conditions specified in divisions (H)(1)(a) to (d) of this section 31827
have not been met. The person who appeals the suspension has the 31828
burden of proving, by a preponderance of the evidence, that one or 31829
more of the specified conditions has not been met. If during the 31830
appeal at the initial appearance the judge or referee of the court 31831
or the mayor of the mayor's court determines that all of those 31832

conditions have been met, the judge, referee, or mayor shall 31833
uphold the suspension, shall continue the suspension, and shall 31834
notify the registrar of the decision on a form approved by the 31835
registrar. Except as otherwise provided in division (H)(2) of this 31836
section, if the suspension is upheld or if the person does not 31837
appeal the suspension at the person's initial appearance under 31838
division (H)(1) of this section, the suspension shall continue 31839
until the complaint alleging the violation for which the person 31840
was arrested and in relation to which the suspension was imposed 31841
is adjudicated on the merits by the judge or referee of the trial 31842
court or by the mayor of the mayor's court. If the suspension was 31843
imposed under division (E) of this section and it is continued 31844
under this division, any subsequent finding that the person is not 31845
guilty of the charge that resulted in the person being requested 31846
to take the chemical test or tests under division (A) of this 31847
section does not terminate or otherwise affect the suspension. If 31848
the suspension was imposed under division (F) of this section and 31849
it is continued under this division, the suspension shall 31850
terminate if, for any reason, the person subsequently is found not 31851
guilty of the charge that resulted in the person taking the 31852
chemical test or tests under division (A) of this section. 31853

If, during the appeal at the initial appearance, the judge or 31854
referee of the trial court or the mayor of the mayor's court 31855
determines that one or more of the conditions specified in 31856
divisions (H)(1)(a) to (d) of this section have not been met, the 31857
judge, referee, or mayor shall terminate the suspension, subject 31858
to the imposition of a new suspension under division (B) of 31859
section 4511.196 of the Revised Code; shall notify the registrar 31860
of the decision on a form approved by the registrar; and, except 31861
as provided in division (B) of section 4511.196 of the Revised 31862
Code, shall order the registrar to return the driver's or 31863
commercial driver's license or permit to the person or to take 31864
such measures as may be necessary, if the license or permit was 31865

destroyed under section 4507.55 of the Revised Code, to permit the person to obtain a replacement driver's or commercial driver's license or permit from the registrar or a deputy registrar in accordance with that section. The court also shall issue to the person a court order, valid for not more than ten days from the date of issuance, granting the person operating privileges for that period of time.

If the person appeals the suspension at the initial appearance, the registrar shall be represented by the prosecuting attorney of the county in which the arrest occurred if the initial appearance is conducted in a juvenile court or county court, except that if the arrest occurred within a city or village within the jurisdiction of the county court in which the appeal is conducted, the city director of law or village solicitor of that city or village shall represent the registrar. If the appeal is conducted in a municipal court, the registrar shall be represented as provided in section 1901.34 of the Revised Code. If the appeal is conducted in a mayor's court, the registrar shall be represented by the city director of law, village solicitor, or other chief legal officer of the municipal corporation that operates that mayor's court.

(I)(1)(a) A person is not entitled to request, and a court shall not grant to the person, occupational driving privileges under division (I)(1) of this section if a person's driver's or commercial driver's license or permit or nonresident operating privilege has been suspended pursuant to division (E) of this section, and the person, within the preceding seven years, has refused three previous requests to consent to a chemical test of the person's blood, breath, or urine to determine its alcohol content or has been convicted of or pleaded guilty to three or more violations of one or more of the following:

(vi) Division (A)(2), (3), or (4) of section 2903.06, division (A)(2) of section 2903.08, or former section 2903.07 of the Revised Code, or a municipal ordinance that is substantially similar to any of those divisions or that former section, in a case in which the jury or judge found that the person was under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse;	31911 31912 31913 31914 31915 31916 31917
(vii) A statute of the United States or of any other state or a municipal ordinance of a municipal corporation located in any other state that is substantially similar to division (A) or (B) of section 4511.19 of the Revised Code.	31918 31919 31920 31921
(b) Any other person who is not described in division (I)(1)(a) of this section and whose driver's or commercial driver's license or nonresident operating privilege has been suspended pursuant to division (E) of this section may file a petition requesting occupational driving privileges in the common pleas court, municipal court, county court, mayor's court, or, if the person is a minor, juvenile court with jurisdiction over the	31922 31923 31924 31925 31926 31927 31928

any time subsequent to the date on which the notice of suspension 31930
is served upon the arrested person. The person shall pay the costs 31931
of the proceeding, notify the registrar of the filing of the 31932
petition, and send the registrar a copy of the petition. 31933

In the proceedings, the registrar shall be represented by the 31934
prosecuting attorney of the county in which the arrest occurred if 31935
the petition is filed in the juvenile court, county court, or 31936
common pleas court, except that, if the arrest occurred within a 31937
city or village within the jurisdiction of the county court in 31938
which the petition is filed, the city director of law or village 31939
solicitor of that city or village shall represent the registrar. 31940
If the petition is filed in the municipal court, the registrar 31941
shall be represented as provided in section 1901.34 of the Revised 31942
Code. If the petition is filed in a mayor's court, the registrar 31943
shall be represented by the city director of law, village 31944
solicitor, or other chief legal officer of the municipal 31945
corporation that operates the mayor's court. 31946

The court, if it finds reasonable cause to believe that 31947
suspension would seriously affect the person's ability to continue 31948
in the person's employment, may grant the person occupational 31949
driving privileges during the period of suspension imposed 31950
pursuant to division (E) of this section, subject to the 31951
limitations contained in this division and division (I)(2) of this 31952
section. The court may grant the occupational driving privileges, 31953
subject to the limitations contained in this division and division 31954
(I)(2) of this section, regardless of whether the person appeals 31955
the suspension at the person's initial appearance under division 31956
(H)(1) of this section or appeals the decision of the court made 31957
pursuant to the appeal conducted at the initial appearance, and, 31958
if the person has appealed the suspension or decision, regardless 31959
of whether the matter at issue has been heard or decided by the 31960

court. The court shall not grant occupational driving privileges 31961
for employment as a driver of commercial motor vehicles to any 31962
person who is disqualified from operating a commercial motor 31963
vehicle under section 3123.611 or 4506.16 of the Revised Code or 31964

instruction permit has been suspended under section 3123.58 of the 31966
Revised Code. 31967

(2)(a) In granting occupational driving privileges under 31968
division (I)(1) of this section, the court may impose any 31969
condition it considers reasonable and necessary to limit the use 31970
of a vehicle by the person. The court shall deliver to the person 31971
a permit card, in a form to be prescribed by the court, setting 31972
forth the time, place, and other conditions limiting the 31973
defendant's use of a vehicle. The grant of occupational driving 31974
privileges shall be conditioned upon the person's having the 31975
permit in the person's possession at all times during which the 31976
person is operating a vehicle. 31977

A person granted occupational driving privileges who operates 31978
a vehicle for other than occupational purposes, in violation of 31979
any condition imposed by the court, or without having the permit 31980
in the person's possession, is guilty of a violation of section 31981
4507.02 of the Revised Code. 31982

(b) The court may not grant a person occupational driving 31983
privileges under division (I)(1) of this section when prohibited 31984
by a limitation contained in that division or during any of the 31985
following periods of time: 31986

(i) The first thirty days of suspension imposed upon a person 31987
who, within five years of the date on which the person refused the 31988
request to consent to a chemical test of the person's blood, 31989
breath, or urine to determine its alcohol content and for which 31990

request to consent to a chemical test of the person's blood, 31992

breath, or urine to determine its alcohol content; 31993

(ii) The first ninety days of suspension imposed upon a 31994
person who, within five years of the date on which the person 31995

request to consent to a chemical test of the person's blood, 31999

person's blood, breath, or urine to determine its alcohol content. 32014

(3) The court shall give information in writing of any action 32015
taken under this section to the registrar. 32016

(4) If a person's driver's or commercial driver's license or 32017
permit or nonresident operating privilege has been suspended 32018

court specified in division (I)(1)(b) of this section a petition 32042
requesting occupational driving privileges in accordance with 32043
section 4507.16 of the Revised Code. The petition may be filed at 32044

serves the notice of suspension upon the arrested person. Upon the 32046
making of the request, occupational driving privileges may be 32047
granted in accordance with section 4507.16 of the Revised Code. 32048
The court may grant the occupational driving privileges, subject 32049
to the limitations contained in section 4507.16 of the Revised 32050

appeal conducted at the initial appearance, and, if the person has 32054
appealed the suspension or decision, regardless of whether the 32055
matter at issue has been heard or decided by the court. 32056

influence of alcohol, a drug of abuse, or alcohol and a drug of 32070
abuse or with a prohibited concentration of alcohol in the blood, 32071
breath, or urine, if the offense for which the plea is entered or 32072
that resulted in the conviction arose from the same incident that 32073
led to the suspension or denial. 32074

The registrar shall credit against any judicial suspension of 32075
a person's driver's or commercial driver's license or permit or 32076

pertinent professional biographical data as the board may require. 34098
An optometrist seeking to continue to practice optometry shall 34099

the board's records. 34115

(D) In cases of certified illness or undue hardship, the 34116
board may waive or defer for up to twelve months the requirement 34117
of continuing optometric education, except that in such cases the 34118
board may not waive or defer the continuing education in 34119
pharmacology required to be completed by optometrists who hold 34120
topical ocular pharmaceutical agents certificates or therapeutic 34121
pharmaceutical agents certificates. The board shall waive the 34122

(E) The board shall approve all applications for renewal that 34127
are not disapproved or refused under division (C) of this section. 34128

adjudicative order issued by the board pursuant to section 4725.19 34563
of the Revised Code and Chapter 119. of the Revised Code becomes 34564
effective. The board shall issue its final adjudicative order 34565

year, the department of job and family services shall reduce the 36749

percentage to be used for the purpose of division (B)(2) of this 36761
section is the product of ten multiplied by a fraction of which 36762
the numerator is the per capita tax duplicate of the county and 36763
the denominator is the per capita tax duplicate of the state as a 36764

less than three thousand dollars a year and the denominator is the 36777
percentage of such families in the county. The department of job 36778
and family services shall compute the percentage of families with 36779
an annual income of less than three thousand dollars for the state 36780
and for each county by multiplying the most recent estimate of 36781
such families published by the department of development, by a 36782
fraction, the numerator of which is the estimate of average annual 36783
personal income published by the bureau of economic analysis of 36784

than three thousand dollars is greater than the percentage of such 36791
families in the state, the percentage to be used for the purpose 36792
of division (B)(2) of this section shall be determined as follows: 36793

(a) Multiply ten by the fraction determined under division 36794
(D)(1) of this section; 36795

(b) Multiply the product determined under division (D)(3)(a) 36796
of this section by the fraction determined under division (D)(2) 36797
of this section. 36798

(4) The department of job and family services shall 36799

determine, for each county, the percentage to be used for the 36800
purpose of division (B)(2) of this section not later than the 36801
first day of July of the year preceding the state fiscal year for 36802
which the percentage is used. 36803

(E) The department of job and family services shall credit to 36804
a county the amount of federal reimbursement the department 36805
receives from the United States departments of agriculture and 36806

5108., 5111., and 5115. of the Revised Code. The auditor of state 36911
shall initiate action leading to prosecution, where warranted, of 36912

Sec. 5101.214. The director of job and family services may 36938
enter into agreements with one-stop operators and one-stop 36939
partners for the purpose of implementing the requirements of 36940
section 121 of the "Workforce Investment Act of 1998," 112 Stat. 36941
936, 29 U.S.C. 2801. 36942

Sec. 5101.36. Any application for public assistance gives a 36943
right of subrogation to the department of job and family services 36944
for any workers' compensation benefits payable to a person who is 36945
subject to a support order, as defined in section 3119.01 of the 36946
Revised Code, on behalf of the applicant, to the extent of any 36947
public assistance payments made on the applicant's behalf. If the 36948
director of job and family services, in consultation with a child 36949
support enforcement agency and the administrator of the bureau of 36950
workers' compensation, determines that a person responsible for 36951
support payments to a recipient of public assistance is receiving 36952

workers' compensation, the director shall notify the administrator 36953
of the amount of the benefit to be paid to the department of job 36954
and family services. 36955

For purposes of this section, "public assistance" means 36956
medical assistance provided through the medical assistance program 36957
established under section 5111.01 of the Revised Code; Ohio works 36958
first provided under Chapter 5107. of the Revised Code; 36959
prevention, retention, and contingency benefits and services 36960
provided under Chapter 5108. of the Revised Code; ~~or~~ disability 36961
financial assistance provided under Chapter 5115. of the Revised 36962
Code; or disability medical assistance provided under Chapter 36963
5115. of the Revised Code. 36964

Sec. 5101.58. As used in this section and section 5101.59 of 36965
the Revised Code, "public assistance" means aid provided under 36966
Chapter 5111. or 5115. of the Revised Code and participation in 36967
the Ohio works first program established under Chapter 5107. of 36968
the Revised Code. 36969

The acceptance of public assistance gives a right of recovery 36970
to the department of job and family services and a county 36971
department of job and family services against the liability of a 36972
third party for the cost of medical services and care arising out 36973
of injury, disease, or disability of the public assistance 36974
recipient or participant. When an action or claim is brought 36975
against a third party by a public assistance recipient or 36976
participant, the entire amount of any settlement or compromise of 36977
the action or claim, or any court award or judgment, is subject to 36978
the recovery right of the department of job and family services or 36979
county department of job and family services. Except in the case 36980
of a recipient or participant who receives medical services or 36981
care through a managed care organization, the department's or 36982
county department's claim shall not exceed the amount of medical 36983

expenses paid by the departments on behalf of the recipient or 36984
participant. In the case of a recipient or participant who 36985
receives medical services or care through a managed care 36986
organization, the amount of the department's or county 36987
department's claim shall be the amount the managed care 36988
organization pays for medical services or care rendered to the 36989
recipient or participant, even if that amount is more than the 36990
amount the departments pay to the managed care organization for 36991
the recipient's or participant's medical services or care. Any 36992
settlement, compromise, judgment, or award that excludes the cost 36993
of medical services or care shall not preclude the departments 36994
from enforcing their rights under this section. 36995

Prior to initiating any recovery action, the recipient or 36996
participant, or the recipient's or participant's representative, 36997
shall disclose the identity of any third party against whom the 36998
recipient or participant has or may have a right of recovery. 36999
Disclosure shall be made to the department of job and family 37000
services when medical expenses have been paid pursuant to Chapter 37001
5111. or 5115. of the Revised Code. Disclosure shall be made to 37002
both the department of job and family services and the appropriate 37003
county department of job and family services when medical expenses 37004
have been paid pursuant to Chapter 5115. of the Revised Code. No 37005
settlement, compromise, judgment, or award or any recovery in any 37006
action or claim by a recipient or participant where the 37007
departments have a right of recovery shall be made final without 37008
first giving the appropriate departments notice and a reasonable 37009
opportunity to perfect their rights of recovery. If the 37010
departments are not given appropriate notice, the recipient or 37011
participant is liable to reimburse the departments for the 37012
recovery received to the extent of medical payments made by the 37013
departments. The departments shall be permitted to enforce their 37014
recovery rights against the third party even though they accepted 37015
prior payments in discharge of their rights under this section if, 37016

at the time the departments received such payments, they were not 37017
aware that additional medical expenses had been incurred but had 37018
not yet been paid by the departments. The third party becomes 37019
liable to the department of job and family services or county 37020
department of job and family services as soon as the third party 37021
is notified in writing of the valid claims for recovery under this 37022
section. 37023

The right of recovery does not apply to that portion of any 37024
judgment, award, settlement, or compromise of a claim, to the 37025
extent of attorneys' fees, costs, or other expenses incurred by a 37026
recipient or participant in securing the judgment, award, 37027
settlement, or compromise, or to the extent of medical, surgical, 37028
and hospital expenses paid by such recipient or participant from 37029
the recipient's or participant's own resources. Attorney fees and 37030
costs or other expenses in securing any recovery shall not be 37031
assessed against any claims of the departments. 37032

To enforce their recovery rights, the departments may do any 37033
of the following: 37034

(A) Intervene or join in any action or proceeding brought by 37035
the recipient or participant or on the recipient's or 37036
participant's behalf against any third party who may be liable for 37037
the cost of medical services and care arising out of the 37038
recipient's or participant's injury, disease, or disability; 37039

(B) Institute and pursue legal proceedings against any third 37040
party who may be liable for the cost of medical services and care 37041
arising out of the recipient's or participant's injury, disease, 37042
or disability; 37043

(C) Initiate legal proceedings in conjunction with the 37044
injured, diseased, or disabled recipient or participant or the 37045
recipient's or participant's legal representative. 37046

Recovery rights created by this section may be enforced 37047

separately or jointly by the department of job and family services 37048
and the county department of job and family services. 37049

The right of recovery given to the department under this 37050
section does not include rights to support from any other person 37051
assigned to the state under sections 5107.20 and ~~5115.13~~ 5115.07 37052
of the Revised Code, but includes payments made by a third party 37053
under contract with a person having a duty to support. 37054

The director of job and family services may adopt rules in 37055
accordance with Chapter 119. of the Revised Code the department 37056
considers necessary to implement this section. 37057

Sec. 5101.59. (A) The application for or acceptance of public 37058
assistance constitutes an automatic assignment of certain rights 37059
to the department of job and family services. This assignment 37060
includes the rights of the applicant, recipient, or participant 37061
and also the rights of any other member of the assistance group 37062
for whom the applicant, recipient, or participant can legally make 37063
an assignment. 37064

Pursuant to this section, the applicant, recipient, or 37065
participant assigns to the department any rights to medical 37066
support available to the applicant, recipient, or participant or 37067
for other members of the assistance group under an order of a 37068
court or administrative agency, and any rights to payments from 37069
any third party liable to pay for the cost of medical care and 37070
services arising out of injury, disease, or disability of the 37071
applicant, recipient, participant, or other members of the 37072
assistance group. 37073

Medicare benefits shall not be assigned pursuant to this 37074
section. Benefits assigned to the department by operation of this 37075
section are directly reimbursable to the department by liable 37076
third parties. 37077

(B) Refusal by the applicant, recipient, or participant to cooperate in obtaining medical support and payments for self or any other member of the assistance group renders the applicant, recipient, or participant ineligible for public assistance, unless cooperation is waived by the department. Eligibility shall continue for any individual who cannot legally assign the individual's own rights and who would have been eligible for public assistance but for the refusal to assign the individual's rights or to cooperate as required by this section by another person legally able to assign the individual's rights.

If the applicant, recipient, or participant or any member of the assistance group becomes ineligible for public assistance, the department shall restore to the applicant, recipient, participant, or member of the assistance group any future rights to benefits assigned under this section.

The rights of assignment given to the department under this section do not include rights to support assigned under section 5107.20 or ~~5115.13~~ 5115.07 of the Revised Code.

(C) The director of job and family services may adopt rules in accordance with Chapter 119. of the Revised Code to implement this section, including rules that specify what constitutes cooperating with efforts to obtain medical support and payments and when the cooperation requirement may be waived.

Sec. 5101.75. (A) As used in sections 5101.75, 5101.751, 5101.752, 5101.753, and 5101.754 of the Revised Code:

(1) "Alternative source of long-term care" includes a residential care facility licensed under Chapter 3721. of the Revised Code, an adult care facility licensed under Chapter 3722. of the Revised Code, home and community-based services, and a nursing home licensed under Chapter 3721. of the Revised Code that

is not a nursing facility. 37108

(2) "Medicaid" means the medical assistance program 37109
established under Chapter 5111. of the Revised Code. 37110

(3) "Nursing facility" has the same meaning as in section 37111
5111.20 of the Revised Code. 37112

(4) "Representative" means a person acting on behalf of an 37113
applicant for admission to a nursing facility. A representative 37114
may be a family member, attorney, hospital social worker, or any 37115
other person chosen to act on behalf of an applicant. 37116

(5) "Third-party payment source" means a third-party payer as 37117
defined in section 3901.38 of the Revised Code or medicaid. 37118

(B) Effective July 1, 1994, the department of job and family 37119
services may assess a person applying or intending to apply for 37120
admission to a nursing facility who is not an applicant for or 37121
recipient of medicaid to determine whether the person is in need 37122
of nursing facility services and whether an alternative source of 37123
long-term care is more appropriate for the person in meeting the 37124
person's physical, mental, and psychosocial needs than admission 37125
to the facility to which the person has applied. 37126

Each assessment shall be performed by the department or an 37127
agency designated by the department under section 5101.751 of the 37128
Revised Code and shall be based on information provided by the 37129
person or the person's representative. It shall consider the 37130
person's physical, mental, and psychosocial needs and the 37131
availability and effectiveness of informal support and care. The 37132
department or designated agency shall determine the person's 37133
physical, mental, and psychosocial needs by using, to the maximum 37134
extent appropriate, information from the resident assessment 37135
instrument specified in rules adopted by the department under 37136
division (A) of section 5111.231 of the Revised Code. The 37137
department or designated agency shall also use the criteria and 37138

procedures established in rules adopted by the department under 37139
division (I) of this section. Assessments may be performed only by 37140
persons certified by the department under section 5101.752 of the 37141
Revised Code. The department or designated agency shall make a 37142
recommendation on the basis of the assessment and, not later than 37143
the time the assessment is required to be performed under division 37144
(D) of this section, give the person assessed written notice of 37145
the recommendation, which shall explain the basis for the 37146
recommendation. If the department or designated agency determines 37147
pursuant to an assessment that an alternative source of long-term 37148
care is more appropriate for the person than admission to the 37149
facility to which the person has applied, the department or 37150
designated agency shall include in the notice possible sources of 37151
financial assistance for the alternative source of long-term care. 37152
If the department or designated agency has been informed that the 37153
person has a representative, it shall give the notice to the 37154
representative. 37155

(C) A person is not required to be assessed under division 37156
(B) of this section if any of the following apply: 37157

(1) The circumstances specified by rules adopted under 37158
division (I) of this section exist. 37159

a contract for continuing care as defined in section 173.13 of the 37161
Revised Code. 37162

(3) The person has a contractual right to admission to a 37163
nursing facility operated as part of a system of continuing care 37164
in conjunction with one or more facilities that provide a less 37165
intensive level of services, including a residential care facility 37166
licensed under Chapter 3721. of the Revised Code, an adult-care 37167
facility licensed under Chapter 3722. of the Revised Code, or an 37168
independent living arrangement; 37169

(4) The person is to receive continual care in a home for the aged exempt from taxation under section 5701.13 of the Revised Code;

(5) The person is to receive care in the nursing facility for not more than fourteen days in order to provide temporary relief to the person's primary caregiver and the nursing facility notifies the department of the person's admittance not later than twenty-four hours after admitting the person;

(6) The person is to be transferred from another nursing facility, unless the nursing facility from which or to which the person is to be transferred determines that the person's medical condition has changed substantially since the person's admission to the nursing facility from which the person is to be transferred or a review is required by a third-party payment source;

(7) The person is to be readmitted to a nursing facility following a period of hospitalization, unless the hospital or nursing facility determines that the person's medical condition has changed substantially since the person's admission to the hospital, or a review is required by a third-party payment source;

(8) The department or designated agency fails to complete an assessment within the time required by division (D) or (E) of this section or determines after a partial assessment that the person should be exempt from the assessment.

(D) The department or designated agency shall perform a complete assessment, or, if circumstances provided by rules adopted under division (I) of this section exist, a partial assessment, as follows:

(1) In the case of a hospitalized person applying or intending to apply to a nursing facility, not later than two working days after the person or the person's representative is notified that a bed is available in a nursing facility;

(2) In the case of an emergency as determined in accordance with rules adopted under division (I) of this section, not later than one working day after the person or the person's representative is notified that a bed is available in a nursing facility;

(3) In all other cases, not later than five calendar days after the person or the person's representative who submits the application is notified that a bed is available in a nursing facility.

(E) If the department or designated agency conducts a partial assessment under division (D) of this section, it shall complete the rest of the assessment not later than one hundred eighty days after the date the person is admitted to the nursing facility unless the assessment entity determines the person should be exempt from the assessment.

(F) A person assessed under this section or the person's representative may file a complaint with the department about the assessment process. The department shall work to resolve the complaint in accordance with rules adopted under division (I) of this section.

(G) A person is not required to seek an alternative source of long-term care and may be admitted to or continue to reside in a nursing facility even though an alternative source of long-term care is available or the person is determined pursuant to an assessment under this section not to need nursing facility services.

(H) No nursing facility ~~with~~ for which an operator has a provider agreement with the department under section 5111.22 of the Revised Code shall admit or retain any person, other than a person exempt from the assessment requirement as provided by division (C) of this section, as a resident unless the nursing

facility has received evidence that a complete or partial	37232
assessment has been completed.	37233
(I) The director of job and family services shall adopt rules	37234
in accordance with Chapter 119. of the Revised Code to implement	37235
and administer this section. The rules shall include all of the	37236
following:	37237

representative must provide to enable the department or designated	37239
agency to do the assessment;	37240
(2) Criteria to be used to determine whether a person is in	37241
need of nursing facility services;	37242
(3) Criteria to be used to determine whether an alternative	37243
source of long-term care is appropriate for the person being	37244
assessed;	37245
(4) Criteria and procedures to be used to determine a	37246
person's physical, mental, and psychosocial needs;	37247
(5) Criteria to be used to determine the effectiveness and	37248
continued availability of a person's current source of informal	37249
support and care;	37250
(6) Circumstances, in addition to those specified in division	37251
(C) of this section, under which a person is not required to be	37252
assessed;	37253
(7) Circumstances under which the department or designated	37254
agency may perform a partial assessment under division (D) of this	37255
section;	37256
(8) The method by which a situation will be determined to be	37257
an emergency for the purpose of division (D)(2) of this section;	37258
(9) The method by which the department will attempt to	37259
resolve complaints filed under division (F) of this section.	37260
(J) The director of job and family services may fine a	37261

agent, associate, manager, or employee that resulted in the 39952
conviction or entry of a judgment in a criminal or civil action 39953

this division prohibits any owner, officer, authorized agent, 39955
associate, manager, or employee of a medicaid provider from 39956
entering into a medicaid provider agreement if the person can 39957
demonstrate that the person had no knowledge of an action of the 39958
medicaid provider the person was formerly associated with that 39959
resulted in the conviction or entry of a judgment in a criminal or 39960
civil action brought pursuant to section 109.85 of the Revised 39961
Code. 39962

proceedings to enforce this section in any court of competent 39981
jurisdiction; and the attorney general may settle or compromise 39982
any case brought under this section with the approval of the 39983
department of job and family services. Notwithstanding any other 39984
provision of law providing a shorter period of limitations, the 39985
attorney general may commence a proceeding to enforce this section 39986
at any time within six years after the conduct in violation of 39987
this section terminates. 39988

with rules the director of job and family services shall adopt in 40243

by the proposal to terminate or not to renew the contract. The 40261
disenrollment is not subject to Chapter 119. of the Revised Code, 40262
but the managed care organization may request a reconsideration of 40263
the disenrollment. Reconsiderations shall be requested and 40264
conducted in accordance with rules the director of job and family 40265

costs for all urban consumers for the north central region, 40782

published by the United States bureau of labor statistics; 40783

(iii) For subsequent fiscal years, the limitation in effect 40784

inflation for the twelve-month period beginning on the first day 40786
of July for the calendar year preceding the calendar year that 40787
precedes the fiscal year and ending on the following thirtieth day 40788

(3) Any amounts for return on equity determined under 40794
division (H) of this section. 40795

Buildings shall be depreciated using the straight line method 40796
over forty years or over a different period approved by the 40797
department. Components and equipment shall be depreciated using 40798
the straight-line method over a period designated in rules adopted 40799
by the director of job and family services in accordance with 40800
Chapter 119. of the Revised Code, consistent with the guidelines 40801
of the American hospital association, or over a different period 40802
approved by the department. Any rules adopted under this division 40803
that specify useful lives of buildings, components, or equipment 40804
apply only to assets acquired on or after July 1, 1993. 40805
Depreciation for costs paid or reimbursed by any government agency 40806
shall not be included in cost of ownership or renovation unless 40807
that part of the payment under sections 5111.20 to 5111.32 of the 40808
Revised Code is used to reimburse the government agency. 40809

(B) The capital cost basis of nursing facility assets shall 40810
be determined in the following manner: 40811

(1) For purposes of calculating the rate to be paid for the 40812
fiscal year beginning July 1, 1993, for facilities with dates of 40813

licensure on or before June 30, 1993, the capital cost basis shall 40814
be equal to the following: 40815

(a) For facilities that have not had a change of ownership 40816
during the period beginning January 1, 1993, and ending June 30, 40817
1993, the desk-reviewed, actual, allowable capital cost basis that 40818
is listed on the facility's cost report for the cost reporting 40819
period ending December 31, 1992, plus the actual, allowable 40820
capital cost basis of any assets constructed or acquired after 40821
December 31, 1992, but before July 1, 1993, if the aggregate 40822
capital costs of those assets would increase the facility's rate 40823
for capital costs by twenty or more cents per resident per day. 40824

(b) For facilities that have a date of licensure or had a 40825
change of ownership during the period beginning January 1, 1993, 40826
and ending June 30, 1993, the actual, allowable capital cost basis 40827
of the person or government entity that owns the facility on June 40828
30, 1993. 40829

Capital cost basis shall be calculated as provided in 40830
division (B)(1) of this section subject to approval by the United 40831
States health care financing administration of any necessary 40832
amendment to the state plan for providing medical assistance. 40833

The department shall include the actual, allowable capital 40834
cost basis of assets constructed or acquired during the period 40835
beginning January 1, 1993, and ending June 30, 1993, in the 40836
calculation for the facility's rate effective July 1, 1993, if the 40837
aggregate capital costs of the assets would increase the 40838
facility's rate by twenty or more cents per resident per day and 40839
the facility provides the department with sufficient documentation 40840
of the costs before June 1, 1993. If the facility provides the 40841
documentation after that date, the department shall adjust the 40842
facility's rate to reflect the costs of the assets one month after 40843
the first day of the month after the department receives the 40844
documentation. 40845

(2) Except as provided in division (B)(4) of this section, 40846
for purposes of calculating the rates to be paid for fiscal years 40847
beginning after June 30, 1994, for facilities with dates of 40848
licensure on or before June 30, 1993, the capital cost basis of 40849
each asset shall be equal to the desk-reviewed, actual, allowable, 40850
capital cost basis that is listed on the facility's cost report 40851
for the calendar year preceding the fiscal year during which the 40852
rate will be paid. 40853

(3) For facilities with dates of licensure after June 30, 40854
1993, the capital cost basis shall be determined in accordance 40855
with the principles of the medicare program established under 40856
Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 40857
U.S.C.A. 301, as amended, except as otherwise provided in sections 40858
5111.20 to 5111.32 of the Revised Code. 40859

(4) Except as provided in division (B)(5) of this section, if 40860
a provider transfers an interest in a facility to another provider 40861
after June 30, 1993, there shall be no increase in the capital 40862
cost basis of the asset if the providers are related parties. If 40863
the providers are not related parties or if they are related 40864
parties and division (B)(5) of this section requires the 40865
adjustment of the capital cost basis under this division, the 40866
basis of the asset shall be adjusted by the lesser of the 40867
following: 40868

(a) One-half of the change in construction costs during the 40869
time that the transferor held the asset, as calculated by the 40870
department of job and family services using the "Dodge building 40871
cost indexes, northeastern and north central states," published by 40872
Marshall and Swift; 40873

(b) One-half of the change in the consumer price index for 40874
all items for all urban consumers, as published by the United 40875
States bureau of labor statistics, during the time that the 40876

transferor held the asset. 40877

(5) If a provider transfers an interest in a facility to 40878
another provider who is a related party, the capital cost basis of 40879
the asset shall be adjusted as specified in division (B)(4) of 40880
this section for a transfer to a provider that is not a related 40881
party if all of the following conditions are met: 40882

(a) The related party is a relative of owner; 40883

(b) Except as provided in division (B)(5)(c)(ii) of this 40884
section, the provider making the transfer retains no ownership 40885
interest in the facility; 40886

(c) The department of job and family services determines that 40887
the transfer is an arm's length transaction pursuant to rules the 40888
department shall adopt in accordance with Chapter 119. of the 40889
Revised Code no later than December 31, 2000. The rules shall 40890
provide that a transfer is an arm's length transaction if all of 40891
the following apply: 40892

(i) Once the transfer goes into effect, the provider that 40893
made the transfer has no direct or indirect interest in the 40894
provider that acquires the facility or the facility itself, 40895
including interest as an owner, officer, director, employee, 40896
independent contractor, or consultant, but excluding interest as a 40897
creditor. 40898

(ii) The provider that made the transfer does not reacquire 40899
an interest in the facility except through the exercise of a 40900
creditor's rights in the event of a default. If the provider 40901
reacquires an interest in the facility in this manner, the 40902
department shall treat the facility as if the transfer never 40903
occurred when the department calculates its reimbursement rates 40904
for capital costs. 40905

(iii) The transfer satisfies any other criteria specified in 40906
the rules. 40907

(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a provider making the transfer who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (B)(5) of this section or actual, allowable cost of ownership was determined most recently under division (C)(9) of this section.

(C) As used in this division, "lease expense" means lease payments in the case of an operating lease and depreciation expense and interest expense in the case of a capital lease. As used in this division, "new lease" means a lease, to a different lessee, of a nursing facility that previously was operated under a lease.

(1) Subject to the limitation specified in division (A)(1) of this section, for a lease of a facility that was effective on May 27, 1992, the entire lease expense is an actual, allowable cost of ownership during the term of the existing lease. The entire lease expense also is an actual, allowable cost of ownership if a lease in existence on May 27, 1992, is renewed under either of the following circumstances:

(a) The renewal is pursuant to a renewal option that was in existence on May 27, 1992;

(b) The renewal is for the same lease payment amount and between the same parties as the lease in existence on May 27, 1992.

(2) Subject to the limitation specified in division (A)(1) of this section, for a lease of a facility that was in existence but not operated under a lease on May 27, 1992, actual, allowable cost of ownership shall include the lesser of the annual lease expense or the annual depreciation expense and imputed interest expense

that would be calculated at the inception of the lease using the 40939
lessor's entire historical capital asset cost basis, adjusted by 40940
the lesser of the following amounts: 40941

(a) One-half of the change in construction costs during the 40942
time the lessor held each asset until the beginning of the lease, 40943
as calculated by the department using the "Dodge building cost 40944
indexes, northeastern and north central states," published by 40945
Marshall and Swift; 40946

(b) One-half of the change in the consumer price index for 40947
all items for all urban consumers, as published by the United 40948
States bureau of labor statistics, during the time the lessor held 40949
each asset until the beginning of the lease. 40950

(3) Subject to the limitation specified in division (A)(1) of 40951
this section, for a lease of a facility with a date of licensure 40952
on or after May 27, 1992, that is initially operated under a 40953
lease, actual, allowable cost of ownership shall include the 40954
annual lease expense if there was a substantial commitment of 40955
money for construction of the facility after December 22, 1992, 40956
and before July 1, 1993. If there was not a substantial commitment 40957
of money after December 22, 1992, and before July 1, 1993, actual, 40958
allowable cost of ownership shall include the lesser of the annual 40959
lease expense or the sum of the following: 40960

(a) The annual depreciation expense that would be calculated 40961
at the inception of the lease using the lessor's entire historical 40962
capital asset cost basis; 40963

(b) The greater of the lessor's actual annual amortization of 40964
financing costs and interest expense at the inception of the lease 40965
or the imputed interest expense calculated at the inception of the 40966
lease using seventy per cent of the lessor's historical capital 40967
asset cost basis. 40968

(4) Subject to the limitation specified in division (A)(1) of 40969

this section, for a lease of a facility with a date of licensure 40970
on or after May 27, 1992, that was not initially operated under a 40971
lease and has been in existence for ten years, actual, allowable 40972
cost of ownership shall include the lesser of the annual lease 40973
expense or the annual depreciation expense and imputed interest 40974
expense that would be calculated at the inception of the lease 40975
using the entire historical capital asset cost basis of the 40976
lessor, adjusted by the lesser of the following: 40977

(a) One-half of the change in construction costs during the 40978
time the lessor held each asset until the beginning of the lease, 40979
as calculated by the department using the "Dodge building cost 40980
indexes, northeastern and north central states," published by 40981
Marshall and Swift; 40982

(b) One-half of the change in the consumer price index for 40983
all items for all urban consumers, as published by the United 40984
States bureau of labor statistics, during the time the lessor held 40985
each asset until the beginning of the lease. 40986

(5) Subject to the limitation specified in division (A)(1) of 40987
this section, for a new lease of a facility that was operated 40988
under a lease on May 27, 1992, actual, allowable cost of ownership 40989
shall include the lesser of the annual new lease expense or the 40990
annual old lease payment. If the old lease was in effect for ten 40991
years or longer, the old lease payment from the beginning of the 40992
old lease shall be adjusted by the lesser of the following: 40993

(a) One-half of the change in construction costs from the 40994
beginning of the old lease to the beginning of the new lease, as 40995
calculated by the department using the "Dodge building cost 40996
indexes, northeastern and north central states," published by 40997
Marshall and Swift; 40998

(b) One-half of the change in the consumer price index for 40999
all items for all urban consumers, as published by the United 41000

States bureau of labor statistics, from the beginning of the old 41001
lease to the beginning of the new lease. 41002

(6) Subject to the limitation specified in division (A)(1) of 41003
this section, for a new lease of a facility that was not in 41004
existence or that was in existence but not operated under a lease 41005
on May 27, 1992, actual, allowable cost of ownership shall include 41006
the lesser of annual new lease expense or the annual amount 41007
calculated for the old lease under division (C)(2), (3), (4), or 41008
(6) of this section, as applicable. If the old lease was in effect 41009
for ten years or longer, the lessor's historical capital asset 41010
cost basis shall be adjusted by the lesser of the following for 41011
purposes of calculating the annual amount under division (C)(2), 41012
(3), (4), or (6) of this section: 41013

(a) One-half of the change in construction costs from the 41014
beginning of the old lease to the beginning of the new lease, as 41015
calculated by the department using the "Dodge building cost 41016
indexes, northeastern and north central states," published by 41017
Marshall and Swift; 41018

(b) One-half of the change in the consumer price index for 41019
all items for all urban consumers, as published by the United 41020
States bureau of labor statistics, from the beginning of the old 41021
lease to the beginning of the new lease. 41022

In the case of a lease under division (C)(3) of this section 41023
of a facility for which a substantial commitment of money was made 41024
after December 22, 1992, and before July 1, 1993, the old lease 41025
payment shall be adjusted for the purpose of determining the 41026
annual amount. 41027

(7) For any revision of a lease described in division (C)(1), 41028
(2), (3), (4), (5), or (6) of this section, or for any subsequent 41029
lease of a facility operated under such a lease, other than 41030
execution of a new lease, the portion of actual, allowable cost of 41031

ownership attributable to the lease shall be the same as before 41032
the revision or subsequent lease. 41033

(8) Except as provided in division (C)(9) of this section, if 41034
a provider leases an interest in a facility to another provider 41035
who is a related party, the related party's actual, allowable cost 41036
of ownership shall include the lesser of the annual lease expense 41037
or the reasonable cost to the lessor. 41038

(9) If a provider leases an interest in a facility to another 41039
provider who is a related party, regardless of the date of the 41040
lease, the related party's actual, allowable cost of ownership 41041
shall include the annual lease expense, subject to the limitations 41042
specified in divisions (C)(1) to (7) of this section, if all of 41043
the following conditions are met: 41044

(a) The related party is a relative of owner; 41045

(b) If the lessor retains an ownership interest, it is, 41046
except as provided in division (C)(9)(c)(ii) of this section, in 41047
only the real property and any improvements on the real property; 41048

(c) The department of job and family services determines that 41049
the lease is an arm's length transaction pursuant to rules the 41050
department shall adopt in accordance with Chapter 119. of the 41051
Revised Code no later than December 31, 2000. The rules shall 41052
provide that a lease is an arm's length transaction if all of the 41053
following apply: 41054

(i) Once the lease goes into effect, the lessor has no direct 41055
or indirect interest in the lessee or, except as provided in 41056
division (C)(9)(b) of this section, the facility itself, including 41057
interest as an owner, officer, director, employee, independent 41058
contractor, or consultant, but excluding interest as a lessor. 41059

(ii) The lessor does not reacquire an interest in the 41060
facility except through the exercise of a lessor's rights in the 41061
event of a default. If the lessor reacquires an interest in the 41062

facility in this manner, the department shall treat the facility 41063
as if the lease never occurred when the department calculates its 41064
reimbursement rates for capital costs. 41065

(iii) The lease satisfies any other criteria specified in the 41066
rules. 41067

(d) Except in the case of hardship caused by a catastrophic 41068
event, as determined by the department, or in the case of a lessor 41069
who is at least sixty-five years of age, not less than twenty 41070
years have elapsed since, for the same facility, the capital cost 41071
basis was adjusted most recently under division (B)(5) of this 41072
section or actual, allowable cost of ownership was determined most 41073
recently under division (C)(9) of this section. 41074

(10) This division does not apply to leases of specific items 41075
of equipment. 41076

(D)(1) Subject to division (D)(2) of this section, the 41077
department shall pay each nursing facility an efficiency incentive 41078
that is equal to fifty per cent of the difference between the 41079
following: 41080

(a) Eighty-eight and sixty-five one-hundredths per cent of 41081
the facility's desk-reviewed, actual, allowable, per diem cost of 41082
ownership; 41083

(b) The applicable amount specified in division (E) of this 41084
section. 41085

(2) The efficiency incentive paid to a nursing facility shall 41086
not exceed the greater of the following: 41087

(a) The efficiency incentive the facility was paid during the 41088
fiscal year ending June 30, 1994; 41089

(b) Three dollars per resident per day, adjusted annually for 41090
rates paid beginning July 1, 1994, for the inflation rate for the 41091
twelve-month period beginning on the first day of July of the 41092

calendar year preceding the calendar year that precedes the fiscal 41093
year for which the efficiency incentive is determined and ending 41094
on the thirtieth day of the following June, using the consumer 41095
price index for shelter costs for all urban consumers for the 41096
north central region, as published by the United States bureau of 41097
labor statistics. 41098

(3) For purposes of calculating the efficiency incentive, 41099
depreciation for costs that are paid or reimbursed by any 41100
government agency shall be considered as costs of ownership, and 41101
renovation costs that are paid under division (F) of this section 41102
shall not be considered costs of ownership. 41103

(E) The following amounts shall be used to calculate 41104
efficiency incentives for nursing facilities under this section: 41105

(1) For facilities with dates of licensure prior to January 41106
1, 1958, four dollars and twenty-four cents per patient day; 41107

(2) For facilities with dates of licensure after December 31, 41108
1957, but prior to January 1, 1968: 41109

(a) Five dollars and twenty-four cents per patient day if the 41110
cost of construction was three thousand five hundred dollars or 41111
more per bed; 41112

(b) Four dollars and twenty-four cents per patient day if the 41113
cost of construction was less than three thousand five hundred 41114
dollars per bed. 41115

(3) For facilities with dates of licensure after December 31, 41116
1967, but prior to January 1, 1976: 41117

(a) Six dollars and twenty-four cents per patient day if the 41118
cost of construction was five thousand one hundred fifty dollars 41119
or more per bed; 41120

(b) Five dollars and twenty-four cents per patient day if the 41121
cost of construction was less than five thousand one hundred fifty 41122

dollars per bed, but exceeded three thousand five hundred dollars 41123
per bed; 41124

(c) Four dollars and twenty-four cents per patient day if the 41125
cost of construction was three thousand five hundred dollars or 41126
less per bed. 41127

(4) For facilities with dates of licensure after December 31, 41128
1975, but prior to January 1, 1979: 41129

(a) Seven dollars and twenty-four cents per patient day if 41130
the cost of construction was six thousand eight hundred dollars or 41131
more per bed; 41132

(b) Six dollars and twenty-four cents per patient day if the 41133
cost of construction was less than six thousand eight hundred 41134
dollars per bed but exceeded five thousand one hundred fifty 41135
dollars per bed; 41136

(c) Five dollars and twenty-four cents per patient day if the 41137
cost of construction was five thousand one hundred fifty dollars 41138
or less per bed, but exceeded three thousand five hundred dollars 41139
per bed; 41140

(d) Four dollars and twenty-four cents per patient day if the 41141
cost of construction was three thousand five hundred dollars or 41142
less per bed. 41143

(5) For facilities with dates of licensure after December 31, 41144
1978, but prior to January 1, 1981: 41145

(a) Seven dollars and seventy-four cents per patient day if 41146
the cost of construction was seven thousand six hundred 41147
twenty-five dollars or more per bed; 41148

(b) Seven dollars and twenty-four cents per patient day if 41149
the cost of construction was less than seven thousand six hundred 41150
twenty-five dollars per bed but exceeded six thousand eight 41151
hundred dollars per bed; 41152

(c) Six dollars and twenty-four cents per patient day if the 41153
cost of construction was six thousand eight hundred dollars or 41154
less per bed but exceeded five thousand one hundred fifty dollars 41155
per bed; 41156

(d) Five dollars and twenty-four cents per patient day if the 41157
cost of construction was five thousand one hundred fifty dollars 41158
or less but exceeded three thousand five hundred dollars per bed; 41159

(e) Four dollars and twenty-four cents per patient day if the 41160
cost of construction was three thousand five hundred dollars or 41161
less per bed. 41162

(6) For facilities with dates of licensure in 1981 or any 41163
year thereafter prior to December 22, 1992, the following amount: 41164

(a) For facilities with construction costs less than seven 41165
thousand six hundred twenty-five dollars per bed, the applicable 41166
amounts for the construction costs specified in divisions 41167
(E)(5)(b) to (e) of this section; 41168

(b) For facilities with construction costs of seven thousand 41169
six hundred twenty-five dollars or more per bed, six dollars per 41170
patient day, provided that for 1981 and annually thereafter prior 41171
to December 22, 1992, the department shall do both of the 41172
following to the six-dollar amount: 41173

(i) Adjust the amount for fluctuations in construction costs 41174
calculated by the department using the "Dodge building cost 41175
indexes, northeastern and north central states," published by 41176
Marshall and Swift, using 1980 as the base year; 41177

(ii) Increase the amount, as adjusted for inflation under 41178
division (E)(6)(b)(i) of this section, by one dollar and 41179
seventy-four cents. 41180

(7) For facilities with dates of licensure on or after 41181
January 1, 1992, seven dollars and ninety-seven cents, adjusted 41182

for fluctuations in construction costs between 1991 and 1993 as 41183
calculated by the department using the "Dodge building cost 41184
indexes, northeastern and north central states," published by 41185
Marshall and Swift, and then increased by one dollar and 41186
seventy-four cents. 41187

For the fiscal year that begins July 1, 1994, each of the 41188
amounts listed in divisions (E)(1) to (7) of this section shall be 41189
increased by twenty-five cents. For the fiscal year that begins 41190
July 1, 1995, each of those amounts shall be increased by an 41191
additional twenty-five cents. For subsequent fiscal years, each of 41192
those amounts, as increased for the prior fiscal year, shall be 41193
adjusted to reflect the rate of inflation for the twelve-month 41194
period beginning on the first day of July of the calendar year 41195
preceding the calendar year that precedes the fiscal year and 41196
ending on the following thirtieth day of June, using the consumer 41197
price index for shelter costs for all urban consumers for the 41198
north central region, as published by the United States bureau of 41199
labor statistics. 41200

If the amount established for a nursing facility under this 41201
division is less than the amount that applied to the facility 41202
under division (B) of former section 5111.25 of the Revised Code, 41203
as the former section existed immediately prior to December 22, 41204
1992, the amount used to calculate the efficiency incentive for 41205
the facility under division (D)(2) of this section shall be the 41206
amount that was calculated under division (B) of the former 41207
section. 41208

(F) Beginning July 1, 1993, regardless of the facility's date 41209
of licensure or the date of the nonextensive renovations, the rate 41210
for the costs of nonextensive renovations for nursing facilities 41211
shall be eighty-five per cent of the desk-reviewed, actual, 41212
allowable, per diem, nonextensive renovation costs. This division 41213
applies to nonextensive renovations regardless of whether they are 41214

made by an owner or a lessee. If the tenancy of a lessee that has 41215
made nonextensive renovations ends before the depreciation expense 41216
for the renovation costs has been fully reported, the former 41217
lessee shall not report the undepreciated balance as an expense. 41218

(1) For a nonextensive renovation made after July 1, 1993, to 41219
qualify for payment under this division, both of the following 41220
conditions must be met: 41221

(a) At least five years have elapsed since the date of 41222
licensure of the portion of the facility that is proposed to be 41223
renovated, except that this condition does not apply if the 41224
renovation is necessary to meet the requirements of federal, 41225
state, or local statutes, ordinances, rules, or policies. 41226

(b) The provider has obtained prior approval from the 41227
department of job and family services, and if required the 41228
director of health has granted a certificate of need for the 41229
renovation under section 3702.52 of the Revised Code. The provider 41230
shall submit a plan that describes in detail the changes in 41231
capital assets to be accomplished by means of the renovation and 41232
the timetable for completing the project. The time for completion 41233
of the project shall be no more than eighteen months after the 41234
renovation begins. The department of job and family services shall 41235
adopt rules in accordance with Chapter 119. of the Revised Code 41236
that specify criteria and procedures for prior approval of 41237
renovation projects. No provider shall separate a project with the 41238
intent to evade the characterization of the project as a 41239
renovation or as an extensive renovation. No provider shall 41240
increase the scope of a project after it is approved by the 41241
department of job and family services unless the increase in scope 41242
is approved by the department. 41243

(2) The payment provided for in this division is the only 41244
payment that shall be made for the costs of a nonextensive 41245
renovation. Nonextensive renovation costs shall not be included in 41246

costs of ownership, and a nonextensive renovation shall not affect 41247
the date of licensure for purposes of calculating the efficiency 41248
incentive under divisions (D) and (E) of this section. 41249

(G) ~~The owner of a nursing facility operating under a~~ 41250
~~provider agreement shall provide written notice to the department~~ 41251
~~of job and family services at least forty five days prior to~~ 41252
~~entering into any contract of sale for the facility or voluntarily~~ 41253
~~terminating participation in the medical assistance program.~~ After 41254
the date on which a transaction of sale of a nursing facility is 41255
closed, the owner shall refund to the department the amount of 41256
excess depreciation paid to the facility by the department for 41257
each year the owner has operated the facility under a provider 41258
agreement and prorated according to the number of medicaid patient 41259
days for which the facility has received payment. If a nursing 41260
facility is sold after five or fewer years of operation under a 41261
provider agreement, the refund to the department shall be equal to 41262
the excess depreciation paid to the facility. If a nursing 41263
facility is sold after more than five years but less than ten 41264
years of operation under a provider agreement, the refund to the 41265
department shall equal the excess depreciation paid to the 41266
facility multiplied by twenty per cent, multiplied by the 41267
difference between ten and the number of years that the facility 41268
was operated under a provider agreement. If a nursing facility is 41269
sold after ten or more years of operation under a provider 41270
agreement, the owner shall not refund any excess depreciation to 41271
the department. The owner of a nursing facility that is sold or 41272
that ~~voluntarily terminates~~ undergoes a voluntary withdrawal of 41273
participation in the medical assistance program, as defined in 41274
section 5111.65 of the Revised Code, also shall refund any other 41275
amount that the department properly finds to be due after ~~the a~~ 41276
final fiscal audit ~~conducted under this division~~ the department 41277
shall conduct. For the purposes of this division, "depreciation 41278
paid to the facility" means the amount paid to the nursing 41279

facility for cost of ownership pursuant to this section less any 41280
amount paid for interest costs, amortization of financing costs, 41281
and lease expenses. For the purposes of this division, "excess 41282
depreciation" is the nursing facility's depreciated basis, which 41283
is the owner's cost less accumulated depreciation, subtracted from 41284
the purchase price net of selling costs but not exceeding the 41285
amount of depreciation paid to the facility. 41286

~~A cost report shall be filed with the department within 41287
ninety days after the date on which the transaction of sale is 41288
closed or participation is voluntarily terminated. The report 41289
shall show the accumulated depreciation, the sales price, and 41290
other information required by the department. The department shall 41291
provide for a bank, trust company, or savings and loan association 41292
to hold in escrow the amount of the last two monthly payments to a 41293
nursing facility made pursuant to division (A)(1) of section 41294
5111.22 of the Revised Code before a sale or termination of 41295
participation or, if the owner fails, within the time required by 41296
this division, to notify the department before entering into a 41297
contract of sale for the facility, the amount of the first two 41298
monthly payments made to the facility after the department learns 41299
of the contract, regardless of whether a new owner is in 41300
possession of the facility. If the amount the owner will be 41301
required to refund under this section is likely to be less than 41302
the amount of the two monthly payments otherwise put into escrow 41303
under this division, the department shall take one of the 41304
following actions instead of withholding the amount of the two 41305
monthly payments:~~ 41306

~~(1) In the case of an owner that owns other facilities that 41307
participate in the medical assistance program, obtain a promissory 41308
note in an amount sufficient to cover the amount likely to be 41309
refunded;~~ 41310

~~(2) In the case of all other owners, withhold the amount of 41311~~

~~the last monthly payment to the nursing facility or, if the owner fails, within the time required by this division, to notify the department before entering into a contract of sale for the facility, the amount of the first monthly payment made to the facility after the department learns of the contract, regardless of whether a new owner is in possession of the facility.~~

~~The department shall, within ninety days following the filing of the cost report, audit the cost report and issue an audit report to the owner. The department also may audit any other cost report that the facility has filed during the previous three years. In the audit report, the department shall state its findings and the amount of any money owed to the department by the nursing facility. The findings shall be subject to adjudication conducted in accordance with Chapter 119. of the Revised Code. No later than fifteen days after the owner agrees to a settlement, any funds held in escrow less any amounts due to the department shall be released to the owner and amounts due to the department shall be paid to the department. If the amounts in escrow are less than the amounts due to the department, the balance shall be paid to the department within fifteen days after the owner agrees to a settlement. If the department does not issue its audit report within the ninety day period, the department shall release any money held in escrow to the owner. For the purposes of this section, a transfer of corporate stock, the merger of one corporation into another, or a consolidation does not constitute a sale.~~

~~If a nursing facility is not sold or its participation is not terminated after notice is provided to the department under this division, the department shall order any payments held in escrow released to the facility upon receiving written notice from the owner that there will be no sale or termination. After written notice is received from a nursing facility that a sale or~~

~~termination will not take place, the facility shall provide notice 41344
to the department at least forty five days prior to entering into 41345
any contract of sale or terminating participation at any future 41346
time. 41347~~

(H) The department shall pay each eligible proprietary 41348
nursing facility a return on the facility's net equity computed at 41349
the rate of one and one-half times the average interest rate on 41350
special issues of public debt obligations issued to the federal 41351
hospital insurance trust fund for the cost reporting period, 41352
except that no facility's return on net equity shall exceed fifty 41353
cents per patient day. 41354

When calculating the rate for return on net equity, the 41355
department shall use the greater of the facility's inpatient days 41356
during the applicable cost reporting period or the number of 41357
inpatient days the facility would have had during that period if 41358
its occupancy rate had been ninety-five per cent. 41359

(I) If a nursing facility would receive a lower rate for 41360
capital costs for assets in the facility's possession on July 1, 41361
1993, under this section than it would receive under former 41362
section 5111.25 of the Revised Code, as the former section existed 41363
immediately prior to December 22, 1992, the facility shall receive 41364
for those assets the rate it would have received under the former 41365
section for each fiscal year beginning on or after July 1, 1993, 41366
until the rate it would receive under this section exceeds the 41367
rate it would have received under the former section. Any facility 41368
that receives a rate calculated under the former section 5111.25 41369
of the Revised Code for assets in the facility's possession on 41370
July 1, 1993, also shall receive a rate calculated under this 41371
section for costs of any assets it constructs or acquires after 41372
July 1, 1993. 41373

Sec. 5111.251. (A) The department of job and family services 41374

shall pay each eligible intermediate care facility for the 41375
mentally retarded for its reasonable capital costs, a per resident 41376
per day rate established prospectively each fiscal year for each 41377
intermediate care facility for the mentally retarded. Except as 41378
otherwise provided in sections 5111.20 to 5111.32 of the Revised 41379
Code, the rate shall be based on the facility's capital costs for 41380
the calendar year preceding the fiscal year in which the rate will 41381
be paid. The rate shall equal the sum of the following: 41382

(1) The facility's desk-reviewed, actual, allowable, per diem 41383
cost of ownership for the preceding cost reporting period, limited 41384
as provided in divisions (C) and (F) of this section; 41385

(2) Any efficiency incentive determined under division (B) of 41386
this section; 41387

(3) Any amounts for renovations determined under division (D) 41388
of this section; 41389

(4) Any amounts for return on equity determined under 41390
division (I) of this section. 41391

Buildings shall be depreciated using the straight line method 41392
over forty years or over a different period approved by the 41393
department. Components and equipment shall be depreciated using 41394
the straight line method over a period designated by the director 41395
of job and family services in rules adopted in accordance with 41396
Chapter 119. of the Revised Code, consistent with the guidelines 41397
of the American hospital association, or over a different period 41398
approved by the department of job and family services. Any rules 41399
adopted under this division that specify useful lives of 41400
buildings, components, or equipment apply only to assets acquired 41401
on or after July 1, 1993. Depreciation for costs paid or 41402
reimbursed by any government agency shall not be included in costs 41403
of ownership or renovation unless that part of the payment under 41404
sections 5111.20 to 5111.32 of the Revised Code is used to 41405

reimburse the government agency. 41406

(B) The department of job and family services shall pay to 41407
each intermediate care facility for the mentally retarded an 41408
efficiency incentive equal to fifty per cent of the difference 41409
between any desk-reviewed, actual, allowable cost of ownership and 41410
the applicable limit on cost of ownership payments under division 41411
(C) of this section. For purposes of computing the efficiency 41412
incentive, depreciation for costs paid or reimbursed by any 41413
government agency shall be considered as a cost of ownership, and 41414
the applicable limit under division (C) of this section shall 41415
apply both to facilities with more than eight beds and facilities 41416
with eight or fewer beds. The efficiency incentive paid to a 41417
facility with eight or fewer beds shall not exceed three dollars 41418
per patient day, adjusted annually for the inflation rate for the 41419
twelve-month period beginning on the first day of July of the 41420
calendar year preceding the calendar year that precedes the fiscal 41421
year for which the efficiency incentive is determined and ending 41422
on the thirtieth day of the following June, using the consumer 41423
price index for shelter costs for all urban consumers for the 41424
north central region, as published by the United States bureau of 41425
labor statistics. 41426

(C) Cost of ownership payments to intermediate care 41427
facilities for the mentally retarded with more than eight beds 41428
shall not exceed the following limits: 41429

(1) For facilities with dates of licensure prior to January 41430
1, 1958, not exceeding two dollars and fifty cents per patient 41431
day; 41432

(2) For facilities with dates of licensure after December 31, 41433
1957, but prior to January 1, 1968, not exceeding: 41434

(a) Three dollars and fifty cents per patient day if the cost 41435
of construction was three thousand five hundred dollars or more 41436

per bed;	41437
(b) Two dollars and fifty cents per patient day if the cost	41438
of construction was less than three thousand five hundred dollars	41439
per bed.	41440
(3) For facilities with dates of licensure after December 31,	41441
1967, but prior to January 1, 1976, not exceeding:	41442
(a) Four dollars and fifty cents per patient day if the cost	41443

(14) For facilities with dates of licensure after December 31, 1987, but prior to January 1, 1989, not exceeding thirteen dollars and twenty-six cents per patient day;	41553 41554 41555
(15) For facilities with dates of licensure after December	41556

(16) For facilities with dates of licensure after December 41559

(19) For facilities with dates of licensure after December 41568
31, 1992, not exceeding fourteen dollars and twenty-eight cents 41569
per patient day. 41570

(D) Beginning January 1, 1981, regardless of the original 41571
date of licensure, the department of job and family services shall 41572
pay a rate for the per diem capitalized costs of renovations to 41573
intermediate care facilities for the mentally retarded made after 41574
January 1, 1981, not exceeding six dollars per patient day using 41575
1980 as the base year and adjusting the amount annually until June 41576
30, 1993, for fluctuations in construction costs calculated by the 41577
department using the "Dodge building cost indexes, northeastern 41578
and north central states," published by Marshall and Swift. The 41579
payment provided for in this division is the only payment that 41580
shall be made for the capitalized costs of a nonextensive 41581
renovation of an intermediate care facility for the mentally 41582
retarded. Nonextensive renovation costs shall not be included in 41583
cost of ownership, and a nonextensive renovation shall not affect 41584
the date of licensure for purposes of division (C) of this 41585
section. This division applies to nonextensive renovations 41586
regardless of whether they are made by an owner or a lessee. If 41587

the tenancy of a lessee that has made renovations ends before the 41588
depreciation expense for the renovation costs has been fully 41589
reported, the former lessee shall not report the undepreciated 41590
balance as an expense. 41591

For a nonextensive renovation to qualify for payment under 41592
this division, both of the following conditions must be met: 41593

(1) At least five years have elapsed since the date of 41594
licensure or date of an extensive renovation of the portion of the 41595
facility that is proposed to be renovated, except that this 41596
condition does not apply if the renovation is necessary to meet 41597
the requirements of federal, state, or local statutes, ordinances, 41598
rules, or policies. 41599

(2) The provider has obtained prior approval from the 41600
department of job and family services. The provider shall submit a 41601
plan that describes in detail the changes in capital assets to be 41602
accomplished by means of the renovation and the timetable for 41603
completing the project. The time for completion of the project 41604
shall be no more than eighteen months after the renovation begins. 41605
The director of job and family services shall adopt rules in 41606
accordance with Chapter 119. of the Revised Code that specify 41607
criteria and procedures for prior approval of renovation projects. 41608
No provider shall separate a project with the intent to evade the 41609
characterization of the project as a renovation or as an extensive 41610
renovation. No provider shall increase the scope of a project 41611
after it is approved by the department of job and family services 41612
unless the increase in scope is approved by the department. 41613

(E) The amounts specified in divisions (C) and (D) of this 41614
section shall be adjusted beginning July 1, 1993, for the 41615
estimated inflation for the twelve-month period beginning on the 41616
first day of July of the calendar year preceding the calendar year 41617
that precedes the fiscal year for which rate will be paid and 41618
ending on the thirtieth day of the following June, using the 41619

consumer price index for shelter costs for all urban consumers for 41620
the north central region, as published by the United States bureau 41621
of labor statistics. 41622

(F)(1) For facilities of eight or fewer beds that have dates 41623
of licensure or have been granted project authorization by the 41624
department of mental retardation and developmental disabilities 41625
before July 1, 1993, and for facilities of eight or fewer beds 41626
that have dates of licensure or have been granted project 41627
authorization after that date if the facilities demonstrate that 41628
they made substantial commitments of funds on or before that date, 41629
cost of ownership shall not exceed eighteen dollars and thirty 41630
cents per resident per day. The eighteen-dollar and thirty-cent 41631
amount shall be increased by the change in the "Dodge building 41632
cost indexes, northeastern and north central states," published by 41633
Marshall and Swift, during the period beginning June 30, 1990, and 41634
ending July 1, 1993, and by the change in the consumer price index 41635
for shelter costs for all urban consumers for the north central 41636
region, as published by the United States bureau of labor 41637
statistics, annually thereafter. 41638

(2) For facilities with eight or fewer beds that have dates 41639
of licensure or have been granted project authorization by the 41640
department of mental retardation and developmental disabilities on 41641
or after July 1, 1993, for which substantial commitments of funds 41642
were not made before that date, cost of ownership payments shall 41643
not exceed the applicable amount calculated under division (F)(1) 41644
of this section, if the department of job and family services 41645
gives prior approval for construction of the facility or, 41646
regardless of whether the department gives prior approval, if the 41647
facility obtains a residential facility license under section 41648
5123.19 of the Revised Code pursuant to section 5123.1910 of the 41649
Revised Code. If the department does not give prior approval, cost 41650
of ownership payments shall not exceed the amount specified in 41651

division (C) of this section unless the facility obtains a 41652
residential facility license under section 5123.19 of the Revised 41653
Code pursuant to section 5123.1910 of the Revised Code. 41654

(3) Notwithstanding divisions (D) and (F)(1) and (2) of this 41655
section, the total payment for cost of ownership, cost of 41656
ownership efficiency incentive, and capitalized costs of 41657
renovations for an intermediate care facility for the mentally 41658
retarded with eight or fewer beds shall not exceed the sum of the 41659
limitations specified in divisions (C) and (D) of this section. 41660

(G) Notwithstanding any provision of this section or section 41661
5111.24 of the Revised Code, the director of job and family 41662
services may adopt rules in accordance with Chapter 119. of the 41663
Revised Code that provide for a calculation of a combined maximum 41664
payment limit for indirect care costs and cost of ownership for 41665
intermediate care facilities for the mentally retarded with eight 41666
or fewer beds. 41667

(H) ~~After June 30, 1980, the owner of an intermediate care~~ 41668
~~facility for the mentally retarded operating under a provider~~ 41669
~~agreement shall provide written notice to the department of job~~ 41670
~~and family services at least forty five days prior to entering~~ 41671
~~into any contract of sale for the facility or voluntarily~~ 41672
~~terminating participation in the medical assistance program. After~~ 41673
the date on which a transaction of sale of an intermediate care 41674
facility for the mentally retarded is closed, the owner shall 41675
refund to the department the amount of excess depreciation paid to 41676
the facility by the department for each year the owner has 41677
operated the facility under a provider agreement and prorated 41678
according to the number of medicaid patient days for which the 41679
facility has received payment. If an intermediate care facility 41680
for the mentally retarded is sold after five or fewer years of 41681
operation under a provider agreement, the refund to the department 41682
shall be equal to the excess depreciation paid to the facility. If 41683

an intermediate care facility for the mentally retarded is sold 41684
after more than five years but less than ten years of operation 41685
under a provider agreement, the refund to the department shall 41686
equal the excess depreciation paid to the facility multiplied by 41687
twenty per cent, multiplied by the number of years less than ten 41688
that a facility was operated under a provider agreement. If an 41689
intermediate care facility for the mentally retarded is sold after 41690
ten or more years of operation under a provider agreement, the 41691
owner shall not refund any excess depreciation to the department. 41692
For the purposes of this division, "depreciation paid to the 41693
facility" means the amount paid to the intermediate care facility 41694
for the mentally retarded for cost of ownership pursuant to this 41695
section less any amount paid for interest costs. For the purposes 41696
of this division, "excess depreciation" is the intermediate care 41697
facility for the mentally retarded's depreciated basis, which is 41698
the owner's cost less accumulated depreciation, subtracted from 41699
the purchase price but not exceeding the amount of depreciation 41700
paid to the facility. 41701

~~A cost report shall be filed with the department within 41702
ninety days after the date on which the transaction of sale is 41703
closed or participation is voluntarily terminated for an 41704
intermediate care facility for the mentally retarded subject to 41705
this division. The report shall show the accumulated depreciation, 41706
the sales price, and other information required by the department. 41707
The department shall provide for a bank, trust company, or savings 41708
and loan association to hold in escrow the amount of the last two 41709
monthly payments to an intermediate care facility for the mentally 41710
retarded made pursuant to division (A)(1) of section 5111.22 of 41711
the Revised Code before a sale or voluntary termination of 41712
participation or, if the owner fails, within the time required by 41713
this division, to notify the department before entering into a 41714
contract of sale for the facility, the amount of the first two 41715
monthly payments made to the facility after the department learns 41716~~

~~of the contract, regardless of whether a new owner is in possession of the facility. If the amount the owner will be required to refund under this section is likely to be less than the amount of the two monthly payments otherwise put into escrow under this division, the department shall take one of the following actions instead of withholding the amount of the two monthly payments:~~

~~(1) In the case of an owner that owns other facilities that participate in the medical assistance program, obtain a promissory note in an amount sufficient to cover the amount likely to be refunded;~~

~~(2) In the case of all other owners, withhold the amount of the last monthly payment to the intermediate care facility for the mentally retarded or, if the owner fails, within the time required by this division, to notify the department before entering into a contract of sale for the facility, the amount of the first monthly payment made to the facility after the department learns of the contract, regardless of whether a new owner is in possession of the facility.~~

~~The department shall, within ninety days following the filing of the cost report, audit the report and issue an audit report to the owner. The department also may audit any other cost reports for the facility that have been filed during the previous three years. In the audit report, the department shall state its findings and the amount of any money owed to the department by the intermediate care facility for the mentally retarded. The findings shall be subject to an adjudication conducted in accordance with Chapter 119. of the Revised Code. No later than fifteen days after the owner agrees to a settlement, any funds held in escrow less any amounts due to the department shall be released to the owner and amounts due to the department shall be paid to the department. If the amounts in escrow are less than the amounts due to the~~

~~department, the balance shall be paid to the department within~~ 41749
~~fifteen days after the owner agrees to a settlement. If the~~ 41750
~~department does not issue its audit report within the ninety day~~ 41751
~~period, the department shall release any money held in escrow to~~ 41752
~~the owner.~~ For the purposes of this section, a transfer of 41753
corporate stock, the merger of one corporation into another, or a 41754
consolidation does not constitute a sale. 41755

~~If an intermediate care facility for the mentally retarded is~~ 41756
~~not sold or its participation is not terminated after notice is~~ 41757
~~provided to the department under this division, the department~~ 41758
~~shall order any payments held in escrow released to the facility~~ 41759
~~upon receiving written notice from the owner that there will be no~~ 41760
~~sale or termination of participation. After written notice is~~ 41761
~~received from an intermediate care facility for the mentally~~ 41762
~~retarded that a sale or termination of participation will not take~~ 41763
~~place, the facility shall provide notice to the department at~~ 41764
~~least forty five days prior to entering into any contract of sale~~ 41765
~~or terminating participation at any future time.~~ 41766

(I) The department of job and family services shall pay each 41767
eligible proprietary intermediate care facility for the mentally 41768
retarded a return on the facility's net equity computed at the 41769
rate of one and one-half times the average of interest rates on 41770
special issues of public debt obligations issued to the federal 41771
hospital insurance trust fund for the cost reporting period. No 41772
facility's return on net equity paid under this division shall 41773
exceed one dollar per patient day. 41774

In calculating the rate for return on net equity, the 41775
department shall use the greater of the facility's inpatient days 41776
during the applicable cost reporting period or the number of 41777
inpatient days the facility would have had during that period if 41778
its occupancy rate had been ninety-five per cent. 41779

(J)(1) Except as provided in division (J)(2) of this section, 41780

if a provider leases or transfers an interest in a facility to 41781
another provider who is a related party, the related party's 41782
allowable cost of ownership shall include the lesser of the 41783
following: 41784

(a) The annual lease expense or actual cost of ownership, 41785
whichever is applicable; 41786

(b) The reasonable cost to the lessor or provider making the 41787
transfer. 41788

(2) If a provider leases or transfers an interest in a 41789
facility to another provider who is a related party, regardless of 41790
the date of the lease or transfer, the related party's allowable 41791
cost of ownership shall include the annual lease expense or actual 41792
cost of ownership, whichever is applicable, subject to the 41793
limitations specified in divisions (B) to (I) of this section, if 41794
all of the following conditions are met: 41795

(a) The related party is a relative of owner; 41796

(b) In the case of a lease, if the lessor retains any 41797
ownership interest, it is, except as provided in division 41798
(J)(2)(d)(ii) of this section, in only the real property and any 41799
improvements on the real property; 41800

(c) In the case of a transfer, the provider making the 41801
transfer retains, except as provided in division (J)(2)(d)(iv) of 41802
this section, no ownership interest in the facility; 41803

(d) The department of job and family services determines that 41804
the lease or transfer is an arm's length transaction pursuant to 41805
rules the department shall adopt in accordance with Chapter 119. 41806
of the Revised Code no later than December 31, 2000. The rules 41807
shall provide that a lease or transfer is an arm's length 41808
transaction if all of the following, as applicable, apply: 41809

(i) In the case of a lease, once the lease goes into effect, 41810

the lessor has no direct or indirect interest in the lessee or, 41811
except as provided in division (J)(2)(b) of this section, the 41812
facility itself, including interest as an owner, officer, 41813
director, employee, independent contractor, or consultant, but 41814
excluding interest as a lessor. 41815

(ii) In the case of a lease, the lessor does not reacquire an 41816
interest in the facility except through the exercise of a lessor's 41817
rights in the event of a default. If the lessor reacquires an 41818
interest in the facility in this manner, the department shall 41819
treat the facility as if the lease never occurred when the 41820
department calculates its reimbursement rates for capital costs. 41821

(iii) In the case of a transfer, once the transfer goes into 41822
effect, the provider that made the transfer has no direct or 41823
indirect interest in the provider that acquires the facility or 41824
the facility itself, including interest as an owner, officer, 41825
director, employee, independent contractor, or consultant, but 41826
excluding interest as a creditor. 41827

(iv) In the case of a transfer, the provider that made the 41828
transfer does not reacquire an interest in the facility except 41829
through the exercise of a creditor's rights in the event of a 41830
default. If the provider reacquires an interest in the facility in 41831
this manner, the department shall treat the facility as if the 41832
transfer never occurred when the department calculates its 41833
reimbursement rates for capital costs. 41834

(v) The lease or transfer satisfies any other criteria 41835
specified in the rules. 41836

(e) Except in the case of hardship caused by a catastrophic 41837
event, as determined by the department, or in the case of a lessor 41838
or provider making the transfer who is at least sixty-five years 41839
of age, not less than twenty years have elapsed since, for the 41840
same facility, allowable cost of ownership was determined most 41841

recently under this division. 41842

Sec. 5111.28. (A) If a provider properly amends its cost 41843
report under section 5111.27 of the Revised Code and the amended 41844
report shows that the provider received a lower rate under the 41845
original cost report than it was entitled to receive, the 41846
department shall adjust the provider's rate prospectively to 41847
reflect the corrected information. The department shall pay the 41848
adjusted rate beginning two months after the first day of the 41849
month after the provider files the amended cost report. If the 41850
department finds, from an exception review of resident assessment 41851
information conducted after the effective date of the rate for 41852
direct care costs that is based on the assessment information, 41853
that inaccurate assessment information resulted in the provider 41854
receiving a lower rate than it was entitled to receive, the 41855
department prospectively shall adjust the provider's rate 41856
accordingly and shall make payments using the adjusted rate for 41857
the remainder of the calendar quarter for which the assessment 41858
information is used to determine the rate, beginning one month 41859
after the first day of the month after the exception review is 41860
completed. 41861

(B) If the provider properly amends its cost report under 41862
section 5111.27 of the Revised Code, the department makes a 41863
finding based on an audit under that section, or the department 41864
makes a finding based on an exception review of resident 41865
assessment information conducted under that section after the 41866
effective date of the rate for direct care costs that is based on 41867
the assessment information, any of which results in a 41868
determination that the provider has received a higher rate than it 41869
was entitled to receive, the department shall recalculate the 41870
provider's rate using the revised information. The department 41871
shall apply the recalculated rate to the periods when the provider 41872
received the incorrect rate to determine the amount of the 41873

overpayment. The provider shall refund the amount of the 41874
overpayment. 41875

In addition to requiring a refund under this division, the 41876
department may charge the provider interest at the applicable rate 41877
specified in this division from the time the overpayment was made. 41878

(1) If the overpayment resulted from costs reported for 41879
calendar year 1993, the interest shall be no greater than one and 41880
one-half times the average bank prime rate. 41881

(2) If the overpayment resulted from costs reported for 41882
subsequent calendar years: 41883

(a) The interest shall be no greater than two times the 41884
average bank prime rate if the overpayment was equal to or less 41885
than one per cent of the total medicaid payments to the provider 41886
for the fiscal year for which the incorrect information was used 41887
to establish a rate. 41888

(b) The interest shall be no greater than two and one-half 41889
times the current average bank prime rate if the overpayment was 41890
greater than one per cent of the total medicaid payments to the 41891
provider for the fiscal year for which the incorrect information 41892
was used to establish a rate. 41893

(C) The department also may impose the following penalties: 41894

(1) If a provider does not furnish invoices or other 41895
documentation that the department requests during an audit within 41896
sixty days after the request, no more than the greater of one 41897
thousand dollars per audit or twenty-five per cent of the 41898
cumulative amount by which the costs for which documentation was 41899
not furnished increased the total medicaid payments to the 41900
provider during the fiscal year for which the costs were used to 41901
establish a rate; 41902

(2) If an ~~owner~~ exiting operator fails to provide a properly 41903

completed notice of sale of the facility or closure, voluntary 41904
termination, voluntary withdrawal of participation in the medical 41905
assistance program, or change of operator, as required by section 41906
5111.25 5111.66 or 5111.251 5111.67 of the Revised Code, no more 41907
than the current average bank prime rate plus four per cent of ~~the~~ 41908
~~last~~ an amount equal to two times the average amount of monthly 41909
payments to the exiting operator under the medicaid program for 41910
the twelve-month period immediately preceding the month that 41911
includes the last day the exiting operator's provider agreement is 41912
in effect or, in the case of a voluntary withdrawal of 41913
participation, the effective date of the voluntary withdrawal of 41914
participation. 41915

(D) If the provider continues to participate in the ~~medical~~ 41916
~~assistance~~ medicaid program, the department shall deduct any 41917
amount that the provider is required to refund under this section, 41918
and the amount of any interest charged or penalty imposed under 41919
this section, from the next available payment from the department 41920
to the provider. The department and the provider may enter into an 41921
agreement under which the amount, together with interest, is 41922
deducted in installments from payments from the department to the 41923
provider. If the provider does not continue to participate in the 41924
medicaid program, the department shall collect any amount that the 41925
provider owes to the department under this section from the 41926
withholding, security, or both that the department makes or 41927
requires under section 5111.681 of the Revised Code. 41928

(E) The department shall transmit refunds and penalties to 41929
the treasurer of state for deposit in the general revenue fund. 41930

(F) For the purpose of this section, the department shall 41931
determine the average bank prime rate using statistical release 41932
H.15, "selected interest rates," a weekly publication of the 41933
federal reserve board, or any successor publication. If 41934
statistical release H.15, or its successor, ceases to contain the 41935

bank prime rate information or ceases to be published, the 41936
department shall request a written statement of the average bank 41937
prime rate from the federal reserve bank of Cleveland or the 41938
federal reserve board. 41939

Sec. 5111.29. (A) The director of job and family services 41940
shall adopt rules in accordance with Chapter 119. of the Revised 41941
Code that establish a process under which a nursing facility or 41942
intermediate care facility for the mentally retarded, or a group 41943
or association of facilities, may seek reconsideration of rates 41944
established under sections 5111.23 to 5111.28 of the Revised Code, 41945
including a rate for direct care costs recalculated before the 41946
effective date of the rate as a result of an exception review of 41947
resident assessment information conducted under section 5111.27 of 41948
the Revised Code. 41949

(1) Except as provided in divisions (A)(2) to (4) of this 41950
section, the only issue that a facility, group, or association may 41951
raise in the rate reconsideration shall be whether the rate was 41952
calculated in accordance with sections 5111.23 to 5111.28 of the 41953
Revised Code and the rules adopted under those sections. The rules 41954
shall permit a facility, group, or association to submit written 41955
arguments or other materials that support its position. The rules 41956
shall specify time frames within which the facility, group, or 41957
association and the department must act. If the department 41958
determines, as a result of the rate reconsideration, that the rate 41959
established for one or more facilities is less than the rate to 41960
which it is entitled, the department shall increase the rate. If 41961
the department has paid the incorrect rate for a period of time, 41962
the department shall pay the facility the difference between the 41963
amount it was paid for that period and the amount it should have 41964
been paid. 41965

(2) The rules shall provide that during a fiscal year, the 41966

department, by means of the rate reconsideration process, may 41967
increase a facility's rate as calculated under sections 5111.23 to 41968
5111.28 of the Revised Code if the facility demonstrates that its 41969
actual, allowable costs have increased because of extreme 41970
circumstances. A facility may qualify for a rate increase only if 41971
its per diem, actual, allowable costs have increased to a level 41972
that exceeds its total rate, including any efficiency incentive 41973
and return on equity payment. The rules shall specify the 41974
circumstances that would justify a rate increase under division 41975
(A)(2) of this section. In the case of nursing facilities, the 41976
rules shall provide that the extreme circumstances include 41977
increased security costs for an inner-city nursing facility and an 41978
increase in workers' compensation experience rating of greater 41979
than five per cent for a facility that has an appropriate claims 41980
management program but do not include a change of ownership that 41981
results from bankruptcy, foreclosure, or findings of violations of 41982
certification requirements by the department of health. In the 41983
case of intermediate care facilities for the mentally retarded, 41984
the rules shall provide that the extreme circumstances include, 41985
but are not limited to, renovations approved under division (D) of 41986
section 5111.251 of the Revised Code, an increase in workers' 41987
compensation experience rating of greater than five per cent for a 41988
facility that has an appropriate claims management program, 41989
increased security costs for an inner-city facility, and a change 41990
of ownership that results from bankruptcy, foreclosure, or 41991
findings of violations of certification requirements by the 41992
department of health. An increase under division (A)(2) of this 41993
section is subject to any rate limitations or maximum rates 41994
established by sections 5111.23 to 5111.28 of the Revised Code for 41995
specific cost centers. Any rate increase granted under division 41996
(A)(2) of this section shall take effect on the first day of the 41997
first month after the department receives the request. 41998

(3) The rules shall provide that the department, through the 41999

rate reconsideration process, may increase a facility's rate as 42000
calculated under sections 5111.23 to 5111.28 of the Revised Code 42001
if the department, in its sole discretion, determines that the 42002
rate as calculated under those sections works an extreme hardship 42003
on the facility. 42004

(4) The rules shall provide that when beds certified for the 42005
medical assistance program are added to an existing facility, 42006
replaced at the same site, or subject to a change of ownership or 42007
lease, the department, through the rate reconsideration process, 42008
shall increase the facility's rate for capital costs 42009
proportionately, as limited by any applicable limitation under 42010
section 5111.25 or 5111.251 of the Revised Code, to account for 42011
the costs of the beds that are added, replaced, or subject to a 42012
change of ownership or lease. The department shall make this 42013
increase one month after the first day of the month after the 42014
department receives sufficient documentation of the costs. Any 42015
rate increase granted under division (A)(4) of this section after 42016
June 30, 1993, shall remain in effect until the effective date of 42017
a rate calculated under section 5111.25 or 5111.251 of the Revised 42018
Code that includes costs incurred for a full calendar year for the 42019
bed addition, bed replacement, or change of ownership or lease. 42020
The facility shall report double accumulated depreciation in an 42021
amount equal to the depreciation included in the rate adjustment 42022
on its cost report for the first year of operation. During the 42023
term of any loan used to finance a project for which a rate 42024
adjustment is granted under division (A)(4) of this section, if 42025
the facility is operated by the same provider, the facility shall 42026
subtract from the interest costs it reports on its cost report an 42027
amount equal to the difference between the following: 42028

(a) The actual, allowable interest costs for the loan during 42029
the calendar year for which the costs are being reported; 42030

(b) The actual, allowable interest costs attributable to the 42031

loan that were used to calculate the rates paid to the facility 42032
during the same calendar year. 42033

(5) The department's decision at the conclusion of the 42034
reconsideration process shall not be subject to any administrative 42035
proceedings under Chapter 119. or any other provision of the 42036
Revised Code. 42037

(B) ~~Any~~ All of the following are subject to an adjudication 42038
conducted in accordance with Chapter 119. of the Revised Code: 42039

(1) ~~Any~~ audit disallowance that the department makes as the 42040
result of an audit under section 5111.27 of the Revised Code, ~~and~~ any 42041

(2) ~~Any~~ adverse finding that results from an exception review 42042
of resident assessment information conducted under ~~that~~ section 42043
5111.27 of the Revised Code after the effective date of the 42044
facility's rate that is based on the assessment information, ~~and~~ 42045
any 42046

(3) ~~Any~~ penalty the department imposes under division (C) of 42047
section 5111.28 of the Revised Code ~~shall be subject to an~~ 42048
~~adjudication conducted in accordance with Chapter 119. or section~~ 42049
5111.684 of the Revised Code. 42050

Sec. 5111.30. The department of job and family services shall 42051
terminate the provider agreement with an operator of a nursing 42052
facility or intermediate care facility for the mentally retarded 42053
that does not comply with the requirements of section 3721.071 of 42054
the Revised Code for the installation of fire extinguishing and 42055
fire alarm systems. 42056

Sec. 5111.31. (A) Every provider agreement with an operator 42057
of a nursing facility or intermediate care facility for the 42058
mentally retarded shall: 42059

(1) Prohibit the facility from failing or refusing to retain 42060

as a patient any person because the person is, becomes, or may, as 42061
a patient in the facility, become a recipient of assistance under 42062
the medical assistance program. For the purposes of this division, 42063
a recipient of medical assistance who is a patient in a facility 42064
shall be considered a patient in the facility during any hospital 42065
stays totaling less than twenty-five days during any twelve-month 42066
period. Recipients who have been identified by the department of 42067
job and family services or its designee as requiring the level of 42068
care of an intermediate care facility for the mentally retarded 42069
shall not be subject to a maximum period of absences during which 42070
they are considered patients if prior authorization of the 42071
department for visits with relatives and friends and participation 42072
in therapeutic programs is obtained under rules adopted under 42073
section 5111.02 of the Revised Code. 42074

(2) Include any part of the facility that meets standards for 42075
certification of compliance with federal and state laws and rules 42076
for participation in the medical assistance program, except that 42077
nursing facilities that, during the period beginning July 1, 1987, 42078
and ending July 1, 1993, added beds licensed as nursing home beds 42079
under Chapter 3721. of the Revised Code are not required to 42080
include those beds under a provider agreement unless otherwise 42081
required by federal law. Once added to the provider agreement, 42082
however, those nursing home beds may not be removed unless the 42083
facility withdraws from the medical assistance program in its 42084
entirety. 42085

(3) Prohibit the facility from discriminating against any 42086
patient on the basis of race, color, sex, creed, or national 42087
origin. 42088

(4) Except as otherwise prohibited under section 5111.55 of 42089
the Revised Code, prohibit the facility from failing or refusing 42090
to accept a patient because the patient is, becomes, or may, as a 42091
patient in the facility, become a recipient of assistance under 42092

the medical assistance program if less than eighty per cent of the patients in the facility are recipients of medical assistance.

(B) Nothing in this section shall bar any religious or denominational nursing facility or intermediate care facility for the mentally retarded that is operated, supervised, or controlled by a religious organization from giving preference to persons of the same religion or denomination. Nothing in this section shall bar any facility from giving preference to persons with whom it has contracted to provide continuing care.

(C) Nothing in this section shall bar any county home organized under Chapter 5155. of the Revised Code from admitting residents exclusively from the county in which the county home is located.

(D) No operator of a nursing facility or intermediate care facility for the mentally retarded with which a provider agreement is in effect shall violate the provider contract obligations imposed under this section.

(E) Nothing in divisions (A) and (B) of this section shall bar any nursing facility or intermediate care facility for the mentally retarded from retaining patients who have resided in the facility for not less than one year as private pay patients and who subsequently become recipients of assistance under the medicaid program, but refusing to accept as a patient any person who is or may, as a patient in the facility, become a recipient of assistance under the medicaid program, if all of the following apply:

(1) The facility does not refuse to retain any patient who has resided in the facility for not less than one year as a private pay patient because the patient becomes a recipient of assistance under the medicaid program, except as necessary to comply with division (E)(2) of this section;

(2) The number of medicaid recipients retained under this division does not at any time exceed ten per cent of all the patients in the facility;

(3) On July 1, 1980, all the patients in the facility were private pay patients.

standards. If the board does not reallocate those funds in a 44473
reasonable period of time, the director may withhold state and 44474

whose community mental health services satisfy the standards. 44477

this section, the director may impose the suspension before 44974
providing an opportunity for an adjudication under Chapter 119. of 44975

residential facility for any violation specified in rules adopted 44980

entity are not being operated in compliance with a provision of 44986
this chapter that applies to residential facilities or the rules 44987
adopted under such a provision, and the director's findings are 44988
based on the same or a substantially similar action, practice, 44989
circumstance, or incident that creates a substantial risk to the 44990
health and safety of the residents, the director shall conduct a 44991

survey as soon as practicable at each residential facility owned 44992
or operated by that person or government entity. The director may 44993
take any action authorized by this section with respect to any 44994
facility found to be operating in violation of a provision of this 44995
chapter that applies to residential facilities or the rules 44996
adopted under such a provision. 44997

(6) When the director initiates license revocation 44998
proceedings, no opportunity for submitting a plan of correction 44999
shall be given. The director shall notify the licensee by letter 45000
of the initiation of such proceedings. The letter shall list the 45001
deficiencies of the residential facility and inform the licensee 45002

physical or psychological harm to the residents. 45012

operated in compliance with a provision of this chapter that 45014
applies to residential facilities or the rules adopted under such 45015
a provision, or whether conditions at a residential facility 45016
present an immediate danger of physical or psychological harm to 45017
the residents, the director may rely on information obtained by a 45018
county board of mental retardation and developmental disabilities 45019
or other governmental agencies. 45020

(9) In proceedings initiated to deny, refuse to renew, or 45021
revoke licenses, the director may deny, refuse to renew, or revoke 45022
a license regardless of whether some or all of the deficiencies 45023

that prompted the proceedings have been corrected at the time of 45024
the hearing. 45025

(E) The director shall establish a program under which public 45026
notification may be made when the director has initiated license 45027
revocation proceedings or has issued an order for the suspension 45028
of admissions, placement of a monitor, or removal of residents. 45029
The director shall adopt rules in accordance with Chapter 119. of 45030
the Revised Code to implement this division. The rules shall 45031
establish the procedures by which the public notification will be 45032
made and specify the circumstances for which the notification must 45033
be made. The rules shall require that public notification be made 45034
if the director has taken action against the facility in the 45035
eighteen-month period immediately preceding the director's latest 45036
action against the facility and the latest action is being taken 45037
for the same or a substantially similar violation of a provision 45038
of this chapter that applies to residential facilities or the 45039
rules adopted under such a provision. The rules shall specify a 45040
method for removing or amending the public notification if the 45041
director's action is found to have been unjustified or the 45042
violation at the residential facility has been corrected. 45043

(F)(1) Except as provided in division (F)(2) of this section, 45044
appeals from proceedings initiated to impose a sanction under 45045
division (D) of this section shall be conducted in accordance with 45046
Chapter 119. of the Revised Code. 45047

(2) Appeals from proceedings initiated to order the 45048
suspension of admissions to a facility shall be conducted in 45049
accordance with Chapter 119. of the Revised Code, unless the order 45050
was issued before providing an opportunity for an adjudication, in 45051
which case all of the following apply: 45052

(a) The licensee may request a hearing not later than ten 45053
days after receiving the notice specified in section 119.07 of the 45054

(d) If the hearing is conducted by a hearing examiner, the hearing examiner shall file a report and recommendations not later than ten days after the close of the hearing.

(e) Not later than five days after the hearing examiner files the report and recommendations, the licensee may file objections to the report and recommendations.

(f) Not later than fifteen days after the hearing examiner files the report and recommendations, the director shall issue an order approving, modifying, or disapproving the report and recommendations.

(g) Notwithstanding the pendency of the hearing, the director shall lift the order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(G) In accordance with Chapter 119. of the Revised Code, the director shall adopt and may amend and rescind rules for licensing and regulating the operation of residential facilities, including intermediate care facilities for the mentally retarded. The rules for intermediate care facilities for the mentally retarded may differ from those for other residential facilities. The rules shall establish and specify the following:

residential facility for which application is made. The director	45112
or the director's designee shall conduct a survey of each licensed	45113
residential facility at least once during the period the license	45114

survey includes but is not limited to an on-site examination and 45116
evaluation of the residential facility, its personnel, and the 45117
services provided there. 45118

In conducting surveys, the director or the director's 45119
designee shall be given access to the residential facility; all 45120

the licensee shall cooperate with the director or the director's 45126
designee in conducting the survey. 45127

deficiencies, specifying a timetable within which the licensee 45131
shall submit a plan of correction describing how the deficiencies 45132
will be corrected, and, when appropriate, specifying a timetable 45133

which the licensee's residential facility is located of any 45151
significant change in the identity of the licensee or management 45152

is not the owner of the building. 45154

Pursuant to rules which shall be adopted in accordance with 45155
Chapter 119. of the Revised Code, the director may require 45156
notification to the department of any significant change in the 45157
ownership of a residential facility or in the identity of the 45158
licensee or management contractor. If the director determines that 45159
a significant change of ownership is proposed, the director shall 45160
consider the proposed change to be an application for development 45161
by a new operator pursuant to section 5123.042 of the Revised Code 45162
and shall advise the applicant within sixty days of such 45163
notification that the current license shall continue in effect or 45164
a new license will be required pursuant to this section. If the 45165

(L) The department shall establish procedures for the 45184
notification of interested parties of the transfer or interim care 45185

receives written comments from any notified officials within the 45209
specified time, the director shall make written findings 45210

concerning the comments and the director's decision on the 45211
issuance of the license. If the director does not receive written 45212
comments from any notified local officials within the specified 45213
time, the director shall continue the process for issuance of the 45214
license. 45215

(R)(1) The director may issue an interim license to operate a residential facility to an applicant for a license under this section if either of the following is the case: 45260
45261
45262

(a) The director determines that an emergency exists requiring immediate placement of persons in a residential facility, that insufficient licensed beds are available, and that the residential facility is likely to receive a permanent license under this section within thirty days after issuance of the interim license. 45263
45264
45265
45266
45267
45268

(b) The director determines that the issuance of an interim license is necessary to meet a temporary need for a residential facility. 45269
45270
45271

(2) To be eligible to receive an interim license, an 45272

applicant must meet the same criteria that must be met to receive 45273
a permanent license under this section, except for any differing 45274
procedures and time frames that may apply to issuance of a 45275
permanent license. 45276

particular type of residential facility, a residential facility 45285
shall be permitted to serve the same number of persons being 45286
served by the facility on the effective date of such rules or the 45287
number of persons for which the facility is authorized pursuant to 45288
a current application for a certificate of need with a letter of 45289

(T) The director or the director's designee may enter at any 45293

facility from continuing to operate without a license. The court 45301
may grant the injunction on a showing that the person or 45302
governmental agency named in the petition is operating a 45303

residential facility without a license. The court may grant the
injunction, regardless of whether the residential facility meets
the requirements for receiving a license under this section.

(U) Except as provided in section 5123.198 of the Revised
Code, whenever a resident of a residential facility is committed
to a state-operated intermediate care facility for the mentally

section, the director of mental retardation and developmental
disabilities shall not issue a license under section 5123.19 of
the Revised Code on or after July 1, 2003, if issuance will result

under that section than is permitted under division (B) of this
section.

(B) The maximum number of beds for the purpose of division
(A) of this section shall not exceed ten thousand eight hundred
thirty-eight minus, except as provided in division (C) of this

July 1, 2003, pursuant to section 5123.197 of the Revised Code or
because a residential facility license is revoked, terminated, or
not renewed for any reason or is surrendered.

(C) The director is not required to reduce the maximum number
of beds pursuant to division (B) of this section by a bed taken
out of service if the director determines that the bed is needed
to provide services to an individual with mental retardation or a
developmental disability who resided in the residential facility
in which the bed was located.

(D) The director shall maintain an up-to-date written record
of the maximum number of residential facility beds provided for by

division (B) of this section. 45335

(E) If required by section 5123.1910 of the Revised Code to 45336
issue a license under section 5123.19 of the Revised Code, the 45337
director shall issue the license regardless of whether issuance 45338
will result in there being more beds in all residential facilities 45339
licensed under that section than is permitted under division (B) 45340
of this section. 45341

Sec. 5123.197. A licensee shall take out of service as a 45342

state-operated intermediate care facility for the mentally 45349
retarded pursuant to sections 5123.71 to 5123.76 of the Revised 45350
Code, the department of mental retardation and developmental 45351
disabilities shall reduce by one the number of residents for which 45352
the facility in which the resident resided is licensed, unless the 45353
facility admits an individual who resides in a state-operated 45354
intermediate care facility for the mentally retarded on the date 45355
of the commitment or another individual determined to need the 45356
level of care provided by such a facility and designated by the 45357
department not later than ninety days after the date of the 45358
commitment. 45359

(B) The department of mental retardation and developmental 45360
disabilities may notify the department of job and family services 45361
of any reduction under this section in the number of residents for 45362

each fiscal year after the year of the commitment to be used for 45367
costs of the resident's care in the state-operated intermediate 45368
care facility for the mentally retarded. In determining the amount 45369
saved, the department of job and family services shall consider 45370

Sec. ~~4981.29~~ 5507.29. (A) In addition to the powers contained 48581
in section ~~4981.14~~ 5507.14 of the Revised Code, the ~~Ohio rail~~ 48582

(2) Grant franchises for terms of up to fifty years and enter 48589
into franchise agreements with private corporations or 48590

for the entire rail system or for a designated portion of the 48592
system, such as a corridor. 48593

(3) Use, close, relocate, or alter the grade of existing 48594

good-faith negotiations; 48609

(6) Make proceeds of bonds issued pursuant to section ~~4981.15~~ 48610
5507.15 of the Revised Code available for financing of all or part 48611

suffered by any person and for which the franchisee is liable and 48621
must pay money damages, if the injuries or losses are of such a 48622
nature that, if the commission were the responsible party instead 48623
of the franchisee, the commission would not be liable for the 48624
injuries or losses due to any immunity it enjoys under the laws of 48625
this state. 48626~~

(B) The ~~commission~~ department shall not regulate the rates or 48627

by a franchisee, provided the rates are not discriminatory and 48629
overall return is not unreasonable. The ~~commission~~ department 48630
shall not regulate operations of a franchisee so long as the 48631
franchisee operates in accordance with all applicable safety 48632
standards. 48633

Sec. ~~4981.30~~ 5507.30. (A) The ~~Ohio rail development~~ 48634
~~commission~~ department of transportation, in accordance with 48635
Chapter 119. of the Revised Code, shall adopt, and may amend and 48636
rescind, rules governing the process whereby a private corporation 48637
or organization may apply to the ~~commission~~ department for a 48638
franchise for all or part of a rail system. The rules also shall 48639
establish the financial and technical criteria upon which a 48640
franchise is awarded. The criteria may include all of the 48641
following: 48642

(1) The qualifications of each applicant, including the 48643

(9) Any plans and studies prepared for the ~~commission~~
department; 48658
48659

(10) The projected ability of each applicant's proposed 48660
revenue sources to meet projected capital and operating funding 48661

(B) The ~~commission~~ department may solicit letters of intent 48663
from private corporations or organizations interested in applying 48664
for a franchise, and may require that a nonrefundable fee be 48665

applications and for subsequent administration of a franchise. 48668

(C) The ~~commission~~ department may request proposals to be 48669
delivered for a franchise to construct, operate, and maintain the 48670
rail system or a portion thereof. 48671

(D) All applications for a franchise shall address the items 48672

~~commission~~ department determines is best qualified, in accordance 48688

with standards for evaluation of applicants established by rule 48689
and previously announced. 48690

Sec. ~~4981.31~~ 5507.31. (A) The award by the ~~Ohio rail~~ 48691
~~development commission~~ department of transportation of a franchise 48692
for all or part of a rail system shall be the sole license 48693
required for a franchisee to exercise all specified franchise 48694
powers and enjoy all specified franchise rights. The franchise 48695
shall be for a term of not less than thirty-five, but not more 48696
than fifty years from the date of commencement of actual service 48697
operations. ~~With the approval of the general assembly, the~~ 48698
~~commission~~ The department may extend a franchise beyond the time 48699
period specified in the original franchise award, on terms 48700
mutually agreeable to the franchisee and the ~~commission~~ 48701
department. If the ~~commission~~ department does not grant an 48702
extension, any portion of the rail system owned by the franchisee 48703
shall revert to the state upon expiration of the franchise. 48704

(B) In the absence of a material default by a franchisee 48705
under the franchise agreement, any termination by the ~~commission~~ 48706
department of a franchise prior to the expiration of its stated 48707
terms shall be deemed to be either an impairment of contract by 48708
the state or the equivalent of the commencement of an 48709
appropriation action by the state, as the franchisee may elect, 48710
and shall entitle the franchisee to full compensation for its 48711
loss, including reimbursement of all costs incurred in the 48712
development of the franchise. Any terms of the franchise agreement 48713
designed to protect the reasonable expectations of persons 48714
providing financing for the portion of the system comprising the 48715
franchise shall not be affected by any proposed franchise 48716
termination, and any termination based upon an alleged material 48717
default in performance by the franchisee is subject to the hearing 48718
and appeal provisions of Chapter 119. of the Revised Code. 48719

(C) The franchise agreement may authorize the franchisee to 48720
plan, design, finance, construct, operate, and maintain its 48721
designated portion of the rail system and any ancillary system 48722
facilities. 48723

(D) The franchise agreement shall require the franchisee to 48724
construct, operate, and maintain the rail system in accordance 48725
with the franchise agreement. All minimum technical standards for 48726
the design, construction, and operation of the portion of the 48727
system comprising the franchise shall be included in the franchise 48728
agreement or incorporated by reference. The conditions of the 48729
franchise agreement relating to the actual operation of the 48730
trains, including train speed, capacity, construction and 48731
maintenance standards, environmental enhancement and protection, 48732
safety, and noise levels, supersede any conflicting rule, 48733
ordinance, resolution, standard, or charter provision of any 48734
agency or political subdivision of the state. 48735

(E) Provision may be included in the franchise agreement for 48736
a development and construction schedule, subject to extension for 48737
events beyond the control of the franchisee and changes in 48738
applicable state and federal law. 48739

(F) The franchise agreement shall obligate the ~~commission~~ 48740
department, upon request of the franchisee, to assist in obtaining 48741
permits and licenses necessary for the construction and operation 48742
of the rail system and ancillary facilities. 48743

~~(G) If a franchisee develops and either transfers its portion 48744
of the rail system to the commission and then leases that portion 48745
from the commission, or leases its portion to the commission and 48746
continues to operate that portion of the rail system, the state 48747
shall indemnify the franchisee against claims that, if made 48748
against the commission or the state, would be subject to a defense 48749
of sovereign immunity. 48750~~

~~(H)~~ In the franchise agreement, the ~~commission~~ department may furnish the franchisee with reasonable assurances that the state will not take any action that would have the effect of depriving the franchisee of the anticipated economic benefits of franchise operation, including the award of franchises subsequent to the award of the 3-C corridor franchise which have such effect, and that the ~~commission~~ department will take such reasonable actions to dissuade other agencies of the state from taking actions that might have an adverse economic or regulatory impact on the franchisee.

~~(I)~~(H) If more than one franchise is awarded, the franchisees shall bear all costs necessary for the interconnection of their respective franchises, which costs shall be allocated equitably by the ~~commission~~ department.

~~(J)~~(I) After a franchise is awarded, the terms under which it is awarded may be modified only by written agreement of the parties, after observation of notice and comment procedures initially agreed to by the ~~commission~~ department and the franchisee.

~~(K)~~(J) The ~~commission~~ department shall cooperate with the environmental protection agency in the franchise procurement review and award process. In consultation with the agency, the ~~commission~~ department shall adopt or amend reasonable procedural rules in order to simplify and expedite the process by which the franchisee applies for and obtains required state permits.

~~(L)~~(K) The ~~commission~~ department shall assist franchisees in meeting environmental requirements, including, if requested by a franchisee, serving as the lead agency in connection with environmental impact analysis requirements.

Sec. ~~4981.32~~ 5507.32. (A) A franchise agreement shall

authorize the franchisee to do all of the following: 48781

(1) Acquire and dispose of real and personal property and 48782
request the ~~Ohio rail development commission~~ department of 48783
transportation to appropriate real property for sale to the 48784
franchisee in accordance with division (A)(5) of section ~~4981.29~~ 48785
5507.29 of the Revised Code; 48786

(2) Plan, design, finance, construct, reconstruct, improve, 48787
operate, and maintain its portion of the rail system and any 48788
ancillary system facilities; 48789

(3) Set and charge rates and fares for the use of its portion 48790
of the rail system, and retain all revenues in excess of debt 48791
service and operating expenses up to an agreed return on 48792
investment; 48793

(4) Subject to applicable permit requirements, construct and 48794

watercourses, and existing transportation and public utility 48796
rights-of-way; 48797

(5) Classify users according to reasonable categories for the 48798
assessment of fares, including peak and off-peak time periods; 48799

(6) Make and enforce reasonable regulations regarding usage 48800
and safety of that portion of the rail system comprising its 48801
franchise; 48802

(7) Engage in any other business in addition to that of 48803
operator of its portion of the rail system, including the purchase 48804
and sale of real estate and ownership and operation of ancillary 48805
system facilities; 48806

(8) Establish and fund accounts, including reasonable 48807
reserves for contingencies, maintenance, and replacement, in order 48808
to ensure the availability of funds to meet future obligations of 48809
the franchisee; 48810

(9) Take all other actions it determines necessary and appropriate in the operation of the franchise, so long as those actions comply with the franchise agreement and with applicable state and federal statutes, rules, and regulations.

(B) The franchisee shall do all of the following:

(1) Use best efforts to arrange financing for the construction and operation of that portion of the rail system that comprises its franchise, and pledge assets and revenue as may be necessary to secure repayment of obligations;

(2) Maintain and file with the ~~commission~~ department a schedule of rates and fares, and file and maintain a statement that those rates and fares apply uniformly to all users of the rail system within reasonable categories;

(3) Construct, maintain, and insure the rail system in accordance with standards agreed with the ~~commission~~ department, and permit access for inspection by the ~~commission~~ department. Construction may be performed in stages pursuant to a schedule or program approved by the ~~commission~~ department.

(4) Enlarge or expand its portion of the rail system from time to time, as reflected in initial plans for the franchise and as appropriate to meet market requirements;

(5) Operate the rail system in accordance with applicable legal requirements and any additional reasonable operating and safety standards the ~~commission~~ department approves, or as otherwise may be required by applicable state or federal requirements;

(6) Contract with state, county, or municipal law enforcement agencies, or enter into other arrangements acceptable to the ~~commission~~ department, to provide law enforcement on and around the franchisee's portion of the rail system.

(C) Any instrument by which real property is acquired 48841
pursuant to this section shall identify the agency of the state 48842
that has the use and benefit of the real property as specified in 48843
section 5301.012 of the Revised Code. 48844

Sec. ~~4981.33~~ 5507.33. (A) The ~~Ohio rail development~~ 48845
~~commission~~ department of transportation shall review all plans and 48846
specifications of a franchisee for its portion of a rail system to 48847
ensure that the plans and specifications conform to ~~commission~~ 48848
department standards, and shall inspect and approve the 48849
construction of all portions of the rail system. ~~The commission~~ 48850
~~shall assume responsibility for and indemnify any franchisee for~~ 48851
~~third party claims arising out of franchisee design and~~ 48852
~~construction activities performed without fault that have been~~ 48853
~~reviewed and approved by the commission.~~ 48854

(B) The ~~commission~~ department shall monitor maintenance 48855
practices of a franchisee or its operator to secure and maintain 48856
safety and efficiency in the operation of those portions of the 48857
rail system operated by the franchisee. 48858

(C) All rules adopted by the ~~commission~~ department affecting 48859
the rail system or franchises shall be adopted in accordance with 48860
Chapter 119. of the Revised Code. 48861

(D) The ~~commission~~ department shall not regulate rates and 48862
fares a franchisee charges for its portion of the rail system. 48863

(E) The ~~commission~~ department may require a franchisee to 48864
furnish to the ~~commission~~ department data sufficient to enable it 48865
to verify the franchisee's compliance with all terms of its 48866
franchise agreement. 48867

(F) Except for rules adopted by the ~~commission~~ department or 48868
the franchisee pursuant to sections ~~4981.28~~ 5507.28 to ~~4981.34~~ 48869
5507.34 of the Revised Code, the laws of this state relating to 48870

rail carriers apply to all portions of the rail system, and the 48871
powers of arrest of law enforcement officers on and around any 48872
portion of the rail system are the same there as elsewhere in the 48873
state. 48874

Sec. ~~4981.34~~ 5507.34. (A) On behalf of a franchisee and 48875
pursuant to section ~~4981.15~~ 5507.15 of the Revised Code, the ~~Ohio~~ 48876
~~rail development commission~~ department of transportation may issue 48877
bonds for loans to finance development and construction of a 48878
franchisee's portion of a rail system. Any bonds issued pursuant 48879
to this section do not, and shall state that they do not, 48880
represent or constitute a debt or pledge of the faith and credit 48881
of the state, nor do such bonds grant to the bondholders or 48882
noteholders any right to have the general assembly levy any taxes 48883
or appropriate any funds for the payment of the principal or 48884
interest thereon. Such bonds shall be payable solely from the loan 48885
repayments the ~~commission~~ department receives from the franchisee 48886
to which the loan was made. The loan repayments shall be made from 48887
revenues that the franchisee receives from the operation of its 48888
portion of the rail system and that shall be pledged to repay the 48889
~~commission~~ department, or from such other credit sources as the 48890
franchisee may arrange. 48891

(B) The portion of the rail system awarded to a franchisee, 48892
any elements thereof, or the land upon which a franchise is 48893
situated may be owned by the franchisee or owned by the ~~commission~~ 48894
department and leased to the franchisee for the term of the 48895
franchise. 48896

(C) The rail system may be financed partially by the 48897
~~commission~~ department and partially by franchisees. With respect 48898
to that portion of the rail system financed by the ~~commission~~ 48899
department, the ~~commission~~ department may utilize all of the 48900
bonding and financial authority contained in sections ~~4981.01~~ 48901

5507.01 to ~~4981.26~~ 5507.26 of the Revised Code and also may seek 48902
to obtain state funding or federal financing on behalf of the rail 48903
system. ~~Commission~~ Department financing, credit support, and 48904
financial assistance may not be commingled with private financing 48905
obtained by the franchisee, and any moneys of the ~~commission~~ 48906
department to be expended by the ~~commission~~ department to finance 48907
a portion of a rail system shall be kept in accounts that are 48908
separate and apart from and not a part of the accounts in which 48909
are kept any moneys to be expended by a franchisee to finance its 48910
portion of a rail system. 48911

(D) The franchisee may arrange financing and refinancing of 48912
the system through any combination of debt, equity, and public 48913
sources available to it that it determines in its sole discretion. 48914
A franchisee shall not be precluded from utilizing any type of 48915
public or private assistance available to it in connection with 48916
the development of its franchise. A franchisee shall furnish the 48917
~~commission~~ department all relevant and necessary information with 48918
respect to financing terms to enable the ~~commission~~ department to 48919
exercise its oversight responsibilities with respect to the 48920
franchisee's reasonable return on its investment. 48921

(E) When requested by a franchisee, the ~~commission~~ department 48922
shall seek from the office of budget and management an allotment 48923
of proceeds from the issuance of private activity bonds. The 48924
~~commission~~ department shall distribute those proceeds to 48925
franchisees in such proportions and amounts as it determines in 48926
its discretion. 48927

(F)(1) The ~~commission~~ department may levy and collect special 48928
assessments upon all parcels of real property, other than real 48929
property owned by a railroad corporation, in the immediate 48930
vicinity of any rail system station or terminal of the ~~commission~~ 48931
department or a franchisee, including, without limitation, parcels 48932
that abut, are adjacent or contiguous to, or otherwise increase in 48933

value due to the existence of, the station or terminal. An 48934
assessment levied under this division shall be for the purpose of 48935
enabling the ~~commission~~ department to collect a portion of the 48936
increase in the true value in money of any such parcel of property 48937
subsequent to the commencement of operation of a rail system 48938
station or terminal. All assessments shall be applied, directly or 48939
indirectly, to the development and financing of the portion of the 48940
rail system of which the station or terminal is a part. 48941

(2) Upon written request of the ~~commission~~ department, the 48942
county auditor of a county in which a rail system station or 48943
terminal commences operation shall assess each parcel of real 48944
property that is located in the immediate vicinity of the station 48945
or terminal and that the ~~commission~~ department has reasonable 48946
cause to believe has increased in true value in money because of 48947
the existence of the station or terminal. The county auditor shall 48948
utilize appropriate assessment techniques specified in rules 48949
adopted by the tax commissioner pursuant to Chapter 5713. of the 48950
Revised Code to determine the increase in true value, if any, of 48951
the real property. Any increase shall be measured by comparing the 48952
true value of the real property in the year in which the 48953
~~commission adopted the resolution designating~~ department 48954
designated the location of the station or terminal, as reflected 48955
on the tax list for that year, with the highest true value of the 48956
real property as of the month in which rail system operations 48957
commenced at the station or terminal. The county auditor shall 48958
then determine what percentage of the true value increase, if any, 48959
is directly attributable to the existence of and commencement of 48960
operations at the station or terminal. The county auditor shall 48961
convert the percentage increase to an amount certain, and certify 48962
the results of the assessments to the ~~commission~~ department. 48963
Within thirty days after receipt of the certified results, the 48964
~~commission~~ department shall reimburse the county auditor for the 48965
actual cost to the auditor of making the assessments. 48966

(3) In no case shall any special assessment levied by the 48967
~~commission department~~ upon a parcel of real property exceed twenty 48968
per cent of the increase in the true value of the property that 48969
the county auditor certifies to the ~~commission department~~ as being 48970
directly attributable to the existence of and commencement of 48971
operations at the station or terminal. A special assessment shall 48972
constitute a lien against the property and shall be added to the 48973
tax list and duplicate for collection. Payments on the special 48974
assessment shall be made semiannually at the same time as real 48975
property taxes are required to be paid, but upon written request 48976
of the owner of the real property assessed, the county auditor may 48977
permit the owner to pay the assessment in equal installments over 48978
a period of not longer than ten years. 48979

(4) An owner of real property upon which a special assessment 48980
is levied under this section may file a petition in the court of 48981
common pleas of the county in which the real property is located 48982
challenging any aspect of the assessment, including the fact of 48983
the special assessment itself or the amount. The filing of such a 48984
petition shall stay the collection of any part of the special 48985
assessment, and collection shall not commence until a decision on 48986
the merits is rendered by the court. 48987

(G) Nothing in this section shall be construed as limiting 48988
the power of the ~~commission department~~ to issue bonds pursuant to 48989
section ~~4981.15~~ 5507.15 of the Revised Code for the purposes 48990
stated in that section. 48991

provided that the resolution shall apportion the annual rate of 49706
levy between the current expenses and the other purpose or 49707
purposes. The apportionment need not be the same for each year of 49708
the levy, but the respective portions of the rate actually levied 49709

from any bond fund until first authorized by the taxing authority; 49739

(B) Make any expenditure of money unless it has been 49740

this section and section 5705.44 of the Revised Code, make any 49745
contract or give any order involving the expenditure of money 49746
unless there is attached thereto a certificate of the fiscal 49747
officer of the subdivision that the amount required to meet the 49748
obligation or, in the case of a continuing contract to be 49749
performed in whole or in part in an ensuing fiscal year, the 49750
amount required to meet the obligation in the fiscal year in which 49751
the contract is made, has been lawfully appropriated for such 49752
purpose and is in the treasury or in process of collection to the 49753
credit of an appropriate fund free from any previous encumbrances. 49754
This certificate need be signed only by the subdivision's fiscal 49755
officer. Every such contract made without such a certificate shall 49756
be void, and no warrant shall be issued in payment of any amount 49757
due thereon. If no certificate is furnished as required, upon 49758
receipt by the taxing authority of the subdivision or taxing unit 49759
of a certificate of the fiscal officer stating that there was at 49760
the time of the making of such contract or order and at the time 49761
of the execution of such certificate a sufficient sum appropriated 49762
for the purpose of such contract and in the treasury or in process 49763
of collection to the credit of an appropriate fund free from any 49764
previous encumbrances, such taxing authority may authorize the 49765

provided that, if the amount involved is less than one hundred 49769
dollars in the case of counties or three thousand dollars in the 49770
case of all other subdivisions or taxing units, the fiscal officer 49771
may authorize it to be paid without such affirmation of the taxing 49772
authority of the subdivision or taxing unit, if such expenditure 49773
is otherwise valid. 49774

(2) Annually, the board of county commissioners may adopt a 49775
resolution exempting for the current fiscal year county purchases 49776
of seven hundred fifty dollars or less from the requirement of 49777
division (D)(1) of this section that a certificate be attached to 49778
any contract or order involving the expenditure of money. The 49779
resolution shall state the dollar amount that is exempted from the 49780
certificate requirement and whether the exemption applies to all 49781
purchases, to one or more specific classes of purchases, or to the 49782
purchase of one or more specific items. Prior to the adoption of 49783
the resolution, the board shall give written notice to the county 49784
auditor that it intends to adopt the resolution. The notice shall 49785
state the dollar amount that is proposed to be exempted and 49786
whether the exemption would apply to all purchases, to one or more 49787
specific classes of purchases, or to the purchase of one or more 49788
specific items. The county auditor may review and comment on the 49789
proposal, and shall send any comments to the board within fifteen 49790
days after receiving the notice. The board shall wait at least 49791
fifteen days after giving the notice to the auditor before 49792
adopting the resolution. A person authorized to make a county 49793
purchase in a county that has adopted such a resolution shall 49794
prepare and file with the county auditor, within three business 49795
days after incurring an obligation not requiring a certificate, a 49796
written document specifying the purpose and amount of the 49797
expenditure, the date of the purchase, the name of the vendor, and 49798
such additional information as the auditor of state may prescribe. 49799

(3) Upon certification by the auditor or other chief fiscal officer that a certain sum of money, not in excess of ~~five thousand dollars~~ an amount established by resolution or ordinance adopted by a majority of the members of the legislative authority of the subdivision or taxing unit, has been lawfully appropriated, authorized, or directed for a certain purpose and is in the treasury or in the process of collection to the credit of a specific line-item appropriation account in a certain fund free from previous and then outstanding obligations or certifications, then for such purpose and from such line-item appropriation account in such fund, over a period ~~not exceeding three months and~~ not extending beyond the end of the fiscal year, expenditures may be made, orders for payment issued, and contracts or obligations calling for or requiring the payment of money made and assumed; provided, that the aggregate sum of money included in and called for by such expenditures, orders, contracts, and obligations shall not exceed the sum so certified. been lawfully appropriated, authorized, or directed for a 49832
permitted purpose and is in the treasury or in the process of 49833
collection to the credit of the specific line-item appropriation 49834
account in the specified fund free from previous and 49835
then-outstanding obligations or certifications; provided that the 49836
aggregate sum of money included in and called for by the 49837
expenditures, orders, and obligations shall not exceed the 49838
certified sum. The purposes for which a subdivision may lawfully 49839
appropriate, authorize, or issue such a certificate are the 49840

materials, and utilities; and any purchases exempt from 49845
competitive bidding under section 125.04 of the Revised Code and 49846
any other specific expenditure that is a recurring and reasonably 49847
predictable operating expense. Such a certification shall not 49848
extend beyond the end of the fiscal year or, in the case of a 49849
board of county commissioners that has established a quarterly 49850

the quarter to which the plan applies. Such a certificate shall be 49852
signed by the fiscal officer and may, but need not, be limited to 49853
a specific vendor. An itemized statement of obligations incurred 49854
and expenditures made under such a certificate shall be rendered 49855
to the fiscal officer for each certificate issued. More than one 49856
such certificate may be outstanding at any time. 49857

unit basis, the head of the department, board, or commission for 49859
the benefit of which the contract is made shall make an estimate 49860
of the total amount to become due upon such contract, which 49861
estimate shall be certified in writing to the fiscal officer of 49862
the subdivision. Such a contract may be entered into if the 49863
appropriation covers such estimate, or so much thereof as may be 49864

due during the current year. In such a case the certificate of the 49865
fiscal officer based upon the estimate shall be a sufficient 49866
compliance with the law requiring a certificate. 49867

Any certificate of the fiscal officer attached to a contract 49868
shall be binding upon the political subdivision as to the facts 49869
set forth therein. Upon request of any person receiving an order 49870
or entering into a contract with any political subdivision, the 49871
certificate of the fiscal officer shall be attached to such order 49872
or contract. "Contract" as used in this section excludes current 49873
payrolls of regular employees and officers. 49874

Taxes and other revenue in process of collection, or the 49875
proceeds to be derived from authorized bonds, notes, or 49876
certificates of indebtedness sold and in process of delivery, 49877
shall for the purpose of this section be deemed in the treasury or 49878
in process of collection and in the appropriate fund. This section 49879

731.59 of the Revised Code. 49882

No district authority shall, in transacting its own affairs, 49883
do any of the things prohibited to a subdivision by this section, 49884
but the appropriation referred to shall become the appropriation 49885
by the district authority, and the fiscal officer referred to 49886
shall mean the fiscal officer of the district authority. 49887

Sec. 5709.62. (A) In any municipal corporation that is 49888
defined by the United States office of management and budget as a 49889
central city of a metropolitan statistical area, the legislative 49890
authority of the municipal corporation may designate one or more 49891
areas within its municipal corporation as proposed enterprise 49892
zones. Upon designating an area, the legislative authority shall 49893
petition the director of development for certification of the area 49894
as having the characteristics set forth in division (A)(1) of 49895

section 5709.61 of the Revised Code as amended by Substitute 49896
Senate Bill No. 19 of the 120th general assembly. Except as 49897
otherwise provided in division (E) of this section, on and after 49898
July 1, 1994, legislative authorities shall not enter into 49899
agreements under this section unless the legislative authority has 49900
petitioned the director and the director has certified the zone 49901
under this section as amended by that act; however, all agreements 49902
entered into under this section as it existed prior to July 1, 49903
1994, and the incentives granted under those agreements shall 49904
remain in effect for the period agreed to under those agreements. 49905
Within sixty days after receiving such a petition, the director 49906
shall determine whether the area has the characteristics set forth 49907
in division (A)(1) of section 5709.61 of the Revised Code, and 49908
shall forward the findings to the legislative authority of the 49909
municipal corporation. If the director certifies the area as 49910
having those characteristics, and thereby certifies it as a zone, 49911
the legislative authority may enter into an agreement with an 49912
enterprise under division (C) of this section. 49913

(B) Any enterprise that wishes to enter into an agreement 49914
with a municipal corporation under division (C) of this section 49915
shall submit a proposal to the legislative authority of the 49916
municipal corporation on a form prescribed by the director of 49917
development, together with the application fee established under 49918
section 5709.68 of the Revised Code. The form shall require the 49919
following information: 49920

(1) An estimate of the number of new employees whom the 49921
enterprise intends to hire, or of the number of employees whom the 49922
enterprise intends to retain, within the zone at a facility that 49923
is a project site, and an estimate of the amount of payroll of the 49924
enterprise attributable to these employees; 49925

(2) An estimate of the amount to be invested by the 49926
enterprise to establish, expand, renovate, or occupy a facility, 49927

including investment in new buildings, additions or improvements 49928
to existing buildings, machinery, equipment, furniture, fixtures, 49929
and inventory; 49930

(3) A listing of the enterprise's current investment, if any, 49931
in a facility as of the date of the proposal's submission. 49932

The enterprise shall review and update the listings required 49933
under this division to reflect material changes, and any agreement 49934
entered into under division (C) of this section shall set forth 49935
final estimates and listings as of the time the agreement is 49936
entered into. The legislative authority may, on a separate form 49937
and at any time, require any additional information necessary to 49938
determine whether an enterprise is in compliance with an agreement 49939
and to collect the information required to be reported under 49940
section 5709.68 of the Revised Code. 49941

(C) Upon receipt and investigation of a proposal under 49942
division (B) of this section, if the legislative authority finds 49943
that the enterprise submitting the proposal is qualified by 49944
financial responsibility and business experience to create and 49945
preserve employment opportunities in the zone and improve the 49946
economic climate of the municipal corporation, the legislative 49947
authority, on or before ~~June 30, 2004~~ October 15, 2009, may do one 49948
of the following: 49949

(1) Enter into an agreement with the enterprise under which 49950
the enterprise agrees to establish, expand, renovate, or occupy a 49951
facility and hire new employees, or preserve employment 49952
opportunities for existing employees, in return for one or more of 49953
the following incentives: 49954

(a) Exemption for a specified number of years, not to exceed 49955
ten, of a specified portion, up to seventy-five per cent, of the 49956
assessed value of tangible personal property first used in 49957
business at the project site as a result of the agreement. An 49958

exemption granted pursuant to this division applies to inventory 49959
required to be listed pursuant to sections 5711.15 and 5711.16 of 49960
the Revised Code, except that, in the instance of an expansion or 49961
other situations in which an enterprise was in business at the 49962
facility prior to the establishment of the zone, the inventory 49963
that is exempt is that amount or value of inventory in excess of 49964
the amount or value of inventory required to be listed in the 49965
personal property tax return of the enterprise in the return for 49966
the tax year in which the agreement is entered into. 49967

(b) Exemption for a specified number of years, not to exceed 49968
ten, of a specified portion, up to seventy-five per cent, of the 49969
increase in the assessed valuation of real property constituting 49970
the project site subsequent to formal approval of the agreement by 49971
the legislative authority; 49972

(c) Provision for a specified number of years, not to exceed 49973
ten, of any optional services or assistance that the municipal 49974
corporation is authorized to provide with regard to the project 49975
site. 49976

(2) Enter into an agreement under which the enterprise agrees 49977
to remediate an environmentally contaminated facility, to spend an 49978
amount equal to at least two hundred fifty per cent of the true 49979
value in money of the real property of the facility prior to 49980
remediation as determined for the purposes of property taxation to 49981
establish, expand, renovate, or occupy the remediated facility, 49982
and to hire new employees or preserve employment opportunities for 49983
existing employees at the remediated facility, in return for one 49984
or more of the following incentives: 49985

(a) Exemption for a specified number of years, not to exceed 49986
ten, of a specified portion, not to exceed fifty per cent, of the 49987
assessed valuation of the real property of the facility prior to 49988
remediation; 49989

(b) Exemption for a specified number of years, not to exceed 49990
ten, of a specified portion, not to exceed one hundred per cent, 49991
of the increase in the assessed valuation of the real property of 49992
the facility during or after remediation; 49993

(c) The incentive under division (C)(1)(a) of this section, 49994
except that the percentage of the assessed value of such property 49995
exempted from taxation shall not exceed one hundred per cent; 49996

(d) The incentive under division (C)(1)(c) of this section. 49997

(3) Enter into an agreement with an enterprise that plans to 49998
purchase and operate a large manufacturing facility that has 49999
ceased operation or announced its intention to cease operation, in 50000
return for exemption for a specified number of years, not to 50001
exceed ten, of a specified portion, up to one hundred per cent, of 50002
the assessed value of tangible personal property used in business 50003
at the project site as a result of the agreement, or of the 50004
assessed valuation of real property constituting the project site, 50005
or both. 50006

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this 50007
section, the portion of the assessed value of tangible personal 50008
property or of the increase in the assessed valuation of real 50009
property exempted from taxation under those divisions may exceed 50010
seventy-five per cent in any year for which that portion is 50011
exempted if the average percentage exempted for all years in which 50012
the agreement is in effect does not exceed sixty per cent, or if 50013
the board of education of the city, local, or exempted village 50014
school district within the territory of which the property is or 50015
will be located approves a percentage in excess of seventy-five 50016
per cent. For the purpose of obtaining such approval, the 50017
legislative authority shall deliver to the board of education a 50018
notice not later than forty-five days prior to approving the 50019
agreement, excluding Saturdays, Sundays, and legal holidays as 50020

defined in section 1.14 of the Revised Code. The notice shall 50021
state the percentage to be exempted, an estimate of the true value 50022
of the property to be exempted, and the number of years the 50023
property is to be exempted. The board of education, by resolution 50024
adopted by a majority of the board, shall approve or disapprove 50025
the agreement and certify a copy of the resolution to the 50026
legislative authority not later than fourteen days prior to the 50027
date stipulated by the legislative authority as the date upon 50028
which approval of the agreement is to be formally considered by 50029
the legislative authority. The board of education may include in 50030
the resolution conditions under which the board would approve the 50031
agreement, including the execution of an agreement to compensate 50032
the school district under division (B) of section 5709.82 of the 50033
Revised Code. The legislative authority may approve the agreement 50034
at any time after the board of education certifies its resolution 50035
approving the agreement to the legislative authority, or, if the 50036
board approves the agreement conditionally, at any time after the 50037
conditions are agreed to by the board and the legislative 50038
authority. 50039

If a board of education has adopted a resolution waiving its 50040
right to approve agreements and the resolution remains in effect, 50041
approval of an agreement by the board is not required under this 50042
division. If a board of education has adopted a resolution 50043
allowing a legislative authority to deliver the notice required 50044
under this division fewer than forty-five business days prior to 50045
the legislative authority's approval of the agreement, the 50046
legislative authority shall deliver the notice to the board not 50047
later than the number of days prior to such approval as prescribed 50048
by the board in its resolution. If a board of education adopts a 50049
resolution waiving its right to approve agreements or shortening 50050
the notification period, the board shall certify a copy of the 50051
resolution to the legislative authority. If the board of education 50052
rescinds such a resolution, it shall certify notice of the 50053

rescission to the legislative authority. 50054

(2) The legislative authority shall comply with section 50055
5709.83 of the Revised Code unless the board of education has 50056
adopted a resolution under that section waiving its right to 50057
receive such notice. 50058

(E) This division applies to zones certified by the director 50059
of development under this section prior to July 22, 1994. 50060

On or before ~~June 30, 2004~~ October 15, 2009, the legislative 50061
authority that designated a zone to which this division applies 50062
may enter into an agreement with an enterprise if the legislative 50063
authority makes the finding required under that division and 50064
determines that the enterprise satisfies one of the criteria 50065
described in divisions (E)(1) to (5) of this section: 50066

(1) The enterprise currently has no operations in this state 50067
and, subject to approval of the agreement, intends to establish 50068
operations in the zone; 50069

(2) The enterprise currently has operations in this state 50070
and, subject to approval of the agreement, intends to establish 50071
operations at a new location in the zone that would not result in 50072
a reduction in the number of employee positions at any of the 50073
enterprise's other locations in this state; 50074

(3) The enterprise, subject to approval of the agreement, 50075
intends to relocate operations, currently located in another 50076
state, to the zone; 50077

(4) The enterprise, subject to approval of the agreement, 50078
intends to expand operations at an existing site in the zone that 50079
the enterprise currently operates; 50080

(5) The enterprise, subject to approval of the agreement, 50081
intends to relocate operations, currently located in this state, 50082
to the zone, and the director of development has issued a waiver 50083

for the enterprise under division (B) of section 5709.633 of the Revised Code. 50084
50085

The agreement shall require the enterprise to agree to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the incentives described in division (C) of this section. 50086
50087
50088
50089
50090

(F) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement is entered into under this division, if the legislative authority revokes its designation of a zone, or if the director of development revokes the zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement. 50091
50092
50093
50094
50095
50096
50097

(G) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority and shall be used by the legislative authority exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority may waive or reduce the amount of the fee charged against an enterprise, but such a waiver or reduction does not affect the 50098
50099
50100
50101
50102
50103
50104
50105
50106
50107
50108
50109
50110
50111
50112
50113
50114
50115

obligations of the legislative authority or the tax incentive 50116
review council to comply with section 5709.68 or 5709.85 of the 50117
Revised Code. 50118

(H) When an agreement is entered into pursuant to this 50119
section, the legislative authority authorizing the agreement shall 50120
forward a copy of the agreement to the director of development and 50121
to the tax commissioner within fifteen days after the agreement is 50122
entered into. If any agreement includes terms not provided for in 50123
section 5709.631 of the Revised Code affecting the revenue of a 50124
city, local, or exempted village school district or causing 50125
revenue to be foregone by the district, including any compensation 50126
to be paid to the school district pursuant to section 5709.82 of 50127
the Revised Code, those terms also shall be forwarded in writing 50128
to the director of development along with the copy of the 50129
agreement forwarded under this division. 50130

(I) After an agreement is entered into, the enterprise shall 50131
file with each personal property tax return required to be filed, 50132
or annual report required to be filed under section 5727.08 of the 50133
Revised Code, while the agreement is in effect, an informational 50134
return, on a form prescribed by the tax commissioner for that 50135
purpose, setting forth separately the property, and related costs 50136
and values, exempted from taxation under the agreement. 50137

(J) Enterprises may agree to give preference to residents of 50138
the zone within which the agreement applies relative to residents 50139
of this state who do not reside in the zone when hiring new 50140
employees under the agreement. 50141

(K) An agreement entered into under this section may include 50142
a provision requiring the enterprise to create one or more 50143
temporary internship positions for students enrolled in a course 50144
of study at a school or other educational institution in the 50145
vicinity, and to create a scholarship or provide another form of 50146
educational financial assistance for students holding such a 50147

position in exchange for the student's commitment to work for the 50148
enterprise at the completion of the internship. 50149

Sec. 5709.63. (A) With the consent of the legislative 50150
authority of each affected municipal corporation or of a board of 50151
township trustees, a board of county commissioners may, in the 50152
manner set forth in section 5709.62 of the Revised Code, designate 50153
one or more areas in one or more municipal corporations or in 50154
unincorporated areas of the county as proposed enterprise zones. A 50155
board of county commissioners may designate no more than one area 50156
within a township, or within adjacent townships, as a proposed 50157
enterprise zone. The board shall petition the director of 50158
development for certification of the area as having the 50159
characteristics set forth in division (A)(1) or (2) of section 50160
5709.61 of the Revised Code as amended by Substitute Senate Bill 50161
No. 19 of the 120th general assembly. Except as otherwise provided 50162
in division (D) of this section, on and after July 1, 1994, boards 50163
of county commissioners shall not enter into agreements under this 50164
section unless the board has petitioned the director and the 50165
director has certified the zone under this section as amended by 50166
that act; however, all agreements entered into under this section 50167
as it existed prior to July 1, 1994, and the incentives granted 50168
under those agreements shall remain in effect for the period 50169
agreed to under those agreements. The director shall make the 50170
determination in the manner provided under section 5709.62 of the 50171
Revised Code. Any enterprise wishing to enter into an agreement 50172
with the board under division (B) or (D) of this section shall 50173
submit a proposal to the board on the form and accompanied by the 50174
application fee prescribed under division (B) of section 5709.62 50175
of the Revised Code. The enterprise shall review and update the 50176
estimates and listings required by the form in the manner required 50177
under that division. The board may, on a separate form and at any 50178
time, require any additional information necessary to determine 50179

whether an enterprise is in compliance with an agreement and to 50180
collect the information required to be reported under section 50181
5709.68 of the Revised Code. 50182

(B) If the board of county commissioners finds that an 50183
enterprise submitting a proposal is qualified by financial 50184
responsibility and business experience to create and preserve 50185
employment opportunities in the zone and to improve the economic 50186
climate of the municipal corporation or municipal corporations or 50187
the unincorporated areas in which the zone is located and to which 50188
the proposal applies, the board, on or before ~~June 30, 2004~~ 50189
October 15, 2009, and with the consent of the legislative 50190
authority of each affected municipal corporation or of the board 50191
of township trustees may do either of the following: 50192

(1) Enter into an agreement with the enterprise under which 50193
the enterprise agrees to establish, expand, renovate, or occupy a 50194
facility in the zone and hire new employees, or preserve 50195
employment opportunities for existing employees, in return for the 50196
following incentives: 50197

(a) When the facility is located in a municipal corporation, 50198
the board may enter into an agreement for one or more of the 50199
incentives provided in division (C) of section 5709.62 of the 50200
Revised Code, subject to division (D) of that section; 50201

(b) When the facility is located in an unincorporated area, 50202
the board may enter into an agreement for one or more of the 50203
following incentives: 50204

(i) Exemption for a specified number of years, not to exceed 50205
ten, of a specified portion, up to sixty per cent, of the assessed 50206
value of tangible personal property first used in business at a 50207
project site as a result of the agreement. An exemption granted 50208
pursuant to this division applies to inventory required to be 50209
listed pursuant to sections 5711.15 and 5711.16 of the Revised 50210

Code, except, in the instance of an expansion or other situations 50211
in which an enterprise was in business at the facility prior to 50212
the establishment of the zone, the inventory that is exempt is 50213
that amount or value of inventory in excess of the amount or value 50214
of inventory required to be listed in the personal property tax 50215
return of the enterprise in the return for the tax year in which 50216
the agreement is entered into. 50217

(ii) Exemption for a specified number of years, not to exceed 50218
ten, of a specified portion, up to sixty per cent, of the increase 50219
in the assessed valuation of real property constituting the 50220
project site subsequent to formal approval of the agreement by the 50221
board; 50222

(iii) Provision for a specified number of years, not to 50223
exceed ten, of any optional services or assistance the board is 50224
authorized to provide with regard to the project site; 50225

(iv) The incentive described in division (C)(2) of section 50226
5709.62 of the Revised Code. 50227

(2) Enter into an agreement with an enterprise that plans to 50228
purchase and operate a large manufacturing facility that has 50229
ceased operation or has announced its intention to cease 50230
operation, in return for exemption for a specified number of 50231
years, not to exceed ten, of a specified portion, up to one 50232
hundred per cent, of tangible personal property used in business 50233
at the project site as a result of the agreement, or of real 50234
property constituting the project site, or both. 50235

(C)(1) Notwithstanding divisions (B)(1)(b)(i) and (ii) of 50236
this section, the portion of the assessed value of tangible 50237
personal property or of the increase in the assessed valuation of 50238
real property exempted from taxation under those divisions may 50239
exceed sixty per cent in any year for which that portion is 50240
exempted if the average percentage exempted for all years in which 50241

the agreement is in effect does not exceed fifty per cent, or if 50242
the board of education of the city, local, or exempted village 50243
school district within the territory of which the property is or 50244
will be located approves a percentage in excess of sixty per cent. 50245
For the purpose of obtaining such approval, the board of 50246
commissioners shall deliver to the board of education a notice not 50247
later than forty-five days prior to approving the agreement, 50248
excluding Saturdays, Sundays, and legal holidays as defined in 50249
section 1.14 of the Revised Code. The notice shall state the 50250
percentage to be exempted, an estimate of the true value of the 50251
property to be exempted, and the number of years the property is 50252
to be exempted. The board of education, by resolution adopted by a 50253
majority of the board, shall approve or disapprove the agreement 50254
and certify a copy of the resolution to the board of commissioners 50255
not later than fourteen days prior to the date stipulated by the 50256
board of commissioners as the date upon which approval of the 50257
agreement is to be formally considered by the board of 50258
commissioners. The board of education may include in the 50259
resolution conditions under which the board would approve the 50260
agreement, including the execution of an agreement to compensate 50261
the school district under division (B) of section 5709.82 of the 50262
Revised Code. The board of county commissioners may approve the 50263
agreement at any time after the board of education certifies its 50264
resolution approving the agreement to the board of county 50265
commissioners, or, if the board of education approves the 50266
agreement conditionally, at any time after the conditions are 50267
agreed to by the board of education and the board of county 50268
commissioners. 50269

If a board of education has adopted a resolution waiving its 50270
right to approve agreements and the resolution remains in effect, 50271
approval of an agreement by the board of education is not required 50272
under division (C) of this section. If a board of education has 50273
adopted a resolution allowing a board of county commissioners to 50274

deliver the notice required under this division fewer than 50275
forty-five business days prior to approval of the agreement by the 50276
board of county commissioners, the board of county commissioners 50277
shall deliver the notice to the board of education not later than 50278
the number of days prior to such approval as prescribed by the 50279
board of education in its resolution. If a board of education 50280
adopts a resolution waiving its right to approve agreements or 50281
shortening the notification period, the board of education shall 50282
certify a copy of the resolution to the board of county 50283
commissioners. If the board of education rescinds such a 50284
resolution, it shall certify notice of the rescission to the board 50285
of county commissioners. 50286

(2) The board of county commissioners shall comply with 50287
section 5709.83 of the Revised Code unless the board of education 50288
has adopted a resolution under that section waiving its right to 50289
receive such notice. 50290

(D) This division applies to zones certified by the director 50291
of development under this section prior to July 22, 1994. 50292

On or before ~~June 30, 2004~~ October 15, 2009, and with the 50293
consent of the legislative authority of each affected municipal 50294
corporation or board of township trustees of each affected 50295
township, the board of commissioners that designated a zone to 50296
which this division applies may enter into an agreement with an 50297
enterprise if the board makes the finding required under that 50298
division and determines that the enterprise satisfies one of the 50299
criteria described in divisions (D)(1) to (5) of this section: 50300

(1) The enterprise currently has no operations in this state 50301
and, subject to approval of the agreement, intends to establish 50302
operations in the zone; 50303

(2) The enterprise currently has operations in this state 50304
and, subject to approval of the agreement, intends to establish 50305

operations at a new location in the zone that would not result in 50306
a reduction in the number of employee positions at any of the 50307
enterprise's other locations in this state; 50308

(3) The enterprise, subject to approval of the agreement, 50309
intends to relocate operations, currently located in another 50310
state, to the zone; 50311

(4) The enterprise, subject to approval of the agreement, 50312
intends to expand operations at an existing site in the zone that 50313
the enterprise currently operates; 50314

(5) The enterprise, subject to approval of the agreement, 50315
intends to relocate operations, currently located in this state, 50316
to the zone, and the director of development has issued a waiver 50317
for the enterprise under division (B) of section 5709.633 of the 50318
Revised Code. 50319

The agreement shall require the enterprise to agree to 50320
establish, expand, renovate, or occupy a facility in the zone and 50321
hire new employees, or preserve employment opportunities for 50322
existing employees, in return for one or more of the incentives 50323
described in division (B) of this section. 50324

(E) All agreements entered into under this section shall be 50325
in the form prescribed under section 5709.631 of the Revised Code. 50326
After an agreement under this section is entered into, if the 50327
board of county commissioners revokes its designation of the zone, 50328
or if the director of development revokes the zone's 50329
certification, any entitlements granted under the agreement shall 50330
continue for the number of years specified in the agreement. 50331

(F) Except as otherwise provided in this paragraph, an 50332
agreement entered into under this section shall require that the 50333
enterprise pay an annual fee equal to the greater of one per cent 50334
of the dollar value of incentives offered under the agreement or 50335
five hundred dollars; provided, however, that if the value of the 50336

incentives exceeds two hundred fifty thousand dollars, the fee 50337
shall not exceed two thousand five hundred dollars. The fee shall 50338
be payable to the board of commissioners once per year for each 50339
year the agreement is effective on the days and in the form 50340
specified in the agreement. Fees paid shall be deposited in a 50341
special fund created for such purpose by the board and shall be 50342
used by the board exclusively for the purpose of complying with 50343
section 5709.68 of the Revised Code and by the tax incentive 50344
review council created under section 5709.85 of the Revised Code 50345
exclusively for the purposes of performing the duties prescribed 50346
under that section. The board may waive or reduce the amount of 50347
the fee charged against an enterprise, but such waiver or 50348
reduction does not affect the obligations of the board or the tax 50349
incentive review council to comply with section 5709.68 or 5709.85 50350
of the Revised Code, respectively. 50351

(G) With the approval of the legislative authority of a 50352
municipal corporation or the board of township trustees of a 50353
township in which a zone is designated under division (A) of this 50354
section, the board of county commissioners may delegate to that 50355
legislative authority or board any powers and duties of the board 50356
to negotiate and administer agreements with regard to that zone 50357
under this section. 50358

(H) When an agreement is entered into pursuant to this 50359
section, the legislative authority authorizing the agreement shall 50360
forward a copy of the agreement to the director of development and 50361
to the tax commissioner within fifteen days after the agreement is 50362
entered into. If any agreement includes terms not provided for in 50363
section 5709.631 of the Revised Code affecting the revenue of a 50364
city, local, or exempted village school district or causing 50365
revenue to be foregone by the district, including any compensation 50366
to be paid to the school district pursuant to section 5709.82 of 50367
the Revised Code, those terms also shall be forwarded in writing 50368

to the director of development along with the copy of the 50369
agreement forwarded under this division. 50370

(I) After an agreement is entered into, the enterprise shall 50371
file with each personal property tax return required to be filed, 50372
or annual report that is required to be filed under section 50373
5727.08 of the Revised Code, while the agreement is in effect, an 50374
informational return, on a form prescribed by the tax commissioner 50375
for that purpose, setting forth separately the property, and 50376
related costs and values, exempted from taxation under the 50377
agreement. 50378

(J) Enterprises may agree to give preference to residents of 50379
the zone within which the agreement applies relative to residents 50380
of this state who do not reside in the zone when hiring new 50381
employees under the agreement. 50382

(K) An agreement entered into under this section may include 50383
a provision requiring the enterprise to create one or more 50384
temporary internship positions for students enrolled in a course 50385
of study at a school or other educational institution in the 50386
vicinity, and to create a scholarship or provide another form of 50387
educational financial assistance for students holding such a 50388
position in exchange for the student's commitment to work for the 50389
enterprise at the completion of the internship. 50390

Sec. 5709.632. (A)(1) The legislative authority of a 50391
municipal corporation defined by the United States office of 50392
management and budget as a central city of a metropolitan 50393
statistical area may, in the manner set forth in section 5709.62 50394
of the Revised Code, designate one or more areas in the municipal 50395
corporation as a proposed enterprise zone. 50396

(2) With the consent of the legislative authority of each 50397
affected municipal corporation or of a board of township trustees, 50398
a board of county commissioners may, in the manner set forth in 50399

section 5709.62 of the Revised Code, designate one or more areas 50400
in one or more municipal corporations or in unincorporated areas 50401
of the county as proposed urban jobs and enterprise zones, except 50402
that a board of county commissioners may designate no more than 50403
one area within a township, or within adjacent townships, as a 50404
proposed urban jobs and enterprise zone. 50405

(3) The legislative authority or board of county 50406
commissioners may petition the director of development for 50407
certification of the area as having the characteristics set forth 50408
in division (A)(3) of section 5709.61 of the Revised Code. Within 50409
sixty days after receiving such a petition, the director shall 50410
determine whether the area has the characteristics set forth in 50411
that division and forward the findings to the legislative 50412
authority or board of county commissioners. If the director 50413
certifies the area as having those characteristics and thereby 50414
certifies it as a zone, the legislative authority or board may 50415
enter into agreements with enterprises under division (B) of this 50416
section. Any enterprise wishing to enter into an agreement with a 50417
legislative authority or board of commissioners under this section 50418
and satisfying one of the criteria described in divisions (B)(1) 50419
to (5) of this section shall submit a proposal to the legislative 50420
authority or board on the form prescribed under division (B) of 50421
section 5709.62 of the Revised Code and shall review and update 50422
the estimates and listings required by the form in the manner 50423
required under that division. The legislative authority or board 50424
may, on a separate form and at any time, require any additional 50425
information necessary to determine whether an enterprise is in 50426
compliance with an agreement and to collect the information 50427
required to be reported under section 5709.68 of the Revised Code. 50428

(B) Prior to entering into an agreement with an enterprise, 50429
the legislative authority or board of county commissioners shall 50430
determine whether the enterprise submitting the proposal is 50431

qualified by financial responsibility and business experience to 50432
create and preserve employment opportunities in the zone and to 50433
improve the economic climate of the municipal corporation or 50434
municipal corporations or the unincorporated areas in which the 50435
zone is located and to which the proposal applies, and whether the 50436
enterprise satisfies one of the following criteria: 50437

(1) The enterprise currently has no operations in this state 50438
and, subject to approval of the agreement, intends to establish 50439
operations in the zone; 50440

(2) The enterprise currently has operations in this state 50441
and, subject to approval of the agreement, intends to establish 50442
operations at a new location in the zone that would not result in 50443
a reduction in the number of employee positions at any of the 50444
enterprise's other locations in this state; 50445

(3) The enterprise, subject to approval of the agreement, 50446
intends to relocate operations, currently located in another 50447
state, to the zone; 50448

(4) The enterprise, subject to approval of the agreement, 50449
intends to expand operations at an existing site in the zone that 50450
the enterprise currently operates; 50451

(5) The enterprise, subject to approval of the agreement, 50452
intends to relocate operations, currently located in this state, 50453
to the zone, and the director of development has issued a waiver 50454
for the enterprise under division (B) of section 5709.633 of the 50455
Revised Code. 50456

(C) If the legislative authority or board determines that the 50457
enterprise is so qualified and satisfies one of the criteria 50458
described in divisions (B)(1) to (5) of this section, the 50459
legislative authority or board may, after complying with section 50460
5709.83 of the Revised Code and on or before ~~June 30, 2004~~ October 50461
15, 2009, and, in the case of a board of commissioners, with the 50462

consent of the legislative authority of each affected municipal corporation or of the board of township trustees, enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(1) When the facility is located in a municipal corporation, a legislative authority or board of commissioners may enter into an agreement for one or more of the incentives provided in division (C) of section 5709.62 of the Revised Code, subject to division (D) of that section;

(2) When the facility is located in an unincorporated area, a board of commissioners may enter into an agreement for one or more of the incentives provided in divisions (B)(1)(b), (B)(2), and (B)(3) of section 5709.63 of the Revised Code, subject to division (C) of that section.

(D) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement under this section is entered into, if the legislative authority or board of county commissioners revokes its designation of the zone, or if the director of development revokes the zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(E) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority or board of commissioners

once per year for each year the agreement is effective on the days 50495
and in the form specified in the agreement. Fees paid shall be 50496
deposited in a special fund created for such purpose by the 50497
legislative authority or board and shall be used by the 50498
legislative authority or board exclusively for the purpose of 50499
complying with section 5709.68 of the Revised Code and by the tax 50500
incentive review council created under section 5709.85 of the 50501
Revised Code exclusively for the purposes of performing the duties 50502
prescribed under that section. The legislative authority or board 50503
may waive or reduce the amount of the fee charged against an 50504
enterprise, but such waiver or reduction does not affect the 50505
obligations of the legislative authority or board or the tax 50506
incentive review council to comply with section 5709.68 or 5709.85 50507
of the Revised Code, respectively. 50508

(F) With the approval of the legislative authority of a 50509
municipal corporation or the board of township trustees of a 50510
township in which a zone is designated under division (A)(2) of 50511
this section, the board of county commissioners may delegate to 50512
that legislative authority or board any powers and duties of the 50513
board to negotiate and administer agreements with regard to that 50514
zone under this section. 50515

(G) When an agreement is entered into pursuant to this 50516
section, the legislative authority or board of commissioners 50517
authorizing the agreement shall forward a copy of the agreement to 50518
the director of development and to the tax commissioner within 50519
fifteen days after the agreement is entered into. If any agreement 50520
includes terms not provided for in section 5709.631 of the Revised 50521
Code affecting the revenue of a city, local, or exempted village 50522
school district or causing revenue to be foregone by the district, 50523
including any compensation to be paid to the school district 50524
pursuant to section 5709.82 of the Revised Code, those terms also 50525
shall be forwarded in writing to the director of development along 50526

with the copy of the agreement forwarded under this division. 50527

(H) After an agreement is entered into, the enterprise shall 50528
file with each personal property tax return required to be filed 50529
while the agreement is in effect, an informational return, on a 50530
form prescribed by the tax commissioner for that purpose, setting 50531
forth separately the property, and related costs and values, 50532
exempted from taxation under the agreement. 50533

(I) An agreement entered into under this section may include 50534
a provision requiring the enterprise to create one or more 50535
temporary internship positions for students enrolled in a course 50536
of study at a school or other educational institution in the 50537
vicinity, and to create a scholarship or provide another form of 50538
educational financial assistance for students holding such a 50539
position in exchange for the student's commitment to work for the 50540
enterprise at the completion of the internship. 50541

Sec. 5709.64. (A) If an enterprise has been granted an 50542
incentive for the current calendar year under an agreement entered 50543
pursuant to section 5709.62, 5709.63, or 5709.632 of the Revised 50544
Code, it may apply, on or before the thirtieth day of April of 50545
that year, to the director of development, on a form prescribed by 50546
the director, for a tax incentive qualification certificate. The 50547
enterprise qualifies for an initial certificate if, on or before 50548
the last day of the calendar year immediately preceding that in 50549
which application is made, it satisfies all of the following 50550
requirements: 50551

(1) The enterprise has established, expanded, renovated, or 50552
occupied a facility pursuant to the agreement under section 50553
5709.62, 5709.63, or 5709.632 of the Revised Code. 50554

(2) The enterprise has hired new employees to fill nonretail 50555
positions at the facility, at least twenty-five per cent of whom 50556
at the time they were employed were at least one of the following: 50557

(a) Unemployed persons who had resided at least six months in the county in which the enterprise's project site is located; 50558
50559

(b) JPTA eligible employees who had resided at least six months in the county in which the enterprise's project site is located; 50560
50561
50562

(c) Participants of the Ohio works first program under Chapter 5107. of the Revised Code or the prevention, retention, and contingency program under Chapter 5108. of the Revised Code or recipients of general assistance under former Chapter 5113. of the Revised Code, ~~disability~~ financial assistance under Chapter 5115. of the Revised Code, or unemployment compensation benefits who had resided at least six months in the county in which the enterprise's project site is located; 50563
50564
50565
50566
50567
50568
50569
50570

(d) Handicapped persons, as defined under division (A) of section 3304.11 of the Revised Code, who had resided at least six months in the county in which the enterprise's project site is located; 50571
50572
50573
50574

(e) Residents for at least one year of a zone located in the county in which the enterprise's project site is located. 50575
50576

The director of development shall, by rule, establish criteria for determining what constitutes a nonretail position at a facility. 50577
50578
50579

(3) The average number of positions attributable to the enterprise in the municipal corporation during the calendar year immediately preceding the calendar year in which application is made exceeds the maximum number of positions attributable to the enterprise in the municipal corporation during the calendar year immediately preceding the first year the enterprise satisfies the requirements set forth in divisions (A)(1) and (2) of this section. If the enterprise is engaged in a business which, because of its seasonal nature, customarily enables the enterprise to 50580
50581
50582
50583
50584
50585
50586
50587
50588

operate at full capacity only during regularly recurring periods 50589
of the year, the average number of positions attributable to the 50590
enterprise in the municipal corporation during each period of the 50591
calendar year immediately preceding the calendar year in which 50592
application is made must exceed only the maximum number of 50593
positions attributable to the enterprise in each corresponding 50594
period of the calendar year immediately preceding the first year 50595
the enterprise satisfies the requirements of divisions (A)(1) and 50596
(2) of this section. The director of development shall, by rule, 50597
prescribe methods for determining whether an enterprise is engaged 50598
in a seasonal business and for determining the length of the 50599
corresponding periods to be compared. 50600

(4) The enterprise has not closed or reduced employment at 50601
any place of business in the state for the primary purpose of 50602
establishing, expanding, renovating, or occupying a facility. The 50603
legislative authority of any municipal corporation or the board of 50604
county commissioners of any county that concludes that an 50605
enterprise has closed or reduced employment at a place of business 50606
in that municipal corporation or county for the primary purpose of 50607
establishing, expanding, renovating, or occupying a facility in a 50608
zone may appeal to the director to determine whether the 50609
enterprise has done so. Upon receiving such an appeal, the 50610
director shall investigate the allegations and make such a 50611
determination before issuing an initial or renewal tax incentive 50612
qualification certificate under this section. 50613

Within sixty days after receiving an application under this 50614
division, the director shall review, investigate, and verify the 50615
application and determine whether the enterprise qualifies for a 50616
certificate. The application shall include an affidavit executed 50617
by the applicant verifying that the enterprise satisfies the 50618
requirements of division (A)(2) of this section, and shall contain 50619
such information and documents as the director requires, by rule, 50620

to ascertain whether the enterprise qualifies for a certificate. 50621
If the director finds the enterprise qualified, the director shall 50622
issue a tax incentive qualification certificate, which shall bear 50623
as its date of issuance the thirtieth day of June of the year of 50624
application, and shall state that the applicant is entitled to 50625
receive, for the taxable year that includes the certificate's date 50626
of issuance, the tax incentives provided under section 5709.65 of 50627
the Revised Code with regard to the facility to which the 50628
certificate applies. If an enterprise is issued an initial 50629
certificate, it may apply, on or before the thirtieth day of April 50630
of each succeeding calendar year for which it has been granted an 50631
incentive under an agreement entered pursuant to section 5709.62, 50632
5709.63, or 5709.632 of the Revised Code, for a renewal 50633
certificate. Subsequent to its initial certification, the 50634
enterprise qualifies for up to three successive renewal 50635
certificates if, on or before the last day of the calendar year 50636
immediately preceding that in which the application is made, it 50637
satisfies all the requirements of divisions (A)(1) to (4) of this 50638
section, and neither the zone's designation nor the zone's 50639
certification has been revoked prior to the fifteenth day of June 50640
of the year in which the application is made. The application 50641
shall include an affidavit executed by the applicant verifying 50642
that the enterprise satisfies the requirements of division (A)(2) 50643
of this section. An enterprise with ten or more supervisory 50644
personnel at the facility to which a certificate applies qualifies 50645
for any subsequent renewal certificates only if it meets all of 50646
the foregoing requirements and, in addition, at least ten per cent 50647
of those supervisory personnel are employees who, when first hired 50648
by the enterprise, satisfied at least one of the criteria 50649
specified in divisions (A)(2)(a) to (e) of this section. If the 50650
enterprise qualifies, a renewal certificate shall be issued 50651
bearing as its date of issuance the thirtieth day of June of the 50652
year of application. The director shall send copies of the initial 50653

certificate, and each renewal certificate, by certified mail, to 50654
the enterprise, the tax commissioner, the board of county 50655
commissioners, and the chief executive of the municipal 50656
corporation in which the facility to which the certificate applies 50657
is located. 50658

(B) If the director determines that an enterprise is not 50659
qualified for an initial or renewal tax incentive qualification 50660
certificate, the director shall send notice of this determination, 50661
specifying the reasons for it, by certified mail, to the 50662
applicant, the tax commissioner, the board of county 50663
commissioners, and the chief executive of the municipal 50664
corporation in which the facility to which the certificate would 50665
have applied is located. Within thirty days after receiving such a 50666
notice, an enterprise may request, in writing, a hearing before 50667
the director for the purpose of reviewing the application and the 50668
reasons for the determination. Within sixty days after receiving a 50669
request for a hearing, the director shall afford one and, within 50670
thirty days after the hearing, shall issue a redetermination of 50671
the enterprise's qualification for a certificate. If the 50672
enterprise is found to be qualified, the director shall proceed in 50673
the manner provided under division (A) of this section. If the 50674
enterprise is found to be unqualified, the director shall send 50675
notice of this finding, by certified mail, to the applicant, the 50676
tax commissioner, the board of county commissioners, and the chief 50677
executive of the municipal corporation in which the facility to 50678
which the certificate would have applied is located. The 50679
director's redetermination that an enterprise is unqualified may 50680
be appealed to the board of tax appeals in the manner provided 50681
under section 5717.02 of the Revised Code. 50682

Sec. 5719.07. Subject to the rules prescribed by the tax 50683
commissioner, a county treasurer charged with the collection of 50684
delinquent taxes may issue a certificate of release of the lien 50685

provided for in section 5719.04 of the Revised Code if the amount 50686
secured thereby has been paid or omitted from the delinquent tax 50687
list and duplicate pursuant to section 5719.06 of the Revised 50688
Code. The treasurer shall issue a certificate of partial discharge 50689
of any part of the real property subject to the lien ~~if he finds~~ 50690
after finding that the value of the part of the property remaining 50691
subject to the lien is at least double the amount of the 50692
delinquent taxes and all prior liens upon such real property. Such 50693
certificate shall be filed and recorded with the county recorder 50694
of the county in which the notice of lien has been filed, for 50695
which recording the recorder shall charge a base fee of two 50696
dollars for services and a housing trust fund fee of two dollars 50697
pursuant to section 317.36 of the Revised Code. 50698

Sec. 5727.56. Any public utility whose articles of 50699
incorporation or license certificate to do or transact business in 50700
this state has expired or has been canceled or revoked by the 50701
secretary of state, as provided by law for failure to make any 50702
report or return or to pay any tax or fee, upon payment to the 50703
secretary of state of any additional fees and penalties required 50704
to be paid to ~~him~~ the secretary of state, and upon the filing with 50705
the secretary of state of a certificate from the tax commissioner 50706
that it has complied with all the requirements of law as to 50707
franchise or excise tax reports and paid all franchise or excise 50708
taxes, fees, or penalties due thereon for every year of its 50709
delinquency, and upon the payment to the secretary of state of an 50710
additional fee of ten dollars, shall be reinstated and again 50711
entitled to exercise its rights, privileges, and franchises in 50712
this state, and the secretary of state shall cancel the entry of 50713

has been made. If the connection charges are to be paid in 51449
installments, the board shall certify to the county auditor 51450

board may include amounts attributable to connection charges being 51458
paid in installments in its billings of rates and charges for the 51459
use of sanitary facilities. 51460

when due, the board may do any or all of the following as it 51462
considers appropriate: 51463

(1) Certify the unpaid rates or charges, together with any 51464

penalties, to the county auditor, who shall place them upon the 51465
real property tax list and duplicate against the property served 51466
by the connection. The certified amount shall be a lien on the 51467
property from the date placed on the real property tax list and 51468
duplicate and shall be collected in the same manner as taxes, 51469
except that, notwithstanding section 323.15 of the Revised Code, a 51470
county treasurer shall accept a payment in that amount when 51471
separately tendered as payment for the full amount of the unpaid 51472
sanitary rates or charges and associated penalties. The lien shall 51473
be released immediately upon payment in full of the certified 51474
amount. 51475

(2) Collect the unpaid rates or charges, together with any 51476
penalties, by actions at law in the name of the county from an 51477
owner, tenant, or other person or public agency that is liable for 51478
the payment of the rates or charges; 51479

(3) Terminate, in accordance with established rules, the 51480
sanitary service to the particular property and, if so determined, 51481
any county water service to that property, unless and until the 51482
unpaid sanitary rates or charges, together with any penalties, are 51483
paid in full; 51484

(4) Apply, to the extent required, any security deposit made 51485
in accordance with established rules to the payment of sanitary 51486
rates and charges for service to the particular property. 51487

All moneys collected as sanitary rates, charges, or penalties 51488
fixed or established in accordance with divisions (A) and (B) of 51489
this section for any sewer district shall be paid to the county 51490
treasurer and kept in a separate and distinct sanitary fund 51491
established by the board to the credit of the district. Except as 51492
otherwise provided in any proceedings authorizing or providing for 51493
the security for and payment of any public obligations, or in any 51494
indenture or trust or other agreement securing public obligations, 51495
moneys in the sanitary fund shall be applied first to the payment 51496

of the cost of the management, maintenance, and operation of the 51497
sanitary facilities of, or used or operated for, the district, 51498
which cost may include the county's share of management, 51499
maintenance, and operation costs under cooperative contracts for 51500
the acquisition, construction, or use of sanitary facilities and, 51501
in accordance with a cost allocation plan adopted under division 51502
(E) of this section, payment of all allowable direct and indirect 51503
costs of the district, the county sanitary engineer or sanitary 51504
engineering department, or a federal or state grant program, 51505
incurred for sanitary purposes under this chapter, and shall be 51506
applied second to the payment of debt charges payable on any 51507
outstanding public obligations issued or incurred for the 51508
acquisition or construction of sanitary facilities for or serving 51509
the district, or for the funding of a bond retirement or other 51510
fund established for the payment of or security for the 51511
obligations. Any surplus remaining may be applied to the 51512
acquisition or construction of those facilities or for the payment 51513
of contributions to be made, or costs incurred, for the 51514
acquisition or construction of those facilities under cooperative 51515
contracts. Moneys in the sanitary fund shall not be expended other 51516
than for the use and benefit of the district. 51517

(D) The board may fix reasonable rates and charges, including 51518
connection charges and penalties for late payments, to be paid by 51519
any person or public agency owning or having possession or control 51520
of any properties that are connected with, capable of being served 51521
by, or otherwise served directly or indirectly by, drainage 51522
facilities owned or operated by or under the jurisdiction of the 51523
county, including, but not limited to, properties requiring, or 51524
lying within an area of the district requiring, in the judgment of 51525
the board, the collection, control, or abatement of waters 51526
originating or accumulating in, or flowing in, into, or through, 51527
the district, and may change those rates and charges from time to 51528
time as it considers advisable. The In addition, the board may fix 51529

the rates and charges in order to pay the costs of complying with 51530
the requirements of phase II of the storm water program of the 51531
national pollutant discharge elimination system established in 40 51532
C.F.R. part 122. 51533

The rates and charges shall be payable periodically as 51534
determined by the board, except that any connection charges shall 51535
be paid in full in one payment, or, if determined by the board to 51536
be equitable in a resolution relating to the payment of those 51537
charges, provision considered adequate by the board shall be made 51538
for their payment in installments at the times, in the amounts, 51539
and with the security, carrying charges, and penalties as may be 51540
found by the board in that resolution to be fair and appropriate. 51541
The board may include amounts attributable to connection charges 51542
being paid in installments in its billings of rates and charges 51543
for the services provided by the drainage facilities. In the case 51544
of rates and charges that are fixed in order to pay the costs of 51545
complying with the requirements of phase II of the storm water 51546
program of the national pollutant discharge elimination system 51547
established in 40 C.F.R. part 122, the rates and charges may be 51548
paid annually or semiannually with real property taxes, provided 51549
that the board certifies to the county auditor information that is 51550
sufficient for the auditor to identify each parcel of property for 51551
which a rate or charge is levied and the amount of the rate or 51552
charge. 51553

When any of the drainage rates or charges are not paid when 51554
due, the board may do any or all of the following as it considers 51555
appropriate: 51556

(1) Certify the unpaid rates or charges, together with any 51557
penalties, to the county auditor, who shall place them upon the 51558
real property tax list and duplicate against the property to which 51559
the rates or charges apply. The certified amount shall be a lien 51560
on the property from the date placed on the real property tax list 51561

and duplicate and shall be collected in the same manner as taxes, 51562
except that notwithstanding section 323.15 of the Revised Code, a 51563
county treasurer shall accept a payment in that amount when 51564
separately tendered as payment for the full amount of the unpaid 51565
drainage rates or charges and associated penalties. The lien shall 51566
be released immediately upon payment in full of the certified 51567
amount. 51568

(2) Collect the unpaid rates or charges, together with any 51569
penalties, by actions at law in the name of the county from an 51570
owner, tenant, or other person or public agency that is liable for 51571
the payment of the rates or charges; 51572

(3) Terminate, in accordance with established rules, the 51573
drainage service for the particular property until the unpaid 51574
rates or charges, together with any penalties, are paid in full; 51575

(4) Apply, to the extent required, any security deposit made 51576
in accordance with established rules to the payment of drainage 51577
rates and charges applicable to the particular property. 51578

All moneys collected as drainage rates, charges, or penalties 51579
in or for any sewer district shall be paid to the county treasurer 51580
and kept in a separate and distinct drainage fund established by 51581
the board to the credit of the district. Except as otherwise 51582
provided in any proceedings authorizing or providing for the 51583
security for and payment of any public obligations, or in any 51584
indenture or trust or other agreement securing public obligations, 51585
moneys in the drainage fund shall be applied first to the payment 51586
of the cost of the management, maintenance, and operation of the 51587
drainage facilities of, or used or operated for, the district, 51588
which cost may include the county's share of management, 51589
maintenance, and operation costs under cooperative contracts for 51590
the acquisition, construction, or use of drainage facilities and, 51591
in accordance with a cost allocation plan adopted under division 51592
(E) of this section, payment of all allowable direct and indirect 51593

costs of the district, the county sanitary engineer or sanitary 51594
engineering department, or a federal or state grant program, 51595
incurred for drainage purposes under this chapter, and shall be 51596
applied second to the payment of debt charges payable on any 51597
outstanding public obligations issued or incurred for the 51598
acquisition or construction of drainage facilities for or serving 51599
the district, or for the funding of a bond retirement or other 51600
fund established for the payment of or security for the 51601
obligations. Any surplus remaining may be applied to the 51602
acquisition or construction of those facilities or for the payment 51603
of contributions to be made, or costs incurred, for the 51604
acquisition or construction of those facilities under cooperative 51605
contracts. Moneys in the drainage fund shall not be expended other 51606
than for the use and benefit of the district. 51607

(E) A board of county commissioners may adopt a cost 51608
allocation plan that identifies, accumulates, and distributes 51609
allowable direct and indirect costs that may be paid from each of 51610
the funds of the district created pursuant to divisions (C) and 51611
(D) of this section, and that prescribes methods for allocating 51612
those costs. The plan shall authorize payment from each of those 51613
funds of only those costs incurred by the district, the county 51614
sanitary engineer or sanitary engineering department, or a federal 51615
or state grant program, and those costs incurred by the general 51616
and other funds of the county for a common or joint purpose, that 51617
are necessary and reasonable for the proper and efficient 51618
administration of the district under this chapter and properly 51619
attributable to the particular fund of the district. The plan 51620
shall not authorize payment from either of the funds of any 51621
general government expense required to carry out the overall 51622
governmental responsibilities of a county. The plan shall conform 51623
to United States office of management and budget Circular A-87, 51624
"Cost Principles for State, Local, and Indian Tribal Governments," 51625
published May 17, 1995. 51626

~~hazardous waste facility board~~ shall defer decision upon the 52107

Section 3.06E. That the existing version of section 3734.44 52109
of the Revised Code that is scheduled to take effect on January 1, 52110
2004, is hereby repealed. 52111

Section 3.06F. Sections 3.06D and 3.06E of this act take 52112

effect January 1, 2004. 52113

Section 3.07. That the versions of sections 4503.234, 52114
4511.191, and 4511.75 of the Revised Code that are scheduled to 52115
take effect January 1, 2004, be amended to read as follows: 52116

Sec. 4503.234. (A) If a court is required by section 52117
4503.233, 4503.236, 4510.11, 4510.14, 4510.16, 4510.41, 4511.19, 52118
4511.193, or 4511.203 of the Revised Code to order the criminal 52119
forfeiture of a vehicle, the order shall be issued and enforced in 52120
accordance with this division, subject to division (B) of this 52121
section. An order of criminal forfeiture issued under this 52122
division shall authorize an appropriate law enforcement agency to 52123
seize the vehicle ordered criminally forfeited upon the terms and 52124
conditions that the court determines proper. No vehicle ordered 52125
criminally forfeited pursuant to this division shall be considered 52126
contraband for purposes of section 2933.41, 2933.42, or 2933.43 of 52127
the Revised Code, but the law enforcement agency that employs the 52128
officer who seized it shall hold the vehicle for disposal in 52129
accordance with this section. A forfeiture order may be issued 52130
only after the offender has been provided with an opportunity to 52131
be heard. The prosecuting attorney shall give the offender written 52132
notice of the possibility of forfeiture by sending a copy of the 52133
relevant uniform traffic ticket or other written notice to the 52134
offender not less than seven days prior to the date of issuance of 52135
the forfeiture order. A vehicle is subject to an order of criminal 52136
forfeiture pursuant to this division upon the conviction of the 52137
offender of or plea of guilty by the offender to a violation of 52138
division (A) of section 4503.236, section 4510.11, 4510.14, 52139
4510.16, or 4511.203, or division (A) of section 4511.19 of the 52140
Revised Code, or a municipal ordinance that is substantially 52141
equivalent to any of those sections or divisions. 52142

(B)(1) Prior to the issuance of an order of criminal 52143

forfeiture pursuant to this section, the law enforcement agency 52144
that employs the law enforcement officer who seized the vehicle 52145
shall conduct or cause to be conducted a search of the appropriate 52146
public records that relate to the vehicle and shall make or cause 52147
to be made reasonably diligent inquiries to identify any 52148
lienholder or any person or entity with an ownership interest in 52149
the vehicle. The court that is to issue the forfeiture order also 52150
shall cause a notice of the potential order relative to the 52151
vehicle and of the expected manner of disposition of the vehicle 52152
after its forfeiture to be sent to any lienholder or person who is 52153
known to the court to have any right, title, or interest in the 52154
vehicle. The court shall give the notice by certified mail, return 52155
receipt requested, or by personal service. 52156

(2) No order of criminal forfeiture shall be issued pursuant 52157
to this section if a lienholder or other person with an ownership 52158
interest in the vehicle establishes to the court, by a 52159
preponderance of the evidence after filing a motion with the 52160
court, that the lienholder or other person neither knew nor should 52161
have known after a reasonable inquiry that the vehicle would be 52162
used or involved, or likely would be used or involved, in the 52163
violation resulting in the issuance of the order of criminal 52164
forfeiture or the violation of the order of immobilization issued 52165
under section 4503.233 of the Revised Code, that the lienholder or 52166
other person did not expressly or impliedly consent to the use or 52167
involvement of the vehicle in that violation, and that the lien or 52168
ownership interest was perfected pursuant to law prior to the 52169
seizure of the vehicle under section 4503.236, 4510.41, 4511.195, 52170
or 4511.203 of the Revised Code. If the lienholder or holder of 52171
the ownership interest satisfies the court that these criteria 52172
have been met, the court shall preserve the lienholder's or other 52173
person's lien or interest, and the court either shall return the 52174
vehicle to the holder, or shall order that the proceeds of any 52175
sale held pursuant to division (C)(2) of this section be paid to 52176

the lienholder or holder of the interest less the costs of 52177
seizure, storage, and maintenance of the vehicle. The court shall 52178
not return a vehicle to a lienholder or a holder of an ownership 52179
interest unless the lienholder or holder submits an affidavit to 52180
the court that states that the lienholder or holder will not 52181
return the vehicle to the person from whom the vehicle was seized 52182
pursuant to the order of criminal forfeiture or to any member of 52183
that person's family and will not otherwise knowingly permit that 52184
person or any member of that person's family to obtain possession 52185
of the vehicle. 52186

(3) No order of criminal forfeiture shall be issued pursuant 52187
to this section if a person with an interest in the vehicle 52188
establishes to the court, by a preponderance of the evidence after 52189
filing a motion with the court, that the person neither knew nor 52190
should have known after a reasonable inquiry that the vehicle had 52191
been used or was involved in the violation resulting in the 52192
issuance of the order of criminal forfeiture or the violation of 52193
the order of immobilization issued under section 4503.233 of the 52194
Revised Code, that the person did not expressly or impliedly 52195
consent to the use or involvement of the vehicle in that 52196
violation, that the interest was perfected in good faith and for 52197
value pursuant to law between the time of the arrest of the 52198
offender and the final disposition of the criminal charge in 52199
question, and that the vehicle was in the possession of the 52200
interest holder at the time of the perfection of the interest. If 52201
the court is satisfied that the interest holder has met these 52202
criteria, the court shall preserve the interest holder's interest, 52203
and the court either shall return the vehicle to the interest 52204
holder or order that the proceeds of any sale held pursuant to 52205
division (C) of this section be paid to the holder of the interest 52206
less the costs of seizure, storage, and maintenance of the 52207
vehicle. The court shall not return a vehicle to an interest 52208
holder unless the holder submits an affidavit to the court stating 52209

that the holder will not return the vehicle to the person from 52210
whom the holder acquired the holder's interest, nor to any member 52211
of that person's family, and the holder will not otherwise 52212
knowingly permit that person or any member of that person's family 52213
to obtain possession of the vehicle. 52214

(C) A vehicle ordered criminally forfeited to the state 52215
pursuant to this section shall be disposed of as follows: 52216

(1) It shall be given to the law enforcement agency that 52217
employs the law enforcement officer who seized the vehicle, if 52218
that agency desires to have it; 52219

(2) If a vehicle is not disposed of pursuant to division 52220
(C)(1) of this section, the vehicle shall be sold, without 52221
appraisal, if the value of the vehicle is two thousand dollars or 52222
more as determined by publications of the national auto dealer's 52223
association, at a public auction to the highest bidder for cash. 52224
Prior to the sale, the prosecuting attorney in the case shall 52225
cause a notice of the proposed sale to be given in accordance with 52226
law. The court shall cause notice of the sale of the vehicle to be 52227
published in a newspaper of general circulation in the county in 52228
which the court is located at least seven days prior to the date 52229
of the sale. The proceeds of a sale under this division or 52230
division (F) of this section shall be applied in the following 52231
order: 52232

(a) First, they shall be applied to the payment of the costs 52233
incurred in connection with the seizure, storage, and maintenance 52234
of, and provision of security for, the vehicle, any proceeding 52235
arising out of the forfeiture, and if any, the sale. 52236

(b) Second, the remaining proceeds after compliance with 52237
division (C)(2)(a) of this section, shall be applied to the 52238
payment of the value of any lien or ownership interest in the 52239
vehicle preserved under division (B) of this section. 52240

(c) Third, the remaining proceeds, after compliance with 52241
divisions (C)(2)(a) and (b) of this section, shall be applied to 52242
the appropriate funds in accordance with divisions (D)(1)(c) and 52243
(2) of section 2933.43 of the Revised Code, provided that the 52244
total of the amount so deposited under this division shall not 52245
exceed one thousand dollars. The remaining proceeds deposited 52246
under this division shall be used only for the purposes authorized 52247
by those divisions and division (D)(3)(a)(ii) of that section. 52248

(d) Fourth, the remaining proceeds after compliance with 52249
divisions (C)(2)(a) and (b) of this section and after deposit of a 52250
total amount of one thousand dollars under division (C)(2)(c) of 52251
this section shall be applied so that ~~fifty~~ seventy-five per cent 52252
of those remaining proceeds is paid into the reparation fund 52253
established by section 2743.191 of the Revised Code, ~~twenty-five~~ 52254
~~per cent is paid into the drug abuse resistance education programs~~ 52255

applied to the appropriate funds in accordance with division 52259
(D)(1)(c) of section 2933.43 of the Revised Code. The proceeds 52260
deposited into any fund described in section 2933.43 of the 52261
Revised Code shall be used only for the purposes authorized by 52262
division (D)(1)(c), (2), and (3)(a)(ii) of that section. 52263

(D) Except as provided in division (E) of section 4511.203 of 52264
the Revised Code and notwithstanding any other provision of law, 52265
neither the registrar of motor vehicles nor any deputy registrar 52266
shall accept an application for the registration of any motor 52267
vehicle in the name of any person, or register any motor vehicle 52268
in the name of any person, if both of the following apply: 52269

(1) Any vehicle registered in the person's name was 52270
criminally forfeited under this section and section 4503.233, 52271
4503.236, 4510.10, 4510.11, 4510.14, 4510.16, 4510.161, 4510.41, 52272

4511.193, or 4511.203 of the Revised Code to order the criminal 52279
forfeiture to the state of a vehicle, and the title to the motor 52280
vehicle is assigned or transferred, and division (B)(2) or (3) of 52281
this section applies, in addition to or independent of any other 52282
penalty established by law, the court may fine the offender the 52283
value of the vehicle as determined by publications of the national 52284
auto dealer's association. The proceeds from any fine imposed 52285
under this division shall be distributed in accordance with 52286
division (C)(2) of this section. 52287

(F) As used in this section and divisions (D)(1)(c), (D)(2), 52288

direct that the vehicle be disposed of in any manner that it 52299
considers appropriate, including assignment of the certificate of 52300
title to the motor vehicle to a salvage dealer or a scrap metal 52301
processing facility. The court shall not transfer the vehicle to 52302
the person who is the vehicle's immediate previous owner. 52303

If the court assigns the motor vehicle to a salvage dealer or scrap metal processing facility and the court is in possession of the certificate of title to the motor vehicle, it shall send the assigned certificate of title to the motor vehicle to the clerk of the court of common pleas of the county in which the salvage dealer or scrap metal processing facility is located. The court shall mark the face of the certificate of title with the words "FOR DESTRUCTION" and shall deliver a photocopy of the certificate of title to the salvage dealer or scrap metal processing facility for its records.

section applies and specifies a different class or length of 52367
suspension, the suspension shall be a class C suspension for the 52368
period of time specified in division (B)(3) of section 4510.02 of 52369
the Revised Code. 52370

of the Revised Code or in violation of a municipal OVI ordinance, 52456
if the offense for which the conviction is had or the plea is 52457
entered arose from the same incident that led to the suspension or 52458
denial. 52459

The registrar shall credit against any judicial suspension of 52460

a person's driver's or commercial driver's license or permit or 52461
nonresident operating privilege imposed pursuant to section 52462

Revised Code for a violation of a municipal OVI ordinance, any 52464
time during which the person serves a related suspension imposed 52465
pursuant to division (C)(1) of this section. 52466

(D)(1) A suspension of a person's driver's or commercial 52467
driver's license or permit or nonresident operating privilege 52468
under this section for the time described in division (B) or (C) 52469
of this section is effective immediately from the time at which 52470
the arresting officer serves the notice of suspension upon the 52471
arrested person. Any subsequent finding that the person is not 52472
guilty of the charge that resulted in the person being requested 52473
to take the chemical test or tests under division (A) of this 52474
section does not affect the suspension. 52475

(2) If a person is arrested for operating a vehicle, 52476
streetcar, or trackless trolley in violation of division (A) or 52477
(B) of section 4511.19 of the Revised Code or a municipal OVI 52478

court pursuant to section 4511.197 of the Revised Code regarding 52488
the issues specified in that division. 52489

(E) When it finally has been determined under the procedures 52490
of this section and sections 4511.192 through 4511.197 of the 52491

(1) PROSECUTION COSTS 54455

office. 54470

(c) Twice each year, the Office of Criminal Justice Services 54471
shall designate counties to receive grants from those counties 54472
that have submitted one or more applications in compliance with 54473
the rules that have been adopted by the Office of Criminal Justice 54474
Services for the receipt of such grants. In each year's first 54475

cases involving a felony of the first degree; and third priority 54484

to provide additional reimbursement for the costs incurred by 54516
counties in providing defense to indigent defendants pursuant to 54517
Chapter 120. of the Revised Code. 54518

The amount to be disbursed to each county shall be allocated 54519
proportionately on the basis of the total amount of reimbursement 54520
paid to each county as a percentage of the amount of reimbursement 54521
paid to all of the counties during the most recent state fiscal 54522
year for which data is available and as calculated by the Ohio 54523
Public Defender Commission. 54524

 expenditures in administering the programs of the Technology 54682
 Division. 54683

Section 38.02. SMALL BUSINESS DEVELOPMENT 54684

The foregoing appropriation item 195-404, Small Business 54685

In addition, the Office of Small Business may operate the 54701
1st-Stop Business Connection and implement and coordinate the 54702

deemed appropriate to meet an extraordinary economic development 54741
opportunity or need. 54742

Development Grants, may be expended only after the submission of a 54744

comprehensive preschool programs. As used in this section, "school 55252
district" means a city, local, exempted village, or joint 55253
vocational school district, or an educational service center. 55254

(A) In each fiscal year, up to two per cent of the total 55255
appropriation may be used by the department for program support 55256
and technical assistance; developing program capacity; and 55257
assisting programs with facilities planning, construction, 55258
renovation, or lease agreements in conjunction with the Community 55259
Development Finance Fund (CDFF). The Department shall distribute 55260
the remainder of the appropriation in each fiscal year to serve 55261
children from families earning not more than 185 per cent of the 55262
federal poverty guidelines. 55263

(B) The department shall provide an annual report to the 55264
Governor, the Speaker of the House of Representatives, the 55265
President of the Senate, the State Board of Education, Head Start 55266
grantees, and other interested parties. The report shall include: 55267

(1) The number and per cent of eligible children by county 55268
and by school district; 55269

(2) The amount of state funds allocated for continuation per 55270
school district; 55271

(3) The amount of state funds received for continuation per 55272

(5) A summary of developmental progress of children 55276
participating in the state-funded public preschool program; 55277

(6) Any other data reflecting the performance of public 55278
preschool programs that the department considers pertinent. 55279

(C) For purposes of this section, "eligible child" means a 55280
child who is at least three years of age, is not eligible for 55281
kindergarten, and whose family earns not more than 185 per cent of 55282

(D) The department may reallocate unobligated or unspent 55284
money to participating school districts for purposes of program 55285

All recipients of funds shall maintain such fiscal control 55291
and accounting procedures as may be necessary to ensure the 55292

funds provided in this program, and title to property obtained 55294
therefrom, shall be under the authority of the approved recipient 55295
for purposes provided in the program unless, as described in 55296
division (J) of this section, a preschool program waives its right 55297
for funding or a program's funding is eliminated or reduced due to 55298
its inability to meet financial or program performance standards. 55299
The approved recipient shall administer and use such property and 55300
funds for the purposes specified. 55301

(F) The department shall prescribe target levels for critical 55302
performance indicators for the purpose of assessing public 55303
preschool programs. On-site reviews and follow-up visits shall be 55304
based on progress in meeting the prescribed target levels. 55305

(G) The Department may examine a recipient's financial and 55306
program records. If the financial practices of the program are not 55307
in accordance with standard accounting principles or do not meet 55308
financial standards outlined under division (E) of this section, 55309
or if the program fails to substantially meet the Head Start 55310

performance standards or exhibits below average performance as 55311
measured against the performance indicators outlined in division 55312
(F) of this section, the preschool program shall propose and 55313
implement a corrective action plan that has been approved by the 55314
Department. The approved corrective action plan shall be signed by 55315
the school district board of education and the appropriate grantee 55316
official. The corrective action plan shall include a schedule for 55317
monitoring by the Department. Such monitoring may include monthly 55318
reports, inspections, a timeline for correction of deficiencies, 55319
and technical assistance to be provided by the Department or 55320
obtained by the public preschool program. The Department may 55321
withhold funding pending corrective action. If a public preschool 55322
program fails to satisfactorily complete a corrective action plan, 55323
the Department may either deny expansion funding to the program or 55324
withdraw all or part of the public preschool funding from the 55325
agency and establish a new state-funded agency through a 55326
competitive bidding process established by the Department. 55327

(H) The department shall require public preschool programs to 55328
document child progress, using research-based indicators as 55329
prescribed by the department, and report results annually. The 55330
department shall determine the dates for documenting and 55331
reporting. 55332

(I) Each school district shall develop a sliding fee scale 55333
based on family incomes in the district and shall charge families 55334
who earn more than the federal poverty guidelines for preschool. 55335

(J) If a public preschool program voluntarily waives its 55336
right for funding, or has its funding eliminated for not meeting 55337
financial standards or program performance standards, the grantee 55338
and delegate shall transfer control of title to property, 55339
equipment, and remaining supplies obtained through the program to 55340
designated grantees and return any unexpended funds to the 55341
Department along with any reports prescribed by the Department. 55342

The funding made available from a program that waives its right 55343
for funding or has its funding eliminated or reduced may be used 55344
by the Department for new grant awards or expansion grants. The 55345
Department may award new grants or expansion grants to eligible 55346
providers who apply. The eligible providers who apply must do so 55347
in accordance with the competitive bidding process established by 55348
the Department. 55349

Any such changes shall be reported two weeks prior to the 56348
effective date of the change. 56349

Section 40.24. DISTRIBUTION - SCHOOL DISTRICT SUBSIDY 56350
PAYMENTS 56351

This section shall not take effect unless the Director of 56352
Budget and Management adopts an order putting it into effect and 56353
certifies a copy of the order to the Superintendent of Public 56354
Instruction and the Controlling Board. 56355

Notwithstanding any other provision of the Revised Code, the 56356
monthly distribution of payments made to school districts and 56357
educational service centers pursuant to section 3317.01 of the 56358
Revised Code for the first six months of each fiscal year shall 56359
equal, as nearly as possible, six and two-thirds per cent of the 56360
estimate of the amounts payable for each fiscal year. The monthly 56361

distribution of payments for the last six months of each fiscal year shall equal, as nearly as possible, ten per cent of the final calculation of the amounts payable to each school district for that fiscal year.

The treasurer of each school district or educational service center may accrue, in addition to the payments defined in this section, to the accounts of the calendar years that end during each fiscal year, the difference between the sum of the first six months' payments in each fiscal year and the amounts the district would have received had the payments been made in, as nearly as possible in each fiscal year, twelve equal monthly payments.

Notwithstanding the limitations on the amount of borrowing and time of payment provided for in section 133.10 of the Revised Code but subject to sections 133.26 and 133.30 of the Revised Code, a board of education of a school district may at any time between July 1, 2003, and December 31, 2003, or at any time between July 1, 2004, and December 31, 2004, borrow money to pay any necessary and actual expenses of the school district during the last six months of calendar years 2003 and 2004 and in anticipation of the receipt of any portion of the payments to be received by that district in the first six months of calendar years 2004 and 2005 representing the respective amounts accrued pursuant to the preceding paragraph, and issue notes to evidence that borrowing to mature not later than the thirtieth day of June of the calendar year following the calendar year in which such amount was borrowed. The principal amount borrowed in the last six months of calendar years 2003 or 2004 under this paragraph may not exceed the entire amount accrued or to be accrued by the district treasurer in those calendar years pursuant to the preceding paragraph. The proceeds of the notes shall be used only for the purposes for which the anticipated receipts are lawfully appropriated by the board of education. No board of education

shall be required to use the authority granted by this paragraph. 56394
The receipts so anticipated, and additional amounts from 56395
distributions to the districts in the first six months of calendar 56396
years 2004 and 2005 pursuant to Chapter 3317. of the Revised Code 56397
needed to pay the interest on the notes, shall be deemed 56398
appropriated by the board of education to the extent necessary for 56399
the payment of the principal of and interest on the notes at 56400
maturity, and the amounts necessary to make those monthly 56401
distributions are appropriated from the General Revenue Fund. For 56402
the purpose of better ensuring the prompt payment of principal of 56403
and interest on the notes when due, the resolution of the board of 56404
education authorizing the notes may direct that the amount of the 56405
receipts anticipated, together with those additional amounts 56406
needed to pay the interest on the borrowed amounts, shall be 56407
deposited and segregated, in trust or otherwise, to the extent, at 56408
the time or times, and in the manner provided in that resolution. 56409
The borrowing authorized by this section does not constitute debt 56410
for purposes of section 133.04 of the Revised Code. School 56411
districts shall be reimbursed by the state for all necessary and 56412
actual costs to districts arising from this provision, including, 56413
without limitation, the interest paid on the notes while the notes 56414
are outstanding. The Department of Education shall adopt rules 56415
that are not inconsistent with this section for school district 56416
eligibility and application for reimbursement of such costs. 56417
Payments of these costs shall be made out of any anticipated 56418
balances in appropriation items distributed under Chapter 3317. of 56419
the Revised Code. The department shall submit all requests for 56420
reimbursement under these provisions to the Controlling Board for 56421
approval. 56422

During the last six months of each calendar year, instead of 56423
deducting the amount the Superintendent of Public Instruction 56424
would otherwise deduct from a school district's or educational 56425
service center's state aid payments in accordance with the 56426

certifications made for such year pursuant to sections 3307.56 and 56427
3309.51 of the Revised Code, the superintendent shall deduct an 56428
amount equal to forty per cent of the amount so certified. The 56429
secretaries of the retirement systems shall compute the 56430
certifications for the ensuing year under such sections as if the 56431
entire amounts certified as due in the calendar year ending the 56432
current fiscal year, but not deducted pursuant to this paragraph, 56433
had been deducted and paid in that calendar year. During the first 56434
six months of the ensuing calendar year, in addition to deducting 56435
the amounts the Superintendent of Public Instruction is required 56436
to deduct under such sections during such period, the 56437
superintendent shall deduct from a district's or educational 56438
service center's state aid payments an additional amount equal to 56439
the amount that was certified as due from the district for the 56440
calendar year that ends during the fiscal year, but that was not 56441
deducted because of this paragraph. The superintendent's 56442
certifications to the Director of Budget and Management during the 56443
first six months of the calendar year shall reflect such 56444
additional deduction. 56445

Section 40.25. EDUCATIONAL SERVICE CENTERS FUNDING 56446

Notwithstanding division (B) of section 3317.11 of the 56447
Revised Code, no funds shall be provided to an educational service 56448
center in either fiscal year for any pupils of a city or exempted 56449
village school district unless an agreement to provide services 56450
under section 3313.843 of the Revised Code was entered into by 56451
January 1, 1997, except that funds shall be provided to an 56452
educational service center for any pupils of a city school 56453
district if the agreement to provide services was entered into 56454
within one year of the date upon which such district changed from 56455
a local school district to a city school district. If insufficient 56456
funds are appropriated in fiscal year 2004 or fiscal year 2005 for 56457
the purposes of division (B) of section 3317.11 of the Revised 56458

Code, the Department shall first distribute to each educational 56459
service center \$37 per pupil in its service center ADM, as defined 56460
in that section. The remaining funds in each fiscal year shall be 56461
distributed proportionally, on a per-student basis, to each 56462
educational service center for its client ADM, as defined in that 56463
section, that is attributable to each city and exempted village 56464
school district that had entered into an agreement with an 56465
educational service center for that fiscal year under section 56466
3313.843 of the Revised Code by January 1, 1997. 56467

Section 40.26. * For the school year commencing July 1, 2003, 56468
or the school year commencing July 1, 2004, or both, the 56469
Superintendent of Public Instruction may waive for the board of 56470
education of any school district the ratio of teachers to pupils 56471
in kindergarten through fourth grade required under paragraph 56472
(A)(3) of rule 3301-35-05 of the Administrative Code if the 56473
following conditions apply: 56474

(A) The board of education requests the waiver. 56475

(B) After the Department of Education conducts an on-site 56476
evaluation of the district related to meeting the required ratio, 56477
the board of education demonstrates to the satisfaction of the 56478
Superintendent of Public Instruction that providing the facilities 56479
necessary to meet the required ratio during the district's regular 56480
school hours with pupils in attendance would impose an extreme 56481
hardship on the district. 56482

(C) The board of education provides assurances that are 56483
satisfactory to the Superintendent of Public Instruction that the 56484
board will act in good faith to meet the required ratio as soon as 56485
possible. 56486

Section 40.27. PRIVATE TREATMENT FACILITY PILOT PROJECT 56487

(A) As used in this section: 56488

(1) The following are "participating residential treatment centers":	56489 56490
(a) Private residential treatment facilities that have entered into a contract with the Department of Youth Services to provide services to children placed at the facility by the Department and which, in fiscal year 2004 or fiscal year 2005 or both, the Department pays through appropriation item 470-401, Care and Custody;	56491 56492 56493 56494 56495 56496
(b) Abraxas, in Shelby;	56497
(c) Paint Creek, in Bainbridge;	56498
(d) Act One, in Akron;	56499
(e) Friars Club, in Cincinnati.	56500
(2) "Education program" means an elementary or secondary education program or a special education program and related services.	56501 56502 56503
(3) "Served child" means any child receiving an education program pursuant to division (B) of this section.	56504 56505
(4) "School district responsible for tuition" means a city, exempted village, or local school district that, if tuition payment for a child by a school district is required under law that existed in fiscal year 1998, is the school district required to pay that tuition.	56506 56507 56508 56509 56510
(5) "Residential child" means a child who resides in a participating residential treatment center and who is receiving an educational program under division (B) of this section.	56511 56512 56513
(B) A youth who is a resident of the state and has been assigned by a juvenile court or other authorized agency to a residential treatment facility specified in division (A) of this section shall be enrolled in an approved educational program located in or near the facility. Approval of the educational	56514 56515 56516 56517 56518

program shall be contingent upon compliance with the criteria 56519
established for such programs by the Department of Education. The 56520
educational program shall be provided by a school district or 56521
educational service center, or by the residential facility itself. 56522
Maximum flexibility shall be given to the residential treatment 56523
facility to determine the provider. In the event that a voluntary 56524
agreement cannot be reached and the residential facility does not 56525
choose to provide the educational program, the educational service 56526
center in the county in which the facility is located shall 56527
provide the educational program at the treatment center to 56528
children under twenty-two years of age residing in the treatment 56529
center. 56530

(C) Any school district responsible for tuition for a 56531
residential child shall, notwithstanding any conflicting provision 56532
of the Revised Code regarding tuition payment, pay tuition for the 56533
child for fiscal year 2004 and fiscal year 2005 to the education 56534
program provider and in the amount specified in this division. If 56535
there is no school district responsible for tuition for a 56536
residential child and if the participating residential treatment 56537
center to which the child is assigned is located in the city, 56538
exempted village, or local school district that, if the child were 56539
not a resident of that treatment center, would be the school 56540
district where the child is entitled to attend school under 56541
sections 3313.64 and 3313.65 of the Revised Code, that school 56542
district, notwithstanding any conflicting provision of the Revised 56543
Code, shall pay tuition for the child for fiscal year 2004 and 56544
fiscal year 2005 under this division unless that school district 56545
is providing the educational program to the child under division 56546
(B) of this section. 56547

A tuition payment under this division shall be made to the 56548
school district, educational service center, or residential 56549
treatment facility providing the educational program to the child. 56550

The amount of tuition paid shall be: 56551

(1) The amount of tuition determined for the district under 56552
division (A) of section 3317.08 of the Revised Code; 56553

(2) In addition, for any student receiving special education 56554
pursuant to an individualized education program as defined in 56555
section 3323.01 of the Revised Code, a payment for excess costs. 56556
This payment shall equal the actual cost to the school district, 56557
educational service center, or residential treatment facility of 56558
providing special education and related services to the student 56559
pursuant to the student's individualized education program, minus 56560
the tuition paid for the child under division (C)(1) of this 56561
section. 56562

A school district paying tuition under this division shall 56563
not include the child for whom tuition is paid in the district's 56564
average daily membership or average daily attendance certified 56565
under division (A) of section 3317.03 or section 3317.034 of the 56566
Revised Code. 56567

(D) In each of fiscal years 2004 and 2005, the Department of 56568
Education shall reimburse, from appropriations made for the 56569
purpose, a school district, educational service center, or 56570
residential treatment facility, whichever is providing the 56571
service, that has demonstrated that it is in compliance with the 56572
funding criteria for each served child for whom a school district 56573
must pay tuition under division (C) of this section. The amount of 56574
the reimbursement shall be the formula amount specified in section 56575
3317.022 of the Revised Code, except that the department shall 56576
proportionately reduce this reimbursement if sufficient funds are 56577
not available to pay this amount to all qualified providers. 56578

(E) Funds provided to a school district, educational service 56579
center, or residential treatment facility under this section shall 56580
be used to supplement, not supplant, funds from other public 56581

sources for which the school district, service center, or 56582
residential treatment facility is entitled or eligible. 56583

(F) The Department of Education shall track the utilization 56584
of funds provided to school districts, educational service 56585
centers, and residential treatment facilities under this section 56586
and monitor the effect of the funding on the educational programs 56587
they provide in participating residential treatment facilities. 56588
The department shall monitor the programs for educational 56589
accountability. 56590

Section 40.28. SCHOOL DISTRICT PARTICIPATION IN NATIONAL 56591
ASSESSMENT OF EDUCATION PROGRESS 56592

The General Assembly intends for the Superintendent of Public 56593
Instruction to provide for school district participation in the 56594
administration of the National Assessment of Education Progress in 56595
accordance with section 3301.27 of the Revised Code. 56596

Section 40.29. Notwithstanding division (C)(1) of section 56597
3313.975 of the Revised Code, in addition to students in 56598
kindergarten through third grade, initial scholarships may be 56599
awarded to fourth, fifth, sixth, seventh, and eighth grade 56600
students in fiscal year 2004 and in fiscal year 2005. 56601

Section 40.30. STATEMENT OF STATE SHARE PERCENTAGE FOR BASE 56602
COST AND PARITY AID FUNDING 56603

Pursuant to division (D)(3) of section 3317.012 of the 56604
Revised Code, and based on the most recent data available prior to 56605
the enactment of this act, the General Assembly has determined 56606
that the state share percentage of base cost and parity aid 56607
funding for the update year (fiscal year 2002) is 49.0%. This is 56608
the target percentage for fiscal year 2004 and fiscal year 2005 56609
that the General Assembly shall use to fulfill its obligation 56610

under division (D)(4) of section 3317.012 of the Revised Code. 56611

Pursuant to division (D)(4) of section 3317.012 of the 56612
Revised Code, and based on the most recent data available prior to 56613
the enactment of this act, the General Assembly has determined 56614
that the state share percentage of base cost and parity aid 56615
funding for fiscal year 2004 is 46.5% and for fiscal year 2005 is 56616
48.6%. This determination fulfills the General Assembly's 56617
obligation under that division for fiscal year 2004 and fiscal 56618
year 2005. 56619

Section 40.31. DEPARTMENT OF EDUCATION APPROPRIATION 56620
TRANSFERS FOR STUDENT ASSESSMENT 56621

In fiscal year 2004 and fiscal year 2005, if the 56622
Superintendent of Public Instruction determines that additional 56623
funds are needed to fully fund the requirements of Am. Sub. S.B. 1 56624
of the 124th General Assembly for assessments of student 56625
performance, the Superintendent of Public Instruction may 56626
recommend the reallocation of unspent and unencumbered 56627
appropriations within the Department of Education to the General 56628
Revenue Fund appropriation item 200-437, Student Assessment, to 56629
the Director of Budget and Management. If the Director of Budget 56630
and Management determines that such a reallocation is required, 56631
the Director of Budget and Management may transfer unspent and 56632
unencumbered funds within the Department of Education as necessary 56633
to appropriation item 200-437, Student Assessment. 56634

Section 40.32. THE ENHANCED URBAN ATTENDANCE IMPROVEMENT 56635
INITIATIVE 56636

The earmarked funds within appropriation item 200-501, Base 56637
Cost Funding, for the Enhanced Urban Attendance Improvement 56638
Initiative in Big Eight districts shall be distributed to each Big 56639
Eight school district in fiscal years 2004 and 2005 in accordance 56640

with the following formula: 56641

(District attendance rate in the current fiscal year - district 56642
attendance rate in fiscal year 2003) X district average daily 56643
attendance in fiscal year 2003 X the formula amount X the state 56644
funding percentage 56645

Where: 56646

(A) The district attendance rate in the current fiscal year 56647
equals the quotient of the total attendance days for the current 56648
fiscal year divided by the sum of total attendance days plus the 56649
total excused and unexcused absence days for the current fiscal 56650
year, as calculated by the Department of Education based on 56651
average daily attendance data reported under section 3317.034 of 56652
the Revised Code and other data reported under section 3301.0714 56653
of the Revised Code. 56654

(B) The district attendance rate in fiscal year 2003 equals 56655
the quotient of the total attendance days for that fiscal year 56656
divided by the sum of total attendance days plus the total excused 56657
and unexcused absence days for that fiscal year, as calculated by 56658
the Department of Education using data comparable to the data 56659
described in division (A) of this section. 56660

(C) The average daily attendance for fiscal year 2003 is 56661
calculated by the Department in a manner comparable to the 56662
calculation of average daily attendance under section 3317.034 of 56663
the Revised Code. 56664

(D) "Formula amount" has the same meaning as in section 56665
3317.02 of the Revised Code. 56666

(E) The state funding percentage equals 50%, unless in either 56667
fiscal year the amount calculated under this section exceeds the 56668
amount of the funds earmarked for this initiative, in which case 56669
the Department shall adjust the state funding percentage so that 56670
the aggregate funding distributed under this section shall not 56671

exceed the amount earmarked for this initiative. 56672

If the result of this calculation is less than zero for any 56673
Big Eight school district, the district's payment under this 56674
section is zero. 56675

Section 40.33. TRANSITIONAL AID FOR FISCAL YEAR 2004 AND 56676
FISCAL YEAR 2005 56677

The Department of Education shall distribute earmarked funds 56678
within appropriation item 200-501, Base Cost Funding, for the 56679
transitional aid for fiscal year 2004 and fiscal year 2005 to each 56680
city, local, and exempted village school district that experiences 56681
a decrease in its SF-3 funding plus charge-off supplement for the 56682
current fiscal year in excess of five per cent of its SF-3 funding 56683
plus charge-off supplement for the previous fiscal year. The 56684
Department shall distribute to each such district an amount to 56685
reduce the decrease to five per cent of the district's SF-3 56686
funding plus charge-off supplement for the previous fiscal year. 56687
For this purpose, "SF-3 funding plus charge-off supplement" equals 56688
the sum of the following: 56689

(A) Base cost funding under division (A) of section 3317.022 56690
of the Revised Code; 56691

(B) Special education and related services additional 56692
weighted funding under division (C)(1) of section 3317.022 of the 56693
Revised Code; 56694

(C) Speech services funding under division (C)(4) of section 56695
3317.022 of the Revised Code; 56696

(D) Vocational education additional weighted funding under 56697
division (E) of section 3317.022 of the Revised Code; 56698

(E) GRADS funding under division (R) of section 3317.024 of 56699
the Revised Code; 56700

(F) Adjustments for classroom teachers and educational 56701

service personnel under divisions (B), (C), and (D) of section 3317.023 of the Revised Code;	56702 56703
(G) Disadvantaged Pupil Impact Aid under section 3317.029 of the Revised Code;	56704 56705
(H) Gifted education units under division (F) of section 3317.05 of the Revised Code;	56706 56707
(I) Equity aid under section 3317.0213 of the Revised Code;	56708
(J) Transportation under division (D) of section 3317.022 of the Revised Code;	56709 56710
(K) The state aid guarantee under section 3317.0212 of the Revised Code;	56711 56712
(L) The excess cost supplement under division (F) of section 3317.022 of the Revised Code;	56713 56714
(M) Parity aid under section 3317.0217 of the Revised Code;	56715
(N) The reappraisal guarantee under former division (C) of section 3317.04 of the Revised Code;	56716 56717
(O) The charge-off supplement under section 3317.0216 of the Revised Code.	56718 56719
In determining the distribution under this section in fiscal year 2005, the Department shall add to each district's SF-3 funding plus charge-off supplement for fiscal year 2004 any amount paid to the district under this section in fiscal year 2004.	56720 56721 56722 56723

STATE FAIR RESERVE 56910

The foregoing appropriation item 723-603, State Fair Reserve, 56911
shall serve as a budget reserve fund for the Ohio Expositions 56912
Commission in the event of a significant decline in attendance due 56913
to inclement weather or extraordinary circumstances during the 56914
Ohio State Fair resulting in a loss of revenue. The State Fair 56915
Reserve may be used by the Ohio Expositions Commission to pay 56916
bills resulting from the Ohio State Fair only if all the following 56917
criteria are met: 56918

(A) Admission revenues for the 2003 Ohio State Fair are less 56919
than \$2,542,500 or admission revenues for the 2004 Ohio State Fair 56920
are less than \$2,619,000 due to inclement weather or extraordinary 56921
circumstances. These amounts are ninety per cent of the projected 56922
admission revenues for each year. 56923

(B) The Ohio Expositions Commission declares a state of 56924
fiscal exigency and requests release of funds by the Director of 56925
Budget and Management. 56926

(C) The Director of Budget and Management releases the funds. 56927
The Director of Budget and Management may approve or disapprove 56928
the request for release of funds, may increase or decrease the 56929
amount of release, and may place such conditions as the director 56930
considers necessary on the use of the released funds. The Director 56931
of Budget and Management may transfer appropriation authority from 56932
fiscal year 2004 to fiscal year 2005 as needed. 56933

In the event that the Ohio Expositions Commission faces a 56934
temporary cash shortage that will preclude it from meeting current 56935
obligations, the Commission may request the Director of Budget and 56936
Management to approve use of the State Fair Reserve to meet those 56937
obligations. The request shall include a plan describing how the 56938
Commission will eliminate the cash shortage. If the Director of 56939
Budget and Management approves the expenditures, the Commission 56940

shall reimburse Fund 640 by the thirtieth day of June of that same 56941
fiscal year through an intrastate transfer voucher. The amount 56942
reimbursed is hereby appropriated. 56943

Of the foregoing appropriation item 723-603, State Fair 56944
Reserve, up to \$125,000 shall be transferred in fiscal year 2004 56945
to appropriation item 723-403, Junior Fair Subsidy. 56946

The OPLIN Executive Director shall biannually provide written reports to the Governor, the Speaker and Minority Leader of the House of Representatives, and the President and Minority Leader of the Senate on any steps being taken by OPLIN and public libraries in the state to limit and control such improper usage as well as information on technological, legal, and law enforcement trends nationally and internationally affecting this area of public access and service.

 pledged thereto, the bond service charges on obligations issued 59311
 pursuant to section 154.21 of the Revised Code. 59312

SEA GRANTS 59313

to improve the academic preparation and increase the number of 59333
students that enroll and succeed in higher education. 59334

MIDWEST HIGHER EDUCATION COMPACT 59335

The foregoing appropriation item 235-408, Midwest Higher 59336
Education Compact, shall be distributed by the Board of Regents 59337
pursuant to section 3333.40 of the Revised Code. 59338

INFORMATION SYSTEM 59339

shall be used by the Board of Regents to operate the higher 59341
education information data system known as the Higher Education 59342
Information System. 59343

Section 88.02. JOBS CHALLENGE 59344

Funds appropriated to appropriation item 235-415, Jobs 59345
Challenge, shall be distributed to state-assisted community and 59346
technical colleges, regional campuses of state-assisted 59347
universities, and other organizationally distinct and identifiable 59348
member campuses of the EnterpriseOhio Network in support of 59349
noncredit job-related training. In each fiscal year, \$2,770,773 59350
shall be distributed as performance grants to EnterpriseOhio 59351
Network campuses based upon each campus's documented performance 59352
according to criteria established by the Board of Regents for 59353
increasing training and related services to businesses, 59354
industries, and public sector organizations. 59355

Of the foregoing appropriation item 235-415, Jobs Challenge, 59356
\$2,819,345 in each fiscal year shall be allocated to the Targeted 59357
Industries Training Grant Program to attract, develop, and retain 59358
business and industry strategically important to the state's 59359
economy. 59360

Also, in each fiscal year, \$3,758,182 shall be allocated to 59361
the Higher Skills Incentives Program to promote and deliver 59362
coordinated, comprehensive training to local employers and to 59363
reward EnterpriseOhio Network campuses for increasing the amount 59364
of non-credit skill upgrading services provided to Ohio employers 59365
and employees. The funds shall be distributed to campuses in 59366
proportion to each campus's share of noncredit job-related 59367
training revenues received by all campuses for the previous fiscal 59368
year. It is the intent of the General Assembly that this Higher 59369
Skills Incentives component of the Jobs Challenge Program reward 59370
campus noncredit job-related training efforts in the same manner 59371
that the Research Challenge Program rewards campuses for their 59372
ability to obtain sponsored research revenues. 59373

OHIO LEARNING NETWORK 59374

Appropriation item 235-417, Ohio Learning Network, shall be used by the Board of Regents to support the continued implementation of the Ohio Learning Network, a statewide electronic collaborative effort designed to promote degree completion of students, workforce training of employees, and professional development through the use of advanced telecommunications and distance education initiatives.

ACCESS CHALLENGE

In each fiscal year, the foregoing appropriation item 235-418, Access Challenge, shall be distributed to Ohio's state-assisted access colleges and universities. For the purposes of this allocation, "access campuses" includes state-assisted community colleges, state community colleges, technical colleges, Shawnee State University, Central State University, Cleveland State University, the regional campuses of state-assisted universities, and, where they are organizationally distinct and identifiable, the community-technical colleges located at the University of Cincinnati, Youngstown State University, and the University of Akron.

The purpose of Access Challenge is to reduce the student share of costs for resident undergraduates enrolled in lower division undergraduate courses at Ohio's access campuses. The long-term goal is to make the student share of costs for these students equivalent to the student share of costs for resident undergraduate students enrolled throughout Ohio's public colleges and universities. Access Challenge appropriations shall be used in both years of the biennium to sustain, as much as possible, the tuition restraint or tuition reduction that was achieved with Access Challenge allocations in prior years.

In fiscal year 2004, Access Challenge subsidies shall be distributed by the Board of Regents to eligible access campuses on

the basis of the average of each campus's share of fiscal year 2001 and 2002 all-terms subsidy-eligible General Studies FTEs. In fiscal year 2005, Access Challenge subsidies shall be distributed by the Board of Regents to eligible access campuses on the basis of the average of each campus's share of fiscal year 2002 and 2003 all-terms subsidy-eligible General Studies FTEs.

For the purposes of this calculation, Cleveland State University's enrollments shall be adjusted by the ratio of the sum of subsidy-eligible lower-division FTE student enrollments eligible for access funding to the sum of subsidy-eligible General Studies FTE student enrollments at Central State University and Shawnee State University, and for the following universities and their regional campuses: the Ohio State University, Ohio University, Kent State University, Bowling Green State University, Miami University, the University of Cincinnati, the University of Akron, and Wright State University.

SUCCESS CHALLENGE

The foregoing appropriation item 235-420, Success Challenge, shall be used by the Board of Regents to promote degree completion by students enrolled at a main campus of a state-assisted university.

In each fiscal year, two-thirds of the appropriations shall be distributed to state-assisted university main campuses in proportion to each campus's share of the total statewide bachelor's degrees granted by university main campuses to "at-risk" students. In fiscal years 2004 and 2005, an "at-risk" student means any undergraduate student who was eligible to receive an Ohio Instructional Grant during the past ten years. An eligible institution shall not receive its share of this distribution until it has submitted a plan that addresses how the subsidy will be used to better serve at-risk students and increase their likelihood of successful completion of a bachelor's degree

program. The Board of Regents shall disseminate to all 59438
state-supported institutions of higher education all such plans 59439
submitted by institutions that received Success Challenge funds. 59440

In each fiscal year, one-third of the appropriations shall be 59441
distributed to university main campuses in proportion to each 59442
campus's share of the total bachelor's degrees granted by 59443
university main campuses to undergraduate students who completed 59444
their bachelor's degrees in a "timely manner" in the previous 59445
fiscal year. For the purposes of this section, "timely manner" 59446
means the normal time it would take for a full-time degree-seeking 59447
undergraduate student to complete the student's degree. Generally, 59448
for such students pursuing a bachelor's degree, "timely manner" 59449
means four years. Exceptions to this general rule shall be 59450
permitted for students enrolled in programs specifically designed 59451
to be completed in a longer time period. The Board of Regents 59452
shall collect data to assess the timely completion statistics by 59453
university main campuses. 59454

APPALACHIAN NEW ECONOMY PARTNERSHIP 59455

The foregoing appropriation item 235-428, Appalachian New 59456
Economy Partnership, shall be distributed to Ohio University to 59457
continue a multi-campus and multi-agency coordinated effort to 59458
link Appalachia to the new economy. Ohio University shall use 59459
these funds to provide leadership in the development and 59460
implementation of initiatives in the areas of entrepreneurship, 59461
management, education, and technology. 59462

EMINENT SCHOLARS 59463

The foregoing appropriation item 235-451, Eminent Scholars, 59464
shall be used by the Ohio Board of Regents to establish an Ohio 59465
Eminent Scholars Program, the purpose of which is to invest 59466
educational resources to address problems that are of vital 59467
statewide significance while fostering the growth in eminence of 59468

Ohio's academic programs. Ohio Eminent Scholars endowed chairs 59469
will allow Ohio universities to recruit senior faculty members 59470
from outside Ohio who are nationally and internationally 59471
recognized scholars in areas of science and technology that 59472
provide the basic research platforms on which our technology and 59473
commercialization efforts are built. Endowment grants of 59474
approximately \$750,000 to state colleges and universities and 59475
nonprofit Ohio institutions of higher education holding 59476
certificates of authorization issued under section 1713.02 of the 59477
Revised Code to match endowment gifts from nonstate sources may be 59478
made in accordance with a plan established by the Ohio Board of 59479
Regents. Matching nonstate gifts in science and technology 59480
programs shall be \$750,000. The grants shall have as their purpose 59481
attracting and sustaining in Ohio scholar-leaders of national or 59482
international prominence; each will assist in accelerating state 59483
economic growth through research that provides an essential basic 59484
science platform for commercialization efforts. Such 59485
scholar-leaders shall, among their duties, share broadly the 59486
benefits and knowledge unique to their fields of scholarship to 59487
the betterment of Ohio and its people and collaborate with other 59488
state technology programs and program recipients. 59489

RESEARCH CHALLENGE 59490

The foregoing appropriation item 235-454, Research Challenge, 59491
shall be used to enhance the basic research capabilities of public 59492
colleges and universities and accredited Ohio institutions of 59493
higher education holding certificates of authorization issued 59494
pursuant to section 1713.02 of the Revised Code, in order to 59495
strengthen academic research for pursuing Ohio's economic 59496
development goals. The Board of Regents, in consultation with the 59497
colleges and universities, shall administer the Research Challenge 59498
Program and utilize a means of matching, on a fractional basis, 59499
external funds attracted in the previous year by institutions for 59500

basic research. The program may include incentives for increasing 59501
the amount of external research funds coming to eligible 59502
institutions and for focusing research efforts upon critical state 59503
needs. Colleges and universities shall submit for review and 59504
approval to the Board of Regents plans for the institutional 59505
allocation of state dollars received through the program. The 59506
institutional plans shall provide the rationale for the allocation 59507
in terms of the strategic targeting of funds for academic and 59508
state purposes, for strengthening research programs, for 59509
increasing the amount of external research funds, and shall 59510
include an evaluation process to provide results of the increased 59511
support. Each institutional plan for the investment of Research 59512
Challenge moneys shall report on existing, planned, and/or 59513
possible relationships with other State of Ohio science and 59514
technology programs and funding recipients in order to further 59515
ongoing statewide science and technology collaboration objectives. 59516
The Board of Regents shall submit a biennial report of progress to 59517
the General Assembly. 59518

ENTERPRISEOHIO NETWORK 59519

The foregoing appropriation item 235-455, EnterpriseOhio 59520
Network, shall be allocated by the Board of Regents to continue 59521
increasing the capabilities of the EnterpriseOhio Network to meet 59522
the ongoing training needs of Ohio employers. Funds shall support 59523
multicampus collaboration, best practice dissemination, and 59524
capacity building projects. The Regents Advisory Committee for 59525
Workforce Development, in its advisory role, shall advise in the 59526
development of plans and activities. 59527

Of the foregoing appropriation item 235-455, EnterpriseOhio 59528
Network, \$181,101 in fiscal year 2004 and \$176,334 in fiscal year 59529
2005 shall be used by the Dayton Business/Sinclair College Jobs 59530
Profiling Program. 59531

Section 88.03. AREA HEALTH EDUCATION CENTERS 59532

The foregoing appropriation item 235-474, Area Health 59533
Education Centers Program Support, shall be used by the Board of 59534
Regents to support the medical school regional area health 59535
education centers' educational programs for the continued support 59536
of medical and other health professions education and for support 59537
of the Area Health Education Center Program. 59538

Of the foregoing appropriation item 235-474, Area Health 59539
Education Centers Program Support, \$174,135 in fiscal year 2004 59540
and \$169,782 in fiscal year 2005 shall be disbursed to the Ohio 59541
University College of Osteopathic Medicine to operate a mobile 59542
health care unit to serve the southeastern area of the state. Of 59543
the foregoing appropriation item 235-474, Area Health Education 59544
Centers Program Support, \$130,601 in fiscal year 2004 and \$127,337 59545
in fiscal year 2005 shall be used to support the Ohio Valley 59546
Community Health Information Network (OVCHIN) project. 59547

ACCESS IMPROVEMENT PROJECTS 59548

The foregoing appropriation item 235-477, Access Improvement 59549
Projects, shall be used by the Board of Regents to support 59550
innovative statewide strategies to increase student access and 59551
retention for specialized populations, and to provide for pilot 59552
projects that will contribute to improving access to higher 59553
education by specialized populations. The funds may be used for 59554
projects that improve access for nonpublic secondary students. 59555

Of the foregoing appropriation item 235-477, Access 59556
Improvement Projects, \$798,684 in fiscal year 2004 and \$822,645 in 59557
fiscal year 2005 shall be distributed to the Ohio Appalachian 59558
Center for Higher Education at Shawnee State University. The board 59559
of directors of the center shall consist of the presidents of 59560
Shawnee State University, Ohio University, Belmont Technical 59561

College, Hocking Technical College, Jefferson Community College, 59562
Muskingum Area Technical College, Rio Grande Community College, 59563
Southern State Community College, and Washington State Community 59564
College; the dean of one of the Salem, Tuscarawas, and East 59565
Liverpool regional campuses of Kent State University, as 59566
designated by the president of Kent State University; and a 59567
representative of the Board of Regents designated by the 59568
Chancellor. 59569

Of the foregoing appropriation item 235-477, Access 59570
Improvement Projects, \$169,553 in fiscal year 2004 and \$174,640 in 59571
fiscal year 2005 shall be distributed to Miami University for the 59572
Student Achievement in Research and Scholarship (STARS) Program. 59573

Section 88.04. STATE SHARE OF INSTRUCTION 59574

As soon as practicable during each fiscal year of the 59575
2003-2005 biennium in accordance with instructions of the Board of 59576
Regents, each state-assisted institution of higher education shall 59577
report its actual enrollment to the Board of Regents. 59578

The Board of Regents shall establish procedures required by 59579
the system of formulas set out below and for the assignment of 59580
individual institutions to categories described in the formulas. 59581
The system of formulas establishes the manner in which aggregate 59582
expenditure requirements shall be determined for each of the three 59583
components of institutional operations. In addition to other 59584
adjustments and calculations described below, the subsidy 59585
entitlement of an institution shall be determined by subtracting 59586
from the institution's aggregate expenditure requirements income 59587
to be derived from the local contributions assumed in calculating 59588
the subsidy entitlements. The local contributions for purposes of 59589
determining subsidy support shall not limit the authority of the 59590
individual boards of trustees to establish fee levels. 59591

The General Studies and Technical models shall be adjusted by 59592

the Board of Regents so that the share of state subsidy earned by those models is not altered by changes in the overall local share. A lower-division fee differential shall be used to maintain the relationship that would have occurred between these models and the baccalaureate models had an assumed share of 37 per cent been funded.

In defining the number of full-time equivalent (FTE) students for state subsidy purposes, the Board of Regents shall exclude all undergraduate students who are not residents of Ohio, except those charged in-state fees in accordance with reciprocity agreements made pursuant to section 3333.17 of the Revised Code or employer contracts entered into pursuant to section 3333.32 of the Revised Code. The Board of Regents shall weight the number of FTE students in the Masters and Professional I, Masters and Professional II, Masters and Professional III, and MPD I models who are not residents of Ohio so that the core subsidy entitlement amount per FTE student who is not a resident of Ohio is 60 per cent of the core subsidy entitlement amount per FTE student who is a resident of Ohio.

(2) STUDENT SERVICES 59629

For this purpose, FTE counts shall be weighted to reflect 59630
differences among institutions in the numbers of students enrolled 59631
on a part-time basis. The student services subsidy per FTE shall 59632
be \$822 in fiscal year 2004 and \$903 in fiscal year 2005 for all 59633
models. 59634

(B) PLANT OPERATION AND MAINTENANCE (POM) 59635

(1) DETERMINATION OF THE SQUARE-FOOT-BASED POM SUBSIDY 59636

Space undergoing renovation shall be funded at the rate 59637
allowed for storage space. 59638

In the calculation of square footage for each campus, square 59639
footage shall be weighted to reflect differences in space 59640
utilization. 59641

The space inventories for each campus shall be those 59642
determined in the fiscal year 2003 state share of instruction 59643
calculation, adjusted for changes attributable to the construction 59644
or renovation of facilities for which state appropriations were 59645
made or local commitments were made prior to January 1, 1995. 59646

Only 50 per cent of the space permanently taken out of 59647
operation in fiscal year 2004 or fiscal year 2005 that is not 59648
otherwise replaced by a campus shall be deleted from the plant 59649
operation and maintenance space inventory. 59650

The square-foot-based plant operation and maintenance subsidy 59651
for each campus shall be determined as follows: 59652

(a) For each standard room type category shown below, the 59653
subsidy-eligible net assignable square feet (NASF) for each campus 59654

shall be multiplied by the following rates, and the amounts summed 59655
 for each campus to determine the total gross square-foot-based POM 59656
 expenditure requirement: 59657

	FY 2004	FY 2005	
Classrooms	\$5.80	\$6.04	59659
Laboratories	\$7.22	\$7.53	59660
Offices	\$5.80	\$6.04	59661
Audio Visual Data Processing	\$7.22	\$7.53	59662
Storage	\$2.57	\$2.68	59663
Circulation	\$7.31	\$7.62	59664
Other	\$5.80	\$6.04	59665

(b) The total gross square-foot POM expenditure requirement 59666
 shall be allocated to models in proportion to FTE enrollments as 59667
 reported in enrollment data for all models except Doctoral I and 59668
 Doctoral II. 59669

(c) The amounts allocated to models in division (B)(1)(b) of 59670
 this section shall be multiplied by the ratio of subsidy-eligible 59671
 FTE students to total FTE students reported in each model, and the 59672
 amounts summed for all models. To this total amount shall be added 59673
 an amount to support roads and grounds expenditures to produce the 59674
 total square-foot-based POM subsidy. 59675

(2) DETERMINATION OF THE ACTIVITY-BASED POM SUBSIDY 59676

(a) The number of subsidy-eligible FTE students in each model 59677
 shall be multiplied by the following rates for each campus for 59678
 each fiscal year. 59679

	FY 2004	FY 2005	
General Studies I	\$ 552	\$ 560	59681
General Studies II	\$ 696	\$ 705	59682

Medical II	\$3,837	\$4,110	59693
MPD I	\$1,213	\$1,233	59694

(b) The sum of the products for each campus determined in 59695
division (B)(2)(a) of this section for all models except Doctoral 59696
I and Doctoral II for each fiscal year shall be weighted by a 59697
factor to reflect sponsored research activity and job 59698
training-related public services expenditures to determine the 59699
total activity-based POM subsidy. 59700

(C) CALCULATION OF CORE SUBSIDY ENTITLEMENTS AND ADJUSTMENTS 59701

(1) CALCULATION OF CORE SUBSIDY ENTITLEMENTS 59702

The calculation of the core subsidy entitlement shall consist 59703
of the following components: 59704

(a) For each campus and for each fiscal year, the core 59705
subsidy entitlement shall be determined by multiplying the amounts 59706
listed above in divisions (A)(1) and (2) and (B)(2) of this 59707
section less assumed local contributions, by (i) average 59708
subsidy-eligible FTEs for the two-year period ending in the prior 59709
year for all models except Doctoral I and Doctoral II; and (ii) 59710
average subsidy-eligible FTEs for the five-year period ending in 59711
the prior year for all models except Doctoral I and Doctoral II. 59712

(b) In calculating the core subsidy entitlements for Medical 59713
II models only, the Board of Regents shall use the following count 59714
of FTE students: 59715

(i) For those medical schools whose current year enrollment, 59716
including students repeating terms, is below the base enrollment, 59717

the Medical II FTE enrollment shall equal: 65 per cent of the base 59718
enrollment plus 35 per cent of the current year enrollment 59719
including students repeating terms, where the base enrollment is: 59720

The Ohio State University	1010	59721
University of Cincinnati	833	59722
Medical College of Ohio at Toledo	650	59723
Wright State University	433	59724
Ohio University	433	59725
Northeastern Ohio Universities College of Medicine	433	59726

(ii) For those medical schools whose current year enrollment, 59727
excluding students repeating terms, is equal to or greater than 59728
the base enrollment, the Medical II FTE enrollment shall equal the 59729
base enrollment plus the FTE for repeating students. 59730

(iii) Students repeating terms may be no more than five per 59731
cent of current year enrollment. 59732

(c) The Board of Regents shall compute the sum of the two 59733
calculations listed in division (C)(1)(a) of this section and use 59734
the greater sum as the core subsidy entitlement. 59735

The POM subsidy for each campus shall equal the greater of 59736
the square-foot-based subsidy or the activity-based POM subsidy 59737
component of the core subsidy entitlement. 59738

(d) If the total core subsidy entitlement in any model in any 59739
fiscal year exceeds any of the limits specified below, the Board 59740
of Regents shall proportionately reduce the core subsidy 59741
entitlement for that model for all campuses by a uniform 59742
percentage so that the system-wide sum equals the limit specified 59743
below. 59744

(i) The total core subsidy entitlement for all campuses in 59745
Masters and Professional I shall not exceed \$12,314,541 in fiscal 59746
year 2004 and \$12,403,616 in fiscal year 2005. 59747

(ii) The total core subsidy entitlement for all campuses in Masters and Professional II shall not exceed \$102,962,506 in fiscal year 2004 and \$104,452,878 in fiscal year 2005.

(iii) The total core subsidy entitlement for all campuses in Masters and Professional III shall not exceed \$59,789,439 in fiscal year 2004 and \$61,010,994 in fiscal year 2005.

(iv) The total core subsidy entitlement for all campuses in Medical I shall not exceed \$26,742,980 in fiscal year 2004 and \$26,742,980 in fiscal year 2005.

(v) The total core subsidy entitlement for all campuses in Medical II shall not exceed \$98,315,046 in fiscal year 2004 and \$99,350,111 in fiscal year 2005.

(vi) The total core subsidy entitlement for all campuses in MPD I shall not exceed \$43,976,008 in fiscal year 2004 and \$39,109,755 in fiscal year 2005.

(e) The state share of instruction provided for doctoral students shall be not more than \$96,932,984 in fiscal year 2004 and \$50,405,152 in fiscal year 2005.

The amount so reserved shall be allocated to universities in proportion to their share of the total number of Doctoral I equivalent FTEs as calculated on an institutional basis using the greater of the two-year or five-year FTEs for the period fiscal year 1994 through fiscal year 1998 with annualized FTEs for fiscal years 1994 through 1997 and all-term FTEs for fiscal year 1998 as adjusted to reflect the effects of doctoral review and subsequent changes in Doctoral I equivalent enrollments. For the purposes of this calculation, Doctoral I equivalent FTEs shall equal the sum of Doctoral I FTEs plus 1.5 times the sum of Doctoral II FTEs.

(2) CAPITAL COMPONENT DEDUCTION

After all other adjustments have been made, state share of

instruction earnings shall be reduced for each campus by the 59778
amount, if any, by which debt service charged in Am. H.B. No. 748 59779
of the 121st General Assembly, Am. Sub. H.B. No. 850 of the 122nd 59780
General Assembly, Am. H.B. No. 640 of the 123rd General Assembly, 59781
and H.B. No. 675 of the 124th General Assembly for that campus 59782
exceeds that campus's capital component earnings. 59783

(D) REDUCTIONS IN EARNINGS 59784

If the total state share of instruction earnings in any 59785
fiscal year exceed the total appropriations available for such 59786
purposes, the Board of Regents shall proportionately reduce the 59787
state share of instruction earnings for all campuses by a uniform 59788
percentage so that the system wide sum equals available 59789
appropriations. 59790

(E) EXCEPTIONAL CIRCUMSTANCES 59791

Except for the limits specified in division (C)(1)(d) of this 59792
section, adjustments may be made to the state share of instruction 59793
payments and other subsidies distributed by the Board of Regents 59794
to state-assisted colleges and universities for exceptional 59795
circumstances. No adjustments for exceptional circumstances may be 59796
made without the recommendation of the Chancellor and the approval 59797
of the Controlling Board. 59798

(F) MID-YEAR APPROPRIATION REDUCTIONS TO THE STATE SHARE OF 59799
INSTRUCTION 59800

The standard provisions of the state share of instruction 59801
calculation as described in the preceding sections of temporary 59802
law shall apply to any reductions made to appropriation line item 59803
235-501, State Share of Instruction, before the Board of Regents 59804
has formally approved the final allocation of the state share of 59805
instruction funds for any fiscal year. 59806

Any reductions made to appropriation line item 235-501, State 59807
Share of Instruction, after the Board of Regents has formally 59808

approved the final allocation of the state share of instruction 59809
funds for any fiscal year, shall be uniformly applied to each 59810
campus in proportion to its share of the final allocation. 59811

(G) DISTRIBUTION OF STATE SHARE OF INSTRUCTION 59812

The state share of instruction payments to the institutions 59813
shall be in substantially equal monthly amounts during the fiscal 59814
year, unless otherwise determined by the Director of Budget and 59815
Management pursuant to section 126.09 of the Revised Code. 59816
Payments during the first six months of the fiscal year shall be 59817
based upon the state share of instruction appropriation estimates 59818
made for the various institutions of higher education according to 59819
Board of Regents enrollment estimates. Payments during the last 59820
six months of the fiscal year shall be distributed after approval 59821
of the Controlling Board upon the request of the Board of Regents. 59822

(H) LAW SCHOOL SUBSIDY 59823

The state share of instruction to state-supported 59824
universities for students enrolled in law schools in fiscal year 59825
2004 and fiscal year 2005 shall be calculated by using the number 59826
of subsidy-eligible FTE law school students funded by state 59827
subsidy in fiscal year 1995 or the actual number of 59828
subsidy-eligible FTE law school students at the institution in the 59829
fiscal year, whichever is less. 59830

Section 88.05. HIGHER EDUCATION - BOARD OF TRUSTEES 59831

Funds appropriated for instructional subsidies at colleges 59832
and universities may be used to provide such branch or other 59833
off-campus undergraduate courses of study and such master's degree 59834
courses of study as may be approved by the Board of Regents. 59835

In providing instructional and other services to students, 59836
boards of trustees of state-assisted institutions of higher 59837
education shall supplement state subsidies by income from charges 59838

to students. Each board shall establish the fees to be charged to 59839
all students, including an instructional fee for educational and 59840
associated operational support of the institution and a general 59841
fee for noninstructional services, including locally financed 59842
student services facilities used for the benefit of enrolled 59843
students. The instructional fee and the general fee shall 59844
encompass all charges for services assessed uniformly to all 59845
enrolled students. Each board may also establish special purpose 59846
fees, service charges, and fines as required; such special purpose 59847
fees and service charges shall be for services or benefits 59848
furnished individual students or specific categories of students 59849
and shall not be applied uniformly to all enrolled students. 59850
Except for the board of trustees of Miami University in 59851
implementing the pilot tuition restructuring plan recognized by 59852
this section, a tuition surcharge shall be paid by all students 59853
who are not residents of Ohio. 59854

The boards of trustees of individual state-assisted 59855
universities, university branch campuses, community colleges, 59856
state community colleges, and technical colleges shall limit 59857
in-state undergraduate instructional and general fee increases for 59858
an academic year over the amounts charged in the prior academic 59859
year to no more than six per cent. In addition to the six per cent 59860
main campus in-state undergraduate instructional and general fee 59861
increase limit established in this section, the Board of Trustees 59862
of The Ohio State University may authorize an additional 59863
university main campus in-state undergraduate instructional and 59864
general fee increase of three per cent for academic years 59865
2003-2004 and 2004-2005. The Board of Trustees of The Ohio State 59866
University and individual state-assisted universities, university 59867
branch campuses, community colleges, state community colleges, and 59868
technical colleges with instructional and general fees below the 59869
average for their respective sector, may charge an additional fee 59870
of \$300 to in-coming students. The boards of trustees of 59871

individual state-assisted universities, university branch 59872
campuses, community colleges, state community colleges, and 59873
technical colleges shall not authorize combined instructional and 59874
general fee increases of more than six per cent in a single vote. 59875
These fee increase limitations apply even if an institutional 59876
board of trustees has, prior to the effective date of this 59877
section, voted to assess a higher fee for the 2003-2004 academic 59878
year. These limitations shall not apply to increases required to 59879
comply with institutional covenants related to their obligations 59880
or to meet unfunded legal mandates or legally binding obligations 59881
incurred or commitments made prior to the effective date of this 59882
act with respect to which the institution had identified such fee 59883
increases as the source of funds. Any increase required by such 59884
covenants and any such mandates, obligations, or commitments shall 59885
be reported by the Board of Regents to the Controlling Board. 59886
These limitations may also be modified by the Board of Regents, 59887
with the approval of the Controlling Board, to respond to 59888
exceptional circumstances as identified by the Board of Regents. 59889

The boards of trustees of individual state-assisted 59890
universities, university branch campuses, community colleges, 59891
state community colleges, and technical colleges shall place 59892
moratoriums during fiscal years 2004 and 2005 on the creation, 59893
acquisition, and expansion of academic programs, capital projects, 59894
real estate, and student centers unless specified in legislation 59895
enacted prior to July 1, 2003, except for requests meeting the 59896
review and approval of the Third Frontier Commission. The Third 59897
Frontier Commission shall review only those requests that seek to 59898
establish or enhance the research and development position of the 59899
state or a region of the state. Any such requests approved by the 59900
Third Frontier Commission shall require the review and approval of 59901
the Controlling Board. Notwithstanding anything to the contrary in 59902
this paragraph, the board of trustees of a state-assisted 59903
university, university branch campus, community college, state 59904

community college, or technical college may seek approval by the 59905
Controlling Board for an action not otherwise permitted by this 59906
paragraph for exceptional circumstances. 59907

State-assisted universities, university branch campuses, 59908
community colleges, state community colleges, and technical 59909
colleges shall not seek the appropriation of funds for, or 59910
transfer or seek approval to transfer funds to, any project not 59911
specified in Am. Sub. H.B. 850 of the 122nd General Assembly, Am. 59912
Sub. H.B. 640 of the 123rd General Assembly, Am. Sub. H.B. 675 of 59913
the 124th General Assembly, or any other act enacted after June 59914
30, 1998. Notwithstanding anything to the contrary in this 59915
paragraph, the board of trustees of a state-assisted university, 59916
university branch campus, community college, state community 59917
college, or technical college may seek approval by the Controlling 59918
Board for an action not otherwise permitted by this paragraph for 59919
exceptional circumstances. 59920

The board of trustees of a state-assisted institution of 59921
higher education shall not authorize a waiver or nonpayment of 59922
instructional fees or general fees for any particular student or 59923
any class of students other than waivers specifically authorized 59924
by law or approved by the Chancellor. This prohibition is not 59925
intended to limit the authority of boards of trustees to provide 59926
for payments to students for services rendered the institution, 59927
nor to prohibit the budgeting of income for staff benefits or for 59928
student assistance in the form of payment of such instructional 59929
and general fees. This prohibition is not intended to limit the 59930
authority of the board of trustees of Miami University in 59931
providing financial assistance to students in implementing the 59932
pilot tuition restructuring plan recognized by this section. 59933

Except for Miami University in implementing the pilot tuition 59934
restructuring plan recognized by this section, each state-assisted 59935
institution of higher education in its statement of charges to 59936

students shall separately identify the instructional fee, the 59937
general fee, the tuition charge, and the tuition surcharge. Fee 59938
charges to students for instruction shall not be considered to be 59939
a price of service but shall be considered to be an integral part 59940
of the state government financing program in support of higher 59941
educational opportunity for students. 59942

In providing the appropriations in support of instructional 59943
services at state-assisted institutions of higher education and 59944
the appropriations for other instruction it is the intent of the 59945
General Assembly that faculty members shall devote a proper and 59946
judicious part of their work week to the actual instruction of 59947
students. Total class credit hours of production per quarter per 59948
full-time faculty member is expected to meet the standards set 59949
forth in the budget data submitted by the Board of Regents. 59950

The authority of government vested by law in the boards of 59951
trustees of state-assisted institutions of higher education shall 59952
in fact be exercised by those boards. Boards of trustees may 59953
consult extensively with appropriate student and faculty groups. 59954
Administrative decisions about the utilization of available 59955
resources, about organizational structure, about disciplinary 59956
procedure, about the operation and staffing of all auxiliary 59957
facilities, and about administrative personnel shall be the 59958
exclusive prerogative of boards of trustees. Any delegation of 59959
authority by a board of trustees in other areas of responsibility 59960
shall be accompanied by appropriate standards of guidance 59961
concerning expected objectives in the exercise of such delegated 59962
authority and shall be accompanied by periodic review of the 59963
exercise of this delegated authority to the end that the public 59964
interest, in contrast to any institutional or special interest, 59965
shall be served. 59966

The General Assembly recognizes the pilot tuition 59967
restructuring plan of the board of trustees of Miami University 59968

for undergraduate students enrolled at the Oxford campus. The 59969
purpose of this plan is to make higher education more affordable 59970
for moderate income Ohioans, encourage high-achieving Ohio 59971
students to stay in Ohio rather than attending colleges in other 59972
states, and provide incentives for Ohio students to major in areas 59973
crucial to Ohio's priorities and future economic development. 59974

Notwithstanding any limit on in-state undergraduate 59975
instructional and general fees imposed by this act, the General 59976
Assembly recognizes that the plan will provide that all 59977
undergraduate students enrolled at the Oxford campus will be 59978
charged combined instructional and general fees in an amount equal 59979
to the nonresident instructional and general fees and tuition 59980
surcharge. For both resident student first enrolling on or after 59981
the summer term of 2003 and resident students who enrolled prior 59982
to this date, any increases in fees approved thereafter by the 59983
board of trustees are subject to any instructional and general fee 59984
caps imposed by the General Assembly. 59985

The General Assembly recognizes that the plan provides that 59986
all students who are residents of Ohio will receive student 59987
financial assistance in an amount to be determined by the 59988
University. 59989

The General Assembly recognizes that the plan provides that, 59990
for any resident student who enrolls at the Miami University 59991
Oxford campus prior to August 2004, the plan will have no direct 59992
financial impact except for paper changes on invoices so that such 59993
a student would only pay instructional and general fees in an 59994
amount equivalent to what the student was charged in the preceding 59995
year in addition to any increases in fees approved by the board of 59996
trustees. 59997

Section 88.06. STUDENT SUPPORT SERVICES 59998

The foregoing appropriation item 235-502, Student Support 59999

Services, shall be distributed by the Board of Regents to Ohio's 60000
state-assisted colleges and universities that incur 60001
disproportionate costs in the provision of support services to 60002
disabled students. 60003

OHIO INSTRUCTIONAL GRANTS 60004

Notwithstanding section 3333.12 of the Revised Code, in lieu 60005
of the tables in that section, instructional grants for all 60006
full-time students shall be made for fiscal year 2004 using the 60007
tables under this heading. 60008

The tables under this heading prescribe the maximum grant 60009
amounts covering two semesters, three quarters, or a comparable 60010
portion of one academic year. The grant amount for a full-time 60011
student enrolled in an eligible institution for a semester or 60012
quarter in addition to the portion of the academic year covered by 60013
a grant determined under these tables shall be a percentage of the 60014
maximum prescribed in the applicable table. The maximum grant for 60015
a fourth quarter shall be one-third of the maximum amount 60016
prescribed under the table. The maximum grant for a third semester 60017
shall be one-half of the maximum amount prescribed under the 60018
table. 60019

For a full-time student who is a dependent and enrolled in a 60020
nonprofit educational institution that is not a state-assisted 60021
institution and that has a certificate of authorization issued 60022
pursuant to Chapter 1713. of the Revised Code, the amount of the 60023
instructional grant for two semesters, three quarters, or a 60024
comparable portion of the academic year shall be determined in 60025
accordance with the following table: 60026

and the outcome of the program. 62416

The commission shall use the remaining appropriation 62417
authority in fiscal year 2003 and appropriation authority granted 62418

in the district's technology plan. When there is at least one 62432
computer for each five children enrolled in the sixth grade, 62433
SchoolNet shall use any remaining funds appropriated to establish 62434
and equip at least one interactive computer workstation for each 62435
five children enrolled in the seventh grade as determined by the 62436
previously defined formula. 62437

distributions at any time during the period July 1, 2003, through 62880

are enacted that authorize reductions in the amounts credited to 62883
the Local Government Fund, Local Government Revenue Assistance 62884

31, 2003. 64072

(C) Sections 3301.31, 5111.173, 5111.221, 5111.24, 5111.241, 64073
5111.251, 5111.255, 5111.257, 5111.261, 5111.262, and 5111.264 of 64074
the Revised Code as repealed and reenacted by this act, and the 64075
items of law of which they are composed, are not subject to the 64076
referendum. Therefore, under Ohio Constitution, Article II, 64077
Section 1d and section 1.471 of the Revised Code, such sections as 64078
repealed and reenacted by this act go into immediate effect when 64079
this act becomes law. 64080

Section 146.06A. (A) Except as otherwise provided by this 64081
act, the amendments to section 125.22 of the Revised Code are not 64082
subject to the referendum under Ohio Constitution, Article II, 64083

Section 1d and section 1.471 of the Revised Code and go into 64084
effect on July 31, 2003. 64085

(B) The amendment by this act to section 125.22 of the 64086
Revised Code that removes the Ohio Commission on African-American 64087
Males from the list of boards and commissions for which the 64088
Central Service Agency of the Department of Administrative 64089
Services performs routine support is subject to the referendum. 64090
Therefore, under Ohio Constitution, Article II, Section 1c and 64091
section 1.471 of the Revised Code, the amendment takes effect on 64092
the ninety-first day after this act is filed with the Secretary of 64093
State. If, however, a referendum petition is filed against the 64094
amendment, or against any item of law it contains, the amendment 64095
or item, unless rejected at the referendum, takes effect at the 64096
earliest time permitted by law. 64097

Section 146.08. The version of section 3332.04 of the Revised 64098
Code that is scheduled to take effect July 1, 2003, as amended by 64099
this act, and the items of law of which that section as amended is 64100
composed, are not subject to the referendum. Therefore, under Ohio 64101
Constitution, Article II, Section 1d and section 1.471 of the 64102
Revised Code, the section as amended by this act, and the items of 64103
law of which that section as amended is composed, go into 64104
immediate effect on July 1, 2003. 64105

Section 146.09. (A) Except as otherwise provided in division 64106
(B) of this section, the amendments by this act to section 3745.11 64107
of the Revised Code are not subject to the referendum. Therefore, 64108
under Ohio Constitution, Article II, Section 1d and section 1.471 64109
of the Revised Code, the amendments, and the items of law they 64110
contain, go into immediate effect when this act becomes law. 64111

(B) The seventh and last paragraph added to division (S)(1) 64112
of section 3745.11 of the Revised Code by this act is subject to 64113

the referendum. Therefore, under Ohio Constitution, Article II, 64114
Section 1c and section 1.471 of the Revised Code, the paragraph 64115
takes effect on the ninety-first day after this act is filed with 64116
the Secretary of State. If, however, a referendum petition is 64117
filed against the paragraph, or against any item of law it 64118
contains, the paragraph or item, unless rejected at the 64119
referendum, takes effect at the earliest time permitted by law. 64120

Section 146.10. The version of section 4511.75 of the Revised 64121
Code that is scheduled to take effect January 1, 2004, as amended 64122
by this act, and the items of law of which that section as amended 64123
is composed, are not subject to the referendum. Therefore, under 64124
Ohio Constitution, Article II, Section 1d and section 1.471 of the 64125
Revised Code, the section as amended by this act, and the items of 64126
law of which that section as amended is composed, go into 64127
immediate effect on January 1, 2004. 64128

Section 146.11. (A) Except as otherwise provided in division 64129
(B) of this section, the amendments by this act to section 4743.05 64130
of the Revised Code are subject to the referendum. Therefore, 64131
under Ohio Constitution, Article II, Section 1c and section 1.471 64132
of the Revised Code, the amendments take effect on the 64133
ninety-first day after this act is filed with the Secretary of 64134
State. If, however, a referendum petition is filed against the 64135
amendments, or against any item of law they contain, the 64136
amendments or item, unless rejected at the referendum, takes 64137
effect at the earliest time permitted by law. 64138

(B) The amendment by this act adding a reference to "4771." 64139
to section 4743.05 of the Revised Code is not subject to the 64140
referendum. Therefore, under Ohio Constitution, Article II, 64141
Section 1d and section 1.471 of the Revised Code, the amendment 64142
goes into immediate effect when this act becomes law. 64143

Section 146.12. (A) Except as otherwise provided in division 64144
(B) of this section, the amendments by this act to section 64145
5111.022 of the Revised Code are not subject to the referendum. 64146
Therefore, under Ohio Constitution, Article II, Section 1d and 64147
section 1.471 of the Revised Code, the amendments, and the items 64148
of law they contain, go into immediate effect when this act 64149
becomes law. 64150

(B) The amendments by this act adding divisions (B)(4), (E), 64151
and (F) to section 5111.022 of the Revised Code are subject to the 64152
referendum. Therefore, under Ohio Constitution, Article II, 64153
Section 1c and section 1.471 of the Revised Code, the amendments 64154
take effect on the ninety-first day after this act is filed with 64155
the Secretary of State. If, however, a referendum petition is 64156
filed against the amendments, or against any item of law they 64157
contain, the amendments or item, unless rejected at the 64158
referendum, takes effect at the earliest time permitted by law. 64159

Section 146.14. Section 5112.31 of the Revised Code, as 64160
amended by this act, and the items of law of which that section as 64161
amended is composed, are not subject to the referendum. Therefore, 64162
under Ohio Constitution, Article II, Section 1d and section 1.471 64163
of the Revised Code, that section as amended by this act, and the 64164
items of law of which that section as amended is composed, are 64165
entitled to go into immediate effect when this act becomes law. 64166
However, that section as amended by this act, and the items of law 64167
which that section as amended by this act are composed, take 64168
effect on July 1, 2003, or the day this act becomes law, whichever 64169
is later. 64170

Section 146.15. (A) Except as otherwise provided in division 64171
(B) of this section, the amendments by this act to section 4981.20 64172
(5507.20) of the Revised Code are not subject to the referendum. 64173

Therefore, under Ohio Constitution, Article II, Section 1d and 64174
section 1.471 of the Revised Code, the amendments, and the items 64175
of law they contain, go into immediate effect when this act 64176
becomes law. 64177

(B) The amendment by this act to the second and last sentence 64178
of the second paragraph of division (A) of section 4981.20 64179
(5507.20) of the Revised Code provides for or is essential to 64180
implementation of a tax levy. Therefore, under Ohio Constitution, 64181
Article II, Section 1d, the amendment is not subject to the 64182
referendum and goes into immediate effect when this act becomes 64183
law. 64184

Section 146.15A. * Sections 125.831, 125.832, 125.833, and 64185
125.834 of the Revised Code, as enacted or repealed and re-enacted 64186
by this act, shall take effect September 1, 2003. 64187

Section 146.16. * Section 102.02 of the Revised Code, as 64188
amended by this act, shall take effect January 1, 2004. 64189

Section 146.17. * Sections 125.05, 183.28, 3301.80, 3301.801, 64190
3314.074, 3317.06, 3317.50, 3317.51, 3319.22, and 3319.235 of the 64191
Revised Code, as amended by this act, take effect July 1, 2004. 64192

Section 146.18. * Section 4759.08 of the Revised Code, as 64193
amended by this act, shall take effect July 1, 2004. 64194

Section 146.19. * Sections 5103.031, 5103.033, 5103.034, 64195
5103.036, 5103.037, 5103.038, 5103.0312, 5103.0313, 5103.0314, 64196
5103.0315, 5103.0316, 5153.60, 5153.69, and 5153.72 of the Revised 64197
Code, as amended by this act, shall take effect on January 1, 64198
2004. 64199

Section 146.20. * Sections 5103.154 and 5153.163 of the 64200

Revised Code as amended by this act take effect July 1, 2004. 64201

Section 146.21. * Section 5112.31 of the Revised Code, as 64202
amended by this act, shall take effect July 1, 2003. 64203

Section 146.22. Except as otherwise specifically provided in 64204
this act, the uncodified sections of law amended or enacted in 64205
this act, and the items of law of which the uncodified sections of 64206
law amended or enacted in this act are composed, are not subject 64207
to the referendum. Therefore, under Ohio Constitution, Article II, 64208
Section 1d and section 1.471 of the Revised Code, the uncodified 64209
sections of law amended or enacted in this act, and the items of 64210
law of which the uncodified sections of law amended or enacted in 64211
this act are composed, go into immediate effect when this act 64212
becomes law. 64213

Section 146.23. Uncodified sections of law amended or enacted 64214
in this act, and items of law contained within the uncodified 64215
sections of law amended or enacted in this act, that are marked 64216
with an asterisk are subject to the referendum. Therefore, under 64217
Ohio Constitution, Article II, Section 1c and section 1.471 of the 64218
Revised Code, the uncodified sections and items of law marked with 64219
an asterisk take effect on the ninety-first day after this act is 64220
filed with the Secretary of State. If, however, a referendum 64221
petition is filed against an uncodified section or item of law 64222
marked with an asterisk, the uncodified section or item of law 64223
marked with an asterisk, unless rejected at the referendum, takes 64224
effect at the earliest time permitted by law. 64225

If the amending and existing repeal clauses commanding the 64226
amendment of an uncodified section of law are both marked with 64227
asterisks, the uncodified section as amended is deemed also to 64228
have been marked with an asterisk. 64229

An asterisk marking an uncodified section or item of law has 64230

the form *. 64231

This section defines the meaning and form of, but is not 64232
itself to be considered marked with, an asterisk. 64233

Section 146.24. (A) Except as otherwise provided in division 64234
(B) of this section, the amendments by this act to Section 27 of 64235
Sub. H.B. 670 of the 121st General Assembly are not subject to the 64236
referendum. Therefore, under Ohio Constitution, Article II, 64237
Section 1d and section 1.471 of the Revised Code, the amendments 64238
go into immediate effect when this act becomes law. 64239

(B) The amendments by this act removing references to the 64240
Hazardous Waste Facility Board and to the Reclamation Commission 64241
from Section 27 of Sub. H.B. 670 of the 121st General Assembly are 64242
subject to the referendum. Therefore, under Ohio Constitution, 64243
Article II, Section 1c and section 1.471 of the Revised Code, the 64244
amendments take effect on the ninety-first day after this act is 64245
filed with the Secretary of State. If, however, a referendum 64246
petition is filed against the amendments, or against any item of 64247
law they contain, the amendments or item, unless rejected at the 64248
referendum, takes effect at the earliest time permitted by law. 64249

Section 146.25. The repeal by this act of the following 64250
uncodified sections of law is not subject to the referendum and 64251
therefore, under Ohio Constitution, Article II, Section 1d and 64252
section 1.471 of the Revised Code, goes into immediate effect when 64253
this act becomes law: 64254

(A) Section 11 of Am. Sub. S.B. 50 of the 121st General 64255
Assembly; 64256

(B) Section 129 of Am. Sub. H.B. 283 of the 123rd General 64257
Assembly; 64258

(C) Section 63.37 of Am. Sub. H.B. 94 of the 124th General 64259
Assembly. 64260

Section 146.26. If the amendment or enactment in this act of a codified or uncodified section of law is subject to the referendum, the corresponding indications in the amending, enacting, or existing repeal clauses commanding the amendment or enactment also are subject to the referendum, along with the amendment or enactment. If the amendment or enactment by this act of a codified or uncodified section of law is not subject to the referendum, the corresponding indications in the amending, enacting, or existing repeal clauses commanding the amendment or enactment also are not subject to the referendum, the same as the amendment or enactment.

Section 147.01. * The amendment of section 122.25 of the Revised Code by this act is not intended to supersede the earlier repeal, with delayed effective date, of that section.

Section 147.02. * Section 921.151 was amended and renumbered as section 921.22 of the Revised Code by Am. Sub. S.B. 217 of the 124th General Assembly, passed November 21, 2002, and effective July 1, 2004. The amendment of section 921.151 of the Revised Code in Section 1 of this act does not supersede that earlier amendment and renumbering. This act therefore amends both sections to ensure that its amendments continue on and after July 1, 2004.

operation, finds that the composite is the resulting version of 64341
the section in effect prior to the effective date of the section 64342
as presented in this act. 64343
