housing of any person that is under the control of the department 1375

of rehabilitation and correction, the department of youth 1376
services, the department of mental retardation and developmental 1377
disabilities, the department of mental health, or any other agency 1378

(2) "Target state agency" means the agency of state 1380
government that operates the institutional facility or facilities 1381
that the governor believes should be closed. 1382

(B) Prior to the closing of a state institutional facility, 1383
the target state agency shall conduct a survey and analysis of the 1384
needs of each client at that facility for the purpose of ensuring 1385
that each client's identified needs during the transition and in 1386
the client's new setting are met. A copy of the analysis, devoid 1387
of any client identifying information, as well as the target state 1388
agency's proposal for meeting the needs of the clients, shall be 1389
submitted to the general assembly in accordance with section 1390
101.68 of the Revised Code at least two months prior to the 1391

Sec. 107.32. (A) As used in this section and section 107.33 1393
of the Revised Code: 1394

(1) "State institutional facility" means any institution or 1395

control of the department of rehabilitation and correction, the 1397
department of youth services, the department of mental retardation 1398
and developmental disabilities, the department of mental health, 1399
or any other agency or department of state government. 1400

(2) "Target state agency" means the agency of state 1401
government that the governor identifies in a notice provided under 1402
division (C)(1) of this section and that operates an institutional 1403
facility or facilities the governor believes should be closed. 1404

(B) Notwithstanding any other provision of law, the governor 1405

shall not order the closure of any state institutional facility, 1406
for the purpose of expenditure reductions or budget cuts, other 1407
than in accordance with this section. 1408

(C) If the governor determines that necessary expenditure 1409
reductions and budget cuts cannot be made without closing one or 1410
more state institutional facilities, all of the following apply: 1411

(1) The governor shall determine which state agency's 1412
institutional facility or facilities the governor believes should 1413
be closed, shall notify the general assembly and that agency of 1414
that determination, and shall specify in the notice the number of 1415
facilities of that agency that the governor believes should be 1416
closed and the anticipated savings to be obtained through that 1417
closure or those closures. 1418

(2) Upon the governor's provision of the notice described in 1419
division (C)(1) of this section, a state facilities closure 1420
commission shall be created as described in division (D) of this 1421
section regarding the target state agency. Not later than seven 1422
days after the governor provides that notice, the officials with 1423
the duties to appoint members of the commission for the target 1424
state agency, as described in division (D) of this section, shall 1425
appoint the specified members of the commission, and, as soon as 1426
possible after the appointments, the commission shall meet for the 1427
purposes described in that division. Not later than thirty days 1428
after the governor provides the notice described in division 1429
(C)(1) of this section, the state facilities closure commission 1430
shall provide to the general assembly, the governor, and the 1431
target state agency a report that contains the commission's 1432
recommendation as to the state institutional facility or 1433
facilities of the target state agency that the governor may close. 1434
The anticipated savings to be obtained by the commission's 1435
recommendation shall be approximately the same as the anticipated 1436
savings the governor specified in the governor's notice provided 1437

under division (C)(1) of this section, and, if the recommendation 1438
identifies more than one facility, it shall list them in order of 1439
the commission's preference for closure. A state facilities 1440
closure commission created for a particular target state agency 1441
shall make a report only regarding that target state agency and 1442
shall include no recommendations regarding any other state agency 1443
or department in its report. 1444

(3) Upon receipt of the report of the state facilities 1445
closure commission under division (C)(2) of this section for a 1446
target state agency, if the governor still believes that necessary 1447
expenditure reductions and budget cuts cannot be made without 1448
closing one or more state institutional facilities, the governor 1449
may close state institutional facilities of the target state 1450
agency that are identified in the commission's recommendation 1451
contained in the report. Except as otherwise provided in this 1452
division, the governor shall not close any state institutional 1453
facility of the target state agency that is not listed in the 1454
commission's recommendation, and shall not close multiple 1455
institutions in any order other than the order of the commission's 1456
preference as specified in the recommendation. The governor is not 1457
required to follow the recommendation of the commission in closing 1458
an institutional facility if the governor determines that a 1459
significant change in circumstances makes the recommendation 1460
unworkable. 1461

(D) A state facilities closure commission shall be created at 1462
the time and in the manner specified in division (C)(2) of this 1463
section. If more than one state agency or department is a target 1464
state agency, a separate state facilities closure commission shall 1465
be created for each such target state agency. Each commission 1466
consists of eleven members. Three members shall be members of the 1467
house of representatives appointed by the speaker of the house of 1468
representatives, none of the members so appointed may have a state 1469

institutional facility of the target state agency in the member's 1470
district, two of the members so appointed shall be members of the 1471
majority political party in the house of representatives, and one 1472
of the members so appointed shall not be a member of the majority 1473
political party in the house of representatives. Three members 1474
shall be members of the senate appointed by the president of the 1475
senate, none of the members so appointed may have a state 1476
institutional facility of the target state agency in the member's 1477
district, two of the members so appointed shall be members of the 1478
majority political party in the senate, and one of the members so 1479
appointed shall not be a member of the majority political party in 1480
the senate. One member shall be the director of budget and 1481
management. One member shall be the director, or other agency 1482
head, of the target state agency. Two members shall be private 1483
executives with expertise in facility utilization, with one of 1484
these members appointed by the speaker of the house of 1485
representatives and the other appointed by the president of the 1486
senate, and neither of the members so appointed may have a state 1487
institutional facility of the target state agency in the county in 1488
which the member resides. One member shall be a representative of 1489
the Ohio civil service employees' association or other 1490
representative association of the employees of the target state 1491
agency, appointed by the speaker of the house of representatives. 1492
The officials with the duties to appoint members of the commission 1493
shall make the appointments, and the commission shall meet, within 1494
the time periods specified in division (C)(2) of this section. The 1495
members of the commission shall serve without compensation. At the 1496
commission's first meeting, the members shall organize, and 1497
appoint a chairperson and vice-chairperson. 1498

The commission shall determine which state institutional 1499
facility or facilities under the control of the target state 1500
agency for which the commission was created should be closed. In 1501
making this determination, the commission shall, at a minimum, 1502

<u>consider the following factors:</u>	1503
<u>(1) Whether there is a need to reduce the number of facilities;</u>	1504
<u>(2) The availability of alternate facilities;</u>	1506
<u>(3) The cost effectiveness of the facilities;</u>	1507
<u>(4) The geographic factors associated with each facility and its proximity to other similar facilities;</u>	1508
<u>(5) The impact of collective bargaining on facility operations;</u>	1510
<u>(6) The utilization and maximization of resources;</u>	1512
<u>(7) Continuity of the staff and ability to serve the facility population;</u>	1513
<u>(8) Continuing costs following closure of a facility;</u>	1515
<u>(9) The impact of the closure on the local economy;</u>	1516
<u>(10) Alternatives and opportunities for consolidation with other facilities.</u>	1517
<u>The commission shall meet as often as necessary to make its determination, may take testimony and consider all relevant information, and shall prepare and provide in accordance with division (C)(2) of this section a report containing its recommendations. Upon providing the report regarding the target state agency, the commission shall cease to exist, provided that another commission shall be created for the same state agency if the agency is made a target state agency in another report provided under division (C)(1) of this section and provided that another commission shall be created for a different state agency if that other agency is made a target state agency in a report provided under that division.</u>	1519
<u>Sec. 107.33. Notwithstanding any other provision of law, if</u>	1531

the closure of the particular facility is authorized under section 1532
107.32 of the Revised Code, the governor may terminate any 1533
contract entered into under section 9.06 of the Revised Code for 1534
the private operation and management of any correctional facility 1535
under the control of the department of rehabilitation and 1536
correction, including, but not limited to the initial intensive 1537
program prison established pursuant to section 5120.033 of the 1538
Revised Code as it existed prior to the effective date of this 1539
section, and terminate the operation of, and close that facility. 1540
If the governor terminates a contract for the private operation 1541
and management of a facility, and terminates the operation of, and 1542
closes, the facility as described in this section, inmates in the 1543
facility shall be transferred to another correctional facility 1544
under the control of the department. If the initial intensive 1545
program prison is closed, divisions (G)(2)(a) and (b) of section 1546
2929.13 of the Revised Code have no effect while the facility is 1547
closed. 1548

section, no state agency shall purchase any supplies or services
except as provided in divisions (A) to (C) of this section.

(A) Subject to division (D) of this section, a state agency
may, without competitive selection, make any purchase of services
that cost fifty thousand dollars or less or any purchase of
supplies that cost twenty-five thousand dollars or less. The

agency may make the purchase directly or may make the purchase 3525
from or through the department of administrative services, 3526
whichever the agency determines. The department shall establish 3527
written procedures to assist state agencies when they make direct 3528
purchases. If the agency makes the purchase directly, it shall 3529
make the purchase by a term contract whenever possible. 3530

(B) Subject (1) Except as provided in division (B)(2) of this 3531
section and subject to division (D) of this section, a state 3532
agency wanting to purchase services that cost more than fifty 3533
thousand dollars or supplies that cost more than twenty-five 3534
thousand dollars shall, unless otherwise authorized by law, make 3535
the purchase from or through the department. The department shall 3536
make the purchase by competitive selection under section 125.07 of 3537
the Revised Code. If the director of administrative services 3538
determines that it is not possible or not advantageous to the 3539
state for the department to make the purchase, the department 3540
shall grant the agency a release and permit under section 125.06 3541
of the Revised Code to make the purchase. Section 127.16 of the 3542
Revised Code does not apply to purchases the department makes 3543
under this section. 3544

(2) Subject to division (D) of this section, a state agency 3545
desiring to purchase services that cost more than fifty thousand 3546
dollars or supplies that cost more than twenty-five thousand 3547
dollars shall solicit, pursuant to the competitive selection 3548
requirements specified in section 125.07 of the Revised Code, at 3549
least three bids for the services or supplies and make the 3550
purchase directly from the lowest bidder instead of from or 3551
through the department, but only if the state agency determines 3552
that it is possible to purchase the services or supplies directly 3553
from that bidder at a lower price than making the purchase from or 3554
through the department. If the agency makes a purchase pursuant to 3555
division (B)(2) of this section, it shall provide the department 3556

with written notification of the subject and amount of the 3557
purchase. 3558

(C) An agency that has been granted a release and permit to 3559
make a purchase may make the purchase without competitive 3560
selection if after making the purchase the cumulative purchase 3561
threshold as computed under division (F) of section 127.16 of the 3562
Revised Code would: 3563

(1) Be exceeded and the controlling board approves the 3564
purchase; 3565

(2) Not be exceeded and the department of administrative 3566
services approves the purchase. 3567

(D) Not later than January 31, 1997, the amounts specified in 3568
divisions (A) and (B) of this section and, not later than the 3569
thirty-first day of January of each second year thereafter, any 3570
amounts computed by adjustments made under this division, shall be 3571
increased or decreased by the average percentage increase or 3572
decrease in the consumer price index prepared by the United States 3573
bureau of labor statistics (U.S. City Average for Urban Wage 3574
Earners and Clerical Workers: "All Items 1982-1984=100") for the 3575
twenty-four calendar month period prior to the immediately 3576
preceding first day of January over the immediately preceding 3577
twenty-four calendar month period, as reported by the bureau. The 3578
director of administrative services shall make this determination 3579
and adjust the appropriate amounts accordingly. 3580

(E) If the Ohio SchoolNet commission, the department of 3581
education, or the Ohio education computer network determines that 3582
it can purchase software services or supplies for specified school 3583
districts at a price less than the price for which the districts 3584
could purchase the same software services or supplies for 3585
themselves, the office, department, or network shall certify that 3586
fact to the department of administrative services and, acting as 3587

an agent for the specified school districts, shall make that 3588
purchase without following the provisions in divisions (A) to (D) 3589
of this section. 3590

Sec. 125.06. The department of administrative services may, 3591
pursuant to division (B)(1) of section 125.05 of the Revised Code 3592
and subject to such rules as the director of administrative 3593
services may adopt, issue a release and permit to the agency to 3594
secure supplies or services. A release and permit shall specify 3595
the supplies or services to which it applies, the time during 3596
which it is operative, and the reason for its issuance. A release 3597
and permit for computer services shall also specify the type of 3598
services to be rendered, the number and type of machines to be 3599
employed, and may specify the amount of such services to be 3600
performed. One copy of every release and permit shall be filed 3601
with the agency to which it is issued, and one copy shall be 3602
retained by the department. 3603

Sec. 125.07. The department of administrative services, in 3604
making a purchase by competitive selection pursuant to division 3605
(B)(1) of section 125.05 of the Revised Code, or a state agency, 3606
in making a purchase by competitive selection pursuant to division 3607
(B)(2) of section 125.02 of the Revised Code, shall give notice in 3608
the following manner: 3609

(A) The department or state agency shall advertise the 3610
intended purchases by notice that is posted by mail or electronic 3611
means and that is for the benefit of competing persons producing 3612
or dealing in the supplies or services to be purchased, including, 3613
but not limited to, the persons whose names appear on the 3614
appropriate list provided for in section 125.08 of the Revised 3615
Code. The notice may be in the form of the bid or proposal 3616
document or of a listing in a periodic bulletin, or in any other 3617
form the director of administrative services or state agency head 3618

considers appropriate to sufficiently notify qualified competing persons of the intended purchases.

(B) The notice required under division (A) of this section shall include the time and place where bids or proposals will be accepted and opened, or, when bids are made in a reverse auction, the time when bids will be accepted; the conditions under which bids or proposals will be received; the terms of the proposed purchases; and an itemized list of the supplies or services to be purchased and the estimated quantities or amounts of them.

(C) The posting of the notice required under division (A) of this section shall be completed by the number of days the director or state agency head determines preceding the day when the bids or proposals will be opened or accepted.

(D) The department or state agency also shall maintain, in a public place in its office, a bulletin board upon which it shall post and maintain a copy of the notice required under division (A) of this section for at least the number of days the director or state agency head determines under division (C) of this section preceding the day of the opening or acceptance of the bids or proposals. The failure to so additionally post the notice shall invalidate all proceedings had and any contract entered into pursuant to the proceedings.

Sec. 125.073. (A) The department of administrative services shall actively promote and accelerate the use of electronic procurement, including reverse auctions as defined by section 125.072 of the Revised Code, by implementing the relevant recommendations concerning electronic procurement from the "2000 Management Improvement Commission Report to the Governor" when exercising its statutory powers.

(B) Beginning July 1, 2004, the department shall annually on or before the first day of July report to the committees in each

house of the general assembly dealing with finance indicating the 3650
effectiveness of electronic procurement. 3651

Sec. 125.15. All state agencies required to secure any 3652
equipment, materials, supplies, or services, ~~or contracts of~~ 3653
~~insurance~~ from the department of administrative services shall 3654
make acquisition in the manner and upon forms prescribed by the 3655
director of administrative services and shall reimburse the 3656
department for the equipment, materials, supplies, or services, ~~or~~ 3657
~~contracts of insurance,~~ including a reasonable sum to cover the 3658
department's administrative costs, whenever reimbursement is 3659
required by the department. The money so paid shall be deposited 3660
in the state treasury to the credit of the general services fund 3661
or the information technology fund, as appropriate. ~~Such~~ Those 3662
funds are hereby created. 3663

section are inoperative respecting bonds issued under this 4440
section. 4441

Sec. 131.35. (A) With respect to the federal funds received 4442
into any fund of the state from which transfers may be made under 4443
division (D) of section 127.14 of the Revised Code: 4444

(1) No state agency may make expenditures of any federal 4445
funds, whether such funds are advanced prior to expenditure or as 4446
reimbursement, unless such expenditures are made pursuant to 4447
specific appropriations of the general assembly ~~identifying the~~ 4448
~~federal program that is the source of funds, are authorized~~ 4449
~~pursuant to section 131.38 of the Revised Code, are authorized by~~ 4450
the controlling board pursuant to division (A)(5) of this section, 4451
or are authorized by an executive order issued in accordance with 4452
section 107.17 of the Revised Code, and until an allotment has 4453

(2) If the federal funds received are greater than the amount 4460
of such funds appropriated by the general assembly for a specific 4461
purpose, the total appropriation of federal and state funds for 4462
such purpose shall remain at the amount designated by the general 4463
assembly, except that the expenditure of federal funds received in 4464
excess of such specific appropriation may be authorized by the 4465

board, but such authorization shall not extend beyond the end of 4477

and the agency is not required to obtain an executive order under 4482
section 107.17 of the Revised Code to participate in the federal 4483

state from which transfers may be made under division (D) of 4487
section 127.14 of the Revised Code: 4488

(1) No state agency may make expenditures of any such funds 4489
unless the expenditures are made pursuant to specific 4490
appropriations of the general assembly. 4491

(2) If the receipts received into any fund are greater than 4492
the amount appropriated, the appropriation for that fund shall 4493
remain at the amount designated by the general assembly or as 4494
increased and approved by the controlling board. 4495

(3) Additional funds may be created by the controlling board 4496
to receive revenues not anticipated in an appropriations act for 4497
the biennium in which such new revenues are received. Expenditures 4498

board, but such authorization shall not extend beyond the end of 4500
the biennium in which such funds are created. 4501

education programs required by this section shall be paid from 4574
this fund. 4575

(B) A board of county commissioners may by adoption of a 6168
resolution require the county department of job and family 6169

(1) Inform each applicant or recipient of the procedures 6211
governing direct deposit, including in the case of voluntary 6212

payments in the form of a paper warrant. 6221

The department may require a recipient to complete a new 6222
authorization form whenever the department considers it necessary. 6223

A recipient's designation of a financial institution and 6224
account shall remain in effect until withdrawn in writing or 6225
dishonored by the financial institution, except that no change may 6226
be made in the authorization form until the next eligibility 6227
redetermination of the recipient unless the department feels that 6228
good grounds exist for an earlier change. 6229

(D) An applicant or recipient without an account who either 6230

agrees or is required to receive payments by direct deposit shall 6231
have ten days after receiving the authorization form to designate 6232
an account suitable for direct deposit. If within the required 6233
time the applicant or recipient does not make the designation or 6234
requests that the department make the designation, the department 6235
shall designate a financial institution and help the recipient to 6236
open an account. 6237

authorization form, the county department of job and family 6239
services of a county with mandatory direct deposit shall inform 6240

Under mandatory direct deposit, an applicant or recipient who 6243
wishes to receive payments in the form of a paper warrant shall 6244

section has not been obtained within one hundred eighty days after 6259
the later of the date the board of county commissioners adopts a 6260

resolution requiring payments of financial assistance by direct 6261
deposit to accounts of recipients of Ohio works first or 6262
disability financial assistance or the date the recipient made 6263
application for assistance, and shall not be reimbursed by the 6264
state for any part of the cost. Thereafter, the county department 6265
of job and family services shall continue to bear the full cost of 6266

and all the facilities and community mental health services that 6458
are or will be in operation or provided during the period for 6459
which the plan will be in operation in the service district to 6460
meet such needs. 6461

The plan shall include, but not be limited to, a statement of 6462
which of the services listed in section 340.09 of the Revised Code 6463
the board intends to provide or purchase, an explanation of how 6464
the board intends to make any payments that it may be required to 6465
pay under section 5119.62 of the Revised Code, a statement of the 6466
inpatient and community-based services the board proposes that the 6467

residential facilities needed, and such other information as the 6469
department requests, and a budget for moneys the board expects to 6470
receive. The board shall also submit an allocation request for 6471
state and federal funds. Within sixty days after the department's 6472
determination that the plan and allocation request are complete, 6473
the department shall approve or disapprove the plan and request, 6474
in whole or in part, according to the criteria developed pursuant 6475
to section 5119.61 of the Revised Code. The department's statement 6476

of approval or disapproval shall specify the inpatient and the 6477
community-based services that the department will operate for the 6478
board. Eligibility for financial support shall be contingent upon 6479
an approved plan or relevant part of a plan. 6480

If the director disapproves all or part of any plan, the 6481
director shall inform the board of the reasons for the disapproval 6482
and of the criteria that must be met before the plan may be 6483
approved. The director shall provide the board an opportunity to 6484
present its case on behalf of the plan. The director shall give 6485
the board a reasonable time in which to meet the criteria, and 6486
shall offer the board technical assistance to help it meet the 6487
criteria. 6488

If the approval of a plan remains in dispute thirty days 6489
prior to the conclusion of the fiscal year in which the board's 6490
current plan is scheduled to expire, the board or the director may 6491
request that the dispute be submitted to a mutually agreed upon 6492
third-party mediator with the cost to be shared by the board and 6493
the department. The mediator shall issue to the board and the 6494
department recommendations for resolution of the dispute. Prior to 6495
the conclusion of the fiscal year in which the current plan is 6496
scheduled to expire, the director, taking into consideration the 6497
recommendations of the mediator, shall make a final determination 6498
and approve or disapprove the plan, in whole or in part. 6499

If a board determines that it is necessary to amend a plan or 6500
an allocation request that has been approved under division 6501
(A)(1)(c) of this section, the board shall submit a proposed 6502
amendment to the director. The director may approve or disapprove 6503
all or part of the amendment. If the director does not approve all 6504
or part of the amendment within thirty days after it is submitted, 6505
the amendment or part of it shall be considered to have been 6506
approved. The director shall inform the board of the reasons for 6507
disapproval of all or part of an amendment and of the criteria 6508

that must be met before the amendment may be approved. The 6509
director shall provide the board an opportunity to present its 6510
case on behalf of the amendment. The director shall give the board 6511
a reasonable time in which to meet the criteria, and shall offer 6512
the board technical assistance to help it meet the criteria. 6513

The board shall implement the plan approved by the 6514
department. 6515

(d) Receive, compile, and transmit to the department of 6516
mental health applications for state reimbursement; 6517

(e) Promote, arrange, and implement working agreements with 6518
social agencies, both public and private, and with judicial 6519

(2) Investigate, or request another agency to investigate, 6521
any complaint alleging abuse or neglect of any person receiving 6522
services from a community mental health agency as defined in 6523
section 5122.01 of the Revised Code, or from a residential 6524
facility licensed under section 5119.22 of the Revised Code. If 6525
the investigation substantiates the charge of abuse or neglect, 6526
the board shall take whatever action it determines is necessary to 6527
correct the situation, including notification of the appropriate 6528
authorities. Upon request, the board shall provide information 6529
about such investigations to the department. 6530

(3) For the purpose of section 5119.611 of the Revised Code, 6531

evaluating whether the services of a community mental health 6533
agency satisfy the certification standards established by rules 6534
adopted under that section; 6535

(4) In accordance with criteria established under division 6536
(G) of section 5119.61 of the Revised Code, review and evaluate 6537

and recommendations to the department of mental health; 6540

(5) In accordance with section 5119.22 of the Revised Code, 6541

disapproval of applications; 6544

(6) Audit, in accordance with rules adopted by the auditor of 6545
state pursuant to section 117.20 of the Revised Code, at least 6546
annually all programs and services provided under contract with 6547
the board. In so doing, the board may contract for or employ the 6548
services of private auditors. A copy of the fiscal audit report 6549
shall be provided to the director of mental health, the auditor of 6550
state, and the county auditor of each county in the board's 6551
district. 6552

(7) Recruit and promote local financial support for mental 6553

public and private community mental health agencies for the 6558
provision of community mental health services listed in section 6559
340.09 of the Revised Code and included in the board's community 6560
mental health plan. Contracts with community mental health 6561
agencies are subject to section 5119.611 of the Revised Code. 6562
Section 307.86 of the Revised Code does not apply to contracts 6563
entered into under this division. In contracting with a community 6564
mental health agency, a board shall consider the cost 6565
effectiveness of services provided by that agency and the quality 6566
and continuity of care, and may review cost elements, including 6567
salary costs, of the services to be provided. A utilization review 6568
process shall be established as part of the contract for services 6569
entered into between a board and a community mental health agency. 6570
The board may establish this process in a way that is most 6571

If either the board or a facility or community mental health 6582
agency with which the board contracts under division (A)(8)(a) of 6583
this section proposes not to renew the contract or proposes 6584
substantial changes in contract terms, the other party shall be 6585

expiration date of the contract. During the first sixty days of 6587
this one hundred twenty-day period, both parties shall attempt to 6588
resolve any dispute through good faith collaboration and 6589
negotiation in order to continue to provide services to persons in 6590
need. If the dispute has not been resolved sixty days before the 6591
expiration date of the contract, either party may notify the 6592
department of mental health of the unresolved dispute. The 6593
director may require both parties to submit the dispute to a third 6594
party with the cost to be shared by the board and the facility or 6595
community mental health agency. The third party shall issue to the 6596
board, the facility or agency, and the department recommendations 6597
on how the dispute may be resolved twenty days prior to the 6598
expiration date of the contract, unless both parties agree to a 6599
time extension. The director shall adopt rules establishing the 6600
procedures of this dispute resolution process. 6601

a board may operate a facility or provide a community mental 6603

community mental health service for more than one year with the 6619
prior approval of the director and the prior approval of the board 6620
of county commissioners, or of a majority of the boards of county 6621
commissioners if the district is a joint-county district. 6622

The director shall not give a board approval to operate a 6623
facility or provide a community mental health service under 6624
division (A)(8)(b)(ii) or (iii) of this section unless the 6625
director determines that it is not feasible to have the department 6626
operate the facility or provide the service. 6627

The director shall not give a board approval to operate a 6628
facility or provide a community mental health service under 6629
division (A)(8)(b)(iii) of this section unless the director 6630
determines that the board will provide greater administrative 6631
efficiency and more or better services than would be available if 6632
the board contracted with a private or public facility or 6633
community mental health agency. 6634

The director shall not give a board approval to operate a facility previously operated by a person or other government entity unless the board has established to the director's satisfaction that the person or other government entity cannot effectively operate the facility or that the person or other government entity has requested the board to take over operation of the facility. The director shall not give a board approval to provide a community mental health service previously provided by a community mental health agency unless the board has established to the director's satisfaction that the agency cannot effectively provide the service or that the agency has requested the board take over providing the service.

The director shall review and evaluate a board's operation of a facility and provision of community mental health service under division (A)(8)(b) of this section.

earliest of those taxable years shall be the first negative 7384
apportioned net income deducted under this section. 7385

(C) Nothing in this section allows any negative apportioned 7386
net income for a taxable year to be deducted more than once in any 7387
subsequent taxable year. 7388

(D) Nothing in this section allows any negative apportioned 7389
net income for a taxable year to be deducted in any subsequent 7390
taxable year beginning more than five years after the beginning of 7391
the loss-generating taxable year. 7392

(E) Nothing in this section denies a taxpayer any net 7393
operating loss deductions for any losses arising in taxable years 7394
beginning before 2004 if such deductions are permitted by a 7395
municipal corporation's ordinance. 7396

Sec. 718.03. (A) As used in this section: 7397

(1) "Other payer" means any person, other than an 7398
individual's employer or the employer's agent, that pays an 7399

individual any item included in the taxable income of the 7400
individual. 7401

(2) "Qualifying wages" means wages, as defined in section 7402
3121 of the Internal Revenue Code, adjusted as follows: 7403

(a) Deduct any amount included in wages to the extent the 7404
amount constitutes compensation attributable to a nonqualified 7405
deferred compensation plan or program described in section 7406
3121(v)(2)(C) of the Internal Revenue Code and is not included in 7407
any person's federal gross income. 7408

(b) Add any amount not included in wages to the extent the 7409
amount constitutes compensation attributable to a nonqualified 7410
deferred compensation plan or program described in section 7411
3121(v)(2)(C) of the Internal Revenue Code if the amount is 7412
included in any person's federal gross income, but only to the 7413
extent the municipal corporation did not impose its tax on that 7414
amount of nonqualified deferred compensation at the time the 7415
compensation was deferred. 7416

(c) Add any amount not included in wages to the extent the 7417
amount has been directly or indirectly paid to or for the benefit 7418
of any employee, payee, or former employee and is excluded from 7419
the employee's, payee's, or former employee's federal gross income 7420
under section 125 of the Internal Revenue Code. 7421

(B) For taxable years beginning after 2003, no municipal 7422
corporation shall require any employer or any agent of any 7423
employer or any other payer, to withhold tax from any compensation 7424
greater than qualifying wages directly or indirectly paid to or 7425
for the benefit of any employee or payee or former employee. 7426
Nothing in this section prohibits an employer from withholding 7427
amounts on a basis greater than qualifying wages. 7428

(C)(1) The failure of an employer to withhold tax as required 7429
by a municipal corporation does not relieve an employee from 7430

<u>liability for the tax.</u>	7431
<u>(2) The failure of an employer to remit to the municipal corporation the tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer to fail to remit the tax withheld.</u>	7432 7433 7434 7435
<u>(D) The exemption of compensation from withholding under this section does not exempt that compensation from taxation as otherwise provided by law.</u>	7436 7437 7438
<u>Sec. 718.031. The tax administrator may require each employer, on or before the last day of February of each year, to notify the administrator of the name, address, and social security number of each employee for whom the employer deferred compensation, other than qualified deferred compensation, during the previous calendar year. The notification shall also include the amount so deferred for each employee.</u>	7439 7440 7441 7442 7443 7444 7445
<u>Sec. 718.05. (A) As used in this section:</u>	7446
<u>(1) "Generic form" means an electronic or paper form designed for reporting estimated municipal income taxes and annual municipal income tax liability or for filing a refund claim that is not prescribed by a particular municipal corporation for the reporting of that municipal corporation's tax on income.</u>	7447 7448 7449 7450 7451
<u>(2) "Return preparer" means any person other than a taxpayer that is authorized by a taxpayer to complete or file an income tax return, report, or other document for or on behalf of the taxpayer.</u>	7452 7453 7454 7455
<u>(B) A municipal corporation shall not require a taxpayer to file an annual income tax return or report prior to the filing date for the corresponding tax reporting period as prescribed for such a taxpayer under the Internal Revenue Code. For taxable years beginning after 2003, except as otherwise provided in section</u>	7456 7457 7458 7459 7460

718.051 of the Revised Code and division (D) of this section, a 7461
municipal corporation shall not require a taxpayer to file an 7462
annual income tax return or report on any date other than the 7463
fifteenth day of the fourth month following the end of the 7464
taxpayer's taxable year. 7465

(C) On and after January 1, 2001, any municipal corporation 7466
that requires taxpayers to file income tax returns, reports, or 7467
other documents shall accept for filing a generic form of such a 7468
return, report, or document if the generic form, once completed 7469
and filed, contains all of the information required to be 7470
submitted with the municipal corporation's prescribed returns, 7471
reports, or documents, and if the taxpayer or return preparer 7472
filing the generic form otherwise complies with rules or 7473
ordinances of the municipal corporation governing the filing of 7474
returns, reports, or documents. 7475

(D) ~~Beginning~~ Except as otherwise provided in section 718.051 7476
of the Revised Code, beginning January 1, 2001, any taxpayer that 7477
has requested an extension for filing a federal income tax return 7478
may request an extension for the filing of a municipal income tax 7479
return. The taxpayer shall make the request by filing a copy of 7480
the taxpayer's request for a federal filing extension with the 7481
individual or office charged with the administration of the 7482
municipal income tax. The request for extension shall be filed not 7483
later than the last day for filing the municipal income tax return 7484
as prescribed by ordinance or rule of the municipal corporation. A 7485
municipal corporation shall grant such a request for extension 7486
filed before January 1, 2004, for a period not less than the 7487
period of the federal extension request. For taxable years 7488
beginning after 2003, the extended due date of the municipal 7489
income tax return shall be the last day of the month to which the 7490
due date of the federal income tax return has been extended. A 7491
municipal corporation may deny a taxpayer's request for extension 7492

only if the taxpayer fails to timely file the request, fails to 7493
file a copy of the request for the federal extension, owes the 7494
municipal corporation any delinquent income tax or any penalty, 7495
interest, assessment, or other charge for the late payment or 7496
nonpayment of income tax, or has failed to file any required 7497
income tax return, report, or other related document for a prior 7498
tax period. The granting of an extension for filing a municipal 7499
corporation income tax return does not extend the last date for 7500
paying the tax without penalty unless the municipal corporation 7501
grants an extension of that date. 7502

Sec. 718.051. (A) As used in this section, "Ohio business 7503
gateway" means the online computer network system, initially 7504
created by the department of administrative services under section 7505
125.30 of the Revised Code, that allows private businesses to 7506
electronically file business reply forms with state agencies. 7507

(B) Notwithstanding section 718.05 of the Revised Code, on 7508
and after January 1, 2005, any taxpayer that is subject to any 7509
municipal corporation's tax on the net profit from a business or 7510
profession and has received an extension to file the federal 7511
income tax return shall not be required to notify the municipal 7512
corporation of the federal extension and shall not be required to 7513
file any municipal income tax return until the last day of the 7514
month to which the due date for filing the federal return has been 7515
extended, provided that, on or before the date for filing the 7516
municipal income tax return, the person notifies the tax 7517
commissioner of the federal extension through the Ohio business 7518
gateway or any successor electronic filing and payment system. 7519

(C) For taxable years beginning on or after January 1, 2005, 7520
a taxpayer subject to any municipal corporation's tax on the net 7521
profit from a business or profession may file any municipal income 7522
tax return or estimated municipal income return, and may make 7523

payment of amounts shown to be due on such returns, by using the 7524
Ohio business gateway or any successor electronic filing and 7525
payment system. 7526

(D)(1) As used in this division, "qualifying wages" has the 7527
same meaning as in section 718.03 of the Revised Code. 7528

(2) Any employer may report the amount of municipal income 7529
tax withheld from qualifying wages paid on or after January 1, 7530
2007, and may make remittance of such amounts, by using the Ohio 7531
business gateway or any successor electronic filing and payment 7532
system. 7533

(E) Nothing in this section affects the due dates for filing 7534
income tax returns or employer withholding tax returns or for 7535
paying any amounts shown to be due on such returns. 7536

(F) No municipal corporation shall be required to pay any fee 7537
or charge for the operation or maintenance of the Ohio business 7538
gateway. 7539

(G) The use of the Ohio business gateway by municipal 7540
corporations, taxpayers, or other persons pursuant to this section 7541
does not affect the legal rights of municipalities or taxpayers as 7542
otherwise permitted by law. This state shall not be a party to the 7543
administration of municipal income taxes or to an appeal of a 7544
municipal income tax matter, except as otherwise specifically 7545
provided by law. 7546

~~Sec. 718.11. As used in this section, "tax administrator"~~ 7547
~~means the individual charged with direct responsibility for~~ 7548
~~administration of a tax levied by a municipal corporation on~~ 7549
~~income.~~ 7550

~~Not later than one hundred eighty days after the effective~~ 7551
~~date of this section, the~~ The legislative authority of each 7552

~~effective date shall establish by ordinance~~ maintain a board to 7554
hear appeals as provided in this section. The legislative 7555
authority of any municipal corporation that does not impose a tax 7556
on income on the effective date of this ~~section~~ amendment, but 7557
that imposes such a tax after that date, shall establish such a 7558
board by ordinance not later than one hundred eighty days after 7559
the tax takes effect. 7560

Whenever a tax administrator issues a decision regarding a 7561
municipal income tax obligation that is subject to appeal as 7562
provided in this section or in an ordinance or regulation of the 7563
municipal corporation, the tax administrator shall notify the 7564
taxpayer in writing at the same time of the taxpayer's right to 7565
appeal the decision and of the manner in which the taxpayer may 7566
appeal the decision. 7567

Any person who is aggrieved by a decision by the tax 7568
administrator and who has filed with the municipal corporation the 7569
required returns or other documents pertaining to the municipal 7570
income tax obligation at issue in the decision may appeal the 7571
decision to the board created pursuant to this section by filing a 7572
request with the board. The request shall be in writing, shall 7573
state why the decision should be deemed incorrect or unlawful, and 7574
shall be filed within thirty days after the tax administrator 7575
issues the decision complained of. 7576

The board shall schedule a hearing within forty-five days 7577
after receiving the request, unless the taxpayer waives a hearing. 7578
If the taxpayer does not waive the hearing, the taxpayer may 7579
appear before the board and may be represented by an attorney at 7580
law, certified public accountant, or other representative. 7581

The board may affirm, reverse, or modify the tax 7582
administrator's decision or any part of that decision. The board 7583
shall issue a final decision on the appeal within ninety days 7584
after the board's final hearing on the appeal, and send ~~notice a~~ 7585

copy of its final decision by ordinary mail to the petitioner 7586
within fifteen days after issuing the decision. The taxpayer may 7587
appeal the board's decision to the board of tax appeals as 7588
provided in section 5717.011 of the Revised Code. 7589

Each board of appeal created pursuant to this section shall 7590
adopt rules governing its procedures and shall keep a record of 7591
its transactions. Such records are not public records available 7592
for inspection under section 149.43 of the Revised Code. Hearings 7593
requested by a taxpayer before a board of appeal created pursuant 7594
to this section are not meetings of a public body subject to 7595
section 121.22 of the Revised Code. 7596

Sec. 718.121. (A) If tax or withholding is erroneously paid 7597
to a municipal corporation on income or wages, and if another 7598
municipal corporation imposes a tax on that income or wages after 7599
the time period allowed for a refund of the tax or withholding 7600
paid to the first municipal corporation, the second municipal 7601
corporation shall allow a nonrefundable credit, against the tax or 7602
withholding the second municipality claims is due, equal to the 7603
tax or withholding paid to the first municipal corporation. 7604

(B) If tax or withholding was paid to a municipal corporation 7605
on nonqualified deferred compensation for a previous taxable year 7606
in which the compensation was deferred, and if another municipal 7607
corporation imposes tax for the current taxable year on the 7608
compensation when it is paid in that current taxable year, then 7609
the second municipal corporation shall allow a credit for the tax 7610
paid to the first municipal corporation to the same extent that 7611
the second municipal corporation would allow a credit if the tax 7612
had been paid to the first municipal corporation in the current 7613
taxable year. 7614

Sec. 753.22. (A) The director of public safety or the joint 7615

board established pursuant to section 753.15 of the Revised Code 7616

be established either in-house or by another arrangement. If a 7618
commissary is established, all persons incarcerated in the 7619
workhouse shall receive commissary privileges. A person's 7620
purchases from the commissary shall be deducted from the person's 7621
account record in the workhouse's business office. The commissary 7622
shall provide for the distribution to indigent persons 7623
incarcerated in the workhouse necessary hygiene articles and 7624

safety or the joint board established pursuant to section 753.15 7627
of the Revised Code shall establish a commissary fund for the 7628
workhouse. The management of funds in the commissary fund shall be 7629
strictly controlled in accordance with procedures adopted by the 7630

costs and reserve shall be considered profits. All profits from 7632
the commissary fund shall be used to purchase supplies and 7633
equipment for the benefit of persons incarcerated in the workhouse 7634
and to pay salary and benefits for employees of the workhouse, or 7635
for any other persons, who work in or are employed for the sole 7636
purpose of providing service to the commissary. The director of 7637
public safety or the joint board established pursuant to section 7638
753.15 of the Revised Code shall adopt rules and regulations for 7639
the operation of any commissary fund the director or the joint 7640
board establishes. 7641

state forest fund. 8266

At the time of making such a ~~payment or~~ deposit into the 8267
state treasury to the credit of the general revenue fund, the 8268
chief shall determine the amount and gross value of all such 8269
~~products standing timber~~ sold ~~or royalties received~~ from lands and 8270

other forest products or minerals, taken from the state forest 8299
lands or state forest nurseries, to any other agency or 8300
subdivision of the state unless payment is made therefor in the 8301
amount of the actual prevailing value thereof. This section is 8302
applicable to the moneys so received. All moneys received from the 8303
sale of reforestation tree stock or other revenues derived from 8304
the operation of the state forests, facilities, or equipment shall 8305
be paid into the state forest fund. 8306

The fund shall not be expended for any purpose other than the 8307
administration, operation, maintenance, development, or 8308
utilization of the state forests, forest nurseries, and forest 8309

Sec. 1513.05. There is hereby created a reclamation 8313
commission consisting of seven members appointed by the governor 8314
with the advice and consent of the senate. For the purposes of 8315

consist of two additional members appointed specifically for that 8318
function by the governor with the advice and consent of the 8319
senate. All terms of office shall be for five years, commencing on 8320

the twenty-ninth day of June and ending on the twenty-eighth day 8321

member shall continue in office subsequent to the expiration date 8329
of the member's term until the member's successor takes office, or 8330

nominees and shall request the highest ranking officer in the 8365
major employee organization representing aggregates miners in this 8366
state to do the same. The governor shall appoint one person 8367

When the commission hears an appeal that involves a coal 8379
mining safety issue, one of the commission members who owns and 8380
operates a farm or is a retired farmer shall be replaced by the 8381
additional member who is a representative of coal miners. When the 8382
commission hears an appeal that involves an aggregates mining 8383
safety issue, one of the commission members who owns and operates 8384
a farm or is a retired farmer shall be replaced by the additional 8385

member who is a representative of aggregates miners. Neither of 8386
the additional members who are appointed specifically to hear 8387
appeals that involve mine safety issues shall be considered to be 8388
members of the commission for any other purpose, and they shall 8389
not participate in any other matters that come before the 8390
commission. 8391

shall be attorneys at law admitted to practice in this state to 8399
conduct hearings under this chapter. 8400

Four members constitute a quorum, and no action of the 8401
commission shall be valid unless it has the concurrence of at 8402
least four members. The commission shall keep a record of its 8403
proceedings. 8404

Each member shall be paid as compensation for work as a 8405
member one hundred fifty dollars per day when actually engaged in 8406
the performance of work as a member and when engaged in travel 8407
necessary in connection with such work. In addition to such 8408
compensation each member shall be reimbursed for all traveling, 8409
hotel, and other expenses, in accordance with the current travel 8410
rules of the office of budget and management, necessarily incurred 8411
in the performance of the member's work as a member. 8412

Annually one member shall be elected as chairperson and 8413
another member shall be elected as vice-chairperson for terms of 8414
one year. 8415

The governor may remove any member of the commission from 8416

office for inefficiency, neglect of duty, malfeasance, 8417
misfeasance, or nonfeasance, after delivering to the member the 8418
charges against the member in writing with at least ten days' 8419
written notice of the time and place at which the governor will 8420
publicly hear the member, either in person or by counsel, in 8421
defense of the charges against the member. If the member is 8422
removed from office, the governor shall file in the office of the 8423
secretary of state a complete statement of the charges made 8424
against the member and a complete report of the proceedings. The 8425
action of the governor removing a member from office is final. 8426

The commission shall adopt rules governing procedure of 8427
appeals under section 1513.13 of the Revised Code and may, for its 8428
own internal management, adopt rules that do not affect private 8429
rights. 8430

Sec. 1519.05. (A) As used in this section, "local political 8431
subdivision" and "nonprofit organization" have the same meanings 8432
as in section 164.20 of the Revised Code. 8433

(B) There is hereby created in the state treasury the clean 8434
Ohio trail fund. Twelve and one-half per cent of the net proceeds 8435
of obligations issued and sold pursuant to sections 151.01 and 8436
151.09 of the Revised Code shall be deposited into the fund. 8437

Investment earnings of the fund shall be credited to the 8438
fund. ~~For two years after the effective date of this section,~~ 8439
~~investment earnings credited to the fund~~ and may be used to pay 8440
costs incurred by the director of natural resources in 8441
administering this section. 8442

Money in the clean Ohio trail fund shall not be used for the 8443
appropriation of land, rights, rights-of-way, franchises, 8444
easements, or other property through the exercise of the right of 8445
eminent domain. 8446

The director shall use moneys in the fund exclusively to 8447
provide matching grants to nonprofit organizations and to local 8448
political subdivisions for the purposes of purchasing land or 8449
interests in land for recreational trails and for the construction 8450
of such trails. A matching grant may provide up to seventy-five 8451
per cent of the cost of a recreational trail project, and the 8452
recipient of the matching grant shall provide not less than 8453
twenty-five per cent of that cost. 8454

(C) The director shall establish policies for the purposes of 8455
this section. The policies shall establish all of the following: 8456

(1) Procedures for providing matching grants to nonprofit 8457
organizations and local political subdivisions for the purposes of 8458

applicable: 8470

(a) If the proposed project is to be conducted wholly within 8471
the geographical boundaries of one township, a copy of a 8472
resolution supporting the project from the township; 8473

the geographical boundaries of one municipal corporation, a copy 8475
of a resolution supporting the project from the municipal 8476

corporation;	8477
(c) If the proposed project is to be conducted in more than	8478
one, but fewer than five townships or municipal corporations, a	8479
copy of a resolution supporting the project from at least one-half	8480
of the total number of townships and municipal corporations in	8481
which the proposed project is to be conducted;	8482
(d) If the proposed project is to be conducted in five or	8483
more municipal corporations, a copy of a resolution supporting the	8484
project from at least three-fifths of the total number of	8485
townships and municipal corporations in which the proposed project	8486
is to be conducted.	8487
(3) Eligibility criteria that must be satisfied by an	8488
applicant in order to receive a matching grant and that emphasize	8489
the following:	8490

(4) Items of value, such as in-kind contributions of land,	8502
easements or other interests in land, labor, or materials, that	8503
may be considered as contributing toward the percentage of the	8504
cost of a recreational trails project that must be provided by a	8505
matching grant recipient.	8506

Sec. 1521.06. (A) No dam may be constructed for the purpose 8507
of storing, conserving, or retarding water, or for any other 8508
purpose, nor shall any dike or levee be constructed for the 8509
purpose of diverting or retaining flood water, unless the person 8510
or governmental agency desiring the construction has a 8511
construction permit for the dam, dike, or levee issued by the 8512
chief of the division of water. 8513

A construction permit is not required under this section for: 8514

(1) A dam ~~which~~ that is or will be less than ten feet in 8515
height and ~~which~~ that has or will have a storage capacity of not 8516
more than fifty acre-feet at the elevation of the top of the dam, 8517
as determined by the chief. For the purposes of this section, the 8518
height of a dam shall be measured from the natural stream bed or 8519
lowest ground elevation at the downstream or outside limit of the 8520
dam to the elevation of the top of the dam. 8521

(2) A dam, regardless of height, ~~which~~ that has or will have 8522
a storage capacity of not more than fifteen acre-feet at the 8523
elevation of the top of the dam, as determined by the chief; 8524

(3) A dam, regardless of storage capacity, ~~which~~ that is or 8525
will be six feet or less in height, as determined by the chief; 8526

(4) A dam, dike, or levee ~~which~~ that belongs to a class 8527
exempted by the chief; 8528

(5) The repair, maintenance, improvement, alteration, or 8529
removal of a dam, dike, or levee ~~which~~ that is subject to section 8530
1521.062 of the Revised Code, unless the construction constitutes 8531
an enlargement of the structure as determined by the chief; 8532

(6) A dam or impoundment constructed under Chapter 1513. of 8533
the Revised Code. 8534

(B) Before a construction permit may be issued, three copies 8535
of the plans and specifications, including a detailed cost 8536

estimate, for the proposed construction, prepared by a registered professional engineer, together with the filing fee specified by this section and the bond or other security required by section 1521.061 of the Revised Code, shall be filed with the chief. The detailed estimate of the cost shall include all costs associated with the construction of the dam, dike, or levee, including supervision and inspection of the construction by a registered professional engineer. ~~Except for a political subdivision, the~~ The filing fee shall be based on the detailed cost estimate for the proposed construction as filed with and approved by the chief, and shall be determined by the following schedule unless otherwise provided by rules adopted under this section:

(1) For the first one hundred thousand dollars of estimated cost, a fee of ~~two~~ four per cent;

(2) For the next four hundred thousand dollars of estimated cost, a fee of ~~one and one-half~~ three per cent;

(3) For the next five hundred thousand dollars of estimated cost, a fee of ~~one~~ two per cent;

(4) For all costs in excess of one million dollars, a fee of ~~one-quarter~~ one-half of one per cent.

In no case shall the filing fee be less than ~~two hundred~~ one thousand dollars or more than ~~fifty~~ one hundred thousand dollars. If the actual cost exceeds the estimated cost by more than fifteen per cent, an additional filing fee shall be required equal to the fee determined by the preceding schedule less the original filing fee. ~~The filing fee for a political subdivision shall be two hundred dollars.~~ All fees collected pursuant to this section, and all fines collected pursuant to section 1521.99 of the Revised Code, shall be deposited in the state treasury to the credit of the dam safety fund, which is hereby created. Expenditures from the fund shall be made by the chief for the purpose of

administering this section and sections 1521.061 and 1521.062 of 8568
the Revised Code. 8569

(C) The chief shall, within thirty days from the date of the 8570
receipt of the application, fee, and bond or other security, issue 8571
or deny a construction permit for the construction or may issue a 8572
construction permit conditioned upon the making of such changes in 8573
the plans and specifications for the construction as ~~he~~ the chief 8574
considers advisable if ~~he~~ the chief determines that the 8575
construction of the proposed dam, dike, or levee, in accordance 8576
with the plans and specifications filed, would endanger life, 8577
health, or property. 8578

(D) The chief may deny a construction permit ~~if he finds~~ 8579
after finding that a dam, dike, or levee built in accordance with 8580
the plans and specifications would endanger life, health, or 8581
property, because of improper or inadequate design, or for such 8582
other reasons as the chief may determine. 8583

In the event the chief denies a permit for the construction 8584
of the dam, dike, or levee, or issues a permit conditioned upon a 8585
making of changes in the plans or specifications for the 8586
construction, ~~he~~ the chief shall state ~~his~~ the reasons therefor 8587
and so notify, in writing, the person or governmental agency 8588
making the application for a permit. If the permit is denied, the 8589
chief shall return the bond or other security to the person or 8590
governmental agency making application for the permit. 8591

The decision of the chief conditioning or denying a 8592
construction permit is subject to appeal as provided in Chapter 8593
119. of the Revised Code. A dam, dike, or levee built 8594
substantially at variance from the plans and specifications upon 8595
which a construction permit was issued is in violation of this 8596
section. The chief may at any time inspect any dam, dike, or 8597
levee, or site upon which any dam, dike, or levee is to be 8598
constructed, in order to determine whether it complies with this 8599

section. 8600

(E) A registered professional engineer shall inspect the 8601
construction for which the permit was issued during all phases of 8602
construction and shall furnish to the chief such regular reports 8603
of ~~his~~ the engineer's inspections as the chief may require. When 8604
the chief finds that construction has been fully completed in 8605
accordance with the terms of the permit and the plans and 8606
specifications approved by ~~him~~ the chief, ~~he~~ the chief shall 8607
approve the construction. When one year has elapsed after approval 8608
of the completed construction, and the chief finds that within 8609
this period no fact has become apparent to indicate that the 8610
construction was not performed in accordance with the terms of the 8611
permit and the plans and specifications approved by the chief, or 8612
that the construction as performed would endanger life, health, or 8613
property, ~~he~~ the chief shall release the bond or other security. 8614
No bond or other security shall be released until one year after 8615
final approval by the chief, unless the dam, dike, or levee has 8616
been modified so that it will not retain water and has been 8617
approved as nonhazardous after determination by the chief that the 8618
dam, dike, or levee as modified will not endanger life, health, or 8619
property. 8620

(F) When inspections required by this section are not being 8621
performed, the chief shall notify the person or governmental 8622
agency to which the permit has been issued that inspections are 8623
not being performed by the registered professional engineer and 8624
that the chief will inspect the remainder of the construction. 8625
Thereafter, the chief shall inspect the construction and the cost 8626
of inspection shall be charged against the owner. Failure of the 8627
registered professional engineer to submit required inspection 8628
reports shall be deemed notice that ~~his~~ the engineer's inspections 8629
are not being performed. 8630

(G) The chief may order construction to cease on any dam, 8631

dike, or levee ~~which~~ that is being built in violation of ~~the~~ 8632
~~provisions of~~ this section, and may prohibit the retention of 8633
water behind any dam, dike, or levee ~~which~~ that has been built in 8634
violation of ~~the provisions of~~ this section. The attorney general, 8635
upon written request of the chief, may bring an action for an 8636
injunction against any person who violates this section or to 8637
enforce an order or prohibition of the chief made pursuant to this 8638
section. 8639

(H) The chief may adopt rules in accordance with Chapter 119. 8640
of the Revised Code, for the design and construction of dams, 8641
dikes, and levees for which a construction permit is required by 8642
this section or for which periodic inspection is required by 8643
section 1521.062 of the Revised Code, for establishing a filing 8644
fee schedule in lieu of the schedule established under division 8645
(B) of this section, for deposit and forfeiture of bonds and other 8646
securities required by section 1521.061 of the Revised Code, for 8647
the periodic inspection, operation, repair, improvement, 8648
alteration, or removal of all dams, dikes, and levees, as 8649
specified in section 1521.062 of the Revised Code, and for 8650
establishing classes of dams, dikes, or levees ~~which~~ that are 8651
exempt from the requirements of sections 1521.06 and 1521.062 of 8652
the Revised Code as being of a size, purpose, or situation ~~which~~ 8653
that does not present a substantial hazard to life, health, or 8654
property. The chief may, by rule, limit the period during which a 8655
construction permit issued under this section is valid. If a 8656
construction permit expires before construction is completed, the 8657
person or agency shall apply for a new permit, and shall not 8658
continue construction until the new permit is issued. 8659

~~(I) As used in this section and section 1521.063 of the~~ 8660
~~Revised Code, "political subdivision" includes townships,~~ 8661
~~municipal corporations, counties, school districts, municipal~~ 8662
~~universities, park districts, sanitary districts, and conservancy~~ 8663

~~districts and subdivisions thereof.~~ 8664

Sec. 1521.063. (A) Except for ~~a political subdivision~~ the 8665
federal government, the owner of any dam subject to section 8666
1521.062 of the Revised Code shall pay an annual fee, based upon 8667
the height of the dam, to the division of water on or before June 8668
30, 1988, and on or before the thirtieth day of June of each 8669
succeeding year. The annual fee shall be as follows until 8670
otherwise provided by rules adopted under this section: 8671

(1) For any dam classified as a class I dam under rules 8672
adopted by the chief of the division of water under section 8673
1521.06 of the Revised Code, thirty dollars plus ~~three~~ ten dollars 8674
per foot of height of dam; 8675

(2) For any dam classified as a class II dam under those 8676
rules, thirty dollars plus one dollar per foot of height of dam; 8677

(3) For any dam classified as a class III dam under those 8678
rules, thirty dollars. 8679

For purposes of this section, the height of a dam is the 8680
vertical height, to the nearest foot, as determined by the 8681
division under section 1521.062 of the Revised Code. All fees 8682
collected under this section shall be deposited in the dam safety 8683
fund created in section 1521.06 of the Revised Code. Any owner who 8684
fails to pay any annual fee required by this section within sixty 8685
days after the due date shall be assessed a penalty of ten per 8686
cent of the annual fee plus interest at the rate of one-half per 8687
cent per month from the due date until the date of payment. 8688

(B) The chief shall, in accordance with Chapter 119. of the 8689
Revised Code, adopt, and may amend or rescind, rules for the 8690
collection of fees and the administration, implementation, and 8691
enforcement of this section and for the establishment of an annual 8692
fee schedule in lieu of the schedule established under division 8693

(A) of this section. 8694

(C)(1) No person, political subdivision, or state 8695
governmental agency shall violate or fail to comply with this 8696
section or any rule or order adopted or issued under it. 8697

(2) The attorney general, upon written request of the chief, 8698
may commence an action against any such violator. Any action under 8699
division (C)(2) of this section is a civil action. 8700

(D) As used in this section, "political subdivision" includes 8701
townships, municipal corporations, counties, school districts, 8702
municipal universities, park districts, sanitary districts, and 8703
conservancy districts and subdivisions thereof. 8704

Sec. 1531.26. There is hereby created in the state treasury 8705
the nongame and endangered wildlife fund, which shall consist of 8706
moneys paid into it by the tax commissioner under section 5747.113 8707

their rights are restricted by the guarantee documents, may ~~by any~~ 10426
~~suitable form of legal proceedings,~~ protect and enforce any rights 10427
under the laws of this state or granted by such guarantee or 10428
guarantee documents. Such rights include the right to compel the 10429
performance of all duties of the office required by this section 10430
or the guarantee or guarantee documents; and in the event of 10431
default with respect to the payment of any guarantees, to apply to 10432
a court having jurisdiction of the cause to appoint a receiver to 10433
receive and administer the moneys pledged to such guarantee with 10434
full power to pay, and to provide for payment of, such guarantee, 10435
and with such powers, subject to the direction of the court, as 10436
are accorded receivers in general equity cases, excluding any 10437
power to pledge or apply additional revenues or receipts or other 10438

income or moneys of ~~the~~ this state. Each duty of the office and 10439
its director and employees required or undertaken under this 10440

established as a duty of the office and of its director and each 10442
such employee having authority to perform such duty, specifically 10443
enjoined by the law resulting from an office, trust, or station 10444
within the meaning of section 2731.01 of the Revised Code. The 10445
persons who are at the time the director of the office, or its 10446
employees, are not liable in their personal capacities on any 10447
guarantees or contracts to make guarantees by the director. 10448

Sec. 1555.06. Upon application by the director of the Ohio 10449
coal development office with the ~~approval~~ affirmative vote of a 10450

available to it, within the time fixed by the board. Funds to be 10456
repaid shall be charged by the office to the appropriate coal 10457
research and development project and the amount thereof shall be a 10458
cost of the project. This section does not abrogate the authority 10459
of the controlling board to otherwise provide funds for use by the 10460
office in the exercise of the powers granted to it by this 10461
chapter. 10462

Sec. 1555.08. (A) Subject to the limitations provided in 10463
Section 15 of Article VIII, Ohio Constitution, the commissioners 10464
of the sinking fund, upon certification by the director of the 10465
Ohio coal development office of the amount of moneys or additional 10466
moneys needed in the coal research and development fund for the 10467
purpose of making grants or loans for allowable costs, or needed 10468
for capitalized interest, for funding reserves, and for paying 10469

costs and expenses incurred in connection with the issuance, 10470
carrying, securing, paying, redeeming, or retirement of the 10471
obligations or any obligations refunded thereby, including payment 10472
of costs and expenses relating to letters of credit, lines of 10473
credit, insurance, put agreements, standby purchase agreements, 10474
indexing, marketing, remarketing and administrative arrangements, 10475
interest swap or hedging agreements, and any other credit 10476
enhancement, liquidity, remarketing, renewal, or refunding 10477
arrangements, all of which are authorized by this section, or 10478
providing moneys for loan guarantees, shall issue obligations of 10479
the state under this section in amounts authorized by the general 10480
assembly; provided that such obligations may be issued to the 10481
extent necessary to satisfy the covenants in contracts of 10482
guarantee made under section 1555.05 of the Revised Code to issue 10483
obligations to meet such guarantees, notwithstanding limitations 10484
otherwise applicable to the issuance of obligations under this 10485
section except the one-hundred-million-dollar limitation provided 10486
in Section 15 of Article VIII, Ohio Constitution. The proceeds of 10487
such obligations, except for the portion to be deposited in the 10488
coal research and development bond service fund as may be provided 10489
in the bond proceedings, shall as provided in the bond proceedings 10490
be deposited in the coal research and development fund. The 10491
commissioners of the sinking fund may appoint trustees, paying 10492
agents, and transfer agents and may retain the services of 10493
financial advisors, accounting experts, and attorneys, and retain 10494
or contract for the services of marketing, remarketing, indexing, 10495
and administrative agents, other consultants, and independent 10496
contractors, including printing services, as are necessary in 10497
their judgment to carry out this section. 10498

(B) The full faith and credit of the state of Ohio is hereby 10499
pledged to obligations issued under this section. The right of the 10500
holders and owners to payment of bond service charges is limited 10501
to all or that portion of the moneys pledged thereto pursuant to 10502

the bond proceedings in accordance with this section, and each 10503
such obligation shall bear on its face a statement to that effect. 10504

(C) Obligations shall be authorized by resolution of the 10505
commissioners of the sinking fund on request of the director of 10506
the Ohio coal development office as provided in section 1555.02 of 10507
the Revised Code and the bond proceedings shall provide for the 10508
purpose thereof and the principal amount or amounts, and shall 10509
provide for or authorize the manner or agency for determining the 10510
principal maturity or maturities, not exceeding forty years from 10511
the date of issuance, the interest rate or rates or the maximum 10512
interest rate, the date of the obligations and the dates of 10513
payment of interest thereon, their denomination, and the 10514
establishment within or without the state of a place or places of 10515
payment of bond service charges. Sections 9.98 to 9.983 of the 10516
Revised Code apply to obligations issued under this section. The 10517
purpose of such obligations may be stated in the bond proceedings 10518
in terms describing the general purpose or purposes to be served. 10519
The bond proceedings shall also provide, subject to the provisions 10520
of any other applicable bond proceedings, for the pledge of all, 10521
or such part as the commissioners of the sinking fund may 10522
determine, of the moneys credited to the coal research and 10523
development bond service fund to the payment of bond service 10524
charges, which pledges may be made either prior or subordinate to 10525
other expenses, claims, or payments and may be made to secure the 10526
obligations on a parity with obligations theretofore or thereafter 10527
issued, if and to the extent provided in the bond proceedings. The 10528
moneys so pledged and thereafter received by the state are 10529
immediately subject to the lien of such pledge without any 10530
physical delivery thereof or further act, and the lien of any such 10531
pledges is valid and binding against all parties having claims of 10532
any kind against the state or any governmental agency of the 10533
state, irrespective of whether such parties have notice thereof, 10534
and shall create a perfected security interest for all purposes of 10535

Chapter 1309. of the Revised Code, without the necessity for 10536
separation or delivery of funds or for the filing or recording of 10537
the bond proceedings by which such pledge is created or any 10538
certificate, statement or other document with respect thereto; and 10539
the pledge of such moneys is effective and the money therefrom and 10540
thereof may be applied to the purposes for which pledged without 10541
necessity for any act of appropriation. Every pledge, and every 10542
covenant and agreement made with respect thereto, made in the bond 10543
proceedings may therein be extended to the benefit of the owners 10544
and holders of obligations authorized by this section, and to any 10545
trustee therefor, for the further security of the payment of the 10546
bond service charges. 10547

(D) The bond proceedings may contain additional provisions as 10548
to: 10549

(1) The redemption of obligations prior to maturity at the 10550
option of the commissioners of the sinking fund at such price or 10551
prices and under such terms and conditions as are provided in the 10552
bond proceedings; 10553

(2) Other terms of the obligations; 10554

(3) Limitations on the issuance of additional obligations; 10555

(4) The terms of any trust agreement or indenture securing 10556
the obligations or under which the obligations may be issued; 10557

(5) The deposit, investment, and application of the coal 10558
research and development bond service fund, and the safeguarding 10559
of moneys on hand or on deposit, without regard to Chapter 131. or 10560
135. of the Revised Code, but subject to any special provisions of 10561
this chapter, with respect to particular moneys; provided, that 10562
any bank or trust company which acts as depository of any moneys 10563
in the fund may furnish such indemnifying bonds or may pledge such 10564
securities as required by the commissioners of the sinking fund; 10565

(6) Any other provision of the bond proceedings being binding 10566

upon the commissioners of the sinking fund, or such other body or 10567
person as may from time to time have the authority under law to 10568
take such actions as may be necessary to perform all or any part 10569
of the duty required by such provision; 10570

(7) Any provision which may be made in a trust agreement or 10571
indenture; 10572

(8) Any other or additional agreements with the holders of 10573
the obligations, or the trustee therefor, relating to the 10574
obligations or the security therefor, including the assignment of 10575
mortgages or other security obtained or to be obtained for loans 10576
under this chapter. 10577

(E) The obligations may have the great seal of the state or a 10578
facsimile thereof affixed thereto or printed thereon. The 10579
obligations shall be signed by such members of the commissioners 10580
of the sinking fund as are designated in the resolution 10581
authorizing the obligations or bear the facsimile signatures of 10582
such members. Any coupons attached to the obligations shall bear 10583
the facsimile signature of the treasurer of state. Any obligations 10584
may be executed by the persons who, on the date of execution, are 10585
the commissioners although on the date of such bonds the persons 10586
were not the commissioners. Any coupons may be executed by the 10587
person who, on the date of execution, is the treasurer of state 10588
although on the date of such coupons the person was not the 10589
treasurer of state. In case any officer or commissioner whose 10590
signature or a facsimile of whose signature appears on any such 10591
obligations or any coupons ceases to be such officer or 10592
commissioner before delivery thereof, such signature or facsimile 10593
is nevertheless valid and sufficient for all purposes as if the 10594
individual had remained such officer or commissioner until such 10595
delivery; and in case the seal to be affixed to obligations has 10596
been changed after a facsimile of the seal has been imprinted on 10597
such obligations, such facsimile seal shall continue to be 10598

sufficient as to such obligations and obligations issued in 10599
substitution or exchange therefor. 10600

(F) All obligations except loan guarantees are negotiable 10601
instruments and securities under Chapter 1308. of the Revised 10602
Code, subject to the provisions of the bond proceedings as to 10603
registration. The obligations may be issued in coupon or in 10604
registered form, or both, as the commissioners of the sinking fund 10605
determine. Provision may be made for the registration of any 10606
obligations with coupons attached thereto as to principal alone or 10607
as to both principal and interest, their exchange for obligations 10608
so registered, and for the conversion or reconversion into 10609
obligations with coupons attached thereto of any obligations 10610
registered as to both principal and interest, and for reasonable 10611
charges for such registration, exchange, conversion, and 10612
reconversion. 10613

(G) Obligations may be sold at public sale or at private 10614
sale, as determined in the bond proceedings. 10615

(H) Pending preparation of definitive obligations, the 10616
commissioners of the sinking fund may issue interim receipts or 10617
certificates which shall be exchanged for such definitive 10618
obligations. 10619

(I) In the discretion of the commissioners of the sinking 10620
fund, obligations may be secured additionally by a trust agreement 10621
or indenture between the commissioners and a corporate trustee, 10622
which may be any trust company or bank having its principal place 10623
of business within the state. Any such agreement or indenture may 10624
contain the resolution authorizing the issuance of the 10625
obligations, any provisions that may be contained in any bond 10626
proceedings, and other provisions that are customary or 10627
appropriate in an agreement or indenture of such type, including, 10628
but not limited to: 10629

(1) Maintenance of each pledge, trust agreement, indenture, 10630
or other instrument comprising part of the bond proceedings until 10631
the state has fully paid the bond service charges on the 10632
obligations secured thereby, or provision therefor has been made; 10633

(2) In the event of default in any payments required to be 10634
made by the bond proceedings, or any other agreement of the 10635
commissioners of the sinking fund made as a part of the contract 10636
under which the obligations were issued, enforcement of such 10637
payments or agreement by mandamus, the appointment of a receiver, 10638
suit in equity, action at law, or any combination of the 10639
foregoing; 10640

(3) The rights and remedies of the holders of obligations and 10641
of the trustee, and provisions for protecting and enforcing them, 10642
including limitations on rights of individual holders of 10643
obligations; 10644

(4) The replacement of any obligations that become mutilated 10645
or are destroyed, lost, or stolen; 10646

(5) Such other provisions as the trustee and the 10647
commissioners of the sinking fund agree upon, including 10648
limitations, conditions, or qualifications relating to any of the 10649
foregoing. 10650

(J) Any holder of obligations or a trustee under the bond 10651
proceedings, except to the extent that the holder's rights are 10652
restricted by the bond proceedings, may by any suitable form of 10653
legal proceedings protect and enforce any rights under the laws of 10654
this state or granted by such bond proceedings. Such rights 10655
include the right to compel the performance of all duties of the 10656
commissioners of the sinking fund, the ~~director of development~~ 10657
Ohio air quality development authority, or the Ohio coal 10658
development office required by this chapter and Chapter 1551. of 10659
the Revised Code or the bond proceedings; to enjoin unlawful 10660

activities; and in the event of default with respect to the 10661
payment of any bond service charges on any obligations or in the 10662
performance of any covenant or agreement on the part of the 10663
commissioners, the ~~director~~ authority, or the office in the bond 10664
proceedings, to apply to a court having jurisdiction of the cause 10665
to appoint a receiver to receive and administer the moneys 10666
pledged, other than those in the custody of the treasurer of 10667
state, that are pledged to the payment of the bond service charges 10668
on such obligations or that are the subject of the covenant or 10669
agreement, with full power to pay, and to provide for payment of 10670
bond service charges on, such obligations, and with such powers, 10671
subject to the direction of the court, as are accorded receivers 10672
in general equity cases, excluding any power to pledge additional 10673
revenues or receipts or other income or moneys of the 10674
commissioners of the sinking fund or the state or governmental 10675
agencies of the state to the payment of such principal and 10676
interest and excluding the power to take possession of, mortgage, 10677
or cause the sale or otherwise dispose of any project. 10678

Each duty of the commissioners of the sinking fund and their 10679
employees, and of each governmental agency and its officers, 10680
members, or employees, undertaken pursuant to the bond proceedings 10681
or any grant, loan, or loan guarantee agreement made under 10682
authority of this chapter, and in every agreement by or with the 10683
commissioners, is hereby established as a duty of the 10684
commissioners, and of each such officer, member, or employee 10685
having authority to perform such duty, specifically enjoined by 10686
the law resulting from an office, trust, or station within the 10687
meaning of section 2731.01 of the Revised Code. 10688

The persons who are at the time the commissioners of the 10689
sinking fund, or their employees, are not liable in their personal 10690
capacities on any obligations issued by the commissioners or any 10691
agreements of or with the commissioners. 10692

(K) Obligations issued under this section are lawful 10693
investments for banks, societies for savings, savings and loan 10694
associations, deposit guarantee associations, trust companies, 10695
trustees, fiduciaries, insurance companies, including domestic for 10696
life and domestic not for life, trustees or other officers having 10697
charge of sinking and bond retirement or other special funds of 10698
political subdivisions and taxing districts of this state, the 10699
commissioners of the sinking fund of the state, the administrator 10700

adopted pursuant thereto by any governmental agency of the state 10705
with respect to investments by them, and are also acceptable as 10706
security for the deposit of public moneys. 10707

(L) If the law or the instrument creating a trust pursuant to 10708
division (I) of this section expressly permits investment in 10709
direct obligations of the United States or an agency of the United 10710
States, unless expressly prohibited by the instrument, such moneys 10711
also may be invested in no-front-end-load money market mutual 10712
funds consisting exclusively of obligations of the United States 10713
or an agency of the United States and in repurchase agreements, 10714
including those issued by the fiduciary itself, secured by 10715
obligations of the United States or an agency of the United 10716
States; and in collective investment funds established in 10717
accordance with section 1111.14 of the Revised Code and consisting 10718
exclusively of any such securities, notwithstanding division 10719
(A)(1)(c) of that section. The income from such investments shall 10720
be credited to such funds as the commissioners of the sinking fund 10721
determine, and such investments may be sold at such times as the 10722
commissioners determine or authorize. 10723

(M) Provision may be made in the applicable bond proceedings 10724

for the establishment of separate accounts in the bond service 10725
fund and for the application of such accounts only to the 10726

and make other provisions therein with respect to pledged receipts 10739
as authorized by this chapter, which provisions control 10740

the bond proceedings, and, as necessary, to meet covenants 10751
contained in any loan guarantees made under this chapter; 10752

(2) Take or permit no action, by statute or otherwise, that 10753
would impair the exemption from federal income taxation of the 10754
interest on the obligations. 10755

(P) All moneys received by or on account of the state and 10756
required by the applicable bond proceedings, consistent with this 10757
section, to be deposited, transferred, or credited to the coal 10758
research and development bond service fund, and all other moneys 10759
transferred or allocated to or received for the purposes of the 10760
fund, shall be credited to such fund and to any separate accounts 10761
therein, subject to applicable provisions of the bond proceedings, 10762
but without necessity for any act of appropriation. During the 10763
period beginning with the date of the first issuance of 10764
obligations and continuing during such time as any such 10765
obligations are outstanding, and so long as moneys in the bond 10766

service charges to the extent provided in the applicable bond 10774
proceedings, and payment thereof from such fund shall be made or 10775
provided for by the treasurer of state in accordance with such 10776
bond proceedings without necessity for any act of appropriation. 10777
All investment earnings of the fund shall be credited to the fund. 10778

(Q) For purposes of establishing the limitations contained in 10779
Section 15 of Article VIII, Ohio Constitution, the "principal 10780
amount" refers to the aggregate of the offering price of the bonds 10781
or notes. "Principal amount" does not refer to the aggregate value 10782
at maturity or redemption of the bonds or notes. 10783

(R) This section applies only with respect to obligations 10784

time and shall not prejudice the rights of any claimant. Upon the 11050

of the creditor, shall furnish the creditor with a written 11052

Code, the court involved shall issue the requested orders in the 12562

(C)(1) At the time of the filing of a proceeding in 12564
garnishment of property, other than personal earnings, under 12565

shall file with the clerk of the court a praecipe instructing the 12567
clerk to issue to the judgment debtor a notice to the judgment 12568
debtor form and a request for hearing form. Upon receipt of the 12569

NOTICE TO THE JUDGMENT DEBTOR 12584

You are hereby notified that this court has issued an order 12585
in the above case in favor of (name and address of judgment 12586
creditor), the judgment creditor in this proceeding, directing 12587
that some of your money, property, or credits, other than personal 12588
earnings, now in the possession of (name and address of 12589
garnishee), the garnishee in this proceeding, be used to satisfy 12590
your debt to the judgment creditor. This order was issued on the 12591
basis of the judgment creditor's judgment against you that was 12592
obtained in (name of court) in (case number) on (date). Upon your 12593
receipt of this notice, you are prohibited from removing or 12594
attempting to remove the money, property, or credits until 12595

expressly permitted by the court. Any violation of this 12596
prohibition subjects you to punishment for contempt of court. 12597

The law of Ohio and the United States provides that certain 12598
benefit payments cannot be taken from you to pay a debt. Typical 12599
among the benefits that cannot be attached or executed upon by a 12600
creditor are the following: 12601

(1) Workers' compensation benefits; 12602

(2) Unemployment compensation payments; 12603

(3) Cash assistance payments under the Ohio works first 12604
program; 12605

(4) Benefits and services under the prevention, retention, 12606
and contingency program; 12607

(5) Disability financial assistance administered by the Ohio 12608

(8) Veteran's benefits; 12612

(9) Black lung benefits; 12613

(10) Certain pensions. 12614

There may be other benefits not included in the above list 12615
that apply in your case. 12616

If you dispute the judgment creditor's right to garnish your 12617
property and believe that the judgment creditor should not be 12618
given your money, property, or credits, other than personal 12619
earnings, now in the possession of the garnishee because they are 12620
exempt or if you feel that this order is improper for any other 12621
reason, you may request a hearing before this court by disputing 12622
the claim in the request for hearing form, appearing below, or in 12623
a substantially similar form, and delivering the request for 12624

hearing to this court at the above address, at the office of the 12625
clerk of this court no later than the end of the fifth business 12626
day after you receive this notice. You may state your reasons for 12627
disputing the judgment creditor's right to garnish your property 12628
in the space provided on the form; however, you are not required 12629
to do so. If you do state your reasons for disputing the judgment 12630
creditor's right, you are not prohibited from stating any other 12631
reason at the hearing. If you do not state your reasons, it will 12632
not be held against you by the court, and you can state your 12633
reasons at the hearing. NO OBJECTIONS TO THE JUDGMENT ITSELF WILL 12634
BE HEARD OR CONSIDERED AT THE HEARING. If you request a hearing, 12635
the hearing will be limited to a consideration of the amount of 12636
your money, property, or credits, other than personal earnings, in 12637
the possession or control of the garnishee, if any, that can be 12638
used to satisfy all or part of the judgment you owe to the 12639
judgment creditor. 12640

If you request a hearing by delivering your request for 12641
hearing no later than the end of the fifth business day after you 12642
receive this notice, it will be conducted in courtroom 12643
....., (address of court), at m. on, 12644
..... You may request the court to conduct the hearing before 12645
this date by indicating your request in the space provided on the 12646
form; the court then will send you notice of any change in the 12647
date, time, or place of the hearing. If you do not request a 12648
hearing by delivering your request for a hearing no later than the 12649
end of the fifth business day after you receive this notice, some 12650
of your money, property, or credits, other than personal earnings, 12651
will be paid to the judgment creditor. 12652

If you have any questions concerning this matter, you may 12653

representation, you should contact your lawyer immediately. If you 12655
need the name of a lawyer, contact the local bar association. 12656

WARNING: IF YOU DO NOT DELIVER THIS REQUEST FOR HEARING OR A 12690
REQUEST IN A SUBSTANTIALLY SIMILAR FORM TO THE OFFICE OF THE CLERK 12691
OF THIS COURT WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF IT, 12692

PROPERTY, OR CREDITS, OTHER THAN PERSONAL EARNINGS, NOW IN THE 12694
POSSESSION OF (GARNISHEE'S NAME) WILL BE PAID TO (JUDGMENT 12695
CREDITOR'S NAME) TO SATISFY SOME OF YOUR DEBT TO (JUDGMENT 12696
CREDITOR'S NAME). " 12697

(2) The judgment debtor may receive a hearing in accordance 12698
with this division by delivering a written request for hearing to 12699
the court within five business days after receipt of the notice 12700
provided pursuant to division (C)(1) of this section. The request 12701
may set forth the judgment debtor's reasons for disputing the 12702
judgment creditor's right to garnish the money, property, or 12703
credits, other than personal earnings; however, neither the 12704
judgment debtor's inclusion of nor failure to include those 12705
reasons upon the request constitutes a waiver of any defense of 12706
the judgment debtor or affects the judgment debtor's right to 12707
produce evidence at the hearing. If the request is made by the 12708
judgment debtor within the prescribed time, the hearing shall be 12709
limited to a consideration of the amount of money, property, or 12710
credits, other than personal earnings, of the judgment debtor in 12711
the hands of the garnishee, if any, that can be used to satisfy 12712
all or part of the debt owed by the judgment debtor to the 12713
judgment creditor. If a request for a hearing is not received by 12714
the court within the prescribed time, the hearing scheduled 12715
pursuant to division (A) of this section shall be canceled unless 12716
the court grants the judgment debtor a continuance in accordance 12717
with division (C)(3) of this section. 12718

(3) If the judgment debtor does not request a hearing in the 12719
action within the prescribed time pursuant to division (C)(2) of 12720
this section, the court nevertheless may grant a continuance of 12721
the scheduled hearing if the judgment debtor, prior to the time at 12722
which the hearing was scheduled, as indicated on the notice to the 12723
judgment debtor required by division (C)(1) of this section, 12724
establishes a reasonable justification for failure to request the 12725
hearing within the prescribed time. If the court grants a 12726
continuance of the hearing, it shall cause the matter to be set 12727
for hearing as soon as practicable thereafter. The continued 12728
hearing shall be conducted in accordance with division (C)(2) of 12729
this section. 12730

(4) The court may conduct the hearing on the matter prior to 12731
the time at which the hearing was scheduled, as indicated on the 12732
notice to the judgment debtor required by division (C)(1) of this 12733
section, upon the request of the judgment debtor. The parties 12734
shall be sent notice, by the clerk of the court, by regular mail, 12735
of any change in the date, time, or place of the hearing. 12736

(5) If the scheduled hearing is canceled and no continuance 12737
is granted, the court shall issue an order to the garnishee to pay 12738
all or some of the money, property, or credits, other than 12739
personal earnings, of the judgment debtor in the possession of the 12740
garnishee at the time of service of the notice and order into 12741
court if they have not already been paid to the court. This order 12742
shall be based on the answer of the garnishee filed pursuant to 12743
this section. If the scheduled hearing is conducted or if it is 12744
continued and conducted, the court shall determine at the hearing 12745
the amount of the money, property, or credits, other than personal 12746
earnings, of the judgment debtor in the possession of the 12747
garnishee at the time of service of the notice and order, if any, 12748
that can be used to satisfy all or part of the debt owed by the 12749
judgment debtor to the judgment creditor, and issue an order, 12750

accordingly, to the garnishee to pay that amount into court if it 12751
has not already been paid to the court. 12752

(D) The notice to the judgment debtor form and the request 12753
for hearing form described in division (C) of this section shall 12754
be sent by the clerk by ordinary or regular mail service unless 12755
the judgment creditor requests that service be made in accordance 12756
with the Rules of Civil Procedure, in which case the forms shall 12757
be served in accordance with the Rules of Civil Procedure. Any 12758
court of common pleas that issues an order of garnishment of 12759
property, other than personal earnings, under this section has 12760
jurisdiction to serve process pursuant to this section upon a 12761
garnishee who does not reside within the jurisdiction of the 12762
court. Any county court or municipal court that issues an order of 12763
garnishment of property, other than personal earnings, under this 12764
section has jurisdiction to serve process pursuant to this section 12765
upon a garnishee who does not reside within the jurisdiction of 12766
the court. 12767

Sec. 2743.02. (A)(1) The state hereby waives its immunity 12768
from liability, except as provided for the office of the state 12769
fire marshal in division (G)(1) of section 9.60 and division (B) 12770
of section 3737.221 of the Revised Code and subject to division 12771
(H) of this section, and consents to be sued, and have its 12772
liability determined, in the court of claims created in this 12773
chapter in accordance with the same rules of law applicable to 12774
suits between private parties, except that the determination of 12775
liability is subject to the limitations set forth in this chapter 12776
and, in the case of state universities or colleges, in section 12777
3345.40 of the Revised Code, and except as provided in division 12778
(A)(2) of this section. To the extent that the state has 12779
previously consented to be sued, this chapter has no 12780
applicability. 12781

Except in the case of a civil action filed by the state, 12782
filing a civil action in the court of claims results in a complete 12783
waiver of any cause of action, based on the same act or omission, 12784
which the filing party has against any officer or employee, as 12785
defined in section 109.36 of the Revised Code. The waiver shall be 12786
void if the court determines that the act or omission was 12787
manifestly outside the scope of the officer's or employee's office 12788
or employment or that the officer or employee acted with malicious 12789
purpose, in bad faith, or in a wanton or reckless manner. 12790

(2) If a claimant proves in the court of claims that an 12791
officer or employee, as defined in section 109.36 of the Revised 12792
Code, would have personal liability for the officer's or 12793
employee's acts or omissions but for the fact that the officer or 12794
employee has personal immunity under section 9.86 of the Revised 12795
Code, the state shall be held liable in the court of claims in any 12796
action that is timely filed pursuant to section 2743.16 of the 12797
Revised Code and that is based upon the acts or omissions. 12798

(B) The state hereby waives the immunity from liability of 12799
all hospitals owned or operated by one or more political 12800
subdivisions and consents for them to be sued, and to have their 12801
liability determined, in the court of common pleas, in accordance 12802
with the same rules of law applicable to suits between private 12803
parties, subject to the limitations set forth in this chapter. 12804
This division is also applicable to hospitals owned or operated by 12805
political subdivisions which have been determined by the supreme 12806
court to be subject to suit prior to July 28, 1975. 12807

(C) Any hospital, as defined in section 2305.113 of the 12808
Revised Code, may purchase liability insurance covering its 12809
operations and activities and its agents, employees, nurses, 12810
interns, residents, staff, and members of the governing board and 12811
committees, and, whether or not such insurance is purchased, may, 12812
to such extent as its governing board considers appropriate, 12813

indemnify or agree to indemnify and hold harmless any such person 12814
against expense, including attorney's fees, damage, loss, or other 12815
liability arising out of, or claimed to have arisen out of, the 12816
death, disease, or injury of any person as a result of the 12817
negligence, malpractice, or other action or inaction of the 12818
indemnified person while acting within the scope of the 12819
indemnified person's duties or engaged in activities at the 12820
request or direction, or for the benefit, of the hospital. Any 12821
hospital electing to indemnify such persons, or to agree to so 12822
indemnify, shall reserve such funds as are necessary, in the 12823
exercise of sound and prudent actuarial judgment, to cover the 12824
potential expense, fees, damage, loss, or other liability. The 12825
superintendent of insurance may recommend, or, if such hospital 12826
requests the superintendent to do so, the superintendent shall 12827
recommend, a specific amount for any period that, in the 12828
superintendent's opinion, represents such a judgment. This 12829
authority is in addition to any authorization otherwise provided 12830
or permitted by law. 12831

(D) Recoveries against the state shall be reduced by the 12832
aggregate of insurance proceeds, disability award, or other 12833
collateral recovery received by the claimant. This division does 12834
not apply to civil actions in the court of claims against a state 12835
university or college under the circumstances described in section 12836
3345.40 of the Revised Code. The collateral benefits provisions of 12837
division (B)(2) of that section apply under those circumstances. 12838

(E) The only defendant in original actions in the court of 12839
claims is the state. The state may file a third-party complaint or 12840
counterclaim in any civil action, except a civil action for two 12841
thousand five hundred dollars or less, that is filed in the court 12842
of claims. 12843

(F) A civil action against an officer or employee, as defined 12844
in section 109.36 of the Revised Code, that alleges that the 12845

officer's or employee's conduct was manifestly outside the scope 12846
of the officer's or employee's employment or official 12847
responsibilities, or that the officer or employee acted with 12848
malicious purpose, in bad faith, or in a wanton or reckless manner 12849
shall first be filed against the state in the court of claims, 12850
which has exclusive, original jurisdiction to determine, 12851
initially, whether the officer or employee is entitled to personal 12852
immunity under section 9.86 of the Revised Code and whether the 12853
courts of common pleas have jurisdiction over the civil action. 12854

The filing of a claim against an officer or employee under 12855
this division tolls the running of the applicable statute of 12856
limitations until the court of claims determines whether the 12857
officer or employee is entitled to personal immunity under section 12858
9.86 of the Revised Code. 12859

(G) Whenever a claim lies against an officer or employee who 12860
is a member of the Ohio national guard, and the officer or 12861
employee was, at the time of the act or omission complained of, 12862
subject to the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 12863
U.S.C. 2671, et seq., then the Federal Tort Claims Act is the 12864
exclusive remedy of the claimant and the state has no liability 12865
under this section. 12866

(H) If an inmate of a state correctional institution has a 12867
claim against the state for the loss of or damage to property and 12868
the amount claimed does not exceed three hundred dollars, before 12869
commencing an action against the state in the court of claims, the 12870
inmate shall file a claim for the loss or damage under the rules 12871
adopted by the director of rehabilitation and correction pursuant 12872
to this division. The inmate shall file the claim within the time 12873
allowed for commencement of a civil action under section 2743.16 12874
of the Revised Code. If the state admits or compromises the claim, 12875
the director shall make payment from a fund designated by the 12876
director for that purpose. If the state denies the claim or does 12877

not compromise the claim at least sixty days prior to expiration 12878
of the time allowed for commencement of a civil action based upon 12879
the loss or damage under section 2743.16 of the Revised Code, the 12880
inmate may commence an action in the court of claims under this 12881
chapter to recover damages for the loss or damage. 12882

The director of rehabilitation and correction shall adopt 12883
rules pursuant to Chapter 119. of the Revised Code to implement 12884
this division. 12885

Sec. 2921.13. (A) No person shall knowingly make a false 12886
statement, or knowingly swear or affirm the truth of a false 12887
statement previously made, when any of the following applies: 12888

(1) The statement is made in any official proceeding. 12889

(2) The statement is made with purpose to incriminate 12890
another. 12891

(3) The statement is made with purpose to mislead a public 12892
official in performing the public official's official function. 12893

(4) The statement is made with purpose to secure the payment 12894
of unemployment compensation; Ohio works first; prevention, 12895
retention, and contingency benefits and services; disability 12896
financial assistance; retirement benefits; economic development 12897
assistance, as defined in section 9.66 of the Revised Code; or 12898
other benefits administered by a governmental agency or paid out 12899
of a public treasury. 12900

(5) The statement is made with purpose to secure the issuance 12901
by a governmental agency of a license, permit, authorization, 12902
certificate, registration, release, or provider agreement. 12903

(6) The statement is sworn or affirmed before a notary public 12904
or another person empowered to administer oaths. 12905

(7) The statement is in writing on or in connection with a 12906
report or return that is required or authorized by law. 12907

(8) The statement is in writing and is made with purpose to induce another to extend credit to or employ the offender, to confer any degree, diploma, certificate of attainment, award of excellence, or honor on the offender, or to extend to or bestow upon the offender any other valuable benefit or distinction, when the person to whom the statement is directed relies upon it to that person's detriment.

(D) If contradictory statements relating to the same fact are 12944
made by the offender within the period of the statute of 12945

Sec. 2929.38. (A) A board of commissioners of a county, in an 12976

detention facility described in division (A) of section 2929.37 of 12980
the Revised Code, may establish a policy that requires any 12981
prisoner who is confined in the facility as a result of pleading 12982
guilty to or having been convicted of an offense to pay a one-time 12983
reception fee for the costs of processing the prisoner into the 12984
facility at the time of the prisoner's initial entry into the 12985
facility under the confinement in question, to pay a reasonable 12986
fee for any medical or dental treatment or service requested by 12987
and provided to that prisoner, and to pay the fee for a random 12988
drug test assessed under division (E) of section 341.26, and 12989
division (E) of section 753.33 of the Revised Code. The fee for 12990
the medical treatment or service shall not exceed the actual cost 12991
of the treatment or service provided. No prisoner confined in the 12992
local detention facility shall be denied any necessary medical 12993
care because of inability to pay the fees. 12994

(B) Upon assessment of a one-time reception fee as described 12995
in division (A) of this section, the provision of the requested 12996
medical treatment or service, or the assessment of a fee for a 12997
random drug test, payment of the required fee may be automatically 12998
deducted from the prisoner's inmate account in the business office 12999
of the local detention facility in which the prisoner is confined. 13000
If there is no money in the account, a deduction may be made at a 13001

later date during the prisoner's confinement if the money becomes 13002

unpaid balance of those fees, the sheriff, legislative authority 13004
of the municipal corporation, corrections commission, judicial 13005
corrections board, or other entity that operates the local 13006
detention facility described in division (A) of section 2929.37 of 13007

services shall be paid to the commissary fund, if one exists for 13010
the facility, or if no commissary fund exists, to the general fund 13011
of the treasury of the political subdivision that incurred the 13012
expenses, in the same proportion as those expenses were borne by 13013
the political subdivision. Fees received for medical treatment or 13014
services that are placed in the commissary fund under this 13015
division shall be used for the same purposes as profits from the 13016
commissary fund, except that they shall not be used to pay any 13017
salary or benefits of any person who works in or is employed for 13018
the sole purpose of providing service to the commissary. 13019

(C) Any fee paid by a person under this section shall be 13020
deducted from any medical or dental costs that the person is 13021
ordered to reimburse under section 2929.36 of the Revised Code or 13022
to repay under a policy adopted under section 2929.37 of the 13023
Revised Code. 13024

may require, as a condition of an accused's participation in the 13031
program, the accused to pay a reasonable fee for supervision 13032

services that include, but are not limited to, monitoring and drug testing. The programs shall be operated pursuant to written standards approved by journal entry by the presiding judge or, in courts with only one judge, the judge of the court of common pleas and shall not be applicable to any of the following:

(B) An accused who enters a diversion program shall do all of the following:

(C) The trial court, upon the application of the prosecuting attorney, shall order the release from confinement of any accused who has agreed to enter a pre-trial diversion program and shall discharge and release any existing bail and release any sureties on recognizances and shall release the accused on a recognizance bond conditioned upon the accused's compliance with the terms of the diversion program. The prosecuting attorney shall notify every victim of the crime and the arresting officers of the prosecuting attorney's intent to permit the accused to enter a pre-trial

diversion program. The victim of the crime and the arresting officers shall have the opportunity to file written objections with the prosecuting attorney prior to the commencement of the pre-trial diversion program.

(D) If the accused satisfactorily completes the diversion program, the prosecuting attorney shall recommend to the trial court that the charges against the accused be dismissed, and the court, upon the recommendation of the prosecuting attorney, shall dismiss the charges. board of education of the city, exempted village, or local school 14169
district to which the territory is transferred. Such transfer 14170
shall not be complete however, until: 14171

(1) A resolution accepting the transfer has been passed by a 14172
majority vote of the full membership of the board of education of 14173
the city, exempted village, or local school district to which the 14174
territory is transferred; 14175

(2) An equitable division of the funds and indebtedness 14176
between the districts involved has been made by the board of 14177

(3) A map showing the boundaries of the territory transferred 14179
has been filed, by the board of education accepting the transfer, 14180
with the county auditor of each county affected by the transfer. 14181

When such transfer is complete the legal title of the school 14182
property in the territory transferred shall be vested in the board 14183
of education or governing board of the school district to which 14184
the territory is transferred. 14185

(B) Whenever the transfer of territory pursuant to this 14186
section is initiated by a board of education, the board shall, 14187
before filing a proposal for transfer with the state board of 14188
education under this section, make a good faith effort to 14189
negotiate the terms of transfer with any other school district 14190
whose territory would be affected by the transfer. Before the 14191
state board may hold a hearing on the transfer, or approve or 14192
disapprove any such transfer, it must receive the following: 14193

(1) A resolution requesting approval of the transfer, passed 14194
by the school district submitting the proposal; 14195

(2) Evidence determined to be sufficient by the state board 14196
to show that good faith negotiations have taken place or that the 14197
district requesting the transfer has made a good faith effort to 14198

hold such negotiations; 14199

(3) If any negotiations took place, a statement signed by all 14200
boards that participated in the negotiations, listing the terms 14201
agreed on and the points on which no agreement could be reached. 14202

Negotiations held pursuant to this section shall be governed 14203
by the rules adopted by the state board under division (D) of 14204
section 3311.06 of the Revised Code. Districts involved in a 14205
transfer under division (B) of this section may agree to share 14206
revenues from the property included in the territory to be 14207
transferred, establish cooperative programs between the 14208
participating districts, and establish mechanisms for the 14209
settlement of any future boundary disputes. 14210

Sec. 3311.52. A cooperative education school district may be 14211
established pursuant to divisions (A) to (C) of this section or 14212
pursuant to section 3311.521 of the Revised Code. 14213

(A) A cooperative education school district may be 14214
established upon the adoption of identical resolutions within a 14215
sixty-day period by a majority of the members of the board of 14216
education of each city, local, and exempted village school 14217
district that is within the territory of a county school financing 14218
district. 14219

A copy of each resolution shall be filed with the board of 14220
education of the educational service center which created the 14221
county school financing district. Upon the filing of the last such 14222
resolution, the educational service center governing board shall 14223
immediately notify each board of education filing such a 14224
resolution of the date on which the last resolution was filed. 14225

section is received by the educational service center governing 14229
board, whichever is later, the county school financing district 14230
shall be dissolved and the new cooperative education school 14231
district and the board of education of the cooperative education 14232
school district shall be established. 14233

On the date that any county school financing district is 14234
dissolved and a cooperative education school district is 14235

(3) Any funds of the dissolved district shall be paid over in 14243
full to the new district. 14244

(4) Any net indebtedness of the dissolved district shall be 14245

this section, "net indebtedness" means the difference between the 14247
par value of the outstanding and unpaid bonds and notes of the 14248
dissolved district and the amount held in the sinking fund and 14249
other indebtedness retirement funds for their redemption. 14250

When a county school financing district is dissolved and a 14251
cooperative education school district is established under this 14252
section, the governing board of the educational service center 14253
that created the dissolved district shall give written notice of 14254
this fact to the county auditor and the board of elections of each 14255
county having any territory in the new district. 14256

(B) The resolutions adopted under division (A) of this 14257
section shall include all of the following provisions: 14258

(1) Provision that the governing board of the educational 14259
service center which created the county school financing district 14260
shall be the board of education of the cooperative education 14261
school district, except that provision may be made for the 14262
composition, selection, and terms of office of an alternative 14263
board of education of the cooperative district, which board shall 14264
include at least one member selected from or by the members of the 14265

the territory of the cooperative district; 14269

(2) Provision that the treasurer and superintendent of the 14270
educational service center which created the county school 14271
financing district shall be the treasurer and superintendent of 14272
the cooperative education school district, except that provision 14273
may be made for the selection of a treasurer or superintendent of 14274
the cooperative district other than the treasurer or 14275
superintendent of the educational service center, which provision 14276
shall require one of the following: 14277

(a) The selection of one person as both the treasurer and 14278
superintendent of the cooperative district, which provision may 14279
require such person to be the treasurer or superintendent of any 14280

service center within the territory of the cooperative district; 14282

(b) The selection of one person as the treasurer and another 14283

provide for the use of the board of education of the cooperative 14300
education school district; 14301

(5) Provision for adopting amendments to the provisions of 14302
divisions (B)(2) to (4) of this section. 14303

(C) If the resolutions adopted under division (A) of this 14304
section provide for a board of education of the cooperative 14305
education school district that is not the governing board of the 14306
educational service center that created the county school 14307
financing district, each board of education of each city, local, 14308
or exempted village school district and the governing board of the 14309
educational service center within the territory of the cooperative 14310
district shall, within thirty days after the date on which the 14311
last resolution is filed with the educational service center 14312
governing board under division (A) of this section, select one or 14313
more members of the board of education of the cooperative district 14314
as provided in the resolutions filed with the educational service 14315
center governing board. Each such board shall immediately notify 14316
the educational ~~services~~ service center governing board of each 14317
such selection. 14318

(D) Except for the powers and duties in this chapter and 14319
Chapters 124., 3317., 3318., 3323., and 3331. of the Revised Code, 14320
a cooperative education school district established pursuant to 14321

divisions (A) to (C) of this section or pursuant to section 14322
3311.521 of the Revised Code has all the powers of a city school 14323
district and its board of education has all the powers and duties 14324
of a board of education of a city school district with respect to 14325
the educational program specified in the resolutions adopted under 14326
division (A) of this section. All laws applicable to a city school 14327
district or the board of education or the members of the board of 14328
education of a city school district, except such laws in this 14329
chapter and Chapters 124., 3317., 3318., 3323., and 3331. of the 14330
Revised Code, are applicable to a cooperative education school 14331
district and its board. 14332

The treasurer and superintendent of a cooperative education 14333
school district shall have the same respective duties and powers 14334
as a treasurer and superintendent of a city school district, 14335
except for any powers and duties in this chapter and Chapters 14336
124., 3317., 3318., 3323., and 3331. of the Revised Code. 14337

(E) For purposes of this title, any student included in the 14338
formula ADM or average daily attendance certified for any city, 14339
exempted village, or local school district under section 3317.03 14340
or 3317.034 of the Revised Code by virtue of being counted, in 14341
whole or in part, in the average daily membership or average daily 14342
attendance of a cooperative education school district under 14343
~~division (A)(2)(f) of that~~ either section shall be construed to be 14344
enrolled both in that city, exempted village, or ~~village~~ local 14345
school district and in that cooperative education school district. 14346
This division shall not be construed to mean that any such 14347
individual student may be counted more than once for purposes of 14348
determining the average daily membership or average daily 14349
attendance of any one school district. 14350

Sec. 3313.647. As used in this division, "graduate" means a 14351
person who has received a diploma from a district pursuant to 14352

section 3313.61 of the Revised Code. 14353

Pursuant to rules adopted by the state board of education, a 14354
city, local, exempted village, or joint vocational school district 14355
may establish a policy guaranteeing a specific level of competency 14356
of certain graduates of the district. The guarantee policy shall 14357
specify that any graduate meeting specified criteria established 14358
by the board is capable of performing specified functions at a 14359
level established in the policy. Any employer or potential 14360
employer of a graduate who is guaranteed under such a policy may 14361
submit a written statement to the board of education stating the 14362
guaranteed graduate of its district does not meet the level of 14363
competency specified in the district's guarantee policy. Upon 14364
receipt of such statement the board of education shall provide an 14365
opportunity for additional education to the graduate, regardless 14366
of the graduate's age or place of residence, until such individual 14367
attains the competency level specified in the policy. No fee shall 14368
be charged to any person or government entity for such additional 14369
education. A school board may expend school funds for a guarantee 14370
program; however, no student participating in the program shall be 14371
included in the formula ADM or average daily attendance of the 14372
district as determined under section 3317.03 or 3317.034 of the 14373
Revised Code or included as a participant in any other program, if 14374
such inclusion would result in additional state funds to the 14375
school district. 14376

The state board of education shall adopt rules for the 14377
adoption of a policy under this section and for the additional 14378
education program described under this section. 14379

Sec. 3313.90. As used in this section, "formula ADM" ~~has~~ and 14380
"average daily attendance" ~~have~~ the same ~~meaning~~ meanings as in 14381
section 3317.02 of the Revised Code. Notwithstanding division (D) 14382
of section 3311.19 and division (D) of section 3311.52 of the 14383

Revised Code, the provisions of this section that apply to a city 14384
school district do not apply to any joint vocational or 14385
cooperative education school district. 14386

(A) Each city, local, and exempted village school district 14387
shall, by one of the following means, provide vocational education 14388
adequate to prepare a pupil enrolled therein for an occupation: 14389

(1) Establishing and maintaining a vocational education 14390
program that meets standards adopted by the state board of 14391
education; 14392

(2) Being a member of a joint vocational school district that 14393
meets standards adopted by the state board; 14394

(3) Contracting for vocational education with a joint 14395
vocational school district or another school district that meets 14396
the standards adopted by the state board. 14397

The standards of the state board of education shall include 14398
criteria for the participation by nonpublic students in vocational 14399
education programs without financial assessment, charge, or 14400
tuition to such student except such assessments, charges, or 14401
tuition paid by resident public school students in such programs. 14402
Such nonpublic school students shall be included in the formula 14403
ADM or average daily attendance of the school district maintaining 14404
the vocational education program as part-time students in 14405
proportion to the time spent in the vocational education program. 14406

By the thirtieth day of October of each year, the 14407
superintendent of public instruction shall determine and certify 14408
to the superintendent of each school district subject to this 14409
section either that the district is in compliance with the 14410
requirements of this section for the current school year or that 14411
the district is not in compliance. If the superintendent certifies 14412
that the district is not in compliance, he shall notify the board 14413
of education of the district of the actions necessary to bring the 14414

district into compliance with this section. 14415

In meeting standards established by the state board of 14416
education, school districts, where practicable, shall provide 14417
vocational programs in high schools. A minimum enrollment of 14418
fifteen hundred pupils in grades nine through twelve is 14419
established as a base for comprehensive vocational course 14420
offerings. A school district may meet this requirement alone, 14421
through a cooperative arrangement pursuant to section 3313.92 of 14422
the Revised Code, through school district consolidation, by 14423
membership in a joint vocational school district, by contract with 14424
a school district, by contract with a school licensed by any state 14425
agency established by the Revised Code which school operates its 14426
courses offered for contracting with public schools under 14427
standards as to staffing and facilities comparable to those 14428
prescribed by the state board of education for public schools 14429
provided no instructor in such courses shall be required to be 14430
certificated by the state department of education, or in a 14431
combination of such ways. Exceptions to the minimum requirement of 14432
fifteen hundred pupils may be made by the state board of education 14433
based on sparsity of population or other factors indicating that 14434
comprehensive educational and vocational programs as required by 14435
this section can be provided through an alternate plan. 14436

(B) Approval of state funds for the construction and 14437
operation of vocational facilities in any city, local, or exempted 14438
village school district shall be contingent upon a comprehensive 14439
vocational program plan approved by the state board of education 14440
no later than July 1, 1970. The state board of education shall not 14441
approve a school district plan unless the plan proposed reasonably 14442
meets the vocational needs of other school districts in the 14443
general area of the school districts in the general area of the 14444
school district submitting the plan. The plan shall be submitted 14445
to the state board of education no later than April 1, 1970. Such 14446

plan shall contain: 14447

(1) The organization for vocational education pursuant to the 14448
requirements of this section; 14449

(2) Vocational programs to be offered in the respective 14450
comprehensive high schools, in specialized schools or skill 14451
centers, and in joint vocational schools; 14452

(3) Remodeled, additional, and new vocational facilities 14453
required at the respective locations. 14454

In approving the organization for vocational education the 14455
state board of education shall provide that no city, local, or 14456
exempted village school district is excluded in the statewide 14457
plan. 14458

Sec. 3313.41. (A) Except as provided in divisions (C), (D), 14459
(F), and (G) of this section, when a board of education decides to 14460
dispose of real or personal property that it owns in its corporate 14461
capacity, and that exceeds in value ten thousand dollars, it shall 14462
sell the property at public auction, after giving at least thirty 14463
days' notice of the auction by publication in a newspaper of 14464
general circulation or by posting notices in five of the most 14465
public places in the school district in which the property, if it 14466
is real property, is situated, or, if it is personal property, in 14467
the school district of the board of education that owns the 14468
property. The board may offer real property for sale as an entire 14469
tract or in parcels. 14470

(B) When the board of education has offered real or personal 14471
property for sale at public auction at least once pursuant to 14472
division (A) of this section, and the property has not been sold, 14473
the board may sell it at a private sale. Regardless of how it was 14474
offered at public auction, at a private sale, the board shall, as 14475
it considers best, sell real property as an entire tract or in 14476

parcels, and personal property in a single lot or in several lots. 14477

(C) If a board of education decides to dispose of real or 14478
personal property that it owns in its corporate capacity and that 14479
exceeds in value ten thousand dollars, it may sell the property to 14480
the adjutant general; to any subdivision or taxing authority as 14481
respectively defined in divisions (A) and (C) of section 5705.01 14482
of the Revised Code, township park district, board of park 14483
commissioners established under Chapter 755. of the Revised Code, 14484
or park district established under Chapter 1545. of the Revised 14485
Code; to a wholly or partially tax-supported university, 14486
university branch, or college; or to the board of trustees of a 14487
school district library, upon such terms as are agreed upon. The 14488
sale of real or personal property to the board of trustees of a 14489
school district library is limited, in the case of real property, 14490
to a school district library within whose boundaries the real 14491
property is situated, or, in the case of personal property, to a 14492
school district library whose boundaries lie in whole or in part 14493
within the school district of the selling board of education. 14494

(D) When a board of education decides to trade as a part or 14495
an entire consideration, an item of personal property on the 14496
purchase price of an item of similar personal property, it may 14497
trade the same upon such terms as are agreed upon by the parties 14498
to the trade. 14499

(E) The president and the treasurer of the board of education 14500
shall execute and deliver deeds or other necessary instruments of 14501
conveyance to complete any sale or trade under this section. 14502

(F) When a board of education has identified a parcel of real 14503
property that it determines is needed for school purposes, the 14504
board may, upon a majority vote of the members of the board, 14505
acquire that property by exchanging real property that the board 14506
owns in its corporate capacity for the identified real property or 14507
by using real property that the board owns in its corporate 14508

capacity as part or an entire consideration for the purchase price 14509
of the identified real property. Any exchange or acquisition made 14510
pursuant to this division shall be made by a conveyance executed 14511
by the president and the treasurer of the board. 14512

(G)(1) When a school district board of education decides to 14513
dispose of real property suitable for use as classroom space, 14514
prior to disposing of such property under division (A) through (F) 14515
of this section, it shall first offer that property for sale to 14516
the governing authorities of the start-up community schools, 14517
established under Chapter 3314. of the Revised Code and located 14518
within the territory of the school district, at a price that is 14519
not higher than the appraised fair market value of that property. 14520
If more than one community school governing authority accepts the 14521
offer made by the school district board, the board shall sell the 14522
property to the governing authority that accepted the offer first 14523
in time. If no community school governing authority accepts the 14524
offer within sixty days after the offer is made by the school 14525
district board, the board may dispose of the property in the 14526
applicable manner prescribed under divisions (A) to (F) of this 14527
section. 14528

(2) If disposal of real property is planned as a part of a 14529
school district project under Chapter 3318. of the Revised Code, 14530
the Ohio school facilities commission shall not release any state 14531
funds to a school district until the district has complied with 14532
the provisions of division (G)(1) of this section. 14533

Sec. 3317.01. As used in this section and section 3317.011 of 16015
the Revised Code, "school district," unless otherwise specified, 16016

means any city, local, exempted village, joint vocational, or 16017
cooperative education school district and any educational service 16018
center. 16019

This chapter shall be administered by the state board of 16020
education. The superintendent of public instruction shall 16021
calculate the amounts payable to each school district and shall 16022
certify the amounts payable to each eligible district to the 16023
treasurer of the district as provided by this chapter. No moneys 16024
shall be distributed pursuant to this chapter without the approval 16025
of the controlling board. 16026

The state board of education shall, in accordance with 16027
appropriations made by the general assembly, meet the financial 16028
obligations of this chapter. 16029

Annually, the department of education shall calculate and 16030
report to each school district the district's total state and 16031
local funds for providing an adequate basic education to the 16032
district's nonhandicapped students, utilizing the determination in 16033
section 3317.012 of the Revised Code. In addition, the department 16034
shall calculate and report separately for each school district the 16035
district's total state and local funds for providing an adequate 16036
education for its handicapped students, utilizing the 16037
determinations in both sections 3317.012 and 3317.013 of the 16038
Revised Code. 16039

Not later than the thirty-first day of August of each fiscal 16040
year, the department of education shall provide to each school 16041
district and county MR/DD board a preliminary estimate of the 16042
amount of funding that the department calculates the district will 16043
receive under each of divisions (C)(1) and (4) of section 3317.022 16044
of the Revised Code. No later than the first day of December of 16045
each fiscal year, the department shall update that preliminary 16046
estimate. 16047

Moneys distributed pursuant to this chapter shall be 16048
calculated and paid on a fiscal year basis, beginning with the 16049
first day of July and extending through the thirtieth day of June. 16050
The moneys appropriated for each fiscal year shall be distributed 16051
at least monthly to each school district unless otherwise provided 16052
for. The state board shall submit a yearly distribution plan to 16053
the controlling board at its first meeting in July. The state 16054
board shall submit any proposed midyear revision of the plan to 16055
the controlling board in January. Any year-end revision of the 16056

moneys appropriated for each fiscal year are distributed other 16058
than monthly, such distribution shall be on the same basis for 16059
each school district. 16060

The total amounts paid each month shall constitute, as nearly 16061
as possible, one-twelfth of the total amount payable for the 16062
entire year. Monthly payments of the district's base cost funding 16063
shall be made by dividing by twelve the amount calculated using 16064
the average daily attendance appropriate for that month under 16065
division (A)(1) of section 3317.022, division (B) of section 16066
3317.16, or division (C) of section 3317.0217 of the Revised Code, 16067
as applicable. Payments made during the first six months of the 16068
fiscal year may be based on an estimate of the amounts payable for 16069
the entire year. Payments made in the last six months shall be 16070
based on the final calculation of the amounts payable to each 16071
school district for that fiscal year. Payments made in the last 16072
six months may be adjusted, if necessary, to correct the amounts 16073
distributed in the first six months, and to reflect enrollment 16074
increases when such are at least three per cent. Except as 16075
otherwise provided, payments under this chapter shall be made only 16076
to those school districts in which: 16077

(A) The school district, except for any educational service 16078
center and any joint vocational or cooperative education school 16079

district, levies for current operating expenses at least twenty 16080
mills. Levies for joint vocational or cooperative education school 16081
districts or county school financing districts, limited to or to 16082
the extent apportioned to current expenses, shall be included in 16083
this qualification requirement. School district income tax levies 16084
under Chapter 5748. of the Revised Code, limited to or to the 16085
extent apportioned to current operating expenses, shall be 16086
included in this qualification requirement to the extent 16087
determined by the tax commissioner under division (D) of section 16088
3317.021 of the Revised Code. 16089

(B) The school year next preceding the fiscal year for which 16090
such payments are authorized meets the requirement of section 16091
3313.48 ~~or 3313.481~~ of the Revised Code, with regard to the 16092
minimum number of days or hours school must be open for 16093
instruction with pupils in attendance, for individualized 16094
parent-teacher conference and reporting periods, and for 16095
professional meetings of teachers. ~~This requirement shall be~~ 16096
~~waived by the superintendent of public instruction if it had been~~ 16097
~~necessary for a school to be closed because of disease epidemic,~~ 16098
~~hazardous weather conditions, inoperability of school buses or~~ 16099
~~other equipment necessary to the school's operation, damage to a~~ 16100
~~school building, or other temporary circumstances due to utility~~ 16101
~~failure rendering the school building unfit for school use,~~ 16102
~~provided that for those school districts operating pursuant to~~ 16103
~~section 3313.48 of the Revised Code the number of days the school~~ 16104
~~was actually open for instruction with pupils in attendance and~~ 16105
~~for individualized parent teacher conference and reporting periods~~ 16106
~~is not less than one hundred seventy five, or for those school~~ 16107
~~districts operating on a trimester plan the number of days the~~ 16108
~~school was actually open for instruction with pupils in attendance~~ 16109
~~not less than seventy nine days in any trimester, for those school~~ 16110
~~districts operating on a quarterly plan the number of days the~~ 16111
~~school was actually open for instruction with pupils in attendance~~ 16112

~~not less than fifty nine days in any quarter, or for those school districts operating on a pentamester plan the number of days the school was actually open for instruction with pupils in attendance not less than forty four days in any pentamester.~~

A school district shall not be considered to have failed to comply with this division ~~or section 3313.481 of the Revised Code~~ because schools were open for instruction but either twelfth grade students were excused from attendance for up to ~~three days~~ sixteen and one-half hours or only a portion of the kindergarten students were in attendance for up to ~~three days~~ fifteen hours in order to allow for the gradual orientation to school of such students.

~~The superintendent of public instruction shall waive the requirements of this section with reference to the minimum number of days or hours school must be in session with pupils in attendance for the school year succeeding the school year in which a board of education initiates a plan of operation pursuant to section 3313.481 of the Revised Code. The minimum requirements of this section shall again be applicable to such a district beginning with the school year commencing the second July succeeding the initiation of one such plan, and for each school year thereafter.~~

~~A school district shall not be considered to have failed to comply with this division or section 3313.48 or 3313.481 of the Revised Code because schools were open for instruction but the length of the regularly scheduled school day, for any number of days during the school year, was reduced by not more than two hours due to hazardous weather conditions.~~

(C) The school district has on file, and is paying in accordance with, a teachers' salary schedule which complies with section 3317.13 of the Revised Code.

A board of education or governing board of an educational

service center which has not conformed with other law and the 16144
rules pursuant thereto, shall not participate in the distribution 16145
of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 16146
3317.16, 3317.17, and 3317.19 of the Revised Code, except for good 16147
and sufficient reason established to the satisfaction of the state 16148
board of education and the state controlling board. 16149

All funds allocated to school districts under this chapter, 16150
except those specifically allocated for other purposes, shall be 16151
used to pay current operating expenses only. 16152

Sec. 3317.012. (A)(1) The general assembly, having analyzed 16153
school district expenditure and cost data for fiscal year 1999, 16154
performed the calculation described in division (B) of this 16155
section, adjusted the results for inflation, and added the amounts 16156
described in division (A)(2) of this section, hereby determines 16157
that the base cost of an adequate education per pupil for the 16158
fiscal year beginning July 1, 2001, is \$4,814. For the ~~five~~ three 16159
following fiscal years, the base cost per pupil for each of those 16160
years, reflecting an annual rate of inflation of two and 16161
eight-tenths per cent, is \$4,949 for fiscal year 2003, \$5,088 for 16162
fiscal year 2004, and \$5,230 for fiscal year 2005, ~~\$5,376 for~~ 16163
~~fiscal year 2006, and \$5,527 for fiscal year 2007.~~ 16164

(2) The base cost per pupil amounts specified in division 16165
(A)(1) of this section include amounts to reflect the cost to 16166
school districts of increasing the minimum number of high school 16167
academic units required for graduation beginning September 15, 16168
2001, under section 3313.603 of the Revised Code. Analysis of 16169
fiscal year 1999 data revealed that the school districts meeting 16170
the requirements of division (B) of this section on average 16171
required high school students to complete a minimum of nineteen 16172
and eight-tenths units to graduate. The general assembly 16173
determines that the cost of funding the additional two-tenths unit 16174

required by section 3313.603 of the Revised Code is \$12 per pupil 16175
in fiscal year 2002. This amount was added after the calculation 16176
described in division (B) of this section and the adjustment for 16177
inflation from fiscal year 1999 to fiscal year 2002. It is this 16178
total amount, the calculated base cost plus the supplement to pay 16179
for the additional partial unit, that constitutes the base cost 16180
amount specified in division (A)(1) of this section for fiscal 16181
year 2002 and that is inflated to produce the base cost amounts 16182
for fiscal years 2003 through ~~2007~~ 2005. 16183

(B) In determining the base cost stated in division (A) of 16184
this section, capital and debt costs, costs paid for by federal 16185
funds, and costs covered by funds provided for disadvantaged pupil 16186
impact aid and transportation were excluded, as were the effects 16187
on the districts' state funds of the application of the 16188
cost-of-doing-business factors, assuming a seven and one-half per 16189
cent variance. 16190

The base cost for fiscal year 1999 was calculated as the 16191
unweighted average cost per student, on a school district basis, 16192
of educating students who were not receiving vocational education 16193
or services pursuant to Chapter 3323. of the Revised Code and who 16194
were enrolled in a city, exempted village, or local school 16195
district that in fiscal year 1999 met all of the following 16196
criteria: 16197

(1) The district met at least twenty of the following 16198
twenty-seven performance indicators: 16199

(a) A ninety per cent or higher graduation rate; 16200

(b) At least seventy-five per cent of fourth graders 16201
proficient on the mathematics test prescribed under former 16202
division (A)(1) of section 3301.0710 of the Revised Code; 16203

(c) At least seventy-five per cent of fourth graders 16204
proficient on the reading test prescribed under former division 16205

(A)(1) of section 3301.0710 of the Revised Code;	16206
(d) At least seventy-five per cent of fourth graders proficient on the writing test prescribed under former division (A)(1) of section 3301.0710 of the Revised Code;	16207 16208 16209

(aa) An attendance rate for the year of at least ninety-three 16276
per cent as defined in section 3302.01 of the Revised Code. 16277

In determining whether a school district met any of the 16278
performance standards specified in divisions (B)(1)(a) to (aa) of 16279
this section, the general assembly used a rounding procedure 16280
previously recommended by the department of education. It is the 16281
same rounding procedure the general assembly used in 1998 to 16282
determine whether a district had met the standards of former 16283
divisions (B)(1)(a) to (r) of this section for purposes of 16284
constructing the previous model based on fiscal year 1996 data. 16285

(2) The district was not among the five per cent of all 16286
districts with the highest income, nor among the five per cent of 16287
all districts with the lowest income. 16288

(3) The district was not among the five per cent of all 16289
districts with the highest valuation per pupil, nor among the five 16290
per cent of all districts with the lowest valuation per pupil. 16291

This model for calculating the base cost of an adequate 16292
education is expenditure-based. The general assembly recognizes 16293
that increases in state funding to school districts since fiscal 16294
year 1996, the fiscal year upon which the general assembly based 16295

its model for calculating state funding to school districts for 16296
fiscal years 1999 through 2001, has increased school district base 16297
cost expenditures for fiscal year 1999, the fiscal year upon which 16298
the general assembly based its model for calculating state funding 16299
for fiscal years 2002 through ~~2007~~ 2005. In the case of school 16300
districts included in the fiscal year 1999 model that also had met 16301
the fiscal year 1996 performance criteria of former division 16302
(B)(1) of this section, the increased state funding may have 16303
driven the districts' expenditures beyond the expenditures that 16304
were actually needed to maintain their educational programs at the 16305
level necessary to maintain their ability to meet the fiscal year 16306
1999 performance criteria of current division (B)(1) of this 16307
section. The general assembly has determined to control for this 16308
effect by stipulating in the later model that the fiscal year 1999 16309
base cost expenditures of the districts that also met the 16310
performance criteria of former division (B)(1) of this section 16311
equals their base cost expenditures per pupil for fiscal year 16312
1996, inflated to fiscal year 1999 using an annual rate of 16313
inflation of two and eight-tenths per cent. However, if this 16314
inflated amount exceeded the district's actual fiscal year 1999 16315
base cost expenditures per pupil, the district's actual fiscal 16316
year 1999 base cost expenditures per pupil were used in the 16317
calculation. For districts in the 1999 model that did not also 16318
meet the performance criteria of former division (B)(1) of this 16319
section, the actual 1999 base cost per pupil expenditures were 16320
used in the calculation of the average district per pupil costs of 16321
the model districts. 16322

~~(C) In July of 2005, and in July of every six years 16323
thereafter, the speaker of the house of representatives and the 16324
president of the senate shall each appoint three members to a 16325
committee to reexamine the cost of an adequate education. No more 16326
than two members from any political party shall represent each 16327
house. The director of budget and management and the 16328~~

~~superintendent of public instruction shall serve as nonvoting ex officio members of the committee.~~ 16329
16330

~~The committee shall select a rational methodology for calculating the costs of an adequate education system for the ensuing six year period, and shall report the methodology and the resulting costs to the general assembly. In performing its function, the committee is not bound by any method used by previous general assemblies to examine and calculate costs and instead may utilize any rational method it deems suitable and reasonable given the educational needs and requirements of the state at that time.~~ 16331

~~The committee also shall redetermine, for purposes of updating the parity aid calculation under section 3317.0217 of the Revised Code, the average number of effective operating mills that school districts in the seventieth to ninetieth percentiles of valuations per pupil collect above the revenues required to finance their attributed local shares of the calculated cost of an adequate education.~~ 16346

~~(D)(1) For purposes of this division, an "update year" is the first fiscal year for which the per pupil base cost of an adequate~~ 16358

~~education is in effect after being recalculated by the general assembly. The first update year is fiscal year 2002. The second update year is fiscal year 2008.~~

~~(2) The general assembly shall recalculate the per pupil base cost of an adequate education every six years after considering the recommendations of the committee appointed under division (C) of this section. At the time of the recalculation, for each of the five fiscal years following the update year, the general assembly shall adjust the base cost recalculated for the update year using an annual rate of inflation that the general assembly determines appropriate.~~

~~(3) The general assembly shall include, in the act appropriating state funds for education programs for a fiscal biennium that begins with an update year, a statement of its determination of the total state share percentage of base cost and parity aid funding for the update year.~~

~~(4) During its biennial budget deliberations, the general assembly shall determine the total state share percentage of base cost and parity aid funding for each fiscal year of the upcoming biennium. This determination shall be based on the latest projections and data provided by the department of education under division (D)(6) of this section prior to the enactment of education appropriations for the upcoming biennium. If, based on those latest projections and data, the general assembly determines that the total state share percentage for either or both nonupdate fiscal years varies more than two and one half percentage points more or less than the total state share percentage for the most recent update year, as previously stated by the general assembly under division (D)(3) of this section, the general assembly shall determine and enact a method that it considers appropriate to restrict the estimated variance for each year to within two and one half percentage points. The general assembly's methods may~~

~~include, but are not required to include and need not be limited to, reexamining the rate of millage charged off as the local share of base cost funding under divisions (A)(1) and (2) of section 3317.022 of the Revised Code. Regardless of any changes in charge off millage rates in years between update years, however, the charge off millage rate for update years shall be twenty three mills, unless the general assembly determines that a different millage rate is more appropriate to share the total calculated base cost between the state and school districts.~~

~~(5) The total state share percentage of base cost and parity aid funding for any fiscal year is calculated as follows:~~

$$\frac{\{(\text{Total state base cost} + \text{total state parity aid funding}) - \text{statewide charge off amount}\}}{(\text{Total state base cost} + \text{total state parity aid funding})}$$

~~Where:~~

~~(a) The total state base cost equals the sum of the base costs for all school districts for the fiscal year.~~

~~(b) The base cost for each school district equals:~~

$$\text{formula amount} \times \text{cost of doing business factor} \times \text{the greater of formula ADM or three year average formula ADM}$$

~~(c) The total state parity aid funding equals the sum of the amounts paid to all school districts for the fiscal year under section 3317.0217 of the Revised Code.~~

~~(d) The statewide charge off amount equals the sum of the charge off amounts for all school districts.~~

~~(e) The charge off amount for each school district is the amount calculated as its local share of base cost funding and deducted from the total calculated base cost to determine the amount of its state payment under divisions (A)(1) and (2) of section 3317.022 of the Revised Code. The charge off amount for~~

~~each school district in fiscal year 2002 is the product of 16423
twenty three mills multiplied by the district's recognized 16424
valuation as adjusted, if applicable, under division (A)(2) of 16425
section 3317.022 of the Revised Code. If however, in any fiscal 16426
year, including fiscal year 2002, a school district's calculated 16427
charge off amount exceeds its base cost calculated as described in 16428
division (D)(5)(b) of this section, the district's charge off 16429
amount shall be deemed to equal its calculated base cost. 16430~~

~~(6) Whenever requested by the chairperson of the standing 16431
committee of the house or representatives or the senate having 16432
primary jurisdiction over appropriations, the legislative budget 16433
officer, or the director of budget and management, the department 16434
of education shall report its latest projections for total base 16435
cost, total parity aid funding, and the statewide charge off 16436
amount, as those terms are defined in division (D)(5) of this 16437
section, for each year of the upcoming fiscal biennium, and all 16438
data it used to make the projections. 16439~~

Sec. 3317.013. This section does not apply to handicapped 16440
preschool students. 16441

Analysis of special education cost data has resulted in a 16442
finding that the average special education additional cost per 16443
pupil, including the costs of related services, can be expressed 16444
as a multiple of the base cost per pupil calculated under section 16445
3317.012 of the Revised Code. The multiples for the following 16446
categories of special education programs, as these programs are 16447
defined for purposes of Chapter 3323. of the Revised Code, and 16448
adjusted as provided in this section, are as follows: 16449

(A) A multiple of 0.2892 for students whose primary or only 16450
identified handicap is a speech and language handicap, as this 16451
term is defined pursuant to Chapter 3323. of the Revised Code; 16452

(B) A multiple of 0.3691 for students identified as specific 16453

learning disabled or developmentally handicapped, as these terms 16454
are defined pursuant to Chapter 3323. of the Revised Code, or 16455
other health handicapped-minor; 16456

(C) A multiple of 1.7695 for students identified as hearing 16457
handicapped, vision impaired, or severe behavior handicapped, as 16458
these terms are defined pursuant to Chapter 3323. of the Revised 16459
Code; 16460

(D) A multiple of 2.3646 for students identified as 16461
orthopedically handicapped, as this term is defined pursuant to 16462
Chapter 3323. of the Revised Code or other health handicapped - 16463
major; 16464

(E) A multiple of 3.1129 for students identified as 16465
multihandicapped, as this term is defined pursuant to Chapter 16466
3323. of the Revised Code; 16467

(F) A multiple of 4.7342 for students identified as autistic, 16468
having traumatic brain injuries, or as both visually and hearing 16469
disabled, as these terms are defined pursuant to Chapter 3323. of 16470
the Revised Code. 16471

In fiscal year ~~2002~~ 2004, the multiples specified in 16472
divisions (A) to (F) of this section shall be adjusted by 16473
multiplying them by ~~0.825~~ 0.88. In fiscal year ~~2003~~ 2005, the 16474
multiples specified in those divisions shall be adjusted by 16475
multiplying them by ~~0.875~~ 0.90. 16476

Not later than May 30, 2004, and May 30, 2005, the department 16477
shall submit to the office of budget and management a report that 16478
specifies for each city, local, exempted village, and joint 16479
vocational school district the fiscal year allocation of the state 16480
and local shares of special education and related services 16481
additional weighted funding and federal special education funds 16482
passed through to the district. 16483

in more than one county, the factor is the amount indicated for 16611
the county to which the district is assigned by the state 16612
department of education. If a joint vocational school district is 16613
located in more than one county, the factor is the amount 16614
indicated for the county in which the joint vocational school with 16615
the greatest formula ADM operated by the district is located. 16616

compute and distribute state base cost funding to each school 16761
district for the fiscal year in accordance with the following 16762
formula, making any adjustment required by division (A)(2) of this 16763
section and using the information obtained under section 3317.021 16764

begins. 16766

 Compute the following for each eligible district: 16767

 +[(cost-of-doing-business factor X 16768

 district's computation shall be zero. 16774

 (2)(a) For each school district for which the tax exempt 16775

 value of the district equals or exceeds twenty-five per cent of 16776

 the potential value of the district, the department of education 16777

 shall calculate the difference between the district's tax exempt 16778

 value and twenty-five per cent of the district's potential value. 16779

 (b) For each school district to which division (A)(2)(a) of 16780

 this section applies, the department shall adjust the recognized 16781

 valuation used in the calculation under division (A)(1) of this 16782

 section by subtracting from it the amount calculated under 16783

 division (A)(2)(a) of this section. 16784

If a district's costs for the fiscal year for a student in its categories two through six special education ADM exceed the threshold catastrophic cost for serving the student, the district may submit to the superintendent of public instruction documentation, as prescribed by the superintendent, of all its costs for that student. Upon submission of documentation for a student of the type and in the manner prescribed, the department shall pay to the district an amount equal to the sum of the following:	16861
(i) One-half of the district's costs for the student in excess of the threshold catastrophic cost;	16862

2003, 2004, and 2005. 16887
16888

~~The threshold catastrophic costs for fiscal year 2003
represent a two and eight tenths per cent inflationary increase
over fiscal year 2002.~~ 16889
16890
16891

(c) The district shall only report under division (C)(3)(a) 16892
of this section, and the department shall only pay for, the costs 16893
of educational expenses and the related services provided to the 16894
student in accordance with the student's individualized education 16895
program. Any legal fees, court costs, or other costs associated 16896
with any cause of action relating to the student may not be 16897
included in the amount. 16898

~~(5)(4)~~(a) As used in this division, the "personnel allowance" 16899
means thirty thousand dollars in fiscal years 2002 ~~and~~, 2003, 16900

programs prepared for them under Chapter 3323. of the Revised 16904
Code, and for no other purpose, the department of education shall 16905
pay each school district an amount calculated under the following 16906
formula: 16907

(formula ADM divided by 2000) X 16908

formula amount X the sum of categories 16915

one through six special education ADM) + 16916

(total special education weight X formula amount) 16917

The purposes approved by the department for special education 16918
expenses shall include, but shall not be limited to, 16919
identification of handicapped children, compliance with state 16920
rules governing the education of handicapped children and 16921
prescribing the continuum of program options for handicapped 16922
children, and the portion of the school district's overall 16923
administrative and overhead costs that are attributable to the 16924
district's special education student population. 16925

The department shall require school districts to report data 16926
annually to allow for monitoring compliance with division (C)(5) 16927

(D)(1) As used in this division: 16931

(a) "Daily bus miles per student" equals the number of bus 16932
miles traveled per day, divided by transportation base. 16933

(b) "Transportation base" equals total student count as 16934
defined in section 3301.011 of the Revised Code, minus the number 16935
of students enrolled in preschool handicapped units, plus the 16936
number of nonpublic school students included in transportation 16937
ADM. 16938

(c) "Transported student percentage" equals transportation 16939
ADM divided by transportation base. 16940

(d) "Transportation cost per student" equals total operating 16941
costs for board-owned or contractor-operated school buses divided 16942
by transportation base. 16943

(2) Analysis of student transportation cost data has resulted 16944
in a finding that an average efficient transportation use cost per 16945
student can be calculated by means of a regression formula that 16946
has as its two independent variables the number of daily bus miles 16947

per student and the transported student percentage. For fiscal 16948
year 1998 transportation cost data, the average efficient 16949
transportation use cost per student is expressed as follows: 16950

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + 16951 \\ (116.25573 \times \text{transported student percentage}) 16952$$

The department of education shall annually determine the 16953
average efficient transportation use cost per student in 16954
accordance with the principles stated in division (D)(2) of this 16955
section, updating the intercept and regression coefficients of the 16956
regression formula modeled in this division, based on an annual 16957
statewide analysis of each school district's daily bus miles per 16958
student, transported student percentage, and transportation cost 16959
per student data. The department shall conduct the annual update 16960
using data, including daily bus miles per student, transported 16961
student percentage, and transportation cost per student data, from 16962
the prior fiscal year. The department shall notify the office of 16963
budget and management of such update by the fifteenth day of 16964
February of each year. 16965

(3) In addition to funds paid under divisions (A), (C), and 16966
(E) of this section, each district with a transported student 16967
percentage greater than zero shall receive a payment equal to a 16968
percentage of the product of the district's transportation base 16969
from the prior fiscal year times the annually updated average 16970
efficient transportation use cost per student, times an inflation 16971
factor of two and eight tenths per cent to account for the 16972
one-year difference between the data used in updating the formula 16973
and calculating the payment and the year in which the payment is 16974
made. The percentage shall be the following percentage of that 16975
product specified for the corresponding fiscal year: 16976

FISCAL YEAR	PERCENTAGE	
2000	52.5%	16977
2001	55%	16978
		16979

2002	57.5%	16980
2003 and thereafter	The greater of 60% or the district's state share percentage	16981

The payments made under division (D)(3) of this section each year shall be calculated based on all of the same prior year's data used to update the formula. 16982
16983
16984

(4) In addition to funds paid under divisions (D)(2) and (3) of this section, a school district shall receive a rough road subsidy if both of the following apply: 16985
16986
16987

(a) Its county rough road percentage is higher than the statewide rough road percentage, as those terms are defined in division (D)(5) of this section; 16988
16989
16990

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division. 16991
16992

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula: 16993
16994
16995

(per rough mile subsidy X total rough road miles) X
density multiplier 16996
16997

where: 16998

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula: 16999
17000

$0.75 - \{0.75 \times [(\text{maximum rough road percentage} -$ 17001

county rough road percentage)/(maximum rough road percentage - 17002
17003

statewide rough road percentage)]}

(i) "Maximum rough road percentage" means the highest county rough road percentage in the state. 17005
17006

(ii) "County rough road percentage" equals the percentage of 17007

the mileage of state, municipal, county, and township roads that 17008
is rated by the department of transportation as type A, B, C, E2, 17009
or F in the county in which the school district is located or, if 17010
the district is located in more than one county, the county to 17011
which it is assigned for purposes of determining its 17012
cost-of-doing-business factor. 17013

(iii) "Statewide rough road percentage" means the percentage 17014
of the statewide total mileage of state, municipal, county, and 17015
township roads that is rated as type A, B, C, E2, or F by the 17016
department of transportation. 17017

(b) "Total rough road miles" means a school district's total 17018
bus miles traveled in one year times its county rough road 17019
percentage. 17020

(c) "Density multiplier" means a figure calculated in 17021
accordance with the following formula: 17022

$$1 - [(\text{minimum student density} - \text{district student} \quad 17023 \\ \text{density}) / (\text{minimum student density} - \quad 17024 \\ \text{statewide student density})] \quad 17025$$

(i) "Minimum student density" means the lowest district 17026
student density in the state. 17027

(ii) "District student density" means a school district's 17028
transportation base divided by the number of square miles in the 17029
district. 17030

(iii) "Statewide student density" means the sum of the 17031
transportation bases for all school districts divided by the sum 17032
of the square miles in all school districts. 17033

(6) In addition to funds paid under divisions (D)(2) to (5) 17034
of this section, each district shall receive in accordance with 17035
rules adopted by the state board of education a payment for 17036
students transported by means other than board-owned or 17037
contractor-operated buses and whose transportation is not funded 17038

under division (J) of section 3317.024 of the Revised Code. The 17039
rules shall include provisions for school district reporting of 17040
such students. 17041

(E)(1) The department shall compute and distribute state 17042
vocational education additional weighted costs funds to each 17043
school district in accordance with the following formula: 17044

state share percentage X 17045
the formula amount X 17046
total vocational education weight 17047

In any fiscal year, a school district receiving funds under 17048
division (E)(1) of this section shall spend those funds only for 17049
the purposes that the department designates as approved for 17050
vocational education expenses. 17051

(2) The department shall compute for each school district 17052
state funds for vocational education associated services in 17053
accordance with the following formula: 17054

state share percentage X .05 X 17055
the formula amount X the sum of categories one and two 17056
vocational education ADM 17057

is in session five days per week for not less than the same number	17490
of clock hours each day <u>week</u> as for pupils in grades one through	17491
six.	17492
(11) "All-day kindergarten percentage" means the percentage	17493
of a district's actual total number of students enrolled in	17494
kindergarten who are enrolled in all-day kindergarten.	17495
(12) "Buildings with the highest concentration of need"	17496
means:	17497
(a) In fiscal years prior to fiscal year 2004, the school	17498
buildings in a district with percentages of students in grades	17499
kindergarten through three receiving assistance under Ohio works	17500
first at least as high as the district-wide percentage of students	17501

receiving such assistance. 17502

(b) Beginning in fiscal year 2004, the school buildings in a 17503
district with percentages of students in grades kindergarten 17504
through three receiving family assistance at least as high as the 17505
district-wide percentage of students receiving family assistance. 17506

(c) If, in any fiscal year, the information provided by the 17507
department of job and family services under section 3317.10 of the 17508
Revised Code is insufficient to determine the Ohio works first or 17509
family assistance percentage in each building, "buildings with the 17510
highest concentration of need" has the meaning given in rules that 17511
the department of education shall adopt. The rules shall base the 17512
definition of "buildings with the highest concentration of need" 17513
on family income of students in grades kindergarten through three 17514
in a manner that, to the extent possible with available data, 17515
approximates the intent of this division and division (G) of this 17516
section to designate buildings where the Ohio works first or 17517
family assistance percentage in those grades equals or exceeds the 17518
district-wide Ohio works first or family assistance percentage. 17519

(B) In addition to the amounts required to be paid to a 17520
school district under section 3317.022 of the Revised Code, a 17521
school district shall receive the greater of the amount the 17522
district received in fiscal year 1998 pursuant to division (B) of 17523
section 3317.023 of the Revised Code as it existed at that time or 17524
the sum of the computations made under divisions (C) to (E) of 17525
this section. 17526

(C) A supplemental payment that may be utilized for measures 17527
related to safety and security and for remediation or similar 17528
programs, calculated as follows: 17529

(1) If the DPIA index of the school district is greater than 17530
or equal to thirty-five-hundredths, but less than one, an amount 17531
obtained by multiplying the district's DPIA student count by two 17532

hundred thirty dollars; 17533

(2) If the DPIA index of the school district is greater than 17534
or equal to one, an amount obtained by multiplying the DPIA index 17535
by two hundred thirty dollars and multiplying that product by the 17536
district's DPIA student count. 17537

Except as otherwise provided in division (F) of this section, 17538
beginning with the school year that starts July 1, 2002, each 17539
school district annually shall use at least twenty per cent of the 17540
funds calculated for the district under this division for 17541
intervention services required by section 3313.608 of the Revised 17542
Code. 17543

(D) A payment for all-day kindergarten if the DPIA index of 17544
the school district is greater than or equal to one or if the 17545
district's three-year average formula ADM exceeded seventeen 17546
thousand five hundred, calculated by multiplying the all-day 17547
kindergarten percentage by the kindergarten ADM and multiplying 17548
that product by the formula amount. 17549

(E) A class-size reduction payment based on calculating the 17550
number of new teachers necessary to achieve a lower 17551
student-teacher ratio, as follows: 17552

(1) Determine or calculate a formula number of teachers per 17553
one thousand students based on the DPIA index of the school 17554
district as follows: 17555

(a) If the DPIA index of the school district is less than 17556
six-tenths, the formula number of teachers is 43.478, which is the 17557
number of teachers per one thousand students at a student-teacher 17558
ratio of twenty-three to one; 17559

(b) If the DPIA index of the school district is greater than 17560
or equal to six-tenths, but less than two and one-half, the 17561
formula number of teachers is calculated as follows: 17562

$$43.478 + \{[(\text{DPIA index}-0.6)/ 1.9] \times 23.188\} \quad 17563$$

Where 43.478 is the number of teachers per one thousand students at a student-teacher ratio of twenty-three to one; 1.9 is the interval from a DPIA index of six-tenths to a DPIA index of two and one-half; and 23.188 is the difference in the number of teachers per one thousand students at a student-teacher ratio of fifteen to one and the number of teachers per one thousand students at a student-teacher ratio of twenty-three to one.

(c) If the DPIA index of the school district is greater than or equal to two and one-half, the formula number of teachers is 66.667, which is the number of teachers per one thousand students at a student-teacher ratio of fifteen to one.

(2) Multiply the formula number of teachers determined or calculated in division (E)(1) of this section by the kindergarten through third grade ADM for the district and divide that product by one thousand;

(3) Calculate the number of new teachers as follows:

(a) Multiply the kindergarten through third grade ADM by 43.478, which is the number of teachers per one thousand students at a student-teacher ratio of twenty-three to one, and divide that product by one thousand;

(b) Subtract the quotient obtained in division (E)(3)(a) of this section from the product in division (E)(2) of this section.

(4) Multiply the greater of the difference obtained under division (E)(3) of this section or zero by the statewide average teachers salary.

(F) This division applies only to school districts whose DPIA index is one or greater.

(1) Each school district subject to this division shall first utilize funds received under this section so that, when combined with other funds of the district, sufficient funds exist to

provide all-day kindergarten to at least the number of children in 17594
the district's all-day kindergarten percentage. 17595

(2) Up to an amount equal to the district's DPIA index 17596
multiplied by its DPIA student count multiplied by two hundred 17597
thirty dollars of the money distributed under this section may be 17598
utilized for one or both of the following: 17599

(a) Programs designed to ensure that schools are free of 17600
drugs and violence and have a disciplined environment conducive to 17601
learning; 17602

(b) Remediation for students who have failed or are in danger 17603
of failing any of the tests administered pursuant to section 17604
3301.0710 of the Revised Code. 17605

Beginning with the school year that starts on July 1, 2002, 17606
each school district shall use at least twenty per cent of the 17607
funds set aside for the purposes of divisions (F)(2)(a) and (b) of 17608
this section to provide intervention services required by section 17609
3313.608 of the Revised Code. 17610

(3) Except as otherwise required by division (G) or permitted 17611
under division (K) of this section, all other funds distributed 17612
under this section to districts subject to this division shall be 17613
utilized for the purpose of the third grade guarantee. The third 17614
grade guarantee consists of increasing the amount of instructional 17615
attention received per pupil in kindergarten through third grade, 17616
either by reducing the ratio of students to instructional 17617
personnel or by increasing the amount of instruction and 17618
curriculum-related activities by extending the length of the 17619
school day or the school year. 17620

School districts may implement a reduction of the ratio of 17621
students to instructional personnel through any or all of the 17622
following methods: 17623

(a) Reducing the number of students in a classroom taught by 17624

a single teacher;	17625
(b) Employing full-time educational aides or educational paraprofessionals issued a permit or license under section 3319.088 of the Revised Code;	17626 17627 17628
(c) Instituting a team-teaching method that will result in a lower student-teacher ratio in a classroom.	17629 17630
Districts may extend the school day either by increasing the amount of time allocated for each class, increasing the number of classes provided per day, offering optional academic-related after-school programs, providing curriculum-related extra curricular activities, or establishing tutoring or remedial services for students who have demonstrated an educational need. In accordance with section 3319.089 of the Revised Code, a district extending the school day pursuant to this division may utilize a participant of the work experience program who has a child enrolled in a public school in that district and who is fulfilling the work requirements of that program by volunteering or working in that public school. If the work experience program participant is compensated, the school district may use the funds distributed under this section for all or part of the compensation.	17631 17632 17633 17634 17635 17636 17637 17638 17639 17640 17641 17642 17643 17644 17645
Districts may extend the school year either through adding regular days of instruction to the school calendar or by providing summer programs.	17646 17647 17648
(G) Each district subject to division (F) of this section shall not expend any funds received under division (E) of this section in any school buildings that are not buildings with the highest concentration of need, unless there is a ratio of instructional personnel to students of no more than fifteen to one in each kindergarten and first grade class in all buildings with the highest concentration of need. This division does not require	17649 17650 17651 17652 17653 17654 17655

that the funds used in buildings with the highest concentration of need be spent solely to reduce the ratio of instructional personnel to students in kindergarten and first grade. A school district may spend the funds in those buildings in any manner permitted by division (F)(3) of this section, but may not spend the money in other buildings unless the fifteen-to-one ratio required by this division is attained.

(H)(1) By the first day of August of each fiscal year, each school district wishing to receive any funds under division (D) of this section shall submit to the department of education an estimate of its all-day kindergarten percentage. Each district shall update its estimate throughout the fiscal year in the form and manner required by the department, and the department shall adjust payments under this section to reflect the updates.

(2) Annually by the end of December, the department of education, utilizing data from the information system established under section 3301.0714 of the Revised Code and after consultation with the legislative office of education oversight, shall determine for each school district subject to division (F) of this section whether in the preceding fiscal year the district's ratio of instructional personnel to students and its number of kindergarten students receiving all-day kindergarten appear reasonable, given the amounts of money the district received for that fiscal year pursuant to divisions (D) and (E) of this section. If the department is unable to verify from the data available that students are receiving reasonable amounts of instructional attention and all-day kindergarten, given the funds the district has received under this section and that class-size reduction funds are being used in school buildings with the highest concentration of need as required by division (G) of this section, the department shall conduct a more intensive investigation to ensure that funds have been expended as required

by this section. The department shall file an annual report of its findings under this division with the chairpersons of the committees in each house of the general assembly dealing with finance and education.

(I) Any school district with a DPIA index less than one and a three-year average formula ADM exceeding seventeen thousand five hundred shall first utilize funds received under this section so that, when combined with other funds of the district, sufficient funds exist to provide all-day kindergarten to at least the number of children in the district's all-day kindergarten percentage. Such a district shall expend at least seventy per cent of the remaining funds received under this section, and any other district with a DPIA index less than one shall expend at least seventy per cent of all funds received under this section, for any of the following purposes:

- (1) The purchase of technology for instructional purposes;
- (2) All-day kindergarten;
- (3) Reduction of class sizes;
- (4) Summer school remediation;
- (5) Dropout prevention programs;
- (6) Guaranteeing that all third graders are ready to progress to more advanced work;
- (7) Summer education and work programs;
- (8) Adolescent pregnancy programs;
- (9) Head start or preschool programs;
- (10) Reading improvement programs described by the department of education;
- (11) Programs designed to ensure that schools are free of drugs and violence and have a disciplined environment conducive to

learning;	17717
(12) Furnishing, free of charge, materials used in courses of instruction, except for the necessary textbooks or electronic textbooks required to be furnished without charge pursuant to section 3329.06 of the Revised Code, to pupils living in families participating in Ohio works first in accordance with section 3313.642 of the Revised Code;	17718 17719 17720 17721 17722 17723
(13) School breakfasts provided pursuant to section 3313.813 of the Revised Code.	17724 17725
Each district shall submit to the department, in such format and at such time as the department shall specify, a report on the programs for which it expended funds under this division.	17726 17727 17728
(J) If at any time the superintendent of public instruction determines that a school district receiving funds under division (D) of this section has enrolled less than the all-day kindergarten percentage reported for that fiscal year, the superintendent shall withhold from the funds otherwise due the district under this section a proportional amount as determined by the difference in the certified all-day kindergarten percentage and the percentage actually enrolled in all-day kindergarten.	17729 17730 17731 17732 17733 17734 17735 17736
The superintendent shall also withhold an appropriate amount of funds otherwise due a district for any other misuse of funds not in accordance with this section.	17737 17738 17739
(K)(1) A district may use a portion of the funds calculated for it under division (D) of this section to modify or purchase classroom space to provide all-day kindergarten, if both of the following conditions are met:	17740 17741 17742 17743
(a) The district certifies to the department, in a manner acceptable to the department, that it has a shortage of space for providing all-day kindergarten.	17744 17745 17746

(b) The district provides all-day kindergarten to the number of children in the all-day kindergarten percentage it certified under this section.

(2) A district may use a portion of the funds described in division (F)(3) of this section to modify or purchase classroom space to enable it to further reduce class size in grades kindergarten through two with a goal of attaining class sizes of fifteen students per licensed teacher. To do so, the district must certify its need for additional space to the department, in a manner satisfactory to the department.

Sec. 3317.0217. The department of education shall ~~annually~~ monthly compute and pay state parity aid to school districts, as follows:

(A) Calculate the local wealth per pupil of each school district, which equals the following sum:

(1) Two-thirds times the quotient of (a) the district's recognized valuation divided by (b) its ~~formula-ADM~~ average daily attendance; plus

(2) One-third times the quotient of (a) the average of the total federal adjusted gross income of the school district's residents for the three years most recently reported under section 3317.021 of the Revised Code divided by (b) its ~~formula-ADM~~ average daily attendance.

(B) Rank all school districts in order of local wealth per pupil, from the district with the lowest local wealth per pupil to the district with the highest local wealth per pupil.

(C) Compute the per pupil state parity aid funding for each school district in accordance with the following formula:

Payment percentage X (threshold local wealth
per pupil - the district's local

wealth per pupil) X 0.0095 17777

Where: 17778

(1) "Payment percentage," for purposes of division (C) of 17779
this section, equals 20% in fiscal year 2002, 40% in fiscal year 17780
2003, 60% in fiscal year 2004, 80% in fiscal year 2005, and 100% 17781
after fiscal year 2005. 17782

(2) Nine and one-half mills (0.0095) is the general 17783
assembly's determination of the average number of effective 17784
operating mills that districts in the seventieth to ninetieth 17785
percentiles of valuations per pupil collected in fiscal year 2001 17786
above the revenues required to finance their attributed local 17787
shares of the calculated cost of an adequate education. This was 17788
determined by (a) adding the district revenues from operating 17789
property tax levies and income tax levies, (b) subtracting from 17790
that total the sum of (i) twenty-three mills times adjusted 17791
recognized valuation plus (ii) the attributed local shares of 17792
special education, transportation, and vocational education 17793
funding as described in divisions (F)(1) to (3) of section 17794
3317.022 of the Revised Code, and (c) converting the result to an 17795
effective operating property tax rate. 17796

(3) The "threshold local wealth per pupil" is the local 17797
wealth per pupil of the school district with the 17798
four-hundred-ninetieth lowest local wealth per pupil. 17799

If the result of the calculation for a school district under 17800
division (C) of this section is less than zero, the district's per 17801
pupil parity aid shall be zero. 17802

(D) Compute the per pupil alternative parity aid for each 17803
school district that has a combination of an income factor of 1.0 17804
or less, a DPIA index of 1.0 or greater, and a 17805
cost-of-doing-business factor of 1.0375 or greater, in accordance 17806
with the following formula: 17807

Payment percentage X \$60,000 X	17808
(1 - income factor) X 4/15 X 0.023	17809
Where:	17810
(1) "DPIA index" has the same meaning as in section 3317.029 of the Revised Code.	17811 17812
(2) "Payment percentage," for purposes of division (D) of this section, equals 50% in fiscal year 2002 and 100% after fiscal year 2002.	17813 17814 17815
(E) Pay each district that has a combination of an income factor 1.0 or less, a DPIA index of 1.0 or greater, and a cost-of-doing-business factor of 1.0375 or greater, the greater of the following:	17816 17817 17818 17819
(1) The product of the district's per pupil parity aid calculated under division (C) of this section times its formula <u>ADM average daily attendance</u> ;	17820 17821 17822
(2) The product of its per pupil alternative parity aid calculated under division (D) of this section times its formula <u>ADM average daily attendance</u> .	17823 17824 17825
(F) Pay every other district the product of its per pupil parity aid calculated under division (C) of this section times its formula <u>ADM average daily attendance</u> .	17826 17827 17828
Every six years, the general assembly shall redetermine, after considering the report of the committee appointed under section 3317.012 of the Revised Code, the average number of effective operating mills that districts in the seventieth to ninetieth percentiles of valuations per pupil collect above the revenues required to finance their attributed local shares of the cost of an adequate education.	17829 17830 17831 17832 17833 17834 17835
Sec. 3317.03. Notwithstanding divisions (A)(1), (B)(1), and (C) of this section, any student enrolled in kindergarten more	17836 17837

than half time shall be reported as one-half student under this 17838
section. 17839

(A) The superintendent of each city and exempted village 17840
school district and of each educational service center shall, for 17841
the schools under the superintendent's supervision, certify to the 17842
state board of education on or before the fifteenth day of October 17843
in each year for the first full school week in October the formula 17844
ADM, which shall consist of the average daily membership during 17845
such week of the sum of the following: 17846

(1) On an FTE basis, the number of students in grades 17847
kindergarten through twelve receiving any educational services 17848
from the district, except that the following categories of 17849
students shall not be included in the determination: 17850

(a) Students enrolled in adult education classes; 17851

(b) Adjacent or other district students enrolled in the 17852
district under an open enrollment policy pursuant to section 17853
3313.98 of the Revised Code; 17854

~~(c) Students receiving services in the district pursuant to a 17855
compact, cooperative education agreement, or a contract, but who 17856
are entitled to attend school in another district pursuant to 17857
section 3313.64 or 3313.65 of the Revised Code; 17858~~

~~(d) Students for whom tuition is payable pursuant to sections 17859
3317.081 and 3323.141 of the Revised Code. 17860~~

(2) On an FTE basis, the number of students entitled to 17861
attend school in the district pursuant to section 3313.64 or 17862
3313.65 of the Revised Code, but receiving educational services in 17863
grades kindergarten through twelve from one or more of the 17864
following entities: 17865

(4) The number of handicapped children, other than handicapped preschool children, entitled to attend school in the district pursuant to section 3313.64 or 3313.65 of the Revised Code who are placed with a county MR/DD board, minus the number of such children placed with a county MR/DD board in fiscal year 1998. If this calculation produces a negative number, the number reported under division (A)(4) of this section shall be zero.	17892 17893 17894 17895 17896 17897 17898

(B) To enable the department of education to obtain the data 17899

(E) In each school of each city, local, exempted village,	18108

shall be maintained a record of school membership, which record	18110
shall accurately show, for each day the school is in session, the	18111

of determining average daily membership, the membership figure of	18113
any school shall not include any pupils except those pupils	18114

described by division (A) of this section. The record of 18115
membership for each school shall be maintained in such manner that 18116
no pupil shall be counted as in membership prior to the actual 18117
date of entry in the school and also in such manner that where for 18118
any cause a pupil permanently withdraws from the school that pupil 18119
shall not be counted as in membership from and after the date of 18120
such withdrawal. There shall not be included in the membership of 18121
any school any of the following: 18122

public high school; 18124

(2) Any pupil who is not a resident of the state; 18125

(3) Any pupil who was enrolled in the schools of the district 18126

of the tests required by that section and was not excused pursuant 18129
to division (C)(1) of that section; 18130

(4) Any pupil who has attained the age of twenty-two years, 18131
except for veterans of the armed services whose attendance was 18132
interrupted before completing the recognized twelve-year course of 18133
the public schools by reason of induction or enlistment in the 18134
armed forces and who apply for reenrollment in the public school 18135
system of their residence not later than four years after 18136
termination of war or their honorable discharge. 18137

If, however, any veteran described by division (E)(4) of this 18138
section elects to enroll in special courses organized for veterans 18139
for whom tuition is paid under the provisions of federal laws, or 18140
otherwise, that veteran shall not be included in average daily 18141
membership. 18142

Notwithstanding division (E)(3) of this section, the 18143
membership of any school may include a pupil who did not take a 18144
test required by section 3301.0711 of the Revised Code if the 18145

superintendent of public instruction grants a waiver from the 18146
requirement to take the test to the specific pupil. The 18147
superintendent may grant such a waiver only for good cause in 18148
accordance with rules adopted by the state board of education. 18149

Except as provided in divisions (B)(2) and (F) of this 18150
section, the average daily membership figure of any local, city, 18151
exempted village, or joint vocational school district shall be 18152
determined by dividing the figure representing the sum of the 18153
number of pupils enrolled during each day the school of attendance 18154
is actually open for instruction during the first full school week 18155
in October by the total number of days the school was actually 18156
open for instruction during that week. For purposes of state 18157
funding, "enrolled" persons are only those pupils who are 18158
attending school, those who have attended school during the 18159
current school year and are absent for authorized reasons, and 18160
those handicapped children currently receiving home instruction. 18161

The average daily membership figure of any cooperative 18162
education school district shall be determined in accordance with 18163
rules adopted by the state board of education. 18164

(F)(1) If the formula ADM for the first full school week in 18165
February is at least three per cent greater than that certified 18166
for the first full school week in the preceding October, the 18167
superintendent of schools of any city, exempted village, or joint 18168
vocational school district or educational service center shall 18169
certify such increase to the superintendent of public instruction. 18170
Such certification shall be submitted no later than the fifteenth 18171
day of February. For the balance of the fiscal year, beginning 18172
with the February payments, the superintendent of public 18173

~~recalculating the amounts to be allocated in accordance with~~ 18175
payments under section 3317.022 or 3317.16 of the Revised Code 18176
that are based on formula ADM and not on average daily attendance. 18177

In no event shall the superintendent use an increased membership 18178
certified to the superintendent after the fifteenth day of 18179
February. 18180

(2) If on the first school day of April the total number of 18181
classes or units for handicapped preschool children that are 18182
eligible for approval under division (B) of section 3317.05 of the 18183
Revised Code exceeds the number of units that have been approved 18184
for the year under that division, the superintendent of schools of 18185
any city, exempted village, or cooperative education school 18186
district or educational service center shall make the 18187
certifications required by this section for that day. If the ~~state~~ 18188
~~board of education~~ department determines additional units can be 18189
approved for the fiscal year within any limitations set forth in 18190
the acts appropriating moneys for the funding of such units, the 18191
~~board~~ department shall approve additional units for the fiscal 18192
year on the basis of such average daily membership. For each unit 18193
so approved, the department ~~of education~~ shall pay an amount 18194
computed in the manner prescribed in section 3317.052 or 3317.19 18195
and section 3317.053 of the Revised Code. 18196

(3) If a student attending a community school under Chapter 18197
3314. of the Revised Code is not included in the formula ADM 18198
certified for the first full school week of October for the school 18199
district in which the student is entitled to attend school under 18200
section 3313.64 or 3313.65 of the Revised Code, the department of 18201
education shall adjust the formula ADM of that school district to 18202
include the community school student in accordance with division 18203
(C)(2) of this section, and shall recalculate the school 18204
district's payments under this chapter for the entire fiscal year 18205
on the basis of that adjusted formula ADM. This requirement 18206
applies regardless of whether the student was enrolled, as defined 18207
in division (E) of this section, in the community school during 18208
the first full school week in October. 18209

(G)(1)(a) The superintendent of an institution operating a special education program pursuant to section 3323.091 of the Revised Code shall, for the programs under such superintendent's supervision, certify to the state board of education the average daily membership of all handicapped children in classes or programs approved annually by the ~~state board~~ department of education, in the manner prescribed by the superintendent of public instruction.

(b) The superintendent of an institution with vocational education units approved under division (A) of section 3317.05 of the Revised Code shall, for the units under the superintendent's supervision, certify to the state board of education the average daily membership in those units, in the manner prescribed by the superintendent of public instruction.

(3)(a) If on the first school day of April the number of classes or units maintained for handicapped preschool children by the county MR/DD board that are eligible for approval under

division (B) of section 3317.05 of the Revised Code is greater 18241
than the number of units approved for the year under that 18242
division, the superintendent shall make the certification required 18243
by this section for that day. 18244

(b) If the ~~state board~~ department determines that additional 18245
classes or units can be approved for the fiscal year within any 18246
limitations set forth in the acts appropriating moneys for the 18247
funding of the classes and units described in division (G)(3)(a) 18248
of this section, the ~~board~~ department shall approve and fund 18249
additional units for the fiscal year on the basis of such average 18250
daily membership. For each unit so approved, the department ~~of~~ 18251
~~education~~ shall pay an amount computed in the manner prescribed in 18252
sections 3317.052 and 3317.053 of the Revised Code. 18253

(H) Except as provided in division (I) of this section, when 18254
any city, local, or exempted village school district provides 18255
instruction for a nonresident pupil whose attendance is 18256
unauthorized attendance as defined in section 3327.06 of the 18257
Revised Code, that pupil's membership shall not be included in 18258
that district's membership figure used in the calculation of that 18259
district's formula ADM or included in the determination of any 18260
unit approved for the district under section 3317.05 of the 18261
Revised Code. The reporting official shall report separately the 18262
average daily membership of all pupils whose attendance in the 18263
district is unauthorized attendance, and the membership of each 18264
such pupil shall be credited to the school district in which the 18265
pupil is entitled to attend school under division (B) of section 18266
3313.64 or section 3313.65 of the Revised Code as determined by 18267
the department of education. 18268

(I)(1) A city, local, exempted village, or joint vocational 18269
school district admitting a scholarship student of a pilot project 18270
district pursuant to division (C) of section 3313.976 of the 18271

shall be used in the determination of the ADM used to compute 18312
funds for educational service center governing boards under 18313
division (B) of section 3317.11 of the Revised Code. 18314

Sec. 3317.034. Any student enrolled in kindergarten more than 18315

that the board reasonably estimates will produce an amount in that 19346
year equal to the debt charges on the securities in that year. 19347

No state moneys shall be released for a project to which this 19348
section applies until the proceeds of the tax securities issued 19349
under this section that are dedicated for the payment of the 19350
district portion of the basic project cost of its classroom 19351
facilities project are first deposited into the district's project 19352
construction fund. 19353

Sec. 3318.34. The Ohio school facilities commission shall not 19354

release any state funds to a school district for a project under 19355

classroom facility within ~~eighteen~~ twenty-four months prior to 19361
September 14, 2000, or that has spent other school district 19362
resources in an amount of not less than one million dollars for 19363
the acquisition of classroom facilities within twenty-four months 19364
prior to September 14, 2000, may apply all or a portion of the 19365
expenditures of the proceeds from such bond issue or tax levy, or 19366
the amount of other school district resources as described in this 19367
section, as local resources for ~~purposes~~ the purpose of the 19368
district's participation in the School Building Assistance 19369
Expedited Local Partnership Program under section 3318.36 of the 19370
Revised Code. The Ohio School Facilities Commission, upon request 19371
of such a school district board, shall conduct a district needs 19372
assessment under section 3318.36 of the Revised Code and shall 19373
determine whether such project meets all or a portion of the 19374
district's assessed needs and whether the design of all or a 19375
portion of the project complies with design specifications of the 19376
Commission as required under division (B)(3) of section 3318.36 of 19377
the Revised Code. 19378

The Commission shall approve as local resources the 19379
district's expenditures for that portion of the project determined 19380
to meet the district's assessed needs and to comply with the 19381
Commission's design specifications. 19382

in the first through fiftieth percentiles as determined under 19385
section 3318.011 of the Revised Code. 19386

~~(2)(b)~~ A "school district with an exceptional need for 19387
immediate classroom facilities assistance" means a low wealth 19388
school district with an exceptional need for new facilities in 19389
order to protect the health and safety of all or a portion of its 19390
students. ~~School~~ 19391

(2) School districts reasonably expected to be eligible for 19392
state assistance under sections 3318.01 to 3318.20 of the Revised 19393
Code within three fiscal years after the year of the application 19394
for assistance under this section ~~is being considered by the Ohio~~ 19395
~~school facilities commission, and school districts that~~ 19396
~~participate in the school building assistance expedited local~~ 19397
~~partnership program under section 3318.36 of the Revised Code~~ 19398
shall not be eligible for assistance under this section. 19399

(B)(1) There is hereby established the exceptional needs 19400
school facilities assistance program. Under the program, the Ohio 19401
school facilities commission may set aside funds from the moneys 19402
annually appropriated to it for classroom facilities assistance 19403
projects ~~up to twenty five per cent~~ for assistance to school 19404
districts with exceptional needs for immediate classroom 19405
facilities assistance. 19406

(2)(a) After consulting with education and construction 19407
experts, the commission shall adopt guidelines for identifying 19408
school districts with an exceptional need for immediate classroom 19409
facilities assistance. 19410

(b) The guidelines shall include application forms and 19411
instructions for school districts ~~that believe they have an~~ 19412
~~exceptional need for immediate classroom facilities to use in~~ 19413
applying for assistance under this section. 19414

(3) The commission shall evaluate the classroom facilities, 19415

and the need for replacement classroom facilities from the 19416
applications received under this section. The commission, 19417
utilizing the guidelines adopted under division (B)(2)(a) of this 19418
section, shall prioritize the school districts to be assessed. 19419

Notwithstanding section 3318.02 of the Revised Code, the 19420
commission may conduct on-site evaluation of the school districts 19421
prioritized under this section and approve and award funds until 19422
such time as all funds set aside under division (B)(1) of this 19423
section have been encumbered ~~under section 3318.04 of the Revised~~ 19424
Code. However, the commission need not conduct the evaluation of 19425
facilities if the commission determines that a district's 19426
assessment conducted under section 3318.36 of the Revised Code is 19427
sufficient for purposes of this section. 19428

(4) Notwithstanding division (A) of section 3318.05 of the 19429
Revised Code, the school district's portion of the basic project 19430
cost under this section shall be the "required percentage of the 19431
basic project costs," as defined in division (K) of section 19432
3318.01 of the Revised Code. 19433

(5) Except as otherwise specified in this section, any 19434
project undertaken with assistance under this section shall comply 19435
with all provisions of sections 3318.01 to 3318.20 of the Revised 19436
Code. A school district may receive assistance under sections 19437
3318.01 to 3318.20 of the Revised Code for the remainder of the 19438
district's classroom facilities needs as assessed under this 19439
section when the district is eligible for such assistance pursuant 19440
to section 3318.02 of the Revised Code, but any classroom facility 19441
constructed with assistance under this section shall not be 19442
included in a district's project at that time unless the 19443
commission determines the district has experienced the increased 19444
enrollment specified in division (B)(1) of section 3318.04 of the 19445
Revised Code. 19446

(C) No school district shall receive assistance under this 19447

section for a classroom facility that has been included in the 19448
discrete part of the district's classroom facilities needs 19449
identified and addressed in the district's project pursuant to an 19450
agreement entered into under section 3318.36 of the Revised Code. 19451

Sec. 3318.41. (A)(1) The Ohio school facilities commission 19452
annually shall assess the classroom facilities needs of the number 19453
of joint vocational school districts that the commission 19454
reasonably expects to be able to provide assistance to in a fiscal 19455
year, based on the amount set aside for that fiscal year under 19456
division (B) of section 3318.40 of the Revised Code and the order 19457
of priority prescribed in division (B) of section 3318.42 of the 19458
Revised Code, except that in fiscal year 2004 the commission shall 19459
conduct at least the five assessments prescribed in division (E) 19460
of section 3318.40 of the Revised Code. 19461

Upon conducting an assessment of the classroom facilities 19462
needs of a school district, the commission shall make a 19463
determination of all of the following: 19464

(a) The number of classroom facilities to be included in a 19465
project, including classroom facilities ~~authorized by a bond issue~~ 19466
described in section 3318.033 of the Revised Code, and the basic 19467
project cost of acquiring the classroom facilities included in the 19468
project. The number of facilities and basic project cost shall be 19469
determined in accordance with the specifications adopted under 19470
section 3318.311 of the Revised Code except to the extent that 19471
compliance with such specifications is waived by the commission 19472
pursuant to the rule of the commission adopted under division (F) 19473
of section 3318.40 of the Revised Code. 19474

(b) The school district's portion of the basic project cost 19475
as determined under division (C) of section 3318.42 of the Revised 19476
Code; 19477

(c) The remaining portion of the basic project cost that 19478

shall be supplied by the state; 19479

(d) The amount of the state's portion of the basic project 19480
cost to be encumbered in accordance with section 3318.11 of the 19481
Revised Code in the current and subsequent fiscal bienniums from 19482
funds set aside under division (B) of section 3318.40 of the 19483
Revised Code. 19484

(2) Divisions (A), (C), and (D) of section 3318.03 of the 19485
Revised Code apply to any project under sections 3318.40 to 19486
3318.45 of the Revised Code. 19487

(B)(1) If the commission makes a determination under division 19488
(A) of this section in favor of the acquisition of classroom 19489
facilities for a project under sections 3318.40 to 3318.45 of the 19490
Revised Code, such project shall be conditionally approved. Such 19491
conditional approval shall be submitted to the controlling board 19492
for approval. The controlling board shall immediately approve or 19493
reject the commission's determination, conditional approval, the 19494
amount of the state's portion of the basic project cost, and the 19495
amount of the state's portion of the basic project cost to be 19496
encumbered in the current fiscal biennium. In the event of 19497
approval by the controlling board, the commission shall certify 19498
the conditional approval to the joint vocational school district 19499
board of education and shall encumber the approved funds for the 19500
current fiscal year. 19501

(2) No school district that receives assistance under 19502
sections 3318.40 to 3318.45 of the Revised Code shall have another 19503
such project conditionally approved until the expiration of twenty 19504
years after the school district's prior project was conditionally 19505
approved, unless the school district board demonstrates to the 19506
satisfaction of the commission that the school district has 19507
experienced since conditional approval of its prior project an 19508
exceptional increase in enrollment or program requirements 19509
significantly above the school district's design capacity under 19510

that prior project as determined by rule of the commission. Any 19511
rule adopted by the commission to implement this division shall be 19512
tailored to address the classroom facilities needs of joint 19513
vocational school districts. 19514

(C) In addition to generating the amount of the school 19515
district's portion of the basic project cost as determined under 19516
division (C) of section 3318.42 of the Revised Code, in order for 19517
a school district to receive assistance under sections 3318.40 to 19518
3318.45 of the Revised Code, the school district board shall set 19519
aside school district moneys for the maintenance of the classroom 19520
facilities included in the school district's project in the amount 19521
and manner prescribed in section 3318.43 of the Revised Code. 19522

(D)(1) The conditional approval for a project certified under 19523
division (B)(1) of this section shall lapse and the amount 19524
reserved and encumbered for such project shall be released unless 19525
both of the following conditions are satisfied: 19526

(a) Within one hundred twenty days following the date of 19527
certification of the conditional approval to the joint vocational 19528
school district board, the school district board accepts the 19529
conditional approval and certifies to the commission the school 19530
district board's plan to generate the school district's portion of 19531
the basic project cost, as determined under division (C) of 19532
section 3318.42 of the Revised Code, and to set aside moneys for 19533
maintenance of the classroom facilities acquired under the 19534
project, as prescribed in section 3318.43 of the Revised Code. 19535

(b) Within one year following the date of certification of 19536
the conditional approval to the school district board, the 19537
electors of the school district vote favorably on any ballot 19538
measures proposed by the school district board to generate the 19539
school district's portion of the basic project cost. 19540

(2) If the school district board or electors fail to satisfy 19541

the conditions prescribed in division (D)(1) of this section and 19542
the amount reserved and encumbered for the school district's 19543
project is released, the school district shall be given first 19544
priority over other joint vocational school districts for project 19545
funding under sections 3318.40 to 3318.45 of the Revised Code as 19546
such funds become available. 19547

(E) If the conditions prescribed in division (D)(1) of this 19548
section are satisfied, the commission and the school district 19549
board shall enter into an agreement as prescribed in section 19550
3318.08 of the Revised Code and shall proceed with the development 19551
of plans, cost estimates, designs, drawings, and specifications as 19552
prescribed in section 3318.091 of the Revised Code. 19553

(F) Costs in excess of those approved by the commission under 19554
section 3318.091 of the Revised Code shall be payable only as 19555
provided in sections 3318.042 and 3318.083 of the Revised Code. 19556

(G) Advertisement for bids and the award of contracts for 19557
construction of any project under sections 3318.40 to 3318.45 of 19558
the Revised Code shall be conducted in accordance with section 19559
3318.10 of the Revised Code. 19560

(H) The state funds reserved and encumbered and the funds 19561
provided by the school district to pay the basic project cost of a 19562
project under sections 3318.40 to 3318.45 of the Revised Code 19563
shall be spent simultaneously in proportion to the state's and the 19564
school district's respective portions of that basic project cost. 19565

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised 19566
Code apply to projects under sections 3318.40 to 3318.45 of the 19567
Revised Code. 19568

Sec. 3319.01. Except in an island school district, where the 19569
superintendent of an educational service center otherwise may 19570
serve as superintendent of the district and except as otherwise 19571

provided for any cooperative education school district pursuant to 19572
division (B)(2) of section 3311.52 or division (B)(3) of section 19573
3311.521 of the Revised Code, the board of education in each 19574
school district and the governing board of each service center 19575
shall, at a regular or special meeting held not later than the 19576
first day of May of the calendar year in which the term of the 19577
superintendent expires, appoint a person possessed of the 19578
qualifications provided in this section to act as superintendent, 19579
for a term not longer than five years beginning the first day of 19580
August and ending on the thirty-first day of July. Such 19581
superintendent is, at the expiration of a current term of 19582
employment, deemed reemployed for a term of one year at the same 19583
salary plus any increments that may be authorized by the board, 19584
unless such board, on or before the first day of March of the year 19585
in which the contract of employment expires, either reemploys the 19586
superintendent for a succeeding term as provided in this section 19587
or gives to the superintendent written notice of its intention not 19588
to reemploy the superintendent. A superintendent may not be 19589
transferred to any other position during the term of the 19590
superintendent's employment or reemployment except by mutual 19591
agreement by the superintendent and the board. If a vacancy occurs 19592
in the office of superintendent, the board shall appoint a 19593
superintendent for a term not to exceed five years from the next 19594
preceding first day of August. 19595

~~Except as otherwise provided in this section, the employment 19596
or reemployment of a superintendent of a local school district 19597
shall be only upon the recommendation of the service center 19598
superintendent, except that a local board of education, by a 19599
three fourths vote of its full membership, may, after considering 19600
two nominations for the position of local superintendent made by 19601
the service center superintendent, employ or reemploy a person not 19602
so nominated for such position. 19603~~

A board may at any regular or special meeting held during the 19604
period beginning on the first day of January of the calendar year 19605
immediately preceding the year the contract of employment of a 19606
superintendent expires and ending on the first day of March of the 19607
year it expires, reemploy such superintendent for a succeeding 19608
term for not longer than five years, beginning on the first day of 19609
August immediately following the expiration of the 19610
superintendent's current term of employment and ending on the 19611
thirty-first day of July of the year in which such succeeding term 19612
expires. No person shall be appointed to the office of 19613
superintendent of a city, or exempted village school district or a 19614
service center who does not hold a license designated for being a 19615
superintendent issued under section 3319.22 of the Revised Code, 19616
unless such person had been employed as a county, city, or 19617
exempted village superintendent prior to August 1, 1939. No person 19618
shall be appointed to the office of local superintendent who does 19619
not hold a license designated for being a superintendent issued 19620
under section 3319.22 of the Revised Code, unless such person held 19621
or was qualified to hold the position of executive head of a local 19622
school district on September 16, 1957. At the time of making such 19623
appointment or designation of term, such board shall fix the 19624
compensation of the superintendent, which may be increased or 19625
decreased during such term, provided such decrease is a part of a 19626
uniform plan affecting salaries of all employees of the district, 19627
and shall execute a written contract of employment with such 19628
superintendent. 19629

Each board shall adopt procedures for the evaluation of its 19630
superintendent and shall evaluate its superintendent in accordance 19631
with those procedures. An evaluation based upon such procedures 19632
shall be considered by the board in deciding whether to renew the 19633
superintendent's contract. The establishment of an evaluation 19634
procedure shall not create an expectancy of continued employment. 19635

Nothing in this section shall prevent a board from making the 19636
final determination regarding the renewal or failure to renew of a 19637
superintendent's contract. 19638

Termination of a superintendent's contract shall be pursuant 19639
to section 3319.16 of the Revised Code. 19640

A board may establish vacation leave for its superintendent. 19641
Upon the superintendent's separation from employment a board that 19642
has such leave may provide compensation at the superintendent's 19643
current rate of pay for all lawfully accrued and unused vacation 19644
leave to the superintendent's credit at the time of separation, 19645
not to exceed the amount accrued within three years before the 19646
date of separation. In case of the death of a superintendent, such 19647
unused vacation leave as the board would have paid to this 19648
superintendent upon separation shall be paid in accordance with 19649
section 2113.04 of the Revised Code, or to the superintendent's 19650
estate. 19651

The superintendent shall be the executive officer for the 19652
board. ~~Except as otherwise provided in this section for local~~ 19653
~~school districts, the~~ The superintendent shall direct and assign 19654
teachers and other employees of the district or service center, 19655
except as provided in section 3319.04 of the Revised Code; assign 19656
the pupils to the proper schools and grades, provided that the 19657
assignment of a pupil to a school outside of the pupil's district 19658
of residence is approved by the board of the district of residence 19659
of such pupil; and perform such other duties as the board 19660
determines. ~~The service center superintendent shall exercise the~~ 19661
~~responsibilities of this section with regard to the assignment of~~ 19662
~~pupils and teachers for local school districts under the~~ 19663
~~supervision of the service center, except that the board of~~ 19664
~~education of a local school district and the governing board of~~ 19665
~~the educational service center of which the local district is a~~ 19666
~~part may enter into an agreement requiring the local~~ 19667

~~superintendent, instead of the superintendent of the educational
service center, to exercise the responsibilities of this section
with regard to the assignment of pupils and teachers for the local
school district.~~

The board of education of any school district may contract
with the governing board of the educational service center from
which it otherwise receives services to conduct searches and
recruitment of candidates for the superintendent position
authorized under this section.

Sec. 3319.02. (A)(1) As used in this section, "other
administrator" means ~~either~~ any of the following:

(a) Except as provided in division (A)(2) of this section,
any employee in a position for which a board of education requires
a license designated by rule of the department of education for
being an administrator issued under section 3319.22 of the Revised
Code, including a professional pupil services employee or
administrative specialist or an equivalent of either one who is
not employed as a school counselor and spends less than fifty per
cent of the time employed teaching or working with students;

(b) Any nonlicensed employee whose job duties enable such
employee to be considered as either a "supervisor" or a
"management level employee," as defined in section 4117.01 of the
Revised Code;

(c) A business manager appointed under section 3319.03 of the
Revised Code.

(2) As used in this section, "other administrator" does not
include a superintendent, assistant superintendent, principal, or
assistant principal.

(B) The board of education of each school district and the
governing board of an educational service center may appoint one

or more assistant superintendents and such other administrators as 19698
are necessary. An assistant educational service center 19699
superintendent or service center supervisor employed on a 19700
part-time basis may also be employed by a local board as a 19701
teacher. The board of each city, exempted village, and local 19702
school district shall employ principals for all high schools and 19703
for such other schools as the board designates, and those boards 19704
may appoint assistant principals for any school that they 19705
designate. 19706

(C) In educational service centers and in city ~~and~~, exempted 19707
village, and local school districts, assistant superintendents, 19708
principals, assistant principals, and other administrators shall 19709
only be employed or reemployed in accordance with nominations of 19710
the superintendent, except that a ~~city or exempted village~~ board 19711
of education of a school district or the governing board of a 19712
service center, by a three-fourths vote of its full membership, 19713
may reemploy any assistant superintendent, principal, assistant 19714
principal, or other administrator whom the superintendent refuses 19715
to nominate. ~~In local school districts, assistant superintendents,~~ 19716
~~principals, assistant principals, and other administrators shall~~ 19717
~~only be employed or reemployed in accordance with nominations of~~ 19718
~~the superintendent of the service center of which the local~~ 19719
~~district is a part, except that a local board of education, by a~~ 19720
~~three-fourths vote of its full membership, may reemploy any~~ 19721
~~assistant superintendent, principal, assistant principal, or other~~ 19722
~~administrator whom such superintendent refuses to nominate.~~ 19723

The board of education or governing board shall execute a 19724
written contract of employment with each assistant superintendent, 19725
principal, assistant principal, and other administrator it employs 19726
or reemploys. The term of such contract shall not exceed three 19727
years except that in the case of a person who has been employed as 19728
an assistant superintendent, principal, assistant principal, or 19729

other administrator in the district or center for three years or 19730
more, the term of the contract shall be for not more than five 19731
years and, unless the superintendent of the district recommends 19732
otherwise, not less than two years. If the superintendent so 19733
recommends, the term of the contract of a person who has been 19734
employed by the district or service center as an assistant 19735
superintendent, principal, assistant principal, or other 19736
administrator for three years or more may be one year, but all 19737
subsequent contracts granted such person shall be for a term of 19738
not less than two years and not more than five years. When a 19739
teacher with continuing service status becomes an assistant 19740
superintendent, principal, assistant principal, or other 19741
administrator with the district or service center with which the 19742
teacher holds continuing service status, the teacher retains such 19743
status in the teacher's nonadministrative position as provided in 19744
sections 3319.08 and 3319.09 of the Revised Code. 19745

A board of education or governing board may reemploy an 19746
assistant superintendent, principal, assistant principal, or other 19747
administrator at any regular or special meeting held during the 19748
period beginning on the first day of January of the calendar year 19749
immediately preceding the year of expiration of the employment 19750
contract and ending on the last day of March of the year the 19751
employment contract expires. 19752

Except by mutual agreement of the parties thereto, no 19753
assistant superintendent, principal, assistant principal, or other 19754
administrator shall be transferred during the life of a contract 19755
to a position of lesser responsibility. No contract may be 19756
terminated by a board except pursuant to section 3319.16 of the 19757
Revised Code. No contract may be suspended except pursuant to 19758
section 3319.17 or 3319.171 of the Revised Code. The salaries and 19759
compensation prescribed by such contracts shall not be reduced by 19760
a board unless such reduction is a part of a uniform plan 19761

affecting the entire district or center. The contract shall 19762
specify the employee's administrative position and duties as 19763
included in the job description adopted under division (D) of this 19764
section, the salary and other compensation to be paid for 19765
performance of duties, the number of days to be worked, the number 19766
of days of vacation leave, if any, and any paid holidays in the 19767
contractual year. 19768

An assistant superintendent, principal, assistant principal, 19769
or other administrator is, at the expiration of the current term 19770
of employment, deemed reemployed at the same salary plus any 19771
increments that may be authorized by the board, unless such 19772
employee notifies the board in writing to the contrary on or 19773
before the first day of June, or unless such board, on or before 19774
the last day of March of the year in which the contract of 19775
employment expires, either reemploys such employee for a 19776
succeeding term or gives written notice of its intention not to 19777
reemploy the employee. The term of reemployment of a person 19778
reemployed under this paragraph shall be one year, except that if 19779
such person has been employed by the school district or service 19780
center as an assistant superintendent, principal, assistant 19781
principal, or other administrator for three years or more, the 19782
term of reemployment shall be two years. 19783

(D)(1) Each board shall adopt procedures for the evaluation 19784
of all assistant superintendents, principals, assistant 19785
principals, and other administrators and shall evaluate such 19786
employees in accordance with those procedures. The evaluation 19787
based upon such procedures shall be considered by the board in 19788
deciding whether to renew the contract of employment of an 19789
assistant superintendent, principal, assistant principal, or other 19790
administrator. 19791

(2) The evaluation shall measure each assistant 19792
superintendent's, principal's, assistant principal's, and other 19793

administrator's effectiveness in performing the duties included in 19794
the job description and the evaluation procedures shall provide 19795
for, but not be limited to, the following: 19796

(a) Each assistant superintendent, principal, assistant 19797
principal, and other administrator shall be evaluated annually 19798
through a written evaluation process. 19799

(b) The evaluation shall be conducted by the superintendent 19800
or designee. 19801

(c) In order to provide time to show progress in correcting 19802
the deficiencies identified in the evaluation process, the 19803
evaluation process shall be completed as follows: 19804

(i) In any school year that the employee's contract of 19805
employment is not due to expire, at least one evaluation shall be 19806
completed in that year. A written copy of the evaluation shall be 19807
provided to the employee no later than the end of the employee's 19808
contract year as defined by the employee's annual salary notice. 19809

(ii) In any school year that the employee's contract of 19810
employment is due to expire, at least a preliminary evaluation and 19811
at least a final evaluation shall be completed in that year. A 19812
written copy of the preliminary evaluation shall be provided to 19813
the employee at least sixty days prior to any action by the board 19814
on the employee's contract of employment. The final evaluation 19815
shall indicate the superintendent's intended recommendation to the 19816
board regarding a contract of employment for the employee. A 19817
written copy of the evaluation shall be provided to the employee 19818
at least five days prior to the board's acting to renew or not 19819
renew the contract. 19820

(3) Termination of an assistant superintendent, principal, 19821
assistant principal, or other administrator's contract shall be 19822
pursuant to section 3319.16 of the Revised Code. Suspension of any 19823
such employee shall be pursuant to section 3319.17 or 3319.171 of 19824

the Revised Code. 19825

(4) Before taking action to renew or nonrenew the contract of 19826
an assistant superintendent, principal, assistant principal, or 19827
other administrator under this section and prior to the last day 19828
of March of the year in which such employee's contract expires, 19829
the board shall notify each such employee of the date that the 19830
contract expires and that the employee may request a meeting with 19831
the board. Upon request by such an employee, the board shall grant 19832
the employee a meeting in executive session. In that meeting, the 19833
board shall discuss its reasons for considering renewal or 19834
nonrenewal of the contract. The employee shall be permitted to 19835
have a representative, chosen by the employee, present at the 19836
meeting. 19837

(5) The establishment of an evaluation procedure shall not 19838
create an expectancy of continued employment. Nothing in division 19839
(D) of this section shall prevent a board from making the final 19840
determination regarding the renewal or nonrenewal of the contract 19841
of any assistant superintendent, principal, assistant principal, 19842
or other administrator. However, if a board fails to provide 19843
evaluations pursuant to division (D)(2)(c)(i) or (ii) of this 19844
section, or if the board fails to provide at the request of the 19845
employee a meeting as prescribed in division (D)(4) of this 19846
section, the employee automatically shall be reemployed at the 19847
same salary plus any increments that may be authorized by the 19848
board for a period of one year, except that if the employee has 19849
been employed by the district or service center as an assistant 19850
superintendent, principal, assistant principal, or other 19851
administrator for three years or more, the period of reemployment 19852
shall be for two years. 19853

(E) On nomination of the superintendent of a service center a 19854
governing board may employ supervisors who shall be employed under 19855
written contracts of employment for terms not to exceed five years 19856

each. Such contracts may be terminated by a governing board 19857
pursuant to section 3319.16 of the Revised Code. Any supervisor 19858
employed pursuant to this division may terminate the contract of 19859
employment at the end of any school year after giving the board at 19860
least thirty days' written notice prior to such termination. On 19861
the recommendation of the superintendent the contract or contracts 19862
of any supervisor employed pursuant to this division may be 19863
suspended for the remainder of the term of any such contract 19864
pursuant to section 3319.17 or 3319.171 of the Revised Code. 19865

(F) A board may establish vacation leave for any individuals 19866
employed under this section. Upon such an individual's separation 19867
from employment, a board that has such leave may compensate such 19868
an individual at the individual's current rate of pay for all 19869
lawfully accrued and unused vacation leave credited at the time of 19870
separation, not to exceed the amount accrued within three years 19871
before the date of separation. In case of the death of an 19872
individual employed under this section, such unused vacation leave 19873
as the board would have paid to the individual upon separation 19874
under this section shall be paid in accordance with section 19875
2113.04 of the Revised Code, or to the estate. 19876

(G) The board of education of any school district may 19877
contract with the governing board of the educational service 19878
center from which it otherwise receives services to conduct 19879
searches and recruitment of candidates for assistant 19880
superintendent, principal, assistant principal, and other 19881
administrator positions authorized under this section. 19882

Sec. 3319.03. The board of education of each city, exempted 19883
village, and local school district may create the position of 19884
business manager. The board shall ~~elect~~ appoint such business 19885
manager who shall serve ~~for a term not to exceed four years unless~~ 19886
~~earlier removed for cause~~ pursuant to a contract in accordance 19887

~~with section 3319.02 of the Revised Code. A vacancy in this office~~ 19888
~~shall be filled only for the unexpired term thereof.~~ In the 19889
discharge of all ~~his~~ official duties, the business manager may be 19890
directly responsible to the board, or to the superintendent of 19891
schools, as the board directs at the time of ~~election~~ appointment 19892
to the position. Where such business manager is responsible to the 19893
superintendent ~~he~~ the business manager shall be appointed by the 19894
superintendent and confirmed by the board. 19895

No board of education shall ~~elect~~ appoint or confirm as 19896
business manager any person who does not hold a valid business 19897
manager's license issued under section 3301.074 of the Revised 19898
Code. If the business manager fails to maintain a valid license, 19899
~~he~~ the business manager shall be removed by the board. 19900

Sec. 3319.07. (A) The board of education of each city, 19901
~~exempted village, and local, and joint vocational~~ school district 19902
shall employ the teachers of the public schools of their 19903
respective districts. 19904

The governing board of each educational service center may 19905
employ special instruction teachers, special education teachers, 19906
and teachers of academic courses in which there are too few 19907
students in each of the constituent local school districts or in 19908
city or exempted village school districts entering into agreements 19909
pursuant to section 3313.843 of the Revised Code to warrant each 19910
district's employing teachers for those courses. 19911

When any board makes appointments of teachers, the teachers 19912
in the employ of the board shall be considered before new teachers 19913
are chosen in their stead. In ~~city, exempted village, and joint~~ 19914
~~vocational~~ all school districts and in service centers no teacher 19915
shall be employed unless such person is nominated by the 19916
superintendent of such district or center. Such board, by a 19917
three-fourths vote of its full membership, may re-employ any 19918

teacher whom the superintendent refuses to appoint. ~~In local~~ 19919
~~school districts, no teacher shall be employed, except as provided~~ 19920
~~in division (B) of this section, unless nominated by the~~ 19921
~~superintendent of the service center of which such local school~~ 19922
~~district is a part; by a majority vote of the full membership of~~ 19923
~~such board, the board of education of any local school district~~ 19924
~~may, after considering two nominations for any position made by~~ 19925
~~the service center superintendent, reemploy a person not so~~ 19926
~~nominated for such position.~~ 19927

(B) The board of education of a ~~local~~ any school district ~~and~~ 19928
~~the board of education of the county school district of which the~~ 19929
~~local district is a part may enter into an agreement authorizing~~ 19930
~~the superintendent of the local district, in lieu of the~~ 19931
~~superintendent of the county district, to make nominations under~~ 19932
~~this section for the employment of teachers in the local district.~~ 19933
~~While such an agreement is in effect the board of education of the~~ 19934
~~local district shall not employ any teacher unless the person is~~ 19935
~~nominated by the superintendent of the district except that, by a~~ 19936
~~three fourths vote of its full membership, it may re-employ any~~ 19937

~~with the governing board of the educational service center from~~ 19939
~~which it otherwise receives services to conduct searches and~~ 19940

Sec. 3319.19. (A) Except as provided in division (D) of this 19942
section or division (A)(2) of section 3313.37 of the Revised Code, 19943
upon request, the board of county commissioners shall provide and 19944
equip offices in the county for the use of the superintendent of 19945
an educational service center, and shall provide heat, light, 19946
water, and janitorial services for such offices. Such offices 19947
shall be the permanent headquarters of the superintendent and 19948
shall be used by the governing board of the service center when it 19949
is in session. Except as provided in division (B) of this section, 19950

such offices shall be located in the county seat or, upon the approval of the governing board, may be located outside of the county seat.

(B) In the case of a service center formed under section 3311.053 of the Revised Code, the governing board shall designate the site of its offices. Except as provided in division (D) of this section or division (A)(2) of section 3313.37 of the Revised Code, the board of county commissioners of the county in which the designated site is located shall provide and equip the offices as under division (A) of this section, but the costs of such offices and equipment shall be apportioned among the boards of county commissioners of all counties having any territory in the area under the control of the governing board, according to the proportion of local school district pupils under the supervision of such board residing in the respective counties. Where there is a dispute as to the amount any board of county commissioners is required to pay, the probate judge of the county in which the greatest number of pupils under the supervision of the governing board reside shall apportion such costs among the boards of county commissioners and notify each such board of its share of the costs.

(C) ~~Not~~ As used in division (C) of this section, in the case of a building, facility, or office space that a board of county commissioners leases or rents, "actual cost per square foot" means all cost on a per square foot basis incurred by the board under the lease or rental agreement. In the case of a building, facility, or office space that the board owns in fee simple, "actual cost per square foot" means the fair rental value on a per square foot basis of the building, facility, or office space either as compared to a similarly situated building, facility, or office space in the general vicinity or as calculated under a formula that accounts for depreciation, amortization of

improvements, and other reasonable factors, including, but not 19983
limited to, parking space and other amenities. 19984

Not later than the thirty-first day of March of 2002, 2003, 19985
2004, and 2005 a board of county commissioners required to provide 19986
or equip offices pursuant to division (A) or (B) of this section 19987
shall make a written estimate of the total cost it will incur for 19988
the ensuing fiscal year to provide and equip the offices and to 19989
provide heat, light, water, and janitorial services for such 19990
offices. The total estimate of cost shall include: 19991

(1) The total square feet of space to be utilized by the 19992
educational service center; 19993

(2) The total square feet of any common areas that should be 19994
reasonably allocated to the center and the methodology for making 19995
this allocation; 19996

(3) The actual cost per square foot for both the space 19997
utilized by and the common area allocated to the center; 19998

(4) An explanation of the methodology used to determine the 19999
actual cost per square foot ~~cost~~; 20000

(5) The estimated cost of providing heat, light, and water, 20001
including an explanation of how these costs were determined; 20002

(6) The estimated cost of providing janitorial services 20003
including an explanation of the methodology used to determine this 20004
cost; 20005

(7) Any other estimated costs that the board anticipates it 20006
will occur and a detailed explanation of the costs and the 20007
rationale used to determine such costs. 20008

A copy of the total estimate of costs under this division 20009
shall be sent to the superintendent of the educational service 20010
center not later than the fifth day of April. The superintendent 20011

the superintendent agrees with the estimate, it shall become the 20016
final total estimate of cost. Failure of the superintendent to 20017
make objections to the estimate by the twentieth day after receipt 20018
of it shall be deemed to mean that the superintendent is in 20019
agreement with the estimate. 20020

If the superintendent provides specific objections to the 20021
board of county commissioners, the board shall review the 20022
objections and may modify the original estimate and shall send a 20023
revised total estimate to the superintendent within ten days after 20024
the receipt of the superintendent's objections. The superintendent 20025
shall respond to the revised estimate within ten days after its 20026
receipt. If the superintendent agrees with it, it shall become the 20027
final total estimated cost. If the superintendent fails to respond 20028
within the required time, the superintendent shall be deemed to 20029
have agreed with the revised estimate. If the superintendent 20030
disagrees with the revised estimate, the superintendent shall send 20031
specific objections to the county commissioners. 20032

district pupils under the supervision of the educational service 20036
center shall determine the final estimated cost and certify this 20037
amount to the superintendent and the board of county commissioners 20038
prior to the first day of July. 20039

(D)(1) A board of county commissioners shall be responsible 20040

- (b) Sixty per cent for fiscal year 2004; 20044
- (c) Forty per cent for fiscal year 2005; 20045
- (d) Twenty per cent for fiscal year 2006. 20046

In fiscal years 2003, 2004, 2005, and 2006 the educational 20047
service center shall be responsible for the remainder of any costs 20048
in excess of the amounts specified in division (D)(1)(a), (b), ~~e~~ 20049
(c), or (d) of this section, as applicable, associated with the 20050
provision and equipment of offices for the educational service 20051
center and for provision of heat, light, water, and janitorial 20052
services for such offices, including any unanticipated or 20053
unexpected increases in the costs beyond the final estimated cost 20054
amount. 20055

Beginning in fiscal year 2007, no board of county 20056
commissioners shall have any obligation to provide and equip 20057
offices for an educational service center or to provide heat, 20058
light, water, or janitorial services for such offices. 20059

(2) Nothing in this section shall prohibit the board of 20060
county commissioners and the governing board of an educational 20061
service center from entering into a contract for providing and 20062
equipping offices for the use of an educational service center and 20063
for providing heat, light, water, and janitorial services for such 20064
offices. The term of any such contract shall not exceed a period 20065
of four years and may be renewed for additional periods not to 20066
exceed four years. Any such contract shall supersede the 20067
provisions of division (D)(1) of this section and no educational 20068
service center may be charged, at any time, any additional amount 20069
for the county's provision of an office and equipment, heat, 20070
light, water, and janitorial services beyond the amount specified 20071
in such contract. 20072

(3) No contract entered into under division (D)(2) of this 20073
section in any year prior to fiscal year 2007 between an 20074

educational service center formed under section 3311.053 of the 20075
Revised Code and the board of county commissioners required to 20076
provide and equip its office pursuant to division (B) of this 20077
section shall take effect unless the boards of county 20078
commissioners of all other counties required to participate in the 20079
funding for such offices pursuant to division (B) of this section 20080
adopt resolutions approving the contract. 20081

Sec. 3319.22. (A) The state board of education shall adopt 20082
rules establishing the standards and requirements for obtaining 20083
temporary, associate, provisional, and professional educator 20084
licenses of any categories, types, and levels the board elects to 20085
provide. However, no educator license shall be required for 20086
teaching children two years old or younger. 20087

(B) Any rules the state board of education adopts, amends, or 20088
rescinds for educator licenses under this section, division (D) of 20089
section 3301.07 of the Revised Code, or any other law shall be 20090
adopted, amended, or rescinded under Chapter 119. of the Revised 20091
Code except as follows: 20092

(1) Notwithstanding division (D) of section 119.03 and 20093
division (A)(1) of section 119.04 of the Revised Code, the 20094
effective date of any rules, or amendment or rescission of any 20095
rules, shall not be as prescribed in division (D) of section 20096
119.03 and division (A)(1) of section 119.04 of the Revised Code. 20097
Instead, the effective date shall be the date prescribed by 20098
section 3319.23 of the Revised Code. 20099

(2) Notwithstanding the authority to adopt, amend, or rescind 20100
emergency rules in division (F) of section 119.03 of the Revised 20101
Code, this authority shall not apply to the state board of 20102
education with regard to rules for educator licenses. 20103

(C)(1) The rules adopted under this section establishing 20104
standards requiring additional coursework for the renewal of any 20105

educator license shall require a school district and a chartered 20106
nonpublic school to establish local professional development 20107
committees. In a nonpublic school, the chief administrative 20108
officer shall establish the committees in any manner acceptable to 20109
such officer. The committees established under this division shall 20110
determine whether coursework that a district or chartered 20111
nonpublic school teacher proposes to complete meets the 20112
requirement of the rules. The rules shall establish a procedure by 20113
which a teacher may appeal the decision of a local professional 20114
development committee. 20115

(2) In any school district in which there is no exclusive 20116
representative established under Chapter 4117. of the Revised 20117
Code, the professional development committees shall be established 20118
as described in division (C)(2) of this section. 20119

Not later than the effective date of the rules adopted under 20120
this section, the board of education of each school district shall 20121
establish the structure for one or more local professional 20122
development committees to be operated by such school district. The 20123
committee structure so established by a district board shall 20124
remain in effect unless within thirty days prior to an anniversary 20125
of the date upon which the current committee structure was 20126
established, the board provides notice to all affected district 20127
employees that the committee structure is to be modified. 20128
Professional development committees may have a district-level or 20129
building-level scope of operations, and may be established with 20130
regard to particular grade or age levels for which an educator 20131
license is designated. 20132

Each professional development committee shall consist of at 20133
least three classroom teachers employed by the district, one 20134
principal employed by the district, and one other employee of the 20135
district appointed by the district superintendent. For committees 20136
with a building-level scope, the teacher and principal members 20137

shall be assigned to that building, and the teacher members shall 20138
be elected by majority vote of the classroom teachers assigned to 20139
that building. For committees with a district-level scope, the 20140
teacher members shall be elected by majority vote of the classroom 20141
teachers of the district, and the principal member shall be 20142
elected by a majority vote of the principals of the district, 20143
unless there are two or fewer principals employed by the district, 20144
in which case the one or two principals employed shall serve on 20145
the committee. If a committee has a particular grade or age level 20146
scope, the teacher members shall be licensed to teach such grade 20147
or age levels, and shall be elected by majority vote of the 20148
classroom teachers holding such a license and the principal shall 20149
be elected by all principals serving in buildings where any such 20150
teachers serve. The district superintendent shall appoint a 20151
replacement to fill any vacancy that occurs on a professional 20152
development committee, except in the case of vacancies among the 20153
elected classroom teacher members, which shall be filled by vote 20154
of the remaining members of the committee so selected. 20155

Terms of office on professional development committees shall 20156
be prescribed by the district board establishing the committees. 20157
The conduct of elections for members of professional development 20158
committees shall be prescribed by the district board establishing 20159
the committees. A professional development committee may include 20160
additional members, except that the majority of members on each 20161
such committee shall be classroom teachers employed by the 20162
district. Any member appointed to fill a vacancy occurring prior 20163
to the expiration date of the term for which a predecessor was 20164
appointed shall hold office as a member for the remainder of that 20165
term. 20166

The initial meeting of any professional development 20167
committee, upon election and appointment of all committee members, 20168
shall be called by a member designated by the district 20169

superintendent. At this initial meeting, the committee shall 20170
select a chairperson and such other officers the committee deems 20171
necessary, and shall adopt rules for the conduct of its meetings. 20172
Thereafter, the committee shall meet at the call of the 20173
chairperson or upon the filing of a petition with the district 20174
superintendent signed by a majority of the committee members 20175
calling for the committee to meet. 20176

(3) In the case of a school district in which an exclusive 20177
representative has been established pursuant to Chapter 4117. of 20178
the Revised Code, professional development committees shall be 20179
established in accordance with any collective bargaining agreement 20180
in effect in the district that includes provisions for such 20181
committees. 20182

If the collective bargaining agreement does not specify a 20183
different method for the selection of teacher members of the 20184
committees, the exclusive representative of the district's 20185
teachers shall select the teacher members. 20186

If the collective bargaining agreement does not specify a 20187
different structure for the committees, the board of education of 20188
the school district shall establish the structure, including the 20189
number of committees and the number of teacher and administrative 20190
members on each committee; the specific administrative members to 20191
be part of each committee; whether the scope of the committees 20192
will be district levels, building levels, or by type of grade or 20193
age levels for which educator licenses are designated; the lengths 20194
of terms for members; the manner of filling vacancies on the 20195
committees; and the frequency and time and place of meetings. 20196
However, in all cases, except as provided in division (C)(4) of 20197
this section, there shall be a majority of teacher members of any 20198
professional development committee, there shall be at least five 20199
total members of any professional development committee, and the 20200
exclusive representative shall designate replacement members in 20201

the case of vacancies among teacher members, unless the collective bargaining agreement specifies a different method of selecting such replacements.

(4) Whenever an administrator's coursework plan is being discussed or voted upon, the local professional development committee shall, at the request of one of its administrative members, cause a majority of the committee to consist of administrative members by reducing the number of teacher members voting on the plan.

They may establish local professional development committees on their own or in collaboration with a school district or other agency having authority to establish them.

Local professional development committees established by county boards of mental retardation and developmental disabilities shall be structured in a manner comparable to the structures prescribed for school districts in divisions (C)(2) and (3) of this section, as shall the committees established by any other entity specified in division (D)(1) of this section that provides educational services by employing or contracting for services of classroom teachers licensed or certificated under this section or section 3319.222 of the Revised Code. Revised Code may establish a local professional development 20240
committee, subject to the approval of the department of education. 20241

section from complying with any conditions on which the granting 22487
of the certificates of need was based. 22488

provided in sections 3705.09 and 3705.12 of the Revised Code. The 22732
local record may be a typewritten, photographic, electronic, or 22733
other reproduction. On or before the tenth day of each month, the 22734
local registrar shall transmit to the state office of vital 22735
statistics all original birth, still birth, fetal death, death, 22736
and military service certificates received, and all social 22737

registrar shall immediately notify the health commissioner with 22740
jurisdiction in the registration district of the receipt of a 22741
death certificate attesting that death resulted from a 22742
communicable disease. 22743

The office of vital statistics shall carefully examine the 22744

records and certificates received from local registrars of vital 22745
statistics and shall secure any further information that may be 22746
necessary to make each record and certificate complete and 22747
satisfactory. It shall arrange and preserve the records and 22748
certificates, or reproductions of them produced pursuant to 22749
section 3705.03 of the Revised Code, in a systematic manner and 22750
shall maintain a permanent index of all births, still births, 22751
fetal deaths, and deaths registered, which shall show the name of 22752
the child or deceased person, place and date of birth or death, 22753

local registrar of vital statistics under division (I) of section 22759
3705.09 or under section 3705.10 or 3705.16 of the Revised Code 22760
and that were transmitted to the office under division (A) of this 22761
section. 22762

(2) The office of vital statistics also shall make available 22763
to the division of child support in the department of job and 22764
family services any other information recorded in the birth record 22765
that may enable the division to use the social security numbers 22766
provided under division (B)(1) of this section to obtain the 22767
location of the father of the child whose birth certificate was 22768
accompanied by the social security number or to otherwise enforce 22769
a child support order pertaining to that child or any other child. 22770

Sec. 3705.08. The director of health, by rule, shall 22771
prescribe the form of records and certificates required by this 22772
chapter. Records and certificates shall include the items and 22773
information prescribed by the director, including the items 22774
recommended by the national center for health statistics of the 22775

United States department of health and human services, subject to 22776
approval of and modification by the director, and all birth 22777
certificates shall include a statement setting forth the names of 22778
the child's parents and a line for the mother's and the father's 22779
signature. 22780

The director shall prescribe methods, forms, and blanks and 22781
shall furnish necessary postage, forms, and blanks for obtaining 22782
registration of births, deaths, and other vital statistics in each 22783
registration district, and for preserving the records of the 22784
office of vital statistics, and no forms or blanks shall be used 22785
other than those prescribed by the director. 22786

All birth, still birth, fetal death, and death records and 22787
certificates shall be printed legibly or typewritten in unfading 22788
black ink and signed. Except as provided in division (G) of 22789
section 3705.09, division (A) of section 3705.12, division (D) of 22790
section 3705.15, or section 3705.16 of the Revised Code, a 22791
signature required on a birth, still birth, fetal death, or death 22792
certificate shall be written by the person required to sign and a 22793
facsimile signature shall not be used. 22794

All vital records shall contain the date received for 22795
registration. 22796

Information required in certificates, records, or reports 22797
authorized by this chapter may be filed and registered by 22798
photographic, electronic, or other means as prescribed by the 22799
director. 22800

Sec. 3705.16. Each death, still birth, or fetal death that 22801
occurs in this state shall be registered with the local registrar 22802
of vital statistics of the district in which the death, still 22803
birth, or fetal death occurred by the funeral director or other 22804
person in charge of the final disposition of the remains. The 22805
personal and statistical information in the death, still birth, or 22806

fetal death certificate shall be obtained from the best qualified 22807
persons or sources available by the funeral director or other 22808
person in charge of the final disposition of the remains. The 22809

information relative to the armed services referred to in section 22811
3705.19 of the Revised Code shall be signed by the funeral 22812
director or other person in charge of the final disposition of the 22813
remains. The funeral director or other person in charge of the 22814
final disposition of the remains shall then present the death 22815
certificate to the physician or coroner for certification of the 22816
cause of death. The medical certificate of death shall be 22817
completed and signed by the physician who attended the deceased or 22818
by the coroner within forty-eight hours after death. The coroner 22819
may satisfy the requirement of signing a death certificate showing 22820
the cause of death as pending either by stamping it with a stamp 22821
of the coroner's signature or by signing it in the coroner's own 22822
hand, but the coroner shall sign a death certificate or 22823
supplementary medical certification in the coroner's own hand. Any 22824
death certificate registered pursuant to this section shall 22825
contain the social security number of the decedent, if available. 22826
A social security number obtained under this section is a public 22827
record under section 149.43 of the Revised Code. 22828

Sec. 3705.17. The body of a person whose death occurs in this 22829
state shall not be interred, deposited in a vault or tomb, 22830
cremated, or otherwise disposed of by a funeral director until a 22831
burial permit is issued by a local registrar or sub-registrar of 22832
vital statistics. No such permit shall be issued by a local 22833
registrar or sub-registrar until a satisfactory death, still 22834
birth, fetal death, or provisional death certificate is filed with 22835
the local registrar or sub-registrar. When the medical 22836
certification as to the cause of death cannot be provided by the 22837
attending physician or coroner prior to burial, for sufficient 22838

cause, as determined by rule of the director of health, the 22839
funeral director may file a provisional death certificate with the 22840
local registrar or sub-registrar for the purpose of securing a 22841
burial or burial-transit permit. When the funeral director files a 22842
provisional death certificate to secure a burial or burial-transit 22843
permit, the funeral director shall file a satisfactory and 22844
complete death certificate within five days after the date of 22845
death. The director of health, by rule, may provide additional 22846
time for filing a satisfactory death certificate. A burial permit 22847
authorizing cremation shall not be issued upon the filing of a 22848
provisional certificate of death. 22849

When a funeral director or other person obtains a burial 22850
permit from a local registrar or sub-registrar, the registrar or 22851
sub-registrar shall charge a fee of three dollars for the issuance 22852
of the burial permit. Two dollars and fifty cents of each fee 22853
collected for a burial permit shall be paid into the state 22854
treasury to the credit of the division of real estate in the 22855
department of commerce to be used by the division in discharging 22856
its duties prescribed in Chapter 4767. of the Revised Code and the 22857
Ohio cemetery dispute resolution commission created by section 22858
4767.05 of the Revised Code. A local registrar or sub-registrar 22859
shall transmit payments of that portion of the amount of each fee 22860
collected under this section to the treasurer of state on a 22861
quarterly basis or more frequently, if possible. The director of 22862
health, by rule, shall provide for the issuance of a burial permit 22863
without the payment of the fee required by this section if the 22864
total cost of the burial will be paid by an agency or 22865
instrumentality of the United States, the state or a state agency, 22866
or a political subdivision of the state. 22867

The director of commerce may by rule adopted in accordance 22868
with Chapter 119. of the Revised Code reduce the total amount of 22869
the fee required by this section and that portion of the amount of 22870

the fee required to be paid to the credit of the division of real 22871
estate for the use of the division and the Ohio cemetery dispute 22872
resolution commission, if the director determines that the total 22873
amount of funds the fee is generating at the amount required by 22874
this section exceeds the amount of funds the division of real 22875
estate and the commission need to carry out their powers and 22876
duties prescribed in Chapter 4767. of the Revised Code. 22877

No person in charge of any premises in which interments or 22878
cremations are made shall inter or cremate or otherwise dispose of 22879
a body, unless it is accompanied by a burial permit. Each person 22880
in charge of a cemetery, crematory, or other place of disposal 22881
shall indorse upon a burial permit the date of interment, 22882
cremation, or other disposal and shall retain such permits for a 22883
period of at least five years. The person in charge shall keep an 22884
accurate record of all interments, cremations, or other disposal 22885
of dead bodies, made in the premises under the person's charge, 22886
stating the name of the deceased person, place of death, date of 22887
burial, cremation, or other disposal, and name and address of the 22888
funeral director. Such record shall at all times be open to public 22889
inspection. 22890

Sec. 3705.201. A still birth shall be registered on a still 22891
birth certificate. A still birth that occurs in Ohio shall not be 22892
interred, deposited in a vault or tomb, cremated, or otherwise 22893
disposed of by a funeral director or other person until a still 22894
birth certificate or provisional certificate has been filed with 22895
and a burial permit is issued by the local registrar of vital 22896
statistics of the registration district in which the still birth 22897
occurs, or the body is found. The department of health and the 22898
local registrar shall keep a separate record and index record of 22899
still birth certificates. 22900

The personal or statistical information on the still birth 22901

certificate shall be obtained by the funeral director or other 22902
person in charge of interment or cremation from the best qualified 22903
persons or sources available. 22904

Sec. 3705.22. Whenever it is alleged that the facts stated in 22905
any birth, still birth, fetal death, or death record filed in the 22906
department of health are not true, the director may require 22907
satisfactory evidence to be presented in the form of affidavits, 22908
amended records, or certificates to establish the alleged facts. 22909
When established, the original record or certificate shall be 22910
supplemented by the affidavit or the amended certificate or record 22911
information. 22912

An affidavit in a form prescribed by the director shall be 22913
sworn to by a person having personal knowledge of the matter 22914
sought to be corrected. Medical certifications contained on still 22915
birth, fetal death, or death records may be corrected only by the 22916
person whose name appears on the original record as attending 22917
physician or by the coroner of the county in which the death 22918
occurred. 22919

The amended birth record shall be signed by the person who 22920
attended the birth and the informant or informants whose names 22921
appear on the original record. The amended ~~death or~~ still birth, 22922
fetal death, or death record shall be signed by the physician or 22923
coroner, funeral director, and informant whose names appear on the 22924
original record. 22925

An affidavit or amended record for the correction of the 22926
given name of a person shall have the signature of the person, if 22927
the person is age eighteen or older, or of both parents if the 22928
person is under eighteen, except that in the case of a child born 22929
out of wedlock, the mother's signature will suffice; in the case 22930
of the death or incapacity of either parent, the signature of the 22931
other parent will suffice; in the case of a child not in the 22932

custody of ~~his~~ the child's parents, the signature of the guardian 22933
or agency having the custody of the child will suffice; and in the 22934
case of a child whose parents are deceased, the signature of 22935
another person who knows the child will suffice. 22936

Once a correction or amendment of an item is made on a vital 22937
record, that item shall not be corrected or amended again except 22938
on the order of a court of this state or the request of a court of 22939
another state or jurisdiction. 22940

The director may refuse to accept an affidavit or amended 22941
certificate or record that appears to be submitted for the purpose 22942
of falsifying the certificate or record. 22943

A certified copy of a certificate or record issued by the 22944
department of health shall show the information as originally 22945
given and the corrected information, except that an electronically 22946
produced copy need indicate only that the certificate or record 22947
was corrected and the item that was corrected. 22948

Sec. 3705.23. (A)(1) Except as otherwise provided in this 22949
section, the director of health, the state registrar, or a local 22950
registrar, on receipt of a signed application and the fee 22951
specified in section 3705.24 of the Revised Code, shall issue a 22952
certified copy of a vital record, or of a part of a vital record, 22953

the vital record has ceased to be a public record pursuant to 22955
section 3705.09, 3705.11, 3705.12, or 3705.15 of the Revised Code. 22956
The certified copy shall show the date the vital record was 22957
registered by the local registrar. 22958

(2) A certified copy of a vital record may be made by a 22959
mechanical, electronic, or other reproduction process. It shall be 22960
certified as a true copy by the director, state registrar, or 22961
local registrar who has custody of the record and shall include 22962

services from the home, in which case the individuals in the 23441
separate and discrete part or unit shall not be considered in 23442
determining the number of residents in the home if the separate 23443
and discrete part or unit is in compliance with the Ohio basic 23444
building code established by the board of building standards under 23445
Chapters 3781. and 3791. of the Revised Code and the home permits 23446
the director, on request, to inspect the separate and discrete 23447

they consent, to determine whether the separate and discrete part 23449
or unit meets the requirements of this division. 23450

(D) The director of health shall charge an application fee 23451
and an annual renewal licensing and inspection fee of one hundred 23452
five dollars for each fifty persons or part thereof of a home's 23453

chapter or another chapter of the Revised Code in any action or 23465
proceeding other than an action commenced under division (I) of 23466
section 3721.17 of the Revised Code. Those results of an 23467
inspection or investigation, that statement of deficiencies, and 23468
the findings and deficiencies cited in that statement shall not be 23469
used in any court or in any action or proceeding that is pending 23470
in any court and are not admissible in evidence in any action or 23471
proceeding unless that action or proceeding is an appeal of an 23472
action by the department of health under this chapter or is an 23473
action by any department or agency of the state to enforce this 23474
chapter or another chapter of the Revised Code. 23475

(2) Nothing in division (E)(1) of this section prohibits the 23476
results of an inspection or investigation conducted under this 23477

prosecution. 23479

If the prospective resident has a sponsor whose identity is made known to the home, the home shall also inform the sponsor, before admission of the resident, of the home's status relative to the medical assistance program. Written acknowledgement of the receipt of the information shall be provided by the resident and, if the prospective resident has a sponsor who has been identified to the home, by the sponsor. The written acknowledgement shall be made part of the resident's record by the home.

No home shall terminate its status as a provider under the medical assistance program unless it has complied with section 5111.66 of the Revised Code and, at least ninety days prior to such termination, provided written notice to the ~~department of job and family services~~ and residents of the home and their sponsors of such action. This requirement shall not apply in cases where the department of job and family services terminates a home's provider agreement or provider status.

policy and the provisions that may be contained in a risk 23518

breach of any duty imposed by this section. The action may be 23525
commenced by the resident, or on the resident's behalf by the 23526
resident's sponsor or a residents' rights advocate, by the filing 23527
of a civil action in the court of common pleas of the county in 23528
which the home is located, or in the court of common pleas of 23529
Franklin county. 23530

If the court finds that a breach of any duty imposed by this 23531
section has occurred, the court shall enjoin the home from 23532
discharging the resident from the home until arrangements 23533
satisfactory to the court are made for the orderly transfer of the 23534
resident to another mode of health care including, but not limited 23535
to, another home, and may award the resident and a person or 23536
public agency that brings an action on behalf of a resident 23537
reasonable attorney's fees. If a home discharges a resident to 23538
whom or to whose sponsor information concerning its status 23539
relative to the medical assistance program was not provided as 23540
required under this section, the court shall grant any appropriate 23541

licenser may accept an application on or after the fifteenth day 23604
of April. The license fees specified in this division shall be 23605
submitted to the licenser with the application for a license. No 23606

license. Any person operating an agricultural labor camp without a 23608

current and valid agricultural labor camp license is not excepted 23609
from compliance with sections 3733.41 to 3733.49 of the Revised 23610
Code by holding a valid and current hotel license. Each person 23611
proposing to open an agricultural labor camp shall submit with the 23612
application for a license any plans required by any rule adopted 23613
under section 3733.42 of the Revised Code. The annual license fee 23614
is ~~twenty~~ seventy-five dollars, unless the application for a 23615
license is made on or after the fifteenth day of April, in which 23616
case the annual license fee is ~~forty~~ one hundred dollars. An 23617
additional fee of ~~three~~ ten dollars per housing unit per year 23618
shall be assessed to defray the costs of enforcing sections 23619
3733.41 to 3733.49 of the Revised Code, unless the application for 23620
a license is made on or after the fifteenth day of April, in which 23621
case an additional fee of ~~six~~ fifteen dollars per housing unit 23622
shall be assessed. All fees collected under this division shall be 23623

3733.41 to 3733.49 of the Revised Code and rules adopted 23627
thereunder. 23628

(B) Any license under this section may be denied, suspended, 23629
or revoked by the licensor for violation of sections 3733.41 to 23630
3733.49 of the Revised Code or the rules adopted thereunder. 23631
Unless there is an immediate serious public health hazard, no 23632
denial, suspension, or revocation of a license shall be made 23633
effective until the person operating the agricultural labor camp 23634
has been given notice in writing of the specific violations and a 23635
reasonable time to make corrections. When the licensor determines 23636
that an immediate serious public health hazard exists, ~~he~~ the 23637
licensor shall issue an order denying or suspending the license 23638
without a prior hearing. 23639

(C) All proceedings under this section are subject to Chapter 23640

119. of the Revised Code except as provided in section 3733.431 of 23641
the Revised Code. 23642

(D) Every occupant of an agricultural labor camp shall keep 23643
that part of the dwelling unit, and premises thereof, that ~~he~~ the 23644
occupant occupies and controls in a clean and sanitary condition. 23645

Sec. 3733.45. (A) The licensor shall inspect all agricultural 23646
labor camps and shall require compliance with sections 3733.41 to 23647
3733.49 of the Revised Code and the rules adopted thereunder prior 23648
to the issuance of a license. Upon receipt of a complaint from the 23649
migrant agricultural ~~ombudsman~~ ombudsperson or upon the basis of a 23650
licensor's own information that an agricultural labor camp is 23651
operating without a license, the licensor shall inspect the camp. 23652
If the camp is operating without a license, the licensor shall 23653
require the camp to comply with sections 3733.41 to 3733.49 of the 23654
Revised Code and the rules adopted under those sections. No 23655
license shall be issued unless results of water supply tests 23656
indicate that the water supply meets required standards or if any 23657
violations exist concerning sanitation, drainage, or habitability 23658
of housing units. 23659

(B) The licensor shall, upon issuance of each license, 23660
distribute posters containing the toll-free telephone number of 23661
the migrant agricultural ~~ombudsman~~ ombudsperson established in 23662
section 3733.49 of the Revised Code and information in English and 23663
Spanish describing the purpose of the ~~ombudsman's~~ ombudsperson's 23664

least two posters to the licensee, one for ~~his~~ the licensee's 23666
personal use and at least one that shall be posted in a 23667
conspicuous place within the camp. 23668

(C) The licensor may, upon proper identification to the 23669
operator or ~~his~~ the operator's agent, enter on any property or 23670
into any structure at any reasonable time for the purpose of 23671

making inspections required by this section. 23672

The licensor shall make at least one inspection prior to 23673
licensing, ~~and at least two inspections during occupancy of the~~ 23674
~~amps, at least one of which shall be an unannounced evening~~ 23675
~~inspection conducted after five p.m. The licensor shall determine~~ 23676
~~and record housing unit occupancy during each evening inspection.~~ 23677
The licensor shall make such other inspections as ~~he~~ the licensor 23678
considers necessary to enforce sections 3733.41 to 3733.49 of the 23679
Revised Code adequately. 23680

(D) Any plans submitted to the licensor shall be in 23681
compliance with rules adopted pursuant to section 3733.42 of the 23682
Revised Code and shall be approved or disapproved within thirty 23683
days after they are filed. 23684

(E) ~~All designees of the licensor who conduct inspections in~~ 23685
~~the evening in accordance with this section shall speak both~~ 23686
~~English and Spanish fluently. At least one member of the permanent~~ 23687
~~staff assigned to conduct inspections in accordance with this~~ 23688
~~section shall speak both English and Spanish fluently.~~ 23689

~~(F)~~ The licensor shall issue an annual report that shall 23690
accurately reflect the results of that year's inspections, 23691
including, but not limited to, numbers of ~~pre and post occupancy~~ 23692
inspections, number of violations found, and action taken in 23693
regard to violations. The report shall also include an assessment 23694
of any problems found in that year and proposed solutions for 23695
them. 23696

Sec. 3734.02. (A) The director of environmental protection, 23697
in accordance with Chapter 119. of the Revised Code, shall adopt 23698
and may amend, suspend, or rescind rules having uniform 23699
application throughout the state governing solid waste facilities 23700
and the inspections of and issuance of permits and licenses for 23701
all solid waste facilities in order to ensure that the facilities 23702

will be located, maintained, and operated, and will undergo 23703
closure and post-closure care, in a sanitary manner so as not to 23704
create a nuisance, cause or contribute to water pollution, create 23705
a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 23706
257.3-8, as amended. The rules may include, without limitation, 23707
financial assurance requirements for closure and post-closure care 23708
and corrective action and requirements for taking corrective 23709
action in the event of the surface or subsurface discharge or 23710
migration of explosive gases or leachate from a solid waste 23711
facility, or of ground water contamination resulting from the 23712
transfer or disposal of solid wastes at a facility, beyond the 23713
boundaries of any area within a facility that is operating or is 23714
undergoing closure or post-closure care where solid wastes were 23715
disposed of or are being disposed of. The rules shall not concern 23716
or relate to personnel policies, salaries, wages, fringe benefits, 23717
or other conditions of employment of employees of persons owning 23718
or operating solid waste facilities. The director, in accordance 23719
with Chapter 119. of the Revised Code, shall adopt and may amend, 23720
suspend, or rescind rules governing the issuance, modification, 23721
revocation, suspension, or denial of variances from the director's 23722
solid waste rules, including, without limitation, rules adopted 23723
under this chapter governing the management of scrap tires. 23724

Variances shall be issued, modified, revoked, suspended, or 23725
rescinded in accordance with this division, rules adopted under 23726
it, and Chapter 3745. of the Revised Code. The director may order 23727
the person to whom a variance is issued to take such action within 23728
such time as the director may determine to be appropriate and 23729
reasonable to prevent the creation of a nuisance or a hazard to 23730
the public health or safety or the environment. Applications for 23731
variances shall contain such detail plans, specifications, and 23732
information regarding objectives, procedures, controls, and other 23733
pertinent data as the director may require. The director shall 23734
grant a variance only if the applicant demonstrates to the 23735

director's satisfaction that construction and operation of the 23736
solid waste facility in the manner allowed by the variance and any 23737
terms or conditions imposed as part of the variance will not 23738
create a nuisance or a hazard to the public health or safety or 23739
the environment. In granting any variance, the director shall 23740
state the specific provision or provisions whose terms are to be 23741
varied and also shall state specific terms or conditions imposed 23742
upon the applicant in place of the provision or provisions. The 23743
director may hold a public hearing on an application for a 23744
variance or renewal of a variance at a location in the county 23745
where the operations that are the subject of the application for 23746
the variance are conducted. The director shall give not less than 23747
twenty days' notice of the hearing to the applicant by certified 23748
mail and shall publish at least one notice of the hearing in a 23749
newspaper with general circulation in the county where the hearing 23750
is to be held. The director shall make available for public 23751
inspection at the principal office of the environmental protection 23752
agency a current list of pending applications for variances and a 23753
current schedule of pending variance hearings. The director shall 23754
make a complete stenographic record of testimony and other 23755
evidence submitted at the hearing. Within ten days after the 23756
hearing, the director shall make a written determination to issue, 23757
renew, or deny the variance and shall enter the determination and 23758
the basis for it into the record of the hearing. The director 23759
shall issue, renew, or deny an application for a variance or 23760
renewal of a variance within six months of the date upon which the 23761
director receives a complete application with all pertinent 23762
information and data required. No variance shall be issued, 23763
revoked, modified, or denied until the director has considered the 23764
relative interests of the applicant, other persons and property 23765
affected by the variance, and the general public. Any variance 23766
granted under this division shall be for a period specified by the 23767
director and may be renewed from time to time on such terms and 23768

for such periods as the director determines to be appropriate. No 23769
application shall be denied and no variance shall be revoked or 23770
modified without a written order stating the findings upon which 23771
the denial, revocation, or modification is based. A copy of the 23772
order shall be sent to the applicant or variance holder by 23773
certified mail. 23774

(B) The director shall prescribe and furnish the forms 23775
necessary to administer and enforce this chapter. The director may 23776
cooperate with and enter into agreements with other state, local, 23777
or federal agencies to carry out the purposes of this chapter. The 23778
director may exercise all incidental powers necessary to carry out 23779
the purposes of this chapter. 23780

The director may use moneys in the infectious waste 23781
management fund created in section 3734.021 of the Revised Code 23782
exclusively for administering and enforcing the provisions of this 23783
chapter governing the management of infectious wastes. Of each 23784
registration and renewal fee collected under rules adopted under 23785
division (A)(2)(a) of section 3734.021 or under section 3734.022 23786
of the Revised Code, the director, within forty-five days of its 23787
receipt, shall remit from the fund one-half of the fee received to 23788
the board of health of the health district in which the registered 23789
premises is located, or, in the instance of an infectious wastes 23790
transporter, to the board of health of the health district in 23791
which the transporter's principal place of business is located. 23792
However, if the board of health having jurisdiction over a 23793
registrant's premises or principal place of business is not on the 23794
approved list under section 3734.08 of the Revised Code, the 23795
director shall not make that payment to the board of health. 23796

(C) Except as provided in this division and divisions (N)(2) 23797
and (3) of this section, no person shall establish a new solid 23798
waste facility or infectious waste treatment facility, or modify 23799
an existing solid waste facility or infectious waste treatment 23800

facility, without submitting an application for a permit with 23801
accompanying detail plans, specifications, and information 23802
regarding the facility and method of operation and receiving a 23803
permit issued by the director, except that no permit shall be 23804
required under this division to install or operate a solid waste 23805
facility for sewage sludge treatment or disposal when the 23806
treatment or disposal is authorized by a current permit issued 23807
under Chapter 3704. or 6111. of the Revised Code. 23808

No person shall continue to operate a solid waste facility 23809
for which the director has denied a permit for which an 23810
application was required under division (A)(3) of section 3734.05 23811
of the Revised Code, or for which the director has disapproved 23812
plans and specifications required to be filed by an order issued 23813
under division (A)(5) of that section, after the date prescribed 23814
for commencement of closure of the facility in the order issued 23815
under division (A)(6) of section 3734.05 of the Revised Code 23816
denying the permit application or approval. 23817

On and after the effective date of the rules adopted under 23818
division (A) of this section and division (D) of section 3734.12 23819
of the Revised Code governing solid waste transfer facilities, no 23820
person shall establish a new, or modify an existing, solid waste 23821
transfer facility without first submitting an application for a 23822
permit with accompanying engineering detail plans, specifications, 23823
and information regarding the facility and its method of operation 23824
to the director and receiving a permit issued by the director. 23825

No person shall establish a new compost facility or continue 23826
to operate an existing compost facility that accepts exclusively 23827
source separated yard wastes without submitting a completed 23828
registration for the facility to the director in accordance with 23829
rules adopted under divisions (A) and (N)(3) of this section. 23830

This division does not apply to an infectious waste treatment 23831
facility that meets any of the following conditions: 23832

(1) Is owned or operated by the generator of the wastes and 23833
exclusively treats, by methods, techniques, and practices 23834
established by rules adopted under division (C)(1) or (3) of 23835
section 3734.021 of the Revised Code, wastes that are generated at 23836
any premises owned or operated by that generator regardless of 23837
whether the wastes are generated on the premises where the 23838
generator's treatment facility is located or, if the generator is 23839
a hospital as defined in section 3727.01 of the Revised Code, 23840
infectious wastes that are described in division (A)(1)(g), (h), 23841
or (i) of section 3734.021 of the Revised Code; 23842

(2) Holds a license or renewal of a license to operate a 23843
crematory facility issued under Chapter 4717. and a permit issued 23844
under Chapter 3704. of the Revised Code; 23845

Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 23849

(b) Chapter 918. of the Revised Code; 23850

(c) Chapter 953. of the Revised Code. 23851

(D) Neither this chapter nor any rules adopted under it apply 23852
to single-family residential premises; to infectious wastes 23853
generated by individuals for purposes of their own care or 23854
treatment that are disposed of with solid wastes from the 23855
individual's residence; to the temporary storage of solid wastes, 23856
other than scrap tires, prior to their collection for disposal; to 23857
the storage of one hundred or fewer scrap tires unless they are 23858
stored in such a manner that, in the judgment of the director or 23859
the board of health of the health district in which the scrap 23860
tires are stored, the storage causes a nuisance, a hazard to 23861
public health or safety, or a fire hazard; or to the collection of 23862
solid wastes, other than scrap tires, by a political subdivision 23863

or a person holding a franchise or license from a political 23864

(a) "On-site facility" means a facility that stores, treats, 23872
or disposes of hazardous waste that is generated on the premises 23873
of the facility. 23874

(b) "Off-site facility" means a facility that stores, treats, 23875
or disposes of hazardous waste that is generated off the premises 23876
of the facility and includes such a facility that is also an 23877
on-site facility. 23878

(c) "Satellite facility" means any of the following: 23879

~~facility board~~ issued in accordance with section 3734.05 of the 23895
Revised Code and subject to the payment of an application fee not 23896
to exceed one thousand five hundred dollars, payable upon 23897
application for a hazardous waste facility installation and 23898
operation permit and upon application for a renewal permit issued 23899
under division (H) of section 3734.05 of the Revised Code, to be 23900
credited to the hazardous waste facility management fund created 23901
in section 3734.18 of the Revised Code. The term of a hazardous 23902
waste facility installation and operation permit shall not exceed 23903
five years. 23904

In addition to the application fee, there is hereby levied an 23905
annual permit fee to be paid by the permit holder upon the 23906
anniversaries of the date of issuance of the hazardous waste 23907
facility installation and operation permit and of any subsequent 23908
renewal permits and to be credited to the hazardous waste facility 23909
management fund. Annual permit fees totaling forty thousand 23910
dollars or more for any one facility may be paid on a quarterly 23911
basis with the first quarterly payment each year being due on the 23912
anniversary of the date of issuance of the hazardous waste 23913

each permit holder by the director in accordance with the 23916
following schedule: 23917

of a part of the appropriate fee indicated by the schedule that 23960
bears the same relationship to the total fee that the number of 23961
days remaining until the next anniversary date at which payment of 23962
the annual permit fee is due bears to three hundred sixty-five. 23963

The director, by rules adopted in accordance with Chapters 23964
119. and 3745. of the Revised Code, shall prescribe procedures for 23965
collecting the annual permit fee established by this division and 23966
may prescribe other requirements necessary to carry out this 23967
division. 23968

(3) The prohibition against establishing or operating a 23969
hazardous waste facility without a hazardous waste facility 23970
installation and operation permit ~~from the board~~ does not apply to 23971
either of the following: 23972

(a) A facility that is operating in accordance with a permit 23973
renewal issued under division (H) of section 3734.05 of the 23974
Revised Code, a revision issued under division (I) of that section 23975
as it existed prior to August 20, 1996, or a modification issued 23976
by the director under division (I) of that section on and after 23977
August 20, 1996; 23978

(b) Except as provided in division (J) of section 3734.05 of 23979
the Revised Code, a facility that will operate or is operating in 23980
accordance with a permit by rule, or that is not subject to permit 23981
requirements, under rules adopted by the director. In accordance 23982
with Chapter 119. of the Revised Code, the director shall adopt, 23983
and subsequently may amend, suspend, or rescind, rules for the 23984
purposes of division (E)(3)(b) of this section. Any rules so 23985
adopted shall be consistent with and equivalent to regulations 23986
pertaining to interim status adopted under the "Resource 23987
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 23988
6921, as amended, except as otherwise provided in this chapter. 23989

If a modification is requested or proposed for a facility 23990
described in division (E)(3)(a) or (b) of this section, division 23991
(I)~~(8)~~(7) of section 3734.05 of the Revised Code applies. 23992

(F) No person shall store, treat, or dispose of hazardous 23993
waste identified or listed under this chapter and rules adopted 23994
under it, regardless of whether generated on or off the premises 23995
where the waste is stored, treated, or disposed of, or transport 23996
or cause to be transported any hazardous waste identified or 23997
listed under this chapter and rules adopted under it to any other 23998
premises, except at or to any of the following: 23999

(1) A hazardous waste facility operating under a permit 24000
issued in accordance with this chapter; 24001

(2) A facility in another state operating under a license or 24002
permit issued in accordance with the "Resource Conservation and 24003
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 24004
amended; 24005

(3) A facility in another nation operating in accordance with 24006
the laws of that nation; 24007

(4) A facility holding a permit issued pursuant to Title I of 24008
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 24009
Stat. 1052, 33 U.S.C.A. 1401, as amended; 24010

(5) A hazardous waste facility as described in division 24011
(E)(3)(a) or (b) of this section. 24012

(G) The director, by order, may exempt any person generating, 24013
collecting, storing, treating, disposing of, or transporting solid 24014
wastes or hazardous waste, or processing solid wastes that consist 24015
of scrap tires, in such quantities or under such circumstances 24016
that, in the determination of the director, are unlikely to 24017
adversely affect the public health or safety or the environment 24018
from any requirement to obtain a registration certificate, permit, 24019

or license or comply with the manifest system or other 24020
requirements of this chapter. Such an exemption shall be 24021
consistent with and equivalent to any regulations adopted by the 24022
administrator of the United States environmental protection agency 24023
under the "Resource Conservation and Recovery Act of 1976," 90 24024
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 24025
provided in this chapter. 24026

(H) No person shall engage in filling, grading, excavating, 24027
building, drilling, or mining on land where a hazardous waste 24028
facility, or a solid waste facility, was operated without prior 24029
authorization from the director, who shall establish the procedure 24030
for granting such authorization by rules adopted in accordance 24031
with Chapter 119. of the Revised Code. 24032

A public utility that has main or distribution lines above or 24033
below the land surface located on an easement or right-of-way 24034
across land where a solid waste facility was operated may engage 24035
in any such activity within the easement or right-of-way without 24036
prior authorization from the director for purposes of performing 24037
emergency repair or emergency replacement of its lines; of the 24038
poles, towers, foundations, or other structures supporting or 24039
sustaining any such lines; or of the appurtenances to those 24040
structures, necessary to restore or maintain existing public 24041
utility service. A public utility may enter upon any such easement 24042
or right-of-way without prior authorization from the director for 24043
purposes of performing necessary or routine maintenance of those 24044
portions of its existing lines; of the existing poles, towers, 24045
foundations, or other structures sustaining or supporting its 24046
lines; or of the appurtenances to any such supporting or 24047
sustaining structure, located on or above the land surface on any 24048
such easement or right-of-way. Within twenty-four hours after 24049
commencing any such emergency repair, replacement, or maintenance 24050
work, the public utility shall notify the director or the 24051

director's authorized representative of those activities and shall 24052
provide such information regarding those activities as the 24053
director or the director's representative may request. Upon 24054
completion of the emergency repair, replacement, or maintenance 24055
activities, the public utility shall restore any land of the solid 24056
waste facility disturbed by those activities to the condition 24057
existing prior to the commencement of those activities. 24058

(I) No owner or operator of a hazardous waste facility, in 24059
the operation of the facility, shall cause, permit, or allow the 24060
emission therefrom of any particulate matter, dust, fumes, gas, 24061
mist, smoke, vapor, or odorous substance that, in the opinion of 24062
the director, unreasonably interferes with the comfortable 24063
enjoyment of life or property by persons living or working in the 24064
vicinity of the facility, or that is injurious to public health. 24065
Any such action is hereby declared to be a public nuisance. 24066

(J) Notwithstanding any other provision of this chapter, in 24067
the event the director finds an imminent and substantial danger to 24068
public health or safety or the environment that creates an 24069
emergency situation requiring the immediate treatment, storage, or 24070
disposal of hazardous waste, the director may issue a temporary 24071
emergency permit to allow the treatment, storage, or disposal of 24072
the hazardous waste at a facility that is not otherwise authorized 24073
by a hazardous waste facility installation and operation permit to 24074
treat, store, or dispose of the waste. The emergency permit shall 24075
not exceed ninety days in duration and shall not be renewed. The 24076
director shall adopt, and may amend, suspend, or rescind, rules in 24077
accordance with Chapter 119. of the Revised Code governing the 24078
issuance, modification, revocation, and denial of emergency 24079
permits. 24080

(K) No owner or operator of a sanitary landfill shall 24081
knowingly accept for disposal, or dispose of, any infectious 24082
wastes, other than those subject to division (A)(1)(c) of section 24083

3734.021 of the Revised Code, that have not been treated to render 24084
them noninfectious. For the purposes of this division, 24085
certification by the owner or operator of the treatment facility 24086
where the wastes were treated on the shipping paper required by 24087
rules adopted under division (D)(2) of that section creates a 24088
rebuttable presumption that the wastes have been so treated. 24089

(L) The director, in accordance with Chapter 119. of the 24090
Revised Code, shall adopt, and may amend, suspend, or rescind, 24091
rules having uniform application throughout the state establishing 24092
a training and certification program that shall be required for 24093
employees of boards of health who are responsible for enforcing 24094
the solid waste and infectious waste provisions of this chapter 24095
and rules adopted under them and for persons who are responsible 24096
for the operation of solid waste facilities or infectious waste 24097
treatment facilities. The rules shall provide all of the 24098
following, without limitation: 24099

(1) The program shall be administered by the director and 24100
shall consist of a course on new solid waste and infectious waste 24101
technologies, enforcement procedures, and rules; 24102

(2) The course shall be offered on an annual basis; 24103

(3) Those persons who are required to take the course under 24104
division (L) of this section shall do so triennially; 24105

(4) Persons who successfully complete the course shall be 24106
certified by the director; 24107

(5) Certification shall be required for all employees of 24108
boards of health who are responsible for enforcing the solid waste 24109
or infectious waste provisions of this chapter and rules adopted 24110
under them and for all persons who are responsible for the 24111
operation of solid waste facilities or infectious waste treatment 24112
facilities; 24113

(6)(a) All employees of a board of health who, on the 24114

effective date of the rules adopted under this division, are 24115
responsible for enforcing the solid waste or infectious waste 24116
provisions of this chapter and the rules adopted under them shall 24117
complete the course and be certified by the director not later 24118
than January 1, 1995; 24119

(b) All employees of a board of health who, after the 24120
effective date of the rules adopted under division (L) of this 24121
section, become responsible for enforcing the solid waste or 24122
infectious waste provisions of this chapter and rules adopted 24123
under them and who do not hold a current and valid certification 24124
from the director at that time shall complete the course and be 24125
certified by the director within two years after becoming 24126
responsible for performing those activities. 24127

No person shall fail to obtain the certification required 24128
under this division. 24129

(M) The director shall not issue a permit under section 24130
3734.05 of the Revised Code to establish a solid waste facility, 24131
or to modify a solid waste facility operating on December 21, 24132
1988, in a manner that expands the disposal capacity or geographic 24133
area covered by the facility, that is or is to be located within 24134
the boundaries of a state park established or dedicated under 24135
Chapter 1541. of the Revised Code, a state park purchase area 24136
established under section 1541.02 of the Revised Code, any unit of 24137
the national park system, or any property that lies within the 24138
boundaries of a national park or recreation area, but that has not 24139
been acquired or is not administered by the secretary of the 24140
United States department of the interior, located in this state, 24141
or any candidate area located in this state and identified for 24142
potential inclusion in the national park system in the edition of 24143
the "national park system plan" submitted under paragraph (b) of 24144
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 24145
U.S.C.A. 1a-5, as amended, current at the time of filing of the 24146

application for the permit, unless the facility or proposed 24147
facility is or is to be used exclusively for the disposal of solid 24148
wastes generated within the park or recreation area and the 24149
director determines that the facility or proposed facility will 24150
not degrade any of the natural or cultural resources of the park 24151
or recreation area. The director shall not issue a variance under 24152
division (A) of this section and rules adopted under it, or issue 24153
an exemption order under division (G) of this section, that would 24154
authorize any such establishment or expansion of a solid waste 24155
facility within the boundaries of any such park or recreation 24156
area, state park purchase area, or candidate area, other than a 24157
solid waste facility exclusively for the disposal of solid wastes 24158
generated within the park or recreation area when the director 24159
determines that the facility will not degrade any of the natural 24160
or cultural resources of the park or recreation area. 24161

(N)(1) The rules adopted under division (A) of this section, 24162
other than those governing variances, do not apply to scrap tire 24163
collection, storage, monocell, monofill, and recovery facilities. 24164
Those facilities are subject to and governed by rules adopted 24165
under sections 3734.70 to 3734.73 of the Revised Code, as 24166
applicable. 24167

(2) Division (C) of this section does not apply to scrap tire 24168
collection, storage, monocell, monofill, and recovery facilities. 24169
The establishment and modification of those facilities are subject 24170
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 24171
Code, as applicable. 24172

(3) The director may adopt, amend, suspend, or rescind rules 24173
under division (A) of this section creating an alternative system 24174
for authorizing the establishment, operation, or modification of a 24175
solid waste compost facility in lieu of the requirement that a 24176
person seeking to establish, operate, or modify a solid waste 24177
compost facility apply for and receive a permit under division (C) 24178

of this section and section 3734.05 of the Revised Code and a 24179
license under division (A)(1) of that section. The rules may 24180
include requirements governing, without limitation, the 24181
classification of solid waste compost facilities, the submittal of 24182
operating records for solid waste compost facilities, and the 24183
creation of a registration or notification system in lieu of the 24184
issuance of permits and licenses for solid waste compost 24185
facilities. The rules shall specify the applicability of divisions 24186
(A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised 24187
Code to a solid waste compost facility. 24188

Sec. 3734.05. (A)(1) Except as provided in divisions (A)(4), 24189
(8), and (9) of this section, no person shall operate or maintain 24190
a solid waste facility without a license issued under this 24191
division by the board of health of the health district in which 24192
the facility is located or by the director of environmental 24193
protection when the health district in which the facility is 24194
located is not on the approved list under section 3734.08 of the 24195
Revised Code. 24196

During the month of December, but before the first day of 24197
January of the next year, every person proposing to continue to 24198
operate an existing solid waste facility shall procure a license 24199
under this division to operate the facility for that year from the 24200
board of health of the health district in which the facility is 24201
located or, if the health district is not on the approved list 24202
under section 3734.08 of the Revised Code, from the director. The 24203
application for such a license shall be submitted to the board of 24204
health or to the director, as appropriate, on or before the last 24205
day of September of the year preceding that for which the license 24206
is sought. In addition to the application fee prescribed in 24207
division (A)(2) of this section, a person who submits an 24208
application after that date shall pay an additional ten per cent 24209
of the amount of the application fee for each week that the 24210

application is late. Late payment fees accompanying an application 24211
submitted to the board of health shall be credited to the special 24212
fund of the health district created in division (B) of section 24213
3734.06 of the Revised Code, and late payment fees accompanying an 24214
application submitted to the director shall be credited to the 24215
general revenue fund. A person who has received a license, upon 24216
sale or disposition of a solid waste facility, and upon consent of 24217
the board of health and the director, may have the license 24218
transferred to another person. The board of health or the director 24219
may include such terms and conditions in a license or revision to 24220
a license as are appropriate to ensure compliance with this 24221
chapter and rules adopted under it. The terms and conditions may 24222
establish the authorized maximum daily waste receipts for the 24223
facility. Limitations on maximum daily waste receipts shall be 24224
specified in cubic yards of volume for the purpose of regulating 24225
the design, construction, and operation of solid waste facilities. 24226
Terms and conditions included in a license or revision to a 24227
license by a board of health shall be consistent with, and pertain 24228
only to the subjects addressed in, the rules adopted under 24229
division (A) of section 3734.02 and division (D) of section 24230
3734.12 of the Revised Code. 24231

(2)(a) Except as provided in divisions (A)(2)(b), (8), and 24232
(9) of this section, each person proposing to open a new solid 24233
waste facility or to modify an existing solid waste facility shall 24234
submit an application for a permit with accompanying detail plans 24235
and specifications to the environmental protection agency for 24236
required approval under the rules adopted by the director pursuant 24237
to division (A) of section 3734.02 of the Revised Code and 24238
applicable rules adopted under division (D) of section 3734.12 of 24239
the Revised Code at least two hundred seventy days before proposed 24240
operation of the facility and shall concurrently make application 24241
for the issuance of a license under division (A)(1) of this 24242
section with the board of health of the health district in which 24243

the proposed facility is to be located. 24244

(b) On and after the effective date of the rules adopted 24245
under division (A) of section 3734.02 of the Revised Code and 24246
division (D) of section 3734.12 of the Revised Code governing 24247
solid waste transfer facilities, each person proposing to open a 24248
new solid waste transfer facility or to modify an existing solid 24249
waste transfer facility shall submit an application for a permit 24250
with accompanying engineering detail plans, specifications, and 24251
information regarding the facility and its method of operation to 24252
the environmental protection agency for required approval under 24253
those rules at least two hundred seventy days before commencing 24254
proposed operation of the facility and concurrently shall make 24255
application for the issuance of a license under division (A)(1) of 24256
this section with the board of health of the health district in 24257
which the facility is located or proposed. 24258

(c) Each application for a permit under division (A)(2)(a) or 24259
(b) of this section shall be accompanied by a nonrefundable 24260
application fee of four hundred dollars that shall be credited to 24261
the general revenue fund. Each application for an annual license 24262
under division (A)(1) or (2) of this section shall be accompanied 24263
by a nonrefundable application fee of one hundred dollars. If the 24264
application for an annual license is submitted to a board of 24265
health on the approved list under section 3734.08 of the Revised 24266
Code, the application fee shall be credited to the special fund of 24267
the health district created in division (B) of section 3734.06 of 24268
the Revised Code. If the application for an annual license is 24269
submitted to the director, the application fee shall be credited 24270
to the general revenue fund. If a permit or license is issued, the 24271
amount of the application fee paid shall be deducted from the 24272
amount of the permit fee due under division (Q) of section 3745.11 24273
of the Revised Code or the amount of the license fee due under 24274
division (A)(1), (2), (3), or (4) of section 3734.06 of the 24275

Revised Code.	24276
(d) As used in divisions (A)(2)(d), (e), and (f) of this section, <u>"modify"</u> means any of the following:	24277 24278
(i) Any increase of more than ten per cent in the total capacity of a solid waste facility;	24279 24280
(ii) Any expansion of the limits of solid waste placement at a solid waste facility;	24281 24282
(iii) Any increase in the depth of excavation at a solid waste facility;	24283 24284
(iv) Any change in the technique of waste receipt or type of waste received at a solid waste facility that may endanger human health, as determined by the director by rules adopted in accordance with Chapter 119. of the Revised Code.	24285 24286 24287 24288
Not later than thirty-five days after submitting an application under division (A)(2)(a) or (b) of this section for a permit to open a new or modify an existing solid waste facility, the applicant, in conjunction with an officer or employee of the environmental protection agency, shall hold a public meeting on the application within the county in which the new or modified solid waste facility is or is proposed to be located or within a contiguous county. Not less than thirty days before holding the public meeting on the application, the applicant shall publish notice of the meeting in each newspaper of general circulation that is published in the county in which the facility is or is proposed to be located. If no newspaper of general circulation is published in the county, the applicant shall publish the notice in a newspaper of general circulation in the county. The notice shall contain the date, time, and location of the public meeting and a general description of the proposed new or modified facility. Not later than five days after publishing the notice, the applicant shall send by certified mail a copy of the notice and the date the	24289 24290 24291 24292 24293 24294 24295 24296 24297 24298 24299 24300 24301 24302 24303 24304 24305 24306

notice was published to the director and the legislative authority 24307
of each municipal corporation, township, and county, and to the 24308
chief executive officer of each municipal corporation, in which 24309
the facility is or is proposed to be located. At the public 24310
meeting, the applicant shall provide information and describe the 24311
application and respond to comments or questions concerning the 24312
application, and the officer or employee of the agency shall 24313
describe the permit application process. At the public meeting, 24314
any person may submit written or oral comments on or objections to 24315
the application. Not more than thirty days after the public 24316
meeting, the applicant shall provide the director with a copy of a 24317
transcript of the full meeting, copies of any exhibits, displays, 24318
or other materials presented by the applicant at the meeting, and 24319
the original copy of any written comments submitted at the 24320
meeting. 24321

(e) Except as provided in division (A)(2)(f) of this section, 24322
prior to taking an action, other than a proposed or final denial, 24323
upon an application submitted under division (A)(2)(a) of this 24324
section for a permit to open a new or modify an existing solid 24325
waste facility, the director shall hold a public information 24326
session and a public hearing on the application within the county 24327
in which the new or modified solid waste facility is or is 24328
proposed to be located or within a contiguous county. If the 24329
application is for a permit to open a new solid waste facility, 24330
the director shall hold the hearing not less than fourteen days 24331
after the information session. If the application is for a permit 24332
to modify an existing solid waste facility, the director may hold 24333
both the information session and the hearing on the same day 24334
unless any individual affected by the application requests in 24335
writing that the information session and the hearing not be held 24336
on the same day, in which case the director shall hold the hearing 24337
not less than fourteen days after the information session. The 24338
director shall publish notice of the public information session or 24339

public hearing not less than thirty days before holding the 24340
information session or hearing, as applicable. The notice shall be 24341
published in each newspaper of general circulation that is 24342
published in the county in which the facility is or is proposed to 24343
be located. If no newspaper of general circulation is published in 24344
the county, the director shall publish the notice in a newspaper 24345
of general circulation in the county. The notice shall contain the 24346
date, time, and location of the information session or hearing, as 24347
applicable, and a general description of the proposed new or 24348
modified facility. At the public information session, an officer 24349
or employee of the environmental protection agency shall describe 24350
the status of the permit application and be available to respond 24351
to comments or questions concerning the application. At the public 24352
hearing, any person may submit written or oral comments on or 24353
objections to the approval of the application. The applicant, or a 24354
representative of the applicant who has knowledge of the location, 24355
construction, and operation of the facility, shall attend the 24356
information session and public hearing to respond to comments or 24357
questions concerning the facility directed to the applicant or 24358
representative by the officer or employee of the environmental 24359
protection agency presiding at the information session and 24360
hearing. 24361

(f) The solid waste management policy committee of a county 24362
or joint solid waste management district may adopt a resolution 24363
requesting expeditious consideration of a specific application 24364
submitted under division (A)(2)(a) of this section for a permit to 24365
modify an existing solid waste facility within the district. The 24366
resolution shall make the finding that expedited consideration of 24367
the application without the public information session and public 24368
hearing under division (A)(2)(e) of this section is in the public 24369
interest and will not endanger human health, as determined by the 24370
director by rules adopted in accordance with Chapter 119. of the 24371
Revised Code. Upon receiving such a resolution, the director, at 24372

the director's discretion, may issue a final action upon the 24373
application without holding a public information session or public 24374
hearing pursuant to division (A)(2)(e) of this section. 24375

(3) Except as provided in division (A)(10) of this section, 24376
and unless the owner or operator of any solid waste facility, 24377
other than a solid waste transfer facility or a compost facility 24378
that accepts exclusively source separated yard wastes, that 24379
commenced operation on or before July 1, 1968, has obtained an 24380
exemption from the requirements of division (A)(3) of this section 24381
in accordance with division (G) of section 3734.02 of the Revised 24382
Code, the owner or operator shall submit to the director an 24383
application for a permit with accompanying engineering detail 24384
plans, specifications, and information regarding the facility and 24385
its method of operation for approval under rules adopted under 24386
division (A) of section 3734.02 of the Revised Code and applicable 24387
rules adopted under division (D) of section 3734.12 of the Revised 24388
Code in accordance with the following schedule: 24389

(a) Not later than September 24, 1988, if the facility is 24390
located in the city of Garfield Heights or Parma in Cuyahoga 24391
county; 24392

(b) Not later than December 24, 1988, if the facility is 24393
located in Delaware, Greene, Guernsey, Hamilton, Madison, 24394
Mahoning, Ottawa, or Vinton county; 24395

(c) Not later than March 24, 1989, if the facility is located 24396
in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or 24397
Washington county, or is located in the city of Brooklyn or 24398
Cuyahoga Heights in Cuyahoga county; 24399

(d) Not later than June 24, 1989, if the facility is located 24400
in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or 24401
Summit county or is located in Cuyahoga county outside the cities 24402
of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights; 24403

(e) Not later than September 24, 1989, if the facility is 24404
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 24405
county; 24406

(f) Not later than December 24, 1989, if the facility is 24407
located in a county not listed in divisions (A)(3)(a) to (e) of 24408
this section; 24409

(g) Notwithstanding divisions (A)(3)(a) to (f) of this 24410
section, not later than December 31, 1990, if the facility is a 24411
solid waste facility owned by a generator of solid wastes when the 24412
solid waste facility exclusively disposes of solid wastes 24413
generated at one or more premises owned by the generator 24414
regardless of whether the facility is located on a premises where 24415
the wastes are generated and if the facility disposes of more than 24416
one hundred thousand tons of solid wastes per year, provided that 24417
any such facility shall be subject to division (A)(5) of this 24418
section. 24419

(4) Except as provided in divisions (A)(8), (9), and (10) of 24420
this section, unless the owner or operator of any solid waste 24421
facility for which a permit was issued after July 1, 1968, but 24422
before January 1, 1980, has obtained an exemption from the 24423
requirements of division (A)(4) of this section under division (G) 24424
of section 3734.02 of the Revised Code, the owner or operator 24425
shall submit to the director an application for a permit with 24426
accompanying engineering detail plans, specifications, and 24427
information regarding the facility and its method of operation for 24428
approval under those rules. 24429

(5) The director may issue an order in accordance with 24430
Chapter 3745. of the Revised Code to the owner or operator of a 24431
solid waste facility requiring the person to submit to the 24432
director updated engineering detail plans, specifications, and 24433
information regarding the facility and its method of operation for 24434

approval under rules adopted under division (A) of section 3734.02 24435
of the Revised Code and applicable rules adopted under division 24436
(D) of section 3734.12 of the Revised Code if, in the director's 24437
judgment, conditions at the facility constitute a substantial 24438
threat to public health or safety or are causing or contributing 24439
to or threatening to cause or contribute to air or water pollution 24440
or soil contamination. Any person who receives such an order shall 24441
submit the updated engineering detail plans, specifications, and 24442
information to the director within one hundred eighty days after 24443
the effective date of the order. 24444

(6) The director shall act upon an application submitted 24445
under division (A)(3) or (4) of this section and any updated 24446
engineering plans, specifications, and information submitted under 24447
division (A)(5) of this section within one hundred eighty days 24448
after receiving them. If the director denies any such permit 24449
application, the order denying the application or disapproving the 24450
plans shall include the requirements that the owner or operator 24451
submit a plan for closure and post-closure care of the facility to 24452
the director for approval within six months after issuance of the 24453
order, cease accepting solid wastes for disposal or transfer at 24454
the facility, and commence closure of the facility not later than 24455
one year after issuance of the order. If the director determines 24456
that closure of the facility within that one-year period would 24457
result in the unavailability of sufficient solid waste management 24458
facility capacity within the county or joint solid waste 24459
management district in which the facility is located to dispose of 24460
or transfer the solid waste generated within the district, the 24461
director in the order of denial or disapproval may postpone 24462
commencement of closure of the facility for such period of time as 24463
the director finds necessary for the board of county commissioners 24464
or directors of the district to secure access to or for there to 24465
be constructed within the district sufficient solid waste 24466
management facility capacity to meet the needs of the district, 24467

provided that the director shall certify in the director's order 24468
that postponing the date for commencement of closure will not 24469
endanger ground water or any property surrounding the facility, 24470
allow methane gas migration to occur, or cause or contribute to 24471
any other type of environmental damage. 24472

If an emergency need for disposal capacity that may affect 24473
public health and safety exists as a result of closure of a 24474
facility under division (A)(6) of this section, the director may 24475
issue an order designating another solid waste facility to accept 24476
the wastes that would have been disposed of at the facility to be 24477
closed. 24478

(7) If the director determines that standards more stringent 24479
than those applicable in rules adopted under division (A) of 24480
section 3734.02 of the Revised Code and division (D) of section 24481
3734.12 of the Revised Code, or standards pertaining to subjects 24482
not specifically addressed by those rules, are necessary to ensure 24483
that a solid waste facility constructed at the proposed location 24484
will not cause a nuisance, cause or contribute to water pollution, 24485
or endanger public health or safety, the director may issue a 24486
permit for the facility with such terms and conditions as the 24487
director finds necessary to protect public health and safety and 24488
the environment. If a permit is issued, the director shall state 24489
in the order issuing it the specific findings supporting each such 24490
term or condition. 24491

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 24492
not apply to a solid waste compost facility that accepts 24493
exclusively source separated yard wastes and that is registered 24494
under division (C) of section 3734.02 of the Revised Code or, 24495
unless otherwise provided in rules adopted under division (N)(3) 24496
of section 3734.02 of the Revised Code, to a solid waste compost 24497
facility if the director has adopted rules establishing an 24498
alternative system for authorizing the establishment, operation, 24499

or modification of a solid waste compost facility under that 24500
division. 24501

(9) Divisions (A)(1) to (7) of this section do not apply to 24502
scrap tire collection, storage, monocell, monofill, and recovery 24503
facilities. The approval of plans and specifications, as 24504
applicable, and the issuance of registration certificates, 24505
permits, and licenses for those facilities are subject to sections 24506
3734.75 to 3734.78 of the Revised Code, as applicable, and section 24507
3734.81 of the Revised Code. 24508

(10) Divisions (A)(3) and (4) of this section do not apply to 24509
a solid waste incinerator that was placed into operation on or 24510
before October 12, 1994, and that is not authorized to accept and 24511
treat infectious wastes pursuant to division (B) of this section. 24512

(B)(1) Each person who is engaged in the business of treating 24513
infectious wastes for profit at a treatment facility located off 24514
the premises where the wastes are generated that is in operation 24515
on August 10, 1988, and who proposes to continue operating the 24516
facility shall submit to the board of health of the health 24517
district in which the facility is located an application for a 24518
license to operate the facility. 24519

Thereafter, no person shall operate or maintain an infectious 24520
waste treatment facility without a license issued by the board of 24521
health of the health district in which the facility is located or 24522
by the director when the health district in which the facility is 24523
located is not on the approved list under section 3734.08 of the 24524
Revised Code. 24525

(2)(a) During the month of December, but before the first day 24526
of January of the next year, every person proposing to continue to 24527
operate an existing infectious waste treatment facility shall 24528
procure a license to operate the facility for that year from the 24529
board of health of the health district in which the facility is 24530

located or, if the health district is not on the approved list 24531
under section 3734.08 of the Revised Code, from the director. The 24532
application for such a license shall be submitted to the board of 24533
health or to the director, as appropriate, on or before the last 24534
day of September of the year preceding that for which the license 24535
is sought. In addition to the application fee prescribed in 24536
division (B)(2)(c) of this section, a person who submits an 24537
application after that date shall pay an additional ten per cent 24538
of the amount of the application fee for each week that the 24539
application is late. Late payment fees accompanying an application 24540
submitted to the board of health shall be credited to the special 24541
infectious waste fund of the health district created in division 24542
(C) of section 3734.06 of the Revised Code, and late payment fees 24543
accompanying an application submitted to the director shall be 24544
credited to the general revenue fund. A person who has received a 24545
license, upon sale or disposition of an infectious waste treatment 24546
facility and upon consent of the board of health and the director, 24547
may have the license transferred to another person. The board of 24548
health or the director may include such terms and conditions in a 24549
license or revision to a license as are appropriate to ensure 24550
compliance with the infectious waste provisions of this chapter 24551
and rules adopted under them. 24552

(b) Each person proposing to open a new infectious waste 24553
treatment facility or to modify an existing infectious waste 24554
treatment facility shall submit an application for a permit with 24555
accompanying detail plans and specifications to the environmental 24556
protection agency for required approval under the rules adopted by 24557
the director pursuant to section 3734.021 of the Revised Code two 24558
hundred seventy days before proposed operation of the facility and 24559
concurrently shall make application for a license with the board 24560
of health of the health district in which the facility is or is 24561
proposed to be located. Not later than ninety days after receiving 24562
a completed application under division (B)(2)(b) of this section 24563

for a permit to open a new infectious waste treatment facility or 24564
modify an existing infectious waste treatment facility to expand 24565
its treatment capacity, or receiving a completed application under 24566
division (A)(2)(a) of this section for a permit to open a new 24567
solid waste incineration facility, or modify an existing solid 24568
waste incineration facility to also treat infectious wastes or to 24569
increase its infectious waste treatment capacity, that pertains to 24570
a facility for which a notation authorizing infectious waste 24571
treatment is included or proposed to be included in the solid 24572
waste incineration facility's license pursuant to division (B)(3) 24573
of this section, the director shall hold a public hearing on the 24574
application within the county in which the new or modified 24575
infectious waste or solid waste facility is or is proposed to be 24576
located or within a contiguous county. Not less than thirty days 24577
before holding the public hearing on the application, the director 24578
shall publish notice of the hearing in each newspaper that has 24579
general circulation and that is published in the county in which 24580
the facility is or is proposed to be located. If there is no 24581
newspaper that has general circulation and that is published in 24582
the county, the director shall publish the notice in a newspaper 24583
of general circulation in the county. The notice shall contain the 24584
date, time, and location of the public hearing and a general 24585
description of the proposed new or modified facility. At the 24586
public hearing, any person may submit written or oral comments on 24587
or objections to the approval or disapproval of the application. 24588
The applicant, or a representative of the applicant who has 24589
knowledge of the location, construction, and operation of the 24590
facility, shall attend the public hearing to respond to comments 24591
or questions concerning the facility directed to the applicant or 24592
representative by the officer or employee of the environmental 24593
protection agency presiding at the hearing. 24594

(c) Each application for a permit under division (B)(2)(b) of 24595
this section shall be accompanied by a nonrefundable application 24596

fee of four hundred dollars that shall be credited to the general 24597
revenue fund. Each application for an annual license under 24598
division (B)(2)(a) of this section shall be accompanied by a 24599
nonrefundable application fee of one hundred dollars. If the 24600
application for an annual license is submitted to a board of 24601
health on the approved list under section 3734.08 of the Revised 24602
Code, the application fee shall be credited to the special 24603
infectious waste fund of the health district created in division 24604
(C) of section 3734.06 of the Revised Code. If the application for 24605
an annual license is submitted to the director, the application 24606
fee shall be credited to the general revenue fund. If a permit or 24607
license is issued, the amount of the application fee paid shall be 24608
deducted from the amount of the permit fee due under division (Q) 24609
of section 3745.11 of the Revised Code or the amount of the 24610
license fee due under division (C) of section 3734.06 of the 24611
Revised Code. 24612

(d) The owner or operator of any infectious waste treatment 24613
facility that commenced operation on or before July 1, 1968, shall 24614
submit to the director an application for a permit with 24615
accompanying engineering detail plans, specifications, and 24616
information regarding the facility and its method of operation for 24617
approval under rules adopted under section 3734.021 of the Revised 24618
Code in accordance with the following schedule: 24619

(i) Not later than December 24, 1988, if the facility is 24620
located in Delaware, Greene, Guernsey, Hamilton, Madison, 24621
Mahoning, Ottawa, or Vinton county; 24622

(ii) Not later than March 24, 1989, if the facility is 24623
located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, 24624
or Washington county, or is located in the city of Brooklyn, 24625
Cuyahoga Heights, or Parma in Cuyahoga county; 24626

(iii) Not later than June 24, 1989, if the facility is 24627
located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, 24628

Lucas, or Summit county or is located in Cuyahoga county outside 24629
the cities of Brooklyn, Cuyahoga Heights, and Parma; 24630

(iv) Not later than September 24, 1989, if the facility is 24631
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 24632
county; 24633

(v) Not later than December 24, 1989, if the facility is 24634
located in a county not listed in divisions (B)(2)(d)(i) to (iv) 24635
of this section. 24636

The owner or operator of an infectious waste treatment 24637
facility required to submit a permit application under division 24638
(B)(2)(d) of this section is not required to pay any permit 24639
application fee under division (B)(2)(c) of this section, or 24640
permit fee under division (Q) of section 3745.11 of the Revised 24641
Code, with respect thereto unless the owner or operator also 24642
proposes to modify the facility. 24643

(e) The director may issue an order in accordance with 24644
Chapter 3745. of the Revised Code to the owner or operator of an 24645
infectious waste treatment facility requiring the person to submit 24646
to the director updated engineering detail plans, specifications, 24647
and information regarding the facility and its method of operation 24648
for approval under rules adopted under section 3734.021 of the 24649
Revised Code if, in the director's judgment, conditions at the 24650
facility constitute a substantial threat to public health or 24651
safety or are causing or contributing to or threatening to cause 24652
or contribute to air or water pollution or soil contamination. Any 24653
person who receives such an order shall submit the updated 24654
engineering detail plans, specifications, and information to the 24655
director within one hundred eighty days after the effective date 24656
of the order. 24657

(f) The director shall act upon an application submitted 24658
under division (B)(2)(d) of this section and any updated 24659

engineering plans, specifications, and information submitted under 24660
division (B)(2)(e) of this section within one hundred eighty days 24661
after receiving them. If the director denies any such permit 24662
application or disapproves any such updated engineering plans, 24663
specifications, and information, the director shall include in the 24664
order denying the application or disapproving the plans the 24665
requirement that the owner or operator cease accepting infectious 24666
wastes for treatment at the facility. 24667

(3) Division (B) of this section does not apply to an 24668
infectious waste treatment facility that meets any of the 24669
following conditions: 24670

(a) Is owned or operated by the generator of the wastes and 24671
exclusively treats, by methods, techniques, and practices 24672
established by rules adopted under division (C)(1) or (3) of 24673
section 3734.021 of the Revised Code, wastes that are generated at 24674
any premises owned or operated by that generator regardless of 24675
whether the wastes are generated on the same premises where the 24676
generator's treatment facility is located or, if the generator is 24677
a hospital as defined in section 3727.01 of the Revised Code, 24678
infectious wastes that are described in division (A)(1)(g), (h), 24679
or (i) of section 3734.021 of the Revised Code; 24680

(b) Holds a license or renewal of a license to operate a 24681
crematory facility issued under Chapter 4717. and a permit issued 24682
under Chapter 3704. of the Revised Code; 24683

(c) Treats or disposes of dead animals or parts thereof, or 24684
the blood of animals, and is subject to any of the following: 24685

(i) Inspection under the "Federal Meat Inspection Act," 81 24686
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 24687

(ii) Chapter 918. of the Revised Code; 24688

(iii) Chapter 953. of the Revised Code. 24689

Nothing in division (B) of this section requires a facility 24690
that holds a license issued under division (A) of this section as 24691
a solid waste facility and that also treats infectious wastes by 24692
the same method, technique, or process to obtain a license under 24693
division (B) of this section as an infectious waste treatment 24694
facility. However, the solid waste facility license for the 24695
facility shall include the notation that the facility also treats 24696
infectious wastes. 24697

On and after the effective date of the amendments to the 24698
rules adopted under division (C)(2) of section 3734.021 of the 24699
Revised Code that are required by Section 6 of Substitute House 24700
Bill No. 98 of the 120th General Assembly, the director shall not 24701
issue a permit to open a new solid waste incineration facility 24702
unless the proposed facility complies with the requirements for 24703
the location of new infectious waste incineration facilities 24704
established in the required amendments to those rules. 24705

(C) Except for a facility or activity described in division 24706

specifications, and such information as the director may require 24711
to the environmental protection agency, ~~except as provided in~~ 24712
~~division (E)(2) of this section,~~ at least one hundred eighty days 24713
before the proposed beginning of operation of the facility. The 24714
applicant shall notify by certified mail the legislative authority 24715
of each municipal corporation, township, and county in which the 24716
facility is proposed to be located of the submission of the 24717
application within ten days after the submission or at such 24718
earlier time as the director may establish by rule. If the 24719
application is for a proposed new hazardous waste disposal or 24720
thermal treatment facility, the applicant also shall give actual 24721

notice of the general design and purpose of the facility to the 24722
legislative authority of each municipal corporation, township, and 24723
county in which the facility is proposed to be located at least 24724
ninety days before the permit application is submitted to the 24725
environmental protection agency. 24726

In accordance with rules adopted under section 3734.12 of the 24727
Revised Code, prior to the submission of a complete application 24728
for a hazardous waste facility installation and operation permit, 24729
the applicant shall hold at least one meeting in the township or 24730
municipal corporation in which the facility is proposed to be 24731
located, whichever is geographically closer to the proposed 24732
location of the facility. The meeting shall be open to the public 24733
and shall be held to inform the community of the proposed 24734
hazardous waste management activities and to solicit questions 24735
from the community concerning the activities. 24736

~~(D)(1) There is hereby created the hazardous waste facility 24737~~
~~board, composed of the director of environmental protection who 24738~~
~~shall serve as chairperson, the director of natural resources, and 24739~~
~~the chairperson of the Ohio water development authority, or their 24740~~
~~respective designees, and one chemical engineer and one geologist 24741~~
~~who each shall be employed by a state university as defined in 24742~~
~~section 3345.011 of the Revised Code. The chemical engineer and 24743~~
~~geologist each shall be appointed by the governor, with the advice 24744~~
~~and consent of the senate, for a term of two years. The chemical 24745~~
~~engineer and geologist each shall receive as compensation five 24746~~
~~thousand dollars per year, plus expenses necessarily incurred in 24747~~
~~the performance of their duties.~~ 24748

~~The board shall not issue any final order without the consent 24749~~
~~of at least three members.~~ 24750

site, location, or tract of land that has not been authorized for 25171
the proposed category of treatment, storage, or disposal activity 25172
by the facility's permit; 25173

(b) Modification or addition of a hazardous waste management 25174
unit, as defined in rules adopted under section 3734.12 of the 25175
Revised Code, that results in an increase in a facility's storage 25176
capacity of more than twenty-five per cent over the capacity 25177
authorized by the facility's permit, an increase in a facility's 25178
treatment rate of more than twenty-five per cent over the rate so 25179
authorized, or an increase in a facility's disposal capacity over 25180
the capacity so authorized. The authorized disposal capacity for a 25181
facility shall be calculated from the approved design plans for 25182
the disposal units at that facility. In no case during a five-year 25183
period shall a facility's storage capacity or treatment rate be 25184
modified to increase by more than twenty-five per cent in the 25185
aggregate without ~~board~~ the director's approval in accordance with 25186

facility not previously authorized to dispose of hazardous waste; 25197
or authority to add a category of hazardous waste management unit 25198
not previously authorized at the facility by the facility's 25199
permit. Notwithstanding any provision of division (I) of this 25200
section to the contrary, a request for authority to add or to 25201
modify an activity or a hazardous waste management unit for the 25202
purposes of performing a corrective action shall be classified and 25203

waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 25209
previously authorized to treat, store, or dispose of those types 25210
of wastes by the facility's permit unless the requested authority 25211
is limited to wastes that no longer exhibit characteristics 25212
meeting the criteria for listing or characterization as reactive 25213
or explosive wastes, or for listing as acute hazardous waste, but 25214
still are required to carry those waste codes as established in 25215
rules adopted under section 3734.12 of the Revised Code because of 25216
the requirements established in 40 C.F.R. 261(a) and (e), as 25217

that facility and shall be considered as interested persons with 25240
respect to the director's consideration of the application. 25241

For those modification applications for a transfer of a 25242
permit to a new owner or operator of a facility, the director also 25243
shall determine that, if the transferee owner or operator has been 25244
involved in any prior activity involving the transportation, 25245
treatment, storage, or disposal of hazardous waste, the transferee 25246
owner or operator has a history of compliance with this chapter 25247
and Chapters 3704. and 6111. of the Revised Code and all rules and 25248
standards adopted under them, the "Resource Conservation and 25249
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 25250
amended, and all regulations adopted under it, and similar laws 25251
and rules of another state if the transferee owner or operator 25252
owns or operates a facility in that state, that demonstrates 25253
sufficient reliability, expertise, and competency to operate a 25254
hazardous waste facility under this chapter and Chapters 3704. and 25255
6111. of the Revised Code, all rules and standards adopted under 25256

them, and terms and conditions of a hazardous waste facility 25257
installation and operation permit, given the potential for harm to 25258
the public health and safety and the environment that could result 25259
from the irresponsible operation of the facility. A permit may be 25260
transferred to a new owner or operator only pursuant to a Class 3 25261
permit modification. 25262

(6) The approval or disapproval by the director of a Class 1 25277
modification application is not a final action that is appealable 25278
under Chapter 3745. of the Revised Code. The approval or 25279
disapproval by the director of a Class 2 modification or a Class 3 25280
modification ~~that is not described in divisions (I)(3)(a) to (d)~~ 25281

to the request that are received during the public comment period 25285
and the public meetings. The administrative record for appeal of a 25286
final action by the director in approving or disapproving a 25287

request for a modification shall include all comments received 25288
during the public comment period relating to the request for 25289

director ~~or the hazardous waste facility board created in section~~ 25566

~~3734.05 of the Revised Code from prohibiting the disposal of 25567~~
~~specified hazardous wastes at particular facilities under the 25568~~
~~terms or conditions of a permit or preclude the director from 25569~~
~~prohibiting that disposal by order. 25570~~

than the regulations adopted under the "Resource Conservation and 25572
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 25573
amended, when the director determines that such more stringent 25574
rules are reasonable in order to protect human health or safety or 25575
the environment: 25576

(i) Specific wastes that the director determines, because of 25577
their physical, chemical, or biological characteristics, are so 25578
extremely hazardous that the storage, treatment, or disposal of 25579
the wastes in compliance with those regulations would present an 25580
imminent danger to human health or safety or the environment; 25581

(ii) The use of only properly designed, operated, and 25582
approved transfer facilities; 25583

(iii) Preventing illegitimate activities relating to the 25584
reuse, recycling, or reclaiming of hazardous waste, including 25585
record-keeping, reporting, and manifest requirements. 25586

(b) In adopting such more stringent rules, the director shall 25587
give consideration to and base the rules on evidence concerning 25588
factors including, but not limited to, the following insofar as 25589
pertinent: 25590

(i) Geography of the state; 25591

(ii) Geology of the state; 25592

(iii) Hydrogeology of the state; 25593

(iv) Climate of the state; 25594

(v) Engineering and technical feasibility; 25595

(vi) Availability of alternative technologies or methods of 25596

storage, treatment, or disposal. 25597

(2) The director may require from generators and transporters 25598
of hazardous waste and from owners or operators of treatment, 25599
storage, or disposal facilities, the submission of reports in 25600
addition to those required under regulations adopted under the 25601
"Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 25602
42 U.S.C.A. 6921, as amended, to the extent that such reports 25603
contain information that the generator, transporter, or facility 25604
owner or operator is required to obtain in order to comply with 25605
the regulations adopted by the administrator of the United States 25606
environmental protection agency under the "Resource Conservation 25607
and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 25608
amended, or to the extent that such reports are required by the 25609
director to meet the requirements of division (B)(7), (D)(9), or 25610
(H) of this section or section 3734.121 of the Revised Code. 25611

(J) Governing the storage, treatment, or disposal of 25612
hazardous waste in, and the permitting, design, construction, 25613
operation, monitoring, inspection, closure, and post-closure care 25614
of, hazardous waste underground injection wells, surface 25615
impoundments, waste piles other than those composed of materials 25616
removed from the ground as part of coal or mineral extraction or 25617
cleaning processes, land treatment facilities, thermal treatment 25618
facilities, and landfills that may be more stringent than the 25619
regulations adopted under the "Resource Conservation and Recovery 25620
Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, 25621
whenever the director reasonably determines that federal 25622
regulations will not adequately protect the public health or 25623
safety or the environment of this state with respect to the 25624
subject matter of the more stringent rules. Such more stringent 25625
rules shall be developed to achieve a degree of protection, as 25626
determined by the director, consistent with the degree of hazard 25627
potentially posed by the various wastes or categories of wastes to 25628

be treated, stored, or disposed of and the types of facilities at 25629
which they are to be treated, stored, or disposed of. In adopting 25630
such more stringent rules, the director shall give consideration 25631
to and base the rules on evidence concerning factors including, 25632
but not limited to, the following insofar as pertinent: 25633

(1) Geography of the state; 25634

(2) Geology of the state; 25635

(3) Hydrogeology of the state; 25636

(4) Climate of the state; 25637

(5) Engineering and technical feasibility; 25638

(6) Availability of alternative technologies or methods of 25639
storage, treatment, or disposal. 25640

(K) Establishing performance standards and other requirements 25641
necessary to protect public health and the environment from 25642
hazards associated with used oil, including, without limitation, 25643
standards and requirements respecting all of the following: 25644

(1) Material that is subject to regulation as used oil; 25645

(2) Generation of used oil; 25646

(3) Used oil collection centers and aggregation points; 25647

(4) Transportation of used oil; 25648

(5) Processing and re-refining of used oil; 25649

(6) Burning of used oil; 25650

(7) Marketing of used oil; 25651

(8) Disposal of used oil; 25652

(9) Use of used oil as a dust suppressant. 25653

Sec. 3734.123. (A) As used in this section and section 25654
3734.124 of the Revised Code, "commercial hazardous waste 25655

incinerator" means an enclosed device that treats hazardous waste 25656
by means of controlled flame combustion and that accepts for 25657
treatment hazardous waste that is generated off the premises on 25658
which the device is located by any person other than the one who 25659
owns or operates the device or one who controls, is controlled by, 25660
or is under common control with the person who owns or operates 25661
the device. "Commercial hazardous waste incinerator" does not 25662
include any "boiler" or "industrial furnace" as those terms are 25663
defined in rules adopted under section 3734.12 of the Revised 25664
Code. 25665

(B) Not sooner than three years after April 15, 1993, and 25666
triennially thereafter, the director of environmental protection 25667
shall prepare, publish, and issue as a final action an assessment 25668
of commercial hazardous waste incinerator capacity in this state. 25669
However, after the issuance as a final action of a determination 25670
under division (A) of section 3734.124 of the Revised Code that 25671
terminates the restrictions established in division (C) of this 25672
section, the director shall cease preparing, publishing, and 25673
issuing the periodic assessments required under this division. The 25674
assessment shall determine the amount of commercial hazardous 25675
waste incinerator capacity needed to manage the hazardous waste 25676
expected to be generated in this state and imported into this 25677
state for incineration at commercial hazardous waste incinerators 25678
during the next succeeding twenty calendar years. The assessment 25679
shall include at least all of the following: 25680

(1) A determination of the aggregate treatment capacity 25681
authorized at commercial hazardous waste incinerators located in 25682
this state; 25683

(2) A determination of the quantity of hazardous waste 25684
generated in this state that is being treated at commercial 25685
hazardous waste incinerators located in this state and projections 25686
of the quantity of hazardous waste generated in this state that 25687

will be treated at those facilities; 25688

(3) A determination of the quantity of hazardous waste 25689
generated outside this state that is being treated at commercial 25690
hazardous waste incinerators located in this state and projections 25691
of the quantity of hazardous waste generated outside this state 25692
that will be treated at those facilities; 25693

(4) A determination of the quantity of hazardous waste 25694
generated in this state that is being treated at commercial 25695
hazardous waste incinerators located outside this state, and 25696
projections of the quantity of hazardous waste generated in this 25697
state that will be treated at those facilities; 25698

(5) The amount of commercial hazardous waste incinerator 25699
capacity that the director reasonably anticipates will be needed 25700
during the first three years of the planning period to treat 25701
hazardous waste generated from the remediation of sites in this 25702
state that are on the national priority list required under the 25703
"Comprehensive Environmental Response, Compensation, and Liability 25704
Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as amended; as a 25705
result of corrective actions implemented under the "Resource 25706
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 25707
6921, as amended; and as a result of clean-up activities conducted 25708
at sites listed on the master sites list prepared by the 25709
environmental protection agency; 25710

(6) Based upon available data, provided that the data are 25711
reliable and are compatible with the data base of the 25712
environmental protection agency, an identification of any 25713
hazardous waste first listed as a hazardous waste in regulations 25714
adopted under the "Resource Conservation and Recovery Act of 25715
1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, on or after 25716
April 15, 1993, and of any hazardous waste that has been proposed 25717
for such listing by publication of a notice in the federal 25718
register on or before December 1 of the year immediately preceding 25719

the triennial assessment;	25720
(7) An analysis of other factors that may result in capacity changes over the period addressed by the assessment.	25721 25722
(C) Except as otherwise provided in section 3734.124 of the Revised Code, none of the following shall occur on or after April 15, 1993:	25723 25724 25725
(1) The director shall not do any of the following:	25726
(a) Pursuant to division (D)(3) or (I)(4) of section 3734.05 of the Revised Code, as applicable, transmit to the hazardous waste facility board created in that section any application for a <u>Issue any</u> hazardous waste facility installation and operation permit <u>under division (D) of section 3745.05 of the Revised Code</u> for the establishment of a new commercial hazardous waste incinerator, or any request for a modification, as described in divisions (I)(3)(a) to (d) of section 3734.05 of the Revised Code, of an existing commercial hazardous waste incinerator to increase either the treatment capacity of the incinerator or the quantity of hazardous waste authorized to be treated by it, for which the staff of the environmental protection agency has made a preliminary determination as to whether the application or request appears to comply with the rules and standards set forth under divisions (D), (I), and (J) of section 3734.12 of the Revised Code;	25727 25728 25729 25730 25731 25732 25733 25734 25735 25736 25737 25738 25739 25740 25741 25742
(b) <u>Issue issue</u> any modified hazardous waste facility installation and operation permit under division (I)(5) of <u>that</u> section 3734.05 of the Revised Code that would authorize an increase in either the treatment capacity of a commercial hazardous waste incinerator or the quantity of hazardous waste authorized to be treated by it;	25743 25744 25745 25746 25747 25748
(e)(<u>b</u>) Issue any permit pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code, division (J)	25749 25750

of section 6111.03 of the Revised Code, or the solid waste 25751
provisions of this chapter and rules adopted under those 25752
provisions, that is necessary for the establishment, modification, 25753
or operation of any appurtenant facility or equipment that is 25754
necessary for the operation of a new commercial hazardous waste 25755
incinerator, or the modification of such an existing incinerator 25756
to increase either the treatment capacity of the incinerator or 25757
the quantity of hazardous waste that is authorized to be treated 25758
by it. Upon determining that an application for any permit 25759
pertains to the establishment, modification, or operation of any 25760
appurtenant facility or equipment, the director shall cease 25761
reviewing the application and return the application and 25762
accompanying materials to the applicant along with a written 25763
notice that division (C)(1)~~(e)~~(b) of this section precludes the 25764
director from reviewing and acting upon the application. 25765

~~(d)~~(c) Issue any exemption order under division (G) of 25766
section 3734.02 of the Revised Code exempting the establishment of 25767
a new commercial hazardous waste incinerator; the modification of 25768
an existing facility to increase either the treatment capacity of 25769
the incinerator or the quantity of hazardous waste that is 25770
authorized to be treated by it; or the establishment, 25771
modification, or operation of any facility or equipment 25772
appurtenant to a new or modified commercial hazardous waste 25773
incinerator, from divisions (C)(1)(a)~~,~~ or (b)~~,~~ ~~or~~ ~~(e)~~ or (C)(2) ~~or~~ 25774
~~(3)~~ of this section. 25775

it. ~~Upon determining that an application or request submitted~~ 25790
~~under those divisions pertains to the establishment of a new~~ 25791
~~commercial hazardous waste incinerator or the modification of an~~ 25792

Sec. 3734.124. (A) Promptly after issuing a periodic 25811
assessment under division (B) of section 3734.123 of the Revised 25812
Code, the director of environmental protection shall make a 25813

determination as to whether it is necessary or appropriate to 25814
continue the restrictions established in division (C) of section 25815
3734.123 of the Revised Code during the period of time between the 25816
issuance of the assessment and the issuance of the next succeeding 25817
periodic assessment or as to whether it is necessary or 25818
appropriate to terminate the restrictions. The director shall 25819
consider all of the following when making a determination under 25820
this division: 25821

(1) The findings of the assessment; 25822

(2) The findings of an evaluation conducted by the director, 25823
in consultation with the chairperson of the state emergency 25824
response commission created in section 3750.02 of the Revised 25825
Code, regarding the capability of this state to respond to the 25826
types and frequencies of releases of hazardous waste that are 25827
likely to occur at commercial hazardous waste incinerators; 25828

(3) The effect that a new commercial hazardous waste 25829
incinerator may have on ambient air quality in this state; 25830

(4) The findings of a review of relevant information 25831
regarding the impacts of commercial hazardous waste incinerators 25832
on human health and the environment, such as health studies and 25833
risk assessments; 25834

(5) The findings of a review of the operational records of 25835
commercial hazardous waste incinerators operating in this state; 25836

(6) The findings of any review of relevant information 25837
concerning the following: 25838

(a) The cost of and access to commercial hazardous waste 25839
incinerator capacity; 25840

(b) The length of time and the regulatory review process 25841
necessary to fully permit a commercial hazardous waste 25842
incinerator; 25843

(c) Access to long-term capital investment to fund the building of a commercial hazardous waste incinerator in this state;

(d) Efforts by generators of hazardous waste accepted by commercial hazardous waste incinerators to reduce the amount of hazardous waste that they generate.

(7) Regulatory and legislative concerns that may include, without limitation, the provisions of paragraphs (a) and (b) of 40 C.F.R. 271.4, as they existed on April 15, 1993.

If, after considering all of the information and concerns that the director is required to consider under divisions (A)(1) to (7) of this section, the director determines that it is necessary or appropriate to terminate the restrictions established in division (C) of section 3734.123 of the Revised Code in order to protect human health or safety or the environment, the director shall issue as a final action a written determination to that effect. If the director determines that it is necessary or appropriate for those purposes to continue the restrictions until the issuance of the next succeeding periodic assessment under division (B) of section 3734.123 of the Revised Code, the director shall issue as a final action a written determination to that effect. After the issuance as a final action of a determination under this division that it is necessary or appropriate to terminate the restrictions established in division (C) of section 3734.123 of the Revised Code, the director shall cease making the periodic determinations required under this division.

(B) Beginning three years after April 15, 1993, but only on and after the date of issuance as final actions of an assessment under division (B) of section 3734.123 of the Revised Code and a determination under division (A) of this section that it is necessary or appropriate to terminate the restrictions established

incinerator, or a request for a modification, as described in 25883
divisions (I)(3)(a) to (d) of section 3734.05 of the Revised Code, 25884
of a commercial hazardous waste incinerator to increase either the 25885
treatment capacity of the incinerator or the quantity of hazardous 25886
waste authorized to be treated by it, for which the staff of the 25887
environmental protection agency has made a preliminary 25888
determination as to whether the application or request appears to 25889
comply with the rules and standards set forth under divisions (D), 25890
(I), and (K) of section 3734.05 of the Revised Code;~~ 25891

~~(b) To the extent otherwise authorized in division (I)(5) of 25892
section 3734.05 of the Revised Code, issue a modified hazardous 25893

the establishment, modification, or operation of any appurtenant 25903
facility or equipment that is necessary for the operation of a new 25904
commercial hazardous waste incinerator, or for the modification of 25905
an existing incinerator to increase either the treatment capacity 25906~~

of the incinerator or the quantity of hazardous waste authorized 25907
to be treated by it; 25908

~~(d)(2)~~ To the extent otherwise authorized in division (G) of 25909
section 3734.02 of the Revised Code, issue an order exempting the 25910

or a request to modify an existing incinerator to increase either 25932
the treatment capacity of the incinerator or the quantity of 25933
hazardous waste authorized to be treated by it appears to comply 25934
with the rules and performance standards set forth under divisions 25935
(D), (I), and (J) of section 3734.12 of the Revised Code. 25936~~

dollars, and the maximum annual disposal fee for a satellite 25983
facility that disposes of more than one hundred thousand tons of 25984
hazardous waste in a year is seventy-five thousand dollars, except 25985
that a satellite facility defined under division (E)(3)(b) of 25986
section 3734.02 of the Revised Code that receives hazardous waste 25987
from a single generation site is subject to the same maximum 25988
annual disposal fees as an on-site disposal facility. The owner or 25989
operator shall pay the fee to the director each year upon the 25990
anniversary of the date of issuance of the owner's or operator's 25991
installation and operation permit during the term of that permit 25992
and any renewal permit issued under division (H) of section 25993
3734.05 of the Revised Code. If payment is late, the owner or 25994
operator shall pay an additional ten per cent of the amount of the 25995
fee for each month that it is late. 25996

(B) There are hereby levied fees at the rate of two dollars 25997
per ton on hazardous waste that is treated at treatment facilities 25998
that are not on-site or satellite facilities, as defined in 25999
division (E) of section 3734.02 of the Revised Code, to which ~~the~~ 26000
~~hazardous waste facility board has issued~~ a hazardous waste 26001

facility installation and operation permit or ~~the director~~ renewal 26002
of a permit has been issued a ~~renewal permit~~ under this chapter, 26003
or that are not subject to the hazardous waste facility 26004
installation and operation permit requirements under rules adopted 26005
by the director. 26006

(C) There are hereby levied additional fees on the treatment 26007
and disposal of hazardous waste at the rate of ten per cent of the 26008
applicable fees prescribed in division (A) or (B) of this section 26009
for the purposes of paying the costs of municipal corporations and 26010
counties for conducting reviews of applications for hazardous 26011
waste facility installation and operation permits for proposed new 26012
or modified hazardous waste landfills within their boundaries, 26013
emergency response actions with respect to releases of hazardous 26014
waste from hazardous waste facilities within their boundaries, 26015
monitoring the operation of such hazardous waste facilities, and 26016
local waste management planning programs. The owner or operator of 26017
a facility located within a municipal corporation, as a trustee 26018
for the municipal corporation, shall collect the fees levied by 26019
this division and forward them to the treasurer of the municipal 26020
corporation or such officer as, by virtue of the charter, has the 26021
duties of the treasurer in accordance with rules adopted under 26022
this section. The owner or operator of a facility located in an 26023
unincorporated area, as a trustee of the county in which the 26024
facility is located, shall collect the fees levied by this 26025
division and forward them to the county treasurer of that county 26026
in accordance with rules adopted under this section. The owner or 26027
operator shall pay the fees levied by this division to the 26028
treasurer or such other officer of the municipal corporation or to 26029
the county treasurer each year upon the anniversary of the date of 26030
issuance of the owner's or operator's installation and operation 26031
permit during the term of that permit and any renewal permit 26032
issued under division (H) of section 3734.05 of the Revised Code. 26033
If payment is late, the owner or operator shall pay an additional 26034

ten per cent of the amount of the fee for each month that the payment is late. 26035
26036

Moneys received by a municipal corporation under this 26037
division shall be paid into a special fund of the municipal 26038
corporation and used exclusively for the purposes of conducting 26039
reviews of applications for hazardous waste facility installation 26040
and operation permits for new or modified hazardous waste 26041
landfills located or proposed within the municipal corporation, 26042
conducting emergency response actions with respect to releases of 26043
hazardous waste from facilities located within the municipal 26044
corporation, monitoring operation of such hazardous waste 26045
facilities, and conducting waste management planning programs 26046
within the municipal corporation through employees of the 26047
municipal corporation or pursuant to contracts entered into with 26048
persons or political subdivisions. Moneys received by a board of 26049
county commissioners under this division shall be paid into a 26050
special fund of the county and used exclusively for those purposes 26051
within the unincorporated area of the county through employees of 26052
the county or pursuant to contracts entered into with persons or 26053
political subdivisions. 26054

(D) As used in this section, "treatment" or "treated" does 26055
not include any method, technique, or process designed to recover 26056
energy or material resources from the waste or to render the waste 26057
amenable for recovery. The fees levied by division (B) of this 26058
section do not apply to hazardous waste that is treated and 26059
disposed of on the same premises or by the same person. 26060

(E) The director, by rules adopted in accordance with 26061
Chapters 119. and 3745. of the Revised Code, shall prescribe any 26062
dates not specified in this section and procedures for collecting 26063
and forwarding the fees prescribed by this section and may 26064
prescribe other requirements that are necessary to carry out this 26065
section. 26066

The director shall deposit the moneys collected under 26067
divisions (A) and (B) of this section into one or more minority 26068
banks, as "minority bank" is defined in division (F)(1) of section 26069
135.04 of the Revised Code, to the credit of the hazardous waste 26070
facility management fund, which is hereby created in the state 26071
treasury, except that the director shall deposit to the credit of 26072
the underground injection control fund created in section 6111.046 26073
of the Revised Code moneys in excess of fifty thousand dollars 26074
that are collected during a fiscal year under division (A)(2) of 26075
this section from the fee levied on the disposal of hazardous 26076
waste by deep well injection at an on-site disposal facility that 26077
disposes of more than one hundred thousand tons of hazardous waste 26078
in a year. 26079

The environmental protection agency ~~and the hazardous waste~~ 26080
~~facility board~~ may use moneys in the hazardous waste facility 26081
management fund for administration of the hazardous waste program 26082
established under this chapter and, in accordance with this 26083
section, may request approval by the controlling board for that 26084
use on an annual basis. In addition, the agency may use and pledge 26085
moneys in that fund for repayment of and for interest on any loans 26086
made by the Ohio water development authority to the agency for the 26087
hazardous waste program established under this chapter without the 26088
necessity of requesting approval by the controlling board, which 26089
use and pledge shall have priority over any other use of the 26090
moneys in the fund. 26091

Until September 28, 1996, the director also may use moneys in 26092
the fund to pay the start-up costs of administering Chapter 3746. 26093
of the Revised Code. 26094

If moneys in the fund that the agency uses in accordance with 26095
this chapter are reimbursed by grants or other moneys from the 26096
United States government, the grants or other moneys shall be 26097
placed in the fund. 26098

Before the agency makes any expenditure from the fund other than for repayment of and interest on any loan made by the Ohio water development authority to the agency in accordance with this section, the controlling board shall approve the expenditure.

Sec. 3734.28. All moneys collected under sections 3734.122, 3734.13, 3734.20, 3734.22, 3734.24, and 3734.26 of the Revised Code and natural resource damages collected by the state under the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as amended, shall be paid into the state treasury to the credit of the hazardous waste clean-up fund, which is hereby created. The environmental protection agency shall use the moneys in the fund for the purposes set forth in division (D) of section 3734.122, sections 3734.19, 3734.20, 3734.21, 3734.23, 3734.25, 3734.26, and 3734.27, and, through ~~June 30, 2003~~ October 15, 2005, divisions (A)(1) and (2) of section 3745.12 and Chapter 3746. of the Revised Code, including any related enforcement expenses. In addition, the agency shall use the moneys in the fund to pay the state's long-term operation and maintenance costs or matching share for actions taken under the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," as amended. If those moneys are reimbursed by grants or other moneys from the United States or any other person, the moneys shall be placed in the fund and not in the general revenue fund.

Sec. 3734.42. (A)(1) Except as otherwise provided in division (E)(2) of this section, every applicant for a permit other than a permit modification or renewal shall file a disclosure statement, on a form developed by the attorney general, with the director of environmental protection and the attorney general at the same time the applicant files an application for a permit other than a permit modification or renewal with the director.

26130

(2) Any individual required to be listed in the disclosure statement shall be fingerprinted for identification and investigation purposes in accordance with procedures established by the attorney general. An individual required to be fingerprinted under this section shall not be required to be fingerprinted more than once under this section.

In preparing this report, the attorney general may request and receive criminal history information from the federal bureau of investigation and any other law enforcement agency or organization. The attorney general may provide such confidentiality regarding the information received from a law enforcement agency as may be imposed by that agency as a condition for providing that information to the attorney general.

(C) The attorney general may charge and collect such fees 26165
from applicants and permittees as are necessary to cover the costs 26166
of administering and enforcing the investigative procedures 26167
authorized in sections 3734.41 to 3734.47 of the Revised Code. The 26168
attorney general shall transmit moneys collected under this 26169
division to the treasurer of state to be credited to the solid and 26170
hazardous waste background investigations fund, which is hereby 26171
created in the state treasury. Moneys in the fund shall be used 26172
solely for paying the attorney general's costs of administering 26173
and enforcing the investigative procedures authorized in sections 26174
3734.41 to 3734.47 of the Revised Code. 26175

(D) Annually on the anniversary date of the submission to the 26176
director by the attorney general of the investigative report for a 26177
specific facility, or annually on another date assigned by the 26178
attorney general, the appropriate applicant, permittee, or 26179
prospective owner shall submit to the attorney general, on a form 26180
provided by the attorney general, any and all information required 26181
to be included in a disclosure statement that has changed or been 26182
added in the immediately preceding year. If, in the immediately 26183
preceding year, there have been no changes in or additions to the 26184
information required to be included in a disclosure statement, the 26185
appropriate applicant, permittee, or prospective owner shall 26186
submit to the attorney general an affidavit stating that there 26187
have been no changes in or additions to that information during 26188
that time period. 26189

Notwithstanding the requirement for an annual submission of 26190
information, the following information shall be submitted within 26191
the periods specified: 26192

(1) Information required to be included in the disclosure 26193

statement for any new officer, director, partner, or key employee, 26194
to be submitted within ninety days from the addition of the 26195
officer, director, partner, or key employee; 26196

(2) Information required to be included in a disclosure 26197
statement for any new business concern, to be submitted within 26198
ninety days from the addition of the new business concern; 26199

(3) Information regarding any new criminal conviction, to be 26200
submitted within ninety days from the judgment entry of 26201
conviction. 26202

The failure to provide such information may constitute the 26203
basis for the revocation or denial of renewal of any permit or 26204
license issued in accordance with this chapter, provided that 26205
prior to any such denial or revocation, the director shall notify 26206
the applicant or permittee of the director's intention to do so 26207
and give the applicant or permittee fourteen days from the date of 26208
the notice to explain why the information was not provided. The 26209
director shall consider this information when determining whether 26210
to revoke or deny the permit or license. 26211

Nothing in this division affects the rights of the director 26212
or the attorney general granted under sections 3734.40 to 3734.47 26213
of the Revised Code to request information from a person at any 26214
other time. 26215

(E)(1) Except as otherwise provided in division (E)(2) of 26216
this section, every permittee who is not otherwise required to 26217
file a disclosure statement shall file a disclosure statement 26218
within five years after June 24, 1988, pursuant to a schedule for 26219
submissions of disclosure statements developed by the attorney 26220
general. The schedule shall provide all permittees and holders of 26221
a license with at least one hundred eighty days' notice prior to 26222
the date upon which the statement is to be submitted. All other 26223
terms of the schedule shall be established at the discretion of 26224

the attorney general and shall not be subject to judicial review. 26225

(2) An applicant for a permit for an off-site solid waste 26226
facility that is a scrap tire storage, monocell, monofill, or 26227
recovery facility issued under section 3734.76, 3734.77, or 26228
3734.78 of the Revised Code, as applicable, shall file a 26229
disclosure statement within five years after October 29, 1993, 26230
pursuant to a schedule for submissions of disclosure statements 26231
developed by the attorney general. The schedule shall provide all 26232
such applicants with at least one hundred eighty days' notice 26233
prior to the date upon which the statement shall be submitted. All 26234
other terms of the schedule shall be established at the discretion 26235
of the attorney general and shall not be subject to judicial 26236
review. 26237

Beginning five years after October 29, 1993, an applicant for 26238
such a permit shall file a disclosure statement in accordance with 26239
division (A)(1) of this section. 26240

(3) When a permittee submits a disclosure statement at the 26241
time it submits an application for a renewal or modification of 26242
its permit, the attorney general shall remove the permittee from 26243
the submission schedule established pursuant to division (E)(1) or 26244
(2) of this section. 26245

(4) After receiving a disclosure statement under division 26246
(E)(1) or (2) of this section, the attorney general shall prepare 26247
an investigative report and transmit it to the director. The 26248
director shall review the disclosure statement and investigative 26249
report to determine whether the statement or report contains 26250
information that if submitted with a permit application would 26251
require a denial of the permit pursuant to section 3734.44 of the 26252
Revised Code. If the director determines that the statement or 26253
report contains such information, the director may revoke any 26254
previously issued permit pursuant to section 3734.45 of the 26255
Revised Code, or the director shall deny any application for a 26256

renewal of a permit or license. When the renewal of the license is 26257
being performed by a board of health, the director shall instruct 26258
the board of health about those circumstances under which the 26259
renewal is required to be denied by this section. 26260

(F)(1) Whenever there is a change in ownership of any 26261
off-site solid waste facility, including incinerators, any 26262
transfer facility, any off-site infectious waste treatment 26263
facility, or any off-site hazardous waste treatment, storage, or 26264
disposal facility, the prospective owner shall file a disclosure 26265
statement with the attorney general and the director at least one 26266
hundred eighty days prior to the proposed change in ownership. 26267
Upon receipt of the disclosure statement, the attorney general 26268
shall prepare an investigative report and transmit it to the 26269
director. The director shall review the disclosure statement and 26270
investigative report to determine whether the statement or report 26271
contains information that if submitted with a permit application 26272
would require a denial of the permit pursuant to section 3734.44 26273
of the Revised Code. If the director determines that the statement 26274
or report contains such information, the director shall disapprove 26275
the change in ownership. 26276

(2) If the parties to a change in ownership decide to proceed 26277
with the change prior to the action of the director on the 26278
disclosure statement and investigative report, the parties shall 26279
include in all contracts or other documents reflecting the change 26280
in ownership language expressly making the change in ownership 26281
subject to the approval of the director and expressly negating the 26282
change if it is disapproved by the director pursuant to division 26283
(F)(1) of this section. 26284

(3) As used in this section, "change in ownership" includes 26285
any change in the names, other than those of officers, directors, 26286
partners, or key employees, contained in the disclosure statement. 26287

Sec. 3734.44. Notwithstanding the provisions of any law to 26288
the contrary, no permit or license shall be issued or renewed by 26289
the director of environmental protection, ~~the hazardous waste~~ 26290
~~facility board,~~ or a board of health: 26291

(A) Unless the director, ~~the hazardous waste facility board,~~ 26292
or the board of health finds that the applicant, in any prior 26293
performance record in the transportation, transfer, treatment, 26294
storage, or disposal of solid wastes, infectious wastes, or 26295
hazardous waste, has exhibited sufficient reliability, expertise, 26296
and competency to operate the solid waste, infectious waste, or 26297
hazardous waste facility, given the potential for harm to human 26298
health and the environment that could result from the 26299
irresponsible operation of the facility, or, if no prior record 26300
exists, that the applicant is likely to exhibit that reliability, 26301
expertise, and competence; 26302

(B) If any individual or business concern required to be 26303
listed in the disclosure statement or shown to have a beneficial 26304
interest in the business of the applicant or the permittee, other 26305
than an equity interest or debt liability, by the investigation 26306
thereof, has been convicted of any of the following crimes under 26307
the laws of this state or equivalent laws of any other 26308
jurisdiction: 26309

- (1) Murder; 26310
- (2) Kidnapping; 26311
- (3) Gambling; 26312
- (4) Robbery; 26313
- (5) Bribery; 26314
- (6) Extortion; 26315
- (7) Criminal usury; 26316

(8) Arson;	26317
(9) Burglary;	26318
(10) Theft and related crimes;	26319
(11) Forgery and fraudulent practices;	26320
(12) Fraud in the offering, sale, or purchase of securities;	26321
(13) Alteration of motor vehicle identification numbers;	26322
(14) Unlawful manufacture, purchase, use, or transfer of firearms;	26323 26324
(15) Unlawful possession or use of destructive devices or explosives;	26325 26326
(16) Violation of section 2925.03, 2925.04, 2925.05, 2925.06, 2925.11, 2925.32, or 2925.37 or Chapter 3719. of the Revised Code, unless the violation is for possession of less than one hundred grams of marihuana, less than five grams of marihuana resin or extraction or preparation of marihuana resin, or less than one gram of marihuana resin in a liquid concentrate, liquid extract, or liquid distillate form;	26327 26328 26329 26330 26331 26332 26333
(17) Engaging in a pattern of corrupt activity under section 2923.32 of the Revised Code;	26334 26335
(18) Violation of criminal provisions of Chapter 1331. of the Revised Code;	26336 26337
(19) Any violation of the criminal provisions of any federal or state environmental protection laws, rules, or regulations that is committed knowingly or recklessly, as defined in section 2901.22 of the Revised Code;	26338 26339 26340 26341
(20) Violation of Chapter 2909. of the Revised Code;	26342
(21) Any offense specified in Chapter 2921. of the Revised Code.	26343 26344

(C) Notwithstanding division (B) of this section, no applicant shall be denied the issuance or renewal of a permit or license on the basis of a conviction of any individual or business concern required to be listed in the disclosure statement or shown to have a beneficial interest in the business of the applicant or the permittee, other than an equity interest or debt liability, by the investigation thereof for any of the offenses enumerated in that division as disqualification criteria if that applicant has affirmatively demonstrated rehabilitation of the individual or business concern by a preponderance of the evidence. If any such individual was convicted of any of the offenses so enumerated that are felonies, a permit shall be denied unless five years have elapsed since the individual was fully discharged from imprisonment and parole for the offense, from a post-release control sanction imposed under section 2967.28 of the Revised Code for the offense, or imprisonment, probation, and parole for an offense that was committed prior to the effective date of this amendment. In determining whether an applicant has affirmatively demonstrated rehabilitation, the director, ~~the hazardous waste facility board,~~ or the board of health shall request a recommendation on the matter from the attorney general and shall consider and base the determination on the following factors:

- (1) The nature and responsibilities of the position a convicted individual would hold;
- (2) The nature and seriousness of the offense;
- (3) The circumstances under which the offense occurred;
- (4) The date of the offense;
- (5) The age of the individual when the offense was committed;
- (6) Whether the offense was an isolated or repeated incident;
- (7) Any social conditions that may have contributed to the

offense;	26375
(8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work release programs, or the recommendation of persons who have or have had the applicant under their supervision;	26376 26377 26378 26379 26380 26381
(9) In the instance of an applicant that is a business concern, rehabilitation shall be established if the applicant has implemented formal management controls to minimize and prevent the occurrence of violations and activities that will or may result in permit or license denial or revocation or if the applicant has formalized those controls as a result of a revocation or denial of a permit or license. Those controls may include, but are not limited to, instituting environmental auditing programs to help ensure the adequacy of internal systems to achieve, maintain, and monitor compliance with applicable environmental laws and standards or instituting an antitrust compliance auditing program to help ensure full compliance with applicable antitrust laws. The business concern shall prove by a preponderance of the evidence that the management controls are effective in preventing the violations that are the subject of concern.	26382 26383 26384 26385 26386 26387 26388 26389 26390 26391 26392 26393 26394 26395 26396
(D) Unless the director, the hazardous waste facility board, or the board of health finds that the applicant has a history of compliance with environmental laws in this state and other jurisdictions and is presently in substantial compliance with, or on a legally enforceable schedule that will result in compliance with, environmental laws in this state and other jurisdictions;	26397 26398 26399 26400 26401 26402
(E) With respect to the approval of a permit, if the director or the hazardous waste facility board determines that current prosecutions or pending charges in any jurisdiction for any of the offenses enumerated in division (B) of this section against any	26403 26404 26405 26406

individual or business concern required to be listed in the 26407
disclosure statement or shown by the investigation to have a 26408
beneficial interest in the business of the applicant other than an 26409
equity interest or debt liability are of such magnitude that they 26410
prevent making the finding required under division (A) of this 26411
section, provided that at the request of the applicant or the 26412
individual or business concern charged, the director ~~or the~~ 26413
~~hazardous waste facility board~~ shall defer decision upon the 26414
application during the pendency of the charge. 26415

Sec. 3734.46. Notwithstanding the disqualification of the 26416
applicant or permittee pursuant to this chapter, the director of 26417
environmental protection, ~~hazardous waste facility board~~, or the 26418
board of health may issue or renew a permit or license if the 26419
applicant or permittee severs the interest of or affiliation with 26420
the individual or business concern that would otherwise cause that 26421
disqualification or may issue or renew a license on a temporary 26422
basis for a period not to exceed six months if the director or the 26423

levied under division (B)(1) of this section always shall be equal 26559
to one-half of the fees levied under division (B)(2) of this 26560
section, and fees levied under division (B)(3) of this section, 26561
which shall be in addition to fees levied under division (B)(2) of 26562
this section, always shall be equal to fees levied under division 26563
(B)(1) of this section, except as otherwise provided in this 26564
division. The solid waste management plan of the county or joint 26565
district approved under section 3734.521 or 3734.55 of the Revised 26566

Code and any amendments to it, or the resolution adopted under 26567
this division, as appropriate, shall establish the rates of the 26568
fees levied under divisions (B)(1), (2), and (3) of this section, 26569
if any, and shall specify whether the fees are levied on the basis 26570
of tons or cubic yards as the unit of measurement. Although the 26571
fees under divisions (A)(1) and (2) of this section are levied on 26572
the basis of tons as the unit of measurement, the solid waste 26573
management plan of the district and any amendments to it or the 26574
solid waste management policy committee in its resolution levying 26575
fees under this division may direct that the fees levied under 26576
those divisions be levied on the basis of cubic yards as the unit 26577
of measurement based upon a conversion factor of three cubic yards 26578
per ton generally or one cubic yard per ton for baled wastes if 26579
the fees under divisions (B)(1) to (3) of this section are being 26580
levied on the basis of cubic yards as the unit of measurement 26581
under the plan, amended plan, or resolution. 26582

On and after January 1, 1994, the fee levied under division 26583
(B)(1) of this section shall be not less than one dollar per ton 26584
nor more than two dollars per ton, the fee levied under division 26585
(B)(2) of this section shall be not less than two dollars per ton 26586
nor more than four dollars per ton, and the fee levied under 26587
division (B)(3) of this section shall be not more than the fee 26588
levied under division (B)(1) of this section, except as otherwise 26589
provided in this division and notwithstanding any schedule of 26590

county or joint district approved under section 3734.55 of the 26592
Revised Code or a resolution adopted and ratified under this 26593
division that is in effect on that date. If the fee that a 26594
district is levying under division (B)(1) of this section on that 26595
date under its approved plan or such a resolution is less than one 26596
dollar per ton, the fee shall be one dollar per ton on and after 26597
January 1, 1994, and if the fee that a district is so levying 26598
under that division exceeds two dollars per ton, the fee shall be 26599

two dollars per ton on and after that date. If the fee that a district is so levying under division (B)(2) of this section is less than two dollars per ton, the fee shall be two dollars per ton on and after that date, and if the fee that the district is so levying under that division exceeds four dollars per ton, the fee shall be four dollars per ton on and after that date. On that date, the fee levied by a district under division (B)(3) of this section shall be equal to the fee levied under division (B)(1) of this section. Except as otherwise provided in this division, the fees established by the operation of this amendment shall remain in effect until the district's resolution levying fees under this division is amended or repealed in accordance with this division to amend or abolish the schedule of fees, the schedule of fees is amended or abolished in an amended plan of the district approved under section 3734.521 or division (A) or (D) of section 3734.56 of the Revised Code, or the schedule of fees is amended or abolished through an amendment to the district's plan under division (E) of section 3734.56 of the Revised Code; the notification of the amendment or abolishment of the fees has been given in accordance with this division; and collection of the amended fees so established commences, or collection of the fees ceases, in accordance with this division.

The solid waste management policy committee of a district levying fees under divisions (B)(1) to (3) of this section on October 29, 1993, under its solid waste management plan approved under section 3734.55 of the Revised Code or a resolution adopted and ratified under this division that are within the ranges of rates prescribed by this amendment, by adoption of a resolution not later than December 1, 1993, and without the necessity for ratification of the resolution under this division, may amend those fees within the prescribed ranges, provided that the estimated revenues from the amended fees will not substantially exceed the estimated revenues set forth in the district's budget

for calendar year 1994. Not later than seven days after the 26633
adoption of such a resolution, the committee shall notify by 26634
certified mail the owner or operator of each solid waste disposal 26635
facility that is required to collect the fees of the adoption of 26636
the resolution and of the amount of the amended fees. Collection 26637
of the amended fees shall take effect on the first day of the 26638
first month following the month in which the notification is sent 26639
to the owner or operator. The fees established in such a 26640
resolution shall remain in effect until the district's resolution 26641
levying fees that was adopted and ratified under this division is 26642
amended or repealed, and the amendment or repeal of the resolution 26643
is ratified, in accordance with this division, to amend or abolish 26644
the fees, the schedule of fees is amended or abolished in an 26645
amended plan of the district approved under section 3734.521 or 26646
division (A) or (D) of section 3734.56 of the Revised Code, or the 26647
schedule of fees is amended or abolished through an amendment to 26648
the district's plan under division (E) of section 3734.56 of the 26649
Revised Code; the notification of the amendment or abolishment of 26650
the fees has been given in accordance with this division; and 26651
collection of the amended fees so established commences, or 26652
collection of the fees ceases, in accordance with this division. 26653

Prior to the approval of the solid waste management plan of 26654
the district under section 3734.55 of the Revised Code, the solid 26655
waste management policy committee of a district may levy fees 26656
under this division by adopting a resolution establishing the 26657
proposed amount of the fees. Upon adopting the resolution, the 26658
committee shall deliver a copy of the resolution to the board of 26659
county commissioners of each county forming the district and to 26660
the legislative authority of each municipal corporation and 26661
township under the jurisdiction of the district and shall prepare 26662
and publish the resolution and a notice of the time and location 26663
where a public hearing on the fees will be held. Upon adopting the 26664
resolution, the committee shall deliver written notice of the 26665

adoption of the resolution; of the amount of the proposed fees; 26666
and of the date, time, and location of the public hearing to the 26667
director and to the fifty industrial, commercial, or institutional 26668
generators of solid wastes within the district that generate the 26669
largest quantities of solid wastes, as determined by the 26670
committee, and to their local trade associations. The committee 26671
shall make good faith efforts to identify those generators within 26672
the district and their local trade associations, but the 26673
nonprovision of notice under this division to a particular 26674
generator or local trade association does not invalidate the 26675
proceedings under this division. The publication shall occur at 26676
least thirty days before the hearing. After the hearing, the 26677
committee may make such revisions to the proposed fees as it 26678
considers appropriate and thereafter, by resolution, shall adopt 26679
the revised fee schedule. Upon adopting the revised fee schedule, 26680
the committee shall deliver a copy of the resolution doing so to 26681
the board of county commissioners of each county forming the 26682
district and to the legislative authority of each municipal 26683
corporation and township under the jurisdiction of the district. 26684
Within sixty days after the delivery of a copy of the resolution 26685
adopting the proposed revised fees by the policy committee, each 26686
such board and legislative authority, by ordinance or resolution, 26687
shall approve or disapprove the revised fees and deliver a copy of 26688
the ordinance or resolution to the committee. If any such board or 26689
legislative authority fails to adopt and deliver to the policy 26690
committee an ordinance or resolution approving or disapproving the 26691
revised fees within sixty days after the policy committee 26692
delivered its resolution adopting the proposed revised fees, it 26693
shall be conclusively presumed that the board or legislative 26694
authority has approved the proposed revised fees. 26695

In the case of a county district or a joint district formed 26696
by two or three counties, the committee shall declare the proposed 26697
revised fees to be ratified as the fee schedule of the district 26698

upon determining that the board of county commissioners of each 26699
county forming the district has approved the proposed revised fees 26700
and that the legislative authorities of a combination of municipal 26701
corporations and townships with a combined population within the 26702
district comprising at least sixty per cent of the total 26703
population of the district have approved the proposed revised 26704
fees, provided that in the case of a county district, that 26705
combination shall include the municipal corporation having the 26706
largest population within the boundaries of the district, and 26707
provided further that in the case of a joint district formed by 26708
two or three counties, that combination shall include for each 26709
county forming the joint district the municipal corporation having 26710
the largest population within the boundaries of both the county in 26711
which the municipal corporation is located and the joint district. 26712
In the case of a joint district formed by four or more counties, 26713
the committee shall declare the proposed revised fees to be 26714
ratified as the fee schedule of the joint district upon 26715
determining that the boards of county commissioners of a majority 26716
of the counties forming the district have approved the proposed 26717
revised fees; that, in each of a majority of the counties forming 26718
the joint district, the proposed revised fees have been approved 26719
by the municipal corporation having the largest population within 26720
the county and the joint district; and that the legislative 26721
authorities of a combination of municipal corporations and 26722
townships with a combined population within the joint district 26723
comprising at least sixty per cent of the total population of the 26724
joint district have approved the proposed revised fees. 26725

For the purposes of this division, only the population of the 26726
unincorporated area of a township shall be considered. For the 26727
purpose of determining the largest municipal corporation within 26728
each county under this division, a municipal corporation that is 26729
located in more than one solid waste management district, but that 26730
is under the jurisdiction of one county or joint solid waste 26731

management district in accordance with division (A) of section 26732
3734.52 of the Revised Code shall be considered to be within the 26733
boundaries of the county in which a majority of the population of 26734
the municipal corporation resides. 26735

The committee may amend the schedule of fees levied pursuant 26736
to a resolution or amended resolution adopted and ratified under 26737
this division by adopting a resolution establishing the proposed 26738
amount of the amended fees. The committee may abolish the fees 26739
levied pursuant to such a resolution or amended resolution by 26740
adopting a resolution proposing to repeal them. Upon adopting such 26741
a resolution, the committee shall proceed to obtain ratification 26742
of the resolution in accordance with this division. 26743

Not later than fourteen days after declaring the fees or 26744
amended fees to be ratified under this division, the committee 26745
shall notify by certified mail the owner or operator of each solid 26746
waste disposal facility that is required to collect the fees of 26747
the ratification and the amount of the fees. Collection of any 26748
fees or amended fees ratified on or after March 24, 1992, shall 26749
commence on the first day of the second month following the month 26750
in which notification is sent to the owner or operator. 26751

Not later than fourteen days after declaring the repeal of 26752
the district's schedule of fees to be ratified under this 26753
division, the committee shall notify by certified mail the owner 26754
or operator of each facility that is collecting the fees of the 26755
repeal. Collection of the fees shall cease on the first day of the 26756
second month following the month in which notification is sent to 26757
the owner or operator. 26758

Not later than fourteen days after the director issues an 26759
order approving a district's solid waste management plan under 26760
section 3734.55 of the Revised Code or amended plan under division 26761
(A) or (D) of section 3734.56 of the Revised Code that establishes 26762
or amends a schedule of fees levied by the district, or the 26763

ratification of an amendment to the district's approved plan or 26764
amended plan under division (E) of section 3734.56 of the Revised 26765
Code that establishes or amends a schedule of fees, as 26766
appropriate, the committee shall notify by certified mail the 26767
owner or operator of each solid waste disposal facility that is 26768
required to collect the fees of the approval of the plan or 26769
amended plan, or the amendment to the plan, as appropriate, and 26770
the amount of the fees or amended fees. In the case of an initial 26771
or amended plan approved under section 3734.521 of the Revised 26772
Code in connection with a change in district composition, other 26773
than one involving the withdrawal of a county from a joint 26774
district, that establishes or amends a schedule of fees levied 26775
under divisions (B)(1) to (3) of this section by a district 26776
resulting from the change, the committee, within fourteen days 26777
after the change takes effect pursuant to division (G) of that 26778
section, shall notify by certified mail the owner or operator of 26779
each solid waste disposal facility that is required to collect the 26780
fees that the change has taken effect and of the amount of the 26781
fees or amended fees. Collection of any fees set forth in a plan 26782
or amended plan approved by the director on or after April 16, 26783
1993, or an amendment of a plan or amended plan under division (E) 26784
of section 3734.56 of the Revised Code that is ratified on or 26785
after April 16, 1993, shall commence on the first day of the 26786
second month following the month in which notification is sent to 26787
the owner or operator. 26788

Not later than fourteen days after the director issues an 26789
order approving a district's plan under section 3734.55 of the 26790
Revised Code or amended plan under division (A) or (D) of section 26791
3734.56 of the Revised Code that abolishes the schedule of fees 26792
levied under divisions (B)(1) to (3) of this section, or an 26793
amendment to the district's approved plan or amended plan 26794
abolishing the schedule of fees is ratified pursuant to division 26795
(E) of section 3734.56 of the Revised Code, as appropriate, the 26796

committee shall notify by certified mail the owner or operator of 26797
each facility that is collecting the fees of the approval of the 26798
plan or amended plan, or the amendment of the plan or amended 26799
plan, as appropriate, and the abolishment of the fees. In the case 26800
of an initial or amended plan approved under section 3734.521 of 26801
the Revised Code in connection with a change in district 26802
composition, other than one involving the withdrawal of a county 26803
from a joint district, that abolishes the schedule of fees levied 26804
under divisions (B)(1) to (3) of this section by a district 26805
resulting from the change, the committee, within fourteen days 26806
after the change takes effect pursuant to division (G) of that 26807
section, shall notify by certified mail the owner or operator of 26808
each solid waste disposal facility that is required to collect the 26809
fees that the change has taken effect and of the abolishment of 26810
the fees. Collection of the fees shall cease on the first day of 26811
the second month following the month in which notification is sent 26812
to the owner or operator. 26813

Except as otherwise provided in this division, if the 26814
schedule of fees that a district is levying under divisions (B)(1) 26815
to (3) of this section pursuant to a resolution or amended 26816
resolution adopted and ratified under this division, the solid 26817
waste management plan of the district approved under section 26818
3734.55 of the Revised Code, an amended plan approved under 26819
division (A) or (D) of section 3734.56 of the Revised Code, or an 26820
amendment to the district's approved plan or amended plan under 26821
division (E) of section 3734.56 of the Revised Code, is amended by 26822
the adoption and ratification of an amendment to the resolution or 26823
amended resolution or an amendment of the district's approved plan 26824
or amended plan, the fees in effect immediately prior to the 26825
approval of the plan or the amendment of the resolution, amended 26826
resolution, plan, or amended plan, as appropriate, shall continue 26827
to be collected until collection of the amended fees commences 26828
pursuant to this division. 26829

If, in the case of a change in district composition involving 26830
the withdrawal of a county from a joint district, the director 26831
completes the actions required under division (G)(1) or (3) of 26832
section 3734.521 of the Revised Code, as appropriate, forty-five 26833

Recovery Act of 1976," 98 Stat. 3279, 42 U.S.C.A. 6991b, as 27680
amended, applicable regulations adopted thereunder, and rules 27681
adopted under division (B) of this section, such actions as are 27682
necessary to protect human health and the environment, including, 27683
without limitation, the investigation of a suspected release. 27684

(2) Requesting the attorney general to bring a civil action 27685
for appropriate relief, including a temporary restraining order or 27686
preliminary or permanent injunction, in the court of common pleas 27687
of the county in which a suspected release is located or in which 27688
the release occurred, to obtain the corrective action necessary to 27689
protect human health and the environment. In granting any such 27690
relief, the court shall ensure that the terms of the temporary 27691
restraining order or injunction are sufficient to provide 27692
comprehensive corrective action to protect human health and the 27693
environment. 27694

(3) Entry onto premises and undertaking corrective action 27695
with respect to a release of petroleum if, in the ~~fire-marshal's~~ 27696
superintendent's judgment, such action is necessary to protect 27697
human health and the environment. Any corrective action undertaken 27698
by the ~~fire-marshal~~ superintendent or the superintendent's 27699
assistant ~~fire-marshal~~ under division (A)(3) of this section shall 27700
be consistent with the requirements of sections 9003 and 9005 of 27701
the "Resource Conservation and Recovery Act of 1976," 98 Stat. 27702
3279, 42 U.S.C.A. 6991b, and 98 Stat. 3284, 42 U.S.C.A. 6991e, 27703
respectively, as amended, applicable regulations adopted 27704
thereunder, and rules adopted under division (B) of this section. 27705

(B) The ~~fire-marshal~~ superintendent shall adopt, and may 27706
amend and rescind, such rules as the ~~fire-marshal~~ superintendent 27707
considers necessary to establish standards for corrective actions 27708
for suspected and confirmed releases of petroleum and standards 27709
for the recovery of costs incurred for undertaking corrective or 27710

enforcement actions with respect to such releases. The rules also 27711
shall include requirements for financial responsibility for the 27712
cost of corrective actions for and compensation of bodily injury 27713
and property damage incurred by third parties that are caused by 27714
releases of petroleum. Rules regarding financial responsibility 27715
shall, without limitation, require responsible persons to provide 27716
evidence that the parties guaranteeing payment of the deductible 27717
amount established under division (E) or (F) of section 3737.91 of 27718
the Revised Code are, at a minimum, secondarily liable for all 27719
corrective action and third-party liability costs incurred within 27720
the scope of the deductible amount. The rules shall be consistent 27721
with sections 9003 and 9005 of the "Resource Conservation and 27722
Recovery Act of 1976," 98 Stat. 3279, 42 U.S.C.A. 6991b, and 98 27723
Stat. 3284, 42 U.S.C.A. 6991e, respectively, as amended, and 27724
applicable regulations adopted thereunder. 27725

(C)(1) No person shall violate or fail to comply with a rule 27726
adopted under division (A) of section 3737.88 of the Revised Code 27727
or division (B) of this section, and no person shall violate or 27728
fail to comply with the terms of any order issued under division 27729
(A) of section 3737.88 of the Revised Code or division (A)(1) of 27730
this section. 27731

(2) Whoever violates division (C)(1) of this section or 27732
division (F) of section 3737.881 of the Revised Code shall pay a 27733
civil penalty of not more than ten thousand dollars for each day 27734
that the violation continues. The ~~fire marshal~~ superintendent may, 27735
by order, assess a civil penalty under this division, or the ~~fire~~ 27736
~~marshal~~ superintendent may request the attorney general to bring a 27737
civil action for imposition of the civil penalty in the court of 27738
common pleas of the county in which the violation occurred. If the 27739
~~fire marshal~~ superintendent determines that a responsible person 27740
is in violation of division (C)(1) of this section or division (F) 27741
of section 3737.881 of the Revised Code, the ~~fire marshal~~ 27742

superintendent may request the attorney general to bring a civil 27743
action for appropriate relief, including a temporary restraining 27744
order or preliminary or permanent injunction, in the court of 27745
common pleas of the county in which the underground storage tank 27746
or, in the case of a violation of division (F)(3) of section 27747
3737.881 of the Revised Code, the training program that is the 27748
subject of the violation is located. The court shall issue a 27749
temporary restraining order or an injunction upon a demonstration 27750
that a violation of division (C)(1) of this section or division 27751
(F) of section 3737.881 of the Revised Code has occurred or is 27752
occurring. 27753

Any action brought by the attorney general under this 27754
division is a civil action, governed by the Rules of Civil 27755
Procedure and other rules of practice and procedure applicable to 27756
civil actions. 27757

(D) Orders issued under division (A) of section 3737.88 of 27758
the Revised Code and divisions (A)(1) and (C) of this section, and 27759
appeals thereof, are subject to and governed by Chapter 3745. of 27760
the Revised Code. Such orders shall be issued without the 27761
necessity for issuance of a proposed action under that chapter. 27762
For purposes of appeals of any such orders, the term "director" as 27763
used in Chapter 3745. of the Revised Code includes the ~~fire~~ 27764
~~marshal superintendent~~ and an the superintendent's assistant ~~fire~~ 27765
~~marshal~~. 27766

(E) Any restrictions on the use of real property for the 27767
purpose of achieving applicable standards pursuant to rules 27768
adopted under division (B) of this section shall be contained in a 27769
deed or in another instrument that is signed and acknowledged by 27770
the property owner in the same manner as a deed. The deed or other 27771
instrument containing the restrictions shall be filed and recorded 27772
in the office of the county recorder of the county in which the 27773
property is located. Pursuant to Chapter 5309. of the Revised 27774

Code, such use restrictions in connection with registered land, as 27775
defined in section 5309.01 of the Revised Code, shall be entered 27776
as a memorial on the page of the register where the title of the 27777
owner is registered. 27778

Sec. 3737.883. On receipt of a notice pursuant to section 27779
3123.43 of the Revised Code, the ~~state fire marshal~~ superintendent
of industrial compliance shall comply with sections 3123.41 to 27780
3123.50 of the Revised Code and any applicable rules adopted under 27781
section 3123.63 of the Revised Code with respect to a certificate 27782
issued pursuant to section 3737.34, 3737.65, 3737.83, or 3737.881 27783
of the Revised Code. 27784
27785

Sec. 3737.89. (A) Except when a responsible person can prove 27786
that a release of petroleum was caused solely by any one or a 27787
combination of an act of God, an act of war, or an act or omission 27788
of a third party without regard to whether any such act or 27789
omission was or was not negligent, a responsible person, 27790
notwithstanding any other provision of the Revised Code or common 27791
law of this state, is strictly liable to the state for any costs 27792
incurred for any corrective or enforcement action undertaken by 27793
the ~~fire marshal~~ superintendent of industrial compliance under 27794
section 3737.882 of the Revised Code and for any costs incurred 27795
for any enforcement action undertaken by the attorney general 27796
under this section or section 3737.882 of the Revised Code with 27797
respect to a release of petroleum. 27798

The attorney general, upon the request of the ~~fire marshal~~ 27799
superintendent, shall bring a civil action to recover those costs 27800
in the court of common pleas of the county in which the corrective 27801
or enforcement action was undertaken. 27802

(B) If a responsible person alleges that a release of 27803
petroleum was caused solely by an act or omission of a third party 27804

or was caused solely by such an act or omission in combination 27805
with an act of God or an act of war, the responsible person shall 27806
pay to the state the cost of any corrective or enforcement action 27807
undertaken by the ~~fire marshal~~ superintendent under section 27808
3737.882 of the Revised Code and any enforcement action undertaken 27809
by the attorney general under this section or section 3737.882 of 27810
the Revised Code with respect to the release and is entitled by 27811
subrogation to all rights of the state to recover those costs from 27812
the third party under division (C) of this section. The attorney 27813
general, upon the request of the ~~fire marshal~~ superintendent, 27814
shall bring a civil action to recover payment from the responsible 27815
party for those costs in the court of common pleas of the county 27816
in which the corrective or enforcement action was undertaken. 27817

(C) If the responsible person proves that a release of 27818
petroleum was caused solely by an act or omission of a third party 27819
or by such an act or omission in combination with an act of God or 27820
an act of war, the third party, notwithstanding any other 27821
provision of the Revised Code or common law of this state, is 27822
strictly liable to the state for any costs incurred for any 27823
corrective or enforcement action undertaken by the ~~fire marshal~~ 27824
superintendent under section 3737.882 of the Revised Code and for 27825
any enforcement action undertaken by the attorney general under 27826
this section or section 3737.882 of the Revised Code with respect 27827
to the release. The attorney general, upon the request of the ~~fire~~ 27828
~~marshal~~ superintendent or any person entitled by subrogation to 27829
the rights of the state under division (B) of this section, may 27830
bring a civil action to recover those costs in the court of common 27831
pleas of the county in which the corrective or enforcement action 27832
was undertaken. 27833

(D) No indemnification, hold harmless, or similar agreement 27834
or conveyance shall be effective to transfer from the responsible 27835
person, or from any other person who may be liable under division 27836

(C) of this section, to another person the liability imposed by 27837
this section. Nothing in this division bars either of the 27838
following: 27839

(1) Any agreement to insure, hold harmless, or indemnify a 27840
party to such an agreement for any liability under this section; 27841

(2) A cause of action that any person has or would have 27842
against any other person by reason of subrogation or otherwise. 27843

(E) Nothing in this section limits the duty of a responsible 27844
person under section 3737.882 of the Revised Code and rules 27845
adopted under it to notify the fire marshal and to take action 27846
with respect to a release of petroleum. 27847

(F) Nothing in this section limits the right of the federal 27848
government to recover from the responsible person any federal 27849
money expended for any corrective or enforcement action as a 27850
result of a release of petroleum. 27851

Sec. 3737.91. (A) There is hereby created the petroleum 27852
underground storage tank financial assurance fund, which shall be 27853
in the custody of the treasurer of state, but is not a part of the 27854
state treasury. The fund shall consist of moneys from the 27855
following sources: 27856

(1) All fees collected under divisions (B) and (F) of this 27857
section and all supplemental fees collected under division (C) of 27858
this section; 27859

(2) Interest earned on moneys in the fund; 27860

(3) Appropriations to the fund from the general revenue fund; 27861

(4) The proceeds of revenue bonds issued under sections 27862
3737.90 to 3737.948 of the Revised Code, provided that upon 27863
resolution of the petroleum underground storage tank release 27864
compensation board created in section 3737.90 of the Revised Code, 27865
all or part of those proceeds may be deposited into a separate 27866

account of the fund. Chapters 131. and 135. of the Revised Code do 27867
not apply to the establishment, deposit, investment, application, 27868
and safeguard of any such account and moneys in any such account. 27869

(B) For the purposes of paying the costs of implementing and 27870
administering this section and sections 3737.90 and 3737.92 of the 27871
Revised Code and rules adopted under them; payment or 27872
reimbursement of corrective action costs under section 3737.92 of 27873
the Revised Code; compensating third parties for bodily injury or 27874
property damage under that section; and payment of principal and 27875
interest on revenue bonds issued under sections 3737.90 to 27876
3737.948 of the Revised Code to raise capital for the fund, there 27877
is hereby assessed an annual petroleum underground storage tank 27878
financial assurance fee on each tank comprising an underground 27879
storage tank or an underground storage tank system that contains 27880
or has contained petroleum and for which a responsible person is 27881
required to demonstrate financial responsibility by rules adopted 27882
by the ~~fire marshal~~ superintendent of industrial compliance under 27883
division (B) of section 3737.882 of the Revised Code. The fee 27884
assessed by this division shall be paid to the board by a 27885
responsible person for each tank that is subject to the fee. The 27886
fee shall be paid not later than the first day of July of each 27887
year, except that in 1989 the fee shall be paid by either the 27888
first day of September or ninety days after July 11, 1989, 27889
whichever is later. The fee is in addition to any fee established 27890
by the ~~fire marshal~~ superintendent under section 3737.88 of the 27891
Revised Code. 27892

The amount of the annual fee due in 1989 and 1990 is one 27893
hundred fifty dollars per tank per year. In 1991 and subsequent 27894
years the board shall establish the amount of the annual fee in 27895
accordance with this division. Not later than the first day of 27896
April of 1991 and each subsequent year, the board, in consultation 27897
with the administrative agent of the fund with whom the board has 27898

entered into a contract under division (B)(3) of section 3737.90 27899
of the Revised Code, if any, shall determine the amount of the 27900
annual fee to be assessed in that year and shall adopt rules in 27901
accordance with Chapter 119. of the Revised Code to establish the 27902
fee at that amount. The fee shall be established at an amount 27903
calculated to maintain the continued financial soundness of the 27904
fund, provided that if the unobligated balance of the fund exceeds 27905
forty-five million dollars on the date that an annual 27906
determination is made, the board may assess a fee in the year to 27907
which the determination applies only to the extent required in or 27908
by, or necessary to comply with covenants or other requirements 27909
in, revenue bonds issued under sections 3737.90 to 3737.948 of the 27910
Revised Code or in proceedings or other covenants or agreements 27911
related to such bonds. Not later than the first day of May of 1991 27912
and each subsequent year, the board shall notify each responsible 27913
person by certified mail of the amount of the annual fee per tank 27914
due in that year. As used in this paragraph, "proceedings" has the 27915
same meaning as in section 133.01 of the Revised Code. 27916

If a responsible person is both the owner and operator of a 27917
tank, the responsible person shall pay any annual fee assessed 27918
under this division in compliance with this division and the rules 27919
adopted thereunder. If the owner of the tank and the operator of 27920
the tank are not the same person, any annual fee assessed under 27921
this division in compliance with this division and the rules 27922
adopted thereunder shall be paid by one of the responsible 27923
persons; however, all such responsible persons are liable for 27924
noncompliance with this division. 27925

(C) As necessary to maintain the financial soundness of the 27926
fund, the board, by rules adopted in accordance with Chapter 119. 27927
of the Revised Code, may at any time assess a supplemental 27928
petroleum underground storage tank financial assurance fee on 27929
tanks subject to the fee assessed under division (B) or (F) of 27930

this section in any fiscal year in which the board finds that the unobligated balance in the fund is less than fifteen million dollars. The board, in consultation with the fund's administrative agent, if any, shall establish the amount of the supplemental fee at an amount that will ensure an unobligated balance in the fund of at least fifteen million dollars at the end of the fiscal year in which the supplemental fee is assessed. Not less than thirty days before the date on which payment of the supplemental fee is due under the board's rules, the board shall notify each responsible person by certified mail of the amount of the supplemental fee and the date on which payment of the supplemental fee to the board is due.

If a responsible person is both the owner and operator of a tank, the responsible person shall pay any supplemental fee assessed under this division in compliance with this division and the rules adopted thereunder. If the owner of the tank and the operator of the tank are not the same person, any supplemental fee assessed under this division in compliance with this division and the rules adopted thereunder shall be paid by one of the responsible persons; however, all such responsible persons are liable for noncompliance with this division.

(D)(1) The board shall issue a certificate of coverage to any responsible person who has complied with all of the following:

(a) Paid the fee assessed under division (B) or (F) of this section;

(b) Demonstrated to the board financial responsibility in compliance with the rules adopted by the ~~fire marshal~~ superintendent under division (B) of section 3737.882 of the Revised Code for the deductible amount established under division (E) of this section or, when appropriate, the reduced deductible amount established under division (F) of this section. If the responsible person utilizes self-insurance as a financial

responsibility mechanism, the responsible person shall provide the board with an affidavit in which the responsible party certifies that all documentation submitted to the board is true and accurate;

(c) Certified to the board that for each petroleum underground storage tank system for which a certificate of coverage is sought, the responsible person is in compliance with applicable rules for petroleum underground storage tank systems that have been adopted by the ~~fire marshal~~ superintendent under section 3737.88 of the Revised Code.

The certificate of coverage shall state the amount of coverage to which the responsible person is entitled from the fund pursuant to division (D)(3) of this section and the time period for which the certificate provides that coverage. An issued certificate of coverage is subject to the condition that the holder timely pay any supplemental fee assessed under division (C) of this section during the time that the certificate is in effect.

(2) The board shall not issue a certificate of coverage to any responsible person who fails to comply with divisions (D)(1)(a), (b), and (c) of this section.

(3) The maximum disbursement from the fund for any single release of petroleum is the difference between the deductible amount established under division (E) of this section or, when appropriate, the reduced deductible amount established under division (F) of this section and one million dollars. The maximum disbursement from the fund during any fiscal year on behalf of any responsible person shall not exceed in the aggregate one million dollars less the deductible amount if the responsible person owns or operates not more than one hundred tanks comprising underground petroleum storage tanks or underground petroleum storage tank systems, shall not exceed in the aggregate two million dollars less the deductible amount if the responsible person owns or

operates not more than two hundred such tanks, shall not exceed in 27995
the aggregate three million dollars less the deductible amount if 27996
the responsible person owns or operates not more than three 27997
hundred such tanks, and shall not exceed in the aggregate four 27998
million dollars less the deductible amount if the responsible 27999
person owns or operates more than three hundred such tanks. The 28000
maximum disbursement from the fund for any single release or for 28001
any fiscal year under this division does not in any manner limit 28002
the liability of a responsible person for a release of petroleum. 28003

(E)(1) Except as otherwise provided in division (F) of this 28004
section, no responsible person is eligible to receive moneys from 28005
the fund under section 3737.92 of the Revised Code until the 28006
responsible person demonstrates to the board financial 28007
responsibility for the first fifty thousand dollars of the cost 28008
for corrective action for, and compensating third parties for 28009
bodily injury and property damage caused by, accidental releases 28010
of petroleum from an underground storage tank owned or operated by 28011
the responsible party. The fifty thousand dollar amount is the 28012
deductible amount for the purposes of this section and section 28013
3737.92 of the Revised Code. 28014

(2) The board, in consultation with the fund's administrative 28015
agent, if any, may, by rules adopted in accordance with Chapter 28016
119. of the Revised Code, establish for any fiscal year a 28017
deductible amount that differs from fifty thousand dollars. The 28018
deductible amount established by the board shall be such an amount 28019
as to maintain the financial soundness of the fund. Any action of 28020
the board to establish a differing deductible amount or to alter a 28021
deductible amount previously established by it shall be taken 28022
concurrently with the establishment under division (B) of this 28023
section of the annual fee due on the first day of the fiscal year 28024
in which the deductible amount will apply. If the deductible 28025
amount established under this division differs from that in effect 28026

at the time of the board's action, the board shall notify each 28027
responsible person of the change by certified mail not later than 28028
the first day of May preceding the effective date of the change. 28029

(F)(1) Any responsible person owning, or owning or operating, 28030
a total of six or fewer petroleum underground storage tanks may 28031
elect in calendar years 1989 and 1990 to pay twice the amount of 28032
the per tank annual fee for each tank assessed under division (B) 28033
of this section in order to reduce the amount of the deductible 28034
established in division (E) of this section to the total amount of 28035
ten thousand dollars. The election shall be available only at the 28036
time of the payment of the annual fee and any supplemental fee. 28037
The election shall not be retroactively applied. 28038

(2) Any responsible person owning, or owning or operating, a 28039
total of six or fewer petroleum underground storage tanks may 28040
elect in calendar year 1991 and in each subsequent year to pay an 28041
additional fee at an amount established by the board in addition 28042
to the per tank annual fee assessed under division (B) of this 28043
section in order to reduce the deductible amount established under 28044
division (E) of this section. In calendar year 1991 and in each 28045
subsequent year, the board shall establish the amount of the 28046
additional fee and the reduced deductible amount. In determining 28047
the amount of the additional fee and the reduced deductible 28048
amount, the board shall take into consideration the effect of the 28049
additional claims paid under section 3737.92 of the Revised Code 28050
to responsible persons making an election under division (F)(2) of 28051
this section and balance that consideration with such factors as 28052
the availability of liability insurance, the difficulty of proving 28053
financial responsibility pursuant to the rules adopted by the ~~fire~~ 28054
~~marshal~~ superintendent under division (B) of section 3737.882 of 28055
the Revised Code, and the hardship created on small owners and 28056
operators of petroleum underground storage tanks by an increase in 28057
either the additional fee or the reduced deductible amount. 28058

(3) Any responsible person owning, or owning or operating, a total of six or fewer petroleum underground storage tanks who elects to pay the additional fee under divisions (F)(1) and (2) of this section shall pay any per tank supplemental fee assessed under division (C) of this section.

(G) If the director of the fund determines that a responsible person has failed to comply with division (B), (C), or (F) of this section, the director of the fund shall notify each responsible person for the petroleum underground storage tank of the noncompliance. If, within thirty days after the notification, the responsible person fails to pay the applicable fee or any fee previously assessed upon the responsible person under this section, the director of the fund shall issue an order requiring the responsible person to pay all of the fees the responsible person owes to the fund and an additional late payment fee in the amount of one thousand dollars to the fund.

If a responsible person fails to comply with any order of the director of the fund within thirty days after the issuance of the order, the director shall notify the ~~fire-marshal~~ superintendent of that noncompliance. Upon the request of the director of the fund, the attorney general may bring a civil action for appropriate relief, including a temporary restraining order or preliminary or permanent injunction, in the court of common pleas of the county in which the petroleum underground storage tank that is the subject of the order is located. The court shall issue an injunction upon a demonstration that a failure to comply with the director's order has occurred or is occurring.

Any orders issued by the director of the fund under this division may be appealed by the responsible person under division (F) of section 3737.92 of the Revised Code. For the purpose of an appeal of any order of the director of the fund, "determination" as used in that division includes any order of the director of the

fund. The filing of a notice of appeal under this division does 28091
not operate as a stay of any order of the director of the fund. 28092

Sec. 3737.92. (A) The petroleum underground storage tank 28093
release compensation board created in section 3737.90 of the 28094
Revised Code shall use moneys in the petroleum underground storage 28095
tank financial assurance fund established in section 3737.91 of 28096
the Revised Code exclusively for the following purposes: 28097

(1) Payment of the expenses of administering the fund; 28098

(2) Payment of the administrative expenses of the board; 28099

(3) Payment to or reimbursement of responsible persons for 28100
the necessary cost of corrective action for and compensating third 28101
parties for bodily injury and property damage caused by accidental 28102
releases of petroleum in accordance with this section, provided 28103
that proceeds from the issuance of revenue bonds under sections 28104

eligible under division (D) of this section to receive payment of 28146
or reimbursement for the third-party compensation from the fund; 28147

(2) There is a legally enforceable judgment against the 28148

of the Revised Code when the occurrence of the release was first 28166
suspected or confirmed; 28167

(b) The ~~fire marshal~~ superintendent has recommended that 28168

(E) The director of the fund may make a determination to 28194
approve or disapprove a claim and to authorize a disbursement from 28195
the fund for payment of an approved claim administratively without 28196
a hearing. If the director of the fund makes a determination 28197
regarding a claim that is inconsistent with a recommendation or 28198
determination of the ~~fire marshal~~ superintendent for purposes of 28199
division (B)(2) or (3) or (D)(2), (3), or (5) of this section, the 28200
director shall detail those inconsistencies in a written finding 28201

payment of the claim. Upon making a determination of a claim under 28203
this section, the director of the fund shall provide written 28204
notice of the determination and a copy of any written finding of 28205

fund is liable to any responsible person to pay the cost of any 28228
corrective action or of third party compensation for a release of 28229
petroleum when the fund is depeleted of moneys because the amount 28230
of the claims made on the fund exceeds the unobligated balance in 28231
the fund. However, upon assessing and collecting a supplemental 28232
fee under division (C) of section 3737.91 of the Revised Code, the 28233
board shall again consider the claim of a responsible person whose 28234
claim was not initially honored because of the insufficiency of 28235
unobligated balances in the fund to pay that person's claim. 28236

The inability of a responsible person to obtain money from 28237
the fund does not in any manner limit the liability of a 28238
responsible person for a release of petroleum. 28239

(H) Neither the right to apply for payment or reimbursement 28240
nor the receipt of payment or reimbursement under this section 28241
limits the liability of any responsible person to the state for 28242
the payment of any corrective action or enforcement costs under 28243
sections 3737.882 and 3737.89 of the Revised Code, or to any third 28244
party for bodily injury or property damage, resulting from a 28245
release of petroleum from an underground storage tank system owned 28246

or operated by the responsible person. Neither the right to apply 28247
for payment or reimbursement under this section nor any delay by 28248
the board or director of the fund in acting upon any claim for any 28249
such payment or reimbursement limits or postpones the duty of any 28250
responsible person to comply with any order of the ~~fire marshal~~ 28251
superintendent issued under section 3737.88 or 3737.882 of the 28252

responsible person from the fund for corrective action costs or 28255
the cost of compensation to third parties for bodily injury or 28256
property damage, is entitled by subrogation to all rights of the 28257
responsible person to recover those costs from any other person. 28258
The attorney general, upon the request of the board, may bring a 28259
civil action to recover those costs in the court of common pleas 28260
of the county in which the release of petroleum occurred. 28261

(J) Nothing in this section limits the right of the federal 28262
government to recover from the responsible person any federal 28263
money expended for any corrective or enforcement action as a 28264
result of a release of petroleum. 28265

(K) If the responsible person described in division (D) of 28266
this section is a state agency, any payments or reimbursements 28267
received by the state agency under this section shall be deposited 28268
into the fund from which the expenditures for the corrective 28269
action or third party compensation originally were made. 28270

Sec. 3737.98. (A) Upon placement of a petroleum underground 28271

owner listed in the petroleum underground storage tank linked 28274
deposit loan package required by division (D) of section 3737.96 28275
of the Revised Code and in accordance with the linked deposit 28276
agreement required by division (C) of section 3737.97 of the 28277

Revised Code. The loan shall be at a rate below the present 28278
borrowing rate determined in the agreement with the petroleum 28279
underground storage tank release compensation board applicable to 28280
each eligible owner. A certificate of compliance with this 28281
section, in the form and manner prescribed by the board, shall be 28282
required for the eligible lending institution. The borrowing rate 28283
set by the agreement shall be uniform and may not be revised 28284
during the period of the deposit. 28285

(B) The board shall take any and all steps necessary to 28286
implement the petroleum underground storage tank linked deposit 28287
program and to monitor the compliance of eligible lending 28288
institutions and eligible owners, including the development of 28289
guidelines for those purposes as necessary. 28290

(C) The board and the ~~fire marshal~~ superintendent of 28291
industrial compliance shall notify owners of petroleum underground 28292
storage tanks of the linked deposit program and its eligibility 28293
requirements. Annually, on or before the first day of February, 28294
the board shall report on the petroleum underground storage tank 28295
linked deposit program for the preceding calendar year to the 28296
governor, speaker of the house of representatives, and president 28297
of the senate. The speaker of the house of representatives and 28298
president of the senate shall transmit copies of the report to the 28299
~~chairmen~~ chairpersons of their respective standing committees that 28300
customarily consider legislation regarding underground storage 28301
tanks and the environment. The report shall set forth the 28302
petroleum underground storage tank linked deposits made by the 28303
board during the preceding year and shall include information 28304
regarding the nature, terms, and amounts of loans upon which the 28305
linked deposits were made and the eligible owners to which the 28306
loans were made. 28307

Sec. 3741.14. (A) Each filling station offering self-service 28308

thereunder. 28313

(B) The ~~fire marshal~~ superintendent of the division of 28314
industrial compliance shall adopt, as part of the state fire code, 28315
rules governing the equipment, operation, and maintenance of 28316

dispensed only by a person who is not smoking; 28321

(2) A sign, in block letters at least four inches in height, 28322
be conspicuously displayed on each gasoline pump island where 28323
self-service is offered stating that it is a self-service island; 28324

(3) Signs giving instructions for the operation of gasoline 28325

Sec. 3741.15. The superintendent of the division of industrial compliance shall have exclusive responsibility for permitting, and the inspection of, above-ground storage tanks containing petroleum or petroleum products at bulk plants and terminals in this state. within thirty days after receiving notice of the assessment, the 28388
fire marshal, in accordance with Chapter 119. of the Revised Code, 28389
may refuse to issue, or may revoke, the appropriate license. 28390

The fire marshal shall in the fire marshal's discretion use 28391

install or permits to operate have been issued for the air 28708
contaminant sources at the facility that include terms and 28709
conditions that lower the facility's potential to emit air 28710
contaminants below the major source thresholds established in 28711
rules adopted under section 3704.036 of the Revised Code. 28712

~~(3)~~(4) The fees assessed under division (D)(1) of this 28733
section shall be collected annually no sooner than the fifteenth 28734
day of April, commencing in 1995. The fees assessed under division 28735
(D)(2) of this section shall be collected annually no sooner than 28736
the fifteenth day of April, commencing in 2005. The fees assessed 28737
under division (D)~~(2)~~(3) of this section shall be collected no 28738

sooner than the fifteenth day of April, commencing in 2000. The 28739
fees assessed under division (D) of this section in a calendar 28740
year shall be based upon the sum of the actual emissions of those 28741
regulated pollutants during the preceding calendar year. For the 28742
purpose of division (D) of this section, emissions of air 28743
contaminants may be calculated using engineering calculations, 28744
emission factors, material balance calculations, or performance 28745
testing procedures, as authorized by the director. The director, 28746
by rule, may require persons who are required to pay the fees 28747
assessed under division (D) of this section to pay those fees 28748
biennially rather than annually. 28749

(E)(1) Consistent with the need to cover the reasonable costs 28750
of the Title V permit program, the director annually shall 28751
increase the fees prescribed in division (C)(1) of this section by 28752
the percentage, if any, by which the consumer price index for the 28753
most recent calendar year ending before the beginning of a year 28754
exceeds the consumer price index for calendar year 1989. Upon 28755
calculating an increase in fees authorized by division (E)(1) of 28756
this section, the director shall compile revised fee schedules for 28757
the purposes of division (C)(1) of this section and shall make the 28758
revised schedules available to persons required to pay the fees 28759
assessed under that division and to the public. 28760

(2) For the purposes of division (E)(1) of this section: 28761

(a) The consumer price index for any year is the average of 28762
the consumer price index for all urban consumers published by the 28763
United States department of labor as of the close of the 28764
twelve-month period ending on the thirty-first day of August of 28765
that year. 28766

(b) If the 1989 consumer price index is revised, the director 28767
shall use the revision of the consumer price index that is most 28768
consistent with that for calendar year 1989. 28769

(F) Each person who is issued a permit to install pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code on or after ~~January 1, 1994~~ July 1, 2003, shall pay the fees specified in the following schedules:

determines that the total amount of moneys collected and 29654
accumulated is less than six hundred thousand dollars, the 29655
director, after review of the fee structure and consultation with 29656
affected persons, may issue an order increasing the amount of the 29657

Notwithstanding section 119.06 of the Revised Code, the 29663
director may issue an order under division (Y)(7) of this section 29664
without the necessity to hold an adjudicatory hearing in 29665

established by rules adopted under division (B) of this section. 29768
All such application and certification fees received by the 29769

facilities, sources, or activities in connection with which the 29777
engineer is certified to conduct the reviews. Upon request, the 29778
director shall provide a copy of the list to anyone requesting it. 29779

(D) An applicant for a permit, renewal of a permit, plan 29780

under Chapter 3734. of the Revised Code, may submit a written 29789
request to the director to have the compliance review conducted by 29790
an engineer certified under this section. The request shall 29791
accompany the permit application, shall indicate the applicant's 29792
choice from among the certified engineers on the director's list 29793
who are qualified to conduct the compliance review, shall be 29794
accompanied by separate certifications by the applicant and the 29795

engineer indicating that the applicant does not have and has not 29796
had during the preceding two years a financial interest in the 29797
engineer and has not employed or retained the engineer to perform 29798
services for the applicant during the preceding two years, and may 29799
be accompanied by a draft proposal for conducting the compliance 29800
review that was developed by the applicant and the engineer. No 29801
such draft proposal is binding upon the director. 29802

Within seven days after receiving a request under this 29803
division, the director shall do all of the following, as 29804
appropriate: 29805

(1) In the director's discretion, approve or disapprove the 29806
applicant's request to have the compliance review of the 29807
application conducted by an engineer on the list of certified 29808
engineers prepared under this section; 29809

(2) If the director approves the conducting of the compliance 29810
review by such a certified engineer, approve or disapprove, in the 29811
director's discretion, the applicant's choice of the engineer; 29812

(3) Mail written notice of decisions made under divisions 29813
(D)(1) and (2) of this section to the applicant. 29814

If the director fails to mail notice of the director's 29815
decisions on the request to the applicant within seven days after 29816
receiving the request, it is conclusively presumed that the 29817
director approved the applicant's request to have the compliance 29818
review conducted by a certified engineer and the applicant's 29819
choice of the engineer, and the director shall enter into a 29820
contract with the engineer chosen by the applicant. If the 29821
director disapproves the applicant's choice of an engineer and 29822
provides timely notice of the disapproval to the applicant, the 29823
director and applicant, by mutual agreement, shall select another 29824
engineer from the list prepared under this section to conduct the 29825
compliance review, and the director shall enter into a contract 29826

with that engineer. 29827

(E) The director may enter into contracts for conducting 29828
performance reviews under division (D) of this section without 29829
advertising for bids. The commencement of any work under such a 29830
contract shall be contingent upon the director's receipt of 29831
payment from the applicant of an amount that is equal to one 29832
hundred ten per cent of the amount specified in the contract, 29833
excluding contingencies for any additional work that may be needed 29834
to properly complete the review and that was not anticipated when 29835
the contract was made. Moneys received by the director from an 29836
applicant shall be deposited into the permit review fund, which is 29837
hereby created in the state treasury. The director shall use 29838
moneys in the fund to pay the cost of compliance reviews conducted 29839
pursuant to contracts entered into under division (D) of this 29840
section and to administer the certification program established 29841
under division (B) of this section. The director may use any 29842
moneys in the fund not needed for those purposes to administer the 29843
environmental laws or programs of this state. 29844

If, while conducting a compliance review, the engineer finds 29845
that work in addition to that upon which the cost under the 29846
contract was based, or any additional work previously authorized 29847
under this division, is needed to properly review the application 29848
and accompanying information for compliance with the applicable 29849
performance standards, the engineer shall notify the director of 29850
that fact and of the cost of the additional work, as determined 29851
pursuant to the terms of the contract. If the director finds that 29852
the additional work is needed and that the costs of performing the 29853
work have been determined in accordance with the terms of the 29854
contract, the director shall authorize the contractor to perform 29855
the work. Upon completion of the additional work, the contractor 29856
shall submit to the director an invoice for the cost of performing 29857
the additional work, and the director shall forward a copy of the 29858

invoice to the applicant. The applicant is liable to the state for 29859
an amount equal to one hundred ten per cent of the cost of 29860
performing the additional work and, within thirty days after 29861
receiving a copy of the invoice, shall pay to the director an 29862
amount equal to one hundred ten per cent of the amount indicated 29863
on the invoice. Upon receiving this payment, the director shall 29864
forward the moneys to the treasurer of state, who shall deposit 29865
them into the state treasury to the credit of the permit review 29866
fund. 29867

Until the applicant pays to the director the amount due in 29868
connection with the additional work, the director shall not issue 29869
to the applicant any permit, renewal of a permit, or plan 29870
approval, or modification thereof, for which an application is 29871
pending before the director. The director also may certify the 29872
unpaid amount to the attorney general and request that the 29873
attorney general bring a civil action against the applicant to 29874
recover that amount. Any moneys so recovered shall be deposited 29875
into the state treasury to the credit of the permit review fund. 29876

(F) Upon completing a compliance review conducted under this 29877
section, the engineer shall make a certification to the director 29878
as to whether the existing or proposed facility, source, activity, 29879
or modification will comply with the applicable performance 29880
standards. If the certification indicates that the existing or 29881
proposed facility, source, activity, or modification will not 29882
comply, the engineer shall include in the certification the 29883
engineer's findings as to the causes of the noncompliance. 29884

(G) When a compliance review is conducted by an engineer 29885
certified under this section, the other activities in connection 29886
with the consideration, approval, and issuance of the permit, 29887
renewal of the permit, or plan approval, or modification thereof, 29888
shall be conducted by the director ~~or, when applicable, the~~ 29889
~~hazardous waste facility board established in section 3734.05 of~~ 29890

~~the Revised Code,~~ in accordance with the applicable provisions of 29891
Chapter 3704., 3734., 6109., or 6111. of the Revised Code and 29892
rules adopted under the applicable chapter. 29893

(H) All expenses incurred by the attorney general in bringing 29894
a civil action under this section shall be reimbursed from the 29895
permit review fund in accordance with Chapter 109. of the Revised 29896
Code. 29897

Sec. 3745.15. Notwithstanding any provision of Chapter 3704., 29898
3734., 3746., or 6111. of the Revised Code to the contrary, not 29899
later than one hundred twenty days after receipt of an application 29900
for a permit under any of those chapters, the director of 29901
environmental protection shall either issue or deny the permit. 29902
The director shall send written notification to the applicant of 29903
the issuance or denial. 29904

The director may extend the period for issuing or denying the 29905
permit for an additional forty-five days if the director sends the 29906
applicant written notice that specifies the reasons for not 29907
issuing or denying the permit within the one-hundred-twenty-day 29908
period and provides an explanation of the review that remains to 29909
be completed in order to issue or deny the permit within the 29910
additional forty-five-day period. If the director fails to 29911
complete the review within that forty-five-day period, the 29912
director may request a final extension from the applicant of not 29913
more than forty-five days. If the applicant does not agree to such 29914
an extension, or if the director fails to issue or deny the permit 29915
by the end of the one-hundred-twenty-day period or any additional 29916
forty-five-day period, as applicable, the application is deemed 29917
approved, and the director shall issue the permit. The director 29918
shall send written notification to the applicant of the issuance. 29919

Sec. 3745.40. (A) There is hereby created the clean Ohio 29920

operating fund consisting of moneys credited to the fund in 29921
accordance with this section. The fund shall be used to pay the 29922
costs incurred by the director of environmental protection 29923
pursuant to sections 122.65 to 122.658 of the Revised Code. 29924
Investment earnings of the fund shall be credited to the fund. ~~For~~ 29925
~~two years after the effective date of this section, investment~~ 29926
~~earnings credited to the fund~~ and may be used to pay 29927
administrative costs incurred by the director pursuant to those 29928
sections. 29929

the request of the director of environmental protection, the 29931
director of development shall certify to the director of budget 29932
and management the amount of excess investment earnings that are 29933
available to be transferred from the clean Ohio revitalization 29934
fund created in section 122.658 of the Revised Code to the clean 29935
Ohio operating fund. Upon certification, the director of budget 29936
and management may transfer from the clean Ohio revitalization 29937
fund to the clean Ohio operating fund an amount not exceeding the 29938
amount of the annual appropriation to the clean Ohio operating 29939
fund. 29940

shutting down ~~an unfired~~ a pressure vessel or boiler or for making 30925
repairs or alterations in it, or taking any other measures for 30926
safety that are requested by an inspector, the owner or user may 30927
