other facility, in operation on or after January 1, 2003, for the 1393  
housing of any person that is under the control of the department 1394  
of rehabilitation and correction, the department of youth 1395  
services, the department of mental retardation and developmental 1396  
disabilities, the department of mental health, or any other agency 1397  
or department of state government. 1398

(2) "Target state agency" means the agency of state 1399  
government that operates the institutional facility or facilities 1400  
that the governor believes should be closed. 1401

(B) Prior to the closing of a state institutional facility, 1402  
the target state agency shall conduct a survey and analysis of the 1403  
needs of each client at that facility for the purpose of ensuring 1404  
that each client's identified needs during the transition and in 1405  
the client's new setting are met. A copy of the analysis, devoid 1406  
of any client identifying information, as well as the target state 1407  
agency's proposal for meeting the needs of the clients, shall be 1408  
submitted to the general assembly in accordance with section 1409  
101.68 of the Revised Code at least two months prior to the 1410  
closing. 1411

Sec. 107.32. (A) As used in this section and section 107.33 1412  
of the Revised Code: 1413

(1) "State institutional facility" means any institution or 1414  
other facility for the housing of any person that is under the 1415  
control of the department of rehabilitation and correction, the 1416  
department of youth services, the department of mental retardation 1417  
and developmental disabilities, the department of mental health, 1418  
or any other agency or department of state government. 1419

(2) "Target state agency" means the agency of state 1420  
government that the governor identifies in a notice provided under 1421  
division (C)(1) of this section and that operates an institutional 1422  
facility or facilities the governor believes should be closed. 1423

(B) Notwithstanding any other provision of law, the governor 1424  
shall not order the closure of any state institutional facility, 1425  
for the purpose of expenditure reductions or budget cuts, other 1426  
than in accordance with this section. 1427

(C) If the governor determines that necessary expenditure 1428  
reductions and budget cuts cannot be made without closing one or 1429  
more state institutional facilities, all of the following apply: 1430

(1) The governor shall determine which state agency's 1431  
institutional facility or facilities the governor believes should 1432  
be closed, shall notify the general assembly and that agency of 1433  
that determination, and shall specify in the notice the number of 1434  
facilities of that agency that the governor believes should be 1435  
closed and the anticipated savings to be obtained through that 1436  
closure or those closures. 1437

(2) Upon the governor's provision of the notice described in 1438  
division (C)(1) of this section, a state facilities closure 1439  
commission shall be created as described in division (D) of this 1440  
section regarding the target state agency. Not later than seven 1441

days after the governor provides that notice, the officials with 1442  
the duties to appoint members of the commission for the target 1443  
state agency, as described in division (D) of this section, shall 1444  
appoint the specified members of the commission, and, as soon as 1445  
possible after the appointments, the commission shall meet for the 1446  
purposes described in that division. Not later than thirty days 1447  
after the governor provides the notice described in division 1448  
(C)(1) of this section, the state facilities closure commission 1449  
shall provide to the general assembly, the governor, and the 1450  
target state agency a report that contains the commission's 1451  
recommendation as to the state institutional facility or 1452  
facilities of the target state agency that the governor may close. 1453  
The anticipated savings to be obtained by the commission's 1454  
recommendation shall be approximately the same as the anticipated 1455  
savings the governor specified in the governor's notice provided 1456  
under division (C)(1) of this section, and, if the recommendation 1457  
identifies more than one facility, it shall list them in order of 1458  
the commission's preference for closure. A state facilities 1459  
closure commission created for a particular target state agency 1460  
shall make a report only regarding that target state agency and 1461  
shall include no recommendations regarding any other state agency 1462  
or department in its report. 1463

(3) Upon receipt of the report of the state facilities 1464  
closure commission under division (C)(2) of this section for a 1465  
target state agency, if the governor still believes that necessary 1466  
expenditure reductions and budget cuts cannot be made without 1467  
closing one or more state institutional facilities, the governor 1468  
may close state institutional facilities of the target state 1469  
agency that are identified in the commission's recommendation 1470  
contained in the report. Except as otherwise provided in this 1471  
division, the governor shall not close any state institutional 1472  
facility of the target state agency that is not listed in the 1473  
commission's recommendation, and shall not close multiple 1474

institutions in any order other than the order of the commission's 1475  
preference as specified in the recommendation. The governor is not 1476  
required to follow the recommendation of the commission in closing 1477  
an institutional facility if the governor determines that a 1478  
significant change in circumstances makes the recommendation 1479  
unworkable. 1480

(D) A state facilities closure commission shall be created at 1481  
the time and in the manner specified in division (C)(2) of this 1482  
section. If more than one state agency or department is a target 1483  
state agency, a separate state facilities closure commission shall 1484  
be created for each such target state agency. Each commission 1485  
consists of eleven members. Three members shall be members of the 1486  
house of representatives appointed by the speaker of the house of 1487  
representatives, none of the members so appointed may have a state 1488  
institutional facility of the target state agency in the member's 1489  
district, two of the members so appointed shall be members of the 1490  
majority political party in the house of representatives, and one 1491  
of the members so appointed shall not be a member of the majority 1492  
political party in the house of representatives. Three members 1493  
shall be members of the senate appointed by the president of the 1494  
senate, none of the members so appointed may have a state 1495  
institutional facility of the target state agency in the member's 1496  
district, two of the members so appointed shall be members of the 1497  
majority political party in the senate, and one of the members so 1498  
appointed shall not be a member of the majority political party in 1499  
the senate. One member shall be the director of budget and 1500  
management. One member shall be the director, or other agency 1501  
head, of the target state agency. Two members shall be private 1502  
executives with expertise in facility utilization, with one of 1503  
these members appointed by the speaker of the house of 1504  
representatives and the other appointed by the president of the 1505  
senate, and neither of the members so appointed may have a state 1506  
institutional facility of the target state agency in the county in 1507

which the member resides. One member shall be a representative of 1508  
the Ohio civil service employees' association or other 1509  
representative association of the employees of the target state 1510  
agency, appointed by the speaker of the house of representatives. 1511  
The officials with the duties to appoint members of the commission 1512  
shall make the appointments, and the commission shall meet, within 1513  
the time periods specified in division (C)(2) of this section. The 1514  
members of the commission shall serve without compensation. At the 1515  
commission's first meeting, the members shall organize, and 1516  
appoint a chairperson and vice-chairperson. 1517

The commission shall determine which state institutional 1518  
facility or facilities under the control of the target state 1519  
agency for which the commission was created should be closed. In 1520  
making this determination, the commission shall, at a minimum, 1521  
consider the following factors: 1522

(1) Whether there is a need to reduce the number of 1523  
facilities; 1524

(2) The availability of alternate facilities; 1525

(3) The cost effectiveness of the facilities; 1526

(4) The geographic factors associated with each facility and 1527  
its proximity to other similar facilities; 1528

(5) The impact of collective bargaining on facility 1529  
operations; 1530

(6) The utilization and maximization of resources; 1531

(7) Continuity of the staff and ability to serve the facility 1532  
population; 1533

(8) Continuing costs following closure of a facility; 1534

(9) The impact of the closure on the local economy; 1535

(10) Alternatives and opportunities for consolidation with 1536  
other facilities. 1537

The commission shall meet as often as necessary to make its 1538  
determination, may take testimony and consider all relevant 1539  
information, and shall prepare and provide in accordance with 1540  
division (C)(2) of this section a report containing its 1541  
recommendations. Upon providing the report regarding the target 1542  
state agency, the commission shall cease to exist, provided that 1543  
another commission shall be created for the same state agency if 1544  
the agency is made a target state agency in another report 1545  
provided under division (C)(1) of this section and provided that 1546  
another commission shall be created for a different state agency 1547  
if that other agency is made a target state agency in a report 1548  
provided under that division. 1549

**Sec. 107.33.** Notwithstanding any other provision of law, if 1550  
the closure of the particular facility is authorized under section 1551  
107.32 of the Revised Code, the governor may terminate any 1552

the private operation and management of any correctional facility 1554

closes, the facility as described in this section, inmates in the 1562  
facility shall be transferred to another correctional facility 1563  
under the control of the department. If the initial intensive 1564  
program prison is closed, divisions (G)(2)(a) and (b) of section 1565

closed. 1567

into the state treasury to the credit of the charitable law fund. 1576  
The charitable law fund shall be used insofar as its moneys are 1577  
available for the expenses of the charitable law section of the 1578  
office of the attorney general, except that all annual license 1579

imposed by section 5733.06 or 5747.02 of the Revised Code. The 3098  
credit shall be claimed for the taxable years specified in the 3099  
taxpayer's agreement with the tax credit authority under division 3100  
(D) of this section. The credit shall be claimed after the 3101

allowance of all other credits provided by Chapter 5733. or 5747. 3102  
of the Revised Code. The amount of the credit equals the new 3103  
income tax revenue for the taxable year multiplied by the 3104  
percentage specified in the agreement with the tax credit 3105  
authority. 3106

(C) A taxpayer or potential taxpayer who proposes a project 3107

at the project location for at least twice the number of years as 3129  
the term of the tax credit; 3130

(4) The percentage, as determined by the tax credit 3131

authority, of new income tax revenue that will be allowed as the 3132

lesser of five years from the date the agreement is entered into 3149  
or the number of years the taxpayer is entitled to claim the tax 3150  
credit. 3151

(b) The taxpayer may relocate employment positions from 3152  
elsewhere in this state to the project site that is the subject of 3153  
the agreement if the director of development determines both of 3154  
the following: 3155

(i) That the site from which the employment positions would 3156  
be relocated is inadequate to meet market and industry conditions, 3157  
expansion plans, consolidation plans, or other business 3158  
considerations affecting the taxpayer; 3159

(ii) That the legislative authority of the county, township, 3160  
or municipal corporation from which the employment positions would 3161

(E) If a taxpayer fails to meet or comply with any condition or requirement set forth in a tax credit agreement, the tax credit authority may amend the agreement to reduce the percentage or term of the tax credit. The reduction of the percentage or term shall take effect in the taxable year immediately following the taxable year in which the authority amends the agreement. If the taxpayer relocates employment positions in violation of the provision required under division (D)(8)(a) of this section, the taxpayer shall not claim the tax credit under section 5733.0610 of the Revised Code for any tax years following the calendar year in which the relocation occurs, or shall not claim the tax credit under section 5747.058 of the Revised Code for the taxable year in which the relocation occurs and any subsequent taxable years.

(F) Projects that consist solely of point-of-final-purchase retail facilities are not eligible for a tax credit under this section. If a project consists of both point-of-final-purchase retail facilities and nonretail facilities, only the portion of the project consisting of the nonretail facilities is eligible for a tax credit and only the new income tax revenue from new employees of the nonretail facilities shall be considered when computing the amount of the tax credit. If a warehouse facility is part of a point-of-final-purchase retail facility and supplies only that facility, the warehouse facility is not eligible for a tax credit. Catalog distribution centers are not considered

point-of-final-purchase retail facilities for the purposes of this 3195  
division, and are eligible for tax credits under this section. 3196

(G) Financial statements and other information submitted to 3197  
the department of development or the tax credit authority by an 3198

request of the tax commissioner, the chairperson of the authority 3206  
shall provide to the commissioner any statement or information 3207  
submitted by an applicant or recipient of a tax credit in 3208  
connection with the credit. The commissioner shall preserve the 3209  
confidentiality of the statement or information. 3210

(H) A taxpayer claiming a credit under this section shall 3211  
submit to the tax commissioner a copy of the director of 3212  
development's certificate of verification under division (D)(7) of 3213  
this section for the taxable year. However, failure to submit a 3214  
copy of the certificate does not invalidate a claim for a credit. 3215

(I) The director of development, after consultation with the 3216  
tax commissioner and in accordance with Chapter 119. of the 3217  
Revised Code, shall adopt rules necessary to implement this 3218  
section. The rules may provide for recipients of tax credits under 3219  
this section to be charged fees to cover administrative costs of 3220  
the tax credit program. At the time the director gives public 3221  
notice under division (A) of section 119.03 of the Revised Code of 3222  
the adoption of the rules, the director shall submit copies of the 3223  
proposed rules to the chairpersons of the standing committees on 3224  
economic development in the senate and the house of 3225  
representatives. 3226

(J) For the purposes of this section, a taxpayer may include 3227  
a partnership, a corporation that has made an election under 3228  
subchapter S of chapter one of subtitle A of the Internal Revenue 3229  
Code, or any other business entity through which income flows as a 3230  
distributive share to its owners. A credit received under this 3231  
section by a partnership, S-corporation, or other such business 3232  
entity shall be apportioned among the persons to whom the income 3233  
or profit of the partnership, S-corporation, or other entity is 3234  
distributed, in the same proportions as those in which the income 3235  
or profit is distributed. 3236

(K) If the director of development determines that a taxpayer 3237  
who has received a credit under this section is not complying with 3238  
the requirement under division (D)(3) of this section, the 3239  
director shall notify the tax credit authority of the 3240  
noncompliance. After receiving such a notice, and after giving the 3241  
taxpayer an opportunity to explain the noncompliance, the tax 3242  
credit authority may require the taxpayer to refund to this state 3243  
a portion of the credit in accordance with the following: 3244

(1) If the taxpayer maintained operations at the project 3245  
location for at least one and one-half times the number of years 3246  
of the term of the tax credit, an amount not exceeding twenty-five 3247  
per cent of the sum of any previously allowed credits under this 3248  
section; 3249

(2) If the taxpayer maintained operations at the project 3250  
location for at least the number of years of the term of the tax 3251  
credit, an amount not exceeding fifty per cent of the sum of any 3252  
previously allowed credits under this section; 3253

(3) If the taxpayer maintained operations at the project 3254  
location for less than the number of years of the term of the tax 3255  
credit, an amount not exceeding one hundred per cent of the sum of 3256  
any previously allowed credits under this section. 3257

In determining the portion of the tax credit to be refunded 3258  
to this state, the tax credit authority shall consider the effect 3259  
of market conditions on the taxpayer's project and whether the 3260  
taxpayer continues to maintain other operations in this state. 3261  
After making the determination, the authority shall certify the 3262  
amount to be refunded to the tax commissioner. The commissioner 3263  
shall make an assessment for that amount against the taxpayer 3264  
under Chapter 5733. or 5747. of the Revised Code. The time 3265  
limitations on assessments under Chapter 5733. or 5747. of the 3266  
Revised Code do not apply to an assessment under this division, 3267  
but the commissioner shall make the assessment within one year 3268  
after the date the authority certifies to the commissioner the 3269  
amount to be refunded. 3270

(L) On or before the thirty-first day of March each year, the 3271  
director of development shall submit a report to the governor, the 3272  
president of the senate, and the speaker of the house of 3273  
representatives on the tax credit program under this section. The 3274  
report shall include information on the number of agreements that 3275  
were entered into under this section during the preceding calendar 3276  
year, a description of the project that is the subject of each 3277  
such agreement, and an update on the status of projects under 3278  
agreements entered into before the preceding calendar year. 3279

During the fifth year of the tax credit program, the director 3280  
of development in conjunction with the director of budget and 3281  
management shall conduct an evaluation of it. The evaluation shall 3282  
include assessments of the effectiveness of the program in 3283  
creating new jobs in this state and of the revenue impact of the 3284  
program, and may include a review of the practices and experiences 3285  
of other states with similar programs. The director of development 3286  
shall submit a report on the evaluation to the governor, the 3287  
president of the senate, and the speaker of the house of 3288  
representatives on or before January 1, 1998. 3289

(M) There is hereby created the tax credit authority, which 3290  
consists of the director of development and four other members 3291  
appointed as follows: the governor, the president of the senate, 3292  
and the speaker of the house of representatives each shall appoint 3293  
one member who shall be a specialist in economic development; the 3294  
governor also shall appoint a member who is a specialist in 3295  
taxation. Of the initial appointees, the members appointed by the 3296  
governor shall serve a term of two years; the members appointed by 3297

representatives shall serve a term of four years. Thereafter, 3299  
terms of office shall be for four years. Initial appointments to 3300  
the authority shall be made within thirty days after January 13, 3301  
1993. Each member shall serve on the authority until the end of 3302  
the term for which the member was appointed. Vacancies shall be 3303  
filled in the same manner provided for original appointments. Any 3304  
member appointed to fill a vacancy occurring prior to the 3305  
expiration of the term for which the member's predecessor was 3306  
appointed shall hold office for the remainder of that term. 3307  
Members may be reappointed to the authority. Members of the 3308  
authority shall receive their necessary and actual expenses while 3309  
engaged in the business of the authority. The director of 3310  
development shall serve as chairperson of the authority, and the 3311  
members annually shall elect a vice-chairperson from among 3312  
themselves. Three members of the authority constitute a quorum to 3313

(7) A requirement that the director of development annually 3513  
review the annual reports of the taxpayer to verify the 3514  
information reported under division (E)(6) of this section and 3515  
compliance with the agreement. Upon verification, the director 3516  
shall issue a certificate to the taxpayer stating that the 3517  
information has been verified and identifying the amount of the 3518  
credit for the taxable year. The Unless otherwise specified by the 3519  
tax credit authority in a resolution and included as part of the 3520  
agreement, the director shall not issue a certificate for any year 3521  
in which the total number of filled full-time employment positions 3522  
for each day of the calendar year divided by three hundred 3523  
sixty-five is less than ninety per cent of the full-time 3524  
employment positions specified in division (E)(5) of this section. 3525  
In determining the number of full-time employment positions, no 3526  
position shall be counted that is filled by an employee who is 3527  
included in the calculation of a tax credit under section 122.17 3528  
of the Revised Code. 3529

(8)(a) A provision requiring that the taxpayer, except as 3530  
otherwise provided in division (E)(8)(b) of this section, shall 3531  
not relocate employment positions from elsewhere in this state to 3532  
the project site that is the subject of the agreement for the 3533  
lesser of five years from the date the agreement is entered into 3534  
or the number of years the taxpayer is entitled to claim the 3535  
credit. 3536

(b) The taxpayer may relocate employment positions from 3537  
elsewhere in this state to the project site that is the subject of 3538

the agreement if the director of development determines both of 3539  
the following: 3540

(i) That the site from which the employment positions would 3541  
be relocated is inadequate to meet market and industry conditions, 3542  
expansion plans, consolidation plans, or other business 3543  
considerations affecting the taxpayer; 3544

(ii) That the legislative authority of the county, township, 3545  
or municipal corporation from which the employment positions would 3546  
be relocated has been notified of the relocation. 3547

For purposes of this section, the movement of an employment 3548  
position from one political subdivision to another political 3549  
subdivision shall be considered a relocation of an employment 3550  
position unless the movement is confined to the project site. The 3551  
transfer of an individual employee from one political subdivision 3552  
to another political subdivision shall not be considered a 3553  
relocation of an employment position as long as the individual's 3554  
employment position in the first political subdivision is 3555  
refilled. 3556

(9) A waiver by the taxpayer of any limitations periods 3557  
relating to assessments or adjustments resulting from the 3558  
taxpayer's failure to comply with the agreement. 3559

(F) If a taxpayer fails to meet or comply with any condition 3560  
or requirement set forth in a tax credit agreement, the tax credit 3561  
authority may amend the agreement to reduce the percentage or term 3562  
of the credit. The reduction of the percentage or term shall take 3563  
effect in the taxable year immediately following the taxable year 3564  
in which the authority amends the agreement. If the taxpayer 3565  
relocates employment positions in violation of the provision 3566  
required under division (D)(8)(a) of this section, the taxpayer 3567  
shall not claim the tax credit under section 5733.0610 of the 3568  
Revised Code for any tax years following the calendar year in 3569

which the relocation occurs, or shall not claim the tax credit 3570  
under section 5747.058 of the Revised Code for the taxable year in 3571  
which the relocation occurs and any subsequent taxable years. 3572

(G) Financial statements and other information submitted to 3573  
the department of development or the tax credit authority by an 3574  
applicant for or recipient of a tax credit under this section, and 3575  
any information taken for any purpose from such statements or 3576  
information, are not public records subject to section 149.43 of 3577  
the Revised Code. However, the chairperson of the authority may 3578  
make use of the statements and other information for purposes of 3579  
issuing public reports or in connection with court proceedings 3580  
concerning tax credit agreements under this section. Upon the 3581  
request of the tax commissioner, the chairperson of the authority 3582  
shall provide to the commissioner any statement or other 3583  
information submitted by an applicant for or recipient of a tax 3584  
credit in connection with the credit. The commissioner shall 3585  
preserve the confidentiality of the statement or other 3586  
information. 3587

(H) A taxpayer claiming a tax credit under this section shall 3588  
submit to the tax commissioner a copy of the director of 3589  
development's certificate of verification under division (E)(7) of 3590  
this section for the taxable year. However, failure to submit a 3591  
copy of the certificate does not invalidate a claim for a credit. 3592

(I) For the purposes of this section, a taxpayer may include 3593  
a partnership, a corporation that has made an election under 3594  
subchapter S of chapter one of subtitle A of the Internal Revenue 3595  
Code, or any other business entity through which income flows as a 3596  
distributive share to its owners. A tax credit received under this 3597  
section by a partnership, S-corporation, or other such business 3598  
entity shall be apportioned among the persons to whom the income 3599  
or profit of the partnership, S-corporation, or other entity is 3600  
distributed, in the same proportions as those in which the income 3601

or profit is distributed. 3602

(J) If the director of development determines that a taxpayer 3603  
that received a tax credit under this section is not complying 3604  
with the requirement under division (E)(4) of this section, the 3605  
director shall notify the tax credit authority of the 3606  
noncompliance. After receiving such a notice, and after giving the 3607  
taxpayer an opportunity to explain the noncompliance, the 3608  
authority may terminate the agreement and require the taxpayer to 3609  
refund to the state all or a portion of the credit claimed in 3610  
previous years, as follows: 3611

(1) If the taxpayer maintained operations at the project site 3612  
for less than the term of the credit, the amount required to be 3613  
refunded shall not exceed the amount of any tax credits previously 3614  
allowed and received under this section. 3615

(2) If the taxpayer maintained operations at the project site 3616  
longer than the term of the credit but less than one and one-half 3617  
times the term of the credit, the amount required to be refunded 3618  
shall not exceed fifty per cent of the sum of any tax credits 3619  
previously allowed and received under this section. 3620

(3) If the taxpayer maintained operations at the project site 3621  
for at least one and one-half times the term of the credit but 3622  
less than twice the term of the credit, the amount required to be 3623  
refunded shall not exceed twenty-five per cent of the sum of any 3624  
tax credits previously allowed and received under this section. 3625

In determining the portion of the credit to be refunded to 3626  
this state, the authority shall consider the effect of market 3627  
conditions on the taxpayer's project and whether the taxpayer 3628  
continues to maintain other operations in this state. After making 3629  
the determination, the authority shall certify the amount to be 3630  
refunded to the tax commissioner. The commissioner shall make an 3631  
assessment for that amount against the taxpayer under Chapter 3632

5733. or 5747. of the Revised Code. The time limitations on 3633  
assessments under Chapter 5733. or 5747. of the Revised Code do 3634  
not apply to an assessment under this division, but the 3635  
commissioner shall make the assessment within one year after the 3636  
date the authority certifies to the commissioner the amount to be 3637  
refunded. 3638

If the director of development determines that a taxpayer 3639  
that received a tax credit under this section has reduced the 3640  
number of employees agreed to under division (E)(5) of this 3641  
section by more than ten per cent, the director shall notify the 3642  
tax credit authority of the noncompliance. After receiving such 3643  
notice, and after providing the taxpayer an opportunity to explain 3644  
the noncompliance, the authority may amend the agreement to reduce 3645  
the percentage or term of the tax credit. The reduction in the 3646  
percentage or term shall take effect in the taxable year in which 3647  
the authority amends the agreement. 3648

(K) The director of development, after consultation with the 3649  
tax commissioner and in accordance with Chapter 119. of the 3650  
Revised Code, shall adopt rules necessary to implement this 3651  
section. The rules may provide for recipients of tax credits under 3652  
this section to be charged fees to cover administrative costs of 3653  
the tax credit program. At the time the director gives public 3654  
notice under division (A) of section 119.03 of the Revised Code of 3655  
the adoption of the rules, the director shall submit copies of the 3656  
proposed rules to the chairpersons of the standing committees on 3657  
economic development in the senate and the house of 3658  
representatives. 3659

(L) On or before the thirty-first day of March of each year, 3660  
the director of development shall submit a report to the governor, 3661  
the president of the senate, and the speaker of the house of 3662  
representatives on the tax credit program under this section. The 3663  
report shall include information on the number of agreements that 3664

were entered into under this section during the preceding calendar year, a description of the project that is the subject of each such agreement, and an update on the status of projects under agreements entered into before the preceding calendar year.

(M)(1) A nonrefundable credit shall be allowed to an applicable corporation and its related members in an amount equal to the applicable difference. The credit is in addition to the credit granted to the corporation or related members under division (B) of this section. The credit is subject to divisions (B) to (E) and division (J) of this section.

(2) A person qualifying as an applicable corporation under this section for a tax year does not necessarily qualify as an applicable corporation for any other tax year. No person is entitled to the credit allowed under division (M) of this section for the tax year immediately following the taxable year during which the person fails to meet the requirements in divisions (A)(6)(a)(i) and (A)(6)(b) of this section. No person is entitled to the credit allowed under division (M) of this section for any tax year for which the person is not eligible for the credit provided under division (B) of this section.

**Sec. 122.25.** (A) In administering the program established under section 122.24 of the Revised Code, the director of development shall do all of the following:

(1) Annually designate, by the first day of January of each year, the entities that constitute the eligible areas in this state as defined in section 122.23 of the Revised Code;

(2) Inform local governments and others in the state of the availability of the program and financial assistance established under sections 122.23 to 122.27 of the Revised Code;

senate and the house of representatives by the thirtieth day of 3696  
June of each year on the activities carried out under the program 3697  
during the preceding calendar year. The report shall include the 3698  
number of loans made that year and the amount and recipient of 3699  
each loan. 3700

(4) Work in conjunction with conventional lending 3701  
institutions, local revolving loan funds, private investors, and 3702  
other private and public financing sources to provide loans or 3703  
loan guarantees to eligible applicants; 3704

(5) Establish fees, charges, interest rates, payment 3705  
schedules, local match requirements, and other terms and 3706  
conditions for loans and loan guarantees provided under the loan 3707  
program created by section 122.24 of the Revised Code; 3708

(6) Require each applicant to demonstrate the suitability of 3709  
any site for the assistance sought; that the site has been 3710  
surveyed, has adequate or available utilities, and that there are 3711  
no zoning restrictions, environmental regulations, or other 3712  
matters impairing the use of the site for the purpose intended; 3713

(7) Require each applicant to provide a marketing plan and 3714  
management strategy for the project; 3715

(8) Adopt rules in accordance with Chapter 119. of the 3716  
Revised Code establishing all of the following: 3717

(a) Forms and procedures by which eligible applicants may 3718  
apply for assistance; 3719

(b) Criteria for reviewing, evaluating, and ranking 3720  
applications, and for approving applications that best serve the 3721  
goals of the program; 3722

(c) Reporting requirements and monitoring procedures; 3723

(d) Guidelines regarding situations in which industrial parks 3724

would be considered to compete against one another for the 3725  
purposes of division (B)(2) of section 122.27 of the Revised Code; 3726

(e) Any other rules necessary to implement and administer the 3727  
program created by section 122.24 of the Revised Code. 3728

(B) The director may adopt rules in accordance with Chapter 3729  
119. of the Revised Code establishing requirements governing the 3730  
use of any industrial park site receiving assistance under section 3731  
122.24 of the Revised Code, such that a certain portion of the 3732  
site must be used for manufacturing, distribution, high 3733  
technology, research and development, or other businesses wherein 3734  
a majority of the product or service produced is exported out of 3735  
the state. 3736

(C) As a condition to receiving assistance under section 3737  
122.24 of the Revised Code, and except as provided in division (D) 3738  
of this section, an applicant must agree, for a period of five 3739  
years, not to permit the use of a site that is developed or 3740  
improved with such assistance to cause the relocation of jobs to 3741  
that site from elsewhere in Ohio. 3742

(D) A site developed or improved with assistance under 3743  
section 122.24 of the Revised Code may be the site of jobs 3744  
relocated from elsewhere in Ohio if the director of development 3745  
does all of the following: 3746

(1) Makes a written determination that the site from which 3747  
the jobs would be relocated is inadequate to meet market or 3748  
industry conditions, expansion plans, consolidation plans, or 3749  
other business considerations affecting the relocating employer; 3750

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 4618  
4619

(C) Part-time employees shall be compensated on an hourly basis for time worked, at the rates shown in division (A) of this section or in section 124.152 of the Revised Code. 4620  
4621  
4622

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee, the actual costs or fair market value of the personal services shall 4623  
4624  
4625  
4626  
4627  
4628

be paid by the employee in such amounts and manner as determined 4629  
by the director of administrative services and approved by the 4630  
director of budget and management, and those personal services 4631  
shall not be considered as a part of the employee's compensation. 4632  
An appointing authority, with the approval of the director of 4633  
administrative services and the director of budget and management, 4634  
may establish payments to employees for uniforms, tools, 4635  
equipment, and other requirements of the department and payments 4636  
for the maintenance of them. 4637

The director of administrative services may review collective 4638  
bargaining agreements entered into under Chapter 4117. of the 4639  
Revised Code that cover state employees and determine whether 4640  
certain benefits or payments provided to state employees covered 4641  
by those agreements should also be provided to employees who are 4642  
exempt from collective bargaining coverage and are paid in 4643  
accordance with section 124.152 of the Revised Code or are listed 4644  
in division (B)(2) or (4) of section 124.14 of the Revised Code. 4645  
On completing the review, the director of administrative services, 4646  
with the approval of the director of budget and management, may 4647  
provide to some or all of these employees any payment or benefit, 4648  
except for salary, contained in such a collective bargaining 4649  
agreement even if it is similar to a payment or benefit already 4650  
provided by law to some or all of these employees. Any payment or 4651  
benefit so provided shall not exceed the highest level for that 4652  
payment or benefit specified in such a collective bargaining 4653  
agreement. The director of administrative services shall not 4654  
provide, and the director of budget and management shall not 4655  
approve, any payment or benefit to such an employee under this 4656  
division unless the payment or benefit is provided pursuant to a 4657  
collective bargaining agreement to a state employee who is in a 4658  
position with similar duties as, is supervised by, or is employed 4659  
by the same appointing authority as, the employee to whom the 4660  
benefit or payment is to be provided. 4661

As used in this division, "payment or benefit already 4662  
provided by law" includes, but is not limited to, bereavement, 4663  
personal, vacation, administrative, and sick leave, disability 4664  
benefits, holiday pay, and pay supplements provided under the 4665  
Revised Code, but does not include wages or salary. 4666

(E) New employees paid under schedule B of division (A) of 4667  
this section or under schedule E-1 of section 124.152 of the 4668  
Revised Code shall be employed at the minimum rate established for 4669  
the range unless otherwise provided. Employees with qualifications 4670  
that are beyond the minimum normally required for the position and 4671  
that are determined by the director to be exceptional may be 4672  
employed in, or may be transferred or promoted to, a position at 4673  
an advanced step of the range. Further, in time of a serious labor 4674  
market condition when it is relatively impossible to recruit 4675  
employees at the minimum rate for a particular classification, the 4676  
entrance rate may be set at an advanced step in the range by the 4677  
director of administrative services. This rate may be limited to 4678  
geographical regions of the state. Appointments made to an 4679  
advanced step under the provision regarding exceptional 4680  
qualifications shall not affect the step assignment of employees 4681  
already serving. However, anytime the hiring rate of an entire 4682  
classification is advanced to a higher step, all incumbents of 4683  
that classification being paid at a step lower than that being 4684  
used for hiring, shall be advanced beginning at the start of the 4685  
first pay period thereafter to the new hiring rate, and any time 4686  
accrued at the lower step will be used to calculate advancement to 4687  
a succeeding step. If the hiring rate of a classification is 4688  
increased for only a geographical region of the state, only 4689  
incumbents who work in that geographical region shall be advanced 4690  
to a higher step. When an employee in the unclassified service 4691  
changes from one state position to another or is appointed to a 4692  
position in the classified service, or if an employee in the 4693  
classified service is appointed to a position in the unclassified 4694

service, the employee's salary or wage in the new position shall 4695  
be determined in the same manner as if the employee were an 4696  
employee in the classified service. When an employee in the 4697  
unclassified service who is not eligible for step increases is 4698  
appointed to a classification in the classified service under 4699  
which step increases are provided, future step increases shall be 4700  
based on the date on which the employee last received a pay 4701  
increase. If the employee has not received an increase during the 4702  
previous year, the date of the appointment to the classified 4703  
service shall be used to determine the employee's annual step 4704  
advancement eligibility date. In reassigning any employee to a 4705  
classification resulting in a pay range increase or to a new pay 4706  
range as a result of a promotion, an increase pay range 4707  
adjustment, or other classification change resulting in a pay 4708  
range increase, the director shall assign such employee to the 4709  
step in the new pay range that will provide an increase of 4710  
approximately four per cent if the new pay range can accommodate 4711  
the increase. When an employee is being assigned to a 4712  
classification or new pay range as the result of a class plan 4713  
change, if the employee has completed a probationary period, the 4714  
employee shall be placed in a step no lower than step two of the 4715  
new pay range. If the employee has not completed a probationary 4716  
period, the employee may be placed in step one of the new pay 4717  
range. Such new salary or wage shall become effective on such date 4718  
as the director determines. 4719

(F) If employment conditions and the urgency of the work 4720  
require such action, the director of administrative services may, 4721  
upon the application of a department head, authorize payment at 4722  
any rate established within the range for the class of work, for 4723  
work of a casual or intermittent nature or on a project basis. 4724  
Payment at such rates shall not be made to the same individual for 4725  
more than three calendar months in any one calendar year. Any such 4726  
action shall be subject to the approval of the director of budget 4727

and management as to the availability of funds. This section and 4728  
sections 124.14 and 124.152 of the Revised Code do not repeal any 4729  
authority of any department or public official to contract with or 4730  
fix the compensation of professional persons who may be employed 4731  
temporarily for work of a casual nature or for work on a project 4732  
basis. 4733

(G) ~~Each~~ (1) Except as provided in division (G)(2) of this 4734  
section, each state employee paid under schedule B of this section 4735  
or under schedule E-1 of section 124.152 of the Revised Code shall 4736  
be eligible for advancement to succeeding steps in the range for 4737  
the employee's class according to the schedule established in this 4738  
division. Beginning on the first day of the pay period within 4739  
which the employee completes the prescribed probationary period in 4740  
the employee's classification with the state, each employee shall 4741  
receive an automatic salary adjustment equivalent to the next 4742  
higher step within the pay range for the employee's class or 4743  
grade. 4744

Each employee paid under schedule E-1 of section 124.152 of 4745  
the Revised Code shall be eligible to advance to the next higher 4746  
step until the employee reaches step six, if the employee has 4747  
maintained satisfactory performance in accordance with criteria 4748  
established by the employee's appointing authority. Those step 4749  
~~increases~~ advancements shall not occur more frequently than once 4750  
in any twelve-month period. An employee only may advance to step 4751  
seven upon performing at an exemplary level as determined in the 4752  
employee's performance evaluation. An employee's advancement to 4753  
step seven is at the discretion of the employee's appointing 4754  
authority. An employee may not appeal the denial of advancement to 4755  
step seven to the state personnel board of review. 4756

When an employee is promoted or reassigned to a higher pay 4757  
range, the employee's step indicator shall return to "0" or be 4758  
adjusted to account for a probationary period, as appropriate. 4759

Step advancement shall not be affected by demotion. A promoted 4760  
employee shall advance to the next higher step of the pay range on 4761  
the first day of the pay period in which the required probationary 4762  
period is completed. Step advancement shall become effective at 4763  
the beginning of the pay period within which the employee attains 4764  
the necessary length of service. Time spent on authorized leave of 4765  
absence shall be counted for this purpose. 4766

If determined to be in the best interest of the state 4767  
service, the director of administrative services may, either 4768  
statewide or in selected agencies, adjust the dates on which 4769  
annual step ~~increases~~ advancements are received by employees paid 4770  
under schedule E-1 of section 124.152 of the Revised Code. 4771

(2)(a)(i) Except as provided in division (G)(2)(a)(ii) of 4772  
this section, there shall be a moratorium on step advancements 4773  
under division (G)(1) of this section from the pay period 4774  
beginning June 29, 2003, through the pay period ending June 25, 4775  
2005. Step advancements shall resume with the pay period beginning 4776  
June 26, 2005. Upon the resumption of step advancements, there 4777  
shall be no retroactive step advancements for the period the 4778  
moratorium was in effect. The moratorium shall not affect an 4779  
employee's performance evaluation schedule. 4780

(ii) During the moratorium under division (G)(2)(a)(i) of 4781  
this section, an employee who is hired or promoted and serves a 4782  
probationary period in the employee's new position shall advance 4783  
to the next step in the employee's pay range upon successful 4784  
completion of the employee's probationary period. Thereafter, the 4785  
employee is subject to the moratorium. 4786

(b) The moratorium under division (G)(2)(a)(i) of this 4787  
section shall apply to the employees of the secretary of state, 4788  
the auditor of state, the treasurer of state, and the attorney 4789  
general, who are subject to this section unless the secretary of 4790  
state, the auditor of state, the treasurer of state, or the 4791

attorney general decides to exempt the office's employees from the 4792  
moratorium and so notifies the director of administrative services 4793  
in writing on or before July 1, 2003. 4794

(H) Employees in appointive managerial or professional 4795  
positions paid under salary schedule C of this section or under 4796  
salary schedule E-2 of section 124.152 of the Revised Code may be 4797  
appointed at any rate within the appropriate pay range. This rate 4798  
of pay may be adjusted higher or lower within the respective pay 4799  
range at any time the appointing authority so desires as long as 4800  
the adjustment is based on the employee's ability to successfully 4801  
administer those duties assigned to the employee. Salary 4802  
adjustments shall not be made more frequently than once in any 4803  
six-month period under this provision to incumbents holding the 4804  
same position and classification. 4805

(I) When an employee is assigned to duty outside this state, 4806  
the employee may be compensated, upon request of the department 4807  
head and with the approval of the director of administrative 4808  
services, at a rate not to exceed fifty per cent in excess of the 4809  
employee's current base rate for the period of time spent on that 4810  
duty. 4811

(J) Unless compensation for members of a board or commission 4812  
is otherwise specifically provided by law, the director of 4813  
administrative services shall establish the rate and method of 4814  
payment for members of boards and commissions pursuant to the pay 4815  
schedules listed in section 124.152 of the Revised Code. 4816

(K) Regular full-time employees in positions assigned to 4817  
classes within the instruction and education administration series 4818  
under the rules of the director of administrative services, except 4819  
certificated employees on the instructional staff of the state 4820  
school for the blind or the state school for the deaf, whose 4821  
positions are scheduled to work on the basis of an academic year 4822  
rather than a full calendar year, shall be paid according to the 4823

pay range assigned by such rules but only during those pay periods 4824  
included in the academic year of the school where the employee is 4825  
located. 4826

(1) Part-time or substitute teachers or those whose period of 4827  
employment is other than the full academic year shall be 4828  
compensated for the actual time worked at the rate established by 4829  
this section. 4830

(2) Employees governed by this division are exempt from 4831  
sections 124.13 and 124.19 of the Revised Code. 4832

(3) Length of service for the purpose of determining 4833  
eligibility for step ~~increases~~ advancements as provided by 4834  
division (G) of this section and for the purpose of determining 4835  
eligibility for longevity pay supplements as provided by division 4836  
(~~F~~)(E) of section 124.181 of the Revised Code shall be computed on 4837  
the basis of one full year of service for the completion of each 4838  
academic year. 4839

(L) The superintendent of the state school for the deaf and 4840  
the superintendent of the state school for the blind shall, 4841  
subject to the approval of the superintendent of public 4842  
instruction, carry out both of the following: 4843

(1) Annually, between the first day of April and the last day 4844  
of June, establish for the ensuing fiscal year a schedule of 4845  
hourly rates for the compensation of each certificated employee on 4846  
the instructional staff of that superintendent's respective school 4847  
constructed as follows: 4848

(a) Determine for each level of training, experience, and 4849  
other professional qualification for which an hourly rate is set 4850  
forth in the current schedule, the per cent that rate is of the 4851  
rate set forth in such schedule for a teacher with a bachelor's 4852  
degree and no experience. If there is more than one such rate for 4853  
such a teacher, the lowest rate shall be used to make the 4854

computation. 4855

(b) Determine which six city, local, and exempted village 4856  
school districts with territory in Franklin county have in effect 4857  
on, or have adopted by, the first day of April for the school year 4858  
that begins on the ensuing first day of July, teacher salary 4859  
schedules with the highest minimum salaries for a teacher with a 4860  
bachelor's degree and no experience; 4861

(c) Divide the sum of such six highest minimum salaries by 4862  
ten thousand five hundred sixty; 4863

(d) Multiply each per cent determined in division (L)(1)(a) 4864  
of this section by the quotient obtained in division (L)(1)(c) of 4865  
this section; 4866

(e) One hundred five per cent of each product thus obtained 4867  
shall be the hourly rate for the corresponding level of training, 4868  
experience, or other professional qualification in the schedule 4869  
for the ensuing fiscal year. 4870

(2) Annually, assign each certificated employee on the 4871  
instructional staff of the superintendent's respective school to 4872  
an hourly rate on the schedule that is commensurate with the 4873  
employee's training, experience, and other professional 4874  
qualifications. 4875

If an employee is employed on the basis of an academic year, 4876  
the employee's annual salary shall be calculated by multiplying 4877  
the employee's assigned hourly rate times one thousand seven 4878  
hundred sixty. If an employee is not employed on the basis of an 4879  
academic year, the employee's annual salary shall be calculated in 4880  
accordance with the following formula: 4881

(a) Multiply the number of days the employee is required to 4882  
work pursuant to the employee's contract by eight; 4883

(b) Multiply the product of division (L)(2)(a) of this 4884

section by the employee's assigned hourly rate. 4885

Each employee shall be paid an annual salary in biweekly 4886  
installments. The amount of each installment shall be calculated 4887  
by dividing the employee's annual salary by the number of biweekly 4888  
installments to be paid during the year. 4889

Sections 124.13 and 124.19 of the Revised Code do not apply 4890  
to an employee who is paid under this division. 4891

As used in this division, "academic year" means the number of 4892  
days in each school year that the schools are required to be open 4893  
for instruction with pupils in attendance. Upon completing an 4894  
academic year, an employee paid under this division shall be 4895  
deemed to have completed one year of service. An employee paid 4896  
under this division is eligible to receive a pay supplement under 4897  
division (L)(1), (2), or (3) of section 124.181 of the Revised 4898  
Code for which the employee qualifies, but is not eligible to 4899  
receive a pay supplement under division (L)(4) or (5) of that 4900  
section. An employee paid under this division is eligible to 4901  
receive a pay supplement under division (L)(6) of section 124.181 4902  
of the Revised Code for which the employee qualifies, except that 4903  
the supplement is not limited to a maximum of five per cent of the 4904  
employee's regular base salary in a calendar year. 4905

(M) Division (A) of this section does not apply to "exempt 4906  
employees," as defined in section 124.152 of the Revised Code, who 4907  
are paid under that section. 4908

Notwithstanding any other provisions of this chapter, when an 4909  
employee transfers between bargaining units or transfers out of or 4910  
into a bargaining unit, the director shall establish the 4911  
employee's compensation and adjust the maximum leave accrual 4912  
schedule as the director deems equitable. 4913

**Sec. 124.152.** (A) ~~Beginning on the first day of the pay~~ 4914

(C) As used in this section, "exempt employee" means a 5167  
 permanent full-time or permanent part-time employee paid directly 5168  
 by warrant of the auditor of state whose position is included in 5169  
 the job classification plan established under division (A) of 5170  
 section 124.14 of the Revised Code but who is not considered a 5171  
 public employee for the purposes of Chapter 4117. of the Revised 5172  
 Code. As used in this section, "exempt employee" also includes a 5173  
 permanent full-time or permanent part-time employee of the 5174

secretary of state, auditor of state, treasurer of state, or 5175  
attorney general who has not been placed in an appropriate 5176  
bargaining unit by the state employment relations board. 5177

**Sec. 124.181.** (A) Except as provided in division (M) of this 5178  
section, any employee paid under schedule B of section 124.15 or 5179  
under schedule E-1 of section 124.152 of the Revised Code is 5180  
eligible for the pay supplements provided in this section upon 5181  
application by the appointing authority substantiating the 5182  
employee's qualifications for the supplement and with the approval 5183  
of the director of administrative services except as provided in 5184  
division (E) of this section. 5185

(B) ~~In~~ Except as provided in section 124.183 of the Revised 5186  
Code, in computing any of the pay supplements provided in this 5187  
section, the classification salary base shall be the minimum 5188  
hourly rate of the pay range, provided in section 124.15 or 5189  
124.152 of the Revised Code, in which the employee is assigned at 5190  
the time of computation. 5191

(C) The effective date of any pay supplement, except as 5192  
provided in section 124.183 of the Revised Code or unless 5193  
otherwise provided in this section, shall be determined by the 5194  
director. 5195

(D) The director shall, by rule, establish standards 5196  
regarding the administration of this section. 5197

(E)(1) Except as otherwise provided in this division, 5198  
beginning on the first day of the pay period within which the 5199  
employee completes five years of total service with the state 5200  
government or any of its political subdivisions, each employee in 5201  
positions paid under salary schedule B of section 124.15 or under 5202  
salary schedule E-1 of section 124.152 of the Revised Code shall 5203  
receive an automatic salary adjustment equivalent to two and 5204  
one-half per cent of the classification salary base, to the 5205

nearest whole cent. Each employee shall receive thereafter an 5206  
annual adjustment equivalent to one-half of one per cent of the 5207  
employee's classification salary base, to the nearest whole cent, 5208  
for each additional year of qualified employment until a maximum 5209  
of ten per cent of the employee's classification salary base is 5210  
reached. The granting of longevity adjustments shall not be 5211  
affected by promotion, demotion, or other changes in 5212  
classification held by the employee, nor by any change in pay 5213  
range for the employee's class. Longevity pay adjustments shall 5214  
become effective at the beginning of the pay period within which 5215  
the employee completes the necessary length of service, except 5216  
that when an employee requests credit for prior service, the 5217  
effective date of the prior service credit and of any longevity 5218  
adjustment shall be the first day of the pay period following 5219  
approval of the credit by the director of administrative services. 5220  
No employee, other than an employee who submits proof of prior 5221  
service within ninety days after the date of the employee's 5222  
hiring, shall receive any longevity adjustment for the period 5223  
prior to the director's approval of a prior service credit. Time 5224  
spent on authorized leave of absence shall be counted for this 5225  
purpose. 5226

(2) An employee who has retired in accordance with the 5227  
provisions of any retirement system offered by the state and who 5228  
is employed by the state or any political subdivision of the state 5229  
on or after June 24, 1987, shall not have prior service with the 5230  
state or any political subdivision of the state counted for the 5231  
purpose of determining the amount of the salary adjustment 5232  
provided under this division. 5233

(3) There shall be a moratorium on employees' receipt under 5234  
this division of credit for service with the state government or 5235  
any of its political subdivisions during the period from July 1, 5236  
2003, through June 30, 2005. In calculating the number of years of 5237

total service under this division, no credit shall be included for 5238  
service during the moratorium. The moratorium shall apply to the 5239  
employees of the secretary of state, the auditor of state, the 5240  
treasurer of state, and the attorney general, who are subject to 5241  
this section unless the secretary of state, the auditor of state, 5242  
the treasurer of state, or the attorney general decides to exempt 5243  
the office's employees from the moratorium and so notifies the 5244  
director of administrative services in writing on or before July 5245  
1, 2003. 5246

If an employee is exempt from the moratorium, receives credit 5247  
for a period of service during the moratorium, and takes a 5248  
position with another entity in the state government or any of its 5249  
political subdivisions, either during or after the moratorium, and 5250  
if that entity's employees are or were subject to the moratorium, 5251  
the employee shall continue to retain the credit. However, if the 5252  
moratorium is in effect upon the taking of the new position, the 5253  
employee shall cease receiving additional credit as long as the 5254  
employee is in the position, until the moratorium expires. 5255

(F) When an exceptional condition exists that creates a 5256  
temporary or a permanent hazard for one or more positions in a 5257  
class paid under schedule B of section 124.15 or under salary 5258  
schedule E-1 of section 124.152 of the Revised Code, a special 5259  
hazard salary adjustment may be granted for the time the employee 5260  
is subjected to the hazardous condition. All special hazard 5261  
conditions shall be identified for each position and incidence 5262  
from information submitted to the director on an appropriate form 5263  
provided by the director and categorized into standard conditions 5264  
of: some unusual hazard not common to the class; considerable 5265  
unusual hazard not common to the class; and exceptional hazard not 5266  
common to the class. 5267

(1) A hazardous salary adjustment of five per cent of the 5268  
employee's classification salary base may be applied in the case 5269

of some unusual hazardous condition not common to the class for 5270  
those hours worked, or a fraction thereof, while the employee was 5271  
subject to the unusual hazard condition. 5272

(2) A hazardous salary adjustment of seven and one-half per 5273  
cent of the employee's classification salary base may be applied 5274  
in the case of some considerable hazardous condition not common to 5275  
the class for those hours worked, or a fraction thereof, while the 5276  
employee was subject to the considerable hazard condition. 5277

(3) A hazardous salary adjustment of ten per cent of the 5278  
employee's classification salary base may be applied in the case 5279  
of some exceptional hazardous condition not common to the class 5280  
for those hours worked, or a fraction thereof, when the employee 5281  
was subject to the exceptional hazard condition. 5282

(4) Each claim for temporary hazard pay shall be submitted as 5283  
a separate payment and shall be subject to an administrative audit 5284  
by the director as to the extent and duration of the employee's 5285  
exposure to the hazardous condition. 5286

(G) When a full-time employee whose salary or wage is paid 5287  
directly by warrant of the auditor of state and who also is 5288  
eligible for overtime under the "Fair Labor Standards Act of 5289  
1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended, is ordered 5290  
by the appointing authority to report back to work after 5291  
termination of the employee's regular work schedule and the 5292  
employee reports, the employee shall be paid for such time. The 5293  
employee shall be entitled to four hours at the employee's total 5294  
rate of pay or overtime compensation for the actual hours worked, 5295  
whichever is greater. This division does not apply to work that is 5296  
a continuation of or immediately preceding an employee's regular 5297  
work schedule. 5298

(H) When a certain position or positions paid under schedule 5299  
B of section 124.15 or under salary schedule E-1 of section 5300

124.152 of the Revised Code require the ability to speak or write 5301  
a language other than English, a special pay supplement may be 5302  
granted to attract bilingual individuals, to encourage present 5303  
employees to become proficient in other languages, or to retain 5304  
qualified bilingual employees. The bilingual pay supplement 5305  
provided in this division may be granted in the amount of five per 5306  
cent of the employee's classification salary base for each 5307  
required foreign language and shall remain in effect as long as 5308  
the bilingual requirement exists. 5309

(I) The director may establish a shift differential for 5310  
employees. Such differential shall be paid to employees in 5311  
positions working in other than the regular or first shift. In 5312  
those divisions or agencies where only one shift prevails, no 5313  
shift differential shall be paid regardless of the hours of the 5314  
day that are worked. The director and the appointing authority 5315  
shall designate which positions shall be covered by this division. 5316

(J) Whenever an employee is assigned to work in a higher 5317  
level position for a continuous period of more than two weeks but 5318  
no more than two years because of a vacancy, the employee's pay 5319  
may be established at a rate that is approximately four per cent 5320  
above the employee's current base rate for the period the employee 5321  
occupies the position, provided that this temporary occupancy is 5322  
approved by the director. Employees paid under this division shall 5323  
continue to receive any of the pay supplements due them under 5324  
other divisions of this section based on the step one base rate 5325  
for their normal classification. 5326

(K) If a certain position, or positions, within a class paid 5327  
under schedule B of section 124.15 or under salary schedule E-1 of 5328  
section 124.152 of the Revised Code are mandated by state or 5329  
federal law or regulation or other regulatory agency or other 5330  
certification authority to have special technical certification, 5331  
registration, or licensing to perform the functions which are 5332

under the mandate, a special professional achievement pay 5333  
supplement may be granted. This special professional achievement 5334  
pay supplement shall not be granted when all incumbents in all 5335  
positions in a class require license as provided in the 5336  
classification description published by the department of 5337  
administrative services; to licensees where no special or 5338  
extensive training is required; when certification is granted upon 5339  
completion of a stipulated term of in-service training; when an 5340  
appointing authority has required certification; or any other 5341  
condition prescribed by the director. 5342

(1) Before this supplement may be applied, evidence as to the 5343  
requirement must be provided by the agency for each position 5344  
involved, and certification must be received from the director as 5345  
to the director's concurrence for each of the positions so 5346  
affected. 5347

(2) The professional achievement pay supplement provided in 5348  
this division shall be granted in an amount up to ten per cent of 5349  
the employee's classification salary base and shall remain in 5350  
effect as long as the mandate exists. 5351

(L) Those employees assigned to teaching supervisory, 5352  
principal, assistant principal, or superintendent positions who 5353  
have attained a higher educational level than a basic bachelor's 5354  
degree may receive an educational pay supplement to remain in 5355  
effect as long as the employee's assignment and classification 5356  
remain the same. 5357

(1) An educational pay supplement of two and one-half per 5358  
cent of the employee's classification salary base may be applied 5359  
upon the achievement of a bachelor's degree plus twenty quarter 5360  
hours of postgraduate work. 5361

(2) An educational pay supplement of an additional five per 5362  
cent of the employee's classification salary base may be applied 5363

upon achievement of a master's degree. 5364

(3) An educational pay supplement of an additional two and 5365  
one-half per cent of the employee's classification salary base may 5366  
be applied upon achievement of a master's degree plus thirty 5367  
quarter hours of postgraduate work. 5368

(4) An educational pay supplement of five per cent of the 5369  
employee's classification salary base may be applied when the 5370  
employee is performing as a master teacher. 5371

(5) An educational pay supplement of five per cent of the 5372  
employee's classification salary base may be applied when the 5373  
employee is performing as a special education teacher. 5374

(6) Those employees in teaching supervisory, principal, 5375  
assistant principal, or superintendent positions who are 5376  
responsible for specific extracurricular activity programs shall 5377  
receive overtime pay for those hours worked in excess of their 5378  
normal schedule, at their straight time hourly rate up to a 5379  
maximum of five per cent of their regular base salary in any 5380  
calendar year. 5381

(M)(1) A state agency, board, or commission may establish a 5382  
supplementary compensation schedule for those licensed physicians 5383  
employed by the agency, board, or commission in positions 5384  
requiring a licensed physician. The supplementary compensation 5385  
schedule, together with the compensation otherwise authorized by 5386  
this chapter, shall provide for the total compensation for these 5387  
employees to range appropriately, but not necessarily uniformly, 5388  
for each classification title requiring a licensed physician, in 5389  
accordance with a schedule approved by the state controlling 5390  
board. The individual salary levels recommended for each such 5391  
physician employed shall be approved by the director. 5392  
Notwithstanding section 124.11 of the Revised Code, such personnel 5393  
are in the unclassified civil service. 5394

(2) The director of administrative services may approve 5395  
supplementary compensation for the director of health, if the 5396  
director is a licensed physician, in accordance with a 5397  
supplementary compensation schedule approved under division (M)(1) 5398  
of this section or in accordance with another supplementary 5399  
compensation schedule the director of administrative services 5400  
considers appropriate. The supplementary compensation shall not 5401  
exceed twenty per cent of the director of health's base rate of 5402  
pay. 5403

(N) Notwithstanding sections 117.28, 117.30, 117.33, 117.36, 5404  
117.42, and 131.02 of the Revised Code, the state shall not 5405  
institute any civil action to recover and shall not seek 5406  
reimbursement for overpayments made in violation of division (E) 5407  
of this section or division (C) of section 9.44 of the Revised 5408

October 31, 1993. 5410

(O) Employees of the office of the treasurer of state who are 5411  
exempt from collective bargaining coverage may be granted a merit 5412  
pay supplement of up to one and one-half per cent of their step 5413  
rate. The rate at which this supplement is granted shall be based 5414  
on performance standards established by the treasurer of state. 5415  
Any supplements granted under this division shall be administered 5416  
on an annual basis. 5417

Sec. 124.183. (A) As used in this section, "active payroll" 5418

(B) Each permanent employee paid under schedule E-1 of 5422  
section 124.152 of the Revised Code who was appointed on or before 5423  
March 6, 2003, and is on the active payroll as of November 14, 5424  
2004, shall receive a one-time pay supplement. The supplement 5425

shall be a two per cent lump sum payment that is based on the 5426  
annualization of the top step of the pay range that the employee 5427  
is in on November 14, 2004. 5428

Each permanent employee paid under schedule E-2 of section 5429  
124.152 of the Revised Code who was appointed on or before March 5430  
6, 2003, and is on the active payroll as of November 14, 2004, 5431  
shall receive a one-time pay supplement. The supplement shall be a 5432  
two per cent lump sum payment that is based upon the annualization 5433  
of the maximum hourly rate of the pay range that the employee is 5434  
in on November 14, 2004. 5435

(C) Each permanent employee who is exempt from collective 5436  
bargaining, is not covered by division (B) of this section, was 5437  
appointed on or before March 6, 2003, and is on the active payroll 5438  
as of November 14, 2004, shall receive a one-time pay supplement. 5439  
The supplement shall be a two per cent lump sum payment that is 5440  
based upon the annualization of the base rate of the employee's 5441  
pay on November 14, 2004. 5442

(D) A part-time employee who is eligible to receive a 5443  
one-time pay supplement under division (B) or (C) of this section 5444  
shall have the employee's one-time pay supplement pro-rated based 5445  
on the number of hours worked in the twenty-six pay periods prior 5446  
to November 14, 2004. 5447

An employee who is eligible to receive a one-time pay 5448  
supplement under division (B) or (C) of this section and was on a 5449  
voluntary leave of absence shall have the employee's one-time pay 5450  
supplement pro-rated based on the number of hours worked in the 5451  
twenty-six pay periods prior to November 14, 2004. 5452

(E) A one-time pay supplement under this section shall be 5453  
paid in the employee's first paycheck in December of 2004. 5454

(F) Notwithstanding any provision of law to the contrary, a 5455  
one-time pay supplement under this section shall not be subject to 5456

withholding for deposit into any state retirement system. 5457  
Notwithstanding any provision of law to the contrary, a one-time 5458  
pay supplement under this section shall not be used for 5459

benefits in any state retirement system. 5461

(G)(1) This section does not apply to employees of the 5462  
general assembly, legislative agencies, the supreme court, or 5463  
state boards or commissions. 5464

(2) This section does not apply to employees of the secretary 5465  
of state, the auditor of state, the treasurer of state, or the 5466  
attorney general unless the secretary of state, the auditor of 5467  
state, the treasurer of state, or the attorney general decides 5468  
that the office's employees should be eligible for the one-time 5469  
pay supplement and so notifies the director of administrative 5470  
services in writing on or before July 1, 2004. 5471

**Sec. 125.05.** Except as provided in division (E) of this 5472  
section, no state agency shall purchase any supplies or services 5473  
except as provided in divisions (A) to (C) of this section. 5474

(A) Subject to division (D) of this section, a state agency 5475  
may, without competitive selection, make any purchase of services 5476  
that cost fifty thousand dollars or less or any purchase of 5477  
supplies that cost twenty-five thousand dollars or less. The 5478  
agency may make the purchase directly or may make the purchase 5479  
from or through the department of administrative services, 5480  
whichever the agency determines. The department shall establish 5481

association of mayors and city managers, the approval of that 8586  
association of an agreement described in division (E)(2)(a) of 8587  
this section shall be considered to be the approval of the 8588

**Sec. 329.03.** (A) As used in this section:

(1) "Applicant" or "recipient" means an applicant for or participant in the Ohio works first program established under Chapter 5107. of the Revised Code or an applicant for or recipient of disability financial assistance under Chapter 5115. of the Revised Code.

(2) "Voluntary direct deposit" means a system established pursuant to this section under which cash assistance payments to recipients who agree to direct deposit are made by direct deposit by electronic transfer to an account in a financial institution designated under this section.

(3) "Mandatory direct deposit" means a system established pursuant to this section under which cash assistance payments to all participants in the Ohio works first program or recipients of disability financial assistance, other than those exempt under division (E) of this section, are made by direct deposit by electronic transfer to an account in a financial institution designated under this section.

(B) A board of county commissioners may by adoption of a resolution require the county department of job and family services to establish a direct deposit system for distributing cash assistance payments under Ohio works first, disability financial assistance, or both, unless the director of job and

family services has provided for those payments to be made by 9606  
electronic benefit transfer pursuant to section 5101.33 of the 9607  
Revised Code. Voluntary or mandatory direct deposit may be applied 9608  
to either of the programs. The resolution shall specify for each 9609  
program for which direct deposit is to be established whether 9610  
direct deposit is voluntary or mandatory. The board may require 9611  
the department to change or terminate direct deposit by adopting a 9612  
resolution to change or terminate it. Within ninety days after 9613  
adopting a resolution under this division, the board shall certify 9614  
one copy of the resolution to the director of job and family 9615  
services and one copy to the office of budget and management. The 9616  
director of job and family services may adopt rules governing 9617  
establishment of direct deposit by county departments of job and 9618  
family services. 9619

The county department of job and family services shall 9620  
determine what type of account will be used for direct deposit and 9621  
negotiate with financial institutions to determine the charges, if 9622  
any, to be imposed by a financial institution for establishing and 9623  
maintaining such accounts. Under voluntary direct deposit, the 9624  
county department of job and family services may pay all charges 9625

maintaining an account in which direct deposits are made for a 9627  
recipient. Under mandatory direct deposit, the county department 9628

(C) The county department of job and family services shall, 9638  
within sixty days after a resolution requiring the establishment 9639  
of direct deposit is adopted, establish procedures governing 9640  
direct deposit. 9641

Within one hundred eighty days after the resolution is 9642  
adopted, the county department shall: 9643

(1) Inform each applicant or recipient of the procedures 9644  
governing direct deposit, including in the case of voluntary 9645  
direct deposit those that prescribe the conditions under which a 9646  
recipient may change from one method of payment to another; 9647

(2) Obtain from each applicant or recipient an authorization 9648  
form to designate a financial institution equipped for and 9649  
authorized by law to accept direct deposits by electronic transfer 9650  
and the account into which the applicant or recipient wishes the 9651  
payments to be made, or in the case of voluntary direct deposit 9652  
states the applicant's or recipient's election to receive such 9653  
payments in the form of a paper warrant. 9654

The department may require a recipient to complete a new 9655  
authorization form whenever the department considers it necessary. 9656

A recipient's designation of a financial institution and 9657  
account shall remain in effect until withdrawn in writing or 9658  
dishonored by the financial institution, except that no change may 9659  
be made in the authorization form until the next eligibility 9660  
redetermination of the recipient unless the department feels that 9661  
good grounds exist for an earlier change. 9662

(D) An applicant or recipient without an account who either 9663  
agrees or is required to receive payments by direct deposit shall 9664  
have ten days after receiving the authorization form to designate 9665  
an account suitable for direct deposit. If within the required 9666  
time the applicant or recipient does not make the designation or 9667  
requests that the department make the designation, the department 9668

shall designate a financial institution and help the recipient to 9669  
open an account. 9670

(E) At the time of giving an applicant or recipient the 9671  
authorization form, the county department of job and family 9672  
services of a county with mandatory direct deposit shall inform 9673  
each applicant or recipient of the basis for exemption and the 9674  
right to request exemption from direct deposit. 9675

Under mandatory direct deposit, an applicant or recipient who 9676  
wishes to receive payments in the form of a paper warrant shall 9677  
record on the authorization form a request for exemption under 9678  
this division and the basis for the exemption. 9679

The department shall exempt from mandatory direct deposit any 9680  
recipient who requests exemption and is any of the following: 9681

receive payments for which the recipient is eligible in the form 9687  
of paper warrants. 9688

(F) The county department of job and family services shall 9689  
bear the full cost of the amount of any replacement warrant issued 9690  
to a recipient for whom an authorization form as provided in this 9691  
section has not been obtained within one hundred eighty days after 9692  
the later of the date the board of county commissioners adopts a 9693  
resolution requiring payments of financial assistance by direct 9694  
deposit to accounts of recipients of Ohio works first or 9695

state for any part of the cost. Thereafter, the county department 9698

of job and family services shall continue to bear the full cost of 9699

The plan shall include, but not be limited to, a statement of 10024

third-party mediator with the cost to be shared by the board and 10055  
the department. The mediator shall issue to the board and the 10056  
department recommendations for resolution of the dispute. Prior to 10057  
the conclusion of the fiscal year in which the current plan is 10058  
scheduled to expire, the director, taking into consideration the 10059  
recommendations of the mediator, shall make a final determination 10060  
and approve or disapprove the plan, in whole or in part. 10061

If a board determines that it is necessary to amend a plan or 10062  
an allocation request that has been approved under division 10063  
(A)(1)(c) of this section, the board shall submit a proposed 10064  
amendment to the director. The director may approve or disapprove 10065

a reasonable time in which to meet the criteria, and shall offer 10074  
the board technical assistance to help it meet the criteria. 10075

facility licensed under section 5119.22 of the Revised Code. If 10087  
the investigation substantiates the charge of abuse or neglect, 10088  
the board shall take whatever action it determines is necessary to 10089  
correct the situation, including notification of the appropriate 10090  
authorities. Upon request, the board shall provide information 10091  
about such investigations to the department. 10092

(3) For the purpose of section 5119.611 of the Revised Code, 10093

through its community mental health plan and submit its findings 10101  
and recommendations to the department of mental health; 10102

(5) In accordance with section 5119.22 of the Revised Code, 10103

the board. In so doing, the board may contract for or employ the 10110  
services of private auditors. A copy of the fiscal audit report 10111

entered into under this division. In contracting with a community 10126  
mental health agency, a board shall consider the cost 10127  
effectiveness of services provided by that agency and the quality 10128  
and continuity of care, and may review cost elements, including 10129  
salary costs, of the services to be provided. A utilization review 10130

this section proposes not to renew the contract or proposes 10146  
substantial changes in contract terms, the other party shall be 10147  
given written notice at least one hundred twenty days before the 10148  
expiration date of the contract. During the first sixty days of 10149  
this one hundred twenty-day period, both parties shall attempt to 10150  
resolve any dispute through good faith collaboration and 10151  
negotiation in order to continue to provide services to persons in 10152  
need. If the dispute has not been resolved sixty days before the 10153  
expiration date of the contract, either party may notify the 10154  
department of mental health of the unresolved dispute. The 10155  
director may require both parties to submit the dispute to a third 10156  
party with the cost to be shared by the board and the facility or 10157  
community mental health agency. The third party shall issue to the 10158  
board, the facility or agency, and the department recommendations 10159  
on how the dispute may be resolved twenty days prior to the 10160

time extension. The director shall adopt rules establishing the 10162  
procedures of this dispute resolution process. 10163

The director shall not give a board approval to operate a 10185  
facility or provide a community mental health service under 10186  
division (A)(8)(b)(ii) or (iii) of this section unless the 10187  
director determines that it is not feasible to have the department 10188  
operate the facility or provide the service. 10189

The director shall not give a board approval to operate a 10190  
facility or provide a community mental health service under 10191  
division (A)(8)(b)(iii) of this section unless the director 10192  
determines that the board will provide greater administrative 10193  
efficiency and more or better services than would be available if 10194

the board contracted with a private or public facility or 10195  
community mental health agency. 10196

The director shall not give a board approval to operate a 10197

section, "qualifying loss" means the excess, if any, of the total 11134  
amount of compensation the payment of which is deferred pursuant 11135  
to a nonqualified deferred compensation plan over the total amount 11136

pursuant to a nonqualified deferred compensation plan. 11153

(c) With respect to a nonqualified deferred compensation 11154

to a nonqualified deferred compensation plan. If different tax 11163

tax rate" is a weighted average of those different tax rates. The 11165  
weighted average shall be based upon the tax paid to the municipal 11166  
corporation each year with respect to the nonqualified deferred 11167  
compensation plan. 11168

(B)(1) Except as provided in division (D) of this section, a 11169  
refundable credit shall be allowed against the income tax imposed 11170  
by a municipal corporation for each qualifying loss sustained by a 11171  
taxpayer during the taxable year. The amount of the credit shall 11172  
be equal to the product of the qualifying loss and the qualifying 11173  
tax rate. 11174

(2) A taxpayer shall claim the credit allowed under this 11175  
section from each municipal corporation to which the taxpayer paid 11176  
municipal income tax with respect to the nonqualified deferred 11177  
compensation plan in one or more taxable years. 11178

(3) If a taxpayer has paid tax to more than one municipal corporation with respect to the nonqualified deferred compensation plan, the amount of the credit that a taxpayer may claim from each municipal corporation shall be calculated on the basis of each municipal corporation's proportionate share of the total municipal corporation income tax paid by the taxpayer to all municipal corporations with respect to the nonqualified deferred compensation plan. 11179  
11180  
11181  
11182

11188  
11189  
11190

(C)(1) For purposes of this section, municipal corporation income tax that has been withheld with respect to a nonqualified deferred compensation plan shall be considered to have been paid by the taxpayer with respect to the nonqualified deferred compensation plan. 11191  
11192  
11193  
11194  
11195

(2) Any municipal income tax that has been refunded or otherwise credited for the benefit of the taxpayer with respect to a nonqualified deferred compensation plan shall not be considered to have been paid to the municipal corporation by the taxpayer. 11196  
11197

11199

(D) The credit allowed under this section is allowed only to the extent the taxpayer's qualifying loss is attributable to: 11200

3121(a) of the Internal Revenue Code, without regard to any wage 11213  
limitations, adjusted as follows: 11214

(b) Add the following amounts: 11218

(i) Any amount not included in wages solely because the 11219

arises from the sale, exchange, or other disposition of a stock 11222  
option, the exercise of a stock option, or the sale, exchange, or 11223  
other disposition of stock purchased under a stock option and the 11224  
municipal corporation has not, by resolution or ordinance, 11225  
exempted the amount from withholding and tax. Division 11226  
(A)(2)(b)(ii) of this section applies only to those amounts 11227  
constituting ordinary income. 11228

(iii) Any amount not included in wages if the amount is an 11229  
amount described in section 401(k) or 457 of the Internal Revenue 11230  
Code. Division (A)(2)(b)(iii) of this section applies only to 11231

disposition of stock purchased under a stock option and the 11244  
municipal corporation has, by resolution or ordinance, exempted 11245  
the amount from withholding and tax. 11246

(B) For taxable years beginning after 2003, no municipal 11247  
corporation shall require any employer or any agent of any 11248  
employer or any other payer, to withhold tax with respect to any 11249  
amount other than qualifying wages. Nothing in this section 11250  
prohibits an employer from withholding tax on a basis greater than 11251  
qualifying wages. 11252

(C) An employer is not required to make any withholding with 11253  
respect to an individual's disqualifying disposition of an 11254  
incentive stock option if, at the time of the disqualifying 11255  
disposition, the individual is not an employee of the corporation 11256  
with respect to whose stock the option has been issued. 11257

(D)(1) An employee is not relieved from liability for a tax 11258

requirement to withhold the tax. 11261

(2) The failure of an employer to remit to the municipal 11262  
corporation the tax withheld relieves the employee from liability 11263  
for that tax unless the employee colluded with the employer in 11264  
connection with the failure to remit the tax withheld. 11265

(E) Compensation deferred before the effective date of this 11266  
amendment is not subject to any municipal corporation income tax 11267  
or municipal income tax withholding requirement to the extent the 11268  
deferred compensation does not constitute qualifying wages at the 11269

time the deferred compensation is paid or distributed. 11270

**Sec. 718.05.** (A) As used in this section: 11271

(1) "Generic form" means an electronic or paper form designed 11272  
for reporting estimated municipal income taxes and annual 11273  
municipal income tax liability or for filing a refund claim that 11274  
is not prescribed by a particular municipal corporation for the 11275  
reporting of that municipal corporation's tax on income. 11276

(2) "Return preparer" means any person other than a taxpayer 11277  
that is authorized by a taxpayer to complete or file an income tax 11278  
return, report, or other document for or on behalf of the 11279  
taxpayer. 11280

(B) A municipal corporation shall not require a taxpayer to 11281  
file an annual income tax return or report prior to the filing 11282  
date for the corresponding tax reporting period as prescribed for 11283  
such a taxpayer under the Internal Revenue Code. For taxable years 11284  
beginning after 2003, except as otherwise provided in section 11285  
718.051 of the Revised Code and division (D) of this section, a 11286  
municipal corporation shall not require a taxpayer to file an 11287  
annual income tax return or report on any date other than the 11288  
fifteenth day of the fourth month following the end of the 11289  
taxpayer's taxable year. 11290

(C) On and after January 1, 2001, any municipal corporation 11291  
that requires taxpayers to file income tax returns, reports, or 11292  
other documents shall accept for filing a generic form of such a 11293  
return, report, or document if the generic form, once completed 11294  
and filed, contains all of the information required to be 11295  
submitted with the municipal corporation's prescribed returns, 11296  
reports, or documents, and if the taxpayer or return preparer 11297  
filing the generic form otherwise complies with rules or 11298  
ordinances of the municipal corporation governing the filing of 11299  
returns, reports, or documents. 11300

(D) ~~Beginning~~ Except as otherwise provided in section 718.051 11301  
of the Revised Code, beginning January 1, 2001, any taxpayer that 11302  
has requested an extension for filing a federal income tax return 11303  
may request an extension for the filing of a municipal income tax 11304  
return. The taxpayer shall make the request by filing a copy of 11305  
the taxpayer's request for a federal filing extension with the 11306  
individual or office charged with the administration of the 11307  
municipal income tax. The request for extension shall be filed not 11308  
later than the last day for filing the municipal income tax return 11309  
as prescribed by ordinance or rule of the municipal corporation. A 11310  
municipal corporation shall grant such a request for extension 11311  
filed before January 1, 2004, for a period not less than the 11312  
period of the federal extension request. For taxable years 11313  
beginning after 2003, the extended due date of the municipal 11314  
income tax return shall be the last day of the month following the 11315  
month to which the due date of the federal income tax return has 11316  
been extended. A municipal corporation may deny a taxpayer's 11317  
request for extension only if the taxpayer fails to timely file 11318  
the request, fails to file a copy of the request for the federal 11319  
extension, owes the municipal corporation any delinquent income 11320  
tax or any penalty, interest, assessment, or other charge for the 11321  
late payment or nonpayment of income tax, or has failed to file 11322  
any required income tax return, report, or other related document 11323  
for a prior tax period. The granting of an extension for filing a 11324  
municipal corporation income tax return does not extend the last 11325  
date for paying the tax without penalty unless the municipal 11326  
corporation grants an extension of that date. 11327

**Sec. 718.051.** (A) As used in this section, "Ohio business 11328  
gateway" means the online computer network system, initially 11329  
created by the department of administrative services under section 11330  
125.30 of the Revised Code, that allows private businesses to 11331  
electronically file business reply forms with state agencies and 11332

includes any successor electronic filing and payment system. 11333

(B) Notwithstanding section 718.05 of the Revised Code, on 11334  
and after January 1, 2005, any taxpayer that is subject to any 11335  
municipal corporation's tax on the net profit from a business or 11336  
profession and has received an extension to file the federal 11337  
income tax return shall not be required to notify the municipal 11338  
corporation of the federal extension and shall not be required to 11339  
file any municipal income tax return until the last day of the 11340  
month to which the due date for filing the federal return has been 11341  
extended, provided that, on or before the date for filing the 11342  
municipal income tax return, the person notifies the tax 11343  
commissioner of the federal extension through the Ohio business 11344  
gateway. An extension of time to file is not an extension of the 11345  
time to pay any tax due. 11346

(C) For taxable years beginning on or after January 1, 2005, 11347  
a taxpayer subject to any municipal corporation's tax on the net 11348  
profit from a business or profession may file any municipal income 11349  
tax return or estimated municipal income return, and may make 11350  
payment of amounts shown to be due on such returns, by using the 11351  
Ohio business gateway. 11352

(D)(1) As used in this division, "qualifying wages" has the 11353  
same meaning as in section 718.03 of the Revised Code. 11354

(2) Any employer may report the amount of municipal income 11355  
tax withheld from qualifying wages paid on or after January 1, 11356  
2007, and may make remittance of such amounts, by using the Ohio 11357  
business gateway. 11358

(E) Nothing in this section affects the due dates for filing 11359  
employer withholding tax returns. 11360

(F) No municipal corporation shall be required to pay any fee 11361  
or charge for the operation or maintenance of the Ohio business 11362

gateway. 11363

(G) The use of the Ohio business gateway by municipal corporations, taxpayers, or other persons pursuant to this section does not affect the legal rights of municipalities or taxpayers as otherwise permitted by law. This state shall not be a party to the administration of municipal income taxes or to an appeal of a municipal income tax matter, except as otherwise specifically provided by law. 11364  
11365  
11366  
11367  
11368  
11369  
11370

(H)(1) The tax commissioner shall adopt rules establishing: 11371

(a) The format of documents to be used by taxpayers to file returns and make payments through the Ohio business gateway; and 11372

(b) The information taxpayers must submit when filing municipal income tax returns through the Ohio business gateway. 11374  
11375

(2) The commissioner shall consult with the Ohio business gateway steering committee before adopting the rules described in division (H)(1) of this section. 11376  
11377  
11378

11381

~~Sec. 718.11. As used in this section, "tax administrator" means the individual charged with direct responsibility for administration of a tax levied by a municipal corporation on income.~~ 11382

11385

~~Not later than one hundred eighty days after the effective date of this section, the~~ The legislative authority of each municipal corporation that imposes a tax on income ~~on that effective date shall establish by ordinance~~ maintain a board to hear appeals as provided in this section. that imposes such a tax after that date, shall establish such a board by ordinance not later than one hundred eighty days after the tax takes effect.

Whenever a tax administrator issues a decision regarding a municipal income tax obligation that is subject to appeal as provided in this section or in an ordinance or regulation of the municipal corporation, the tax administrator shall notify the taxpayer in writing at the same time of the taxpayer's right to appeal the decision and of the manner in which the taxpayer may appeal the decision.

Any person who is aggrieved by a decision by the tax administrator and who has filed with the municipal corporation the required returns or other documents pertaining to the municipal income tax obligation at issue in the decision may appeal the decision to the board created pursuant to this section by filing a request with the board. The request shall be in writing, shall state why the decision should be deemed incorrect or unlawful, and shall be filed within thirty days after the tax administrator issues the decision complained of.

The board shall schedule a hearing within forty-five days after receiving the request, unless the taxpayer waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the board and may be represented by an attorney at law, certified public accountant, or other representative.

The board may affirm, reverse, or modify the tax administrator's decision or any part of that decision. The board shall issue a final decision on the appeal within ninety days after the board's final hearing on the appeal, and send ~~notice a~~ copy of its final decision by ordinary mail to ~~the petitioner~~ all of the parties to the appeal within fifteen days after issuing the decision. The taxpayer or the tax administrator may appeal the board's decision as provided in section 5717.011 of the Revised

Code. 11425

Each board of appeal created pursuant to this section shall 11426  
adopt rules governing its procedures and shall keep a record of 11427  
its transactions. Such records are not public records available 11428  
for inspection under section 149.43 of the Revised Code. Hearings 11429  
requested by a taxpayer before a board of appeal created pursuant 11430  
to this section are not meetings of a public body subject to 11431  
section 121.22 of the Revised Code. 11432

Sec. 718.121. (A) Except as provided in division (B) of this 11433  
section, if tax or withholding is paid to a municipal corporation 11434  
on income or wages, and if a second municipal corporation imposes 11435  
a tax on that income or wages after the time period allowed for a 11436  
refund of the tax or withholding paid to the first municipal 11437  
corporation, the second municipal corporation shall allow a 11438  
nonrefundable credit, against the tax or withholding the second 11439

corporation with respect to such income or wages. 11442

(B) If the tax rate in the second municipal corporation is 11443  
less than the tax rate in the first municipal corporation, then 11444  
the credit described in division (A) of this section shall be 11445  
calculated using the tax rate in effect in the second municipal 11446  
corporation. 11447

(C) Nothing in this section permits any credit carryforward. 11448

killing or injury and who can testify about the results and shall 12310  
submit both copies of the form to the department no later than 12311  
twenty days after the loss or injury was discovered. The dog 12312  
warden shall submit to the department whatever documents, 12313  
testimony, and other information ~~he~~ the dog warden has received 12314  
relating to the loss or injury. The department shall receive any 12315  
other information or testimony that will enable it to determine 12316  
the fair market value of the animals, fowl, or poultry injured or 12317  
killed. 12318

(D) If the animals, fowl, or poultry described in division 12319

13206

bonds shall be given in a form prescribed by the chief and shall 13207  
run to the state as obligee. 13208

The chief shall not approve any bond until it is personally 13209  
signed and acknowledged by both principal and surety, or as to 13210  
either by the attorney in fact thereof, with a certified copy of 13211  
the power of attorney attached. The chief shall not approve the 13212  
bond unless there is attached a certificate of the superintendent 13213  
of insurance that the company is authorized to transact a fidelity 13214  
and surety business in this state. 13215

In lieu of a bond, the bidder may deposit any of the 13216  
following: 13217

(1) Cash in an amount equal to the amount of the bond; 13218

(2) United States government securities having a par value 13219

(3) Negotiable certificates of deposit or irrevocable letters 13221  
of credit issued by any bank organized or transacting business in 13222  
this state having a par value equal to or greater than the amount 13223

The cash or securities shall be deposited on the same terms 13225  
as bonds. If one or more certificates of deposit are deposited in 13226  
lieu of a bond, the chief shall require the bank that issued any 13227  
of the certificates to pledge securities of the aggregate market 13228  
value equal to the amount of the certificate or certificates that 13229  
is in excess of the amount insured by the federal deposit 13230  
insurance corporation. The securities to be pledged shall be those 13231

the treasurer of state, who shall hold them in trust for the 13237

purposes for which they have been deposited. The treasurer of 13238  
state is responsible for the safekeeping of the deposits. A bidder 13239

letters of credit may withdraw and receive from the treasurer of 13241  
state, on the written order of the chief, all or any portion of 13242  
the cash, securities, certificates of deposit, or letters of 13243

of deposit, or letters of credit withdrawn. 13249

A bidder may demand and receive from the treasurer of state 13250  
all interest or other income from any such securities or 13251  
certificates as it becomes due. If securities so deposited with 13252  
and in the possession of the treasurer of state mature or are 13253  
called for payment by their issuer, the treasurer of state, at the 13254  
request of the bidder who deposited them, shall convert the 13255  
proceeds of the redemption or payment of the securities into other 13256  
United States government securities, negotiable certificates of 13257  
deposit, or cash as the bidder designates. 13258

When the chief finds that a person or governmental agency has 13259  
failed to comply with the conditions of the person's or 13260  
governmental agency's bond, the chief shall make a finding of that 13261

total forfeiture to the attorney general, who shall proceed to 13264  
collect the amount of the bond, cash, securities, certificates, or 13265  
letters of credit. 13266

In lieu of total forfeiture, the surety, at its option, may 13267  
cause the timber sale to be completed or pay to the treasurer of 13268  
state the cost thereof. 13269

All moneys collected as a result of forfeitures of bonds, 13270  
cash, securities, certificates, and letters of credit under this 13271  
section shall be credited to the state forest fund created in this 13272  
section. 13273

(C) The chief may grant easements and leases on portions of 13274  
the state forest lands and state forest nurseries under terms that 13275  
are advantageous to the state, and the chief may grant mineral 13276

or in payment for easements or leases on or as rents from those 13280  
lands or from state forest nurseries, shall be paid into the state 13281  
treasury to the credit of the state forest fund, which is hereby 13282  
created. All moneys received from the sale of standing timber 13283

state forest lands and state forest nurseries, together with 13290  
royalties from mineral rights, shall be paid into the state 13291  
treasury to the credit of the state forest fund. 13292

At the time of making such a ~~payment or~~ deposit into the 13293

and shall provide for payment to the county treasurer, for the use 13300  
of the general fund of that county from the amount so received as 13301

this section. After receiving notice from the board, the county 13318  
auditor shall pay into the fund or funds so identified one-half of 13319  
the amount received by the county from ~~products~~ standing timber 13320  
sold ~~or royalties received~~ from lands and nurseries located in the 13321  
school district, distributed proportionately as identified by the 13322

The division of forestry shall not supply logs, lumber, or 13324  
other forest products or minerals, taken from the state forest 13325  
lands or state forest nurseries, to any other agency or 13326

(Q) Until June 1, 1996, to enter into cost-sharing agreements with landowners for control of the multiflora rose. Before entering into any such agreement, the board of supervisors shall determine that the landowner's application meets the eligibility criteria established under division (E)(6) of section 1511.02 of the Revised Code. The cost-sharing agreements shall contain the contract provisions required by the rules adopted under that division and such other provisions as the board of supervisors considers appropriate to ensure effective control of the multiflora rose.

plan who, in good faith, is following that plan, causes 13599  
agricultural pollution, the plan shall be revised in a fashion 13600  
necessary to mitigate the agricultural pollution, as determined 13601  
and approved by the board of supervisors of the soil and water 13602  
conservation district. 13603

(U) With regard to composting conducted in conjunction with 13604  
agricultural operations, to do all of the following: 13605

(1) Upon request or upon their own initiative, inspect 13606

disapproved, the board shall provide a written explanation to the 13620  
person who submitted the plan. 13621

As used in division (U) of this section, "composting" has the 13622  
same meaning as in section 1511.01 of the Revised Code. 13623

(V) With regard to conservation activities that are conducted 13624  
in conjunction with agricultural operations, to assist the county 13625  
auditor, upon request, in determining whether a conservation 13626

to reduce the adverse environmental effects of each project that a 13634  
soil and water conservation district plans to undertake under 13635  
division (A), (B), (C), or (D) of this section and that will be 13636  
funded in whole or in part by moneys authorized under section 13637  
1515.16 of the Revised Code and shall disapprove any such project 13638  
that the director finds will adversely affect the environment 13639  
without equal or greater benefit to the public. The director's 13640  
disapproval or recommendations, upon the request of the district 13641  
filed in accordance with rules adopted by the Ohio soil and water 13642  
conservation commission, shall be reviewed by the commission, 13643  
which may confirm the director's decision, modify it, or add 13644  
recommendations to or approve a project the director has 13645

as in section 164.20 of the Revised Code. 13653

(B) There is hereby created in the state treasury the clean 13654  
Ohio trail fund. Twelve and one-half per cent of the net proceeds 13655  
of obligations issued and sold pursuant to sections 151.01 and 13656  
151.09 of the Revised Code shall be deposited into the fund. 13657

Investment earnings of the fund shall be credited to the 13658  
fund. ~~For two years after the effective date of this section,~~ 13659  
~~investment earnings credited to the fund~~ and may be used to pay 13660  
costs incurred by the director of natural resources in 13661  
administering this section. 13662

per cent of the cost of a recreational trail project, and the 13672  
recipient of the matching grant shall provide not less than 13673  
twenty-five per cent of that cost. 13674

(C) The director shall establish policies for the purposes of 13675

<b>Sec. 1521.06.</b> (A) No dam may be constructed for the purpose of storing, conserving, or retarding water, or for any other purpose, nor shall any dike or levee be constructed for the purpose of diverting or retaining flood water, unless the person or governmental agency desiring the construction has a construction permit for the dam, dike, or levee issued by the chief of the division of water.	13727 13728 13729 13730 13731 13732 13733
A construction permit is not required under this section for:	13734
(1) A dam <del>which</del> <u>that</u> is or will be less than ten feet in height and <del>which</del> <u>that</u> has or will have a storage capacity of not	13735 13736

more than fifty acre-feet at the elevation of the top of the dam, 13737  
as determined by the chief. For the purposes of this section, the 13738  
height of a dam shall be measured from the natural stream bed or 13739  
lowest ground elevation at the downstream or outside limit of the 13740  
dam to the elevation of the top of the dam. 13741

(2) A dam, regardless of height, ~~which~~ that has or will have 13742  
a storage capacity of not more than fifteen acre-feet at the 13743  
elevation of the top of the dam, as determined by the chief; 13744

(3) A dam, regardless of storage capacity, ~~which~~ that is or 13745  
will be six feet or less in height, as determined by the chief; 13746

(4) A dam, dike, or levee ~~which~~ that belongs to a class 13747  
exempted by the chief; 13748

(5) The repair, maintenance, improvement, alteration, or 13749  
removal of a dam, dike, or levee ~~which~~ that is subject to section 13750  
1521.062 of the Revised Code, unless the construction constitutes 13751  
an enlargement of the structure as determined by the chief; 13752

(6) A dam or impoundment constructed under Chapter 1513. of 13753  
the Revised Code. 13754

(B) Before a construction permit may be issued, three copies 13755  
of the plans and specifications, including a detailed cost 13756  
estimate, for the proposed construction, prepared by a registered 13757  
professional engineer, together with the filing fee specified by 13758  
this section and the bond or other security required by section 13759  
1521.061 of the Revised Code, shall be filed with the chief. The 13760  
detailed estimate of the cost shall include all costs associated 13761  
with the construction of the dam, dike, or levee, including 13762  
supervision and inspection of the construction by a registered 13763  
professional engineer. ~~Except for a political subdivision, the~~ The 13764  
filing fee shall be based on the detailed cost estimate for the 13765  
proposed construction as filed with and approved by the chief, and 13766  
shall be determined by the following schedule unless otherwise 13767

provided by rules adopted under this section: 13768

(1) For the first one hundred thousand dollars of estimated 13769  
cost, a fee of ~~two~~ four per cent; 13770

(2) For the next four hundred thousand dollars of estimated 13771  
cost, a fee of ~~one and one half~~ three per cent; 13772

(3) For the next five hundred thousand dollars of estimated 13773  
cost, a fee of ~~one~~ two per cent; 13774

(4) For all costs in excess of one million dollars, a fee of 13775  
~~one-quarter~~ one-half of one per cent. 13776

In no case shall the filing fee be less than ~~two hundred~~ one 13777  
thousand dollars or more than ~~fifty~~ one hundred thousand dollars. 13778  
If the actual cost exceeds the estimated cost by more than fifteen 13779  
per cent, an additional filing fee shall be required equal to the 13780  
fee determined by the preceding schedule less the original filing 13781  
fee. ~~The filing fee for a political subdivision shall be two~~ 13782  
~~hundred dollars.~~ All fees collected pursuant to this section, and 13783  
all fines collected pursuant to section 1521.99 of the Revised 13784  
Code, shall be deposited in the state treasury to the credit of 13785  
the dam safety fund, which is hereby created. Expenditures from 13786  
the fund shall be made by the chief for the purpose of 13787  
administering this section and sections 1521.061 and 1521.062 of 13788  
the Revised Code. 13789

(C) The chief shall, within thirty days from the date of the 13790  
receipt of the application, fee, and bond or other security, issue 13791  
or deny a construction permit for the construction or may issue a 13792  
construction permit conditioned upon the making of such changes in 13793  
the plans and specifications for the construction as ~~he~~ the chief 13794  
considers advisable if ~~he~~ the chief determines that the 13795  
construction of the proposed dam, dike, or levee, in accordance 13796  
with the plans and specifications filed, would endanger life, 13797  
health, or property. 13798

(D) The chief may deny a construction permit ~~if he finds~~ 13799  
after finding that a dam, dike, or levee built in accordance with 13800  
the plans and specifications would endanger life, health, or 13801  
property, because of improper or inadequate design, or for such 13802  
other reasons as the chief may determine. 13803

In the event the chief denies a permit for the construction 13804  
of the dam, dike, or levee, or issues a permit conditioned upon a 13805  
making of changes in the plans or specifications for the 13806  
construction, ~~he~~ the chief shall state ~~his~~ the reasons therefor 13807  
and so notify, in writing, the person or governmental agency 13808  
making the application for a permit. If the permit is denied, the 13809  
chief shall return the bond or other security to the person or 13810  
governmental agency making application for the permit. 13811

The decision of the chief conditioning or denying a 13812  
construction permit is subject to appeal as provided in Chapter 13813  
119. of the Revised Code. A dam, dike, or levee built 13814  
substantially at variance from the plans and specifications upon 13815  
which a construction permit was issued is in violation of this 13816  
section. The chief may at any time inspect any dam, dike, or 13817  
levee, or site upon which any dam, dike, or levee is to be 13818  
constructed, in order to determine whether it complies with this 13819  
section. 13820

(E) A registered professional engineer shall inspect the 13821  
construction for which the permit was issued during all phases of 13822  
construction and shall furnish to the chief such regular reports 13823  
of ~~his~~ the engineer's inspections as the chief may require. When 13824  
the chief finds that construction has been fully completed in 13825  
accordance with the terms of the permit and the plans and 13826  
specifications approved by ~~him~~ the chief, ~~he~~ the chief shall 13827  
approve the construction. When one year has elapsed after approval 13828  
of the completed construction, and the chief finds that within 13829  
this period no fact has become apparent to indicate that the 13830

construction was not performed in accordance with the terms of the 13831  
permit and the plans and specifications approved by the chief, or 13832  
that the construction as performed would endanger life, health, or 13833  
property, ~~he~~ the chief shall release the bond or other security. 13834  
No bond or other security shall be released until one year after 13835  
final approval by the chief, unless the dam, dike, or levee has 13836  
been modified so that it will not retain water and has been 13837  
approved as nonhazardous after determination by the chief that the 13838  
dam, dike, or levee as modified will not endanger life, health, or 13839  
property. 13840

(F) When inspections required by this section are not being 13841  
performed, the chief shall notify the person or governmental 13842  
agency to which the permit has been issued that inspections are 13843  
not being performed by the registered professional engineer and 13844  
that the chief will inspect the remainder of the construction. 13845  
Thereafter, the chief shall inspect the construction and the cost 13846  
of inspection shall be charged against the owner. Failure of the 13847  
registered professional engineer to submit required inspection 13848  
reports shall be deemed notice that ~~his~~ the engineer's inspections 13849  
are not being performed. 13850

(G) The chief may order construction to cease on any dam, 13851  
dike, or levee ~~which that~~ that is being built in violation of ~~the~~ 13852  
~~provisions of~~ this section, and may prohibit the retention of 13853  
water behind any dam, dike, or levee ~~which that~~ that has been built in 13854  
violation of ~~the provisions of~~ this section. The attorney general, 13855  
upon written request of the chief, may bring an action for an 13856  
injunction against any person who violates this section or to 13857  
enforce an order or prohibition of the chief made pursuant to this 13858  
section. 13859

(H) The chief may adopt rules in accordance with Chapter 119. 13860  
of the Revised Code, for the design and construction of dams, 13861  
dikes, and levees for which a construction permit is required by 13862

this section or for which periodic inspection is required by 13863  
section 1521.062 of the Revised Code, for establishing a filing 13864  
fee schedule in lieu of the schedule established under division 13865  
(B) of this section, for deposit and forfeiture of bonds and other 13866  
securities required by section 1521.061 of the Revised Code, for 13867  
the periodic inspection, operation, repair, improvement, 13868  
alteration, or removal of all dams, dikes, and levees, as 13869  
specified in section 1521.062 of the Revised Code, and for 13870  
establishing classes of dams, dikes, or levees ~~which~~ that are 13871  
exempt from the requirements of sections 1521.06 and 1521.062 of 13872  
the Revised Code as being of a size, purpose, or situation ~~which~~ 13873  
that does not present a substantial hazard to life, health, or 13874  
property. The chief may, by rule, limit the period during which a 13875  
construction permit issued under this section is valid. If a 13876  
construction permit expires before construction is completed, the 13877  
person or agency shall apply for a new permit, and shall not 13878  
continue construction until the new permit is issued. 13879

~~(I) As used in this section and section 1521.063 of the~~ 13880  
~~Revised Code, "political subdivision" includes townships,~~ 13881  
~~municipal corporations, counties, school districts, municipal~~ 13882  
~~universities, park districts, sanitary districts, and conservancy~~ 13883  
~~districts and subdivisions thereof.~~ 13884

**Sec. 1521.063.** (A) Except for a ~~political subdivision~~ the 13885  
federal government, the owner of any dam subject to section 13886  
1521.062 of the Revised Code shall pay an annual fee, based upon 13887  
the height of the dam, to the division of water on or before June 13888  
30, 1988, and on or before the thirtieth day of June of each 13889  
succeeding year. The annual fee shall be as follows until 13890  
otherwise provided by rules adopted under this section: 13891

(1) For any dam classified as a class I dam under rules 13892  
adopted by the chief of the division of water under section 13893

1521.06 of the Revised Code, thirty dollars plus ~~three~~ ten dollars 13894  
per foot of height of dam; 13895

(2) For any dam classified as a class II dam under those 13896  
rules, thirty dollars plus one dollar per foot of height of dam; 13897

(3) For any dam classified as a class III dam under those 13898  
rules, thirty dollars. 13899

For purposes of this section, the height of a dam is the 13900  
vertical height, to the nearest foot, as determined by the 13901  
division under section 1521.062 of the Revised Code. All fees 13902  
collected under this section shall be deposited in the dam safety 13903  
fund created in section 1521.06 of the Revised Code. Any owner who 13904  
fails to pay any annual fee required by this section within sixty 13905  
days after the due date shall be assessed a penalty of ten per 13906  
cent of the annual fee plus interest at the rate of one-half per 13907  
cent per month from the due date until the date of payment. 13908

(B) The chief shall, in accordance with Chapter 119. of the 13909  
Revised Code, adopt, and may amend or rescind, rules for the 13910  
collection of fees and the administration, implementation, and 13911  
enforcement of this section and for the establishment of an annual 13912  
fee schedule in lieu of the schedule established under division 13913  
(A) of this section. 13914

(C)(1) No person, political subdivision, or state 13915  
governmental agency shall violate or fail to comply with this 13916  
section or any rule or order adopted or issued under it. 13917

(2) The attorney general, upon written request of the chief, 13918  
may commence an action against any such violator. Any action under 13919  
division (C)(2) of this section is a civil action. 13920

(D) As used in this section, "political subdivision" includes 13921  
townships, municipal corporations, counties, school districts, 13922  
municipal universities, park districts, sanitary districts, and 13923  
conservancy districts and subdivisions thereof. 13924

Sec. 1531.26. There is hereby created in the state treasury 13925  
the nongame and endangered wildlife fund, which shall consist of 13926  
moneys paid into it by the tax commissioner under section 5747.113 13927  
of the Revised Code, moneys deposited in the fund from the 13928  
issuance of wildlife conservation license plates under section 13929  
4503.57 of the Revised Code, moneys deposited in the fund from the 13930  
issuance of bald eagle license plates under section 4503.572 of 13931  
the Revised Code, moneys credited to the fund under section 13932  
1533.151 of the Revised Code, and ~~of~~ contributions made directly 13933  
to it. Any person may contribute directly to the fund in addition 13934  
to or independently of the income tax refund contribution system 13935  
established in section 5747.113 of the Revised Code. Moneys in the 13936  
fund shall be disbursed pursuant to vouchers approved by the 13937  
director of natural resources for use by the division of wildlife 13938  
solely for the purchase, management, preservation, propagation, 13939  
protection, and stocking of wild animals that are not commonly 13940  
taken for sport or commercial purposes, including the acquisition 13941  
of title and easements to lands, biological investigations, law 13942  
enforcement, production of educational materials, sociological 13943  
surveys, habitat development, and personnel and equipment costs; 13944  
and for carrying out section 1531.25 of the Revised Code. Moneys 13945

owned, controlled, maintained, or administered by the division, 15069  
has the authority specified under section 2935.03 of the Revised 15070  
Code for peace officers of the department of natural resources to 15071  
keep the peace, to enforce all laws and rules governing those 15072  
lands and waters, and to make arrests for violation of those laws 15073  
and rules, provided that the authority shall be exercised on lands 15074  
or waters administered by another division of the department only 15075  
pursuant to an agreement with the chief of that division or to a 15076  
request for assistance by an enforcement officer of that division 15077

in an emergency. A park officer, in or along any watercourse 15078  
within, abutting, or upstream from the boundary of any area 15079  
administered by the department, has the authority to enforce 15080  
section 3767.32 of the Revised Code and any other laws prohibiting 15081  
the dumping of refuse into or along waters and to make arrests for 15082  
violation of those laws. The jurisdiction of park officers shall 15083  
be concurrent with that of the peace officers of the county, 15084  
township, or municipal corporation in which the violation occurs. 15085  
A state park, for purposes of this section, is any area that is 15086  
administered as a state park by the division of parks and 15087  
recreation. 15088

The ~~governor~~ secretary of state, upon the recommendation of 15089  
the chief, shall issue to each park officer a commission 15090  
indicating authority to make arrests as provided in this section. 15091

The chief shall furnish a suitable badge to each commissioned 15092  
park officer as evidence of that park officer's authority. 15093

If any person employed under this section is designated by 15094  
the chief to act as an agent of the state in the collection of 15095  
moneys resulting from the sale of licenses, fees of any nature, or 15096  
other moneys belonging to the state, the chief shall require a 15097  
surety bond from that person in an amount not less than one 15098  
thousand dollars. 15099

A park officer may render assistance to a state or local law 15100  
enforcement officer at the request of that officer or may render 15101  
assistance to a state or local law enforcement officer in the 15102  
event of an emergency. 15103

Park officers serving outside the division of parks and 15104  
recreation under this section or serving under the terms of a 15105  
mutual aid compact authorized under section 1501.02 of the Revised 15106  
Code shall be considered as performing services within their 15107  
regular employment for the purposes of compensation, pension or 15108

indemnity fund rights, workers' compensation, and other rights or 15109  
benefits to which they may be entitled as incidents of their 15110  
regular employment. 15111

Park officers serving outside the division of parks and 15112  
recreation under this section or under a mutual aid compact retain 15113  
personal immunity from civil liability as specified in section 15114  
9.86 of the Revised Code and shall not be considered an employee 15115  
of a political subdivision for purposes of Chapter 2744. of the 15116  
Revised Code. A political subdivision that uses park officers 15117  
under this section or under the terms of a mutual aid compact 15118  
authorized under section 1501.02 of the Revised Code is not 15119  
subject to civil liability under Chapter 2744. of the Revised Code 15120  
as the result of any action or omission of any park officer acting 15121  
under this section or under a mutual aid compact. 15122

**Sec. 1548.06.** Application for a certificate of title for a 15123  
watercraft or outboard motor shall be made upon a form prescribed 15124  
by the chief of the division of watercraft and shall be sworn to 15125  
before a notary public or other officer empowered to administer 15126  
oaths. The application shall be filed with the clerk of any court 15127  
of common pleas. An application for a certificate of title may be 15128  
filed electronically by any electronic means approved by the chief 15129  
in any county with the clerk of the court of common pleas of that 15130  
county. The application shall be accompanied by the fee prescribed 15131  
in section 1548.10 of the Revised Code. The fee shall be retained 15132  
by the clerk who issues the certificate of title and shall be 15133  
distributed in accordance with that section. If a clerk of a court 15134  
of common pleas, other than the clerk of the court of common pleas 15135  
of an applicant's county of residence, issues a certificate of 15136  
title to the applicant, the clerk shall transmit data related to 15137  
the transaction to the automated title processing system. 15138

If a certificate of title previously has been issued for the 15139

watercraft or outboard motor, the application for a certificate of 15140  
title also shall be accompanied by the certificate of title duly 15141  
assigned unless otherwise provided in this chapter. If a 15142  
certificate of title previously has not been issued for the 15143  
watercraft or outboard motor in this state, the application, 15144  
unless otherwise provided in this chapter, shall be accompanied by 15145  
a manufacturer's or importer's certificate; by a sworn statement 15146  
of ownership if the watercraft or outboard motor was purchased by 15147  
the applicant on or before October 9, 1963, or if the watercraft 15148  
is less than fourteen feet long with a permanently affixed 15149  
mechanical means of propulsion and was purchased by the applicant 15150  
on or before January 1, 2000; or by a certificate of title, bill 15151  
of sale, or other evidence of ownership required by the law of 15152  
another state from which the watercraft or outboard motor was 15153  
brought into this state. Evidence of ownership of a watercraft or 15154  
outboard motor for which an Ohio certificate of title previously 15155  
has not been issued and which watercraft or outboard motor does 15156  
not have permanently affixed to it a manufacturer's serial number 15157  
shall be accompanied by the certificate of assignment of a hull 15158  
identification number assigned by the chief as provided in section 15159  
1548.07 of the Revised Code. 15160

The clerk shall retain the evidence of title presented by the 15161  
applicant and on which the certificate of title is issued, except 15162  
that, if an application for a certificate of title is filed 15163  
electronically, by a vendor on behalf of a purchaser of a 15164  
watercraft or outboard motor, the clerk shall retain the completed 15165  
electronic record to which the vendor converted the certificate of 15166  
title application and other required documents. ~~The vendor shall~~ 15167  
~~forward the actual application and all other documents relating to~~ 15168  
~~the sale of the watercraft or outboard motor to any clerk within~~ 15169  
~~thirty days after the certificate of title is issued.~~ The chief, 15170  
after consultation with the attorney general, shall adopt rules 15171  
that govern the location at which, and the manner in which, are 15172

stored the actual application and all other documents relating to 15173  
the sale of a watercraft or outboard motor when a vendor files the 15174  
application for a certificate of title electronically on behalf of 15175  
a purchaser. 15176

The clerk shall use reasonable diligence in ascertaining 15177  
whether the facts in the application are true by checking the 15178  
application and documents accompanying it or the electronic record 15179  
to which a vendor converted the application and accompanying 15180  
documents with the records of watercraft and outboard motors in 15181  
the clerk's office. If the clerk is satisfied that the applicant 15182  
is the owner of the watercraft or outboard motor and that the 15183  
application is in the proper form, the clerk shall issue a 15184  
physical certificate of title over the clerk's signature and 15185  
sealed with the clerk's seal unless the applicant specifically 15186  
requests the clerk not to issue a physical certificate of title 15187  
and instead to issue an electronic certificate of title. However, 15188  
if the evidence indicates and an investigation shows that one or 15189  
more Ohio titles already exist for the watercraft or outboard 15190  
motor, the chief may cause the redundant title or titles to be 15191  
canceled. 15192

In the case of the sale of a watercraft or outboard motor by 15193  
a vendor to a general purchaser or user, the certificate of title 15194  
shall be obtained in the name of the purchaser by the vendor upon 15195  
application signed by the purchaser. In all other cases, the 15196  
certificate shall be obtained by the purchaser. In all cases of 15197  
transfer of watercraft or outboard motors, the application for 15198  
certificate of title shall be filed within thirty days after the 15199  
later of the date of purchase or assignment of ownership of the 15200  
watercraft or outboard motor. If the application for certificate 15201  
of title is not filed within thirty days after the later of the 15202  
date of purchase or assignment of ownership of the watercraft or 15203  
outboard motor, the clerk shall charge a late penalty fee of five 15204

dollars in addition to the fee prescribed by section 1548.10 of 15205  
the Revised Code. The clerk shall retain the entire amount of each 15206  
late penalty fee. 15207

The clerk shall refuse to accept an application for 15208  
certificate of title unless the applicant either tenders with the 15209  
application payment of all taxes levied by or pursuant to Chapter 15210  
5739. or 5741. of the Revised Code based on the applicant's county 15211  
of residence less, in the case of a sale by a vendor, any discount 15212  
to which the vendor is entitled under section 5739.12 of the 15213  
Revised Code, or submits any of the following: 15214

(A) A receipt issued by the tax commissioner or a clerk of 15215  
courts showing payment of the tax; 15216

(B) A copy of the unit certificate of exemption completed by 15217  
the purchaser at the time of sale as provided in section 5739.03 15218  
of the Revised Code; 15219

(C) An exemption certificate, in a form prescribed by the tax 15220  
commissioner, that specifies why the purchase is not subject to 15221  
the tax imposed by Chapter 5739. or 5741. of the Revised Code. 15222

Payment of the tax shall be in accordance with rules issued 15223  
by the tax commissioner, and the clerk shall issue a receipt in 15224  
the form prescribed by the tax commissioner to any applicant who 15225  
tenders payment of the tax with the application for the 15226  
certificate of title. 15227

For receiving and disbursing the taxes paid to the clerk by a 15228  
resident of the clerk's county, the clerk may retain a poundage 15229  
fee of one and one one-hundredth per cent of the taxes collected, 15230  
which shall be paid into the certificate of title administration 15231  
fund created by section 325.33 of the Revised Code. The clerk 15232  
shall not retain a poundage fee from payments of taxes by persons 15233  
who do not reside in the clerk's county. 15234

A clerk, however, may retain from the taxes paid to the clerk 15235

an amount equal to the poundage fees associated with certificates 15236  
of title issued by other clerks of courts of common pleas to 15237  
applicants who reside in the first clerk's county. The chief of 15238  
the division of watercraft, in consultation with the tax 15239  
commissioner and the clerks of the courts of common pleas, shall 15240  
develop a report from the automated title processing system that 15241  
informs each clerk of the amount of the poundage fees that the 15242  
clerk is permitted to retain from those taxes because of 15243  
certificates of title issued by the clerks of other counties to 15244  
applicants who reside in the first clerk's county. 15245

In the case of casual sales of watercraft or outboard motors 15246  
that are subject to the tax imposed by Chapter 5739. or 5741. of 15247  
the Revised Code, the purchase price for the purpose of 15248  
determining the tax shall be the purchase price on an affidavit 15249  
executed and filed with the clerk by the vendor on a form to be 15250  
prescribed by the chief, which shall be prima-facie evidence of 15251  
the price for the determination of the tax. In addition to the 15252  
information required by section 1548.08 of the Revised Code, each 15253  
certificate of title shall contain in bold lettering the following 15254  
notification and statements: "WARNING TO TRANSFEROR AND TRANSFEREE 15255  
(SELLER AND BUYER). You are required by law to state the true 15256  
selling price. A false statement is a violation of section 2921.13 15257  
of the Revised Code and is punishable by six months imprisonment 15258  
or a fine of up to one thousand dollars, or both. All transfers 15259  
are audited by the department of taxation. The seller and buyer 15260  
must provide any information requested by the department of 15261  
taxation. The buyer may be assessed any additional tax found to be 15262  
due." 15263

The clerk shall forward all payments of taxes, less poundage 15264  
fees, to the treasurer of state in a manner to be prescribed by 15265  
the tax commissioner and shall furnish information to the 15266  
commissioner as the commissioner may require. For purposes of a 15267

transfer of a certificate of title, if the clerk is satisfied that 15268  
a secured party has discharged a lien but has not canceled the 15269  
lien notation with a clerk, the clerk may cancel the lien notation 15270  
on the automated title processing system and notify the clerk of 15271  
the county of origin. 15272

Every clerk shall have the capability to transact by 15273  
electronic means all procedures and transactions relating to the 15274  
issuance of watercraft or outboard motor certificates of title 15275  
that are described in the Revised Code as being accomplished by 15276  
electronic means. 15277

section 1551.15 of the Revised Code, and any information taken 15328  
from those materials or data for any purpose, to the extent that 15329

those materials or data consist of trade secrets or other 15330  
proprietary information, are not public information or public 15331  
documents and shall not be open to public inspection. 15332

(C) The exercise by the director of the powers conferred by 15333

security of such facilities and to provide for the safety of those 15353  
on the premises of such facilities; 15354

(C) Purchase such fire and extended coverage insurance and 15355

(F) Make grants of funds to any person, organization, or 15373

Any person or governmental agency that receives funds from 15376  
the department of development, or utilizes the facilities of the 15377  
department under ~~this chapter~~ sections 1551.01 to 1551.25 of the 15378  
Revised Code shall agree in writing that all know-how, trade 15379

**Sec. 1551.15.** (A) All general revenue fund moneys required by 15400  
the department of development for purposes of ~~this chapter~~ 15401  
sections 1551.01 to 1551.25 of the Revised Code are subject to 15402  
appropriation by the general assembly. 15403

(B) The director of development may enter into agreements, 15404  
make grants, or enter into contracts for the purposes of effecting 15405  
the construction and operation in this state of experimental, 15406  
pilot, or demonstration energy resource development facilities. 15407  
Before making grants or entering contracts, the director shall 15408  
determine that all of the following criteria are met: 15409

(1) The urgency of public need for the potential results of 15410  
the experimental, pilot, or demonstration project is high, and 15411  
there is little likelihood that similar results would be achieved 15412  
in this state in a timely manner in the absence of state 15413  
assistance; 15414

(2) The potential opportunities for private interests to 15415  
recapture the investment in the undertaking through the normal 15416  
commercial exploitation of proprietary knowledge appear to be 15417  
inadequate to encourage timely results in this state; 15418

(3) The extent of the problems treated and the objectives 15419  
sought by the project are consistent with the purposes of ~~this~~ 15420  
~~chapter~~ sections 1551.01 to 1551.25 of the Revised Code and of 15421

general significance to the state. 15422

This determination by the director shall include the facts or 15423  
reasons justifying it and shall be journalized by the director. 15424

(C) The director may use funds as appropriated, donated, 15425  
granted, or received for any of the following purposes: 15426

(1) Construction and related architectural or engineering 15427  
studies or purchase of physical plant and equipment for an 15428  
experimental, pilot, or demonstration energy resource development 15429  
facility; 15430

(2) Acquisition and improvement of land, construction of 15431  
roads, and provision of other public facilities incidental and 15432  
necessary to the accomplishment of experimental, pilot, or 15433  
demonstration energy resource development facilities; 15434

(3) Operation of an energy resource development experimental, 15435  
pilot, or demonstration project or facility, which could include 15436  
but not be limited to labor, feedstocks, and repair or replacement 15437  
parts; 15438

(4) Purchase of all or a portion of the usable output of 15439  
energy resource development experimental, pilot, or demonstration 15440  
projects and the disposition of this output for use in the 15441  
facilities of governmental agencies. 15442

(D) Each grant made pursuant to this section shall be 15443  
accomplished through written agreements between the department and 15444  
the person or governmental agency which would effect the 15445  
construction and operation of the project or facility, and between 15446  
the department and the persons and governmental agencies which 15447  
would share the expenses and costs of the project or facility. In 15448  
addition to such other terms as may be required by law or advised 15449

office in the exercise of the powers granted to it by this 15903  
chapter. 15904

**Sec. 1555.08.** (A) Subject to the limitations provided in 15905  
Section 15 of Article VIII, Ohio Constitution, the commissioners 15906  
of the sinking fund, upon certification by the director of the 15907

purpose of making grants or loans for allowable costs, or needed 15910  
for capitalized interest, for funding reserves, and for paying 15911  
costs and expenses incurred in connection with the issuance, 15912  
carrying, securing, paying, redeeming, or retirement of the 15913

providing moneys for loan guarantees, shall issue obligations of 15921

the state under this section in amounts authorized by the general 15922  
assembly; provided that such obligations may be issued to the 15923  
extent necessary to satisfy the covenants in contracts of 15924  
guarantee made under section 1555.05 of the Revised Code to issue 15925  
obligations to meet such guarantees, notwithstanding limitations 15926  
otherwise applicable to the issuance of obligations under this 15927  
section except the one-hundred-million-dollar limitation provided 15928  
in Section 15 of Article VIII, Ohio Constitution. The proceeds of 15929  
such obligations, except for the portion to be deposited in the 15930  
coal research and development bond service fund as may be provided 15931  
in the bond proceedings, shall as provided in the bond proceedings 15932  
be deposited in the coal research and development fund. The 15933

agents, and transfer agents and may retain the services of 15935  
financial advisors, accounting experts, and attorneys, and retain 15936  
or contract for the services of marketing, remarketing, indexing, 15937  
and administrative agents, other consultants, and independent 15938  
contractors, including printing services, as are necessary in 15939  
their judgment to carry out this section. 15940

(B) The full faith and credit of the state of Ohio is hereby 15941  
pledged to obligations issued under this section. The right of the 15942  
holders and owners to payment of bond service charges is limited 15943  
to all or that portion of the moneys pledged thereto pursuant to 15944  
the bond proceedings in accordance with this section, and each 15945  
such obligation shall bear on its face a statement to that effect. 15946

(C) Obligations shall be authorized by resolution of the 15947  
commissioners of the sinking fund on request of the director of 15948  
the Ohio coal development office as provided in section 1555.02 of 15949  
the Revised Code and the bond proceedings shall provide for the 15950  
purpose thereof and the principal amount or amounts, and shall 15951  
provide for or authorize the manner or agency for determining the 15952  
principal maturity or maturities, not exceeding forty years from 15953

the date of issuance, the interest rate or rates or the maximum 15954  
interest rate, the date of the obligations and the dates of 15955  
payment of interest thereon, their denomination, and the 15956  
establishment within or without the state of a place or places of 15957  
payment of bond service charges. Sections 9.98 to 9.983 of the 15958  
Revised Code apply to obligations issued under this section. The 15959  
purpose of such obligations may be stated in the bond proceedings 15960  
in terms describing the general purpose or purposes to be served. 15961  
The bond proceedings shall also provide, subject to the provisions 15962  
of any other applicable bond proceedings, for the pledge of all, 15963  
or such part as the commissioners of the sinking fund may 15964  
determine, of the moneys credited to the coal research and 15965  
development bond service fund to the payment of bond service 15966  
charges, which pledges may be made either prior or subordinate to 15967  
other expenses, claims, or payments and may be made to secure the 15968  
obligations on a parity with obligations theretofore or thereafter 15969  
issued, if and to the extent provided in the bond proceedings. The 15970  
moneys so pledged and thereafter received by the state are 15971  
immediately subject to the lien of such pledge without any 15972  
physical delivery thereof or further act, and the lien of any such 15973  
pledges is valid and binding against all parties having claims of 15974  
any kind against the state or any governmental agency of the 15975  
state, irrespective of whether such parties have notice thereof, 15976  
and shall create a perfected security interest for all purposes of 15977  
Chapter 1309. of the Revised Code, without the necessity for 15978  
separation or delivery of funds or for the filing or recording of 15979  
the bond proceedings by which such pledge is created or any 15980  
certificate, statement or other document with respect thereto; and 15981  
the pledge of such moneys is effective and the money therefrom and 15982  
thereof may be applied to the purposes for which pledged without 15983  
necessity for any act of appropriation. Every pledge, and every 15984  
covenant and agreement made with respect thereto, made in the bond 15985  
proceedings may therein be extended to the benefit of the owners 15986

and holders of obligations authorized by this section, and to any trustee therefor, for the further security of the payment of the bond service charges.

(D) The bond proceedings may contain additional provisions as to:

(1) The redemption of obligations prior to maturity at the option of the commissioners of the sinking fund at such price or prices and under such terms and conditions as are provided in the bond proceedings;

(2) Other terms of the obligations;

(3) Limitations on the issuance of additional obligations;

(4) The terms of any trust agreement or indenture securing the obligations or under which the obligations may be issued;

(5) The deposit, investment, and application of the coal research and development bond service fund, and the safeguarding of moneys on hand or on deposit, without regard to Chapter 131. or 135. of the Revised Code, but subject to any special provisions of this chapter, with respect to particular moneys; provided, that any bank or trust company which acts as depository of any moneys in the fund may furnish such indemnifying bonds or may pledge such securities as required by the commissioners of the sinking fund;

(6) Any other provision of the bond proceedings being binding upon the commissioners of the sinking fund, or such other body or person as may from time to time have the authority under law to take such actions as may be necessary to perform all or any part of the duty required by such provision;

(7) Any provision which may be made in a trust agreement or indenture;

(8) Any other or additional agreements with the holders of the obligations, or the trustee therefor, relating to the

obligations or the security therefor, including the assignment of 16017  
mortgages or other security obtained or to be obtained for loans 16018  
under this chapter. 16019

(E) The obligations may have the great seal of the state or a 16020  
facsimile thereof affixed thereto or printed thereon. The 16021  
obligations shall be signed by such members of the commissioners 16022  
of the sinking fund as are designated in the resolution 16023  
authorizing the obligations or bear the facsimile signatures of 16024  
such members. Any coupons attached to the obligations shall bear 16025  
the facsimile signature of the treasurer of state. Any obligations 16026  
may be executed by the persons who, on the date of execution, are 16027  
the commissioners although on the date of such bonds the persons 16028  
were not the commissioners. Any coupons may be executed by the 16029  
person who, on the date of execution, is the treasurer of state 16030  
although on the date of such coupons the person was not the 16031  
treasurer of state. In case any officer or commissioner whose 16032  
signature or a facsimile of whose signature appears on any such 16033  
obligations or any coupons ceases to be such officer or 16034  
commissioner before delivery thereof, such signature or facsimile 16035  
is nevertheless valid and sufficient for all purposes as if the 16036  
individual had remained such officer or commissioner until such 16037  
delivery; and in case the seal to be affixed to obligations has 16038  
been changed after a facsimile of the seal has been imprinted on 16039  
such obligations, such facsimile seal shall continue to be 16040  
sufficient as to such obligations and obligations issued in 16041  
substitution or exchange therefor. 16042

(F) All obligations except loan guarantees are negotiable 16043  
instruments and securities under Chapter 1308. of the Revised 16044  
Code, subject to the provisions of the bond proceedings as to 16045  
registration. The obligations may be issued in coupon or in 16046  
registered form, or both, as the commissioners of the sinking fund 16047  
determine. Provision may be made for the registration of any 16048

obligations with coupons attached thereto as to principal alone or 16049  
as to both principal and interest, their exchange for obligations 16050  
so registered, and for the conversion or reconversion into 16051  
obligations with coupons attached thereto of any obligations 16052  
registered as to both principal and interest, and for reasonable 16053  
charges for such registration, exchange, conversion, and 16054  
reconversion. 16055

(G) Obligations may be sold at public sale or at private 16056  
sale, as determined in the bond proceedings. 16057

(H) Pending preparation of definitive obligations, the 16058  
commissioners of the sinking fund may issue interim receipts or 16059  
certificates which shall be exchanged for such definitive 16060  
obligations. 16061

(I) In the discretion of the commissioners of the sinking 16062  
fund, obligations may be secured additionally by a trust agreement 16063  
or indenture between the commissioners and a corporate trustee, 16064  
which may be any trust company or bank having its principal place 16065  
of business within the state. Any such agreement or indenture may 16066  
contain the resolution authorizing the issuance of the 16067  
obligations, any provisions that may be contained in any bond 16068  
proceedings, and other provisions that are customary or 16069  
appropriate in an agreement or indenture of such type, including, 16070  
but not limited to: 16071

(1) Maintenance of each pledge, trust agreement, indenture, 16072  
or other instrument comprising part of the bond proceedings until 16073  
the state has fully paid the bond service charges on the 16074  
obligations secured thereby, or provision therefor has been made; 16075

(2) In the event of default in any payments required to be 16076  
made by the bond proceedings, or any other agreement of the 16077  
commissioners of the sinking fund made as a part of the contract 16078  
under which the obligations were issued, enforcement of such 16079

payments or agreement by mandamus, the appointment of a receiver, 16080  
suit in equity, action at law, or any combination of the 16081  
foregoing; 16082

(3) The rights and remedies of the holders of obligations and 16083  
of the trustee, and provisions for protecting and enforcing them, 16084  
including limitations on rights of individual holders of 16085  
obligations; 16086

(4) The replacement of any obligations that become mutilated 16087  
or are destroyed, lost, or stolen; 16088

(5) Such other provisions as the trustee and the 16089  
commissioners of the sinking fund agree upon, including 16090  
limitations, conditions, or qualifications relating to any of the 16091  
foregoing. 16092

(J) Any holder of obligations or a trustee under the bond 16093  
proceedings, except to the extent that the holder's rights are 16094  
restricted by the bond proceedings, may by any suitable form of 16095  
legal proceedings protect and enforce any rights under the laws of 16096  
this state or granted by such bond proceedings. Such rights 16097  
include the right to compel the performance of all duties of the 16098  
commissioners of the sinking fund, the ~~director of development~~ 16099  
Ohio air quality development authority, or the Ohio coal 16100  
development office required by this chapter and Chapter 1551. of 16101  
the Revised Code or the bond proceedings; to enjoin unlawful 16102  
activities; and in the event of default with respect to the 16103  
payment of any bond service charges on any obligations or in the 16104  
performance of any covenant or agreement on the part of the 16105  
commissioners, the ~~director~~ authority, or the office in the bond 16106  
proceedings, to apply to a court having jurisdiction of the cause 16107  
to appoint a receiver to receive and administer the moneys 16108  
pledged, other than those in the custody of the treasurer of 16109  
state, that are pledged to the payment of the bond service charges 16110  
on such obligations or that are the subject of the covenant or 16111

agreement, with full power to pay, and to provide for payment of 16112  
bond service charges on, such obligations, and with such powers, 16113  
subject to the direction of the court, as are accorded receivers 16114  
in general equity cases, excluding any power to pledge additional 16115  
revenues or receipts or other income or moneys of the 16116  
commissioners of the sinking fund or the state or governmental 16117  
agencies of the state to the payment of such principal and 16118  
interest and excluding the power to take possession of, mortgage, 16119  
or cause the sale or otherwise dispose of any project. 16120

Each duty of the commissioners of the sinking fund and their 16121  
employees, and of each governmental agency and its officers, 16122  
members, or employees, undertaken pursuant to the bond proceedings 16123  
or any grant, loan, or loan guarantee agreement made under 16124  
authority of this chapter, and in every agreement by or with the 16125  
commissioners, is hereby established as a duty of the 16126  
commissioners, and of each such officer, member, or employee 16127  
having authority to perform such duty, specifically enjoined by 16128  
the law resulting from an office, trust, or station within the 16129  
meaning of section 2731.01 of the Revised Code. 16130

The persons who are at the time the commissioners of the 16131  
sinking fund, or their employees, are not liable in their personal 16132  
capacities on any obligations issued by the commissioners or any 16133  
agreements of or with the commissioners. 16134

(K) Obligations issued under this section are lawful 16135  
investments for banks, societies for savings, savings and loan 16136  
associations, deposit guarantee associations, trust companies, 16137  
trustees, fiduciaries, insurance companies, including domestic for 16138

division (I) of this section expressly permits investment in 16151  
direct obligations of the United States or an agency of the United 16152  
States, unless expressly prohibited by the instrument, such moneys 16153  
also may be invested in no-front-end-load money market mutual 16154  
funds consisting exclusively of obligations of the United States 16155  
or an agency of the United States and in repurchase agreements, 16156  
including those issued by the fiduciary itself, secured by 16157  
obligations of the United States or an agency of the United 16158  
States; and in collective investment funds established in 16159  
accordance with section 1111.14 of the Revised Code and consisting 16160  
exclusively of any such securities, notwithstanding division 16161  
(A)(1)(c) of that section. The income from such investments shall 16162  
be credited to such funds as the commissioners of the sinking fund 16163  
determine, and such investments may be sold at such times as the 16164  
commissioners determine or authorize. 16165

(M) Provision may be made in the applicable bond proceedings 16166

specified bond service charges on obligations pertinent to such 16169  
accounts and bond service fund and for other accounts therein 16170  
within the general purposes of such fund. Moneys to the credit of 16171  
the bond service fund shall be disbursed on the order of the 16172  
treasurer of state; provided, that no such order is required for 16173  
the payment from the bond service fund when due of bond service 16174

such portion as they determine, of the receipts of the bond 16177  
service fund to the payment of bond service charges on obligations 16178  
issued under this section, and for the establishment and 16179  
maintenance of any reserves, as provided in the bond proceedings, 16180  
and make other provisions therein with respect to pledged receipts 16181  
as authorized by this chapter, which provisions control 16182  
notwithstanding any other provisions of law pertaining thereto. 16183

(O) The commissioners of the sinking fund may covenant in the 16184  
bond proceedings, and any such covenants control notwithstanding 16185  
any other provision of law, that the state and applicable officers 16186  
and governmental agencies of the state, including the general 16187  
assembly, so long as any obligations are outstanding, shall: 16188

the bond proceedings, and, as necessary, to meet covenants 16193  
contained in any loan guarantees made under this chapter; 16194

(2) Take or permit no action, by statute or otherwise, that 16195  
would impair the exemption from federal income taxation of the 16196  
interest on the obligations. 16197

(P) All moneys received by or on account of the state and 16198  
required by the applicable bond proceedings, consistent with this 16199  
section, to be deposited, transferred, or credited to the coal 16200  
research and development bond service fund, and all other moneys 16201

fund, shall be credited to such fund and to any separate accounts 16203

but without necessity for any act of appropriation. During the 16205  
period beginning with the date of the first issuance of 16206  
obligations and continuing during such time as any such 16207

obligations are outstanding, and so long as moneys in the bond 16208  
service fund are insufficient to pay all bond service charges on 16209  
such obligations becoming due in each year, a sufficient amount of 16210  
moneys of the state are committed and shall be paid to the bond 16211  
service fund in each year for the purpose of paying the bond 16212  
service charges becoming due in that year without necessity for 16213  
further act of appropriation for such purpose. The bond service 16214  
fund is a trust fund and is hereby pledged to the payment of bond 16215  
service charges to the extent provided in the applicable bond 16216  
proceedings, and payment thereof from such fund shall be made or 16217  
provided for by the treasurer of state in accordance with such 16218  
bond proceedings without necessity for any act of appropriation. 16219  
All investment earnings of the fund shall be credited to the fund. 16220

(Q) For purposes of establishing the limitations contained in 16221  
Section 15 of Article VIII, Ohio Constitution, the "principal 16222  
amount" refers to the aggregate of the offering price of the bonds 16223  
or notes. "Principal amount" does not refer to the aggregate value 16224  
at maturity or redemption of the bonds or notes. 16225

(R) This section applies only with respect to obligations 16226  
issued and delivered prior to September 30, 2000. 16227

prepayment and premium rate, or amendment, have been filed with 16620  
the superintendent of insurance, and shall not be effective until 16621  
the expiration of sixty days after their filing unless the 16622  
superintendent sooner gives approval. The filing shall be 16623  
accompanied by an actuarial certification in the form prescribed 16624  
by the superintendent. The superintendent shall disapprove the 16625  
filing, if the superintendent determines within the sixty-day 16626  
period that the contractual periodic prepayment or premium rate, 16627  
or amendment, is not in accordance with sound actuarial principles 16628  
or is not reasonably related to the applicable coverage and 16629  
characteristics of the applicable class of enrollees. The 16630  
superintendent shall notify the health insuring corporation of the 16631  
disapproval, and it shall thereafter be unlawful for the health 16632  
insuring corporation to use the contractual periodic prepayment or 16633  
premium rate, or amendment. 16634

(2) No contractual periodic prepayment for group policies for 16635  
health care services shall be used until the contractual periodic 16636  
prepayment has been filed with the superintendent. The filing 16637  
shall be accompanied by an actuarial certification in the form 16638  
prescribed by the superintendent. The superintendent may reject a 16639

filing made under division (A)(2) of this section at any time, 16640  
with at least thirty days' written notice to a health insuring 16641  
corporation, if the contractual periodic prepayment is not in 16642  
accordance with sound actuarial principles or is not reasonably 16643  
related to the applicable coverage and characteristics of the 16644  
applicable class of enrollees. 16645

(3) At any time, the superintendent, upon at least thirty 16646  
days' written notice to a health insuring corporation, may 16647  
withdraw the approval given under division (A)(1) of this section, 16648  
deemed or actual, of any contractual periodic prepayment or 16649  
premium rate, or amendment, based on information that either of 16650  
the following applies: 16651

(a) The contractual periodic prepayment or premium rate, or 16652  
amendment, is not in accordance with sound actuarial principles. 16653

(b) The contractual periodic prepayment or premium rate, or 16654  
amendment, is not reasonably related to the applicable coverage 16655  
and characteristics of the applicable class of enrollees. 16656

(4) Any disapproval under division (A)(1) of this section, 16657  
any rejection of a filing made under division (A)(2) of this 16658  
section, or any withdrawal of approval under division (A)(3) of 16659  
this section, shall be effected by a written notice, which shall 16660  
state the specific basis for the disapproval, rejection, or 16661  
withdrawal and shall be issued in accordance with Chapter 119. of 16662  
the Revised Code. 16663

(B) Notwithstanding division (A) of this section, a health 16664  
insuring corporation may use a contractual periodic prepayment or 16665  
premium rate for policies used for the coverage of beneficiaries 16666  
enrolled in Title XVIII of the "Social Security Act," 49 Stat. 620 16667  
(1935), 42 U.S.C.A. 301, as amended, pursuant to a medicare risk 16668  
contract or medicare cost contract, or for policies used for the 16669  
coverage of beneficiaries enrolled in the federal employees health 16670

benefits program pursuant to 5 U.S.C.A. 8905, or for policies used 16671  
for the coverage of beneficiaries enrolled in Title XIX of the 16672  
"Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as 16673  
amended, known as the medical assistance program or medicaid, 16674  
provided by the department of job and family services under 16675  
Chapter 5111. of the Revised Code, or for policies used for the 16676  
coverage of beneficiaries under any other federal health care 16677  
program regulated by a federal regulatory body, or for policies 16678  
used for the coverage of beneficiaries under any contract covering 16679  
officers or employees of the state that has been entered into by 16680  
the department of administrative services, if both of the 16681  
following apply: 16682

(1) The contractual periodic prepayment or premium rate has 16683  
been approved by the United States department of health and human 16684  
services, the United States office of personnel management, the 16685  
department of job and family services, or the department of 16686  
administrative services. 16687

(2) The contractual periodic prepayment or premium rate is 16688  
filed with the superintendent prior to use and is accompanied by 16689  
documentation of approval from the United States department of 16690  
health and human services, the United States office of personnel 16691  
management, the department of job and family services, or the 16692  
department of administrative services. 16693

(C) The administrative expense portion of all contractual 16694  
periodic prepayment or premium rate filings submitted to the 16695  
superintendent for review must reflect the actual cost of 16696  
administering the product. The superintendent may require that the 16697  
administrative expense portion of the filings be itemized and 16698  
supported. 16699

(D)(1) Copayments must be reasonable and must not be a 16700  
barrier to the necessary utilization of services by enrollees. 16701

(2) A health insuring corporation, in order to ensure that 16702  
copayments are reasonable and not a barrier to the necessary 16703  
utilization of basic health care services by enrollees, may ~~not~~ 16704  
~~impose~~ do one of the following: 16705

(a) Impose copayment charges on any single covered basic 16706  
health care ~~services~~ service that does not exceed ~~thirty~~ forty per 16707  
cent of the ~~total~~ average cost to the health insuring corporation 16708  
of providing ~~any single covered health care~~ the service, ~~except~~ 16709  
~~for physician office visits, emergency health services, and urgent~~ 16710  
~~care services.~~ 16711

(b) Impose copayment charges that annually do not exceed 16712  
twenty per cent of the total annual cost to the health insuring 16713  
corporation of providing all covered basic health care services, 16714  
including physician office visits, urgent care services, and 16715  
emergency health services, when aggregated as to all persons 16716  
covered under the filed product in question. In addition, annual 16717  
copayment charges as to each enrollee shall not exceed twenty per 16718  
cent of the total annual cost to the health insuring corporation 16719  
of providing all covered basic health care services, including 16720  
physician office visits, urgent care services, and emergency 16721  
health services, as to such enrollee. The total annual cost of 16722  
providing a health care service is the cost to the health insuring 16723  
corporation of providing the health care service to its enrollees 16724  
as reduced by any applicable provider discount. ~~An open panel plan~~ 16725  
~~may not impose copayments on out-of-network benefits that exceed~~ 16726  
~~fifty per cent of the total cost of providing any single covered~~ 16727  
~~health care service.~~ 16728

(3) To ensure that copayments are reasonable and not a 16729  
barrier to the utilization of basic health care services, a health 16730  
insuring corporation may not impose, in any contract year, on any 16731  
subscriber or enrollee, copayments that exceed two hundred per 16732  
cent of the ~~total~~ average annual premium rate to ~~the subscriber~~ 16733

~~subscribers or enrollees. This limitation of two hundred per cent 16734  
does not include any reasonable copayments that are not a barrier 16735  
to the necessary utilization of health care services by enrollees 16736  
and that are imposed on physician office visits, emergency health 16737  
services, urgent care services, supplemental health care services, 16738  
or specialty health care services. 16739~~

(E) A health insuring corporation shall not impose lifetime 16740  
maximums on basic health care services. However, a health insuring 16741  
corporation may establish a benefit limit for inpatient hospital 16742  
services that are provided pursuant to a policy, contract, 16743  
certificate, or agreement for supplemental health care services. 16744

(F) A health insuring corporation may require that an 16745  
enrollee pay an annual deductible that does not exceed one 16746  
thousand dollars per enrollee or two thousand dollars per family. 16747  
The superintendent may adopt rules defining different annual 16748  
deductible amounts for plans with an employer-sponsored medical 16749  
savings account, health reimbursement arrangement, or flexible 16750  
spending account. 16751

**Sec. 1751.13.** (A)(1)(a) A health insuring corporation shall, 16752  
either directly or indirectly, enter into contracts for the 16753  
provision of health care services with a sufficient number and 16754  
types of providers and health care facilities to ensure that all 16755  
covered health care services will be accessible to enrollees from 16756  
a contracted provider or health care facility. 16757

(b) A health insuring corporation shall not refuse to 16758  
contract with a physician for the provision of health care 16759  
services or refuse to recognize a physician as a specialist on the 16760  
basis that the physician attended an educational program or a 16761  
residency program approved or certified by the American 16762  
osteopathic association. A health insuring corporation shall not 16763  
refuse to contract with a health care facility for the provision 16764

of health care services on the basis that the health care facility 16765  
is certified or accredited by the American osteopathic association 16766  
or that the health care facility is an osteopathic hospital as 16767  
defined in section 3702.51 of the Revised Code. 16768

(c) Nothing in division (A)(1)(b) of this section shall be 16769  
construed to require a health insuring corporation to make a 16770  
benefit payment under a closed panel plan to a physician or health 16771  
care facility with which the health insuring corporation does not 16772  
have a contract, provided that none of the bases set forth in that 16773  
division are used as a reason for failing to make a benefit 16774  
payment. 16775

(2) When a health insuring corporation is unable to provide a 16776  
covered health care service from a contracted provider or health 16777  
care facility, the health insuring corporation must provide that 16778  
health care service from a noncontracted provider or health care 16779  
facility consistent with the terms of the enrollee's policy, 16780  
contract, certificate, or agreement. The health insuring 16781  
corporation shall either ensure that the health care service be 16782  
provided at no greater cost to the enrollee than if the enrollee 16783  
had obtained the health care service from a contracted provider or 16784  
health care facility, or make other arrangements acceptable to the 16785  
superintendent of insurance. 16786

(3) Nothing in this section shall prohibit a health insuring 16787  
corporation from entering into contracts with out-of-state 16788  
providers or health care facilities that are licensed, certified, 16789  
accredited, or otherwise authorized in that state. 16790

(B)(1) A health insuring corporation shall, either directly 16791  
or indirectly, enter into contracts with all providers and health 16792  
care facilities through which health care services are provided to 16793  
its enrollees. 16794

(2) A health insuring corporation, upon written request, 16795

shall assist its contracted providers in finding stop-loss or 16796  
reinsurance carriers. 16797

(C) A health insuring corporation shall file an annual 16798  
certificate with the superintendent certifying that all provider 16799  
contracts and contracts with health care facilities through which 16800  
health care services are being provided contain the following: 16801

(1) A description of the method by which the provider or 16802  
health care facility will be notified of the specific health care 16803  
services for which the provider or health care facility will be 16804  
responsible, including any limitations or conditions on such 16805  
services; 16806

(2) The specific hold harmless provision specifying 16807  
protection of enrollees set forth as follows: 16808

"[Provider/Health Care Facility] agrees that in no event, 16809  
including but not limited to nonpayment by the health insuring 16810  
corporation, insolvency of the health insuring corporation, or 16811  
breach of this agreement, shall [Provider/Health Care Facility] 16812  
bill, charge, collect a deposit from, seek remuneration or 16813  
reimbursement from, or have any recourse against, a subscriber, 16814  
enrollee, person to whom health care services have been provided, 16815  
or person acting on behalf of the covered enrollee, for health 16816  
care services provided pursuant to this agreement. This does not 16817  
prohibit [Provider/Health Care Facility] from collecting 16818  
co-insurance, deductibles, or copayments as specifically provided 16819  
in the evidence of coverage, or fees for uncovered health care 16820  
services delivered on a fee-for-service basis to persons 16821  
referenced above, nor from any recourse against the health 16822  
insuring corporation or its successor." 16823

(3) Provisions requiring the provider or health care facility 16824  
to continue to provide covered health care services to enrollees 16825  
in the event of the health insuring corporation's insolvency or 16826

discontinuance of operations. The provisions shall require the 16827  
provider or health care facility to continue to provide covered 16828  
health care services to enrollees as needed to complete any 16829  
medically necessary procedures commenced but unfinished at the 16830  
time of the health insuring corporation's insolvency or 16831  
discontinuance of operations. The completion of a medically 16832  
necessary procedure shall include the rendering of all covered 16833  
health care services that constitute medically necessary follow-up 16834  
care for that procedure. If an enrollee is receiving necessary 16835  
inpatient care at a hospital, the provisions may limit the 16836  
required provision of covered health care services relating to 16837  
that inpatient care in accordance with division (D)(3) of section 16838  
1751.11 of the Revised Code, and may also limit such required 16839  
provision of covered health care services to the period ending 16840  
thirty days after the health insuring corporation's insolvency or 16841  
discontinuance of operations. 16842

The provisions required by division (C)(3) of this section 16843  
shall not require any provider or health care facility to continue 16844  
to provide any covered health care service after the occurrence of 16845  
any of the following: 16846

(a) The end of the thirty-day period following the entry of a 16847  
liquidation order under Chapter 3903. of the Revised Code; 16848

(b) The end of the enrollee's period of coverage for a 16849  
contractual prepayment or premium; 16850

(c) The enrollee obtains equivalent coverage with another 16851  
health insuring corporation or insurer, or the enrollee's employer 16852  
obtains such coverage for the enrollee; 16853

(d) The enrollee or the enrollee's employer terminates 16854  
coverage under the contract; 16855

(e) A liquidator effects a transfer of the health insuring 16856  
corporation's obligations under the contract under division (A)(8) 16857

of section 3903.21 of the Revised Code. 16858

(4) A provision clearly stating the rights and 16859  
responsibilities of the health insuring corporation, and of the 16860  
contracted providers and health care facilities, with respect to 16861  
administrative policies and programs, including, but not limited 16862  
to, payments systems, utilization review, quality assurance, 16863  
assessment, and improvement programs, credentialing, 16864  
confidentiality requirements, and any applicable federal or state 16865  
programs; 16866

(5) A provision regarding the availability and 16867  
confidentiality of those health records maintained by providers 16868  
and health care facilities to monitor and evaluate the quality of 16869  
care, to conduct evaluations and audits, and to determine on a 16870  
concurrent or retrospective basis the necessity of and 16871  
appropriateness of health care services provided to enrollees. The 16872  
provision shall include terms requiring the provider or health 16873  
care facility to make these health records available to 16874  
appropriate state and federal authorities involved in assessing 16875  
the quality of care or in investigating the grievances or 16876  
complaints of enrollees, and requiring the provider or health care 16877  
facility to comply with applicable state and federal laws related 16878  
to the confidentiality of medical or health records. 16879

(6) A provision that states that contractual rights and 16880  
responsibilities may not be assigned or delegated by the provider 16881  
or health care facility without the prior written consent of the 16882  
health insuring corporation; 16883

(7) A provision requiring the provider or health care 16884  
facility to maintain adequate professional liability and 16885  
malpractice insurance. The provision shall also require the 16886  
provider or health care facility to notify the health insuring 16887  
corporation not more than ten days after the provider's or health 16888  
care facility's receipt of notice of any reduction or cancellation 16889

of such coverage.	16890
(8) A provision requiring the provider or health care facility to observe, protect, and promote the rights of enrollees as patients;	16891 16892 16893
(9) A provision requiring the provider or health care facility to provide health care services without discrimination on the basis of a patient's participation in the health care plan, age, sex, ethnicity, religion, sexual preference, health status, or disability, and without regard to the source of payments made for health care services rendered to a patient. This requirement shall not apply to circumstances when the provider or health care facility appropriately does not render services due to limitations arising from the provider's or health care facility's lack of training, experience, or skill, or due to licensing restrictions.	16894 16895 16896 16897 16898 16899 16900 16901 16902 16903
(10) A provision containing the specifics of any obligation on the primary care provider to provide, or to arrange for the provision of, covered health care services twenty-four hours per day, seven days per week;	16904 16905 16906 16907
(11) A provision setting forth procedures for the resolution of disputes arising out of the contract;	16908 16909
(12) A provision stating that the hold harmless provision required by division (C)(2) of this section shall survive the termination of the contract with respect to services covered and provided under the contract during the time the contract was in effect, regardless of the reason for the termination, including the insolvency of the health insuring corporation;	16910 16911 16912 16913 16914 16915
(13) A provision requiring those terms that are used in the contract and that are defined by this chapter, be used in the contract in a manner consistent with those definitions.	16916 16917 16918

(D)(1) No health insuring corporation contract with a provider or health care facility shall contain any of the following:

(a) A provision that directly or indirectly offers an inducement to the provider or health care facility to reduce or limit medically necessary health care services to a covered enrollee;

(b) A provision that penalizes a provider or health care facility that assists an enrollee to seek a reconsideration of the health insuring corporation's decision to deny or limit benefits to the enrollee;

(c) A provision that limits or otherwise restricts the provider's or health care facility's ethical and legal responsibility to fully advise enrollees about their medical condition and about medically appropriate treatment options;

(d) A provision that penalizes a provider or health care facility for principally advocating for medically necessary health care services;

(e) A provision that penalizes a provider or health care facility for providing information or testimony to a legislative or regulatory body or agency. This shall not be construed to prohibit a health insuring corporation from penalizing a provider or health care facility that provides information or testimony that is libelous or slanderous or that discloses trade secrets which the provider or health care facility has no privilege or permission to disclose.

(2) Nothing in this division shall be construed to prohibit a health insuring corporation from doing either of the following:

(a) Making a determination not to reimburse or pay for a particular medical treatment or other health care service;

(3) Acknowledge the health insuring corporation's role in approving the participation of the provider or health care facility, pursuant to division (E) of this section.

(G) Any provider contract or contract with a health care facility shall clearly specify the health insuring corporation's statutory responsibility to monitor and oversee the offering of covered health care services to its enrollees.

(H)(1) A health insuring corporation shall maintain its provider contracts and its contracts with health care facilities at one or more of its places of business in this state, and shall provide copies of these contracts to facilitate regulatory review upon written notice by the superintendent of insurance.

(2) Any contract with an intermediary organization that accepts compensation shall include provisions requiring the intermediary organization to provide the superintendent with regulatory access to all books, records, financial information, and documents related to the provision of health care services to subscribers and enrollees under the contract. The contract shall require the intermediary organization to maintain such books, records, financial information, and documents at its principal place of business in this state and to preserve them for at least three years in a manner that facilitates regulatory review.

(I)(1) A health insuring corporation shall notify its affected enrollees of the termination of a contract for the provision of health care services between the health insuring corporation and a primary care physician or hospital, by mail, within thirty days after the termination of the contract.

(a) Notice shall be given to subscribers of the termination of a contract with a primary care physician if the subscriber, or a dependent covered under the subscriber's health care coverage, has received health care services from the primary care physician

within the previous twelve months or if the subscriber or 17014

covered under the subscriber's health care coverage, has received 17020  
health care services from that hospital within the previous twelve 17021

(2) The health insuring corporation shall pay, in accordance 17023  
with the terms of the contract, for all covered health care 17024  
services rendered to an enrollee by a primary care physician or 17025  
hospital between the date of the termination of the contract and 17026  
five days after the notification of the contract termination is 17027

shall provide the following: 17058

(a) In the case of an individual who is not a federally 17059  
eligible individual, benefits comparable to benefits in any of the 17060  
individual contracts then being issued to individual subscribers 17061  
by the health insuring corporation; 17062

(b) In the case of a federally eligible individual, a basic 17063  
and standard plan established by the board of directors of the 17064  
Ohio health reinsurance program or plans substantially similar to 17065  
the basic and standard plan in benefit design and scope of covered 17066  
services. For purposes of division (B)(1)(b) of this section, the 17067  
superintendent of insurance shall determine whether a plan is 17068  
substantially similar to the basic or standard plan in benefit 17069  
design and scope of covered services. The contractual periodic 17070  
prepayments charged for such plans may not exceed an amount that 17071  
is two times the midpoint of the standard rate charged any other 17072  
individual of a group to which the organization is currently 17073  
accepting new business and for which similar copayments and 17074

<u>deductibles</u> are applied.	17075
(2) The direct payment contract offered pursuant to division	17076
(A) of this section may include a coordination of benefits	17077
provision as approved by the superintendent.	17078
(3) For purposes of division (B) of this section "federally	17079
eligible individual" means an eligible individual as defined in 45	17080
C.F.R. 148.103.	17081
(C) The option for conversion shall be available:	17082
(1) Upon the death of the subscriber, to the surviving spouse	17083
with respect to such of the spouse and dependents as are then	17084
covered by the group contract;	17085
(2) To a child solely with respect to the child upon the	17086
child's attaining the limiting age of coverage under the group	17087
contract while covered as a dependent under the contract;	17088
(3) Upon the divorce, dissolution, or annulment of the	17089
marriage of the subscriber, to the divorced spouse, or, in the	17090
event of annulment, to the former spouse of the subscriber.	17091
(D) No health insuring corporation shall use age as the basis	17092
for refusing to renew a converted contract.	17093
(E) Written notice of the conversion option provided by this	17094
section shall be given to the subscriber by the health insuring	17095
corporation by mail. The notice shall be sent to the subscriber's	17096
address in the records of the employer upon receipt of notice from	17097
the employer of the event giving rise to the conversion option. If	17098
the subscriber has not received notice of the conversion privilege	17099
at least fifteen days prior to the expiration of the thirty-day	17100
conversion period, then the subscriber shall have an additional	17101
period within which to exercise the privilege. This additional	17102
period shall expire fifteen days after the subscriber receives	17103
notice, but in no event shall the period extend beyond sixty days	17104

after the expiration of the thirty-day conversion period. 17105

(F) This section does not apply to any group contract 17106  
offering only supplemental health care services or specialty 17107  
health care services. 17108

**Sec. 1751.60.** (A) Except as provided for in divisions (E) and 17109  
(F) of this section, every provider or health care facility that 17110  
contracts with a health insuring corporation to provide health 17111  
care services to the health insuring corporation's enrollees or 17112  
subscribers shall seek compensation for covered services solely 17113  
from the health insuring corporation and not, under any 17114  
circumstances, from the enrollees or subscribers, except for 17115  
approved copayments and deductibles. 17116

(B) No subscriber or enrollee of a health insuring 17117  
corporation is liable to any contracting provider or health care 17118  
facility for the cost of any covered health care services, if the 17119  
subscriber or enrollee has acted in accordance with the evidence 17120  
of coverage. 17121

(C) Except as provided for in divisions (E) and (F) of this 17122  
section, every contract between a health insuring corporation and 17123  
provider or health care facility shall contain a provision 17124  
approved by the superintendent of insurance requiring the provider 17125  
or health care facility to seek compensation solely from the 17126  
health insuring corporation and not, under any circumstances, from 17127  
the subscriber or enrollee, except for approved copayments and 17128  
deductibles. 17129

(D) Nothing in this section shall be construed as preventing 17130  
a provider or health care facility from billing the enrollee or 17131  
subscriber of a health insuring corporation for noncovered 17132  
services. 17133

(E) Upon application by a health insuring corporation and a 17134

provider or health care facility, the superintendent may waive the 17135  
requirements of divisions (A) and (C) of this section when, in 17136  
addition to the reserve requirements contained in section 1751.28 17137  
of the Revised Code, the health insuring corporation provides 17138  
sufficient assurances to the superintendent that the provider or 17139  
health care facility has been provided with financial guarantees. 17140  
No waiver of the requirements of divisions (A) and (C) of this 17141  
section is effective as to enrollees or subscribers for whom the 17142  
health insuring corporation is compensated under a provider 17143  
agreement or risk contract entered into pursuant to Chapter 5111. 17144  
or 5115. of the Revised Code. 17145

(F) The requirements of divisions (A) to (C) of this section 17146  
apply only to health care services provided to an enrollee or 17147  
subscriber prior to the effective date of a termination of a 17148  
contract between the health insuring corporation and the provider 17149  
or health care facility. 17150

**Sec. 2101.16.** (A) The fees enumerated in this division shall 17151  
be charged and collected, if possible, by the probate judge and 17152  
shall be in full for all services rendered in the respective 17153  
proceedings: 17154

surplus moneys in the fund as permitted in division (C) of section 17327  
2151.3529, division (B) of section 2151.3530, or section 5103.155 17328

information: 17336

(5) A description of the claim for estate recovery; 17343

(6) The amount of funds to be recovered. 17344

(1) The decedent held an account at the financial institution 17348  
that was in the decedent's name only. 17349

(2) No estate has been, and it is reasonable to assume that 17350  
no estate will be, opened for the decedent. 17351

administrator of the estate recovery program. 17353

(4) The financial institution has received no objections or 17354  
has determined that no valid objections to release of proceeds 17355  
have been received. 17356

(C) If proceeds have been released pursuant to division (B) of this section and the department of job and family services receives notice of a valid claim to the proceeds that has a higher priority under section 2117.25 of the Revised Code than the claim of the estate recovery program, the department may refund the proceeds to the financial institution or pay them to the person or government entity with the claim.

**Sec. 2117.06.** (A) All creditors having claims against an estate, including claims arising out of contract, out of tort, on cognovit notes, or on judgments, whether due or not due, secured or unsecured, liquidated or unliquidated, shall present their claims in one of the following manners:

(1) To the executor or administrator in a writing;

(2) To the executor or administrator in a writing, and to the probate court by filing a copy of the writing with it;

(3) In a writing that is sent by ordinary mail addressed to the decedent and that is actually received by the executor or administrator within the appropriate time specified in division (B) of this section. For purposes of this division, if an executor or administrator is not a natural person, the writing shall be considered as being actually received by the executor or administrator only if the person charged with the primary responsibility of administering the estate of the decedent actually receives the writing within the appropriate time specified in division (B) of this section.

(B) ~~All~~ Except as provided in section 2117.061 of the Revised Code, all claims shall be presented within one year after the death of the decedent, whether or not the estate is released from administration or an executor or administrator is appointed during that one-year period. Every claim presented shall set forth the claimant's address.

(C) A Except as provided in section 2117.061 of the Revised Code, a claim that is not presented within one year after the death of the decedent shall be forever barred as to all parties, including, but not limited to, devisees, legatees, and distributees. No payment shall be made on the claim and no action shall be maintained on the claim, except as otherwise provided in sections 2117.37 to 2117.42 of the Revised Code with reference to contingent claims.

(D) In the absence of any prior demand for allowance, the executor or administrator shall allow or reject all claims, except tax assessment claims, within thirty days after their presentation, provided that failure of the executor or administrator to allow or reject within that time shall not prevent the executor or administrator from doing so after that time and shall not prejudice the rights of any claimant. Upon the allowance of a claim, the executor or the administrator, on demand of the creditor, shall furnish the creditor with a written statement or memorandum of the fact and date of the allowance.

(E) If the executor or administrator has actual knowledge of a pending action commenced against the decedent prior to the decedent's death in a court of record in this state, the executor or administrator shall file a notice of the appointment of the executor or administrator in the pending action within ten days after acquiring that knowledge. If the administrator or executor is not a natural person, actual knowledge of a pending suit against the decedent shall be limited to the actual knowledge of the person charged with the primary responsibility of administering the estate of the decedent. Failure to file the notice within the ten-day period does not extend the claim period established by this section.

(F) This section applies to any person who is required to give written notice to the executor or administrator of a motion

or application to revive an action pending against the decedent at 17420  
the date of the death of the decedent. 17421

(G) Nothing in this section or in section 2117.07 of the 17422  
Revised Code shall be construed to reduce the time mentioned in 17423  
section 2125.02, 2305.09, 2305.10, 2305.11, 2305.113, or 2305.12 17424  
of the Revised Code, provided that no portion of any recovery on a 17425  
claim brought pursuant to any of those sections shall come from 17426  
the assets of an estate unless the claim has been presented 17427  
against the estate in accordance with Chapter 2117. of the Revised 17428  
Code. 17429

(H) Any person whose claim has been presented and has not 17430  
been rejected after presentment is a creditor as that term is used 17431  
in Chapters 2113. to 2125. of the Revised Code. Claims that are 17432  
contingent need not be presented except as provided in sections 17433  
2117.37 to 2117.42 of the Revised Code, but, whether presented 17434  
pursuant to those sections or this section, contingent claims may 17435  
be presented in any of the manners described in division (A) of 17436  
this section. 17437

(I) If a creditor presents a claim against an estate in 17438  
accordance with division (A)(2) of this section, the probate court 17439  
shall not close the administration of the estate until that claim 17440  
is allowed or rejected. 17441

(J) The probate court shall not require an executor or 17442  
administrator to make and return into the court a schedule of 17443  
claims against the estate. 17444

(K) If the executor or administrator makes a distribution of 17445  
the assets of the estate prior to the expiration of the time for 17446  
the filing of claims as set forth in this section, the executor or 17447  
administrator shall provide notice on the account delivered to 17448  
each distributee that the distributee may be liable to the estate 17449  
up to the value of the distribution and may be required to return 17450

all or any part of the value of the distribution if a valid claim 17451  
is subsequently made against the estate within the time permitted 17452  
under this section. 17453

Sec. 2117.061. (A) As used in this section, "person 17454

the Revised Code, with the suspension continuing until the child 17963  
attends and satisfactorily completes a drug abuse or alcohol abuse 17964  
education, intervention, or treatment program specified by the 17965  
court. During the time the child is attending the program, the 17966

court shall retain any temporary instruction permit, probationary 17967

(2) Each victim impact statement shall identify the victim of 17988  
the act for which the child was adjudicated a delinquent child, 17989

chronic truant or an habitual truant who previously has been 18026

addition to any order of disposition it makes under this section, 18031  
the court shall warn the parent, guardian, or other person having 18032  
care of the child that any subsequent adjudication of the child as 18033  
an unruly or delinquent child for being an habitual or chronic 18034  
truant may result in a criminal charge against the parent, 18035  
guardian, or other person having care of the child for a violation 18036  
of division (C) of section 2919.21 or section 2919.24 of the 18037

(3) "Fees" means reasonable attorney's fees, in an amount not 20045  
to exceed seventy-five dollars per hour or a higher hourly fee 20046  
approved by the court. 20047

(4) "Internal Revenue Code" means the "Internal Revenue Code 20048  
of 1954," 68A Stat. 3, 26 U.S.C. 1, as amended. 20049

(5) "Prevailing eligible party" means an eligible party that 20050  
prevails in an action or appeal involving the state. 20051

(6) "State" has the same meaning as in section 2743.01 of the 20052  
Revised Code. 20053

(B)(1) Except as provided in divisions (B)(2) and (F) of this 20054  
section, in a civil action, or appeal of a judgment in a civil 20055  
action, to which the state is a party, or in an appeal of an 20056  
adjudication order of an agency pursuant to section 119.12 of the 20057  
Revised Code, the prevailing eligible party is entitled, upon 20058  
filing a motion in accordance with this division, to compensation 20059  
for fees incurred by that party in connection with the action or 20060  
appeal. Compensation, when payable to a prevailing eligible party 20061  
under this section, is in addition to any other costs and expenses 20062  
that may be awarded to that party by the court pursuant to law or 20063  
rule. 20064

A prevailing eligible party that desires an award of 20065  
compensation for fees shall file a motion requesting the award 20066  
with the court within thirty days after the court enters final 20067  
judgment in the action or appeal. The motion shall do all of the 20068  
following: 20069

(a) Identify the party; 20070

(b) Indicate that the party is the prevailing eligible party 20071  
and is entitled to receive an award of compensation for fees; 20072

(c) Include a statement that the state's position in 20073  
initiating the matter in controversy was not substantially 20074  
justified; 20075

(d) Indicate the amount sought as an award; 20076

(e) Itemize all fees sought in the requested award. The 20077  
itemization shall include a statement from any attorney who 20078  
represented the prevailing eligible party, that indicates the fees 20079  
charged, the actual time expended, and the rate at which the fees 20080  
were calculated. 20081

(2) Upon the filing of a motion under this section, the court 20082  
shall review the request for the award of compensation for fees 20083  
and determine whether the position of the state in initiating the 20084  
matter in controversy was substantially justified, whether special 20085  
circumstances make an award unjust, and whether the prevailing 20086  
eligible party engaged in conduct during the course of the action 20087  
or appeal that unduly and unreasonably protracted the final 20088  
resolution of the matter in controversy. The court shall issue an 20089  
order, in writing, on the motion of the prevailing eligible party, 20090  
which order shall include a statement indicating whether an award 20091  
has been granted, the findings and conclusions underlying it, the 20092  
reasons or bases for the findings and conclusions, and, if an 20093  
award has been granted, its amount. The order shall be included in 20094  
the record of the action or appeal, and the clerk of the court 20095  
shall mail a certified copy of it to the state and the prevailing 20096  
eligible party. 20097

With respect to a motion under this section, the state has 20098  
the burden of proving that its position in initiating the matter 20099  
in controversy was substantially justified, that special 20100  
circumstances make an award unjust, or that the prevailing 20101

eligible party engaged in conduct during the course of the action 20102  
or appeal that unduly and unreasonably protracted the final 20103  
resolution of the matter in controversy. 20104

A court considering a motion under this section may deny an 20105  
award entirely, or reduce the amount of an award that otherwise 20106  
would be payable, to a prevailing eligible party only as follows: 20107

(a) If the court determines that the state has sustained its 20108  
burden of proof that its position in initiating the matter in 20109  
controversy was substantially justified or that special 20110  
circumstances make an award unjust, the motion shall be denied; 20111

(b) If the court determines that the state has sustained its 20112  
burden of proof that the prevailing eligible party engaged in 20113  
conduct during the course of the action or appeal that unduly and 20114  
unreasonably protracted the final resolution of the matter in 20115  
controversy, the court may reduce the amount of an award, or deny 20116  
an award, to that party to the extent of that conduct. 20117

An order of a court considering a motion under this section 20118  
is appealable as in other cases, by a prevailing eligible party 20119  
that is denied an award or receives a reduced award. If the case 20120  
is an appeal of the adjudication order of an agency pursuant to 20121  
section 119.12 of the Revised Code, the agency may appeal an order 20122  
granting an award. The order of the court may be modified by the 20123  
appellate court only if it finds that the grant or the failure to 20124  
grant an award, or the calculation of the amount of an award, 20125  
involved an abuse of discretion. 20126

(C) Compensation for fees awarded to a prevailing eligible 20127  
party under this section may be paid by the specific branch of the 20128  
state government or the state department, board, office, 20129  
commission, agency, institution, or other instrumentality over 20130  
which the party prevailed in the action or appeal from any funds 20131  
available to it for payment of such compensation. If compensation 20132

is not paid from such funds or such funds are not available, upon 20133  
the filing of the court's order in favor of the prevailing 20134  
eligible party with the clerk of the court of claims, the order 20135  
shall be treated as if it were a judgment under Chapter 2743. of 20136  
the Revised Code and be payable in accordance with the procedures 20137  
specified in section 2743.19 of the Revised Code, except that 20138  
interest shall not be paid in relation to the award. 20139

(D) If compensation for fees is awarded under this section to 20140  
a prevailing eligible party that is appealing an agency 20141  
adjudication order pursuant to section 119.12 of the Revised Code, 20142  
it shall include the fees incurred in the appeal and, if requested 20143  
in the motion, the fees incurred by the party in the adjudication 20144  
hearing conducted under Chapter 119. of the Revised Code. A motion 20145  
containing such a request shall itemize, in the manner described 20146  
in division (B)(1)(e) of section 119.092 of the Revised Code, the 20147  
fees, as defined in that section, that are sought in an award. 20148

(E) Each court that orders during any fiscal year 20149  
compensation for fees to be paid to a prevailing eligible party 20150  
pursuant to this section shall prepare a report for that year. The 20151  
report shall be completed no later than the first day of October 20152  
of the fiscal year following the fiscal year covered by the 20153  
report, and copies of it shall be filed with the general assembly. 20154  
It shall contain the following information: 20155

(1) The total amount and total number of awards of 20156  
compensation for fees required to be paid to prevailing eligible 20157  
parties; 20158

(2) The amount and nature of each individual award ordered; 20159

(3) Any other information that may aid the general assembly 20160  
in evaluating the scope and impact of awards of compensation for 20161  
fees. 20162

attachment, a court may issue an order of attachment without 20321  
issuing notice to the defendant against whom the motion was filed 20322  
and without conducting a hearing if the court finds that there is 20323  
probable cause to support the motion and that the plaintiff that 20324  
filed the motion for attachment will suffer irreparable injury if 20325  
the order is delayed until the defendant against whom the motion 20326  
has been filed has been given the opportunity for a hearing. The 20327  
court's findings shall be based upon the motion and affidavit 20328

your reasons for disputing the claim in the space provided on the 20388  
form; however, you are not required to do so. If you do state your 20389  
reasons for disputing the claim, you are not prohibited from 20390

it will be held within three business days after delivery of your 20394  
request for hearing and notice of the date, time, and place of the 20395

(D) The defendant may receive a hearing in accordance with 20441  
section 2715.043 of the Revised Code by delivering a written 20442  
request for hearing to the court within five business days after 20443  
receipt of the notice provided pursuant to division (C) of this 20444  
section. The request may set forth the defendant's reasons for 20445  
disputing the plaintiff's claim for possession of property. 20446  
However, neither the defendant's inclusion of nor failure to 20447  
include such reasons upon the request constitutes a waiver of any 20448  
defense of the defendant or affects the defendant's right to 20449  
produce evidence at any hearing or at the trial of the action. If 20450  
the request is made by the defendant, the court shall schedule a 20451  
hearing within three business days after the request is made, send 20452  
notice to the parties of the date, time, and place of the hearing, 20453  
and hold the hearing accordingly. 20454

(E) If, after hearing, the court finds that there is not 20455  
probable cause to support the motion, it shall order that the 20456  
property be redelivered to the defendant without the condition of 20457  
bond. 20458

**Sec. 2716.13.** (A) Upon the filing of a proceeding in 20459  
garnishment of property, other than personal earnings, under 20460  
section 2716.11 of the Revised Code, the court shall cause the 20461  
matter to be set for hearing within twelve days after that filing. 20462

(B) Upon the scheduling of a hearing relative to a proceeding 20463  
in garnishment of property, other than personal earnings, under 20464  
division (A) of this section, the clerk of the court immediately 20465  
shall issue to the garnishee three copies of the order of 20466  
garnishment of property, other than personal earnings, and of a 20467  
written notice that the garnishee answer as provided in section 20468

2716.21 of the Revised Code and the garnishee's fee required by 20469  
section 2716.12 of the Revised Code. The copies of the order and 20470  
of the notice shall be served upon the garnishee in the same 20471  
manner as a summons is served. The copies of the order and of the 20472  
notice shall not be served later than seven days prior to the date 20473  
on which the hearing is scheduled. The order shall bind the 20474  
property, other than personal earnings, of the judgment debtor in 20475  
the possession of the garnishee at the time of service. 20476

The order of garnishment of property, other than personal 20477

If several affidavits seeking orders of garnishment of 20565  
property, other than personal earnings, are filed against the same 20566

Code, the court involved shall issue the requested orders in the 20568

(C)(1) At the time of the filing of a proceeding in 20570  
garnishment of property, other than personal earnings, under 20571

NOTICE TO THE JUDGMENT DEBTOR 20590

You are hereby notified that this court has issued an order 20591

in the above case in favor of (name and address of judgment creditor), the judgment creditor in this proceeding, directing that some of your money, property, or credits, other than personal earnings, now in the possession of (name and address of garnishee), the garnishee in this proceeding, be used to satisfy your debt to the judgment creditor. This order was issued on the basis of the judgment creditor's judgment against you that was obtained in (name of court) in (case number) on (date). Upon your receipt of this notice, you are prohibited from removing or attempting to remove the money, property, or credits until expressly permitted by the court. Any violation of this prohibition subjects you to punishment for contempt of court.

- (1) Workers' compensation benefits;
- (2) Unemployment compensation payments;
- (3) Cash assistance payments under the Ohio works first program;
- (4) Benefits and services under the prevention, retention, and contingency program;

There may be other benefits not included in the above list 20621  
that apply in your case. 20622

If you dispute the judgment creditor's right to garnish your 20623  
property and believe that the judgment creditor should not be 20624  
given your money, property, or credits, other than personal 20625  
earnings, now in the possession of the garnishee because they are 20626  
exempt or if you feel that this order is improper for any other 20627  
reason, you may request a hearing before this court by disputing 20628  
the claim in the request for hearing form, appearing below, or in 20629  
a substantially similar form, and delivering the request for 20630  
hearing to this court at the above address, at the office of the 20631  
clerk of this court no later than the end of the fifth business 20632  
day after you receive this notice. You may state your reasons for 20633  
disputing the judgment creditor's right to garnish your property 20634  
in the space provided on the form; however, you are not required 20635  
to do so. If you do state your reasons for disputing the judgment 20636  
creditor's right, you are not prohibited from stating any other 20637  
reason at the hearing. If you do not state your reasons, it will 20638  
not be held against you by the court, and you can state your 20639  
reasons at the hearing. NO OBJECTIONS TO THE JUDGMENT ITSELF WILL 20640  
BE HEARD OR CONSIDERED AT THE HEARING. If you request a hearing, 20641  
the hearing will be limited to a consideration of the amount of 20642  
your money, property, or credits, other than personal earnings, in 20643  
the possession or control of the garnishee, if any, that can be 20644  
used to satisfy all or part of the judgment you owe to the 20645  
judgment creditor. 20646

If you request a hearing by delivering your request for 20647  
hearing no later than the end of the fifth business day after you 20648  
receive this notice, it will be conducted in ..... courtroom 20649  
....., (address of court), at ..... m. on ....., 20650  
..... You may request the court to conduct the hearing before 20651  
this date by indicating your request in the space provided on the 20652

form; the court then will send you notice of any change in the 20653  
date, time, or place of the hearing. If you do not request a 20654  
hearing by delivering your request for a hearing no later than the 20655  
end of the fifth business day after you receive this notice, some 20656  
of your money, property, or credits, other than personal earnings, 20657  
will be paid to the judgment creditor. 20658

If you have any questions concerning this matter, you may 20659  
contact the office of the clerk of this court. If you want legal 20660  
representation, you should contact your lawyer immediately. If you 20661  
need the name of a lawyer, contact the local bar association. 20662

(2) The judgment debtor may receive a hearing in accordance	20704
with this division by delivering a written request for hearing to	20705
the court within five business days after receipt of the notice	20706
provided pursuant to division (C)(1) of this section. The request	20707
may set forth the judgment debtor's reasons for disputing the	20708
judgment creditor's right to garnish the money, property, or	20709
credits, other than personal earnings; however, neither the	20710
judgment debtor's inclusion of nor failure to include those	20711
reasons upon the request constitutes a waiver of any defense of	20712
the judgment debtor or affects the judgment debtor's right to	20713
produce evidence at the hearing. If the request is made by the	20714

judgment debtor within the prescribed time, the hearing shall be 20715  
limited to a consideration of the amount of money, property, or 20716  
credits, other than personal earnings, of the judgment debtor in 20717  
the hands of the garnishee, if any, that can be used to satisfy 20718  
all or part of the debt owed by the judgment debtor to the 20719  
judgment creditor. If a request for a hearing is not received by 20720  
the court within the prescribed time, the hearing scheduled 20721  
pursuant to division (A) of this section shall be canceled unless 20722  
the court grants the judgment debtor a continuance in accordance 20723  
with division (C)(3) of this section. 20724

(3) If the judgment debtor does not request a hearing in the 20725  
action within the prescribed time pursuant to division (C)(2) of 20726  
this section, the court nevertheless may grant a continuance of 20727  
the scheduled hearing if the judgment debtor, prior to the time at 20728  
which the hearing was scheduled, as indicated on the notice to the 20729  
judgment debtor required by division (C)(1) of this section, 20730  
establishes a reasonable justification for failure to request the 20731  
hearing within the prescribed time. If the court grants a 20732  
continuance of the hearing, it shall cause the matter to be set 20733  
for hearing as soon as practicable thereafter. The continued 20734  
hearing shall be conducted in accordance with division (C)(2) of 20735  
this section. 20736

(4) The court may conduct the hearing on the matter prior to 20737  
the time at which the hearing was scheduled, as indicated on the 20738  
notice to the judgment debtor required by division (C)(1) of this 20739  
section, upon the request of the judgment debtor. The parties 20740  
shall be sent notice, by the clerk of the court, by regular mail, 20741  
of any change in the date, time, or place of the hearing. 20742

(5) If the scheduled hearing is canceled and no continuance 20743  
is granted, the court shall issue an order to the garnishee to pay 20744  
all or some of the money, property, or credits, other than 20745  
personal earnings, of the judgment debtor in the possession of the 20746

garnishee at the time of service of the notice and order into 20747  
court if they have not already been paid to the court. This order 20748  
shall be based on the answer of the garnishee filed pursuant to 20749  
this section. If the scheduled hearing is conducted or if it is 20750  
continued and conducted, the court shall determine at the hearing 20751  
the amount of the money, property, or credits, other than personal 20752  
earnings, of the judgment debtor in the possession of the 20753  
garnishee at the time of service of the notice and order, if any, 20754  
that can be used to satisfy all or part of the debt owed by the 20755  
judgment debtor to the judgment creditor, and issue an order, 20756  
accordingly, to the garnishee to pay that amount into court if it 20757  
has not already been paid to the court. 20758

(D) The notice to the judgment debtor form and the request 20759  
for hearing form described in division (C) of this section shall 20760  
be sent by the clerk by ordinary or regular mail service unless 20761  
the judgment creditor requests that service be made in accordance 20762  
with the Rules of Civil Procedure, in which case the forms shall 20763  
be served in accordance with the Rules of Civil Procedure. Any 20764  
court of common pleas that issues an order of garnishment of 20765  
property, other than personal earnings, under this section has 20766  
jurisdiction to serve process pursuant to this section upon a 20767  
garnishee who does not reside within the jurisdiction of the 20768  
court. Any county court or municipal court that issues an order of 20769  
garnishment of property, other than personal earnings, under this 20770  
section has jurisdiction to serve process pursuant to this section 20771  
upon a garnishee who does not reside within the jurisdiction of 20772  
the court. 20773

**Sec. 2743.02.** (A)(1) The state hereby waives its immunity 20774  
from liability, except as provided for the office of the state 20775  
fire marshal in division (G)(1) of section 9.60 and division (B) 20776  
of section 3737.221 of the Revised Code and subject to division 20777  
(H) of this section, and consents to be sued, and have its 20778

liability determined, in the court of claims created in this 20779  
chapter in accordance with the same rules of law applicable to 20780  
suits between private parties, except that the determination of 20781  
liability is subject to the limitations set forth in this chapter 20782  
and, in the case of state universities or colleges, in section 20783  
3345.40 of the Revised Code, and except as provided in division 20784  
(A)(2) of this section. To the extent that the state has 20785  
previously consented to be sued, this chapter has no 20786  
applicability. 20787

Except in the case of a civil action filed by the state, 20788  
filing a civil action in the court of claims results in a complete 20789  
waiver of any cause of action, based on the same act or omission, 20790  
which the filing party has against any officer or employee, as 20791  
defined in section 109.36 of the Revised Code. The waiver shall be 20792  
void if the court determines that the act or omission was 20793  
manifestly outside the scope of the officer's or employee's office 20794  
or employment or that the officer or employee acted with malicious 20795  
purpose, in bad faith, or in a wanton or reckless manner. 20796

(2) If a claimant proves in the court of claims that an 20797  
officer or employee, as defined in section 109.36 of the Revised 20798  
Code, would have personal liability for the officer's or 20799  
employee's acts or omissions but for the fact that the officer or 20800  
employee has personal immunity under section 9.86 of the Revised 20801  
Code, the state shall be held liable in the court of claims in any 20802  
action that is timely filed pursuant to section 2743.16 of the 20803  
Revised Code and that is based upon the acts or omissions. 20804

(B) The state hereby waives the immunity from liability of 20805  
all hospitals owned or operated by one or more political 20806  
subdivisions and consents for them to be sued, and to have their 20807  
liability determined, in the court of common pleas, in accordance 20808  
with the same rules of law applicable to suits between private 20809  
parties, subject to the limitations set forth in this chapter. 20810

This division is also applicable to hospitals owned or operated by 20811  
political subdivisions which have been determined by the supreme 20812  
court to be subject to suit prior to July 28, 1975. 20813

(C) Any hospital, as defined in section 2305.113 of the 20814  
Revised Code, may purchase liability insurance covering its 20815  
operations and activities and its agents, employees, nurses, 20816  
interns, residents, staff, and members of the governing board and 20817  
committees, and, whether or not such insurance is purchased, may, 20818  
to such extent as its governing board considers appropriate, 20819  
indemnify or agree to indemnify and hold harmless any such person 20820  
against expense, including attorney's fees, damage, loss, or other 20821  
liability arising out of, or claimed to have arisen out of, the 20822  
death, disease, or injury of any person as a result of the 20823  
negligence, malpractice, or other action or inaction of the 20824  
indemnified person while acting within the scope of the 20825  
indemnified person's duties or engaged in activities at the 20826  
request or direction, or for the benefit, of the hospital. Any 20827  
hospital electing to indemnify such persons, or to agree to so 20828  
indemnify, shall reserve such funds as are necessary, in the 20829  
exercise of sound and prudent actuarial judgment, to cover the 20830  
potential expense, fees, damage, loss, or other liability. The 20831  
superintendent of insurance may recommend, or, if such hospital 20832  
requests the superintendent to do so, the superintendent shall 20833  
recommend, a specific amount for any period that, in the 20834  
superintendent's opinion, represents such a judgment. This 20835  
authority is in addition to any authorization otherwise provided 20836  
or permitted by law. 20837

(D) Recoveries against the state shall be reduced by the 20838  
aggregate of insurance proceeds, disability award, or other 20839  
collateral recovery received by the claimant. This division does 20840  
not apply to civil actions in the court of claims against a state 20841  
university or college under the circumstances described in section 20842

3345.40 of the Revised Code. The collateral benefits provisions of 20843  
division (B)(2) of that section apply under those circumstances. 20844

(E) The only defendant in original actions in the court of 20845  
claims is the state. The state may file a third-party complaint or 20846  
counterclaim in any civil action, except a civil action for two 20847  
thousand five hundred dollars or less, that is filed in the court 20848  
of claims. 20849

(F) A civil action against an officer or employee, as defined 20850  
in section 109.36 of the Revised Code, that alleges that the 20851  
officer's or employee's conduct was manifestly outside the scope 20852  
of the officer's or employee's employment or official 20853  
responsibilities, or that the officer or employee acted with 20854  
malicious purpose, in bad faith, or in a wanton or reckless manner 20855  
shall first be filed against the state in the court of claims, 20856  
which has exclusive, original jurisdiction to determine, 20857  
initially, whether the officer or employee is entitled to personal 20858  
immunity under section 9.86 of the Revised Code and whether the 20859  
courts of common pleas have jurisdiction over the civil action. 20860

The filing of a claim against an officer or employee under 20861  
this division tolls the running of the applicable statute of 20862  
limitations until the court of claims determines whether the 20863  
officer or employee is entitled to personal immunity under section 20864  
9.86 of the Revised Code. 20865

(G) Whenever a claim lies against an officer or employee who 20866  
is a member of the Ohio national guard, and the officer or 20867  
employee was, at the time of the act or omission complained of, 20868  
subject to the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 20869  
U.S.C. 2671, et seq., then the Federal Tort Claims Act is the 20870  
exclusive remedy of the claimant and the state has no liability 20871  
under this section. 20872

(H) If an inmate of a state correctional institution has a 20873

criminally injurious conduct upon which the claimant bases a claim 21365  
was not reported to a law enforcement officer or agency within 21366

seventy-two hours after the occurrence of the conduct, unless it 21367  
is determined that good cause existed for the failure to report 21368  
the conduct within the seventy-two-hour period. 21369

(B)(1) The attorney general, a panel of commissioners, or a 21370  
judge of the court of claims shall not make or order an award of 21371  
reparations to a claimant if any of the following apply: 21372

both of the following apply: 21377

(i) The victim was a passenger in a motor vehicle and knew or 21378

(ii) The claimant is seeking compensation for injuries 21381  
proximately caused by the driver described in division 21382  
(B)(1)(b)(i) of this section being under the influence of alcohol, 21383

(c) Both of the following apply: 21385

(i) The victim was under the influence of alcohol, a drug of 21386

influence of alcohol, a drug of abuse, or both. 21389

(ii) The claimant is seeking compensation for injuries 21390  
proximately caused by the driver described in division 21391

years of age but less than eighteen years of age and was riding 21397  
with a parent, guardian, or care-provider. 21398

(C) The attorney general, a panel of commissioners, or a 21399  
judge of the court of claims, upon a finding that the claimant or 21400  
victim has not fully cooperated with appropriate law enforcement 21401  
agencies, may deny a claim or reconsider and reduce an award of 21402  
reparations. 21403

(D) The attorney general, a panel of commissioners, or a 21404  
judge of the court of claims shall reduce an award of reparations 21405  
or deny a claim for an award of reparations that is otherwise 21406  
payable to a claimant to the extent that the economic loss upon 21407  
which the claim is based is recouped from other persons, including 21408  
collateral sources. If an award is reduced or a claim is denied 21409  
because of the expected recoupment of all or part of the economic 21410  
loss of the claimant from a collateral source, the amount of the 21411  
award or the denial of the claim shall be conditioned upon the 21412  
claimant's economic loss being recouped by the collateral source. 21413  
If the award or denial is conditioned upon the recoupment of the 21414  
claimant's economic loss from a collateral source and it is 21415  
determined that the claimant did not unreasonably fail to present 21416  
a timely claim to the collateral source and will not receive all 21417  
or part of the expected recoupment, the claim may be reopened and 21418  
an award may be made in an amount equal to the amount of expected 21419  
recoupment that it is determined the claimant will not receive 21420  
from the collateral source. 21421

If the claimant recoups all or part of the economic loss upon 21422  
which the claim is based from any other person or entity, 21423  
including a collateral source, the attorney general may recover 21424  
pursuant to section 2743.72 of the Revised Code the part of the 21425  
award that represents the economic loss for which the claimant 21426  
received the recoupment from the other person or entity. 21427

(E) The(1) Except as otherwise provided in division (E)(2) of 21428

this section, the attorney general, a panel of commissioners, or a 21429  
judge of the court of claims shall not make an award to a claimant 21430  
if any of the following applies: 21431

~~(1)~~(a) The victim was convicted of a felony within ten years 21432  
prior to the criminally injurious conduct that gave rise to the 21433  
claim or is convicted of a felony during the pendency of the 21434  
claim. 21435

~~(2)~~(b) The claimant was convicted of a felony within ten 21436  
years prior to the criminally injurious conduct that gave rise to 21437  
the claim or is convicted of a felony during the pendency of the 21438  
claim. 21439

~~(3)~~(c) It is proved by a preponderance of the evidence that 21440  
the victim or the claimant engaged, within ten years prior to the 21441  
criminally injurious conduct that gave rise to the claim or during 21442  
the pendency of the claim, in an offense of violence, a violation 21443  
of section 2925.03 of the Revised Code, or any substantially 21444  
similar offense that also would constitute a felony under the laws 21445  
of this state, another state, or the United States. 21446

~~(4)~~(d) The claimant was convicted of a violation of section 21447  
2919.22 or 2919.25 of the Revised Code, or of any state law or 21448  
municipal ordinance substantially similar to either section, 21449  
within ten years prior to the criminally injurious conduct that 21450  
gave rise to the claim or during the pendency of the claim. 21451

(e) It is proved by a preponderance of the evidence that the 21452  
victim at the time of the criminally injurious conduct that gave 21453  
rise to the claim engaged in conduct that was a felony violation 21454  
of section 2925.11 of the Revised Code or engaged in any 21455  
substantially similar conduct that would constitute a felony under 21456  
the laws of this state, another state, or the United States. 21457

(2) The attorney general, a panel of commissioners, or a 21458  
judge of the court of claims may make an award to a minor 21459

dependent of a deceased victim for dependent's economic loss or 21460  
for counseling pursuant to division (F)(2) of section 2743.51 of 21461  
the Revised Code if the minor dependent is not ineligible under 21462  
division (E)(1) of this section due to the minor dependent's 21463  
criminal history and if the victim was not killed while engaging 21464  
in illegal conduct that contributed to the criminally injurious 21465  
conduct that gave rise to the claim. For purposes of this section, 21466  
the use of illegal drugs by the deceased victim shall not be 21467  
deemed to have contributed to the criminally injurious conduct 21468  
that gave rise to the claim. 21469

(F) In determining whether to make an award of reparations 21470  
pursuant to this section, the attorney general or panel of 21471  
commissioners shall consider whether there was contributory 21472  
misconduct by the victim or the claimant. The attorney general, a 21473  
panel of commissioners, or a judge of the court of claims shall 21474  
reduce an award of reparations or deny a claim for an award of 21475  
reparations to the extent it is determined to be reasonable 21476  
because of the contributory misconduct of the claimant or the 21477  
victim. 21478

When the attorney general decides whether a claim should be 21479  
denied because of an allegation of contributory misconduct, the 21480  
burden of proof on the issue of that alleged contributory 21481  
misconduct shall be upon the claimant, if either of the following 21482  
apply: 21483

(1) The victim was convicted of a felony more than ten years 21484  
prior to the criminally injurious conduct that is the subject of 21485  
the claim or has a record of felony arrests under the laws of this 21486  
state, another state, or the United States. 21487

(2) There is good cause to believe that the victim engaged in 21488  
an ongoing course of criminal conduct within five years or less of 21489  
the criminally injurious conduct that is the subject of the claim. 21490

~~For purposes of this section, if it is proven by a  
preponderance of the evidence that the victim engaged in conduct  
at the time of the criminally injurious conduct that was a felony  
violation of section 2925.11 of the Revised Code, the conduct  
shall be presumed to have contributed to the criminally injurious  
conduct and shall result in a complete denial of the claim.~~

(G) The attorney general, a panel of commissioners, or a  
judge of the court of claims shall not make an award of  
reparations to a claimant if the criminally injurious conduct that  
caused the injury or death that is the subject of the claim  
occurred to a victim who was an adult and while the victim, after  
being convicted of or pleading guilty to an offense, was serving a  
sentence of imprisonment in any detention facility, as defined in  
section 2921.01 of the Revised Code.

(H) If a claimant unreasonably fails to present a claim  
timely to a source of benefits or advantages that would have been  
a collateral source and that would have reimbursed the claimant  
for all or a portion of a particular expense, the attorney  
general, a panel of commissioners, or a judge of the court of  
claims may reduce an award of reparations or deny a claim for an  
award of reparations to the extent that it is reasonable to do so.

(I) Reparations payable to a victim and to all other  
claimants sustaining economic loss because of injury to or the  
death of that victim shall not exceed fifty thousand dollars in  
the aggregate. If the attorney general, a panel of commissioners,  
or a judge of the court of claims reduces an award under division  
(F) of this section, the maximum aggregate amount of reparations  
payable under this division shall be reduced proportionately to  
the reduction under division (F) of this section.

**Sec. 2743.65.** (A) The attorney general shall determine, and  
the state shall pay, in accordance with this section attorney's

representing a claimant under sections 2743.51 to 2743.72 of the 21523  
Revised Code. The attorney shall submit on an application form an 21524  
itemized fee bill at the rate of sixty dollars per hour upon 21525

pursuant to this section are subject to the following maximum 21527  
amounts: 21528

commissioners; 21531

(2) A maximum of one thousand twenty dollars for claims in 21532  
which an appeal to the panel of commissioners is filed plus, at 21533  
the request of an attorney whose main office is not in Franklin 21534  
county, Delaware county, Licking county, Fairfield county, 21535  
Pickaway county, Madison county, or Union county, an amount for 21536

panel of commissioners at the rate of thirty dollars per hour; 21538

(3) A maximum of one thousand three hundred twenty dollars 21539

in Franklin county, Delaware county, Licking county, Fairfield 21542  
county, Pickaway county, Madison county, or Union county, an 21543  
amount for the attorney's travel time to attend the oral hearing 21544  
before the judge at the rate of thirty dollars per hour; 21545

(4) A maximum of seven hundred twenty dollars for a 21546  
supplemental reparations application; 21547

(5) A maximum of two hundred dollars if the claim is denied 21548  
on the basis of a claimant's or victim's conviction of a felony 21549  
offense prior to the filing of the claim. If the claimant or 21550  
victim is convicted of a felony offense during the pendency of the 21551  
claim, the two hundred dollars maximum does not apply. If the 21552

attorney had knowledge of the claimant's or victim's felony 21553  
conviction prior to the filing of the application for the claim, 21554  
the attorney general may determine that the filing of the claim 21555  
was frivolous and may deny attorney's fees. 21556

(B) The attorney general may determine that an attorney be 21557  
reimbursed for fees incurred in the creation of a guardianship if 21558  
the guardianship is required in order for an individual to receive 21559  
an award of reparations, and those fees shall be reimbursed at a 21560  
rate of sixty dollars per hour. 21561

(C)(1) The attorney general shall forward an application form 21562  
for attorney's fees to a claimant's attorney before or when the 21563  
final decision on a claim is rendered. The application form for 21564  
attorney's fees shall do all of the following: 21565

(a) Inform the attorney of the requirements of this section; 21566

(b) Require a verification statement comporting with the law 21567  
prohibiting falsification; 21568

(c) Require an itemized fee statement; 21569

(d) Require a verification statement that the claimant was 21570  
served a copy of the completed application form; 21571

(e) Include notice that the claimant may oppose the 21572  
application by notifying the attorney general in writing within 21573  
ten days. 21574

(2) The attorney general shall forward a copy of this section 21575  
to the attorney with the application form for attorney's fees. The 21576  
attorney shall file the application form with the attorney 21577  
general. The attorney general's decision with respect to an award 21578  
of attorney's fees is final ten days after the attorney general 21579  
renders the decision and mails a copy of the decision to the 21580  
attorney at the address provided by the attorney. The attorney may 21581  
request reconsideration of the decision on grounds that it is 21582

insufficient or calculated incorrectly. The attorney general's 21583  
decision on the request for reconsideration is final. 21584

(D) The attorney general shall review all application forms 21585  
for attorney's fees that are submitted by a claimant's attorney 21586  
and shall issue an order approving the amount of fees to be paid 21587  
to the attorney within sixty days after receipt of the application 21588  
form. 21589

(3) Performance of unnecessary criminal investigation of the 21595  
offense; 21596

(4) Presenting or appealing an issue that has been repeatedly 21597  
ruled upon by the highest appellate authority, unless a unique set 21598  
of facts or unique issue of law exists that distinguishes it; 21599

(5) A fee request that is unreasonable, is not commensurate 21600  
with services rendered, violates the Ohio code of professional 21601  
responsibility, or is based upon services that are determined to 21602  
be frivolous. 21603

(F)(1) The attorney general may reduce or deny the payment of 21604  
attorney's fees to an attorney who has filed a frivolous claim. 21605  
Subject to division (A)(5) of this section, the denial of a claim 21606  
on the basis of a felony conviction, felony conduct, or 21607  
contributory misconduct does not constitute a frivolous claim. 21608

(2) As used in this section, "frivolous claim" means a claim 21609  
in which there is clearly no legal grounds under the existing laws 21610  
of this state to support the filing of a claim on behalf of the 21611  
claimant or victim. 21612

(G) The attorney general may determine that a lesser number of hours should have been required in a given case. Additional reimbursement may be made where the attorney demonstrates to the attorney general that the nature of the particular claim required the expenditure of an amount in excess of that allowed.

(H) No attorney shall receive payment under this section for assisting a claimant with an application for an award of reparations under sections 2743.51 to 2743.72 of the Revised Code if that attorney's fees have been allowed as an expense in accordance with division (F)(4) of section 2743.51 of the Revised Code.

~~(I)~~(J) Each witness who appears in a hearing on a claim for an award of reparations shall receive compensation in an amount equal to that received by witnesses in civil cases as provided in section 2335.06 of the Revised Code.

attorney general failed to notify the applicant of any 22381

deficiencies, the attorney general shall have an additional sixty 22382  
days to conduct an investigation and either grant or deny the 22383

option to granting or denying an initial license application, the 22386  
attorney general may grant a temporary license and request 22387  
additional time to conduct the investigation if the attorney 22388  
general has cause to believe that additional time is necessary to 22389  
complete the investigation and has notified the applicant in 22390  
writing about the specific concerns raised during the 22391  
investigation. 22392

(B)(1) The attorney general shall adopt rules to enforce 22393

adopted pursuant to divisions (A)(2)(g) and (G) of this section, 22398  
shall be adopted pursuant to Chapter 119. of the Revised Code. The 22399  
attorney general shall license charitable organizations to conduct 22400  
bingo, instant bingo at a bingo session, or instant bingo other 22401  
than at a bingo session in conformance with this chapter and with 22402  
the licensing provisions of Chapter 119. of the Revised Code. 22403

(2) The attorney general may refuse to grant a license to any 22404

2915.11 of the Revised Code, or violates or has violated any 22410  
provision of sections 2915.02 or 2915.07 to 2915.13 of the Revised 22411  
Code or any rule adopted by the attorney general pursuant to this 22412  
section; 22413

(b) Makes or has made an incorrect or false statement that is material to the granting of the license in an application filed pursuant to division (A) of this section;

(3) For the purposes of division (B) of this section, any action of an officer, trustee, agent, representative, or bingo game operator of an organization is an action of the organization.

(C) The attorney general may grant licenses to charitable organizations that are branches, lodges, or chapters of national charitable organizations.

(D) The attorney general shall send notice in writing to the prosecuting attorney and sheriff of the county in which the organization will conduct bingo, instant bingo at a bingo session, or instant bingo other than at a bingo session, as stated in its application for a license or amended license, and to any other law enforcement agency in that county that so requests, of all of the following:

(4) The revocation of any license previously issued;	22447
(5) The suspension of any license previously issued.	22448
(E) A license issued by the attorney general shall set forth the information contained on the application of the charitable organization that the attorney general determines is relevant, including, but not limited to, the location at which the organization will conduct bingo, instant bingo at a bingo session, or instant bingo other than at a bingo session and the days of the week and the times on each of those days when bingo will be conducted. If the attorney general refuses to grant or revokes or suspends a license, the attorney general shall notify the applicant in writing and specifically identify the reason for the refusal, revocation, or suspension in narrative form and, if applicable, by identifying the section of the Revised Code violated. The failure of the attorney general to give the written notice of the reasons for the refusal, revocation, or suspension or a mistake in the written notice does not affect the validity of the attorney general's refusal to grant, or the revocation or suspension of, a license. If the attorney general fails to give the written notice or if there is a mistake in the written notice, the applicant may bring an action to compel the attorney general to comply with this division or to correct the mistake, but the attorney general's order refusing to grant, or revoking or suspending, a license shall not be enjoined during the pendency of the action.	22449 22450 22451 22452 22453 22454 22455 22456 22457 22458 22459 22460 22461 22462 22463 22464 22465 22466 22467 22468 22469 22470 22471

this division, "computers," "computer networks," "computer 23887

that are specified in the order of forfeiture. A juvenile court 23927

provided in division (B)(8)(c)(i) of this section, unless the 23931  
program is located in the county in which the court that orders 23932  
the forfeiture is located or in a contiguous county. If no 23933  
certified alcohol and drug addiction treatment program is located 23934  
in any of those counties, the juvenile court may specify in the 23935  
order a certified alcohol and drug addiction treatment program 23936  
located anywhere within this state. 23937

other than a juvenile court, one hundred per cent to appropriate 23940  
funds in accordance with divisions (D)(1)(c) and (2) of section 23941  
2933.43 of the Revised Code. The remaining proceeds or forfeited 23942  
moneys so deposited shall be used only for the purposes authorized 23943  
by those divisions and division (D)(3)(a)(ii) of that section. 23944

(C)(1) Sections 2925.41 to 2925.45 of the Revised Code do not 23945  
preclude a financial institution that possessed a valid mortgage, 23946  
security interest, or lien that is not satisfied prior to a sale 23947  
under division (B)(8) of this section or following a sale by 23948  
application of division (B)(8)(b) of this section, from commencing 23949  
a civil action in any appropriate court in this or another state 23950  
to obtain a deficiency judgment against the debtor if the 23951  
financial institution otherwise would have been entitled to do so 23952  
in this or another state. 23953

(2) Any law enforcement agency that obtains any vehicle 23954  
pursuant to division (B)(1) of this section shall take the vehicle 23955  
subject to the outstanding amount of any security interest or lien 23956  
that attaches to the vehicle. 23957

(3) Nothing in this section impairs a mortgage, security 23958  
interest, lien, or other interest of a financial institution in 23959  
property that was the subject of a forfeiture order under section 23960  
2925.42 or 2925.43 of the Revised Code and that was sold or 23961

otherwise disposed of in a manner that does not conform to the 23962  
requirements of division (B) of this section, or any right of a 23963  
financial institution of that nature to commence a civil action in 23964  
any appropriate court in this or another state to obtain a 23965  
deficiency judgment against the debtor. 23966

(4) Following the sale under division (B)(8) of this section 23967  
of any property that is required to be titled or registered under 23968  
the law of this state, the prosecuting attorney responsible for 23969  
the disposition of the property shall cause the state to issue an 23970  
appropriate certificate of title or registration to the purchaser 23971  
of the property. Additionally, if, in a disposition of property 23972  
pursuant to division (B) of this section, the state or a political 23973  
subdivision is given any property that is required to be titled or 23974  
registered under the law of this state, the prosecuting attorney 23975  
responsible for the disposition of the property shall cause the 23976  
state to issue an appropriate certificate of title or registration 23977  
to itself or to the political subdivision. 23978

(D) Property that has been forfeited to the state pursuant to 23979  
an order of criminal forfeiture under section 2925.42 of the 23980  
Revised Code or an order of civil forfeiture under section 2925.43 23981  
of the Revised Code shall not be available for use to pay any fine 23982  
imposed upon a person who is convicted of or pleads guilty to a 23983  
felony drug abuse offense or upon any juvenile who is found by a 23984  
juvenile court to be a delinquent child for an act that, if 23985  
committed by an adult, would be a felony drug abuse offense. 23986

(E) Sections 2925.41 to 2925.45 of the Revised Code do not 23987  
prohibit a law enforcement officer from seeking the forfeiture of 23988  
contraband associated with a felony drug abuse offense pursuant to 23989  
section 2933.43 of the Revised Code. 23990

**Sec. 2929.38.** (A) A board of commissioners of a county, in an 23991  
agreement with the sheriff, a legislative authority of a municipal 23992

corporation, a corrections commission, a judicial corrections 23993  
board, or any other public or private entity that operates a local 23994  
detention facility described in division (A) of section 2929.37 of 23995  
the Revised Code, may establish a policy that requires any 23996  
prisoner who is confined in the facility as a result of pleading 23997  
guilty to or having been convicted of an offense to pay a one-time 23998  
reception fee for the costs of processing the prisoner into the 23999  
facility at the time of the prisoner's initial entry into the 24000  
facility under the confinement in question, to pay a reasonable 24001  
fee for any medical or dental treatment or service requested by 24002  
and provided to that prisoner, and to pay the fee for a random 24003  
drug test assessed under division (E) of section 341.26, and 24004  
division (E) of section 753.33 of the Revised Code. The fee for 24005  
the medical treatment or service shall not exceed the actual cost 24006  
of the treatment or service provided. No prisoner confined in the 24007  
local detention facility shall be denied any necessary medical 24008  
care because of inability to pay the fees. 24009

(B) Upon assessment of a one-time reception fee as described 24010  
in division (A) of this section, the provision of the requested 24011  
medical treatment or service, or the assessment of a fee for a 24012  
random drug test, payment of the required fee may be automatically 24013  
deducted from the prisoner's inmate account in the business office 24014  
of the local detention facility in which the prisoner is confined. 24015  
If there is no money in the account, a deduction may be made at a 24016  
later date during the prisoner's confinement if the money becomes 24017  
available in the account. If, after release, the prisoner has an 24018  
unpaid balance of those fees, the sheriff, legislative authority 24019  
of the municipal corporation, corrections commission, judicial 24020  
corrections board, or other entity that operates the local 24021  
detention facility described in division (A) of section 2929.37 of 24022  
the Revised Code may bill the prisoner for the payment of the 24023  
unpaid fees. Fees received for medical or dental treatment or 24024

services shall be paid to the commissary fund, if one exists for 24025  
the facility, or if no commissary fund exists, to the general fund 24026  
of the treasury of the political subdivision that incurred the 24027  
expenses, in the same proportion as those expenses were borne by 24028  
the political subdivision. Fees received for medical treatment or 24029  
services that are placed in the commissary fund under this 24030  
division shall be used for the same purposes as profits from the 24031  
commissary fund, except that they shall not be used to pay any 24032  
salary or benefits of any person who works in or is employed for 24033  
the sole purpose of providing service to the commissary. 24034

(C) Any fee paid by a person under this section shall be 24035  
deducted from any medical or dental costs that the person is 24036  
ordered to reimburse under section 2929.36 of the Revised Code or 24037  
to repay under a policy adopted under section 2929.37 of the 24038  
Revised Code. 24039

(D) As used in this section, "inmate account" has the same 24040  
meaning as in section 2969.21 of the Revised Code. 24041

**Sec. 2933.43.** (A)(1) Except as provided in this division or 24042  
in section 2913.34 or sections 2923.44 to 2923.47 or 2925.41 to 24043  
2925.45 of the Revised Code, a law enforcement officer shall seize 24044  
any contraband that has been, is being, or is intended to be used 24045  
in violation of division (A) of section 2933.42 of the Revised 24046  
Code. A law enforcement officer shall seize contraband that is a 24047  
watercraft, motor vehicle, or aircraft and that has been, is 24048  
being, or is intended to be used in violation of division (A) of 24049  
section 2933.42 of the Revised Code only if the watercraft, motor 24050  
vehicle, or aircraft is contraband because of its relationship to 24051  
an underlying criminal offense that is a felony. 24052

Additionally, a law enforcement officer shall seize any 24053  
watercraft, motor vehicle, aircraft, or other personal property 24054  
that is classified as contraband under division (B) of section 24055

2933.42 of the Revised Code if the underlying offense involved in 24056  
the violation of division (A) of that section that resulted in the 24057  
watercraft, motor vehicle, aircraft, or personal property being 24058  
classified as contraband, is a felony. 24059

(2) If a law enforcement officer seizes property that is 24060  
titled or registered under law, including a motor vehicle, 24061  
pursuant to division (A)(1) of this section, the officer or the 24062  
officer's employing law enforcement agency shall notify the owner 24063  
of the seizure. The notification shall be given to the owner at 24064  
the owner's last known address within seventy-two hours after the 24065  
seizure, and may be given orally by any means, including 24066  
telephone, or by certified mail, return receipt requested. 24067

If the officer or the officer's agency is unable to provide 24068  
the notice required by this division despite reasonable, good 24069  
faith efforts to do so, the exercise of the reasonable, good faith 24070  
efforts constitutes fulfillment of the notice requirement imposed 24071  
by this division. 24072

(B)(1) A motor vehicle seized pursuant to division (A)(1) of 24073  
this section and the contents of the vehicle may be retained for a 24074  
reasonable period of time, not to exceed seventy-two hours, for 24075  
the purpose of inspection, investigation, and the gathering of 24076  
evidence of any offense or illegal use. 24077

At any time prior to the expiration of the seventy-two-hour 24078  
period, the law enforcement agency that seized the motor vehicle 24079  
may petition the court of common pleas of the county that has 24080  
jurisdiction over the underlying criminal case or administrative 24081  
proceeding involved in the forfeiture for an extension of the 24082  
seventy-two-hour period if the motor vehicle or its contents are 24083  
needed as evidence or if additional time is needed for the 24084  
inspection, investigation, or gathering of evidence. Upon the 24085  
filing of such a petition, the court immediately shall schedule a 24086  
hearing to be held at a time as soon as possible after the filing, 24087

but in no event at a time later than the end of the next business 24088  
day subsequent to the day on which the petition was filed, and 24089  
upon scheduling the hearing, immediately shall notify the owner of 24090  
the vehicle, at the address at which notification of the seizure 24091  
was provided under division (A) of this section, of the date, 24092  
time, and place of the hearing. If the court, at the hearing, 24093  
determines that the vehicle or its contents, or both, are needed 24094  
as evidence or that additional time is needed for the inspection, 24095  
investigation, or gathering of evidence, the court may grant the 24096  
petition and issue an order authorizing the retention of the 24097  
vehicle or its contents, or both, for an extended period as 24098  
specified by the court in its order. An order extending a period 24099  
of retention issued under this division may be renewed. 24100

If no petition for the extension of the initial 24101  
seventy-two-hour period has been filed, prior to the expiration of 24102  
that period, under this division, if the vehicle was not in the 24103  
custody and control of the owner at the time of its seizure, and 24104  
if, at the end of that seventy-two-hour period, the owner of the 24105  
vehicle has not been charged with an offense or administrative 24106  
violation that includes the use of the vehicle as an element and 24107  
has not been charged with any other offense or administrative 24108  
violation in the actual commission of which the motor vehicle was 24109  
used, the vehicle and its contents shall be released to its owner 24110  
or the owner's agent, provided that the law enforcement agency 24111  
that seized the vehicle may require proof of ownership of the 24112  
vehicle, proof of ownership or legal possession of the contents, 24113  
and an affidavit of the owner that the owner neither knew of nor 24114  
expressly or impliedly consented to the use of the vehicle that 24115  
resulted in its forfeiture as conditions precedent to release. If 24116  
a petition for the extension of the initial seventy-two-hour 24117  
period has been filed, prior to the expiration of that period, 24118  
under this division but the court does not grant the petition, if 24119  
the vehicle was not in the custody and control of the owner at the 24120

time of its seizure, and if, at the end of that seventy-two-hour 24121  
period, the owner of the vehicle has not been charged with an 24122  
offense or administrative violation that includes the use of the 24123  
vehicle as an element and has not been charged with any other 24124  
offense or administrative violation in the actual commission of 24125  
which the motor vehicle was used, the vehicle and its contents 24126  
shall be released to its owner or the owner's agent, provided that 24127  
the court may require the proof and affidavit described in the 24128  
preceding sentence as conditions precedent to release. If the 24129  
initial seventy-two-hour period has been extended under this 24130  
division, the vehicle and its contents to which the extension 24131  
applies may be retained in accordance with the extension order. 24132  
If, at the end of that extended period, the owner of the vehicle 24133  
has not been charged with an offense or administrative violation 24134  
that includes the use of the vehicle as an element and has not 24135  
been charged with any other offense or administrative violation in 24136  
the actual commission of which the motor vehicle was used, and if 24137  
the vehicle was not in the custody and control of the owner at the 24138  
time of its seizure, the vehicle and its contents shall be 24139  
released to its owner or the owner's agent, provided that the 24140  
court may require the proof and affidavit described in the third 24141  
preceding sentence as conditions precedent to release. In cases in 24142  
which the court may require proof and affidavits as conditions 24143  
precedent to release, the court also may require the posting of a 24144  
bond, with sufficient sureties approved by the court, in an amount 24145  
equal to the value of the property to be released, as determined 24146  
by the court, and conditioned upon the return of the property to 24147  
the court if it is forfeited under this section, as a further 24148  
condition to release. If, at the end of the initial 24149  
seventy-two-hour period or at the end of any extended period 24150  
granted under this section, the owner has been charged with an 24151  
offense or administrative violation that includes the use of the 24152  
vehicle as an element or has been charged with another offense or 24153

administrative violation in the actual commission of which the 24154  
motor vehicle was used, or if the vehicle was in the custody and 24155  
control of the owner at the time of its seizure, the vehicle and 24156  
its contents shall be retained pending disposition of the charge, 24157  
provided that upon the filing of a motion for release by the 24158  
owner, if the court determines that the motor vehicle or its 24159  
contents, or both, are not needed as evidence in the underlying 24160  
criminal case or administrative proceeding, the court may permit 24161  
the release of the property that is not needed as evidence to the 24162  
owner; as a condition precedent to a release of that nature, the 24163  
court may require the owner to execute a bond with the court. Any 24164  
bond so required shall be in an amount equal to the value of the 24165  
property to be released, as determined by the court, shall have 24166  
sufficient sureties approved by the court, and shall be 24167  
conditioned upon the return of the property to the court to which 24168  
it is forfeited under this section. 24169

The final disposition of a motor vehicle seized pursuant to 24170  
division (A)(1) of this section shall be determined in accordance 24171  
with division (C) of this section. 24172

(2) Pending a hearing pursuant to division (C) of this 24173  
section, and subject to divisions (B)(1) and (C) of this section, 24174  
any property lawfully seized pursuant to division (A) of this 24175  
section because it was contraband of a type described in division 24176  
(A)(13)(b), (d), (e), (f), (g), (h), (i), or (j) of section 24177  
2901.01 of the Revised Code shall not be subject to replevin or 24178  
other action in any court and shall not be subject to release upon 24179  
request of the owner, and no judgment shall be enforced against 24180  
the property. Pending the hearing, and subject to divisions (B)(1) 24181  
and (C) of this section, the property shall be kept in the custody 24182  
of the law enforcement agency responsible for its seizure. 24183

Pending a hearing pursuant to division (C) of this section, 24184  
and notwithstanding any provisions of division (B)(1) or (C) of 24185

this section to the contrary, any property lawfully seized 24186  
pursuant to division (A) of this section because it was contraband 24187  
of a type described in division (A)(13)(a) or (c) of section 24188  
2901.01 of the Revised Code shall not be subject to replevin or 24189  
other action in any court and shall not be subject to release upon 24190  
request of the owner, and no judgment shall be enforced against 24191  
the property. Pending the hearing, and notwithstanding any 24192  
provisions of division (B)(1) or (C) of this section to the 24193  
contrary, the property shall be kept in the custody of the law 24194  
enforcement agency responsible for its seizure. 24195

A law enforcement agency that seizes property under division 24196  
(A) of this section because it was contraband of any type 24197  
described in division (A)(13) of section 2901.01 or division (B) 24198  
of section 2933.42 of the Revised Code shall maintain an accurate 24199  
record of each item of property so seized, which record shall 24200  
include the date on which each item was seized, the manner and 24201  
date of its disposition, and if applicable, the name of the person 24202  
who received the item; however, the record shall not identify or 24203  
enable the identification of the individual officer who seized the 24204  
item. The record of property of that nature that no longer is 24205  
needed as evidence shall be open to public inspection during the 24206  
agency's regular business hours. Each law enforcement agency that, 24207  
during any calendar year, seizes property under division (A) of 24208  
this section because it was contraband shall prepare a report 24209  
covering the calendar year that cumulates all of the information 24210  
contained in all of the records kept by the agency pursuant to 24211  
this division for that calendar year, and shall send a copy of the 24212  
cumulative report, no later than the first day of March in the 24213  
calendar year following the calendar year covered by the report, 24214  
to the attorney general. Each report received by the attorney 24215  
general is a public record open for inspection under section 24216  
149.43 of the Revised Code. Not later than the fifteenth day of 24217  
April in the calendar year in which the reports are received, the 24218

attorney general shall send to the president of the senate and the speaker of the house of representatives a written notification that does all of the following:

(a) Indicates that the attorney general has received from law enforcement agencies reports of the type described in this division that cover the previous calendar year and indicates that the reports were received under this division;

(b) Indicates that the reports are open for inspection under section 149.43 of the Revised Code;

(c) Indicates that the attorney general will provide a copy of any or all of the reports to the president of the senate or the speaker of the house of representatives upon request.

(C) The prosecuting attorney, village solicitor, city director of law, or similar chief legal officer who has responsibility for the prosecution of the underlying criminal case or administrative proceeding, or the attorney general if the attorney general has that responsibility, shall file a petition for the forfeiture, to the seizing law enforcement agency of the contraband seized pursuant to division (A) of this section. The petition shall be filed in the court that has jurisdiction over the underlying criminal case or administrative proceeding involved in the forfeiture. If the property was seized on the basis of both a criminal violation and an administrative regulation violation, the petition shall be filed by the officer and in the court that is appropriate in relation to the criminal case.

The petitioner shall conduct or cause to be conducted a search of the appropriate public records that relate to the seized property for the purpose of determining, and shall make or cause to be made reasonably diligent inquiries for the purpose of determining, any person having an ownership or security interest in the property. The petitioner then shall give notice of the

forfeiture proceedings by personal service or by certified mail, 24250  
return receipt requested, to any persons known, because of the 24251  
conduct of the search, the making of the inquiries, or otherwise, 24252  
to have an ownership or security interest in the property, and 24253  
shall publish notice of the proceedings once each week for two 24254  
consecutive weeks in a newspaper of general circulation in the 24255  
county in which the seizure occurred. The notices shall be 24256  
personally served, mailed, and first published at least four weeks 24257  
before the hearing. They shall describe the property seized; state 24258  
the date and place of seizure; name the law enforcement agency 24259  
that seized the property and, if applicable, that is holding the 24260  
property; list the time, date, and place of the hearing; and state 24261  
that any person having an ownership or security interest in the 24262  
property may contest the forfeiture. 24263

If the property seized was determined by the seizing law 24264  
enforcement officer to be contraband because of its relationship 24265  
to an underlying criminal offense or administrative violation, no 24266  
forfeiture hearing shall be held under this section unless the 24267  
person pleads guilty to or is convicted of the commission of, or 24268  
an attempt or conspiracy to commit, the offense or a different 24269  
offense arising out of the same facts and circumstances or unless 24270  
the person admits or is adjudicated to have committed the 24271  
administrative violation or a different violation arising out of 24272  
the same facts and circumstances; a forfeiture hearing shall be 24273  
held in a case of that nature no later than forty-five days after 24274  
the conviction or the admission or adjudication of the violation, 24275  
unless the time for the hearing is extended by the court for good 24276  
cause shown. The owner of any property seized because of its 24277  
relationship to an underlying criminal offense or administrative 24278  
violation may request the court to release the property to the 24279  
owner. Upon receipt of a request of that nature, if the court 24280  
determines that the property is not needed as evidence in the 24281  
underlying criminal case or administrative proceeding, the court 24282

may permit the release of the property to the owner. As a 24283  
condition precedent to a release of that nature, the court may 24284  
require the owner to execute a bond with the court. Any bond so 24285  
required shall have sufficient sureties approved by the court, 24286  
shall be in a sum equal to the value of the property, as 24287  
determined by the court, and shall be conditioned upon the return 24288  
of the property to the court if the property is forfeited under 24289  
this section. Any property seized because of its relationship to 24290  
an underlying criminal offense or administrative violation shall 24291  
be returned to its owner if charges are not filed in relation to 24292  
that underlying offense or violation within thirty days after the 24293  
seizure, if charges of that nature are filed and subsequently are 24294  
dismissed, or if charges of that nature are filed and the person 24295  
charged does not plead guilty to and is not convicted of the 24296  
offense or does not admit and is not found to have committed the 24297  
violation. 24298

If the property seized was determined by the seizing law 24299  
enforcement officer to be contraband other than because of a 24300  
relationship to an underlying criminal offense or administrative 24301  
violation, the forfeiture hearing under this section shall be held 24302  
no later than forty-five days after the seizure, unless the time 24303  
for the hearing is extended by the court for good cause shown. 24304

Where possible, a court holding a forfeiture hearing under 24305  
this section shall follow the Rules of Civil Procedure. When a 24306  
hearing is conducted under this section, property shall be 24307  
forfeited upon a showing, by a preponderance of the evidence, by 24308  
the petitioner that the person from which the property was seized 24309  
was in violation of division (A) of section 2933.42 of the Revised 24310  
Code. If that showing is made, the court shall issue an order of 24311  
forfeiture. If an order of forfeiture is issued in relation to 24312  
contraband that was released to the owner or the owner's agent 24313  
pursuant to this division or division (B)(1) of this section, the 24314

order shall require the owner to deliver the property, by a 24315  
specified date, to the law enforcement agency that employed the 24316  
law enforcement officer who made the seizure of the property, and 24317  
the court shall deliver a copy of the order to the owner or send a 24318  
copy of it by certified mail, return receipt requested, to the 24319  
owner at the address to which notice of the seizure was given 24320  
under division (A)(2) of this section. Except as otherwise 24321  
provided in this division, all rights, interest, and title to the 24322  
forfeited contraband vests in the state, effective from the date 24323  
of seizure. 24324

No property shall be forfeited pursuant to this division if 24325  
the owner of the property establishes, by a preponderance of the 24326  
evidence, that the owner neither knew, nor should have known after 24327  
a reasonable inquiry, that the property was used, or was likely to 24328  
be used, in a crime or administrative violation. No bona fide 24329  
security interest shall be forfeited pursuant to this division if 24330  
the holder of the interest establishes, by a preponderance of the 24331  
evidence, that the holder of the interest neither knew, nor should 24332  
have known after a reasonable inquiry, that the property was used, 24333  
or likely to be used, in a crime or administrative violation, that 24334  
the holder of the interest did not expressly or impliedly consent 24335  
to the use of the property in a crime or administrative violation, 24336  
and that the security interest was perfected pursuant to law prior 24337  
to the seizure. If the holder of the interest satisfies the court 24338  
that these requirements are met, the interest shall be preserved 24339  
by the court. In a case of that nature, the court shall either 24340  
order that the agency to which the property is forfeited reimburse 24341  
the holder of the interest to the extent of the preserved interest 24342  
or order that the holder be paid for the interest from the 24343  
proceeds of any sale pursuant to division (D) of this section. 24344

(D)(1) Contraband ordered forfeited pursuant to this section 24345  
shall be disposed of pursuant to divisions (D)(1) to (7) of 24346

section 2933.41 of the Revised Code or, if the contraband is not 24347  
described in those divisions, may be used, with the approval of 24348  
the court, by the law enforcement agency that has custody of the 24349  
contraband pursuant to division (D)(8) of that section. In the 24350  
case of contraband not described in any of those divisions and of 24351  
contraband not disposed of pursuant to any of those divisions, the 24352  
contraband shall be sold in accordance with this division or, in 24353  
the case of forfeited moneys, disposed of in accordance with this 24354  
division. If the contraband is to be sold, the prosecuting 24355  
attorney shall cause a notice of the proposed sale of the 24356  
contraband to be given in accordance with law, and the property 24357  
shall be sold, without appraisal, at a public auction to the 24358  
highest bidder for cash. The proceeds of a sale and forfeited 24359  
moneys shall be applied in the following order: 24360

(a) First, to the payment of the costs incurred in connection 24361  
with the seizure of, storage of, maintenance of, and provision of 24362  
security for the contraband, the forfeiture proceeding, and, if 24363  
any, the sale; 24364

(b) Second, the remaining proceeds or forfeited moneys after 24365  
compliance with division (D)(1)(a) of this section, to the payment 24366  
of the balance due on any security interest preserved pursuant to 24367  
division (C) of this section; 24368

(c) Third, the remaining proceeds or forfeited moneys after 24369  
compliance with divisions (D)(1)(a) and (b) of this section, as 24370  
follows: 24371

(i) If the forfeiture was ordered in a juvenile court, ten 24372  
per cent to one or more alcohol and drug addiction treatment 24373  
programs that are certified by the department of alcohol and drug 24374  
addiction services under section 3793.06 of the Revised Code and 24375  
that are specified in the order of forfeiture. A juvenile court 24376  
shall not certify an alcohol or drug addiction treatment program 24377  
in the order of forfeiture unless the program is a certified 24378

alcohol and drug addiction treatment program and, except as 24379  
provided in division (D)(1)(c)(i) of this section, unless the 24380  
program is located in the county in which the court that orders 24381  
the forfeiture is located or in a contiguous county. If no 24382  
certified alcohol and drug addiction treatment program is located 24383  
in any of those counties, the juvenile court may specify in the 24384  
order a certified alcohol and drug addiction treatment program 24385  
located anywhere within this state. 24386

(ii) If the forfeiture was ordered in a juvenile court, 24387  
ninety per cent, and if the forfeiture was ordered in a court 24388  
other than a juvenile court, one hundred per cent to the law 24389  
enforcement trust fund of the prosecuting attorney and to the law 24390  
enforcement trust fund of the county sheriff if the county sheriff 24391  
made the seizure, to the law enforcement trust fund of a municipal 24392  
corporation if its police department made the seizure, to the law 24393  
enforcement trust fund of a township if the seizure was made by a 24394  
township police department, township police district police force, 24395  
or office of a township constable, to the law enforcement trust 24396  
fund of a park district created pursuant to section 511.18 or 24397  
1545.01 of the Revised Code if the seizure was made by the park 24398  
district police force or law enforcement department, to the state 24399  
highway patrol contraband, forfeiture, and other fund if the state 24400  
highway patrol made the seizure, to the department of public 24401  
safety investigative unit contraband, forfeiture, and other fund 24402  
if the investigative unit of the department of public safety made 24403  
the seizure, to the department of taxation enforcement fund if the 24404  
department of taxation made the seizure and the controlling board 24405  
approves the deposit of the proceeds or forfeited moneys into the 24406  
fund, to the board of pharmacy drug law enforcement fund created 24407  
by division (B)(1) of section 4729.65 of the Revised Code if the 24408  
board made the seizure, or to the treasurer of state for deposit 24409

the data in accordance with these formats. These profile formats 25956  
shall: 25957

(1) Include all of the data gathered under this section in a 25958

such test pursuant to division (C)(1) of section 3301.0711 of the 25965  
Revised Code are distinguished from the academic achievement 25966  
levels of students who are not so excused. 25967

(H)(1) The state board shall, in accordance with the 25968  
procedures it adopts, annually prepare a statewide report for all 25969

of the electors voting on the proposal, the ~~governing~~ state board 27519  
shall then create such new district prior to the next succeeding 27520  
first day of July, ~~and shall so notify the state board of~~ 27521  
~~education.~~ 27522

Upon the creation of such district, the indebtedness of each 27523  
former district becoming in its entirety a part of the new 27524  
district shall be assumed in full by the new district. Upon the 27525  
creation of such district, that part of the net indebtedness of 27526  
each former district becoming only in part a part of the new 27527  
district shall be assumed by the new district which bears the same 27528  
ratio to the entire net indebtedness of the former district as the 27529  
assessed valuation of the part taken by the new district bears to 27530  
the entire assessed valuation of the former district as fixed on 27531  
the effective date of transfer. As used in this section, "net 27532  
indebtedness" means the difference between the par value of the 27533  
outstanding and unpaid bonds and notes of the school district and 27534  
the amount held in the sinking fund and other indebtedness 27535  
retirement funds for their redemption. Upon the creation of such 27536  
district, the funds of each former district becoming in its 27537  
entirety a part of the new district shall be paid over in full to 27538  
the new district. Upon the creation of such district, the funds of 27539  
each former district becoming only in part a part of the new 27540  
district shall be divided equitably by the ~~governing~~ state board 27541  
between the new district and that part of the former district not 27542  
included in the new district as such funds existed on the 27543  
effective date of the creation of the new district. 27544

The ~~governing~~ state board shall, following the election, file 27545  
with the county auditor of each county affected by the creation of 27546  
a new district an accurate map showing the boundaries of such 27547  
newly created district. 27548

When a new local school district is so created ~~within an~~ 27549  
~~educational service center,~~ a board of education for such newly 27550  
created district shall be appointed by the ~~educational service~~ 27551  
~~center governing~~ state board. The members of such appointed board 27552  
of education shall hold their office until their successors are 27553  
elected and qualified. A board of education shall be elected for 27554  
such newly created district at the next general election held in 27555  
an odd numbered year occurring more than thirty days after the 27556  
appointment of the board of education of such newly created 27557  
district. At such election two members shall be elected for a term 27558  
of two years and three members shall be elected for a term of four 27559  
years, and, thereafter, their successors shall be elected in the 27560  
same manner and for the same terms as members of the board of 27561  
education of a local school district. 27562

When the new district consists of territory lying in two or 27563  
more counties, the state board shall determine to which 27564  
educational service center the new district shall be assigned. 27565

The legal title of all property of the board of education in 27566  
the territory taken shall become vested in the board of education 27567  
of the newly created school district. 27568

Foundation program moneys accruing to a district created 27569  
under the provisions of this section or previous section 3311.26 27570  
of the Revised Code, shall not be less, in any year during the 27571  
next succeeding three years following the creation, than the sum 27572  
of the amounts received by the districts separately in the year in 27573  
which the creation of the district became effective. 27574

If, prior to the effective date of this amendment, a local 27575  
school district board of education or a group of individuals 27576  
requests the governing board of an educational service center to 27577  
consider proposing the creation of a new local school district, 27578  
the governing board, at any time during the one-year period 27579  
following the date that request is made, may adopt a resolution 27580

proposing the creation of a new local school district in response 27581  
to that request and in accordance with the first paragraph of the 27582  
version of this section in effect prior to the effective date of 27583  
this amendment. If the governing board so proposes within that 27584  
one-year period, the governing board may proceed to create the new 27585  
local school district as it proposed, in accordance with the 27586  
version of this section in effect prior to the effective date of 27587  
this amendment, subject to the provisions of that version 27588  
authorizing a petition and referendum on the matter. 27589

Consolidations of school districts which include all of the 27590  
schools of a county and which become effective on or after July 1, 27591  
1959, shall be governed and included under this section. 27592

**Sec. 3313.843.** (A) Notwithstanding division (D) of section 27593  
3311.52 of the Revised Code, this section does not apply to either 27594  
of the following: 27595

(1) Any cooperative education school district; 27596

this section. 27603

(B) The board of education of a city or exempted village 27604

or exempted village district in the same manner they are provided 27622  
to local school districts under the governing board's supervision, 27623  
unless otherwise specified in the agreement. The city or exempted 27624  
village board of education shall reimburse the educational service 27625  
center governing board pursuant to section 3317.11 of the Revised 27626  
Code. 27627

(C)(1) If an educational service center received funding 27628

section 3317.11 of the Revised Code for an agreement under this 27630  
section involving a city school district whose total student count 27631  
was less than thirteen thousand, the service center may continue 27632  
to receive funding under that division for such an agreement in 27633  
any subsequent year if the city district's total student count 27634  
exceeds thirteen thousand. However, only the first thirteen 27635

period of at least three years, for a good faith agreement under 27643  
this section involving a city school district with no territory in 27644  
the county in which the educational service center has territory, 27645  
that educational service center and that city school district may 27646  
enter into an agreement under this section, and the service center 27647  
shall receive funding under division ~~(B)~~(F) of section 3317.11 of 27648  
the Revised Code for any such agreement, notwithstanding the 27649  
territorial boundaries of the service center and the city school 27650  
district. 27651

(D) Any agreement entered into pursuant to this section shall 27652  
be valid only if a copy is filed with the department of education 27653  
by the first day of the school year for which the agreement is in 27654  
effect. 27655

**Sec. 3313.975.** As used in this section and in sections 27656  
3313.975 to 3313.979 of the Revised Code, "the pilot project 27657  
school district" or "the district" means any school district 27658  
included in the pilot project scholarship program pursuant to this 27659  
section. 27660

(A) The superintendent of public instruction shall establish 27661  
a pilot project scholarship program and shall include in such 27662  
program any school districts that are or have ever been under 27663  
federal court order requiring supervision and operational 27664  
management of the district by the state superintendent. The 27665  
program shall provide for a number of students residing in any 27666  
such district to receive scholarships to attend alternative 27667  
schools, and for an equal number of students to receive tutorial 27668  
assistance grants while attending public school in any such 27669  
district. 27670

(B) The state superintendent shall establish an application 27671  
process and deadline for accepting applications from students 27672  
residing in the district to participate in the scholarship 27673

program. In the initial year of the program students may only use 27674  
a scholarship to attend school in grades kindergarten through 27675  
third. 27676

The state superintendent shall award as many scholarships and 27677  
tutorial assistance grants as can be funded given the amount 27678  
appropriated for the program. In no case, however, shall more than 27679  
fifty per cent of all scholarships awarded be used by students who 27680  
were enrolled in a nonpublic school during the school year of 27681  
application for a scholarship. 27682

(C)(1) The pilot project program shall continue in effect 27683  
each year that the general assembly has appropriated sufficient 27684  
money to fund scholarships and tutorial assistance grants. In each 27685  
year the program continues, no new students may receive 27686  
scholarships unless they are enrolled in grade kindergarten, one, 27687  
two, or three. However, any student who has received a scholarship 27688  
the preceding year may continue to receive one until the student 27689  
has completed grade eight. Beginning in the 2003-2004 academic 27690  
year, a student who previously has received a scholarship may 27691  
receive a scholarship in grade nine. Beginning in the 2004-2005 27692  
academic year, a student who previously has received a scholarship 27693  
may receive a scholarship in grade ten. 27694

(2) If the general assembly discontinues the scholarship 27695  
program, all students who are attending an alternative school 27696  
under the pilot project shall be entitled to continued admittance 27697  
to that specific school through all grades up to the ~~eight~~ tenth 27698  
grade that are provided in such school, under the same conditions 27699  
as when they were participating in the pilot project. The state 27700  
superintendent shall continue to make scholarship payments in 27701  
accordance with division (A) or (B) of section 3313.979 of the 27702  
Revised Code for students who remain enrolled in an alternative 27703  
school under this provision in any year that funds have been 27704  
appropriated for this purpose. 27705

If funds are not appropriated, the tuition charged to the parents of a student who remains enrolled in an alternative school under this provision shall not be increased beyond the amount equal to the amount of the scholarship plus any additional amount charged that student's parent in the most recent year of attendance as a participant in the pilot project, except that tuition for all the students enrolled in such school may be increased by the same percentage.

(D) Notwithstanding sections 124.39, 3307.54, and 3319.17 of the Revised Code, if the pilot project school district experiences a decrease in enrollment due to participation in a state-sponsored scholarship program pursuant to sections 3313.974 to 3313.979 of the Revised Code, the district board of education may enter into an agreement with any teacher it employs to provide to that teacher severance pay or early retirement incentives, or both, if the teacher agrees to terminate the employment contract with the district board, provided any collective bargaining agreement in force pursuant to Chapter 4117. of the Revised Code does not prohibit such an agreement for termination of a teacher's employment contract.

**Sec. 3313.976.** (A) No private school may receive scholarship payments from parents pursuant to section 3313.979 of the Revised Code until the chief administrator of the private school registers the school with the superintendent of public instruction. (3) The school meets all state minimum standards for 27739

(4) The school does not discriminate on the basis of race, 27744

of section 3313.978 of the Revised Code, in excess of ten per cent 27758  
of the scholarship amount established pursuant to division (C)(1) 27759  
of section 3313.978 of the Revised Code, excluding any increase 27760  
described in division (C)(2) of that section. The school shall 27761  
permit any such tuition, at the discretion of the parent, to be 27762  
satisfied by the low-income family's provision of in-kind 27763  
contributions or services. 27764

(9) For students in grades kindergarten through eight, the 27765  
school agrees not to charge any tuition to low-income families 27766  
receiving a seventy-five per cent scholarship amount through the 27767

scholarship program, pursuant to division (A) of section 3313.978 27768  
of the Revised Code, in excess of the difference between the 27769  
actual tuition charge of the school and seventy-five per cent of 27770  
the scholarship amount established pursuant to division (C)(1) of 27771  
section 3313.978 of the Revised Code, excluding any increase 27772  
described in division (C)(2) of that section. The school shall 27773  
permit such tuition, at the discretion of the parent, to be 27774  
satisfied by the low-income family's provision of in-kind 27775  
contributions or services. 27776

of students in grades nine and ten receiving a scholarship in 27778  
excess of the actual tuition charge of the school less 27779  
seventy-five or ninety per cent of the scholarship amount 27780  
established pursuant to division (C)(1) of section 3313.978 of the 27781  
Revised Code, as applicable, excluding any increase described in 27782  
division (C)(2) of that section. 27783

(B) The state superintendent shall revoke the registration of 27784  
any school if, after a hearing, the superintendent determines that 27785  
the school is in violation of any of the provisions of division 27786  
(A) of this section. 27787

(C) Any public school located in a school district adjacent 27788  
to the pilot project district may receive scholarship payments on 27789  
behalf of parents pursuant to section 3313.979 of the Revised Code 27790  
if the superintendent of the district in which such public school 27791  
is located notifies the state superintendent prior to the first 27792  
day of March that the district intends to admit students from the 27793  
pilot project district for the ensuing school year pursuant to 27794  
section 3327.06 of the Revised Code. 27795

prior to the deadline, which criteria shall give preference to 27853  
students from low-income families. For each student selected, the 27854  
state superintendent shall also determine whether the student 27855  
qualifies for seventy-five or ninety per cent of the scholarship 27856

**Sec. 3314.17.** (A) Each community school established under this chapter shall participate in the statewide education management information system established under section 3301.0714 of the Revised Code. All provisions of that section and the rules adopted under that section apply to each community school as if it were a school district, except as modified for community schools under division (B) of this section.

(B) The rules adopted by the state board of education under section 3301.0714 of the Revised Code may distinguish methods and

timelines for community schools to annually report data, which 29157  
methods and timelines differ from those prescribed for school 29158  
districts. Any methods and timelines prescribed for community 29159  
schools shall be appropriate to the academic schedule and 29160  
financing of community schools. The guidelines, however, shall not 29161  
modify the actual data required to be reported under that section. 29162

(C) Each fiscal officer appointed under section 3314.011 of 29163  
the Revised Code is responsible for annually reporting the 29164  
community school's data under section 3301.0714 of the Revised 29165  
Code. If the superintendent of public instruction determines that 29166  
a community school fiscal officer has willfully failed to report 29167  
data or has willfully reported erroneous, inaccurate, or 29168  
incomplete data in any year, or has negligently reported 29169  
erroneous, inaccurate, or incomplete data in the current and any 29170  
previous year, the superintendent may impose a civil penalty of 29171  
one hundred dollars on the fiscal officer after providing the 29172  
officer with notice and an opportunity for a hearing in accordance 29173  
with Chapter 119. of the Revised Code. The superintendent's 29174  
authority to impose civil penalties under this division does not 29175  
preclude the state board of education from suspending or revoking 29176  
the license of a community school employee under division (N) of 29177  
section 3301.0714 of the Revised Code. 29178

(D) No community school shall acquire, change, or update its 29179  
student administration software package to manage and report data 29180  
required to be reported to the department unless it converts to a 29181  
student software package that is certified by the department. 29182

**Sec. 3316.031.** (A) The state superintendent of public 29183  
instruction, in consultation with the auditor of state, shall 29184  
develop guidelines for identifying fiscal practices and budgetary 29185  
conditions that, if uncorrected, could result in a future 29186  
declaration of a fiscal watch or fiscal emergency within a school 29187

district. 29188

The guidelines shall not include a requirement that a school district submit financial statements according to generally accepted accounting principles. 29189  
29190  
29191

(B)(1) If the state superintendent determines from a school district's five-year forecast submitted under section 5705.391 of the Revised Code that a district is engaging in any of those practices or that any of those conditions exist within the district, after consulting with the district board of education concerning the practices or conditions, the state superintendent may declare the district to be under a fiscal caution. 29192

29194  
29195  
29196  
29197  
29198

(2) If the auditor of state finds that a district is engaging in any of those practices or that any of those conditions exist within the district, the auditor of state shall report that finding to the state superintendent and, after consulting with the district board of education concerning the practices or conditions, the state superintendent may declare the district to be under a fiscal caution. 29199  
29200  
29201  
29202  
29203  
29204  
29205

(3) Unless the auditor of state has elected to declare a state of fiscal watch under division (A)(4) of section 3316.03 of the Revised Code, the state superintendent shall declare a school district to be under a fiscal caution if the conditions described in divisions (A)(4)(a) and (b) of that section are both satisfied with respect to the school district. 29206  
29207  
29208  
29209  
29210  
29211

(C) When the state superintendent declares a district to be under fiscal caution, the state superintendent shall promptly notify the district board of education of that declaration and shall request the board to provide written proposals for discontinuing or correcting the fiscal practices or budgetary conditions that prompted the declaration and for preventing the district from experiencing further fiscal difficulties that could 29212

result in the district being declared to be in a state of fiscal watch or fiscal emergency. 29219  
29220

(D) The state superintendent, or a designee, may visit and inspect any district that is declared to be under a fiscal caution. The department of education shall provide technical assistance to the district board in implementing proposals to eliminate the practices or budgetary conditions that prompted the declaration of fiscal caution and may make recommendations concerning the board's proposals. 29221  
29222  
29223  
29224  
29225  
29226  
29227

(E) If the state superintendent finds that a school district declared to be under a fiscal caution has not made reasonable proposals or otherwise taken action to discontinue or correct the fiscal practices or budgetary conditions that prompted the declaration of fiscal caution, and if the state superintendent considers it necessary to prevent further fiscal decline, the state superintendent may determine that the district should be in a state of fiscal watch. As provided in division (A)(3) of section 3316.03 of the Revised Code, the auditor of state shall declare the district to be in a state of fiscal watch if the auditor of state finds the superintendent's determination to be reasonable. 29228

**Sec. 3317.012.** (A)(1) The general assembly, having analyzed 29291  
school district expenditure and cost data for fiscal year 1999, 29292  
performed the calculation described in division (B) of this 29293  
section, adjusted the results for inflation, and added the amounts 29294  
described in division (A)(2) of this section, hereby determines 29295  
that the base cost of an adequate education per pupil for the 29296  
fiscal year beginning July 1, 2001, is \$4,814. ~~For the five~~ 29297  
~~following fiscal years, the~~ The base cost per pupil ~~for each of~~ 29298

eight-tenths per cent, is \$4,949 for fiscal year 2003, ~~\$5,088.~~ The 29300  
base cost per pupil, reflecting an annual rate of inflation of two 29301  
and two-tenths per cent, is \$5,058 for fiscal year 2004, ~~\$5,230~~ 29302  
~~and \$5,169~~ for fiscal year 2005, ~~\$5,376~~ for fiscal year 2006, and 29303  
~~\$5,527~~ for fiscal year 2007. 29304

(2) The base cost per pupil amounts specified in division 29305  
(A)(1) of this section include amounts to reflect the cost to 29306  
school districts of increasing the minimum number of high school 29307  
academic units required for graduation beginning September 15, 29308  
2001, under section 3313.603 of the Revised Code. Analysis of 29309  
fiscal year 1999 data revealed that the school districts meeting 29310  
the requirements of division (B) of this section on average 29311  
required high school students to complete a minimum of nineteen 29312  
and eight-tenths units to graduate. The general assembly 29313

determines that the cost of funding the additional two-tenths unit 29314  
required by section 3313.603 of the Revised Code is \$12 per pupil 29315  
in fiscal year 2002. This amount was added after the calculation 29316  
described in division (B) of this section and the adjustment for 29317  
inflation from fiscal year 1999 to fiscal year 2002. It is this 29318  
total amount, the calculated base cost plus the supplement to pay 29319  
for the additional partial unit, that constitutes the base cost 29320  
amount specified in division (A)(1) of this section for fiscal 29321  
year 2002 and that is inflated to produce the base cost amounts 29322  
for fiscal years 2003 through ~~2007~~ 2005. 29323

(B) In determining the base cost stated in division (A) of 29324  
this section, capital and debt costs, costs paid for by federal 29325  
funds, and costs covered by funds provided for disadvantaged pupil 29326  
impact aid and transportation were excluded, as were the effects 29327  
on the districts' state funds of the application of the 29328  
cost-of-doing-business factors, assuming a seven and one-half per 29329  
cent variance. 29330

The base cost for fiscal year 1999 was calculated as the 29331  
unweighted average cost per student, on a school district basis, 29332  
of educating students who were not receiving vocational education 29333  
or services pursuant to Chapter 3323. of the Revised Code and who 29334  
were enrolled in a city, exempted village, or local school 29335  
district that in fiscal year 1999 met all of the following 29336  
criteria: 29337

(1) The district met at least twenty of the following 29338  
twenty-seven performance indicators: 29339

(aa) An attendance rate for the year of at least ninety-three 29416  
per cent as defined in section 3302.01 of the Revised Code. 29417

In determining whether a school district met any of the 29418  
performance standards specified in divisions (B)(1)(a) to (aa) of 29419  
this section, the general assembly used a rounding procedure 29420  
previously recommended by the department of education. It is the 29421  
same rounding procedure the general assembly used in 1998 to 29422  
determine whether a district had met the standards of former 29423  
divisions (B)(1)(a) to (r) of this section for purposes of 29424  
constructing the previous model based on fiscal year 1996 data. 29425

(2) The district was not among the five per cent of all 29426  
districts with the highest income, nor among the five per cent of 29427  
all districts with the lowest income. 29428

(3) The district was not among the five per cent of all 29429  
districts with the highest valuation per pupil, nor among the five 29430  
per cent of all districts with the lowest valuation per pupil. 29431

This model for calculating the base cost of an adequate 29432  
education is expenditure-based. The general assembly recognizes 29433  
that increases in state funding to school districts since fiscal 29434

year 1996, the fiscal year upon which the general assembly based its model for calculating state funding to school districts for fiscal years 1999 through 2001, has increased school district base cost expenditures for fiscal year 1999, the fiscal year upon which the general assembly based its model for calculating state funding for fiscal years 2002 through ~~2007~~ 2005. In the case of school districts included in the fiscal year 1999 model that also had met the fiscal year 1996 performance criteria of former division (B)(1) of this section, the increased state funding may have driven the districts' expenditures beyond the expenditures that were actually needed to maintain their educational programs at the level necessary to maintain their ability to meet the fiscal year 1999 performance criteria of current division (B)(1) of this section. The general assembly has determined to control for this effect by stipulating in the later model that the fiscal year 1999 base cost expenditures of the districts that also met the performance criteria of former division (B)(1) of this section equals their base cost expenditures per pupil for fiscal year 1996, inflated to fiscal year 1999 using an annual rate of inflation of two and eight-tenths per cent. However, if this inflated amount exceeded the district's actual fiscal year 1999 base cost expenditures per pupil, the district's actual fiscal year 1999 base cost expenditures per pupil were used in the calculation. For districts in the 1999 model that did not also meet the performance criteria of former division (B)(1) of this section, the actual 1999 base cost per pupil expenditures were used in the calculation of the average district per pupil costs of the model districts.

~~(C) In July of 2005, and in July of every six years thereafter, the speaker of the house of representatives and the president of the senate shall each appoint three members to a committee to reexamine the cost of an adequate education. No more than two members from any political party shall represent each~~

~~house. The director of budget and management and the 29468  
superintendent of public instruction shall serve as nonvoting ex 29469  
officio members of the committee. 29470~~

~~The committee shall select a rational methodology for 29471  
calculating the costs of an adequate education system for the 29472  
ensuing six year period, and shall report the methodology and the 29473  
resulting costs to the general assembly. In performing its 29474  
function, the committee is not bound by any method used by 29475  
previous general assemblies to examine and calculate costs and 29476  
instead may utilize any rational method it deems suitable and 29477  
reasonable given the educational needs and requirements of the 29478  
state at that time. 29479~~

~~The methodology for determining the cost of an adequate 29480  
education system shall take into account the basic educational 29481  
costs that all districts incur in educating regular students, the 29482  
unique needs of special categories of students, and significant 29483  
special conditions encountered by certain classifications of 29484  
school districts. 29485~~

~~The committee also shall redetermine, for purposes of 29486  
updating the parity aid calculation under section 3317.0217 of the 29487  
Revised Code, the average number of effective operating mills that 29488  
school districts in the seventieth to ninetieth percentiles of 29489  
valuations per pupil collect above the revenues required to 29490  
finance their attributed local shares of the calculated cost of an 29491  
adequate education. 29492~~

~~Any committee appointed pursuant to this section shall make 29493  
its report to the office of budget and management and the general 29494  
assembly within one year of its appointment so that the 29495  
information is available for use by the office and the general 29496  
assembly in preparing the next biennial appropriations act. 29497~~

~~(D)(1) For purposes of this division, an "update year" is the 29498~~

~~first fiscal year for which the per pupil base cost of an adequate  
education is in effect after being recalculated by the general  
assembly. The first update year is fiscal year 2002. The second  
update year is fiscal year 2008.~~

~~(2) The general assembly shall recalculate the per pupil base  
cost of an adequate education every six years after considering  
the recommendations of the committee appointed under division (C)  
of this section. At the time of the recalculation, for each of the  
five fiscal years following the update year, the general assembly  
shall adjust the base cost recalculated for the update year using  
an annual rate of inflation that the general assembly determines  
appropriate.~~

~~(3) The general assembly shall include, in the act  
appropriating state funds for education programs for a fiscal  
biennium that begins with an update year, a statement of its  
determination of the total state share percentage of base cost and  
parity aid funding for the update year.~~

~~(4) During its biennial budget deliberations, the general  
assembly shall determine the total state share percentage of base  
cost and parity aid funding for each fiscal year of the upcoming  
biennium. This determination shall be based on the latest  
projections and data provided by the department of education under  
division (D)(6) of this section prior to the enactment of  
education appropriations for the upcoming biennium. If, based on  
those latest projections and data, the general assembly determines  
that the total state share percentage for either or both nonupdate  
fiscal years varies more than two and one half percentage points  
more or less than the total state share percentage for the most  
recent update year, as previously stated by the general assembly  
under division (D)(3) of this section, the general assembly shall  
determine and enact a method that it considers appropriate to  
restrict the estimated variance for each year to within two and~~

~~one half percentage points. The general assembly's methods may include, but are not required to include and need not be limited to, reexamining the rate of millage charged off as the local share of base cost funding under divisions (A)(1) and (2) of section 3317.022 of the Revised Code. Regardless of any changes in charge off millage rates in years between update years, however, the charge off millage rate for update years shall be twenty three mills, unless the general assembly determines that a different millage rate is more appropriate to share the total calculated base cost between the state and school districts.~~

~~(5) The total state share percentage of base cost and parity aid funding for any fiscal year is calculated as follows:  
[(Total state base cost + total state parity aid funding) —  
statewide charge off amount] / (Total state base cost + total  
state parity aid funding)~~

~~Where:~~

~~(a) The total state base cost equals the sum of the base costs for all school districts for the fiscal year.~~

~~(b) The base cost for each school district equals:  
formula amount X cost of doing business factor X  
the greater of formula ADM or  
three year average formula ADM~~

~~(c) The total state parity aid funding equals the sum of the amounts paid to all school districts for the fiscal year under section 3317.0217 of the Revised Code.~~

~~(d) The statewide charge off amount equals the sum of the charge off amounts for all school districts.~~

~~(e) The charge off amount for each school district is the amount calculated as its local share of base cost funding and deducted from the total calculated base cost to determine the amount of its state payment under divisions (A)(1) and (2) of~~

~~section 3317.022 of the Revised Code. The charge off amount for 29562  
each school district in fiscal year 2002 is the product of 29563  
twenty three mills multiplied by the district's recognized 29564  
valuation as adjusted, if applicable, under division (A)(2) of 29565  
section 3317.022 of the Revised Code. If however, in any fiscal 29566  
year, including fiscal year 2002, a school district's calculated 29567  
charge off amount exceeds its base cost calculated as described in 29568  
division (D)(5)(b) of this section, the district's charge off 29569  
amount shall be deemed to equal its calculated base cost. 29570~~

~~(6) Whenever requested by the chairperson of the standing 29571  
committee of the house or representatives or the senate having 29572  
primary jurisdiction over appropriations, the legislative budget 29573  
officer, or the director of budget and management, the department 29574  
of education shall report its latest projections for total base 29575  
cost, total parity aid funding, and the statewide charge off 29576  
amount, as those terms are defined in division (D)(5) of this 29577  
section, for each year of the upcoming fiscal biennium, and all 29578  
data it used to make the projections. 29579~~

**Sec. 3317.013.** This section does not apply to handicapped 29580  
preschool students. 29581

Analysis of special education cost data has resulted in a 29582  
finding that the average special education additional cost per 29583  
pupil, including the costs of related services, can be expressed 29584  
as a multiple of the base cost per pupil calculated under section 29585  
3317.012 of the Revised Code. The multiples for the following 29586  
categories of special education programs, as these programs are 29587  
defined for purposes of Chapter 3323. of the Revised Code, and 29588  
adjusted as provided in this section, are as follows: 29589

(A) A multiple of 0.2892 for students whose primary or only 29590  
identified handicap is a speech and language handicap, as this 29591  
term is defined pursuant to Chapter 3323. of the Revised Code; 29592

(B) A multiple of 0.3691 for students identified as specific learning disabled or developmentally handicapped, as these terms are defined pursuant to Chapter 3323. of the Revised Code, or other health handicapped-minor;

(C) A multiple of 1.7695 for students identified as hearing handicapped, vision impaired, or severe behavior handicapped, as these terms are defined pursuant to Chapter 3323. of the Revised Code;

(D) A multiple of 2.3646 for students identified as orthopedically handicapped, as this term is defined pursuant to Chapter 3323. of the Revised Code or other health handicapped - major;

(E) A multiple of 3.1129 for students identified as multihandicapped, as this term is defined pursuant to Chapter 3323. of the Revised Code;

(F) A multiple of 4.7342 for students identified as autistic, having traumatic brain injuries, or as both visually and hearing disabled, as these terms are defined pursuant to Chapter 3323. of the Revised Code.

In fiscal year ~~2002~~ 2004, the multiples specified in divisions (A) to (F) of this section shall be adjusted by multiplying them by ~~0.825~~ 0.88. In fiscal year ~~2003~~ 2005, the multiples specified in those divisions shall be adjusted by multiplying them by ~~0.875~~ 0.90.

Not later than May 30, 2004, and May 30, 2005, the department shall submit to the office of budget and management a report that specifies for each city, local, exempted village, and joint vocational school district the fiscal year allocation of the state and local shares of special education and related services additional weighted funding and federal special education funds passed through to the district.

**Sec. 3317.014.** The average vocational education additional 29624  
cost per pupil can be expressed as a multiple of the base cost per 29625  
pupil calculated under section 3317.012 of the Revised Code. the 29626  
multiples for the following categories of vocational education 29627  
programs are as follows: 29628

(A) A multiple of 0.57 for students enrolled in vocational 29629  
education job-training and workforce development programs approved 29630  
by the department of education in accordance with rules adopted 29631  
under section 3313.90 of the Revised Code. 29632

(B) A multiple of 0.28 for students enrolled in vocational 29633  
education classes other than job-training and workforce 29634  
development programs. 29635

Vocational education associated services costs can be 29636  
expressed as a multiple of 0.05 of the base cost per pupil 29637  
calculated under section 3317.012 of the Revised Code. 29638

The general assembly has adjusted the multiples specified in 29639  
this section for calculating payments beginning in fiscal year 29640  
2002 in recognition that its policy change regarding the 29641  
application of the cost-of-doing-business factor produces a higher 29642  
base cost amount than would exist if no change were made to its 29643  
application. The adjustment maintains the same weighted costs as 29644  
would exist if no change were made to the application of the 29645  
cost-of-doing-business factor. 29646

The department of education shall annually report to the 29647  
governor and the general assembly the amount of weighted funding 29648  
for vocational education and associated services that is spent by 29649  
each city, local, exempted village, and joint vocational school 29650  
district specifically for vocational educational and associated 29651  
services. 29652

If the difference obtained is a negative number, the 29933  
district's computation shall be zero. 29934

(2)(a) For each school district for which the tax exempt value of the district equals or exceeds twenty-five per cent of the potential value of the district, the department of education shall calculate the difference between the district's tax exempt value and twenty-five per cent of the district's potential value. 29935

~~over fiscal year 2002.~~ 30050

(c) The district shall only report under division (C)(3)(a) 30051  
of this section, and the department shall only pay for, the costs 30052  
of educational expenses and the related services provided to the 30053  
student in accordance with the student's individualized education 30054  
program. Any legal fees, court costs, or other costs associated 30055

with any cause of action relating to the student may not be 30056  
included in the amount. 30057

~~(5)~~(4)(a) As used in this division, the "personnel allowance" 30058

to students, including students who do not have individualized 30062  
education programs prepared for them under Chapter 3323. of the 30063  
Revised Code, and for no other purpose, the department of 30064  
education shall pay each school district an amount calculated 30065  
under the following formula: 30066

(formula ADM divided by 2000) X 30067

the personnel allowance X the state share percentage 30068

(5) In any fiscal year, a school district shall spend for 30069  
purposes that the department designates as approved for special 30070  
education and related services expenses at least the amount 30071  
calculated as follows: 30072

The purposes approved by the department for special education 30077  
expenses shall include, but shall not be limited to, 30078  
identification of handicapped children, compliance with state 30079  
rules governing the education of handicapped children and 30080  
prescribing the continuum of program options for handicapped 30081  
children, provision of speech language pathology services, and the 30082  
portion of the school district's overall administrative and 30083  
overhead costs that are attributable to the district's special 30084  
education student population. 30085

The department shall require school districts to report data 30086

annually to allow for monitoring compliance with division (C)(5) 30087

miles traveled per day, divided by transportation base. 30099

(b) "Transportation base" equals total student count as 30100  
defined in section 3301.011 of the Revised Code, minus the number 30101  
of students enrolled in preschool handicapped units, plus the 30102  
number of nonpublic school students included in transportation 30103  
ADM. 30104

(c) "Transported student percentage" equals transportation 30105  
ADM divided by transportation base. 30106

costs for board-owned or contractor-operated school buses divided 30108  
by transportation base. 30109

(2) Analysis of student transportation cost data has resulted 30110  
in a finding that an average efficient transportation use cost per 30111  
student can be calculated by means of a regression formula that 30112  
has as its two independent variables the number of daily bus miles 30113  
per student and the transported student percentage. For fiscal 30114  
year 1998 transportation cost data, the average efficient 30115  
transportation use cost per student is expressed as follows: 30116

51.79027 + (139.62626 X daily bus miles per student) + 30117  
(116.25573 X transported student percentage) 30118

The department of education shall annually determine the 30119  
average efficient transportation use cost per student in 30120  
accordance with the principles stated in division (D)(2) of this 30121  
section, updating the intercept and regression coefficients of the 30122  
regression formula modeled in this division, based on an annual 30123  
statewide analysis of each school district's daily bus miles per 30124  
student, transported student percentage, and transportation cost 30125  
per student data. The department shall conduct the annual update 30126  
using data, including daily bus miles per student, transported 30127  
student percentage, and transportation cost per student data, from 30128  
the prior fiscal year. The department shall notify the office of 30129  
budget and management of such update by the fifteenth day of 30130  
February of each year. 30131

(3) In addition to funds paid under divisions (A), (C), and 30132  
(E) of this section, each district with a transported student 30133  
percentage greater than zero shall receive a payment equal to a 30134  
percentage of the product of the district's transportation base 30135  
from the prior fiscal year times the annually updated average 30136  
efficient transportation use cost per student, times an inflation 30137  
factor of two and eight tenths per cent to account for the 30138  
one-year difference between the data used in updating the formula 30139  
and calculating the payment and the year in which the payment is 30140  
made. The percentage shall be the following percentage of that 30141  
product specified for the corresponding fiscal year: 30142

FISCAL YEAR	PERCENTAGE	
2000	52.5%	30144
2001	55%	30145
2002	57.5%	30146
2003 and thereafter	The greater of 60% or the district's state share	30147

percentage

The payments made under division (D)(3) of this section each 30148  
year shall be calculated based on all of the same prior year's 30149  
data used to update the formula. 30150

(4) In addition to funds paid under divisions (D)(2) and (3) 30151  
of this section, a school district shall receive a rough road 30152  
subsidy if both of the following apply: 30153

(a) Its county rough road percentage is higher than the 30154  
statewide rough road percentage, as those terms are defined in 30155  
division (D)(5) of this section; 30156

(b) Its district student density is lower than the statewide 30157  
student density, as those terms are defined in that division. 30158

(5) The rough road subsidy paid to each district meeting the 30159  
qualifications of division (D)(4) of this section shall be 30160  
calculated in accordance with the following formula: 30161

(per rough mile subsidy X total rough road miles) X 30162  
density multiplier 30163

where: 30164

(a) "Per rough mile subsidy" equals the amount calculated in 30165  
accordance with the following formula: 30166

$$0.75 - \{0.75 \times [(\text{maximum rough road percentage} -$$
 30167  
$$\text{county rough road percentage}) / (\text{maximum rough road percentage} -$$

30170

(i) "Maximum rough road percentage" means the highest county 30171  
rough road percentage in the state. 30172

(ii) "County rough road percentage" equals the percentage of 30173  
the mileage of state, municipal, county, and township roads that 30174  
is rated by the department of transportation as type A, B, C, E2, 30175  
or F in the county in which the school district is located or, if 30176

the district is located in more than one county, the county to 30177  
which it is assigned for purposes of determining its 30178  
cost-of-doing-business factor. 30179

(iii) "Statewide rough road percentage" means the percentage 30180  
of the statewide total mileage of state, municipal, county, and 30181  
township roads that is rated as type A, B, C, E2, or F by the 30182  
department of transportation. 30183

(b) "Total rough road miles" means a school district's total 30184  
bus miles traveled in one year times its county rough road 30185  
percentage. 30186

(c) "Density multiplier" means a figure calculated in 30187  
accordance with the following formula: 30188

of this section, each district shall receive in accordance with 30201  
rules adopted by the state board of education a payment for 30202  
students transported by means other than board-owned or 30203  
contractor-operated buses and whose transportation is not funded 30204  
under division (J) of section 3317.024 of the Revised Code. The 30205  
rules shall include provisions for school district reporting of 30206  
such students. 30207

(E)(1) The department shall compute and distribute state 30208  
vocational education additional weighted costs funds to each 30209  
school district in accordance with the following formula: 30210  
state share percentage X 30211  
the formula amount X 30212  
total vocational education weight 30213

In any fiscal year, a school district receiving funds under 30214  
division (E)(1) of this section shall spend those funds only for 30215  
the purposes that the department designates as approved for 30216  
vocational education expenses. Vocational educational expenses 30217  
approved by the department shall include only expenses connected 30218  
to the delivery of career-technical programming to 30219  
career-technical students. The department shall require the school 30220  
district to report data annually so that the department may 30221  
monitor the district's compliance with the requirements regarding 30222  
the manner in which funding received under division (E)(1) of this 30223  
section may be spent. 30224

(2) The department shall compute for each school district 30225  
state funds for vocational education associated services in 30226  
accordance with the following formula: 30227  
state share percentage X .05 X 30228  
the formula amount X the sum of categories one and two 30229  
vocational education ADM 30230

In any fiscal year, a school district receiving funds under 30231  
division (E)(2) of this section, or through a transfer of funds 30232  
pursuant to division (L) of section 3317.023 of the Revised Code, 30233  
shall spend those funds only for the purposes that the department 30234  
designates as approved for vocational education associated 30235  
services expenses, which may include such purposes as 30236  
apprenticeship coordinators, coordinators for other vocational 30237  
education services, vocational evaluation, and other purposes 30238  
designated by the department. The department may deny payment 30239

under division (E)(2) of this section to any district that the department determines is not operating those services or is using funds paid under division (E)(2) of this section, or through a transfer of funds pursuant to division (L) of section 3317.023 of the Revised Code, for other purposes.

(F) ~~Beginning in fiscal year 2003, the~~ The actual local share in any fiscal year for the combination of special education and related services additional weighted costs funding calculated under division (C)(1) of this section, transportation funding calculated under divisions (D)(2) and (3) of this section, and vocational education and associated services additional weighted costs funding calculated under divisions (E)(1) and (2) of this section shall not exceed for any school district the product of three and three-tenths mills times the district's recognized valuation. ~~Beginning in fiscal year 2003, the~~ The department annually shall pay each school district as an excess cost supplement any amount by which the sum of the district's attributed local shares for that funding exceeds that product. For purposes of calculating the excess cost supplement:

(1) The attributed local share for special education and related services additional weighted costs funding is the amount specified in division (C)(2) of this section.

on family income of students in grades kindergarten through three 30686  
in a manner that, to the extent possible with available data, 30687  
approximates the intent of this division and division (G) of this 30688  
section to designate buildings where the Ohio works first or 30689  
family assistance percentage in those grades equals or exceeds the 30690  
district-wide Ohio works first or family assistance percentage. 30691

(B) In addition to the amounts required to be paid to a 30692  
school district under section 3317.022 of the Revised Code, a 30693  
school district shall receive the greater of the amount the 30694  
district received in fiscal year 1998 pursuant to division (B) of 30695  
section 3317.023 of the Revised Code as it existed at that time or 30696  
the sum of the computations made under divisions (C) to (E) of 30697  
this section. 30698

(C) A supplemental payment that may be utilized for measures 30699  
related to safety and security and for remediation or similar 30700  
programs, calculated as follows: 30701

(1) If the DPIA index of the school district is greater than 30702

or equal to thirty-five-hundredths, but less than one, an amount 30703  
obtained by multiplying the district's DPIA student count by two 30704  
hundred thirty dollars; 30705

(2) If the DPIA index of the school district is greater than 30706  
or equal to one, an amount obtained by multiplying the DPIA index 30707  
by two hundred thirty dollars and multiplying that product by the 30708  
district's DPIA student count. 30709

Except as otherwise provided in division (F) of this section, 30710  
beginning with the school year that starts July 1, 2002, each 30711  
school district annually shall use at least twenty per cent of the 30712  
funds calculated for the district under this division for 30713  
intervention services required by section 3313.608 of the Revised 30714  
Code. 30715

(D) A payment for all-day kindergarten if the DPIA index of 30716  
the school district is greater than or equal to one or if the 30717  
district's three-year average formula ADM exceeded seventeen 30718  
thousand five hundred, calculated by multiplying the all-day 30719  
kindergarten percentage by the kindergarten ADM and multiplying 30720  
that product by the formula amount. 30721

(E) A class-size reduction payment based on calculating the 30722  
number of new teachers necessary to achieve a lower 30723  
student-teacher ratio, as follows: 30724

(1) Determine or calculate a formula number of teachers per 30725  
one thousand students based on the DPIA index of the school 30726  
district as follows: 30727

(a) If the DPIA index of the school district is less than 30728  
six-tenths, the formula number of teachers is 43.478, which is the 30729  
number of teachers per one thousand students at a student-teacher 30730  
ratio of twenty-three to one; 30731

(b) If the DPIA index of the school district is greater than 30732  
or equal to six-tenths, but less than two and one-half, the 30733

formula number of teachers is calculated as follows: 30734

$$43.478 + \{[(\text{DPIA index} - 0.6) / 1.9] \times 23.188\} \quad 30735$$

Where 43.478 is the number of teachers per one thousand 30736  
students at a student-teacher ratio of twenty-three to one; 1.9 is 30737  
the interval from a DPIA index of six-tenths to a DPIA index of 30738  
two and one-half; and 23.188 is the difference in the number of 30739  
teachers per one thousand students at a student-teacher ratio of 30740  
fifteen to one and the number of teachers per one thousand 30741  
students at a student-teacher ratio of twenty-three to one. 30742

(c) If the DPIA index of the school district is greater than 30743  
or equal to two and one-half, the formula number of teachers is 30744  
66.667, which is the number of teachers per one thousand students 30745  
at a student-teacher ratio of fifteen to one. 30746

(2) Multiply the formula number of teachers determined or 30747  
calculated in division (E)(1) of this section by the kindergarten 30748  
through third grade ADM for the district and divide that product 30749  
by one thousand; 30750

(3) Calculate the number of new teachers as follows: 30751

(a) Multiply the kindergarten through third grade ADM by 30752  
43.478, which is the number of teachers per one thousand students 30753  
at a student-teacher ratio of twenty-three to one, and divide that 30754  
product by one thousand; 30755

(b) Subtract the quotient obtained in division (E)(3)(a) of 30756  
this section from the product in division (E)(2) of this section. 30757

(4) Multiply the greater of the difference obtained under 30758  
division (E)(3) of this section or zero by the statewide average 30759  
teachers salary. 30760

(F) This division applies only to school districts whose DPIA 30761  
index is one or greater. 30762

(1) Each school district subject to this division shall first 30763

utilize funds received under this section so that, when combined 30764  
with other funds of the district, sufficient funds exist to 30765  
provide all-day kindergarten to at least the number of children in 30766  
the district's all-day kindergarten percentage. 30767

(2) Up to an amount equal to the district's DPIA index 30768  
multiplied by its DPIA student count multiplied by two hundred 30769  
thirty dollars of the money distributed under this section may be 30770  
utilized for one or both of the following: 30771

(a) Programs designed to ensure that schools are free of 30772  
drugs and violence and have a disciplined environment conducive to 30773  
learning; 30774

(b) Remediation for students who have failed or are in danger 30775  
of failing any of the tests administered pursuant to section 30776  
3301.0710 of the Revised Code. 30777

Beginning with the school year that starts on July 1, 2002, 30778  
each school district shall use at least twenty per cent of the 30779  
funds set aside for the purposes of divisions (F)(2)(a) and (b) of 30780  
this section to provide intervention services required by section 30781  
3313.608 of the Revised Code. 30782

(3) Except as otherwise required by division (G) or permitted 30783  
under division (K) of this section, all other funds distributed 30784  
under this section to districts subject to this division shall be 30785  
utilized for the purpose of the third grade guarantee. The third 30786  
grade guarantee consists of increasing the amount of instructional 30787  
attention received per pupil in kindergarten through third grade, 30788  
either by reducing the ratio of students to instructional 30789  
personnel or by increasing the amount of instruction and 30790  
curriculum-related activities by extending the length of the 30791  
school day or the school year. 30792

School districts may implement a reduction of the ratio of 30793  
students to instructional personnel through any or all of the 30794

following methods:	30795
(a) Reducing the number of students in a classroom taught by a single teacher;	30796 30797
(b) Employing full-time educational aides or educational paraprofessionals issued a permit or license under section 3319.088 of the Revised Code;	30798 30799 30800
(c) Instituting a team-teaching method that will result in a lower student-teacher ratio in a classroom.	30801 30802
Districts may extend the school day either by increasing the amount of time allocated for each class, increasing the number of classes provided per day, offering optional academic-related after-school programs, providing curriculum-related extra curricular activities, or establishing tutoring or remedial services for students who have demonstrated an educational need. In accordance with section 3319.089 of the Revised Code, a district extending the school day pursuant to this division may utilize a participant of the work experience program who has a child enrolled in a public school in that district and who is fulfilling the work requirements of that program by volunteering or working in that public school. If the work experience program participant is compensated, the school district may use the funds distributed under this section for all or part of the compensation.	30803 30804 30805 30806 30807 30808 30809 30810 30811 30812 30813 30814 30815 30816 30817
Districts may extend the school year either through adding regular days of instruction to the school calendar or by providing summer programs.	30818 30819 30820
(G) Each district subject to division (F) of this section shall not expend any funds received under division (E) of this section in any school buildings that are not buildings with the highest concentration of need, unless there is a ratio of instructional personnel to students of no more than fifteen to one	30821 30822 30823 30824 30825

in each kindergarten and first grade class in all buildings with 30826  
the highest concentration of need. This division does not require 30827  
that the funds used in buildings with the highest concentration of 30828  
need be spent solely to reduce the ratio of instructional 30829  
personnel to students in kindergarten and first grade. A school 30830  
district may spend the funds in those buildings in any manner 30831  
permitted by division (F)(3) of this section, but may not spend 30832  
the money in other buildings unless the fifteen-to-one ratio 30833  
required by this division is attained. 30834

(H)(1) By the first day of August of each fiscal year, each 30835  
school district wishing to receive any funds under division (D) of 30836  
this section shall submit to the department of education an 30837  
estimate of its all-day kindergarten percentage. Each district 30838  
shall update its estimate throughout the fiscal year in the form 30839  
and manner required by the department, and the department shall 30840  
adjust payments under this section to reflect the updates. 30841

(2) Annually by the end of December, the department of 30842  
education, utilizing data from the information system established 30843  
under section 3301.0714 of the Revised Code and after consultation 30844  
with the legislative office of education oversight, shall 30845  
determine for each school district subject to division (F) of this 30846  
section whether in the preceding fiscal year the district's ratio 30847  
of instructional personnel to students and its number of 30848  
kindergarten students receiving all-day kindergarten appear 30849  
reasonable, given the amounts of money the district received for 30850  
that fiscal year pursuant to divisions (D) and (E) of this 30851  
section. If the department is unable to verify from the data 30852  
available that students are receiving reasonable amounts of 30853  
instructional attention and all-day kindergarten, given the funds 30854  
the district has received under this section and that class-size 30855  
reduction funds are being used in school buildings with the 30856  
highest concentration of need as required by division (G) of this 30857

section, the department shall conduct a more intensive 30858  
investigation to ensure that funds have been expended as required 30859  
by this section. The department shall file an annual report of its 30860  
findings under this division with the chairpersons of the 30861  
committees in each house of the general assembly dealing with 30862  
finance and education. 30863

(I) Any school district with a DPIA index less than one and a 30864  
three-year average formula ADM exceeding seventeen thousand five 30865  
hundred shall first utilize funds received under this section so 30866  
that, when combined with other funds of the district, sufficient 30867  
funds exist to provide all-day kindergarten to at least the number 30868  
of children in the district's all-day kindergarten percentage. 30869  
Such a district shall expend at least seventy per cent of the 30870  
remaining funds received under this section, and any other 30871  
district with a DPIA index less than one shall expend at least 30872  
seventy per cent of all funds received under this section, for any 30873  
of the following purposes: 30874

(1) The purchase of technology for instructional purposes; 30875

(2) All-day kindergarten; 30876

(3) Reduction of class sizes; 30877

(4) Summer school remediation; 30878

(5) Dropout prevention programs; 30879

(6) Guaranteeing that all third graders are ready to progress 30880  
to more advanced work; 30881

(7) Summer education and work programs; 30882

(8) Adolescent pregnancy programs; 30883

(9) Head start or preschool programs; 30884

(10) Reading improvement programs described by the department 30885  
of education; 30886

(11) Programs designed to ensure that schools are free of 30887  
drugs and violence and have a disciplined environment conducive to 30888  
learning; 30889

(12) Furnishing, free of charge, materials used in courses of 30890  
instruction, except for the necessary textbooks or electronic 30891  
textbooks required to be furnished without charge pursuant to 30892  
section 3329.06 of the Revised Code, to pupils living in families 30893  
participating in Ohio works first in accordance with section 30894  
3313.642 of the Revised Code; 30895

(13) School breakfasts provided pursuant to section 3313.813 30896  
of the Revised Code. 30897

Each district shall submit to the department, in such format 30898  
and at such time as the department shall specify, a report on the 30899  
programs for which it expended funds under this division. 30900

(J) If at any time the superintendent of public instruction 30901  
determines that a school district receiving funds under division 30902  
(D) of this section has enrolled less than the all-day 30903  
kindergarten percentage reported for that fiscal year, the 30904  
superintendent shall withhold from the funds otherwise due the 30905  
district under this section a proportional amount as determined by 30906  
the difference in the certified all-day kindergarten percentage 30907  
and the percentage actually enrolled in all-day kindergarten. 30908

The superintendent shall also withhold an appropriate amount 30909  
of funds otherwise due a district for any other misuse of funds 30910  
not in accordance with this section. 30911

(K)(1) A district may use a portion of the funds calculated 30912  
for it under division (D) of this section to modify or purchase 30913  
classroom space to provide all-day kindergarten, if both of the 30914  
following conditions are met: 30915

(a) The district certifies to the department, in a manner 30916  
acceptable to the department, that it has a shortage of space for 30917

providing all-day kindergarten. 30918

(b) The district provides all-day kindergarten to the number 30919  
of children in the all-day kindergarten percentage it certified 30920  
under this section. 30921

(2) A district may use a portion of the funds described in 30922  
division (F)(3) of this section to modify or purchase classroom 30923  
space to enable it to further reduce class size in grades 30924  
kindergarten through two with a goal of attaining class sizes of 30925  
fifteen students per licensed teacher. To do so, the district must 30926  
certify its need for additional space to the department, in a 30927  
manner satisfactory to the department. 30928

**Sec. 3317.0217.** The department of education shall annually 30929  
compute and pay state parity aid to school districts, as follows: 30930

(A) Calculate the local wealth per pupil of each school 30931  
district, which equals the following sum: 30932

(1) Two-thirds times the quotient of (a) the district's 30933  
recognized valuation divided by (b) its formula ADM; plus 30934

(2) One-third times the quotient of (a) the average of the 30935  
total federal adjusted gross income of the school district's 30936  
residents for the three years most recently reported under section 30937  
3317.021 of the Revised Code divided by (b) its formula ADM. 30938

(B) Rank all school districts in order of local wealth per 30939  
pupil, from the district with the lowest local wealth per pupil to 30940  
the district with the highest local wealth per pupil. 30941

(C) Compute the per pupil state parity aid funding for each 30942  
school district in accordance with the following formula: 30943

Payment percentage X (threshold local wealth 30944

per pupil - the district's local 30945

wealth per pupil) X 0.0095 30946

Where: 30947

(1) "Payment percentage," for purposes of division (C) of 30948  
this section, equals 20% in fiscal year 2002, 40% in fiscal year 30949  
2003, ~~60%~~ 58% in fiscal year 2004, ~~80%~~ 76% in fiscal year 2005, 30950  
and 100% after fiscal year 2005. 30951

(2) Nine and one-half mills (0.0095) is the general 30952  
assembly's determination of the average number of effective 30953  
operating mills that districts in the seventieth to ninetieth 30954  
percentiles of valuations per pupil collected in fiscal year 2001 30955  
above the revenues required to finance their attributed local 30956  
shares of the calculated cost of an adequate education. This was 30957  
determined by (a) adding the district revenues from operating 30958  
property tax levies and income tax levies, (b) subtracting from 30959  
that total the sum of (i) twenty-three mills times adjusted 30960  
recognized valuation plus (ii) the attributed local shares of 30961  
special education, transportation, and vocational education 30962  
funding as described in divisions (F)(1) to (3) of section 30963  
3317.022 of the Revised Code, and (c) converting the result to an 30964  
effective operating property tax rate. 30965

(3) The "threshold local wealth per pupil" is the local 30966  
wealth per pupil of the school district with the 30967  
four-hundred-ninetieth lowest local wealth per pupil. 30968

If the result of the calculation for a school district under 30969  
division (C) of this section is less than zero, the district's per 30970  
pupil parity aid shall be zero. 30971

(D) Compute the per pupil alternative parity aid for each 30972  
school district that has a combination of an income factor of 1.0 30973  
or less, a DPIA index of 1.0 or greater, and a 30974  
cost-of-doing-business factor of 1.0375 or greater, in accordance 30975  
with the following formula: 30976

Payment percentage X \$60,000 X 30977  
(1 - income factor) X 4/15 X 0.023 30978

Where:	30979
(1) "DPIA index" has the same meaning as in section 3317.029 of the Revised Code.	30980 30981
(2) "Payment percentage," for purposes of division (D) of this section, equals 50% in fiscal year 2002 and 100% after fiscal year 2002.	30982 30983 30984
(E) Pay each district that has a combination of an income factor 1.0 or less, a DPIA index of 1.0 or greater, and a cost-of-doing-business factor of 1.0375 or greater, the greater of the following:	30985 30986 30987 30988
(1) The product of the district's per pupil parity aid calculated under division (C) of this section times its formula ADM;	30989 30990 30991
(2) The product of its per pupil alternative parity aid calculated under division (D) of this section times its formula ADM.	30992 30993 30994
(F) Pay every other district the product of its per pupil parity aid calculated under division (C) of this section times its formula ADM.	30995 30996 30997
<del>Every six years, the general assembly shall redetermine, after considering the report of the committee appointed under section 3317.012 of the Revised Code, the average number of effective operating mills that districts in the seventieth to ninetieth percentiles of valuations per pupil collect above the revenues required to finance their attributed local shares of the cost of an adequate education.</del>	30998 30999 31000 31001 31002 31003 31004
<b>Sec. 3317.03.</b> Notwithstanding divisions (A)(1), (B)(1), and (C) of this section, any student enrolled in kindergarten more than half time shall be reported as one-half student under this section.	31005 31006 31007 31008

(A) The superintendent of each city and exempted village school district and of each educational service center shall, for the schools under the superintendent's supervision, certify to the state board of education on or before the fifteenth day of October in each year for the first full school week in October the formula ADM, which shall consist of the average daily membership during such week of the sum of the following:

(1) On an FTE basis, the number of students in grades kindergarten through twelve receiving any educational services from the district, except that the following categories of students shall not be included in the determination:

(b) Adjacent or other district students enrolled in the district under an open enrollment policy pursuant to section 3313.98 of the Revised Code;

(c) Students receiving services in the district pursuant to a compact, cooperative education agreement, or a contract, but who are entitled to attend school in another district pursuant to section 3313.64 or 3313.65 of the Revised Code;

(d) Students for whom tuition is payable pursuant to sections 3317.081 and 3323.141 of the Revised Code.

(2) On an FTE basis, the number of students entitled to attend school in the district pursuant to section 3313.64 or 3313.65 of the Revised Code, but receiving educational services in grades kindergarten through twelve from one or more of the following entities:

(c) A college pursuant to Chapter 3365. of the Revised Code, except when the student is enrolled in the college while also enrolled in a community school pursuant to Chapter 3314. of the Revised Code;	31042 31043 31044 31045

(4) The number of handicapped children, other than handicapped preschool children, entitled to attend school in the district pursuant to section 3313.64 or 3313.65 of the Revised Code who are placed with a county MR/DD board, minus the number of such children placed with a county MR/DD board in fiscal year 1998. If this calculation produces a negative number, the number reported under division (A)(4) of this section shall be zero.	31061 31062 31063 31064 31065 31066 31067
(B) To enable the department of education to obtain the data needed to complete the calculation of payments pursuant to this	31068 31069

chapter, in addition to the formula ADM, each superintendent shall 31070  
report separately the following student counts: 31071

(1) The total average daily membership in regular day classes 31072

fifteenth day of December, in accordance with rules adopted under 31081  
that section; 31082
