BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 5502.52 and 5502.521 of the Revised Code be enacted to read as follows: 8
9

Sec. 5502.52. (A) There is hereby created the statewide emergency alert program to aid in the identification and location of children who are under eighteen years of age, who are abducted, and whose abduction, as determined by a law enforcement agency, poses a credible threat of immediate danger of serious bodily harm or death to a child. The program shall be a coordinated effort among the governor's office, the department of public safety, the attorney general, law enforcement agencies, the state's public and commercial television and radio broadcasters, and others as deemed necessary by the governor.

(B) The statewide emergency alert program shall not be implemented unless all of the following activation criteria are met:

(1) The local investigating law enforcement agency confirms that an abduction has occurred.

(2) An abducted child is under eighteen years of age.

(3) The abduction poses a credible threat of immediate danger of serious bodily harm or death to a child.

(4) A law enforcement agency determines that the child is not a runaway and has not been abducted as a result of a child custody dispute, unless the dispute poses a credible threat of immediate danger of serious bodily harm or death to the child.

(5) There is sufficient descriptive information about the child, the abductor, and the circumstances surrounding the abduction to indicate that activation of the alert will help locate the child.

(C) Nothing in division (B) of this section prevents the activation of a local or regional emergency alert program that may impose different criteria for the activation of a local or regional plan.

(D) As used in this section: 40

(1) "Abducted child" means a child for whom there is credible evidence to believe that the child has been abducted in violation of section 2905.01, 2905.02, 2905.03, or 2905.05 of the Revised Code. 41
