financial institution for establishing and maintaining such an 6294
account. No financial institution shall impose any charge for such 6295

may be considered as contributing toward the percentage of the 7695
cost of a recreational trails project that must be provided by a 7696
matching grant recipient. 7697

Sec. 1521.06. (A) No dam may be constructed for the purpose 7698
of storing, conserving, or retarding water, or for any other 7699
purpose, nor shall any dike or levee be constructed for the 7700
purpose of diverting or retaining flood water, unless the person 7701
or governmental agency desiring the construction has a 7702
construction permit for the dam, dike, or levee issued by the 7703
chief of the division of water. 7704

A construction permit is not required under this section for: 7705

(1) A dam ~~which~~ that is or will be less than ten feet in 7706
height and ~~which~~ that has or will have a storage capacity of not 7707
more than fifty acre-feet at the elevation of the top of the dam, 7708
as determined by the chief. For the purposes of this section, the 7709
height of a dam shall be measured from the natural stream bed or 7710
lowest ground elevation at the downstream or outside limit of the 7711
dam to the elevation of the top of the dam. 7712

(2) A dam, regardless of height, ~~which~~ that has or will have 7713
a storage capacity of not more than fifteen acre-feet at the 7714
elevation of the top of the dam, as determined by the chief; 7715

(3) A dam, regardless of storage capacity, ~~which~~ that is or 7716

(5) The repair, maintenance, improvement, alteration, or 7720

1521.062 of the Revised Code, unless the construction constitutes 7722
an enlargement of the structure as determined by the chief; 7723

(6) A dam or impoundment constructed under Chapter 1513. of 7724
the Revised Code. 7725

(B) Before a construction permit may be issued, three copies 7726
of the plans and specifications, including a detailed cost 7727

estimate, for the proposed construction, prepared by a registered professional engineer, together with the filing fee specified by this section and the bond or other security required by section 1521.061 of the Revised Code, shall be filed with the chief. The detailed estimate of the cost shall include all costs associated with the construction of the dam, dike, or levee, including supervision and inspection of the construction by a registered professional engineer. ~~Except for a political subdivision, the~~ The filing fee shall be based on the detailed cost estimate for the proposed construction as filed with and approved by the chief, and shall be determined by the following schedule unless otherwise provided by rules adopted under this section:

(1) For the first one hundred thousand dollars of estimated cost, a fee of ~~two~~ four per cent;

(2) For the next four hundred thousand dollars of estimated cost, a fee of ~~one and one-half~~ three per cent;

(3) For the next five hundred thousand dollars of estimated cost, a fee of ~~one~~ two per cent;

(4) For all costs in excess of one million dollars, a fee of ~~one-quarter~~ one-half of one per cent.

In no case shall the filing fee be less than ~~two hundred~~ one thousand dollars or more than ~~fifty~~ one hundred thousand dollars. If the actual cost exceeds the estimated cost by more than fifteen per cent, an additional filing fee shall be required equal to the fee determined by the preceding schedule less the original filing fee. ~~The filing fee for a political subdivision shall be two hundred dollars.~~ All fees collected pursuant to this section, and all fines collected pursuant to section 1521.99 of the Revised Code, shall be deposited in the state treasury to the credit of the dam safety fund, which is hereby created. Expenditures from the fund shall be made by the chief for the purpose of

administering this section and sections 1521.061 and 1521.062 of 7759
the Revised Code. 7760

(C) The chief shall, within thirty days from the date of the 7761
receipt of the application, fee, and bond or other security, issue 7762
or deny a construction permit for the construction or may issue a 7763
construction permit conditioned upon the making of such changes in 7764
the plans and specifications for the construction as ~~he~~ the chief 7765
considers advisable if ~~he~~ the chief determines that the 7766
construction of the proposed dam, dike, or levee, in accordance 7767
with the plans and specifications filed, would endanger life, 7768
health, or property. 7769

(D) The chief may deny a construction permit ~~if he finds~~ 7770
after finding that a dam, dike, or levee built in accordance with 7771
the plans and specifications would endanger life, health, or 7772
property, because of improper or inadequate design, or for such 7773
other reasons as the chief may determine. 7774

In the event the chief denies a permit for the construction 7775
of the dam, dike, or levee, or issues a permit conditioned upon a 7776
making of changes in the plans or specifications for the 7777
construction, ~~he~~ the chief shall state ~~his~~ the reasons therefor 7778
and so notify, in writing, the person or governmental agency 7779
making the application for a permit. If the permit is denied, the 7780
chief shall return the bond or other security to the person or 7781
governmental agency making application for the permit. 7782

The decision of the chief conditioning or denying a 7783
construction permit is subject to appeal as provided in Chapter 7784
119. of the Revised Code. A dam, dike, or levee built 7785
substantially at variance from the plans and specifications upon 7786
which a construction permit was issued is in violation of this 7787
section. The chief may at any time inspect any dam, dike, or 7788
levee, or site upon which any dam, dike, or levee is to be 7789
constructed, in order to determine whether it complies with this 7790

section. 7791

(E) A registered professional engineer shall inspect the 7792
construction for which the permit was issued during all phases of 7793
construction and shall furnish to the chief such regular reports 7794
of ~~his~~ the engineer's inspections as the chief may require. When 7795
the chief finds that construction has been fully completed in 7796
accordance with the terms of the permit and the plans and 7797
specifications approved by ~~him~~ the chief, ~~he~~ the chief shall 7798
approve the construction. When one year has elapsed after approval 7799
of the completed construction, and the chief finds that within 7800
this period no fact has become apparent to indicate that the 7801
construction was not performed in accordance with the terms of the 7802
permit and the plans and specifications approved by the chief, or 7803
that the construction as performed would endanger life, health, or 7804
property, ~~he~~ the chief shall release the bond or other security. 7805
No bond or other security shall be released until one year after 7806
final approval by the chief, unless the dam, dike, or levee has 7807
been modified so that it will not retain water and has been 7808
approved as nonhazardous after determination by the chief that the 7809
dam, dike, or levee as modified will not endanger life, health, or 7810
property. 7811

(F) When inspections required by this section are not being 7812
performed, the chief shall notify the person or governmental 7813
agency to which the permit has been issued that inspections are 7814
not being performed by the registered professional engineer and 7815
that the chief will inspect the remainder of the construction. 7816
Thereafter, the chief shall inspect the construction and the cost 7817
of inspection shall be charged against the owner. Failure of the 7818
registered professional engineer to submit required inspection 7819
reports shall be deemed notice that ~~his~~ the engineer's inspections 7820
are not being performed. 7821

(G) The chief may order construction to cease on any dam, 7822

dike, or levee ~~which~~ that is being built in violation of ~~the~~ 7823
~~provisions of~~ this section, and may prohibit the retention of 7824
water behind any dam, dike, or levee ~~which~~ that has been built in 7825
violation of ~~the provisions of~~ this section. The attorney general, 7826
upon written request of the chief, may bring an action for an 7827
injunction against any person who violates this section or to 7828
enforce an order or prohibition of the chief made pursuant to this 7829
section. 7830

(H) The chief may adopt rules in accordance with Chapter 119. 7831
of the Revised Code, for the design and construction of dams, 7832
dikes, and levees for which a construction permit is required by 7833
this section or for which periodic inspection is required by 7834
section 1521.062 of the Revised Code, for establishing a filing 7835
fee schedule in lieu of the schedule established under division 7836
(B) of this section, for deposit and forfeiture of bonds and other 7837
securities required by section 1521.061 of the Revised Code, for 7838
the periodic inspection, operation, repair, improvement, 7839
alteration, or removal of all dams, dikes, and levees, as 7840
specified in section 1521.062 of the Revised Code, and for 7841
establishing classes of dams, dikes, or levees ~~which~~ that are 7842
exempt from the requirements of sections 1521.06 and 1521.062 of 7843
the Revised Code as being of a size, purpose, or situation ~~which~~ 7844
that does not present a substantial hazard to life, health, or 7845
property. The chief may, by rule, limit the period during which a 7846
construction permit issued under this section is valid. If a 7847
construction permit expires before construction is completed, the 7848
person or agency shall apply for a new permit, and shall not 7849
continue construction until the new permit is issued. 7850

~~(I) As used in this section and section 1521.063 of the~~ 7851
~~Revised Code, "political subdivision" includes townships,~~ 7852
~~municipal corporations, counties, school districts, municipal~~ 7853
~~universities, park districts, sanitary districts, and conservancy~~ 7854

~~districts and subdivisions thereof.~~ 7855

Sec. 1521.063. (A) Except for ~~a political subdivision~~ the 7856
federal government, the owner of any dam subject to section 7857
1521.062 of the Revised Code shall pay an annual fee, based upon 7858
the height of the dam, to the division of water on or before June 7859
30, 1988, and on or before the thirtieth day of June of each 7860
succeeding year. The annual fee shall be as follows until 7861
otherwise provided by rules adopted under this section: 7862

(1) For any dam classified as a class I dam under rules 7863
adopted by the chief of the division of water under section 7864
1521.06 of the Revised Code, thirty dollars plus ~~three~~ ten dollars 7865
per foot of height of dam; 7866

(2) For any dam classified as a class II dam under those 7867
rules, thirty dollars plus one dollar per foot of height of dam; 7868

(3) For any dam classified as a class III dam under those 7869
rules, thirty dollars. 7870

For purposes of this section, the height of a dam is the 7871
vertical height, to the nearest foot, as determined by the 7872
division under section 1521.062 of the Revised Code. All fees 7873
collected under this section shall be deposited in the dam safety 7874
fund created in section 1521.06 of the Revised Code. Any owner who 7875
fails to pay any annual fee required by this section within sixty 7876
days after the due date shall be assessed a penalty of ten per 7877
cent of the annual fee plus interest at the rate of one-half per 7878
cent per month from the due date until the date of payment. 7879

(B) The chief shall, in accordance with Chapter 119. of the 7880
Revised Code, adopt, and may amend or rescind, rules for the 7881
collection of fees and the administration, implementation, and 7882
enforcement of this section and for the establishment of an annual 7883
fee schedule in lieu of the schedule established under division 7884

(A) of this section. 7885

(C)(1) No person, political subdivision, or state 7886
governmental agency shall violate or fail to comply with this 7887
section or any rule or order adopted or issued under it. 7888

(2) The attorney general, upon written request of the chief, 7889
may commence an action against any such violator. Any action under 7890
division (C)(2) of this section is a civil action. 7891

(D) As used in this section, "political subdivision" includes 7892
townships, municipal corporations, counties, school districts, 7893
municipal universities, park districts, sanitary districts, and 7894
conservancy districts and subdivisions thereof. 7895

the nongame and endangered wildlife fund, which shall consist of 7897
moneys paid into it by the tax commissioner under section 5747.113 7898

the Revised Code, moneys credited to the fund under section 7903
1533.151 of the Revised Code, and ~~of~~ contributions made directly 7904
to it. Any person may contribute directly to the fund in addition 7905
to or independently of the income tax refund contribution system 7906
established in section 5747.113 of the Revised Code. Moneys in the 7907
fund shall be disbursed pursuant to vouchers approved by the 7908
director of natural resources for use by the division of wildlife 7909

taken for sport or commercial purposes, including the acquisition 7912
of title and easements to lands, biological investigations, law 7913
enforcement, production of educational materials, sociological 7914
surveys, habitat development, and personnel and equipment costs; 7915

and for carrying out section 1531.25 of the Revised Code. Moneys 7916
in the fund also may be used to promote and develop nonconsumptive 7917
wildlife recreational opportunities involving wild animals. Moneys 7918
in the fund from the issuance of bald eagle license plates under 7919
section 4503.572 of the Revised Code shall be expended by the 7920

All investment earnings of the fund shall be credited to the 7926
fund. Subject to the approval of the director, the chief of the 7927

Species Act of 1973," 87 Stat. 884, 16 U.S.C.A. 1541-1543, as 7931
amended, and the "Fish and Wildlife Conservation Act of 1980," 94 7932
Stat. 1322, 16 U.S.C.A. 2901-2911, as amended. Moneys appropriated 7933
from the fund are not intended to replace other moneys 7934
appropriated for these purposes. 7935

Sec. 1533.08. Except as otherwise provided by division rule, 7936
any person desiring to collect wild animals that are protected by 7937
law or their nests or eggs for scientific study, school 7938
instruction, other educational uses, or rehabilitation shall make 7939

applicant for a wild animal collecting permit, other than an 7942
applicant desiring to rehabilitate wild animals, shall pay an 7943
annual fee of ~~ten~~ twenty-five dollars for each permit. No fee 7944

rehabilitation and under any additional rules recommended by the 7951
wildlife council. Upon the receipt of a permit, the holder may 7952

department under ~~this chapter~~ sections 1551.01 to 1551.25 of the 9127

determine that all of the following criteria are met: 9158

(1) The urgency of public need for the potential results of 9159

pilot, or demonstration project or facility, which could include 9185
but not be limited to labor, feedstocks, and repair or replacement 9186
parts; 9187

(4) Purchase of all or a portion of the usable output of 9188
energy resource development experimental, pilot, or demonstration 9189
projects and the disposition of this output for use in the 9190

(D) Each grant made pursuant to this section shall be 9192
accomplished through written agreements between the department and 9193
the person or governmental agency which would effect the 9194
construction and operation of the project or facility, and between 9195
the department and the persons and governmental agencies which 9196
would share the expenses and costs of the project or facility. In 9197

by counsel, each agreement shall provide for each of the following 9199
conditions: 9200

doing business in this state, by local governmental agencies, or 9207
by other organizations; 9208

(3) The disposition of the assets of the project or facility, 9209
should it be terminated or abandoned, in such manner that the 9210
department shall be repaid in the same proportion as its share in 9211
the total of moneys, property, or other assets expended, 9212
contributed, or invested in the project or facility; 9213

(4) The criteria for the identification if and when the 9214
project or facility is commercially viable through the profitable 9215
disposition of its output; 9216

(5) The termination of the department's financial support at 9217
such time the project or facility is commercially viable and the 9218
repayment of the department through the future profits, if any, of 9219
the project or facility. 9220

Sec. 1551.311. The general assembly hereby finds and declares 9221
that the future of the Ohio coal industry lies in the development 9222
of clean coal technology and that the disproportionate economic 9223
impact on the state under Title IV of the "Clean Air Act 9224

of this section and the department of job and family services 10271
receives notice of a valid claim to the proceeds that has a higher 10272

government entity with the claim. 10276

Sec. 2117.06. (A) All creditors having claims against an 10277
estate, including claims arising out of contract, out of tort, on 10278

administrator within the appropriate time specified in division 10287
(B) of this section. For purposes of this division, if an executor 10288
or administrator is not a natural person, the writing shall be 10289
considered as being actually received by the executor or 10290
administrator only if the person charged with the primary 10291
responsibility of administering the estate of the decedent 10292

actually receives the writing within the appropriate time 10293

(B) ~~All~~ Except as provided in section 2117.061 of the Revised 10295
Code, all claims shall be presented within one year after the 10296
death of the decedent, whether or not the estate is released from 10297
administration or an executor or administrator is appointed during 10298
that one-year period. Every claim presented shall set forth the 10299
claimant's address. 10300

Code, a claim that is not presented within one year after the 10302
death of the decedent shall be forever barred as to all parties, 10303
including, but not limited to, devisees, legatees, and 10304
distributees. No payment shall be made on the claim and no action 10305

sections 2117.37 to 2117.42 of the Revised Code with reference to 10307
contingent claims. 10308

(D) In the absence of any prior demand for allowance, the 10309
executor or administrator shall allow or reject all claims, except 10310
tax assessment claims, within thirty days after their 10311
presentation, provided that failure of the executor or 10312
administrator to allow or reject within that time shall not 10313
prevent the executor or administrator from doing so after that 10314
time and shall not prejudice the rights of any claimant. Upon the 10315
allowance of a claim, the executor or the administrator, on demand 10316
of the creditor, shall furnish the creditor with a written 10317
statement or memorandum of the fact and date of the allowance. 10318

(E) If the executor or administrator has actual knowledge of 10319
a pending action commenced against the decedent prior to the 10320

executor or administrator in the pending action within ten days 10323
after acquiring that knowledge. If the administrator or executor 10324

is not a natural person, actual knowledge of a pending suit 10325
against the decedent shall be limited to the actual knowledge of 10326
the person charged with the primary responsibility of 10327

notice within the ten-day period does not extend the claim period 10329
established by this section. 10330

(F) This section applies to any person who is required to 10331
give written notice to the executor or administrator of a motion 10332
or application to revive an action pending against the decedent at 10333
the date of the death of the decedent. 10334

(G) Nothing in this section or in section 2117.07 of the 10335
Revised Code shall be construed to reduce the time mentioned in 10336
section 2125.02, 2305.09, 2305.10, 2305.11, 2305.113, or 2305.12 10337
of the Revised Code, provided that no portion of any recovery on a 10338
claim brought pursuant to any of those sections shall come from 10339
the assets of an estate unless the claim has been presented 10340
against the estate in accordance with Chapter 2117. of the Revised 10341

(J) The probate court shall not require an executor or 10355

administrator to make and return into the court a schedule of 10356

the assets of the estate prior to the expiration of the time for 10359
the filing of claims as set forth in this section, the executor or 10360
administrator shall provide notice on the account delivered to 10361
each distributee that the distributee may be liable to the estate 10362
up to the value of the distribution and may be required to return 10363
all or any part of the value of the distribution if a valid claim 10364
is subsequently made against the estate within the time permitted 10365
under this section. 10366

decedent was a recipient, the person responsible for the estate 10375
shall give written notice to that effect to the administrator of 10376
the estate recovery program instituted under section 5111.11 of 10377
the Revised Code not later than thirty days after the occurrence 10378

(D) The estate recovery program administrator shall present a 10387
claim for estate recovery to the person responsible for the estate 10388
or the person's legal representative not later than ninety days 10389

(2) The giving of written notice to an executor or 10452
administrator of a motion or application to revive an action 10453

section 2716.12 of the Revised Code. The copies of the order and 11523

earnings, now in the possession of the garnishee because they are 11679
exempt or if you feel that this order is improper for any other 11680
reason, you may request a hearing before this court by disputing 11681

(2) The judgment debtor may receive a hearing in accordance	11757
with this division by delivering a written request for hearing to	11758
the court within five business days after receipt of the notice	11759
provided pursuant to division (C)(1) of this section. The request	11760
may set forth the judgment debtor's reasons for disputing the	11761
judgment creditor's right to garnish the money, property, or	11762
credits, other than personal earnings; however, neither the	11763
judgment debtor's inclusion of nor failure to include those	11764
reasons upon the request constitutes a waiver of any defense of	11765
the judgment debtor or affects the judgment debtor's right to	11766

If the request is made by the judgment debtor within the prescribed time, the hearing shall be limited to a consideration of the amount of money, property, or credits, other than personal earnings, of the judgment debtor in the hands of the garnishee, if any, that can be used to satisfy all or part of the debt owed by the judgment debtor to the judgment creditor. If a request for a hearing is not received by the court within the prescribed time, the hearing scheduled pursuant to division (A) of this section shall be canceled unless the court grants the judgment debtor a continuance in accordance with division (C)(3) of this section.

(3) If the judgment debtor does not request a hearing in the action within the prescribed time pursuant to division (C)(2) of this section, the court nevertheless may grant a continuance of the scheduled hearing if the judgment debtor, prior to the time at which the hearing was scheduled, as indicated on the notice to the judgment debtor required by division (C)(1) of this section, establishes a reasonable justification for failure to request the hearing within the prescribed time. If the court grants a continuance of the hearing, it shall cause the matter to be set for hearing as soon as practicable thereafter. The continued hearing shall be conducted in accordance with division (C)(2) of this section.

(4) The court may conduct the hearing on the matter prior to the time at which the hearing was scheduled, as indicated on the notice to the judgment debtor required by division (C)(1) of this section, upon the request of the judgment debtor. The parties shall be sent notice, by the clerk of the court, by regular mail, of any change in the date, time, or place of the hearing.

(5) If the scheduled hearing is canceled and no continuance is granted, the court shall issue an order to the garnishee to pay all or some of the money, property, or credits, other than

personal earnings, of the judgment debtor in the possession of the 11799
garnishee at the time of service of the notice and order into 11800
court if they have not already been paid to the court. This order 11801
shall be based on the answer of the garnishee filed pursuant to 11802
this section. If the scheduled hearing is conducted or if it is 11803
continued and conducted, the court shall determine at the hearing 11804
the amount of the money, property, or credits, other than personal 11805
earnings, of the judgment debtor in the possession of the 11806
garnishee at the time of service of the notice and order, if any, 11807
that can be used to satisfy all or part of the debt owed by the 11808
judgment debtor to the judgment creditor, and issue an order, 11809
accordingly, to the garnishee to pay that amount into court if it 11810
has not already been paid to the court. 11811

(D) The notice to the judgment debtor form and the request 11812
for hearing form described in division (C) of this section shall 11813
be sent by the clerk by ordinary or regular mail service unless 11814
the judgment creditor requests that service be made in accordance 11815
with the Rules of Civil Procedure, in which case the forms shall 11816
be served in accordance with the Rules of Civil Procedure. Any 11817
court of common pleas that issues an order of garnishment of 11818
property, other than personal earnings, under this section has 11819
jurisdiction to serve process pursuant to this section upon a 11820
garnishee who does not reside within the jurisdiction of the 11821
court. Any county court or municipal court that issues an order of 11822
garnishment of property, other than personal earnings, under this 11823
section has jurisdiction to serve process pursuant to this section 11824
upon a garnishee who does not reside within the jurisdiction of 11825
the court. 11826

Sec. 2743.02. (A)(1) The state hereby waives its immunity 11827
from liability, except as provided for the office of the state 11828
fire marshal in division (G)(1) of section 9.60 and division (B) 11829
of section 3737.221 of the Revised Code and subject to division 11830

(H) of this section, and consents to be sued, and have its liability determined, in the court of claims created in this chapter in accordance with the same rules of law applicable to suits between private parties, except that the determination of liability is subject to the limitations set forth in this chapter and, in the case of state universities or colleges, in section 3345.40 of the Revised Code, and except as provided in division (A)(2) of this section. To the extent that the state has previously consented to be sued, this chapter has no applicability.

Except in the case of a civil action filed by the state, filing a civil action in the court of claims results in a complete waiver of any cause of action, based on the same act or omission, which the filing party has against any officer or employee, as defined in section 109.36 of the Revised Code. The waiver shall be void if the court determines that the act or omission was manifestly outside the scope of the officer's or employee's office or employment or that the officer or employee acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(2) If a claimant proves in the court of claims that an officer or employee, as defined in section 109.36 of the Revised Code, would have personal liability for the officer's or employee's acts or omissions but for the fact that the officer or employee has personal immunity under section 9.86 of the Revised Code, the state shall be held liable in the court of claims in any action that is timely filed pursuant to section 2743.16 of the Revised Code and that is based upon the acts or omissions.

(B) The state hereby waives the immunity from liability of all hospitals owned or operated by one or more political subdivisions and consents for them to be sued, and to have their liability determined, in the court of common pleas, in accordance with the same rules of law applicable to suits between private

parties, subject to the limitations set forth in this chapter. 11863
This division is also applicable to hospitals owned or operated by 11864
political subdivisions which have been determined by the supreme 11865
court to be subject to suit prior to July 28, 1975. 11866

(C) Any hospital, as defined in section 2305.113 of the 11867
Revised Code, may purchase liability insurance covering its 11868
operations and activities and its agents, employees, nurses, 11869
interns, residents, staff, and members of the governing board and 11870
committees, and, whether or not such insurance is purchased, may, 11871
to such extent as its governing board considers appropriate, 11872
indemnify or agree to indemnify and hold harmless any such person 11873
against expense, including attorney's fees, damage, loss, or other 11874
liability arising out of, or claimed to have arisen out of, the 11875
death, disease, or injury of any person as a result of the 11876
negligence, malpractice, or other action or inaction of the 11877
indemnified person while acting within the scope of the 11878
indemnified person's duties or engaged in activities at the 11879
request or direction, or for the benefit, of the hospital. Any 11880
hospital electing to indemnify such persons, or to agree to so 11881
indemnify, shall reserve such funds as are necessary, in the 11882
exercise of sound and prudent actuarial judgment, to cover the 11883
potential expense, fees, damage, loss, or other liability. The 11884
superintendent of insurance may recommend, or, if such hospital 11885
requests the superintendent to do so, the superintendent shall 11886
recommend, a specific amount for any period that, in the 11887
superintendent's opinion, represents such a judgment. This 11888
authority is in addition to any authorization otherwise provided 11889
or permitted by law. 11890

(D) Recoveries against the state shall be reduced by the 11891
aggregate of insurance proceeds, disability award, or other 11892
collateral recovery received by the claimant. This division does 11893
not apply to civil actions in the court of claims against a state 11894

university or college under the circumstances described in section 11895
3345.40 of the Revised Code. The collateral benefits provisions of 11896
division (B)(2) of that section apply under those circumstances. 11897

(E) The only defendant in original actions in the court of 11898
claims is the state. The state may file a third-party complaint or 11899
counterclaim in any civil action, except a civil action for two 11900
thousand five hundred dollars or less, that is filed in the court 11901
of claims. 11902

(F) A civil action against an officer or employee, as defined 11903
in section 109.36 of the Revised Code, that alleges that the 11904
officer's or employee's conduct was manifestly outside the scope 11905
of the officer's or employee's employment or official 11906
responsibilities, or that the officer or employee acted with 11907
malicious purpose, in bad faith, or in a wanton or reckless manner 11908
shall first be filed against the state in the court of claims, 11909
which has exclusive, original jurisdiction to determine, 11910
initially, whether the officer or employee is entitled to personal 11911
immunity under section 9.86 of the Revised Code and whether the 11912
courts of common pleas have jurisdiction over the civil action. 11913

The filing of a claim against an officer or employee under 11914
this division tolls the running of the applicable statute of 11915
limitations until the court of claims determines whether the 11916
officer or employee is entitled to personal immunity under section 11917
9.86 of the Revised Code. 11918

(G) Whenever a claim lies against an officer or employee who 11919
is a member of the Ohio national guard, and the officer or 11920
employee was, at the time of the act or omission complained of, 11921
subject to the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 11922
U.S.C. 2671, et seq., then the Federal Tort Claims Act is the 11923
exclusive remedy of the claimant and the state has no liability 11924
under this section. 11925

(H) If an inmate of a state correctional institution has a claim against the state for the loss of or damage to property and the amount claimed does not exceed three hundred dollars, before commencing an action against the state in the court of claims, the inmate shall file a claim for the loss or damage under the rules adopted by the director of rehabilitation and correction pursuant to this division. The inmate shall file the claim within the time allowed for commencement of a civil action under section 2743.16 of the Revised Code. If the state admits or compromises the claim, the director shall make payment from a fund designated by the director for that purpose. If the state denies the claim or does not compromise the claim at least sixty days prior to expiration of the time allowed for commencement of a civil action based upon the loss or damage under section 2743.16 of the Revised Code, the inmate may commence an action in the court of claims under this chapter to recover damages for the loss or damage.

The director of rehabilitation and correction shall adopt rules pursuant to Chapter 119. of the Revised Code to implement this division.

person serves the prison term in a state correctional institution, 11963
the director of rehabilitation and correction shall cause the DNA 11964
specimen to be collected from the person during the intake process 11965
at the reception facility designated by the director. If the 11966

pursuant to division (B)(1) of this section, prior to the person's 11985

serving a prison term or community residential sanction for 12003
committing an offense listed in division (D) of this section is on 12004

state correctional institution for a violation of the terms and 12010

release, or post-release control, if the person was or will be 12012
serving a term of imprisonment, prison term, or community 12013

(D) of this section, and if the person did not provide a DNA 12015

If the DNA specimen is collected by swabbing for buccal cells or a 12036
similarly noninvasive procedure, this section does not require 12037
that the DNA specimen be collected by a qualified medical 12038
practitioner of that nature. No later than fifteen days after the 12039
date of the collection of the DNA specimen, the director of 12040
rehabilitation and correction or the chief administrative officer 12041

determining the average daily membership or average daily 13586
attendance of any one school district. 13587

Sec. 3313.647. As used in this division, "graduate" means a 13588
person who has received a diploma from a district pursuant to 13589
section 3313.61 of the Revised Code. 13590

Pursuant to rules adopted by the state board of education, a 13591

such inclusion would result in additional state funds to the 13612
school district. 13613

The state board of education shall adopt rules for the 13614
adoption of a policy under this section and for the additional 13615
education program described under this section. 13616

Sec. 3313.90. As used in this section, "formula ADM" ~~has~~ and 13617
"average daily attendance" have the same ~~meaning~~ meanings as in 13618
section 3317.02 of the Revised Code. Notwithstanding division (D) 13619
of section 3311.19 and division (D) of section 3311.52 of the 13620
Revised Code, the provisions of this section that apply to a city 13621

By the thirtieth day of October of each year, the 13644
superintendent of public instruction shall determine and certify 13645
to the superintendent of each school district subject to this 13646
section either that the district is in compliance with the 13647
requirements of this section for the current school year or that 13648
the district is not in compliance. If the superintendent certifies 13649
that the district is not in compliance, he shall notify the board 13650

certificated by the state department of education, or in a 13668
combination of such ways. Exceptions to the minimum requirement of 13669
fifteen hundred pupils may be made by the state board of education 13670
based on sparsity of population or other factors indicating that 13671
comprehensive educational and vocational programs as required by 13672
this section can be provided through an alternate plan. 13673

(B) Approval of state funds for the construction and 13674
operation of vocational facilities in any city, local, or exempted 13675
village school district shall be contingent upon a comprehensive 13676
vocational program plan approved by the state board of education 13677

14962

(D) All activities of the coordinator for community schools shall be supported by an annual fee paid by each community school that elects to utilize its services. affected parties that an appeal has been filed and shall hold a 14979
hearing on the matter. Following the hearing, the executive 14980
director shall issue a written finding. If the executive director 14981
finds that the consortium member's enrollment has been calculated 14982
incorrectly, the department shall adjust the amounts subtracted 14983
and paid under divisions (C) and (D) of section 3314.08 of the 14984
Revised Code to reflect the correct enrollment. The state board 14985
shall adopt rules governing appeal procedures under this division. 14986

(G) Nothing in this section shall be construed to require a 14987
community school to utilize the services of the coordinator for 14988
community schools. 14989

Sec. 3316.08. During a school district's fiscal emergency 14990
period, the auditor of state shall determine annually, or at any 14991
other time upon request of the financial planning and supervision 14992
commission, whether the school district will incur an operating 14993
deficit. If the auditor of state determines that a school district 14994
will incur an operating deficit, the auditor of state shall 14995
certify that determination to the superintendent of public 14996
instruction, the financial planning and supervision commission, 14997
and the board of education of the school district. Upon receiving 14998

a resolution for the levy of such a tax, the board of education 15004
and commission each shall adopt a resolution that explains the 15005
decision to propose or not propose such a levy. Except as 15006
otherwise provided in this division, the tax shall be levied in 15007
the manner prescribed for a tax levied under section 5705.194 or 15008

~~education for the purpose of reducing or eliminating operating~~ 15017
~~deficits~~ generate an amount that would produce a positive fiscal 15018
year end cash balance not later than the fifth year of the 15019
district's current five-year forecast submitted under section 15020
5705.391 of the Revised Code, as determined by the financial 15021
planning and supervision commission in consultation with the 15022
district treasurer. The rate of a tax levied under section 15023
5705.194 or 5705.21 of the Revised Code shall be determined by the 15024
county auditor, and the rate of a tax levied under section 5748.02 15025
or 5748.08 of the Revised Code shall be determined by the tax 15026
commissioner, upon the request of the commission. The commission 15027
shall determine the election at which the question of the tax 15028
shall appear on the ballot, and the board of education or 15029
commission shall submit a copy of its resolution to the board of 15030
elections not later than seventy-five days prior to the day of 15031
that election. The board of elections conducting the election 15032
shall certify the results of the election to the board of 15033
education and to the financial planning and supervision 15034
commission. 15035

Sec. 3317.01. As used in this section and section 3317.011 of 15036
the Revised Code, "school district," unless otherwise specified, 15037
means any city, local, exempted village, joint vocational, or 15038
cooperative education school district and any educational service 15039
center. 15040

This chapter shall be administered by the state board of 15041
education. The superintendent of public instruction shall 15042

calculate the amounts payable to each school district and shall 15043
certify the amounts payable to each eligible district to the 15044
treasurer of the district as provided by this chapter. No moneys 15045
shall be distributed pursuant to this chapter without the approval 15046
of the controlling board. 15047

The state board of education shall, in accordance with 15048
appropriations made by the general assembly, meet the financial 15049
obligations of this chapter. 15050

Annually, the department of education shall calculate and 15051
report to each school district the district's total state and 15052
local funds for providing an adequate basic education to the 15053
district's nonhandicapped students, utilizing the determination in 15054
section 3317.012 of the Revised Code. In addition, the department 15055
shall calculate and report separately for each school district the 15056
district's total state and local funds for providing an adequate 15057
education for its handicapped students, utilizing the 15058
determinations in both sections 3317.012 and 3317.013 of the 15059
Revised Code. 15060

Not later than the thirty-first day of August of each fiscal 15061
year, the department of education shall provide to each school 15062
district and county MR/DD board a preliminary estimate of the 15063
amount of funding that the department calculates the district will 15064
receive under each of divisions (C)(1) and (4) of section 3317.022 15065
of the Revised Code. No later than the first day of December of 15066
each fiscal year, the department shall update that preliminary 15067
estimate. 15068

Moneys distributed pursuant to this chapter shall be 15069
calculated and paid on a fiscal year basis, beginning with the 15070
first day of July and extending through the thirtieth day of June. 15071
The moneys appropriated for each fiscal year shall be distributed 15072
at least monthly to each school district unless otherwise provided 15073
for. The state board shall submit a yearly distribution plan to 15074

the controlling board at its first meeting in July. The state 15075
board shall submit any proposed midyear revision of the plan to 15076
the controlling board in January. Any year-end revision of the 15077
plan shall be submitted to the controlling board in June. If 15078
moneys appropriated for each fiscal year are distributed other 15079
than monthly, such distribution shall be on the same basis for 15080
each school district. 15081

The total amounts paid each month shall constitute, as nearly 15082
as possible, one-twelfth of the total amount payable for the 15083
entire year. Monthly payments of the district's base cost funding 15084
shall be made by dividing by twelve the amount calculated using 15085
the average daily attendance appropriate for that month under 15086
division (A)(1) of section 3317.022, division (B) of section 15087
3317.16, or division (C) of section 3317.0217 of the Revised Code, 15088
as applicable. Payments made during the first six months of the 15089
fiscal year may be based on an estimate of the amounts payable for 15090
the entire year. Payments made in the last six months shall be 15091
based on the final calculation of the amounts payable to each 15092
school district for that fiscal year. Payments made in the last 15093
six months may be adjusted, if necessary, to correct the amounts 15094
distributed in the first six months, and to reflect enrollment 15095
increases when such are at least three per cent. Except as 15096
otherwise provided, payments under this chapter shall be made only 15097
to those school districts in which: 15098

(A) The school district, except for any educational service 15099
center and any joint vocational or cooperative education school 15100
district, levies for current operating expenses at least twenty 15101
mills. Levies for joint vocational or cooperative education school 15102
districts or county school financing districts, limited to or to 15103
the extent apportioned to current expenses, shall be included in 15104
this qualification requirement. School district income tax levies 15105
under Chapter 5748. of the Revised Code, limited to or to the 15106

extent apportioned to current operating expenses, shall be 15107
included in this qualification requirement to the extent 15108
determined by the tax commissioner under division (D) of section 15109
3317.021 of the Revised Code. 15110

(B) The school year next preceding the fiscal year for which 15111
such payments are authorized meets the requirement of section 15112
3313.48 or 3313.481 of the Revised Code, with regard to the 15113
minimum number of days or hours school must be open for 15114
instruction with pupils in attendance, for individualized 15115
parent-teacher conference and reporting periods, and for 15116
professional meetings of teachers. This requirement shall be 15117
waived by the superintendent of public instruction if it had been 15118
necessary for a school to be closed because of disease epidemic, 15119
hazardous weather conditions, inoperability of school buses or 15120
other equipment necessary to the school's operation, damage to a 15121
school building, or other temporary circumstances due to utility 15122
failure rendering the school building unfit for school use, 15123
provided that for those school districts operating pursuant to 15124
section 3313.48 of the Revised Code the number of days the school 15125
was actually open for instruction with pupils in attendance and 15126
for individualized parent-teacher conference and reporting periods 15127
is not less than one hundred seventy-five, or for those school 15128
districts operating on a trimester plan the number of days the 15129
school was actually open for instruction with pupils in attendance 15130
not less than seventy-nine days in any trimester, for those school 15131
districts operating on a quarterly plan the number of days the 15132
school was actually open for instruction with pupils in attendance 15133
not less than fifty-nine days in any quarter, or for those school 15134
districts operating on a pentamester plan the number of days the 15135
school was actually open for instruction with pupils in attendance 15136
not less than forty-four days in any pentamester. 15137

A school district shall not be considered to have failed to 15138

comply with this division or section 3313.481 of the Revised Code 15139
because schools were open for instruction but either twelfth grade 15140
students were excused from attendance for up to three days or only 15141
a portion of the kindergarten students were in attendance for up 15142
to three days in order to allow for the gradual orientation to 15143
school of such students. 15144

The superintendent of public instruction shall waive the 15145
requirements of this section with reference to the minimum number 15146
of days or hours school must be in session with pupils in 15147
attendance for the school year succeeding the school year in which 15148
a board of education initiates a plan of operation pursuant to 15149
section 3313.481 of the Revised Code. The minimum requirements of 15150
this section shall again be applicable to such a district 15151
beginning with the school year commencing the second July 15152
succeeding the initiation of one such plan, and for each school 15153
year thereafter. 15154

A school district shall not be considered to have failed to 15155
comply with this division or section 3313.48 or 3313.481 of the 15156
Revised Code because schools were open for instruction but the 15157
length of the regularly scheduled school day, for any number of 15158
days during the school year, was reduced by not more than two 15159
hours due to hazardous weather conditions. 15160

(C) The school district has on file, and is paying in 15161
accordance with, a teachers' salary schedule which complies with 15162
section 3317.13 of the Revised Code. 15163

A board of education or governing board of an educational 15164
service center which has not conformed with other law and the 15165
rules pursuant thereto, shall not participate in the distribution 15166
of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 15167
3317.16, 3317.17, and 3317.19 of the Revised Code, except for good 15168
and sufficient reason established to the satisfaction of the state 15169
board of education and the state controlling board. 15170

All funds allocated to school districts under this chapter, 15171
except those specifically allocated for other purposes, shall be 15172
used to pay current operating expenses only. 15173

Sec. 3317.012. (A)(1) The general assembly, having analyzed 15174
school district expenditure and cost data for fiscal year 1999, 15175
performed the calculation described in division (B) of this 15176
section, adjusted the results for inflation, and added the amounts 15177
described in division (A)(2) of this section, hereby determines 15178
that the base cost of an adequate education per pupil for the 15179
fiscal year beginning July 1, 2001, is \$4,814. For the ~~five~~ three 15180
following fiscal years, the base cost per pupil for each of those 15181
years, reflecting an annual rate of inflation of two and 15182
eight-tenths per cent, is \$4,949 for fiscal year 2003, \$5,088 for 15183
fiscal year 2004, and \$5,230 for fiscal year 2005, ~~\$5,376 for~~ 15184
~~fiscal year 2006, and \$5,527 for fiscal year 2007.~~ 15185

(2) The base cost per pupil amounts specified in division 15186
(A)(1) of this section include amounts to reflect the cost to 15187
school districts of increasing the minimum number of high school 15188
academic units required for graduation beginning September 15, 15189
2001, under section 3313.603 of the Revised Code. Analysis of 15190
fiscal year 1999 data revealed that the school districts meeting 15191
the requirements of division (B) of this section on average 15192
required high school students to complete a minimum of nineteen 15193
and eight-tenths units to graduate. The general assembly 15194
determines that the cost of funding the additional two-tenths unit 15195
required by section 3313.603 of the Revised Code is \$12 per pupil 15196
in fiscal year 2002. This amount was added after the calculation 15197
described in division (B) of this section and the adjustment for 15198
inflation from fiscal year 1999 to fiscal year 2002. It is this 15199
total amount, the calculated base cost plus the supplement to pay 15200
for the additional partial unit, that constitutes the base cost 15201

amount specified in division (A)(1) of this section for fiscal 15202
year 2002 and that is inflated to produce the base cost amounts 15203
for fiscal years 2003 through ~~2007~~ 2005. 15204

(B) In determining the base cost stated in division (A) of 15205
this section, capital and debt costs, costs paid for by federal 15206
funds, and costs covered by funds provided for disadvantaged pupil 15207
impact aid and transportation were excluded, as were the effects 15208
on the districts' state funds of the application of the 15209
cost-of-doing-business factors, assuming a seven and one-half per 15210
cent variance. 15211

The base cost for fiscal year 1999 was calculated as the 15212
unweighted average cost per student, on a school district basis, 15213
of educating students who were not receiving vocational education 15214
or services pursuant to Chapter 3323. of the Revised Code and who 15215
were enrolled in a city, exempted village, or local school 15216
district that in fiscal year 1999 met all of the following 15217
criteria: 15218

(1) The district met at least twenty of the following 15219
twenty-seven performance indicators: 15220

division (A)(2) of section 3301.0710 of the Revised Code;	15239
(h) At least seventy-five per cent of sixth graders	15240

(A)(2) of section 3301.0710 of the Revised Code;	15242
(i) At least seventy-five per cent of sixth graders	15243

(l) At least seventy-five per cent of ninth graders	15252

(q) At least eighty-five per cent of tenth graders proficient on the mathematics test prescribed under Section 4 of Am. Sub. S.B. 55 of the 122nd general assembly;	15267 15268 15269

(y) At least sixty per cent of twelfth graders proficient on	15291

the citizenship test prescribed under former division (A)(3) of 15292
section 3301.0710 of the Revised Code; 15293

(z) At least sixty per cent of twelfth graders proficient on 15294
the science test prescribed under former division (A)(3) of 15295
section 3301.0710 of the Revised Code; 15296

(aa) An attendance rate for the year of at least ninety-three 15297
per cent as defined in section 3302.01 of the Revised Code. 15298

In determining whether a school district met any of the 15299
performance standards specified in divisions (B)(1)(a) to (aa) of 15300
this section, the general assembly used a rounding procedure 15301
previously recommended by the department of education. It is the 15302
same rounding procedure the general assembly used in 1998 to 15303
determine whether a district had met the standards of former 15304
divisions (B)(1)(a) to (r) of this section for purposes of 15305
constructing the previous model based on fiscal year 1996 data. 15306

(2) The district was not among the five per cent of all 15307
districts with the highest income, nor among the five per cent of 15308
all districts with the lowest income. 15309

(3) The district was not among the five per cent of all 15310
districts with the highest valuation per pupil, nor among the five 15311
per cent of all districts with the lowest valuation per pupil. 15312

This model for calculating the base cost of an adequate 15313
education is expenditure-based. The general assembly recognizes 15314
that increases in state funding to school districts since fiscal 15315
year 1996, the fiscal year upon which the general assembly based 15316
its model for calculating state funding to school districts for 15317
fiscal years 1999 through 2001, has increased school district base 15318
cost expenditures for fiscal year 1999, the fiscal year upon which 15319
the general assembly based its model for calculating state funding 15320
for fiscal years 2002 through ~~2007~~ 2005. In the case of school 15321
districts included in the fiscal year 1999 model that also had met 15322

the fiscal year 1996 performance criteria of former division 15323
(B)(1) of this section, the increased state funding may have 15324
driven the districts' expenditures beyond the expenditures that 15325
were actually needed to maintain their educational programs at the 15326
level necessary to maintain their ability to meet the fiscal year 15327
1999 performance criteria of current division (B)(1) of this 15328
section. The general assembly has determined to control for this 15329
effect by stipulating in the later model that the fiscal year 1999 15330
base cost expenditures of the districts that also met the 15331
performance criteria of former division (B)(1) of this section 15332
equals their base cost expenditures per pupil for fiscal year 15333
1996, inflated to fiscal year 1999 using an annual rate of 15334
inflation of two and eight-tenths per cent. However, if this 15335
inflated amount exceeded the district's actual fiscal year 1999 15336
base cost expenditures per pupil, the district's actual fiscal 15337
year 1999 base cost expenditures per pupil were used in the 15338
calculation. For districts in the 1999 model that did not also 15339
meet the performance criteria of former division (B)(1) of this 15340
section, the actual 1999 base cost per pupil expenditures were 15341
used in the calculation of the average district per pupil costs of 15342
the model districts. 15343

~~(C) In July of 2005, and in July of every six years 15344
thereafter, the speaker of the house of representatives and the 15345
president of the senate shall each appoint three members to a 15346
committee to reexamine the cost of an adequate education. No more 15347
than two members from any political party shall represent each 15348
house. The director of budget and management and the 15349
superintendent of public instruction shall serve as nonvoting ex 15350
officio members of the committee. 15351~~

~~The committee shall select a rational methodology for 15352
calculating the costs of an adequate education system for the 15353
ensuing six year period, and shall report the methodology and the 15354~~

~~resulting costs to the general assembly. In performing its 15355
function, the committee is not bound by any method used by 15356
previous general assemblies to examine and calculate costs and 15357
instead may utilize any rational method it deems suitable and 15358
reasonable given the educational needs and requirements of the 15359
state at that time. 15360~~

~~The methodology for determining the cost of an adequate 15361
education system shall take into account the basic educational 15362
costs that all districts incur in educating regular students, the 15363
unique needs of special categories of students, and significant 15364
special conditions encountered by certain classifications of 15365
school districts. 15366~~

~~The committee also shall redetermine, for purposes of 15367
updating the parity aid calculation under section 3317.0217 of the 15368
Revised Code, the average number of effective operating mills that 15369
school districts in the seventieth to ninetieth percentiles of 15370
valuations per pupil collect above the revenues required to 15371
finance their attributed local shares of the calculated cost of an 15372
adequate education. 15373~~

~~Any committee appointed pursuant to this section shall make 15374
its report to the office of budget and management and the general 15375
assembly within one year of its appointment so that the 15376
information is available for use by the office and the general 15377
assembly in preparing the next biennial appropriations act. 15378~~

~~(D)(1) For purposes of this division, an "update year" is the 15379
first fiscal year for which the per pupil base cost of an adequate 15380
education is in effect after being recalculated by the general 15381
assembly. The first update year is fiscal year 2002. The second 15382
update year is fiscal year 2008. 15383~~

~~(2) The general assembly shall recalculate the per pupil base 15384
cost of an adequate education every six years after considering 15385~~

~~the recommendations of the committee appointed under division (C) 15386
of this section. At the time of the recalculation, for each of the 15387
five fiscal years following the update year, the general assembly 15388
shall adjust the base cost recalculated for the update year using 15389
an annual rate of inflation that the general assembly determines 15390
appropriate. 15391~~

~~(3) The general assembly shall include, in the act 15392
appropriating state funds for education programs for a fiscal 15393
biennium that begins with an update year, a statement of its 15394
determination of the total state share percentage of base cost and 15395
parity aid funding for the update year. 15396~~

~~(4) During its biennial budget deliberations, the general 15397
assembly shall determine the total state share percentage of base 15398
cost and parity aid funding for each fiscal year of the upcoming 15399
biennium. This determination shall be based on the latest 15400
projections and data provided by the department of education under 15401
division (D)(6) of this section prior to the enactment of 15402
education appropriations for the upcoming biennium. If, based on 15403
those latest projections and data, the general assembly determines 15404
that the total state share percentage for either or both nonupdate 15405
fiscal years varies more than two and one half percentage points 15406
more or less than the total state share percentage for the most 15407
recent update year, as previously stated by the general assembly 15408
under division (D)(3) of this section, the general assembly shall 15409
determine and enact a method that it considers appropriate to 15410
restrict the estimated variance for each year to within two and 15411
one half percentage points. The general assembly's methods may 15412
include, but are not required to include and need not be limited 15413
to, reexamining the rate of millage charged off as the local share 15414
of base cost funding under divisions (A)(1) and (2) of section 15415
3317.022 of the Revised Code. Regardless of any changes in 15416
charge off millage rates in years between update years, however, 15417~~

~~the charge off millage rate for update years shall be twenty three 15418
mills, unless the general assembly determines that a different 15419
millage rate is more appropriate to share the total calculated 15420
base cost between the state and school districts. 15421~~

~~(5) The total state share percentage of base cost and parity 15422
aid funding for any fiscal year is calculated as follows: 15423~~

~~[(Total state base cost + total state parity aid funding) 15424
statewide charge off amount] / (Total state base cost + total 15425
state parity aid funding) 15426~~

~~Where: 15427~~

~~(a) The total state base cost equals the sum of the base 15428
costs for all school districts for the fiscal year. 15429~~

~~(b) The base cost for each school district equals: 15430~~

~~formula amount X cost of doing business factor X 15431~~

~~the greater of formula ADM or 15432~~

~~three year average formula ADM 15433~~

~~(c) The total state parity aid funding equals the sum of the 15434
amounts paid to all school districts for the fiscal year under 15435
section 3317.0217 of the Revised Code. 15436~~

~~(d) The statewide charge off amount equals the sum of the 15437
charge off amounts for all school districts. 15438~~

~~(e) The charge off amount for each school district is the 15439~~

~~amount calculated as its local share of base cost funding and 15440~~

~~deducted from the total calculated base cost to determine the 15441~~

~~amount of its state payment under divisions (A)(1) and (2) of 15442~~

~~section 3317.022 of the Revised Code. The charge off amount for 15443~~

~~each school district in fiscal year 2002 is the product of 15444~~

~~twenty three mills multiplied by the district's recognized 15445~~

~~valuation as adjusted, if applicable, under division (A)(2) of 15446~~

~~section 3317.022 of the Revised Code. If however, in any fiscal 15447~~

~~year, including fiscal year 2002, a school district's calculated 15448~~

~~charge off amount exceeds its base cost calculated as described in 15449
division (D)(5)(b) of this section, the district's charge off 15450
amount shall be deemed to equal its calculated base cost. 15451~~

~~(6) Whenever requested by the chairperson of the standing 15452
committee of the house or representatives or the senate having 15453
primary jurisdiction over appropriations, the legislative budget 15454
officer, or the director of budget and management, the department 15455
of education shall report its latest projections for total base 15456
cost, total parity aid funding, and the statewide charge off 15457
amount, as those terms are defined in division (D)(5) of this 15458
section, for each year of the upcoming fiscal biennium, and all 15459
data it used to make the projections. 15460~~

Sec. 3317.013. This section does not apply to handicapped 15461
preschool students. 15462

Analysis of special education cost data has resulted in a 15463
finding that the average special education additional cost per 15464
pupil, including the costs of related services, can be expressed 15465
as a multiple of the base cost per pupil calculated under section 15466
3317.012 of the Revised Code. The multiples for the following 15467
categories of special education programs, as these programs are 15468
defined for purposes of Chapter 3323. of the Revised Code, and 15469
adjusted as provided in this section, are as follows: 15470

(A) A multiple of 0.2892 for students whose primary or only 15471
identified handicap is a speech and language handicap, as this 15472
term is defined pursuant to Chapter 3323. of the Revised Code; 15473

(B) A multiple of 0.3691 for students identified as specific 15474
learning disabled or developmentally handicapped, as these terms 15475
are defined pursuant to Chapter 3323. of the Revised Code, or 15476
other health handicapped-minor; 15477

(C) A multiple of 1.7695 for students identified as hearing 15478

handicapped, vision impaired, or severe behavior handicapped, as 15479
these terms are defined pursuant to Chapter 3323. of the Revised 15480
Code; 15481

(D) A multiple of 2.3646 for students identified as 15482
orthopedically handicapped, as this term is defined pursuant to 15483
Chapter 3323. of the Revised Code or other health handicapped - 15484
major; 15485

(E) A multiple of 3.1129 for students identified as 15486
multihandicapped, as this term is defined pursuant to Chapter 15487
3323. of the Revised Code; 15488

(F) A multiple of 4.7342 for students identified as autistic, 15489
having traumatic brain injuries, or as both visually and hearing 15490
disabled, as these terms are defined pursuant to Chapter 3323. of 15491
the Revised Code. 15492

In fiscal year 2002 years 2004 and 2005, the multiples 15493
specified in divisions (A) to (F) of this section shall be 15494
adjusted by multiplying them by 0.825. In fiscal year 2003, the 15495
multiples specified in those divisions shall be adjusted by 15496
multiplying them by 0.875 for purposes of calculating the state 15497
and local shares of special education and related services 15498
additional weighted funding, the department of education shall 15499
determine a percentage with which it shall adjust the multiples 15500
specified in divisions (A) to (F) of this section so that the 15501
adjusted multiples generate state funding equal to the amount 15502
appropriated for the state share of special education and related 15503
services additional weighted funding. The department shall certify 15504
the fiscal year 2004 percentage to the office of budget and 15505
management not later than July 30, 2003, and shall certify the 15506
fiscal year 2005 percentage to the office not later than July 30, 15507
2004. The department may adjust the percentage in effect during 15508
each fiscal year if updated data indicate that that percentage 15509
will generate state share funding that is greater than or less 15510

than the amount appropriated for it. The department shall notify 15511
the office of budget and management each time it adjusts the 15512
percentage and provide the office with the data justifying the 15513
adjustment. 15514

In fiscal years 2004 and 2005, not less than one hundred per 15515
cent of the unadjusted average special education additional cost 15516
per pupil, represented by the unadjusted multiples of the base 15517
cost per pupil specified in divisions (A) to (F) of this section, 15518
shall be funded through a combination of the state and local 15519
shares of special education and related services additional 15520
weighted funding as calculated under this chapter and federal 15521
special education funds passed through to city, local, exempted 15522
village, and joint vocational school districts. Not later than May 15523
30, 2004, and May 30, 2005, the department shall submit to the 15524
office of budget and management a report that specifies for each 15525
city, local, exempted village, and joint vocational school 15526
district the fiscal year allocation of the state and local shares 15527
of special education and related services additional weighted 15528
funding and federal special education funds passed through to the 15529
district. 15530

Sec. 3317.02. As used in this chapter: 15531

(A) Unless otherwise specified, "school district" means city, 15532
local, and exempted village school districts. 15533

(B) "Formula amount" means the base cost for the fiscal year 15534
specified in section 3317.012 of the Revised Code. 15535

(C) "FTE basis" means a count of students based on full-time 15536
equivalency, in accordance with rules adopted by the department of 15537
education pursuant to section 3317.03 of the Revised Code. In 15538
adopting its rules under this division, the department shall 15539
provide for counting any student in category one, two, three, 15540
four, five, or six special education ADM or in category one or two 15541

vocational education ADM in the same proportion the student is 15542
counted in formula ADM or average daily attendance. 15543

(D)(1) "Formula ADM" means, for a city, local, or exempted 15544
village school district, the number reported pursuant to division 15545
(A) of section 3317.03 of the Revised Code, and for a joint 15546
vocational school district, the number reported pursuant to 15547
division (D) of that section. 15548

(2) "Three-year average formula ADM" means the average of 15549
formula ADMs for the current and preceding two fiscal years. 15550
However, as applicable in fiscal years 1999 and 2000, the 15551
three-year average for city, local, and exempted village school 15552
districts shall be determined utilizing the FY 1997 ADM or FY 1998 15553
ADM in lieu of formula ADM for fiscal year 1997 or 1998. In fiscal 15554
years 2000 and 2001, the three-year average for joint vocational 15555
school districts shall be determined utilizing the average daily 15556
membership reported in fiscal years 1998 and 1999 under division 15557
(D) of section 3317.03 of the Revised Code in lieu of formula ADM 15558
for fiscal years 1998 and 1999. 15559

~~(E)~~(3) "FY 1997 ADM" or "FY 1998 ADM" means the school 15560
district's average daily membership reported for the applicable 15561
fiscal year under the version of division (A) of section 3317.03 15562
of the Revised Code in effect during that fiscal year, adjusted as 15563
follows: 15564

~~(1)~~(a) Minus the average daily membership of handicapped 15565
preschool children; 15566

~~(2)~~(b) Minus one-half of the average daily membership 15567
attending kindergarten; 15568

~~(3)~~(c) Minus three-fourths of the average daily membership 15569
attending a joint vocational school district; 15570

~~(4)~~(d) Plus the average daily membership entitled under 15571
section 3313.64 or 3313.65 of the Revised Code to attend school in 15572

the district but receiving educational services in approved units 15573
from an educational service center or another school district 15574
under a compact or a cooperative education agreement, as 15575
determined by the department; 15576

~~(5)~~(e) Minus the average daily membership receiving 15577
educational services from the district in approved units but 15578
entitled under section 3313.64 or 3313.65 of the Revised Code to 15579
attend school in another school district, as determined by the 15580
department. 15581

(E) "Average daily attendance" means the average daily 15582
attendance reported for the prior month under section 3317.034 of 15583
the Revised Code. For purposes of calculating payments under 15584
division (A)(1) of section 3317.022, division (B) of section 15585
3317.16, and section 3317.0217 of the Revised Code in July, 15586
August, and September, the department of education shall use the 15587
average daily attendance reported for the prior May. 15588

(F)(1) "Category one special education ADM" means the average 15589
daily membership of handicapped children receiving special 15590
education services for the handicap specified in division (A) of 15591

compute and distribute state base cost funding to each school 15808
district for the fiscal year in accordance with the following 15809
formula, making any adjustment required by division (A)(2) of this 15810
section and using the information obtained under section 3317.021 15811
of the Revised Code in the calendar year in which the fiscal year 15812
begins. 15813

Compute the following for each eligible district: 15814

$$\{(\text{cost-of-doing-business factor X}$$
 15815
$$\text{the formula amount X } (\text{the greater of formula ADM}$$
 15816

 15817
$$\text{average daily attendance) -}$$
 15818
$$(.023 \text{ X recognized valuation})$$

If the difference obtained is a negative number, the 15820
district's computation shall be zero. 15821

(2)(a) For each school district for which the tax exempt 15822
value of the district equals or exceeds twenty-five per cent of 15823

the potential value of the district, the department of education 15824
shall calculate the difference between the district's tax exempt 15825
value and twenty-five per cent of the district's potential value. 15826

(b) For each school district to which division (A)(2)(a) of 15827
this section applies, the department shall adjust the recognized 15828
valuation used in the calculation under division (A)(1) of this 15829
section by subtracting from it the amount calculated under 15830
division (A)(2)(a) of this section. 15831

(B) As used in this section: 15832

(1) The "total special education weight" for a district means 15833

that year under that division, the district's state share 15858
percentage is zero. 15859

(b) If the district would receive state base cost funding 15860
under that division, divide that amount by an amount equal to the 15861
following: 15862

in accordance with their individualized education plans.	15887
(4) The "total vocational education weight" for a district	15888
means the sum of the following amounts:	15889

threshold catastrophic cost for serving the student, the district 15914
may submit to the superintendent of public instruction 15915
documentation, as prescribed by the superintendent, of all its 15916
costs for that student. Upon submission of documentation for a 15917
student of the type and in the manner prescribed, the department 15918
shall pay to the district an amount equal to the sum of the 15919
following: 15920

dollars in fiscal year 2002 and twenty-five thousand seven hundred 15930
dollars in fiscal ~~year~~ years 2003, 2004, and 2005; 15931

(ii) For a student in the district's category six special 15932
education ADM, thirty thousand dollars in fiscal year 2002 and 15933
thirty thousand eight hundred forty dollars in fiscal ~~year~~ years 15934
2003, 2004, and 2005. 15935

~~The threshold catastrophic costs for fiscal year 2003 15936
represent a two and eight tenths per cent inflationary increase 15937
over fiscal year 2002. 15938~~

(c) The district shall only report under division (C)(3)(a) 15939
of this section, and the department shall only pay for, the costs 15940
of educational expenses and the related services provided to the 15941
student in accordance with the student's individualized education 15942
program. Any legal fees, court costs, or other costs associated 15943
with any cause of action relating to the student may not be 15944

included in the amount. 15945

~~(5)~~(4)(a) As used in this division, the "personnel allowance" 15946

(b) For the provision of speech services to students, 15949
including students who do not have individualized education 15950
programs prepared for them under Chapter 3323. of the Revised 15951
Code, and for no other purpose, the department of education shall 15952
pay each school district an amount calculated under the following 15953
formula: 15954

(formula ADM divided by 2000) X 15955
the personnel allowance X the state share percentage 15956

(5) In any fiscal year, a school district shall spend for 15957
purposes that the department designates as approved for special 15958
education and related services expenses at least the amount 15959
calculated as follows: 15960

(cost-of-doing-business factor X 15961
formula amount X the sum of categories 15962
one through six special education ADM) + 15963
(total special education weight X formula amount) 15964

The purposes approved by the department for special education 15965
expenses shall include, but shall not be limited to, 15966
identification of handicapped children, compliance with state 15967
rules governing the education of handicapped children and 15968
prescribing the continuum of program options for handicapped 15969
children, and the portion of the school district's overall 15970
administrative and overhead costs that are attributable to the 15971
district's special education student population. 15972

The department shall require school districts to report data 15973
annually to allow for monitoring compliance with division (C)(5) 15974
of this section. The department shall annually report to the 15975

governor and the general assembly the amount of money spent by 15976
each school district for special education and related services. 15977

(D)(1) As used in this division: 15978

(a) "Daily bus miles per student" equals the number of bus 15979
miles traveled per day, divided by transportation base. 15980

(b) "Transportation base" equals total student count as 15981
defined in section 3301.011 of the Revised Code, minus the number 15982
of students enrolled in preschool handicapped units, plus the 15983
number of nonpublic school students included in transportation 15984
ADM. 15985

(c) "Transported student percentage" equals transportation 15986
ADM divided by transportation base. 15987

(d) "Transportation cost per student" equals total operating 15988
costs for board-owned or contractor-operated school buses divided 15989
by transportation base. 15990

(2) Analysis of student transportation cost data has resulted 15991
in a finding that an average efficient transportation use cost per 15992
student can be calculated by means of a regression formula that 15993
has as its two independent variables the number of daily bus miles 15994
per student and the transported student percentage. For fiscal 15995
year 1998 transportation cost data, the average efficient 15996
transportation use cost per student is expressed as follows: 15997

51.79027 + (139.62626 X daily bus miles per student) + 15998
(116.25573 X transported student percentage) 15999

The department of education shall annually determine the 16000
average efficient transportation use cost per student in 16001
accordance with the principles stated in division (D)(2) of this 16002
section, updating the intercept and regression coefficients of the 16003
regression formula modeled in this division, based on an annual 16004
statewide analysis of each school district's daily bus miles per 16005
student, transported student percentage, and transportation cost 16006

per student data. The department shall conduct the annual update 16007
using data, including daily bus miles per student, transported 16008
student percentage, and transportation cost per student data, from 16009
the prior fiscal year. The department shall notify the office of 16010
budget and management of such update by the fifteenth day of 16011
February of each year. 16012

(3) In addition to funds paid under divisions (A), (C), and 16013
(E) of this section, each district with a transported student 16014
percentage greater than zero shall receive a payment equal to a 16015
percentage of the product of the district's transportation base 16016
from the prior fiscal year times the annually updated average 16017
efficient transportation use cost per student, times an inflation 16018
factor of two and eight tenths per cent to account for the 16019
one-year difference between the data used in updating the formula 16020
and calculating the payment and the year in which the payment is 16021
made. The percentage shall be the following percentage of that 16022
product specified for the corresponding fiscal year: 16023

FISCAL YEAR	PERCENTAGE	
2000	52.5%	16025

division (D)(5) of this section; 16037

(b) Its district student density is lower than the statewide 16038
student density, as those terms are defined in that division. 16039

(5) The rough road subsidy paid to each district meeting the 16040

calculated in accordance with the following formula: 16042

(per rough mile subsidy X total rough road miles) X 16043
density multiplier 16044

where: 16045

(a) "Per rough mile subsidy" equals the amount calculated in 16046
accordance with the following formula: 16047

0.75 - {0.75 X [(maximum rough road percentage - 16048
county rough road percentage)/(maximum rough road percentage - 16049
statewide rough road percentage)]} 16050
16051

(i) "Maximum rough road percentage" means the highest county 16052

statewide student density)] 16072

(i) "Minimum student density" means the lowest district 16073
student density in the state. 16074

under the authority of public law, whether such funds come 16456
directly or indirectly from the United States or any agency or 16457
department thereof or through the state or any agency, department, 16458
or political subdivision thereof. 16459

district's three-year average formula ADM. 16468

(b) Beginning in fiscal year 2004, the unduplicated number of children ages five to seventeen residing in the school district and living in a family that has family income not exceeding the federal poverty guidelines and that receives family assistance, as certified or adjusted under section 3317.10 of the Revised Code, divided by the district's three-year average formula ADM.

school districts in the state. 16502

(4) "DPIA index" means the quotient obtained by dividing the 16503
school district's DPIA percentage by the statewide DPIA 16504
percentage. 16505

(5) "Federal poverty guidelines" has the same meaning as in 16506
section 5101.46 of the Revised Code. 16507

(6) "DPIA student count" means: 16508

(a) In fiscal years prior to fiscal year 2004, the five-year 16509

(7) "Kindergarten ADM" means the number of students reported 16520
under section 3317.03 of the Revised Code as enrolled in 16521
kindergarten. 16522

(8) "Kindergarten through third grade ADM" means the amount 16523
calculated as follows: 16524

(a) Multiply the kindergarten ADM by the sum of one plus the 16525
all-day kindergarten percentage; 16526

(b) Add the number of students in grades one through three; 16527

(c) Subtract from the sum calculated under division (A)(6)(b) 16528

of this section the number of special education students in grades 16529
kindergarten through three. 16530

(9) "Statewide average teacher salary" means forty-two 16531
thousand four hundred sixty-nine dollars in fiscal year 2002, and 16532
forty-three thousand six hundred fifty-eight dollars in fiscal 16533
year 2003, which includes an amount for the value of fringe 16534
benefits. 16535

(10) "All-day kindergarten" means a kindergarten class that 16536
is in session five days per week for not less than the same number 16537
of clock hours each day as for pupils in grades one through six. 16538

(11) "All-day kindergarten percentage" means the percentage 16539
of a district's actual total number of students enrolled in 16540
kindergarten who are enrolled in all-day kindergarten. 16541

(12) "Buildings with the highest concentration of need" 16542
means: 16543

(a) In fiscal years prior to fiscal year 2004, the school 16544
buildings in a district with percentages of students in grades 16545
kindergarten through three receiving assistance under Ohio works 16546
first at least as high as the district-wide percentage of students 16547
receiving such assistance. 16548

(b) Beginning in fiscal year 2004, the school buildings in a 16549
district with percentages of students in grades kindergarten 16550
through three receiving family assistance at least as high as the 16551
district-wide percentage of students receiving family assistance. 16552

(c) If, in any fiscal year, the information provided by the 16553
department of job and family services under section 3317.10 of the 16554
Revised Code is insufficient to determine the Ohio works first or 16555
family assistance percentage in each building, "buildings with the 16556
highest concentration of need" has the meaning given in rules that 16557
the department of education shall adopt. The rules shall base the 16558
definition of "buildings with the highest concentration of need" 16559

on family income of students in grades kindergarten through three 16560
in a manner that, to the extent possible with available data, 16561
approximates the intent of this division and division (G) of this 16562
section to designate buildings where the Ohio works first or 16563
family assistance percentage in those grades equals or exceeds the 16564
district-wide Ohio works first or family assistance percentage. 16565

(B) In addition to the amounts required to be paid to a 16566
school district under section 3317.022 of the Revised Code, a 16567
school district shall receive the greater of the amount the 16568
district received in fiscal year 1998 pursuant to division (B) of 16569
section 3317.023 of the Revised Code as it existed at that time or 16570
the sum of the computations made under divisions (C) to (E) of 16571
this section. 16572

(C) A supplemental payment that may be utilized for measures 16573
related to safety and security and for remediation or similar 16574
programs, calculated as follows: 16575

(1) If the DPIA index of the school district is greater than 16576
or equal to thirty-five-hundredths, but less than one, an amount 16577
obtained by multiplying the district's DPIA student count by two 16578
hundred thirty dollars; 16579

(2) If the DPIA index of the school district is greater than 16580
or equal to one, an amount obtained by multiplying the DPIA index 16581
by two hundred thirty dollars and multiplying that product by the 16582
district's DPIA student count. 16583

Except as otherwise provided in division (F) of this section, 16584
beginning with the school year that starts July 1, 2002, each 16585
school district annually shall use at least twenty per cent of the 16586
funds calculated for the district under this division for 16587
intervention services required by section 3313.608 of the Revised 16588
Code. 16589

(D) A payment for all-day kindergarten if the DPIA index of 16590

the school district is greater than or equal to one or if the
district's three-year average formula ADM exceeded seventeen
thousand five hundred, calculated by multiplying the all-day
kindergarten percentage by the kindergarten ADM and multiplying
that product by the formula amount.

(E) A class-size reduction payment based on calculating the
number of new teachers necessary to achieve a lower
student-teacher ratio, as follows:

(1) Determine or calculate a formula number of teachers per
one thousand students based on the DPIA index of the school
district as follows:

(a) If the DPIA index of the school district is less than
six-tenths, the formula number of teachers is 43.478, which is the
number of teachers per one thousand students at a student-teacher
ratio of twenty-three to one;

(b) If the DPIA index of the school district is greater than
or equal to six-tenths, but less than two and one-half, the
formula number of teachers is calculated as follows:

$$43.478 + \{[(\text{DPIA index} - 0.6) / 1.9] \times 23.188\}$$

Where 43.478 is the number of teachers per one thousand
students at a student-teacher ratio of twenty-three to one; 1.9 is
the interval from a DPIA index of six-tenths to a DPIA index of
two and one-half; and 23.188 is the difference in the number of
teachers per one thousand students at a student-teacher ratio of
fifteen to one and the number of teachers per one thousand
students at a student-teacher ratio of twenty-three to one.

(c) If the DPIA index of the school district is greater than
or equal to two and one-half, the formula number of teachers is
66.667, which is the number of teachers per one thousand students
at a student-teacher ratio of fifteen to one.

(2) Multiply the formula number of teachers determined or

calculated in division (E)(1) of this section by the kindergarten 16622
through third grade ADM for the district and divide that product 16623
by one thousand; 16624

(3) Calculate the number of new teachers as follows: 16625

(a) Multiply the kindergarten through third grade ADM by 16626
43.478, which is the number of teachers per one thousand students 16627
at a student-teacher ratio of twenty-three to one, and divide that 16628
product by one thousand; 16629

(b) Subtract the quotient obtained in division (E)(3)(a) of 16630
this section from the product in division (E)(2) of this section. 16631

(4) Multiply the greater of the difference obtained under 16632
division (E)(3) of this section or zero by the statewide average 16633
teachers salary. 16634

(F) This division applies only to school districts whose DPIA 16635
index is one or greater. 16636

(1) Each school district subject to this division shall first 16637
utilize funds received under this section so that, when combined 16638
with other funds of the district, sufficient funds exist to 16639
provide all-day kindergarten to at least the number of children in 16640
the district's all-day kindergarten percentage. 16641

(2) Up to an amount equal to the district's DPIA index 16642
multiplied by its DPIA student count multiplied by two hundred 16643
thirty dollars of the money distributed under this section may be 16644
utilized for one or both of the following: 16645

(a) Programs designed to ensure that schools are free of 16646
drugs and violence and have a disciplined environment conducive to 16647
learning; 16648

(b) Remediation for students who have failed or are in danger 16649
of failing any of the tests administered pursuant to section 16650
3301.0710 of the Revised Code. 16651

Beginning with the school year that starts on July 1, 2002, 16652
each school district shall use at least twenty per cent of the 16653
funds set aside for the purposes of divisions (F)(2)(a) and (b) of 16654
this section to provide intervention services required by section 16655
3313.608 of the Revised Code. 16656

(3) Except as otherwise required by division (G) or permitted 16657
under division (K) of this section, all other funds distributed 16658
under this section to districts subject to this division shall be 16659
utilized for the purpose of the third grade guarantee. The third 16660
grade guarantee consists of increasing the amount of instructional 16661
attention received per pupil in kindergarten through third grade, 16662
either by reducing the ratio of students to instructional 16663
personnel or by increasing the amount of instruction and 16664
curriculum-related activities by extending the length of the 16665
school day or the school year. 16666

School districts may implement a reduction of the ratio of 16667
students to instructional personnel through any or all of the 16668
following methods: 16669

(a) Reducing the number of students in a classroom taught by 16670
a single teacher; 16671

(b) Employing full-time educational aides or educational 16672
paraprofessionals issued a permit or license under section 16673
3319.088 of the Revised Code; 16674

(c) Instituting a team-teaching method that will result in a 16675
lower student-teacher ratio in a classroom. 16676

Districts may extend the school day either by increasing the 16677
amount of time allocated for each class, increasing the number of 16678
classes provided per day, offering optional academic-related 16679
after-school programs, providing curriculum-related extra 16680
curricular activities, or establishing tutoring or remedial 16681
services for students who have demonstrated an educational need. 16682

In accordance with section 3319.089 of the Revised Code, a 16683
district extending the school day pursuant to this division may 16684
utilize a participant of the work experience program who has a 16685
child enrolled in a public school in that district and who is 16686
fulfilling the work requirements of that program by volunteering 16687
or working in that public school. If the work experience program 16688
participant is compensated, the school district may use the funds 16689
distributed under this section for all or part of the 16690
compensation. 16691

Districts may extend the school year either through adding 16692
regular days of instruction to the school calendar or by providing 16693
summer programs. 16694

(G) Each district subject to division (F) of this section 16695
shall not expend any funds received under division (E) of this 16696
section in any school buildings that are not buildings with the 16697
highest concentration of need, unless there is a ratio of 16698
instructional personnel to students of no more than fifteen to one 16699
in each kindergarten and first grade class in all buildings with 16700
the highest concentration of need. This division does not require 16701
that the funds used in buildings with the highest concentration of 16702
need be spent solely to reduce the ratio of instructional 16703
personnel to students in kindergarten and first grade. A school 16704
district may spend the funds in those buildings in any manner 16705
permitted by division (F)(3) of this section, but may not spend 16706
the money in other buildings unless the fifteen-to-one ratio 16707
required by this division is attained. 16708

(H)(1) By the first day of August of each fiscal year, each 16709
school district wishing to receive any funds under division (D) of 16710
this section shall submit to the department of education an 16711
estimate of its all-day kindergarten percentage. Each district 16712
shall update its estimate throughout the fiscal year in the form 16713
and manner required by the department, and the department shall 16714

adjust payments under this section to reflect the updates. 16715

(2) Annually by the end of December, the department of 16716
education, utilizing data from the information system established 16717
under section 3301.0714 of the Revised Code and after consultation 16718
with the legislative office of education oversight, shall 16719
determine for each school district subject to division (F) of this 16720
section whether in the preceding fiscal year the district's ratio 16721
of instructional personnel to students and its number of 16722
kindergarten students receiving all-day kindergarten appear 16723
reasonable, given the amounts of money the district received for 16724
that fiscal year pursuant to divisions (D) and (E) of this 16725
section. If the department is unable to verify from the data 16726
available that students are receiving reasonable amounts of 16727
instructional attention and all-day kindergarten, given the funds 16728
the district has received under this section and that class-size 16729
reduction funds are being used in school buildings with the 16730
highest concentration of need as required by division (G) of this 16731
section, the department shall conduct a more intensive 16732
investigation to ensure that funds have been expended as required 16733
by this section. The department shall file an annual report of its 16734
findings under this division with the chairpersons of the 16735
committees in each house of the general assembly dealing with 16736
finance and education. 16737

(I) Any school district with a DPIA index less than one and a 16738
three-year average formula ADM exceeding seventeen thousand five 16739
hundred shall first utilize funds received under this section so 16740
that, when combined with other funds of the district, sufficient 16741
funds exist to provide all-day kindergarten to at least the number 16742
of children in the district's all-day kindergarten percentage. 16743
Such a district shall expend at least seventy per cent of the 16744
remaining funds received under this section, and any other 16745
district with a DPIA index less than one shall expend at least 16746

seventy per cent of all funds received under this section, for any	16747
of the following purposes:	16748
(1) The purchase of technology for instructional purposes;	16749
(2) All-day kindergarten;	16750
(3) Reduction of class sizes;	16751
(4) Summer school remediation;	16752
(5) Dropout prevention programs;	16753
(6) Guaranteeing that all third graders are ready to progress	16754
to more advanced work;	16755
(7) Summer education and work programs;	16756
(8) Adolescent pregnancy programs;	16757
(9) Head start or preschool programs;	16758
(10) Reading improvement programs described by the department	16759
of education;	16760
(11) Programs designed to ensure that schools are free of	16761
drugs and violence and have a disciplined environment conducive to	16762
learning;	16763
(12) Furnishing, free of charge, materials used in courses of	16764
instruction, except for the necessary textbooks or electronic	16765
textbooks required to be furnished without charge pursuant to	16766
section 3329.06 of the Revised Code, to pupils living in families	16767
participating in Ohio works first in accordance with section	16768
3313.642 of the Revised Code;	16769
(13) School breakfasts provided pursuant to section 3313.813	16770
of the Revised Code.	16771
Each district shall submit to the department, in such format	16772
and at such time as the department shall specify, a report on the	16773
programs for which it expended funds under this division.	16774

(J) If at any time the superintendent of public instruction determines that a school district receiving funds under division (D) of this section has enrolled less than the all-day kindergarten percentage reported for that fiscal year, the superintendent shall withhold from the funds otherwise due the district under this section a proportional amount as determined by the difference in the certified all-day kindergarten percentage and the percentage actually enrolled in all-day kindergarten.

The superintendent shall also withhold an appropriate amount of funds otherwise due a district for any other misuse of funds not in accordance with this section.

(K)(1) A district may use a portion of the funds calculated for it under division (D) of this section to modify or purchase classroom space to provide all-day kindergarten, if both of the following conditions are met:

(a) The district certifies to the department, in a manner acceptable to the department, that it has a shortage of space for providing all-day kindergarten.

(b) The district provides all-day kindergarten to the number of children in the all-day kindergarten percentage it certified under this section.

(2) A district may use a portion of the funds described in division (F)(3) of this section to modify or purchase classroom space to enable it to further reduce class size in grades kindergarten through two with a goal of attaining class sizes of fifteen students per licensed teacher. To do so, the district must certify its need for additional space to the department, in a manner satisfactory to the department.

Sec. 3317.0213. No money shall be distributed under this section after fiscal year ~~2005~~ 2004.

(A) As used in this section:	16805
(1) "ADM" for any school district means:	16806

(b) In a fiscal year that occurs after fiscal year 1999, the district's average taxable value, divided by the district's formula ADM for the preceding fiscal year.	16817 16818 16819
(4) "Threshold valuation" means:	16820
(a) In fiscal year 1999, the adjusted valuation per pupil of the school district with the two hundred twenty-ninth lowest adjusted valuation per pupil in the state, according to data available at the time of the computation under division (B) of this section;	16821 16822 16823 16824 16825
(b) In fiscal year 2000, the adjusted valuation per pupil of the district with the one hundred ninety-sixth lowest such valuation in the state;	16826 16827 16828
(c) In fiscal year 2001, the adjusted valuation per pupil of the district with the one hundred sixty-third lowest such valuation in the state;	16829 16830 16831
(d) In fiscal years 2002 through 2005 <u>2004</u> , the adjusted valuation per pupil of the district with the	16832 16833

one-hundred-eighteenth lowest such valuation in the state. 16834

(5) "Adjusted valuation per pupil" for a district means an 16835
amount calculated in accordance with the following formula: 16836

The district's valuation per pupil - 16837
(\$30,000 X (one minus the 16838
district's income factor)) 16839

(6) "Millage rate" means .012 in fiscal year 1999, .011 in 16840
fiscal year 2000, .010 in fiscal year 2001, and .009 in fiscal 16841
years 2002 through ~~2005~~ 2004. 16842

school district meeting the requirements of section 3317.01 of the 16848
Revised Code whose adjusted valuation per pupil is less than the 16849
threshold valuation, an amount calculated in accordance with the 16850
following formula: 16851

(The threshold valuation - 16852
the district's adjusted valuation per pupil) X 16853
millage rate X ADM X the payment percentage 16854

Sec. 3317.0217. The department of education shall ~~annually~~ 16855
monthly compute and pay state parity aid to school districts, as 16856
follows: 16857

(A) Calculate the local wealth per pupil of each school 16858
district, which equals the following sum: 16859

(1) Two-thirds times the quotient of (a) the district's 16860
recognized valuation divided by (b) its ~~formula-ADM~~ average daily 16861
attendance; plus 16862

(2) One-third times the quotient of (a) the average of the 16863

total federal adjusted gross income of the school district's 16864
residents for the three years most recently reported under section 16865
3317.021 of the Revised Code divided by (b) its ~~formula~~ ADM 16866
average daily attendance. 16867

(B) Rank all school districts in order of local wealth per 16868
pupil, from the district with the lowest local wealth per pupil to 16869
the district with the highest local wealth per pupil. 16870

(C) Compute the per pupil state parity aid funding for each 16871
school district in accordance with the following formula: 16872

Payment percentage X (threshold local wealth 16873
per pupil - the district's local 16874
wealth per pupil) X 0.0095 16875

Where: 16876

(1) "Payment percentage," for purposes of division (C) of 16877
this section, equals 20% in fiscal year 2002, 40% in fiscal year 16878
2003, 60% in fiscal year 2004, 80% in fiscal year 2005, and 100% 16879
after fiscal year 2005. 16880

(2) Nine and one-half mills (0.0095) is the general 16881
assembly's determination of the average number of effective 16882
operating mills that districts in the seventieth to ninetieth 16883
percentiles of valuations per pupil collected in fiscal year 2001 16884
above the revenues required to finance their attributed local 16885
shares of the calculated cost of an adequate education. This was 16886
determined by (a) adding the district revenues from operating 16887
property tax levies and income tax levies, (b) subtracting from 16888
that total the sum of (i) twenty-three mills times adjusted 16889
recognized valuation plus (ii) the attributed local shares of 16890
special education, transportation, and vocational education 16891
funding as described in divisions (F)(1) to (3) of section 16892
3317.022 of the Revised Code, and (c) converting the result to an 16893

The department of education shall adopt guidelines and 17880
procedures under which such programs and services shall be 17881

section during the biennium for which the money was appropriated 17898
and during which the interest was earned. If a board of education 17899
subsequently determines that the remittal of moneys leaves the 17900
board with insufficient money to pay all valid expenses incurred 17901
under this section during the biennium for which the remitted 17902
money was appropriated, the board may apply to the department of 17903
education for a refund of money, not to exceed the amount of the 17904
insufficiency. If the department determines the expenses were 17905
lawfully incurred and would have been lawful expenditures of the 17906
refunded money, it shall certify its determination and the amount 17907
of the refund to be made to the director of job and family 17908
services who shall make a refund as provided in section 4141.47 of 17909

any excess moneys in the auxiliary services personnel unemployment 17916
compensation fund not reasonably necessary for the purposes of 17917
section 4141.47 of the Revised Code, and shall certify such amount 17918
to the director of budget and management for transfer to the 17919

auxiliary services ~~mobile unit replacement and repair~~ 17920

(B) Moneys in the auxiliary services ~~mobile unit replacement~~ 17924
~~and repair~~ reimbursement fund shall be used for the relocation or 17925
for the replacement and repair of mobile units used to provide the 17926
services specified in division (E), (F), (G), or (I) of section 17927

adopt guidelines and procedures for replacement, repair, and 17929
relocation of mobile units and the procedures under which a school 17930

replace or relocate such units. 17932

(C) School districts may apply to the department for moneys 17933
from the auxiliary services ~~mobile unit replacement and repair~~ 17934
reimbursement fund for payment of incentives for early retirement 17935
and severance for school district personnel assigned to provide 17936
services authorized by section 3317.06 of the Revised Code at 17937
chartered nonpublic schools. The portion of the cost of any early 17938
retirement or severance incentive for any employee that is paid 17939
using money from the auxiliary services ~~mobile unit replacement~~ 17940

Revised Code. 17948

No school bus subsidy payments shall be paid to any district 17949
unless such district can demonstrate that pupils residing more 17950

than one mile from the school could not be transported without 17951
such additional aid. 17952

The amount paid to a county MR/DD board for buses purchased 17953

operated by the board shall be one hundred per cent of the board's 17955
net cost. 17956

The amount paid to a school district for buses purchased for 17957
transportation of handicapped and nonpublic school pupils shall be 17958

determine the amount of payments that shall be distributed to 17961
school districts to purchase school buses for pupils other than 17962
handicapped or nonpublic school pupils. 17963

If any district or MR/DD board obtains bus services for pupil 17964
transportation pursuant to a contract, such district or board may 17965
use payments received under this section to defray the costs of 17966
contracting for bus services in lieu of for purchasing buses. 17967

If the department of education determines that a county MR/DD 17968
board no longer needs a school bus because the board no longer 17969
transports children to a special education program operated by the 17970
board, or if the department determines that a school district no 17971
longer needs a school bus to transport pupils to a particular 17972
nonpublic school or special education program, the department may 17973
reassign a bus that was funded with payments provided pursuant to 17974
this section for the purpose of transporting such pupils. The 17975
department may reassign a bus to a county MR/DD board or school 17976
district that transports children to a special education program 17977
designated in the children's individualized education plans, or to 17978

3317.023, and 3317.025 to 3317.0213 of the Revised Code during the 17992
school year had the attendance district been authorized to count 17993
the child in its formula ADM and average daily attendance for that 17994
school year under ~~section~~ sections 3317.03 and 3317.034 of the 17995

The board of each city, exempted village, and local school district shall employ principals for all high schools and for such other schools as the board designates, and those boards may appoint assistant principals for any school that they designate.

(C) In educational service centers and in city ~~and~~, exempted village, and local school districts, assistant superintendents, principals, assistant principals, and other administrators shall only be employed or reemployed in accordance with nominations of the superintendent, except that a ~~city or exempted village~~ board of education of a school district or the governing board of a service center, by a three-fourths vote of its full membership, may reemploy any assistant superintendent, principal, assistant principal, or other administrator whom the superintendent refuses to nominate. ~~In local school districts, assistant superintendents, principals, assistant principals, and other administrators shall only be employed or reemployed in accordance with nominations of the superintendent of the service center of which the local district is a part, except that a local board of education, by a three-fourths vote of its full membership, may reemploy any assistant superintendent, principal, assistant principal, or other administrator whom such superintendent refuses to nominate.~~

The board of education or governing board shall execute a

written contract of employment with each assistant superintendent, 18634
principal, assistant principal, and other administrator it employs 18635
or reemploys. The term of such contract shall not exceed three 18636
years except that in the case of a person who has been employed as 18637
an assistant superintendent, principal, assistant principal, or 18638
other administrator in the district or center for three years or 18639
more, the term of the contract shall be for not more than five 18640
years and, unless the superintendent of the district recommends 18641
otherwise, not less than two years. If the superintendent so 18642
recommends, the term of the contract of a person who has been 18643
employed by the district or service center as an assistant 18644
superintendent, principal, assistant principal, or other 18645
administrator for three years or more may be one year, but all 18646
subsequent contracts granted such person shall be for a term of 18647
not less than two years and not more than five years. When a 18648
teacher with continuing service status becomes an assistant 18649
superintendent, principal, assistant principal, or other 18650
administrator with the district or service center with which the 18651
teacher holds continuing service status, the teacher retains such 18652
status in the teacher's nonadministrative position as provided in 18653
sections 3319.08 and 3319.09 of the Revised Code. 18654

A board of education or governing board may reemploy an 18655
assistant superintendent, principal, assistant principal, or other 18656
administrator at any regular or special meeting held during the 18657
period beginning on the first day of January of the calendar year 18658
immediately preceding the year of expiration of the employment 18659
contract and ending on the last day of March of the year the 18660
employment contract expires. 18661

Except by mutual agreement of the parties thereto, no 18662
assistant superintendent, principal, assistant principal, or other 18663
administrator shall be transferred during the life of a contract 18664
to a position of lesser responsibility. No contract may be 18665

terminated by a board except pursuant to section 3319.16 of the Revised Code. No contract may be suspended except pursuant to section 3319.17 or 3319.171 of the Revised Code. The salaries and compensation prescribed by such contracts shall not be reduced by a board unless such reduction is a part of a uniform plan affecting the entire district or center. The contract shall specify the employee's administrative position and duties as included in the job description adopted under division (D) of this section, the salary and other compensation to be paid for performance of duties, the number of days to be worked, the number of days of vacation leave, if any, and any paid holidays in the contractual year.

An assistant superintendent, principal, assistant principal, or other administrator is, at the expiration of the current term of employment, deemed reemployed at the same salary plus any increments that may be authorized by the board, unless such employee notifies the board in writing to the contrary on or before the first day of June, or unless such board, on or before the last day of March of the year in which the contract of employment expires, either reemploys such employee for a succeeding term or gives written notice of its intention not to reemploy the employee. The term of reemployment of a person reemployed under this paragraph shall be one year, except that if such person has been employed by the school district or service center as an assistant superintendent, principal, assistant principal, or other administrator for three years or more, the term of reemployment shall be two years.

(D)(1) Each board shall adopt procedures for the evaluation of all assistant superintendents, principals, assistant principals, and other administrators and shall evaluate such employees in accordance with those procedures. The evaluation based upon such procedures shall be considered by the board in

deciding whether to renew the contract of employment of an 18698
assistant superintendent, principal, assistant principal, or other 18699
administrator. 18700

(2) The evaluation shall measure each assistant 18701
superintendent's, principal's, assistant principal's, and other 18702
administrator's effectiveness in performing the duties included in 18703
the job description and the evaluation procedures shall provide 18704
for, but not be limited to, the following: 18705

(a) Each assistant superintendent, principal, assistant 18706
principal, and other administrator shall be evaluated annually 18707
through a written evaluation process. 18708

(b) The evaluation shall be conducted by the superintendent 18709
or designee. 18710

(c) In order to provide time to show progress in correcting 18711
the deficiencies identified in the evaluation process, the 18712
evaluation process shall be completed as follows: 18713

(i) In any school year that the employee's contract of 18714
employment is not due to expire, at least one evaluation shall be 18715
completed in that year. A written copy of the evaluation shall be 18716
provided to the employee no later than the end of the employee's 18717
contract year as defined by the employee's annual salary notice. 18718

(ii) In any school year that the employee's contract of 18719
employment is due to expire, at least a preliminary evaluation and 18720
at least a final evaluation shall be completed in that year. A 18721
written copy of the preliminary evaluation shall be provided to 18722
the employee at least sixty days prior to any action by the board 18723
on the employee's contract of employment. The final evaluation 18724
shall indicate the superintendent's intended recommendation to the 18725
board regarding a contract of employment for the employee. A 18726
written copy of the evaluation shall be provided to the employee 18727
at least five days prior to the board's acting to renew or not 18728

renew the contract. 18729

(3) Termination of an assistant superintendent, principal, 18730
assistant principal, or other administrator's contract shall be 18731
pursuant to section 3319.16 of the Revised Code. Suspension of any 18732
such employee shall be pursuant to section 3319.17 or 3319.171 of 18733
the Revised Code. 18734

(4) Before taking action to renew or nonrenew the contract of 18735
an assistant superintendent, principal, assistant principal, or 18736
other administrator under this section and prior to the last day 18737
of March of the year in which such employee's contract expires, 18738
the board shall notify each such employee of the date that the 18739
contract expires and that the employee may request a meeting with 18740
the board. Upon request by such an employee, the board shall grant 18741
the employee a meeting in executive session. In that meeting, the 18742
board shall discuss its reasons for considering renewal or 18743
nonrenewal of the contract. The employee shall be permitted to 18744
have a representative, chosen by the employee, present at the 18745
meeting. 18746

(5) The establishment of an evaluation procedure shall not 18747
create an expectancy of continued employment. Nothing in division 18748
(D) of this section shall prevent a board from making the final 18749
determination regarding the renewal or nonrenewal of the contract 18750
of any assistant superintendent, principal, assistant principal, 18751
or other administrator. However, if a board fails to provide 18752
evaluations pursuant to division (D)(2)(c)(i) or (ii) of this 18753
section, or if the board fails to provide at the request of the 18754
employee a meeting as prescribed in division (D)(4) of this 18755
section, the employee automatically shall be reemployed at the 18756
same salary plus any increments that may be authorized by the 18757
board for a period of one year, except that if the employee has 18758
been employed by the district or service center as an assistant 18759
superintendent, principal, assistant principal, or other 18760

administrator for three years or more, the period of reemployment 18761
shall be for two years. 18762

(E) On nomination of the superintendent of a service center a 18763
governing board may employ supervisors who shall be employed under 18764
written contracts of employment for terms not to exceed five years 18765
each. Such contracts may be terminated by a governing board 18766
pursuant to section 3319.16 of the Revised Code. Any supervisor 18767
employed pursuant to this division may terminate the contract of 18768
employment at the end of any school year after giving the board at 18769
least thirty days' written notice prior to such termination. On 18770
the recommendation of the superintendent the contract or contracts 18771
of any supervisor employed pursuant to this division may be 18772
suspended for the remainder of the term of any such contract 18773
pursuant to section 3319.17 or 3319.171 of the Revised Code. 18774

(F) A board may establish vacation leave for any individuals 18775
employed under this section. Upon such an individual's separation 18776
from employment, a board that has such leave may compensate such 18777
an individual at the individual's current rate of pay for all 18778
lawfully accrued and unused vacation leave credited at the time of 18779
separation, not to exceed the amount accrued within three years 18780
before the date of separation. In case of the death of an 18781
individual employed under this section, such unused vacation leave 18782
as the board would have paid to the individual upon separation 18783
under this section shall be paid in accordance with section 18784
2113.04 of the Revised Code, or to the estate. 18785

(G) The board of education of any school district may 18786
contract with the governing board of the educational service 18787
center from which it otherwise receives services to conduct 18788
searches and recruitment of candidates for assistant 18789
superintendent, principal, assistant principal, and other 18790
administrator positions authorized under this section. 18791

Sec. 3319.03. The board of education of each city, exempted village, and local school district may create the position of business manager. The board shall ~~elect~~ appoint such business manager who shall serve ~~for a term not to exceed four years unless earlier removed for cause pursuant to a contract in accordance with section 3319.02 of the Revised Code. A vacancy in this office shall be filled only for the unexpired term thereof.~~ In the discharge of all ~~his~~ official duties, the business manager may be directly responsible to the board, or to the superintendent of schools, as the board directs at the time of ~~election~~ appointment to the position. Where such business manager is responsible to the superintendent ~~he~~ the business manager shall be appointed by the superintendent and confirmed by the board.

No board of education shall ~~elect~~ appoint or confirm as business manager any person who does not hold a valid business manager's license issued under section 3301.074 of the Revised Code. If the business manager fails to maintain a valid license, ~~he~~ the business manager shall be removed by the board.

Sec. 3319.07. (A) The board of education of each city, exempted village, ~~and~~ local, and joint vocational school district shall employ the teachers of the public schools of their respective districts.

The governing board of each educational service center may employ special instruction teachers, special education teachers, and teachers of academic courses in which there are too few students in each of the constituent local school districts or in city or exempted village school districts entering into agreements pursuant to section 3313.843 of the Revised Code to warrant each district's employing teachers for those courses.

When any board makes appointments of teachers, the teachers

in the employ of the board shall be considered before new teachers 18822
are chosen in their stead. In ~~city, exempted village, and joint~~ 18823
~~vocational~~ all school districts and in service centers no teacher 18824
shall be employed unless such person is nominated by the 18825
superintendent of such district or center. Such board, by a 18826
three-fourths vote of its full membership, may re-employ any 18827
teacher whom the superintendent refuses to appoint. ~~In local~~ 18828
~~school districts, no teacher shall be employed, except as provided~~ 18829
~~in division (B) of this section, unless nominated by the~~ 18830
~~superintendent of the service center of which such local school~~ 18831
~~district is a part; by a majority vote of the full membership of~~ 18832
such board, the board of education of any local school district 18833
may, after considering two nominations for any position made by 18834
the service center superintendent, reemploy a person not so 18835
nominated for such position. 18836

(B) The board of education of a ~~local~~ any school district ~~and~~ 18837
~~the board of education of the county school district of which the~~ 18838
~~local district is a part may enter into an agreement authorizing~~ 18839
~~the superintendent of the local district, in lieu of the~~ 18840
~~superintendent of the county district, to make nominations under~~ 18841
~~this section for the employment of teachers in the local district.~~ 18842
While such an agreement is in effect the board of education of the 18843
local district shall not employ any teacher unless the person is 18844
nominated by the superintendent of the district except that, by a 18845
three-fourths vote of its full membership, it may re-employ any 18846
teacher whom the superintendent refuses to nominate may contract 18847
with the governing board of the educational service center from 18848
which it otherwise receives services to conduct searches and 18849
recruitment of candidates for teacher positions. 18850

Sec. 3319.19. (A) Except as provided in division (D) of this 18851
section or division (A)(2) of section 3313.37 of the Revised Code, 18852
upon request, the board of county commissioners shall provide and 18853

equip offices in the county for the use of the superintendent of 18854
an educational service center, and shall provide heat, light, 18855
water, and janitorial services for such offices. Such offices 18856
shall be the permanent headquarters of the superintendent and 18857
shall be used by the governing board of the service center when it 18858
is in session. Except as provided in division (B) of this section, 18859
such offices shall be located in the county seat or, upon the 18860
approval of the governing board, may be located outside of the 18861
county seat. 18862

(B) In the case of a service center formed under section 18863
3311.053 of the Revised Code, the governing board shall designate 18864
the site of its offices. Except as provided in division (D) of 18865
this section or division (A)(2) of section 3313.37 of the Revised 18866
Code, the board of county commissioners of the county in which the 18867
designated site is located shall provide and equip the offices as 18868
under division (A) of this section, but the costs of such offices 18869
and equipment shall be apportioned among the boards of county 18870
commissioners of all counties having any territory in the area 18871
under the control of the governing board, according to the 18872
proportion of local school district pupils under the supervision 18873
of such board residing in the respective counties. Where there is 18874
a dispute as to the amount any board of county commissioners is 18875
required to pay, the probate judge of the county in which the 18876
greatest number of pupils under the supervision of the governing 18877
board reside shall apportion such costs among the boards of county 18878
commissioners and notify each such board of its share of the 18879
costs. 18880

(C) ~~Not~~ As used in division (C) of this section, in the case 18881
of a building, facility, or office space that a board of county 18882
commissioners leases or rents, "actual cost per square foot" means 18883
all cost on a per square foot basis incurred by the board under 18884
the lease or rental agreement. In the case of a building, 18885

facility, or office space that the board owns in fee simple, 18886
"actual cost per square foot" means the fair rental value on a per 18887
square foot basis of the building, facility, or office space 18888
either as compared to a similarly situated building, facility, or 18889
office space in the general vicinity or as calculated under a 18890
formula that accounts for depreciation, amortization of 18891
improvements, and other reasonable factors, including, but not 18892
limited to, parking space and other amenities. 18893

Not later than the thirty-first day of March of 2002, 2003, 18894
2004, and 2005 a board of county commissioners required to provide 18895
or equip offices pursuant to division (A) or (B) of this section 18896
shall make a written estimate of the total cost it will incur for 18897
the ensuing fiscal year to provide and equip the offices and to 18898
provide heat, light, water, and janitorial services for such 18899
offices. The total estimate of cost shall include: 18900

(1) The total square feet of space to be utilized by the 18901
educational service center; 18902

(2) The total square feet of any common areas that should be 18903
reasonably allocated to the center and the methodology for making 18904
this allocation; 18905

(3) The actual cost per square foot for both the space 18906
utilized by and the common area allocated to the center; 18907

(4) An explanation of the methodology used to determine the 18908
actual cost per square foot ~~cost~~; 18909

(5) The estimated cost of providing heat, light, and water, 18910
including an explanation of how these costs were determined; 18911

(6) The estimated cost of providing janitorial services 18912
including an explanation of the methodology used to determine this 18913
cost; 18914

(7) Any other estimated costs that the board anticipates it 18915

will occur and a detailed explanation of the costs and the 18916
rationale used to determine such costs. 18917

A copy of the total estimate of costs under this division 18918
shall be sent to the superintendent of the educational service 18919
center not later than the fifth day of April. The superintendent 18920
shall review the total estimate and shall notify the board of 18921
county commissioners not later than twenty days after receipt of 18922
the estimate of either agreement with the estimate or any specific 18923
objections to the estimates and the reasons for the objections. If 18924
the superintendent agrees with the estimate, it shall become the 18925
final total estimate of cost. Failure of the superintendent to 18926
make objections to the estimate by the twentieth day after receipt 18927
of it shall be deemed to mean that the superintendent is in 18928
agreement with the estimate. 18929

If the superintendent provides specific objections to the 18930
board of county commissioners, the board shall review the 18931
objections and may modify the original estimate and shall send a 18932
revised total estimate to the superintendent within ten days after 18933
the receipt of the superintendent's objections. The superintendent 18934
shall respond to the revised estimate within ten days after its 18935
receipt. If the superintendent agrees with it, it shall become the 18936
final total estimated cost. If the superintendent fails to respond 18937
within the required time, the superintendent shall be deemed to 18938
have agreed with the revised estimate. If the superintendent 18939
disagrees with the revised estimate, the superintendent shall send 18940
specific objections to the county commissioners. 18941

If a superintendent has sent specific objections to the 18942
revised estimate within the required time, the probate judge of 18943
the county which has the greatest number of resident local school 18944
district pupils under the supervision of the educational service 18945
center shall determine the final estimated cost and certify this 18946
amount to the superintendent and the board of county commissioners 18947

prior to the first day of July. 18948

(D)(1) A board of county commissioners shall be responsible 18949
for the following percentages of the final total estimated cost 18950
established by division (C) of this section: 18951

(a) Eighty per cent for fiscal year 2003; 18952

(b) Sixty per cent for fiscal year 2004; 18953

(c) Forty per cent for fiscal year 2005; 18954

(d) Twenty per cent for fiscal year 2006. 18955

In fiscal years 2003, 2004, 2005, and 2006 the educational 18956
service center shall be responsible for the remainder of any costs 18957
in excess of the amounts specified in division (D)(1)(a), (b), ~~or~~ 18958
(c), or (d) of this section, as applicable, associated with the 18959
provision and equipment of offices for the educational service 18960
center and for provision of heat, light, water, and janitorial 18961
services for such offices, including any unanticipated or 18962
unexpected increases in the costs beyond the final estimated cost 18963
amount. 18964

Beginning in fiscal year 2007, no board of county 18965
commissioners shall have any obligation to provide and equip 18966
offices for an educational service center or to provide heat, 18967
light, water, or janitorial services for such offices. 18968

(2) Nothing in this section shall prohibit the board of 18969
county commissioners and the governing board of an educational 18970
service center from entering into a contract for providing and 18971
equipping offices for the use of an educational service center and 18972
for providing heat, light, water, and janitorial services for such 18973
offices. The term of any such contract shall not exceed a period 18974
of four years and may be renewed for additional periods not to 18975
exceed four years. Any such contract shall supersede the 18976
provisions of division (D)(1) of this section and no educational 18977

service center may be charged, at any time, any additional amount 18978
for the county's provision of an office and equipment, heat, 18979
light, water, and janitorial services beyond the amount specified 18980
in such contract. 18981

(3) No contract entered into under division (D)(2) of this 18982
section in any year prior to fiscal year 2007 between an 18983
educational service center formed under section 3311.053 of the 18984
Revised Code and the board of county commissioners required to 18985
provide and equip its office pursuant to division (B) of this 18986
section shall take effect unless the boards of county 18987
commissioners of all other counties required to participate in the 18988
funding for such offices pursuant to division (B) of this section 18989
adopt resolutions approving the contract. 18990

Sec. 3319.22. (A) The state board of education shall adopt 18991
rules establishing the standards and requirements for obtaining 18992
temporary, associate, provisional, and professional educator 18993
licenses of any categories, types, and levels the board elects to 18994
provide. However, no educator license shall be required for 18995
teaching children two years old or younger. 18996

(B) Any rules the state board of education adopts, amends, or 18997
rescinds for educator licenses under this section, division (D) of 18998
section 3301.07 of the Revised Code, or any other law shall be 18999
adopted, amended, or rescinded under Chapter 119. of the Revised 19000
Code except as follows: 19001

(1) Notwithstanding division (D) of section 119.03 and 19002
division (A)(1) of section 119.04 of the Revised Code, the 19003
effective date of any rules, or amendment or rescission of any 19004
rules, shall not be as prescribed in division (D) of section 19005
119.03 and division (A)(1) of section 119.04 of the Revised Code. 19006
Instead, the effective date shall be the date prescribed by 19007
section 3319.23 of the Revised Code. 19008

(2) Notwithstanding the authority to adopt, amend, or rescind emergency rules in division (F) of section 119.03 of the Revised Code, this authority shall not apply to the state board of education with regard to rules for educator licenses.

(C)(1) The rules adopted under this section establishing standards requiring additional coursework for the renewal of any educator license shall require a school district and a chartered nonpublic school to establish local professional development committees. In a nonpublic school, the chief administrative officer shall establish the committees in any manner acceptable to such officer. The committees established under this division shall determine whether coursework that a district or chartered nonpublic school teacher proposes to complete meets the requirement of the rules. The rules shall establish a procedure by which a teacher may appeal the decision of a local professional development committee.

(2) In any school district in which there is no exclusive representative established under Chapter 4117. of the Revised Code, the professional development committees shall be established as described in division (C)(2) of this section.

Not later than the effective date of the rules adopted under this section, the board of education of each school district shall establish the structure for one or more local professional development committees to be operated by such school district. The committee structure so established by a district board shall remain in effect unless within thirty days prior to an anniversary of the date upon which the current committee structure was established, the board provides notice to all affected district employees that the committee structure is to be modified. Professional development committees may have a district-level or building-level scope of operations, and may be established with regard to particular grade or age levels for which an educator

license is designated. 19041

Each professional development committee shall consist of at 19042
least three classroom teachers employed by the district, one 19043
principal employed by the district, and one other employee of the 19044
district appointed by the district superintendent. For committees 19045
with a building-level scope, the teacher and principal members 19046
shall be assigned to that building, and the teacher members shall 19047
be elected by majority vote of the classroom teachers assigned to 19048
that building. For committees with a district-level scope, the 19049
teacher members shall be elected by majority vote of the classroom 19050
teachers of the district, and the principal member shall be 19051
elected by a majority vote of the principals of the district, 19052
unless there are two or fewer principals employed by the district, 19053
in which case the one or two principals employed shall serve on 19054
the committee. If a committee has a particular grade or age level 19055
scope, the teacher members shall be licensed to teach such grade 19056
or age levels, and shall be elected by majority vote of the 19057
classroom teachers holding such a license and the principal shall 19058
be elected by all principals serving in buildings where any such 19059
teachers serve. The district superintendent shall appoint a 19060
replacement to fill any vacancy that occurs on a professional 19061
development committee, except in the case of vacancies among the 19062
elected classroom teacher members, which shall be filled by vote 19063
of the remaining members of the committee so selected. 19064

Terms of office on professional development committees shall 19065
be prescribed by the district board establishing the committees. 19066
The conduct of elections for members of professional development 19067
committees shall be prescribed by the district board establishing 19068
the committees. A professional development committee may include 19069
additional members, except that the majority of members on each 19070

(D) This division does not apply to a state historical 20243
facility. No state funds, including any state bond proceeds, shall 20244
be spent on the construction of any arts project under this 20245
chapter unless, with respect to the arts project and to the Ohio 20246
arts facility related to the project, all of the following apply: 20247

(1) The Ohio arts and sports facilities commission has 20248
determined that there is a need for the arts project and the Ohio 20249
arts facility related to the project in the region of the state in 20250
which the Ohio arts facility is located or for which the facility 20251
is proposed. 20252

(2) The commission has determined that, as an indication of 20253
substantial regional support for the arts project, the arts 20254
organization has made provision satisfactory to the commission, in 20255
its sole discretion, for local contributions amounting to not less 20256
than fifty per cent of the total state funding for the arts 20257
project. 20258

(3) The general assembly has specifically authorized the 20259
spending of money on, or made an appropriation for, the 20260
construction of the arts project, or for rental payments relating 20261
to the financing of the construction of the arts project. 20262
Authorization to spend money, or an appropriation, for planning 20263
the arts project does not constitute authorization to spend money 20264

on, or an appropriation for, construction of the arts project. 20265

(E) No state funds, including any state bond proceeds, shall 20266
be spent on the construction of any state historical facility 20267
under this chapter unless the general assembly has specifically 20268
authorized the spending of money on, or made an appropriation for, 20269
the construction of the arts project related to the facility, or 20270
for rental payments relating to the financing of the construction 20271
of the arts project. Authorization to spend money, or an 20272
appropriation, for planning the arts project does not constitute 20273
authorization to spend money on, or an appropriation for, the 20274
construction of the arts project. 20275

(F) State funds shall not be used to pay or reimburse more 20276
than fifteen per cent of the initial estimated construction cost 20277
of an Ohio sports facility, excluding any site acquisition cost, 20278

spent on any Ohio sports facility under this chapter unless, with 20280
respect to that facility, all of the following apply: 20281

(1) The Ohio arts and sports facilities commission has 20282
determined that there is a need for the facility in the region of 20283
the state for which the facility is proposed to provide the 20284
function of an Ohio sports facility as provided for in this 20285
chapter. 20286

(2) As an indication of substantial local support for the 20287
facility, the commission has received a financial and development 20288
plan satisfactory to it, and provision has been made, by agreement 20289
or otherwise, satisfactory to the commission, for a contribution 20290
amounting to not less than eighty-five per cent of the total 20291
estimated construction cost of the facility, excluding any site 20292
acquisition cost, from sources other than the state. 20293

(3) The general assembly has specifically authorized the 20294
spending of money on, or made an appropriation for, the 20295

construction of the facility, or for rental payments relating to 20296
state financing of all or a portion of the costs of constructing 20297
the facility. Authorization to spend money, or an appropriation, 20298
for planning or determining the feasibility of or need for the 20299
facility does not constitute authorization to spend money on, or 20300
an appropriation for, costs of constructing the facility. 20301

(4) If state bond proceeds are being used for the Ohio sports 20302
facility, the state or a governmental agency owns or has 20303
sufficient property interests in the facility or in the site of 20304
the facility or in the portion or portions of the facility 20305
financed from proceeds of state bonds, which may include, but is 20306
not limited to, the right to use or to require the use of the 20307
facility for the presentation of sport and athletic events to the 20308
public at the facility, ~~extending for a period of not less than~~ 20309
~~the greater of the useful life of the portion of the facility~~ 20310
~~financed from proceeds of those bonds as determined using the~~ 20311
~~guidelines for maximum maturities as provided under divisions (B),~~ 20312

~~of time remaining to the date of payment or provision for payment~~ 20314
~~of outstanding state bonds allocable to costs of the facility, all~~ 20315
~~as determined by the director of budget and management and~~ 20316
~~certified by the director to the Ohio arts and sports facilities~~ 20317
~~commission and to the Ohio building authority.~~ 20318

reasonable number after taking into consideration the type and 20360
amount of available equipment, prior voter turnout, the size and 20361
location of each selected polling place, available parking, 20362
availability of an adequate number of poll workers, and handicap 20363
accessibility and other accessibility to the polling place. 20364

If the board changes the boundaries of a precinct after the 20365
filing of a local option election petition pursuant to sections 20366
4301.32 to 4301.41, 4303.29, or 4305.14 of the Revised Code that 20367
calls for a local option election to be held in that precinct, the 20368
local option election shall be held in the area that constituted 20369
the precinct at the time the local option petition was filed, 20370
regardless of the change in the boundaries. 20371

If the board changes the boundaries of a precinct in order to 20372

county, of a ward of a city in the county, or of a township in the 20376
county, the member shall continue to represent the precinct, ward, 20377

In an emergency, the board may provide more than one polling 20380
place in a precinct. In order to provide for the convenience of 20381
the voters, the board may locate polling places for voting or 20382
registration outside the boundaries of precincts, provided that 20383
the nearest public school or public building shall be used if the 20384
board determines it to be available and suitable for use as a 20385
polling place. Except in an emergency, no change in the number or 20386
location of the polling places in a precinct shall be made during 20387
the twenty-five days immediately preceding a primary or general 20388
election. 20389

Electors who have failed to respond within thirty days to any 20390

confirmation notice shall not be counted in determining the size 20391
of any precinct under this section. 20392

(B)(1) Except as otherwise provided in division (B)(2) ~~or (3)~~ 20393
of this section, ~~not later than August 1, 2000, the~~ a board of 20394
elections shall determine all precinct boundaries using 20395
geographical units used by the United States department of 20396
commerce, bureau of the census, in reporting the decennial census 20397
of Ohio. 20398

~~(2) When any part of the boundary of a precinct also forms a 20399
part of the boundary of a legislative district and the precinct 20400
boundary cannot be determined by August 1, 2000, using the 20401
geographical units described in division (B)(1) of this section 20402
without making that part of the precinct boundary that also forms 20403
part of the legislative district boundary different from that 20404
legislative district boundary, the board of elections may 20405
determine the boundary of that precinct using the geographical 20406
units described in division (B)(1) of this section not later than 20407
April 1, 2002. As used in this division, legislative district 20408
means a district determined under Article XI of the Ohio 20409
Constitution. 20410~~

~~(3) The board of elections may apply to the secretary of 20411
state for a waiver from the requirement of division (B)(1) of this 20412

practices that would cause unusual hardship for voters. The board 20415
shall identify the affected precincts and census units, explain 20416
the reason for the waiver request, and include a map illustrating 20417
where the census units will be split because of the requested 20418
waiver. If the secretary of state approves the waiver and so 20419
notifies the board of elections in writing, the board may change a 20420
precinct boundary as necessary under this section, notwithstanding 20421
the requirement in division (B)(1) of this section. 20422~~

(C) The board of elections may apply to the secretary of state for a waiver from the requirement of division (A) of this section regarding the number of electors in a precinct when the use of geographical units used by the United States department of commerce, bureau of the census, will cause a precinct to contain more than one thousand four hundred electors. The board shall identify the affected precincts and census units, explain the reason for the waiver request, and include a map illustrating where census units will be split because of the requested waiver. If the secretary of state approves the waiver and so notifies the board of elections in writing, the board may change a precinct boundary as necessary to meet the requirements of division (B)(1) of this section.

Where small flags cannot reasonably be placed one hundred feet from the polling place, the presiding election judge shall place the flags as near to one hundred feet from the entrance to the polling place as is physically possible. Police officers and all election officials shall see that this prohibition against loitering and congregating is enforced. ~~When~~

When the period of time during which the polling place is open for voting expires, all of ~~said~~ the flags described in this division shall be taken into the polling place, and shall be returned to the board together with all other election ~~materials~~ ~~and~~ supplies required to be delivered to ~~such~~ the board.

home, residential care facility, or home for the aging without a 21550
valid license required by section 3721.05 of the Revised Code or, 21551
in the case of a county home or district home, is operating 21552
despite the revocation of its residential care facility license. 21553
The director may delegate the director's authority and duties 21554
under this chapter to any division, bureau, agency, or official of 21555
the department of health. 21556

pursuant to this chapter and as an adult care facility pursuant to 21558
Chapter 3722. of the Revised Code if the director determines that 21559
the part or unit to be licensed as a nursing home can be 21560
maintained separate and discrete from the part or unit to be 21561
licensed as an adult care facility. 21562

(C) In determining the number of residents in a home for the 21563
purpose of licensing, the director shall consider all the 21564
individuals for whom the home provides accommodations as one group 21565
unless one of the following is the case: 21566

(1) The home is a home for the aging, in which case all the 21567
individuals in the part or unit licensed as a nursing home shall 21568
be considered as one group, and all the individuals in the part or 21569
unit licensed as a rest home shall be considered as another group. 21570

(2) The home is both a nursing home and an adult care 21571
facility. In that case, all the individuals in the part or unit 21572
licensed as a nursing home shall be considered as one group, and 21573
all the individuals in the part or unit licensed as an adult care 21574
facility shall be considered as another group. 21575

residential care facility, a separate and discrete part or unit 21577
that provides accommodations to individuals who do not require or 21578
receive skilled nursing care and do not receive personal care 21579
services from the home, in which case the individuals in the 21580
separate and discrete part or unit shall not be considered in 21581
determining the number of residents in the home if the separate 21582
and discrete part or unit is in compliance with the Ohio basic 21583
building code established by the board of building standards under 21584
Chapters 3781. and 3791. of the Revised Code and the home permits 21585
the director, on request, to inspect the separate and discrete 21586
part or unit and speak with the individuals residing there, if 21587

they consent, to determine whether the separate and discrete part 21588
or unit meets the requirements of this division. 21589

(D) The director of health shall charge an application fee 21590
and an annual renewal licensing and inspection fee of one hundred 21591
five dollars for each fifty persons or part thereof of a home's 21592
licensed capacity. All fees collected by the director for the 21593
issuance or renewal of licenses shall be deposited into the state 21594
treasury to the credit of the general operations fund created in 21595
section 3701.83 of the Revised Code for use only in administering 21596
and enforcing this chapter and rules adopted under it. 21597

(E)(1) Except as otherwise provided in this section, the 21598
results of an inspection or investigation of a home that is 21599
conducted under this section, including any statement of 21600
deficiencies and all findings and deficiencies cited in the 21601
statement on the basis of the inspection or investigation, shall 21602
be used solely to determine the home's compliance with this 21603
chapter or another chapter of the Revised Code in any action or 21604
proceeding other than an action commenced under division (I) of 21605
section 3721.17 of the Revised Code. Those results of an 21606
inspection or investigation, that statement of deficiencies, and 21607
the findings and deficiencies cited in that statement shall not be 21608
used in any court or in any action or proceeding that is pending 21609
in any court and are not admissible in evidence in any action or 21610
proceeding unless that action or proceeding is an appeal of an 21611
action by the department of health under this chapter or is an 21612
action by any department or agency of the state to enforce this 21613
chapter or another chapter of the Revised Code. 21614

(2) Nothing in division (E)(1) of this section prohibits the 21615
results of an inspection or investigation conducted under this 21616
section from being used in a criminal investigation or 21617
prosecution. 21618

by the Ohio department of job and family services. Consequently, 21630
you may be discharged from this home if you are unable to pay for 21631
the services provided by this home." 21632

If the prospective resident has a sponsor whose identity is 21633
made known to the home, the home shall also inform the sponsor, 21634
before admission of the resident, of the home's status relative to 21635
the medical assistance program. Written acknowledgement of the 21636
receipt of the information shall be provided by the resident and, 21637
if the prospective resident has a sponsor who has been identified 21638
to the home, by the sponsor. The written acknowledgement shall be 21639
made part of the resident's record by the home. 21640

No home shall terminate its status as a provider under the 21641
medical assistance program unless it has complied with section 21642
5111.66 of the Revised Code and, at least ninety days prior to 21643

At the time the information is provided, the facility shall obtain a statement signed by the individual receiving the information acknowledging that the individual received the information. The facility shall maintain on file the individual's signed statement.

If the camp is operating without a license, the licensor shall 21792
require the camp to comply with sections 3733.41 to 3733.49 of the 21793
Revised Code and the rules adopted under those sections. No 21794
license shall be issued unless results of water supply tests 21795
indicate that the water supply meets required standards or if any 21796
violations exist concerning sanitation, drainage, or habitability 21797
of housing units. 21798

(B) The licensor shall, upon issuance of each license, 21799
distribute posters containing the toll-free telephone number of 21800
the migrant agricultural ~~ombudsman~~ ombudsperson established in 21801
section 3733.49 of the Revised Code and information in English and 21802
Spanish describing the purpose of the ~~ombudsman's~~ ombudsperson's 21803
office, as provided in that section. The licensor shall provide at 21804
least two posters to the licensee, one for ~~his~~ the licensee's 21805

personal use and at least one that shall be posted in a 21806
conspicuous place within the camp. 21807

(C) The licensor may, upon proper identification to the 21808
operator or ~~his~~ the operator's agent, enter on any property or 21809
into any structure at any reasonable time for the purpose of 21810
making inspections required by this section. 21811

The licensor shall make at least one inspection prior to 21812
~~licensing, and at least two inspections during occupancy of the~~ 21813
~~camps, at least one of which shall be an unannounced evening~~ 21814
~~inspection conducted after five p.m. The licensor shall determine~~ 21815
~~and record housing unit occupancy during each evening inspection.~~ 21816
The licensor shall make such other inspections as ~~he~~ the licensor 21817
considers necessary to enforce sections 3733.41 to 3733.49 of the 21818
Revised Code adequately. 21819

(D) Any plans submitted to the licensor shall be in 21820
compliance with rules adopted pursuant to section 3733.42 of the 21821
Revised Code and shall be approved or disapproved within thirty 21822
days after they are filed. 21823

~~(E) All designees of the licensor who conduct inspections in~~ 21824

~~section shall speak both English and Spanish fluently.~~ 21828

~~(F)~~ The licensor shall issue an annual report that shall 21829
accurately reflect the results of that year's inspections, 21830
including, but not limited to, numbers of ~~pre and post occupancy~~ 21831
inspections, number of violations found, and action taken in 21832
regard to violations. The report shall also include an assessment 21833
of any problems found in that year and proposed solutions for 21834
them. 21835

Sec. 3734.02. (A) The director of environmental protection, 21836
in accordance with Chapter 119. of the Revised Code, shall adopt 21837
and may amend, suspend, or rescind rules having uniform 21838
application throughout the state governing solid waste facilities 21839
and the inspections of and issuance of permits and licenses for 21840
all solid waste facilities in order to ensure that the facilities 21841
will be located, maintained, and operated, and will undergo 21842
closure and post-closure care, in a sanitary manner so as not to 21843
create a nuisance, cause or contribute to water pollution, create 21844
a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 21845
257.3-8, as amended. The rules may include, without limitation, 21846
financial assurance requirements for closure and post-closure care 21847
and corrective action and requirements for taking corrective 21848
action in the event of the surface or subsurface discharge or 21849
migration of explosive gases or leachate from a solid waste 21850
facility, or of ground water contamination resulting from the 21851
transfer or disposal of solid wastes at a facility, beyond the 21852
boundaries of any area within a facility that is operating or is 21853
undergoing closure or post-closure care where solid wastes were 21854
disposed of or are being disposed of. The rules shall not concern 21855
or relate to personnel policies, salaries, wages, fringe benefits, 21856
or other conditions of employment of employees of persons owning 21857
or operating solid waste facilities. The director, in accordance 21858
with Chapter 119. of the Revised Code, shall adopt and may amend, 21859
suspend, or rescind rules governing the issuance, modification, 21860
revocation, suspension, or denial of variances from the director's 21861
solid waste rules, including, without limitation, rules adopted 21862
under this chapter governing the management of scrap tires. 21863

Variances shall be issued, modified, revoked, suspended, or 21864
rescinded in accordance with this division, rules adopted under 21865
it, and Chapter 3745. of the Revised Code. The director may order 21866
the person to whom a variance is issued to take such action within 21867

such time as the director may determine to be appropriate and 21868
reasonable to prevent the creation of a nuisance or a hazard to 21869
the public health or safety or the environment. Applications for 21870
variances shall contain such detail plans, specifications, and 21871
information regarding objectives, procedures, controls, and other 21872
pertinent data as the director may require. The director shall 21873
grant a variance only if the applicant demonstrates to the 21874
director's satisfaction that construction and operation of the 21875
solid waste facility in the manner allowed by the variance and any 21876
terms or conditions imposed as part of the variance will not 21877
create a nuisance or a hazard to the public health or safety or 21878
the environment. In granting any variance, the director shall 21879
state the specific provision or provisions whose terms are to be 21880
varied and also shall state specific terms or conditions imposed 21881
upon the applicant in place of the provision or provisions. The 21882
director may hold a public hearing on an application for a 21883
variance or renewal of a variance at a location in the county 21884
where the operations that are the subject of the application for 21885
the variance are conducted. The director shall give not less than 21886
twenty days' notice of the hearing to the applicant by certified 21887
mail and shall publish at least one notice of the hearing in a 21888
newspaper with general circulation in the county where the hearing 21889
is to be held. The director shall make available for public 21890
inspection at the principal office of the environmental protection 21891
agency a current list of pending applications for variances and a 21892
current schedule of pending variance hearings. The director shall 21893
make a complete stenographic record of testimony and other 21894
evidence submitted at the hearing. Within ten days after the 21895
hearing, the director shall make a written determination to issue, 21896
renew, or deny the variance and shall enter the determination and 21897
the basis for it into the record of the hearing. The director 21898
shall issue, renew, or deny an application for a variance or 21899
renewal of a variance within six months of the date upon which the 21900

director receives a complete application with all pertinent 21901
information and data required. No variance shall be issued, 21902
revoked, modified, or denied until the director has considered the 21903
relative interests of the applicant, other persons and property 21904
affected by the variance, and the general public. Any variance 21905
granted under this division shall be for a period specified by the 21906
director and may be renewed from time to time on such terms and 21907
for such periods as the director determines to be appropriate. No 21908
application shall be denied and no variance shall be revoked or 21909
modified without a written order stating the findings upon which 21910
the denial, revocation, or modification is based. A copy of the 21911
order shall be sent to the applicant or variance holder by 21912
certified mail. 21913

(B) The director shall prescribe and furnish the forms 21914
necessary to administer and enforce this chapter. The director may 21915
cooperate with and enter into agreements with other state, local, 21916
or federal agencies to carry out the purposes of this chapter. The 21917
director may exercise all incidental powers necessary to carry out 21918
the purposes of this chapter. 21919

The director may use moneys in the infectious waste 21920
management fund created in section 3734.021 of the Revised Code 21921
exclusively for administering and enforcing the provisions of this 21922
chapter governing the management of infectious wastes. Of each 21923
registration and renewal fee collected under rules adopted under 21924
division (A)(2)(a) of section 3734.021 or under section 3734.022 21925
of the Revised Code, the director, within forty-five days of its 21926
receipt, shall remit from the fund one-half of the fee received to 21927
the board of health of the health district in which the registered 21928
premises is located, or, in the instance of an infectious wastes 21929
transporter, to the board of health of the health district in 21930
which the transporter's principal place of business is located. 21931
However, if the board of health having jurisdiction over a 21932

registrant's premises or principal place of business is not on the 21933
approved list under section 3734.08 of the Revised Code, the 21934
director shall not make that payment to the board of health. 21935

(C) Except as provided in this division and divisions (N)(2) 21936
and (3) of this section, no person shall establish a new solid 21937
waste facility or infectious waste treatment facility, or modify 21938
an existing solid waste facility or infectious waste treatment 21939
facility, without submitting an application for a permit with 21940
accompanying detail plans, specifications, and information 21941
regarding the facility and method of operation and receiving a 21942
permit issued by the director, except that no permit shall be 21943
required under this division to install or operate a solid waste 21944
facility for sewage sludge treatment or disposal when the 21945
treatment or disposal is authorized by a current permit issued 21946
under Chapter 3704. or 6111. of the Revised Code. 21947

No person shall continue to operate a solid waste facility 21948
for which the director has denied a permit for which an 21949
application was required under division (A)(3) of section 3734.05 21950
of the Revised Code, or for which the director has disapproved 21951
plans and specifications required to be filed by an order issued 21952
under division (A)(5) of that section, after the date prescribed 21953
for commencement of closure of the facility in the order issued 21954
under division (A)(6) of section 3734.05 of the Revised Code 21955
denying the permit application or approval. 21956

On and after the effective date of the rules adopted under 21957
division (A) of this section and division (D) of section 3734.12 21958
of the Revised Code governing solid waste transfer facilities, no 21959
person shall establish a new, or modify an existing, solid waste 21960
transfer facility without first submitting an application for a 21961
permit with accompanying engineering detail plans, specifications, 21962
and information regarding the facility and its method of operation 21963
to the director and receiving a permit issued by the director. 21964

No person shall establish a new compost facility or continue to operate an existing compost facility that accepts exclusively source separated yard wastes without submitting a completed registration for the facility to the director in accordance with rules adopted under divisions (A) and (N)(3) of this section.

This division does not apply to an infectious waste treatment facility that meets any of the following conditions:

(1) Is owned or operated by the generator of the wastes and exclusively treats, by methods, techniques, and practices established by rules adopted under division (C)(1) or (3) of section 3734.021 of the Revised Code, wastes that are generated at any premises owned or operated by that generator regardless of whether the wastes are generated on the premises where the generator's treatment facility is located or, if the generator is a hospital as defined in section 3727.01 of the Revised Code, infectious wastes that are described in division (A)(1)(g), (h), or (i) of section 3734.021 of the Revised Code;

(2) Holds a license or renewal of a license to operate a crematory facility issued under Chapter 4717. and a permit issued under Chapter 3704. of the Revised Code;

(3) Treats or disposes of dead animals or parts thereof, or the blood of animals, and is subject to any of the following:

(a) Inspection under the "Federal Meat Inspection Act," 81 Stat. 584 (1967), 21 U.S.C.A. 603, as amended;

(b) Chapter 918. of the Revised Code;

(c) Chapter 953. of the Revised Code.

(D) Neither this chapter nor any rules adopted under it apply to single-family residential premises; to infectious wastes generated by individuals for purposes of their own care or treatment that are disposed of with solid wastes from the

individual's residence; to the temporary storage of solid wastes, 21995
other than scrap tires, prior to their collection for disposal; to 21996
the storage of one hundred or fewer scrap tires unless they are 21997
stored in such a manner that, in the judgment of the director or 21998
the board of health of the health district in which the scrap 21999
tires are stored, the storage causes a nuisance, a hazard to 22000
public health or safety, or a fire hazard; or to the collection of 22001
solid wastes, other than scrap tires, by a political subdivision 22002
or a person holding a franchise or license from a political 22003
subdivision of the state; to composting, as defined in section 22004
1511.01 of the Revised Code, conducted in accordance with section 22005
1511.022 of the Revised Code; or to any person who is licensed to 22006
transport raw rendering material to a compost facility pursuant to 22007
section 953.23 of the Revised Code. 22008

(E)(1) As used in this division and section 3734.18 of the 22009
Revised Code: 22010

(a) "On-site facility" means a facility that stores, treats, 22011
or disposes of hazardous waste that is generated on the premises 22012
of the facility. 22013

(b) "Off-site facility" means a facility that stores, treats, 22014
or disposes of hazardous waste that is generated off the premises 22015
of the facility and includes such a facility that is also an 22016
on-site facility. 22017

(c) "Satellite facility" means any of the following: 22018

(i) An on-site facility that also receives hazardous waste 22019
from other premises owned by the same person who generates the 22020
waste on the facility premises; 22021

(ii) An off-site facility operated so that all of the 22022
hazardous waste it receives is generated on one or more premises 22023
owned by the person who owns the facility; 22024

(iii) An on-site facility that also receives hazardous waste 22025

that is transported uninterruptedly and directly to the facility 22026
through a pipeline from a generator who is not the owner of the 22027
facility. 22028

(2) Except as provided in division (E)(3) of this section, no 22029
person shall establish or operate a hazardous waste facility, or 22030
use a solid waste facility for the storage, treatment, or disposal 22031
of any hazardous waste, without a hazardous waste facility 22032
installation and operation permit ~~from the hazardous waste~~ 22033
~~facility board~~ issued in accordance with section 3734.05 of the 22034
Revised Code and subject to the payment of an application fee not 22035
to exceed one thousand five hundred dollars, payable upon 22036
application for a hazardous waste facility installation and 22037
operation permit and upon application for a renewal permit issued 22038
under division (H) of section 3734.05 of the Revised Code, to be 22039
credited to the hazardous waste facility management fund created 22040
in section 3734.18 of the Revised Code. The term of a hazardous 22041
waste facility installation and operation permit shall not exceed 22042
five years. 22043

In addition to the application fee, there is hereby levied an 22044
annual permit fee to be paid by the permit holder upon the 22045
anniversaries of the date of issuance of the hazardous waste 22046
facility installation and operation permit and of any subsequent 22047
renewal permits and to be credited to the hazardous waste facility 22048
management fund. Annual permit fees totaling forty thousand 22049
dollars or more for any one facility may be paid on a quarterly 22050
basis with the first quarterly payment each year being due on the 22051
anniversary of the date of issuance of the hazardous waste 22052
facility installation and operation permit and of any subsequent 22053
renewal permits. The annual permit fee shall be determined for 22054
each permit holder by the director in accordance with the 22055
following schedule: 22056

In determining the annual permit fee required by this 22087
 section, the director shall not require additional payments for 22088
 multiple units of the same method of storage, treatment, or 22089
 disposal or for individual units that are used for both storage 22090

and treatment. A facility using more than one method of storage, 22091
treatment, or disposal shall pay the permit fee indicated by the 22092
schedule for each such method. 22093

The director shall not require the payment of that portion of 22094
an annual permit fee of any permit holder that would apply to a 22095
hazardous waste management unit for which a permit has been 22096
issued, but for which construction has not yet commenced. Once 22097
construction has commenced, the director shall require the payment 22098
of a part of the appropriate fee indicated by the schedule that 22099
bears the same relationship to the total fee that the number of 22100
days remaining until the next anniversary date at which payment of 22101
the annual permit fee is due bears to three hundred sixty-five. 22102

The director, by rules adopted in accordance with Chapters 22103
119. and 3745. of the Revised Code, shall prescribe procedures for 22104
collecting the annual permit fee established by this division and 22105
may prescribe other requirements necessary to carry out this 22106
division. 22107

(3) The prohibition against establishing or operating a 22108
hazardous waste facility without a hazardous waste facility 22109
installation and operation permit ~~from the board~~ does not apply to 22110
either of the following: 22111

(a) A facility that is operating in accordance with a permit 22112
renewal issued under division (H) of section 3734.05 of the 22113
Revised Code, a revision issued under division (I) of that section 22114
as it existed prior to August 20, 1996, or a modification issued 22115
by the director under division (I) of that section on and after 22116
August 20, 1996; 22117

(b) Except as provided in division (J) of section 3734.05 of 22118
the Revised Code, a facility that will operate or is operating in 22119
accordance with a permit by rule, or that is not subject to permit 22120
requirements, under rules adopted by the director. In accordance 22121

with Chapter 119. of the Revised Code, the director shall adopt, 22122
and subsequently may amend, suspend, or rescind, rules for the 22123
purposes of division (E)(3)(b) of this section. Any rules so 22124
adopted shall be consistent with and equivalent to regulations 22125
pertaining to interim status adopted under the "Resource 22126
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 22127
6921, as amended, except as otherwise provided in this chapter. 22128

If a modification is requested or proposed for a facility 22129
described in division (E)(3)(a) or (b) of this section, division 22130
(I)~~(8)~~(7) of section 3734.05 of the Revised Code applies. 22131

(F) No person shall store, treat, or dispose of hazardous 22132
waste identified or listed under this chapter and rules adopted 22133
under it, regardless of whether generated on or off the premises 22134
where the waste is stored, treated, or disposed of, or transport 22135
or cause to be transported any hazardous waste identified or 22136
listed under this chapter and rules adopted under it to any other 22137
premises, except at or to any of the following: 22138

(1) A hazardous waste facility operating under a permit 22139
issued in accordance with this chapter; 22140

(2) A facility in another state operating under a license or 22141
permit issued in accordance with the "Resource Conservation and 22142
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 22143
amended; 22144

(3) A facility in another nation operating in accordance with 22145
the laws of that nation; 22146

(4) A facility holding a permit issued pursuant to Title I of 22147
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 22148
Stat. 1052, 33 U.S.C.A. 1401, as amended; 22149

(5) A hazardous waste facility as described in division 22150
(E)(3)(a) or (b) of this section. 22151

(G) The director, by order, may exempt any person generating, 22152
collecting, storing, treating, disposing of, or transporting solid 22153
wastes or hazardous waste, or processing solid wastes that consist 22154
of scrap tires, in such quantities or under such circumstances 22155
that, in the determination of the director, are unlikely to 22156
adversely affect the public health or safety or the environment 22157
from any requirement to obtain a registration certificate, permit, 22158
or license or comply with the manifest system or other 22159
requirements of this chapter. Such an exemption shall be 22160
consistent with and equivalent to any regulations adopted by the 22161
administrator of the United States environmental protection agency 22162
under the "Resource Conservation and Recovery Act of 1976," 90 22163
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 22164
provided in this chapter. 22165

(H) No person shall engage in filling, grading, excavating, 22166
building, drilling, or mining on land where a hazardous waste 22167
facility, or a solid waste facility, was operated without prior 22168
authorization from the director, who shall establish the procedure 22169
for granting such authorization by rules adopted in accordance 22170
with Chapter 119. of the Revised Code. 22171

A public utility that has main or distribution lines above or 22172
below the land surface located on an easement or right-of-way 22173
across land where a solid waste facility was operated may engage 22174
in any such activity within the easement or right-of-way without 22175
prior authorization from the director for purposes of performing 22176
emergency repair or emergency replacement of its lines; of the 22177
poles, towers, foundations, or other structures supporting or 22178
sustaining any such lines; or of the appurtenances to those 22179
structures, necessary to restore or maintain existing public 22180
utility service. A public utility may enter upon any such easement 22181
or right-of-way without prior authorization from the director for 22182
purposes of performing necessary or routine maintenance of those 22183

portions of its existing lines; of the existing poles, towers, 22184
foundations, or other structures sustaining or supporting its 22185
lines; or of the appurtenances to any such supporting or 22186
sustaining structure, located on or above the land surface on any 22187
such easement or right-of-way. Within twenty-four hours after 22188
commencing any such emergency repair, replacement, or maintenance 22189
work, the public utility shall notify the director or the 22190
director's authorized representative of those activities and shall 22191
provide such information regarding those activities as the 22192
director or the director's representative may request. Upon 22193
completion of the emergency repair, replacement, or maintenance 22194
activities, the public utility shall restore any land of the solid 22195
waste facility disturbed by those activities to the condition 22196
existing prior to the commencement of those activities. 22197

(I) No owner or operator of a hazardous waste facility, in 22198
the operation of the facility, shall cause, permit, or allow the 22199
emission therefrom of any particulate matter, dust, fumes, gas, 22200
mist, smoke, vapor, or odorous substance that, in the opinion of 22201
the director, unreasonably interferes with the comfortable 22202
enjoyment of life or property by persons living or working in the 22203
vicinity of the facility, or that is injurious to public health. 22204
Any such action is hereby declared to be a public nuisance. 22205

(J) Notwithstanding any other provision of this chapter, in 22206
the event the director finds an imminent and substantial danger to 22207
public health or safety or the environment that creates an 22208
emergency situation requiring the immediate treatment, storage, or 22209
disposal of hazardous waste, the director may issue a temporary 22210
emergency permit to allow the treatment, storage, or disposal of 22211
the hazardous waste at a facility that is not otherwise authorized 22212
by a hazardous waste facility installation and operation permit to 22213
treat, store, or dispose of the waste. The emergency permit shall 22214
not exceed ninety days in duration and shall not be renewed. The 22215

director shall adopt, and may amend, suspend, or rescind, rules in 22216
accordance with Chapter 119. of the Revised Code governing the 22217
issuance, modification, revocation, and denial of emergency 22218
permits. 22219

(K) No owner or operator of a sanitary landfill shall 22220
knowingly accept for disposal, or dispose of, any infectious 22221
wastes, other than those subject to division (A)(1)(c) of section 22222
3734.021 of the Revised Code, that have not been treated to render 22223
them noninfectious. For the purposes of this division, 22224
certification by the owner or operator of the treatment facility 22225
where the wastes were treated on the shipping paper required by 22226
rules adopted under division (D)(2) of that section creates a 22227
rebuttable presumption that the wastes have been so treated. 22228

(L) The director, in accordance with Chapter 119. of the 22229
Revised Code, shall adopt, and may amend, suspend, or rescind, 22230
rules having uniform application throughout the state establishing 22231
a training and certification program that shall be required for 22232
employees of boards of health who are responsible for enforcing 22233
the solid waste and infectious waste provisions of this chapter 22234
and rules adopted under them and for persons who are responsible 22235
for the operation of solid waste facilities or infectious waste 22236
treatment facilities. The rules shall provide all of the 22237
following, without limitation: 22238

(1) The program shall be administered by the director and 22239
shall consist of a course on new solid waste and infectious waste 22240
technologies, enforcement procedures, and rules; 22241

(2) The course shall be offered on an annual basis; 22242

(3) Those persons who are required to take the course under 22243
division (L) of this section shall do so triennially; 22244

(4) Persons who successfully complete the course shall be 22245
certified by the director; 22246

(5) Certification shall be required for all employees of boards of health who are responsible for enforcing the solid waste or infectious waste provisions of this chapter and rules adopted under them and for all persons who are responsible for the operation of solid waste facilities or infectious waste treatment facilities;

(6)(a) All employees of a board of health who, on the effective date of the rules adopted under this division, are responsible for enforcing the solid waste or infectious waste provisions of this chapter and the rules adopted under them shall complete the course and be certified by the director not later than January 1, 1995;

(b) All employees of a board of health who, after the effective date of the rules adopted under division (L) of this section, become responsible for enforcing the solid waste or infectious waste provisions of this chapter and rules adopted under them and who do not hold a current and valid certification from the director at that time shall complete the course and be certified by the director within two years after becoming responsible for performing those activities.

No person shall fail to obtain the certification required under this division.

(M) The director shall not issue a permit under section 3734.05 of the Revised Code to establish a solid waste facility, or to modify a solid waste facility operating on December 21, 1988, in a manner that expands the disposal capacity or geographic area covered by the facility, that is or is to be located within the boundaries of a state park established or dedicated under Chapter 1541. of the Revised Code, a state park purchase area established under section 1541.02 of the Revised Code, any unit of the national park system, or any property that lies within the

boundaries of a national park or recreation area, but that has not 22278
been acquired or is not administered by the secretary of the 22279
United States department of the interior, located in this state, 22280
or any candidate area located in this state and identified for 22281
potential inclusion in the national park system in the edition of 22282
the "national park system plan" submitted under paragraph (b) of 22283
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 22284
U.S.C.A. 1a-5, as amended, current at the time of filing of the 22285
application for the permit, unless the facility or proposed 22286
facility is or is to be used exclusively for the disposal of solid 22287
wastes generated within the park or recreation area and the 22288
director determines that the facility or proposed facility will 22289
not degrade any of the natural or cultural resources of the park 22290
or recreation area. The director shall not issue a variance under 22291
division (A) of this section and rules adopted under it, or issue 22292
an exemption order under division (G) of this section, that would 22293
authorize any such establishment or expansion of a solid waste 22294
facility within the boundaries of any such park or recreation 22295
area, state park purchase area, or candidate area, other than a 22296
solid waste facility exclusively for the disposal of solid wastes 22297
generated within the park or recreation area when the director 22298
determines that the facility will not degrade any of the natural 22299
or cultural resources of the park or recreation area. 22300

(N)(1) The rules adopted under division (A) of this section, 22301
other than those governing variances, do not apply to scrap tire 22302
collection, storage, monocell, monofill, and recovery facilities. 22303
Those facilities are subject to and governed by rules adopted 22304
under sections 3734.70 to 3734.73 of the Revised Code, as 22305
applicable. 22306

(2) Division (C) of this section does not apply to scrap tire 22307
collection, storage, monocell, monofill, and recovery facilities. 22308
The establishment and modification of those facilities are subject 22309

to sections 3734.75 to 3734.78 and section 3734.81 of the Revised Code, as applicable. 22310
22311

(3) The director may adopt, amend, suspend, or rescind rules 22312
under division (A) of this section creating an alternative system 22313
for authorizing the establishment, operation, or modification of a 22314
solid waste compost facility in lieu of the requirement that a 22315
person seeking to establish, operate, or modify a solid waste 22316
compost facility apply for and receive a permit under division (C) 22317
of this section and section 3734.05 of the Revised Code and a 22318
license under division (A)(1) of that section. The rules may 22319
include requirements governing, without limitation, the 22320
classification of solid waste compost facilities, the submittal of 22321
operating records for solid waste compost facilities, and the 22322
creation of a registration or notification system in lieu of the 22323
issuance of permits and licenses for solid waste compost 22324
facilities. The rules shall specify the applicability of divisions 22325
(A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised 22326
Code to a solid waste compost facility. 22327

Sec. 3734.05. (A)(1) Except as provided in divisions (A)(4), 22328
(8), and (9) of this section, no person shall operate or maintain 22329
a solid waste facility without a license issued under this 22330
division by the board of health of the health district in which 22331
the facility is located or by the director of environmental 22332
protection when the health district in which the facility is 22333
located is not on the approved list under section 3734.08 of the 22334
Revised Code. 22335

During the month of December, but before the first day of 22336
January of the next year, every person proposing to continue to 22337
operate an existing solid waste facility shall procure a license 22338
under this division to operate the facility for that year from the 22339
board of health of the health district in which the facility is 22340

located or, if the health district is not on the approved list 22341
under section 3734.08 of the Revised Code, from the director. The 22342
application for such a license shall be submitted to the board of 22343
health or to the director, as appropriate, on or before the last 22344
day of September of the year preceding that for which the license 22345
is sought. In addition to the application fee prescribed in 22346
division (A)(2) of this section, a person who submits an 22347
application after that date shall pay an additional ten per cent 22348
of the amount of the application fee for each week that the 22349
application is late. Late payment fees accompanying an application 22350
submitted to the board of health shall be credited to the special 22351
fund of the health district created in division (B) of section 22352
3734.06 of the Revised Code, and late payment fees accompanying an 22353
application submitted to the director shall be credited to the 22354
general revenue fund. A person who has received a license, upon 22355
sale or disposition of a solid waste facility, and upon consent of 22356
the board of health and the director, may have the license 22357
transferred to another person. The board of health or the director 22358
may include such terms and conditions in a license or revision to 22359
a license as are appropriate to ensure compliance with this 22360
chapter and rules adopted under it. The terms and conditions may 22361
establish the authorized maximum daily waste receipts for the 22362
facility. Limitations on maximum daily waste receipts shall be 22363
specified in cubic yards of volume for the purpose of regulating 22364
the design, construction, and operation of solid waste facilities. 22365
Terms and conditions included in a license or revision to a 22366
license by a board of health shall be consistent with, and pertain 22367
only to the subjects addressed in, the rules adopted under 22368
division (A) of section 3734.02 and division (D) of section 22369
3734.12 of the Revised Code. 22370

(2)(a) Except as provided in divisions (A)(2)(b), (8), and 22371
(9) of this section, each person proposing to open a new solid 22372
waste facility or to modify an existing solid waste facility shall 22373

submit an application for a permit with accompanying detail plans 22374
and specifications to the environmental protection agency for 22375
required approval under the rules adopted by the director pursuant 22376
to division (A) of section 3734.02 of the Revised Code and 22377
applicable rules adopted under division (D) of section 3734.12 of 22378
the Revised Code at least two hundred seventy days before proposed 22379
operation of the facility and shall concurrently make application 22380
for the issuance of a license under division (A)(1) of this 22381
section with the board of health of the health district in which 22382
the proposed facility is to be located. 22383

(b) On and after the effective date of the rules adopted 22384
under division (A) of section 3734.02 of the Revised Code and 22385
division (D) of section 3734.12 of the Revised Code governing 22386
solid waste transfer facilities, each person proposing to open a 22387
new solid waste transfer facility or to modify an existing solid 22388
waste transfer facility shall submit an application for a permit 22389
with accompanying engineering detail plans, specifications, and 22390
information regarding the facility and its method of operation to 22391
the environmental protection agency for required approval under 22392
those rules at least two hundred seventy days before commencing 22393
proposed operation of the facility and concurrently shall make 22394
application for the issuance of a license under division (A)(1) of 22395
this section with the board of health of the health district in 22396
which the facility is located or proposed. 22397

(c) Each application for a permit under division (A)(2)(a) or 22398
(b) of this section shall be accompanied by a nonrefundable 22399
application fee of four hundred dollars that shall be credited to 22400
the general revenue fund. Each application for an annual license 22401
under division (A)(1) or (2) of this section shall be accompanied 22402
by a nonrefundable application fee of one hundred dollars. If the 22403
application for an annual license is submitted to a board of 22404
health on the approved list under section 3734.08 of the Revised 22405

Code, the application fee shall be credited to the special fund of 22406
the health district created in division (B) of section 3734.06 of 22407
the Revised Code. If the application for an annual license is 22408
submitted to the director, the application fee shall be credited 22409
to the general revenue fund. If a permit or license is issued, the 22410
amount of the application fee paid shall be deducted from the 22411
amount of the permit fee due under division (Q) of section 3745.11 22412
of the Revised Code or the amount of the license fee due under 22413
division (A)(1), (2), (3), or (4) of section 3734.06 of the 22414
Revised Code. 22415

(d) As used in divisions (A)(2)(d), (e), and (f) of this 22416
section, "modify" means any of the following: 22417

(i) Any increase of more than ten per cent in the total 22418
capacity of a solid waste facility; 22419

(ii) Any expansion of the limits of solid waste placement at 22420
a solid waste facility; 22421

(iii) Any increase in the depth of excavation at a solid 22422
waste facility; 22423

(iv) Any change in the technique of waste receipt or type of 22424
waste received at a solid waste facility that may endanger human 22425
health, as determined by the director by rules adopted in 22426
accordance with Chapter 119. of the Revised Code. 22427

Not later than thirty-five days after submitting an 22428
application under division (A)(2)(a) or (b) of this section for a 22429
permit to open a new or modify an existing solid waste facility, 22430
the applicant, in conjunction with an officer or employee of the 22431
environmental protection agency, shall hold a public meeting on 22432
the application within the county in which the new or modified 22433
solid waste facility is or is proposed to be located or within a 22434
contiguous county. Not less than thirty days before holding the 22435
public meeting on the application, the applicant shall publish 22436

notice of the meeting in each newspaper of general circulation 22437
that is published in the county in which the facility is or is 22438
proposed to be located. If no newspaper of general circulation is 22439
published in the county, the applicant shall publish the notice in 22440
a newspaper of general circulation in the county. The notice shall 22441
contain the date, time, and location of the public meeting and a 22442
general description of the proposed new or modified facility. Not 22443
later than five days after publishing the notice, the applicant 22444
shall send by certified mail a copy of the notice and the date the 22445
notice was published to the director and the legislative authority 22446
of each municipal corporation, township, and county, and to the 22447
chief executive officer of each municipal corporation, in which 22448
the facility is or is proposed to be located. At the public 22449
meeting, the applicant shall provide information and describe the 22450
application and respond to comments or questions concerning the 22451
application, and the officer or employee of the agency shall 22452
describe the permit application process. At the public meeting, 22453
any person may submit written or oral comments on or objections to 22454
the application. Not more than thirty days after the public 22455
meeting, the applicant shall provide the director with a copy of a 22456
transcript of the full meeting, copies of any exhibits, displays, 22457
or other materials presented by the applicant at the meeting, and 22458
the original copy of any written comments submitted at the 22459
meeting. 22460

(e) Except as provided in division (A)(2)(f) of this section, 22461
prior to taking an action, other than a proposed or final denial, 22462
upon an application submitted under division (A)(2)(a) of this 22463
section for a permit to open a new or modify an existing solid 22464
waste facility, the director shall hold a public information 22465
session and a public hearing on the application within the county 22466
in which the new or modified solid waste facility is or is 22467
proposed to be located or within a contiguous county. If the 22468
application is for a permit to open a new solid waste facility, 22469

the director shall hold the hearing not less than fourteen days 22470
after the information session. If the application is for a permit 22471
to modify an existing solid waste facility, the director may hold 22472
both the information session and the hearing on the same day 22473
unless any individual affected by the application requests in 22474
writing that the information session and the hearing not be held 22475
on the same day, in which case the director shall hold the hearing 22476
not less than fourteen days after the information session. The 22477
director shall publish notice of the public information session or 22478
public hearing not less than thirty days before holding the 22479
information session or hearing, as applicable. The notice shall be 22480
published in each newspaper of general circulation that is 22481
published in the county in which the facility is or is proposed to 22482
be located. If no newspaper of general circulation is published in 22483
the county, the director shall publish the notice in a newspaper 22484
of general circulation in the county. The notice shall contain the 22485
date, time, and location of the information session or hearing, as 22486
applicable, and a general description of the proposed new or 22487
modified facility. At the public information session, an officer 22488
or employee of the environmental protection agency shall describe 22489
the status of the permit application and be available to respond 22490
to comments or questions concerning the application. At the public 22491
hearing, any person may submit written or oral comments on or 22492
objections to the approval of the application. The applicant, or a 22493
representative of the applicant who has knowledge of the location, 22494
construction, and operation of the facility, shall attend the 22495
information session and public hearing to respond to comments or 22496
questions concerning the facility directed to the applicant or 22497
representative by the officer or employee of the environmental 22498
protection agency presiding at the information session and 22499
hearing. 22500

(f) The solid waste management policy committee of a county 22501
or joint solid waste management district may adopt a resolution 22502

requesting expeditious consideration of a specific application 22503
submitted under division (A)(2)(a) of this section for a permit to 22504
modify an existing solid waste facility within the district. The 22505
resolution shall make the finding that expedited consideration of 22506
the application without the public information session and public 22507
hearing under division (A)(2)(e) of this section is in the public 22508
interest and will not endanger human health, as determined by the 22509
director by rules adopted in accordance with Chapter 119. of the 22510
Revised Code. Upon receiving such a resolution, the director, at 22511
the director's discretion, may issue a final action upon the 22512
application without holding a public information session or public 22513
hearing pursuant to division (A)(2)(e) of this section. 22514

(3) Except as provided in division (A)(10) of this section, 22515
and unless the owner or operator of any solid waste facility, 22516
other than a solid waste transfer facility or a compost facility 22517
that accepts exclusively source separated yard wastes, that 22518
commenced operation on or before July 1, 1968, has obtained an 22519
exemption from the requirements of division (A)(3) of this section 22520
in accordance with division (G) of section 3734.02 of the Revised 22521
Code, the owner or operator shall submit to the director an 22522
application for a permit with accompanying engineering detail 22523
plans, specifications, and information regarding the facility and 22524
its method of operation for approval under rules adopted under 22525
division (A) of section 3734.02 of the Revised Code and applicable 22526
rules adopted under division (D) of section 3734.12 of the Revised 22527
Code in accordance with the following schedule: 22528

(a) Not later than September 24, 1988, if the facility is 22529
located in the city of Garfield Heights or Parma in Cuyahoga 22530
county; 22531

(b) Not later than December 24, 1988, if the facility is 22532
located in Delaware, Greene, Guernsey, Hamilton, Madison, 22533
Mahoning, Ottawa, or Vinton county; 22534

(c) Not later than March 24, 1989, if the facility is located 22535
in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or 22536
Washington county, or is located in the city of Brooklyn or 22537
Cuyahoga Heights in Cuyahoga county; 22538

(d) Not later than June 24, 1989, if the facility is located 22539
in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or 22540
Summit county or is located in Cuyahoga county outside the cities 22541
of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights; 22542

(e) Not later than September 24, 1989, if the facility is 22543
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 22544
county; 22545

(f) Not later than December 24, 1989, if the facility is 22546
located in a county not listed in divisions (A)(3)(a) to (e) of 22547
this section; 22548

(g) Notwithstanding divisions (A)(3)(a) to (f) of this 22549
section, not later than December 31, 1990, if the facility is a 22550
solid waste facility owned by a generator of solid wastes when the 22551
solid waste facility exclusively disposes of solid wastes 22552
generated at one or more premises owned by the generator 22553
regardless of whether the facility is located on a premises where 22554
the wastes are generated and if the facility disposes of more than 22555
one hundred thousand tons of solid wastes per year, provided that 22556
any such facility shall be subject to division (A)(5) of this 22557
section. 22558

(4) Except as provided in divisions (A)(8), (9), and (10) of 22559
this section, unless the owner or operator of any solid waste 22560
facility for which a permit was issued after July 1, 1968, but 22561
before January 1, 1980, has obtained an exemption from the 22562
requirements of division (A)(4) of this section under division (G) 22563
of section 3734.02 of the Revised Code, the owner or operator 22564
shall submit to the director an application for a permit with 22565

accompanying engineering detail plans, specifications, and 22566
information regarding the facility and its method of operation for 22567
approval under those rules. 22568

(5) The director may issue an order in accordance with 22569
Chapter 3745. of the Revised Code to the owner or operator of a 22570
solid waste facility requiring the person to submit to the 22571
director updated engineering detail plans, specifications, and 22572
information regarding the facility and its method of operation for 22573
approval under rules adopted under division (A) of section 3734.02 22574
of the Revised Code and applicable rules adopted under division 22575
(D) of section 3734.12 of the Revised Code if, in the director's 22576
judgment, conditions at the facility constitute a substantial 22577
threat to public health or safety or are causing or contributing 22578
to or threatening to cause or contribute to air or water pollution 22579
or soil contamination. Any person who receives such an order shall 22580
submit the updated engineering detail plans, specifications, and 22581
information to the director within one hundred eighty days after 22582
the effective date of the order. 22583

(6) The director shall act upon an application submitted 22584
under division (A)(3) or (4) of this section and any updated 22585
engineering plans, specifications, and information submitted under 22586
division (A)(5) of this section within one hundred eighty days 22587
after receiving them. If the director denies any such permit 22588
application, the order denying the application or disapproving the 22589
plans shall include the requirements that the owner or operator 22590
submit a plan for closure and post-closure care of the facility to 22591
the director for approval within six months after issuance of the 22592
order, cease accepting solid wastes for disposal or transfer at 22593
the facility, and commence closure of the facility not later than 22594
one year after issuance of the order. If the director determines 22595
that closure of the facility within that one-year period would 22596
result in the unavailability of sufficient solid waste management 22597

facility capacity within the county or joint solid waste 22598
management district in which the facility is located to dispose of 22599
or transfer the solid waste generated within the district, the 22600
director in the order of denial or disapproval may postpone 22601
commencement of closure of the facility for such period of time as 22602
the director finds necessary for the board of county commissioners 22603
or directors of the district to secure access to or for there to 22604
be constructed within the district sufficient solid waste 22605
management facility capacity to meet the needs of the district, 22606
provided that the director shall certify in the director's order 22607
that postponing the date for commencement of closure will not 22608
endanger ground water or any property surrounding the facility, 22609
allow methane gas migration to occur, or cause or contribute to 22610
any other type of environmental damage. 22611

If an emergency need for disposal capacity that may affect 22612
public health and safety exists as a result of closure of a 22613
facility under division (A)(6) of this section, the director may 22614
issue an order designating another solid waste facility to accept 22615
the wastes that would have been disposed of at the facility to be 22616
closed. 22617

(7) If the director determines that standards more stringent 22618
than those applicable in rules adopted under division (A) of 22619
section 3734.02 of the Revised Code and division (D) of section 22620
3734.12 of the Revised Code, or standards pertaining to subjects 22621
not specifically addressed by those rules, are necessary to ensure 22622
that a solid waste facility constructed at the proposed location 22623
will not cause a nuisance, cause or contribute to water pollution, 22624
or endanger public health or safety, the director may issue a 22625
permit for the facility with such terms and conditions as the 22626
director finds necessary to protect public health and safety and 22627
the environment. If a permit is issued, the director shall state 22628
in the order issuing it the specific findings supporting each such 22629

term or condition. 22630

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 22631
not apply to a solid waste compost facility that accepts 22632
exclusively source separated yard wastes and that is registered 22633
under division (C) of section 3734.02 of the Revised Code or, 22634
unless otherwise provided in rules adopted under division (N)(3) 22635
of section 3734.02 of the Revised Code, to a solid waste compost 22636
facility if the director has adopted rules establishing an 22637
alternative system for authorizing the establishment, operation, 22638
or modification of a solid waste compost facility under that 22639
division. 22640

(9) Divisions (A)(1) to (7) of this section do not apply to 22641
scrap tire collection, storage, monocell, monofill, and recovery 22642
facilities. The approval of plans and specifications, as 22643
applicable, and the issuance of registration certificates, 22644
permits, and licenses for those facilities are subject to sections 22645
3734.75 to 3734.78 of the Revised Code, as applicable, and section 22646
3734.81 of the Revised Code. 22647

(10) Divisions (A)(3) and (4) of this section do not apply to 22648
a solid waste incinerator that was placed into operation on or 22649
before October 12, 1994, and that is not authorized to accept and 22650
treat infectious wastes pursuant to division (B) of this section. 22651

(B)(1) Each person who is engaged in the business of treating 22652
infectious wastes for profit at a treatment facility located off 22653
the premises where the wastes are generated that is in operation 22654
on August 10, 1988, and who proposes to continue operating the 22655
facility shall submit to the board of health of the health 22656
district in which the facility is located an application for a 22657
license to operate the facility. 22658

Thereafter, no person shall operate or maintain an infectious 22659
waste treatment facility without a license issued by the board of 22660

health of the health district in which the facility is located or 22661
by the director when the health district in which the facility is 22662
located is not on the approved list under section 3734.08 of the 22663
Revised Code. 22664

(2)(a) During the month of December, but before the first day 22665
of January of the next year, every person proposing to continue to 22666
operate an existing infectious waste treatment facility shall 22667
procure a license to operate the facility for that year from the 22668
board of health of the health district in which the facility is 22669
located or, if the health district is not on the approved list 22670
under section 3734.08 of the Revised Code, from the director. The 22671
application for such a license shall be submitted to the board of 22672
health or to the director, as appropriate, on or before the last 22673
day of September of the year preceding that for which the license 22674
is sought. In addition to the application fee prescribed in 22675
division (B)(2)(c) of this section, a person who submits an 22676
application after that date shall pay an additional ten per cent 22677
of the amount of the application fee for each week that the 22678
application is late. Late payment fees accompanying an application 22679
submitted to the board of health shall be credited to the special 22680
infectious waste fund of the health district created in division 22681
(C) of section 3734.06 of the Revised Code, and late payment fees 22682
accompanying an application submitted to the director shall be 22683
credited to the general revenue fund. A person who has received a 22684
license, upon sale or disposition of an infectious waste treatment 22685
facility and upon consent of the board of health and the director, 22686
may have the license transferred to another person. The board of 22687
health or the director may include such terms and conditions in a 22688
license or revision to a license as are appropriate to ensure 22689
compliance with the infectious waste provisions of this chapter 22690
and rules adopted under them. 22691

(b) Each person proposing to open a new infectious waste 22692

treatment facility or to modify an existing infectious waste 22693
treatment facility shall submit an application for a permit with 22694
accompanying detail plans and specifications to the environmental 22695
protection agency for required approval under the rules adopted by 22696
the director pursuant to section 3734.021 of the Revised Code two 22697
hundred seventy days before proposed operation of the facility and 22698
concurrently shall make application for a license with the board 22699
of health of the health district in which the facility is or is 22700
proposed to be located. Not later than ninety days after receiving 22701
a completed application under division (B)(2)(b) of this section 22702
for a permit to open a new infectious waste treatment facility or 22703
modify an existing infectious waste treatment facility to expand 22704
its treatment capacity, or receiving a completed application under 22705
division (A)(2)(a) of this section for a permit to open a new 22706
solid waste incineration facility, or modify an existing solid 22707
waste incineration facility to also treat infectious wastes or to 22708
increase its infectious waste treatment capacity, that pertains to 22709
a facility for which a notation authorizing infectious waste 22710
treatment is included or proposed to be included in the solid 22711
waste incineration facility's license pursuant to division (B)(3) 22712
of this section, the director shall hold a public hearing on the 22713
application within the county in which the new or modified 22714
infectious waste or solid waste facility is or is proposed to be 22715
located or within a contiguous county. Not less than thirty days 22716
before holding the public hearing on the application, the director 22717
shall publish notice of the hearing in each newspaper that has 22718
general circulation and that is published in the county in which 22719
the facility is or is proposed to be located. If there is no 22720
newspaper that has general circulation and that is published in 22721
the county, the director shall publish the notice in a newspaper 22722
of general circulation in the county. The notice shall contain the 22723
date, time, and location of the public hearing and a general 22724
description of the proposed new or modified facility. At the 22725

public hearing, any person may submit written or oral comments on 22726
or objections to the approval or disapproval of the application. 22727
The applicant, or a representative of the applicant who has 22728
knowledge of the location, construction, and operation of the 22729
facility, shall attend the public hearing to respond to comments 22730
or questions concerning the facility directed to the applicant or 22731
representative by the officer or employee of the environmental 22732
protection agency presiding at the hearing. 22733

(c) Each application for a permit under division (B)(2)(b) of 22734
this section shall be accompanied by a nonrefundable application 22735
fee of four hundred dollars that shall be credited to the general 22736
revenue fund. Each application for an annual license under 22737
division (B)(2)(a) of this section shall be accompanied by a 22738
nonrefundable application fee of one hundred dollars. If the 22739
application for an annual license is submitted to a board of 22740
health on the approved list under section 3734.08 of the Revised 22741
Code, the application fee shall be credited to the special 22742
infectious waste fund of the health district created in division 22743
(C) of section 3734.06 of the Revised Code. If the application for 22744
an annual license is submitted to the director, the application 22745
fee shall be credited to the general revenue fund. If a permit or 22746
license is issued, the amount of the application fee paid shall be 22747
deducted from the amount of the permit fee due under division (Q) 22748
of section 3745.11 of the Revised Code or the amount of the 22749
license fee due under division (C) of section 3734.06 of the 22750
Revised Code. 22751

(d) The owner or operator of any infectious waste treatment 22752
facility that commenced operation on or before July 1, 1968, shall 22753
submit to the director an application for a permit with 22754
accompanying engineering detail plans, specifications, and 22755
information regarding the facility and its method of operation for 22756
approval under rules adopted under section 3734.021 of the Revised 22757

Code in accordance with the following schedule:	22758

safety or are causing or contributing to or threatening to cause 22791
or contribute to air or water pollution or soil contamination. Any 22792
person who receives such an order shall submit the updated 22793
engineering detail plans, specifications, and information to the 22794
director within one hundred eighty days after the effective date 22795

facility where acute hazardous waste as listed in 40 C.F.R. 261.33 23029
(e), as amended, or organic waste that is toxic and is listed 23030
under 40 C.F.R. 261, as amended, is being stored, treated, or 23031
disposed of and where the aggregate of the storage design capacity 23032
and the disposal design capacity of all hazardous waste in those 23033
areas is greater than two hundred fifty thousand gallons, are not 23034
located or operated within any of the following: 23035

(i) Two thousand feet of any residence, school, hospital, 23036
jail, or prison; 23037

(ii) Any naturally occurring wetland; 23038

(iii) Any flood hazard area if the applicant cannot show that 23039
the facility will be designed, constructed, operated, and 23040
maintained to prevent washout by a one-hundred-year flood ~~or that~~ 23041
~~procedures will be in effect to remove the waste before flood~~ 23042
~~waters can reach it.~~ 23043

Division (D)~~(6)~~(2)(g) of this section does not apply to the 23044
facility of any applicant who demonstrates to the ~~board~~ director 23045
that the limitations specified in that division are not necessary 23046
because of the nature or volume of the waste and the manner of 23047
management applied, the facility will impose no substantial danger 23048
to the health and safety of persons occupying the structures 23049
listed in division (D)~~(6)~~(2)(g)(i) of this section, and the 23050
facility is to be located or operated in an area where the 23051
proposed hazardous waste activities will not be incompatible with 23052
existing land uses in the area. 23053

(h) That the facility will not be located within the 23054
boundaries of a state park established or dedicated under Chapter 23055
1541. of the Revised Code, a state park purchase area established 23056
under section 1541.02 of the Revised Code, any unit of the 23057
national park system, or any property that lies within the 23058
boundaries of a national park or recreation area, but that has not 23059
been acquired or is not administered by the secretary of the 23060
United States department of the interior, located in this state, 23061
or any candidate area located in this state identified for 23062
potential inclusion in the national park system in the edition of 23063
the "national park system plan" submitted under paragraph (b) of 23064
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 23065
U.S.C.A. 1a-5, as amended, current at the time of filing of the 23066
application for the permit, unless the facility will be used 23067
exclusively for the storage of hazardous waste generated within 23068
the park or recreation area in conjunction with the operation of 23069
the park or recreation area. Division (D)~~(6)~~(2)(h) of this section 23070

does not apply to the facility of any applicant for modification 23071
of a permit unless the modification application proposes to 23072
increase the land area included in the facility or to increase the 23073
quantity of hazardous waste that will be treated, stored, or 23074
disposed of at the facility. 23075

~~In rendering a decision upon an application for a hazardous 23076
waste facility installation and operation permit, the board shall 23077
issue a written order and opinion, which shall include the 23078
specific findings of fact and conclusions of law that support the 23079
board's approval or disapproval of the application. 23080~~

(3) Not later than one hundred eighty days after the end of 23081
the public comment period, the director, without prior hearing, 23082
shall issue or deny the permit in accordance with Chapter 3745. of 23083
the Revised Code. If the ~~board~~ director approves an application 23084
for a hazardous waste facility installation and operation permit, 23085
~~as a part of its written order, it~~ the director shall issue the 23086
permit, upon such terms and conditions as the ~~board~~ director finds 23087
are necessary to ensure the construction and operation of the 23088
hazardous waste facility in accordance with the standards of this 23089
section. 23090

~~(7) Any party adversely affected by an order of the hazardous 23091
waste facility board may appeal the order and decision of the 23092
board to the court of appeals of Franklin county. An appellant 23093
shall file with the board a notice of appeal, which shall 23094
designate the order appealed from. A copy of the notice also shall 23095
be filed by the appellant with the court, and a copy shall be sent 23096
by certified mail to each party to the adjudication hearing before 23097
the board. Such notices shall be filed and mailed within thirty 23098
days after the date upon which the appellant received notice from 23099
the board by certified mail of the making of the order appealed 23100
from. No appeal bond shall be required to make an appeal 23101
effective. 23102~~

~~The filing of a notice of appeal shall not operate 23103
automatically as a suspension of the order of the board. If it 23104
appears to the court that an unjust hardship to the appellant will 23105
result from the execution of the board's order pending 23106
determination of the appeal, the court may grant a suspension of 23107
the order and fix its terms. 23108~~

~~Within twenty days after receipt of the notice of appeal, the 23109
board shall prepare and file in the court the complete record of 23110
proceedings out of which the appeal arises, including any 23111
transcript of the testimony and any other evidence that has been 23112
submitted before the board. The expense of preparing and 23113
transcribing the record shall be taxed as a part of the costs of 23114
the appeal. The appellant, other than the state or a political 23115
subdivision, an agency of either, or any officer of the appellant 23116
acting in the officer's representative capacity, shall provide 23117
security for costs satisfactory to the court considering the 23118
respective interests of the parties and the public interest. Upon 23119
demand by a party, the board shall furnish, at the cost of the 23120
party requesting it, a copy of the record. If the complete record 23121
is not filed within the time provided for in this section, any 23122
party may apply to the court to have the case docketed, and the 23123
court shall order the record filed. 23124~~

~~In hearing the appeal, the court is confined to the record as 23125
certified to it by the board. The court may grant a request for 23126
the admission of additional evidence when satisfied that the 23127
additional evidence is newly discovered and could not with 23128
reasonable diligence have been ascertained prior to the hearing 23129
before the board. 23130~~

~~The court shall affirm the order complained of in the appeal 23131
if it finds, upon consideration of the entire record and such 23132
additional evidence as the court has admitted, that the order is 23133
supported by reliable, probative, and substantial evidence and is 23134~~

~~in accordance with law. In the absence of such findings, it shall 23135
reverse, vacate, or modify the order or make such other ruling as 23136
is supported by reliable, probative, and substantial evidence and 23137
is in accordance with law. The judgment of the court shall be 23138
final and conclusive unless reversed, vacated, or modified on 23139
appeal. Such appeals may be taken by any party to the appeal 23140
pursuant to the Rules of Practice of the Supreme Court and, to the 23141
extent not in conflict with those rules, Chapter 2505. of the 23142
Revised Code. 23143~~

~~(E)(1) Upon receipt of a completed application, the board 23144
shall issue a hazardous waste facility installation and operation 23145
permit for a hazardous waste facility subject to the requirements 23146
of divisions (D)(6) and (7) of this section and all applicable 23147
federal regulations if the facility for which the permit is 23148
requested satisfies all of the following: 23149~~

~~(a) Was in operation immediately prior to October 9, 1980; 23150~~

~~(b) Was in substantial compliance with applicable statutes 23151
and rules in effect immediately prior to October 9, 1980, as 23152
determined by the director; 23153~~

~~(c) Demonstrates to the board that its operations after 23154
October 9, 1980, comply with applicable performance standards 23155
adopted by the director pursuant to division (D) of section 23156
3734.12 of the Revised Code; 23157~~

~~(d) Submits a completed application for a permit under 23158
division (C) of this section within six months after October 9, 23159
1980. 23160~~

~~The board shall act on the application within twelve months 23161
after October 9, 1980. 23162~~

~~(2) A hazardous waste facility that was in operation 23163
immediately prior to October 9, 1980, may continue to operate 23164
after that date if it does all of the following: 23165~~

(a) Complies with performance standards adopted by the	23166
director pursuant to division (D) of section 3734.12 of the	23167
Revised Code;	23168
(b) Submits a completed application for a hazardous waste	23169
installation and operation permit under division (C) of this	23170
section within six months after October 9, 1980;	23171
(c) Obtains the permit under division (D) of this section	23172
within twelve months after October 9, 1980.	23173
(3) No political subdivision of this state shall require any	23174
additional zoning or other approval, consent, permit, certificate,	23175
or condition for the construction or operation of a hazardous	23176
waste facility authorized by a hazardous waste facility	23177
installation and operation permit issued pursuant to this chapter,	23178
nor shall any political subdivision adopt or enforce any law,	23179
ordinance, or rule that in any way alters, impairs, or limits the	23180
authority granted in the permit.	23181
(4) After the issuance of a hazardous waste facility	23182
installation and operation permit by the board, each hazardous	23183
waste facility shall be subject to the rules and supervision of	23184
the director during the period of its operation, closure, and	23185
post-closure care, if applicable.	23186
(F) Upon approval of the board in accordance with divisions	23187
(D) and (E) of this section, the board <u>The director</u> may issue a	23188
single hazardous waste facility installation and operation permit	23189
to a person who operates two or more adjoining facilities where	23190
hazardous waste is stored, treated, or disposed of if the	23191
application includes detail plans, specifications, and information	23192
on all facilities. For the purposes of this section, "adjoining"	23193
means sharing a common boundary, separated only by a public road,	23194
or in such proximity that the director determines that the	23195
issuance of a single permit will not create a hazard to the public	23196

health or safety or the environment. 23197

(G) No person shall falsify or fail to keep or submit any 23198
plans, specifications, data, reports, records, manifests, or other 23199
information required to be kept or submitted to the director ~~or to~~ 23200
~~the hazardous waste facility board~~ by this chapter or the rules 23201
adopted under it. 23202

(H)(1) Each person who holds an installation and operation 23203
permit issued under this section and who wishes to obtain a permit 23204
renewal shall submit a completed application for an installation 23205
and operation permit renewal and any necessary accompanying 23206
general plans, detail plans, specifications, and such information 23207
as the director may require to the director no later than one 23208
hundred eighty days prior to the expiration date of the existing 23209
permit or upon a later date prior to the expiration of the 23210
existing permit if the permittee can demonstrate good cause for 23211
the late submittal. The director shall consider the application 23212
and accompanying information, inspection reports of the facility, 23213
results of performance tests, a report regarding the facility's 23214
compliance or noncompliance with the terms and conditions of its 23215
permit and rules adopted by the director under this chapter, and 23216
such other information as is relevant to the operation of the 23217
facility and shall issue a draft renewal permit or a notice of 23218
intent to deny the renewal permit. The director, in accordance 23219
with rules adopted under this section or with rules adopted to 23220
implement Chapter 3745. of the Revised Code, shall give public 23221
notice of the application and draft renewal permit or notice of 23222
intent to deny the renewal permit, provide for the opportunity for 23223
public comments within a specified time period, schedule a public 23224
meeting in the county in which the facility is located if 23225
significant interest is shown, and give public notice of the 23226
public meeting. 23227

(2) Within sixty days after the public meeting or close of 23228

the public comment period, the director, without prior hearing, 23229
shall issue or deny the renewal permit in accordance with Chapter 23230
3745. of the Revised Code. The director shall not issue a renewal 23231
permit unless the director determines that the facility under the 23232
existing permit has a history of compliance with this chapter, 23233
rules adopted under it, the existing permit, or orders entered to 23234
enforce such requirements that demonstrates sufficient 23235
reliability, expertise, and competency to operate the facility 23236
henceforth under this chapter, rules adopted under it, and the 23237
renewal permit. If the director approves an application for a 23238
renewal permit, the director shall issue the permit subject to the 23239
payment of the annual permit fee required under division (E) of 23240
section 3734.02 of the Revised Code and upon such terms and 23241
conditions as the director finds are reasonable to ensure that 23242
continued operation, maintenance, closure, and post-closure care 23243
of the hazardous waste facility are in accordance with the rules 23244
adopted under section 3734.12 of the Revised Code. 23245

(3) An installation and operation permit renewal application 23246
submitted to the director that also contains or would constitute 23247
an application for a modification shall be acted upon by the 23248
director in accordance with division (I) of this section in the 23249
same manner as an application for a modification. In approving or 23250
disapproving the renewal portion of a permit renewal application 23251
containing an application for a modification, the director shall 23252
apply the criteria established under division (H)(2) of this 23253
section. 23254

(4) An application for renewal or modification of a permit 23255
that does not contain an application for a modification as 23256
described in divisions (I)(3)(a) to (d) of this section shall not 23257
be subject to division (D)(2) of this section. 23258

(I)(1) As used in this section, "modification" means a change 23259
or alteration to a hazardous waste facility or its operations that 23260

is inconsistent with or not authorized by its existing permit or 23261
authorization to operate. Modifications shall be classified as 23262
Class 1, 2, or 3 modifications in accordance with rules adopted 23263
under division (K) of this section. Modifications classified as 23264
Class 3 modifications, in accordance with rules adopted under that 23265
division, shall be further classified by the director as either 23266
Class 3 modifications that are to be approved or disapproved by 23267
the ~~hazardous waste facility board as described in~~ director under 23268
divisions (I)(3)(a) to (d) of this section or as Class 3 23269
modifications that are to be approved or disapproved by the 23270
director under division (I)(5) of this section. Not later than 23271
thirty days after receiving a request for a modification under 23272
division (I)(4) of this section that is not listed in Appendix I 23273
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 23274
section, the director shall classify the modification and shall 23275
notify the owner or operator of the facility requesting the 23276
modification of the classification. Notwithstanding any other law 23277
to the contrary, any modification that involves the transfer of a 23278
hazardous waste facility installation and operation permit to a 23279
new owner or operator shall be classified as a Class 3 23280
modification. 23281

(2) Except as provided in section 3734.123 of the Revised 23282
Code, a hazardous waste facility installation and operation permit 23283
may be modified at the request of the director or upon the written 23284
request of the permittee only if any of the following applies: 23285

(a) The permittee desires to accomplish alterations, 23286
additions, or deletions to the permitted facility or to undertake 23287
alterations, additions, deletions, or activities that are 23288
inconsistent with or not authorized by the existing permit; 23289

(b) New information or data justify permit conditions in 23290
addition to or different from those in the existing permit; 23291

(c) The standards, criteria, or rules upon which the existing 23292

permit is based have been changed by new, amended, or rescinded 23293
standards, criteria, or rules, or by judicial decision after the 23294
existing permit was issued, and the change justifies permit 23295
conditions in addition to or different from those in the existing 23296
permit; 23297

(d) The permittee proposes to transfer the permit to another 23298
person. 23299

(3) The director ~~has jurisdiction to~~ shall approve or 23300
disapprove ~~applications~~ an application for ~~Class 1 modifications,~~ 23301
~~Class 2 modifications, and Class 3 modifications not otherwise~~ 23302
~~described in divisions (I)(3)(a) to (d) of this section. The~~ 23303
~~hazardous waste facility board has jurisdiction to approve or~~ 23304
~~disapprove applications for any~~ a modification in accordance with 23305
division (D)(2) of this section and rules adopted under division 23306
(K) of this section for all of the following categories of Class 3 23307
modifications: 23308

(a) Authority to conduct treatment, storage, or disposal at a 23309
site, location, or tract of land that has not been authorized for 23310
the proposed category of treatment, storage, or disposal activity 23311
by the facility's permit; 23312

(b) Modification or addition of a hazardous waste management 23313
unit, as defined in rules adopted under section 3734.12 of the 23314
Revised Code, that results in an increase in a facility's storage 23315
capacity of more than twenty-five per cent over the capacity 23316
authorized by the facility's permit, an increase in a facility's 23317
treatment rate of more than twenty-five per cent over the rate so 23318
authorized, or an increase in a facility's disposal capacity over 23319
the capacity so authorized. The authorized disposal capacity for a 23320
facility shall be calculated from the approved design plans for 23321
the disposal units at that facility. In no case during a five-year 23322
period shall a facility's storage capacity or treatment rate be 23323
modified to increase by more than twenty-five per cent in the 23324

aggregate without ~~board~~ the director's approval in accordance with 23325
division (D)(2) of this section. Notwithstanding any provision of 23326
division (I) of this section to the contrary, a request for 23327
modification of a facility's annual total waste receipt limit 23328
shall be classified and approved or disapproved by the director 23329
under division (I)(5) of this section. 23330

(c) Authority to add any of the following categories of 23331
regulated activities not previously authorized at a facility by 23332
the facility's permit: storage at a facility not previously 23333
authorized to store hazardous waste, treatment at a facility not 23334
previously authorized to treat hazardous waste, or disposal at a 23335
facility not previously authorized to dispose of hazardous waste; 23336
or authority to add a category of hazardous waste management unit 23337
not previously authorized at the facility by the facility's 23338
permit. Notwithstanding any provision of division (I) of this 23339
section to the contrary, a request for authority to add or to 23340
modify an activity or a hazardous waste management unit for the 23341
purposes of performing a corrective action shall be classified and 23342
approved or disapproved by the director under division (I)(5) of 23343
this section. 23344

(d) Authority to treat, store, or dispose of waste types 23345
listed or characterized as reactive or explosive, in rules adopted 23346
under section 3734.12 of the Revised Code, or any acute hazardous 23347
waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 23348
previously authorized to treat, store, or dispose of those types 23349
of wastes by the facility's permit unless the requested authority 23350
is limited to wastes that no longer exhibit characteristics 23351
meeting the criteria for listing or characterization as reactive 23352
or explosive wastes, or for listing as acute hazardous waste, but 23353
still are required to carry those waste codes as established in 23354
rules adopted under section 3734.12 of the Revised Code because of 23355
the requirements established in 40 C.F.R. 261(a) and (e), as 23356

The board of county commissioners of the county, the board of township trustees of the township, and the city manager or mayor of the municipal corporation in which a hazardous waste facility is located shall receive notification of any application for a modification for that facility and shall be considered as interested persons with respect to the director's consideration of the application. 23368

amended, and all regulations adopted under it, and similar laws 23390
and rules of another state if the transferee owner or operator 23391
owns or operates a facility in that state, that demonstrates 23392
sufficient reliability, expertise, and competency to operate a 23393

from the irresponsible operation of the facility. A permit may be 23399
transferred to a new owner or operator only pursuant to a Class 3 23400

for modification. The director shall approve or disapprove an 23412
application for a Class 3 modification ~~that is not described in~~ 23413
~~divisions (I)(3)(a) to (d) of this section~~ within three hundred 23414
sixty-five days after receiving the request for modification. 23415

(6) The approval or disapproval by the director of a Class 1 23416
modification application is not a final action that is appealable 23417
under Chapter 3745. of the Revised Code. The approval or 23418
disapproval by the director of a Class 2 modification or a Class 3 23419

~~modification that is not described in divisions (I)(3)(a) to (d)~~ 23420

chapter. In approving or disapproving a request for a 23422
modification, the director shall consider all comments pertaining 23423
to the request that are received during the public comment period 23424
and the public meetings. The administrative record for appeal of a 23425
final action by the director in approving or disapproving a 23426
request for a modification shall include all comments received 23427
during the public comment period relating to the request for 23428
modification, written materials submitted at the public meetings 23429
relating to the request, and any other documents related to the 23430
director's action. 23431

~~(7) The hazardous waste facility board shall approve or~~ 23432
~~disapprove an application for a Class 3 modification transmitted~~ 23433
~~to it under division (I)(4) of this section, or that portion of a~~ 23434
~~permit renewal application that constitutes a Class 3 modification~~ 23435
~~application so transmitted, of a hazardous waste facility~~ 23436
~~installation and operation permit in accordance with division (D)~~ 23437
~~of this section. No other request for a modification shall be~~ 23438
~~subject to division (D)(6) of this section. No aspect of a~~ 23439
~~permitted facility or its operations that is not being modified as~~ 23440
~~described in division (I)(3)(a), (b), (c), or (d) of this section~~ 23441
~~shall be subject to review by the board under division (D) of this~~ 23442
~~section.~~ 23443

~~(8)~~ Notwithstanding any other provision of law to the 23444
contrary, a change or alteration to a hazardous waste facility 23445
described in division (E)(3)(a) or (b) of section 3734.02 of the 23446
Revised Code, or its operations, is a modification for the 23447
purposes of this section. An application for a modification at 23448
such a facility shall be submitted, classified, and approved or 23449
disapproved in accordance with divisions (I)(1) to ~~(7)~~(6) of this 23450
section in the same manner as a modification to a hazardous waste 23451

facility installation and operation permit. 23452

(J)(1) Except as provided in division (J)(2) of this section, 23453
an owner or operator of a hazardous waste facility that is 23454
operating in accordance with a permit by rule under rules adopted 23455
by the director under division (E)(3)(b) of section 3734.02 of the 23456
Revised Code shall submit either a hazardous waste facility 23457
installation and operation permit application for the facility or 23458
a modification application, whichever is required under division 23459
(J)(1)(a) or (b) of this section, within one hundred eighty days 23460
after the director has requested the application or upon a later 23461
date if the owner or operator demonstrates to the director good 23462
cause for the late submittal. 23463

(a) If the owner or operator does not have a hazardous waste 23464
facility installation and operation permit for any hazardous waste 23465
treatment, storage, or disposal activities at the facility, the 23466
owner or operator shall submit an application for such a permit to 23467
the director for the activities authorized by the permit by rule. 23468
Notwithstanding any other provision of law to the contrary, the 23469
director shall approve or disapprove the application for the 23470
permit in accordance with the procedures governing the approval or 23471
disapproval of permit renewals under division (H) of this section. 23472

(b) If the owner or operator has a hazardous waste facility 23473
installation and operation permit for hazardous waste treatment, 23474
storage, or disposal activities at the facility other than those 23475
authorized by the permit by rule, the owner or operator shall 23476
submit to the director a request for modification in accordance 23477
with division (I) of this section. Notwithstanding any other 23478
provision of law to the contrary, the director shall approve or 23479
disapprove the modification application in accordance with ~~rules~~ 23480
~~adopted under~~ division ~~(K)~~(I)(5) of this section. 23481

(2) The owner or operator of a boiler or industrial furnace 23482
that is conducting thermal treatment activities in accordance with 23483

a permit by rule under rules adopted by the director under 23484
division (E)(3)(b) of section 3734.02 of the Revised Code shall 23485
submit a hazardous waste facility installation and operation 23486
permit application if the owner or operator does not have such a 23487
permit for any hazardous waste treatment, storage, or disposal 23488
activities at the facility or, if the owner or operator has such a 23489
permit for hazardous waste treatment, storage, or disposal 23490
activities at the facility other than thermal treatment activities 23491
authorized by the permit by rule, a modification application to 23492
add those activities authorized by the permit by rule, whichever 23493
is applicable, within one hundred eighty days after the director 23494
has requested the submission of the application or upon a later 23495
date if the owner or operator demonstrates to the director good 23496
cause for the late submittal. The application shall be accompanied 23497
by information necessary to support the request. The ~~hazardous~~ 23498
~~waste facility board~~ director shall approve or disapprove ~~the an~~ 23499
application for a hazardous waste facility installation and 23500
operation permit in accordance with division (D) of this section 23501
and approve or disapprove an application for a modification in 23502
accordance with division (I)(3) of this section, except that the 23503
~~board~~ director shall not disapprove an application for the thermal 23504
treatment activities on the basis of the criteria set forth in 23505
division (D)~~(6)~~(2)(g) or (h) of this section. 23506

(3) As used in division (J) of this section: 23507

(a) "Modification application" means a request for a 23508
modification submitted in accordance with division (I) of this 23509
section. 23510

(b) "Thermal treatment," "boiler," and "industrial furnace" 23511
have the same meanings as in rules adopted under section 3734.12 23512
of the Revised Code. 23513

(K) The director shall adopt, and may amend, suspend, or 23514
rescind, rules in accordance with Chapter 119. of the Revised Code 23515

in order to implement divisions (H) and (I) of this section. 23516
Except when in actual conflict with this section, rules governing 23517
the classification of and procedures for the modification of 23518
hazardous waste facility installation and operation permits shall 23519
be substantively and procedurally identical to the regulations 23520
governing hazardous waste facility permitting and permit 23521
modifications adopted under the "Resource Conservation and 23522
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 23523
amended. 23524

Sec. 3734.12. The director of environmental protection shall 23525
adopt and may amend, suspend, and rescind rules in accordance with 23526
Chapter 119. of the Revised Code, which shall be consistent with 23527
and equivalent to the regulations adopted under the "Resource 23528
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 23529
6921, as amended, except for rules adopted under divisions (D) and 23530
(F) of this section governing solid waste facilities and except as 23531
otherwise provided in this chapter, doing all of the following: 23532

(A) Adopting the criteria and procedures established under 23533
the "Resource Conservation and Recovery Act of 1976," 90 Stat. 23534
2806, 42 U.S.C.A. 6921, as amended, for identifying hazardous 23535
waste. The director shall prepare, revise when appropriate, and 23536
publish a list of substances or categories of substances 23537
identified to be hazardous using the criteria specified in 40 23538
C.F.R. 261, as amended, which shall be composed of at least those 23539
substances identified as hazardous pursuant to section 3001(B) of 23540
that act. The director shall not list any waste that the 23541
administrator of the United States environmental protection agency 23542
delisted or excluded by an amendment to the federal regulations, 23543
any waste that the administrator declined to list by publishing a 23544
denial of a rulemaking petition or by withdrawal of a proposed 23545
listing in the United States federal register after May 18, 1980, 23546
or any waste oil or polychlorinated biphenyl not listed by the 23547

administrator.	23548

safety or the environment in accordance with this chapter, 23608
including, but not limited to, requirements respecting all of the 23609
following: 23610

(1) Maintaining records of all hazardous waste that is 23611
treated, stored, or disposed of and of the manner in which the 23612
waste was treated, stored, or disposed of or records of all solid 23613
wastes transferred or disposed of and of the manner in which the 23614
wastes were disposed of; 23615

(2) Submission of such reports to the director as the 23616

hazardous waste and the disposal or transfer of solid wastes; 23630

(7) Ownership, continuity of operation, training for 23631
personnel, and financial responsibility, including the filing of 23632
closure and post-closure financial assurance, if applicable. No 23633
private entity shall be precluded by reason of these requirements 23634
from the ownership or operation of facilities providing hazardous 23635
waste treatment, storage, or disposal services if the entity can 23636
provide assurances of financial responsibility and continuity of 23637
operation consistent with the degree and duration of risks 23638

associated with the treatment, storage, or disposal of specified hazardous waste. 23639
23640

(8) Closure and post-closure care of a hazardous waste facility where hazardous waste will no longer be treated, stored, or disposed of and of a solid waste facility where solid wastes will no longer be disposed of or transferred; 23641

23648
23649

(11) Trial burns and land treatment demonstrations. 23650

The rules adopted under divisions (D) and (F) of this section pertaining to solid waste facilities do not apply to scrap tire collection, storage, monocell, monofill, and recovery facilities. Those facilities are subject to and governed by rules adopted under sections 3734.70 to 3734.73 of the Revised Code, as applicable. 23651
23652
23653
23654
23655
23656

(E) Governing the issuance, modification, revocation, suspension, withdrawal, and denial of installation and operation permits, draft permits, and transportation certificates of registration; 23657
23658
23659
23660

(F) Specifying information required to be included in applications for hazardous waste facility installation and operation permits and solid waste permits, including, but not limited to, detail plans, specifications, and information respecting all of the following: 23661
23662
23663
23664
23665

(1) The composition, quantities, and concentrations of hazardous waste and solid wastes to be stored, treated, transported, or disposed of and such other information as the 23666
23667
23668

director may require regarding the method of operation; 23669

(2) The facility to which the waste will be transported or 23670
where it will be stored, treated, or disposed of; 23671

(3) The closure and post-closure care of a facility where 23672
hazardous waste will no longer be treated, stored, or disposed of 23673
and of a solid waste facility where solid wastes will no longer be 23674
disposed of or transferred. 23675

(G) Establishing procedures ensuring that all information 23676
entitled to protection as trade secrets disclosed to the director 23677
or the director's authorized representative is not disclosed 23678
without the consent of the owner, except that such information may 23679
be disclosed, upon request, to authorized representatives of the 23680
United States environmental protection agency, or as required by 23681
law. As used in this section, "trade secrets" means any formula, 23682
plan, pattern, process, tool, mechanism, compound, procedure, 23683
production date, or compilation of information that is not 23684
patented, that is known only to certain individuals within a 23685
commercial concern who are using it to fabricate, produce, or 23686
compound an article, trade, or service having commercial value, 23687
and that gives its user an opportunity to obtain a business 23688
advantage over competitors who do not know or use it. 23689

(H) Prohibiting the disposal of specified hazardous wastes in 23690
this state if the director has determined both of the following: 23691

(1) The potential impacts on human health or safety or the 23692
environment are such that disposal of those wastes should not be 23693
allowed. 23694

(2) A technically feasible and environmentally sound 23695
alternative is reasonably available, either within or outside this 23696
state, for processing, recycling, fixation of, neutralization of, 23697
or other treatment of those wastes. Such reasonable availability 23698
shall not be determined without a consideration of the costs to 23699

the generator of implementing the alternatives. 23700

The director shall adopt, and may amend, suspend, or rescind, 23701
rules to specify hazardous wastes that shall not be disposed of in 23702
accordance with this division. Nothing in this division, either 23703
prior to or after adoption of those rules, shall preclude the 23704
director ~~or the hazardous waste facility board created in section~~ 23705
~~3734.05 of the Revised Code~~ from prohibiting the disposal of 23706
specified hazardous wastes at particular facilities under the 23707
terms or conditions of a permit or ~~preclude the director from~~ 23708
~~prohibiting that disposal~~ by order. 23709

(I)(1)(a) Governing the following that may be more stringent 23710
than the regulations adopted under the "Resource Conservation and 23711
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 23712
amended, when the director determines that such more stringent 23713
rules are reasonable in order to protect human health or safety or 23714
the environment: 23715

(i) Specific wastes that the director determines, because of 23716
their physical, chemical, or biological characteristics, are so 23717
extremely hazardous that the storage, treatment, or disposal of 23718
the wastes in compliance with those regulations would present an 23719
imminent danger to human health or safety or the environment; 23720

(ii) The use of only properly designed, operated, and 23721
approved transfer facilities; 23722

(iii) Preventing illegitimate activities relating to the 23723
reuse, recycling, or reclaiming of hazardous waste, including 23724
record-keeping, reporting, and manifest requirements. 23725

(b) In adopting such more stringent rules, the director shall 23726
give consideration to and base the rules on evidence concerning 23727
factors including, but not limited to, the following insofar as 23728
pertinent: 23729

(i) Geography of the state; 23730

(ii) Geology of the state;	23731
(iii) Hydrogeology of the state;	23732
(iv) Climate of the state;	23733
(v) Engineering and technical feasibility;	23734
(vi) Availability of alternative technologies or methods of storage, treatment, or disposal.	23735 23736
(2) The director may require from generators and transporters of hazardous waste and from owners or operators of treatment, storage, or disposal facilities, the submission of reports in addition to those required under regulations adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, to the extent that such reports contain information that the generator, transporter, or facility owner or operator is required to obtain in order to comply with the regulations adopted by the administrator of the United States environmental protection agency under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, or to the extent that such reports are required by the director to meet the requirements of division (B)(7), (D)(9), or (H) of this section or section 3734.121 of the Revised Code.	23737 23738 23739 23740 23741 23742 23743 23744 23745 23746 23747 23748 23749 23750
(J) Governing the storage, treatment, or disposal of hazardous waste in, and the permitting, design, construction, operation, monitoring, inspection, closure, and post-closure care of, hazardous waste underground injection wells, surface impoundments, waste piles other than those composed of materials removed from the ground as part of coal or mineral extraction or cleaning processes, land treatment facilities, thermal treatment facilities, and landfills that may be more stringent than the regulations adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, whenever the director reasonably determines that federal	23751 23752 23753 23754 23755 23756 23757 23758 23759 23760 23761

regulations will not adequately protect the public health or 23762
safety or the environment of this state with respect to the 23763
subject matter of the more stringent rules. Such more stringent 23764
rules shall be developed to achieve a degree of protection, as 23765
determined by the director, consistent with the degree of hazard 23766
potentially posed by the various wastes or categories of wastes to 23767
be treated, stored, or disposed of and the types of facilities at 23768
which they are to be treated, stored, or disposed of. In adopting 23769
such more stringent rules, the director shall give consideration 23770
to and base the rules on evidence concerning factors including, 23771
but not limited to, the following insofar as pertinent: 23772

(1) Geography of the state; 23773

(2) Geology of the state; 23774

(3) Hydrogeology of the state; 23775

(4) Climate of the state; 23776

(5) Engineering and technical feasibility; 23777

(6) Availability of alternative technologies or methods of 23778
storage, treatment, or disposal. 23779

(K) Establishing performance standards and other requirements 23780
necessary to protect public health and the environment from 23781
hazards associated with used oil, including, without limitation, 23782
standards and requirements respecting all of the following: 23783

(1) Material that is subject to regulation as used oil; 23784

(2) Generation of used oil; 23785

(3) Used oil collection centers and aggregation points; 23786

(4) Transportation of used oil; 23787

(5) Processing and re-refining of used oil; 23788

(6) Burning of used oil; 23789

(7) Marketing of used oil; 23790

(8) Disposal of used oil; 23791

(9) Use of used oil as a dust suppressant. 23792

Sec. 3734.123. (A) As used in this section and section 23793
3734.124 of the Revised Code, "commercial hazardous waste 23794
incinerator" means an enclosed device that treats hazardous waste 23795
by means of controlled flame combustion and that accepts for 23796
treatment hazardous waste that is generated off the premises on 23797
which the device is located by any person other than the one who 23798
owns or operates the device or one who controls, is controlled by, 23799
or is under common control with the person who owns or operates 23800
the device. "Commercial hazardous waste incinerator" does not 23801
include any "boiler" or "industrial furnace" as those terms are 23802
defined in rules adopted under section 3734.12 of the Revised 23803
Code. 23804

(B) Not sooner than three years after April 15, 1993, and 23805
triennially thereafter, the director of environmental protection 23806
shall prepare, publish, and issue as a final action an assessment 23807
of commercial hazardous waste incinerator capacity in this state. 23808
However, after the issuance as a final action of a determination 23809
under division (A) of section 3734.124 of the Revised Code that 23810
terminates the restrictions established in division (C) of this 23811
section, the director shall cease preparing, publishing, and 23812
issuing the periodic assessments required under this division. The 23813
assessment shall determine the amount of commercial hazardous 23814
waste incinerator capacity needed to manage the hazardous waste 23815
expected to be generated in this state and imported into this 23816
state for incineration at commercial hazardous waste incinerators 23817
during the next succeeding twenty calendar years. The assessment 23818
shall include at least all of the following: 23819

(1) A determination of the aggregate treatment capacity 23820
authorized at commercial hazardous waste incinerators located in 23821

this state; 23822

(2) A determination of the quantity of hazardous waste 23823
generated in this state that is being treated at commercial 23824
hazardous waste incinerators located in this state and projections 23825
of the quantity of hazardous waste generated in this state that 23826
will be treated at those facilities; 23827

(3) A determination of the quantity of hazardous waste 23828
generated outside this state that is being treated at commercial 23829
hazardous waste incinerators located in this state and projections 23830
of the quantity of hazardous waste generated outside this state 23831
that will be treated at those facilities; 23832

(4) A determination of the quantity of hazardous waste 23833
generated in this state that is being treated at commercial 23834
hazardous waste incinerators located outside this state, and 23835
projections of the quantity of hazardous waste generated in this 23836
state that will be treated at those facilities; 23837

(5) The amount of commercial hazardous waste incinerator 23838
capacity that the director reasonably anticipates will be needed 23839
during the first three years of the planning period to treat 23840
hazardous waste generated from the remediation of sites in this 23841
state that are on the national priority list required under the 23842
"Comprehensive Environmental Response, Compensation, and Liability 23843
Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as amended; as a 23844
result of corrective actions implemented under the "Resource 23845
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 23846
6921, as amended; and as a result of clean-up activities conducted 23847

protection agency shall use the moneys in the fund for the 24249
purposes set forth in division (D) of section 3734.122, sections 24250

(2) of section 3745.12 and Chapter 3746. of the Revised Code, 24253
including any related enforcement expenses. In addition, the 24254
agency shall use the moneys in the fund to pay the state's 24255
long-term operation and maintenance costs or matching share for 24256
actions taken under the "Comprehensive Environmental Response, 24257
Compensation, and Liability Act of 1980," as amended. If those 24258
moneys are reimbursed by grants or other moneys from the United 24259
States or any other person, the moneys shall be placed in the fund 24260

permit modification or renewal shall file a disclosure statement, 24264
on a form developed by the attorney general, with the director of 24265
environmental protection and the attorney general at the same time 24266
the applicant files an application for a permit other than a 24267
permit modification or renewal with the director. 24268

24269

(2) Any individual required to be listed in the disclosure 24270
statement shall be fingerprinted for identification and 24271
investigation purposes in accordance with procedures established 24272
by the attorney general. An individual required to be 24273
fingerprinted under this section shall not be required to be 24274
fingerprinted more than once under this section. 24275

(3) The attorney general, within one hundred eighty days 24276
after receipt of the disclosure statement from an applicant for a 24277
permit, shall prepare and transmit to the director an 24278
investigative report on the applicant, based in part upon the 24279
disclosure statement, except that this deadline may be extended 24280
for a reasonable period of time, for good cause, by the director 24281
or the attorney general. In preparing this report, the attorney 24282
general may request and receive criminal history information from 24283
the federal bureau of investigation and any other law enforcement 24284
agency or organization. The attorney general may provide such 24285
confidentiality regarding the information received from a law 24286
enforcement agency as may be imposed by that agency as a condition 24287
for providing that information to the attorney general. 24288

(4) The review of the application by the director ~~or the~~ 24289
~~hazardous waste facility board~~ shall include a review of the 24290
disclosure statement and investigative report. 24291

(B) All applicants and permittees shall provide any 24292

assistance or information requested by the director or the 24293
attorney general and shall cooperate in any inquiry or 24294
investigation conducted by the attorney general and any inquiry, 24295
investigation, or hearing conducted by the director ~~or the~~ 24296
~~hazardous waste facility board~~. If, upon issuance of a formal 24297
request to answer any inquiry or produce information, evidence, or 24298
testimony, any applicant or permittee, any officer, director, or 24299
partner of any business concern, or any key employee of the 24300
applicant or permittee refuses to comply, the permit of the 24301
applicant or permittee may be denied or revoked by the director ~~or~~ 24302
~~the board~~. 24303

(C) The attorney general may charge and collect such fees 24304
from applicants and permittees as are necessary to cover the costs 24305
of administering and enforcing the investigative procedures 24306
authorized in sections 3734.41 to 3734.47 of the Revised Code. The 24307
attorney general shall transmit moneys collected under this 24308
division to the treasurer of state to be credited to the solid and 24309
hazardous waste background investigations fund, which is hereby 24310
created in the state treasury. Moneys in the fund shall be used 24311
solely for paying the attorney general's costs of administering 24312
and enforcing the investigative procedures authorized in sections 24313
3734.41 to 3734.47 of the Revised Code. 24314

(D) Annually on the anniversary date of the submission to the 24315
director by the attorney general of the investigative report for a 24316
specific facility, or annually on another date assigned by the 24317
attorney general, the appropriate applicant, permittee, or 24318
prospective owner shall submit to the attorney general, on a form 24319
provided by the attorney general, any and all information required 24320
to be included in a disclosure statement that has changed or been 24321
added in the immediately preceding year. If, in the immediately 24322
preceding year, there have been no changes in or additions to the 24323
information required to be included in a disclosure statement, the 24324

appropriate applicant, permittee, or prospective owner shall 24325
submit to the attorney general an affidavit stating that there 24326
have been no changes in or additions to that information during 24327
that time period. 24328

Notwithstanding the requirement for an annual submission of 24329
information, the following information shall be submitted within 24330
the periods specified: 24331

(1) Information required to be included in the disclosure 24332
statement for any new officer, director, partner, or key employee, 24333
to be submitted within ninety days from the addition of the 24334
officer, director, partner, or key employee; 24335

(2) Information required to be included in a disclosure 24336
statement for any new business concern, to be submitted within 24337
ninety days from the addition of the new business concern; 24338

(3) Information regarding any new criminal conviction, to be 24339
submitted within ninety days from the judgment entry of 24340
conviction. 24341

The failure to provide such information may constitute the 24342
basis for the revocation or denial of renewal of any permit or 24343
license issued in accordance with this chapter, provided that 24344
prior to any such denial or revocation, the director shall notify 24345
the applicant or permittee of the director's intention to do so 24346
and give the applicant or permittee fourteen days from the date of 24347
the notice to explain why the information was not provided. The 24348
director shall consider this information when determining whether 24349
to revoke or deny the permit or license. 24350

Nothing in this division affects the rights of the director 24351
or the attorney general granted under sections 3734.40 to 3734.47 24352
of the Revised Code to request information from a person at any 24353
other time. 24354

(E)(1) Except as otherwise provided in division (E)(2) of 24355

this section, every permittee who is not otherwise required to 24356
file a disclosure statement shall file a disclosure statement 24357
within five years after June 24, 1988, pursuant to a schedule for 24358
submissions of disclosure statements developed by the attorney 24359
general. The schedule shall provide all permittees and holders of 24360
a license with at least one hundred eighty days' notice prior to 24361
the date upon which the statement is to be submitted. All other 24362
terms of the schedule shall be established at the discretion of 24363
the attorney general and shall not be subject to judicial review. 24364

(2) An applicant for a permit for an off-site solid waste 24365
facility that is a scrap tire storage, monocell, monofill, or 24366
recovery facility issued under section 3734.76, 3734.77, or 24367
3734.78 of the Revised Code, as applicable, shall file a 24368
disclosure statement within five years after October 29, 1993, 24369
pursuant to a schedule for submissions of disclosure statements 24370
developed by the attorney general. The schedule shall provide all 24371
such applicants with at least one hundred eighty days' notice 24372
prior to the date upon which the statement shall be submitted. All 24373
other terms of the schedule shall be established at the discretion 24374
of the attorney general and shall not be subject to judicial 24375
review. 24376

Beginning five years after October 29, 1993, an applicant for 24377
such a permit shall file a disclosure statement in accordance with 24378
division (A)(1) of this section. 24379

(3) When a permittee submits a disclosure statement at the 24380
time it submits an application for a renewal or modification of 24381
its permit, the attorney general shall remove the permittee from 24382
the submission schedule established pursuant to division (E)(1) or 24383
(2) of this section. 24384

(4) After receiving a disclosure statement under division 24385
(E)(1) or (2) of this section, the attorney general shall prepare 24386
an investigative report and transmit it to the director. The 24387

director shall review the disclosure statement and investigative 24388
report to determine whether the statement or report contains 24389
information that if submitted with a permit application would 24390
require a denial of the permit pursuant to section 3734.44 of the 24391
Revised Code. If the director determines that the statement or 24392
report contains such information, the director may revoke any 24393
previously issued permit pursuant to section 3734.45 of the 24394
Revised Code, or the director shall deny any application for a 24395
renewal of a permit or license. When the renewal of the license is 24396
being performed by a board of health, the director shall instruct 24397
the board of health about those circumstances under which the 24398
renewal is required to be denied by this section. 24399

(F)(1) Whenever there is a change in ownership of any 24400
off-site solid waste facility, including incinerators, any 24401
transfer facility, any off-site infectious waste treatment 24402
facility, or any off-site hazardous waste treatment, storage, or 24403
disposal facility, the prospective owner shall file a disclosure 24404
statement with the attorney general and the director at least one 24405
hundred eighty days prior to the proposed change in ownership. 24406
Upon receipt of the disclosure statement, the attorney general 24407
shall prepare an investigative report and transmit it to the 24408
director. The director shall review the disclosure statement and 24409
investigative report to determine whether the statement or report 24410
contains information that if submitted with a permit application 24411
would require a denial of the permit pursuant to section 3734.44 24412
of the Revised Code. If the director determines that the statement 24413
or report contains such information, the director shall disapprove 24414
the change in ownership. 24415

(2) If the parties to a change in ownership decide to proceed 24416
with the change prior to the action of the director on the 24417
disclosure statement and investigative report, the parties shall 24418
include in all contracts or other documents reflecting the change 24419

in ownership language expressly making the change in ownership 24420
subject to the approval of the director and expressly negating the 24421
change if it is disapproved by the director pursuant to division 24422
(F)(1) of this section. 24423

(3) As used in this section, "change in ownership" includes 24424
any change in the names, other than those of officers, directors, 24425
partners, or key employees, contained in the disclosure statement. 24426

Sec. 3734.44. Notwithstanding the provisions of any law to 24427
the contrary, no permit or license shall be issued or renewed by 24428
the director of environmental protection, ~~the hazardous waste~~ 24429
~~facility board,~~ or a board of health: 24430

(A) Unless the director, ~~the hazardous waste facility board,~~ 24431
or the board of health finds that the applicant, in any prior 24432
performance record in the transportation, transfer, treatment, 24433
storage, or disposal of solid wastes, infectious wastes, or 24434
hazardous waste, has exhibited sufficient reliability, expertise, 24435
and competency to operate the solid waste, infectious waste, or 24436
hazardous waste facility, given the potential for harm to human 24437
health and the environment that could result from the 24438
irresponsible operation of the facility, or, if no prior record 24439
exists, that the applicant is likely to exhibit that reliability, 24440
expertise, and competence; 24441

(B) If any individual or business concern required to be 24442
listed in the disclosure statement or shown to have a beneficial 24443
interest in the business of the applicant or the permittee, other 24444
than an equity interest or debt liability, by the investigation 24445
thereof, has been convicted of any of the following crimes under 24446

If any such individual was convicted of any of the offenses so enumerated that are felonies, a permit shall be denied unless five years have elapsed since the individual was fully discharged from imprisonment and parole for the offense, from a post-release control sanction imposed under section 2967.28 of the Revised Code for the offense, or imprisonment, probation, and parole for an offense that was committed prior to the effective date of this amendment. In determining whether an applicant has affirmatively demonstrated rehabilitation, the director, the hazardous waste facility board, or the board of health shall request a recommendation on the matter from the attorney general and shall consider and base the determination on the following factors:	24484 24485 24486 24487 24488 24489 24490 24491 24492 24493 24494 24495 24496 24497 24498 24499 24500 24501 24502 24503 24504 24505

(8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work release programs, or the recommendation of persons who have or have had the applicant under their supervision;	24515 24516 24517 24518 24519 24520
(9) In the instance of an applicant that is a business concern, rehabilitation shall be established if the applicant has implemented formal management controls to minimize and prevent the occurrence of violations and activities that will or may result in permit or license denial or revocation or if the applicant has formalized those controls as a result of a revocation or denial of a permit or license. Those controls may include, but are not limited to, instituting environmental auditing programs to help ensure the adequacy of internal systems to achieve, maintain, and monitor compliance with applicable environmental laws and standards or instituting an antitrust compliance auditing program to help ensure full compliance with applicable antitrust laws. with, environmental laws in this state and other jurisdictions-i 24541

(E) With respect to the approval of a permit, if the director 24542
~~or the hazardous waste facility board~~ determines that current 24543
prosecutions or pending charges in any jurisdiction for any of the 24544
offenses enumerated in division (B) of this section against any 24545
individual or business concern required to be listed in the 24546
disclosure statement or shown by the investigation to have a 24547
beneficial interest in the business of the applicant other than an 24548
equity interest or debt liability are of such magnitude that they 24549
prevent making the finding required under division (A) of this 24550
section, provided that at the request of the applicant or the 24551
individual or business concern charged, the director ~~or the~~ 24552
~~hazardous waste facility board~~ shall defer decision upon the 24553
application during the pendency of the charge. 24554

Sec. 3734.46. Notwithstanding the disqualification of the 24555
applicant or permittee pursuant to this chapter, the director of 24556
environmental protection, ~~hazardous waste facility board,~~ or the 24557

basis for a period not to exceed six months if the director or the 24562
board of health determines that the issuance or renewal of the 24563
permit or license is necessitated by the public interest. 24564

Sec. 3734.57. (A) For the purposes of paying the state's 24565
long-term operation costs or matching share for actions taken 24566
under the "Comprehensive Environmental Response, Compensation, and 24567

ground water evaluations related to solid wastes, infectious 24586
wastes, and construction and demolition debris, under this chapter 24587
and Chapter 3714. of the Revised Code and any rules adopted under 24588
them, and paying a share of the administrative costs of the 24589

the state and shall prepare and file with the director of 24598
environmental protection monthly returns indicating the total 24599

fees collected during that month as indicated on the return. The 24605
owner or operator may request an extension of not more than thirty 24606

including, without limitation, ground water evaluations related to 24628
solid wastes, infectious wastes, and construction and demolition 24629

adopted and orders and terms and conditions of permits, licenses, 24648
and variances issued under it, other than the hazardous waste 24649

emergency and other public services resulting from the location 24654
and operation of a solid waste facility within the county under 24655
the district's approved solid waste management plan; paying the 24656
costs incurred by boards of health for collecting and analyzing 24657
water samples from public or private wells on lands adjacent to 24658
solid waste facilities that are contained in the approved or 24659
amended plan of the district; paying the costs of developing and 24660
implementing a program for the inspection of solid wastes 24661
generated outside the boundaries of this state that are disposed 24662
of at solid waste facilities included in the district's approved 24663
solid waste management plan or amended plan; providing financial 24664
assistance to boards of health within the district for enforcing 24665

laws prohibiting open dumping; providing financial assistance to 24666
local law enforcement agencies within the district for enforcing 24667
laws and ordinances prohibiting littering; providing financial 24668
assistance to boards of health of health districts within the 24669
district that are on the approved list under section 3734.08 of 24670
the Revised Code for the training and certification required for 24671
their employees responsible for solid waste enforcement by rules 24672
adopted under division (L) of section 3734.02 of the Revised Code; 24673
providing financial assistance to individual municipal 24674
corporations and townships within the district to defray their 24675
added costs of maintaining roads and other public facilities and 24676
of providing emergency and other public services resulting from 24677
the location and operation within their boundaries of a 24678
composting, energy or resource recovery, incineration, or 24679
recycling facility that either is owned by the district or is 24680
furnishing solid waste management facility or recycling services 24681
to the district pursuant to a contract or agreement with the board 24682
of county commissioners or directors of the district; and payment 24683
of any expenses that are agreed to, awarded, or ordered to be paid 24684
under section 3734.35 of the Revised Code and of any 24685
administrative costs incurred pursuant to that section, the solid 24686
waste management policy committee of a county or joint solid waste 24687
management district may levy fees upon the following activities: 24688

(1) The disposal at a solid waste disposal facility located 24689
in the district of solid wastes generated within the district; 24690

(2) The disposal at a solid waste disposal facility within 24691
the district of solid wastes generated outside the boundaries of 24692
the district, but inside this state; 24693

(3) The disposal at a solid waste disposal facility within 24694
the district of solid wastes generated outside the boundaries of 24695
this state. 24696

If any such fees are levied prior to January 1, 1994, fees 24697

levied under division (B)(1) of this section always shall be equal 24698
to one-half of the fees levied under division (B)(2) of this 24699
section, and fees levied under division (B)(3) of this section, 24700
which shall be in addition to fees levied under division (B)(2) of 24701
this section, always shall be equal to fees levied under division 24702
(B)(1) of this section, except as otherwise provided in this 24703
division. The solid waste management plan of the county or joint 24704
district approved under section 3734.521 or 3734.55 of the Revised 24705
Code and any amendments to it, or the resolution adopted under 24706
this division, as appropriate, shall establish the rates of the 24707
fees levied under divisions (B)(1), (2), and (3) of this section, 24708
if any, and shall specify whether the fees are levied on the basis 24709
of tons or cubic yards as the unit of measurement. Although the 24710
fees under divisions (A)(1) and (2) of this section are levied on 24711
the basis of tons as the unit of measurement, the solid waste 24712
management plan of the district and any amendments to it or the 24713
solid waste management policy committee in its resolution levying 24714
fees under this division may direct that the fees levied under 24715
those divisions be levied on the basis of cubic yards as the unit 24716
of measurement based upon a conversion factor of three cubic yards 24717
per ton generally or one cubic yard per ton for baled wastes if 24718
the fees under divisions (B)(1) to (3) of this section are being 24719
levied on the basis of cubic yards as the unit of measurement 24720
under the plan, amended plan, or resolution. 24721

On and after January 1, 1994, the fee levied under division 24722
(B)(1) of this section shall be not less than one dollar per ton 24723
nor more than two dollars per ton, the fee levied under division 24724
(B)(2) of this section shall be not less than two dollars per ton 24725
nor more than four dollars per ton, and the fee levied under 24726
division (B)(3) of this section shall be not more than the fee 24727
levied under division (B)(1) of this section, except as otherwise 24728
provided in this division and notwithstanding any schedule of 24729
those fees established in the solid waste management plan of a 24730

county or joint district approved under section 3734.55 of the Revised Code or a resolution adopted and ratified under this division that is in effect on that date. If the fee that a district is levying under division (B)(1) of this section on that date under its approved plan or such a resolution is less than one dollar per ton, the fee shall be one dollar per ton on and after January 1, 1994, and if the fee that a district is so levying under that division exceeds two dollars per ton, the fee shall be two dollars per ton on and after that date. If the fee that a district is so levying under division (B)(2) of this section is less than two dollars per ton, the fee shall be two dollars per ton on and after that date, and if the fee that the district is so levying under that division exceeds four dollars per ton, the fee shall be four dollars per ton on and after that date. On that date, the fee levied by a district under division (B)(3) of this section shall be equal to the fee levied under division (B)(1) of this section. Except as otherwise provided in this division, the fees established by the operation of this amendment shall remain in effect until the district's resolution levying fees under this division is amended or repealed in accordance with this division to amend or abolish the schedule of fees, the schedule of fees is amended or abolished in an amended plan of the district approved under section 3734.521 or division (A) or (D) of section 3734.56 of the Revised Code, or the schedule of fees is amended or abolished through an amendment to the district's plan under division (E) of section 3734.56 of the Revised Code; the notification of the amendment or abolishment of the fees has been given in accordance with this division; and collection of the amended fees so established commences, or collection of the fees ceases, in accordance with this division.

The solid waste management policy committee of a district levying fees under divisions (B)(1) to (3) of this section on October 29, 1993, under its solid waste management plan approved

under section 3734.55 of the Revised Code or a resolution adopted 24764
and ratified under this division that are within the ranges of 24765
rates prescribed by this amendment, by adoption of a resolution 24766
not later than December 1, 1993, and without the necessity for 24767
ratification of the resolution under this division, may amend 24768
those fees within the prescribed ranges, provided that the 24769
estimated revenues from the amended fees will not substantially 24770
exceed the estimated revenues set forth in the district's budget 24771
for calendar year 1994. Not later than seven days after the 24772
adoption of such a resolution, the committee shall notify by 24773
certified mail the owner or operator of each solid waste disposal 24774
facility that is required to collect the fees of the adoption of 24775
the resolution and of the amount of the amended fees. Collection 24776
of the amended fees shall take effect on the first day of the 24777
first month following the month in which the notification is sent 24778
to the owner or operator. The fees established in such a 24779
resolution shall remain in effect until the district's resolution 24780
levying fees that was adopted and ratified under this division is 24781
amended or repealed, and the amendment or repeal of the resolution 24782
is ratified, in accordance with this division, to amend or abolish 24783
the fees, the schedule of fees is amended or abolished in an 24784
amended plan of the district approved under section 3734.521 or 24785
division (A) or (D) of section 3734.56 of the Revised Code, or the 24786
schedule of fees is amended or abolished through an amendment to 24787
the district's plan under division (E) of section 3734.56 of the 24788
Revised Code; the notification of the amendment or abolishment of 24789
the fees has been given in accordance with this division; and 24790
collection of the amended fees so established commences, or 24791
collection of the fees ceases, in accordance with this division. 24792

Prior to the approval of the solid waste management plan of 24793
the district under section 3734.55 of the Revised Code, the solid 24794
waste management policy committee of a district may levy fees 24795
under this division by adopting a resolution establishing the 24796

proposed amount of the fees. Upon adopting the resolution, the 24797
committee shall deliver a copy of the resolution to the board of 24798
county commissioners of each county forming the district and to 24799
the legislative authority of each municipal corporation and 24800
township under the jurisdiction of the district and shall prepare 24801
and publish the resolution and a notice of the time and location 24802
where a public hearing on the fees will be held. Upon adopting the 24803
resolution, the committee shall deliver written notice of the 24804
adoption of the resolution; of the amount of the proposed fees; 24805
and of the date, time, and location of the public hearing to the 24806
director and to the fifty industrial, commercial, or institutional 24807
generators of solid wastes within the district that generate the 24808
largest quantities of solid wastes, as determined by the 24809
committee, and to their local trade associations. The committee 24810
shall make good faith efforts to identify those generators within 24811
the district and their local trade associations, but the 24812
nonprovision of notice under this division to a particular 24813
generator or local trade association does not invalidate the 24814
proceedings under this division. The publication shall occur at 24815
least thirty days before the hearing. After the hearing, the 24816
committee may make such revisions to the proposed fees as it 24817
considers appropriate and thereafter, by resolution, shall adopt 24818
the revised fee schedule. Upon adopting the revised fee schedule, 24819
the committee shall deliver a copy of the resolution doing so to 24820
the board of county commissioners of each county forming the 24821
district and to the legislative authority of each municipal 24822
corporation and township under the jurisdiction of the district. 24823
Within sixty days after the delivery of a copy of the resolution 24824
adopting the proposed revised fees by the policy committee, each 24825
such board and legislative authority, by ordinance or resolution, 24826
shall approve or disapprove the revised fees and deliver a copy of 24827
the ordinance or resolution to the committee. If any such board or 24828
legislative authority fails to adopt and deliver to the policy 24829

committee an ordinance or resolution approving or disapproving the 24830
revised fees within sixty days after the policy committee 24831
delivered its resolution adopting the proposed revised fees, it 24832
shall be conclusively presumed that the board or legislative 24833
authority has approved the proposed revised fees. 24834

In the case of a county district or a joint district formed 24835
by two or three counties, the committee shall declare the proposed 24836
revised fees to be ratified as the fee schedule of the district 24837
upon determining that the board of county commissioners of each 24838
county forming the district has approved the proposed revised fees 24839
and that the legislative authorities of a combination of municipal 24840
corporations and townships with a combined population within the 24841
district comprising at least sixty per cent of the total 24842
population of the district have approved the proposed revised 24843
fees, provided that in the case of a county district, that 24844
combination shall include the municipal corporation having the 24845
largest population within the boundaries of the district, and 24846
provided further that in the case of a joint district formed by 24847
two or three counties, that combination shall include for each 24848
county forming the joint district the municipal corporation having 24849
the largest population within the boundaries of both the county in 24850
which the municipal corporation is located and the joint district. 24851
In the case of a joint district formed by four or more counties, 24852
the committee shall declare the proposed revised fees to be 24853
ratified as the fee schedule of the joint district upon 24854
determining that the boards of county commissioners of a majority 24855
of the counties forming the district have approved the proposed 24856
revised fees; that, in each of a majority of the counties forming 24857
the joint district, the proposed revised fees have been approved 24858
by the municipal corporation having the largest population within 24859
the county and the joint district; and that the legislative 24860
authorities of a combination of municipal corporations and 24861
townships with a combined population within the joint district 24862

comprising at least sixty per cent of the total population of the 24863
joint district have approved the proposed revised fees. 24864

For the purposes of this division, only the population of the 24865
unincorporated area of a township shall be considered. For the 24866
purpose of determining the largest municipal corporation within 24867
each county under this division, a municipal corporation that is 24868
located in more than one solid waste management district, but that 24869
is under the jurisdiction of one county or joint solid waste 24870
management district in accordance with division (A) of section 24871
3734.52 of the Revised Code shall be considered to be within the 24872
boundaries of the county in which a majority of the population of 24873
the municipal corporation resides. 24874

The committee may amend the schedule of fees levied pursuant 24875
to a resolution or amended resolution adopted and ratified under 24876
this division by adopting a resolution establishing the proposed 24877
amount of the amended fees. The committee may abolish the fees 24878
levied pursuant to such a resolution or amended resolution by 24879
adopting a resolution proposing to repeal them. Upon adopting such 24880
a resolution, the committee shall proceed to obtain ratification 24881
of the resolution in accordance with this division. 24882

Not later than fourteen days after declaring the fees or 24883
amended fees to be ratified under this division, the committee 24884
shall notify by certified mail the owner or operator of each solid 24885
waste disposal facility that is required to collect the fees of 24886
the ratification and the amount of the fees. Collection of any 24887
fees or amended fees ratified on or after March 24, 1992, shall 24888
commence on the first day of the second month following the month 24889
in which notification is sent to the owner or operator. 24890

Not later than fourteen days after declaring the repeal of 24891
the district's schedule of fees to be ratified under this 24892
division, the committee shall notify by certified mail the owner 24893
or operator of each facility that is collecting the fees of the 24894

repeal. Collection of the fees shall cease on the first day of the 24895
second month following the month in which notification is sent to 24896
the owner or operator. 24897

Not later than fourteen days after the director issues an 24898
order approving a district's solid waste management plan under 24899
section 3734.55 of the Revised Code or amended plan under division 24900
(A) or (D) of section 3734.56 of the Revised Code that establishes 24901
or amends a schedule of fees levied by the district, or the 24902
ratification of an amendment to the district's approved plan or 24903
amended plan under division (E) of section 3734.56 of the Revised 24904
Code that establishes or amends a schedule of fees, as 24905
appropriate, the committee shall notify by certified mail the 24906
owner or operator of each solid waste disposal facility that is 24907
required to collect the fees of the approval of the plan or 24908
amended plan, or the amendment to the plan, as appropriate, and 24909
the amount of the fees or amended fees. In the case of an initial 24910
or amended plan approved under section 3734.521 of the Revised 24911
Code in connection with a change in district composition, other 24912
than one involving the withdrawal of a county from a joint 24913
district, that establishes or amends a schedule of fees levied 24914
under divisions (B)(1) to (3) of this section by a district 24915
resulting from the change, the committee, within fourteen days 24916
after the change takes effect pursuant to division (G) of that 24917
section, shall notify by certified mail the owner or operator of 24918
each solid waste disposal facility that is required to collect the 24919
fees that the change has taken effect and of the amount of the 24920
fees or amended fees. Collection of any fees set forth in a plan 24921
or amended plan approved by the director on or after April 16, 24922
1993, or an amendment of a plan or amended plan under division (E) 24923
of section 3734.56 of the Revised Code that is ratified on or 24924
after April 16, 1993, shall commence on the first day of the 24925
second month following the month in which notification is sent to 24926
the owner or operator. 24927

Not later than fourteen days after the director issues an order approving a district's plan under section 3734.55 of the Revised Code or amended plan under division (A) or (D) of section 3734.56 of the Revised Code that abolishes the schedule of fees levied under divisions (B)(1) to (3) of this section, or an amendment to the district's approved plan or amended plan abolishing the schedule of fees is ratified pursuant to division (E) of section 3734.56 of the Revised Code, as appropriate, the committee shall notify by certified mail the owner or operator of each facility that is collecting the fees of the approval of the plan or amended plan, or the amendment of the plan or amended plan, as appropriate, and the abolishment of the fees. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, that abolishes the schedule of fees levied under divisions (B)(1) to (3) of this section by a district resulting from the change, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the abolishment of the fees. Collection of the fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

Except as otherwise provided in this division, if the schedule of fees that a district is levying under divisions (B)(1) to (3) of this section pursuant to a resolution or amended resolution adopted and ratified under this division, the solid waste management plan of the district approved under section 3734.55 of the Revised Code, an amended plan approved under division (A) or (D) of section 3734.56 of the Revised Code, or an

amendment to the district's approved plan or amended plan under 24960
division (E) of section 3734.56 of the Revised Code, is amended by 24961
the adoption and ratification of an amendment to the resolution or 24962
amended resolution or an amendment of the district's approved plan 24963
or amended plan, the fees in effect immediately prior to the 24964
approval of the plan or the amendment of the resolution, amended 24965
resolution, plan, or amended plan, as appropriate, shall continue 24966
to be collected until collection of the amended fees commences 24967
pursuant to this division. 24968

If, in the case of a change in district composition involving 24969
the withdrawal of a county from a joint district, the director 24970
completes the actions required under division (G)(1) or (3) of 24971
section 3734.521 of the Revised Code, as appropriate, forty-five 24972
days or more before the beginning of a calendar year, the policy 24973
committee of each of the districts resulting from the change that 24974
obtained the director's approval of an initial or amended plan in 24975
connection with the change, within fourteen days after the 24976
director's completion of the required actions, shall notify by 24977
certified mail the owner or operator of each solid waste disposal 24978
facility that is required to collect the district's fees that the 24979
change is to take effect on the first day of January immediately 24980
following the issuance of the notice and of the amount of the fees 24981
or amended fees levied under divisions (B)(1) to (3) of this 24982
section pursuant to the district's initial or amended plan as so 24983
approved or, if appropriate, the abolishment of the district's 24984
fees by that initial or amended plan. Collection of any fees set 24985
forth in such a plan or amended plan shall commence on the first 24986
day of January immediately following the issuance of the notice. 24987
If such an initial or amended plan abolishes a schedule of fees, 24988
collection of the fees shall cease on that first day of January. 24989

If, in the case of a change in district composition involving 24990
the withdrawal of a county from a joint district, the director 24991

completes the actions required under division (G)(1) or (3) of 24992
section 3734.521 of the Revised Code, as appropriate, less than 24993
forty-five days before the beginning of a calendar year, the 24994
director, on behalf of each of the districts resulting from the 24995
change that obtained the director's approval of an initial or 24996
amended plan in connection with the change proceedings, shall 24997
notify by certified mail the owner or operator of each solid waste 24998
disposal facility that is required to collect the district's fees 24999
that the change is to take effect on the first day of January 25000
immediately following the mailing of the notice and of the amount 25001
of the fees or amended fees levied under divisions (B)(1) to (3) 25002
of this section pursuant to the district's initial or amended plan 25003
as so approved or, if appropriate, the abolishment of the 25004
district's fees by that initial or amended plan. Collection of any 25005
fees set forth in such a plan or amended plan shall commence on 25006
the first day of the second month following the month in which 25007
notification is sent to the owner or operator. If such an initial 25008
or amended plan abolishes a schedule of fees, collection of the 25009
fees shall cease on the first day of the second month following 25010
the month in which notification is sent to the owner or operator. 25011

In the case of a change in district composition, the schedule 25012
of fees that the former districts that existed prior to the change 25013
were levying under divisions (B)(1) to (3) of this section 25014
pursuant to a resolution or amended resolution adopted and 25015
ratified under this division, the solid waste management plan of a 25016
former district approved under section 3734.521 or 3734.55 of the 25017
Revised Code, an amended plan approved under section 3734.521 or 25018
division (A) or (D) of section 3734.56 of the Revised Code, or an 25019
amendment to a former district's approved plan or amended plan 25020
under division (E) of section 3734.56 of the Revised Code, and 25021
that were in effect on the date that the director completed the 25022
actions required under division (G)(1) or (3) of section 3734.521 25023
of the Revised Code shall continue to be collected until the 25024

collection of the fees or amended fees of the districts resulting 25025
from the change is required to commence, or if an initial or 25026
amended plan of a resulting district abolishes a schedule of fees, 25027
collection of the fees is required to cease, under this division. 25028
Moneys so received from the collection of the fees of the former 25029
districts shall be divided among the resulting districts in 25030
accordance with division (B) of section 343.012 of the Revised 25031
Code and the agreements entered into under division (B) of section 25032
343.01 of the Revised Code to establish the former and resulting 25033
districts and any amendments to those agreements. 25034

For the purposes of the provisions of division (B) of this 25035
section establishing the times when newly established or amended 25036
fees levied by a district are required to commence and the 25037
collection of fees that have been amended or abolished is required 25038
to cease, "fees" or "schedule of fees" includes, in addition to 25039
fees levied under divisions (B)(1) to (3) of this section, those 25040
levied under section 3734.573 or 3734.574 of the Revised Code. 25041

(C) For the purposes of defraying the added costs to a 25042
municipal corporation or township of maintaining roads and other 25043
public facilities and of providing emergency and other public 25044
services, and compensating a municipal corporation or township for 25045
reductions in real property tax revenues due to reductions in real 25046
property valuations resulting from the location and operation of a 25047
solid waste disposal facility within the municipal corporation or 25048
township, a municipal corporation or township in which such a 25049
solid waste disposal facility is located may levy a fee of not 25050
more than twenty-five cents per ton on the disposal of solid 25051
wastes at a solid waste disposal facility located within the 25052
boundaries of the municipal corporation or township regardless of 25053
where the wastes were generated. 25054

The legislative authority of a municipal corporation or 25055
township may levy fees under this division by enacting an 25056

ordinance or adopting a resolution establishing the amount of the 25057
fees. Upon so doing the legislative authority shall mail a 25058
certified copy of the ordinance or resolution to the board of 25059
county commissioners or directors of the county or joint solid 25060
waste management district in which the municipal corporation or 25061
township is located or, if a regional solid waste management 25062
authority has been formed under section 343.011 of the Revised 25063
Code, to the board of trustees of that regional authority, the 25064
owner or operator of each solid waste disposal facility in the 25065
municipal corporation or township that is required to collect the 25066
fee by the ordinance or resolution, and the director of 25067
environmental protection. Although the fees levied under this 25068
division are levied on the basis of tons as the unit of 25069
measurement, the legislative authority, in its ordinance or 25070
resolution levying the fees under this division, may direct that 25071
the fees be levied on the basis of cubic yards as the unit of 25072
measurement based upon a conversion factor of three cubic yards 25073
per ton generally or one cubic yard per ton for baled wastes. 25074

Not later than five days after enacting an ordinance or 25075
adopting a resolution under this division, the legislative 25076
authority shall so notify by certified mail the owner or operator 25077

(C)(1) Except as otherwise provided in division (C)(2) of	25529
this section, beginning July 1, 1994, each person who owns or	25530
operates an air contaminant source and who is required to apply	25531
for and obtain a Title V permit under section 3704.036 of the	25532
Revised Code shall pay the fees set forth in division (C)(1) of	25533
this section. For the purposes of that division, total emissions	25534
of air contaminants may be calculated using engineering	25535
calculations, emissions factors, material balance calculations, or	25536
performance testing procedures, as authorized by the director.	25537
The following fees shall be assessed on the total actual	25538
emissions from a source in tons per year of the regulated	25539
pollutants particulate matter, sulfur dioxide, nitrogen oxides,	25540
organic compounds, and lead:	25541
(a) Fifteen dollars per ton on the total actual emissions of	25542
each such regulated pollutant during the period July through	25543
December 1993, to be collected no sooner than July 1, 1994;	25544
(b) Twenty dollars per ton on the total actual emissions of	25545
each such regulated pollutant during calendar year 1994, to be	25546
collected no sooner than April 15, 1995;	25547
(c) Twenty-five dollars per ton on the total actual emissions	25548
of each such regulated pollutant in calendar year 1995, and each	25549
subsequent calendar year, to be collected no sooner than the	25550
fifteenth day of April of the year next succeeding the calendar	25551
year in which the emissions occurred.	25552
The fees levied under division (C)(1) of this section do not	25553
apply to that portion of the emissions of a regulated pollutant at	25554

a facility that exceed four thousand tons during a calendar year. 25555

(2) The fees assessed under division (C)(1) of this section 25556
are for the purpose of providing funding for the Title V permit 25557
program. 25558

(3) The fees assessed under division (C)(1) of this section 25559
do not apply to emissions from any electric generating unit 25560
designated as a Phase I unit under Title IV of the federal Clean 25561
Air Act prior to calendar year 2000. Those fees shall be assessed 25562
on the emissions from such a generating unit commencing in 25563
calendar year 2001 based upon the total actual emissions from the 25564
generating unit during calendar year 2000 and shall continue to be 25565
assessed each subsequent calendar year based on the total actual 25566
emissions from the generating unit during the preceding calendar 25567
year. 25568

(4) The director shall issue invoices to owners or operators 25569
of air contaminant sources who are required to pay a fee assessed 25570
under division (C) or (D) of this section. Any such invoice shall 25571
be issued no sooner than the applicable date when the fee first 25572
may be collected in a year under the applicable division, shall 25573
identify the nature and amount of the fee assessed, and shall 25574
indicate that the fee is required to be paid within thirty days 25575
after the issuance of the invoice. 25576

(D)(1) Except as provided in division (D)~~(2)~~(3) of this 25577
section, ~~beginning~~ from January 1, 1994, through December 31, 25578
2003, each person who owns or operates an air contaminant source; 25579
who is required to apply for a permit to operate pursuant to rules 25580
adopted under division (G), or a variance pursuant to division 25581
(H), of section 3704.03 of the Revised Code; and who is not 25582
required to apply for and obtain a Title V permit under section 25583
3704.036 of the Revised Code shall pay a single fee based upon the 25584
sum of the actual annual emissions from the facility of the 25585
regulated pollutants particulate matter, sulfur dioxide, nitrogen 25586

oxides, organic compounds, and lead in accordance with the 25587
following schedule: 25588

beginning January 1, 2004, each person who owns or operates an air 25596
contaminant source; who is required to apply for a permit to 25597
operate pursuant to rules adopted under division (G), or a 25598
variance pursuant to division (H), of section 3704.03 of the 25599
Revised Code; and who is not required to apply for and obtain a 25600
Title V permit under section 3704.03 of the Revised Code shall pay 25601
a single fee based upon the sum of the actual annual emissions 25602
from the facility of the regulated pollutants particulate matter, 25603
sulfur dioxide, nitrogen oxides, organic compounds, and lead in 25604
accordance with the following schedule: 25605

(3)(a) As used in division (D) of this section, "synthetic 25613
minor facility" means a facility for which one or more permits to 25614
install or permits to operate have been issued for the air 25615
contaminant sources at the facility that include terms and 25616
conditions that lower the facility's potential to emit air 25617
contaminants below the major source thresholds established in 25618

rules adopted under section 3704.036 of the Revised Code. 25619

(b) Beginning January 1, 2000, through June 30, ~~2004~~ 2006, 25620
each person who owns or operates a synthetic minor facility shall 25621
pay an annual fee based on the sum of the actual annual emissions 25622
from the facility of particulate matter, sulfur dioxide, nitrogen 25623
dioxide, organic compounds, and lead in accordance with the 25624
following schedule: 25625

~~(3)~~(4) The fees assessed under division (D)(1) of this 25640
section shall be collected annually no sooner than the fifteenth 25641
day of April, commencing in 1995. The fees assessed under division 25642
(D)(2) of this section shall be collected annually no sooner than 25643
the fifteenth day of April, commencing in 2005. The fees assessed 25644
under division (D)~~(2)~~(3) of this section shall be collected no 25645
sooner than the fifteenth day of April, commencing in 2000. The 25646
fees assessed under division (D) of this section in a calendar 25647
year shall be based upon the sum of the actual emissions of those 25648
regulated pollutants during the preceding calendar year. For the 25649
purpose of division (D) of this section, emissions of air 25650

contaminants may be calculated using engineering calculations, 25651
emission factors, material balance calculations, or performance 25652
testing procedures, as authorized by the director. The director, 25653
by rule, may require persons who are required to pay the fees 25654
assessed under division (D) of this section to pay those fees 25655
biennially rather than annually. 25656

(E)(1) Consistent with the need to cover the reasonable costs 25657
of the Title V permit program, the director annually shall 25658
increase the fees prescribed in division (C)(1) of this section by 25659
the percentage, if any, by which the consumer price index for the 25660
most recent calendar year ending before the beginning of a year 25661
exceeds the consumer price index for calendar year 1989. Upon 25662
calculating an increase in fees authorized by division (E)(1) of 25663
this section, the director shall compile revised fee schedules for 25664
the purposes of division (C)(1) of this section and shall make the 25665
revised schedules available to persons required to pay the fees 25666
assessed under that division and to the public. 25667

(2) For the purposes of division (E)(1) of this section: 25668

(a) The consumer price index for any year is the average of 25669
the consumer price index for all urban consumers published by the 25670
United States department of labor as of the close of the 25671
twelve-month period ending on the thirty-first day of August of 25672
that year. 25673

(b) If the 1989 consumer price index is revised, the director 25674
shall use the revision of the consumer price index that is most 25675
consistent with that for calendar year 1989. 25676

(F) Each person who is issued a permit to install pursuant to 25677
rules adopted under division (F) of section 3704.03 of the Revised 25678
Code on or after ~~January 1, 1994~~ July 1, 2003, shall pay the fees 25679
specified in the following schedules: 25680

This division only applies to sources for which actual construction of the source begins on or after July 1, 1993. The imposition or payment of the fee established in this division does not preclude the director from taking any administrative or judicial enforcement action under this chapter, Chapter 3704., 3714., 3734., or 6111. of the Revised Code, or a rule adopted under any of them, in connection with a violation of rules adopted under division (F) of section 3704.03 of the Revised Code.

As used in this division, "actual construction of the source" means the initiation of physical on-site construction activities in connection with improvements to the source that are permanent in nature, including, without limitation, the installation of building supports and foundations and the laying of underground pipework.

(K) Fifty cents per ton of each fee assessed under division (C) of this section on actual emissions from a source and received by the environmental protection agency pursuant to that division shall be deposited into the state treasury to the credit of the small business assistance fund created in section 3706.19 of the Revised Code. The remainder of the moneys received by the division pursuant to that division and moneys received by the agency pursuant to divisions (D), (F), (G), (H), (I), and (J) of this section shall be deposited in the state treasury to the credit of the clean air fund created in section 3704.035 of the Revised Code.

of this section, each sewage sludge facility shall pay a 26429
nonrefundable annual sludge fee equal to three dollars and fifty 26430
cents per dry ton of sewage sludge, including the dry tons of 26431

sewage sludge in materials derived from sewage sludge, that the 26432
sewage sludge facility treats or disposes of in this state. The 26433
annual volume of sewage sludge treated or disposed of by a sewage 26434
sludge facility shall be calculated using the first day of January 26435
through the thirty-first day of December of the calendar year 26436
preceding the date on which payment of the fee is due. 26437

(2)(a) Except as provided in division (Y)(2)(d) of this 26438
section, each sewage sludge facility shall pay a minimum annual 26439
sewage sludge fee of one hundred dollars. 26440

(b) The annual sludge fee required to be paid by a sewage 26441
sludge facility that treats or disposes of exceptional quality 26442
sludge in this state shall be thirty-five per cent less per dry 26443
ton of exceptional quality sludge than the fee assessed under 26444
division (Y)(1) of this section, subject to the following 26445

hundred dollars. 26450

(ii) A sewage sludge facility that treats or disposes of 26451
exceptional quality sludge shall not be required to pay the annual 26452
sludge fee for treatment or disposal in this state of exceptional 26453
quality sludge generated outside of this state and contained in 26454
bags or other containers not greater than one hundred pounds in 26455
capacity. 26456

A thirty-five per cent reduction for exceptional quality 26457
sludge applies to the maximum annual fees established under 26458
division (Y)(3) of this section. 26459

(c) A sewage sludge facility that transfers sewage sludge to 26460
another sewage sludge facility in this state for further treatment 26461
prior to disposal in this state shall not be required to pay the 26462

annual sludge fee for the tons of sewage sludge that have been 26463
transferred. In such a case, the sewage sludge facility that 26464
disposes of the sewage sludge shall pay the annual sludge fee. 26465
However, the facility transferring the sewage sludge shall pay the 26466
one-hundred-dollar minimum fee required under division (Y)(2)(a) 26467
of this section. 26468

In the case of a sewage sludge facility that treats sewage 26469
sludge in this state and transfers it out of this state to another 26470
entity for disposal, the sewage sludge facility in this state 26471
shall be required to pay the annual sludge fee for the tons of 26472
sewage sludge that have been transferred. 26473

(d) A sewage sludge facility that generates sewage sludge 26474
resulting from an average daily discharge flow of less than five 26475
thousand gallons per day is not subject to the fees assessed under 26476
division (Y) of this section. 26477

(3) No sewage sludge facility required to pay the annual 26478
sludge fee shall be required to pay more than the maximum annual 26479
fee for each disposal method that the sewage sludge facility uses. 26480

may be charged under division (Y)(5) of this section for late 26482
payment of the annual sludge fee. The maximum annual fee for the 26483
following methods of disposal of sewage sludge is as follows: 26484

(b) of this section: twenty thousand dollars. 26490

(4)(a) In the case of an entity that generates sewage sludge 26491
or a sewage sludge facility that treats sewage sludge and 26492
transfers the sewage sludge to an incineration facility for 26493

disposal, the incineration facility, and not the entity generating 26494
the sewage sludge or the sewage sludge facility treating the 26495
sewage sludge, shall pay the annual sludge fee for the tons of 26496
sewage sludge that are transferred. However, the entity or 26497

one-hundred-dollar minimum fee required under division (Y)(2)(a) 26499
of this section. 26500

(b) In the case of an entity that generates sewage sludge and 26501
transfers the sewage sludge to a landfill for disposal or to a 26502
sewage sludge facility for land reclamation or surface disposal, 26503
the entity generating the sewage sludge, and not the landfill or 26504
sewage sludge facility, shall pay the annual sludge fee for the 26505
tons of sewage sludge that are transferred. 26506

(5) Not later than the first day of April of the calendar 26507
year following March 17, 2000, and each first day of April 26508
thereafter, the director shall issue invoices to persons who are 26509
required to pay the annual sludge fee. The invoice shall identify 26510
the nature and amount of the annual sludge fee assessed and state 26511

objections to the director concerning the accuracy of information 26517
regarding the number of dry tons of sewage sludge used to 26518
calculate the amount of the annual sludge fee or regarding whether 26519
the sewage sludge qualifies for the exceptional quality sludge 26520
discount established in division (Y)(2)(b) of this section. The 26521
director may consider the objections and adjust the amount of the 26522
fee to ensure that it is accurate. 26523

If the director does not adjust the amount of the annual 26524
sludge fee in response to a person's objections, the person may 26525

appeal the director's determination in accordance with Chapter 26526
119. of the Revised Code. 26527

Not later than the first day of June, the director shall 26528
notify the objecting person regarding whether the director has 26529
found the objections to be valid and the reasons for the finding. 26530
If the director finds the objections to be valid and adjusts the 26531
amount of the annual sludge fee accordingly, the director shall 26532
issue with the notification a new invoice to the person 26533
identifying the amount of the annual sludge fee assessed and 26534
stating the first day of July as the deadline for payment. 26535

Not later than the first day of July, any person who is 26536
required to do so shall pay the annual sludge fee. Any person who 26537
is required to pay the fee, but who fails to do so on or before 26538
that date shall pay an additional amount that equals ten per cent 26539
of the required annual sludge fee. 26540

(6) The director shall transmit all moneys collected under 26541
division (Y) of this section to the treasurer of state for deposit 26542

of administering and enforcing provisions in Chapter 6111. of the 26545
Revised Code and rules adopted under it that govern the use, 26546
storage, treatment, or disposal of sewage sludge. 26547

(7) Beginning in fiscal year 2001, and every two years 26548
thereafter, the director shall review the total amount of moneys 26549
generated by the annual sludge fees to determine if that amount 26550
exceeded six hundred thousand dollars in either of the two 26551
preceding fiscal years. If the total amount of moneys in the fund 26552
exceeded six hundred thousand dollars in either fiscal year, the 26553
director, after review of the fee structure and consultation with 26554
affected persons, shall issue an order reducing the amount of the 26555
fees levied under division (Y) of this section so that the 26556
estimated amount of moneys resulting from the fees will not exceed 26557

six hundred thousand dollars in any fiscal year. 26558

If, upon review of the fees under division (Y)(7) of this 26559
section and after the fees have been reduced, the director 26560
determines that the total amount of moneys collected and 26561
accumulated is less than six hundred thousand dollars, the 26562
director, after review of the fee structure and consultation with 26563
affected persons, may issue an order increasing the amount of the 26564
fees levied under division (Y) of this section so that the 26565
estimated amount of moneys resulting from the fees will be 26566
approximately six hundred thousand dollars. Fees shall never be 26567
increased to an amount exceeding the amount specified in division 26568
(Y)(7) of this section. 26569

Notwithstanding section 119.06 of the Revised Code, the 26570
director may issue an order under division (Y)(7) of this section 26571
without the necessity to hold an adjudicatory hearing in 26572
connection with the order. The issuance of an order under this 26573
division is not an act or action for purposes of section 3745.04 26574

with Chapter 119. of the Revised Code, shall adopt, and may amend 26659
and rescind, rules establishing a program for the certification of 26660

established by rules adopted under division (B) of this section. 26675
All such application and certification fees received by the 26676
director shall be deposited into the state treasury to the credit 26677
of the permit review fund created in division (E) of this section. 26678

(C) The director shall maintain a current list of all 26679
engineers who are certified to conduct compliance reviews pursuant 26680
to rules adopted under this section. The list shall indicate the 26681
types of permits, permit renewals, and plan approvals that each 26682
engineer is certified to review and the types or categories of 26683
facilities, sources, or activities in connection with which the 26684
engineer is certified to conduct the reviews. Upon request, the 26685
director shall provide a copy of the list to anyone requesting it. 26686

(D) An applicant for a permit, renewal of a permit, plan 26687
approval, or modification thereof, under Chapter 3704., 3734., 26688
6109., or 6111. of the Revised Code and applicable rules adopted 26689
under them, other than a hazardous waste facility installation and 26690
operation permit or renewal or modification of such a permit, a 26691
permit to establish or modify an infectious waste treatment 26692
facility, a permit to install a solid waste incineration facility 26693

request to the director to have the compliance review conducted by 26697
an engineer certified under this section. The request shall 26698
accompany the permit application, shall indicate the applicant's 26699
choice from among the certified engineers on the director's list 26700
who are qualified to conduct the compliance review, shall be 26701
accompanied by separate certifications by the applicant and the 26702
engineer indicating that the applicant does not have and has not 26703
had during the preceding two years a financial interest in the 26704
engineer and has not employed or retained the engineer to perform 26705
services for the applicant during the preceding two years, and may 26706
be accompanied by a draft proposal for conducting the compliance 26707
review that was developed by the applicant and the engineer. No 26708
such draft proposal is binding upon the director. 26709

Within seven days after receiving a request under this 26710

division, the director shall do all of the following, as 26711
appropriate: 26712

(1) In the director's discretion, approve or disapprove the 26713

(3) Mail written notice of decisions made under divisions 26720
(D)(1) and (2) of this section to the applicant. 26721

If the director fails to mail notice of the director's 26722
decisions on the request to the applicant within seven days after 26723
receiving the request, it is conclusively presumed that the 26724
director approved the applicant's request to have the compliance 26725
review conducted by a certified engineer and the applicant's 26726
choice of the engineer, and the director shall enter into a 26727
contract with the engineer chosen by the applicant. If the 26728
director disapproves the applicant's choice of an engineer and 26729
provides timely notice of the disapproval to the applicant, the 26730
director and applicant, by mutual agreement, shall select another 26731
engineer from the list prepared under this section to conduct the 26732
compliance review, and the director shall enter into a contract 26733
with that engineer. 26734

(E) The director may enter into contracts for conducting 26735
performance reviews under division (D) of this section without 26736
advertising for bids. The commencement of any work under such a 26737
contract shall be contingent upon the director's receipt of 26738
payment from the applicant of an amount that is equal to one 26739
hundred ten per cent of the amount specified in the contract, 26740
excluding contingencies for any additional work that may be needed 26741

to properly complete the review and that was not anticipated when 26742
the contract was made. Moneys received by the director from an 26743
applicant shall be deposited into the permit review fund, which is 26744
hereby created in the state treasury. The director shall use 26745
moneys in the fund to pay the cost of compliance reviews conducted 26746
pursuant to contracts entered into under division (D) of this 26747
section and to administer the certification program established 26748
under division (B) of this section. The director may use any 26749
moneys in the fund not needed for those purposes to administer the 26750
environmental laws or programs of this state. 26751

If, while conducting a compliance review, the engineer finds 26752
that work in addition to that upon which the cost under the 26753
contract was based, or any additional work previously authorized 26754
under this division, is needed to properly review the application 26755
and accompanying information for compliance with the applicable 26756
performance standards, the engineer shall notify the director of 26757
that fact and of the cost of the additional work, as determined 26758
pursuant to the terms of the contract. If the director finds that 26759
the additional work is needed and that the costs of performing the 26760
work have been determined in accordance with the terms of the 26761
contract, the director shall authorize the contractor to perform 26762
the work. Upon completion of the additional work, the contractor 26763
shall submit to the director an invoice for the cost of performing 26764
the additional work, and the director shall forward a copy of the 26765
invoice to the applicant. The applicant is liable to the state for 26766
an amount equal to one hundred ten per cent of the cost of 26767
performing the additional work and, within thirty days after 26768
receiving a copy of the invoice, shall pay to the director an 26769
amount equal to one hundred ten per cent of the amount indicated 26770
on the invoice. Upon receiving this payment, the director shall 26771
forward the moneys to the treasurer of state, who shall deposit 26772
them into the state treasury to the credit of the permit review 26773
fund. 26774

Until the applicant pays to the director the amount due in connection with the additional work, the director shall not issue to the applicant any permit, renewal of a permit, or plan approval, or modification thereof, for which an application is pending before the director. The director also may certify the unpaid amount to the attorney general and request that the attorney general bring a civil action against the applicant to recover that amount. Any moneys so recovered shall be deposited into the state treasury to the credit of the permit review fund.

(F) Upon completing a compliance review conducted under this section, the engineer shall make a certification to the director as to whether the existing or proposed facility, source, activity, or modification will comply with the applicable performance standards. If the certification indicates that the existing or proposed facility, source, activity, or modification will not comply, the engineer shall include in the certification the engineer's findings as to the causes of the noncompliance.

(G) When a compliance review is conducted by an engineer certified under this section, the other activities in connection with the consideration, approval, and issuance of the permit, renewal of the permit, or plan approval, or modification thereof, shall be conducted by the director ~~or, when applicable, the hazardous waste facility board established in section 3734.05 of the Revised Code,~~ in accordance with the applicable provisions of Chapter 3704., 3734., 6109., or 6111. of the Revised Code and rules adopted under the applicable chapter.

(H) All expenses incurred by the attorney general in bringing a civil action under this section shall be reimbursed from the permit review fund in accordance with Chapter 109. of the Revised Code.

a final and binding arbitration of grievances, public employers, 28671
employees, and employee organizations are subject solely to that 28672
grievance procedure and the state personnel board of review or 28673
civil service commissions have no jurisdiction to receive and 28674

employees who have been convicted of a felony, and the minimum 28689
standards promulgated by the state board of education pursuant to 28690
division (D) of section 3301.07 of the Revised Code prevail over 28691
conflicting provisions of agreements between employee 28692
organizations and public employers. The law pertaining to the 28693
leave of absence and compensation provided under section 5923.05 28694
of the Revised Code prevails over any conflicting provisions of 28695
such agreements if the terms of the agreement contain benefits 28696
which are less than those contained in that section or the 28697
agreement contains no such terms and the public authority is the 28698
state or any agency, authority, commission, or board of the state 28699
or if the public authority is another entity listed in division 28700

into thereunder, ~~and section 4981.21 of the Revised Code as~~ 28705
~~necessary to comply with section 13(c) of the "Urban Mass~~ 28706

~~amended, and arrangements entered into thereunder,~~ this chapter 28708
prevails over any and all other conflicting laws, resolutions, 28709
provisions, present or future, except as otherwise specified in 28710
this chapter or as otherwise specified by the general assembly. 28711
Nothing in this section prohibits or shall be construed to 28712
invalidate the provisions of an agreement establishing 28713
supplemental workers' compensation or unemployment compensation 28714
benefits or exceeding minimum requirements contained in the 28715

Revised Code pertaining to public education or the minimum 28716
standards promulgated by the state board of education pursuant to 28717
division (D) of section 3301.07 of the Revised Code. 28718

(B) The public employer shall submit a request for funds 28719
necessary to implement an agreement and for approval of any other 28720
matter requiring the approval of the appropriate legislative body 28721
to the legislative body within fourteen days of the date on which 28722
the parties finalize the agreement, unless otherwise specified, 28723
but if the appropriate legislative body is not in session at the 28724
time, then within fourteen days after it convenes. The legislative 28725
body must approve or reject the submission as a whole, and the 28726
submission is deemed approved if the legislative body fails to act 28727
within thirty days after the public employer submits the 28728
agreement. The parties may specify that those provisions of the 28729
agreement not requiring action by a legislative body are effective 28730
and operative in accordance with the terms of the agreement, 28731
provided there has been compliance with division (C) of this 28732
section. If the legislative body rejects the submission of the 28733
public employer, either party may reopen all or part of the entire 28734
agreement. 28735

As used in this section, "legislative body" includes the 28736
general assembly, the governing board of a municipal corporation, 28737
school district, college or university, village, township, or 28738

officer's representative, of each municipal corporation, the 28742
designated representative of the board of education of each school 28743
district, college or university, or any other body that has 28744
authority to approve the budget of their public jurisdiction, the 28745
designated representative of the board of county commissioners and 28746
of each elected officeholder of the county whose employees are 28747

covered by the collective negotiations, and the designated 28748
representative of the village or the board of township trustees of 28749
each township is responsible for negotiations in the collective 28750
bargaining process; except that the legislative body may accept or 28751
reject a proposed collective bargaining agreement. When the 28752
matters about which there is agreement are reduced to writing and 28753
approved by the employee organization and the legislative body, 28754
the agreement is binding upon the legislative body, the employer, 28755

state shall deposit such moneys in the benefit account. 29347
Expenditures of such money in the benefit account and refunds from 29348
the clearing account shall not require specific appropriations or 29349
other formal release by state officers of money in their custody. 29350
Any balance of moneys requisitioned from the unemployment trust 29351
fund which remains unclaimed or unpaid in the benefit account 29352
after the expiration of the period for which such sums were 29353
requisitioned shall either be deducted from estimates for and may 29354
be utilized for the payment of benefits during succeeding periods, 29355
or, in the discretion of the director, shall be redeposited with 29356
the secretary of the treasury of the United States to the credit 29357
of this state's account in the unemployment trust fund, as 29358
provided in division (C) of this section. Unclaimed or unpaid 29359
federal funds redeposited with the secretary of the treasury of 29360
the United States shall be credited to the appropriate federal 29361
account. 29362

alleged to have been collected without authority, and no claim for 29366
an adjustment or a refund of any sum alleged to have been 29367

director ~~determins~~ determines that such contribution, payment in 29371
lieu of contributions, ~~interest~~ interest, or forfeiture, or any 29372
portion ~~thereof~~ thereof, was erroneously collected, the director 29373
shall allow such employer to make an adjustment thereof without 29374
interest in connection with subsequent contribution payments, or 29375
payments in lieu of contributions, by the employer, or the 29376
director may refund said amount, without interest, from the 29377
clearing account of the unemployment compensation fund, except as 29378

thereof, that is rejected is binding upon the employer unless, 29387
within thirty days after the mailing of a written notice of 29388
rejection to the employer's last known address, or, in the absence 29389
of mailing of such notice, within thirty days after the delivery 29390
of such notice, the employer files an application for a review and 29391
redetermination setting forth the reasons therefor. The director 29392
shall promptly examine the application for review and 29393
redetermination, and if a review is granted, the employer shall be 29394
promptly notified thereof, and shall be granted an opportunity for 29395
a prompt hearing. 29396

(F) If the director finds that contributions have been paid 29397
to the director in error, and that such contributions should have 29398
been paid to a department of another state or of the United States 29399
charged with the administration of an unemployment compensation 29400
law, the director may upon request by such department or upon the 29401
director's own initiative transfer to such department the amount 29402

of such contributions, less any benefits paid to claimants whose 29403
wages were the basis for such contributions. The director may 29404
request and receive from such department any contributions or 29405
adjusted contributions paid in error to such department which 29406
should have been paid to the director. 29407

interest exceeds the banking costs incurred by the state for the 29426
period for which the interest is calculated, the treasurer of 29427
state shall deposit the excess interest into the unemployment 29428
trust fund. 29429

(I) The treasurer of state, under the direction of the 29430
director, shall deposit federal funds received by the director for 29431

hereby created for the purpose of ~~paying for benefits, training,~~ 29449

prescribed by this chapter. Such contributions become due and 29454
shall be paid by each employer to the director of job and family 29455
services for the unemployment compensation fund in accordance with 29456
such regulations as the director prescribes, and shall not be 29457
deducted, in whole or in part, from the remuneration of 29458
individuals in the employer's employ. 29459

In the payment of any contributions, a fractional part of a 29460
dollar may be disregarded unless it amounts to fifty cents or 29461
more, in which case it may be increased to the next higher dollar. 29462

(B)(1) Any contribution or payment in lieu of contribution, 29463
due from an employer on or before December 31, 1992, shall, if not 29464
paid when due, bear interest at the rate of ten per cent per 29465

annum. In such computation any fraction of a month shall be 29466
considered as a full month. 29467

(2) Any contribution, payment in lieu of contribution, 29468
interest, forfeiture, or fine due from an employer on or after 29469
January 1, 1993, shall, if not paid when due, bear interest at the 29470
annual rate of fourteen per cent compounded monthly on the 29471
aggregate receivable balance due. In such computation any fraction 29472
of a month shall be considered as a full month. 29473

(C) The director may waive the interest assessed under 29474
division (B)(2) of this section if the employer meets all of the 29475
following conditions within thirty days after the date the 29476
director mails or delivers the notice of assessment of interest: 29477

agent shall not be considered beyond the control of the employer 29484

contributions, interest, forfeiture, and fines for each quarter 29489
for which such payments are due. 29490

The director shall deny an employer's request for a waiver of 29491
interest after finding that the employer's failure to timely 29492
furnish reports or make payments as required under this chapter 29493
was due to an attempt to evade payment. 29494

(D) Any contribution, interest, forfeiture, or fine required 29495
to be paid under this chapter by any employer shall, if not paid 29496

when due, become a lien upon the real and personal property of 29497
such employer. Upon failure of such employer to pay the 29498
contributions, interest, forfeiture, or fine required to be paid 29499
under this chapter, the director shall file notice of such lien, 29500
for which there shall be no charge, in the office of the county 29501
recorder of the county in which it is ascertained that such 29502
employer owns real estate or personal property. The director shall 29503
notify the employer by mail of the lien. The absence of proof that 29504
the notice was sent does not affect the validity of the lien. Such 29505
lien shall not be valid as against the claim of any mortgagee, 29506
pledgee, purchaser, judgment creditor, or other lienholder of 29507
record at the time such notice is filed. 29508

If the employer acquires real or personal property after 29509
notice of lien is filed, such lien shall not be valid as against 29510
the claim of any mortgagee, pledgee, subsequent bona fide 29511
purchaser for value, judgment creditor, or other lienholder of 29512
record to such after-acquired property, unless the notice of lien 29513
is refiled after such property was acquired by the employer and 29514
before the competing lien attached to such after-acquired property 29515
or before the conveyance to such subsequent bona fide purchaser 29516
for value. 29517

Such notice shall be recorded in a book kept by the recorder 29518
called the "unemployment compensation lien record" and indexed 29519
therein in an alphabetical index under the name of such employer. 29520
When such unpaid contributions, interest, forfeiture, or fines 29521
have been paid, the employer may record with the recorder of the 29522
county in which such notice of lien has been filed and recorded, 29523
notice of such payment. For recording ~~such~~ the notice of payment 29524
the recorder shall charge and receive from the employer a base fee 29525
of two dollars for services and a housing trust fund fee of two 29526
dollars pursuant to section 317.36 of the Revised Code. 29527

(E) Notwithstanding other provisions in this section, the 29528

director may reduce, in whole or in part, the amount of interest, 29529
forfeiture, or fines required to be paid under this chapter if the 29530
director determines that the reduction is in the best interest of 29531
the unemployment compensation fund. 29532

(F) Assessment of contributions shall not be made after four 29533
years from the date on which such contributions became payable, 29534
and no action in court for the collection of contributions without 29535
assessment of such contributions shall be begun after the 29536
expiration of five years from the date such contributions became 29537
payable. In case of a false or fraudulent report or of a willful 29538
attempt in any manner to evade contributions, such contributions 29539
may be assessed or a proceeding in court for the collection of 29540
such contributions may be begun without assessment at any time. 29541
When the assessment of contributions has been made within such 29542
four-year period provided, action in court to collect such 29543
contributions may be begun within, but not later than, six years 29544
after such assessment. 29545

(G) In the event of a distribution of an employer's assets, 29546
pursuant to an order of any court under the law of this state, 29547
including any receivership, assignment for benefit of creditors, 29548
adjudicated insolvency, or similar proceedings, contributions, 29549
interest, forfeiture, or fine then or thereafter due have the same 29550
priority as provided by law for the payment of taxes due the state 29551
and shall be paid out of the trust fund in the same manner as 29552
provided for other claims for unpaid taxes due the state. 29553

(H) If the attorney general finds after investigation that 29554
any claim for delinquent contributions, interest, forfeitures, or 29555
fines owing to the director is uncollectible, in whole or in part, 29556
the attorney general shall recommend to the director the 29557
cancellation of such claim or any part thereof. The director may 29558
thereupon effect such cancellation. 29559

D-permit holder. If a permit is issued jointly, the association, 30569
corporation, or local unit and the D-permit holder shall both be 30570

approves the application, it shall send copies of the approved 30591
application to the proper law enforcement authorities prior to the 30592
scheduled event. 30593

Using the procedures of Chapter 119. of the Revised Code, the 30594
liquor control commission may adopt such rules as are necessary to 30595
administer this section. 30596

(B) No association, corporation, local unit of an association 30597
or corporation, or D-permit holder who holds an F-2 permit shall 30598

(F) If a court is required by section 4503.233, 4507.361, 31179
4507.99, 4511.193, or 4511.99 of the Revised Code to order the 31180
criminal forfeiture to the state of a vehicle, and the title to 31181
the motor vehicle is assigned or transferred, and division (C)(2) 31182
or (3) of this section applies, in addition to or independent of 31183
any other penalty established by law, the court may fine the 31184
offender the value of the vehicle as determined by publications of 31185
the national auto dealer's association. The proceeds from any fine 31186
imposed under division (F) of this section shall be distributed in 31187
accordance with division (D)(4) of this section. 31188

(G) As used in division (D) of this section and divisions 31189
(D)(1)(c), (2), and (D)(3)(a)(ii) of section 2933.43 of the 31190
Revised Code in relation to proceeds of the sale of a vehicle 31191
under division (D) of this section, "prosecuting attorney" 31192
includes the prosecuting attorney, village solicitor, city 31193
director of law, or similar chief legal officer of a municipal 31194
corporation who prosecutes the case resulting in the conviction or 31195
guilty plea in question. 31196

~~(G)~~(H) If the vehicle to be forfeited has an average retail 31197
value of less than two thousand dollars as determined by 31198
publications of the national auto dealer's association, no public 31199
auction is required to be held. In such a case, the court may 31200
direct that the vehicle be disposed of in any manner that it 31201
considers appropriate, including assignment of the certificate of 31202

title to the motor vehicle to a salvage dealer or a scrap metal 31203
processing facility. The court shall not transfer the vehicle to 31204
the person who is the vehicle's immediate previous owner. 31205

If the court assigns the motor vehicle to a salvage dealer or 31206
scrap metal processing facility and the court is in possession of 31207
the certificate of title to the motor vehicle, it shall send the 31208
assigned certificate of title to the motor vehicle to the clerk of 31209
the court of common pleas of the county in which the salvage 31210
dealer or scrap metal processing facility is located. The court 31211
shall mark the face of the certificate of title with the words 31212
"FOR DESTRUCTION" and shall deliver a photocopy of the certificate 31213
of title to the salvage dealer or scrap metal processing facility 31214
for its records. 31215

If the court is not in possession of the certificate of title 31216
to the motor vehicle, the court shall issue an order transferring 31217
ownership of the motor vehicle to a salvage dealer or scrap metal 31218
processing facility, send the order to the clerk of the court of 31219
common pleas of the county in which the salvage dealer or scrap 31220
metal processing facility is located, and send a photocopy of the 31221
order to the salvage dealer or scrap metal processing facility for 31222
its records. The clerk shall make the proper notations or entries 31223
in the clerk's records concerning the disposition of the motor 31224
vehicle. 31225

Sec. 4509.60. Upon acceptance of a bond with individual 31226
sureties, the registrar of motor vehicles shall forward to the 31227
county recorder of the county in which the sureties' real estate 31228
is located a notice of such deposit and pay the recorder a base 31229
fee of five dollars for filing and indexing the notice and a 31230
housing trust fund fee of five dollars pursuant to section 317.36 31231
of the Revised Code. The recorder shall receive and file such 31232
notice and keep and index the same. Such bond shall constitute a 31233

lien in favor of the state upon the real estate so scheduled or 31234
any surety, and the lien shall exist in favor of any holder of a 31235
final judgment against the person who has filed the bond, for 31236
damages, including damages for care and loss of services, because 31237
of bodily injury to or death of any person, or for damage because 31238
of injury to property, including the loss of use thereof, 31239
resulting from the ownership, maintenance, or use of a motor 31240
vehicle after such bond was filed, upon the filing of notice to 31241
that effect by the registrar with the county recorder as provided 31242
in this section. 31243

Sec. 4511.093. (A) As used in sections 4511.093 to 4511.097 31244
of the Revised Code, "traffic control signal photo-monitoring 31245
device" means an electronic system consisting of a photographic, 31246
video, or electronic camera and a vehicle sensor installed to work 31247
in conjunction with a traffic control signal to automatically 31248
produce photographs, videotape, or digital images of each vehicle 31249
that violates the instruction of the red light of the traffic 31250
control signal. 31251

(B)(1) Sections 4511.093 to 4511.097 of the Revised Code 31252
apply to counties that have a population greater than four hundred 31253
thousand persons at the last federal census and to municipal 31254
corporations and townships that are located in a county having a 31255
population of greater than four hundred thousand persons at the 31256
last federal census. 31257

(2) Traffic control signal photo-monitoring devices shall not 31258
be installed by or on behalf of any county that has a population 31259
equal to or less than four hundred thousand persons at the last 31260
federal census or any municipal corporation or township that is 31261
located in a county having a population equal to or less than four 31262
hundred thousand persons at the last federal census. 31263

(C) Notwithstanding division (B) of this section, sections 31264

4511.093 to 4511.097 of the Revised Code do not apply to any 31265
municipal corporation, county, or township that, on the effective 31266
date of this section, has installed and is operating at least one 31267
traffic control signal photo-monitoring device at an intersection 31268
located within its boundaries and has implemented a program 31269
involving violations of the instruction of the red light of the 31270
traffic control signal, irrespective of whether or not under the 31271
program the violations are considered criminal offenses. 31272

Sec. 4511.094. Any legislative authority of a municipal 31273
corporation that, by ordinance, and any board of county 31274
commissioners or board of township trustees that, by resolution, 31275
authorizes the installation of a traffic control signal 31276
photo-monitoring device at an intersection that is located within 31277
the municipal corporation, county, or township, that is under its 31278
control, and at which is located a traffic control signal that 31279
exhibits different colored lights shall conspicuously place and 31280
maintain at the intersection monitored by the device notice that 31281
the intersection is being monitored by the device and shall comply 31282
with this section. For purposes of sections 4511.093 to 4511.097 31283
of the Revised Code, a violation of the instruction of the red 31284
light of the traffic control signal that is detected by the device 31285
shall not be considered a criminal offense. The person who commits 31286
the violation so detected shall not be arrested for purposes of 31287
those sections as a result of the violation. Photographs, 31288
videotapes, or digital images recorded by a traffic control signal 31289
photo-monitoring device may be used only for the purposes 31290
described in section 4511.096 of the Revised Code relating to a 31291
violation of the instruction of the red light, and those 31292
photographs, videotapes, or digital images may be used in relation 31293
to a criminal offense or a traffic infraction other than a 31294
violation of that instruction, regardless of whether the criminal 31295
offense or traffic infraction is related to a violation of that 31296

instruction. 31297

Except as otherwise provided in this section and sections 31298
4511.095 to 4511.097 of the Revised Code, the provisions in 31299
Chapter 4521. of the Revised Code that govern enforcement and 31300
appeal procedures and the payment of fines in relation to 31301
noncriminal parking infractions, including, but not limited to, 31302
the provisions of sections 4521.07, 4521.08, and 4521.10 of the 31303
Revised Code that prohibit in specified circumstances the renewal 31304
or transfer of the registration of the vehicle involved in a 31305
violation or any vehicle owned or leased by a person against whom 31306
a judgment is entered based on a violation, also shall apply to 31307
violations detected by a traffic control signal photo-monitoring 31308
device as described in this section. In applying the provisions of 31309
Chapter 4521. of the Revised Code to violations detected by a 31310
traffic control signal photo-monitoring device as described in 31311
this section, all references in those provisions to "parking 31312
infractions" shall be construed as being references to violations 31313
detected by a traffic control signal photo-monitoring device and 31314
all other terminology included in those provisions shall be 31315
construed in their application to violations detected by a traffic 31316
control signal photo-monitoring device in a reasonable and 31317
appropriate manner to give effect to this section. 31318

Any ordinance or resolution of the type described in this 31319
section shall include a fine for a violation of the instruction of 31320
the red light of the traffic control signal that is detected by 31321
the traffic control signal photo-monitoring device and shall 31322
prescribe an additional penalty or penalties for failure to answer 31323
any charges of the violation in a timely manner. In no case shall 31324
any fine so adopted or additional penalty so prescribed exceed the 31325
fine established by the municipal or county court having 31326
territorial jurisdiction over the entire or a majority of the 31327
political subdivision that adopted the ordinance or resolution, in 31328

its schedule of fines established pursuant to Traffic Rule 13(C), 31329
for a substantively comparable violation. In no case shall any 31330
fine so adopted or additional penalty so prescribed exceed one 31331
hundred dollars, plus costs and other administrative charges, per 31332
violation. All revenue obtained from fines levied under this 31333
section shall be used by the county, municipal corporation, or 31334
township to pay the reasonable costs associated with operating the 31335
traffic control signal photo-monitoring device and for support of 31336
the county, municipal, or township law enforcement agency. 31337

At all intersections at which traffic control signal 31338
photo-monitoring devices are installed, the time period during 31339
which the traffic control signal displays a yellow light or yellow 31340
arrow shall conform with the provisions contained in the manual 31341
adopted by the department of transportation pursuant to section 31342
4511.09 of the Revised Code governing the time of display of 31343
yellow lights and yellow arrows by traffic control signals. 31344

Sec. 4511.095. No municipal corporation, county, or township 31345
shall enter into any contract with any governmental or 31346
nongovernmental entity for the provision of services relating to 31347
the installation or maintenance of traffic control signal 31348
photo-monitoring devices or any services related to the 31349
processing, collecting, or enforcing of tickets, civil judgments, 31350
and default judgments entered pursuant to section 4511.096 and 31351
Chapter 4521. of the Revised Code if the contract involves payment 31352
of any type by the municipal corporation, county, or township to 31353
the governmental or nongovernmental entity on a contingent basis. 31354
A municipal corporation, county, or township may pay a 31355
governmental or nongovernmental entity on an installment basis for 31356
services of that nature, for traffic control signal 31357
photo-monitoring devices, or for maintenance of those devices. 31358

As used in this section, "contingent basis" means any portion 31359

of or all of the payments made by the municipal corporation, 31360
county, or township to the governmental or nongovernmental entity 31361
is dependent upon fines being levied or collected by the county, 31362
municipal corporation, or township due to traffic control signal 31363
violations detected by traffic control signal photo-monitoring 31364
devices, and the payment is either a fixed amount of every such 31365
fine or an amount to be determined by a specified formula, 31366
including, but not limited to, a percentage of every such fine. 31367

Sec. 4511.096. Only a law enforcement officer employed by a 31368
municipal corporation, county, or township that adopts an 31369
ordinance or resolution of the type described in section 4511.094 31370
of the Revised Code may examine any photograph, videotape, or 31371
digital image recorded by the traffic control signal 31372
photo-monitoring device to determine whether a motor vehicle has 31373
violated the instruction of the red light of the traffic control 31374
signal at the intersection monitored by the device. If the 31375
photograph, videotape, or digital image shows an alleged violation 31376
of that nature, contains a notation of the date and time of the 31377
alleged violation, and permits the law enforcement officer to read 31378
the letters and numbers on the motor vehicle's rear license plate, 31379
the officer may use any legal means, including contacting the 31380
bureau of motor vehicles as described in this section, to obtain 31381
the name and mailing address of the motor vehicle's owner. After 31382
the law enforcement officer obtains the motor vehicle owner's name 31383
and mailing address, the officer or another law enforcement 31384
officer may send the owner a ticket charging the owner with a 31385
violation of the instruction of the red light of the traffic 31386
control signal. For each traffic control signal photo-monitoring 31387
device, during the first thirty days the device is monitoring the 31388
intersection, the municipal corporation, county, or township shall 31389
issue only warning notices and shall not issue any ticket or 31390
citation for any violation of the instruction of the red light of 31391

the traffic control signal detected by the device. 31392

A law enforcement officer employed by a municipal corporation, county, or township that adopts an ordinance or resolution of the type described in section 4511.094 of the Revised Code, or an officer or employee of a governmental or nongovernmental entity that is a party to an enforcement contract entered into under section 4511.095 of the Revised Code, may contact the bureau of motor vehicles to obtain pursuant to section 4501.27 of the Revised Code the name and mailing address of the owner of a motor vehicle that commits a violation as described in this section or any information needed to assist in processing, collecting, and enforcing tickets issued relative to, or civil judgments and default judgments entered relative to, any violation described in this section. 31393

(A) In addition to the manners provided in section 4521.09 of the Revised Code, the owner of a motor vehicle shall be entitled to establish nonliability for the violation of the instruction of the red light of the traffic control signal that was the subject of an ordinance or resolution of the type described in section 4511.094 of the Revised Code in either of the following manners: 31406

Upon receipt of this information, the law enforcement officer may issue a ticket for the violation to that renter or lessee and may proceed in the same manner as if the renter or lessee had been originally charged with the violation. vehicular travel or parking within this state shall be deemed to 31455
have given consent to a chemical test or tests of the person's 31456
blood, breath, or urine for the purpose of determining the 31457
alcohol, drug, or alcohol and drug content of the person's blood, 31458
breath, or urine if arrested for operating a vehicle while under 31459
the influence of alcohol, a drug of abuse, or alcohol and a drug 31460
of abuse or for operating a vehicle with a prohibited 31461
concentration of alcohol in the blood, breath, or urine. The 31462
chemical test or tests shall be administered at the request of a 31463
police officer having reasonable grounds to believe the person to 31464
have been operating a vehicle upon a highway or any public or 31465
private property used by the public for vehicular travel or 31466
parking in this state while under the influence of alcohol, a drug 31467
of abuse, or alcohol and a drug of abuse or with a prohibited 31468
concentration of alcohol in the blood, breath, or urine. The law 31469
enforcement agency by which the officer is employed shall 31470
designate which of the tests shall be administered. 31471

(B) Any person who is dead or unconscious, or who is 31472
otherwise in a condition rendering the person incapable of 31473
refusal, shall be deemed not to have withdrawn consent as provided 31474
by division (A) of this section and the test or tests may be 31475
administered, subject to sections 313.12 to 313.16 of the Revised 31476

(C)(1) Any person under arrest for operating a vehicle while 31478
under the influence of alcohol, a drug of abuse, or alcohol and a 31479
drug of abuse or for operating a vehicle with a prohibited 31480
concentration of alcohol in the blood, breath, or urine shall be 31481
advised at a police station, or at a hospital, first-aid station, 31482
or clinic to which the person has been taken for first-aid or 31483
medical treatment, of both of the following: 31484

(a) The consequences, as specified in division (E) of this 31485

section, of the person's refusal to submit upon request to a 31486
chemical test designated by the law enforcement agency as provided 31487
in division (A) of this section; 31488

(b) The consequences, as specified in division (F) of this 31489
section, of the person's submission to the designated chemical 31490
test if the person is found to have a prohibited concentration of 31491
alcohol in the blood, breath, or urine. 31492

(2)(a) The advice given pursuant to division (C)(1) of this 31493
section shall be in a written form containing the information 31494
described in division (C)(2)(b) of this section and shall be read 31495
to the person. The form shall contain a statement that the form 31496
was shown to the person under arrest and read to the person in the 31497
presence of the arresting officer and either another police 31498
officer, a civilian police employee, or an employee of a hospital, 31499
first-aid station, or clinic, if any, to which the person has been 31500
taken for first-aid or medical treatment. The witnesses shall 31501
certify to this fact by signing the form. 31502

(b) The form required by division (C)(2)(a) of this section 31503
shall read as follows: 31504

"You now are under arrest for operating a vehicle while under 31505
the influence of alcohol, a drug of abuse, or both alcohol and a 31506
drug of abuse and will be requested by a police officer to submit 31507
to a chemical test to determine the concentration of alcohol, 31508
drugs of abuse, or alcohol and drugs of abuse in your blood, 31509
breath, or urine. 31510

If you refuse to submit to the requested test or if you 31511
submit to the requested test and are found to have a prohibited 31512
concentration of alcohol in your blood, breath, or urine, your 31513
driver's or commercial driver's license or permit or nonresident 31514
operating privilege immediately will be suspended for the period 31515
of time specified by law by the officer, on behalf of the 31516

registrar of motor vehicles. You may appeal this suspension at 31517
your initial appearance before the court that hears the charges 31518
against you resulting from the arrest, and your initial appearance 31519
will be conducted no later than five days after the arrest. This 31520
suspension is independent of the penalties for the offense, and 31521
you may be subject to other penalties upon conviction." 31522

(D)(1) If a person under arrest as described in division 31523
(C)(1) of this section is not asked by a police officer to submit 31524
to a chemical test designated as provided in division (A) of this 31525
section, the arresting officer shall seize the Ohio or 31526
out-of-state driver's or commercial driver's license or permit of 31527
the person and immediately forward the seized license or permit to 31528
the court in which the arrested person is to appear on the charge 31529
for which the person was arrested. If the arrested person does not 31530
have the person's driver's or commercial driver's license or 31531
permit on the person's self or in the person's vehicle, the 31532
arresting officer shall order the arrested person to surrender it 31533
to the law enforcement agency that employs the officer within 31534
twenty-four hours after the arrest, and, upon the surrender, the 31535
officer's employing agency immediately shall forward the license 31536
or permit to the court in which the arrested person is to appear 31537
on the charge for which the person was arrested. Upon receipt of 31538
the license or permit, the court shall retain it pending the 31539
initial appearance of the arrested person and any action taken 31540
under section 4511.196 of the Revised Code. 31541

If a person under arrest as described in division (C)(1) of 31542
this section is asked by a police officer to submit to a chemical 31543
test designated as provided in division (A) of this section and is 31544
advised of the consequences of the person's refusal or submission 31545
as provided in division (C) of this section and if the person 31546
either refuses to submit to the designated chemical test or the 31547
person submits to the designated chemical test and the test 31548

results indicate that the person's blood contained a concentration 31549
of ten-hundredths of one per cent or more by weight of alcohol, 31550
the person's breath contained a concentration of ten-hundredths of 31551
one gram or more by weight of alcohol per two hundred ten liters 31552
of the person's breath, or the person's urine contained a 31553
concentration of fourteen-hundredths of one gram or more by weight 31554
of alcohol per one hundred milliliters of the person's urine at 31555
the time of the alleged offense, the arresting officer shall do 31556
all of the following: 31557

(a) On behalf of the registrar, serve a notice of suspension 31558
upon the person that advises the person that, independent of any 31559
penalties or sanctions imposed upon the person pursuant to any 31560
other section of the Revised Code or any other municipal 31561
ordinance, the person's driver's or commercial driver's license or 31562
permit or nonresident operating privilege is suspended, that the 31563
suspension takes effect immediately, that the suspension will last 31564
at least until the person's initial appearance on the charge that 31565
will be held within five days after the date of the person's 31566
arrest or the issuance of a citation to the person, and that the 31567
person may appeal the suspension at the initial appearance; seize 31568
the Ohio or out-of-state driver's or commercial driver's license 31569
or permit of the person; and immediately forward the seized 31570
license or permit to the registrar. If the arrested person does 31571
not have the person's driver's or commercial driver's license or 31572
permit on the person's self or in the person's vehicle, the 31573
arresting officer shall order the person to surrender it to the 31574
law enforcement agency that employs the officer within twenty-four 31575
hours after the service of the notice of suspension, and, upon the 31576
surrender, the officer's employing agency immediately shall 31577

the registrar, within forty-eight hours after the arrest of the 31584
person, a sworn report that includes all of the following 31585

of submitting to the chemical test or refusing to take the 31601
chemical test, and gave the person the form described in division 31602
(C)(2) of this section; 31603

(iv) That the person refused to submit to the chemical test 31604

the person's breath contained a concentration of ten-hundredths of 31608
one gram or more by weight of alcohol per two hundred ten liters 31609
of the person's breath, or the person's urine contained a 31610

the report is complete when given to the arrested person and 31623
subsequently is sworn to by the arresting officer. As soon as 31624
possible, but no later than forty-eight hours after the arrest of 31625
the person, the arresting officer shall send a copy of the sworn 31626
report to the court in which the arrested person is to appear on 31627
the charge for which the person was arrested. 31628

(3) The sworn report of an arresting officer completed and 31629
sent to the registrar and the court under divisions (D)(1)(c) and 31630
(D)(2) of this section is prima-facie proof of the information and 31631
statements that it contains and shall be admitted and considered 31632
as prima-facie proof of the information and statements that it 31633
contains in any appeal under division (H) of this section relative 31634
to any suspension of a person's driver's or commercial driver's 31635
license or permit or nonresident operating privilege that results 31636
from the arrest covered by the report. 31637

(E)(1) Upon receipt of the sworn report of an arresting 31638

registrar shall enter into the registrar's records the fact that 31642
the person's driver's or commercial driver's license or permit or 31643

nonresident operating privilege was suspended by the arresting 31644
officer under division (D)(1)(a) of this section and the period of 31645
the suspension, as determined under divisions (E)(1)(a) to (d) of 31646
this section. The suspension shall be subject to appeal as 31647
provided in this section and shall be for whichever of the 31648
following periods applies: 31649

(a) If the arrested person, within five years of the date on 31650
which the person refused the request to consent to the chemical 31651
test, had not refused a previous request to consent to a chemical 31652
test of the person's blood, breath, or urine to determine its 31653
alcohol content, the period of suspension shall be one year. If 31654
the person is a resident without a license or permit to operate a 31655
vehicle within this state, the registrar shall deny to the person 31656
the issuance of a driver's or commercial driver's license or 31657
permit for a period of one year after the date of the alleged 31658
violation. 31659

(b) If the arrested person, within five years of the date on 31660

alcohol content, the period of suspension or denial shall be two 31664
years. 31665

(c) If the arrested person, within five years of the date on 31666
which the person refused the request to consent to the chemical 31667

years. 31671

(d) If the arrested person, within five years of the date on 31672
which the person refused the request to consent to the chemical 31673
test, had refused three or more previous requests to consent to a 31674
chemical test of the person's blood, breath, or urine to determine 31675

its alcohol content, the period of suspension or denial shall be 31676
five years. 31677

(2) The suspension or denial imposed under division (E)(1) of 31678
this section shall continue for the entire one-year, two-year, 31679
three-year, or five-year period, subject to appeal as provided in 31680
this section and subject to termination as provided in division 31681
(K) of this section. 31682

(F) Upon receipt of the sworn report of an arresting officer 31683
completed and sent to the registrar and a court pursuant to 31684
divisions (D)(1)(c) and (D)(2) of this section in regard to a 31685
person whose test results indicate that the person's blood 31686
contained a concentration of ten-hundredths of one per cent or 31687
more by weight of alcohol, the person's breath contained a 31688
concentration of ten-hundredths of one gram or more by weight of 31689
alcohol per two hundred ten liters of the person's breath, or the 31690
person's urine contained a concentration of fourteen-hundredths of 31691

of the person's urine at the time of the alleged offense, the 31693
registrar shall enter into the registrar's records the fact that 31694
the person's driver's or commercial driver's license or permit or 31695
nonresident operating privilege was suspended by the arresting 31696
officer under division (D)(1)(a) of this section and the period of 31697
the suspension, as determined under divisions (F)(1) to (4) of 31698
this section. The suspension shall be subject to appeal as 31699
provided in this section and shall be for whichever of the 31700
following periods that applies: 31701

(1) Except when division (F)(2), (3), or (4) of this section 31702
applies and specifies a different period of suspension or denial, 31703
the period of the suspension or denial shall be ninety days. 31704

(2) The period of suspension or denial shall be one year if 31705
the person has been convicted, within six years of the date the 31706
test was conducted, of a violation of one of the following: 31707

(e) Division (A)(1) of section 2903.06 or division (A)(1) of section 2903.08 of the Revised Code or a municipal ordinance that is substantially similar to either of those divisions;	31719 31720 31721
(f) Division (A)(2), (3), or (4) of section 2903.06, division (A)(2) of section 2903.08, or former section 2903.07 of the Revised Code, or a municipal ordinance that is substantially similar to any of those divisions or that former section, in a case in which the jury or judge found that at the time of the commission of the offense the offender was under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse;	31722 31723 31724 31725 31726 31727 31728
(g) A statute of the United States or of any other state or a municipal ordinance of a municipal corporation located in any other state that is substantially similar to division (A) or (B) of section 4511.19 of the Revised Code.	31729 31730 31731 31732
(3) If the person has been convicted, within six years of the date the test was conducted, of two violations of a statute or ordinance described in division (F)(2) of this section, the period of the suspension or denial shall be two years.	31733 31734 31735 31736
(4) If the person has been convicted, within six years of the	31737

date the test was conducted, of more than two violations of a 31738
statute or ordinance described in division (F)(2) of this section, 31739
the period of the suspension or denial shall be three years. 31740

(G)(1) A suspension of a person's driver's or commercial 31741
driver's license or permit or nonresident operating privilege 31742
under division (D)(1)(a) of this section for the period of time 31743
described in division (E) or (F) of this section is effective 31744
immediately from the time at which the arresting officer serves 31745
the notice of suspension upon the arrested person. Any subsequent 31746
finding that the person is not guilty of the charge that resulted 31747
in the person being requested to take, or in the person taking, 31748
the chemical test or tests under division (A) of this section 31749
affects the suspension only as described in division (H)(2) of 31750
this section. 31751

(2) If a person is arrested for operating a vehicle while 31752
under the influence of alcohol, a drug of abuse, or alcohol and a 31753
drug of abuse or for operating a vehicle with a prohibited 31754
concentration of alcohol in the blood, breath, or urine and 31755
regardless of whether the person's driver's or commercial driver's 31756
license or permit or nonresident operating privilege is or is not 31757
suspended under division (E) or (F) of this section, the person's 31758
initial appearance on the charge resulting from the arrest shall 31759
be held within five days of the person's arrest or the issuance of 31760
the citation to the person, subject to any continuance granted by 31761
the court pursuant to division (H)(1) of this section regarding 31762
the issues specified in that division. 31763

(H)(1) If a person is arrested for operating a vehicle while 31764
under the influence of alcohol, a drug of abuse, or alcohol and a 31765
drug of abuse or for operating a vehicle with a prohibited 31766
concentration of alcohol in the blood, breath, or urine and if the 31767
person's driver's or commercial driver's license or permit or 31768
nonresident operating privilege is suspended under division (E) or 31769

(F) of this section, the person may appeal the suspension at the person's initial appearance on the charge resulting from the arrest in the court in which the person will appear on that charge. If the person appeals the suspension at the person's initial appearance, the appeal does not stay the operation of the suspension. Subject to division (H)(2) of this section, no court has jurisdiction to grant a stay of a suspension imposed under division (E) or (F) of this section, and any order issued by any court that purports to grant a stay of any suspension imposed under either of those divisions shall not be given administrative effect.

If the person appeals the suspension at the person's initial appearance, either the person or the registrar may request a continuance of the appeal. Either the person or the registrar shall make the request for a continuance of the appeal at the same time as the making of the appeal. If either the person or the registrar requests a continuance of the appeal, the court may grant the continuance. The court also may continue the appeal on its own motion. The granting of a continuance applies only to the conduct of the appeal of the suspension and does not extend the time within which the initial appearance must be conducted, and the court shall proceed with all other aspects of the initial appearance in accordance with its normal procedures. Neither the request for nor the granting of a continuance stays the operation of the suspension that is the subject of the appeal.

If the person appeals the suspension at the person's initial appearance, the scope of the appeal is limited to determining whether one or more of the following conditions have not been met:

(a) Whether the law enforcement officer had reasonable ground to believe the arrested person was operating a vehicle upon a highway or public or private property used by the public for vehicular travel or parking within this state while under the

influence of alcohol, a drug of abuse, or alcohol and a drug of 31802
abuse or with a prohibited concentration of alcohol in the blood, 31803
breath, or urine and whether the arrested person was in fact 31804
placed under arrest; 31805

(b) Whether the law enforcement officer requested the 31806
arrested person to submit to the chemical test designated pursuant 31807
to division (A) of this section; 31808

(c) Whether the arresting officer informed the arrested 31809
person of the consequences of refusing to be tested or of 31810
submitting to the test; 31811

(d) Whichever of the following is applicable: 31812

(i) Whether the arrested person refused to submit to the 31813
chemical test requested by the officer; 31814

(ii) Whether the chemical test results indicate that the 31815
arrested person's blood contained a concentration of 31816
ten-hundredths of one per cent or more by weight of alcohol, the 31817
person's breath contained a concentration of ten-hundredths of one 31818
gram or more by weight of alcohol per two hundred ten liters of 31819
the person's breath, or the person's urine contained a 31820
concentration of fourteen-hundredths of one gram or more by weight 31821
of alcohol per one hundred milliliters of the person's urine at 31822
the time of the alleged offense. 31823

(2) If the person appeals the suspension at the initial 31824
appearance, the judge or referee of the court or the mayor of the 31825
mayor's court shall determine whether one or more of the 31826
