Code to create the statewide emergency alert 2  
program to aid in the identification and location 3  
of abducted children, to establish activation 4  
criteria for the implementation of the program, to 5  
create the AMBER Alert Advisory Committee, and to 6  
declare an emergency. 7

**BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:**

**Section 1.** That sections 5502.52 and 5502.521 of the Revised 8  
Code be enacted to read as follows: 9

**Sec. 5502.52.** (A) There is hereby created the statewide 10  
emergency alert program to aid in the identification and location 11  
of children who are under eighteen years of age, who are abducted, 12  
and whose abduction, as determined by a law enforcement agency, 13

poses a credible threat of immediate danger of serious bodily harm  
or death to a child. The program shall be a coordinated effort  
among the governor's office, the department of public safety, the  
attorney general, law enforcement agencies, the state's public and  
commercial television and radio broadcasters, and others as deemed  
necessary by the governor.

14  
15  
16  
17  
18  
19

(B) The statewide emergency alert program shall not be  
implemented unless all of the following activation criteria are  
met:

20  
21  
22

(1) The local investigating law enforcement agency confirms  
that an abduction has occurred.

23  
24

(2) An abducted child is under eighteen years of age.

25

(3) The abduction poses a credible threat of immediate danger  
of serious bodily harm or death to a child.

26  
27

(4) A law enforcement agency determines that the child is not  
a runaway and has not been abducted as a result of a child custody  
dispute, unless the dispute poses a credible threat of immediate  
danger of serious bodily harm or death to the child.

28  
29  
30  
31

(5) There is sufficient descriptive information about the  
child, the abductor, and the circumstances surrounding the  
abduction to indicate that activation of the alert will help  
locate the child.

32  
33  
34  
35

(C) Nothing in division (B) of this section prevents the  
activation of a local or regional emergency alert program that may  
impose different criteria for the activation of a local or  
regional plan.

36  
37  
38  
39

(D) As used in this section:

40

(1) "Abducted child" means a child for whom there is credible  
evidence to believe that the child has been abducted in violation  
of section 2905.01, 2905.02, 2905.03, or 2905.05 of the Revised
