32014
32015

tax commissioner, by journal entry, may extend the times for 32016
delivery of the duplicate for an additional fifteen days upon 32017
receiving a written application from the county auditor regarding 32018
an extension for the delivery of the duplicate, or from the county 32019
treasurer regarding an extension of the time for the billing and 32020
collection of taxes. The application shall contain a statement 32021
describing the emergency that will cause the unavoidable delay and 32022
must be received by the tax commissioner on or before the last day 32023
of the month preceding the day delivery of the duplicate is 32024
otherwise required. When an extension is granted for delivery of 32025
the duplicate, the time period for payment of taxes shall be 32026
extended for a like period of time. When a delay in the closing of 32027
a tax collection period becomes unavoidable, the tax commissioner, 32028
upon application by the county auditor and county treasurer, may 32029
order the time for payment of taxes to be extended if the tax 32030
commissioner determines that penalties have accrued or would 32031
otherwise accrue for reasons beyond the control of the taxpayers 32032
of the county. The order shall prescribe the final extended date 32033
for payment of taxes for that collection period. 32034

(4) After January 1, 1999, the owner of a manufactured or 32035
mobile home taxed pursuant to division (D)(1) of this section may 32036
elect to have the home taxed pursuant to division (D)(2) of this 32037
section by filing a written request with the county auditor of the 32038
taxing district in which the home is located on or before the 32039
first day of December of any year. Upon the filing of the request, 32040
the county auditor shall determine whether all taxes levied under 32041
division (D)(1) of this section have been paid, and if those taxes 32042
have been paid, the county auditor shall tax the manufactured or 32043
mobile home pursuant to division (D)(2) of this section commencing 32044
in the next tax year. 32045

(5) A manufactured or mobile home that acquired situs in this 32046
state prior to January 1, 2000, shall be taxed pursuant to 32047

division (D)(2) of this section if no manufactured home tax had 32048
been paid for the home and the home was not exempted from taxation 32049
pursuant to division (E) of this section for the year for which 32050
the taxes were not paid. 32051

(6)(a) Immediately upon receipt of any manufactured home tax 32052
duplicate from the county auditor, but not less than twenty days 32053
prior to the last date on which the first one-half taxes may be 32054
paid without penalty as prescribed in division (F) of this 32055
section, the county treasurer shall cause to be prepared and 32056
mailed or delivered to each person charged on that duplicate with 32057
taxes, or to an agent designated by such person, the tax bill 32058
prescribed by the tax commissioner under division (D)(7) of this 32059
section. When taxes are paid by installments, the county treasurer 32060
shall mail or deliver to each person charged on such duplicate or 32061
the agent designated by such person a second tax bill showing the 32062
amount due at the time of the second tax collection. The second 32063
half tax bill shall be mailed or delivered at least twenty days 32064
prior to the close of the second half tax collection period. A 32065
change in the mailing address of any tax bill shall be made in 32066
writing to the county treasurer. Failure to receive a bill 32067
required by this section does not excuse failure or delay to pay 32068
any taxes shown on the bill or, except as provided in division 32069
~~(A)~~(B)(1) of section 5715.39 of the Revised Code, avoid any 32070
penalty, interest, or charge for such delay. 32071

(b) After delivery of the copy of the delinquent manufactured 32072
home tax list under division (H) of this section, the county 32073
treasurer may prepare and mail to each person in whose name a home 32074
is listed an additional tax bill showing the total amount of 32075
delinquent taxes charged against the home as shown on the list. 32076
The tax bill shall include a notice that the interest charge 32077
prescribed by division (G) of this section has begun to accrue. 32078

(7) Each tax bill prepared and mailed or delivered under 32079

division (D)(6) of this section shall be in the form and contain 32080
the information required by the tax commissioner. The commissioner 32081
may prescribe different forms for each county and may authorize 32082
the county auditor to make up tax bills and tax receipts to be 32083
used by the county treasurer. The tax bill shall not contain or be 32084
mailed or delivered with any information or material that is not 32085
required by this section or that is not authorized by section 32086
321.45 of the Revised Code or by the tax commissioner. In addition 32087
to the information required by the commissioner, each tax bill 32088
shall contain the following information: 32089

(a) The taxes levied and the taxes charged and payable 32090
against the manufactured or mobile home; 32091

(b) The following notice: "Notice: If the taxes are not paid 32092
within sixty days after the county auditor delivers the delinquent 32093
manufactured home tax list to the county treasurer, you and your 32094
home may be subject to collection proceedings for tax 32095
delinquency." Failure to provide such notice has no effect upon 32096
the validity of any tax judgment to which a home may be subjected. 32097

(c) In the case of manufactured or mobile homes taxed under 32098
division (D)(2) of this section, the following additional 32099
information: 32100

(i) The effective tax rate. The words "effective tax rate" 32101
shall appear in boldface type. 32102

(ii) The following notice: "Notice: If the taxes charged 32103
against this home have been reduced by the 2-1/2 per cent tax 32104
reduction for residences occupied by the owner but the home is not 32105
a residence occupied by the owner, the owner must notify the 32106
county auditor's office not later than March 31 of the year for 32107
which the taxes are due. Failure to do so may result in the owner 32108
being convicted of a fourth degree misdemeanor, which is 32109
punishable by imprisonment up to 30 days, a fine up to \$250, or 32110

both, and in the owner having to repay the amount by which the 32111
taxes were erroneously or illegally reduced, plus any interest 32112
that may apply. 32113

If the taxes charged against this home have not been reduced 32114
by the 2-1/2 per cent tax reduction and the home is a residence 32115
occupied by the owner, the home may qualify for the tax reduction. 32116
To obtain an application for the tax reduction or further 32117
information, the owner may contact the county auditor's office at 32118
..... (insert the address and telephone number of the county 32119
auditor's office)." 32120

or before the thirty-first day of January in that year, or on or 32175
before the last day for such payment as extended pursuant to 32176
section 4503.063 of the Revised Code, a penalty of ten per cent 32177
shall be charged against the unpaid balance of such half of the 32178
current taxes. If the total amount of all such taxes is not paid 32179
on or before the thirty-first day of July, next thereafter, or on 32180
or before the last day for such payment as extended pursuant to 32181
section 4503.063 of the Revised Code, a like penalty shall be 32182
charged on the balance of the total amount of such unpaid current 32183
taxes. 32184

(2)(a) On the first day of the month following the last day 32185
the second installment of taxes may be paid without penalty 32186
beginning in 2000, interest shall be charged against and computed 32187
on all delinquent taxes other than the current taxes that became 32188
delinquent taxes at the close of the last day such second 32189
installment could be paid without penalty. The charge shall be for 32190
interest that accrued during the period that began on the 32191
preceding first day of December and ended on the last day of the 32192
month that included the last date such second installment could be 32193
paid without penalty. The interest shall be computed at the rate 32194
per annum prescribed by section 5703.47 of the Revised Code and 32195
shall be entered as a separate item on the delinquent manufactured 32196
home tax list compiled under division (H) of this section. 32197

(b) On the first day of December beginning in 2000, the 32198
interest shall be charged against and computed on all delinquent 32199
taxes. The charge shall be for interest that accrued during the 32200
period that began on the first day of the month following the last 32201
date prescribed for the payment of the second installment of taxes 32202
in the current year and ended on the immediately preceding last 32203
day of November. The interest shall be computed at the rate per 32204

annum prescribed by section 5703.47 of the Revised Code and shall 32205
be entered as a separate item on the delinquent manufactured home 32206
tax list. 32207

(c) After a valid undertaking has been entered into for the 32208
payment of any delinquent taxes, no interest shall be charged 32209
against such delinquent taxes while the undertaking remains in 32210
effect in compliance with section 323.31 of the Revised Code. If a 32211
valid undertaking becomes void, interest shall be charged against 32212
the delinquent taxes for the periods that interest was not 32213
permitted to be charged while the undertaking was in effect. The 32214
interest shall be charged on the day the undertaking becomes void 32215
and shall equal the amount of interest that would have been 32216
charged against the unpaid delinquent taxes outstanding on the 32217
dates on which interest would have been charged thereon under 32218
divisions (G)(1) and (2) of this section had the undertaking not 32219
been in effect. 32220

(3) If the full amount of the taxes due at either of the 32221
times prescribed by division (F) of this section is paid within 32222
ten days after such time, the county treasurer shall waive the 32223
collection of and the county auditor shall remit one-half of the 32224
penalty provided for in this division for failure to make that 32225
payment by the prescribed time. 32226

(4) The treasurer shall compile and deliver to the county 32227
auditor a list of all tax payments the treasurer has received as 32228
provided in division (G)(3) of this section. The list shall 32229
include any information required by the auditor for the remission 32230
of the penalties waived by the treasurer. The taxes so collected 32231
shall be included in the settlement next succeeding the settlement 32232
then in process. 32233

(H)(1) Beginning in 2000, the county auditor shall compile 32234
annually a "delinquent manufactured home tax list" consisting of 32235
homes the county treasurer's records indicate have taxes that were 32236

not paid within the time prescribed by divisions (D)(3) and (F) of 32237
this section, have taxes that remain unpaid from prior years, or 32238
have unpaid tax penalties or interest that have been assessed. 32239

(2) Within thirty days after the settlement under division 32240
(H)(2) of section 321.24 of the Revised Code beginning in 2000, 32241
the county auditor shall deliver a copy of the delinquent 32242
manufactured home tax list to the county treasurer. The auditor 32243
shall update and publish the delinquent manufactured home tax list 32244
annually in the same manner as delinquent real property tax lists 32245
are published. The county auditor shall apportion the cost of 32246
publishing the list among taxing districts in proportion to the 32247
amount of delinquent manufactured home taxes so published that 32248
each taxing district is entitled to receive upon collection of 32249
those taxes. 32250

(3) When taxes, penalties, or interest are charged against a 32251
person on the delinquent manufactured home tax list and are not 32252
paid within sixty days after the list is delivered to the county 32253
treasurer, the county treasurer shall, in addition to any other 32254
remedy provided by law for the collection of taxes, penalties, and 32255
interest, enforce collection of such taxes, penalties, and 32256
interest by civil action in the name of the treasurer against the 32257
owner for the recovery of the unpaid taxes following the 32258
procedures for the recovery of delinquent real property taxes in 32259
sections 323.25 to 323.28 of the Revised Code. The action may be 32260
brought in municipal or county court, provided the amount charged 32261
does not exceed the monetary limitations for original jurisdiction 32262
for civil actions in those courts. 32263

It is sufficient, having made proper parties to the suit, for 32264
the treasurer to allege in the treasurer's bill of particulars or 32265
petition that the taxes stand chargeable on the books of the 32266
county treasurer against such person, that they are due and 32267
unpaid, and that such person is indebted in the amount of taxes 32268

appearing to be due the county. The treasurer need not set forth 32269
any other matter relating thereto. If it is found on the trial of 32270
the action that the person is indebted to the state, judgment 32271
shall be rendered in favor of the treasurer prosecuting the 32272
action. The judgment debtor is not entitled to the benefit of any 32273
law for stay of execution or exemption of property from levy or 32274
sale on execution in the enforcement of the judgment. 32275

(I) The total amount of taxes collected shall be distributed 32276
in the following manner: four per cent shall be allowed as 32277
compensation to the county auditor for the county auditor's 32278
service in assessing the taxes; two per cent shall be allowed as 32279
compensation to the county treasurer for the services the county 32280
treasurer renders as a result of the tax levied by this section. 32281
Such amounts shall be paid into the county treasury, to the credit 32282
of the county general revenue fund, on the warrant of the county 32283
auditor. Fees to be paid to the credit of the real estate 32284
assessment fund shall be collected pursuant to division (B) of 32285
section 319.54 of the Revised Code and paid into the county 32286
treasury, on the warrant of the county auditor. The balance of the 32287
taxes collected shall be distributed among the taxing subdivisions 32288
of the county in which the taxes are collected and paid in the 32289
same ratio as those taxes were collected for the benefit of the 32290
taxing subdivision. The taxes levied and revenues collected under 32291
this section shall be in lieu of any general property tax and any 32292
tax levied with respect to the privilege of using or occupying a 32293
manufactured or mobile home in Ohio except as provided in sections 32294
4503.04 and 5741.02 of the Revised Code. 32295

(J) An agreement to purchase or a bill of sale for a 32296
manufactured home shall show whether or not the furnishings and 32297
equipment are included in the purchase price. 32298

(K) If the county treasurer and the county prosecuting 32299
attorney agree that an item charged on the delinquent manufactured 32300

home tax list is uncollectible, they shall certify that 32301
determination and the reasons to the county board of revision. If 32302
the board determines the amount is uncollectible, it shall certify 32303
its determination to the county auditor, who shall strike the item 32304
from the list. 32305

(L)(1) The county auditor shall appraise at its true value 32306
any manufactured or mobile home in which ownership is transferred 32307
or which first acquires situs in this state on or after January 1, 32308
2000, and any manufactured or mobile home the owner of which has 32309
elected, under division (D)(4) of this section, to have the home 32310
taxed under division (D)(2) of this section. The true value shall 32311
include the value of the home, any additions, and any fixtures, 32312
but not any furnishings in the home. In determining the true value 32313
of a manufactured or mobile home, the auditor shall consider all 32314
facts and circumstances relating to the value of the home, 32315
including its age, its capacity to function as a residence, any 32316
obsolete characteristics, and other factors that may tend to prove 32317
its true value. 32318

(2)(a) If a manufactured or mobile home has been the subject 32319
of an arm's length sale between a willing seller and a willing 32320
buyer within a reasonable length of time prior to the 32321
determination of true value, the auditor shall consider the sale 32322
price of the home to be the true value for taxation purposes. 32323

(b) The sale price in an arm's length transaction between a 32324
willing seller and a willing buyer shall not be considered the 32325
true value of the home if either of the following occurred after 32326
the sale: 32327

(i) The home has lost value due to a casualty; 32328

(ii) An addition or fixture has been added to the home. 32329

(3) The auditor shall have each home viewed and appraised at 32330
least once in each six-year period in the same year in which real 32331

property in the county is appraised pursuant to Chapter 5713. of 32332
the Revised Code, and shall update the appraised values in the 32333
third calendar year following the appraisal. The person viewing or 32334
appraising a home may enter the home to determine by actual view 32335
any additions or fixtures that have been added since the last 32336
appraisal. In conducting the appraisals and establishing the true 32337
value, the auditor shall follow the procedures set forth for 32338
appraising real property in sections 5713.01 and 5713.03 of the 32339
Revised Code. 32340

(4) The auditor shall place the true value of each home on 32341
the manufactured home tax list upon completion of an appraisal. 32342

(5)(a) If the auditor changes the true value of a home, the 32343
auditor shall notify the owner of the home in writing, delivered 32344
by mail or in person. The notice shall be given at least thirty 32345
days prior to the issuance of any tax bill that reflects the 32346
change. Failure to receive the notice does not invalidate any 32347
proceeding under this section. 32348

(b) Any owner of a home or any other person or party listed 32349
in division (A)(1) of section 5715.19 of the Revised Code may file 32350
a complaint against the true value of the home as appraised under 32351
this section. The complaint shall be filed with the county auditor 32352
on or before the thirty-first day of March of the current tax year 32353
or the date of closing of the collection for the first half of 32354
manufactured home taxes for the current tax year, whichever is 32355
later. The auditor shall present to the county board of revision 32356
all complaints filed with the auditor under this section. The 32357
board shall hear and investigate the complaint and may take action 32358
on it as provided under sections 5715.11 to 5715.19 of the Revised 32359
Code. 32360

(c) If the county board of revision determines, pursuant to a 32361
complaint against the valuation of a manufactured or mobile home 32362
filed under this section, that the amount of taxes, assessments, 32363

or other charges paid was in excess of the amount due based on the 32364
valuation as finally determined, then the overpayment shall be 32365
refunded in the manner prescribed in section 5715.22 of the 32366
Revised Code. 32367

(d) Payment of all or part of a tax under this section for 32368
any year for which a complaint is pending before the county board 32369
of revision does not abate the complaint or in any way affect the 32370
hearing and determination thereof. 32371

(M) If the county auditor determines that any tax, 32372
assessment, charge, or any part thereof has been erroneously 32373
charged as a result of a clerical error as defined in section 32374
319.35 of the Revised Code, the county treasurer and the county 32375
board of revision shall remove the erroneous charges on the 32376
manufactured home tax list or delinquent manufactured home tax 32377
list, and refund any erroneous charges that have been collected, 32378
with interest, in the same manner as is prescribed in section 32379
319.36 of the Revised Code for erroneous charges against real 32380
property. 32381

(N) As used in this section and section 4503.061 of the 32382
Revised Code: 32383

(1) "Manufactured home taxes" includes taxes, penalties, and 32384
interest charged under division (C) or (G) of this section and any 32385
penalties charged under division (G) or (H)(5) of section 4503.061 32386
of the Revised Code. 32387

(2) "Current taxes" means all manufactured home taxes charged 32388
against a manufactured or mobile home that have not appeared on 32389
the manufactured home tax list for any prior year. Current taxes 32390
become delinquent taxes if they remain unpaid after the last day 32391
prescribed for payment of the second installment of current taxes 32392
without penalty, whether or not they have been certified 32393
delinquent. 32394

(3) "Delinquent taxes" means:	32395
(a) Any manufactured home taxes that were charged against a manufactured or mobile home for a prior year, including any penalties or interest charged for a prior year, and that remain unpaid;	32396 32397 32398 32399
(b) Any current manufactured home taxes charged against a manufactured or mobile home that remain unpaid after the last day prescribed for payment of the second installment of current taxes without penalty, whether or not they have been certified delinquent, including any penalties or interest.	32400 32401 32402 32403 32404
Sec. 4505.06. (A)(1) Application for a certificate of title shall be made in a form prescribed by the registrar of motor vehicles and shall be sworn to before a notary public or other officer empowered to administer oaths. The application shall be filed with the clerk of any court of common pleas. An application for a certificate of title may be filed electronically by any electronic means approved by the registrar in any county with the clerk of the court of common pleas of that county. Any payments required by this chapter shall be considered as accompanying any electronically transmitted application when payment actually is received by the clerk. Payment of any fee or taxes may be made by electronic transfer of funds.	32405 32406 32407 32408 32409 32410 32411 32412 32413 32414 32415 32416
(2) The application for a certificate of title shall be accompanied by the fee prescribed in section 4505.09 of the Revised Code. The fee shall be retained by the clerk who issues the certificate of title and shall be distributed in accordance with that section. If a clerk of a court of common pleas, other than the clerk of the court of common pleas of an applicant's county of residence, issues a certificate of title to the applicant, the clerk shall transmit data related to the transaction to the automated title processing system.	32417 32418 32419 32420 32421 32422 32423 32424 32425

(3) If a certificate of title previously has been issued for 32426
a motor vehicle in this state, the application for a certificate 32427
of title also shall be accompanied by that certificate of title 32428
duly assigned, unless otherwise provided in this chapter. If a 32429
certificate of title previously has not been issued for the motor 32430
vehicle in this state, the application, unless otherwise provided 32431
in this chapter, shall be accompanied by a manufacturer's or 32432
importer's certificate or by a certificate of title of another 32433
state from which the motor vehicle was brought into this state. If 32434
the application refers to a motor vehicle last previously 32435
registered in another state, the application also shall be 32436
accompanied by the physical inspection certificate required by 32437
section 4505.061 of the Revised Code. If the application is made 32438
by two persons regarding a motor vehicle in which they wish to 32439
establish joint ownership with right of survivorship, they may do 32440
so as provided in section 2131.12 of the Revised Code. If the 32441
applicant requests a designation of the motor vehicle in 32442
beneficiary form so that upon the death of the owner of the motor 32443
vehicle, ownership of the motor vehicle will pass to a designated 32444
transfer-on-death beneficiary or beneficiaries, the applicant may 32445
do so as provided in section 2131.13 of the Revised Code. A person 32446
who establishes ownership of a motor vehicle that is transferable 32447
on death in accordance with section 2131.13 of the Revised Code 32448
may terminate that type of ownership or change the designation of 32449
the transfer-on-death beneficiary or beneficiaries by applying for 32450
a certificate of title pursuant to this section. The clerk shall 32451
retain the evidence of title presented by the applicant and on 32452
which the certificate of title is issued, except that, if an 32453
application for a certificate of title is filed electronically by 32454
an electronic motor vehicle dealer on behalf of the purchaser of a 32455
motor vehicle, the clerk shall retain the completed electronic 32456
record to which the dealer converted the certificate of title 32457
application and other required documents. The electronic motor 32458

vehicle dealer shall forward the actual application and all other 32459
documents relating to the sale of the motor vehicle to any clerk 32460
within thirty days after the certificate of title is issued. The 32461
registrar, after consultation with the attorney general, shall 32462
adopt rules that govern the location at which, and the manner in 32463
which, are stored the actual application and all other documents 32464
relating to the sale of a motor vehicle when an electronic motor 32465
vehicle dealer files the application for a certificate of title 32466
electronically on behalf of the purchaser. 32467

The clerk shall use reasonable diligence in ascertaining 32468
whether or not the facts in the application for a certificate of 32469
title are true by checking the application and documents 32470
accompanying it or the electronic record to which a dealer 32471
converted the application and accompanying documents with the 32472
records of motor vehicles in the clerk's office. If the clerk is 32473
satisfied that the applicant is the owner of the motor vehicle and 32474
that the application is in the proper form, the clerk, within five 32475
business days after the application is filed, shall issue a 32476
physical certificate of title over the clerk's signature and 32477
sealed with the clerk's seal unless the applicant specifically 32478
requests the clerk not to issue a physical certificate of title 32479
and instead to issue an electronic certificate of title. For 32480
purposes of the transfer of a certificate of title, if the clerk 32481
is satisfied that the secured party has duly discharged a lien 32482
notation but has not canceled the lien notation with a clerk, the 32483
clerk may cancel the lien notation on the automated title 32484
processing system and notify the clerk of the county of origin. 32485

(4) In the case of the sale of a motor vehicle to a general 32486
buyer or user by a dealer, by a motor vehicle leasing dealer 32487
selling the motor vehicle to the lessee or, in a case in which the 32488
leasing dealer subleased the motor vehicle, the sublessee, at the 32489
end of the lease agreement or sublease agreement, or by a 32490

manufactured home broker, the certificate of title shall be 32491
obtained in the name of the buyer by the dealer, leasing dealer, 32492
or manufactured home broker, as the case may be, upon application 32493
signed by the buyer. The certificate of title shall be issued, or 32494
the process of entering the certificate of title application 32495
information into the automated title processing system if a 32496
physical certificate of title is not to be issued shall be 32497
completed, within five business days after the application for 32498
title is filed with the clerk. If the buyer of the motor vehicle 32499
previously leased the motor vehicle and is buying the motor 32500
vehicle at the end of the lease pursuant to that lease, the 32501
certificate of title shall be obtained in the name of the buyer by 32502
the motor vehicle leasing dealer who previously leased the motor 32503
vehicle to the buyer or by the motor vehicle leasing dealer who 32504
subleased the motor vehicle to the buyer under a sublease 32505
agreement. 32506

In all other cases, except as provided in section 4505.032 32507
and division (D)(2) of section 4505.11 of the Revised Code, such 32508
certificates shall be obtained by the buyer. 32509

(5)(a)(i) If the certificate of title is being obtained in 32510
the name of the buyer by a motor vehicle dealer or motor vehicle 32511
leasing dealer and there is a security interest to be noted on the 32512
certificate of title, the dealer or leasing dealer shall submit 32513
the application for the certificate of title and payment of the 32514
applicable tax to a clerk within seven business days after the 32515
later of the delivery of the motor vehicle to the buyer or the 32516
date the dealer or leasing dealer obtains the manufacturer's or 32517
importer's certificate, or certificate of title issued in the name 32518
of the dealer or leasing dealer, for the motor vehicle. Submission 32519
of the application for the certificate of title and payment of the 32520
applicable tax within the required seven business days may be 32521
indicated by postmark or receipt by a clerk within that period. 32522

(ii) Upon receipt of the certificate of title with the security interest noted on its face, the dealer or leasing dealer shall forward the certificate of title to the secured party at the location noted in the financing documents or otherwise specified by the secured party.

(iii) A motor vehicle dealer or motor vehicle leasing dealer is liable to a secured party for a late fee of ten dollars per day for each certificate of title application and payment of the applicable tax that is submitted to a clerk more than seven business days but less than twenty-one days after the later of the delivery of the motor vehicle to the buyer or the date the dealer or leasing dealer obtains the manufacturer's or importer's certificate, or certificate of title issued in the name of the dealer or leasing dealer, for the motor vehicle and, from then on, twenty-five dollars per day until the application and applicable tax are submitted to a clerk.

(b) In all cases of transfer of a motor vehicle, the application for certificate of title shall be filed within thirty days after the assignment or delivery of the motor vehicle. If an application for a certificate of title is not filed within the period specified in division (A)(5)(b) of this section, the clerk shall collect a fee of five dollars for the issuance of the certificate, except that no such fee shall be required from a motor vehicle salvage dealer, as defined in division (A) of section 4738.01 of the Revised Code, who immediately surrenders the certificate of title for cancellation. The fee shall be in addition to all other fees established by this chapter, and shall be retained by the clerk. The registrar shall provide, on the certificate of title form prescribed by section 4505.07 of the Revised Code, language necessary to give evidence of the date on which the assignment or delivery of the motor vehicle was made.

(6) As used in division (A) of this section, "lease

agreement," "lessee," and "sublease agreement" have the same 32555
meanings as in section 4505.04 of the Revised Code. 32556

(B) The clerk, except as provided in this section, shall 32557
refuse to accept for filing any application for a certificate of 32558
title and shall refuse to issue a certificate of title unless the 32559
dealer or manufactured home broker or the applicant, in cases in 32560
which the certificate shall be obtained by the buyer, submits with 32561
the application payment of the tax levied by or pursuant to 32562
Chapters 5739. and 5741. of the Revised Code based on the 32563
purchaser's county of residence. Upon payment of the tax in 32564
accordance with division (E) of this section, the clerk shall 32565
issue a receipt prescribed by the registrar and agreed upon by the 32566
tax commissioner showing payment of the tax or a receipt issued by 32567
the commissioner showing the payment of the tax. When submitting 32568
payment of the tax to the clerk, a dealer shall retain any 32569
discount to which the dealer is entitled under section 5739.12 of 32570
the Revised Code. 32571

For receiving and disbursing such taxes paid to the clerk by 32572
a resident of the clerk's county, the clerk may retain a poundage 32573
fee of one and one one-hundredth per cent, and the clerk shall pay 32574
the poundage fee into the certificate of title administration fund 32575
created by section 325.33 of the Revised Code. The clerk shall not 32576
retain a poundage fee from payments of taxes by persons who do not 32577
reside in the clerk's county. 32578

A clerk, however, may retain from the taxes paid to the clerk 32579
an amount equal to the poundage fees associated with certificates 32580
of title issued by other clerks of courts of common pleas to 32581
applicants who reside in the first clerk's county. The registrar, 32582
in consultation with the tax commissioner and the clerks of the 32583
courts of common pleas, shall develop a report from the automated 32584
title processing system that informs each clerk of the amount of 32585
the poundage fees that the clerk is permitted to retain from those 32586

taxes because of certificates of title issued by the clerks of 32587
other counties to applicants who reside in the first clerk's 32588
county. 32589

In the case of casual sales of motor vehicles, as defined in 32590
section 4517.01 of the Revised Code, the price for the purpose of 32591
determining the tax shall be the purchase price on the assigned 32592
certificate of title executed by the seller and filed with the 32593
clerk by the buyer on a form to be prescribed by the registrar, 32594

the clerk's deputies in the performance of the clerk's duties 32607
created by this chapter. 32608

The registrar shall prescribe an affidavit in which the 32609
transferor shall swear to the true selling price and, except as 32610

subchapter IV of the "Motor Vehicle Information and Cost Savings 32617

Upon payment of the tax in accordance with division (E) of this section, the clerk shall issue a receipt prescribed by the registrar and agreed upon by the tax commissioner, showing payment of the tax.

For receiving and disbursing such taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those

taxes because of certificates of title issued by the clerks of 32651
other counties to applicants who reside in the first clerk's 32652
county. 32653

When the vendor is not regularly engaged in the business of 32654
selling motor vehicles, the vendor shall not be required to 32655
purchase a vendor's license or make reports concerning those 32656
sales. 32657

(E) The clerk shall accept any payment of a tax in cash, or 32658
by cashier's check, certified check, draft, money order, or teller 32659

accept payment of the tax by corporate, business, or personal 32663
check, credit card, electronic transfer or wire transfer, debit 32664
card, or any other accepted form of payment made payable to the 32665
clerk. The clerk may require bonds, guarantees, or letters of 32666
credit to ensure the collection of corporate, business, or 32667
personal checks. Any service fee charged by a third party to a 32668
clerk for the use of any form of payment may be paid by the clerk 32669
from the certificate of title administration fund created in 32670
section 325.33 of the Revised Code, or may be assessed by the 32671
clerk upon the applicant as an additional fee. Upon collection, 32672
the additional fees shall be paid by the clerk into that 32673
certificate of title administration fund. 32674

The clerk shall make a good faith effort to collect any 32675
payment of taxes due but not made because the payment was returned 32676
or dishonored, but the clerk is not personally liable for the 32677
payment of uncollected taxes or uncollected fees. The clerk shall 32678
notify the tax commissioner of any such payment of taxes that is 32679
due but not made and shall furnish the information to the 32680
commissioner that the commissioner requires. The clerk shall 32681
deduct the amount of taxes due but not paid from the clerk's 32682

periodic remittance of tax payments, in accordance with procedures 32683
agreed upon by the tax commissioner. The commissioner may collect 32684
taxes due by assessment in the manner provided in section 5739.13 32685
of the Revised Code. 32686

Any person who presents payment that is returned or 32687
dishonored for any reason is liable to the clerk for payment of a 32688
penalty over and above the amount of the taxes due. The clerk 32689
shall determine the amount of the penalty, and the penalty shall 32690
be no greater than that amount necessary to compensate the clerk 32691
for banking charges, legal fees, or other expenses incurred by the 32692
clerk in collecting the returned or dishonored payment. The 32693
remedies and procedures provided in this section are in addition 32694
to any other available civil or criminal remedies. Subsequently 32695
collected penalties, poundage fees, and title fees, less any title 32696
fee due the state, from returned or dishonored payments collected 32697
by the clerk shall be paid into the certificate of title 32698

licensees shall pay the fees and comply with the license renewal 32943
deadlines and procedures established in this section. 32944

(B) The fee for each auctioneer's, apprentice auctioneer's, 32945

Revised Code until such time as the person's license is renewed or 32962

a new license is issued. Renewal of a license between the first 32963

person who violates this division. 32967

~~(C)~~(D) The department shall prepare and deliver to each 32968

department shall issue a new license for the unexpired period. Any 32979
change of business location or change or addition of names without 32980
notification to the department shall automatically cancel any 32981
license previously issued. For each new auctioneer or apprentice 32982
auctioneer license issued upon the occasion of a change in 32983
business location or a change in or an addition of names under 32984
which business is conducted, the department may collect a fee of 32985
ten dollars for each change in location, or name or each added 32986

with the renewal application. 32988

(B) of section 4707.25 of the Revised Code, sections 4707.25 to 32990

(a) The telephone company received the credit for the 34715
telephone network portion of the basic 9-1-1 system now proposed 34716
to be upgraded; and 34717

(b) At the time the final plan or agreement pursuant to 34718
section 4931.48 of the Revised Code calling for the basic 9-1-1 34719

providing the telephone network portion of an enhanced 9-1-1 34722
system within the territory proposed to be upgraded, as determined 34723

the network in accordance with the terms, conditions, 34732
requirements, and specifications of the final plan or pursuant to 34733
section 4931.48 of the Revised Code, shall be paid by the 34734
municipal corporations and townships with any territory in the 34735
area in which such upgrade from basic to enhanced 9-1-1 service is 34736
made. 34737

(D) Where customer premises equipment for a public safety 34738
answering point is supplied by a telephone company that is 34739
required to file a schedule under section 4905.30 of the Revised 34740

enhanced system within the territory served by the company and 34781
covered by the agreement. The determination shall be made solely 34782

for the purposes of division (C)(2) of section 4931.47 of the Revised Code. 34783
34784

Revised Code, the governor may appoint and commission any persons 34844

(D)(1)(a) of this section, the hospital has entered into a written 34862
agreement with the chief of police of the municipal corporation in 34863

appropriate chief of police or sheriff. 34893

(2)(a) A person who is appointed as a police officer under 34894

hospital and of its affiliates and subsidiaries that are within 34900
the territory of the municipal corporation served by the chief of 34901
police or the unincorporated area of the county served by the 34902
sheriff who signed the written agreement described in division 34903
(D)(1)(b) of this section, whichever is applicable, and anywhere 34904
else within the territory of that municipal corporation or within 34905

the person, when engaging in that activity, is directly in the 34908
discharge of ~~that~~ the person's duties as a police officer for the 34909

hospital. The authority to act as a police officer as described in 34910
this division shall be exercised in accordance with the standards 34911
and criteria set forth in the written agreement described in 34912
division (D)(1)(b) of this section. 34913

(b) Additionally, a person appointed as a police officer 34914
under division (D)(1) of this section is entitled, upon the grant 34915
of approval described in division (D)(1)(a) of this section and 34916
upon ~~that~~ the person's and the hospital's compliance with the 34917
requirements of divisions (D)(1)(b) and (c) of this section, to 34918
act as a police officer elsewhere, within the territory of a 34919
municipal corporation or within the unincorporated area of a 34920
county, if the chief of police of that municipal corporation or 34921
the sheriff of that county, respectively, has granted approval for 34922
that activity to the hospital, police department, or security 34923
department served by the person as a police officer and if the 34924
person, when engaging in that activity, is directly in the 34925
discharge of ~~that~~ the person's duties as a police officer for the 34926
hospital. The approval described in this division may be general 34927
in nature or may be limited in scope, duration, or applicability, 34928
as determined by the chief of police or sheriff granting the 34929
approval. 34930

(3) Police officers appointed under division (D)(1) of this 34931
section shall hold office for three years, unless, for good cause 34932
shown, their commission is revoked by the governor or by the 34933

of this section, "public hospital agency" and "nonprofit hospital 34935

adopt rules in accordance with section 111.15 of the Revised Code 36474
establishing reporting requirements for family services duties and 36475

rules, the director shall adopt the rules as if they were internal 36477
management rules. 36478

Sec. 5101.36. Any application for public assistance gives a 36479
right of subrogation to the department of job and family services 36480
for any workers' compensation benefits payable to a person who is 36481
subject to a support order, as defined in section 3119.01 of the 36482
Revised Code, on behalf of the applicant, to the extent of any 36483
public assistance payments made on the applicant's behalf. If the 36484
director of job and family services, in consultation with a child 36485
support enforcement agency and the administrator of the bureau of 36486
workers' compensation, determines that a person responsible for 36487
support payments to a recipient of public assistance is receiving 36488
workers' compensation, the director shall notify the administrator 36489
of the amount of the benefit to be paid to the department of job 36490
and family services. 36491

For purposes of this section, "public assistance" means 36492
medical assistance provided through the medical assistance program 36493
established under section 5111.01 of the Revised Code; Ohio works 36494
first provided under Chapter 5107. of the Revised Code; 36495

financial assistance provided under Chapter 5115. of the Revised 36498
Code; or disability medical assistance provided under Chapter 36499
5115. of the Revised Code. 36500

Sec. 5101.58. As used in this section and section 5101.59 of 36501
the Revised Code, "public assistance" means aid provided under 36502
Chapter 5111. or 5115. of the Revised Code and participation in 36503
the Ohio works first program established under Chapter 5107. of 36504
the Revised Code. 36505

The acceptance of public assistance gives a right of recovery 36506
to the department of job and family services and a county 36507
department of job and family services against the liability of a 36508
third party for the cost of medical services and care arising out 36509
of injury, disease, or disability of the public assistance 36510
recipient or participant. When an action or claim is brought 36511
against a third party by a public assistance recipient or 36512
participant, the entire amount of any settlement or compromise of 36513
the action or claim, or any court award or judgment, is subject to 36514
the recovery right of the department of job and family services or 36515
county department of job and family services. Except in the case 36516
of a recipient or participant who receives medical services or 36517
care through a managed care organization, the department's or 36518
county department's claim shall not exceed the amount of medical 36519
expenses paid by the departments on behalf of the recipient or 36520
participant. In the case of a recipient or participant who 36521
receives medical services or care through a managed care 36522
organization, the amount of the department's or county 36523
department's claim shall be the amount the managed care 36524
organization pays for medical services or care rendered to the 36525
recipient or participant, even if that amount is more than the 36526
amount the departments pay to the managed care organization for 36527

the recipient's or participant's medical services or care. Any 36528
settlement, compromise, judgment, or award that excludes the cost 36529
of medical services or care shall not preclude the departments 36530
from enforcing their rights under this section. 36531

Prior to initiating any recovery action, the recipient or 36532
participant, or the recipient's or participant's representative, 36533
shall disclose the identity of any third party against whom the 36534
recipient or participant has or may have a right of recovery. 36535
Disclosure shall be made to the department of job and family 36536
services when medical expenses have been paid pursuant to Chapter 36537
5111. or 5115. of the Revised Code. Disclosure shall be made to 36538
both the department of job and family services and the appropriate 36539
county department of job and family services when medical expenses 36540
have been paid pursuant to Chapter 5115. of the Revised Code. No 36541
settlement, compromise, judgment, or award or any recovery in any 36542
action or claim by a recipient or participant where the 36543
departments have a right of recovery shall be made final without 36544
first giving the appropriate departments notice and a reasonable 36545
opportunity to perfect their rights of recovery. If the 36546
departments are not given appropriate notice, the recipient or 36547
participant is liable to reimburse the departments for the 36548
recovery received to the extent of medical payments made by the 36549
departments. The departments shall be permitted to enforce their 36550
recovery rights against the third party even though they accepted 36551
prior payments in discharge of their rights under this section if, 36552
at the time the departments received such payments, they were not 36553
aware that additional medical expenses had been incurred but had 36554
not yet been paid by the departments. The third party becomes 36555
liable to the department of job and family services or county 36556
department of job and family services as soon as the third party 36557
is notified in writing of the valid claims for recovery under this 36558
section. 36559

The right of recovery does not apply to that portion of any judgment, award, settlement, or compromise of a claim, to the extent of attorneys' fees, costs, or other expenses incurred by a recipient or participant in securing the judgment, award, settlement, or compromise, or to the extent of medical, surgical, and hospital expenses paid by such recipient or participant from the recipient's or participant's own resources. Attorney fees and costs or other expenses in securing any recovery shall not be assessed against any claims of the departments.

To enforce their recovery rights, the departments may do any of the following:

(A) Intervene or join in any action or proceeding brought by the recipient or participant or on the recipient's or participant's behalf against any third party who may be liable for the cost of medical services and care arising out of the recipient's or participant's injury, disease, or disability;

(B) Institute and pursue legal proceedings against any third party who may be liable for the cost of medical services and care arising out of the recipient's or participant's injury, disease, or disability;

(C) Initiate legal proceedings in conjunction with the injured, diseased, or disabled recipient or participant or the recipient's or participant's legal representative.

Recovery rights created by this section may be enforced separately or jointly by the department of job and family services and the county department of job and family services.

The right of recovery given to the department under this section does not include rights to support from any other person assigned to the state under sections 5107.20 and ~~5115.13~~ 5115.07 of the Revised Code, but includes payments made by a third party under contract with a person having a duty to support.

The director of job and family services may adopt rules in accordance with Chapter 119. of the Revised Code the department considers necessary to implement this section.

Sec. 5101.59. (A) The application for or acceptance of public assistance constitutes an automatic assignment of certain rights to the department of job and family services. This assignment includes the rights of the applicant, recipient, or participant and also the rights of any other member of the assistance group for whom the applicant, recipient, or participant can legally make an assignment.

Pursuant to this section, the applicant, recipient, or participant assigns to the department any rights to medical support available to the applicant, recipient, or participant or for other members of the assistance group under an order of a court or administrative agency, and any rights to payments from any third party liable to pay for the cost of medical care and services arising out of injury, disease, or disability of the applicant, recipient, participant, or other members of the assistance group.

Medicare benefits shall not be assigned pursuant to this section. Benefits assigned to the department by operation of this section are directly reimbursable to the department by liable third parties.

(B) Refusal by the applicant, recipient, or participant to cooperate in obtaining medical support and payments for self or any other member of the assistance group renders the applicant, recipient, or participant ineligible for public assistance, unless cooperation is waived by the department. Eligibility shall continue for any individual who cannot legally assign the individual's own rights and who would have been eligible for public assistance but for the refusal to assign the individual's

rights or to cooperate as required by this section by another 36622
person legally able to assign the individual's rights. 36623

If the applicant, recipient, or participant or any member of 36624
the assistance group becomes ineligible for public assistance, the 36625
department shall restore to the applicant, recipient, participant, 36626
or member of the assistance group any future rights to benefits 36627
assigned under this section. 36628

The rights of assignment given to the department under this 36629
section do not include rights to support assigned under section 36630
5107.20 or ~~5115.13~~ 5115.07 of the Revised Code. 36631

(C) The director of job and family services may adopt rules 36632
in accordance with Chapter 119. of the Revised Code to implement 36633
this section, including rules that specify what constitutes 36634
cooperating with efforts to obtain medical support and payments 36635
and when the cooperation requirement may be waived. 36636

The court shall issue a temporary restraining order to prevent the interference or obstruction if it finds there is reasonable cause to believe that the adult is being or has been abused, neglected, or exploited and access to the person's residence has been denied or obstructed. Such a finding is prima-facie evidence that immediate and irreparable injury, loss, or damage will result, so that notice is not required. the court shall appoint counsel to represent the adult's 37003
interests. 37004

(B) If the court finds, on the basis of clear and convincing 37005

is in need of protective services, and is incapacitated, and no 37007
person authorized by law or by court order is available to give 37008
consent, it shall issue an order requiring the provision of 37009
protective services only if they are available locally. 37010

(C) If the court orders placement under this section it shall 37011
give consideration to the choice of residence of the adult. The 37012

the county department of job and family services or designated 37014
agency as meeting at least minimum community standards for safety, 37015
security, and the requirements of daily living. The court shall 37016
not order an institutional placement unless it has made a specific 37017
finding entered in the record that no less restrictive alternative 37018

can be found to meet the needs of the individual. No individual 37019
may be committed to a hospital or public hospital as defined in 37020
section 5122.01 of the Revised Code pursuant to this section. 37021

reasons to justify the transfer. Unless the court finds that an 37025
emergency exists, the court shall notify the adult of a transfer 37026
at least thirty days prior to the actual transfer. 37027

(E) A court order provided for in this section shall remain 37028
in effect for no longer than six months. Thereafter, ~~the county~~ 37029

order at any time. 37036

Sec. 5101.68. (A) If an adult has consented to the provision 37037
of protective services but any other person refuses to allow such 37038
provision, the county department of human services or designated 37039

restrain the person from interfering with the provision of 37041
protective services for the adult. 37042

(B) The petition shall state specific facts sufficient to 37043
demonstrate the need for protective services, the consent of the 37044
adult, and the refusal of some other person to allow the provision 37045
of these services. 37046

(C) Notice of the petition shall be given in language 37047
reasonably understandable to the person alleged to be interfering 37048
with the provision of services+. 37049

(D) The court shall hold a hearing on the petition within 37050
fourteen days after its filing. If the court finds that the 37051
protective services are necessary, that the adult has consented to 37052
the provisions of such services, and that the person who is the 37053
subject of the petition has prevented such provision, the court 37054
shall issue a temporary restraining order to restrain the person 37055
from interfering with the provision of protective services to the 37056
adult. 37057

Sec. 5101.69. (A) Upon petition by ~~the county department of~~ 37058

adult's consent to the protective services. 37071

the adult or, if ~~he~~ the adult has none, to ~~his~~ the adult's adult 37077
children or next of kin, and ~~his~~ the adult's guardian, if any, if 37078
~~his~~ the guardian's whereabouts are known. The notice shall be 37079

given in language reasonably understandable to its recipients at 37080
least twenty-four hours prior to the hearing provided for in this 37081
section. The court may waive the twenty-four hour notice 37082
~~requirement~~ requirement upon a showing that: 37083

(1) Immediate and irreparable physical harm to the adult or 37084
others will result from the twenty-four hour delay; and 37085

unless the court has waived the notice. The adult who is the 37097
subject of the petition shall have the right to be present at the 37098
hearing, present, evidence, and examine and cross-examine 37099
witnesses. 37100

this section unless the court specifically finds that a change of 37116
residence is necessary; 37117

(3) The court may order emergency ~~services~~ services only for 37118
fourteen days. ~~The department~~ Any person or government entity may 37119

expired, the ~~department~~ person or government entity may petition 37131
the court for an order to continue protective services that are 37132

If the evaluation establishes that the adult does not have such financial means, the services shall be provided if available locally and in accordance with the policies and procedures established by the department ~~of job and family services for the provision of welfare assistance~~ or designated agency. An adult shall not be required to pay for court-ordered protective services unless the court determines upon a showing by the department that the adult is financially able to pay and the court orders the adult to pay.

Sec. 5101.75. (A) As used in sections 5101.75, 5101.751, 5101.752, 5101.753, and 5101.754 of the Revised Code:

(2) "Medicaid" means the medical assistance program

established under Chapter 5111. of the Revised Code. 37171

(3) "Nursing facility" has the same meaning as in section 37172
5111.20 of the Revised Code. 37173

(4) "Representative" means a person acting on behalf of an 37174
applicant for admission to a nursing facility. A representative 37175

of nursing facility services and whether an alternative source of 37184
long-term care is more appropriate for the person in meeting the 37185
person's physical, mental, and psychosocial needs than admission 37186
to the facility to which the person has applied. 37187

Each assessment shall be performed by the department or an 37188
agency designated by the department under section 5101.751 of the 37189
Revised Code and shall be based on information provided by the 37190

department under division (I) of this section. Assessments may be 37201

performed only by persons certified by the department under 37202
section 5101.752 of the Revised Code. The department or designated 37203

the basis for the recommendation. If the department or designated 37208
agency determines pursuant to an assessment that an alternative 37209
source of long-term care is more appropriate for the person than 37210
admission to the facility to which the person has applied, the 37211
department or designated agency shall include in the notice 37212
possible sources of financial assistance for the alternative 37213
source of long-term care. If the department or designated agency 37214
has been informed that the person has a representative, it shall 37215
give the notice to the representative. 37216

independent living arrangement; 37230

aged exempt from taxation under section 5701.13 of the Revised 37232

Code;	37233

The department may develop and maintain a registry of persons 38983

family services shall prescribe a standard form to be used for all 39025
contracts for the purchase of publicly funded child day-care, 39026
regardless of the source of public funds used to purchase the 39027
child day-care. To the extent permitted by federal law and 39028
notwithstanding any other provision of the Revised Code that 39029
regulates state or county contracts or contracts involving the 39030
expenditure of state, county, or federal funds, all contracts for 39031

39089

(C) Unless specifically prohibited by federal law, the county department of job and family services shall give individuals eligible for publicly funded child day-care the option of obtaining certificates for payment that the individual may use to purchase services from any provider qualified to provide publicly funded child day-care under section 5104.31 of the Revised Code. Providers of publicly funded child day-care may present these certificates for payment for reimbursement in accordance with rules that the director of job and family services shall adopt. Only providers may receive reimbursement for certificates for payment. The value of the certificate for payment shall be based on the lower of the rate customarily charged by the provider or the rate of reimbursement established pursuant to section 5104.30 of the Revised Code, unless the provider provides publicly funded child day-care to caretaker parents who work nontraditional hours, in which case the value of the certificate for payment for the services to those caretaker parents shall be based on the rate of reimbursement established pursuant to that section regardless of whether that rate is higher than the rate customarily charged by 39090

the provider. The county department may provide the certificates 39109
for payment to the individuals or may contract with child day-care 39110
providers or child day-care resource and referral service 39111

funded child day-care, it may provide the funds to each county 39146
department, up to the limit of the county's allocation, by 39147

this section, nor, during the period of termination as provided in 39912
division (C) of this section, shall such provider, owner, officer, 39913
authorized agent, associate, manager, or employee receive 39914

agent, associate, manager, or employee that resulted in the 39922
conviction or entry of a judgment in a criminal or civil action 39923

this division prohibits any owner, officer, authorized agent, 39925
associate, manager, or employee of a medicaid provider from 39926
entering into a medicaid provider agreement if the person can 39927
demonstrate that the person had no knowledge of an action of the 39928
medicaid provider the person was formerly associated with that 39929
resulted in the conviction or entry of a judgment in a criminal or 39930

civil action brought pursuant to section 109.85 of the Revised Code. 39931

proceedings to enforce this section in any court of competent 39951
jurisdiction; and the attorney general may settle or compromise 39952
any case brought under this section with the approval of the 39953
department of job and family services. Notwithstanding any other 39954
provision of law providing a shorter period of limitations, the 39955
attorney general may commence a proceeding to enforce this section 39956
at any time within six years after the conduct in violation of 39957

42 C.F.R. 438 Part I. The appointment of a temporary manager does 40188
not preclude the department from imposing other sanctions 40189
available to the department against the managed care organization. 40190

The managed care organization shall pay all costs of having 40191
the temporary manager perform the temporary manager's duties, 40192

termination or any decision not to renew the managed care 40207
organization's medicaid provider agreement or the right to 40208

terminate or not to renew the contract and determines that the 40218
recipients' access to medically necessary services is jeopardized 40219
by the proposal to terminate or not to renew the contract. The 40220
disenrollment is not subject to Chapter 119. of the Revised Code, 40221
but the managed care organization may request a reconsideration of 40222
the disenrollment. Reconsiderations shall be requested and 40223

section, the director may adopt any other rules necessary to 40230
implement this section. The rules shall be adopted in accordance 40231

in a managed care organization and shall accept the reimbursement 40248

not restrict the managed care organization's ability to enter into 40251
a contract with a hospital under which the hospital is reimbursed 40252
at a rate different from the rate established under this division. 40253

(B) For the purpose of determining the amount the department 40254

against a nursing facility or intermediate care facility for the 41023
mentally retarded for breach of the provider agreement obligations 41024
or other duties imposed by section ~~5111.31~~ 5111.222 of the Revised 41025
Code. The action may be commenced by the patient, or on ~~his~~ the 41026
patient's behalf by ~~his~~ the patient's sponsor or a residents' 41027
rights advocate, as either is defined under section 3721.10 of the 41028
Revised Code, by the filing of a civil action in the court of 41029
common pleas of the county in which the facility is located, or in 41030
the court of common pleas of Franklin county. 41031

If the court finds that a breach of the provider agreement 41032
obligations imposed by section ~~5111.31~~ 5111.222 of the Revised 41033
Code has occurred, the court may enjoin the facility from engaging 41034
in the practice, order such affirmative relief as may be 41035
necessary, and award to the patient and a person or public agency 41036
that brings an action on behalf of a patient actual damages, 41037
costs, and reasonable attorney's fees. 41038

Sec. ~~5111.30~~ 5111.224. The department of job and family 41039
services shall terminate the provider agreement with an operator 41040
of a nursing facility or intermediate care facility for the 41041
mentally retarded that does not comply with the requirements of 41042
section 3721.071 of the Revised Code for the installation of fire 41043
extinguishing and fire alarm systems. 41044

Sec. ~~5111.26~~ 5111.23. (A)(1)(a) ~~Except as provided in~~ 41045
~~division (A)(1)(b) of this section, each~~ Each nursing facility and 41046
intermediate care facility for the mentally retarded participating 41047
in the medicaid program shall file with the department of job and 41048
family services an annual cost report prepared in accordance with 41049
guidelines established by the department. The report shall cover a 41050
calendar year or the portion of a calendar year during which the 41051
facility participated in the ~~medical assistance~~ medicaid program. 41052
All facilities shall file the reports within ninety days after the 41053

end of the calendar year. The department, for good cause, may 41054
grant a fourteen-day extension of the time for filing cost reports 41055
upon written request from a facility. The director of job and 41056
family services shall prescribe, in rules adopted in accordance 41057
with Chapter 119. of the Revised Code, the cost reporting form and 41058
a uniform chart of accounts for the purpose of cost reporting, and 41059
shall distribute cost reporting forms or computer software for 41060
electronic submission of the cost report to each nursing facility 41061
and intermediate care facility for the mentally retarded at least 41062
sixty days before the facility's reporting date. 41063

~~(b) A facility for which rates are established under section 41064
5111.255 of the Revised Code shall submit a cost report no later 41065
than ninety days after the end of the facility's first three full 41066
calendar months of operation. A facility that opens after the 41067
first day of October in any calendar year is not required to file 41068
a cost report for that calendar year. 41069~~

(2) If a nursing facility or intermediate care facility for 41070
the mentally retarded required to submit cost reports does not 41071
file the reports within the required time periods or within 41072
fourteen days thereafter if an extension is granted under division 41073
(A)(1)(a) of this section, or files an incomplete or inadequate 41074
report, the department shall provide immediate written notice to 41075
the facility that its provider agreement will be terminated in 41076
thirty days unless the facility submits a complete and adequate 41077
cost report within thirty days. During the thirty-day termination 41078
period or any additional time allowed for an appeal of the 41079
proposed termination of a provider agreement, the facility shall 41080
be paid its then current per resident per day rate, minus two 41081
dollars. On July 1, 1994, the department shall adjust the 41082
two-dollar reduction to reflect the rate of inflation during the 41083
preceding twelve months, as shown in the consumer price index for 41084
all items for all urban consumers for the north central region, 41085

published by the United States bureau of labor statistics. On July 41086
1, 1995, and the first day of July of each year thereafter, the 41087
department shall adjust the amount of the reduction in effect 41088
during the previous twelve months to reflect the rate of inflation 41089
during the preceding twelve months, as shown in the same index. 41090

(B) No nursing facility or intermediate care facility for the 41091
mentally retarded shall report fines paid under sections 5111.35 41092
to 5111.62 or section 5111.99 of the Revised Code in any cost 41093
report filed under this section. 41094

(C) The department shall develop an addendum to the cost 41095
report form that a nursing facility or intermediate care facility 41096
for the mentally retarded may use to set forth costs that the 41097
facility believes may be disputed by the department. Any costs 41098
reported by the facility on the addendum may be considered by the 41099
department in setting the facility's rate. ~~If the department does 41100
not consider the costs listed on the addendum in setting the 41101
facility's rate, the facility may seek reconsideration of that 41102
determination under section 5111.29 of the Revised Code. If the 41103
department subsequently includes the costs listed in the addendum 41104
in the facility's rate, the department shall pay the facility 41105
interest at a reasonable rate established in rules adopted in 41106
accordance with Chapter 119. of the Revised Code for the time that 41107
the rate paid excluded the costs.~~ 41108

Sec. 5111.231. ~~(A)(1) The department of job and family 41109
services shall determine case mix scores for nursing facilities 41110
using data for each resident, regardless of payment source, from a 41111
resident assessment instrument specified in rules adopted in 41112
accordance with Chapter 119. of the Revised Code pursuant to 41113
section 1919(e)(5) of the "Social Security Act," 49 Stat. 620 41114

(A)(1)(c) of this section, the department also shall use the 41118
grouper methodology used on June 30, 1999, by the United States 41119
department of health and human services for prospective payment of 41120
skilled nursing facilities under the medicare program established 41121
by Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 41122
42 U.S.C.A. 301, as amended. The director of job and family 41123
services may adopt rules in accordance with Chapter 119. of the 41124
Revised Code that do any of the following: 41125~~

~~(a) Adjust the case mix values to reflect changes in relative 41126
wage differentials that are specific to this state; 41127~~

~~(b) Express all of the case mix values in numeric terms that 41128
are different from the terms specified by the United States 41129
department of health and human services but that do not alter the 41130
relationship of the case mix values to one another; 41131~~

~~(c) Modify the grouper methodology as follows: 41132~~

~~(i) Establish a different hierarchy for assigning residents 41133
to case mix categories under the methodology; 41134~~

~~(ii) Prohibit the use of the index maximizer element of the 41135
methodology; 41136~~

~~(iii) Incorporate changes to the methodology the United 41137
States department of health and human services makes after June 41138
30, 1999; 41139~~

~~(iv) Make other changes the nursing facility reimbursement 41140
study council established by section 5111.34 of the Revised Code 41141
approves. 41142~~

~~(2) The department shall determine case mix scores for 41143
intermediate care facilities for the mentally retarded using data 41144
for each resident, regardless of payment source, from a resident 41145
assessment instrument and grouper methodology prescribed in rules 41146~~

expressed in case mix values established by the department in
those rules.~~ 41147

calendar quarter, each nursing facility and intermediate care
facility for the mentally retarded shall submit to the department
the complete assessment data, information from the instrument

this section, for each resident, regardless of payment source, who
was in the facility or on hospital or therapeutic leave from the
facility on the last day of the quarter. Nursing facilities shall
submit the assessment information to the department of health and,

score that is five per cent less than that score assigned for the 41183
preceding quarter. 41184~~

~~The department may use a quarterly average case mix score 41185
assigned under division (C)(1) of this section, instead of a 41186
quarterly average case mix score calculated based on the 41187
facility's submitted information, to calculate the facility's rate 41188
for direct care costs being established under section 5111.23 of 41189

adopted under division (D) of this section, of the quarter for 41191

~~Before taking action under division (C)(1) of this section, 41194
the department shall permit the facility a reasonable period of 41195
time, specified in rules adopted under division (D) of this 41196
section, to correct the information. In the case of an 41197
intermediate care facility for the mentally retarded, the 41198
department of job and family services shall not assign a quarterly 41199
average case-mix score due to late submission of corrections to 41200
the assessment information unless the facility fails to submit 41201
corrected information prior to the eighty-first day after the end 41202
of the calendar quarter to which the information pertains. In the 41203
case of a nursing facility, the department shall not assign a 41204
quarterly average case-mix score due to late submission of 41205
corrections to the assessment information unless the facility 41206
fails to submit corrected information prior to the earlier of the 41207

regulations adopted by the United States department of health and 41212
human services under Titles XVIII and XIX of the Social Security 41213
Act. The department may provide nursing facilities preliminary 41214
facility score calculations electronically. 41215

~~(2) If a facility is paid a rate calculated using a quarterly 41216
average case mix score assigned under division (C)(1) of this 41217
section for more than six months in a calendar year, the 41218
department may assign the facility a cost per case mix unit that 41219
is five per cent less than the facility's actual or assigned cost 41220
per case mix unit for the preceding calendar year. The department 41221
may use the assigned cost per case mix unit, instead of 41222
calculating the facility's actual cost per case mix unit in 41223
accordance with section 5111.23 of the Revised Code, to establish 41224
the facility's rate for direct care costs for the following fiscal 41225

(C) Establish procedures under which the department will 41240
review assessment information for accuracy and notify the facility 41241

of any information that requires correction; 41242

~~(3)(D) Establish procedures for facilities to correct 41243
assessment information. The procedures may prohibit an 41244
intermediate care facility for the mentally retarded from 41245
submitting corrected assessment information, for the purpose of 41246
calculating its annual average case mix score, more than two 41247
calendar quarters after the end of the quarter to which the 41248

~~(4) Specify when and how the department will assign case mix 41267
scores or costs per case mix unit under division (C) of this 41268
section if information necessary to calculate the facility's 41269
average annual or quarterly case mix score is not provided or 41270
corrected in accordance with the procedures established by the 41271
rules. Notwithstanding any other provision of sections 5111.20 to 41272
5111.32 of the Revised Code, the rules also may provide for 41273~~

age, not less than twenty years have elapsed since, for the same

following circumstances:~~

~~(a) The renewal is pursuant to a renewal option that was in
existence on May 27, 1992;~~

If there was not a substantial commitment of money after December 22, 1992, and before July 1, 1993, actual, allowable cost of ownership shall include the lesser of the annual lease expense or the sum of the following:~~

~~(a) The annual depreciation expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis;~~

~~(b) The greater of the lessor's actual annual amortization of~~

lease and has been in existence for ten years, actual, allowable 41948
cost of ownership shall include the lesser of the annual lease 41949
expense or the annual depreciation expense and imputed interest 41950

using the entire historical capital asset cost basis of the 41952
lessor, adjusted by the lesser of the following: 41953~~

~~(a) One half of the change in construction costs during the 41954
time the lessor held each asset until the beginning of the lease, 41955

Marshall and Swift; 41958~~

~~(b) One half of the change in the consumer price index for 41959
all items for all urban consumers, as published by the United 41960

The provider shall submit a plan that describes in detail the changes in capital assets to be accomplished by means of the renovation and the timetable for completing the project. The time for completion of the project shall be no more than eighteen months after the renovation begins. The department of job and family services shall adopt rules in accordance with Chapter 119. of the Revised Code that specify criteria and procedures for prior approval of renovation projects. the department for each year the owner has operated the facility 42235
under a provider agreement and prorated according to the number of 42236
medicaid patient days for which the facility has received payment. 42237
If a nursing facility is sold after five or fewer years of 42238
operation under a provider agreement, the refund to the department 42239
shall be equal to the excess depreciation paid to the facility. If 42240
a nursing facility is sold after more than five years but less 42241

to the department shall equal the excess depreciation paid to the 42243
facility multiplied by twenty per cent, multiplied by the 42244

contract of sale for the facility, the amount of the first two 42274
monthly payments made to the facility after the department learns 42275
of the contract, regardless of whether a new owner is in 42276

After written notice is received from a nursing facility that a sale or termination will not take place, the facility shall provide notice to the department at least forty five days prior to entering into any contract of sale or terminating participation at any future time.~~

~~(H) The department shall pay each eligible proprietary nursing facility a return on the facility's net equity computed at the rate of one and one half times the average interest rate on special issues of public debt obligations issued to the federal hospital insurance trust fund for the cost reporting period, except that no facility's return on net equity shall exceed fifty cents per patient day.~~

Sec. 5111.28. (A) ~~If a provider properly amends its cost 42350
report under section 5111.27 of the Revised Code and the amended 42351
report shows that the provider received a lower rate under the 42352
original cost report than it was entitled to receive, the 42353
department shall adjust the provider's rate prospectively to 42354
reflect the corrected information. The department shall pay the 42355
adjusted rate beginning two months after the first day of the 42356
month after the provider files the amended cost report. If the 42357
department finds, from an exception review of resident assessment 42358
information conducted after the effective date of the rate for 42359
direct care costs that is based on the assessment information, 42360
that inaccurate assessment information resulted in the provider 42361
receiving a lower rate than it was entitled to receive, the 42362
department prospectively shall adjust the provider's rate 42363
accordingly and shall make payments using the adjusted rate for 42364
the remainder of the calendar quarter for which the assessment 42365
information is used to determine the rate, beginning one month 42366

Revised Code, the department of job and family services makes a 42371
finding based on an audit administrative review or final fiscal 42372
audit conducted pursuant to rules adopted under that section, or 42373
the department makes a finding based on an exception review of 42374
resident assessment information conducted pursuant to rules 42375
adopted under that section after the effective date of the rate 42376
for direct care costs that is based on the assessment information, 42377~~

any of which results in a determination that the provider has 42378
received a higher rate for services provided in a fiscal year 42379
specified in division (F) of this section than it was entitled to 42380
receive, the department shall recalculate the provider's rate 42381
using the revised information. The department shall apply the 42382
recalculated rate to the periods when the provider received the 42383
incorrect rate to determine the amount of the overpayment. The 42384
provider shall refund the amount of the overpayment. 42385

In addition to requiring a refund under this division, the 42386
department may charge the provider interest at the applicable rate 42387
specified in this division from the time the overpayment was made. 42388

(1) If the overpayment resulted from costs reported for 42389
calendar year 1993, the interest shall be no greater than one and 42390
one-half times the average bank prime rate. 42391

(2) If the overpayment resulted from costs reported for 42392
subsequent calendar years: 42393

(a) The interest shall be no greater than two times the 42394
average bank prime rate if the overpayment was equal to or less 42395
than one per cent of the total medicaid payments to the provider 42396
for the fiscal year for which the incorrect information was used 42397
to establish a rate. 42398

(b) The interest shall be no greater than two and one-half 42399
times the current average bank prime rate if the overpayment was 42400
greater than one per cent of the total medicaid payments to the 42401
provider for the fiscal year for which the incorrect information 42402
was used to establish a rate. 42403

~~(C)~~(B) The department also may impose the following 42404
penalties: 42405

(1) If a provider does not furnish invoices or other 42406
documentation that the department requests during ~~an~~ a final 42407
fiscal audit regarding a service provided in a fiscal year 42408

specified in division (F) of this section within sixty days after 42409
the request, no more than the greater of one thousand dollars per 42410
audit or twenty-five per cent of the cumulative amount by which 42411
the costs for which documentation was not furnished increased the 42412
total medicaid payments to the provider during the fiscal year for 42413
which the costs were used to establish a rate; 42414

(2) If an ~~owner~~ exiting operator fails to provide a properly 42415
completed notice of ~~sale of the facility or facility closure,~~ 42416
voluntary termination, voluntary withdrawal of participation ~~in~~ 42417
~~the medical assistance program, or change of operator,~~ as required 42418
by section 5111.24 or 5111.25 ~~or 5111.251~~ of the Revised Code, no 42419
more than the current average bank prime rate plus four per cent 42420
of ~~the last~~ an amount equal to two times the average amount of 42421
monthly payments to the exiting operator under the medicaid 42422
program for the twelve-month period immediately preceding the 42423
month that includes the last day the exiting operator's provider 42424
agreement is in effect or, in the case of a voluntary withdrawal 42425
of participation, the effective date of the voluntary withdrawal 42426
of participation. 42427

~~(D)~~(C) If the provider continues to participate in the 42428
~~medical assistance~~ medicaid program, the department shall deduct 42429
any amount that the provider is required to refund under this 42430
section, and the amount of any interest charged or penalty imposed 42431
under this section, from the next available payment from the 42432
department to the provider. The department and the provider may 42433
enter into an agreement under which the amount, together with 42434
interest, is deducted in installments from payments from the 42435
department to the provider. If the provider does not continue to 42436
participate in the medicaid program, the department shall collect 42437
any amount that the provider owes to the department under this 42438
section from the withholding, security, or both that the 42439
department makes or requires under section 5111.261 of the Revised 42440

Code. 42441

~~(E)~~(D) The department shall transmit refunds and penalties to 42442
the treasurer of state for deposit in the general revenue fund. 42443

~~(F)~~(E) For the purpose of this section, the department shall 42444
determine the average bank prime rate using statistical release 42445
H.15, "selected interest rates," a weekly publication of the 42446
federal reserve board, or any successor publication. If 42447
statistical release H.15, or its successor, ceases to contain the 42448
bank prime rate information or ceases to be published, the 42449
department shall request a written statement of the average bank 42450
prime rate from the federal reserve bank of Cleveland or the 42451
federal reserve board. 42452

(F) For the purpose of divisions (A) and (B)(1) of this 42453
section, the applicable fiscal years are the fiscal years 42454
preceding fiscal year 2006 and, to the extent provided for in 42455
rules the director of job and family services may adopt in 42456
accordance with Chapter 119. of the Revised Code, fiscal year 2006 42457
and thereafter. 42458

~~sections 5111.20 to 5111.32~~ rules adopted under section 5111.02 of 42461
the Revised Code shall include payments to facilities, at a rate 42462
equal to the percentage of the per resident per day rates that the 42463
department of job and family services has established for the 42464
facility under ~~sections 5111.23 to 5111.29 of the Revised Code~~ 42465

friends, and participation in therapeutic programs outside the 42470
facility, when the resident's plan of care provides for such 42471

absence and federal participation in the payments is available. 42472
The maximum period during which payments may be made to reserve a 42473
bed shall not exceed the maximum period specified under federal 42474
regulations, and shall not be more than thirty days during any 42475
calendar year for hospital stays, visits with relatives and 42476
friends, and participation in therapeutic programs. Recipients who 42477
have been identified by the department as requiring the level of 42478
care of an intermediate care facility for the mentally retarded 42479
shall not be subject to a maximum period during which payments may 42480
be made to reserve a bed if prior authorization of the department 42481
is obtained for hospital stays, visits with relatives and friends, 42482
and participation in therapeutic programs. The director of job and 42483
family services shall adopt rules under division (B) of section 42484
5111.02 of the Revised Code establishing conditions under which 42485
prior authorization may be obtained. 42486

Sec. ~~5111.263~~ 5111.30. (A) As used in this section, "covered 42487
therapy services" means physical therapy, occupational therapy, 42488

(C) The department of job and family services shall process 42502

no claims for payment under the ~~medical assistance~~ medicaid 42503
program for covered therapy services rendered to a resident of a 42504
nursing facility other than such claims submitted, in accordance 42505
with this section, by a nursing facility that has a valid provider 42506
agreement with the department. 42507

(D) Nursing facilities that have entered into a provider 42508
agreement may bill the department of job and family services for 42509
covered therapy services it provides to residents of any nursing 42510
facility who are recipients of the ~~medical assistance~~ medicaid 42511
program and not eligible for the medicare program. 42512

(E) The department shall not process any claim for a covered 42513
therapy service provided to a nursing facility resident who is 42514
eligible for the medicare program unless the claim is for a 42515
copayment or deductible or the conditions in division (E)(1) or 42516
(2) of this section apply: 42517

(1) The covered therapy service provided is, under the 42518
federal statutes, regulations, or policies governing the medicare 42519
program, not covered by the medicare program and the service is, 42520
under the provisions of this chapter or the rules adopted under 42521
this chapter, covered by the ~~medical assistance~~ medicaid program. 42522

(2) All of the following apply: 42523

(a) The individual or entity who provided the covered therapy 42524
service was eligible to bill the medicare program for the service. 42525

(b) A complete, accurate, and timely claim was submitted to 42526
the medicare program and the program denied payment for the 42527
service as not medically necessary for the resident. For the 42528
purposes of division (E)(2)(b) of this section, a claim is not 42529
considered to have been denied by the medicare program until 42530
either a denial has been issued following a medicare fair hearing 42531
or six months have elapsed since the request for a fair hearing 42532
was filed. 42533

(c) The facility is required to provide or arrange for the 42534
provision of the service by a licensed therapist or therapy 42535
assistant to be in compliance with federal or state nursing 42536
facility certification requirements for the ~~medical assistance~~ 42537
medicaid program. 42538

(d) The claim for payment for the services under the ~~medical~~ 42539

(F) The reimbursement allowed by the department for covered 42542
therapy services provided to nursing facility residents and billed 42543
under division (D) or (E) of this section shall be fifteen per 42544
cent less than the fees it pays for the same services rendered to 42545
hospital outpatients. The director may adopt rules in accordance 42546
with Chapter 119. of the Revised Code establishing comparable fees 42547
for covered therapy services that are not included in its schedule 42548

Sec. 5111.29 5111.31. ~~(A) The director of job and family~~ 42558
~~services shall adopt rules in accordance with Chapter 119. of the~~ 42559
~~Revised Code that establish a process under which a nursing~~ 42560
~~facility or intermediate care facility for the mentally retarded,~~ 42561
~~or a group or association of facilities, may seek reconsideration~~ 42562
~~of rates established under sections 5111.23 to 5111.28 of the~~ 42563
~~Revised Code, including a rate for direct care costs recalculated~~ 42564

~~before the effective date of the rate as a result of an exception 42565
review of resident assessment information conducted under section 42566
5111.27 of the Revised Code. 42567~~

~~(1) Except as provided in divisions (A)(2) to (4) of this 42568
section, the only issue that a facility, group, or association may 42569
raise in the rate reconsideration shall be whether the rate was 42570
calculated in accordance with sections 5111.23 to 5111.28 of the 42571
Revised Code and the rules adopted under those sections. The rules 42572
shall permit a facility, group, or association to submit written 42573
arguments or other materials that support its position. The rules 42574
shall specify time frames within which the facility, group, or 42575
association and the department must act. If the department 42576
determines, as a result of the rate reconsideration, that the rate 42577
established for one or more facilities is less than the rate to 42578
which it is entitled, the department shall increase the rate. If 42579
the department has paid the incorrect rate for a period of time, 42580
the department shall pay the facility the difference between the 42581
amount it was paid for that period and the amount it should have 42582
been paid. 42583~~

~~(2) The rules shall provide that during a fiscal year, the 42584
department, by means of the rate reconsideration process, may 42585
increase a facility's rate as calculated under sections 5111.23 to 42586
5111.28 of the Revised Code if the facility demonstrates that its 42587
actual, allowable costs have increased because of extreme 42588
circumstances. A facility may qualify for a rate increase only if 42589
its per diem, actual, allowable costs have increased to a level 42590
that exceeds its total rate, including any efficiency incentive 42591
and return on equity payment. The rules shall specify the 42592
circumstances that would justify a rate increase under division 42593
(A)(2) of this section. In the case of nursing facilities, the 42594
rules shall provide that the extreme circumstances include 42595
increased security costs for an inner city nursing facility and an 42596~~

~~increase in workers' compensation experience rating of greater than five per cent for a facility that has an appropriate claims management program but do not include a change of ownership that results from bankruptcy, foreclosure, or findings of violations of certification requirements by the department of health. In the case of intermediate care facilities for the mentally retarded, the rules shall provide that the extreme circumstances include, but are not limited to, renovations approved under division (D) of section 5111.251 of the Revised Code, an increase in workers' compensation experience rating of greater than five per cent for a facility that has an appropriate claims management program, increased security costs for an inner city facility, and a change of ownership that results from bankruptcy, foreclosure, or findings of violations of certification requirements by the department of health. An increase under division (A)(2) of this section is subject to any rate limitations or maximum rates established by sections 5111.23 to 5111.28 of the Revised Code for specific cost centers. Any rate increase granted under division (A)(2) of this section shall take effect on the first day of the first month after the department receives the request.~~

~~(3) The rules shall provide that the department, through the rate reconsideration process, may increase a facility's rate as calculated under sections 5111.23 to 5111.28 of the Revised Code if the department, in its sole discretion, determines that the rate as calculated under those sections works an extreme hardship on the facility.~~

~~(4) The rules shall provide that when beds certified for the medical assistance program are added to an existing facility, replaced at the same site, or subject to a change of ownership or lease, the department, through the rate reconsideration process, shall increase the facility's rate for capital costs proportionately, as limited by any applicable limitation under~~

~~section 5111.25 or 5111.251 of the Revised Code, to account for 42629
the costs of the beds that are added, replaced, or subject to a 42630
change of ownership or lease. The department shall make this 42631
increase one month after the first day of the month after the 42632
department receives sufficient documentation of the costs. Any 42633
rate increase granted under division (A)(4) of this section after 42634
June 30, 1993, shall remain in effect until the effective date of 42635
a rate calculated under section 5111.25 or 5111.251 of the Revised 42636
Code that includes costs incurred for a full calendar year for the 42637
bed addition, bed replacement, or change of ownership or lease. 42638
The facility shall report double accumulated depreciation in an 42639
amount equal to the depreciation included in the rate adjustment 42640
on its cost report for the first year of operation. During the 42641
term of any loan used to finance a project for which a rate 42642
adjustment is granted under division (A)(4) of this section, if 42643
the facility is operated by the same provider, the facility shall 42644
subtract from the interest costs it reports on its cost report an 42645
amount equal to the difference between the following: 42646~~

~~(a) The actual, allowable interest costs for the loan during 42647
the calendar year for which the costs are being reported; 42648~~

~~(b) The actual, allowable interest costs attributable to the 42649
loan that were used to calculate the rates paid to the facility 42650
during the same calendar year. 42651~~

~~(5) The department's decision at the conclusion of the 42652
reconsideration process shall not be subject to any administrative 42653
proceedings under Chapter 119. or any other provision of the 42654
Revised Code. 42655~~

the recommendations of the medical director, the director shall 44369
issue criteria for determining when a plan is complete, criteria 44370

approval. The factors that the director considers may include, but 44372
are not limited to, the following: 44373

the board's service district, especially severely mentally 44375
disabled children, adolescents, and adults; 44376

(2) The demonstrated quality, effectiveness, efficiency, and 44377
cultural relevance of the services provided in each service 44378
district, the extent to which any services are duplicative of 44379

director shall provide the board an opportunity to present its 44385
position. The director shall inform the board of the reasons for 44386
the disapproval and of the criteria that must be met before the 44387
plan may be approved. The director shall give the board a 44388
reasonable time within which to meet the criteria, and shall offer 44389
technical assistance to the board to help it meet the criteria. 44390

current plan is scheduled to expire, the board or the director may 44393
request that the dispute be submitted to a mutually agreed upon 44394
third-party mediator with the cost to be shared by the board and 44395
the department. The mediator shall issue to the board and the 44396
department recommendations for resolution of the dispute. Prior to 44397

make the visit, in cooperation with the board of alcohol, drug 44415

to contract. 44417

If the director determines that a community mental health 44418
agency's services satisfy the standards, the director shall 44419
certify the services. 44420

agency's services do not satisfy the standards, the director shall 44422
identify the areas of noncompliance, specify what action is 44423
necessary to satisfy the standards, and offer technical assistance 44424

services so that the board may assist the agency in satisfying the 44426
standards. The director shall give the agency a reasonable time 44427
within which to demonstrate that its services satisfy the 44428
standards or to bring the services into compliance with the 44429
standards. If the director concludes that the services continue to 44430

If the board does not reallocate those funds in a reasonable period of time, the director may withhold state and federal funds for the community mental health services and allocate those funds directly to a community mental health agency whose community mental health services satisfy the standards.

has demonstrated a pattern of serious noncompliance or that a 44804
violation creates a substantial risk to the health and safety of 44805
residents of a residential facility. 44806

(2) The director may terminate a license if more than twelve 44807
consecutive months have elapsed since the residential facility was 44808
last occupied by a resident or a notice required by division (J) 44809
of this section is not given. 44810

(3) The director may issue an order for the suspension of 44811
admissions to a facility for any violation that may result in 44812
sanctions under division (D)(1) of this section and for any other 44813
violation specified in rules adopted under division (G)(2) of this 44814
section. If the suspension of admissions is imposed for a 44815
violation that may result in sanctions under division (D)(1) of 44816
this section, the director may impose the suspension before 44817
providing an opportunity for an adjudication under Chapter 119. of 44818
the Revised Code. The director shall lift an order for the 44819
suspension of admissions when the director determines that the 44820
violation that formed the basis for the order has been corrected. 44821

(4) The director may order the placement of a monitor at a 44822
residential facility for any violation specified in rules adopted 44823
under division (G)(2) of this section. The director shall lift the 44824
order when the director determines that the violation that formed 44825
the basis for the order has been corrected. 44826

(5) If the director determines that two or more residential 44827
facilities owned or operated by the same person or government 44828
entity are not being operated in compliance with a provision of 44829
this chapter that applies to residential facilities or the rules 44830

adopted under such a provision, and the director's findings are 44831
based on the same or a substantially similar action, practice, 44832
circumstance, or incident that creates a substantial risk to the 44833
health and safety of the residents, the director shall conduct a 44834
survey as soon as practicable at each residential facility owned 44835
or operated by that person or government entity. The director may 44836
take any action authorized by this section with respect to any 44837
facility found to be operating in violation of a provision of this 44838
chapter that applies to residential facilities or the rules 44839
adopted under such a provision. 44840

(6) When the director initiates license revocation 44841
proceedings, no opportunity for submitting a plan of correction 44842
shall be given. The director shall notify the licensee by letter 44843
of the initiation of such proceedings. The letter shall list the 44844
deficiencies of the residential facility and inform the licensee 44845
that no plan of correction will be accepted. The director shall 44846
also notify each affected resident, the resident's guardian if the 44847
resident is an adult for whom a guardian has been appointed, the 44848
resident's parent or guardian if the resident is a minor, and the 44849
county board of mental retardation and developmental disabilities. 44850

(7) Pursuant to rules which shall be adopted in accordance 44851
with Chapter 119. of the Revised Code, the director may order the 44852
immediate removal of residents from a residential facility 44853
whenever conditions at the facility present an immediate danger of 44854
physical or psychological harm to the residents. 44855

(8) In determining whether a residential facility is being 44856
operated in compliance with a provision of this chapter that 44857
applies to residential facilities or the rules adopted under such 44858
a provision, or whether conditions at a residential facility 44859
present an immediate danger of physical or psychological harm to 44860
the residents, the director may rely on information obtained by a 44861
county board of mental retardation and developmental disabilities 44862

or other governmental agencies. 44863

(9) In proceedings initiated to deny, refuse to renew, or 44864
revoke licenses, the director may deny, refuse to renew, or revoke 44865
a license regardless of whether some or all of the deficiencies 44866
that prompted the proceedings have been corrected at the time of 44867
the hearing. 44868

(E) The director shall establish a program under which public 44869
notification may be made when the director has initiated license 44870
revocation proceedings or has issued an order for the suspension 44871
of admissions, placement of a monitor, or removal of residents. 44872
The director shall adopt rules in accordance with Chapter 119. of 44873
the Revised Code to implement this division. The rules shall 44874
establish the procedures by which the public notification will be 44875
made and specify the circumstances for which the notification must 44876
be made. The rules shall require that public notification be made 44877
if the director has taken action against the facility in the 44878
eighteen-month period immediately preceding the director's latest 44879
action against the facility and the latest action is being taken 44880
for the same or a substantially similar violation of a provision 44881
of this chapter that applies to residential facilities or the 44882
rules adopted under such a provision. The rules shall specify a 44883
method for removing or amending the public notification if the 44884
director's action is found to have been unjustified or the 44885
violation at the residential facility has been corrected. 44886

(F)(1) Except as provided in division (F)(2) of this section, 44887
appeals from proceedings initiated to impose a sanction under 44888
division (D) of this section shall be conducted in accordance with 44889
Chapter 119. of the Revised Code. 44890

(2) Appeals from proceedings initiated to order the 44891
suspension of admissions to a facility shall be conducted in 44892
accordance with Chapter 119. of the Revised Code, unless the order 44893
was issued before providing an opportunity for an adjudication, in 44894

which case all of the following apply: 44895

(a) The licensee may request a hearing not later than ten 44896
days after receiving the notice specified in section 119.07 of the 44897
Revised Code. 44898

(b) If a timely request for a hearing is made, the hearing 44899
shall commence not later than thirty days after the department 44900
receives the request. 44901

(c) After commencing, the hearing shall continue 44902
uninterrupted, except for Saturdays, Sundays, and legal holidays, 44903
unless other interruptions are agreed to by the licensee and the 44904
director. 44905

(d) If the hearing is conducted by a hearing examiner, the 44906
hearing examiner shall file a report and recommendations not later 44907
than ten days after the close of the hearing. 44908

(e) Not later than five days after the hearing examiner files 44909
the report and recommendations, the licensee may file objections 44910
to the report and recommendations. 44911

(f) Not later than fifteen days after the hearing examiner 44912
files the report and recommendations, the director shall issue an 44913
order approving, modifying, or disapproving the report and 44914
recommendations. 44915

(g) Notwithstanding the pendency of the hearing, the director 44916
shall lift the order for the suspension of admissions when the 44917
director determines that the violation that formed the basis for 44918
the order has been corrected. 44919

(G) In accordance with Chapter 119. of the Revised Code, the 44920
director shall adopt and may amend and rescind rules for licensing 44921
and regulating the operation of residential facilities, including 44922
intermediate care facilities for the mentally retarded. The rules 44923
for intermediate care facilities for the mentally retarded may 44924

<u>differ from those for other residential facilities.</u> The rules	44925
shall establish and specify the following:	44926
(1) Procedures and criteria for issuing and renewing	44927
licenses, including procedures and criteria for determining the	44928
length of the licensing period that the director must specify for	44929
each license when it is issued or renewed;	44930
(2) Procedures and criteria for denying, refusing to renew,	44931
terminating, and revoking licenses and for ordering the suspension	44932
of admissions to a facility, placement of a monitor at a facility,	44933
and the immediate removal of residents from a facility;	44934
(3) Fees for issuing and renewing licenses;	44935
(4) Procedures for surveying residential facilities;	44936
(5) Requirements for the training of residential facility	44937
personnel;	44938
(6) Classifications for the various types of residential	44939
facilities;	44940
(7) Certification procedures for licensees and management	44941
contractors that the director determines are necessary to ensure	44942
that they have the skills and qualifications to properly operate	44943
or manage residential facilities;	44944
(8) The maximum number of persons who may be served in a	44945
particular type of residential facility;	44946
(9) Uniform procedures for admission of persons to and	44947
transfers and discharges of persons from residential facilities;	44948
(10) Other standards for the operation of residential	44949
facilities and the services provided at residential facilities;	44950
(11) Procedures for waiving any provision of any rule adopted	44951
under this section.	44952
(H) Before issuing a license, the director of the department	44953

or the director's designee shall conduct a survey of the 44954
residential facility for which application is made. The director 44955
or the director's designee shall conduct a survey of each licensed 44956
residential facility at least once during the period the license 44957
is valid and may conduct additional inspections as needed. A 44958
survey includes but is not limited to an on-site examination and 44959
evaluation of the residential facility, its personnel, and the 44960
services provided there. 44961

In conducting surveys, the director or the director's 44962
designee shall be given access to the residential facility; all 44963
records, accounts, and any other documents related to the 44964
operation of the facility; the licensee; the residents of the 44965
facility; and all persons acting on behalf of, under the control 44966
of, or in connection with the licensee. The licensee and all 44967
persons on behalf of, under the control of, or in connection with 44968
the licensee shall cooperate with the director or the director's 44969
designee in conducting the survey. 44970

Following each survey, unless the director initiates a 44971
license revocation proceeding, the director or the director's 44972
designee shall provide the licensee with a report listing any 44973
deficiencies, specifying a timetable within which the licensee 44974
shall submit a plan of correction describing how the deficiencies 44975
will be corrected, and, when appropriate, specifying a timetable 44976
within which the licensee must correct the deficiencies. After a 44977
plan of correction is submitted, the director or the director's 44978
designee shall approve or disapprove the plan. A copy of the 44979
report and any approved plan of correction shall be provided to 44980
any person who requests it. 44981

The director shall initiate disciplinary action against any 44982
department employee who notifies or causes the notification to any 44983
unauthorized person of an unannounced survey of a residential 44984
facility by an authorized representative of the department. 44985

(I) In addition to any other information which may be 44986
required of applicants for a license pursuant to this section, the 44987
director shall require each applicant to provide a copy of an 44988
approved plan for a proposed residential facility pursuant to 44989
section 5123.042 of the Revised Code. This division does not apply 44990
to renewal of a license. 44991

(J) A licensee shall notify the owner of the building in 44992
which the licensee's residential facility is located of any 44993
significant change in the identity of the licensee or management 44994
contractor before the effective date of the change if the licensee 44995
is not the owner of the building. 44996

Pursuant to rules which shall be adopted in accordance with 44997
Chapter 119. of the Revised Code, the director may require 44998
notification to the department of any significant change in the 44999
ownership of a residential facility or in the identity of the 45000
licensee or management contractor. If the director determines that 45001
a significant change of ownership is proposed, the director shall 45002
consider the proposed change to be an application for development 45003
by a new operator pursuant to section 5123.042 of the Revised Code 45004
and shall advise the applicant within sixty days of such 45005
notification that the current license shall continue in effect or 45006
a new license will be required pursuant to this section. If the 45007
director requires a new license, the director shall permit the 45008
facility to continue to operate under the current license until 45009
the new license is issued, unless the current license is revoked, 45010
refused to be renewed, or terminated in accordance with Chapter 45011
119. of the Revised Code. 45012

(K) A county board of mental retardation and developmental 45013
disabilities, the legal rights service, and any interested person 45014
may file complaints alleging violations of statute or department 45015
rule relating to residential facilities with the department. All 45016
complaints shall be in writing and shall state the facts 45017

constituting the basis of the allegation. The department shall not 45018
reveal the source of any complaint unless the complainant agrees 45019
in writing to waive the right to confidentiality or until so 45020
ordered by a court of competent jurisdiction. 45021

The department shall adopt rules in accordance with Chapter 45022
119. of the Revised Code establishing procedures for the receipt, 45023
referral, investigation, and disposition of complaints filed with 45024
the department under this division. 45025

(L) The department shall establish procedures for the 45026
notification of interested parties of the transfer or interim care 45027
of residents from residential facilities that are closing or are 45028
losing their license. 45029

(M) Before issuing a license under this section to a 45030
residential facility that will accommodate at any time more than 45031
one mentally retarded or developmentally disabled individual, the 45032
director shall, by first class mail, notify the following: 45033

(1) If the facility will be located in a municipal 45034
corporation, the clerk of the legislative authority of the 45035
municipal corporation; 45036

(2) If the facility will be located in unincorporated 45037
territory, the clerk of the appropriate board of county 45038
commissioners and the clerk of the appropriate board of township 45039
trustees. 45040

The director shall not issue the license for ten days after 45041
mailing the notice, excluding Saturdays, Sundays, and legal 45042
holidays, in order to give the notified local officials time in 45043
which to comment on the proposed issuance. 45044

Any legislative authority of a municipal corporation, board 45045
of county commissioners, or board of township trustees that 45046
receives notice under this division of the proposed issuance of a 45047
license for a residential facility may comment on it in writing to 45048

the director within ten days after the director mailed the notice, 45049
excluding Saturdays, Sundays, and legal holidays. If the director 45050
receives written comments from any notified officials within the 45051
specified time, the director shall make written findings 45052
concerning the comments and the director's decision on the 45053
issuance of the license. If the director does not receive written 45054
comments from any notified local officials within the specified 45055
time, the director shall continue the process for issuance of the 45056
license. 45057

(N) Any person may operate a licensed residential facility 45058
that provides room and board, personal care, habilitation 45059
services, and supervision in a family setting for at least six but 45060
not more than eight persons with mental retardation or a 45061
developmental disability as a permitted use in any residential 45062
district or zone, including any single-family residential district 45063
or zone, of any political subdivision. These residential 45064
facilities may be required to comply with area, height, yard, and 45065
architectural compatibility requirements that are uniformly 45066
imposed upon all single-family residences within the district or 45067
zone. 45068

(O) Any person may operate a licensed residential facility 45069
that provides room and board, personal care, habilitation 45070
services, and supervision in a family setting for at least nine 45071
but not more than sixteen persons with mental retardation or a 45072
developmental disability as a permitted use in any multiple-family 45073
residential district or zone of any political subdivision, except 45074
that a political subdivision that has enacted a zoning ordinance 45075
or resolution establishing planned unit development districts may 45076
exclude these residential facilities from such districts, and a 45077
political subdivision that has enacted a zoning ordinance or 45078
resolution may regulate these residential facilities in 45079
multiple-family residential districts or zones as a conditionally 45080

permitted use or special exception, in either case, under 45081
reasonable and specific standards and conditions set out in the 45082
zoning ordinance or resolution to: 45083

(1) Require the architectural design and site layout of the 45084
residential facility and the location, nature, and height of any 45085
walls, screens, and fences to be compatible with adjoining land 45086
uses and the residential character of the neighborhood; 45087

(2) Require compliance with yard, parking, and sign 45088
regulation; 45089

(3) Limit excessive concentration of these residential 45090
facilities. 45091

(P) This section does not prohibit a political subdivision 45092
from applying to residential facilities nondiscriminatory 45093
regulations requiring compliance with health, fire, and safety 45094
regulations and building standards and regulations. 45095

(Q) Divisions (N) and (O) of this section are not applicable 45096
to municipal corporations that had in effect on June 15, 1977, an 45097
ordinance specifically permitting in residential zones licensed 45098
residential facilities by means of permitted uses, conditional 45099
uses, or special exception, so long as such ordinance remains in 45100
effect without any substantive modification. 45101

(R)(1) The director may issue an interim license to operate a 45102
residential facility to an applicant for a license under this 45103
section if either of the following is the case: 45104

(a) The director determines that an emergency exists 45105
requiring immediate placement of persons in a residential 45106
facility, that insufficient licensed beds are available, and that 45107
the residential facility is likely to receive a permanent license 45108
under this section within thirty days after issuance of the 45109
interim license. 45110

(b) The director determines that the issuance of an interim license is necessary to meet a temporary need for a residential facility. 45111
45112
45113

(2) To be eligible to receive an interim license, an applicant must meet the same criteria that must be met to receive a permanent license under this section, except for any differing procedures and time frames that may apply to issuance of a permanent license. 45114
45115
45116
45117
45118

(3) An interim license shall be valid for thirty days and may be renewed by the director for a period not to exceed one hundred fifty days. 45119
45120
45121

(4) The director shall adopt rules in accordance with Chapter 119. of the Revised Code as the director considers necessary to administer the issuance of interim licenses. 45122
45123
45124

(S) Notwithstanding rules adopted pursuant to this section establishing the maximum number of persons who may be served in a particular type of residential facility, a residential facility shall be permitted to serve the same number of persons being served by the facility on the effective date of such rules or the number of persons for which the facility is authorized pursuant to a current application for a certificate of need with a letter of support from the department of mental retardation and developmental disabilities and which is in the review process prior to April 4, 1986. 45125

45129
45130
45131
45132
45133
45134

(T) The director or the director's designee may enter at any time, for purposes of investigation, any home, facility, or other structure that has been reported to the director or that the director has reasonable cause to believe is being operated as a residential facility without a license issued under this section. 45135
45136
45137
45138
45139

The director may petition the court of common pleas of the county in which an unlicensed residential facility is located for 45140
45141

an order enjoining the person or governmental agency operating the facility from continuing to operate without a license. The court may grant the injunction on a showing that the person or governmental agency named in the petition is operating a residential facility without a license. The court may grant the injunction, regardless of whether the residential facility meets the requirements for receiving a license under this section.

(U) Except as provided in section 5123.196 of the Revised Code, whenever a resident of a residential facility is committed to a state-operated intermediate care facility for the mentally retarded pursuant to sections 5123.71 to 5123.76 of the Revised Code, the department shall reduce by one the maximum number of residents for which the facility is licensed.

Sec. 5123.196. (A) The director of mental retardation and developmental disabilities shall not issue a license under section 5123.19 of the Revised Code on or after July 1, 2003, if issuance will result in there being more beds in all residential facilities licensed under that section than is permitted under division (B) of this section.

(B) The maximum number of beds for the purpose of division (A) of this section shall not exceed ten thousand eight hundred thirty-eight minus, except as provided in division (C) of this section, the number of such beds taken out of service on or after July 1, 2003, pursuant to section 5123.197 of the Revised Code or because a residential facility license is revoked, terminated, or not renewed for any reason or is surrendered.

(C) The director is not required to reduce the maximum number of beds pursuant to division (B) of this section by a bed taken out of service if the director determines that the bed is needed to provide services to an individual with mental retardation or a developmental disability who resided in the residential facility

in which the bed was located. 45173

(D) The director shall maintain an up-to-date written record 45174
of the maximum number of residential facility beds provided for by 45175
division (B) of this section. 45176

Sec. 5123.197. A licensee shall take out of service as a 45177
residential facility bed any bed located in the facility that is 45178
converted to use for supported living. The number of residential 45179
facility beds a residential facility is licensed to have shall be 45180
reduced by each bed taken out of service under this section. 45181

Sec. 5123.198. (A) Whenever a resident of an intermediate 45182
care facility for the mentally retarded is committed to a 45183
state-operated intermediate care facility for the mentally 45184
retarded pursuant to sections 5123.71 to 5123.76 of the Revised 45185
Code, the department of mental retardation and developmental 45186
disabilities shall reduce by one the number of residents for which 45187
the facility in which the resident resided is licensed, unless the 45188
facility admits an individual who resides in a state-operated 45189
intermediate care facility for the mentally retarded on the date 45190
of the commitment or another individual determined to need the 45191
level of care provided by such a facility and designated by the 45192
department not later than ninety days after the date of the 45193
commitment. 45194

(B) The department of mental retardation and developmental 45195
disabilities may notify the department of job and family services 45196
of any reduction under this section in the number of residents for 45197
which a facility is licensed. On receiving the notice, the 45198
department of job and family services may transfer to the 45199
department of mental retardation and developmental disabilities 45200
the savings in the nonfederal share of medicaid expenditures for 45201
each fiscal year after the year of the commitment to be used for 45202

costs of the resident's care in the state-operated intermediate care facility for the mentally retarded. In determining the amount saved, the department of job and family services shall consider medicaid payments for the remaining residents of the facility in which the resident resided. 45203

causing bonds issued by the ~~commission~~ department to be eligible 47690

authorization, sale, issuance, execution, or delivery by the 47751
~~commission~~ department. 47752

(R) Insofar as the provisions of this section are 47753

shall revert to the state upon expiration of the franchise. 48162

(B) In the absence of a material default by a franchisee 48163
under the franchise agreement, any termination by the ~~commission~~ 48164

franchise shall not be affected by any proposed franchise 48174
termination, and any termination based upon an alleged material 48175

and appeal provisions of Chapter 119. of the Revised Code. 48177

with the franchise agreement. All minimum technical standards for 48184
the design, construction, and operation of the portion of the 48185
system comprising the franchise shall be included in the franchise 48186
agreement or incorporated by reference. The conditions of the 48187
franchise agreement relating to the actual operation of the 48188

maintenance standards, environmental enhancement and protection, 48190
safety, and noise levels, supersede any conflicting rule, 48191
ordinance, resolution, standard, or charter provision of any 48192
agency or political subdivision of the state. 48193

applicable state and federal law. 48197

(F) The franchise agreement shall obligate the ~~commission~~ 48198
department, upon request of the franchisee, to assist in obtaining 48199
permits and licenses necessary for the construction and operation 48200
of the rail system and ancillary facilities. 48201

(G) ~~If a franchisee develops and either transfers its portion of the rail system to the commission and then leases that portion from the commission, or leases its portion to the commission and continues to operate that portion of the rail system, the state shall indemnify the franchisee against claims that, if made against the commission or the state, would be subject to a defense of sovereign immunity.~~ 48202

portion of the rail system are the same there as elsewhere in the 48331
state. 48332

Sec. ~~4981.34~~ 5507.34. (A) On behalf of a franchisee and 48333
pursuant to section ~~4981.15~~ 5507.15 of the Revised Code, the ~~Ohio~~ 48334
~~rail development commission~~ department of transportation may issue 48335
bonds for loans to finance development and construction of a 48336
franchisee's portion of a rail system. Any bonds issued pursuant 48337
to this section do not, and shall state that they do not, 48338
represent or constitute a debt or pledge of the faith and credit 48339
of the state, nor do such bonds grant to the bondholders or 48340
noteholders any right to have the general assembly levy any taxes 48341
or appropriate any funds for the payment of the principal or 48342
interest thereon. Such bonds shall be payable solely from the loan 48343
repayments the ~~commission~~ department receives from the franchisee 48344
to which the loan was made. The loan repayments shall be made from 48345
revenues that the franchisee receives from the operation of its 48346

~~commission~~ department, or from such other credit sources as the 48348

(B) The portion of the rail system awarded to a franchisee, 48350

situated may be owned by the franchisee or owned by the ~~commission~~ 48352
department and leased to the franchisee for the term of the 48353

franchise. 48354

(C) The rail system may be financed partially by the 48355
~~commission~~ department and partially by franchisees. With respect 48356
to that portion of the rail system financed by the ~~commission~~ 48357
department, the ~~commission~~ department may utilize all of the 48358
bonding and financial authority contained in sections ~~4981.01~~ 48359
5507.01 to ~~4981.26~~ 5507.26 of the Revised Code and also may seek 48360
to obtain state funding or federal financing on behalf of the rail 48361
system. ~~Commission~~ Department financing, credit support, and 48362
financial assistance may not be commingled with private financing 48363
obtained by the franchisee, and any moneys of the ~~commission~~ 48364
department to be expended by the ~~commission~~ department to finance 48365
a portion of a rail system shall be kept in accounts that are 48366
separate and apart from and not a part of the accounts in which 48367
are kept any moneys to be expended by a franchisee to finance its 48368
portion of a rail system. 48369

(D) The franchisee may arrange financing and refinancing of 48370
the system through any combination of debt, equity, and public 48371
sources available to it that it determines in its sole discretion. 48372
A franchisee shall not be precluded from utilizing any type of 48373
public or private assistance available to it in connection with 48374
the development of its franchise. A franchisee shall furnish the 48375
~~commission~~ department all relevant and necessary information with 48376
respect to financing terms to enable the ~~commission~~ department to 48377
exercise its oversight responsibilities with respect to the 48378
franchisee's reasonable return on its investment. 48379

(E) When requested by a franchisee, the ~~commission~~ department 48380
shall seek from the office of budget and management an allotment 48381
of proceeds from the issuance of private activity bonds. The 48382
~~commission~~ department shall distribute those proceeds to 48383
franchisees in such proportions and amounts as it determines in 48384
its discretion. 48385

(F)(1) The ~~commission~~ department may levy and collect special 48386
assessments upon all parcels of real property, other than real 48387
property owned by a railroad corporation, in the immediate 48388
vicinity of any rail system station or terminal of the ~~commission~~ 48389
department or a franchisee, including, without limitation, parcels 48390
that abut, are adjacent or contiguous to, or otherwise increase in 48391
value due to the existence of, the station or terminal. An 48392
assessment levied under this division shall be for the purpose of 48393
enabling the ~~commission~~ department to collect a portion of the 48394
increase in the true value in money of any such parcel of property 48395
subsequent to the commencement of operation of a rail system 48396
station or terminal. All assessments shall be applied, directly or 48397
indirectly, to the development and financing of the portion of the 48398
rail system of which the station or terminal is a part. 48399

(2) Upon written request of the ~~commission~~ department, the 48400
county auditor of a county in which a rail system station or 48401
terminal commences operation shall assess each parcel of real 48402
property that is located in the immediate vicinity of the station 48403
or terminal and that the ~~commission~~ department has reasonable 48404
cause to believe has increased in true value in money because of 48405
the existence of the station or terminal. The county auditor shall 48406
utilize appropriate assessment techniques specified in rules 48407
adopted by the tax commissioner pursuant to Chapter 5713. of the 48408
Revised Code to determine the increase in true value, if any, of 48409
the real property. Any increase shall be measured by comparing the 48410
true value of the real property in the year in which the 48411
~~commission adopted the resolution designating~~ department 48412
designated the location of the station or terminal, as reflected 48413
on the tax list for that year, with the highest true value of the 48414
real property as of the month in which rail system operations 48415
commenced at the station or terminal. The county auditor shall 48416
then determine what percentage of the true value increase, if any, 48417

is directly attributable to the existence of and commencement of 48418
operations at the station or terminal. The county auditor shall 48419
convert the percentage increase to an amount certain, and certify 48420
the results of the assessments to the ~~commission~~ department. 48421
Within thirty days after receipt of the certified results, the 48422
~~commission~~ department shall reimburse the county auditor for the 48423
actual cost to the auditor of making the assessments. 48424

(3) In no case shall any special assessment levied by the 48425
~~commission~~ department upon a parcel of real property exceed twenty 48426
per cent of the increase in the true value of the property that 48427
the county auditor certifies to the ~~commission~~ department as being 48428
directly attributable to the existence of and commencement of 48429
operations at the station or terminal. A special assessment shall 48430
constitute a lien against the property and shall be added to the 48431
tax list and duplicate for collection. Payments on the special 48432
assessment shall be made semiannually at the same time as real 48433
property taxes are required to be paid, but upon written request 48434
of the owner of the real property assessed, the county auditor may 48435
permit the owner to pay the assessment in equal installments over 48436
a period of not longer than ten years. 48437

(4) An owner of real property upon which a special assessment 48438
is levied under this section may file a petition in the court of 48439
common pleas of the county in which the real property is located 48440
challenging any aspect of the assessment, including the fact of 48441
the special assessment itself or the amount. The filing of such a 48442
petition shall stay the collection of any part of the special 48443
assessment, and collection shall not commence until a decision on 48444
the merits is rendered by the court. 48445

(G) Nothing in this section shall be construed as limiting 48446
the power of the ~~commission~~ department to issue bonds pursuant to 48447
section ~~4981.15~~ 5507.15 of the Revised Code for the purposes 48448
stated in that section. 48449

chairman of the state's railroad authority, but in the event said 48498
state does not have a railroad authority, the second member shall 48499
be the director of the participating state's transportation 48500
agency. The members shall select designees who shall serve in the 48501
absence of the members. The advisory council shall meet within 48502
thirty days after ratification of this agreement by at least two 48503
participating states and establish rules for the conduct of the 48504
advisory council's business. 48505

The advisory council shall coordinate all aspects of the high 48506
speed intercity rail passenger feasibility study relative to 48507
interstate connections and shall do all other things necessary and 48508
proper for the completion of the feasibility study. 48509

Article IV 48510

Effective Date 48511

This compact shall become effective upon the adoption of the compact into law by two or more of the participating states. Thereafter, it shall enter into force and effect as to any other participating state upon the enactment thereof by such state.

This compact shall continue in force with respect to a participating state and remain binding upon such state until six months after such state has given notice to each other participating state of the repeal thereof. Such withdrawal shall not be construed to relieve any participating state from any obligation incurred prior to the end of the state's participation in the compact as provided herein.

Article V

Construction and Severability

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any participating state, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters."

(3) "Auxiliary property exempt cost" means the cost of auxiliary property calculated using one of the following procedures:

(a) If the auxiliary property is used for an exempt facility purpose for discrete periods of time, the exempt cost shall be determined by the ratio of time the auxiliary property is in use in such exempt capacity to the total time it is in use. If it is possible to determine the exempt cost under division (A)(3)(a) of this section, the procedures set forth in divisions (A)(3)(b) and (c) of this section do not apply.

(b) If the auxiliary property replaces existing property and is necessary to allow for the proper operation of the exempt facility, the exempt cost of the auxiliary property shall be determined using the cost of the auxiliary property less the original acquisition cost of the property being replaced. If the result is less than zero, the exempt cost shall be zero.

If the result is less than zero, the exempt cost shall be zero.

(d) Any cost related to an expansion of the commercial or

Said certificate shall permit tax exemption pursuant to section 5709.25 of the Revised Code only for that portion of such pollution control facility or that part used exclusively for air or noise pollution control. credited to the clean air fund created in section 3704.035 of the 49630
Revised Code for use in administering section 5709.211 of the 49631
Revised Code, unless the application is for an industrial water 49632
pollution control facility. If the application is for an 49633
industrial water pollution control facility, one-half of the fee 49634
shall be credited to the surface water protection fund created in 49635
section 6111.038 of the Revised Code for use in administering 49636

section is paid. The fee required by this section is not 49646
refundable, and is due with the application for an exempt facility 49647
certificate even if an exempt facility certificate ultimately is 49648
not issued or is withdrawn. Any application submitted without 49649
payment of the fee shall be deemed incomplete until the fee is 49650
paid. 49651

section for a jointly owned facility shall be one thousand dollars 49653

Revised Code shall be allowed or disallowed in whole or in part. 49664
The commissioner shall give written notice of the proposed finding 49665
to the applicant and the county auditor of the county in which the 49666
facility described in the application is located. Within sixty 49667
days after sending written notice of the proposed finding, the 49668
applicant or the county auditor may file a request for 49669
reconsideration, in writing, to the commissioner and may request 49670
that the commissioner conduct a hearing on the application. If no 49671
request for reconsideration is filed, the commissioner's proposed 49672
findings shall be final and, if applicable, the commissioner shall 49673
issue an exempt facility certificate, which shall not be subject 49674
to appeal pursuant to section 5717.02 of the Revised Code. 49675

(B) If a reconsideration of the tax commissioner's proposed 49676

finding is requested by the applicant or the county auditor, the 49677
commissioner shall notify the applicant and the auditor of the 49678
time and place of the hearing, which the commissioner may continue 49679
from time to time as the commissioner finds necessary. The 49680
commissioner also shall notify the environmental protection agency 49681
or department of development, as applicable, of the hearing. The 49682
environmental protection agency or the department of development 49683
shall participate in the hearing if requested in writing by the 49684
commissioner, the applicant, or the county auditor. After 49685
conducting the hearing, the commissioner shall issue a final 49686
determination, with a copy of it served on the applicant and 49687
applicable county auditors in the manner prescribed by section 49688
5703.37 of the Revised Code. The final determination is subject to 49689
appeal pursuant to section 5717.02 of the Revised Code. Once all 49690
appeals are exhausted, the commissioner shall issue, if 49691
applicable, the exempt facility certificate based on the outcome 49692
of the appeal. 49693

(C) The tax commissioner, on the commissioner's own 49694
initiative or on complaint by the county auditor of ~~the~~ any county 49695
in which ~~any~~ property to which ~~such air or noise pollution control~~ 49696
the exempt facility certificate relates is located, shall revoke 49697
~~such air or noise pollution control certificate whenever any of~~ 49698
~~the following appears~~ the certificate, or modify it by restricting 49699

misrepresentation; 49703

~~(B)~~(2) The holder of the certificate has failed substantially 49704
to proceed with the construction, reconstruction, installation, or 49705
acquisition of ~~air or noise pollution control facilities~~ an exempt 49706

~~(C)~~(3) The ~~structure or equipment or both~~ property to which 49708

the certificate relates has ceased to be used for the primary 49709
purpose of pollution control and is being used for a different 49710
purpose. 49711

~~Provided, that where the circumstances so require, the 49712
commissioner in lieu of revoking such certificate may modify the 49713
same by restricting its operations as an exempt facility;~~ 49714

(4) The tax commissioner issued the certificate in error. As 49715
used in this section, "error" means a clerical or mathematical 49716
mistake, or when the tax commissioner determines that the issuance 49717
of the certificate may have been improper as the result of a final 49718
adjudication by the board of tax appeals, or by a court with 49719
jurisdiction on appeal from that board, that is adverse to the 49720
original exempt status of the facility, regardless of whether the 49721
holder of the certificate was a party to such adjudication. 49722

~~On the mailing of notice of the action of the commissioner 49723

certificate as provided in section 5709.23 of the Revised Code, 49725

notice is subject to appeal under section 5717.02 of the Revised 49732
Code. Once all appeals are exhausted, the commissioner shall issue 49733
a modified certificate, if applicable, and the holder of the 49734
certificate shall be allowed to claim a refund within one hundred 49735
eighty days, notwithstanding any other time limitation provided by 49736
law of the taxes paid as a result of the certificate being revoked 49737
or modified. 49738~~

Sec. 5709.23. (A) As soon as is practicable after receiving 49739

an application for an exempt facility certificate, the tax 49740
commissioner shall provide a copy of the application and any 49741
accompanying documentation to the county auditor of the county in 49742
which the facility is located. The copy shall be accompanied by a 49743
statement showing an estimate of what the assessed value of the 49744
facility would be, based on the appropriate assessment percentage, 49745
if the facility were to be taxable, and an estimate of the taxes 49746
that would be chargeable against the facility computed on the 49747
basis of the rate of taxation in the taxing district in the year 49748
in which the application is received. Within sixty days after 49749
receiving such a statement, the county auditor shall issue a 49750
notice to the taxing authority of each taxing unit in which the 49751
facility is or is to be located. The notice shall state that an 49752

entitles the facility to exemption from taxation and the taxing 49758
unit may be required to refund any taxes on the facility accruing 49759
after the certificate becomes effective. The tax commissioner 49760
shall issue an amended statement if, after the original statement 49761
is issued, the estimate of such assessed value increases or 49762
decreases by more than ten per cent of the estimated value shown 49763
on the most recently issued statement or amended statement, and 49764
the county auditor shall issue an amended notice reflecting such 49765
change. 49766

the exempt facility described in the application is located, the 49768
tax commissioner shall provide the county auditor with any 49769
documents submitted with the opinion of the director of 49770
environmental protection or director of development, including a 49771

(4) If an assessment is issued for only the denied portion of 49857
the application for an exempt facility, the only issue the 49858
applicant is permitted to raise on appeal of the assessment 49859
referenced in division (D)(2) of this section is that of the 49860
taxable property or transaction constituting the denied portion of 49861
the applicant's claim for an exempt facility. 49862

(E) Except as otherwise provided in this division, no 49863
exemption for additional property shall be claimed under this 49864
section after an exempt facility certificate has been issued for 49865

that facility unless the applicant files a new application under 49866
section 5709.21 of the Revised Code. The tax commissioner shall 49867
waive the requirement to file a new application under section 49868
5709.21 of the Revised Code if the cost of the additional 49869
property, net of retirements for similar property, does not exceed 49870
five hundred thousand dollars during any calendar year. The fee 49871
imposed under section 5709.212 of the Revised Code for 49872
applications filed as a result of this division shall be five 49873
hundred dollars. 49874

(F) If, as the result of a revaluation due to sale or 49875
bankruptcy or any other reason, the book value of property that is 49876
the subject of an exempt facility certificate is changed from the 49877
book value at the time of the original issuance of the 49878
certificate, the amount of exemption available to the owner is 49879
limited to the percentage resulting from the ratio of the 49880
historical cost of the property that is the subject of the exempt 49881
facility certificate over the historic cost of all tangible 49882
personal property and real property of the owner that is located 49883
at the same location as that of the property subject to the exempt 49884
facility certificate. If the result of using this ratio is greater 49885
than the original cost, then acceptable reasons for allowing such 49886
greater cost must be established with supporting documentation in 49887
order to qualify for the exemption above the original cost. 49888

Sec. 5709.26. When an air or noise pollution control exempt 49889
facility certificate is revoked because obtained by fraud or 49890
misrepresentation or modified for the reason stated in division 49891
(C)(1) of section 5709.22 of the Revised Code, all taxes which 49892
that would have been payable had no certificate been issued shall 49893
be assessed with maximum penalties and interest prescribed by law 49894
applicable thereto dating to when the exemption was first allowed. 49895
If the certificate is revoked or modified under division (C)(2), 49896
(3), or (4) of section 5709.22 of the Revised Code, all taxes that 49897

would have been payable had no certificate been issued for those 49898
tax years that are open by operation of law are subject to 49899
assessment. 49900

Sec. 5709.27. In the event of the sale, lease, or other 49901
transfer of an ~~air or noise pollution control~~ exempt facility, not 49902
involving a different location or use, the holder of an ~~air or~~ 49903
~~noise pollution control~~ the exempt facility certificate ~~for such~~ 49904
~~facility may~~ shall transfer the certificate by written instrument 49905
to the person who, except for the transfer of the certificate, 49906
would be obligated to pay taxes on ~~such~~ the facility. The 49907
transferee shall become the holder of the certificate and shall 49908
have all the rights to exemption from taxes ~~which were~~ granted to 49909
the former holder or holders, effective as of the date of transfer 49910
of the facility or the date of transfer of the certificate, 49911
whichever is earlier. The transferee shall promptly give written 49912
notice of the effective date of the transfer, together with a copy 49913
of the instrument of transfer, to the tax commissioner and the 49914
county auditor of the county in which the facility is located. 49915
Upon request, the commissioner may provide the transferee with any 49916
information the commissioner possesses related to the issuance of 49917
the exempt facility certificate. 49918

Sec. 5709.62. (A) In any municipal corporation that is 49919
defined by the United States office of management and budget as a 49920
central city of a metropolitan statistical area, the legislative 49921
authority of the municipal corporation may designate one or more 49922
areas within its municipal corporation as proposed enterprise 49923
zones. Upon designating an area, the legislative authority shall 49924
petition the director of development for certification of the area 49925
as having the characteristics set forth in division (A)(1) of 49926
section 5709.61 of the Revised Code as amended by Substitute 49927
Senate Bill No. 19 of the 120th general assembly. Except as 49928

otherwise provided in division (E) of this section, on and after 49929
July 1, 1994, legislative authorities shall not enter into 49930
agreements under this section unless the legislative authority has 49931
petitioned the director and the director has certified the zone 49932
under this section as amended by that act; however, all agreements 49933
entered into under this section as it existed prior to July 1, 49934
1994, and the incentives granted under those agreements shall 49935
remain in effect for the period agreed to under those agreements. 49936
Within sixty days after receiving such a petition, the director 49937
shall determine whether the area has the characteristics set forth 49938
in division (A)(1) of section 5709.61 of the Revised Code, and 49939
shall forward the findings to the legislative authority of the 49940
municipal corporation. If the director certifies the area as 49941
having those characteristics, and thereby certifies it as a zone, 49942
the legislative authority may enter into an agreement with an 49943
enterprise under division (C) of this section. 49944

(B) Any enterprise that wishes to enter into an agreement 49945
with a municipal corporation under division (C) of this section 49946
shall submit a proposal to the legislative authority of the 49947
municipal corporation on a form prescribed by the director of 49948
development, together with the application fee established under 49949
section 5709.68 of the Revised Code. The form shall require the 49950
following information: 49951

(1) An estimate of the number of new employees whom the 49952
enterprise intends to hire, or of the number of employees whom the 49953
enterprise intends to retain, within the zone at a facility that 49954
is a project site, and an estimate of the amount of payroll of the 49955
enterprise attributable to these employees; 49956

(2) An estimate of the amount to be invested by the 49957
enterprise to establish, expand, renovate, or occupy a facility, 49958
including investment in new buildings, additions or improvements 49959
to existing buildings, machinery, equipment, furniture, fixtures, 49960

and inventory; 49961

(3) A listing of the enterprise's current investment, if any, 49962
in a facility as of the date of the proposal's submission. 49963

The enterprise shall review and update the listings required 49964
under this division to reflect material changes, and any agreement 49965
entered into under division (C) of this section shall set forth 49966
final estimates and listings as of the time the agreement is 49967
entered into. The legislative authority may, on a separate form 49968
and at any time, require any additional information necessary to 49969
determine whether an enterprise is in compliance with an agreement 49970
and to collect the information required to be reported under 49971
section 5709.68 of the Revised Code. 49972

(C) Upon receipt and investigation of a proposal under 49973
division (B) of this section, if the legislative authority finds 49974
that the enterprise submitting the proposal is qualified by 49975
financial responsibility and business experience to create and 49976
preserve employment opportunities in the zone and improve the 49977
economic climate of the municipal corporation, the legislative 49978
authority, on or before ~~June 30, 2004~~ October 15, 2009, may do one 49979
of the following: 49980

(1) Enter into an agreement with the enterprise under which 49981
the enterprise agrees to establish, expand, renovate, or occupy a 49982
facility and hire new employees, or preserve employment 49983
opportunities for existing employees, in return for one or more of 49984
the following incentives: 49985

(a) Exemption for a specified number of years, not to exceed 49986
ten, of a specified portion, up to seventy-five per cent, of the 49987
assessed value of tangible personal property first used in 49988
business at the project site as a result of the agreement. An 49989
exemption granted pursuant to this division applies to inventory 49990
required to be listed pursuant to sections 5711.15 and 5711.16 of 49991

the Revised Code, except that, in the instance of an expansion or 49992
other situations in which an enterprise was in business at the 49993
facility prior to the establishment of the zone, the inventory 49994
that is exempt is that amount or value of inventory in excess of 49995
the amount or value of inventory required to be listed in the 49996
personal property tax return of the enterprise in the return for 49997
the tax year in which the agreement is entered into. 49998

(b) Exemption for a specified number of years, not to exceed 49999
ten, of a specified portion, up to seventy-five per cent, of the 50000
increase in the assessed valuation of real property constituting 50001
the project site subsequent to formal approval of the agreement by 50002
the legislative authority; 50003

(c) Provision for a specified number of years, not to exceed 50004
ten, of any optional services or assistance that the municipal 50005
corporation is authorized to provide with regard to the project 50006
site. 50007

(2) Enter into an agreement under which the enterprise agrees 50008
to remediate an environmentally contaminated facility, to spend an 50009
amount equal to at least two hundred fifty per cent of the true 50010
value in money of the real property of the facility prior to 50011
remediation as determined for the purposes of property taxation to 50012
establish, expand, renovate, or occupy the remediated facility, 50013
and to hire new employees or preserve employment opportunities for 50014
existing employees at the remediated facility, in return for one 50015
or more of the following incentives: 50016

(a) Exemption for a specified number of years, not to exceed 50017
ten, of a specified portion, not to exceed fifty per cent, of the 50018
assessed valuation of the real property of the facility prior to 50019
remediation; 50020

(b) Exemption for a specified number of years, not to exceed 50021
ten, of a specified portion, not to exceed one hundred per cent, 50022

of the increase in the assessed valuation of the real property of 50023
the facility during or after remediation; 50024

(c) The incentive under division (C)(1)(a) of this section, 50025
except that the percentage of the assessed value of such property 50026
exempted from taxation shall not exceed one hundred per cent; 50027

(d) The incentive under division (C)(1)(c) of this section. 50028

(3) Enter into an agreement with an enterprise that plans to 50029
purchase and operate a large manufacturing facility that has 50030
ceased operation or announced its intention to cease operation, in 50031
return for exemption for a specified number of years, not to 50032
exceed ten, of a specified portion, up to one hundred per cent, of 50033
the assessed value of tangible personal property used in business 50034
at the project site as a result of the agreement, or of the 50035
assessed valuation of real property constituting the project site, 50036
or both. 50037

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this 50038
section, the portion of the assessed value of tangible personal 50039
property or of the increase in the assessed valuation of real 50040
property exempted from taxation under those divisions may exceed 50041
seventy-five per cent in any year for which that portion is 50042
exempted if the average percentage exempted for all years in which 50043
the agreement is in effect does not exceed sixty per cent, or if 50044
the board of education of the city, local, or exempted village 50045
school district within the territory of which the property is or 50046
will be located approves a percentage in excess of seventy-five 50047
per cent. For the purpose of obtaining such approval, the 50048
legislative authority shall deliver to the board of education a 50049
notice not later than forty-five days prior to approving the 50050
agreement, excluding Saturdays, Sundays, and legal holidays as 50051
defined in section 1.14 of the Revised Code. The notice shall 50052
state the percentage to be exempted, an estimate of the true value 50053
of the property to be exempted, and the number of years the 50054

property is to be exempted. The board of education, by resolution 50055
adopted by a majority of the board, shall approve or disapprove 50056
the agreement and certify a copy of the resolution to the 50057
legislative authority not later than fourteen days prior to the 50058
date stipulated by the legislative authority as the date upon 50059
which approval of the agreement is to be formally considered by 50060
the legislative authority. The board of education may include in 50061
the resolution conditions under which the board would approve the 50062
agreement, including the execution of an agreement to compensate 50063
the school district under division (B) of section 5709.82 of the 50064
Revised Code. The legislative authority may approve the agreement 50065
at any time after the board of education certifies its resolution 50066
approving the agreement to the legislative authority, or, if the 50067
board approves the agreement conditionally, at any time after the 50068
conditions are agreed to by the board and the legislative 50069
authority. 50070

If a board of education has adopted a resolution waiving its 50071
right to approve agreements and the resolution remains in effect, 50072
approval of an agreement by the board is not required under this 50073
division. If a board of education has adopted a resolution 50074
allowing a legislative authority to deliver the notice required 50075
under this division fewer than forty-five business days prior to 50076
the legislative authority's approval of the agreement, the 50077
legislative authority shall deliver the notice to the board not 50078
later than the number of days prior to such approval as prescribed 50079
by the board in its resolution. If a board of education adopts a 50080
resolution waiving its right to approve agreements or shortening 50081
the notification period, the board shall certify a copy of the 50082
resolution to the legislative authority. If the board of education 50083
rescinds such a resolution, it shall certify notice of the 50084
rescission to the legislative authority. 50085

(2) The legislative authority shall comply with section 50086

5709.83 of the Revised Code unless the board of education has 50087
adopted a resolution under that section waiving its right to 50088
receive such notice. 50089

(E) This division applies to zones certified by the director 50090
of development under this section prior to July 22, 1994. 50091

On or before ~~June 30, 2004~~ October 15, 2009, the legislative 50092
authority that designated a zone to which this division applies 50093
may enter into an agreement with an enterprise if the legislative 50094
authority makes the finding required under that division and 50095
determines that the enterprise satisfies one of the criteria 50096
described in divisions (E)(1) to (5) of this section: 50097

(1) The enterprise currently has no operations in this state 50098
and, subject to approval of the agreement, intends to establish 50099
operations in the zone; 50100

(2) The enterprise currently has operations in this state 50101
and, subject to approval of the agreement, intends to establish 50102
operations at a new location in the zone that would not result in 50103
a reduction in the number of employee positions at any of the 50104
enterprise's other locations in this state; 50105

(3) The enterprise, subject to approval of the agreement, 50106
intends to relocate operations, currently located in another 50107
state, to the zone; 50108

(4) The enterprise, subject to approval of the agreement, 50109
intends to expand operations at an existing site in the zone that 50110
the enterprise currently operates; 50111

(5) The enterprise, subject to approval of the agreement, 50112
intends to relocate operations, currently located in this state, 50113
to the zone, and the director of development has issued a waiver 50114
for the enterprise under division (B) of section 5709.633 of the 50115
Revised Code. 50116

The agreement shall require the enterprise to agree to 50117
establish, expand, renovate, or occupy a facility in the zone and 50118
hire new employees, or preserve employment opportunities for 50119
existing employees, in return for one or more of the incentives 50120
described in division (C) of this section. 50121

(F) All agreements entered into under this section shall be 50122
in the form prescribed under section 5709.631 of the Revised Code. 50123
After an agreement is entered into under this division, if the 50124
legislative authority revokes its designation of a zone, or if the 50125
director of development revokes the zone's certification, any 50126
entitlements granted under the agreement shall continue for the 50127
number of years specified in the agreement. 50128

(G) Except as otherwise provided in this division, an 50129
agreement entered into under this section shall require that the 50130
enterprise pay an annual fee equal to the greater of one per cent 50131
of the dollar value of incentives offered under the agreement or 50132
five hundred dollars; provided, however, that if the value of the 50133
incentives exceeds two hundred fifty thousand dollars, the fee 50134
shall not exceed two thousand five hundred dollars. The fee shall 50135
be payable to the legislative authority once per year for each 50136
year the agreement is effective on the days and in the form 50137
specified in the agreement. Fees paid shall be deposited in a 50138
special fund created for such purpose by the legislative authority 50139
and shall be used by the legislative authority exclusively for the 50140
purpose of complying with section 5709.68 of the Revised Code and 50141
by the tax incentive review council created under section 5709.85 50142
of the Revised Code exclusively for the purposes of performing the 50143
duties prescribed under that section. The legislative authority 50144
may waive or reduce the amount of the fee charged against an 50145
enterprise, but such a waiver or reduction does not affect the 50146
obligations of the legislative authority or the tax incentive 50147
review council to comply with section 5709.68 or 5709.85 of the 50148

Revised Code. 50149

(H) When an agreement is entered into pursuant to this 50150
section, the legislative authority authorizing the agreement shall 50151
forward a copy of the agreement to the director of development and 50152
to the tax commissioner within fifteen days after the agreement is 50153
entered into. If any agreement includes terms not provided for in 50154
section 5709.631 of the Revised Code affecting the revenue of a 50155
city, local, or exempted village school district or causing 50156
revenue to be foregone by the district, including any compensation 50157
to be paid to the school district pursuant to section 5709.82 of 50158
the Revised Code, those terms also shall be forwarded in writing 50159
to the director of development along with the copy of the 50160
agreement forwarded under this division. 50161

(I) After an agreement is entered into, the enterprise shall 50162
file with each personal property tax return required to be filed, 50163
or annual report required to be filed under section 5727.08 of the 50164
Revised Code, while the agreement is in effect, an informational 50165
return, on a form prescribed by the tax commissioner for that 50166
purpose, setting forth separately the property, and related costs 50167
and values, exempted from taxation under the agreement. 50168

(J) Enterprises may agree to give preference to residents of 50169
the zone within which the agreement applies relative to residents 50170
of this state who do not reside in the zone when hiring new 50171
employees under the agreement. 50172

(K) An agreement entered into under this section may include 50173
a provision requiring the enterprise to create one or more 50174
temporary internship positions for students enrolled in a course 50175
of study at a school or other educational institution in the 50176
vicinity, and to create a scholarship or provide another form of 50177
educational financial assistance for students holding such a 50178
position in exchange for the student's commitment to work for the 50179
enterprise at the completion of the internship. 50180

Sec. 5709.63. (A) With the consent of the legislative 50181
authority of each affected municipal corporation or of a board of 50182
township trustees, a board of county commissioners may, in the 50183
manner set forth in section 5709.62 of the Revised Code, designate 50184
one or more areas in one or more municipal corporations or in 50185
unincorporated areas of the county as proposed enterprise zones. A 50186
board of county commissioners may designate no more than one area 50187
within a township, or within adjacent townships, as a proposed 50188
enterprise zone. The board shall petition the director of 50189
development for certification of the area as having the 50190
characteristics set forth in division (A)(1) or (2) of section 50191
5709.61 of the Revised Code as amended by Substitute Senate Bill 50192
No. 19 of the 120th general assembly. Except as otherwise provided 50193
in division (D) of this section, on and after July 1, 1994, boards 50194
of county commissioners shall not enter into agreements under this 50195
section unless the board has petitioned the director and the 50196
director has certified the zone under this section as amended by 50197
that act; however, all agreements entered into under this section 50198
as it existed prior to July 1, 1994, and the incentives granted 50199
under those agreements shall remain in effect for the period 50200
agreed to under those agreements. The director shall make the 50201
determination in the manner provided under section 5709.62 of the 50202
Revised Code. Any enterprise wishing to enter into an agreement 50203
with the board under division (B) or (D) of this section shall 50204
submit a proposal to the board on the form and accompanied by the 50205
application fee prescribed under division (B) of section 5709.62 50206
of the Revised Code. The enterprise shall review and update the 50207
estimates and listings required by the form in the manner required 50208
under that division. The board may, on a separate form and at any 50209
time, require any additional information necessary to determine 50210
whether an enterprise is in compliance with an agreement and to 50211
collect the information required to be reported under section 50212

5709.68 of the Revised Code. 50213

(B) If the board of county commissioners finds that an 50214
enterprise submitting a proposal is qualified by financial 50215
responsibility and business experience to create and preserve 50216
employment opportunities in the zone and to improve the economic 50217
climate of the municipal corporation or municipal corporations or 50218
the unincorporated areas in which the zone is located and to which 50219
the proposal applies, the board, on or before ~~June 30, 2004~~ 50220
October 15, 2009, and with the consent of the legislative 50221
authority of each affected municipal corporation or of the board 50222
of township trustees may do either of the following: 50223

(1) Enter into an agreement with the enterprise under which 50224
the enterprise agrees to establish, expand, renovate, or occupy a 50225
facility in the zone and hire new employees, or preserve 50226
employment opportunities for existing employees, in return for the 50227
following incentives: 50228

(a) When the facility is located in a municipal corporation, 50229
the board may enter into an agreement for one or more of the 50230
incentives provided in division (C) of section 5709.62 of the 50231
Revised Code, subject to division (D) of that section; 50232

(b) When the facility is located in an unincorporated area, 50233
the board may enter into an agreement for one or more of the 50234
following incentives: 50235

(i) Exemption for a specified number of years, not to exceed 50236
ten, of a specified portion, up to sixty per cent, of the assessed 50237
value of tangible personal property first used in business at a 50238
project site as a result of the agreement. An exemption granted 50239
pursuant to this division applies to inventory required to be 50240
listed pursuant to sections 5711.15 and 5711.16 of the Revised 50241
Code, except, in the instance of an expansion or other situations 50242
in which an enterprise was in business at the facility prior to 50243

the establishment of the zone, the inventory that is exempt is 50244
that amount or value of inventory in excess of the amount or value 50245
of inventory required to be listed in the personal property tax 50246
return of the enterprise in the return for the tax year in which 50247
the agreement is entered into. 50248

(ii) Exemption for a specified number of years, not to exceed 50249
ten, of a specified portion, up to sixty per cent, of the increase 50250
in the assessed valuation of real property constituting the 50251
project site subsequent to formal approval of the agreement by the 50252
board; 50253

(iii) Provision for a specified number of years, not to 50254
exceed ten, of any optional services or assistance the board is 50255
authorized to provide with regard to the project site; 50256

(iv) The incentive described in division (C)(2) of section 50257
5709.62 of the Revised Code. 50258

(2) Enter into an agreement with an enterprise that plans to 50259
purchase and operate a large manufacturing facility that has 50260
ceased operation or has announced its intention to cease 50261
operation, in return for exemption for a specified number of 50262
years, not to exceed ten, of a specified portion, up to one 50263
hundred per cent, of tangible personal property used in business 50264
at the project site as a result of the agreement, or of real 50265
property constituting the project site, or both. 50266

(C)(1) Notwithstanding divisions (B)(1)(b)(i) and (ii) of 50267
this section, the portion of the assessed value of tangible 50268
personal property or of the increase in the assessed valuation of 50269
real property exempted from taxation under those divisions may 50270
exceed sixty per cent in any year for which that portion is 50271
exempted if the average percentage exempted for all years in which 50272
the agreement is in effect does not exceed fifty per cent, or if 50273
the board of education of the city, local, or exempted village 50274

school district within the territory of which the property is or 50275
will be located approves a percentage in excess of sixty per cent. 50276
For the purpose of obtaining such approval, the board of 50277
commissioners shall deliver to the board of education a notice not 50278
later than forty-five days prior to approving the agreement, 50279
excluding Saturdays, Sundays, and legal holidays as defined in 50280
section 1.14 of the Revised Code. The notice shall state the 50281
percentage to be exempted, an estimate of the true value of the 50282
property to be exempted, and the number of years the property is 50283
to be exempted. The board of education, by resolution adopted by a 50284
majority of the board, shall approve or disapprove the agreement 50285
and certify a copy of the resolution to the board of commissioners 50286
not later than fourteen days prior to the date stipulated by the 50287
board of commissioners as the date upon which approval of the 50288
agreement is to be formally considered by the board of 50289
commissioners. The board of education may include in the 50290
resolution conditions under which the board would approve the 50291
agreement, including the execution of an agreement to compensate 50292
the school district under division (B) of section 5709.82 of the 50293
Revised Code. The board of county commissioners may approve the 50294
agreement at any time after the board of education certifies its 50295
resolution approving the agreement to the board of county 50296
commissioners, or, if the board of education approves the 50297
agreement conditionally, at any time after the conditions are 50298
agreed to by the board of education and the board of county 50299
commissioners. 50300

If a board of education has adopted a resolution waiving its 50301
right to approve agreements and the resolution remains in effect, 50302
approval of an agreement by the board of education is not required 50303
under division (C) of this section. If a board of education has 50304
adopted a resolution allowing a board of county commissioners to 50305
deliver the notice required under this division fewer than 50306
forty-five business days prior to approval of the agreement by the 50307

board of county commissioners, the board of county commissioners 50308
shall deliver the notice to the board of education not later than 50309
the number of days prior to such approval as prescribed by the 50310
board of education in its resolution. If a board of education 50311
adopts a resolution waiving its right to approve agreements or 50312
shortening the notification period, the board of education shall 50313
certify a copy of the resolution to the board of county 50314
commissioners. If the board of education rescinds such a 50315
resolution, it shall certify notice of the rescission to the board 50316
of county commissioners. 50317

(2) The board of county commissioners shall comply with 50318
section 5709.83 of the Revised Code unless the board of education 50319
has adopted a resolution under that section waiving its right to 50320
receive such notice. 50321

(D) This division applies to zones certified by the director 50322
of development under this section prior to July 22, 1994. 50323

On or before ~~June 30, 2004~~ October 15, 2009, and with the 50324
consent of the legislative authority of each affected municipal 50325
corporation or board of township trustees of each affected 50326
township, the board of commissioners that designated a zone to 50327
which this division applies may enter into an agreement with an 50328
enterprise if the board makes the finding required under that 50329
division and determines that the enterprise satisfies one of the 50330
criteria described in divisions (D)(1) to (5) of this section: 50331

(1) The enterprise currently has no operations in this state 50332
and, subject to approval of the agreement, intends to establish 50333
operations in the zone; 50334

(2) The enterprise currently has operations in this state 50335
and, subject to approval of the agreement, intends to establish 50336
operations at a new location in the zone that would not result in 50337
a reduction in the number of employee positions at any of the 50338

enterprise's other locations in this state; 50339

(3) The enterprise, subject to approval of the agreement, 50340
intends to relocate operations, currently located in another 50341
state, to the zone; 50342

(4) The enterprise, subject to approval of the agreement, 50343
intends to expand operations at an existing site in the zone that 50344
the enterprise currently operates; 50345

(5) The enterprise, subject to approval of the agreement, 50346
intends to relocate operations, currently located in this state, 50347
to the zone, and the director of development has issued a waiver 50348
for the enterprise under division (B) of section 5709.633 of the 50349
Revised Code. 50350

The agreement shall require the enterprise to agree to 50351
establish, expand, renovate, or occupy a facility in the zone and 50352
hire new employees, or preserve employment opportunities for 50353
existing employees, in return for one or more of the incentives 50354
described in division (B) of this section. 50355

(E) All agreements entered into under this section shall be 50356
in the form prescribed under section 5709.631 of the Revised Code. 50357
After an agreement under this section is entered into, if the 50358
board of county commissioners revokes its designation of the zone, 50359
or if the director of development revokes the zone's 50360
certification, any entitlements granted under the agreement shall 50361
continue for the number of years specified in the agreement. 50362

(F) Except as otherwise provided in this paragraph, an 50363
agreement entered into under this section shall require that the 50364
enterprise pay an annual fee equal to the greater of one per cent 50365
of the dollar value of incentives offered under the agreement or 50366
five hundred dollars; provided, however, that if the value of the 50367
incentives exceeds two hundred fifty thousand dollars, the fee 50368
shall not exceed two thousand five hundred dollars. The fee shall 50369

be payable to the board of commissioners once per year for each 50370
year the agreement is effective on the days and in the form 50371
specified in the agreement. Fees paid shall be deposited in a 50372
special fund created for such purpose by the board and shall be 50373
used by the board exclusively for the purpose of complying with 50374
section 5709.68 of the Revised Code and by the tax incentive 50375
review council created under section 5709.85 of the Revised Code 50376
exclusively for the purposes of performing the duties prescribed 50377
under that section. The board may waive or reduce the amount of 50378
the fee charged against an enterprise, but such waiver or 50379
reduction does not affect the obligations of the board or the tax 50380
incentive review council to comply with section 5709.68 or 5709.85 50381
of the Revised Code, respectively. 50382

(G) With the approval of the legislative authority of a 50383
municipal corporation or the board of township trustees of a 50384
township in which a zone is designated under division (A) of this 50385
section, the board of county commissioners may delegate to that 50386
legislative authority or board any powers and duties of the board 50387
to negotiate and administer agreements with regard to that zone 50388
under this section. 50389

(H) When an agreement is entered into pursuant to this 50390
section, the legislative authority authorizing the agreement shall 50391
forward a copy of the agreement to the director of development and 50392
to the tax commissioner within fifteen days after the agreement is 50393
entered into. If any agreement includes terms not provided for in 50394
section 5709.631 of the Revised Code affecting the revenue of a 50395
city, local, or exempted village school district or causing 50396
revenue to be foregone by the district, including any compensation 50397
to be paid to the school district pursuant to section 5709.82 of 50398
the Revised Code, those terms also shall be forwarded in writing 50399
to the director of development along with the copy of the 50400
agreement forwarded under this division. 50401

(I) After an agreement is entered into, the enterprise shall 50402
file with each personal property tax return required to be filed, 50403
or annual report that is required to be filed under section 50404
5727.08 of the Revised Code, while the agreement is in effect, an 50405
informational return, on a form prescribed by the tax commissioner 50406
for that purpose, setting forth separately the property, and 50407
related costs and values, exempted from taxation under the 50408
agreement. 50409

(J) Enterprises may agree to give preference to residents of 50410
the zone within which the agreement applies relative to residents 50411
of this state who do not reside in the zone when hiring new 50412
employees under the agreement. 50413

(K) An agreement entered into under this section may include 50414
a provision requiring the enterprise to create one or more 50415
temporary internship positions for students enrolled in a course 50416
of study at a school or other educational institution in the 50417
vicinity, and to create a scholarship or provide another form of 50418
educational financial assistance for students holding such a 50419
position in exchange for the student's commitment to work for the 50420
enterprise at the completion of the internship. 50421

Sec. 5709.632. (A)(1) The legislative authority of a 50422
municipal corporation defined by the United States office of 50423
management and budget as a central city of a metropolitan 50424
statistical area may, in the manner set forth in section 5709.62 50425
of the Revised Code, designate one or more areas in the municipal 50426
corporation as a proposed enterprise zone. 50427

(2) With the consent of the legislative authority of each 50428
affected municipal corporation or of a board of township trustees, 50429
a board of county commissioners may, in the manner set forth in 50430
section 5709.62 of the Revised Code, designate one or more areas 50431
in one or more municipal corporations or in unincorporated areas 50432

of the county as proposed urban jobs and enterprise zones, except 50433
that a board of county commissioners may designate no more than 50434
one area within a township, or within adjacent townships, as a 50435
proposed urban jobs and enterprise zone. 50436

(3) The legislative authority or board of county 50437
commissioners may petition the director of development for 50438
certification of the area as having the characteristics set forth 50439
in division (A)(3) of section 5709.61 of the Revised Code. Within 50440
sixty days after receiving such a petition, the director shall 50441
determine whether the area has the characteristics set forth in 50442
that division and forward the findings to the legislative 50443
authority or board of county commissioners. If the director 50444
certifies the area as having those characteristics and thereby 50445
certifies it as a zone, the legislative authority or board may 50446
enter into agreements with enterprises under division (B) of this 50447
section. Any enterprise wishing to enter into an agreement with a 50448
legislative authority or board of commissioners under this section 50449
and satisfying one of the criteria described in divisions (B)(1) 50450
to (5) of this section shall submit a proposal to the legislative 50451
authority or board on the form prescribed under division (B) of 50452
section 5709.62 of the Revised Code and shall review and update 50453
the estimates and listings required by the form in the manner 50454
required under that division. The legislative authority or board 50455
may, on a separate form and at any time, require any additional 50456
information necessary to determine whether an enterprise is in 50457
compliance with an agreement and to collect the information 50458
required to be reported under section 5709.68 of the Revised Code. 50459

(B) Prior to entering into an agreement with an enterprise, 50460
the legislative authority or board of county commissioners shall 50461
determine whether the enterprise submitting the proposal is 50462
qualified by financial responsibility and business experience to 50463
create and preserve employment opportunities in the zone and to 50464

improve the economic climate of the municipal corporation or 50465
municipal corporations or the unincorporated areas in which the 50466
zone is located and to which the proposal applies, and whether the 50467
enterprise satisfies one of the following criteria: 50468

(1) The enterprise currently has no operations in this state 50469
and, subject to approval of the agreement, intends to establish 50470
operations in the zone; 50471

(2) The enterprise currently has operations in this state 50472
and, subject to approval of the agreement, intends to establish 50473
operations at a new location in the zone that would not result in 50474
a reduction in the number of employee positions at any of the 50475
enterprise's other locations in this state; 50476

(3) The enterprise, subject to approval of the agreement, 50477
intends to relocate operations, currently located in another 50478
state, to the zone; 50479

(4) The enterprise, subject to approval of the agreement, 50480
intends to expand operations at an existing site in the zone that 50481
the enterprise currently operates; 50482

(5) The enterprise, subject to approval of the agreement, 50483
intends to relocate operations, currently located in this state, 50484
to the zone, and the director of development has issued a waiver 50485
for the enterprise under division (B) of section 5709.633 of the 50486
Revised Code. 50487

(C) If the legislative authority or board determines that the 50488
enterprise is so qualified and satisfies one of the criteria 50489
described in divisions (B)(1) to (5) of this section, the 50490
legislative authority or board may, after complying with section 50491
5709.83 of the Revised Code and on or before ~~June 30, 2004~~ October
15, 2009, and, in the case of a board of commissioners, with the 50492
consent of the legislative authority of each affected municipal 50493
corporation or of the board of township trustees, enter into an 50494
corporation or of the board of township trustees, enter into an 50495

agreement with the enterprise under which the enterprise agrees to 50496
establish, expand, renovate, or occupy a facility in the zone and 50497
hire new employees, or preserve employment opportunities for 50498
existing employees, in return for the following incentives: 50499

(1) When the facility is located in a municipal corporation, 50500
a legislative authority or board of commissioners may enter into 50501
an agreement for one or more of the incentives provided in 50502
division (C) of section 5709.62 of the Revised Code, subject to 50503
division (D) of that section; 50504

(2) When the facility is located in an unincorporated area, a 50505
board of commissioners may enter into an agreement for one or more 50506
of the incentives provided in divisions (B)(1)(b), (B)(2), and 50507
(B)(3) of section 5709.63 of the Revised Code, subject to division 50508
(C) of that section. 50509

(D) All agreements entered into under this section shall be 50510
in the form prescribed under section 5709.631 of the Revised Code. 50511
After an agreement under this section is entered into, if the 50512
legislative authority or board of county commissioners revokes its 50513
designation of the zone, or if the director of development revokes 50514
the zone's certification, any entitlements granted under the 50515
agreement shall continue for the number of years specified in the 50516
agreement. 50517

(E) Except as otherwise provided in this division, an 50518
agreement entered into under this section shall require that the 50519
enterprise pay an annual fee equal to the greater of one per cent 50520
of the dollar value of incentives offered under the agreement or 50521
five hundred dollars; provided, however, that if the value of the 50522
incentives exceeds two hundred fifty thousand dollars, the fee 50523
shall not exceed two thousand five hundred dollars. The fee shall 50524
be payable to the legislative authority or board of commissioners 50525
once per year for each year the agreement is effective on the days 50526
and in the form specified in the agreement. Fees paid shall be 50527

deposited in a special fund created for such purpose by the 50528
legislative authority or board and shall be used by the 50529
legislative authority or board exclusively for the purpose of 50530
complying with section 5709.68 of the Revised Code and by the tax 50531
incentive review council created under section 5709.85 of the 50532
Revised Code exclusively for the purposes of performing the duties 50533
prescribed under that section. The legislative authority or board 50534
may waive or reduce the amount of the fee charged against an 50535
enterprise, but such waiver or reduction does not affect the 50536
obligations of the legislative authority or board or the tax 50537
incentive review council to comply with section 5709.68 or 5709.85 50538
of the Revised Code, respectively. 50539

(F) With the approval of the legislative authority of a 50540
municipal corporation or the board of township trustees of a 50541
township in which a zone is designated under division (A)(2) of 50542
this section, the board of county commissioners may delegate to 50543
that legislative authority or board any powers and duties of the 50544
board to negotiate and administer agreements with regard to that 50545
zone under this section. 50546

(G) When an agreement is entered into pursuant to this 50547
section, the legislative authority or board of commissioners 50548
authorizing the agreement shall forward a copy of the agreement to 50549
the director of development and to the tax commissioner within 50550
fifteen days after the agreement is entered into. If any agreement 50551
includes terms not provided for in section 5709.631 of the Revised 50552
Code affecting the revenue of a city, local, or exempted village 50553
school district or causing revenue to be foregone by the district, 50554
including any compensation to be paid to the school district 50555
pursuant to section 5709.82 of the Revised Code, those terms also 50556
shall be forwarded in writing to the director of development along 50557
with the copy of the agreement forwarded under this division. 50558

(H) After an agreement is entered into, the enterprise shall 50559

file with each personal property tax return required to be filed 50560
while the agreement is in effect, an informational return, on a 50561
form prescribed by the tax commissioner for that purpose, setting 50562
forth separately the property, and related costs and values, 50563
exempted from taxation under the agreement. 50564

(I) An agreement entered into under this section may include 50565
a provision requiring the enterprise to create one or more 50566
temporary internship positions for students enrolled in a course 50567
of study at a school or other educational institution in the 50568
vicinity, and to create a scholarship or provide another form of 50569
educational financial assistance for students holding such a 50570
position in exchange for the student's commitment to work for the 50571
enterprise at the completion of the internship. 50572

Sec. 5709.64. (A) If an enterprise has been granted an 50573
incentive for the current calendar year under an agreement entered 50574
pursuant to section 5709.62, 5709.63, or 5709.632 of the Revised 50575
Code, it may apply, on or before the thirtieth day of April of 50576
that year, to the director of development, on a form prescribed by 50577
the director, for a tax incentive qualification certificate. The 50578
enterprise qualifies for an initial certificate if, on or before 50579
the last day of the calendar year immediately preceding that in 50580
which application is made, it satisfies all of the following 50581
requirements: 50582

(1) The enterprise has established, expanded, renovated, or 50583
occupied a facility pursuant to the agreement under section 50584
5709.62, 5709.63, or 5709.632 of the Revised Code. 50585

(2) The enterprise has hired new employees to fill nonretail 50586
positions at the facility, at least twenty-five per cent of whom 50587
at the time they were employed were at least one of the following: 50588

(a) Unemployed persons who had resided at least six months in 50589
the county in which the enterprise's project site is located; 50590

(b) JPTA eligible employees who had resided at least six months in the county in which the enterprise's project site is located; 50591
50592
50593

(c) Participants of the Ohio works first program under Chapter 5107. of the Revised Code or the prevention, retention, and contingency program under Chapter 5108. of the Revised Code or recipients of general assistance under former Chapter 5113. of the Revised Code, ~~disability~~ financial assistance under Chapter 5115. of the Revised Code, or unemployment compensation benefits who had resided at least six months in the county in which the enterprise's project site is located; 50594
50595
50596
50597
50598
50599
50600
50601

(d) Handicapped persons, as defined under division (A) of section 3304.11 of the Revised Code, who had resided at least six months in the county in which the enterprise's project site is located; 50602
50603
50604
50605

(e) Residents for at least one year of a zone located in the county in which the enterprise's project site is located. 50606
50607

The director of development shall, by rule, establish criteria for determining what constitutes a nonretail position at a facility. 50608
50609
50610

(3) The average number of positions attributable to the enterprise in the municipal corporation during the calendar year immediately preceding the calendar year in which application is made exceeds the maximum number of positions attributable to the enterprise in the municipal corporation during the calendar year immediately preceding the first year the enterprise satisfies the requirements set forth in divisions (A)(1) and (2) of this section. If the enterprise is engaged in a business which, because of its seasonal nature, customarily enables the enterprise to operate at full capacity only during regularly recurring periods of the year, the average number of positions attributable to the 50611
50612
50613
50614
50615
50616
50617
50618
50619
50620
50621

enterprise in the municipal corporation during each period of the 50622
calendar year immediately preceding the calendar year in which 50623
application is made must exceed only the maximum number of 50624
positions attributable to the enterprise in each corresponding 50625
period of the calendar year immediately preceding the first year 50626
the enterprise satisfies the requirements of divisions (A)(1) and 50627
(2) of this section. The director of development shall, by rule, 50628
prescribe methods for determining whether an enterprise is engaged 50629
in a seasonal business and for determining the length of the 50630
corresponding periods to be compared. 50631

(4) The enterprise has not closed or reduced employment at 50632
any place of business in the state for the primary purpose of 50633
establishing, expanding, renovating, or occupying a facility. The 50634
legislative authority of any municipal corporation or the board of 50635
county commissioners of any county that concludes that an 50636
enterprise has closed or reduced employment at a place of business 50637
in that municipal corporation or county for the primary purpose of 50638
establishing, expanding, renovating, or occupying a facility in a 50639
zone may appeal to the director to determine whether the 50640
enterprise has done so. Upon receiving such an appeal, the 50641
director shall investigate the allegations and make such a 50642
determination before issuing an initial or renewal tax incentive 50643
qualification certificate under this section. 50644

Within sixty days after receiving an application under this 50645
division, the director shall review, investigate, and verify the 50646
application and determine whether the enterprise qualifies for a 50647
certificate. The application shall include an affidavit executed 50648
by the applicant verifying that the enterprise satisfies the 50649
requirements of division (A)(2) of this section, and shall contain 50650
such information and documents as the director requires, by rule, 50651
to ascertain whether the enterprise qualifies for a certificate. 50652
If the director finds the enterprise qualified, the director shall 50653

issue a tax incentive qualification certificate, which shall bear 50654
as its date of issuance the thirtieth day of June of the year of 50655
application, and shall state that the applicant is entitled to 50656
receive, for the taxable year that includes the certificate's date 50657
of issuance, the tax incentives provided under section 5709.65 of 50658
the Revised Code with regard to the facility to which the 50659
certificate applies. If an enterprise is issued an initial 50660
certificate, it may apply, on or before the thirtieth day of April 50661
of each succeeding calendar year for which it has been granted an 50662
incentive under an agreement entered pursuant to section 5709.62, 50663
5709.63, or 5709.632 of the Revised Code, for a renewal 50664
certificate. Subsequent to its initial certification, the 50665
enterprise qualifies for up to three successive renewal 50666
certificates if, on or before the last day of the calendar year 50667
immediately preceding that in which the application is made, it 50668
satisfies all the requirements of divisions (A)(1) to (4) of this 50669
section, and neither the zone's designation nor the zone's 50670
certification has been revoked prior to the fifteenth day of June 50671
of the year in which the application is made. The application 50672
shall include an affidavit executed by the applicant verifying 50673
that the enterprise satisfies the requirements of division (A)(2) 50674
of this section. An enterprise with ten or more supervisory 50675
personnel at the facility to which a certificate applies qualifies 50676
for any subsequent renewal certificates only if it meets all of 50677
the foregoing requirements and, in addition, at least ten per cent 50678
of those supervisory personnel are employees who, when first hired 50679
by the enterprise, satisfied at least one of the criteria 50680
specified in divisions (A)(2)(a) to (e) of this section. If the 50681
enterprise qualifies, a renewal certificate shall be issued 50682
bearing as its date of issuance the thirtieth day of June of the 50683
year of application. The director shall send copies of the initial 50684
certificate, and each renewal certificate, by certified mail, to 50685

specifying the reasons for it, by certified mail, to the 50693
applicant, the tax commissioner, the board of county 50694
commissioners, and the chief executive of the municipal 50695
corporation in which the facility to which the certificate would 50696

notice, an enterprise may request, in writing, a hearing before 50698
the director for the purpose of reviewing the application and the 50699
reasons for the determination. Within sixty days after receiving a 50700
request for a hearing, the director shall afford one and, within 50701
thirty days after the hearing, shall issue a redetermination of 50702
the enterprise's qualification for a certificate. If the 50703
enterprise is found to be qualified, the director shall proceed in 50704
the manner provided under division (A) of this section. If the 50705
enterprise is found to be unqualified, the director shall send 50706
notice of this finding, by certified mail, to the applicant, the 50707
tax commissioner, the board of county commissioners, and the chief 50708
executive of the municipal corporation in which the facility to 50709
which the certificate would have applied is located. The 50710
director's redetermination that an enterprise is unqualified may 50711
be appealed to the board of tax appeals in the manner provided 50712
under section 5717.02 of the Revised Code. 50713

Sec. 5709.67. (A) Except as otherwise provided in sections 50714
5709.61 to 5709.69 of the Revised Code, the director of 50715
development shall administer those sections and shall adopt such 50716
rules as are necessary to ensure that no zone is certified or 50717
remains certified unless it meets any applicable requirements of 50718

division (A) of section 5709.61 of the Revised Code, ~~and to~~ 50719
~~determine the number of positions attributable to an enterprise~~ 50720
~~for the purposes of division (A)(3) of section 5709.64 of the~~ 50721
~~Revised Code.~~ The director shall assign to each zone currently 50722
certified a unique designation by which the zone shall be 50723
identified for purposes of administering sections 5709.61 to 50724
5709.69 of the Revised Code. The tax commissioner shall administer 50725
all other tax incentives provided under sections 5709.61 to 50726
5709.69 of the Revised Code and shall adopt such rules as are 50727
necessary to carry out that duty. No tax incentive qualification 50728
certificate or employee tax credit certificate shall be issued or 50729
remain in effect unless the enterprise applying for or holding the 50730
certificate complies with all such rules. The director of job and 50731
family services shall administer the incentive provided under 50732
division (B)(1) of former section 5709.66 of the Revised Code and 50733
shall adopt such rules as are necessary to carry out that duty. No 50734
extension of benefits certificate shall be issued or remain in 50735
effect unless the enterprise applying for or holding the 50736
certificate complies with all such rules. 50737

(B) Not later than the first day of August each year, the 50738
director of development shall report to the general assembly on 50739
all of the following for the preceding calendar year: 50740

(4) The number of new employees hired as a result of the tax 50749

and other incentives provided under sections 5709.61 to 5709.69 of 50750
the Revised Code; 50751

(5) Information on agreement terms concerning school district 50752
revenue that are not provided for in section 5709.631 of the 50753
Revised Code and that are forwarded to the director under division 50754
(H) of section 5709.62, division (H) of section 5709.63, or 50755
division (G) of section 5709.632 of the Revised Code. 50756

The report shall include a finding by the director as to 50757
whether the incentives provided under sections 5709.61 to 5709.69 50758
of the Revised Code have resulted in the creation of more 50759
positions in the state than would have been created without the 50760
incentives. The director shall send a copy of the report to each 50761
member of the general assembly and to the director of the 50762
legislative service commission. 50763

(C) All forms used in connection with the administration of 50764
sections 5709.61 to 5709.69 of the Revised Code, except forms 50765

Sec. 5709.84. (A) As used in this section: 50771

(1) "Local railroad operations" means the provision of 50772
railroad service by a qualified railroad company within the 50773
territorial jurisdiction of a county, township, or municipal 50774
corporation, which railroad service replaces railroad service that 50775
was discontinued in the territorial jurisdiction of the county, 50776
township, or municipal corporation on or after January 1, 1980. 50777

(2) "Qualified railroad company" means a railroad company as 50778
defined in division (D)~~(9)~~(8) of section 5727.01 of the Revised 50779

Code that is formed by a person or governmental entity to provide 50780
local railroad operations. 50781

(B) The legislative authority of a county, township, or 50782
municipal corporation, by resolution or ordinance, may declare any 50783
of the following as being used for a public purpose: 50784

(1) Real and tangible personal property owned by the county, 50785
township, or municipal corporation that is leased or otherwise 50786
made available to a qualified railroad company for use in local 50787
railroad operations; 50788

(2) Real and tangible personal property owned by any other 50789
public or any private entity that is leased or otherwise made 50790
available to a qualified railroad company for use in local 50791
railroad operations; 50792

(3) Real and tangible personal property owned by a qualified 50793
railroad company that is used in local railroad operations. 50794

Real and tangible personal property declared as being used 50795
for a public purpose under division (B)(1), (2), or (3) of this 50796
section is exempt from taxation for a period, not to exceed ten 50797
years, specified in the resolution or ordinance declaring the 50798
property as being used for a public purpose and commencing on the 50799
effective date of the resolution or ordinance. The exemption 50800
applies to the property only in the proportion it is used in local 50801
railroad operations within the territorial jurisdiction of the 50802
county, township, or municipal corporation that declared it as 50803
being used for a public purpose. 50804

The legislative authority shall not take formal action to 50805
adopt a resolution or an ordinance that grants a tax exemption 50806
under this section until section 5709.83 of the Revised Code has 50807
been complied with. Upon adopting the resolution or ordinance, the 50808
legislative authority shall transmit a certified copy to the tax 50809
commissioner, the county auditor, and the county treasurer. 50810

A qualified railroad company receiving an exemption shall cooperate with the legislative authority in an inspection, and shall provide any information relevant to the exemption that is requested by the legislative authority.

If the legislative authority determines that exempted property is not in use for local railroad operations, or if a qualified railroad company interferes with an inspection or fails to answer a request for information, the legislative authority, by resolution or ordinance, may suspend its declaration under division (B) of this section until it verifies that the qualified railroad company is using the property for local railroad operations, or may revoke the declaration. The legislative authority shall transmit a certified copy of a resolution or ordinance suspending or revoking its declaration to the tax commissioner, the county auditor, and the county treasurer. The county auditor and county treasurer shall place the property on the tax list and duplicate for the tax year in which the resolution or ordinance of suspension or revocation was adopted. The qualified railroad company may appeal the suspension or revocation to the court of common pleas in the county in which the exemption is granted.

Sec. 5711.27. No taxpayer shall fail to make a return within 51083
the time prescribed by law, or as extended pursuant to section 51084
5711.04 of the Revised Code, nor fail to list in a return or 51085
disclose on an accompanying balance sheet or in other information 51086
filed with the return any item of taxable property ~~which he~~ the 51087
taxpayer is required ~~by~~ to list in the return under sections 51088
5711.01 to 5711.36 of the Revised Code, ~~to list therein.~~ 51089

~~If any taxpayer does so fail the following shall apply:~~ 51090

~~(A) In the case of a taxpayer who fails to make a timely~~ 51091
~~return, the assessor shall add to the taxpayer's assessment as a~~ 51092

~~penalty, one half of the taxpayer's taxable value that is exempt 51093
from taxation under division (C)(3) of section 5709.01 of the 51094
Revised Code. If the taxpayer's taxable value that is exempt from 51095
taxation under division (C)(3) of section 5709.01 of the Revised 51096
Code is located in more than one taxing district, the penalty 51097
assessment shall be applied among taxing districts as if only five 51098
thousand dollars, or one half of the taxpayer's taxable valuation, 51099
whichever is less, had been exempt from taxation under such 51100
division. 51101~~

~~(B) In the case of a taxpayer who fails to make a timely 51102
return, or fails to list or disclose any item he the taxpayer is 51103
required to return, the assessor shall add to the assessment of 51104
each class or item of taxable property ~~which~~ the taxpayer failed 51105
to return, list, or disclose ~~and to any amount added under~~ 51106
~~division (A) of this section,~~ a penalty of up to fifty per cent 51107
~~thereof of the assessment;~~ but if such taxpayer makes, within 51108
sixty days after the expiration of the time prescribed by such 51109
sections, a return or an amended or supplementary return and lists 51110
therein or discloses on an accompanying balance sheet or in other 51111
information filed with the return all items of taxable property 51112
~~which he the taxpayer~~ is required by such sections to list, and in 51113
all cases in which the taxpayer's only default is ~~his~~ the failure 51114
to pay the amounts specified in section 5719.02 of the Revised 51115
Code within the time therein specified, such penalty shall be five 51116
per cent of the assessment, and, if the assessment certificate has 51117
been issued, an amended assessment certificate shall be issued and 51118
substituted therefor. 51119~~

~~Either or both of the penalties~~ The penalty provided in this 51120
section may be abated in whole or in part by the assessor when it 51121
is shown that such failure is due to reasonable cause. The penalty 51122
assessment shall be entered on the proper tax list and duplicate, 51123
and taxes shall be levied thereon the same as on the assessment 51124

itself. 51125

~~If any taxpayer does so fail with respect to a return 51126
required to be filed for tax year 1982 or any prior year, the 51127
assessor shall add to the assessment of each class or item of 51128
taxable property which the taxpayer failed to return, list or 51129
disclose in addition to the penalties provided by law, an 51130
additional charge at the rate of one half of one per cent per 51131
month from the date such property should have been returned or 51132
disclosed until the same is assessed, provided that said 51133
additional charge shall not be added to an assessment for any 51134
period of time in excess of ten years previous to the date of the 51135
assessment. 51136~~

A fiduciary against whom a penalty assessment is made shall 51137
be personally liable for the amount of taxes levied in respect to 51138
such penalty assessment and any additional charge, and in case of 51139
fraud or intent to evade taxes, such fiduciary shall have no right 51140
of reimbursement against the property held by ~~him~~ the fiduciary as 51141
such fiduciary nor against the person for whose benefit the same 51142
is held. 51143

Sec. 5711.33. (A)(1) When a county treasurer receives a 51144
certificate from a county auditor pursuant to division (A) of 51145
section 5711.32 of the Revised Code charging the treasurer with 51146
the collection of an amount of taxes due as the result of a 51147
deficiency assessment, the treasurer shall immediately prepare and 51148
mail a tax bill to the taxpayer owing such tax. The tax bill shall 51149
contain the name of the taxpayer; the taxable value, tax rate, and 51150
taxes charged for each year being assessed; the total amount of 51151
taxes due; the final date payment may be made without additional 51152
penalty; and any other information the treasurer considers 51153
pertinent or necessary. Taxes due and payable as a result of a 51154
deficiency assessment, less any amount specifically excepted from 51155

collection under division (B) of section 5711.32 of the Revised Code, shall be paid with interest thereon as prescribed by section 5719.041 of the Revised Code on or before the sixtieth day following the date of issuance of the certificate by the county auditor. The balance of taxes found due and payable after a final determination by the tax commissioner or a final judgment of the board of tax appeals or any court to which such final judgment may be appealed, shall be paid with interest thereon as prescribed by section 5719.041 of the Revised Code on or before the sixtieth day following the date of certification by the auditor to the treasurer pursuant to division (C) of section 5711.32 of the Revised Code of such final determination or judgment. Such final dates for payment shall be determined and exhibited on the tax bill by the treasurer.

(2) If, on or before the sixtieth day following the date of a certification of a deficiency assessment under division (A) of section 5711.32 of the Revised Code or of a certification of a final determination or judgment under division (C) of section 5711.32 of the Revised Code, the taxpayer pays the full amount of taxes and interest due at the time of the receipt of certification with respect to that assessment, determination, or judgment, no interest shall accrue or be charged with respect to that assessment, determination, or judgment for the period that begins on the first day of the month in which the certification is made and that ends on the last day of the month preceding the month in which such sixtieth day occurs.

(B) When the taxes charged, as mentioned in division (A) of this section, are not paid within the time prescribed by such division, a penalty of ten per cent of the amount due and unpaid and interest for the period described in division (A)(2) of this section shall accrue at the time the treasurer closes the treasurer's office for business on the last day so prescribed, but

if the taxes are paid within ten days subsequent to the last day 51188
prescribed, the treasurer shall waive the collection of and the 51189
auditor shall remit one-half of the penalty. The treasurer shall 51190
not thereafter accept less than the full amount of taxes and 51191
penalty except as otherwise authorized by law. Such penalty shall 51192
be distributed in the same manner and at the same time as the tax 51193
upon which it has accrued. The whole amount collected shall be 51194
included in the next succeeding settlement of appropriate taxes. 51195

(C) When the taxes charged, as mentioned in division (A) of 51196
this section, remain unpaid after the final date for payment 51197
prescribed by such division, such charges shall be deemed to be 51198
delinquent taxes. The county auditor shall cause such charges, 51199
including the penalty that has accrued pursuant to this section, 51200
to be added to the delinquent tax duplicate in accordance with 51201
section 5719.04 of the Revised Code. 51202

(D) The county auditor, upon consultation with the county 51203
treasurer, shall remit a penalty imposed under division (B) of 51204
this section or division (C) of section 5719.03 of the Revised 51205
Code for the late payment of taxes when: 51206

(1) The taxpayer could not make timely payment of the tax 51207
because of the negligence or error of the county auditor or county 51208
treasurer in the performance of a statutory duty relating to the 51209
levy or collection of such tax. 51210

(2) In cases other than those described in division (D)(1) of 51211
this section, the taxpayer failed to receive a tax bill or a 51212
correct tax bill, and the taxpayer made a good faith effort to 51213
obtain such bill within thirty days after the last day for payment 51214
of the tax. 51215

(3) The tax was not timely paid because of the death or 51216
serious injury of the taxpayer, or the taxpayer's confinement in a 51217
hospital within sixty days preceding the last day for payment of 51218

the tax if, in any case, the tax was subsequently paid within 51219
sixty days after the last day for payment of such tax. 51220

(4) The taxpayer demonstrates ~~to the satisfaction of the~~ 51221
~~auditor~~ that the full payment was properly deposited in the mail 51222
in sufficient time for the envelope to be postmarked by the United 51223
States postal service on or before the last day for payment of 51224
such tax. A private meter postmark on an envelope is not a valid 51225
postmark for purposes of establishing the date of payment of such 51226
tax. 51227

(5) In cases other than those described in divisions (D)(1) 51228
to (4) of this section, the taxpayer's failure to make timely 51229
payment of the tax is due to reasonable cause and not willful 51230
neglect. 51231

(E) The taxpayer, upon application within sixty days after 51232
the mailing of the county auditor's decision, may request the tax 51233
commissioner to review the denial of the remission of a penalty by 51234
the county auditor. The application may be filed in person or by 51235
certified mail. If the application is filed by certified mail, the 51236
date of the United States postmark placed on the sender's receipt 51237
by the postal service shall be treated as the date of filing. The 51238
commissioner shall consider the application, determine whether the 51239
penalty should be remitted, and certify the determination to the 51240
taxpayer and to the county treasurer and county auditor, who shall 51241
correct the tax list and duplicate accordingly. The commissioner 51242
~~shall~~ may issue orders and instructions for the uniform 51243
implementation of this section by all county auditors and county 51244
treasurers, and such orders and instructions shall be followed by 51245
such officers. 51246

Sec. 5713.07. The county auditor, at the time of making the 51247
assessment of real property subject to taxation, shall enter in a 51248
separate list pertinent descriptions of all burying grounds, 51249

public schoolhouses, houses used exclusively for public worship, 51250
institutions of purely public charity, real property used 51251
exclusively for a home for the aged, as defined in section 5701.13 51252
of the Revised Code, ~~and~~ public buildings and property used 51253
exclusively for any public purpose, and any other property, with 51254
the lot or tract of land on which such house, institution, ~~or~~ 51255
public building, or other property is situated, and which ~~are~~ 51256
exempt have been exempted from taxation by either the tax 51257
commissioner under section 5715.27 of the Revised Code or by the 51258
housing officer under section 3735.67 of the Revised Code. ~~He~~ The 51259
auditor shall value such houses, buildings, property, and lots and 51260
tracts of land at their taxable value in the same manner as ~~he~~ the 51261
auditor is required to value other real property, designating in 51262
each case the township, municipal corporation, and number of the 51263
school district, or the name or designation of the school, 51264
religious society, or institution to which each house, lot, or 51265
tract belongs. If such property is held and used for other public 51266
purposes, ~~he~~ the auditor shall state by whom or how it is held. 51267

Sec. 5713.08. (A) The county auditor shall make a list of all 51268
real and personal property in the auditor's county, including 51269
money, credits, and investments in bonds, stocks, or otherwise, 51270
which is exempted from taxation. Such list shall show the name of 51271
the owner, the value of the property exempted, and a statement in 51272
brief form of the ground on which such exemption has been granted. 51273
It shall be corrected annually by adding thereto the items of 51274
property which have been exempted during the year, and by striking 51275
therefrom the items which in the opinion of the auditor have lost 51276
their right of exemption and which have been reentered on the 51277
taxable list. No additions shall be made to such exempt lists and 51278
no additional items of property shall be exempted from taxation 51279
without the consent of the tax commissioner as is provided for in 51280
section 5715.27 of the Revised Code, ~~but when~~ or without the 51281

consent of the housing officer under section 3735.67 of the 51282
Revised Code. When any personal property or endowment fund of an 51283
institution has once been held by the commissioner to be properly 51284
exempt from taxation, it is not necessary to obtain the 51285
commissioner's consent to the exemption of additional property or 51286
investments of the same kind belonging to the same institution, 51287
but such property shall appear on the abstract filed annually with 51288
the commissioner. The commissioner may revise at any time the list 51289
in every county so that no property is improperly or illegally 51290
exempted from taxation. The auditor shall follow the orders of the 51291
commissioner given under this section. An abstract of such list 51292
shall be filed annually with the commissioner, on a form approved 51293
by the commissioner, and a copy thereof shall be kept on file in 51294
the office of each auditor for public inspection. 51295

The commissioner shall not consider an application for 51296
exemption of property unless the application has attached thereto 51297
a certificate executed by the county treasurer certifying one of 51298
the following: 51299

(1) That all taxes, assessments, interest, and penalties 51300
levied and assessed against the property sought to be exempted 51301
have been paid in full to the date upon which the application for 51302
exemption is filed, except for such taxes, interest, and penalties 51303
that may be remitted under division (B) of this section; 51304

(2) That the applicant has entered into a valid delinquent 51305
tax contract with the county treasurer pursuant to division (A) of 51306
section 323.31 of the Revised Code to pay all of the delinquent 51307
taxes, assessments, interest, and penalties charged against the 51308
property, except for such taxes, interest, and penalties that may 51309
be remitted under division (B) of this section. If the auditor 51310
receives notice under section 323.31 of the Revised Code that such 51311
a written delinquent tax contract has become void, the auditor 51312
shall strike such property from the list of exempted property and 51313

reenter such property on the taxable list. If property is removed 51314
from the exempt list because a written delinquent tax contract has 51315
become void, current taxes shall first be extended against that 51316
property on the general tax list and duplicate of real and public 51317
utility property for the tax year in which the auditor receives 51318
the notice required by division (A) of section 323.31 of the 51319
Revised Code that the delinquent tax contract has become void or, 51320
if that notice is not timely made, for the tax year in which falls 51321
the latest date by which the treasurer is required by such section 51322
to give such notice. A county auditor shall not remove from any 51323
tax list and duplicate the amount of any unpaid delinquent taxes, 51324
assessments, interest, or penalties owed on property that is 51325
placed on the exempt list pursuant to this division. 51326

(3) That a tax certificate has been issued under section 51327
5721.32 or 5721.33 of the Revised Code with respect to the 51328
property that is the subject of the application, and the tax 51329
certificate is outstanding. 51330

(B) Any taxes, interest, and penalties which have become a 51331
lien after the property was first used for the exempt purpose, but 51332
in no case prior to the date of acquisition of the title to the 51333
property by the applicant, may be remitted by the commissioner, 51334
except as is provided in division (A) of section 5713.081 of the 51335
Revised Code. 51336

(C) Real property acquired by the state in fee simple is 51337
exempt from taxation from the date of acquisition of title or date 51338
of possession, whichever is the earlier date, provided that all 51339
taxes, interest, and penalties as provided in the apportionment 51340
provisions of section 319.20 of the Revised Code have been paid to 51341
the date of acquisition of title or date of possession by the 51342
state, whichever is earlier. The proportionate amount of taxes 51343
that are a lien but not yet determined, assessed, and levied for 51344
the year in which the property is acquired, shall be remitted by 51345

the county auditor for the balance of the year from date of 51346
acquisition of title or date of possession, whichever is earlier. 51347
This section shall not be construed to authorize the exemption of 51348
such property from taxation or the remission of taxes, interest, 51349
and penalties thereon until all private use has terminated. 51350

Sec. 5713.081. (A) No application for real property tax 51351
exemption and tax remission shall be filed with, or considered by, 51352
the tax commissioner in which tax remission is requested for more 51353
than three tax years, and the commissioner shall not remit more 51354
than three years' ~~delinquent~~ taxes, penalties, and interest. 51355

(B) All taxes, penalties, and interest, that have been 51356
delinquent for more than three years, appearing on the general tax 51357
list and duplicate of real property which have been levied and 51358
assessed against parcels of real property owned by the state, any 51359
political subdivision, or any other entity whose ownership of real 51360
property would constitute public ownership, shall be collected by 51361
the county auditor of the county where the real property is 51362
located. Such ~~official~~ auditor shall deduct from each distribution 51363
made by ~~him~~ the auditor, the amount necessary to pay the tax 51364
delinquency from any revenues or funds to the credit of the state, 51365
any political subdivision, or any other entity whose ownership of 51366
real property would constitute public ownership thereof, passing 51367
under ~~his~~ the auditor's control, or which come into ~~his~~ the 51368
auditor's possession, and such deductions shall be made on a 51369
continuing basis until all delinquent taxes, penalties, and 51370
interest noted in this section have been paid. 51371

(C) As used in division (B) of this section, "political 51372
subdivision" includes townships, municipalities, counties, school 51373
districts, boards of education, all state and municipal 51374
universities, park boards, and any other entity whose ownership of 51375
real property would constitute public ownership. 51376

Sec. 5713.082. (A) Whenever the county auditor reenters an item of property to the tax list as provided in section 5713.08 of the Revised Code and there has been no conveyance of the property between separate entities, the auditor shall send notice by certified mail to the owner of the property that it is now subject to property taxation as a result of such action. The auditor shall send the notice at the same time ~~he~~ the auditor certifies the real property tax duplicate to the county treasurer. The notice shall describe the property and indicate that the owner may reapply for tax exemption by filing an application for exemption as provided in section 5715.27 of the Revised Code, and that failure to file such an application within the proper time period will result in the owner having to pay the taxes even if the property continued to be used for an exempt purpose.

(B) If the auditor failed to send the notice required by this section, and if the owner of the property subsequently files an application for tax exemption for the property for the current tax year, the tax commissioner may grant exemption to the property, and ~~he~~ the commissioner shall remit all ~~unpaid~~ taxes and penalties for each prior year since the property was reentered on the tax list notwithstanding the provisions of division (A) of section 5713.081 of the Revised Code.

Sec. 5715.27. (A) ~~The~~ Except as provided in section 3735.67 of the Revised Code, the owner of any property may file an application with the tax commissioner, on forms prescribed by the commissioner, requesting that such property be exempted from taxation and that ~~unpaid~~ taxes and penalties be remitted as provided in division (B) of section 5713.08 of the Revised Code.

(B) The board of education of any school district may request the tax commissioner to provide it with notification of

applications for exemption from taxation for property located 51407
within that district. If so requested, the commissioner shall send 51408
to the board for the quarters ending on the last day of March, 51409
June, September, and December of each year, reports that contain 51410
sufficient information to enable the board to identify each 51411
property that is the subject of an exemption application, 51412
including, but not limited to, the name of the property owner or 51413
applicant, the address of the property, and the auditor's parcel 51414
number. The commissioner shall mail the reports on or about the 51415
fifteenth day of the month following the end of the quarter. 51416

(C) A board of education that has requested notification 51417
under division (B) of this section may, with respect to any 51418
application for exemption of property located in the district and 51419
included in the commissioner's most recent report provided under 51420
that division, file a statement with the commissioner and with the 51421
applicant indicating its intent to submit evidence and participate 51422
in any hearing on the application. The statements shall be filed 51423
prior to the first day of the third month following the end of the 51424
quarter in which that application was docketed by the 51425
commissioner. A statement filed in compliance with this division 51426
entitles the district to submit evidence and to participate in any 51427
hearing on the property and makes the district a party for 51428
purposes of sections 5717.02 to 5717.04 of the Revised Code in any 51429
appeal of the commissioner's decision to the board of tax appeals. 51430

(D) The commissioner shall not hold a hearing on or grant or 51431
deny an application for exemption of property in a school district 51432
whose board of education has requested notification under division 51433
(B) of this section until the end of the period within which the 51434
board may submit a statement with respect to that application 51435
under division (C) of this section. The commissioner may act upon 51436
an application at any time prior to that date upon receipt of a 51437
written waiver from each such board of education, or, in the case 51438

of exemptions authorized by section 725.02, 1728.10, ~~3735.67,~~ 51439
5709.41, 5709.62, or 5709.63 of the Revised Code, upon the request 51440
of the property owner. Failure of a board of education to receive 51441
the report required in division (B) of this section shall not void 51442
an action of the commissioner with respect to any application. The 51443
commissioner may extend the time for filing a statement under 51444
division (C) of this section. 51445

(E) A complaint may also be filed with the commissioner by 51446
any person, board, or officer authorized by section 5715.19 of the 51447
Revised Code to file complaints with the county board of revision 51448
against the continued exemption of any property granted exemption 51449
by the commissioner under this section. 51450

(F) An application for exemption and a complaint against 51451
exemption shall be filed prior to the thirty-first day of December 51452
of the tax year for which exemption is requested or for which the 51453
liability of ~~any~~ the property to taxation in that year is 51454
requested. The commissioner shall consider such application or 51455
complaint in accordance with procedures established by the 51456
commissioner, determine whether the property is subject to 51457
taxation or exempt therefrom, and certify the commissioner's 51458
findings to the auditor, who shall correct the tax list and 51459
duplicate accordingly. If a tax certificate has been sold under 51460
section 5721.32 or 5721.33 of the Revised Code with respect to 51461
property for which an exemption has been requested, the tax 51462
commissioner shall also certify the findings to the county 51463
treasurer of the county in which the property is located. 51464

(G) Applications and complaints, and documents of any kind 51465
related to applications and complaints, filed with the tax 51466
commissioner under this section, are public records within the 51467
meaning of section 149.43 of the Revised Code. 51468

(H) If the commissioner determines that the use of property 51469
or other facts relevant to the taxability of property that is the 51470

subject of an application for exemption or a complaint under this 51471
section has changed while the application or complaint was 51472
pending, the commissioner may make the determination under 51473
division (F) of this section separately for each tax year 51474
beginning with the year in which the application or complaint was 51475
filed or the year for which remission of ~~unpaid~~ taxes under 51476
division (B) of section 5713.08 of the Revised Code was requested, 51477
and including each subsequent tax year during which the 51478
application or complaint is pending before the commissioner. 51479

Sec. 5715.39. (A) The tax commissioner may remit real 51480
property taxes, manufactured home taxes, penalties, and interest 51481
found by the commissioner to have been illegally assessed. The 51482
commissioner also may remit any penalty charged against any real 51483
property or manufactured or mobile home that was the subject of an 51484
application for exemption from taxation under section 5715.27 of 51485
the Revised Code if the commissioner determines that the applicant 51486
requested such exemption in good faith. The commissioner shall 51487
include notice of the remission in the commissioner's 51488
certification to the county auditor required under that section. 51489

(B) ~~The commissioner, on application by a taxpayer county~~ 51490
auditor, upon consultation with the county treasurer, shall remit 51491
a penalty for late payment of any real property taxes or 51492
manufactured home taxes when: 51493

~~(A)~~(1) The taxpayer could not make timely payment of the tax 51494
because of the negligence or error of the county auditor or county 51495
treasurer in the performance of a statutory duty relating to the 51496
levy or collection of such tax. 51497

~~(B)~~(2) In cases other than those described in division 51498
~~(A)~~(B)(1) of this section, the taxpayer failed to receive a tax 51499
bill or a correct tax bill, and the taxpayer made a good faith 51500
effort to obtain such bill within thirty days after the last day 51501

for payment of the tax. 51502

~~(C)~~(3) The tax was not timely paid because of the death or 51503
serious injury of the taxpayer, or the taxpayer's confinement in a 51504
hospital within sixty days preceding the last day for payment of 51505
the tax if, in any case, the tax was subsequently paid within 51506
sixty days after the last day for payment of such tax. 51507

~~(D)~~(4) The taxpayer demonstrates ~~to the satisfaction of the~~ 51508
~~commissioner~~ that the full payment was properly deposited in the 51509
mail in sufficient time for the envelope to be postmarked by the 51510
United States postal service on or before the last day for payment 51511
of such tax. A private meter postmark on an envelope is not a 51512
valid postmark for purposes of establishing the date of payment of 51513
such tax. 51514

(5) In cases other than those described in division (B)(1) to 51515
(4) of this section, the taxpayer's failure to make timely payment 51516
of the tax is due to reasonable cause and not willful neglect. 51517

(C) The taxpayer, upon application within sixty days after 51518
the mailing of the county auditor's decision, may request the tax 51519
commissioner to review the denial of the remission of a penalty by 51520
the auditor. The application may be filed in person or by 51521
certified mail. If the application is filed by certified mail, the 51522
date of the United States postmark placed on the sender's receipt 51523
by the postal service shall be treated as the date of filing. The 51524
commissioner shall consider the application, determine whether the 51525
penalty should be remitted, and certify the determination to the 51526
taxpayer, to the county treasurer, and to the county auditor, who 51527
shall correct the tax list and duplicate accordingly. The 51528
commissioner may issue orders and instructions for the uniform 51529
implementation of this section by all county auditors and county 51530
treasurers, and such orders and instructions shall be followed by 51531
such officers. 51532

(D) This section shall not provide to the taxpayer any remedy with respect to any matter that the taxpayer may be authorized to complain of under section 4503.06, 5715.19, 5717.02, ~~and or~~ 5727.47 of the Revised Code.

(E) Applications for remission, and documents of any kind related to those applications, filed with the tax commissioner under this section, are public records within the meaning of section 149.43 of the Revised Code, unless otherwise excepted under that section.

Sec. 5717.011. (A) As used in this chapter, "tax administrator" has the same meaning as in section 718.01 of the Revised Code.

(B) Appeals from final determinations by a tax administrator for a tax imposed on income by a municipal corporation may be taken by the taxpayer to the board of tax appeals. Such appeals shall be taken by the filing of a notice of appeal with the board and with the tax administrator. The notice of appeal shall be filed within sixty days after service of the tax administrator's final determination. The notice of appeal may be filed in person or by certified mail, express mail, or authorized delivery service as provided in section 5703.056 of the Revised Code. If the notice of appeal is filed by certified mail, express mail, or authorized delivery service as provided in section 5703.056 of the Revised Code, the date of the United States postmark placed on the sender's receipt by the postal service or the date of receipt recorded by the authorized delivery service shall be treated as the date of filing. The notice of appeal shall have attached thereto and incorporated therein by reference a true copy of the final determination sent by the administrator to the taxpayer and shall specify the errors therein complained of, but failure to attach a copy of such notice and incorporate it by reference in

the notice of appeal does not invalidate the appeal. 51564

(C) Upon the filing of a notice of appeal, the tax administrator shall certify to the board a transcript of the record of the proceedings before the administrator, together with all evidence considered by the administrator in connection therewith. Such appeals may be heard by the board at its office in Columbus or in the county where the appellant resides, or it may cause its examiners to conduct such hearings and to report to it their findings for affirmation or rejection. The board may order the appeal to be heard upon the record and the evidence certified to it by the administrator, but upon the application of any interested party the board shall order the hearing of additional evidence, and the board may make such investigation concerning the appeal as it considers proper. 51565

Appeals from the redetermination by the director of development under division (B) of former section 5709.64 or division (A) of former section 5709.66 of the Revised Code may be taken to the board of tax appeals by the enterprise to which notice of the redetermination is required by law to be given. of tax appeals by a school district that filed a statement 51597
concerning such application under division (C) of section 5715.27 51598
of the Revised Code. Appeals from a redetermination by the 51599
director of job and family services under section 5733.42 of the 51600
Revised Code may be taken by the person to which the notice of the 51601
redetermination is required by law to be given under that section. 51602

Such appeals shall be taken by the filing of a notice of 51603

commissioner's action is the subject of the appeal, with the 51605
director of development if that director's action is the subject 51606

5709.64 and 5709.66 of the Revised Code. The notice of such appeal 51614
may be filed in person or by certified mail, express mail, or 51615
authorized delivery service. If the notice of such appeal is filed 51616
by certified mail, express mail, or authorized delivery service as 51617
provided in section 5703.056 of the Revised Code, the date of the 51618
United States postmark placed on the sender's receipt by the 51619
postal service or the date of receipt recorded by the authorized 51620
delivery service shall be treated as the date of filing. The 51621
notice of appeal shall have attached thereto and incorporated 51622
therein by reference a true copy of the notice sent by the 51623
commissioner or director to the taxpayer, enterprise, or other 51624
person of the final determination or redetermination complained 51625
of, and shall also specify the errors therein complained of, but 51626
failure to attach a copy of such notice and incorporate it by 51627
reference in the notice of appeal does not invalidate the appeal. 51628

Upon the filing of a notice of appeal, the tax commissioner 51629
or the director, as appropriate, shall certify to the board a 51630
transcript of the record of the proceedings before the 51631
commissioner or director, together with all evidence considered by 51632
the commissioner or director in connection therewith. Such appeals 51633

any interested party the board shall order the hearing of 51640

the appeal as it considers proper. 51642

Sec. 5717.03. (A) A decision of the board of tax appeals on 51643

value of the property whose valuation or assessment by the county 51650
board of revision is complained of, or in the event the complaint 51651
and appeal is against a discriminatory valuation, shall determine 51652
a valuation which shall correct such discrimination, and shall 51653
determine the liability of the property for taxation, if that 51654
question is in issue, and ~~it~~ the board of tax appeals's decision 51655
and the date when it was filed with the secretary for 51656
journalization shall be certified by ~~it~~ the board by certified 51657

to the county auditor of the county in which the property involved 51661
in the appeal is located, and to the tax commissioner. 51662

valuation or assessment by the county board of revision is 51665
complained of by a per cent or amount which will cause such 51666
property to be listed and valued for taxation by an equal and 51667
uniform rule. 51668

(C) In the case of an appeal from a review, redetermination, 51669
or correction of a tax assessment, valuation, determination, 51670

its journal shall be certified by ~~it~~ the board by certified mail 51673
to all persons who were parties to the appeal before ~~it~~ the board, 51674

listed, if the decision determines the valuation or liability of 51676
property for taxation and if such person is not a party to the 51677
appeal, the taxpayer or other person to whom notice of the tax 51678
assessment, valuation, determination, finding, computation, or 51679
order, or correction or redetermination thereof, by the tax 51680

would accrue primarily to the state treasury, and the county 51683

which the revenues affected by such decision would primarily 51685
accrue. 51686

(D) In the case of an appeal from a final determination of a 51687
tax administrator, the order of the board of tax appeals and the 51688
date of the entry thereof upon the board's journal shall be 51689
certified by the board by certified mail to all persons who were 51690

mail to the person who is a party to such appeal or application, 51696
to such persons as the law requires, and to such other persons as 51697
the board deems proper. 51698

(F) The orders of the board may affirm, reverse, vacate, 51699
modify, or remand the tax assessments, valuations, determinations, 51700
findings, computations, or orders complained of in the appeals 51701
determined by ~~it~~ the board, and ~~its~~ the board's decision shall 51702
become final and conclusive for the current year unless reversed, 51703
vacated, or modified as provided in section 5717.04 of the Revised 51704

commissioner and all officers to whom such decision has been 51706
certified shall make the changes in their tax lists or other 51707
records which the decision requires. 51708

(G) If the board finds that issues not raised on the appeal 51709

may remand the cause for an administrative determination and the 51711
issuance of a new tax assessment, valuation, determination, 51712
finding, computation, or order, unless the parties stipulate to 51713
the determination of such other issues without remand. An order 51714

When taxable property of a public utility is located in more 52128
than one taxing district, the commissioner shall apportion the 52129
total taxable value thereof among the taxing districts as follows: 52130

(A)(1) In the case of ~~a telegraph,~~ an interexchange 52131
telecommunications, or a telephone company that owns miles of wire 52132
in this state, the value apportioned to each taxing district shall 52133
be the same percentage of the total value apportioned to all 52134
taxing districts as the miles of wire owned by the company within 52135
the taxing district are to the total miles of wire owned by the 52136
company within this state; 52137

(2) In the case of ~~a telegraph,~~ an interexchange 52138

property physically located in the taxing district is of the total 52143
cost of all taxable property physically located in this state. 52144

(B) In the case of a railroad company: 52145

(1) The taxable value of real and personal property not used 52146

reflect the relative use of such personal property in each taxing 52152
district; 52153

(3) The taxable value of real property used in railroad 52154
operations shall be apportioned to each taxing district in 52155
proportion to its relative value in each taxing district. 52156

(C)(1) Prior to tax year 2001, in the case of an electric 52157
company: 52158

(a) Seventy per cent of the taxable value of all production 52159
equipment and of all station equipment that is not production 52160
equipment shall be apportioned to the taxing district in which 52161
such property is physically located; and 52162

(b) The remaining value of such property, together with the 52163
value of all other taxable personal property, shall be apportioned 52164
to each taxing district in the per cent that the cost of all 52165

taxing district is of the total cost of all transmission and 52167
distribution property physically located in this state. 52168

(c) If an electric company's taxable value for the current 52169
year includes the value of any production equipment at a plant at 52170
which the initial cost of the plant's production equipment 52171
exceeded one billion dollars, then prior to making the 52172
apportionments required for that company by division (C)(1)(a) and 52173
(b) of this section, the tax commissioner shall do the following: 52174

(i) Subtract four hundred twenty million dollars from the 52175
total taxable value of the production equipment at that plant for 52176
the current tax year. 52177

(ii) Multiply the difference thus obtained by a fraction, the numerator of which is the portion of the taxable value of that plant's production equipment included in the company's total value for the current tax year, and the denominator of which is the total taxable value of such equipment included in the total taxable value of all electric companies for such year;

(iii) Apportion the product thus obtained to taxing districts in the manner prescribed in division (C)(1)(b) of this section.

(iv) Deduct the amounts so apportioned from the taxable value of the company's production equipment at the plant, prior to making the apportionments required by divisions (C)(1)(a) and (b) of this section.

For purposes of division (C)(1)(c) of this section, "initial cost" applies only to production equipment of plants placed in commercial operation on or after January 1, 1987, and means the cost of all production equipment at a plant for the first year the plant's equipment was subject to taxation.

(D) In the case of all other public utilities, the value of the taxable personal property ~~to be apportioned~~ shall be

apportioned to each taxing district in the proportion to that the 52208
cost of the taxable personal property physically located in each 52209
taxing district is of the entire value of such total cost of all 52210
taxable personal property within physically located in this state. 52211

of the state, on and after July 1, 2003, an excise tax is hereby 52225
levied on the gross receipts of a pipe-line company. The tax shall 52226
be computed as follows: 52227

company that are not related to the storage of natural gas or oil 52229
by the percentage of pipeline miles owned and used in this state 52230
by the pipe-line company to generate that revenue in proportion to 52231
that owned and used everywhere by the pipe-line company to 52232
generate that revenue; 52233

(b) Add to that any gross receipts received related to the 52234
storage of gas or oil in this state, including, but not limited 52235
to, charges for injection, storage, and withdrawal; 52236

section shall pay an additional charge of fifty dollars, or ten 52292
per cent of the tax required to be paid for the reporting period, 52293
whichever is greater. If any tax due is not paid timely in 52294

pay interest, calculated at the rate per annum prescribed by 52296
section 5703.47 of the Revised Code, from the date the tax payment 52297

any additional charge or interest imposed by this section by 52300

(B) If a natural gas company ~~or~~, combined company, or 52416
pipe-line company entitled to a refund of taxes under this 52417
section, or section 5703.70 of the Revised Code, is indebted to 52418

that is paid to the state, or any charge, penalty, or interest 52420
arising from such a tax or fee, the amount refundable may be 52421

(1)(a) Deduct any net operating loss incurred in any taxable years ending in 1971 or thereafter but exclusive of any net operating loss incurred in taxable years ending prior to January 1, 1971. This deduction shall not be allowed in any tax year commencing before December 31, 1973, but shall be carried over and allowed in tax years commencing after December 31, 1973, until fully utilized in the next succeeding taxable year or years in which the taxpayer has net income, but in no case for more than

the designated carryover period as described in division (I)(1)(b) 52885
of this section. The amount of such net operating loss, as 52886
determined under the allocation and apportionment provisions of 52887
section 5733.051 and division (B) of section 5733.05 of the 52888
Revised Code for the year in which the net operating loss occurs, 52889
shall be deducted from net income, as determined under the 52890
allocation and apportionment provisions of section 5733.051 and 52891
division (B) of section 5733.05 of the Revised Code, to the extent 52892
necessary to reduce net income to zero with the remaining unused 52893
portion of the deduction, if any, carried forward to the remaining 52894
years of the designated carryover period as described in division 52895
(I)(1)(b) of this section, or until fully utilized, whichever 52896
occurs first. 52897

(b) For losses incurred in taxable years ending on or before 52898
December 31, 1981, the designated carryover period shall be the 52899
five consecutive taxable years after the taxable year in which the 52900
net operating loss occurred. For losses incurred in taxable years 52901
ending on or after January 1, 1982, and beginning before August 6, 52902
1997, the designated carryover period shall be the fifteen 52903
consecutive taxable years after the taxable year in which the net 52904
operating loss occurs. For losses incurred in taxable years 52905
beginning on or after August 6, 1997, the designated carryover 52906
period shall be the twenty consecutive taxable years after the 52907
taxable year in which the net operating loss occurs. 52908

(c) The tax commissioner may require a taxpayer to furnish 52909
any information necessary to support a claim for deduction under 52910
division (I)(1)(a) of this section and no deduction shall be 52911
allowed unless the information is furnished. 52912

(2) Deduct any amount included in net income by application 52913
of section 78 or 951 of the Internal Revenue Code, amounts 52914
received for royalties, technical or other services derived from 52915
sources outside the United States, and dividends received from a 52916

subsidiary, associate, or affiliated corporation that neither 52917
transacts any substantial portion of its business nor regularly 52918
maintains any substantial portion of its assets within the United 52919
States. For purposes of determining net foreign source income 52920
deductible under division (I)(2) of this section, the amount of 52921
gross income from all such sources other than dividend income and 52922
income derived by application of section 78 or 951 of the Internal 52923
Revenue Code shall be reduced by: 52924

(a) The amount of any reimbursed expenses for personal 52925
services performed by employees of the taxpayer for the 52926
subsidiary, associate, or affiliated corporation; 52927

(b) Ten per cent of the amount of royalty income and 52928
technical assistance fees; 52929

(c) Fifteen per cent of the amount of all other income. 52930

The amounts described in divisions (I)(2)(a) to (c) of this 52931
section are deemed to be the expenses attributable to the 52932
production of deductible foreign source income unless the taxpayer 52933
shows, by clear and convincing evidence, less actual expenses, or 52934
the tax commissioner shows, by clear and convincing evidence, more 52935
actual expenses. 52936

(3) ~~Add~~ For taxable years ending prior to the effective date 52937
of this amendment, add any loss or deduct any gain resulting from 52938
the sale, exchange, or other disposition of a capital asset, or an 52939
asset described in section 1231 of the Internal Revenue Code, to 52940
the extent that such loss or gain occurred prior to the first 52941
taxable year on which the tax provided for in section 5733.06 of 52942
the Revised Code is computed on the corporation's net income. For 52943
purposes of division (I)(3) of this section, the amount of the 52944
prior loss or gain shall be measured by the difference between the 52945
original cost or other basis of the asset and the fair market 52946
value as of the beginning of the first taxable year on which the 52947

tax provided for in section 5733.06 of the Revised Code is 52948
computed on the corporation's net income. At the option of the 52949
taxpayer, the amount of the prior loss or gain may be a percentage 52950
of the gain or loss, which percentage shall be determined by 52951
multiplying the gain or loss by a fraction, the numerator of which 52952
is the number of months from the acquisition of the asset to the 52953
beginning of the first taxable year on which the fee provided in 52954
section 5733.06 of the Revised Code is computed on the 52955
corporation's net income, and the denominator of which is the 52956
number of months from the acquisition of the asset to the sale, 52957
exchange, or other disposition of the asset. The adjustments 52958
described in this division do not apply to any gain or loss where 52959
the gain or loss is recognized by a qualifying taxpayer, as 52960
defined in section 5733.0510 of the Revised Code, with respect to 52961
a qualifying taxable event, as defined in that section. 52962

(4) Deduct the dividend received deduction provided by 52963
section 243 of the Internal Revenue Code. 52964

(5) Deduct any interest or interest equivalent on public 52965
obligations and purchase obligations to the extent included in 52966
federal taxable income. As used in divisions (I)(5) and (6) of 52967
this section, "public obligations," "purchase obligations," and 52968
"interest or interest equivalent" have the same meanings as in 52969
section 5709.76 of the Revised Code. 52970

(6) Add any loss or deduct any gain resulting from the sale, 52971
exchange, or other disposition of public obligations to the extent 52972
included in federal taxable income. 52973

(7) To the extent not otherwise allowed, deduct any dividends 52974
or distributions received by a taxpayer from a public utility, 52975
excluding an electric company, or a combined company, a water 52976
transportation company for tax years 2004 and thereafter, or a 52977
telephone company for tax years 2005 and thereafter, if the 52978
taxpayer owns at least eighty per cent of the issued and 52979

outstanding common stock of the public utility. As used in 52980
division (I)(7) of this section, "public utility" means a public 52981
utility as defined in Chapter 5727. of the Revised Code, whether 52982
or not the public utility is doing business in the state. 52983

(8) To the extent not otherwise allowed, deduct any dividends 52984
received by a taxpayer from an insurance company, if the taxpayer 52985
owns at least eighty per cent of the issued and outstanding common 52986
stock of the insurance company. As used in division (I)(8) of this 52987
section, "insurance company" means an insurance company that is 52988
taxable under Chapter 5725. or 5729. of the Revised Code. 52989

(9) Deduct expenditures for modifying existing buildings or 52990
structures to meet American national standards institute standard 52991
A-117.1-1961 (R-1971), as amended; provided, that no deduction 52992
shall be allowed to the extent that such deduction is not 52993
permitted under federal law or under rules of the tax 52994
commissioner. Those deductions as are allowed may be taken over a 52995
period of five years. The tax commissioner shall adopt rules under 52996
Chapter 119. of the Revised Code establishing reasonable 52997
limitations on the extent that expenditures for modifying existing 52998
buildings or structures are attributable to the purpose of making 52999
the buildings or structures accessible to and usable by physically 53000
handicapped persons. 53001

(10) ~~Deduct~~ For taxable years ending prior to the effective 53002
date of this amendment, deduct the amount of wages and salaries, 53003
if any, not otherwise allowable as a deduction but that would have 53004
been allowable as a deduction in computing federal taxable income 53005
before operating loss deduction and special deductions for the 53006
taxable year, had the targeted jobs credit allowed and determined 53007
under sections 38, 51, and 52 of the Internal Revenue Code not 53008
been in effect. 53009

(11) Deduct net interest income on obligations of the United 53010
States and its territories and possessions or of any authority, 53011

commission, or instrumentality of the United States to the extent 53012
the laws of the United States prohibit inclusion of the net 53013
interest for purposes of determining the value of the taxpayer's 53014
issued and outstanding shares of stock under division (B) of 53015
section 5733.05 of the Revised Code. As used in division (I)(11) 53016
of this section, "net interest" means interest net of any expenses 53017
taken on the federal income tax return that would not have been 53018
allowed under section 265 of the Internal Revenue Code if the 53019
interest were exempt from federal income tax. 53020

(12)(a) Except as set forth in division (I)(12)(d) of this 53021
section, to the extent not included in computing the taxpayer's 53022
federal taxable income before operating loss deduction and special 53023
deductions, add gains and deduct losses from direct or indirect 53024
sales, exchanges, or other dispositions, made by a related entity 53025
who is not a taxpayer, of the taxpayer's indirect, beneficial, or 53026
constructive investment in the stock or debt of another entity, 53027
unless the gain or loss has been included in computing the federal 53028
taxable income before operating loss deduction and special 53029
deductions of another taxpayer with a more closely related 53030
investment in the stock or debt of the other entity. The amount of 53031
gain added or loss deducted shall not exceed the product obtained 53032
by multiplying such gain or loss by the taxpayer's proportionate 53033
share, directly, indirectly, beneficially, or constructively, of 53034
the outstanding stock of the related entity immediately prior to 53035
the direct or indirect sale, exchange, or other disposition. 53036

(b) ~~Except as set forth in division (I)(12)(e) of this~~ 53037
~~section, to~~ To the extent not included in computing the taxpayer's 53038
federal taxable income before operating loss deduction and special 53039
deductions, add gains and deduct losses from direct or indirect 53040
sales, exchanges, or other dispositions made by a related entity 53041
who is not a taxpayer, of intangible property other than stock, 53042
securities, and debt, if such property was owned, or used in whole 53043

or in part, at any time prior to or at the time of the sale, 53044
exchange, or disposition by either the taxpayer or by a related 53045
entity that was a taxpayer at any time during the related entity's 53046
ownership or use of such property, unless the gain or loss has 53047
been included in computing the federal taxable income before 53048
operating loss deduction and special deductions of another 53049
taxpayer with a more closely related ownership or use of such 53050
intangible property. The amount of gain added or loss deducted 53051
shall not exceed the product obtained by multiplying such gain or 53052
loss by the taxpayer's proportionate share, directly, indirectly, 53053
beneficially, or constructively, of the outstanding stock of the 53054
related entity immediately prior to the direct or indirect sale, 53055
exchange, or other disposition. 53056

(c) As used in division (I)(12) of this section, "related 53057
entity" means those entities described in divisions (I)(12)(c)(i) 53058
to (iii) of this section: 53059

(i) An individual stockholder, or a member of the 53060
stockholder's family enumerated in section 318 of the Internal 53061
Revenue Code, if the stockholder and the members of the 53062
stockholder's family own, directly, indirectly, beneficially, or 53063
constructively, in the aggregate, at least fifty per cent of the 53064
value of the taxpayer's outstanding stock; 53065

(ii) A stockholder, or a stockholder's partnership, estate, 53066
trust, or corporation, if the stockholder and the stockholder's 53067
partnerships, estates, trusts, and corporations own directly, 53068
indirectly, beneficially, or constructively, in the aggregate, at 53069
least fifty per cent of the value of the taxpayer's outstanding 53070
stock; 53071

(iii) A corporation, or a party related to the corporation in 53072
a manner that would require an attribution of stock from the 53073
corporation to the party or from the party to the corporation 53074
under division (I)(12)(c)(iv) of this section, if the taxpayer 53075

owns, directly, indirectly, beneficially, or constructively, at 53076
least fifty per cent of the value of the corporation's outstanding 53077
stock. 53078

(iv) The attribution rules of section 318 of the Internal 53079
Revenue Code apply for purposes of determining whether the 53080
ownership requirements in divisions (I)(12)(c)(i) to (iii) of this 53081
section have been met. 53082

(d) For purposes of the adjustments required by division 53083
(I)(12)(a) of this section, the term "investment in the stock or 53084
debt of another entity" means only those investments where the 53085
taxpayer and the taxpayer's related entities directly, indirectly, 53086
beneficially, or constructively own, in the aggregate, at any time 53087
during the twenty-four month period commencing one year prior to 53088
the direct or indirect sale, exchange, or other disposition of 53089
such investment at least fifty per cent or more of the value of 53090
either the outstanding stock or such debt of such other entity. 53091

~~(e) For purposes of the adjustments required by division 53092
(I)(12)(b) of this section, the term "related entity" excludes all 53093
of the following: 53094~~

~~(i) Foreign corporations as defined in section 7701 of the 53095
Internal Revenue Code; 53096~~

7701 of the Internal Revenue Code. 53103~~

~~The exclusions described in divisions (I)(12)(c)(i) to (iv) 53104
of this section do not apply if the corporation, partnership, 53105~~

~~estate, or trust is described in any one of divisions (C)(1) to 53106~~
~~(5) of section 5733.042 of the Revised Code. 53107~~

~~(f)~~ Nothing in division (I)(12) of this section shall require 53108
or permit a taxpayer to add any gains or deduct any losses 53109
described in divisions (I)(12)~~(f)~~(e)(i) and (ii) of this section: 53110

(i) Gains or losses recognized for federal income tax 53111
purposes by an individual, estate, or trust without regard to the 53112
attribution rules described in division (I)(12)(c) of this 53113
section; 53114

(ii) A related entity's gains or losses described in division 53115

nine months and was attributable to a transaction or a series of 53118
transactions executed in accordance with the election or elections 53119
made by the taxpayer or a related entity pursuant to section 338 53120
of the Internal Revenue Code. 53121

matching funds deposited by program participants. On request of 53140
the tax commissioner, the taxpayer shall provide any information 53141

(18)(a) If a person is required to make the add-back under 53163
division (I)(17)(a) of this section for a tax year, the person 53164
shall deduct one-fifth of the amount added back for each of the 53165
succeeding five tax years. 53166

(b) If the amount deducted under division (I)(18)(a) of this section is attributable to an add-back allocated under division (I)(17)(c) of this section, the amount deducted shall be allocated to the same location. Otherwise, the amount shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to division (B)(2)(d) of section 5733.05 of the Revised Code.

net income from nonbusiness income sources allocated under section 53564
5733.051 of the Revised Code, shall be apportioned to this state 53565
and then prorated to each corporation on the basis of each 53566
corporation's proportionate part of the factors used to apportion 53567
the total of such net business income to this state. 53568

(E) Except as otherwise provided in division (F) of this section, if, on the day that is one year after the day the corporation files its report, the corporation has not made the adjustment required by this section or has not fully paid the tax and interest, if any, imposed by this chapter and attributable to such adjustment, the corporation is subject to a penalty equal to twice the interest charged under division (A) of section 5733.26 of the Revised Code for the delinquent payment of such tax and interest. For the purpose of the computation of the penalty imposed by this division, such penalty shall be deemed to be part of the tax due on the dates prescribed by this chapter without regard to the one-year period set forth in this division. The penalty imposed by this division is not in lieu of but is in addition to all other penalties, other similar charges, and interest imposed by this chapter. The tax commissioner may waive, abate, modify, or refund, with interest, all or any portion of the penalty imposed by this division only if the corporation establishes beyond a reasonable doubt that both the failure to fully comply with this section and the failure to fully pay such tax and interest within one year after the date the corporation files its report were not in any part attributable to the avoidance of any portion of the tax imposed by section 5733.06 of the Revised Code.

(F)(1) For purposes of this division, "tax differential difference" means the difference between (a) the tax ~~that is~~ imposed by section 5733.06 of the Revised Code ~~and~~ that is attributable to the ~~adjustment~~ adjustments required by this section, and (b) the amount paid that is so attributable, prior to the day that is one year after the day the corporation files its report.

(2) The penalty imposed by division (E) of this section does not apply if the tax ~~differential~~ difference meets both of the

following requirements: 53601

(a) ~~The tax differential~~ It is less than ten per cent of the 53602
tax imposed by section 5733.06 of the Revised Code; and 53603

(b) ~~The difference~~ It is less than fifty thousand dollars. 53604

(3) Nothing in division (F) of this section shall be 53605
construed to waive, abate, or modify any other penalties, other 53606
similar charges, or interest imposed by other sections of this 53607
chapter. 53608

(G) Nothing in this section shall require a corporation to 53609
add to its net income more than once any ~~amount of interest~~ 53610
~~expenses and costs or intangible~~ expenses and costs that the 53611
corporation pays, accrues, or incurs to a related member ~~described~~ 53612
~~in~~. No adjustments under division (C) of this section shall be 53613
made to the extent the effect of such adjustments occurs as a 53614
result of a consolidated return, elected under section 5733.052 of 53615
the Revised Code, that includes the corporation and the 53616
corporation's related member or related members with respect to 53617
which such adjustments would be made without regard to this 53618
division. 53619

Sec. 5733.044. (A) Section 5733.042 of the Revised Code does 53620
not apply to a corporation for a tax year for payments of expenses 53621
or costs to which all of the following apply: 53622

(1) The corporation establishes by clear and convincing 53623
evidence that the corporation directly remitted such payments to a 53624
related member that, for the six-year period beginning three years 53625
prior to the remittance, was not subject to federal income tax 53626
with respect to the payments and was not required to file a 53627
federal income tax return with the internal revenue service for 53628
purposes of reporting the payments. For purposes of division 53629
(A)(1) of this section, payments shall be treated as directly 53630

remitted to the related member even if those payments are 53631
processed or paid through another related member that does not 53632
charge a fee in connection therewith. 53633

(2) The corporation establishes by clear and convincing 53634
evidence that during the six-year period beginning three years 53635
prior to the remittance to the related member described in 53636
division (A)(1) of this section, the related member did not 53637
directly or indirectly remit any portion of the payments referred 53638
to in division (A)(1) of this section, or any like, similar, or 53639
other amount, to any other related member that, during any portion 53640
of that six-year period, was subject to federal income tax and was 53641
required to file a federal income tax return with the internal 53642
revenue service. 53643

(3) The corporation establishes by clear and convincing 53644
evidence that the corporation is allowed a deduction for federal 53645
income tax purposes with respect to the remittance made to the 53646
related member described in division (A)(1) of this section for 53647
the corporation's taxable year pursuant to an advanced pricing 53648
agreement between the corporation and the internal revenue 53649
service, or that the corporation has satisfied the documentation 53650
requirements of sections 482 and 6662(e) of the Internal Revenue 53651
Code, or that the corporation has complied with section 482 of the 53652
Internal Revenue Code. 53653

(4) The corporation refutes by clear and convincing evidence 53654
any reasonable conclusion of the tax commissioner that the 53655
transaction giving rise to the remittance to the related member 53656
described in division (A)(1) of this section had as a principal 53657
purpose the avoidance of any portion of the tax due under this 53658
chapter. 53659

For purposes of division (A) of this section, "federal income 53660
tax" and "federal income tax return" do not include withholding 53661
taxes and returns filed for purposes of reporting withholding 53662

taxes, providing information other than reporting income tax liability, or claiming the benefits of a tax treaty between the United States and another government. 53663
53664
53665

(B) Notwithstanding section 5703.56 of the Revised Code to the contrary, a corporation claiming that division (A) of this section applies must refute by clear and convincing evidence any reasonable conclusion of the tax commissioner that any of the doctrines set forth in that section should apply to deny to the corporation the application of division (A) of this section. 53666

53669
53670
53671

(C) Where the corporation and other related members make payments to another related member described in division (A)(1) of this section, and to the extent such payments are processed or paid through another related member in the manner described in division (A)(1) of this section, this section shall apply only with respect to the corporation's pro-rata share of the total payments made by all such related members to the related member described in division (A)(1) of this section during the taxable year, unless the corporation establishes by clear and convincing evidence the actual amount of the corporation's payments that are made to the related member described in division (A)(1) of this section. Nothing in division (C) of this section shall allow a corporation to apply division (A) of this section to any amount greater than the actual payments made by the corporation to a related member described in division (A)(1) of this section during the taxable year. 53672

53685
53686
53687

(D) Any adjustments made by the internal revenue service to any related member of the corporation with respect to an advanced pricing agreement or with respect to section 482 of the Internal Revenue Code shall be presumed to be adjustments properly attributed to the corporation, unless the corporation establishes by clear and convincing evidence that the adjustment should be attributed, in whole or in part, to another person. 53688
53689
53690
53691
53692
53693
53694

(E)(1) If any corporation claims the benefit provided by 53695
division (A) of this section and is not entitled to such benefit, 53696
any adjustment otherwise required by section 5733.042 of the 53697
Revised Code shall be further increased by an amount equal to two 53698
times such adjustment. 53699

(2) Division (E)(1) of this section does not apply to 53700
adjustments made in connection with an advanced pricing agreement. 53701

Sec. 5733.05. As used in this section, "dealer in 53702
intangibles" has the same meaning as in section 5725.01 of the 53703
Revised Code, and "qualified research" means laboratory research, 53704
experimental research, and other similar types of research; 53705
research in developing or improving a product; or research in 53706
developing or improving the means of producing a product. ~~It~~ 53707
"Qualified research" does not include market research, consumer 53708
surveys, efficiency surveys, management studies, ordinary testing 53709
or inspection of materials or products for quality control, 53710
historical research, or literary research. "Product" as used in 53711
this paragraph does not include services or intangible property. 53712

The annual report determines the value of the issued and 53713
outstanding shares of stock of the taxpayer, which under division 53714
(A) or divisions (B) and (C) of this section is the base or 53715
measure of the franchise tax liability. Such determination shall 53716
be made as of the date shown by the report to have been the 53717
beginning of the corporation's annual accounting period that 53718
includes the first day of January of the tax year. For the 53719
purposes of this chapter, the value of the issued and outstanding 53720
shares of stock of any corporation that is a financial institution 53721
shall be deemed to be the value as calculated in accordance with 53722
division (A) of this section. For the purposes of this chapter, 53723
the value of the issued and outstanding shares of stock of any 53724
corporation that is not a financial institution shall be deemed to 53725

be the values as calculated in accordance with divisions (B) and 53726
(C) of this section. Except as otherwise required by this section 53727
or section 5733.056 of the Revised Code, the value of a taxpayer's 53728
issued and outstanding shares of stock under division (A) or (C) 53729
of this section does not include any amount that is treated as a 53730
liability under generally accepted accounting principles. 53731

(A) The total value, as shown by the books of the financial 53732
institution, of its capital, surplus, whether earned or unearned, 53733
undivided profits, and reserves shall be determined as prescribed 53734
by section 5733.056 of the Revised Code for tax years 1998 and 53735
thereafter. 53736

(B) The sum of the corporation's net income during the 53737
corporation's taxable year, allocated or apportioned to this state 53738
as prescribed in divisions (B)(1) and (2) of this section, and 53739
subject to sections 5733.052, 5733.053, 5733.057, 5733.058, 53740
5733.059, and 5733.0510 of the Revised Code: 53741

(1) The net nonbusiness income allocated or apportioned to 53742
this state as provided by section 5733.051 of the Revised Code. 53743

(2) The amount of Ohio apportioned net business income ~~from~~ 53744
~~sources other than those allocated under section 5733.051 of the~~ 53745
~~Revised Code~~, which shall be ~~determined~~ calculated by multiplying 53746
the corporation's net business income by a fraction. The numerator 53747
of the fraction is the sum of the following products: the property 53748
factor multiplied by twenty, the payroll factor multiplied by 53749
twenty, and the sales factor multiplied by sixty. The denominator 53750
of the fraction is one hundred, provided that the denominator 53751
shall be reduced by twenty if the property factor has a 53752
denominator of zero, by twenty if the payroll factor has a 53753
denominator of zero, and by sixty if the sales factor has a 53754
denominator of zero. 53755

The property, payroll, and sales factors shall be determined 53756

as follows, but the numerator and the denominator of the factors 53757
shall not include the portion of any property, payroll, and sales 53758
otherwise includible in the factors to the extent that the portion 53759
relates to, or is used in connection, with the production of 53760
nonbusiness income allocated under section 5733.051 of the Revised 53761
Code: 53762

(a) The property factor is a fraction ~~the~~ that, for a dealer 53763
in intangibles shall be determined pursuant to division (D) of 53764
section 5733.056 of the Revised Code in the same manner as if the 53765
dealer were a financial institution, and for a corporation that is 53766
not a dealer in intangibles shall be determined as follows: The 53767
numerator of ~~which~~ the fraction is the average value of the 53768
corporation's real and tangible personal property owned or rented, 53769
and used in the trade or business in this state during the taxable 53770
year, and the denominator of ~~which~~ the fraction is the average 53771
value of all the corporation's real and tangible personal property 53772
owned or rented, and used in the trade or business everywhere 53773
during such year. Real and tangible personal property used in the 53774
trade or business includes, but is not limited to, real and 53775
tangible personal property that the corporation rents, subrents, 53776
leases, or subleases to others if the income or loss from such 53777
rentals, subrentals, leases, or subleases is business income. 53778
There shall be excluded from the numerator and denominator of the 53779
~~property factor~~ fraction the original cost of all ~~of the following~~ 53780
property within Ohio: ~~property with respect to which a "pollution~~ 53781
~~control facility" certificate has been issued pursuant to section~~ 53782
~~5709.21 of the Revised Code; property with respect to which an~~ 53783
~~"industrial water pollution control certificate" has been issued~~ 53784
~~pursuant to section 6111.31 of the Revised Code; and property used~~ 53785
exclusively during the taxable year for qualified research. 53786

(i) Property owned by the corporation is valued at its 53787
original cost. Property rented by the corporation is valued at 53788

eight times the net annual rental rate. "Net annual rental rate" 53789
means the annual rental rate paid by the corporation less any 53790
annual rental rate received by the corporation from subrentals. 53791

(ii) The average value of property shall be determined by 53792
averaging the values at the beginning and the end of the taxable 53793
year, but the tax commissioner may require the averaging of 53794
monthly values during the taxable year, if reasonably required to 53795
reflect properly the average value of the corporation's property. 53796

(b) The payroll factor is a fraction ~~the~~ that, for a dealer 53797
in intangibles shall be determined pursuant to division (D) of 53798
section 5733.056 of the Revised Code in the same manner as if the 53799
dealer were a financial institution, and for a corporation that is 53800
not a dealer in intangibles shall be determined as follows: The 53801
numerator of ~~which~~ the fraction is the total amount paid in this 53802
state during the taxable year by the corporation for compensation, 53803
and the denominator of ~~which~~ the fraction is the total 53804
compensation paid everywhere by the corporation during such year. 53805
There shall be excluded from the numerator and the denominator of 53806
the ~~payroll factor~~ fraction the total compensation paid in this 53807
state to employees who are primarily engaged in qualified 53808
research. 53809

(i) Compensation means any form of remuneration paid to an 53810
employee for personal services. 53811

(ii) Compensation is paid in this state if: (1) the 53812
recipient's service is performed entirely within this state, (2) 53813
the recipient's service is performed both within and without this 53814
state, but the service performed without this state is incidental 53815
to the recipient's service within this state, (3) some of the 53816
service is performed within this state and either the base of 53817
operations, or if there is no base of operations, the place from 53818
which the service is directed or controlled is within this state, 53819
or the base of operations or the place from which the service is 53820

directed or controlled is not in any state in which some part of 53821
the service is performed, but the recipient's residence is in this 53822
state. 53823

(iii) Compensation is paid in this state to any employee of a 53824
common or contract motor carrier corporation, who performs the 53825
employee's regularly assigned duties on a motor vehicle in more 53826
than one state, in the same ratio by which the mileage traveled by 53827
such employee within the state bears to the total mileage traveled 53828
by such employee everywhere during the taxable year. 53829

(c)(i) The sales factor is a fraction that, for a dealer in 53830
intangibles shall be determined pursuant to division (F) of 53831
section 5733.056 of the Revised Code in the same manner as if the 53832
dealer were a financial institution, and for a corporation that is 53833
not a dealer in intangibles shall be determined as provided in 53834
division (B)(2)(c) of this section. Except as provided in section 53835
5733.059 of the Revised Code, ~~the sales factor is a fraction~~ the 53836
numerator of ~~which~~ the fraction is the total sales in this state 53837
by the corporation during the taxable year, and the denominator of 53838
~~which~~ the fraction is the total sales by the corporation 53839
everywhere during such year. In determining the numerator and 53840
denominator of the ~~sales factor,~~ fraction, receipts excluded from 53841
gross income, receipts not otherwise included in net income under 53842
any provision of this title, and receipts from the sale or other 53843
disposal of a capital asset or an asset described in section 1231 53844
of the Internal Revenue Code shall be eliminated. ~~Also, in~~ 53845
~~determining the numerator and denominator of the sales factor, in~~ 53846
~~the case of a reporting corporation owning at least eighty per~~ 53847
~~cent of the issued and outstanding common stock of one or more~~ 53848
~~insurance companies or public utilities, except an electric~~ 53849
~~company, or owning at least twenty five per cent of the issued and~~ 53850
~~outstanding common stock of one or more financial institutions,~~ 53851
~~receipts received by the reporting corporation from such~~ 53852

~~utilities, insurance companies, and financial institutions shall
be eliminated.~~ 53853
53854

For the purpose of this section and section 5733.03 of the 53855
Revised Code, sales of electricity and of electric transmission 53856
and distribution services shall be sitused to this state in the 53857
manner provided under section 5733.059 of the Revised Code. 53858

Sales of real property located in this state are in this 53859
state. Sales of tangible personal property are in this state where 53860
~~such~~ either the property is received in this state by ~~the~~ a 53861
purchaser other than the United States government, or the property 53862
is shipped from a location in this state and either the purchaser 53863
is the United States government or the seller is not liable for a 53864
tax on or measured by net income in the state where the property 53865
is received. ~~In~~ 53866

In the case of delivery of tangible personal property by 53867
common carrier or by other means of transportation, the place at 53868
which such property is ultimately received after all 53869
transportation has been completed shall be considered as the place 53870
at which such property is received by the purchaser. Direct 53871
delivery in this state, other than for purposes of transportation, 53872
to a person or firm designated by a purchaser constitutes delivery 53873
to the purchaser in this state, and direct delivery outside this 53874
state to a person or firm designated by a purchaser does not 53875
constitute delivery to the purchaser in this state, regardless of 53876
where title passes or other conditions of sale. 53877

Except as provided in division (B)(2)(c)(ii) of this section 53878
~~5733.059 of the Revised Code~~, sales, other than sales of 53879
electricity and of electric transmission and distribution 53880
services, of real property, and of tangible personal property, are 53881
in this state if either- 53882

~~(i) The income producing activity is performed solely in this~~ 53883

state; 53884

~~(ii) The income producing activity is performed both within 53885
and without this state (I) the purchaser receives in this state 53886
the benefit of what is sold, or (II) the purchaser receives, in a 53887
state in which the seller is not subject to a tax on or measured 53888
by net income, the benefit of what is sold, and a greater 53889
proportion of the income-producing activity, based on costs of 53890
performance, is performed within this state than in any other 53891
state, based on costs of performance in which the seller is liable 53892
for a tax on or measured by net income. 53893~~

The tax commissioner may adopt rules pursuant to sections 53894
5703.14 and 5733.07 of the Revised Code for ascertaining the 53895
location of the benefit of what is sold. Those rules may provide 53896
for prorating the benefit to more than one location. Such rules 53897
may apply to all corporations, to specified classes of 53898
corporations, or to corporations within a specified industry. 53899

(ii) Notwithstanding division (B)(2)(c)(i) of this section, 53900
no receipts, income, or gain from the sale, exchange, or other 53901
disposition of stocks, bonds, options, or other securities shall 53902
be included in a corporation's sales factor unless the stocks, 53903
bonds, options, or other securities were part of the corporation's 53904
inventory as described in section 1221(a)(1) of the Internal 53905
Revenue Code, and, if they were part of such inventory, only the 53906
receipts from such sale, exchange, or other disposition shall be 53907
included in the sales factor. 53908

~~(d) If the allocation and apportionment Subject to division 53909
(B)(2)(f) of this section, if the provisions of division (B) of 53910
this section chapter do not fairly represent the extent of the 53911
taxpayer's business activity in this state, the taxpayer may 53912
request, which request must be in writing and must accompany the 53913
report, a timely filed petition for reassessment, or a timely 53914
filed amended report, or the tax commissioner may require, in 53915~~

respect to all or any part of the taxpayer's allocated or 53916
apportioned base, if reasonable, any one or more of the following: 53917

(i) Separate accounting; 53918

(ii) The exclusion of any one or more of the factors; 53919

(iii) The inclusion of one or more additional factors that 53920
will fairly represent the taxpayer's allocated or apportioned base 53921
in this state; 53922

(iv) The employment of any other method to effectuate an 53923
equitable calculation of the corporation's base. 53924

An alternative method will be effective only with approval by 53925
the tax commissioner. 53926

Nothing in this section shall be construed to extend any 53927
statute of limitations set forth in this chapter. 53928

(e) Pursuant to sections 5703.14 and 5733.07 of the Revised 53929
Code, the tax commissioner may adopt rules providing for 53930
alternative allocation and apportionment methods, and alternative 53931
calculations of a corporation's base, that apply to all 53932
corporations, to specified classes of corporations, or to 53933
corporations within a specified industry. 53934

(f) Unless prior written approval is received from the 53935
commissioner, a person making a request under division (B)(2)(d) 53936
of this section to apportion or to allocate income in a manner 53937
other than as provided in this chapter without regard to division 53938
(B)(2)(d) of this section must first pay the tax imposed under 53939
this chapter, computed in a good faith and reasonable manner, 53940
based on the provisions of this chapter without regard to division 53941
(B)(2)(d) of this section. In addition to the other penalties 53942
provided for under this chapter, the commissioner may impose an 53943
additional penalty of up to fifteen per cent on the difference in 53944
tax as determined by the commissioner and the tax paid by the 53945

corporation that, without obtaining the prior written approval of 53946
the commissioner, apportsions or allocates income in a manner other 53947
than as provided by this chapter without regard to division 53948
(B)(2)(d) of this section. The penalty so imposed may be billed 53949
and assessed in the same manner as the tax. 53950

A request under division (B)(2)(d) of section 5733.05 of the 53951
Revised Code, either to apportion or allocate income or to 53952
calculate a corporation's base in a manner other than as provided 53953
in this chapter without regard to division (B)(2)(d) of this 53954
section, shall not be allowed or granted to a corporation that 53955
fails to obtain from the commissioner prior written approval 53956
either to apportion or allocate income in a manner other than as 53957
provided in this chapter without regard to division (B)(2)(d) of 53958
this section, and that fails to compute and pay fully the tax 53959
imposed by this chapter, in a good faith and reasonable manner, 53960
based on the provisions of this chapter without regard to division 53961
(B)(2)(d) of this section. 53962

Nothing in this section requires the tax commissioner to 53963
allow or grant any request for, or prevents the commissioner from 53964
requiring, an alternative method under division (B)(2)(d) of this 53965
section. 53966

~~(C)(1) Subject to divisions (C)(2) and (3) of this section,~~ 53967
~~the~~ The total value, as shown on the books of each corporation 53968
that is not a qualified holding company, of the net book value of 53969
a ~~the~~ corporation's assets less the net carrying value of its 53970
liabilities, ~~and~~ excluding from the corporation's assets land 53971
devoted exclusively to agricultural use as of the first Monday of 53972
June in the corporation's taxable year as determined by the county 53973
auditor of the county in which the land is located pursuant to 53974
section 5713.31 of the Revised Code, and making any adjustment 53975
required by division (D) of this section. For the purposes of 53976
determining that total value, any reserves shown on the 53977

corporation's books shall be considered liabilities or contra 53978
assets, as the case may be, except for any reserves that are 53979
deemed appropriations of retained earnings under generally 53980
accepted accounting principles. 53981

(2)(a) The base upon which the tax is levied under division 53982
(C) of section 5733.06 of the Revised Code shall be computed by 53983
multiplying the amount determined under division (C)(1) of this 53984
section by the fraction determined under divisions (B)(2)(a) to 53985
(c) of this section and, if applicable, divisions (B)(2)(d)(ii) to 53986
(iv) of this section, and with regard to section 5733.052 of the 53987
Revised Code, but substituting "net worth" for "net income" 53988
wherever "net income" appears in division (B)(2)(c) in this 53989
section. For purposes of division (C)(2) of this section, the 53990
numerator and denominator of each of the fractions shall include 53991
the portion of any real and tangible personal property, payroll, 53992
and sales, respectively, relating to, or used in connection with 53993
the production of, net nonbusiness income allocated under section 53994
5733.051 of the Revised Code. Nothing in this division shall allow 53995
any amount to be included in the numerator or denominator more 53996
than once. If the commissioner approves an alternative method 53997
pursuant to divisions (B)(2)(d) and (e) of this section for 53998
purposes of determining the taxpayer's base under division (B) of 53999
this section, a consistent method shall be employed for purposes 54000
of determining the taxpayer's base under division (C) of this 54001
section. 54002

(D) This division does not apply with respect to any person 54003
purporting to have elected to be a qualifying holding company if 54004
the person is participating, or is required to participate, in the 54005
filing of a consolidated report described in section 5733.052 of 54006
the Revised Code. Notwithstanding any other section of this 54007
chapter to the contrary, no person participating, or required to 54008
participate, in the filing of a consolidated report described in 54009

section 5733.052 of the Revised Code shall be eligible to make an election to be a qualifying holding company for the tax year. 54010
54011

(1) If, on the last day of the taxpayer's taxable year 54012
preceding the tax year, the taxpayer is a related member to a 54013
corporation that elects to be a qualifying holding company for the 54014
tax year beginning after the last day of the taxpayer's taxable 54015
year, or if, on the last day of the taxpayer's taxable year 54016
preceding the tax year, a corporation that elects to be a 54017
qualifying holding company for the tax year beginning after the 54018
last day of the taxpayer's taxable year is a related member to the 54019
taxpayer, ~~then~~ the taxpayer's total value for the purposes of 54020
division (C) of this section shall be adjusted by the qualifying 54021
amount. Except as otherwise provided under division ~~(C)(D)(2)(b)~~ 54022
of this section, "qualifying amount" means the amount that, when 54023
added to the taxpayer's total value, and when subtracted from the 54024
net carrying value of the taxpayer's liabilities computed without 54025
regard to division ~~(C)(2)(D)~~ of this section, or when subtracted 54026
from the taxpayer's total value and when added to the net carrying 54027
value of the taxpayer's liabilities computed without regard to 54028
division ~~(C)(2)(D)~~ of this section, results in the taxpayer's 54029
debt-to-equity ratio equaling the debt-to-equity ratio of the 54030
qualifying controlled group on the last day of the taxable year 54031
ending prior to the first day of the tax year computed on a 54032
consolidated basis in accordance with general accepted accounting 54033
principles. For the purposes of division ~~(C)(2)(a)(D)(1)~~ of this 54034
section, the corporation's total value, after the adjustment 54035
required by that division, shall not exceed the net book value of 54036
the corporation's assets. 54037

~~(b)(i)(2)(a)~~ The amount added to the taxpayer's total value 54038
and subtracted from the net carrying value of the taxpayer's 54039
liabilities shall not exceed the amount of the net carrying value 54040
of the taxpayer's liabilities owed to the taxpayer's related 54041

members. 54042

~~(ii)(b)~~ A liability owed to the taxpayer's related members 54043
includes, but is not limited to, any amount that the corporation 54044
owes to a person that is not a related member if the corporation's 54045
related member or related members in whole or in part guarantee 54046
any portion or all of that amount, or pledge, hypothecate, 54047
mortgage, or carry out any similar transactions to secure any 54048
portion or all of that amount. 54049

~~(3) The base upon which the tax is levied under division (C)~~ 54050
~~of section 5733.06 of the Revised Code shall be computed by~~ 54051
~~multiplying the amount determined under divisions (C)(1) and (2)~~ 54052
~~of this section by the fraction determined under divisions~~ 54053
~~(B)(2)(a) to (c) of this section and, if applicable, divisions~~ 54054
~~(B)(2)(d)(ii) to (iv) of this section but without regard to~~ 54055
~~section 5733.052 of the Revised Code.~~ 54056

~~(4) For purposes of division (C)(D) of this section, "related~~ 54057
~~member" has the same meaning as in division (A)(6) of section~~ 54058
~~5733.042 of the Revised Code without regard to division (B) of~~ 54059
~~that section.~~ 54060

Sec. 5733.051. Subject For purposes of this section, "capital 54061
gain" does not include any item of income that is not treated as a 54062
capital gain under section 1245 or 1250 of the Internal Revenue 54063
Code or under any other similar section of the Internal Revenue 54064
Code. 54065

For purposes of this section, "available" means information 54066
is such that a person is able to learn of the information by the 54067
due date plus extensions, if any, for filing the report for the 54068
tax year immediately following the last day of the taxable year, 54069
and "modified qualifying controlled group" means that portion of a 54070
qualifying controlled group consisting of the corporation the sale 54071
of which resulted in the gain or loss described in division (E) of 54072

this section together with all members of the qualifying 54073
controlled group owned directly or indirectly by that corporation, 54074
or the corporation that directly paid the dividend or directly 54075
made the distribution described in division (F) of this section 54076
together with all members of the qualifying controlled group owned 54077
directly or indirectly by that corporation. 54078

Unless the corporation has received prior written approval 54079
from the tax commissioner, a corporation making a request under 54080
division (B)(2)(d) of section 5733.05 of the Revised Code to 54081
allocate or apportion income, or to calculate the base, in a 54082
manner other than as provided in this section must first pay the 54083
tax imposed under this chapter, computed and paid in full in a 54084
good faith and reasonable manner, without regard to division 54085
(B)(2)(d) of section 5733.05 of the Revised Code. Unless the 54086
person receives prior written approval from the commissioner and 54087
unless the person computes and pays in full the tax imposed by 54088
this chapter, in a good faith and reasonable manner, without 54089
regard to division (B)(2)(d) of section 5733.05 of the Revised 54090
Code, the allocation or apportionment of income in a manner other 54091
than as provided in this section shall not be allowed or granted. 54092

Nothing in this section requires the commissioner to allow or 54093
grant any request for, or prevents the commissioner from 54094
requiring, an alternative method under division (B)(2)(d) of 54095
section 5733.05 of the Revised Code. 54096

Subject to section 5733.0510 of the Revised Code, net income 54097
of a corporation ~~subject to the tax imposed by section 5733.06 of~~ 54098
~~the Revised Code~~ shall be allocated and apportioned to this state 54099
as follows: 54100

(A) Net rents and royalties from real property located in 54101
this state are allocable to this state. Net rents and royalties 54102
from real property not located in this state are allocable outside 54103
this state. 54104

(B) Net rents and royalties from tangible personal property, 54105
to the extent such property is utilized in this state, are 54106
allocable to this state ~~if the taxpayer is otherwise subject to~~ 54107
~~the tax imposed by section 5733.06 of the Revised Code.~~ Net rents 54108
and royalties from tangible personal property, to the extent such 54109
property is utilized outside this state, are allocable outside 54110
this state. 54111

(C) Capital gains and losses from the sale or other 54112
disposition of real property located in this state are allocable 54113
to this state. Capital gains and losses from the sale or other 54114
disposition of real property located outside this state are 54115
allocable outside this state. 54116

(D) Capital gains and losses from the sale or other 54117
disposition of tangible personal property are allocable to this 54118
state ~~if the property had a situs in this state at the time of~~ 54119
~~sale and the taxpayer is otherwise subject to the tax imposed by~~ 54120
~~section 5733.06 of the Revised Code~~ to the extent such property 54121
was utilized in this state prior to the property's sale or other 54122
disposition. Capital gains and losses from the sale or other 54123
disposition of tangible personal property are allocable outside 54124
this state to the extent such property was utilized outside this 54125
state prior to the property's sale or other disposition. 54126

(E) Capital gains and losses from the sale or other 54127
disposition of intangible property which may produce income 54128
enumerated in division (F)(1) of this section are allocable on the 54129
same basis as set forth in that division, substituting the day of 54130
the sale or disposition for the day on which the payor pays the 54131
dividend or makes the distribution, but if the location of the 54132
physical assets described in that division is not available to the 54133
taxpayer, such gains and losses are apportionable under division 54134
(I) of this section. Capital gains and losses from the sale or 54135
other disposition of all other intangible property are 54136

apportionable under division (I) of this section. 54137

(F) "Dividends or distributions" to which this division 54138
refers are dividends directly or indirectly paid by or 54139
distributions directly or indirectly made by any person classified 54140
for federal income tax purposes as an association taxable as a 54141
corporation. 54142

(1) Dividends or distributions which are not otherwise 54143
deducted or excluded from net income, other than dividends or 54144
distributions from a domestic international sales corporation, are 54145
allocable shall be allocated to this state in accordance with the 54146
ratio of the book value of the physical assets of the payor of the 54147
dividends or distributions located in this state divided by the 54148
book value of the total physical assets of the payor located 54149
everywhere by multiplying such dividends and distributions by a 54150
fraction. The numerator of the fraction is the book value of the 54151
physical assets in this state of the payor or, if the payor is a 54152
member of a modified qualifying controlled group on the last day 54153
of the payor's fiscal or calendar year ending immediately prior to 54154
the day on which the payor pays the dividend or makes the 54155
distribution, the sum of the book values of the physical assets in 54156
this state of the payor and of all the other members of the 54157
modified qualifying controlled group of which the payor is a 54158
member on the last day of the payor's fiscal or calendar year 54159
ending immediately prior to the day on which the payor pays the 54160
dividend or makes the distribution. The denominator of the 54161
fraction is the book value of the physical assets everywhere of 54162
the payor or, if the payor is a member of a modified qualifying 54163
controlled group on the last day of the payor's fiscal or calendar 54164
year ending immediately prior to the day on which the payor pays 54165
the dividend or makes the distribution, the sum of the book values 54166
of the physical assets everywhere of the payor and of all the 54167
other members of the modified qualifying controlled group of which 54168

the payor is a member on the last day of the payor's fiscal or 54169
calendar year ending immediately prior to the day on which the 54170
payor pays the dividend or makes the distribution. Dividends or 54171
distributions received from a domestic international sales 54172
corporation, or from a payor for which the location of ~~whose~~ 54173
physical assets described in this division is ~~unavailable~~ not 54174
available to the taxpayer, are apportionable under division (I) of 54175
this section. 54176

(2) If the payor of a dividend or distribution, or if that 54177
payor and any members of the qualifying controlled group of which 54178
the payor is a member on the last day of the payor's fiscal or 54179
calendar year ending immediately prior to the day on which the 54180
payor pays the dividend or makes the distribution, separately or 54181
cumulatively own, directly or indirectly, on the last day of the 54182
payor's fiscal or calendar year ending immediately prior to the 54183
day on which the payor pays the dividend or makes the 54184
distribution, more than fifty per cent of the equity of a 54185
pass-through entity, then for purposes of division (F)(1) of this 54186
section the payor and the other members are deemed to own the 54187
proportionate share of the physical assets that the pass-through 54188
entity directly or indirectly owns on the last day of the payor's 54189
fiscal or calendar year ending immediately prior to the day on 54190
which the payor pays the dividend or makes the distribution. 54191

(3) For the purposes of division (F)(3) of this section, 54192
"upper level pass-through entity" means a pass-through entity 54193
directly or indirectly owning any equity of another pass-through 54194
entity, and "lower level pass-through entity" means that other 54195
pass-through entity. For purposes of divisions (F)(1) and (2) of 54196
this section, an upper level pass-through entity is deemed to own, 54197
on the last day of the upper level pass-through entity's fiscal or 54198
calendar year, the proportionate share of the lower level 54199
pass-through entity's physical assets that the lower level 54200

pass-through entity directly or indirectly owns on the last day of 54201
the lower level pass-through entity's fiscal or calendar year 54202
ending within or with the last day of the upper level pass-through 54203
entity's fiscal or calendar year. If the upper level pass-through 54204
entity directly and indirectly owns less than fifty per cent of 54205
the equity of the lower level pass-through entity on each day of 54206
the upper level pass-through entity's fiscal or calendar year in 54207
which or with which ends the fiscal or calendar year of the lower 54208
level pass-through entity and if, based upon clear and convincing 54209
evidence, complete information about the location and cost of the 54210
physical assets of the lower level pass-through entity is not 54211
available to the upper level pass-through entity, then for 54212
purposes of divisions (F)(1) and (2) of this section, the upper 54213
level pass-through entity shall be deemed as owning no equity of 54214
the lower level pass-through entity for each day during the upper 54215
level pass-through entity's calendar or fiscal year in which or 54216
with which ends the lower level pass-through entity's fiscal or 54217
calendar year. 54218

(G) ~~Patent and copyright~~ Net rents, net royalties, and net 54219
technical assistance fees, not representing the principal source 54220
of gross receipts of the taxpayer, from intangible property 54221
are allocable to this state to the extent that the activity of the 54222
payor thereof giving rise to the payment takes place in this 54223
state. If the location of the a payor's activity is unavailable 54224
not available to the taxpayer, such corporation, the net rents, 54225
net royalties, and net technical assistance fees are allocable or 54226
apportionable under division (I) of this section. 54227

(H)(1) ~~The following amounts described in division (B)(5) of~~ 54228
~~section 5747.20 of the Revised Code~~ are allocable to this state: 54229

(a) All lottery prize awards paid by the state lottery 54230
commission pursuant to Chapter 3770. of the Revised Code; 54231

(b) All earnings, profit, income, and gain from the sale, 54232

exchange, or other disposition of lottery prize awards paid or to 54233
be paid to any person by the state lottery commission pursuant to 54234
Chapter 3770. of the Revised Code; 54235

(c) All earnings, profit, income, and gain from the direct or 54236
indirect ownership of lottery prize awards paid or to be paid to 54237
any person by the state lottery commission pursuant to Chapter 54238
3770. of the Revised Code; 54239

(d) All earnings, profit, income, and gain from the direct or 54240
indirect interest in any right in or to any lottery prize awards 54241
paid or to be paid to any person by the state lottery commission 54242
pursuant to Chapter 3770. of the Revised Code. 54243

(2) Lottery prize awards and related earnings, profit, 54244
income, or gain with respect to lotteries sponsored by persons or 54245
agencies outside this state shall be allocated outside this state. 54246

(I) ~~Any~~ Every other item of net nonbusiness income, from 54247
sources other than those enumerated in divisions (A) to (H) of 54248
this section, is allocated entirely to this state except to the 54249
extent the allocation of such item of net nonbusiness income 54250
entirely to this state is not within the taxing power of this 54251
state under the Constitution of the United States. To the extent 54252
such allocation entirely to this state would not be within the 54253
taxing power of this state under the Constitution of the United 54254
States, such item of net nonbusiness income is apportionable to 54255
this state on the basis of the mechanism provided in division 54256
(B)(2) of section 5733.05 and in section 5733.057 of the Revised 54257
Code. 54258

Sec. 5733.052. (A) Any elected, requested, or required 54259
combination of income made pursuant to this section prior to the 54260
effective date of the repeal and reenactment of this section by 54261
.B. of the 125th general assembly shall not apply to taxable years 54262
ending on or after that effective date. No elected, requested, or 54263

required combination of income shall be allowed for taxable years 54264
ending on or after that effective date. Nothing in this section 54265
affects or modifies each taxpayer's unused net operating losses 54266
calculated pursuant to this section prior to that effective date. 54267

(B)(1)(a)(i) At any time during the period or extended period 54268
described in section 5733.11 of the Revised Code, a taxpayer may 54269
elect to file a consolidated report for the tax year and pay the 54270
tax so computed in accordance with this section. 54271

(ii) At any time during the period or extended period 54272
described in section 5733.11 of the Revised Code, the taxpayer may 54273
revoke the election described in division (B)(1)(a)(i) of this 54274
section and seek a refund of any excess tax paid, together with 54275
appropriate interest and any previously paid penalty related to 54276
the refund of tax. 54277

(b)(i) The tax commissioner may not revoke or set aside a 54278
taxpayer's election to file a consolidated report allowed by 54279
division (B)(1)(a)(i) of this section. 54280

(ii) The tax commissioner may not revoke or set aside a 54281
taxpayer's revocation, allowed by division (B)(1)(a)(ii) of this 54282
section, of the taxpayer's previous election to file a 54283
consolidated report. Nothing in division (B)(1)(b)(ii) shall limit 54284
the tax commissioner's authority under division (B)(2)(a) of this 54285
section to require that the taxpayer file a consolidated report 54286
for the tax year to which the taxpayer's revocation applies. 54287

(2)(a) At any time during the period or extended period 54288
described in section 5733.11 of the Revised Code, the tax 54289
commissioner, to the extent allowed by the Constitution of the 54290
United States, may require a taxpayer to file a consolidated 54291
report for the tax year, and pay the appropriate tax, interest, 54292
and penalty if the tax commissioner ascertains that, in order to 54293
properly reflect income, such a consolidation is necessary because 54294

of intercorporate transactions and the tax liability imposed by 54295
section 5733.06 of the Revised Code. 54296

(b) At any time during the period or extended period 54297
described in section 5733.11 of the Revised Code, the tax 54298
commissioner may revoke the requirement under division (B)(2)(a) 54299
of this section that the taxpayer file a consolidated report for 54300
the tax year. 54301

(i) If such revocation by the tax commissioner results in the 54302
imposition of additional tax, interest, and penalty, the taxpayer 54303
or taxpayers shall immediately pay all additional tax, interest, 54304
and penalty. 54305

(ii) If such revocation by the tax commissioner results in a 54306
reduction of tax, interest, and penalty, the tax commissioner 54307
shall immediately refund to the taxpayer or taxpayers the excess 54308
tax paid, together with interest and any related penalty 54309
previously paid. 54310

(C) Except as set forth in divisions (C)(1) and (2) and (E) 54311
of this section, the concepts and principles set forth in sections 54312
1501 and 1502 of the Internal Revenue Code and the United States 54313
Department of Treasury regulations issued thereunder shall apply 54314
to the consolidated report. To the extent not inconsistent with 54315
sections 1501 and 1502 of the Internal Revenue Code and the United 54316
States Department of Treasury regulations issued thereunder: 54317

(1) The consolidated report shall show and include the 54318
consolidated net income of all members of the consolidated federal 54319
income tax return for the taxable year immediately preceding the 54320
tax year, but shall not include a financial institution or a 54321
person exempt from the tax imposed under this chapter under 54322
division (A) or (C) of section 5733.09 of the Revised Code. 54323

(2) The consolidated report shall show and include the 54324
consolidated net worth, as of the date shown by the report to have 54325

been the beginning of the annual accounting period that includes 54326
the first day of January of the tax year, for all members of the 54327
consolidated federal income tax return for the taxable year ending 54328
immediately prior to such date, but shall not include a financial 54329
institution or a person exempt from the tax imposed under this 54330
chapter under division (A) or (C) of section 5733.09 of the 54331
Revised Code. 54332

(3) Each item of income, gain, expense, or loss shall be 54333
ascertained to be business income or nonbusiness income as if all 54334
the corporations participating, or required to participate, in the 54335
filing of the consolidated tax report were one corporation. 54336

(4) The following items shall be ascertained as if all the 54337
corporations participating, or required to participate, in the 54338
filing of the consolidated tax report were one corporation: the 54339
calculation of the apportionment fraction described in division 54340
(B) of section 5733.05 of the Revised Code, the calculation of 54341
business income apportioned to this state, the calculation of 54342
nonbusiness income allocated or apportioned to this state, the 54343
calculation of the net worth apportioned to this state, and the 54344
computation of the tax described in section 5733.06 of the Revised 54345
Code. 54346

(D) Unless another section of the Revised Code expressly 54347
provides otherwise, then to the extent not inconsistent with 54348
sections 1501 and 1502 of the Internal Revenue Code and the United 54349
States Department of Treasury regulations issued thereunder, the 54350
computation of all credits shall be ascertained as if all the 54351
corporations participating, or required to participate, in the 54352
filing of the consolidated tax report were one corporation. 54353

(E) Notwithstanding division (C) of this section to the 54354
contrary, each corporation participating, or required to 54355
participate, in the filing of the consolidated report allowed by 54356
this section shall be jointly and severally liable for the tax, 54357

interest, and penalty imposed by this chapter. An assessment 54358
against one or more corporations shall not bar, and shall not be a 54359
waiver of, the subsequent assessment of, and collection from, any 54360
or all other corporations participating, or required to 54361
participate, in the filing of the consolidated report. 54362

Sec. 5733.056. (A) As used in this section: 54363

(1) "Billing address" means the street address where any 54364

records of the taxpayer on the first day of the taxable year or on 54367
such later date in the taxable year when the customer relationship 54368
began. If the notice, statement, bill, or similar acknowledgement 54369
is sent by mail to a post office box or is sent electronically or 54370
by other means to an address other than a street address, or if no 54371
notice, statement, bill, or acknowledgement is sent, the 54372
customer's street address set forth in the books and records of 54373
the taxpayer is the billing address. 54374

(2) "Borrower or credit card holder located in this state" 54375
means: 54376

(a) A borrower, other than a credit card holder, that is 54377
engaged in a trade or business and maintains its commercial 54378
domicile in this state; or 54379

a credit card holder, whose billing address is in this state. 54381

(3) "Branch" means a "domestic branch" as defined in section 54382
3 of the "Federal Deposit Insurance Act," 64 Stat. 873, 12 U.S.C. 54383

any other form of remuneration paid to employees for personal 54386
services that are included in such employee's gross income under 54387

the Internal Revenue Code. In the case of employees not subject to 54388
the Internal Revenue Code, such as those employed in foreign 54389
countries, the determination of whether such payments would 54390
constitute gross income to such employees under the Internal 54391
Revenue Code shall be made as though such employees were subject 54392
to the Internal Revenue Code. 54393

(5) "Credit card" means a credit, travel, or entertainment 54394
card. 54395

(6) "Credit card issuer's reimbursement fee" means the fee a 54396

(7) "Deposits" has the meaning given in section 3 of the 54400

as amended. 54402

(8) "Employee" means, with respect to a particular taxpayer, 54403

fixed sum of money or as a percentage of receipts, profits, or 54412
otherwise; 54413

(b) Any amount payable as additional rent or in lieu of rent, 54414

required to be paid by the terms of a lease or other arrangement; 54416
and 54417

(c) A proportionate part of the cost of any improvement to 54418
real property made by or on behalf of the taxpayer which reverts 54419
to the owner or lessor upon termination of a lease or other 54420
arrangement. The amount to be included in gross rents is the 54421
amount of amortization or depreciation allowed in computing the 54422
taxable income base for the taxable year. However, where a 54423
building is erected on leased land, by or on behalf of the 54424
taxpayer, the value of the land is determined by multiplying the 54425
gross rent by eight, and the value of the building is determined 54426
in the same manner as if owned by the taxpayer. 54427

(d) The following are not included in the term "gross rents": 54428

(i) Reasonable amounts payable as separate charges for water 54429
and electric service furnished by the lessor; 54430

(ii) Reasonable amounts payable as service charges for 54431
janitorial services furnished by the lessor; 54432

amounts are payable for space not designated and not under the 54434
control of the taxpayer; and 54435

(iv) That portion of any rental payment which is applicable 54436
to the space subleased from the taxpayer and not used by it. 54437

(10) "Loan" means any extension of credit resulting from 54438
direct negotiations between the taxpayer and its customer, or the 54439
purchase, in whole or in part, of such extension of credit from 54440
another. Loans include debt obligations of subsidiaries, 54441
participations, syndications, and leases treated as loans for 54442
federal income tax purposes. "Loan" does not include: properties 54443

cent or more of the aggregate value of the collateral used to 54455
secure a loan or other obligation, when valued at fair market 54456
value as of the time the original loan or obligation was incurred, 54457
was real property. 54458

(12) "Merchant discount" means the fee, or negotiated 54459
discount, charged to a merchant by the taxpayer for the privilege 54460
of participating in a program whereby a credit card is accepted in 54461
payment for merchandise or services sold to the card holder. 54462

(13) "Participation" means an extension of credit in which an 54463
undivided ownership interest is held on a pro rata basis in a 54464
single loan or pool of loans and related collateral. In a loan 54465
participation, the credit originator initially makes the loan and 54466
then subsequently resells all or a portion of it to other lenders. 54467
The participation may or may not be known to the borrower. 54468

(14) "Principal base of operations" with respect to 54469
transportation property means the place of more or less permanent 54470
nature from which the property is regularly directed or 54471
controlled. With respect to an employee, the "principal base of 54472
operations" means the place of more or less permanent nature from 54473
which the employee regularly (a) starts work and to which the 54474
employee customarily returns in order to receive instructions from 54475

(ii) Is a federal savings association or federal savings bank 54485

result in a financial institution that has branches in more than 54487
one state; or 54488

(iii) Has consummated one or more approved interstate 54489
acquisitions under authority of Title XI of the Revised Code that 54490
result in a financial institution that has branches in more than 54491
one state; and 54492

(b) Has at least nine per cent of its deposits in this state 54493
as of the last day of June prior to the beginning of the tax year. 54494

(16) "Real property owned" and "tangible personal property 54495
owned" mean real and tangible personal property, respectively, on 54496
which the taxpayer may claim depreciation for federal income tax 54497
purposes, or to which the taxpayer holds legal title and on which 54498
no other person may claim depreciation for federal income tax 54499
purposes, or could claim depreciation if subject to federal income 54500
tax. Real and tangible personal property do not include coin, 54501
currency, or property acquired in lieu of or pursuant to a 54502
foreclosure. 54503

(17) "Regular place of business" means an office at which the 54504

or more persons fund and each person is at risk only up to a 54512
specified percentage of the total extension of credit or up to a 54513
specified dollar amount. 54514

(20) "Transportation property" means vehicles and vessels 54515
capable of moving under their own power, such as aircraft, trains, 54516
water vessels and motor vehicles, as well as any equipment or 54517
containers attached to such property, such as rolling stock, 54518
barges, trailers, or the like. 54519

(21) "Commissions earned" includes, but is not limited to, 54520
brokerage commissions, asset management fees, and similar fees 54521
charged in the regular course of business to a customer for the 54522
maintenance and management of the customer's brokerage account. 54523

(B) The annual financial institution report determines the 54524
value of the issued and outstanding shares of stock of the 54525
taxpayer, and is the base or measure of the franchise tax 54526
liability. Such determination shall be made as of the date shown 54527
by the report to have been the beginning of the financial 54528
institution's annual accounting period that includes the first day 54529
of January of the tax year. For purposes of this section, division 54530
(A) of section 5733.05, and division (D) of section 5733.06 of the 54531
Revised Code, the value of the issued and outstanding shares of 54532
stock of the financial institution shall include the total value, 54533
as shown by the books of the financial institution, of its 54534
capital, surplus, whether earned or unearned, undivided profits, 54535
and reserves, but exclusive of: 54536

(1) Reserves for accounts receivable, depreciation, 54537
depletion, and any other valuation reserves with respect to 54538
specific assets; 54539

(2) Taxes due and payable during the year for which such 54540
report was made; 54541

(3) Voting stock and participation certificates in 54542

(4) Good will, net aggregate appreciation under the equity 54545
method of accounting of investments in the capital stock of 54546
directly owned first-tier affiliates, and abandoned property as 54547
set up in the annual report of the financial institution, provided 54548
a certified balance sheet of the company is made available upon 54549
the request of the tax commissioner. Such balance sheet shall not 54550
be a part of the public records, but shall be a confidential 54551
report for use of the tax commissioner only. 54552

(5) A portion of the value of the issued and outstanding 54553
shares of stock of such financial institution equal to the amount 54554
obtained by multiplying such value by the quotient obtained by: 54555

(a) Dividing (1) the amount of the financial institution's 54556
assets, as shown on its books, represented by investments in the 54557
capital stock and indebtedness of public utilities, except 54558
combined companies or electric companies, telephone companies for 54559
tax years 2005 or thereafter, or water transportation companies 54560
for tax years 2004 and thereafter, of which at least eighty per 54561
cent of the utility's issued and outstanding common stock is owned 54562
by the financial institution by (2) the total assets of such 54563
financial institution as shown on its books; 54564

(b) Dividing (1) the amount of the financial institution's 54565
assets, as shown on its books, represented by investments in the 54566
capital stock and indebtedness of insurance companies of which at 54567
least eighty per cent of the insurance company's issued and 54568
outstanding common stock is owned by the financial institution by 54569
(2) the total assets of such financial institution as shown on its 54570
books; 54571

(c) Dividing (1) the amount of the financial institution's 54572

assets, as shown on its books, represented by investments in the 54573
capital stock and indebtedness of other financial institutions of 54574
which at least twenty-five per cent of the other financial 54575
institution's issued and outstanding common stock is owned by the 54576
financial institution by (2) the total assets of the financial 54577
institution as shown on its books. Division (B)(5)(c) of this 54578
section applies only with respect to such other financial 54579
institutions that for the tax year immediately following the 54580
taxpayer's taxable year will pay the tax imposed by division (D) 54581
of section 5733.06 of the Revised Code. 54582

(6) Land that has been determined pursuant to section 5713.31 54583
of the Revised Code by the county auditor of the county in which 54584
the land is located to be devoted exclusively to agricultural use 54585
as of the first Monday of June in the financial institution's 54586
taxable year. 54587

(7) Property within this state used exclusively during the 54588
taxable year for qualified research as defined in section 5733.05 54589
of the Revised Code. 54590

(C) The base upon which the tax levied under division (D) of 54591
section 5733.06 of the Revised Code shall be computed by 54592
multiplying the value of a financial institution's issued and 54593
outstanding shares of stock as determined in division (B) of this 54594
section by a fraction. The numerator of the fraction is the sum of 54595
the following: the property factor multiplied by fifteen, the 54596
payroll factor multiplied by fifteen, and the sales factor 54597
multiplied by seventy. The denominator of the fraction is one 54598
hundred, provided that the denominator shall be reduced by fifteen 54599
if the property factor has a denominator of zero, by fifteen if 54600
the payroll factor has a denominator of zero, and by seventy if 54601
the sales factor has a denominator of zero. 54602

(D) A financial institution shall calculate the property 54603
factor as follows: 54604

(1) The property factor is a fraction, the numerator of which is the average value of real property and tangible personal property rented to the taxpayer that is located or used within this state during the taxable year, the average value of real and tangible personal property owned by the taxpayer that is located or used within this state during the taxable year, and the average value of the taxpayer's loans and credit card receivables that are located within this state during the taxable year; and the denominator of which is the average value of all such property located or used within and without this state during the taxable year.

(2)(a) The value of real property and tangible personal property owned by the taxpayer is the original cost or other basis of such property for federal income tax purposes without regard to depletion, depreciation, or amortization.

(b) Loans are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a loan is charged-off in whole or in part for federal income tax purposes, the portion of the loan charged-off is not outstanding. A specifically allocated reserve established pursuant to financial accounting guidelines which is treated as charged-off for federal income tax purposes shall be treated as charged-off for purposes of this section.

(c) Credit card receivables are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a credit card receivable is charged-off in whole or in part for federal income tax purposes, the portion of the receivable charged-off is not outstanding.

(3) The average value of property owned by the taxpayer is computed on an annual basis by adding the value of the property on the first day of the taxable year and the value on the last day of

the taxable year and dividing the sum by two. If averaging on this 54636
basis does not properly reflect average value, the tax 54637
commissioner may require averaging on a more frequent basis. The 54638
taxpayer may elect to average on a more frequent basis. When 54639
averaging on a more frequent basis is required by the tax 54640
commissioner or is elected by the taxpayer, the same method of 54641
valuation must be used consistently by the taxpayer with respect 54642
to property within and without this state and on all subsequent 54643
returns unless the taxpayer receives prior permission from the tax 54644
commissioner or the tax commissioner requires a different method 54645
of determining value. 54646

(4)(a) The average value of real property and tangible 54647
personal property that the taxpayer has rented from another and is 54648
not treated as property owned by the taxpayer for federal income 54649
tax purposes, shall be determined annually by multiplying the 54650
gross rents payable during the taxable year by eight. 54651

(b) Where the use of the general method described in division 54652
(D)(4)(a) of this section results in inaccurate valuations of 54653
rented property, any other method which properly reflects the 54654
value may be adopted by the tax commissioner or by the taxpayer 54655
when approved in writing by the tax commissioner. Once approved, 54656
such other method of valuation must be used on all subsequent 54657
returns unless the taxpayer receives prior approval from the tax 54658
commissioner or the tax commissioner requires a different method 54659
of valuation. 54660

(5)(a) Except as described in division (D)(5)(b) of this 54661
section, real property and tangible personal property owned by or 54662
rented to the taxpayer is considered to be located within this 54663
state if it is physically located, situated, or used within this 54664
state. 54665

(b) Transportation property is included in the numerator of 54666
the property factor to the extent that the property is used in 54667

this state. The extent an aircraft will be deemed to be used in 54668
this state and the amount of value that is to be included in the 54669
numerator of this state's property factor is determined by 54670
multiplying the average value of the aircraft by a fraction, the 54671
numerator of which is the number of landings of the aircraft in 54672
this state and the denominator of which is the total number of 54673
landings of the aircraft everywhere. If the extent of the use of 54674
any transportation property within this state cannot be 54675
determined, then the property will be deemed to be used wholly in 54676
the state in which the property has its principal base of 54677
operations. A motor vehicle will be deemed to be used wholly in 54678
the state in which it is registered. 54679

(6)(a)(i) A loan, other than a loan or advance described in 54680
division (D)(6)(d) of this section, is considered to be located 54681
within this state if it is properly assigned to a regular place of 54682
business of the taxpayer within this state. 54683

(ii) A loan is properly assigned to the regular place of 54684
business with which it has a preponderance of substantive 54685
contacts. A loan assigned by the taxpayer to a regular place of 54686
business without the state shall be presumed to have been properly 54687
assigned if: 54688

(I) The taxpayer has assigned, in the regular course of its 54689
business, such loan on its records to a regular place of business 54690
consistent with federal or state regulatory requirements; 54691

(II) Such assignment on its records is based upon substantive 54692
contacts of the load to such regular place of business; and 54693

(III) The taxpayer uses the records reflecting assignment of 54694
loans for the filing of all state and local tax returns for which 54695
an assignment of loans to a regular place of business is required. 54696

(iii) The presumption of proper assignment of a loan provided 54697
in division (D)(6)(a)(ii) of this section may be rebutted upon a 54698

showing by the tax commissioner, supported by a preponderance of 54699
the evidence, that the preponderance of substantive contacts 54700
regarding such loan did not occur at the regular place of business 54701
to which it was assigned on the taxpayer's records. When such 54702
presumption has been rebutted, the loan shall then be located 54703
within this state if (1) the taxpayer had a regular place of 54704
business within this state at the time the loan was made; and (2) 54705
the taxpayer fails to show, by a preponderance of the evidence, 54706
that the preponderance of substantive contacts regarding such loan 54707
did not occur within this state. 54708

(b) In the case of a loan which is assigned by the taxpayer 54709
to a place without this state which is not a regular place of 54710
business, it shall be presumed, subject to rebuttal by the 54711
taxpayer on a showing supported by the preponderance of evidence, 54712
that the preponderance of substantive contacts regarding the loan 54713
occurred within this state if, at the time the loan was made the 54714
taxpayer's commercial domicile was within this state. 54715

(c) To determine the state in which the preponderance of 54716
substantive contacts relating to a loan have occurred, the facts 54717
and circumstances regarding the loan at issue shall be reviewed on 54718
a case-by-case basis and consideration shall be given to such 54719
activities as the solicitation, investigation, negotiation, 54720
approval, and administration of the loan. The terms 54721
"solicitation," "investigation," "negotiation," "approval," and 54722
"administration" are defined as follows: 54723

(i) "Solicitation" is either active or passive. Active 54724
solicitation occurs when an employee of the taxpayer initiates the 54725
contact with the customer. Such activity is located at the regular 54726
place of business which the taxpayer's employee is regularly 54727
connected with or working out of, regardless of where the services 54728
of such employee were actually performed. Passive solicitation 54729
occurs when the customer initiates the contact with the taxpayer. 54730

If the customer's initial contact was not at a regular place of 54731
business of the taxpayer, the regular place of business, if any, 54732
where the passive solicitation occurred is determined by the facts 54733
in each case. 54734

(ii) "Investigation" is the procedure whereby employees of 54735
the taxpayer determine the creditworthiness of the customer as 54736
well as the degree of risk involved in making a particular 54737
agreement. Such activity is located at the regular place of 54738
business which the taxpayer's employees are regularly connected 54739
with or working out of, regardless of where the services of such 54740
employees were actually performed. 54741

(iii) Negotiation is the procedure whereby employees of the 54742
taxpayer and its customer determine the terms of the agreement, 54743
such as the amount, duration, interest rate, frequency of 54744
repayment, currency denomination, and security required. Such 54745
activity is located at the regular place of business to which the 54746
taxpayer's employees are regularly connected or working from, 54747
regardless of where the services of such employees were actually 54748
performed. 54749

(iv) "Approval" is the procedure whereby employees or the 54750
board of directors of the taxpayer make the final determination 54751
whether to enter into the agreement. Such activity is located at 54752
the regular place of business to which the taxpayer's employees 54753
are regularly connected or working from, regardless of where the 54754
services of such employees were actually performed. If the board 54755
of directors makes the final determination, such activity is 54756
located at the commercial domicile of the taxpayer. 54757

(v) "Administration" is the process of managing the account. 54758
This process includes bookkeeping, collecting the payments, 54759
corresponding with the customer, reporting to management regarding 54760
the status of the agreement, and proceeding against the borrower 54761
or the security interest if the borrower is in default. Such 54762

activity is located at the regular place of business that oversees 54763
this activity. 54764

(d) A loan or advance to a subsidiary corporation at least 54765
fifty-one per cent of whose common stock is owned by the financial 54766
institution shall be allocated in and out of the state by the 54767
application of a ratio whose numerator is the sum of the net book 54768
value of the subsidiary's real property owned in this state and 54769
the subsidiary's tangible personal property owned in this state 54770
and whose denominator is the sum of the subsidiary's real property 54771
owned wherever located and the subsidiary's tangible personal 54772
property owned wherever located. For purposes of calculating this 54773
ratio, the taxpayer shall determine net book value in accordance 54774
with generally accepted accounting principles. If the subsidiary 54775
corporation owns at least fifty-one per cent of the common stock 54776
of another corporation, the ratio shall be calculated by including 54777
the other corporation's real property and tangible personal 54778
property. The calculation of the ratio applies with respect to all 54779
lower-tiered subsidiaries, provided that the immediate parent 54780
corporation of the subsidiary owns at least fifty-one per cent of 54781
the common stock of that subsidiary. 54782

(7) For purposes of determining the location of credit card 54783
receivables, credit card receivables shall be treated as loans and 54784
shall be subject to division (D)(6) of this section. 54785

(8) A loan that has been properly assigned to a state shall, 54786
absent any change of material fact, remain assigned to that state 54787
for the length of the original term of the loan. Thereafter, the 54788
loan may be properly assigned to another state if the loan has a 54789
preponderance of substantive contact to a regular place of 54790
business there. 54791

(E) A financial institution shall calculate the payroll 54792
factor as follows: 54793

(1) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid both within and without this state during the taxable year.

(2) Compensation is paid in this state if any one of the following tests, applied consecutively, is met:

(a) The employee's services are performed entirely within this state.

(b) The employee's services are performed both within and without this state, but the service performed without this state is incidental to the employee's service within this state. The term "incidental" means any service which is temporary or transitory in nature, or which is rendered in connection with an isolated transaction.

(c) The employee's services are performed both within and without this state, and:

(i) The employee's principal base of operations is within this state; or

(ii) There is no principal base of operations in any state in which some part of the services are performed, but the place from which the services are directed or controlled is in this state; or

(iii) The principal base of operations and the place from which the services are directed or controlled are not in any state in which some part of the service is performed but the employee's residence is in this state.

(F) A Except as set forth in division (I) of this section, a financial institution shall calculate the sales factor as follows:

(1) The sales factor is a fraction, the numerator of which is the receipts of the taxpayer in this state during the taxable year

and the denominator of which is the receipts of the taxpayer 54824
within and without this state during the taxable year. The method 54825
of calculating receipts for purposes of the denominator is the 54826
same as the method used in determining receipts for purposes of 54827
the numerator. 54828

(2) The numerator of the sales factor includes receipts from 54829
the lease or rental of real property owned by the taxpayer if the 54830
property is located within this state, or receipts from the 54831
sublease of real property if the property is located within this 54832
state. 54833

(3)(a) Except as described in division (F)(3)(b) of this 54834
section the numerator of the sales factor includes receipts from 54835
the lease or rental of tangible personal property owned by the 54836
taxpayer if the property is located within this state when it is 54837
first placed in service by the lessee. 54838

(b) Receipts from the lease or rental of transportation 54839
property owned by the taxpayer are included in the numerator of 54840
the sales factor to the extent that the property is used in this 54841
state. The extent an aircraft will be deemed to be used in this 54842
state and the amount of receipts that is to be included in the 54843
numerator of this state's sales factor is determined by 54844
multiplying all the receipts from the lease or rental of the 54845
aircraft by a fraction, the numerator of which is the number of 54846
landings of the aircraft in this state and the denominator of 54847
which is the total number of landings of the aircraft. If the 54848
extent of the use of any transportation property within this state 54849
cannot be determined, then the property will be deemed to be used 54850
wholly in the state in which the property has its principal base 54851
of operations. A motor vehicle will be deemed to be used wholly in 54852
the state in which it is registered. 54853

(4)(a) The numerator of the sales factor includes interest 54854
and fees or penalties in the nature of interest from loans secured 54855

by real property if the property is located within this state. If 54856
the property is located both within this state and one or more 54857
other states, the receipts described in this paragraph are 54858
included in the numerator of the sales factor if more than fifty 54859
per cent of the fair market value of the real property is located 54860
within this state. If more than fifty per cent of the fair market 54861
value of the real property is not located within any one state, 54862
then the receipts described in this paragraph shall be included in 54863
the numerator of the sales factor if the borrower is located in 54864
this state. 54865

(b) The determination of whether the real property securing a 54866
loan is located within this state shall be made as of the time the 54867
original agreement was made and any and all subsequent 54868
substitutions of collateral shall be disregarded. 54869

(5) The numerator of the sales factor includes interest and 54870
fees or penalties in the nature of interest from loans not secured 54871
by real property if the borrower is located in this state. 54872

(6) The numerator of the sales factor includes net gains from 54873
the sale of loans. Net gains from the sale of loans includes 54874
income recorded under the coupon stripping rules of section 1286 54875
of the Internal Revenue Code. 54876

(a) The amount of net gains, but not less than zero, from the 54877
sale of loans secured by real property included in the numerator 54878
is determined by multiplying such net gains by a fraction the 54879
numerator of which is the amount included in the numerator of the 54880
sales factor pursuant to division (F)(4) of this section and the 54881
denominator of which is the total amount of interest and fees or 54882
penalties in the nature of interest from loans secured by real 54883
property. 54884

(b) The amount of net gains, but not less than zero, from the 54885
sale of loans not secured by real property included in the 54886

numerator is determined by multiplying such net gains by a 54887
fraction the numerator of which is the amount included in the 54888
numerator of the sales factor pursuant to division (F)(5) of this 54889
section and the denominator of which is the total amount of 54890
interest and fees or penalties in the nature of interest from 54891
loans not secured by real property. 54892

(7) The numerator of the sales factor includes interest and 54893
fees or penalties in the nature of interest from credit card 54894
receivables and receipts from fees charged to card holders, such 54895
as annual fees, if the billing address of the card holder is in 54896
this state. 54897

(8) The numerator of the sales factor includes net gains, but 54898
not less than zero, from the sale of credit card receivables 54899
multiplied by a fraction, the numerator of which is the amount 54900
included in the numerator of the sales factor pursuant to division 54901
(F)(7) of this section and the denominator of which is the 54902
taxpayer's total amount of interest and fees or penalties in the 54903
nature of interest from credit card receivables and fees charged 54904
to card holders. 54905

(9) The numerator of the sales factor includes all credit 54906
card issuer's reimbursement fees multiplied by a fraction, the 54907
numerator of which is the amount included in the numerator of the 54908
sales factor pursuant to division (F)(7) of this section and the 54909
denominator of which is the taxpayer's total amount of interest 54910
and fees or penalties in the nature of interest from credit card 54911
receivables and fees charged to card holders. 54912

(10) The numerator of the sales factor includes receipts from 54913
merchant discount if the commercial domicile of the merchant is in 54914
this state. Such receipts shall be computed net of any card holder 54915
charge backs, but shall not be reduced by any interchange 54916
transaction fees or by any issuer's reimbursement fees paid to 54917
another for charges made by its card holders. 54918

(11)(a)(i) The numerator of the sales factor includes loan servicing fees derived from loans secured by real property multiplied by a fraction the numerator of which is the amount included in the numerator of the sales factor pursuant to division (F)(4) of this section and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

(ii) The numerator of the sales factor includes loan servicing fees derived from loans not secured by real property multiplied by a fraction the numerator of which is the amount included in the numerator of the sales factor pursuant to division (F)(5) of this section and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

(b) In circumstances in which the taxpayer receives loan servicing fees for servicing either the secured or the unsecured loans of another, the numerator of the sales factor shall include such fees if the borrower is located in this state.

(12) The numerator of the sales factor includes receipts from services not otherwise apportioned under this section if the service is performed in this state. If the service is performed both within and without this state, the numerator of the sales factor includes receipts from services not otherwise apportioned under this section, if a greater proportion of the income producing activity is performed in this state based on cost of performance.

(13)(a) Interest, dividends, net gains, but not less than zero, and other income from investment assets and activities and from trading assets and activities shall be included in the sales factor. Investment assets and activities and trading assets and activities include but are not limited to: investment securities;

trading account assets; federal funds; securities purchased and 54950
sold under agreements to resell or repurchase; options; futures 54951
contracts; forward contracts; notional principal contracts such as 54952
swaps; equities; and foreign currency transactions. With respect 54953
to the investment and trading assets and activities described in 54954
divisions (F)(13)(a)(i) and (ii) of this section, the sales factor 54955
shall include the amounts described in such divisions. 54956

(i) The sales factor shall include the amount by which 54957
interest from federal funds sold and securities purchased under 54958
resale agreements exceeds interest expense on federal funds 54959
purchased and securities sold under repurchase agreements. 54960

(ii) The sales factor shall include the amount by which 54961
interest, dividends, gains, and other income from trading assets 54962
and activities, including, but not limited to, assets and 54963
activities in the matched book, in the arbitrage book, and foreign 54964
currency transactions, exceed amounts paid in lieu of interest, 54965
amounts paid in lieu of dividends, and losses from such assets and 54966
activities. 54967

(b) The numerator of the sales factor includes interest, 54968
dividends, net gains, but not less than zero, and other income 54969
from investment assets and activities and from trading assets and 54970
activities described in division (F)(13)(a) of this section that 54971
are attributable to this state. 54972

(i) The amount of interest, other than interest described in 54973
division (F)(13)(b)(iv) of this section, dividends, other than 54974
dividends described in that division, net gains, but not less than 54975
zero, and other income from investment assets and activities in 54976
the investment account to be attributed to this state and included 54977
in the numerator is determined by multiplying all such income from 54978
such assets and activities by a fraction, the numerator of which 54979
is the average value of such assets which are properly assigned to 54980
a regular place of business of the taxpayer within this state and 54981

the denominator of which is the average value of all such assets. 54982

(ii) The amount of interest from federal funds sold and 54983
purchased and from securities purchased under resale agreements 54984
and securities sold under repurchase agreements attributable to 54985
this state and included in the numerator is determined by 54986
multiplying the amount described in division (F)(13)(a)(i) of this 54987
section from such funds and such securities by a fraction, the 54988
numerator of which is the average value of federal funds sold and 54989
securities purchased under agreements to resell which are properly 54990
assigned to a regular place of business of the taxpayer within 54991
this state and the denominator of which is the average value of 54992
all such funds and such securities. 54993

(iii) The amount of interest, dividends, gains, and other 54994
income from trading assets and activities, including but not 54995
limited to assets and activities in the matched book, in the 54996
arbitrage book, and foreign currency transaction, but excluding 54997
amounts described in division (F)(13)(b)(i) or (ii) of this 54998
section, attributable to this state and included in the numerator 54999
is determined by multiplying the amount described in division 55000
(F)(13)(a)(ii) of this section by a fraction, the numerator of 55001
which is the average value of such trading assets which are 55002
properly assigned to a regular place of business of the taxpayer 55003
within this state and the denominator of which is the average 55004
value of all such assets. 55005

(iv) The amount of dividends received on the capital stock 55006
of, and the amount of interest received from loans and advances 55007
to, subsidiary corporations at least fifty-one per cent of whose 55008
common stock is owned by the reporting financial institution shall 55009
be allocated in and out of this state by the application of a 55010
ratio whose numerator is the sum of the net book value of the 55011
payor's real property owned in this state and the payor's tangible 55012
personal property owned in this state and whose denominator is the 55013

sum of the net book value of the payor's real property owned 55014
wherever located and the payor's tangible personal property owned 55015
wherever located. For purposes of calculating this ratio, the 55016
taxpayer shall determine net book value in accordance with 55017
generally accepted accounting principles. 55018

(v) For purposes of this division, average value shall be 55019
determined using the rules for determining the average value of 55020
tangible personal property set forth in division (D)(2) and (3) of 55021
this section. 55022

(c) In lieu of using the method set forth in division 55023
(F)(13)(b) of this section, the taxpayer may elect, or the tax 55024
commissioner may require in order to fairly represent the business 55025
activity of the taxpayer in this state, the use of the method set 55026
forth in division (F)(13)(c) of this section. 55027

(i) The amount of interest, other than interest described in 55028
division (F)(13)(b)(iv) of this section, dividends, other than 55029
dividends described in that division, net gains, but not less than 55030
zero, and other income from investment assets and activities in 55031
the investment account to be attributed to this state and included 55032
in the numerator is determined by multiplying all such income from 55033
such assets and activities by a fraction, the numerator of which 55034
is the gross income from such assets and activities which are 55035
properly assigned to a regular place of business of the taxpayer 55036
within this state, and the denominator of which is the gross 55037
income from all such assets and activities. 55038

(ii) The amount of interest from federal funds sold and 55039
purchased and from securities purchased under resale agreements 55040
and securities sold under repurchase agreements attributable to 55041
this state and included in the numerator is determined by 55042
multiplying the amount described in division (F)(13)(a)(i) of this 55043
section from such funds and such securities by a fraction, the 55044
numerator of which is the gross income from such funds and such 55045

securities which are properly assigned to a regular place of 55046
business of the taxpayer within this state and the denominator of 55047
which is the gross income from all such funds and such securities. 55048

(iii) The amount of interest, dividends, gains, and other 55049
income from trading assets and activities, including, but not 55050
limited to, assets and activities in the matched book, in the 55051
arbitrage book, and foreign currency transactions, but excluding 55052
amounts described in division (F)(13)(a)(i) or (ii) of this 55053
section, attributable to this state and included in the numerator, 55054
is determined by multiplying the amount described in division 55055
(F)(13)(a)(ii) of this section by a fraction, the numerator of 55056
which is the gross income from such trading assets and activities 55057
which are properly assigned to a regular place of business of the 55058
taxpayer within this state and the denominator of which is the 55059
gross income from all such assets and activities. 55060

(iv) The amount of dividends received on the capital stock 55061
of, and the amount of interest received from loans and advances 55062
to, subsidiary corporations at least fifty-one per cent of whose 55063
common stock is owned by the reporting financial institution shall 55064
be allocated in and out of this state by the application of a 55065
ratio whose numerator is the sum of the net book value of the 55066
payor's real property owned in this state and the payor's tangible 55067
personal property owned in this state and whose denominator is the 55068
sum of the payor's real property owned wherever located and the 55069
payor's tangible personal property owned wherever located. For 55070
purposes of calculating this ratio, the taxpayer shall determine 55071
net book value in accordance with generally accepted accounting 55072
principles. 55073

(d) If the taxpayer elects or is required by the tax 55074
commissioner to use the method set forth in division (F)(13)(c) of 55075
this section, it shall use this method on all subsequent returns 55076
unless the taxpayer receives prior permission from the tax 55077

commissioner to use or the tax commissioner requires a different 55078
method. 55079

(e) The taxpayer shall have the burden of proving that an 55080
investment asset or activity or trading asset or activity was 55081
properly assigned to a regular place of business outside of this 55082
state by demonstrating that the day-to-day decisions regarding the 55083
asset or activity occurred at a regular place of business outside 55084
this state. Where the day-to-day decisions regarding an investment 55085
asset or activity or trading asset or activity occur at more than 55086
one regular place of business and one such regular place of 55087
business is in this state and one such regular place of business 55088
is outside this state such asset or activity shall be considered 55089
to be located at the regular place of business of the taxpayer 55090
where the investment or trading policies or guidelines with 55091
respect to the asset or activity are established. Unless the 55092
taxpayer demonstrates to the contrary, such policies and 55093
guidelines shall be presumed to be established at the commercial 55094
domicile of the taxpayer. 55095

(14) The numerator of the sales factor includes receipts from 55096
commissions earned on brokerage accounts owned by customers having 55097
a billing address in this state. 55098

(15) The numerator of the sales factor includes all other 55099
receipts if either: 55100

(a) The income-producing activity is performed solely in this 55101
state; or 55102

(b) The income-producing activity is performed both within 55103
and without this state and a greater proportion of the 55104
income-producing activity is performed within this state than in 55105
any other state, based on costs of performance. 55106

(G) A qualified institution may calculate the base upon which 55107
the fee provided for in division (D) of section 5733.06 of the 55108

Revised Code is determined for each tax year by multiplying the 55109
value of its issued and outstanding shares of stock determined 55110
under division (B) of this section by a single deposits fraction 55111
whose numerator is the deposits assigned to branches in this state 55112
and whose denominator is the deposits assigned to branches 55113
everywhere. Deposits shall be assigned to branches in the same 55114
manner in which the assignment is made for regulatory purposes. If 55115
the base calculated under this division is less than the base 55116
calculated under division (C) of this section, then the qualifying 55117
institution may elect to substitute the base calculated under this 55118
division for the base calculated under division (C) of this 55119
section. Such election may be made annually for each tax year on 55120
the corporate report. The election need not accompany the report; 55121
rather, the election may accompany a subsequently filed but timely 55122
application for refund, a subsequently filed but timely amended 55123
report, or a subsequently filed but timely petition for 55124
reassessment. The election is not irrevocable and it applies only 55125
to the specified tax year. Nothing in this division shall be 55126
construed to extend any statute of limitations set forth in this 55127
chapter. 55128

(H) If the apportionment provisions of this section do not 55129
fairly represent the extent of the taxpayer's business activity in 55130
this state, the taxpayer may petition for or the tax commissioner 55131
may require, in respect to all or any part of the taxpayer's 55132
business activity, if reasonable: 55133

(1) Separate accounting; 55134

(2) The exclusion of any one or more of the factors; 55135

(3) The inclusion of one or more additional factors which 55136
will fairly represent the taxpayer's business activity in this 55137
state; or 55138

(4) The employment of any other method to effectuate an 55139

equitable allocation and apportionment of the taxpayer's value. 55140

(I) If, under division (F) of this section, a receipt is 55141
included in the denominator but is not included in the numerator 55142
of the sales factor, and if, based upon the principles and 55143
concepts set forth in this section, the receipt would be sitused 55144
to a state in which the person is not liable for a tax measured on 55145
or by net worth, then the receipt shall be included in the 55146
numerator of the sales factor, notwithstanding division (F) of 55147
this section to the contrary, if the activity or property 55148
generating the receipt has more nexus with this state than with 55149
any other state in which the person is liable for a tax measured 55150
on or by net worth. 55151

Sec. 5733.057. As used in this section, "adjusted qualifying 55152
amount" has the same meaning as in section 5733.40 of the Revised 55153
Code. 55154

This section does not apply to division (F) of section 55155
5733.051 of the Revised Code. 55156

Except as otherwise provided in divisions (A) and (B) of 55157
section 5733.401 and in sections 5733.058 and 5747.401 of the 55158
Revised Code, in making all apportionment, allocation, income, 55159
gain, loss, deduction, tax, and credit computations under this 55160
chapter and under sections 5747.41 and 5747.43 of the Revised 55161
Code, each person shall include in that person's items of business 55162
income, nonbusiness income, adjusted qualifying amounts, allocable 55163
income or loss, if any, apportionable income or loss, property, 55164
compensation, and sales, the person's entire distributive share or 55165
proportionate share of the items of business income, nonbusiness 55166
income, adjusted qualifying amounts, allocable income or loss, 55167
apportionable income or loss, property, compensation, and sales of 55168
any pass-through entity in which the person has a direct or 55169
indirect ownership interest at any time during the pass-through 55170

entity's calendar or fiscal year ending within, or with the last 55171
day of the person's taxable year. A pass-through entity's direct 55172
or indirect distributive share or proportionate share of any other 55173
pass-through entity's items of business income, nonbusiness 55174
income, adjusted qualifying amounts, allocable income or loss, 55175
apportionable income or loss, property, compensation, and sales 55176
shall be included for the purposes of computing the person's 55177
distributive share or proportionate share of the pass-through 55178
entity's items of business income, nonbusiness income, adjusted 55179
qualifying amounts, allocable income or loss, apportionable income 55180
or loss, property, compensation, and sales under this section. 55181
Those items shall be in the same form as was recognized by the 55182
pass-through entity. 55183

Sec. 5733.059. (A) As used in this section: 55184

(1) "Customer" means a person who purchases electricity for 55185
consumption either by that person or by the person's related 55186
member and the electricity is not for resale directly or 55187
indirectly to any person other than a related member. 55188

(2) "Related member" has the same meaning as in ~~division~~ 55189
~~(A)(6)~~ of section 5733.042 of the Revised Code without regard to 55190
division (B) of that section. 55191

(B) Except as provided in division (C) of this section, this 55192
division applies only to sales of electric transmission and 55193
distribution services. For purposes of sections 5733.05 and 55194
5747.21 of the Revised Code: 55195

(1) Sales of the transmission of electricity are in this 55196
state in proportion to the ratio of the wire mileage of the 55197
taxpayer's transmission lines located in this state divided by the 55198
wire mileage of the taxpayer's transmission lines located 55199
everywhere. Transmission wire mileage shall be weighted for the 55200
voltage capacity of each line. 55201

(2) Sales of the distribution of electricity are in this state in proportion to the ratio of the wire mileage of the taxpayer's distribution lines located in this state divided by the wire mileage of the taxpayer's distribution lines located everywhere. Distribution wire mileage shall not be weighted for the voltage capacity of each line.

(C) This division applies only to a person that has transmission or distribution lines in this state. If a contract for the sale of electricity includes the seller's or the seller's related member's obligation to transmit or distribute the electricity and if the sales contract separately identifies the price charged for the transmission or distribution of electricity, the price charged for the transmission and distribution of electricity shall be apportioned to this state in accordance with division (B) of this section. Any remaining portion of the sales price of the electricity shall be situated to this state in accordance with division (D) of this section.

If the sales contract does not separately identify the price charged for the transmission or distribution of electricity, the sales price of the electricity shall be situated to this state in accordance with division (D) of this section.

(D) Any person who makes a sale of electricity shall situate the following to this state:

(1) A sale of electricity directly or indirectly to a customer to the extent the customer consumes the electricity in this state;

(2) A sale of electricity directly or indirectly to a related member where the related member directly or indirectly sells electricity to a customer to the extent the customer consumes the electricity in this state;

(3) A sale of electricity if the seller or the seller's

related member directly or indirectly delivers the electricity to 55233
a location in this state or directly or indirectly delivers the 55234
electricity exactly to the border of this state and another state; 55235

(4) A sale of electricity if the seller or the seller's 55236
related member directly or indirectly directs the delivery of the 55237
electricity to a location in this state or directly or indirectly 55238
directs the delivery of the electricity exactly to the border of 55239
this state and another state. 55240

(E) If the situsing provisions of this section do not fairly 55241
represent the extent of the taxpayer's or the taxpayer's related 55242
member's activity in this state, the taxpayer may request, or the 55243
tax commissioner may require, in respect to all or part of a 55244

Revised Code for tax year 2003 and each subsequent tax year. For 55387
purposes of this division, "the taxpayer's pro-rata amount" is an 55388
amount that, when added to the other such taxpayers' pro-rata 55389

(G)(1) The tax liability of any corporation under division 55397
(C) of this section shall not exceed one hundred fifty thousand 55398
dollars for tax year 2003, and shall not exceed five hundred 55399
thousand dollars for each subsequent tax year, except as set forth 55400

(2) With respect to corporations participating in the filing 55402
of a consolidated report as described in section 5733.052 of the 55403
Revised Code, the tax liability of the consolidated group under 55404
division (C) of this section shall not exceed five hundred 55405
thousand dollars times the number of corporations described in 55406
division (B) of section 5733.01 of the Revised Code and that are 55407
participating, or required to participate, in the filing of the 55408
consolidated report. 55409

(H)(1) For the purposes of division (H) of this section, 55410
"exiting corporation" means a corporation that satisfies all of 55411
the following conditions: 55412

(a) The corporation had nexus with or in this state under the 55413
Constitution of the United States during any portion of a calendar 55414
year; 55415

(b) The corporation was not a corporation described in 55416

division (A) of section 5733.01 of the Revised Code on the first 55417
day of January immediately following that calendar year; 55418

(c) The corporation was not a financial institution on the 55419
first day of January immediately following that calendar year; 55420

(d) If the corporation was a transferor as defined in section 55421
5733.053 of the Revised Code, the corporation's transferee was not 55422
required to add to the transferee's net income the income of the 55423
transferor pursuant to division (B) of that section; 55424

(e) During any portion of that calendar year, or any portion 55425
of the immediately preceding calendar year, the corporation had 55426
net income that was not included in a report filed by the 55427
corporation or its transferee pursuant to section 5733.02, 55428
5733.021, 5733.03, 5733.031, or 5733.053 of the Revised Code; 55429

(f) The corporation would have been subject to the tax 55430
computed under divisions (A), (B), (C), (F), and (G) of this 55431
section if the corporation is assumed to be a corporation 55432
described in division (A) of section 5733.01 of the Revised Code 55433
on the first day of January immediately following the calendar 55434
year to which division (H)(1)(a) of this section refers. 55435

(2) For the purposes of division (H) of this section, 55436
"unreported net income" means net income that was not previously 55437
included in a report filed pursuant to section 5733.02, 5733.021, 55438
5733.03, 5733.031, or 5733.053 of the Revised Code and that was 55439

(H)(1) of this section refers or the immediately preceding 55441
calendar year. 55442

(3) Each exiting corporation shall pay a tax computed by 55443
first allocating and apportioning the unreported net income 55444
pursuant to division (B) of section 5733.05 and section 5733.051 55445
and, if applicable, section 5733.052 of the Revised Code. The 55446
exiting corporation then shall compute the tax due on its 55447

unreported net income allocated and apportioned to this state by 55448
applying divisions (A), (B), and (F) of this section to that 55449
income. 55450

(4) Divisions (C) and (G) of this section, division (D)(2) of 55451
section 5733.065, and division (C) of section 5733.066 of the 55452
Revised Code do not apply to an exiting corporation, but exiting 55453
corporations are subject to every other provision of this chapter. 55454

(5) Notwithstanding division (B) of section 5733.01 or 55455
sections 5733.02, 5733.021, and 5733.03 of the Revised Code to the 55456
contrary, each exiting corporation shall report and pay the tax 55457
due under division (H) of this section on or before the 55458
thirty-first day of May immediately following the calendar year to 55459
which division (H)(1)(a) of this section refers. The exiting 55460
corporation shall file that report on the form most recently 55461
prescribed by the tax commissioner for the purposes of complying 55462
with sections 5733.02 and 5733.03 of the Revised Code. Upon 55463
request by the corporation, the tax commissioner may extend the 55464
date for filing the report. 55465

(6) If, on account of the application of section 5733.053 of 55466
the Revised Code, net income is subject to the tax imposed by 55467
divisions (A) and (B) of this section, such income shall not be 55468
subject to the tax imposed by division (H)(3) of this section. 55469

(7) The amendments made to division (H) of this section by 55470
Am. Sub. S.B. 287 of the 123rd general assembly do not apply to 55471
any transfer, as defined in section 5733.053 of the Revised Code, 55472
for which negotiations began prior to January 1, 2001, and that 55473
was commenced in and completed during calendar year 2001, unless 55474
the taxpayer makes an election prior to December 31, 2001, to 55475
apply those amendments. 55476

(8) The tax commissioner may adopt rules governing division 55477
(H) of this section. 55478

(I) Any reference in the Revised Code to "the tax imposed by section 5733.06 of the Revised Code" or "the tax due under section 5733.06 of the Revised Code" includes the taxes imposed under sections 5733.065 and 5733.066 of the Revised Code.

(J)(1) Division (J) of this section applies solely to a combined company. Section 5733.057 of the Revised Code shall apply when calculating the adjustments required by division (J) of this section.

(2) Subject to division (J)(4) of this section, the total tax calculated in divisions (A) and (B) of this section shall be reduced by an amount calculated by multiplying such tax by a fraction, the numerator of which is the total taxable gross receipts attributed to providing public utility activity other than as an electric company under section 5727.03 of the Revised Code for the year upon which the taxable gross receipts are measured immediately preceding the tax year, and the denominator of which is the total gross receipts from all sources for the year upon which the taxable gross receipts are measured immediately preceding the tax year. Nothing herein shall be construed to exclude from the denominator any item of income described in section 5733.051 of the Revised Code.

(3) Subject to division (J)(4) of this section, the total tax calculated in division (C) of this section shall be reduced by an amount calculated by multiplying such tax by the fraction described in division (J)(2) of this section.

(4) In no event shall the reduction provided by division (J)(2) or ~~(J)~~(3) of this section exceed the amount of the excise tax paid in accordance with section 5727.38 of the Revised Code, for the year upon which the taxable gross receipts are measured immediately preceding the tax year.

(K) The tax charged to corporations under this chapter for

the privilege of engaging in business in this state, which is an 55510
excise tax levied on the value of the issued and outstanding 55511
shares of stock, shall in no manner be construed as prohibiting or 55512
otherwise limiting the powers of municipal corporations, joint 55513
economic development zones created under section 715.691 of the 55514
Revised Code, or joint economic development districts created 55515
under section 715.70 or 715.71 or sections 715.72 to 715.81 of the 55516
Revised Code in this state to impose an income tax on the income 55517

chapter for the collection of unpaid, delinquent taxes imposed by 55607
section 5733.06 of the Revised Code, except that all such taxes, 55608

Fourteen-hundredths of one mill times that portion of the value of
the taxpayer's issued and outstanding shares of stock as
determined under division (C) of section 5733.05 of the Revised
Code, an additional fourteen one hundredths mills times that value
to provide funding for the division of recycling and litter
prevention under Chapter 1502. of the Revised Code.~~

The additional tax charged any taxpayer or group of combined
taxpayers pursuant to this section for any tax year shall not
exceed five thousand dollars.

This section does not apply to any family farm corporation as
defined in section 4123.01 of the Revised Code.

The tax levied on corporations under this section does not
prohibit or otherwise limit the authority of municipal
corporations to impose an income tax on the income of such
corporations.

Sec. 5733.069. (A) As used in this section:

(1) "Average of the payroll factor and the property factor"
means one-half multiplied by the sum of the payroll factor and the
property factor.

(2) Subject to divisions (C) and (H) of this section, "export
sales" means sales used in determining the denominator of the
sales factor under division (B)(2)(c) of section 5733.05 of the
Revised Code, as long as the sales meet the requirements of

division (A)(2)(a) of this section and either or both of divisions 55663
(A)(2)(b) and (c) of this section. 55664

(a) The gross receipts with respect to the sales qualify as 55665
foreign trading gross receipts as defined under section 924 of the 55666
Internal Revenue Code and regulations prescribed thereunder, 55667
except not including foreign trading gross receipts defined under 55668
section 924(a)(5) of the Internal Revenue Code and regulations 55669
prescribed thereunder. In addition, for the purposes of division 55670
(A)(2)(a) of this section, section 924 of the Internal Revenue 55671
Code is considered to apply to any taxpayer, not just an FSC as 55672
that term is defined under section 922 of the Internal Revenue 55673
Code. 55674

(b) In the case of sales of tangible personal property, the 55675
taxpayer establishes by preponderance of the evidence that the 55676
property is not received by the purchaser within the United 55677
States. If the property is delivered by common carrier or by other 55678
means of transportation, the place at which the property is 55679
ultimately received after all transportation has been completed 55680
shall be considered as the place at which the property is received 55681
by the purchaser. Direct delivery in the United States, other than 55682
for purposes of transportation, to a person or firm designated by 55683
the purchaser constitutes delivery to the purchaser in the United 55684
States. Direct delivery outside the United States to a person or 55685
firm designated by the purchaser does not constitute delivery to 55686
the purchaser in the United States, regardless of where title 55687
passes or other condition of sale. 55688

In addition, the taxpayer also establishes by clear and 55689
convincing evidence one of the following: 55690

(i) With respect to sales of tangible personal property to a 55691
related member, within the twelve-month period subsequent to the 55692
delivery to the related member, the related member in turn sells 55693
the property, or leases it for a period of at least five years, 55694

and delivers the property in the same form or as a component part 55695
of other property to a purchaser or lessee who is not a related 55696
member. In addition, during the twenty-four-month period 55697
commencing with the date of such sale or lease by the related 55698
member, the purchaser or lessee or a related member of the 55699
purchaser or lessee does not receive, use, or consume the 55700
property, either in the same form or as a component part of other 55701
property, within the United States, and does not directly or 55702
indirectly sell or lease the property, either in the same form or 55703
as a component part of other property, for use or consumption in 55704
the United States. 55705

(ii) With respect to all other sales of tangible personal 55706
property, during the twenty-four-month period commencing with such 55707
sale, the purchaser or a related member of the purchaser does not 55708
receive, use, or consume the property, either in the same form or 55709
as a component part of other property, in the United States, and 55710
does not directly or indirectly sell the property, either in the 55711
same form or as a component part of other property, for use or 55712
consumption in the United States. 55713

(c) In the case of sales of services, the taxpayer 55714
establishes by preponderance of the evidence that the purchaser 55715
uses or consumes the services or the object of the services in a 55716
location other than the United States. If a purchaser will receive 55717
and use or consume the services or the object of the services both 55718
within and outside the United States, the sale is considered to be 55719
a sale of services or of the object of the services used or 55720
consumed outside the United States by the purchaser only to the 55721
extent of such proportionate use or consumption outside the United 55722
States. The taxpayer shall establish by preponderance of the 55723
evidence that the services or the object of the services was 55724
ultimately received and used or consumed outside the United 55725
States. Direct or indirect sales of services or the object of 55726

services to a related member do not meet the requirements of 55727
division (A)(2)(c) of this section unless the taxpayer establishes 55728
by preponderance of the evidence that within the twelve-month 55729
period subsequent to the sale to the related member, the related 55730
member in turn sold and delivered or rendered the services or the 55731
object of the services to a person who is not a related member and 55732
such person ultimately received and used or consumed the services 55733
or the object of the services outside the United States. In no 55734
event shall a sale of services qualify as an export sale if the 55735
taxpayer or the taxpayer's related member directly or indirectly 55736
acquired such services from a person who is not a United States 55737
person and if the taxpayer or the taxpayer's related member in 55738
turn directly or indirectly sold such services in substantially 55739
the same form. For purposes of this section, services are sold in 55740
substantially the same form where more than fifty per cent of the 55741
fair market value of such services sold is attributable to 55742
services directly or indirectly purchased by the taxpayer or by 55743
the taxpayer's related member from a person who is not a United 55744
States person. 55745

(3) "Incremental increase in export sales" means one-half the 55746
difference obtained by subtracting the amount of the taxpayer's 55747
export sales for the second preceding taxable year from the amount 55748
of the taxpayer's export sales for the taxable year. 55749

If the taxpayer's taxable year is a period of greater than or 55750
less than three hundred sixty-five days, or three hundred 55751
sixty-six days for a taxable year that includes February 55752
twenty-nine, the amount of the export sales for that taxable year 55753
shall be adjusted and restated to an annualized amount. 55754

(4) Subject to divisions (C), (F)(1), (H), and (I) of this 55755
section, "Ohio payroll increase factor" means twelve and one-half 55756
multiplied by the difference obtained by subtracting two 55757
one-hundredths from the largest of the following quotients: 55758

(a) The numerator of the payroll factor for the taxable year 55759
minus the numerator of the payroll factor for the immediately 55760
preceding taxable year, divided by the numerator of the payroll 55761
factor for the immediately preceding taxable year; 55762

(b) The numerator of the payroll factor for the taxable year 55763
minus the numerator of the payroll factor for the second preceding 55764
taxable year, divided by the numerator of the payroll factor for 55765
the second preceding taxable year; 55766

(c) The numerator of the payroll factor for the taxable year 55767
minus the numerator of the payroll factor for the third preceding 55768
taxable year, divided by the numerator of the payroll factor for 55769
the third preceding taxable year. 55770

If the numerator of the payroll factor for a taxable year 55771
represents payroll for a period of greater than or less than three 55772
hundred sixty-five days, or three hundred sixty-six days for a 55773
taxable year that includes February twenty-nine, for purposes of 55774
this section the numerator for that taxable year shall be adjusted 55775
and restated to an annualized amount. If neither the taxpayer nor 55776
its related members were subject to the tax imposed by section 55777
5733.06 of the Revised Code for any of the three immediately 55778
preceding tax years, the numerator of the payroll factor for any 55779
such year shall be considered to be one dollar. 55780

In no event shall the Ohio payroll increase factor be greater 55781
than one or less than zero. 55782

(5) Subject to divisions (C), (F)(2), and (H) of this 55783
section, "Ohio property increase factor" means ten multiplied by 55784
the largest of the following quotients: 55785

(a) The numerator of the property factor for the taxable year 55786
minus the numerator of the property factor for the immediately 55787
preceding taxable year, divided by the numerator of the property 55788
factor for the immediately preceding taxable year; 55789

(b) The numerator of the property factor for the taxable year 55790
minus the numerator of the property factor for the second 55791
preceding taxable year, divided by the numerator of the property 55792
factor for the second preceding taxable year; 55793

(c) The numerator of the property factor for the taxable year 55794
minus the numerator of the property factor for the third preceding 55795
taxable year, divided by the numerator of the property factor for 55796
the third preceding taxable year. 55797

If neither the taxpayer nor its related members were subject 55798
to the tax imposed by section 5733.06 of the Revised Code for any 55799
of the three immediately preceding tax years, the numerator of the 55800
property factor for any such year shall be considered to be one 55801
dollar. 55802

In no event shall the Ohio property increase factor be 55803
greater than one or less than zero. 55804

(6) Subject to divisions (H) and (I) of this section, 55805
"payroll factor" has the same meaning as in division (B)(2)(b) of 55806
section 5733.05 of the Revised Code with any adjustments, 55807
exclusions, or alterations made in accordance with division 55808
(B)(2)(d) of that section. 55809

(7) "Pre-tax profit from the incremental increase in export 55810
sales" means fifteen per cent of the incremental increase in 55811
export sales, except that the taxpayer may establish by 55812
preponderance of the evidence that the pre-tax profit margin from 55813
such sales is an amount exceeding fifteen per cent but not 55814
exceeding fifty per cent. For purposes of this section, the 55815
pre-tax profit margin shall be determined on a product line by 55816
product line basis, and equals the quotient of the taxpayer's 55817
taxable income with respect to the product line before operating 55818
loss deduction and special deductions, as required to be reported 55819
for the taxable year under the Internal Revenue Code, divided by 55820

the taxpayer's sales for the product line less sales returns, 55821
allowances, and discounts. 55822

Nothing in division (A)(7) of this section shall be used or 55823
construed to support a request under division (B)(2)(d) of section 55824
5733.05 of the Revised Code. 55825

(8) Subject to division (H) of this section, "property 55826
factor" has the same meaning as in division (B)(2)(a) of section 55827
5733.05 of the Revised Code with any adjustments, exclusions, or 55828
alterations made in accordance with division (B)(2)(d) of that 55829
section. 55830

(9) "Related member" has the same meaning as ~~under division~~ 55831
~~(A)(6) of~~ in section 5733.042 of the Revised Code without regard 55832
to division (B) of that section. 55833

(10) "Tentative credit" means the credit under division (B) 55834
of this section without regard to the limitations set forth in 55835
division (D) of this section. 55836

(11) "United States" means the United States and its 55837
territories and possessions. 55838

(12) "United States person" has the same meaning as under 55839
section 7701(A)(30) of the Internal Revenue Code. 55840

(B) A nonrefundable credit is allowed against the tax imposed 55841
by section 5733.06 of the Revised Code. The credit shall be 55842
claimed in the order required under section 5733.98 of the Revised 55843
Code. Subject to divisions (C), (D), and (G) of this section, the 55844
credit equals the sum of the following: 55845

(1) For tax years 1993 to 2000, ten per cent of the product 55846
obtained by multiplying all of the following together: 55847

(a) The pre-tax profit from the incremental increase in 55848
export sales for the taxable year; 55849

(b) The average of the property factor and the payroll factor 55850

for the taxable year; 55851

(c) The greater of the Ohio payroll increase factor or the 55852
Ohio property increase factor. 55853

(2) For tax years 1994 to 2005, the sum of any amounts 55854
carried forward from tax years 1993 to 2000 in accordance with 55855
division (E) of this section. 55856

(C)(1) In the case of a taxpayer having a related member or a 55857
group of taxpayers having a related member, the credit available 55858
under this section to the taxpayer or group of taxpayers shall be 55859
computed as if the taxpayer or all taxpayers of the group and all 55860
such related members were a consolidated, single taxpayer. The 55861
credit shall be allocated to such taxpayer or to such group of 55862
taxpayers in any amount elected for the tax year by the taxpayer 55863
or group. Such election shall be revocable and amendable during 55864
the period described in division (B)(1) of section 5733.12 of the 55865
Revised Code. Nothing in this section shall be construed to treat 55866
as an export sale a sale by a related member who is not a United 55867
States person if such sale would not qualify as an export sale 55868
without regard to the consolidation requirement set forth in this 55869
section. 55870

(2) For purposes of this section, a taxpayer's or related 55871
member's export sales and the numerators and denominators of the 55872
taxpayer's or related member's payroll and property factors shall 55873
include the taxpayer's or related member's proportionate shares of 55874
the export sales and numerators and denominators of the payroll 55875
and property factors, respectively, for all pass-through entities. 55876
For purposes of applying division (C)(2) of this section, the tax 55877
commissioner shall be guided by the concepts set forth in section 55878
41(f)(2) of the Internal Revenue Code and regulations prescribed 55879
thereunder. Nothing in this section shall be construed to limit or 55880
disallow pass-through treatment of a pass-through entity's income, 55881
deductions, credits, or other amounts necessary to compute the tax 55882

imposed by section 5733.06 of the Revised Code and the credits 55883
allowed by this chapter. 55884

(D) In no circumstance shall the credit provided by this 55885
section be less than zero. 55886

If the tentative credit for a tax year for a taxpayer and any 55887
related members is greater than two hundred fifty thousand dollars 55888
or the aggregate tax due for the taxpayer and any related members 55889
after taking into account any other nonrefundable credits that 55890
precede the credit under this section in the order required under 55891
section 5733.98 of the Revised Code, then the credit allowed for 55892
the tax year for the taxpayer and any related members shall not 55893
exceed the lesser of two hundred fifty thousand dollars or the 55894
aggregate tax due for the taxpayer and any related members after 55895
taking into account any other nonrefundable credits that precede 55896
the credit under this section in that order. 55897

(E)(1) Pursuant to division (B)(2) of this section, the 55898
greater of the amount described in division (E)(1)(a) or the 55899
amount described in division (E)(1)(b) of this section shall be 55900
allowed as a nonrefundable credit in each ensuing tax year: 55901

(a) The excess, if any, of the tentative credit for the tax 55902
year over two hundred fifty thousand dollars; 55903

(b) The excess, if any, of the tentative credit for the tax 55904
year over the aggregate tax due for the tax year for the taxpayer 55905
and any related members, after taking into account any other 55906
nonrefundable credits for the tax year that precede the credit 55907
under this section in the order required under section 5733.98 of 55908
the Revised Code. 55909

(2) Any such amount allowed as a credit in an ensuing tax 55910
year shall be deducted from the balance carried forward to the 55911
next ensuing tax year. Such credit shall be taken into account 55912
prior to the allowance of any credit for such tax year under 55913

division (B)(1) of this section. In no event shall any amount or 55914
any portion of any amount described in division (E)(1)(a) or (b) 55915
of this section be allowed in tax year 2006 or any subsequent tax 55916
year. 55917

(F)(1) With respect to the computation of the Ohio payroll 55918
increase factor, divisions (A)(4)(b) and (c) of this section shall 55919
not apply to tax years 1993 and 1994, and division (A)(4)(c) of 55920
this section shall not apply to tax year 1995. 55921

(2) With respect to the computation of the Ohio property 55922
increase factor, divisions (A)(5)(b) and (c) of this section shall 55923
not apply to tax years 1993 and 1994, and division (A)(5)(c) of 55924
this section shall not apply to tax year 1995. 55925

(G) The aggregate credit allowed to the taxpayer and any 55926
related members for tax years 1993 to 2005 shall not exceed three 55927
million two hundred fifty thousand dollars. 55928

(H)(1) If a taxpayer or a taxpayer's related member acquires 55929
the major portion of a trade or business of another person or the 55930
major portion of a separate unit of a trade or business of another 55931
person, then for purposes of applying this section for any tax 55932
year subsequent to the end of the taxable year in which the 55933
acquisition occurred, the amount of the taxpayer's export sales, 55934
payroll, subject to division (I) of this section, and property for 55935
periods before the acquisition shall be increased by so much of 55936
such amounts paid or incurred by the previous owner of the 55937
acquired trade, business, or separate unit as is attributable to 55938
the portion of such trade, business, or separate unit acquired by 55939
the taxpayer or related member. 55940

(2) If a taxpayer or a taxpayer's related member disposes of 55941
a major portion of a trade or business or the major portion of a 55942
separate unit of a trade or business in a transaction to which 55943
division (H)(1) of this section applies, and if the taxpayer or 55944

the related member furnished the acquiring person such information 55945
as is necessary for the application of division (H)(1) of this 55946
section, then for purposes of applying this section to any tax 55947
year subsequent to the end of the taxable year in which the 55948
disposition occurred, the amount of the taxpayer's export sales, 55949
payroll, subject to division (I) of this section, and property for 55950
periods before the disposition shall be decreased by so much of 55951
such amounts as is attributable to the portion of such trade, 55952
business, or separate unit disposed of by the taxpayer or related 55953
member. 55954

(3) For purposes of applying this division, the tax 55955
commissioner shall be guided by the concepts set forth in section 55956
41(f)(3) of the Internal Revenue Code and regulations prescribed 55957
thereunder. 55958

(I) For purposes of this section, payroll and compensation do 55959
not include amounts in excess of two hundred thousand dollars 55960
directly or indirectly paid or accrued during the taxable year to 55961
an employee. For purposes of applying this division, the aggregate 55962
payroll and compensation directly or indirectly paid or accrued by 55963
the taxpayer and by the taxpayer's related members, if any, to an 55964
employee and to the employee's children, grandchildren, parents, 55965
and spouse, other than a spouse who is legally separated from the 55966
employee, shall be considered to be paid to the employee. 55967

(J) With respect to allowing the credit provided by this 55968
section, the tax commissioner shall be guided by the doctrines of 55969
"economic reality," "sham transaction," "step transaction," and 55970
"substance over form." The taxpayer shall bear the burden of 55971
establishing by preponderance of the evidence that any transaction 55972
giving rise to a claimed credit did not have as a principal 55973
purpose the avoidance of any portion of the tax imposed by section 55974
5733.06 of the Revised Code. 55975

Nothing in this section shall be construed to limit solely to 55976

this section the application of the doctrines listed in this 55977
division. 55978

5747.453 of the Revised Code. However, for reports required to be 55992
filed under section 5725.14 of the Revised Code in 2003 and 55993
thereafter, nothing in this section shall be construed to exempt 55994

the Revised Code from the tax imposed under section 5707.03 of the 55996
Revised Code. ~~An~~ 55997

has the same meaning as in ~~division (A)(6)~~ of section 5733.042 of 56919
the Revised Code without regard to division (B) of that section, 56920
but shall be applied by substituting "forty per cent" for "twenty 56921

that section. 56923

(Q) "Return" or "report" means the notifications and reports 56924

tax year. 56941

(B) For tax years 2002, 2003, and ~~thereafter~~ 2004, there is 56942
hereby allowed to each financial institution a nonrefundable 56943
credit against the tax imposed by section 5733.06 of the Revised 56944
Code. The amount of the credit shall be computed in accordance 56945
with division (C) of this section. The credit shall be claimed in 56946
the order prescribed by section 5733.98 of the Revised Code. The 56947
credit shall not exceed the amount of tax otherwise due under 56948
section 5733.06 of the Revised Code after deducting any other 56949
credits that precede the credit claimed under this section in that 56950
order. 56951

(C) Subject to division (D) of this section, the amount of 56952
the nonrefundable credit is the lesser of the amount described in 56953
division (C)(1) of this section or the amount described in 56954

(1) The amount of tax that a qualifying dealer in intangibles 56956
paid under Chapter 5707. of the Revised Code during the calendar 56957
year immediately preceding the financial institution's tax year. 56958
Such amount shall be reduced, but not below zero, by any refunds 56959

Chapter 5703. of the Revised Code during that calendar year. 56961

division (C)(2)(a) of this section shall be ascertained on the 56964
last day of the financial institution's taxable year immediately 56965
preceding the tax year. 56966

(a) The cost of the financial institution's direct investment 56967
in the capital stock of the qualifying dealer in intangibles. The 56968

institution's annual report. 56971

(b) The ratio described in section 5725.15 of the Revised 56972

which the financial institution also is a member and to ascertain 56981
the cost of the financial institution's direct investment in the 56982
capital stock of the qualifying dealer in intangibles. 56983

(2) Notwithstanding section ~~5733.111~~ 5703.56 of the Revised 56984
Code to the contrary, a financial institution claiming the credit 56985
provided by this section has the burden to establish by a 56986
preponderance of the evidence that none of the doctrines referred 56987
to in that section would apply to deny to the financial 56988
institution all or a part of the credit otherwise provided by this 56989
section. 56990

(E) For tax years 2002 and 2003, the credit allowed by this 56991
section applies only if the qualifying dealer in intangibles on 56992
account of which the financial institution is claiming the credit 56993
submits to the ~~Tax Commissioner~~ tax commissioner, not later than 56994
January 15, 2002, a written statement that the qualifying dealer 56995
in intangibles irrevocably agrees that it will not seek a refund 56996
of the tax paid by the dealer under section 5707.03 of the Revised 56997
Code in 2000 and 2001, and irrevocably agrees to continue paying 56998

Sec. 5733.55. (A) As used in this section: 57002

(1) "9-1-1 system" has the same meaning as in section 4931.40 of the Revised Code. 57003
57004

(2) "Nonrecurring 9-1-1 charges" means nonrecurring charges approved by the public utilities commission for the telephone network portion of a 9-1-1 system pursuant to section 4931.47 of the Revised Code. 57005
57006
57007
57008

(3) "Eligible nonrecurring 9-1-1 charges" means all nonrecurring 9-1-1 charges for a 9-1-1 system, except: 57009
57010

(a) Charges for a system that was not established pursuant to a plan adopted under section 4931.44 of the Revised Code or an agreement under section 4931.48 of the Revised Code; 57011
57012
57013

(b) Charges for that part of a system established pursuant to such a plan or agreement that are excluded from the credit by division (C)(2) of section 4931.47 of the Revised Code. 57014
57015
57016

(4) "Telephone company" has the same meaning as in section 5727.01 of the Revised Code. 57017
57018

(B) Beginning in tax year 2005, a telephone company shall be allowed a nonrefundable credit against the tax imposed by section 5733.06 of the Revised Code equal to the amount of its eligible nonrecurring 9-1-1 charges. The credit shall be claimed in the company's taxable year that covers the period in which the service for which the credit is claimed becomes available for use. The credit shall be claimed in the order required by section 5733.98 of the Revised Code. If the credit exceeds the total taxes due under section 5733.06 of the Revised Code for the tax year, the commissioner shall credit the excess against taxes due under that section for succeeding tax years until the full amount of the 57019
57020
57021
57022
57023
57024
57025
57026
57027
57028
57029

credit is granted. 57030

(C) After the last day a return, with any extensions, may be 57031
filed by any telephone company that is eligible to claim a credit 57032
under this section, the commissioner shall determine whether the 57033
sum of the credits allowed for all prior tax years plus the sum of 57034
the credits claimed for the current tax year exceeds fifteen 57035
million dollars. If it does, the credits allowed under this 57036
section for the current tax year shall be reduced by a uniform 57037
percentage such that the sum of the credits allowed for the 57038
current tax year do not exceed fifteen million dollars. 57039
Thereafter, no credit shall be granted under this section, except 57040
for the remaining portions of any credits allowed under division 57041
(B) of this section. 57042

(D) A telephone company that is entitled to carry forward a 57043
credit against its public utility excise tax liability under 57044
section 5727.39 of the Revised Code is entitled to carry forward 57045
any amount of that credit remaining after its last public utility 57046
excise tax payment for the period of July 1, 2003, through June 57047
30, 2004, and claim that amount as a credit against its 57048
corporation franchise tax liability under this section. Nothing in 57049
this section authorizes a telephone company to claim a credit 57050
under this section for any eligible nonrecurring 9-1-1 charges for 57051
which it has already claimed as a credit under section 5727.39 of 57052
the Revised Code. 57053

Sec. 5733.56. Beginning in tax year 2005, a telephone company 57054
that provides any telephone service program to aid the 57055
communicatively impaired in accessing the telephone network under 57056
section 4905.79 of the Revised Code is allowed a nonrefundable 57057
credit against the tax imposed by section 5733.06 of the Revised 57058
Code. The amount of the credit is the cost incurred by the company 57059
for providing the telephone service program during its taxable 57060

year, excluding any costs incurred prior to July 1, 2004. If the 57061
tax commissioner determines that the credit claimed under this 57062
section by a telephone company was not correct, the commissioner 57063
shall determine the proper credit. 57064

A telephone company shall claim the credit in the order 57065
required by section 5733.98 of the Revised Code. If the credit 57066
exceeds the total taxes due under section 5733.06 of the Revised 57067
Code for the tax year, the commissioner shall credit the excess 57068
against taxes due under that section for succeeding tax years 57069
until the full amount of the credit is granted. Nothing in this 57070
section authorizes a telephone company to claim a credit under 57071
this section for any costs incurred for providing a telephone 57072
service program for which it is claiming a credit under section 57073
5727.44 of the Revised Code. 57074

the tax year, without regard to any credits available to the small 57097
telephone company. 57098

(B)(1) Except as provided in division (B)(2) of this section, 57099
beginning in tax year 2005, a small telephone company is hereby 57100
allowed a nonrefundable credit against the tax imposed by sections 57101
5733.06, 5733.065, and 5733.066 of the Revised Code, equal to the 57102
product obtained by multiplying the applicable percentage by the 57103
applicable amount. The credit shall be claimed in the order 57104
required by section 5733.98 of the Revised Code. 57105

(2) If the applicable amount for a tax year is less than 57106
zero, a small telephone company shall not be allowed for that tax 57107
year the credit provided under this section. 57108

Sec. 5733.98. (A) To provide a uniform procedure for 57109
calculating the amount of tax imposed by section 5733.06 of the 57110
Revised Code that is due under this chapter, a taxpayer shall 57111

such sale is evidenced by an exemption certificate, in a form 57257
approved by the tax commissioner, executed by the United States 57258

Sec. 5735.053. There is hereby created in the state treasury 57305
the motor fuel tax administration fund for the purpose of paying 57306
the expenses of the department of taxation incident to the 57307
administration of the motor fuel laws. After the treasurer of 57308
state credits the tax refund fund out of tax receipts as required 57309
by sections 5735.23, 5735.26, 5735.291, and 5735.30 of the Revised 57310

cent of the receipts from the taxes levied by sections 5735.05, 57313
5735.25, 5735.29, and 5735.30 of the Revised Code. 57314

Sec. 5735.14. (A) Any person who uses any motor fuel, on 57315
which the tax imposed by this chapter has been paid, for the 57316
purpose of operating stationary gas engines, tractors not used on 57317
public highways, unlicensed motor vehicles used exclusively in 57318
intraplant operations, vessels when used in trade, including 57319

commercial fishing, vessels used by the sea scout department of 57323
the boy scouts of America chiefly for training scouts in 57324

upon highways or upon waters within the boundaries of this state, 57330
shall be reimbursed in the amount of the tax so paid on such motor 57331
fuel as provided in this section; provided, that any person 57332
purchasing motor fuel in this state on which taxes levied under 57333
Title LVII of the Revised Code have been paid shall be reimbursed 57334
for such taxes paid in this state on such fuel used by that person 57335

in another state on which a tax is paid for such usage, except 57336
such tax used as a credit against the tax levied by section 57337
5728.06 of the Revised Code. A person shall not be reimbursed for 57338
taxes paid on fuel that is used while a motor vehicle is idling or 57339
used to provide comfort or safety in the operation of a motor 57340
vehicle. Sales of motor fuel, on which the tax imposed by this 57341
chapter has been paid, from one person to another do not 57342
constitute use of the fuel and are not subject to a refund under 57343
this section. 57344

Such (B) Any person who uses in this state any motor fuel 57345
with water intentionally added to the fuel, on which the taxes 57346
imposed by this chapter or Chapter 5728. of the Revised Code have 57347
been paid, shall be reimbursed in the amount of the taxes so paid 57348
on ninety-five per cent of the water. This division applies only 57349
to motor fuel that contains at least nine per cent water, by 57350
volume. 57351

(C) A person claiming reimbursement under this section shall 57352
file with the tax commissioner an application for refund within 57353
one year from the date of purchase, stating the quantity of fuel 57354
used for the refundable purposes other than the operation of motor 57355
vehicles in division (A) or (B) of this section, except that no 57356
person shall file a claim for the tax on fewer than one hundred 57357
gallons of motor fuel. An application for refund filed for the 57358
purpose of division (B) of this section also shall state the 57359
quantity of water intentionally added to the motor fuel. No person 57360
shall claim reimbursement under that division on fewer than one 57361
hundred gallons of water. The application shall be accompanied by 57362
the statement described in section 5735.15 of the Revised Code 57363
showing such purchase, together with evidence of payment thereof. 57364

(D) After consideration of the application and statement, the 57365
commissioner shall determine the amount of refund to which the 57366
applicant is entitled. If the amount is not less than that 57367

claimed, the commissioner shall certify the amount to the director 57368
of budget and management and treasurer of state for payment from 57369
the tax refund fund created by section 5703.052 of the Revised 57370
Code. If the amount is less than that claimed, the commissioner 57371
shall proceed in accordance with section 5703.70 of the Revised 57372
Code. 57373

No refund shall be authorized or paid under this section on a 57374
single claim for tax on fewer than one hundred gallons of motor 57375
fuel. And, when water has been intentionally added to fuel, no 57376
refund shall be authorized or paid under this section on a single 57377
claim for tax on fewer than one hundred gallons of water. The 57378
commissioner may require that the application be supported by the 57379
affidavit of the claimant. 57380

The refund authorized by this section or section 5703.70 of 57381
the Revised Code shall be reduced by the cents per gallon amount 57382
of any qualified fuel credit received under section 5735.145 of 57383
the Revised Code, as determined by the commissioner, for each 57384
gallon of qualified fuel included in the total gallonage of motor 57385
fuel upon which the refund is computed. 57386

(E) The right to receive any refund under this section or 57387
section 5703.70 of the Revised Code is not assignable. The payment 57388
of this refund shall not be made to any person other than the 57389
person originally entitled thereto who used the motor fuel upon 57390
which the claim for refund is based, except that such refunds, 57391
when allowed and certified as provided in this section, 57392
may be paid to the executor, ~~the~~ administrator, ~~the~~ receiver, ~~the~~ trustee 57393
in bankruptcy, or ~~the~~ assignee in insolvency proceedings of such 57394
person. 57395

Sec. 5735.15. When motor fuel is sold to a person who claims 57396
to be entitled to a refund under section 5735.14 or 5735.142 of 57397
the Revised Code, the seller of such motor fuel shall ~~make out in~~ 57398

~~duplicate on forms prescribed and supplied by the tax~~ 57399
~~commissioner, which forms shall have printed thereon~~ provide to 57400
the person documentation that indicates that the liability to the 57401
state for the excise tax imposed under the motor fuel laws of this 57402
state on such motor fuel has been assumed by the seller, and that 57403
said excise tax has already been paid or will be paid by the 57404
seller when the same becomes payable, ~~a statement setting. The~~ 57405
documentation also shall set forth the name and address of the 57406
purchaser, the number of gallons of motor fuel sold, the price 57407
paid for or the price per gallon of the motor fuel sold, the 57408
proposed use for which such motor fuel is purchased, and such 57409
other information as the commissioner requires. When motor fuel is 57410
sold to a person who claims to be entitled to reimbursement under 57411
division (B) of section 5735.14 of the Revised Code, the 57412
documentation also shall state the number of gallons of water 57413
intentionally added to the motor fuel. The ~~original of such~~ 57414
~~statement~~ documentation shall be given to the purchaser, and ~~the~~ 57415
~~duplicate~~ a copy shall be retained by the seller. 57416

the usual business hours of the day, the records, books, ~~and~~ 57418
~~papers~~ invoices, storage tanks, and any other equipment of any 57419
motor fuel dealer, retail dealer, exporter, terminal operator, 57420
purchaser, or common carrier pertaining to motor fuel received, 57421
sold, shipped, or delivered, to determine whether the taxes 57422
imposed by this chapter have been paid and to verify the truth and 57423
accuracy of any statement, report, or return. ~~The~~ 57424

fuel laws of this state, hold hearings, take the testimony of any 57426
person, issue subpoenas and compel the attendance of witnesses, 57427
and conduct such investigations as the commissioner deems 57428
necessary, ~~but no person shall disclose the information acquired~~ 57429
~~by the commissioner under this section, except when required to de~~ 57430

~~so in court.~~ Such information or evidence is not privileged when 57431
used by the state or any officer thereof in any proceeding for the 57432
collection of the tax, or any prosecution for violation of the 57433
motor fuel laws. 57434

(C) The commissioner may prescribe all forms upon which 57435
reports shall be made to the commissioner, forms for claims for 57436
refund presented to the commissioner, or forms of records to be 57437
used by motor fuel dealers. 57438

(D)(1) As used in this division, "designated inspection site" 57439
means any state highway inspection station, weigh station, mobile 57440

delegated investigation powers by the commissioner under section 57454
5703.58 of the Revised Code may detain any motor vehicle, train, 57455

determine the amount and composition of the fuel. 57460

(4) Any employee described in division (D)(2) or (3) of this 57461

section may take and remove samples of fuel in quantities as are 57462
reasonably necessary to determine the composition of the fuel. 57463

(5) No person shall refuse to allow an inspection under 57464
division (D) of this section. Any person who refuses to allow an 57465

and, the amount required by section 4907.472 of the Revised Code 57477
to the grade crossing protection fund, and the amount required by 57478
section 5735.053 of the Revised Code to the motor fuel tax 57479

managing and investing the person's own funds. 58222

(G) "Engaging in business" means commencing, conducting, or 58223
continuing in business, and liquidating a business when the 58224
liquidator thereof holds itself out to the public as conducting 58225
such business. Making a casual sale is not engaging in business. 58226

(H)(1) "Price," except as provided in divisions (H)(2) and 58227
(3) of this section, means the aggregate value in money of 58228
anything paid or delivered, or promised to be paid or delivered, 58229
in the complete performance of a retail sale, without any 58230

from the consideration received or to be received for the tangible 58251
personal property transferred in the retail sale. Such separation 58252
must appear in the sales agreement or on the initial invoice or 58253
initial billing rendered by the vendor to the consumer. "~~Price~~" 58254

~~on the initial invoice or initial billing rendered by the vendor.~~ 58256
Price is the amount received inclusive of the tax, provided the 58257
vendor establishes to the satisfaction of the tax commissioner 58258

a charge for tangible personal property and a charge for providing 58260
a service and the sale of the property and the charge for the 58261
service are separately taxable, or have a separately determinable 58262
tax status, the price shall be separately stated for each such 58263
charge so the tax can be correctly computed and charged. 58264

If the total amount of the consideration for the lease includes amounts that are not calculated at the time the lease is executed, the tax

shall be calculated and collected by the vendor at the time such 58308
amounts are billed to the lessee. In the case of an open-end 58309
lease, the sales tax shall be calculated by the vendor on the 58310
basis of the total amount to be paid during the initial fixed term 58311
of the lease, and then for each subsequent renewal period as it 58312
comes due. In the case of a lease with a renewal clause and a 58313
termination penalty or similar provision that applies if the 58314
renewal clause is not exercised, the tax shall be calculated and 58315
paid by the vendor on the basis of the entire length of the lease 58316
period, including any renewal period, until the termination 58317
penalty or similar provision no longer applies. 58318

(5) In the case of a transaction in which telecommunications 58319
service or mobile telecommunications service is sold in a bundled 58320

under sections 5739.02, 5739.021, 5739.023, and 5739.026 of the 58323
Revised Code, unless the vendor can reasonably identify the 58324
non-taxable portion from its books and records kept in the regular 58325
course of business. The vendor shall advise the consumer, either 58326
in a sales agreement or on the bill for the bundled service, of 58327
the base on which the tax is computed. The burden of proving any 58328
nontaxable charges is on the vendor. 58329

"motor vehicle" has the same meaning as in section 4501.01 of the 58331

or use, and includes such items acquired for the seller's use that 58352
are sold by an auctioneer employed directly by the person for such 58353
purpose, provided the location of such sales is not the 58354

Code to which a provider of electricity may otherwise be entitled 59315
based on the use of the tangible personal property or service 59316
purchased in generating, transmitting, or distributing 59317
electricity. 59318

(33) Sales to a person providing services under divisions 59319
(B)(3)(s) and (t) of section 5739.01 of the Revised Code of 59320
tangible personal property and services used directly and 59321
primarily in providing taxable services under that section. An 59322
exemption under this division cannot be claimed on any tangible 59323
personal property that is part of, an operating supply for, or a 59324
repair or replacement part for, an air or noise pollution control 59325
facility certified under section 5709.21 of the Revised Code; 59326

(34) Sales of telecommunications service that is used 59327
directly and primarily to perform the functions of a call center. 59328
As used in this division, "call center" means any physical 59329
location where telephone calls are placed or received in high 59330
volume for the purpose of making sales, marketing, customer 59331
service, technical support, or other specialized business 59332
activity, and that employs at least fifty individuals that engage 59333
in call center activities on a full-time basis, or sufficient 59334
individuals to fill fifty full-time equivalent positions. "Call 59335

center" does not include any location where telephone calls are 59336
primarily placed to or received from the same person, or 59337
affiliates of the same person, that owns or operates the location. 59338

For the purpose of the proper administration of this chapter, 59339
and to prevent the evasion of the tax, it is presumed that all 59340
sales made in this state are subject to the tax until the contrary 59341
is established. 59342

As used in this section, except in division (B)~~(16)~~(14) of 59343
this section, "food" includes cereals and cereal products, milk 59344
and milk products including ice cream, meat and meat products, 59345
fish and fish products, eggs and egg products, vegetables and 59346
vegetable products, fruits, fruit products, and pure fruit juices, 59347
condiments, sugar and sugar products, coffee and coffee 59348
substitutes, tea, and cocoa and cocoa products. It does not 59349
include: spirituous liquors, wine, mixed beverages, or beer; soft 59350
drinks; sodas and beverages that are ordinarily dispensed at or in 59351
connection with bars and soda fountains, other than coffee, tea, 59352
and cocoa; root beer and root beer extracts; malt and malt 59353
extracts; mineral oils, cod liver oils, and halibut liver oil; 59354
medicines, including tonics, vitamin preparations, and other 59355
products sold primarily for their medicinal properties; and water, 59356
including mineral, bottled, and carbonated waters, and ice. 59357

(C) The levy of this tax on retail sales of recreation and 59358
sports club service shall not prevent a municipal corporation from 59359
levying any tax on recreation and sports club dues or on any 59360
income generated by recreation and sports club dues. 59361

Sec. 5739.03. Except as provided in section 5739.05 of the 59362
Revised Code, the tax imposed by or pursuant to section 5739.02, 59363
5739.021, 5739.023, or 5739.026 of the Revised Code shall be paid 59364
by the consumer to the vendor, and each vendor shall collect from 59365
the consumer, as a trustee for the state of Ohio, the full and 59366

exact amount of the tax payable on each taxable sale, in the 59367
manner and at the times provided as follows: 59368

(A) If the price is, at or prior to the provision of the 59369
service or the delivery of possession of the thing sold to the 59370
consumer, paid in currency passed from hand to hand by the 59371
consumer or the consumer's agent to the vendor or the vendor's 59372
agent, the vendor or the vendor's agent shall collect the tax with 59373
and at the same time as the price; 59374

(B) If the price is otherwise paid or to be paid, the vendor 59375
or the vendor's agent shall, at or prior to the provision of the 59376
service or the delivery of possession of the thing sold to the 59377
consumer, charge the tax imposed by or pursuant to section 59378
5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code to 59379
the account of the consumer, which amount shall be collected by 59380
the vendor from the consumer in addition to the price. Such sale 59381
shall be reported on and the amount of the tax applicable thereto 59382
shall be remitted with the return for the period in which the sale 59383
is made, and the amount of the tax shall become a legal charge in 59384
favor of the vendor and against the consumer. 59385

If any sale is claimed to be exempt under division (E) of 59386
section 5739.01 of the Revised Code or under section 5739.02 of 59387
the Revised Code, with the exception of divisions (B)(1) to ~~(11)~~ 59388
~~or (28)~~(10) of section 5739.02 of the Revised Code, the consumer 59389
must furnish to the vendor, and the vendor must obtain from the 59390
consumer, a certificate specifying the reason that the sale is not 59391
legally subject to the tax. If the transaction is claimed to be 59392
exempt under division (B)~~(13)~~(12) of section 5739.02 of the 59393
Revised Code, the exemption certificate shall be signed by both 59394
the contractor and the contractee and such contractee shall be 59395
deemed to be the consumer of all items purchased under such claim 59396
of exemption in the event it is subsequently determined that the 59397
exemption is not properly claimed. The certificate shall be in 59398

such form as the tax commissioner by regulation prescribes. If no 59399
certificate is furnished or obtained within the period for filing 59400
the return for the period in which such sale is consummated, it 59401
shall be presumed that the tax applies. ~~The~~ Failure to have so 59402
furnished, or to have so obtained, a certificate shall not prevent 59403
a vendor or consumer from establishing that the sale is not 59404
~~subject~~ subject to the tax within ~~sixty~~ one hundred twenty days of 59405
the giving of notice by the commissioner of intention to levy an 59406
~~assessment~~ assessment, in which event the tax shall not apply. 59407

Certificates need not be obtained nor furnished where the 59408
identity of the consumer is such that the transaction is never 59409
subject to the tax imposed or where the item of tangible personal 59410
property sold or the service provided is never subject to the tax 59411
imposed, regardless of use, or when the sale is in interstate 59412
commerce. 59413

(C) As used in this division, "contractee" means a person who 59414
seeks to enter or enters into a contract or agreement with a 59415
contractor or vendor for the construction of real property or for 59416
the sale and installation onto real property of tangible personal 59417
property. 59418

Any contractor or vendor may request from any contractee a 59419
certification of what portion of the property to be transferred 59420
under such contract or agreement is to be incorporated into the 59421
realty and what portion will retain its status as tangible 59422
personal property after installation is completed. The contractor 59423
or vendor shall request the certification by certified mail 59424
delivered to the contractee, return receipt requested. Upon 59425
receipt of such request and prior to entering into the contract or 59426
agreement, the contractee shall furnish to the contractor or 59427
vendor a certification sufficiently detailed to enable the 59428
contractor or vendor to ascertain the resulting classification of 59429
all materials purchased or fabricated by the contractor or vendor 59430

and transferred to the contractee. This requirement applies to a 59431
contractee regardless of whether the contractee holds a direct 59432
payment permit under section 5739.031 of the Revised Code or 59433
furnishes to the contractor or vendor an exemption certificate as 59434
provided under this section. 59435

For the purposes of the taxes levied by this chapter and 59436
Chapter 5741. of the Revised Code, the contractor or vendor may in 59437
good faith rely on the contractee's certification. Notwithstanding 59438
division (B) of section 5739.01 of the Revised Code, if the tax 59439
commissioner determines that certain property certified by the 59440
contractee as tangible personal property pursuant to this division 59441
is, in fact, real property, the contractee shall be considered to 59442
be the consumer of all materials so incorporated into that real 59443
property and shall be liable for the applicable tax, and the 59444
contractor or vendor shall be excused from any liability on those 59445
materials. 59446

If a contractee fails to provide such certification upon the 59447
request of the contractor or vendor, the contractor or vendor 59448
shall comply with the provisions of this chapter and Chapter 5741. 59449
of the Revised Code without the certification. If the tax 59450
commissioner determines that such compliance has been performed in 59451
good faith and that certain property treated as tangible personal 59452
property by the contractor or vendor is, in fact, real property, 59453
the contractee shall be considered to be the consumer of all 59454
materials so incorporated into that real property and shall be 59455
liable for the applicable tax and the construction contractor or 59456
vendor shall be excused from any liability on those materials. 59457

This division does not apply to any contract or agreement 59458
where the tax commissioner determines as a fact that a 59459
certification under this division was made solely on the decision 59460
or advice of the contractor or vendor. 59461

(D) Notwithstanding division (B) of section 5739.01 of the 59462

Revised Code, whenever the total rate of tax imposed under this 59463
chapter is increased after the date after a construction contract 59464
is entered into, the contractee shall reimburse the construction 59465
contractor for any additional tax paid on tangible property 59466
consumed or services received pursuant to the contract. 59467

(E) A vendor who files a petition for reassessment contesting 59468
the assessment of tax on sales for which the vendor obtained no 59469
valid exemption certificates and for which the vendor failed to 59470
establish that the sales were properly not subject to the tax 59471
during the one-hundred-twenty-day period allowed under division 59472
(B) of this section, may present to the tax commissioner 59473
additional evidence to prove that the sales were properly subject 59474
to a claim of exception or exemption. The vendor shall file such 59475
evidence within ninety days of the receipt by the vendor of the 59476
notice of assessment, except that, upon application and for 59477
reasonable cause, the period for submitting such evidence shall be 59478
extended thirty days. 59479

The commissioner shall consider such additional evidence in 59480
reaching the final determination on the assessment and petition 59481
for reassessment. 59482

(F) Whenever a vendor refunds to the consumer the full price 59483
of an item of tangible personal property on which the tax imposed 59484
under this chapter has been paid, the vendor shall also refund the 59485
full amount of the tax paid. 59486

Sec. 5739.071. (A) The tax commissioner shall refund to a 59487
provider that makes sales of electronic information services 59488
twenty-five per cent of the tax it pays pursuant to this chapter 59489
or Chapter 5741. of the Revised Code on purchases ~~made on or after~~ 59490
~~July 1, 1993,~~ of computers, computer peripherals, software, 59491
telecommunications equipment, and similar tangible personal 59492
property, primarily used to acquire, process, or store information 59493

for use by business customers or to transmit or disseminate such 59494
information to such customers, the services of installing or 59495
repairing such property, and agreements to repair or maintain such 59496
property. Business customers do not include members of an 59497
affiliated group, as described in division (B)(3)(e) of section 59498
5739.01 of the Revised Code, of which the electronic information 59499
service provider is also a member. Applications for a refund shall 59500
be made in the same manner and subject to the same time 59501
limitations as provided in sections 5739.07 and 5741.10 of the 59502
Revised Code. 59503

(B) An electronic information service provider that maintains 59504
direct payment authority under section 5739.031 of the Revised 59505
Code may list on the return and pay tax on seventy-five per cent 59506
of the price of equipment, services, and agreements described 59507
under division (A) of this section, in lieu of seeking a refund as 59508
provided in that division. 59509

Sec. 5739.12. ~~Each~~ (A) Except as provided in division (B) of 59510
this section, each person who has or is required to have a 59511
vendor's license, on or before the twenty-third day of each month, 59512
shall make and file a return for the preceding month, ~~on forms in~~ 59513
an electronic format prescribed by the tax commissioner, and shall 59514
pay electronically, in the manner specified by the commissioner, 59515
the tax shown on the return to be due. ~~The~~ Nothing in this 59516
division shall be construed as affecting section 5739.122 of the 59517
Revised Code, and that section takes precedence over this section. 59518

(B) Unless the commissioner adopts rules under section 59519
5703.054 of the Revised Code that require vendors to file returns 59520
in an electronic format or make payments electronically, a vendor, 59521
on or before the tenth day of each month, shall file a return for 59522
the preceding month on paper forms prescribed by the tax 59523
commissioner and shall pay the tax shown on the return to be due. 59524

(C)(1) The return shall show the amount of tax due from the vendor to the state for the period covered by the return and such other information as the commissioner deems necessary for the proper administration of this chapter. The commissioner may extend the time for making and filing returns and paying the tax, ~~and may require that the return for the last month of any annual or semiannual period, as determined by the commissioner, be a reconciliation return detailing the vendor's sales activity for the preceding annual or semiannual period. The reconciliation return shall be filed by the last day of the month following the last month of the annual or semiannual period.~~ The commissioner may remit all or any part of amounts or penalties ~~which~~ that may become due under this chapter, and may adopt rules relating thereto. ~~Such~~

(2) A paper return filed under division (B) of this section shall be filed by mailing it to the tax commissioner, together with payment of the amount of tax shown to be due thereon after deduction of any discount provided for under this section. Remittance shall be made payable to the treasurer of state. The paper return shall be considered filed when received by the tax commissioner, and ~~the~~ payment shall be considered made when received by the ~~tax~~ commissioner or when credited to an account designated by the treasurer of state or the tax commissioner. ~~If~~

(3) A return filed in an electronic format under division (A) of this section is considered filed when transmitted, as prescribed by the commissioner. A payment made electronically under division (A) of this section is considered made when the payment is received by the treasurer of state or credited to an account designated by the treasurer of state for the receipt of tax payments.

(D)(1) If the return is filed and the amount of tax shown thereon to be due is paid on or before the date such return is

required to be filed, the vendor shall be entitled to a the 59557
following discount ~~of three fourths of one per cent of the amount~~ 59558
~~shown to be due on the return. Amounts:~~ 59559

(a) A vendor that is required to remit sales taxes by 59560
electronic funds transfer under section 5739.122 of the Revised 59561
Code is entitled to a discount of one-half of one per cent of the 59562
amount shown on the return to be due. 59563

(b) A vendor that is not required to remit sales taxes by 59564
electronic funds transfer under section 5739.122 of the Revised 59565
Code is entitled to a discount of one per cent of the amount shown 59566
on the return to be due. 59567

(2) Notwithstanding division (D)(1) of this section, amounts 59568
paid to the clerk of courts pursuant to section 1548.06 or 4505.06 59569
of the Revised Code shall be subject to ~~the three fourths of one~~ 59570
~~per cent~~ a discount of one-half of one per cent. The discount 59571
shall be in consideration for prompt payment to the clerk of 59572
courts and for other services performed by the vendor in the 59573
collection of the tax. 59574

(E) Upon application to the commissioner, a vendor who is 59575
required to file monthly returns may be relieved of the 59576
requirement to report and pay the actual tax due, provided that 59577
the vendor agrees to remit to the tax commissioner payment of not 59578
less than an amount determined by the commissioner to be the 59579
average monthly tax liability of the vendor, based upon a review 59580
of the returns or other information pertaining to such vendor for 59581
a period of not less than six months nor more than two years 59582
immediately preceding the filing of the application. Vendors who 59583
agree to the above conditions shall make and file an annual or 59584
semiannual reconciliation return, as prescribed by the 59585
commissioner. The reconciliation return shall be filed by mailing 59586
or delivering it to the tax commissioner, together with payment of 59587
the amount of tax shown to be due thereon after deduction of any 59588

discount provided in this section. Remittance shall be made 59589
payable to the treasurer of state. Failure of a vendor to comply 59590
with any of the above conditions may result in immediate 59591
reinstatement of the requirement of reporting and paying the 59592
actual tax liability on each monthly return, and the commissioner 59593
may at the commissioner's discretion deny the vendor the right to 59594
report and pay based upon the average monthly liability for a 59595
period not to exceed two years. The amount ascertained by the 59596
commissioner to be the average monthly tax liability of a vendor 59597
may be adjusted, based upon a review of the returns or other 59598
information pertaining to the vendor for a period of not less than 59599
six months nor more than two years preceding such adjustment. 59600

(F) The commissioner may authorize vendors whose tax 59601
liability is not such as to merit monthly returns, as ascertained 59602
by the commissioner upon the basis of administrative costs to the 59603
state, to make and file returns at less frequent intervals. When 59604
returns are filed at less frequent intervals in accordance with 59605
such authorization, the vendor shall be allowed the discount of 59606
three-fourths of one per cent in consideration for prompt payment 59607
with the return, provided the return is filed together with 59608
payment of the amount of tax shown to be due thereon, at the time 59609
specified by the commissioner. 59610

(G) Any vendor who fails to file a return or pay the full 59611
amount of the tax shown on the return to be due under this section 59612
and the rules of the commissioner may, for each such return the 59613
vendor fails to file or each such tax the vendor fails to pay in 59614
full as shown on the return within the period prescribed by this 59615
section and the rules of the commissioner, be required to forfeit 59616
and pay into the state treasury an additional charge not exceeding 59617
fifty dollars or ten per cent of the tax required to be paid for 59618
the reporting period, whichever is greater, as revenue arising 59619
from the tax imposed by this chapter, and such sum may be 59620

collected by assessment in the manner provided in section 5739.13 59621
of the Revised Code. The commissioner may remit all or a portion 59622
of the additional charge and may adopt rules relating to the 59623
imposition and remission of the additional charge. 59624

(H) If the amount required to be collected by a vendor from 59625
consumers is in excess of five per cent of the vendor's receipts 59626
from sales which are taxable under section 5739.02 of the Revised 59627
Code, or in the case of sales subject to a tax levied pursuant to 59628
section 5739.021, 5739.023, or 5739.026 of the Revised Code, in 59629
excess of the percentage equal to the aggregate rate of such taxes 59630
and the tax levied by section 5739.02 of the Revised Code, such 59631
excess shall be remitted along with the remittance of the amount 59632
of tax due under section 5739.10 of the Revised Code. 59633

(I) The commissioner, if the commissioner deems it necessary 59634
in order to insure the payment of the tax imposed by this chapter, 59635
may require returns and payments to be made for other than monthly 59636
periods. The returns shall be signed by the vendor or the vendor's 59637
authorized agent. 59638

(J) Any vendor required to file a return and pay the tax 59639
under this section whose total payment in any year indicated in 59640
division (A) of section 5739.122 of the Revised Code equals or 59641
exceeds the amount shown in that division shall make each payment 59642
required by this section in the second ensuing and each succeeding 59643
year by electronic funds transfer as prescribed by section 59644
5739.122 of the Revised Code, except as otherwise prescribed by 59645
that section. 59646

(K) The commissioner may require any vendor that operates 59647
from multiple locations or has multiple vendor's licenses to 59648
report all tax liability on one consolidated return. 59649

Sec. 5739.17. (A) No person shall engage in making retail 59650
sales subject to a tax imposed by or pursuant to section 5739.02, 59651

5739.021, 5739.023, or 5739.026 of the Revised Code as a business 59652
without having a license therefor, except as otherwise provided in 59653
divisions (A)(1), (2), and (3) of this section. 59654

(1) In the dissolution of a partnership by death, the 59655
surviving partner may operate under the license of the partnership 59656
for a period of sixty days. 59657

(2) The heirs or legal representatives of deceased persons, 59658
and receivers and trustees in bankruptcy, appointed by any 59659
competent authority, may operate under the license of the person 59660
so succeeded in possession. 59661

(3) Two or more persons who are not partners may operate a 59662
single place of business under one license. In such case neither 59663
the retirement of any such person from business at that place of 59664
business, nor the entrance of any person, under an existing 59665
arrangement, shall affect the license or require the issuance of a 59666
new license, unless the person retiring from the business is the 59667
individual named on the vendor's license. 59668

Except as otherwise provided in this section, each applicant 59669
for a license shall make out and deliver to the county auditor of 59670
each county in which the applicant desires to engage in business, 59671
upon a blank to be furnished by such auditor for that purpose, a 59672
statement showing the name of the applicant, each place of 59673
business in the county where the applicant will make retail sales, 59674
the nature of the business, and any other information the tax 59675
commissioner reasonably prescribes in the form of a statement 59676
prescribed by the commissioner. 59677

At the time of making the application, the applicant shall 59678
pay into the county treasury a license fee in the sum of 59679
twenty-five dollars for each fixed place of business in the county 59680
that will be the situs of retail sales. Upon receipt of the 59681
application and exhibition of the county treasurer's receipt, 59682

showing the payment of the license fee, the county auditor shall 59683
issue to the applicant a license for each fixed place of business 59684
designated in the application, authorizing the applicant to engage 59685
in business at that location. If a vendor's identity changes, the 59686
vendor shall apply for a new license. If a vendor wishes to move 59687
an existing fixed place of business to a new location within the 59688
same county, the vendor shall obtain a new vendor's license or 59689
submit a request to the tax commissioner to transfer the existing 59690
vendor's license to the new location. When the new location has 59691
been verified as being within the same county, the commissioner 59692
shall authorize the transfer and notify the county auditor of the 59693
change of location. If a vendor wishes to move an existing fixed 59694
place of business to another county, the vendor's license shall 59695
not transfer and the vendor shall obtain a new vendor's license 59696
from the county in which the business is to be located. The form 59697
of the license shall be prescribed by the commissioner. The fees 59698
collected shall be credited to the general fund of the county. 59699

~~A vendor that makes retail sales subject to tax under Chapter 59700
5739. of the Revised Code pursuant to a permit issued by the 59701
division of liquor control shall obtain a vendor's license in the 59702
identical name and for the identical address as shown on the 59703
permit. 59704~~

Except as otherwise provided in this section, if a vendor has 59705
no fixed place of business and sells from a vehicle, each vehicle 59706
intended to be used within a county constitutes a place of 59707
business for the purpose of this section. 59708

(B) As used in this division, "transient vendor" means any 59709
person who makes sales of tangible personal property from vending 59710
machines located on land owned by others, who leases titled motor 59711
vehicles, titled watercraft, or titled outboard motors, who 59712
effectuates leases that are taxed according to division (H)(4) of 59713
section 5739.01 of the Revised Code, or who, in the usual course 59714

of the person's business, transports inventory, stock of goods, or 59715
similar tangible personal property to a temporary place of 59716
business or temporary exhibition, show, fair, flea market, or 59717
similar event in a county in which the person has no fixed place 59718
of business, for the purpose of making retail sales of such 59719
property. A "temporary place of business" means any public or 59720
quasi-public place including, but not limited to, a hotel, rooming 59721
house, storeroom, building, part of a building, tent, vacant lot, 59722
railroad car, or motor vehicle that is temporarily occupied for 59723
the purpose of making retail sales of goods to the public. A place 59724
of business is not temporary if the same person conducted business 59725
at the place continuously for more than six months or occupied the 59726
premises as the person's permanent residence for more than six 59727
months, or if the person intends it to be a fixed place of 59728
business. 59729

Any transient vendor, in lieu of obtaining a vendor's license 59730
under division (A) of this section for counties in which the 59731
transient vendor has no fixed place of business, may apply to the 59732
tax commissioner, on a form prescribed by the commissioner, for a 59733
transient vendor's license. The transient vendor's license 59734
authorizes the transient vendor to make retail sales in any county 59735
in which the transient vendor does not maintain a fixed place of 59736
business. Any holder of a transient vendor's license shall not be 59737
required to obtain a separate vendor's license from the county 59738
auditor in that county. Upon the commissioner's determination that 59739
an applicant is a transient vendor, the applicant shall pay a 59740
license fee in the amount of twenty-five dollars, at which time 59741
the tax commissioner shall issue the license. The tax commissioner 59742
may require a vendor to be licensed as a transient vendor if, in 59743
the opinion of the commissioner, such licensing is necessary for 59744
the efficient administration of the tax. 59745

Any holder of a valid transient vendor's license may make 59746

retail sales at a temporary place of business or temporary 59747
exhibition, show, fair, flea market, or similar event, held 59748
anywhere in the state without complying with any provision of 59749
section 311.37 of the Revised Code. Any holder of a valid vendor's 59750
license may make retail sales as a transient vendor at a temporary 59751
place of business or temporary exhibition, show, fair, flea 59752
market, or similar event held in any county in which the vendor 59753
maintains a fixed place of business for which the vendor holds a 59754
vendor's license without obtaining a transient vendor's license. 59755

(C) As used in this division, "service vendor" means any 59756
person who, in the usual course of the person's business, sells 59757
services described in division (B)(3)(e), (f), (g), (h), (i), (j), 59758
(k), (l), or (m) of section 5739.01 of the Revised Code. 59759

Every service vendor shall make application to the tax 59760
commissioner for a service vendor's license. Each applicant shall 59761
pay a license fee in the amount of twenty-five dollars. Upon the 59762
commissioner's determination that an applicant is a service vendor 59763
and payment of the fee, the commissioner shall issue the applicant 59764
a service vendor's license. 59765

Only sales described in division (B)(3)(e), (f), (g), (h), 59766
(i), (j), (k), (l), or (m) of section 5739.01 of the Revised Code 59767
may be made under authority of a service vendor's license, and 59768
that license authorizes sales to be made at any place in this 59769
state. Any service vendor who makes sales of other services or 59770
tangible personal property subject to the sales tax also shall be 59771
licensed under division (A), (B), or (D) of this section. 59772

(D) As used in this division, "delivery vendor" means any 59773
vendor who engages in one or more of the activities described in 59774
divisions (D)(1) to (4) of this section, and who maintains no 59775
store, showroom, or similar fixed place of business or other 59776
location where merchandise regularly is offered for sale or 59777
displayed or shown in catalogs for selection or pick-up by 59778

consumers, or where consumers bring goods for repair or other service. 59779
59780

(1) The vendor makes retail sales of tangible personal property; 59781
59782

(2) The vendor rents or leases, at retail, tangible personal property, except titled motor vehicles, titled watercraft, or titled outboard motors; 59783
59784
59785

(3) The vendor provides a service, at retail, described in division (B)(3)(a), (b), (c), or (d) of section 5739.01 of the Revised Code; or 59786
59787
59788

(4) The vendor makes retail sales of warranty, maintenance or service contracts, or similar agreements as described in division (B)(7) of section 5739.01 of the Revised Code. 59789
59790
59791

A transient vendor or a seller registered pursuant to section 5741.17 of the Revised Code is not a delivery vendor. 59792
59793

Delivery vendors shall apply to the tax commissioner, on a form prescribed by the commissioner, for a delivery vendor's license. Each applicant shall pay a license fee of twenty-five dollars for each delivery vendor's license, to be credited to the general revenue fund. Upon the commissioner's determination that the applicant is a delivery vendor, the commissioner shall issue the license. A delivery vendor's license authorizes retail sales to be made throughout the state. All sales of the vendor must be reported under the delivery license. The commissioner may require a vendor to be licensed as a delivery vendor if, in the opinion of the commissioner, such licensing is necessary for the efficient administration of the tax. The commissioner shall not issue a delivery vendor license to a vendor who holds a license issued under division (A) of this section. 59794

(E) Any transient vendor who is issued a license pursuant to this section shall display the license or a copy of it 59808
59809

prominently, in plain view, at every place of business of the 59810
transient vendor. Every owner, organizer, or promoter who operates 59811
a fair, flea market, show, exhibition, convention, or similar 59812
event at which transient vendors are present shall keep a 59813
comprehensive record of all such vendors, listing the vendor's 59814
name, permanent address, vendor's license number, and the type of 59815
goods sold. Such records shall be kept for four years and shall be 59816
open to inspection by the tax commissioner. 59817

(F) A vendor that makes retail sales subject to tax under 59818
Chapter 5739. of the Revised Code pursuant to a permit issued by 59819
the division of liquor control shall obtain a vendor's license in 59820
the identical name and for the identical address as shown on the 59821
permit. 59822

(G)(1) As used in division (G) of this section, "Ohio 59823
business gateway" means the on-line computer network system, 59824
initially created by the department of administrative services 59825
under section 125.30 of the Revised Code that allows private 59826
businesses to electronically file business reply forms with state 59827
agencies. 59828

(2) For applicants required by this section to obtain 59829
licenses from the tax commissioner, the commissioner may provide 59830
them with the opportunity to use, or require the use of, the Ohio 59831
business gateway, or any successor electronic filing and payment 59832
system, to apply for licenses and pay license fees, if any. 59833

(3) Beginning January 1, 2005, the commissioner may provide 59834
any applicant required by this section to obtain a license from 59835
the county auditor with the opportunity to use the Ohio business 59836
gateway, or any successor electronic filing and payment system, to 59837
apply for the license and pay the license fee, if any. An 59838
applicant that files an application in this manner shall not make 59839
application to the county auditor and shall not pay into the 59840
county treasury the license fee. The commissioner shall issue the 59841

appropriate license for which the applicant applied, and the 59842
license shall authorize the applicant to engage in business as is 59843
appropriate under this section for the type of license issued. 59844

Sec. 5739.33. If any corporation, limited liability company, 59845
or business trust required to file returns and to remit tax due to 59846
the state under this chapter, including a holder of a direct 59847
payment permit under section 5739.031 of the Revised Code, fails 59848
for any reason to make the filing or payment, any of its employees 59849
having control or supervision of or charged with the 59850
responsibility of filing returns and making payments, or any of 59851
its officers, members, managers, or trustees who are responsible 59852
for the execution of the corporation's, limited liability 59853
company's, or business trust's fiscal responsibilities, shall be 59854
personally liable for the failure. The dissolution, termination, 59855
or bankruptcy of a corporation, limited liability company, or 59856
business trust shall not discharge a responsible officer's, 59857
member's, manager's, employee's, or trustee's liability for a 59858
failure of the corporation, limited liability company, or business 59859
trust to file returns or remit tax due. The sum due for the 59860
liability may be collected by assessment in the manner provided in 59861
section 5739.13 of the Revised Code. 59862

Sec. 5741.01. As used in this chapter: 59863

(A) "Person" includes individuals, receivers, assignees, 59864
trustees in bankruptcy, estates, firms, partnerships, 59865
associations, joint-stock companies, joint ventures, clubs, 59866
societies, corporations, limited liability partnerships, limited 59867
liability companies, business trusts, governments, and 59868
combinations of individuals of any form. 59869

(B) "Storage" means and includes any keeping or retention in 59870
this state for use or other consumption in this state. 59871

(C) "Use" means and includes the exercise of any right or power incidental to the ownership of the thing used. A thing is also "used" in this state if its consumer gives or otherwise distributes it, without charge, to recipients in this state.

(D) "Purchase" means acquired or received for a consideration, whether such acquisition or receipt was effected by a transfer of title, or of possession, or of both, or a license to use or consume; whether such transfer was absolute or conditional, and by whatever means the transfer was effected; and whether the consideration was money, credit, barter, or exchange. Purchase includes production, even though the article produced was used, stored, or consumed by the producer. The transfer of copyrighted motion picture films for exhibition purposes is not a purchase, except such films as are used solely for advertising purposes.

(E) "Seller" means the person from whom a purchase is made, and includes every person engaged in this state or elsewhere in the business of selling tangible personal property or providing a service for storage, use, or other consumption or benefit in this state; and when, in the opinion of the tax commissioner, it is necessary for the efficient administration of this chapter, to regard any salesman, representative, peddler, or canvasser as the agent of a dealer, distributor, supervisor, or employer under whom the person operates, or from whom the person obtains tangible personal property, sold by the person for storage, use, or other consumption in this state, irrespective of whether or not the person is making such sales on the person's own behalf, or on behalf of such dealer, distributor, supervisor, or employer, the commissioner may regard the person as such agent, and may regard such dealer, distributor, supervisor, or employer as the seller. "Seller" does not include any person to the extent the person provides a communications medium, such as, but not limited to, newspapers, magazines, radio, television, or cable television, by

means of which sellers solicit purchases of their goods or 59904
services. 59905

(F)(1) "Consumer" means any person who has purchased tangible 59906
personal property or has been provided a service for storage, use, 59907
or other consumption or benefit in this state. "Consumer" does not 59908
include a person who receives, without charge, tangible personal 59909
property or a service. 59910

(2) A person who performs a facility management or similar 59911
service contract for a contractee is a consumer of all tangible 59912
personal property and services purchased for use in connection 59913
with the performance of such contract, regardless of whether title 59914
to any such property vests in the contractee. The purchase of such 59915
property and services is not subject to the exception for resale 59916
under division (E)(1) of section 5739.01 of the Revised Code. 59917

(3)(a) As used in division (F)(3) of this section, 59918
"qualifying affiliated group member," "another qualifying 59919
affiliated group member," and "unrelated third party" have the 59920
same meanings as in division (D)(6) of section 5739.01 of the 59921
Revised Code. 59922

(b) A qualifying affiliated group member that purchases 59923
tangible personal property for sale, lease, or rental to another 59924
qualifying affiliated group member for any reason other than that 59925
member's resale, re-lease, or re-rental to an unrelated third 59926
party, as determined under divisions (D)(6)(c)(i), (ii), and (iii) 59927
and (D)(6)(d) of section 5739.01 of the Revised Code, is the 59928
consumer of the property for that sale, lease, or rental and is 59929
not entitled to claim an exception for resale with respect to that 59930
purchase, as otherwise permitted by division (E)(1) of section 59931
5739.01 of the Revised Code, in conjunction with section 5741.02 59932
of the Revised Code. The consumer may claim any other exemption or 59933
exception that would be available to the qualifying affiliated 59934
group member to whom the property is sold, leased, or rented, as 59935

if that member had purchased, leased, or rented that property from 59936
an unrelated third party. 59937

(c) A qualifying affiliated group member that purchases, 59938
leases, or rents tangible personal property from another 59939
qualifying affiliated group member is the consumer of the property 59940
purchased, leased, or rented. 59941

(G)(1) "Price," except in the case of watercraft, outboard 59942
motors, or new motor vehicles, means the aggregate value in money 59943
of anything paid or delivered, or promised to be paid or 59944
delivered, by a consumer to a seller in the complete performance 59945
of the transaction by which tangible personal property has been 59946
purchased or a service has been provided for storage, use, or 59947
other consumption or benefit in this state, without any deduction 59948
or exclusion on account of the cost of the property sold, cost of 59949
materials used, labor or service cost, interest, discount paid or 59950
allowed after the sale is consummated, or any other expense. If 59951
the transaction consists of the rental or lease of tangible 59952
personal property, "price" means the aggregate value in money of 59953
anything paid or delivered, or promised to be paid or delivered by 59954
the lessee to the lessor, in the complete performance of the 59955
rental or lease, without any deduction or exclusion of tax, 59956
interest, labor or service charge, damage liability waiver, 59957
termination or damage charge, discount paid or allowed after the 59958
lease is consummated, or any other expense. Except as provided in 59959
division (G)(6) of this section, the tax shall be calculated and 59960
collected by the lessor on each payment made by the lessee. If a 59961
consumer produces the tangible personal property used by the 59962
consumer, the price is the produced cost of such tangible personal 59963
property. "Price" does not include delivery charges that are 59964
separately stated on the initial invoice or initial billing 59965
rendered by the seller. 59966

The tax collected by the seller from the consumer under this 59967

chapter is not a part of the price, but is a tax collection for 59968
the benefit of the state, and of counties levying an additional 59969
use tax pursuant to section 5741.021 or 5741.023 of the Revised 59970
Code and of transit authorities levying an additional use tax 59971
pursuant to section 5741.022 of the Revised Code and, except for 59972
the discount authorized under section 5741.12 of the Revised Code 59973
and the effects of any rounding pursuant to section 5703.055 of 59974
the Revised Code, no person other than the state or such a county 59975
or transit authority shall derive any benefit from the collection 59976
or payment of such tax. 59977

As used in division (G)(1) of this section, "delivery 59978
charges" means charges by the seller for preparation and delivery 59979
to a location designated by the consumer of tangible personal 59980
property or a service, including transportation, shipping, 59981
postage, handling, crating, and packing. 59982

(2) In the case of watercraft, outboard motors, or new motor 59983
vehicles, "price" has the same meaning as in division (H) of 59984
section 5739.01 of the Revised Code. 59985

(3) In the case of a nonresident business consumer that 59986
purchases and uses tangible personal property outside this state 59987
and subsequently temporarily stores, uses, or otherwise consumes 59988
such tangible personal property in the conduct of business in this 59989
state, the consumer or the tax commissioner may determine the 59990
price based on the value of the temporary storage, use, or other 59991
consumption, in lieu of determining the price pursuant to division 59992
(G)(1) of this section. A price determination made by the consumer 59993
is subject to review and redetermination by the commissioner. 59994

(4) In the case of tangible personal property held in this 59995
state as inventory for sale or lease, and that is temporarily 59996
stored, used, or otherwise consumed in a taxable manner, the price 59997
is the value of the temporary use. A price determination made by 59998
the consumer is subject to review and redetermination by the 59999

commissioner. 60000

(5) In the case of tangible personal property originally 60001
purchased and used by the consumer outside this state, and that 60002
becomes permanently stored, used, or otherwise consumed in this 60003
state more than six months after its acquisition by the consumer, 60004
the consumer or the commissioner may determine the price based on 60005
the current value of such tangible personal property, in lieu of 60006
determining the price pursuant to division (G)(1) of this section. 60007
A price determination made by the consumer is subject to review 60008
and redetermination by the commissioner. 60009

(6) In the case of the purchase or lease of any motor vehicle 60010
designed by the manufacturer to carry a load of not more than one 60011
ton, watercraft, outboard motor, or aircraft, or the lease of any 60012
tangible personal property, other than motor vehicles designed by 60013
the manufacturer to carry a load of more than one ton, to be used 60014
by the lessee primarily for business purposes, the tax shall be 60015
collected by the vendor at the time the lease is consummated and 60016
calculated by the vendor on the basis of the total amount to be 60017
paid by the lessee under the lease agreement. If the total amount 60018
of the consideration for the lease includes amounts that are not 60019
calculated at the time the lease is executed, the tax shall be 60020
calculated and collected by the vendor at the time such amounts 60021
are billed to the lessee. In the case of an open-end lease, the 60022
tax shall be calculated by the vendor on the basis of the total 60023
amount to be paid during the initial fixed term of the lease, and 60024
then for each subsequent renewal period as it comes due. In the 60025
case of a lease with a renewal clause and a termination penalty or 60026
similar provision that applies if the renewal clause is not 60027
exercised, the tax shall be calculated and paid by the vendor on 60028
the basis of the entire length of the lease period, including any 60029
renewal period, until the termination penalty or similar provision 60030
no longer applies. As used in division (G)(6) of this section 60031

only, "motor vehicle" has the same meaning as in section 4501.01 60032
of the Revised Code. 60033

(H) "Nexus with this state" means that the seller engages in 60034
continuous and widespread solicitation of purchases from residents 60035
of this state or otherwise purposefully directs its business 60036
activities at residents of this state. 60037

(I) "Substantial nexus with this state" means that the seller 60038
has sufficient contact with this state, in accordance with Section 60039
8 of Article I of the Constitution of the United States, to allow 60040
the state to require the seller to collect and remit use tax on 60041
sales of tangible personal property or services made to consumers 60042
in this state. "Substantial nexus with this state" exists when the 60043
seller, or another person acting on behalf of the seller, does any 60044

operated by employees or agents of the seller, by a member of an 60047
affiliated group, as described in division (B)(3)(e) of section 60048
5739.01 of the Revised Code, of which the seller is a member, or 60049
by a franchisee using a trade name of the seller; 60050

(2) Regularly has employees, ~~agents,~~ representatives, 60051

maintains a market for the seller; 60055

(3) Uses a person in this state ~~for the purpose of~~ receiving 60056
or processing orders of the seller's goods or services, accepting 60057
returns of merchandise purchased from the seller, or providing 60058
repair or warranty services to the seller's customers; 60059

(4) Makes regular deliveries of tangible personal property 60060
into this state by means other than common carrier, or by common 60061
carrier, if the carrier is a member with the seller in an 60062

<u>affiliated group, as described in division (B)(3)(e) of section</u>	60063
<u>5739.01 of the Revised Code;</u>	60064
(5) Has membership in an affiliated group, as described in	60065
division (B)(3)(e) of section 5739.01 of the Revised Code, at	60066
least one other member of which has substantial nexus with this	60067
state, <u>where the member benefits the seller in any of the</u>	60068
<u>following ways:</u>	60069
<u>(a) Does anything listed in divisions (I)(1) to (8) of this</u>	60070

sales to persons in this state;	60084
(8) Has any other contact with this state that would allow	60085
this state to require the seller to collect and remit use tax	60086
under Section 8 of Article I of the Constitution of the United	60087
States.	60088
(J) "Fiscal officer" means, with respect to a regional	60089
transit authority, the secretary-treasurer thereof, and with	60090
respect to a county which is a transit authority, the fiscal	60091

306.03 of the Revised Code or, if the board of county
commissioners operates the county transit system, the county

section 5740.01 of the Revised Code.

Sec. 5741.02. (A) For the use of the general revenue fund of 60124
the state, an excise tax is hereby levied on the storage, use, or 60125
other consumption in this state of tangible personal property or 60126
the benefit realized in this state of any service provided. The 60127
tax shall be collected pursuant to the schedules in section 60128
5739.025 of the Revised Code. 60129

(B) Each consumer, storing, using, or otherwise consuming in 60130
this state tangible personal property or realizing in this state 60131
the benefit of any service provided, shall be liable for the tax, 60132
and such liability shall not be extinguished until the tax has 60133
been paid to this state; provided, that the consumer shall be 60134
relieved from further liability for the tax if the tax has been 60135
paid to a seller in accordance with section 5741.04 of the Revised 60136
Code or prepaid by the seller in accordance with section 5741.06 60137
of the Revised Code. 60138

(C) The tax does not apply to the storage, use, or 60139
consumption in this state of the following described tangible 60140
personal property or services, nor to the storage, use, or 60141
consumption or benefit in this state of tangible personal property 60142
or services purchased under the following described circumstances: 60143

(1) When the sale of property or service in this state is 60144
subject to the excise tax imposed by sections 5739.01 to 5739.31 60145
of the Revised Code, provided said tax has been paid; 60146

(2) Except as provided in division (D) of this section, 60147
tangible personal property or services, the acquisition of which, 60148
if made in Ohio, would be a sale not subject to the tax imposed by 60149
sections 5739.01 to 5739.31 of the Revised Code; 60150

(3) Property or services, the storage, use, or other 60151
consumption of or benefit from which this state is prohibited from 60152
taxing by the Constitution of the United States, laws of the 60153

United States, or the Constitution of this state. This exemption 60154
shall not exempt from the application of the tax imposed by this 60155
section the storage, use, or consumption of tangible personal 60156
property that was purchased in interstate commerce, but that has 60157
come to rest in this state, provided that fuel to be used or 60158
transported in carrying on interstate commerce that is stopped 60159
within this state pending transfer from one conveyance to another 60160
is exempt from the excise tax imposed by this section and section 60161
5739.02 of the Revised Code; 60162

(4) Transient use of tangible personal property in this state 60163
by a nonresident tourist or vacationer, or a non-business use 60164
within this state by a nonresident of this state, if the property 60165
so used was purchased outside this state for use outside this 60166
state and is not required to be registered or licensed under the 60167
laws of this state; 60168

(5) Tangible personal property or services rendered upon 60169
which taxes have been paid to another jurisdiction to the extent 60170
of the amount of the tax paid to such other jurisdiction. Where 60171
the amount of the tax imposed by this section and imposed pursuant 60172
to section 5741.021, 5741.022, or 5741.023 of the Revised Code 60173
exceeds the amount paid to another jurisdiction, the difference 60174
shall be allocated between the tax imposed by this section and any 60175
tax imposed by a county or a transit authority pursuant to section 60176
5741.021, 5741.022, or 5741.023 of the Revised Code, in proportion 60177
to the respective rates of such taxes. 60178

As used in this subdivision, "taxes paid to another 60179
jurisdiction" means the total amount of retail sales or use tax or 60180
similar tax based upon the sale, purchase, or use of tangible 60181
personal property or services rendered legally, levied by and paid 60182
to another state or political subdivision thereof, or to the 60183
District of Columbia, where the payment of such tax does not 60184
entitle the taxpayer to any refund or credit for such payment. 60185

(6) The transfer of a used manufactured home or used mobile home, as defined by section 5739.0210 of the Revised Code, made on or after January 1, 2000;

(7) Drugs that are or are intended to be distributed free of charge to a practitioner licensed to prescribe, dispense, and administer drugs to a human being in the course of a professional practice and that by law may be dispensed only by or upon the order of such a practitioner.

(D) The tax applies to the storage, use, or other consumption in this state of tangible personal property or services, the acquisition of which at the time of sale was excepted under division (E)(1) of section 5739.01 of the Revised Code from the tax imposed by section 5739.02 of the Revised Code, but which has subsequently been temporarily or permanently stored, used, or otherwise consumed in a taxable manner.

(E) If any transaction is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B)(1) to ~~(11) or (28)~~ (10) of section 5739.02 of the Revised Code, the consumer shall furnish to the seller, and the seller shall obtain from the consumer, a certificate specifying the reason that the transaction is not subject to the tax. If the transaction is claimed to be exempt under division (B)~~(13)~~ (12) of section 5739.02 of the Revised Code, the exemption certificate shall be signed by both the contractor and contractee, and the contractee shall be deemed to be the consumer of all items purchased under the claim of exemption if it is subsequently determined that the exemption is not properly claimed. The certificate shall be in such form as the tax commissioner by rule prescribes. If no certificate is furnished or obtained within the period for filing the return for the period in which the transaction is consummated, it shall be presumed that the tax applies. The failure to have so furnished or

obtained a certificate shall not preclude a seller or consumer 60218
from establishing, within one hundred twenty days of the giving of 60219
notice by the commissioner of intention to levy an assessment, 60220
that the transaction is not subject to the tax. 60221

(F) A seller who files a petition for reassessment contesting 60222
the assessment of tax on transactions for which the seller 60223
obtained no valid exemption certificates and for which the seller 60224
failed to establish that the transactions were not subject to the 60225
tax during the one-hundred-twenty-day period allowed under 60226
division (E) of this section may present to the tax commissioner 60227
additional evidence to prove that the transactions were exempt. 60228
The seller shall file such evidence within ninety days of the 60229
receipt by the seller of the notice of assessment, except that, 60230
upon application and for reasonable cause, the tax commissioner 60231
may extend the period for submitting such evidence thirty days. 60232

(G) For the purpose of the proper administration of sections 60233
5741.01 to 5741.22 of the Revised Code, and to prevent the evasion 60234
of the tax hereby levied, it shall be presumed that any use, 60235
storage, or other consumption of tangible personal property in 60236
this state is subject to the tax until the contrary is 60237
established. 60238

(H)(1) As used in division (H)(2) of this section, 60239
"qualifying affiliated group member" and "another qualifying 60240
affiliated group member" have the same meanings as in division 60241
(D)(6) of section 5739.01 of the Revised Code. 60242

(2) A qualifying affiliated group member that purchases, 60243
leases, or rents tangible personal property from another 60244
qualifying affiliated group member may credit against the tax due 60245
under this section or section 5741.021, 5741.022, or 5741.023 of 60246
the Revised Code, up to the amount of the tax due, any sales, use, 60247
or other similar tax paid to this state or to any other state by 60248
the other qualifying affiliated group member on the purchase, 60249

lease, or rental of the property. 60250

Sec. 5741.25. If any corporation, limited liability company, 60251
or business trust registered or required to be registered under 60252
section 5741.17 of the Revised Code and required to file returns 60253
and remit tax due to the state under this chapter fails for any 60254
reason to make the filing or payment, any of its employees having 60255
control or supervision of or charged with the responsibility of 60256
filing returns and making payments, or any of its officers, 60257
members, managers, or trustees who are responsible for the 60258
execution of the corporation's, limited liability company's, or 60259
business trust's fiscal responsibilities, shall be personally 60260
liable for the failure. The dissolution, termination, or 60261
bankruptcy of a corporation, limited liability company, or 60262
business trust shall not discharge a responsible officer's, 60263
member's, manager's, employee's, or trustee's liability for a 60264
failure of the corporation, limited liability company, or business 60265
trust to file returns or remit tax due. The sum due for the 60266
liability may be collected by assessment in the manner provided in 60267
section 5741.11 or 5741.13 of the Revised Code. 60268

Sec. 5743.02. To provide revenues for the general revenue 60269
fund, an excise tax on sales of cigarettes is hereby levied at the 60270
rate of ~~twenty seven and one half~~ fifty mills on each cigarette. 60271

Only one sale of the same article shall be used in computing 60272
the amount of tax due. 60273

The treasurer of state shall place to the credit of the tax 60274
refund fund created by section 5703.052 of the Revised Code, out 60275
of receipts from the tax levied by this section, amounts equal to 60276
the refunds certified by the tax commissioner pursuant to section 60277
5743.05 of the Revised Code. The balance of taxes collected under 60278
such section, after the credits to the tax refund fund, shall be 60279

paid into the general revenue fund. 60280

Sec. 5743.32. To provide revenue for the general revenue fund 60281
of the state, an excise tax is hereby levied on the use, 60282
consumption, or storage for consumption of cigarettes by consumers 60283
in this state at the rate of ~~twenty seven and one half~~ fifty mills 60284
on each cigarette. The tax shall not apply if the tax levied by 60285
section 5743.02 of the Revised Code has been paid. 60286

The money received into the state treasury from the excise 60287
tax levied by this section shall be credited to the general 60288
revenue fund. 60289

Sec. 5745.01. As used in this chapter: 60290

(A) "Electric company_L" ~~and~~ "combined company_L" and 60291
"telephone company" have the same meanings as in section 5727.01 60292
of the Revised Code. 60293

(B) "Electric light company" has the same meaning as in 60294
section 4928.01 of the Revised Code, and includes the activities 60295
of a combined company as an electric company, but excludes 60296
nonprofit companies and municipal corporations. 60297

(C) "Taxpayer" means ~~an~~ either of the following: 60298

(1) An electric light company subject to taxation by a 60299
municipal corporation in this state for a taxable year, excluding 60300
an electric light company that is not an electric company or a 60301
combined company and for which an election made under section 60302
5745.031 of the Revised Code is not in effect with respect to the 60303
taxable year. If such a company is a qualified subchapter S 60304
subsidiary as defined in section 1361 of the Internal Revenue Code 60305
or a disregarded entity, the company's parent S corporation or 60306
owner is the taxpayer for the purposes of this chapter and is 60307
hereby deemed to have nexus with this state under the Constitution 60308
of the United States for the purposes of this chapter. 60309

(2) A telephone company subject to taxation by a municipal corporation in this state for a taxable year. A telephone company is subject to taxation under this chapter for any taxable year that begins on or after January 1, 2004. A telephone company with a taxable year beginning in 2003 and ending in 2004 shall compute the tax imposed under this chapter by multiplying the tax owed by the number of days in the taxable year that are in 2004, and dividing that result by the total number of days in the taxable year.

(D) "Disregarded entity" means an entity that, for its taxable year, is by default, or has elected to be, disregarded as an entity separate from its owner pursuant to 26 C.F.R. 301.7701-3.

(E) "Taxable year" of a taxpayer is the taxpayer's taxable year for federal income tax purposes.

(F) "Federal taxable income" means taxable income, before operating loss deduction and special deductions, as required to be reported for the taxpayer's taxable year under the Internal Revenue Code.

(G) "Adjusted federal taxable income" means federal taxable income adjusted as follows:

(1) Deduct intangible income as defined in section 718.01 of the Revised Code to the extent included in federal taxable income;

(2) Add expenses incurred in the production of such intangible income;

(3) If, with respect to a qualifying taxpayer and a qualifying asset there occurs a qualifying taxable event, the qualifying taxpayer shall reduce its federal taxable income, as defined in division (F) of this section, by the amount of the ~~book-tax differential~~ difference for that qualifying asset if the

book-tax ~~differential~~ difference is greater than zero, and shall 60340
increase its federal taxable income by the absolute value of the 60341
amount of the book-tax ~~differential~~ difference for that qualifying 60342
asset if the book-tax ~~differential~~ difference is less than zero. 60343
The adjustments provided in division (G)(3) of this section are 60344
subject to divisions (B)(3), (4), and (5) of section 5733.0510 of 60345
the Revised Code to the extent those divisions apply to the 60346
adjustments in that section for the taxable year. A taxpayer shall 60347
not deduct or add any amount under division (G)(3) of this section 60348
with respect to a qualifying asset the sale, exchange, or other 60349
disposition of which resulted in the recognition of a gain or loss 60350
that the taxpayer deducted or added, respectively, under division 60351
(G)(1) or (2) of this section. 60352

For the purposes of division (G)(3) of this section, "~~net~~ 60353
~~income~~" ~~has the same meaning as in section 5733.04 of the Revised~~ 60354
~~Code, and~~ "book-tax ~~differential~~ difference," "qualifying 60355
taxpayer," "qualifying asset," and "qualifying taxable event" have 60356
the same meanings as in section 5733.0510 of the Revised Code. 60357

(4) Add the amounts described in section 5745.042 of the 60358
Revised Code. 60359

If the taxpayer is not a C corporation or an individual, the 60360
taxpayer shall compute "adjusted federal taxable income" as if the 60361
taxpayer were a C corporation, but with respect to each 60362
owner-employee of the taxpayer, amounts paid or accrued to a 60363
qualified self-employed retirement plan and amounts paid or 60364
accrued to health insurance or life insurance shall not be allowed 60365
as a deduction. Nothing in this division shall be construed as 60366
allowing the taxpayer to deduct any amount more than once. 60367

(H) "Internal Revenue Code" means the "Internal Revenue Code 60368
of 1986," 100 Stat. 2085, 26 U.S.C.A. 1, as ~~amended~~ it existed on 60369
December 31, 2001. 60370

(I) "Ohio net income" means the amount determined under 60371
division (B) of section 5745.02 of the Revised Code. 60372

Sec. 5745.02. (A) The annual report filed under section 60373
5745.03 of the Revised Code determines a taxpayer's Ohio net 60374
income and the portion of Ohio net income to be apportioned to a 60375
municipal corporation. 60376

(B) A taxpayer's Ohio net income is determined by multiplying 60377
the taxpayer's adjusted federal taxable income by the sum of the 60378
property factor multiplied by one-third, the payroll factor 60379
multiplied by one-third, and the sales factor multiplied by 60380
one-third. If the denominator of one of the factors is zero, the 60381
remaining two factors each shall be multiplied by one-half instead 60382
of one-third; if the denominator of two of the factors is zero, 60383
the remaining factor shall be multiplied by one. The property, 60384
payroll, and sales factors shall be determined in the manner 60385
prescribed by divisions (B)(1), (2), and (3) of this section. 60386

(1) The property factor is a fraction, the numerator of which 60387
is the average value of the taxpayer's real and tangible personal 60388
property owned or rented, and used in business in this state 60389
during the taxable year, and the denominator of which is the 60390
average value of all the taxpayer's real and tangible personal 60391
property owned or rented, and used in business everywhere during 60392
such year. Property owned by the taxpayer is valued at its 60393
original cost. Property rented by the taxpayer is valued at eight 60394
times the net annual rental rate. "Net annual rental rate" means 60395
the annual rental rate paid by the taxpayer less any annual rental 60396
rate received by the taxpayer from subrentals. The average value 60397
of property shall be determined by averaging the values at the 60398
beginning and the end of the taxable year, but the tax 60399
commissioner may require the averaging of monthly values during 60400
the taxable year, if reasonably required to reflect properly the 60401

average value of the taxpayer's property. 60402

(2) The payroll factor is a fraction, the numerator of which 60403
is the total amount paid in this state during the taxable year by 60404
the taxpayer for compensation, and the denominator of which is the 60405
total compensation paid everywhere by the taxpayer during such 60406
year. Compensation means any form of remuneration paid to an 60407
employee for personal services. Compensation is paid in this state 60408
if: (a) the recipient's service is performed entirely within this 60409
state, (b) the recipient's service is performed both within and 60410
without this state, but the service performed without this state 60411
is incidental to the recipient's service within this state, or (c) 60412
some of the service is performed within this state and either the 60413
base of operations, or if there is no base of operations, the 60414
place from which the service is directed or controlled is within 60415
this state, or the base of operations or the place from which the 60416
service is directed or controlled is not in any state in which 60417
some part of the service is performed, but the recipient's 60418
residence is in this state. 60419

(3) The sales factor is a fraction, the numerator of which is 60420
the total sales in this state by the taxpayer during the taxable 60421
year, and the denominator of which is the total sales by the 60422
taxpayer everywhere during such year. Sales of electricity shall 60423
be situated to this state in the manner provided under section 60424
5733.059 of the Revised Code. In determining the numerator and 60425
denominator of the sales factor, receipts from the sale or other 60426
disposal of a capital asset or an asset described in section 1231 60427
of the Internal Revenue Code shall be eliminated. Also, in 60428
determining the numerator and denominator of the sales factor, in 60429
the case of a reporting taxpayer owning at least eighty per cent 60430
of the issued and outstanding common stock of one or more 60431
insurance companies or public utilities, except an electric 60432
company, a combined company, or a telephone company, or owning at 60433

least twenty-five per cent of the issued and outstanding common 60434
stock of one or more financial institutions, receipts received by 60435
the reporting taxpayer from such utilities, insurance companies, 60436
and financial institutions shall be eliminated. 60437

For the purpose of division (B)(3) of this section, sales of 60438
tangible personal property are in this state where such property 60439
is received in this state by the purchaser. In the case of 60440
delivery of tangible personal property by common carrier or by 60441
other means of transportation, the place at which such property is 60442
ultimately received after all transportation has been completed 60443
shall be considered as the place at which such property is 60444
received by the purchaser. Direct delivery in this state, other 60445
than for purposes of transportation, to a person or firm 60446
designated by a purchaser constitutes delivery to the purchaser in 60447
this state, and direct delivery outside this state to a person or 60448
firm designated by a purchaser does not constitute delivery to the 60449
purchaser in this state, regardless of where title passes or other 60450
conditions of sale. 60451

Sales, other than sales of electricity or tangible personal 60452
property, are in this state if either the income-producing 60453
activity is performed solely in this state, or the 60454
income-producing activity is performed both within and without 60455
this state and a greater proportion of the income-producing 60456
activity is performed within this state than in any other state, 60457
based on costs of performance. 60458

(C) The portion of a taxpayer's Ohio net income taxable by 60459
each municipal corporation imposing an income tax shall be 60460
determined by multiplying the taxpayer's Ohio net income by the 60461
sum of the municipal property factor multiplied by one-third, the 60462
municipal payroll factor multiplied by one-third, and the 60463
municipal sales factor multiplied by one-third, and subtracting 60464
from the product so obtained any "municipal net operating loss 60465

carryforward from prior taxable years." If the denominator of one 60466
of the factors is zero, the remaining two factors each shall be 60467
multiplied by one-half instead of one-third; if the denominator of 60468
two of the factors is zero, the remaining factor shall be 60469
multiplied by one. In calculating the "municipal net operating 60470
loss carryforward from prior taxable years" for each municipal 60471
corporation, net operating losses are apportioned in and out of a 60472
municipal corporation for the taxable year in which the net 60473
operating loss occurs in the same manner that positive net income 60474
would have been so apportioned. Any net operating loss for a 60475
municipal corporation may be applied to subsequent net income in 60476
that municipal corporation to reduce that income to zero or until 60477
the net operating loss has been fully used as a deduction. The 60478
unused portion of net operating losses for each taxable year 60479
apportioned to a municipal corporation may only be applied against 60480
the income apportioned to that municipal corporation for five 60481
subsequent taxable years. Net operating losses occurring in 60482
taxable years ending before 2002 may not be subtracted under this 60483
section. 60484

A taxpayer's municipal property, municipal payroll, and 60485
municipal sales factors for a municipal corporation shall be 60486
determined as provided in divisions (C)(1), (2), and (3) of this 60487
section. 60488

(1) The municipal property factor is the quotient obtained by 60489
dividing (a) the average value of real and tangible personal 60490
property owned or rented by the taxpayer and used in business in 60491
the municipal corporation during the taxable year by (b) the 60492
average value of all of the taxpayer's real and tangible personal 60493
property owned or rented and used in business during that taxable 60494
year in this state. The value and average value of such property 60495
shall be determined in the same manner provided in division (B)(1) 60496
of this section. 60497

(2) The municipal payroll factor is the quotient obtained by 60498
dividing (a) the total amount of compensation earned in the 60499
municipal corporation by the taxpayer's employees during the 60500
taxable year for services performed for the taxpayer and that is 60501
subject to income tax withholding by the municipal corporation by 60502
(b) the total amount of compensation paid by the taxpayer to its 60503
employees in this state during the taxable year. Compensation has 60504
the same meaning as in division (B)(2) of this section. 60505

(3) The municipal sales factor is a fraction, the numerator 60506
of which is the taxpayer's total sales in a municipal corporation 60507
during the taxable year, and the denominator of which is the 60508
taxpayer's total sales in this state during such year. 60509

For the purpose of division (C)(3) of this section, sales of 60510
tangible personal property are in the municipal corporation where 60511
such property is received in the municipal corporation by the 60512
purchaser. Sales of electricity directly to the consumer, as 60513
defined in section 5733.059 of the Revised Code, shall be 60514
considered sales of tangible personal property. In the case of the 60515
delivery of tangible personal property by common carrier or by 60516
other means of transportation, the place at which such property 60517
ultimately is received after all transportation has been completed 60518
shall be considered as the place at which the property is received 60519
by the purchaser. Direct delivery in the municipal corporation, 60520
other than for purposes of transportation, to a person or firm 60521
designated by a purchaser constitutes delivery to the purchaser in 60522
that municipal corporation, and direct delivery outside the 60523
municipal corporation to a person or firm designated by a 60524
purchaser does not constitute delivery to the purchaser in that 60525
municipal corporation, regardless of where title passes or other 60526
conditions of sale. Sales, other than sales of tangible personal 60527
property, are in the municipal corporation if either: 60528

(a) The income-producing activity is performed solely in the 60529

municipal corporation; 60530

(b) The income-producing activity is performed both within 60531
and without the municipal corporation and a greater proportion of 60532
the income-producing activity is performed within that municipal 60533
corporation than any other location in this state, based on costs 60534
of performance. 60535

(D) If a taxpayer is a combined company as defined in section 60536
5727.01 of the Revised Code, the municipal property, payroll, and 60537
sales factors under division (C) of this section shall be adjusted 60538
as follows: 60539

(1) The numerator of the municipal property factor shall 60540
include only the value, as determined under division (C)(1) of 60541
this section, of the company's real and tangible property in the 60542
municipal corporation attributed to the company's activity as an 60543
electric company using the same methodology prescribed under 60544
section 5727.03 of the Revised Code for taxable tangible personal 60545
property. 60546

(2) The numerator of the municipal payroll factor shall 60547
include only compensation paid in the municipal corporation by the 60548
company to its employees for personal services rendered in the 60549
company's activity as an electric company. 60550

(3) The numerator of the municipal sales factor shall include 60551
only the sales of tangible personal property and services, as 60552
determined under division (C)(3) of this section, made in the 60553
municipal corporation in the course of the company's activity as 60554
an electric company. 60555

(E)(1) If the provisions for apportioning adjusted federal 60556
taxable income or Ohio net income under ~~division~~ divisions (B), 60557
(C), and (D) of this section do not fairly represent business 60558
activity in this state or among municipal corporations, the tax 60559
commissioner may adopt rules for apportioning such income by an 60560

alternative method that fairly represents business activity in 60561
this state or among municipal corporations. 60562

(2) If any of the factors determined under division (B), (C), 60563
or (D) of this section does not fairly represent the extent of a 60564
taxpayer's business activity in this state or among municipal 60565
corporations, the taxpayer may request, or the tax commissioner 60566
may require, that the taxpayer's adjusted federal taxable income 60567
or Ohio net income be determined by an alternative method, 60568
including any of the alternative methods enumerated in division 60569
(B)(2)(d) of section 5733.05 of the Revised Code. A taxpayer 60570
requesting an alternative method shall make the request in writing 60571
to the tax commissioner either with the annual report, a timely 60572
filed amended report, or a timely filed petition for reassessment. 60573
When the tax commissioner requires or permits an alternative 60574
method under division (E)(2) of this section, the tax commissioner 60575
shall cause a written notice to that effect to be delivered to any 60576
municipal corporation that would be affected by application of the 60577
alternative method. Nothing in this division shall be construed to 60578
extend any statute of limitations under this chapter. 60579

(F)(1) The tax commissioner may adopt rules providing for the 60580
combination of adjusted federal taxable incomes of taxpayers 60581
satisfying the ownership or control requirements of section 60582
5733.052 of the Revised Code if the tax commissioner finds that 60583
such combinations are necessary to properly reflect adjusted 60584
federal taxable income, Ohio net income, or the portion of Ohio 60585
net income to be taxable by municipal corporations. 60586

(2) A taxpayer satisfying the ownership or control 60587
requirements of section 5733.052 of the Revised Code with respect 60588
to one or more other taxpayers may not combine their adjusted 60589
federal taxable incomes for the purposes of this section unless 60590
rules are adopted under division (F)(1) of this section allowing 60591
such a combination or the tax commissioner finds that such a 60592

combination is necessary to properly reflect the taxpayers' 60593
adjusted federal taxable incomes, Ohio net incomes, or the portion 60594
of Ohio net incomes to be subject to taxation within a municipal 60595
corporation. 60596

Sec. 5745.04. (A) As used in this section, "combined tax 60597
liability" means the total of a taxpayer's income tax liabilities 60598
to all municipal corporations in this state for a taxable year. 60599

(B) Beginning with its taxable year beginning in 2003, each 60600
taxpayer shall file a declaration of estimated tax report with, 60601
and remit estimated taxes to, the tax commissioner, payable to the 60602
treasurer of state, at the times and in the amounts prescribed in 60603
divisions (B)(1) to (4) of this section. This division also 60604
applies to a taxpayer having a taxable year consisting of fewer 60605
than twelve months, at least one of which is in 2002, that ends 60606
before January 1, 2003. The first taxable year a taxpayer is 60607
subject to this chapter, the estimated taxes the taxpayer is 60608
required to remit under this section shall be based solely on the 60609
current taxable year and not on the liability for the preceding 60610
taxable year. 60611

(1) Not less than twenty-five per cent of the combined tax 60612
liability for the preceding taxable year or twenty per cent of the 60613
combined tax liability for the current taxable year shall have 60614
been remitted not later than the fifteenth day of the fourth month 60615
after the end of the preceding taxable year. 60616

(2) Not less than fifty per cent of the combined tax 60617
liability for the preceding taxable year or forty per cent of the 60618
combined tax liability for the current taxable year shall have 60619
been remitted not later than the fifteenth day of the sixth month 60620
after the end of the preceding taxable year. 60621

(3) Not less than seventy-five per cent of the combined tax 60622
liability for the preceding taxable year or sixty per cent of the 60623

combined tax liability for the current taxable year shall have 60624
been remitted not later than the fifteenth day of the ninth month 60625
after the end of the preceding taxable year. 60626

(4) Not less than one hundred per cent of the combined tax 60627
liability for the preceding taxable year or eighty per cent of the 60628
combined tax liability for the current taxable year shall have 60629
been remitted not later than the fifteenth day of the twelfth 60630
month after the end of the preceding taxable year. 60631

(C) Each taxpayer shall report on the declaration of 60632
estimated tax report the portion of the remittance that the 60633
taxpayer estimates that it owes to each municipal corporation for 60634
the taxable year. 60635

(D) Upon receiving a declaration of estimated tax report and 60636
remittance of estimated taxes under this section, the tax 60637
commissioner shall immediately forward to the treasurer of state 60638
such remittance. The treasurer of state shall credit ninety-eight 60639
and one-half per cent of the remittance to the municipal income 60640
tax fund and credit the remainder to the municipal income tax 60641
administrative fund. 60642

(E) If any remittance of estimated taxes is for one thousand 60643
dollars or more, the taxpayer shall make the remittance by 60644
electronic funds transfer as prescribed by section 5745.04 of the 60645
Revised Code. 60646

(F) Notwithstanding section 5745.08 or 5745.09 of the Revised 60647
Code, no penalty or interest shall be imposed on a taxpayer if the 60648
declaration of estimated tax report is properly filed, and the 60649
estimated tax is paid, within the time prescribed by division (B) 60650
of this section. 60651

Sec. 5745.042. (A) As used in this section: 60652

(1) "Intangible expenses and costs" means expenses, losses, 60653

and costs for, related to, or in connection with, the direct or 60654
indirect acquisition, use, maintenance, management, ownership, 60655
sale, exchange, or any other direct or indirect disposition of 60656
intangible property to the extent such amounts are allowed as 60657
deductions or costs in determining taxable income before operating 60658
loss deduction and special deductions for the taxable year under 60659
the Internal Revenue Code. Such expenses and costs include losses 60660
related to, or incurred in connection with, factoring 60661
transactions, discounting transactions, royalty, patent, 60662
technical, copyright, and licensing fees, and other similar 60663
expenses and costs. 60664

(2) "Interest expenses and costs" include amounts directly or 60665
indirectly allowed as deductions under section 163 of the Internal 60666
Revenue Code for purposes of determining taxable income. 60667

(3) "Related member" has the same meaning as in section 60668
5733.042 of the Revised Code. 60669

(B) Except as otherwise provided in section 5745.044 of the 60670
Revised Code, for taxable years beginning on or after January 1, 60671
2004, in computing adjusted federal taxable income under division 60672
(H)(4) of section 5745.01 of the Revised Code, a taxpayer shall 60673
add interest expenses and costs and intangible expenses and costs 60674
directly or indirectly paid, accrued, or incurred to, or in 60675
connection with, one or more direct or indirect transactions with 60676
one or more related members. The taxpayer shall make the 60677
adjustment required under this division in accordance with the 60678
principles and concepts set forth in section 5733.057 of the 60679
Revised Code. 60680

(C)(1) Division (B) of this section does not apply to any 60681
portion of interest expenses and costs and intangible expenses and 60682
costs for which the taxpayer can establish by a preponderance of 60683
the evidence that: 60684

(a) The related member during the same taxable year directly or indirectly paid, accrued, or incurred such portion to a person who is not a related member, and during the six-year period commencing three years prior to the first day of the taxpayer's taxable year the person or the person's related member did not pay, accrue, or incur all or any portion, amount, or similar portion of such expenses or costs to the taxpayer or to any related member of the taxpayer; and 60685
60686
60687
60688
60689
60690
60691
60692

(b) The transaction giving rise to the interest expenses and costs or the intangible expenses and costs between the taxpayer and the related member did not have as a principal purpose the avoidance of any portion of the tax due by the taxpayer. 60693
60694
60695
60696

(2) A taxpayer shall not be required to make any adjustment required under division (B) of this section if the increased tax, if any, attributable to such adjustment would have been avoided had the taxpayer, the related member, and any other related members to whom the taxpayer's related member pays, accrues, or incurs the expenses and costs had filed a consolidated municipal income tax return. 60697
60698
60699
60700
60701
60702
60703

(D) If a taxpayer required to make an adjustment under division (B) of this section fails to make the adjustment and pay the additional tax, if any, attributable to such adjustment within one year after the taxpayer files the municipal income tax report, a penalty shall be imposed equal to twice the interest charged under section 5745.07 of the Revised Code. The penalty imposed under this division is in addition to all other interest, penalties, and other charges imposed under this chapter. 60704
60705
60706
60707
60708
60709
60710
60711

(E) The tax commissioner may waive, abate, modify, or refund, with interest, all or any portion of a penalty imposed under division (D) of this section if the taxpayer establishes beyond a reasonable doubt that any failure to fully comply with this 60712
60713
60714
60715

section was not an attempt to avoid any portion of the tax due 60716
under this chapter. 60717

(F)(1) As used in this division, "tax difference" means the 60718
difference between the tax imposed on a taxpayer under section 60719
5733.06 of the Revised Code and the amount of tax attributable to 60720
the adjustment required under division (B) of this section that 60721
the taxpayer pays within one year from the date prescribed for 60722
payment. 60723

(2) The penalty created under division (D) of this section 60724
does not apply if the tax difference: 60725

(a) Is less than ten per cent of the tax imposed under this 60726
chapter; and 60727

(b) Is less than fifty thousand dollars. 60728

(G) Nothing in this section shall be construed as requiring a 60729
taxpayer to add interest expenses and costs and intangible 60730
expenses and costs to federal taxable income more than once in any 60731
taxable year. 60732

Sec. 5745.044. (A)(1) As used in this section, "federal 60733
income tax return" does not include any return filed for purposes 60734
of reporting withholding taxes, providing information rather than 60735
reporting income tax liability, or claiming the benefits of a tax 60736
treaty between the United States and another government. 60737

(2) "Federal income tax" does not include withholding taxes. 60738

(3) "Related member" has the same meaning as in section 60739
5733.042 of the Revised Code. 60740

(B) The adjustments required under division (B) of section 60741
5745.042 of the Revised Code for interest expenses and costs and 60742
intangible expenses and costs paid to a related member do not 60743
apply to a C corporation for the taxable year if the C corporation 60744
establishes all of the following by clear and convincing evidence: 60745

(1) The corporation paid the expenses and costs to the related member either directly or through a related member that did not charge the corporation a fee; 60746
60747
60748

(2) The expenses and costs were paid to a related member that, for the six-year period beginning three years prior to the payment, was not subject to federal income tax with respect to the payment and was not required to file a federal income tax return with the internal revenue service for purposes of reporting the payment; 60749
60750
60751
60752
60753
60754

(3) During the six-year period beginning three years prior to the payment, the related member did not directly or indirectly remit any portion of the payment to any other related member that during any portion of the six-year period was subject to federal income tax with respect to the payment and was required to file a federal income tax return with the internal revenue service for purposes of reporting the payment; 60755
60756
60757
60758
60759
60760
60761

(4) In calculating its federal income tax for the taxable year in which the payment occurred, the corporation is allowed to deduct the payment under an advanced pricing agreement between the corporation and the internal revenue service, it has satisfied the documentation requirements of sections 482 and 6662(e) of the Internal Revenue Code, or it has complied with section 482 of the Internal Revenue Code; and 60762
60763
60764
60765
60766
60767
60768

(5) The transaction giving rise to the payment did not have as a principal purpose the avoidance of any portion of the tax due under this chapter. 60769
60770
60771

(C) A corporation claiming that the adjustments required under division (B) of section 5745.042 of the Revised Code do not apply to it must refute by clear and convincing evidence any reasonable conclusion of the tax commissioner that any of the doctrines set forth in section 5703.56 of the Revised Code should 60772
60773
60774
60775
60776

apply. 60777

(D) If a corporation makes a payment to a related member and the payment is processed or paid through another related member as described in division (B)(1) of this section, this section applies only to the corporation's pro rata share of the total payments made by all such related members during the taxable year, unless the corporation establishes by clear and convincing evidence that its actual payment to the related member was more than its pro rata share. 60778
60779
60780
60781
60782
60783
60784
60785

(E) Any adjustments made by the internal revenue service with respect to any related member of the corporation under an advanced pricing agreement or section 482 of the Internal Revenue Code shall be presumed to be adjustments properly attributed to the corporation, unless the corporation establishes by clear and convincing evidence that the adjustment should be attributed, in whole or in part, to another person. 60786
60787
60788
60789
60790
60791
60792

(F) If any corporation claims the benefit provided under division (B) of this section and is not entitled to such benefit, any adjustment required by section 5745.042 of the Revised Code shall be increased by an amount equal to twice the amount of the adjustment, unless the adjustment was made under an advanced pricing agreement. 60793
60794
60795
60796
60797
60798

Sec. 5747.01. Except as otherwise expressly provided or clearly appearing from the context, any term used in this chapter has the same meaning as when used in a comparable context in the Internal Revenue Code, and all other statutes of the United States relating to federal income taxes. 60799
60800
60801
60802
60803

As used in this chapter: 60804

(A) "Adjusted gross income" or "Ohio adjusted gross income" means federal adjusted gross income, as defined and used in the 60805
60806

Internal Revenue Code, adjusted as provided in this section: 60807

(1) Add interest or dividends on obligations or securities of 60808
any state or of any political subdivision or authority of any 60809
state, other than this state and its subdivisions and authorities. 60810

(2) Add interest or dividends on obligations of any 60811
authority, commission, instrumentality, territory, or possession 60812
of the United States to the extent that the interest or dividends 60813
are exempt from federal income taxes but not from state income 60814
taxes. 60815

(3) Deduct interest or dividends on obligations of the United 60816
States and its territories and possessions or of any authority, 60817
commission, or instrumentality of the United States to the extent 60818
that the interest or dividends are included in federal adjusted 60819
gross income but exempt from state income taxes under the laws of 60820
the United States. 60821

(4) Deduct disability and survivor's benefits to the extent 60822
included in federal adjusted gross income. 60823

(5) Deduct benefits under Title II of the Social Security Act 60824
and tier 1 railroad retirement benefits to the extent included in 60825
federal adjusted gross income under section 86 of the Internal 60826
Revenue Code. 60827

(6) In the case of a taxpayer who is a beneficiary of a trust 60828
that makes an accumulation distribution as defined in section 665 60829
of the Internal Revenue Code, add, for the beneficiary's taxable 60830
years beginning before 2002 ~~or after 2004~~, the portion, if any, of 60831
such distribution that does not exceed the undistributed net 60832
income of the trust for the three taxable years preceding the 60833
taxable year in which the distribution is made to the extent that 60834
the portion was not included in the trust's taxable income for any 60835
of the trust's taxable years beginning in or after 2002, ~~2003, or~~ 60836
~~2004~~. "Undistributed net income of a trust" means the taxable 60837

income of the trust increased by (a)(i) the additions to adjusted 60838
gross income required under division (A) of this section and (ii) 60839
the personal exemptions allowed to the trust pursuant to section 60840
642(b) of the Internal Revenue Code, and decreased by (b)(i) the 60841
deductions to adjusted gross income required under division (A) of 60842
this section, (ii) the amount of federal income taxes attributable 60843
to such income, and (iii) the amount of taxable income that has 60844
been included in the adjusted gross income of a beneficiary by 60845
reason of a prior accumulation distribution. Any undistributed net 60846
income included in the adjusted gross income of a beneficiary 60847
shall reduce the undistributed net income of the trust commencing 60848
with the earliest years of the accumulation period. 60849

(7) Deduct the amount of wages and salaries, if any, not 60850
otherwise allowable as a deduction but that would have been 60851
allowable as a deduction in computing federal adjusted gross 60852
income for the taxable year, had the targeted jobs credit allowed 60853
and determined under sections 38, 51, and 52 of the Internal 60854
Revenue Code not been in effect. 60855

(8) Deduct any interest or interest equivalent on public 60856
obligations and purchase obligations to the extent that the 60857
interest or interest equivalent is included in federal adjusted 60858
gross income. 60859

(9) Add any loss or deduct any gain resulting from the sale, 60860
exchange, or other disposition of public obligations to the extent 60861
that the loss has been deducted or the gain has been included in 60862
computing federal adjusted gross income. 60863

(10) Deduct or add amounts, as provided under section 5747.70 60864
of the Revised Code, related to contributions to variable college 60865
savings program accounts made or tuition credits purchased 60866
pursuant to Chapter 3334. of the Revised Code. 60867

(11)(a) Deduct, to the extent not otherwise allowable as a 60868

deduction or exclusion in computing federal or Ohio adjusted gross 60869
income for the taxable year, the amount the taxpayer paid during 60870
the taxable year for medical care insurance and qualified 60871
long-term care insurance for the taxpayer, the taxpayer's spouse, 60872
and dependents. No deduction for medical care insurance under 60873
division (A)(11) of this section shall be allowed either to any 60874
taxpayer who is eligible to participate in any subsidized health 60875
plan maintained by any employer of the taxpayer or of the 60876
taxpayer's spouse, or to any taxpayer who is entitled to, or on 60877
application would be entitled to, benefits under part A of Title 60878
XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 60879
301, as amended. For the purposes of division (A)(11)(a) of this 60880
section, "subsidized health plan" means a health plan for which 60881
the employer pays any portion of the plan's cost. The deduction 60882
allowed under division (A)(11)(a) of this section shall be the net 60883
of any related premium refunds, related premium reimbursements, or 60884
related insurance premium dividends received during the taxable 60885
year. 60886

(b) Deduct, to the extent not otherwise deducted or excluded 60887
in computing federal or Ohio adjusted gross income during the 60888
taxable year, the amount the taxpayer paid during the taxable 60889
year, not compensated for by any insurance or otherwise, for 60890
medical care of the taxpayer, the taxpayer's spouse, and 60891
dependents, to the extent the expenses exceed seven and one-half 60892
per cent of the taxpayer's federal adjusted gross income. 60893

(c) For purposes of division (A)(11) of this section, 60894
"medical care" has the meaning given in section 213 of the 60895
Internal Revenue Code, subject to the special rules, limitations, 60896
and exclusions set forth therein, and "qualified long-term care" 60897
has the same meaning given in section 7702(B)(b) of the Internal 60898
Revenue Code. 60899

(12)(a) Deduct any amount included in federal adjusted gross 60900

income solely because the amount represents a reimbursement or 60901
refund of expenses that in any year the taxpayer had deducted as 60902
an itemized deduction pursuant to section 63 of the Internal 60903
Revenue Code and applicable United States department of the 60904
treasury regulations. The deduction otherwise allowed under 60905
division (A)(12)(a) of this section shall be reduced to the extent 60906
the reimbursement is attributable to an amount the taxpayer 60907
deducted under this section in any taxable year. 60908

(b) Add any amount not otherwise included in Ohio adjusted 60909
gross income for any taxable year to the extent that the amount is 60910
attributable to the recovery during the taxable year of any amount 60911
deducted or excluded in computing federal or Ohio adjusted gross 60912
income in any taxable year. 60913

(13) Deduct any portion of the deduction described in section 60914
1341(a)(2) of the Internal Revenue Code, for repaying previously 60915
reported income received under a claim of right, that meets both 60916
of the following requirements: 60917

(a) It is allowable for repayment of an item that was 60918
included in the taxpayer's adjusted gross income for a prior 60919
taxable year and did not qualify for a credit under division (A) 60920
or (B) of section 5747.05 of the Revised Code for that year; 60921

(b) It does not otherwise reduce the taxpayer's adjusted 60922
gross income for the current or any other taxable year. 60923

(14) Deduct an amount equal to the deposits made to, and net 60924
investment earnings of, a medical savings account during the 60925
taxable year, in accordance with section 3924.66 of the Revised 60926
Code. The deduction allowed by division (A)(14) of this section 60927
does not apply to medical savings account deposits and earnings 60928
otherwise deducted or excluded for the current or any other 60929
taxable year from the taxpayer's federal adjusted gross income. 60930

(15)(a) Add an amount equal to the funds withdrawn from a 60931

medical savings account during the taxable year, and the net 60932
investment earnings on those funds, when the funds withdrawn were 60933
used for any purpose other than to reimburse an account holder 60934
for, or to pay, eligible medical expenses, in accordance with 60935
section 3924.66 of the Revised Code; 60936

(b) Add the amounts distributed from a medical savings 60937
account under division (A)(2) of section 3924.68 of the Revised 60938
Code during the taxable year. 60939

(16) Add any amount claimed as a credit under section 60940
5747.059 of the Revised Code to the extent that such amount 60941
satisfies either of the following: 60942

(a) The amount was deducted or excluded from the computation 60943
of the taxpayer's federal adjusted gross income as required to be 60944
reported for the taxpayer's taxable year under the Internal 60945
Revenue Code; 60946

(b) The amount resulted in a reduction of the taxpayer's 60947
federal adjusted gross income as required to be reported for any 60948
of the taxpayer's taxable years under the Internal Revenue Code. 60949

(17) Deduct the amount contributed by the taxpayer to an 60950
individual development account program established by a county 60951
department of job and family services pursuant to sections 329.11 60952
to 329.14 of the Revised Code for the purpose of matching funds 60953
deposited by program participants. On request of the tax 60954
commissioner, the taxpayer shall provide any information that, in 60955
the tax commissioner's opinion, is necessary to establish the 60956
amount deducted under division (A)(17) of this section. 60957

(18) Beginning in taxable year 2001, if the taxpayer is 60958
married and files a joint return and the combined federal adjusted 60959
gross income of the taxpayer and the taxpayer's spouse for the 60960
taxable year does not exceed one hundred thousand dollars, or if 60961
the taxpayer is single and has a federal adjusted gross income for 60962

the taxable year not exceeding fifty thousand dollars, deduct 60963

to add or deduct under division (A)(20) or (21) of this section if 61355
the taxpayer's Ohio taxable income were computed in the same 61356
manner as an individual's Ohio adjusted gross income is computed 61357
under this section. In the case of a trust, division (S)(14) of 61358
this section applies only to any of the trust's taxable years 61359

section 5709.76 of the Revised Code. 61366

(V) "Limited liability company" means any limited liability 61367
company formed under Chapter 1705. of the Revised Code or under 61368
the laws of any other state. 61369

(W) "Pass-through entity investor" means any person who, 61370
during any portion of a taxable year of a pass-through entity, is 61371
a partner, member, shareholder, or equity investor in that 61372
pass-through entity. 61373

(X) "Banking day" has the same meaning as in section 1304.01 61374
of the Revised Code. 61375

(Y) "Month" means a calendar month. 61376

(Z) "Quarter" means the first three months, the second three 61377
months, the third three months, or the last three months of the 61378
taxpayer's taxable year. 61379

(AA)(1) "Eligible institution" means a state university or 61380
state institution of higher education as defined in section 61381
3345.011 of the Revised Code, or a private, nonprofit college, 61382
university, or other post-secondary institution located in this 61383
state that possesses a certificate of authorization issued by the 61384
Ohio board of regents pursuant to Chapter 1713. of the Revised 61385
Code or a certificate of registration issued by the state board of 61386
proprietary school registration under Chapter 3332. of the Revised 61387
Code. 61388

(2) "Qualified tuition and fees" means tuition and fees 61389
imposed by an eligible institution as a condition of enrollment or 61390
attendance, not exceeding two thousand five hundred dollars in 61391
each of the individual's first two years of post-secondary 61392
education. If the individual is a part-time student, "qualified 61393
tuition and fees" includes tuition and fees paid for the academic 61394
equivalent of the first two years of post-secondary education 61395
during a maximum of five taxable years, not exceeding a total of 61396

five thousand dollars. "Qualified tuition and fees" does not
include:

(a) Expenses for any course or activity involving sports,
games, or hobbies unless the course or activity is part of the
individual's degree or diploma program;

(b) The cost of books, room and board, student activity fees,
athletic fees, insurance expenses, or other expenses unrelated to
the individual's academic course of instruction;

(c) Tuition, fees, or other expenses paid or reimbursed
through an employer, scholarship, grant in aid, or other
educational benefit program.

(BB)(1) "Modified business income" means the business income
included in a trust's Ohio taxable income after such taxable
income is first reduced by the qualifying trust amount, if any.

(2) "Qualifying trust amount" of a trust means capital gains
and losses from the sale, exchange, or other disposition of equity
or ownership interests in, or debt obligations of, a qualifying
investee to the extent included in the trust's Ohio taxable
income, but only if the following requirements are satisfied:

(a) The book value of the qualifying investee's physical
assets in this state and everywhere, as of the last day of the
qualifying investee's fiscal or calendar year ending immediately
prior to the date on which the trust recognizes the gain or loss,
is available to the trust.

(b) The requirements of section 5747.011 of the Revised Code
are satisfied for the trust's taxable year in which the trust
recognizes the gain or loss.

Any gain or loss that is not a qualifying trust amount is
modified business income, qualifying investment income, or
modified nonbusiness income, as the case may be.

(3) "Modified nonbusiness income" means a trust's Ohio taxable income other than modified business income, other than the qualifying trust amount, and other than qualifying investment income, as defined in section 5747.012 of the Revised Code, to the extent such qualifying investment income is not otherwise part of modified business income.

(4) "Modified Ohio taxable income" applies only to trusts, and means the sum of the amounts described in divisions (BB)(4)(a) to (c) of this section:

(a) The fraction, calculated under division (B)(2) of section 5733.05, and applying section 5733.057 of the Revised Code, as if the trust were a corporation subject to the tax imposed by section 5733.06 of the Revised Code, multiplied by the sum of the following amounts:

(i) The trust's modified business income;

(ii) The trust's qualifying investment income, as defined in section 5747.012 of the Revised Code, but only to the extent the qualifying investment income does not otherwise constitute modified business income and does not otherwise constitute a qualifying trust amount.

(b) The qualifying trust amount multiplied by a fraction, the numerator of which is the sum of the book value of the qualifying investee's physical assets in this state on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the day on which the trust recognizes the qualifying trust amount, and the denominator of which is the sum of the book value of the qualifying investee's total physical assets everywhere on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the day on which the trust recognizes the qualifying trust amount. If, for a taxable year, the trust recognizes a qualifying trust amount with respect

to more than one qualifying investee, the amount described in 61458
division (BB)(4)(b) of this section shall equal the sum of the 61459
products so computed for each such qualifying investee. 61460

(c)(i) With respect to a trust or portion of a trust that is 61461
a resident as ascertained in accordance with division (I)(3)(d) of 61462
this section, its modified nonbusiness income. 61463

(ii) With respect to a trust or portion of a trust that is 61464
not a resident as ascertained in accordance with division 61465
(I)(3)(d) of this section, the amount of its modified nonbusiness 61466
income satisfying the descriptions in divisions (B)(2) to (5) of 61467
section 5747.20 of the Revised Code. 61468

If the allocation and apportionment of a trust's income under 61469
divisions (BB)(4)(a) and (c) of this section do not fairly 61470
represent the modified Ohio taxable income of the trust in this 61471
state, the alternative methods described in division (C) of 61472
section 5747.21 of the Revised Code may be applied in the manner 61473
and to the same extent provided in that section. 61474

(5)(a) Except as set forth in division (BB)(5)(b) of this 61475
section, "qualifying investee" means a person in which a trust has 61476
an equity or ownership interest, or a person or unit of government 61477
the debt obligations of either of which are owned by a trust. For 61478
the purposes of division (BB)(2)(a) of this section and for the 61479
purpose of computing the fraction described in division (BB)(4)(b) 61480
of this section, all of the following apply: 61481

(i) If the qualifying investee is a member of a qualifying 61482
controlled group on the last day of the qualifying investee's 61483
fiscal or calendar year ending immediately prior to the date on 61484
which the trust recognizes the gain or loss, then "qualifying 61485
investee" includes all persons in the qualifying controlled group 61486
on such last day. 61487

(ii) If the qualifying investee, or if the qualifying 61488

investee and any members of the qualifying controlled group of 61489
which the qualifying investee is a member on the last day of the 61490
qualifying investee's fiscal or calendar year ending immediately 61491
prior to the date on which the trust recognizes the gain or loss, 61492
separately or cumulatively own, directly or indirectly, on the 61493
last day of the qualifying investee's fiscal or calendar year 61494
ending immediately prior to the date on which the trust recognizes 61495
the qualifying trust amount, more than fifty per cent of the 61496
equity of a pass-through entity, then the qualifying investee and 61497
the other members are deemed to own the proportionate share of the 61498
pass-through entity's physical assets which the pass-through 61499
entity directly or indirectly owns on the last day of the 61500
pass-through entity's calendar or fiscal year ending within or 61501
with the last day of the qualifying investee's fiscal or calendar 61502
year ending immediately prior to the date on which the trust 61503
recognizes the qualifying trust amount. 61504

(iii) For the purposes of division (BB)(5)(a)(iii) of this 61505
section, "upper level pass-through entity" means a pass-through 61506
entity directly or indirectly owning any equity of another 61507
pass-through entity, and "lower level pass-through entity" means 61508
that other pass-through entity. 61509

An upper level pass-through entity, whether or not it is also 61510
a qualifying investee, is deemed to own, on the last day of the 61511
upper level pass-through entity's calendar or fiscal year, the 61512
proportionate share of the lower level pass-through entity's 61513
physical assets that the lower level pass-through entity directly 61514
or indirectly owns on the last day of the lower level pass-through 61515
entity's calendar or fiscal year ending within or with the last 61516
day of the upper level pass-through entity's fiscal or calendar 61517
year. If the upper level pass-through entity directly and 61518
indirectly owns less than fifty per cent of the equity of the 61519
lower level pass-through entity on each day of the upper level 61520

pass-through entity's calendar or fiscal year in which or with 61521
which ends the calendar or fiscal year of the lower level 61522
pass-through entity and if, based upon clear and convincing 61523
evidence, complete information about the location and cost of the 61524
physical assets of the lower pass-through entity is not available 61525
to the upper level pass-through entity, then solely for purposes 61526
of ascertaining if a gain or loss constitutes a qualifying trust 61527
amount, the upper level pass-through entity shall be deemed as 61528
owning no equity of the lower level pass-through entity for each 61529
day during the upper level pass-through entity's calendar or 61530
fiscal year in which or with which ends the lower level 61531
pass-through entity's calendar or fiscal year. Nothing in division 61532
(BB)(5)(a)(iii) of this section shall be construed to provide for 61533
any deduction or exclusion in computing any trust's Ohio taxable 61534
income. 61535

(b) With respect to a trust that is not a resident for the 61536
taxable year and with respect to a part of a trust that is not a 61537
resident for the taxable year, "qualifying investee" for that 61538
taxable year does not include a C corporation if both of the 61539
following apply: 61540

(i) During the taxable year the trust or part of the trust 61541
recognizes a gain or loss from the sale, exchange, or other 61542
disposition of equity or ownership interests in, or debt 61543
obligations of, the C corporation. 61544

(ii) Such gain or loss constitutes nonbusiness income. 61545

(6) "Available" means information is such that a person is 61546
able to learn of the information by the due date plus extensions, 61547
if any, for filing the return for the taxable year in which the 61548
trust recognizes the gain or loss. 61549

(CC) "Qualifying controlled group" has the same meaning as in 61550
section 5733.04 of the Revised Code. 61551

(DD) "Related member" has the same meaning as in section 61552
5733.042 of the Revised Code. 61553

(EE) Any term used in this chapter that is not otherwise 61554
defined in this section and that is not used in a comparable 61555
context in the Internal Revenue Code and other statutes of the 61556
United States relating to federal income taxes has the same 61557
meaning as in section 5733.40 of the Revised Code. 61558

Sec. 5747.02. (A) For the purpose of providing revenue for 61559
the support of schools and local government functions, to provide 61560
relief to property taxpayers, to provide revenue for the general 61561
revenue fund, and to meet the expenses of administering the tax 61562
levied by this chapter, there is hereby levied on every 61563
individual, trust, and estate residing in or earning or receiving 61564
income in this state, on every individual, trust, and estate 61565
earning or receiving lottery winnings, prizes, or awards pursuant 61566
to Chapter 3770. of the Revised Code, and on every individual, 61567
trust, and estate otherwise having nexus with or in this state 61568
under the Constitution of the United States, an annual tax 61569
measured in the case of individuals by Ohio adjusted gross income 61570
less an exemption for the taxpayer, the taxpayer's spouse, and 61571
each dependent as provided in section 5747.025 of the Revised 61572
Code; measured in the case of trusts by modified Ohio taxable 61573
income under division (D) of this section; and measured in the 61574
case of estates by Ohio taxable income. The tax imposed by this 61575
section on the balance thus obtained is hereby levied as follows: 61576

(B) If the director of budget and management makes a certification to the tax commissioner under division (B) of section 131.44 of the Revised Code, the amount of tax as determined under division (A) of this section shall be reduced by the percentage prescribed in that certification for taxable years beginning in the calendar year in which that certification is made.

(C) The levy of this tax on income does not prevent a municipal corporation, a joint economic development zone created under section 715.691, or a joint economic development district created under section 715.70 or 715.71 or sections 715.72 to 715.81 of the Revised Code from levying a tax on income.

(D) This division applies only to taxable years of a trust beginning in or after 2002, 2003, or 2004.

(1) The tax imposed by this section on a trust shall be

computed by multiplying the Ohio modified taxable income of the trust by the rates prescribed by division (A) of this section.

(2) A credit is allowed against the tax computed under division (D) of this section equal to the lesser of (1) the tax paid to another state or the District of Columbia on the trust's modified nonbusiness income, other than the portion of the trust's nonbusiness income that is qualifying investment income as defined in section 5747.012 of the Revised Code, or (2) the effective tax rate, based on modified Ohio taxable income, multiplied by the trust's modified nonbusiness income other than the portion of trust's nonbusiness income that is qualifying investment income. The credit applies before any other applicable credits.

(3) The credits enumerated in divisions (A)(1) to ~~(13)~~(14) of section 5747.98 of the Revised Code do not apply to a trust subject to this division. Any credits enumerated in other divisions of section 5747.98 of the Revised Code apply to a trust subject to this division. To the extent that the trust distributes income for the taxable year for which a credit is available to the trust, the credit shall be shared by the trust and its beneficiaries. The tax commissioner and the trust shall be guided by applicable regulations of the United States treasury regarding the sharing of credits.

(E) For the purposes of this section, "trust" means any trust described in Subchapter J of Chapter 1 of the Internal Revenue Code, excluding trusts that are not irrevocable as defined in division (I)(3)(b) of section 5747.01 of the Revised Code and that have no modified Ohio taxable income for the taxable year, charitable remainder trusts, qualified funeral trusts, endowment and perpetual care trusts, qualified settlement trusts and funds, designated settlement trusts and funds, and trusts exempted from taxation under section 501(a) of the Internal Revenue Code.

Sec. 5747.022. An (A)(1) For taxable years beginning before 61701

taxpayer, his the taxpayer's spouse, and each dependent under 61705
section 5747.02 of the Revised Code. The credit 61706

(2) For taxable years beginning after 2005, an individual 61707
subject to the tax imposed by section 5747.02 of the Revised Code 61708
may claim a nonrefundable credit equal to eighty dollars for each 61709
dependent. In the case of a joint return, neither spouse shall be 61710
considered to be a dependent of the other spouse. In the case of a 61711
return other than a joint return, a taxpayer's spouse shall be 61712
considered to be a dependent of the taxpayer for purposes of 61713
division (A)(2) of this section if: 61714

(a) The taxpayer's spouse has no Ohio adjusted gross income; 61715

(b) The taxpayer's spouse is not a dependent of another; and 61716

(c) The taxpayer is entitled to two personal exemptions on 61717
the taxpayer's federal income tax return. 61718

(B) For taxable years beginning after 2005, an individual 61719
subject to the tax imposed by section 5747.02 of the Revised Code 61720
who files a return other than a joint return may claim a 61721
nonrefundable credit equal to the lesser of the following amounts: 61722

(1) One hundred five dollars, as adjusted by division (E) of 61723
this section. 61724

(2) The product of the amount described in division (B)(1) of 61725
this section, as adjusted by division (E) of this section, times 61726

(D) The credits under this section shall be claimed in the order required under section 5747.98 of the Revised Code. The credit shall not be considered in determining the taxes required 61759
61760
61761

to be withheld under section 5747.06 of the Revised Code or the 61762
estimated taxes required to be paid under section 5747.09 of the 61763
Revised Code. 61764

(E) In September of each year, beginning in 2007, the tax 61765
commissioner shall determine the percentage increase in the gross 61766
domestic product deflator determined by the bureau of economic 61767
analysis of the United States department of commerce from the 61768
first day of January of the preceding calendar year to the last 61769
day of December of the preceding calendar year, and adjust the 61770
credit amounts described in divisions (A)(2), (B)(1), and (C)(1) 61771
of this section for taxable years beginning in the current 61772
calendar year by multiplying those amounts by the percentage 61773
increase in the gross domestic product deflator for that period; 61774
adding the resulting product to the credit amounts for taxable 61775
years beginning in the preceding calendar year; and rounding the 61776
resulting sum upward to the nearest multiple of ten dollars. The 61777
commissioner shall not make such an adjustment in any calendar 61778
year in which the amount resulting from the adjustment would be 61779
less than the amount resulting from the adjustment in the 61780
preceding calendar year. 61781

Sec. 5747.025. (A) Except for the purposes of Chapter 5748. 61782
of the Revised Code, this section does not apply to taxable years 61783
beginning after 2005. 61784

(A) The personal exemption for the taxpayer and the 61785
taxpayer's spouse shall be seven hundred fifty dollars each for 61786
the taxable year beginning in 1996, eight hundred fifty dollars 61787
each for the taxable year beginning in 1997, nine hundred fifty 61788
dollars each for the taxable year beginning in 1998, and one 61789
thousand fifty dollars each for the taxable year beginning in 1999 61790
and taxable years beginning after 1999 and before 2006. The 61791
personal exemption amount prescribed in this division for taxable 61792

years beginning after 1999 and before 2006 shall be adjusted each 61793
year in the manner prescribed in division (C) of this section. 61794

(B) The personal exemption for each dependent shall be eight 61795
hundred fifty dollars for the taxable year beginning in 1996, and 61796
one thousand fifty dollars for the taxable year beginning in 1997 61797
and taxable years beginning after 1997 and before 2006. The 61798
personal exemption amount prescribed in this division for taxable 61799
years beginning after 1999 and before 2006 shall be adjusted each 61800
year in the manner prescribed in division (C) of this section. 61801

(C) In September of each year, beginning in 2000, the tax 61802
commissioner shall determine the percentage increase in the gross 61803
domestic product deflator determined by the bureau of economic 61804
analysis of the United States department of commerce from the 61805
first day of January of the preceding calendar year to the last 61806
day of December of the preceding year, and adjust the personal 61807
exemption amount for taxable years beginning in the current 61808
calendar year by multiplying that amount by the percentage 61809
increase in the gross domestic product deflator for that period; 61810
adding the resulting product to the personal exemption amount for 61811
taxable years beginning in the preceding calendar year; and 61812
rounding the resulting sum upward to the nearest multiple of fifty 61813
dollars. The commissioner shall not make such an adjustment in any 61814
calendar year in which the amount resulting from the adjustment 61815
would be less than the amount resulting from the adjustment in the 61816
preceding calendar year. 61817

Sec. 5747.05. As used in this section, "income tax" includes 61818
both a tax on net income and a tax measured by net income. 61819

The following credits shall be allowed against the income tax 61820
imposed by section 5747.02 of the Revised Code on individuals and 61821
estates: 61822

(A)(1) The amount of tax otherwise due under section 5747.02 61823

of the Revised Code on such portion of the adjusted gross income 61824
of any nonresident taxpayer that is not allocable to this state 61825
pursuant to sections 5747.20 to 5747.23 of the Revised Code; 61826

(2) The credit provided under this division shall not exceed 61827
the portion of the total tax due under section 5747.02 of the 61828
Revised Code that the amount of the nonresident taxpayer's 61829
adjusted gross income not allocated to this state pursuant to 61830
sections 5747.20 to 5747.23 of the Revised Code bears to the total 61831
adjusted gross income of the nonresident taxpayer derived from all 61832
sources everywhere. 61833

(3) The tax commissioner may enter into an agreement with the 61834
taxing authorities of any state or of the District of Columbia 61835
that imposes an income tax to provide that compensation paid in 61836
this state to a nonresident taxpayer shall not be subject to the 61837
tax levied in section 5747.02 of the Revised Code so long as 61838
compensation paid in such other state or in the District of 61839
Columbia to a resident taxpayer shall likewise not be subject to 61840
the income tax of such other state or of the District of Columbia. 61841
No such agreement, including any existing agreements that the 61842
commissioner may have entered into pursuant to division (A)(3) of 61843
this section, shall apply for taxable years beginning in 2004, 61844
2005, 2006, 2007, or 2008, and the taxes imposed under this 61845
chapter shall apply to nonresidents for those taxable years. 61846

(B) The lesser of division (B)(1) or (2) of this section: 61847

(1) The amount of tax otherwise due under section 5747.02 of 61848
the Revised Code on such portion of the adjusted gross income of a 61849
resident taxpayer that in another state or in the District of 61850
Columbia is subjected to an income tax. The credit provided under 61851
division (B)(1) of this section shall not exceed the portion of 61852
the total tax due under section 5747.02 of the Revised Code that 61853
the amount of the resident taxpayer's adjusted gross income 61854
subjected to an income tax in the other state or in the District 61855

of Columbia bears to the total adjusted gross income of the 61856
resident taxpayer derived from all sources everywhere. 61857

(2) The amount of income tax liability to another state or 61858
the District of Columbia on the portion of the adjusted gross 61859
income of a resident taxpayer that in another state or in the 61860
District of Columbia is subjected to an income tax. The credit 61861
provided under division (B)(2) of this section shall not exceed 61862
the amount of tax otherwise due under section 5747.02 of the 61863
Revised Code. 61864

(3) No credit shall be allowed under division (B) of this 61865
section to the extent that for any taxable year the taxpayer has 61866
directly or indirectly deducted, or was required to directly or 61867
indirectly deduct, the amount of income tax liability to another 61868
state or the District of Columbia. 61869

(4) If the credit provided under division (B) of this section 61870
is affected by a change in either the portion of adjusted gross 61871
income of a resident taxpayer subjected to an income tax in 61872
another state or the District of Columbia or the amount of income 61873
tax liability that has been paid to another state or the District 61874
of Columbia, the taxpayer shall report the change to the tax 61875
commissioner within sixty days of the change in such form as the 61876
commissioner requires. 61877

(a) In the case of an underpayment, the report shall be 61878
accompanied by payment of any additional tax due as a result of 61879
the reduction in credit together with interest on the additional 61880
tax and is a return subject to assessment under section 5747.13 of 61881
the Revised Code solely for the purpose of assessing any 61882
additional tax due under this division, together with any 61883
applicable penalty and interest. It shall not reopen the 61884
computation of the taxpayer's tax liability under this chapter 61885
from a previously filed return no longer subject to assessment 61886
except to the extent that such liability is affected by an 61887

adjustment to the credit allowed by division (B) of this section. 61888

(b) In the case of an overpayment, an application for refund 61889
may be filed under this division within the sixty day period 61890
prescribed for filing the report even if it is beyond the period 61891
prescribed in section 5747.11 of the Revised Code if it otherwise 61892
conforms to the requirements of such section. An application filed 61893
under this division shall only claim refund of overpayments 61894
resulting from an adjustment to the credit allowed by division (B) 61895
of this section unless it is also filed within the time prescribed 61896
in section 5747.11 of the Revised Code. It shall not reopen the 61897
computation of the taxpayer's tax liability except to the extent 61898
that such liability is affected by an adjustment to the credit 61899
allowed by division (B) of this section. 61900

(C) For a taxpayer sixty-five years of age or older during 61901
the taxable year, a credit for such year equal to fifty dollars 61902
for each return required to be filed under section 5747.08 of the 61903
Revised Code. 61904

(D) A taxpayer sixty-five years of age or older during the 61905
taxable year who has received a lump-sum distribution from a 61906
pension, retirement, or profit-sharing plan in the taxable year 61907
may elect to receive a credit under this division in lieu of the 61908
credit to which the taxpayer is entitled under division (C) of 61909
this section. A taxpayer making such election shall receive a 61910
credit for the taxable year equal to fifty dollars times the 61911
taxpayer's expected remaining life as shown by annuity tables 61912
issued under the provisions of the Internal Revenue Code and in 61913
effect for the calendar year which includes the last day of the 61914
taxable year. A taxpayer making an election under this division is 61915
not entitled to the credit authorized under division (C) of this 61916
section in subsequent taxable years except that if such election 61917
was made prior to July 1, 1983, the taxpayer is entitled to 61918
one-half the credit authorized under such division in subsequent 61919

taxable years but may not make another election under this 61920
division. 61921

(E) A taxpayer who is not sixty-five years of age or older 61922
during the taxable year who has received a lump-sum distribution 61923
from a pension, retirement, or profit-sharing plan in a taxable 61924
year ending on or before July 31, 1991, may elect to take a credit 61925
against the tax otherwise due under this chapter for such year 61926
equal to fifty dollars times the expected remaining life of a 61927
taxpayer sixty-five years of age as shown by annuity tables issued 61928
under the provisions of the Internal Revenue Code and in effect 61929
for the calendar year which includes the last day of the taxable 61930
year. A taxpayer making an election under this division is not 61931
entitled to a credit under division (C) or (D) of this section in 61932
any subsequent year except that if such election was made prior to 61933
July 1, 1983, the taxpayer is entitled to one-half the credit 61934
authorized under division (C) of this section in subsequent years 61935
but may not make another election under this division. No taxpayer 61936
may make an election under this division for a taxable year ending 61937
on or after August 1, 1991. 61938

(F) A taxpayer making an election under either division (D) 61939
or (E) of this section may make only one such election in the 61940
taxpayer's lifetime. 61941

(G)(1) On a joint return filed by a husband and wife, each of 61942
whom had adjusted gross income of at least five hundred dollars, 61943
exclusive of interest, dividends and distributions, royalties, 61944
rent, and capital gains, a credit equal to the percentage, shown 61945
in the table contained in ~~this~~ division (G)(2) of this section, of 61946
the amount of tax due after allowing for any other credit that 61947
precedes ~~the~~ that ~~credit under this division~~ in the order required 61948
under section 5747.98 of the Revised Code. 61949

(2)(a) The credit to which a taxpayer is entitled under this 61950
division in any taxable year beginning before 2006 is the 61951

percentage shown in column B that corresponds with the taxpayer's 61952
adjusted gross income, less exemptions for the taxable year: 61953

A.	B.	
IF THE ADJUSTED GROSS INCOME,	THE CREDIT FOR THE TAXABLE	61955
LESS EXEMPTIONS, FOR THE TAX YEAR	YEAR IS:	
IS:		

\$25,000 or less	20%	61956
More than \$25,000 but not more than \$50,000	15%	61957
More than \$50,000 but not more than \$75,000	10%	61958
More than \$75,000	5%	61959

(b) The credit to which a taxpayer is entitled under this 61960
division in any taxable year beginning after 2005 is the 61961
percentage shown in column B that corresponds with the taxpayer's 61962
adjusted gross income, less exemptions for the taxable year: 61963

<u>A.</u>	<u>B.</u>	
<u>IF THE ADJUSTED GROSS INCOME,</u>	<u>THE CREDIT FOR THE TAXABLE</u>	61964
<u>LESS EXEMPTIONS, FOR THE TAX YEAR</u>	<u>YEAR IS:</u>	61965
<u>IS:</u>		

<u>\$25,000 or less</u>	<u>20%</u>	61966
<u>More than \$25,000 but not more</u> <u>than \$60,000</u>	<u>15%</u>	61967
<u>More than \$60,000 but not more</u> <u>than \$85,000</u>	<u>10%</u>	61968
<u>More than \$85,000</u>	<u>5%</u>	61969

(3) The credit allowed under ~~this~~ division (G) of this 61970
section shall not exceed six hundred fifty dollars in any taxable 61971
year. 61972

(H) No claim for credit under this section shall be allowed 61973
unless the claimant furnishes such supporting information as the 61974
tax commissioner prescribes by rules. Each credit under this 61975

section shall be claimed in the order required under section 61976
5747.98 of the Revised Code. 61977

(I) An individual who is a resident for part of a taxable 61978
year and a nonresident for the remainder of the taxable year is 61979
allowed the credits under divisions (A) and (B) of this section in 61980
accordance with rules prescribed by the tax commissioner. In no 61981
event shall the same income be subject to both credits. 61982

(J) The credit allowed under division (A) of this section 61983
shall be calculated based upon the amount of tax due under section 61984
5747.02 of the Revised Code after subtracting any other credits 61985
that precede the credit under that division in the order required 61986
under section 5747.98 of the Revised Code. The credit allowed 61987
under division (B) of this section shall be calculated based upon 61988
the amount of tax due under section 5747.02 of the Revised Code 61989
after subtracting any other credits that precede the credit under 61990
that division in the order required under section 5747.98 of the 61991
Revised Code. 61992

(K) No credit shall be allowed under division (B) of this 61993
section unless the taxpayer furnishes such proof as the tax 61994
commissioner shall require that the income tax liability has been 61995
paid to another state or the District of Columbia. 61996

(L) No credit shall be allowed under division (B) of this 61997
section for compensation that is not subject to the income tax of 61998
another state or the District of Columbia as the result of an 61999
agreement entered into by the tax commissioner under division 62000
(A)(3) of this section. 62001

Sec. 5747.057. (A) As used in this section: 62002

(1) "Average of the payroll factor and the property factor" 62003
means one-half multiplied by the sum of the payroll factor and the 62004
property factor. 62005

(2) Subject to divisions (C) and (I) of this section, "export sales" means sales used in determining the denominator of the sales factor under division (C) of section 5747.21 of the Revised Code, as long as the sales meet the requirements of division (A)(2)(a) of this section and either or both of divisions (A)(2)(b) and (c) of this section.

(a) The gross receipts with respect to the sales qualify as foreign trading gross receipts as defined under section 924 of the Internal Revenue Code and regulations prescribed thereunder, except not including foreign trading gross receipts defined under section 924(a)(5) of the Internal Revenue Code and regulations prescribed thereunder. In addition, for the purposes of division (A)(2)(a) of this section, section 924 of the Internal Revenue Code is considered to apply to any taxpayer, not just an FSC as that term is defined under section 922 of the Internal Revenue Code.

(b) In the case of sales of tangible personal property, the taxpayer establishes by preponderance of the evidence that the property is not received by the purchaser within the United States. If the property is delivered by common carrier or by other means of transportation, the place at which the property is ultimately received after all transportation has been completed shall be considered as the place at which the property is received by the purchaser. Direct delivery in the United States, other than for purposes of transportation, to a person or firm designated by the purchaser constitutes delivery to the purchaser in the United States. Direct delivery outside the United States to a person or firm designated by the purchaser does not constitute delivery to the purchaser in the United States, regardless of where title passes or other condition of sale.

In addition, the taxpayer also establishes by clear and convincing evidence one of the following:

(i) With respect to sales of tangible personal property to a related member, within the twelve-month period subsequent to the delivery to the related member, the related member in turn sells the property, or leases it for a period of at least five years, and delivers the property in the same form or as a component part of other property to a purchaser or lessee who is not a related member. In addition, during the twenty-four-month period subsequent to such sale or lease by the related member, the purchaser or lessee or a related member of the purchaser or lessee does not receive, use, or consume the property, either in the same form or as a component part of other property, within the United States, and does not directly or indirectly sell or lease the property, either in the same form or as a component part of other property, for use or consumption in the United States.

(ii) With respect to all other sales of tangible personal property, during the twenty-four-month period subsequent to such sale, the purchaser or a related member of the purchaser does not receive, use, or consume the property, either in the same form or as a component part of other property, in the United States, and does not directly or indirectly sell the property, either in the same form or as a component part of other property, for use or consumption in the United States.

(c) In the case of sales of services, the taxpayer establishes by preponderance of the evidence that the purchaser uses or consumes the services or the object of the services in a location other than the United States. If a purchaser will receive and use or consume the services or the object of the services both within and outside the United States, the sale is considered to be a sale of services or of the object of the services used or consumed outside the United States by the purchaser only to the extent of such proportionate use or consumption outside the United States. The taxpayer shall establish by preponderance of the

evidence that the services or the object of the services was 62070
ultimately received and used or consumed outside the United 62071
States. Direct or indirect sales of services or the object of 62072
services to a related member do not meet the requirements of 62073
division (A)(2)(c) of this section unless the taxpayer establishes 62074
by clear and convincing evidence that within the twelve-month 62075
period subsequent to the sale to the related member, the related 62076
member in turn sold and delivered or rendered the services or the 62077
object of the services to a person who is not a related member and 62078
such person ultimately received and used or consumed the services 62079
or the object of the services outside the United States. In no 62080
event shall a sale of services qualify as an export sale if the 62081
taxpayer or the taxpayer's related member directly or indirectly 62082
acquired such services from a person who is not a United States 62083
person and if the taxpayer or the taxpayer's related member in 62084
turn directly or indirectly sold such services in substantially 62085
the same form. For purposes of this section, services are sold in 62086
substantially the same form where more than fifty per cent of the 62087
fair market value of such services sold is attributable to 62088
services directly or indirectly purchased by the taxpayer or by 62089
the taxpayer's related member from a person who is not a United 62090
States person. 62091

(3) "Incremental increase in export sales" means one-half of 62092
the difference obtained by subtracting the amount of the 62093
taxpayer's export sales for the second preceding taxable year from 62094
the amount of the taxpayer's export sales for the taxable year. 62095

If the taxpayer's taxable year is a period of greater than or 62096
less than three hundred sixty-five days, or three hundred 62097
sixty-six days for a taxable year that includes February 62098
twenty-nine, the amount of the export sales for that taxable year 62099
shall be adjusted and restated to an annualized amount. 62100

(4) Subject to divisions (C), (F)(1), (I), and (J) of this 62101

section, "Ohio payroll increase factor" means twelve and one-half 62102
multiplied by the difference obtained by subtracting two 62103
one-hundredths from the largest of the following quotients: 62104

(a) The numerator of the payroll factor for the taxable year 62105
minus the numerator of the payroll factor for the immediately 62106
preceding taxable year, divided by the numerator of the payroll 62107
factor for the immediately preceding taxable year; 62108

(b) The numerator of the payroll factor for the taxable year 62109
minus the numerator of the payroll factor for the second preceding 62110
taxable year, divided by the numerator of the payroll factor for 62111
the second preceding taxable year; 62112

(c) The numerator of the payroll factor for the taxable year 62113
minus the numerator of the payroll factor for the third preceding 62114
taxable year, divided by the numerator of the payroll factor for 62115
the third preceding taxable year. 62116

If the numerator of the payroll factor for a taxable year 62117
represents payroll for a period of greater than or less than three 62118
hundred sixty-five days, or three hundred sixty-six days for a 62119
taxable year that includes a twenty-ninth day of February, for 62120
purposes of this section the numerator for that taxable year shall 62121
be adjusted and restated to an annualized amount. If neither the 62122
taxpayer nor its related members were subject to the tax imposed 62123
by section 5747.02 of the Revised Code for any of the three 62124
immediately preceding taxable years, the numerator of the payroll 62125
factor for any such year shall be considered to be one dollar. 62126

In no event shall the Ohio payroll increase factor be greater 62127
than one or less than zero. 62128

(5) Subject to divisions (C), (F)(2), and (I) of this 62129
section, "Ohio property increase factor" means ten multiplied by 62130
the largest of the following quotients: 62131

(a) The numerator of the property factor for the taxable year 62132

minus the numerator of the property factor for the immediately preceding taxable year, divided by the numerator of the property factor for the immediately preceding taxable year;

(b) The numerator of the property factor for the taxable year minus the numerator of the property factor for the second preceding taxable year, divided by the numerator of the property factor for the second preceding taxable year;

(c) The numerator of the property factor for the taxable year minus the numerator of the property factor for the third preceding taxable year, divided by the numerator of the property factor for the third preceding taxable year.

If neither the taxpayer nor its related members were subject to the tax imposed by section 5747.02 of the Revised Code for any of the three immediately preceding taxable years, the numerator of the property factor for any such year shall be considered to be one dollar.

In no event shall the Ohio property increase factor be greater than one or less than zero.

(6) Subject to divisions (C), (I), and (J) of this section, "payroll factor" has the same meaning as in division (B) of section 5747.21 of the Revised Code with any adjustments, exclusions, or alterations made in accordance with division (D) of that section and without regard to the credit provided by division (A) of section 5747.05 of the Revised Code.

(7) "Pre-tax profit from the incremental increase in export sales" means fifteen per cent of the incremental increase in export sales, except that the taxpayer may establish by preponderance of the evidence that the pre-tax profit margin from such sales is an amount exceeding fifteen per cent but not exceeding fifty per cent. For purposes of this section, the pre-tax profit margin shall be determined on a product line by

product line basis, and equals the quotient of the taxpayer's 62164
adjusted gross income with respect to the product line, divided by 62165
the taxpayer's sales for the product line less sales returns, 62166
allowances, and discounts. 62167

Nothing in division (A)(7) of this section shall be used or 62168
construed to support a request under division (D) of section 62169
5747.21 of the Revised Code. 62170

(8) Subject to divisions (C) and (I) of this section, 62171
"property factor" has the same meaning as in division (A) of 62172
section 5747.21 of the Revised Code with any adjustments, 62173
exclusions, or alterations made in accordance with division (D) of 62174
that section and without regard to the credit provided by division 62175
(A) of section 5747.05 of the Revised Code. 62176

(9) "Related member" has the same meaning as ~~under division~~ 62177
~~(A)(6) of~~ in section 5733.042 of the Revised Code without regard 62178
to division (B) of that section. 62179

(10) "Tentative credit" means the credit under division (B) 62180
of this section without regard to the limitations set forth in 62181
division (D) of this section. 62182

(11) "United States" means the United States and its 62183
territories and possessions. 62184

(12) "United States person" has the same meaning as under 62185
section 7701(A)(30) of the Internal Revenue Code. 62186

(B) A nonrefundable credit is allowed against the tax imposed 62187
under section 5747.02 of the Revised Code. The credit shall be 62188
claimed in the order required under section 5747.98 of the Revised 62189
Code. Subject to divisions (D) and (G) of this section, the credit 62190
equals the sum of the following: 62191

(1) For taxable years beginning in 1992 through taxable years 62192
beginning in 1999, ten per cent of the product obtained by 62193

multiplying all of the following together:	62194
(a) The pre-tax profit from the incremental increase in export sales for the taxable year;	62195 62196
(b) The average of the property factor and the payroll factor for the taxable year;	62197 62198
(c) The greater of the Ohio payroll increase factor or the Ohio property increase factor.	62199 62200
(2) For taxable years beginning in 1993 through taxable years beginning in 2004, the sum of any amounts carried forward from taxable years beginning in 1992 through taxable years beginning in 1999 in accordance with division (E) of this section.	62201 62202 62203 62204
(C) For purposes of this section, a taxpayer's export sales and the numerators and denominators of the taxpayer's payroll and property factors shall include the taxpayer's proportionate shares of the export sales and numerators and denominators of the payroll and property factors, respectively, for all pass-through entities. For purposes of applying this division, the tax commissioner shall be guided by the concepts set forth in section 41(f)(2) of the Internal Revenue Code and regulations prescribed thereunder.	62205 62206 62207 62208 62209 62210 62211 62212
Nothing in this division shall be construed to limit or disallow pass-through treatment of a pass-through entity's income, deductions, credits, or other amounts necessary to compute the tax imposed by section 5747.02 of the Revised Code and the credits allowed by this chapter.	62213 62214 62215 62216 62217
(D) In no circumstance shall the credit provided by this section be less than zero.	62218 62219
If a taxpayer's tentative credit for a taxable year is greater than two hundred fifty thousand dollars or the taxpayer's tax due after taking into account any other nonrefundable credits that precede the credit under this section in the order required	62220 62221 62222 62223

under section 5747.98 of the Revised Code, then the credit allowed 62224
to the taxpayer for the taxable year shall not exceed the lesser 62225
of two hundred fifty thousand dollars or the taxpayer's tax due 62226
after taking into account any other nonrefundable credits that 62227
precede the credit under this section in that order. 62228

(E)(1) Pursuant to division (B)(2) of this section, the 62229
greater of the amount described in division (E)(1)(a) or the 62230
amount described in division (E)(1)(b) of this section shall be 62231
allowed as a nonrefundable credit for the taxpayer in ensuing 62232
taxable years: 62233

(a) The excess, if any, of the tentative credit for the 62234
taxable year over two hundred fifty thousand dollars; 62235

(b) The excess, if any, of the tentative credit for the 62236
taxable year over the tax due for the taxable year after taking 62237
into account any other nonrefundable credits that precede the 62238
credit under this section in the order required under section 62239
5747.98 of the Revised Code. 62240

(2) Any such amount allowed as a credit in an ensuing taxable 62241
year shall be deducted from the balance carried forward to the 62242
next ensuing taxable year. Such credit shall be taken into account 62243
prior to the allowance of any credit for such taxable year under 62244
division (B)(1) of this section. In no event shall any amount or 62245
any portion of any amount described in division (E)(1)(a) or (b) 62246
of this section be allowed in any taxable year beginning after 62247
December 31, 2004. 62248

(F)(1) With respect to the computation of the Ohio payroll 62249
increase factor, divisions (A)(4)(b) and (c) of this section shall 62250
not apply to taxable years beginning in 1992 or 1993, and division 62251
(A)(4)(c) of this section shall not apply to taxable years 62252
beginning in 1994. 62253

(2) With respect to the computation of the Ohio property 62254

increase factor, divisions (A)(5)(b) and (c) of this section shall 62255
not apply to taxable years beginning in 1992 and 1993, and 62256
division (A)(5)(c) of this section shall not apply to taxable 62257
years beginning in 1994. 62258

(G) The aggregate credit allowed to a taxpayer for taxable 62259
years beginning in 1992 through taxable years beginning in 2004 62260
shall not exceed three million two hundred fifty thousand dollars. 62261

(H) For purposes of divisions (E) and (G) and the limitations 62262
set forth in division (D) of this section, married taxpayers 62263
filing a joint return for the taxable year in accordance with 62264
section 6013 of the Internal Revenue Code each shall be considered 62265
to be a taxpayer. Each such taxpayer shall have an annual 62266
limitation on the amount of the credit of the lesser of two 62267
hundred fifty thousand dollars or that taxpayer's portion of the 62268
tax due, after taking into account all other nonrefundable credits 62269
provided by this chapter. Each such taxpayer's portion of the tax 62270
due after taking into account all other nonrefundable credits 62271
provided by this chapter, shall be the product of the tax due 62272
after allowance for the sum of all other nonrefundable credits and 62273
all refundable credits other than amounts withheld and estimated 62274
tax payments multiplied by the quotient of the tax that would have 62275
been due from the taxpayer after allowance for the sum of all 62276
other nonrefundable credits and all refundable credits other than 62277
amounts withheld and estimated tax payments if the taxpayer were 62278
not filing a joint return for the taxable year divided by the tax 62279
that would have been due from both the taxpayer and the taxpayer's 62280
spouse after allowance for the sum of all other nonrefundable 62281
credits and refundable credits other than amounts withheld and 62282
estimated tax payments if the taxpayer and spouse were not filing 62283
a joint return for the taxable year. 62284

(I)(1) If a taxpayer acquires the major portion of a trade or 62285
business of another person or the major portion of a separate unit 62286

of a trade or business of another person, then for purposes of 62287
applying this section to the taxable year in which the acquisition 62288
occurred and subsequent taxable years, the amount of the 62289
taxpayer's export sales, payroll, subject to division (J) of this 62290
section, and property for periods before the acquisition shall be 62291
increased by so much of such amounts paid or incurred by the 62292
previous owner of the acquired trade, business, or separate unit 62293
as is attributable to the portion of such trade, business, or 62294
separate unit acquired by the taxpayer. 62295

(2) If a taxpayer disposes of a major portion of a trade or 62296
business or the major portion of a separate unit of a trade or 62297
business in a transaction to which division (I)(1) of this section 62298
applies, and if the taxpayer furnished the acquiring person such 62299
information as is necessary for the application of division (I)(1) 62300
of this section, then for purposes of applying this section to the 62301
taxable year in which the disposition occurred and to subsequent 62302
taxable years, the amount of the taxpayer's export sales, payroll, 62303
subject to division (J) of this section, and property for periods 62304
before the disposition shall be decreased by so much of such 62305
amounts as is attributable to the portion of such trade, business, 62306
or separate unit disposed of by the taxpayer. 62307

(3) For purposes of applying this division, the tax 62308
commissioner shall be guided by the concepts set forth in section 62309
41(f)(3) of the Internal Revenue Code and regulations prescribed 62310
thereunder. 62311

(J) For purposes of this section, payroll and compensation do 62312
not include amounts in excess of two hundred thousand dollars 62313
directly or indirectly paid or accrued during the taxable year to 62314
an employee. For purposes of applying this division, the aggregate 62315
payroll and compensation directly or indirectly paid or accrued by 62316
an employer and by the employer's related members, if any, to an 62317
employee and to the employee's children, grandchildren, parents, 62318

and spouse, other than a spouse who is legally separated from the 62319
employee, shall be considered to be paid to the employee. 62320

If the aggregate payroll and compensation paid or accrued by 62321
an employer and by an employer's related members during the 62322
taxable year to the employee exceeds two hundred thousand dollars, 62323
the employer's portion of such excess amount shall be the product 62324
of the excess amount multiplied by the quotient of the payroll and 62325
compensation paid or accrued by the employer during the taxable 62326
year to the employee divided by the aggregate payroll and 62327
compensation paid or accrued by the employer and by the employer's 62328
related members during the taxable year to the employee. 62329

(K) With respect to allowing the credit provided by this 62330
section, the tax commissioner shall be guided by the doctrines of 62331
"economic reality," "sham transaction," "step transaction," and 62332
"substance over form." The taxpayer shall bear the burden of 62333
establishing by preponderance of the evidence that any transaction 62334
giving rise to a claimed credit did not have as a principal 62335
purpose the avoidance of any portion of the tax imposed by section 62336
5747.02 of the Revised Code. 62337

Nothing in this section shall be construed to limit solely to 62338
this section the application of the doctrines listed in this 62339
division. 62340

Sec. 5747.08. An annual return with respect to the tax 62341
imposed by section 5747.02 of the Revised Code and each tax 62342
imposed under Chapter 5748. of the Revised Code shall be made by 62343
every taxpayer for any taxable year for which the taxpayer is 62344
liable for the tax imposed by that section or under that chapter, 62345
unless the total credits allowed under divisions (E), (F), and (G) 62346
of section 5747.05 of the Revised Code for the year are equal to 62347
or exceed the tax imposed by section 5747.02 of the Revised Code, 62348
in which case no return shall be required unless the taxpayer is 62349

liable for a tax imposed pursuant to Chapter 5748. of the Revised Code. 62350

62354
62355

(B) If an individual is unable to make a return or notice required by this chapter, the return or notice required of that individual shall be made and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual. 62356

(D)(1)(a) Except as otherwise provided in division (D)(1)(b) of this section, any pass-through entity may file a single return on behalf of one or more of the entity's investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code. The single return shall set forth the name, address, and social security number or other identifying number of each of those pass-through entity investors and shall indicate the distributive share of each of those pass-through entity investor's income taxable in this state in accordance with sections 5747.20 to 5747.231 of the Revised Code. Such pass-through entity investors for whom the pass-through entity elects to file a single return are not entitled to the exemption or credit provided for by sections 5747.02 and 5747.022 of the Revised Code; shall calculate the tax before business credits at the highest rate of tax set forth in section 5747.02 of the Revised Code for the taxable year for which the return is filed; and are entitled to only their distributive share of the business credits as defined in division (D)(2) of this section. check drawn by the pass-through entity shall accompany the return 62382
in full payment of the tax due, as shown on the single return, for 62383
such investors, other than investors who are persons subject to 62384
the tax imposed under section 5733.06 of the Revised Code. 62385

(b)(i) A pass-through entity shall not include in such a 62386
single return any investor that is a trust to the extent that any 62387
direct or indirect current, future, or contingent beneficiary of 62388
the trust is a person subject to the tax imposed under section 62389
5733.06 of the Revised Code. 62390

(ii) A pass-through entity shall not include in such a single 62391
return any investor that is itself a pass-through entity to the 62392
extent that any direct or indirect investor in the second 62393
pass-through entity is a person subject to the tax imposed under 62394
section 5733.06 of the Revised Code. 62395

(c) Nothing in division (D) of this section precludes the tax 62396
commissioner from requiring such investors to file the return and 62397
make the payment of taxes and related interest, penalty, and 62398
interest penalty required by this section or section 5747.02, 62399
5747.09, or 5747.15 of the Revised Code. Nothing in division (D) 62400
of this section shall be construed to provide to such an investor 62401
or pass-through entity any additional deduction or credit, other 62402
than the credit provided by division (J) of this section, solely 62403
on account of the entity's filing a return in accordance with this 62404
section. Such a pass-through entity also shall make the filing and 62405
payment of estimated taxes on behalf of the pass-through entity 62406
investors other than an investor that is a person subject to the 62407
tax imposed under section 5733.06 of the Revised Code. 62408

(2) For the purposes of this section, "business credits" 62409
means the credits listed in section 5747.98 of the Revised Code 62410
excluding the following credits: 62411

(a) The retirement credit under division (B) of section 62412

5747.055 of the Revised Code;	62413
(b) The senior citizen credit under division (C) of section 5747.05 of the Revised Code;	62414 62415
(c) The lump sum distribution credit under division (D) of section 5747.05 of the Revised Code;	62416 62417
(d) The dependent care credit under section 5747.054 of the Revised Code;	62418 62419
(e) The lump sum retirement income credit under division (C) of section 5747.055 of the Revised Code;	62420 62421
(f) The lump sum retirement income credit under division (D) of section 5747.055 of the Revised Code;	62422 62423
(g) The lump sum retirement income credit under division (E) of section 5747.055 of the Revised Code;	62424 62425
(h) The credit for displaced workers who pay for job training under section 5747.27 of the Revised Code;	62426 62427

(j) The joint filing credit under division (G) of section 5747.05 of the Revised Code;	62431 62432
(k) The nonresident credit under division (A) of section 5747.05 of the Revised Code;	62433 62434
(l) The credit for a resident's out-of-state income under division (B) of section 5747.05 of the Revised Code;	62435 62436

Code. 62442

(3) The election provided for under division (D) of this 62443
section applies only to the taxable year for which the election is 62444
made by the pass-through entity. Unless the tax commissioner 62445
provides otherwise, this election, once made, is binding and 62446
irrevocable for the taxable year for which the election is made. 62447
Nothing in this division shall be construed to provide for any 62448
deduction or credit that would not be allowable if a nonresident 62449
pass-through entity investor were to file an annual return. 62450

(4) If a pass-through entity makes the election provided for 62451
under division (D) of this section, the pass-through entity shall 62452
be liable for any additional taxes, interest, interest penalty, or 62453
penalties imposed by this chapter if the commissioner finds that 62454
the single return does not reflect the correct tax due by the 62455
pass-through entity investors covered by that return. Nothing in 62456
this division shall be construed to limit or alter the liability, 62457
if any, imposed on pass-through entity investors for unpaid or 62458
underpaid taxes, interest, interest penalty, or penalties as a 62459
result of the pass-through entity's making the election provided 62460
for under division (D) of this section. For the purposes of 62461
division (D) of this section, "correct tax due" means the tax that 62462
would have been paid by the pass-through entity had the single 62463
return been filed in a manner reflecting the commissioner's 62464
findings. Nothing in division (D) of this section shall be 62465
construed to make or hold a pass-through entity liable for tax 62466
attributable to a pass-through entity investor's income from a 62467
source other than the pass-through entity electing to file the 62468
single return. 62469

(E) If a husband and wife file a joint federal income tax 62470
return for a taxable year, they shall file a joint return under 62471
this section for that taxable year, and their liabilities are 62472
joint and several, but, if the federal income tax liability of 62473

either spouse is determined on a separate federal income tax return, they shall file separate returns under this section.

If either spouse is not required to file a federal income tax return and either or both are required to file a return pursuant to this chapter, they may elect to file separate or joint returns, and, pursuant to that election, their liabilities are separate or joint and several. If a husband and wife file separate returns pursuant to this chapter, each must claim the taxpayer's own exemption, but not both, as authorized under section 5747.02 of the Revised Code on the taxpayer's own return.

(F) Each return or notice required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number. Each return shall be verified by a declaration under the penalties of perjury. The tax commissioner shall prescribe the form that the signature and declaration shall take.

(G) Each (1) Unless the taxpayer files and pays in accordance with division (G)(2) of this section, then on or before the fifteenth day of April of each year, each return or notice required to be filed under this section shall be made and filed as required by section 5747.04 of the Revised Code, ~~on or before the fifteenth day of April of each year,~~ on paper forms that the tax commissioner shall prescribe, together with remittance made payable to the treasurer of state in the combined amount of the state and all school district income taxes shown to be due on the form or forms, unless the combined amount shown to be due is one dollar or less, in which case that amount need not be remitted. Division (G)(1) of this section does not apply if the commissioner adopts rules under section 5703.054 of the Revised Code that require electronic filing of the return, notice, or remittance.

(2) Each year, on or before the last day of April, returns 62506
and notices required to be filed under this section may be filed 62507
as required by section 5747.04 of the Revised Code in an 62508
electronic format prescribed by the tax commissioner, together 62509
with remittance in such electronic format as the commissioner 62510
prescribes, of the combined amount of the state and all school 62511
district income taxes shown to be due on the form or forms, unless 62512
the combined amount shown to be due is one dollar or less, in 62513
which case that amount need not be remitted. If the commissioner 62514
adopts rules under section 5703.054 of the Revised Code that 62515
require taxpayers to electronically file the return or notice or 62516
make the remittance electronically, then "shall" shall be 62517
substituted for "may" in division (G)(2) of this section. 62518

(3) Upon good cause shown, the commissioner may extend the 62519
period for filing any notice or return required to be filed under 62520
this section and may adopt rules relating to extensions. If the 62521
extension results in an extension of time for the payment of any 62522
state or school district income tax liability with respect to 62523
which the return is filed, the taxpayer shall pay at the time the 62524
tax liability is paid an amount of interest computed at the rate 62525
per annum prescribed by section 5703.47 of the Revised Code on 62526
that liability from the time that payment is due without extension 62527
to the time of actual payment. Except as provided in section 62528
5747.132 of the Revised Code, in addition to all other interest 62529
charges and penalties, all taxes imposed under this chapter or 62530
Chapter 5748. of the Revised Code and remaining unpaid after they 62531
become due, except combined amounts due of one dollar or less, 62532
bear interest at the rate per annum prescribed by section 5703.47 62533
of the Revised Code until paid or until the day an assessment is 62534
issued under section 5747.13 of the Revised Code, whichever occurs 62535
first. 62536

(4) If the commissioner considers it necessary in order to 62537

ensure the payment of the tax imposed by section 5747.02 of the Revised Code or any tax imposed under Chapter 5748. of the Revised Code, the commissioner may require returns and payments to be made otherwise than as provided in this section.

(H) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this chapter is delivered after that period or that date by United States mail to the agency, officer, or office with which the report, claim, statement, or other document is required to be filed, or to which the payment is required to be made, the date of the postmark stamped on the cover in which the report, claim, statement, or other document, or payment is mailed shall be deemed to be the date of delivery or the date of payment. An electronically transmitted return shall be considered filed when transmitted as prescribed by the tax commissioner.

If a payment is required to be made by electronic funds transfer pursuant to section 5747.072 of the Revised Code, or if a payment is made electronically under division (G)(2) of this section, the payment is considered to be made when the payment is received by the treasurer of state or credited to an account designated by the treasurer of state for the receipt of tax payments.

"The date of the postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the United States postal service.

as described in division (E) of this section. The amount of the 62669
underpayment shall be determined as follows: 62670

(B) Except as provided in divisions (C) and (D) of this section, a nonresident not otherwise subject to the tax imposed by section 5747.02 of the Revised Code for a taxable year does not become subject to that tax for the taxable year solely by reason of any one or more of the following occurring in this state during all or any portion of the taxable year:

(1) Ownership by the nonresident, a pass-through entity in which the nonresident has directly or indirectly invested, or a related member of the nonresident, of tangible personal property or intangible property located during all or any portion of the taxable year at the premises of a commercial printer with which the nonresident, pass-through entity, or nonresident's related member has a contract for printing with respect to such property or the premises of a commercial printer's related member with which the nonresident, pass-through entity, or nonresident's related member has a contract for printing with respect to such property;

(2) Sales by the nonresident, a pass-through entity in which the nonresident has directly or indirectly invested, or a related member of the nonresident, of property produced at and shipped or distributed from the premises of a commercial printer with which the nonresident, pass-through entity, or nonresident's related member has a contract for printing with respect to such property or the premises of a commercial printer's related member with which the nonresident, pass-through entity, or nonresident's related member has a contract for printing with respect to such property;

"substance over form." A nonresident shall bear the burden of 62778
establishing by a preponderance of the evidence that any 62779
transaction giving rise to an exemption claimed under this section 62780
did not have as a principal purpose the avoidance of any portion 62781
of the tax imposed by section 5747.02 of the Revised Code. 62782

~~Fifteen~~ Fifty per cent of the moneys received by the 62972
treasurer of state from the tax levied in division (A)(2) of this 62973
section shall be credited to the geological mapping fund and the 62974
remainder shall be credited to the ~~unreclaimed lands~~ surface 62975
mining fund created in section 1514.06 of the Revised Code. 62976

Of the moneys received by the treasurer of state from the tax 62977
levied in divisions (A)(3) and (4) of this section, ~~seven and~~ 62978

mapping fund, ~~forty two and five tenths~~ two per cent shall be 62980
credited to the unreclaimed lands fund, and the remainder shall be 62981
credited to the surface mining fund ~~created in section 1514.06 of~~ 62982
~~the Revised Code.~~ 62983

Of the moneys received by the treasurer of state from the tax 62984
levied in divisions (A)(5) and (6) of this section, ninety per 62985
cent shall be credited to the oil and gas well fund created in 62986
section 1509.02 of the Revised Code and ten per cent shall be 62987
credited to the geological mapping fund. ~~All~~ 62988

Fifty per cent of the moneys received by the treasurer of 62989
state from the tax levied in division (A)(7) of this section shall 62990
be credited to the geological mapping fund, and the remainder 62991

shall be credited to the surface mining fund. 62992

(C) For the purpose of paying the state's expenses for 62993
reclaiming mined lands that the operator failed to reclaim under a 62994
coal mining and reclamation permit issued under Chapter 1513. of 62995
the Revised Code, ~~or under a surface mining permit issued under~~ 62996
~~Chapter 1514. of the Revised Code,~~ for which the operator's bond 62997
is not sufficient to pay the state's expense for reclamation, 62998
there is hereby levied an excise tax on the privilege of engaging 62999
in the severance of coal from the soil or water of this state in 63000
addition to the taxes levied by divisions (A)(1) and (D) of this 63001
section. The tax shall be imposed at the rate of one cent per ton 63002
of coal. Moneys received by the treasurer of state from the tax 63003
levied under this division shall be credited to the reclamation 63004
forfeiture fund created in section 1513.18 of the Revised Code. 63005

(D) For the purpose of paying the state's expenses for 63006
reclaiming coal mined lands that the operator failed to reclaim in 63007
accordance with Chapter 1513. of the Revised Code under a coal 63008
mining and reclamation permit ~~issued after April 10, 1972, but~~ 63009
~~before September 1, 1981,~~ for which the operator's bond is not 63010
sufficient to pay the state's expense for reclamation and paying 63011
the expenses for administering the state's coal mining and 63012
reclamation regulatory program, there is hereby levied an excise 63013
tax on the privilege of engaging in the severance of coal from the 63014
soil or water of this state in addition to the taxes levied by 63015
divisions (A)(1) and (C) of this section. The tax shall be imposed 63016
at the rate of ~~one cent~~ five cents per ton of coal as prescribed 63017
in this division. Moneys received by the treasurer of state from 63018
the tax levied by this division shall be credited to the 63019
reclamation forfeiture fund created in section 1513.18 of the 63020
Revised Code. 63021

When, at the close of any fiscal year, the chief finds that 63022
the balance of the reclamation forfeiture fund, plus estimated 63023

transfers to it from the coal mining and reclamation reserve fund 63024
under section 1513.181 of the Revised Code, plus the estimated 63025
revenues from the tax levied by this division for the remainder of 63026
the calendar year that includes the close of the fiscal year, are 63027
sufficient to complete the reclamation of such lands, the purposes 63028
for which the tax under this division is levied shall be deemed 63029
accomplished at the end of that calendar year. The chief, within 63030
thirty days after the close of the fiscal year, shall certify 63031
those findings to the tax commissioner, and the tax shall cease to 63032
be imposed after the last day of that calendar year. 63033

(E) On the day fixed for the payment of the severance taxes 63034
required to be paid by this section, the taxes with any penalties 63035
or interest on them shall become a lien on all property of the 63036
taxpayer in this state whether the property is employed by the 63037
taxpayer in the prosecution of its business or is in the hands of 63038
an assignee, trustee, or receiver for the benefit of creditors or 63039
stockholders. The lien shall continue until the taxes and any 63040
penalties or interest thereon are paid. 63041

Upon failure of the taxpayer to pay a tax on the day fixed 63042
for payment, the tax commissioner may file, for which no filing 63043
fee shall be charged, in the office of the county recorder in each 63044
county in this state in which the taxpayer owns or has a 63045
beneficial interest in real estate, notice of the lien containing 63046
a brief description of the real estate. The lien shall not be 63047
valid as against any mortgagee, purchaser, or judgment creditor 63048
whose rights have attached prior to the time the notice is filed 63049
in the county in which the real estate that is the subject of the 63050
mortgage, purchase, or judgment lien is located. The notice shall 63051
be recorded in a book kept by the recorder called the "severance 63052
tax lien record" and indexed under the name of the taxpayer 63053
charged with the tax. When the tax has been paid, the tax 63054
commissioner shall furnish to the taxpayer an acknowledgement of 63055

payment, which the taxpayer may record with the recorder of each 63056
county in which notice of the lien has been filed. 63057

Sec. 6101.09. Within thirty days after the conservancy 63058
district has been declared a corporation by the court, the clerk 63059
of such court shall transmit to the secretary of state, to the 63060
director of the department of natural resources, and to the county 63061
recorder in each of the counties having lands in the district, 63062
copies of the findings and the decree of the court incorporating 63063
the district. The same shall be filed and recorded in the office 63064
of the secretary of state in the same manner as articles of 63065
incorporation are required to be filed and recorded under the 63066
general law concerning corporations. Copies shall also be filed 63067
and become permanent records in the office of the recorder of each 63068
county in which a part of the district lies. Each recorder shall 63069
receive a base fee of one dollar for filing and preserving such 63070
copies and a housing trust fund fee of one dollar pursuant to 63071
section 317.36 of the Revised Code, and the secretary of state 63072
shall receive for filing and for recording the copies a fee of 63073
twenty-five dollars. 63074

Sec. 6109.21. (A) Except as provided in divisions (D) and (E) 63075
of this section, on and after January 1, 1994, no person shall 63076
operate or maintain a public water system in this state without a 63077
license issued by the director of environmental protection. A 63078
person who operates or maintains a public water system on January 63079
1, 1994, shall obtain an initial license under this section in 63080
accordance with the following schedule: 63081

(1) If the public water system is a community water system, 63082
not later than January 31, 1994; 63083

(2) If the public water system is not a community water 63084
system and serves a nontransient population, not later than 63085

January 31, 1994; 63086

(3) If the public water system is not a community water 63087
system and serves a transient population, not later than January 63088
31, 1995. 63089

A person proposing to operate or maintain a new public water 63090
system after January 1, 1994, in addition to complying with 63091
section 6109.07 of the Revised Code and rules adopted under it, 63092
shall submit an application for an initial license under this 63093
section to the director prior to commencing operation of the 63094
system. 63095

A license or license renewal issued under this section shall 63096
be renewed annually. Such a license or license renewal shall 63097
expire on the thirtieth day of January in the year following its 63098
issuance. A license holder that proposes to continue operating the 63099
public water system for which the license or license renewal was 63100
issued shall apply for a license renewal at least thirty days 63101
prior to that expiration date. 63102

The director shall adopt, and may amend and rescind, rules in 63103
accordance with Chapter 119. of the Revised Code establishing 63104
procedures governing and information to be included on 63105
applications for licenses and license renewals under this section. 63106
Through June 30, ~~2004~~ 2006, each application shall be accompanied 63107
by the appropriate fee established under division (M) of section 63108
3745.11 of the Revised Code, provided that an applicant for an 63109
initial license who is proposing to operate or maintain a new 63110
public water system after January 1, 1994, shall submit a fee that 63111
equals a prorated amount of the appropriate fee established under 63112
that division for the remainder of the licensing year. 63113

(B) Not later than thirty days after receiving a completed 63114
application and the appropriate license fee for an initial license 63115
under division (A) of this section, the director shall issue the 63116

license for the public water system. Not later than thirty days 63117
after receiving a completed application and the appropriate 63118
license fee for a license renewal under division (A) of this 63119
section, the director shall do one of the following: 63120

(1) Issue the license renewal for the public water system; 63121

(2) Issue the license renewal subject to terms and conditions 63122
that the director determines are necessary to ensure compliance 63123
with this chapter and rules adopted under it; 63124

(3) Deny the license renewal if the director finds that the 63125
public water system was not operated in substantial compliance 63126
with this chapter and rules adopted under it. 63127

(C) The director may suspend or revoke a license or license 63128
renewal issued under this section if the director finds that the 63129
public water system was not operated in substantial compliance 63130
with this chapter and rules adopted under it. The director shall 63131
adopt, and may amend and rescind, rules in accordance with Chapter 63132
119. of the Revised Code governing such suspensions and 63133
revocations. 63134

(D)(1) As used in division (D) of this section, "church" 63135
means a fellowship of believers, congregation, society, 63136
corporation, convention, or association that is formed primarily 63137
or exclusively for religious purposes and that is not formed or 63138
operated for the private profit of any person. 63139

(2) This section does not apply to a church that operates or 63140
maintains a public water system solely to provide water for that 63141
church or for a campground that is owned by the church and 63142
operated primarily or exclusively for members of the church and 63143
their families. A church that, on or before March 5, 1996, has 63144
obtained a license under this section for such a public water 63145
system need not obtain a license renewal under this section. 63146

(E) This section does not apply to any public or nonpublic 63147

school that meets minimum standards of the state board of 63148
education that operates or maintains a public water system solely 63149
to provide water for that school. 63150

Sec. 6111.044. Upon receipt of an application for an 63151
injection well drilling permit, an injection well operating 63152
permit, a renewal of an injection well operating permit, or a 63153
modification of an injection well drilling permit, operating 63154
permit, or renewal of an operating permit, the director of 63155
environmental protection shall determine whether the application 63156
is complete and demonstrates that the activities for which the 63157
permit, renewal permit, or modification is requested will comply 63158
with the Federal Water Pollution Control Act and regulations 63159
adopted under it; the "Safe Drinking Water Act," 88 Stat. 1661 63160
(1974), 42 U.S.C.A. 300(f), as amended, and regulations adopted 63161
under it; and this chapter and the rules adopted under it. If the 63162
application demonstrates that the proposed activities will not 63163
comply or will pose an unreasonable risk of inducing seismic 63164
activity, inducing geologic fracturing, or contamination of an 63165
underground source of drinking water, the director shall deny the 63166
application. If the application does not make the required 63167
demonstrations, the director shall return it to the applicant with 63168
an indication of those matters about which a required 63169
demonstration was not made. If the director determines that the 63170
application makes the required demonstrations, the director shall 63171
transmit copies of the application and all of the accompanying 63172
maps, data, samples, and information to the chief of the division 63173
of mineral resources management, the chief of the division of 63174
geological survey, and the chief of the division of water in the 63175
department of natural resources. 63176

The chief of the division of geological survey shall comment 63177
upon the application if the chief determines that the proposed 63178
well or injection will present an unreasonable risk of loss or 63179

damage to valuable mineral resources. If the chief submits 63180
comments on the application, those comments shall be accompanied 63181
by an evaluation of the geological factors upon which the comments 63182
are based, including fractures, faults, earthquake potential, and 63183
the porosity and permeability of the injection zone and confining 63184
zone, and by the documentation supporting the evaluation. The 63185
director shall take into consideration the chief's comments, and 63186
the accompanying evaluation of geologic factors and supporting 63187
documentation, when considering the application. The director 63188
shall provide written notice to the chief of the director's 63189
decision on the application and, if the chief's comments are not 63190
included in the permit, renewal permit, or modification, of the 63191
director's rationale for not including them. 63192

The chief of the division of mineral resources management 63193
shall comment upon the application if the chief determines that 63194
the proposed well or injection will present an unreasonable risk 63195
that waste or contamination of recoverable oil or gas in the earth 63196
will occur. If the chief submits comments on the application, 63197
those comments shall be accompanied by an evaluation of the oil or 63198
gas reserves that, in the best professional judgment of the chief, 63199
are recoverable and will be adversely affected by the proposed 63200
well or injection, and by the documentation supporting the 63201
evaluation. The director shall take into consideration the chief's 63202
comments, and the accompanying evaluation and supporting 63203
documentation, when considering the application. The director 63204
shall provide written notice to the chief of the director's 63205
decision on the application and, if the chief's comments are not 63206
included in the permit, renewal permit, or modification, of the 63207
director's rationale for not including them. 63208

The chief of the division of water shall assist the director 63209
in determining whether all underground sources of drinking water 63210
in the area of review of the proposed well or injection have been 63211

identified and correctly delineated in the application. If the 63212
application fails to identify or correctly delineate an 63213
underground source of drinking water, the chief shall provide 63214
written notice of that fact to the director. 63215

The chief of the division of mineral resources management 63216
also shall review the application as follows: 63217

If the application concerns the drilling or conversion of a 63218
well or the injection into a well that is not or is not to be 63219
located within five thousand feet of the excavation and workings 63220
of a mine, the chief of the division of mineral resources 63221
management shall note upon the application that it has been 63222
examined by the division of mineral resources management, retain a 63223
copy of the application and map, and immediately return a copy of 63224
the application to the director. 63225

If the application concerns the drilling or conversion of a 63226
well or the injection into a well that is or is to be located 63227
within five thousand feet, but more than five hundred feet from 63228
the surface excavations and workings of a mine, the chief of the 63229
division of mineral resources management immediately shall notify 63230
the owner or lessee of the mine that the application has been 63231
filed and send to the owner or lessee a copy of the map 63232
accompanying the application setting forth the location of the 63233
well. The chief of the division of mineral resources management 63234
shall note on the application that the notice has been sent to the 63235
owner or lessee of the mine, retain a copy of the application and 63236
map, and immediately return a copy of the application to the 63237
director with the chief's notation on it. 63238

If the application concerns the drilling or conversion of a 63239
well or the injection into a well that is or is to be located 63240
within five thousand feet of the underground excavations and 63241
workings of a mine or within five hundred feet of the surface 63242
excavations and workings of a mine, the chief of the division of 63243

mineral resources management immediately shall notify the owner or 63244
lessee of the mine that the application has been filed and send to 63245
the owner or lessee a copy of the map accompanying the application 63246
setting forth the location of the well. If the owner or lessee 63247
objects to the application, the owner or lessee shall notify the 63248
chief of the division of mineral resources management of the 63249
objection, giving the reasons, within six days after the receipt 63250
of the notice. If the chief of the division of mineral resources 63251
management receives no objections from the owner or lessee of the 63252
mine within ten days after the receipt of the notice by the owner 63253
or lessee, or if in the opinion of the chief of the division of 63254
mineral resources management the objections offered by the owner 63255
or lessee are not sufficiently well-founded, the chief shall 63256
retain a copy of the application and map and return a copy of the 63257
application to the director with any applicable notes concerning 63258
it. 63259

If the chief of the division of mineral resources management 63260
receives an objection from the owner or lessee of the mine as to 63261
the application, within ten days after receipt of the notice by 63262
the owner or lessee, and if in the opinion of the chief the 63263
objection is well-founded, the chief shall disapprove the 63264
application and immediately return it to the director together 63265
with the chief's reasons for the disapproval. The director 63266
promptly shall notify the applicant for the permit, renewal 63267
permit, or modification of the disapproval. The applicant may 63268
appeal the disapproval of the application by the chief of the 63269
division of mineral resources management to the ~~reclamation~~ 63270
environmental review appeals commission created under section 63271
~~1513.05~~ 3745.02 of the Revised Code, and the commission shall hear 63272
the appeal in accordance with section 1513.13 of the Revised Code. 63273
The appeal shall be filed within thirty days from the date the 63274
applicant receives notice of the disapproval. No comments 63275
concerning or disapproval of an application shall be delayed by 63276

the chief of the division of mineral resources management for more 63277
than fifteen days from the date of sending of notice to the mine 63278
owner or lessee as required by this section. 63279

The director shall not approve an application for an 63280
injection well drilling permit, an injection well operating 63281
permit, a renewal of an injection well operating permit, or a 63282
modification of an injection well drilling permit, operating 63283
permit, or renewal of an operating permit for a well that is or is 63284
to be located within three hundred feet of any opening of any mine 63285
used as a means of ingress, egress, or ventilation for persons 63286
employed in the mine, nor within one hundred feet of any building 63287
or flammable structure connected with the mine and actually used 63288
as a part of the operating equipment of the mine, unless the chief 63289
of the division of mineral resources management determines that 63290
life or property will not be endangered by drilling and operating 63291
the well in that location. 63292

Upon review by the chief of the division of mineral resources 63293
management, the chief of the division of geological survey, and 63294
the chief of the division of water, and if the chief of the 63295
division of mineral resources management has not disapproved the 63296
application, the director shall issue a permit, renewal permit, or 63297
modification with any terms and conditions that may be necessary 63298
to comply with the Federal Water Pollution Control Act and 63299
regulations adopted under it; the "Safe Drinking Water Act," 88 63300
Stat. 1661 (1974), 42 U.S.C.A. 300(f) as amended, and regulations 63301
adopted under it; and this chapter and the rules adopted under it. 63302
The director shall not issue a permit, renewal permit, or 63303
modification to an applicant if the applicant or persons 63304
associated with the applicant have engaged in or are engaging in a 63305
substantial violation of this chapter that is endangering or may 63306
endanger human health or the environment or if, in the case of an 63307
applicant for an injection well drilling permit, the applicant, at 63308

the time of applying for the permit, did not hold an injection 63309
well operating permit or renewal of an injection well drilling 63310
permit and failed to demonstrate sufficient expertise and 63311
competency to operate the well in compliance with the applicable 63312
provisions of this chapter. 63313

If the director receives a disapproval from the chief of the 63314
division of mineral resources management regarding an application 63315
for an injection well drilling or operating permit, renewal 63316
permit, or modification, if required, the director shall issue an 63317
order denying the application. 63318

The director need not issue a proposed action under section 63319
3745.07 of the Revised Code or hold an adjudication hearing under 63320
that section and Chapter 119. of the Revised Code before issuing 63321
or denying a permit, renewal permit, or modification of a permit 63322
or renewal permit. Before issuing or renewing a permit to drill or 63323
operate a class I injection well or a modification of it, the 63324
director shall propose the permit, renewal permit, or modification 63325
in draft form and shall hold a public hearing to receive public 63326
comment on the draft permit, renewal permit, or modification. At 63327
least fifteen days before the public hearing on a draft permit, 63328
renewal permit, or modification, the director shall publish notice 63329
of the date, time, and location of the public hearing in at least 63330
one newspaper of general circulation serving the area where the 63331
well is or is to be located. The proposing of such a draft permit, 63332
renewal permit, or modification does not constitute the issuance 63333
of a proposed action under section 3745.07 of the Revised Code, 63334
and the holding of the public hearing on such a draft permit, 63335
renewal permit, or modification does not constitute the holding of 63336
an adjudication hearing under that section and Chapter 119. of the 63337
Revised Code. Appeals of orders other than orders of the chief of 63338
the division of mineral resources management shall be taken ~~under~~ 63339
in accordance with the procedures established in sections 3745.04 63340

to 3745.08 of the Revised Code. 63341

The director may order that an injection well drilling permit 63342
or an injection well operating permit or renewal permit be 63343
suspended and that activities under it cease after determining 63344
that those activities are occurring in violation of law, rule, 63345
order, or term or condition of the permit. Upon service of a copy 63346
of the order upon the permit holder or the permit holder's 63347
authorized agent or assignee, the permit and activities under it 63348
shall be suspended immediately without prior hearing and shall 63349
remain suspended until the violation is corrected and the order of 63350
suspension is lifted. If a violation is the second within a 63351
one-year period, the director, after a hearing, may revoke the 63352
permit. 63353

The director may order that an injection well drilling permit 63354
or an injection well operating permit or renewal permit be 63355
suspended and that activities under it cease if the director has 63356
reasonable cause to believe that the permit would not have been 63357
issued if the information available at the time of suspension had 63358
been available at the time a determination was made by one of the 63359
agencies acting under authority of this section. Upon service of a 63360
copy of the order upon the permit holder or the permit holder's 63361
authorized agent or assignee, the permit and activities under it 63362
shall be suspended immediately without prior hearing, but a permit 63363
may not be suspended for that reason without prior hearing unless 63364
immediate suspension is necessary to prevent waste or 63365
contamination of oil or gas, comply with the Federal Water 63366
Pollution Control Act and regulations adopted under it; the "Safe 63367
Drinking Water Act," 88 Stat. 1661 (1974), 42 U.S.C.A. 300(f), as 63368
amended, and regulations adopted under it; and this chapter and 63369
the rules adopted under it, or prevent damage to valuable mineral 63370
resources, prevent contamination of an underground source of 63371
drinking water, or prevent danger to human life or health. If 63372

after a hearing the director determines that the permit would not 63373
have been issued if the information available at the time of the 63374
hearing had been available at the time a determination was made by 63375
one of the agencies acting under authority of this section, the 63376
director shall revoke the permit. 63377

Sec. 4511.75. (A) The driver of a vehicle, streetcar, or trackless trolley upon meeting or overtaking from either direction

any school child, person attending programs offered by community 63650
boards of mental health and county boards of mental retardation 63651
and developmental disabilities, or child attending a program 63652
offered by a head start agency, shall stop at least ten feet from 63653
the front or rear of the school bus and shall not proceed until 63654
such school bus resumes motion, or until signaled by the school 63655
bus driver to proceed. 63656

It is no defense to a charge under this division that the 63657
school bus involved failed to display or be equipped with an 63658
automatically extended stop warning sign as required by division 63659
(B) of this section. 63660

(B) Every school bus shall be equipped with amber and red 63661
visual signals meeting the requirements of section 4511.771 of the 63662
Revised Code, and an automatically extended stop warning sign of a 63663
type approved by the state board of education, which shall be 63664
actuated by the driver of the bus whenever but only whenever the 63665
bus is stopped or stopping on the roadway for the purpose of 63666
receiving or discharging school children, persons attending 63667
programs offered by community boards of mental health and county 63668

The driver of any vehicle, streetcar, or trackless trolley overtaking the school bus shall comply with division (A) of this section.

(D) School buses operating on divided highways or on highways with four or more traffic lanes shall receive and discharge all school children, persons attending programs offered by community boards of mental health and county boards of mental retardation and developmental disabilities, and children attending programs offered by head start agencies on their residence side of the highway.

(E) No school bus driver shall start the driver's bus until after any child, person attending programs offered by community boards of mental health and county boards of mental retardation and developmental disabilities, or child attending a program offered by a head start agency who may have alighted therefrom has reached a place of safety on the child's or person's residence side of the road.

(2) In addition to and independent of any other penalty 63712
provided by law, the court or mayor may impose upon an offender 63713
who violates this section a class seven suspension of the 63714
offender's driver's license, commercial driver's license, 63715
temporary instruction permit, probationary license, or nonresident 63716
operating privilege from the range specified in division (A)(7) of 63717
section 4510.02 of the Revised Code. When a license is suspended 63718
under this section, the court or mayor shall cause the offender to 63719
deliver the license to the court, and the court or clerk of the 63720
court immediately shall forward the license to the registrar of 63721
motor vehicles, together with notice of the court's action. 63722

(G) As used in this section: 63723

(1) "Head start agency" has the same meaning as in ~~division~~ 63724
~~(A)(1)~~ of section 3301.31 of the Revised Code. 63725

(2) "School bus," as used in relation to children who attend 63726
a program offered by a head start agency, means a bus that is 63727
owned and operated by a head start agency, is equipped with an 63728
automatically extended stop warning sign of a type approved by the 63729
state board of education, is painted the color and displays the 63730
markings described in section 4511.77 of the Revised Code, and is 63731
equipped with amber and red visual signals meeting the 63732
requirements of section 4511.771 of the Revised Code, irrespective 63733
of whether or not the bus has fifteen or more children aboard at 63734
any time. "School bus" does not include a van owned and operated 63735
by a head start agency, irrespective of its color, lights, or 63736
markings. 63737

Section 3.08. That the existing version of section 4511.75 of 63738
the Revised Code that is scheduled to take effect January 1, 2004, 63739
is hereby repealed. 63740

Section 3.09. Sections 3.07 and 3.08 of this act take effect 63741

January 1, 2004. 63742

Section 3.10. That the versions of sections 5739.03, 5739.12, 63743
and 5741.02 of the Revised Code that are scheduled to take effect 63744
July 1, 2003, be amended to read as follows: 63745

Sec. 5739.03. (A) Except as provided in section 5739.05 of 63746
the Revised Code, the tax imposed by or pursuant to section 63747
5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code shall 63748
be paid by the consumer to the vendor, and each vendor shall 63749
collect from the consumer, as a trustee for the state of Ohio, the 63750
full and exact amount of the tax payable on each taxable sale, in 63751
the manner and at the times provided as follows: 63752

(1) If the price is, at or prior to the provision of the 63753
service or the delivery of possession of the thing sold to the 63754
consumer, paid in currency passed from hand to hand by the 63755
consumer or the consumer's agent to the vendor or the vendor's 63756
agent, the vendor or the vendor's agent shall collect the tax with 63757
and at the same time as the price; 63758

(2) If the price is otherwise paid or to be paid, the vendor 63759
or the vendor's agent shall, at or prior to the provision of the 63760
service or the delivery of possession of the thing sold to the 63761
consumer, charge the tax imposed by or pursuant to section 63762
5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code to 63763
the account of the consumer, which amount shall be collected by 63764
the vendor from the consumer in addition to the price. Such sale 63765
shall be reported on and the amount of the tax applicable thereto 63766
shall be remitted with the return for the period in which the sale 63767
is made, and the amount of the tax shall become a legal charge in 63768
favor of the vendor and against the consumer. 63769

(B)(1) If any sale is claimed to be exempt under division (E) 63770
of section 5739.01 of the Revised Code or under section 5739.02 of 63771

the Revised Code, with the exception of divisions (B)(1) to ~~(11)~~ 63772
~~or (28)(10)~~ of section 5739.02 of the Revised Code, the consumer 63773
must provide to the vendor, and the vendor must obtain from the 63774
consumer, a certificate specifying the reason that the sale is not 63775
legally subject to the tax. The certificate shall be provided 63776
either in a hard copy form or electronic form, as prescribed by 63777
the tax commissioner. If the transaction is claimed to be exempt 63778
under division (B)~~(13)~~(12) of section 5739.02 of the Revised Code, 63779
the exemption certificate shall be provided by both the contractor 63780
and the contractee. Such contractee shall be deemed to be the 63781
consumer of all items purchased under such claim of exemption if 63782
it is subsequently determined that the exemption is not properly 63783
claimed. The certificate shall be in such form as the tax 63784
commissioner by regulation prescribes. 63785

(2) The vendor shall maintain records, including exemption 63786
certificates, of all sales on which a consumer has claimed an 63787
exemption, and provide them to the tax commissioner on request. 63788

(3) The tax commissioner may establish an identification 63789
system whereby the commissioner issues an identification number to 63790
a consumer that is exempt from payment of the tax. The consumer 63791
must present the number to the vendor if any sale is claimed to be 63792
exempt as provided in this section. 63793

(4) If no certificate is provided or obtained within the 63794
period for filing the return for the period in which such sale is 63795
consummated, it shall be presumed that the tax applies. Failure to 63796
have so provided, or to have so obtained, a certificate shall not 63797
prevent a vendor or consumer from establishing that the sale is 63798
not subject to the tax within one hundred twenty days of the 63799
giving of notice by the commissioner of intention to levy an 63800
assessment, in which event the tax shall not apply. 63801

(5) Certificates need not be obtained nor provided where the 63802
identity of the consumer is such that the transaction is never 63803

subject to the tax imposed or where the item of tangible personal 63804
property sold or the service provided is never subject to the tax 63805
imposed, regardless of use, or when the sale is in interstate 63806
commerce. 63807

(C) As used in this division, "contractee" means a person who 63808
seeks to enter or enters into a contract or agreement with a 63809
contractor or vendor for the construction of real property or for 63810
the sale and installation onto real property of tangible personal 63811
property. 63812

Any contractor or vendor may request from any contractee a 63813
certification of what portion of the property to be transferred 63814
under such contract or agreement is to be incorporated into the 63815
realty and what portion will retain its status as tangible 63816
personal property after installation is completed. The contractor 63817
or vendor shall request the certification by certified mail 63818
delivered to the contractee, return receipt requested. Upon 63819
receipt of such request and prior to entering into the contract or 63820
agreement, the contractee shall provide to the contractor or 63821
vendor a certification sufficiently detailed to enable the 63822
contractor or vendor to ascertain the resulting classification of 63823
all materials purchased or fabricated by the contractor or vendor 63824
and transferred to the contractee. This requirement applies to a 63825
contractee regardless of whether the contractee holds a direct 63826
payment permit under section 5739.031 of the Revised Code or 63827
provides to the contractor or vendor an exemption certificate as 63828
provided under this section. 63829

For the purposes of the taxes levied by this chapter and 63830
Chapter 5741. of the Revised Code, the contractor or vendor may in 63831
good faith rely on the contractee's certification. Notwithstanding 63832
division (B) of section 5739.01 of the Revised Code, if the tax 63833
commissioner determines that certain property certified by the 63834
contractee as tangible personal property pursuant to this division 63835

is, in fact, real property, the contractee shall be considered to 63836
be the consumer of all materials so incorporated into that real 63837
property and shall be liable for the applicable tax, and the 63838
contractor or vendor shall be excused from any liability on those 63839
materials. 63840

If a contractee fails to provide such certification upon the 63841
request of the contractor or vendor, the contractor or vendor 63842
shall comply with the provisions of this chapter and Chapter 5741. 63843
of the Revised Code without the certification. If the tax 63844
commissioner determines that such compliance has been performed in 63845
good faith and that certain property treated as tangible personal 63846
property by the contractor or vendor is, in fact, real property, 63847
the contractee shall be considered to be the consumer of all 63848
materials so incorporated into that real property and shall be 63849
liable for the applicable tax, and the construction contractor or 63850
vendor shall be excused from any liability on those materials. 63851

This division does not apply to any contract or agreement 63852
where the tax commissioner determines as a fact that a 63853
certification under this division was made solely on the decision 63854
or advice of the contractor or vendor. 63855

(D) Notwithstanding division (B) of section 5739.01 of the 63856
Revised Code, whenever the total rate of tax imposed under this 63857
chapter is increased after the date after a construction contract 63858
is entered into, the contractee shall reimburse the construction 63859
contractor for any additional tax paid on tangible property 63860
consumed or services received pursuant to the contract. 63861

(E) A vendor who files a petition for reassessment contesting 63862
the assessment of tax on sales for which the vendor obtained no 63863
valid exemption certificates and for which the vendor failed to 63864
establish that the sales were properly not subject to the tax 63865
during the one-hundred-twenty-day period allowed under division 63866
(B) of this section, may present to the tax commissioner 63867

additional evidence to prove that the sales were properly subject 63868
to a claim of exception or exemption. The vendor shall file such 63869
evidence within ninety days of the receipt by the vendor of the 63870
notice of assessment, except that, upon application and for 63871
reasonable cause, the period for submitting such evidence shall be 63872
extended thirty days. 63873

The commissioner shall consider such additional evidence in 63874
reaching the final determination on the assessment and petition 63875
for reassessment. 63876

(F) Whenever a vendor refunds to the consumer the full price 63877
of an item of tangible personal property on which the tax imposed 63878
under this chapter has been paid, the vendor shall also refund the 63879
full amount of the tax paid. 63880

Sec. 5739.12. ~~Each (A) Except as provided in division (B) of~~ 63881
~~this section, each~~ person who has or is required to have a 63882
vendor's license, on or before the twenty-third day of each month, 63883
shall make and file a return for the preceding month, ~~on forms in~~ 63884
an electronic format prescribed by the tax commissioner, and shall 63885
pay electronically, in the manners specified by the tax 63886
commissioner, the tax shown on the return to be due. ~~The Nothing~~ 63887
in this division shall be construed as affecting section 5739.122 63888
of the Revised Code, and that section takes precedence over this 63889
section. 63890

(B) Unless the commissioner adopts rules under section 63891
5703.054 of the Revised Code that require vendors to file returns 63892
in an electronic format or make payments electronically, a vendor, 63893
on or before the tenth day of each month, shall file a return for 63894
the preceding month on paper forms prescribed by the tax 63895
commissioner and shall pay the tax shown on the return to be due. 63896

(C)(1) The return shall show the amount of tax due from the 63897
vendor to the state for the period covered by the return and such 63898

other information as the commissioner deems necessary for the 63899
proper administration of this chapter. The commissioner may extend 63900
the time for making and filing returns and paying the tax, ~~and may~~ 63901
~~require that the return for the last month of any annual or~~ 63902
~~semiannual period, as determined by the commissioner, be a~~ 63903
~~reconciliation return detailing the vendor's sales activity for~~ 63904
~~the preceding annual or semiannual period. The reconciliation~~ 63905
~~return shall be filed by the last day of the month following the~~ 63906
~~last month of the annual or semiannual period. The commissioner~~ 63907
may remit all or any part of amounts or penalties that may become 63908

section 5739.021, 5739.023, or 5739.026 of the Revised Code, in 64004

excess shall be remitted along with the remittance of the amount 64007
of tax due under section 5739.10 of the Revised Code. 64008

in order to insure the payment of the tax imposed by this chapter, 64010

periods. The returns shall be signed by the vendor or the vendor's 64012
authorized agent. 64013

required by this section in the second ensuing and each succeeding 64018
year by electronic funds transfer as prescribed by section 64019
5739.122 of the Revised Code, except as otherwise prescribed by 64020
that section. 64021

(K) The commissioner may require any vendor that operates 64022
from multiple locations or has multiple vendor's licenses to 64023
report all tax liability on one consolidated return. 64024

Sec. 5741.02. (A) For the use of the general revenue fund of 64025
the state, an excise tax is hereby levied on the storage, use, or 64026
other consumption in this state of tangible personal property or 64027
the benefit realized in this state of any service provided. The 64028
tax shall be collected pursuant to the schedules in section 64029
5739.025 of the Revised Code. 64030

(B) Each consumer, storing, using, or otherwise consuming in 64031
this state tangible personal property or realizing in this state 64032
the benefit of any service provided, shall be liable for the tax, 64033
and such liability shall not be extinguished until the tax has 64034
been paid to this state; provided, that the consumer shall be 64035
relieved from further liability for the tax if the tax has been 64036
paid to a seller in accordance with section 5741.04 of the Revised 64037
Code or prepaid by the seller in accordance with section 5741.06 64038
of the Revised Code. 64039

(C) The tax does not apply to the storage, use, or 64040
consumption in this state of the following described tangible 64041
personal property or services, nor to the storage, use, or 64042
consumption or benefit in this state of tangible personal property 64043
or services purchased under the following described circumstances: 64044

(1) When the sale of property or service in this state is 64045
subject to the excise tax imposed by sections 5739.01 to 5739.31 64046
of the Revised Code, provided said tax has been paid; 64047

(2) Except as provided in division (D) of this section, 64048
tangible personal property or services, the acquisition of which, 64049
if made in Ohio, would be a sale not subject to the tax imposed by 64050
sections 5739.01 to 5739.31 of the Revised Code; 64051

(3) Property or services, the storage, use, or other 64052
consumption of or benefit from which this state is prohibited from 64053
taxing by the Constitution of the United States, laws of the 64054

United States, or the Constitution of this state. This exemption 64055
shall not exempt from the application of the tax imposed by this 64056
section the storage, use, or consumption of tangible personal 64057
property that was purchased in interstate commerce, but that has 64058
come to rest in this state, provided that fuel to be used or 64059
transported in carrying on interstate commerce that is stopped 64060
within this state pending transfer from one conveyance to another 64061
is exempt from the excise tax imposed by this section and section 64062
5739.02 of the Revised Code; 64063

(4) Transient use of tangible personal property in this state 64064
by a nonresident tourist or vacationer, or a non-business use 64065
within this state by a nonresident of this state, if the property 64066
so used was purchased outside this state for use outside this 64067
state and is not required to be registered or licensed under the 64068
laws of this state; 64069

(5) Tangible personal property or services rendered, upon 64070
which taxes have been paid to another jurisdiction to the extent 64071
of the amount of the tax paid to such other jurisdiction. Where 64072
the amount of the tax imposed by this section and imposed pursuant 64073
to section 5741.021, 5741.022, or 5741.023 of the Revised Code 64074
exceeds the amount paid to another jurisdiction, the difference 64075
shall be allocated between the tax imposed by this section and any 64076
tax imposed by a county or a transit authority pursuant to section 64077
5741.021, 5741.022, or 5741.023 of the Revised Code, in proportion 64078
to the respective rates of such taxes. 64079

As used in this subdivision, "taxes paid to another 64080
jurisdiction" means the total amount of retail sales or use tax or 64081
similar tax based upon the sale, purchase, or use of tangible 64082
personal property or services rendered legally, levied by and paid 64083
to another state or political subdivision thereof, or to the 64084
District of Columbia, where the payment of such tax does not 64085
entitle the taxpayer to any refund or credit for such payment. 64086

(6) The transfer of a used manufactured home or used mobile home, as defined by section 5739.0210 of the Revised Code, made on or after January 1, 2000;

(7) Drugs that are or are intended to be distributed free of charge to a practitioner licensed to prescribe, dispense, and administer drugs to a human being in the course of a professional practice and that by law may be dispensed only by or upon the order of such a practitioner.

(D) The tax applies to the storage, use, or other consumption in this state of tangible personal property or services, the acquisition of which at the time of sale was excepted under division (E)(1) of section 5739.01 of the Revised Code from the tax imposed by section 5739.02 of the Revised Code, but which has subsequently been temporarily or permanently stored, used, or otherwise consumed in a taxable manner.

(E)(1) If any transaction is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B)(1) to ~~(11) or (28)~~(10) of section 5739.02 of the Revised Code, the consumer shall provide to the seller, and the seller shall obtain from the consumer, a certificate specifying the reason that the transaction is not subject to the tax. The certificate shall be provided either in a hard copy form or electronic form, as prescribed by the tax commissioner. If the transaction is claimed to be exempt under division (B)~~(13)~~(12) of section 5739.02 of the Revised Code, the exemption certificate shall be provided by both the contractor and contractee. Such contractee shall be deemed to be the consumer of all items purchased under the claim of exemption if it is subsequently determined that the exemption is not properly claimed. The certificate shall be in such form as the tax commissioner by rule prescribes. The seller shall maintain records, including exemption

certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(2) If no certificate is provided or obtained within the period for filing the return for the period in which the transaction is consummated, it shall be presumed that the tax applies. The failure to have so provided or obtained a certificate shall not preclude a seller or consumer from establishing, within one hundred twenty days of the giving of notice by the commissioner of intention to levy an assessment, that the transaction is not subject to the tax.

(F) A seller who files a petition for reassessment contesting the assessment of tax on transactions for which the seller obtained no valid exemption certificates, and for which the seller failed to establish that the transactions were not subject to the tax during the one-hundred-twenty-day period allowed under division (E) of this section, may present to the tax commissioner additional evidence to prove that the transactions were exempt. The seller shall file such evidence within ninety days of the receipt by the seller of the notice of assessment, except that, upon application and for reasonable cause, the tax commissioner may extend the period for submitting such evidence thirty days.

(G) For the purpose of the proper administration of sections 5741.01 to 5741.22 of the Revised Code, and to prevent the evasion of the tax hereby levied, it shall be presumed that any use, storage, or other consumption of tangible personal property in this state is subject to the tax until the contrary is established.

(H)(1) As used in division (H)(2) of this section, "qualifying affiliated group member" and "another qualifying affiliated group member" have the same meanings as in division (D)(6) of section 5739.01 of the Revised Code.

(2) A qualifying affiliated group member that purchases, 64150
leases, or rents tangible personal property from another 64151
qualifying affiliated group member may credit against the tax due 64152
under this section or section 5741.021, 5741.022, or 5741.023 of 64153
the Revised Code, up to the amount of the tax due, any sales, use, 64154
or other similar tax paid to this state or to any other state by 64155
the other qualifying affiliated group member on the purchase, 64156
lease, or rental of the property. 64157

Section 3.11. That the existing versions of sections 5739.03, 64158
5739.12, and 5741.02 of the Revised Code that are scheduled to 64159
take effect July 1, 2003, are hereby repealed. 64160

Section 3.12. Sections 3.10 and 3.11 of this act take effect 64161
July 1, 2003. 64162

Section 4. Except as otherwise provided, all appropriation 64163
items (AI) in this act are appropriated out of any moneys in the 64164
state treasury to the credit of the designated fund that are not 64165
otherwise appropriated. For all appropriations made in this act, 64166
the amounts in the first column are for fiscal year 2004 and the 64167

(B) The Department of Commerce, the Office of Criminal 65576

PROGRAM	ADMINISTERING AGENCY	ESTIMATED ANNUAL AMOUNT

Firefighter Training Costs	Department of Commerce	\$731,000	65588
Child Abuse Detection Training Costs	Department of Education	\$585,000	65589

(C) Subject to the total amount appropriated in each fiscal year for appropriation item 911-404, Mandate Assistance, the Department of Commerce, the Office of Criminal Justice Services, and the Department of Education may request from the Controlling Board that amounts smaller or larger than these estimated annual amounts be transferred to each program.

(D) In addition to making the initial transfers requested by the Department of Commerce, the Office of Criminal Justice Services, and the Department of Education, the Controlling Board may transfer appropriations received by a state agency under this section back to appropriation item 911-404, Mandate Assistance, or to one or more of the other programs of state financial assistance identified under this section.

(E) It is expected that not all costs incurred by local units of government, school districts, and fire departments under each of the three programs of state financial assistance identified under this section will be fully reimbursed by the state. Reimbursement levels may vary by program and shall be based on: the relationship between the appropriation transfers requested by the Department of Commerce, the Office of Criminal Justice Services, and the Department of Education and provided by the

Controlling Board for each of the programs; the rules and 65611
procedures established for each program by the administering state 65612
agency; and the actual costs incurred by local units of 65613
government, school districts, and fire departments. 65614

(F) Each of these programs of state financial assistance 65615
shall be carried out as follows: 65616

(1) PROSECUTION COSTS 65617

(a) Appropriations may be transferred to the Office of 65618
Criminal Justice Services to cover local prosecution costs for 65619
aggravated murder, murder, felonies of the first degree, and 65620
felonies of the second degree that occur on the grounds of 65621
institutions operated by the Department of Rehabilitation and 65622
Correction and the Department of Youth Services. 65623

(b) Upon a delinquency filing in juvenile court or the return 65624
of an indictment for aggravated murder, murder, or any felony of 65625
the first or second degree that was committed at a Department of 65626
Youth Services or a Department of Rehabilitation and Correction 65627
institution, the affected county may, in accordance with rules 65628
that the Office of Criminal Justice Services shall adopt, apply to 65629
the Office of Criminal Justice Services for a grant to cover all 65630
documented costs that are incurred by the county prosecutor's 65631
office. 65632

(c) Twice each year, the Office of Criminal Justice Services 65633
shall designate counties to receive grants from those counties 65634
that have submitted one or more applications in compliance with 65635
the rules that have been adopted by the Office of Criminal Justice 65636
Services for the receipt of such grants. In each year's first 65637
round of grant awards, if sufficient appropriations have been 65638
made, up to a total of \$100,000 may be awarded. In each year's 65639
second round of grant awards, the remaining appropriations 65640
available for this purpose may be awarded. 65641

(d) If for a given round of grants there are insufficient 65642
appropriations to make grant awards to all the eligible counties, 65643
the first priority shall be given to counties with cases involving 65644
aggravated murder and murder; second priority shall be given to 65645
cases involving a felony of the first degree; and third priority 65646
shall be given to cases involving a felony of the second degree. 65647
Within these priorities, the grant awards shall be based on the 65648
order in which the applications were received, except that 65649
applications for cases involving a felony of the first or second 65650
degree shall not be considered in more than two consecutive rounds 65651
of grant awards. 65652

(2) FIREFIGHTER TRAINING COSTS 65653

Appropriations may be transferred to the Department of 65654
Commerce for use as full or partial reimbursement to local units 65655
of government and fire departments for the cost of firefighter 65656
training and equipment or gear. In accordance with rules that the 65657
department shall adopt, a local unit of government or fire 65658
department may apply to the department for a grant to cover all 65659
documented costs that are incurred to provide firefighter training 65660
and equipment or gear. The department shall make grants within the 65661
limits of the funding provided, with priority given to fire 65662
departments that serve small villages and townships. 65663

(3) CHILD ABUSE DETECTION TRAINING COSTS 65664

provide for the administration of this program by the Technology 65884
Division. 65885

Of the foregoing appropriation item 195-401, Thomas Edison 65886
Program, not more than \$2,000,000 in fiscal year 2004 and 65887
\$2,300,000 in fiscal year 2005 shall be used for operating 65888
expenditures in administering the programs of the Technology 65889
Division. 65890

Section 38.02. SMALL BUSINESS DEVELOPMENT 65891

The foregoing appropriation item 195-404, Small Business 65892
Development, shall be used to ensure that the unique needs and 65893
concerns of small businesses are addressed. 65894

The foregoing appropriation item 195-404, Small Business 65895

to support the operation of Small Business Development Centers and 65897

other local economic development activity promoting small 65898
business, and for the cost of administering the small business 65899
development center program. The centers shall provide technical, 65900
financial, and management consultation for small business and 65901
shall facilitate access to state and federal programs. These funds 65902
shall be used as matching funds for grants from the United States 65903
Small Business Administration and other federal agencies, pursuant 65904
to Public Law No. 96-302 (1980) as amended by Public Law No. 65905
98-395 (1984), and regulations and policy guidelines for the 65906

In addition, the Office of Small Business may operate the 65908
1st-Stop Business Connection and implement and coordinate the 65909

Coal Development Office within the Technology Division. 65929

Section 38.04. BUSINESS DEVELOPMENT 65930

The foregoing appropriation item 195-412, Business 65931
Development Grants, shall be used as an incentive for attracting 65932
and retaining business opportunities for the state. Any such 65933
business opportunity, whether new, expanding, or relocating in 65934
Ohio, is eligible for funding. The project must create or retain a 65935
significant number of jobs for Ohioans. Grant awards may be 65936
considered only when (1) the project's viability hinges on an 65937
award of funds from appropriation item 195-412, Business 65938

for the infusion into the project of other financing sources. 65941

The department's primary goal shall be to award funds to 65942
political subdivisions of the state for off-site infrastructure 65943

development in a region, the department may elect to award funds 65945
directly to a business for on-site infrastructure improvements. 65946
"Infrastructure improvements" mean improvements to water system 65947
facilities, sewer and sewage treatment facilities, electric or gas 65948
service facilities, fiber optic facilities, rail facilities, site 65949

deemed appropriate to meet an extraordinary economic development 65952
opportunity or need. 65953

The foregoing appropriation item 195-412, Business 65954

construction, rehabilitation, and acquisition projects for rail 65961
freight assistance as requested by the Department of 65962
Transportation. The Director of Transportation shall submit the 65963

Department of Education to provide vocational administration 66436
matching funds pursuant to 20 U.S.C. 2311. 66437

MAINTENANCE AND EQUIPMENT 66438

Of the foregoing appropriation item 200-320, Maintenance and 66439
Equipment, up to \$25,000 may be expended in fiscal year 2004 for 66440
State Board of Education out-of-state travel. 66441

Of the foregoing appropriation item 200-320, Maintenance and 66442
Equipment, \$692,014 in fiscal year 2004 shall be used by the 66443
Department of Education to provide vocational administration 66444
matching funds pursuant to 20 U.S.C. 2311. 66445

Section 40.02. PUBLIC PRESCHOOL 66446

The Department of Education shall distribute the foregoing 66447
appropriation item 200-408, Public Preschool, to pay the costs of 66448
comprehensive preschool programs. As used in this section, "school 66449
district" means a city, local, exempted village, or joint 66450
vocational school district, or an educational service center. 66451

(A) In fiscal year 2004, up to two per cent of the total 66452
appropriation may be used by the department for program support 66453
and technical assistance; developing program capacity; and 66454
assisting programs with facilities planning, construction, 66455

renovation, or lease agreements in conjunction with the Community Development Finance Fund (CFFF). The Department shall distribute the remainder of the appropriation in fiscal year 2004 to serve children from families earning not more than 185 per cent of the federal poverty guidelines.

(B) The department shall provide an annual report to the Governor, the Speaker of the House of Representatives, the President of the Senate, the State Board of Education, Head Start grantees, and other interested parties. The report shall include:

(1) The number and per cent of eligible children by county and by school district;

(2) The amount of state funds allocated for continuation per school district;

(3) The amount of state funds received for continuation per school district;

(4) A summary of program performance on the state critical performance indicators in the public preschool program;

(5) A summary of developmental progress of children participating in the state-funded public preschool program;

(6) Any other data reflecting the performance of public preschool programs that the department considers pertinent.

(C) For purposes of this section, "eligible child" means a child who is at least three years of age, is not eligible for kindergarten, and whose family earns not more than 185 per cent of the federal poverty guidelines.

(D) The department may reallocate unobligated or unspent money to participating school districts for purposes of program expansion, improvement, or special projects to promote quality and innovation.

(E) Costs for developing and administering a preschool

program may not exceed fifteen per cent of the total approved 66486
costs of the program. 66487

All recipients of funds shall maintain such fiscal control 66488
and accounting procedures as may be necessary to ensure the 66489
disbursement of, and accounting for, these funds. The control of 66490
funds provided in this program, and title to property obtained 66491
therefrom, shall be under the authority of the approved recipient 66492
for purposes provided in the program unless, as described in 66493
division (J) of this section, a preschool program waives its right 66494
for funding or a program's funding is eliminated or reduced due to 66495
its inability to meet financial or program performance standards. 66496
The approved recipient shall administer and use such property and 66497
funds for the purposes specified. 66498

(F) The department shall prescribe target levels for critical 66499
performance indicators for the purpose of assessing public 66500
preschool programs. On-site reviews and follow-up visits shall be 66501
based on progress in meeting the prescribed target levels. 66502

(G) The Department may examine a recipient's financial and 66503
program records. If the financial practices of the program are not 66504
in accordance with standard accounting principles or do not meet 66505
financial standards outlined under division (E) of this section, 66506
or if the program fails to substantially meet the Head Start 66507
performance standards or exhibits below average performance as 66508
measured against the performance indicators outlined in division 66509
(F) of this section, the preschool program shall propose and 66510
implement a corrective action plan that has been approved by the 66511
Department. The approved corrective action plan shall be signed by 66512
the school district board of education and the appropriate grantee 66513
official. The corrective action plan shall include a schedule for 66514
monitoring by the Department. Such monitoring may include monthly 66515
reports, inspections, a timeline for correction of deficiencies, 66516
and technical assistance to be provided by the Department or 66517

obtained by the public preschool program. The Department may 66518
withhold funding pending corrective action. If a public preschool 66519
program fails to satisfactorily complete a corrective action plan, 66520
the Department may either deny expansion funding to the program or 66521
withdraw all or part of the public preschool funding from the 66522
agency and establish a new state-funded agency through a 66523
competitive bidding process established by the Department. 66524

(H) The department shall require public preschool programs to 66525
document child progress, using research-based indicators as 66526
prescribed by the department, and report results annually. The 66527
department shall determine the dates for documenting and 66528
reporting. 66529

(I) Each school district shall develop a sliding fee scale 66530
based on family incomes in the district and shall charge families 66531
who earn more than the federal poverty guidelines for preschool. 66532

(J) If a public preschool program voluntarily waives its 66533
right for funding, or has its funding eliminated for not meeting 66534
financial standards or program performance standards, the grantee 66535
and delegate shall transfer control of title to property, 66536
equipment, and remaining supplies obtained through the program to 66537
designated grantees and return any unexpended funds to the 66538
Department along with any reports prescribed by the Department. 66539
The funding made available from a program that waives its right 66540
for funding or has its funding eliminated or reduced may be used 66541
by the Department for new grant awards or expansion grants. The 66542
Department may award new grants or expansion grants to eligible 66543
providers who apply. The eligible providers who apply must do so 66544
in accordance with the competitive bidding process established by 66545
the Department. 66546

reward teachers who become certified by the board pursuant to 66563
section 3319.55 of the Revised Code, and up to \$300,000 in fiscal 66564
year 2004 of this set-aside may be used by the Department to pay 66565
for costs associated with activities to support candidates through 66566
the application and certification process. 66567

applications in fiscal year 2004 received by the Department. Each 66569
prospective applicant for certification or licensure shall submit 66570
an application to the Department of Education. When the Department 66571

ALTERNATIVE EDUCATION PROGRAMS 66638

There is hereby created the Alternative Education Advisory 66639
Council, which shall consist of one representative from each of 66640
the following agencies: the Ohio Department of Education; the 66641

Department of Youth Services; the Ohio Department of Alcohol and 66642
Drug Addiction Services; the Department of Mental Health; the 66643
Office of the Governor or, at the Governor's discretion, the 66644
Office of the Lieutenant Governor; the Office of the Attorney 66645
General; and the Office of the Auditor of State. 66646

Of the foregoing appropriation item 200-421, Alternative 66647
Education Programs, not less than \$7,897,500 in fiscal year 2004 66648
shall be used for the renewal of successful implementation grants 66649

districts as defined in division (O) of section 3317.02 of the 66651
Revised Code as it existed prior to July 1, 1998, and not less 66652
than \$7,863,047 in fiscal year 2004 shall be used for the renewal 66653

alternative educational programs for existing and new at-risk and 66656
delinquent youth. Programs shall be focused on youth in one or 66657
more of the following categories: those who have been expelled or 66658
suspended, those who have dropped out of school or who are at risk 66659
of dropping out of school, those who are habitually truant or 66660
disruptive, or those on probation or on parole from a Department 66661
of Youth Services facility. Grants shall be awarded according to 66662
the criteria established by the Alternative Education Advisory 66663
Council in 1999. Grants shall be awarded only to programs where 66664
the grant would not serve as the program's primary source of 66665
funding. These grants shall be administered by the Department of 66666
Education. 66667

The Department of Education may waive compliance with any 66668
minimum education standard established under section 3301.07 of 66669
the Revised Code for any alternative school that receives a grant 66670
under this section on the grounds that the waiver will enable the 66671
program to more effectively educate students enrolled in the 66672
alternative school. 66673

Of the foregoing appropriation item 200-421, Alternative Education Programs, up to \$449,235 in fiscal year 2004 may be used for program administration, monitoring, technical assistance, support, research, and evaluation. the amounts determined pursuant to this section to the Speaker of 67622
the House of Representatives and the President of the Senate. 67623

(C) In fiscal year 2004, if there is a balance in the Lottery 67624

\$75,000,000 shall be distributed pursuant to division (E) of this 67645
section. 67646

(E) In the appropriate fiscal year, any remaining amounts 67647
after the operations required by division (C) or (D) of this 67648
section, respectively, shall be transferred to the Public School 67649
Building Fund (Fund 021) and such amount is appropriated to 67650
appropriation item CAP-622, Public School Buildings, in the School 67651
Facilities Commission. 67652

Section 40.22. SCHOOL DISTRICT PROPERTY TAX REPLACEMENT 67653

The foregoing appropriation item 200-900, School District 67654

Education, in consultation with the Department of Taxation, to 67656
make payments to school districts and joint vocational school 67657
districts pursuant to section 5727.85 of the Revised Code. 67658

Section 40.23. * DISTRIBUTION FORMULAS 67659

The Department of Education shall report the following to the 67660
Director of Budget and Management, the Legislative Office of 67661
Education Oversight, and the Legislative Service Commission: 67662

(A) Changes in formulas for distributing state 67663
appropriations, including administratively defined formula 67664
factors; 67665

(B) Discretionary changes in formulas for distributing 67666
federal appropriations; 67667

(C) Federally mandated changes in formulas for distributing 67668
federal appropriations. 67669

Any such changes shall be reported two weeks prior to the 67670
effective date of the change. 67671

Section 40.24. DISTRIBUTION - SCHOOL DISTRICT SUBSIDY 67672
PAYMENTS 67673

This section shall not take effect unless the Director of 67674
Budget and Management adopts an order putting it into effect and 67675
certifies a copy of the order to the Superintendent of Public 67676
Instruction and the Controlling Board. 67677

Notwithstanding any other provision of the Revised Code, the 67678
monthly distribution of payments made to school districts and 67679
educational service centers pursuant to section 3317.01 of the 67680
Revised Code for the first six months of each fiscal year shall 67681
equal, as nearly as possible, six and two-thirds per cent of the 67682
estimate of the amounts payable for each fiscal year. The monthly 67683
distribution of payments for the last six months of each fiscal 67684
year shall equal, as nearly as possible, ten per cent of the final 67685
calculation of the amounts payable to each school district for 67686
that fiscal year. 67687

The treasurer of each school district or educational service 67688
center may accrue, in addition to the payments defined in this 67689

section, to the accounts of the calendar years that end during 67690
each fiscal year, the difference between the sum of the first six 67691
months' payments in each fiscal year and the amounts the district 67692
would have received had the payments been made in, as nearly as 67693
possible in each fiscal year, twelve equal monthly payments. 67694

Notwithstanding the limitations on the amount of borrowing 67695
and time of payment provided for in section 133.10 of the Revised 67696
Code but subject to sections 133.26 and 133.30 of the Revised 67697
Code, a board of education of a school district may at any time 67698
between July 1, 2003, and December 31, 2003, or at any time 67699
between July 1, 2004, and December 31, 2004, borrow money to pay 67700
any necessary and actual expenses of the school district during 67701
the last six months of calendar years 2003 and 2004 and in 67702
anticipation of the receipt of any portion of the payments to be 67703
received by that district in the first six months of calendar 67704
years 2004 and 2005 representing the respective amounts accrued 67705
pursuant to the preceding paragraph, and issue notes to evidence 67706
that borrowing to mature not later than the thirtieth day of June 67707
of the calendar year following the calendar year in which such 67708
amount was borrowed. The principal amount borrowed in the last six 67709
months of calendar years 2003 or 2004 under this paragraph may not 67710
exceed the entire amount accrued or to be accrued by the district 67711
treasurer in those calendar years pursuant to the preceding 67712
paragraph. The proceeds of the notes shall be used only for the 67713
purposes for which the anticipated receipts are lawfully 67714
appropriated by the board of education. No board of education 67715
shall be required to use the authority granted by this paragraph. 67716
The receipts so anticipated, and additional amounts from 67717
distributions to the districts in the first six months of calendar 67718
years 2004 and 2005 pursuant to Chapter 3317. of the Revised Code 67719
needed to pay the interest on the notes, shall be deemed 67720
appropriated by the board of education to the extent necessary for 67721
the payment of the principal of and interest on the notes at 67722

maturity, and the amounts necessary to make those monthly 67723
distributions are appropriated from the General Revenue Fund. For 67724
the purpose of better ensuring the prompt payment of principal of 67725
and interest on the notes when due, the resolution of the board of 67726
education authorizing the notes may direct that the amount of the 67727
receipts anticipated, together with those additional amounts 67728
needed to pay the interest on the borrowed amounts, shall be 67729
deposited and segregated, in trust or otherwise, to the extent, at 67730
the time or times, and in the manner provided in that resolution. 67731
The borrowing authorized by this section does not constitute debt 67732
for purposes of section 133.04 of the Revised Code. School 67733
districts shall be reimbursed by the state for all necessary and 67734
actual costs to districts arising from this provision, including, 67735
without limitation, the interest paid on the notes while the notes 67736
are outstanding. The Department of Education shall adopt rules 67737
that are not inconsistent with this section for school district 67738
eligibility and application for reimbursement of such costs. 67739
Payments of these costs shall be made out of any anticipated 67740
balances in appropriation items distributed under Chapter 3317. of 67741
the Revised Code. The department shall submit all requests for 67742
reimbursement under these provisions to the Controlling Board for 67743
approval. 67744

During the last six months of each calendar year, instead of 67745
deducting the amount the Superintendent of Public Instruction 67746
would otherwise deduct from a school district's or educational 67747
service center's state aid payments in accordance with the 67748
certifications made for such year pursuant to sections 3307.56 and 67749
3309.51 of the Revised Code, the superintendent shall deduct an 67750
amount equal to forty per cent of the amount so certified. The 67751
secretaries of the retirement systems shall compute the 67752
certifications for the ensuing year under such sections as if the 67753
entire amounts certified as due in the calendar year ending the 67754
current fiscal year, but not deducted pursuant to this paragraph, 67755

had been deducted and paid in that calendar year. During the first 67756
six months of the ensuing calendar year, in addition to deducting 67757
the amounts the Superintendent of Public Instruction is required 67758
to deduct under such sections during such period, the 67759
superintendent shall deduct from a district's or educational 67760
service center's state aid payments an additional amount equal to 67761
the amount that was certified as due from the district for the 67762
calendar year that ends during the fiscal year, but that was not 67763
deducted because of this paragraph. The superintendent's 67764
certifications to the Director of Budget and Management during the 67765
first six months of the calendar year shall reflect such 67766
additional deduction. 67767

Section 40.25. EDUCATIONAL SERVICE CENTERS FUNDING 67768

Notwithstanding division (B) of section 3317.11 of the 67769
Revised Code, no funds shall be provided to an educational service 67770
center in fiscal year 2004 for any pupils of a city or exempted 67771
village school district unless an agreement to provide services 67772
under section 3313.843 of the Revised Code was entered into by 67773
January 1, 1997, except that funds shall be provided to an 67774
educational service center for any pupils of a city school 67775
district if the agreement to provide services was entered into 67776
within one year of the date upon which such district changed from 67777
a local school district to a city school district. If insufficient 67778
funds are appropriated in fiscal year 2004 for the purposes of 67779
division (B) of section 3317.11 of the Revised Code, the 67780
Department shall first distribute to each educational service 67781
center \$37 per pupil in its service center ADM, as defined in that 67782
section. The remaining funds in fiscal year 2004 shall be 67783
distributed proportionally, on a per-student basis, to each 67784
educational service center for its client ADM, as defined in that 67785
section, that is attributable to each city and exempted village 67786
school district that had entered into an agreement with an 67787

educational service center for that fiscal year under section 67788
3313.843 of the Revised Code by January 1, 1997. 67789

Section 40.26. * For the school year commencing July 1, 2003, 67790
or the school year commencing July 1, 2004, or both, the 67791
Superintendent of Public Instruction may waive for the board of 67792
education of any school district the ratio of teachers to pupils 67793
in kindergarten through fourth grade required under paragraph 67794
(A)(3) of rule 3301-35-05 of the Administrative Code if the 67795
following conditions apply: 67796

(A) The board of education requests the waiver. 67797

(B) After the Department of Education conducts an on-site 67798
evaluation of the district related to meeting the required ratio, 67799
the board of education demonstrates to the satisfaction of the 67800
Superintendent of Public Instruction that providing the facilities 67801
necessary to meet the required ratio during the district's regular 67802
school hours with pupils in attendance would impose an extreme 67803
hardship on the district. 67804

(C) The board of education provides assurances that are 67805
satisfactory to the Superintendent of Public Instruction that the 67806
board will act in good faith to meet the required ratio as soon as 67807
possible. 67808

Section 40.27. PRIVATE TREATMENT FACILITY PILOT PROJECT 67809

(A) As used in this section: 67810

(1) The following are "participating residential treatment 67811
centers": 67812

(a) Private residential treatment facilities that have 67813
entered into a contract with the Department of Youth Services to 67814
provide services to children placed at the facility by the 67815
Department and which, in fiscal year 2004, the Department pays 67816

through appropriation item 470-401, Care and Custody; 67817

(b) Abraxas, in Shelby; 67818

(c) Paint Creek, in Bainbridge; 67819

(d) Act One, in Akron; 67820

(e) Friars Club, in Cincinnati. 67821

(2) "Education program" means an elementary or secondary 67822
education program or a special education program and related 67823
services. 67824

(3) "Served child" means any child receiving an education 67825
program pursuant to division (B) of this section. 67826

(4) "School district responsible for tuition" means a city, 67827
exempted village, or local school district that, if tuition 67828
payment for a child by a school district is required under law 67829
that existed in fiscal year 1998, is the school district required 67830
to pay that tuition. 67831

(5) "Residential child" means a child who resides in a 67832
participating residential treatment center and who is receiving an 67833
educational program under division (B) of this section. 67834

(B) A youth who is a resident of the state and has been 67835
assigned by a juvenile court or other authorized agency to a 67836
residential treatment facility specified in division (A) of this 67837
section shall be enrolled in an approved educational program 67838
located in or near the facility. Approval of the educational 67839
program shall be contingent upon compliance with the criteria 67840
established for such programs by the Department of Education. The 67841
educational program shall be provided by a school district or 67842
educational service center, or by the residential facility itself. 67843
Maximum flexibility shall be given to the residential treatment 67844
facility to determine the provider. In the event that a voluntary 67845
agreement cannot be reached and the residential facility does not 67846

choose to provide the educational program, the educational service 67847
center in the county in which the facility is located shall 67848
provide the educational program at the treatment center to 67849
children under twenty-two years of age residing in the treatment 67850
center. 67851

(C) Any school district responsible for tuition for a 67852
residential child shall, notwithstanding any conflicting provision 67853
of the Revised Code regarding tuition payment, pay tuition for the 67854
child for fiscal year 2004 to the education program provider and 67855
in the amount specified in this division. If there is no school 67856
district responsible for tuition for a residential child and if 67857
the participating residential treatment center to which the child 67858
is assigned is located in the city, exempted village, or local 67859
school district that, if the child were not a resident of that 67860
treatment center, would be the school district where the child is 67861
entitled to attend school under sections 3313.64 and 3313.65 of 67862
the Revised Code, that school district, notwithstanding any 67863
conflicting provision of the Revised Code, shall pay tuition for 67864
the child for fiscal year 2004 under this division unless that 67865
school district is providing the educational program to the child 67866
under division (B) of this section. 67867

A tuition payment under this division shall be made to the 67868
school district, educational service center, or residential 67869
treatment facility providing the educational program to the child. 67870

The amount of tuition paid shall be: 67871

(1) The amount of tuition determined for the district under 67872
division (A) of section 3317.08 of the Revised Code; 67873

(2) In addition, for any student receiving special education 67874
pursuant to an individualized education program as defined in 67875
section 3323.01 of the Revised Code, a payment for excess costs. 67876
This payment shall equal the actual cost to the school district, 67877

educational service center, or residential treatment facility of 67878
providing special education and related services to the student 67879
pursuant to the student's individualized education program, minus 67880
the tuition paid for the child under division (C)(1) of this 67881
section. 67882

A school district paying tuition under this division shall 67883
not include the child for whom tuition is paid in the district's 67884
average daily membership certified under division (A) of section 67885
3317.03 of the Revised Code. 67886

(D) In fiscal year 2004, the Department of Education shall 67887
reimburse, from appropriations made for the purpose, a school 67888
district, educational service center, or residential treatment 67889
facility, whichever is providing the service, that has 67890
demonstrated that it is in compliance with the funding criteria 67891
for each served child for whom a school district must pay tuition 67892
under division (C) of this section. The amount of the 67893

STATE FAIR RESERVE 68139

The foregoing appropriation item 723-603, State Fair Reserve, 68140

shall serve as a budget reserve fund for the Ohio Expositions 68141

Commission in the event of a significant decline in attendance due 68142

to inclement weather or extraordinary circumstances during the 68143

Ohio State Fair resulting in a loss of revenue. The State Fair 68144

Reserve may be used by the Ohio Expositions Commission to pay 68145

bills resulting from the Ohio State Fair only if all the following 68146
criteria are met: 68147

(A) Admission revenues for the 2003 Ohio State Fair are less 68148
than \$2,542,500 or admission revenues for the 2004 Ohio State Fair 68149
are less than \$2,619,000 due to inclement weather or extraordinary 68150
circumstances. These amounts are ninety per cent of the projected 68151
admission revenues for each year. 68152

(B) The Ohio Expositions Commission declares a state of 68153
fiscal exigency and requests release of funds by the Director of 68154
Budget and Management. 68155

(C) The Director of Budget and Management releases the funds. 68156
The Director of Budget and Management may approve or disapprove 68157
the request for release of funds, may increase or decrease the 68158
amount of release, and may place such conditions as the director 68159
considers necessary on the use of the released funds. The Director 68160
of Budget and Management may transfer appropriation authority from 68161
fiscal year 2004 to fiscal year 2005 as needed. 68162

In the event that the Ohio Expositions Commission faces a 68163
temporary cash shortage that will preclude it from meeting current 68164
obligations, the Commission may request the Director of Budget and 68165
Management to approve use of the State Fair Reserve to meet those 68166
obligations. The request shall include a plan describing how the 68167
Commission will eliminate the cash shortage. If the Director of 68168
Budget and Management approves the expenditures, the Commission 68169
shall reimburse Fund 640 by the thirtieth day of June of that same 68170
fiscal year through an intrastate transfer voucher. The amount 68171
reimbursed is hereby appropriated. 68172

Of the foregoing appropriation item 723-603, State Fair 68173

programs such as OSI - Discovery designed to raise the quality of 70489
mathematics and science teaching in primary and secondary 70490
education. 70491

to improve the academic preparation and increase the number of 70502
students that enroll and succeed in higher education. 70503

MIDWEST HIGHER EDUCATION COMPACT 70504

The foregoing appropriation item 235-408, Midwest Higher 70505
Education Compact, shall be distributed by the Board of Regents 70506
pursuant to section 3333.40 of the Revised Code. 70507

INFORMATION SYSTEM 70508

The foregoing appropriation item 235-409, Information System, 70509
shall be used by the Board of Regents to operate the higher 70510
education information data system known as the Higher Education 70511
Information System. 70512

Section 88.02. JOBS CHALLENGE 70513

Funds appropriated to appropriation item 235-415, Jobs 70514
Challenge, shall be distributed to state-assisted community and 70515
technical colleges, regional campuses of state-assisted 70516
universities, and other organizationally distinct and identifiable 70517
member campuses of the EnterpriseOhio Network in support of 70518
noncredit job-related training. In each fiscal year, \$2,770,773 70519
shall be distributed as performance grants to EnterpriseOhio 70520
Network campuses based upon each campus's documented performance 70521
according to criteria established by the Board of Regents for 70522
increasing training and related services to businesses, 70523
industries, and public sector organizations. 70524

Of the foregoing appropriation item 235-415, Jobs Challenge, 70525
\$2,819,345 in each fiscal year shall be allocated to the Targeted 70526
Industries Training Grant Program to attract, develop, and retain 70527
business and industry strategically important to the state's 70528
economy. 70529

Also, in each fiscal year, \$3,758,182 shall be allocated to 70530
the Higher Skills Incentives Program to promote and deliver 70531
coordinated, comprehensive training to local employers and to 70532
reward EnterpriseOhio Network campuses for increasing the amount 70533
of non-credit skill upgrading services provided to Ohio employers 70534
and employees. The funds shall be distributed to campuses in 70535
proportion to each campus's share of noncredit job-related 70536
training revenues received by all campuses for the previous fiscal 70537
year. It is the intent of the General Assembly that this Higher 70538
Skills Incentives component of the Jobs Challenge Program reward 70539

campus noncredit job-related training efforts in the same manner 70540
that the Research Challenge Program rewards campuses for their 70541
ability to obtain sponsored research revenues. 70542

OHIO LEARNING NETWORK 70543

Appropriation item 235-417, Ohio Learning Network, shall be 70544
used by the Board of Regents to support the continued 70545
implementation of the Ohio Learning Network, a statewide 70546
electronic collaborative effort designed to promote degree 70547
completion of students, workforce training of employees, and 70548
professional development through the use of advanced 70549
telecommunications and distance education initiatives. 70550

ACCESS CHALLENGE 70551

In each fiscal year, the foregoing appropriation item 70552
235-418, Access Challenge, shall be distributed to Ohio's 70553
state-assisted access colleges and universities. For the purposes 70554
of this allocation, "access campuses" includes state-assisted 70555
community colleges, state community colleges, technical colleges, 70556
Shawnee State University, Central State University, Cleveland 70557
State University, the regional campuses of state-assisted 70558
universities, and, where they are organizationally distinct and 70559
identifiable, the community-technical colleges located at the 70560
University of Cincinnati, Youngstown State University, and the 70561
University of Akron. 70562

The purpose of Access Challenge is to reduce the student 70563
share of costs for resident undergraduates enrolled in lower 70564
division undergraduate courses at Ohio's access campuses. The 70565
long-term goal is to make the student share of costs for these 70566
students equivalent to the student share of costs for resident 70567
undergraduate students enrolled throughout Ohio's public colleges 70568
and universities. Access Challenge appropriations shall be used in 70569
both years of the biennium to sustain, as much as possible, the 70570

tuition restraint or tuition reduction that was achieved with 70571
Access Challenge allocations in prior years. 70572

In fiscal year 2004, Access Challenge subsidies shall be 70573
distributed by the Board of Regents to eligible access campuses on 70574
the basis of the average of each campus's share of fiscal year 70575
2001 and 2002 all-terms subsidy-eligible General Studies FTEs. In 70576
fiscal year 2005, Access Challenge subsidies shall be distributed 70577
by the Board of Regents to eligible access campuses on the basis 70578
of the average of each campus's share of fiscal year 2002 and 2003 70579
all-terms subsidy-eligible General Studies FTEs. 70580

For the purposes of this calculation, Cleveland State 70581
University's enrollments shall be adjusted by the ratio of the sum 70582
of subsidy-eligible lower-division FTE student enrollments 70583
eligible for access funding to the sum of subsidy-eligible General 70584
Studies FTE student enrollments at Central State University and 70585
Shawnee State University, and for the following universities and 70586
their regional campuses: the Ohio State University, Ohio 70587
University, Kent State University, Bowling Green State University, 70588
Miami University, the University of Cincinnati, the University of 70589
Akron, and Wright State University. 70590

SUCCESS CHALLENGE 70591

The foregoing appropriation item 235-420, Success Challenge, 70592
shall be used by the Board of Regents to promote degree completion 70593
by students enrolled at a main campus of a state-assisted 70594
university. 70595

In each fiscal year, two-thirds of the appropriations shall 70596
be distributed to state-assisted university main campuses in 70597
proportion to each campus's share of the total statewide 70598
bachelor's degrees granted by university main campuses to 70599
"at-risk" students. In fiscal years 2004 and 2005, an "at-risk" 70600
student means any undergraduate student who was eligible to 70601

receive an Ohio Instructional Grant during the past ten years. An 70602
eligible institution shall not receive its share of this 70603
distribution until it has submitted a plan that addresses how the 70604
subsidy will be used to better serve at-risk students and increase 70605
their likelihood of successful completion of a bachelor's degree 70606
program. The Board of Regents shall disseminate to all 70607
state-supported institutions of higher education all such plans 70608
submitted by institutions that received Success Challenge funds. 70609

In each fiscal year, one-third of the appropriations shall be 70610
distributed to university main campuses in proportion to each 70611
campus's share of the total bachelor's degrees granted by 70612
university main campuses to undergraduate students who completed 70613
their bachelor's degrees in a "timely manner" in the previous 70614
fiscal year. For the purposes of this section, "timely manner" 70615
means the normal time it would take for a full-time degree-seeking 70616
undergraduate student to complete the student's degree. Generally, 70617
for such students pursuing a bachelor's degree, "timely manner" 70618
means four years. Exceptions to this general rule shall be 70619
permitted for students enrolled in programs specifically designed 70620
to be completed in a longer time period. The Board of Regents 70621
shall collect data to assess the timely completion statistics by 70622
university main campuses. 70623

APPALACHIAN NEW ECONOMY PARTNERSHIP 70624

The foregoing appropriation item 235-428, Appalachian New 70625
Economy Partnership, shall be distributed to Ohio University to 70626
continue a multi-campus and multi-agency coordinated effort to 70627
link Appalachia to the new economy. Ohio University shall use 70628
these funds to provide leadership in the development and 70629
implementation of initiatives in the areas of entrepreneurship, 70630
management, education, and technology. 70631

EMINENT SCHOLARS 70632

The foregoing appropriation item 235-451, Eminent Scholars, shall be used by the Ohio Board of Regents to establish an Ohio Eminent Scholars Program, the purpose of which is to invest educational resources to address problems that are of vital statewide significance while fostering the growth in eminence of Ohio's academic programs. Ohio Eminent Scholars endowed chairs will allow Ohio universities to recruit senior faculty members from outside Ohio who are nationally and internationally recognized scholars in areas of science and technology that provide the basic research platforms on which our technology and commercialization efforts are built. Endowment grants of \$750,000 to state colleges and universities and nonprofit Ohio institutions of higher education holding certificates of authorization issued under section 1713.02 of the Revised Code to match endowment gifts from nonstate sources may be made in accordance with a plan established by the Ohio Board of Regents. Matching gifts in science and technology programs shall be \$750,000. The grants shall have as their purpose attracting and sustaining in Ohio scholar-leaders of national or international prominence; each will assist in accelerating state economic growth through research that provides an essential basic science platform for commercialization efforts. Such scholar-leaders shall, among their duties, share broadly the benefits and knowledge unique to their fields of scholarship to the betterment of Ohio and its people and collaborate with other state technology programs and program recipients.

RESEARCH CHALLENGE

The foregoing appropriation item 235-454, Research Challenge, shall be used to enhance the basic research capabilities of public colleges and universities and accredited Ohio institutions of higher education holding certificates of authorization issued pursuant to section 1713.02 of the Revised Code, in order to

strengthen academic research for pursuing Ohio's economic 70665
development goals. The Board of Regents, in consultation with the 70666
colleges and universities, shall administer the Research Challenge 70667
Program and utilize a means of matching, on a fractional basis, 70668
external funds attracted in the previous year by institutions for 70669
basic research. The program may include incentives for increasing 70670
the amount of external research funds coming to eligible 70671
institutions and for focusing research efforts upon critical state 70672
needs. Colleges and universities shall submit for review and 70673
approval to the Board of Regents plans for the institutional 70674
allocation of state dollars received through the program. The 70675
institutional plans shall provide the rationale for the allocation 70676
in terms of the strategic targeting of funds for academic and 70677
state purposes, for strengthening research programs, for 70678
increasing the amount of external research funds, and shall 70679
include an evaluation process to provide results of the increased 70680
support. Each institutional plan for the investment of Research 70681
Challenge moneys shall report on existing, planned, and/or 70682
possible relationships with other State of Ohio science and 70683
technology programs and funding recipients in order to further 70684
ongoing statewide science and technology collaboration objectives. 70685
The Board of Regents shall submit a biennial report of progress to 70686
the General Assembly. 70687

ENTERPRISEOHIO NETWORK 70688

The foregoing appropriation item 235-455, EnterpriseOhio 70689
Network, shall be allocated by the Board of Regents to continue 70690
increasing the capabilities of the EnterpriseOhio Network to meet 70691
the ongoing training needs of Ohio employers. Funds shall support 70692
multicampus collaboration, best practice dissemination, and 70693
capacity building projects. The Regents Advisory Committee for 70694
Workforce Development, in its advisory role, shall advise in the 70695
development of plans and activities. 70696

Of the foregoing appropriation item 235-455, EnterpriseOhio Network, \$181,101 in fiscal year 2004 and \$176,334 in fiscal year 2005 shall be used by the Dayton Business/Sinclair College Jobs Profiling Program.

Section 88.03. AREA HEALTH EDUCATION CENTERS

The foregoing appropriation item 235-474, Area Health Education Centers Program Support, shall be used by the Board of Regents to support the medical school regional area health education centers' educational programs for the continued support of medical and other health professions education and for support of the Area Health Education Center Program.

Of the foregoing appropriation item 235-474, Area Health Education Centers Program Support, \$174,135 in fiscal year 2004 and \$169,782 in fiscal year 2005 shall be disbursed to the Ohio University College of Osteopathic Medicine to operate a mobile health care unit to serve the southeastern area of the state. Of the foregoing appropriation item 235-474, Area Health Education Centers Program Support, \$130,601 in fiscal year 2004 and \$127,337 in fiscal year 2005 shall be used to support the Ohio Valley Community Health Information Network (OVCHIN) project.

ACCESS IMPROVEMENT PROJECTS

The foregoing appropriation item 235-477, Access Improvement Projects, shall be used by the Board of Regents to support innovative statewide strategies to increase student access and retention for specialized populations, and to provide for pilot projects that will contribute to improving access to higher education by specialized populations. The funds may be used for projects that improve access for nonpublic secondary students.

Of the foregoing appropriation item 235-477, Access Improvement Projects, \$798,684 in fiscal year 2004 and \$822,645 in

fiscal year 2005 shall be distributed to the Ohio Appalachian 70727
Center for Higher Education at Shawnee State University. The board 70728
of directors of the center shall consist of the presidents of 70729
Shawnee State University, Ohio University, Belmont Technical 70730
College, Hocking Technical College, Jefferson Community College, 70731
Muskingum Area Technical College, Rio Grande Community College, 70732
Southern State Community College, and Washington State Community 70733
College; the dean of one of the Salem, Tuscarawas, and East 70734
Liverpool regional campuses of Kent State University, as 70735
designated by the president of Kent State University; and a 70736
representative of the Board of Regents designated by the 70737
Chancellor. 70738

Of the foregoing appropriation item 235-477, Access 70739
Improvement Projects, \$169,553 in fiscal year 2004 and \$174,640 in 70740
fiscal year 2005 shall be distributed to Miami University for the 70741
Student Achievement in Research and Scholarship (STARS) Program. 70742

Section 88.04. STATE SHARE OF INSTRUCTION 70743

As soon as practicable during each fiscal year of the 70744
2003-2005 biennium in accordance with instructions of the Board of 70745
Regents, each state-assisted institution of higher education shall 70746
report its actual enrollment to the Board of Regents. 70747

The Board of Regents shall establish procedures required by 70748
the system of formulas set out below and for the assignment of 70749
individual institutions to categories described in the formulas. 70750
The system of formulas establishes the manner in which aggregate 70751
expenditure requirements shall be determined for each of the three 70752
components of institutional operations. In addition to other 70753
adjustments and calculations described below, the subsidy 70754
entitlement of an institution shall be determined by subtracting 70755
from the institution's aggregate expenditure requirements income 70756
to be derived from the local contributions assumed in calculating 70757

the subsidy entitlements. The local contributions for purposes of 70758
determining subsidy support shall not limit the authority of the 70759
individual boards of trustees to establish fee levels. 70760

The General Studies and Technical models shall be adjusted by 70761
the Board of Regents so that the share of state subsidy earned by 70762
those models is not altered by changes in the overall local share. 70763
A lower-division fee differential shall be used to maintain the 70764
relationship that would have occurred between these models and the 70765
baccalaureate models had an assumed share of 37 per cent been 70766
funded. 70767

In defining the number of full-time equivalent (FTE) students 70768
for state subsidy purposes, the Board of Regents shall exclude all 70769
undergraduate students who are not residents of Ohio, except those 70770
charged in-state fees in accordance with reciprocity agreements 70771
made pursuant to section 3333.17 of the Revised Code or employer 70772
contracts entered into pursuant to section 3333.32 of the Revised 70773
Code. 70774

For this purpose, FTE counts shall be weighted to reflect 70793
differences among institutions in the numbers of students enrolled 70794
on a part-time basis. The student services subsidy per FTE shall 70795
be \$822 in fiscal year 2004 and \$903 in fiscal year 2005 for all 70796
models. 70797

(B) PLANT OPERATION AND MAINTENANCE (POM) 70798

(1) DETERMINATION OF THE SQUARE-FOOT-BASED POM SUBSIDY 70799

allowed for storage space. 70801

In the calculation of square footage for each campus, square 70802
footage shall be weighted to reflect differences in space 70803
utilization. 70804

The space inventories for each campus shall be those 70805
determined in the fiscal year 2003 state share of instruction 70806
calculation, adjusted for changes attributable to the construction 70807
or renovation of facilities for which state appropriations were 70808
made or local commitments were made prior to January 1, 1995. 70809

Only 50 per cent of the space permanently taken out of 70810
operation in fiscal year 2004 or fiscal year 2005 that is not 70811
otherwise replaced by a campus shall be deleted from the plant 70812
operation and maintenance space inventory. 70813

The square-foot-based plant operation and maintenance subsidy 70814
for each campus shall be determined as follows: 70815

(a) For each standard room type category shown below, the 70816
subsidy-eligible net assignable square feet (NASF) for each campus 70817
shall be multiplied by the following rates, and the amounts summed 70818
for each campus to determine the total gross square-foot-based POM 70819

(b) The total gross square-foot POM expenditure requirement shall be allocated to models in proportion to FTE enrollments as reported in enrollment data for all models except Doctoral I and Doctoral II.

(c) The amounts allocated to models in division (B)(1)(b) of this section shall be multiplied by the ratio of subsidy-eligible FTE students to total FTE students reported in each model, and the amounts summed for all models. To this total amount shall be added an amount to support roads and grounds expenditures to produce the total square-foot-based POM subsidy.

(2) DETERMINATION OF THE ACTIVITY-BASED POM SUBSIDY

(a) The number of subsidy-eligible FTE students in each model shall be multiplied by the following rates for each campus for each fiscal year.

	FY 2004	FY 2005	
General Studies I	\$ 552	\$ 560	70843
General Studies II	\$ 696	\$ 705	70844

Medical II	\$3,837	\$4,110	70856
MPD I	\$1,213	\$1,233	70857

(b) The sum of the products for each campus determined in 70858
division (B)(2)(a) of this section for all models except Doctoral 70859
I and Doctoral II for each fiscal year shall be weighted by a 70860
factor to reflect sponsored research activity and job 70861
training-related public services expenditures to determine the 70862
total activity-based POM subsidy. 70863

(C) CALCULATION OF CORE SUBSIDY ENTITLEMENTS AND ADJUSTMENTS 70864

(1) CALCULATION OF CORE SUBSIDY ENTITLEMENTS 70865

The calculation of the core subsidy entitlement shall consist 70866
of the following components: 70867

(a) For each campus and for each fiscal year, the core 70868
subsidy entitlement shall be determined by multiplying the amounts 70869
listed above in divisions (A)(1) and (2) and (B)(2) of this 70870
section less assumed local contributions, by (i) average 70871
subsidy-eligible FTEs for the two-year period ending in the prior 70872
year for all models except Doctoral I and Doctoral II; and (ii) 70873
average subsidy-eligible FTEs for the five-year period ending in 70874
the prior year for all models except Doctoral I and Doctoral II. 70875

(b) In calculating the core subsidy entitlements for Medical 70876
II models only, the Board of Regents shall use the following count 70877
of FTE students: 70878

(i) For those medical schools whose current year enrollment, 70879
including students repeating terms, is below the base enrollment, 70880
the Medical II FTE enrollment shall equal: 65 per cent of the base 70881
enrollment plus 35 per cent of the current year enrollment 70882

including students repeating terms, where the base enrollment is: 70883

The Ohio State University	1010	70884
University of Cincinnati	833	70885
Medical College of Ohio at Toledo	650	70886
Wright State University	433	70887
Ohio University	433	70888
Northeastern Ohio Universities College of Medicine	433	70889

(ii) For those medical schools whose current year enrollment, 70890
excluding students repeating terms, is equal to or greater than 70891
the base enrollment, the Medical II FTE enrollment shall equal the 70892
base enrollment plus the FTE for repeating students. 70893

(iii) Students repeating terms may be no more than five per 70894
cent of current year enrollment. 70895

(c) The Board of Regents shall compute the sum of the two 70896
calculations listed in division (C)(1)(a) of this section and use 70897
the greater sum as the core subsidy entitlement. 70898

The POM subsidy for each campus shall equal the greater of 70899
the square-foot-based subsidy or the activity-based POM subsidy 70900
component of the core subsidy entitlement. 70901

(d) The state share of instruction provided for doctoral 70902
students shall be based on a fixed percentage of the total 70903
appropriation. In each fiscal year of the biennium not more than 70904
10.0 per cent of the total state share of instruction shall be 70905
reserved to implement the recommendations of the Graduate Funding 70906
Commission. It is the intent of the General Assembly that the 70907
doctoral reserve not exceed 10.0 per cent of the total state share 70908
of instruction to implement the recommendations of the Graduate 70909
Funding Commission. The Board of Regents may reallocate up to two 70910
per cent in each fiscal year of the reserve among the 70911
state-assisted universities on the basis of a quality review as 70912

specified in the recommendations of the Graduate Funding 70913
Commission. No such reallocation shall occur unless the Board of 70914
Regents, in consultation with representatives of state-assisted 70915
universities, determines that sufficient funds are available for 70916
this purpose. 70917

The amount so reserved shall be allocated to universities in 70918
proportion to their share of the total number of Doctoral I 70919
equivalent FTEs as calculated on an institutional basis using the 70920
greater of the two-year or five-year FTEs for the period fiscal 70921
year 1994 through fiscal year 1998 with annualized FTEs for fiscal 70922
years 1994 through 1997 and all-term FTEs for fiscal year 1998 as 70923
adjusted to reflect the effects of doctoral review and subsequent 70924
changes in Doctoral I equivalent enrollments. For the purposes of 70925
this calculation, Doctoral I equivalent FTEs shall equal the sum 70926
of Doctoral I FTEs plus 1.5 times the sum of Doctoral II FTEs. 70927

(2) ANNUAL STATE SHARE OF INSTRUCTION FUNDING GUARANTEE 70928

In addition to and after the other adjustment noted above, in 70929
fiscal years 2004 and 2005 each campus shall have its state share 70930
of instruction adjusted to the extent necessary to meet the 70931
following provisions: 70932

(a) If the total state share of instruction appropriation 70933
relative to the prior year is 102 per cent or greater, no campus 70934
shall receive a state share of instruction allocation that is less 70935
than 99 per cent of the prior year's state share of instruction 70936
amount; 70937

(b) If the total state share of instruction appropriation 70938
relative to the prior year is greater than 95 per cent but less 70939
than 102 per cent, no campus shall receive a state share of 70940
instruction allocation that is less than three percentage points 70941
below the percentage change in the total state share of 70942
instruction percentage change; 70943

(c) If the total share of instruction appropriation relative to the prior year is 95 per cent or less, no campus shall receive a state share of instruction allocation that is less than 2.5 percentage points below the percentage change in the total state share of instruction percentage change.

(3) CAPITAL COMPONENT DEDUCTION

After all other adjustments have been made, state share of instruction earnings shall be reduced for each campus by the amount, if any, by which debt service charged in Am. H.B. No. 748 of the 121st General Assembly, Am. Sub. H.B. No. 850 of the 122nd General Assembly, Am. H.B. No. 640 of the 123rd General Assembly, and H.B. No. 675 of the 124th General Assembly for that campus exceeds that campus's capital component earnings. The sum of the amounts deducted shall be transferred to appropriation line item 235-552, Capital Component, in each fiscal year.

(D) REDUCTIONS IN EARNINGS

If the total state share of instruction earnings in any fiscal year exceed the total appropriations available for such purposes, the Board of Regents shall proportionately reduce the state share of instruction earnings for all campuses by a uniform percentage so that the system wide sum equals available appropriations.

(E) EXCEPTIONAL CIRCUMSTANCES

Adjustments may be made to the state share of instruction payments and other subsidies distributed by the Board of Regents to state-assisted colleges and universities for exceptional circumstances. No adjustments for exceptional circumstances may be made without the recommendation of the Chancellor and the approval of the Controlling Board.

(F) MID-YEAR APPROPRIATION REDUCTIONS TO THE STATE SHARE OF

INSTRUCTION	70974
The standard provisions of the state share of instruction calculation as described in the preceding sections of temporary law shall apply to any reductions made to appropriation line item 235-501, State Share of Instruction, before the Board of Regents has formally approved the final allocation of the state share of instruction funds for any fiscal year.	70975 70976 70977 70978 70979 70980
Any reductions made to appropriation line item 235-501, State Share of Instruction, after the Board of Regents has formally approved the final allocation of the state share of instruction funds for any fiscal year, shall be uniformly applied to each campus in proportion to its share of the final allocation.	70981 70982 70983 70984 70985
(G) DISTRIBUTION OF STATE SHARE OF INSTRUCTION	70986
The state share of instruction payments to the institutions shall be in substantially equal monthly amounts during the fiscal year, unless otherwise determined by the Director of Budget and Management pursuant to section 126.09 of the Revised Code. Payments during the first six months of the fiscal year shall be based upon the state share of instruction appropriation estimates made for the various institutions of higher education according to Board of Regents enrollment estimates. Payments during the last six months of the fiscal year shall be distributed after approval of the Controlling Board upon the request of the Board of Regents.	70987 70988 70989 70990 70991 70992 70993 70994 70995 70996
(H) LAW SCHOOL SUBSIDY	70997
The state share of instruction to state-supported universities for students enrolled in law schools in fiscal year 2004 and fiscal year 2005 shall be calculated by using the number of subsidy-eligible FTE law school students funded by state subsidy in fiscal year 1995 or the actual number of subsidy-eligible FTE law school students at the institution in the fiscal year, whichever is less.	70998 70999 71000 71001 71002 71003 71004

Section 88.05. HIGHER EDUCATION - BOARD OF TRUSTEES 71005

Funds appropriated for instructional subsidies at colleges 71006
and universities may be used to provide such branch or other 71007
off-campus undergraduate courses of study and such master's degree 71008
courses of study as may be approved by the Board of Regents. 71009

In providing instructional and other services to students, 71010
boards of trustees of state-assisted institutions of higher 71011
education shall supplement state subsidies by income from charges 71012
to students. Each board shall establish the fees to be charged to 71013
all students, including an instructional fee for educational and 71014
associated operational support of the institution and a general 71015
fee for noninstructional services, including locally financed 71016
student services facilities used for the benefit of enrolled 71017
students. The instructional fee and the general fee shall 71018
encompass all charges for services assessed uniformly to all 71019
enrolled students. Each board may also establish special purpose 71020
fees, service charges, and fines as required; such special purpose 71021
fees and service charges shall be for services or benefits 71022
furnished individual students or specific categories of students 71023
and shall not be applied uniformly to all enrolled students. A 71024
tuition surcharge shall be paid by all students who are not 71025
residents of Ohio. 71026

The boards of trustees of individual state-assisted 71027
universities, university branch campuses, community colleges, 71028
state community colleges, and technical colleges shall limit 71029
in-state undergraduate instructional and general fee increases for 71030
an academic year over the amounts charged in the prior academic 71031
year to no more than six per cent. In addition to the six per cent 71032
main campus in-state undergraduate instructional and general fee 71033
increase limit established in this section, the Board of Trustees 71034
of The Ohio State University may authorize an additional 71035

university main campus in-state undergraduate instructional and 71036
general fee increase of three per cent for academic years 71037
2003-2004 and 2004-2005. The Board of Trustees of The Ohio State 71038
University and individual state-assisted universities, university 71039
branch campuses, community colleges, state community colleges, and 71040
technical colleges with instructional and general fees below the 71041
average for their respective sector, may charge an additional fee 71042
of \$300 to in-coming students. The boards of trustees of 71043
individual state-assisted universities, university branch 71044
campuses, community colleges, state community colleges, and 71045
technical colleges shall not authorize combined instructional and 71046
general fee increases of more than six per cent in a single vote. 71047
These fee increase limitations apply even if an institutional 71048
board of trustees has, prior to the effective date of this 71049
section, voted to assess a higher fee for the 2003-2004 academic 71050
year. These limitations shall not apply to increases required to 71051
comply with institutional covenants related to their obligations 71052
or to meet unfunded legal mandates or legally binding obligations 71053
incurred or commitments made prior to the effective date of this 71054
act with respect to which the institution had identified such fee 71055
increases as the source of funds. Any increase required by such 71056
covenants and any such mandates, obligations, or commitments shall 71057
be reported by the Board of Regents to the Controlling Board. 71058
These limitations may also be modified by the Board of Regents, 71059
with the approval of the Controlling Board, to respond to 71060
exceptional circumstances as identified by the Board of Regents. 71061

The board of trustees of a state-assisted institution of 71062
higher education shall not authorize a waiver or nonpayment of 71063
instructional fees or general fees for any particular student or 71064
any class of students other than waivers specifically authorized 71065
by law or approved by the Chancellor. This prohibition is not 71066
intended to limit the authority of boards of trustees to provide 71067
for payments to students for services rendered the institution, 71068

nor to prohibit the budgeting of income for staff benefits or for 71069
student assistance in the form of payment of such instructional 71070
and general fees. 71071

Each state-assisted institution of higher education in its 71072
statement of charges to students shall separately identify the 71073
instructional fee, the general fee, the tuition charge, and the 71074
tuition surcharge. Fee charges to students for instruction shall 71075
not be considered to be a price of service but shall be considered 71076
to be an integral part of the state government financing program 71077
in support of higher educational opportunity for students. 71078

In providing the appropriations in support of instructional 71079
services at state-assisted institutions of higher education and 71080
the appropriations for other instruction it is the intent of the 71081
General Assembly that faculty members shall devote a proper and 71082
judicious part of their work week to the actual instruction of 71083
students. Total class credit hours of production per quarter per 71084
full-time faculty member is expected to meet the standards set 71085
forth in the budget data submitted by the Board of Regents. 71086

The authority of government vested by law in the boards of 71087
trustees of state-assisted institutions of higher education shall 71088
in fact be exercised by those boards. Boards of trustees may 71089
consult extensively with appropriate student and faculty groups. 71090
Administrative decisions about the utilization of available 71091
resources, about organizational structure, about disciplinary 71092
procedure, about the operation and staffing of all auxiliary 71093
facilities, and about administrative personnel shall be the 71094
exclusive prerogative of boards of trustees. Any delegation of 71095
authority by a board of trustees in other areas of responsibility 71096
shall be accompanied by appropriate standards of guidance 71097
concerning expected objectives in the exercise of such delegated 71098
authority and shall be accompanied by periodic review of the 71099
exercise of this delegated authority to the end that the public 71100

interest, in contrast to any institutional or special interest, 71101
shall be served. 71102

Section 88.06. STUDENT SUPPORT SERVICES 71103

The foregoing appropriation item 235-502, Student Support 71104
Services, shall be distributed by the Board of Regents to Ohio's 71105
state-assisted colleges and universities that incur 71106
disproportionate costs in the provision of support services to 71107
disabled students. 71108

OHIO INSTRUCTIONAL GRANTS 71109

Notwithstanding section 3333.12 of the Revised Code, in lieu 71110
of the tables in that section, instructional grants for all 71111
full-time students shall be made for fiscal year 2004 using the 71112
tables under this heading. 71113

The tables under this heading prescribe the maximum grant 71114
amounts covering two semesters, three quarters, or a comparable 71115
portion of one academic year. The grant amount for a full-time 71116
student enrolled in an eligible institution for a semester or 71117
quarter in addition to the portion of the academic year covered by 71118
a grant determined under these tables shall be a percentage of the 71119
maximum prescribed in the applicable table. The maximum grant for 71120
a fourth quarter shall be one-third of the maximum amount 71121
prescribed under the table. The maximum grant for a third semester 71122
shall be one-half of the maximum amount prescribed under the 71123
table. 71124

For a full-time student who is a dependent and enrolled in a 71125
nonprofit educational institution that is not a state-assisted 71126
institution and that has a certificate of authorization issued 71127
pursuant to Chapter 1713. of the Revised Code, the amount of the 71128
instructional grant for two semesters, three quarters, or a 71129
comparable portion of the academic year shall be determined in 71130

accordance with the following table:						71131

and agreements made under section 3318.26 of the Revised Code, but 72244
limited to the aggregate amount of \$63,481,200. Nothing in this 72245
act shall be deemed to contravene the obligation of the state to 72246

pledged thereto, the bond service charges on obligations issued 72248
pursuant to Chapter 3318. of the Revised Code. 72249

COMMON SCHOOLS GENERAL OBLIGATION DEBT SERVICE 72250

The foregoing appropriation item 230-908, Common Schools 72251
General Obligation Debt Service, shall be used to pay all debt 72252
service and related financing costs at the times they are required 72253
to be made pursuant to sections 151.01 and 151.03 of the Revised 72254
Code during the period from July 1, 2003, to June 30, 2005. The 72255
Office of the Sinking Fund or the Director of Budget and 72256
Management shall effectuate the required payments by an intrastate 72257
transfer voucher. 72258

OPERATING EXPENSES 72259

The foregoing appropriation item 230-644, Operating Expenses, 72260
shall be used by the Ohio School Facilities Commission to carry 72261
out its responsibilities pursuant to this section and Chapter 72262
3318. of the Revised Code. 72263

Within ten days after the effective date of this section, or 72264
as soon as possible thereafter, the Executive Director of the Ohio 72265
School Facilities Commission shall certify to the Director of 72266
Budget and Management the amount of cash from interest earnings to 72267
be transferred from the School Building Assistance Fund (Fund 032) 72268

or the Public School Building Fund (Fund 021) to the Ohio School 72269
Facilities Commission Fund (Fund 5E3). 72270

By July 10, 2004, the Executive Director of the Ohio School 72271
Facilities Commission shall certify to the Director of Budget and 72272
Management the amount of cash from interest earnings to be 72273
transferred from the School Building Assistance Fund (Fund 032) or 72274
the Public School Building Fund (Fund 021) to the Ohio School 72275
Facilities Commission Fund (Fund 5E3). The amount transferred may 72276
not exceed investment earnings credited to the School Building 72277
Assistance Fund (Fund 032) less any amount required to be paid for 72278
federal arbitrage rebate purposes. 72279

SCHOOL FACILITIES ENCUMBRANCES AND REAPPROPRIATION 72280

At the request of the Executive Director of the Ohio School 72281
Facilities Commission, the Director of Budget and Management may 72282
cancel encumbrances for school district projects from a previous 72283

Director of the Ohio School Facilities Commission shall certify 72287
the amounts of these canceled encumbrances to the Director of 72288
Budget and Management on a quarterly basis. The amounts of the 72289
canceled encumbrances are appropriated. 72290

Section 96.02. COMMUNITY SCHOOL CLASSROOM FACILITIES LOAN 72291
GUARANTEE 72292

The unencumbered and unallotted balances as of June 30, 2003, 72293
in appropriation item 230-602, Community School Loan Guarantee, 72294
are hereby reappropriated in fiscal year 2004 to support loan 72295
guarantees to community schools under section 3318.50 of the 72296

reappropriated in fiscal year 2005 to support loan guarantees to 72299

community schools under section 3318.50 of the Revised Code. 72300

Section 96.03. EXTREME ENVIRONMENTAL CONTAMINATION OF SCHOOL FACILITIES 72301
72302

Notwithstanding any other provisions of law to the contrary, 72303
the School Facilities Commission may provide assistance under the 72304
Exceptional Needs School Facilities Program established in section 72305
3318.37 of the Revised Code to any school district and not 72306
exclusively a school district in the lowest fifty per cent of 72307
adjusted valuation per pupil on the current ranking of school 72308
districts established pursuant to section 3317.02 of the Revised 72309
Code, for the purpose of the relocation or replacement of school 72310
facilities required as a result of extreme environmental 72311
contamination. 72312

The School Facilities Commission shall contract with an 72313
independent environmental consultant to conduct a study and to 72314
report to the commission as to the seriousness of the 72315
environmental contamination, whether the contamination violates 72316
applicable state and federal standards, and whether the facilities 72317
are no longer suitable for use as school facilities. The 72318
commission then shall make a determination regarding funding for 72319
the relocation or replacement of the school facilities. If the 72320
federal government or other public or private entity provides 72321
funds for restitution of costs incurred by the state or school 72322
district in the relocation or replacement of the school 72323
facilities, the school district shall use such funds in excess of 72324
the school district's share to refund the state for the state's 72325
contribution to the environmental contamination portion of the 72326
project. The school district may apply an amount of such 72327
restitution funds up to an amount equal to the school district's 72328
portion of the project, as defined by the commission, toward 72329
paying its portion of that project to reduce the amount of bonds 72330

the school district otherwise must issue to receive state 72331
assistance under sections 3318.01 to 3318.20 of the Revised Code. 72332

Section 96.04. (A) The Ohio School Facilities Commission may 72333
commit up to thirty-five million dollars to the Canton City School 72334
District for construction of a facility described in this section, 72335
in lieu of a high school that would otherwise be authorized under 72336
Chapter 3318. of the Revised Code. The commission shall not commit 72337
funds under this section unless all of the following conditions 72338
are met: 72339

(1) The district has entered into a cooperative agreement 72340
with a state-assisted technical college. 72341

(2) The district has received an irrevocable commitment of 72342
additional funding from nonpublic sources. 72343

(3) The facility is intended to serve both secondary and 72344
postsecondary instructional purposes. 72345

(B) The commission shall enter into an agreement with the 72346
district for the construction of the facility authorized under 72347
this section that is separate from and in addition to the 72348
agreement required for the district's participation in the 72349
Classroom Facilities Assistance Program under section 3318.08 of 72350
the Revised Code. Notwithstanding that section and sections 72351
3318.03, 3318.04, and 3318.083 of the Revised Code, the additional 72352
agreement shall provide, but not be limited to, the following: 72353

(1) The commission shall not have any oversight 72354
responsibilities over the construction of the facility. 72355

(2) The facility need not comply with the specifications for 72356
plans and materials for high schools adopted by the commission. 72357

(3) The commission may decrease the basic project cost that 72358
would otherwise be calculated for a high school under Chapter 72359
3318. of the Revised Code. 72360

(4) The state shall not share in any increases in the basic project cost for the facility above the amount authorized under this section. 72361
72362
72363

All other provisions of Chapter 3318. of the Revised Code apply to the approval and construction of a facility authorized under this section. 72364
72365
72366

The state funds committed to the facility authorized by this section shall be part of the total amount the state commits to the Canton City School District under Chapter 3318. of the Revised Code. All additional state funds committed to the Canton City School District for classroom facilities assistance shall be subject to all provisions of Chapter 3318. of the Revised Code. 72367

Individuals eligible to participate in the program include 72530
those children, their parents, custodians, or guardians, and 72531

the commission and the members of the General Assembly explaining 72549
the goals and objectives determined, the activities implemented, 72550
the progress made toward the achievement of the goals and 72551
objectives, and the outcome of the project. 72552

Up to \$4,403,778 in each fiscal year shall be used by the 72553
Ohio SchoolNet Commission to contract with instructional 72554

in the acquisition, development, and delivery of such educational 72566
resources to ensure high-quality and educational soundness at the 72567
lowest possible cost. Delivery of such resources may utilize a 72568
variety of technologies, with preference given to a high-speed 72569
integrated information network that can transport video, voice, 72570
data, and graphics simultaneously. 72571

Services shall include presentations and technical assistance 72572
that will help students and teachers integrate educational 72573

materials that support curriculum objectives, match specific 72574
learning styles, and are appropriate for individual interests and 72575
ability levels. 72576

Such instructional resources and services shall be made 72577
available for purchase by chartered nonpublic schools or by public 72578
school districts for the benefit of pupils attending chartered 72579
nonpublic schools. 72580

Section 115. * CAPITAL PROJECT SETTLEMENTS 73199

This section specifies an additional and supplemental 73200

the Director of Budget and Management determines, pursuant to 73202
division (C)(4) of section 2743.19 of the Revised Code, that 73203

this section or the Controlling Board disapproves the application, 73223
and the director does not make application pursuant to division 73224

(C)(4) of section 2743.19 of the Revised Code, the director shall 73225
for the purpose of making that payment make a request to the 73226
General Assembly as provided for in division (C)(5) of that 73227
section. 73228

Section 116. INCOME TAX DISTRIBUTION TO COUNTIES 73229

There are hereby appropriated out of any moneys in the state 73230
treasury to the credit of the General Revenue Fund, which are not 73231

Code. 73234

Section 117. SATISFACTION OF JUDGMENTS AND SETTLEMENTS 73235
AGAINST THE STATE 73236

Any appropriation may be used for the purpose of satisfying 73237
judgments or settlements in connection with civil actions against 73238

in connection with civil actions against the state, pursuant to 73243
section 2743.15, 2743.19, or 2743.191 of the Revised Code. This 73244
authorization does not apply to appropriations to be applied to or 73245
used for payment of guarantees by or on behalf of the state, for 73246
or relating to lease payments or debt service on bonds, notes, or 73247
similar obligations and those from the Sports Facilities Building 73248

(Fund 041), the Coal Research/Development Fund (Fund 046), and any 73259
other fund into which proceeds of obligations are deposited. 73260
Nothing contained in this section is intended to subject the state 73261
to suit in any forum in which it is not otherwise subject to suit, 73262
nor is it intended to waive or compromise any defense or right 73263
available to the state in any suit against it. 73264

of the medical assistance component of the Disability Assistance 74152
Program. 74153

Any business commenced but not completed on behalf of the 74154
Disability Assistance Program shall be completed in the same 74155
manner, and with the same effect, on behalf of the Disability 74156
Financial Assistance Program and the Disability Medical Assistance 74157

Except as provided in division (B) and (C) of this section, 74159

all rules, orders, and determinations regarding the Disability Assistance Program continue in effect as rules, orders, and determinations regarding the Disability Financial Assistance Program and the Disability Medical Assistance Program, until modified or rescinded.

Wherever the Disability Assistance Program is referred to in any law, contract, or other document, the reference shall be deemed to refer to the Disability Assistance Program or the Disability Medical Assistance Program, whichever is appropriate.

(B) Notwithstanding any determination through administrative or judicial order or otherwise, a person who was receiving financial assistance under the Disability Assistance Program prior to the effective date of this section ceases to be eligible for continued financial assistance under the Disability Financial Assistance Program on the effective date of this section, unless one of the following is the case:

(1) The person was receiving the assistance on the basis of being age 60 or older or on the basis of being unable to do any substantial or gainful activity by reason or a medically determinable physical or mental impairment that can be expected to result in death or has lasted or can be expected to last for not less than nine months.

(2) The person was receiving the assistance by meeting other eligibility requirements but applies for Disability Financial Assistance pursuant to section 5115.05 of the Revised Code, as amended by this act, and receives a determination of eligibility by meeting the requirements specified in section 5115.01 of the Revised Code, as amended by this act.

(C) Notwithstanding the provisions of section 5115.10 of the Revised Code, as amended by this act, that limit eligibility for disability medical assistance to persons determined to be

medication dependent, both of the following apply: 74191

(1) The Director of Job and Family Services may adopt rules 74192
in accordance with section 111.15 of the Revised Code providing 74193
for and governing temporary provision of disability medical 74194
assistance to persons who were recipients of medical assistance 74195
under the Disability Assistance Program prior to the effective 74196
date of this section. 74197

(2) A person's eligibility for disability medical assistance 74198
may continue pursuant to the rules adopted under division (C)(1) 74199
of this section until the state or county department of job and 74200
family services conducts a redetermination of the person's 74201
eligibility in accordance with the requirement that recipients be 74202
medication dependent, unless the person otherwise becomes 74203
ineligible for disability medical assistance. 74204

Section 140.01. * Notwithstanding sections 5101.60 to 5101.70 74205

section 5126.31 and investigations by the department of reports 74208
provided for in section 5101.61 of the Revised Code that were 74209
initiated before the effective date of this section shall be 74210
completed in accordance with the law as it existed on the date the 74211
referrals or reports were made. The county department of job and 74212

(B) If one or more new beds obtain certification as an 74219
intermediate care facility for the mentally retarded bed on or 74220

after the effective date of this section, the Director of Mental Retardation and Developmental Disabilities shall transfer funds to the Department of Job and Family Services to pay the nonfederal share of the cost under the Medicaid Program for those beds. The Director shall use only the following funds for the transfer:

(1) If the beds are located in a county served by a county board of mental retardation and developmental disabilities that does not initiate or support the beds' certification, funds appropriated to the Department of Mental Retardation and Developmental Disabilities for home and community-based services and supported living for which the Director is authorized to make allocations to county boards;

(2) If the beds are located in a county served by a county board that initiates or supports the beds' certification, funds appropriated to the Department for family support services, service and support administration, and other services for which the Director is authorized to make allocations to counties.

(C) The funds that the Director transfers under division (B)(2) of this section shall be funds that the Director has allocated to the county board serving the county in which the beds are located unless the amount of the allocation is insufficient to pay the entire nonfederal share of the cost under the Medicaid Program for those beds. If the allocation is insufficient, the Director shall use as much of such funds allocated to other counties as is needed to make up the difference.

(2) If the nursing facility undergoes a change of operator 74259
after June 30, 2003, the entering operator's rate for the nursing 74260
facility shall be the same as the exiting operator's rate for the 74261
nursing facility that is in effect on the day before the effective 74262
date of the entering operator's provider agreement; 74263

(3) If the nursing facility both obtains initial 74264
certification as a nursing facility from the director of health 74265
and begins participation in the Medicaid program after June 30, 74266
2003, the provider's rate for the nursing facility shall be the 74267
median of all rates paid to nursing facilities on June 30, 2003; 74268

(4) If one or more Medicaid certified beds are added to the 74269
nursing facility after June 30, 2003, the provider's rate for the 74270
added beds shall be the same as the provider's rate for the 74271
Medicaid certified beds that are in the nursing facility on the 74272
day before the new beds are added. 74273

(C) To calculate overpayments, the Department of Job and 74274
Family Services shall apply an audit adjustment to a cost report 74275
that covers a period ending December 31, 2001, to the rate the 74276
Department pays a provider of nursing facility services provided 74277
to a Medicaid recipient during the period beginning July 1, 2002, 74278
and ending June 30, 2005. 74279

Section 142.02. (A) As used in this section, "change of 74280
operator," "entering operator," "exiting operator," "intermediate 74281

care facility for the mentally retarded," "provider," and 74282
"provider agreement" have the same meaning as in section 5111.20 74283
of the Revised Code. 74284

(B) Notwithstanding Chapter 5111. of the Revised Code or any 74285
other state law to the contrary, the Medicaid reimbursement rate 74286
for intermediate care facility services for the mentally retarded 74287
provided to a Medicaid recipient during the period beginning July 74288
1, 2003, and ending June 30, 2005, shall be as follows: 74289

(1) If the provider has a valid provider agreement regarding 74290
the intermediate care facility for the mentally retarded on June 74291

as the provider's rate for the facility in effect on June 30, 74293
2003; 74294

(2) If the intermediate care facility for the mentally 74295
retarded undergoes a change of operator after June 30, 2003, the 74296
entering operator's rate for the facility shall be the same as the 74297
exiting operator's rate for the facility that is in effect on the 74298
day before the effective date of the entering operator's provider 74299
agreement; 74300

(3) If the intermediate care facility for the mentally 74301
retarded both obtains initial certification as an intermediate 74302
care facility for the mentally retarded from the director of 74303
health and begins participation in the Medicaid program after June 74304
30, 2003, the provider's rate for the facility shall be the median 74305
of all rates paid to intermediate care facilities for the mentally 74306
retarded on June 30, 2003; 74307

(4) If one or more Medicaid certified beds are added to the 74308
intermediate care facility for the mentally retarded after June 74309
30, 2003, the provider's rate for the added beds shall be the same 74310
as the provider's rate for the Medicaid certified beds that are in 74311
facility on the day before the new beds are added. 74312

(C) To calculate overpayments, the Department of Job and Family Services shall apply an audit adjustment to a cost report that covers a period ending December 31, 2001, to the rate the Department pays a provider of intermediate care facility services for the mentally retarded provided to a Medicaid recipient during the period beginning July 1, 2002, and ending June 30, 2005.

Section 143. Section 144.06. (A) The amendment by this act of section 5725.26 of the Revised Code first applies to dealers in intangibles for the 2004 return year, and the amendment of sections 5733.05 and 5733.09 of the Revised Code first applies to dealers in intangibles for tax year 2004.

(B) For purposes of determining the tax charged by section

5733.06 of the Revised Code on a dealer in intangibles whose 74370
annual accounting period that includes January 1, 2004, commences 74371
on or before the day this act becomes law, the following apply: 74372

(1) For tax year 2004, the dealer's taxable year is the 74373
period beginning on the first day of the dealer's annual 74374
accounting period that includes January 1, 2004, and ending 74375
December 31, 2003. 74376

(2) For tax year 2005, the dealer's taxable year begins 74377

division (C)(4) or (D) of section 5733.33 or division (B) of 74398
section 5747.31 of the Revised Code. 74399

The intent of the amendment of section 5733.33 of the Revised Code by this act is not to effect a substantive change, but merely to clarify and eliminate any ambiguity in the version of that section as it existed before its amendment by this act. This intent shall be considered to the extent permitted by law in construing the prior version. Consistent with that intent, that section as amended by this act applies not only to manufacturing machinery and equipment purchased on or after the day this act becomes law, but also in determining the one-seventh credit amounts for manufacturing machinery and equipment purchased before that day. For any taxable year ending on or after the day this act becomes law, no credit shall be allowed under division (C)(4) or (D) of section 5733.33 or division (B) of section 5747.31 of the Revised Code, even for manufacturing machinery and equipment purchased before that day, except to the extent that the credit is allowed under the requirements of section 5733.33 of the Revised Code as amended by this act.

(B) The amendment by this act of sections 5743.02 and 5743.32 74430
of the Revised Code takes effect July 1, 2003, or the day on which 74431
this act becomes law, whichever is later. 74432

(C) In addition to the return required by section 5743.03 of 74433
the Revised Code, each wholesale dealer and each retail dealer 74434
shall make and file a return on forms prescribed by the Tax 74435
Commissioner, showing the net additional tax due and any other 74436
information that the Tax Commissioner considers necessary for the 74437
administration of sections 5743.01 to 5743.20 of the Revised Code. 74438
Not later than September 30, 2003, each wholesale dealer and each 74439
retail dealer shall deliver the return to the Tax Commissioner, 74440
together with a remittance of the net additional tax. Any 74441
wholesale or retail dealer who fails to file a return or remit the 74442

(B) Any complaint filed with the tax commissioner on or after 74469

commissioner may hear and determine any such complaint filed with 74476
the commissioner before the effective date of this section or may 74477
certify such complaint to the housing officer for hearing and 74478
determination. 74479

(C) The filing date of any complaint certified to a housing 74480
officer under this section shall be considered to be the date on 74481
which the complaint was filed with the tax commissioner. 74482

Section 144.13. (A) For the purposes of sections 321.24 and 74483
5703.80 of the Revised Code as amended or enacted by this act, the 74484
Tax Commissioner may determine the property tax administrative fee 74485
for fiscal year 2004 at any time after the day this act becomes 74486
law. One-half of the amount of the fee for that year may be 74487
deducted from each of the payments made in the fiscal year under 74488
division (F) of section 321.24 of the Revised Code, or the full 74489
amount of the fee for the year may be deducted from the second of 74490
those payments made in the fiscal year. The Director of Budget and 74491

Management may transfer the fee from the General Revenue Fund to 74492
the Property Tax Administration Fund for fiscal year 2004 in three 74493
equal payments on November 1, 2003, February 1, 2004, and May 1, 74494
2004. 74495

(B) Within thirty days after the Tax Commissioner determines 74496
the property tax administrative fee for fiscal year 2004 under 74497
division (A) of this section, the Tax Commissioner shall notify 74498
the Department of Education of the amount by which each school 74499
district's reimbursement made under division (F) of section 321.24 74500
of the Revised Code, as amended by this act, is to be reduced for 74501
the Property Tax Administration Fund created under section 5703.80 74502
of the Revised Code, as enacted by this act. 74503

Section 145.01. * The Hemophilia Advisory Council established 74504
under section 3701.145 of the Revised Code, renumbered as section 74505
3701.0210 of the Revised Code by this act, is hereby abolished. 74506

Section 145.02. * On the effective date of this section, the 74507
Reclamation Commission is abolished and all of its functions and 74508
assets, liabilities, equipment, and records, irrespective of form 74509
or medium, are transferred to the Environmental Review Appeals 74510
Commission, as provided in Section 1 of this act. The 74511
Environmental Review Appeals Commission is thereupon and 74512
thereafter successor to, assumes the obligations of, and otherwise 74513
constitutes the continuation of the Reclamation Commission. 74514

Any business commenced, but not completed by, the Reclamation 74515
Commission on the effective date of this section shall be 74516
completed by the Environmental Review Appeals Commission. No 74517
validation, cure, right, privilege, remedy, obligation, or 74518
liability is lost or impaired by reason of the transfer required 74519
by this section, but shall be administered by the Environmental 74520
Review Appeals Commission. All of the Reclamation Commission's 74521

rules, orders, and determinations continue in effect as rules, 74522
orders, and determinations of the Environmental Review Appeals 74523
Commission until modified or rescinded by the Environmental Review 74524
Appeals Commission. 74525

Whenever the Reclamation Commission is referred to in any 74526
law, contract, or other document, the reference shall be deemed to 74527
refer to the Environmental Review Appeals Commission. 74528

No action or proceeding pending on the effective date of this 74529
section is affected by the transfer, and such an action or 74530
proceeding shall be prosecuted or defended in the name of the 74531
Environmental Review Appeals Commission. In all such actions and 74532
proceedings, the Environmental Review Appeals Commission shall be 74533
substituted as a party upon application by the receiving entity to 74534
the court or other appropriate tribunal. 74535

Section 145.03. * Upon the taking effect of this section, the 74536
Hazardous Waste Facility Board is abolished. 74537

All of the rules adopted by the Hazardous Waste Facility 74538
Board are abolished on that date. The Director of the Legislative 74539
Service Commission shall remove the rules from the Administrative 74540
Code as if they had been rescinded. 74541

On and after the effective date of this section and until the 74542
Director of Environmental Protection adopts rules that eliminate 74543
references to the Hazardous Waste Facility Board, whenever the 74544
Hazardous Waste Facility Board or Board, when "Board" refers to 74545
the Hazardous Waste Facility Board, is referred to in a rule, the 74546
reference shall be deemed to refer to the Environmental Protection 74547
Agency or the Director of Environmental Protection, whichever is 74548
appropriate. As expeditiously as possible after the effective date 74549
of this section, the Director of Environmental Protection shall 74550
adopt rules eliminating references to the Hazardous Waste Facility 74551
Board. 74552

Permits or modifications issued by the Hazardous Waste Facility Board under section 3734.05 of the Revised Code as that section existed prior to its amendment by this act shall continue in effect as if the Director had issued the permits or modifications under section 3734.05 of the Revised Code after the effective date of its amendment by this act. Any application pending before the Hazardous Waste Facility Board on the effective date of this section shall be transferred to the Environmental Protection Agency for approval or disapproval by the Director. All records, files, and other documents of the Hazardous Waste Facility Board shall be transferred to the Environmental Protection Agency.

Section 146.01. Except as otherwise specifically provided in this act, the codified sections of law amended or enacted in this act, and the items of law of which the codified sections of law amended or enacted in this act are composed, are subject to the referendum. Therefore, under Ohio Constitution, Article II, Section 1c and section 1.471 of the Revised Code, the codified sections of law amended or enacted by this act, and the items of law of which the codified sections of law as amended or enacted by this act are composed, take effect on the ninety-first day after this act is filed with the Secretary of State. If, however, a referendum petition is filed against any such codified section of law as amended or enacted by this act, or against any item of law of which any such codified section of law as amended or enacted by this act is composed, the codified section of law as amended or enacted, or item of law, unless rejected at the referendum, takes effect at the earliest time permitted by law.

Section 146.02. Except as otherwise specifically provided in this act, the repeal by this act of a codified section of law is subject to the referendum. Therefore, under Ohio Constitution,

of the Revised Code as amended or enacted by this act, and the 74684
items of law of which such sections as amended or enacted by this 74685
act are composed, are not subject to the referendum. Therefore, 74686
under Ohio Constitution, Article II, Section 1d and section 1.471 74687
of the Revised Code, such sections as amended or enacted by this 74688
act, and the items of law of which such sections as amended or 74689

this act becomes law. 74691

5739.17, 5739.33, 5741.01, 5741.02 (in Section 1 of this act), 74711
5741.25, 5745.01, 5745.02, 5745.04, 5745.042, 5745.044, 5747.01, 74712

5747.30, 5747.98, 5748.01, and 6111.06 of the Revised Code 74714
provides for or is essential to implementation of a tax levy. 74715
Therefore, under Ohio Constitution, Article II, Section 1d, the 74716
amendments or enactments, and the items of which they are 74717
composed, are not subject to the referendum and, except as 74718
otherwise specifically provided in this act, go into immediate 74719
effect when this act becomes law. 74720

(2) The repeal and re-enactment by this act of sections 74721
718.11, 718.12, and 5733.052 of the Revised Code provides for or 74722
is essential to implementation of a tax levy. Therefore, under 74723
Ohio Constitution, Article II, Section 1d, the repeals and 74724
re-enactments, and the items of which they are composed, are not 74725
subject to the referendum and, except as otherwise specifically 74726
provided in this act, go into immediate effect when this act 74727
becomes law. 74728

(B)(1) The amendment by this act of the versions of sections 74729
5739.03, 5739.12, and 5741.02 of the Revised Code that are 74730
scheduled to take effect July 1, 2003, provides for or is 74731
essential to implementation of a tax levy. Therefore, under Ohio 74732
Constitution, Article II, Section 1d, the amendments, and the 74733
items of which they are composed, are not subject to the 74734
referendum and go into effect July 1, 2003. 74735

(2) The amendment by this act of section 5727.38 of the 74736
Revised Code provides for or is essential to implementation of a 74737
tax levy. Therefore, under Ohio Constitution, Article II, Section 74738
1d, the amendment, and the items of which it is composed, are not 74739
subject to the referendum and go into effect July 1, 2003. 74740

(3) The amendment by this act of section 718.02 of the 74741
Revised Code provides for or is essential to implementation of a 74742

tax levy. Therefore, under Ohio Constitution, Article II, Section 74743
1d, the amendment, and the items of which it is composed, are not 74744
subject to the referendum and go into effect January 1, 2004. 74745

(4) The amendment by this act of sections 5727.32 and 5727.33 74746
of the Revised Code provides for or is essential to implementation 74747
of a tax levy. Therefore, under Ohio Constitution, Article II, 74748
Section 1d, the amendments, and the items of which they are 74749
composed, are not subject to the referendum and, except as 74750
otherwise specifically provided in this division, go into effect 74751
December 31, 2004. Division (A) of section 5727.33 of the Revised 74752
Code, insofar as it regards pipe-line companies, goes into effect 74753
when this act becomes law. 74754

Section 146.08. The version of section 3332.04 of the Revised 74755
Code that is scheduled to take effect July 1, 2003, as amended by 74756
this act, and the items of law of which that section as amended is 74757
composed, are not subject to the referendum. Therefore, under Ohio 74758
Constitution, Article II, Section 1d and section 1.471 of the 74759
Revised Code, the section as amended by this act, and the items of 74760
law of which that section as amended is composed, go into 74761
immediate effect on July 1, 2003. 74762

Section 146.09. (A) Except as otherwise provided in division 74763
(B) of this section, the amendments by this act to section 3745.11 74764
of the Revised Code are not subject to the referendum. Therefore, 74765
under Ohio Constitution, Article II, Section 1d and section 1.471 74766
of the Revised Code, the amendments, and the items of law they 74767
contain, go into immediate effect when this act becomes law. 74768

(B)(1) The amendments by this act of division (P) of section 74769
3745.11 of the Revised Code provides for or is essential to 74770
implementation of a tax levy. Therefore, under Ohio Constitution, 74771
Article II, Section 1d, the amendments, and the items of which 74772

they are composed, are not subject to the referendum and go into 74773
immediate effect when this act becomes law. 74774

(2) The seventh and last paragraph added to division (S)(1) 74775
of section 3745.11 of the Revised Code by this act is subject to 74776
the referendum. Therefore, under Ohio Constitution, Article II, 74777
Section 1c and section 1.471 of the Revised Code, the paragraph 74778
takes effect on the ninety-first day after this act is filed with 74779
the Secretary of State. If, however, a referendum petition is 74780
filed against the paragraph, or against any item of law it 74781
contains, the paragraph or item, unless rejected at the 74782
referendum, takes effect at the earliest time permitted by law. 74783

Section 146.10. The version of section 4511.75 of the Revised 74784
Code that is scheduled to take effect January 1, 2004, as amended 74785
by this act, and the items of law of which that section as amended 74786
is composed, are not subject to the referendum. Therefore, under 74787
Ohio Constitution, Article II, Section 1d and section 1.471 of the 74788
Revised Code, the section as amended by this act, and the items of 74789
law of which that section as amended is composed, go into 74790
immediate effect on January 1, 2004. 74791

Section 146.11. (A) Except as otherwise provided in division 74792
(B) of this section, the amendments by this act to section 4743.05 74793
of the Revised Code are subject to the referendum. Therefore, 74794
under Ohio Constitution, Article II, Section 1c and section 1.471 74795
of the Revised Code, the amendments take effect on the 74796
ninety-first day after this act is filed with the Secretary of 74797
State. If, however, a referendum petition is filed against the 74798
amendments, or against any item of law they contain, the 74799
amendments or item, unless rejected at the referendum, takes 74800
effect at the earliest time permitted by law. 74801

(B) The amendment by this act adding a reference to "4771." 74802

to section 4743.05 of the Revised Code is not subject to the 74803
referendum. Therefore, under Ohio Constitution, Article II, 74804
Section 1d and section 1.471 of the Revised Code, the amendment 74805
goes into immediate effect when this act becomes law. 74806

Section 146.12. (A) Except as otherwise provided in division 74807
(B) of this section, the amendments by this act to section 74808
5111.022 of the Revised Code are not subject to the referendum. 74809
Therefore, under Ohio Constitution, Article II, Section 1d and 74810
section 1.471 of the Revised Code, the amendments, and the items 74811
of law they contain, go into immediate effect when this act 74812
becomes law. 74813

(B) The amendments by this act adding divisions (B)(4), (E), 74814
and (F) to section 5111.022 of the Revised Code are subject to the 74815
referendum. Therefore, under Ohio Constitution, Article II, 74816
Section 1c and section 1.471 of the Revised Code, the amendments 74817
take effect on the ninety-first day after this act is filed with 74818
the Secretary of State. If, however, a referendum petition is 74819
filed against the amendments, or against any item of law they 74820
contain, the amendments or item, unless rejected at the 74821
referendum, takes effect at the earliest time permitted by law. 74822

Section 146.13. (A) Except as otherwise provided in division 74823
(B) of this section, the amendments by this act to section 5111.22 74824
of the Revised Code are subject to the referendum. Therefore, 74825
under Ohio Constitution, Article II, Section 1c and section 1.471 74826
of the Revised Code, the amendments take effect on the 74827
ninety-first day after this act is filed with the Secretary of 74828
State. If, however, a referendum petition is filed against the 74829
amendments, or against any item of law they contain, the 74830
amendments or item, unless rejected at the referendum, takes 74831
effect at the earliest time permitted by law. 74832

(B) The amendments to the first, introductory paragraph; the amendment to division (A) referring to "rules adopted under section 5111.02"; the amendment to the introductory clause of division (B); and the amendments to divisions (B)(2) and (7) of section 5111.22 of the Revised Code are not subject to the referendum. Therefore, under Ohio Constitution, Article II, Section 1d and section 1.471 of the Revised Code, the amendments, and the items of law they contain, go into immediate effect when this act becomes law.

Section 146.14. Section 5112.31 of the Revised Code, as amended by this act, and the items of law of which that section as amended is composed, are not subject to the referendum. Therefore, under Ohio Constitution, Article II, Section 1d and section 1.471 of the Revised Code, that section as amended by this act, and the items of law of which that section as amended is composed, are entitled to go into immediate effect when this act becomes law. However, that section as amended by this act, and the items of law which that section as amended by this act are composed, take effect on July 1, 2003, or the day this act becomes law, whichever is later.

Section 146.15. (A) Except as otherwise provided in division (B) of this section, the amendments by this act to section 4981.20 (5507.20) of the Revised Code are not subject to the referendum. Therefore, under Ohio Constitution, Article II, Section 1d and section 1.471 of the Revised Code, the amendments, and the items of law they contain, go into immediate effect when this act becomes law.

(B) The amendment by this act to the second and last sentence of the second paragraph of division (A) of section 4981.20 (5507.20) of the Revised Code provides for or is essential to

implementation of a tax levy. Therefore, under Ohio Constitution, 74863
Article II, Section 1d, the amendment is not subject to the 74864
referendum and goes into immediate effect when this act becomes 74865
law. 74866

Section 146.16. * Section 102.02 of the Revised Code, as 74867
amended by this act, shall take effect January 1, 2004. 74868

Section 146.17. * Sections 125.05, 183.28, 3301.80, 3301.801, 74869
3314.074, 3317.06, 3317.50, 3317.51, 3319.22, and 3319.235 of the 74870
Revised Code, as amended by this act, take effect July 1, 2004. 74871

Section 146.18. * Section 4759.08 of the Revised Code, as 74872
amended by this act, shall take effect July 1, 2004. 74873

Section 146.19. * Sections 5103.031, 5103.033, 5103.034, 74874
5103.036, 5103.037, 5103.038, 5103.0312, 5103.0313, 5103.0314, 74875
5103.0315, 5103.0316, 5153.60, 5153.69, and 5153.72 of the Revised 74876
Code, as amended by this act, shall take effect on January 1, 74877
2004. 74878

Section 146.20. * Sections 5103.154 and 5153.163 of the 74879
Revised Code as amended by this act take effect July 1, 2004. 74880

Section 146.21. * Section 5112.31 of the Revised Code, as 74881
amended by this act, shall take effect July 1, 2003. 74882

Section 146.22. Except as otherwise specifically provided in 74883
this act, the uncodified sections of law amended or enacted in 74884
this act, and the items of law of which the uncodified sections of 74885
law amended or enacted in this act are composed, are not subject 74886
to the referendum. Therefore, under Ohio Constitution, Article II, 74887
Section 1d and section 1.471 of the Revised Code, the uncodified 74888
sections of law amended or enacted in this act, and the items of 74889

law of which the uncodified sections of law amended or enacted in 74890
this act are composed, go into immediate effect when this act 74891
becomes law. 74892

Section 146.23. Uncodified sections of law amended or enacted 74893
in this act, and items of law contained within the uncodified 74894
sections of law amended or enacted in this act, that are marked 74895
with an asterisk are subject to the referendum. Therefore, under 74896
Ohio Constitution, Article II, Section 1c and section 1.471 of the 74897
Revised Code, the uncodified sections and items of law marked with 74898
an asterisk take effect on the ninety-first day after this act is 74899
filed with the Secretary of State. If, however, a referendum 74900
petition is filed against an uncodified section or item of law 74901
marked with an asterisk, the uncodified section or item of law 74902
marked with an asterisk, unless rejected at the referendum, takes 74903
effect at the earliest time permitted by law. 74904

If the amending and existing repeal clauses commanding the 74905
amendment of an uncodified section of law are both marked with 74906
asterisks, the uncodified section as amended is deemed also to 74907
have been marked with an asterisk. 74908

An asterisk marking an uncodified section or item of law has 74909
the form *. 74910

This section defines the meaning and form of, but is not 74911
itself to be considered marked with, an asterisk. 74912

Section 146.24. (A) Except as otherwise provided in division 74913
(B) of this section, the amendments by this act to Section 27 of 74914
Sub. H.B. 670 of the 121st General Assembly are not subject to the 74915
referendum. Therefore, under Ohio Constitution, Article II, 74916
Section 1d and section 1.471 of the Revised Code, the amendments 74917
go into immediate effect when this act becomes law. 74918

(B) The amendments by this act removing references to the 74919

Hazardous Waste Facility Board and to the Reclamation Commission 74920
from Section 27 of Sub. H.B. 670 of the 121st General Assembly are 74921
subject to the referendum. Therefore, under Ohio Constitution, 74922
Article II, Section 1c and section 1.471 of the Revised Code, the 74923
amendments take effect on the ninety-first day after this act is 74924
filed with the Secretary of State. If, however, a referendum 74925
petition is filed against the amendments, or against any item of 74926
law they contain, the amendments or item, unless rejected at the 74927
referendum, takes effect at the earliest time permitted by law. 74928

Section 146.25. The repeal by this act of the following 74929
uncodified sections of law is not subject to the referendum and 74930
therefore, under Ohio Constitution, Article II, Section 1d and 74931
section 1.471 of the Revised Code, goes into immediate effect when 74932
this act becomes law: 74933

(A) Section 11 of Am. Sub. S.B. 50 of the 121st General 74934
Assembly; 74935

(B) Section 129 of Am. Sub. H.B. 283 of the 123rd General 74936
Assembly; 74937

(C) Section 63.37 of Am. Sub. H.B. 94 of the 124th General 74938
Assembly. 74939

Section 146.26. If the amendment or enactment in this act of 74940
a codified or uncodified section of law is subject to the 74941
referendum, the corresponding indications in the amending, 74942
enacting, or existing repeal clauses commanding the amendment or 74943
enactment also are subject to the referendum, along with the 74944
amendment or enactment. If the amendment or enactment by this act 74945
of a codified or uncodified section of law is not subject to the 74946
referendum, the corresponding indications in the amending, 74947
enacting, or existing repeal clauses commanding the amendment or 74948
enactment also are not subject to the referendum, the same as the 74949

amendment or enactment. 74950

Section 147.01. * The amendment of section 122.25 of the 74951
Revised Code by this act is not intended to supersede the earlier 74952
repeal, with delayed effective date, of that section. 74953

Section 147.02. * Section 921.151 was amended and renumbered 74954
as section 921.22 of the Revised Code by Am. Sub. S.B. 217 of the 74955
124th General Assembly, passed November 21, 2002, and effective 74956
July 1, 2004. The amendment of section 921.151 of the Revised Code 74957
in Section 1 of this act does not supersede that earlier amendment 74958
and renumbering. This act therefore amends both sections to ensure 74959
that its amendments continue on and after July 1, 2004. 74960

Section 147.03. The amendment by this act of sections 5112.03 74961
and 5112.08 of the Revised Code is not intended to supersede the 74962
earlier repeal, with delayed effective date, of those sections. 74963
74964

Section 147.04. The amendment by this act of section 5112.99 74965
of the Revised Code is not intended to supersede the earlier 74966
repeal, with delayed effective date, of that section. 74967

Section 148.01. * Section 109.572 of the Revised Code is 74968
presented in this act as a composite of the section as amended by 74969
both Sub. H.B. 448 and Sub. H.B. 538 of the 123rd General 74970
Assembly. The General Assembly, applying the principle stated in 74971
division (B) of section 1.52 of the Revised Code that amendments 74972
are to be harmonized if reasonably capable of simultaneous 74973
operation, finds that the composite is the resulting version of 74974
the section in effect prior to the effective date of the section 74975
as presented in this act. 74976

Section 148.02. Section 109.71 of the Revised Code is 74977
presented in this act as a composite of the section as amended by 74978
both Sub. H.B. 545 and H.B. 675 of the 124th General Assembly. The 74979
General Assembly, applying the principle stated in division (B) of 74980
section 1.52 of the Revised Code that amendments are to be 74981
harmonized if reasonably capable of simultaneous operation, finds 74982
that the composite is the resulting version of the section in 74983
effect prior to the effective date of the section as presented in 74984
this act. 74985

Section 148.03. Section 121.04 of the Revised Code is 74986
presented in this act as a composite of the section as amended by 74987
both Sub. H.B. 601 and Am. Sub. H.B. 640 of the 123rd General 74988
Assembly. The General Assembly, applying the principle stated in 74989
division (B) of section 1.52 of the Revised Code that amendments 74990
