**Sec. 107.31.** (A) As used in this section:

(1) "State institutional facility" means any institution or other facility, in operation on or after January 1, 2003, for the housing of any person that is under the control of the department of rehabilitation and correction, the department of youth services, the department of mental retardation and developmental disabilities, the department of mental health, or any other agency or department of state government.

(2) "Target state agency" means the agency of state government that operates the institutional facility or facilities that the governor believes should be closed.

(B) Prior to the closing of a state institutional facility, the target state agency shall conduct a survey and analysis of the needs of each client at that facility for the purpose of ensuring that each client's identified needs during the transition and in

the client's new setting are met. A copy of the analysis, devoid 1387  
of any client identifying information, as well as the target state 1388  
agency's proposal for meeting the needs of the clients, shall be 1389  
submitted to the general assembly in accordance with section 1390  
101.68 of the Revised Code at least two months prior to the 1391  
closing. 1392

Sec. 107.32. (A) As used in this section and section 107.33 1393  
of the Revised Code: 1394

(1) "State institutional facility" means any institution or 1395  
other facility for the housing of any person that is under the 1396  
control of the department of rehabilitation and correction, the 1397  
department of youth services, the department of mental retardation 1398  
and developmental disabilities, the department of mental health, 1399  
or any other agency or department of state government. 1400

(2) "Target state agency" means the agency of state 1401  
government that the governor identifies in a notice provided under 1402  
division (C)(1) of this section and that operates an institutional 1403  
facility or facilities the governor believes should be closed. 1404

(B) Notwithstanding any other provision of law, the governor 1405  
shall not order the closure of any state institutional facility, 1406  
for the purpose of expenditure reductions or budget cuts, other 1407  
than in accordance with this section. 1408

(C) If the governor determines that necessary expenditure 1409  
reductions and budget cuts cannot be made without closing one or 1410  
more state institutional facilities, all of the following apply: 1411

(1) The governor shall determine which state agency's 1412  
institutional facility or facilities the governor believes should 1413  
be closed, shall notify the general assembly and that agency of 1414  
that determination, and shall specify in the notice the number of 1415  
facilities of that agency that the governor believes should be 1416

closed and the anticipated savings to be obtained through that 1417  
closure or those closures. 1418

(2) Upon the governor's provision of the notice described in 1419  
division (C)(1) of this section, a state facilities closure 1420  
commission shall be created as described in division (D) of this 1421  
section regarding the target state agency. Not later than seven 1422  
days after the governor provides that notice, the officials with 1423  
the duties to appoint members of the commission for the target 1424  
state agency, as described in division (D) of this section, shall 1425  
appoint the specified members of the commission, and, as soon as 1426  
possible after the appointments, the commission shall meet for the 1427  
purposes described in that division. Not later than thirty days 1428  
after the governor provides the notice described in division 1429  
(C)(1) of this section, the state facilities closure commission 1430  
shall provide to the general assembly, the governor, and the 1431  
target state agency a report that contains the commission's 1432  
recommendation as to the state institutional facility or 1433  
facilities of the target state agency that the governor may close. 1434  
The anticipated savings to be obtained by the commission's 1435  
recommendation shall be approximately the same as the anticipated 1436  
savings the governor specified in the governor's notice provided 1437  
under division (C)(1) of this section, and, if the recommendation 1438  
identifies more than one facility, it shall list them in order of 1439  
the commission's preference for closure. A state facilities 1440  
closure commission created for a particular target state agency 1441  
shall make a report only regarding that target state agency and 1442  
shall include no recommendations regarding any other state agency 1443  
or department in its report. 1444

(3) Upon receipt of the report of the state facilities 1445  
closure commission under division (C)(2) of this section for a 1446  
target state agency, if the governor still believes that necessary 1447  
expenditure reductions and budget cuts cannot be made without 1448

closing one or more state institutional facilities, the governor 1449  
may close state institutional facilities of the target state 1450  
agency that are identified in the commission's recommendation 1451  
contained in the report. Except as otherwise provided in this 1452  
division, the governor shall not close any state institutional 1453  
facility of the target state agency that is not listed in the 1454  
commission's recommendation, and shall not close multiple 1455  
institutions in any order other than the order of the commission's 1456  
preference as specified in the recommendation. The governor is not 1457  
required to follow the recommendation of the commission in closing 1458  
an institutional facility if the governor determines that a 1459  
significant change in circumstances makes the recommendation 1460  
unworkable. 1461

(D) A state facilities closure commission shall be created at 1462  
the time and in the manner specified in division (C)(2) of this 1463  
section. If more than one state agency or department is a target 1464  
state agency, a separate state facilities closure commission shall 1465  
be created for each such target state agency. Each commission 1466  
consists of eleven members. Three members shall be members of the 1467  
house of representatives appointed by the speaker of the house of 1468  
representatives, none of the members so appointed may have a state 1469  
institutional facility of the target state agency in the member's 1470  
district, two of the members so appointed shall be members of the 1471  
majority political party in the house of representatives, and one 1472  
of the members so appointed shall not be a member of the majority 1473  
political party in the house of representatives. Three members 1474  
shall be members of the senate appointed by the president of the 1475  
senate, none of the members so appointed may have a state 1476  
institutional facility of the target state agency in the member's 1477  
district, two of the members so appointed shall be members of the 1478  
majority political party in the senate, and one of the members so 1479  
appointed shall not be a member of the majority political party in 1480  
the senate. One member shall be the director of budget and 1481

management. One member shall be the director, or other agency 1482  
head, of the target state agency. Two members shall be private 1483  
executives with expertise in facility utilization, with one of 1484  
these members appointed by the speaker of the house of 1485  
representatives and the other appointed by the president of the 1486  
senate, and neither of the members so appointed may have a state 1487  
institutional facility of the target state agency in the county in 1488  
which the member resides. One member shall be a representative of 1489  
the Ohio civil service employees' association or other 1490  
representative association of the employees of the target state 1491  
agency, appointed by the speaker of the house of representatives. 1492  
The officials with the duties to appoint members of the commission 1493  
shall make the appointments, and the commission shall meet, within 1494  
the time periods specified in division (C)(2) of this section. The 1495  
members of the commission shall serve without compensation. At the 1496  
commission's first meeting, the members shall organize, and 1497  
appoint a chairperson and vice-chairperson. 1498

The commission shall determine which state institutional 1499  
facility or facilities under the control of the target state 1500  
agency for which the commission was created should be closed. In 1501  
making this determination, the commission shall, at a minimum, 1502  
consider the following factors: 1503

(1) Whether there is a need to reduce the number of 1504  
facilities; 1505

(2) The availability of alternate facilities; 1506

(3) The cost effectiveness of the facilities; 1507

(4) The geographic factors associated with each facility and 1508  
its proximity to other similar facilities; 1509

(5) The impact of collective bargaining on facility 1510  
operations; 1511

(6) The utilization and maximization of resources; 1512

(7) Continuity of the staff and ability to serve the facility 1513  
population; 1514

(8) Continuing costs following closure of a facility; 1515

(9) The impact of the closure on the local economy; 1516

(10) Alternatives and opportunities for consolidation with 1517  
other facilities. 1518

The commission shall meet as often as necessary to make its 1519  
determination, may take testimony and consider all relevant 1520  
information, and shall prepare and provide in accordance with 1521  
division (C)(2) of this section a report containing its 1522  
recommendations. Upon providing the report regarding the target 1523  
state agency, the commission shall cease to exist, provided that 1524  
another commission shall be created for the same state agency if 1525  
the agency is made a target state agency in another report 1526  
provided under division (C)(1) of this section and provided that 1527  
another commission shall be created for a different state agency 1528  
if that other agency is made a target state agency in a report 1529  
provided under that division. 1530

Sec. 107.33. Notwithstanding any other provision of law, if 1531  
the closure of the particular facility is authorized under section 1532  
107.32 of the Revised Code, the governor may terminate any 1533  
contract entered into under section 9.06 of the Revised Code for 1534  
the private operation and management of any correctional facility 1535  
under the control of the department of rehabilitation and 1536  
correction, including, but not limited to the initial intensive 1537  
program prison established pursuant to section 5120.033 of the 1538  
Revised Code as it existed prior to the effective date of this 1539  
section, and terminate the operation of, and close that facility. 1540  
If the governor terminates a contract for the private operation 1541  
and management of a facility, and terminates the operation of, and 1542

closes, the facility as described in this section, inmates in the 1543  
facility shall be transferred to another correctional facility 1544  
under the control of the department. If the initial intensive 1545  
program prison is closed, divisions (G)(2)(a) and (b) of section 1546  
2929.13 of the Revised Code have no effect while the facility is 1547  
closed. 1548

(ii) That the legislative authority of the county, township, 3247  
or municipal corporation from which the employment positions would 3248  
be relocated has been notified of the relocation. 3249

For purposes of this section, the movement of an employment 3250  
position from one political subdivision to another political 3251  
subdivision shall be considered a relocation of an employment 3252  
position, but the transfer of an individual employee from one 3253

political subdivision to another political subdivision shall not 3254  
be considered a relocation of an employment position as long as 3255  
the individual's employment position in the first political 3256  
subdivision is refilled. 3257

(E) If a taxpayer fails to meet or comply with any condition 3258  
or requirement set forth in a tax credit agreement, the tax credit 3259  
authority may amend the agreement to reduce the percentage or term 3260  
of the tax credit. The reduction of the percentage or term shall 3261  
take effect in the taxable year immediately following the taxable 3262  
year in which the authority amends the agreement. If the taxpayer 3263  
relocates employment positions in violation of the provision 3264  
required under division (D)(8)(a) of this section, the taxpayer 3265  
shall not claim the tax credit under section 5733.0610 of the 3266  
Revised Code for any tax years following the calendar year in 3267  
which the relocation occurs, or shall not claim the tax credit 3268  
under section 5747.058 of the Revised Code for the taxable year in 3269  
which the relocation occurs and any subsequent taxable years. 3270

(F) Projects that consist solely of point-of-final-purchase 3271  
retail facilities are not eligible for a tax credit under this 3272  
section. If a project consists of both point-of-final-purchase 3273  
retail facilities and nonretail facilities, only the portion of 3274  
the project consisting of the nonretail facilities is eligible for 3275  
a tax credit and only the new income tax revenue from new 3276  
employees of the nonretail facilities shall be considered when 3277  
computing the amount of the tax credit. If a warehouse facility is 3278  
part of a point-of-final-purchase retail facility and supplies 3279  
only that facility, the warehouse facility is not eligible for a 3280  
tax credit. Catalog distribution centers are not considered 3281  
point-of-final-purchase retail facilities for the purposes of this 3282  
division, and are eligible for tax credits under this section. 3283

(G) Financial statements and other information submitted to 3284  
the department of development or the tax credit authority by an 3285

applicant or recipient of a tax credit under this section, and any 3286  
information taken for any purpose from such statements or 3287  
information, are not public records subject to section 149.43 of 3288  
the Revised Code. However, the chairperson of the authority may 3289  
make use of the statements and other information for purposes of 3290  
issuing public reports or in connection with court proceedings 3291  
concerning tax credit agreements under this section. Upon the 3292  
request of the tax commissioner, the chairperson of the authority 3293  
shall provide to the commissioner any statement or information 3294  
submitted by an applicant or recipient of a tax credit in 3295  
connection with the credit. The commissioner shall preserve the 3296  
confidentiality of the statement or information. 3297

(H) A taxpayer claiming a credit under this section shall 3298  
submit to the tax commissioner a copy of the director of 3299  
development's certificate of verification under division (D)(7) of 3300  
this section for the taxable year. However, failure to submit a 3301  
copy of the certificate does not invalidate a claim for a credit. 3302

(I) The director of development, after consultation with the 3303  
tax commissioner and in accordance with Chapter 119. of the 3304  
Revised Code, shall adopt rules necessary to implement this 3305  
section. The rules may provide for recipients of tax credits under 3306  
this section to be charged fees to cover administrative costs of 3307  
the tax credit program. At the time the director gives public 3308  
notice under division (A) of section 119.03 of the Revised Code of 3309  
the adoption of the rules, the director shall submit copies of the 3310  
proposed rules to the chairpersons of the standing committees on 3311  
economic development in the senate and the house of 3312  
representatives. 3313

(J) For the purposes of this section, a taxpayer may include 3314  
a partnership, a corporation that has made an election under 3315  
subchapter S of chapter one of subtitle A of the Internal Revenue 3316  
Code, or any other business entity through which income flows as a 3317

distributive share to its owners. A credit received under this 3318  
section by a partnership, S-corporation, or other such business 3319  
entity shall be apportioned among the persons to whom the income 3320  
or profit of the partnership, S-corporation, or other entity is 3321  
distributed, in the same proportions as those in which the income 3322  
or profit is distributed. 3323

(K) If the director of development determines that a taxpayer 3324  
who has received a credit under this section is not complying with 3325  
the requirement under division (D)(3) of this section, the 3326  
director shall notify the tax credit authority of the 3327  
noncompliance. After receiving such a notice, and after giving the 3328  
taxpayer an opportunity to explain the noncompliance, the tax 3329  
credit authority may require the taxpayer to refund to this state 3330  
a portion of the credit in accordance with the following: 3331

(1) If the taxpayer maintained operations at the project 3332  
location for at least one and one-half times the number of years 3333  
of the term of the tax credit, an amount not exceeding twenty-five 3334  
per cent of the sum of any previously allowed credits under this 3335  
section; 3336

(2) If the taxpayer maintained operations at the project 3337  
location for at least the number of years of the term of the tax 3338  
credit, an amount not exceeding fifty per cent of the sum of any 3339  
previously allowed credits under this section; 3340

(3) If the taxpayer maintained operations at the project 3341  
location for less than the number of years of the term of the tax 3342  
credit, an amount not exceeding one hundred per cent of the sum of 3343  
any previously allowed credits under this section. 3344

In determining the portion of the tax credit to be refunded 3345  
to this state, the tax credit authority shall consider the effect 3346  
of market conditions on the taxpayer's project and whether the 3347  
taxpayer continues to maintain other operations in this state. 3348

After making the determination, the authority shall certify the 3349  
amount to be refunded to the tax commissioner. The commissioner 3350  
shall make an assessment for that amount against the taxpayer 3351  
under Chapter 5733. or 5747. of the Revised Code. The time 3352  
limitations on assessments under Chapter 5733. or 5747. of the 3353  
Revised Code do not apply to an assessment under this division, 3354  
but the commissioner shall make the assessment within one year 3355  
after the date the authority certifies to the commissioner the 3356  
amount to be refunded. 3357

(L) On or before the thirty-first day of March each year, the 3358  
director of development shall submit a report to the governor, the 3359  
president of the senate, and the speaker of the house of 3360  
representatives on the tax credit program under this section. The 3361  
report shall include information on the number of agreements that 3362  
were entered into under this section during the preceding calendar 3363  
year, a description of the project that is the subject of each 3364  
such agreement, and an update on the status of projects under 3365  
agreements entered into before the preceding calendar year. 3366

During the fifth year of the tax credit program, the director 3367  
of development in conjunction with the director of budget and 3368  
management shall conduct an evaluation of it. The evaluation shall 3369  
include assessments of the effectiveness of the program in 3370  
creating new jobs in this state and of the revenue impact of the 3371  
program, and may include a review of the practices and experiences 3372  
of other states with similar programs. The director of development 3373  
shall submit a report on the evaluation to the governor, the 3374  
president of the senate, and the speaker of the house of 3375  
representatives on or before January 1, 1998. 3376

(M) There is hereby created the tax credit authority, which 3377  
consists of the director of development and four other members 3378  
appointed as follows: the governor, the president of the senate, 3379  
and the speaker of the house of representatives each shall appoint 3380

one member who shall be a specialist in economic development; the 3381  
governor also shall appoint a member who is a specialist in 3382  
taxation. Of the initial appointees, the members appointed by the 3383  
governor shall serve a term of two years; the members appointed by 3384  
the president of the senate and the speaker of the house of 3385  
representatives shall serve a term of four years. Thereafter, 3386  
terms of office shall be for four years. Initial appointments to 3387  
the authority shall be made within thirty days after January 13, 3388  
1993. Each member shall serve on the authority until the end of 3389  
the term for which the member was appointed. Vacancies shall be 3390  
filled in the same manner provided for original appointments. Any 3391  
member appointed to fill a vacancy occurring prior to the 3392  
expiration of the term for which the member's predecessor was 3393  
appointed shall hold office for the remainder of that term. 3394  
Members may be reappointed to the authority. Members of the 3395  
authority shall receive their necessary and actual expenses while 3396  
engaged in the business of the authority. The director of 3397  
development shall serve as chairperson of the authority, and the 3398  
members annually shall elect a vice-chairperson from among 3399  
themselves. Three members of the authority constitute a quorum to 3400  
transact and vote on the business of the authority. The majority 3401  
vote of the membership of the authority is necessary to approve 3402  
any such business, including the election of the vice-chairperson. 3403

The director of development may appoint a professional 3404  
employee of the department of development to serve as the 3405  
director's substitute at a meeting of the authority. The director 3406  
shall make the appointment in writing. In the absence of the 3407  
director from a meeting of the authority, the appointed substitute 3408  
shall serve as chairperson. In the absence of both the director 3409  
and the director's substitute from a meeting, the vice-chairperson 3410  
shall serve as chairperson. 3411

the Revised Code. However, the chairperson of the authority may 3665

issuing public reports or in connection with court proceedings 3667  
concerning tax credit agreements under this section. Upon the 3668  
request of the tax commissioner, the chairperson of the authority 3669  
shall provide to the commissioner any statement or other 3670  
information submitted by an applicant for or recipient of a tax 3671  
credit in connection with the credit. The commissioner shall 3672  
preserve the confidentiality of the statement or other 3673  
information. 3674

(H) A taxpayer claiming a tax credit under this section shall 3675  
submit to the tax commissioner a copy of the director of 3676  
development's certificate of verification under division (E)(7) of 3677  
this section for the taxable year. However, failure to submit a 3678  
copy of the certificate does not invalidate a claim for a credit. 3679

(I) For the purposes of this section, a taxpayer may include 3680  
a partnership, a corporation that has made an election under 3681  
subchapter S of chapter one of subtitle A of the Internal Revenue 3682  
Code, or any other business entity through which income flows as a 3683  
distributive share to its owners. A tax credit received under this 3684  
section by a partnership, S-corporation, or other such business 3685  
entity shall be apportioned among the persons to whom the income 3686  
or profit of the partnership, S-corporation, or other entity is 3687  
distributed, in the same proportions as those in which the income 3688  
or profit is distributed. 3689

(J) If the director of development determines that a taxpayer 3690  
that received a tax credit under this section is not complying 3691

with the requirement under division (E)(4) of this section, the 3692  
director shall notify the tax credit authority of the 3693  
noncompliance. After receiving such a notice, and after giving the 3694  
taxpayer an opportunity to explain the noncompliance, the 3695  
authority may terminate the agreement and require the taxpayer to 3696  
refund to the state all or a portion of the credit claimed in 3697  
previous years, as follows: 3698

(1) If the taxpayer maintained operations at the project site 3699  
for less than the term of the credit, the amount required to be 3700  
refunded shall not exceed the amount of any tax credits previously 3701  
allowed and received under this section. 3702

(2) If the taxpayer maintained operations at the project site 3703  
longer than the term of the credit but less than one and one-half 3704  
times the term of the credit, the amount required to be refunded 3705  
shall not exceed fifty per cent of the sum of any tax credits 3706  
previously allowed and received under this section. 3707

(3) If the taxpayer maintained operations at the project site 3708  
for at least one and one-half times the term of the credit but 3709  
less than twice the term of the credit, the amount required to be 3710  
refunded shall not exceed twenty-five per cent of the sum of any 3711  
tax credits previously allowed and received under this section. 3712

In determining the portion of the credit to be refunded to 3713  
this state, the authority shall consider the effect of market 3714  
conditions on the taxpayer's project and whether the taxpayer 3715  
continues to maintain other operations in this state. After making 3716  
the determination, the authority shall certify the amount to be 3717  
refunded to the tax commissioner. The commissioner shall make an 3718  
assessment for that amount against the taxpayer under Chapter 3719  
5733. or 5747. of the Revised Code. The time limitations on 3720  
assessments under Chapter 5733. or 5747. of the Revised Code do 3721  
not apply to an assessment under this division, but the 3722  
commissioner shall make the assessment within one year after the 3723

date the authority certifies to the commissioner the amount to be 3724  
refunded. 3725

If the director of development determines that a taxpayer 3726  
that received a tax credit under this section has reduced the 3727  
number of employees agreed to under division (E)(5) of this 3728  
section by more than ten per cent, the director shall notify the 3729  
tax credit authority of the noncompliance. After receiving such 3730  
notice, and after providing the taxpayer an opportunity to explain 3731  
the noncompliance, the authority may amend the agreement to reduce 3732  
the percentage or term of the tax credit. The reduction in the 3733  
percentage or term shall take effect in the taxable year in which 3734  
the authority amends the agreement. 3735

(K) The director of development, after consultation with the 3736  
tax commissioner and in accordance with Chapter 119. of the 3737  
Revised Code, shall adopt rules necessary to implement this 3738  
section. The rules may provide for recipients of tax credits under 3739  
this section to be charged fees to cover administrative costs of 3740  
the tax credit program. At the time the director gives public 3741  
notice under division (A) of section 119.03 of the Revised Code of 3742  
the adoption of the rules, the director shall submit copies of the 3743  
proposed rules to the chairpersons of the standing committees on 3744  
economic development in the senate and the house of 3745  
representatives. 3746

(L) On or before the thirty-first day of March of each year, 3747  
the director of development shall submit a report to the governor, 3748  
the president of the senate, and the speaker of the house of 3749  
representatives on the tax credit program under this section. The 3750  
report shall include information on the number of agreements that 3751  
were entered into under this section during the preceding calendar 3752  
year, a description of the project that is the subject of each 3753  
such agreement, and an update on the status of projects under 3754  
agreements entered into before the preceding calendar year. 3755

(M)(1) A nonrefundable credit shall be allowed to an applicable corporation and its related members in an amount equal to the applicable difference. The credit is in addition to the credit granted to the corporation or related members under division (B) of this section. The credit is subject to divisions (B) to (E) and division (J) of this section.

(2) A person qualifying as an applicable corporation under this section for a tax year does not necessarily qualify as an applicable corporation for any other tax year. No person is entitled to the credit allowed under division (M) of this section for the tax year immediately following the taxable year during which the person fails to meet the requirements in divisions (A)(6)(a)(i) and (A)(6)(b) of this section. No person is entitled to the credit allowed under division (M) of this section for any tax year for which the person is not eligible for the credit provided under division (B) of this section.

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 4705

4708  
4709

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative services and approved by the director of budget and management, and those personal services shall not be considered as a part of the employee's compensation. administrative services and the director of budget and management, 4721  
may establish payments to employees for uniforms, tools, 4722  
equipment, and other requirements of the department and payments 4723  
for the maintenance of them. 4724

The director of administrative services may review collective 4725  
bargaining agreements entered into under Chapter 4117. of the 4726  
Revised Code that cover state employees and determine whether 4727  
certain benefits or payments provided to state employees covered 4728  
by those agreements should also be provided to employees who are 4729  
exempt from collective bargaining coverage and are paid in 4730  
accordance with section 124.152 of the Revised Code or are listed 4731  
in division (B)(2) or (4) of section 124.14 of the Revised Code. 4732  
On completing the review, the director of administrative services, 4733  
with the approval of the director of budget and management, may 4734  
provide to some or all of these employees any payment or benefit, 4735  
except for salary, contained in such a collective bargaining 4736  
agreement even if it is similar to a payment or benefit already 4737  
provided by law to some or all of these employees. Any payment or 4738  
benefit so provided shall not exceed the highest level for that 4739  
payment or benefit specified in such a collective bargaining 4740  
agreement. The director of administrative services shall not 4741  
provide, and the director of budget and management shall not 4742  
approve, any payment or benefit to such an employee under this 4743  
division unless the payment or benefit is provided pursuant to a 4744  
collective bargaining agreement to a state employee who is in a 4745  
position with similar duties as, is supervised by, or is employed 4746  
by the same appointing authority as, the employee to whom the 4747  
benefit or payment is to be provided. 4748

As used in this division, "payment or benefit already 4749  
provided by law" includes, but is not limited to, bereavement, 4750  
personal, vacation, administrative, and sick leave, disability 4751  
benefits, holiday pay, and pay supplements provided under the 4752

Revised Code, but does not include wages or salary. 4753

(E) New employees paid under schedule B of division (A) of 4754  
this section or under schedule E-1 of section 124.152 of the 4755  
Revised Code shall be employed at the minimum rate established for 4756  
the range unless otherwise provided. Employees with qualifications 4757  
that are beyond the minimum normally required for the position and 4758  
that are determined by the director to be exceptional may be 4759  
employed in, or may be transferred or promoted to, a position at 4760  
an advanced step of the range. Further, in time of a serious labor 4761  
market condition when it is relatively impossible to recruit 4762  
employees at the minimum rate for a particular classification, the 4763  
entrance rate may be set at an advanced step in the range by the 4764  
director of administrative services. This rate may be limited to 4765  
geographical regions of the state. Appointments made to an 4766  
advanced step under the provision regarding exceptional 4767  
qualifications shall not affect the step assignment of employees 4768  
already serving. However, anytime the hiring rate of an entire 4769  
classification is advanced to a higher step, all incumbents of 4770  
that classification being paid at a step lower than that being 4771  
used for hiring, shall be advanced beginning at the start of the 4772  
first pay period thereafter to the new hiring rate, and any time 4773  
accrued at the lower step will be used to calculate advancement to 4774  
a succeeding step. If the hiring rate of a classification is 4775  
increased for only a geographical region of the state, only 4776  
incumbents who work in that geographical region shall be advanced 4777  
to a higher step. When an employee in the unclassified service 4778  
changes from one state position to another or is appointed to a 4779  
position in the classified service, or if an employee in the 4780  
classified service is appointed to a position in the unclassified 4781  
service, the employee's salary or wage in the new position shall 4782  
be determined in the same manner as if the employee were an 4783  
employee in the classified service. When an employee in the 4784  
unclassified service who is not eligible for step increases is 4785

appointed to a classification in the classified service under 4786  
which step increases are provided, future step increases shall be 4787  
based on the date on which the employee last received a pay 4788  
increase. If the employee has not received an increase during the 4789  
previous year, the date of the appointment to the classified 4790  
service shall be used to determine the employee's annual step 4791  
advancement eligibility date. In reassigning any employee to a 4792  
classification resulting in a pay range increase or to a new pay 4793  
range as a result of a promotion, an increase pay range 4794  
adjustment, or other classification change resulting in a pay 4795  
range increase, the director shall assign such employee to the 4796  
step in the new pay range that will provide an increase of 4797  
approximately four per cent if the new pay range can accommodate 4798  
the increase. When an employee is being assigned to a 4799  
classification or new pay range as the result of a class plan 4800  
change, if the employee has completed a probationary period, the 4801  
employee shall be placed in a step no lower than step two of the 4802  
new pay range. If the employee has not completed a probationary 4803  
period, the employee may be placed in step one of the new pay 4804  
range. Such new salary or wage shall become effective on such date 4805  
as the director determines. 4806

(F) If employment conditions and the urgency of the work 4807  
require such action, the director of administrative services may, 4808  
upon the application of a department head, authorize payment at 4809  
any rate established within the range for the class of work, for 4810  
work of a casual or intermittent nature or on a project basis. 4811  
Payment at such rates shall not be made to the same individual for 4812  
more than three calendar months in any one calendar year. Any such 4813  
action shall be subject to the approval of the director of budget 4814  
and management as to the availability of funds. This section and 4815  
sections 124.14 and 124.152 of the Revised Code do not repeal any 4816  
authority of any department or public official to contract with or 4817  
fix the compensation of professional persons who may be employed 4818

temporarily for work of a casual nature or for work on a project 4819  
basis. 4820

(G) ~~Each~~ (1) Except as provided in division (G)(2) of this 4821  
section, each state employee paid under schedule B of this section 4822  
or under schedule E-1 of section 124.152 of the Revised Code shall 4823  
be eligible for advancement to succeeding steps in the range for 4824  
the employee's class according to the schedule established in this 4825  
division. Beginning on the first day of the pay period within 4826  
which the employee completes the prescribed probationary period in 4827  
the employee's classification with the state, each employee shall 4828  
receive an automatic salary adjustment equivalent to the next 4829  
higher step within the pay range for the employee's class or 4830  
grade. 4831

Each employee paid under schedule E-1 of section 124.152 of 4832  
the Revised Code shall be eligible to advance to the next higher 4833  
step until the employee reaches step six, if the employee has 4834  
maintained satisfactory performance in accordance with criteria 4835  
established by the employee's appointing authority. Those step 4836  
~~increases~~ advancements shall not occur more frequently than once 4837  
in any twelve-month period. An employee only may advance to step 4838  
seven upon performing at an exemplary level as determined in the 4839  
employee's performance evaluation. An employee's advancement to 4840  
step seven is at the discretion of the employee's appointing 4841  
authority. An employee may not appeal the denial of advancement to 4842  
step seven to the state personnel board of review. 4843

When an employee is promoted or reassigned to a higher pay 4844  
range, the employee's step indicator shall return to "0" or be 4845  
adjusted to account for a probationary period, as appropriate. 4846  
Step advancement shall not be affected by demotion. A promoted 4847  
employee shall advance to the next higher step of the pay range on 4848  
the first day of the pay period in which the required probationary 4849  
period is completed. Step advancement shall become effective at 4850

the beginning of the pay period within which the employee attains 4851  
the necessary length of service. Time spent on authorized leave of 4852  
absence shall be counted for this purpose. 4853

If determined to be in the best interest of the state 4854  
service, the director of administrative services may, either 4855  
statewide or in selected agencies, adjust the dates on which 4856  
annual step ~~increases~~ advancements are received by employees paid 4857  
under schedule E-1 of section 124.152 of the Revised Code. 4858

(2)(a)(i) Except as provided in division (G)(2)(a)(ii) of 4859  
this section, there shall be a moratorium on step advancements 4860  
under division (G)(1) of this section from the pay period 4861  
beginning June 29, 2003, through the pay period ending June 25, 4862  
2005. Step advancements shall resume with the pay period beginning 4863  
June 26, 2005. Upon the resumption of step advancements, there 4864  
shall be no retroactive step advancements for the period the 4865  
moratorium was in effect. The moratorium shall not affect an 4866  
employee's performance evaluation schedule. 4867

(ii) During the moratorium under division (G)(2)(a)(i) of 4868  
this section, an employee who is hired or promoted and serves a 4869  
probationary period in the employee's new position shall advance 4870  
to the next step in the employee's pay range upon successful 4871  
completion of the employee's probationary period. Thereafter, the 4872  
employee is subject to the moratorium. 4873

(b) The moratorium under division (G)(2)(a)(i) of this 4874  
section shall apply to the employees of the secretary of state, 4875  
the auditor of state, the treasurer of state, the attorney 4876  
general, the supreme court, and state boards and commissions, who 4877  
are subject to this section unless the secretary of state, auditor 4878  
of state, treasurer of state, attorney general, supreme court, 4879  
board, or commission decides to exempt its employees from the 4880  
moratorium and so notifies the director of administrative services 4881  
in writing on or before July 1, 2003. 4882

(H) Employees in appointive managerial or professional 4883  
positions paid under salary schedule C of this section or under 4884  
salary schedule E-2 of section 124.152 of the Revised Code may be 4885  
appointed at any rate within the appropriate pay range. This rate 4886  
of pay may be adjusted higher or lower within the respective pay 4887  
range at any time the appointing authority so desires as long as 4888  
the adjustment is based on the employee's ability to successfully 4889  
administer those duties assigned to the employee. Salary 4890  
adjustments shall not be made more frequently than once in any 4891  
six-month period under this provision to incumbents holding the 4892  
same position and classification. 4893

(I) When an employee is assigned to duty outside this state, 4894  
the employee may be compensated, upon request of the department 4895  
head and with the approval of the director of administrative 4896  
services, at a rate not to exceed fifty per cent in excess of the 4897  
employee's current base rate for the period of time spent on that 4898  
duty. 4899

(J) Unless compensation for members of a board or commission 4900  
is otherwise specifically provided by law, the director of 4901  
administrative services shall establish the rate and method of 4902  
payment for members of boards and commissions pursuant to the pay 4903  
schedules listed in section 124.152 of the Revised Code. 4904

(K) Regular full-time employees in positions assigned to 4905  
classes within the instruction and education administration series 4906  
under the rules of the director of administrative services, except 4907  
certificated employees on the instructional staff of the state 4908  
school for the blind or the state school for the deaf, whose 4909  
positions are scheduled to work on the basis of an academic year 4910  
rather than a full calendar year, shall be paid according to the 4911  
pay range assigned by such rules but only during those pay periods 4912  
included in the academic year of the school where the employee is 4913  
located. 4914

(1) Part-time or substitute teachers or those whose period of employment is other than the full academic year shall be compensated for the actual time worked at the rate established by this section.

(2) Employees governed by this division are exempt from sections 124.13 and 124.19 of the Revised Code.

(3) Length of service for the purpose of determining eligibility for step ~~increases~~ advancements as provided by division (G) of this section and for the purpose of determining eligibility for longevity pay supplements as provided by division ~~(F)~~(E) of section 124.181 of the Revised Code shall be computed on the basis of one full year of service for the completion of each academic year.

(L) The superintendent of the state school for the deaf and the superintendent of the state school for the blind shall, subject to the approval of the superintendent of public instruction, carry out both of the following:

(1) Annually, between the first day of April and the last day of June, establish for the ensuing fiscal year a schedule of hourly rates for the compensation of each certificated employee on the instructional staff of that superintendent's respective school constructed as follows:

(a) Determine for each level of training, experience, and other professional qualification for which an hourly rate is set forth in the current schedule, the per cent that rate is of the rate set forth in such schedule for a teacher with a bachelor's degree and no experience. If there is more than one such rate for such a teacher, the lowest rate shall be used to make the computation.

(b) Determine which six city, local, and exempted village school districts with territory in Franklin county have in effect

on, or have adopted by, the first day of April for the school year 4946  
that begins on the ensuing first day of July, teacher salary 4947  
schedules with the highest minimum salaries for a teacher with a 4948  
bachelor's degree and no experience; 4949

(c) Divide the sum of such six highest minimum salaries by 4950  
ten thousand five hundred sixty; 4951

(d) Multiply each per cent determined in division (L)(1)(a) 4952  
of this section by the quotient obtained in division (L)(1)(c) of 4953  
this section; 4954

(e) One hundred five per cent of each product thus obtained 4955  
shall be the hourly rate for the corresponding level of training, 4956  
experience, or other professional qualification in the schedule 4957  
for the ensuing fiscal year. 4958

(2) Annually, assign each certificated employee on the 4959  
instructional staff of the superintendent's respective school to 4960  
an hourly rate on the schedule that is commensurate with the 4961  
employee's training, experience, and other professional 4962  
qualifications. 4963

If an employee is employed on the basis of an academic year, 4964  
the employee's annual salary shall be calculated by multiplying 4965  
the employee's assigned hourly rate times one thousand seven 4966  
hundred sixty. If an employee is not employed on the basis of an 4967  
academic year, the employee's annual salary shall be calculated in 4968  
accordance with the following formula: 4969

(a) Multiply the number of days the employee is required to 4970  
work pursuant to the employee's contract by eight; 4971

(b) Multiply the product of division (L)(2)(a) of this 4972  
section by the employee's assigned hourly rate. 4973

Each employee shall be paid an annual salary in biweekly 4974  
installments. The amount of each installment shall be calculated 4975

by dividing the employee's annual salary by the number of biweekly 4976  
installments to be paid during the year. 4977

Sections 124.13 and 124.19 of the Revised Code do not apply 4978  
to an employee who is paid under this division. 4979

As used in this division, "academic year" means the number of 4980  
days in each school year that the schools are required to be open 4981  
for instruction with pupils in attendance. Upon completing an 4982  
academic year, an employee paid under this division shall be 4983  
deemed to have completed one year of service. An employee paid 4984  
under this division is eligible to receive a pay supplement under 4985  
division (L)(1), (2), or (3) of section 124.181 of the Revised 4986  
Code for which the employee qualifies, but is not eligible to 4987  
receive a pay supplement under division (L)(4) or (5) of that 4988  
section. An employee paid under this division is eligible to 4989  
receive a pay supplement under division (L)(6) of section 124.181 4990  
of the Revised Code for which the employee qualifies, except that 4991  
the supplement is not limited to a maximum of five per cent of the 4992  
employee's regular base salary in a calendar year. 4993

(M) Division (A) of this section does not apply to "exempt 4994  
employees," as defined in section 124.152 of the Revised Code, who 4995  
are paid under that section. 4996

Notwithstanding any other provisions of this chapter, when an 4997  
employee transfers between bargaining units or transfers out of or 4998  
into a bargaining unit, the director shall establish the 4999  
employee's compensation and adjust the maximum leave accrual 5000  
schedule as the director deems equitable. 5001

~~Sec. 124.152. (A) Beginning on the first day of the pay 5002

(C) As used in this section, "exempt employee" means a permanent full-time or permanent part-time employee paid directly by warrant of the auditor of state whose position is included in the job classification plan established under division (A) of section 124.14 of the Revised Code but who is not considered a public employee for the purposes of Chapter 4117. of the Revised Code. As used in this section, "exempt employee" also includes a permanent full-time or permanent part-time employee of the secretary of state, auditor of state, treasurer of state, or attorney general who has not been placed in an appropriate bargaining unit by the state employment relations board.

Sec. 124.181. (A) Except as provided in division (M) of this 5266  
section, any employee paid under schedule B of section 124.15 or 5267  
under schedule E-1 of section 124.152 of the Revised Code is 5268  
eligible for the pay supplements provided in this section upon 5269  
application by the appointing authority substantiating the 5270  
employee's qualifications for the supplement and with the approval 5271  
of the director of administrative services except as provided in 5272  
division (E) of this section. 5273

(B) ~~In~~ Except as provided in section 124.183 of the Revised 5274  
Code, in computing any of the pay supplements provided in this 5275  
section, the classification salary base shall be the minimum 5276  
hourly rate of the pay range, provided in section 124.15 or 5277  
124.152 of the Revised Code, in which the employee is assigned at 5278  
the time of computation. 5279

(C) The effective date of any pay supplement, except as 5280  
provided in section 124.183 of the Revised Code or unless 5281  
otherwise provided in this section, shall be determined by the 5282  
director. 5283

(D) The director shall, by rule, establish standards 5284  
regarding the administration of this section. 5285

(E)(1) Except as otherwise provided in this division, 5286  
beginning on the first day of the pay period within which the 5287  
employee completes five years of total service with the state 5288  
government or any of its political subdivisions, each employee in 5289  
positions paid under salary schedule B of section 124.15 or under 5290  
salary schedule E-1 of section 124.152 of the Revised Code shall 5291  
receive an automatic salary adjustment equivalent to two and 5292  
one-half per cent of the classification salary base, to the 5293  
nearest whole cent. Each employee shall receive thereafter an 5294  
annual adjustment equivalent to one-half of one per cent of the 5295  
employee's classification salary base, to the nearest whole cent, 5296

for each additional year of qualified employment until a maximum 5297  
of ten per cent of the employee's classification salary base is 5298  
reached. The granting of longevity adjustments shall not be 5299  
affected by promotion, demotion, or other changes in 5300  
classification held by the employee, nor by any change in pay 5301  
range for the employee's class. Longevity pay adjustments shall 5302  
become effective at the beginning of the pay period within which 5303  
the employee completes the necessary length of service, except 5304  
that when an employee requests credit for prior service, the 5305  
effective date of the prior service credit and of any longevity 5306  
adjustment shall be the first day of the pay period following 5307  
approval of the credit by the director of administrative services. 5308  
No employee, other than an employee who submits proof of prior 5309  
service within ninety days after the date of the employee's 5310  
hiring, shall receive any longevity adjustment for the period 5311  
prior to the director's approval of a prior service credit. Time 5312  
spent on authorized leave of absence shall be counted for this 5313  
purpose. 5314

(2) An employee who has retired in accordance with the 5315  
provisions of any retirement system offered by the state and who 5316  
is employed by the state or any political subdivision of the state 5317  
on or after June 24, 1987, shall not have prior service with the 5318  
state or any political subdivision of the state counted for the 5319  
purpose of determining the amount of the salary adjustment 5320  
provided under this division. 5321

(3) There shall be a moratorium on employees' receipt under 5322  
this division of credit for service with the state government or 5323  
any of its political subdivisions during the period from July 1, 5324  
2003, through June 30, 2005. In calculating the number of years of 5325  
total service under this division, no credit shall be included for 5326  
service during the moratorium. The moratorium shall apply to the 5327  
employees of the secretary of state, the auditor of state, the 5328

treasurer of state, the attorney general, the supreme court, and 5329  
state boards and commissions, who are subject to this section 5330  
unless the secretary of state, auditor of state, treasurer of 5331  
state, attorney general, supreme court, board, or commission 5332  
decides to exempt its employees from the moratorium and so 5333  
notifies the director of administrative services in writing. 5334

If an employee is exempt from the moratorium, receives credit 5335  
for a period of service during the moratorium, and takes a 5336  
position with another entity in the state government or any of its 5337  
political subdivisions, either during or after the moratorium, and 5338  
if that entity's employees are or were subject to the moratorium, 5339  
the employee shall continue to retain the credit. However, if the 5340  
moratorium is in effect upon the taking of the new position, the 5341  
employee shall cease receiving additional credit as long as the 5342  
employee is in the position, until the moratorium expires. 5343

(F) When an exceptional condition exists that creates a 5344  
temporary or a permanent hazard for one or more positions in a 5345  
class paid under schedule B of section 124.15 or under salary 5346  
schedule E-1 of section 124.152 of the Revised Code, a special 5347  
hazard salary adjustment may be granted for the time the employee 5348  
is subjected to the hazardous condition. All special hazard 5349  
conditions shall be identified for each position and incidence 5350  
from information submitted to the director on an appropriate form 5351  
provided by the director and categorized into standard conditions 5352  
of: some unusual hazard not common to the class; considerable 5353  
unusual hazard not common to the class; and exceptional hazard not 5354  
common to the class. 5355

(1) A hazardous salary adjustment of five per cent of the 5356  
employee's classification salary base may be applied in the case 5357  
of some unusual hazardous condition not common to the class for 5358  
those hours worked, or a fraction thereof, while the employee was 5359  
subject to the unusual hazard condition. 5360

(2) A hazardous salary adjustment of seven and one-half per cent of the employee's classification salary base may be applied in the case of some considerable hazardous condition not common to the class for those hours worked, or a fraction thereof, while the employee was subject to the considerable hazard condition.

(3) A hazardous salary adjustment of ten per cent of the employee's classification salary base may be applied in the case of some exceptional hazardous condition not common to the class for those hours worked, or a fraction thereof, when the employee was subject to the exceptional hazard condition.

(4) Each claim for temporary hazard pay shall be submitted as a separate payment and shall be subject to an administrative audit by the director as to the extent and duration of the employee's exposure to the hazardous condition.

(G) When a full-time employee whose salary or wage is paid directly by warrant of the auditor of state and who also is eligible for overtime under the "Fair Labor Standards Act of 1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended, is ordered by the appointing authority to report back to work after termination of the employee's regular work schedule and the employee reports, the employee shall be paid for such time. The employee shall be entitled to four hours at the employee's total rate of pay or overtime compensation for the actual hours worked, whichever is greater. This division does not apply to work that is a continuation of or immediately preceding an employee's regular work schedule.

(H) When a certain position or positions paid under schedule B of section 124.15 or under salary schedule E-1 of section 124.152 of the Revised Code require the ability to speak or write a language other than English, a special pay supplement may be granted to attract bilingual individuals, to encourage present

employees to become proficient in other languages, or to retain 5392  
qualified bilingual employees. The bilingual pay supplement 5393  
provided in this division may be granted in the amount of five per 5394  
cent of the employee's classification salary base for each 5395  
required foreign language and shall remain in effect as long as 5396  
the bilingual requirement exists. 5397

(I) The director may establish a shift differential for 5398  
employees. Such differential shall be paid to employees in 5399  
positions working in other than the regular or first shift. In 5400  
those divisions or agencies where only one shift prevails, no 5401  
shift differential shall be paid regardless of the hours of the 5402  
day that are worked. The director and the appointing authority 5403  
shall designate which positions shall be covered by this division. 5404

(J) Whenever an employee is assigned to work in a higher 5405  
level position for a continuous period of more than two weeks but 5406  
no more than two years because of a vacancy, the employee's pay 5407  
may be established at a rate that is approximately four per cent 5408  
above the employee's current base rate for the period the employee 5409  
occupies the position, provided that this temporary occupancy is 5410  
approved by the director. Employees paid under this division shall 5411  
continue to receive any of the pay supplements due them under 5412  
other divisions of this section based on the step one base rate 5413  
for their normal classification. 5414

(K) If a certain position, or positions, within a class paid 5415  
under schedule B of section 124.15 or under salary schedule E-1 of 5416  
section 124.152 of the Revised Code are mandated by state or 5417  
federal law or regulation or other regulatory agency or other 5418  
certification authority to have special technical certification, 5419  
registration, or licensing to perform the functions which are 5420  
under the mandate, a special professional achievement pay 5421  
supplement may be granted. This special professional achievement 5422  
pay supplement shall not be granted when all incumbents in all 5423

positions in a class require license as provided in the 5424  
classification description published by the department of 5425  
administrative services; to licensees where no special or 5426  
extensive training is required; when certification is granted upon 5427  
completion of a stipulated term of in-service training; when an 5428  
appointing authority has required certification; or any other 5429  
condition prescribed by the director. 5430

(1) Before this supplement may be applied, evidence as to the 5431  
requirement must be provided by the agency for each position 5432  
involved, and certification must be received from the director as 5433  
to the director's concurrence for each of the positions so 5434  
affected. 5435

(2) The professional achievement pay supplement provided in 5436  
this division shall be granted in an amount up to ten per cent of 5437  
the employee's classification salary base and shall remain in 5438  
effect as long as the mandate exists. 5439

(L) Those employees assigned to teaching supervisory, 5440  
principal, assistant principal, or superintendent positions who 5441  
have attained a higher educational level than a basic bachelor's 5442  
degree may receive an educational pay supplement to remain in 5443  
effect as long as the employee's assignment and classification 5444  
remain the same. 5445

(1) An educational pay supplement of two and one-half per 5446  
cent of the employee's classification salary base may be applied 5447  
upon the achievement of a bachelor's degree plus twenty quarter 5448  
hours of postgraduate work. 5449

(2) An educational pay supplement of an additional five per 5450  
cent of the employee's classification salary base may be applied 5451  
upon achievement of a master's degree. 5452

(3) An educational pay supplement of an additional two and 5453  
one-half per cent of the employee's classification salary base may 5454

be applied upon achievement of a master's degree plus thirty 5455  
quarter hours of postgraduate work. 5456

(4) An educational pay supplement of five per cent of the 5457  
employee's classification salary base may be applied when the 5458  
employee is performing as a master teacher. 5459

(5) An educational pay supplement of five per cent of the 5460  
employee's classification salary base may be applied when the 5461  
employee is performing as a special education teacher. 5462

(6) Those employees in teaching supervisory, principal, 5463  
assistant principal, or superintendent positions who are 5464  
responsible for specific extracurricular activity programs shall 5465  
receive overtime pay for those hours worked in excess of their 5466  
normal schedule, at their straight time hourly rate up to a 5467  
maximum of five per cent of their regular base salary in any 5468  
calendar year. 5469

(M)(1) A state agency, board, or commission may establish a 5470  
supplementary compensation schedule for those licensed physicians 5471  
employed by the agency, board, or commission in positions 5472  
requiring a licensed physician. The supplementary compensation 5473  
schedule, together with the compensation otherwise authorized by 5474  
this chapter, shall provide for the total compensation for these 5475  
employees to range appropriately, but not necessarily uniformly, 5476  
for each classification title requiring a licensed physician, in 5477  
accordance with a schedule approved by the state controlling 5478  
board. The individual salary levels recommended for each such 5479  
physician employed shall be approved by the director. 5480  
Notwithstanding section 124.11 of the Revised Code, such personnel 5481  
are in the unclassified civil service. 5482

(2) The director of administrative services may approve 5483  
supplementary compensation for the director of health, if the 5484

division (D) of section 127.14 of the Revised Code: 6070

(1) No state agency may make expenditures of any federal 6071  
funds, whether such funds are advanced prior to expenditure or as 6072  
reimbursement, unless such expenditures are made pursuant to 6073  
specific appropriations of the general assembly ~~identifying the~~ 6074  
~~federal program that is the source of funds, are authorized~~ 6075

the controlling board pursuant to division (A)(5) of this section, 6077  
or are authorized by an executive order issued in accordance with 6078  
section 107.17 of the Revised Code, and until an allotment has 6079  
been approved by the director of budget and management. All 6080  
federal funds received by a state agency shall be reported to the 6081  
director within fifteen days of the receipt of such funds or the 6082  
notification of award, whichever occurs first. The director shall 6083  
prescribe the forms and procedures to be used when reporting the 6084  
receipt of federal funds. 6085

(2) If the federal funds received are greater than the amount 6086  
of such funds appropriated by the general assembly for a specific 6087  
purpose, the total appropriation of federal and state funds for 6088  
such purpose shall remain at the amount designated by the general 6089  
assembly, except that the expenditure of federal funds received in 6090  
excess of such specific appropriation may be authorized by the 6091  
controlling board. 6092

(3) To the extent that the expenditure of excess federal 6093  
funds is authorized, the controlling board may transfer a like 6094  
amount of general revenue fund appropriation authority from the 6095

affected agency to the emergency purposes appropriation of the 6096  
controlling board, if such action is permitted under federal 6097  
regulations. 6098

(4) Additional funds may be created by the controlling board 6099  
to receive revenues not anticipated in an appropriations act for 6100  
the biennium in which such new revenues are received. Expenditures 6101  
from such additional funds may be authorized by the controlling 6102  
board, but such authorization shall not extend beyond the end of 6103  
the biennium in which such funds are created. 6104

(5) Controlling board authorization for a state agency to 6105

agency to participate in the federal program providing the funds, 6107  
and the agency is not required to obtain an executive order under 6108  
section 107.17 of the Revised Code to participate in the federal 6109  
program. 6110

(B) With respect to nonfederal funds received into the 6111

(1) No state agency may make expenditures of any such funds 6115  
unless the expenditures are made pursuant to specific 6116  
appropriations of the general assembly. 6117

(2) If the receipts received into any fund are greater than 6118  
the amount appropriated, the appropriation for that fund shall 6119  
remain at the amount designated by the general assembly or as 6120  
increased and approved by the controlling board. 6121

(3) Additional funds may be created by the controlling board 6122  
to receive revenues not anticipated in an appropriations act for 6123  
the biennium in which such new revenues are received. Expenditures 6124  
from such additional funds may be authorized by the controlling 6125  
board, but such authorization shall not extend beyond the end of 6126

the biennium in which such funds are created. 6127

(C) The controlling board shall not authorize more than ten 6128  
per cent of additional spending from the occupational licensing 6129  
and regulatory fund, created in section 4743.05 of the Revised 6130  
Code, in excess of any appropriation made by the general assembly 6131  
to a licensing agency except an appropriation for costs related to 6132  
the examination or reexamination of applicants for a license. As 6133  
used in this division, "licensing agency" and "license" have the 6134  
same meanings as in section 4745.01 of the Revised Code. 6135

Sec. 131.41. There is hereby created in the state treasury 6136

director of job and family services, may transfer moneys in the 6140  
family services stabilization fund to the general revenue fund for 6141  
the department of job and family services. Moneys may be 6142

direct deposit is voluntary or mandatory. The board may require 9111  
the department to change or terminate direct deposit by adopting a 9112  
resolution to change or terminate it. Within ninety days after 9113  
adopting a resolution under this division, the board shall certify 9114

Within one hundred eighty days after the resolution is 9142

adopted, the county department shall: 9143

(1) Inform each applicant or recipient of the procedures 9144

payments in the form of a paper warrant. 9154

The department may require a recipient to complete a new 9155  
authorization form whenever the department considers it necessary. 9156

A recipient's designation of a financial institution and 9157  
account shall remain in effect until withdrawn in writing or 9158  
dishonored by the financial institution, except that no change may 9159  
be made in the authorization form until the next eligibility 9160  
redetermination of the recipient unless the department feels that 9161  
good grounds exist for an earlier change. 9162

(D) An applicant or recipient without an account who either 9163  
agrees or is required to receive payments by direct deposit shall 9164  
have ten days after receiving the authorization form to designate 9165  
an account suitable for direct deposit. If within the required 9166  
time the applicant or recipient does not make the designation or 9167  
requests that the department make the designation, the department 9168  
shall designate a financial institution and help the recipient to 9169  
open an account. 9170

(E) At the time of giving an applicant or recipient the 9171  
authorization form, the county department of job and family 9172  
services of a county with mandatory direct deposit shall inform 9173

each applicant or recipient of the basis for exemption and the 9174  
right to request exemption from direct deposit. 9175

Under mandatory direct deposit, an applicant or recipient who 9176  
wishes to receive payments in the form of a paper warrant shall 9177  
record on the authorization form a request for exemption under 9178  
this division and the basis for the exemption. 9179

of paper warrants. 9188

(F) The county department of job and family services shall 9189  
bear the full cost of the amount of any replacement warrant issued 9190

department requests, and a budget for moneys the board expects to 9532

the department shall approve or disapprove the plan and request, 9536  
in whole or in part, according to the criteria developed pursuant 9537  
to section 5119.61 of the Revised Code. The department's statement 9538

If the director disapproves all or part of any plan, the 9543

the board a reasonable time in which to meet the criteria, and 9548

prior to the conclusion of the fiscal year in which the board's 9552  
current plan is scheduled to expire, the board or the director may 9553  
request that the dispute be submitted to a mutually agreed upon 9554  
third-party mediator with the cost to be shared by the board and 9555  
the department. The mediator shall issue to the board and the 9556  
department recommendations for resolution of the dispute. Prior to 9557  
the conclusion of the fiscal year in which the current plan is 9558  
scheduled to expire, the director, taking into consideration the 9559  
recommendations of the mediator, shall make a final determination 9560  
and approve or disapprove the plan, in whole or in part. 9561

If a board determines that it is necessary to amend a plan or 9562  
an allocation request that has been approved under division 9563  
(A)(1)(c) of this section, the board shall submit a proposed 9564  
amendment to the director. The director may approve or disapprove 9565  
all or part of the amendment. If the director does not approve all 9566  
or part of the amendment within thirty days after it is submitted, 9567  
the amendment or part of it shall be considered to have been 9568  
approved. The director shall inform the board of the reasons for 9569  
disapproval of all or part of an amendment and of the criteria 9570  
that must be met before the amendment may be approved. The 9571  
director shall provide the board an opportunity to present its 9572  
case on behalf of the amendment. The director shall give the board 9573

a reasonable time in which to meet the criteria, and shall offer 9574  
the board technical assistance to help it meet the criteria. 9575

The board shall implement the plan approved by the 9576  
department. 9577

mental health applications for state reimbursement; 9579

(e) Promote, arrange, and implement working agreements with 9580  
social agencies, both public and private, and with judicial 9581

(2) Investigate, or request another agency to investigate, 9583  
any complaint alleging abuse or neglect of any person receiving 9584  
services from a community mental health agency as defined in 9585  
section 5122.01 of the Revised Code, or from a residential 9586  
facility licensed under section 5119.22 of the Revised Code. If 9587  
the investigation substantiates the charge of abuse or neglect, 9588  
the board shall take whatever action it determines is necessary to 9589  
correct the situation, including notification of the appropriate 9590  
authorities. Upon request, the board shall provide information 9591  
about such investigations to the department. 9592

(3) For the purpose of section 5119.611 of the Revised Code, 9593

through its community mental health plan and submit its findings 9601  
and recommendations to the department of mental health; 9602

(5) In accordance with section 5119.22 of the Revised Code, 9603

disapproval of applications; 9606

(6) Audit, in accordance with rules adopted by the auditor of 9607  
state pursuant to section 117.20 of the Revised Code, at least 9608  
annually all programs and services provided under contract with 9609  
the board. In so doing, the board may contract for or employ the 9610  
services of private auditors. A copy of the fiscal audit report 9611

state, and the county auditor of each county in the board's 9613  
district. 9614

(7) Recruit and promote local financial support for mental 9615

provision of community mental health services listed in section 9621  
340.09 of the Revised Code and included in the board's community 9622  
mental health plan. Contracts with community mental health 9623  
agencies are subject to section 5119.611 of the Revised Code. 9624  
Section 307.86 of the Revised Code does not apply to contracts 9625  
entered into under this division. In contracting with a community 9626  
mental health agency, a board shall consider the cost 9627  
effectiveness of services provided by that agency and the quality 9628  
and continuity of care, and may review cost elements, including 9629  
salary costs, of the services to be provided. A utilization review 9630  
process shall be established as part of the contract for services 9631  
entered into between a board and a community mental health agency. 9632  
The board may establish this process in a way that is most 9633  
effective and efficient in meeting local needs. In the case of a 9634  
contract with a community mental health facility ~~described, as~~ 9635  
defined in ~~division (B) of~~ section 5111.022 of the Revised Code, 9636

substantial changes in contract terms, the other party shall be 9647

expiration date of the contract. During the first sixty days of 9649  
this one hundred twenty-day period, both parties shall attempt to 9650  
resolve any dispute through good faith collaboration and 9651  
negotiation in order to continue to provide services to persons in 9652  
need. If the dispute has not been resolved sixty days before the 9653  
expiration date of the contract, either party may notify the 9654  
department of mental health of the unresolved dispute. The 9655  
director may require both parties to submit the dispute to a third 9656  
party with the cost to be shared by the board and the facility or 9657  
community mental health agency. The third party shall issue to the 9658  
board, the facility or agency, and the department recommendations 9659  
on how the dispute may be resolved twenty days prior to the 9660  
expiration date of the contract, unless both parties agree to a 9661  
time extension. The director shall adopt rules establishing the 9662  
procedures of this dispute resolution process. 9663

The director shall not give a board approval to operate a 9685  
facility or provide a community mental health service under 9686  
division (A)(8)(b)(ii) or (iii) of this section unless the 9687  
director determines that it is not feasible to have the department 9688  
operate the facility or provide the service. 9689

The director shall not give a board approval to operate a 9690  
facility or provide a community mental health service under 9691  
division (A)(8)(b)(iii) of this section unless the director 9692  
determines that the board will provide greater administrative 9693  
efficiency and more or better services than would be available if 9694  
the board contracted with a private or public facility or 9695  
community mental health agency. 9696

The director shall not give a board approval to operate a 9697  
facility previously operated by a person or other government 9698  
entity unless the board has established to the director's 9699

satisfaction that the person or other government entity cannot 9700

of the facility. The director shall not give a board approval to 9703

**Sec. 718.05.** (A) As used in this section: 10780

(1) "Generic form" means an electronic or paper form designed 10781  
for reporting estimated municipal income taxes and annual 10782  
municipal income tax liability or for filing a refund claim that 10783  
is not prescribed by a particular municipal corporation for the 10784  
reporting of that municipal corporation's tax on income. 10785

(2) "Return preparer" means any person other than a taxpayer 10786  
that is authorized by a taxpayer to complete or file an income tax 10787  
return, report, or other document for or on behalf of the 10788  
taxpayer. 10789

(B) A municipal corporation shall not require a taxpayer to 10790  
file an annual income tax return or report prior to the filing 10791  
date for the corresponding tax reporting period as prescribed for 10792  
such a taxpayer under the Internal Revenue Code. For taxable years 10793  
beginning after 2003, except as otherwise provided in section 10794  
718.051 of the Revised Code and division (D) of this section, a 10795  
municipal corporation shall not require a taxpayer to file an 10796  
annual income tax return or report on any date other than the 10797  
fifteenth day of the fourth month following the end of the 10798  
taxpayer's taxable year. 10799

(C) On and after January 1, 2001, any municipal corporation 10800  
that requires taxpayers to file income tax returns, reports, or 10801  
other documents shall accept for filing a generic form of such a 10802  
return, report, or document if the generic form, once completed 10803  
and filed, contains all of the information required to be 10804  
submitted with the municipal corporation's prescribed returns, 10805  
reports, or documents, and if the taxpayer or return preparer 10806  
filing the generic form otherwise complies with rules or 10807

ordinances of the municipal corporation governing the filing of 10808  
returns, reports, or documents. 10809

(D) ~~Beginning~~ Except as otherwise provided in section 718.051 10810  
of the Revised Code, beginning January 1, 2001, any taxpayer that 10811  
has requested an extension for filing a federal income tax return 10812  
may request an extension for the filing of a municipal income tax 10813  
return. The taxpayer shall make the request by filing a copy of 10814  
the taxpayer's request for a federal filing extension with the 10815  
individual or office charged with the administration of the 10816  
municipal income tax. The request for extension shall be filed not 10817  
later than the last day for filing the municipal income tax return 10818  
as prescribed by ordinance or rule of the municipal corporation. A 10819  
municipal corporation shall grant such a request for extension 10820  
filed before January 1, 2004, for a period not less than the 10821

beginning after 2003, the extended due date of the municipal 10823  
income tax return shall be the last day of the month following the 10824  
month to which the due date of the federal income tax return has 10825  
been extended. A municipal corporation may deny a taxpayer's 10826  
request for extension only if the taxpayer fails to timely file 10827  
the request, fails to file a copy of the request for the federal 10828  
extension, owes the municipal corporation any delinquent income 10829  
tax or any penalty, interest, assessment, or other charge for the 10830  
late payment or nonpayment of income tax, or has failed to file 10831  
any required income tax return, report, or other related document 10832  
for a prior tax period. The granting of an extension for filing a 10833  
municipal corporation income tax return does not extend the last 10834  
date for paying the tax without penalty unless the municipal 10835  
corporation grants an extension of that date. 10836

file any municipal income tax return until the last day of the 10849  
month to which the due date for filing the federal return has been 10850  
extended, provided that, on or before the date for filing the 10851

or a black vulture, the owner has no claim under sections 955.51 11793  
to 955.53 of the Revised Code. If the dog warden finds that the 11794

their injuries, their fair market value is the market value of 11811  
uninjured animals, fowl, or poultry on the date of the death of 11812  
the injured animals, fowl, or poultry. If the animals, fowl, or 11813  
poultry do not die as a result of their injuries, their fair 11814  
market value is their market value on the date on which they 11815  
received their injuries. 11816

(B) If the dog warden finds all the statements that the owner 11817  
made on the form to be correct and agrees with the owner as to the 11818  
fair market value of the animals, fowl, or poultry, ~~he~~ the dog 11819  
warden promptly shall so certify and send both copies of the form, 11820  
together with whatever other documents, testimony, or information 11821  
~~he~~ the dog warden has received relating to the loss or injury, to 11822  
the department of agriculture. 11823

(C) If the dog warden does not find all the statements to be 11824  
correct or does not agree with the owner as to the fair market 11825

forest lands when such a sale is advantageous to the state. 12720

(B) Except as otherwise provided in this section, a timber 12721  
sale agreement shall not be executed unless the person or 12722  
governmental entity bidding on the sale executes and files a 12723  
surety bond conditioned on completion of the timber sale in 12724

The cash or securities shall be deposited on the same terms 12745  
as bonds. If one or more certificates of deposit are deposited in 12746  
lieu of a bond, the chief shall require the bank that issued any 12747

all interest or other income from any such securities or 12771  
certificates as it becomes due. If securities so deposited with 12772  
and in the possession of the treasurer of state mature or are 12773  
called for payment by their issuer, the treasurer of state, at the 12774  
request of the bidder who deposited them, shall convert the 12775  
proceeds of the redemption or payment of the securities into other 12776  
United States government securities, negotiable certificates of 12777  
deposit, or cash as the bidder designates. 12778

When the chief finds that a person or governmental agency has 12779  
failed to comply with the conditions of the person's or 12780  
governmental agency's bond, the chief shall make a finding of that 12781  
fact and declare the bond, cash, securities, certificates, or 12782  
letters of credit forfeited. The chief thereupon shall certify the 12783  
total forfeiture to the attorney general, who shall proceed to 12784  
collect the amount of the bond, cash, securities, certificates, or 12785

In lieu of total forfeiture, the surety, at its option, may 12787  
cause the timber sale to be completed or pay to the treasurer of 12788

interests in land for recreational trails and for the construction 13190  
of such trails. A matching grant may provide up to seventy-five 13191  
per cent of the cost of a recreational trail project, and the 13192  
recipient of the matching grant shall provide not less than 13193  
twenty-five per cent of that cost. 13194

(C) The director shall establish policies for the purposes of 13195  
this section. The policies shall establish all of the following: 13196

the geographical boundaries of one township, a copy of a	13212
resolution supporting the project from the township;	13213

(f) The purchase of rail lines that are linked to the statewide trail plan;	13239 13240
(g) The preservation of natural corridors.	13241
(4) Items of value, such as in-kind contributions of land, easements or other interests in land, labor, or materials, that may be considered as contributing toward the percentage of the cost of a recreational trails project that must be provided by a matching grant recipient.	13242 13243 13244 13245 13246

A construction permit is not required under this section for:	13254
(1) A dam <del>which</del> <u>that</u> is or will be less than ten feet in height and <del>which</del> <u>that</u> has or will have a storage capacity of not more than fifty acre-feet at the elevation of the top of the dam, as determined by the chief. For the purposes of this section, the height of a dam shall be measured from the natural stream bed or lowest ground elevation at the downstream or outside limit of the dam to the elevation of the top of the dam.	13255 13256 13257 13258 13259 13260 13261
(2) A dam, regardless of height, <del>which</del> <u>that</u> has or will have a storage capacity of not more than fifteen acre-feet at the elevation of the top of the dam, as determined by the chief;	13262 13263 13264
(3) A dam, regardless of storage capacity, <del>which</del> <u>that</u> is or	13265

will be six feet or less in height, as determined by the chief; 13266

(4) A dam, dike, or levee ~~which~~ that belongs to a class 13267  
exempted by the chief; 13268

(5) The repair, maintenance, improvement, alteration, or 13269  
removal of a dam, dike, or levee ~~which~~ that is subject to section 13270  
1521.062 of the Revised Code, unless the construction constitutes 13271  
an enlargement of the structure as determined by the chief; 13272

(6) A dam or impoundment constructed under Chapter 1513. of 13273  
the Revised Code. 13274

(B) Before a construction permit may be issued, three copies 13275  
of the plans and specifications, including a detailed cost 13276  
estimate, for the proposed construction, prepared by a registered 13277  
professional engineer, together with the filing fee specified by 13278  
this section and the bond or other security required by section 13279  
1521.061 of the Revised Code, shall be filed with the chief. The 13280  
detailed estimate of the cost shall include all costs associated 13281  
with the construction of the dam, dike, or levee, including 13282  
supervision and inspection of the construction by a registered 13283  
professional engineer. ~~Except for a political subdivision, the~~ The 13284  
filing fee shall be based on the detailed cost estimate for the 13285  
proposed construction as filed with and approved by the chief, and 13286  
shall be determined by the following schedule unless otherwise 13287  
provided by rules adopted under this section: 13288

(1) For the first one hundred thousand dollars of estimated 13289  
cost, a fee of ~~two~~ four per cent; 13290

(2) For the next four hundred thousand dollars of estimated 13291  
cost, a fee of ~~one and one-half~~ three per cent; 13292

(3) For the next five hundred thousand dollars of estimated 13293  
cost, a fee of ~~one~~ two per cent; 13294

(4) For all costs in excess of one million dollars, a fee of 13295

~~one-quarter~~ one-half of one per cent. 13296

In no case shall the filing fee be less than ~~two hundred~~ one 13297

thousand dollars or more than ~~fifty~~ one hundred thousand dollars. 13298

If the actual cost exceeds the estimated cost by more than fifteen 13299

per cent, an additional filing fee shall be required equal to the 13300

fee determined by the preceding schedule less the original filing 13301

fee. ~~The filing fee for a political subdivision shall be two~~ 13302

~~hundred dollars.~~ All fees collected pursuant to this section, and 13303

all fines collected pursuant to section 1521.99 of the Revised 13304

Code, shall be deposited in the state treasury to the credit of 13305

the dam safety fund, which is hereby created. Expenditures from 13306

the fund shall be made by the chief for the purpose of 13307

administering this section and sections 1521.061 and 1521.062 of 13308

the Revised Code. 13309

(C) The chief shall, within thirty days from the date of the 13310

receipt of the application, fee, and bond or other security, issue 13311

or deny a construction permit for the construction or may issue a 13312

construction permit conditioned upon the making of such changes in 13313

the plans and specifications for the construction as ~~he~~ the chief 13314

considers advisable if ~~he~~ the chief determines that the 13315

construction of the proposed dam, dike, or levee, in accordance 13316

with the plans and specifications filed, would endanger life, 13317

health, or property. 13318

(D) The chief may deny a construction permit ~~if he finds~~ 13319

after finding that a dam, dike, or levee built in accordance with 13320

the plans and specifications would endanger life, health, or 13321

property, because of improper or inadequate design, or for such 13322

other reasons as the chief may determine. 13323

In the event the chief denies a permit for the construction 13324

of the dam, dike, or levee, or issues a permit conditioned upon a 13325

making of changes in the plans or specifications for the 13326

construction, ~~he~~ the chief shall state ~~his~~ the reasons therefor 13327

and so notify, in writing, the person or governmental agency 13328  
making the application for a permit. If the permit is denied, the 13329  
chief shall return the bond or other security to the person or 13330  
governmental agency making application for the permit. 13331

The decision of the chief conditioning or denying a 13332  
construction permit is subject to appeal as provided in Chapter 13333  
119. of the Revised Code. A dam, dike, or levee built 13334  
substantially at variance from the plans and specifications upon 13335  
which a construction permit was issued is in violation of this 13336  
section. The chief may at any time inspect any dam, dike, or 13337  
levee, or site upon which any dam, dike, or levee is to be 13338  
constructed, in order to determine whether it complies with this 13339  
section. 13340

(E) A registered professional engineer shall inspect the 13341  
construction for which the permit was issued during all phases of 13342  
construction and shall furnish to the chief such regular reports 13343  
of ~~his~~ the engineer's inspections as the chief may require. When 13344  
the chief finds that construction has been fully completed in 13345  
accordance with the terms of the permit and the plans and 13346  
specifications approved by ~~him~~ the chief, ~~he~~ the chief shall 13347  
approve the construction. When one year has elapsed after approval 13348  
of the completed construction, and the chief finds that within 13349  
this period no fact has become apparent to indicate that the 13350  
construction was not performed in accordance with the terms of the 13351  
permit and the plans and specifications approved by the chief, or 13352  
that the construction as performed would endanger life, health, or 13353  
property, ~~he~~ the chief shall release the bond or other security. 13354  
No bond or other security shall be released until one year after 13355  
final approval by the chief, unless the dam, dike, or levee has 13356  
been modified so that it will not retain water and has been 13357  
approved as nonhazardous after determination by the chief that the 13358  
dam, dike, or levee as modified will not endanger life, health, or 13359

property. 13360

(F) When inspections required by this section are not being 13361  
performed, the chief shall notify the person or governmental 13362  
agency to which the permit has been issued that inspections are 13363  
not being performed by the registered professional engineer and 13364  
that the chief will inspect the remainder of the construction. 13365  
Thereafter, the chief shall inspect the construction and the cost 13366  
of inspection shall be charged against the owner. Failure of the 13367  
registered professional engineer to submit required inspection 13368  
reports shall be deemed notice that ~~his~~ the engineer's inspections 13369  
are not being performed. 13370

(G) The chief may order construction to cease on any dam, 13371  
dike, or levee ~~which that~~ is being built in violation of ~~the~~ 13372  
~~provisions of~~ this section, and may prohibit the retention of 13373  
water behind any dam, dike, or levee ~~which that~~ has been built in 13374  
violation of ~~the provisions of~~ this section. The attorney general, 13375  
upon written request of the chief, may bring an action for an 13376  
injunction against any person who violates this section or to 13377  
enforce an order or prohibition of the chief made pursuant to this 13378  
section. 13379

(H) The chief may adopt rules in accordance with Chapter 119. 13380  
of the Revised Code, for the design and construction of dams, 13381  
dikes, and levees for which a construction permit is required by 13382  
this section or for which periodic inspection is required by 13383  
section 1521.062 of the Revised Code, for establishing a filing 13384  
fee schedule in lieu of the schedule established under division 13385  
(B) of this section, for deposit and forfeiture of bonds and other 13386  
securities required by section 1521.061 of the Revised Code, for 13387  
the periodic inspection, operation, repair, improvement, 13388  
alteration, or removal of all dams, dikes, and levees, as 13389  
specified in section 1521.062 of the Revised Code, and for 13390  
establishing classes of dams, dikes, or levees ~~which that~~ are 13391

exempt from the requirements of sections 1521.06 and 1521.062 of 13392  
the Revised Code as being of a size, purpose, or situation ~~which~~ 13393  
that does not present a substantial hazard to life, health, or 13394  
property. The chief may, by rule, limit the period during which a 13395  
construction permit issued under this section is valid. If a 13396  
construction permit expires before construction is completed, the 13397  
person or agency shall apply for a new permit, and shall not 13398  
continue construction until the new permit is issued. 13399

~~(I) As used in this section and section 1521.063 of the 13400  
Revised Code, "political subdivision" includes townships, 13401  
municipal corporations, counties, school districts, municipal 13402  
universities, park districts, sanitary districts, and conservancy 13403  
districts and subdivisions thereof. 13404~~

**Sec. 1521.063.** (A) Except for a ~~political subdivision~~ the 13405  
federal government, the owner of any dam subject to section 13406  
1521.062 of the Revised Code shall pay an annual fee, based upon 13407  
the height of the dam, to the division of water on or before June 13408  
30, 1988, and on or before the thirtieth day of June of each 13409  
succeeding year. The annual fee shall be as follows until 13410  
otherwise provided by rules adopted under this section: 13411

(1) For any dam classified as a class I dam under rules 13412  
adopted by the chief of the division of water under section 13413  
1521.06 of the Revised Code, thirty dollars plus ~~three~~ ten dollars 13414  
per foot of height of dam; 13415

(2) For any dam classified as a class II dam under those 13416  
rules, thirty dollars plus one dollar per foot of height of dam; 13417

(3) For any dam classified as a class III dam under those 13418  
rules, thirty dollars. 13419

For purposes of this section, the height of a dam is the 13420  
vertical height, to the nearest foot, as determined by the 13421

division under section 1521.062 of the Revised Code. All fees 13422  
collected under this section shall be deposited in the dam safety 13423  
fund created in section 1521.06 of the Revised Code. Any owner who 13424  
fails to pay any annual fee required by this section within sixty 13425  
days after the due date shall be assessed a penalty of ten per 13426  
cent of the annual fee plus interest at the rate of one-half per 13427  
cent per month from the due date until the date of payment. 13428

(B) The chief shall, in accordance with Chapter 119. of the 13429  
Revised Code, adopt, and may amend or rescind, rules for the 13430  
collection of fees and the administration, implementation, and 13431  
enforcement of this section and for the establishment of an annual 13432  
fee schedule in lieu of the schedule established under division 13433  
(A) of this section. 13434

(C)(1) No person, political subdivision, or state 13435  
governmental agency shall violate or fail to comply with this 13436  
section or any rule or order adopted or issued under it. 13437

(2) The attorney general, upon written request of the chief, 13438  
may commence an action against any such violator. Any action under 13439  
division (C)(2) of this section is a civil action. 13440

and shall exhibit the daily record to any official of the division 13513  
upon demand. 13514

Each permit shall remain in effect for one year from the date 13515

hunting license who is a resident of the state and sixteen years 13526  
of age or more shall procure a resident hunting license, the fee 13527

take or possess deer, wild turkeys, fur-bearing animals, ducks, 13549  
geese, brant, or any nongame animal while possessing only a 13550  
~~tourist's~~ small game hunting license. A ~~tourist's~~ small game 13551

ducks, geese, or brant without having obtained, in addition to the 13553  
~~tourist's~~ small game hunting license, a wetlands habitat stamp as 13554

provided in section 1533.111 of the Revised Code in addition to a 13562  
nonresident hunting license as provided in this section. 13563

No person shall procure or attempt to procure a hunting 13564  
license by fraud, deceit, misrepresentation, or any false 13565  
statement. 13566

This section does not authorize the taking and possessing of 13567

Revised Code and the penalty for its violation, including a 13581  
description of terms of imprisonment and fines that may be 13582  
imposed. 13583

No hunting license shall be issued unless the applicant 13584

tax assessment claims, within thirty days after their 14956

the filing of claims as set forth in this section, the executor or 15005  
administrator shall provide notice on the account delivered to 15006

**Sec. 2715.045.** (A) Upon the filing of a motion for 16331  
attachment, a court may issue an order of attachment without 16332  
issuing notice to the defendant against whom the motion was filed 16333  
and without conducting a hearing if the court finds that there is 16334  
probable cause to support the motion and that the plaintiff that 16335  
filed the motion for attachment will suffer irreparable injury if 16336  
the order is delayed until the defendant against whom the motion 16337  
has been filed has been given the opportunity for a hearing. The 16338  
court's findings shall be based upon the motion and affidavit 16339

praecipe instructing the clerk to issue to the defendant against 16353  
whom the order was issued a copy of the motion, affidavit, and 16354  
order of attachment, and a notice that an order of attachment was 16355  
issued and that the defendant has a right to a hearing on the 16356  
matter. The clerk then immediately shall serve upon the defendant, 16357

any other reason, you may request a hearing before this court by 16393  
disputing the claim in the request for hearing form, appearing 16394

Clerk of the Court 16421

(D) The defendant may receive a hearing in accordance with 16452  
section 2715.043 of the Revised Code by delivering a written 16453  
request for hearing to the court within five business days after 16454  
receipt of the notice provided pursuant to division (C) of this 16455  
section. The request may set forth the defendant's reasons for 16456  
disputing the plaintiff's claim for possession of property. 16457  
However, neither the defendant's inclusion of nor failure to 16458  
include such reasons upon the request constitutes a waiver of any 16459  
defense of the defendant or affects the defendant's right to 16460  
produce evidence at any hearing or at the trial of the action. If 16461  
the request is made by the defendant, the court shall schedule a 16462  
hearing within three business days after the request is made, send 16463  
notice to the parties of the date, time, and place of the hearing, 16464  
and hold the hearing accordingly. 16465

(E) If, after hearing, the court finds that there is not 16466  
probable cause to support the motion, it shall order that the 16467  
property be redelivered to the defendant without the condition of 16468  
bond. 16469

**Sec. 2716.13.** (A) Upon the filing of a proceeding in 16470  
garnishment of property, other than personal earnings, under 16471

matter to be set for hearing within twelve days after that filing. 16473

(B) Upon the scheduling of a hearing relative to a proceeding 16474  
in garnishment of property, other than personal earnings, under 16475  
division (A) of this section, the clerk of the court immediately 16476  
shall issue to the garnishee three copies of the order of 16477  
garnishment of property, other than personal earnings, and of a 16478  
written notice that the garnishee answer as provided in section 16479  
2716.21 of the Revised Code and the garnishee's fee required by 16480  
section 2716.12 of the Revised Code. The copies of the order and 16481  
of the notice shall be served upon the garnishee in the same 16482

manner as a summons is served. The copies of the order and of the 16483  
notice shall not be served later than seven days prior to the date 16484  
on which the hearing is scheduled. The order shall bind the 16485  
property, other than personal earnings, of the judgment debtor in 16486  
the possession of the garnishee at the time of service. 16487

The order of garnishment of property, other than personal 16488  
earnings, and notice to answer shall be in substantially the 16489  
following form: 16490

Section A of the form described in this division shall be 16569  
completed before service. Section B of the form shall be completed 16570  
by the garnishee, and the garnishee shall file one completed and 16571  
signed copy of the form with the clerk of the court as the 16572  
garnishee's answer. The garnishee may keep one completed and 16573

signed copy of the form and shall deliver the other completed and 16574  
signed copy of the form to the judgment debtor. 16575

If several affidavits seeking orders of garnishment of 16576  
property, other than personal earnings, are filed against the same 16577  
judgment debtor in accordance with section 2716.11 of the Revised 16578  
Code, the court involved shall issue the requested orders in the 16579  
same order in which the clerk received the associated affidavits. 16580

(C)(1) At the time of the filing of a proceeding in 16581  
garnishment of property, other than personal earnings, under 16582  
section 2716.11 of the Revised Code, the judgment creditor also 16583  
shall file with the clerk of the court a praecipe instructing the 16584  
clerk to issue to the judgment debtor a notice to the judgment 16585  
debtor form and a request for hearing form. Upon receipt of the 16586  
praecipe and the scheduling of a hearing relative to an action in 16587  
garnishment of property, other than personal earnings, under 16588  
division (A) of this section, the clerk of the court immediately 16589  
shall serve upon the judgment debtor, in accordance with division 16590  
(D) of this section, two copies of the notice to the judgment 16591  
debtor form and of the request for hearing form. The copies of the 16592  
notice to the judgment debtor form and of the request for hearing 16593  
form shall not be served later than seven days prior to the date 16594  
on which the hearing is scheduled. 16595

(a) The notice to the judgment debtor that must be served 16596  
upon the judgment debtor shall be in substantially the following 16597  
form: 16598

"(Name and Address of the Court) 16599

NOTICE TO THE JUDGMENT DEBTOR 16601

You are hereby notified that this court has issued an order 16602  
in the above case in favor of (name and address of judgment 16603  
creditor), the judgment creditor in this proceeding, directing 16604

that some of your money, property, or credits, other than personal 16605  
earnings, now in the possession of (name and address of 16606  
garnishee), the garnishee in this proceeding, be used to satisfy 16607  
your debt to the judgment creditor. This order was issued on the 16608  
basis of the judgment creditor's judgment against you that was 16609  
obtained in (name of court) in (case number) on (date). Upon your 16610  
receipt of this notice, you are prohibited from removing or 16611  
attempting to remove the money, property, or credits until 16612  
expressly permitted by the court. Any violation of this 16613  
prohibition subjects you to punishment for contempt of court. 16614

The law of Ohio and the United States provides that certain 16615  
benefit payments cannot be taken from you to pay a debt. Typical 16616  
among the benefits that cannot be attached or executed upon by a 16617  
creditor are the following: 16618

(1) Workers' compensation benefits; 16619

(2) Unemployment compensation payments; 16620

(3) Cash assistance payments under the Ohio works first 16621  
program; 16622

(4) Benefits and services under the prevention, retention, 16623  
and contingency program; 16624

(5) Disability financial assistance administered by the Ohio 16625  
department of job and family services; 16626

(6) Social security benefits; 16627

(7) Supplemental security income (S.S.I.); 16628

(8) Veteran's benefits; 16629

(9) Black lung benefits; 16630

(10) Certain pensions. 16631

There may be other benefits not included in the above list 16632  
that apply in your case. 16633

If you dispute the judgment creditor's right to garnish your property and believe that the judgment creditor should not be given your money, property, or credits, other than personal earnings, now in the possession of the garnishee because they are exempt or if you feel that this order is improper for any other reason, you may request a hearing before this court by disputing the claim in the request for hearing form, appearing below, or in a substantially similar form, and delivering the request for hearing to this court at the above address, at the office of the clerk of this court no later than the end of the fifth business day after you receive this notice. You may state your reasons for disputing the judgment creditor's right to garnish your property in the space provided on the form; however, you are not required to do so. If you do state your reasons for disputing the judgment creditor's right, you are not prohibited from stating any other reason at the hearing. If you do not state your reasons, it will not be held against you by the court, and you can state your reasons at the hearing. NO OBJECTIONS TO THE JUDGMENT ITSELF WILL BE HEARD OR CONSIDERED AT THE HEARING. If you request a hearing, the hearing will be limited to a consideration of the amount of your money, property, or credits, other than personal earnings, in the possession or control of the garnishee, if any, that can be used to satisfy all or part of the judgment you owe to the judgment creditor.

If you request a hearing by delivering your request for hearing no later than the end of the fifth business day after you receive this notice, it will be conducted in ..... courtroom ....., (address of court), at ..... m. on ....., ..... You may request the court to conduct the hearing before this date by indicating your request in the space provided on the form; the court then will send you notice of any change in the date, time, or place of the hearing. If you do not request a

hearing by delivering your request for a hearing no later than the 16666  
end of the fifth business day after you receive this notice, some 16667  
of your money, property, or credits, other than personal earnings, 16668  
will be paid to the judgment creditor. 16669

If you have any questions concerning this matter, you may 16670  
contact the office of the clerk of this court. If you want legal 16671  
representation, you should contact your lawyer immediately. If you 16672  
need the name of a lawyer, contact the local bar association. 16673

REQUEST IN A SUBSTANTIALLY SIMILAR FORM TO THE OFFICE OF THE CLERK 16708  
OF THIS COURT WITHIN FIVE (5) BUSINESS DAYS OF YOUR RECEIPT OF IT, 16709  
YOU WAIVE YOUR RIGHT TO A HEARING AND SOME OF YOUR MONEY, 16710

CREDITOR'S NAME)." 16714

(2) The judgment debtor may receive a hearing in accordance 16715  
with this division by delivering a written request for hearing to 16716  
the court within five business days after receipt of the notice 16717  
provided pursuant to division (C)(1) of this section. The request 16718  
may set forth the judgment debtor's reasons for disputing the 16719  
judgment creditor's right to garnish the money, property, or 16720  
credits, other than personal earnings; however, neither the 16721  
judgment debtor's inclusion of nor failure to include those 16722  
reasons upon the request constitutes a waiver of any defense of 16723  
the judgment debtor or affects the judgment debtor's right to 16724  
produce evidence at the hearing. If the request is made by the 16725  
judgment debtor within the prescribed time, the hearing shall be 16726

limited to a consideration of the amount of money, property, or 16727  
credits, other than personal earnings, of the judgment debtor in 16728  
the hands of the garnishee, if any, that can be used to satisfy 16729  
all or part of the debt owed by the judgment debtor to the 16730  
judgment creditor. If a request for a hearing is not received by 16731  
the court within the prescribed time, the hearing scheduled 16732  
pursuant to division (A) of this section shall be canceled unless 16733  
the court grants the judgment debtor a continuance in accordance 16734  
with division (C)(3) of this section. 16735

(3) If the judgment debtor does not request a hearing in the 16736  
action within the prescribed time pursuant to division (C)(2) of 16737  
this section, the court nevertheless may grant a continuance of 16738  
the scheduled hearing if the judgment debtor, prior to the time at 16739  
which the hearing was scheduled, as indicated on the notice to the 16740  
judgment debtor required by division (C)(1) of this section, 16741  
establishes a reasonable justification for failure to request the 16742  
hearing within the prescribed time. If the court grants a 16743  
continuance of the hearing, it shall cause the matter to be set 16744  
for hearing as soon as practicable thereafter. The continued 16745  
hearing shall be conducted in accordance with division (C)(2) of 16746  
this section. 16747

(4) The court may conduct the hearing on the matter prior to 16748  
the time at which the hearing was scheduled, as indicated on the 16749  
notice to the judgment debtor required by division (C)(1) of this 16750  
section, upon the request of the judgment debtor. The parties 16751  
shall be sent notice, by the clerk of the court, by regular mail, 16752  
of any change in the date, time, or place of the hearing. 16753

(5) If the scheduled hearing is canceled and no continuance 16754  
is granted, the court shall issue an order to the garnishee to pay 16755  
all or some of the money, property, or credits, other than 16756  
personal earnings, of the judgment debtor in the possession of the 16757  
garnishee at the time of service of the notice and order into 16758

court if they have not already been paid to the court. This order shall be based on the answer of the garnishee filed pursuant to this section. If the scheduled hearing is conducted or if it is continued and conducted, the court shall determine at the hearing the amount of the money, property, or credits, other than personal earnings, of the judgment debtor in the possession of the garnishee at the time of service of the notice and order, if any, that can be used to satisfy all or part of the debt owed by the judgment debtor to the judgment creditor, and issue an order, accordingly, to the garnishee to pay that amount into court if it has not already been paid to the court.

(D) The notice to the judgment debtor form and the request for hearing form described in division (C) of this section shall be sent by the clerk by ordinary or regular mail service unless the judgment creditor requests that service be made in accordance with the Rules of Civil Procedure, in which case the forms shall be served in accordance with the Rules of Civil Procedure. Any court of common pleas that issues an order of garnishment of property, other than personal earnings, under this section has jurisdiction to serve process pursuant to this section upon a garnishee who does not reside within the jurisdiction of the court. Any county court or municipal court that issues an order of garnishment of property, other than personal earnings, under this section has jurisdiction to serve process pursuant to this section upon a garnishee who does not reside within the jurisdiction of the court.

**Sec. 2743.02.** (A)(1) The state hereby waives its immunity from liability, except as provided for the office of the state fire marshal in division (G)(1) of section 9.60 and division (B) of section 3737.221 of the Revised Code and subject to division (H) of this section, and consents to be sued, and have its liability determined, in the court of claims created in this

chapter in accordance with the same rules of law applicable to 16791  
suits between private parties, except that the determination of 16792  
liability is subject to the limitations set forth in this chapter 16793  
and, in the case of state universities or colleges, in section 16794  
3345.40 of the Revised Code, and except as provided in division 16795  
(A)(2) of this section. To the extent that the state has 16796  
previously consented to be sued, this chapter has no 16797  
applicability. 16798

Except in the case of a civil action filed by the state, 16799  
filing a civil action in the court of claims results in a complete 16800  
waiver of any cause of action, based on the same act or omission, 16801  
which the filing party has against any officer or employee, as 16802  
defined in section 109.36 of the Revised Code. The waiver shall be 16803  
void if the court determines that the act or omission was 16804  
manifestly outside the scope of the officer's or employee's office 16805  
or employment or that the officer or employee acted with malicious 16806  
purpose, in bad faith, or in a wanton or reckless manner. 16807

(2) If a claimant proves in the court of claims that an 16808  
officer or employee, as defined in section 109.36 of the Revised 16809  
Code, would have personal liability for the officer's or 16810  
employee's acts or omissions but for the fact that the officer or 16811  
employee has personal immunity under section 9.86 of the Revised 16812  
Code, the state shall be held liable in the court of claims in any 16813  
action that is timely filed pursuant to section 2743.16 of the 16814  
Revised Code and that is based upon the acts or omissions. 16815

(B) The state hereby waives the immunity from liability of 16816  
all hospitals owned or operated by one or more political 16817  
subdivisions and consents for them to be sued, and to have their 16818  
liability determined, in the court of common pleas, in accordance 16819  
with the same rules of law applicable to suits between private 16820  
parties, subject to the limitations set forth in this chapter. 16821  
This division is also applicable to hospitals owned or operated by 16822

political subdivisions which have been determined by the supreme 16823  
court to be subject to suit prior to July 28, 1975. 16824

(C) Any hospital, as defined in section 2305.113 of the 16825  
Revised Code, may purchase liability insurance covering its 16826  
operations and activities and its agents, employees, nurses, 16827  
interns, residents, staff, and members of the governing board and 16828  
committees, and, whether or not such insurance is purchased, may, 16829  
to such extent as its governing board considers appropriate, 16830  
indemnify or agree to indemnify and hold harmless any such person 16831  
against expense, including attorney's fees, damage, loss, or other 16832  
liability arising out of, or claimed to have arisen out of, the 16833  
death, disease, or injury of any person as a result of the 16834  
negligence, malpractice, or other action or inaction of the 16835  
indemnified person while acting within the scope of the 16836  
indemnified person's duties or engaged in activities at the 16837  
request or direction, or for the benefit, of the hospital. Any 16838  
hospital electing to indemnify such persons, or to agree to so 16839  
indemnify, shall reserve such funds as are necessary, in the 16840  
exercise of sound and prudent actuarial judgment, to cover the 16841  
potential expense, fees, damage, loss, or other liability. The 16842  
superintendent of insurance may recommend, or, if such hospital 16843  
requests the superintendent to do so, the superintendent shall 16844  
recommend, a specific amount for any period that, in the 16845  
superintendent's opinion, represents such a judgment. This 16846  
authority is in addition to any authorization otherwise provided 16847  
or permitted by law. 16848

(D) Recoveries against the state shall be reduced by the 16849  
aggregate of insurance proceeds, disability award, or other 16850  
collateral recovery received by the claimant. This division does 16851  
not apply to civil actions in the court of claims against a state 16852  
university or college under the circumstances described in section 16853  
3345.40 of the Revised Code. The collateral benefits provisions of 16854

division (B)(2) of that section apply under those circumstances. 16855

(E) The only defendant in original actions in the court of 16856  
claims is the state. The state may file a third-party complaint or 16857  
counterclaim in any civil action, except a civil action for two 16858  
thousand five hundred dollars or less, that is filed in the court 16859  
of claims. 16860

(F) A civil action against an officer or employee, as defined 16861  
in section 109.36 of the Revised Code, that alleges that the 16862  
officer's or employee's conduct was manifestly outside the scope 16863  
of the officer's or employee's employment or official 16864  
responsibilities, or that the officer or employee acted with 16865  
malicious purpose, in bad faith, or in a wanton or reckless manner 16866  
shall first be filed against the state in the court of claims, 16867  
which has exclusive, original jurisdiction to determine, 16868  
initially, whether the officer or employee is entitled to personal 16869  
immunity under section 9.86 of the Revised Code and whether the 16870  
courts of common pleas have jurisdiction over the civil action. 16871

The filing of a claim against an officer or employee under 16872  
this division tolls the running of the applicable statute of 16873  
limitations until the court of claims determines whether the 16874  
officer or employee is entitled to personal immunity under section 16875  
9.86 of the Revised Code. 16876

(G) Whenever a claim lies against an officer or employee who 16877  
is a member of the Ohio national guard, and the officer or 16878  
employee was, at the time of the act or omission complained of, 16879  
subject to the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 16880  
U.S.C. 2671, et seq., then the Federal Tort Claims Act is the 16881  
exclusive remedy of the claimant and the state has no liability 16882  
under this section. 16883

(H) If an inmate of a state correctional institution has a 16884  
claim against the state for the loss of or damage to property and 16885

the amount claimed does not exceed three hundred dollars, before 16886  
commencing an action against the state in the court of claims, the 16887  
inmate shall file a claim for the loss or damage under the rules 16888  
adopted by the director of rehabilitation and correction pursuant 16889  
to this division. The inmate shall file the claim within the time 16890  
allowed for commencement of a civil action under section 2743.16 16891  
of the Revised Code. If the state admits or compromises the claim, 16892  
the director shall make payment from a fund designated by the 16893  
director for that purpose. If the state denies the claim or does 16894  
not compromise the claim at least sixty days prior to expiration 16895  
of the time allowed for commencement of a civil action based upon 16896  
the loss or damage under section 2743.16 of the Revised Code, the 16897  
inmate may commence an action in the court of claims under this 16898  
chapter to recover damages for the loss or damage. 16899

The director of rehabilitation and correction shall adopt 16900  
rules pursuant to Chapter 119. of the Revised Code to implement 16901  
this division. 16902

**Sec. 2743.60.** (A) The attorney general, a court of claims 16903  
panel of commissioners, or a judge of the court of claims shall 16904  
not make or order an award of reparations to any claimant who, if 16905  
the victim of the criminally injurious conduct was an adult, did 16906  
not file an application for an award of reparations within two 16907  
years after the date of the occurrence of the criminally injurious 16908  
conduct that caused the injury or death for which the victim is 16909  
seeking an award of reparations or who, if the victim of that 16910  
criminally injurious conduct was a minor, did not file an 16911  
application for an award of reparations within the period provided 16912  
by division (C)(1) of section 2743.56 of the Revised Code. An 16913  
award of reparations shall not be made to a claimant if the 16914  
criminally injurious conduct upon which the claimant bases a claim 16915  
was not reported to a law enforcement officer or agency within 16916  
seventy-two hours after the occurrence of the conduct, unless it 16917

is determined that good cause existed for the failure to report 16918  
the conduct within the seventy-two-hour period. 16919

(B)(1) The attorney general, a panel of commissioners, or a 16920  
judge of the court of claims shall not make or order an award of 16921  
reparations to a claimant if any of the following apply: 16922

(a) The claimant is the offender or an accomplice of the 16923  
offender who committed the criminally injurious conduct, or the 16924  
award would unjustly benefit the offender or accomplice. 16925

(b) Except as provided in division (B)(2) of this section, 16926  
both of the following apply: 16927

(i) The victim was a passenger in a motor vehicle and knew or 16928  
reasonably should have known that the driver was under the 16929  
influence of alcohol, a drug of abuse, or both. 16930

(ii) The claimant is seeking compensation for injuries 16931  
proximately caused by the driver described in division 16932  
(B)(1)(b)(i) of this section being under the influence of alcohol, 16933  
a drug of abuse, or both. 16934

(c) Both of the following apply: 16935

(i) The victim was under the influence of alcohol, a drug of 16936  
abuse, or both and was a passenger in a motor vehicle and, if 16937  
sober, should have reasonably known that the driver was under the 16938  
influence of alcohol, a drug of abuse, or both. 16939

(ii) The claimant is seeking compensation for injuries 16940  
proximately caused by the driver described in division 16941  
(B)(1)(b)(i) of this section being under the influence of alcohol, 16942  
a drug of abuse, or both. 16943

(2) Division (B)(1)(b) of this section does not apply if on 16944  
the date of the occurrence of the criminally injurious conduct, 16945  
the victim was under sixteen years of age or was at least sixteen 16946  
years of age but less than eighteen years of age and was riding 16947

with a parent, guardian, or care-provider. 16948

(C) The attorney general, a panel of commissioners, or a 16949  
judge of the court of claims, upon a finding that the claimant or 16950  
victim has not fully cooperated with appropriate law enforcement 16951  
agencies, may deny a claim or reconsider and reduce an award of 16952  
reparations. 16953

(D) The attorney general, a panel of commissioners, or a 16954  
judge of the court of claims shall reduce an award of reparations 16955  
or deny a claim for an award of reparations that is otherwise 16956  
payable to a claimant to the extent that the economic loss upon 16957  
which the claim is based is recouped from other persons, including 16958  
collateral sources. If an award is reduced or a claim is denied 16959  
because of the expected recoupment of all or part of the economic 16960  
loss of the claimant from a collateral source, the amount of the 16961  
award or the denial of the claim shall be conditioned upon the 16962  
claimant's economic loss being recouped by the collateral source. 16963  
If the award or denial is conditioned upon the recoupment of the 16964  
claimant's economic loss from a collateral source and it is 16965  
determined that the claimant did not unreasonably fail to present 16966  
a timely claim to the collateral source and will not receive all 16967  
or part of the expected recoupment, the claim may be reopened and 16968  
an award may be made in an amount equal to the amount of expected 16969  
recoupment that it is determined the claimant will not receive 16970  
from the collateral source. 16971

If the claimant recoups all or part of the economic loss upon 16972  
which the claim is based from any other person or entity, 16973  
including a collateral source, the attorney general may recover 16974  
pursuant to section 2743.72 of the Revised Code the part of the 16975  
award that represents the economic loss for which the claimant 16976  
received the recoupment from the other person or entity. 16977

(E) The(1) Except as otherwise provided in division (E)(2) of 16978

if any of the following applies: 16981

~~(1)~~(a) The victim was convicted of a felony within ten years 16982  
prior to the criminally injurious conduct that gave rise to the 16983  
claim or is convicted of a felony during the pendency of the 16984  
claim. 16985

~~(2)~~(b) The claimant was convicted of a felony within ten 16986  
years prior to the criminally injurious conduct that gave rise to 16987  
the claim or is convicted of a felony during the pendency of the 16988  
claim. 16989

~~(3)~~(c) It is proved by a preponderance of the evidence that 16990  
the victim or the claimant engaged, within ten years prior to the 16991  
criminally injurious conduct that gave rise to the claim or during 16992  
the pendency of the claim, in an offense of violence, a violation 16993  
of section 2925.03 of the Revised Code, or any substantially 16994  
similar offense that also would constitute a felony under the laws 16995  
of this state, another state, or the United States. 16996

~~(4)~~(d) The claimant was convicted of a violation of section 16997  
2919.22 or 2919.25 of the Revised Code, or of any state law or 16998

(2) The attorney general, a panel of commissioners, or a 17002  
judge of the court of claims may make an award to a minor 17003

the victim was not killed while engaging in violent felonious 17007  
conduct that contributed to the criminally injurious conduct that 17008  
gave rise to the claim. 17009

(F) In determining whether to make an award of reparations 17010

pursuant to this section, the attorney general or panel of 17011  
commissioners shall consider whether there was contributory 17012  
misconduct by the victim or the claimant. The attorney general, a 17013  
panel of commissioners, or a judge of the court of claims shall 17014  
reduce an award of reparations or deny a claim for an award of 17015  
reparations to the extent it is determined to be reasonable 17016  
because of the contributory misconduct of the claimant or the 17017  
victim. 17018

When the attorney general decides whether a claim should be 17019  
denied because of an allegation of contributory misconduct, the 17020  
burden of proof on the issue of that alleged contributory 17021  
misconduct shall be upon the claimant, if either of the following 17022  
apply: 17023

an ongoing course of criminal conduct within five years or less of 17029  
the criminally injurious conduct that is the subject of the claim. 17030

For purposes of this section, if it is proven by a 17031  
preponderance of the evidence that the victim engaged in conduct 17032  
at the time of the criminally injurious conduct that was a felony 17033  
violation of section 2925.11 of the Revised Code, the conduct 17034  
shall be presumed to have contributed to the criminally injurious 17035  
conduct and shall result in a complete denial of the claim. 17036

(G) The attorney general, a panel of commissioners, or a 17037  
judge of the court of claims shall not make an award of 17038  
reparations to a claimant if the criminally injurious conduct that 17039  
caused the injury or death that is the subject of the claim 17040  
occurred to a victim who was an adult and while the victim, after 17041

being convicted of or pleading guilty to an offense, was serving a 17042  
sentence of imprisonment in any detention facility, as defined in 17043  
section 2921.01 of the Revised Code. 17044

(H) If a claimant unreasonably fails to present a claim 17045  
timely to a source of benefits or advantages that would have been 17046  
a collateral source and that would have reimbursed the claimant 17047  
for all or a portion of a particular expense, the attorney 17048  
general, a panel of commissioners, or a judge of the court of 17049  
claims may reduce an award of reparations or deny a claim for an 17050  
award of reparations to the extent that it is reasonable to do so. 17051

(I) Reparations payable to a victim and to all other 17052

(2) The attorney general may refuse to grant a license to any 17773

section 2915.10 of the Revised Code, if applicable; 17792

(e) The attorney general has good cause to believe that the 17793  
organization will not conduct bingo, instant bingo at a bingo 17794

bingo or instant bingo. Except as otherwise provided in this 17853  
division, the attorney general shall issue the amended license in 17854  
accordance with division (E) of this section, and the organization 17855  
shall surrender its original license to the attorney general. The 17856  
attorney general may refuse to grant an amended license according 17857  
to the terms of division (B) of this section. 17858

the Revised Code also shall address the remaining proceeds, fines, 18938  
and penalties that are paid or deposited into the funds pursuant 18939

(3) If more than one law enforcement agency substantially 18941  
conducted the investigation, the court ordering the forfeiture 18942  
shall equitably divide the remaining proceeds, fines, and 18943

applicable federal law. 18998

with the applicable federal law. 19008

(e) Division (B) of this section and divisions (D)(1) to (3) 19009  
of section 2933.43 of the Revised Code do not apply to proceeds or 19010

municipal corporation or county in which the offense occurred if 19025  
that agency desires to have the vehicle, except that, if the 19026  
offense occurred in a township or in a park district created 19027

park district if that agency desires to have the vehicle, and 19032  
except that, if the state highway patrol made the seizure of the 19033

that would be a felony drug abuse offense or in a violation of 19038  
that section committed by a juvenile that, if committed by an 19039  
adult, would be a felony drug abuse offense, may be given to the 19040

in the seizure of the drug paraphernalia, the drug paraphernalia 19047  
may be given to the law enforcement agency of that township or 19048  
park district if that agency desires to have and can use the drug 19049  
paraphernalia. If the drug paraphernalia is not so given, it shall 19050  
be disposed of by sale pursuant to division (B)(8) of this section 19051  
or disposed of in another manner that the court that issued the 19052  
order of forfeiture considers proper under the circumstances. 19053

the Revised Code or placed in the custody of the secretary of the 19055  
treasury of the United States for disposal or use for medical or 19056  
scientific purposes under applicable federal law. 19057

(4) Firearms and dangerous ordnance suitable for police work 19058

(B)(8) of this section. Other firearms and dangerous ordnance 19062  
shall be destroyed by a law enforcement agency or shall be sent to 19063  
the bureau of criminal identification and investigation for 19064  
destruction by it. As used in this division, "firearms" and 19065  
"dangerous ordnance" have the same meanings as in section 2923.11 19066  
of the Revised Code. 19067

(5) Computers, computer networks, computer systems, and 19068  
computer software suitable for police work may be given to a law 19069  
enforcement agency for that purpose. Other computers, computer 19070  
networks, computer systems, and computer software shall be 19071  
disposed of by sale pursuant to division (B)(8) of this section or 19072  
disposed of in another manner that the court that issued the order 19073  
of forfeiture considers proper under the circumstances. As used in 19074  
this division, "computers," "computer networks," "computer 19075  
systems," and "computer software" have the same meanings as in 19076  
section 2913.01 of the Revised Code. 19077

- (6) Obscene materials shall be destroyed. 19078
- (7) Beer, intoxicating liquor, and alcohol shall be disposed 19079  
of in accordance with division (D)(4) of section 2933.41 of the 19080  
Revised Code. 19081
- (8) In the case of property not described in divisions (B)(1) 19082  
to (7) of this section and of property described in those 19083  
divisions but not disposed of pursuant to them, the property shall 19084  
be sold in accordance with division (B)(8) of this section or, in 19085  
the case of forfeited moneys, disposed of in accordance with 19086  
division (B)(8) of this section. If the property is to be sold, 19087  
the prosecuting attorney shall cause a notice of the proposed sale 19088  
of the property to be given in accordance with law, and the 19089  
property shall be sold, without appraisal, at a public auction to 19090  
the highest bidder for cash. The proceeds of a sale and forfeited 19091  
moneys shall be applied in the following order: 19092

with the seizure of, storage of, maintenance of, and provision of 19094  
security for the property, the forfeiture proceeding or civil 19095

of the value of any legal right, title, or interest in the 19099  
property that is possessed by a person who, pursuant to division 19100  
(F) of section 2925.42 of the Revised Code or division (E) of 19101  
section 2925.43 of the Revised Code, established the validity of 19102  
and consequently preserved that legal right, title, or interest, 19103  
including, but not limited to, any mortgage, perfected or other 19104  
security interest, or other lien in the property. The value of 19105  
these rights, titles, or interests shall be paid according to 19106  
their record or other order of priority. 19107
- (c) Third, the remaining proceeds or forfeited moneys after 19108

compliance with divisions (B)(8)(a) and (b) of this section, as 19109  
follows: 19110

(i) If the forfeiture was ordered in a juvenile court, ten 19111  
per cent to one or more alcohol and drug addiction treatment 19112  
programs that are certified by the department of alcohol and drug 19113  
addiction services under section 3793.06 of the Revised Code and 19114  
that are specified in the order of forfeiture. A juvenile court 19115  
shall not specify an alcohol or drug addiction treatment program 19116  
in the order of forfeiture unless the program is a certified 19117  
alcohol and drug addiction treatment program and, except as 19118  
provided in division (B)(8)(c)(i) of this section, unless the 19119  
program is located in the county in which the court that orders 19120  
the forfeiture is located or in a contiguous county. If no 19121  
certified alcohol and drug addiction treatment program is located 19122  
in any of those counties, the juvenile court may specify in the 19123  
order a certified alcohol and drug addiction treatment program 19124  
located anywhere within this state. 19125

(ii) If the forfeiture was ordered in a juvenile court, 19126  
ninety per cent, and if the forfeiture was ordered in a court 19127  
other than a juvenile court, one hundred per cent to appropriate 19128  
funds in accordance with divisions (D)(1)(c) and (2) of section 19129  
2933.43 of the Revised Code. The remaining proceeds or forfeited 19130  
moneys so deposited shall be used only for the purposes authorized 19131  
by those divisions and division (D)(3)(a)(ii) of that section. 19132

(C)(1) Sections 2925.41 to 2925.45 of the Revised Code do not 19133  
preclude a financial institution that possessed a valid mortgage, 19134  
security interest, or lien that is not satisfied prior to a sale 19135  
under division (B)(8) of this section or following a sale by 19136  
application of division (B)(8)(b) of this section, from commencing 19137  
a civil action in any appropriate court in this or another state 19138  
to obtain a deficiency judgment against the debtor if the 19139  
financial institution otherwise would have been entitled to do so 19140

in this or another state. 19141

(2) Any law enforcement agency that obtains any vehicle 19142  
pursuant to division (B)(1) of this section shall take the vehicle 19143  
subject to the outstanding amount of any security interest or lien 19144  
that attaches to the vehicle. 19145

(3) Nothing in this section impairs a mortgage, security 19146  
interest, lien, or other interest of a financial institution in 19147  
property that was the subject of a forfeiture order under section 19148  
2925.42 or 2925.43 of the Revised Code and that was sold or 19149  
otherwise disposed of in a manner that does not conform to the 19150  
requirements of division (B) of this section, or any right of a 19151  
financial institution of that nature to commence a civil action in 19152  
any appropriate court in this or another state to obtain a 19153  
deficiency judgment against the debtor. 19154

(4) Following the sale under division (B)(8) of this section 19155  
of any property that is required to be titled or registered under 19156  
the law of this state, the prosecuting attorney responsible for 19157  
the disposition of the property shall cause the state to issue an 19158  
appropriate certificate of title or registration to the purchaser 19159  
of the property. Additionally, if, in a disposition of property 19160  
pursuant to division (B) of this section, the state or a political 19161  
subdivision is given any property that is required to be titled or 19162  
registered under the law of this state, the prosecuting attorney 19163  
responsible for the disposition of the property shall cause the 19164  
state to issue an appropriate certificate of title or registration 19165  
to itself or to the political subdivision. 19166

(D) Property that has been forfeited to the state pursuant to 19167  
an order of criminal forfeiture under section 2925.42 of the 19168  
Revised Code or an order of civil forfeiture under section 2925.43 19169  
of the Revised Code shall not be available for use to pay any fine 19170  
imposed upon a person who is convicted of or pleads guilty to a 19171  
felony drug abuse offense or upon any juvenile who is found by a 19172

juvenile court to be a delinquent child for an act that, if 19173  
committed by an adult, would be a felony drug abuse offense. 19174

(E) Sections 2925.41 to 2925.45 of the Revised Code do not 19175  
prohibit a law enforcement officer from seeking the forfeiture of 19176  
contraband associated with a felony drug abuse offense pursuant to 19177  
section 2933.43 of the Revised Code. 19178

**Sec. 2929.38.** (A) A board of commissioners of a county, in an 19179  
agreement with the sheriff, a legislative authority of a municipal 19180  
corporation, a corrections commission, a judicial corrections 19181  
board, or any other public or private entity that operates a local 19182  
detention facility described in division (A) of section 2929.37 of 19183  
the Revised Code, may establish a policy that requires any 19184  
prisoner who is confined in the facility as a result of pleading 19185  
guilty to or having been convicted of an offense to pay a one-time 19186  
reception fee for the costs of processing the prisoner into the 19187  
facility at the time of the prisoner's initial entry into the 19188  
facility under the confinement in question, to pay a reasonable 19189  
fee for any medical or dental treatment or service requested by 19190  
and provided to that prisoner, and to pay the fee for a random 19191  
drug test assessed under division (E) of section 341.26, and 19192  
division (E) of section 753.33 of the Revised Code. The fee for 19193  
the medical treatment or service shall not exceed the actual cost 19194  
of the treatment or service provided. No prisoner confined in the 19195  
local detention facility shall be denied any necessary medical 19196  
care because of inability to pay the fees. 19197

(B) Upon assessment of a one-time reception fee as described 19198  
in division (A) of this section, the provision of the requested 19199  
medical treatment or service, or the assessment of a fee for a 19200  
random drug test, payment of the required fee may be automatically 19201  
deducted from the prisoner's inmate account in the business office 19202  
of the local detention facility in which the prisoner is confined. 19203

If there is no money in the account, a deduction may be made at a 19204  
later date during the prisoner's confinement if the money becomes 19205  
available in the account. If, after release, the prisoner has an 19206  
unpaid balance of those fees, the sheriff, legislative authority 19207  
of the municipal corporation, corrections commission, judicial 19208  
corrections board, or other entity that operates the local 19209  
detention facility described in division (A) of section 2929.37 of 19210  
the Revised Code may bill the prisoner for the payment of the 19211  
unpaid fees. Fees received for medical or dental treatment or 19212  
services shall be paid to the commissary fund, if one exists for 19213  
the facility, or if no commissary fund exists, to the general fund 19214  
of the treasury of the political subdivision that incurred the 19215  
expenses, in the same proportion as those expenses were borne by 19216  
the political subdivision. Fees received for medical treatment or 19217  
services that are placed in the commissary fund under this 19218  
division shall be used for the same purposes as profits from the 19219  
commissary fund, except that they shall not be used to pay any 19220  
salary or benefits of any person who works in or is employed for 19221  
the sole purpose of providing service to the commissary. 19222

(C) Any fee paid by a person under this section shall be 19223  
deducted from any medical or dental costs that the person is 19224  
ordered to reimburse under section 2929.36 of the Revised Code or 19225  
to repay under a policy adopted under section 2929.37 of the 19226  
Revised Code. 19227

(D) As used in this section, "inmate account" has the same 19228  
meaning as in section 2969.21 of the Revised Code. 19229

**Sec. 2933.43.** (A)(1) Except as provided in this division or 19230  
in section 2913.34 or sections 2923.44 to 2923.47 or 2925.41 to 19231  
2925.45 of the Revised Code, a law enforcement officer shall seize 19232  
any contraband that has been, is being, or is intended to be used 19233  
in violation of division (A) of section 2933.42 of the Revised 19234

Code. A law enforcement officer shall seize contraband that is a 19235  
watercraft, motor vehicle, or aircraft and that has been, is 19236  
being, or is intended to be used in violation of division (A) of 19237  
section 2933.42 of the Revised Code only if the watercraft, motor 19238  
vehicle, or aircraft is contraband because of its relationship to 19239  
an underlying criminal offense that is a felony. 19240

Additionally, a law enforcement officer shall seize any 19241  
watercraft, motor vehicle, aircraft, or other personal property 19242  
that is classified as contraband under division (B) of section 19243  
2933.42 of the Revised Code if the underlying offense involved in 19244  
the violation of division (A) of that section that resulted in the 19245  
watercraft, motor vehicle, aircraft, or personal property being 19246  
classified as contraband, is a felony. 19247

(2) If a law enforcement officer seizes property that is 19248  
titled or registered under law, including a motor vehicle, 19249  
pursuant to division (A)(1) of this section, the officer or the 19250  
officer's employing law enforcement agency shall notify the owner 19251  
of the seizure. The notification shall be given to the owner at 19252  
the owner's last known address within seventy-two hours after the 19253  
seizure, and may be given orally by any means, including 19254  
telephone, or by certified mail, return receipt requested. 19255

If the officer or the officer's agency is unable to provide 19256  
the notice required by this division despite reasonable, good 19257  
faith efforts to do so, the exercise of the reasonable, good faith 19258  
efforts constitutes fulfillment of the notice requirement imposed 19259  
by this division. 19260

(B)(1) A motor vehicle seized pursuant to division (A)(1) of 19261  
this section and the contents of the vehicle may be retained for a 19262  
reasonable period of time, not to exceed seventy-two hours, for 19263  
the purpose of inspection, investigation, and the gathering of 19264  
evidence of any offense or illegal use. 19265

At any time prior to the expiration of the seventy-two-hour 19266  
period, the law enforcement agency that seized the motor vehicle 19267  
may petition the court of common pleas of the county that has 19268  
jurisdiction over the underlying criminal case or administrative 19269  
proceeding involved in the forfeiture for an extension of the 19270  
seventy-two-hour period if the motor vehicle or its contents are 19271  
needed as evidence or if additional time is needed for the 19272  
inspection, investigation, or gathering of evidence. Upon the 19273  
filing of such a petition, the court immediately shall schedule a 19274  
hearing to be held at a time as soon as possible after the filing, 19275  
but in no event at a time later than the end of the next business 19276  
day subsequent to the day on which the petition was filed, and 19277  
upon scheduling the hearing, immediately shall notify the owner of 19278  
the vehicle, at the address at which notification of the seizure 19279  
was provided under division (A) of this section, of the date, 19280  
time, and place of the hearing. If the court, at the hearing, 19281  
determines that the vehicle or its contents, or both, are needed 19282  
as evidence or that additional time is needed for the inspection, 19283  
investigation, or gathering of evidence, the court may grant the 19284  
petition and issue an order authorizing the retention of the 19285  
vehicle or its contents, or both, for an extended period as 19286  
specified by the court in its order. An order extending a period 19287  
of retention issued under this division may be renewed. 19288

If no petition for the extension of the initial 19289  
seventy-two-hour period has been filed, prior to the expiration of 19290  
that period, under this division, if the vehicle was not in the 19291  
custody and control of the owner at the time of its seizure, and 19292  
if, at the end of that seventy-two-hour period, the owner of the 19293  
vehicle has not been charged with an offense or administrative 19294  
violation that includes the use of the vehicle as an element and 19295  
has not been charged with any other offense or administrative 19296  
violation in the actual commission of which the motor vehicle was 19297

used, the vehicle and its contents shall be released to its owner 19298  
or the owner's agent, provided that the law enforcement agency 19299  
that seized the vehicle may require proof of ownership of the 19300  
vehicle, proof of ownership or legal possession of the contents, 19301  
and an affidavit of the owner that the owner neither knew of nor 19302  
expressly or impliedly consented to the use of the vehicle that 19303  
resulted in its forfeiture as conditions precedent to release. If 19304  
a petition for the extension of the initial seventy-two-hour 19305  
period has been filed, prior to the expiration of that period, 19306  
under this division but the court does not grant the petition, if 19307  
the vehicle was not in the custody and control of the owner at the 19308  
time of its seizure, and if, at the end of that seventy-two-hour 19309  
period, the owner of the vehicle has not been charged with an 19310  
offense or administrative violation that includes the use of the 19311  
vehicle as an element and has not been charged with any other 19312  
offense or administrative violation in the actual commission of 19313  
which the motor vehicle was used, the vehicle and its contents 19314  
shall be released to its owner or the owner's agent, provided that 19315  
the court may require the proof and affidavit described in the 19316  
preceding sentence as conditions precedent to release. If the 19317  
initial seventy-two-hour period has been extended under this 19318  
division, the vehicle and its contents to which the extension 19319  
applies may be retained in accordance with the extension order. 19320  
If, at the end of that extended period, the owner of the vehicle 19321  
has not been charged with an offense or administrative violation 19322  
that includes the use of the vehicle as an element and has not 19323  
been charged with any other offense or administrative violation in 19324  
the actual commission of which the motor vehicle was used, and if 19325  
the vehicle was not in the custody and control of the owner at the 19326  
time of its seizure, the vehicle and its contents shall be 19327  
released to its owner or the owner's agent, provided that the 19328  
court may require the proof and affidavit described in the third 19329  
preceding sentence as conditions precedent to release. In cases in 19330

which the court may require proof and affidavits as conditions 19331  
precedent to release, the court also may require the posting of a 19332  
bond, with sufficient sureties approved by the court, in an amount 19333  
equal to the value of the property to be released, as determined 19334  
by the court, and conditioned upon the return of the property to 19335  
the court if it is forfeited under this section, as a further 19336  
condition to release. If, at the end of the initial 19337  
seventy-two-hour period or at the end of any extended period 19338  
granted under this section, the owner has been charged with an 19339  
offense or administrative violation that includes the use of the 19340  
vehicle as an element or has been charged with another offense or 19341  
administrative violation in the actual commission of which the 19342  
motor vehicle was used, or if the vehicle was in the custody and 19343  
control of the owner at the time of its seizure, the vehicle and 19344  
its contents shall be retained pending disposition of the charge, 19345  
provided that upon the filing of a motion for release by the 19346  
owner, if the court determines that the motor vehicle or its 19347  
contents, or both, are not needed as evidence in the underlying 19348  
criminal case or administrative proceeding, the court may permit 19349  
the release of the property that is not needed as evidence to the 19350  
owner; as a condition precedent to a release of that nature, the 19351  
court may require the owner to execute a bond with the court. Any 19352  
bond so required shall be in an amount equal to the value of the 19353  
property to be released, as determined by the court, shall have 19354  
sufficient sureties approved by the court, and shall be 19355  
conditioned upon the return of the property to the court to which 19356  
it is forfeited under this section. 19357

The final disposition of a motor vehicle seized pursuant to 19358  
division (A)(1) of this section shall be determined in accordance 19359  
with division (C) of this section. 19360

(2) Pending a hearing pursuant to division (C) of this 19361  
section, and subject to divisions (B)(1) and (C) of this section, 19362

any property lawfully seized pursuant to division (A) of this 19363  
section because it was contraband of a type described in division 19364  
(A)(13)(b), (d), (e), (f), (g), (h), (i), or (j) of section 19365  
2901.01 of the Revised Code shall not be subject to replevin or 19366  
other action in any court and shall not be subject to release upon 19367  
request of the owner, and no judgment shall be enforced against 19368  
the property. Pending the hearing, and subject to divisions (B)(1) 19369  
and (C) of this section, the property shall be kept in the custody 19370  
of the law enforcement agency responsible for its seizure. 19371

Pending a hearing pursuant to division (C) of this section, 19372  
and notwithstanding any provisions of division (B)(1) or (C) of 19373  
this section to the contrary, any property lawfully seized 19374  
pursuant to division (A) of this section because it was contraband 19375  
of a type described in division (A)(13)(a) or (c) of section 19376  
2901.01 of the Revised Code shall not be subject to replevin or 19377  
other action in any court and shall not be subject to release upon 19378  
request of the owner, and no judgment shall be enforced against 19379  
the property. Pending the hearing, and notwithstanding any 19380  
provisions of division (B)(1) or (C) of this section to the 19381  
contrary, the property shall be kept in the custody of the law 19382  
enforcement agency responsible for its seizure. 19383

A law enforcement agency that seizes property under division 19384  
(A) of this section because it was contraband of any type 19385  
described in division (A)(13) of section 2901.01 or division (B) 19386  
of section 2933.42 of the Revised Code shall maintain an accurate 19387  
record of each item of property so seized, which record shall 19388  
include the date on which each item was seized, the manner and 19389  
date of its disposition, and if applicable, the name of the person 19390  
who received the item; however, the record shall not identify or 19391  
enable the identification of the individual officer who seized the 19392  
item. The record of property of that nature that no longer is 19393  
needed as evidence shall be open to public inspection during the 19394

agency's regular business hours. Each law enforcement agency that, 19395  
during any calendar year, seizes property under division (A) of 19396  
this section because it was contraband shall prepare a report 19397  
covering the calendar year that cumulates all of the information 19398  
contained in all of the records kept by the agency pursuant to 19399  
this division for that calendar year, and shall send a copy of the 19400  
cumulative report, no later than the first day of March in the 19401  
calendar year following the calendar year covered by the report, 19402  
to the attorney general. Each report received by the attorney 19403  
general is a public record open for inspection under section 19404  
149.43 of the Revised Code. Not later than the fifteenth day of 19405  
April in the calendar year in which the reports are received, the 19406  
attorney general shall send to the president of the senate and the 19407  
speaker of the house of representatives a written notification 19408  
that does all of the following: 19409

(a) Indicates that the attorney general has received from law 19410  
enforcement agencies reports of the type described in this 19411  
division that cover the previous calendar year and indicates that 19412  
the reports were received under this division; 19413

(b) Indicates that the reports are open for inspection under 19414  
section 149.43 of the Revised Code; 19415

(c) Indicates that the attorney general will provide a copy 19416  
of any or all of the reports to the president of the senate or the 19417  
speaker of the house of representatives upon request. 19418

(C) The prosecuting attorney, village solicitor, city 19419  
director of law, or similar chief legal officer who has 19420  
responsibility for the prosecution of the underlying criminal case 19421  
or administrative proceeding, or the attorney general if the 19422  
attorney general has that responsibility, shall file a petition 19423  
for the forfeiture, to the seizing law enforcement agency of the 19424  
contraband seized pursuant to division (A) of this section. The 19425  
petition shall be filed in the court that has jurisdiction over 19426

the underlying criminal case or administrative proceeding involved 19427  
in the forfeiture. If the property was seized on the basis of both 19428  
a criminal violation and an administrative regulation violation, 19429  
the petition shall be filed by the officer and in the court that 19430  
is appropriate in relation to the criminal case. 19431

The petitioner shall conduct or cause to be conducted a 19432  
search of the appropriate public records that relate to the seized 19433  
property for the purpose of determining, and shall make or cause 19434  
to be made reasonably diligent inquiries for the purpose of 19435  
determining, any person having an ownership or security interest 19436  
in the property. The petitioner then shall give notice of the 19437  
forfeiture proceedings by personal service or by certified mail, 19438  
return receipt requested, to any persons known, because of the 19439  
conduct of the search, the making of the inquiries, or otherwise, 19440  
to have an ownership or security interest in the property, and 19441  
shall publish notice of the proceedings once each week for two 19442  
consecutive weeks in a newspaper of general circulation in the 19443  
county in which the seizure occurred. The notices shall be 19444  
personally served, mailed, and first published at least four weeks 19445  
before the hearing. They shall describe the property seized; state 19446  
the date and place of seizure; name the law enforcement agency 19447  
that seized the property and, if applicable, that is holding the 19448  
property; list the time, date, and place of the hearing; and state 19449  
that any person having an ownership or security interest in the 19450  
property may contest the forfeiture. 19451

If the property seized was determined by the seizing law 19452  
enforcement officer to be contraband because of its relationship 19453  
to an underlying criminal offense or administrative violation, no 19454  
forfeiture hearing shall be held under this section unless the 19455  
person pleads guilty to or is convicted of the commission of, or 19456  
an attempt or conspiracy to commit, the offense or a different 19457  
offense arising out of the same facts and circumstances or unless 19458

the person admits or is adjudicated to have committed the 19459  
administrative violation or a different violation arising out of 19460  
the same facts and circumstances; a forfeiture hearing shall be 19461  
held in a case of that nature no later than forty-five days after 19462  
the conviction or the admission or adjudication of the violation, 19463  
unless the time for the hearing is extended by the court for good 19464  
cause shown. The owner of any property seized because of its 19465  
relationship to an underlying criminal offense or administrative 19466  
violation may request the court to release the property to the 19467  
owner. Upon receipt of a request of that nature, if the court 19468  
determines that the property is not needed as evidence in the 19469  
underlying criminal case or administrative proceeding, the court 19470  
may permit the release of the property to the owner. As a 19471  
condition precedent to a release of that nature, the court may 19472  
require the owner to execute a bond with the court. Any bond so 19473  
required shall have sufficient sureties approved by the court, 19474  
shall be in a sum equal to the value of the property, as 19475  
determined by the court, and shall be conditioned upon the return 19476  
of the property to the court if the property is forfeited under 19477  
this section. Any property seized because of its relationship to 19478  
an underlying criminal offense or administrative violation shall 19479  
be returned to its owner if charges are not filed in relation to 19480  
that underlying offense or violation within thirty days after the 19481  
seizure, if charges of that nature are filed and subsequently are 19482  
dismissed, or if charges of that nature are filed and the person 19483  
charged does not plead guilty to and is not convicted of the 19484  
offense or does not admit and is not found to have committed the 19485  
violation. 19486

If the property seized was determined by the seizing law 19487  
enforcement officer to be contraband other than because of a 19488  
relationship to an underlying criminal offense or administrative 19489  
violation, the forfeiture hearing under this section shall be held 19490  
no later than forty-five days after the seizure, unless the time 19491

for the hearing is extended by the court for good cause shown. 19492

Where possible, a court holding a forfeiture hearing under 19493  
this section shall follow the Rules of Civil Procedure. When a 19494  
hearing is conducted under this section, property shall be 19495  
forfeited upon a showing, by a preponderance of the evidence, by 19496  
the petitioner that the person from which the property was seized 19497  
was in violation of division (A) of section 2933.42 of the Revised 19498  
Code. If that showing is made, the court shall issue an order of 19499  
forfeiture. If an order of forfeiture is issued in relation to 19500  
contraband that was released to the owner or the owner's agent 19501  
pursuant to this division or division (B)(1) of this section, the 19502  
order shall require the owner to deliver the property, by a 19503  
specified date, to the law enforcement agency that employed the 19504  
law enforcement officer who made the seizure of the property, and 19505  
the court shall deliver a copy of the order to the owner or send a 19506  
copy of it by certified mail, return receipt requested, to the 19507  
owner at the address to which notice of the seizure was given 19508  
under division (A)(2) of this section. Except as otherwise 19509  
provided in this division, all rights, interest, and title to the 19510  
forfeited contraband vests in the state, effective from the date 19511  
of seizure. 19512

No property shall be forfeited pursuant to this division if 19513  
the owner of the property establishes, by a preponderance of the 19514  
evidence, that the owner neither knew, nor should have known after 19515  
a reasonable inquiry, that the property was used, or was likely to 19516  
be used, in a crime or administrative violation. No bona fide 19517  
security interest shall be forfeited pursuant to this division if 19518  
the holder of the interest establishes, by a preponderance of the 19519  
evidence, that the holder of the interest neither knew, nor should 19520  
have known after a reasonable inquiry, that the property was used, 19521  
or likely to be used, in a crime or administrative violation, that 19522  
the holder of the interest did not expressly or impliedly consent 19523

to the use of the property in a crime or administrative violation, 19524  
and that the security interest was perfected pursuant to law prior 19525  
to the seizure. If the holder of the interest satisfies the court 19526  
that these requirements are met, the interest shall be preserved 19527  
by the court. In a case of that nature, the court shall either 19528  
order that the agency to which the property is forfeited reimburse 19529  
the holder of the interest to the extent of the preserved interest 19530  
or order that the holder be paid for the interest from the 19531  
proceeds of any sale pursuant to division (D) of this section. 19532

(D)(1) Contraband ordered forfeited pursuant to this section 19533  
shall be disposed of pursuant to divisions (D)(1) to (7) of 19534  
section 2933.41 of the Revised Code or, if the contraband is not 19535  
described in those divisions, may be used, with the approval of 19536  
the court, by the law enforcement agency that has custody of the 19537  
contraband pursuant to division (D)(8) of that section. In the 19538  
case of contraband not described in any of those divisions and of 19539  
contraband not disposed of pursuant to any of those divisions, the 19540  
contraband shall be sold in accordance with this division or, in 19541  
the case of forfeited moneys, disposed of in accordance with this 19542  
division. If the contraband is to be sold, the prosecuting 19543  
attorney shall cause a notice of the proposed sale of the 19544  
contraband to be given in accordance with law, and the property 19545  
shall be sold, without appraisal, at a public auction to the 19546  
highest bidder for cash. The proceeds of a sale and forfeited 19547  
moneys shall be applied in the following order: 19548

(a) First, to the payment of the costs incurred in connection 19549  
with the seizure of, storage of, maintenance of, and provision of 19550  
security for the contraband, the forfeiture proceeding, and, if 19551  
any, the sale; 19552

(b) Second, the remaining proceeds or forfeited moneys after 19553  
compliance with division (D)(1)(a) of this section, to the payment 19554  
of the balance due on any security interest preserved pursuant to 19555

division (C) of this section; 19556

(c) Third, the remaining proceeds or forfeited moneys after 19557  
compliance with divisions (D)(1)(a) and (b) of this section, as 19558  
follows: 19559

(i) If the forfeiture was ordered in a juvenile court, ten 19560  
per cent to one or more alcohol and drug addiction treatment 19561  
programs that are certified by the department of alcohol and drug 19562  
addiction services under section 3793.06 of the Revised Code and 19563  
that are specified in the order of forfeiture. A juvenile court 19564  
shall not certify an alcohol or drug addiction treatment program 19565  
in the order of forfeiture unless the program is a certified 19566  
alcohol and drug addiction treatment program and, except as 19567  
provided in division (D)(1)(c)(i) of this section, unless the 19568  
program is located in the county in which the court that orders 19569  
the forfeiture is located or in a contiguous county. If no 19570  
certified alcohol and drug addiction treatment program is located 19571  
in any of those counties, the juvenile court may specify in the 19572  
order a certified alcohol and drug addiction treatment program 19573  
located anywhere within this state. 19574

(ii) If the forfeiture was ordered in a juvenile court, 19575  
ninety per cent, and if the forfeiture was ordered in a court 19576  
other than a juvenile court, one hundred per cent to the law 19577  
enforcement trust fund of the prosecuting attorney and to the law 19578  
enforcement trust fund of the county sheriff if the county sheriff 19579  
made the seizure, to the law enforcement trust fund of a municipal 19580  
corporation if its police department made the seizure, to the law 19581  
enforcement trust fund of a township if the seizure was made by a 19582  
township police department, township police district police force, 19583  
or office of a township constable, to the law enforcement trust 19584  
fund of a park district created pursuant to section 511.18 or 19585  
1545.01 of the Revised Code if the seizure was made by the park 19586  
district police force or law enforcement department, to the state 19587

highway patrol contraband, forfeiture, and other fund if the state 19588  
highway patrol made the seizure, to the department of public 19589  
safety investigative unit contraband, forfeiture, and other fund 19590  
if the investigative unit of the department of public safety made 19591  
the seizure, to the department of taxation enforcement fund if the 19592  
department of taxation made the seizure, to the board of pharmacy 19593  
drug law enforcement fund created by division (B)(1) of section 19594  
4729.65 of the Revised Code if the board made the seizure, or to 19595  
the treasurer of state for deposit into the peace officer training 19596  
commission fund if a state law enforcement agency, other than the 19597  
state highway patrol, the investigative unit of the department of 19598  
public safety, the enforcement division of the department of 19599  
taxation, or the state board of pharmacy, made the seizure. The 19600  
prosecuting attorney may decline to accept any of the remaining 19601  
proceeds or forfeited moneys, and, if the prosecuting attorney so 19602  
declines, the remaining proceeds or forfeited moneys shall be 19603  
applied to the fund described in this division that relates to the 19604  
law enforcement agency that made the seizure. 19605

A law enforcement trust fund shall be established by the 19606  
prosecuting attorney of each county who intends to receive any 19607  
remaining proceeds or forfeited moneys pursuant to this division, 19608  
by the sheriff of each county, by the legislative authority of 19609  
each municipal corporation, by the board of township trustees of 19610  
each township that has a township police department, township 19611  
police district police force, or office of the constable, and by 19612  
the board of park commissioners of each park district created 19613  
pursuant to section 511.18 or 1545.01 of the Revised Code that has 19614  
a park district police force or law enforcement department, for 19615  
the purposes of this division. There is hereby created in the 19616  
state treasury the state highway patrol contraband, forfeiture, 19617

such test pursuant to division (C)(1) of section 3301.0711 of the 21212

Revised Code are distinguished from the academic achievement 21213

district to which the territory is transferred. Such transfer 22408  
shall not be complete however, until: 22409

(1) A resolution accepting the transfer has been passed by a 22410  
majority vote of the full membership of the board of education of 22411  
the city, exempted village, or local school district to which the 22412  
territory is transferred; 22413

(2) An equitable division of the funds and indebtedness 22414  
between the districts involved has been made by the board of 22415

education making the transfer; 22416

(3) A map showing the boundaries of the territory transferred 22417  
has been filed, by the board of education accepting the transfer, 22418  
with the county auditor of each county affected by the transfer. 22419

When such transfer is complete the legal title of the school 22420  
property in the territory transferred shall be vested in the board 22421  
of education or governing board of the school district to which 22422  
the territory is transferred. 22423

(B) Whenever the transfer of territory pursuant to this 22424  
section is initiated by a board of education, the board shall, 22425  
before filing a proposal for transfer with the state board of 22426  
education under this section, make a good faith effort to 22427  
negotiate the terms of transfer with any other school district 22428  
whose territory would be affected by the transfer. Before the 22429  
state board may hold a hearing on the transfer, or approve or 22430  
disapprove any such transfer, it must receive the following: 22431

(1) A resolution requesting approval of the transfer, passed 22432  
by the school district submitting the proposal; 22433

(2) Evidence determined to be sufficient by the state board 22434  
to show that good faith negotiations have taken place or that the 22435  
district requesting the transfer has made a good faith effort to 22436  
hold such negotiations; 22437

(3) If any negotiations took place, a statement signed by all 22438  
boards that participated in the negotiations, listing the terms 22439  
agreed on and the points on which no agreement could be reached. 22440

Negotiations held pursuant to this section shall be governed 22441  
by the rules adopted by the state board under division (D) of 22442  
section 3311.06 of the Revised Code. Districts involved in a 22443  
transfer under division (B) of this section may agree to share 22444  
revenues from the property included in the territory to be 22445  
transferred, establish cooperative programs between the 22446

participating districts, and establish mechanisms for the 22447  
settlement of any future boundary disputes. 22448

~~Sec. 3311.26. A governing board of an educational service~~ 22449  
~~center~~ The state board of education may, by resolution adopted by 22450  
majority vote of its full membership, propose the creation of a 22451  
new local school district from one or more local school districts 22452  
or parts thereof, including the creation of a local district with 22453  
noncontiguous territory from one or more local school districts if 22454  
one of those districts has entered into an agreement under section 22455  
3313.42 of the Revised Code. Such proposal shall include an 22456  
accurate map showing the territory affected. After the adoption of 22457  
the resolution, the ~~governing~~ state board shall file a copy of 22458  
such proposal with the board of education of each school district 22459  
whose boundaries would be altered by such proposal. 22460

~~A governing board of a service center proposing~~ Upon the 22461  
creation of a new district under this section, the state board 22462  
shall at its next regular meeting that occurs not earlier than 22463  
thirty days after the adoption by the ~~governing~~ state board of the 22464  
resolution proposing such creation, adopt a resolution making the 22465  
creation effective prior to the next succeeding first day of July, 22466  
unless, prior to the expiration of such thirty-day period, 22467  
qualified electors residing in the area included in such proposed 22468  
new district, equal in number to thirty-five per cent of the 22469  
qualified electors voting at the last general election, file a 22470  
petition of referendum against the creation of the proposed new 22471  
district. 22472

A petition of referendum filed under this section shall be 22473  
filed at the office of the ~~educational service center~~ state 22474  
superintendent of public instruction. The person presenting the 22475  
petition shall be given a receipt containing thereon the time of 22476  
day, the date, and the purpose of the petition. 22477

If a petition of referendum is filed, the ~~governing state~~ 22478  
board shall, at the next regular meeting of the ~~governing state~~ 22479  
board, certify the proposal to the board of elections for the 22480  
purpose of having the proposal placed on the ballot at the next 22481  
general or primary election which occurs not less than 22482  
seventy-five days after the date of such certification, or at a 22483  
special election, the date of which shall be specified in the 22484  
certification, which date shall not be less than seventy-five days 22485  
after the date of such certification. 22486

Upon certification of a proposal to the board or boards of 22487  
elections pursuant to this section, the board or boards of 22488  
elections shall make the necessary arrangements for the submission 22489  
of such question to the electors of the county or counties 22490  
qualified to vote thereon, and the election shall be conducted and 22491  
canvassed and the results shall be certified in the same manner as 22492  
in regular elections for the election of members of a board of 22493  
education. 22494

The persons qualified to vote upon a proposal are the 22495  
electors residing in the proposed new districts. 22496

If the proposed district be approved by at least a majority 22497  
of the electors voting on the proposal, the ~~governing state~~ board 22498  
shall then create such new district prior to the next succeeding 22499  
first day of July, ~~and shall so notify the state board of~~ 22500  
~~education.~~ 22501

Upon the creation of such district, the indebtedness of each 22502  
former district becoming in its entirety a part of the new 22503  
district shall be assumed in full by the new district. Upon the 22504  
creation of such district, that part of the net indebtedness of 22505  
each former district becoming only in part a part of the new 22506  
district shall be assumed by the new district which bears the same 22507  
ratio to the entire net indebtedness of the former district as the 22508

assessed valuation of the part taken by the new district bears to 22509  
the entire assessed valuation of the former district as fixed on 22510  
the effective date of transfer. As used in this section, "net 22511  
indebtedness" means the difference between the par value of the 22512  
outstanding and unpaid bonds and notes of the school district and 22513  
the amount held in the sinking fund and other indebtedness 22514  
retirement funds for their redemption. Upon the creation of such 22515  
district, the funds of each former district becoming in its 22516  
entirety a part of the new district shall be paid over in full to 22517  
the new district. Upon the creation of such district, the funds of 22518  
each former district becoming only in part a part of the new 22519  
district shall be divided equitably by the ~~governing~~ state board 22520  
between the new district and that part of the former district not 22521  
included in the new district as such funds existed on the 22522  
effective date of the creation of the new district. 22523

The ~~governing~~ state board shall, following the election, file 22524  
with the county auditor of each county affected by the creation of 22525  
a new district an accurate map showing the boundaries of such 22526  
newly created district. 22527

When a new local school district is so created ~~within an~~ 22528  
~~educational service center~~, a board of education for such newly 22529  
created district shall be appointed by the ~~educational service~~ 22530  
~~center governing~~ state board. The members of such appointed board 22531  
of education shall hold their office until their successors are 22532  
elected and qualified. A board of education shall be elected for 22533  
such newly created district at the next general election held in 22534  
an odd numbered year occurring more than thirty days after the 22535  
appointment of the board of education of such newly created 22536  
district. At such election two members shall be elected for a term 22537  
of two years and three members shall be elected for a term of four 22538  
years, and, thereafter, their successors shall be elected in the 22539  
same manner and for the same terms as members of the board of 22540

education of a local school district. 22541

When the new district consists of territory lying in two or 22542  
more counties, the state board shall determine to which 22543  
educational service center the new district shall be assigned. 22544

The legal title of all property of the board of education in 22545  
the territory taken shall become vested in the board of education 22546  
of the newly created school district. 22547

Foundation program moneys accruing to a district created 22548  
under the provisions of this section or previous section 3311.26 22549  
of the Revised Code, shall not be less, in any year during the 22550  
next succeeding three years following the creation, than the sum 22551  
of the amounts received by the districts separately in the year in 22552  
which the creation of the district became effective. 22553

If, prior to the effective date of this amendment, a local 22554  
school district board of education or a group of individuals 22555  
requests the governing board of an educational service center to 22556  
consider proposing the creation of a new local school district, 22557  
the governing board, at any time during the one-year period 22558  
following the date that request is made, may adopt a resolution 22559  
proposing the creation of a new local school district in response 22560  
to that request and in accordance with the first paragraph of the 22561  
version of this section in effect prior to the effective date of 22562  
this amendment. If the governing board so proposes within that 22563  
one-year period, the governing board may proceed to create the new 22564  
local school district as it proposed, in accordance with the 22565  
version of this section in effect prior to the effective date of 22566  
this amendment, subject to the provisions of that version 22567  
authorizing a petition and referendum on the matter. 22568

Consolidations of school districts which include all of the 22569  
schools of a county and which become effective on or after July 1, 22570  
1959, shall be governed and included under this section. 22571

Sec. 3313.41. (A) Except as provided in divisions (C), (D), 22572  
(F), and (G) of this section, when a board of education decides to 22573  
dispose of real or personal property that it owns in its corporate 22574  
capacity, and that exceeds in value ten thousand dollars, it shall 22575  
sell the property at public auction, after giving at least thirty 22576  
days' notice of the auction by publication in a newspaper of 22577  
general circulation or by posting notices in five of the most 22578  
public places in the school district in which the property, if it 22579  
is real property, is situated, or, if it is personal property, in 22580  
the school district of the board of education that owns the 22581  
property. The board may offer real property for sale as an entire 22582  
tract or in parcels. 22583

(B) When the board of education has offered real or personal 22584  
property for sale at public auction at least once pursuant to 22585  
division (A) of this section, and the property has not been sold, 22586  
the board may sell it at a private sale. Regardless of how it was 22587  
offered at public auction, at a private sale, the board shall, as 22588  
it considers best, sell real property as an entire tract or in 22589  
parcels, and personal property in a single lot or in several lots. 22590

(C) If a board of education decides to dispose of real or 22591  
personal property that it owns in its corporate capacity and that 22592  
exceeds in value ten thousand dollars, it may sell the property to 22593  
the adjutant general; to any subdivision or taxing authority as 22594  
respectively defined in divisions (A) and (C) of section 5705.01 22595  
of the Revised Code, township park district, board of park 22596  
commissioners established under Chapter 755. of the Revised Code, 22597  
or park district established under Chapter 1545. of the Revised 22598  
Code; to a wholly or partially tax-supported university, 22599  
university branch, or college; or to the board of trustees of a 22600  
school district library, upon such terms as are agreed upon. The 22601  
sale of real or personal property to the board of trustees of a 22602

school district library is limited, in the case of real property, 22603  
to a school district library within whose boundaries the real 22604  
property is situated, or, in the case of personal property, to a 22605  
school district library whose boundaries lie in whole or in part 22606  
within the school district of the selling board of education. 22607

(D) When a board of education decides to trade as a part or 22608  
an entire consideration, an item of personal property on the 22609  
purchase price of an item of similar personal property, it may 22610  
trade the same upon such terms as are agreed upon by the parties 22611  
to the trade. 22612

(E) The president and the treasurer of the board of education 22613  
shall execute and deliver deeds or other necessary instruments of 22614  
conveyance to complete any sale or trade under this section. 22615

(F) When a board of education has identified a parcel of real 22616  
property that it determines is needed for school purposes, the 22617  
board may, upon a majority vote of the members of the board, 22618  
acquire that property by exchanging real property that the board 22619  
owns in its corporate capacity for the identified real property or 22620  
by using real property that the board owns in its corporate 22621  
capacity as part or an entire consideration for the purchase price 22622  
of the identified real property. Any exchange or acquisition made 22623  
pursuant to this division shall be made by a conveyance executed 22624  
by the president and the treasurer of the board. 22625

(G)(1) When a school district board of education decides to 22626  
dispose of real property suitable for use as classroom space, 22627  
prior to disposing of such property under division (A) through (F) 22628  
of this section, it shall first offer that property for sale to 22629  
the governing authorities of the start-up community schools, 22630  
established under Chapter 3314. of the Revised Code and located 22631  
within the territory of the school district, at a price that is 22632  
not higher than the appraised fair market value of that property. 22633  
If more than one community school governing authority accepts the 22634

offer made by the school district board, the board shall sell the 22635  
property to the governing authority that accepted the offer first 22636  
in time. If no community school governing authority accepts the 22637  
offer within sixty days after the offer is made by the school 22638  
district board, the board may dispose of the property in the 22639  
applicable manner prescribed under divisions (A) to (F) of this 22640  
section. 22641

(2) If disposal of real property is planned as a part of a 22642  
school district project under Chapter 3318. of the Revised Code, 22643  
the Ohio school facilities commission shall not release any state 22644  
funds to a school district until the district has complied with 22645  
the provisions of division (G)(1) of this section, except for 22646  
funds specified for demolition of a facility to clear a site for 22647  
construction of a replacement facility included in the district's 22648  
project. 22649

**Sec. 3313.843.** (A) Notwithstanding division (D) of section 22650

this section. 22660

(B) The board of education of a city or exempted village 22661  
school district and the governing board of an educational service 22662  
center with territory in a county in which the city or exempted 22663

section involving a city school district whose total student count 22688  
was less than thirteen thousand, the service center may continue 22689  
to receive funding under that division for such an agreement in 22690  
any subsequent year if the city district's total student count 22691

that payment from the amount calculated for payment to the 23848  
community school under section 3314.08 of the Revised Code. 23849

**Sec. 3314.17.** (A) Each community school established under 23850  
this chapter shall participate in the statewide education 23851  
management information system established under section 3301.0714 23852

methods and timelines differ from those prescribed for school 23860  
districts. Any methods and timelines prescribed for community 23861  
schools shall be appropriate to the academic schedule and 23862

the Revised Code is responsible for annually reporting the 23866  
community school's data under section 3301.0714 of the Revised 23867  
Code. If the superintendent of public instruction determines that 23868  
a community school fiscal officer has willfully failed to report 23869

one hundred dollars on the fiscal officer after providing the 23874  
officer with notice and an opportunity for a hearing in accordance 23875  
with Chapter 119. of the Revised Code. The superintendent's 23876  
authority to impose civil penalties under this division does not 23877  
preclude the state board of education from suspending or revoking 23878  
the license of a community school employee under division (N) of 23879  
section 3301.0714 of the Revised Code. 23880

**Sec. 3316.031.** (A) The state superintendent of public 23885  
instruction, in consultation with the auditor of state, shall 23886  
develop guidelines for identifying fiscal practices and budgetary 23887  
conditions that, if uncorrected, could result in a future 23888  
declaration of a fiscal watch or fiscal emergency within a school 23889  
district. 23890

The guidelines shall not include a requirement that a school 23891  
district submit financial statements according to generally 23892  
accepted accounting principles. 23893

(B)(1) If the state superintendent determines from a school 23894  
district's five-year forecast submitted under section 5705.391 of 23895  
the Revised Code that a district is engaging in any of those 23896  
practices or that any of those conditions exist within the 23897  
district, after consulting with the district board of education 23898  
concerning the practices or conditions, the state superintendent 23899  
may declare the district to be under a fiscal caution. 23900

(2) If the auditor of state finds that a district is engaging 23901

in any of those practices or that any of those conditions exist 23902  
within the district, the auditor of state shall report that 23903  
finding to the state superintendent and, after consulting with the 23904  
district board of education concerning the practices or 23905  
conditions, the state superintendent may declare the district to 23906  
be under a fiscal caution. 23907

(3) Unless the auditor of state has elected to declare a 23908  
state of fiscal watch under division (A)(4) of section 3316.03 of 23909  
the Revised Code, the state superintendent shall declare a school 23910  
district to be under a fiscal caution if the conditions described 23911  
in divisions (A)(4)(a) and (b) of that section are both satisfied 23912  
with respect to the school district. 23913

(C) When the state superintendent declares a district to be 23914  
under fiscal caution, the state superintendent shall promptly 23915  
notify the district board of education of that declaration and 23916  
shall request the board to provide written proposals for 23917  
discontinuing or correcting the fiscal practices or budgetary 23918  
conditions that prompted the declaration and for preventing the 23919  
district from experiencing further fiscal difficulties that could 23920  
result in the district being declared to be in a state of fiscal 23921  
watch or fiscal emergency. 23922

(D) The state superintendent, or a designee, may visit and 23923  
inspect any district that is declared to be under a fiscal 23924  
caution. The department of education shall provide technical 23925  
assistance to the district board in implementing proposals to 23926  
eliminate the practices or budgetary conditions that prompted the 23927  
declaration of fiscal caution and may make recommendations 23928  
concerning the board's proposals. 23929

(E) If the state superintendent finds that a school district 23930  
declared to be under a fiscal caution has not made reasonable 23931  
proposals or otherwise taken action to discontinue or correct the 23932  
fiscal practices or budgetary conditions that prompted the 23933

declaration of fiscal caution, and if the state superintendent 23934  
considers it necessary to prevent further fiscal decline, the 23935  
state superintendent may determine that the district should be in 23936  
a state of fiscal watch. As provided in division (A)(3) of section 23937  
3316.03 of the Revised Code, the auditor of state shall declare 23938  
the district to be in a state of fiscal watch if the auditor of 23939  
state finds the superintendent's determination to be reasonable. 23940

**Sec. 3316.08.** During a school district's fiscal emergency 23941  
period, the auditor of state shall determine annually, or at any 23942  
other time upon request of the financial planning and supervision 23943  
commission, whether the school district will incur an operating 23944  
deficit. If the auditor of state determines that a school district 23945  
will incur an operating deficit, the auditor of state shall 23946  
certify that determination to the superintendent of public 23947  
instruction, the financial planning and supervision commission, 23948  
and the board of education of the school district. Upon receiving 23949

Revised Code. ~~Except~~ 23958

The board of education shall recommend to the commission 23959  
whether the board supports or opposes a tax levy under section 23960  
5705.194 or 5705.21 or Chapter 5748. of the Revised Code and shall 23961  
provide supporting documentation to the commission of its 23962  
recommendation. 23963

After considering the board of education's recommendation and 23964

supporting documentation, the commission shall adopt a resolution 23965  
to either submit a ballot question proposing a tax levy or not to 23966  
submit such a question. 23967

Except as otherwise provided in this division, the tax shall 23968  
be levied in the manner prescribed for a tax levied under section 23969  
5705.194 or 5705.21 or under Chapter 5748. of the Revised Code. 23970

the board of education, shall determine the election at which the 23985  
question of the tax shall appear on the ballot, and the ~~board of~~ 23986

**Sec. 3317.012.** (A)(1) The general assembly, having analyzed 23993  
school district expenditure and cost data for fiscal year 1999, 23994  
performed the calculation described in division (B) of this 23995  
section, adjusted the results for inflation, and added the amounts 23996

described in division (A)(2) of this section, hereby determines 23997  
that the base cost of an adequate education per pupil for the 23998  
fiscal year beginning July 1, 2001, is \$4,814. For the ~~five~~ three 23999  
following fiscal years, the base cost per pupil for each of those 24000  
years, reflecting an annual rate of inflation of two and 24001  
eight-tenths per cent, is \$4,949 for fiscal year 2003, \$5,088 for 24002  
fiscal year 2004, and \$5,230 for fiscal year 2005, ~~\$5,376 for~~ 24003  
~~fiscal year 2006, and \$5,527 for fiscal year 2007.~~ 24004

(2) The base cost per pupil amounts specified in division 24005  
(A)(1) of this section include amounts to reflect the cost to 24006  
school districts of increasing the minimum number of high school 24007  
academic units required for graduation beginning September 15, 24008  
2001, under section 3313.603 of the Revised Code. Analysis of 24009  
fiscal year 1999 data revealed that the school districts meeting 24010  
the requirements of division (B) of this section on average 24011  
required high school students to complete a minimum of nineteen 24012  
and eight-tenths units to graduate. The general assembly 24013  
determines that the cost of funding the additional two-tenths unit 24014  
required by section 3313.603 of the Revised Code is \$12 per pupil 24015  
in fiscal year 2002. This amount was added after the calculation 24016  
described in division (B) of this section and the adjustment for 24017  
inflation from fiscal year 1999 to fiscal year 2002. It is this 24018  
total amount, the calculated base cost plus the supplement to pay 24019  
for the additional partial unit, that constitutes the base cost 24020  
amount specified in division (A)(1) of this section for fiscal 24021  
year 2002 and that is inflated to produce the base cost amounts 24022  
for fiscal years 2003 through ~~2007~~ 2005. 24023

(B) In determining the base cost stated in division (A) of 24024  
this section, capital and debt costs, costs paid for by federal 24025  
funds, and costs covered by funds provided for disadvantaged pupil 24026  
impact aid and transportation were excluded, as were the effects 24027  
on the districts' state funds of the application of the 24028

cost-of-doing-business factors, assuming a seven and one-half per cent variance. 24029  
24030

The base cost for fiscal year 1999 was calculated as the unweighted average cost per student, on a school district basis, of educating students who were not receiving vocational education or services pursuant to Chapter 3323. of the Revised Code and who were enrolled in a city, exempted village, or local school district that in fiscal year 1999 met all of the following criteria: 24031

(aa) An attendance rate for the year of at least ninety-three per cent as defined in section 3302.01 of the Revised Code.	24116 24117
In determining whether a school district met any of the	24118

performance standards specified in divisions (B)(1)(a) to (aa) of 24119  
this section, the general assembly used a rounding procedure 24120  
previously recommended by the department of education. It is the 24121  
same rounding procedure the general assembly used in 1998 to 24122  
determine whether a district had met the standards of former 24123  
divisions (B)(1)(a) to (r) of this section for purposes of 24124  
constructing the previous model based on fiscal year 1996 data. 24125

(2) The district was not among the five per cent of all 24126  
districts with the highest income, nor among the five per cent of 24127  
all districts with the lowest income. 24128

(3) The district was not among the five per cent of all 24129  
districts with the highest valuation per pupil, nor among the five 24130  
per cent of all districts with the lowest valuation per pupil. 24131

This model for calculating the base cost of an adequate 24132  
education is expenditure-based. The general assembly recognizes 24133  
that increases in state funding to school districts since fiscal 24134  
year 1996, the fiscal year upon which the general assembly based 24135  
its model for calculating state funding to school districts for 24136  
fiscal years 1999 through 2001, has increased school district base 24137  
cost expenditures for fiscal year 1999, the fiscal year upon which 24138  
the general assembly based its model for calculating state funding 24139  
for fiscal years 2002 through ~~2007~~ 2005. In the case of school 24140  
districts included in the fiscal year 1999 model that also had met 24141  
the fiscal year 1996 performance criteria of former division 24142  
(B)(1) of this section, the increased state funding may have 24143  
driven the districts' expenditures beyond the expenditures that 24144  
were actually needed to maintain their educational programs at the 24145  
level necessary to maintain their ability to meet the fiscal year 24146  
1999 performance criteria of current division (B)(1) of this 24147  
section. The general assembly has determined to control for this 24148  
effect by stipulating in the later model that the fiscal year 1999 24149  
base cost expenditures of the districts that also met the 24150

performance criteria of former division (B)(1) of this section 24151  
equals their base cost expenditures per pupil for fiscal year 24152  
1996, inflated to fiscal year 1999 using an annual rate of 24153  
inflation of two and eight-tenths per cent. However, if this 24154  
inflated amount exceeded the district's actual fiscal year 1999 24155  
base cost expenditures per pupil, the district's actual fiscal 24156  
year 1999 base cost expenditures per pupil were used in the 24157  
calculation. For districts in the 1999 model that did not also 24158  
meet the performance criteria of former division (B)(1) of this 24159  
section, the actual 1999 base cost per pupil expenditures were 24160  
used in the calculation of the average district per pupil costs of 24161  
the model districts. 24162

~~(C) In July of 2005, and in July of every six years 24163  
thereafter, the speaker of the house of representatives and the 24164  
president of the senate shall each appoint three members to a 24165  
committee to reexamine the cost of an adequate education. No more 24166  
than two members from any political party shall represent each 24167  
house. The director of budget and management and the 24168  
superintendent of public instruction shall serve as nonvoting ex 24169  
officio members of the committee. 24170~~

~~The committee shall select a rational methodology for 24171  
calculating the costs of an adequate education system for the 24172  
ensuing six year period, and shall report the methodology and the 24173  
resulting costs to the general assembly. In performing its 24174  
function, the committee is not bound by any method used by 24175  
previous general assemblies to examine and calculate costs and 24176  
instead may utilize any rational method it deems suitable and 24177  
reasonable given the educational needs and requirements of the 24178  
state at that time. 24179~~

~~The methodology for determining the cost of an adequate 24180  
education system shall take into account the basic educational 24181  
costs that all districts incur in educating regular students, the 24182~~

special conditions encountered by certain classifications of  
school districts.~~ 24183  
24184  
24185

~~The committee also shall redetermine, for purposes of  
updating the parity aid calculation under section 3317.0217 of the  
Revised Code, the average number of effective operating mills that  
school districts in the seventieth to ninetieth percentiles of  
valuations per pupil collect above the revenues required to

~~(D)(1) For purposes of this division, an "update year" is the  
first fiscal year for which the per pupil base cost of an adequate

cost of an adequate education every six years after considering  
the recommendations of the committee appointed under division (C)  
of this section. At the time of the recalculation, for each of the  
five fiscal years following the update year, the general assembly  
shall adjust the base cost recalculated for the update year using

determination of the total state share percentage of base cost and parity aid funding for the update year. 24214  
24215

~~(4) During its biennial budget deliberations, the general assembly shall determine the total state share percentage of base cost and parity aid funding for each fiscal year of the upcoming biennium. This determination shall be based on the latest projections and data provided by the department of education under division (D)(6) of this section prior to the enactment of education appropriations for the upcoming biennium. If, based on those latest projections and data, the general assembly determines that the total state share percentage for either or both nonupdate fiscal years varies more than two and one half percentage points more or less than the total state share percentage for the most recent update year, as previously stated by the general assembly under division (D)(3) of this section, the general assembly shall determine and enact a method that it considers appropriate to restrict the estimated variance for each year to within two and one half percentage points. The general assembly's methods may include, but are not required to include and need not be limited to, reexamining the rate of millage charged off as the local share of base cost funding under divisions (A)(1) and (2) of section 3317.022 of the Revised Code. Regardless of any changes in charge off millage rates in years between update years, however, the charge off millage rate for update years shall be twenty three mills, unless the general assembly determines that a different millage rate is more appropriate to share the total calculated base cost between the state and school districts.~~ 24216

Analysis of special education cost data has resulted in a 24282  
finding that the average special education additional cost per 24283  
pupil, including the costs of related services, can be expressed 24284  
as a multiple of the base cost per pupil calculated under section 24285  
3317.012 of the Revised Code. The multiples for the following 24286  
categories of special education programs, as these programs are 24287  
defined for purposes of Chapter 3323. of the Revised Code, and 24288  
adjusted as provided in this section, are as follows: 24289

(A) A multiple of 0.2892 for students whose primary or only 24290  
identified handicap is a speech and language handicap, as this 24291  
term is defined pursuant to Chapter 3323. of the Revised Code; 24292

(B) A multiple of 0.3691 for students identified as specific 24293  
learning disabled or developmentally handicapped, as these terms 24294  
are defined pursuant to Chapter 3323. of the Revised Code, or 24295  
other health handicapped-minor; 24296

(C) A multiple of 1.7695 for students identified as hearing 24297  
handicapped, vision impaired, or severe behavior handicapped, as 24298  
these terms are defined pursuant to Chapter 3323. of the Revised 24299

(D) A multiple of 2.3646 for students identified as 24301  
orthopedically handicapped, as this term is defined pursuant to 24302  
Chapter 3323. of the Revised Code or other health handicapped - 24303

(F) A multiple of 4.7342 for students identified as autistic, 24308  
having traumatic brain injuries, or as both visually and hearing 24309  
disabled, as these terms are defined pursuant to Chapter 3323. of 24310  
the Revised Code. 24311

In fiscal year ~~2002~~ 2004, the multiples specified in 24312  
divisions (A) to (F) of this section shall be adjusted by 24313  
multiplying them by ~~0.825~~ 0.88. In fiscal year ~~2003~~ 2005, the 24314  
multiples specified in those divisions shall be adjusted by 24315  
multiplying them by ~~0.875~~ 0.90. 24316

Not later than May 30, 2004, and May 30, 2005, the department 24317  
shall submit to the office of budget and management a report that 24318  
specifies for each city, local, exempted village, and joint 24319  
vocational school district the fiscal year allocation of the state 24320  
and local shares of special education and related services 24321  
additional weighted funding and federal special education funds 24322

**Sec. 3317.014.** The average vocational education additional 24324  
cost per pupil can be expressed as a multiple of the base cost per 24325  
pupil calculated under section 3317.012 of the Revised Code. the 24326  
multiples for the following categories of vocational education 24327  
programs are as follows: 24328

(A) A multiple of 0.57 for students enrolled in vocational 24329  
education job-training and workforce development programs approved 24330  
by the department of education in accordance with rules adopted 24331  
under section 3313.90 of the Revised Code. 24332

(B) A multiple of 0.28 for students enrolled in vocational 24333  
education classes other than job-training and workforce 24334  
development programs. 24335

Vocational education associated services costs can be 24336

expressed as a multiple of 0.05 of the base cost per pupil 24337  
calculated under section 3317.012 of the Revised Code. 24338

The general assembly has adjusted the multiples specified in 24339  
this section for calculating payments beginning in fiscal year 24340  
2002 in recognition that its policy change regarding the 24341  
application of the cost-of-doing-business factor produces a higher 24342  
base cost amount than would exist if no change were made to its 24343  
application. The adjustment maintains the same weighted costs as 24344  
would exist if no change were made to the application of the 24345  
cost-of-doing-business factor. 24346

The department of education shall annually report to the 24347  
governor and the general assembly the amount of weighted funding 24348  
for vocational education and associated services that is spent by 24349  
each city, local, exempted village, and joint vocational school 24350  
district specifically for vocational educational and associated 24351  
services. 24352

**Sec. 3317.022.** (A)(1) The department of education shall 24353  
compute and distribute state base cost funding to each school 24354  
district for the fiscal year in accordance with the following 24355  
formula, making any adjustment required by division (A)(2) of this 24356  
section and using the information obtained under section 3317.021 24357  
of the Revised Code in the calendar year in which the fiscal year 24358  
begins. 24359

Compute the following for each eligible district: 24360

$\dagger(\text{cost-of-doing-business factor } X$  24361

the formula amount  $X$  ~~(the greater of formula ADM~~ 24362

~~or three-year average formula ADM)~~  $\dagger -$  24363

$(.023 \times \text{recognized valuation})$  24364

If the difference obtained is a negative number, the 24365  
district's computation shall be zero. 24366

(2)(a) For each school district for which the tax exempt value of the district equals or exceeds twenty-five per cent of the potential value of the district, the department of education shall calculate the difference between the district's tax exempt value and twenty-five per cent of the district's potential value. 24367  
24368  
24369  
24370  
24371

(b) For each school district to which division (A)(2)(a) of this section applies, the department shall adjust the recognized valuation used in the calculation under division (A)(1) of this section by subtracting from it the amount calculated under division (A)(2)(a) of this section. 24372  
24373  
24374  
24375  
24376

(B) As used in this section: 24377

(1) The "total special education weight" for a district means the sum of the following amounts: 24378  
24379

(a) The district's category one special education ADM multiplied by the multiple specified in division (A) of section 3317.013 of the Revised Code; 24380  
24381  
24382

(b) The district's category two special education ADM multiplied by the multiple specified in division (B) of section 3317.013 of the Revised Code; 24383

(2) "State share percentage" means the percentage calculated for a district as follows:	24398 24399
(a) Calculate the state base cost funding amount for the district for the fiscal year under division (A) of this section. If the district would not receive any state base cost funding for that year under that division, the district's state share percentage is zero.	24400 24401 24402 24403 24404
(b) If the district would receive state base cost funding under that division, divide that amount by an amount equal to the following:	24405 24406 24407
Cost-of-doing-business factor X	24408
the formula amount X <del>(the greater of formula</del>	24409

in accordance with their individualized education plans.	24431
(4) The "total vocational education weight" for a district	24432
means the sum of the following amounts:	24433
(a) The district's category one vocational education ADM	24434
multiplied by the multiple specified in division (A) of section	24435
3317.014 of the Revised Code;	24436
(b) The district's category two vocational education ADM	24437
multiplied by the multiple specified in division (B) of section	24438
3317.014 of the Revised Code.	24439
(C)(1) The department shall compute and distribute state	24440
special education and related services additional weighted costs	24441
funds to each school district in accordance with the following	24442
formula:	24443
The district's state share percentage	24444
X the formula amount for the year	24445
for which the aid is calculated	24446
X the district's total special education weight	24447
(2) The attributed local share of special education and	24448
related services additional weighted costs equals:	24449

the formula amount	24452
(3)(a) The department shall compute and pay in accordance	24453
with this division additional state aid to school districts for	24454
students in categories two through six special education ADM. If a	24455
district's costs for the fiscal year for a student in its	24456

categories two through six special education ADM exceed the 24457  
threshold catastrophic cost for serving the student, the district 24458  
may submit to the superintendent of public instruction 24459  
documentation, as prescribed by the superintendent, of all its 24460  
costs for that student. Upon submission of documentation for a 24461  
student of the type and in the manner prescribed, the department 24462  
shall pay to the district an amount equal to the sum of the 24463  
following: 24464

(i) One-half of the district's costs for the student in 24465  
excess of the threshold catastrophic cost; 24466

(ii) The product of one-half of the district's costs for the 24467  
student in excess of the threshold catastrophic cost multiplied by 24468  
the district's state share percentage. 24469

(b) For purposes of division (C)(3)(a) of this section, the 24470  
threshold catastrophic cost for serving a student equals: 24471

(i) For a student in the school district's category two, 24472  
three, four, or five special education ADM, twenty-five thousand 24473  
dollars in fiscal year 2002 and twenty-five thousand seven hundred 24474  
dollars in fiscal ~~year~~ years 2003, 2004, and 2005; 24475

(ii) For a student in the district's category six special 24476  
education ADM, thirty thousand dollars in fiscal year 2002 and 24477  
thirty thousand eight hundred forty dollars in fiscal ~~year~~ years 24478  
2003, 2004, and 2005. 24479

~~The threshold catastrophic costs for fiscal year 2003 24480  
represent a two and eight tenths per cent inflationary increase 24481  
over fiscal year 2002. 24482~~

(c) The district shall only report under division (C)(3)(a) 24483  
of this section, and the department shall only pay for, the costs 24484  
of educational expenses and the related services provided to the 24485  
student in accordance with the student's individualized education 24486  
program. Any legal fees, court costs, or other costs associated 24487

with any cause of action relating to the student may not be 24488  
included in the amount. 24489

~~(5)~~(4)(a) As used in this division, the "personnel allowance" 24490  
means thirty thousand dollars in fiscal years 2002 ~~and~~, 2003, 24491  
2004, and 2005. 24492

(b) For the provision of speech services to students, 24493  
including students who do not have individualized education 24494  
programs prepared for them under Chapter 3323. of the Revised 24495  
Code, and for no other purpose, the department of education shall 24496  
pay each school district an amount calculated under the following 24497  
formula: 24498

(formula ADM divided by 2000) X 24499

the personnel allowance X the state share percentage 24500

(5) In any fiscal year, a school district shall spend for 24501  
purposes that the department designates as approved for special 24502  
education and related services expenses at least the amount 24503  
calculated as follows: 24504

(cost-of-doing-business factor X 24505

formula amount X the sum of categories 24506

one through six special education ADM) + 24507

(total special education weight X formula amount) 24508

The purposes approved by the department for special education 24509  
expenses shall include, but shall not be limited to, 24510  
identification of handicapped children, compliance with state 24511  
rules governing the education of handicapped children and 24512  
prescribing the continuum of program options for handicapped 24513  
children, and the portion of the school district's overall 24514  
administrative and overhead costs that are attributable to the 24515  
district's special education student population. 24516

The department shall require school districts to report data 24517  
annually to allow for monitoring compliance with division (C)(5) 24518

of this section. The department shall annually report to the 24519  
governor and the general assembly the amount of money spent by 24520  
each school district for special education and related services. 24521

(D)(1) As used in this division: 24522

(a) "Daily bus miles per student" equals the number of bus 24523  
miles traveled per day, divided by transportation base. 24524

(b) "Transportation base" equals total student count as 24525  
defined in section 3301.011 of the Revised Code, minus the number 24526  
of students enrolled in preschool handicapped units, plus the 24527  
number of nonpublic school students included in transportation 24528  
ADM. 24529

(c) "Transported student percentage" equals transportation 24530  
ADM divided by transportation base. 24531

(d) "Transportation cost per student" equals total operating 24532  
costs for board-owned or contractor-operated school buses divided 24533  
by transportation base. 24534

(2) Analysis of student transportation cost data has resulted 24535  
in a finding that an average efficient transportation use cost per 24536  
student can be calculated by means of a regression formula that 24537  
has as its two independent variables the number of daily bus miles 24538  
per student and the transported student percentage. For fiscal 24539  
year 1998 transportation cost data, the average efficient 24540  
transportation use cost per student is expressed as follows: 24541

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + 24542$$
$$(116.25573 \times \text{transported student percentage}) 24543$$

The department of education shall annually determine the 24544  
average efficient transportation use cost per student in 24545  
accordance with the principles stated in division (D)(2) of this 24546  
section, updating the intercept and regression coefficients of the 24547  
regression formula modeled in this division, based on an annual 24548  
statewide analysis of each school district's daily bus miles per 24549

student, transported student percentage, and transportation cost 24550  
per student data. The department shall conduct the annual update 24551  
using data, including daily bus miles per student, transported 24552  
student percentage, and transportation cost per student data, from 24553  
the prior fiscal year. The department shall notify the office of 24554  
budget and management of such update by the fifteenth day of 24555  
February of each year. 24556

(3) In addition to funds paid under divisions (A), (C), and 24557  
(E) of this section, each district with a transported student 24558  
percentage greater than zero shall receive a payment equal to a 24559  
percentage of the product of the district's transportation base 24560  
from the prior fiscal year times the annually updated average 24561  
efficient transportation use cost per student, times an inflation 24562  
factor of two and eight tenths per cent to account for the 24563  
one-year difference between the data used in updating the formula 24564  
and calculating the payment and the year in which the payment is 24565  
made. The percentage shall be the following percentage of that 24566  
product specified for the corresponding fiscal year: 24567

FISCAL YEAR	PERCENTAGE	
2000	52.5%	24568
2001	55%	24569
2002	57.5%	24570
2003 and thereafter	The greater of 60% or the district's state share percentage	24571 24572

The payments made under division (D)(3) of this section each 24573  
year shall be calculated based on all of the same prior year's 24574  
data used to update the formula. 24575

(4) In addition to funds paid under divisions (D)(2) and (3) 24576  
of this section, a school district shall receive a rough road 24577  
subsidy if both of the following apply: 24578

(a) Its county rough road percentage is higher than the 24579

statewide rough road percentage, as those terms are defined in 24580  
division (D)(5) of this section; 24581

(b) Its district student density is lower than the statewide 24582  
student density, as those terms are defined in that division. 24583

(5) The rough road subsidy paid to each district meeting the 24584  
qualifications of division (D)(4) of this section shall be 24585  
calculated in accordance with the following formula: 24586

(per rough mile subsidy X total rough road miles) X 24587  
density multiplier 24588

where: 24589

(a) "Per rough mile subsidy" equals the amount calculated in 24590  
accordance with the following formula: 24591

0.75 - {0.75 X [(maximum rough road percentage - 24592  
24593

county rough road percentage)/(maximum rough road percentage - 24594  
statewide rough road percentage)]} 24595

(i) "Maximum rough road percentage" means the highest county 24596  
rough road percentage in the state. 24597

(ii) "County rough road percentage" equals the percentage of 24598  
the mileage of state, municipal, county, and township roads that 24599  
is rated by the department of transportation as type A, B, C, E2, 24600  
or F in the county in which the school district is located or, if 24601  
the district is located in more than one county, the county to 24602  
which it is assigned for purposes of determining its 24603  
cost-of-doing-business factor. 24604

(iii) "Statewide rough road percentage" means the percentage 24605  
of the statewide total mileage of state, municipal, county, and 24606  
township roads that is rated as type A, B, C, E2, or F by the 24607  
department of transportation. 24608

(b) "Total rough road miles" means a school district's total 24609

bus miles traveled in one year times its county rough road percentage. 24610  
24611

(c) "Density multiplier" means a figure calculated in accordance with the following formula: 24612  
24613

1 - [(minimum student density - district student density)/(minimum student density - statewide student density)] 24614  
24615  
24616

(i) "Minimum student density" means the lowest district student density in the state. 24617  
24618

(ii) "District student density" means a school district's transportation base divided by the number of square miles in the district. 24619  
24620  
24621

(iii) "Statewide student density" means the sum of the transportation bases for all school districts divided by the sum of the square miles in all school districts. 24622  
24623  
24624

(6) In addition to funds paid under divisions (D)(2) to (5) of this section, each district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than board-owned or contractor-operated buses and whose transportation is not funded under division (J) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students. 24625  
24626  
24627  
24628  
24629  
24630  
24631  
24632

(E)(1) The department shall compute and distribute state vocational education additional weighted costs funds to each school district in accordance with the following formula: 24633  
24634  
24635

state share percentage X 24636  
the formula amount X 24637  
total vocational education weight 24638

In any fiscal year, a school district receiving funds under division (E)(1) of this section shall spend those funds only for 24639  
24640

the purposes that the department designates as approved for 24641  
vocational education expenses. Vocational educational expenses 24642  
approved by the department shall include only expenses connected 24643  
to the delivery of career-technical programming to 24644  
career-technical students. The department shall require the school 24645  
district to report data annually so that the department may 24646  
monitor the district's compliance with the requirements regarding 24647  
the manner in which funding received under division (E)(1) of this 24648  
section may be spent. 24649

(2) The department shall compute for each school district 24650  
state funds for vocational education associated services in 24651  
accordance with the following formula: 24652

state share percentage X .05 X 24653

the formula amount X the sum of categories one and two 24654

vocational education ADM 24655

In any fiscal year, a school district receiving funds under 24656  
division (E)(2) of this section, or through a transfer of funds 24657  
pursuant to division (L) of section 3317.023 of the Revised Code, 24658  
shall spend those funds only for the purposes that the department 24659  
designates as approved for vocational education associated 24660  
services expenses, which may include such purposes as 24661  
apprenticeship coordinators, coordinators for other vocational 24662  
education services, vocational evaluation, and other purposes 24663  
designated by the department. The department may deny payment 24664  
under division (E)(2) of this section to any district that the 24665  
department determines is not operating those services or is using 24666  
funds paid under division (E)(2) of this section, or through a 24667  
transfer of funds pursuant to division (L) of section 3317.023 of 24668  
the Revised Code, for other purposes. 24669

(F) Beginning in fiscal year 2003, the actual local share in 24670  
any fiscal year for the combination of special education and 24671  
related services additional weighted costs funding calculated 24672

under division (C)(1) of this section, transportation funding 24673  
calculated under divisions (D)(2) and (3) of this section, and 24674  
vocational education and associated services additional weighted 24675  
costs funding calculated under divisions (E)(1) and (2) of this 24676  
section shall not exceed for any school district the product of 24677  
three mills times the district's recognized valuation. Beginning 24678  
in fiscal year 2003, the department annually shall pay each school 24679  
district as an excess cost supplement any amount by which the sum 24680  
of the district's attributed local shares for that funding exceeds 24681  
that product. For purposes of calculating the excess cost 24682  
supplement: 24683

(1) The attributed local share for special education and 24684  
related services additional weighted costs funding is the amount 24685  
specified in division (C)(2) of this section. 24686

(2) The attributed local share of transportation funding 24687  
equals the difference of the total amount calculated for the 24688  
district using the formula developed under division (D)(2) of this 24689  
section minus the actual amount paid to the district after 24690  
applying the percentage specified in division (D)(3) of this 24691  
section. 24692

(3) The attributed local share of vocational education and 24693  
associated services additional weighted costs funding is the 24694  
amount determined as follows: 24695

(1 - state share percentage) X 24696  
[(total vocational education weight X the formula amount) + 24697  
the payment under division (E)(2) of this section] 24698

**Sec. 3317.023.** (A) Notwithstanding section 3317.022 of the 24699  
Revised Code, the amounts required to be paid to a district under 24700  
this chapter shall be adjusted by the amount of the computations 24701  
made under divisions (B) to ~~(L)~~(M) of this section. 24702

As used in this section: 24703

provides direct instruction to pupils, excluding teachers funded 24705  
from money paid to the district from federal sources; educational 24706  
service personnel; and vocational and special education teachers. 24707

(2) "Educational service personnel" shall not include such 24708  
specialists funded from money paid to the district from federal 24709

in the eight specialist areas in a pattern approved by the 24712  
department of education under guidelines established by the state 24713  
board of education. 24714

(3) "Annual salary" means the annual base salary stated in 24715  
the state minimum salary schedule for the performance of the 24716  
teacher's regular teaching duties that the teacher earns for 24717  
services rendered for the first full week of October of the fiscal 24718  
year for which the adjustment is made under division (C) of this 24719  
section. It shall not include any salary payments for supplemental 24720  
teachers contracts. 24721

(4) "Regular student population" means the formula ADM plus 24722  
the number of students reported as enrolled in the district 24723  
pursuant to division (A)(1) of section 3313.981 of the Revised 24724  
Code; minus the number of students reported under division (A)(2) 24725  
of section 3317.03 of the Revised Code; minus the FTE of students 24726  
reported under division (B)~~(5)~~, (6), (7), (8), (9), (10), (11), or 24727  
(12) of that section who are enrolled in a vocational education 24728  
class or receiving special education; and minus ~~one-fourth~~ ten per  
cent of the students enrolled concurrently in a joint vocational 24729  
school district. 24730  
24731

district-wide percentage of students receiving family assistance.	25103

(c) If, in any fiscal year, the information provided by the department of job and family services under section 3317.10 of the Revised Code is insufficient to determine the Ohio works first or family assistance percentage in each building, "buildings with the highest concentration of need" has the meaning given in rules that the department of education shall adopt. The rules shall base the definition of "buildings with the highest concentration of need" on family income of students in grades kindergarten through three in a manner that, to the extent possible with available data, approximates the intent of this division and division (G) of this section to designate buildings where the Ohio works first or family assistance percentage in those grades equals or exceeds the district-wide Ohio works first or family assistance percentage.

(B) In addition to the amounts required to be paid to a school district under section 3317.022 of the Revised Code, a school district shall receive the greater of the amount the district received in fiscal year 1998 pursuant to division (B) of section 3317.023 of the Revised Code as it existed at that time or the sum of the computations made under divisions (C) to (E) of this section.

(C) A supplemental payment that may be utilized for measures related to safety and security and for remediation or similar programs, calculated as follows:

(1) If the DPIA index of the school district is greater than or equal to thirty-five-hundredths, but less than one, an amount obtained by multiplying the district's DPIA student count by two hundred thirty dollars;

(2) If the DPIA index of the school district is greater than or equal to one, an amount obtained by multiplying the DPIA index by two hundred thirty dollars and multiplying that product by the district's DPIA student count.

Except as otherwise provided in division (F) of this section, 25135  
beginning with the school year that starts July 1, 2002, each 25136  
school district annually shall use at least twenty per cent of the 25137  
funds calculated for the district under this division for 25138  
intervention services required by section 3313.608 of the Revised 25139  
Code. 25140

(D) A payment for all-day kindergarten if the DPIA index of 25141  
the school district is greater than or equal to one or if the 25142  
district's three-year average formula ADM exceeded seventeen 25143  
thousand five hundred, calculated by multiplying the all-day 25144  
kindergarten percentage by the kindergarten ADM and multiplying 25145  
that product by the formula amount. 25146

(E) A class-size reduction payment based on calculating the 25147  
number of new teachers necessary to achieve a lower 25148  
student-teacher ratio, as follows: 25149

(1) Determine or calculate a formula number of teachers per 25150  
one thousand students based on the DPIA index of the school 25151  
district as follows: 25152

(a) If the DPIA index of the school district is less than 25153  
six-tenths, the formula number of teachers is 43.478, which is the 25154  
number of teachers per one thousand students at a student-teacher 25155  
ratio of twenty-three to one; 25156

(b) If the DPIA index of the school district is greater than 25157  
or equal to six-tenths, but less than two and one-half, the 25158  
formula number of teachers is calculated as follows: 25159

$$43.478 + \{[(\text{DPIA index} - 0.6) / 1.9] \times 23.188\} \quad 25160$$

Where 43.478 is the number of teachers per one thousand 25161  
students at a student-teacher ratio of twenty-three to one; 1.9 is 25162  
the interval from a DPIA index of six-tenths to a DPIA index of 25163  
two and one-half; and 23.188 is the difference in the number of 25164  
teachers per one thousand students at a student-teacher ratio of 25165

fifteen to one and the number of teachers per one thousand students at a student-teacher ratio of twenty-three to one. 25166  
25167

(c) If the DPIA index of the school district is greater than or equal to two and one-half, the formula number of teachers is 66.667, which is the number of teachers per one thousand students at a student-teacher ratio of fifteen to one. 25168  
25169  
25170  
25171

(2) Multiply the formula number of teachers determined or calculated in division (E)(1) of this section by the kindergarten through third grade ADM for the district and divide that product by one thousand; 25172  
25173  
25174  
25175

(3) Calculate the number of new teachers as follows: 25176

(a) Multiply the kindergarten through third grade ADM by 43.478, which is the number of teachers per one thousand students at a student-teacher ratio of twenty-three to one, and divide that product by one thousand; 25177  
25178  
25179  
25180

(b) Subtract the quotient obtained in division (E)(3)(a) of this section from the product in division (E)(2) of this section. 25181  
25182

(4) Multiply the greater of the difference obtained under division (E)(3) of this section or zero by the statewide average teachers salary. 25183  
25184  
25185

(F) This division applies only to school districts whose DPIA index is one or greater. 25186  
25187

(1) Each school district subject to this division shall first utilize funds received under this section so that, when combined with other funds of the district, sufficient funds exist to provide all-day kindergarten to at least the number of children in the district's all-day kindergarten percentage. 25188  
25189  
25190  
25191  
25192

(2) Up to an amount equal to the district's DPIA index multiplied by its DPIA student count multiplied by two hundred thirty dollars of the money distributed under this section may be 25193  
25194  
25195

utilized for one or both of the following:	25196
(a) Programs designed to ensure that schools are free of	25197
drugs and violence and have a disciplined environment conducive to	25198
learning;	25199
(b) Remediation for students who have failed or are in danger	25200
of failing any of the tests administered pursuant to section	25201
3301.0710 of the Revised Code.	25202
Beginning with the school year that starts on July 1, 2002,	25203
each school district shall use at least twenty per cent of the	25204
funds set aside for the purposes of divisions (F)(2)(a) and (b) of	25205
this section to provide intervention services required by section	25206
3313.608 of the Revised Code.	25207
(3) Except as otherwise required by division (G) or permitted	25208
under division (K) of this section, all other funds distributed	25209
under this section to districts subject to this division shall be	25210
utilized for the purpose of the third grade guarantee. The third	25211
grade guarantee consists of increasing the amount of instructional	25212
attention received per pupil in kindergarten through third grade,	25213
either by reducing the ratio of students to instructional	25214
personnel or by increasing the amount of instruction and	25215
curriculum-related activities by extending the length of the	25216
school day or the school year.	25217
School districts may implement a reduction of the ratio of	25218
students to instructional personnel through any or all of the	25219
following methods:	25220
(a) Reducing the number of students in a classroom taught by	25221
a single teacher;	25222
(b) Employing full-time educational aides or educational	25223
paraprofessionals issued a permit or license under section	25224
3319.088 of the Revised Code;	25225

(c) Instituting a team-teaching method that will result in a 25226  
lower student-teacher ratio in a classroom. 25227

Districts may extend the school day either by increasing the 25228  
amount of time allocated for each class, increasing the number of 25229  
classes provided per day, offering optional academic-related 25230  
after-school programs, providing curriculum-related extra 25231  
curricular activities, or establishing tutoring or remedial 25232  
services for students who have demonstrated an educational need. 25233  
In accordance with section 3319.089 of the Revised Code, a 25234  
district extending the school day pursuant to this division may 25235  
utilize a participant of the work experience program who has a 25236  
child enrolled in a public school in that district and who is 25237  
fulfilling the work requirements of that program by volunteering 25238  
or working in that public school. If the work experience program 25239  
participant is compensated, the school district may use the funds 25240  
distributed under this section for all or part of the 25241  
compensation. 25242

Districts may extend the school year either through adding 25243  
regular days of instruction to the school calendar or by providing 25244  
summer programs. 25245

(G) Each district subject to division (F) of this section 25246  
shall not expend any funds received under division (E) of this 25247  
section in any school buildings that are not buildings with the 25248  
highest concentration of need, unless there is a ratio of 25249  
instructional personnel to students of no more than fifteen to one 25250  
in each kindergarten and first grade class in all buildings with 25251  
the highest concentration of need. This division does not require 25252  
that the funds used in buildings with the highest concentration of 25253  
need be spent solely to reduce the ratio of instructional 25254  
personnel to students in kindergarten and first grade. A school 25255  
district may spend the funds in those buildings in any manner 25256  
permitted by division (F)(3) of this section, but may not spend 25257

the money in other buildings unless the fifteen-to-one ratio 25258  
required by this division is attained. 25259

(H)(1) By the first day of August of each fiscal year, each 25260  
school district wishing to receive any funds under division (D) of 25261  
this section shall submit to the department of education an 25262  
estimate of its all-day kindergarten percentage. Each district 25263  
shall update its estimate throughout the fiscal year in the form 25264  
and manner required by the department, and the department shall 25265  
adjust payments under this section to reflect the updates. 25266

(2) Annually by the end of December, the department of 25267  
education, utilizing data from the information system established 25268  
under section 3301.0714 of the Revised Code and after consultation 25269  
with the legislative office of education oversight, shall 25270  
determine for each school district subject to division (F) of this 25271  
section whether in the preceding fiscal year the district's ratio 25272  
of instructional personnel to students and its number of 25273  
kindergarten students receiving all-day kindergarten appear 25274  
reasonable, given the amounts of money the district received for 25275  
that fiscal year pursuant to divisions (D) and (E) of this 25276  
section. If the department is unable to verify from the data 25277  
available that students are receiving reasonable amounts of 25278  
instructional attention and all-day kindergarten, given the funds 25279  
the district has received under this section and that class-size 25280  
reduction funds are being used in school buildings with the 25281  
highest concentration of need as required by division (G) of this 25282  
section, the department shall conduct a more intensive 25283  
investigation to ensure that funds have been expended as required 25284  
by this section. The department shall file an annual report of its 25285  
findings under this division with the chairpersons of the 25286  
committees in each house of the general assembly dealing with 25287  
finance and education. 25288

(I) Any school district with a DPIA index less than one and a 25289

three-year average formula ADM exceeding seventeen thousand five	25290
hundred shall first utilize funds received under this section so	25291
that, when combined with other funds of the district, sufficient	25292
funds exist to provide all-day kindergarten to at least the number	25293
of children in the district's all-day kindergarten percentage.	25294
Such a district shall expend at least seventy per cent of the	25295
remaining funds received under this section, and any other	25296
district with a DPIA index less than one shall expend at least	25297
seventy per cent of all funds received under this section, for any	25298
of the following purposes:	25299
(1) The purchase of technology for instructional purposes;	25300
(2) All-day kindergarten;	25301
(3) Reduction of class sizes;	25302
(4) Summer school remediation;	25303
(5) Dropout prevention programs;	25304
(6) Guaranteeing that all third graders are ready to progress	25305
to more advanced work;	25306
(7) Summer education and work programs;	25307
(8) Adolescent pregnancy programs;	25308
(9) Head start or preschool programs;	25309
(10) Reading improvement programs described by the department	25310
of education;	25311
(11) Programs designed to ensure that schools are free of	25312
drugs and violence and have a disciplined environment conducive to	25313
learning;	25314
(12) Furnishing, free of charge, materials used in courses of	25315
instruction, except for the necessary textbooks or electronic	25316
textbooks required to be furnished without charge pursuant to	25317
section 3329.06 of the Revised Code, to pupils living in families	25318

participating in Ohio works first in accordance with section 25319  
3313.642 of the Revised Code; 25320

(13) School breakfasts provided pursuant to section 3313.813 25321  
of the Revised Code. 25322

Each district shall submit to the department, in such format 25323  
and at such time as the department shall specify, a report on the 25324  
programs for which it expended funds under this division. 25325

(J) If at any time the superintendent of public instruction 25326  
determines that a school district receiving funds under division 25327  
(D) of this section has enrolled less than the all-day 25328  
kindergarten percentage reported for that fiscal year, the 25329  
superintendent shall withhold from the funds otherwise due the 25330  
district under this section a proportional amount as determined by 25331  
the difference in the certified all-day kindergarten percentage 25332  
and the percentage actually enrolled in all-day kindergarten. 25333

The superintendent shall also withhold an appropriate amount 25334  
of funds otherwise due a district for any other misuse of funds 25335  
not in accordance with this section. 25336

(K)(1) A district may use a portion of the funds calculated 25337  
for it under division (D) of this section to modify or purchase 25338  
classroom space to provide all-day kindergarten, if both of the 25339  
following conditions are met: 25340

(a) The district certifies to the department, in a manner 25341  
acceptable to the department, that it has a shortage of space for 25342  
providing all-day kindergarten. 25343

(b) The district provides all-day kindergarten to the number 25344  
of children in the all-day kindergarten percentage it certified 25345  
under this section. 25346

(2) A district may use a portion of the funds described in 25347  
division (F)(3) of this section to modify or purchase classroom 25348

space to enable it to further reduce class size in grades 25349  
kindergarten through two with a goal of attaining class sizes of 25350  
fifteen students per licensed teacher. To do so, the district must 25351  
certify its need for additional space to the department, in a 25352  
manner satisfactory to the department. 25353

**Sec. 3317.0217.** The department of education shall annually 25354  
compute and pay state parity aid to school districts, as follows: 25355

(A) Calculate the local wealth per pupil of each school 25356  
district, which equals the following sum: 25357

(1) Two-thirds times the quotient of (a) the district's 25358  
recognized valuation divided by (b) its formula ADM; plus 25359

(2) One-third times the quotient of (a) the average of the 25360  
total federal adjusted gross income of the school district's 25361  
residents for the three years most recently reported under section 25362  
3317.021 of the Revised Code divided by (b) its formula ADM. 25363

(B) Rank all school districts in order of local wealth per 25364  
pupil, from the district with the lowest local wealth per pupil to 25365  
the district with the highest local wealth per pupil. 25366

(C) Compute the per pupil state parity aid funding for each 25367  
school district in accordance with the following formula: 25368

Payment percentage X (threshold local wealth 25369  
per pupil - the district's local 25370  
wealth per pupil) X 0.0095 25371

Where: 25372

(1) "Payment percentage," for purposes of division (C) of 25373  
this section, equals 20% in fiscal year 2002, 40% in fiscal year 25374  
2003, 60% in fiscal year 2004, 80% in fiscal year 2005, and 100% 25375  
after fiscal year 2005. 25376

(2) Nine and one-half mills (0.0095) is the general 25377  
assembly's determination of the average number of effective 25378

operating mills that districts in the seventieth to ninetieth 25379  
percentiles of valuations per pupil collected in fiscal year 2001 25380  
above the revenues required to finance their attributed local 25381  
shares of the calculated cost of an adequate education. This was 25382  
determined by (a) adding the district revenues from operating 25383  
property tax levies and income tax levies, (b) subtracting from 25384  
that total the sum of (i) twenty-three mills times adjusted 25385  
recognized valuation plus (ii) the attributed local shares of 25386  
special education, transportation, and vocational education 25387  
funding as described in divisions (F)(1) to (3) of section 25388  
3317.022 of the Revised Code, and (c) converting the result to an 25389  
effective operating property tax rate. 25390

(3) The "threshold local wealth per pupil" is the local 25391  
wealth per pupil of the school district with the 25392  
four-hundred-ninetieth lowest local wealth per pupil. 25393

If the result of the calculation for a school district under 25394  
division (C) of this section is less than zero, the district's per 25395  
pupil parity aid shall be zero. 25396

(D) Compute the per pupil alternative parity aid for each 25397  
school district that has a combination of an income factor of 1.0 25398  
or less, a DPIA index of 1.0 or greater, and a 25399  
cost-of-doing-business factor of 1.0375 or greater, in accordance 25400  
with the following formula: 25401

$$\begin{aligned} & \text{Payment percentage} \times \$60,000 \times 25402 \\ & (1 - \text{income factor}) \times 4/15 \times 0.023 \quad 25403 \end{aligned}$$

Where: 25404

(1) "DPIA index" has the same meaning as in section 3317.029 25405  
of the Revised Code. 25406

(2) "Payment percentage," for purposes of division (D) of 25407  
this section, equals 50% in fiscal year 2002 and 100% after fiscal 25408  
year 2002. 25409

(E) Pay each district that has a combination of an income 25410  
factor 1.0 or less, a DPIA index of 1.0 or greater, and a 25411  
cost-of-doing-business factor of 1.0375 or greater, the greater of 25412  
the following: 25413

(1) The product of the district's per pupil parity aid 25414  
calculated under division (C) of this section times its formula 25415  
ADM; 25416

(2) The product of its per pupil alternative parity aid 25417  
calculated under division (D) of this section times its formula 25418  
ADM. 25419

(F) Pay every other district the product of its per pupil 25420  
parity aid calculated under division (C) of this section times its 25421  
formula ADM. 25422

~~Every six years, the general assembly shall redetermine, 25423  
after considering the report of the committee appointed under 25424  
section 3317.012 of the Revised Code, the average number of 25425  
effective operating mills that districts in the seventieth to 25426  
ninetieth percentiles of valuations per pupil collect above the 25427  
revenues required to finance their attributed local shares of the 25428  
cost of an adequate education. 25429~~

**Sec. 3317.03.** Notwithstanding divisions (A)(1), (B)(1), and 25430  
(C) of this section, any student enrolled in kindergarten more 25431  
than half time shall be reported as one-half student under this 25432  
section. 25433

(A) The superintendent of each city and exempted village 25434  
school district and of each educational service center shall, for 25435  
the schools under the superintendent's supervision, certify to the 25436  
state board of education on or before the fifteenth day of October 25437  
in each year for the first full school week in October the formula 25438  
ADM, which shall consist of the average daily membership during 25439

such week of the sum of the following:	25440
(1) On an FTE basis, the number of students in grades	25441
kindergarten through twelve receiving any educational services	25442
from the district, except that the following categories of	25443
students shall not be included in the determination:	25444
(a) Students enrolled in adult education classes;	25445
(b) Adjacent or other district students enrolled in the	25446
district under an open enrollment policy pursuant to section	25447
3313.98 of the Revised Code;	25448
(c) Students receiving services in the district pursuant to a	25449
compact, cooperative education agreement, or a contract, but who	25450
are entitled to attend school in another district pursuant to	25451
section 3313.64 or 3313.65 of the Revised Code;	25452
(d) Students for whom tuition is payable pursuant to sections	25453
3317.081 and 3323.141 of the Revised Code.	25454
(2) On an FTE basis, the number of students entitled to	25455
attend school in the district pursuant to section 3313.64 or	25456
3313.65 of the Revised Code, but receiving educational services in	25457
grades kindergarten through twelve from one or more of the	25458
following entities:	25459
(a) A community school pursuant to Chapter 3314. of the	25460
Revised Code, including any participation in a college pursuant to	25461
Chapter 3365. of the Revised Code while enrolled in such community	25462
school;	25463
(b) An alternative school pursuant to sections 3313.974 to	25464
3313.979 of the Revised Code as described in division (I)(2)(a) or	25465
(b) of this section;	25466
(c) A college pursuant to Chapter 3365. of the Revised Code,	25467
except when the student is enrolled in the college while also	25468
enrolled in a community school pursuant to Chapter 3314. of the	25469

Revised Code;	25470
(d) An adjacent or other school district under an open enrollment policy adopted pursuant to section 3313.98 of the Revised Code;	25471 25472 25473

(f) Another school district under a cooperative education agreement, compact, or contract.	25476 25477
(3) <del>One-fourth</del> <u>Ten per cent</u> of the number of students enrolled in a joint vocational school district or under a vocational education compact, excluding any students entitled to attend school in the district under section 3313.64 or 3313.65 of the Revised Code who are enrolled in another school district through an open enrollment policy as reported under division (A)(2)(d) of this section and then enroll in a joint vocational school district or under a vocational education compact;	25478 25479 25480 25481 25482 25483 25484 25485
(4) The number of handicapped children, other than handicapped preschool children, entitled to attend school in the district pursuant to section 3313.64 or 3313.65 of the Revised Code who are placed with a county MR/DD board, minus the number of such children placed with a county MR/DD board in fiscal year 1998. If this calculation produces a negative number, the number reported under division (A)(4) of this section shall be zero.	25486 25487 25488 25489 25490 25491 25492
(B) To enable the department of education to obtain the data needed to complete the calculation of payments pursuant to this chapter, in addition to the formula ADM, each superintendent shall report separately the following student counts:	25493 25494 25495 25496
(1) The total average daily membership in regular day classes included in the report under division (A)(1) or (2) of this section for kindergarten, and each of grades one through twelve in schools under the superintendent's supervision;	25497 25498 25499 25500

general assembly. 26669

**Sec. 3318.03.** (A) Before conducting an on-site evaluation of 26670  
a school district under section 3318.02 of the Revised Code, at 26671  
the request of the district board of education, the Ohio school 26672  
facilities commission shall examine any classroom facilities needs 26673  
assessment that has been conducted by the district and any master 26674  
plan developed for meeting the facility needs of the district. 26675

(B) Upon conducting the on-site evaluation under section 26676  
3318.02 of the Revised Code, the Ohio school facilities commission 26677

shall make a determination of all of the following: 26678

(1) The needs of the school district for additional classroom 26679  
facilities; 26680

(2) The number of classroom facilities to be included in a 26681  
project, ~~including classroom facilities authorized by a bond issue~~ 26682  
~~described in section 3318.033 of the Revised Code,~~ and the basic 26683  
project cost of constructing, acquiring, reconstructing, or making 26684  
additions to each such facility; 26685

(3) The amount of such cost that the school district can 26686  
supply from available funds, by the issuance of bonds previously 26687  
authorized by the electors of the school district the proceeds of 26688  
which can lawfully be used for the project, ~~including bonds~~ 26689  
~~authorized by the district's electors as described in section~~ 26690  
~~3318.033 of the Revised Code,~~ and by the issuance of bonds under 26691  
section 3318.05 of the Revised Code; 26692

(4) The remaining amount of such cost that shall be supplied 26693  
by the state; 26694

(5) The amount of the state's portion to be encumbered in 26695  
accordance with section 3318.11 of the Revised Code in the current 26696  
and subsequent fiscal bienniums from funds appropriated for 26697  
purposes of sections 3318.01 to 3318.20 of the Revised Code. 26698

(C) The commission shall make a determination in favor of 26699  
constructing, acquiring, reconstructing, or making additions to a 26700  
classroom facility only upon evidence that the proposed project 26701  
conforms to sound educational practice, that it is in keeping with 26702  
the orderly process of school district reorganization and 26703  
consolidation, and that the actual or projected enrollment in each 26704  
classroom facility proposed to be included in the project is at 26705  
least three hundred fifty pupils. Exceptions shall be authorized 26706  
only in those districts where topography, sparsity of population, 26707  
and other factors make larger schools impracticable. 26708

If the school district board determines that an existing facility has historical value or for other good cause determines that an existing facility should be renovated in lieu of acquiring a comparable facility by new construction, the commission may approve the expenditure of project funds for the renovation of that facility up to but not exceeding one hundred per cent of the estimated cost of acquiring a comparable facility by new construction, as long as the commission determines that the facility when renovated can be operationally efficient, will be adequate for the future needs of the district, and will comply with the other provisions of this division.

(D) Sections 125.81 and 153.04 of the Revised Code shall not apply to classroom facilities constructed under either sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised Code.

**Sec. 3318.042.** (A) The board of education of any school district that is receiving assistance under sections 3318.01 to 3318.20 of the Revised Code after May 20, 1997, or under sections 3318.40 to 3318.45 of the Revised Code, and whose project is still under construction, may request that the Ohio school facilities commission examine whether the circumstances prescribed in either division (B)(1) or (2) of this section exist in the school district. If the commission so finds, the commission shall review the school district's original assessment and approved project and consider providing additional assistance to the school district to correct the prescribed conditions found to exist in the district. Additional assistance under this section shall be limited to additions to one or more buildings, remodeling of one or more buildings, or changes to the infrastructure of one or more buildings.

(B) Consideration of additional assistance to a school

district under this section is warranted in either of the 26740  
following circumstances: 26741

(1) Additional work is needed to correct an oversight or 26742  
deficiency not identified or included in the district's initial 26743  
assessment. 26744

(2) Other conditions exist that, in the opinion of the 26745  
commission, warrant additions or remodeling of the project 26746  
facilities or changes to infrastructure associated with the 26747  
district's project that were not identified in the initial 26748  
assessment and plan. 26749

(C) If the commission decides in favor of providing 26750  
additional assistance to any school district under this section, 26751  
the school district shall be responsible for paying for its 26752  
portion of the cost of the additions, remodeling, or 26753  
infrastructure changes pursuant to section 3318.083 of the Revised 26754  
Code. If, after making a financial evaluation of the school 26755  
district, the commission determines that the school district is 26756  
unable without undue hardship, according to the guidelines adopted 26757  
by the commission, to fund the school district portion of the 26758  
increase, then the state and the school district shall enter into 26759  
an agreement whereby the state shall pay the portion of the cost 26760  
increase attributable to the school district which is determined 26761  
to be in excess of any local resources available to the district 26762  
and the district shall thereafter reimburse the state. The 26763  
commission shall establish the district's schedule for reimbursing 26764  
the state, which shall not extend beyond five ten years. The 26765  
commission may lengthen the reimbursement schedule of a school 26766  
district that has entered into an agreement under this section 26767  
prior to the effective date of this amendment as long as the total 26768  
term of that schedule does not extend beyond ten years. Debt 26769  
incurred under this section shall not be included in the 26770  
calculation of the net indebtedness of the school district under 26771

section 133.06 of the Revised Code. 26772

**Sec. 3318.05.** The conditional approval of the Ohio school 26773  
facilities commission for a project shall lapse and the amount 26774  
reserved and encumbered for such project shall be released unless 26775  
the school district board accepts such conditional approval within 26776  
one hundred twenty days following the date of certification of the 26777  
conditional approval to the school district board and the electors 26778  
of the school district vote favorably on both of the propositions 26779  
described in divisions (A) and (B) of this section within one year 26780  
of the date of such certification, except that a school district 26781  
described in division (C) of this section does not need to submit 26782  
the proposition described in division (B) of this section. The 26783  
propositions described in divisions (A) and (B) of this section 26784  
shall be combined in a single proposal. If the district board or 26785  
the district's electors fail to meet such requirements and the 26786  
amount reserved and encumbered for the district's project is 26787  
released, the district shall be given first priority for project 26788  
funding as such funds become available. 26789

(A) On the question of issuing bonds of the school district 26790  
board, for the school district's portion of the basic project 26791  
cost, in an amount equal to the school district's portion of the 26792  
basic project cost ~~less any deduction made under section 3318.033~~ 26793  
~~of the Revised Code and~~ less the amount of the proceeds of any 26794  
securities authorized or to be authorized under division (J) of 26795  
section 133.06 of the Revised Code and dedicated by the school 26796  
district board to payment of the district's portion of the basic 26797  
project cost; and 26798

(B) On the question of levying a tax the proceeds of which 26799  
shall be used to pay the cost of maintaining the classroom 26800  
facilities included in the project. Such tax shall be at the rate 26801  
of not less than one-half mill for each dollar of valuation for a 26802

period of twenty-three years, subject to any extension approved 26803  
under section 3318.061 of the Revised Code. 26804

(C) If a school district has in place a tax levied under 26805  
section 5705.21 of the Revised Code for general ongoing permanent 26806  
improvements ~~of at least two mills for each dollar of valuation~~ 26807  
and the proceeds of such tax can be used for maintenance, the 26808  
school district need not levy the additional tax required under 26809  
division (B) of this section, provided the school district board 26810  
includes in the agreement entered into under section 3318.08 of 26811  
the Revised Code provisions earmarking an amount from the proceeds 26812  
of that permanent improvement tax for maintenance of classroom 26813  
facilities equivalent to the amount of the additional tax and for 26814  
the equivalent number of years otherwise required under this 26815  
section. 26816

(D) Proceeds of the tax to be used for maintenance of the 26817  
classroom facilities under either division (B) or (C) of this 26818  
section shall be deposited into a separate fund established by the 26819  
school district for such purpose. 26820

Sec. 3318.052. At any time after the electors of a school 26821  
district have approved either or both a property tax levied under 26822  
section 5705.21 or 5705.218 of the Revised Code for the purpose of 26823  
general ongoing permanent improvements or a school district income 26824  
tax levied under Chapter 5748. of the Revised Code, the proceeds 26825  
of which, pursuant to the ballot measures approved by the 26826  
electors, are not so restricted that they cannot be used to pay 26827  
the costs of a project or maintaining classroom facilities, the 26828  
school district board may: 26829

(A) Within one year following the date of the certification 26830  
of the conditional approval of the school district's classroom 26831  
facilities project by the Ohio school facilities commission, enter 26832  
into a written agreement with the commission, which may be part of 26833

an agreement entered into under section 3318.08 of the Revised Code, and in which the school district board covenants and agrees to do one or both of the following: 26834  
26835  
26836

(1) Apply a specified amount of available proceeds of that property tax levy, of that school district income tax, or of securities issued under this section, or of proceeds from any two or more of those sources, to pay all or part of the district's portion of the basic project cost of its classroom facilities project; 26837  
26838  
26839  
26840  
26841  
26842

(2) Apply available proceeds of either or both a property tax levied under section 5705.21 or 5705.218 of the Revised Code in effect for a continuing period of time, or of a school district income tax levied under Chapter 5748. of the Revised Code in effect for a continuing period of time to the payment of costs of maintaining the classroom facilities. 26843  
26844  
26845  
26846  
26847  
26848

(B) Receive, as a credit against the amount of bonds required under sections 3318.05 and 3318.06 of the Revised Code, to be approved by the electors of the district and issued by the district board for the district's portion of the basic project cost of its classroom facilities project in order for the district to receive state assistance for the project, an amount equal to the specified amount that the district board covenants and agrees with the commission to apply as set forth in division (A)(1) of this section; 26849  
26850  
26851  
26852  
26853  
26854  
26855  
26856  
26857

(C) Receive, as a credit against the amount of the tax levy required under sections 3318.05 and 3318.06 of the Revised Code, to be approved by the electors of the district to pay the costs of maintaining the classroom facilities in order to receive state assistance for the classroom facilities project, an amount equivalent to the specified amount of proceeds the school district board covenants and agrees with the commission to apply as referred to in division (A)(2) of this section; 26858  
26859  
26860  
26861  
26862  
26863  
26864  
26865

(D) Apply proceeds of either or both a school district income tax levied under Chapter 5748. of the Revised Code that may lawfully be used to pay the costs of a classroom facilities project or of a tax levied under section 5705.21 or 5705.218 of the Revised Code to the payment of debt charges on and financing costs related to securities issued under this section;

(E) Issue securities to provide moneys to pay all or part of the district's portion of the basic project cost of its classroom facilities project in accordance with an agreement entered into under division (A) of this section. Securities issued under this section shall be Chapter 133. securities and may be issued as general obligation securities or issued in anticipation of a school district income tax or as property tax anticipation notes under section 133.24 of the Revised Code. The district board's resolution authorizing the issuance and sale of general obligation securities under this section shall conform to the applicable requirements of section 133.22 or 133.23 of the Revised Code. Securities issued under this section shall have principal payments during each year after the year of issuance over a period of not more than twenty-three years and, if so determined by the district board, during the year of issuance. Securities issued under this section shall not be included in the calculation of net indebtedness of the district under section 133.06 of the Revised Code, if the resolution of the district board authorizing their issuance and sale includes covenants to appropriate annually from lawfully available proceeds of a property tax levied under section 5705.21 or 5705.218 of the Revised Code and no school district income tax levied under Chapter 5748. of the Revised Code and to continue to levy and collect the tax in amounts necessary to pay the debt charges on and financing costs related to the securities as they become due. No property tax levied under section 5705.21 or 5705.218 of the Revised Code or of a school district income tax

levied under Chapter 5748. of the Revised Code that is pledged, or 26898  
that the school district board has covenanted to levy, collect, 26899  
and appropriate annually, to pay the debt charges on and financing 26900  
costs related to securities issued under this section shall be 26901  
repealed while those securities are outstanding. If such a tax is 26902  
reduced by the electors of the district or by the district board 26903  
while those securities are outstanding, the school district board 26904  
shall continue to levy and collect the tax under the authority of 26905  
the original election authorizing the tax at a rate in each year 26906  
that the board reasonably estimates will produce an amount in that 26907  
year equal to the debt charges on the securities in that year. 26908

No state moneys shall be released for a project to which this 26909  
section applies until the proceeds of the tax securities issued 26910  
under this section that are dedicated for the payment of the 26911  
district portion of the basic project cost of its classroom 26912  
facilities project are first deposited into the district's project 26913  
construction fund. 26914

**Sec. 3318.06.** (A) After receipt of the conditional approval 26915  
of the Ohio school facilities commission, the school district 26916  
board by a majority of all of its members shall, if it desires to 26917  
proceed with the project, declare all of the following by 26918  
resolution: 26919

(1) That by issuing bonds in an amount equal to the school 26920  
district's portion of the basic project cost, ~~including bonds~~ 26921  
~~previously authorized by the district's electors as described in~~ 26922  
~~section 3318.033 of the Revised Code,~~ the district is unable to 26923  
provide adequate classroom facilities without assistance from the 26924  
state; 26925

(2) Unless the school district board has resolved to apply 26926  
the proceeds of a property tax or the proceeds of an income tax, 26927  
or a combination of proceeds from such taxes, as authorized under 26928

section 3318.052 of the Revised Code, that to qualify for such 26929  
state assistance it is necessary to do either of the following: 26930

(a) Levy a tax outside the ten-mill limitation the proceeds 26931  
of which shall be used to pay the cost of maintaining the 26932  
classroom facilities included in the project; 26933

(b) Earmark for maintenance of classroom facilities from the 26934  
proceeds of an existing permanent improvement tax levied under 26935  
section 5705.21 of the Revised Code, if such tax ~~is of at least~~ 26936  
~~two mills for each dollar of valuation and~~ can be used for 26937  
maintenance, an amount equivalent to the amount of the additional 26938  
tax otherwise required under this section and sections 3318.05 and 26939  
3318.08 of the Revised Code. 26940

(3) That the question of any tax levy specified in a 26941  
resolution described in division (A)(2)(a) of this section, if 26942  
required, shall be submitted to the electors of the school 26943  
district at the next general or primary election, if there be a 26944  
general or primary election not less than seventy-five and not 26945  
more than ninety-five days after the day of the adoption of such 26946  
resolution or, if not, at a special election to be held at a time 26947  
specified in the resolution which shall be not less than 26948  
seventy-five days after the day of the adoption of the resolution 26949  
and which shall be in accordance with the requirements of section 26950  
3501.01 of the Revised Code. 26951

Such resolution shall also state that the question of issuing 26952  
bonds of the board shall be combined in a single proposal with the 26953  
question of such tax levy. More than one election under this 26954  
section may be held in any one calendar year. Such resolution 26955  
shall specify both of the following: 26956

(a) That the rate which it is necessary to levy shall be at 26957  
the rate of not less than one-half mill for each one dollar of 26958  
valuation, and that such tax shall be levied for a period of 26959

twenty-three years; 26960

(b) That the proceeds of the tax shall be used to pay the 26961  
cost of maintaining the classroom facilities included in the 26962  
project. 26963

(B) A copy of a resolution adopted under division (A) of this 26964  
section shall after its passage and not less than seventy-five 26965  
days prior to the date set therein for the election be certified 26966  
to the county board of elections. 26967

The resolution of the school district board, in addition to 26968  
meeting other applicable requirements of section 133.18 of the 26969  
Revised Code, shall state that the amount of bonds to be issued 26970  
will be an amount equal to the school district's portion of the 26971  
basic project cost, and state the maximum maturity of the bonds 26972  
which may be any number of years not exceeding the term calculated 26973  
under section 133.20 of the Revised Code as determined by the 26974  
board. In estimating the amount of bonds to be issued, the board 26975  
shall take into consideration the amount of moneys then in the 26976  
bond retirement fund and the amount of moneys to be collected for 26977  
and disbursed from the bond retirement fund during the remainder 26978  
of the year in which the resolution of necessity is adopted. 26979

If the bonds are to be issued in more than one series, the 26980  
resolution may state, in addition to the information required to 26981  
be stated under division (B)(3) of section 133.18 of the Revised 26982  
Code, the number of series, which shall not exceed five, the 26983  
principal amount of each series, and the approximate date each 26984  
series will be issued, and may provide that no series, or any 26985  
portion thereof, may be issued before such date. Upon such a 26986  
resolution being certified to the county auditor as required by 26987  
division (C) of section 133.18 of the Revised Code, the county 26988  
auditor, in calculating, advising, and confirming the estimated 26989  
average annual property tax levy under that division, shall also 26990  
calculate, advise, and confirm by certification the estimated 26991

average property tax levy for each series of bonds to be issued. 26992

Notice of the election shall include the fact that the tax 26993  
levy shall be at the rate of not less than one-half mill for each 26994  
one dollar of valuation for a period of twenty-three years, and 26995  
that the proceeds of the tax shall be used to pay the cost of 26996  
maintaining the classroom facilities included in the project. 26997

If the bonds are to be issued in more than one series, the 26998  
board of education, when filing copies of the resolution with the 26999  
board of elections as required by division (D) of section 133.18 27000  
of the Revised Code, may direct the board of elections to include 27001  
in the notice of election the principal amount and approximate 27002  
date of each series, the maximum number of years over which the 27003  
principal of each series may be paid, the estimated additional 27004  
average property tax levy for each series, and the first calendar 27005  
year in which the tax is expected to be due for each series, in 27006  
addition to the information required to be stated in the notice 27007  
under division (E)(3)(a) to (e) of section 133.18 of the Revised 27008  
Code. 27009

(C)(1) Except as otherwise provided in division (C)(2) of 27010  
this section, the form of the ballot to be used at such election 27011  
shall be: 27012

"A majority affirmative vote is necessary for passage. 27013

Shall bonds be issued by the ..... (here insert name 27014

(2) If authority is sought to issue bonds in more than one 27045  
series and the board of education so elects, the form of the 27046  
ballot shall be as prescribed in section 3318.062 of the Revised 27047  
Code. If the board of education elects the form of the ballot 27048  
prescribed in that section, it shall so state in the resolution 27049  
adopted under this section. 27050

(D) If it is necessary for the school district to acquire a 27051  
site for the classroom facilities to be acquired pursuant to 27052  
sections 3318.01 to 3318.20 of the Revised Code, the district 27053

board may propose either to issue bonds of the board or to levy a 27054  
tax to pay for the acquisition of such site, and may combine the 27055  
question of doing so with the questions specified in division (B) 27056  
of this section. Bonds issued under this division for the purpose 27057  
of acquiring a site are a general obligation of the school 27058  
district and are Chapter 133. securities. 27059

The form of that portion of the ballot to include the 27060  
question of either issuing bonds or levying a tax for site 27061  
acquisition purposes shall be one of the following: 27062

(1) "Shall bonds be issued by the ..... (here insert 27063

3318.45 of the Revised Code, if the requisite favorable vote on 27117  
the election is obtained, or if the school district board has 27118  
resolved to apply the proceeds of a property tax levy or the 27119  
proceeds of an income tax, or a combination of proceeds from such 27120  
taxes, as authorized in section 3318.052 of the Revised Code, the 27121

either the results of the election or the resolution under section 27123  
3318.052 of the Revised Code, shall enter into a written agreement 27124

the project. In the case of a joint vocational school district 27126  
that receives assistance under sections 3318.40 to 3318.45 of the 27127  
Revised Code, if the school district board of education and the 27128

in division (D)(1) of section 3318.41 of the Revised Code, the 27130  
commission shall enter into an agreement with the school district 27131  
board for the construction and sale of the project. In either 27132  
case, the agreement shall include, but need not be limited to, the 27133

(A) The sale and issuance of bonds or notes in anticipation 27135  
thereof, as soon as practicable after the execution of the 27136  
agreement, in an amount equal to the school district's portion of 27137  
the basic project cost, including ~~any bonds previously authorized~~ 27138  
~~by the district's electors as described in section 3318.033 of the~~ 27139  
~~Revised Code and~~ any securities authorized under division (J) of 27140  
section 133.06 of the Revised Code and dedicated by the school 27141  
district board to payment of the district's portion of the basic 27142  
project cost of the project; provided, that if at that time the 27143  
county treasurer of each county in which the school district is 27144  
located has not commenced the collection of taxes on the general 27145  
duplicate of real and public utility property for the year in 27146  
which the controlling board approved the project, the school 27147  
district board shall authorize the issuance of a first installment 27148  
of bond anticipation notes in an amount specified by the 27149

agreement, which amount shall not exceed an amount necessary to 27150  
raise the net bonded indebtedness of the school district as of the 27151  
date of the controlling board's approval to within five thousand 27152  
dollars of the required level of indebtedness for the preceding 27153  
year. In the event that a first installment of bond anticipation 27154  
notes is issued, the school district board shall, as soon as 27155  
practicable after the county treasurer of each county in which the 27156  
school district is located has commenced the collection of taxes 27157

the year in which the controlling board approved the project, 27159  
authorize the issuance of a second and final installment of bond 27160  
anticipation notes or a first and final issue of bonds. 27161

The combined value of the first and second installment of 27162

basic project cost. The proceeds of any such bonds shall be used 27165  
first to retire any bond anticipation notes. Otherwise, the 27166  
proceeds of such bonds and of any bond anticipation notes, except 27167  
the premium and accrued interest thereon, shall be deposited in 27168  
the school district's project construction fund. In determining 27169  
the amount of net bonded indebtedness for the purpose of fixing 27170  
the amount of an issue of either bonds or bond anticipation notes, 27171  
gross indebtedness shall be reduced by moneys in the bond 27172  
retirement fund only to the extent of the moneys therein on the 27173  
first day of the year preceding the year in which the controlling 27174  
board approved the project. Should there be a decrease in the tax 27175  
valuation of the school district so that the amount of 27176  
indebtedness that can be incurred on the tax duplicates for the 27177  
year in which the controlling board approved the project is less 27178  
than the amount of the first installment of bond anticipation 27179  
notes, there shall be paid from the school district's project 27180  
construction fund to the school district's bond retirement fund to 27181  
be applied against such notes an amount sufficient to cause the 27182

net bonded indebtedness of the school district, as of the first 27183  
day of the year following the year in which the controlling board 27184  
approved the project, to be within five thousand dollars of the 27185  
required level of indebtedness for the year in which the 27186  
controlling board approved the project. The maximum amount of 27187  
indebtedness to be incurred by any school district board as its 27188  
share of the cost of the project is either an amount that will 27189  
cause its net bonded indebtedness, as of the first day of the year 27190  
following the year in which the controlling board approved the 27191  
project, to be within five thousand dollars of the required level 27192  
of indebtedness, or an amount equal to the required percentage of 27193  
the basic project costs, whichever is greater. All bonds and bond 27194  
anticipation notes shall be issued in accordance with Chapter 133. 27195  
of the Revised Code, and notes may be renewed as provided in 27196  
section 133.22 of the Revised Code. 27197

(B) The transfer of such funds of the school district board 27198  
available for the project, together with the proceeds of the sale 27199  
of the bonds or notes, except premium, accrued interest, and 27200  
interest included in the amount of the issue, to the school 27201  
district's project construction fund; 27202

part of the service charges on bonds issued to pay the school 27214

(F) Ownership of or interest in the project during the period 27241  
of construction, which shall be divided between the commission and 27242  
the school district board in proportion to their respective 27243

**Sec. 3318.30.** (A) There is hereby created the Ohio school 27343

The commission is a body corporate and politic, an agency of 27348  
state government and an instrumentality of the state, performing 27349  
essential governmental functions of this state. The carrying out 27350  
of the purposes and the exercise by the commission of its powers 27351  
conferred by sections 3318.01 to 3318.33 of the Revised Code are 27352  
essential public functions and public purposes of the state. The 27353  
commission may, in its own name, sue and be sued, enter into 27354  
contracts, and perform all the powers and duties given to it by 27355  
sections 3318.01 to 3318.33 of the Revised Code, but it does not 27356  
have and shall not exercise the power of eminent domain. In its 27357  
discretion and as it determines appropriate, the commission may 27358

employees any of the commission's powers and duties to carry out 27360  
its functions. 27361

shall be the director of the office of budget and management, the 27364  
director of administrative services, and the superintendent of 27365  
public instruction, or their designees. Of the nonvoting members, 27366  
two shall be members of the senate appointed by the president of 27367  
the senate, and two shall be members of the house of 27368  
representatives appointed by the speaker of the house. Each of the 27369  
appointees of the president, and each of the appointees of the 27370

speaker, shall be members of different political parties. 27371

Nonvoting members shall serve as members of the commission 27372  
during the legislative biennium for which they are appointed, 27373  
except that any such member who ceases to be a member of the 27374  
legislative house from which the member was appointed shall cease 27375  
to be a member of the commission. Each nonvoting member shall be 27376  
appointed within thirty-one days of the end of the term of that 27377  
member's predecessor. Such members may be reappointed. Vacancies 27378  
of nonvoting members shall be filled in the manner provided for 27379  
original appointments. 27380

Members of the commission shall serve without compensation. 27381

After the initial nonvoting members of the commission have 27382  
been appointed, the commission shall meet and organize by electing 27383  
voting members as the chairperson and vice-chairperson of the 27384  
commission, who shall hold their offices until the next 27385  
organizational meeting of the commission. Organizational meetings 27386  
of the commission shall be held at the first meeting of each 27387  
calendar year. At each organizational meeting, the commission 27388  
shall elect from among its voting members a chairperson and 27389  
vice-chairperson, who shall serve until the next annual 27390  
organizational meeting. The commission shall adopt rules pursuant 27391  
to section 111.15 of the Revised Code for the conduct of its 27392  
internal business and shall keep a journal of its proceedings. 27393  
Including the organizational meeting, the commission shall meet at 27394  
least once each calendar quarter. 27395

Two voting members of the commission constitute a quorum, and 27396  
the affirmative vote of two members is necessary for approval of 27397  
any action taken by the commission. A vacancy in the membership of 27398  
the commission does not impair a quorum from exercising all the 27399  
rights and performing all the duties of the commission. Meetings 27400  
of the commission may be held anywhere in the state and shall be 27401  
held in compliance with section 121.22 of the Revised Code. 27402

(C) The commission shall file an annual report of its 27403  
activities and finances with the governor, speaker of the house of 27404  
representatives, president of the senate, and chairpersons of the 27405

of the Revised Code, or authorize the executive director to 27421  
perform such powers and duties. 27422

(3) Receive and accept any gifts, grants, donations, and 27423

pleasure of the executive director. The employees of the 27438  
commission shall be exempt from Chapter 4117. of the Revised Code 27439  
and shall not be public employees as defined in section 4117.01 of 27440  
the Revised Code. 27441

(C) The attorney general shall serve as the legal 27442  
representative for the commission and may appoint other counsel as 27443  
necessary for that purpose in accordance with section 109.07 of 27444  
the Revised Code. 27445

(2) School districts reasonably expected to be eligible for 27459  
state assistance under sections 3318.01 to 3318.20 of the Revised 27460  
Code within three fiscal years after the year of the application 27461  
for assistance under this section ~~is being considered by the Ohio~~ 27462

partnership program under section 3318.36 of the Revised Code, 27465  
except for such districts described in division (A)(3) of this 27466  
section, shall not be eligible for assistance under this section. 27467

(3) School districts that participate in the school building 27468  
assistance expedited local partnership program under section 27469  
3318.36 of the Revised Code may receive assistance under the 27470  
program established under this section only if the following 27471  
conditions are satisfied: 27472

(a) The district board adopted a resolution certifying its 27473  
intent to participate in the school building assistance expedited 27474  
local partnership program under section 3318.36 of the Revised 27475  
Code prior to September 14, 2000. 27476

(b) The district was selected by the Ohio school facilities 27477  
commission for participation in the school building assistance 27478  
expedited local partnership program under section 3318.36 of the 27479  
Revised Code in the manner prescribed by the commission under that 27480  
section as it existed prior to September 14, 2000. 27481

(B)(1) There is hereby established the exceptional needs 27482  
school facilities assistance program. Under the program, the Ohio 27483  
school facilities commission may set aside from the moneys 27484  
annually appropriated to it for classroom facilities assistance 27485  
projects up to twenty-five per cent for assistance to school 27486  
districts with exceptional needs for immediate classroom 27487  
facilities assistance. 27488

(2)(a) After consulting with education and construction 27489  
experts, the commission shall adopt guidelines for identifying 27490  
school districts with an exceptional need for immediate classroom 27491  
facilities assistance. 27492

(b) The guidelines shall include application forms and 27493

instructions for school districts ~~that believe they have an~~ 27494  
~~exceptional need for immediate classroom facilities to use in~~ 27495  
applying for assistance under this section. 27496

(3) The commission shall evaluate the classroom facilities, 27497  
and the need for replacement classroom facilities from the 27498  
applications received under this section. The commission, 27499  
utilizing the guidelines adopted under division (B)(2)(a) of this 27500  
section, shall prioritize the school districts to be assessed. 27501

Notwithstanding section 3318.02 of the Revised Code, the 27502  
commission may conduct on-site evaluation of the school districts 27503  
prioritized under this section and approve and award funds until 27504  
such time as all funds set aside under division (B)(1) of this 27505  
section have been encumbered ~~under section 3318.04 of the Revised~~ 27506  
Code. However, the commission need not conduct the evaluation of 27507  
facilities if the commission determines that a district's 27508  
assessment conducted under section 3318.36 of the Revised Code is 27509  
sufficient for purposes of this section. 27510

(4) Notwithstanding division (A) of section 3318.05 of the 27511  
Revised Code, the school district's portion of the basic project 27512  
cost under this section shall be the "required percentage of the 27513  
basic project costs," as defined in division (K) of section 27514  
3318.01 of the Revised Code. 27515

(5) Except as otherwise specified in this section, any 27516  
project undertaken with assistance under this section shall comply 27517  
with all provisions of sections 3318.01 to 3318.20 of the Revised 27518  
Code. A school district may receive assistance under sections 27519  
3318.01 to 3318.20 of the Revised Code for the remainder of the 27520  
district's classroom facilities needs as assessed under this 27521  
section when the district is eligible for such assistance pursuant 27522  
to section 3318.02 of the Revised Code, but any classroom facility 27523  
constructed with assistance under this section shall not be 27524  
included in a district's project at that time unless the 27525

commission determines the district has experienced the increased 27526  
enrollment specified in division (B)(1) of section 3318.04 of the 27527  
Revised Code. 27528

(C) No school district shall receive assistance under this 27529  
section for a classroom facility that has been included in the 27530  
discrete part of the district's classroom facilities needs 27531  
identified and addressed in the district's project pursuant to an 27532  
agreement entered into under section 3318.36 of the Revised Code. 27533

**Sec. 3318.41.** (A)(1) The Ohio school facilities commission 27534  
annually shall assess the classroom facilities needs of the number 27535  
of joint vocational school districts that the commission 27536  
reasonably expects to be able to provide assistance to in a fiscal 27537  
year, based on the amount set aside for that fiscal year under 27538  
division (B) of section 3318.40 of the Revised Code and the order 27539  
of priority prescribed in division (B) of section 3318.42 of the 27540  
Revised Code, except that in fiscal year 2004 the commission shall 27541  
conduct at least the five assessments prescribed in division (E) 27542  
of section 3318.40 of the Revised Code. 27543

Upon conducting an assessment of the classroom facilities 27544  
needs of a school district, the commission shall make a 27545  
determination of all of the following: 27546

(a) The number of classroom facilities to be included in a 27547  
project, ~~including classroom facilities authorized by a bond 27548~~  
~~issued described in section 3318.033 of the Revised Code,~~ and the 27549  
basic project cost of acquiring the classroom facilities included 27550  
in the project. The number of facilities and basic project cost 27551  
shall be determined in accordance with the specifications adopted 27552  
under section 3318.311 of the Revised Code except to the extent 27553  
that compliance with such specifications is waived by the 27554  
commission pursuant to the rule of the commission adopted under 27555  
division (F) of section 3318.40 of the Revised Code. 27556

(b) The school district's portion of the basic project cost 27557  
as determined under division (C) of section 3318.42 of the Revised 27558  
Code; 27559

(c) The remaining portion of the basic project cost that 27560  
shall be supplied by the state; 27561

(d) The amount of the state's portion of the basic project 27562  
cost to be encumbered in accordance with section 3318.11 of the 27563  
Revised Code in the current and subsequent fiscal bienniums from 27564  
funds set aside under division (B) of section 3318.40 of the 27565  
Revised Code. 27566

(2) Divisions (A), (C), and (D) of section 3318.03 of the 27567  
Revised Code apply to any project under sections 3318.40 to 27568  
3318.45 of the Revised Code. 27569

(B)(1) If the commission makes a determination under division 27570  
(A) of this section in favor of the acquisition of classroom 27571  
facilities for a project under sections 3318.40 to 3318.45 of the 27572  
Revised Code, such project shall be conditionally approved. Such 27573  
conditional approval shall be submitted to the controlling board 27574  
for approval. The controlling board shall immediately approve or 27575  
reject the commission's determination, conditional approval, the 27576  
amount of the state's portion of the basic project cost, and the 27577  
amount of the state's portion of the basic project cost to be 27578  
encumbered in the current fiscal biennium. In the event of 27579  
approval by the controlling board, the commission shall certify 27580  
the conditional approval to the joint vocational school district 27581  
board of education and shall encumber the approved funds for the 27582  
current fiscal year. 27583

(2) No school district that receives assistance under 27584  
sections 3318.40 to 3318.45 of the Revised Code shall have another 27585  
such project conditionally approved until the expiration of twenty 27586  
years after the school district's prior project was conditionally 27587

approved, unless the school district board demonstrates to the 27588  
satisfaction of the commission that the school district has 27589  
experienced since conditional approval of its prior project an 27590  
exceptional increase in enrollment or program requirements 27591  
significantly above the school district's design capacity under 27592  
that prior project as determined by rule of the commission. Any 27593  
rule adopted by the commission to implement this division shall be 27594  
tailored to address the classroom facilities needs of joint 27595  
vocational school districts. 27596

(C) In addition to generating the amount of the school 27597  
district's portion of the basic project cost as determined under 27598  
division (C) of section 3318.42 of the Revised Code, in order for 27599  
a school district to receive assistance under sections 3318.40 to 27600  
3318.45 of the Revised Code, the school district board shall set 27601  
aside school district moneys for the maintenance of the classroom 27602  
facilities included in the school district's project in the amount 27603  
and manner prescribed in section 3318.43 of the Revised Code. 27604

(D)(1) The conditional approval for a project certified under 27605  
division (B)(1) of this section shall lapse and the amount 27606  
reserved and encumbered for such project shall be released unless 27607  
both of the following conditions are satisfied: 27608

(a) Within one hundred twenty days following the date of 27609  
certification of the conditional approval to the joint vocational 27610  
school district board, the school district board accepts the 27611  
conditional approval and certifies to the commission the school 27612  
district board's plan to generate the school district's portion of 27613  
the basic project cost, as determined under division (C) of 27614  
section 3318.42 of the Revised Code, and to set aside moneys for 27615  
maintenance of the classroom facilities acquired under the 27616  
project, as prescribed in section 3318.43 of the Revised Code. 27617

(b) Within one year following the date of certification of 27618  
the conditional approval to the school district board, the 27619

electors of the school district vote favorably on any ballot 27620  
measures proposed by the school district board to generate the 27621  
school district's portion of the basic project cost. 27622

(2) If the school district board or electors fail to satisfy 27623  
the conditions prescribed in division (D)(1) of this section and 27624  
the amount reserved and encumbered for the school district's 27625  
project is released, the school district shall be given first 27626  
priority over other joint vocational school districts for project 27627  
funding under sections 3318.40 to 3318.45 of the Revised Code as 27628  
such funds become available. 27629

(E) If the conditions prescribed in division (D)(1) of this 27630  
section are satisfied, the commission and the school district 27631  
board shall enter into an agreement as prescribed in section 27632  
3318.08 of the Revised Code and shall proceed with the development 27633  
of plans, cost estimates, designs, drawings, and specifications as 27634  
prescribed in section 3318.091 of the Revised Code. 27635

(F) Costs in excess of those approved by the commission under 27636  
section 3318.091 of the Revised Code shall be payable only as 27637  
provided in sections 3318.042 and 3318.083 of the Revised Code. 27638

(G) Advertisement for bids and the award of contracts for 27639  
construction of any project under sections 3318.40 to 3318.45 of 27640  
the Revised Code shall be conducted in accordance with section 27641  
3318.10 of the Revised Code. 27642

(H) The state funds reserved and encumbered and the funds 27643  
provided by the school district to pay the basic project cost of a 27644  
project under sections 3318.40 to 3318.45 of the Revised Code 27645  
shall be spent simultaneously in proportion to the state's and the 27646  
school district's respective portions of that basic project cost. 27647

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised 27648  
Code apply to projects under sections 3318.40 to 3318.45 of the 27649  
Revised Code. 27650

Sec. 3319.01. Except in an island school district, where the 27651  
superintendent of an educational service center otherwise may 27652  
serve as superintendent of the district and except as otherwise 27653  
provided for any cooperative education school district pursuant to 27654  
division (B)(2) of section 3311.52 or division (B)(3) of section 27655  
3311.521 of the Revised Code, the board of education in each 27656  
school district and the governing board of each service center 27657  
shall, at a regular or special meeting held not later than the 27658  
first day of May of the calendar year in which the term of the 27659  
superintendent expires, appoint a person possessed of the 27660  
qualifications provided in this section to act as superintendent, 27661  
for a term not longer than five years beginning the first day of 27662  
August and ending on the thirty-first day of July. Such 27663  
superintendent is, at the expiration of a current term of 27664  
employment, deemed reemployed for a term of one year at the same 27665  
salary plus any increments that may be authorized by the board, 27666  
unless such board, on or before the first day of March of the year 27667  
in which the contract of employment expires, either reemploys the 27668  
superintendent for a succeeding term as provided in this section 27669  
or gives to the superintendent written notice of its intention not 27670  
to reemploy the superintendent. A superintendent may not be 27671  
transferred to any other position during the term of the 27672  
superintendent's employment or reemployment except by mutual 27673  
agreement by the superintendent and the board. If a vacancy occurs 27674  
in the office of superintendent, the board shall appoint a 27675  
superintendent for a term not to exceed five years from the next 27676  
preceding first day of August. 27677

~~Except as otherwise provided in this section, the employment 27678  
or reemployment of a superintendent of a local school district 27679  
shall be only upon the recommendation of the service center 27680  
superintendent, except that a local board of education, by a 27681  
three-fourths vote of its full membership, may, after considering 27682~~

~~two nominations for the position of local superintendent made by 27683  
the service center superintendent, employ or reemploy a person not 27684  
so nominated for such position. 27685~~

A board may at any regular or special meeting held during the 27686  
period beginning on the first day of January of the calendar year 27687  
immediately preceding the year the contract of employment of a 27688  
superintendent expires and ending on the first day of March of the 27689  
year it expires, reemploy such superintendent for a succeeding 27690  
term for not longer than five years, beginning on the first day of 27691  
August immediately following the expiration of the 27692  
superintendent's current term of employment and ending on the 27693  
thirty-first day of July of the year in which such succeeding term 27694  
expires. No person shall be appointed to the office of 27695  
superintendent of a city, or exempted village school district or a 27696  
service center who does not hold a license designated for being a 27697  
superintendent issued under section 3319.22 of the Revised Code, 27698  
unless such person had been employed as a county, city, or 27699  
exempted village superintendent prior to August 1, 1939. No person 27700  
shall be appointed to the office of local superintendent who does 27701  
not hold a license designated for being a superintendent issued 27702  
under section 3319.22 of the Revised Code, unless such person held 27703  
or was qualified to hold the position of executive head of a local 27704  
school district on September 16, 1957. At the time of making such 27705  
appointment or designation of term, such board shall fix the 27706  
compensation of the superintendent, which may be increased or 27707  
decreased during such term, provided such decrease is a part of a 27708  
uniform plan affecting salaries of all employees of the district, 27709  
and shall execute a written contract of employment with such 27710  
superintendent. 27711

Each board shall adopt procedures for the evaluation of its 27712  
superintendent and shall evaluate its superintendent in accordance 27713  
with those procedures. An evaluation based upon such procedures 27714

shall be considered by the board in deciding whether to renew the 27715  
superintendent's contract. The establishment of an evaluation 27716  
procedure shall not create an expectancy of continued employment. 27717  
Nothing in this section shall prevent a board from making the 27718  
final determination regarding the renewal or failure to renew of a 27719  
superintendent's contract. 27720

Termination of a superintendent's contract shall be pursuant 27721  
to section 3319.16 of the Revised Code. 27722

A board may establish vacation leave for its superintendent. 27723  
Upon the superintendent's separation from employment a board that 27724  
has such leave may provide compensation at the superintendent's 27725  
current rate of pay for all lawfully accrued and unused vacation 27726  
leave to the superintendent's credit at the time of separation, 27727  
not to exceed the amount accrued within three years before the 27728  
date of separation. In case of the death of a superintendent, such 27729  
unused vacation leave as the board would have paid to this 27730  
superintendent upon separation shall be paid in accordance with 27731  
section 2113.04 of the Revised Code, or to the superintendent's 27732  
estate. 27733

The superintendent shall be the executive officer for the 27734  
board. ~~Except as otherwise provided in this section for local~~ 27735  
~~school districts, the~~ The superintendent shall direct and assign 27736  
teachers and other employees of the district or service center, 27737  
except as provided in section 3319.04 of the Revised Code; assign 27738  
the pupils to the proper schools and grades, provided that the 27739  
assignment of a pupil to a school outside of the pupil's district 27740  
of residence is approved by the board of the district of residence 27741  
of such pupil; and perform such other duties as the board 27742  
determines. ~~The service center superintendent shall exercise the~~ 27743  
~~responsibilities of this section with regard to the assignment of~~ 27744  
~~pupils and teachers for local school districts under the~~ 27745  
~~supervision of the service center, except that the board of~~ 27746

~~education of a local school district and the governing board of 27747  
the educational service center of which the local district is a 27748  
part may enter into an agreement requiring the local 27749  
superintendent, instead of the superintendent of the educational 27750  
service center, to exercise the responsibilities of this section 27751  
with regard to the assignment of pupils and teachers for the local 27752  
school district. 27753~~

The board of education of any school district may contract 27754  
with the governing board of the educational service center from 27755  
which it otherwise receives services to conduct searches and 27756  
recruitment of candidates for the superintendent position 27757  
authorized under this section. 27758

**Sec. 3319.02.** (A)(1) As used in this section, "other 27759  
administrator" means ~~either~~ any of the following: 27760

(a) Except as provided in division (A)(2) of this section, 27761  
any employee in a position for which a board of education requires 27762  
a license designated by rule of the department of education for 27763  
being an administrator issued under section 3319.22 of the Revised 27764  
Code, including a professional pupil services employee or 27765  
administrative specialist or an equivalent of either one who is 27766  
not employed as a school counselor and spends less than fifty per 27767  
cent of the time employed teaching or working with students; 27768

(b) Any nonlicensed employee whose job duties enable such 27769  
employee to be considered as either a "supervisor" or a 27770  
"management level employee," as defined in section 4117.01 of the 27771  
Revised Code; 27772

(c) A business manager appointed under section 3319.03 of the 27773  
Revised Code. 27774

(2) As used in this section, "other administrator" does not 27775  
include a superintendent, assistant superintendent, principal, or 27776

assistant principal. 27777

(B) The board of education of each school district and the 27778  
governing board of an educational service center may appoint one 27779  
or more assistant superintendents and such other administrators as 27780  
are necessary. An assistant educational service center 27781  
superintendent or service center supervisor employed on a 27782  
part-time basis may also be employed by a local board as a 27783  
teacher. The board of each city, exempted village, and local 27784  
school district shall employ principals for all high schools and 27785

village, and local school districts, assistant superintendents, 27790  
principals, assistant principals, and other administrators shall 27791  
only be employed or reemployed in accordance with nominations of 27792  
the superintendent, except that a ~~city or exempted village~~ board 27793

service center, by a three-fourths vote of its full membership, 27795  
may reemploy any assistant superintendent, principal, assistant 27796  
principal, or other administrator whom the superintendent refuses 27797  
to nominate. ~~In local school districts, assistant superintendents,~~ 27798  
~~principals, assistant principals, and other administrators shall~~ 27799  
~~only be employed or reemployed in accordance with nominations of~~ 27800  
~~the superintendent of the service center of which the local~~ 27801  
~~district is a part, except that a local board of education, by a~~ 27802  
~~three fourths vote of its full membership, may reemploy any~~ 27803  
~~assistant superintendent, principal, assistant principal, or other~~ 27804  
~~administrator whom such superintendent refuses to nominate.~~ 27805

The board of education or governing board shall execute a 27806  
written contract of employment with each assistant superintendent, 27807  
principal, assistant principal, and other administrator it employs 27808

or reemploys. The term of such contract shall not exceed three 27809  
years except that in the case of a person who has been employed as 27810  
an assistant superintendent, principal, assistant principal, or 27811  
other administrator in the district or center for three years or 27812  
more, the term of the contract shall be for not more than five 27813  
years and, unless the superintendent of the district recommends 27814  
otherwise, not less than two years. If the superintendent so 27815  
recommends, the term of the contract of a person who has been 27816  
employed by the district or service center as an assistant 27817  
superintendent, principal, assistant principal, or other 27818  
administrator for three years or more may be one year, but all 27819  
subsequent contracts granted such person shall be for a term of 27820  
not less than two years and not more than five years. When a 27821  
teacher with continuing service status becomes an assistant 27822  
superintendent, principal, assistant principal, or other 27823  
administrator with the district or service center with which the 27824  
teacher holds continuing service status, the teacher retains such 27825  
status in the teacher's nonadministrative position as provided in 27826  
sections 3319.08 and 3319.09 of the Revised Code. 27827

A board of education or governing board may reemploy an 27828  
assistant superintendent, principal, assistant principal, or other 27829

immediately preceding the year of expiration of the employment 27832  
contract and ending on the last day of March of the year the 27833  
employment contract expires. 27834

Except by mutual agreement of the parties thereto, no 27835  
assistant superintendent, principal, assistant principal, or other 27836  
administrator shall be transferred during the life of a contract 27837  
to a position of lesser responsibility. No contract may be 27838  
terminated by a board except pursuant to section 3319.16 of the 27839  
Revised Code. No contract may be suspended except pursuant to 27840

section 3319.17 or 3319.171 of the Revised Code. The salaries and 27841  
compensation prescribed by such contracts shall not be reduced by 27842  
a board unless such reduction is a part of a uniform plan 27843  
affecting the entire district or center. The contract shall 27844  
specify the employee's administrative position and duties as 27845  
included in the job description adopted under division (D) of this 27846  
section, the salary and other compensation to be paid for 27847  
performance of duties, the number of days to be worked, the number 27848  
of days of vacation leave, if any, and any paid holidays in the 27849  
contractual year. 27850

An assistant superintendent, principal, assistant principal, 27851  
or other administrator is, at the expiration of the current term 27852  
of employment, deemed reemployed at the same salary plus any 27853  
increments that may be authorized by the board, unless such 27854  
employee notifies the board in writing to the contrary on or 27855  
before the first day of June, or unless such board, on or before 27856  
the last day of March of the year in which the contract of 27857  
employment expires, either reemploys such employee for a 27858  
succeeding term or gives written notice of its intention not to 27859  
reemploy the employee. The term of reemployment of a person 27860  
reemployed under this paragraph shall be one year, except that if 27861  
such person has been employed by the school district or service 27862  
center as an assistant superintendent, principal, assistant 27863  
principal, or other administrator for three years or more, the 27864  
term of reemployment shall be two years. 27865

(D)(1) Each board shall adopt procedures for the evaluation 27866  
of all assistant superintendents, principals, assistant 27867  
principals, and other administrators and shall evaluate such 27868  
employees in accordance with those procedures. The evaluation 27869  
based upon such procedures shall be considered by the board in 27870  
deciding whether to renew the contract of employment of an 27871  
assistant superintendent, principal, assistant principal, or other 27872

administrator. 27873

(2) The evaluation shall measure each assistant 27874  
superintendent's, principal's, assistant principal's, and other 27875  
administrator's effectiveness in performing the duties included in 27876  
the job description and the evaluation procedures shall provide 27877  
for, but not be limited to, the following: 27878

(a) Each assistant superintendent, principal, assistant 27879  
principal, and other administrator shall be evaluated annually 27880  
through a written evaluation process. 27881

(b) The evaluation shall be conducted by the superintendent 27882  
or designee. 27883

(c) In order to provide time to show progress in correcting 27884  
the deficiencies identified in the evaluation process, the 27885  
evaluation process shall be completed as follows: 27886

(i) In any school year that the employee's contract of 27887  
employment is not due to expire, at least one evaluation shall be 27888  
completed in that year. A written copy of the evaluation shall be 27889  
provided to the employee no later than the end of the employee's 27890  
contract year as defined by the employee's annual salary notice. 27891

(ii) In any school year that the employee's contract of 27892  
employment is due to expire, at least a preliminary evaluation and 27893  
at least a final evaluation shall be completed in that year. A 27894  
written copy of the preliminary evaluation shall be provided to 27895  
the employee at least sixty days prior to any action by the board 27896  
on the employee's contract of employment. The final evaluation 27897  
shall indicate the superintendent's intended recommendation to the 27898  
board regarding a contract of employment for the employee. A 27899  
written copy of the evaluation shall be provided to the employee 27900  
at least five days prior to the board's acting to renew or not 27901  
renew the contract. 27902

(3) Termination of an assistant superintendent, principal, 27903

assistant principal, or other administrator's contract shall be 27904  
pursuant to section 3319.16 of the Revised Code. Suspension of any 27905  
such employee shall be pursuant to section 3319.17 or 3319.171 of 27906  
the Revised Code. 27907

(4) Before taking action to renew or nonrenew the contract of 27908  
an assistant superintendent, principal, assistant principal, or 27909  
other administrator under this section and prior to the last day 27910  
of March of the year in which such employee's contract expires, 27911  
the board shall notify each such employee of the date that the 27912  
contract expires and that the employee may request a meeting with 27913  
the board. Upon request by such an employee, the board shall grant 27914  
the employee a meeting in executive session. In that meeting, the 27915  
board shall discuss its reasons for considering renewal or 27916  
nonrenewal of the contract. The employee shall be permitted to 27917  
have a representative, chosen by the employee, present at the 27918  
meeting. 27919

(5) The establishment of an evaluation procedure shall not 27920  
create an expectancy of continued employment. Nothing in division 27921  
(D) of this section shall prevent a board from making the final 27922  
determination regarding the renewal or nonrenewal of the contract 27923  
of any assistant superintendent, principal, assistant principal, 27924  
or other administrator. However, if a board fails to provide 27925  
evaluations pursuant to division (D)(2)(c)(i) or (ii) of this 27926  
section, or if the board fails to provide at the request of the 27927  
employee a meeting as prescribed in division (D)(4) of this 27928  
section, the employee automatically shall be reemployed at the 27929  
same salary plus any increments that may be authorized by the 27930  
board for a period of one year, except that if the employee has 27931  
been employed by the district or service center as an assistant 27932  
superintendent, principal, assistant principal, or other 27933  
administrator for three years or more, the period of reemployment 27934  
shall be for two years. 27935

(E) On nomination of the superintendent of a service center a governing board may employ supervisors who shall be employed under written contracts of employment for terms not to exceed five years each. Such contracts may be terminated by a governing board pursuant to section 3319.16 of the Revised Code. Any supervisor employed pursuant to this division may terminate the contract of employment at the end of any school year after giving the board at least thirty days' written notice prior to such termination. On the recommendation of the superintendent the contract or contracts of any supervisor employed pursuant to this division may be suspended for the remainder of the term of any such contract pursuant to section 3319.17 or 3319.171 of the Revised Code.

(F) A board may establish vacation leave for any individuals employed under this section. Upon such an individual's separation from employment, a board that has such leave may compensate such an individual at the individual's current rate of pay for all lawfully accrued and unused vacation leave credited at the time of separation, not to exceed the amount accrued within three years before the date of separation. In case of the death of an individual employed under this section, such unused vacation leave as the board would have paid to the individual upon separation under this section shall be paid in accordance with section 2113.04 of the Revised Code, or to the estate.

(G) The board of education of any school district may contract with the governing board of the educational service center from which it otherwise receives services to conduct searches and recruitment of candidates for assistant superintendent, principal, assistant principal, and other administrator positions authorized under this section.

**Sec. 3319.19.** (A) Except as provided in division (D) of this 28024  
section or division (A)(2) of section 3313.37 of the Revised Code, 28025  
upon request, the board of county commissioners shall provide and 28026  
equip offices in the county for the use of the superintendent of 28027

water, and janitorial services for such offices. Such offices 28029

shall be the permanent headquarters of the superintendent and 28030  
shall be used by the governing board of the service center when it 28031  
is in session. Except as provided in division (B) of this section, 28032  
such offices shall be located in the county seat or, upon the 28033  
approval of the governing board, may be located outside of the 28034  
county seat. 28035

(B) In the case of a service center formed under section 28036  
3311.053 or 3311.059 of the Revised Code, the governing board 28037  
shall designate the site of its offices. Except as provided in 28038  
division (D) of this section or division (A)(2) of section 3313.37 28039

county in which the designated site is located shall provide and 28041  
equip the offices as under division (A) of this section, but the 28042  
costs of such offices and equipment shall be apportioned among the 28043  
boards of county commissioners of all counties having any 28044  
territory in the area under the control of the governing board, 28045  
according to the proportion of local school district pupils under 28046  
the supervision of such board residing in the respective counties. 28047  
Where there is a dispute as to the amount any board of county 28048  
commissioners is required to pay, the probate judge of the county 28049  
in which the greatest number of pupils under the supervision of 28050  
the governing board reside shall apportion such costs among the 28051  
boards of county commissioners and notify each such board of its 28052  
share of the costs. 28053

(C) ~~Not~~ As used in division (C) of this section, in the case 28054  
of a building, facility, or office space that a board of county 28055  
commissioners leases or rents, "actual cost per square foot" means 28056  
all cost on a per square foot basis incurred by the board under 28057  
the lease or rental agreement. In the case of a building, 28058  
facility, or office space that the board owns in fee simple, 28059  
"actual cost per square foot" means the fair rental value on a per 28060  
square foot basis of the building, facility, or office space 28061

either as compared to a similarly situated building, facility, or 28062  
office space in the general vicinity or as calculated under a 28063  
formula that accounts for depreciation, amortization of 28064  
improvements, and other reasonable factors, including, but not 28065  
limited to, parking space and other amenities. 28066

Not later than the thirty-first day of March of 2002, 2003, 28067  
2004, and 2005 a board of county commissioners required to provide 28068  
or equip offices pursuant to division (A) or (B) of this section 28069  
shall make a written estimate of the total cost it will incur for 28070  
the ensuing fiscal year to provide and equip the offices and to 28071  
provide heat, light, water, and janitorial services for such 28072  
offices. The total estimate of cost shall include: 28073

(1) The total square feet of space to be utilized by the 28074  
educational service center; 28075

(2) The total square feet of any common areas that should be 28076  
reasonably allocated to the center and the methodology for making 28077  
this allocation; 28078

(3) The actual cost per square foot for both the space 28079  
utilized by and the common area allocated to the center; 28080

(4) An explanation of the methodology used to determine the 28081  
actual cost per square foot ~~cost~~; 28082

(5) The estimated cost of providing heat, light, and water, 28083  
including an explanation of how these costs were determined; 28084

(6) The estimated cost of providing janitorial services 28085  
including an explanation of the methodology used to determine this 28086  
cost; 28087

(7) Any other estimated costs that the board anticipates it 28088  
will occur and a detailed explanation of the costs and the 28089  
rationale used to determine such costs. 28090

A copy of the total estimate of costs under this division 28091

shall be sent to the superintendent of the educational service 28092  
center not later than the fifth day of April. The superintendent 28093  
shall review the total estimate and shall notify the board of 28094  
county commissioners not later than twenty days after receipt of 28095  
the estimate of either agreement with the estimate or any specific 28096  
objections to the estimates and the reasons for the objections. If 28097  
the superintendent agrees with the estimate, it shall become the 28098  
final total estimate of cost. Failure of the superintendent to 28099  
make objections to the estimate by the twentieth day after receipt 28100  
of it shall be deemed to mean that the superintendent is in 28101  
agreement with the estimate. 28102

If the superintendent provides specific objections to the 28103  
board of county commissioners, the board shall review the 28104  
objections and may modify the original estimate and shall send a 28105  
revised total estimate to the superintendent within ten days after 28106  
the receipt of the superintendent's objections. The superintendent 28107  
shall respond to the revised estimate within ten days after its 28108  
receipt. If the superintendent agrees with it, it shall become the 28109  
final total estimated cost. If the superintendent fails to respond 28110  
within the required time, the superintendent shall be deemed to 28111  
have agreed with the revised estimate. If the superintendent 28112  
disagrees with the revised estimate, the superintendent shall send 28113  
specific objections to the county commissioners. 28114

If a superintendent has sent specific objections to the 28115  
revised estimate within the required time, the probate judge of 28116  
the county which has the greatest number of resident local school 28117  
district pupils under the supervision of the educational service 28118  
center shall determine the final estimated cost and certify this 28119  
amount to the superintendent and the board of county commissioners 28120  
prior to the first day of July. 28121

(D)(1) A board of county commissioners shall be responsible 28122  
for the following percentages of the final total estimated cost 28123

established by division (C) of this section:	28124
(a) Eighty per cent for fiscal year 2003;	28125
(b) Sixty per cent for fiscal year 2004;	28126
(c) Forty per cent for fiscal year 2005;	28127
(d) Twenty per cent for fiscal year 2006.	28128
In fiscal years 2003, 2004, 2005, and 2006 the educational	28129
service center shall be responsible for the remainder of any costs	28130
in excess of the amounts specified in division (D)(1)(a),(b), <del>or</del>	28131
(c), <u>or (d)</u> of this section, as applicable, associated with the	28132
provision and equipment of offices for the educational service	28133
center and for provision of heat, light, water, and janitorial	28134
services for such offices, including any unanticipated or	28135
unexpected increases in the costs beyond the final estimated cost	28136
amount.	28137
Beginning in fiscal year 2007, no board of county	28138
commissioners shall have any obligation to provide and equip	28139
offices for an educational service center or to provide heat,	28140
light, water, or janitorial services for such offices.	28141
(2) Nothing in this section shall prohibit the board of	28142
county commissioners and the governing board of an educational	28143
service center from entering into a contract for providing and	28144
equipping offices for the use of an educational service center and	28145
for providing heat, light, water, and janitorial services for such	28146
offices. The term of any such contract shall not exceed a period	28147
of four years and may be renewed for additional periods not to	28148
exceed four years. Any such contract shall supersede the	28149
provisions of division (D)(1) of this section and no educational	28150
service center may be charged, at any time, any additional amount	28151
for the county's provision of an office and equipment, heat,	28152
light, water, and janitorial services beyond the amount specified	28153
in such contract.	28154

(3) No contract entered into under division (D)(2) of this section in any year prior to fiscal year 2007 between an educational service center formed under section 3311.053 or 3311.059 of the Revised Code and the board of county commissioners required to provide and equip its office pursuant to division (B) of this section shall take effect unless the boards of county commissioners of all other counties required to participate in the funding for such offices pursuant to division (B) of this section adopt resolutions approving the contract.

However, no educator license shall be required for teaching children two years old or younger.

(2) If the state board requires any examinations for educator licensure, the department of education shall provide the results of such examinations to the Ohio board of regents, in the form and manner requested by the board of regents.

(B) Any rules the state board of education adopts, amends, or rescinds for educator licenses under this section, division (D) of section 3301.07 of the Revised Code, or any other law shall be adopted, amended, or rescinded under Chapter 119. of the Revised Code except as follows:

Instead, the effective date shall be the date prescribed by section 3319.23 of the Revised Code.

(2) Notwithstanding the authority to adopt, amend, or rescind emergency rules in division (F) of section 119.03 of the Revised Code, this authority shall not apply to the state board of education with regard to rules for educator licenses.

(C)(1) The rules adopted under this section establishing standards requiring additional coursework for the renewal of any educator license shall require a school district and a chartered nonpublic school to establish local professional development committees. In a nonpublic school, the chief administrative officer shall establish the committees in any manner acceptable to such officer. The committees established under this division shall determine whether coursework that a district or chartered nonpublic school teacher proposes to complete meets the requirement of the rules. The rules shall establish a procedure by which a teacher may appeal the decision of a local professional development committee.

(2) In any school district in which there is no exclusive representative established under Chapter 4117. of the Revised Code, the professional development committees shall be established as described in division (C)(2) of this section.

Not later than the effective date of the rules adopted under this section, the board of education of each school district shall establish the structure for one or more local professional development committees to be operated by such school district. The committee structure so established by a district board shall remain in effect unless within thirty days prior to an anniversary of the date upon which the current committee structure was established, the board provides notice to all affected district employees that the committee structure is to be modified. Professional development committees may have a district-level or building-level scope of operations, and may be established with regard to particular grade or age levels for which an educator

license is designated. 28218

Each professional development committee shall consist of at 28219  
least three classroom teachers employed by the district, one 28220  
principal employed by the district, and one other employee of the 28221  
district appointed by the district superintendent. For committees 28222  
with a building-level scope, the teacher and principal members 28223  
shall be assigned to that building, and the teacher members shall 28224  
be elected by majority vote of the classroom teachers assigned to 28225  
that building. For committees with a district-level scope, the 28226

in which case the one or two principals employed shall serve on 28231  
the committee. If a committee has a particular grade or age level 28232

classroom teachers holding such a license and the principal shall 28235

of the remaining members of the committee so selected. 28241

Terms of office on professional development committees shall 28242  
be prescribed by the district board establishing the committees. 28243  
The conduct of elections for members of professional development 28244  
committees shall be prescribed by the district board establishing 28245  
the committees. A professional development committee may include 28246  
additional members, except that the majority of members on each 28247  
such committee shall be classroom teachers employed by the 28248

higher education" means an institution of higher education as 28917  
defined in section 3345.12 of the Revised Code. 28918

(A) By April 15, 2005, the Ohio board of regents shall do all 28919  
of the following: 28920

(1) Establish policies and procedures applicable to all state 28921  
institutions of higher education that ensure that students can 28922  
begin higher education at any state institution of higher 28923  
education and transfer coursework and degrees to any other state 28924  
institution of higher education without unnecessary duplication or 28925  
institutional barriers. The purpose of this requirement is to 28926  
allow students to attain their highest educational aspirations in 28927  
the most efficient and effective manner for the students and the 28928  
state. These policies and procedures shall require state 28929  
institutions of higher education to make changes or modifications, 28930  
as needed, to strengthen course content so as to ensure 28931  
equivalency for that course at any state institution of higher 28932  
education. 28933

(2) Develop and implement a universal course equivalency 28934  
classification system for state institutions of higher education 28935  
so that the transfer of students and the transfer and articulation 28936  
of equivalent courses or specified learning modules or units 28937  
completed by students are not inhibited by inconsistent judgment 28938  
about the application of transfer credits. Coursework completed 28939  
within such a system at one state institution of higher education 28940

and transferred to another institution shall be applied to the 28941  
student's degree objective in the same manner as equivalent 28942  
coursework completed at the receiving institution. 28943

(3) Develop a system of transfer policies that ensure that 28944  
graduates with associate degrees which include completion of 28945  
approved transfer modules shall be admitted to a state institution 28946  
of higher education baccalaureate program, except specific limited 28947  
access programs or majors that have admission requirements other 28948  
than academic performance, and shall have priority over 28949  
out-of-state associate degree graduates and transfer students. To 28950  
assist a student in advising and transferring, all state 28951  
institutions of higher education shall fully implement the course 28952  
applicability system. 28953

(4) Examine the feasibility of developing a transfer 28954  
marketing agenda that includes materials and interactive 28955  
technology to inform the citizens of Ohio about the availability 28956  
of transfer options at state institutions of higher education and 28957  
to encourage adults to return to colleges and universities for 28958  
additional education; 28959

(5) Study, in consultation with the state board of career 28960  
colleges and schools, and in light of existing criteria and any 28961  
other criteria developed by the articulation and transfer advisory 28962  
council, the feasibility of credit recognition and transferability 28963  
to state institutions of higher education for graduates who have 28964  
received associate degrees from a career college or school with a 28965  
certificate of registration from the state board of career 28966  
colleges and schools under Chapter 3332. of the Revised Code. 28967

(B) By April 15, 2004, the board shall report to the general 28968  
assembly on its progress in attaining completion of the actions 28969  
prescribed in division (A) of this section. 28970

is proposed. 29482

(E) No state funds, including any state bond proceeds, shall 29496  
be spent on the construction of any state historical facility 29497

under this chapter unless the general assembly has specifically 29498  
authorized the spending of money on, or made an appropriation for, 29499  
the construction of the arts project related to the facility, or 29500  
for rental payments relating to the financing of the construction 29501  
of the arts project. Authorization to spend money, or an 29502

chapter. 29516

facility, the commission has received a financial and development 29518  
plan satisfactory to it, and provision has been made, by agreement 29519  
or otherwise, satisfactory to the commission, for a contribution 29520  
amounting to not less than eighty-five per cent of the total 29521  
estimated construction cost of the facility, excluding any site 29522  
acquisition cost, from sources other than the state. 29523

the facility. Authorization to spend money, or an appropriation, 29528  
for planning or determining the feasibility of or need for the 29529

facility does not constitute authorization to spend money on, or 29530  
an appropriation for, costs of constructing the facility. 29531

(4) If state bond proceeds are being used for the Ohio sports 29532  
facility, the state or a governmental agency owns or has 29533

the facility or in the portion or portions of the facility 29535  
financed from proceeds of state bonds, which may include, but is 29536

~~of time remaining to the date of payment or provision for payment~~ 29544  
~~of outstanding state bonds allocable to costs of the facility, all~~ 29545  
~~as determined by the director of budget and management and~~ 29546  
~~certified by the director to the Ohio arts and sports facilities~~ 29547  
~~commission and to the Ohio building authority.~~ 29548

the precinct at the time the local option petition was filed, 29600  
regardless of the change in the boundaries. 29601

meet the requirements of division (B)(1) of this section in a 29603  
manner that causes a member of a county central committee to no 29604

the twenty-five days immediately preceding a primary or general 29618

~~(2) When any part of the boundary of a precinct also forms a 29629  
part of the boundary of a legislative district and the precinct 29630  
boundary cannot be determined by August 1, 2000, using the 29631

without making that part of the precinct boundary that also forms 29633  
part of the legislative district boundary different from that 29634  
legislative district boundary, the board of elections may 29635  
determine the boundary of that precinct using the geographical 29636

because of unusual physical boundaries or residential development 29644  
practices that would cause unusual hardship for voters. The board 29645  
shall identify the affected precincts and census units, explain 29646  
the reason for the waiver request, and include a map illustrating 29647  
where the census units will be split because of the requested 29648

state for a waiver from the requirement of division (A) of this 29654  
section regarding the number of electors in a precinct when the 29655~~

more than one thousand four hundred electors. The board shall 29658  
identify the affected precincts and census units, explain the 29659  
reason for the waiver request, and include a map illustrating 29660  
where census units will be split because of the requested waiver. 29661  
If the secretary of state approves the waiver and so notifies the 29662  
board of elections in writing, the board may change a precinct 29663
