 of the Revised Code, except an application for a well drilled or reopened for purposes of section 1509.22 of the Revised Code, also shall be accompanied by a nonrefundable fee of two hundred fifty dollars.

The chief may order the immediate suspension of drilling, operating, or plugging activities after finding that any person is causing, engaging in, or maintaining a condition or activity that in the chief's judgment presents an imminent danger to public health or safety or results in or is likely to result in immediate substantial damage to natural resources or for nonpayment of the fee required by this section. The chief may order the immediate suspension of the drilling or reopening of a well in a coal

bearing township after determining that the drilling or reopening 10849
activities present an imminent and substantial threat to public 10850
health or safety or to miners' health or safety. Before issuing 10851
any such order, the chief shall notify the owner in such manner as 10852
in the chief's judgment would provide reasonable notification that 10853
the chief intends to issue a suspension order. The chief may issue 10854
such an order without prior notification if reasonable attempts to 10855
notify the owner have failed, but in such an event notification 10856
shall be given as soon thereafter as practical. Within five 10857
calendar days after the issuance of the order, the chief shall 10858
provide the owner an opportunity to be heard and to present 10859
evidence that the condition or activity is not likely to result in 10860
immediate substantial damage to natural resources or does not 10861
present an imminent danger to public health or safety or to 10862
miners' health or safety, if applicable. In the case of activities 10863
in a coal bearing township, if the chief, after considering 10864
evidence presented by the owner, determines that the activities do 10865
not present such a threat, the chief shall revoke the suspension 10866
order. Notwithstanding any provision of this chapter, the owner 10867
may appeal a suspension order directly to the court of common 10868
pleas of the county in which the activity is located or, if in a 10869
coal bearing township, to the ~~mine-examining board~~ reclamation 10870
commission under section 1513.13 of the Revised Code. 10871
10872

Sec. 1509.071. (A) When the chief of the division of mineral 10873
resources management finds that an owner has failed to comply with 10874
the restoration requirements of section 1509.072, plugging 10875
requirements of section 1509.12, or permit provisions of section 10876
1509.13 of the Revised Code, or rules and orders relating thereto, 10877
the chief shall make a finding of that fact and declare any surety 10878
bond filed to ensure compliance with those sections and rules 10879
forfeited in the amount set by rule of the chief. The chief 10880

thereupon shall certify the total forfeiture to the attorney 10881
general, who shall proceed to collect the amount of the 10882
forfeiture. 10883

In lieu of total forfeiture, the surety, at its option, may 10884
cause the well to be properly plugged and abandoned and the area 10885
properly restored or pay to the treasurer of state the cost of 10886
plugging and abandonment. 10887

(B) All moneys collected because of forfeitures of bonds as 10888
provided in this section shall be deposited in the state treasury 10889
to the credit of the oil and gas well fund created in section 10890
1509.02 of the Revised Code. The fund shall be expended by the 10891
chief for the following purposes in addition to the other purposes 10892
specified in that section: 10893

(1) In accordance with division (D) of this section, to plug 10894
wells or to restore the land surface properly as required in 10895
section 1509.072 of the Revised Code for which the bonds have been 10896
forfeited, for abandoned wells for which no funds are available to 10897
plug the wells in accordance with this chapter, or to use 10898
abandoned wells for the injection of oil or gas production wastes; 10899

(2) In accordance with division (E) of this section, to 10900
correct conditions that the chief reasonably has determined are 10901
causing imminent health or safety risks. 10902

Expenditures from the fund shall be made only for lawful 10903
purposes. 10904

(C)(1) Upon determining that the owner of a well has failed 10905
to properly plug and abandon it or to properly restore the land 10906
surface at the well site in compliance with the applicable 10907
requirements of this chapter and applicable rules adopted and 10908
orders issued under it or that a well is an abandoned well for 10909
which no funds are available to plug the well in accordance with 10910
this chapter, the chief shall do all of the following: 10911

(a) Determine from the records in the office of the county recorder of the county in which the well is located the identity of the owner of the land on which the well is located, the identity of the owner of the oil or gas lease under which the well was drilled or the identity of each person owning an interest in the lease, and the identities of the persons having legal title to, or a lien upon, any of the equipment appurtenant to the well;

(b) Mail notice to the owner of the land on which the well is located informing the landowner that the well is to be plugged. If the owner of the oil or gas lease under which the well was drilled is different from the owner of the well or if any persons other than the owner of the well own interests in the lease, the chief also shall mail notice that the well is to be plugged to the owner of the lease or to each person owning an interest in the lease, as appropriate.

(c) Mail notice to each person having legal title to, or a lien upon, any equipment appurtenant to the well, informing the person that the well is to be plugged and offering the person the opportunity to plug the well and restore the land surface at the well site at the person's own expense in order to avoid forfeiture of the equipment to this state.

(2) If none of the persons described in division (C)(1)(c) of this section plugs the well within sixty days after the mailing of the notice required by that division, all equipment appurtenant to the well is hereby declared to be forfeited to this state without compensation and without the necessity for any action by the state for use to defray the cost of plugging and abandoning the well and restoring the land surface at the well site.

(D) Expenditures from the fund for the purpose of division (B)(1) of this section shall be made in accordance with either of the following:

(1) The expenditures may be made pursuant to contracts 10943
entered into by the chief with persons who agree to furnish all of 10944
the materials, equipment, work, and labor as specified and 10945
provided in such a contract. Agents or employees of persons 10946
contracting with the chief for the restoration, plugging, and 10947
injection projects may enter upon any land, public or private, ~~for~~ 10948
~~which a project has been approved by the controlling board and on~~ 10949
which the well is located, for the purpose of performing the work. 10950
Prior to such entry, the chief shall give to the following persons 10951
written notice of the existence of a contract for a project to 10952
restore, plug, or inject oil or gas production wastes into a well, 10953
the names of the persons with whom the contract is made, and the 10954
date that the project will commence: the owner of the well, the 10955
owner of the land upon which the well is located, the owner or 10956
agents of adjoining land, and, if the well is located in the same 10957
township as or in a township adjacent to the excavations and 10958
workings of a mine and the owner or lessee of that mine has 10959
provided written notice identifying those townships to the chief 10960
at any time during the immediately preceding three years, the 10961
owner or lessee of the mine. 10962

~~The chief periodically shall submit project proposals under 10963
division (D)(1) of this section to the controlling board, together 10964
with benefit and cost data and other pertinent information. 10965
Expenditures from the fund for the purpose of division (D)(1) of 10966
this section may be made only for restoration, plugging, or 10967
injection projects that are approved by the controlling board, and 10968
expenditures for a particular project may not exceed any limits 10969
set by the board. 10970~~

(2)(a) The owner of the land on which a well is located who 10971
has received notice under division (C)(1)(b) of this section may 10972
plug the well and be reimbursed by the division for the reasonable 10973
cost of plugging the well. In order to plug the well, the 10974

landowner shall submit an application to the chief on a form 10975
prescribed by the chief and approved by the technical advisory 10976
council on oil and gas created in section 1509.38 of the Revised 10977
Code. The application, at a minimum, shall require the landowner 10978
to provide the same information as is required to be included in 10979
the application for a permit to plug and abandon under section 10980
1509.13 of the Revised Code. The application shall be accompanied 10981
by a copy of a proposed contract to plug the well prepared by a 10982
contractor regularly engaged in the business of plugging oil and 10983
gas wells. The proposed contract shall require the contractor to 10984
furnish all of the materials, equipment, work, and labor necessary 10985
to plug the well properly and shall specify the price for doing 10986
the work, including a credit for the equipment appurtenant to the 10987
well that was forfeited to the state through the operation of 10988
division (C)(2) of this section. The application also shall be 10989
accompanied by the permit fee required by section 1509.13 of the 10990
Revised Code unless the chief, in the chief's discretion, waives 10991
payment of the permit fee. The application constitutes an 10992
application for a permit to plug and abandon the well for the 10993
purposes of section 1509.13 of the Revised Code. 10994

(b) Within thirty days after receiving an application and 10995
accompanying proposed contract under division (D)(2)(a) of this 10996
section, the chief shall determine whether the plugging would 10997
comply with the applicable requirements of this chapter and 10998
applicable rules adopted and orders issued under it and whether 10999
the cost of the plugging under the proposed contract is 11000
reasonable. If the chief determines that the proposed plugging 11001
would comply with those requirements and that the proposed cost of 11002
the plugging is reasonable, the chief shall notify the landowner 11003
of that determination and issue to the landowner a permit to plug 11004
and abandon the well under section 1509.13 of the Revised Code. 11005
Upon approval of the application and proposed contract, the chief 11006

shall transfer ownership of the equipment appurtenant to the well 11007
to the landowner. The chief may disapprove an application 11008
submitted under division (D)(2)(a) of this section if the chief 11009
determines that the proposed plugging would not comply with the 11010
applicable requirements of this chapter and applicable rules 11011
adopted and orders issued under it, that the cost of the plugging 11012
under the proposed contract is unreasonable, or that the proposed 11013
contract is not a bona fide, arms length contract. 11014

(c) After receiving the chief's notice of the approval of the 11015
application and permit to plug and abandon a well under division 11016
(D)(2)(b) of this section, the landowner shall enter into the 11017
proposed contract to plug the well. The plugging shall be 11018
completed within one hundred eight days after the landowner 11019
receives the notice of approval and permit. 11020

(d) Upon determining that the plugging has been completed 11021
within the time required by division (D)(2)(c) of this section and 11022
has been completed in compliance with the applicable requirements 11023
of this chapter and applicable rules adopted and orders issued 11024
under it, the chief shall reimburse the landowner for the cost of 11025
the plugging as set forth in the proposed contract approved by the 11026
chief. The reimbursement shall be paid from the oil and gas well 11027
fund. If the chief determines that the plugging was not completed 11028
within the required time or was not completed in accordance with 11029
the applicable requirements, the chief shall not reimburse the 11030
landowner for the cost of the plugging, and the landowner or the 11031
contractor, as applicable, promptly shall transfer back to this 11032
state title to and possession of the equipment appurtenant to the 11033
well that previously was transferred to the landowner under 11034
division (D)(2)(b) of this section. If any such equipment was 11035
removed from the well during the plugging and sold, the landowner 11036
shall pay to the chief the proceeds from the sale of the 11037
equipment, and the chief promptly shall pay the moneys so received 11038

to the treasurer of state for deposit into the oil and gas well fund. 11039
11040

The chief may establish an annual limit on the number of wells that may be plugged under division (D)(2) of this section or an annual limit on the expenditures to be made under that division. 11041
11042
11043
11044

As used in division (D)(2) of this section, "plug" and "plugging" include the plugging of the well and the restoration of the land surface disturbed by the plugging. 11045
11046
11047

(E) Expenditures from the oil and gas well fund for the purpose of division (B)(2) of this section may be made pursuant to contracts entered into by the chief with persons who agree to furnish all of the materials, equipment, work, and labor as specified and provided in such a contract. The competitive bidding requirements of Chapter 153. of the Revised Code do not apply if the chief reasonably determines that correction of the applicable health or safety risk requires immediate action. The chief, designated representatives of the chief, and agents or employees of persons contracting with the chief under this division may enter upon any land, public or private, for the purpose of performing the work. 11048
11049
11050
11051
11052
11053
11054
11055
11056
11057
11058
11059

(F) Contracts entered into by the chief under this section are not subject to either of the following: 11060
11061

(1) Chapter 4115. of the Revised Code; 11062

(2) Section 153.54 of the Revised Code, except that the contractor shall obtain and provide to the chief as a bid guaranty a surety bond or letter of credit in an amount equal to ten per cent of the amount of the contract. 11063
11064
11065
11066

(G) The owner of land on which a well is located who has received notice under division (C)(1)(b) of this section, in lieu of plugging the well in accordance with division (D)(2) of this 11067
11068
11069

section, may cause ownership of the well to be transferred to an owner who is lawfully doing business in this state and who has met the financial responsibility requirements established under section 1509.07 of the Revised Code, subject to the approval of the chief. The transfer of ownership also shall be subject to the landowner's filing the appropriate forms required under this chapter and providing to the chief sufficient information to demonstrate the landowner's or owner's right to produce a formation or formations. That information may include a deed, a lease, or other documentation of ownership or property rights.

The chief shall approve or disapprove the transfer of ownership of the well. If the chief approves the transfer, the owner is responsible for operating the well in accordance with this chapter and rules adopted under it, including, without limitation, all of the following:

(1) Filing an application with the chief under section 1509.06 of the Revised Code if the owner intends to drill deeper or produce a formation that is not listed in the records of the division for that well;

(2) Taking title to and possession of the equipment appurtenant to the well that has been identified by the chief as having been abandoned by the former owner;

(3) Complying with all applicable requirements that are necessary to drill deeper, plug the well, or plug back the well.

Sec. 1509.08. Upon receipt of an application for a permit required by section 1509.05 of the Revised Code, or upon receipt of an application for a permit to plug and abandon under section 1509.13 of the Revised Code, the chief of the division of mineral resources management shall determine whether the well is or is to be located in a coal bearing township.

Whether or not the well is or is to be located in a coal bearing township, the chief, by order, may refuse to issue a permit required by section 1509.05 of the Revised Code to any applicant who at the time of applying for the permit is in material or substantial violation of this chapter or rules adopted or orders issued under it. The chief shall refuse to issue a permit to any applicant who at the time of applying for the permit has been found liable by a final nonappealable order of a court of competent jurisdiction for damage to streets, roads, highways, bridges, culverts, or drainways pursuant to section 4513.34 or 5577.12 of the Revised Code until the applicant provides the chief with evidence of compliance with the order. No applicant shall attempt to circumvent this provision by applying for a permit under a different name or business organization name, by transferring responsibility to another person or entity, by abandoning the well or lease, or by any other similar act.

If the well is not or is not to be located in a coal bearing township, or if it is to be located in a coal bearing township, but the landowner submits an affidavit attesting to ownership of the property in fee simple, including the coal, and has no objection to the well, the chief shall issue the permit.

If the application to drill, reopen, or convert concerns a well that is or is to be located in a coal bearing township, the chief immediately shall notify the owner or lessee of any affected mine that the application has been filed and send to the owner or lessee two copies of the map accompanying the application setting forth the location of the well.

If the owner or lessee objects to the location of the well or objects to any location within fifty feet of the original location as a possible site for relocation of the well, the owner or lessee shall notify the chief of the objection, giving the reasons for the objection and, if applicable, indicating on a copy of the map

the particular location or locations within fifty feet of the
original location to which the owner or lessee objects as a site
for possible relocation of the well, within six days after the
receipt of the notice. If the chief receives no objections from
the owner or lessee of the mine within ten days after the receipt
of the notice by the owner or lessee, or if in the opinion of the
chief the objections offered by the owner or lessee are not
sufficiently well founded, the chief immediately shall notify the
owner or lessee of those findings. The owner or lessee may appeal
the decision of the chief to the ~~mine examining board created~~
reclamation commission under section ~~1561.10~~ 1513.13 of the
Revised Code. The appeal shall be filed within fifteen days,
notwithstanding provisions in divisions (A)(1) of section 1513.13
of the Revised Code, to the contrary, from the date on which the
owner or lessee receives the notice. If the appeal is not filed
within that time, the chief immediately shall approve the
application and issue the permit if the provisions of this chapter
pertaining to the issuance of such a permit have been complied
with.

If the chief receives an objection from the owner or lessee
of the mine as to the location of the well within ten days after
receipt of the notice by the owner or lessee, and if in the
opinion of the chief the objection is well founded, the chief
shall disapprove the application and suggest a new location for
the well, provided that the suggested new location shall not be a
location within fifty feet of the original location to which the
owner or lessee has objected as a site for possible relocation of
the well if the chief has determined that the objection is well
founded. The chief immediately shall notify the applicant for the
permit of the disapproval and any suggestion as to a new location
for the well. The applicant may withdraw the application or amend
the application to drill the well at the location suggested by the

chief, or the applicant may appeal the disapproval of the 11164
application by the chief to the ~~mine examining board~~ reclamation 11165
commission. 11166

If the chief receives no objection from the owner or lessee 11167
of a mine as to the location of the well, but does receive an 11168
objection from the owner or lessee as to one or more locations 11169
within fifty feet of the original location as possible sites for 11170
relocation of the well within ten days after receipt of the notice 11171
by the owner or lessee, and if in the opinion of the chief the 11172
objection is well founded, the chief nevertheless shall approve 11173
the application and issue a permit if the provisions of this 11174
chapter pertaining to the issuance of such a permit have been 11175
complied with, incorporating as a term or condition of the permit 11176
that the applicant is prohibited from commencing drilling at any 11177
location within fifty feet of the original location that has been 11178
disapproved by the chief. The applicant may appeal to the ~~mine~~ 11179
~~examining board~~ reclamation commission the terms and conditions of 11180
the permit prohibiting the commencement of drilling at any such 11181
location disapproved by the chief. 11182

Any such appeal shall be filed within fifteen days, 11183
notwithstanding provisions in division (A)(1) of section 1513.13 11184
of the Revised Code to the contrary, from the date the applicant 11185
receives notice of the disapproval of the application, any other 11186
location within fifty feet of the original location, or terms or 11187
conditions of the permit, or the owner or lessee receives notice 11188
of the chief's decision. No approval or disapproval of an 11189
application shall be delayed by the chief for more than fifteen 11190
days from the date of sending the notice of the application to the 11191
mine owner or lessee as required by this section. 11192

All appeals provided for in this section shall be treated as 11193
expedited appeals. The ~~mine examining board~~ reclamation commission 11194
shall hear any such appeal in accordance with section ~~1561.53~~ 11195

1513.13 of the Revised Code and ~~render~~ issue a decision within 11196
thirty days of the filing of the notice of appeal. 11197

The chief shall not issue a permit to drill a new well or 11198
reopen a well that is or is to be located within three hundred 11199
feet of any opening of any mine used as a means of ingress, 11200
egress, or ventilation for persons employed in the mine, nor 11201
within one hundred feet of any building or inflammable structure 11202
connected with the mine and actually used as a part of the 11203
operating equipment of the mine, unless the chief determines that 11204
life or property will not be endangered by drilling and operating 11205
the well in that location. 11206

Sec. 1509.11. The owner of any well producing or capable of 11207
producing oil or gas shall file with the chief of the division of 11208
mineral resources management, on or before the ~~fifteenth~~ first day 11209
of ~~April~~ March, a statement of production of oil, gas, and brine 11210
for the last preceding calendar year in such form as the chief may 11211
prescribe. The chief shall include on the form, at the minimum, a 11212
request for the submittal of the information that a person who is 11213
regulated under this chapter is required to submit under the 11214
"Emergency Planning and Community Right-To-Know Act of 1986," 100 11215
Stat. 1728, 42 U.S.C.A. 11001, and regulations adopted under it, 11216
and that the division does not obtain through other reporting 11217
mechanisms. 11218

Sec. 1509.23. (A) Rules of the chief of the division of 11219
mineral resources management may specify practices to be followed 11220
in the drilling of wells and production of oil and gas for 11221
protection of public health or safety or to prevent damage to 11222
natural resources, including specification of devices, minimum 11223
distances that wells and other excavations, structures, and 11224
equipment shall be located from water wells, streets, roads, 11225
highways, railroad tracks, and buildings, other methods of 11226

operation, and procedures, methods, and equipment and other 11227
requirements for equipment to prevent and contain discharges of 11228
oil from oil production facilities and oil drilling and workover 11229
facilities consistent with and equivalent in scope, content, and 11230
coverage to section 311(j)(1)(c) of the "Federal Water Pollution 11231
Control Act Amendments of 1972," 86 Stat. 886, 33 U.S.C.A. 1251, 11232
as amended, and regulations adopted under it. 11233

(B) The chief, in consultation with the emergency response 11234
commission created in section 3750.02 of the Revised Code, shall 11235
adopt rules in accordance with Chapter 119. of the Revised Code 11236
that specify the information that shall be included in an 11237
electronic database that the chief shall create and host. The 11238
information shall be that which the chief considers to be 11239
appropriate for the purpose of responding to emergency situations 11240
that pose a threat to public health or safety or the environment. 11241
At the minimum, the information shall include that which a person 11242
who is regulated under this chapter is required to submit under 11243
the "Emergency Planning and Community Right-To-Know Act of 1986," 11244
100 Stat. 1728, 42 U.S.C.A. 11001, and regulations adopted under 11245
it. 11246

In addition, the rules shall specify whether and to what 11247
extent the database and the information that it contains will be 11248
made accessible to the public. The rules shall ensure that the 11249
database will be made available via the internet or a system of 11250
computer disks to the emergency response commission and to every 11251
local emergency planning committee and fire department in this 11252
state. 11253

Sec. 1513.05. There is hereby created a reclamation 11254
commission consisting of seven members appointed by the governor 11255
with the advice and consent of the senate. For the purposes of 11256
hearing appeals under section 1513.13 of the Revised Code that 11257
involve mine safety issues, the reclamation commission shall 11258

consist of two additional members appointed specifically for that 11259
function by the governor with the advice and consent of the 11260
senate. All terms of office shall be for five years, commencing on 11261
the twenty-ninth day of June and ending on the twenty-eighth day 11262
of June. Each member shall hold office from the date of 11263
appointment until the end of the term for which the appointment 11264
was made. Each vacancy occurring on the commission shall be filled 11265
by appointment within sixty days after the vacancy occurs. Any 11266
member appointed to fill a vacancy occurring prior to the 11267
expiration of the term for which the member's predecessor was 11268
appointed shall hold office for the remainder of such term. Any 11269
member shall continue in office subsequent to the expiration date 11270
of the member's term until the member's successor takes office, or 11271
until a period of sixty days has elapsed, whichever occurs first. 11272
~~Two~~ 11273

Two of the appointees to the commission shall be persons who, 11274
at the time of their appointment, own and operate a farm or are 11275
retired farmers. Notwithstanding section 1513.04 of the Revised 11276
Code, one of the appointees to the commission shall be a person 11277
who, at the time of appointment, is the representative of an 11278
operator of a coal mine. One of the appointees to the commission 11279
shall be a person who, by reason of the person's previous 11280
vocation, employment, or affiliations, can be classed as a 11281
representative of the public. One of the appointees to the 11282
commission shall be a person who, by reason of previous training 11283
and experience, can be classed as one learned and experienced in 11284
modern forestry practices. One of the appointees to the commission 11285
shall be a person who, by reason of previous training and 11286
experience, can be classed as one learned and experienced in 11287
agronomy. One of the appointees to the commission shall be either 11288
a person who, by reason of previous training and experience, can 11289
be classed as one capable and experienced in earth-grading 11290
problems, or a civil engineer. Not more than four members shall be 11291

members of the same political party. 11292

The two additional members of the commission who are 11293
appointed specifically to hear appeals that involve mine safety 11294
issues shall be individuals who, because of previous vocation, 11295
employment, or affiliation, can be classified as representatives 11296
of employees currently engaged in mining operations. One shall be 11297
a representative of coal miners, and one shall be a representative 11298
of aggregates miners. Prior to making the appointment, the 11299
governor shall request the highest ranking officer in the major 11300
employee organization representing coal miners in this state to 11301
submit to the governor the names and qualifications of three 11302
nominees and shall request the highest ranking officer in the 11303
major employee organization representing aggregates miners in this 11304
state to do the same. The governor shall appoint one person 11305
nominated by each organization to the commission. The nominees 11306
shall have not less than five years of practical experience in 11307
dealing with mine health and safety issues and at the time of the 11308
nomination shall be employed in positions that involve the 11309
protection of the health and safety of miners. The major employee 11310
organization representing coal miners and the major employee 11311
organization representing aggregates miners shall represent a 11312
membership consisting of the largest number of coal miners and 11313
aggregates miners, respectively, in this state compared to other 11314
employee organizations in the year prior to the year in which the 11315
appointments are made. 11316

When the commission hears an appeal that involves a coal 11317
mining safety issue, one of the commission members who owns and 11318
operates a farm or is a retired farmer shall be replaced by the 11319
additional member who is a representative of coal miners. When the 11320
commission hears an appeal that involves an aggregates mining 11321
safety issue, one of the commission members who owns and operates 11322
a farm or is a retired farmer shall be replaced by the additional 11323

member who is a representative of aggregates miners. Neither of 11324
the additional members who are appointed specifically to hear 11325
appeals that involve mine safety issues shall be considered to be 11326
members of the commission for any other purpose, and they shall 11327
not participate in any other matters that come before the 11328
commission. 11329

The commission may appoint a secretary to hold office at its 11330
pleasure. A commission member may serve as secretary. The 11331
secretary shall perform such duties as the commission prescribes, 11332
and shall receive such compensation as the commission fixes in 11333
accordance with such schedules as are provided by law for the 11334
compensation of state employees. 11335

The commission shall appoint one or more hearing officers who 11336
shall be attorneys at law admitted to practice in this state to 11337
conduct hearings under this chapter. 11338

Four members constitute a quorum, and no action of the 11339
commission shall be valid unless it has the concurrence of at 11340
least four members. The commission shall keep a record of its 11341
proceedings. 11342

Each member shall be paid as compensation for work as a 11343
member one hundred fifty dollars per day when actually engaged in 11344
the performance of work as a member and when engaged in travel 11345
necessary in connection with such work. In addition to such 11346
compensation each member shall be reimbursed for all traveling, 11347
hotel, and other expenses, in accordance with the current travel 11348
rules of the office of budget and management, necessarily incurred 11349
in the performance of the member's work as a member. 11350

Annually one member shall be elected as chairperson and 11351
another member shall be elected as vice-chairperson for terms of 11352
one year. 11353

The governor may remove any member of the commission from 11354

office for inefficiency, neglect of duty, malfeasance, 11355
misfeasance, or nonfeasance, after delivering to the member the 11356
charges against the member in writing with at least ten days' 11357
written notice of the time and place at which the governor will 11358
publicly hear the member, either in person or by counsel, in 11359
defense of the charges against the member. If the member is 11360
removed from office, the governor shall file in the office of the 11361
secretary of state a complete statement of the charges made 11362
against the member and a complete report of the proceedings. The 11363
action of the governor removing a member from office is final. 11364

The commission shall adopt rules governing procedure of 11365
appeals under section 1513.13 of the Revised Code and may, for its 11366
own internal management, adopt rules ~~which~~ that do not affect 11367
private rights. 11368

Sec. 1513.10. If, at the end of a coal mining operation's 11369
permit or renewal period, the number of acres of land affected by 11370
the operation proves to be smaller than the number of acres of 11371
land for which the operator paid a permit fee for the operation 11372
under section 1513.07 of the Revised Code, the operator is 11373
entitled to a refund of the excess permit fee. The refund shall be 11374
in an amount equal to the amount paid per acre as a permit fee 11375
multiplied by the difference between the number of acres in the 11376
area of land affected as verified by the division of mineral 11377
resources management and the number of acres of land for which the 11378
operator paid a permit fee. 11379

Refunds shall be paid out of the reclamation fee fund, which 11380
is hereby created in the state treasury. The treasurer of state 11381
shall place forty thousand dollars from the fees collected under 11382
section 1513.07 of the Revised Code in the fund. As moneys are 11383
spent from the fund, the treasurer of state shall credit to the 11384
fund the amount that is needed to keep the balance of the fund at 11385

forty thousand dollars. The remainder of the fees collected under 11386
section 1513.07 of the Revised Code shall be deposited with the 11387
treasurer of state to the credit of the coal mining administration 11388
and reclamation reserve fund created in section 1513.181 of the 11389
Revised Code. 11390

Sec. 1513.13. (A)(1) ~~A person having an interest that is or~~ 11391
~~may be adversely affected by a finding or determination of the~~ 11392
~~chief of the division of mineral resources management made under~~ 11393
~~section 1509.08, 1561.35, 1561.351, 1563.13, or 6111.044 of the~~ 11394
~~Revised Code or an investigation made by the chief under section~~ 11395
~~1561.51 of the Revised Code may appeal to the mine examining board~~ 11396
~~in accordance with those sections. Any other person having an~~ 11397
interest that is or may be adversely affected by a notice of 11398
violation, order, or decision of the chief of the division of 11399
mineral resources management, other than a show cause order or an 11400
order that adopts a rule, or by any modification, vacation, or 11401
termination of such a notice, order, or decision, may appeal by 11402
filing a notice of appeal with the reclamation commission for 11403
review of the notice, order, or decision within thirty days after 11404
the notice, order, or decision is served upon the person or within 11405
thirty days after its modification, vacation, or termination and 11406
by filing a copy of the notice of appeal with the chief within 11407
three days after filing the notice of appeal with the commission. 11408
The notice of appeal shall contain a copy of the notice of 11409
violation, order, or decision complained of and the grounds upon 11410
which the appeal is based. The commission has exclusive original 11411
jurisdiction to hear and decide such appeals. The filing of a 11412
notice of appeal under division (A)(1) of this section does not 11413
operate as a stay of any order, notice of violation, or decision 11414
of the chief. 11415

(2) The permittee, the chief, and other interested persons 11416
shall be given written notice of the time and place of the hearing 11417

at least five days prior thereto. The hearing shall be of record. 11418

(3) Any person authorized under this section to appeal to the 11419
commission may request an informal review by the chief or the 11420
chief's designee by filing a written request with the chief within 11421
thirty days after a notice, order, decision, modification, 11422
vacation, or termination is served upon the person. Filing of the 11423
written request shall toll the time for appeal before the 11424
commission, but shall not operate as a stay of any order, notice 11425
of violation, or decision of the chief. The chief's determination 11426
of an informal review is appealable to the commission under this 11427
section. 11428

(B) The commission shall affirm the notice of violation, 11429
order, or decision of the chief unless the commission determines 11430
that it is arbitrary, capricious, or otherwise inconsistent with 11431
law; in that case the commission may modify the notice of 11432
violation, order, or decision or vacate it and remand it to the 11433
chief for further proceedings that the commission may direct. 11434

The commission shall conduct hearings and render decisions in 11435
a timely fashion, except that all of the following apply: 11436

(1) When the appeal concerns an order for the cessation of 11437
coal mining and reclamation operations issued pursuant to division 11438
(D)(1) or (2) of section 1513.02 of the Revised Code, the 11439
commission shall issue its written decision within thirty days 11440
after the receipt of the appeal unless temporary relief has been 11441
granted by the chairperson pursuant to division (C) of this 11442
section. 11443

(2) When the appeal concerns an application for a permit 11444
under division (I) of section 1513.07 of the Revised Code, the 11445
commission shall hold a hearing within thirty days after receipt 11446
of the notice of appeal and issue its decision within thirty days 11447
after the hearing. 11448

(3) When the appeal concerns a decision of the chief 11449
regarding release of bond under division (F) of section 1513.16 of 11450
the Revised Code, the commission shall hold a hearing within 11451
thirty days after receipt of the notice of appeal and issue its 11452
decision within sixty days after the hearing. 11453

(4) When the appeal concerns a decision of the chief 11454
regarding the location of a well in a coal bearing township under 11455
section 1509.08 of the Revised Code, the commission shall hold a 11456
hearing and issue its decision within thirty days after receipt of 11457
the notice of appeal. 11458

(C) The chairperson of the commission, under conditions the 11459
chairperson prescribes, may grant temporary relief the chairperson 11460
considers appropriate pending final determination of an appeal if 11461
all of the following conditions are met: 11462

(1) All parties to the appeal have been notified and given an 11463
opportunity for a hearing to be held in the locality of the 11464
subject site on the request for temporary relief and the 11465
opportunity to be heard on the request. 11466

(2) The person requesting relief shows that there is a 11467
substantial likelihood that the person will prevail on the merits. 11468

(3) The relief will not adversely affect public health or 11469
safety or cause significant imminent environmental harm to land, 11470
air, or water resources. 11471

The chairperson shall issue a decision expeditiously, except 11472
that when the applicant requests relief from an order for the 11473
cessation of coal mining and reclamation operations issued 11474
pursuant to division (D)(1) or (2) of section 1513.02 of the 11475
Revised Code, the decision shall be issued within five days after 11476
its receipt. 11477

Any party to an appeal filed with the commission who is 11478
aggrieved or adversely affected by a decision of the chairperson 11479

to grant or deny temporary relief under this section may appeal 11480
that decision to the commission. The commission may confine its 11481
review to the record developed at the hearing before the 11482
chairperson. 11483

The appeal shall be filed with the commission within thirty 11484
days after the chairperson issues the decision on the request for 11485
temporary relief. The commission shall issue a decision as 11486
expeditiously as possible, except that when the appellant requests 11487
relief from an order for the cessation of coal mining and 11488
reclamation operations issued pursuant to division (D)(1) or (2) 11489
of section 1513.02 of the Revised Code, the decision of the 11490
commission shall be issued within five days after receipt of the 11491
notice of appeal. 11492

The commission shall affirm the decision of the chairperson 11493
granting or denying temporary relief unless it determines that the 11494
decision is arbitrary, capricious, or otherwise inconsistent with 11495
law. 11496

(D) Following the issuance of an order to show cause as to 11497
why a permit should not be suspended or revoked pursuant to 11498
division (D)(3) of section 1513.02 of the Revised Code, the chief 11499
or a representative of the chief shall hold a public adjudicatory 11500
hearing after giving written notice of the time, place, and date 11501
thereof. The hearing shall be of record. 11502

Within sixty days following the public hearing, the chief 11503
shall issue and furnish to the permittee and all other parties to 11504
the hearing a written decision, and the reasons therefor, 11505
concerning suspension or revocation of the permit. If the chief 11506
revokes the permit, the permittee immediately shall cease coal 11507
mining operations on the permit area and shall complete 11508
reclamation within a period specified by the chief, or the chief 11509
shall declare as forfeited the performance bonds for the 11510
operation. 11511

(E)(1) Whenever an enforcement order or permit decision is 11512
appealed under this section or any action is filed under division 11513
(B) of section 1513.15 or 1513.39 of the Revised Code, at the 11514
request of a prevailing party, a sum equal to the aggregate amount 11515
of all costs and expenses, including attorney's fees, as 11516
determined to have been necessary and reasonably incurred by the 11517
prevailing party for or in connection with participation in the 11518
enforcement proceedings before the commission, the court under 11519
section 1513.15 of the Revised Code, or the chief under section 11520
1513.39 of the Revised Code, may be awarded, as considered proper, 11521
in accordance with divisions (E)(1)(a) to (c) of this section. In 11522
no event shall attorney's fees awarded under this section exceed, 11523
for the kind and quality of services, the prevailing market rates 11524
at the time the services were furnished under division (A) of this 11525
section. A party may be entitled to costs and expenses related 11526
solely to the preparation, defense, and appeal of a petition for 11527
costs and expenses, provided that the costs and expenses are 11528
limited and proportionate to costs and expenses otherwise allowed 11529
under division (E) of this section. 11530

(a) A party, other than the permittee or the division of 11531
mineral resources management, shall file a petition, if any, for 11532
an award of costs and expenses, including attorney's fees, with 11533
the chief, who shall review the petition. If the chief finds that 11534
the party, other than the permittee or the division, prevailed in 11535
whole or in part, made a substantial contribution to a full and 11536
fair determination of the issues, and made a contribution separate 11537
and distinct from the contribution made by any other party, the 11538
chief may award to that party the party's costs and expenses, 11539
including attorney's fees that were necessary and reasonably 11540
incurred by the party for, or in connection with, participation in 11541
the proceeding before the commission. 11542

(b) If a permittee who made a request under division (E)(1) 11543

of this section demonstrates that a party other than a permittee 11544
who initiated an appeal under this section or participated in such 11545
an appeal initiated or participated in the appeal in bad faith and 11546
for the purpose of harassing or embarrassing the permittee, the 11547
permittee may file a petition with the chief. The chief may award 11548
to the permittee the costs and expenses reasonably incurred by the 11549
permittee in connection with participation in the appeal and 11550
assess those costs and expenses against the party who initiated 11551
the appeal. 11552

(c) The division may file, with the commission, a request for 11553
an award to the division of the costs and expenses reasonably 11554
incurred by the division in connection with an appeal initiated 11555
under this section. The commission may assess those costs and 11556
expenses against the party who initiated the appeal if the 11557
division demonstrates that the party initiated or participated in 11558
the appeal in bad faith and for the purpose of harassing or 11559
embarrassing the division. 11560

(2) Whenever an order issued under this section or as a 11561
result of any administrative proceeding under this chapter is the 11562
subject of judicial review, at the request of any party, a sum 11563
equal to the aggregate amount of all costs and expenses, including 11564
attorney's fees, as determined by the court to have been necessary 11565
and reasonably incurred by the party for or in connection with 11566
participation in the proceedings, may be awarded to either party, 11567
in accordance with division (E)(1) of this section, as the court, 11568
on the basis of judicial review, considers proper. 11569

Sec. 1513.14. (A) Any party aggrieved or adversely affected 11570
by a decision of the reclamation commission may appeal to the 11571
court of appeals for the county in which the activity addressed by 11572
the decision of the commission occurred, is occurring, or will 11573
occur, which court has exclusive jurisdiction over the appeal. The 11574

appeal shall be filed within thirty days of issuance of the 11575
decision of the commission. The court shall confine its review to 11576
the record certified by the commission. The court may, upon 11577
motion, grant such temporary relief as it ~~deems~~ considers 11578
appropriate pending final disposition of the appeal if all of the 11579
following apply: 11580

(1) All parties to the appeal have been notified and given an 11581
opportunity to be heard on a request for temporary relief~~+~~. 11582

(2) The person requesting the relief shows that there is a 11583
substantial likelihood that the person will prevail on the merits~~+~~ 11584
and. 11585

(3) The relief will not adversely affect public health or 11586
safety or the health or safety of miners or cause significant 11587
imminent environmental harm to land, air, or water resources. 11588

The court shall affirm the decision of the commission unless 11589
the court determines that it is arbitrary, capricious, or 11590
otherwise inconsistent with law, in which case the court shall 11591
vacate the decision and remand to the commission for such further 11592
proceedings as it may direct. 11593

(B) Any order of the chief of the division of mineral 11594
resources management adopting a rule shall be subject to judicial 11595
review in the Franklin county court of appeals, which court has 11596
exclusive original jurisdiction to review the order. A petition 11597
for review of the order shall be filed within thirty days from the 11598
date of such order. The petition may be made by any person who 11599
participated in the rule-making proceedings and who is aggrieved 11600
by the order. The court shall confine its review to the record of 11601
the rule-making proceedings. The order shall be affirmed unless 11602
the court concludes that the order is arbitrary, capricious, or 11603
otherwise inconsistent with law, in which case the court shall 11604
vacate the order or portion thereof and remand to the chief for 11605
such further proceedings as it may direct. 11606

Sec. 1514.11. In addition to the purposes authorized in 11607
section 1514.06 of the Revised Code, the chief of the division of 11608
mineral resources management may use moneys in the surface mining 11609
fund created under that section for the administration and 11610
enforcement of this chapter, for the reclamation of land affected 11611
by surface mining under a permit issued under this chapter that 11612
the operator failed to reclaim and for which the performance bond 11613
filed by the operator is insufficient to complete the reclamation, 11614
~~and~~ for the reclamation of land affected by surface mining that 11615
was abandoned and left unreclaimed and for which no permit was 11616
issued or bond filed under this chapter, and for the mine safety 11617
and first aid classes provided under division (C) of section 11618
1561.26 of the Revised Code. The chief, with the approval of the 11619
director of natural resources, annually shall determine the 11620
amounts to be expended for the mine safety and first aid classes. 11621
For purposes of this section, the chief shall expend moneys in the 11622
fund in accordance with the procedures and requirements 11623
established in section 1514.06 of the Revised Code and may enter 11624
into contracts and perform work in accordance with that section. 11625

Fees collected under sections 1514.02 and 1514.03 of the 11626
Revised Code, one-half of the moneys collected from the severance 11627
taxes levied under divisions (A)(3) and (4) of section 5749.02 of 11628
the Revised Code, and all of the moneys collected from the 11629
severance tax levied under division (A)(7) of section 5749.02 of 11630
the Revised Code shall be credited to the fund in accordance with 11631
those sections. Notwithstanding any section of the Revised Code 11632
relating to the distribution or crediting of fines for violations 11633
of the Revised Code, all fines imposed under section 1514.99 of 11634
the Revised Code shall be credited to the fund. 11635

Sec. 1517.05. The department of natural resources, for and on 11636
behalf of the state, shall acquire a system of nature preserves 11637

for the following uses and purposes: 11638

(A) For scientific research in such fields as ecology, 11639
taxonomy, genetics, forestry, pharmacology, agriculture, soil 11640
science, geology, paleontology, conservation, and similar fields; 11641

(B) For the teaching of biology, natural history, ecology, 11642
geology, conservation, and other subjects; 11643

(C) As habitats for plant and animal species and communities 11644

(D) As reservoirs of natural materials; 11646

(E) As places of natural interest and beauty; 11647

(F) For visitation whereby persons may observe and experience 11648
natural biotic and environmental systems of the earth and their 11649
processes; 11650

(G) To promote understanding and appreciation of the 11651
aesthetic, cultural, scientific, and spiritual values of such 11652
areas by the people of the state; 11653

(H) For the preservation and protection of nature preserves 11654
against modification or encroachment resulting from occupation, 11655
development, or other use ~~which~~ that would destroy their natural 11656
or aesthetic conditions. 11657

The director of natural resources, upon the advice and 11658
concurrence of the Ohio natural areas council, shall accept 11659
natural areas by articles of dedication or gift, provided that 11660
funds and services are available for their preservation and 11661
protection. 11662

A nature preserve is established when articles of dedication 11663
have been filed by or at the direction of the owner of land, or a 11664
governmental agency having ownership or control thereof, in the 11665
office of the county recorder of the county in which the land is 11666
located. 11667

Articles of dedication shall be executed by the owner of the 11668
land in the same manner and with the same effect as a conveyance 11669
of an interest in land and shall be irrevocable except as provided 11670
in this section. The county recorder may not accept articles of 11671
dedication for recording unless they have been accepted by the 11672
director of natural resources. The director may not accept 11673
articles of dedication unless they contain terms restricting the 11674
use of the land ~~which~~ that adequately provide for its preservation 11675
and protection against modification or encroachment resulting from 11676
occupation, development, or other use ~~which~~ that would destroy its 11677
natural or aesthetic conditions for one or more of the uses and 11678
purposes set forth in this section. Wherever possible and 11679
consistent with such preservation and protection of the land, the 11680
articles shall provide for public access in order that the maximum 11681
benefit be obtained for the uses and purposes stated in this 11682
section. 11683

Articles of dedication may contain provisions for the 11684
management, custody, and transfer of land, provisions defining the 11685
rights of the owner or operating agency, and the department, and 11686
such other provisions as may be necessary or advisable to carry 11687
out the uses and purposes for which the land is dedicated. They 11688
may contain conditions under which the owner and the director of 11689
natural resources may agree to rescind the articles. 11690

The attorney general, upon request of the director of natural 11691
resources, may bring an action for injunction in any court of 11692
competent jurisdiction to enforce the terms of articles of 11693
dedication. 11694

The department may make or accept amendments of any articles 11695
of dedication upon terms and conditions that the director of 11696
natural resources determines will not destroy the natural or 11697
aesthetic conditions of a preserve, including amendments that are 11698
in regard to a dedicated preserve not owned in fee simple by the 11699

department and that provide for the relocation of an existing 11700
easement, license, or right of way within the boundaries of the 11701
preserve if the relocation best serves to protect the natural or 11702
aesthetic condition of the preserve. If the fee simple interest in 11703
the area or preserve is not held by the state, no amendments shall 11704
be made without the written consent of the owner. Each amendment 11705
shall be recorded in the same manner as the articles of 11706
dedication. 11707

Sec. 1517.06. (A) Nature preserves dedicated under section 11708
1517.05 of the Revised Code are to be held in trust, for the uses 11709
and purposes set forth in that section ~~1517.05 of the Revised~~ 11710
~~Code~~, for the benefit of the people of the state of present and 11711
future generations. They shall be managed and protected in the 11712
manner approved by⁷ and subject to rules established by the chief 11713
of the division of natural areas and preserves. They shall not be 11714
taken for any other use except another public use after a finding 11715
by the department of natural resources of the existence of an 11716
imperative and unavoidable public necessity for such other public 11717
use and with the approval of the governor. Except as may otherwise 11718
be provided in the articles of dedication, the department may 11719
grant, upon such terms and conditions as it may determine, an 11720
estate, interest, or right in, or dispose of, a nature preserve, 11721
but only after a finding by the department of the existence of an 11722
imperative and unavoidable public necessity for ~~such~~ the grant or 11723
disposition and with the approval of the governor. 11724

(B) For purposes of this section, the relocation of an 11726
existing easement, license, or right of way within the boundaries 11727
of a preserve does not constitute the taking of land for another 11728
use. In addition, the relocation does not require a finding of the 11729
existence of an imperative and unavoidable public necessity by the 11730
department and does not require the approval of the governor. 11731

Sec. 1517.07. Before (A) Except as provided in division (B) 11732
of this section, before the department of natural resources makes 11733
any finding of the existence of an imperative and unavoidable 11734
public necessity, or grants any estate, interest, or right in a 11735
nature preserve or disposes of a nature preserve or of any estate, 11736
interest, or right therein as provided in section 1517.06 of the 11737
Revised Code, it shall give notice of ~~such~~ the proposed action and 11738
an opportunity for any person to be heard at a public hearing in 11739
the county in which the preserve is located. In the event the 11740
preserve is located in more than one county, the public hearing 11741
shall be held in the most populous county. ~~Such~~ The notice shall 11742
be published at least once in a newspaper with a general 11743
circulation in the county in which the nature preserve is located. 11744
The notice shall set forth the substance of the proposed action 11745
and describe, with or without legal description, the nature 11746
preserve affected, and shall specify a place and time not less 11747
than thirty days after ~~such~~ the publication for a public hearing 11748
before the department on ~~such~~ the proposed action. All persons 11749
desiring to be heard shall have a reasonable opportunity to be 11750
heard prior to action by the department on ~~such~~ the proposal. 11751

(B) A public hearing under this section is not required for 11752
the relocation of an existing easement, license, or right of way 11753
within the boundaries of a preserve. 11754

Sec. 1521.04. The chief of the division of water, with the 11755
approval of the director of natural resources, may make loans and 11756

sources for carrying out those functions and for the performance 11761
of any acts that may be required by the United States or by any 11762

agency or department thereof as a condition for the participation 11763
by any governmental agency in any federal financial or technical 11764
assistance program. Direct and indirect costs of administration 11765
may be paid from the water management fund. 11766

The chief may use the water management fund to acquire, 11767
construct, reconstruct, improve, equip, maintain, operate, and 11768
dispose of water management improvements. The chief may fix, 11769
alter, charge, and collect rates, fees, rentals, and other charges 11770
to be paid into the water management fund by governmental agencies 11771
and persons who are supplied with water by facilities constructed 11772
or operated by the department of natural resources in order to 11773
amortize and defray the cost of the construction, maintenance, and 11774
operation of those facilities. ~~This section does not apply to the~~ 11775
~~Burr Oak water system administered by the chief engineer of the~~ 11776
~~department of natural resources under sections 1507.01 and 1507.12~~ 11777

treasurer of state to the credit of the legal aid fund established 14646
under section 120.52 of the Revised Code. 14647

The court may retain up to one per cent of the moneys it 14648
collects under this division to cover administrative costs, 14649
including the hiring of any additional personnel necessary to 14650
implement this division. 14651

(D) In the Cleveland municipal court, reasonable charges for 14652
investigating titles of real estate to be sold or disposed of 14653
under any writ or process of the court may be taxed as part of the 14654
costs. 14655

(E) Under the circumstances described in sections 2969.21 to 14656
2969.27 of the Revised Code, the clerk of the municipal court 14657
shall charge the fees and perform the other duties specified in 14658
those sections. 14659

Sec. 1907.24. (A) Subject to division (C) of this section, a 14660
county court shall fix and tax fees and costs as follows: 14661

(1) The county court shall require an advance deposit for the 14662
filing of any new civil action or proceeding when required by 14663
division (C) of this section and, in all other cases, shall 14664
establish a schedule of fees and costs to be taxed in any civil or 14665
criminal action or proceeding. 14666

(2) The county court by rule may require an advance deposit 14667
for the filing of a civil action or proceeding and publication 14668
fees as provided in section 2701.09 of the Revised Code. The court 14669
may waive an advance deposit requirement upon the presentation of 14670
an affidavit or other evidence that establishes that a party is 14671
unable to make the requisite deposit. 14672

(3) When a party demands a jury trial in a civil action or 14673
proceeding, the county court may require the party to make an 14674
advance deposit as fixed by rule of court, unless the court 14675

concludes, on the basis of an affidavit or other evidence 14676
presented by the party, that the party is unable to make the 14677
requisite deposit. If a jury is called, the county court shall tax 14678
the fees of a jury as costs. 14679

(4) In a civil or criminal action or proceeding, the county 14680
court shall fix the fees of witnesses in accordance with sections 14681
2335.06 and 2335.08 of the Revised Code. 14682

(5) A county court may tax as part of the costs in a trial of 14683
the cause, in an amount fixed by rule of court, a reasonable 14684
charge for driving, towing, carting, storing, keeping, and 14685
preserving motor vehicles and other personal property recovered or 14686
seized in a proceeding. 14687

(6) The court shall preserve chattel property seized under a 14688
writ or process issued by the court pending final disposition for 14689
the benefit of all interested persons. The court may place the 14690
chattel property in storage when necessary or proper for its 14691
preservation. The custodian of chattel property so stored shall 14692
not be required to part with the possession of the property until 14693
a reasonable charge, to be fixed by the court, is paid. 14694

(7) The county court, as it determines, may refund all 14695
deposits and advance payments of fees and costs, including those 14696
for jurors and summoning jurors, when they have been paid by the 14697
losing party. 14698

(8) The court may tax as part of costs charges for the 14699
publication of legal notices required by statute or order of 14700
court, as provided by section 7.13 of the Revised Code. 14701

(B)(1) The county court may determine that, for the efficient 14702
operation of the court, additional funds are necessary to acquire 14703
and pay for special projects of the court including, but not 14704
limited to, the acquisition of additional facilities or the 14705
rehabilitation of existing facilities, the acquisition of 14706

equipment, the hiring and training of staff, community service 14707
programs, mediation or dispute resolution services, the employment 14708
of magistrates, the training and education of judges, acting 14709
judges, and magistrates, and other related services. Upon that 14710
determination, the court by rule may charge a fee, in addition to 14711
all other court costs, on the filing of each criminal cause, civil 14712
action or proceeding, or judgment by confession. 14713

If the county court offers a special program or service in 14714
cases of a specific type, the county court by rule may assess an 14715
additional charge in a case of that type, over and above court 14716
costs, to cover the special program or service. The county court 14717
shall adjust the special assessment periodically, but not 14718
retroactively, so that the amount assessed in those cases does not 14719
exceed the actual cost of providing the service or program. 14720

All moneys collected under division (B) of this section shall 14721
be paid to the county treasurer for deposit into either a general 14722
special projects fund or a fund established for a specific special 14723
project. Moneys from a fund of that nature shall be disbursed upon 14724
an order of the court in an amount no greater than the actual cost 14725
to the court of a project. If a specific fund is terminated 14726
because of the discontinuance of a program or service established 14727
under division (B) of this section, the county court may order 14728
that moneys remaining in the fund be transferred to an account 14729
established under this division for a similar purpose. 14730

(2) As used in division (B) of this section: 14731

(a) "Criminal cause" means a charge alleging the violation of 14732
a statute or ordinance, or subsection of a statute or ordinance, 14733
that requires a separate finding of fact or a separate plea before 14734
disposition and of which the defendant may be found guilty, 14735
whether filed as part of a multiple charge on a single summons, 14736
citation, or complaint or as a separate charge on a single 14737
summons, citation, or complaint. "Criminal cause" does not include 14738

separate violations of the same statute or ordinance, or 14739
subsection of the same statute or ordinance, unless each charge is 14740
filed on a separate summons, citation, or complaint. 14741

(b) "Civil action or proceeding" means any civil litigation 14742
that must be determined by judgment entry. 14743

(C) Subject to division (E) of this section, ~~prior to January~~ 14744
~~1, 1993, and on and after January 1, 2003, the county court shall~~ 14745
~~collect the sum of four dollars as additional filing fees in each~~ 14746
~~new civil action or proceeding for the charitable public purpose~~ 14747
~~of providing financial assistance to legal aid societies that~~ 14748
~~operate within the state. Subject to division (E) of this section,~~ 14749
~~from January 1, 1993, through December 31, 2002, the county court~~ 14750
shall collect in all its divisions except the small claims 14751
division the sum of fifteen dollars as additional filing fees in 14752
each new civil action or proceeding for the charitable public 14753
purpose of providing financial assistance to legal aid societies 14754
that operate within the state. Subject to division (E) of this 14755
section, ~~from January 1, 1993, through December 31, 2002, the~~ 14756
county court shall collect in its small claims division the sum of 14757
seven dollars as additional filing fees in each new civil action 14758
or proceeding for the charitable public purpose of providing 14759
financial assistance to legal aid societies that operate within 14760
the state. This division does not apply to any execution on a 14761
judgment, proceeding in aid of execution, or other post-judgment 14762
proceeding arising out of a civil action. The filing fees required 14763
to be collected under this division shall be in addition to any 14764
other court costs imposed in the action or proceeding and shall be 14765
collected at the time of the filing of the action or proceeding. 14766
The court shall not waive the payment of the additional filing 14767
fees in a new civil action or proceeding unless the court waives 14768
the advanced payment of all filing fees in the action or 14769
proceeding. All such moneys collected during a month shall be 14770

transmitted on or before the twentieth day of the following month 14771
by the clerk of the court to the treasurer of state. The moneys 14772
then shall be deposited by the treasurer of state to the credit of 14773
the legal aid fund established under section 120.52 of the Revised 14774
Code. 14775

The court may retain up to one per cent of the moneys it 14776
collects under this division to cover administrative costs, 14777
including the hiring of any additional personnel necessary to 14778
implement this division. 14779

(D) The county court shall establish by rule a schedule of 14780
fees for miscellaneous services performed by the county court or 14781
any of its judges in accordance with law. If judges of the court 14782
of common pleas perform similar services, the fees prescribed in 14783
the schedule shall not exceed the fees for those services 14784
prescribed by the court of common pleas. 14785

(E) Under the circumstances described in sections 2969.21 to 14786
2969.27 of the Revised Code, the clerk of the county court shall 14787
charge the fees and perform the other duties specified in those 14788
sections. 14789

Sec. 2303.201. (A)(1) The court of common pleas of any county 14790
may determine that for the efficient operation of the court 14791
additional funds are required to computerize the court, to make 14792
available computerized legal research services, or to do both. 14793
Upon making a determination that additional funds are required for 14794
either or both of those purposes, the court shall authorize and 14795
direct the clerk of the court of common pleas to charge one 14796
additional fee, not to exceed three dollars, on the filing of each 14797
cause of action or appeal under divisions (A), (Q), and (U) of 14798
section 2303.20 of the Revised Code. 14799

(2) All fees collected under division (A)(1) of this section 14800
shall be paid to the county treasurer. The treasurer shall place 14801

the funds from the fees in a separate fund to be disbursed, upon 14802
an order of the court, in an amount not greater than the actual 14803
cost to the court of procuring and maintaining computerization of 14804
the court, computerized legal research services, or both. 14805

(3) If the court determines that the funds in the fund 14806
described in division (A)(2) of this section are more than 14807
sufficient to satisfy the purpose for which the additional fee 14808
described in division (A)(1) of this section was imposed, the 14809
court may declare a surplus in the fund and expend those surplus 14810
funds for other appropriate technological expenses of the court. 14811

(B)(1) The court of common pleas of any county may determine 14812
that, for the efficient operation of the court, additional funds 14813
are required to computerize the office of the clerk of the court 14814
of common pleas and, upon that determination, authorize and direct 14815
the clerk of the court of common pleas to charge an additional 14816
fee, not to exceed ten dollars, on the filing of each cause of 14817
action or appeal, on the filing, docketing, and endorsing of each 14818
certificate of judgment, or on the docketing and indexing of each 14819
aid in execution or petition to vacate, revive, or modify a 14820
judgment under divisions (A), (P), (Q), (T), and (U) of section 14821
2303.20 of the Revised Code. Subject to division (B)(2) of this 14822
section, all moneys collected under division (B)(1) of this 14823
section shall be paid to the county treasurer to be disbursed, 14824
upon an order of the court of common pleas and subject to 14825
appropriation by the board of county commissioners, in an amount 14826
no greater than the actual cost to the court of procuring and 14827
maintaining computer systems for the office of the clerk of the 14828
court of common pleas. 14829

(2) If the court of common pleas of a county makes the 14830
determination described in division (B)(1) of this section, the 14831
board of county commissioners of that county may issue one or more 14832
general obligation bonds for the purpose of procuring and 14833

maintaining the computer systems for the office of the clerk of 14834
the court of common pleas. In addition to the purposes stated in 14835
division (B)(1) of this section for which the moneys collected 14836
under that division may be expended, the moneys additionally may 14837
be expended to pay debt charges on and financing costs related to 14838
any general obligation bonds issued pursuant to division (B)(2) of 14839
this section as they become due. General obligation bonds issued 14840
pursuant to division (B)(2) of this section are Chapter 133. 14841
securities. 14842

~~(C) Prior to January 1, 1993, and on and after January 1,~~ 14843
~~2003, the court of common pleas shall collect the sum of four~~ 14844
~~dollars as additional filing fees in each new civil action or~~ 14845
~~proceeding for the charitable public purpose of providing~~ 14846
~~financial assistance to legal aid societies that operate within~~ 14847
~~the state. From January 1, 1993, through December 31, 2002, the~~ 14848
The court of common pleas shall collect the sum of fifteen dollars 14849
as additional filing fees in each new civil action or proceeding 14850
for the charitable public purpose of providing financial 14851
assistance to legal aid societies that operate within the state. 14852
This division does not apply to proceedings concerning annulments, 14853
dissolutions of marriage, divorces, legal separation, spousal 14854
support, marital property or separate property distribution, 14855
support, or other domestic relations matters; to a juvenile 14856
division of a court of common pleas; to a probate division of a 14857
court of common pleas, except that the additional filing fees 14858
shall apply to name change, guardianship, and adoption 14859
proceedings; or to an execution on a judgment, proceeding in aid 14860
of execution, or other post-judgment proceeding arising out of a 14861
civil action. The filing fees required to be collected under this 14862
division shall be in addition to any other filing fees imposed in 14863
the action or proceeding and shall be collected at the time of the 14864
filing of the action or proceeding. The court shall not waive the 14865

payment of the additional filing fees in a new civil action or 14866
proceeding unless the court waives the advanced payment of all 14867
filing fees in the action or proceeding. All such moneys collected 14868
during a month shall be transmitted on or before the twentieth day 14869
of the following month by the clerk of the court to the treasurer 14870
of state. The moneys then shall be deposited by the treasurer of 14871
state to the credit of the legal aid fund established under 14872
section 120.52 of the Revised Code. 14873

The court may retain up to one per cent of the moneys it 14874
collects under this division to cover administrative costs, 14875
including the hiring of any additional personnel necessary to 14876
implement this division. 14877

(D) On and after the thirtieth day after December 9, 1994, 14878
the court of common pleas shall collect the sum of thirty-two 14879
dollars as additional filing fees in each new action or proceeding 14880
for annulment, divorce, or dissolution of marriage for the purpose 14881
of funding shelters for victims of domestic violence pursuant to 14882
sections 3113.35 to 3113.39 of the Revised Code. The filing fees 14883
required to be collected under this division shall be in addition 14884
to any other filing fees imposed in the action or proceeding and 14885
shall be collected at the time of the filing of the action or 14886
proceeding. The court shall not waive the payment of the 14887
additional filing fees in a new action or proceeding for 14888
annulment, divorce, or dissolution of marriage unless the court 14889
waives the advanced payment of all filing fees in the action or 14890
proceeding. On or before the twentieth day of each month, all 14891
moneys collected during the immediately preceding month pursuant 14892
to this division shall be deposited by the clerk of the court into 14893
the county treasury in the special fund used for deposit of 14894
additional marriage license fees as described in section 3113.34 14895
of the Revised Code. Upon their deposit into the fund, the moneys 14896
shall be retained in the fund and expended only as described in 14897

section 3113.34 of the Revised Code. 14898

(E)(1) The court of common pleas may determine that, for the 14899
efficient operation of the court, additional funds are necessary 14900
to acquire and pay for special projects of the court, including, 14901
but not limited to, the acquisition of additional facilities or 14902
the rehabilitation of existing facilities, the acquisition of 14903
equipment, the hiring and training of staff, community service 14904
programs, mediation or dispute resolution services, the employment 14905
of magistrates, the training and education of judges, acting 14906
judges, and magistrates, and other related services. Upon that 14907
determination, the court by rule may charge a fee, in addition to 14908
all other court costs, on the filing of each criminal cause, civil 14909
action or proceeding, or judgment by confession. 14910

If the court of common pleas offers a special program or 14911
service in cases of a specific type, the court by rule may assess 14912
an additional charge in a case of that type, over and above court 14913
costs, to cover the special program or service. The court shall 14914
adjust the special assessment periodically, but not retroactively, 14915
so that the amount assessed in those cases does not exceed the 14916
actual cost of providing the service or program. 14917

All moneys collected under division (E) of this section shall 14918
be paid to the county treasurer for deposit into either a general 14919
special projects fund or a fund established for a specific special 14920
project. Moneys from a fund of that nature shall be disbursed upon 14921
an order of the court in an amount no greater than the actual cost 14922
to the court of a project. If a specific fund is terminated 14923
because of the discontinuance of a program or service established 14924
under division (E) of this section, the court may order that 14925
moneys remaining in the fund be transferred to an account 14926
established under this division for a similar purpose. 14927

(2) As used in division (E) of this section: 14928

(a) "Criminal cause" means a charge alleging the violation of a statute or ordinance, or subsection of a statute or ordinance, that requires a separate finding of fact or a separate plea before disposition and of which the defendant may be found guilty, whether filed as part of a multiple charge on a single summons, citation, or complaint or as a separate charge on a single summons, citation, or complaint. "Criminal cause" does not include separate violations of the same statute or ordinance, or subsection of the same statute or ordinance, unless each charge is filed on a separate summons, citation, or complaint.

(b) "Civil action or proceeding" means any civil litigation that must be determined by judgment entry.

Sec. 2317.02. The following persons shall not testify in certain respects:

(A) An attorney, concerning a communication made to the attorney by a client in that relation or the attorney's advice to a client, except that the attorney may testify by express consent of the client or, if the client is deceased, by the express consent of the surviving spouse or the executor or administrator of the estate of the deceased client and except that, if the client voluntarily testifies or is deemed by section 2151.421 of the Revised Code to have waived any testimonial privilege under this division, the attorney may be compelled to testify on the same subject;

(B)(1) A physician or a dentist concerning a communication made to the physician or dentist by a patient in that relation or the physician's or dentist's advice to a patient, except as otherwise provided in this division, division (B)(2), and division (B)(3) of this section, and except that, if the patient is deemed by section 2151.421 of the Revised Code to have waived any testimonial privilege under this division, the physician may be

compelled to testify on the same subject. 14960

The testimonial privilege established under this division 14961
does not apply, and a physician or dentist may testify or may be 14962
compelled to testify, in any of the following circumstances: 14963

(a) In any civil action, in accordance with the discovery 14964
provisions of the Rules of Civil Procedure in connection with a 14965
civil action, or in connection with a claim under Chapter 4123. of 14966
the Revised Code, under any of the following circumstances: 14967

(i) If the patient or the guardian or other legal 14968
representative of the patient gives express consent; 14969

(ii) If the patient is deceased, the spouse of the patient or 14970
the executor or administrator of the patient's estate gives 14971
express consent; 14972

(iii) If a medical claim, dental claim, chiropractic claim, 14973
or optometric claim, as defined in section 2305.11 of the Revised 14974
Code, an action for wrongful death, any other type of civil 14975
action, or a claim under Chapter 4123. of the Revised Code is 14976
filed by the patient, the personal representative of the estate of 14977
the patient if deceased, or the patient's guardian or other legal 14978
representative. 14979

(b) In any civil action concerning court-ordered treatment or 14980
services received by a patient, if the court-ordered treatment or 14981
services were ordered as part of a case plan journalized under 14982
section 2151.412 of the Revised Code or the court-ordered 14983
treatment or services are necessary or relevant to dependency, 14984
neglect, or abuse or temporary or permanent custody proceedings 14985
under Chapter 2151. of the Revised Code. 14986

(c) In any criminal action concerning any test or the results 14987
of any test that determines the presence or concentration of 14988
alcohol, a drug of abuse, or alcohol and a drug of abuse in the 14989
patient's blood, breath, urine, or other bodily substance at any 14990

time relevant to the criminal offense in question. 14991

(d) In any criminal action against a physician or dentist. In 14992
such an action, the testimonial privilege established under this 14993
division does not prohibit the admission into evidence, in 14994
accordance with the Rules of Evidence, of a patient's medical or 14995
dental records or other communications between a patient and the 14996
physician or dentist that are related to the action and obtained 14997
by subpoena, search warrant, or other lawful means. A court that 14998
permits or compels a physician or dentist to testify in such an 14999
action or permits the introduction into evidence of patient 15000
records or other communications in such an action shall require 15001
that appropriate measures be taken to ensure that the 15002
confidentiality of any patient named or otherwise identified in 15003
the records is maintained. Measures to ensure confidentiality that 15004
may be taken by the court include sealing its records or deleting 15005
specific information from its records. 15006

(2)(a) If any law enforcement officer submits a written 15007
statement to a health care provider that states that an official 15008
criminal investigation has begun regarding a specified person or 15009
that a criminal action or proceeding has been commenced against a 15010
specified person, that requests the provider to supply to the 15011
officer copies of any records the provider possesses that pertain 15012
to any test or the results of any test administered to the 15013
specified person to determine the presence or concentration of 15014
alcohol, a drug of abuse, or alcohol and a drug of abuse in the 15015
person's blood, breath, or urine at any time relevant to the 15016
criminal offense in question, and that conforms to section 15017
2317.022 of the Revised Code, the provider, except to the extent 15018
specifically prohibited by any law of this state or of the United 15019
States, shall supply to the officer a copy of any of the requested 15020
records the provider possesses. If the health care provider does 15021
not possess any of the requested records, the provider shall give 15022

the officer a written statement that indicates that the provider 15023
does not possess any of the requested records. 15024

(b) If a health care provider possesses any records of the 15025
type described in division (B)(2)(a) of this section regarding the 15026
person in question at any time relevant to the criminal offense in 15027
question, in lieu of personally testifying as to the results of 15028
the test in question, the custodian of the records may submit a 15029
certified copy of the records, and, upon its submission, the 15030
certified copy is qualified as authentic evidence and may be 15031
admitted as evidence in accordance with the Rules of Evidence. 15032
Division (A) of section 2317.422 of the Revised Code does not 15033
apply to any certified copy of records submitted in accordance 15034
with this division. Nothing in this division shall be construed to 15035
limit the right of any party to call as a witness the person who 15036
administered the test to which the records pertain, the person 15037
under whose supervision the test was administered, the custodian 15038
of the records, the person who made the records, or the person 15039
under whose supervision the records were made. 15040

(3)(a) If the testimonial privilege described in division 15041
(B)(1) of this section does not apply as provided in division 15042
(B)(1)(a)(iii) of this section, a physician or dentist may be 15043
compelled to testify or to submit to discovery under the Rules of 15044
Civil Procedure only as to a communication made to the physician 15045
or dentist by the patient in question in that relation, or the 15046
physician's or dentist's advice to the patient in question, that 15047
related causally or historically to physical or mental injuries 15048
that are relevant to issues in the medical claim, dental claim, 15049
chiropractic claim, or optometric claim, action for wrongful 15050
death, other civil action, or claim under Chapter 4123. of the 15051
Revised Code. 15052

(b) If the testimonial privilege described in division (B)(1) 15053
of this section does not apply to a physician or dentist as 15054

provided in division (B)(1)(c) of this section, the physician or
dentist, in lieu of personally testifying as to the results of the
test in question, may submit a certified copy of those results,
and, upon its submission, the certified copy is qualified as
authentic evidence and may be admitted as evidence in accordance
with the Rules of Evidence. Division (A) of section 2317.422 of
the Revised Code does not apply to any certified copy of results

that some of your money, property, or credits, other than personal 15990
earnings, now in the possession of (name and address of 15991
garnishee), the garnishee in this proceeding, be used to satisfy 15992

There may be other benefits not included in the above list	16017
that apply in your case.	16018
If you dispute the judgment creditor's right to garnish your	16019
property and believe that the judgment creditor should not be	16020
given your money, property, or credits, other than personal	16021
earnings, now in the possession of the garnishee because they are	16022
exempt or if you feel that this order is improper for any other	16023
reason, you may request a hearing before this court by disputing	16024
the claim in the request for hearing form, appearing below, or in	16025
a substantially similar form, and delivering the request for	16026
hearing to this court at the above address, at the office of the	16027
clerk of this court no later than the end of the fifth business	16028

not be held against you by the court, and you can state your	16035
reasons at the hearing. NO OBJECTIONS TO THE JUDGMENT ITSELF WILL	16036
BE HEARD OR CONSIDERED AT THE HEARING. If you request a hearing,	16037

the hearing will be limited to a consideration of the amount of

of your money, property, or credits, other than personal earnings,
will be paid to the judgment creditor.

(2) The judgment debtor may receive a hearing in accordance 16101
with this division by delivering a written request for hearing to 16102
the court within five business days after receipt of the notice 16103
provided pursuant to division (C)(1) of this section. The request 16104
may set forth the judgment debtor's reasons for disputing the 16105
judgment creditor's right to garnish the money, property, or 16106
credits, other than personal earnings; however, neither the 16107
judgment debtor's inclusion of nor failure to include those 16108
reasons upon the request constitutes a waiver of any defense of 16109
the judgment debtor or affects the judgment debtor's right to 16110
produce evidence at the hearing. If the request is made by the 16111
judgment debtor within the prescribed time, the hearing shall be 16112
limited to a consideration of the amount of money, property, or 16113
credits, other than personal earnings, of the judgment debtor in 16114
the hands of the garnishee, if any, that can be used to satisfy 16115
all or part of the debt owed by the judgment debtor to the 16116
judgment creditor. If a request for a hearing is not received by 16117
the court within the prescribed time, the hearing scheduled 16118
pursuant to division (A) of this section shall be canceled unless 16119
the court grants the judgment debtor a continuance in accordance 16120
with division (C)(3) of this section. 16121

(3) If the judgment debtor does not request a hearing in the 16122
action within the prescribed time pursuant to division (C)(2) of 16123
this section, the court nevertheless may grant a continuance of 16124
the scheduled hearing if the judgment debtor, prior to the time at 16125
which the hearing was scheduled, as indicated on the notice to the 16126
judgment debtor required by division (C)(1) of this section, 16127
establishes a reasonable justification for failure to request the 16128
hearing within the prescribed time. If the court grants a 16129
continuance of the hearing, it shall cause the matter to be set 16130
for hearing as soon as practicable thereafter. The continued 16131

hearing shall be conducted in accordance with division (C)(2) of 16132
this section. 16133

(4) The court may conduct the hearing on the matter prior to 16134
the time at which the hearing was scheduled, as indicated on the 16135
notice to the judgment debtor required by division (C)(1) of this 16136
section, upon the request of the judgment debtor. The parties 16137
shall be sent notice, by the clerk of the court, by regular mail, 16138
of any change in the date, time, or place of the hearing. 16139

(5) If the scheduled hearing is canceled and no continuance 16140
is granted, the court shall issue an order to the garnishee to pay 16141
all or some of the money, property, or credits, other than 16142
personal earnings, of the judgment debtor in the possession of the 16143
garnishee at the time of service of the notice and order into 16144
court if they have not already been paid to the court. This order 16145
shall be based on the answer of the garnishee filed pursuant to 16146
this section. If the scheduled hearing is conducted or if it is 16147
continued and conducted, the court shall determine at the hearing 16148
the amount of the money, property, or credits, other than personal 16149
earnings, of the judgment debtor in the possession of the 16150
garnishee at the time of service of the notice and order, if any, 16151
that can be used to satisfy all or part of the debt owed by the 16152
judgment debtor to the judgment creditor, and issue an order, 16153
accordingly, to the garnishee to pay that amount into court if it 16154
has not already been paid to the court. 16155

(D) The notice to the judgment debtor form and the request 16156
for hearing form described in division (C) of this section shall 16157
be sent by the clerk by ordinary or regular mail service unless 16158
the judgment creditor requests that service be made in accordance 16159
with the Rules of Civil Procedure, in which case the forms shall 16160
be served in accordance with the Rules of Civil Procedure. Any 16161
court of common pleas that issues an order of garnishment of 16162
property, other than personal earnings, under this section has 16163

jurisdiction to serve process pursuant to this section upon a 16164
garnishee who does not reside within the jurisdiction of the 16165
court. Any county court or municipal court that issues an order of 16166
garnishment of property, other than personal earnings, under this 16167
section has jurisdiction to serve process pursuant to this section 16168
upon a garnishee who does not reside within the jurisdiction of 16169
the court. 16170

Sec. 2919.271. (A)(1)(a) If a defendant is charged with a 16171
violation of section 2919.27 of the Revised Code or of a municipal 16172
ordinance that is substantially similar to that section, the court 16173
may order an evaluation of the mental condition of the defendant 16174
if the court determines that either of the following criteria 16175
apply: 16176

(i) If the alleged violation is a violation of a protection 16177
order issued or consent agreement approved pursuant to section 16178
2919.26 or 3113.31 of the Revised Code, that the violation 16179
allegedly involves conduct by the defendant that caused physical 16180
harm to the person or property of a family or household member 16181
covered by the order or agreement, or conduct by the defendant 16182
that caused a family or household member to believe that the 16183
defendant would cause physical harm to that member or that 16184
member's property. 16185

(ii) If the alleged violation is a violation of a protection 16186
order issued pursuant to section 2903.213 or 2903.214 of the 16187
Revised Code or a protection order issued by a court of another 16188
state, that the violation allegedly involves conduct by the 16189
defendant that caused physical harm to the person or property of 16190
the person covered by the order, or conduct by the defendant that 16191
caused the person covered by the order to believe that the 16192
defendant would cause physical harm to that person or that 16193
person's property. 16194

(b) If a defendant is charged with a violation of section 2903.211 of the Revised Code or of a municipal ordinance that is substantially similar to that section, the court may order an evaluation of the mental condition of the defendant.

(2) An evaluation ordered under division (A)(1) of this section shall be completed no later than thirty days from the date the order is entered pursuant to that division. In that order, the court shall do either of the following:

(a) Order that the evaluation of the mental condition of the defendant be preceded by an examination conducted either by a forensic center that is designated by the department of mental health to conduct examinations and make evaluations of defendants charged with violations of section 2903.211 or 2919.27 of the Revised Code or of substantially similar municipal ordinances in the area in which the court is located, or by any other program or facility that is designated by the department of mental health or the department of mental retardation and developmental disabilities to conduct examinations and make evaluations of defendants charged with violations of section 2903.211 or 2919.27 of the Revised Code or of substantially similar municipal ordinances, and that is operated by either department or is certified by either department as being in compliance with the standards established under division ~~(F)~~(I) of section 5119.01 of the Revised Code or division (C) of section 5123.04 of the Revised Code.

(b) Designate a center, program, or facility other than one designated by the department of mental health or the department of mental retardation and developmental disabilities, as described in division (A)(2)(a) of this section, to conduct the evaluation and preceding examination of the mental condition of the defendant.

Whether the court acts pursuant to division (A)(2)(a) or (b) of this section, the court may designate examiners other than the

personnel of the center, program, facility, or department involved 16227
to make the evaluation and preceding examination of the mental 16228
condition of the defendant. 16229

(B) If the court considers that additional evaluations of the 16230
mental condition of a defendant are necessary following the 16231
evaluation authorized by division (A) of this section, the court 16232
may order up to two additional similar evaluations. These 16233
evaluations shall be completed no later than thirty days from the 16234
date the applicable court order is entered. If more than one 16235
evaluation of the mental condition of the defendant is ordered 16236
under this division, the prosecutor and the defendant may 16237
recommend to the court an examiner whom each prefers to perform 16238
one of the evaluations and preceding examinations. 16239

(C)(1) The court may order a defendant who has been released 16240
on bail to submit to an examination under division (A) or (B) of 16241
this section. The examination shall be conducted either at the 16242
detention facility in which the defendant would have been confined 16243
if the defendant had not been released on bail, or, if so 16244
specified by the center, program, facility, or examiners involved, 16245
at the premises of the center, program, or facility. Additionally, 16246
the examination shall be conducted at the times established by the 16247
examiners involved. If such a defendant refuses to submit to an 16248
examination or a complete examination as required by the court or 16249
the center, program, facility, or examiners involved, the court 16250
may amend the conditions of the bail of the defendant and order 16251
the sheriff to take the defendant into custody and deliver the 16252
defendant to the detention facility in which the defendant would 16253
have been confined if the defendant had not been released on bail, 16254
or, if so specified by the center, program, facility, or examiners 16255
involved, to the premises of the center, program, or facility, for 16256
purposes of the examination. 16257

(2) A defendant who has not been released on bail shall be 16258

examined at the detention facility in which the defendant is 16259
confined or, if so specified by the center, program, facility, or 16260
examiners involved, at the premises of the center, program, or 16261
facility. 16262

(D) The examiner of the mental condition of a defendant under 16263
division (A) or (B) of this section shall file a written report 16264
with the court within thirty days after the entry of an order for 16265
the evaluation of the mental condition of the defendant. The 16266
report shall contain the findings of the examiner; the facts in 16267
reasonable detail on which the findings are based; the opinion of 16268
the examiner as to the mental condition of the defendant; the 16269
opinion of the examiner as to whether the defendant represents a 16270
substantial risk of physical harm to other persons as manifested 16271
by evidence of recent homicidal or other violent behavior, 16272
evidence of recent threats that placed other persons in reasonable 16273
fear of violent behavior and serious physical harm, or evidence of 16274
present dangerousness; and the opinion of the examiner as to the 16275
types of treatment or counseling that the defendant needs. The 16276
court shall provide copies of the report to the prosecutor and 16277
defense counsel. 16278

(E) The costs of any evaluation and preceding examination of 16279
a defendant that is ordered pursuant to division (A) or (B) of 16280
this section shall be taxed as court costs in the criminal case. 16281

(F) If the examiner considers it necessary in order to make 16282
an accurate evaluation of the mental condition of a defendant, an 16283
examiner under division (A) or (B) of this section may request any 16284
family or household member of the defendant to provide the 16285

(3) In a petition filed under division (A) of this section, a 16424
person upon whom a sentence of death has been imposed may ask the 16425
court to render void or voidable the judgment with respect to the 16426
conviction of aggravated murder or the specification of an 16427
aggravating circumstance. 16428

(4) A petitioner shall state in the original or amended 16429
petition filed under division (A) of this section all grounds for 16430
relief claimed by the petitioner. Except as provided in section 16431
2953.23 of the Revised Code, any ground for relief that is not so 16432
stated in the petition is waived. 16433

(5) If the petitioner in a petition filed under division (A) 16434
of this section was convicted of or pleaded guilty to a felony, 16435
the petition may include a claim that the petitioner was denied 16436
the equal protection of the laws in violation of the Ohio 16437
Constitution or the United States Constitution because the 16438
sentence imposed upon the petitioner for the felony was part of a 16439
consistent pattern of disparity in sentencing by the judge who 16440
imposed the sentence, with regard to the petitioner's race, 16441
gender, ethnic background, or religion. If the supreme court 16442
adopts a rule requiring a court of common pleas to maintain 16443
information with regard to an offender's race, gender, ethnic 16444

background, or religion, the supporting evidence for the petition 16445
shall include, but shall not be limited to, a copy of that type of 16446
information relative to the petitioner's sentence and copies of 16447
that type of information relative to sentences that the same judge 16448
imposed upon other persons. 16449

(B) The clerk of the court in which the petition is filed 16450
shall docket the petition and bring it promptly to the attention 16451
of the court. The petitioner need not serve a copy of the petition 16452
on the prosecuting attorney. The clerk of the court in which the 16453
petition is filed immediately shall forward a copy of the petition 16454
to the prosecuting attorney of that county. 16455

(C) The court shall consider a petition that is timely filed 16456
under division (A)(2) of this section even if a direct appeal of 16457
the judgment is pending. Before granting a hearing on a petition 16458
filed under division (A) of this section, the court shall 16459
determine whether there are substantive grounds for relief. In 16460
making such a determination, the court shall consider, in addition 16461
to the petition, the supporting affidavits, and the documentary 16462
evidence, all the files and records pertaining to the proceedings 16463
against the petitioner, including, but not limited to, the 16464
indictment, the court's journal entries, the journalized records 16465
of the clerk of the court, and the court reporter's transcript. 16466
The court reporter's transcript, if ordered and certified by the 16467
court, shall be taxed as court costs. If the court dismisses the 16468
petition, it shall make and file findings of fact and conclusions 16469
of law with respect to such dismissal. 16470

(D) Within ten days after the docketing of the petition, or 16471
within any further time that the court may fix for good cause 16472
shown, the prosecuting attorney shall respond by answer or motion. 16473
Within twenty days from the date the issues are made up, either 16474
party may move for summary judgment. The right to summary judgment 16475
shall appear on the face of the record. 16476

(E) Unless the petition and the files and records of the case 16477
show the petitioner is not entitled to relief, the court shall 16478
proceed to a prompt hearing on the issues even if a direct appeal 16479
of the case is pending. If the court notifies the parties that it 16480
has found grounds for granting relief, either party may request an 16481
appellate court in which a direct appeal of the judgment is 16482
pending to remand the pending case to the court. 16483

(F) At any time before the answer or motion is filed, the 16484
petitioner may amend the petition with or without leave or 16485
prejudice to the proceedings. The petitioner may amend the 16486
petition with leave of court at any time thereafter. 16487

(G) If the court does not find grounds for granting relief, 16488
it shall make and file findings of fact and conclusions of law and 16489
shall enter judgment denying relief on the petition. If no direct 16490
appeal of the case is pending and the court finds grounds for 16491
relief or if a pending direct appeal of the case has been remanded 16492
to the court pursuant to a request made pursuant to division (E) 16493
of this section and the court finds grounds for granting relief, 16494
it shall make and file findings of fact and conclusions of law and 16495
shall enter a judgment that vacates and sets aside the judgment in 16496
question, and, in the case of a petitioner who is a prisoner in 16497
custody, shall discharge or resentence the petitioner or grant a 16498
new trial as the court determines appropriate. The court also may 16499
make supplementary orders to the relief granted, concerning such 16500
matters as rearraignment, retrial, custody, and bail. If the trial 16501
court's order granting the petition is reversed on appeal and if 16502
the direct appeal of the case has been remanded from an appellate 16503
court pursuant to a request under division (E) of this section, 16504
the appellate court reversing the order granting the petition 16505
shall notify the appellate court in which the direct appeal of the 16506
case was pending at the time of the remand of the reversal and 16507
remand of the trial court's order. Upon the reversal and remand of 16508

the trial court's order granting the petition, regardless of 16509
whether notice is sent or received, the direct appeal of the case 16510
that was remanded is reinstated. 16511

(H) Upon the filing of a petition pursuant to division (A) of 16512
this section by a prisoner in a state correctional institution who 16513
has received the death penalty, the court may stay execution of 16514
the judgment challenged by the petition. 16515

(I)(1) If a person who has received the death penalty intends 16516
to file a petition under this section, the court shall appoint 16517
counsel to represent the person upon a finding that the person is 16518
indigent and that the person either accepts the appointment of 16519
counsel or is unable to make a competent decision whether to 16520
accept or reject the appointment of counsel. The court may decline 16521
to appoint counsel for the person only upon a finding, after a 16522
hearing if necessary, that the person rejects the appointment of 16523
counsel and understands the legal consequences of that decision or 16524
upon a finding that the person is not indigent. 16525

(2) The court shall not appoint as counsel under division 16526
(I)(1) of this section an attorney who represented the petitioner 16527
at trial in the case to which the petition relates unless the 16528
person and the attorney expressly request the appointment. The 16529
court shall appoint as counsel under division (I)(1) of this 16530
section only an attorney who is certified under Rule ~~65~~ 20 of the 16531
Rules of Superintendence for the Courts of ~~Common Pleas~~ Ohio to 16532
represent indigent defendants charged with or convicted of an 16533
offense for which the death penalty can be or has been imposed. 16534
The ineffectiveness or incompetence of counsel during proceedings 16535
under this section does not constitute grounds for relief in a 16536
proceeding under this section, in an appeal of any action under 16537
this section, or in an application to reopen a direct appeal. 16538

(3) Division (I) of this section does not preclude attorneys 16539
who represent the state of Ohio from invoking the provisions of 28 16540

U.S.C. 154 with respect to capital cases that were pending in 16541
federal habeas corpus proceedings prior to the effective date of 16542
this amendment insofar as the petitioners in those cases were 16543
represented in proceedings under this section by one or more 16544
counsel appointed by the court under this section or section 16545
120.06, 120.16, 120.26, or 120.33 of the Revised Code and those 16546
appointed counsel meet the requirements of division (I)(2) of this 16547
section. 16548

(J) Subject to the appeal of a sentence for a felony that is 16549
authorized by section 2953.08 of the Revised Code, the remedy set 16550
forth in this section is the exclusive remedy by which a person 16551
may bring a collateral challenge to the validity of a conviction 16552
or sentence in a criminal case or to the validity of an 16553
adjudication of a child as a delinquent child for the commission 16554
of an act that would be a criminal offense if committed by an 16555
adult or the validity of a related order of disposition. 16556

Sec. 3109.14. (A) As used in this section, "birth record" and 16557
"certification of birth" have the meanings given in section 16558
3705.01 of the Revised Code. 16559

(B)(1) The director of health, a person authorized by the 16560
director, a local commissioner of health, or a local registrar of 16561
vital statistics shall charge and collect a fee for each certified 16562
copy of a birth record ~~and~~, for each certification of birth ~~a fee~~ 16563
~~of two dollars~~, and for each copy of a death record ~~a fee of two~~ 16564
~~dollars~~, Until October 1, 2001, the fee shall be two dollars. On 16565
and after October 1, 2001, the fee shall be three dollars. The fee 16566
is in addition to the fee imposed by section 3705.24 or any other 16567
section of the Revised Code. A local commissioner of health or a 16568
local registrar of vital statistics may retain an amount of each 16569
additional fee collected, not to exceed three per cent of the 16570
amount of the additional fee, to be used for costs directly 16571

related to the collection of the fee and the forwarding of the fee 16572
to the treasurer of state. 16573

(2) Upon the filing for a divorce decree under section 16574
3105.10 or a decree of dissolution under section 3105.65 of the 16575
Revised Code, a court of common pleas shall charge and collect a 16576
fee of ten dollars. Until October 1, 2001, the fee shall be ten 16577
dollars. On and after October 1, 2001, the fee shall be eleven 16578
dollars. The fee is in addition to any other court costs or fees. 16579
The county clerk of courts may retain an amount of each additional 16580
fee collected, not to exceed three per cent of the amount of the 16581
additional fee, to be used for costs directly related to the 16582
collection of the fee and the forwarding of the fee to the 16583
treasurer of state. 16584

(C) The additional fees collected, but not retained, under 16585
this section during each month shall be forwarded not later than 16586
the tenth day of the immediately following month to the treasurer 16587
of state, who shall deposit the fees in the state treasury to the 16588
credit of the children's trust fund, which is hereby created. A 16589
person or government entity that fails to forward the fees in a 16590
timely manner, as determined by the treasurer of state, shall 16591
forward to the treasurer of state, in addition to the fees, a 16592
penalty equal to ten per cent of the fees. 16593

The treasurer of state shall invest the moneys in the fund, 16594
and all earnings resulting from investment of the fund shall be 16595
credited to the fund, except that actual administrative costs 16596
incurred by the treasurer of state in administering the fund may 16597
be deducted from the earnings resulting from investments. The 16598
amount that may be deducted shall not exceed three per cent of the 16599
total amount of fees credited to the fund in each fiscal year, 16600
except that the children's trust fund board may approve an amount 16601
for actual administrative costs exceeding three per cent but not 16602
exceeding four per cent of such amount. The balance of the 16603

investment earnings shall be credited to the fund. Moneys credited 16604
to the fund shall be used only for the purposes described in 16605
sections 3109.13 to 3109.18 of the Revised Code. 16606

Sec. 3119.022. When a court or child support enforcement 16607
agency calculates the amount of child support to be paid pursuant 16608
to a child support order in a proceeding in which one parent is 16609
the residential parent and legal custodian of all of the children 16610
who are the subject of the child support order or in which the 16611
court issues a shared parenting order, the court or agency shall 16612

The district superintendent shall establish a period of time 17755
not to exceed ninety days during which the child entitled to 17756
attend school under division (F)(6) or (7) of this section may 17757
attend without tuition obligation. A student attending a school 17758

under division (F)(6) or (7) of this section shall be eligible to 17759

(8) A child whose parent is a full-time employee of a city, 17768

whose parent is employed by an educational service center, in the 17772
district that serves the location where the parent's job is 17773
primarily located, provided the district board of education 17774
establishes such an admission policy by resolution adopted by a 17775
majority of its members. Any such policy shall take effect on the 17776
first day of the school year and the effective date of any 17777
amendment or repeal may not be prior to the first day of the 17778
subsequent school year. The policy shall be uniformly applied to 17779
all such children and shall provide for the admission of any such 17780
child upon request of the parent. No child may be admitted under 17781
this policy after the first day of classes of any school year. 17782

(9) A child who is with the child's parent under the care of 17783
a shelter for victims of domestic violence, as defined in section 17784
3113.33 of the Revised Code, is entitled to attend school free in 17785
the district in which the child is with the child's parent, and no 17786
other school district shall be required to pay tuition for the 17787
child's attendance in that school district. 17788

The enrollment of a child in a school district under this 17789
division shall not be denied due to a delay in the school 17790

district's receipt of any records required under section 3313.672 17791
of the Revised Code or any other records required for enrollment. 17792
Any days of attendance and any credits earned by a child while 17793
enrolled in a school district under this division shall be 17794

(10) Any child under the age of twenty-two years whose parent 17798
has moved out of the school district after the commencement of 17799
classes in the child's senior year of high school is entitled, 17800
subject to the approval of that district board, to attend school 17801
in the district in which the child attended school at the time of 17802
the parental move for the remainder of the school year and for one 17803
additional semester or equivalent term. A district board may also 17804
adopt a policy specifying extenuating circumstances under which a 17805
student may continue to attend school under division (F)(10) of 17806
this section for an additional period of time in order to 17807
successfully complete the high school curriculum for the 17808
individualized education program developed for the student by the 17809
high school pursuant to section 3323.08 of the Revised Code. 17810

(11) As used in this division, "grandparent" means a parent 17811

who is in the custody of the child's parent, resides with a 17813
grandparent, and does not require special education is entitled to 17814
attend the schools of the district in which the child's 17815
grandparent resides, provided that, prior to such attendance in 17816
any school year, the board of education of the school district in 17817
which the child's grandparent resides and the board of education 17818
of the school district in which the child's parent resides enter 17819
into a written agreement specifying that good cause exists for 17820
such attendance, describing the nature of this good cause, and 17821
consenting to such attendance. 17822

In lieu of a consent form signed by a parent, a board of education may request the grandparent of a child attending school in the district in which the grandparent resides pursuant to division (F)(11) of this section to complete any consent form required by the district, including any authorization required by sections 3313.712, 3313.713, and 3313.716 of the Revised Code. Upon request, the grandparent shall complete any consent form required by the district. A school district shall not incur any liability solely because of its receipt of a consent form from a grandparent in lieu of a parent.

Division (F)(11) of this section does not create, and shall not be construed as creating, a new cause of action or substantive legal right against a school district, a member of a board of education, or an employee of a school district. This section does not affect, and shall not be construed as affecting, any immunities from defenses to tort liability created or recognized by Chapter 2744. of the Revised Code for a school district, member, or employee.

(12) A child under the age of twenty-two years is entitled to attend school in a school district other than the district in which the child is entitled to attend school under division (B), (C), or (E) of this section provided that, prior to such attendance in any school year, both of the following occur:

(a) The superintendent of the district in which the child is entitled to attend school under division (B), (C), or (E) of this section contacts the superintendent of another district for purposes of this division;

(b) The superintendents of both districts enter into a written agreement that consents to the attendance and specifies that the purpose of such attendance is to protect the student's physical or mental well-being or to deal with other extenuating circumstances deemed appropriate by the superintendents.

While an agreement is in effect under this division for a student who is not receiving special education under Chapter 3323. of the Revised Code and notwithstanding Chapter 3327. of the Revised Code, the board of education of neither school district involved in the agreement is required to provide transportation for the student to and from the school where the student attends.

A student attending a school of a district pursuant to this division shall be allowed to participate in all student activities, including interscholastic athletics, at the school where the student is attending on the same basis as any student who has always attended the schools of that district while of compulsory school age.

(13) All school districts shall comply with the "McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for the education of homeless children. Each city, local, and exempted village school district shall comply with the requirements of that act governing the provision of a free, appropriate public education, including public preschool, to each homeless child.

When a child loses permanent housing and becomes a homeless person, as defined in 42 U.S.C.A. 11481(5), or when a child who is such a homeless person changes temporary living arrangements, the child's parent or guardian shall have the option of enrolling the child in either of the following:

(a) The child's school of origin, as defined in 42 U.S.C.A. 11432(g)(3)(C);

(b) The school that is operated by the school district in which the shelter where the child currently resides is located and that serves the geographic area in which the shelter is located.

(G) A board of education, after approving admission, may waive tuition for students who will temporarily reside in the

district and who are either of the following: 17886

3327.04, and 3327.06 of the Revised Code, a child may attend 17893
school or participate in a special education program in a school 17894
district other than in the district where the child is entitled to 17895
attend school under division (B) of this section. 17896

(I) This division does not apply to a child receiving special 17897
education. 17898

A school district required to pay tuition pursuant to 17899
division (C)(2) or (3) of this section or section 3313.65 of the 17900
Revised Code shall have an amount deducted under division (F) of 17901

attendance exceeds the rate deducted from the district required to 17909
pay tuition, the department of education shall pay the district of 17910
attendance the difference from amounts deducted from all 17911
districts' payments under division (F) of section 3317.023 of the 17912
Revised Code but not credited to other school districts under such 17913
division and from appropriations made for such purpose. The 17914
treasurer of each school district shall, by the fifteenth day of 17915
January and July, furnish the superintendent of public instruction 17916

a report of the names of each child who attended the district's schools under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code during the preceding six calendar months, the duration of the attendance of those children, the school district responsible for tuition on behalf of the child, and any other information that the superintendent requires.

Upon receipt of the report the superintendent, pursuant to division (F) of section 3317.023 of the Revised Code, shall deduct each district's tuition obligations under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code and pay to the district of attendance that amount plus any amount required to be paid by the state.

enrolled in schools to which they are assigned by the board of 18488
education at the same grade level and who live the same distance 18489
from school except when, in the judgment of the board, confirmed 18490

contract with its sponsor. Each school district board of education 18509
that is required to provide transportation for community school 18510
students under this section shall provide the transportation in 18511

that designates the community school as responsible for providing 18519
or arranging for the transportation of the district's native 18520
students to and from the community school. For any such agreement 18521

in division (C) of section 3314.09 of the Revised Code if the 18538
drive time measured by the vehicle specified by the school for 18539
transporting the students from the student's residence to the 18540
school is more than thirty minutes. The governing board may 18541

for any student it transports, for whom it arranges 18545
transportation, or for whom it makes a payment in lieu of 18546
providing transportation if the student lives more than one mile 18547
from the community school or is disabled and the individual 18548
education program requires transportation. 18549

community school the amount specified in division (C)(2) of this 18559
section for each of the enrolled students for whom the school's 18560
governing authority provides or arranges transportation to and 18561

(2) The payment to a community school governing authority under this section for each student who lives more than one mile from the school or who is disabled and whose individualized education program requires transportation and for whom the school actually provides or arranges transportation or makes a payment in lieu of providing transportation, shall be made according to the following schedule: 18590
18591
18592
18593
18594
18595
18596

(a) In fiscal year 2002, four-hundred fifty dollars per student; 18597
18598

(b) In fiscal year 2003 and every fiscal year thereafter, the amount specified in division (C)(2)(a) of this section multiplied by the negative or positive percentage of change reported in the consumer price index (all urban consumers, transportation) by the bureau of labor statistics of the United States department of labor from the beginning of the calendar year that ended just prior to the beginning of the fiscal year to the end of that calendar year.

(D) Except when arranged through payment to a parent, guardian, or person in charge of a child, transportation provided or arranged for by a community school pursuant to an agreement under this section is subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to the construction, design, equipment, and operation of school buses and other vehicles transporting students to and from school. The drivers and mechanics of the vehicles are subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to drivers and mechanics of such vehicles. The community school also shall comply with sections 3313.201, 3327.09, and 3327.10 and division (B) of section 3327.16 of the Revised Code as if it were a school district. For purposes of complying with section 3327.10 of the Revised Code, the educational service center that serves the county in which the community school is located shall be the certifying agency, unless the agreement designates the school district as the certifying agency.

Sec. 3316.20. (A)(1) The school district solvency assistance fund is hereby created in the state treasury, to consist of such amounts designated for the purposes of the fund by the general assembly. The fund shall be used to provide assistance and grants to school districts to enable them to remain solvent and to pay unforeseeable expenses of a temporary or emergency nature that they

are unable to pay from existing resources. 18631

18632

(2) There is hereby created within the fund an account known 18633
as the school district shared resource account, which shall 18634
consist of money appropriated to it by the general assembly. The 18635
money in the account shall be used solely for solvency assistance 18636
to school districts that have been declared under division (B)~~(1)~~ 18637
~~or (5)~~ of section 3316.03 of the Revised Code to be in a state of 18638
fiscal emergency ~~because of a certified operating deficit~~ 18639
~~exceeding ten per cent.~~ 18640

(3) There is hereby created within the fund an account known 18641
as the catastrophic expenditures account, which shall consist of 18642
money appropriated to the account by the general assembly plus all 18643
investment earnings of the fund. Money in the account shall be 18644
used solely for the following: 18645

(a) Solvency assistance to school districts that have been 18646
declared under division (B)~~(1)~~ ~~or (5)~~ of section 3316.03 of the 18647
Revised Code to be in a state of fiscal emergency ~~because of a~~ 18648
~~certified operating deficit exceeding ten per cent~~, in the event 18649
that all money in the shared resource account is utilized for 18650
solvency assistance; 18651

(b) Grants to school districts under division (C) of this 18652
section. 18653

(B) Solvency assistance payments under division (A)(2) or 18654
(3)(a) of this section shall be made from the fund by the 18655
superintendent of public instruction in accordance with rules 18656
adopted by the director of budget and management, after consulting 18657
with the superintendent, specifying approval criteria and 18658
procedures necessary for administering the fund. 18659

The fund shall be reimbursed for any solvency assistance 18660
amounts paid under division (A)(2) or (3)(a) of this section not 18661

later than the end of the second fiscal year following the fiscal 18662
year in which the solvency assistance payment was made. If not 18663
made directly by the school district, such reimbursement shall be 18664
made by the director of budget and management from the amounts the 18665
school district would otherwise receive pursuant to sections 18666
3317.022 to 3317.025 of the Revised Code, or from any other funds 18667
appropriated for the district by the general assembly. 18668
Reimbursements shall be credited to the respective account from 18669
which the solvency assistance paid to the district was deducted. 18670

(C) The superintendent of public instruction may make 18671
recommendations, and the controlling board may grant money from 18672
the catastrophic expenditures account to any school district that 18673
suffers an unforeseen catastrophic event that severely depletes 18674
the district's financial resources. The superintendent shall make 18675
recommendations for the grants in accordance with rules adopted by 18676
the director of budget and management after consulting with the 18677
superintendent. A school district shall not be required to repay 18678
any grant awarded to the district under this division unless the 18679
district receives money from a third party, including an agency of 18680
the government of the United States, specifically for the purpose 18681
of compensating the district for expenses incurred as a result of 18682
the unforeseen catastrophic event. 18683

Sec. 3317.01. As used in this section and section 3317.011 of 18684
the Revised Code, "school district," unless otherwise specified, 18685
means any city, local, exempted village, joint vocational, or 18686
cooperative education school district and any educational service 18687
center. 18688

This chapter shall be administered by the state board of 18689
education. The superintendent of public instruction shall 18690
calculate the amounts payable to each school district and shall 18691
certify the amounts payable to each eligible district to the 18692

treasurer of the district as provided by this chapter. No moneys
shall be distributed pursuant to this chapter without the approval
of the controlling board.

The state board of education shall, in accordance with
appropriations made by the general assembly, meet the financial
obligations of this chapter.

Annually, the department of education shall calculate and
report to each school district the district's total state and
local funds for providing an adequate basic education to the
district's nonhandicapped students, utilizing the determination in
section 3317.012 of the Revised Code. In addition, the department
shall calculate and report separately for each school district the
district's total state and local funds for providing an adequate
education for its handicapped students, utilizing the
determinations in both sections 3317.012 and 3317.013 of the
Revised Code.

Not later than the thirty-first day of August of each fiscal
year, the department of education shall provide to each school
district and county MR/DD board a preliminary estimate of the
amount of funding that the department calculates the district will
receive under each of divisions (C)(1) and ~~(5)~~(4) of section
3317.022 of the Revised Code. No later than the first day of
December of each fiscal year, the department shall update that
preliminary estimate.

Moneys distributed pursuant to this chapter shall be
calculated and paid on a fiscal year basis, beginning with the
first day of July and extending through the thirtieth day of June.
The moneys appropriated for each fiscal year shall be distributed
at least monthly to each school district unless otherwise provided
for. The state board shall submit a yearly distribution plan to
the controlling board at its first meeting in July. The state
board shall submit any proposed midyear revision of the plan to

the controlling board in January. Any year-end revision of the
plan shall be submitted to the controlling board in June. If
moneys appropriated for each fiscal year are distributed other
than monthly, such distribution shall be on the same basis for
each school district.

The total amounts paid each month shall constitute, as nearly
as possible, one-twelfth of the total amount payable for the
entire year. Payments made during the first six months of the
fiscal year may be based on an estimate of the amounts payable for
the entire year. Payments made in the last six months shall be
based on the final calculation of the amounts payable to each
school district for that fiscal year. Payments made in the last
six months may be adjusted, if necessary, to correct the amounts
distributed in the first six months, and to reflect enrollment
increases when such are at least three per cent. Except as
otherwise provided, payments under this chapter shall be made only
to those school districts in which:

(A) The school district, except for any educational service
center and any joint vocational or cooperative education school
district, levies for current operating expenses at least twenty
mills. Levies for joint vocational or cooperative education school
districts or county school financing districts, limited to or to
the extent apportioned to current expenses, shall be included in
this qualification requirement. School district income tax levies
under Chapter 5748. of the Revised Code, limited to or to the
extent apportioned to current operating expenses, shall be
included in this qualification requirement to the extent
determined by the tax commissioner under division (D) of section
3317.021 of the Revised Code.

(B) The school year next preceding the fiscal year for which
such payments are authorized meets the requirement of section
3313.48 or 3313.481 of the Revised Code, with regard to the

minimum number of days or hours school must be open for 18757
instruction with pupils in attendance, for individualized 18758
parent-teacher conference and reporting periods, and for 18759
professional meetings of teachers. This requirement shall be 18760
waived by the superintendent of public instruction if it had been 18761
necessary for a school to be closed because of disease epidemic, 18762
hazardous weather conditions, inoperability of school buses or 18763
other equipment necessary to the school's operation, damage to a 18764
school building, or other temporary circumstances due to utility 18765
failure rendering the school building unfit for school use, 18766
provided that for those school districts operating pursuant to 18767
section 3313.48 of the Revised Code the number of days the school 18768
was actually open for instruction with pupils in attendance and 18769
for individualized parent-teacher conference and reporting periods 18770
is not less than one hundred seventy-five, or for those school 18771
districts operating on a trimester plan the number of days the 18772
school was actually open for instruction with pupils in attendance 18773
not less than seventy-nine days in any trimester, for those school 18774
districts operating on a quarterly plan the number of days the 18775
school was actually open for instruction with pupils in attendance 18776
not less than fifty-nine days in any quarter, or for those school 18777
districts operating on a pentamester plan the number of days the 18778
school was actually open for instruction with pupils in attendance 18779
not less than forty-four days in any pentamester. 18780

A school district shall not be considered to have failed to 18781
comply with this division or section 3313.481 of the Revised Code 18782
because schools were open for instruction but either twelfth grade 18783
students were excused from attendance for up to three days or only 18784
a portion of the kindergarten students were in attendance for up 18785
to three days in order to allow for the gradual orientation to 18786
school of such students. 18787

The superintendent of public instruction shall waive the 18788

requirements of this section with reference to the minimum number 18789
of days or hours school must be in session with pupils in 18790
attendance for the school year succeeding the school year in which 18791
a board of education initiates a plan of operation pursuant to 18792
section 3313.481 of the Revised Code. The minimum requirements of 18793
this section shall again be applicable to such a district 18794
beginning with the school year commencing the second July 18795
succeeding the initiation of one such plan, and for each school 18796
year thereafter. 18797

A school district shall not be considered to have failed to 18798
comply with this division or section 3313.48 or 3313.481 of the 18799
Revised Code because schools were open for instruction but the 18800
length of the regularly scheduled school day, for any number of 18801
days during the school year, was reduced by not more than two 18802
hours due to hazardous weather conditions. 18803

(C) The school district has on file, and is paying in 18804
accordance with, a teachers' salary schedule which complies with 18805
section 3317.13 of the Revised Code. 18806

A board of education or governing board of an educational 18807
service center which has not conformed with other law and the 18808
rules pursuant thereto, shall not participate in the distribution 18809
of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 18810
3317.16, 3317.17, and 3317.19 of the Revised Code, except for good 18811
and sufficient reason established to the satisfaction of the state 18812
board of education and the state controlling board. 18813

All funds allocated to school districts under this chapter, 18814
except those specifically allocated for other purposes, shall be 18815
used to pay current operating expenses only. 18816

Sec. 3317.012. (A) (1) The general assembly, having analyzed 18817
school district expenditure and cost data for fiscal year ~~1996~~ 18818
1999, performed the calculation described in division (B) of this 18819

section, ~~and~~ adjusted the results for inflation, and added the 18820
amounts described in division (A)(2) of this section, hereby 18821
determines that the base cost of an adequate education per pupil 18822
for the fiscal year beginning July 1, ~~1998~~ 2001, is ~~\$4,063~~ \$4,814. 18823
For the five following fiscal years, the base cost per pupil for 18824
each of those years, reflecting an annual rate of inflation of two 18825
and eight-tenths per cent, is ~~\$4,177~~ \$4,949 for fiscal year ~~2000~~ 18826
2003, ~~\$4,294~~ \$5,088 for fiscal year ~~2001~~ 2004, ~~\$4,414~~ \$5,230 for 18827
fiscal year ~~2002~~ 2005, ~~\$4,538~~ \$5,376 for fiscal year ~~2003~~ 2006, 18828
and ~~\$4,665~~ \$5,527 for fiscal year ~~2004~~ 2007. 18829

(2) The base cost per pupil amounts specified in division 18830
(A)(1) of this section include amounts to reflect the cost to 18831
school districts of increasing the minimum number of high school 18832
academic units required for graduation beginning September 15, 18833
2001, under section 3313.603 of the Revised Code. Analysis of 18834
fiscal year 1999 data revealed that the school districts meeting 18835
the requirements of division (B) of this section on average 18836
required high school students to complete a minimum of nineteen 18837
and eight-tenths units to graduate. The general assembly 18838
determines that the cost of funding the additional two-tenths unit 18839
required by section 3313.603 of the Revised Code is \$12 per pupil 18840
in fiscal year 2002. This amount was added after the calculation 18841
described in division (B) of this section and the adjustment for 18842
inflation from fiscal year 1999 to fiscal year 2002. It is this 18843
total amount, the calculated base cost plus the supplement to pay 18844
for the additional partial unit, that constitutes the base cost 18845
amount specified in division (A)(1) of this section for fiscal 18846
year 2002 and that is inflated to produce the base cost amounts 18847
for fiscal years 2003 through 2007. 18848

(B) In determining the base cost stated in division (A) of 18849
this section, capital and debt costs, costs paid for by federal 18850
funds, and costs covered by funds provided ~~pursuant to sections~~ 18851

~~3317.023 and 3317.024 of the Revised Code as they existed prior to~~ 18852
~~July 1, 1998,~~ for disadvantaged pupil impact aid and 18853
transportation were excluded, as were the effects on the 18854
districts' state funds of the application of the 18855
cost-of-doing-business factors, assuming ~~an eighteen~~ a seven and 18856
one-half per cent variance. 18857

The base cost for fiscal year ~~1996~~ 1999 was calculated as the 18858
unweighted average cost per student, on a school district basis, 18859
of educating students who were not receiving vocational education 18860
or services pursuant to Chapter 3323. of the Revised Code and who 18861
were enrolled in a city, exempted village, or local school 18862
district that in fiscal year ~~1994~~ 1999 met all of the following 18863
criteria: 18864

(1) The district met at least ~~all but one~~ twenty of the 18865
following twenty-seven performance standards: 18866

(a) A ~~three~~ ninety per cent or ~~lower dropout~~ higher 18867
graduation rate; 18868

(b) At least seventy-five per cent of fourth graders 18869
proficient on the mathematics test prescribed under division 18870
(A)(1) of section 3301.0710 of the Revised Code; 18871

(c) At least seventy-five per cent of fourth graders 18872
proficient on the reading test prescribed under division (A)(1) of 18873
section 3301.0710 of the Revised Code; 18874

(d) At least seventy-five per cent of fourth graders 18875
proficient on the writing test prescribed under division (A)(1) of 18876
section 3301.0710 of the Revised Code; 18877

(e) At least seventy-five per cent of fourth graders 18878
proficient on the citizenship test prescribed under division 18879
(A)(1) of section 3301.0710 of the Revised Code; 18880

(aa) An attendance rate for the year of at least ninety-three 18952
per cent as defined in section 3302.01 of the Revised Code. 18953
18954

In determining whether a school district met any of the 18955
performance standards specified in divisions (B)(1)(a) to (aa) of 18956
this section, the general assembly used a rounding procedure 18957
previously recommended by the department of education. It is the 18958
same rounding procedure the general assembly used in 1998 to 18959
determine whether a district had met the standards of former 18960
divisions (B)(1)(a) to (r) of this section for purposes of 18961
constructing the previous model based on fiscal year 1996 data. 18962

(2) The district was not among the ~~ten~~ five per cent of all 18963
districts with the highest income factors, ~~as defined in section~~ 18964
~~3317.02 of the Revised Code~~, nor among the ~~ten~~ five per cent of 18965
all districts with the lowest income factors. 18966

(3) The district was not among the five per cent of all 18967
districts with the highest valuation per pupil in ~~ADM, as reported~~ 18968
~~under division (A) of section 3317.03 of the Revised Code as it~~ 18969
~~existed prior to July 1, 1998~~, nor among the five per cent of all 18970
districts with the lowest valuation per pupil. 18971

This model for calculating the base cost of an adequate 18972
education is expenditure-based. The general assembly recognizes 18973

that increases in state funding to school districts since fiscal 18974
year 1996, the fiscal year upon which the general assembly based 18975
its model for calculating state funding to school districts for 18976
fiscal years 1999 through 2001, has increased school district base 18977
cost expenditures for fiscal year 1999, the fiscal year upon which 18978
the general assembly based its model for calculating state funding 18979
for fiscal years 2002 through 2007. In the case of school 18980
districts included in the fiscal year 1999 model that also had met 18981
the fiscal year 1996 performance criteria of former division 18982
(B)(1) of this section, the increased state funding may have 18983
driven the districts' expenditures beyond the expenditures that 18984
were actually needed to maintain their educational programs at the 18985
level necessary to maintain their ability to meet the fiscal year 18986
1999 performance criteria of current division (B)(1) of this 18987
section. The general assembly has determined to control for this 18988
effect by stipulating in the later model that the fiscal year 1999 18989
base cost expenditures of the districts that also met the 18990
performance criteria of former division (B)(1) of this section 18991
equals their base cost expenditures per pupil for fiscal year 18992
1996, inflated to fiscal year 1999 using an annual rate of 18993
inflation of two and eight-tenths per cent. However, if this 18994
inflated amount exceeded the district's actual fiscal year 1999 18995
base cost expenditures per pupil, the district's actual fiscal 18996
year 1999 base cost expenditures per pupil were used in the 18997
calculation. For districts in the 1999 model that did not also 18998
meet the performance criteria of former division (B)(1) of this 18999
section, the actual 1999 base cost per pupil expenditures were 19000
used in the calculation of the average district per pupil costs of 19001
the model districts. 19002

(C) In July of ~~2000~~ 2005, and in July of every six years 19003
thereafter, the speaker of the house of representatives and the 19004
president of the senate shall each appoint three members to a 19005

committee to reexamine the cost of an adequate education. No more 19006
than two members from any political party shall represent each 19007
house. The director of budget and management and the 19008
superintendent of public instruction shall serve as nonvoting ex 19009
officio members of the committee. 19010

The committee shall select a rational methodology for 19011
calculating the costs of an adequate education system for the 19012
ensuing six-year period, and shall report the methodology and the 19013
resulting costs to the general assembly. In performing its 19014
function, the committee is not bound by any method used by 19015
previous general assemblies to examine and calculate costs and 19016
instead may utilize any rational method it deems suitable and 19017
reasonable given the educational needs and requirements of the 19018
state at that time. 19019

The methodology for determining the cost of an adequate 19020
education system shall take into account the basic educational 19021
costs that all districts incur in educating regular students, the 19022
unique needs of special categories of students, and significant 19023
special conditions encountered by certain classifications of 19024
school districts. 19025

The committee also shall redetermine, for purposes of 19026
updating the parity aid calculation under section 3317.0217 of the 19027
Revised Code, the average number of effective operating mills that 19028
school districts in the seventieth to ninetieth percentiles of 19029
valuations per pupil collect above the revenues required to 19030
finance their attributed local shares of the calculated cost of an 19031
adequate education. 19032

Any committee appointed pursuant to this section shall make 19033
its report to the office of budget and management and the general 19034
assembly within ~~six months~~ one year of its appointment so that the 19035
information is available for use by the office and the general 19036
assembly in preparing the next biennial appropriations act. 19037

(D)(1) For purposes of this division, an "update year" is the first fiscal year for which the per pupil base cost of an adequate education is in effect after being recalculated by the general assembly. The first update year is fiscal year 2002. The second update year is fiscal year 2008.

(2) The general assembly shall recalculate the per pupil base cost of an adequate education every six years after considering the recommendations of the committee appointed under division (C) of this section. At the time of the recalculation, for each of the five fiscal years following the update year, the general assembly shall adjust the base cost recalculated for the update year using an annual rate of inflation that the general assembly determines appropriate.

(3) The general assembly shall include, in the act appropriating state funds for education programs for a fiscal biennium that begins with an update year, a statement of its determination of the total state share percentage of base cost and parity aid funding for the update year.

(4) During its biennial budget deliberations, the general assembly shall determine the total state share percentage of base cost and parity aid funding for each fiscal year of the upcoming biennium. This determination shall be based on the latest projections and data provided by the department of education under division (D)(6) of this section prior to the enactment of education appropriations for the upcoming biennium. If, based on those latest projections and data, the general assembly determines that the total state share percentage for either or both nonupdate fiscal years varies more than two and one-half percentage points more or less than the total state share percentage for the most recent update year, as previously stated by the general assembly under division (D)(3) of this section, the general assembly shall determine and enact a method that it considers appropriate to

restrict the estimated variance for each year to within two and 19070
one-half percentage points. The general assembly's methods may 19071
include, but are not required to include and need not be limited 19072
to, reexamining the rate of millage charged off as the local share 19073
of base cost funding under divisions (A)(1) and (2) of section 19074
3317.022 of the Revised Code. Regardless of any changes in 19075
charge-off millage rates in years between update years, however, 19076
the charge-off millage rate for update years shall be twenty-three 19077
mills, unless the general assembly determines that a different 19078
millage rate is more appropriate to share the total calculated 19079
base cost between the state and school districts. 19080

(5) The total state share percentage of base cost and parity 19081
aid funding for any fiscal year is calculated as follows: 19082

[(Total state base cost + total state parity aid funding) - 19083
statewide charge-off amount] / (Total state base cost + total 19084
state parity aid funding) 19085

Where: 19086

(a) The total state base cost equals the sum of the base 19087
costs for all school districts for the fiscal year. 19088

(b) The base cost for each school district equals: 19089

formula amount X cost-of-doing-business factor X 19090
the greater of formula ADM or 19091
three-year average formula ADM 19092

(c) The total state parity aid funding equals the sum of the 19093
amounts paid to all school districts for the fiscal year under 19094
section 3317.0217 of the Revised Code. 19095

(d) The statewide charge-off amount equals the sum of the 19096
charge-off amounts for all school districts. 19097

(e) The charge-off amount for each school district is the 19098
amount calculated as its local share of base cost funding and 19099
deducted from the total calculated base cost to determine the 19100

amount of its state payment under divisions (A)(1) and (2) of section 3317.022 of the Revised Code. The charge-off amount for each school district in fiscal year 2002 is the product of twenty-three mills multiplied by the district's recognized valuation as adjusted, if applicable, under division (A)(2) of section 3317.022 of the Revised Code. If however, in any fiscal year, including fiscal year 2002, a school district's calculated charge-off amount exceeds its base cost calculated as described in division (D)(5)(b) of this section, the district's charge-off amount shall be deemed to equal its calculated base cost.

Sec. 3317.013. This section does not apply to handicapped preschool students.

19120
19121

Analysis of special education cost data has resulted in a finding that the average special education additional cost per pupil, including the costs of related services, can be expressed as a multiple of the base cost per pupil calculated under section 3317.012 of the Revised Code. The multiples for the following categories of special education programs, as these programs are defined for purposes of Chapter 3323. of the Revised Code, and adjusted as provided in this section, are as follows:

19122
19123
19124
19125
19126
19127
19128
19129

19131

term is defined pursuant to Chapter 3323. of the Revised Code; 19132

(B) A multiple of ~~0.22~~ 0.3691 for students identified as 19133
specific learning disabled, ~~other health handicapped,~~ or 19134
developmentally handicapped, as these terms are defined pursuant 19135
to Chapter 3323. of the Revised Code, ~~or other health~~ 19136

multihandicapped, ~~and~~ or severe behavior handicapped, as these 19140
terms are defined pursuant to Chapter 3323. of the Revised Code; 19141

(D) A multiple of 2.3646 for students identified as 19142

major; 19145

(E) A multiple of 3.1129 for students identified as 19146
multihandicapped, as this term is defined pursuant to Chapter 19147
3323. of the Revised Code; 19148

(F) A multiple of 4.7342 for students identified as autistic, 19149
having traumatic brain injuries, or as both visually and hearing 19150
disabled, as these terms are defined pursuant to Chapter 3323. of 19151
the Revised Code. 19152

~~Further analysis indicates that approximately one eighth of~~ 19153
~~the total costs of serving special education students consists of~~ 19154
~~the furnishing of the related services specified in division~~ 19155
~~(B)(3) of section 3317.022 of the Revised Code.~~ 19156

In fiscal year 2002, the multiples specified in divisions (A) 19157
to (F) of this section shall be adjusted by multiplying them by 19158
0.825. In fiscal year 2003, the multiples specified in those 19159
divisions shall be adjusted by multiplying them by 0.875. 19160

Sec. 3317.014. The average vocational education additional 19161

cost per pupil can be expressed as a multiple of the base cost per 19162
pupil calculated under section 3317.012 of the Revised Code. the 19163
multiples for the following categories of vocational education 19164
programs are as follows: 19165

(A) A multiple of ~~0.60~~ 0.57 for students enrolled in 19166
vocational education job-training and workforce development 19167
programs approved by the department of education in accordance 19168
with rules adopted under section 3313.90 of the Revised Code. 19169

(B) A multiple of ~~0.30~~ 0.28 for students enrolled in 19170
vocational education classes other than job-training and workforce 19171
development programs. 19172

Vocational education associated services costs can be 19173
expressed as a multiple of 0.05 of the base cost per pupil 19174
calculated under section 3317.012 of the Revised Code. 19175

The general assembly has adjusted the multiples specified in 19176
this section for calculating payments beginning in fiscal year 19177
2002 in recognition that its policy change regarding the 19178
application of the cost-of-doing-business factor produces a higher 19179
base cost amount than would exist if no change were made to its 19180
application. The adjustment maintains the same weighted costs as 19181
would exist if no change were made to the application of the 19182
cost-of-doing-business factor. 19183

~~(6)(5)~~ In any fiscal year, a school district ~~receiving funds~~ 19786

~~(total special education weight X formula amount)~~ 19794

The purposes approved by the department for special education 19795
expenses shall include, but shall not be limited to, 19796
identification of handicapped children, compliance with state 19797
rules governing the education of handicapped children and 19798
prescribing the continuum of program options for handicapped 19799
children, and the portion of the school district's overall 19800
administrative and overhead costs that are attributable to the 19801
district's special education student population. 19802

The department shall require school districts to report data 19803
annually to allow for monitoring compliance with division (C)(5) 19804
of this section. The department shall annually report to the 19805
governor and the general assembly the amount of money spent by 19806
each school district for special education and related services. 19807

(D)(1) As used in this division: 19808

(a) "Daily bus miles per student" equals the number of bus 19809
miles traveled per day, divided by transportation base. 19810

(b) "Transportation base" equals total student count as 19811
defined in section 3301.011 of the Revised Code, minus the number 19812
of students enrolled in preschool handicapped units, plus the 19813

number of nonpublic school students included in transportation 19814
ADM. 19815

(c) "Transported student percentage" equals transportation 19816
ADM divided by transportation base. 19817

(d) "Transportation cost per student" equals total operating 19818
costs for board-owned or contractor-operated school buses divided 19819
by transportation base. 19820

(2) Analysis of student transportation cost data has resulted 19821
in a finding that an average efficient transportation use cost per 19822
student can be calculated by means of a regression formula that 19823
has as its two independent variables the number of daily bus miles 19824
per student and the transported student percentage. For fiscal 19825
year 1998 transportation cost data, the average efficient 19826
transportation use cost per student is expressed as follows: 19827
19828

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + 19829$$
$$(116.25573 \times \text{transported student percentage}) 19830$$

The department of education shall annually determine the 19831
average efficient transportation use cost per student in 19832
accordance with the principles stated in division (D)(2) of this 19833
section, updating the intercept and regression coefficients of the 19834
regression formula modeled in this division, based on an annual 19835
statewide analysis of each school district's daily bus miles per 19836
student, transported student percentage, and transportation cost 19837
per student data. The department shall conduct the annual update 19838
using data, including daily bus miles per student, transported 19839
student percentage, and transportation cost per student data, from 19840
the prior fiscal year. The department shall notify the office of 19841
budget and management of such update by the fifteenth day of 19842
February of each year. 19843

(3) In addition to funds paid under divisions (A), (C), and 19844

(E) of this section, each district with a transported student percentage greater than zero shall receive a payment equal to a percentage of the product of the district's transportation base from the prior fiscal year times the annually updated average efficient transportation use cost per student, times an inflation factor of two and eight tenths per cent to account for the one-year difference between the data used in updating the formula and calculating the payment and the year in which the payment is made. The percentage shall be the following percentage of that product specified for the corresponding fiscal year:

FISCAL YEAR	PERCENTAGE	
2000	52.5%	
2001	55%	
2002	57.5%	
2003 and thereafter	<u>The greater of 60% or the district's state share percentage</u>	

The payments made under division (D)(3) of this section each year shall be calculated based on all of the same prior year's data used to update the formula.

(4) In addition to funds paid under divisions (D)(2) and (3) of this section, a school district shall receive a rough road subsidy if both of the following apply:

(a) Its county rough road percentage is higher than the statewide rough road percentage, as those terms are defined in division (D)(5) of this section;

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division.

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula:

(per rough mile subsidy X total rough road miles) X 19874
density multiplier 19875

where: 19876

(a) "Per rough mile subsidy" equals the amount calculated in 19877
accordance with the following formula: 19878

0.75 - {0.75 X [(maximum rough road percentage - 19879
county rough road percentage)/(maximum rough road percentage - 19880
statewide rough road percentage)]} 19881
19882

(i) "Maximum rough road percentage" means the highest county 19883
rough road percentage in the state. 19884

(ii) "County rough road percentage" equals the percentage of 19885
the mileage of state, municipal, county, and township roads that 19886
is rated by the department of transportation as type A, B, C, E2, 19887
or F in the county in which the school district is located or, if 19888
the district is located in more than one county, the county to 19889
which it is assigned for purposes of determining its 19890
cost-of-doing-business factor. 19891

(iii) "Statewide rough road percentage" means the percentage 19892
of the statewide total mileage of state, municipal, county, and 19893
township roads that is rated as type A, B, C, E2, or F by the 19894
department of transportation. 19895

(b) "Total rough road miles" means a school district's total 19896
bus miles traveled in one year times its county rough road 19897
percentage. 19898

(c) "Density multiplier" means a figure calculated in 19899
accordance with the following formula: 19900

1 - [(minimum student density - district student 19901
density)/(minimum student density - 19902
statewide student density)] 19903

(i) "Minimum student density" means the lowest district 19904

student density in the state. 19905

(ii) "District student density" means a school district's 19906
transportation base divided by the number of square miles in the 19907
district. 19908

(iii) "Statewide student density" means the sum of the 19909
transportation bases for all school districts divided by the sum 19910
of the square miles in all school districts. 19911

(6) In addition to funds paid under divisions (D)(2) to (5) 19912
of this section, each district shall receive in accordance with 19913
rules adopted by the state board of education a payment for 19914
students transported by means other than board-owned or 19915
contractor-operated buses and whose transportation is not funded 19916
under division (J) of section 3317.024 of the Revised Code. The 19917
rules shall include provisions for school district reporting of 19918
such students. 19919

~~(7) Notwithstanding divisions (D)(1) to (6) of this section,~~ 19920
~~in fiscal year 2000 only, each school district shall receive the~~ 19921
~~greater of the total amount calculated for it under those~~ 19922

(E)(1) The department shall compute and distribute state 19929
vocational education additional weighted costs funds to each 19930
school district in accordance with the following formula: 19931

state share percentage X 19932

the formula amount X 19933

total vocational education weight 19934

In any fiscal year, a school district receiving funds under 19935

division (E)(1) of this section shall spend those funds only for 19936
the purposes that the department designates as approved for 19937
vocational education expenses. 19938

(2) The department shall compute for each school district 19939
state funds for vocational education associated services in 19940
accordance with the following formula: 19941

state share percentage X .05 X 19942

the formula amount X the sum of categories one and two 19943

vocational education ADM 19944

In any fiscal year, a school district receiving funds under 19945
division (E)(2) of this section, or through a transfer of funds 19946
pursuant to division (L) of section 3317.023 of the Revised Code, 19947
shall spend those funds only for the purposes that the department 19948
designates as approved for vocational education associated 19949
services expenses, which may include such purposes as 19950
apprenticeship coordinators, coordinators for other vocational 19951
education services, vocational evaluation, and other purposes 19952
designated by the department. The department may deny payment 19953
under division (E)(2) of this section to any district that the 19954
department determines is not operating those services or is using 19955
funds paid under division (E)(2) of this section, or through a 19956
transfer of funds pursuant to division (L) of section 3317.023 of 19957
the Revised Code, for other purposes. 19958

~~In fiscal years 2000 and 2001, each school district shall 19959
continue to offer the same number of the vocational education 19960
programs that the district offered in fiscal year 1999, unless the 19961
department of education expressly agrees that the district may 19962
offer fewer programs in either fiscal year 2000 or 2001 or both. 19963~~

(F) Beginning in fiscal year 2003, the actual local share in 19964
any fiscal year for the combination of special education and 19965
related services additional weighted costs funding calculated 19966
under division (C)(1) of this section, transportation funding 19967

calculated under divisions (D)(2) and (3) of this section, and 19968
vocational education and associated services additional weighted 19969
costs funding calculated under divisions (E)(1) and (2) of this 19970
section shall not exceed for any school district the product of 19971
three mills times the district's recognized valuation. Beginning 19972
in fiscal year 2003, the department annually shall pay each school 19973
district as an excess cost supplement any amount by which the sum 19974
of the district's attributed local shares for that funding exceeds 19975
that product. For purposes of calculating the excess cost 19976
supplement: 19977

(1) The attributed local share for special education and 19978
related services additional weighted costs funding is the amount 19979
specified in division (C)(2) of this section. 19980

(2) The attributed local share of transportation funding 19981
equals the difference of the total amount calculated for the 19982
district using the formula developed under division (D)(2) of this 19983
section minus the actual amount paid to the district after 19984
applying the percentage specified in division (D)(3) of this 19985
section. 19986

(3) The attributed local share of vocational education and 19987
associated services additional weighted costs funding is the 19988
amount determined as follows: 19989

(1 - state share percentage) X 19990
[(total vocational education weight X the formula amount) + 19991
the payment under division (E)(2) of this section] 19992

Sec. 3317.023. (A) Notwithstanding section 3317.022 of the 19993
Revised Code, the amounts required to be paid to a district under 19994
this chapter shall be adjusted by the amount of the computations 19995
made under divisions (B) to ~~(K)~~(L) of this section. 19996

(4) "Regular student population" means the formula ADM plus the number of students reported as enrolled in the district pursuant to division (A)(1) of section 3313.981 of the Revised Code; minus the number of students reported under division (A)(2) of section 3317.03 of the Revised Code; minus the FTE of students reported under division (B)(5), (6), (7), (8), ~~or~~ (9), (10), (11), or (12) of that section who are enrolled in a vocational education class or receiving special education; and minus one-fourth of the students enrolled concurrently in a joint vocational school district.

(B) If the district employs less than one full-time 20036
equivalent classroom teacher for each twenty-five pupils in the 20037
regular student population in any school district, deduct the sum 20038
of the amounts obtained from the following computations: 20039

(1) Divide the number of the district's full-time equivalent 20040
classroom teachers employed by one twenty-fifth; 20041

(2) Subtract the quotient in (1) from the district's regular 20042
student population; 20043

(3) Multiply the difference in (2) by seven hundred fifty-two 20044

(C) If a positive amount, add one-half of the amount obtained 20046
by multiplying the number of full-time equivalent classroom 20047
teachers by: 20048

classroom teachers employed by the district at their respective 20050
training and experience levels minus; 20051

(2) The mean annual salary of all such teachers at their 20052
respective levels in all school districts receiving payments under 20053
this section. 20054

The number of full-time equivalent classroom teachers used in 20055
this computation shall not exceed one twenty-fifth of the 20056
district's regular student population. In calculating the 20057
district's mean salary under this division, those full-time 20058

equivalent classroom teachers with the highest training level 20059
shall be counted first, those with the next highest training level 20060
second, and so on, in descending order. Within the respective 20061
training levels, teachers with the highest years of service shall 20062
be counted first, the next highest years of service second, and so 20063
on, in descending order. 20064

(D) This division does not apply to a school district that 20065
has entered into an agreement under division (A) of section 20066
3313.42 of the Revised Code. Deduct the amount obtained from the 20067
following computations if the district employs fewer than five 20068
full-time equivalent educational service personnel, including 20069
elementary school art, music, and physical education teachers, 20070

the reimbursement of the governing board under section 3317.11 of 20084
the Revised Code. 20085

(F)(1) If the district is required to pay to or entitled to 20086
receive tuition from another school district under division (C)(2) 20087
or (3) of section 3313.64 or section 3313.65 of the Revised Code, 20088

another district that has notified the department to deduct such
payments under division (I)(1) of this section, add the amount of
such payments.

a cooperative education district pursuant to a provision described

by division (B)(4) of section 3311.52 or division (B)(8) of 20121

attend school in another district pursuant to a shared education 20127
contract, compact, or cooperative education agreement other than 20128

(3) If the district is required by a shared education 20143
contract, compact, or cooperative education agreement to make 20144
payments to an educational service center, deduct the amounts from 20145
payments to the district and add them to the amounts paid to the 20146
service center pursuant to section 3317.11 of the Revised Code. 20147

(c) If, in any fiscal year, the information provided by the 20396

department of job and family services under section 3317.10 of the Revised Code is insufficient to determine the Ohio works first or family assistance percentage in each building, "buildings with the highest concentration of need" has the meaning given in rules that the department of education shall adopt. The rules shall base the definition of "buildings with the highest concentration of need" on family income of students in grades kindergarten through three in a manner that, to the extent possible with available data, approximates the intent of this division and division (G) of this section to designate buildings where the Ohio works first or family assistance percentage in those grades equals or exceeds the district-wide Ohio works first or family assistance percentage.

(B) In addition to the amounts required to be paid to a school district under section 3317.022 of the Revised Code, a school district shall receive the greater of the amount the district received in fiscal year 1998 pursuant to division (B) of section 3317.023 of the Revised Code as it existed at that time or the sum of the computations made under divisions (C) to (E) of this section.

Except as otherwise provided in division (F) of this section, 20429
beginning with the school year that starts July 1, 2002, each 20430

Code. 20434

(D) A payment for all-day kindergarten if the DPIA index of 20435
the school district is greater than or equal to one or if the 20436
district's three-year average formula ADM exceeded seventeen 20437
thousand five hundred, calculated by multiplying the all-day 20438
kindergarten percentage by the kindergarten ADM and multiplying 20439
that product by the formula amount. 20440

(E) A class-size reduction payment based on calculating the 20441
number of new teachers necessary to achieve a lower 20442
student-teacher ratio, as follows: 20443

(1) Determine or calculate a formula number of teachers per 20444
one thousand students based on the DPIA index of the school 20445
district as follows: 20446

(a) If the DPIA index of the school district is less than 20447
six-tenths, the formula number of teachers is 43.478, which is the 20448
number of teachers per one thousand students at a student-teacher 20449
ratio of twenty-three to one; 20450

(b) If the DPIA index of the school district is greater than 20451
or equal to six-tenths, but less than two and one-half, the 20452
formula number of teachers is calculated as follows: 20453

$$43.478 + \{[(\text{DPIA index} - 0.6) / 1.9] \times 23.188\}$$
 20454

Where 43.478 is the number of teachers per one thousand 20455
students at a student-teacher ratio of twenty-three to one; 1.9 is 20456
the interval from a DPIA index of six-tenths to a DPIA index of 20457
two and one-half; and 23.188 is the difference in the number of 20458
teachers per one thousand students at a student-teacher ratio of 20459

fifteen to one and the number of teachers per one thousand
students at a student-teacher ratio of twenty-three to one. 20460
20461

(c) If the DPIA index of the school district is greater than
or equal to two and one-half, the formula number of teachers is 20462
66.667, which is the number of teachers per one thousand students 20463
at a student-teacher ratio of fifteen to one. 20464
20465

(2) Multiply the formula number of teachers determined or
calculated in division (E)(1) of this section by the kindergarten 20466
through third grade ADM for the district and divide that product 20467
by one thousand; 20468
20469

(3) Calculate the number of new teachers as follows: 20470

(a) Multiply the kindergarten through third grade ADM by
43.478, which is the number of teachers per one thousand students 20471
at a student-teacher ratio of twenty-three to one, and divide that 20472
product by one thousand; 20473
20474

(b) Subtract the quotient obtained in division (E)(3)(a) of
this section from the product in division (E)(2) of this section. 20475
20476

(4) Multiply the greater of the difference obtained under
division (E)(3) of this section or zero by the statewide average 20477
teachers salary. 20478
20479

(F) This division applies only to school districts whose DPIA
index is one or greater. 20480
20481

(1) Each school district subject to this division shall first
utilize funds received under this section so that, when combined 20482
with other funds of the district, sufficient funds exist to 20483
provide all-day kindergarten to at least the number of children in 20484
the district's all-day kindergarten percentage. 20485
20486

(2) Up to an amount equal to the district's DPIA index
multiplied by ~~the five-year average number of pupils in a district~~ 20487
~~receiving family assistance~~ its DPIA student count multiplied by 20488
20489

two hundred thirty dollars of the money distributed under this 20490
section may be utilized for one or both of the following: 20491

(a) Programs designed to ensure that schools are free of 20492
drugs and violence and have a disciplined environment conducive to 20493
learning; 20494

(b) Remediation for students who have failed or are in danger 20495
of failing any of the proficiency tests administered pursuant to 20496
section 3301.0710 of the Revised Code. 20497

Beginning with the school year that starts on July 1, 2002, 20498
each school district shall use at least twenty per cent of the 20499
funds set aside for the purposes of divisions (F)(2)(a) and (b) of 20500
this section to provide intervention services required by section 20501
3313.608 of the Revised Code. 20502

(3) Except as otherwise required by division (G) or permitted 20503
under division (K) of this section, all other funds distributed 20504
under this section to districts subject to this division shall be 20505
utilized for the purpose of the third grade guarantee. The third 20506
grade guarantee consists of increasing the amount of instructional 20507
attention received per pupil in kindergarten through third grade, 20508
either by reducing the ratio of students to instructional 20509
personnel or by increasing the amount of instruction and 20510
curriculum-related activities by extending the length of the 20511
school day or the school year. 20512

School districts may implement a reduction of the ratio of 20513
students to instructional personnel through any or all of the 20514
following methods: 20515

(a) Reducing the number of students in a classroom taught by 20516
a single teacher; 20517

(b) Employing full-time educational aides or educational 20518
paraprofessionals issued a permit or license under section 20519
3319.088 of the Revised Code; 20520

(c) Instituting a team-teaching method that will result in a 20521
lower student-teacher ratio in a classroom. 20522

Districts may extend the school day either by increasing the 20523
amount of time allocated for each class, increasing the number of 20524
classes provided per day, offering optional academic-related 20525
after-school programs, providing curriculum-related extra 20526
curricular activities, or establishing tutoring or remedial 20527
services for students who have demonstrated an educational need. 20528
In accordance with section 3319.089 of the Revised Code, a 20529
district extending the school day pursuant to this division may 20530
utilize a participant of the work experience program who has a 20531
child enrolled in a public school in that district and who is 20532
fulfilling the work requirements of that program by volunteering 20533
or working in that public school. If the work experience program 20534
participant is compensated, the school district may use the funds 20535
distributed under this section for all or part of the 20536
compensation. 20537

Districts may extend the school year either through adding 20538
regular days of instruction to the school calendar or by providing 20539
summer programs. 20540

(G) Each district subject to division (F) of this section 20541
shall not expend any funds received under division (E) of this 20542
section in any school buildings that are not buildings with the 20543
highest concentration of need, unless there is a ratio of 20544
instructional personnel to students of no more than fifteen to one 20545
in each kindergarten and first grade class in all buildings with 20546
the highest concentration of need. This division does not require 20547
that the funds used in buildings with the highest concentration of 20548
need be spent solely to reduce the ratio of instructional 20549
personnel to students in kindergarten and first grade. A school 20550
district may spend the funds in those buildings in any manner 20551
permitted by division (F)(3) of this section, but may not spend 20552

the money in other buildings unless the fifteen-to-one ratio 20553
required by this division is attained. 20554

(H)(1) By the first day of August of each fiscal year, each 20555
school district wishing to receive any funds under division (D) of 20556
this section shall submit to the department of education an 20557
estimate of its all-day kindergarten percentage. Each district 20558
shall update its estimate throughout the fiscal year in the form 20559
and manner required by the department, and the department shall 20560
adjust payments under this section to reflect the updates. 20561

(2) Annually by the end of December, the department of 20562
education, utilizing data from the information system established 20563
under section 3301.0714 of the Revised Code and after consultation 20564
with the legislative office of education oversight, shall 20565
determine for each school district subject to division (F) of this 20566
section whether in the preceding fiscal year the district's ratio 20567
of instructional personnel to students and its number of 20568
kindergarten students receiving all-day kindergarten appear 20569
reasonable, given the amounts of money the district received for 20570
that fiscal year pursuant to divisions (D) and (E) of this 20571
section. If the department is unable to verify from the data 20572
available that students are receiving reasonable amounts of 20573
instructional attention and all-day kindergarten, given the funds 20574
the district has received under this section and that class-size 20575
reduction funds are being used in school buildings with the 20576
highest concentration of need as required by division (G) of this 20577
section, the department shall conduct a more intensive 20578
investigation to ensure that funds have been expended as required 20579
by this section. The department shall file an annual report of its 20580
findings under this division with the chairpersons of the 20581
committees in each house of the general assembly dealing with 20582
finance and education. 20583

(I) Any school district with a DPIA index less than one and a 20584

three-year average formula ADM exceeding seventeen thousand five 20585
hundred shall first utilize funds received under this section so 20586
that, when combined with other funds of the district, sufficient 20587
funds exist to provide all-day kindergarten to at least the number 20588
of children in the district's all-day kindergarten percentage. 20589
Such a district shall expend at least seventy per cent of the 20590
remaining funds received under this section, and any other 20591
district with a DPIA index less than one shall expend at least 20592
seventy per cent of all funds received under this section, for any 20593
of the following purposes: 20594

- (1) The purchase of technology for instructional purposes; 20595
- (2) All-day kindergarten; 20596
- (3) Reduction of class sizes; 20597
- (4) Summer school remediation; 20598
- (5) Dropout prevention programs; 20599
- (6) Guaranteeing that all third graders are ready to progress 20600
to more advanced work; 20601
- (7) Summer education and work programs; 20602
- (8) Adolescent pregnancy programs; 20603
- (9) Head start or preschool programs; 20604
- (10) Reading improvement programs described by the department 20605
of education; 20606
- (11) Programs designed to ensure that schools are free of 20607
drugs and violence and have a disciplined environment conducive to 20608
learning; 20609
- (12) Furnishing, free of charge, materials used in courses of 20610
instruction, except for the necessary textbooks or electronic 20611
textbooks required to be furnished without charge pursuant to 20612
section 3329.06 of the Revised Code, to pupils living in families 20613

participating in Ohio works first in accordance with section 20614
3313.642 of the Revised Code; 20615

(13) School breakfasts provided pursuant to section 3313.813 20616
of the Revised Code. 20617

Each district shall submit to the department, in such format 20618
and at such time as the department shall specify, a report on the 20619
programs for which it expended funds under this division. 20620

(J) If at any time the superintendent of public instruction 20621
determines that a school district receiving funds under division 20622
(D) of this section has enrolled less than the all-day 20623
kindergarten percentage reported for that fiscal year, the 20624
superintendent shall withhold from the funds otherwise due the 20625
district under this section a proportional amount as determined by 20626
the difference in the certified all-day kindergarten percentage 20627
and the percentage actually enrolled in all-day kindergarten. 20628

The superintendent shall also withhold an appropriate amount 20629
of funds otherwise due a district for any other misuse of funds 20630
not in accordance with this section. 20631

(K)(1) A district may use a portion of the funds calculated 20632
for it under division (D) of this section to modify or purchase 20633
classroom space to provide all-day kindergarten, if both of the 20634
following conditions are met: 20635

(a) The district certifies to the department, in a manner 20636
acceptable to the department, that it has a shortage of space for 20637
providing all-day kindergarten. 20638

(b) The district provides all-day kindergarten to the number 20639
of children in the all-day kindergarten percentage it certified 20640
under this section. 20641

(2) A district may use a portion of the funds described in 20642
division (F)(3) of this section to modify or purchase classroom 20643

space to enable it to further reduce class size in grades 20644
kindergarten through two with a goal of attaining class sizes of 20645
fifteen students per licensed teacher. To do so, the district must 20646
certify its need for additional space to the department, in a 20647
manner satisfactory to the department. 20648

"instructional materials" means prepared learning materials that 21883

are secular, neutral, and nonideological in character and are of 21884
benefit to the instruction of school children, and may include 21885

Clerical and supervisory personnel hired pursuant to division 21899
(J) of this section shall perform their services in the public 21900
schools, in nonpublic schools, public centers, or mobile units 21901
where the services are provided to the nonpublic school pupil, 21902
except that such personnel may accompany pupils to and from the 21903
service sites when necessary to ensure the safety of the children 21904
receiving the services. 21905

All services provided pursuant to this section may be 21906
provided under contract with educational service centers, the 21907
department of health, city or general health districts, or private 21908
agencies whose personnel are properly licensed by an appropriate 21909
state board or agency. 21910

Transportation of pupils provided pursuant to divisions (E), 21911
(F), (G), and (I) of this section shall be provided by the school 21912
district from its general funds and not from moneys paid to it 21913
under division (L) of section 3317.024 of the Revised Code unless 21914
a special transportation request is submitted by the parent of the 21915

child receiving service pursuant to such divisions. If such an
application is presented to the school district, it may pay for
the transportation from moneys paid to it under division (L) of
section 3317.024 of the Revised Code.

No school district shall provide health or remedial services
to nonpublic school pupils as authorized by this section unless
such services are available to pupils attending the public schools

Notwithstanding section 3317.01 of the Revised Code, payments
shall be made under this section to any city, local, or exempted
village school district within which is located one or more
nonpublic elementary or high schools and any payments made to
school districts under division (L) of section 3317.024 of the
Revised Code for purposes of this section may be disbursed without
submission to and approval of the controlling board.

The allocation of payments for materials, equipment,
textbooks, electronic textbooks, health services, and remedial
services to city, local, and exempted village school districts
shall be on the basis of the state board of education's estimated

annual average daily membership in nonpublic elementary and high 21947
schools located in the district. 21948

Payments made to city, local, and exempted village school 21949
districts under this section shall be equal to specific 21950
appropriations made for the purpose. All interest earned by a 21951
school district on such payments shall be used by the district for 21952
the same purposes and in the same manner as the payments may be 21953
used. 21954

The department of education shall adopt guidelines and 21955
procedures under which such programs and services shall be 21956
provided, under which districts shall be reimbursed for 21957
administrative costs incurred in providing such programs and 21958
services, and under which any unexpended balance of the amounts 21959
appropriated by the general assembly to implement this section may 21960
be transferred to the auxiliary services personnel unemployment 21961
compensation fund established pursuant to section 4141.47 of the 21962
Revised Code. The department shall also adopt guidelines and 21963
procedures limiting the purchase and loan of the items described 21964
in division (K) of this section to items that are in general use 21965
in the public schools of the state, that are incapable of 21966
diversion to religious use, and that are susceptible to individual 21967
use rather than classroom use. Within thirty days after the end of 21968
each biennium, each board of education shall remit to the 21969
department all moneys paid to it under division (L) of section 21970
3317.024 of the Revised Code and any interest earned on those 21971
moneys that are not required to pay expenses incurred under this 21972
section during the biennium for which the money was appropriated 21973
and during which the interest was earned. If a board of education 21974
subsequently determines that the remittal of moneys leaves the 21975
board with insufficient money to pay all valid expenses incurred 21976
under this section during the biennium for which the remitted 21977
money was appropriated, the board may apply to the department of 21978

education for a refund of money, not to exceed the amount of the 21979
insufficiency. If the department determines the expenses were 21980
lawfully incurred and would have been lawful expenditures of the 21981
refunded money, it shall certify its determination and the amount 21982
of the refund to be made to the director of job and family 21983
services who shall make a refund as provided in section 4141.47 of 21984

the director of job and family services and the superintendent of 21989
public instruction shall determine the amount of any excess moneys 21990
in the auxiliary services personnel unemployment compensation fund 21991
not reasonably necessary for the purposes of section 4141.47 of 21992
the Revised Code, and shall certify such amount to the director of 21993
budget and management for transfer to the auxiliary services 21994
mobile unit replacement and repair fund. If the director of ~~jobs~~ 21995
job and family services and the superintendent disagree on such 21996
amount, the director of budget and management shall determine the 21997
amount to be transferred. 21998

(B) Moneys in the auxiliary services mobile unit replacement 21999
and repair fund shall be used for the relocation or for the 22000
replacement and repair of mobile units used to provide the 22001
services specified in division (E), (F), (G), or (I) of section 22002
3317.06 of the Revised Code ~~and for no other purposes~~. The state 22003
board of education shall adopt guidelines and procedures for 22004
replacement, repair, and relocation of mobile units and the 22005
procedures under which a school district may apply to receive 22006
moneys with which to repair or replace or relocate such units. 22007

(C) School districts may apply to the department for moneys 22008
from the auxiliary services mobile unit replacement and repair 22009

fund for payment of incentives for early retirement and severance 22010
for school district personnel assigned to provide services 22011
authorized by section 3317.06 of the Revised Code at chartered 22012
nonpublic schools. The portion of the cost of any early retirement 22013
or severance incentive for any employee that is paid using money 22014
from the auxiliary services mobile unit replacement and repair 22015
fund shall not exceed the percentage of such employee's total 22016
service credit that the employee spent providing services to 22017
chartered nonpublic school students under section 3317.06 of the 22018
Revised Code. 22019

Sec. 3317.10. (A) On or before the first day of March of each 22020
year, the department of job and family services shall certify to 22021

The department of job and family services shall certify this 22038
information according to the school district of residence for each 22039

child. Except as provided under division (B) of this section, the 22040

department of education in calculating the distribution of moneys 22042
for the ensuing fiscal year as provided in section 3317.029 of the 22043
Revised Code. 22044

(B) Upon the transfer of part of the territory of one school 22045
district to the territory of one or more other school districts, 22046
the department of education may adjust the number of children 22047
certified under division (A) of this section for any district 22048
gaining or losing territory in such a transfer in order to take 22049
into account the effect of the transfer on the number of such 22050
~~children ages five through seventeen~~ who reside in the district 22051
~~and live in a family that participates in Ohio works first~~. Within 22052
sixty days of receipt of a request for information from the 22053
department of education, the department of job and family services 22054
shall provide any information the department of education 22055
determines is necessary to make such adjustments. The department 22056
of education may use the adjusted number for any district for the 22057

section 3317.13 of the Revised Code, for each approved licensed 22075
employee of the governing board; 22076

Sec. 3318.04. (A) If the Ohio school facilities commission makes a determination under section 3318.03 of the Revised Code in favor of constructing, acquiring, reconstructing, or making additions to a classroom facility, the project shall be conditionally approved. Such conditional approval shall be submitted to the controlling board for approval thereof. The controlling board shall forthwith approve or reject the commission's determination, conditional approval, the amount of the state's portion of the basic project cost, and, if the state's portion exceeds twenty-five million dollars, the amount of the state's portion to be encumbered in the current fiscal biennium. In the event of approval thereof by the controlling board, the commission shall certify such conditional approval to the school district board and shall encumber from the total funds appropriated for the purpose of sections 3318.01 to 3318.20 of the Revised Code the amount of the state's portion of the basic	22706 22707 22708 22709 22710 22711 22712 22713 22714 22715 22716 22717 22718 22719 22720 22721

project cost or, if the state's portion exceeds twenty-five 22722
million dollars, the amount approved under this section to be 22723
encumbered in the current fiscal biennium. 22724

The basic project cost for a project approved under this 22725
section shall not exceed the cost that would otherwise have to be 22726
incurred if the classroom facilities to be constructed, acquired, 22727
or reconstructed, or the additions to be made to classroom 22728
facilities, under such project meet, but do not exceed, the 22729
specifications for plans and materials for classroom facilities 22730
adopted by the commission. 22731

(B)(1) No school district shall have a project conditionally 22732
approved pursuant to this section if the school district has 22733
already received any assistance for a project funded under any 22734
version of sections 3318.01 to 3318.20 of the Revised Code, and 22735
the prior project was one for which the electors of such district 22736
approved a levy within the last twenty years pursuant to any 22737
version of section 3318.06 of the Revised Code for purposes of 22738
qualifying for the funding of that project, unless the district 22739
demonstrates to the satisfaction of the commission that the 22740
district has experienced since approval of its prior project an 22741
exceptional increase in enrollment significantly above the 22742
district's design capacity under that prior project as determined 22743
by rule of the commission. 22744

(2) Notwithstanding division (B)(1) of this section, any 22745
school district that received assistance under sections 3318.01 to 22746
3318.20 of the Revised Code, as those sections existed prior to 22747
May 20, 1997, may receive additional assistance under those 22748
sections, as they exist on and after May 20, 1997, prior to the 22749
expiration of the period of time required under division (B)(1) of 22750
this section, if the percentile in which the school district is 22751
located, as determined under section 3318.011 of the Revised Code, 22752
is eligible for assistance as prescribed in section 3318.02 of the 22753

Revised Code. 22754

The commission may provide assistance under sections 3318.01 22755
to 3318.20 of the Revised Code pursuant to this division to no 22756
more than five school districts per fiscal year until all eligible 22757
school districts have received the additional assistance 22758
authorized under this division. The commission shall establish 22759
application procedures, deadlines, and priorities for funding 22760
projects under this division. 22761

The commission at its discretion may waive current design 22762
specifications it has adopted for projects under sections 3318.01 22763
to 3318.20 of the Revised Code when assessing an application for 22764
additional assistance under this division for the renovation of 22765
classroom facilities constructed or renovated under a school 22766
district's previous project. If the commission finds that a school 22767
district's existing classroom facilities are adequate to meet all 22768
of the school district's needs, the commission may determine that 22769
no additional state assistance be awarded to a school district 22770
under this division. 22771

~~In order for a school district to be eligible to receive any 22772
additional assistance under this division, the school district 22773
electors shall extend the school district's existing levy 22774
dedicated for maintenance of classroom facilities under Chapter 22775
3318. of the Revised Code, pursuant to section 3318.061 of the 22776
Revised Code or shall provide equivalent alternative maintenance 22777
funds as specified in division (B) of section 3318.06 of the 22778
Revised Code. 22779~~

(3) Notwithstanding division (B)(1) of this section, any 22780
school district that has received assistance under sections 22781
3318.01 to 3318.20 of the Revised Code after May 20, 1997, may 22782
receive additional assistance if the commission decides in favor 22783
of providing such assistance pursuant to section 3318.042 of the 22784
Revised Code. 22785

Sec. 3318.042. (A) The board of education of any school district that is receiving assistance under sections 3318.01 to 3318.20 of the Revised Code after May 20, 1997, and whose project is still under construction, may request that the Ohio school facilities commission examine whether the circumstances prescribed in either division (B)(1) or (2) of this section exist in the school district. If the commission so finds, the commission shall review the school district's original assessment and approved project under sections 3318.01 to 3318.20 of the Revised Code, and consider providing additional assistance to the school district to correct the prescribed conditions found to exist in the district. Additional assistance under this section shall be limited to additions to one or more buildings, remodeling of one or more buildings, or changes to the infrastructure of one or more buildings. 22786

(B) Consideration of additional assistance to a school district under this section is warranted in either of the following circumstances: 22801
22802
22803

(1) Additional work is needed to correct an oversight or deficiency not identified or included in the district's initial assessment. 22804
22805
22806

(2) Other conditions exist that, in the opinion of the commission, warrant additions or remodeling of the project facilities or changes to infrastructure associated with the district's project that were not identified in the initial assessment and plan. 22807
22808
22809
22810
22811

(C) If the commission decides in favor of providing additional assistance to any school district under this section, the school district shall be responsible for paying for its portion of the cost the additions, remodeling, or infrastructure changes pursuant to section 3318.083 of the Revised Code. If after 22812

commission determines that the school district is unable without 22818

commission, to fund the school district portion of the increase, 22820
then the state and the school district shall enter into an 22821
agreement whereby the state shall pay the portion of the cost 22822
increase attributable to the school district which is determined 22823
to be in excess of any local resources available to the district 22824
and the district shall thereafter reimburse the state. The 22825
commission shall establish the district's schedule for reimbursing 22826
the state, which shall not extend beyond five years. Debt incurred 22827
under this section shall not be included in the calculation of the 22828
net indebtedness of the school district under section 133.06 of 22829
the Revised Code. 22830

Sec. 3318.05. The conditional approval of the Ohio school 22831
facilities commission for a project shall lapse and the amount 22832
reserved and encumbered for such project shall be released unless 22833
the school district board accepts such conditional approval within 22834
one hundred twenty days following the date of certification of the 22835
conditional approval to the school district board and the electors 22836
of the school district vote favorably on ~~both of the propositions~~ 22837
proposition described in ~~divisions (A) and (B)~~ of this section 22838
within one year of the date of such certification, ~~except that a~~ 22839
~~school district described in division (C) of this section does not~~ 22840
~~need to submit the proposition described in division (B) of this~~ 22841

district board or the district's electors fail to meet such 22844
requirements and the amount reserved and encumbered for the 22845
district's project is released, the district shall be given first 22846
priority for project funding as such funds become available. 22847

~~(A) On~~ The proposition shall be on the question of issuing 22848

bonds of the school district board, for the school district's 22849
portion of the basic project cost, in an amount equal to the 22850
school district's portion of the basic project cost less any 22851
deduction made under section 3318.033 of the Revised Code; and 22852

~~(B) On the question of levying a tax the proceeds of which 22853
shall be used to pay the cost of maintaining the classroom 22854
facilities included in the project. Such tax shall be at the rate 22855
of not less than one-half mill for each dollar of valuation for a 22856
period of twenty-three years, subject to any extension approved 22857
under section 3318.061 of the Revised Code. 22858~~

~~(C) If a school district has in place a tax levied under 22859
section 5705.21 of the Revised Code for general ongoing permanent 22860
improvements of at least two mills for each dollar of valuation 22861
and the proceeds of such tax can be used for maintenance, the 22862
school district need not levy the additional tax required under 22863
division (B) of this section, provided the school district board 22864
includes in the agreement entered into under section 3318.08 of 22865
the Revised Code provisions earmarking an amount from the proceeds 22866
of that permanent improvement tax for maintenance of classroom 22867
facilities equivalent to the amount of the additional tax and for 22868

school district for such purpose. 22874~~

Sec. 3318.051. The proceeds of any tax dedicated for the 22875
maintenance of the classroom facilities specifically acquired by a 22876
school district under any project under Chapter 3318. of the 22877
Revised Code approved by the electors of the school district prior 22878
to the effective date of this section as required under former 22879

section 3318.05 of the Revised Code as it existed prior to the 22880
effective date this section, or any existing taxes or other school 22881
district revenues earmarked for maintenance by the school district 22882
board under agreement with the school facilities commission as 22883
permitted under former section 3318.05 or under section 3318.052 22884
of the Revised Code, as those sections existed prior to the 22885
effective date of this section, shall not be required to be used 22886
for such purpose after the effective date of this section and may 22887
instead be used by the school district board to pay the cost of 22888
maintaining any classroom facilities owned or controlled by the 22889
school district board. 22890

Sec. 3318.052. (A) At any time after the electors of a school 22891
district have approved either or both a property tax levied under 22892
section 5705.21 of the Revised Code for the purpose of general 22893
ongoing permanent improvements or under section 5705.218 of the 22894
Revised Code for the purpose of permanent improvements, or a 22895
school district income tax levied under Chapter 5748. of the 22896
Revised Code, the board of education of the school district may do 22897
all of the following: 22898

(1) Within one year following the date of the certification 22899
of the conditional approval of the school district's classroom 22900
facilities project by the Ohio school facilities commission, enter 22901
into a written agreement with the commission, which may be part of 22902
an agreement entered into under section 3318.08 of the Revised 22903
Code, under which the school district board covenants and agrees 22904
to apply a specified amount of the proceeds of that property tax 22905
levy, of that school district income tax, or of securities issued 22906
under this section, or of proceeds from any two or more of those 22907
sources, to pay all or part of the district's portion of the basic 22908
project cost of its classroom facilities project. 22909

(2) Receive as a credit against the amount of bonds required 22910

under sections 3318.05 and 3318.06 of the Revised Code, to be 22911
approved by the electors of the district and issued by the 22912
district board for the district's portion of the basic project 22913
cost of its classroom facilities project in order for the district 22914
to receive state assistance for the project, an amount equal to 22915
the specified amount that the district board covenants and agrees 22916
with the commission to apply as set forth in division (A) (1) of 22917
this section. 22918

(3) Apply the proceeds of either or both such taxes to the 22919
payment of debt charges on and financing costs related to 22920
securities issued under this section and to make any necessary 22921
transfers of funds arising from such a tax from the fund to which 22922
the proceeds of the tax are credited to the bond retirement fund 22923
established for those securities or to the project construction 22924
fund, as required pursuant to division (B) of section 3318.08 of 22925
the Revised Code. 22926

(4) Issue securities to provide moneys to pay all or part of 22927
the district's portion of the basic project cost of its classroom 22928
facilities project in accordance with an agreement entered into 22929
under division (A) (1) of this section. 22930

(B) Securities issued under this section shall be Chapter 22931
133. securities and may be issued as general obligation securities 22932
or issued in anticipation of a school district income tax or as 22933
property tax anticipation notes under section 133.24 of the 22934
Revised Code. The district board's resolution authorizing the 22935
issuance and sale of general obligation securities under this 22936
section shall conform to the applicable requirements of section 22937
133.22 or 133.23 of the Revised Code. Securities issued under this 22938
section shall have principal payments during each year after the 22939
year of issuance over a period of not more than twenty-three years 22940
and, if so determined by the district board, during the year of 22941
issuance. Securities issued under this section shall not be 22942

included in the calculation of net indebtedness of the district 22943
under section 133.06 of the Revised Code if the resolution of the 22944
district board authorizing their issuance and sale includes 22945
covenants to appropriate annually from the proceeds of the 22946
property tax levied or of the school district income tax referred 22947
to in division (A) of this section and to continue to levy and 22948
collect the tax in amounts necessary to pay the debt charges on 22949
and financing costs related to the securities as they become due. 22950
No such tax the proceeds of which are pledged, or that the school 22951
district board has covenanted to levy, collect, and appropriate 22952
annually, to pay the debt charges on and financing costs related 22953
to securities issued under this section shall be repealed while 22954
those securities are outstanding. If such a tax is reduced by the 22955
electors of the district or by the district board while those 22956
securities are outstanding, the school district board shall 22957
continue to levy and collect the tax under the authority of the 22958
original election authorizing the tax at a rate in each year that 22959
the board reasonably estimates will produce an amount in that year 22960
equal to the debt charges on the securities in that year. 22961

No state moneys shall be released for a project to which this 22962
section applies until the proceeds of the tax securities issued 22963
under this section that are dedicated for the payment of the 22964
district portion of the basic project cost of its classroom 22965
facilities project are first deposited into the district's project 22966
construction fund. 22967

Sec. 3318.053. Notwithstanding any provision of this chapter 22968
to the contrary, a school district board may use proceeds from the 22969
tax described in former division (B) or (C) of section 3318.05 of 22970
the Revised Code, as either division existed immediately prior to 22971
the effective date of this amendment, for infrastructure 22972
improvements on and leading to the project sites that are not 22973
included in the basic project cost. The board may use proceeds of 22974

the tax in this manner only during the three-year period following 22975
the execution of the agreement under section 3318.08 of the 22976
Revised Code. If the board intends to use the proceeds of the tax 22977
in this manner, it shall include that fact as part of the purpose 22978
of the levy in the ballot language proposing it. 22979

Sec. 3318.06. (A) After receipt of the conditional approval 22980

the Revised Code has been entered into, the school district board 23138
may proceed under Chapter 133. of the Revised Code, with the 23139
issuance of bonds or bond anticipation notes in accordance with 23140
the terms of the agreement. 23141

Sec. 3318.08. If the requisite favorable vote on the election 23142
is obtained, or if the school district board has resolved to apply 23143
the proceeds of a property tax levy or the proceeds of an income 23144

results of the election or the resolution under section 3318.052 23148
of the Revised Code, shall enter into a written agreement with the 23149
school district board for the construction and sale of the 23150
project, which agreement shall include, but need not be limited 23151
to, the following provisions: 23152

(A) The sale and issuance of bonds or notes in anticipation 23153
thereof, as soon as practicable after the execution of the 23154
agreement, in an amount equal to the school district's portion of 23155
the basic project cost, including any bonds previously authorized 23156
by the district's electors as described in section 3318.033 of the 23157
Revised Code; provided, that if at that time the county treasurer 23158
of each county in which the school district is located has not 23159
commenced the collection of taxes on the general duplicate of real 23160
and public utility property for the year in which the controlling 23161
board approved the project, the school district board shall 23162
authorize the issuance of a first installment of bond anticipation 23163

notes in an amount specified by the agreement, which amount shall 23164
not exceed an amount necessary to raise the net bonded 23165
indebtedness of the school district as of the date of the 23166
controlling board's approval to within five thousand dollars of 23167
the required level of indebtedness for the preceding year. In the 23168
event that a first installment of bond anticipation notes is 23169
issued, the school district board shall, as soon as practicable 23170
after the county treasurer of each county in which the school 23171
district is located has commenced the collection of taxes on the 23172
general duplicate of real and public utility property for the year 23173
in which the controlling board approved the project, authorize the 23174

the amount of net bonded indebtedness for the purpose of fixing 23185
the amount of an issue of either bonds or bond anticipation notes, 23186
gross indebtedness shall be reduced by moneys in the bond 23187
retirement fund only to the extent of the moneys therein on the 23188
first day of the year preceding the year in which the controlling 23189
board approved the project. Should there be a decrease in the tax 23190
valuation of the school district so that the amount of 23191
indebtedness that can be incurred on the tax duplicates for the 23192
year in which the controlling board approved the project is less 23193
than the amount of the first installment of bond anticipation 23194
notes, there shall be paid from the school district's project 23195

construction fund to the school district's bond retirement fund to 23196
be applied against such notes an amount sufficient to cause the 23197
net bonded indebtedness of the school district, as of the first 23198
day of the year following the year in which the controlling board 23199
approved the project, to be within five thousand dollars of the 23200
required level of indebtedness for the year in which the 23201
controlling board approved the project. The maximum amount of 23202
indebtedness to be incurred by any school district board as its 23203
share of the cost of the project is either an amount that will 23204
cause its net bonded indebtedness, as of the first day of the year 23205
following the year in which the controlling board approved the 23206
project, to be within five thousand dollars of the required level 23207
of indebtedness, or an amount equal to the required percentage of 23208
the basic project costs, whichever is greater. All bonds and bond 23209
anticipation notes shall be issued in accordance with Chapter 133. 23210
of the Revised Code, and notes may be renewed as provided in 23211
section 133.22 of the Revised Code. 23212

school district portion of the project ~~and an amount equivalent to~~ 23226
~~all or part of the tax required under division (B) of section~~ 23227

~~resolution shall not specify an election sooner than twelve months~~ 23504
~~after the date the resolution is adopted by the board~~ The 23505
resolution may specify the application of local resources or 23506

elector-approved bond or tax measures after the resolution is 23507
adopted by the board, and in such case the board may proceed with 23508
a discrete portion of its project under this section as soon as 23509
the commission and the controlling board have approved the basic 23510
project cost of the district's classroom facilities needs as 23511
specified in division (D) of this section. The board shall submit 23512
its resolution to the commission not later than ten days after the 23513
date the resolution is adopted by the board. 23514

The commission shall not consider any resolution that is 23515
submitted pursuant to division (B)(2) of this section, as amended 23516
by this amendment, sooner than ~~the effective date of this~~ 23517
~~amendment~~ September 14, 2000. 23518

(3) Any project under this section shall comply with section 23519
3318.03 of the Revised Code and with any specifications for plans 23520
and materials for classroom facilities adopted by the commission 23521
under section 3318.04 of the Revised Code. 23522

(4) If a school district that enters into an agreement under 23523
this section has not begun a project applying local resources as 23524
provided for under that agreement at the time the district is 23525
notified by the commission that it is eligible to receive state 23526
assistance under sections 3318.01 to 3318.20 of the Revised Code, 23527
all assessment and agreement documents entered into under this 23528
section are void. 23529

(5) Only construction of or repairs to classroom facilities 23530
that have been approved by the commission and have been therefore 23531
included as part of a district's basic project cost qualify for 23532
application of local resources under this section. 23533

(C) Based on the results of the on-site visits and assessment 23534
conducted under division (B)(2) of this section, the commission 23535
shall determine the basic project cost of the school district's 23536
classroom facilities needs. The commission shall determine the 23537
school district's portion of such basic project cost, which shall 23538

be the greater of:

23539

(1) The required percentage of the basic project costs,
determined based on the school district's percentile ranking in
the fiscal year the commission and the school district enter into
the agreement under division (B) of this section;

23540

23541

23542

23543

(2) An amount necessary to raise the school district's net
bonded indebtedness, as of the fiscal year the commission and the

this section, to within five thousand dollars of the required
level of indebtedness.

(D)~~(1)~~ When the commission determines the basic project cost
of the classroom facilities needs of a school district and the
school district's portion of that basic project cost under
division (C) of this section, the project shall be conditionally
approved. Such conditional approval shall be submitted to the
controlling board for approval thereof. The controlling board
shall forthwith approve or reject the commission's determination,
conditional approval, and the amount of the state's portion of the
basic project cost; however, no state funds shall be encumbered
under this section. Upon approval by the controlling board, the
school district board may identify a discrete part of its
classroom facilities needs, which shall include only new
construction of or additions or major repairs to a particular
building, to address with local resources. Upon identifying a part
of the school district's basic project cost to address with local
resources, the school district board may allocate any available
school district moneys to pay the cost of that identified part,
including the proceeds of an issuance of bonds if approved by the
electors of the school district.

The basic project cost recalculated under this division shall include the amount of expenditures made by the school district board under division (D)(1) of this section. school district resources applied by the school district board to 23637
the school district's portion of the basic project cost under this 23638
section is less than the total amount of such portion as 23639
recalculated under this division, the school district board by a 23640
majority vote of all of its members shall, if it desires to seek 23641
state assistance under sections 3318.01 to 3318.20 of the Revised 23642
Code, adopt a resolution as specified in section 3318.06 of the 23643
Revised Code to submit to the electors of the school district the 23644
question of approval of a bond issue in order to pay any 23645

section satisfies the requirements to levy the additional tax 23648
under section 3318.06 of the Revised Code.~~ 23649

(2) If the amount of school district resources applied by the 23650
school district board to the school district's portion of the 23651
basic project cost under this section is more than the total 23652
amount of such portion as recalculated under this division, within 23653
one year after the school district's portion is recalculated under 23654
division (E)(1) of this section the commission may grant to the 23655
school district the difference between the two calculated 23656
portions, but at no time shall the commission expend any state 23657

of the basic project cost as recalculated under this division. 23659

Any reimbursement under this division shall be only for local 23660
resources the school district has applied toward construction cost 23661
expenditures for the classroom facilities approved by the 23662
commission, which shall not include any financing costs associated 23663
with that construction. 23664

The school district board shall use any moneys reimbursed to 23665
the district under this division to pay off any debt service the 23666

district owes for classroom facilities constructed under its 23667
project under this section before such moneys are applied to any 23668
other purpose. 23669

Sec. 3318.362. This section applies only to a school district 23670
that participates in the school building assistance expedited 23671
local partnership program under section 3318.36 of the Revised 23672
Code. 23673

Notwithstanding the twenty-three year maximum maturity for 23674
bonds proposed to be issued by a school district board for a 23675
classroom facilities project pursuant to division ~~(C)~~(A) of 23676
section 3318.06 of the Revised Code, a school district board that 23677
enters into an agreement with the Ohio school facilities 23678
commission under division (B) of section 3318.36 of the Revised 23679
Code may propose for issuance any bonds necessary for its 23680
participation in the program under section 3318.36 of the Revised 23681
Code for a term longer than twenty-three years but not to exceed 23682
the term calculated pursuant to section 133.20 of the Revised 23683
Code. Any moneys received from the state under division (E)(2) of 23684
section 3318.36 of the Revised Code shall be applied, as agreed in 23685
writing by the school district board and the commission, to pay 23686
debt service on outstanding bonds or bond anticipation notes 23687
issued by the school district board for its participation in the 23688
expedited local partnership program, including by placing those 23689
moneys in an applicable escrow fund under division (D) of section 23690
133.34 of the Revised Code. 23691

Sec. 3318.363. (A) This section applies only to a school 23692
district participating in the school building assistance expedited 23693
local partnership program under section 3318.36 of the Revised 23694
Code. 23695

(B) If there is a decrease in the tax valuation of a school 23696

district to which this section applies by ten per cent or greater 23697
from one tax year to the next due to a decrease in the assessment 23698
rate of the taxable property of an electric company that owns 23699
property in the district, as provided for in section 5727.111 of 23700
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 23701
General Assembly, the Ohio school facilities commission shall 23702
calculate or recalculate the state and school district portions of 23703
the basic project cost of the school district's project by 23704
determining the percentile rank in which the district would be 23705
located if such ranking were made using the current year adjusted 23706
valuation per pupil, as calculated and reported to the commission 23707
by the department of education under division (A) of section 23708
3318.011 of the Revised Code, rather than the three-year average 23709
adjusted valuation per pupil, calculated under division (B) of 23710
that section. For such district, the required percentage of the 23711
basic project cost used to determine the state and school district 23712
shares of that cost under division (C) of section 3318.36 of the 23713
Revised Code shall be based on the percentile rank as calculated 23714
under this section rather than as otherwise provided in division 23715
(C)(1) of section 3318.36 of the Revised Code. If the commission 23716
has determined the state and school district portion of the basic 23717
project cost of such a district's project under section 3318.36 of 23718
the Revised Code prior to that decrease in tax valuation, the 23719
commission shall adjust the state and school district shares of 23720
the basic project cost of such project in accordance with this 23721
section. 23722

Sec. 3318.37. (A) As used in this section: 23723

(1) "Low wealth school district" means a school district in 23724
the first through fiftieth percentiles as determined under section 23725
3318.011 of the Revised Code. 23726

(2) A "school district with an exceptional need for immediate 23727

classroom facilities assistance" means a low wealth school 23728
district with an exceptional need for new facilities in order to 23729
protect the health and safety of all or a portion of its students. 23730
School districts reasonably expected to be eligible for state 23731
assistance under sections 3318.01 to 3318.20 of the Revised Code 23732
within three fiscal years after assistance under this section is 23733
being considered by the Ohio school facilities commission, and 23734
school districts that participate in the school building 23735
assistance expedited local partnership program under section 23736
3318.36 of the Revised Code shall not be eligible for assistance 23737
under this section. 23738

(B)(1) There is hereby established the exceptional needs 23739
school facilities assistance program. Under the program, the Ohio 23740
school facilities commission may set aside from the moneys 23741
annually appropriated to it for classroom facilities assistance 23742
projects up to twenty-five per cent for assistance to school 23743
districts with exceptional needs for immediate classroom 23744
facilities assistance. 23745

(2)(a) After consulting with education and construction 23746
experts, the commission shall adopt guidelines for identifying 23747
school districts with an exceptional need for immediate classroom 23748
facilities assistance. 23749

(b) The guidelines shall include application forms and 23750
instructions for school districts that believe they have an 23751
exceptional need for immediate classroom facilities assistance. 23752

(3) The commission shall evaluate the classroom facilities, 23753
and the need for replacement classroom facilities from the 23754
applications received under this section. The commission, 23755
utilizing the guidelines adopted under division (B)(2)(a) of this 23756
section, shall prioritize the school districts to be assessed. 23757

Notwithstanding section 3318.02 of the Revised Code, the 23758

commission may conduct on-site evaluation of the school districts
prioritized under this section and approve and award funds until
such time as all funds set aside under division (B)(1) of this
section have been encumbered under section 3318.04 of the Revised
Code.

(4) Notwithstanding ~~division (A)~~ of section 3318.05 of the
Revised Code, the school district's portion of the basic project
cost under this section shall be the "required percentage of the
basic project costs," as defined in division (K) of section
3318.01 of the Revised Code.

(5) Except as otherwise specified in this section, any
project undertaken with assistance under this section shall comply
with all provisions of sections 3318.01 to 3318.20 of the Revised
Code. A school district may receive assistance under sections
3318.01 to 3318.20 of the Revised Code for the remainder of the
district's classroom facilities needs as assessed under this
section when the district is eligible for such assistance pursuant
to section 3318.02 of the Revised Code, but any classroom facility
constructed with assistance under this section shall not be
included in a district's project at that time unless the
commission determines the district has experienced the increased
enrollment specified in division (B)(1) of section 3318.04 of the
Revised Code.

Sec. 3318.38. (A) As used in this section, "big-eight school
district" has the same meaning as in section 3314.02 of the
Revised Code.

(B) There is hereby established the accelerated urban school
building assistance program. Under the program, notwithstanding
section 3318.02 of the Revised Code, any big-eight school district
that has not been approved to receive assistance under sections
3318.01 to 3318.20 of the Revised Code by July 1, 2002, may

beginning on that date apply for approval of and be approved for 23790
such assistance. Except as otherwise provided in this section, any 23791
project approved and undertaken pursuant to this section shall 23792
comply with all provisions of sections 3318.01 to 3318.20 of the 23793
Revised Code. 23794

The Ohio school facilities commission shall provide 23795
assistance to any big-eight school district eligible for 23796
assistance under this section in the following manner: 23797

(1) Notwithstanding section 3318.02 of the Revised Code: 23798

(a) Not later than June 30, 2002, the commission shall 23799
conduct an on-site visit and shall assess the classroom facilities 23800
needs of each big-eight school district eligible for assistance 23801
under this section; 23802

(b) Beginning July 1, 2002, any big-eight school district 23803
eligible for assistance under this section may apply to the 23804
commission for conditional approval of its project as determined 23805
by the assessment conducted under division (B)(1)(a) of this 23806
section. The commission may conditionally approve that project and 23807
submit it to the controlling board for approval pursuant to 23808
section 3318.04 of the Revised Code. 23809

(2) If the controlling board approves the project of a 23810
big-eight school district eligible for assistance under this 23811
section, the commission and the school district shall enter into 23812
an agreement as prescribed in section 3318.08 of the Revised Code. 23813
Any agreement executed pursuant to this division shall include any 23814
applicable segmentation provisions as approved by the commission 23815
under division (B)(3) of this section. 23816

(3) Notwithstanding any provision to the contrary in sections 23817
3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight 23818
school district eligible for assistance under this section may 23819
with the approval of the commission opt to divide the project as 23820

approved under division (B)(1)(b) of this section into discrete 23821
segments to be completed sequentially. Any project divided into 23822
segments shall comply with all other provisions of sections 23823
3318.05, 3318.06, and 3318.08 of the Revised Code except as 23824
otherwise specified in this division. 23825

If a project is divided into segments under this division: 23826

(a) The school district need raise only the amount equal to 23827
its proportionate share, as determined under section 3318.032 of 23828
the Revised Code, of each segment at any one time and may seek 23829
voter approval of each segment separately; 23830

(b) The state's proportionate share, as determined under 23831
section 3318.032 of the Revised Code, of only the segment which 23832
has been approved by the school district electors or for which the 23833
district has applied a local donated contribution under section 23834
3318.084 of the Revised Code shall be encumbered at any one time. 23835
Encumbrance of additional amounts to cover the state's 23836
proportionate share of later segments shall be approved separately 23837
as they are approved by the school district electors or as the 23838
district applies a local donated contribution to the segments 23839
under section 3318.084 of the Revised Code. If the state's share 23840
of any one segment exceeds twenty-five million dollars, 23841
encumbrance of that share is subject to the provisions of section 23842
3318.11 of the Revised Code. 23843

~~(c) If it is necessary to levy the additional tax for 23844
maintenance under division (B) of section 3318.05 of the Revised 23845
Code with respect to any segment of the project, the district may 23846
utilize the provisions of section 3318.061 of the Revised Code to 23847
ensure that the maintenance tax extends for twenty-three years 23848
after the last segment of the project is undertaken. 23849~~

Sec. 3318.50. (A) As used in this section and in section 23850
3318.52 of the Revised Code: 23851

(1) "Start-up community school" means a "new start-up school" as that term is defined in division (A) of section 3314.02 of the Revised Code. 23852
23853
23854

(2) "Classroom facilities" has the same meaning as in section 3318.01 of the Revised Code. 23855
23856

(B) There is hereby established the community school classroom facilities loan guarantee program. Under the program, the Ohio school facilities commission may guarantee for up to fifteen years up to eighty-five per cent of the sum of the principal and interest on a loan made to the governing authority of a start-up community school established under Chapter 3314. of the Revised Code for the sole purpose of assisting the governing board in acquiring classroom facilities for the community school by lease, purchase, remodeling of existing facilities, or any other means except by new construction. 23857

23859
23860
23861
23862
23863
23864
23865
23866

The commission shall not make any loan guarantee under this section unless the commission has determined both that the applicant is creditworthy and that the classroom facilities meet specifications established by the commission under section 3318.51 of the Revised Code. 23867
23868
23869
23870
23871

The commission shall not guarantee any loan under this section unless the loan is obtained from a financial institution regulated by the United States or this state. 23872
23873
23874

(C) At no time shall the commission exceed an aggregate liability of ten million dollars to repay loans guaranteed under this section. 23875
23876
23877

23879
23880
23881

(E) The commission may assess a fee of up to five hundred 23882

dollars for each loan guaranteed under this section. 23883

(F) Not later than ninety days after the effective date of 23884
this section, the commission shall adopt rules that prescribe loan 23885
standards and procedures consistent with this section that are 23886
designed to protect the state's interest in any loan guaranteed by 23887
this section and to ensure that the state has a reasonable chance 23888
of recovering any payments made by the state in the event of a 23889
default on any such loan. 23890

Sec. 3318.51. Not later than nine months after the effective 23891
date of this section, the Ohio school facilities commission in 23892
consultation with the office of community school options 23893
established under section 3314.11 of the Revised Code shall 23894
develop specifications for classroom facilities for start-up 23895
community schools established under Chapter 3314. of the Revised 23896

Sec. 3318.52. There is hereby established the community 23898
school classroom facilities loan guarantee fund. The fund shall 23899
consist of such moneys as the general assembly appropriates for 23900
the purpose of guaranteeing loans to community schools under 23901
section 3318.50 of the Revised Code. Investment earnings on moneys 23902
in the fund shall be credited to the fund. 23903

Sec. 3319.19. (A) ~~Upon~~ Except as provided in division (D) of 23904
this section or division (A)(2) of section 3313.37 of the Revised 23905

The board shall adopt rules requiring institutions to provide information regarding an appeal to the board.

(b) Any student who has previously received a grant under this section who meets all other requirements of this section.

(3) The board shall adopt rules for the notification of all institutions whose students will be ineligible to participate in the grant program pursuant to division (F)(1) of this section.

Sec. 3333.21. As used in sections 3333.21 to 3333.23 of the 24960
Revised Code, "term" and "academic year" mean "term" and "academic 24961
year" as defined by the Ohio board of regents. 24962

The board shall establish and administer an academic 24963
scholarship program. Under the program, a total of one thousand 24964
new scholarships shall be awarded annually in the amount of not 24965
less than two thousand dollars per award. At least one such new 24966

certificate of authorization issued under section 1713.02 of the 24976
Revised Code, or holds a certificate of registration and program 24977

awards an associate or bachelor's degree. Students who attend an 24979
institution holding a certificate of registration shall be 24980

enrolled in a program leading to an associate or bachelor's degree 24981
for which associate or bachelor's degree program the institution 24982

section 3332.05 of the Revised Code. 24984

"Resident" and "full-time student" shall be defined by board 24985
rule. 24986

The board shall award the scholarships on the basis of a 24987
formula designed by it to identify students with the highest 24988
capability for successful college study. The formula shall weigh 24989
the factor of achievement, as measured by grade point average, and 24990
the factor of ability, as measured by performance on a competitive 24991
examination specified by the board. Students receiving 24992
scholarships shall be known as "Ohio academic scholars." Annually, 24993
not later than the thirty-first day of July, the board shall 24994
report to the governor and the general assembly on the performance 24995
of current Ohio academic scholars and the effectiveness of its 24996
formula. 24997

Sec. 3333.22. Each Ohio academic scholarship shall be awarded 24998
for an academic year and may be renewed for each of three 24999
additional academic years. The scholarship amount awarded to a 25000
scholar for an academic year shall be not less than two thousand 25001
dollars. A scholarship shall be renewed if the scholar maintains 25002
an academic record satisfactory to the Ohio board of regents and 25003
meets any of the following conditions: 25004

(A) The scholar is enrolled as a full-time undergraduate; 25005

(B) The scholar was awarded an undergraduate degree in less 25006
than four academic years and is enrolled as a full-time graduate 25007
or professional student in an Ohio institution of higher education 25008
that meets the requirements of Title VI of the "Civil Rights Act 25009
of 1964" and is state-assisted or is nonprofit and holds a 25010
certificate of authorization issued under section 1713.02 of the 25011

Revised Code; 25012

(C) The scholar is a full-time student concurrently enrolled 25013
as an undergraduate student and as a graduate or professional 25014
student in an Ohio institution of higher education that meets the 25015
requirements of division (B) of this section. 25016

Each amount awarded shall be paid in equal installments to 25017
the scholar at the time of enrollment for each term of the 25018
academic year for which the scholarship is awarded or renewed. No 25019
scholar is eligible to receive an Ohio academic scholarship for 25020
more than the equivalent of four academic years. 25021

If an Ohio academic scholar is temporarily unable to attend 25022
school because of illness or other cause satisfactory to the 25023
board, the board may grant a leave of absence for a designated 25024
period of time. If a scholar discontinues full-time attendance at 25025
the scholar's school during a term because of illness or other 25026
cause satisfactory to the board, the scholar may either claim a 25027
prorated payment for the period of actual attendance or waive 25028
payment for that term. A term for which prorated payment is made 25029
shall be considered a full term for which a scholarship was 25030
received. A term for which payment is waived shall not be 25031
considered a term for which a scholarship was received. 25032

Receipt of an Ohio academic scholarship shall not affect a 25033
scholar's eligibility for the Ohio instructional grant program. 25034

Sec. 3345.05. (A) All registration fees, nonresident tuition 25035
fees, academic fees for the support of off-campus instruction, 25036
laboratory and course fees when so assessed and collected, student 25037
health fees for the support of a student health service, all other 25038
fees, deposits, charges, receipts, and income from all or part of 25039
the students, all subsidy or other payments from state 25040
appropriations, and all other fees, deposits, charges, receipts, 25041
and income received by each state-supported university and 25042

college, the Ohio state university hospitals and their ancillary 25043
facilities, the Ohio agricultural research and development center, 25044
and the Ohio state university cooperative extension service shall 25045
be held and administered by the respective boards of trustees of 25046
the state-supported universities and colleges; provided, that such 25047
fees, deposits, charges, receipts, and income, to the extent 25048
required by resolutions, trust agreements, indentures, leases, and 25049
agreements adopted, made, or entered into under Chapter 154. or 25050
section 3345.07, 3345.11, or 3345.12 of the Revised Code, shall be 25051
held, administered, transferred, and applied in accordance 25052
therewith. 25053

The Ohio board of regents shall require annual reporting by 25054
the Ohio agricultural research and development center and by each 25055
university and college receiving state aid in such form and detail 25056
as determined by the board in consultation with such center, 25057
universities and colleges, and the director of budget and 25058
management. 25059

(B) No board of trustees shall be eligible to make 25060
investments under this division unless a foundation has been or is 25061
established for the institution and that foundation enters into 25062
the agreement specified in this division. Notwithstanding any 25063
provision of the Revised Code to the contrary, the title to 25064
investments made by a board of trustees using any revenues 25065
described by division (A) of this section shall not be vested in 25066
the state, but shall be held in trust by the board of trustees. 25067
Such investments shall be made pursuant to an investment policy 25068
developed in consultation with the auditor of state and approved 25069
by the board in public session. The policy adopted by the board 25070
shall require at a minimum: 25071

(1) That at the beginning of each fiscal year, the board of 25072
trustees review and approve a cash budget which shall indicate 25073
those funds needed for current operations and those funds not 25074

needed for current operations available to be invested by the 25075
board; 25076

(2) That the board of trustees and the institution's 25077
foundation enter into an agreement under which the foundation 25078
shall establish a reserve fund equal to at least twenty-five per 25079
cent of the value of the investments made by the board, which 25080
agreement shall stipulate that the total amount of such reserve 25081
fund shall be payable from the foundation to the institution 25082
should at any time the value of the investments made by the board 25083
decline to or below seventy-five per cent of the value of the 25084
original investments. 25085

(3) That any investment in securities be limited to only 25086
investment-grade securities; 25087

(4) The establishment of an investments committee. The 25088
committee shall review and recommend to the board any revision in 25089
the investment policy and shall provide advice on the 25090
institution's investments in order to ensure the best and safest 25091
return of funds available to the institution for deposit or 25092
investment. The committee shall be required to meet at least 25093
quarterly and shall be authorized to retain the services of an 25094
investment advisor, provided the advisor is licensed by the 25095
division of securities under section 1707.141 of the Revised Code 25096
or is registered with the United States securities and exchange 25097
commission, and possesses public funds investment experience, 25098
specifically in the area of state and local government investment 25099
portfolios or provided the advisor is an eligible institution 25100
mentioned in section 135.03 of the Revised Code. 25101

Sec. 3345.19. In the exercise of their respective powers of 25102
government conferred by Chapter 3345. of the Revised Code and 25103
other pertinent provisions of law, the boards of trustees of 25104
Bowling Green state university, Kent state university, Miami 25105

university, Ohio university, and the Ohio state university shall 25106
observe the following enrollment limitations insofar as the autumn 25107
quarter enrollment or any other quarter enrollment on a full-time 25108

levied under division (B)(1) of this section always shall be equal 27343
to one-half of the fees levied under division (B)(2) of this 27344
section, and fees levied under division (B)(3) of this section, 27345

this section, always shall be equal to fees levied under division 27347
(B)(1) of this section, except as otherwise provided in this 27348
division. The solid waste management plan of the county or joint 27349
district approved under section 3734.521 or 3734.55 of the Revised 27350
Code and any amendments to it, or the resolution adopted under 27351
this division, as appropriate, shall establish the rates of the 27352
fees levied under divisions (B)(1), (2), and (3) of this section, 27353
if any, and shall specify whether the fees are levied on the basis 27354
of tons or cubic yards as the unit of measurement. Although the 27355
fees under divisions (A)(1) and (2) of this section are levied on 27356
the basis of tons as the unit of measurement, the solid waste 27357
management plan of the district and any amendments to it or the 27358

solid waste management policy committee in its resolution levying 27359
fees under this division may direct that the fees levied under 27360
those divisions be levied on the basis of cubic yards as the unit 27361
of measurement based upon a conversion factor of three cubic yards 27362
per ton generally or one cubic yard per ton for baled wastes if 27363
the fees under divisions (B)(1) to (3) of this section are being 27364
levied on the basis of cubic yards as the unit of measurement 27365
under the plan, amended plan, or resolution. 27366

On and after January 1, 1994, the fee levied under division 27367
(B)(1) of this section shall be not less than one dollar per ton 27368
nor more than two dollars per ton, the fee levied under division 27369
(B)(2) of this section shall be not less than two dollars per ton 27370
nor more than four dollars per ton, and the fee levied under 27371
division (B)(3) of this section shall be not more than the fee 27372
levied under division (B)(1) of this section, except as otherwise 27373
provided in this division and notwithstanding any schedule of 27374
those fees established in the solid waste management plan of a 27375
county or joint district approved under section 3734.55 of the 27376
Revised Code or a resolution adopted and ratified under this 27377
division that is in effect on that date. If the fee that a 27378
district is levying under division (B)(1) of this section on that 27379
date under its approved plan or such a resolution is less than one 27380
dollar per ton, the fee shall be one dollar per ton on and after 27381
January 1, 1994, and if the fee that a district is so levying 27382
under that division exceeds two dollars per ton, the fee shall be 27383
two dollars per ton on and after that date. If the fee that a 27384
district is so levying under division (B)(2) of this section is 27385
less than two dollars per ton, the fee shall be two dollars per 27386
ton on and after that date, and if the fee that the district is so 27387
levying under that division exceeds four dollars per ton, the fee 27388
shall be four dollars per ton on and after that date. On that 27389
date, the fee levied by a district under division (B)(3) of this 27390

section shall be equal to the fee levied under division (B)(1) of 27391
this section. Except as otherwise provided in this division, the 27392
fees established by the operation of this amendment shall remain 27393
in effect until the district's resolution levying fees under this 27394
division is amended or repealed in accordance with this division 27395
to amend or abolish the schedule of fees, the schedule of fees is 27396
amended or abolished in an amended plan of the district approved 27397
under section 3734.521 or division (A) or (D) of section 3734.56 27398
of the Revised Code, or the schedule of fees is amended or 27399
abolished through an amendment to the district's plan under 27400
division (E) of section 3734.56 of the Revised Code; the 27401
notification of the amendment or abolishment of the fees has been 27402
given in accordance with this division; and collection of the 27403
amended fees so established commences, or collection of the fees 27404
ceases, in accordance with this division. 27405

The solid waste management policy committee of a district 27406
levying fees under divisions (B)(1) to (3) of this section on 27407
October 29, 1993, under its solid waste management plan approved 27408
under section 3734.55 of the Revised Code or a resolution adopted 27409
and ratified under this division that are within the ranges of 27410
rates prescribed by this amendment, by adoption of a resolution 27411
not later than December 1, 1993, and without the necessity for 27412
ratification of the resolution under this division, may amend 27413
those fees within the prescribed ranges, provided that the 27414
estimated revenues from the amended fees will not substantially 27415
exceed the estimated revenues set forth in the district's budget 27416
for calendar year 1994. Not later than seven days after the 27417
adoption of such a resolution, the committee shall notify by 27418
certified mail the owner or operator of each solid waste disposal 27419
facility that is required to collect the fees of the adoption of 27420
the resolution and of the amount of the amended fees. Collection 27421
of the amended fees shall take effect on the first day of the 27422

first month following the month in which the notification is sent 27423
to the owner or operator. The fees established in such a 27424
resolution shall remain in effect until the district's resolution 27425
levying fees that was adopted and ratified under this division is 27426
amended or repealed, and the amendment or repeal of the resolution 27427
is ratified, in accordance with this division, to amend or abolish 27428
the fees, the schedule of fees is amended or abolished in an 27429
amended plan of the district approved under section 3734.521 or 27430
division (A) or (D) of section 3734.56 of the Revised Code, or the 27431
schedule of fees is amended or abolished through an amendment to 27432
the district's plan under division (E) of section 3734.56 of the 27433
Revised Code; the notification of the amendment or abolishment of 27434
the fees has been given in accordance with this division; and 27435
collection of the amended fees so established commences, or 27436
collection of the fees ceases, in accordance with this division. 27437

Prior to the approval of the solid waste management plan of 27438
the district under section 3734.55 of the Revised Code, the solid 27439
waste management policy committee of a district may levy fees 27440
under this division by adopting a resolution establishing the 27441
proposed amount of the fees. Upon adopting the resolution, the 27442
committee shall deliver a copy of the resolution to the board of 27443
county commissioners of each county forming the district and to 27444
the legislative authority of each municipal corporation and 27445
township under the jurisdiction of the district and shall prepare 27446
and publish the resolution and a notice of the time and location 27447
where a public hearing on the fees will be held. Upon adopting the 27448
resolution, the committee shall deliver written notice of the 27449
adoption of the resolution; of the amount of the proposed fees; 27450
and of the date, time, and location of the public hearing to the 27451
director and to the fifty industrial, commercial, or institutional 27452
generators of solid wastes within the district that generate the 27453
largest quantities of solid wastes, as determined by the 27454

committee, and to their local trade associations. The committee 27455
shall make good faith efforts to identify those generators within 27456
the district and their local trade associations, but the 27457
nonprovision of notice under this division to a particular 27458
generator or local trade association does not invalidate the 27459
proceedings under this division. The publication shall occur at 27460
least thirty days before the hearing. After the hearing, the 27461
committee may make such revisions to the proposed fees as it 27462
considers appropriate and thereafter, by resolution, shall adopt 27463
the revised fee schedule. Upon adopting the revised fee schedule, 27464
the committee shall deliver a copy of the resolution doing so to 27465
the board of county commissioners of each county forming the 27466
district and to the legislative authority of each municipal 27467
corporation and township under the jurisdiction of the district. 27468
Within sixty days after the delivery of a copy of the resolution 27469
adopting the proposed revised fees by the policy committee, each 27470
such board and legislative authority, by ordinance or resolution, 27471
shall approve or disapprove the revised fees and deliver a copy of 27472
the ordinance or resolution to the committee. If any such board or 27473
legislative authority fails to adopt and deliver to the policy 27474
committee an ordinance or resolution approving or disapproving the 27475
revised fees within sixty days after the policy committee 27476
delivered its resolution adopting the proposed revised fees, it 27477
shall be conclusively presumed that the board or legislative 27478
authority has approved the proposed revised fees. 27479

In the case of a county district or a joint district formed 27480
by two or three counties, the committee shall declare the proposed 27481
revised fees to be ratified as the fee schedule of the district 27482
upon determining that the board of county commissioners of each 27483
county forming the district has approved the proposed revised fees 27484
and that the legislative authorities of a combination of municipal 27485
corporations and townships with a combined population within the 27486

district comprising at least sixty per cent of the total 27487
population of the district have approved the proposed revised 27488
fees, provided that in the case of a county district, that 27489
combination shall include the municipal corporation having the 27490
largest population within the boundaries of the district, and 27491
provided further that in the case of a joint district formed by 27492
two or three counties, that combination shall include for each 27493
county forming the joint district the municipal corporation having 27494
the largest population within the boundaries of both the county in 27495
which the municipal corporation is located and the joint district. 27496
In the case of a joint district formed by four or more counties, 27497
the committee shall declare the proposed revised fees to be 27498
ratified as the fee schedule of the joint district upon 27499
determining that the boards of county commissioners of a majority 27500
of the counties forming the district have approved the proposed 27501
revised fees; that, in each of a majority of the counties forming 27502
the joint district, the proposed revised fees have been approved 27503
by the municipal corporation having the largest population within 27504
the county and the joint district; and that the legislative 27505
authorities of a combination of municipal corporations and 27506
townships with a combined population within the joint district 27507
comprising at least sixty per cent of the total population of the 27508
joint district have approved the proposed revised fees. 27509

For the purposes of this division, only the population of the 27510
unincorporated area of a township shall be considered. For the 27511
purpose of determining the largest municipal corporation within 27512
each county under this division, a municipal corporation that is 27513
located in more than one solid waste management district, but that 27514
is under the jurisdiction of one county or joint solid waste 27515
management district in accordance with division (A) of section 27516
3734.52 of the Revised Code shall be considered to be within the 27517
boundaries of the county in which a majority of the population of 27518

the municipal corporation resides. 27519

The committee may amend the schedule of fees levied pursuant 27520
to a resolution or amended resolution adopted and ratified under 27521
this division by adopting a resolution establishing the proposed 27522
amount of the amended fees. The committee may abolish the fees 27523
levied pursuant to such a resolution or amended resolution by 27524
adopting a resolution proposing to repeal them. Upon adopting such 27525
a resolution, the committee shall proceed to obtain ratification 27526
of the resolution in accordance with this division. 27527

Not later than fourteen days after declaring the fees or 27528
amended fees to be ratified under this division, the committee 27529
shall notify by certified mail the owner or operator of each solid 27530
waste disposal facility that is required to collect the fees of 27531
the ratification and the amount of the fees. Collection of any 27532
fees or amended fees ratified on or after March 24, 1992, shall 27533
commence on the first day of the second month following the month 27534
in which notification is sent to the owner or operator. 27535

Not later than fourteen days after declaring the repeal of 27536
the district's schedule of fees to be ratified under this 27537
division, the committee shall notify by certified mail the owner 27538
or operator of each facility that is collecting the fees of the 27539
repeal. Collection of the fees shall cease on the first day of the 27540
second month following the month in which notification is sent to 27541
the owner or operator. 27542

Not later than fourteen days after the director issues an 27543
order approving a district's solid waste management plan under 27544
section 3734.55 of the Revised Code or amended plan under division 27545
(A) or (D) of section 3734.56 of the Revised Code that establishes 27546
or amends a schedule of fees levied by the district, or the 27547
ratification of an amendment to the district's approved plan or 27548
amended plan under division (E) of section 3734.56 of the Revised 27549
Code that establishes or amends a schedule of fees, as 27550

appropriate, the committee shall notify by certified mail the
owner or operator of each solid waste disposal facility that is
required to collect the fees of the approval of the plan or
amended plan, or the amendment to the plan, as appropriate, and
the amount of the fees or amended fees. In the case of an initial
or amended plan approved under section 3734.521 of the Revised
Code in connection with a change in district composition, other
than one involving the withdrawal of a county from a joint
district, that establishes or amends a schedule of fees levied
under divisions (B)(1) to (3) of this section by a district
resulting from the change, the committee, within fourteen days
after the change takes effect pursuant to division (G) of that
section, shall notify by certified mail the owner or operator of
each solid waste disposal facility that is required to collect the
fees that the change has taken effect and of the amount of the
fees or amended fees. Collection of any fees set forth in a plan
or amended plan approved by the director on or after April 16,
1993, or an amendment of a plan or amended plan under division (E)
of section 3734.56 of the Revised Code that is ratified on or
after April 16, 1993, shall commence on the first day of the
second month following the month in which notification is sent to
the owner or operator.

Not later than fourteen days after the director issues an
order approving a district's plan under section 3734.55 of the
Revised Code or amended plan under division (A) or (D) of section
3734.56 of the Revised Code that abolishes the schedule of fees
levied under divisions (B)(1) to (3) of this section, or an
amendment to the district's approved plan or amended plan
abolishing the schedule of fees is ratified pursuant to division
(E) of section 3734.56 of the Revised Code, as appropriate, the
committee shall notify by certified mail the owner or operator of
each facility that is collecting the fees of the approval of the

plan or amended plan, or the amendment of the plan or amended
plan, as appropriate, and the abolishment of the fees. In the case
of an initial or amended plan approved under section 3734.521 of
the Revised Code in connection with a change in district
composition, other than one involving the withdrawal of a county
from a joint district, that abolishes the schedule of fees levied
under divisions (B)(1) to (3) of this section by a district
resulting from the change, the committee, within fourteen days
after the change takes effect pursuant to division (G) of that
section, shall notify by certified mail the owner or operator of
each solid waste disposal facility that is required to collect the
fees that the change has taken effect and of the abolishment of
the fees. Collection of the fees shall cease on the first day of
the second month following the month in which notification is sent
to the owner or operator.

Except as otherwise provided in this division, if the
schedule of fees that a district is levying under divisions (B)(1)
to (3) of this section pursuant to a resolution or amended
resolution adopted and ratified under this division, the solid
waste management plan of the district approved under section
3734.55 of the Revised Code, an amended plan approved under
division (A) or (D) of section 3734.56 of the Revised Code, or an
amendment to the district's approved plan or amended plan under
division (E) of section 3734.56 of the Revised Code, is amended by
the adoption and ratification of an amendment to the resolution or
amended resolution or an amendment of the district's approved plan
or amended plan, the fees in effect immediately prior to the
approval of the plan or the amendment of the resolution, amended
resolution, plan, or amended plan, as appropriate, shall continue
to be collected until collection of the amended fees commences
pursuant to this division.

(7) Coal mining operations regulated under Chapter 1513. of 28467
the Revised Code shall be assessed a fee of two hundred fifty 28468
dollars per mine or location. 28469

(C)(1) Except as otherwise provided in division (C)(2) of 28470
this section, beginning July 1, 1994, each person who owns or 28471
operates an air contaminant source and who is required to apply 28472
for and obtain a Title V permit under section 3704.036 of the 28473
Revised Code shall pay the fees set forth in division (C)(1) of 28474
this section. For the purposes of that division, total emissions 28475
of air contaminants may be calculated using engineering 28476
calculations, emissions factors, material balance calculations, or 28477
performance testing procedures, as authorized by the director. 28478

The following fees shall be assessed on the total actual 28479
emissions from a source in tons per year of the regulated 28480
pollutants particulate matter, sulfur dioxide, nitrogen oxides, 28481
organic compounds, and lead: 28482

(a) Fifteen dollars per ton on the total actual emissions of 28483
each such regulated pollutant during the period July through 28484
December 1993, to be collected no sooner than July 1, 1994; 28485

(b) Twenty dollars per ton on the total actual emissions of 28486
each such regulated pollutant during calendar year 1994, to be 28487
collected no sooner than April 15, 1995; 28488

(c) Twenty-five dollars per ton on the total actual emissions 28489
of each such regulated pollutant in calendar year 1995, and each 28490
subsequent calendar year, to be collected no sooner than the 28491
fifteenth day of April of the year next succeeding the calendar 28492
year in which the emissions occurred. 28493

The fees levied under division (C)(1) of this section do not 28494
apply to that portion of the emissions of a regulated pollutant at 28495
a facility that exceed four thousand tons during a calendar year. 28496

(2) The fees assessed under division (C)(1) of this section 28497
are for the purpose of providing funding for the Title V permit 28498
program. 28499

(3) The fees assessed under division (C)(1) of this section 28500
do not apply to emissions from any electric generating unit 28501
designated as a Phase I unit under Title IV of the federal Clean 28502
Air Act prior to calendar year 2000. Those fees shall be assessed 28503
on the emissions from such a generating unit commencing in 28504
calendar year 2001 based upon the total actual emissions from the 28505
generating unit during calendar year 2000 and shall continue to be 28506
assessed each subsequent calendar year based on the total actual 28507
emissions from the generating unit during the preceding calendar 28508
year. 28509

(4) The director shall issue invoices to owners or operators 28510
of air contaminant sources who are required to pay a fee assessed 28511
under division (C) or (D) of this section. Any such invoice shall 28512
be issued no sooner than the applicable date when the fee first 28513
may be collected in a year under the applicable division, shall 28514
identify the nature and amount of the fee assessed, and shall 28515
indicate that the fee is required to be paid within thirty days 28516
after the issuance of the invoice. 28517

(D)(1) Except as provided in division (D)(2) of this section, 28518
beginning January 1, 1994, each person who owns or operates an air 28519
contaminant source; who is required to apply for a permit to 28520
operate pursuant to rules adopted under division (G), or a 28521
variance pursuant to division (H), of section 3704.03 of the 28522
Revised Code; and who is not required to apply for and obtain a 28523
Title V permit under section 3704.036 of the Revised Code shall 28524
pay a single fee based upon the sum of the actual annual emissions 28525
from the facility of the regulated pollutants particulate matter, 28526
sulfur dioxide, nitrogen oxides, organic compounds, and lead in 28527
accordance with the following schedule: 28528

(2)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2001~~ 2004, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

(3) The fees assessed under division (D)(1) of this section 28562
shall be collected annually no sooner than the fifteenth day of 28563
April, commencing in 1995. The fees assessed under division (D)(2) 28564
of this section shall be collected no sooner than the fifteenth 28565
day of April, commencing in 2000, ~~and shall continue through June~~ 28566
~~30, 2001~~. The fees assessed under division (D) of this section in 28567
a calendar year shall be based upon the sum of the actual 28568
emissions of those regulated pollutants during the preceding 28569
calendar year. For the purpose of division (D) of this section, 28570
emissions of air contaminants may be calculated using engineering 28571
calculations, emission factors, material balance calculations, or 28572
performance testing procedures, as authorized by the director. The 28573
director, by rule, may require persons who are required to pay the 28574
fees assessed under division (D) of this section to pay those fees 28575
biennially rather than annually. 28576

(E)(1) Consistent with the need to cover the reasonable costs 28577
of the Title V permit program, the director annually shall 28578
increase the fees prescribed in division (C)(1) of this section by 28579
the percentage, if any, by which the consumer price index for the 28580
most recent calendar year ending before the beginning of a year 28581
exceeds the consumer price index for calendar year 1989. Upon 28582
calculating an increase in fees authorized by division (E)(1) of 28583
this section, the director shall compile revised fee schedules for 28584
the purposes of division (C)(1) of this section and shall make the 28585
revised schedules available to persons required to pay the fees 28586
assessed under that division and to the public. 28587

(2) For the purposes of division (E)(1) of this section: 28588

(a) The consumer price index for any year is the average of 28589
the consumer price index for all urban consumers published by the 28590
United States department of labor as of the close of the 28591
twelve-month period ending on the thirty-first day of August of 28592

that year+.		28593
(b) If the 1989 consumer price index is revised, the director shall use the revision of the consumer price index that is most consistent with that for calendar year 1989.		28594 28595 28596

the year preceding the date when the annual discharge fee is due.
In the case of an existing source that permanently ceases to
discharge during a billing year, the director shall reduce the
annual discharge fee, including the surcharge applicable to
certain industrial facilities pursuant to division (L)(5)(c) of
this section, by one-twelfth for each full month during the
billing year that the source was not discharging, but only if the
person holding the NPDES discharge permit for the source notifies
the director in writing, not later than the first day of October
of the billing year, of the circumstances causing the cessation of
discharge.

(iii) The annual discharge fee established in division
(L)(5)(a)(i) of this section, except for the surcharge applicable
to certain industrial facilities pursuant to division (L)(5)(c) of
this section, shall be based upon the average daily discharge flow
in gallons per day calculated using first day of May through
thirty-first day of October flow data for the period two years
prior to the date on which the fee is due. In the case of NPDES
discharge permits for new sources, the fee shall be calculated
using the average daily design flow of the facility until actual

average daily discharge flow values are available for the time 28813
 period specified in division (L)(5)(a)(iii) of this section. The 28814
 annual discharge fee may be prorated for a new source as described 28815

initial appointments to the commission, five shall be for a term 29673
of two years and five shall be for a term of one year. Thereafter, 29674
terms of office of the appointed members of the commission shall 29675
be for two years, with each term ending on the same day of the 29676
same month as did the term that it succeeds. Each member shall 29677
hold office from the date of appointment until the end of the term 29678
for which the member was appointed. Members may be reappointed. 29679
Vacancies shall be filled in the manner provided for original 29680
appointments. Any member appointed to fill a vacancy occurring 29681
prior to the expiration of the term for which the member's 29682
predecessor was appointed shall hold office for the remainder of 29683
that term. A member shall continue in office subsequent to the 29684
expiration date of the member's term until the member's successor 29685
takes office or until a period of sixty days has elapsed, 29686
whichever occurs first. The commission may at any time by a vote 29687
of two-thirds of all the members remove any appointed member of 29688
the commission for misfeasance, nonfeasance, or malfeasance. 29689
Members of the commission shall serve without compensation, but 29690
shall be reimbursed for the reasonable expenses incurred by them 29691
in the discharge of their duties as members of the commission. 29692

The commission shall meet at least annually and shall hold 29693
such additional meetings as are necessary to implement and 29694
administer this chapter. Additional meetings may be held at the 29695

behest of either a co-chairperson or a majority of the members. 29696
The commission shall, by adoption of internal management rules 29697
under division (B)(9) of this section, establish an executive 29698
committee and delegate to it the performance of such of the 29699
commission's duties and powers under this chapter as are required 29700
or authorized to be so delegated by that division. The commission 29701
may organize itself into such additional committees as it 29702
considers necessary or convenient to implement and administer this 29703
chapter. The director of environmental protection and the director 29704
of public safety or their designees shall serve as co-chairpersons 29705
of the commission and the executive committee. Except as otherwise 29706
provided in this chapter, a majority of the voting members of the 29707
commission constitutes a quorum and the affirmative vote of a 29708
majority of the voting members of the commission is necessary for 29709
any action taken by the commission. Meetings of the executive 29710
committee conducted for the purpose of determining whether to 29711
issue an enforcement order or request that a civil action, civil 29712
penalty action, or criminal action be brought to enforce this 29713
chapter or rules adopted or orders issued under it are not subject 29714
to section 121.22 of the Revised Code pursuant to division (D) of 29715
that section. 29716

Except for the purposes of Chapters 102. and 2921. and 29717
sections 9.86 and 109.36 to 109.366 of the Revised Code, serving 29718
as an appointed member of the commission does not constitute 29719
holding a public office or position of employment under the laws 29720
of this state and does not constitute grounds for removal of 29721
public officers or employees from their offices or positions of 29722
employment. 29723

(B) The commission shall: 29724

(1) Adopt rules in accordance with Chapter 119. of the 29725
Revised Code that are consistent with and equivalent in scope, 29726
content, and coverage to the "Emergency Planning and Community 29727

Right-To-Know Act of 1986," 100 Stat. 1729, 42 U.S.C.A. 11001, and 29728
applicable regulations adopted under it: 29729

(a) Identifying or listing extremely hazardous substances and 29730
establishing a threshold planning quantity for each such 29731
substance. To the extent consistent with that act and applicable 29732
regulations adopted under it, the rules may establish threshold 29733
planning quantities based upon classes of those substances or 29734
categories of facilities at which such substances are present. 29735

(b) Listing hazardous chemicals, establishing threshold 29736
quantities for those chemicals, establishing categories of health 29737
and physical hazards of those chemicals, establishing criteria or 29738
procedures for identifying those chemicals and the appropriate 29739
hazard categories of those chemicals, and establishing ranges of 29740
quantities for those chemicals to be used in preparing emergency 29741
and hazardous chemical inventory forms under section 3750.08 of 29742
the Revised Code. To the extent consistent with that act and 29743
applicable regulations adopted under it, the rules may establish 29744
threshold quantities based upon classes of those chemicals or 29745
categories of facilities where those chemicals are present. 29746

To the extent consistent with that act, the threshold 29747
quantities for purposes of the submission of lists of hazardous 29748
chemicals under section 3750.07 and the submission of emergency 29749
and hazardous chemical inventory forms under section 3750.08 of 29750
the Revised Code may differ. 29751

(c) Identifying or listing hazardous substances and 29752
establishing reportable quantities of each of those substances and 29753
each extremely hazardous substance. In addition to being 29754
consistent with and equivalent in scope, content, and coverage to 29755
that act and applicable regulations adopted under it, the rules 29756
shall be consistent with and equivalent in scope, content, and 29757
coverage to regulations identifying or listing hazardous 29758
substances and reportable quantities of those substances adopted 29759

under the "Comprehensive Environmental Response, Compensation, and
Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as
amended.

(d) Prescribing the information to be included in the lists
of hazardous chemicals required to be submitted under section
3750.07 of the Revised Code;

(e) Prescribing the information to be included in the
emergency and hazardous chemical inventory forms required to be
submitted under section 3750.08 of the Revised Code. If the
commission establishes its own emergency and hazardous chemical
inventory form, the rules shall authorize owners and operators of
facilities who also have one or more facilities located outside
the state for which they are required to submit inventory forms
under the federal act and regulations adopted under it to submit
their annual inventories on forms prescribed by the administrator
of the United States environmental protection agency under that
act instead of on forms prescribed by the commission and shall
require those owners or operators to submit any additional
information required by the commission's inventory form on an
attachment to the federal form.

(f) Establishing procedures for giving verbal notice of
releases under section 3750.06 of the Revised Code and prescribing
the information to be provided in such a notice and in the
follow-up written notice required by that section;

(g) Establishing standards for determining valid needs for
the release of tier II information under division (B)(4) of
section 3750.10 of the Revised Code;

(h) Identifying the types or categories of information
submitted or obtained under this chapter and rules adopted under
it that constitute confidential business information;

(i) Establishing criteria and procedures to protect trade

secret and confidential business information from unauthorized disclosure; 29791
29792

(j) Establishing other requirements or authorizations that the commission considers necessary or appropriate to implement, administer, and enforce this chapter. 29793
29794
29795

(2) Adopt rules in accordance with Chapter 119. of the Revised Code to implement and administer this chapter that may be more stringent than the "Emergency Planning and Community Right-To-Know Act of 1986," 100 Stat. 1729, 42 U.S.C.A. 11001, and regulations adopted under it. Rules adopted under division (B)(2) of this section shall not be inconsistent with that act or the regulations adopted under it. The rules shall: 29796
29797
29798
29799
29800
29801
29802

(a) Prescribe the information to be included in the chemical emergency response and preparedness plans prepared and submitted by local emergency planning committees under section 3750.04 of the Revised Code; 29803
29804
29805
29806

(b) Establish criteria and procedures for reviewing the chemical emergency response and preparedness plans of local emergency planning committees required by section 3750.04 of the Revised Code and the annual exercise of those plans and for providing concurrence or requesting modifications in the plans and the exercise of those plans. The criteria shall include, without limitation, the requirement that each exercise of a committee's plan involve, in addition to local emergency response and medical personnel, either a facility that is subject to the plan or a transporter of materials that are identified or listed as hazardous materials by regulations adopted under the "Hazardous Materials Transportation Act," 88 Stat. 2156 (1975), 49 U.S.C.A. 1801, as amended. 29807

(c) Establish policies and procedures for maintaining information submitted to the commission and local emergency 29820
29821

planning committees under this chapter, and for receiving and 29822
fulfilling requests from the public for access to review and to 29823
obtain copies of that information. The criteria and procedures 29824
shall include the following requirements and authorizations 29825
regarding that information and access to it: 29826

(i) Information that is protected as trade secret information 29827
or confidential business information under this chapter and rules 29828
adopted under it shall be kept in files that are separate from 29829
those containing information that is not so protected. 29830

29831

(ii) The original copies of information submitted to the 29832
commission or committee shall not be removed from the custody and 29833
control of the commission or committee. 29834

(iii) A person who, either in person or by mail, requests to 29835
obtain a copy of a material safety data sheet submitted under this 29836
chapter by a facility owner or operator shall submit a separate 29837
application for each facility for which a material safety data 29838
sheet is being requested. 29839

(iv) A person who requests to receive by mail a copy of 29840
information submitted under this chapter by a facility owner or 29841
operator shall submit a separate application for each facility for 29842
which information is being requested and shall specify both the 29843
facility for which information is being requested and the 29844
particular types of documents requested. 29845

(v) Only employees of the commission or committee shall copy 29846
information in the files of the commission or committee. 29847

(vi) The commission or committee may require any person who 29848
requests to review or obtain a copy of information in its files to 29849
schedule an appointment for that purpose with the information 29850
coordinator of the commission or committee at least twenty-four 29851
hours before arriving at the office of the commission or committee 29852

for the review or copy. 29853

(vii) Any person who seeks access to information in the files 29854
of the commission or a local emergency planning committee shall 29855
submit a written application, either in person or by mail, to the 29856
information coordinator on a form provided by the commission or 29857
committee. The person also shall provide the person's name and 29858
current mailing address on the application and may be requested by 29859
the commission or committee to provide basic demographic 29860
information on the form to assist in the evaluation of the 29861
information access provisions of this chapter and rules adopted 29862
under it. Application forms may be obtained by mail or in person 29863
or by request by telephone at the office of the commission or 29864
committee during regular business hours. Upon receipt of a request 29865
for an application by telephone or mail, the information 29866
coordinator shall promptly mail an application to the person who 29867
requested it. 29868

(viii) The application form shall provide the applicant with 29869
a means of indicating that the applicant's name and address are to 29870
be kept confidential. If the applicant so indicates, that 29871
information is not a public record under section 149.43 of the 29872
Revised Code and shall not be disclosed to any person who is not a 29873
member or employee of the commission or committee or an employee 29874
of the environmental protection agency. When a name and address 29875
are to be kept confidential, they also shall be deleted from the 29876
copy of the application required to be placed in the file of the 29877
facility under division (B)(2)(c)(xii) of this section and shall 29878
be withheld from any log of information requests kept by the 29879
commission or committee pursuant to that division. 29880

(ix) Neither the commission nor a local emergency planning 29881
committee shall charge any fee for access to review information in 29882
its files when no copies or computer searches of that information 29883
are requested. 29884

(x) An applicant shall be informed of the cost of copying, 29885
mailing, or conducting a computer search of information on file 29886
with the commission or committee before such a copy or search is 29887
made, and the commission or committee shall collect the 29888
appropriate fees as established under section 3750.13 of the 29889
Revised Code. Each applicant shall acknowledge on the application 29890
form that the applicant is aware that the applicant will be 29891
charged for copies and computer searches of that information the 29892
applicant requests and for the costs of mailing copies of the 29893
information to the applicant. 29894

(xi) The commission or committee may require a person 29895
requesting copies of information on file with it to take delivery 29896
of them in the office of the commission or committee whenever it 29897
considers the volume of the information to be large enough to make 29898
mailing or delivery by a parcel or package delivery service 29899
impractical. 29900

(xii) When the commission or committee receives a request for 29901
access to review or obtain copies of information in its files, it 29902
shall not routinely notify the owner or operator of the facility 29903
involved, but instead shall either keep a log or file of requests 29904
for the information or shall place a copy of each completed 29905
application form in the file for the facility to which the 29906
application pertains. Such a log or file shall be available for 29907
review by the public and by the owners and operators of facilities 29908
required to submit information to the commission or committee 29909
under this chapter and rules adopted under it. 29910

(d) Require that claims for the protection, as a trade 29911
secret, of information obtained under this chapter regarding 29912
extremely hazardous substances identified or listed in rules 29913
adopted under division (B)(1)(a) of this section and hazardous 29914
chemicals identified or listed in rules adopted under division 29915
(B)(1)(b) of this section be submitted to the administrator of the 29916

United States environmental protection agency for determination 29917
under section 322 of the the "Emergency Planning and Community 29918
Right-To-Know Act of 1986," 100 Stat. 1747, 42 U.S.C.A. 11042, and 29919
regulations adopted under that section; 29920

(e) Establish criteria and procedures for the issuance of 29921
variances under divisions (B) and (C) of section 3750.11 of the 29922
Revised Code. The rules shall require that, before approval of an 29923
application for a variance, the commission or committee find by a 29924
preponderance of the scientific evidence based upon generally 29925
accepted scientific principles or laboratory tests that the 29926
extremely hazardous substances, hazardous chemicals, or hazardous 29927
substances that would be subject to the reporting requirement pose 29928
a substantial risk of catastrophic injury to public health or 29929
safety or to the environment, or pose an extraordinary risk of 29930
injury to emergency management personnel responding to a release 29931
of the chemicals or substances, when the substances or chemicals 29932
are present at a facility in an amount equal to or exceeding the 29933
quantity for which reporting would be required under the reporting 29934
requirement for which the variance is sought. The rules shall also 29935
require that before approval of an application for a variance, the 29936
commission or committee find by a preponderance of the evidence 29937
that the development and implementation of a local emergency 29938
response plan for releases of the substances or chemicals covered 29939
by the reporting requirement will reduce the risk of catastrophic 29940
injury to public health or safety or to the environment, or will 29941
reduce the extraordinary risk of injury to responding emergency 29942
management personnel, in the event of a release of the substances 29943
or chemicals and find by a preponderance of the evidence that the 29944
reporting requirement is necessary for the development of such a 29945
local emergency response plan. The rules shall require that when 29946
determining whether the substances or chemicals that would be 29947
subject to the reporting requirement pose a substantial risk of 29948

catastrophic injury to public health or safety or to the environment, or pose an extraordinary risk of injury to emergency management personnel responding to a release of the substance or chemical, the commission or committee consider all of the following factors: 29949
29950
29951
29952
29953

(i) The specific characteristics and degree and nature of the hazards posed by a release of the extremely hazardous substances, hazardous chemicals, or hazardous substances; 29954
29955
29956

(ii) The proximity of the facilities that would be subject to the reporting requirement to residential areas, to areas where significantly large numbers of people are employed or otherwise congregate, and to environmental resources that are subject to injury; 29957
29958
29959
29960
29961

(iii) The quantities of the extremely hazardous substances, hazardous chemicals, or hazardous substances that are routinely present at facilities that would be subject to the reporting requirement; 29962
29963
29964
29965

(iv) The frequency with which the extremely hazardous substances, hazardous chemicals, or hazardous substances are present at the facilities that would be subject to the reporting requirement in quantities for which reporting would be required thereunder. 29966
29967
29968
29969
29970

(f) Establish criteria and procedures for the issuance of orders under division (D) of section 3750.11 of the Revised Code requiring the placement of emergency response lock box units. The rules shall require that before approval of an application for issuance of such an order, the commission or committee find by a preponderance of the scientific evidence based upon generally accepted scientific principles or laboratory tests that the presence of the extremely hazardous substances, hazardous chemicals, or hazardous substances in the quantities in which they 29971
29972

are routinely or intermittently present at the facility for which 29980
the order is sought pose a substantial risk of catastrophic injury 29981
to public health or safety or to the environment, or pose an 29982
extraordinary risk of injury to responding emergency management 29983
personnel, in the event of a release of any of those substances or 29984
chemicals from the facility. The rules shall require that before 29985
approval of an application for issuance of such an order, the 29986
commission or committee also find by a preponderance of the 29987
evidence that the placement of an emergency response lock box unit 29988
at the facility is necessary to protect against the substantial 29989
risk of catastrophic injury to public health or safety or the 29990
environment, or to protect against an extraordinary risk of injury 29991
to responding emergency management personnel, in the event of a 29992
release of any of the extremely hazardous substances, hazardous 29993
chemicals, or hazardous substances routinely or intermittently 29994
present at the facility. The rules shall require that when 29995
determining whether the extremely hazardous substances, hazardous 29996
chemicals, or hazardous substances present at the facility pose a 29997
substantial risk of catastrophic injury to public health or safety 29998
or to the environment, or pose an extraordinary risk of injury to 29999
responding emergency management personnel, in the event of a 30000
release of any of those substances or chemicals from the facility, 30001
the commission or committee consider all of the following factors: 30002

(i) The specific characteristics and the degree and nature of 30003
the hazards posed by a release of the extremely hazardous 30004
substances, hazardous chemicals, or hazardous substances present 30005
at the facility; 30006

(ii) The proximity of the facility to residential areas, to 30007
areas where significantly large numbers of people are employed or 30008
otherwise congregate, and to environmental resources that are 30009
subject to injury; 30010

(iii) The quantities of the extremely hazardous substances, 30011

hazardous chemicals, or hazardous substances that are routinely present at the facility; 30012
30013

(iv) The frequency with which the extremely hazardous substances, hazardous chemicals, or hazardous substances are present at the facility. 30014
30015
30016

(g) Establish procedures to be followed by the commission and the executive committee of the commission for the issuance of orders under this chapter. 30017
30018
30019

(3) In accordance with Chapter 119. of the Revised Code adopt rules establishing reportable quantities for releases of oil that are consistent with and equivalent in scope, content, and coverage to section 311 of the "Federal Water Pollution Control Act Amendments of 1972," 86 Stat. 862, 33 U.S.C.A. 1321, as amended, and applicable regulations adopted under it; 30020
30021
30022
30023
30024
30025

(4) Adopt rules in accordance with Chapter 119. of the Revised Code establishing criteria and procedures for identifying or listing extremely hazardous substances in addition to those identified or listed in rules adopted under division (B)(1)(a) of this section and for establishing threshold planning quantities and reportable quantities for the added extremely hazardous substances; for identifying or listing hazardous chemicals in addition to those identified or listed in rules adopted under division (B)(1)(b) of this section and for establishing threshold quantities and categories of health and physical hazards for the added hazardous chemicals; and for identifying or listing hazardous substances in addition to those identified or listed in rules adopted under division (B)(1)(c) of this section and for establishing reportable quantities for the added hazardous substances. The criteria for identifying or listing additional extremely hazardous substances and establishing threshold planning quantities and reportable quantities therefor and for identifying or listing additional hazardous chemicals and establishing 30026

threshold quantities and categories of health and physical hazards 30044
for the added hazardous chemicals shall be consistent with and 30045
equivalent to applicable criteria therefor under the "Emergency 30046
Planning and Community Right-To-Know Act of 1986," 100 Stat. 1729, 30047
42 U.S.C.A. 11001, and regulations adopted under it. The criteria 30048
for identifying additional hazardous substances and for 30049
establishing reportable quantities of the added hazardous 30050
substances shall be consistent with and equivalent to the 30051
applicable criteria for identifying or listing hazardous 30052
substances and establishing reportable quantities therefor under 30053
the "Comprehensive Environmental Response, Compensation, and 30054
Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as 30055
amended, and regulations adopted under it. 30056

The rules shall require that, before identifying or listing 30057
any such additional extremely hazardous substance, hazardous 30058
chemical, or hazardous substance and establishing a threshold 30059
planning quantity, threshold quantity, or reportable quantity 30060
therefor, the commission find by a preponderance of the scientific 30061
evidence based on generally accepted scientific principles or 30062
laboratory tests that the substance or chemical poses a 30063
substantial risk of catastrophic injury to public health or safety 30064
or to the environment, or poses an extraordinary risk of injury to 30065
emergency management personnel responding to a release of the 30066
chemical or substance, when the chemical or substance is present 30067
at a facility in an amount equal to the proposed threshold 30068
planning quantity or threshold quantity or, in the instance of a 30069
proposed additional extremely hazardous substance or hazardous 30070
substance, poses a substantial risk of catastrophic injury to 30071
public health or safety or to the environment if a release of the 30072
proposed reportable quantity of the substance occurs. The rules 30073
shall further require that, before so identifying or listing a 30074
substance or chemical, the commission find by a preponderance of 30075

the evidence that the development and implementation of state or local emergency response plans for releases of the substance or chemical will reduce the risk of a catastrophic injury to public health or safety or to the environment, or will reduce the extraordinary risk of injury to responding emergency response personnel, in the event of a release of the substance or chemical and find by a preponderance of the evidence that the identification or listing of the substance or chemical is necessary for the development of state or local emergency response plans for releases of the substance or chemical. The rules shall require that the commission consider the toxicity of the substance or chemical in terms of both the short-term and long-term health effects resulting from exposure to it and its reactivity, volatility, dispersibility, combustibility, and flammability when determining the risks posed by a release of the substance or chemical and, as appropriate, when establishing a threshold planning quantity, threshold quantity, reportable quantity, or category of health or physical hazard for it.

(5) Adopt rules in accordance with Chapter 119. of the Revised Code establishing criteria and procedures for receiving and deciding claims for protection of information as a trade secret that are applicable only to extremely hazardous substances and hazardous chemicals identified or listed in rules adopted under division (C)(5) of this section. The rules shall be equivalent in scope, content, and coverage to section 322 of the "Emergency Planning and Community Right-To-Know Act of 1986," 100 Stat. 1747, 42 U.S.C.A. 11042, and regulations adopted under it.

(6)(a) After consultation with the fire marshal, adopt rules in accordance with Chapter 119. of the Revised Code establishing standards for the construction, placement, and use of emergency response lock box units at facilities that are subject to this chapter. The rules shall establish all of the following:

(i) Specific standards of construction for lock box units; 30108

(ii) The specific types of information that shall be placed 30109
in the lock box units required to be placed at a facility by an 30110
order issued under division (D) of section 3750.11 of the Revised 30111
Code, which shall include the location of on-site emergency 30112
fire-fighting and spill cleanup equipment; a diagram of the public 30113
and private water supply and sewage systems serving the facility 30114
that are known to the owner or operator of the facility; a copy of 30115
the emergency and hazardous chemical inventory form for the 30116
facility most recently required to be submitted under section 30117
3750.08 of the Revised Code from which the owner or operator may 30118
withhold information claimed or determined to be trade secret 30119
information pursuant to rules adopted under division (B)(2)(d) of 30120
this section, or pursuant to division (B)(14) of this section and 30121
rules adopted under division (B)(5) of this section, and 30122
confidential business information identified in rules adopted 30123
under division (B)(1)(h) of this section; a copy of the local fire 30124
department's and facility's emergency management plans for the 30125
facility, if any; a current list of the names, positions, 30126
addresses, and telephone numbers of all key facility personnel 30127
knowledgeable in facility safety procedures and the locations at 30128
the facility where extremely hazardous substances, hazardous 30129
chemicals, and hazardous substances are produced, used, or stored. 30130
The rules shall stipulate that, in the instance of lock box units 30131
placed voluntarily at facilities by the owners or operators of the 30132
facilities, such information shall be maintained in them as is 30133
prescribed by agreement by the owner or operator and the fire 30134
department having jurisdiction over the facility. 30135

(iii) The conditions that shall be met in order to provide 30136
safe and expedient access to a lock box unit during a release or 30137
threatened release of an extremely hazardous substance, hazardous 30138
chemical, or hazardous substance. 30139

(b) Unless the owner or operator of a facility is issued an order under division (D) of section 3750.11 of the Revised Code requiring the owner or operator to place a lock box unit at the facility, the owner or operator may place a lock box unit at the facility at the owner's or operator's discretion. If the owner or operator chooses to place a lock box unit at the facility, the responsibility to deposit information in the lock box unit is in addition to any other obligations established in this chapter.

(c) Any costs associated with the purchase, construction, or placement of a lock box unit shall be paid by the owner or operator of the facility.

(7) In accordance with Chapter 119. of the Revised Code, adopt rules governing the application for and awarding of grants under division (C) of section 3750.14 and division (B) of section 3750.15 of the Revised Code;

The internal management rules shall establish an executive committee of the commission consisting of the director of environmental protection or the director's designee, the director of public safety or the director's designee, the attorney general or the attorney general's designee, one of the appointed members of the commission representing industries subject to this chapter to be appointed by the commission, one of the appointed members of the commission representing the interests of environmental advocacy organizations to be appointed by the commission, and one other appointed member or member ex officio of the commission to be appointed by the commission. The executive

committee has exclusive authority to issue enforcement orders 30172
under section 3750.18 of the Revised Code and to request the 30173
attorney general to bring a civil action, civil penalty action, or 30174
criminal action under section 3750.20 of the Revised Code in the 30175
name of the commission regarding violations of this chapter, rules 30176
adopted under it, or orders issued under it. The internal 30177
management rules may set forth the other specific powers and 30178
duties of the commission that the executive committee may exercise 30179
and carry out and the conditions under which the executive 30180
committee may do so. The internal management rules shall not 30181
authorize the executive committee to issue variances under 30182
division (B) or (C) of section 3750.11 of the Revised Code or 30183
orders under division (D) of that section. 30184

(10) Oversee and coordinate the implementation and 30185

(12) Designate an officer of the environmental protection 30194
agency to serve as the commission's information coordinator under 30195
this chapter; 30196

(13) Not later than December 14, 1989, develop and distribute 30197
a state emergency response plan that defines the emergency 30198
response roles and responsibilities of the state agencies that are 30199
represented on the commission and that provides appropriate 30200
coordination with the national contingency plan and the regional 30201
contingency plan required by section 105 of the "Comprehensive 30202
Environmental Response, Compensation, and Liability Act of 1980," 30203

94 Stat. 2767, 42 U.S.C.A. 9601, as amended. The plan shall ensure
a well-coordinated response by state agencies that may be involved
in assisting local emergency responders during a major release of
oil or a major sudden and accidental release of a hazardous
substance or extremely hazardous substance. The plan may
incorporate existing state emergency response plans by reference.
At least annually, the commission and the state agencies that are
represented on it shall jointly exercise the state plan in
conjunction with the exercise of a local emergency response plan
by a local emergency planning committee under section 3750.04 of
the Revised Code. After any such exercise, the commission shall
review the state plan and make such revisions in it as the
commission considers necessary or appropriate.

(14) Receive and decide claims for the protection of
information as a trade secret that pertain only to extremely
hazardous substances and hazardous chemicals identified or listed
by rules adopted under division (C)(5) of this section. If the
commission determines that the claim meets the criteria
established in rules adopted under division (B)(5) of this
section, it shall issue an order to that effect in accordance with
section 3750.18 of the Revised Code. If the commission determines
that the claim does not meet the criteria established in those

submit to the president of the senate and the speaker of the house
of representatives a summary report on the number of facilities
estimated to be subject to regulation under sections 3750.05,
3750.07, and 3750.08 of the Revised Code, the number of facilities
reporting to the commission, an estimate of the percentage of
facilities in compliance with those sections, and recommendations
regarding the types of activities the commission considers

necessary to improve such compliance. The commission shall base
its estimate of the number of facilities that are subject to
regulation under those sections on the current estimates provided
by the local emergency planning committees under division (D)(6)
of section 3750.03 of the Revised Code.

(C) The commission may:

(1) Procure by contract the temporary or intermittent
services of experts or consultants when those services are to be

this chapter;

under any such contract, agreement, or memorandum shall perform
only those functions and provide only the services provided for in
the contract, agreement, or memorandum.

(5) Identify or list extremely hazardous substances in
addition to those identified or listed in rules adopted under
division (B)(1)(a) of this section and establish threshold
planning quantities and reportable quantities for the additional
extremely hazardous substances, identify or list hazardous
chemicals in addition to those identified or listed in rules

adopted under division (B)(1)(b) of this section and establish 30267
threshold quantities and categories or health and physical hazards 30268
for the added chemicals, and identify or list hazardous substances 30269
in addition to those identified or listed in rules adopted under 30270
division (B)(1)(c) of this section and establish reportable 30271
quantities for the added hazardous substances. The commission may 30272
establish threshold planning quantities for the additional 30273
extremely hazardous substances based upon classes of those 30274
substances or categories of facilities at which they are present 30275
and may establish threshold quantities for the additional 30276
hazardous chemicals based upon classes of those chemicals or 30277
categories of facilities where they are present. The commission 30278
shall identify or list such additional substances or chemicals and 30279
establish threshold planning quantities, threshold quantities, 30280
reportable quantities, and hazard categories therefor in 30281
accordance with the criteria and procedures established in rules 30282
adopted under division (B)(4) of this section and, after 30283

(B)(1)(b) of this section, or any reportable quantity established 30290
in rules adopted under division (B)(1)(c) of this section. 30291

If, after the commission has adopted rules under division 30292
(C)(5) of this section identifying or listing an extremely 30293
hazardous substance, hazardous chemical, or hazardous substance, 30294
the administrator of the United States environmental protection 30295
agency identifies or lists the substance or chemical as an 30296
extremely hazardous substance or hazardous chemical under the 30297
"Emergency Planning and Community Right-To-Know Act of 1986," 100 30298

Stat. 1729, 42 U.S.C.A. 11001, or identifies or lists a substance 30299
as a hazardous substance under the "Comprehensive Environmental 30300
Response, Compensation, and Liability Act of 1980," 94 Stat. 2779, 30301
42 U.S.C.A. 9602, as amended, the commission shall rescind its 30302
rules adopted under division (C)(5) of this section pertaining to 30303
the substance or chemical and adopt the appropriate rules under 30304
division (B)(1)(a), (b), or (c) of this section. 30305

(6) From time to time, request the director of environmental 30306
protection and the executive director of the emergency management 30307
agency to review implementation, administration, and enforcement 30308
of the chemical emergency response planning and reporting programs 30309
created by this chapter and rules adopted under it regarding their 30310
effectiveness in preparing for response to releases of extremely 30311
hazardous substances, hazardous chemicals, and hazardous 30312
substances. After completion of any such review, the director of 30313
environmental protection and the director of public safety shall 30314
report their findings to the commission. Upon receipt of their 30315
findings, the commission may make such recommendations for 30316
legislative and administrative action as the commission finds 30317
necessary or appropriate to promote achievement of the purposes of 30318
this chapter. 30319

(D) Except as provided in section 3750.06 of the Revised 30320
Code, nothing in this chapter applies to the transportation, 30321
including the storage incident to transportation, of any substance 30322
or chemical subject to the requirements of this chapter, including 30323
the transportation and distribution of natural gas. 30324

(E) This chapter authorizes the state, through the emergency 30325
response commission, the department of public safety, and the 30326
environmental protection agency, to establish and maintain 30327
chemical emergency response planning and preparedness, community 30328
right-to-know, and hazardous substance and extremely hazardous 30329
substance release reporting programs that are consistent with and 30330

equivalent in scope, coverage, and content to the "Emergency
Planning and Community Right-To-Know Act of 1986," 100 Stat. 1729,
42 U.S.C.A. 11001, and regulations adopted under it, except as
otherwise specifically required or authorized in this chapter. The
commission, department, and agencies may do all things necessary,
incidental, or appropriate to implement, administer, and enforce
this chapter and to perform the duties and exercise the powers of
the state emergency response commission under that act and
regulations adopted under it and under this chapter.

release reporting requirements established under section 3750.06
of the Revised Code.

(B) The emergency response commission and every local
emergency planning committee and fire department in this state
shall establish a means by which to access, view, and retrieve
information, through the use of the internet or a computer disk,

enumerated on the inventory form ~~in excess of five~~; 30372

(b) An additional fee of one hundred fifty dollars per 30373
extremely hazardous substance enumerated on the inventory form. 30374
The fee established in division (A)(1)(a) of this section does not 30375
apply to the reporting of the inventory of a hazardous chemical 30376
that is also an extremely hazardous substance to which the 30377
inventory reporting fee established in division (A)(1)(b) of this 30378
section applies. 30379

The total fees required to accompany any inventory form shall 30380
not exceed twenty-five hundred dollars. 30381

(2) An owner or operator of a facility who fails to submit 30382
such an inventory form within thirty days after the applicable 30383
filing date prescribed in section 3750.08 of the Revised Code 30384
shall submit with the inventory form a late filing fee in the 30385

under division (A)(1) or (4) of this section for the fees paid to 30399
the municipal corporation pursuant to its reporting requirement. 30400
The amount of the credit claimed in any reporting year shall not 30401
exceed the amount of the fees due under division (A)(1) or (4) of 30402
this section during that reporting year, and no unused portion of 30403
the credit shall be carried over to subsequent years. In order to 30404
claim a credit under this division, the owner or operator shall 30405

(b) The crude oil, liquid hydrocarbons, or other fluids 30423
stored at the facility are conveyed directly to it through piping 30424

(d) The facility is used for the storage of the crude oil, liquid hydrocarbons, or other fluids prior to their transportation off the premises of the facility for sale, use, or disposal.

An owner or operator who submits ~~inventory forms~~ information for more than ~~thirty-five~~ twenty-five facilities that meet all of the conditions prescribed in divisions (A)(4)(a) to (d) of this section shall submit to the commission a base fee of ~~twenty-five~~ fifty dollars ~~in addition to a~~ and an additional filing fee of ten dollars for each facility reported in excess of ~~thirty-five~~ twenty-five, but not exceeding a total fee of ~~seven~~ nine hundred dollars. ~~An owner or operator of such facilities shall submit the forms for all such facilities owned or operated by him in this state to the commission at the same time together with the applicable fee under division (A)(4) of this section.~~

A permit holder may contract with a thoroughbred horsemen's 30573
organization for the organization to act as a representative of 30574
all thoroughbred owners and trainers participating in a 30575
horse-racing meeting conducted by the permit holder. A 30576
"thoroughbred horsemen's organization" is any corporation or 30577
association that represents, through membership or otherwise, more 30578
than one-half of the aggregate of all thoroughbred owners and 30579
trainers who were licensed and actively participated in racing 30580
within this state during the preceding calendar year. Except as 30581
otherwise provided in this paragraph, any moneys received by a 30582
thoroughbred horsemen's organization shall be used exclusively for 30583

the benefit of thoroughbred owners and trainers racing in this 30584
state through the administrative purposes of the organization, 30585
benevolent activities on behalf of the horsemen, promotion of the 30586
horsemen's rights and interests, and promotion of equine research. 30587
A thoroughbred horsemen's organization may expend not more than an 30588
aggregate of five per cent of its annual gross receipts, or a 30589
larger amount as approved by the organization, for dues, 30590
assessments, and other payments to all other local, national, or 30591
international organizations having as their primary purposes the 30592
promotion of thoroughbred horse racing, thoroughbred horsemen's 30593
rights, and equine research. 30594

(C) Except as otherwise provided in division (B) of this 30595
section, at the close of each racing day, each permit holder 30596
authorized to conduct harness or quarter horse racing, out of the 30597
amount retained that day by the permit holder, shall pay by check, 30598
draft, or money order to the tax commissioner, as a tax, a sum 30599
equal to the following percentages of the total of all moneys 30600
wagered on live racing programs and shall separately compute and 30601
pay by check, draft, or money order to the tax commissioner, as a 30602
tax, a sum equal to the following percentages of the total of all 30603
money wagered on simulcast racing programs on that day: 30604

(1) One per cent of the first two hundred thousand dollars 30605
wagered, or any part ~~thereof~~ of that amount; 30606

(2) Two per cent of the next one hundred thousand dollars 30607
wagered, or any part ~~thereof~~ of that amount; 30608

(3) Three per cent of the next one hundred thousand dollars 30609
wagered, or any part ~~thereof~~ of that amount; 30610

(4) Four per cent of all sums over four hundred thousand 30611
dollars wagered. 30612

Except as otherwise provided in division (B) and subject to 30613
division (M) of this section, from the moneys paid to the tax 30614

commissioner by permit holders authorized to conduct harness or 30615
quarter horse racing, one-half of one per cent of all moneys 30616
wagered on that racing day shall be paid into the Ohio fairs fund; 30617
from the moneys paid to the tax commissioner by permit holders 30618
authorized to conduct harness racing, five-eighths of one per cent 30619
of all moneys wagered on that racing day shall be paid into the 30620
Ohio standardbred development fund; and from the moneys paid to 30621
the tax commissioner by permit holders authorized to conduct 30622
quarter horse racing, five-eighths of one per cent of all moneys 30623
wagered on that racing day shall be paid into the Ohio quarter 30624
horse development fund. 30625

(D) In addition, subject to division (M) of this section, 30626
beginning on January 1, 1996, from the money paid to the tax 30627
commissioner as a tax under this section and division (A) of 30628
section 3769.087 of the Revised Code by harness horse permit 30629
holders, one-half of one per cent of the amount wagered on a 30630
racing day shall be paid into the Ohio standardbred development 30631
fund. Beginning January 1, 1998, the payment to the Ohio 30632
standardbred development fund required under this division ~~(D)~~ of 30633
~~this section~~ does not apply to county agricultural societies or 30634
independent agricultural societies. 30635

~~During calendar year 1994, the~~ The total amount paid to the 30636
Ohio standardbred development fund under this division, division 30637
(C) of this section, and division (A) of section 3769.087 of the 30638
Revised Code and the total amount paid to the Ohio quarter horse 30639
development fund under this division and division (A) of that 30640
section ~~shall not exceed by more than six per cent the total~~ 30641
~~amount paid to each of these funds under this division and that~~ 30642
~~section during calendar year 1990. During each calendar year after~~ 30643
~~calendar year 1994, the total amount paid to each of these funds~~ 30644
shall not exceed by more than six per cent the total amount paid 30645
into the fund under this division, division (C) of this section, 30646

and division (A) of section 3769.087 of the Revised Code in the 30647
immediately preceding calendar year. 30648

(E) Subject to division (M) of this section, from the money 30649
paid as a tax under this chapter by harness and quarter horse 30650
permit holders, one-quarter of one per cent of the total of all 30651
moneys wagered on a racing day by each permit holder shall be paid 30652
into the state racing commission operating fund created by section 30653
3769.03 of the Revised Code. This division does not apply to 30654
county and independent fairs and agricultural societies. 30655

(F) Except as otherwise provided in section 3769.089 of the 30656
Revised Code, each permit holder authorized to conduct harness 30657
racing shall ~~pat~~ pay to the harness horsemen's purse pool a sum 30658
equal to fifty per cent of the pari-mutuel revenues retained by 30659
the permit holder as a commission after payment of the state tax. 30660
This fifty per cent payment is to be in addition to the purse 30661
distribution from breakage specified in this section. 30662

(G) In addition, each permit holder authorized to conduct 30663
harness racing shall be allowed to retain the odd cents of all 30664
redistribution to be made on all mutual contributions exceeding a 30665
sum equal to the next lowest multiple of ten. 30666

Forty per cent of that portion of that total sum of such odd 30667
cents shall be used by the permit holder for purse money for Ohio 30668
sired, bred, and owned colts, for purse money for Ohio bred 30669
horses, and for increased purse money for horse races. Upon the 30670
formation of the corporation described in section 3769.21 of the 30671
Revised Code to establish a harness horsemen's health and 30672
retirement fund, twenty-five per cent of that portion of that 30673
total sum of odd cents shall be paid at the close of each racing 30674
day by the permit holder to ~~such~~ that corporation to establish and 30675
fund the health and retirement fund. Until ~~such~~ that corporation 30676
is formed, ~~such~~ that twenty-five per cent shall be paid at the 30677
close of each racing day by the permit holder to the tax 30678

commissioner or the tax commissioner's agent in the county seat of 30679
the county in which the permit holder operates race meetings. The 30680
remaining thirty-five per cent of that portion of that total sum 30681
of odd cents shall be retained by the permit holder. 30682

(H) In addition, each permit holder authorized to conduct 30683
thoroughbred racing shall be allowed to retain the odd cents of 30684
all redistribution to be made on all mutuel contributions 30685
exceeding a sum equal to the next lowest multiple of ten. Twenty 30686
per cent of that portion of that total sum of such odd cents shall 30687
be used by the permit holder for increased purse money for horse 30688
races. Upon the formation of the corporation described in section 30689
3769.21 of the Revised Code to establish a thoroughbred horsemen's 30690
health and retirement fund, forty-five per cent of that portion of 30691
that total sum of odd cents shall be paid at the close of each 30692
racing day by the permit holder to ~~such~~ that corporation to 30693
establish and fund the health and retirement fund. Until ~~such~~ that 30694
corporation is formed, ~~such~~ that forty-five per cent shall be paid 30695
by the permit holder to the tax commissioner or the tax 30696
commissioner's agent in the county seat of the county in which the 30697
permit holder operates race meetings, at the close of each racing 30698
day. The remaining thirty-five per cent of that portion of that 30699
total sum of odd cents shall be retained by the permit holder. 30700

(I) In addition, each permit holder authorized to conduct 30701
quarter horse racing shall be allowed to retain the odd cents of 30702
all redistribution to be made on all mutuel contributions 30703
exceeding a sum equal to the next lowest multiple of ten, subject 30704
to a tax of twenty-five per cent on that portion of the total sum 30705
of such odd cents that is in excess of two thousand dollars during 30706
a calendar year, which tax shall be paid at the close of each 30707
racing day by the permit holder to the tax commissioner or the tax 30708
commissioner's agent in the county seat of the county within which 30709
the permit holder operates race meetings. Forty per cent of that 30710

portion of that total sum of such odd cents shall be used by the 30711
permit holder for increased purse money for horse races. The 30712
remaining thirty-five per cent of that portion of that total sum 30713
of odd cents shall be retained by the permit holder. 30714

(J)(1) To encourage the improvement of racing facilities for 30715
the benefit of the public, breeders, and horse owners, and to 30716
increase the revenue to the state from the increase in pari-mutuel 30717
wagering resulting from ~~such~~ those improvements, the taxes paid by 30718
a permit holder to the state as provided for in this chapter shall 30719
be reduced by three-fourths of one per cent of the total amount 30720
wagered for those permit holders who make capital improvements to 30721
existing race tracks or construct new race tracks. The percentage 30722
of the reduction that may be taken each racing day shall equal 30723
seventy-five per cent of the ~~tax~~ taxes levied under divisions (B) 30724
and (C) of this section and section 3769.087 of the Revised Code, 30725
and division (F)(2) of section 3769.26 of the Revised Code, as 30726
applicable, divided by the calculated amount each fund should 30727
receive under divisions (B) and (C) of this section and section 30728
3769.087 of the Revised Code, and division (F)(2) of section 30729
3769.26 of the Revised Code and the reduction provided for in this 30730
division. If the resulting percentage is less than one, that 30731
percentage shall be multiplied by the amount of the reduction 30732
provided for in this division. Otherwise, the permit holder shall 30733
receive the full reduction provided for in this division. The 30734
amount of the allowable reduction not received shall be carried 30735
forward and applied against future tax liability. After any 30736
reductions expire, any reduction carried forward shall be treated 30737
as a reduction as provided for in this division. ~~If~~ 30738

If more than one permit holder is authorized to conduct 30739
racing at the facility that is being built or improved, the cost 30740
of the new race track or capital improvement shall be allocated 30741
between or among all the permit holders in the ratio that the 30742

permit holders' number of racing days bears to the total number of 30743
racing days conducted at the facility. ~~Such~~ 30744

A reduction for a new race track or a capital improvement 30745
shall start from the day racing is first conducted following the 30746
date actual construction of the new race track or each capital 30747
improvement is completed and the construction cost has been 30748
~~certified~~ approved by the racing commission, unless otherwise 30749
provided in this section. ~~Such~~ A reduction for a new race track or 30750
a capital improvement shall continue for a period of twenty-five 30751
years for new race tracks and for fifteen years for ~~new~~ capital 30752
improvements if the construction of the capital improvement or new 30753
race track commenced prior to March 29, 1988, and for a period of 30754
ten years for new race tracks or ~~new~~ capital improvements if the 30755
construction of the capital improvement or new race track 30756
commenced on or after March 29, 1988, but before the effective 30757
date of this amendment, or until the total tax reduction reaches 30758
seventy per cent of the approved cost of the new race track or ~~new~~ 30759
capital improvement, as allocated to each permit holder, whichever 30760
occurs first. ~~The tax~~ A reduction for a new race track or a 30761
capital improvement approved after the effective date of this 30762
amendment shall continue until the total tax reduction reaches one 30763
hundred per cent of the approved cost of the new race track or 30764
capital improvement, as allocated to each permit holder. 30765

A reduction granted for ~~any~~ a new race track or a capital 30766
improvement, the application for which was approved by the racing 30767
commission after March 29, 1988, but before the effective date of 30768
this amendment, shall not commence nor shall the ten-year period 30769
begin to run until all prior tax reductions with respect to the 30770
same race track have ended. The total tax reduction because of 30771
capital improvements shall not during any one year exceed for all 30772
permit holders using any one track three-fourths of one per cent 30773
of the total amount wagered, regardless of the number of capital 30774

improvements made. Several capital improvements to a race track 30775
may be consolidated in an application if the racing commission 30776
approved the application prior to March 29, 1988. No permit holder 30777
may receive a tax reduction for a capital improvement approved by 30778
the racing commission on or after March 29, 1988, at a race track 30779
until all tax reductions have ended for all prior capital 30780
improvements approved by the racing commission under this section 30781
or section 3769.20 of the Revised Code at that race track. If 30782
there are two or more permit holders operating meetings at the 30783
same track, they may consolidate their applications. The racing 30784
commission shall notify the tax commissioner when the ~~diminution~~ 30785
reduction of tax begins and when it ends. ~~Each~~ 30786

Each fiscal year the racing commission shall submit a report 30787
to the tax commissioner, the office of budget and management, and 30788
the ~~legislative budget office of the~~ legislative service 30789
commission. The report shall identify each capital improvement 30790
project undertaken under this division and in progress at each 30791
race track, indicate the total cost of each ~~such~~ project, state 30792
the tax reduction that resulted from each ~~such~~ project during the 30793
immediately preceding fiscal year, estimate the tax reduction that 30794
will result from each ~~such~~ project during the current fiscal year, 30795
state the total tax reduction that resulted from all such projects 30796
at all race tracks during the immediately preceding fiscal year, 30797
and estimate the total tax reduction that will result from all 30798
such projects at all race tracks during the current fiscal year. 30799

(2) In order to qualify for the reduction in tax, a permit 30800
holder shall apply to the racing commission in such form as the 30801
commission may require and shall provide full details of the new 30802
~~racing~~ race track or capital improvement, including a schedule for 30803
its construction and completion, and set forth the costs and 30804
expenses incurred in connection ~~therewith~~ with it. The racing 30805
commission shall not approve an application unless the permit 30806

holder shows that a contract for the new race track or capital 30807
improvement has been let under an unrestricted competitive bidding 30808
procedure, unless the contract is exempted by the controlling 30809
board because of its unusual nature. In determining whether to 30810
approve an application, the racing commission shall consider 30811
whether the new race track or capital improvement will promote the 30812
safety, convenience, and comfort of the racing public and horse 30813
owners and generally tend towards the improvement of racing in 30814
this state. 30815

(3) If a new race track or capital improvement is approved by 30816
the racing commission and construction has started, the tax 30817
adjustment reduction may be authorized by the commission upon 30818
presentation of copies of paid bills in excess of one hundred 30819
thousand dollars or ten per cent of the approved cost, whichever 30820
is greater. After the initial authorization, the permit holder 30821
shall present copies of paid bills. If the permit holder is in 30822
substantial compliance with the schedule for construction and 30823
completion of the new race track or capital improvement, the 30824
racing commission may authorize the continuation of the tax 30825
adjustment reduction upon the presentation of ~~such~~ the additional 30826
paid bills. The total amount of the tax adjustment reduction 30827
authorized shall not exceed ~~seventy per cent~~ the percentage of the 30828
approved cost of the new race track or capital improvement 30829
specified in division (J)(1) of this section. The racing 30830
commission may terminate any tax adjustment reduction immediately 30831
if a permit holder fails to complete the new race track or capital 30832
improvement, or to substantially comply with the schedule for 30833
construction and completion of the new race track or capital 30834
improvement. If a permit holder fails to complete a new race track 30835
or capital improvement, the racing commission shall order the 30836
permit holder to repay to the state the total amount of tax 30837
reduced. The normal tax paid by the permit holder shall be 30838
increased by three-fourths of one per cent of the total amount 30839

wagered until the total amount of the additional tax collected 30840
equals the total amount of tax reduced. 30841

(4) As used in this section, "capital": 30842

(a) "Capital improvement" means an addition, replacement, or 30843
remodeling of a structural unit of a race track facility costing 30844
at least one hundred thousand dollars, including, but not limited 30845
to, the construction of barns used exclusively for ~~such~~ the race 30846
track facility, backstretch facilities for horsemen, paddock 30847
facilities, new pari-mutuel and totalizator equipment and 30848
appurtenances ~~thereto~~ to that equipment purchased by the track, 30849
new access roads, new parking areas, the complete reconstruction, 30850
reshaping, and leveling of the ~~race track~~ racing surface and 30851
appurtenances, the installation of permanent new heating or air 30852
conditioning, ~~and~~ roof replacement or restoration, installations 30853
of a permanent nature forming a part of the track structure, and 30854
construction of buildings that are located on a permit holder's 30855
premises. "Capital improvement" does not include the cost of 30856
replacement of equipment that is not permanently installed, 30857
ordinary repairs, painting, and maintenance required to keep a 30858
race track facility in ordinary operating condition. ~~"New~~ 30859

(b) "New race track" or "new racing track" includes the 30860
reconstruction of a race track damaged by fire or other cause that 30861
has been declared by the racing commission, as a result of the 30862
damage, to be an inadequate facility for the safe operation of 30863
horse racing. 30864

(c) "Approved cost" includes all debt service and interest 30865
costs that are associated with a capital improvement or new race 30866
track and that the racing commission approves for a tax reduction 30867
under division (J) of this section. 30868

(5) The racing commission shall not approve an application 30869
for a tax reduction under this section if it has reasonable cause 30870
to believe that the actions or negligence of the permit holder 30871

substantially contributed to the damage suffered by the track due 30872
to fire or other cause. The racing commission shall obtain any 30873
data or information available from a fire marshal, law enforcement 30874
official, or insurance company concerning any fire or other damage 30875
suffered by a track, prior to approving an application for a tax 30876
reduction. 30877

(6) The approved cost ~~and expenses~~ to which a tax reduction 30878
applies shall be determined by generally accepted accounting 30879
principles and verified by an audit of the permit holder's records 30880
upon completion of the project by the racing commission, or by an 30881
independent certified public accountant selected by the permit 30882
holder and approved by the commission. 30883

~~The tax reductions for capital improvements and new tracks 30884
provided for in this division apply only to tax reductions 30885
approved by the state racing commission prior to the effective 30886
date of this amendment. 30887~~

(K) No other license or excise tax or fee, except as provided 30888
in sections 3769.01 to 3769.14 of the Revised Code, shall be 30889
assessed or collected from such licensee by any county, township, 30890
district, municipal corporation, or other body having power to 30891
assess or collect a tax or fee. That portion of the tax paid under 30892
this section by permit holders for racing conducted at and during 30893
the course of an agricultural exposition or fair, and that portion 30894
of the tax that would have been paid by eligible permit holders 30895
into the PASSPORT fund as a result of racing conducted at and 30896
during the course of an agricultural exposition or fair, shall be 30897
deposited into the state treasury to the credit of the horse 30898
racing tax fund, which is hereby created for the use of the 30899
agricultural societies of the several counties in which the taxes 30900
originate. The state racing commission shall determine eligible 30901
permit holders for purposes of the preceding sentence, taking into 30902
account the breed of horse, the racing dates, the geographic 30903

proximity to the fair, and the best interests of Ohio racing. On 30904
the first day of any month on which there is money in the fund, 30905
the ~~director of budget and management~~ tax commissioner shall 30906
provide for payment to the treasurer of each agricultural society 30907
the amount of the taxes collected under this section upon racing 30908
conducted at and during the course of any exposition or fair 30909
conducted by ~~such~~ the society. 30910

(L) From the tax paid under this section by harness track 30911
permit holders, the tax commissioner shall pay into the Ohio 30912
thoroughbred race fund a sum equal to a percentage of the amount 30913
wagered upon which ~~such~~ the tax is paid. The percentage shall be 30914
determined by the tax commissioner and shall be rounded to the 30915
nearest one-hundredth. The percentage shall be such that, when 30916
multiplied by the amount wagered upon which tax was paid by the 30917
harness track permit holders in the most recent year for which 30918
final figures are available, it results in a sum that 30919
substantially equals the same amount of tax paid by the tax 30920
commissioner during that year into the Ohio fairs fund from taxes 30921
paid by thoroughbred permit holders. This division does not apply 30922
to county and independent fairs and agricultural societies. 30923

(M) Twenty-five per cent of the taxes levied on 30924
~~thoroughbred racing~~ thoroughbred racing permit holders, 30925
~~harness racing~~ harness racing permit holders, and quarter horse 30926
racing permit holders under this section, division (A) of section 30927
3769.087 of the Revised Code, and division (F)(2) of section 30928
3769.26 of the Revised Code shall be paid ~~to~~ into the PASSPORT 30929
fund. The tax commissioner shall pay any money remaining, after 30930
the payment ~~to~~ into the PASSPORT fund and the reductions provided 30931
for in division (J) of this section and in section 3769.20 of the 30932
Revised Code, into the Ohio fairs fund, Ohio thoroughbred race 30933
fund, Ohio standardbred development fund, Ohio quarter horse fund, 30934
and state racing commission operating fund as prescribed in this 30935

section and division (A) of section 3769.087 of the Revised Code+ 30936
~~except that the state racing commission operating fund shall not~~ 30937
~~receive more than two million five hundred thousand dollars in any~~ 30938
~~calendar year.~~ The tax commissioner shall thereafter use and apply 30939
the balance of the money paid as a tax by any permit holder to 30940
cover any shortage in the accounts of such funds resulting from an 30941
insufficient payment as a tax by any other permit holder. The 30942
moneys received by the tax commissioner shall be deposited weekly 30943
and paid by the tax commissioner into the funds to cover the total 30944
aggregate amount due from all permit holders to the funds, as 30945
calculated under this section and division (A) of section 3769.087 30946
of the Revised Code, as applicable. If, after the payment ~~to~~ into 30947
the PASSPORT fund, sufficient funds are not available from the tax 30948
deposited by the tax commissioner to pay the required ~~amount~~ 30949
amounts into the Ohio fairs fund, Ohio standardbred development 30950
fund, Ohio thoroughbred race fund, Ohio quarter horse fund, and 30951
the state racing commission operating fund, the tax commissioner 30952
shall prorate on a proportional basis the amount paid to each of 30953
the funds. Any shortage to the funds as a result of a proration 30954
shall be applied against future deposits for the same calendar 30955
year when funds are available. After this application, the tax 30956
commissioner shall pay any remaining money paid as a tax by all 30957
permit holders into the PASSPORT fund. ~~If the Ohio fairs fund does~~ 30958
~~not receive two million five hundred thousand dollars in calendar~~ 30959
~~year 1997 or 1998, the tax commissioner shall pay into the Ohio~~ 30960
~~fairs fund, on a prorated basis, money that would have been paid~~ 30961
~~into the Ohio thoroughbred race fund, Ohio standardbred~~ 30962

that is needed to meet its prorated portion of the Ohio fairs fund 30970

holders conducting racing at the course of an agricultural 30973
exposition or fair as described in division (K) of this section. 30974~~

Sec. 3769.085. There is hereby created in the state treasury 30975
the Ohio standardbred development fund, to consist of moneys paid 30976
into it pursuant to section 3769.08 of the Revised Code and any 30977
fees assessed for or on behalf of the Ohio sires stakes races. All 30978
fees so assessed shall be exempt from the requirements of 30979
divisions (D) and (M) of section 3769.08 of the Revised Code. All 30980
investment earnings on the cash balance in the fund shall be 30981
credited to the fund. Moneys to the credit of the Ohio 30982
~~standardbred development~~ fund shall be distributed on order of the 30983
state racing commission with the approval of the Ohio standardbred 30984
development commission. 30985

The development commission shall consist of three members, 30986
all to be residents of this state knowledgeable in breeding and 30987
racing, to be appointed by the governor with the advice and 30988
consent of the senate. One member shall be a standardbred breeder, 30989
and one shall be a standardbred owner. Of the initial 30990
appointments, one member shall be appointed for a term ending June 30991
30, 1977, and two members shall be appointed for terms ending June 30992
30, 1979. Thereafter, appointments for other than unexpired terms 30993
shall be for four years. Terms shall begin the first day of July 30994
and end the thirtieth day of June. Any member appointed to fill a 30995
vacancy occurring prior to the expiration of the term for which 30996
the member's predecessor was appointed shall hold office for the 30997
remainder of ~~such~~ that term. Any member shall continue in office 30998
subsequent to the expiration date of the member's term until a 30999
successor takes office. Members shall receive no compensation, 31000

except they shall be paid actual and necessary expenses from the 31001
Ohio standardbred development fund. The state racing commission 31002
shall also be reimbursed for actual expense approved by the 31003
development commission. The development commission may elect one 31004
member to serve as secretary. 31005

Upon application not later than the first day of December 31006
from the harness tracks conducting races with pari-mutuel 31007
wagering, other than agricultural expositions and fairs, the 31008
development commission shall, after a hearing and not later than 31009
the twentieth day of January, allocate and approve all available 31010
moneys for colt races for two-year-old and three-year-old colts 31011
and fillies, both trotting and pacing. Separate races for fillies 31012
shall be provided at each age and gait. At least five races and a 31013
championship race shall be scheduled for each of the eight 31014
categories of age, sex, and gait. The allocations shall take into 31015
account the time of year that racing colts is feasible, the equity 31016
and continuity of the proposed dates for racing the events, and 31017
the amounts to be added by the tracks, looking to the maximum 31018
benefit for those participating in the races. Representatives of 31019
the tracks and the Ohio harness horsemen's association shall be 31020
given an opportunity to be heard before the allocations are made. 31021
No races shall be contested earlier than the first day of May or 31022
later than the first day of November; all permit holders operating 31023
extended pari-mutuel meetings between ~~such~~ those dates shall be 31024
entitled to at least three races. No funds for a race shall be 31025
allocated to and paid to a permit holder by the development 31026
commission unless the permit holder adds at least twenty-five per 31027
cent to the amount allocated by the development commission, and 31028
not less than five thousand dollars to each race. 31029

Colts and fillies eligible to the races shall be only those 31030
sired by a standardbred stallion that was registered with the 31031
state racing commission and stood in ~~Ohio~~ the state the entire 31032

breeding season of the year the colt or filly was conceived and 31033
fillies foaled before November 1, 1979, that are not so qualified 31034
but wholly owned by a resident or residents of ~~Ohio~~ the state on 31035
the first day of January of the year that such filly would be 31036
eligible to race as a two-year-old and also wholly owned by a 31037
resident or residents of ~~Ohio~~ the state on the date the race is 31038
contested. 31039

If the development commission concludes that sufficient funds 31040
are available to add aged races without reducing purse levels of 31041
the colt and filly races, the development commission may allocate 31042
funds to four-year-old and five-year-old races of each sex and 31043
gait with Ohio eligibility required as set forth in this section. 31044

The state racing commission may allocate an amount not to 31045
exceed five per cent of the total Ohio standardbred development 31046
fund available in any one calendar year to research projects 31047
directed toward improving the breeding, raising, racing, and 31048
health and soundness of horses in the state and toward education 31049
or promotion of the industry. 31050

Sec. 3769.087. (A) In addition to the commission of eighteen 31051
per cent retained by each permit holder as provided in section 31052
3769.08 of the Revised Code, each permit holder shall retain an 31053
additional amount equal to four per cent of the total of all 31054
moneys wagered on each racing day on all wagering pools other than 31055

31077
31078
31079

(6) One-sixth shall be paid into the state racing commission operating fund created by section 3769.03 of the Revised Code. 31080
31081

The remaining one per cent that is retained of the total of all moneys wagered on each racing day on all pools other than win, place, and show, shall be retained by racing permit holders, and, except as otherwise provided in section 3769.089 of the Revised Code, racing permit holders shall use one-half for purse money and retain one-half. 31082
31083
31084
31085
31086
31087

(B) In addition to the commission of eighteen per cent retained by each permit holder as provided in section 3769.08 of the Revised Code and the additional amount retained by each permit holder as provided in division (A) of this section, each permit holder ~~may shall~~ retain, ~~upon notification to the state racing commission,~~ an additional amount equal to ~~not less than two one-half of one~~ per cent ~~but not more than three per cent~~ of the 31088

~~retains an additional amount under this division that equals or~~ 31098
~~exceeds two per cent of the total of all moneys wagered on a~~ 31099
~~racing day on the wagering pools designated under this division,~~ 31100
~~the permit holder shall pay by check, draft, or money order to the~~ 31101
~~tax commissioner, as a tax, an amount equal to two per cent of the~~ 31102
~~total of all moneys wagered on that racing day on those designated~~ 31103
~~wagering pools. The tax commissioner shall deposit the amount of~~ 31104
~~the tax received under this division in the PASSPORT fund. Any~~ 31105
~~amount that is retained but not paid under this division to the~~ 31106
~~tax commissioner as a tax other than win, place, and show. From~~ 31107
~~the additional amount retained under this division, each permit~~ 31108
~~holder shall retain an amount equal to one-quarter of one per cent~~ 31109
~~of the total of all moneys wagered on each racing day on all pools~~ 31110
~~other than win, place, and show and shall pay that amount by~~ 31111
~~check, draft, or money order to the tax commissioner, as a tax.~~ 31112
The tax commissioner shall pay the amount of the tax received 31113
under this division to the state racing commission operating fund 31114
created by section 3769.03 of the Revised Code. 31115

The remaining one-quarter of one per cent that is retained 31116
from the total of all moneys wagered on each racing day on all 31117
pools other than win, place, and show shall be retained by the 31118
permit holder, and the permit holder shall use one-half for purse 31119
money and retain one-half. 31120

Sec. 3769.20. (A) To encourage the renovation of existing 31121
racing facilities for the benefit of the public, breeders, and 31122
horse owners and to increase the revenue to the state from the 31123
increase in pari-mutuel wagering resulting from such improvement, 31124
the taxes paid by a permit holder to the state, in excess of the 31125
amount paid ~~to~~ into the PASSPORT fund, shall be reduced by one per 31126

cent of the total amount wagered for those permit holders who 31127
carry out a major capital improvement project. The percentage of 31128
the reduction that may be taken each racing day shall equal 31129
seventy-five per cent of the ~~tax~~ amount of the taxes levied under 31130
divisions (B) and (C) of section 3769.08, section 3769.087, and 31131
division (F)(2) of section 3769.26 of the Revised Code, as 31132
applicable, divided by the calculated amount each fund should 31133
receive under divisions (B) and (C) of section 3769.08, section 31134
3769.087, and division (F)(2) of section 3769.26 of the Revised 31135
Code and the reduction provided for in this section. If the 31136
resulting percentage is less than one, that percentage shall be 31137
multiplied by the amount of the reduction provided for in this 31138
section. Otherwise, the permit holder shall receive the full 31139
reduction provided for in this section. The amount of the 31140
allowable reduction not received shall be carried forward and 31141
added to any other reduction balance and applied against future 31142
tax liability. After any reductions expire, any reduction carried 31143
forward shall be treated as a reduction as provided for in this 31144
section. If the amount of allowable ~~abatement~~ reduction exceeds 31145
the amount of taxes derived from a permit holder, the amount of 31146
the allowable ~~abatement~~ reduction not used may be carried forward 31147
and applied against future tax liability. ~~If~~ 31148

If more than one permit holder is authorized to conduct 31149
racing at the facility that is being improved, the cost of the 31150
major capital improvement project shall be allocated between or 31151
among all the permit holders in the ratio that each permit 31152
holder's number of racing days bears to the total number of racing 31153
days conducted at the facility. ~~Such~~ 31154

A reduction for a major capital improvement project shall 31155
start from the day racing is first conducted following the date on 31156
which the major capital improvement project is completed and the 31157
construction cost has been ~~certified~~ approved by the state racing 31158

commission, except as otherwise provided in division (E) of this 31159
section, and shall continue until the total tax reduction equals 31160
the cost of the major capital improvement project plus debt 31161
service applicable to the project. In no event, however, shall any 31162
tax reduction, excluding any reduction balances, be permitted 31163
under this section after December 31, 2014. The total tax 31164
reduction because of the major capital improvement project shall 31165
not during any one year exceed for all permit holders using any 31166
one track, ~~one per cent of the total amount wagered.~~ The racing 31167
commission shall notify the tax commissioner when the ~~diminution~~ 31168
reduction of tax begins and when it ends. 31169

(B) Each fiscal year, the racing commission shall submit a 31170
report to the tax commissioner, the office of budget and 31171
management, and the ~~legislative budget office of the~~ legislative 31172
service commission. The report shall identify each capital 31173
improvement project undertaken under this section and in progress 31174
at each race track, indicate the total cost of each ~~such~~ project, 31175
state the tax reduction that resulted from each ~~such~~ project 31176
during the immediately preceding fiscal year, estimate the tax 31177
reduction that will result from each ~~such~~ project during the 31178
current fiscal year, state the total tax reduction that resulted 31179
from all such projects at all race tracks during the immediately 31180
preceding fiscal year, and estimate the total tax reduction that 31181
will result from all such projects at all race tracks during the 31182
current fiscal year. 31183

(C) The tax reduction granted pursuant to this section shall 31184
be in addition to any tax reductions for capital improvements and 31185
new race tracks provided for in section 3769.08 of the Revised 31186
Code and approved by the racing commission ~~prior to March 29,~~ 31187
~~1988.~~ 31188

(D) In order to qualify for the reduction in tax, a permit 31189
holder shall apply to the racing commission in such form as the 31190

commission may require and shall provide full details of the major 31191
capital improvement project, including plans and specifications, a 31192
schedule for the project's construction and completion, and a 31193
breakdown of proposed costs. In addition, the permit holder shall 31194
have commenced construction of the major capital improvement 31195
project or shall have had the application for the project approved 31196
by the racing commission prior to March 29, 1988. The racing 31197
commission shall not approve an application unless the permit 31198
holder shows that a contract for the major capital improvement 31199
project has been let under an unrestricted competitive bidding 31200
procedure, unless the contract is exempted by the controlling 31201
board because of its unusual nature. In determining whether to 31202
approve an application, the racing commission shall consider 31203
whether the major capital improvement project will promote the 31204
safety, convenience, and comfort of the racing public and horse 31205
owners and generally tend toward the improvement of racing in this 31206
state. 31207

(E) If the major capital improvement project is approved by 31208
the racing commission and construction has started, the tax 31209
adjustment reduction may be authorized by the commission upon 31210
presentation of copies of paid bills in excess of five hundred 31211
thousand dollars. After the initial authorization, the permit 31212
holder shall present copies of paid bills in the amount of not 31213
less than five hundred thousand dollars. If the permit holder is 31214
in substantial compliance with the schedule for construction and 31215
completion of the major capital improvement project, the racing 31216
commission may authorize the continuance of the tax adjustment 31217
reduction upon the presentation of ~~such~~ the additional paid bills 31218
in increments of five hundred thousand dollars. The racing 31219
commission may terminate the tax adjustment reduction if a permit 31220
holder fails to complete the major capital improvement project or 31221
fails to comply substantially with the schedule for construction 31222
and completion of the major capital improvement project. If the 31223

time for completion of the major capital improvement project is 31224
delayed by acts of God, strikes, or the unavailability of labor or 31225
materials, the time for completion as set forth in the schedule 31226
shall be extended by the period of the delay. If a permit holder 31227
fails to complete the major capital improvement project, the 31228
racine commission shall order the permit holder to repay to the 31229
state the total amount of tax reduced, unless the permit holder 31230
has spent at least six million dollars on the project. The normal 31231
tax paid by the permit holder under section 3769.08 of the Revised 31232
Code shall be increased by one per cent of the total amount 31233
wagered until the total amount of the additional tax collected 31234
equals the total amount of tax reduced. Any action taken by the 31235
racine commission pursuant to this section in terminating the tax 31236
adjustment or requiring repayment of the amount of tax reduced 31237
shall be subject to Chapter 119. of the Revised Code. 31238

(F) As used in this section, "major capital improvement 31239
project" means the renovation, reconstruction, or remodeling, 31240
costing at least six million dollars, of a race track facility, 31241
including, but not limited to, the construction of barns used 31242
exclusively for that race track facility, backstretch facilities 31243
for horsemen, paddock facilities, pari-mutuel and totalizator 31244
equipment and appurtenances to that equipment purchased by the 31245
track, new access roads, new parking areas, the complete 31246
reconstruction, reshaping, and leveling of the ~~race track~~ racine 31247
surface and appurtenances, grandstand enclosure, installation of 31248
permanent new heating or air conditioning, roof replacement, and 31249
installations of a permanent nature forming a part of the track 31250
structure. 31251

(G) The cost and expenses to which the tax reduction granted 31252
under this section applies shall be determined by generally 31253
accepted accounting principles and be verified by an audit of the 31254
permit holder's records, upon completion of the major capital 31255

improvement project, either by the racing commission or by an 31256
independent certified public accountant selected by the permit 31257
holder and approved by the commission. 31258

(H) This section and section 3769.201 of the Revised Code 31259
govern any tax reduction granted to a permit holder for the cost 31260
to the permit holder of any cleanup, repair, or improvement 31261
required as a result of damage caused by the 1997 Ohio river flood 31262
to the place, track, or enclosure for which the permit is issued. 31263

Sec. 3770.06. (A) There is hereby created the state lottery 31264
gross revenue fund, which shall be in the custody of the treasurer 31265
of state but shall not be part of the state treasury. All gross 31266
revenues received from sales of lottery tickets, fines, fees, and 31267
related proceeds shall be deposited into the fund. The treasurer 31268
of state shall invest any portion of the fund not needed for 31269
immediate use in the same manner as, and subject to all provisions 31270
of law with respect to the investment of, state funds. The 31271
treasurer of state shall disburse money from the fund on order of 31272
the director of the state lottery commission or the director's 31273
designee. All revenues of the state lottery gross revenue fund 31274
that are not paid to holders of winning lottery tickets, that are 31275
not required to meet short-term prize liabilities, that are not 31276
paid to lottery sales agents in the form of ~~agent~~ bonuses, 31277
commissions, or reimbursements, and that are not paid to financial 31278
institutions to reimburse ~~such~~ those institutions for sales agent 31279
nonsufficient funds shall be transferred to the state lottery 31280
fund, which is hereby created in the state treasury. All 31281
investment earnings of the fund shall be credited to the fund. 31282
Moneys shall be disbursed from the ~~state lottery~~ fund pursuant to 31283
vouchers approved by the director ~~of the state lottery commission~~. 31284
Total disbursements for monetary prize awards to holders of 31285
winning lottery tickets and purchases of goods and services 31286
awarded as prizes to holders of winning lottery tickets shall be 31287

of an amount equal to at least fifty per cent of the total revenue 31288
accruing from the sale of lottery tickets. 31289

(B) Pursuant to Section 6 of Article XV, Ohio Constitution, 31290
there is hereby established in the state treasury the lottery 31291
profits education fund. Whenever, in the judgment of the director 31292
of budget and management, the amount to the credit of the state 31293
lottery fund is in excess of that needed to meet the maturing 31294
obligations of the commission and as working capital for its 31295
further operations, the director shall transfer the excess to the 31296
lottery profits education fund, ~~provided that the amount to be~~ 31297
~~transferred into the lottery profits education fund shall equal no~~ 31298
~~less than thirty per cent of the total revenue accruing from the~~ 31299
~~sale of lottery tickets.~~ Investment earnings of the lottery 31300
profits education fund shall be credited to the fund. There shall 31301
also be credited to the fund any repayments of moneys loaned from 31302
the educational excellence investment fund. The lottery profits 31303
education fund shall be used solely for the support of elementary, 31304
secondary, vocational, and special education programs as 31305
determined in appropriations made by the general assembly, or as 31306
provided in applicable bond proceedings for the payment of debt 31307
service on obligations issued to pay costs of capital facilities, 31308
including those for a system of common schools throughout the 31309
state pursuant to section 2n of Article VIII, Ohio Constitution. 31310
When determining the availability of money in the lottery profits 31311
education fund, the director of budget and management may consider 31312
all balances and estimated revenues of the fund. 31313

From the amounts that the director of budget and management 31314
transfers in any fiscal year from the state lottery fund to the 31315
lottery profits education fund, the director shall transfer the 31316
initial ten million dollars of ~~such~~ those amounts from the lottery 31317
profits education fund to the school building program bond service 31318
fund created in division (Q) of section 3318.26 of the Revised 31319

Code to be pledged for the purpose of paying bond service charges 31320
as defined in division (C) of section 3318.21 of the Revised Code 31321
on one or more issuances of obligations, which obligations are 31322
issued to provide moneys for the school building program 31323
assistance fund created in section 3318.25 of the Revised Code. 31324

(C) There is hereby established in the state treasury the 31325
deferred prizes trust fund. With the approval of the director of 31326
budget and management, an amount sufficient to fund annuity prizes 31327
shall be transferred from the state lottery fund and credited to 31328
the trust fund. The treasurer of state shall credit all earnings 31329
arising from investments purchased under this division to the 31330
fund. Within sixty days after the end of each fiscal year, the 31331
director of budget and management shall certify the amount of 31332
investment earnings necessary to have been credited to the trust 31333
fund during the fiscal year just ending to provide for continued 31334
funding of deferred prizes. Any earnings credited in excess of 31335
this certified amount shall be transferred to the lottery profits 31336
education fund. To provide all or a part of the amounts necessary 31337
to fund deferred prizes awarded by the commission, the treasurer 31338
of state, in consultation with the commission, may invest moneys 31339
contained in the deferred prizes trust fund in obligations of the 31340
type permitted for the investment of state funds but whose 31341
maturities are thirty years or less. Investments of the deferred 31342
prizes trust fund are not subject to the provisions of division 31343
(A)(10) of section 135.143 of the Revised Code limiting to five 31344
per cent the amount of the state's total average portfolio that 31345
may be invested in debt interests and limiting to one-half of one 31346
per cent the amount that may be invested in debt interests of a 31347
single issuer. 31348

All purchases made under this division shall be effected on a 31349
delivery versus payment method and shall be in the custody of the 31350
treasurer of state. 31351

The treasurer of state may retain an investment advisor, if 31352
necessary. The commission shall pay any costs incurred by the 31353
treasurer of state in retaining an investment advisor. 31354

(D) The auditor of state shall conduct annual audits of all 31355
funds and ~~such~~ any other audits as the auditor of state or the 31356
general assembly considers necessary. The auditor of state may 31357
examine all records, files, and other documents of the commission, 31358
and ~~such~~ records of lottery sales agents ~~as~~ that pertain to their 31359
