shall be maintained a record of school membership, which record	31279

of the tests required by that section and was not excused pursuant 31298  
to division (C)(1) of that section; 31299

(4) Any pupil who has attained the age of twenty-two years, 31300  
except for veterans of the armed services whose attendance was 31301  
interrupted before completing the recognized twelve-year course of 31302

armed forces and who apply for reenrollment in the public school 31304  
system of their residence not later than four years after 31305  
termination of war or their honorable discharge. 31306

If, however, any veteran described by division (E)(4) of this 31307  
section elects to enroll in special courses organized for veterans 31308  
for whom tuition is paid under the provisions of federal laws, or 31309  
otherwise, that veteran shall not be included in average daily 31310

Notwithstanding division (E)(3) of this section, the 31312  
membership of any school may include a pupil who did not take a 31313  
test required by section 3301.0711 of the Revised Code if the 31314  
superintendent of public instruction grants a waiver from the 31315  
requirement to take the test to the specific pupil. The 31316

is actually open for instruction during the first full school week 31324  
in October by the total number of days the school was actually 31325  
open for instruction during that week. For purposes of state 31326  
funding, "enrolled" persons are only those pupils who are 31327  
attending school, those who have attended school during the 31328  
current school year and are absent for authorized reasons, and 31329  
those handicapped children currently receiving home instruction. 31330

The average daily membership figure of any cooperative 31331  
education school district shall be determined in accordance with 31332  
rules adopted by the state board of education. 31333

(F)(1) If the formula ADM for the first full school week in 31334  
February is at least three per cent greater than that certified 31335  
for the first full school week in the preceding October, the 31336  
superintendent of schools of any city, exempted village, or joint 31337  
vocational school district or educational service center shall 31338  
certify such increase to the superintendent of public instruction. 31339  
Such certification shall be submitted no later than the fifteenth 31340  
day of February. For the balance of the fiscal year, beginning 31341  
with the February payments, the superintendent of public 31342  
instruction shall use the increased formula ADM in calculating or 31343  
recalculating the amounts to be allocated in accordance with 31344  
section 3317.022 or 3317.16 of the Revised Code. In no event shall 31345  
the superintendent use an increased membership certified to the 31346  
superintendent after the fifteenth day of February. 31347

(2) If on the first school day of April the total number of 31348  
classes or units for handicapped preschool children that are 31349

eligible for approval under division (B) of section 3317.05 of the Revised Code exceeds the number of units that have been approved for the year under that division, the superintendent of schools of any city, exempted village, or cooperative education school district or educational service center shall make the certifications required by this section for that day. If the ~~state board of education~~ department determines additional units can be approved for the fiscal year within any limitations set forth in the acts appropriating moneys for the funding of such units, the ~~board~~ department shall approve additional units for the fiscal year on the basis of such average daily membership. For each unit so approved, the department ~~of education~~ shall pay an amount computed in the manner prescribed in section 3317.052 or 3317.19 and section 3317.053 of the Revised Code.

(3) If a student attending a community school under Chapter 3314. of the Revised Code is not included in the formula ADM certified for the first full school week of October for the school district in which the student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code, the department of education shall adjust the formula ADM of that school district to include the community school student in accordance with division (C)(2) of this section, and shall recalculate the school district's payments under this chapter for the entire fiscal year on the basis of that adjusted formula ADM. This requirement applies regardless of whether the student was enrolled, as defined in division (E) of this section, in the community school during the first full school week in October.

the Revised Code shall, for the units under the superintendent's 31387  
supervision, certify to the state board of education the average 31388  
daily membership in those units, in the manner prescribed by the 31389  
superintendent of public instruction. 31390

(3)(a) If on the first school day of April the number of 31405

funding of the classes and units described in division (G)(3)(a) 31415  
of this section, the ~~board~~ department shall approve and fund 31416  
additional units for the fiscal year on the basis of such average 31417  
daily membership. For each unit so approved, the department ~~of~~ 31418

sections 3317.052 and 3317.053 of the Revised Code. 31420

that district's membership figure used in the calculation of that 31426  
district's formula ADM or included in the determination of any 31427  
unit approved for the district under section 3317.05 of the 31428  
Revised Code. The reporting official shall report separately the 31429  
average daily membership of all pupils whose attendance in the 31430  
district is unauthorized attendance, and the membership of each 31431  
such pupil shall be credited to the school district in which the 31432

<u>If the school district board determines that an existing</u>	32250

facility has historical value or for other good cause determines 32251  
that an existing facility should be renovated in lieu of acquiring 32252  
a comparable facility by new construction, the commission may 32253  
approve the expenditure of project funds for the renovation of 32254  
that facility up to but not exceeding one hundred per cent of the 32255  
estimated cost of acquiring a comparable facility by new 32256  
construction, as long as the commission determines that the 32257  
facility when renovated can be operationally efficient, will be 32258  
adequate for the future needs of the district, and will comply 32259  
with the other provisions of this division. 32260

(D) Sections 125.81 and 153.04 of the Revised Code shall not 32261  
apply to classroom facilities constructed under either sections 32262  
3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised 32263  
Code. 32264

**Sec. 3318.042.** (A) The board of education of any school 32265  
district that is receiving assistance under sections 3318.01 to 32266  
3318.20 of the Revised Code after May 20, 1997, or under sections 32267  
3318.40 to 3318.45 of the Revised Code, and whose project is still 32268  
under construction, may request that the Ohio school facilities 32269  
commission examine whether the circumstances prescribed in either 32270  
division (B)(1) or (2) of this section exist in the school 32271  
district. If the commission so finds, the commission shall review 32272  
the school district's original assessment and approved project and 32273  
consider providing additional assistance to the school district to 32274  
correct the prescribed conditions found to exist in the district. 32275  
Additional assistance under this section shall be limited to 32276  
additions to one or more buildings, remodeling of one or more 32277  
buildings, or changes to the infrastructure of one or more 32278  
buildings. 32279

(B) Consideration of additional assistance to a school 32280  
district under this section is warranted in either of the 32281

following circumstances: 32282

(1) Additional work is needed to correct an oversight or 32283  
deficiency not identified or included in the district's initial 32284  
assessment. 32285

(2) Other conditions exist that, in the opinion of the 32286  
commission, warrant additions or remodeling of the project 32287  
facilities or changes to infrastructure associated with the 32288  
district's project that were not identified in the initial 32289  
assessment and plan. 32290

(C) If the commission decides in favor of providing 32291  
additional assistance to any school district under this section, 32292  
the school district shall be responsible for paying for its 32293  
portion of the cost of the additions, remodeling, or 32294  
infrastructure changes pursuant to section 3318.083 of the Revised 32295  
Code. If, after making a financial evaluation of the school 32296  
district, the commission determines that the school district is 32297  
unable without undue hardship, according to the guidelines adopted 32298  
by the commission, to fund the school district portion of the 32299  
increase, then the state and the school district shall enter into 32300  
an agreement whereby the state shall pay the portion of the cost 32301  
increase attributable to the school district which is determined 32302  
to be in excess of any local resources available to the district 32303  
and the district shall thereafter reimburse the state. The 32304  
commission shall establish the district's schedule for reimbursing 32305  
the state, which shall not extend beyond five ten years. The 32306  
commission may lengthen the reimbursement schedule of a school 32307  
district that has entered into an agreement under this section 32308  
prior to the effective date of this amendment as long as the total 32309  
term of that schedule does not extend beyond ten years. Debt 32310  
incurred under this section shall not be included in the 32311  
calculation of the net indebtedness of the school district under 32312  
section 133.06 of the Revised Code. 32313

**Sec. 3318.05.** The conditional approval of the Ohio school facilities commission for a project shall lapse and the amount reserved and encumbered for such project shall be released unless the school district board accepts such conditional approval within one hundred twenty days following the date of certification of the conditional approval to the school district board and the electors of the school district vote favorably on both of the propositions described in divisions (A) and (B) of this section within one year of the date of such certification, except that a school district described in division (C) of this section does not need to submit the proposition described in division (B) of this section. The propositions described in divisions (A) and (B) of this section shall be combined in a single proposal. If the district board or the district's electors fail to meet such requirements and the amount reserved and encumbered for the district's project is released, the district shall be given first priority for project funding as such funds become available.

(A) On the question of issuing bonds of the school district board, for the school district's portion of the basic project cost, in an amount equal to the school district's portion of the basic project cost ~~less any deduction made under section 3318.033 of the Revised Code and~~ less the amount of the proceeds of any securities authorized or to be authorized under division (J) of section 133.06 of the Revised Code and dedicated by the school district board to payment of the district's portion of the basic project cost; and

(B) On the question of levying a tax the proceeds of which shall be used to pay the cost of maintaining the classroom facilities included in the project. Such tax shall be at the rate of not less than one-half mill for each dollar of valuation for a period of twenty-three years, subject to any extension approved under section 3318.061 of the Revised Code.

(C) If a school district has in place a tax levied under 32346  
section 5705.21 of the Revised Code for general ongoing permanent 32347  
improvements ~~of at least two mills for each dollar of valuation~~ 32348  
and the proceeds of such tax can be used for maintenance, the 32349  
school district need not levy the additional tax required under 32350  
division (B) of this section, provided the school district board 32351  
includes in the agreement entered into under section 3318.08 of 32352  
the Revised Code provisions earmarking an amount from the proceeds 32353  
of that permanent improvement tax for maintenance of classroom 32354  
facilities equivalent to the amount of the additional tax and for 32355  
the equivalent number of years otherwise required under this 32356  
section. 32357

(D) Proceeds of the tax to be used for maintenance of the 32358  
classroom facilities under either division (B) or (C) of this 32359  
section shall be deposited into a separate fund established by the 32360  
school district for such purpose. 32361

Sec. 3318.052. At any time after the electors of a school 32362  
district have approved either or both a property tax levied under 32363  
section 5705.21 or 5705.218 of the Revised Code for the purpose of 32364  
general ongoing permanent improvements or a school district income 32365  
tax levied under Chapter 5748. of the Revised Code, the proceeds 32366  
of which, pursuant to the ballot measures approved by the 32367  
electors, are not so restricted that they cannot be used to pay 32368  
the costs of a project or maintaining classroom facilities, the 32369  
school district board may: 32370

(A) Within one year following the date of the certification 32371  
of the conditional approval of the school district's classroom 32372  
facilities project by the Ohio school facilities commission, enter 32373  
into a written agreement with the commission, which may be part of 32374  
an agreement entered into under section 3318.08 of the Revised 32375  
Code, and in which the school district board covenants and agrees 32376

to do one or both of the following: 32377

(1) Apply a specified amount of available proceeds of that 32378  
property tax levy, of that school district income tax, or of 32379  
securities issued under this section, or of proceeds from any two 32380  
or more of those sources, to pay all or part of the district's 32381  
portion of the basic project cost of its classroom facilities 32382  
project; 32383

(2) Apply available proceeds of either or both a property tax 32384  
levied under section 5705.21 or 5705.218 of the Revised Code in 32385  
effect for a continuing period of time, or of a school district 32386  
income tax levied under Chapter 5748. of the Revised Code in 32387  
effect for a continuing period of time to the payment of costs of 32388  
maintaining the classroom facilities. 32389

(B) Receive, as a credit against the amount of bonds required 32390  
under sections 3318.05 and 3318.06 of the Revised Code, to be 32391  
approved by the electors of the district and issued by the 32392  
district board for the district's portion of the basic project 32393  
cost of its classroom facilities project in order for the district 32394  
to receive state assistance for the project, an amount equal to 32395  
the specified amount that the district board covenants and agrees 32396  
with the commission to apply as set forth in division (A)(1) of 32397  
this section; 32398

(C) Receive, as a credit against the amount of the tax levy 32399  
required under sections 3318.05 and 3318.06 of the Revised Code, 32400  
to be approved by the electors of the district to pay the costs of 32401  
maintaining the classroom facilities in order to receive state 32402  
assistance for the classroom facilities project, an amount 32403  
equivalent to the specified amount of proceeds the school district 32404  
board covenants and agrees with the commission to apply as 32405  
referred to in division (A)(2) of this section; 32406

(D) Apply proceeds of either or both a school district income 32407

tax levied under Chapter 5748. of the Revised Code that may 32408  
lawfully be used to pay the costs of a classroom facilities 32409  
project or of a tax levied under section 5705.21 or 5705.218 of 32410  
the Revised Code to the payment of debt charges on and financing 32411  
costs related to securities issued under this section; 32412

(E) Issue securities to provide moneys to pay all or part of 32413  
the district's portion of the basic project cost of its classroom 32414

under division (A) of this section. Securities issued under this 32416  
section shall be Chapter 133. securities and may be issued as 32417  
general obligation securities or issued in anticipation of a 32418  
school district income tax or as property tax anticipation notes 32419  
under section 133.24 of the Revised Code. The district board's 32420  
resolution authorizing the issuance and sale of general obligation 32421  
securities under this section shall conform to the applicable 32422  
requirements of section 133.22 or 133.23 of the Revised Code. 32423  
Securities issued under this section shall have principal payments 32424  
during each year after the year of issuance over a period of not 32425  
more than twenty-three years and, if so determined by the district 32426  
board, during the year of issuance. Securities issued under this 32427  
section shall not be included in the calculation of net 32428  
indebtedness of the district under section 133.06 of the Revised 32429  
Code, if the resolution of the district board authorizing their 32430  
issuance and sale includes covenants to appropriate annually from 32431  
lawfully available proceeds of a property tax levied under section 32432  
5705.21 or 5705.218 of the Revised Code or of a school district 32433  
income tax levied under Chapter 5748. of the Revised Code and to 32434  
continue to levy and collect the tax in amounts necessary to pay 32435  
the debt charges on and financing costs related to the securities 32436  
as they become due. No property tax levied under section 5705.21 32437  
or 5705.218 of the Revised Code and no school district income tax 32438  
levied under Chapter 5748. of the Revised Code that is pledged, or 32439  
that the school district board has covenanted to levy, collect, 32440

and appropriate annually, to pay the debt charges on and financing 32441  
costs related to securities issued under this section shall be 32442  
repealed while those securities are outstanding. If such a tax is 32443  
reduced by the electors of the district or by the district board 32444  
while those securities are outstanding, the school district board 32445  
shall continue to levy and collect the tax under the authority of 32446  
the original election authorizing the tax at a rate in each year 32447  
that the board reasonably estimates will produce an amount in that 32448  
year equal to the debt charges on the securities in that year, 32449  
except that in the case of a school district income tax that 32450  
amount shall be rounded up to the nearest one-fourth of one per 32451  
cent. 32452

No state moneys shall be released for a project to which this 32453  
section applies until the proceeds of the tax securities issued 32454  
under this section that are dedicated for the payment of the 32455  
district portion of the basic project cost of its classroom 32456  
facilities project are first deposited into the district's project 32457  
construction fund. 32458

**Sec. 3318.06.** (A) After receipt of the conditional approval 32459  
of the Ohio school facilities commission, the school district 32460  
board by a majority of all of its members shall, if it desires to 32461  
proceed with the project, declare all of the following by 32462  
resolution: 32463

(1) That by issuing bonds in an amount equal to the school 32464  
district's portion of the basic project cost, ~~including bonds~~ 32465  
~~previously authorized by the district's electors as described in~~ 32466  
~~section 3318.033 of the Revised Code,~~ the district is unable to 32467  
provide adequate classroom facilities without assistance from the 32468  
state; 32469

(2) Unless the school district board has resolved to apply 32470  
the proceeds of a property tax or the proceeds of an income tax, 32471

or a combination of proceeds from such taxes, as authorized under 32472  
section 3318.052 of the Revised Code, that to qualify for such 32473  
state assistance it is necessary to do either of the following: 32474

(a) Levy a tax outside the ten-mill limitation the proceeds 32475  
of which shall be used to pay the cost of maintaining the 32476  
classroom facilities included in the project; 32477

(b) Earmark for maintenance of classroom facilities from the 32478  
proceeds of an existing permanent improvement tax levied under 32479  
section 5705.21 of the Revised Code, if such tax ~~is of at least~~ 32480  
~~two mills for each dollar of valuation and~~ can be used for 32481  
maintenance, an amount equivalent to the amount of the additional 32482  
tax otherwise required under this section and sections 3318.05 and 32483  
3318.08 of the Revised Code. 32484

(3) That the question of any tax levy specified in a 32485  
resolution described in division (A)(2)(a) of this section, if 32486  
required, shall be submitted to the electors of the school 32487  
district at the next general or primary election, if there be a 32488  
general or primary election not less than seventy-five and not 32489  
more than ninety-five days after the day of the adoption of such 32490  
resolution or, if not, at a special election to be held at a time 32491  
specified in the resolution which shall be not less than 32492  
seventy-five days after the day of the adoption of the resolution 32493  
and which shall be in accordance with the requirements of section 32494  
3501.01 of the Revised Code. 32495

Such resolution shall also state that the question of issuing 32496  
bonds of the board shall be combined in a single proposal with the 32497  
question of such tax levy. More than one election under this 32498  
section may be held in any one calendar year. Such resolution 32499  
shall specify both of the following: 32500

(a) That the rate which it is necessary to levy shall be at 32501  
the rate of not less than one-half mill for each one dollar of 32502

valuation, and that such tax shall be levied for a period of 32503  
twenty-three years; 32504

(b) That the proceeds of the tax shall be used to pay the 32505  
cost of maintaining the classroom facilities included in the 32506  
project. 32507

(B) A copy of a resolution adopted under division (A) of this 32508  
section shall after its passage and not less than seventy-five 32509  
days prior to the date set therein for the election be certified 32510  
to the county board of elections. 32511

The resolution of the school district board, in addition to 32512  
meeting other applicable requirements of section 133.18 of the 32513  
Revised Code, shall state that the amount of bonds to be issued 32514  
will be an amount equal to the school district's portion of the 32515  
basic project cost, and state the maximum maturity of the bonds 32516  
which may be any number of years not exceeding the term calculated 32517  
under section 133.20 of the Revised Code as determined by the 32518  
board. In estimating the amount of bonds to be issued, the board 32519  
shall take into consideration the amount of moneys then in the 32520  
bond retirement fund and the amount of moneys to be collected for 32521  
and disbursed from the bond retirement fund during the remainder 32522  
of the year in which the resolution of necessity is adopted. 32523

If the bonds are to be issued in more than one series, the 32524  
resolution may state, in addition to the information required to 32525  
be stated under division (B)(3) of section 133.18 of the Revised 32526  
Code, the number of series, which shall not exceed five, the 32527  
principal amount of each series, and the approximate date each 32528  
series will be issued, and may provide that no series, or any 32529  
portion thereof, may be issued before such date. Upon such a 32530  
resolution being certified to the county auditor as required by 32531  
division (C) of section 133.18 of the Revised Code, the county 32532  
auditor, in calculating, advising, and confirming the estimated 32533  
average annual property tax levy under that division, shall also 32534

calculate, advise, and confirm by certification the estimated 32535  
average property tax levy for each series of bonds to be issued. 32536

Notice of the election shall include the fact that the tax 32537  
levy shall be at the rate of not less than one-half mill for each 32538  
one dollar of valuation for a period of twenty-three years, and 32539  
that the proceeds of the tax shall be used to pay the cost of 32540  
maintaining the classroom facilities included in the project. 32541

If the bonds are to be issued in more than one series, the 32542  
board of education, when filing copies of the resolution with the 32543  
board of elections as required by division (D) of section 133.18 32544  
of the Revised Code, may direct the board of elections to include 32545  
in the notice of election the principal amount and approximate 32546  
date of each series, the maximum number of years over which the 32547  
principal of each series may be paid, the estimated additional 32548  
average property tax levy for each series, and the first calendar 32549  
year in which the tax is expected to be due for each series, in 32550  
addition to the information required to be stated in the notice 32551  
under division (E)(3)(a) to (e) of section 133.18 of the Revised 32552  
Code. 32553

(C)(1) Except as otherwise provided in division (C)(2) of 32554  
this section, the form of the ballot to be used at such election 32555  
shall be: 32556

"A majority affirmative vote is necessary for passage. 32557

(2) If authority is sought to issue bonds in more than one 32589  
series and the board of education so elects, the form of the 32590  
ballot shall be as prescribed in section 3318.062 of the Revised 32591  
Code. If the board of education elects the form of the ballot 32592  
prescribed in that section, it shall so state in the resolution 32593  
adopted under this section. 32594

(D) If it is necessary for the school district to acquire a 32595  
site for the classroom facilities to be acquired pursuant to 32596

sections 3318.01 to 3318.20 of the Revised Code, the district 32597  
board may propose either to issue bonds of the board or to levy a 32598  
tax to pay for the acquisition of such site, and may combine the 32599  
question of doing so with the questions specified in division (B) 32600  
of this section. Bonds issued under this division for the purpose 32601  
of acquiring a site are a general obligation of the school 32602  
district and are Chapter 133. securities. 32603

The form of that portion of the ballot to include the 32604  
question of either issuing bonds or levying a tax for site 32605  
acquisition purposes shall be one of the following: 32606

(1) "Shall bonds be issued by the ..... (here insert 32607

be paid) years, and an annual levy of property taxes be made 32614  
outside the ten-mill limitation, estimated by the county auditor 32615  
to average over the repayment period of the bond issue ..... 32616  
(here insert number of mills) mills for each one dollar of tax 32617  
valuation, which amount to ..... (here insert rate expressed 32618  
in cents or dollars and cents, such as "thirty-six cents" or 32619  
"\$0.36") for each one hundred dollars of valuation to pay the 32620  
annual debt charges on the bonds and to pay debt charges on any 32621  
notes issued in anticipation of the bonds?" 32622

(2) "Shall an additional levy of taxes outside the ten-mill 32623  
limitation be made for the benefit of the ..... (here insert 32624

Where it is necessary to combine the question of issuing 32632  
bonds of the school district and levying a tax as described in 32633  
division (B) of this section with the question of issuing bonds of 32634  
the school district for acquisition of a site, the question 32635  
specified in that division to be voted on shall be "For the Bond 32636  
Issues and the Tax Levy" and "Against the Bond Issues and the Tax 32637  
Levy." 32638

Where it is necessary to combine the question of issuing 32639  
bonds of the school district and levying a tax as described in 32640  
division (B) of this section with the question of levying a tax 32641  
for the acquisition of a site, the question specified in that 32642  
division to be voted on shall be "For the Bond Issue and the Tax 32643  
Levies" and "Against the Bond Issue and the Tax Levies." 32644

Where the school district board chooses to combine the 32645  
question in division (B) of this section with any of the 32646  
additional questions described in divisions (A) to (D) of section 32647  
3318.056 of the Revised Code, the question specified in division 32648  
(B) of this section to be voted on shall be "For the Bond Issues 32649  
and the Tax Levies" and "Against the Bond Issues and the Tax 32650  
Levies." 32651

If a majority of those voting upon a proposition hereunder 32652  
which includes the question of issuing bonds vote in favor 32653  
thereof, and if the agreement provided for by section 3318.08 of 32654  
the Revised Code has been entered into, the school district board 32655  
may proceed under Chapter 133. of the Revised Code, with the 32656  
issuance of bonds or bond anticipation notes in accordance with 32657  
the terms of the agreement. 32658

**Sec. 3318.08.** Except in the case of a joint vocational school 32659

district that receives assistance under sections 3318.40 to 32660  
3318.45 of the Revised Code, if the requisite favorable vote on 32661  
the election is obtained, or if the school district board has 32662  
resolved to apply the proceeds of a property tax levy or the 32663  
proceeds of an income tax, or a combination of proceeds from such 32664  
taxes, as authorized in section 3318.052 of the Revised Code, the 32665  
Ohio school facilities commission, upon certification to it of 32666  
either the results of the election or the resolution under section 32667  
3318.052 of the Revised Code, shall enter into a written agreement 32668  
with the school district board for the construction and sale of 32669  
the project. In the case of a joint vocational school district 32670  
that receives assistance under sections 3318.40 to 3318.45 of the 32671  
Revised Code, if the school district board of education and the 32672  
school district electors have satisfied the conditions prescribed 32673  
in division (D)(1) of section 3318.41 of the Revised Code, the 32674  
commission shall enter into an agreement with the school district 32675  
board for the construction and sale of the project. In either 32676  
case, the agreement shall include, but need not be limited to, the 32677  
following provisions: 32678

(A) The sale and issuance of bonds or notes in anticipation 32679  
thereof, as soon as practicable after the execution of the 32680  
agreement, in an amount equal to the school district's portion of 32681  
the basic project cost, including ~~any bonds previously authorized~~ 32682  
~~by the district's electors as described in section 3318.033 of the~~ 32683  
~~Revised Code and~~ any securities authorized under division (J) of 32684  
section 133.06 of the Revised Code and dedicated by the school 32685  
district board to payment of the district's portion of the basic 32686  
project cost of the project; provided, that if at that time the 32687  
county treasurer of each county in which the school district is 32688  
located has not commenced the collection of taxes on the general 32689  
duplicate of real and public utility property for the year in 32690  
which the controlling board approved the project, the school 32691  
district board shall authorize the issuance of a first installment 32692

of bond anticipation notes in an amount specified by the 32693  
agreement, which amount shall not exceed an amount necessary to 32694  
raise the net bonded indebtedness of the school district as of the 32695  
date of the controlling board's approval to within five thousand 32696  
dollars of the required level of indebtedness for the preceding 32697  
year. In the event that a first installment of bond anticipation 32698  
notes is issued, the school district board shall, as soon as 32699  
practicable after the county treasurer of each county in which the 32700  
school district is located has commenced the collection of taxes 32701  
on the general duplicate of real and public utility property for 32702  
the year in which the controlling board approved the project, 32703  
authorize the issuance of a second and final installment of bond 32704  
anticipation notes or a first and final issue of bonds. 32705

The combined value of the first and second installment of 32706  
bond anticipation notes or the value of the first and final issue 32707  
of bonds shall be equal to the school district's portion of the 32708  
basic project cost. The proceeds of any such bonds shall be used 32709  
first to retire any bond anticipation notes. Otherwise, the 32710  
proceeds of such bonds and of any bond anticipation notes, except 32711  
the premium and accrued interest thereon, shall be deposited in 32712  
the school district's project construction fund. In determining 32713  
the amount of net bonded indebtedness for the purpose of fixing 32714  
the amount of an issue of either bonds or bond anticipation notes, 32715  
gross indebtedness shall be reduced by moneys in the bond 32716  
retirement fund only to the extent of the moneys therein on the 32717  
first day of the year preceding the year in which the controlling 32718  
board approved the project. Should there be a decrease in the tax 32719  
valuation of the school district so that the amount of 32720  
indebtedness that can be incurred on the tax duplicates for the 32721  
year in which the controlling board approved the project is less 32722  
than the amount of the first installment of bond anticipation 32723  
notes, there shall be paid from the school district's project 32724  
construction fund to the school district's bond retirement fund to 32725

be applied against such notes an amount sufficient to cause the 32726  
net bonded indebtedness of the school district, as of the first 32727  
day of the year following the year in which the controlling board 32728  
approved the project, to be within five thousand dollars of the 32729  
required level of indebtedness for the year in which the 32730  
controlling board approved the project. The maximum amount of 32731  
indebtedness to be incurred by any school district board as its 32732  
share of the cost of the project is either an amount that will 32733  
cause its net bonded indebtedness, as of the first day of the year 32734  
following the year in which the controlling board approved the 32735  
project, to be within five thousand dollars of the required level 32736  
of indebtedness, or an amount equal to the required percentage of 32737  
the basic project costs, whichever is greater. All bonds and bond 32738  
anticipation notes shall be issued in accordance with Chapter 133. 32739  
of the Revised Code, and notes may be renewed as provided in 32740  
section 133.22 of the Revised Code. 32741

(B) The transfer of such funds of the school district board 32742  
available for the project, together with the proceeds of the sale 32743  
of the bonds or notes, except premium, accrued interest, and 32744  
interest included in the amount of the issue, to the school 32745  
district's project construction fund; 32746

(C) For all school districts except joint vocational school 32747  
districts that receive assistance under sections 3318.40 to 32748  
3318.45 of the Revised Code, the following provisions as 32749  
applicable: 32750

(1) If section 3318.052 of the Revised Code applies, the 32751  
earmarking of the proceeds of a tax levied under section 5705.21 32752  
of the Revised Code for general ongoing permanent or under section 32753  
5705.218 of the Revised Code for the purpose of permanent 32754  
improvements, or the proceeds of a school district income tax 32755  
levied under Chapter 5748. of the Revised Code, or the proceeds 32756  
from a combination of those two taxes, in an amount to pay all or 32757

part of the service charges on bonds issued to pay the school 32758  
district portion of the project and an amount equivalent to all or 32759  
part of the tax required under division (B) of section 3318.05 of 32760  
the Revised Code; 32761

(2) If section 3318.052 of the Revised Code does not apply, 32762  
either of the following: 32763

(a) The levy of the tax authorized at the election for the 32764  
payment of maintenance costs, as specified in division (B) of 32765  
section 3318.05 of the Revised Code; 32766

**Sec. 3318.30.** (A) There is hereby created the Ohio school 32890  
facilities commission. The commission shall administer the 32891  
provision of financial assistance to school districts for the 32892  
acquisition or construction of classroom facilities in accordance 32893  
with sections 3318.01 to 3318.33 of the Revised Code. 32894

The commission is a body corporate and politic, an agency of 32895  
state government and an instrumentality of the state, performing 32896  
essential governmental functions of this state. The carrying out 32897  
of the purposes and the exercise by the commission of its powers 32898  
conferred by sections 3318.01 to 3318.33 of the Revised Code are 32899  
essential public functions and public purposes of the state. The 32900  
commission may, in its own name, sue and be sued, enter into 32901  
contracts, and perform all the powers and duties given to it by 32902  
sections 3318.01 to 3318.33 of the Revised Code, but it does not 32903  
have and shall not exercise the power of eminent domain. In its 32904  
discretion and as it determines appropriate, the commission may 32905  
delegate to any of its members, executive director, or other 32906  
employees any of the commission's powers and duties to carry out 32907  
its functions. 32908

(B) The commission shall consist of seven members, three of 32909  
whom are voting members. The voting members of the commission 32910  
shall be the director of the office of budget and management, the 32911  
director of administrative services, and the superintendent of 32912  
public instruction, or their designees. Of the nonvoting members, 32913

two shall be members of the senate appointed by the president of 32914  
the senate, and two shall be members of the house of 32915  
representatives appointed by the speaker of the house. Each of the 32916  
appointees of the president, and each of the appointees of the 32917  
speaker, shall be members of different political parties. 32918

Nonvoting members shall serve as members of the commission 32919  
during the legislative biennium for which they are appointed, 32920  
except that any such member who ceases to be a member of the 32921  
legislative house from which the member was appointed shall cease 32922  
to be a member of the commission. Each nonvoting member shall be 32923  
appointed within thirty-one days of the end of the term of that 32924  
member's predecessor. Such members may be reappointed. Vacancies 32925  
of nonvoting members shall be filled in the manner provided for 32926  
original appointments. 32927

Members of the commission shall serve without compensation. 32928

After the initial nonvoting members of the commission have 32929  
been appointed, the commission shall meet and organize by electing 32930  
voting members as the chairperson and vice-chairperson of the 32931  
commission, who shall hold their offices until the next 32932  
organizational meeting of the commission. Organizational meetings 32933  
of the commission shall be held at the first meeting of each 32934  
calendar year. At each organizational meeting, the commission 32935  
shall elect from among its voting members a chairperson and 32936  
vice-chairperson, who shall serve until the next annual 32937  
organizational meeting. The commission shall adopt rules pursuant 32938  
to section 111.15 of the Revised Code for the conduct of its 32939  
internal business and shall keep a journal of its proceedings. 32940  
Including the organizational meeting, the commission shall meet at 32941  
least once each calendar quarter. 32942

Two voting members of the commission constitute a quorum, and 32943  
the affirmative vote of two members is necessary for approval of 32944  
any action taken by the commission. A vacancy in the membership of 32945

the commission does not impair a quorum from exercising all the 32946  
rights and performing all the duties of the commission. Meetings 32947  
of the commission may be held anywhere in the state and shall be 32948  
held in compliance with section 121.22 of the Revised Code. 32949

(C) The commission shall file an annual report of its 32950  
activities and finances with the governor, speaker of the house of 32951  
representatives, president of the senate, and chairpersons of the 32952  
house and senate finance committees. 32953

perform any act and ensure the performance of any function 32957  
necessary or appropriate to carry out the purposes of, and 32958

Code, including any of the following: 32960

of the Revised Code, or authorize the executive director to 32968  
perform such powers and duties. 32969

(3) Receive and accept any gifts, grants, donations, and 32970  
pledges, and receipts therefrom, to be used for the programs 32971  
authorized under Chapter 3318. of the Revised Code. 32972

(4) Make and enter into all contracts, commitments, and 32973  
agreements, and execute all instruments, necessary or incidental 32974  
to the performance of its duties and the execution of its rights 32975

and powers under Chapter 3318. of the Revised Code, or authorize 32976  
the executive director to perform such powers and duties. 32977

an executive director who shall serve at the pleasure of the 32979

the commission. The executive director also shall employ and fix 32982  
the compensation of such employees as will facilitate the 32983  
activities and purposes of the commission, who shall serve at the 32984  
pleasure of the executive director. The employees of the 32985  
commission shall be exempt from Chapter 4117. of the Revised Code 32986  
and shall not be public employees as defined in section 4117.01 of 32987  
the Revised Code. 32988

(C) The attorney general shall serve as the legal 32989  
representative for the commission and may appoint other counsel as 32990  
necessary for that purpose in accordance with section 109.07 of 32991  
the Revised Code. 32992

applications received under this section. The commission, 33046  
utilizing the guidelines adopted under division (B)(2)(a) of this 33047  
section, shall prioritize the school districts to be assessed. 33048

Notwithstanding section 3318.02 of the Revised Code, the 33049  
commission may conduct on-site evaluation of the school districts 33050  
prioritized under this section and approve and award funds until 33051  
such time as all funds set aside under division (B)(1) of this 33052  
section have been encumbered ~~under section 3318.04 of the Revised~~ 33053  
~~Code. However, the commission need not conduct the evaluation of~~ 33054

Revised Code, the school district's portion of the basic project 33059

district's classroom facilities needs as assessed under this 33068  
section when the district is eligible for such assistance pursuant 33069  
to section 3318.02 of the Revised Code, but any classroom facility 33070  
constructed with assistance under this section shall not be 33071  
included in a district's project at that time unless the 33072  
commission determines the district has experienced the increased 33073  
enrollment specified in division (B)(1) of section 3318.04 of the 33074

**Sec. 3318.41.** (A)(1) The Ohio school facilities commission 33081  
annually shall assess the classroom facilities needs of the number 33082  
of joint vocational school districts that the commission 33083  
reasonably expects to be able to provide assistance to in a fiscal 33084  
year, based on the amount set aside for that fiscal year under 33085  
division (B) of section 3318.40 of the Revised Code and the order 33086

Revised Code, except that in fiscal year 2004 the commission shall 33088  
conduct at least the five assessments prescribed in division (E) 33089  
of section 3318.40 of the Revised Code. 33090

Upon conducting an assessment of the classroom facilities 33091  
needs of a school district, the commission shall make a 33092  
determination of all of the following: 33093

(a) The number of classroom facilities to be included in a 33094  
project, ~~including classroom facilities authorized by a bond 33095~~  
~~issued described in section 3318.033 of the Revised Code, and the 33096~~  
basic project cost of acquiring the classroom facilities included 33097  
in the project. The number of facilities and basic project cost 33098

shall be determined in accordance with the specifications adopted 33099  
under section 3318.311 of the Revised Code except to the extent 33100  
that compliance with such specifications is waived by the 33101  
commission pursuant to the rule of the commission adopted under 33102  
division (F) of section 3318.40 of the Revised Code. 33103

(b) The school district's portion of the basic project cost 33104  
as determined under division (C) of section 3318.42 of the Revised 33105  
Code; 33106

(c) The remaining portion of the basic project cost that 33107  
shall be supplied by the state; 33108

(d) The amount of the state's portion of the basic project 33109  
cost to be encumbered in accordance with section 3318.11 of the 33110  
Revised Code in the current and subsequent fiscal bienniums from 33111  
funds set aside under division (B) of section 3318.40 of the 33112  
Revised Code. 33113

(2) Divisions (A), (C), and (D) of section 3318.03 of the 33114  
Revised Code apply to any project under sections 3318.40 to 33115  
3318.45 of the Revised Code. 33116

(B)(1) If the commission makes a determination under division 33117  
(A) of this section in favor of the acquisition of classroom 33118  
facilities for a project under sections 3318.40 to 3318.45 of the 33119  
Revised Code, such project shall be conditionally approved. Such 33120  
conditional approval shall be submitted to the controlling board 33121  
for approval. The controlling board shall immediately approve or 33122  
reject the commission's determination, conditional approval, the 33123  
amount of the state's portion of the basic project cost, and the 33124  
amount of the state's portion of the basic project cost to be 33125  
encumbered in the current fiscal biennium. In the event of 33126  
approval by the controlling board, the commission shall certify 33127  
the conditional approval to the joint vocational school district 33128  
board of education and shall encumber the approved funds for the 33129

current fiscal year. 33130

(2) No school district that receives assistance under 33131  
sections 3318.40 to 3318.45 of the Revised Code shall have another 33132  
such project conditionally approved until the expiration of twenty 33133  
years after the school district's prior project was conditionally 33134  
approved, unless the school district board demonstrates to the 33135  
satisfaction of the commission that the school district has 33136  
experienced since conditional approval of its prior project an 33137  
exceptional increase in enrollment or program requirements 33138  
significantly above the school district's design capacity under 33139  
that prior project as determined by rule of the commission. Any 33140  
rule adopted by the commission to implement this division shall be 33141  
tailored to address the classroom facilities needs of joint 33142  
vocational school districts. 33143

(C) In addition to generating the amount of the school 33144  
district's portion of the basic project cost as determined under 33145  
division (C) of section 3318.42 of the Revised Code, in order for 33146  
a school district to receive assistance under sections 3318.40 to 33147  
3318.45 of the Revised Code, the school district board shall set 33148  
aside school district moneys for the maintenance of the classroom 33149  
facilities included in the school district's project in the amount 33150  
and manner prescribed in section 3318.43 of the Revised Code. 33151

(b) Within one year following the date of certification of 33165

electors of the school district vote favorably on any ballot 33167

school district's portion of the basic project cost. 33169

(2) If the school district board or electors fail to satisfy 33170  
the conditions prescribed in division (D)(1) of this section and 33171  
the amount reserved and encumbered for the school district's 33172  
project is released, the school district shall be given first 33173  
priority over other joint vocational school districts for project 33174  
funding under sections 3318.40 to 3318.45 of the Revised Code as 33175

section 3318.091 of the Revised Code shall be payable only as 33184  
provided in sections 3318.042 and 3318.083 of the Revised Code. 33185

(G) Advertisement for bids and the award of contracts for 33186  
construction of any project under sections 3318.40 to 3318.45 of 33187  
the Revised Code shall be conducted in accordance with section 33188  
3318.10 of the Revised Code. 33189

provided by the school district to pay the basic project cost of a 33191  
project under sections 3318.40 to 3318.45 of the Revised Code 33192

shall be spent simultaneously in proportion to the state's and the 33193  
school district's respective portions of that basic project cost. 33194

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised 33195

**Sec. 3319.01.** Except in an island school district, where the 33198

provided for any cooperative education school district pursuant to 33201  
division (B)(2) of section 3311.52 or division (B)(3) of section 33202  
3311.521 of the Revised Code, the board of education in each 33203  
school district and the governing board of each service center 33204  
shall, at a regular or special meeting held not later than the 33205  
first day of May of the calendar year in which the term of the 33206  
superintendent expires, appoint a person possessed of the 33207  
qualifications provided in this section to act as superintendent, 33208  
for a term not longer than five years beginning the first day of 33209  
August and ending on the thirty-first day of July. Such 33210  
superintendent is, at the expiration of a current term of 33211  
employment, deemed reemployed for a term of one year at the same 33212  
salary plus any increments that may be authorized by the board, 33213  
unless such board, on or before the first day of March of the year 33214  
in which the contract of employment expires, either reemploys the 33215  
superintendent for a succeeding term as provided in this section 33216  
or gives to the superintendent written notice of its intention not 33217  
to reemploy the superintendent. A superintendent may not be 33218  
transferred to any other position during the term of the 33219  
superintendent's employment or reemployment except by mutual 33220  
agreement by the superintendent and the board. If a vacancy occurs 33221  
in the office of superintendent, the board shall appoint a 33222  
superintendent for a term not to exceed five years from the next 33223  
preceding first day of August. 33224

~~Except as otherwise provided in this section, the employment 33225  
or reemployment of a superintendent of a local school district 33226  
shall be only upon the recommendation of the service center 33227  
superintendent, except that a local board of education, by a 33228  
three fourths vote of its full membership, may, after considering 33229  
two nominations for the position of local superintendent made by 33230  
the service center superintendent, employ or reemploy a person not 33231  
so nominated for such position. 33232~~

A board may at any regular or special meeting held during the 33233  
period beginning on the first day of January of the calendar year 33234  
immediately preceding the year the contract of employment of a 33235  
superintendent expires and ending on the first day of March of the 33236  
year it expires, reemploy such superintendent for a succeeding 33237  
term for not longer than five years, beginning on the first day of 33238  
August immediately following the expiration of the 33239  
superintendent's current term of employment and ending on the 33240  
thirty-first day of July of the year in which such succeeding term 33241  
expires. No person shall be appointed to the office of 33242  
superintendent of a city, or exempted village school district or a 33243  
service center who does not hold a license designated for being a 33244  
superintendent issued under section 3319.22 of the Revised Code, 33245  
unless such person had been employed as a county, city, or 33246  
exempted village superintendent prior to August 1, 1939. No person 33247  
shall be appointed to the office of local superintendent who does 33248  
not hold a license designated for being a superintendent issued 33249  
under section 3319.22 of the Revised Code, unless such person held 33250  
or was qualified to hold the position of executive head of a local 33251  
school district on September 16, 1957. At the time of making such 33252  
appointment or designation of term, such board shall fix the 33253  
compensation of the superintendent, which may be increased or 33254  
decreased during such term, provided such decrease is a part of a 33255  
uniform plan affecting salaries of all employees of the district, 33256  
and shall execute a written contract of employment with such 33257

superintendent. 33258

Each board shall adopt procedures for the evaluation of its 33259  
superintendent and shall evaluate its superintendent in accordance 33260  
with those procedures. An evaluation based upon such procedures 33261  
shall be considered by the board in deciding whether to renew the 33262  
superintendent's contract. The establishment of an evaluation 33263  
procedure shall not create an expectancy of continued employment. 33264  
Nothing in this section shall prevent a board from making the 33265  
final determination regarding the renewal or failure to renew of a 33266  
superintendent's contract. 33267

Termination of a superintendent's contract shall be pursuant 33268  
to section 3319.16 of the Revised Code. 33269

A board may establish vacation leave for its superintendent. 33270  
Upon the superintendent's separation from employment a board that 33271  
has such leave may provide compensation at the superintendent's 33272  
current rate of pay for all lawfully accrued and unused vacation 33273  
leave to the superintendent's credit at the time of separation, 33274  
not to exceed the amount accrued within three years before the 33275  
date of separation. In case of the death of a superintendent, such 33276  
unused vacation leave as the board would have paid to this 33277  
superintendent upon separation shall be paid in accordance with 33278  
section 2113.04 of the Revised Code, or to the superintendent's 33279  
estate. 33280

The superintendent shall be the executive officer for the 33281  
board. ~~Except as otherwise provided in this section for local~~ 33282

the pupils to the proper schools and grades, provided that the 33286  
assignment of a pupil to a school outside of the pupil's district 33287  
of residence is approved by the board of the district of residence 33288  
of such pupil; and perform such other duties as the board 33289

determines. ~~The service center superintendent shall exercise the~~ 33290  
~~responsibilities of this section with regard to the assignment of~~ 33291  
~~pupils and teachers for local school districts under the~~ 33292

~~education of a local school district and the governing board of~~ 33294  
~~the educational service center of which the local district is a~~ 33295  
~~part may enter into an agreement requiring the local~~ 33296  
~~superintendent, instead of the superintendent of the educational~~ 33297  
~~service center, to exercise the responsibilities of this section~~ 33298  
~~with regard to the assignment of pupils and teachers for the local~~ 33299  
~~school district.~~ 33300

The board of education of any school district may contract 33301  
with the governing board of the educational service center from 33302  
which it otherwise receives services to conduct searches and 33303  
recruitment of candidates for the superintendent position 33304  
authorized under this section. 33305

**Sec. 3319.02.** (A)(1) As used in this section, "other 33306  
administrator" means ~~either~~ any of the following: 33307

being an administrator issued under section 3319.22 of the Revised 33311  
Code, including a professional pupil services employee or 33312

cent of the time employed teaching or working with students; 33315

(b) Any nonlicensed employee whose job duties enable such 33316

"management level employee," as defined in section 4117.01 of the 33318  
Revised Code; 33319

(c) A business manager appointed under section 3319.03 of the 33320

Revised Code. 33321

(2) As used in this section, "other administrator" does not 33322

(B) The board of education of each school district and the 33325  
governing board of an educational service center may appoint one 33326

~~only be employed or reemployed in accordance with nominations of~~ 33347  
~~the superintendent of the service center of which the local~~ 33348

~~three-fourths vote of its full membership, may reemploy any~~ 33350  
~~assistant superintendent, principal, assistant principal, or other~~ 33351  
~~administrator whom such superintendent refuses to nominate.~~ 33352

The board of education or governing board shall execute a written contract of employment with each assistant superintendent, principal, assistant principal, and other administrator it employs or reemploys. The term of such contract shall not exceed three years except that in the case of a person who has been employed as an assistant superintendent, principal, assistant principal, or other administrator in the district or center for three years or more, the term of the contract shall be for not more than five years and, unless the superintendent of the district recommends otherwise, not less than two years. If the superintendent so recommends, the term of the contract of a person who has been employed by the district or service center as an assistant superintendent, principal, assistant principal, or other administrator for three years or more may be one year, but all subsequent contracts granted such person shall be for a term of not less than two years and not more than five years. When a teacher with continuing service status becomes an assistant superintendent, principal, assistant principal, or other administrator with the district or service center with which the teacher holds continuing service status, the teacher retains such status in the teacher's nonadministrative position as provided in sections 3319.08 and 3319.09 of the Revised Code.

A board of education or governing board may reemploy an assistant superintendent, principal, assistant principal, or other administrator at any regular or special meeting held during the period beginning on the first day of January of the calendar year immediately preceding the year of expiration of the employment contract and ending on the last day of March of the year the employment contract expires.

Except by mutual agreement of the parties thereto, no assistant superintendent, principal, assistant principal, or other administrator shall be transferred during the life of a contract

to a position of lesser responsibility. No contract may be 33385  
terminated by a board except pursuant to section 3319.16 of the 33386  
Revised Code. No contract may be suspended except pursuant to 33387  
section 3319.17 or 3319.171 of the Revised Code. The salaries and 33388  
compensation prescribed by such contracts shall not be reduced by 33389  
a board unless such reduction is a part of a uniform plan 33390  
affecting the entire district or center. The contract shall 33391  
specify the employee's administrative position and duties as 33392  
included in the job description adopted under division (D) of this 33393  
section, the salary and other compensation to be paid for 33394  
performance of duties, the number of days to be worked, the number 33395  
of days of vacation leave, if any, and any paid holidays in the 33396  
contractual year. 33397

An assistant superintendent, principal, assistant principal, 33398  
or other administrator is, at the expiration of the current term 33399  
of employment, deemed reemployed at the same salary plus any 33400  
increments that may be authorized by the board, unless such 33401  
employee notifies the board in writing to the contrary on or 33402  
before the first day of June, or unless such board, on or before 33403  
the last day of March of the year in which the contract of 33404  
employment expires, either reemploys such employee for a 33405  
succeeding term or gives written notice of its intention not to 33406  
reemploy the employee. The term of reemployment of a person 33407  
reemployed under this paragraph shall be one year, except that if 33408  
such person has been employed by the school district or service 33409  
center as an assistant superintendent, principal, assistant 33410  
principal, or other administrator for three years or more, the 33411  
term of reemployment shall be two years. 33412

(D)(1) Each board shall adopt procedures for the evaluation 33413  
of all assistant superintendents, principals, assistant 33414  
principals, and other administrators and shall evaluate such 33415  
employees in accordance with those procedures. The evaluation 33416

based upon such procedures shall be considered by the board in 33417  
deciding whether to renew the contract of employment of an 33418  
assistant superintendent, principal, assistant principal, or other 33419  
administrator. 33420

(2) The evaluation shall measure each assistant 33421  
superintendent's, principal's, assistant principal's, and other 33422  
administrator's effectiveness in performing the duties included in 33423  
the job description and the evaluation procedures shall provide 33424  
for, but not be limited to, the following: 33425

(a) Each assistant superintendent, principal, assistant 33426  
principal, and other administrator shall be evaluated annually 33427  
through a written evaluation process. 33428

(b) The evaluation shall be conducted by the superintendent 33429  
or designee. 33430

(c) In order to provide time to show progress in correcting 33431  
the deficiencies identified in the evaluation process, the 33432  
evaluation process shall be completed as follows: 33433

(i) In any school year that the employee's contract of 33434  
employment is not due to expire, at least one evaluation shall be 33435  
completed in that year. A written copy of the evaluation shall be 33436  
provided to the employee no later than the end of the employee's 33437  
contract year as defined by the employee's annual salary notice. 33438

(ii) In any school year that the employee's contract of 33439  
employment is due to expire, at least a preliminary evaluation and 33440  
at least a final evaluation shall be completed in that year. A 33441  
written copy of the preliminary evaluation shall be provided to 33442  
the employee at least sixty days prior to any action by the board 33443  
on the employee's contract of employment. The final evaluation 33444  
shall indicate the superintendent's intended recommendation to the 33445  
board regarding a contract of employment for the employee. A 33446  
written copy of the evaluation shall be provided to the employee 33447

at least five days prior to the board's acting to renew or not 33448  
renew the contract. 33449

(3) Termination of an assistant superintendent, principal, 33450  
assistant principal, or other administrator's contract shall be 33451  
pursuant to section 3319.16 of the Revised Code. Suspension of any 33452  
such employee shall be pursuant to section 3319.17 or 3319.171 of 33453  
the Revised Code. 33454

(4) Before taking action to renew or nonrenew the contract of 33455  
an assistant superintendent, principal, assistant principal, or 33456  
other administrator under this section and prior to the last day 33457  
of March of the year in which such employee's contract expires, 33458  
the board shall notify each such employee of the date that the 33459  
contract expires and that the employee may request a meeting with 33460  
the board. Upon request by such an employee, the board shall grant 33461  
the employee a meeting in executive session. In that meeting, the 33462  
board shall discuss its reasons for considering renewal or 33463  
nonrenewal of the contract. The employee shall be permitted to 33464  
have a representative, chosen by the employee, present at the 33465  
meeting. 33466

(5) The establishment of an evaluation procedure shall not 33467  
create an expectancy of continued employment. Nothing in division 33468  
(D) of this section shall prevent a board from making the final 33469  
determination regarding the renewal or nonrenewal of the contract 33470  
of any assistant superintendent, principal, assistant principal, 33471  
or other administrator. However, if a board fails to provide 33472  
evaluations pursuant to division (D)(2)(c)(i) or (ii) of this 33473  
section, or if the board fails to provide at the request of the 33474  
employee a meeting as prescribed in division (D)(4) of this 33475  
section, the employee automatically shall be reemployed at the 33476  
same salary plus any increments that may be authorized by the 33477  
board for a period of one year, except that if the employee has 33478  
been employed by the district or service center as an assistant 33479

superintendent, principal, assistant principal, or other 33480  
administrator for three years or more, the period of reemployment 33481  
shall be for two years. 33482

(E) On nomination of the superintendent of a service center a 33483  
governing board may employ supervisors who shall be employed under 33484  
written contracts of employment for terms not to exceed five years 33485  
each. Such contracts may be terminated by a governing board 33486  
pursuant to section 3319.16 of the Revised Code. Any supervisor 33487  
employed pursuant to this division may terminate the contract of 33488  
employment at the end of any school year after giving the board at 33489  
least thirty days' written notice prior to such termination. On 33490  
the recommendation of the superintendent the contract or contracts 33491  
of any supervisor employed pursuant to this division may be 33492  
suspended for the remainder of the term of any such contract 33493  
pursuant to section 3319.17 or 3319.171 of the Revised Code. 33494

(F) A board may establish vacation leave for any individuals 33495  
employed under this section. Upon such an individual's separation 33496  
from employment, a board that has such leave may compensate such 33497  
an individual at the individual's current rate of pay for all 33498  
lawfully accrued and unused vacation leave credited at the time of 33499  
separation, not to exceed the amount accrued within three years 33500  
before the date of separation. In case of the death of an 33501  
individual employed under this section, such unused vacation leave 33502  
as the board would have paid to the individual upon separation 33503  
under this section shall be paid in accordance with section 33504  
2113.04 of the Revised Code, or to the estate. 33505

(G) The board of education of any school district may 33506  
contract with the governing board of the educational service 33507  
center from which it otherwise receives services to conduct 33508  
searches and recruitment of candidates for assistant 33509  
superintendent, principal, assistant principal, and other 33510  
administrator positions authorized under this section. 33511

**Sec. 3319.03.** The board of education of each city, exempted 33512  
village, and local school district may create the position of 33513  
business manager. The board shall ~~elect~~ appoint such business 33514  
manager who shall serve ~~for a term not to exceed four years unless~~ 33515  
~~earlier removed for cause pursuant to a contract in accordance~~ 33516  
~~with section 3319.02 of the Revised Code. A vacancy in this office~~ 33517  
~~shall be filled only for the unexpired term thereof.~~ In the 33518  
discharge of all ~~his~~ official duties, the business manager may be 33519  
directly responsible to the board, or to the superintendent of 33520  
schools, as the board directs at the time of ~~election~~ appointment 33521  
to the position. Where such business manager is responsible to the 33522  
superintendent ~~he~~ the business manager shall be appointed by the 33523  
superintendent and confirmed by the board. 33524

No board of education shall ~~elect~~ appoint or confirm as 33525  
business manager any person who does not hold a valid business 33526  
manager's license issued under section 3301.074 of the Revised 33527  
Code. If the business manager fails to maintain a valid license, 33528  
~~he~~ the business manager shall be removed by the board. 33529

**Sec. 3319.07.** (A) The board of education of each city, 33530  
exempted village, ~~and~~ local, and joint vocational school district 33531  
shall employ the teachers of the public schools of their 33532  
respective districts. 33533

The governing board of each educational service center may 33534  
employ special instruction teachers, special education teachers, 33535  
and teachers of academic courses in which there are too few 33536  
students in each of the constituent local school districts or in 33537  
city or exempted village school districts entering into agreements 33538  
pursuant to section 3313.843 of the Revised Code to warrant each 33539  
district's employing teachers for those courses. 33540

When any board makes appointments of teachers, the teachers 33541

in the employ of the board shall be considered before new teachers 33542  
are chosen in their stead. In ~~city, exempted village, and joint~~ 33543  
~~vocational~~ all school districts and in service centers no teacher 33544  
shall be employed unless such person is nominated by the 33545  
superintendent of such district or center. Such board, by a 33546

teacher whom the superintendent refuses to appoint. ~~In local~~ 33548  
~~school districts, no teacher shall be employed, except as provided~~ 33549  
~~in division (B) of this section, unless nominated by the~~ 33550  
~~superintendent of the service center of which such local school~~ 33551  
~~district is a part; by a majority vote of the full membership of~~ 33552  
~~such board, the board of education of any local school district~~ 33553  
~~may, after considering two nominations for any position made by~~ 33554  
~~the service center superintendent, reemploy a person not so~~ 33555  
~~nominated for such position.~~ 33556

(B) The board of education of a ~~local~~ any school district ~~and~~ 33557  
~~the board of education of the county school district of which the~~ 33558  
~~local district is a part may enter into an agreement authorizing~~ 33559  
~~the superintendent of the local district, in lieu of the~~ 33560  
~~superintendent of the county district, to make nominations under~~ 33561  
~~this section for the employment of teachers in the local district.~~ 33562  
~~While such an agreement is in effect the board of education of the~~ 33563  
~~local district shall not employ any teacher unless the person is~~ 33564  
~~nominated by the superintendent of the district except that, by a~~ 33565  
~~three-fourths vote of its full membership, it may re-employ any~~ 33566

**Sec. 3319.19.** (A) Except as provided in division (D) of this 33571  
section or division (A)(2) of section 3313.37 of the Revised Code, 33572  
upon request, the board of county commissioners shall provide and 33573

equip offices in the county for the use of the superintendent of 33574  
an educational service center, and shall provide heat, light, 33575  
water, and janitorial services for such offices. Such offices 33576  
shall be the permanent headquarters of the superintendent and 33577  
shall be used by the governing board of the service center when it 33578  
is in session. Except as provided in division (B) of this section, 33579  
such offices shall be located in the county seat or, upon the 33580  
approval of the governing board, may be located outside of the 33581  
county seat. 33582

(B) In the case of a service center formed under section 33583  
3311.053 or 3311.059 of the Revised Code, the governing board 33584  
shall designate the site of its offices. Except as provided in 33585  
division (D) of this section or division (A)(2) of section 3313.37 33586  
of the Revised Code, the board of county commissioners of the 33587  
county in which the designated site is located shall provide and 33588  
equip the offices as under division (A) of this section, but the 33589  
costs of such offices and equipment shall be apportioned among the 33590  
boards of county commissioners of all counties having any 33591  
territory in the area under the control of the governing board, 33592  
according to the proportion of local school district pupils under 33593  
the supervision of such board residing in the respective counties. 33594  
Where there is a dispute as to the amount any board of county 33595  
commissioners is required to pay, the probate judge of the county 33596  
in which the greatest number of pupils under the supervision of 33597  
the governing board reside shall apportion such costs among the 33598  
boards of county commissioners and notify each such board of its 33599  
share of the costs. 33600

(C) ~~Not~~ As used in division (C) of this section, in the case 33601  
of a building, facility, or office space that a board of county 33602  
commissioners leases or rents, "actual cost per square foot" means 33603  
all cost on a per square foot basis incurred by the board under 33604  
the lease or rental agreement. In the case of a building, 33605

facility, or office space that the board owns in fee simple, 33606  
"actual cost per square foot" means the fair rental value on a per 33607  
square foot basis of the building, facility, or office space 33608  
either as compared to a similarly situated building, facility, or 33609  
office space in the general vicinity or as calculated under a 33610  
formula that accounts for depreciation, amortization of 33611  
improvements, and other reasonable factors, including, but not 33612  
limited to, parking space and other amenities. 33613

Not later than the thirty-first day of March of 2002, 2003, 33614  
2004, and 2005 a board of county commissioners required to provide 33615  
or equip offices pursuant to division (A) or (B) of this section 33616  
shall make a written estimate of the total cost it will incur for 33617  
the ensuing fiscal year to provide and equip the offices and to 33618  
provide heat, light, water, and janitorial services for such 33619  
offices. The total estimate of cost shall include: 33620

(1) The total square feet of space to be utilized by the 33621  
educational service center; 33622

(2) The total square feet of any common areas that should be 33623  
reasonably allocated to the center and the methodology for making 33624  
this allocation; 33625

(3) The actual cost per square foot for both the space 33626  
utilized by and the common area allocated to the center; 33627

(4) An explanation of the methodology used to determine the 33628  
actual cost per square foot ~~cost~~; 33629

(5) The estimated cost of providing heat, light, and water, 33630  
including an explanation of how these costs were determined; 33631

(6) The estimated cost of providing janitorial services 33632  
including an explanation of the methodology used to determine this 33633  
cost; 33634

(7) Any other estimated costs that the board anticipates it 33635

will occur and a detailed explanation of the costs and the 33636  
rationale used to determine such costs. 33637

A copy of the total estimate of costs under this division 33638  
shall be sent to the superintendent of the educational service 33639  
center not later than the fifth day of April. The superintendent 33640  
shall review the total estimate and shall notify the board of 33641  
county commissioners not later than twenty days after receipt of 33642  
the estimate of either agreement with the estimate or any specific 33643  
objections to the estimates and the reasons for the objections. If 33644  
the superintendent agrees with the estimate, it shall become the 33645  
final total estimate of cost. Failure of the superintendent to 33646  
make objections to the estimate by the twentieth day after receipt 33647  
of it shall be deemed to mean that the superintendent is in 33648  
agreement with the estimate. 33649

If the superintendent provides specific objections to the 33650  
board of county commissioners, the board shall review the 33651  
objections and may modify the original estimate and shall send a 33652  
revised total estimate to the superintendent within ten days after 33653  
the receipt of the superintendent's objections. The superintendent 33654  
shall respond to the revised estimate within ten days after its 33655  
receipt. If the superintendent agrees with it, it shall become the 33656  
final total estimated cost. If the superintendent fails to respond 33657  
within the required time, the superintendent shall be deemed to 33658  
have agreed with the revised estimate. If the superintendent 33659  
disagrees with the revised estimate, the superintendent shall send 33660  
specific objections to the county commissioners. 33661

If a superintendent has sent specific objections to the 33662  
revised estimate within the required time, the probate judge of 33663  
the county which has the greatest number of resident local school 33664  
district pupils under the supervision of the educational service 33665  
center shall determine the final estimated cost and certify this 33666  
amount to the superintendent and the board of county commissioners 33667

prior to the first day of July. 33668

(D)(1) A board of county commissioners shall be responsible 33669  
for the following percentages of the final total estimated cost 33670  
established by division (C) of this section: 33671

(a) Eighty per cent for fiscal year 2003; 33672

(b) Sixty per cent for fiscal year 2004; 33673

(c) Forty per cent for fiscal year 2005; 33674

(d) Twenty per cent for fiscal year 2006. 33675

In fiscal years 2003, 2004, 2005, and 2006 the educational 33676  
service center shall be responsible for the remainder of any costs 33677  
in excess of the amounts specified in division (D)(1)(a),(b), ~~or~~ 33678  
(c), or (d) of this section, as applicable, associated with the 33679  
provision and equipment of offices for the educational service 33680  
center and for provision of heat, light, water, and janitorial 33681  
services for such offices, including any unanticipated or 33682  
unexpected increases in the costs beyond the final estimated cost 33683  
amount. 33684

Beginning in fiscal year 2007, no board of county 33685  
commissioners shall have any obligation to provide and equip 33686  
offices for an educational service center or to provide heat, 33687  
light, water, or janitorial services for such offices. 33688

(2) Nothing in this section shall prohibit the board of 33689  
county commissioners and the governing board of an educational 33690  
service center from entering into a contract for providing and 33691  
equipping offices for the use of an educational service center and 33692  
for providing heat, light, water, and janitorial services for such 33693  
offices. The term of any such contract shall not exceed a period 33694  
of four years and may be renewed for additional periods not to 33695  
exceed four years. Any such contract shall supersede the 33696  
provisions of division (D)(1) of this section and no educational 33697

service center may be charged, at any time, any additional amount 33698  
for the county's provision of an office and equipment, heat, 33699  
light, water, and janitorial services beyond the amount specified 33700  
in such contract. 33701

(3) No contract entered into under division (D)(2) of this 33702  
section in any year prior to fiscal year 2007 between an 33703  
educational service center formed under section 3311.053 or 33704  
3311.059 of the Revised Code and the board of county commissioners 33705  
required to provide and equip its office pursuant to division (B) 33706  
of this section shall take effect unless the boards of county 33707  
commissioners of all other counties required to participate in the 33708  
funding for such offices pursuant to division (B) of this section 33709  
adopt resolutions approving the contract. 33710

**Sec. 3319.22.** (A)(1) The state board of education shall adopt 33711  
rules establishing the standards and requirements for obtaining 33712  
temporary, associate, provisional, and professional educator 33713  
licenses of any categories, types, and levels the board elects to 33714  
provide. However, no educator license shall be required for 33715  
teaching children two years old or younger. 33716

(2) If the state board requires any examinations for educator 33717  
licensure, the department of education shall provide the results 33718  
of such examinations received by the department to the Ohio board 33719  
of regents, in the manner and to the extent permitted by state and 33720  
federal law. 33721

(B) Any rules the state board of education adopts, amends, or 33722  
rescinds for educator licenses under this section, division (D) of 33723  
section 3301.07 of the Revised Code, or any other law shall be 33724  
adopted, amended, or rescinded under Chapter 119. of the Revised 33725  
Code except as follows: 33726

(1) Notwithstanding division (D) of section 119.03 and 33727  
division (A)(1) of section 119.04 of the Revised Code, the 33728

effective date of any rules, or amendment or rescission of any 33729  
rules, shall not be as prescribed in division (D) of section 33730  
119.03 and division (A)(1) of section 119.04 of the Revised Code. 33731  
Instead, the effective date shall be the date prescribed by 33732  
section 3319.23 of the Revised Code. 33733

(2) Notwithstanding the authority to adopt, amend, or rescind 33734  
emergency rules in division (F) of section 119.03 of the Revised 33735  
Code, this authority shall not apply to the state board of 33736  
education with regard to rules for educator licenses. 33737

(C)(1) The rules adopted under this section establishing 33738  
standards requiring additional coursework for the renewal of any 33739  
educator license shall require a school district and a chartered 33740  
nonpublic school to establish local professional development 33741  
committees. In a nonpublic school, the chief administrative 33742  
officer shall establish the committees in any manner acceptable to 33743  
such officer. The committees established under this division shall 33744  
determine whether coursework that a district or chartered 33745  
nonpublic school teacher proposes to complete meets the 33746  
requirement of the rules. The rules shall establish a procedure by 33747  
which a teacher may appeal the decision of a local professional 33748  
development committee. 33749

(2) In any school district in which there is no exclusive 33750  
representative established under Chapter 4117. of the Revised 33751  
Code, the professional development committees shall be established 33752  
as described in division (C)(2) of this section. 33753

Not later than the effective date of the rules adopted under 33754  
this section, the board of education of each school district shall 33755  
establish the structure for one or more local professional 33756  
development committees to be operated by such school district. The 33757  
committee structure so established by a district board shall 33758  
remain in effect unless within thirty days prior to an anniversary 33759  
of the date upon which the current committee structure was 33760

established, the board provides notice to all affected district 33761  
employees that the committee structure is to be modified. 33762  
Professional development committees may have a district-level or 33763  
building-level scope of operations, and may be established with 33764  
regard to particular grade or age levels for which an educator 33765  
license is designated. 33766

Each professional development committee shall consist of at 33767  
least three classroom teachers employed by the district, one 33768  
principal employed by the district, and one other employee of the 33769  
district appointed by the district superintendent. For committees 33770  
with a building-level scope, the teacher and principal members 33771  
shall be assigned to that building, and the teacher members shall 33772  
be elected by majority vote of the classroom teachers assigned to 33773  
that building. For committees with a district-level scope, the 33774  
teacher members shall be elected by majority vote of the classroom 33775  
teachers of the district, and the principal member shall be 33776  
elected by a majority vote of the principals of the district, 33777  
unless there are two or fewer principals employed by the district, 33778  
in which case the one or two principals employed shall serve on 33779  
the committee. If a committee has a particular grade or age level 33780  
scope, the teacher members shall be licensed to teach such grade 33781  
or age levels, and shall be elected by majority vote of the 33782  
classroom teachers holding such a license and the principal shall 33783  
be elected by all principals serving in buildings where any such 33784  
teachers serve. The district superintendent shall appoint a 33785  
replacement to fill any vacancy that occurs on a professional 33786  
development committee, except in the case of vacancies among the 33787  
elected classroom teacher members, which shall be filled by vote 33788  
of the remaining members of the committee so selected. 33789

Terms of office on professional development committees shall 33790  
be prescribed by the district board establishing the committees. 33791  
The conduct of elections for members of professional development 33792

committees shall be prescribed by the district board establishing 33793  
the committees. A professional development committee may include 33794  
additional members, except that the majority of members on each 33795  
such committee shall be classroom teachers employed by the 33796  
district. Any member appointed to fill a vacancy occurring prior 33797  
to the expiration date of the term for which a predecessor was 33798  
appointed shall hold office as a member for the remainder of that 33799  
term. 33800

The initial meeting of any professional development 33801  
committee, upon election and appointment of all committee members, 33802  
shall be called by a member designated by the district 33803  
superintendent. At this initial meeting, the committee shall 33804  
select a chairperson and such other officers the committee deems 33805  
necessary, and shall adopt rules for the conduct of its meetings. 33806  
Thereafter, the committee shall meet at the call of the 33807  
chairperson or upon the filing of a petition with the district 33808  
superintendent signed by a majority of the committee members 33809  
calling for the committee to meet. 33810

(3) In the case of a school district in which an exclusive 33811  
representative has been established pursuant to Chapter 4117. of 33812  
the Revised Code, professional development committees shall be 33813  
established in accordance with any collective bargaining agreement 33814  
in effect in the district that includes provisions for such 33815  
committees. 33816

If the collective bargaining agreement does not specify a 33817  
different method for the selection of teacher members of the 33818  
committees, the exclusive representative of the district's 33819  
teachers shall select the teacher members. 33820

If the collective bargaining agreement does not specify a 33821  
different structure for the committees, the board of education of 33822  
the school district shall establish the structure, including the 33823  
number of committees and the number of teacher and administrative 33824

members on each committee; the specific administrative members to 33825  
be part of each committee; whether the scope of the committees 33826  
will be district levels, building levels, or by type of grade or 33827  
age levels for which educator licenses are designated; the lengths 33828  
of terms for members; the manner of filling vacancies on the 33829  
committees; and the frequency and time and place of meetings. 33830  
However, in all cases, except as provided in division (C)(4) of 33831  
this section, there shall be a majority of teacher members of any 33832  
professional development committee, there shall be at least five 33833  
total members of any professional development committee, and the 33834  
exclusive representative shall designate replacement members in 33835  
the case of vacancies among teacher members, unless the collective 33836  
bargaining agreement specifies a different method of selecting 33837  
such replacements. 33838

(4) Whenever an administrator's coursework plan is being 33839  
discussed or voted upon, the local professional development 33840  
committee shall, at the request of one of its administrative 33841  
members, cause a majority of the committee to consist of 33842  
administrative members by reducing the number of teacher members 33843  
voting on the plan. 33844

(D)(1) The department of education, educational service 33845  
centers, county boards of mental retardation and developmental 33846  
disabilities, regional professional development centers, special 33847  
education regional resource centers, college and university 33848  
departments of education, head start programs, the Ohio SchoolNet 33849  
commission, and the Ohio education computer network may establish 33850  
local professional development committees to determine whether the 33851  
coursework proposed by their employees who are licensed or 33852  
certificated under this section or section 3319.222 of the Revised 33853  
Code meet the requirements of the rules adopted under this 33854  
section. They may establish local professional development 33855  
committees on their own or in collaboration with a school district 33856

or other agency having authority to establish them. 33857

Local professional development committees established by 33858  
county boards of mental retardation and developmental disabilities 33859  
shall be structured in a manner comparable to the structures 33860  
prescribed for school districts in divisions (C)(2) and (3) of 33861  
this section, as shall the committees established by any other 33862  
entity specified in division (D)(1) of this section that provides 33863  
educational services by employing or contracting for services of 33864  
classroom teachers licensed or certificated under this section or 33865  
section 3319.222 of the Revised Code. All other entities specified 33866  
in division (D)(1) of this section shall structure their 33867  
committees in accordance with guidelines which shall be issued by 33868  
the state board. 33869

(2) Any public agency that is not specified in division 33870  
(D)(1) of this section but provides educational services and 33871  
employs or contracts for services of classroom teachers licensed 33872  
or certificated under this section or section 3319.222 of the 33873  
Revised Code may establish a local professional development 33874  
committee, subject to the approval of the department of education. 33875  
The committee shall be structured in accordance with guidelines 33876  
issued by the state board. 33877

(D) For a full-time student enrolled in an eligible institution for a semester or quarter in addition to the portion of the academic year covered by a grant determined under division (C) of this section, the maximum grant amount shall be a

percentage of the maximum prescribed in the applicable table of 34455  
that division. The maximum grant for a fourth quarter shall be 34456  
one-third of the maximum amount prescribed under that division. 34457  
The maximum grant for a third semester shall be one-half of the 34458  
maximum amount prescribed under that division. 34459

(E) No grant shall be made to any student in a course of 34460  
study in theology, religion, or other field of preparation for a 34461  
religious profession unless such course of study leads to an 34462  
accredited bachelor of arts, bachelor of science, associate of 34463  
arts, or associate of science degree. 34464

(F)(1) Except as provided in division (F)(2) of this section, 34465  
no grant shall be made to any student for enrollment during a 34466  
fiscal year in an institution with a cohort default rate 34467  
determined by the United States secretary of education pursuant to 34468  
the "Higher Education Amendments of 1986," 100 Stat. 1278, 1408, 34469  
20 U.S.C.A. 1085, as amended, as of the fifteenth day of June 34470  
preceding the fiscal year, equal to or greater than thirty per 34471  
cent for each of the preceding two fiscal years. 34472

(2) Division (F)(1) of this section does not apply to the 34473  
following: 34474

(a) Any student enrolled in an institution that under the 34475  
federal law appeals its loss of eligibility for federal financial 34476  
aid and the United States secretary of education determines its 34477  
cohort default rate after recalculation is lower than the rate 34478  
specified in division (F)(1) of this section or the secretary 34479  
determines due to mitigating circumstances the institution may 34480  
continue to participate in federal financial aid programs. The 34481  
board shall adopt rules requiring institutions to provide 34482  
information regarding an appeal to the board. 34483

(b) Any student who has previously received a grant under 34484  
this section who meets all other requirements of this section. 34485

(3) The board shall adopt rules for the notification of all 34486  
institutions whose students will be ineligible to participate in 34487  
the grant program pursuant to division (F)(1) of this section. 34488

(4) A student's attendance at an institution whose students 34489  
lose eligibility for grants under division (F)(1) of this section 34490  
shall not affect that student's eligibility to receive a grant 34491  
when enrolled in another institution. 34492

(G) Institutions of higher education that enroll students 34493  
receiving instructional grants under this section shall report to 34494  
the board all students who have received instructional grants but 34495  
are no longer eligible for all or part of such grants and shall 34496  
refund any moneys due the state within thirty days after the 34497  
beginning of the quarter or term immediately following the quarter 34498  
or term in which the student was no longer eligible to receive all 34499  
or part of the student's grant. There shall be an interest charge 34500  
of one per cent per month on all moneys due and payable after such 34501  
thirty-day period. The board shall immediately notify the office 34502  
of budget and management and the legislative service commission of 34503  
all refunds so received. 34504

Sec. 3333.121. There is hereby established in the state 34505  
treasury the instructional grant reconciliation fund, which shall 34506  
consist of refunds of instructional grant payments made pursuant 34507  
to section 3333.12 of the Revised Code. Revenues credited to the 34508  
fund shall be used by the Ohio board of regents to pay to higher 34509  
education institutions any outstanding obligations from the prior 34510  
year owed for the Ohio instructional grant program that are 34511  
identified through the annual reconciliation and financial audit. 34512  
Any amount in the fund that is in excess of the amount certified 34513  
to the director of budget and management by the board of regents 34514  
as necessary to reconcile prior year payments under the program 34515  
shall be transferred to the general revenue fund. 34516

Sec. 3333.16. As used in this section "state institution of higher education" means an institution of higher education as defined in section 3345.12 of the Revised Code. 34517  
34518  
34519

34521

(1) Establish policies and procedures applicable to all state institutions of higher education that ensure that students can begin higher education at any state institution of higher education and transfer coursework and degrees to any other state institution of higher education without unnecessary duplication or institutional barriers. The purpose of this requirement is to allow students to attain their highest educational aspirations in the most efficient and effective manner for the students and the state. These policies and procedures shall require state institutions of higher education to make changes or modifications, as needed, to strengthen course content so as to ensure equivalency for that course at any state institution of higher education. 34522

building services shall be paid by the arts organization that 35053  
occupies, will occupy, or is responsible for the facility as 35054  
provided in an agreement between the commission and the arts 35055  
organization, except that the state may pay for general building 35056

any actions taken under it, are not subject to Chapter 123. or 35067  
153. of the Revised Code, except for sections 123.151 and 153.011 35068  
of the Revised Code, and shall be subject to Chapter 4115. of the 35069  
Revised Code. 35070

(D) This division does not apply to a state historical 35071  
facility. No state funds, including any state bond proceeds, shall 35072  
be spent on the construction of any arts project under this 35073  
chapter unless, with respect to the arts project and to the Ohio 35074  
arts facility related to the project, all of the following apply: 35075

(1) The Ohio arts and sports facilities commission has 35076  
determined that there is a need for the arts project and the Ohio 35077  
arts facility related to the project in the region of the state in 35078  
which the Ohio arts facility is located or for which the facility 35079  
is proposed. 35080

(2) The commission has determined that, as an indication of 35081  
substantial regional support for the arts project, the arts 35082  
organization has made provision satisfactory to the commission, in 35083  
its sole discretion, for local contributions amounting to not less 35084  
than fifty per cent of the total state funding for the arts 35085  
project. 35086

(3) The general assembly has specifically authorized the 35087  
spending of money on, or made an appropriation for, the 35088  
construction of the arts project, or for rental payments relating 35089  
to the financing of the construction of the arts project. 35090  
Authorization to spend money, or an appropriation, for planning 35091  
the arts project does not constitute authorization to spend money 35092  
on, or an appropriation for, construction of the arts project. 35093

(E) No state funds, including any state bond proceeds, shall 35094  
be spent on the construction of any state historical facility 35095  
under this chapter unless the general assembly has specifically 35096  
authorized the spending of money on, or made an appropriation for, 35097  
the construction of the arts project related to the facility, or 35098  
for rental payments relating to the financing of the construction 35099  
of the arts project. Authorization to spend money, or an 35100  
appropriation, for planning the arts project does not constitute 35101  
authorization to spend money on, or an appropriation for, the 35102  
construction of the arts project. 35103

(F) State funds shall not be used to pay or reimburse more 35104  
than fifteen per cent of the initial estimated construction cost 35105  
of an Ohio sports facility, excluding any site acquisition cost, 35106  
and no state funds, including any state bond proceeds, shall be 35107

spent on any Ohio sports facility under this chapter unless, with 35108  
respect to that facility, all of the following apply: 35109

(1) The Ohio arts and sports facilities commission has 35110  
determined that there is a need for the facility in the region of 35111  
the state for which the facility is proposed to provide the 35112  
function of an Ohio sports facility as provided for in this 35113  
chapter. 35114

(2) As an indication of substantial local support for the 35115  
facility, the commission has received a financial and development 35116  
plan satisfactory to it, and provision has been made, by agreement 35117  
or otherwise, satisfactory to the commission, for a contribution 35118  
amounting to not less than eighty-five per cent of the total 35119  
estimated construction cost of the facility, excluding any site 35120  
acquisition cost, from sources other than the state. 35121

(3) The general assembly has specifically authorized the 35122  
spending of money on, or made an appropriation for, the 35123  
construction of the facility, or for rental payments relating to 35124  
state financing of all or a portion of the costs of constructing 35125  
the facility. Authorization to spend money, or an appropriation, 35126  
for planning or determining the feasibility of or need for the 35127  
facility does not constitute authorization to spend money on, or 35128  
an appropriation for, costs of constructing the facility. 35129

(4) If state bond proceeds are being used for the Ohio sports 35130  
facility, the state or a governmental agency owns or has 35131  
sufficient property interests in the facility or in the site of 35132  
the facility or in the portion or portions of the facility 35133  
financed from proceeds of state bonds, which may include, but is 35134  
not limited to, the right to use or to require the use of the 35135  
facility for the presentation of sport and athletic events to the 35136  
public at the facility, ~~extending for a period of not less than~~ 35137  
~~the greater of the useful life of the portion of the facility~~ 35138  
~~financed from proceeds of those bonds as determined using the~~ 35139

~~guidelines for maximum maturities as provided under divisions (B), 35140  
(C), and (D) of section 133.20 of the Revised Code, or the period 35141  
of time remaining to the date of payment or provision for payment 35142  
of outstanding state bonds allocable to costs of the facility, all 35143  
as determined by the director of budget and management and 35144  
certified by the director to the Ohio arts and sports facilities 35145  
commission and to the Ohio building authority. 35146~~

Sec. 3501.011. (A) Except as otherwise provided in divisions 35147  
(B) and (C) of this section, and except as otherwise provided in 35148  
any section of Title XXXV of the Revised Code to the contrary, as 35149  
used in the sections of the Revised Code relating to elections and 35150  
political communications, whenever a person is required to sign or 35151  
affix a signature to a declaration of candidacy, nominating 35152  
petition, declaration of intent to be a write-in candidate, 35153  
initiative petition, referendum petition, recall petition, or any 35154  
other kind of petition, or to sign or affix a signature on any 35155  
other document that is filed with or transmitted to a board of 35156  
elections or the office of the secretary of state, "sign" or 35157  
"signature" means that person's written, cursive-style legal mark 35158  
written in that person's own hand. 35159

(B) For persons who do not use a cursive-style legal mark 35160  
during the course of their regular business and legal affairs, 35161  
"sign" or "signature" means that person's other legal mark that 35162  
the person uses during the course of that person's regular 35163  
business and legal affairs that is written in the person's own 35164  
hand. 35165

(C) Any voter registration record requiring a person's 35166  
signature shall be signed using the person's legal mark used in 35167  
the person's regular business and legal affairs. For any purpose 35168  
described in division (A) of this section, the legal mark of a 35169  
registered elector shall be considered to be the mark of that 35170

elector as it appears on the elector's voter registration record. 35171

**Sec. 3501.18.** (A) The board of elections may divide a 35172  
political subdivision~~7~~ within its jurisdiction~~7~~ into precincts 35173  
~~and~~and establish, define, divide, rearrange, and combine the several 35174  
election precincts within its jurisdiction~~7~~ and change the 35175  
location of the polling place for each precinct when it is 35176  
necessary to maintain the requirements as to the number of voters 35177  
in a precinct and to provide for the convenience of the voters and 35178  
the proper conduct of elections, ~~provided that no.~~ No change in 35179  
the number of precincts or in precinct boundaries shall be made 35180  
during the twenty-five days immediately preceding a primary or 35181  
general election ~~nor~~ or between the first day of January and the 35182  
day on which the members of county central committees are elected 35183  
in the years in which those committees are elected. Except as 35184  
otherwise provided in division (C) of this section, each precinct 35185  
shall contain a number of electors, not to exceed one thousand 35186  
four hundred, that the board of elections determines to be a 35187  
reasonable number after taking into consideration the type and 35188  
amount of available equipment, prior voter turnout, the size and 35189  
location of each selected polling place, available parking, 35190  
availability of an adequate number of poll workers, and handicap 35191  
accessibility and other accessibility to the polling place. 35192

If the board changes the boundaries of a precinct after the 35193  
filing of a local option election petition pursuant to sections 35194  
4301.32 to 4301.41, 4303.29, or 4305.14 of the Revised Code that 35195  
calls for a local option election to be held in that precinct, the 35196  
local option election shall be held in the area that constituted 35197  
the precinct at the time the local option petition was filed, 35198  
regardless of the change in the boundaries. 35199

If the board changes the boundaries of a precinct in order to 35200  
meet the requirements of division (B)(1) of this section in a 35201

manner that causes a member of a county central committee to no longer qualify as a representative of an election precinct in the county, of a ward of a city in the county, or of a township in the county, the member shall continue to represent the precinct, ward, or township for the remainder of the member's term, regardless of the change in boundaries.

In an emergency, the board may provide more than one polling place in a precinct. In order to provide for the convenience of the voters, the board may locate polling places for voting or registration outside the boundaries of precincts, provided that the nearest public school or public building shall be used if the board determines it to be available and suitable for use as a polling place. Except in an emergency, no change in the number or location of the polling places in a precinct shall be made during the twenty-five days immediately preceding a primary or general election.

Electors who have failed to respond within thirty days to any confirmation notice shall not be counted in determining the size of any precinct under this section.

(B)(1) Except as otherwise provided in division (B)(2) ~~or (3)~~ of this section, ~~not later than August 1, 2000, the~~ a board of elections shall determine all precinct boundaries using geographical units used by the United States department of commerce, bureau of the census, in reporting the decennial census of Ohio.

~~(2) When any part of the boundary of a precinct also forms a part of the boundary of a legislative district and the precinct boundary cannot be determined by August 1, 2000, using the geographical units described in division (B)(1) of this section without making that part of the precinct boundary that also forms part of the legislative district boundary different from that legislative district boundary, the board of elections may~~

~~determine the boundary of that precinct using the geographical units described in division (B)(1) of this section not later than April 1, 2002. As used in this division, legislative district means a district determined under Article XI of the Ohio Constitution.~~

(3) The board of elections may apply to the secretary of state for a waiver from the requirement of division (B)(1) of this section when it is not feasible to comply with that requirement because of unusual physical boundaries or residential development practices that would cause unusual hardship for voters. The board shall identify the affected precincts and census units, explain the reason for the waiver request, and include a map illustrating where the census units will be split because of the requested waiver. If the secretary of state approves the waiver and so notifies the board of elections in writing, the board may change a precinct boundary as necessary under this section, notwithstanding the requirement in division (B)(1) of this section.

(C) The board of elections may apply to the secretary of state for a waiver from the requirement of division (A) of this section regarding the number of electors in a precinct when the use of geographical units used by the United States department of commerce, bureau of the census, will cause a precinct to contain more than one thousand four hundred electors. The board shall identify the affected precincts and census units, explain the reason for the waiver request, and include a map illustrating where census units will be split because of the requested waiver. If the secretary of state approves the waiver and so notifies the board of elections in writing, the board may change a precinct boundary as necessary to meet the requirements of division (B)(1) of this section.

**Sec. 3501.30.** (A) The board of elections shall provide for

Chapters 3781. and 3791. of the Revised Code and the home permits 37736

part or unit and speak with the individuals residing there, if 37738  
they consent, to determine whether the separate and discrete part 37739

be used solely to determine the home's compliance with this 37754  
chapter or another chapter of the Revised Code in any action or 37755  
proceeding other than an action commenced under division (I) of 37756  
section 3721.17 of the Revised Code. Those results of an 37757  
inspection or investigation, that statement of deficiencies, and 37758  
the findings and deficiencies cited in that statement shall not be 37759

proceeding unless that action or proceeding is an appeal of an 37762  
action by the department of health under this chapter or is an 37763  
action by any department or agency of the state to enforce this 37764  
chapter or another chapter of the Revised Code. 37765

include a determination of whether the applicant has been 37982  
convicted of or pleaded guilty to any offense listed or described 37983  
in division (C)(1) of this section, that, as of the date set forth 37984  
on the letter, the employment service had not received the results 37985  
of the criminal records check, and that, when the employment 37986  
service receives the results of the criminal records check, it 37987

program. If a home or adult day-care program employs an applicant 37989  
conditionally in accordance with this division, the employment 37990  
service, upon its receipt of the results of the criminal records 37991  
check, promptly shall send a copy of the results to the home or 37992

consideration for employment with an adult care facility in a 37999

the chief administrator of an adult care facility shall request 38008  
that the superintendent of the bureau of criminal identification 38009

having been a resident of this state for the five-year period 38013  
immediately prior to the date the criminal records check is 38014  
requested or provide evidence that within that five-year period 38015  
the superintendent has requested information about the applicant 38016  
from the federal bureau of investigation in a criminal records 38017  
check, the chief administrator shall request that the 38018  
superintendent obtain information from the federal bureau of 38019  
investigation as part of the criminal records check of the 38020  
applicant. Even if an applicant for whom a criminal records check 38021

prescribed pursuant to division (C)(2) of that section, and obtain 38033  
the completed form and impression sheet from the applicant; 38034

(b) Forward the completed form and impression sheet to the 38035  
superintendent of the bureau of criminal identification and 38036  
investigation. 38037

(3) An applicant provided the form and fingerprint impression 38038  
sheet under division (B)(2)(a) of this section who fails to 38039  
complete the form or provide fingerprint impressions shall not be 38040

(C)(1) Except as provided in rules adopted by the public 38043  
health council in accordance with division (F) of this section and 38044  
subject to division (C)(2) of this section, no adult care facility 38045  
shall employ a person in a position that involves providing direct 38046  
care to an older adult if the person has been convicted of or 38047  
pleaded guilty to any of the following: 38048

(a) A violation of section 2903.01, 2903.02, 2903.03, 38049  
2903.04, 2903.11, 2903.12, 2903.13, 2903.16, 2903.21, 2903.34, 38050  
2905.01, 2905.02, 2905.11, 2905.12, 2907.02, 2907.03, 2907.05, 38051  
2907.06, 2907.07, 2907.08, 2907.09, 2907.12, 2907.25, 2907.31, 38052  
2907.32, 2907.321, 2907.322, 2907.323, 2911.01, 2911.02, 2911.11, 38053  
2911.12, 2911.13, 2913.02, 2913.03, 2913.04, 2913.11, 2913.21, 38054  
2913.31, 2913.40, 2913.43, 2913.47, 2913.51, 2919.25, 2921.36, 38055  
2923.12, 2923.13, 2923.161, 2925.02, 2925.03, 2925.11, 2925.13, 38056  
2925.22, 2925.23, or 3716.11 of the Revised Code. 38057

(b) A violation of an existing or former law of this state, 38058  
any other state, or the United States that is substantially 38059  
equivalent to any of the offenses listed in division (C)(1)(a) of 38060  
this section. 38061

(2)(a) An adult care facility may employ conditionally an 38062  
applicant for whom a criminal records check request is required 38063  
under division (B) of this section prior to obtaining the results 38064  
of a criminal records check regarding the individual, provided 38065  
that the facility shall request a criminal records check regarding 38066  
the individual in accordance with division (B)(1) of this section 38067  
not later than five business days after the individual begins 38068  
conditional employment. In the circumstances described in division 38069  
(I)(2) of this section, an adult care facility may employ 38070  
conditionally an applicant who has been referred to the adult care 38071  
facility by an employment service that supplies full-time, 38072  
part-time, or temporary staff for positions involving the direct 38073

care of older adults and for whom, pursuant to that division, a 38074  
criminal records check is not required under division (B) of this 38075  
section. 38076

(b) An adult care facility that employs an individual 38077  
conditionally under authority of division (C)(2)(a) of this 38078  
section shall terminate the individual's employment if the results 38079  
of the criminal records check requested under division (B) of this 38080  
section or described in division (I)(2) of this section, other 38081  
than the results of any request for information from the federal 38082  
bureau of investigation, are not obtained within the period ending 38083  
~~sixty~~ thirty days after the date the request is made. Regardless 38084  
of when the results of the criminal records check are obtained, if 38085  
the results indicate that the individual has been convicted of or 38086  
pleaded guilty to any of the offenses listed or described in 38087  
division (C)(1) of this section, the facility shall terminate the 38088  
individual's employment unless the facility chooses to employ the 38089  
individual pursuant to division (F) of this section. Termination 38090  
of employment under this division shall be considered just cause 38091  
for discharge for purposes of division (D)(2) of section 4141.29 38092  
of the Revised Code if the individual makes any attempt to deceive 38093  
the facility about the individual's criminal record. 38094

(D)(1) Each adult care facility shall pay to the bureau of 38095  
criminal identification and investigation the fee prescribed 38096  
pursuant to division (C)(3) of section 109.572 of the Revised Code 38097  
for each criminal records check conducted pursuant to a request 38098  
made under division (B) of this section. 38099

(2) An adult care facility may charge an applicant a fee not 38100  
exceeding the amount the facility pays under division (D)(1) of 38101  
this section. A facility may collect a fee only if it notifies the 38102  
person at the time of initial application for employment of the 38103  
amount of the fee and that, unless the fee is paid, the person 38104  
will not be considered for employment. 38105

(E) The report of any criminal records check conducted 38106  
pursuant to a request made under this section is not a public 38107  
record for the purposes of section 149.43 of the Revised Code and 38108  
shall not be made available to any person other than the 38109  
following: 38110

(1) The individual who is the subject of the criminal records 38111  
check or the individual's representative; 38112

(2) The chief administrator of the facility requesting the 38113  
criminal records check or the administrator's representative; 38114

(3) The administrator of any other facility, agency, or 38115  
program that provides direct care to older adults that is owned or 38116  
operated by the same entity that owns or operates the adult care 38117  
facility; 38118

(4) A court, hearing officer, or other necessary individual 38119  
involved in a case dealing with a denial of employment of the 38120  
applicant or dealing with employment or unemployment benefits of 38121  
the applicant; 38122

(5) Any person to whom the report is provided pursuant to, 38123  
and in accordance with, division (I)(1) or (2) of this section. 38124

(F) The public health council shall adopt rules in accordance 38125  
with Chapter 119. of the Revised Code to implement this section. 38126  
The rules shall specify circumstances under which an adult care 38127  
facility may employ a person who has been convicted of or pleaded 38128  
guilty to an offense listed or described in division (C)(1) of 38129  
this section but meets personal character standards set by the 38130  
council. 38131

(G) The chief administrator of an adult care facility shall 38132  
inform each individual, at the time of initial application for a 38133  
position that involves providing direct care to an older adult, 38134  
that the individual is required to provide a set of fingerprint 38135  
impressions and that a criminal records check is required to be 38136

conducted if the individual comes under final consideration for 38137  
employment. 38138

(H) In a tort or other civil action for damages that is 38139  
brought as the result of an injury, death, or loss to person or 38140  
property caused by an individual who an adult care facility 38141  
employs in a position that involves providing direct care to older 38142  
adults, all of the following shall apply: 38143

(1) If the facility employed the individual in good faith and 38144  
reasonable reliance on the report of a criminal records check 38145  
requested under this section, the facility shall not be found 38146  
negligent solely because of its reliance on the report, even if 38147  
the information in the report is determined later to have been 38148  
incomplete or inaccurate; 38149

(2) If the facility employed the individual in good faith on 38150  
a conditional basis pursuant to division (C)(2) of this section, 38151  
the facility shall not be found negligent solely because it 38152  
employed the individual prior to receiving the report of a 38153  
criminal records check requested under this section; 38154

(3) If the facility in good faith employed the individual 38155  
according to the personal character standards established in rules 38156  
adopted under division (F) of this section, the facility shall not 38157  
be found negligent solely because the individual prior to being 38158  
employed had been convicted of or pleaded guilty to an offense 38159  
listed or described in division (C)(1) of this section. 38160

(I)(1) The chief administrator of an adult care facility is 38161  
not required to request that the superintendent of the bureau of 38162  
criminal identification and investigation conduct a criminal 38163  
records check of an applicant if the applicant has been referred 38164  
to the facility by an employment service that supplies full-time, 38165  
part-time, or temporary staff for positions involving the direct 38166  
care of older adults and both of the following apply: 38167

(a) The chief administrator receives from the employment service or the applicant a report of the results of a criminal records check regarding the applicant that has been conducted by the superintendent within the one-year period immediately preceding the applicant's referral;

(b) The report of the criminal records check demonstrates that the person has not been convicted of or pleaded guilty to an offense listed or described in division (C)(1) of this section, or the report demonstrates that the person has been convicted of or pleaded guilty to one or more of those offenses, but the adult care facility chooses to employ the individual pursuant to division (F) of this section.

(2) The chief administrator of an adult care facility is not required to request that the superintendent of the bureau of criminal identification and investigation conduct a criminal records check of an applicant and may employ the applicant conditionally as described in this division, if the applicant has been referred to the facility by an employment service that supplies full-time, part-time, or temporary staff for positions involving the direct care of older adults and if the chief administrator receives from the employment service or the applicant a letter from the employment service that is on the letterhead of the employment service, dated, and signed by a supervisor or another designated official of the employment service and that states that the employment service has requested the superintendent to conduct a criminal records check regarding the applicant, that the requested criminal records check will include a determination of whether the applicant has been convicted of or pleaded guilty to any offense listed or described in division (C)(1) of this section, that, as of the date set forth on the letter, the employment service had not received the results of the criminal records check, and that, when the employment

service receives the results of the criminal records check, it 38200  
promptly will send a copy of the results to the adult care 38201  
facility. If an adult care facility employs an applicant 38202  
conditionally in accordance with this division, the employment 38203  
service, upon its receipt of the results of the criminal records 38204  
check, promptly shall send a copy of the results to the adult care 38205  
facility, and division (C)(2)(b) of this section applies regarding 38206  
the conditional employment. 38207

**Sec. 3733.43.** (A) Except as otherwise provided in this 38208  
division, prior to the fifteenth day of April in each year, every 38209  
person who intends to operate an agricultural labor camp shall 38210  
make application to the licensor for a license to operate such 38211  
camp, effective for the calendar year in which it is issued. The 38212  
licensor may accept an application on or after the fifteenth day 38213  
of April. The license fees specified in this division shall be 38214  
submitted to the licensor with the application for a license. No 38215  
agricultural labor camp shall be operated in this state without a 38216  
license. Any person operating an agricultural labor camp without a 38217  
current and valid agricultural labor camp license is not excepted 38218  
from compliance with sections 3733.41 to 3733.49 of the Revised 38219  
Code by holding a valid and current hotel license. Each person 38220  
proposing to open an agricultural labor camp shall submit with the 38221  
application for a license any plans required by any rule adopted 38222  
under section 3733.42 of the Revised Code. The annual license fee 38223  
is ~~twenty~~ seventy-five dollars, unless the application for a 38224  
license is made on or after the fifteenth day of April, in which 38225  
case the annual license fee is ~~forty one hundred~~ dollars. An 38226  
additional fee of ~~three~~ ten dollars per housing unit per year 38227  
shall be assessed to defray the costs of enforcing sections 38228  
3733.41 to 3733.49 of the Revised Code, unless the application for 38229  
a license is made on or after the fifteenth day of April, in which 38230  
case an additional fee of ~~six~~ fifteen dollars per housing unit 38231

shall be assessed. All fees collected under this division shall be 38232  
deposited in the state treasury to the credit of the general 38233  
operations fund created in section 3701.83 of the Revised Code and 38234  
shall be used for the administration and enforcement of sections 38235  
3733.41 to 3733.49 of the Revised Code and rules adopted 38236  
thereunder. 38237

(B) Any license under this section may be denied, suspended, 38238  
or revoked by the licensor for violation of sections 3733.41 to 38239  
3733.49 of the Revised Code or the rules adopted thereunder. 38240  
Unless there is an immediate serious public health hazard, no 38241  
denial, suspension, or revocation of a license shall be made 38242  
effective until the person operating the agricultural labor camp 38243  
has been given notice in writing of the specific violations and a 38244  
reasonable time to make corrections. When the licensor determines 38245  
that an immediate serious public health hazard exists, ~~he~~ the 38246  
licensor shall issue an order denying or suspending the license 38247  
without a prior hearing. 38248

(C) All proceedings under this section are subject to Chapter 38249  
119. of the Revised Code except as provided in section 3733.431 of 38250  
the Revised Code. 38251

(D) Every occupant of an agricultural labor camp shall keep 38252  
that part of the dwelling unit, and premises thereof, that ~~he~~ the 38253  
occupant occupies and controls in a clean and sanitary condition. 38254

**Sec. 3733.45.** (A) The licensor shall inspect all agricultural 38255  
labor camps and shall require compliance with sections 3733.41 to 38256  
3733.49 of the Revised Code and the rules adopted thereunder prior 38257  
to the issuance of a license. Upon receipt of a complaint from the 38258  
migrant agricultural ~~ombudsman~~ ombudsperson or upon the basis of a 38259  
licensor's own information that an agricultural labor camp is 38260  
operating without a license, the licensor shall inspect the camp. 38261  
If the camp is operating without a license, the licensor shall 38262

require the camp to comply with sections 3733.41 to 3733.49 of the Revised Code and the rules adopted under those sections. No license shall be issued unless results of water supply tests indicate that the water supply meets required standards or if any violations exist concerning sanitation, drainage, or habitability of housing units.

(B) The licensor shall, upon issuance of each license, distribute posters containing the toll-free telephone number of the migrant agricultural ~~ombudsman~~ ombudsperson established in section 3733.49 of the Revised Code and information in English and Spanish describing the purpose of the ~~ombudsman's~~ ombudsperson's office, as provided in that section. The licensor shall make at least one inspection prior to licensing, ~~and at least two inspections during occupancy of the camps, at least one of which shall be an unannounced evening inspection conducted after five p.m. The licensor shall determine and record housing unit occupancy during each evening inspection.~~ The licensor shall make such other inspections as ~~he~~ the licensor considers necessary to enforce sections 3733.41 to 3733.49 of the Revised Code adequately.

(D) Any plans submitted to the licensor shall be in compliance with rules adopted pursuant to section 3733.42 of the Revised Code and shall be approved or disapproved within thirty days after they are filed.

~~(E) All designees of the licensor who conduct inspections in the evening in accordance with this section shall speak both English and Spanish fluently. At least one member of the permanent staff assigned to conduct inspections in accordance with this section shall speak both English and Spanish fluently.~~

~~(F)~~ The licensor shall issue an annual report that shall accurately reflect the results of that year's inspections, including, but not limited to, numbers of ~~pre and post occupancy~~ inspections, number of violations found, and action taken in regard to violations. The report shall also include an assessment of any problems found in that year and proposed solutions for them.

**Sec. 3734.02.** (A) The director of environmental protection, in accordance with Chapter 119. of the Revised Code, shall adopt and may amend, suspend, or rescind rules having uniform application throughout the state governing solid waste facilities and the inspections of and issuance of permits and licenses for all solid waste facilities in order to ensure that the facilities will be located, maintained, and operated, and will undergo closure and post-closure care, in a sanitary manner so as not to create a nuisance, cause or contribute to water pollution, create a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 257.3-8, as amended. The rules may include, without limitation, financial assurance requirements for closure and post-closure care and corrective action and requirements for taking corrective action in the event of the surface or subsurface discharge or migration of explosive gases or leachate from a solid waste facility, or of ground water contamination resulting from the transfer or disposal of solid wastes at a facility, beyond the boundaries of any area within a facility that is operating or is undergoing closure or post-closure care where solid wastes were disposed of or are being disposed of. The rules shall not concern

or relate to personnel policies, salaries, wages, fringe benefits, 38326  
or other conditions of employment of employees of persons owning 38327  
or operating solid waste facilities. The director, in accordance 38328  
with Chapter 119. of the Revised Code, shall adopt and may amend, 38329  
suspend, or rescind rules governing the issuance, modification, 38330  
revocation, suspension, or denial of variances from the director's 38331  
solid waste rules, including, without limitation, rules adopted 38332  
under this chapter governing the management of scrap tires. 38333

Variances shall be issued, modified, revoked, suspended, or 38334  
rescinded in accordance with this division, rules adopted under 38335  
it, and Chapter 3745. of the Revised Code. The director may order 38336  
the person to whom a variance is issued to take such action within 38337  
such time as the director may determine to be appropriate and 38338  
reasonable to prevent the creation of a nuisance or a hazard to 38339  
the public health or safety or the environment. Applications for 38340  
variances shall contain such detail plans, specifications, and 38341  
information regarding objectives, procedures, controls, and other 38342  
pertinent data as the director may require. The director shall 38343  
grant a variance only if the applicant demonstrates to the 38344  
director's satisfaction that construction and operation of the 38345  
solid waste facility in the manner allowed by the variance and any 38346  
terms or conditions imposed as part of the variance will not 38347  
create a nuisance or a hazard to the public health or safety or 38348  
the environment. In granting any variance, the director shall 38349  
state the specific provision or provisions whose terms are to be 38350  
varied and also shall state specific terms or conditions imposed 38351  
upon the applicant in place of the provision or provisions. The 38352  
director may hold a public hearing on an application for a 38353  
variance or renewal of a variance at a location in the county 38354  
where the operations that are the subject of the application for 38355  
the variance are conducted. The director shall give not less than 38356  
twenty days' notice of the hearing to the applicant by certified 38357  
mail and shall publish at least one notice of the hearing in a 38358

newspaper with general circulation in the county where the hearing 38359  
is to be held. The director shall make available for public 38360  
inspection at the principal office of the environmental protection 38361  
agency a current list of pending applications for variances and a 38362  
current schedule of pending variance hearings. The director shall 38363  
make a complete stenographic record of testimony and other 38364  
evidence submitted at the hearing. Within ten days after the 38365  
hearing, the director shall make a written determination to issue, 38366  
renew, or deny the variance and shall enter the determination and 38367  
the basis for it into the record of the hearing. The director 38368  
shall issue, renew, or deny an application for a variance or 38369  
renewal of a variance within six months of the date upon which the 38370  
director receives a complete application with all pertinent 38371  
information and data required. No variance shall be issued, 38372  
revoked, modified, or denied until the director has considered the 38373  
relative interests of the applicant, other persons and property 38374  
affected by the variance, and the general public. Any variance 38375  
granted under this division shall be for a period specified by the 38376  
director and may be renewed from time to time on such terms and 38377  
for such periods as the director determines to be appropriate. No 38378  
application shall be denied and no variance shall be revoked or 38379  
modified without a written order stating the findings upon which 38380  
the denial, revocation, or modification is based. A copy of the 38381  
order shall be sent to the applicant or variance holder by 38382  
certified mail. 38383

(B) The director shall prescribe and furnish the forms 38384  
necessary to administer and enforce this chapter. The director may 38385  
cooperate with and enter into agreements with other state, local, 38386  
or federal agencies to carry out the purposes of this chapter. The 38387  
director may exercise all incidental powers necessary to carry out 38388  
the purposes of this chapter. 38389

The director may use moneys in the infectious waste 38390

management fund created in section 3734.021 of the Revised Code 38391  
exclusively for administering and enforcing the provisions of this 38392  
chapter governing the management of infectious wastes. Of each 38393  
registration and renewal fee collected under rules adopted under 38394  
division (A)(2)(a) of section 3734.021 or under section 3734.022 38395  
of the Revised Code, the director, within forty-five days of its 38396  
receipt, shall remit from the fund one-half of the fee received to 38397  
the board of health of the health district in which the registered 38398  
premises is located, or, in the instance of an infectious wastes 38399  
transporter, to the board of health of the health district in 38400  
which the transporter's principal place of business is located. 38401  
However, if the board of health having jurisdiction over a 38402  
registrant's premises or principal place of business is not on the 38403  
approved list under section 3734.08 of the Revised Code, the 38404  
director shall not make that payment to the board of health. 38405

(C) Except as provided in this division and divisions (N)(2) 38406  
and (3) of this section, no person shall establish a new solid 38407  
waste facility or infectious waste treatment facility, or modify 38408  
an existing solid waste facility or infectious waste treatment 38409  
facility, without submitting an application for a permit with 38410  
accompanying detail plans, specifications, and information 38411  
regarding the facility and method of operation and receiving a 38412  
permit issued by the director, except that no permit shall be 38413  
required under this division to install or operate a solid waste 38414  
facility for sewage sludge treatment or disposal when the 38415  
treatment or disposal is authorized by a current permit issued 38416  
under Chapter 3704. or 6111. of the Revised Code. 38417

No person shall continue to operate a solid waste facility 38418  
for which the director has denied a permit for which an 38419  
application was required under division (A)(3) of section 3734.05 38420  
of the Revised Code, or for which the director has disapproved 38421  
plans and specifications required to be filed by an order issued 38422

under division (A)(5) of that section, after the date prescribed 38423  
for commencement of closure of the facility in the order issued 38424  
under division (A)(6) of section 3734.05 of the Revised Code 38425  
denying the permit application or approval. 38426

On and after the effective date of the rules adopted under 38427  
division (A) of this section and division (D) of section 3734.12 38428  
of the Revised Code governing solid waste transfer facilities, no 38429  
person shall establish a new, or modify an existing, solid waste 38430  
transfer facility without first submitting an application for a 38431  
permit with accompanying engineering detail plans, specifications, 38432  
and information regarding the facility and its method of operation 38433  
to the director and receiving a permit issued by the director. 38434

No person shall establish a new compost facility or continue 38435  
to operate an existing compost facility that accepts exclusively 38436  
source separated yard wastes without submitting a completed 38437  
registration for the facility to the director in accordance with 38438  
rules adopted under divisions (A) and (N)(3) of this section. 38439

This division does not apply to an infectious waste treatment 38440  
facility that meets any of the following conditions: 38441

(1) Is owned or operated by the generator of the wastes and 38442  
exclusively treats, by methods, techniques, and practices 38443  
established by rules adopted under division (C)(1) or (3) of 38444  
section 3734.021 of the Revised Code, wastes that are generated at 38445  
any premises owned or operated by that generator regardless of 38446  
whether the wastes are generated on the premises where the 38447  
generator's treatment facility is located or, if the generator is 38448  
a hospital as defined in section 3727.01 of the Revised Code, 38449  
infectious wastes that are described in division (A)(1)(g), (h), 38450  
or (i) of section 3734.021 of the Revised Code; 38451

(2) Holds a license or renewal of a license to operate a 38452  
crematory facility issued under Chapter 4717. and a permit issued 38453

under Chapter 3704. of the Revised Code; 38454

(3) Treats or disposes of dead animals or parts thereof, or 38455  
the blood of animals, and is subject to any of the following: 38456

(a) Inspection under the "Federal Meat Inspection Act," 81 38457  
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 38458

(b) Chapter 918. of the Revised Code; 38459

(c) Chapter 953. of the Revised Code. 38460

(D) Neither this chapter nor any rules adopted under it apply 38461  
to single-family residential premises; to infectious wastes 38462  
generated by individuals for purposes of their own care or 38463  
treatment that are disposed of with solid wastes from the 38464  
individual's residence; to the temporary storage of solid wastes, 38465  
other than scrap tires, prior to their collection for disposal; to 38466  
the storage of one hundred or fewer scrap tires unless they are 38467  
stored in such a manner that, in the judgment of the director or 38468  
the board of health of the health district in which the scrap 38469  
tires are stored, the storage causes a nuisance, a hazard to 38470  
public health or safety, or a fire hazard; or to the collection of 38471  
solid wastes, other than scrap tires, by a political subdivision 38472  
or a person holding a franchise or license from a political 38473  
subdivision of the state; to composting, as defined in section 38474  
1511.01 of the Revised Code, conducted in accordance with section 38475

transport raw rendering material to a compost facility pursuant to 38477  
section 953.23 of the Revised Code. 38478

(E)(1) As used in this division and section 3734.18 of the 38479  
Revised Code: 38480

(a) "On-site facility" means a facility that stores, treats, 38481  
or disposes of hazardous waste that is generated on the premises 38482  
of the facility. 38483

(b) "Off-site facility" means a facility that stores, treats, 38484  
or disposes of hazardous waste that is generated off the premises 38485  
of the facility and includes such a facility that is also an 38486  
on-site facility. 38487

(c) "Satellite facility" means any of the following: 38488

(i) An on-site facility that also receives hazardous waste 38489  
from other premises owned by the same person who generates the 38490  
waste on the facility premises; 38491

(ii) An off-site facility operated so that all of the 38492  
hazardous waste it receives is generated on one or more premises 38493  
owned by the person who owns the facility; 38494

(iii) An on-site facility that also receives hazardous waste 38495  
that is transported uninterruptedly and directly to the facility 38496  
through a pipeline from a generator who is not the owner of the 38497  
facility. 38498

(2) Except as provided in division (E)(3) of this section, no 38499  
person shall establish or operate a hazardous waste facility, or 38500  
use a solid waste facility for the storage, treatment, or disposal 38501  
of any hazardous waste, without a hazardous waste facility 38502  
installation and operation permit ~~from the hazardous waste~~ 38503  
~~facility board~~ issued in accordance with section 3734.05 of the 38504  
Revised Code and subject to the payment of an application fee not 38505  
to exceed one thousand five hundred dollars, payable upon 38506  
application for a hazardous waste facility installation and 38507  
operation permit and upon application for a renewal permit issued 38508  
under division (H) of section 3734.05 of the Revised Code, to be 38509  
credited to the hazardous waste facility management fund created 38510  
in section 3734.18 of the Revised Code. The term of a hazardous 38511  
waste facility installation and operation permit shall not exceed 38512  
five years. 38513

In addition to the application fee, there is hereby levied an 38514

annual permit fee to be paid by the permit holder upon the			38515
anniversaries of the date of issuance of the hazardous waste			38516
facility installation and operation permit and of any subsequent			38517
renewal permits and to be credited to the hazardous waste facility			38518
management fund. Annual permit fees totaling forty thousand			38519
dollars or more for any one facility may be paid on a quarterly			38520
basis with the first quarterly payment each year being due on the			38521
anniversary of the date of issuance of the hazardous waste			38522
facility installation and operation permit and of any subsequent			38523
renewal permits. The annual permit fee shall be determined for			38524

following schedule:			38526

In determining the annual permit fee required by this section, the director shall not require additional payments for multiple units of the same method of storage, treatment, or disposal or for individual units that are used for both storage and treatment. A facility using more than one method of storage, treatment, or disposal shall pay the permit fee indicated by the schedule for each such method.

The director shall not require the payment of that portion of an annual permit fee of any permit holder that would apply to a hazardous waste management unit for which a permit has been issued, but for which construction has not yet commenced. Once construction has commenced, the director shall require the payment of a part of the appropriate fee indicated by the schedule that bears the same relationship to the total fee that the number of days remaining until the next anniversary date at which payment of the annual permit fee is due bears to three hundred sixty-five.

The director, by rules adopted in accordance with Chapters 119. and 3745. of the Revised Code, shall prescribe procedures for collecting the annual permit fee established by this division and may prescribe other requirements necessary to carry out this division.

(3) The prohibition against establishing or operating a hazardous waste facility without a hazardous waste facility

installation and operation permit ~~from the board~~ does not apply to 38580  
either of the following: 38581

(a) A facility that is operating in accordance with a permit 38582  
renewal issued under division (H) of section 3734.05 of the 38583  
Revised Code, a revision issued under division (I) of that section 38584  
as it existed prior to August 20, 1996, or a modification issued 38585  
by the director under division (I) of that section on and after 38586  
August 20, 1996; 38587

(b) Except as provided in division (J) of section 3734.05 of 38588  
the Revised Code, a facility that will operate or is operating in 38589  
accordance with a permit by rule, or that is not subject to permit 38590  
requirements, under rules adopted by the director. In accordance 38591  
with Chapter 119. of the Revised Code, the director shall adopt, 38592  
and subsequently may amend, suspend, or rescind, rules for the 38593  
purposes of division (E)(3)(b) of this section. Any rules so 38594  
adopted shall be consistent with and equivalent to regulations 38595  
pertaining to interim status adopted under the "Resource 38596  
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 38597  
6921, as amended, except as otherwise provided in this chapter. 38598

If a modification is requested or proposed for a facility 38599  
described in division (E)(3)(a) or (b) of this section, division 38600  
(I)~~(8)~~(7) of section 3734.05 of the Revised Code applies. 38601

(F) No person shall store, treat, or dispose of hazardous 38602  
waste identified or listed under this chapter and rules adopted 38603  
under it, regardless of whether generated on or off the premises 38604  
where the waste is stored, treated, or disposed of, or transport 38605  
or cause to be transported any hazardous waste identified or 38606  
listed under this chapter and rules adopted under it to any other 38607  
premises, except at or to any of the following: 38608

(1) A hazardous waste facility operating under a permit 38609  
issued in accordance with this chapter; 38610

(2) A facility in another state operating under a license or permit issued in accordance with the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended;

(3) A facility in another nation operating in accordance with the laws of that nation;

(4) A facility holding a permit issued pursuant to Title I of the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 Stat. 1052, 33 U.S.C.A. 1401, as amended;

(5) A hazardous waste facility as described in division (E)(3)(a) or (b) of this section.

(G) The director, by order, may exempt any person generating, collecting, storing, treating, disposing of, or transporting solid wastes or hazardous waste, or processing solid wastes that consist of scrap tires, in such quantities or under such circumstances that, in the determination of the director, are unlikely to adversely affect the public health or safety or the environment from any requirement to obtain a registration certificate, permit, or license or comply with the manifest system or other requirements of this chapter. Such an exemption shall be consistent with and equivalent to any regulations adopted by the administrator of the United States environmental protection agency under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise provided in this chapter.

(H) No person shall engage in filling, grading, excavating, building, drilling, or mining on land where a hazardous waste facility, or a solid waste facility, was operated without prior authorization from the director, who shall establish the procedure for granting such authorization by rules adopted in accordance with Chapter 119. of the Revised Code.

A public utility that has main or distribution lines above or 38642  
below the land surface located on an easement or right-of-way 38643  
across land where a solid waste facility was operated may engage 38644  
in any such activity within the easement or right-of-way without 38645  
prior authorization from the director for purposes of performing 38646  
emergency repair or emergency replacement of its lines; of the 38647  
poles, towers, foundations, or other structures supporting or 38648  
sustaining any such lines; or of the appurtenances to those 38649  
structures, necessary to restore or maintain existing public 38650  
utility service. A public utility may enter upon any such easement 38651  
or right-of-way without prior authorization from the director for 38652  
purposes of performing necessary or routine maintenance of those 38653  
portions of its existing lines; of the existing poles, towers, 38654  
foundations, or other structures sustaining or supporting its 38655  
lines; or of the appurtenances to any such supporting or 38656  
sustaining structure, located on or above the land surface on any 38657  
such easement or right-of-way. Within twenty-four hours after 38658  
commencing any such emergency repair, replacement, or maintenance 38659  
work, the public utility shall notify the director or the 38660  
director's authorized representative of those activities and shall 38661  
provide such information regarding those activities as the 38662  
director or the director's representative may request. Upon 38663  
completion of the emergency repair, replacement, or maintenance 38664  
activities, the public utility shall restore any land of the solid 38665  
waste facility disturbed by those activities to the condition 38666  
existing prior to the commencement of those activities. 38667

(I) No owner or operator of a hazardous waste facility, in 38668  
the operation of the facility, shall cause, permit, or allow the 38669  
emission therefrom of any particulate matter, dust, fumes, gas, 38670  
mist, smoke, vapor, or odorous substance that, in the opinion of 38671  
the director, unreasonably interferes with the comfortable 38672  
enjoyment of life or property by persons living or working in the 38673  
vicinity of the facility, or that is injurious to public health. 38674

Any such action is hereby declared to be a public nuisance. 38675

(J) Notwithstanding any other provision of this chapter, in 38676  
the event the director finds an imminent and substantial danger to 38677  
public health or safety or the environment that creates an 38678  
emergency situation requiring the immediate treatment, storage, or 38679  
disposal of hazardous waste, the director may issue a temporary 38680  
emergency permit to allow the treatment, storage, or disposal of 38681  
the hazardous waste at a facility that is not otherwise authorized 38682  
by a hazardous waste facility installation and operation permit to 38683  
treat, store, or dispose of the waste. The emergency permit shall 38684  
not exceed ninety days in duration and shall not be renewed. The 38685  
director shall adopt, and may amend, suspend, or rescind, rules in 38686  
accordance with Chapter 119. of the Revised Code governing the 38687  
issuance, modification, revocation, and denial of emergency 38688  
permits. 38689

(K) No owner or operator of a sanitary landfill shall 38690  
knowingly accept for disposal, or dispose of, any infectious 38691  
wastes, other than those subject to division (A)(1)(c) of section 38692  
3734.021 of the Revised Code, that have not been treated to render 38693  
them noninfectious. For the purposes of this division, 38694  
certification by the owner or operator of the treatment facility 38695  
where the wastes were treated on the shipping paper required by 38696  
rules adopted under division (D)(2) of that section creates a 38697  
rebuttable presumption that the wastes have been so treated. 38698

(L) The director, in accordance with Chapter 119. of the 38699  
Revised Code, shall adopt, and may amend, suspend, or rescind, 38700  
rules having uniform application throughout the state establishing 38701  
a training and certification program that shall be required for 38702  
employees of boards of health who are responsible for enforcing 38703  
the solid waste and infectious waste provisions of this chapter 38704  
and rules adopted under them and for persons who are responsible 38705  
for the operation of solid waste facilities or infectious waste 38706

treatment facilities. The rules shall provide all of the 38707  
following, without limitation: 38708

(1) The program shall be administered by the director and 38709  
shall consist of a course on new solid waste and infectious waste 38710  
technologies, enforcement procedures, and rules; 38711

(2) The course shall be offered on an annual basis; 38712

(3) Those persons who are required to take the course under 38713  
division (L) of this section shall do so triennially; 38714

(4) Persons who successfully complete the course shall be 38715  
certified by the director; 38716

(5) Certification shall be required for all employees of 38717  
boards of health who are responsible for enforcing the solid waste 38718  
or infectious waste provisions of this chapter and rules adopted 38719  
under them and for all persons who are responsible for the 38720  
operation of solid waste facilities or infectious waste treatment 38721  
facilities; 38722

(6)(a) All employees of a board of health who, on the 38723  
effective date of the rules adopted under this division, are 38724  
responsible for enforcing the solid waste or infectious waste 38725  
provisions of this chapter and the rules adopted under them shall 38726  
complete the course and be certified by the director not later 38727  
than January 1, 1995; 38728

(b) All employees of a board of health who, after the 38729  
effective date of the rules adopted under division (L) of this 38730  
section, become responsible for enforcing the solid waste or 38731  
infectious waste provisions of this chapter and rules adopted 38732  
under them and who do not hold a current and valid certification 38733  
from the director at that time shall complete the course and be 38734  
certified by the director within two years after becoming 38735  
responsible for performing those activities. 38736

No person shall fail to obtain the certification required 38737  
under this division. 38738

(M) The director shall not issue a permit under section 38739  
3734.05 of the Revised Code to establish a solid waste facility, 38740  
or to modify a solid waste facility operating on December 21, 38741  
1988, in a manner that expands the disposal capacity or geographic 38742  
area covered by the facility, that is or is to be located within 38743  
the boundaries of a state park established or dedicated under 38744  
Chapter 1541. of the Revised Code, a state park purchase area 38745  
established under section 1541.02 of the Revised Code, any unit of 38746  
the national park system, or any property that lies within the 38747  
boundaries of a national park or recreation area, but that has not 38748  
been acquired or is not administered by the secretary of the 38749  
United States department of the interior, located in this state, 38750  
or any candidate area located in this state and identified for 38751  
potential inclusion in the national park system in the edition of 38752  
the "national park system plan" submitted under paragraph (b) of 38753  
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 38754  
U.S.C.A. 1a-5, as amended, current at the time of filing of the 38755  
application for the permit, unless the facility or proposed 38756  
facility is or is to be used exclusively for the disposal of solid 38757  
wastes generated within the park or recreation area and the 38758  
director determines that the facility or proposed facility will 38759  
not degrade any of the natural or cultural resources of the park 38760  
or recreation area. The director shall not issue a variance under 38761  
division (A) of this section and rules adopted under it, or issue 38762  
an exemption order under division (G) of this section, that would 38763  
authorize any such establishment or expansion of a solid waste 38764  
facility within the boundaries of any such park or recreation 38765  
area, state park purchase area, or candidate area, other than a 38766  
solid waste facility exclusively for the disposal of solid wastes 38767  
generated within the park or recreation area when the director 38768  
determines that the facility will not degrade any of the natural 38769

or cultural resources of the park or recreation area. 38770

(N)(1) The rules adopted under division (A) of this section, 38771  
other than those governing variances, do not apply to scrap tire 38772  
collection, storage, monocell, monofill, and recovery facilities. 38773  
Those facilities are subject to and governed by rules adopted 38774  
under sections 3734.70 to 3734.73 of the Revised Code, as 38775  
applicable. 38776

(2) Division (C) of this section does not apply to scrap tire 38777  
collection, storage, monocell, monofill, and recovery facilities. 38778  
The establishment and modification of those facilities are subject 38779  
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 38780  
Code, as applicable. 38781

(3) The director may adopt, amend, suspend, or rescind rules 38782  
under division (A) of this section creating an alternative system 38783  
for authorizing the establishment, operation, or modification of a 38784  
solid waste compost facility in lieu of the requirement that a 38785  
person seeking to establish, operate, or modify a solid waste 38786  
compost facility apply for and receive a permit under division (C) 38787  
of this section and section 3734.05 of the Revised Code and a 38788  
license under division (A)(1) of that section. The rules may 38789  
include requirements governing, without limitation, the 38790  
classification of solid waste compost facilities, the submittal of 38791  
operating records for solid waste compost facilities, and the 38792  
creation of a registration or notification system in lieu of the 38793  
issuance of permits and licenses for solid waste compost 38794  
facilities. The rules shall specify the applicability of divisions 38795  
(A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised 38796  
Code to a solid waste compost facility. 38797

**Sec. 3734.05.** (A)(1) Except as provided in divisions (A)(4), 38798  
(8), and (9) of this section, no person shall operate or maintain 38799  
a solid waste facility without a license issued under this 38800

division by the board of health of the health district in which 38801  
the facility is located or by the director of environmental 38802  
protection when the health district in which the facility is 38803  
located is not on the approved list under section 3734.08 of the 38804  
Revised Code. 38805

During the month of December, but before the first day of 38806  
January of the next year, every person proposing to continue to 38807  
operate an existing solid waste facility shall procure a license 38808  
under this division to operate the facility for that year from the 38809  
board of health of the health district in which the facility is 38810  
located or, if the health district is not on the approved list 38811  
under section 3734.08 of the Revised Code, from the director. The 38812  
application for such a license shall be submitted to the board of 38813  
health or to the director, as appropriate, on or before the last 38814  
day of September of the year preceding that for which the license 38815  
is sought. In addition to the application fee prescribed in 38816  
division (A)(2) of this section, a person who submits an 38817  
application after that date shall pay an additional ten per cent 38818  
of the amount of the application fee for each week that the 38819  
application is late. Late payment fees accompanying an application 38820  
submitted to the board of health shall be credited to the special 38821  
fund of the health district created in division (B) of section 38822  
3734.06 of the Revised Code, and late payment fees accompanying an 38823  
application submitted to the director shall be credited to the 38824  
general revenue fund. A person who has received a license, upon 38825  
sale or disposition of a solid waste facility, and upon consent of 38826  
the board of health and the director, may have the license 38827  
transferred to another person. The board of health or the director 38828  
may include such terms and conditions in a license or revision to 38829  
a license as are appropriate to ensure compliance with this 38830  
chapter and rules adopted under it. The terms and conditions may 38831  
establish the authorized maximum daily waste receipts for the 38832  
facility. Limitations on maximum daily waste receipts shall be 38833

specified in cubic yards of volume for the purpose of regulating 38834  
the design, construction, and operation of solid waste facilities. 38835  
Terms and conditions included in a license or revision to a 38836  
license by a board of health shall be consistent with, and pertain 38837  
only to the subjects addressed in, the rules adopted under 38838  
division (A) of section 3734.02 and division (D) of section 38839  
3734.12 of the Revised Code. 38840

(2)(a) Except as provided in divisions (A)(2)(b), (8), and 38841  
(9) of this section, each person proposing to open a new solid 38842  
waste facility or to modify an existing solid waste facility shall 38843  
submit an application for a permit with accompanying detail plans 38844  
and specifications to the environmental protection agency for 38845  
required approval under the rules adopted by the director pursuant 38846  
to division (A) of section 3734.02 of the Revised Code and 38847  
applicable rules adopted under division (D) of section 3734.12 of 38848  
the Revised Code at least two hundred seventy days before proposed 38849  
operation of the facility and shall concurrently make application 38850  
for the issuance of a license under division (A)(1) of this 38851  
section with the board of health of the health district in which 38852  
the proposed facility is to be located. 38853

(b) On and after the effective date of the rules adopted 38854  
under division (A) of section 3734.02 of the Revised Code and 38855  
division (D) of section 3734.12 of the Revised Code governing 38856  
solid waste transfer facilities, each person proposing to open a 38857  
new solid waste transfer facility or to modify an existing solid 38858  
waste transfer facility shall submit an application for a permit 38859  
with accompanying engineering detail plans, specifications, and 38860  
information regarding the facility and its method of operation to 38861  
the environmental protection agency for required approval under 38862  
those rules at least two hundred seventy days before commencing 38863  
proposed operation of the facility and concurrently shall make 38864  
application for the issuance of a license under division (A)(1) of 38865

this section with the board of health of the health district in 38866  
which the facility is located or proposed. 38867

(c) Each application for a permit under division (A)(2)(a) or 38868  
(b) of this section shall be accompanied by a nonrefundable 38869  
application fee of four hundred dollars that shall be credited to 38870  
the general revenue fund. Each application for an annual license 38871  
under division (A)(1) or (2) of this section shall be accompanied 38872  
by a nonrefundable application fee of one hundred dollars. If the 38873  
application for an annual license is submitted to a board of 38874  
health on the approved list under section 3734.08 of the Revised 38875  
Code, the application fee shall be credited to the special fund of 38876  
the health district created in division (B) of section 3734.06 of 38877  
the Revised Code. If the application for an annual license is 38878  
submitted to the director, the application fee shall be credited 38879  
to the general revenue fund. If a permit or license is issued, the 38880  
amount of the application fee paid shall be deducted from the 38881  
amount of the permit fee due under division (Q) of section 3745.11 38882  
of the Revised Code or the amount of the license fee due under 38883  
division (A)(1), (2), (3), or (4) of section 3734.06 of the 38884  
Revised Code. 38885

(d) As used in divisions (A)(2)(d), (e), and (f) of this 38886  
section, "modify" means any of the following: 38887

(i) Any increase of more than ten per cent in the total 38888  
capacity of a solid waste facility; 38889

(ii) Any expansion of the limits of solid waste placement at 38890  
a solid waste facility; 38891

(iii) Any increase in the depth of excavation at a solid 38892  
waste facility; 38893

(iv) Any change in the technique of waste receipt or type of 38894  
waste received at a solid waste facility that may endanger human 38895  
health, as determined by the director by rules adopted in 38896

accordance with Chapter 119. of the Revised Code. 38897

Not later than thirty-five days after submitting an 38898  
application under division (A)(2)(a) or (b) of this section for a 38899  
permit to open a new or modify an existing solid waste facility, 38900  
the applicant, in conjunction with an officer or employee of the 38901  
environmental protection agency, shall hold a public meeting on 38902  
the application within the county in which the new or modified 38903  
solid waste facility is or is proposed to be located or within a 38904  
contiguous county. Not less than thirty days before holding the 38905  
public meeting on the application, the applicant shall publish 38906  
notice of the meeting in each newspaper of general circulation 38907  
that is published in the county in which the facility is or is 38908  
proposed to be located. If no newspaper of general circulation is 38909  
published in the county, the applicant shall publish the notice in 38910  
a newspaper of general circulation in the county. The notice shall 38911  
contain the date, time, and location of the public meeting and a 38912  
general description of the proposed new or modified facility. Not 38913  
later than five days after publishing the notice, the applicant 38914  
shall send by certified mail a copy of the notice and the date the 38915  
notice was published to the director and the legislative authority 38916  
of each municipal corporation, township, and county, and to the 38917  
chief executive officer of each municipal corporation, in which 38918  
the facility is or is proposed to be located. At the public 38919  
meeting, the applicant shall provide information and describe the 38920  
application and respond to comments or questions concerning the 38921  
application, and the officer or employee of the agency shall 38922  
describe the permit application process. At the public meeting, 38923  
any person may submit written or oral comments on or objections to 38924  
the application. Not more than thirty days after the public 38925  
meeting, the applicant shall provide the director with a copy of a 38926  
transcript of the full meeting, copies of any exhibits, displays, 38927  
or other materials presented by the applicant at the meeting, and 38928  
the original copy of any written comments submitted at the 38929

meeting. 38930

(e) Except as provided in division (A)(2)(f) of this section, 38931  
prior to taking an action, other than a proposed or final denial, 38932  
upon an application submitted under division (A)(2)(a) of this 38933  
section for a permit to open a new or modify an existing solid 38934  
waste facility, the director shall hold a public information 38935  
session and a public hearing on the application within the county 38936  
in which the new or modified solid waste facility is or is 38937  
proposed to be located or within a contiguous county. If the 38938  
application is for a permit to open a new solid waste facility, 38939  
the director shall hold the hearing not less than fourteen days 38940  
after the information session. If the application is for a permit 38941  
to modify an existing solid waste facility, the director may hold 38942  
both the information session and the hearing on the same day 38943  
unless any individual affected by the application requests in 38944  
writing that the information session and the hearing not be held 38945  
on the same day, in which case the director shall hold the hearing 38946  
not less than fourteen days after the information session. The 38947  
director shall publish notice of the public information session or 38948  
public hearing not less than thirty days before holding the 38949  
information session or hearing, as applicable. The notice shall be 38950  
published in each newspaper of general circulation that is 38951  
published in the county in which the facility is or is proposed to 38952  
be located. If no newspaper of general circulation is published in 38953  
the county, the director shall publish the notice in a newspaper 38954  
of general circulation in the county. The notice shall contain the 38955  
date, time, and location of the information session or hearing, as 38956  
applicable, and a general description of the proposed new or 38957  
modified facility. At the public information session, an officer 38958  
or employee of the environmental protection agency shall describe 38959  
the status of the permit application and be available to respond 38960  
to comments or questions concerning the application. At the public 38961  
hearing, any person may submit written or oral comments on or 38962

objections to the approval of the application. The applicant, or a representative of the applicant who has knowledge of the location, construction, and operation of the facility, shall attend the information session and public hearing to respond to comments or questions concerning the facility directed to the applicant or representative by the officer or employee of the environmental protection agency presiding at the information session and hearing.

(f) The solid waste management policy committee of a county or joint solid waste management district may adopt a resolution requesting expeditious consideration of a specific application submitted under division (A)(2)(a) of this section for a permit to modify an existing solid waste facility within the district. The resolution shall make the finding that expedited consideration of the application without the public information session and public hearing under division (A)(2)(e) of this section is in the public interest and will not endanger human health, as determined by the director by rules adopted in accordance with Chapter 119. of the Revised Code. Upon receiving such a resolution, the director, at the director's discretion, may issue a final action upon the application without holding a public information session or public hearing pursuant to division (A)(2)(e) of this section.

(3) Except as provided in division (A)(10) of this section, and unless the owner or operator of any solid waste facility, other than a solid waste transfer facility or a compost facility that accepts exclusively source separated yard wastes, that commenced operation on or before July 1, 1968, has obtained an exemption from the requirements of division (A)(3) of this section in accordance with division (G) of section 3734.02 of the Revised Code, the owner or operator shall submit to the director an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and

its method of operation for approval under rules adopted under	38995
division (A) of section 3734.02 of the Revised Code and applicable	38996
rules adopted under division (D) of section 3734.12 of the Revised	38997
Code in accordance with the following schedule:	38998
(a) Not later than September 24, 1988, if the facility is	38999
located in the city of Garfield Heights or Parma in Cuyahoga	39000
county;	39001
(b) Not later than December 24, 1988, if the facility is	39002
located in Delaware, Greene, Guernsey, Hamilton, Madison,	39003
Mahoning, Ottawa, or Vinton county;	39004
(c) Not later than March 24, 1989, if the facility is located	39005
in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or	39006
Washington county, or is located in the city of Brooklyn or	39007
Cuyahoga Heights in Cuyahoga county;	39008
(d) Not later than June 24, 1989, if the facility is located	39009
in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or	39010
Summit county or is located in Cuyahoga county outside the cities	39011
of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights;	39012
(e) Not later than September 24, 1989, if the facility is	39013
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross	39014
county;	39015
(f) Not later than December 24, 1989, if the facility is	39016
located in a county not listed in divisions (A)(3)(a) to (e) of	39017
this section;	39018
(g) Notwithstanding divisions (A)(3)(a) to (f) of this	39019
section, not later than December 31, 1990, if the facility is a	39020
solid waste facility owned by a generator of solid wastes when the	39021
solid waste facility exclusively disposes of solid wastes	39022
generated at one or more premises owned by the generator	39023
regardless of whether the facility is located on a premises where	39024
the wastes are generated and if the facility disposes of more than	39025

one hundred thousand tons of solid wastes per year, provided that 39026  
any such facility shall be subject to division (A)(5) of this 39027  
section. 39028

(4) Except as provided in divisions (A)(8), (9), and (10) of 39029  
this section, unless the owner or operator of any solid waste 39030  
facility for which a permit was issued after July 1, 1968, but 39031  
before January 1, 1980, has obtained an exemption from the 39032  
requirements of division (A)(4) of this section under division (G) 39033  
of section 3734.02 of the Revised Code, the owner or operator 39034  
shall submit to the director an application for a permit with 39035  
accompanying engineering detail plans, specifications, and 39036  
information regarding the facility and its method of operation for 39037  
approval under those rules. 39038

(5) The director may issue an order in accordance with 39039  
Chapter 3745. of the Revised Code to the owner or operator of a 39040  
solid waste facility requiring the person to submit to the 39041  
director updated engineering detail plans, specifications, and 39042  
information regarding the facility and its method of operation for 39043  
approval under rules adopted under division (A) of section 3734.02 39044  
of the Revised Code and applicable rules adopted under division 39045  
(D) of section 3734.12 of the Revised Code if, in the director's 39046  
judgment, conditions at the facility constitute a substantial 39047  
threat to public health or safety or are causing or contributing 39048  
to or threatening to cause or contribute to air or water pollution 39049  
or soil contamination. Any person who receives such an order shall 39050  
submit the updated engineering detail plans, specifications, and 39051  
information to the director within one hundred eighty days after 39052  
the effective date of the order. 39053

(6) The director shall act upon an application submitted 39054  
under division (A)(3) or (4) of this section and any updated 39055  
engineering plans, specifications, and information submitted under 39056  
division (A)(5) of this section within one hundred eighty days 39057

after receiving them. If the director denies any such permit 39058  
application, the order denying the application or disapproving the 39059  
plans shall include the requirements that the owner or operator 39060  
submit a plan for closure and post-closure care of the facility to 39061  
the director for approval within six months after issuance of the 39062  
order, cease accepting solid wastes for disposal or transfer at 39063  
the facility, and commence closure of the facility not later than 39064  
one year after issuance of the order. If the director determines 39065  
that closure of the facility within that one-year period would 39066  
result in the unavailability of sufficient solid waste management 39067  
facility capacity within the county or joint solid waste 39068  
management district in which the facility is located to dispose of 39069  
or transfer the solid waste generated within the district, the 39070  
director in the order of denial or disapproval may postpone 39071  
commencement of closure of the facility for such period of time as 39072  
the director finds necessary for the board of county commissioners 39073  
or directors of the district to secure access to or for there to 39074  
be constructed within the district sufficient solid waste 39075  
management facility capacity to meet the needs of the district, 39076  
provided that the director shall certify in the director's order 39077  
that postponing the date for commencement of closure will not 39078  
endanger ground water or any property surrounding the facility, 39079  
allow methane gas migration to occur, or cause or contribute to 39080  
any other type of environmental damage. 39081

If an emergency need for disposal capacity that may affect 39082  
public health and safety exists as a result of closure of a 39083  
facility under division (A)(6) of this section, the director may 39084  
issue an order designating another solid waste facility to accept 39085  
the wastes that would have been disposed of at the facility to be 39086  
closed. 39087

(7) If the director determines that standards more stringent 39088  
than those applicable in rules adopted under division (A) of 39089

section 3734.02 of the Revised Code and division (D) of section 39090  
3734.12 of the Revised Code, or standards pertaining to subjects 39091  
not specifically addressed by those rules, are necessary to ensure 39092  
that a solid waste facility constructed at the proposed location 39093  
will not cause a nuisance, cause or contribute to water pollution, 39094  
or endanger public health or safety, the director may issue a 39095  
permit for the facility with such terms and conditions as the 39096  
director finds necessary to protect public health and safety and 39097  
the environment. If a permit is issued, the director shall state 39098  
in the order issuing it the specific findings supporting each such 39099  
term or condition. 39100

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 39101  
not apply to a solid waste compost facility that accepts 39102  
exclusively source separated yard wastes and that is registered 39103  
under division (C) of section 3734.02 of the Revised Code or, 39104  
unless otherwise provided in rules adopted under division (N)(3) 39105  
of section 3734.02 of the Revised Code, to a solid waste compost 39106  
facility if the director has adopted rules establishing an 39107  
alternative system for authorizing the establishment, operation, 39108  
or modification of a solid waste compost facility under that 39109  
division. 39110

(9) Divisions (A)(1) to (7) of this section do not apply to 39111  
scrap tire collection, storage, monocell, monofill, and recovery 39112  
facilities. The approval of plans and specifications, as 39113  
applicable, and the issuance of registration certificates, 39114  
permits, and licenses for those facilities are subject to sections 39115  
3734.75 to 3734.78 of the Revised Code, as applicable, and section 39116  
3734.81 of the Revised Code. 39117

(10) Divisions (A)(3) and (4) of this section do not apply to 39118  
a solid waste incinerator that was placed into operation on or 39119  
before October 12, 1994, and that is not authorized to accept and 39120  
treat infectious wastes pursuant to division (B) of this section. 39121

(B)(1) Each person who is engaged in the business of treating 39122  
infectious wastes for profit at a treatment facility located off 39123  
the premises where the wastes are generated that is in operation 39124  
on August 10, 1988, and who proposes to continue operating the 39125  
facility shall submit to the board of health of the health 39126  
district in which the facility is located an application for a 39127  
license to operate the facility. 39128

Thereafter, no person shall operate or maintain an infectious 39129  
waste treatment facility without a license issued by the board of 39130  
health of the health district in which the facility is located or 39131  
by the director when the health district in which the facility is 39132  
located is not on the approved list under section 3734.08 of the 39133  
Revised Code. 39134

(2)(a) During the month of December, but before the first day 39135  
of January of the next year, every person proposing to continue to 39136  
operate an existing infectious waste treatment facility shall 39137  
procure a license to operate the facility for that year from the 39138  
board of health of the health district in which the facility is 39139  
located or, if the health district is not on the approved list 39140  
under section 3734.08 of the Revised Code, from the director. The 39141  
application for such a license shall be submitted to the board of 39142  
health or to the director, as appropriate, on or before the last 39143  
day of September of the year preceding that for which the license 39144  
is sought. In addition to the application fee prescribed in 39145  
division (B)(2)(c) of this section, a person who submits an 39146  
application after that date shall pay an additional ten per cent 39147  
of the amount of the application fee for each week that the 39148  
application is late. Late payment fees accompanying an application 39149  
submitted to the board of health shall be credited to the special 39150  
infectious waste fund of the health district created in division 39151  
(C) of section 3734.06 of the Revised Code, and late payment fees 39152  
accompanying an application submitted to the director shall be 39153

credited to the general revenue fund. A person who has received a 39154  
license, upon sale or disposition of an infectious waste treatment 39155  
facility and upon consent of the board of health and the director, 39156  
may have the license transferred to another person. The board of 39157  
health or the director may include such terms and conditions in a 39158  
license or revision to a license as are appropriate to ensure 39159  
compliance with the infectious waste provisions of this chapter 39160  
and rules adopted under them. 39161

hazardous waste is stored, treated, or disposed of if the 39661  
application includes detail plans, specifications, and information 39662  
on all facilities. For the purposes of this section, "adjoining" 39663  
means sharing a common boundary, separated only by a public road, 39664  
or in such proximity that the director determines that the 39665  
issuance of a single permit will not create a hazard to the public 39666  
health or safety or the environment. 39667

(G) No person shall falsify or fail to keep or submit any 39668  
plans, specifications, data, reports, records, manifests, or other 39669  
information required to be kept or submitted to the director ~~or to~~ 39670  
~~the hazardous waste facility board~~ by this chapter or the rules 39671

permit issued under this section and who wishes to obtain a permit 39674  
renewal shall submit a completed application for an installation 39675

existing permit has a history of compliance with this chapter, 39703  
rules adopted under it, the existing permit, or orders entered to 39704  
enforce such requirements that demonstrates sufficient 39705  
reliability, expertise, and competency to operate the facility 39706  
henceforth under this chapter, rules adopted under it, and the 39707  
renewal permit. If the director approves an application for a 39708  
renewal permit, the director shall issue the permit subject to the 39709  
payment of the annual permit fee required under division (E) of 39710  
section 3734.02 of the Revised Code and upon such terms and 39711

of the hazardous waste facility are in accordance with the rules 39714  
adopted under section 3734.12 of the Revised Code. 39715

authorization to operate. Modifications shall be classified as 39732  
Class 1, 2, or 3 modifications in accordance with rules adopted 39733  
under division (K) of this section. Modifications classified as 39734

notify the owner or operator of the facility requesting the 39746  
modification of the classification. Notwithstanding any other law 39747  
to the contrary, any modification that involves the transfer of a 39748  
hazardous waste facility installation and operation permit to a 39749  
new owner or operator shall be classified as a Class 3 39750  
modification. 39751

(2) Except as provided in section 3734.123 of the Revised 39752  
Code, a hazardous waste facility installation and operation permit 39753

authorized by the facility's permit, an increase in a facility's 39787  
treatment rate of more than twenty-five per cent over the rate so 39788  
authorized, or an increase in a facility's disposal capacity over 39789  
the capacity so authorized. The authorized disposal capacity for a 39790  
facility shall be calculated from the approved design plans for 39791  
the disposal units at that facility. In no case during a five-year 39792  
period shall a facility's storage capacity or treatment rate be 39793  
modified to increase by more than twenty-five per cent in the 39794

section to the contrary, a request for authority to add or to 39810  
modify an activity or a hazardous waste management unit for the 39811  
purposes of performing a corrective action shall be classified and 39812

(b) If the owner or operator has a hazardous waste facility 39943

installation and operation permit for hazardous waste treatment, 39944  
storage, or disposal activities at the facility other than those 39945  
authorized by the permit by rule, the owner or operator shall 39946  
submit to the director a request for modification in accordance 39947  
with division (I) of this section. Notwithstanding any other 39948  
provision of law to the contrary, the director shall approve or 39949  
disapprove the modification application in accordance with ~~rules~~ 39950  
~~adopted under~~ division (K)(I)(5) of this section. 39951

(2) The owner or operator of a boiler or industrial furnace 39952  
that is conducting thermal treatment activities in accordance with 39953  
a permit by rule under rules adopted by the director under 39954  
division (E)(3)(b) of section 3734.02 of the Revised Code shall 39955  
submit a hazardous waste facility installation and operation 39956  
permit application if the owner or operator does not have such a 39957  
permit for any hazardous waste treatment, storage, or disposal 39958  
activities at the facility or, if the owner or operator has such a 39959  
permit for hazardous waste treatment, storage, or disposal 39960  
activities at the facility other than thermal treatment activities 39961  
authorized by the permit by rule, a modification application to 39962  
add those activities authorized by the permit by rule, whichever 39963  
is applicable, within one hundred eighty days after the director 39964  
has requested the submission of the application or upon a later 39965  
date if the owner or operator demonstrates to the director good 39966  
cause for the late submittal. The application shall be accompanied 39967  
by information necessary to support the request. The ~~hazardous~~ 39968

application for a hazardous waste facility installation and 39970  
operation permit in accordance with division (D) of this section 39971  
and approve or disapprove an application for a modification in 39972  
accordance with division (I)(3) of this section, except that the 39973  
~~board~~ director shall not disapprove an application for the thermal 39974  
treatment activities on the basis of the criteria set forth in 39975  
division (D)~~(6)~~(2)(g) or (h) of this section. 39976

(3) As used in division (J) of this section:	39977

C.F.R. 261, as amended, which shall be composed of at least those 40009  
substances identified as hazardous pursuant to section 3001(B) of 40010  
that act. The director shall not list any waste that the 40011  
administrator of the United States environmental protection agency 40012  
delisted or excluded by an amendment to the federal regulations, 40013  
any waste that the administrator declined to list by publishing a 40014  
denial of a rulemaking petition or by withdrawal of a proposed 40015  
listing in the United States federal register after May 18, 1980, 40016  
or any waste oil or polychlorinated biphenyl not listed by the 40017  
administrator. 40018

The rules adopted under divisions (D) and (F) of this section pertaining to solid waste facilities do not apply to scrap tire collection, storage, monocell, monofill, and recovery facilities. (F) Specifying information required to be included in 40131  
applications for hazardous waste facility installation and 40132  
operation permits and solid waste permits, including, but not 40133  
limited to, detail plans, specifications, and information 40134  
respecting all of the following: 40135

(1) The composition, quantities, and concentrations of 40136  
hazardous waste and solid wastes to be stored, treated, 40137  
transported, or disposed of and such other information as the 40138  
director may require regarding the method of operation; 40139

(2) The facility to which the waste will be transported or 40140  
where it will be stored, treated, or disposed of; 40141

(3) The closure and post-closure care of a facility where 40142  
hazardous waste will no longer be treated, stored, or disposed of 40143  
and of a solid waste facility where solid wastes will no longer be 40144  
disposed of or transferred. 40145

(G) Establishing procedures ensuring that all information 40146  
entitled to protection as trade secrets disclosed to the director 40147  
or the director's authorized representative is not disclosed 40148  
without the consent of the owner, except that such information may 40149  
be disclosed, upon request, to authorized representatives of the 40150  
United States environmental protection agency, or as required by 40151  
law. As used in this section, "trade secrets" means any formula, 40152  
plan, pattern, process, tool, mechanism, compound, procedure, 40153  
production date, or compilation of information that is not 40154  
patented, that is known only to certain individuals within a 40155  
commercial concern who are using it to fabricate, produce, or 40156  
compound an article, trade, or service having commercial value, 40157  
and that gives its user an opportunity to obtain a business 40158  
advantage over competitors who do not know or use it. 40159

(H) Prohibiting the disposal of specified hazardous wastes in 40160

this state if the director has determined both of the following: 40161

(1) The potential impacts on human health or safety or the 40162  
environment are such that disposal of those wastes should not be 40163  
allowed. 40164

(2) A technically feasible and environmentally sound 40165  
alternative is reasonably available, either within or outside this 40166  
state, for processing, recycling, fixation of, neutralization of, 40167  
or other treatment of those wastes. Such reasonable availability 40168  
shall not be determined without a consideration of the costs to 40169  
the generator of implementing the alternatives. 40170

The director shall adopt, and may amend, suspend, or rescind, 40171  
rules to specify hazardous wastes that shall not be disposed of in 40172  
accordance with this division. Nothing in this division, either 40173  
prior to or after adoption of those rules, shall preclude the 40174  
director ~~or the hazardous waste facility board created in section~~ 40175  
~~3734.05 of the Revised Code~~ from prohibiting the disposal of 40176  
specified hazardous wastes at particular facilities under the 40177  
terms or conditions of a permit or ~~preclude the director from~~ 40178  
~~prohibiting that disposal~~ by order. 40179

(I)(1)(a) Governing the following that may be more stringent 40180  
than the regulations adopted under the "Resource Conservation and 40181  
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 40182  
amended, when the director determines that such more stringent 40183  
rules are reasonable in order to protect human health or safety or 40184  
the environment: 40185

(i) Specific wastes that the director determines, because of 40186  
their physical, chemical, or biological characteristics, are so 40187  
extremely hazardous that the storage, treatment, or disposal of 40188  
the wastes in compliance with those regulations would present an 40189  
imminent danger to human health or safety or the environment; 40190

(ii) The use of only properly designed, operated, and 40191

approved transfer facilities;	40192
(iii) Preventing illegitimate activities relating to the reuse, recycling, or reclaiming of hazardous waste, including record-keeping, reporting, and manifest requirements.	40193 40194 40195
(b) In adopting such more stringent rules, the director shall give consideration to and base the rules on evidence concerning factors including, but not limited to, the following insofar as pertinent:	40196 40197 40198 40199
(i) Geography of the state;	40200
(ii) Geology of the state;	40201
(iii) Hydrogeology of the state;	40202
(iv) Climate of the state;	40203
(v) Engineering and technical feasibility;	40204
(vi) Availability of alternative technologies or methods of storage, treatment, or disposal.	40205 40206
(2) The director may require from generators and transporters of hazardous waste and from owners or operators of treatment, storage, or disposal facilities, the submission of reports in addition to those required under regulations adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, to the extent that such reports contain information that the generator, transporter, or facility owner or operator is required to obtain in order to comply with the regulations adopted by the administrator of the United States environmental protection agency under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, or to the extent that such reports are required by the director to meet the requirements of division (B)(7), (D)(9), or (H) of this section or section 3734.121 of the Revised Code.	40207 40208 40209 40210 40211 40212 40213 40214 40215 40216 40217 40218 40219 40220
(J) Governing the storage, treatment, or disposal of	40221

hazardous waste in, and the permitting, design, construction, 40222  
operation, monitoring, inspection, closure, and post-closure care 40223  
of, hazardous waste underground injection wells, surface 40224  
impoundments, waste piles other than those composed of materials 40225  
removed from the ground as part of coal or mineral extraction or 40226  
cleaning processes, land treatment facilities, thermal treatment 40227  
facilities, and landfills that may be more stringent than the 40228  
regulations adopted under the "Resource Conservation and Recovery 40229  
Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, 40230  
whenever the director reasonably determines that federal 40231  
regulations will not adequately protect the public health or 40232  
safety or the environment of this state with respect to the 40233  
subject matter of the more stringent rules. Such more stringent 40234  
rules shall be developed to achieve a degree of protection, as 40235  
determined by the director, consistent with the degree of hazard 40236  
potentially posed by the various wastes or categories of wastes to 40237  
be treated, stored, or disposed of and the types of facilities at 40238  
which they are to be treated, stored, or disposed of. In adopting 40239  
such more stringent rules, the director shall give consideration 40240  
to and base the rules on evidence concerning factors including, 40241  
but not limited to, the following insofar as pertinent: 40242

- (1) Geography of the state; 40243
- (2) Geology of the state; 40244
- (3) Hydrogeology of the state; 40245
- (4) Climate of the state; 40246
- (5) Engineering and technical feasibility; 40247
- (6) Availability of alternative technologies or methods of 40248  
storage, treatment, or disposal. 40249

(K) Establishing performance standards and other requirements 40250  
necessary to protect public health and the environment from 40251  
hazards associated with used oil, including, without limitation, 40252

standards and requirements respecting all of the following:	40253
(1) Material that is subject to regulation as used oil;	40254
(2) Generation of used oil;	40255
(3) Used oil collection centers and aggregation points;	40256
(4) Transportation of used oil;	40257
(5) Processing and re-refining of used oil;	40258
(6) Burning of used oil;	40259
(7) Marketing of used oil;	40260
(8) Disposal of used oil;	40261
(9) Use of used oil as a dust suppressant.	40262
<b>Sec. 3734.123.</b> (A) As used in this section and section	40263
3734.124 of the Revised Code, "commercial hazardous waste	40264
incinerator" means an enclosed device that treats hazardous waste	40265
by means of controlled flame combustion and that accepts for	40266
treatment hazardous waste that is generated off the premises on	40267
which the device is located by any person other than the one who	40268
owns or operates the device or one who controls, is controlled by,	40269
or is under common control with the person who owns or operates	40270
the device. "Commercial hazardous waste incinerator" does not	40271
include any "boiler" or "industrial furnace" as those terms are	40272
defined in rules adopted under section 3734.12 of the Revised	40273
Code.	40274
(B) Not sooner than three years after April 15, 1993, and	40275
triennially thereafter, the director of environmental protection	40276
shall prepare, publish, and issue as a final action an assessment	40277
of commercial hazardous waste incinerator capacity in this state.	40278
However, after the issuance as a final action of a determination	40279
under division (A) of section 3734.124 of the Revised Code that	40280
terminates the restrictions established in division (C) of this	40281

section, the director shall cease preparing, publishing, and 40282  
issuing the periodic assessments required under this division. The 40283  
assessment shall determine the amount of commercial hazardous 40284  
waste incinerator capacity needed to manage the hazardous waste 40285  
expected to be generated in this state and imported into this 40286  
state for incineration at commercial hazardous waste incinerators 40287  
during the next succeeding twenty calendar years. The assessment 40288  
shall include at least all of the following: 40289

(1) A determination of the aggregate treatment capacity 40290  
authorized at commercial hazardous waste incinerators located in 40291  
this state; 40292

(2) A determination of the quantity of hazardous waste 40293  
generated in this state that is being treated at commercial 40294  
hazardous waste incinerators located in this state and projections 40295  
of the quantity of hazardous waste generated in this state that 40296  
will be treated at those facilities; 40297

(3) A determination of the quantity of hazardous waste 40298  
generated outside this state that is being treated at commercial 40299  
hazardous waste incinerators located in this state and projections 40300  
of the quantity of hazardous waste generated outside this state 40301  
that will be treated at those facilities; 40302

(4) A determination of the quantity of hazardous waste 40303  
generated in this state that is being treated at commercial 40304  
hazardous waste incinerators located outside this state, and 40305  
projections of the quantity of hazardous waste generated in this 40306  
state that will be treated at those facilities; 40307

(5) The amount of commercial hazardous waste incinerator 40308  
capacity that the director reasonably anticipates will be needed 40309  
during the first three years of the planning period to treat 40310  
hazardous waste generated from the remediation of sites in this 40311  
state that are on the national priority list required under the 40312

"Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as amended; as a result of corrective actions implemented under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended; and as a result of clean-up activities conducted at sites listed on the master sites list prepared by the environmental protection agency;

(6) Based upon available data, provided that the data are reliable and are compatible with the data base of the environmental protection agency, an identification of any hazardous waste first listed as a hazardous waste in regulations adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, on or after April 15, 1993, and of any hazardous waste that has been proposed for such listing by publication of a notice in the federal register on or before December 1 of the year immediately preceding the triennial assessment;

(7) An analysis of other factors that may result in capacity changes over the period addressed by the assessment.

(C) Except as otherwise provided in section 3734.124 of the Revised Code, none of the following shall occur on or after April 15, 1993:

(1) The director shall not do any of the following:

~~(a) Pursuant to division (D)(3) or (I)(4) of section 3734.05 of the Revised Code, as applicable, transmit to the hazardous waste facility board created in that section any application for a~~  
Issue any hazardous waste facility installation and operation permit under division (D) of section 3734.05 of the Revised Code  
for the establishment of a new commercial hazardous waste incinerator, or any request for a modification, as described in ~~divisions (I)(3)(a) to (d) of section 3734.05 of the Revised Code,~~

~~of an existing commercial hazardous waste incinerator to increase 40344  
either the treatment capacity of the incinerator or the quantity 40345  
of hazardous waste authorized to be treated by it, for which the 40346  
staff of the environmental protection agency has made a 40347  
preliminary determination as to whether the application or request 40348  
appears to comply with the rules and standards set forth under 40349  
divisions (D), (I), and (J) of section 3734.12 of the Revised 40350  
Code; 40351~~

moneys are reimbursed by grants or other moneys from the United 40729  
States or any other person, the moneys shall be placed in the fund 40730  
and not in the general revenue fund. 40731

**Sec. 3734.42.** (A)(1) Except as otherwise provided in division 40732  
(E)(2) of this section, every applicant for a permit other than a 40733  
permit modification or renewal shall file a disclosure statement, 40734  
on a form developed by the attorney general, with the director of 40735  
environmental protection and the attorney general at the same time 40736  
the applicant files an application for a permit other than a 40737  
permit modification or renewal with the director. 40738

40739  
(2) Any individual required to be listed in the disclosure 40740  
statement shall be fingerprinted for identification and 40741  
investigation purposes in accordance with procedures established 40742  
by the attorney general. An individual required to be 40743  
fingerprinted under this section shall not be required to be 40744  
fingerprinted more than once under this section. 40745

(3) The attorney general, within one hundred eighty days 40746  
after receipt of the disclosure statement from an applicant for a 40747  
permit, shall prepare and transmit to the director an 40748  
investigative report on the applicant, based in part upon the 40749  
disclosure statement, except that this deadline may be extended 40750  
for a reasonable period of time, for good cause, by the director 40751  
or the attorney general. In preparing this report, the attorney 40752

general may request and receive criminal history information from 40753  
the federal bureau of investigation and any other law enforcement 40754  
agency or organization. The attorney general may provide such 40755  
confidentiality regarding the information received from a law 40756  
enforcement agency as may be imposed by that agency as a condition 40757  
for providing that information to the attorney general. 40758

(4) The review of the application by the director ~~or the~~ 40759  
~~hazardous waste facility board~~ shall include a review of the 40760  
disclosure statement and investigative report. 40761

(B) All applicants and permittees shall provide any 40762  
assistance or information requested by the director or the 40763  
attorney general and shall cooperate in any inquiry or 40764  
investigation conducted by the attorney general and any inquiry, 40765  
investigation, or hearing conducted by the director ~~or the~~ 40766  
~~hazardous waste facility board~~. If, upon issuance of a formal 40767  
request to answer any inquiry or produce information, evidence, or 40768  
testimony, any applicant or permittee, any officer, director, or 40769  
partner of any business concern, or any key employee of the 40770  
applicant or permittee refuses to comply, the permit of the 40771  
applicant or permittee may be denied or revoked by the director ~~or~~ 40772  
~~the board~~. 40773

(C) The attorney general may charge and collect such fees 40774  
from applicants and permittees as are necessary to cover the costs 40775  
of administering and enforcing the investigative procedures 40776  
authorized in sections 3734.41 to 3734.47 of the Revised Code. The 40777  
attorney general shall transmit moneys collected under this 40778  
division to the treasurer of state to be credited to the solid and 40779  
hazardous waste background investigations fund, which is hereby 40780  
created in the state treasury. Moneys in the fund shall be used 40781  
solely for paying the attorney general's costs of administering 40782  
and enforcing the investigative procedures authorized in sections 40783  
3734.41 to 3734.47 of the Revised Code. 40784

(D) Annually on the anniversary date of the submission to the 40785  
director by the attorney general of the investigative report for a 40786  
specific facility, or annually on another date assigned by the 40787  
attorney general, the appropriate applicant, permittee, or 40788  
prospective owner shall submit to the attorney general, on a form 40789  
provided by the attorney general, any and all information required 40790  
to be included in a disclosure statement that has changed or been 40791  
added in the immediately preceding year. If, in the immediately 40792  
preceding year, there have been no changes in or additions to the 40793  
information required to be included in a disclosure statement, the 40794  
appropriate applicant, permittee, or prospective owner shall 40795  
submit to the attorney general an affidavit stating that there 40796  
have been no changes in or additions to that information during 40797  
that time period. 40798

Notwithstanding the requirement for an annual submission of 40799  
information, the following information shall be submitted within 40800  
the periods specified: 40801

(1) Information required to be included in the disclosure 40802  
statement for any new officer, director, partner, or key employee, 40803  
to be submitted within ninety days from the addition of the 40804  
officer, director, partner, or key employee; 40805

(2) Information required to be included in a disclosure 40806  
statement for any new business concern, to be submitted within 40807  
ninety days from the addition of the new business concern; 40808

(3) Information regarding any new criminal conviction, to be 40809  
submitted within ninety days from the judgment entry of 40810  
conviction. 40811

The failure to provide such information may constitute the 40812  
basis for the revocation or denial of renewal of any permit or 40813  
license issued in accordance with this chapter, provided that 40814  
prior to any such denial or revocation, the director shall notify 40815

the applicant or permittee of the director's intention to do so 40816  
and give the applicant or permittee fourteen days from the date of 40817  
the notice to explain why the information was not provided. The 40818  
director shall consider this information when determining whether 40819  
to revoke or deny the permit or license. 40820

Nothing in this division affects the rights of the director 40821  
or the attorney general granted under sections 3734.40 to 3734.47 40822  
of the Revised Code to request information from a person at any 40823  
other time. 40824

(E)(1) Except as otherwise provided in division (E)(2) of 40825  
this section, every permittee who is not otherwise required to 40826  
file a disclosure statement shall file a disclosure statement 40827  
within five years after June 24, 1988, pursuant to a schedule for 40828  
submissions of disclosure statements developed by the attorney 40829  
general. The schedule shall provide all permittees and holders of 40830  
a license with at least one hundred eighty days' notice prior to 40831  
the date upon which the statement is to be submitted. All other 40832  
terms of the schedule shall be established at the discretion of 40833  
the attorney general and shall not be subject to judicial review. 40834

(2) An applicant for a permit for an off-site solid waste 40835  
facility that is a scrap tire storage, monocell, monofill, or 40836  
recovery facility issued under section 3734.76, 3734.77, or 40837  
3734.78 of the Revised Code, as applicable, shall file a 40838  
disclosure statement within five years after October 29, 1993, 40839  
pursuant to a schedule for submissions of disclosure statements 40840  
developed by the attorney general. The schedule shall provide all 40841  
such applicants with at least one hundred eighty days' notice 40842  
prior to the date upon which the statement shall be submitted. All 40843  
other terms of the schedule shall be established at the discretion 40844  
of the attorney general and shall not be subject to judicial 40845  
review. 40846

Beginning five years after October 29, 1993, an applicant for 40847

such a permit shall file a disclosure statement in accordance with 40848  
division (A)(1) of this section. 40849

(3) When a permittee submits a disclosure statement at the 40850  
time it submits an application for a renewal or modification of 40851  
its permit, the attorney general shall remove the permittee from 40852  
the submission schedule established pursuant to division (E)(1) or 40853  
(2) of this section. 40854

(4) After receiving a disclosure statement under division 40855  
(E)(1) or (2) of this section, the attorney general shall prepare 40856  
an investigative report and transmit it to the director. The 40857  
director shall review the disclosure statement and investigative 40858  
report to determine whether the statement or report contains 40859  
information that if submitted with a permit application would 40860  
require a denial of the permit pursuant to section 3734.44 of the 40861  
Revised Code. If the director determines that the statement or 40862  
report contains such information, the director may revoke any 40863  
previously issued permit pursuant to section 3734.45 of the 40864  
Revised Code, or the director shall deny any application for a 40865  
renewal of a permit or license. When the renewal of the license is 40866  
being performed by a board of health, the director shall instruct 40867  
the board of health about those circumstances under which the 40868  
renewal is required to be denied by this section. 40869

(F)(1) Whenever there is a change in ownership of any 40870  
off-site solid waste facility, including incinerators, any 40871  
transfer facility, any off-site infectious waste treatment 40872  
facility, or any off-site hazardous waste treatment, storage, or 40873  
disposal facility, the prospective owner shall file a disclosure 40874  
statement with the attorney general and the director at least one 40875  
hundred eighty days prior to the proposed change in ownership. 40876  
Upon receipt of the disclosure statement, the attorney general 40877  
shall prepare an investigative report and transmit it to the 40878  
director. The director shall review the disclosure statement and 40879

investigative report to determine whether the statement or report 40880  
contains information that if submitted with a permit application 40881  
would require a denial of the permit pursuant to section 3734.44 40882  
of the Revised Code. If the director determines that the statement 40883  
or report contains such information, the director shall disapprove 40884  
the change in ownership. 40885

(2) If the parties to a change in ownership decide to proceed 40886  
with the change prior to the action of the director on the 40887  
disclosure statement and investigative report, the parties shall 40888  
include in all contracts or other documents reflecting the change 40889  
in ownership language expressly making the change in ownership 40890  
subject to the approval of the director and expressly negating the 40891  
change if it is disapproved by the director pursuant to division 40892  
(F)(1) of this section. 40893

(3) As used in this section, "change in ownership" includes 40894  
any change in the names, other than those of officers, directors, 40895  
partners, or key employees, contained in the disclosure statement. 40896

**Sec. 3734.44.** Notwithstanding the provisions of any law to 40897  
the contrary, no permit or license shall be issued or renewed by 40898  
the director of environmental protection, ~~the hazardous waste~~ 40899  
~~facility board,~~ or a board of health: 40900

(A) Unless the director, ~~the hazardous waste facility board,~~ 40901  
or the board of health finds that the applicant, in any prior 40902  
performance record in the transportation, transfer, treatment, 40903  
storage, or disposal of solid wastes, infectious wastes, or 40904  
hazardous waste, has exhibited sufficient reliability, expertise, 40905  
and competency to operate the solid waste, infectious waste, or 40906  
hazardous waste facility, given the potential for harm to human 40907  
health and the environment that could result from the 40908  
irresponsible operation of the facility, or, if no prior record 40909  
exists, that the applicant is likely to exhibit that reliability, 40910

expertise, and competence;	40911
(B) If any individual or business concern required to be	40912
listed in the disclosure statement or shown to have a beneficial	40913
interest in the business of the applicant or the permittee, other	40914
than an equity interest or debt liability, by the investigation	40915
thereof, has been convicted of any of the following crimes under	40916
the laws of this state or equivalent laws of any other	40917
jurisdiction:	40918
(1) Murder;	40919
(2) Kidnapping;	40920
(3) Gambling;	40921
(4) Robbery;	40922
(5) Bribery;	40923
(6) Extortion;	40924
(7) Criminal usury;	40925
(8) Arson;	40926
(9) Burglary;	40927
(10) Theft and related crimes;	40928
(11) Forgery and fraudulent practices;	40929
(12) Fraud in the offering, sale, or purchase of securities;	40930
(13) Alteration of motor vehicle identification numbers;	40931
(14) Unlawful manufacture, purchase, use, or transfer of	40932
firearms;	40933
(15) Unlawful possession or use of destructive devices or	40934
explosives;	40935
(16) Violation of section 2925.03, 2925.04, 2925.05, 2925.06,	40936
2925.11, 2925.32, or 2925.37 or Chapter 3719. of the Revised Code,	40937
unless the violation is for possession of less than one hundred	40938

grams of marihuana, less than five grams of marihuana resin or 40939  
extraction or preparation of marihuana resin, or less than one 40940  
gram of marihuana resin in a liquid concentrate, liquid extract, 40941  
or liquid distillate form; 40942

(17) Engaging in a pattern of corrupt activity under section 40943  
2923.32 of the Revised Code; 40944

(18) Violation of criminal provisions of Chapter 1331. of the 40945  
Revised Code; 40946

(19) Any violation of the criminal provisions of any federal 40947  
or state environmental protection laws, rules, or regulations that 40948  
is committed knowingly or recklessly, as defined in section 40949  
2901.22 of the Revised Code; 40950

(20) Violation of Chapter 2909. of the Revised Code; 40951

(21) Any offense specified in Chapter 2921. of the Revised 40952  
Code. 40953

(C) Notwithstanding division (B) of this section, no 40954  
applicant shall be denied the issuance or renewal of a permit or 40955  
license on the basis of a conviction of any individual or business 40956  
concern required to be listed in the disclosure statement or shown 40957  
to have a beneficial interest in the business of the applicant or 40958  
the permittee, other than an equity interest or debt liability, by 40959  
the investigation thereof for any of the offenses enumerated in 40960  
that division as disqualification criteria if that applicant has 40961  
affirmatively demonstrated rehabilitation of the individual or 40962  
business concern by a preponderance of the evidence. If any such 40963  
individual was convicted of any of the offenses so enumerated that 40964  
are felonies, a permit shall be denied unless five years have 40965  
elapsed since the individual was fully discharged from 40966  
imprisonment and parole for the offense, from a post-release 40967  
control sanction imposed under section 2967.28 of the Revised Code 40968  
for the offense, or imprisonment, probation, and parole for an 40969

offense that was committed prior to the effective date of this 40970  
amendment. In determining whether an applicant has affirmatively 40971  
demonstrated rehabilitation, the director, ~~the hazardous waste~~ 40972  
~~facility board~~, or the board of health shall request a 40973  
recommendation on the matter from the attorney general and shall 40974  
consider and base the determination on the following factors: 40975

(1) The nature and responsibilities of the position a 40976  
convicted individual would hold; 40977

(2) The nature and seriousness of the offense; 40978

(3) The circumstances under which the offense occurred; 40979

(4) The date of the offense; 40980

(5) The age of the individual when the offense was committed; 40981

(6) Whether the offense was an isolated or repeated incident; 40982

(7) Any social conditions that may have contributed to the 40983  
offense; 40984

(8) Any evidence of rehabilitation, including good conduct in 40985  
prison or in the community, counseling or psychiatric treatment 40986  
received, acquisition of additional academic or vocational 40987  
schooling, successful participation in correctional work release 40988  
programs, or the recommendation of persons who have or have had 40989  
the applicant under their supervision; 40990

(9) In the instance of an applicant that is a business 40991  
concern, rehabilitation shall be established if the applicant has 40992  
implemented formal management controls to minimize and prevent the 40993  
occurrence of violations and activities that will or may result in 40994  
permit or license denial or revocation or if the applicant has 40995  
formalized those controls as a result of a revocation or denial of 40996  
a permit or license. Those controls may include, but are not 40997  
limited to, instituting environmental auditing programs to help 40998  
ensure the adequacy of internal systems to achieve, maintain, and 40999

monitor compliance with applicable environmental laws and 41000  
standards or instituting an antitrust compliance auditing program 41001  
to help ensure full compliance with applicable antitrust laws. The 41002  
business concern shall prove by a preponderance of the evidence 41003  
that the management controls are effective in preventing the 41004  
violations that are the subject of concern. 41005

(D) Unless the director, ~~the hazardous waste facility board,~~ 41006  
or the board of health finds that the applicant has a history of 41007  
compliance with environmental laws in this state and other 41008  
jurisdictions and is presently in substantial compliance with, or 41009  
on a legally enforceable schedule that will result in compliance 41010  
with, environmental laws in this state and other jurisdictions. i 41011

(E) With respect to the approval of a permit, if the director 41012  
~~or the hazardous waste facility board~~ determines that current 41013  
prosecutions or pending charges in any jurisdiction for any of the 41014  
offenses enumerated in division (B) of this section against any 41015  
individual or business concern required to be listed in the 41016  
disclosure statement or shown by the investigation to have a 41017  
beneficial interest in the business of the applicant other than an 41018  
equity interest or debt liability are of such magnitude that they 41019  
prevent making the finding required under division (A) of this 41020  
section, provided that at the request of the applicant or the 41021  
individual or business concern charged, the director ~~or the~~ 41022  
~~hazardous waste facility board~~ shall defer decision upon the 41023  
application during the pendency of the charge. 41024

**Sec. 3734.46.** Notwithstanding the disqualification of the 41025  
applicant or permittee pursuant to this chapter, the director of 41026  
environmental protection, ~~hazardous waste facility board,~~ or the 41027  
board of health may issue or renew a permit or license if the 41028  
applicant or permittee severs the interest of or affiliation with 41029  
the individual or business concern that would otherwise cause that 41030

disqualification or may issue or renew a license on a temporary 41031  
basis for a period not to exceed six months if the director or the 41032  
board of health determines that the issuance or renewal of the 41033  
permit or license is necessitated by the public interest. 41034

**Sec. 3734.57.** (A) For the purposes of paying the state's 41035  
long-term operation costs or matching share for actions taken 41036  
under the "Comprehensive Environmental Response, Compensation, and 41037  
Liability Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as 41038  
amended; paying the costs of measures for proper clean-up of sites 41039  
where polychlorinated biphenyls and substances, equipment, and 41040  
devices containing or contaminated with polychlorinated biphenyls 41041  
have been stored or disposed of; paying the costs of conducting 41042  
surveys or investigations of solid waste facilities or other 41043  
locations where it is believed that significant quantities of 41044  
hazardous waste were disposed of and for conducting enforcement 41045  
actions arising from the findings of such surveys or 41046  
investigations; paying the costs of acquiring and cleaning up, or 41047  
providing financial assistance for cleaning up, any hazardous 41048  
waste facility or solid waste facility containing significant 41049  
quantities of hazardous waste, that constitutes an imminent and 41050  
substantial threat to public health or safety or the environment; 41051  
and, from July 1, ~~2001~~ 2003, through June 30, ~~2004~~ 2006, for the 41052  
purposes of paying the costs of administering and enforcing the 41053  
laws pertaining to solid wastes, infectious wastes, and 41054  
construction and demolition debris, including, without limitation, 41055  
ground water evaluations related to solid wastes, infectious 41056  
wastes, and construction and demolition debris, under this chapter 41057  
and Chapter 3714. of the Revised Code and any rules adopted under 41058  
them, and paying a share of the administrative costs of the 41059  
environmental protection agency pursuant to section 3745.014 of 41060  
the Revised Code, the following fees are hereby levied on the 41061  
disposal of solid wastes in this state: 41062

(1) One dollar per ton on and after July 1, 1993; 41063

(2) An additional ~~seventy-five cents~~ one dollar per ton on 41064  
and after July 1, ~~2001~~ 2003, through June 30, ~~2004~~ 2006. 41065

The owner or operator of a solid waste disposal facility 41066  
shall collect the fees levied under this division as a trustee for 41067  
the state and shall prepare and file with the director of 41068  
environmental protection monthly returns indicating the total 41069  
tonnage of solid wastes received for disposal at the gate of the 41070  
facility and the total amount of the fees collected under this 41071  
division. Not later than thirty days after the last day of the 41072  
month to which such a return applies, the owner or operator shall 41073  
mail to the director the return for that month together with the 41074  
fees collected during that month as indicated on the return. The 41075  
owner or operator may request an extension of not more than thirty 41076  
days for filing the return and remitting the fees, provided that 41077  
the owner or operator has submitted such a request in writing to 41078  
the director together with a detailed description of why the 41079  
extension is requested, the director has received the request not 41080  
later than the day on which the return is required to be filed, 41081  
and the director has approved the request. If the fees are not 41082  
remitted within sixty days after the last day of the month during 41083  
which they were collected, the owner or operator shall pay an 41084  
additional fifty per cent of the amount of the fees for each month 41085  
that they are late. 41086

One-half of the moneys remitted to the director under 41087  
division (A)(1) of this section shall be credited to the hazardous 41088  
waste facility management fund created in section 3734.18 of the 41089  
Revised Code, and one-half shall be credited to the hazardous 41090  
waste clean-up fund created in section 3734.28 of the Revised 41091  
Code. The moneys remitted to the director under division (A)(2) of 41092  
this section shall be credited to the solid waste fund, which is 41093  
hereby created in the state treasury. The environmental protection 41094

agency shall use moneys in the solid waste fund only to pay the 41095  
costs of administering and enforcing the laws pertaining to solid 41096  
wastes, infectious wastes, and construction and demolition debris, 41097  
including, without limitation, ground water evaluations related to 41098  
solid wastes, infectious wastes, and construction and demolition 41099  
debris, under this chapter and Chapter 3714. of the Revised Code 41100  
and rules adopted under them and to pay a share of the 41101  
administrative costs of the environmental protection agency 41102  
pursuant to section 3745.014 of the Revised Code. 41103

The fees levied under this division and divisions (B) and (C) 41104  
of this section are in addition to all other applicable fees and 41105  
taxes and shall be added to any other fee or amount specified in a 41106  
contract that is charged by the owner or operator of a solid waste 41107  
disposal facility or to any other fee or amount that is specified 41108  
in a contract entered into on or after March 4, 1992, and that is 41109  
charged by a transporter of solid wastes. 41110

(B) For the purpose of preparing, revising, and implementing 41111  
the solid waste management plan of the county or joint solid waste 41112  
management district, including, without limitation, the 41113  
development and implementation of solid waste recycling or 41114

the district's approved solid waste management plan; paying the 41126

costs incurred by boards of health for collecting and analyzing 41127

the location and operation within their boundaries of a 41148  
composting, energy or resource recovery, incineration, or 41149  
recycling facility that either is owned by the district or is 41150  
furnishing solid waste management facility or recycling services 41151

waste management policy committee of a county or joint solid waste 41157  
management district may levy fees upon the following activities: 41158

(1) The disposal at a solid waste disposal facility located 41159

in the district of solid wastes generated within the district; 41160

(2) The disposal at a solid waste disposal facility within 41161  
the district of solid wastes generated outside the boundaries of 41162  
the district, but inside this state; 41163

(3) The disposal at a solid waste disposal facility within 41164  
the district of solid wastes generated outside the boundaries of 41165  
this state. 41166

If any such fees are levied prior to January 1, 1994, fees 41167  
levied under division (B)(1) of this section always shall be equal 41168  
to one-half of the fees levied under division (B)(2) of this 41169  
section, and fees levied under division (B)(3) of this section, 41170  
which shall be in addition to fees levied under division (B)(2) of 41171  
this section, always shall be equal to fees levied under division 41172  
(B)(1) of this section, except as otherwise provided in this 41173  
division. The solid waste management plan of the county or joint 41174  
district approved under section 3734.521 or 3734.55 of the Revised 41175  
Code and any amendments to it, or the resolution adopted under 41176  
this division, as appropriate, shall establish the rates of the 41177  
fees levied under divisions (B)(1), (2), and (3) of this section, 41178  
if any, and shall specify whether the fees are levied on the basis 41179  
of tons or cubic yards as the unit of measurement. Although the 41180  
fees under divisions (A)(1) and (2) of this section are levied on 41181  
the basis of tons as the unit of measurement, the solid waste 41182  
management plan of the district and any amendments to it or the 41183  
solid waste management policy committee in its resolution levying 41184  
fees under this division may direct that the fees levied under 41185  
those divisions be levied on the basis of cubic yards as the unit 41186  
of measurement based upon a conversion factor of three cubic yards 41187  
per ton generally or one cubic yard per ton for baled wastes if 41188  
the fees under divisions (B)(1) to (3) of this section are being 41189  
levied on the basis of cubic yards as the unit of measurement 41190  
under the plan, amended plan, or resolution. 41191

On and after January 1, 1994, the fee levied under division 41192  
(B)(1) of this section shall be not less than one dollar per ton 41193  
nor more than two dollars per ton, the fee levied under division 41194  
(B)(2) of this section shall be not less than two dollars per ton 41195  
nor more than four dollars per ton, and the fee levied under 41196  
division (B)(3) of this section shall be not more than the fee 41197  
levied under division (B)(1) of this section, except as otherwise 41198  
provided in this division and notwithstanding any schedule of 41199  
those fees established in the solid waste management plan of a 41200  
county or joint district approved under section 3734.55 of the 41201  
Revised Code or a resolution adopted and ratified under this 41202  
division that is in effect on that date. If the fee that a 41203  
district is levying under division (B)(1) of this section on that 41204  
date under its approved plan or such a resolution is less than one 41205  
dollar per ton, the fee shall be one dollar per ton on and after 41206  
January 1, 1994, and if the fee that a district is so levying 41207  
under that division exceeds two dollars per ton, the fee shall be 41208  
two dollars per ton on and after that date. If the fee that a 41209  
district is so levying under division (B)(2) of this section is 41210  
less than two dollars per ton, the fee shall be two dollars per 41211  
ton on and after that date, and if the fee that the district is so 41212  
levying under that division exceeds four dollars per ton, the fee 41213  
shall be four dollars per ton on and after that date. On that 41214  
date, the fee levied by a district under division (B)(3) of this 41215  
section shall be equal to the fee levied under division (B)(1) of 41216  
this section. Except as otherwise provided in this division, the 41217  
fees established by the operation of this amendment shall remain 41218  
in effect until the district's resolution levying fees under this 41219  
division is amended or repealed in accordance with this division 41220  
to amend or abolish the schedule of fees, the schedule of fees is 41221  
amended or abolished in an amended plan of the district approved 41222  
under section 3734.521 or division (A) or (D) of section 3734.56 41223  
of the Revised Code, or the schedule of fees is amended or 41224

abolished through an amendment to the district's plan under 41225  
division (E) of section 3734.56 of the Revised Code; the 41226  
notification of the amendment or abolishment of the fees has been 41227  
given in accordance with this division; and collection of the 41228  
amended fees so established commences, or collection of the fees 41229  
ceases, in accordance with this division. 41230

The solid waste management policy committee of a district 41231  
levying fees under divisions (B)(1) to (3) of this section on 41232  
October 29, 1993, under its solid waste management plan approved 41233  
under section 3734.55 of the Revised Code or a resolution adopted 41234  
and ratified under this division that are within the ranges of 41235  
rates prescribed by this amendment, by adoption of a resolution 41236  
not later than December 1, 1993, and without the necessity for 41237  
ratification of the resolution under this division, may amend 41238  
those fees within the prescribed ranges, provided that the 41239  
estimated revenues from the amended fees will not substantially 41240  
exceed the estimated revenues set forth in the district's budget 41241  
for calendar year 1994. Not later than seven days after the 41242  
adoption of such a resolution, the committee shall notify by 41243  
certified mail the owner or operator of each solid waste disposal 41244  
facility that is required to collect the fees of the adoption of 41245  
the resolution and of the amount of the amended fees. Collection 41246  
of the amended fees shall take effect on the first day of the 41247  
first month following the month in which the notification is sent 41248  
to the owner or operator. The fees established in such a 41249  
resolution shall remain in effect until the district's resolution 41250  
levying fees that was adopted and ratified under this division is 41251  
amended or repealed, and the amendment or repeal of the resolution 41252  
is ratified, in accordance with this division, to amend or abolish 41253  
the fees, the schedule of fees is amended or abolished in an 41254  
amended plan of the district approved under section 3734.521 or 41255  
division (A) or (D) of section 3734.56 of the Revised Code, or the 41256  
schedule of fees is amended or abolished through an amendment to 41257

the district's plan under division (E) of section 3734.56 of the Revised Code; the notification of the amendment or abolishment of the fees has been given in accordance with this division; and collection of the amended fees so established commences, or collection of the fees ceases, in accordance with this division.

Prior to the approval of the solid waste management plan of the district under section 3734.55 of the Revised Code, the solid waste management policy committee of a district may levy fees under this division by adopting a resolution establishing the proposed amount of the fees. Upon adopting the resolution, the committee shall deliver a copy of the resolution to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district and shall prepare and publish the resolution and a notice of the time and location where a public hearing on the fees will be held. Upon adopting the resolution, the committee shall deliver written notice of the adoption of the resolution; of the amount of the proposed fees; and of the date, time, and location of the public hearing to the director and to the fifty industrial, commercial, or institutional generators of solid wastes within the district that generate the largest quantities of solid wastes, as determined by the committee, and to their local trade associations. The committee shall make good faith efforts to identify those generators within the district and their local trade associations, but the nonprovision of notice under this division to a particular generator or local trade association does not invalidate the proceedings under this division. The publication shall occur at least thirty days before the hearing. After the hearing, the committee may make such revisions to the proposed fees as it considers appropriate and thereafter, by resolution, shall adopt the revised fee schedule. Upon adopting the revised fee schedule, the committee shall deliver a copy of the resolution doing so to

the board of county commissioners of each county forming the 41291  
district and to the legislative authority of each municipal 41292  
corporation and township under the jurisdiction of the district. 41293  
Within sixty days after the delivery of a copy of the resolution 41294  
adopting the proposed revised fees by the policy committee, each 41295  
such board and legislative authority, by ordinance or resolution, 41296  
shall approve or disapprove the revised fees and deliver a copy of 41297  
the ordinance or resolution to the committee. If any such board or 41298  
legislative authority fails to adopt and deliver to the policy 41299  
committee an ordinance or resolution approving or disapproving the 41300  
revised fees within sixty days after the policy committee 41301  
delivered its resolution adopting the proposed revised fees, it 41302  
shall be conclusively presumed that the board or legislative 41303  
authority has approved the proposed revised fees. 41304

In the case of a county district or a joint district formed 41305  
by two or three counties, the committee shall declare the proposed 41306  
revised fees to be ratified as the fee schedule of the district 41307  
upon determining that the board of county commissioners of each 41308  
county forming the district has approved the proposed revised fees 41309  
and that the legislative authorities of a combination of municipal 41310  
corporations and townships with a combined population within the 41311  
district comprising at least sixty per cent of the total 41312  
population of the district have approved the proposed revised 41313  
fees, provided that in the case of a county district, that 41314  
combination shall include the municipal corporation having the 41315  
largest population within the boundaries of the district, and 41316  
provided further that in the case of a joint district formed by 41317  
two or three counties, that combination shall include for each 41318  
county forming the joint district the municipal corporation having 41319  
the largest population within the boundaries of both the county in 41320  
which the municipal corporation is located and the joint district. 41321  
In the case of a joint district formed by four or more counties, 41322  
the committee shall declare the proposed revised fees to be 41323

ratified as the fee schedule of the joint district upon 41324  
determining that the boards of county commissioners of a majority 41325  
of the counties forming the district have approved the proposed 41326  
revised fees; that, in each of a majority of the counties forming 41327  
the joint district, the proposed revised fees have been approved 41328  
by the municipal corporation having the largest population within 41329  
the county and the joint district; and that the legislative 41330  
authorities of a combination of municipal corporations and 41331  
townships with a combined population within the joint district 41332  
comprising at least sixty per cent of the total population of the 41333  
joint district have approved the proposed revised fees. 41334

For the purposes of this division, only the population of the 41335  
unincorporated area of a township shall be considered. For the 41336  
purpose of determining the largest municipal corporation within 41337  
each county under this division, a municipal corporation that is 41338  
located in more than one solid waste management district, but that 41339  
is under the jurisdiction of one county or joint solid waste 41340  
management district in accordance with division (A) of section 41341  
3734.52 of the Revised Code shall be considered to be within the 41342  
boundaries of the county in which a majority of the population of 41343  
the municipal corporation resides. 41344

The committee may amend the schedule of fees levied pursuant 41345  
to a resolution or amended resolution adopted and ratified under 41346  
this division by adopting a resolution establishing the proposed 41347  
amount of the amended fees. The committee may abolish the fees 41348  
levied pursuant to such a resolution or amended resolution by 41349  
adopting a resolution proposing to repeal them. Upon adopting such 41350  
a resolution, the committee shall proceed to obtain ratification 41351  
of the resolution in accordance with this division. 41352

Not later than fourteen days after declaring the fees or 41353  
amended fees to be ratified under this division, the committee 41354  
shall notify by certified mail the owner or operator of each solid 41355

waste disposal facility that is required to collect the fees of 41356  
the ratification and the amount of the fees. Collection of any 41357  
fees or amended fees ratified on or after March 24, 1992, shall 41358  
commence on the first day of the second month following the month 41359  
in which notification is sent to the owner or operator. 41360

Not later than fourteen days after declaring the repeal of 41361  
the district's schedule of fees to be ratified under this 41362  
division, the committee shall notify by certified mail the owner 41363  
or operator of each facility that is collecting the fees of the 41364  
repeal. Collection of the fees shall cease on the first day of the 41365  
second month following the month in which notification is sent to 41366  
the owner or operator. 41367

Not later than fourteen days after the director issues an 41368  
order approving a district's solid waste management plan under 41369  
section 3734.55 of the Revised Code or amended plan under division 41370  
(A) or (D) of section 3734.56 of the Revised Code that establishes 41371  
or amends a schedule of fees levied by the district, or the 41372  
ratification of an amendment to the district's approved plan or 41373  
amended plan under division (E) of section 3734.56 of the Revised 41374  
Code that establishes or amends a schedule of fees, as 41375  
appropriate, the committee shall notify by certified mail the 41376  
owner or operator of each solid waste disposal facility that is 41377  
required to collect the fees of the approval of the plan or 41378  
amended plan, or the amendment to the plan, as appropriate, and 41379  
the amount of the fees or amended fees. In the case of an initial 41380  
or amended plan approved under section 3734.521 of the Revised 41381  
Code in connection with a change in district composition, other 41382  
than one involving the withdrawal of a county from a joint 41383  
district, that establishes or amends a schedule of fees levied 41384  
under divisions (B)(1) to (3) of this section by a district 41385  
resulting from the change, the committee, within fourteen days 41386  
after the change takes effect pursuant to division (G) of that 41387

section, shall notify by certified mail the owner or operator of 41388  
each solid waste disposal facility that is required to collect the 41389  
fees that the change has taken effect and of the amount of the 41390  
fees or amended fees. Collection of any fees set forth in a plan 41391  
or amended plan approved by the director on or after April 16, 41392  
1993, or an amendment of a plan or amended plan under division (E) 41393  
of section 3734.56 of the Revised Code that is ratified on or 41394  
after April 16, 1993, shall commence on the first day of the 41395  
second month following the month in which notification is sent to 41396  
the owner or operator. 41397

Not later than fourteen days after the director issues an 41398  
order approving a district's plan under section 3734.55 of the 41399  
Revised Code or amended plan under division (A) or (D) of section 41400  
3734.56 of the Revised Code that abolishes the schedule of fees 41401  
levied under divisions (B)(1) to (3) of this section, or an 41402  
amendment to the district's approved plan or amended plan 41403  
abolishing the schedule of fees is ratified pursuant to division 41404  
(E) of section 3734.56 of the Revised Code, as appropriate, the 41405  
committee shall notify by certified mail the owner or operator of 41406  
each facility that is collecting the fees of the approval of the 41407  
plan or amended plan, or the amendment of the plan or amended 41408  
plan, as appropriate, and the abolishment of the fees. In the case 41409  
of an initial or amended plan approved under section 3734.521 of 41410  
the Revised Code in connection with a change in district 41411  
composition, other than one involving the withdrawal of a county 41412  
from a joint district, that abolishes the schedule of fees levied 41413  
under divisions (B)(1) to (3) of this section by a district 41414  
resulting from the change, the committee, within fourteen days 41415  
after the change takes effect pursuant to division (G) of that 41416  
section, shall notify by certified mail the owner or operator of 41417  
each solid waste disposal facility that is required to collect the 41418  
fees that the change has taken effect and of the abolishment of 41419  
the fees. Collection of the fees shall cease on the first day of 41420

the second month following the month in which notification is sent 41421  
to the owner or operator. 41422

Except as otherwise provided in this division, if the 41423  
schedule of fees that a district is levying under divisions (B)(1) 41424  
to (3) of this section pursuant to a resolution or amended 41425  
resolution adopted and ratified under this division, the solid 41426  
waste management plan of the district approved under section 41427  
3734.55 of the Revised Code, an amended plan approved under 41428  
division (A) or (D) of section 3734.56 of the Revised Code, or an 41429  
amendment to the district's approved plan or amended plan under 41430  
division (E) of section 3734.56 of the Revised Code, is amended by 41431  
the adoption and ratification of an amendment to the resolution or 41432  
amended resolution or an amendment of the district's approved plan 41433  
or amended plan, the fees in effect immediately prior to the 41434  
approval of the plan or the amendment of the resolution, amended 41435  
resolution, plan, or amended plan, as appropriate, shall continue 41436  
to be collected until collection of the amended fees commences 41437  
pursuant to this division. 41438

If, in the case of a change in district composition involving 41439  
the withdrawal of a county from a joint district, the director 41440  
completes the actions required under division (G)(1) or (3) of 41441  
section 3734.521 of the Revised Code, as appropriate, forty-five 41442  
days or more before the beginning of a calendar year, the policy 41443  
committee of each of the districts resulting from the change that 41444  
obtained the director's approval of an initial or amended plan in 41445  
connection with the change, within fourteen days after the 41446  
director's completion of the required actions, shall notify by 41447  
certified mail the owner or operator of each solid waste disposal 41448  
facility that is required to collect the district's fees that the 41449  
change is to take effect on the first day of January immediately 41450  
following the issuance of the notice and of the amount of the fees 41451  
or amended fees levied under divisions (B)(1) to (3) of this 41452

section pursuant to the district's initial or amended plan as so 41453  
approved or, if appropriate, the abolishment of the district's 41454  
fees by that initial or amended plan. Collection of any fees set 41455  
forth in such a plan or amended plan shall commence on the first 41456  
day of January immediately following the issuance of the notice. 41457  
If such an initial or amended plan abolishes a schedule of fees, 41458  
collection of the fees shall cease on that first day of January. 41459

If, in the case of a change in district composition involving 41460  
the withdrawal of a county from a joint district, the director 41461  
completes the actions required under division (G)(1) or (3) of 41462  
section 3734.521 of the Revised Code, as appropriate, less than 41463  
forty-five days before the beginning of a calendar year, the 41464  
director, on behalf of each of the districts resulting from the 41465  
change that obtained the director's approval of an initial or 41466  
amended plan in connection with the change proceedings, shall 41467  
notify by certified mail the owner or operator of each solid waste 41468  
disposal facility that is required to collect the district's fees 41469  
that the change is to take effect on the first day of January 41470  
immediately following the mailing of the notice and of the amount 41471  
of the fees or amended fees levied under divisions (B)(1) to (3) 41472  
of this section pursuant to the district's initial or amended plan 41473  
as so approved or, if appropriate, the abolishment of the 41474  
district's fees by that initial or amended plan. Collection of any 41475  
fees set forth in such a plan or amended plan shall commence on 41476  
the first day of the second month following the month in which 41477  
notification is sent to the owner or operator. If such an initial 41478  
or amended plan abolishes a schedule of fees, collection of the 41479  
fees shall cease on the first day of the second month following 41480  
the month in which notification is sent to the owner or operator. 41481

In the case of a change in district composition, the schedule 41482  
of fees that the former districts that existed prior to the change 41483  
were levying under divisions (B)(1) to (3) of this section 41484

pursuant to a resolution or amended resolution adopted and 41485  
ratified under this division, the solid waste management plan of a 41486  
former district approved under section 3734.521 or 3734.55 of the 41487  
Revised Code, an amended plan approved under section 3734.521 or 41488  
division (A) or (D) of section 3734.56 of the Revised Code, or an 41489  
amendment to a former district's approved plan or amended plan 41490  
under division (E) of section 3734.56 of the Revised Code, and 41491  
that were in effect on the date that the director completed the 41492

time shall residents constitute a majority of the members of the 41862  
authority. 41863

(D)(1) For any metropolitan housing authority district 41864  
located in a county that had, as of the 2000 federal census, a 41865  
population of at least four hundred thousand and no city with a 41866

population greater than thirty per cent of the total population of 41867  
the county, one member of the authority shall be appointed by the 41868  
probate court, one member shall be appointed by the court of 41869  
common pleas, one member shall be appointed by the chief executive 41870  
officer of the most populous city in the district, and two members 41871  
shall be appointed by the board of county commissioners. 41872

(2) At the time of the initial appointment of a metropolitan 41873  
housing authority pursuant to this division, the member appointed 41874  
by the probate court shall be appointed for a period of four 41875  
years, the member appointed by the court of common pleas shall be 41876

shall be appointed for five-year terms, with each term ending on 41883  
the same day of the same month as the term that it succeeds. 41884  
Vacancies shall be filled in the manner provided in the original 41885  
appointments. Any member appointed to fill a vacancy occurring 41886  
prior to the expiration of the term shall hold office as a member 41887

(E)(1) An additional two members shall be appointed to the 41889  
metropolitan housing authority in any district that has three 41890

of this section an "assisted unit" is a housing unit owned or 41893  
operated by the housing authority or a unit in which the occupants 41894  
receive tenant-based housing assistance through the federal 41895  
section 8 housing program, 24 C.F.R. Ch VIII, and, a "resident" is 41896  
a person who lives in an assisted housing unit. 41897

(2) The chief executive officer of the most populous city in 41898

the district shall appoint an additional member who is a resident 41899  
for an initial term of five years. The board of county 41900  
commissioners shall appoint the other additional member, who need 41901

remainder of that term. 41908

(3) A member appointed as a resident member who no longer 41909  
qualifies as a resident shall be deemed unable to serve and 41910  
another resident member shall be appointed to serve the unexpired 41911

(F) Public officials, other than the officers having the 41913

authority notwithstanding any statute, charter, or law to the 41916  
contrary. Not more than two such public officials shall be members 41917  
of the authority at any one time. 41918

All members of ~~such housing an~~ authority shall serve without 41919

After a metropolitan housing authority district ~~has been~~ is 41922  
formed, the director may enlarge the territory within ~~such~~ the 41923  
district to include other political subdivisions, or portions 41924  
thereof of other political subdivisions, but the territorial 41925  
limits of ~~which~~ the district shall be less than that of the 41926  
county. 41927

**Sec. 3735.66.** The legislative authorities of municipal 41928  
corporations and counties may survey the housing within their 41929

jurisdictions and, after the survey, may adopt resolutions 41930  
describing the boundaries of community reinvestment areas which 41931  
contain the conditions required for the finding under division (B) 41932  
of section 3735.65 of the Revised Code. The findings resulting 41933  
from the survey shall be incorporated in the resolution describing 41934  
the boundaries of an area. The legislative authority may stipulate 41935  
in the resolution that only new structures or remodeling 41936  
classified as to use as commercial, industrial, or residential, or 41937  
some combination thereof, and otherwise satisfying the 41938  
requirements of section 3735.67 of the Revised Code are eligible 41939  
for exemption from taxation under that section. If the resolution 41940  
does not include such a stipulation, all new structures and 41941  
remodeling satisfying the requirements of section 3735.67 of the 41942  
Revised Code are eligible for exemption from taxation regardless 41943  
of classification. Whether or not the resolution includes such a 41944  
stipulation, the classification of the structures or remodeling 41945  
eligible for exemption in the area shall at all times be 41946  
consistent with zoning restrictions applicable to the area. For 41947  
the purposes of sections 3735.65 to 3735.70 of the Revised Code, 41948  
whether a structure or remodeling composed of multiple units is 41949  
classified as commercial or residential shall be determined by 41950  
resolution or ordinance of the legislative authority or, in the 41951  
absence of such a determination, by the classification of the use 41952  
of the structure or remodeling under the applicable zoning 41953  
regulations. 41954

If construction or remodeling classified as residential is 41955  
eligible for exemption from taxation, the resolution shall specify 41956  
a percentage, not to exceed one hundred per cent, of the assessed 41957  
valuation of such property to be exempted. The percentage 41958  
specified shall apply to all residential construction or 41959  
remodeling for which exemption is granted. 41960

The resolution adopted pursuant to this section shall be 41961

published in a newspaper of general circulation in the municipal 41962  
corporation, if the resolution is adopted by the legislative 41963  
authority of a municipal corporation, or in a newspaper of general 41964  
circulation in the county, if the resolution is adopted by the 41965  
legislative authority of the county, once a week for two 41966  
consecutive weeks immediately following its adoption. 41967

Each legislative authority adopting a resolution pursuant to 41968  
this section shall designate a housing officer. In addition, each 41969  
such legislative authority, not later than fifteen days after the 41970  
adoption of the resolution, shall petition the director of 41971  
development for the director to confirm the findings described in 41972  
the resolution. The petition shall be accompanied by a copy of the 41973  
resolution and by a map of the community reinvestment area in 41974  
sufficient detail to denote the specific boundaries of the area 41975  
and to indicate zoning restrictions applicable to the area. The 41976  
director shall determine whether the findings contained in the 41977  
resolution are valid, and whether the classification of structures 41978  
or remodeling eligible for exemption under the resolution is 41979  
consistent with zoning restrictions applicable to the area as 41980  
indicated on the map. Within thirty days of receiving the 41981  
petition, the director shall forward ~~his~~ the director's 41982  
determination to the legislative authority. The legislative 41983  
authority or housing officer shall not grant any exemption from 41984  
taxation under section 3735.67 of the Revised Code until the 41985  
director forwards ~~his~~ the director's determination to the 41986  
legislative authority. The director shall assign to each community 41987  
reinvestment area a unique designation by which the area shall be 41988  
identified for purposes of sections 3735.65 to 3735.70 of the 41989  
Revised Code. 41990

If zoning restrictions in any part of a community 41991  
reinvestment area are changed at any time after the legislative 41992  
authority petitions the director under this section, the 41993

legislative authority shall notify the director and shall submit a 41994  
map of the area indicating the new zoning restrictions in the 41995  
area. 41996

**Sec. 3735.67.** (A) The owner of real property located in a 41997  
community reinvestment area and eligible for exemption from 41998  
taxation under a resolution adopted pursuant to section 3735.66 of 41999  
the Revised Code may file an application for an exemption from 42000  
real property taxation of a percentage of the assessed valuation 42001  
of a new structure or remodeling, completed after the effective 42002  
date of the resolution adopted pursuant to section 3735.66 of the 42003  
Revised Code, with the housing officer designated pursuant to 42004  
section 3735.66 of the Revised Code for the community reinvestment 42005  
area in which the property is located. If any part of the new 42006  
structure or remodeling that would be exempted is of real property 42007  
to be used for commercial or industrial purposes, the legislative 42008  
authority and the owner of the property shall enter into a written 42009  
agreement pursuant to section 3735.671 of the Revised Code prior 42010  
to commencement of construction or remodeling; if such an 42011  
agreement is subject to approval by the board of education of the 42012  
school district within the territory of which the property is or 42013  
will be located, the agreement shall not be formally approved by 42014  
the legislative authority until the board of education approves 42015  
the agreement in the manner prescribed by that section. 42016

(B) The housing officer shall verify the construction of the 42017  
new structure or the cost of the remodeling and the facts asserted 42018  
in the application. The housing officer shall determine whether 42019  
the construction or the cost of the remodeling meets the 42020  
requirements for an exemption under this section. In cases 42021  
involving a structure of historical or architectural significance, 42022  
the housing officer shall not determine whether the remodeling 42023  
meets the requirements for a tax exemption unless the 42024  
appropriateness of the remodeling has been certified, in writing, 42025

by the society, association, agency, or legislative authority that 42026  
has designated the structure or by any organization or person 42027  
authorized, in writing, by such society, association, agency, or 42028  
legislative authority to certify the appropriateness of the 42029  
remodeling. 42030

(C) If the construction or remodeling meets the requirements 42031  
for exemption, the housing officer shall forward the application 42032  
to the county auditor with a certification as to the division of 42033  
this section under which the exemption is granted, and the period 42034  
and percentage of the exemption as determined by the legislative 42035  
authority pursuant to that division. If the construction or 42036  
remodeling is of commercial or industrial property and the 42037  
legislative authority is not required to certify a copy of a 42038  
resolution under section 3735.671 of the Revised Code, the housing 42039  
officer shall comply with the notice requirements prescribed under 42040  
section 5709.83 of the Revised Code, unless the board has adopted 42041  
a resolution under that section waiving its right to receive such 42042  
a notice. 42043

(D) The tax exemption shall first apply in the year the 42044  
construction or remodeling would first be taxable but for this 42045  
section. In the case of remodeling that qualifies for exemption, a 42046  
percentage, not to exceed one hundred per cent, of the amount by 42047  
which the remodeling increased the assessed value of the structure 42048  
shall be exempted from real property taxation. In the case of 42049  
construction of a structure that qualifies for exemption, a 42050  
percentage, not to exceed one hundred per cent, of the assessed 42051  
value of the structure shall be exempted from real property 42052  
taxation. In either case, the percentage shall be the percentage 42053  
set forth in the agreement if the structure or remodeling is to be 42054  
used for commercial or industrial purposes, or the percentage set 42055  
forth in the resolution describing the community reinvestment area 42056  
if the structure or remodeling is to be used for residential 42057

purposes. 42058

The construction of new structures and the remodeling of 42059  
existing structures are hereby declared to be a public purpose for 42060  
which exemptions from real property taxation may be granted for 42061  
the following periods: 42062

(1) For every dwelling containing not more than two family 42063  
units located within the same community reinvestment area and upon 42064  
which the cost of remodeling is at least two thousand five hundred 42065  
dollars, a period to be determined by the legislative authority 42066  
adopting the resolution describing the community reinvestment area 42067  
where the dwelling is located, but not exceeding ten years; 42068

(2) For every dwelling containing more than two units and 42069  
commercial or industrial properties, located within the same 42070  
community reinvestment area, upon which the cost of remodeling is 42071  
at least five thousand dollars, a period to be determined by the 42072  
legislative authority adopting the resolution, but not exceeding 42073  
twelve years; 42074

(3) For construction of every dwelling, and commercial or 42075  
industrial structure located within the same community 42076  
reinvestment area, a period to be determined by the legislative 42077  
authority adopting the resolution, but not exceeding fifteen 42078  
years. 42079

(E) Any person, board, or officer authorized by section 42080  
5715.19 of the Revised Code to file complaints with the county 42081  
board of revision may file a complaint with the housing officer 42082  
challenging the continued exemption of any property granted an 42083  
exemption under this section. A complaint against exemption shall 42084  
be filed prior to the thirty-first day of December of the tax year 42085  
for which taxation of the property is requested. The housing 42086  
officer shall determine whether the property continues to meet the 42087  
requirements for exemption and shall certify the housing officer's 42088

findings to the complainant. If the housing officer determines 42089  
that the property does not meet the requirements for exemption, 42090  
the housing officer shall notify the county auditor, who shall 42091  
correct the tax list and duplicate accordingly. 42092

**Sec. 3735.671.** (A) If construction or remodeling of 42093  
commercial or industrial property is to be exempted from taxation 42094  
pursuant to section 3735.67 of the Revised Code, the legislative 42095  
authority and the owner of the property, prior to the commencement 42096  
of construction or remodeling, shall enter into a written 42097  
agreement, binding on both parties for a period of time that does 42098  
not end prior to the end of the period of the exemption, that 42099  
includes all of the information and statements prescribed by this 42100  
section. Agreements may include terms not prescribed by this 42101  
section, but such terms shall in no way derogate from the 42102  
information and statements prescribed by this section. 42103

(1) Except as otherwise provided in division (A)(2) or (3) of 42104  
this section, an agreement entered into under this section shall 42105  
not be approved by the legislative authority unless the board of 42106  
education of the city, local, or exempted village school district 42107  
within the territory of which the property is or will be located 42108  
approves the agreement. For the purpose of obtaining such 42109  
approval, the legislative authority shall certify a copy of the 42110  
agreement to the board of education not later than forty-five days 42111  
prior to approving the agreement, excluding Saturday, Sunday, and 42112  
a legal holiday as defined in section 1.14 of the Revised Code. 42113  
The board of education, by resolution adopted by a majority of the 42114  
board, shall approve or disapprove the agreement and certify a 42115  
copy of the resolution to the legislative authority not later than 42116  
fourteen days prior to the date stipulated by the legislative 42117  
authority as the date upon which approval of the agreement is to 42118  
be formally considered by the legislative authority. The board of 42119  
education may include in the resolution conditions under which the 42120

board would approve the agreement. The legislative authority may 42121  
approve an agreement at any time after the board of education 42122  
certifies its resolution approving the agreement to the 42123  
legislative authority, or, if the board approves the agreement 42124  
conditionally, at any time after the conditions are agreed to by 42125  
the board and the legislative authority. 42126

(2) Approval of an agreement by the board of education is not 42127  
required under division (A)(1) of this section if, for each tax 42128  
year the real property is exempted from taxation, the sum of the 42129  
following quantities, as estimated at or prior to the time the 42130  
agreement is formally approved by the legislative authority, 42131  
equals or exceeds fifty per cent of the amount of taxes, as 42132  
estimated at or prior to that time, that would have been charged 42133  
and payable that year upon the real property had that property not 42134  
been exempted from taxation: 42135

(a) The amount of taxes charged and payable on any portion of 42136  
the assessed valuation of the new structure or remodeling that 42137  
will not be exempted from taxation under the agreement; 42138

(b) The amount of taxes charged and payable on tangible 42139  
personal property located on the premises of the new structure or 42140  
of the structure to be remodeled under the agreement, whether 42141  
payable by the owner of the structure or by a related member, as 42142  
defined in section 5733.042 of the Revised Code without regard to 42143  
division (B) of that section. 42144

(c) The amount of any cash payment by the owner of the new 42145  
structure or structure to be remodeled to the school district, the 42146  
dollar value, as mutually agreed to be the owner and the board of 42147  
education, of any property or services provided by the owner of 42148  
the property to the school district, whether by gift, loan, or 42149  
otherwise, and any payment by the legislative authority to the 42150  
school district pursuant to section 5709.82 of the Revised Code. 42151

The estimates of quantities used for purposes of division 42152  
(A)(2) of this section shall be estimated by the legislative 42153  
authority. The legislative authority shall certify to the board of 42154  
education that the estimates have been made in good faith. 42155  
Departures of the actual quantities from the estimates subsequent 42156  
to approval of the agreement by the board of education do not 42157  
invalidate the agreement. 42158

(3) If a board of education has adopted a resolution waiving 42159  
its right to approve agreements and the resolution remains in 42160  
effect, approval of an agreement by the board is not required 42161  
under this division. If a board of education has adopted a 42162  
resolution allowing a legislative authority to deliver the notice 42163  
required under this division fewer than forty-five business days 42164  
prior to the legislative authority's execution of the agreement, 42165  
the legislative authority shall deliver the notice to the board 42166  
not later than the number of days prior to such execution as 42167  
prescribed by the board in its resolution. If a board of education 42168  
adopts a resolution waiving its right to approve agreements or 42169  
shortening the notification period, the board shall certify a copy 42170  
of the resolution to the legislative authority. If the board of 42171  
education rescinds such a resolution, it shall certify notice of 42172  
the rescission to the legislative authority. 42173

(B) Each agreement shall include the following information: 42174

(1) The names of all parties to the agreement; 42175

(2) A description of the remodeling or construction, whether 42176  
or not to be exempted from taxation, including existing or new 42177  
structure size and cost thereof; the value of machinery, 42178  
equipment, furniture, and fixtures, including an itemization of 42179  
the value of machinery, equipment, furniture, and fixtures used at 42180  
another location in this state prior to the agreement and 42181  
relocated or to be relocated from that location to the property, 42182  
and the value of machinery, equipment, furniture, and fixtures at 42183

the facility prior to the execution of the agreement; the value of 42184  
inventory at the property, including an itemization of the value 42185  
of inventory held at another location in this state prior to the 42186  
agreement and relocated or to be relocated from that location to 42187  
the property, and the value of inventory held at the property 42188  
prior to the execution of the agreement; 42189

(3) The scheduled starting and completion dates of remodeling 42190  
or construction of real property or of investments made in 42191  
machinery, equipment, furniture, fixtures, and inventory; 42192

(4) Estimates of the number of employee positions to be 42193  
created each year of the agreement and of the number of employee 42194  
positions retained by the owner due to the remodeling or 42195  
construction, itemized as to the number of full-time, part-time, 42196  
permanent, and temporary positions; 42197

(5) Estimates of the dollar amount of payroll attributable to 42198  
the positions set forth in division (B)(4) of this section, 42199  
similarly itemized; 42200

(6) The number of employee positions, if any, at the property 42201  
and at any other location in this state at the time the agreement 42202  
is executed, itemized as to the number of full-time, part-time, 42203  
permanent, and temporary positions. 42204

(C) Each agreement shall set forth the following information 42205  
and incorporate the following statements: 42206

(1) A description of real property to be exempted from 42207  
taxation under the agreement, the percentage of the assessed 42208

rescinded beginning with the year for which such taxes are charged 42226  
or such reports or returns are required to be filed and 42227  
thereafter." 42228

(3) "..... (insert name of owner) hereby certifies that 42229  
at the time this agreement is executed, ..... (insert name of 42230

by the State of Ohio or an agent or instrumentality thereof, has 42238  
filed a petition in bankruptcy under 11 U.S.C.A. 101, et seq., or 42239

(5) "If for any reason ..... (insert name of municipal 42252

The statement described in division (C)(6) of this section may include the following statement, appended at the end of the statement: ", and may require the repayment of the amount of taxes that would have been payable had the property not been exempted from taxation under this agreement."

(D) Except as otherwise provided in this division, an agreement entered into under this section shall require that the owner pay an annual fee equal to the greater of one per cent of the amount of taxes exempted under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority and shall be used by the legislative authority exclusively for the purpose of complying with section 3735.672 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority may waive

or reduce the amount of the fee, but such waiver or reduction does 42310  
not affect the obligations of the legislative authority or the tax 42311  
incentive review council to comply with section 3735.672 or 42312  
5709.85 of the Revised Code. 42313

(E) If any person that is party to an agreement granting an 42314  
exemption from taxation discontinues operations at the structure 42315  
to which that exemption applies prior to the expiration of the 42316  
term of the agreement, that person, any successor to that person, 42317  
and any related member shall not enter into an agreement under 42318  
this section or section 5709.62, 5709.63, or 5709.632 of the 42319  
Revised Code, and no legislative authority shall enter into such 42320  
an agreement with such a person, successor, or related member, 42321

transferred, which transfer resulted in the full or partial 42325  
nonrecognition of gain or loss, or resulted in a carryover basis, 42326  
both as determined by rule adopted by the tax commissioner. 42327  
"Related member" has the same meaning as defined in section 42328  
5733.042 of the Revised Code without regard to division (B) of 42329  
that section. 42330

The director of development shall review all agreements 42331  
submitted to the director under division (F) of this section for 42332  
the purpose of enforcing this division. If the director determines 42333  
there has been a violation of this division, the director shall 42334  
notify the legislative authority of such violation, and the 42335  
legislative authority immediately shall revoke the exemption 42336  
granted under the agreement. 42337

(F) When an agreement is entered into under this section, the 42338

the member's predecessor was appointed shall hold office for the 42361  
remainder of that term. Any member shall continue in office 42362  
subsequent to the expiration date of the member's term until a 42363  
successor takes office, or until a period of sixty days has 42364  
elapsed, whichever occurs first. Members shall be qualified by 42365

membership on the commission. 42379

(B) The ex officio members may not vote, except that the fire 42380  
marshal or chief deputy fire marshal may vote in case of a tie. 42381

(C) Each member of the commission, other than ex officio 42382

expenses. 42386

(D) The commission shall select a chairperson and a 42387  
vice-chairperson from among its members. No business may be 42388  
transacted in the absence of a quorum. A quorum shall be at least 42389  
six members, excluding ex officio members, and shall include 42390  
either the chairperson or vice-chairperson. The commission shall 42391  
hold regular meetings at least once every two months and may meet 42392

3737.03 of the Revised Code, the fire marshal shall preserve, in 42398  
an appropriate manner, in the office space or meeting rooms 42399  
provided to the commission under this division or in another 42400  
location, copies of all official commendations awarded to 42401  
individuals recognized and commemorated for their exemplary 42402  
accomplishments and acts of heroism at fire-related incidents or 42403  
similar events that occurred in this state. 42404

(F) If the commission maintains the Ohio fire service hall of fame under division (C) of section 3737.03 of the Revised Code, the expenses incurred for the recognition and commemoration of individuals for their exemplary accomplishments and acts of heroism at fire-related incidents or similar events that occurred in this state, including, but not limited to, expenses for official commendations and an annual awards ceremony as described in division ~~(C)~~(B) of section 3737.03 of the Revised Code, may be paid from moneys appropriated by the general assembly for purposes of that recognition and commemoration, from moneys that are available to the fire marshal under this chapter, or from other funding sources available to the commission.

**Sec. 3745.04.** As used in this section, "any person" means any individual, any partnership, corporation, association, or other legal entity, or any political subdivision, instrumentality, or agency of a state, whether or not the individual or legal entity is an applicant for or holder of a license, permit, or variance from the environmental protection agency, and includes any department, agency, or instrumentality of the federal government that is an applicant for or holder of a license, permit, or variance from the environmental protection agency.

As used in this section, "action" or "act" includes the adoption, modification, or repeal of a rule or standard, the issuance, modification, or revocation of any lawful order other than an emergency order, and the issuance, denial, modification, or revocation of a license, permit, lease, variance, or certificate, or the approval or disapproval of plans and specifications pursuant to law or rules adopted thereunder.

Any person who was a party to a proceeding before the director of environmental protection may participate in an appeal to the environmental review appeals commission for an order

vacating or modifying the action of the director or a local board 42436  
of health, or ordering the director or board of health to perform 42437  
an act. The environmental review appeals commission has exclusive 42438  
original jurisdiction over any matter that may, under this 42439  
section, be brought before it. 42440

The person so appealing to the commission shall be known as 42441  
appellant, and the director and any party to a proceeding 42442  
substantially supporting the finding from which the appeal is 42443  
taken shall be known as appellee, except that when an appeal 42444  
involves a license to operate a disposal site or facility, the 42445  
local board of health or the director of environmental protection, 42446  
and any party to a proceeding substantially supporting the finding 42447  
from which the appeal is taken, shall, as appropriate, be known as 42448  
the appellee. Appellant and appellee shall be deemed to be parties 42449  
to the appeal. 42450

The appeal shall be in writing and shall set forth the action 42451  
complained of and the grounds upon which the appeal is based. 42452

The appeal shall be filed with the commission within thirty 42453  
days after notice of the action. Notice of the filing of the 42454  
appeal shall be filed with the appellee within three days after 42455  
the appeal is filed with the commission. 42456

The appeal shall be accompanied by a filing fee of ~~sixty~~ 42457  
seventy dollars, which the commission, in its discretion, may 42458  
~~waive in cases of~~ reduce if by affidavit the appellant 42459  
demonstrates that payment of the full amount of the fee would 42460  
cause extreme hardship. 42461

Within seven days after receipt of the notice of appeal, the 42462  
director or local board of health shall prepare and certify to the 42463  
commission a record of the proceedings out of which the appeal 42464  
arises, including all documents and correspondence, and a 42465  
transcript of all testimony. 42466

Upon the filing of the appeal, the commission shall fix the 42467  
time and place at which the hearing on the appeal will be held. 42468  
The commission shall give the appellant and the appellee at least 42469  
ten days' written notice thereof by certified mail. The commission 42470  
shall hold the hearing within thirty days after the notice of 42471  
appeal is filed. The commission may postpone or continue any 42472  
hearing upon its own motion or upon application of the appellant 42473  
or of the appellee. 42474

The filing of an appeal does not automatically suspend or 42475  
stay execution of the action appealed from. Upon application by 42476  
the appellant, the commission may suspend or stay the execution 42477  
pending immediate determination of the appeal without interruption 42478  
by continuances, other than for unavoidable circumstances. 42479

As used in this section and sections 3745.05 and 3745.06 of 42480  
the Revised Code, "director of environmental protection" and 42481  
"director" are deemed to include the director of agriculture and 42482  
"environmental protection agency" is deemed to include the 42483  
department of agriculture with respect to actions that are 42484  
appealable to the commission under Chapter 903. of the Revised 42485  
Code. 42486

**Sec. 3745.11.** (A) Applicants for and holders of permits, 42487

each such regulated pollutant during the period July through				42618

December 1993, to be collected no sooner than July 1, 1994; 42619

(b) Twenty dollars per ton on the total actual emissions of 42620  
each such regulated pollutant during calendar year 1994, to be 42621

subsequent calendar year, to be collected no sooner than the 42625  
fifteenth day of April of the year next succeeding the calendar 42626  
year in which the emissions occurred. 42627

The fees levied under division (C)(1) of this section do not 42628  
apply to that portion of the emissions of a regulated pollutant at 42629  
a facility that exceed four thousand tons during a calendar year. 42630

(2) The fees assessed under division (C)(1) of this section 42631  
are for the purpose of providing funding for the Title V permit 42632  
program. 42633

(3) The fees assessed under division (C)(1) of this section 42634  
do not apply to emissions from any electric generating unit 42635  
designated as a Phase I unit under Title IV of the federal Clean 42636  
Air Act prior to calendar year 2000. Those fees shall be assessed 42637  
on the emissions from such a generating unit commencing in 42638  
calendar year 2001 based upon the total actual emissions from the 42639  
generating unit during calendar year 2000 and shall continue to be 42640  
assessed each subsequent calendar year based on the total actual 42641  
emissions from the generating unit during the preceding calendar 42642  
year. 42643

(4) The director shall issue invoices to owners or operators 42644  
of air contaminant sources who are required to pay a fee assessed 42645  
under division (C) or (D) of this section. Any such invoice shall 42646  
be issued no sooner than the applicable date when the fee first 42647  
may be collected in a year under the applicable division, shall 42648  
identify the nature and amount of the fee assessed, and shall 42649

indicate that the fee is required to be paid within thirty days 42650  
after the issuance of the invoice. 42651

(D)(1) Except as provided in division (D)~~(2)~~(3) of this 42652  
section, ~~beginning from~~ January 1, 1994, ~~through December 31,~~ 42653

who is required to apply for a permit to operate pursuant to rules 42655  
adopted under division (G), or a variance pursuant to division 42656  
(H), of section 3704.03 of the Revised Code; and who is not 42657  
required to apply for and obtain a Title V permit under section 42658  
3704.036 of the Revised Code shall pay a single fee based upon the 42659  
sum of the actual annual emissions from the facility of the 42660  
regulated pollutants particulate matter, sulfur dioxide, nitrogen 42661  
oxides, organic compounds, and lead in accordance with the 42662

(2) Except as provided in division (D)(3) of this section, 42670  
beginning January 1, 2004, each person who owns or operates an air 42671  
contaminant source; who is required to apply for a permit to 42672

variance pursuant to division (H), of section 3704.03 of the 42674  
Revised Code; and who is not required to apply for and obtain a 42675  
Title V permit under section 3704.03 of the Revised Code shall pay 42676  
a single fee based upon the sum of the actual annual emissions 42677  
from the facility of the regulated pollutants particulate matter, 42678

section shall be collected annually no sooner than the fifteenth 42716  
day of April, commencing in 1995. The fees assessed under division 42717  
(D)(2) of this section shall be collected annually no sooner than 42718  
the fifteenth day of April, commencing in 2005. The fees assessed 42719  
under division (D)~~(2)~~(3) of this section shall be collected no 42720  
sooner than the fifteenth day of April, commencing in 2000. The 42721  
fees assessed under division (D) of this section in a calendar 42722  
year shall be based upon the sum of the actual emissions of those 42723  
regulated pollutants during the preceding calendar year. For the 42724  
purpose of division (D) of this section, emissions of air 42725  
contaminants may be calculated using engineering calculations, 42726  
emission factors, material balance calculations, or performance 42727  
testing procedures, as authorized by the director. The director, 42728  
by rule, may require persons who are required to pay the fees 42729  
assessed under division (D) of this section to pay those fees 42730  
biennially rather than annually. 42731

(E)(1) Consistent with the need to cover the reasonable costs 42732  
of the Title V permit program, the director annually shall 42733  
increase the fees prescribed in division (C)(1) of this section by 42734  
the percentage, if any, by which the consumer price index for the 42735  
most recent calendar year ending before the beginning of a year 42736  
exceeds the consumer price index for calendar year 1989. Upon 42737  
calculating an increase in fees authorized by division (E)(1) of 42738  
this section, the director shall compile revised fee schedules for 42739  
the purposes of division (C)(1) of this section and shall make the 42740  
revised schedules available to persons required to pay the fees 42741  
assessed under that division and to the public. 42742

(2) For the purposes of division (E)(1) of this section: 42743

(a) The consumer price index for any year is the average of 42744  
the consumer price index for all urban consumers published by the 42745

United States department of labor as of the close of the 42746  
twelve-month period ending on the thirty-first day of August of 42747  
that year. 42748

(b) If the 1989 consumer price index is revised, the director 42749  
shall use the revision of the consumer price index that is most 42750  
consistent with that for calendar year 1989. 42751

(F) Each person who is issued a permit to install pursuant to 42752  
rules adopted under division (F) of section 3704.03 of the Revised 42753

of this section, each sewage sludge facility shall pay a 43530  
nonrefundable annual sludge fee equal to three dollars and fifty 43531  
cents per dry ton of sewage sludge, including the dry tons of 43532  
sewage sludge in materials derived from sewage sludge, that the 43533  
sewage sludge facility treats or disposes of in this state. The 43534  
annual volume of sewage sludge treated or disposed of by a sewage 43535  
sludge facility shall be calculated using the first day of January 43536

sludge in this state shall be thirty-five per cent less per dry 43544  
ton of exceptional quality sludge than the fee assessed under 43545  
division (Y)(1) of this section, subject to the following 43546  
exceptions: 43547

(i) Except as provided in division (Y)(2)(d) of this section, 43548

sludge fee for treatment or disposal in this state of exceptional 43554

quality sludge generated outside of this state and contained in 43555  
bags or other containers not greater than one hundred pounds in 43556

A thirty-five per cent reduction for exceptional quality 43558  
sludge applies to the maximum annual fees established under 43559  
division (Y)(3) of this section. 43560

(c) A sewage sludge facility that transfers sewage sludge to 43561  
another sewage sludge facility in this state for further treatment 43562  
prior to disposal in this state shall not be required to pay the 43563  
annual sludge fee for the tons of sewage sludge that have been 43564  
transferred. In such a case, the sewage sludge facility that 43565

However, the facility transferring the sewage sludge shall pay the 43567  
one-hundred-dollar minimum fee required under division (Y)(2)(a) 43568  
of this section. 43569

In the case of a sewage sludge facility that treats sewage 43570  
sludge in this state and transfers it out of this state to another 43571  
entity for disposal, the sewage sludge facility in this state 43572  
shall be required to pay the annual sludge fee for the tons of 43573  
sewage sludge that have been transferred. 43574

(d) A sewage sludge facility that generates sewage sludge 43575  
resulting from an average daily discharge flow of less than five 43576  
thousand gallons per day is not subject to the fees assessed under 43577  
division (Y) of this section. 43578

(3) No sewage sludge facility required to pay the annual 43579  
sludge fee shall be required to pay more than the maximum annual 43580  
fee for each disposal method that the sewage sludge facility uses. 43581  
The maximum annual fee does not include the additional amount that 43582  
may be charged under division (Y)(5) of this section for late 43583  
payment of the annual sludge fee. The maximum annual fee for the 43584  
following methods of disposal of sewage sludge is as follows: 43585

(4)(a) In the case of an entity that generates sewage sludge or a sewage sludge facility that treats sewage sludge and transfers the sewage sludge to an incineration facility for disposal, the incineration facility, and not the entity generating the sewage sludge or the sewage sludge facility treating the sewage sludge, shall pay the annual sludge fee for the tons of sewage sludge that are transferred. However, the entity or facility generating or treating the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.	43592 43593 43594 43595 43596 43597 43598 43599 43600 43601
(b) In the case of an entity that generates sewage sludge and transfers the sewage sludge to a landfill for disposal or to a sewage sludge facility for land reclamation or surface disposal, the entity generating the sewage sludge, and not the landfill or sewage sludge facility, shall pay the annual sludge fee for the tons of sewage sludge that are transferred.	43602 43603 43604 43605 43606 43607
(5) Not later than the first day of April of the calendar year following March 17, 2000, and each first day of April thereafter, the director shall issue invoices to persons who are required to pay the annual sludge fee. The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of July as the deadline for payment of the fee.	43608 43609 43610 43611 43612 43613 43614 43615
Not later than the first day of May following receipt of an	43616

invoice, a person required to pay the annual sludge fee may submit 43617  
objections to the director concerning the accuracy of information 43618  
regarding the number of dry tons of sewage sludge used to 43619  
calculate the amount of the annual sludge fee or regarding whether 43620  
the sewage sludge qualifies for the exceptional quality sludge 43621  
discount established in division (Y)(2)(b) of this section. The 43622  
director may consider the objections and adjust the amount of the 43623  
fee to ensure that it is accurate. 43624

If the director does not adjust the amount of the annual 43625  
sludge fee in response to a person's objections, the person may 43626  
appeal the director's determination in accordance with Chapter 43627  
119. of the Revised Code. 43628

Not later than the first day of June, the director shall 43629  
notify the objecting person regarding whether the director has 43630  
found the objections to be valid and the reasons for the finding. 43631  
If the director finds the objections to be valid and adjusts the 43632  
amount of the annual sludge fee accordingly, the director shall 43633  
issue with the notification a new invoice to the person 43634  
identifying the amount of the annual sludge fee assessed and 43635  
stating the first day of July as the deadline for payment. 43636

Not later than the first day of July, any person who is 43637  
required to do so shall pay the annual sludge fee. Any person who 43638  
is required to pay the fee, but who fails to do so on or before 43639  
that date shall pay an additional amount that equals ten per cent 43640  
of the required annual sludge fee. 43641

(6) The director shall transmit all moneys collected under 43642  
division (Y) of this section to the treasurer of state for deposit 43643  
into the surface water protection fund created in section 6111.038 43644  
of the Revised Code. The moneys shall be used to defray the costs 43645  
of administering and enforcing provisions in Chapter 6111. of the 43646  
Revised Code and rules adopted under it that govern the use, 43647  
storage, treatment, or disposal of sewage sludge. 43648

(7) Beginning in fiscal year 2001, and every two years 43649  
thereafter, the director shall review the total amount of moneys 43650  
generated by the annual sludge fees to determine if that amount 43651  
exceeded six hundred thousand dollars in either of the two 43652  
preceding fiscal years. If the total amount of moneys in the fund 43653  
exceeded six hundred thousand dollars in either fiscal year, the 43654  
director, after review of the fee structure and consultation with 43655  
affected persons, shall issue an order reducing the amount of the 43656  
fees levied under division (Y) of this section so that the 43657  
estimated amount of moneys resulting from the fees will not exceed 43658  
six hundred thousand dollars in any fiscal year. 43659

If, upon review of the fees under division (Y)(7) of this 43660  
section and after the fees have been reduced, the director 43661  
determines that the total amount of moneys collected and 43662  
accumulated is less than six hundred thousand dollars, the 43663  
director, after review of the fee structure and consultation with 43664  
affected persons, may issue an order increasing the amount of the 43665  
fees levied under division (Y) of this section so that the 43666  
estimated amount of moneys resulting from the fees will be 43667  
approximately six hundred thousand dollars. Fees shall never be 43668  
increased to an amount exceeding the amount specified in division 43669  
(Y)(7) of this section. 43670

Notwithstanding section 119.06 of the Revised Code, the 43671  
director may issue an order under division (Y)(7) of this section 43672  
without the necessity to hold an adjudicatory hearing in 43673  
connection with the order. The issuance of an order under this 43674  
division is not an act or action for purposes of section 3745.04 43675  
of the Revised Code. 43676

(8) As used in division (Y) of this section: 43677

(a) "Sewage sludge facility" means an entity that performs 43678

receiving the request, it is conclusively presumed that the 43825  
director approved the applicant's request to have the compliance 43826  
review conducted by a certified engineer and the applicant's 43827  
choice of the engineer, and the director shall enter into a 43828  
contract with the engineer chosen by the applicant. If the 43829

excluding contingencies for any additional work that may be needed 43842  
to properly complete the review and that was not anticipated when 43843  
the contract was made. Moneys received by the director from an 43844  
applicant shall be deposited into the permit review fund, which is 43845

under division (B) of this section. The director may use any 43850  
moneys in the fund not needed for those purposes to administer the 43851  
environmental laws or programs of this state. 43852

that work in addition to that upon which the cost under the 43854  
contract was based, or any additional work previously authorized 43855  
under this division, is needed to properly review the application 43856  
and accompanying information for compliance with the applicable 43857  
performance standards, the engineer shall notify the director of 43858  
that fact and of the cost of the additional work, as determined 43859

work have been determined in accordance with the terms of the 43862  
contract, the director shall authorize the contractor to perform 43863  
the work. Upon completion of the additional work, the contractor 43864

shall submit to the director an invoice for the cost of performing 43865  
the additional work, and the director shall forward a copy of the 43866  
invoice to the applicant. The applicant is liable to the state for 43867

receiving a copy of the invoice, shall pay to the director an 43870  
amount equal to one hundred ten per cent of the amount indicated 43871  
on the invoice. Upon receiving this payment, the director shall 43872  
forward the moneys to the treasurer of state, who shall deposit 43873  
them into the state treasury to the credit of the permit review 43874  
fund. 43875

connection with the additional work, the director shall not issue 43877  
to the applicant any permit, renewal of a permit, or plan 43878  
approval, or modification thereof, for which an application is 43879  
pending before the director. The director also may certify the 43880  
unpaid amount to the attorney general and request that the 43881  
attorney general bring a civil action against the applicant to 43882  
recover that amount. Any moneys so recovered shall be deposited 43883  
into the state treasury to the credit of the permit review fund. 43884

(F) Upon completing a compliance review conducted under this 43885  
section, the engineer shall make a certification to the director 43886  
as to whether the existing or proposed facility, source, activity, 43887  
or modification will comply with the applicable performance 43888  
standards. If the certification indicates that the existing or 43889  
proposed facility, source, activity, or modification will not 43890  
comply, the engineer shall include in the certification the 43891  
engineer's findings as to the causes of the noncompliance. 43892

(G) When a compliance review is conducted by an engineer 43893  
certified under this section, the other activities in connection 43894  
with the consideration, approval, and issuance of the permit, 43895  
renewal of the permit, or plan approval, or modification thereof, 43896

any such boiler shall obtain an appropriate certificate of 44822  
operation for such boiler, and shall not operate such boiler, or 44823  
permit it to be operated unless a certificate of operation has 44824  
been obtained in accordance with section 4104.17 of the Revised 44825  
Code. 44826

(B) If, upon making the internal and external inspection 44827  
required under sections 4104.11, 4104.12, and 4104.13 of the 44828  
Revised Code, the inspector finds the boiler to be in safe working 44829  
order, with the fittings necessary to safety, and properly set up, 44830  
upon the inspector's report to the superintendent, the 44831  
superintendent shall issue to the owner or user thereof, or renew, 44832  
upon application and upon compliance with sections 4104.17 and 44833  
4104.18 of the Revised Code, a certificate of operation which 44834  
shall state the maximum pressure at which the boiler may be 44835  
operated, as ascertained by the rules of the board of building 44836  
standards. Such certificates shall also state the name of the 44837  
owner or user, the location, size, and number of each boiler, and 44838

the date of issuance, and shall be so placed as to be easily read 44839  
in the engine room or boiler room of the plant where the boiler is 44840  
located, except that the certificate of operation for a portable 44841  
boiler shall be kept on the premises and shall be accessible at 44842  
all times. 44843

(C) If an inspector at any inspection finds that the boiler 44844  
or ~~unfired~~ pressure vessel is not in safe working condition, or is 44845  
not provided with the fittings necessary to safety, or if the 44846  
fittings are improperly arranged, the inspector shall immediately 44847  
notify the owner or user and person in charge of the boiler and 44848  
shall report the same to the superintendent who may revoke, 44849  
suspend, or deny the certificate of operation and not renew the 44850  
same until the boiler or ~~unfired~~ pressure vessel and its fittings 44851  
are put in condition to insure safety of operation, and the owner 44852  
or user shall not operate the boiler or ~~unfired~~ pressure vessel, 44853  
or permit it to be operated until such certificate has been 44854  
granted or restored. 44855

(D) If the superintendent or a general boiler inspector finds 44856  
that ~~an unfired~~ a pressure vessel or boiler or a part thereof 44857  
poses an explosion hazard that reasonably can be regarded as 44858  
posing an imminent danger of death or serious physical harm to 44859  
persons, the superintendent or the general boiler inspector shall 44860  
seal the ~~unfired~~ pressure vessel or boiler and order, in writing, 44861  
the operator or owner of the ~~unfired~~ pressure vessel or boiler to 44862  
immediately cease the ~~unfired~~ pressure vessel's or boiler's 44863  
operation. The order shall be effective until the nonconformities 44864  
are eliminated, corrected, or otherwise remedied, or for a period 44865  
of seventy-two hours from the time of issuance, whichever occurs 44866  
first. During the seventy-two-hour period, the superintendent may 44867  
request that the prosecuting attorney or city attorney of Franklin 44868  
county or of the county in which the ~~unfired~~ pressure vessel or 44869  
boiler is located obtain an injunction restraining the operator or 44870

owner of the ~~unfired~~ pressure vessel or boiler from continuing its 44871  
operation after the seventy-two-hour period expires until the 44872  
nonconformities are eliminated, corrected, or otherwise remedied. 44873

(E) Each boiler which has been inspected shall be assigned a 44874  
number by the superintendent, which number shall be stamped on a 44875  
nonferrous metal tag affixed to the boiler or its fittings by seal 44876  
or otherwise. No person except an inspector shall deface or remove 44877  
any such number or tag. 44878

(F) If the owner or user of any ~~unfired~~ pressure vessel or 44879  
boiler disagrees with the inspector as to the necessity for 44880  
shutting down ~~an unfired~~ a pressure vessel or boiler or for making 44881  
repairs or alterations in it, or taking any other measures for 44882  
safety that are requested by an inspector, the owner or user may 44883  
appeal from the decision of the inspector to the superintendent, 44884  
who may, after such other inspection by a general inspector or 44885  
special inspector as the superintendent deems necessary, decide 44886  
the issue. 44887

(G) Neither sections 4104.01 to 4104.20 of the Revised Code, 44888  
nor an inspection or report by any inspector, shall relieve the 44889  
owner or user of ~~an unfired~~ a pressure vessel or boiler of the 44890  
duty of using due care in the inspection, operation, and repair of 44891  
the ~~unfired~~ pressure vessel or boiler or of any liability for 44892  
damages for failure to inspect, repair, or operate the ~~unfired~~ 44893  
pressure vessel or boiler safely. 44894

**Sec. 4104.18.** (A) The owner or user of a boiler required 44895  
under section 4104.12 of the Revised Code to be inspected upon 44896  
installation, and the owner or user of a boiler for which a 44897  
certificate of inspection has been issued which is replaced with 44898  
an appropriate certificate of operation, shall pay to the 44899  
superintendent of industrial compliance a fee in the amount of 44900  
~~thirty~~ forty-five dollars for boilers subject to annual 44901

inspections under section 4104.11 of the Revised Code, ~~sixty~~ 44902

those located in the state may secure inspection by a general 44916  
inspector on work during construction, upon application to the 44917  
superintendent, and upon payment of a fee of thirty-five dollars 44918  
per hour, plus the necessary traveling and hotel expenses incurred 44919  
by the inspector. 44920

(C) The application fee for applicants for steam engineer, 44921  
high pressure boiler operator, or low pressure boiler operator 44922  
licenses is fifty dollars. The fee for each original or renewal 44923  
steam engineer, high pressure boiler operator, or low pressure 44924  
boiler operator license is thirty-five dollars. 44925

(D) The director of commerce, subject to the approval of the 44926  
controlling board, may establish fees in excess of the fees 44927

owner or user a fee of three dollars and twenty-five cents for  
each certificate of operation or renewal thereof issued under  
division (A) of this section and for each inspection conducted  
under division (B) of this section. The board shall adopt rules,  
in accordance with Chapter 119. of the Revised Code, specifying

employees, or any agents or agencies it designates, conduct in any 45599  
part of this state any proceeding, hearing, investigation, 45600  
inquiry, or election necessary to the performance of its 45601  
functions; provided, that no person so designated may later sit in 45602  
determination of an appeal of the decision of that cause or 45603  
matter. 45604

~~(H)~~(K) In addition to the powers and functions provided in 45605  
other sections of this chapter, the board shall do all of the 45606  
following: 45607

(1) Create a bureau of mediation within the state employment 45608  
relations board, to perform the functions provided in section 45609  
4117.14 of the Revised Code. This bureau shall also establish, 45610  
after consulting representatives of employee organizations and 45611  
public employers, panels of qualified persons to be available to 45612  
serve as members of fact-finding panels and arbitrators. 45613

(2) Conduct studies of problems involved in representation	45614
and negotiation and make recommendations for legislation;	45615
(3) Hold hearings pursuant to this chapter and, for the	45616
purpose of the hearings and inquiries, administer oaths and	45617
affirmations, examine witnesses and documents, take testimony and	45618
receive evidence, compel the attendance of witnesses and the	45619
production of documents by the issuance of subpoenas, and delegate	45620
these powers to any members of the board or any attorney-trial	45621
examiner appointed by the board for the performance of its	45622
functions;	45623
(4) Train representatives of employee organizations and	45624
public employers in the rules and techniques of collective	45625
bargaining procedures;	45626
(5) Make studies and analyses of, and act as a clearinghouse	45627
of information relating to, conditions of employment of public	45628
employees throughout the state and request assistance, services,	45629
and data from any public employee organization, public employer,	45630
or governmental unit. Public employee organizations, public	45631
employers, and governmental units shall provide such assistance,	45632
services, and data as will enable the board to carry out its	45633
functions and powers.	45634
(6) Make available to employee organizations, public	45635
employers, mediators, fact-finding panels, arbitrators, and joint	45636
study committees statistical data relating to wages, benefits, and	45637
employment practices in public and private employment applicable	45638
to various localities and occupations to assist them to resolve	45639
issues in negotiations;	45640
(7) Notwithstanding section 119.13 of the Revised Code,	45641
establish standards of persons who practice before it;	45642
(8) Adopt, amend, and rescind rules and procedures and	45643
exercise other powers appropriate to carry out this chapter.	45644

Before the adoption, amendment, or rescission of rules and 45645  
procedures under this section, the board shall do all of the 45646  
following: 45647

(a) Maintain a list of interested public employers and 45648  
employee organizations and mail notice to such groups of any 45649  
proposed rule or procedure, amendment thereto, or rescission 45650  
thereof at least thirty days before any public hearing thereon; 45651

(b) Mail a copy of each proposed rule or procedure, amendment 45652  
thereto, or rescission thereof to any person who requests a copy 45653  
within five days after receipt of the request therefor; 45654

(c) Consult with appropriate statewide organizations 45655  
representing public employers or employees who would be affected 45656  
by the proposed rule or procedure. 45657

Although the board is expected to discharge these duties 45658  
diligently, failure to mail any notice or copy, or to so consult 45659  
with any person, is not jurisdictional and shall not be construed 45660  
to invalidate any proceeding or action of the board. 45661

~~(I)~~(L) In case of neglect or refusal to obey a subpoena 45662  
issued to any person, the court of common pleas of the county in 45663  
which the investigation or the public hearing occurs, upon 45664  
application by the board, may issue an order requiring the person 45665  
to appear before the board and give testimony about the matter 45666  
under investigation. The court may punish a failure to obey the 45667  
order as contempt. 45668

~~(J)~~(M) Any subpoena, notice of hearing, or other process or 45669  
notice of the board issued under this section may be served 45670  
personally, by certified mail, or by leaving a copy at the 45671  
principal office or personal residence of the respondent required 45672  
to be served. A return, made and verified by the individual making 45673  
the service and setting forth the manner of service, is proof of 45674  
service, and a return post office receipt, when certified mail is 45675

used, is proof of service. All process in any court to which 45676  
application is made under this chapter may be served in the county 45677  
wherein the persons required to be served reside or are found. 45678

~~(K)~~(N) All expenses of the board, including all necessary 45679  
traveling and subsistence expenses incurred by the members or 45680  
employees of the board under its orders, shall be paid pursuant to 45681  
itemized vouchers approved by the chairperson of the board, the 45682  
executive director, or both, or such other person as the ~~board~~ 45683  
chairperson designates for that purpose. 45684

~~(L)~~(O) Whenever the board determines that a substantial 45685  
controversy exists with respect to the application or 45686  
interpretation of this chapter and the matter is of public or 45687  
great general interest, the board shall certify its final order 45688  
directly to the court of appeals having jurisdiction over the area 45689  
in which the principal office of the public employer directly 45690  
affected by the application or interpretation is located. The 45691  
chairperson shall file with the clerk of the court a certified 45692  
copy of the transcript of the proceedings before the board 45693  
pertaining to the final order. If upon hearing and consideration 45694  
the court decides that the final order of the board is unlawful or 45695  
is not supported by substantial evidence on the record as a whole, 45696  
the court shall reverse and vacate the final order or modify it 45697  
and enter final judgment in accordance with the modification; 45698  
otherwise, the court shall affirm the final order. The notice of 45699  
the final order of the board to the interested parties shall 45700  
contain a certification by the chairperson of the board that the 45701  
final order is of public or great general interest and that a 45702  
certified transcript of the record of the proceedings before the 45703  
board had been filed with the clerk of the court as an appeal to 45704  
the court. For the purposes of this division, the board has 45705  
standing to bring its final order properly before the court of 45706  
appeals. 45707

~~(M)~~(P) Except as otherwise specifically provided in this 45708  
section, the board is subject to Chapter 119. of the Revised Code, 45709  
including the procedure for submission of proposed rules to the 45710  
general assembly for legislative review under division (H) of 45711  
section 119.03 of the Revised Code. 45712

**Sec. 4117.14.** (A) The procedures contained in this section 45713  
govern the settlement of disputes between an exclusive 45714  
representative and a public employer concerning the termination or 45715  
modification of an existing collective bargaining agreement or 45716  
negotiation of a successor agreement, or the negotiation of an 45717  
initial collective bargaining agreement. 45718

(B)(1) In those cases where there exists a collective 45719  
bargaining agreement, any public employer or exclusive 45720  
representative desiring to terminate, modify, or negotiate a 45721  
successor collective bargaining agreement shall: 45722

(a) Serve written notice upon the other party of the proposed 45723  
termination, modification, or successor agreement. The party must 45724  
serve the notice not less than sixty days prior to the expiration 45725  
date of the existing agreement or, in the event the existing 45726  
collective bargaining agreement does not contain an expiration 45727  
date, not less than sixty days prior to the time it is proposed to 45728  
make the termination or modifications or to make effective a 45729  
successor agreement. 45730

(b) Offer to bargain collectively with the other party for 45731  
the purpose of modifying or terminating any existing agreement or 45732  
negotiating a successor agreement; 45733

(c) Notify the state employment relations board of the offer 45734  
by serving upon the board a copy of the written notice to the 45735  
other party and a copy of the existing collective bargaining 45736  
agreement. 45737

(2) In the case of initial negotiations between a public 45738  
employer and an exclusive representative, where a collective 45739  
bargaining agreement has not been in effect between the parties, 45740  
any party may serve notice upon the board and the other party 45741  
setting forth the names and addresses of the parties and offering 45742  
to meet, for a period of ninety days, with the other party for the 45743  
purpose of negotiating a collective bargaining agreement. 45744

If the settlement procedures specified in divisions (B), (C), 45745  
and (D) of this section govern the parties, where those procedures 45746  
refer to the expiration of a collective bargaining agreement, it 45747  
means the expiration of the sixty-day period to negotiate a 45748  
collective bargaining agreement referred to in this subdivision, 45749  
or in the case of initial negotiations, it means the ninety day 45750  
period referred to in this subdivision. 45751

(3) The parties shall continue in full force and effect all 45752  
the terms and conditions of any existing collective bargaining 45753  
agreement, without resort to strike or lock-out, for a period of 45754  
sixty days after the party gives notice or until the expiration 45755  
date of the collective bargaining agreement, whichever occurs 45756  
later, or for a period of ninety days where applicable. 45757

(4) Upon receipt of the notice, the parties shall enter into 45758  
collective bargaining. 45759

(C) In the event the parties are unable to reach an 45760  
agreement, they may submit, at any time prior to forty-five days 45761  
before the expiration date of the collective bargaining agreement, 45762  
the issues in dispute to any mutually agreed upon dispute 45763  
settlement procedure which supersedes the procedures contained in 45764  
this section. 45765

(1) The procedures may include: 45766

(a) Conventional arbitration of all unsettled issues; 45767

(b) Arbitration confined to a choice between the last offer 45768

of each party to the agreement as a single package; 45769

(c) Arbitration confined to a choice of the last offer of 45770  
each party to the agreement on each issue submitted; 45771

(d) The procedures described in division (C)(1)(a), (b), or 45772  
(c) of this section and including among the choices for the 45773  
arbitrator, the recommendations of the fact finder, if there are 45774  
recommendations, either as a single package or on each issue 45775  
submitted; 45776

(e) Settlement by a citizens' conciliation council composed 45777  
of three residents within the jurisdiction of the public employer. 45778  
The public employer shall select one member and the exclusive 45779  
representative shall select one member. The two members selected 45780  
shall select the third member who shall chair the council. If the 45781  
two members cannot agree upon a third member within five days 45782  
after their appointments, the board shall appoint the third 45783  
member. Once appointed, the council shall make a final settlement 45784  
of the issues submitted to it pursuant to division (G) of this 45785  
section. 45786

(f) Any other dispute settlement procedure mutually agreed to 45787  
by the parties. 45788

(2) If, fifty days before the expiration date of the 45789  
collective bargaining agreement, the parties are unable to reach 45790  
an agreement, any party may request the state employment relations 45791  
board to intervene. The request shall set forth the names and 45792  
addresses of the parties, the issues involved, and, if applicable, 45793  
the expiration date of any agreement. 45794

The board shall intervene and investigate the dispute to 45795  
determine whether the parties have engaged in collective 45796  
bargaining. 45797

If an impasse exists or forty-five days before the expiration 45798  
date of the collective bargaining agreement if one exists, the 45799

board shall appoint a mediator to assist the parties in the 45800  
collective bargaining process. 45801

~~(3) If the mediator after assisting the parties advises the~~ 45802  
~~board that the parties have reached an impasse, or not later than~~ 45803  
~~thirty one days prior to the expiration date of the agreement~~ Any 45804  
time after the appointment of a mediator, either party may request 45805  
the appointment of a fact-finding panel. Within fifteen days after 45806  
receipt of a request for a fact-finding panel, the board shall 45807  
appoint ~~within one day~~ a fact-finding panel of not more than three 45808  
members who have been selected by the parties in accordance with 45809  
rules established by the board, from a list of qualified persons 45810  
maintained by the board. 45811

(a) The fact-finding panel shall, in accordance with rules 45812  
and procedures established by the board that include the 45813  
regulation of costs and expenses of fact-finding, gather facts and 45814  
make recommendations for the resolution of the matter. The board 45815  
shall by its rules require each party to specify in writing the 45816  
unresolved issues and its position on each issue to the 45817  
fact-finding panel. The fact-finding panel shall make final 45818  
recommendations as to all the unresolved issues. 45819

(b) The board may continue mediation, order the parties to 45820  
engage in collective bargaining until the expiration date of the 45821  
agreement, or both. 45822

(4) The following guidelines apply to fact-finding: 45823

(a) The fact-finding panel may establish times and place of 45824  
hearings which shall be, where feasible, in the jurisdiction of 45825  
the state. 45826

(b) The fact-finding panel shall conduct the hearing pursuant 45827  
to rules established by the board. 45828

(c) Upon request of the fact-finding panel, the board shall 45829  
issue subpoenas for hearings conducted by the panel. 45830

(d) The fact-finding panel may administer oaths. 45831

(e) The board shall prescribe guidelines for the fact-finding 45832  
panel to follow in making findings. In making its recommendations, 45833  
the fact-finding panel shall take into consideration the factors 45834  
listed in divisions (G)(7)(a) to (f) of this section. 45835

(f) The fact-finding panel may attempt mediation at any time 45836  
during the fact-finding process. From the time of appointment 45837  
until the fact-finding panel makes a final recommendation, it 45838  
shall not discuss the recommendations for settlement of the 45839  
dispute with parties other than the direct parties to the dispute. 45840

(5) The fact-finding panel, acting by a majority of its 45841  
members, shall transmit its findings of fact and recommendations 45842  
on the unresolved issues to the public employer and employee 45843  
organization involved and to the board no later than fourteen days 45844  
after the appointment of the fact-finding panel, unless the 45845  
parties mutually agree to an extension. The ~~state parties~~ shall 45846  
~~pay one half share~~ the cost of the fact-finding panel. ~~The parties~~ 45847  
~~each shall pay one half of the remaining costs in a manner agreed~~ 45848  
~~to by the parties.~~ 45849

(6)(a) Not later than seven days after the findings and 45850  
recommendations are sent, the legislative body, by a three-fifths 45851  
vote of its total membership, and in the case of the public 45852  
employee organization, the membership, by a three-fifths vote of 45853  
the total membership, may reject the recommendations; if neither 45854  
rejects the recommendations, the recommendations shall be deemed 45855  
agreed upon as the final resolution of the issues submitted and a 45856  
collective bargaining agreement shall be executed between the 45857  
parties, including the fact-finding panel's recommendations, 45858  
except as otherwise modified by the parties by mutual agreement. 45859  
If either the legislative body or the public employee organization 45860  
rejects the recommendations, the board shall publicize the 45861  
findings of fact and recommendations of the fact-finding panel. 45862

The board shall adopt rules governing the procedures and methods 45863  
for public employees to vote on the recommendations of the 45864  
fact-finding panel. 45865

(b) As used in division (C)(6)(a) of this section, 45866  
"legislative body" means the controlling board when the state or 45867  
any of its agencies, authorities, commissions, boards, or other 45868  
branch of public employment is party to the fact-finding process. 45869

(D) If the parties are unable to reach agreement within seven 45870  
days after the publication of findings and recommendations from 45871  
the fact-finding panel or the collective bargaining agreement, if 45872  
one exists, has expired, then the: 45873

(1) Public employees, who are members of a police or fire 45874  
department, members of the state highway patrol, deputy sheriffs, 45875  
dispatchers employed by a police, fire or sheriff's department or 45876  
the state highway patrol or civilian dispatchers employed by a 45877  
public employer other than a police, fire, or sheriff's department 45878  
to dispatch police, fire, sheriff's department, or emergency 45879  
medical or rescue personnel and units, an exclusive nurse's unit, 45880  
employees of the state school for the deaf or the state school for 45881  
the blind, employees of any public employee retirement system, 45882  
corrections officers, guards at penal or mental institutions, 45883  
special police officers appointed in accordance with sections 45884  
5119.14 and 5123.13 of the Revised Code, psychiatric attendants 45885  
employed at mental health forensic facilities, or youth leaders 45886  
employed at juvenile correctional facilities, shall submit the 45887  
matter to a final offer settlement procedure pursuant to a board 45888  
order issued forthwith to the parties to settle by a conciliator 45889  
selected by the parties. The parties shall request from the board 45890  
a list of five qualified conciliators and the parties shall select 45891  
a single conciliator from the list by alternate striking of names. 45892  
If the parties cannot agree upon a conciliator within five days 45893  
after the board order, the board shall on the sixth day after its 45894

order appoint a conciliator from a list of qualified persons 45895  
maintained by the board or shall request a list of qualified 45896  
conciliators from the American arbitration association and appoint 45897  
therefrom. 45898

(2) Public employees other than those listed in division 45899  
(D)(1) of this section have the right to strike under Chapter 45900  
4117. of the Revised Code provided that the employee organization 45901  
representing the employees has given a ten-day prior written 45902  
notice of an intent to strike to the public employer and to the 45903  
board, and further provided that the strike is for full, 45904  
consecutive work days and the beginning date of the strike is at 45905  
least ten work days after the ending date of the most recent prior 45906  
strike involving the same bargaining unit; however, the board, at 45907  
its discretion, may attempt mediation at any time. 45908

(E) Nothing in this section shall be construed to prohibit 45909  
the parties, at any time, from voluntarily agreeing to submit any 45910  
or all of the issues in dispute to any other alternative dispute 45911  
settlement procedure. An agreement or statutory requirement to 45912  
arbitrate or to settle a dispute pursuant to a final offer 45913  
settlement procedure and the award issued in accordance with the 45914  
agreement or statutory requirement is enforceable in the same 45915  
manner as specified in division (B) of section 4117.09 of the 45916  
Revised Code. 45917

(F) Nothing in this section shall be construed to prohibit a 45918  
party from seeking enforcement of a collective bargaining 45919  
agreement or a conciliator's award as specified in division (B) of 45920  
section 4117.09 of the Revised Code. 45921

(G) The following guidelines apply to final offer settlement 45922  
proceedings under division (D)(1) of this section: 45923

(1) The parties shall submit to final offer settlement those 45924  
issues that are subject to collective bargaining as provided by 45925

section 4117.08 of the Revised Code and upon which the parties 45926  
have not reached agreement and other matters mutually agreed to by 45927  
the public employer and the exclusive representative; except that 45928  
the conciliator may attempt mediation at any time. 45929

(2) The conciliator shall hold a hearing within thirty days 45930  
of the board's order to submit to a final offer settlement 45931  
procedure, or as soon thereafter as is practicable. 45932

(3) The conciliator shall conduct the hearing pursuant to 45933  
rules developed by the board. The conciliator shall establish the 45934  
hearing time and place, but it shall be, where feasible, within 45935  
the jurisdiction of the state. Not later than five calendar days 45936  
before the hearing, each of the parties shall submit to the 45937  
conciliator, to the opposing party, and to the board, a written 45938  
report summarizing the unresolved issues, the party's final offer 45939  
as to the issues, and the rationale for that position. 45940

(4) Upon the request by the conciliator, the board shall 45941  
issue subpoenas for the hearing. 45942

(5) The conciliator may administer oaths. 45943

(6) The conciliator shall hear testimony from the parties and 45944  
provide for a written record to be made of all statements at the 45945  
hearing. The board shall submit for inclusion in the record and 45946  
for consideration by the conciliator the written report and 45947  
recommendation of the fact-finders. 45948

(7) After hearing, the conciliator shall resolve the dispute 45949  
between the parties by selecting, on an issue-by-issue basis, from 45950  
between each of the party's final settlement offers, taking into 45951  
consideration the following: 45952

(a) Past collectively bargained agreements, if any, between 45953  
the parties; 45954

(b) Comparison of the issues submitted to final offer 45955

settlement relative to the employees in the bargaining unit 45956  
involved with those issues related to other public and private 45957  
employees doing comparable work, giving consideration to factors 45958  
peculiar to the area and classification involved; 45959

(c) The interests and welfare of the public, the ability of 45960  
the public employer to finance and administer the issues proposed, 45961  
and the effect of the adjustments on the normal standard of public 45962  
service; 45963

(d) The lawful authority of the public employer; 45964

(e) The stipulations of the parties; 45965

(f) Such other factors, not confined to those listed in this 45966  
section, which are normally or traditionally taken into 45967  
consideration in the determination of the issues submitted to 45968  
final offer settlement through voluntary collective bargaining, 45969  
mediation, fact-finding, or other impasse resolution procedures in 45970  
the public service or in private employment. 45971

(8) Final offer settlement awards made under Chapter 4117. of 45972  
the Revised Code are subject to Chapter 2711. of the Revised Code. 45973

(9) If more than one conciliator is used, the determination 45974  
must be by majority vote. 45975

(10) The conciliator shall make written findings of fact and 45976  
promulgate a written opinion and order upon the issues presented 45977  
to the conciliator, and upon the record made before the 45978  
conciliator and shall mail or otherwise deliver a true copy 45979  
thereof to the parties and the board. 45980

(11) Increases in rates of compensation and other matters 45981  
with cost implications awarded by the conciliator may be effective 45982  
only at the start of the fiscal year next commencing after the 45983  
date of the final offer settlement award; provided that if a new 45984  
fiscal year has commenced since the issuance of the board order to 45985

submit to a final offer settlement procedure, the awarded 45986  
increases may be retroactive to the commencement of the new fiscal 45987  
year. The parties may, at any time, amend or modify a 45988  
conciliator's award or order by mutual agreement. 45989

(12) The parties shall bear equally the cost of the final 45990  
offer settlement procedure. 45991

(13) Conciliators appointed pursuant to this section shall be 45992  
residents of the state. 45993

(H) All final offer settlement awards and orders of the 45994  
conciliator made pursuant to Chapter 4117. of the Revised Code are 45995

the bureau of workers' compensation shall furnish to the county 46073  
auditor of each county and the chief fiscal officer of each taxing 46074

(B) Each county auditor and each fiscal officer of a 46082  
district, district activity, and institution shall calculate on 46083  
the form it receives from the bureau under division (A) of this 46084  
section the premium due as its proper contribution to the public 46085  
insurance fund and issue ~~his~~ a warrant in favor of the bureau for 46086

chargeable to the fund, whether the fund is derived from taxation 46099  
or otherwise. The proportionate amount of the contribution 46100  
chargeable to the fund may be based on payroll, relative exposure, 46101  
relative loss experience, or any combination of these factors, as 46102  
determined by the legislative body. Within sixty days before a 46103  
legislative body changes the method used for calculating the 46104

additions as the facts warrant and take those facts into 46116  
consideration in determining the current or future contributions 46117  
to be made by the county, district, district activity, or 46118  
institution. If the county, district, district activity, or 46119  
institution does not furnish the report in the time required by 46120

(D) The administrator shall provide a discount to any county, 46124  
district, district activity, or institution that pays its total 46125  
amount due to the public insurance fund on or before the fifteenth 46126  
day of May of each year as its proper contribution for premiums. 46127  
The administrator shall base the discount provided under this 46128  
division on the savings generated by the early payment to the 46129  
public insurance fund. The administrator may provide the discount 46130  
through a refund to the county, district, district activity, or 46131  
institution or an offset against the future contributions due to 46132

administration, release, or disbursement of moneys in the 46249  
possession or custody of this state to the contrary 46250  
notwithstanding. The benefit account shall consist of all moneys 46251  
requisitioned from this state's account in the unemployment trust 46252  
fund. Federal funds, other than funds received by the director 46253  
under divisions (I) and (J) of this section, received for payment 46254  
of federal benefits may be deposited into the benefit account 46255  
solely for payment of benefits under a federal program 46256  
administered by this state. Moneys so requisitioned shall be used 46257  
solely for the payment of benefits and for no other purpose. 46258  
Moneys in the clearing and benefit accounts may be deposited by 46259  
the treasurer of state, under the direction of the director, in 46260

may be deposited, but no public deposit insurance charge or 46262  
premium shall be paid out of the fund. 46263

(D) Moneys shall be requisitioned from this state's account 46264  
in the unemployment trust fund solely for the payment of benefits 46265  
and in accordance with regulations prescribed by the director. The 46266  
director shall requisition from the unemployment trust fund such 46267  
amounts, not exceeding the amount standing to this state's account 46268  
therein, as are deemed necessary for the payment of benefits for a 46269  
reasonable future period. Upon receipt thereof, the treasurer of 46270

state shall deposit such moneys in the benefit account. 46271  
Expenditures of such money in the benefit account and refunds from 46272  
the clearing account shall not require specific appropriations or 46273  
other formal release by state officers of money in their custody. 46274  
Any balance of moneys requisitioned from the unemployment trust 46275  
fund which remains unclaimed or unpaid in the benefit account 46276  
after the expiration of the period for which such sums were 46277  
requisitioned shall either be deducted from estimates for and may 46278  
be utilized for the payment of benefits during succeeding periods, 46279  
or, in the discretion of the director, shall be redeposited with 46280  
the secretary of the treasury of the United States to the credit 46281  
of this state's account in the unemployment trust fund, as 46282  
provided in division (C) of this section. Unclaimed or unpaid 46283  
federal funds redeposited with the secretary of the treasury of 46284  
the United States shall be credited to the appropriate federal 46285  
account. 46286

(E) No claim for an adjustment or a refund on contribution, 46287  
payment in lieu of contributions, interest, or forfeiture alleged 46288  
to have been erroneously or illegally assessed or collected, or 46289  
alleged to have been collected without authority, and no claim for 46290  
an adjustment or a refund of any sum alleged to have been 46291  
excessive or in any manner wrongfully collected shall be allowed 46292  
unless an application, in writing, therefor is made within four 46293  
years from the date on which such payment was made. If the 46294  
director ~~determins~~ determines that such contribution, payment in 46295  
lieu of contributions, ~~interest~~ interest, or forfeiture, or any 46296  
portion ~~thereof~~ thereof, was erroneously collected, the director 46297

interest in connection with subsequent contribution payments, or 46299  
payments in lieu of contributions, by the employer, or the 46300  
director may refund said amount, without interest, from the 46301  
clearing account of the unemployment compensation fund, except as 46302  
provided in division (B) of section 4141.11 of the Revised Code. 46303

For like cause and within the same period, adjustment or refund 46304  
may be so made on the director's own initiative. An overpayment of 46305  
contribution, payment in lieu of contributions, interest, or 46306  
forfeiture for which an employer has not made application for 46307  
refund prior to the date of sale of the employer's business shall 46308  
accrue to the employer's successor in interest. 46309

An application for an adjustment or a refund, or any portion 46310  
thereof, that is rejected is binding upon the employer unless, 46311  
within thirty days after the mailing of a written notice of 46312  
rejection to the employer's last known address, or, in the absence 46313  
of mailing of such notice, within thirty days after the delivery 46314  
of such notice, the employer files an application for a review and 46315  
redetermination setting forth the reasons therefor. The director 46316  
shall promptly examine the application for review and 46317  
redetermination, and if a review is granted, the employer shall be 46318  
promptly notified thereof, and shall be granted an opportunity for 46319  
a prompt hearing. 46320

(F) If the director finds that contributions have been paid 46321  
to the director in error, and that such contributions should have 46322  
been paid to a department of another state or of the United States 46323  
charged with the administration of an unemployment compensation 46324  
law, the director may upon request by such department or upon the 46325  
director's own initiative transfer to such department the amount 46326  
of such contributions, less any benefits paid to claimants whose 46327  
wages were the basis for such contributions. The director may 46328  
request and receive from such department any contributions or 46329  
adjusted contributions paid in error to such department which 46330  
should have been paid to the director. 46331

individuals in the employer's employ. 46383

In the payment of any contributions, a fractional part of a 46384  
dollar may be disregarded unless it amounts to fifty cents or 46385  
more, in which case it may be increased to the next higher dollar. 46386

(B)(1) Any contribution or payment in lieu of contribution, 46387  
due from an employer on or before December 31, 1992, shall, if not 46388

(2) Any contribution, payment in lieu of contribution, 46392  
interest, forfeiture, or fine due from an employer on or after 46393  
January 1, 1993, shall, if not paid when due, bear interest at the 46394  
annual rate of fourteen per cent compounded monthly on the 46395

(C) The director may waive the interest assessed under 46398

division (B)(2) of this section if the employer meets all of the 46399  
following conditions within thirty days after the date the 46400  
director mails or delivers the notice of assessment of interest: 46401

(1) Provides to the director a written request for a waiver 46402  
of interest clearly demonstrating that the employer's failure to 46403  
timely pay contributions, payments in lieu of contributions, 46404  
interest, forfeiture, and fines was a result of circumstances 46405  
beyond the control of the employer or the employer's agent, except 46406

agent shall not be considered beyond the control of the employer 46408

(3) Pays in full all contributions, payments in lieu of 46412  
contributions, interest, forfeiture, and fines for each quarter 46413  
for which such payments are due. 46414

The director shall deny an employer's request for a waiver of 46415  
interest after finding that the employer's failure to timely 46416  
furnish reports or make payments as required under this chapter 46417  
was due to an attempt to evade payment. 46418

(D) Any contribution, interest, forfeiture, or fine required 46419  
to be paid under this chapter by any employer shall, if not paid 46420  
when due, become a lien upon the real and personal property of 46421  
such employer. Upon failure of such employer to pay the 46422  
contributions, interest, forfeiture, or fine required to be paid 46423  
under this chapter, the director shall file notice of such lien, 46424  
for which there shall be no charge, in the office of the county 46425  
recorder of the county in which it is ascertained that such 46426  
employer owns real estate or personal property. The director shall 46427  
notify the employer by mail of the lien. The absence of proof that 46428  
the notice was sent does not affect the validity of the lien. Such 46429

lien shall not be valid as against the claim of any mortgagee, 46430  
pledgee, purchaser, judgment creditor, or other lienholder of 46431  
record at the time such notice is filed. 46432

If the employer acquires real or personal property after 46433  
notice of lien is filed, such lien shall not be valid as against 46434  
the claim of any mortgagee, pledgee, subsequent bona fide 46435  
purchaser for value, judgment creditor, or other lienholder of 46436  
record to such after-acquired property, unless the notice of lien 46437  
is refiled after such property was acquired by the employer and 46438  
before the competing lien attached to such after-acquired property 46439  
or before the conveyance to such subsequent bona fide purchaser 46440  
for value. 46441

Such notice shall be recorded in a book kept by the recorder 46442  
called the "unemployment compensation lien record" and indexed 46443  
therein in an alphabetical index under the name of such employer. 46444  
When such unpaid contributions, interest, forfeiture, or fines 46445  
have been paid, the employer may record with the recorder of the 46446  
county in which such notice of lien has been filed and recorded, 46447  
notice of such payment. For recording ~~such~~ the notice of payment 46448

of two dollars for services and a housing trust fund fee of two 46450  
dollars pursuant to section 317.36 of the Revised Code. 46451

(E) Notwithstanding other provisions in this section, the 46452  
director may reduce, in whole or in part, the amount of interest, 46453  
forfeiture, or fines required to be paid under this chapter if the 46454  
director determines that the reduction is in the best interest of 46455  
the unemployment compensation fund. 46456

(F) Assessment of contributions shall not be made after four 46457  
years from the date on which such contributions became payable, 46458  
and no action in court for the collection of contributions without 46459  
assessment of such contributions shall be begun after the 46460  
expiration of five years from the date such contributions became 46461

payable. In case of a false or fraudulent report or of a willful attempt in any manner to evade contributions, such contributions may be assessed or a proceeding in court for the collection of such contributions may be begun without assessment at any time. When the assessment of contributions has been made within such four-year period provided, action in court to collect such contributions may be begun within, but not later than, six years after such assessment.

The director may thereupon effect such cancellation.

(b) The situs of a manufactured or mobile home not located in this state on the first day of January, but located in this state subsequent to that date, is the local taxing district in which the home is located thirty days after it is acquired or first enters this state.

(4) The tax is collected by and paid to the county treasurer of the county containing the taxing district in which the home has its situs.

(D) The manufactured home tax shall be computed and assessed by the county auditor of the county containing the taxing district in which the home has its situs as follows:

(1) On a home that acquired situs in this state prior to January 1, 2000;

(a) By multiplying the assessable value of the home by the tax rate of the taxing district in which the home has its situs, and deducting from the product thus obtained any reduction authorized under section 4503.065 of the Revised Code. The tax levied under this formula shall not be less than thirty-six dollars, unless the home qualifies for a reduction in assessable value under section 4503.065 of the Revised Code, in which case there shall be no minimum tax and the tax shall be the amount calculated under this division.

(b) The assessable value of the home shall be forty per cent of the amount arrived at by the following computation:

(i) If the cost to the owner, or market value at time of purchase, whichever is greater, of the home includes the furnishings and equipment, such cost or market value shall be multiplied according to the following schedule:

year. 48244

(ii) If the cost to the owner, or market value at the time of 48245  
purchase, whichever is greater, of the home does not include the 48246  
furnishings and equipment, such cost or market value shall be 48247

The first calendar year means any period between the first 48262  
day of January and the thirty-first day of December of the first 48263

year. 48264

(2) On a home in which ownership was transferred or that 48265  
first acquired situs in this state on or after January 1, 2000: 48266

(a) By multiplying the assessable value of the home by the 48267  
effective tax rate, as defined in section 323.08 of the Revised 48268  
Code, for residential real property of the taxing district in 48269  
which the home has its situs, and deducting from the product thus 48270  
obtained the reductions required or authorized under section 48271  
319.302, division (B) of section 323.152, or section 4503.065 of 48272  
the Revised Code. 48273

(b) The assessable value of the home shall be thirty-five per 48274  
cent of its true value as determined under division (L) of this 48275  
section. 48276

(3) On or before the fifteenth day of January each year, the 48277  
auditor shall record the assessable value and the amount of tax on 48278  
the manufactured or mobile home on the tax list and deliver a 48279  
duplicate of the list to the county treasurer. In the case of an 48280  
emergency as defined in section 323.17 of the Revised Code, the 48281  
tax commissioner, by journal entry, may extend the times for 48282  
delivery of the duplicate for an additional fifteen days upon 48283  
receiving a written application from the county auditor regarding 48284  
an extension for the delivery of the duplicate, or from the county 48285  
treasurer regarding an extension of the time for the billing and 48286  
collection of taxes. The application shall contain a statement 48287  
describing the emergency that will cause the unavoidable delay and 48288  
must be received by the tax commissioner on or before the last day 48289  
of the month preceding the day delivery of the duplicate is 48290  
otherwise required. When an extension is granted for delivery of 48291  
the duplicate, the time period for payment of taxes shall be 48292  
extended for a like period of time. When a delay in the closing of 48293  
a tax collection period becomes unavoidable, the tax commissioner, 48294  
upon application by the county auditor and county treasurer, may 48295

order the time for payment of taxes to be extended if the tax commissioner determines that penalties have accrued or would otherwise accrue for reasons beyond the control of the taxpayers of the county. The order shall prescribe the final extended date for payment of taxes for that collection period.

(4) After January 1, 1999, the owner of a manufactured or mobile home taxed pursuant to division (D)(1) of this section may elect to have the home taxed pursuant to division (D)(2) of this section by filing a written request with the county auditor of the taxing district in which the home is located on or before the first day of December of any year. Upon the filing of the request, the county auditor shall determine whether all taxes levied under division (D)(1) of this section have been paid, and if those taxes have been paid, the county auditor shall tax the manufactured or mobile home pursuant to division (D)(2) of this section commencing in the next tax year.

(5) A manufactured or mobile home that acquired situs in this state prior to January 1, 2000, shall be taxed pursuant to division (D)(2) of this section if no manufactured home tax had been paid for the home and the home was not exempted from taxation pursuant to division (E) of this section for the year for which the taxes were not paid.

(6)(a) Immediately upon receipt of any manufactured home tax duplicate from the county auditor, but not less than twenty days prior to the last date on which the first one-half taxes may be paid without penalty as prescribed in division (F) of this section, the county treasurer shall cause to be prepared and mailed or delivered to each person charged on that duplicate with taxes, or to an agent designated by such person, the tax bill prescribed by the tax commissioner under division (D)(7) of this section. When taxes are paid by installments, the county treasurer shall mail or deliver to each person charged on such duplicate or

the agent designated by such person a second tax bill showing the 48328  
amount due at the time of the second tax collection. The second 48329  
half tax bill shall be mailed or delivered at least twenty days 48330  
prior to the close of the second half tax collection period. A 48331  
change in the mailing address of any tax bill shall be made in 48332  
writing to the county treasurer. Failure to receive a bill 48333  
required by this section does not excuse failure or delay to pay 48334  
any taxes shown on the bill or, except as provided in division 48335  
~~(A)~~(B)(1) of section 5715.39 of the Revised Code, avoid any 48336  
penalty, interest, or charge for such delay. 48337

(b) After delivery of the copy of the delinquent manufactured 48338  
home tax list under division (H) of this section, the county 48339  
treasurer may prepare and mail to each person in whose name a home 48340  
is listed an additional tax bill showing the total amount of 48341  
delinquent taxes charged against the home as shown on the list. 48342  
The tax bill shall include a notice that the interest charge 48343  
prescribed by division (G) of this section has begun to accrue. 48344

(7) Each tax bill prepared and mailed or delivered under 48345  
division (D)(6) of this section shall be in the form and contain 48346  
the information required by the tax commissioner. The commissioner 48347  
may prescribe different forms for each county and may authorize 48348  
the county auditor to make up tax bills and tax receipts to be 48349  
used by the county treasurer. The tax bill shall not contain or be 48350  
mailed or delivered with any information or material that is not 48351  
required by this section or that is not authorized by section 48352  
321.45 of the Revised Code or by the tax commissioner. In addition 48353  
to the information required by the commissioner, each tax bill 48354  
shall contain the following information: 48355

(a) The taxes levied and the taxes charged and payable 48356  
against the manufactured or mobile home; 48357

(b) The following notice: "Notice: If the taxes are not paid 48358  
within sixty days after the county auditor delivers the delinquent 48359

manufactured home tax list to the county treasurer, you and your 48360  
home may be subject to collection proceedings for tax 48361  
delinquency." Failure to provide such notice has no effect upon 48362  
the validity of any tax judgment to which a home may be subjected. 48363

(c) In the case of manufactured or mobile homes taxed under 48364  
division (D)(2) of this section, the following additional 48365  
information: 48366

(i) The effective tax rate. The words "effective tax rate" 48367  
shall appear in boldface type. 48368

(ii) The following notice: "Notice: If the taxes charged 48369  
against this home have been reduced by the 2-1/2 per cent tax 48370  
reduction for residences occupied by the owner but the home is not 48371  
a residence occupied by the owner, the owner must notify the 48372  
county auditor's office not later than March 31 of the year for 48373  
which the taxes are due. Failure to do so may result in the owner 48374  
being convicted of a fourth degree misdemeanor, which is 48375  
punishable by imprisonment up to 30 days, a fine up to \$250, or 48376  
both, and in the owner having to repay the amount by which the 48377  
taxes were erroneously or illegally reduced, plus any interest 48378  
that may apply. 48379

If the taxes charged against this home have not been reduced 48380  
by the 2-1/2 per cent tax reduction and the home is a residence 48381  
occupied by the owner, the home may qualify for the tax reduction. 48382  
To obtain an application for the tax reduction or further 48383  
information, the owner may contact the county auditor's office at 48384  
..... (insert the address and telephone number of the county 48385  
auditor's office)." 48386

(E)(1) A manufactured or mobile home is not subject to this 48387  
section when any of the following applies: 48388

(a) It is taxable as personal property pursuant to section 48389  
5709.01 of the Revised Code. Any manufactured or mobile home that 48390

is used as a residence shall be subject to this section and shall 48391  
not be taxable as personal property pursuant to section 5709.01 of 48392  
the Revised Code. 48393

(b) It bears a license plate issued by any state other than 48394  
this state unless the home is in this state in excess of an 48395  
accumulative period of thirty days in any calendar year. 48396

(c) The annual tax has been paid on the home in this state 48397  
for the current year. 48398

(d) The tax commissioner has determined, pursuant to section 48399  
5715.27 of the Revised Code, that the property is exempt from 48400  
taxation, or would be exempt from taxation under Chapter 5709. of 48401  
the Revised Code if it were classified as real property. 48402

(2) A travel trailer or park trailer, as these terms are 48403  
defined in section 4501.01 of the Revised Code, is not subject to 48404  
this section if it is unused or unoccupied and stored at the 48405  
owner's normal place of residence or at a recognized storage 48406  
facility. 48407

(3) A travel trailer or park trailer, as these terms are 48408  
defined in section 4501.01 of the Revised Code, is subject to this 48409  
section and shall be taxed as a manufactured or mobile home if it 48410  
has a situs longer than thirty days in one location and is 48411  
connected to existing utilities, unless either of the following 48412  
applies: 48413

(a) The situs is in a state facility or a camping or park 48414  
area as defined in division (B), (G), (H), or (R) of section 48415  
3733.01 of the Revised Code; 48416

(b) The situs is in a camping or park area that is a tract of 48417  
land that has been limited to recreational use by deed or zoning 48418  
restrictions and subdivided for sale of five or more individual 48419  
lots for the express or implied purpose of occupancy by either 48420  
self-contained recreational vehicles as defined in division (E) of 48421

section 3733.01 of the Revised Code or by dependent recreational 48422  
vehicles as defined in division (F) of section 3733.01 of the 48423  
Revised Code. 48424

(F) Except as provided in division (D)(3) of this section, 48425  
the manufactured home tax is due and payable as follows: 48426

(1) When a manufactured or mobile home has a situs in this 48427  
state, as provided in this section, on the first day of January, 48428  
one-half of the amount of the tax is due and payable on or before 48429  
the first day of March and the balance is due and payable on or 48430  
before the thirty-first day of July. At the option of the owner of 48431  
the home, the tax for the entire year may be paid in full on the 48432  
first day of March. 48433

(2) When a manufactured or mobile home first acquires a situs 48434  
in this state after the first day of January, no tax is due and 48435  
payable for that year. 48436

(G)(1) If one-half of the current taxes charged under this 48437  
section against a manufactured or mobile home, together with the 48438  
full amount of any delinquent taxes or any installment thereof 48439  
required to be paid under a written undertaking, are not paid on 48440  
or before the thirty-first day of January in that year, or on or 48441  
before the last day for such payment as extended pursuant to 48442  
section 4503.063 of the Revised Code, a penalty of ten per cent 48443  
shall be charged against the unpaid balance of such half of the 48444  
current taxes. If the total amount of all such taxes is not paid 48445  
on or before the thirty-first day of July, next thereafter, or on 48446  
or before the last day for such payment as extended pursuant to 48447  
section 4503.063 of the Revised Code, a like penalty shall be 48448  
charged on the balance of the total amount of such unpaid current 48449  
taxes. 48450

(2)(a) On the first day of the month following the last day 48451  
the second installment of taxes may be paid without penalty 48452

beginning in 2000, interest shall be charged against and computed 48453  
on all delinquent taxes other than the current taxes that became 48454  
delinquent taxes at the close of the last day such second 48455  
installment could be paid without penalty. The charge shall be for 48456  
interest that accrued during the period that began on the 48457  
preceding first day of December and ended on the last day of the 48458  
month that included the last date such second installment could be 48459  
paid without penalty. The interest shall be computed at the rate 48460  
per annum prescribed by section 5703.47 of the Revised Code and 48461  
shall be entered as a separate item on the delinquent manufactured 48462  
home tax list compiled under division (H) of this section. 48463

(b) On the first day of December beginning in 2000, the 48464  
interest shall be charged against and computed on all delinquent 48465  
taxes. The charge shall be for interest that accrued during the 48466  
period that began on the first day of the month following the last 48467  
date prescribed for the payment of the second installment of taxes 48468  
in the current year and ended on the immediately preceding last 48469  
day of November. The interest shall be computed at the rate per 48470  
annum prescribed by section 5703.47 of the Revised Code and shall 48471  
be entered as a separate item on the delinquent manufactured home 48472  
tax list. 48473

(c) After a valid undertaking has been entered into for the 48474  
payment of any delinquent taxes, no interest shall be charged 48475  
against such delinquent taxes while the undertaking remains in 48476  
effect in compliance with section 323.31 of the Revised Code. If a 48477  
valid undertaking becomes void, interest shall be charged against 48478  
the delinquent taxes for the periods that interest was not 48479  
permitted to be charged while the undertaking was in effect. The 48480  
interest shall be charged on the day the undertaking becomes void 48481  
and shall equal the amount of interest that would have been 48482  
charged against the unpaid delinquent taxes outstanding on the 48483  
dates on which interest would have been charged thereon under 48484

divisions (G)(1) and (2) of this section had the undertaking not 48485  
been in effect. 48486

(3) If the full amount of the taxes due at either of the 48487  
times prescribed by division (F) of this section is paid within 48488  
ten days after such time, the county treasurer shall waive the 48489  
collection of and the county auditor shall remit one-half of the 48490  
penalty provided for in this division for failure to make that 48491  
payment by the prescribed time. 48492

(4) The treasurer shall compile and deliver to the county 48493  
auditor a list of all tax payments the treasurer has received as 48494  
provided in division (G)(3) of this section. The list shall 48495  
include any information required by the auditor for the remission 48496  
of the penalties waived by the treasurer. The taxes so collected 48497  
shall be included in the settlement next succeeding the settlement 48498  
then in process. 48499

(H)(1) Beginning in 2000, the county auditor shall compile 48500  
annually a "delinquent manufactured home tax list" consisting of 48501  
homes the county treasurer's records indicate have taxes that were 48502  
not paid within the time prescribed by divisions (D)(3) and (F) of 48503  
this section, have taxes that remain unpaid from prior years, or 48504  
have unpaid tax penalties or interest that have been assessed. 48505

(2) Within thirty days after the settlement under division 48506  
(H)(2) of section 321.24 of the Revised Code beginning in 2000, 48507  
the county auditor shall deliver a copy of the delinquent 48508  
manufactured home tax list to the county treasurer. The auditor 48509  
shall update and publish the delinquent manufactured home tax list 48510  
annually in the same manner as delinquent real property tax lists 48511  
are published. The county auditor shall apportion the cost of 48512  
publishing the list among taxing districts in proportion to the 48513  
amount of delinquent manufactured home taxes so published that 48514  
each taxing district is entitled to receive upon collection of 48515  
those taxes. 48516

(3) When taxes, penalties, or interest are charged against a person on the delinquent manufactured home tax list and are not paid within sixty days after the list is delivered to the county treasurer, the county treasurer shall, in addition to any other remedy provided by law for the collection of taxes, penalties, and interest, enforce collection of such taxes, penalties, and interest by civil action in the name of the treasurer against the owner for the recovery of the unpaid taxes following the procedures for the recovery of delinquent real property taxes in sections 323.25 to 323.28 of the Revised Code. The action may be brought in municipal or county court, provided the amount charged does not exceed the monetary limitations for original jurisdiction for civil actions in those courts.

It is sufficient, having made proper parties to the suit, for the treasurer to allege in the treasurer's bill of particulars or petition that the taxes stand chargeable on the books of the county treasurer against such person, that they are due and unpaid, and that such person is indebted in the amount of taxes appearing to be due the county. The treasurer need not set forth any other matter relating thereto. If it is found on the trial of the action that the person is indebted to the state, judgment shall be rendered in favor of the treasurer prosecuting the action. The judgment debtor is not entitled to the benefit of any law for stay of execution or exemption of property from levy or sale on execution in the enforcement of the judgment.

(I) The total amount of taxes collected shall be distributed in the following manner: four per cent shall be allowed as compensation to the county auditor for the county auditor's service in assessing the taxes; two per cent shall be allowed as compensation to the county treasurer for the services the county treasurer renders as a result of the tax levied by this section. Such amounts shall be paid into the county treasury, to the credit

of the county general revenue fund, on the warrant of the county auditor. Fees to be paid to the credit of the real estate assessment fund shall be collected pursuant to division (B) of section 319.54 of the Revised Code and paid into the county treasury, on the warrant of the county auditor. The balance of the taxes collected shall be distributed among the taxing subdivisions of the county in which the taxes are collected and paid in the same ratio as those taxes were collected for the benefit of the taxing subdivision. The taxes levied and revenues collected under this section shall be in lieu of any general property tax and any tax levied with respect to the privilege of using or occupying a manufactured or mobile home in Ohio except as provided in sections 4503.04 and 5741.02 of the Revised Code.

(J) An agreement to purchase or a bill of sale for a manufactured home shall show whether or not the furnishings and equipment are included in the purchase price.

(K) If the county treasurer and the county prosecuting attorney agree that an item charged on the delinquent manufactured home tax list is uncollectible, they shall certify that determination and the reasons to the county board of revision. If the board determines the amount is uncollectible, it shall certify its determination to the county auditor, who shall strike the item from the list.

(L)(1) The county auditor shall appraise at its true value any manufactured or mobile home in which ownership is transferred or which first acquires situs in this state on or after January 1, 2000, and any manufactured or mobile home the owner of which has elected, under division (D)(4) of this section, to have the home taxed under division (D)(2) of this section. The true value shall include the value of the home, any additions, and any fixtures, but not any furnishings in the home. In determining the true value of a manufactured or mobile home, the auditor shall consider all

facts and circumstances relating to the value of the home, 48581  
including its age, its capacity to function as a residence, any 48582  
obsolete characteristics, and other factors that may tend to prove 48583  
its true value. 48584

(2)(a) If a manufactured or mobile home has been the subject 48585  
of an arm's length sale between a willing seller and a willing 48586  
buyer within a reasonable length of time prior to the 48587  
determination of true value, the auditor shall consider the sale 48588  
price of the home to be the true value for taxation purposes. 48589

(b) The sale price in an arm's length transaction between a 48590  
willing seller and a willing buyer shall not be considered the 48591  
true value of the home if either of the following occurred after 48592  
the sale: 48593

(i) The home has lost value due to a casualty; 48594

(ii) An addition or fixture has been added to the home. 48595

(3) The auditor shall have each home viewed and appraised at 48596  
least once in each six-year period in the same year in which real 48597  
property in the county is appraised pursuant to Chapter 5713. of 48598  
the Revised Code, and shall update the appraised values in the 48599  
third calendar year following the appraisal. The person viewing or 48600  
appraising a home may enter the home to determine by actual view 48601  
any additions or fixtures that have been added since the last 48602  
appraisal. In conducting the appraisals and establishing the true 48603  
value, the auditor shall follow the procedures set forth for 48604  
appraising real property in sections 5713.01 and 5713.03 of the 48605  
Revised Code. 48606

(4) The auditor shall place the true value of each home on 48607  
the manufactured home tax list upon completion of an appraisal. 48608

(5)(a) If the auditor changes the true value of a home, the 48609  
auditor shall notify the owner of the home in writing, delivered 48610  
by mail or in person. The notice shall be given at least thirty 48611

days prior to the issuance of any tax bill that reflects the 48612  
change. Failure to receive the notice does not invalidate any 48613  
proceeding under this section. 48614

(b) Any owner of a home or any other person or party listed 48615  
in division (A)(1) of section 5715.19 of the Revised Code may file 48616  
a complaint against the true value of the home as appraised under 48617  
this section. The complaint shall be filed with the county auditor 48618  
on or before the thirty-first day of March of the current tax year 48619  
or the date of closing of the collection for the first half of 48620  
manufactured home taxes for the current tax year, whichever is 48621  
later. The auditor shall present to the county board of revision 48622  
all complaints filed with the auditor under this section. The 48623  
board shall hear and investigate the complaint and may take action 48624  
on it as provided under sections 5715.11 to 5715.19 of the Revised 48625  
Code. 48626

(c) If the county board of revision determines, pursuant to a 48627  
complaint against the valuation of a manufactured or mobile home 48628  
filed under this section, that the amount of taxes, assessments, 48629  
or other charges paid was in excess of the amount due based on the 48630  
valuation as finally determined, then the overpayment shall be 48631  
refunded in the manner prescribed in section 5715.22 of the 48632  
Revised Code. 48633

(d) Payment of all or part of a tax under this section for 48634  
any year for which a complaint is pending before the county board 48635  
of revision does not abate the complaint or in any way affect the 48636  
hearing and determination thereof. 48637

(M) If the county auditor determines that any tax, 48638  
assessment, charge, or any part thereof has been erroneously 48639  
charged as a result of a clerical error as defined in section 48640  
319.35 of the Revised Code, the county treasurer and the county 48641  
board of revision shall remove the erroneous charges on the 48642  
manufactured home tax list or delinquent manufactured home tax 48643

list, and refund any erroneous charges that have been collected, 48644  
with interest, in the same manner as is prescribed in section 48645  
319.36 of the Revised Code for erroneous charges against real 48646  
property. 48647

(N) As used in this section and section 4503.061 of the 48648

of the Revised Code. 48653

(2) "Current taxes" means all manufactured home taxes charged 48654  
against a manufactured or mobile home that have not appeared on 48655  
the manufactured home tax list for any prior year. Current taxes 48656  
become delinquent taxes if they remain unpaid after the last day 48657  
prescribed for payment of the second installment of current taxes 48658  
without penalty, whether or not they have been certified 48659  
delinquent. 48660

delinquent, including any penalties or interest. 48670

**Sec. 4503.101.** (A) The registrar of motor vehicles shall 48671  
adopt rules to establish a system of motor vehicle registration 48672  
based upon the type of vehicle to be registered, the type of 48673

ownership of the vehicle, the class of license plate to be issued, 48674  
and any other factor the registrar determines to be relevant. 48675  
Except for commercial cars, buses, trailers, and semitrailers 48676  
taxed under section 4503.042 of the Revised Code; except for 48677  
rental vehicles owned by motor vehicle renting dealers; and except 48678  
as otherwise provided by rule, motor vehicles owned by an 48679  
individual shall be registered based upon the motor vehicle 48680  
owner's date of birth. Beginning with the 2004 registration year, 48681  
the registrar shall assign motor vehicles to the registration 48682  
periods established by rules adopted under this section. 48683

(B) The registrar shall adopt rules to permit motor vehicle 48684  
owners residing together at one address to select the date of 48685  
birth of any one of the owners as the date to register any or all 48686  
of the vehicles at that residence address, as shown in the records 48687  
of the bureau of motor vehicles. 48688

(C) The registrar shall adopt rules to assign and reassign 48689  
all commercial cars, ~~buses~~, trailers, and semitrailers taxed under 48690  
section 4503.042 of the Revised Code and all rental vehicles owned 48691  
by motor vehicle renting dealers to a system of registration so 48692  
that the registrations of approximately one-twelfth of all such 48693  
vehicles expire on the last day of each month of a calendar year. 48694  
To effect a reassignment from the registration period in effect on 48695  
~~the effective date of this amendment June 30, 2003,~~ to the new 48696  
registration periods established by the rules adopted under this 48697  
section as amended, the rules may require the motor vehicle to be 48698  
registered for more or less than a twelve-month period at the time 48699  
the motor vehicle's registration is subject to its initial renewal 48700  
following the effective date of such rules. If necessary to effect 48701  
an efficient transition, the rules may provide that the 48702  
registration reassignments take place over two consecutive 48703  
registration periods. The registration taxes to be charged shall 48704  
be determined by the registrar on the basis of the annual tax 48705

otherwise due on the motor vehicle, prorated in accordance with 48706  
the number of months for which the motor vehicle is registered, 48707  
except that the fee established by division (C)(1) of section 48708  
4503.10 of the Revised Code shall be collected in full for each 48709  
renewal that occurs during the transition period and shall not be 48710  
prorated. 48711

(D) The registrar shall adopt rules to permit any commercial 48712  
motor vehicle owner or motor vehicle renting dealer who owns two 48713  
or more motor vehicles to request the registrar to permit the 48714  
owner to separate the owner's fleet into up to four divisions for 48715  
assignment to separate dates upon which to register the vehicles, 48716  
provided that the registrar may disapprove any such request 48717  
whenever the registrar has reason to believe that an uneven 48718  
distribution of registrations throughout the calendar year has 48719  
developed or is likely to develop. 48720

(E) Every owner or lessee of a motor vehicle holding a 48721  
certificate of registration shall notify the registrar of any 48722  
change of the owner's or lessee's correct address within ten days 48723  
after the change occurs. The notification shall be in writing on a 48724  
form provided by the registrar or by electronic means approved by 48725  
the registrar and shall include the full name, date of birth if 48726  
applicable, license number, county of residence or place of 48727  
business, social security account number of an individual or 48728  
federal tax identification number of a business, and new address. 48729

(F) As used in this section, "motor vehicle renting dealer" 48730  
has the same meaning as in section 4549.65 of the Revised Code. 48731

**Sec. 4503.103.** (A)(1)(a) The registrar of motor vehicles may 48732  
adopt rules to permit any person or lessee, other than a person 48733  
receiving an apportioned license plate under the international 48734  
registration plan, who owns or leases one or more motor vehicles 48735  
to file a written application for registration for no more than 48736

five succeeding registration years. The rules adopted by the registrar may designate the classes of motor vehicles that are eligible for such registration. At the time of application, all annual taxes and fees shall be paid for each year for which the person is registering.

(b) The (i) Except as provided in division (A)(1)(b)(ii) of this section, the registrar shall adopt rules to permit any person, other than a person receiving an apportioned license plate under the international registration plan and other than the owner of a commercial car used solely in intrastate commerce, who owns a motor vehicle to file an application for registration for the next two succeeding registration years. At the time of application, the person shall pay the annual taxes and fees for each registration year, calculated in accordance with division (C) of section 4503.11 of the Revised Code. A person who is registering a vehicle under division (A)(1)(b) of this section shall pay for each year of registration the additional fee established under division (C)(1) of section 4503.10 of the Revised Code. The person shall also pay one and one-half times the amount of the deputy registrar service fee specified in division (D) of section 4503.10 of the Revised Code or the bureau of motor vehicles service fee specified in division (G) of that section, as applicable.

(ii) Division (A)(1)(b)(i) of this section does not apply to a person receiving an apportioned license plate under the international registration plan, or the owner of a commercial car used solely in intrastate commerce, or the owner of a bus as defined in section 4513.50 of the Revised Code.

(2) No person applying for a multi-year registration under division (A)(1) of this section is entitled to a refund of any taxes or fees paid.

(3) The registrar shall not issue to any applicant who has been issued a final, nonappealable order under division (B) of

this section a multi-year registration or renewal thereof under 48769  
this division or rules adopted under it for any motor vehicle that 48770  
is required to be inspected under section 3704.14 of the Revised 48771  
Code the district of registration of which, as determined under 48772  
section 4503.10 of the Revised Code, is or is located in the 48773  
county named in the order. 48774

(B) Upon receipt from the director of environmental 48775  
protection of a notice issued under division (J) of section 48776  
3704.14 of the Revised Code indicating that an owner of a motor 48777  
vehicle that is required to be inspected under that section who 48778  
obtained a multi-year registration for the vehicle under division 48779  
(A) of this section or rules adopted under that division has not 48780  
obtained an inspection certificate for the vehicle in accordance 48781  
with that section in a year intervening between the years of 48782  
issuance and expiration of the multi-year registration in which 48783  
the owner is required to have the vehicle inspected and obtain an 48784  
inspection certificate for it under division (F)(1)(a) of that 48785  
section, the registrar in accordance with Chapter 119. of the 48786  
Revised Code shall issue an order to the owner impounding the 48787  
certificate of registration and identification license plates for 48788  
the vehicle. The order also shall prohibit the owner from 48789  
obtaining or renewing a multi-year registration for any vehicle 48790  
that is required to be inspected under that section, the district 48791  
of registration of which is or is located in the same county as 48792  
the county named in the order during the number of years after 48793  
expiration of the current multi-year registration that equals the 48794  
number of years for which the current multi-year registration was 48795  
issued. 48796

An order issued under this division shall require the owner 48797  
to surrender to the registrar the certificate of registration and 48798  
license plates for the vehicle named in the order within five days 48799  
after its issuance. If the owner fails to do so within that time, 48800

the registrar shall certify that fact to the county sheriff or 48801  
local police officials who shall recover the certificate of 48802  
registration and license plates for the vehicle. 48803

(C) Upon the occurrence of either of the following 48804  
circumstances, the registrar in accordance with Chapter 119. of 48805  
the Revised Code shall issue to the owner a modified order 48806  
rescinding the provisions of the order issued under division (B) 48807  
of this section impounding the certificate of registration and 48808  
license plates for the vehicle named in that original order: 48809

(1) Receipt from the director of environmental protection of 48810  
a subsequent notice under division (J) of section 3704.14 of the 48811  
Revised Code that the owner has obtained the inspection 48812  
certificate for the vehicle as required under division (F)(1)(a) 48813  
of that section; 48814

(2) Presentation to the registrar by the owner of the 48815  
required inspection certificate for the vehicle. 48816

(D) The owner of a motor vehicle for which the certificate of 48817  
registration and license plates have been impounded pursuant to an 48818  
order issued under division (B) of this section, upon issuance of 48819  
a modified order under division (C) of this section, may apply to 48820  
the registrar for their return. A fee of two dollars and fifty 48821  
cents shall be charged for the return of the certificate of 48822  
registration and license plates for each vehicle named in the 48823  
application. 48824

**Sec. 4505.06.** (A)(1) Application for a certificate of title 48825  
shall be made in a form prescribed by the registrar of motor 48826  
vehicles and shall be sworn to before a notary public or other 48827  
officer empowered to administer oaths. The application shall be 48828  
filed with the clerk of any court of common pleas. An application 48829  
for a certificate of title may be filed electronically by any 48830  
electronic means approved by the registrar in any county with the 48831

clerk of the court of common pleas of that county. Any payments 48832  
required by this chapter shall be considered as accompanying any 48833  
electronically transmitted application when payment actually is 48834  
received by the clerk. Payment of any fee or taxes may be made by 48835  
electronic transfer of funds. 48836

(2) The application for a certificate of title shall be 48837  
accompanied by the fee prescribed in section 4505.09 of the 48838  
Revised Code. The fee shall be retained by the clerk who issues 48839  
the certificate of title and shall be distributed in accordance 48840  
with that section. If a clerk of a court of common pleas, other 48841  
than the clerk of the court of common pleas of an applicant's 48842  
county of residence, issues a certificate of title to the 48843  
applicant, the clerk shall transmit data related to the 48844  
transaction to the automated title processing system. 48845

(3) If a certificate of title previously has been issued for 48846  
a motor vehicle in this state, the application for a certificate 48847  
of title also shall be accompanied by that certificate of title 48848  
duly assigned, unless otherwise provided in this chapter. If a 48849  
certificate of title previously has not been issued for the motor 48850  
vehicle in this state, the application, unless otherwise provided 48851  
in this chapter, shall be accompanied by a manufacturer's or 48852  
importer's certificate or by a certificate of title of another 48853  
state from which the motor vehicle was brought into this state. If 48854  
the application refers to a motor vehicle last previously 48855  
registered in another state, the application also shall be 48856  
accompanied by the physical inspection certificate required by 48857  
section 4505.061 of the Revised Code. If the application is made 48858  
by two persons regarding a motor vehicle in which they wish to 48859  
establish joint ownership with right of survivorship, they may do 48860  
so as provided in section 2131.12 of the Revised Code. If the 48861  
applicant requests a designation of the motor vehicle in 48862  
beneficiary form so that upon the death of the owner of the motor 48863

vehicle, ownership of the motor vehicle will pass to a designated 48864  
transfer-on-death beneficiary or beneficiaries, the applicant may 48865  
do so as provided in section 2131.13 of the Revised Code. A person 48866  
who establishes ownership of a motor vehicle that is transferable 48867  
on death in accordance with section 2131.13 of the Revised Code 48868  
may terminate that type of ownership or change the designation of 48869  
the transfer-on-death beneficiary or beneficiaries by applying for 48870  
a certificate of title pursuant to this section. The clerk shall 48871  
retain the evidence of title presented by the applicant and on 48872  
which the certificate of title is issued, except that, if an 48873  
application for a certificate of title is filed electronically by 48874  
an electronic motor vehicle dealer on behalf of the purchaser of a 48875  
motor vehicle, the clerk shall retain the completed electronic 48876  
record to which the dealer converted the certificate of title 48877  
application and other required documents. ~~The electronic motor 48878  
vehicle dealer shall forward the actual application and all other 48879  
documents relating to the sale of the motor vehicle to any clerk 48880  
within thirty days after the certificate of title is issued.~~ The 48881  
registrar, after consultation with the attorney general, shall 48882  
adopt rules that govern the location at which, and the manner in 48883  
which, are stored the actual application and all other documents 48884  
relating to the sale of a motor vehicle when an electronic motor 48885  
vehicle dealer files the application for a certificate of title 48886  
electronically on behalf of the purchaser. 48887

The clerk shall use reasonable diligence in ascertaining 48888  
whether or not the facts in the application for a certificate of 48889  
title are true by checking the application and documents 48890  
accompanying it or the electronic record to which a dealer 48891  
converted the application and accompanying documents with the 48892  
records of motor vehicles in the clerk's office. If the clerk is 48893  
satisfied that the applicant is the owner of the motor vehicle and 48894  
that the application is in the proper form, the clerk, within five 48895  
business days after the application is filed, shall issue a 48896

physical certificate of title over the clerk's signature and 48897  
sealed with the clerk's seal unless the applicant specifically 48898  
requests the clerk not to issue a physical certificate of title 48899  
and instead to issue an electronic certificate of title. For 48900  
purposes of the transfer of a certificate of title, if the clerk 48901  
is satisfied that the secured party has duly discharged a lien 48902  
notation but has not canceled the lien notation with a clerk, the 48903  
clerk may cancel the lien notation on the automated title 48904  
processing system and notify the clerk of the county of origin. 48905

(4) In the case of the sale of a motor vehicle to a general 48906  
buyer or user by a dealer, by a motor vehicle leasing dealer 48907  
selling the motor vehicle to the lessee or, in a case in which the 48908  
leasing dealer subleased the motor vehicle, the sublessee, at the 48909  
end of the lease agreement or sublease agreement, or by a 48910  
manufactured home broker, the certificate of title shall be 48911  
obtained in the name of the buyer by the dealer, leasing dealer, 48912  
or manufactured home broker, as the case may be, upon application 48913  
signed by the buyer. The certificate of title shall be issued, or 48914  
the process of entering the certificate of title application 48915  
information into the automated title processing system if a 48916  
physical certificate of title is not to be issued shall be 48917  
completed, within five business days after the application for 48918  
title is filed with the clerk. If the buyer of the motor vehicle 48919  
previously leased the motor vehicle and is buying the motor 48920  
vehicle at the end of the lease pursuant to that lease, the 48921  
certificate of title shall be obtained in the name of the buyer by 48922  
the motor vehicle leasing dealer who previously leased the motor 48923  
vehicle to the buyer or by the motor vehicle leasing dealer who 48924  
subleased the motor vehicle to the buyer under a sublease 48925  
agreement. 48926

In all other cases, except as provided in section 4505.032 48927  
and division (D)(2) of section 4505.11 of the Revised Code, such 48928

certificates shall be obtained by the buyer. 48929

(5)(a)(i) If the certificate of title is being obtained in 48930  
the name of the buyer by a motor vehicle dealer or motor vehicle 48931  
leasing dealer and there is a security interest to be noted on the 48932  
certificate of title, the dealer or leasing dealer shall submit 48933  
the application for the certificate of title and payment of the 48934  
applicable tax to a clerk within seven business days after the 48935  
later of the delivery of the motor vehicle to the buyer or the 48936  
date the dealer or leasing dealer obtains the manufacturer's or 48937  
importer's certificate, or certificate of title issued in the name 48938  
of the dealer or leasing dealer, for the motor vehicle. Submission 48939  
of the application for the certificate of title and payment of the 48940  
applicable tax within the required seven business days may be 48941  
indicated by postmark or receipt by a clerk within that period. 48942

(ii) Upon receipt of the certificate of title with the 48943  
security interest noted on its face, the dealer or leasing dealer 48944  
shall forward the certificate of title to the secured party at the 48945  
location noted in the financing documents or otherwise specified 48946  
by the secured party. 48947

(iii) A motor vehicle dealer or motor vehicle leasing dealer 48948  
is liable to a secured party for a late fee of ten dollars per day 48949  
for each certificate of title application and payment of the 48950  
applicable tax that is submitted to a clerk more than seven 48951  
business days but less than twenty-one days after the later of the 48952  
delivery of the motor vehicle to the buyer or the date the dealer 48953  
or leasing dealer obtains the manufacturer's or importer's 48954  
certificate, or certificate of title issued in the name of the 48955  
dealer or leasing dealer, for the motor vehicle and, from then on, 48956  
twenty-five dollars per day until the application and applicable 48957  
tax are submitted to a clerk. 48958

(b) In all cases of transfer of a motor vehicle, the 48959  
application for certificate of title shall be filed within thirty 48960

days after the assignment or delivery of the motor vehicle. If an 48961  
application for a certificate of title is not filed within the 48962  
period specified in division (A)(5)(b) of this section, the clerk 48963  
shall collect a fee of five dollars for the issuance of the 48964  
certificate, except that no such fee shall be required from a 48965  
motor vehicle salvage dealer, as defined in division (A) of 48966  
section 4738.01 of the Revised Code, who immediately surrenders 48967  
the certificate of title for cancellation. The fee shall be in 48968  
addition to all other fees established by this chapter, and shall 48969  
be retained by the clerk. The registrar shall provide, on the 48970  
certificate of title form prescribed by section 4505.07 of the 48971  
Revised Code, language necessary to give evidence of the date on 48972  
which the assignment or delivery of the motor vehicle was made. 48973

(6) As used in division (A) of this section, "lease 48974  
agreement," "lessee," and "sublease agreement" have the same 48975  
meanings as in section 4505.04 of the Revised Code. 48976

(B) The clerk, except as provided in this section, shall 48977  
refuse to accept for filing any application for a certificate of 48978  
title and shall refuse to issue a certificate of title unless the 48979  
dealer or manufactured home broker or the applicant, in cases in 48980  
which the certificate shall be obtained by the buyer, submits with 48981  
the application payment of the tax levied by or pursuant to 48982  
Chapters 5739. and 5741. of the Revised Code based on the 48983  
purchaser's county of residence. Upon payment of the tax in 48984  
accordance with division (E) of this section, the clerk shall 48985  
issue a receipt prescribed by the registrar and agreed upon by the 48986  
tax commissioner showing payment of the tax or a receipt issued by 48987  
the commissioner showing the payment of the tax. When submitting 48988  
payment of the tax to the clerk, a dealer shall retain any 48989  
discount to which the dealer is entitled under section 5739.12 of 48990  
the Revised Code. 48991

For receiving and disbursing such taxes paid to the clerk by 48992

a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent, and the clerk shall pay the poundage fee into the certificate of title administration fund created by section 325.33 of the Revised Code. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

In the case of casual sales of motor vehicles, as defined in section 4517.01 of the Revised Code, the price for the purpose of determining the tax shall be the purchase price on the assigned certificate of title executed by the seller and filed with the clerk by the buyer on a form to be prescribed by the registrar, which shall be prima-facie evidence of the amount for the determination of the tax.

(C)(1) If the transferor indicates on the certificate of title that the odometer reflects mileage in excess of the designed mechanical limit of the odometer, the clerk shall enter the phrase "exceeds mechanical limits" following the mileage designation. If the transferor indicates on the certificate of title that the odometer reading is not the actual mileage, the clerk shall enter the phrase "nonactual: warning - odometer discrepancy" following the mileage designation. The clerk shall use reasonable care in

transferring the information supplied by the transferor, but is 49025  
not liable for any errors or omissions of the clerk or those of 49026  
the clerk's deputies in the performance of the clerk's duties 49027  
created by this chapter. 49028

The registrar shall prescribe an affidavit in which the 49029  
transferor shall swear to the true selling price and, except as 49030  
provided in this division, the true odometer reading of the motor 49031

reading of the motor vehicle in addition to that required by this 49034  
section, as such information may be required by the United States 49035

(2) Division (C)(1) of this section does not require the 49039  
giving of information concerning the odometer and odometer reading 49040  
of a motor vehicle when ownership of a motor vehicle is being 49041  
transferred as a result of a bequest, under the laws of intestate 49042  
succession, to a survivor pursuant to section 2106.18, 2131.12, or 49043

(D) When the transfer to the applicant was made in some other 49047  
state or in interstate commerce, the clerk, except as provided in 49048  
this section, shall refuse to issue any certificate of title 49049  
unless the tax imposed by or pursuant to Chapter 5741. of the 49050  
Revised Code based on the purchaser's county of residence has been 49051  
paid as evidenced by a receipt issued by the tax commissioner, or 49052  
unless the applicant submits with the application payment of the 49053  
tax. Upon payment of the tax in accordance with division (E) of 49054  
this section, the clerk shall issue a receipt prescribed by the 49055  
registrar and agreed upon by the tax commissioner, showing payment 49056

of the tax. 49057

For receiving and disbursing such taxes paid to the clerk by 49058  
a resident of the clerk's county, the clerk may retain a poundage 49059  
fee of one and one one-hundredth per cent. The clerk shall not 49060  
retain a poundage fee from payments of taxes by persons who do not 49061  
reside in the clerk's county. 49062

A clerk, however, may retain from the taxes paid to the clerk 49063  
an amount equal to the poundage fees associated with certificates 49064  
of title issued by other clerks of courts of common pleas to 49065  
applicants who reside in the first clerk's county. The registrar, 49066  
in consultation with the tax commissioner and the clerks of the 49067  
courts of common pleas, shall develop a report from the automated 49068  
title processing system that informs each clerk of the amount of 49069  
the poundage fees that the clerk is permitted to retain from those 49070  
taxes because of certificates of title issued by the clerks of 49071  
other counties to applicants who reside in the first clerk's 49072  
county. 49073

When the vendor is not regularly engaged in the business of 49074  
selling motor vehicles, the vendor shall not be required to 49075

(E) The clerk shall accept any payment of a tax in cash, or 49078  
by cashier's check, certified check, draft, money order, or teller 49079  
check issued by any insured financial institution payable to the 49080  
clerk and submitted with an application for a certificate of title 49081

accept payment of the tax by corporate, business, or personal 49083  
check, credit card, electronic transfer or wire transfer, debit 49084  
card, or any other accepted form of payment made payable to the 49085  
clerk. The clerk may require bonds, guarantees, or letters of 49086  
credit to ensure the collection of corporate, business, or 49087  
personal checks. Any service fee charged by a third party to a 49088

clerk for the use of any form of payment may be paid by the clerk 49089  
from the certificate of title administration fund created in 49090  
section 325.33 of the Revised Code, or may be assessed by the 49091  
clerk upon the applicant as an additional fee. Upon collection, 49092  
the additional fees shall be paid by the clerk into that 49093  
certificate of title administration fund. 49094

The clerk shall make a good faith effort to collect any 49095  
payment of taxes due but not made because the payment was returned 49096  
or dishonored, but the clerk is not personally liable for the 49097  
payment of uncollected taxes or uncollected fees. The clerk shall 49098  
notify the tax commissioner of any such payment of taxes that is 49099  
due but not made and shall furnish the information to the 49100  
commissioner that the commissioner requires. The clerk shall 49101  
deduct the amount of taxes due but not paid from the clerk's 49102

agreed upon by the tax commissioner. The commissioner may collect 49104  
taxes due by assessment in the manner provided in section 5739.13 49105  
of the Revised Code. 49106

Any person who presents payment that is returned or 49107  
dishonored for any reason is liable to the clerk for payment of a 49108  
penalty over and above the amount of the taxes due. The clerk 49109  
shall determine the amount of the penalty, and the penalty shall 49110  
be no greater than that amount necessary to compensate the clerk 49111  
for banking charges, legal fees, or other expenses incurred by the 49112  
clerk in collecting the returned or dishonored payment. The 49113  
remedies and procedures provided in this section are in addition 49114  
to any other available civil or criminal remedies. Subsequently 49115  
collected penalties, poundage fees, and title fees, less any title 49116  
fee due the state, from returned or dishonored payments collected 49117  
by the clerk shall be paid into the certificate of title 49118  
administration fund. Subsequently collected taxes, less poundage 49119  
fees, shall be sent by the clerk to the treasurer of state at the 49120

next scheduled periodic remittance of tax payments, with 49121  
information as the commissioner may require. The clerk may abate 49122  
all or any part of any penalty assessed under this division. 49123

(F) In the following cases, the clerk shall accept for filing 49124  
an application and shall issue a certificate of title without 49125  
requiring payment or evidence of payment of the tax: 49126

presentation of a copy of the affidavit provided by that section, 49142  
and a copy of the exemption certificate provided by section 49143  
5739.03 of the Revised Code. 49144

The clerk shall forward all payments of taxes, less poundage 49145  
fees, to the treasurer of state in a manner to be prescribed by 49146  
the tax commissioner and shall furnish information to the 49147  
commissioner as the commissioner requires. 49148

the clerk may cancel the lien notation on the automated title 49694  
processing system and notify the clerk of the county of origin. 49695

filing fee of five dollars in addition to the fee prescribed by 49709  
section 4519.59 of the Revised Code. The clerk shall retain the 49710  
entire amount of each late filing fee. 49711

Except in the case of an off-highway motorcycle or 49712  
all-purpose vehicle purchased prior to July 1, 1999, the clerk 49713  
shall refuse to accept an application for certificate of title 49714  
unless the applicant either tenders with the application payment 49715  
of all taxes levied by or pursuant to Chapter 5739. or 5741. of 49716  
the Revised Code based on the purchaser's county of residence, or 49717

the tax commissioner. When a dealer submits payment of the tax to 49726  
the clerk, the dealer shall retain any discount to which the 49727  
dealer is entitled under section 5739.12 of the Revised Code. The 49728  
clerk shall issue a receipt in the form prescribed by the tax 49729  
commissioner to any applicant who tenders payment of the tax with 49730  
the application for a certificate of title. If the application for 49731  
a certificate of title is for an off-highway motorcycle or 49732  
all-purpose vehicle purchased prior to July 1, 1999, the clerk 49733  
shall accept the application without payment of the taxes levied 49734  
by or pursuant to Chapter 5739. or 5741. of the Revised Code or 49735

presentation of either of the items listed in division (A) or (B) 49736  
of this section. 49737

For receiving and disbursing such taxes paid to the clerk by 49738  
a resident of the clerk's county, the clerk may retain a poundage 49739  
fee of one and one-hundredth per cent of the taxes collected, 49740  
which shall be paid into the certificate of title administration 49741  
fund created by section 325.33 of the Revised Code. The clerk 49742  
shall not retain a poundage fee from payments of taxes by persons 49743  
who do not reside in the clerk's county. 49744

A clerk, however, may retain from the taxes paid to the clerk 49745  
an amount equal to the poundage fees associated with certificates 49746  
of title issued by other clerks of courts of common pleas to 49747  
applicants who reside in the first clerk's county. The registrar, 49748  
in consultation with the tax commissioner and the clerks of the 49749  
courts of common pleas, shall develop a report from the automated 49750  
title processing system that informs each clerk of the amount of 49751  
the poundage fees that the clerk is permitted to retain from those 49752  
taxes because of certificates of title issued by the clerks of 49753  
other counties to applicants who reside in the first clerk's 49754  
county. 49755

In the case of casual sales of off-highway motorcycles or 49756  
all-purpose vehicles that are subject to the tax imposed by 49757  
Chapter 5739. or 5741. of the Revised Code, the purchase price for 49758  
the purpose of determining the tax shall be the purchase price on 49759  
an affidavit executed and filed with the clerk by the seller on a 49760  
form to be prescribed by the registrar, which shall be prima-facie 49761  
evidence of the price for the determination of the tax. 49762

In addition to the information required by section 4519.57 of 49763  
the Revised Code, each certificate of title shall contain in bold 49764  
lettering the following notification and statements: "WARNING TO 49765  
TRANSFEROR AND TRANSFEREE (SELLER AND BUYER): You are required by 49766  
law to state the true selling price. A false statement is in 49767

violation of section 2921.13 of the Revised Code and is punishable 49768  
by six months imprisonment or a fine of up to one thousand 49769  
dollars, or both. All transfers are audited by the department of 49770  
taxation. The seller and buyer must provide any information 49771  
requested by the department of taxation. The buyer may be assessed 49772  
any additional tax found to be due." 49773

The clerk shall forward all payments of taxes, less poundage 49774  
fees, to the treasurer of state in a manner to be prescribed by 49775  
the tax commissioner and shall furnish information to the 49776  
commissioner as the commissioner may require. 49777

Every clerk shall have the capability to transact by 49778  
electronic means all procedures and transactions relating to the 49779

records, treatment records, and mental health records, shall be 51390  
confidential. The records are not public records for the purposes 51391  
of section 149.43 of the Revised Code and are not subject to 51392  
discovery by subpoena or admissible as evidence in any judicial 51393  
proceeding. 51394

(4) The program coordinator may disclose information 51395  
regarding a participant's progress in the program to any person or 51396

each physician or podiatrist with whom the nurse collaborates. A 51417  
copy of the standard care arrangement shall be retained on file at 51418  
each site where the nurse practices. Prior approval of the 51419

A clinical nurse specialist, certified nurse-midwife, or 51423

in direct clinical practice in this state and practicing in a 51427  
specialty that is the same as or similar to the nurse's nursing 51428  
specialty. If a collaborating physician or podiatrist enters into 51429  
standard care arrangements with more than three nurses who hold 51430  
certificates to prescribe issued under section 4723.48 of the 51431  
Revised Code, the physician or podiatrist shall not collaborate at 51432  
the same time with more than three of the nurses in the 51433  
prescribing component of their practices. 51434

(B) A standard care arrangement shall be in writing and, 51435

clinical nurse specialist, certified nurse-midwife, or certified 51454  
nurse practitioner to other health care professionals and the care 51455

pursuant to section 4723.07 or 4723.50 of the Revised Code. 51463

(C) A standard care arrangement entered into pursuant to this 51464  
section may permit a clinical nurse specialist, certified 51465

is not required to enter into a standard care arrangement, but 51472  
shall practice in collaboration with one or more physicians. 51473

(2) If a clinical nurse specialist practicing in either of 51474  
the specialties specified in division (C)(1) of this section holds 51475  
a certificate to prescribe, the nurse shall enter into a standard 51476

care arrangement with one or more physicians. The standard care 51477

prescribing component of the nurse's practice. 51480

~~(D)~~(E) Nothing in this section prohibits a hospital from 51481  
hiring a clinical nurse specialist, certified nurse-midwife, or 51482  
certified nurse practitioner as an employee and negotiating 51483  
standard care arrangements on behalf of the employee as necessary 51484  
to meet the requirements of this section. A standard care 51485  
arrangement between the hospital's employee and the employee's 51486  
collaborating physician is subject to approval by the medical 51487  
staff and governing body of the hospital prior to implementation 51488  
of the arrangement at the hospital. 51489

**Sec. 4723.63.** On receipt of a notice pursuant to section 51490  
3123.43 of the Revised Code, the board of nursing shall comply 51491  
with sections 3123.41 to 3123.50 of the Revised Code and any 51492  
applicable rules adopted under section 3123.63 of the Revised Code 51493  
with respect to a nursing license ~~or~~, dialysis technician 51494  
certificate, or community health worker certificate issued 51495  
pursuant to this chapter. 51496

implement a program for the certification of community health 51498  
workers. The board shall begin issuing community health worker 51499  
certificates under section 4723.85 of the Revised Code not later 51500

The certification program shall reflect the board's 51502  
recognition of individuals who, as community representatives, 51503  
advocate for individuals and groups in the community by assisting 51504  
them in accessing community health and supportive resources 51505  
through the provision of such services as education, role 51506

modeling, outreach, home visits, and referrals, any of which may 51507  
be targeted toward an individual, family, or entire community. The 51508  
certification program also shall reflect the board's recognition 51509  
of the individuals as members of the community with a unique 51510  
perspective of community needs that enables them to develop 51511  
culturally appropriate solutions to problems and translate the 51512  
solutions into practice. 51513

The certification program does not require an individual to 51514  
obtain a community health worker certificate as a means of 51515  
authorizing the individual to perform any of the activities that 51516  
may be performed by an individual who holds a community health 51517  
worker certificate. 51518

**Sec. 4723.82.** (A) An individual who holds a current, valid 51519  
community health worker certificate issued by the board of nursing 51520  
under section 4723.85 of the Revised Code may use the title 51521  
"certified community health worker" or "community health worker." 51522  
When providing services within the community, the certificate 51523  
holder may represent to the public that the individual is 51524  
providing the services under either title. 51525

(B)(1) Holding a community health worker certificate does not 51526  
authorize an individual to administer medications or perform any 51527  
other activity that requires judgment based on nursing knowledge 51528  
or expertise. Any activities performed by a certified community 51529  
health worker that are related to nursing care shall be performed 51530  
only pursuant to the delegation of a registered nurse acting in 51531  
accordance with the rules for delegation adopted under this 51532  
chapter. Any other health-related activities performed by a 51533  
certified community health worker shall be performed only under 51534  
the supervision of a health professional acting within the scope 51535  
of the professional's practice. 51536

health worker when performing delegated activities related to 51538  
nursing care. The registered nurse supervising a certified 51539  
community health worker shall provide the supervision in 51540  
accordance with the rules for delegation adopted under this 51541  
chapter and the rules for supervision of community health workers 51542

rules limiting the number of certified community health workers 51544  
who may be supervised at any one time. 51545

(2) A registered nurse who delegates activities to a 51546  
certified community health worker or supervises a certified 51547  
community health worker in the performance of delegated activities 51548  
is not liable in damages to any person or government entity in a 51549  
civil action for injury, death, or loss to person or property that 51550  
allegedly arises from an action or omission of the certified 51551  
community health worker in performing the activities, if the 51552  
registered nurse delegates the activities or provides the 51553  
supervision in accordance with this chapter and the rules adopted 51554  
under this chapter. 51555

**Sec. 4723.83.** (A) An individual seeking a community health 51556  
worker certificate shall submit an application to the board of 51557

the fee established in rules adopted under section 4723.88 of the 51561  
Revised Code. 51562

standard impression sheet to obtain fingerprints prescribed 51568

pursuant to division (C)(2) of that section, and accompanied by 51569  
the fee prescribed pursuant to division (C)(3) of that section. On 51570  
receipt of the completed form, the completed impression sheet, and 51571  
the fee, the bureau shall conduct a criminal records check of the 51572  
applicant. On completion of the criminal records check, the bureau 51573  
shall send the results of the check to the board. The applicant 51574  
shall ask the superintendent of the bureau of criminal 51575  
identification and investigation to request that the federal 51576  
bureau of investigation provide the superintendent with any 51577  
information it has with respect to the applicant. 51578

The results of any criminal records check conducted pursuant 51579  
to a request made under this section, and any report containing 51580  
those results, are not public records for purposes of section 51581  
149.43 of the Revised Code and shall not be made available to any 51582  
person or for any purpose other than the following: 51583

(b) At the time the final plan or agreement pursuant to 52699  
section 4931.48 of the Revised Code calling for the basic 9-1-1 52700  
system was agreed to, the telephone company was capable of 52701  
reasonably meeting the technical and economic requirements of 52702  
providing the telephone network portion of an enhanced 9-1-1 52703

network used in providing 9-1-1 service, as set forth in the 52710  
schedule filed by a telephone company in accordance with section 52711

the unincorporated area of that county. The authority to act as a 52891  
police officer as described in this division is granted only if 52892  
the person, when engaging in that activity, is directly in the 52893

the sheriff of that county, respectively, has granted approval for 52907  
that activity to the hospital, police department, or security 52908  
department served by the person as a police officer and if the 52909  
person, when engaging in that activity, is directly in the 52910  
discharge of ~~that~~ the person's duties as a police officer for the 52911

as determined by the chief of police or sheriff granting the 52914  
approval. 52915

(3) Police officers appointed under division (D)(1) of this 52916  
section shall hold office for three years, unless, for good cause 52917  
shown, their commission is revoked by the ~~governor~~ secretary of 52918  
state or by the hospital, as provided by law. As used in divisions 52919  
(D)(1) to (3) of this section, "public hospital agency" and 52920

Revised Code. 52946

The issuer shall be exempt from all taxes on its real or 52947

reconstructed, enlarged, improved, furnished, or equipped, or any 52949  
combination thereof, under sections 4981.11 to 4981.26 of the 52950  
Revised Code so long as such property is used by the issuer for 52951  
purposes which would otherwise exempt such property; has ceased to 52952  
be used by a former lessee-user or sublessee-user and is not 52953

providing social services under this section, the distribution and 55267

of this section. The department may do one or both of the 55269  
following with the funds: 55270

(1) Distribute the funds to the county departments of job and 55271  
family services; 55272

(2) Use the funds for services that benefit individuals 55273

301, as amended. 55276

(I) Except for the authority to adopt rules under division 55277  
(J) of this section as necessary to carry out this division, this 55278  
section does not apply to any distribution by the department of 55279  
job and family services of funds for reimbursement of allowable 55280  
Title XX expenditures when the funds for the reimbursement are 55281  
received from a federal funding source other than Title XX. 55282

(J) The department of job and family services may adopt rules 55283  
necessary to carry out the purposes of this section. Rules adopted 55284  
under this division shall be adopted in accordance with Chapter 55285  
119. of the Revised Code, unless they are internal management 55286  
rules governing fiscal and administrative matters. Internal 55287  
management rules may be adopted in accordance with section 111.15 55288  
of the Revised Code. 55289

**Sec. 5101.58.** As used in this section and section 5101.59 of 55290  
the Revised Code, "public assistance" means aid provided under 55291  
Chapter 5111. or 5115. of the Revised Code and participation in 55292  
the Ohio works first program established under Chapter 5107. of 55293  
the Revised Code. 55294

The acceptance of public assistance gives a right of recovery 55295  
to the department of job and family services and a county 55296  
department of job and family services against the liability of a 55297  
third party for the cost of medical services and care arising out 55298  
of injury, disease, or disability of the public assistance 55299  
recipient or participant. When an action or claim is brought 55300  
against a third party by a public assistance recipient or 55301  
participant, the entire amount of any settlement or compromise of 55302  
the action or claim, or any court award or judgment, is subject to 55303

the recovery right of the department of job and family services or 55304  
county department of job and family services. Except in the case 55305  
of a recipient or participant who receives medical services or 55306  
care through a managed care organization, the department's or 55307  
county department's claim shall not exceed the amount of medical 55308  
expenses paid by the departments on behalf of the recipient or 55309  
participant. In the case of a recipient or participant who 55310  
receives medical services or care through a managed care 55311  
organization, the amount of the department's or county 55312  
department's claim shall be the amount the managed care 55313  
organization pays for medical services or care rendered to the 55314  
recipient or participant, even if that amount is more than the 55315  
amount the departments pay to the managed care organization for 55316  
the recipient's or participant's medical services or care. Any 55317  
settlement, compromise, judgment, or award that excludes the cost 55318  
of medical services or care shall not preclude the departments 55319  
from enforcing their rights under this section. 55320

Prior to initiating any recovery action, the recipient or 55321  
participant, or the recipient's or participant's representative, 55322  
shall disclose the identity of any third party against whom the 55323  
recipient or participant has or may have a right of recovery. 55324  
Disclosure shall be made to the department of job and family 55325  
services when medical expenses have been paid pursuant to Chapter 55326  
5111. or 5115. of the Revised Code. Disclosure shall be made to 55327  
both the department of job and family services and the appropriate 55328  
county department of job and family services when medical expenses 55329  
have been paid pursuant to Chapter 5115. of the Revised Code. No 55330  
settlement, compromise, judgment, or award or any recovery in any 55331  
action or claim by a recipient or participant where the 55332  
departments have a right of recovery shall be made final without 55333  
first giving the appropriate departments notice and a reasonable 55334  
opportunity to perfect their rights of recovery. If the 55335  
departments are not given appropriate notice, the recipient or 55336

participant is liable to reimburse the departments for the 55337  
recovery received to the extent of medical payments made by the 55338  
departments. The departments shall be permitted to enforce their 55339  
recovery rights against the third party even though they accepted 55340  
prior payments in discharge of their rights under this section if, 55341  
at the time the departments received such payments, they were not 55342  
aware that additional medical expenses had been incurred but had 55343  
not yet been paid by the departments. The third party becomes 55344  
liable to the department of job and family services or county 55345  
department of job and family services as soon as the third party 55346  
is notified in writing of the valid claims for recovery under this 55347  
section. 55348

The right of recovery does not apply to that portion of any 55349  
judgment, award, settlement, or compromise of a claim, to the 55350  
extent of attorneys' fees, costs, or other expenses incurred by a 55351  
recipient or participant in securing the judgment, award, 55352  
settlement, or compromise, or to the extent of medical, surgical, 55353  
and hospital expenses paid by such recipient or participant from 55354  
the recipient's or participant's own resources. Attorney fees and 55355  
costs or other expenses in securing any recovery shall not be 55356

To enforce their recovery rights, the departments may do any 55358  
of the following: 55359

the recipient or participant or on the recipient's or 55361

the cost of medical services and care arising out of the 55363  
recipient's or participant's injury, disease, or disability; 55364

Recovery rights created by this section may be enforced 55372  
separately or jointly by the department of job and family services 55373  
and the county department of job and family services. 55374

The right of recovery given to the department under this 55375  
section does not include rights to support from any other person 55376  
assigned to the state under sections 5107.20 and ~~5115.13~~ 5115.07 55377  
of the Revised Code, but includes payments made by a third party 55378  
under contract with a person having a duty to support. 55379

The director of job and family services may adopt rules in 55380  
accordance with Chapter 119. of the Revised Code the department 55381  
considers necessary to implement this section. 55382

**Sec. 5101.59.** (A) The application for or acceptance of public 55383  
assistance constitutes an automatic assignment of certain rights 55384  
to the department of job and family services. This assignment 55385  
includes the rights of the applicant, recipient, or participant 55386  
and also the rights of any other member of the assistance group 55387  
for whom the applicant, recipient, or participant can legally make 55388  
an assignment. 55389

Pursuant to this section, the applicant, recipient, or 55390  
participant assigns to the department any rights to medical 55391

court or administrative agency, and any rights to payments from 55394

applicant, recipient, participant, or other members of the 55397  
assistance group. 55398

Medicare benefits shall not be assigned pursuant to this 55399  
section. Benefits assigned to the department by operation of this 55400

third parties. 55402

(B) Refusal by the applicant, recipient, or participant to 55403  
cooperate in obtaining medical support and payments for self or 55404  
any other member of the assistance group renders the applicant, 55405  
recipient, or participant ineligible for public assistance, unless 55406  
cooperation is waived by the department. Eligibility shall 55407  
continue for any individual who cannot legally assign the 55408  
individual's own rights and who would have been eligible for 55409  
public assistance but for the refusal to assign the individual's 55410  
rights or to cooperate as required by this section by another 55411  
person legally able to assign the individual's rights. 55412

If the applicant, recipient, or participant or any member of 55413  
the assistance group becomes ineligible for public assistance, the 55414  
department shall restore to the applicant, recipient, participant, 55415  
or member of the assistance group any future rights to benefits 55416  
assigned under this section. 55417

The rights of assignment given to the department under this 55418  
section do not include rights to support assigned under section 55419  
5107.20 or ~~5115.13~~ 5115.07 of the Revised Code. 55420

in accordance with Chapter 119. of the Revised Code to implement 55422  
this section, including rules that specify what constitutes 55423  
cooperating with efforts to obtain medical support and payments 55424  
and when the cooperation requirement may be waived. 55425

**Sec. 5101.75.** (A) As used in sections 5101.75, 5101.751, 55426

(1) "Alternative source of long-term care" includes a 55428

residential care facility licensed under Chapter 3721. of the 55429  
Revised Code, an adult care facility licensed under Chapter 3722. 55430  
of the Revised Code, home and community-based services, and a 55431  
nursing home licensed under Chapter 3721. of the Revised Code that 55432  
is not a nursing facility. 55433

(2) "Medicaid" means the medical assistance program 55434  
established under Chapter 5111. of the Revised Code. 55435

(3) "Nursing facility" has the same meaning as in section 55436  
5111.20 of the Revised Code. 55437

(4) "Representative" means a person acting on behalf of an 55438  
applicant for admission to a nursing facility. A representative 55439

(5) "Third-party payment source" means a third-party payer as 55442  
defined in section 3901.38 of the Revised Code or medicaid. 55443

(B) Effective July 1, 1994, the department of job and family 55444  
services may assess a person applying or intending to apply for 55445  
admission to a nursing facility who is not an applicant for or 55446  
recipient of medicaid to determine whether the person is in need 55447  
of nursing facility services and whether an alternative source of 55448  
long-term care is more appropriate for the person in meeting the 55449  
person's physical, mental, and psychosocial needs than admission 55450  
to the facility to which the person has applied. 55451

Each assessment shall be performed by the department or an 55452  
agency designated by the department under section 5101.751 of the 55453  
Revised Code and shall be based on information provided by the 55454  
person or the person's representative. It shall consider the 55455  
person's physical, mental, and psychosocial needs and the 55456  
availability and effectiveness of informal support and care. The 55457  
department or designated agency shall determine the person's 55458  
physical, mental, and psychosocial needs by using, to the maximum 55459

department or designated agency shall also use the criteria and 55463  
procedures established in rules adopted by the department under 55464  
division (I) of this section. Assessments may be performed only by 55465

Revised Code. The department or designated agency shall make a 55467  
recommendation on the basis of the assessment and, not later than 55468  
the time the assessment is required to be performed under division 55469  
(D) of this section, give the person assessed written notice of 55470  
the recommendation, which shall explain the basis for the 55471  
recommendation. If the department or designated agency determines 55472  
pursuant to an assessment that an alternative source of long-term 55473  
care is more appropriate for the person than admission to the 55474  
facility to which the person has applied, the department or 55475  
designated agency shall include in the notice possible sources of 55476  
financial assistance for the alternative source of long-term care. 55477  
If the department or designated agency has been informed that the 55478  
person has a representative, it shall give the notice to the 55479  
representative. 55480

(C) A person is not required to be assessed under division 55481

nursing facility operated as part of a system of continuing care 55489  
in conjunction with one or more facilities that provide a less 55490  
intensive level of services, including a residential care facility 55491

licensed under Chapter 3721. of the Revised Code, an adult-care 55492  
facility licensed under Chapter 3722. of the Revised Code, or an 55493  
independent living arrangement; 55494

aged exempt from taxation under section 5701.13 of the Revised 55496  
Code; 55497

twenty-four hours after admitting the person; 55502

(6) The person is to be transferred from another nursing 55503  
facility, unless the nursing facility from which or to which the 55504  
person is to be transferred determines that the person's medical 55505  
condition has changed substantially since the person's admission 55506  
to the nursing facility from which the person is to be transferred 55507  
or a review is required by a third-party payment source; 55508

(7) The person is to be readmitted to a nursing facility 55509

hospital, or a review is required by a third-party payment source; 55513

(8) The department or designated agency fails to complete an 55514  
assessment within the time required by division (D) or (E) of this 55515  
section or determines after a partial assessment that the person 55516  
should be exempt from the assessment. 55517

(D) The department or designated agency shall perform a 55518  
complete assessment, or, if circumstances provided by rules 55519  
adopted under division (I) of this section exist, a partial 55520  
assessment, as follows: 55521

(1) In the case of a hospitalized person applying or 55522

(2) In the case of an emergency as determined in accordance 55526  
with rules adopted under division (I) of this section, not later 55527

application is notified that a bed is available in a nursing 55533  
facility. 55534

(E) If the department or designated agency conducts a partial 55535  
assessment under division (D) of this section, it shall complete 55536  
the rest of the assessment not later than one hundred eighty days 55537  
after the date the person is admitted to the nursing facility 55538  
unless the assessment entity determines the person should be 55539  
exempt from the assessment. 55540

(F) A person assessed under this section or the person's 55541  
representative may file a complaint with the department about the 55542  
assessment process. The department shall work to resolve the 55543  
complaint in accordance with rules adopted under division (I) of 55544  
this section. 55545

(G) A person is not required to seek an alternative source of 55546  
long-term care and may be admitted to or continue to reside in a 55547  
nursing facility even though an alternative source of long-term 55548  
care is available or the person is determined pursuant to an 55549  
assessment under this section not to need nursing facility 55550

(E)(1) When age groups are combined, the maximum number of children per child-care staff member shall be determined by the age of the youngest child in the group, except that when no more than one child thirty months of age or older receives services in a group in which all the other children are in the next older age group, the maximum number of children per child-care staff member and maximum group size requirements of the older age group established under division (B)(3) of this section shall apply.

(2) The maximum number of toddlers or preschool children per child-care staff member in a room where children are napping shall be twice the maximum number of children per child-care staff member established under division (B)(3) of this section if all the following criteria are met:

payment, the recorder shall charge and receive from the provider a 58101  
base fee of one dollar for services and a housing trust fund fee 58102  
of one dollar pursuant to section 317.36 of the Revised Code. 58103

Sec. 5111.025. (A) In rules adopted under section 5111.02 of 58194  
the Revised Code, the director of job and family services shall 58195  
modify the manner or establish a new manner in which the following 58196  
are paid under medicaid: 58197

(1) Community mental health facilities for providing mental 58198

(B) In modifying the manner, or establishing a new manner, 58205  
for medicaid to pay for the services specified in division (A) of 58206  
this section, the director shall include a provision for obtaining 58207

(C) The director's authority to modify the manner, or to 58215

specified in division (A) of this section is not limited by any 58217  
rules adopted under section 5111.02 or 5119.61 of the Revised Code 58218  
that are in effect on the effective date of this section and 58219  
govern the way medicaid pays for those services. This is the case 58220  
regardless of what state agency adopted the rules. 58221

Sec. 5111.03. (A) No provider of services or goods 58222  
contracting with the department of job and family services 58223  
pursuant to the medicaid program shall, by deception, obtain or 58224  
attempt to obtain payments under this chapter to which the 58225  
provider is not entitled pursuant to the provider agreement, or 58226

family services relating to the program. No provider shall 58228  
willfully receive payments to which the provider is not entitled, 58229

which the provider is entitled; nor shall any provider falsify any 58231  
report or document required by state or federal law, rule, or 58232  
provider agreement relating to medicaid payments. As used in this 58233  
section, a provider engages in "deception" when the provider, 58234  
acting with actual knowledge of the representation or information 58235  
involved, acting in deliberate ignorance of the truth or falsity 58236  
of the representation or information involved, or acting in 58237

information, by preventing another from acquiring information, or 58241  
by any other conduct, act, or omission that creates, confirms, or 58242  
perpetuates a false impression in another, including a false 58243  
impression as to law, value, state of mind, or other objective or 58244  
subjective fact. No proof of specific intent to defraud is 58245  
required to show, for purposes of this section, that a provider 58246  
has engaged in deception. 58247

(B) Any provider who violates division (A) of this section 58248  
shall be liable, in addition to any other penalties provided by 58249  
law, for all of the following civil penalties: 58250

(1) Payment of interest on the amount of the excess payments 58251  
at the maximum interest rate allowable for real estate mortgages 58252  
under section 1343.01 of the Revised Code on the date the payment 58253

was made to the provider for the period from the date upon which 58254  
payment was made, to the date upon which repayment is made to the 58255  
state; 58256

(2) Payment of an amount equal to three times the amount of 58257  
any excess payments; 58258

(3) Payment of a sum of not less than five thousand dollars 58259  
and not more than ten thousand dollars for each deceptive claim or 58260  
falsification; 58261

(4) All reasonable expenses which the court determines have 58262  
been necessarily incurred by the state in the enforcement of this 58263  
section. 58264

(C) ~~In~~ As used in this division, "intermediate care facility 58265  
for the mentally retarded" and "nursing facility" have the same 58266  
meanings given in section 5111.20 of the Revised Code. 58267

In addition to the civil penalties provided in division (B) 58268  
of this section, the director of job and family services, upon the 58269  
conviction of, or the entry of a judgment in either a criminal or 58270  
civil action against, a medicaid provider or its owner, officer, 58271  
authorized agent, associate, manager, or employee in an action 58272  
brought pursuant to section 109.85 of the Revised Code, shall 58273  
terminate the provider agreement between the department and the 58274  
provider and stop reimbursement to the provider for services 58275  
rendered for a period of up to five years from the date of 58276  
conviction or entry of judgment. As used in this chapter, "owner" 58277  
means any person having at least five per cent ownership in the 58278  
medicaid provider. No such provider, owner, officer, authorized 58279  
agent, associate, manager, or employee shall own or provide 58280  
services to any other medicaid provider or risk contractor or 58281  
arrange for, render, or order services for medicaid recipients 58282  
during the period of termination as provided in division (C) of 58283  
this section, nor, during the period of termination as provided in 58284

division (C) of this section, shall such provider, owner, officer, 58285  
authorized agent, associate, manager, or employee receive 58286  
reimbursement in the form of direct payments from the department 58287  
or indirect payments of medicaid funds in the form of salary, 58288  
shared fees, contracts, kickbacks, or rebates from or through any 58289  
participating provider or risk contractor. The provider agreement 58290  
shall not be terminated or reimbursement terminated if the 58291  
provider or owner can demonstrate that the provider or owner did 58292  
not directly or indirectly sanction the action of its authorized 58293  
agent, associate, manager, or employee that resulted in the 58294  
conviction or entry of a judgment in a criminal or civil action 58295  
brought pursuant to section 109.85 of the Revised Code. Nothing in 58296  
this division prohibits any owner, officer, authorized agent, 58297  
associate, manager, or employee of a medicaid provider from 58298  
entering into a medicaid provider agreement if the person can 58299  
demonstrate that the person had no knowledge of an action of the 58300  
medicaid provider the person was formerly associated with that 58301  
resulted in the conviction or entry of a judgment in a criminal or 58302  
civil action brought pursuant to section 109.85 of the Revised 58303  
Code. 58304

~~Providers subject to sections 5111.20 to 5111.32 of the~~ 58305  
~~Revised Code~~ Nursing facility or intermediate care facility for 58306  
the mentally retarded providers whose agreements are terminated 58307  
pursuant to this section may continue to receive reimbursement for 58308  
up to thirty days after the effective date of the termination if 58309  
the provider makes reasonable efforts to transfer recipients to 58310  
another facility or to alternate care and if federal funds are 58311  
provided for such reimbursement. 58312

(D) Any provider of services or goods contracting with the 58313  
department of job and family services pursuant to Title XIX of the 58314  
"Social Security Act," who, without intent, obtains payments under 58315  
this chapter in excess of the amount to which the provider is 58316

entitled, thereby becomes liable for payment of interest on the 58317  
amount of the excess payments at the maximum real estate mortgage 58318  
rate on the date the payment was made to the provider for the 58319  
period from the date upon which payment was made to the date upon 58320  
which repayment is made to the state. 58321

(E) The attorney general on behalf of the state may commence 58322  
proceedings to enforce this section in any court of competent 58323  
jurisdiction; and the attorney general may settle or compromise 58324  
any case brought under this section with the approval of the 58325  
department of job and family services. Notwithstanding any other 58326  
provision of law providing a shorter period of limitations, the 58327  
attorney general may commence a proceeding to enforce this section 58328  
at any time within six years after the conduct in violation of 58329  
this section terminates. 58330

(F) The authority, under state and federal law, of the 58331  
department of job and family services or a county department of 58332  
job and family services to recover excess payments made to a 58333  
provider is not limited by the availability of remedies under 58334  
sections 5111.11 and 5111.12 of the Revised Code for recovering 58335  
benefits paid on behalf of recipients of medical assistance. 58336

billing, or falsification occurring on and after April 24, 1978. 58338  
All moneys collected by the state pursuant to this section shall 58339  
be deposited in the state treasury to the credit of the general 58340  
revenue fund. 58341

in division (F)(4) of this section and section 1339.51 of the 58946  
Revised Code, the county department of job and family services 58947  
shall not consider it an exempt trust. 58948

(G)(1) A trust or legal instrument or device similar to a 58949  
trust shall be considered a trust established by an individual for 58950  
the benefit of the applicant or recipient if all of the following 58951

apply: 58952

(a) The trust is created by a person other than the applicant or recipient. 58953  
58954

(b) The trust names the applicant or recipient as a beneficiary. 58955  
58956

(c) The trust is funded with assets or property in which the applicant or recipient has never held an ownership interest prior to the establishment of the trust. 58957  
58958  
58959

(2) Any portion of a trust that meets the requirements of division (G)(1) of this section shall be an available resource only if the trust permits the trustee to expend principal, corpus, or assets of the trust for the applicant's or recipient's medical care, care, comfort, maintenance, health, welfare, general well being, or any combination of these purposes. 58960  
58961  
58962  
58963  
58964  
58965

(3) A trust that meets the requirements of division (G)(1) of this section shall be considered an available resource even if the trust contains any of the following types of provisions: 58966  
58967  
58968

(a) A provision that prohibits the trustee from making payments that would supplant or replace medical assistance or other public assistance; 58969  
58970  
58971

(b) A provision that prohibits the trustee from making payments that would impact or have an effect on the applicant's or recipient's right, ability, or opportunity to receive medical assistance or other public assistance; 58972  
58973  
58974  
58975

(c) A provision that attempts to prevent the trust or its corpus or principal from being counted as an available resource. 58976  
58977

(4) A trust that meets the requirements of division (G)(1) of this section shall not be counted as an available resource if at least one of the following circumstances applies: 58978  
58979  
58980

(a) If a trust contains a clear statement requiring the 58981

trustee to preserve a portion of the trust for another beneficiary 58982  
or remainderman, that portion of the trust shall not be counted as 58983  
an available resource. Terms of a trust that grant discretion to 58984  
preserve a portion of the trust shall not qualify as a clear 58985  
statement requiring the trustee to preserve a portion of the 58986  
trust. 58987

(b) If a trust contains a clear statement requiring the 58988  
trustee to use a portion of the trust for a purpose other than 58989  
medical care, care, comfort, maintenance, welfare, or general well 58990  
being of the applicant or recipient, that portion of the trust 58991  
shall not be counted as an available resource. Terms of a trust 58992  
that grant discretion to limit the use of a portion of the trust 58993  
shall not qualify as a clear statement requiring the trustee to 58994  
use a portion of the trust for a particular purpose. 58995

(c) If a trust contains a clear statement limiting the 58996  
trustee to making fixed periodic payments, the trust shall not be 58997  
counted as an available resource and payments shall be treated in 58998  
accordance with rules adopted by the department of job and family 58999  
services governing income. Terms of a trust that grant discretion 59000  
to limit payments shall not qualify as a clear statement requiring 59001  
the trustee to make fixed periodic payments. 59002

(d) If a trust contains a clear statement that requires the 59003  
trustee to terminate the trust if it is counted as an available 59004  
resource, the trust shall not be counted as an available resource. 59005  
Terms of a trust that grant discretion to terminate the trust do 59006  
not qualify as a clear statement requiring the trustee to 59007  
terminate the trust. 59008

(e) If a person obtains a judgment from a court of competent 59009  
jurisdiction that expressly prevents the trustee from using part 59010  
or all of the trust for the medical care, care, comfort, 59011  
maintenance, welfare, or general well being of the applicant or 59012  
recipient, the trust or that portion of the trust subject to the 59013

court order shall not be counted as a resource. 59014

(f) If a trust is specifically exempt from being counted as an available resource by a provision of the Revised Code, rules, or federal law, the trust shall not be counted as a resource. 59015  
59016  
59017

(g) If an applicant or recipient presents a final judgment from a court demonstrating that the applicant or recipient was unsuccessful in a civil action against the trustee to compel payments from the trust, the trust shall not be counted as an available resource. 59018  
59019  
59020  
59021  
59022

(h) If an applicant or recipient presents a final judgment from a court demonstrating that in a civil action against the trustee the applicant or recipient was only able to compel limited or periodic payments, the trust shall not be counted as an available resource and payments shall be treated in accordance with rules adopted by the department of job and family services governing income. 59023  
59024  
59025  
59026  
59027  
59028  
59029

(i) If an applicant or recipient provides written documentation showing that the cost of a civil action brought to compel payments from the trust would be cost prohibitive, the trust shall not be counted as an available resource. 59030  
59031  
59032  
59033

(5) Any actual payments to the applicant or recipient from a trust that meet the requirements of division (G)(1) of this section, including trusts that are not counted as an available resource, shall be treated as provided in rules adopted by the department of job and family services governing income. Payments to any person other than the applicant or recipient shall not be considered income to the applicant or recipient. Payments from the trust to a person other than the applicant or recipient shall not be considered an improper transfer of assets. 59034

Sec. 5111.16. (A) As part of the medicaid program, the 59043

department of job and family services shall establish a care management system. The department shall submit, if necessary, applications to the United States department of health and human services for waivers of federal medicaid requirements that would otherwise be violated in the implementation of the system. 59044  
59045  
59046  
59047  
59048

The department shall implement the care management system in some or all counties and shall designate the medicaid recipients who are required or permitted to participate in the system. In the case of individuals who receive medicaid on the basis of being aged, blind, or disabled, as specified in division (A)(2) of section 5111.01 of the Revised Code, all of the following apply: 59049  
59050  
59051  
59052  
59053  
59054

(1) Not later than July 1, 2004, the department shall designate a portion of the individuals for participation in the care management system. 59055  
59056

(2) Individuals shall not be designated for participation unless they reside in a county in which individuals who receive medicaid on another basis have been designated for participation. 59058  
59059  
59060

(3) If, pursuant to division (B)(2) of this section, the department requires or permits the individuals to obtain health care services through managed care organizations, the department shall select the managed care organizations to be used by the individuals through a request for proposals process. The department shall issue its initial request for proposals not later than December 31, 2003. 59061  
59062  
59063  
59064  
59065  
59066  
59067

(4) Individuals shall not be required to obtain health care services through managed care organizations unless they are at least twenty-one years of age. 59068  
59069  
59070

(B) Under the care management system, the department may do both of the following: 59071  
59072

(1) Require or permit participants in the system to obtain 59073

health care services from providers designated by the department; 59074

(2) Subject to division (A)(4) of this section, require or 59075  
permit participants in the system to obtain health care services 59076  
through managed care organizations under contract with the 59077  
department pursuant to section 5111.17 of the Revised Code. 59078

(C) The director of job and family services may adopt rules 59079  
in accordance with Chapter 119. of the Revised Code to implement 59080  
this section. 59081

**Sec. 5111.161.** (A) As used in this section, "chronically ill 59082  
child" means an individual who is not more than twenty-one years 59083  
of age and meets the conditions specified in division (A)(2) of 59084  
section 5111.01 of the Revised Code to be eligible for medicaid on 59085  
the basis of being blind or disabled. 59086

(B) The department of job and family services shall develop a 59087  
pilot program under which chronically ill children are included 59088  
among the medicaid recipients who are required to participate in 59089  
the care management system established under section 5111.16 of 59090  
the Revised Code. The pilot program shall be implemented not later 59091  
than October 1, 2004, or, if by that date the department has not 59092  
received any necessary federal approval to implement the program, 59093  
as soon as practicable after receiving the approval. The 59094  
department shall operate the program until October 1, 2006, except 59095  
that the department shall cease operation of the program before 59096  
that date if either of the following is the case: 59097

(1) The department determines that requiring chronically ill 59098  
children to participate in the care management system is not a 59099  
cost-effective means of providing medicaid services; 59100

(2) The combined state and federal cost of the children's 59101  
care coordination described in division (D) of this section 59102  
reaches three million dollars. 59103

(C) The department shall ensure that the pilot program is operated in at least three counties selected by the department. In its consideration of the counties to be selected, the department may give priority to Hamilton county and Muskingum county. The department may extend its operation of the program into the areas surrounding the counties in which the program is operated. 59104  
59105  
59106  
59107  
59108  
59109

(D) The purpose of the pilot program shall be to determine whether occurrences of acute illnesses and hospitalizations among chronically ill children can be prevented or reduced by establishing a medical home for the children where care is administered proactively and in a manner that is accessible, continuous, family-centered, coordinated, and compassionate. In establishing a medical home for a chronically ill child, all of the following apply: 59110  
59111  
59112  
59113  
59114  
59115  
59116  
59117

(1) A physician shall serve as the care coordinator for the child. The care coordinator may be engaged in practice as a pediatrician certified in pediatrics by a medical specialty board of the American medical association or American osteopathic association, a pediatric subspecialist, or a provider for the bureau of children with medical handicaps within the department of health. If the physician is in a group practice, any member of the group practice may serve as the child's care coordinator. 59122  
59123  
59124  
59125  
59126  
59127

(2) The child may receive care from any health care practitioner appropriate to the child's needs, but the care coordinator shall direct and oversee the child's overall care. 59128  
59129  
59130

(3) The care coordinator shall establish a relationship of mutual responsibility with the child's parents or other persons who are responsible for the child. Under this relationship, the care coordinator shall commit to developing a long-term disease prevention strategy and providing disease management and education 59131  
59132  
59133  
59134  
59135

services, while the child's parents or other persons who are 59136  
responsible for the child shall commit to participate fully in 59137  
implementing the child's care management plan. 59138

(4) The medicaid program shall provide reimbursement for the 59139  
reasonable and necessary costs of the services associated with 59140  
care coordination, including, but not limited to, case management, 59141  
care plan oversight, preventive care, health and behavioral care 59142  
assessment and intervention, and any service modifier that 59143  
reflects the provision of prolonged services or additional care. 59144

(E) The department shall conduct an evaluation of the pilot 59145  
program's effectiveness. As part of the evaluation, the department 59146  
shall maintain statistics on physician expenditures, hospital 59147  
expenditures, preventable hospitalizations, and other matters the 59148  
department considers necessary to conduct the evaluation. 59149

(F) The department shall adopt rules in accordance with 59150  
Chapter 119. of the Revised Code as necessary to implement this 59151  
section. The rules shall specify standards and procedures to be 59152  
used in designating the chronically ill children who are required 59153  
to participate in the pilot program. 59154

Sec. 5111.173. The department of job and family services 59220  
shall appoint a temporary manager for a managed care organization 59221

The managed care organization shall pay all costs of having 59231  
the temporary manager perform the temporary manager's duties, 59232

organization shall pay those costs and be responsible for those 59236  
liabilities. 59237

The appointment of a temporary manager is not subject to 59238

section 5111.17 of the Revised Code if the department proposes to 59257

terminate or not to renew the contract and determines that the recipients' access to medically necessary services is jeopardized by the proposal to terminate or not to renew the contract. The disenrollment is not subject to Chapter 119. of the Revised Code, but the managed care organization may request a reconsideration of the disenrollment. Reconsiderations shall be requested and conducted in accordance with rules the director of job and family services shall adopt in accordance with Chapter 119. of the Revised Code. The request for, or conduct of, a reconsideration regarding a proposed disenrollment shall not delay the disenrollment.

In addition to the rules required to be adopted under this section, the director may adopt any other rules necessary to implement this section. The rules shall be adopted in accordance with Chapter 119. of the Revised Code.

**Sec. 5111.175.** For the purpose of determining the amount the department of job and family services pays hospitals under section 5112.08 of the Revised Code and the amount of disproportionate share hospital payments paid by the medicare program established under Title XVIII of the "Social Security Act," 79 Stat. 286 (1965), 42 U.S.C. 1396n, as amended, a managed care organization under contract with the department pursuant to section 5111.17 of the Revised Code authorizing the organization to provide, or arrange for the provision of, hospital services to medicaid recipients shall keep detailed records for each hospital with which it contracts about the cost to the hospital of providing the services, payments made by the organization to the hospital for the services, utilization of hospital services by medicaid recipients enrolled in the organization, and other utilization data required by the department.

(a) Depreciation and interest on any capital assets that cost	59298
five hundred dollars or more per item, including the following:	59299
(i) Buildings;	59300

(d) Except as provided in division (I) of this section, lease	59310
and rent of land, building, and equipment.	59311
The costs of capital assets of less than five hundred dollars	59312
per item may be considered costs of ownership in accordance with a	59313
provider's practice.	59314
(2) "Costs of nonextensive renovation" means the actual	59315

expense incurred for depreciation or amortization and interest on 59316

(C) "Capital lease" and "operating lease" shall be construed 59318  
in accordance with generally accepted accounting principles. 59319

(D) "Case-mix score" means the measure determined under 59320

restoration, or replacement of assets that are affixed to the 59564  
building and have a useful life of at least five years. A 59565  
renovation may include costs that otherwise would be considered 59566  
maintenance and repair expenses if they are an integral part of 59567  
the structural change that makes up the renovation project. 59568  
"Renovation" does not mean construction of additional space for 59569  
beds that will be added to a facility's licensed or certified 59570

(b) "Extensive renovation" means a renovation that costs more 59572  
than sixty-five per cent and no more than eighty-five per cent of 59573  
the cost of constructing a new bed and that extends the useful 59574  
life of the assets for at least ten years. 59575

For the purposes of division (X)(2) of this section, the cost 59576  
of constructing a new bed shall be considered to be forty thousand 59577

1, 1993, to the end of the calendar year during which the 59579  
renovation is completed, using the consumer price index for 59580  
shelter costs for all urban consumers for the north central 59581  
region, as published by the United States bureau of labor 59582  
statistics. 59583

The department of job and family services may treat a 59584  
renovation that costs more than eighty-five per cent of the cost 59585  
of constructing new beds as an extensive renovation if the 59586  
department determines that the renovation is more prudent than 59587  
construction of new beds. 59588

be paid. The rate shall equal the sum of the following: 59696

(1) The facility's desk-reviewed, actual, allowable, per diem 59697  
cost of ownership for the preceding cost reporting period, limited 59698

on or after July 1, 1993. Depreciation for costs paid or 59716  
reimbursed by any government agency shall not be included in costs 59717  
of ownership or renovation unless that part of the payment under 59718

(B) The department of job and family services shall pay to 59721  
each intermediate care facility for the mentally retarded an 59722

price index for shelter costs for all urban consumers for the 59738  
north central region, as published by the United States bureau of 59739  
labor statistics. 59740

dollars and twenty-six cents per patient day; 59869

(15) For facilities with dates of licensure after December 59870  
31, 1988, but prior to January 1, 1990, not exceeding thirteen 59871

(16) For facilities with dates of licensure after December 59873

(17) For facilities with dates of licensure after December 59876  
31, 1990, but prior to January 1, 1992, not exceeding thirteen 59877

(19) For facilities with dates of licensure after December 59882  
31, 1992, not exceeding fourteen dollars and twenty-eight cents 59883  
per patient day. 59884

(D) Beginning January 1, 1981, regardless of the original 59885  
date of licensure, the department of job and family services shall 59886  
pay a rate for the per diem capitalized costs of renovations to 59887  
intermediate care facilities for the mentally retarded made after 59888  
January 1, 1981, not exceeding six dollars per patient day using 59889  
1980 as the base year and adjusting the amount annually until June 59890  
30, 1993, for fluctuations in construction costs calculated by the 59891  
department using the "Dodge building cost indexes, northeastern 59892  
and north central states," published by Marshall and Swift. The 59893  
payment provided for in this division is the only payment that 59894

shall be made for the capitalized costs of a nonextensive 59895  
renovation of an intermediate care facility for the mentally 59896  
retarded. Nonextensive renovation costs shall not be included in 59897  
cost of ownership, and a nonextensive renovation shall not affect 59898  
the date of licensure for purposes of division (C) of this 59899  
section. This division applies to nonextensive renovations 59900  
regardless of whether they are made by an owner or a lessee. If 59901  
the tenancy of a lessee that has made renovations ends before the 59902  
depreciation expense for the renovation costs has been fully 59903  
reported, the former lessee shall not report the undepreciated 59904  
balance as an expense. 59905

For a nonextensive renovation to qualify for payment under 59906  
this division, both of the following conditions must be met: 59907

(1) At least five years have elapsed since the date of 59908  
licensure or date of an extensive renovation of the portion of the 59909  
facility that is proposed to be renovated, except that this 59910  
condition does not apply if the renovation is necessary to meet 59911  
the requirements of federal, state, or local statutes, ordinances, 59912  
rules, or policies. 59913

(2) The provider has obtained prior approval from the 59914  
department of job and family services. The provider shall submit a 59915  
plan that describes in detail the changes in capital assets to be 59916  
accomplished by means of the renovation and the timetable for 59917  
completing the project. The time for completion of the project 59918  
shall be no more than eighteen months after the renovation begins. 59919  
The director of job and family services shall adopt rules in 59920  
accordance with Chapter 119. of the Revised Code that specify 59921  
criteria and procedures for prior approval of renovation projects. 59922  
No provider shall separate a project with the intent to evade the 59923  
characterization of the project as a renovation or as an extensive 59924  
renovation. No provider shall increase the scope of a project 59925  
after it is approved by the department of job and family services 59926

unless the increase in scope is approved by the department. 59927

(E) The amounts specified in divisions (C) and (D) of this 59928  
section shall be adjusted beginning July 1, 1993, for the 59929  
estimated inflation for the twelve-month period beginning on the 59930  
first day of July of the calendar year preceding the calendar year 59931  
that precedes the fiscal year for which rate will be paid and 59932  
ending on the thirtieth day of the following June, using the 59933  
consumer price index for shelter costs for all urban consumers for 59934  
the north central region, as published by the United States bureau 59935  
of labor statistics. 59936

(F)(1) For facilities of eight or fewer beds that have dates 59937  
of licensure or have been granted project authorization by the 59938  
department of mental retardation and developmental disabilities 59939  
before July 1, 1993, and for facilities of eight or fewer beds 59940  
that have dates of licensure or have been granted project 59941  
authorization after that date if the facilities demonstrate that 59942  
they made substantial commitments of funds on or before that date, 59943  
cost of ownership shall not exceed eighteen dollars and thirty 59944  
cents per resident per day. The eighteen-dollar and thirty-cent 59945  
amount shall be increased by the change in the "Dodge building 59946  
cost indexes, northeastern and north central states," published by 59947  
Marshall and Swift, during the period beginning June 30, 1990, and 59948  
ending July 1, 1993, and by the change in the consumer price index 59949  
for shelter costs for all urban consumers for the north central 59950  
region, as published by the United States bureau of labor 59951  
statistics, annually thereafter. 59952

(2) For facilities with eight or fewer beds that have dates 59953  
of licensure or have been granted project authorization by the 59954  
department of mental retardation and developmental disabilities on 59955  
or after July 1, 1993, for which substantial commitments of funds 59956  
were not made before that date, cost of ownership payments shall 59957  
not exceed the applicable amount calculated under division (F)(1) 59958

of this section, if the department of job and family services 59959  
gives prior approval for construction of the facility or, 59960  
regardless of whether the department gives prior approval, if the 59961  
facility obtains a residential facility license under section 59962  
5123.19 of the Revised Code pursuant to section 5123.1910 of the 59963  
Revised Code. If the department does not give prior approval, cost 59964  
of ownership payments shall not exceed the amount specified in 59965  
division (C) of this section unless the facility obtains a 59966  
residential facility license under section 5123.19 of the Revised 59967  
Code pursuant to section 5123.1910 of the Revised Code. 59968

(3) Notwithstanding divisions (D) and (F)(1) and (2) of this 59969  
section, the total payment for cost of ownership, cost of 59970  
ownership efficiency incentive, and capitalized costs of 59971  
renovations for an intermediate care facility for the mentally 59972  
retarded with eight or fewer beds shall not exceed the sum of the 59973  
limitations specified in divisions (C) and (D) of this section. 59974

(G) Notwithstanding any provision of this section or section 59975  
5111.24 of the Revised Code, the director of job and family 59976  
services may adopt rules in accordance with Chapter 119. of the 59977  
Revised Code that provide for a calculation of a combined maximum 59978  
payment limit for indirect care costs and cost of ownership for 59979  
intermediate care facilities for the mentally retarded with eight 59980  
or fewer beds. 59981

(H) After June 30, 1980, the owner of an intermediate care 59982  
facility for the mentally retarded operating under a provider 59983  
agreement shall provide written notice to the department of job 59984  
and family services at least forty-five days prior to entering 59985  
into any contract of sale for the facility or voluntarily 59986  
terminating participation in the medical assistance program. After 59987  
the date on which a transaction of sale is closed, the owner shall 59988  
refund to the department the amount of excess depreciation paid to 59989  
the facility by the department for each year the owner has 59990

operated the facility under a provider agreement and prorated 59991  
according to the number of medicaid patient days for which the 59992  
facility has received payment. If an intermediate care facility 59993  
for the mentally retarded is sold after five or fewer years of 59994  
operation under a provider agreement, the refund to the department 59995  
shall be equal to the excess depreciation paid to the facility. If 59996  
an intermediate care facility for the mentally retarded is sold 59997  
after more than five years but less than ten years of operation 59998  
under a provider agreement, the refund to the department shall 59999  
equal the excess depreciation paid to the facility multiplied by 60000  
twenty per cent, multiplied by the number of years less than ten 60001  
that a facility was operated under a provider agreement. If an 60002  
intermediate care facility for the mentally retarded is sold after 60003  
ten or more years of operation under a provider agreement, the 60004  
owner shall not refund any excess depreciation to the department. 60005  
For the purposes of this division, "depreciation paid to the 60006  
facility" means the amount paid to the intermediate care facility 60007  
for the mentally retarded for cost of ownership pursuant to this 60008  
section less any amount paid for interest costs. For the purposes 60009  
of this division, "excess depreciation" is the intermediate care 60010  
facility for the mentally retarded's depreciated basis, which is 60011  
the owner's cost less accumulated depreciation, subtracted from 60012  
the purchase price but not exceeding the amount of depreciation 60013  
paid to the facility. 60014

A cost report shall be filed with the department within 60015  
ninety days after the date on which the transaction of sale is 60016  
closed or participation is voluntarily terminated for an 60017  
intermediate care facility for the mentally retarded subject to 60018  
this division. The report shall show the accumulated depreciation, 60019  
the sales price, and other information required by the department. 60020  
The department shall provide for a bank, trust company, or savings 60021  
and loan association to hold in escrow the amount of the last two 60022  
monthly payments to an intermediate care facility for the mentally 60023

retarded made pursuant to division (A)(1) of section 5111.22 of 60024  
the Revised Code before a sale or voluntary termination of 60025  
participation or, if the owner fails, within the time required by 60026  
this division, to notify the department before entering into a 60027  
contract of sale for the facility, the amount of the first two 60028  
monthly payments made to the facility after the department learns 60029  
of the contract, regardless of whether a new owner is in 60030  
possession of the facility. If the amount the owner will be 60031  
required to refund under this section is likely to be less than 60032  
the amount of the two monthly payments otherwise put into escrow 60033  
under this division, the department shall take one of the 60034  
following actions instead of withholding the amount of the two 60035  
monthly payments: 60036

(1) In the case of an owner that owns other facilities that 60037  
participate in the medical assistance program, obtain a promissory 60038  
note in an amount sufficient to cover the amount likely to be 60039  
refunded; 60040

(2) In the case of all other owners, withhold the amount of 60041  
the last monthly payment to the intermediate care facility for the 60042  
mentally retarded or, if the owner fails, within the time required 60043  
by this division, to notify the department before entering into a 60044  
contract of sale for the facility, the amount of the first monthly 60045  
payment made to the facility after the department learns of the 60046  
contract, regardless of whether a new owner is in possession of 60047  
the facility. 60048

The department shall, within ninety days following the filing 60049  
of the cost report, audit the report and issue an audit report to 60050  
the owner. The department also may audit any other cost reports 60051  
for the facility that have been filed during the previous three 60052  
years. In the audit report, the department shall state its 60053  
findings and the amount of any money owed to the department by the 60054  
intermediate care facility for the mentally retarded. The findings 60055

shall be subject to an adjudication conducted in accordance with 60056  
Chapter 119. of the Revised Code. No later than fifteen days after 60057  
the owner agrees to a settlement, any funds held in escrow less 60058  
any amounts due to the department shall be released to the owner 60059  
and amounts due to the department shall be paid to the department. 60060  
If the amounts in escrow are less than the amounts due to the 60061  
department, the balance shall be paid to the department within 60062  
fifteen days after the owner agrees to a settlement. If the 60063  
department does not issue its audit report within the ninety-day 60064  
period, the department shall release any money held in escrow to 60065  
the owner. For the purposes of this section, a transfer of 60066  
corporate stock, the merger of one corporation into another, or a 60067  
consolidation does not constitute a sale. 60068

If an intermediate care facility for the mentally retarded is 60069  
not sold or its participation is not terminated after notice is 60070  
provided to the department under this division, the department 60071  
shall order any payments held in escrow released to the facility 60072  
upon receiving written notice from the owner that there will be no 60073  
sale or termination of participation. After written notice is 60074  
received from an intermediate care facility for the mentally 60075  
retarded that a sale or termination of participation will not take 60076  
place, the facility shall provide notice to the department at 60077  
least forty-five days prior to entering into any contract of sale 60078  
or terminating participation at any future time. 60079

(I) The department of job and family services shall pay each 60080  
eligible proprietary intermediate care facility for the mentally 60081  
retarded a return on the facility's net equity computed at the 60082  
rate of one and one-half times the average of interest rates on 60083  
special issues of public debt obligations issued to the federal 60084  
hospital insurance trust fund for the cost reporting period. No 60085  
facility's return on net equity paid under this division shall 60086  
exceed one dollar per patient day. 60087

In calculating the rate for return on net equity, the department shall use the greater of the facility's inpatient days during the applicable cost reporting period or the number of inpatient days the facility would have had during that period if its occupancy rate had been ninety-five per cent.

(J)(1) Except as provided in division (J)(2) of this section, if a provider leases or transfers an interest in a facility to another provider who is a related party, the related party's allowable cost of ownership shall include the lesser of the following:

(a) The annual lease expense or actual cost of ownership, whichever is applicable;

(b) The reasonable cost to the lessor or provider making the transfer.

(2) If a provider leases or transfers an interest in a facility to another provider who is a related party, regardless of the date of the lease or transfer, the related party's allowable cost of ownership shall include the annual lease expense or actual cost of ownership, whichever is applicable, subject to the limitations specified in divisions (B) to (I) of this section, if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) In the case of a lease, if the lessor retains any ownership interest, it is, except as provided in division (J)(2)(d)(ii) of this section, in only the real property and any improvements on the real property;

(c) In the case of a transfer, the provider making the transfer retains, except as provided in division (J)(2)(d)(iv) of this section, no ownership interest in the facility;

(d) The department of job and family services determines that

the lease or transfer is an arm's length transaction pursuant to 60118  
rules the department shall adopt in accordance with Chapter 119. 60119  
of the Revised Code no later than December 31, 2000. The rules 60120  
shall provide that a lease or transfer is an arm's length 60121  
transaction if all of the following, as applicable, apply: 60122

(i) In the case of a lease, once the lease goes into effect, 60123  
the lessor has no direct or indirect interest in the lessee or, 60124  
except as provided in division (J)(2)(b) of this section, the 60125  
facility itself, including interest as an owner, officer, 60126  
director, employee, independent contractor, or consultant, but 60127  
excluding interest as a lessor. 60128

(ii) In the case of a lease, the lessor does not reacquire an 60129  
interest in the facility except through the exercise of a lessor's 60130  
rights in the event of a default. If the lessor reacquires an 60131  
interest in the facility in this manner, the department shall 60132  
treat the facility as if the lease never occurred when the 60133  
department calculates its reimbursement rates for capital costs. 60134

(A) The department of job and family services may classify 60946  
similar hospitals into groups and allocate funds for distribution 60947  
within each group. 60948

(B) The department shall establish a method of allocating 60949  
funds to hospitals, taking into consideration the relative amount 60950

group of hospitals in a manner that first may provide for an 60970  
additional distribution to individual hospitals that provide a 60971

high proportion of indigent care in relation to the total care 60972  
provided by the hospital or in relation to other hospitals. The 60973  
department shall establish a formula to distribute the remainder 60974  
of the funds. The formula shall be consistent with section 1923 of 60975  
the "Social Security Act," 42 U.S.C.A. 1396r-4, as amended, shall 60976

period, the department shall reduce the amount of each 60993  
distribution by the percentage by which the amount is 60994

the recommendations of the medical director, the director shall 61965  
issue criteria for determining when a plan is complete, criteria 61966

approval. The factors that the director considers may include, but 61968  
are not limited to, the following: 61969

identified above; 61977

director shall provide the board an opportunity to present its 61981  
position. The director shall inform the board of the reasons for 61982

The mediator shall issue to the board and the department recommendations for resolution of the dispute. Prior to the conclusion of the fiscal year in which the current plan is scheduled to expire, the director, taking into consideration the recommendations of the mediator, shall make a final determination and approve or disapprove the plan, in whole or in part.
