Sec. 3501.011. (A) Except as otherwise provided in divisions (B) and (C) of this section, and except as otherwise provided in any section of Title XXXV of the Revised Code to the contrary, as used in the sections of the Revised Code relating to elections and political communications, whenever a person is required to sign or affix a signature to a declaration of candidacy, nominating petition, declaration of intent to be a write-in candidate, initiative petition, referendum petition, recall petition, or any other kind of petition, or to sign or affix a signature on any other document that is filed with or transmitted to a board of elections or the office of the secretary of state, "sign" or "signature" means that person's written, cursive-style legal mark written in that person's own hand.

(B) For persons who do not use a cursive-style legal mark during the course of their regular business and legal affairs, "sign" or "signature" means that person's other legal mark that the person uses during the course of that person's regular business and legal affairs that is written in the person's own hand.

(C) Any voter registration record requiring a person's signature shall be signed using the person's legal mark used in the person's regular business and legal affairs. For any purpose described in division (A) of this section, the legal mark of a registered elector shall be considered to be the mark of that elector as it appears on the elector's voter registration record.

Sec. 3501.18. (A) The board of elections may divide a political subdivision; within its jurisdiction; into precincts ~~and~~, establish, define, divide, rearrange, and combine the several election precincts within its jurisdiction, and change the location of the polling place for each precinct when it is necessary to maintain the requirements as to the number of voters in a precinct and to provide for the convenience of the voters and the proper conduct of elections; ~~provided that no~~. No change in the number of precincts or in precinct boundaries shall be made during the twenty-five days immediately preceding a primary or general election ~~nor~~ or between the first day of January and the day on which the members of county central committees are elected in the years in which those committees are elected. Except as otherwise provided in division (C) of this section, each precinct shall contain a number of electors, not to exceed one thousand four hundred, that the board of elections determines to be a reasonable number after taking into consideration the type and amount of available equipment, prior voter turnout, the size and location of each selected polling place, available parking, availability of an adequate number of poll workers, and handicap

accessibility and other accessibility to the polling place.

If the board changes the boundaries of a precinct after the filing of a local option election petition pursuant to sections 4301.32 to 4301.41, 4303.29, or 4305.14 of the Revised Code that calls for a local option election to be held in that precinct, the local option election shall be held in the area that constituted the precinct at the time the local option petition was filed, regardless of the change in the boundaries.

If the board changes the boundaries of a precinct in order to meet the requirements of division (B)(1) of this section in a manner that causes a member of a county central committee to no longer qualify as a representative of an election precinct in the county, of a ward of a city in the county, or of a township in the county, the member shall continue to represent the precinct, ward, or township for the remainder of the member's term, regardless of the change in boundaries.

In an emergency, the board may provide more than one polling place in a precinct. In order to provide for the convenience of the voters, the board may locate polling places for voting or registration outside the boundaries of precincts, provided that the nearest public school or public building shall be used if the board determines it to be available and suitable for use as a polling place. Except in an emergency, no change in the number or location of the polling places in a precinct shall be made during the twenty-five days immediately preceding a primary or general election.

Electors who have failed to respond within thirty days to any confirmation notice shall not be counted in determining the size of any precinct under this section.

(B)(1) Except as otherwise provided in division (B)(2) ~~or (3)~~ of this section, ~~not later than August 1, 2000, the~~ a board of elections shall determine all precinct boundaries using geographical units used by the United States department of commerce, bureau of the census, in reporting the decennial census of Ohio.

~~(2) When any part of the boundary of a precinct also forms a part of the boundary of a legislative district and the precinct boundary cannot be determined by August 1, 2000, using the geographical units described in division (B)(1) of this section without making that part of the precinct boundary that also forms part of the legislative district boundary different from that legislative district boundary, the board of elections may determine the boundary of that precinct using the geographical units described in division (B)(1) of this section not later than April 1, 2002. As used in this division, legislative district means a district determined under Article XI of the Ohio Constitution.~~

(3) The board of elections may apply to the secretary of state for a waiver from the requirement of division (B)(1) of this section when it is not feasible to comply with that requirement because of unusual physical boundaries or residential development practices that would cause unusual hardship for voters. The board shall identify the affected precincts and census units, explain the reason for the waiver request, and include a map illustrating where the census units will be split because of the requested waiver. If the secretary of state approves the waiver and so notifies the board of elections in writing, the board may change a precinct boundary as necessary under this section, notwithstanding the requirement in division (B)(1) of this section.

(C) The board of elections may apply to the secretary of state for a waiver from the requirement of division (A) of this section regarding the number of electors in a precinct when the use of geographical units used by the United States department of commerce, bureau of the census, will cause a precinct to contain more than one thousand four hundred electors. The board shall identify the affected precincts and census units, explain the reason for the waiver request, and include a map illustrating where census units will be split because of the requested waiver. If the secretary of state approves the waiver and so notifies the board of elections in writing, the board may change a precinct boundary as necessary to meet the requirements of division (B)(1) of this section.

Sec. 3501.30. (A) The board of elections shall provide for each polling place the necessary ballot boxes, official ballots, cards of instructions, registration forms, pollbooks, or poll lists, tally sheets, forms on which to make summary statements, writing implements, paper, and all other supplies necessary for casting and counting the ballots and recording the results of the voting at ~~such the~~ polling place. ~~Such The~~ pollbooks or poll lists shall have certificates appropriately printed ~~thereon on them~~ for the signatures of all the precinct officials, by which they shall certify that, to the best of their knowledge and belief, ~~said the~~ pollbooks or poll lists correctly show the names of all electors who voted in ~~such the~~ polling place at the election indicated ~~therein in the~~ pollbook or poll list.

Where small flags cannot reasonably be placed one hundred feet from the polling place, the presiding election judge shall place the flags as near to one hundred feet from the entrance to the polling place as is physically possible. Police officers and all election officials shall see that this prohibition against loitering and congregating is enforced. ~~When~~

When the period of time during which the polling place is open for voting expires, all of ~~said the~~ flags described in this division shall be taken into the polling place, and shall be returned to the board together with all other election ~~materials and~~ supplies required to be delivered to ~~such the~~ board.

(G) The chief administrator of a home or adult day-care program shall inform each individual, at the time of initial application for a position that involves providing direct care to an older adult, that the individual is required to provide a set of fingerprint impressions and that a criminal records check is required to be conducted if the individual comes under final consideration for employment.

(H) In a tort or other civil action for damages that is brought as the result of an injury, death, or loss to person or property caused by an individual who a home or adult day-care program employs in a position that involves providing direct care to older adults, all of the following shall apply:

(1) If the home or program employed the individual in good faith and reasonable reliance on the report of a criminal records check requested under this section, the home or program shall not be found negligent solely because of its reliance on the report, even if the information in the report is determined later to have been incomplete or inaccurate;

(2) If the home or program employed the individual in good faith on a conditional basis pursuant to division (C)(2) of this section, the home or program shall not be found negligent solely because it employed the individual prior to receiving the report of a criminal records check requested under this section;

(3) If the home or program in good faith employed the individual according to the personal character standards established in rules adopted under division (F) of this section, the home or program shall not be found negligent solely because the individual prior to being employed had been convicted of or pleaded guilty to an offense listed or described in division (C)(1) of this section.

(2) The chief administrator of a home or adult day-care program is not required to request that the superintendent of the bureau of criminal identification and investigation conduct a criminal records check of an applicant and may employ the applicant conditionally as described in this division, if the applicant has been referred to the home or program by an employment service that supplies full-time, part-time, or temporary staff for positions involving the direct care of older adults and if the chief administrator receives from the employment service or the applicant a letter from the employment service that is on the letterhead of the employment service, dated, and signed by a supervisor or another designated official of the employment service and that states that the employment service has requested the superintendent to conduct a criminal records check regarding the applicant, that the requested criminal records check will include a determination of whether the applicant has been convicted of or pleaded guilty to any offense listed or described in division (C)(1) of this section, that, as of the date set forth on the letter, the employment service had not received the results of the criminal records check, and that, when the employment service receives the results of the criminal records check, it promptly will send a copy of the results to the home or adult-care program. If a home or adult day-care program employs an applicant conditionally in accordance with this division, the employment service, upon its receipt of the results of the criminal records check, promptly shall send a copy of the results to the home or adult day-care program, and division (C)(2)(b) of this section applies regarding the conditional employment.

Sec. 3734.02. (A) The director of environmental protection, in accordance with Chapter 119. of the Revised Code, shall adopt and may amend, suspend, or rescind rules having uniform application throughout the state governing solid waste facilities and the inspections of and issuance of permits and licenses for all solid waste facilities in order to ensure that the facilities will be located, maintained, and operated, and will undergo closure and post-closure care, in a sanitary manner so as not to create a nuisance, cause or contribute to water pollution, create a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 257.3-8, as amended. The rules may include, without limitation, financial assurance requirements for closure and post-closure care and corrective action and requirements for taking corrective action in the event of the surface or subsurface discharge or migration of explosive gases or leachate from a solid waste facility, or of ground water contamination resulting from the transfer or disposal of solid wastes at a facility, beyond the boundaries of any area within a facility that is operating or is undergoing closure or post-closure care where solid wastes were disposed of or are being disposed of. The rules shall not concern or relate to personnel policies, salaries, wages, fringe benefits, or other conditions of employment of employees of persons owning or operating solid waste facilities. The director, in accordance with Chapter 119. of the Revised Code, shall adopt and may amend, suspend, or rescind rules governing the issuance, modification, revocation, suspension, or denial of variances from the director's solid waste rules, including, without limitation, rules adopted under this chapter governing the management of scrap tires.

Variances shall be issued, modified, revoked, suspended, or rescinded in accordance with this division, rules adopted under it, and Chapter 3745. of

the Revised Code. Applications for variances shall contain such detail plans, specifications, and information regarding objectives, procedures, controls, and other pertinent data as the director may require. The director shall grant a variance only if the applicant demonstrates to the director's satisfaction that construction and operation of the solid waste facility in the manner allowed by the variance and any terms or conditions imposed as part of the variance will not create a nuisance or a hazard to the public health or safety or the environment. In granting any variance, the director shall state the specific provision or provisions whose terms are to be varied and also shall state specific terms or conditions imposed upon the applicant in place of the provision or provisions. The director may hold a public hearing on an application for a variance or renewal of a variance at a location in the county where the operations that are the subject of the application for the variance are conducted. The director shall give not less than twenty days' notice of the hearing to the applicant by certified mail and shall publish at least one notice of the hearing in a newspaper with general circulation in the county where the hearing is to be held. The director shall make available for public inspection at the principal office of the environmental protection agency a current list of pending applications for variances and a current schedule of pending variance hearings. The director shall make a complete stenographic record of testimony and other evidence submitted at the hearing. The director shall issue, renew, or deny an application for a variance or renewal of a variance within six months of the date upon which the director receives a complete application with all pertinent information and data required. No variance shall be issued, revoked, modified, or denied until the director has considered the relative interests of the applicant, other persons and property affected by the variance, and the general public. Any variance granted under this division shall be for a period specified by the director and may be renewed from time to time on such terms and for such periods as the director determines to be appropriate. No application shall be denied and no variance shall be revoked or modified without a written order stating the findings upon which the denial, revocation, or modification is based. A copy of the order shall be sent to the applicant or variance holder by certified mail.

(B) The director shall prescribe and furnish the forms necessary to administer and enforce this chapter. The director may cooperate with and enter into agreements with other state, local, or federal agencies to carry out the purposes of this chapter. The director may exercise all incidental powers necessary to carry out the purposes of this chapter.

The director may use moneys in the infectious waste management fund created in section 3734.021 of the Revised Code exclusively for administering and enforcing the provisions of this chapter governing the management of infectious wastes. Of each registration and renewal fee collected under rules adopted under division (A)(2)(a) of section 3734.021 or under section 3734.022 of the Revised Code, the director, within forty-five days of its receipt, shall remit from the fund one-half of the fee received to the board of health of the health district in which the registered premises is located, or, in the instance of an infectious wastes transporter, to the board of health of the health district in which the transporter's principal place of business is located. However, if the board of health having jurisdiction over a registrant's premises or principal place of business is not on the approved list under section 3734.08 of the Revised Code, the director shall not make that payment to the board of health.

(C) Except as provided in this division and divisions (N)(2) and (3) of this section, no person shall establish a new solid waste facility or infectious waste treatment facility, or modify an existing solid waste facility or infectious waste treatment facility, without submitting an application for a permit with accompanying detail plans, specifications, and information regarding the facility and method of operation and receiving a permit issued by the director, except that no permit shall be required under this division to install or operate a solid waste facility for sewage sludge treatment or disposal when the treatment or disposal is authorized by a current permit issued under Chapter 3704. or 6111. of the Revised Code.

No person shall continue to operate a solid waste facility for which the director has denied a permit for which an application was required under division (A)(3) of section 3734.05 of the Revised Code, or for which the director has disapproved plans and specifications required to be filed by an order issued under division (A)(5) of that section, after the date prescribed for commencement of closure of the facility in the order issued under division (A)(6) of section 3734.05 of the Revised Code denying the permit application or approval.

On and after the effective date of the rules adopted under division (A) of this section and division (D) of section 3734.12 of the Revised Code governing solid waste transfer facilities, no person shall establish a new, or

modify an existing, solid waste transfer facility without first submitting an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation to the director and receiving a permit issued by the director.

No person shall establish a new compost facility or continue to operate an existing compost facility that accepts exclusively source separated yard wastes without submitting a completed registration for the facility to the director in accordance with rules adopted under divisions (A) and (N)(3) of this section.

This division does not apply to an infectious waste treatment facility that meets any of the following conditions:

(1) Is owned or operated by the generator of the wastes and exclusively treats, by methods, techniques, and practices established by rules adopted under division (C)(1) or (3) of section 3734.021 of the Revised Code, wastes that are generated at any premises owned or operated by that generator regardless of whether the wastes are generated on the premises where the generator's treatment facility is located or, if the generator is a hospital as defined in section 3727.01 of the Revised Code, infectious wastes that are described in division (A)(1)(g), (h), or (i) of section 3734.021 of the Revised Code;

(2) Holds a license or renewal of a license to operate a crematory facility issued under Chapter 4717. and a permit issued under Chapter 3704. of the Revised Code;

(3) Treats or disposes of dead animals or parts thereof, or the blood of animals, and is subject to any of the following:

(a) Inspection under the "Federal Meat Inspection Act," 81 Stat. 584 (1967), 21 U.S.C.A. 603, as amended;

(b) Chapter 918. of the Revised Code;

(c) Chapter 953. of the Revised Code.

(D) Neither this chapter nor any rules adopted under it apply to single-family residential premises; to infectious wastes generated by individuals for purposes of their own care or treatment that are disposed of with solid wastes from the individual's residence; to the temporary storage of solid wastes, other than scrap tires, prior to their collection for disposal; to the storage of one hundred or fewer scrap tires unless they are stored in such a manner that, in the judgment of the director or the board of health of the health district in which the scrap tires are stored, the storage causes a nuisance, a hazard to public health or safety, or a fire hazard; or to the collection of solid wastes, other than scrap tires, by a political subdivision or a person holding a franchise or license from a political subdivision of the

state; to composting, as defined in section 1511.01 of the Revised Code, conducted in accordance with section 1511.022 of the Revised Code; or to any person who is licensed to transport raw rendering material to a compost facility pursuant to section 953.23 of the Revised Code.

(E)(1) As used in this division and section 3734.18 of the Revised Code:

(a) "On-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated on the premises of the facility.

(b) "Off-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated off the premises of the facility and includes such a facility that is also an on-site facility.

(c) "Satellite facility" means any of the following:

(i) An on-site facility that also receives hazardous waste from other premises owned by the same person who generates the waste on the facility premises;

(ii) An off-site facility operated so that all of the hazardous waste it receives is generated on one or more premises owned by the person who owns the facility;

(iii) An on-site facility that also receives hazardous waste that is transported uninterruptedly and directly to the facility through a pipeline from a generator who is not the owner of the facility.

(2) Except as provided in division (E)(3) of this section, no person shall establish or operate a hazardous waste facility, or use a solid waste facility for the storage, treatment, or disposal of any hazardous waste, without a hazardous waste facility installation and operation permit ~~from the hazardous waste facility board~~ issued in accordance with section 3734.05 of the Revised Code and subject to the payment of an application fee not to exceed one thousand five hundred dollars, payable upon application for a hazardous waste facility installation and operation permit and upon application for a renewal permit issued under division (H) of section 3734.05 of the Revised Code, to be credited to the hazardous waste facility management fund created in section 3734.18 of the Revised Code. The term of a hazardous waste facility installation and operation permit shall not exceed five years.

In addition to the application fee, there is hereby levied an annual permit fee to be paid by the permit holder upon the anniversaries of the date of issuance of the hazardous waste facility installation and operation permit and of any subsequent renewal permits and to be credited to the hazardous waste facility management fund. Annual permit fees totaling forty thousand dollars or more for any one facility may be paid on a quarterly basis with the first quarterly payment each year being due on the anniversary of the date of

issuance of the hazardous waste facility installation and operation permit and of any subsequent renewal permits. The annual permit fee shall be determined for each permit holder by the director in accordance with the following schedule:

TYPE OF BASIC MANAGEMENT UNIT	TYPE OF FACILITY	FEE
Storage facility using:		
Containers	On-site, off-site, and satellite	\$ 500
Tanks	On-site, off-site, and satellite	500
Waste pile	On-site, off-site, and satellite	3,000
Surface impoundment	On-site and satellite	8,000
	Off-site	10,000
Disposal facility using:		
Deep well injection	On-site and satellite	15,000
	Off-site	25,000
Landfill	On-site and satellite	25,000
	Off-site	40,000
Land application	On-site and satellite	2,500
	Off-site	5,000
Surface impoundment	On-site and satellite	10,000
	Off-site	20,000
Treatment facility using:		
Tanks	On-site, off-site, and satellite	700
Surface impoundment	On-site and satellite	8,000
	Off-site	10,000
Incinerator	On-site and satellite	5,000
	Off-site	<u>10,000</u>
Other forms of treatment	On-site, off-site, and satellite	1,000

In determining the annual permit fee required by this section, the director shall not require additional payments for multiple units of the same method of storage, treatment, or disposal or for individual units that are used for both storage and treatment. A facility using more than one method of storage, treatment, or disposal shall pay the permit fee indicated by the schedule for each such method.

The director shall not require the payment of that portion of an annual permit fee of any permit holder that would apply to a hazardous waste management unit for which a permit has been issued, but for which construction has not yet commenced. Once construction has commenced, the director shall require the payment of a part of the appropriate fee indicated by the schedule that bears the same relationship to the total fee that the number of days remaining until the next anniversary date at which payment of the annual permit fee is due bears to three hundred sixty-five.

The director, by rules adopted in accordance with Chapters 119. and 3745. of the Revised Code, shall prescribe procedures for collecting the annual permit fee established by this division and may prescribe other requirements necessary to carry out this division.

(3) The prohibition against establishing or operating a hazardous waste facility without a hazardous waste facility installation and operation permit ~~from the board~~ does not apply to either of the following:

(a) A facility that is operating in accordance with a permit renewal issued under division (H) of section 3734.05 of the Revised Code, a revision issued under division (I) of that section as it existed prior to August 20, 1996, or a modification issued by the director under division (I) of that section on and after August 20, 1996;

(b) Except as provided in division (J) of section 3734.05 of the Revised Code, a facility that will operate or is operating in accordance with a permit by rule, or that is not subject to permit requirements, under rules adopted by the director. In accordance with Chapter 119. of the Revised Code, the director shall adopt, and subsequently may amend, suspend, or rescind, rules for the purposes of division (E)(3)(b) of this section. Any rules so adopted shall be consistent with and equivalent to regulations pertaining to interim status adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise provided in this chapter.

If a modification is requested or proposed for a facility described in division (E)(3)(a) or (b) of this section, division (I)~~(8)~~(7) of section 3734.05 of the Revised Code applies.

(F) No person shall store, treat, or dispose of hazardous waste identified or listed under this chapter and rules adopted under it, regardless of whether generated on or off the premises where the waste is stored, treated, or disposed of, or transport or cause to be transported any hazardous waste identified or listed under this chapter and rules adopted under it to any other premises, except at or to any of the following:

(1) A hazardous waste facility operating under a permit issued in

accordance with this chapter;

(2) A facility in another state operating under a license or permit issued in accordance with the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended;

(3) A facility in another nation operating in accordance with the laws of that nation;

(4) A facility holding a permit issued pursuant to Title I of the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 Stat. 1052, 33 U.S.C.A. 1401, as amended;

(5) A hazardous waste facility as described in division (E)(3)(a) or (b) of this section.

(G) The director, by order, may exempt any person generating, collecting, storing, treating, disposing of, or transporting solid wastes or hazardous waste, or processing solid wastes that consist of scrap tires, in such quantities or under such circumstances that, in the determination of the director, are unlikely to adversely affect the public health or safety or the environment from any requirement to obtain a registration certificate, permit, or license or comply with the manifest system or other requirements of this chapter. Such an exemption shall be consistent with and equivalent to any regulations adopted by the administrator of the United States environmental protection agency under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise provided in this chapter.

(H) No person shall engage in filling, grading, excavating, building, drilling, or mining on land where a hazardous waste facility, or a solid waste facility, was operated without prior authorization from the director, who shall establish the procedure for granting such authorization by rules adopted in accordance with Chapter 119. of the Revised Code.

A public utility that has main or distribution lines above or below the land surface located on an easement or right-of-way across land where a solid waste facility was operated may engage in any such activity within the easement or right-of-way without prior authorization from the director for purposes of performing emergency repair or emergency replacement of its lines; of the poles, towers, foundations, or other structures supporting or sustaining any such lines; or of the appurtenances to those structures, necessary to restore or maintain existing public utility service. A public utility may enter upon any such easement or right-of-way without prior authorization from the director for purposes of performing necessary or routine maintenance of those portions of its existing lines; of the existing poles, towers, foundations, or other structures sustaining or supporting its

lines; or of the appurtenances to any such supporting or sustaining structure, located on or above the land surface on any such easement or right-of-way. Within twenty-four hours after commencing any such emergency repair, replacement, or maintenance work, the public utility shall notify the director or the director's authorized representative of those activities and shall provide such information regarding those activities as the director or the director's representative may request. Upon completion of the emergency repair, replacement, or maintenance activities, the public utility shall restore any land of the solid waste facility disturbed by those activities to the condition existing prior to the commencement of those activities.

(I) No owner or operator of a hazardous waste facility, in the operation of the facility, shall cause, permit, or allow the emission therefrom of any particulate matter, dust, fumes, gas, mist, smoke, vapor, or odorous substance that, in the opinion of the director, unreasonably interferes with the comfortable enjoyment of life or property by persons living or working in the vicinity of the facility, or that is injurious to public health. Any such action is hereby declared to be a public nuisance.

(J) Notwithstanding any other provision of this chapter, in the event the director finds an imminent and substantial danger to public health or safety or the environment that creates an emergency situation requiring the immediate treatment, storage, or disposal of hazardous waste, the director may issue a temporary emergency permit to allow the treatment, storage, or disposal of the hazardous waste at a facility that is not otherwise authorized by a hazardous waste facility installation and operation permit to treat, store, or dispose of the waste. The emergency permit shall not exceed ninety days in duration and shall not be renewed. The director shall adopt, and may amend, suspend, or rescind, rules in accordance with Chapter 119. of the Revised Code governing the issuance, modification, revocation, and denial of emergency permits.

(K) No owner or operator of a sanitary landfill shall knowingly accept for disposal, or dispose of, any infectious wastes, other than those subject to division (A)(1)(c) of section 3734.021 of the Revised Code, that have not been treated to render them noninfectious. For the purposes of this division, certification by the owner or operator of the treatment facility where the wastes were treated on the shipping paper required by rules adopted under division (D)(2) of that section creates a rebuttable presumption that the wastes have been so treated.

(L) The director, in accordance with Chapter 119. of the Revised Code, shall adopt, and may amend, suspend, or rescind, rules having uniform application throughout the state establishing a training and certification

program that shall be required for employees of boards of health who are responsible for enforcing the solid waste and infectious waste provisions of this chapter and rules adopted under them and for persons who are responsible for the operation of solid waste facilities or infectious waste treatment facilities. The rules shall provide all of the following, without limitation:

(1) The program shall be administered by the director and shall consist of a course on new solid waste and infectious waste technologies, enforcement procedures, and rules;

(2) The course shall be offered on an annual basis;

(3) Those persons who are required to take the course under division (L) of this section shall do so triennially;

(4) Persons who successfully complete the course shall be certified by the director;

(5) Certification shall be required for all employees of boards of health who are responsible for enforcing the solid waste or infectious waste provisions of this chapter and rules adopted under them and for all persons who are responsible for the operation of solid waste facilities or infectious waste treatment facilities;

(6)(a) All employees of a board of health who, on the effective date of the rules adopted under this division, are responsible for enforcing the solid waste or infectious waste provisions of this chapter and the rules adopted under them shall complete the course and be certified by the director not later than January 1, 1995;

(b) All employees of a board of health who, after the effective date of the rules adopted under division (L) of this section, become responsible for enforcing the solid waste or infectious waste provisions of this chapter and rules adopted under them and who do not hold a current and valid certification from the director at that time shall complete the course and be certified by the director within two years after becoming responsible for performing those activities.

No person shall fail to obtain the certification required under this division.

(M) The director shall not issue a permit under section 3734.05 of the Revised Code to establish a solid waste facility, or to modify a solid waste facility operating on December 21, 1988, in a manner that expands the disposal capacity or geographic area covered by the facility, that is or is to be located within the boundaries of a state park established or dedicated under Chapter 1541. of the Revised Code, a state park purchase area established under section 1541.02 of the Revised Code, any unit of the

national park system, or any property that lies within the boundaries of a national park or recreation area, but that has not been acquired or is not administered by the secretary of the United States department of the interior, located in this state, or any candidate area located in this state and identified for potential inclusion in the national park system in the edition of the "national park system plan" submitted under paragraph (b) of section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 U.S.C.A. 1a-5, as amended, current at the time of filing of the application for the permit, unless the facility or proposed facility is or is to be used exclusively for the disposal of solid wastes generated within the park or recreation area and the director determines that the facility or proposed facility will not degrade any of the natural or cultural resources of the park or recreation area. The director shall not issue a variance under division (A) of this section and rules adopted under it, or issue an exemption order under division (G) of this section, that would authorize any such establishment or expansion of a solid waste facility within the boundaries of any such park or recreation area, state park purchase area, or candidate area, other than a solid waste facility exclusively for the disposal of solid wastes generated within the park or recreation area when the director determines that the facility will not degrade any of the natural or cultural resources of the park or recreation area.

(N)(1) The rules adopted under division (A) of this section, other than those governing variances, do not apply to scrap tire collection, storage, monocell, monofill, and recovery facilities. Those facilities are subject to and governed by rules adopted under sections 3734.70 to 3734.73 of the Revised Code, as applicable.

(2) Division (C) of this section does not apply to scrap tire collection, storage, monocell, monofill, and recovery facilities. The establishment and modification of those facilities are subject to sections 3734.75 to 3734.78 and section 3734.81 of the Revised Code, as applicable.

(3) The director may adopt, amend, suspend, or rescind rules under division (A) of this section creating an alternative system for authorizing the establishment, operation, or modification of a solid waste compost facility in lieu of the requirement that a person seeking to establish, operate, or modify a solid waste compost facility apply for and receive a permit under division (C) of this section and section 3734.05 of the Revised Code and a license under division (A)(1) of that section. The rules may include requirements governing, without limitation, the classification of solid waste compost facilities, the submittal of operating records for solid waste compost facilities, and the creation of a registration or notification system in lieu of the issuance of permits and licenses for solid waste compost facilities. The

rules shall specify the applicability of divisions (A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised Code to a solid waste compost facility.

Sec. 3734.05. (A)(1) Except as provided in divisions (A)(4), (8), and (9) of this section, no person shall operate or maintain a solid waste facility without a license issued under this division by the board of health of the health district in which the facility is located or by the director of environmental protection when the health district in which the facility is located is not on the approved list under section 3734.08 of the Revised Code.

During the month of December, but before the first day of January of the next year, every person proposing to continue to operate an existing solid waste facility shall procure a license under this division to operate the facility for that year from the board of health of the health district in which the facility is located or, if the health district is not on the approved list under section 3734.08 of the Revised Code, from the director. The application for such a license shall be submitted to the board of health or to the director, as appropriate, on or before the last day of September of the year preceding that for which the license is sought. In addition to the application fee prescribed in division (A)(2) of this section, a person who submits an application after that date shall pay an additional ten per cent of the amount of the application fee for each week that the application is late. Late payment fees accompanying an application submitted to the board of health shall be credited to the special fund of the health district created in division (B) of section 3734.06 of the Revised Code, and late payment fees accompanying an application submitted to the director shall be credited to the general revenue fund. A person who has received a license, upon sale or disposition of a solid waste facility, and upon consent of the board of health and the director, may have the license transferred to another person. The board of health or the director may include such terms and conditions in a license or revision to a license as are appropriate to ensure compliance with this chapter and rules adopted under it. The terms and conditions may establish the authorized maximum daily waste receipts for the facility. Limitations on maximum daily waste receipts shall be specified in cubic yards of volume for the purpose of regulating the design, construction, and operation of solid waste facilities. Terms and conditions included in a license or revision to a license by a board of health shall be consistent with, and pertain only to the subjects addressed in, the rules adopted under division (A) of section 3734.02 and division (D) of section 3734.12 of the Revised Code.

(2)(a) Except as provided in divisions (A)(2)(b), (8), and (9) of this

section, each person proposing to open a new solid waste facility or to modify an existing solid waste facility shall submit an application for a permit with accompanying detail plans and specifications to the environmental protection agency for required approval under the rules adopted by the director pursuant to division (A) of section 3734.02 of the Revised Code and applicable rules adopted under division (D) of section 3734.12 of the Revised Code at least two hundred seventy days before proposed operation of the facility and shall concurrently make application for the issuance of a license under division (A)(1) of this section with the board of health of the health district in which the proposed facility is to be located.

(b) On and after the effective date of the rules adopted under division (A) of section 3734.02 of the Revised Code and division (D) of section 3734.12 of the Revised Code governing solid waste transfer facilities, each person proposing to open a new solid waste transfer facility or to modify an existing solid waste transfer facility shall submit an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation to the environmental protection agency for required approval under those rules at least two hundred seventy days before commencing proposed operation of the facility and concurrently shall make application for the issuance of a license under division (A)(1) of this section with the board of health of the health district in which the facility is located or proposed.

(c) Each application for a permit under division (A)(2)(a) or (b) of this section shall be accompanied by a nonrefundable application fee of four hundred dollars that shall be credited to the general revenue fund. Each application for an annual license under division (A)(1) or (2) of this section shall be accompanied by a nonrefundable application fee of one hundred dollars. If the application for an annual license is submitted to a board of health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special fund of the health district created in division (B) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application fee shall be credited to the general revenue fund. If a permit or license is issued, the amount of the application fee paid shall be deducted from the amount of the permit fee due under division (Q) of section 3745.11 of the Revised Code or the amount of the license fee due under division (A)(1), (2), (3), or (4) of section 3734.06 of the Revised Code.

(d) As used in divisions (A)(2)(d), (e), and (f) of this section, "modify" means any of the following:

- (i) Any increase of more than ten per cent in the total capacity of a solid waste facility;
- (ii) Any expansion of the limits of solid waste placement at a solid waste facility;
- (iii) Any increase in the depth of excavation at a solid waste facility;
- (iv) Any change in the technique of waste receipt or type of waste received at a solid waste facility that may endanger human health, as determined by the director by rules adopted in accordance with Chapter 119. of the Revised Code.

Not later than thirty-five days after submitting an application under division (A)(2)(a) or (b) of this section for a permit to open a new or modify an existing solid waste facility, the applicant, in conjunction with an officer or employee of the environmental protection agency, shall hold a public meeting on the application within the county in which the new or modified solid waste facility is or is proposed to be located or within a contiguous county. Not less than thirty days before holding the public meeting on the application, the applicant shall publish notice of the meeting in each newspaper of general circulation that is published in the county in which the facility is or is proposed to be located. If no newspaper of general circulation is published in the county, the applicant shall publish the notice in a newspaper of general circulation in the county. The notice shall contain the date, time, and location of the public meeting and a general description of the proposed new or modified facility. Not later than five days after publishing the notice, the applicant shall send by certified mail a copy of the notice and the date the notice was published to the director and the legislative authority of each municipal corporation, township, and county, and to the chief executive officer of each municipal corporation, in which the facility is or is proposed to be located. At the public meeting, the applicant shall provide information and describe the application and respond to comments or questions concerning the application, and the officer or employee of the agency shall describe the permit application process. At the public meeting, any person may submit written or oral comments on or objections to the application. Not more than thirty days after the public meeting, the applicant shall provide the director with a copy of a transcript of the full meeting, copies of any exhibits, displays, or other materials presented by the applicant at the meeting, and the original copy of any written comments submitted at the meeting.

(e) Except as provided in division (A)(2)(f) of this section, prior to taking an action, other than a proposed or final denial, upon an application submitted under division (A)(2)(a) of this section for a permit to open a new

or modify an existing solid waste facility, the director shall hold a public information session and a public hearing on the application within the county in which the new or modified solid waste facility is or is proposed to be located or within a contiguous county. If the application is for a permit to open a new solid waste facility, the director shall hold the hearing not less than fourteen days after the information session. If the application is for a permit to modify an existing solid waste facility, the director may hold both the information session and the hearing on the same day unless any individual affected by the application requests in writing that the information session and the hearing not be held on the same day, in which case the director shall hold the hearing not less than fourteen days after the information session. The director shall publish notice of the public information session or public hearing not less than thirty days before holding the information session or hearing, as applicable. The notice shall be published in each newspaper of general circulation that is published in the county in which the facility is or is proposed to be located. If no newspaper of general circulation is published in the county, the director shall publish the notice in a newspaper of general circulation in the county. The notice shall contain the date, time, and location of the information session or hearing, as applicable, and a general description of the proposed new or modified facility. At the public information session, an officer or employee of the environmental protection agency shall describe the status of the permit application and be available to respond to comments or questions concerning the application. At the public hearing, any person may submit written or oral comments on or objections to the approval of the application. The applicant, or a representative of the applicant who has knowledge of the location, construction, and operation of the facility, shall attend the information session and public hearing to respond to comments or questions concerning the facility directed to the applicant or representative by the officer or employee of the environmental protection agency presiding at the information session and hearing.

(f) The solid waste management policy committee of a county or joint solid waste management district may adopt a resolution requesting expeditious consideration of a specific application submitted under division (A)(2)(a) of this section for a permit to modify an existing solid waste facility within the district. The resolution shall make the finding that expedited consideration of the application without the public information session and public hearing under division (A)(2)(e) of this section is in the public interest and will not endanger human health, as determined by the director by rules adopted in accordance with Chapter 119. of the Revised

Code. Upon receiving such a resolution, the director, at the director's discretion, may issue a final action upon the application without holding a public information session or public hearing pursuant to division (A)(2)(e) of this section.

(3) Except as provided in division (A)(10) of this section, and unless the owner or operator of any solid waste facility, other than a solid waste transfer facility or a compost facility that accepts exclusively source separated yard wastes, that commenced operation on or before July 1, 1968, has obtained an exemption from the requirements of division (A)(3) of this section in accordance with division (G) of section 3734.02 of the Revised Code, the owner or operator shall submit to the director an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under division (A) of section 3734.02 of the Revised Code and applicable rules adopted under division (D) of section 3734.12 of the Revised Code in accordance with the following schedule:

(a) Not later than September 24, 1988, if the facility is located in the city of Garfield Heights or Parma in Cuyahoga county;

(b) Not later than December 24, 1988, if the facility is located in Delaware, Greene, Guernsey, Hamilton, Madison, Mahoning, Ottawa, or Vinton county;

(c) Not later than March 24, 1989, if the facility is located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or Washington county, or is located in the city of Brooklyn or Cuyahoga Heights in Cuyahoga county;

(d) Not later than June 24, 1989, if the facility is located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or Summit county or is located in Cuyahoga county outside the cities of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights;

(e) Not later than September 24, 1989, if the facility is located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross county;

(f) Not later than December 24, 1989, if the facility is located in a county not listed in divisions (A)(3)(a) to (e) of this section;

(g) Notwithstanding divisions (A)(3)(a) to (f) of this section, not later than December 31, 1990, if the facility is a solid waste facility owned by a generator of solid wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated and if the facility disposes of more than one hundred thousand tons of solid wastes per year, provided that any such facility shall be subject

to division (A)(5) of this section.

(4) Except as provided in divisions (A)(8), (9), and (10) of this section, unless the owner or operator of any solid waste facility for which a permit was issued after July 1, 1968, but before January 1, 1980, has obtained an exemption from the requirements of division (A)(4) of this section under division (G) of section 3734.02 of the Revised Code, the owner or operator shall submit to the director an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under those rules.

(5) The director may issue an order in accordance with Chapter 3745. of the Revised Code to the owner or operator of a solid waste facility requiring the person to submit to the director updated engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under division (A) of section 3734.02 of the Revised Code and applicable rules adopted under division (D) of section 3734.12 of the Revised Code if, in the director's judgment, conditions at the facility constitute a substantial threat to public health or safety or are causing or contributing to or threatening to cause or contribute to air or water pollution or soil contamination. Any person who receives such an order shall submit the updated engineering detail plans, specifications, and information to the director within one hundred eighty days after the effective date of the order.

(6) The director shall act upon an application submitted under division (A)(3) or (4) of this section and any updated engineering plans, specifications, and information submitted under division (A)(5) of this section within one hundred eighty days after receiving them. If the director denies any such permit application, the order denying the application or disapproving the plans shall include the requirements that the owner or operator submit a plan for closure and post-closure care of the facility to the director for approval within six months after issuance of the order, cease accepting solid wastes for disposal or transfer at the facility, and commence closure of the facility not later than one year after issuance of the order. If the director determines that closure of the facility within that one-year period would result in the unavailability of sufficient solid waste management facility capacity within the county or joint solid waste management district in which the facility is located to dispose of or transfer the solid waste generated within the district, the director in the order of denial or disapproval may postpone commencement of closure of the facility for such period of time as the director finds necessary for the board of county commissioners or directors of the district to secure access to or for

there to be constructed within the district sufficient solid waste management facility capacity to meet the needs of the district, provided that the director shall certify in the director's order that postponing the date for commencement of closure will not endanger ground water or any property surrounding the facility, allow methane gas migration to occur, or cause or contribute to any other type of environmental damage.

If an emergency need for disposal capacity that may affect public health and safety exists as a result of closure of a facility under division (A)(6) of this section, the director may issue an order designating another solid waste facility to accept the wastes that would have been disposed of at the facility to be closed.

(7) If the director determines that standards more stringent than those applicable in rules adopted under division (A) of section 3734.02 of the Revised Code and division (D) of section 3734.12 of the Revised Code, or standards pertaining to subjects not specifically addressed by those rules, are necessary to ensure that a solid waste facility constructed at the proposed location will not cause a nuisance, cause or contribute to water pollution, or endanger public health or safety, the director may issue a permit for the facility with such terms and conditions as the director finds necessary to protect public health and safety and the environment. If a permit is issued, the director shall state in the order issuing it the specific findings supporting each such term or condition.

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do not apply to a solid waste compost facility that accepts exclusively source separated yard wastes and that is registered under division (C) of section 3734.02 of the Revised Code or, unless otherwise provided in rules adopted under division (N)(3) of section 3734.02 of the Revised Code, to a solid waste compost facility if the director has adopted rules establishing an alternative system for authorizing the establishment, operation, or modification of a solid waste compost facility under that division.

(9) Divisions (A)(1) to (7) of this section do not apply to scrap tire collection, storage, monocell, monofill, and recovery facilities. The approval of plans and specifications, as applicable, and the issuance of registration certificates, permits, and licenses for those facilities are subject to sections 3734.75 to 3734.78 of the Revised Code, as applicable, and section 3734.81 of the Revised Code.

(10) Divisions (A)(3) and (4) of this section do not apply to a solid waste incinerator that was placed into operation on or before October 12, 1994, and that is not authorized to accept and treat infectious wastes pursuant to division (B) of this section.

(B)(1) Each person who is engaged in the business of treating infectious wastes for profit at a treatment facility located off the premises where the wastes are generated that is in operation on August 10, 1988, and who proposes to continue operating the facility shall submit to the board of health of the health district in which the facility is located an application for a license to operate the facility.

Thereafter, no person shall operate or maintain an infectious waste treatment facility without a license issued by the board of health of the health district in which the facility is located or by the director when the health district in which the facility is located is not on the approved list under section 3734.08 of the Revised Code.

(2)(a) During the month of December, but before the first day of January of the next year, every person proposing to continue to operate an existing infectious waste treatment facility shall procure a license to operate the facility for that year from the board of health of the health district in which the facility is located or, if the health district is not on the approved list under section 3734.08 of the Revised Code, from the director. The application for such a license shall be submitted to the board of health or to the director, as appropriate, on or before the last day of September of the year preceding that for which the license is sought. In addition to the application fee prescribed in division (B)(2)(c) of this section, a person who submits an application after that date shall pay an additional ten per cent of the amount of the application fee for each week that the application is late. Late payment fees accompanying an application submitted to the board of health shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code, and late payment fees accompanying an application submitted to the director shall be credited to the general revenue fund. A person who has received a license, upon sale or disposition of an infectious waste treatment facility and upon consent of the board of health and the director, may have the license transferred to another person. The board of health or the director may include such terms and conditions in a license or revision to a license as are appropriate to ensure compliance with the infectious waste provisions of this chapter and rules adopted under them.

(b) Each person proposing to open a new infectious waste treatment facility or to modify an existing infectious waste treatment facility shall submit an application for a permit with accompanying detail plans and specifications to the environmental protection agency for required approval under the rules adopted by the director pursuant to section 3734.021 of the Revised Code two hundred seventy days before proposed operation of the

facility and concurrently shall make application for a license with the board of health of the health district in which the facility is or is proposed to be located. Not later than ninety days after receiving a completed application under division (B)(2)(b) of this section for a permit to open a new infectious waste treatment facility or modify an existing infectious waste treatment facility to expand its treatment capacity, or receiving a completed application under division (A)(2)(a) of this section for a permit to open a new solid waste incineration facility, or modify an existing solid waste incineration facility to also treat infectious wastes or to increase its infectious waste treatment capacity, that pertains to a facility for which a notation authorizing infectious waste treatment is included or proposed to be included in the solid waste incineration facility's license pursuant to division (B)(3) of this section, the director shall hold a public hearing on the application within the county in which the new or modified infectious waste or solid waste facility is or is proposed to be located or within a contiguous county. Not less than thirty days before holding the public hearing on the application, the director shall publish notice of the hearing in each newspaper that has general circulation and that is published in the county in which the facility is or is proposed to be located. If there is no newspaper that has general circulation and that is published in the county, the director shall publish the notice in a newspaper of general circulation in the county. The notice shall contain the date, time, and location of the public hearing and a general description of the proposed new or modified facility. At the public hearing, any person may submit written or oral comments on or objections to the approval or disapproval of the application. The applicant, or a representative of the applicant who has knowledge of the location, construction, and operation of the facility, shall attend the public hearing to respond to comments or questions concerning the facility directed to the applicant or representative by the officer or employee of the environmental protection agency presiding at the hearing.

(c) Each application for a permit under division (B)(2)(b) of this section shall be accompanied by a nonrefundable application fee of four hundred dollars that shall be credited to the general revenue fund. Each application for an annual license under division (B)(2)(a) of this section shall be accompanied by a nonrefundable application fee of one hundred dollars. If the application for an annual license is submitted to a board of health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application

fee shall be credited to the general revenue fund. If a permit or license is issued, the amount of the application fee paid shall be deducted from the amount of the permit fee due under division (Q) of section 3745.11 of the Revised Code or the amount of the license fee due under division (C) of section 3734.06 of the Revised Code.

(d) The owner or operator of any infectious waste treatment facility that commenced operation on or before July 1, 1968, shall submit to the director an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under section 3734.021 of the Revised Code in accordance with the following schedule:

(i) Not later than December 24, 1988, if the facility is located in Delaware, Greene, Guernsey, Hamilton, Madison, Mahoning, Ottawa, or Vinton county;

(ii) Not later than March 24, 1989, if the facility is located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or Washington county, or is located in the city of Brooklyn, Cuyahoga Heights, or Parma in Cuyahoga county;

(iii) Not later than June 24, 1989, if the facility is located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or Summit county or is located in Cuyahoga county outside the cities of Brooklyn, Cuyahoga Heights, and Parma;

(iv) Not later than September 24, 1989, if the facility is located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross county;

(v) Not later than December 24, 1989, if the facility is located in a county not listed in divisions (B)(2)(d)(i) to (iv) of this section.

The owner or operator of an infectious waste treatment facility required to submit a permit application under division (B)(2)(d) of this section is not required to pay any permit application fee under division (B)(2)(c) of this section, or permit fee under division (Q) of section 3745.11 of the Revised Code, with respect thereto unless the owner or operator also proposes to modify the facility.

(e) The director may issue an order in accordance with Chapter 3745. of the Revised Code to the owner or operator of an infectious waste treatment facility requiring the person to submit to the director updated engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under section 3734.021 of the Revised Code if, in the director's judgment, conditions at the facility constitute a substantial threat to public health or safety or are causing or contributing to or threatening to cause or contribute to air or

water pollution or soil contamination. Any person who receives such an order shall submit the updated engineering detail plans, specifications, and information to the director within one hundred eighty days after the effective date of the order.

(f) The director shall act upon an application submitted under division (B)(2)(d) of this section and any updated engineering plans, specifications, and information submitted under division (B)(2)(e) of this section within one hundred eighty days after receiving them. If the director denies any such permit application or disapproves any such updated engineering plans, specifications, and information, the director shall include in the order denying the application or disapproving the plans the requirement that the owner or operator cease accepting infectious wastes for treatment at the facility.

(3) Division (B) of this section does not apply to an infectious waste treatment facility that meets any of the following conditions:

(a) Is owned or operated by the generator of the wastes and exclusively treats, by methods, techniques, and practices established by rules adopted under division (C)(1) or (3) of section 3734.021 of the Revised Code, wastes that are generated at any premises owned or operated by that generator regardless of whether the wastes are generated on the same premises where the generator's treatment facility is located or, if the generator is a hospital as defined in section 3727.01 of the Revised Code, infectious wastes that are described in division (A)(1)(g), (h), or (i) of section 3734.021 of the Revised Code;

(ii) Chapter 918. of the Revised Code;

(iii) Chapter 953. of the Revised Code.

Nothing in division (B) of this section requires a facility that holds a license issued under division (A) of this section as a solid waste facility and that also treats infectious wastes by the same method, technique, or process to obtain a license under division (B) of this section as an infectious waste treatment facility. However, the solid waste facility license for the facility shall include the notation that the facility also treats infectious wastes.

On and after the effective date of the amendments to the rules adopted

under division (C)(2) of section 3734.021 of the Revised Code that are required by Section 6 of Substitute House Bill No. 98 of the 120th General Assembly, the director shall not issue a permit to open a new solid waste incineration facility unless the proposed facility complies with the requirements for the location of new infectious waste incineration facilities established in the required amendments to those rules.

(C) Except for a facility or activity described in division (E)(3) of section 3734.02 of the Revised Code, a person who proposes to establish or operate a hazardous waste facility shall submit ~~an~~ a complete application for a hazardous waste facility installation and operation permit and accompanying detail plans, specifications, and such information as the director may require to the environmental protection agency, ~~except as provided in division (E)(2) of this section~~, at least one hundred eighty days before the proposed beginning of operation of the facility. The applicant shall notify by certified mail the legislative authority of each municipal corporation, township, and county in which the facility is proposed to be located of the submission of the application within ten days after the submission or at such earlier time as the director may establish by rule. If the application is for a proposed new hazardous waste disposal or thermal treatment facility, the applicant also shall give actual notice of the general design and purpose of the facility to the legislative authority of each municipal corporation, township, and county in which the facility is proposed to be located at least ninety days before the permit application is submitted to the environmental protection agency.

In accordance with rules adopted under section 3734.12 of the Revised Code, prior to the submission of a complete application for a hazardous waste facility installation and operation permit, the applicant shall hold at least one meeting in the township or municipal corporation in which the facility is proposed to be located, whichever is geographically closer to the proposed location of the facility. The meeting shall be open to the public and shall be held to inform the community of the proposed hazardous waste management activities and to solicit questions from the community concerning the activities.

~~(D)(1) There is hereby created the hazardous waste facility board, composed of the director of environmental protection who shall serve as chairperson, the director of natural resources, and the chairperson of the Ohio water development authority, or their respective designees, and one chemical engineer and one geologist who each shall be employed by a state university as defined in section 3345.011 of the Revised Code. The chemical engineer and geologist each shall be appointed by the governor, with the~~

~~advice and consent of the senate, for a term of two years. The chemical engineer and geologist each shall receive as compensation five thousand dollars per year, plus expenses necessarily incurred in the performance of their duties.~~

~~The board shall not issue any final order without the consent of at least three members.~~

~~(b) Except as provided in section 3734.123 of the Revised Code, approve or disapprove applications for a hazardous waste facility installation and operation permit for new facilities and applications for modifications to existing permits for which the board has jurisdiction as provided in division (I)(3) of this section.~~

~~(3) Except as provided in section 3734.123 of the Revised Code, upon receipt of the completed application for a hazardous waste facility installation and operation permit and a preliminary determination by the staff of the environmental protection agency that the application appears to comply with agency rules and to meet the performance standards set forth in divisions (D), (I), and (J) of section 3734.12 of the Revised Code, the director shall transmit the application to the board, which shall do all of the following:~~

~~(a) Promptly fix a date for a public hearing on the application, not fewer than sixty nor more than ninety days after receipt of the completed application. At the public hearing, any person may submit written or oral comments or objections to the approval or disapproval of the application. A representative of the applicant who has knowledge of the location, construction, operation, closure, and post closure care, if applicable, of the facility shall attend the public hearing in order to respond to comments or questions concerning the facility directed to the representative by the presiding officer.~~

~~(b) Give public notice of the date of the public hearing and a summary of the application in a newspaper having general circulation in the county in which the facility is proposed to be located. The notice shall contain, at a minimum, the date, time, and location of the public hearing and shall include the location and street address of, or the nearest intersection to, the proposed facility, a description of the proposed facility, and the location where copies of the application, a short statement by the applicant of the anticipated environmental impact of the facility, and a map of the facility are available for inspection.~~

~~(c) Promptly fix a date for an adjudication hearing, not fewer than ninety nor more than one hundred twenty days after receipt of the completed application, at which hearing the board shall hear and decide all disputed issues between the parties respecting the approval or disapproval of the application.~~

~~(d) Any other person who would be aggrieved or adversely affected by the proposed facility and who files a petition to intervene in the adjudication hearing not later than thirty days after the date of publication of the notice required in division (D)(3)(b) of this section if the petition is granted by the board for good cause shown. The board may allow intervention by other aggrieved or adversely affected persons up to fifteen days prior to the date of the adjudication hearing for good cause shown when the intervention would not be unduly burdensome to or cause a delay in the permitting process.~~

~~(5) The hazardous waste facility board shall conduct any adjudication hearing upon disputed issues in accordance with Chapter 119. of the Revised Code and the rules of the board governing the procedure of such hearings. Each party may call and examine witnesses and submit other evidence respecting the disputed issues presented by an application. A written record shall be made of the hearing and of all testimony and evidence submitted to the board upon receipt of a complete application for a hazardous waste facility installation and operation permit under division (C) of this section, the director shall consider the application and accompanying information to determine whether the application complies with agency rules and the requirements of division (D)(2) of this section. After making a determination, the director shall issue either a draft permit or a notice of intent to deny the permit. The director, in accordance with rules adopted under section 3734.12 of the Revised Code or with rules adopted to implement Chapter 3745. of the Revised Code, shall provide public notice of the application and the draft permit or the notice of intent to deny the permit, provide an opportunity for public comments, and, if significant interest is shown, schedule a public meeting in the county in which the facility is proposed to be located and give public notice of the date, time,~~

and location of the public meeting in a newspaper of general circulation in that county.

~~(6)(2)~~ (2) The ~~board~~ director shall not approve an application for a hazardous waste facility installation and operation permit or an application for a modification under division (I)(3) of this section unless ~~the director~~ finds and determines as follows:

(a) The nature and volume of the waste to be treated, stored, or disposed of at the facility;

(b) That the facility complies with the director's hazardous waste standards adopted pursuant to section 3734.12 of the Revised Code;

(c) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of various alternatives, and other pertinent considerations;

(d) That the facility represents the minimum risk of all of the following:

~~(i) Contamination of ground and surface waters;~~

~~(ii) Fires or explosions from treatment, storage, or disposal methods;~~

~~(iii) Accident~~ (ii) Release of hazardous waste during transportation of hazardous waste to or from the facility;

~~(iv) Impact~~ (iii) Adverse impact on the public health and safety;

~~(v) Air pollution;~~

~~(vi) Soil contamination.~~

(e) That the facility will comply with this chapter and Chapters 3704., 3734., and 6111. of the Revised Code and all rules and standards adopted under ~~those chapters~~ them;

(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from which the person may influence the installation and operation of the facility has been involved in any prior activity involving transportation, treatment, storage, or disposal of hazardous waste, that person has a history of compliance with this chapter and Chapters 3704., 3734., and 6111. of the Revised Code and all rules and standards adopted under ~~those chapters~~ them, the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, and all regulations adopted under it, and similar laws and rules of other states if any such prior operation was located in another state that demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility under the applicable provisions of this chapter and Chapters 3704., 3734., and 6111. of the Revised Code, the applicable rules and standards adopted under ~~those chapters~~ them, and terms and conditions of a hazardous waste facility installation and operation permit, given the potential for harm to the public health and safety and the environment that

could result from the irresponsible operation of the facility; For off-site facilities, as defined in section 3734.41 of the Revised Code, the director may use the investigative reports of the attorney general prepared pursuant to section 3734.42 of the Revised Code as a basis for making a finding and determination under division (D)(2)(f) of this section.

(g) That the active areas within a new hazardous waste facility where acute hazardous waste as listed in 40 C.F.R. 261.33 (e), as amended, or organic waste that is toxic and is listed under 40 C.F.R. 261, as amended, is being stored, treated, or disposed of and where the aggregate of the storage design capacity and the disposal design capacity of all hazardous waste in those areas is greater than two hundred fifty thousand gallons, are not located or operated within any of the following:

- (i) Two thousand feet of any residence, school, hospital, jail, or prison;
- (ii) Any naturally occurring wetland;
- (iii) Any flood hazard area if the applicant cannot show that the facility will be designed, constructed, operated, and maintained to prevent washout by a one-hundred-year flood ~~or that procedures will be in effect to remove the waste before flood waters can reach it.~~

Division (D)~~(6)~~(2)(g) of this section does not apply to the facility of any applicant who demonstrates to the ~~board~~ director that the limitations specified in that division are not necessary because of the nature or volume of the waste and the manner of management applied, the facility will impose no substantial danger to the health and safety of persons occupying the structures listed in division (D)~~(6)~~(2)(g)(i) of this section, and the facility is to be located or operated in an area where the proposed hazardous waste activities will not be incompatible with existing land uses in the area.

(h) That the facility will not be located within the boundaries of a state park established or dedicated under Chapter 1541. of the Revised Code, a state park purchase area established under section 1541.02 of the Revised Code, any unit of the national park system, or any property that lies within the boundaries of a national park or recreation area, but that has not been acquired or is not administered by the secretary of the United States department of the interior, located in this state, or any candidate area located in this state identified for potential inclusion in the national park system in the edition of the "national park system plan" submitted under paragraph (b) of section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 U.S.C.A. 1a-5, as amended, current at the time of filing of the application for the permit, unless the facility will be used exclusively for the storage of hazardous waste generated within the park or recreation area in conjunction with the operation of the park or recreation area. Division (D)~~(6)~~(2)(h) of

this section does not apply to the facility of any applicant for modification of a permit unless the modification application proposes to increase the land area included in the facility or to increase the quantity of hazardous waste that will be treated, stored, or disposed of at the facility.

~~In rendering a decision upon an application for a hazardous waste facility installation and operation permit, the board shall issue a written order and opinion, which shall include the specific findings of fact and conclusions of law that support the board's approval or disapproval of the application.~~

(3) Not later than one hundred eighty days after the end of the public comment period, the director, without prior hearing, shall issue or deny the permit in accordance with Chapter 3745. of the Revised Code. If the board director approves an application for a hazardous waste facility installation and operation permit, as a part of its written order, it the director shall issue the permit, upon such terms and conditions as the board director finds are necessary to ensure the construction and operation of the hazardous waste facility in accordance with the standards of this section.

~~(7) Any party adversely affected by an order of the hazardous waste facility board may appeal the order and decision of the board to the court of appeals of Franklin county. An appellant shall file with the board a notice of appeal, which shall designate the order appealed from. A copy of the notice also shall be filed by the appellant with the court, and a copy shall be sent by certified mail to each party to the adjudication hearing before the board. Such notices shall be filed and mailed within thirty days after the date upon which the appellant received notice from the board by certified mail of the making of the order appealed from. No appeal bond shall be required to make an appeal effective.~~

~~The filing of a notice of appeal shall not operate automatically as a suspension of the order of the board. If it appears to the court that an unjust hardship to the appellant will result from the execution of the board's order pending determination of the appeal, the court may grant a suspension of the order and fix its terms.~~

~~Within twenty days after receipt of the notice of appeal, the board shall prepare and file in the court the complete record of proceedings out of which the appeal arises, including any transcript of the testimony and any other evidence that has been submitted before the board. The expense of preparing and transcribing the record shall be taxed as a part of the costs of the appeal. The appellant, other than the state or a political subdivision, an agency of either, or any officer of the appellant acting in the officer's representative capacity, shall provide security for costs satisfactory to the court considering~~

~~the respective interests of the parties and the public interest. Upon demand by a party, the board shall furnish, at the cost of the party requesting it, a copy of the record. If the complete record is not filed within the time provided for in this section, any party may apply to the court to have the case docketed, and the court shall order the record filed.~~

~~In hearing the appeal, the court is confined to the record as certified to it by the board. The court may grant a request for the admission of additional evidence when satisfied that the additional evidence is newly discovered and could not with reasonable diligence have been ascertained prior to the hearing before the board.~~

~~The court shall affirm the order complained of in the appeal if it finds, upon consideration of the entire record and such additional evidence as the court has admitted, that the order is supported by reliable, probative, and substantial evidence and is in accordance with law. In the absence of such findings, it shall reverse, vacate, or modify the order or make such other ruling as is supported by reliable, probative, and substantial evidence and is in accordance with law. The judgment of the court shall be final and conclusive unless reversed, vacated, or modified on appeal. Such appeals may be taken by any party to the appeal pursuant to the Rules of Practice of the Supreme Court and, to the extent not in conflict with those rules, Chapter 2505. of the Revised Code.~~

~~(E)(1) Upon receipt of a completed application, the board shall issue a hazardous waste facility installation and operation permit for a hazardous waste facility subject to the requirements of divisions (D)(6) and (7) of this section and all applicable federal regulations if the facility for which the permit is requested satisfies all of the following:~~

- ~~(a) Was in operation immediately prior to October 9, 1980;~~
- ~~(b) Was in substantial compliance with applicable statutes and rules in effect immediately prior to October 9, 1980, as determined by the director;~~

- ~~(d) Submits a completed application for a permit under division (C) of this section within six months after October 9, 1980.~~

~~The board shall act on the application within twelve months after October 9, 1980.~~

~~(2) A hazardous waste facility that was in operation immediately prior to October 9, 1980, may continue to operate after that date if it does all of the following:~~

- ~~(a) Complies with performance standards adopted by the director~~

~~pursuant to division (D) of section 3734.12 of the Revised Code;~~

~~(b) Submits a completed application for a hazardous waste installation and operation permit under division (C) of this section within six months after October 9, 1980;~~

~~(c) Obtains the permit under division (D) of this section within twelve months after October 9, 1980.~~

(3) No political subdivision of this state shall require any additional zoning or other approval, consent, permit, certificate, or condition for the construction or operation of a hazardous waste facility authorized by a hazardous waste facility installation and operation permit issued pursuant to this chapter, nor shall any political subdivision adopt or enforce any law, ordinance, or rule that in any way alters, impairs, or limits the authority granted in the permit.

~~(4) After the issuance of a hazardous waste facility installation and operation permit by the board, each hazardous waste facility shall be subject to the rules and supervision of the director during the period of its operation, closure, and post-closure care, if applicable.~~

~~(F) Upon approval of the board in accordance with divisions (D) and (E) of this section, the board~~ The director may issue a single hazardous waste facility installation and operation permit to a person who operates two or more adjoining facilities where hazardous waste is stored, treated, or disposed of if the application includes detail plans, specifications, and information on all facilities. For the purposes of this section, "adjoining" means sharing a common boundary, separated only by a public road, or in such proximity that the director determines that the issuance of a single permit will not create a hazard to the public health or safety or the environment.

(G) No person shall falsify or fail to keep or submit any plans, specifications, data, reports, records, manifests, or other information required to be kept or submitted to the director ~~or to the hazardous waste facility board~~ by this chapter or the rules adopted under it.

(H)(1) Each person who holds an installation and operation permit issued under this section and who wishes to obtain a permit renewal shall submit a completed application for an installation and operation permit renewal and any necessary accompanying general plans, detail plans, specifications, and such information as the director may require to the director no later than one hundred eighty days prior to the expiration date of the existing permit or upon a later date prior to the expiration of the existing permit if the permittee can demonstrate good cause for the late submittal. The director shall consider the application and accompanying information,

inspection reports of the facility, results of performance tests, a report regarding the facility's compliance or noncompliance with the terms and conditions of its permit and rules adopted by the director under this chapter, and such other information as is relevant to the operation of the facility and shall issue a draft renewal permit or a notice of intent to deny the renewal permit. The director, in accordance with rules adopted under this section or with rules adopted to implement Chapter 3745. of the Revised Code, shall give public notice of the application and draft renewal permit or notice of intent to deny the renewal permit, provide for the opportunity for public comments within a specified time period, schedule a public meeting in the county in which the facility is located if significant interest is shown, and give public notice of the public meeting.

(2) Within sixty days after the public meeting or close of the public comment period, the director, without prior hearing, shall issue or deny the renewal permit in accordance with Chapter 3745. of the Revised Code. The director shall not issue a renewal permit unless the director determines that the facility under the existing permit has a history of compliance with this chapter, rules adopted under it, the existing permit, or orders entered to enforce such requirements that demonstrates sufficient reliability, expertise, and competency to operate the facility henceforth under this chapter, rules adopted under it, and the renewal permit. If the director approves an application for a renewal permit, the director shall issue the permit subject to the payment of the annual permit fee required under division (E) of section 3734.02 of the Revised Code and upon such terms and conditions as the director finds are reasonable to ensure that continued operation, maintenance, closure, and post-closure care of the hazardous waste facility are in accordance with the rules adopted under section 3734.12 of the Revised Code.

(3) An installation and operation permit renewal application submitted to the director that also contains or would constitute an application for a modification shall be acted upon by the director in accordance with division (I) of this section in the same manner as an application for a modification. In approving or disapproving the renewal portion of a permit renewal application containing an application for a modification, the director shall apply the criteria established under division (H)(2) of this section.

(4) An application for renewal or modification of a permit that does not contain an application for a modification as described in divisions (I)(3)(a) to (d) of this section shall not be subject to division (D)(2) of this section.

(I)(1) As used in this section, "modification" means a change or alteration to a hazardous waste facility or its operations that is inconsistent

with or not authorized by its existing permit or authorization to operate. Modifications shall be classified as Class 1, 2, or 3 modifications in accordance with rules adopted under division (K) of this section. Modifications classified as Class 3 modifications, in accordance with rules adopted under that division, shall be further classified by the director as either Class 3 modifications that are to be approved or disapproved by the ~~hazardous waste facility board as described in~~ director under divisions (I)(3)(a) to (d) of this section or as Class 3 modifications that are to be approved or disapproved by the director under division (I)(5) of this section. Not later than thirty days after receiving a request for a modification under division (I)(4) of this section that is not listed in Appendix I to 40 C.F.R. 270.42 or in rules adopted under division (K) of this section, the director shall classify the modification and shall notify the owner or operator of the facility requesting the modification of the classification. Notwithstanding any other law to the contrary, any modification that involves the transfer of a hazardous waste facility installation and operation permit to a new owner or operator shall be classified as a Class 3 modification.

(2) Except as provided in section 3734.123 of the Revised Code, a hazardous waste facility installation and operation permit may be modified at the request of the director or upon the written request of the permittee only if any of the following applies:

(a) The permittee desires to accomplish alterations, additions, or deletions to the permitted facility or to undertake alterations, additions, deletions, or activities that are inconsistent with or not authorized by the existing permit;

(b) New information or data justify permit conditions in addition to or different from those in the existing permit;

(c) The standards, criteria, or rules upon which the existing permit is based have been changed by new, amended, or rescinded standards, criteria, or rules, or by judicial decision after the existing permit was issued, and the change justifies permit conditions in addition to or different from those in the existing permit;

(d) The permittee proposes to transfer the permit to another person.

(3) The director ~~has jurisdiction to~~ shall approve or disapprove ~~applications an application for Class 1 modifications, Class 2 modifications, and Class 3 modifications not otherwise described in divisions (I)(3)(a) to (d) of this section. The hazardous waste facility board has jurisdiction to approve or disapprove applications for any a modification in accordance with division (D)(2) of this section and rules adopted under division (K) of this section for all~~ of the following categories of Class 3 modifications:

(a) Authority to conduct treatment, storage, or disposal at a site, location, or tract of land that has not been authorized for the proposed category of treatment, storage, or disposal activity by the facility's permit;

(b) Modification or addition of a hazardous waste management unit, as defined in rules adopted under section 3734.12 of the Revised Code, that results in an increase in a facility's storage capacity of more than twenty-five per cent over the capacity authorized by the facility's permit, an increase in a facility's treatment rate of more than twenty-five per cent over the rate so authorized, or an increase in a facility's disposal capacity over the capacity so authorized. The authorized disposal capacity for a facility shall be calculated from the approved design plans for the disposal units at that facility. In no case during a five-year period shall a facility's storage capacity or treatment rate be modified to increase by more than twenty-five per cent in the aggregate without ~~board~~ the director's approval in accordance with division (D)(2) of this section. Notwithstanding any provision of division (I) of this section to the contrary, a request for modification of a facility's annual total waste receipt limit shall be classified and approved or disapproved by the director under division (I)(5) of this section.

(c) Authority to add any of the following categories of regulated activities not previously authorized at a facility by the facility's permit: storage at a facility not previously authorized to store hazardous waste, treatment at a facility not previously authorized to treat hazardous waste, or disposal at a facility not previously authorized to dispose of hazardous waste; or authority to add a category of hazardous waste management unit not previously authorized at the facility by the facility's permit. Notwithstanding any provision of division (I) of this section to the contrary, a request for authority to add or to modify an activity or a hazardous waste management unit for the purposes of performing a corrective action shall be classified and approved or disapproved by the director under division (I)(5) of this section.

(d) Authority to treat, store, or dispose of waste types listed or characterized as reactive or explosive, in rules adopted under section 3734.12 of the Revised Code, or any acute hazardous waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not previously authorized to treat, store, or dispose of those types of wastes by the facility's permit unless the requested authority is limited to wastes that no longer exhibit characteristics meeting the criteria for listing or characterization as reactive or explosive wastes, or for listing as acute hazardous waste, but still are required to carry those waste codes as established in rules adopted under section 3734.12 of the Revised Code because of the requirements established in 40 C.F.R.

261(a) and (e), as amended, that is, the "mixture," "derived-from," or "contained-in" regulations.

(4) A written request for a modification from the permittee shall be submitted to the director and shall contain such information as is necessary to support the request. ~~The director shall transmit to the board requests for Class 3 modifications described in divisions (I)(3)(a) to (d) of this section within two hundred forty days after receiving the requests.~~ Requests for modifications shall be acted upon by the director ~~or the board, as appropriate,~~ in accordance with this section and rules adopted under it.

(5) Class 1 modification applications that require prior approval of the director, as determined in accordance with rules adopted under division (K) of this section, Class 2 modification applications, and Class 3 modification applications that are not described in divisions (I)(3)(a) to (d) of this section shall be approved or disapproved by the director in accordance with rules adopted under division (K) of this section. The board of county commissioners of the county, the board of township trustees of the township, and the city manager or mayor of the municipal corporation in which a hazardous waste facility is located shall receive notification of any application for a modification for that facility and shall be considered as interested persons with respect to the director's consideration of the application.

For those modification applications for a transfer of a permit to a new owner or operator of a facility, the director also shall determine that, if the transferee owner or operator has been involved in any prior activity involving the transportation, treatment, storage, or disposal of hazardous waste, the transferee owner or operator has a history of compliance with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them, the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, and all regulations adopted under it, and similar laws and rules of another state if the transferee owner or operator owns or operates a facility in that state, that demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility under this chapter and Chapters 3704. and 6111. of the Revised Code, all rules and standards adopted under them, and terms and conditions of a hazardous waste facility installation and operation permit, given the potential for harm to the public health and safety and the environment that could result from the irresponsible operation of the facility. A permit may be transferred to a new owner or operator only pursuant to a Class 3 permit modification.

As used in division (I)(5) of this section:

(a) "Owner" means the person who owns a majority or controlling interest in a facility.

(b) "Operator" means the person who is responsible for the overall operation of a facility.

The director shall approve or disapprove an application for a Class 1 modification that requires the director's approval within sixty days after receiving the request for modification. The director shall approve or disapprove an application for a Class 2 modification within three hundred days after receiving the request for modification. The director shall approve or disapprove an application for a Class 3 modification ~~that is not described in divisions (I)(3)(a) to (d) of this section~~ within three hundred sixty-five days after receiving the request for modification.

(6) The approval or disapproval by the director of a Class 1 modification application is not a final action that is appealable under Chapter 3745. of the Revised Code. The approval or disapproval by the director of a Class 2 modification or a Class 3 modification ~~that is not described in divisions (I)(3)(a) to (d) of this section~~ is a final action that is appealable under that chapter. In approving or disapproving a request for a modification, the director shall consider all comments pertaining to the request that are received during the public comment period and the public meetings. The administrative record for appeal of a final action by the director in approving or disapproving a request for a modification shall include all comments received during the public comment period relating to the request for modification, written materials submitted at the public meetings relating to the request, and any other documents related to the director's action.

~~(7) The hazardous waste facility board shall approve or disapprove an application for a Class 3 modification transmitted to it under division (I)(4) of this section, or that portion of a permit renewal application that constitutes a Class 3 modification application so transmitted, of a hazardous waste facility installation and operation permit in accordance with division (D) of this section. No other request for a modification shall be subject to division (D)(6) of this section. No aspect of a permitted facility or its operations that is not being modified as described in division (I)(3)(a), (b), (c), or (d) of this section shall be subject to review by the board under division (D) of this section.~~

(8) Notwithstanding any other provision of law to the contrary, a change or alteration to a hazardous waste facility described in division (E)(3)(a) or (b) of section 3734.02 of the Revised Code, or its operations, is a modification for the purposes of this section. An application for a

modification at such a facility shall be submitted, classified, and approved or disapproved in accordance with divisions (I)(1) to ~~(7)(6)~~ of this section in the same manner as a modification to a hazardous waste facility installation and operation permit.

(J)(1) Except as provided in division (J)(2) of this section, an owner or operator of a hazardous waste facility that is operating in accordance with a permit by rule under rules adopted by the director under division (E)(3)(b) of section 3734.02 of the Revised Code shall submit either a hazardous waste facility installation and operation permit application for the facility or a modification application, whichever is required under division (J)(1)(a) or (b) of this section, within one hundred eighty days after the director has requested the application or upon a later date if the owner or operator demonstrates to the director good cause for the late submittal.

(a) If the owner or operator does not have a hazardous waste facility installation and operation permit for any hazardous waste treatment, storage, or disposal activities at the facility, the owner or operator shall submit an application for such a permit to the director for the activities authorized by the permit by rule. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the application for the permit in accordance with the procedures governing the approval or disapproval of permit renewals under division (H) of this section.

(b) If the owner or operator has a hazardous waste facility installation and operation permit for hazardous waste treatment, storage, or disposal activities at the facility other than those authorized by the permit by rule, the owner or operator shall submit to the director a request for modification in accordance with division (I) of this section. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the modification application in accordance with ~~rules adopted under~~ division ~~(K)(I)(5)~~ of this section.

(2) The owner or operator of a boiler or industrial furnace that is conducting thermal treatment activities in accordance with a permit by rule under rules adopted by the director under division (E)(3)(b) of section 3734.02 of the Revised Code shall submit a hazardous waste facility installation and operation permit application if the owner or operator does not have such a permit for any hazardous waste treatment, storage, or disposal activities at the facility or, if the owner or operator has such a permit for hazardous waste treatment, storage, or disposal activities at the facility other than thermal treatment activities authorized by the permit by rule, a modification application to add those activities authorized by the permit by rule, whichever is applicable, within one hundred eighty days

after the director has requested the submission of the application or upon a later date if the owner or operator demonstrates to the director good cause for the late submittal. The application shall be accompanied by information necessary to support the request. ~~The hazardous waste facility board~~ director shall approve or disapprove ~~the an application for a hazardous waste facility installation and operation permit~~ an application for a hazardous waste facility installation and operation permit in accordance with division (D) of this section and approve or disapprove an application for a modification in accordance with division (I)(3) of this section, except that the ~~board~~ director shall not disapprove an application for the thermal treatment activities on the basis of the criteria set forth in division (D)~~(6)(2)~~(g) or (h) of this section.

(3) As used in division (J) of this section:

(a) "Modification application" means a request for a modification submitted in accordance with division (I) of this section.

(b) "Thermal treatment," "boiler," and "industrial furnace" have the same meanings as in rules adopted under section 3734.12 of the Revised Code.

(K) The director shall adopt, and may amend, suspend, or rescind, rules in accordance with Chapter 119. of the Revised Code in order to implement divisions (H) and (I) of this section. Except when in actual conflict with this section, rules governing the classification of and procedures for the modification of hazardous waste facility installation and operation permits shall be substantively and procedurally identical to the regulations governing hazardous waste facility permitting and permit modifications adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended.

Sec. 3734.12. The director of environmental protection shall adopt and may amend, suspend, and rescind rules in accordance with Chapter 119. of the Revised Code, which shall be consistent with and equivalent to the regulations adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, except for rules adopted under divisions (D) and (F) of this section governing solid waste facilities and except as otherwise provided in this chapter, doing all of the following:

(A) Adopting the criteria and procedures established under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, for identifying hazardous waste. The director shall prepare, revise when appropriate, and publish a list of substances or categories of substances identified to be hazardous using the criteria specified in 40 C.F.R. 261, as amended, which shall be composed of at least those substances identified as hazardous pursuant to section 3001(B) of that

act. The director shall not list any waste that the administrator of the United States environmental protection agency delisted or excluded by an amendment to the federal regulations, any waste that the administrator declined to list by publishing a denial of a rulemaking petition or by withdrawal of a proposed listing in the United States federal register after May 18, 1980, or any waste oil or polychlorinated biphenyl not listed by the administrator.

(B) Establishing standards for generators of hazardous waste necessary to protect human health or safety or the environment in accordance with this chapter, including, but not limited to, requirements respecting all of the following:

(1) Record-keeping practices that accurately identify the quantities of hazardous waste generated, the constituents that are significant in quantity or in potential harm to human health or safety or the environment, and the disposition of the waste;

(2) Labeling of containers used for storage, transportation, or disposal of hazardous waste to identify the waste accurately;

(3) Use of appropriate containers for hazardous waste;

(4) Providing information on the general chemical composition of hazardous waste to persons transporting, treating, storing, or disposing of the waste;

(5) A manifest system requiring a manifest consistent with that prescribed under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2795, 42 U.S.C.A. 6901, as amended, requiring a manifest for any hazardous waste transported off the premises where generated and assuring that all hazardous waste that is transported off the premises where generated is designated for treatment, storage, or disposal in facilities for which a permit has been issued or in the other facilities specified in division (F) of section 3734.02 of the Revised Code;

(6) Submission of such reports to the director as the director determines necessary;

(7) Establishment of quality control and testing procedures that ensure compliance with the rules adopted under this section;

(8) Obtainment of a United States environmental protection agency identification number.

(C) Establishing standards for transporters of hazardous waste necessary to protect human health or safety or the environment in accordance with this chapter, including, but not limited to, requirements respecting all of the following:

(1) Record-keeping concerning hazardous waste transported, including

source and delivery points;

(2) Submission of such reports to the director as the director determines necessary;

(3) Transportation of only properly labeled waste;

(4) Compliance with the manifest system required by division (B) of this section;

(5) Transportation of hazardous waste only to the treatment, storage, or disposal facility that the shipper designates on the manifest to be a facility holding a permit or another facility specified in division (F) of section 3734.02 of the Revised Code;

(6) Contingency plans to minimize unanticipated damage from transportation of hazardous waste;

(7) Financial responsibility, including, but not limited to, provisions requiring a financial mechanism to cover the costs of spill cleanup and liability for sudden accidental occurrences that result in damage to persons, property, or the environment;

(8) Obtainment of a United States environmental protection agency identification number.

In the case of any hazardous waste that is subject to the "Hazardous Materials Transportation Act," 88 Stat. 2156 (1975), 49 U.S.C.A. 1801, as amended, the rules shall be consistent with that act and regulations adopted under it.

(D) Establishing performance standards for owners and operators of hazardous waste facilities and owners and operators of solid waste facilities, necessary to protect human health or safety or the environment in accordance with this chapter, including, but not limited to, requirements respecting all of the following:

(1) Maintaining records of all hazardous waste that is treated, stored, or disposed of and of the manner in which the waste was treated, stored, or disposed of or records of all solid wastes transferred or disposed of and of the manner in which the wastes were disposed of;

(2) Submission of such reports to the director as the director determines necessary;

(3) Reporting, monitoring, inspection, and, except with respect to solid waste facilities, compliance with the manifest system referred to in division (B) of this section;

(4) Treatment, storage, or disposal of all hazardous waste received by methods, techniques, and practices approved by the director and disposal or transfer of all solid wastes received by methods, techniques, and practices approved by the director;

(5) Location, design, and construction of hazardous waste facilities and location, design, and construction of solid waste facilities;

(6) Contingency plans for effective action to minimize unanticipated damage from treatment, storage, or disposal of hazardous waste and the disposal or transfer of solid wastes;

(7) Ownership, continuity of operation, training for personnel, and financial responsibility, including the filing of closure and post-closure financial assurance, if applicable. No private entity shall be precluded by reason of these requirements from the ownership or operation of facilities providing hazardous waste treatment, storage, or disposal services if the entity can provide assurances of financial responsibility and continuity of operation consistent with the degree and duration of risks associated with the treatment, storage, or disposal of specified hazardous waste.

(8) Closure and post-closure care of a hazardous waste facility where hazardous waste will no longer be treated, stored, or disposed of and of a solid waste facility where solid wastes will no longer be disposed of or transferred;

(9) Establishment of quality control and testing procedures that ensure compliance with the rules adopted under this section;

(10) Obtainment of a United States environmental protection agency identification number for each hazardous waste treatment, storage, or disposal facility;

(11) Trial burns and land treatment demonstrations.

The rules adopted under divisions (D) and (F) of this section pertaining to solid waste facilities do not apply to scrap tire collection, storage, monocell, monofill, and recovery facilities. Those facilities are subject to and governed by rules adopted under sections 3734.70 to 3734.73 of the Revised Code, as applicable.

(E) Governing the issuance, modification, revocation, suspension, withdrawal, and denial of installation and operation permits, draft permits, and transportation certificates of registration;

(F) Specifying information required to be included in applications for hazardous waste facility installation and operation permits and solid waste permits, including, but not limited to, detail plans, specifications, and information respecting all of the following:

(1) The composition, quantities, and concentrations of hazardous waste and solid wastes to be stored, treated, transported, or disposed of and such other information as the director may require regarding the method of operation;

(2) The facility to which the waste will be transported or where it will

be stored, treated, or disposed of;

(3) The closure and post-closure care of a facility where hazardous waste will no longer be treated, stored, or disposed of and of a solid waste facility where solid wastes will no longer be disposed of or transferred.

(G) Establishing procedures ensuring that all information entitled to protection as trade secrets disclosed to the director or the director's authorized representative is not disclosed without the consent of the owner, except that such information may be disclosed, upon request, to authorized representatives of the United States environmental protection agency, or as required by law. As used in this section, "trade secrets" means any formula, plan, pattern, process, tool, mechanism, compound, procedure, production date, or compilation of information that is not patented, that is known only to certain individuals within a commercial concern who are using it to fabricate, produce, or compound an article, trade, or service having commercial value, and that gives its user an opportunity to obtain a business advantage over competitors who do not know or use it.

(H) Prohibiting the disposal of specified hazardous wastes in this state if the director has determined both of the following:

(1) The potential impacts on human health or safety or the environment are such that disposal of those wastes should not be allowed;

(2) A technically feasible and environmentally sound alternative is reasonably available, either within or outside this state, for processing, recycling, fixation of, neutralization of, or other treatment of those wastes. Such reasonable availability shall not be determined without a consideration of the costs to the generator of implementing the alternatives.

The director shall adopt, and may amend, suspend, or rescind, rules to specify hazardous wastes that shall not be disposed of in accordance with this division. Nothing in this division, either prior to or after adoption of those rules, shall preclude the director ~~or the hazardous waste facility board created in section 3734.05 of the Revised Code~~ from prohibiting the disposal of specified hazardous wastes at particular facilities under the terms or conditions of a permit or ~~preclude the director from prohibiting that disposal~~ by order.

(I)(1)(a) Governing the following that may be more stringent than the regulations adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, when the director determines that such more stringent rules are reasonable in order to protect human health or safety or the environment:

(i) Specific wastes that the director determines, because of their physical, chemical, or biological characteristics, are so extremely hazardous

that the storage, treatment, or disposal of the wastes in compliance with those regulations would present an imminent danger to human health or safety or the environment;

(ii) The use of only properly designed, operated, and approved transfer facilities;

(iii) Preventing illegitimate activities relating to the reuse, recycling, or reclaiming of hazardous waste, including record-keeping, reporting, and manifest requirements.

(b) In adopting such more stringent rules, the director shall give consideration to and base the rules on evidence concerning factors including, but not limited to, the following insofar as pertinent:

(i) Geography of the state;

(ii) Geology of the state;

(iii) Hydrogeology of the state;

(iv) Climate of the state;

(v) Engineering and technical feasibility;

(vi) Availability of alternative technologies or methods of storage, treatment, or disposal.

(2) The director may require from generators and transporters of hazardous waste and from owners or operators of treatment, storage, or disposal facilities, the submission of reports in addition to those required under regulations adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, to the extent that such reports contain information that the generator, transporter, or facility owner or operator is required to obtain in order to comply with the regulations adopted by the administrator of the United States environmental protection agency under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, or to the extent that such reports are required by the director to meet the requirements of division (B)(7), (D)(9), or (H) of this section or section 3734.121 of the Revised Code.

(J) Governing the storage, treatment, or disposal of hazardous waste in, and the permitting, design, construction, operation, monitoring, inspection, closure, and post-closure care of, hazardous waste underground injection wells, surface impoundments, waste piles other than those composed of materials removed from the ground as part of coal or mineral extraction or cleaning processes, land treatment facilities, thermal treatment facilities, and landfills that may be more stringent than the regulations adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, whenever the director reasonably determines

that federal regulations will not adequately protect the public health or safety or the environment of this state with respect to the subject matter of the more stringent rules. Such more stringent rules shall be developed to achieve a degree of protection, as determined by the director, consistent with the degree of hazard potentially posed by the various wastes or categories of wastes to be treated, stored, or disposed of and the types of facilities at which they are to be treated, stored, or disposed of. In adopting such more stringent rules, the director shall give consideration to and base the rules on evidence concerning factors including, but not limited to, the following insofar as pertinent:

- (1) Geography of the state;
- (2) Geology of the state;
- (3) Hydrogeology of the state;
- (4) Climate of the state;
- (5) Engineering and technical feasibility;
- (6) Availability of alternative technologies or methods of storage, treatment, or disposal.

(K) Establishing performance standards and other requirements necessary to protect public health and the environment from hazards associated with used oil, including, without limitation, standards and requirements respecting all of the following:

- (1) Material that is subject to regulation as used oil;
- (2) Generation of used oil;
- (3) Used oil collection centers and aggregation points;
- (4) Transportation of used oil;
- (5) Processing and re-refining of used oil;
- (6) Burning of used oil;
- (7) Marketing of used oil;
- (8) Disposal of used oil;
- (9) Use of used oil as a dust suppressant.

Sec. 3734.123. (A) As used in this section and section 3734.124 of the Revised Code, "commercial hazardous waste incinerator" means an enclosed device that treats hazardous waste by means of controlled flame combustion and that accepts for treatment hazardous waste that is generated off the premises on which the device is located by any person other than the one who owns or operates the device or one who controls, is controlled by, or is under common control with the person who owns or operates the device. "Commercial hazardous waste incinerator" does not include any "boiler" or "industrial furnace" as those terms are defined in rules adopted under section 3734.12 of the Revised Code.

(B) Not sooner than three years after April 15, 1993, and triennially thereafter, the director of environmental protection shall prepare, publish, and issue as a final action an assessment of commercial hazardous waste incinerator capacity in this state. However, after the issuance as a final action of a determination under division (A) of section 3734.124 of the Revised Code that terminates the restrictions established in division (C) of this section, the director shall cease preparing, publishing, and issuing the periodic assessments required under this division. The assessment shall determine the amount of commercial hazardous waste incinerator capacity needed to manage the hazardous waste expected to be generated in this state and imported into this state for incineration at commercial hazardous waste incinerators during the next succeeding twenty calendar years. The assessment shall include at least all of the following:

(1) A determination of the aggregate treatment capacity authorized at commercial hazardous waste incinerators located in this state;

(2) A determination of the quantity of hazardous waste generated in this state that is being treated at commercial hazardous waste incinerators located in this state and projections of the quantity of hazardous waste generated in this state that will be treated at those facilities;

(3) A determination of the quantity of hazardous waste generated outside this state that is being treated at commercial hazardous waste incinerators located in this state and projections of the quantity of hazardous waste generated outside this state that will be treated at those facilities;

(4) A determination of the quantity of hazardous waste generated in this state that is being treated at commercial hazardous waste incinerators located outside this state, and projections of the quantity of hazardous waste generated in this state that will be treated at those facilities;

(5) The amount of commercial hazardous waste incinerator capacity that the director reasonably anticipates will be needed during the first three years of the planning period to treat hazardous waste generated from the remediation of sites in this state that are on the national priority list required under the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as amended; as a result of corrective actions implemented under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended; and as a result of clean-up activities conducted at sites listed on the master sites list prepared by the environmental protection agency;

(6) Based upon available data, provided that the data are reliable and are compatible with the data base of the environmental protection agency, an identification of any hazardous waste first listed as a hazardous waste in

Sec. 3734.124. (A) Promptly after issuing a periodic assessment under division (B) of section 3734.123 of the Revised Code, the director of environmental protection shall make a determination as to whether it is necessary or appropriate to continue the restrictions established in division (C) of section 3734.123 of the Revised Code during the period of time between the issuance of the assessment and the issuance of the next succeeding periodic assessment or as to whether it is necessary or appropriate to terminate the restrictions. The director shall consider all of the following when making a determination under this division:

- (1) The findings of the assessment;
- (2) The findings of an evaluation conducted by the director, in consultation with the chairperson of the state emergency response commission created in section 3750.02 of the Revised Code, regarding the capability of this state to respond to the types and frequencies of releases of hazardous waste that are likely to occur at commercial hazardous waste incinerators;
- (3) The effect that a new commercial hazardous waste incinerator may have on ambient air quality in this state;
- (4) The findings of a review of relevant information regarding the impacts of commercial hazardous waste incinerators on human health and the environment, such as health studies and risk assessments;

 - (a) The cost of and access to commercial hazardous waste incinerator capacity;
 - (b) The length of time and the regulatory review process necessary to fully permit a commercial hazardous waste incinerator;
 - (c) Access to long-term capital investment to fund the building of a commercial hazardous waste incinerator in this state;
 - (d) Efforts by generators of hazardous waste accepted by commercial hazardous waste incinerators to reduce the amount of hazardous waste that they generate.
- (7) Regulatory and legislative concerns that may include, without limitation, the provisions of paragraphs (a) and (b) of 40 C.F.R. 271.4, as they existed on April 15, 1993.

If, after considering all of the information and concerns that the director is required to consider under divisions (A)(1) to (7) of this section, the director determines that it is necessary or appropriate to terminate the restrictions established in division (C) of section 3734.123 of the Revised Code in order to protect human health or safety or the environment, the director shall issue as a final action a written determination to that effect. If the director determines that it is necessary or appropriate for those purposes to continue the restrictions until the issuance of the next succeeding periodic assessment under division (B) of section 3734.123 of the Revised Code, the director shall issue as a final action a written determination to that effect. After the issuance as a final action of a determination under this division that it is necessary or appropriate to terminate the restrictions established in division (C) of section 3734.123 of the Revised Code, the director shall cease making the periodic determinations required under this division.

(B) Beginning three years after April 15, 1993, but only on and after the date of issuance as final actions of an assessment under division (B) of section 3734.123 of the Revised Code and a determination under division (A) of this section that it is necessary or appropriate to terminate the restrictions established in division (C) of section 3734.123 of the Revised Code, ~~any of the following may occur:~~

~~(b) To the extent otherwise authorized in division (I)(5) of section 3734.05 of the Revised Code, issue a modified hazardous waste facility installation and operation permit under that division that authorizes an increase in either the treatment capacity of a commercial hazardous waste incinerator or the quantity of hazardous waste authorized to be treated by it;~~

~~(e)(1)~~ To the extent otherwise authorized thereunder, issue any permit

pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code, division (J) of section 6111.03 of the Revised Code, or the solid waste provisions of this chapter and rules adopted under those provisions, that is necessary for the establishment, modification, or operation of any appurtenant facility or equipment that is necessary for the operation of a new commercial hazardous waste incinerator, or for the modification of an existing incinerator to increase either the treatment capacity of the incinerator or the quantity of hazardous waste authorized to be treated by it;

~~(d)~~(2) To the extent otherwise authorized in division (G) of section 3734.02 of the Revised Code, issue an order exempting the establishment of a new commercial hazardous waste incinerator; the modification of an existing incinerator to increase either the treatment capacity of the incinerator or the quantity of hazardous waste that is authorized to be treated by it; or the establishment, modification, or operation of any facility or equipment appurtenant to a new or modified commercial hazardous waste incinerator, from division (C)(1)(a); or (b); ~~or (e)~~ or (C)(2) ~~or (3)~~ of section 3734.123 of the Revised Code.

~~(2) The staff of the environmental protection agency may do both of the following:~~

~~(a) Pursuant to division (D)(3) or (I)(4) of section 3734.05 of the Revised Code, review an application for a hazardous waste facility installation and operation permit to establish a new commercial hazardous waste incinerator or a request to modify an existing incinerator to increase either the treatment capacity of the incinerator or the quantity of hazardous waste authorized to be treated by it;~~

~~(b) Pursuant to division (D)(3) or (I)(4) of section 3734.05 of the Revised Code, make a preliminary determination as to whether an application for a hazardous waste facility permit to install and operate a new commercial hazardous waste incinerator or a request to modify an existing incinerator to increase either the treatment capacity of the incinerator or the quantity of hazardous waste authorized to be treated by it appears to comply with the rules and performance standards set forth under divisions (D), (I), and (J) of section 3734.12 of the Revised Code.~~

~~(3) The hazardous waste facility board may do both of the following:~~

Sec. 3734.18. (A) There are hereby levied fees on the disposal of hazardous waste to be collected according to the following schedule at each disposal facility to which ~~the hazardous waste facility board has issued a hazardous waste facility installation and operation permit or the director of environmental protection has issued a renewal of a permit pursuant to section 3734.05 of the Revised Code~~ has been issued under this chapter:

(1) For disposal facilities that are off-site facilities as defined in division (E) of section 3734.02 of the Revised Code, fees shall be levied at the rate of four dollars and fifty cents per ton for hazardous waste disposed of by deep well injection and nine dollars per ton for hazardous waste disposed of by land application or landfilling. The owner or operator of the facility, as a trustee for the state, shall collect the fees and forward them to the director in accordance with rules adopted under this section.

(2) For disposal facilities that are on-site or satellite facilities, as defined in division (E) of section 3734.02 of the Revised Code, fees shall be levied at the rate of two dollars per ton for hazardous waste disposed of by deep well injection and four dollars per ton for hazardous waste disposed of by land application or landfilling. The maximum annual disposal fee for an on-site disposal facility that disposes of one hundred thousand tons or less of hazardous waste in a year is twenty-five thousand dollars. The maximum annual disposal fee for an on-site facility that disposes of more than one hundred thousand tons of hazardous waste in a year by land application or landfilling is fifty thousand dollars, and the maximum annual fee for an on-site facility that disposes of more than one hundred thousand tons of hazardous waste in a year by deep well injection is one hundred thousand dollars. The maximum annual disposal fee for a satellite facility that disposes of one hundred thousand tons or less of hazardous waste in a year is thirty-seven thousand five hundred dollars, and the maximum annual disposal fee for a satellite facility that disposes of more than one hundred thousand tons of hazardous waste in a year is seventy-five thousand dollars, except that a satellite facility defined under division (E)(3)(b) of section 3734.02 of the Revised Code that receives hazardous waste from a single generation site is subject to the same maximum annual disposal fees as an on-site disposal facility. The owner or operator shall pay the fee to the director each year upon the anniversary of the date of issuance of the owner's or operator's installation and operation permit during the term of

that permit and any renewal permit issued under division (H) of section 3734.05 of the Revised Code. If payment is late, the owner or operator shall pay an additional ten per cent of the amount of the fee for each month that it is late.

(B) There are hereby levied fees at the rate of two dollars per ton on hazardous waste that is treated at treatment facilities that are not on-site or satellite facilities, as defined in division (E) of section 3734.02 of the Revised Code, to which ~~the hazardous waste facility board has issued a hazardous waste facility installation and operation permit or the director renewal of a permit~~ has been issued a renewal permit under this chapter, or that are not subject to the hazardous waste facility installation and operation permit requirements under rules adopted by the director.

(C) There are hereby levied additional fees on the treatment and disposal of hazardous waste at the rate of ten per cent of the applicable fees prescribed in division (A) or (B) of this section for the purposes of paying the costs of municipal corporations and counties for conducting reviews of applications for hazardous waste facility installation and operation permits for proposed new or modified hazardous waste landfills within their boundaries, emergency response actions with respect to releases of hazardous waste from hazardous waste facilities within their boundaries, monitoring the operation of such hazardous waste facilities, and local waste management planning programs. The owner or operator of a facility located within a municipal corporation, as a trustee for the municipal corporation, shall collect the fees levied by this division and forward them to the treasurer of the municipal corporation or such officer as, by virtue of the charter, has the duties of the treasurer in accordance with rules adopted under this section. The owner or operator of a facility located in an unincorporated area, as a trustee of the county in which the facility is located, shall collect the fees levied by this division and forward them to the county treasurer of that county in accordance with rules adopted under this section. The owner or operator shall pay the fees levied by this division to the treasurer or such other officer of the municipal corporation or to the county treasurer each year upon the anniversary of the date of issuance of the owner's or operator's installation and operation permit during the term of that permit and any renewal permit issued under division (H) of section 3734.05 of the Revised Code. If payment is late, the owner or operator shall pay an additional ten per cent of the amount of the fee for each month that the payment is late.

Moneys received by a municipal corporation under this division shall be paid into a special fund of the municipal corporation and used exclusively

for the purposes of conducting reviews of applications for hazardous waste facility installation and operation permits for new or modified hazardous waste landfills located or proposed within the municipal corporation, conducting emergency response actions with respect to releases of hazardous waste from facilities located within the municipal corporation, monitoring operation of such hazardous waste facilities, and conducting waste management planning programs within the municipal corporation through employees of the municipal corporation or pursuant to contracts entered into with persons or political subdivisions. Moneys received by a board of county commissioners under this division shall be paid into a special fund of the county and used exclusively for those purposes within the unincorporated area of the county through employees of the county or pursuant to contracts entered into with persons or political subdivisions.

(D) As used in this section, "treatment" or "treated" does not include any method, technique, or process designed to recover energy or material resources from the waste or to render the waste amenable for recovery. The fees levied by division (B) of this section do not apply to hazardous waste that is treated and disposed of on the same premises or by the same person.

(E) The director, by rules adopted in accordance with Chapters 119. and 3745. of the Revised Code, shall prescribe any dates not specified in this section and procedures for collecting and forwarding the fees prescribed by this section and may prescribe other requirements that are necessary to carry out this section.

The director shall deposit the moneys collected under divisions (A) and (B) of this section into one or more minority banks, as "minority bank" is defined in division (F)(1) of section 135.04 of the Revised Code, to the credit of the hazardous waste facility management fund, which is hereby created in the state treasury, except that the director shall deposit to the credit of the underground injection control fund created in section 6111.046 of the Revised Code moneys in excess of fifty thousand dollars that are collected during a fiscal year under division (A)(2) of this section from the fee levied on the disposal of hazardous waste by deep well injection at an on-site disposal facility that disposes of more than one hundred thousand tons of hazardous waste in a year.

The environmental protection agency ~~and the hazardous waste facility board~~ may use moneys in the hazardous waste facility management fund for administration of the hazardous waste program established under this chapter and, in accordance with this section, may request approval by the controlling board for that use on an annual basis. In addition, the agency may use and pledge moneys in that fund for repayment of and for interest on

any loans made by the Ohio water development authority to the agency for the hazardous waste program established under this chapter without the necessity of requesting approval by the controlling board, which use and pledge shall have priority over any other use of the moneys in the fund.

Until September 28, 1996, the director also may use moneys in the fund to pay the start-up costs of administering Chapter 3746. of the Revised Code.

If moneys in the fund that the agency uses in accordance with this chapter are reimbursed by grants or other moneys from the United States government, the grants or other moneys shall be placed in the fund.

Before the agency makes any expenditure from the fund other than for repayment of and interest on any loan made by the Ohio water development authority to the agency in accordance with this section, the controlling board shall approve the expenditure.

Sec. 3734.28. All moneys collected under sections 3734.122, 3734.13, 3734.20, 3734.22, 3734.24, and 3734.26 of the Revised Code and natural resource damages collected by the state under the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as amended, shall be paid into the state treasury to the credit of the hazardous waste clean-up fund, which is hereby created. The environmental protection agency shall use the moneys in the fund for the purposes set forth in division (D) of section 3734.122, sections 3734.19, 3734.20, 3734.21, 3734.23, 3734.25, 3734.26, and 3734.27, and, through ~~June 30, 2003~~ October 15, 2005, divisions (A)(1) and (2) of section 3745.12 and Chapter 3746. of the Revised Code, including any related enforcement expenses. In addition, the agency shall use the moneys in the fund to pay the state's long-term operation and maintenance costs or matching share for actions taken under the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," as amended. If those moneys are reimbursed by grants or other moneys from the United States or any other person, the moneys shall be placed in the fund and not in the general revenue fund.

Sec. 3734.42. (A)(1) Except as otherwise provided in division (E)(2) of this section, every applicant for a permit other than a permit modification or renewal shall file a disclosure statement, on a form developed by the attorney general, with the director of environmental protection and the attorney general at the same time the applicant files an application for a permit other than a permit modification or renewal with the director.

(2) Any individual required to be listed in the disclosure statement shall be fingerprinted for identification and investigation purposes in accordance

with procedures established by the attorney general. An individual required to be fingerprinted under this section shall not be required to be fingerprinted more than once under this section.

(3) The attorney general, within one hundred eighty days after receipt of the disclosure statement from an applicant for a permit, shall prepare and transmit to the director an investigative report on the applicant, based in part upon the disclosure statement, except that this deadline may be extended for a reasonable period of time, for good cause, by the director or the attorney general. In preparing this report, the attorney general may request and receive criminal history information from the federal bureau of investigation and any other law enforcement agency or organization. The attorney general may provide such confidentiality regarding the information received from a law enforcement agency as may be imposed by that agency as a condition for providing that information to the attorney general.

(4) The review of the application by the director ~~or the hazardous waste facility board~~ shall include a review of the disclosure statement and investigative report.

(B) All applicants and permittees shall provide any assistance or information requested by the director or the attorney general and shall cooperate in any inquiry or investigation conducted by the attorney general and any inquiry, investigation, or hearing conducted by the director ~~or the hazardous waste facility board~~. If, upon issuance of a formal request to answer any inquiry or produce information, evidence, or testimony, any applicant or permittee, any officer, director, or partner of any business concern, or any key employee of the applicant or permittee refuses to comply, the permit of the applicant or permittee may be denied or revoked by the director ~~or the board~~.

(C) The attorney general may charge and collect such fees from applicants and permittees as are necessary to cover the costs of administering and enforcing the investigative procedures authorized in sections 3734.41 to 3734.47 of the Revised Code. The attorney general shall transmit moneys collected under this division to the treasurer of state to be credited to the solid and hazardous waste background investigations fund, which is hereby created in the state treasury. Moneys in the fund shall be used solely for paying the attorney general's costs of administering and enforcing the investigative procedures authorized in sections 3734.41 to 3734.47 of the Revised Code.

(D) Annually on the anniversary date of the submission to the director by the attorney general of the investigative report for a specific facility, or annually on another date assigned by the attorney general, the appropriate

applicant, permittee, or prospective owner shall submit to the attorney general, on a form provided by the attorney general, any and all information required to be included in a disclosure statement that has changed or been added in the immediately preceding year. If, in the immediately preceding year, there have been no changes in or additions to the information required to be included in a disclosure statement, the appropriate applicant, permittee, or prospective owner shall submit to the attorney general an affidavit stating that there have been no changes in or additions to that information during that time period.

Notwithstanding the requirement for an annual submission of information, the following information shall be submitted within the periods specified:

(1) Information required to be included in the disclosure statement for any new officer, director, partner, or key employee, to be submitted within ninety days from the addition of the officer, director, partner, or key employee;

(2) Information required to be included in a disclosure statement for any new business concern, to be submitted within ninety days from the addition of the new business concern;

(3) Information regarding any new criminal conviction, to be submitted within ninety days from the judgment entry of conviction.

The failure to provide such information may constitute the basis for the revocation or denial of renewal of any permit or license issued in accordance with this chapter, provided that prior to any such denial or revocation, the director shall notify the applicant or permittee of the director's intention to do so and give the applicant or permittee fourteen days from the date of the notice to explain why the information was not provided. The director shall consider this information when determining whether to revoke or deny the permit or license.

Nothing in this division affects the rights of the director or the attorney general granted under sections 3734.40 to 3734.47 of the Revised Code to request information from a person at any other time.

(E)(1) Except as otherwise provided in division (E)(2) of this section, every permittee who is not otherwise required to file a disclosure statement shall file a disclosure statement within five years after June 24, 1988, pursuant to a schedule for submissions of disclosure statements developed by the attorney general. The schedule shall provide all permittees and holders of a license with at least one hundred eighty days' notice prior to the date upon which the statement is to be submitted. All other terms of the schedule shall be established at the discretion of the attorney general and

shall not be subject to judicial review.

(2) An applicant for a permit for an off-site solid waste facility that is a scrap tire storage, monocell, monofill, or recovery facility issued under section 3734.76, 3734.77, or 3734.78 of the Revised Code, as applicable, shall file a disclosure statement within five years after October 29, 1993, pursuant to a schedule for submissions of disclosure statements developed by the attorney general. The schedule shall provide all such applicants with at least one hundred eighty days' notice prior to the date upon which the statement shall be submitted. All other terms of the schedule shall be established at the discretion of the attorney general and shall not be subject to judicial review.

Beginning five years after October 29, 1993, an applicant for such a permit shall file a disclosure statement in accordance with division (A)(1) of this section.

(3) When a permittee submits a disclosure statement at the time it submits an application for a renewal or modification of its permit, the attorney general shall remove the permittee from the submission schedule established pursuant to division (E)(1) or (2) of this section.

(4) After receiving a disclosure statement under division (E)(1) or (2) of this section, the attorney general shall prepare an investigative report and transmit it to the director. The director shall review the disclosure statement and investigative report to determine whether the statement or report contains information that if submitted with a permit application would require a denial of the permit pursuant to section 3734.44 of the Revised Code. If the director determines that the statement or report contains such information, the director may revoke any previously issued permit pursuant to section 3734.45 of the Revised Code, or the director shall deny any application for a renewal of a permit or license. When the renewal of the license is being performed by a board of health, the director shall instruct the board of health about those circumstances under which the renewal is required to be denied by this section.

(F)(1) Whenever there is a change in ownership of any off-site solid waste facility, including incinerators, any transfer facility, any off-site infectious waste treatment facility, or any off-site hazardous waste treatment, storage, or disposal facility, the prospective owner shall file a disclosure statement with the attorney general and the director at least one hundred eighty days prior to the proposed change in ownership. Upon receipt of the disclosure statement, the attorney general shall prepare an investigative report and transmit it to the director. The director shall review the disclosure statement and investigative report to determine whether the

statement or report contains information that if submitted with a permit application would require a denial of the permit pursuant to section 3734.44 of the Revised Code. If the director determines that the statement or report contains such information, the director shall disapprove the change in ownership.

(2) If the parties to a change in ownership decide to proceed with the change prior to the action of the director on the disclosure statement and investigative report, the parties shall include in all contracts or other documents reflecting the change in ownership language expressly making the change in ownership subject to the approval of the director and expressly negating the change if it is disapproved by the director pursuant to division (F)(1) of this section.

(3) As used in this section, "change in ownership" includes any change in the names, other than those of officers, directors, partners, or key employees, contained in the disclosure statement.

Sec. 3734.44. Notwithstanding the provisions of any law to the contrary, no permit or license shall be issued or renewed by the director of environmental protection, ~~the hazardous waste facility board~~, or a board of health:

(A) Unless the director, ~~the hazardous waste facility board~~, or the board of health finds that the applicant, in any prior performance record in the transportation, transfer, treatment, storage, or disposal of solid wastes, infectious wastes, or hazardous waste, has exhibited sufficient reliability, expertise, and competency to operate the solid waste, infectious waste, or hazardous waste facility, given the potential for harm to human health and the environment that could result from the irresponsible operation of the facility, or, if no prior record exists, that the applicant is likely to exhibit that reliability, expertise, and competence;

(B) If any individual or business concern required to be listed in the disclosure statement or shown to have a beneficial interest in the business of the applicant or the permittee, other than an equity interest or debt liability, by the investigation thereof, has been convicted of any of the following crimes under the laws of this state or equivalent laws of any other jurisdiction:

 - (17) Engaging in a pattern of corrupt activity under section 2923.32 of the Revised Code;
 - (18) Violation of criminal provisions of Chapter 1331. of the Revised Code;
 - (19) Any violation of the criminal provisions of any federal or state environmental protection laws, rules, or regulations that is committed knowingly or recklessly, as defined in section 2901.22 of the Revised Code;
 - (20) Violation of Chapter 2909. of the Revised Code;
 - (21) Any offense specified in Chapter 2921. of the Revised Code.
- (C) Notwithstanding division (B) of this section, no applicant shall be denied the issuance or renewal of a permit or license on the basis of a conviction of any individual or business concern required to be listed in the disclosure statement or shown to have a beneficial interest in the business of the applicant or the permittee, other than an equity interest or debt liability, by the investigation thereof for any of the offenses enumerated in that division as disqualification criteria if that applicant has affirmatively demonstrated rehabilitation of the individual or business concern by a preponderance of the evidence. If any such individual was convicted of any of the offenses so enumerated that are felonies, a permit shall be denied unless five years have elapsed since the individual was fully discharged from imprisonment and parole for the offense, from a post-release control sanction imposed under section 2967.28 of the Revised Code for the offense, or imprisonment, probation, and parole for an offense that was committed prior to the effective date of this amendment. In determining whether an applicant has affirmatively demonstrated rehabilitation, the

director, ~~the hazardous waste facility board~~, or the board of health shall request a recommendation on the matter from the attorney general and shall consider and base the determination on the following factors:

(1) The nature and responsibilities of the position a convicted individual would hold;

(2) The nature and seriousness of the offense;

(3) The circumstances under which the offense occurred;

(4) The date of the offense;

(5) The age of the individual when the offense was committed;

(6) Whether the offense was an isolated or repeated incident;

(7) Any social conditions that may have contributed to the offense;

(8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work release programs, or the recommendation of persons who have or have had the applicant under their supervision;

(9) In the instance of an applicant that is a business concern, rehabilitation shall be established if the applicant has implemented formal management controls to minimize and prevent the occurrence of violations and activities that will or may result in permit or license denial or revocation or if the applicant has formalized those controls as a result of a revocation or denial of a permit or license. Those controls may include, but are not limited to, instituting environmental auditing programs to help ensure the adequacy of internal systems to achieve, maintain, and monitor compliance with applicable environmental laws and standards or instituting an antitrust compliance auditing program to help ensure full compliance with applicable antitrust laws. The business concern shall prove by a preponderance of the evidence that the management controls are effective in preventing the violations that are the subject of concern.

(D) Unless the director, ~~the hazardous waste facility board~~, or the board of health finds that the applicant has a history of compliance with environmental laws in this state and other jurisdictions and is presently in substantial compliance with, or on a legally enforceable schedule that will result in compliance with, environmental laws in this state and other jurisdictions;

(E) With respect to the approval of a permit, if the director ~~or the hazardous waste facility board~~ determines that current prosecutions or pending charges in any jurisdiction for any of the offenses enumerated in division (B) of this section against any individual or business concern required to be listed in the disclosure statement or shown by the

investigation to have a beneficial interest in the business of the applicant other than an equity interest or debt liability are of such magnitude that they prevent making the finding required under division (A) of this section, provided that at the request of the applicant or the individual or business concern charged, the director ~~or the hazardous waste facility board~~ shall defer decision upon the application during the pendency of the charge.

Sec. 3734.46. Notwithstanding the disqualification of the applicant or permittee pursuant to this chapter, the director of environmental protection; ~~hazardous waste facility board~~, or the board of health may issue or renew a permit or license if the applicant or permittee severs the interest of or affiliation with the individual or business concern that would otherwise cause that disqualification or may issue or renew a license on a temporary basis for a period not to exceed six months if the director or the board of health determines that the issuance or renewal of the permit or license is necessitated by the public interest.

Sec. 3734.57. (A) For the purposes of paying the state's long-term operation costs or matching share for actions taken under the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as amended; paying the costs of measures for proper clean-up of sites where polychlorinated biphenyls and substances, equipment, and devices containing or contaminated with polychlorinated biphenyls have been stored or disposed of; paying the costs of conducting surveys or investigations of solid waste facilities or other locations where it is believed that significant quantities of hazardous waste were disposed of and for conducting enforcement actions arising from the findings of such surveys or investigations; paying the costs of acquiring and cleaning up, or providing financial assistance for cleaning up, any hazardous waste facility or solid waste facility containing significant quantities of hazardous waste, that constitutes an imminent and substantial threat to public health or safety or the environment; and, from July 1, ~~2004~~ 2003, through June 30, ~~2004~~ 2006, for the purposes of paying the costs of administering and enforcing the laws pertaining to solid wastes, infectious wastes, and construction and demolition debris, including, without limitation, ground water evaluations related to solid wastes, infectious wastes, and construction and demolition debris, under this chapter and Chapter 3714. of the Revised Code and any rules adopted under them, and paying a share of the administrative costs of the environmental protection agency pursuant to section 3745.014 of the Revised Code, the following fees are hereby levied on the disposal of solid wastes in this state:

- (1) One dollar per ton on and after July 1, 1993;

(2) An additional ~~seventy-five cents~~ one dollar per ton on and after July 1, ~~2001~~ 2003, through June 30, ~~2004~~ 2006.

The owner or operator of a solid waste disposal facility shall collect the fees levied under this division as a trustee for the state and shall prepare and file with the director of environmental protection monthly returns indicating the total tonnage of solid wastes received for disposal at the gate of the facility and the total amount of the fees collected under this division. Not later than thirty days after the last day of the month to which such a return applies, the owner or operator shall mail to the director the return for that month together with the fees collected during that month as indicated on the return. The owner or operator may request an extension of not more than thirty days for filing the return and remitting the fees, provided that the owner or operator has submitted such a request in writing to the director together with a detailed description of why the extension is requested, the director has received the request not later than the day on which the return is required to be filed, and the director has approved the request. If the fees are not remitted within sixty days after the last day of the month during which they were collected, the owner or operator shall pay an additional fifty per cent of the amount of the fees for each month that they are late.

One-half of the moneys remitted to the director under division (A)(1) of this section shall be credited to the hazardous waste facility management fund created in section 3734.18 of the Revised Code, and one-half shall be credited to the hazardous waste clean-up fund created in section 3734.28 of the Revised Code. The moneys remitted to the director under division (A)(2) of this section shall be credited to the solid waste fund, which is hereby created in the state treasury. The environmental protection agency shall use moneys in the solid waste fund only to pay the costs of administering and enforcing the laws pertaining to solid wastes, infectious wastes, and construction and demolition debris, including, without limitation, ground water evaluations related to solid wastes, infectious wastes, and construction and demolition debris, under this chapter and Chapter 3714. of the Revised Code and rules adopted under them and to pay a share of the administrative costs of the environmental protection agency pursuant to section 3745.014 of the Revised Code.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be added to any other fee or amount specified in a contract that is charged by the owner or operator of a solid waste disposal facility or to any other fee or amount that is specified in a contract entered into on or after March 4, 1992, and that is charged by a transporter of solid wastes.

(B) For the purpose of preparing, revising, and implementing the solid waste management plan of the county or joint solid waste management district, including, without limitation, the development and implementation of solid waste recycling or reduction programs; providing financial assistance to boards of health within the district, if solid waste facilities are located within the district, for the enforcement of this chapter and rules adopted and orders and terms and conditions of permits, licenses, and variances issued under it, other than the hazardous waste provisions of this chapter and rules adopted and orders and terms and conditions of permits issued under those provisions; providing financial assistance to the county to defray the added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation of a solid waste facility within the county under the district's approved solid waste management plan; paying the costs incurred by boards of health for collecting and analyzing water samples from public or private wells on lands adjacent to solid waste facilities that are contained in the approved or amended plan of the district; paying the costs of developing and implementing a program for the inspection of solid wastes generated outside the boundaries of this state that are disposed of at solid waste facilities included in the district's approved solid waste management plan or amended plan; providing financial assistance to boards of health within the district for enforcing laws prohibiting open dumping; providing financial assistance to local law enforcement agencies within the district for enforcing laws and ordinances prohibiting littering; providing financial assistance to boards of health of health districts within the district that are on the approved list under section 3734.08 of the Revised Code for the training and certification required for their employees responsible for solid waste enforcement by rules adopted under division (L) of section 3734.02 of the Revised Code; providing financial assistance to individual municipal corporations and townships within the district to defray their added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation within their boundaries of a composting, energy or resource recovery, incineration, or recycling facility that either is owned by the district or is furnishing solid waste management facility or recycling services to the district pursuant to a contract or agreement with the board of county commissioners or directors of the district; and payment of any expenses that are agreed to, awarded, or ordered to be paid under section 3734.35 of the Revised Code and of any administrative costs incurred pursuant to that section, the solid waste management policy committee of a county or joint solid waste management

district may levy fees upon the following activities:

(1) The disposal at a solid waste disposal facility located in the district of solid wastes generated within the district;

(2) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of the district, but inside this state;

(3) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of this state.

If any such fees are levied prior to January 1, 1994, fees levied under division (B)(1) of this section always shall be equal to one-half of the fees levied under division (B)(2) of this section, and fees levied under division (B)(3) of this section, which shall be in addition to fees levied under division (B)(2) of this section, always shall be equal to fees levied under division (B)(1) of this section, except as otherwise provided in this division. The solid waste management plan of the county or joint district approved under section 3734.521 or 3734.55 of the Revised Code and any amendments to it, or the resolution adopted under this division, as appropriate, shall establish the rates of the fees levied under divisions (B)(1), (2), and (3) of this section, if any, and shall specify whether the fees are levied on the basis of tons or cubic yards as the unit of measurement. Although the fees under divisions (A)(1) and (2) of this section are levied on the basis of tons as the unit of measurement, the solid waste management plan of the district and any amendments to it or the solid waste management policy committee in its resolution levying fees under this division may direct that the fees levied under those divisions be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes if the fees under divisions (B)(1) to (3) of this section are being levied on the basis of cubic yards as the unit of measurement under the plan, amended plan, or resolution.

On and after January 1, 1994, the fee levied under division (B)(1) of this section shall be not less than one dollar per ton nor more than two dollars per ton, the fee levied under division (B)(2) of this section shall be not less than two dollars per ton nor more than four dollars per ton, and the fee levied under division (B)(3) of this section shall be not more than the fee levied under division (B)(1) of this section, except as otherwise provided in this division and notwithstanding any schedule of those fees established in the solid waste management plan of a county or joint district approved under section 3734.55 of the Revised Code or a resolution adopted and ratified under this division that is in effect on that date. If the fee that a district is

levying under division (B)(1) of this section on that date under its approved plan or such a resolution is less than one dollar per ton, the fee shall be one dollar per ton on and after January 1, 1994, and if the fee that a district is so levying under that division exceeds two dollars per ton, the fee shall be two dollars per ton on and after that date. If the fee that a district is so levying under division (B)(2) of this section is less than two dollars per ton, the fee shall be two dollars per ton on and after that date, and if the fee that the district is so levying under that division exceeds four dollars per ton, the fee shall be four dollars per ton on and after that date. On that date, the fee levied by a district under division (B)(3) of this section shall be equal to the fee levied under division (B)(1) of this section. Except as otherwise provided in this division, the fees established by the operation of this amendment shall remain in effect until the district's resolution levying fees under this division is amended or repealed in accordance with this division to amend or abolish the schedule of fees, the schedule of fees is amended or abolished in an amended plan of the district approved under section 3734.521 or division (A) or (D) of section 3734.56 of the Revised Code, or the schedule of fees is amended or abolished through an amendment to the district's plan under division (E) of section 3734.56 of the Revised Code; the notification of the amendment or abolishment of the fees has been given in accordance with this division; and collection of the amended fees so established commences, or collection of the fees ceases, in accordance with this division.

The solid waste management policy committee of a district levying fees under divisions (B)(1) to (3) of this section on October 29, 1993, under its solid waste management plan approved under section 3734.55 of the Revised Code or a resolution adopted and ratified under this division that are within the ranges of rates prescribed by this amendment, by adoption of a resolution not later than December 1, 1993, and without the necessity for ratification of the resolution under this division, may amend those fees within the prescribed ranges, provided that the estimated revenues from the amended fees will not substantially exceed the estimated revenues set forth in the district's budget for calendar year 1994. Not later than seven days after the adoption of such a resolution, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the adoption of the resolution and of the amount of the amended fees. Collection of the amended fees shall take effect on the first day of the first month following the month in which the notification is sent to the owner or operator. The fees established in such a resolution shall remain in effect until the district's resolution levying fees

that was adopted and ratified under this division is amended or repealed, and the amendment or repeal of the resolution is ratified, in accordance with this division, to amend or abolish the fees, the schedule of fees is amended or abolished in an amended plan of the district approved under section 3734.521 or division (A) or (D) of section 3734.56 of the Revised Code, or the schedule of fees is amended or abolished through an amendment to the district's plan under division (E) of section 3734.56 of the Revised Code; the notification of the amendment or abolishment of the fees has been given in accordance with this division; and collection of the amended fees so established commences, or collection of the fees ceases, in accordance with this division.

Prior to the approval of the solid waste management plan of the district under section 3734.55 of the Revised Code, the solid waste management policy committee of a district may levy fees under this division by adopting a resolution establishing the proposed amount of the fees. Upon adopting the resolution, the committee shall deliver a copy of the resolution to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district and shall prepare and publish the resolution and a notice of the time and location where a public hearing on the fees will be held. Upon adopting the resolution, the committee shall deliver written notice of the adoption of the resolution; of the amount of the proposed fees; and of the date, time, and location of the public hearing to the director and to the fifty industrial, commercial, or institutional generators of solid wastes within the district that generate the largest quantities of solid wastes, as determined by the committee, and to their local trade associations. The committee shall make good faith efforts to identify those generators within the district and their local trade associations, but the nonprovision of notice under this division to a particular generator or local trade association does not invalidate the proceedings under this division. The publication shall occur at least thirty days before the hearing. After the hearing, the committee may make such revisions to the proposed fees as it considers appropriate and thereafter, by resolution, shall adopt the revised fee schedule. Upon adopting the revised fee schedule, the committee shall deliver a copy of the resolution doing so to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district. Within sixty days after the delivery of a copy of the resolution adopting the proposed revised fees by the policy committee, each such board and legislative authority, by ordinance or resolution, shall approve or

disapprove the revised fees and deliver a copy of the ordinance or resolution to the committee. If any such board or legislative authority fails to adopt and deliver to the policy committee an ordinance or resolution approving or disapproving the revised fees within sixty days after the policy committee delivered its resolution adopting the proposed revised fees, it shall be conclusively presumed that the board or legislative authority has approved the proposed revised fees.

In the case of a county district or a joint district formed by two or three counties, the committee shall declare the proposed revised fees to be ratified as the fee schedule of the district upon determining that the board of county commissioners of each county forming the district has approved the proposed revised fees and that the legislative authorities of a combination of municipal corporations and townships with a combined population within the district comprising at least sixty per cent of the total population of the district have approved the proposed revised fees, provided that in the case of a county district, that combination shall include the municipal corporation having the largest population within the boundaries of the district, and provided further that in the case of a joint district formed by two or three counties, that combination shall include for each county forming the joint district the municipal corporation having the largest population within the boundaries of both the county in which the municipal corporation is located and the joint district. In the case of a joint district formed by four or more counties, the committee shall declare the proposed revised fees to be ratified as the fee schedule of the joint district upon determining that the boards of county commissioners of a majority of the counties forming the district have approved the proposed revised fees; that, in each of a majority of the counties forming the joint district, the proposed revised fees have been approved by the municipal corporation having the largest population within the county and the joint district; and that the legislative authorities of a combination of municipal corporations and townships with a combined population within the joint district comprising at least sixty per cent of the total population of the joint district have approved the proposed revised fees.

For the purposes of this division, only the population of the unincorporated area of a township shall be considered. For the purpose of determining the largest municipal corporation within each county under this division, a municipal corporation that is located in more than one solid waste management district, but that is under the jurisdiction of one county or joint solid waste management district in accordance with division (A) of section 3734.52 of the Revised Code shall be considered to be within the boundaries of the county in which a majority of the population of the

municipal corporation resides.

The committee may amend the schedule of fees levied pursuant to a resolution or amended resolution adopted and ratified under this division by adopting a resolution establishing the proposed amount of the amended fees. The committee may abolish the fees levied pursuant to such a resolution or amended resolution by adopting a resolution proposing to repeal them. Upon adopting such a resolution, the committee shall proceed to obtain ratification of the resolution in accordance with this division.

Not later than fourteen days after declaring the fees or amended fees to be ratified under this division, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the ratification and the amount of the fees. Collection of any fees or amended fees ratified on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

Not later than fourteen days after declaring the repeal of the district's schedule of fees to be ratified under this division, the committee shall notify by certified mail the owner or operator of each facility that is collecting the fees of the repeal. Collection of the fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

Not later than fourteen days after the director issues an order approving a district's solid waste management plan under section 3734.55 of the Revised Code or amended plan under division (A) or (D) of section 3734.56 of the Revised Code that establishes or amends a schedule of fees levied by the district, or the ratification of an amendment to the district's approved plan or amended plan under division (E) of section 3734.56 of the Revised Code that establishes or amends a schedule of fees, as appropriate, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees or amended fees. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, that establishes or amends a schedule of fees levied under divisions (B)(1) to (3) of this section by a district resulting from the change, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the

amount of the fees or amended fees. Collection of any fees set forth in a plan or amended plan approved by the director on or after April 16, 1993, or an amendment of a plan or amended plan under division (E) of section 3734.56 of the Revised Code that is ratified on or after April 16, 1993, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

Not later than fourteen days after the director issues an order approving a district's plan under section 3734.55 of the Revised Code or amended plan under division (A) or (D) of section 3734.56 of the Revised Code that abolishes the schedule of fees levied under divisions (B)(1) to (3) of this section, or an amendment to the district's approved plan or amended plan abolishing the schedule of fees is ratified pursuant to division (E) of section 3734.56 of the Revised Code, as appropriate, the committee shall notify by certified mail the owner or operator of each facility that is collecting the fees of the approval of the plan or amended plan, or the amendment of the plan or amended plan, as appropriate, and the abolishment of the fees. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, that abolishes the schedule of fees levied under divisions (B)(1) to (3) of this section by a district resulting from the change, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the abolishment of the fees. Collection of the fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

Except as otherwise provided in this division, if the schedule of fees that a district is levying under divisions (B)(1) to (3) of this section pursuant to a resolution or amended resolution adopted and ratified under this division, the solid waste management plan of the district approved under section 3734.55 of the Revised Code, an amended plan approved under division (A) or (D) of section 3734.56 of the Revised Code, or an amendment to the district's approved plan or amended plan under division (E) of section 3734.56 of the Revised Code, is amended by the adoption and ratification of an amendment to the resolution or amended resolution or an amendment of the district's approved plan or amended plan, the fees in effect immediately prior to the approval of the plan or the amendment of the resolution, amended resolution, plan, or amended plan, as appropriate, shall continue to be collected until collection of the amended fees commences pursuant to this

division.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the abolishment of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of January immediately following the issuance of the notice. If such an initial or amended plan abolishes a schedule of fees, collection of the fees shall cease on that first day of January.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, less than forty-five days before the beginning of a calendar year, the director, on behalf of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change proceedings, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the mailing of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the abolishment of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of the second month following the month in which notification is sent to the owner or operator. If such an initial or amended plan abolishes a schedule of fees, collection of the fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

In the case of a change in district composition, the schedule of fees that the former districts that existed prior to the change were levying under

divisions (B)(1) to (3) of this section pursuant to a resolution or amended resolution adopted and ratified under this division, the solid waste management plan of a former district approved under section 3734.521 or 3734.55 of the Revised Code, an amended plan approved under section 3734.521 or division (A) or (D) of section 3734.56 of the Revised Code, or an amendment to a former district's approved plan or amended plan under division (E) of section 3734.56 of the Revised Code, and that were in effect on the date that the director completed the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code shall continue to be collected until the collection of the fees or amended fees of the districts resulting from the change is required to commence, or if an initial or amended plan of a resulting district abolishes a schedule of fees, collection of the fees is required to cease, under this division. Moneys so received from the collection of the fees of the former districts shall be divided among the resulting districts in accordance with division (B) of section 343.012 of the Revised Code and the agreements entered into under division (B) of section 343.01 of the Revised Code to establish the former and resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or abolished is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B)(1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public services, and compensating a municipal corporation or township for reductions in real property tax revenues due to reductions in real property valuations resulting from the location and operation of a solid waste disposal facility within the municipal corporation or township, a municipal corporation or township in which such a solid waste disposal facility is located may levy a fee of not more than twenty-five cents per ton on the disposal of solid wastes at a solid waste disposal facility located within the boundaries of the municipal corporation or township regardless of where the wastes were generated.

The legislative authority of a municipal corporation or township may levy fees under this division by enacting an ordinance or adopting a resolution establishing the amount of the fees. Upon so doing the legislative authority shall mail a certified copy of the ordinance or resolution to the

board of county commissioners or directors of the county or joint solid waste management district in which the municipal corporation or township is located or, if a regional solid waste management authority has been formed under section 343.011 of the Revised Code, to the board of trustees of that regional authority, the owner or operator of each solid waste disposal facility in the municipal corporation or township that is required to collect the fee by the ordinance or resolution, and the director of environmental protection. Although the fees levied under this division are levied on the basis of tons as the unit of measurement, the legislative authority, in its ordinance or resolution levying the fees under this division, may direct that the fees be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or adopting a resolution under this division, the legislative authority shall so notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fee. Collection of any fee levied on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of the wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated;

(b) Are disposed of at facilities that exclusively dispose of wastes that are generated from the combustion of coal, or from the combustion of primarily coal in combination with scrap tires, that is not combined in any way with garbage at one or more premises owned by the generator.

(2) Except as provided in section 3734.571 of the Revised Code, any fees levied under division (B)(1) of this section apply to solid wastes originating outside the boundaries of a county or joint district that are covered by an agreement for the joint use of solid waste facilities entered into under section 343.02 of the Revised Code by the board of county commissioners or board of directors of the county or joint district where the wastes are generated and disposed of.

(3) When solid wastes, other than solid wastes that consist of scrap tires, are burned in a disposal facility that is an incinerator or energy recovery facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash remaining after

burning of the solid wastes and shall be collected by the owner or operator of the sanitary landfill where the ash is disposed of.

(4) When solid wastes are delivered to a solid waste transfer facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of solid wastes transported off the premises of the transfer facility for disposal and shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of.

The findings resulting from the survey shall be incorporated in the resolution describing the boundaries of an area. The legislative authority may stipulate in the resolution that only new structures or remodeling classified as to use as commercial, industrial, or residential, or some combination thereof, and otherwise satisfying the requirements of section 3735.67 of the Revised Code are eligible for exemption from taxation under that section. If the resolution does not include such a stipulation, all new structures and remodeling satisfying the requirements of section 3735.67 of the Revised Code are eligible for exemption from taxation regardless of classification. Whether or not the resolution includes such a stipulation, the classification of the structures or remodeling eligible for exemption in the area shall at all times be consistent with zoning restrictions applicable to the area. For the

purposes of sections 3735.65 to 3735.70 of the Revised Code, whether a structure or remodeling composed of multiple units is classified as commercial or residential shall be determined by resolution or ordinance of the legislative authority or, in the absence of such a determination, by the classification of the use of the structure or remodeling under the applicable zoning regulations.

If construction or remodeling classified as residential is eligible for exemption from taxation, the resolution shall specify a percentage, not to exceed one hundred per cent, of the assessed valuation of such property to be exempted. The percentage specified shall apply to all residential construction or remodeling for which exemption is granted.

The director shall determine whether the findings contained in the resolution are valid, and whether the classification of structures or remodeling eligible for exemption under the resolution is consistent with zoning restrictions applicable to the area as indicated on the map. Within thirty days of receiving the petition, the director shall forward ~~his~~ the director's determination to the legislative authority. The legislative authority or housing officer shall not grant any exemption from taxation under section 3735.67 of the Revised Code until the director forwards ~~his~~ the director's determination to the legislative authority. The director shall assign to each community reinvestment area a unique designation by which the area shall be identified for purposes of sections 3735.65 to 3735.70 of the Revised Code.

(B) The housing officer shall verify the construction of the new structure or the cost of the remodeling and the facts asserted in the application. The housing officer shall determine whether the construction or the cost of the remodeling meets the requirements for an exemption under this section. In cases involving a structure of historical or architectural significance, the housing officer shall not determine whether the remodeling meets the requirements for a tax exemption unless the appropriateness of the remodeling has been certified, in writing, by the society, association, agency, or legislative authority that has designated the structure or by any organization or person authorized, in writing, by such society, association, agency, or legislative authority to certify the appropriateness of the remodeling.

(C) If the construction or remodeling meets the requirements for exemption, the housing officer shall forward the application to the county auditor with a certification as to the division of this section under which the exemption is granted, and the period and percentage of the exemption as determined by the legislative authority pursuant to that division. If the construction or remodeling is of commercial or industrial property and the legislative authority is not required to certify a copy of a resolution under section 3735.671 of the Revised Code, the housing officer shall comply with the notice requirements prescribed under section 5709.83 of the Revised Code, unless the board has adopted a resolution under that section waiving

its right to receive such a notice.

In the case of remodeling that qualifies for exemption, a percentage, not to exceed one hundred per cent, of the amount by which the remodeling increased the assessed value of the structure shall be exempted from real property taxation. In the case of construction of a structure that qualifies for exemption, a percentage, not to exceed one hundred per cent, of the assessed value of the structure shall be exempted from real property taxation. In either case, the percentage shall be the percentage set forth in the agreement if the structure or remodeling is to be used for commercial or industrial purposes, or the percentage set forth in the resolution describing the community reinvestment area if the structure or remodeling is to be used for residential purposes.

The construction of new structures and the remodeling of existing structures are hereby declared to be a public purpose for which exemptions from real property taxation may be granted for the following periods:

(1) For every dwelling containing not more than two family units located within the same community reinvestment area and upon which the cost of remodeling is at least two thousand five hundred dollars, a period to be determined by the legislative authority adopting the resolution describing the community reinvestment area where the dwelling is located, but not exceeding ten years;

(2) For every dwelling containing more than two units and commercial or industrial properties, located within the same community reinvestment area, upon which the cost of remodeling is at least five thousand dollars, a period to be determined by the legislative authority adopting the resolution, but not exceeding twelve years;

(3) For construction of every dwelling, and commercial or industrial structure located within the same community reinvestment area, a period to be determined by the legislative authority adopting the resolution, but not exceeding fifteen years.

(E) Any person, board, or officer authorized by section 5715.19 of the Revised Code to file complaints with the county board of revision may file a complaint with the housing officer challenging the continued exemption of any property granted an exemption under this section. A complaint against exemption shall be filed prior to the thirty-first day of December of the tax year for which taxation of the property is requested. The housing officer shall determine whether the property continues to meet the requirements for exemption and shall certify the housing officer's findings to the

complainant. If the housing officer determines that the property does not meet the requirements for exemption, the housing officer shall notify the county auditor, who shall correct the tax list and duplicate accordingly.

Agreements may include terms not prescribed by this section, but such terms shall in no way derogate from the information and statements prescribed by this section.

(1) Except as otherwise provided in division (A)(2) or (3) of this section, an agreement entered into under this section shall not be approved by the legislative authority unless the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves the agreement. For the purpose of obtaining such approval, the legislative authority shall certify a copy of the agreement to the board of education not later than forty-five days prior to approving the agreement, excluding Saturday, Sunday, and a legal holiday as defined in section 1.14 of the Revised Code. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the legislative authority not later than fourteen days prior to the date stipulated by the legislative authority as the date upon which approval of the agreement is to be formally considered by the legislative authority. The board of education may include in the resolution conditions under which the board would approve the agreement. The legislative authority may approve an agreement at any time after the board of education certifies its resolution approving the agreement to the legislative authority, or, if the board approves the agreement conditionally, at any time after the conditions are agreed to by the board and the legislative authority.

(2) Approval of an agreement by the board of education is not required under division (A)(1) of this section if, for each tax year the real property is exempted from taxation, the sum of the following quantities, as estimated at or prior to the time the agreement is formally approved by the legislative authority, equals or exceeds fifty per cent of the amount of taxes, as estimated at or prior to that time, that would have been charged and payable that year upon the real property had that property not been exempted from

taxation:

(b) The amount of taxes charged and payable on tangible personal property located on the premises of the new structure or of the structure to be remodeled under the agreement, whether payable by the owner of the structure or by a related member, as defined in section 5733.042 of the Revised Code without regard to division (B) of that section.

The estimates of quantities used for purposes of division (A)(2) of this section shall be estimated by the legislative authority. The legislative authority shall certify to the board of education that the estimates have been made in good faith. Departures of the actual quantities from the estimates subsequent to approval of the agreement by the board of education do not invalidate the agreement.

(3) If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board is not required under this division. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under this division fewer than forty-five business days prior to the legislative authority's execution of the agreement, the legislative authority shall deliver the notice to the board not later than the number of days prior to such execution as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(B) Each agreement shall include the following information:

(6) The number of employee positions, if any, at the property and at any other location in this state at the time the agreement is executed, itemized as to the number of full-time, part-time, permanent, and temporary positions.

(C) Each agreement shall set forth the following information and incorporate the following statements:

(insert name of owner) does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State of Ohio, and does not owe delinquent taxes for which (insert name of owner) is liable under Chapter 5733., 5735., 5739., 5741., 5743., 5747., or 5753. of the Ohio Revised Code, or, if such delinquent taxes are owed, ... (insert name of owner) currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State of Ohio or an agent or instrumentality thereof, has filed a petition in bankruptcy under 11 U.S.C.A. 101, et seq., or such a petition has been filed against (insert name of owner). For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Revised Code governing payment of those taxes."

(4) "..... (insert name of municipal corporation or county) shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve, and maintain exemptions from taxation granted under this agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions."

(5) "If for any reason (insert name of municipal corporation or county) revokes the designation of the area, entitlements granted under this agreement shall continue for the number of years specified under this agreement, unless (insert name of owner) materially fails to fulfill its obligations under this agreement and (insert name of municipal corporation or county) terminates or modifies the exemptions from taxation pursuant to this agreement."

(6) "If (insert name of owner) materially fails to fulfill its obligations under this agreement, or if (insert name of municipal corporation or county) determines that the certification as to delinquent taxes required by this agreement is fraudulent, ... (insert name of municipal corporation or county) may terminate or modify the exemptions from taxation granted under this agreement."

(7) "..... (insert name of owner) shall provide to the proper tax incentive review council any information reasonably required by the council to evaluate the applicant's compliance with the agreement, including returns filed pursuant to section 5711.02 of the Ohio Revised Code if requested by the council."

(8) "This agreement is not transferable or assignable without the express, written approval of (insert name of municipal corporation or

county)."

(9) "Exemptions from taxation granted under this agreement shall be revoked if it is determined that (insert name of owner), any successor to that person, or any related member (as those terms are defined in division (E) of section 3735.671 of the Ohio Revised Code) has violated the prohibition against entering into this agreement under division (E) of section 3735.671 or section 5709.62 or 5709.63 of the Ohio Revised Code prior to the time prescribed by that division or either of those sections."

(10) "..... (insert name of owner) and (insert name of municipal corporation or county) acknowledge that this agreement must be approved by formal action of the legislative authority of (insert name of municipal corporation or county) as a condition for the agreement to take effect. This agreement takes effect upon such approval."

The statement described in division (C)(6) of this section may include the following statement, appended at the end of the statement: ", and may require the repayment of the amount of taxes that would have been payable had the property not been exempted from taxation under this agreement."

(D) Except as otherwise provided in this division, an agreement entered into under this section shall require that the owner pay an annual fee equal to the greater of one per cent of the amount of taxes exempted under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority and shall be used by the legislative authority exclusively for the purpose of complying with section 3735.672 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority may waive or reduce the amount of the fee, but such waiver or reduction does not affect the obligations of the legislative authority or the tax incentive review council to comply with section 3735.672 or 5709.85 of the Revised Code.

(E) If any person that is party to an agreement granting an exemption from taxation discontinues operations at the structure to which that exemption applies prior to the expiration of the term of the agreement, that person, any successor to that person, and any related member shall not enter into an agreement under this section or section 5709.62, 5709.63, or 5709.632 of the Revised Code, and no legislative authority shall enter into

such an agreement with such a person, successor, or related member, prior to the expiration of five years after the discontinuation of operations. As used in this division, "successor" means a person to which the assets or equity of another person has been transferred, which transfer resulted in the full or partial nonrecognition of gain or loss, or resulted in a carryover basis, both as determined by rule adopted by the tax commissioner. "Related member" has the same meaning as defined in section 5733.042 of the Revised Code without regard to division (B) of that section.

The director of development shall review all agreements submitted to the director under division (F) of this section for the purpose of enforcing this division. If the director determines there has been a violation of this division, the director shall notify the legislative authority of such violation, and the legislative authority immediately shall revoke the exemption granted under the agreement.

(F) When an agreement is entered into under this section, the legislative authority authorizing the agreement shall forward a copy of the agreement to the director of development ~~and to the tax commissioner~~ within fifteen days after the agreement is entered into.

Sec. 3737.81. (A) There is hereby created the state fire commission consisting of ten members to be appointed by the governor with the advice and consent of the senate. The fire marshal or chief deputy fire marshal, a representative designated by the department of public safety who has tenure in fire suppression, and a representative designated by the board of building standards shall be ex officio members. Of the initial appointments made to the commission, two shall be for a term ending one year after November 1, 1978, two shall be for a term ending two years after that date, two shall be for a term ending three years after that date, two shall be for a term ending four years after that date, and two shall be for a term ending five years after that date. Thereafter, terms of office shall be for five years, each term ending on the same day of the same month of the year as did the term which it succeeds. Each member shall hold office from the date of appointment until the end of the term for which the member was appointed. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of that term. Any member shall continue in office subsequent to the expiration date of the member's term until a successor takes office, or until a period of sixty days has elapsed, whichever occurs first. Members shall be qualified by experience and training to deal with the matters that are the responsibility of the commission. Two members shall be members of paid fire services, one shall be a member of volunteer fire services, two shall

be mayors, managers, or members of legislative authorities of municipal corporations, one shall represent commerce and industry, one shall be a representative of a fire insurance company domiciled in this state, one shall represent the flammable liquids industry, one shall represent the construction industry, and one shall represent the public. At no time shall more than six members be members of or associated with the same political party. Membership on the commission shall not constitute holding a public office, and no person shall forfeit or otherwise vacate the person's office or position of employment because of membership on the commission.

(B) The ex officio members may not vote, except that the fire marshal or chief deputy fire marshal may vote in case of a tie.

(C) Each member of the commission, other than ex officio members, shall be paid an amount ~~equal to that payable under pay range 32 (S)(D)~~ fixed pursuant to division (J) of section 124.15 of the Revised Code, and the member's actual and necessary expenses.

(D) The commission shall select a chairperson and a vice-chairperson from among its members. No business may be transacted in the absence of a quorum. A quorum shall be at least six members, excluding ex officio members, and shall include either the chairperson or vice-chairperson. The commission shall hold regular meetings at least once every two months and may meet at any other time at the call of the chairperson.

(E) The fire marshal shall provide the commission with office space, meeting rooms, staff, and clerical assistance necessary for the commission to perform its duties. If the commission maintains the Ohio fire service hall of fame under division (C) of section 3737.03 of the Revised Code, the fire marshal shall preserve, in an appropriate manner, in the office space or meeting rooms provided to the commission under this division or in another location, copies of all official commendations awarded to individuals recognized and commemorated for their exemplary accomplishments and acts of heroism at fire-related incidents or similar events that occurred in this state.

(F) If the commission maintains the Ohio fire service hall of fame under division (C) of section 3737.03 of the Revised Code, the expenses incurred for the recognition and commemoration of individuals for their exemplary accomplishments and acts of heroism at fire-related incidents or similar events that occurred in this state, including, but not limited to, expenses for official commendations and an annual awards ceremony as described in division ~~(C)(B)~~ of section 3737.03 of the Revised Code, may be paid from moneys appropriated by the general assembly for purposes of that recognition and commemoration, from moneys that are available to the fire

marshal under this chapter, or from other funding sources available to the commission.

Sec. 3745.04. As used in this section, "any person" means any individual, any partnership, corporation, association, or other legal entity, or any political subdivision, instrumentality, or agency of a state, whether or not the individual or legal entity is an applicant for or holder of a license, permit, or variance from the environmental protection agency, and includes any department, agency, or instrumentality of the federal government that is an applicant for or holder of a license, permit, or variance from the environmental protection agency.

As used in this section, "action" or "act" includes the adoption, modification, or repeal of a rule or standard, the issuance, modification, or revocation of any lawful order other than an emergency order, and the issuance, denial, modification, or revocation of a license, permit, lease, variance, or certificate, or the approval or disapproval of plans and specifications pursuant to law or rules adopted thereunder.

Any person who was a party to a proceeding before the director of environmental protection may participate in an appeal to the environmental review appeals commission for an order vacating or modifying the action of the director or a local board of health, or ordering the director or board of health to perform an act. The environmental review appeals commission has exclusive original jurisdiction over any matter that may, under this section, be brought before it.

The person so appealing to the commission shall be known as appellant, and the director and any party to a proceeding substantially supporting the finding from which the appeal is taken shall be known as appellee, except that when an appeal involves a license to operate a disposal site or facility, the local board of health or the director of environmental protection, and any party to a proceeding substantially supporting the finding from which the appeal is taken, shall, as appropriate, be known as the appellee. Appellant and appellee shall be deemed to be parties to the appeal.

The appeal shall be in writing and shall set forth the action complained of and the grounds upon which the appeal is based.

The appeal shall be filed with the commission within thirty days after notice of the action. Notice of the filing of the appeal shall be filed with the appellee within three days after the appeal is filed with the commission.

The appeal shall be accompanied by a filing fee of ~~sixty~~ seventy dollars, which the commission, in its discretion, may ~~waive in cases of~~ reduce if by affidavit the appellant demonstrates that payment of the full amount of the fee would cause extreme hardship.

Within seven days after receipt of the notice of appeal, the director or local board of health shall prepare and certify to the commission a record of the proceedings out of which the appeal arises, including all documents and correspondence, and a transcript of all testimony.

Upon the filing of the appeal, the commission shall fix the time and place at which the hearing on the appeal will be held. The commission shall give the appellant and the appellee at least ten days' written notice thereof by certified mail. The commission shall hold the hearing within thirty days after the notice of appeal is filed. The commission may postpone or continue any hearing upon its own motion or upon application of the appellant or of the appellee.

The filing of an appeal does not automatically suspend or stay execution of the action appealed from. Upon application by the appellant, the commission may suspend or stay the execution pending immediate determination of the appeal without interruption by continuances, other than for unavoidable circumstances.

As used in this section and sections 3745.05 and 3745.06 of the Revised Code, "director of environmental protection" and "director" are deemed to include the director of agriculture and "environmental protection agency" is deemed to include the department of agriculture with respect to actions that are appealable to the commission under Chapter 903. of the Revised Code.

Sec. 3745.11. (A) Applicants for and holders of permits, licenses, variances, plan approvals, and certifications issued by the director of environmental protection pursuant to Chapters 3704., 3734., 6109., and 6111. of the Revised Code shall pay a fee to the environmental protection agency for each such issuance and each application for an issuance as provided by this section. No fee shall be charged for any issuance for which no application has been submitted to the director.

(C)(1) Except as otherwise provided in division (C)(2) of this section, beginning July 1, 1994, each person who owns or operates an air contaminant source and who is required to apply for and obtain a Title V permit under section 3704.036 of the Revised Code shall pay the fees set forth in division (C)(1) of this section. For the purposes of that division, total emissions of air contaminants may be calculated using engineering calculations, emissions factors, material balance calculations, or performance testing procedures, as authorized by the director.

The following fees shall be assessed on the total actual emissions from a source in tons per year of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead:

(a) Fifteen dollars per ton on the total actual emissions of each such regulated pollutant during the period July through December 1993, to be collected no sooner than July 1, 1994;

(b) Twenty dollars per ton on the total actual emissions of each such regulated pollutant during calendar year 1994, to be collected no sooner than April 15, 1995;

(c) Twenty-five dollars per ton on the total actual emissions of each such regulated pollutant in calendar year 1995, and each subsequent

calendar year, to be collected no sooner than the fifteenth day of April of the year next succeeding the calendar year in which the emissions occurred.

The fees levied under division (C)(1) of this section do not apply to that portion of the emissions of a regulated pollutant at a facility that exceed four thousand tons during a calendar year.

(2) The fees assessed under division (C)(1) of this section are for the purpose of providing funding for the Title V permit program.

(3) The fees assessed under division (C)(1) of this section do not apply to emissions from any electric generating unit designated as a Phase I unit under Title IV of the federal Clean Air Act prior to calendar year 2000. Those fees shall be assessed on the emissions from such a generating unit commencing in calendar year 2001 based upon the total actual emissions from the generating unit during calendar year 2000 and shall continue to be assessed each subsequent calendar year based on the total actual emissions from the generating unit during the preceding calendar year.

(4) The director shall issue invoices to owners or operators of air contaminant sources who are required to pay a fee assessed under division (C) or (D) of this section. Any such invoice shall be issued no sooner than the applicable date when the fee first may be collected in a year under the applicable division, shall identify the nature and amount of the fee assessed, and shall indicate that the fee is required to be paid within thirty days after the issuance of the invoice.

(D)(1) Except as provided in division (D)~~(2)~~(3) of this section, ~~beginning from~~ January 1, 1994, ~~through December 31, 2003~~, each person who owns or operates an air contaminant source; who is required to apply for a permit to operate pursuant to rules adopted under division (G), or a variance pursuant to division (H), of section 3704.03 of the Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.036 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:

Total tons per year of regulated pollutants emitted	Annual fee per facility
More than 0, but less than 50	\$ 75
50 or more, but less than 100	300
100 or more	700

(2) Except as provided in division (D)(3) of this section, beginning January 1, 2004, each person who owns or operates an air contaminant

source; who is required to apply for a permit to operate pursuant to rules adopted under division (G), or a variance pursuant to division (H), of section 3704.03 of the Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.03 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:

<u>Total tons per year of regulated pollutants emitted</u>	<u>Annual fee per facility</u>
<u>More than 0, but less than 10</u>	<u>\$ 100</u>
<u>10 or more, but less than 50</u>	<u>200</u>
<u>50 or more, but less than 100</u>	<u>300</u>
<u>100 or more</u>	<u>700</u>

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2004~~ 2006, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

<u>Combined total tons per year of all regulated pollutants emitted</u>	<u>Annual fee per facility</u>
<u>Less than 10</u>	<u>\$ 170</u>
<u>10 or more, but less than 20</u>	<u>340</u>
<u>20 or more, but less than 30</u>	<u>670</u>

<u>40 or more, but less than 50</u>	<u>1,340</u>
<u>50 or more, but less than 60</u>	<u>1,680</u>
<u>60 or more, but less than 70</u>	<u>2,010</u>
<u>70 or more, but less than 80</u>	<u>2,350</u>
<u>80 or more, but less than 90</u>	<u>2,680</u>
<u>90 or more, but less than 100</u>	<u>3,020</u>
<u>100 or more</u>	<u>3,350</u>

~~(3)~~(4) The fees assessed under division (D)(1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 1995. The fees assessed under division (D)(2) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 2005. The fees assessed under division (D)~~(2)~~(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (C)(1) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for the purposes of division (C)(1) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:

(a) The consumer price index for any year is the average of the consumer price index for all urban consumers published by the United States department of labor as of the close of the twelve-month period ending on the thirty-first day of August of that year.

(b) If the 1989 consumer price index is revised, the director shall use the revision of the consumer price index that is most consistent with that for calendar year 1989.

(F) Each person who is issued a permit to install pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code on or after ~~January 1, 1994~~ July 1, 2003, shall pay the fees specified in the following schedules:

In addition to the applicable permit fee under

this division, a person issued a permit to install or modify a solid waste facility or an infectious waste treatment facility under that chapter who fails to pay the permit fee to the director in compliance with division (V) of this section shall pay an additional ten per cent of the amount of the fee for each week that the permit fee is late.

(Y)(1) Except as provided in divisions (Y)(2), (3), and (4) of this section, each sewage sludge facility shall pay a nonrefundable annual sludge fee equal to three dollars and fifty cents per dry ton of sewage sludge, including the dry tons of sewage sludge in materials derived from sewage sludge, that the sewage sludge facility treats or disposes of in this state. The annual volume of sewage sludge treated or disposed of by a sewage sludge facility shall be calculated using the first day of January through the thirty-first day of December of the calendar year preceding the date on which payment of the fee is due.

(2)(a) Except as provided in division (Y)(2)(d) of this section, each sewage sludge facility shall pay a minimum annual sewage sludge fee of one hundred dollars.

(b) The annual sludge fee required to be paid by a sewage sludge facility that treats or disposes of exceptional quality sludge in this state shall be thirty-five per cent less per dry ton of exceptional quality sludge than the fee assessed under division (Y)(1) of this section, subject to the following exceptions:

(i) Except as provided in division (Y)(2)(d) of this section, a sewage sludge facility that treats or disposes of exceptional quality sludge shall pay a minimum annual sewage sludge fee of one hundred dollars.

(ii) A sewage sludge facility that treats or disposes of exceptional quality sludge shall not be required to pay the annual sludge fee for treatment or disposal in this state of exceptional quality sludge generated outside of this state and contained in bags or other containers not greater

than one hundred pounds in capacity.

A thirty-five per cent reduction for exceptional quality sludge applies to the maximum annual fees established under division (Y)(3) of this section.

(c) A sewage sludge facility that transfers sewage sludge to another sewage sludge facility in this state for further treatment prior to disposal in this state shall not be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred. In such a case, the sewage sludge facility that disposes of the sewage sludge shall pay the annual sludge fee. However, the facility transferring the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

In the case of a sewage sludge facility that treats sewage sludge in this state and transfers it out of this state to another entity for disposal, the sewage sludge facility in this state shall be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred.

(d) A sewage sludge facility that generates sewage sludge resulting from an average daily discharge flow of less than five thousand gallons per day is not subject to the fees assessed under division (Y) of this section.

(3) No sewage sludge facility required to pay the annual sludge fee shall be required to pay more than the maximum annual fee for each disposal method that the sewage sludge facility uses. The maximum annual fee does not include the additional amount that may be charged under division (Y)(5) of this section for late payment of the annual sludge fee. The maximum annual fee for the following methods of disposal of sewage sludge is as follows:

(a) Incineration: five thousand dollars;

(b) Preexisting land reclamation project or disposal in a landfill: five thousand dollars;

(c) Land application, land reclamation, surface disposal, or any other disposal method not specified in division (Y)(3)(a) or (b) of this section: twenty thousand dollars.

(4)(a) In the case of an entity that generates sewage sludge or a sewage sludge facility that treats sewage sludge and transfers the sewage sludge to an incineration facility for disposal, the incineration facility, and not the entity generating the sewage sludge or the sewage sludge facility treating the sewage sludge, shall pay the annual sludge fee for the tons of sewage sludge that are transferred. However, the entity or facility generating or treating the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

(b) In the case of an entity that generates sewage sludge and transfers

the sewage sludge to a landfill for disposal or to a sewage sludge facility for land reclamation or surface disposal, the entity generating the sewage sludge, and not the landfill or sewage sludge facility, shall pay the annual sludge fee for the tons of sewage sludge that are transferred.

(5) Not later than the first day of April of the calendar year following March 17, 2000, and each first day of April thereafter, the director shall issue invoices to persons who are required to pay the annual sludge fee. The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of July as the deadline for payment of the fee.

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall issue with the notification a new invoice to the person identifying the amount of the annual sludge fee assessed and stating the first day of July as the deadline for payment.

Not later than the first day of July, any person who is required to do so shall pay the annual sludge fee. Any person who is required to pay the fee, but who fails to do so on or before that date shall pay an additional amount that equals ten per cent of the required annual sludge fee.

(6) The director shall transmit all moneys collected under division (Y) of this section to the treasurer of state for deposit into the surface water protection fund created in section 6111.038 of the Revised Code. The moneys shall be used to defray the costs of administering and enforcing provisions in Chapter 6111. of the Revised Code and rules adopted under it that govern the use, storage, treatment, or disposal of sewage sludge.

(7) Beginning in fiscal year 2001, and every two years thereafter, the

director shall review the total amount of moneys generated by the annual sludge fees to determine if that amount exceeded six hundred thousand dollars in either of the two preceding fiscal years. If the total amount of moneys in the fund exceeded six hundred thousand dollars in either fiscal year, the director, after review of the fee structure and consultation with affected persons, shall issue an order reducing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will not exceed six hundred thousand dollars in any fiscal year.

If, upon review of the fees under division (Y)(7) of this section and after the fees have been reduced, the director determines that the total amount of moneys collected and accumulated is less than six hundred thousand dollars, the director, after review of the fee structure and consultation with affected persons, may issue an order increasing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will be approximately six hundred thousand dollars. Fees shall never be increased to an amount exceeding the amount specified in division (Y)(7) of this section.

Notwithstanding section 119.06 of the Revised Code, the director may issue an order under division (Y)(7) of this section without the necessity to hold an adjudicatory hearing in connection with the order. The issuance of an order under this division is not an act or action for purposes of section 3745.04 of the Revised Code.

(4) Require the periodic renewal of certifications issued pursuant to rules adopted under division (B) of this section;

(5) Establish an application fee and fee for issuance for certifications under this section. The fees shall be established at a level calculated to defray the costs to the environmental protection agency for administering the certification program established by rules adopted under division (B) of this section. All such application and certification fees received by the director shall be deposited into the state treasury to the credit of the permit review fund created in division (E) of this section.

(C) The director shall maintain a current list of all engineers who are certified to conduct compliance reviews pursuant to rules adopted under this section. The list shall indicate the types of permits, permit renewals, and plan approvals that each engineer is certified to review and the types or

categories of facilities, sources, or activities in connection with which the engineer is certified to conduct the reviews. Upon request, the director shall provide a copy of the list to anyone requesting it.

(D) An applicant for a permit, renewal of a permit, plan approval, or modification thereof, under Chapter 3704., 3734., 6109., or 6111. of the Revised Code and applicable rules adopted under them, other than a hazardous waste facility installation and operation permit or renewal or modification of such a permit, a permit to establish or modify an infectious waste treatment facility, a permit to install a solid waste incineration facility that also would treat infectious wastes, or a permit to modify a solid waste incineration facility to also treat infectious wastes under Chapter 3734. of the Revised Code, may submit a written request to the director to have the compliance review conducted by an engineer certified under this section. The request shall accompany the permit application, shall indicate the applicant's choice from among the certified engineers on the director's list who are qualified to conduct the compliance review, shall be accompanied by separate certifications by the applicant and the engineer indicating that the applicant does not have and has not had during the preceding two years a financial interest in the engineer and has not employed or retained the engineer to perform services for the applicant during the preceding two years, and may be accompanied by a draft proposal for conducting the compliance review that was developed by the applicant and the engineer. No such draft proposal is binding upon the director.

Within seven days after receiving a request under this division, the director shall do all of the following, as appropriate:

(1) In the director's discretion, approve or disapprove the applicant's request to have the compliance review of the application conducted by an engineer on the list of certified engineers prepared under this section;

(2) If the director approves the conducting of the compliance review by such a certified engineer, approve or disapprove, in the director's discretion, the applicant's choice of the engineer;

(3) Mail written notice of decisions made under divisions (D)(1) and (2) of this section to the applicant.

If the director fails to mail notice of the director's decisions on the request to the applicant within seven days after receiving the request, it is conclusively presumed that the director approved the applicant's request to have the compliance review conducted by a certified engineer and the applicant's choice of the engineer, and the director shall enter into a contract with the engineer chosen by the applicant. If the director disapproves the applicant's choice of an engineer and provides timely notice of the

disapproval to the applicant, the director and applicant, by mutual agreement, shall select another engineer from the list prepared under this section to conduct the compliance review, and the director shall enter into a contract with that engineer.

(E) The director may enter into contracts for conducting performance reviews under division (D) of this section without advertising for bids. The commencement of any work under such a contract shall be contingent upon the director's receipt of payment from the applicant of an amount that is equal to one hundred ten per cent of the amount specified in the contract, excluding contingencies for any additional work that may be needed to properly complete the review and that was not anticipated when the contract was made. Moneys received by the director from an applicant shall be deposited into the permit review fund, which is hereby created in the state treasury. The director shall use moneys in the fund to pay the cost of compliance reviews conducted pursuant to contracts entered into under division (D) of this section and to administer the certification program established under division (B) of this section. The director may use any moneys in the fund not needed for those purposes to administer the environmental laws or programs of this state.

If, while conducting a compliance review, the engineer finds that work in addition to that upon which the cost under the contract was based, or any additional work previously authorized under this division, is needed to properly review the application and accompanying information for compliance with the applicable performance standards, the engineer shall notify the director of that fact and of the cost of the additional work, as determined pursuant to the terms of the contract. If the director finds that the additional work is needed and that the costs of performing the work have been determined in accordance with the terms of the contract, the director shall authorize the contractor to perform the work. Upon completion of the additional work, the contractor shall submit to the director an invoice for the cost of performing the additional work, and the director shall forward a copy of the invoice to the applicant. The applicant is liable to the state for an amount equal to one hundred ten per cent of the cost of performing the additional work and, within thirty days after receiving a copy of the invoice, shall pay to the director an amount equal to one hundred ten per cent of the amount indicated on the invoice. Upon receiving this payment, the director shall forward the moneys to the treasurer of state, who shall deposit them into the state treasury to the credit of the permit review fund.

Until the applicant pays to the director the amount due in connection with the additional work, the director shall not issue to the applicant any

permit, renewal of a permit, or plan approval, or modification thereof, for which an application is pending before the director. The director also may certify the unpaid amount to the attorney general and request that the attorney general bring a civil action against the applicant to recover that amount. Any moneys so recovered shall be deposited into the state treasury to the credit of the permit review fund.

(F) Upon completing a compliance review conducted under this section, the engineer shall make a certification to the director as to whether the existing or proposed facility, source, activity, or modification will comply with the applicable performance standards. If the certification indicates that the existing or proposed facility, source, activity, or modification will not comply, the engineer shall include in the certification the engineer's findings as to the causes of the noncompliance.

(G) When a compliance review is conducted by an engineer certified under this section, the other activities in connection with the consideration, approval, and issuance of the permit, renewal of the permit, or plan approval, or modification thereof, shall be conducted by the director ~~or, when applicable, the hazardous waste facility board established in section 3734.05 of the Revised Code~~, in accordance with the applicable provisions of Chapter 3704., 3734., 6109., or 6111. of the Revised Code and rules adopted under the applicable chapter.

(H) All expenses incurred by the attorney general in bringing a civil action under this section shall be reimbursed from the permit review fund in accordance with Chapter 109. of the Revised Code.

Sec. 3745.40. (A) There is hereby created the clean Ohio operating fund consisting of moneys credited to the fund in accordance with this section. The fund shall be used to pay the costs incurred by the director of environmental protection pursuant to sections 122.65 to 122.658 of the Revised Code. Investment earnings of the fund shall be credited to the fund: ~~For two years after the effective date of this section, investment earnings credited to the fund~~ and may be used to pay administrative costs incurred by the director pursuant to those sections.

(B) Notwithstanding section 3746.16 of the Revised Code, upon the request of the director of environmental protection, the director of development shall certify to the director of budget and management the amount of excess investment earnings that are available to be transferred from the clean Ohio revitalization fund created in section 122.658 of the Revised Code to the clean Ohio operating fund. Upon certification, the director of budget and management may transfer from the clean Ohio revitalization fund to the clean Ohio operating fund an amount not

exceeding the amount of the annual appropriation to the clean Ohio operating fund.

Sec. 3746.13. (A) For property that does not involve the issuance of a consolidated standards permit under section 3746.15 of the Revised Code and where no engineering or institutional controls are used to comply with applicable standards, the director of environmental protection shall issue a covenant not to sue pursuant to section 3746.12 of the Revised Code by issuance of an order as a final action under Chapter 3745. of the Revised Code within thirty days after the director receives the no further action letter for the property and accompanying verification from the certified professional who prepared the letter under section 3746.11 of the Revised Code.

The owner or user of any such boiler shall obtain an appropriate certificate of operation for such boiler, and shall not operate such boiler, or permit it to be operated unless a certificate of operation has been obtained in accordance with section 4104.17 of the Revised Code.

(B) If, upon making the internal and external inspection required under sections 4104.11, 4104.12, and 4104.13 of the Revised Code, the inspector finds the boiler to be in safe working order, with the fittings necessary to safety, and properly set up, upon the inspector's report to the superintendent, the superintendent shall issue to the owner or user thereof, or renew, upon application and upon compliance with sections 4104.17 and 4104.18 of the Revised Code, a certificate of operation which shall state the maximum

pressure at which the boiler may be operated, as ascertained by the rules of the board of building standards. Such certificates shall also state the name of the owner or user, the location, size, and number of each boiler, and the date of issuance, and shall be so placed as to be easily read in the engine room or boiler room of the plant where the boiler is located, except that the certificate of operation for a portable boiler shall be kept on the premises and shall be accessible at all times.

(D) If the superintendent or a general boiler inspector finds that ~~an unfired~~ a pressure vessel or boiler or a part thereof poses an explosion hazard that reasonably can be regarded as posing an imminent danger of death or serious physical harm to persons, the superintendent or the general boiler inspector shall seal the ~~unfired~~ pressure vessel or boiler and order, in writing, the operator or owner of the ~~unfired~~ pressure vessel or boiler to immediately cease the ~~unfired~~ pressure vessel's or boiler's operation. The order shall be effective until the nonconformities are eliminated, corrected, or otherwise remedied, or for a period of seventy-two hours from the time of issuance, whichever occurs first. During the seventy-two-hour period, the superintendent may request that the prosecuting attorney or city attorney of Franklin county or of the county in which the ~~unfired~~ pressure vessel or boiler is located obtain an injunction restraining the operator or owner of the ~~unfired~~ pressure vessel or boiler from continuing its operation after the seventy-two-hour period expires until the nonconformities are eliminated, corrected, or otherwise remedied.

(E) Each boiler which has been inspected shall be assigned a number by the superintendent, which number shall be stamped on a nonferrous metal tag affixed to the boiler or its fittings by seal or otherwise. No person except an inspector shall deface or remove any such number or tag.

The superintendent shall investigate those

concerns. If the superintendent finds facts that substantiate the concerns of the individual certified by the board of building standards pursuant to division (E) of section 3781.10 of the Revised Code, the superintendent may require the welder or brazer in question to become recertified by a private vendor in the same manner by which five-year recertification is required under section 4104.46 of the Revised Code. The fact-finding panel shall make final recommendations as to all the unresolved issues.

(b) The board may continue mediation, order the parties to engage in collective bargaining until the expiration date of the agreement, or both.

(4) The following guidelines apply to fact-finding:

(a) The fact-finding panel may establish times and place of hearings which shall be, where feasible, in the jurisdiction of the state.

(b) The fact-finding panel shall conduct the hearing pursuant to rules established by the board.

(c) Upon request of the fact-finding panel, the board shall issue subpoenas for hearings conducted by the panel.

(d) The fact-finding panel may administer oaths.

(e) The board shall prescribe guidelines for the fact-finding panel to follow in making findings. In making its recommendations, the fact-finding panel shall take into consideration the factors listed in divisions (G)(7)(a) to (f) of this section.

(f) The fact-finding panel may attempt mediation at any time during the fact-finding process. From the time of appointment until the fact-finding panel makes a final recommendation, it shall not discuss the recommendations for settlement of the dispute with parties other than the direct parties to the dispute.

(5) The fact-finding panel, acting by a majority of its members, shall transmit its findings of fact and recommendations on the unresolved issues to the public employer and employee organization involved and to the board no later than fourteen days after the appointment of the fact-finding panel, unless the parties mutually agree to an extension. ~~The state parties shall pay one-half share the cost of the fact-finding panel. The parties each shall pay one-half of the remaining costs in a manner agreed to by the parties.~~

(6)(a) Not later than seven days after the findings and recommendations

are sent, the legislative body, by a three-fifths vote of its total membership, and in the case of the public employee organization, the membership, by a three-fifths vote of the total membership, may reject the recommendations; if neither rejects the recommendations, the recommendations shall be deemed agreed upon as the final resolution of the issues submitted and a collective bargaining agreement shall be executed between the parties, including the fact-finding panel's recommendations, except as otherwise modified by the parties by mutual agreement. If either the legislative body or the public employee organization rejects the recommendations, the board shall publicize the findings of fact and recommendations of the fact-finding panel. The board shall adopt rules governing the procedures and methods for public employees to vote on the recommendations of the fact-finding panel.

(b) As used in division (C)(6)(a) of this section, "legislative body" means the controlling board when the state or any of its agencies, authorities, commissions, boards, or other branch of public employment is party to the fact-finding process.

(D) If the parties are unable to reach agreement within seven days after the publication of findings and recommendations from the fact-finding panel or the collective bargaining agreement, if one exists, has expired, then the:

(1) Public employees, who are members of a police or fire department, members of the state highway patrol, deputy sheriffs, dispatchers employed by a police, fire or sheriff's department or the state highway patrol or civilian dispatchers employed by a public employer other than a police, fire, or sheriff's department to dispatch police, fire, sheriff's department, or emergency medical or rescue personnel and units, an exclusive nurse's unit, employees of the state school for the deaf or the state school for the blind, employees of any public employee retirement system, corrections officers, guards at penal or mental institutions, special police officers appointed in accordance with sections 5119.14 and 5123.13 of the Revised Code, psychiatric attendants employed at mental health forensic facilities, or youth leaders employed at juvenile correctional facilities, shall submit the matter to a final offer settlement procedure pursuant to a board order issued forthwith to the parties to settle by a conciliator selected by the parties. The parties shall request from the board a list of five qualified conciliators and the parties shall select a single conciliator from the list by alternate striking of names. If the parties cannot agree upon a conciliator within five days after the board order, the board shall on the sixth day after its order appoint a conciliator from a list of qualified persons maintained by the board or shall request a list of qualified conciliators from the American arbitration association and appoint therefrom.

(2) Public employees other than those listed in division (D)(1) of this section have the right to strike under Chapter 4117. of the Revised Code provided that the employee organization representing the employees has given a ten-day prior written notice of an intent to strike to the public employer and to the board, and further provided that the strike is for full, consecutive work days and the beginning date of the strike is at least ten work days after the ending date of the most recent prior strike involving the same bargaining unit; however, the board, at its discretion, may attempt mediation at any time.

(E) Nothing in this section shall be construed to prohibit the parties, at any time, from voluntarily agreeing to submit any or all of the issues in dispute to any other alternative dispute settlement procedure. An agreement or statutory requirement to arbitrate or to settle a dispute pursuant to a final offer settlement procedure and the award issued in accordance with the agreement or statutory requirement is enforceable in the same manner as specified in division (B) of section 4117.09 of the Revised Code.

(F) Nothing in this section shall be construed to prohibit a party from seeking enforcement of a collective bargaining agreement or a conciliator's award as specified in division (B) of section 4117.09 of the Revised Code.

(G) The following guidelines apply to final offer settlement proceedings under division (D)(1) of this section:

(1) The parties shall submit to final offer settlement those issues that are subject to collective bargaining as provided by section 4117.08 of the Revised Code and upon which the parties have not reached agreement and other matters mutually agreed to by the public employer and the exclusive representative; except that the conciliator may attempt mediation at any time.

(2) The conciliator shall hold a hearing within thirty days of the board's order to submit to a final offer settlement procedure, or as soon thereafter as is practicable.

(3) The conciliator shall conduct the hearing pursuant to rules developed by the board. The conciliator shall establish the hearing time and place, but it shall be, where feasible, within the jurisdiction of the state. Not later than five calendar days before the hearing, each of the parties shall submit to the conciliator, to the opposing party, and to the board, a written report summarizing the unresolved issues, the party's final offer as to the issues, and the rationale for that position.

(4) Upon the request by the conciliator, the board shall issue subpoenas for the hearing.

(5) The conciliator may administer oaths.

(6) The conciliator shall hear testimony from the parties and provide for a written record to be made of all statements at the hearing. The board shall submit for inclusion in the record and for consideration by the conciliator the written report and recommendation of the fact-finders.

(7) After hearing, the conciliator shall resolve the dispute between the parties by selecting, on an issue-by-issue basis, from between each of the party's final settlement offers, taking into consideration the following:

(a) Past collectively bargained agreements, if any, between the parties;

(b) Comparison of the issues submitted to final offer settlement relative to the employees in the bargaining unit involved with those issues related to other public and private employees doing comparable work, giving consideration to factors peculiar to the area and classification involved;

(c) The interests and welfare of the public, the ability of the public employer to finance and administer the issues proposed, and the effect of the adjustments on the normal standard of public service;

(d) The lawful authority of the public employer;

(e) The stipulations of the parties;

(f) Such other factors, not confined to those listed in this section, which are normally or traditionally taken into consideration in the determination of the issues submitted to final offer settlement through voluntary collective bargaining, mediation, fact-finding, or other impasse resolution procedures in the public service or in private employment.

(8) Final offer settlement awards made under Chapter 4117. of the Revised Code are subject to Chapter 2711. of the Revised Code.

(9) If more than one conciliator is used, the determination must be by majority vote.

(10) The conciliator shall make written findings of fact and promulgate a written opinion and order upon the issues presented to the conciliator, and upon the record made before the conciliator and shall mail or otherwise deliver a true copy thereof to the parties and the board.

(11) Increases in rates of compensation and other matters with cost implications awarded by the conciliator may be effective only at the start of the fiscal year next commencing after the date of the final offer settlement award; provided that if a new fiscal year has commenced since the issuance of the board order to submit to a final offer settlement procedure, the awarded increases may be retroactive to the commencement of the new fiscal year. The parties may, at any time, amend or modify a conciliator's award or order by mutual agreement.

(12) The parties shall bear equally the cost of the final offer settlement procedure.

(13) Conciliators appointed pursuant to this section shall be residents of the state.

(H) All final offer settlement awards and orders of the conciliator made pursuant to Chapter 4117. of the Revised Code are subject to review by the court of common pleas having jurisdiction over the public employer as provided in Chapter 2711. of the Revised Code. If the public employer is located in more than one court of common pleas district, the court of common pleas in which the principal office of the chief executive is located has jurisdiction.

(I) The issuance of a final offer settlement award constitutes a binding mandate to the public employer and the exclusive representative to take whatever actions are necessary to implement the award.

Sec. 4123.27. Information contained in the annual statement provided for in section 4123.26 of the Revised Code, and such other information as may be furnished to the bureau of workers' compensation by employers in pursuance of that section, is for the exclusive use and information of the bureau in the discharge of its official duties, and shall not be open to the public nor be used in any court in any action or proceeding pending therein unless the bureau is a party to the action or proceeding; but the information contained in the statement may be tabulated and published by the bureau in statistical form for the use and information of other state departments and the public. No person in the employ of the bureau, except those who are authorized by the administrator of workers' compensation, shall divulge any information secured by the person while in the employ of the bureau in respect to the transactions, property, claim files, records, or papers of the bureau or in respect to the business or mechanical, chemical, or other industrial process of any company, firm, corporation, person, association, partnership, or public utility to any person other than the administrator or to the superior of such employee of the bureau.

Notwithstanding the restrictions imposed by this section, the governor, select or standing committees of the general assembly, the auditor of state, the attorney general, or their designees, pursuant to the authority granted in this chapter and Chapter 4121. of the Revised Code, may examine any records, claim files, or papers in possession of the industrial commission or the bureau. They also are bound by the privilege that attaches to these papers.

The administrator shall report to the director of job and family services or to the county director of job and family services the name, address, and social security number or other identification number of any person receiving workers' compensation whose name or social security number or

other identification number is the same as that of a person required by a court or child support enforcement agency to provide support payments to a recipient or participant of public assistance, and whose name is submitted to the administrator by the director under section 5101.36 of the Revised Code. The administrator also shall inform the director of the amount of workers' compensation paid to the person during such period as the director specifies.

Within fourteen days after receiving from the director of job and family services a list of the names and social security numbers of recipients or participants of public assistance pursuant to section 5101.181 of the Revised Code, the administrator shall inform the auditor of state of the name, current or most recent address, and social security number of each person receiving workers' compensation pursuant to this chapter whose name and social security number are the same as that of a person whose name or social security number was submitted by the director. The administrator also shall inform the auditor of state of the amount of workers' compensation paid to the person during such period as the director specifies.

The bureau and its employees, except for purposes of furnishing the auditor of state with information required by this section, shall preserve the confidentiality of recipients or participants of public assistance in compliance with division (A) of section 5101.181 of the Revised Code.

For the purposes of this section, "public assistance" means medical assistance provided through the medical assistance program established under section 5111.01 of the Revised Code, Ohio works first provided under Chapter 5107. of the Revised Code, prevention, retention, and contingency benefits and services provided under Chapter 5108. of the Revised Code, ~~or~~ disability financial assistance provided under Chapter 5115. of the Revised Code, or disability medical assistance provided under Chapter 5115. of the Revised Code.

Sec. 4123.41. (A) By the first day of January of each year, the bureau of workers' compensation shall furnish to the county auditor of each county and the chief fiscal officer of each taxing district in a county and of each district activity and institution mentioned in section 4123.39 of the Revised Code forms containing the premium rates applicable to the county, district, district activity, or institution as an employer, on which to report the amount of money expended by the county, district, district activity, or institution during the previous twelve calendar months for the services of employees under this chapter.

(B) Each county auditor and each fiscal officer of a district, district activity, and institution shall calculate on the form it receives from the bureau under division (A) of this section the premium due as its proper

contribution to the public insurance fund and issue ~~his~~ a warrant in favor of the bureau for the amount due from the county, district, district activity, or institution to the public insurance fund according to the following schedule:

(1) On or before the fifteenth day of May of each year, no less than forty-five per cent of the amount due;

(2) On or before the first day of September of each year, no less than the total amount due.

The legislative body of any county, district, district activity, or institution may reimburse the fund from which the contribution is made by transferring to the fund from any other fund of the county, district, district activity, or institution, the proportionate amount of the contribution that should be chargeable to the fund, whether the fund is derived from taxation or otherwise. The proportionate amount of the contribution chargeable to the fund may be based on payroll, relative exposure, relative loss experience, or any combination of these factors, as determined by the legislative body. Within sixty days before a legislative body changes the method used for calculating the proportionate amount of the contribution chargeable to the fund, it shall notify, consult with, and give information supporting the change to any elected official affected by the change. A transfer made pursuant to division (B)(2) of this section is not subject to section 5705.16 of the Revised Code.

(C) The bureau may investigate the correctness of the information provided by the county auditor and chief fiscal officer under division (B) of this section, and if the bureau determines at any time that the county, district, district activity, or institution has not reported the correct information, the administrator of workers' compensation may make deductions or additions as the facts warrant and take those facts into consideration in determining the current or future contributions to be made by the county, district, district activity, or institution. If the county, district, district activity, or institution does not furnish the report in the time required by this section, the administrator may fix the amount of contribution the county, district, district activity, or institution must make and certify that amount for payment.

(D) The administrator shall provide a discount to any county, district, district activity, or institution that pays its total amount due to the public insurance fund on or before the fifteenth day of May of each year as its proper contribution for premiums. The administrator shall base the discount provided under this division on the savings generated by the early payment to the public insurance fund. The administrator may provide the discount through a refund to the county, district, district activity, or institution or an

offset against the future contributions due to the public insurance fund from the county, district, district activity, or institution.

(E) The administrator may impose an interest penalty for late payment of any amount due from a county, district, district activity, and institution at the interest rate established by the state tax commissioner pursuant to section 5703.47 of the Revised Code.

Sec. 4141.04. The director of job and family services shall maintain or ensure the existence of public employment offices that are free to the general public. These offices shall exist in such number and in such places as are necessary for the proper administration of this chapter, to perform such duties as are within the purview of the act of congress entitled "an act to provide for the establishment of a national employment system and for cooperation with the states in the promotion of such system, and for other purposes," approved June 6, 1933, as amended, which is known as the "Wagner-Peyser Act." The director shall cooperate with any official or agency of the United States having powers or duties under that act of congress and shall do and perform all things necessary to secure to this state the benefits of that act of congress in the promotion and maintenance of a system of public employment offices. That act of congress is hereby accepted by this state, in conformity with that act of congress and Title III of the "Social Security Act," and the "Federal Unemployment Tax Act," 26 U.S.C.A. 3301, as amended, and this state will observe and comply with the requirements thereof. The department of job and family services is hereby designated and constituted the agency of this state for the purposes of that act of congress.

The director may cooperate with or enter into agreements with the railroad retirement board with respect to the establishment, maintenance, and use of employment service facilities that are free to the general public.

All moneys received by this state under the act of congress known as the Wagner-Peyser Act shall be ~~paid~~ deposited into the state treasury to the credit of the special employment service account in the ~~unemployment compensation administration~~ federal operating fund, which is hereby created. Those moneys are hereby made available to the director to be expended as provided by this section and by that act of congress. For the purpose of establishing and maintaining public employment offices that are free to the general public, the director may enter into agreements with the railroad retirement board or any other agency of the United States charged with the administration of an unemployment compensation law, with any political subdivision of this state, or with any private, nonprofit organization and as a part of any such agreement the director may accept moneys,

services, or quarters as a contribution to the employment service account.

The director shall maintain labor market information and employment statistics as necessary for the administration of this chapter.

The director shall appoint an employee of the department to serve as an ex officio member of the governor's council to maintain a liaison between the department and the governor's council on people with disabilities.

Sec. 4141.09. (A) There is hereby created an unemployment compensation fund to be administered by the state without liability on the part of the state beyond the amounts paid into the fund and earned by the fund. The unemployment compensation fund shall consist of all contributions, payments in lieu of contributions described in sections 4141.241 and 4141.242 of the Revised Code, reimbursements of the federal share of extended benefits described in section 4141.301 of the Revised Code, collected under sections 4141.01 to 4141.46 of the Revised Code, together with all interest earned upon any moneys deposited with the secretary of the treasury of the United States to the credit of the account of this state in the unemployment trust fund established and maintained pursuant to section 904 of the "Social Security Act," any property or securities acquired through the use of moneys belonging to the fund, and all earnings of such property or securities. The unemployment compensation fund shall be used to pay benefits and refunds as provided by such sections and for no other purpose.

(B) The treasurer of state shall be the custodian of the unemployment compensation fund and shall administer such fund in accordance with the directions of the director of job and family services. All disbursements therefrom shall be paid by the treasurer of state on warrants drawn by the director. Such warrants may bear the facsimile signature of the director printed thereon and that of a deputy or other employee of the director charged with the duty of keeping the account of the unemployment compensation fund and with the preparation of warrants for the payment of benefits to the persons entitled thereto. Moneys in the clearing and benefit accounts shall not be commingled with other state funds, except as provided in division (C) of this section, but shall be maintained in separate accounts on the books of the depository bank. Such money shall be secured by the depository bank to the same extent and in the same manner as required by sections 135.01 to 135.21 of the Revised Code; and collateral pledged for this purpose shall be kept separate and distinct from any collateral pledged to secure other funds of this state. All sums recovered for losses sustained by the unemployment compensation fund shall be deposited therein. The treasurer of state shall be liable on the treasurer's official bond for the

faithful performance of the treasurer's duties in connection with the unemployment compensation fund, such liability to exist in addition to any liability upon any separate bond.

(C) The treasurer of state shall maintain within the unemployment compensation fund three separate accounts which shall be a clearing account, an unemployment trust fund account, and a benefit account. All moneys payable to the unemployment compensation fund, upon receipt thereof by the director, shall be forwarded to the treasurer of state, who shall immediately deposit them in the clearing account. Refunds of contributions, or payments in lieu of contributions, payable pursuant to division (E) of this section may be paid from the clearing account upon warrants signed by a deputy or other employee of the director charged with the duty of keeping the record of the clearing account and with the preparation of warrants for the payment of refunds to persons entitled thereto. After clearance thereof, all moneys in the clearing account shall be deposited with the secretary of the treasury of the United States to the credit of the account of this state in the unemployment trust fund established and maintained pursuant to section 904 of the "Social Security Act," in accordance with requirements of the "Federal Unemployment Tax Act," 53 Stat. 183 (1939), 26 U.S.C.A. 3301, 3304(a)(3), any law in this state relating to the deposit, administration, release, or disbursement of moneys in the possession or custody of this state to the contrary notwithstanding. The benefit account shall consist of all moneys requisitioned from this state's account in the unemployment trust fund. Federal funds, other than funds received by the director under divisions (I) and (J) of this section, received for payment of federal benefits may be deposited into the benefit account solely for payment of benefits under a federal program administered by this state. Moneys so requisitioned shall be used solely for the payment of benefits and for no other purpose. Moneys in the clearing and benefit accounts may be deposited by the treasurer of state, under the direction of the director, in any bank or public depository in which general funds of the state may be deposited, but no public deposit insurance charge or premium shall be paid out of the fund.

(D) Moneys shall be requisitioned from this state's account in the unemployment trust fund solely for the payment of benefits and in accordance with regulations prescribed by the director. The director shall requisition from the unemployment trust fund such amounts, not exceeding the amount standing to this state's account therein, as are deemed necessary for the payment of benefits for a reasonable future period. Upon receipt thereof, the treasurer of state shall deposit such moneys in the benefit account. Expenditures of such money in the benefit account and refunds

from the clearing account shall not require specific appropriations or other formal release by state officers of money in their custody. Any balance of moneys requisitioned from the unemployment trust fund which remains unclaimed or unpaid in the benefit account after the expiration of the period for which such sums were requisitioned shall either be deducted from estimates for and may be utilized for the payment of benefits during succeeding periods, or, in the discretion of the director, shall be redeposited with the secretary of the treasury of the United States to the credit of this state's account in the unemployment trust fund, as provided in division (C) of this section. Unclaimed or unpaid federal funds redeposited with the secretary of the treasury of the United States shall be credited to the appropriate federal account.

(E) No claim for an adjustment or a refund on contribution, payment in lieu of contributions, interest, or forfeiture alleged to have been erroneously or illegally assessed or collected, or alleged to have been collected without authority, and no claim for an adjustment or a refund of any sum alleged to have been excessive or in any manner wrongfully collected shall be allowed unless an application, in writing, therefor is made within four years from the date on which such payment was made. If the director ~~determines~~ determines that such contribution, payment in lieu of contributions, ~~interest~~ interest, or forfeiture, or any portion ~~thereof~~ thereof, was erroneously collected, the director shall allow such employer to make an adjustment thereof without interest in connection with subsequent contribution payments, or payments in lieu of contributions, by the employer, or the director may refund said amount, without interest, from the clearing account of the unemployment compensation fund, except as provided in division (B) of section 4141.11 of the Revised Code. For like cause and within the same period, adjustment or refund may be so made on the director's own initiative. An overpayment of contribution, payment in lieu of contributions, interest, or forfeiture for which an employer has not made application for refund prior to the date of sale of the employer's business shall accrue to the employer's successor in interest.

An application for an adjustment or a refund, or any portion thereof, that is rejected is binding upon the employer unless, within thirty days after the mailing of a written notice of rejection to the employer's last known address, or, in the absence of mailing of such notice, within thirty days after the delivery of such notice, the employer files an application for a review and redetermination setting forth the reasons therefor. The director shall promptly examine the application for review and redetermination, and if a review is granted, the employer shall be promptly notified thereof, and shall

be granted an opportunity for a prompt hearing.

(F) If the director finds that contributions have been paid to the director in error, and that such contributions should have been paid to a department of another state or of the United States charged with the administration of an unemployment compensation law, the director may upon request by such department or upon the director's own initiative transfer to such department the amount of such contributions, less any benefits paid to claimants whose wages were the basis for such contributions. The director may request and receive from such department any contributions or adjusted contributions paid in error to such department which should have been paid to the director.

(G) In accordance with section 303(c)(3) of the Social Security Act, and section 3304(a)(17) of the Internal Revenue Code of 1954 for continuing certification of Ohio unemployment compensation laws for administrative grants and for tax credits, any interest required to be paid on advances under Title XII of the Social Security Act shall be paid in a timely manner and shall not be paid, directly or indirectly, by an equivalent reduction in the Ohio unemployment taxes or otherwise, by the state from amounts in the unemployment compensation fund.

(H) The treasurer of state, under the direction of the director and in accordance with the "Cash Management Improvement Act of 1990," 104 Stat. 1061, 31 U.S.C.A. 335, 6503, shall deposit amounts of interest earned by the state on funds in the benefit account established pursuant to division (C) of this section into the department of job and family services banking fees fund, which is hereby created in the state treasury for the purpose of paying related banking costs incurred by the state for the period for which the interest is calculated, except that if the deposited interest exceeds the banking costs incurred by the state for the period for which the interest is calculated, the treasurer of state shall deposit the excess interest into the unemployment trust fund.

(I) The treasurer of state, under the direction of the director, shall deposit federal funds received by the director for the payment of benefits, job search, relocation, transportation, and subsistence allowances pursuant to the "Trade Act of 1974," 88 Stat. 1978, 19 U.S.C.A. 2101, as amended; the "North American Free Trade Implementation Act of 1993," 107 Stat. 2057, 19 U.S.C.A. 3301, as amended; and the "Trade Act of 2002," 116 Stat. 993, 19 U.S.C.A. 3801, as amended, into the Trade Act benefit account, which is hereby created for the purpose of paying for benefits, training, and support services making payments specified under ~~that act~~ those acts.

(J) The treasurer of state, under the direction of the director, shall deposit federal funds received by the director for training and administration pursuant to the "Trade Act of 1974," 88 Stat. 1978, 19 U.S.C.A. 2101, as amended; the "North American Free Trade Agreement Implementation Act," 107 Stat. 2057 (1993), 19 U.S.C.A. 3301, as amended; and the "Trade Act of 2002," 116 Stat. 993, 19 U.S.C.A. 3801, as amended, into the ~~North American Free Trade Act~~ training and administration account, which is hereby created for the purpose of ~~paying for benefits, training, and support services~~ making payments specified under that act ~~those acts~~.

Sec. 4141.23. (A) Contributions shall accrue and become payable by each employer for each calendar year or other period as prescribed by this chapter. Such contributions become due and shall be paid by each employer to the director of job and family services for the unemployment compensation fund in accordance with such regulations as the director prescribes, and shall not be deducted, in whole or in part, from the remuneration of individuals in the employer's employ.

In the payment of any contributions, a fractional part of a dollar may be disregarded unless it amounts to fifty cents or more, in which case it may be increased to the next higher dollar.

(B)(1) Any contribution or payment in lieu of contribution, due from an employer on or before December 31, 1992, shall, if not paid when due, bear interest at the rate of ten per cent per annum. In such computation any fraction of a month shall be considered as a full month.

(2) Any contribution, payment in lieu of contribution, interest, forfeiture, or fine due from an employer on or after January 1, 1993, shall, if not paid when due, bear interest at the annual rate of fourteen per cent compounded monthly on the aggregate receivable balance due. In such computation any fraction of a month shall be considered as a full month.

(C) The director may waive the interest assessed under division (B)(2) of this section if the employer meets all of the following conditions within thirty days after the date the director mails or delivers the notice of assessment of interest:

(1) Provides to the director a written request for a waiver of interest clearly demonstrating that the employer's failure to timely pay contributions, payments in lieu of contributions, interest, forfeiture, and fines was a result of circumstances beyond the control of the employer or the employer's agent, except that negligence on the part of the employer or the employer's agent shall not be considered beyond the control of the employer or the employer's agent;

(2) Furnishes to the director all quarterly reports required under section

4141.20 of the Revised Code;

(3) Pays in full all contributions, payments in lieu of contributions, interest, forfeiture, and fines for each quarter for which such payments are due.

The director shall deny an employer's request for a waiver of interest after finding that the employer's failure to timely furnish reports or make payments as required under this chapter was due to an attempt to evade payment.

(D) Any contribution, interest, forfeiture, or fine required to be paid under this chapter by any employer shall, if not paid when due, become a lien upon the real and personal property of such employer. Upon failure of such employer to pay the contributions, interest, forfeiture, or fine required to be paid under this chapter, the director shall file notice of such lien, for which there shall be no charge, in the office of the county recorder of the county in which it is ascertained that such employer owns real estate or personal property. The director shall notify the employer by mail of the lien. The absence of proof that the notice was sent does not affect the validity of the lien. Such lien shall not be valid as against the claim of any mortgagee, pledgee, purchaser, judgment creditor, or other lienholder of record at the time such notice is filed.

If the employer acquires real or personal property after notice of lien is filed, such lien shall not be valid as against the claim of any mortgagee, pledgee, subsequent bona fide purchaser for value, judgment creditor, or other lienholder of record to such after-acquired property, unless the notice of lien is refiled after such property was acquired by the employer and before the competing lien attached to such after-acquired property or before the conveyance to such subsequent bona fide purchaser for value.

Such notice shall be recorded in a book kept by the recorder called the "unemployment compensation lien record" and indexed therein in an alphabetical index under the name of such employer. When such unpaid contributions, interest, forfeiture, or fines have been paid, the employer may record with the recorder of the county in which such notice of lien has been filed and recorded, notice of such payment. For recording ~~such~~ the notice of payment the recorder shall charge and receive from the employer a base fee of two dollars for services and a housing trust fund fee of two dollars pursuant to section 317.36 of the Revised Code.

(E) Notwithstanding other provisions in this section, the director may reduce, in whole or in part, the amount of interest, forfeiture, or fines required to be paid under this chapter if the director determines that the reduction is in the best interest of the unemployment compensation fund.

(F) Assessment of contributions shall not be made after four years from the date on which such contributions became payable, and no action in court for the collection of contributions without assessment of such contributions shall be begun after the expiration of five years from the date such contributions became payable. In case of a false or fraudulent report or of a willful attempt in any manner to evade contributions, such contributions may be assessed or a proceeding in court for the collection of such contributions may be begun without assessment at any time. When the assessment of contributions has been made within such four-year period provided, action in court to collect such contributions may be begun within, but not later than, six years after such assessment.

(G) In the event of a distribution of an employer's assets, pursuant to an order of any court under the law of this state, including any receivership, assignment for benefit of creditors, adjudicated insolvency, or similar proceedings, contributions, interest, forfeiture, or fine then or thereafter due have the same priority as provided by law for the payment of taxes due the state and shall be paid out of the trust fund in the same manner as provided for other claims for unpaid taxes due the state.

A D-6 permit issued under this division is subject to the results of an election, held after the D-6 permit is issued, on question (B)(4) as set forth in section 4301.351 of the Revised Code. Following the end of the period during which an election may be held on question (B)(4) as set forth in that section, sales of intoxicating liquor may continue at an outdoor performing arts center under a D-6 permit issued under this division, unless an election on that question is held during the permitted period and a majority of the voters voting in the precinct on that question vote "no."

As used in this division, "outdoor performing arts center" means an outdoor performing arts center that is located on not less than eight hundred acres of land and that is open for performances from the first day of April to the last day of October of each year.

(G) Permit D-6 shall be issued to the holder of any permit that authorizes the sale of beer or intoxicating liquor and that is issued to a golf course owned by the state, a conservancy district, a park district created under Chapter 1545. of the Revised Code, or another political subdivision to allow sale under that permit between the hours of ten a.m. and midnight on Sunday, whether or not that sale has been authorized under section 4301.361, 4301.364, 4301.365, or 4301.366 of the Revised Code.

(H) Permit D-6 shall be issued to the holder of a D-5g permit to allow sale under that permit between the hours of ten a.m. and midnight on Sunday, whether or not that sale has been authorized under section 4301.361, 4301.364, 4301.365, or 4301.366 of the Revised Code.

(I) If the restriction to licensed premises where the sale of food and other goods and services exceeds fifty per cent of the total gross receipts of the permit holder at the premises is applicable, the division of liquor control may accept an affidavit from the permit holder to show the proportion of the permit holder's gross receipts derived from the sale of food and other goods and services. If the liquor control commission determines that affidavit to have been false, it shall revoke the permits of the permit holder at the premises concerned.

~~(H)~~(J) The fee for the D-6 permit is ~~two~~ five hundred ~~forty~~ dollars when it is issued to the holder of an A-1-A, A-2, D-2, D-3, D-3a, D-4, D-4a, D-5, D-5a, D-5b, D-5c, D-5d, D-5e, D-5f, D-5g, D-5h, D-5i, D-5j, D-5k, or D-7 permit. Not less than fifty per cent of the business on the permit premises shall be preparing and serving meals for a consideration in order to qualify for and continue to hold such D-7 permit. The permit premises shall be located in a resort area.

"Resort area" means a municipal corporation, township, county, or any combination thereof, which provides entertainment, recreation, and transient housing facilities specifically intended to provide leisure time activities for persons other than those whose permanent residence is within the "resort

area" and who increase the population of the "resort area" on a seasonal basis, and which experiences seasonal peaks of employment and governmental services as a direct result of population increase generated by the transient, recreating public. A resort season shall begin on the first day of May and end on the last day of October. Notwithstanding section 4303.27 of the Revised Code, such permits may be issued for resort seasons without regard to the calendar year or permit year. Quota restrictions on the number of such permits shall take into consideration the transient population during the resort season, the custom and habits of visitors and tourists, and the promotion of the resort and tourist industry. The fee for this permit is ~~three~~ four hundred ~~seventy-five~~ sixty-nine dollars per month.

Any suspension of a D-7 permit shall be satisfied during the resort season in which such suspension becomes final. If such suspension becomes final during the off-season, or if the period of the suspension extends beyond the last day of October, the suspension or remainder thereof shall be satisfied during the next resort season.

The ownership of a D-7 permit may be transferred from one permit holder to another. The holder of a D-7 permit may file an application to transfer such permit to a new location within the same resort area, provided that such permit holder shall be the owner or operator of a retail food establishment or a food service operation, required to be licensed under Chapter 3717. of the Revised Code, that operates as a restaurant for purposes of this chapter, at such new location.

(2) Wine constitutes at least sixty per cent of the value of the store's inventory.

(B) A D-8 permit may be issued to the holder of a C-1, C-2, or C-2x permit only if the premises of the permit holder are located in a precinct, or at a particular location in a precinct, in which the sale of beer, wine, or mixed beverages is permitted for consumption off the premises where sold. Sales under a D-8 permit are not affected by whether sales for consumption on the premises where sold are permitted in the precinct or at the particular location where the D-8 premises are located.

(C) The holder of a D-8 permit may sell tasting samples of beer, wine, and mixed beverages, but not spirituous liquor, at retail, for consumption on

the premises where sold in an amount not to exceed two ounces or another amount designated by rule of the liquor control commission. A tasting sample shall not be sold for general consumption. No D-8 permit holder shall allow any authorized purchaser to consume more than four tasting samples of beer, wine, or mixed beverages, or any combination of beer, wine, or mixed beverages, per day.

(F) The fee for the D-8 permit is ~~two~~ five hundred ~~fifty~~ dollars.

(G) The holder of a D-8 permit shall cause an independent audit to be performed at the end of the first full year of operation following issuance of the permit, and at the end of each second year thereafter, in order to verify that the permit holder satisfies the applicable requirement of division (A)(1) or (2) of this section. The permit holder shall transmit the results of the independent audit to the division of liquor control. If the results of the audit indicate noncompliance with division (A) of this section, the division shall not renew the D-8 permit of the permit holder.

Sec. 4303.19. Permit E may be issued to the owner or operator of any railroad, a sleeping car company operating dining cars, buffet cars, club cars, lounge cars, or similar equipment, or an airline providing charter or regularly scheduled aircraft transportation service with dining, buffet, club, lounge, or similar facilities, to sell beer or any intoxicating liquor in any such car or aircraft to bona fide passengers at retail in glass and from the container for consumption in such car or aircraft, including sale on Sunday between the hours of one p.m. and midnight. Distribution of earnings to member organizations does not deprive it of the status of a nonprofit organization.

(B) An F-1 permit may be issued to any nonprofit organization to allow the nonprofit organization and its members and their guests to lawfully bring beer, wine, and intoxicating liquor in its original package, flasks, or other containers into a convention facility for consumption therein, if both of the following requirements are met:

(1) The superintendent of liquor control is satisfied the organization meets the definition of a nonprofit organization as set forth in division (A)(2) of this section, the nonprofit organization's membership includes persons residing in two or more states, and the organization's total membership is in excess of five hundred. The superintendent may accept a sworn statement by the president or other chief executive officer of the nonprofit organization as proof of the matters required in this division.

(2) The managing official or employee of the convention facility has given written consent to the use of the convention facility and to the application for the F-1 permit, as shown in the nonprofit organization's application to the superintendent.

(C) The superintendent shall specify individually the effective period of each F-1 permit on the permit, which shall not exceed three days. The fee for an F-1 permit is ~~one~~ two hundred ~~twenty-five~~ fifty dollars. The superintendent shall prepare and make available application forms to request F-1 permits and may require applicants to furnish such information as the superintendent determines to be necessary for the administration of this section.

(D) No holder of an F-1 permit shall make a specific charge for beer, wine, or intoxicating liquor by the drink, or in its original package, flasks, or other containers in connection with its use of the convention facility under

Sec. 4303.202. (A) The division of liquor control may issue an F-2 permit to an association or corporation, or to a recognized subordinate lodge, chapter, or other local unit of an association or corporation, to sell beer or intoxicating liquor by the individual drink at an event to be held on premises located in a political subdivision or part thereof where the sale of beer or intoxicating liquor on that day is otherwise permitted by law.

The division of liquor control may issue an F-2 permit to an association or corporation, or to a recognized subordinate lodge, chapter, or other local unit of an association or corporation, to sell beer, wine, and spirituous liquor by the individual drink at an event to be held on premises located in a political subdivision or part thereof where the sale of beer and wine, but not spirituous liquor, is otherwise permitted by law on that day.

Notwithstanding section 1711.09 of the Revised Code, this section applies to any association or corporation or a recognized subordinate lodge, chapter, or other local unit of an association or corporation.

In order to receive an F-2 permit, the association, corporation, or local unit shall be organized not for profit, shall be operated for a charitable, cultural, fraternal, or educational purpose, and shall not be affiliated with the holder of any class of liquor permit, other than a D-4 permit.

The premises on which the permit is to be used shall be clearly defined and sufficiently restricted to allow proper supervision of the permit use by state and local law enforcement personnel. An F-2 permit may be issued for the same premises for which another class of permit is issued.

No F-2 permit shall be effective for more than forty-eight consecutive hours, and sales shall be confined to the same hours permitted to the holder of a D-3 permit. The division shall not issue more than two F-2 permits in one calendar year to the same association, corporation, or local unit of an association or corporation. The fee for an F-2 permit is ~~seventy-five~~ one hundred fifty dollars.

If an applicant wishes the holder of a D-3, D-4, or D-5 permit to conduct the sale of beer and intoxicating liquor at the event, the applicant may request that the F-2 permit be issued jointly to the association, corporation, or local unit and the D-permit holder. If a permit is issued jointly, the association, corporation, or local unit and the D-permit holder shall both be held responsible for any conduct that violates laws pertaining to the sale of alcoholic beverages, including sales by the D-permit holder; otherwise, the association, corporation, or local unit shall be held responsible. In addition to the permit fee paid by the association, corporation, or local unit, the D-permit holder shall pay a fee of ten dollars.

A D-permit holder may receive an unlimited number of joint F-2 permits.

Any association, corporation, or local unit applying for an F-2 permit shall file with the application a statement of the organizational purpose of the association, corporation, or local unit, the location and purpose of the event, and a list of its officers. The application form shall contain a notice that a person who knowingly makes a false statement on the application or statement is guilty of the crime of falsification, a misdemeanor of the first degree. In ruling on an application, the division shall consider, among other things, the past activities of the association, corporation, or local unit and any D-permit holder while operating under other F-2 permits, the location of the event for which the current application is made, and any objections of local residents or law enforcement authorities. If the division approves the application, it shall send copies of the approved application to the proper law enforcement authorities prior to the scheduled event.

Using the procedures of Chapter 119. of the Revised Code, the liquor control commission may adopt such rules as are necessary to administer this section.

(B) No association, corporation, local unit of an association or corporation, or D-permit holder who holds an F-2 permit shall sell beer or intoxicating liquor beyond the hours of sale allowed by the permit. (1) The superintendent of liquor control is satisfied that the organization is a nonprofit organization and that the organization's membership is in excess of two hundred fifty persons.

(2) The general manager or the equivalent officer of the convention facility or hotel provides a written consent for the use of a portion of the facility or hotel by the organization and a written statement that the facility's

or hotel's permit privileges will be suspended in the portion of the facility or hotel in which the F-3 permit is in force.

(3) The organization provides a written description that clearly sets forth the portion of the convention facility or hotel in which the F-3 permit will be used.

(4) The organization provides a written statement as to its primary purpose and the purpose of its event at the convention facility or hotel.

(5) Division (C) of this section does not apply.

(C) No F-3 permit shall be issued to any nonprofit organization that is created by or for a specific manufacturer, supplier, distributor, or retailer of beer, wine, or mixed beverages.

(D) Notwithstanding division (E) of section 4301.22 of the Revised Code, a holder of an F-3 permit may obtain by donation beer, wine, or mixed beverages from any manufacturer or producer of beer, wine, or mixed beverages.

(E) Nothing in this chapter prohibits the holder of an F-3 permit from bringing into the portion of the convention facility or hotel covered by the permit beer, wine, or mixed beverages otherwise not approved for sale in this state.

(F) Notwithstanding division (E) of section 4301.22 of the Revised Code, no holder of an F-3 permit shall make any charge for any beer, wine, or mixed beverage served by the drink, or in its original package or container, in connection with the use of the portion of the convention facility or hotel covered by the permit.

(G) The division of liquor control shall prepare and make available an F-3 permit application form and may require applicants for the permit to provide information, in addition to that required by this section, that is necessary for the administration of this section.

(H) An F-3 permit shall be effective for a period not to exceed five consecutive days. The division of liquor control shall not issue more than three F-3 permits per calendar year to the same nonprofit organization. The fee for an F-3 permit is ~~one three~~ one hundred ~~fifty~~ thirty dollars.

Wine may be furnished or sold on the premises of the event for which the F-4 permit is issued only where and when the sale of wine is otherwise permitted by law.

(C) The premises of the event for which the F-4 permit is issued shall be clearly defined and sufficiently restricted to allow proper enforcement of the permit by state and local law enforcement officers. If an F-4 permit is issued for all or a portion of the same premises for which another class of permit is issued, that permit holder's privileges will be suspended in that portion of the premises in which the F-4 permit is in effect.

(D) No F-4 permit shall be effective for more than seventy-two consecutive hours. No sales or furnishing of wine shall take place under an F-4 permit after one a.m.

(E) The division shall not issue more than six F-4 permits to the same not-for-profit association or corporation in any one calendar year.

(G)(1) The holder of an F-4 permit is responsible for, and is subject to penalties for, any violations of this chapter or Chapter 4301. of the Revised Code or the rules adopted under this and that chapter.

(2) An F-4 permit holder shall not allow an A-2 permit holder to participate in the event for which the F-4 permit is issued if the A-2 or A-1-A permit of that A-2 permit holder is under suspension.

(3) The division may refuse to issue an F-4 permit to an applicant who

has violated any provision of this chapter or Chapter 4301. of the Revised Code during the applicant's previous operation under an F-4 permit, for a period of up to two years after the date of the violation.

(H)(1) Notwithstanding division (E) of section 4301.22 of the Revised Code, an A-2 permit holder that participates in an event for which an F-4 permit is issued may donate wine that it has manufactured to the holder of that F-4 permit. The lien shall continue until the tax, including any penalty or interest, is paid.

(3)(a) The situs of a manufactured or mobile home located in this state on the first day of January is the local taxing district in which the home is located on that date.

(b) The situs of a manufactured or mobile home not located in this state on the first day of January, but located in this state subsequent to that date, is the local taxing district in which the home is located thirty days after it is acquired or first enters this state.

(4) The tax is collected by and paid to the county treasurer of the county containing the taxing district in which the home has its situs.

(D) The manufactured home tax shall be computed and assessed by the county auditor of the county containing the taxing district in which the home has its situs as follows:

(1) On a home that acquired situs in this state prior to January 1, 2000;

(a) By multiplying the assessable value of the home by the tax rate of the taxing district in which the home has its situs, and deducting from the product thus obtained any reduction authorized under section 4503.065 of the Revised Code. The tax levied under this formula shall not be less than

thirty-six dollars, unless the home qualifies for a reduction in assessable value under section 4503.065 of the Revised Code, in which case there shall be no minimum tax and the tax shall be the amount calculated under this division.

(b) The assessable value of the home shall be forty per cent of the amount arrived at by the following computation:

(i) If the cost to the owner, or market value at time of purchase, whichever is greater, of the home includes the furnishings and equipment, such cost or market value shall be multiplied according to the following schedule:

For the first calendar year in which the home is owned by the current owner		80%
2nd calendar year	x	75%
3rd "	x	70%
4th "	x	65%

The first calendar year means any period between the first day of January and the thirty-first day of December of the first year.

(ii) If the cost to the owner, or market value at the time of purchase, whichever is greater, of the home does not include the furnishings and equipment, such cost or market value shall be multiplied according to the following schedule:

For the first calendar year in which the home is owned by the current owner		95%
2nd calendar year	x	90%
3rd "	x	85%
4th "	x	80%

7th "	x	65%
8th "	x	60%

9th "	x	55%
10th and each year thereafter		50%

The first calendar year means any period between the first day of January and the thirty-first day of December of the first year.

(2) On a home in which ownership was transferred or that first acquired situs in this state on or after January 1, 2000:

(a) By multiplying the assessable value of the home by the effective tax rate, as defined in section 323.08 of the Revised Code, for residential real property of the taxing district in which the home has its situs, and deducting from the product thus obtained the reductions required or authorized under section 319.302, division (B) of section 323.152, or section 4503.065 of the Revised Code.

(b) The assessable value of the home shall be thirty-five per cent of its true value as determined under division (L) of this section.

(3) On or before the fifteenth day of January each year, the auditor shall record the assessable value and the amount of tax on the manufactured or mobile home on the tax list and deliver a duplicate of the list to the county treasurer. In the case of an emergency as defined in section 323.17 of the Revised Code, the tax commissioner, by journal entry, may extend the times for delivery of the duplicate for an additional fifteen days upon receiving a written application from the county auditor regarding an extension for the delivery of the duplicate, or from the county treasurer regarding an extension of the time for the billing and collection of taxes. The application shall contain a statement describing the emergency that will cause the unavoidable delay and must be received by the tax commissioner on or before the last day of the month preceding the day delivery of the duplicate is otherwise required. When an extension is granted for delivery of the duplicate, the time period for payment of taxes shall be extended for a like period of time. When a delay in the closing of a tax collection period becomes unavoidable, the tax commissioner, upon application by the county auditor and county treasurer, may order the time for payment of taxes to be extended if the tax commissioner determines that penalties have accrued or would otherwise accrue for reasons beyond the control of the taxpayers of the county. The order shall prescribe the final extended date for payment of taxes for that collection period.

(4) After January 1, 1999, the owner of a manufactured or mobile home taxed pursuant to division (D)(1) of this section may elect to have the home taxed pursuant to division (D)(2) of this section by filing a written request with the county auditor of the taxing district in which the home is located on or before the first day of December of any year. Upon the filing of the

request, the county auditor shall determine whether all taxes levied under division (D)(1) of this section have been paid, and if those taxes have been paid, the county auditor shall tax the manufactured or mobile home pursuant to division (D)(2) of this section commencing in the next tax year.

(5) A manufactured or mobile home that acquired situs in this state prior to January 1, 2000, shall be taxed pursuant to division (D)(2) of this section if no manufactured home tax had been paid for the home and the home was not exempted from taxation pursuant to division (E) of this section for the year for which the taxes were not paid.

(6)(a) Immediately upon receipt of any manufactured home tax duplicate from the county auditor, but not less than twenty days prior to the last date on which the first one-half taxes may be paid without penalty as prescribed in division (F) of this section, the county treasurer shall cause to be prepared and mailed or delivered to each person charged on that duplicate with taxes, or to an agent designated by such person, the tax bill prescribed by the tax commissioner under division (D)(7) of this section. When taxes are paid by installments, the county treasurer shall mail or deliver to each person charged on such duplicate or the agent designated by such person a second tax bill showing the amount due at the time of the second tax collection. The second half tax bill shall be mailed or delivered at least twenty days prior to the close of the second half tax collection period. A change in the mailing address of any tax bill shall be made in writing to the county treasurer. Failure to receive a bill required by this section does not excuse failure or delay to pay any taxes shown on the bill or, except as provided in division ~~(A)(B)(1)~~ of section 5715.39 of the Revised Code, avoid any penalty, interest, or charge for such delay.

(b) After delivery of the copy of the delinquent manufactured home tax list under division (H) of this section, the county treasurer may prepare and mail to each person in whose name a home is listed an additional tax bill showing the total amount of delinquent taxes charged against the home as shown on the list. The tax bill shall include a notice that the interest charge prescribed by division (G) of this section has begun to accrue.

(7) Each tax bill prepared and mailed or delivered under division (D)(6) of this section shall be in the form and contain the information required by the tax commissioner. The commissioner may prescribe different forms for each county and may authorize the county auditor to make up tax bills and tax receipts to be used by the county treasurer. The tax bill shall not contain or be mailed or delivered with any information or material that is not required by this section or that is not authorized by section 321.45 of the Revised Code or by the tax commissioner. In addition to the information

required by the commissioner, each tax bill shall contain the following information:

(a) The taxes levied and the taxes charged and payable against the manufactured or mobile home;

(b) The following notice: "Notice: If the taxes are not paid within sixty days after the county auditor delivers the delinquent manufactured home tax list to the county treasurer, you and your home may be subject to collection proceedings for tax delinquency." Failure to provide such notice has no effect upon the validity of any tax judgment to which a home may be subjected.

(c) In the case of manufactured or mobile homes taxed under division (D)(2) of this section, the following additional information:

(i) The effective tax rate. The words "effective tax rate" shall appear in boldface type.

(ii) The following notice: "Notice: If the taxes charged against this home have been reduced by the 2-1/2 per cent tax reduction for residences occupied by the owner but the home is not a residence occupied by the owner, the owner must notify the county auditor's office not later than March 31 of the year for which the taxes are due. Failure to do so may result in the owner being convicted of a fourth degree misdemeanor, which is punishable by imprisonment up to 30 days, a fine up to \$250, or both, and in the owner having to repay the amount by which the taxes were erroneously or illegally reduced, plus any interest that may apply.

If the taxes charged against this home have not been reduced by the 2-1/2 per cent tax reduction and the home is a residence occupied by the owner, the home may qualify for the tax reduction. To obtain an application for the tax reduction or further information, the owner may contact the county auditor's office at (insert the address and telephone number of the county auditor's office)."

(E)(1) A manufactured or mobile home is not subject to this section when any of the following applies:

(a) It is taxable as personal property pursuant to section 5709.01 of the Revised Code. Any manufactured or mobile home that is used as a residence shall be subject to this section and shall not be taxable as personal property pursuant to section 5709.01 of the Revised Code.

(b) It bears a license plate issued by any state other than this state unless the home is in this state in excess of an accumulative period of thirty days in any calendar year.

(c) The annual tax has been paid on the home in this state for the current year.

(d) The tax commissioner has determined, pursuant to section 5715.27 of the Revised Code, that the property is exempt from taxation, or would be exempt from taxation under Chapter 5709. of the Revised Code if it were classified as real property.

(2) A travel trailer or park trailer, as these terms are defined in section 4501.01 of the Revised Code, is not subject to this section if it is unused or unoccupied and stored at the owner's normal place of residence or at a recognized storage facility.

(3) A travel trailer or park trailer, as these terms are defined in section 4501.01 of the Revised Code, is subject to this section and shall be taxed as a manufactured or mobile home if it has a situs longer than thirty days in one location and is connected to existing utilities, unless either of the following applies:

(a) The situs is in a state facility or a camping or park area as defined in division (B), (G), (H), or (R) of section 3733.01 of the Revised Code;

(b) The situs is in a camping or park area that is a tract of land that has been limited to recreational use by deed or zoning restrictions and subdivided for sale of five or more individual lots for the express or implied purpose of occupancy by either self-contained recreational vehicles as defined in division (E) of section 3733.01 of the Revised Code or by dependent recreational vehicles as defined in division (F) of section 3733.01 of the Revised Code.

(F) Except as provided in division (D)(3) of this section, the manufactured home tax is due and payable as follows:

(1) When a manufactured or mobile home has a situs in this state, as provided in this section, on the first day of January, one-half of the amount of the tax is due and payable on or before the first day of March and the balance is due and payable on or before the thirty-first day of July. At the option of the owner of the home, the tax for the entire year may be paid in full on the first day of March.

(2) When a manufactured or mobile home first acquires a situs in this state after the first day of January, no tax is due and payable for that year.

(G)(1) If one-half of the current taxes charged under this section against a manufactured or mobile home, together with the full amount of any delinquent taxes or any installment thereof required to be paid under a written undertaking, are not paid on or before the thirty-first day of January in that year, or on or before the last day for such payment as extended pursuant to section 4503.063 of the Revised Code, a penalty of ten per cent shall be charged against the unpaid balance of such half of the current taxes. If the total amount of all such taxes is not paid on or before the thirty-first

day of July, next thereafter, or on or before the last day for such payment as extended pursuant to section 4503.063 of the Revised Code, a like penalty shall be charged on the balance of the total amount of such unpaid current taxes.

(2)(a) On the first day of the month following the last day the second installment of taxes may be paid without penalty beginning in 2000, interest shall be charged against and computed on all delinquent taxes other than the current taxes that became delinquent taxes at the close of the last day such second installment could be paid without penalty. The charge shall be for interest that accrued during the period that began on the preceding first day of December and ended on the last day of the month that included the last date such second installment could be paid without penalty. The interest shall be computed at the rate per annum prescribed by section 5703.47 of the Revised Code and shall be entered as a separate item on the delinquent manufactured home tax list compiled under division (H) of this section.

(b) On the first day of December beginning in 2000, the interest shall be charged against and computed on all delinquent taxes. The charge shall be for interest that accrued during the period that began on the first day of the month following the last date prescribed for the payment of the second installment of taxes in the current year and ended on the immediately preceding last day of November. The interest shall be computed at the rate per annum prescribed by section 5703.47 of the Revised Code and shall be entered as a separate item on the delinquent manufactured home tax list.

(c) After a valid undertaking has been entered into for the payment of any delinquent taxes, no interest shall be charged against such delinquent taxes while the undertaking remains in effect in compliance with section 323.31 of the Revised Code. If a valid undertaking becomes void, interest shall be charged against the delinquent taxes for the periods that interest was not permitted to be charged while the undertaking was in effect. The interest shall be charged on the day the undertaking becomes void and shall equal the amount of interest that would have been charged against the unpaid delinquent taxes outstanding on the dates on which interest would have been charged thereon under divisions (G)(1) and (2) of this section had the undertaking not been in effect.

(3) If the full amount of the taxes due at either of the times prescribed by division (F) of this section is paid within ten days after such time, the county treasurer shall waive the collection of and the county auditor shall remit one-half of the penalty provided for in this division for failure to make that payment by the prescribed time.

(4) The treasurer shall compile and deliver to the county auditor a list of

all tax payments the treasurer has received as provided in division (G)(3) of this section. The list shall include any information required by the auditor for the remission of the penalties waived by the treasurer. The taxes so collected shall be included in the settlement next succeeding the settlement then in process.

(H)(1) Beginning in 2000, the county auditor shall compile annually a "delinquent manufactured home tax list" consisting of homes the county treasurer's records indicate have taxes that were not paid within the time prescribed by divisions (D)(3) and (F) of this section, have taxes that remain unpaid from prior years, or have unpaid tax penalties or interest that have been assessed.

(2) Within thirty days after the settlement under division (H)(2) of section 321.24 of the Revised Code beginning in 2000, the county auditor shall deliver a copy of the delinquent manufactured home tax list to the county treasurer. The auditor shall update and publish the delinquent manufactured home tax list annually in the same manner as delinquent real property tax lists are published. The county auditor shall apportion the cost of publishing the list among taxing districts in proportion to the amount of delinquent manufactured home taxes so published that each taxing district is entitled to receive upon collection of those taxes.

(3) When taxes, penalties, or interest are charged against a person on the delinquent manufactured home tax list and are not paid within sixty days after the list is delivered to the county treasurer, the county treasurer shall, in addition to any other remedy provided by law for the collection of taxes, penalties, and interest, enforce collection of such taxes, penalties, and interest by civil action in the name of the treasurer against the owner for the recovery of the unpaid taxes following the procedures for the recovery of delinquent real property taxes in sections 323.25 to 323.28 of the Revised Code. The action may be brought in municipal or county court, provided the amount charged does not exceed the monetary limitations for original jurisdiction for civil actions in those courts.

It is sufficient, having made proper parties to the suit, for the treasurer to allege in the treasurer's bill of particulars or petition that the taxes stand chargeable on the books of the county treasurer against such person, that they are due and unpaid, and that such person is indebted in the amount of taxes appearing to be due the county. The treasurer need not set forth any other matter relating thereto. If it is found on the trial of the action that the person is indebted to the state, judgment shall be rendered in favor of the treasurer prosecuting the action. The judgment debtor is not entitled to the benefit of any law for stay of execution or exemption of property from levy

or sale on execution in the enforcement of the judgment.

(I) The total amount of taxes collected shall be distributed in the following manner: four per cent shall be allowed as compensation to the county auditor for the county auditor's service in assessing the taxes; two per cent shall be allowed as compensation to the county treasurer for the services the county treasurer renders as a result of the tax levied by this section. Such amounts shall be paid into the county treasury, to the credit of the county general revenue fund, on the warrant of the county auditor. Fees to be paid to the credit of the real estate assessment fund shall be collected pursuant to division (B) of section 319.54 of the Revised Code and paid into the county treasury, on the warrant of the county auditor. The balance of the taxes collected shall be distributed among the taxing subdivisions of the county in which the taxes are collected and paid in the same ratio as those taxes were collected for the benefit of the taxing subdivision. The taxes levied and revenues collected under this section shall be in lieu of any general property tax and any tax levied with respect to the privilege of using or occupying a manufactured or mobile home in Ohio except as provided in sections 4503.04 and 5741.02 of the Revised Code.

(J) An agreement to purchase or a bill of sale for a manufactured home shall show whether or not the furnishings and equipment are included in the purchase price.

(K) If the county treasurer and the county prosecuting attorney agree that an item charged on the delinquent manufactured home tax list is uncollectible, they shall certify that determination and the reasons to the county board of revision. If the board determines the amount is uncollectible, it shall certify its determination to the county auditor, who shall strike the item from the list.

(L)(1) The county auditor shall appraise at its true value any manufactured or mobile home in which ownership is transferred or which first acquires situs in this state on or after January 1, 2000, and any manufactured or mobile home the owner of which has elected, under division (D)(4) of this section, to have the home taxed under division (D)(2) of this section. The true value shall include the value of the home, any additions, and any fixtures, but not any furnishings in the home. In determining the true value of a manufactured or mobile home, the auditor shall consider all facts and circumstances relating to the value of the home, including its age, its capacity to function as a residence, any obsolete characteristics, and other factors that may tend to prove its true value.

(2)(a) If a manufactured or mobile home has been the subject of an arm's length sale between a willing seller and a willing buyer within a

reasonable length of time prior to the determination of true value, the auditor shall consider the sale price of the home to be the true value for taxation purposes.

(b) The sale price in an arm's length transaction between a willing seller and a willing buyer shall not be considered the true value of the home if either of the following occurred after the sale:

(i) The home has lost value due to a casualty;

(ii) An addition or fixture has been added to the home.

(3) The auditor shall have each home viewed and appraised at least once in each six-year period in the same year in which real property in the county is appraised pursuant to Chapter 5713. of the Revised Code, and shall update the appraised values in the third calendar year following the appraisal. The person viewing or appraising a home may enter the home to determine by actual view any additions or fixtures that have been added since the last appraisal. In conducting the appraisals and establishing the true value, the auditor shall follow the procedures set forth for appraising real property in sections 5713.01 and 5713.03 of the Revised Code.

(4) The auditor shall place the true value of each home on the manufactured home tax list upon completion of an appraisal.

(5)(a) If the auditor changes the true value of a home, the auditor shall notify the owner of the home in writing, delivered by mail or in person. The notice shall be given at least thirty days prior to the issuance of any tax bill that reflects the change. Failure to receive the notice does not invalidate any proceeding under this section.

(b) Any owner of a home or any other person or party listed in division (A)(1) of section 5715.19 of the Revised Code may file a complaint against the true value of the home as appraised under this section. The complaint shall be filed with the county auditor on or before the thirty-first day of March of the current tax year or the date of closing of the collection for the first half of manufactured home taxes for the current tax year, whichever is later. The auditor shall present to the county board of revision all complaints filed with the auditor under this section. The board shall hear and investigate the complaint and may take action on it as provided under sections 5715.11 to 5715.19 of the Revised Code.

(c) If the county board of revision determines, pursuant to a complaint against the valuation of a manufactured or mobile home filed under this section, that the amount of taxes, assessments, or other charges paid was in excess of the amount due based on the valuation as finally determined, then the overpayment shall be refunded in the manner prescribed in section 5715.22 of the Revised Code.

(d) Payment of all or part of a tax under this section for any year for which a complaint is pending before the county board of revision does not abate the complaint or in any way affect the hearing and determination thereof.

(M) If the county auditor determines that any tax, assessment, charge, or any part thereof has been erroneously charged as a result of a clerical error as defined in section 319.35 of the Revised Code, the county treasurer and the county board of revision shall remove the erroneous charges on the manufactured home tax list or delinquent manufactured home tax list, and refund any erroneous charges that have been collected, with interest, in the same manner as is prescribed in section 319.36 of the Revised Code for erroneous charges against real property.

(N) As used in this section and section 4503.061 of the Revised Code:

(1) "Manufactured home taxes" includes taxes, penalties, and interest charged under division (C) or (G) of this section and any penalties charged under division (G) or (H)(5) of section 4503.061 of the Revised Code.

(2) "Current taxes" means all manufactured home taxes charged against a manufactured or mobile home that have not appeared on the manufactured home tax list for any prior year. Current taxes become delinquent taxes if they remain unpaid after the last day prescribed for payment of the second installment of current taxes without penalty, whether or not they have been certified delinquent.

(3) "Delinquent taxes" means:

(a) Any manufactured home taxes that were charged against a manufactured or mobile home for a prior year, including any penalties or interest charged for a prior year, and that remain unpaid;

(b) Any current manufactured home taxes charged against a manufactured or mobile home that remain unpaid after the last day prescribed for payment of the second installment of current taxes without penalty, whether or not they have been certified delinquent, including any penalties or interest.

Sec. 4503.101. (A) The registrar of motor vehicles shall adopt rules to establish a system of motor vehicle registration based upon the type of vehicle to be registered, the type of ownership of the vehicle, the class of license plate to be issued, and any other factor the registrar determines to be relevant. Except for commercial cars, buses, trailers, and semitrailers taxed under section 4503.042 of the Revised Code; except for rental vehicles owned by motor vehicle renting dealers; and except as otherwise provided by rule, motor vehicles owned by an individual shall be registered based upon the motor vehicle owner's date of birth. Beginning with the 2004

registration year, the registrar shall assign motor vehicles to the registration periods established by rules adopted under this section.

(B) The registrar shall adopt rules to permit motor vehicle owners residing together at one address to select the date of birth of any one of the owners as the date to register any or all of the vehicles at that residence address, as shown in the records of the bureau of motor vehicles.

(C) The registrar shall adopt rules to assign and reassign all commercial cars, ~~buses,~~ trailers, and semitrailers taxed under section 4503.042 of the Revised Code and all rental vehicles owned by motor vehicle renting dealers to a system of registration so that the registrations of approximately one-twelfth of all such vehicles expire on the last day of each month of a calendar year. To effect a reassignment from the registration period in effect on ~~the effective date of this amendment~~ June 30, 2003, to the new registration periods established by the rules adopted under this section as amended, the rules may require the motor vehicle to be registered for more or less than a twelve-month period at the time the motor vehicle's registration is subject to its initial renewal following the effective date of such rules. If necessary to effect an efficient transition, the rules may provide that the registration reassignments take place over two consecutive registration periods. The registration taxes to be charged shall be determined by the registrar on the basis of the annual tax otherwise due on the motor vehicle, prorated in accordance with the number of months for which the motor vehicle is registered, except that the fee established by division (C)(1) of section 4503.10 of the Revised Code shall be collected in full for each renewal that occurs during the transition period and shall not be prorated.

(D) The registrar shall adopt rules to permit any commercial motor vehicle owner or motor vehicle renting dealer who owns two or more motor vehicles to request the registrar to permit the owner to separate the owner's fleet into up to four divisions for assignment to separate dates upon which to register the vehicles, provided that the registrar may disapprove any such request whenever the registrar has reason to believe that an uneven distribution of registrations throughout the calendar year has developed or is likely to develop.

(E) Every owner or lessee of a motor vehicle holding a certificate of registration shall notify the registrar of any change of the owner's or lessee's correct address within ten days after the change occurs. The notification shall be in writing on a form provided by the registrar or by electronic means approved by the registrar and shall include the full name, date of birth if applicable, license number, county of residence or place of business, social security account number of an individual or federal tax identification

number of a business, and new address.

(F) As used in this section, "motor vehicle renting dealer" has the same meaning as in section 4549.65 of the Revised Code.

Sec. 4503.103. (A)(1)(a) The registrar of motor vehicles may adopt rules to permit any person or lessee, other than a person receiving an apportioned license plate under the international registration plan, who owns or leases one or more motor vehicles to file a written application for registration for no more than five succeeding registration years. The rules adopted by the registrar may designate the classes of motor vehicles that are eligible for such registration. At the time of application, all annual taxes and fees shall be paid for each year for which the person is registering.

(b) ~~The (i) Except as provided in division (A)(1)(b)(ii) of this section, the registrar shall adopt rules to permit any person, other than a person receiving an apportioned license plate under the international registration plan and other than the owner of a commercial car used solely in intrastate commerce, who owns a motor vehicle to file an application for registration for the next two succeeding registration years. At the time of application, the person shall pay the annual taxes and fees for each registration year, calculated in accordance with division (C) of section 4503.11 of the Revised Code. A person who is registering a vehicle under division (A)(1)(b) of this section shall pay for each year of registration the additional fee established under division (C)(1) of section 4503.10 of the Revised Code. The person shall also pay one and one-half times the amount of the deputy registrar service fee specified in division (D) of section 4503.10 of the Revised Code or the bureau of motor vehicles service fee specified in division (G) of that section, as applicable.~~

(ii) Division (A)(1)(b)(i) of this section does not apply to a person receiving an apportioned license plate under the international registration plan, or the owner of a commercial car used solely in intrastate commerce, or the owner of a bus as defined in section 4513.50 of the Revised Code.

(2) No person applying for a multi-year registration under division (A)(1) of this section is entitled to a refund of any taxes or fees paid.

(3) The registrar shall not issue to any applicant who has been issued a final, nonappealable order under division (B) of this section a multi-year registration or renewal thereof under this division or rules adopted under it for any motor vehicle that is required to be inspected under section 3704.14 of the Revised Code the district of registration of which, as determined under section 4503.10 of the Revised Code, is or is located in the county named in the order.

(B) Upon receipt from the director of environmental protection of a

notice issued under division (J) of section 3704.14 of the Revised Code indicating that an owner of a motor vehicle that is required to be inspected under that section who obtained a multi-year registration for the vehicle under division (A) of this section or rules adopted under that division has not obtained an inspection certificate for the vehicle in accordance with that section in a year intervening between the years of issuance and expiration of the multi-year registration in which the owner is required to have the vehicle inspected and obtain an inspection certificate for it under division (F)(1)(a) of that section, the registrar in accordance with Chapter 119. of the Revised Code shall issue an order to the owner impounding the certificate of registration and identification license plates for the vehicle. The order also shall prohibit the owner from obtaining or renewing a multi-year registration for any vehicle that is required to be inspected under that section, the district of registration of which is or is located in the same county as the county named in the order during the number of years after expiration of the current multi-year registration that equals the number of years for which the current multi-year registration was issued.

An order issued under this division shall require the owner to surrender to the registrar the certificate of registration and license plates for the vehicle named in the order within five days after its issuance. If the owner fails to do so within that time, the registrar shall certify that fact to the county sheriff or local police officials who shall recover the certificate of registration and license plates for the vehicle.

(C) Upon the occurrence of either of the following circumstances, the registrar in accordance with Chapter 119. of the Revised Code shall issue to the owner a modified order rescinding the provisions of the order issued under division (B) of this section impounding the certificate of registration and license plates for the vehicle named in that original order:

(1) Receipt from the director of environmental protection of a subsequent notice under division (J) of section 3704.14 of the Revised Code that the owner has obtained the inspection certificate for the vehicle as required under division (F)(1)(a) of that section;

(2) Presentation to the registrar by the owner of the required inspection certificate for the vehicle.

(D) The owner of a motor vehicle for which the certificate of registration and license plates have been impounded pursuant to an order issued under division (B) of this section, upon issuance of a modified order under division (C) of this section, may apply to the registrar for their return. A fee of two dollars and fifty cents shall be charged for the return of the certificate of registration and license plates for each vehicle named in the

application.

Sec. 4505.06. (A)(1) Application for a certificate of title shall be made in a form prescribed by the registrar of motor vehicles and shall be sworn to before a notary public or other officer empowered to administer oaths. The application shall be filed with the clerk of any court of common pleas. An application for a certificate of title may be filed electronically by any electronic means approved by the registrar in any county with the clerk of the court of common pleas of that county. Any payments required by this chapter shall be considered as accompanying any electronically transmitted application when payment actually is received by the clerk. Payment of any fee or taxes may be made by electronic transfer of funds.

(2) The application for a certificate of title shall be accompanied by the fee prescribed in section 4505.09 of the Revised Code. The fee shall be retained by the clerk who issues the certificate of title and shall be distributed in accordance with that section. If a clerk of a court of common pleas, other than the clerk of the court of common pleas of an applicant's county of residence, issues a certificate of title to the applicant, the clerk shall transmit data related to the transaction to the automated title processing system.

(3) If a certificate of title previously has been issued for a motor vehicle in this state, the application for a certificate of title also shall be accompanied by that certificate of title duly assigned, unless otherwise provided in this chapter. If a certificate of title previously has not been issued for the motor vehicle in this state, the application, unless otherwise provided in this chapter, shall be accompanied by a manufacturer's or importer's certificate or by a certificate of title of another state from which the motor vehicle was brought into this state. If the application refers to a motor vehicle last previously registered in another state, the application also shall be accompanied by the physical inspection certificate required by section 4505.061 of the Revised Code. If the application is made by two persons regarding a motor vehicle in which they wish to establish joint ownership with right of survivorship, they may do so as provided in section 2131.12 of the Revised Code. If the applicant requests a designation of the motor vehicle in beneficiary form so that upon the death of the owner of the motor vehicle, ownership of the motor vehicle will pass to a designated transfer-on-death beneficiary or beneficiaries, the applicant may do so as provided in section 2131.13 of the Revised Code. A person who establishes ownership of a motor vehicle that is transferable on death in accordance with section 2131.13 of the Revised Code may terminate that type of ownership or change the designation of the transfer-on-death beneficiary or

beneficiaries by applying for a certificate of title pursuant to this section. The clerk shall retain the evidence of title presented by the applicant and on which the certificate of title is issued, except that, if an application for a certificate of title is filed electronically by an electronic motor vehicle dealer on behalf of the purchaser of a motor vehicle, the clerk shall retain the completed electronic record to which the dealer converted the certificate of title application and other required documents. ~~The electronic motor vehicle dealer shall forward the actual application and all other documents relating to the sale of the motor vehicle to any clerk within thirty days after the certificate of title is issued.~~ The registrar, after consultation with the attorney general, shall adopt rules that govern the location at which, and the manner in which, are stored the actual application and all other documents relating to the sale of a motor vehicle when an electronic motor vehicle dealer files the application for a certificate of title electronically on behalf of the purchaser.

The clerk shall use reasonable diligence in ascertaining whether or not the facts in the application for a certificate of title are true by checking the application and documents accompanying it or the electronic record to which a dealer converted the application and accompanying documents with the records of motor vehicles in the clerk's office. If the clerk is satisfied that the applicant is the owner of the motor vehicle and that the application is in the proper form, the clerk, within five business days after the application is filed, shall issue a physical certificate of title over the clerk's signature and sealed with the clerk's seal unless the applicant specifically requests the clerk not to issue a physical certificate of title and instead to issue an electronic certificate of title. For purposes of the transfer of a certificate of title, if the clerk is satisfied that the secured party has duly discharged a lien notation but has not canceled the lien notation with a clerk, the clerk may cancel the lien notation on the automated title processing system and notify the clerk of the county of origin.

(4) In the case of the sale of a motor vehicle to a general buyer or user by a dealer, by a motor vehicle leasing dealer selling the motor vehicle to the lessee or, in a case in which the leasing dealer subleased the motor vehicle, the sublessee, at the end of the lease agreement or sublease agreement, or by a manufactured home broker, the certificate of title shall be obtained in the name of the buyer by the dealer, leasing dealer, or manufactured home broker, as the case may be, upon application signed by the buyer. The certificate of title shall be issued, or the process of entering the certificate of title application information into the automated title processing system if a physical certificate of title is not to be issued shall be

completed, within five business days after the application for title is filed with the clerk. If the buyer of the motor vehicle previously leased the motor vehicle and is buying the motor vehicle at the end of the lease pursuant to that lease, the certificate of title shall be obtained in the name of the buyer by the motor vehicle leasing dealer who previously leased the motor vehicle to the buyer or by the motor vehicle leasing dealer who subleased the motor vehicle to the buyer under a sublease agreement.

In all other cases, except as provided in section 4505.032 and division (D)(2) of section 4505.11 of the Revised Code, such certificates shall be obtained by the buyer.

(5)(a)(i) If the certificate of title is being obtained in the name of the buyer by a motor vehicle dealer or motor vehicle leasing dealer and there is a security interest to be noted on the certificate of title, the dealer or leasing dealer shall submit the application for the certificate of title and payment of the applicable tax to a clerk within seven business days after the later of the delivery of the motor vehicle to the buyer or the date the dealer or leasing dealer obtains the manufacturer's or importer's certificate, or certificate of title issued in the name of the dealer or leasing dealer, for the motor vehicle. Submission of the application for the certificate of title and payment of the applicable tax within the required seven business days may be indicated by postmark or receipt by a clerk within that period.

(ii) Upon receipt of the certificate of title with the security interest noted on its face, the dealer or leasing dealer shall forward the certificate of title to the secured party at the location noted in the financing documents or otherwise specified by the secured party.

(iii) A motor vehicle dealer or motor vehicle leasing dealer is liable to a secured party for a late fee of ten dollars per day for each certificate of title application and payment of the applicable tax that is submitted to a clerk more than seven business days but less than twenty-one days after the later of the delivery of the motor vehicle to the buyer or the date the dealer or leasing dealer obtains the manufacturer's or importer's certificate, or certificate of title issued in the name of the dealer or leasing dealer, for the motor vehicle and, from then on, twenty-five dollars per day until the application and applicable tax are submitted to a clerk.

(b) In all cases of transfer of a motor vehicle, the application for certificate of title shall be filed within thirty days after the assignment or delivery of the motor vehicle. If an application for a certificate of title is not filed within the period specified in division (A)(5)(b) of this section, the clerk shall collect a fee of five dollars for the issuance of the certificate, except that no such fee shall be required from a motor vehicle salvage

dealer, as defined in division (A) of section 4738.01 of the Revised Code, who immediately surrenders the certificate of title for cancellation. The fee shall be in addition to all other fees established by this chapter, and shall be retained by the clerk. The registrar shall provide, on the certificate of title form prescribed by section 4505.07 of the Revised Code, language necessary to give evidence of the date on which the assignment or delivery of the motor vehicle was made.

(6) As used in division (A) of this section, "lease agreement," "lessee," and "sublease agreement" have the same meanings as in section 4505.04 of the Revised Code.

(B) The clerk, except as provided in this section, shall refuse to accept for filing any application for a certificate of title and shall refuse to issue a certificate of title unless the dealer or manufactured home broker or the applicant, in cases in which the certificate shall be obtained by the buyer, submits with the application payment of the tax levied by or pursuant to Chapters 5739. and 5741. of the Revised Code based on the purchaser's county of residence. Upon payment of the tax in accordance with division (E) of this section, the clerk shall issue a receipt prescribed by the registrar and agreed upon by the tax commissioner showing payment of the tax or a receipt issued by the commissioner showing the payment of the tax. When submitting payment of the tax to the clerk, a dealer shall retain any discount to which the dealer is entitled under section 5739.12 of the Revised Code.

For receiving and disbursing such taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent, and the clerk shall pay the poundage fee into the certificate of title administration fund created by section 325.33 of the Revised Code. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

In the case of casual sales of motor vehicles, as defined in section 4517.01 of the Revised Code, the price for the purpose of determining the tax shall be the purchase price on the assigned certificate of title executed by

the seller and filed with the clerk by the buyer on a form to be prescribed by the registrar, which shall be prima-facie evidence of the amount for the determination of the tax.

(C)(1) If the transferor indicates on the certificate of title that the odometer reflects mileage in excess of the designed mechanical limit of the odometer, the clerk shall enter the phrase "exceeds mechanical limits" following the mileage designation. If the transferor indicates on the certificate of title that the odometer reading is not the actual mileage, the clerk shall enter the phrase "nonactual: warning - odometer discrepancy" following the mileage designation. The clerk shall use reasonable care in transferring the information supplied by the transferor, but is not liable for any errors or omissions of the clerk or those of the clerk's deputies in the performance of the clerk's duties created by this chapter.

The registrar shall prescribe an affidavit in which the transferor shall swear to the true selling price and, except as provided in this division, the true odometer reading of the motor vehicle. The registrar may prescribe an affidavit in which the seller and buyer provide information pertaining to the odometer reading of the motor vehicle in addition to that required by this section, as such information may be required by the United States secretary of transportation by rule prescribed under authority of subchapter IV of the "Motor Vehicle Information and Cost Savings Act," 86 Stat. 961 (1972), 15 U.S.C. 1981.

(2) Division (C)(1) of this section does not require the giving of information concerning the odometer and odometer reading of a motor vehicle when ownership of a motor vehicle is being transferred as a result of a bequest, under the laws of intestate succession, to a survivor pursuant to section 2106.18, 2131.12, or 4505.10 of the Revised Code, to a transfer-on-death beneficiary or beneficiaries pursuant to section 2131.13 of the ~~Revised~~ Revised Code, or in connection with the creation of a security interest.

(D) When the transfer to the applicant was made in some other state or in interstate commerce, the clerk, except as provided in this section, shall refuse to issue any certificate of title unless the tax imposed by or pursuant to Chapter 5741. of the Revised Code based on the purchaser's county of residence has been paid as evidenced by a receipt issued by the tax commissioner, or unless the applicant submits with the application payment of the tax. Upon payment of the tax in accordance with division (E) of this section, the clerk shall issue a receipt prescribed by the registrar and agreed upon by the tax commissioner, showing payment of the tax.

For receiving and disbursing such taxes paid to the clerk by a resident of

the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

When the vendor is not regularly engaged in the business of selling motor vehicles, the vendor shall not be required to purchase a vendor's license or make reports concerning those sales.

(E) The clerk shall accept any payment of a tax in cash, or by cashier's check, certified check, draft, money order, or teller check issued by any insured financial institution payable to the clerk and submitted with an application for a certificate of title under division (B) or (D) of this section. The clerk also may accept payment of the tax by corporate, business, or personal check, credit card, electronic transfer or wire transfer, debit card, or any other accepted form of payment made payable to the clerk. The clerk may require bonds, guarantees, or letters of credit to ensure the collection of corporate, business, or personal checks. Any service fee charged by a third party to a clerk for the use of any form of payment may be paid by the clerk from the certificate of title administration fund created in section 325.33 of the Revised Code, or may be assessed by the clerk upon the applicant as an additional fee. Upon collection, the additional fees shall be paid by the clerk into that certificate of title administration fund.

The clerk shall make a good faith effort to collect any payment of taxes due but not made because the payment was returned or dishonored, but the clerk is not personally liable for the payment of uncollected taxes or uncollected fees. The clerk shall notify the tax commissioner of any such payment of taxes that is due but not made and shall furnish the information to the commissioner that the commissioner requires. The clerk shall deduct the amount of taxes due but not paid from the clerk's periodic remittance of tax payments, in accordance with procedures agreed upon by the tax commissioner. The commissioner may collect taxes due by assessment in the manner provided in section 5739.13 of the Revised Code.

Any person who presents payment that is returned or dishonored for any

reason is liable to the clerk for payment of a penalty over and above the amount of the taxes due. The clerk shall determine the amount of the penalty, and the penalty shall be no greater than that amount necessary to compensate the clerk for banking charges, legal fees, or other expenses incurred by the clerk in collecting the returned or dishonored payment. The remedies and procedures provided in this section are in addition to any other available civil or criminal remedies. Subsequently collected penalties, poundage fees, and title fees, less any title fee due the state, from returned or dishonored payments collected by the clerk shall be paid into the certificate of title administration fund. Subsequently collected taxes, less poundage fees, shall be sent by the clerk to the treasurer of state at the next scheduled periodic remittance of tax payments, with information as the commissioner may require. The clerk may abate all or any part of any penalty assessed under this division.

(F) In the following cases, the clerk shall accept for filing an application and shall issue a certificate of title without requiring payment or evidence of payment of the tax:

(1) When the purchaser is this state or any of its political subdivisions, a church, or an organization whose purchases are exempted by section 5739.02 of the Revised Code;

(2) When the transaction in this state is not a retail sale as defined by section 5739.01 of the Revised Code;

(3) When the purchase is outside this state or in interstate commerce and the purpose of the purchaser is not to use, store, or consume within the meaning of section 5741.01 of the Revised Code;

(4) When the purchaser is the federal government;

(5) When the motor vehicle was purchased outside this state for use outside this state;

(6) When the motor vehicle is purchased by a nonresident of this state for immediate removal from this state, and will be permanently titled and registered in another state, as provided by division (B)(23) of section 5739.02 of the Revised Code, and upon presentation of a copy of the affidavit provided by that section, and a copy of the exemption certificate provided by section 5739.03 of the Revised Code.

The clerk shall forward all payments of taxes, less poundage fees, to the treasurer of state in a manner to be prescribed by the tax commissioner and shall furnish information to the commissioner as the commissioner requires.

(G) An application, as prescribed by the registrar and agreed to by the tax commissioner, shall be filled out and sworn to by the buyer of a motor vehicle in a casual sale. The application shall contain the following notice in

bold lettering: "WARNING TO TRANSFEROR AND TRANSFEREE (SELLER AND BUYER): You are required by law to state the true selling price. A false statement is in violation of section 2921.13 of the Revised Code and is punishable by six months' imprisonment or a fine of up to one thousand dollars, or both. All transfers are audited by the department of taxation. The seller and buyer must provide any information requested by the department of taxation. The buyer may be assessed any additional tax found to be due."

(H) For sales of manufactured homes or mobile homes occurring on or after January 1, 2000, the clerk shall accept for filing, pursuant to Chapter 5739. of the Revised Code, an application for a certificate of title for a manufactured home or mobile home without requiring payment of any tax pursuant to section 5739.02, 5741.021, 5741.022, or 5741.023 of the Revised Code, or a receipt issued by the tax commissioner showing payment of the tax. For sales of manufactured homes or mobile homes occurring on or after January 1, 2000, the applicant shall pay to the clerk an additional fee of five dollars for each certificate of title issued by the clerk for a manufactured or mobile home pursuant to division (H) of section 4505.11 of the Revised Code and for each certificate of title issued upon transfer of ownership of the home. The clerk shall credit the fee to the county certificate of title administration fund, and the fee shall be used to pay the expenses of archiving those certificates pursuant to division (A) of section 4505.08 and division (H)(3) of section 4505.11 of the Revised Code. The tax commissioner shall administer any tax on a manufactured or mobile home pursuant to Chapters 5739. and 5741. of the Revised Code.

If a certificate of title previously has been issued for an off-highway motorcycle or all-purpose vehicle, the application also shall be accompanied by the certificate of title duly assigned, unless otherwise provided in this chapter. If a certificate of title previously has not been issued for the off-highway motorcycle or all-purpose vehicle, the application, unless otherwise provided in this chapter, shall be accompanied by a manufacturer's or importer's certificate; by a sworn statement of ownership; or by a certificate of title, bill of sale, or other evidence of ownership required by law of another state from which the off-highway motorcycle or all-purpose vehicle was brought into this state. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

In the case of casual sales of off-highway motorcycles or all-purpose vehicles that are subject to the tax imposed by Chapter 5739. or 5741. of the Revised Code, the purchase price for the purpose of determining the tax shall be the purchase price on an affidavit executed and filed with the clerk by the seller on a form to be prescribed by the registrar, which shall be prima-facie evidence of the price for the determination of the tax.

In addition to the information required by section 4519.57 of the Revised Code, each certificate of title shall contain in bold lettering the following notification and statements: "WARNING TO TRANSFEROR AND TRANSFEREE (SELLER AND BUYER): You are required by law to state the true selling price. Recovery rights created by this section may be enforced separately or jointly by the department of job and family services and the county department of job and family services.

Sec. 5111.0112. The director of job and family services shall examine instituting a copayment program under medicaid. As part of the examination, the director shall determine which groups of medicaid recipients may be subjected to a copayment requirement under federal statutes and regulations ~~and which of those groups are appropriate for a copayment program designed to reduce inappropriate and excessive use of medical goods and services.~~ If, on completion of the examination, the director determines that it is feasible to institute such a copayment program, the director may seek approval from the United States secretary of health and human services to institute the copayment program. If necessary, the director may seek approval by applying for a waiver of federal statutes and regulations. If such approval is obtained, the director shall adopt rules in accordance with Chapter 119. of the Revised Code governing the copayment program.

Sec. 5111.0113. Children who are in the temporary or permanent custody of a certified public or private nonprofit agency or institution or in adoptions subsidized under division (B) of section 5153.163 of the Revised Code are eligible for medical assistance through the medicaid program established under section 5111.01 of the Revised Code.

Sec. 5111.02. (A) Under the medical assistance program:

(1) Except as otherwise permitted by federal statute or regulation and at the department's discretion, reimbursement by the department of job and family services to a medical provider for any medical service rendered under the program shall not exceed the authorized reimbursement level for the same service under the medicare program established under Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended.

(2) Reimbursement for freestanding medical laboratory charges shall not exceed the customary and usual fee for laboratory profiles.

(3) The department may deduct from payments for services rendered by a medicaid provider under the medical assistance program any amounts the provider owes the state as the result of incorrect medical assistance payments the department has made to the provider.

(4) The department may conduct final fiscal audits in accordance with the applicable requirements set forth in federal laws and regulations and determine any amounts the provider may owe the state. When conducting final fiscal audits, the department shall consider generally accepted auditing standards, which include the use of statistical sampling.

(5) The number of days of inpatient hospital care for which reimbursement is made on behalf of a recipient of medical assistance to a hospital that is not paid under a diagnostic-related-group prospective payment system shall not exceed thirty days during a period beginning on the day of the recipient's admission to the hospital and ending sixty days after the termination of that hospital stay, except that the department may make exceptions to this limitation. The limitation does not apply to children participating in the program for medically handicapped children established under section 3701.023 of the Revised Code.

(B) The director of job and family services may adopt, amend, or rescind rules under Chapter 119. of the Revised Code establishing the amount, duration, and scope of medical services to be included in the medical assistance program. Such rules shall establish the conditions under which services are covered and reimbursed, the method of reimbursement applicable to each covered service, and the amount of reimbursement or, in lieu of such amounts, methods by which such amounts are to be determined for each covered service. Any rules that pertain to nursing facilities or intermediate care facilities for the mentally retarded shall be consistent with sections 5111.20 to 5111.33 of the Revised Code.

~~(C) No health insuring corporation that has a contract to provide health care services to recipients of medical assistance shall restrict the availability to its enrollees of any prescription drugs included in the Ohio medicaid drug~~

~~formulary as established under rules adopted by the director.~~

(D) The division of any reimbursement between a collaborating physician or podiatrist and a clinical nurse specialist, certified nurse-midwife, or certified nurse practitioner for services performed by the nurse shall be determined and agreed on by the nurse and collaborating physician or podiatrist. In no case shall reimbursement exceed the payment that the physician or podiatrist would have received had the physician or podiatrist provided the entire service.

Sec. 5111.021. Under the medical assistance program, any amount determined to be owed the state by a final fiscal audit conducted pursuant to division (A)(4) of section 5111.02 of the Revised Code, upon the issuance of an adjudication order pursuant to Chapter 119. of the Revised Code that contains a finding that there is a preponderance of the evidence that the provider will liquidate assets or file bankruptcy in order to prevent payment of the amount determined to be owed the state, becomes a lien upon the real and personal property of the provider. Upon failure of the provider to pay the amount to the state, the director of job and family services shall file notice of the lien, for which there shall be no charge, in the office of the county recorder of the county in which it is ascertained that the provider owns real or personal property. The director shall notify the provider by mail of the lien, but absence of proof that the notice was sent does not affect the validity of the lien. The lien is not valid as against the claim of any mortgagee, pledgee, purchaser, judgment creditor, or other lienholder of record at the time the notice is filed.

If the provider acquires real or personal property after notice of the lien is filed, the lien shall not be valid as against the claim of any mortgagee, pledgee, subsequent bona fide purchaser for value, judgment creditor, or other lienholder of record to such after-acquired property unless the notice of lien is refiled after the property is acquired by the provider and before the competing lien attaches to the after-acquired property or before the conveyance to the subsequent bona fide purchaser for value.

When the amount has been paid, the provider may record with the recorder notice of the payment. For recording such notice of payment, the recorder shall charge and receive from the provider a base fee of one dollar for services and a housing trust fund fee of one dollar pursuant to section 317.36 of the Revised Code.

In the event of a distribution of a provider's assets pursuant to an order of any court under the law of this state including any receivership, assignment for benefit of creditors, adjudicated insolvency, or similar proceedings, amounts then or thereafter due the state under this chapter have

the same priority as provided by law for the payment of taxes due the state and shall be paid out of the receivership trust fund or other such trust fund in the same manner as provided for claims for unpaid taxes due the state.

If the attorney general finds after investigation that any amount due the state under this chapter is uncollectable, in whole or in part, the attorney general shall recommend to the director the cancellation of all or part of the claim. The director may thereupon effect the cancellation.

Sec. 5111.022. (A) As used in this section:

~~(B) Services shall be included in the state plan only when provided by community mental health facilities that have quality assurance programs accredited by the joint commission on accreditation of healthcare organizations or certified by the department of mental health or department of job and family services.~~

~~(C) The comprehensive annual plan shall certify the availability of sufficient unencumbered community mental health state subsidy and local~~

funds to match ~~Title XIX federal medicaid~~ reimbursement funds earned by the community mental health facilities. ~~Reimbursement for eligible services shall be based on the prospective cost of providing the services as developed in standards adopted as part of the comprehensive annual plan.~~

~~(D) As used in this section, "mental health professional" means a person qualified to work with mentally ill persons under the standards established by the director of mental health pursuant to section 5119.611 of the Revised Code.~~

~~(E) With respect to services established by division (A) of this section, the The department of job and family services shall enter into a separate contract with the department of mental health under section 5111.91 of the Revised Code with regard to the component of the medicaid program provided for by this section. The terms of the contract between the department of job and family services and the department of mental health shall specify both of the following:~~

~~(1) That the department of mental health and boards of alcohol, drug addiction, and mental health services shall provide state and local matching funds for Title XIX of the "Social Security Act," for reimbursement of services established by division (A) of this section;~~

~~(2) How the community mental health facilities described in division (B) of this section will be paid for providing the services established by division (A) of this section.~~

~~(E) Not later than May 1, 2004, the department of job and family services shall request federal approval to provide assertive community treatment and intensive home-based mental health services under medicaid pursuant to this section.~~

~~(F) On receipt of federal approval sought under division (E) of this section, the director of job and family services shall adopt rules in accordance with Chapter 119. of the Revised Code establishing statewide access and acuity standards for partial hospitalization mental health services and assertive community treatment and intensive home-based mental health services provided under medicaid pursuant to this section. The director shall consult with the department of mental health in adopting the rules.~~

~~Sec. 5111.025. (A) In rules adopted under section 5111.02 of the Revised Code, the director of job and family services shall modify the manner or establish a new manner in which the following are paid under medicaid:~~

~~(1) Community mental health facilities for providing mental health services included in the state medicaid plan pursuant to section 5111.022 of the Revised Code;~~

(2) Providers of alcohol and drug addiction services for providing alcohol and drug addiction services included in the medicaid program pursuant to rules adopted under section 5111.02 of the Revised Code.

(B) In modifying the manner, or establishing a new manner, for medicaid to pay for the services specified in division (A) of this section, the director shall include a provision for obtaining federal financial participation for the costs that each board of alcohol, drug addiction, and mental health services incurs in its administration of those services. Except as provided in section 5111.92 of the Revised Code, the department of job and family services shall pay the federal financial participation obtained for such administrative costs to the board that incurs the administrative costs.

(C) The director's authority to modify the manner, or to establish a new manner, for medicaid to pay for the services specified in division (A) of this section is not limited by any rules adopted under section 5111.02 or 5119.61 of the Revised Code that are in effect on the effective date of this section and govern the way medicaid pays for those services. This is the case regardless of what state agency adopted the rules.

Sec. 5111.03. (A) No provider of services or goods contracting with the department of job and family services pursuant to the medicaid program shall, by deception, obtain or attempt to obtain payments under this chapter to which the provider is not entitled pursuant to the provider agreement, or the rules of the federal government or the department of job and family services relating to the program. No provider shall willfully receive payments to which the provider is not entitled, or willfully receive payments in a greater amount than that to which the provider is entitled; nor shall any provider falsify any report or document required by state or federal law, rule, or provider agreement relating to medicaid payments. As used in this section, a provider engages in "deception" when the provider, acting with actual knowledge of the representation or information involved, acting in deliberate ignorance of the truth or falsity of the representation or information involved, or acting in reckless disregard of the truth or falsity of the representation or information involved, deceives another or causes another to be deceived by any false or misleading representation, by withholding information, by preventing another from acquiring information, or by any other conduct, act, or omission that creates, confirms, or perpetuates a false impression in another, including a false impression as to law, value, state of mind, or other objective or subjective fact. No proof of specific intent to defraud is required to show, for purposes of this section, that a provider has engaged in deception.

(B) Any provider who violates division (A) of this section shall be

liable, in addition to any other penalties provided by law, for all of the following civil penalties:

(1) Payment of interest on the amount of the excess payments at the maximum interest rate allowable for real estate mortgages under section 1343.01 of the Revised Code on the date the payment was made to the provider for the period from the date upon which payment was made, to the date upon which repayment is made to the state;

(2) Payment of an amount equal to three times the amount of any excess payments;

(3) Payment of a sum of not less than five thousand dollars and not more than ten thousand dollars for each deceptive claim or falsification;

(4) All reasonable expenses which the court determines have been necessarily incurred by the state in the enforcement of this section.

(C) ~~In~~ As used in this division, "intermediate care facility for the mentally retarded" and "nursing facility" have the same meanings given in section 5111.20 of the Revised Code.

In addition to the civil penalties provided in division (B) of this section, the director of job and family services, upon the conviction of, or the entry of a judgment in either a criminal or civil action against, a medicaid provider or its owner, officer, authorized agent, associate, manager, or employee in an action brought pursuant to section 109.85 of the Revised Code, shall terminate the provider agreement between the department and the provider and stop reimbursement to the provider for services rendered for a period of up to five years from the date of conviction or entry of judgment. As used in this chapter, "owner" means any person having at least five per cent ownership in the medicaid provider. No such provider, owner, officer, authorized agent, associate, manager, or employee shall own or provide services to any other medicaid provider or risk contractor or arrange for, render, or order services for medicaid recipients during the period of termination as provided in division (C) of this section, nor, during the period of termination as provided in division (C) of this section, shall such provider, owner, officer, authorized agent, associate, manager, or employee receive reimbursement in the form of direct payments from the department or indirect payments of medicaid funds in the form of salary, shared fees, contracts, kickbacks, or rebates from or through any participating provider or risk contractor. The provider agreement shall not be terminated or reimbursement terminated if the provider or owner can demonstrate that the provider or owner did not directly or indirectly sanction the action of its authorized agent, associate, manager, or employee that resulted in the conviction or entry of a judgment in a criminal or civil action brought

pursuant to section 109.85 of the Revised Code. Nothing in this division prohibits any owner, officer, authorized agent, associate, manager, or employee of a medicaid provider from entering into a medicaid provider agreement if the person can demonstrate that the person had no knowledge of an action of the medicaid provider the person was formerly associated with that resulted in the conviction or entry of a judgment in a criminal or civil action brought pursuant to section 109.85 of the Revised Code.

~~Providers subject to sections 5111.20 to 5111.32 of the Revised Code~~
Nursing facility or intermediate care facility for the mentally retarded providers whose agreements are terminated pursuant to this section may continue to receive reimbursement for up to thirty days after the effective date of the termination if the provider makes reasonable efforts to transfer recipients to another facility or to alternate care and if federal funds are provided for such reimbursement.

(D) Any provider of services or goods contracting with the department of job and family services pursuant to Title XIX of the "Social Security Act," who, without intent, obtains payments under this chapter in excess of the amount to which the provider is entitled, thereby becomes liable for payment of interest on the amount of the excess payments at the maximum real estate mortgage rate on the date the payment was made to the provider for the period from the date upon which payment was made to the date upon which repayment is made to the state.

(E) The attorney general on behalf of the state may commence proceedings to enforce this section in any court of competent jurisdiction; and the attorney general may settle or compromise any case brought under this section with the approval of the department of job and family services. Notwithstanding any other provision of law providing a shorter period of limitations, the attorney general may commence a proceeding to enforce this section at any time within six years after the conduct in violation of this section terminates.

(F) The authority, under state and federal law, of the department of job and family services or a county department of job and family services to recover excess payments made to a provider is not limited by the availability of remedies under sections 5111.11 and 5111.12 of the Revised Code for recovering benefits paid on behalf of recipients of medical assistance.

The penalties under this chapter apply to any overpayment, billing, or falsification occurring on and after April 24, 1978. All moneys collected by the state pursuant to this section shall be deposited in the state treasury to the credit of the general revenue fund.

Sec. 5111.06. (A)(1) As used in this section:

(2) The provider agreement is denied, terminated, or not renewed pursuant to division (C) or (E) of section 5111.03 of the Revised Code;

If the proceedings are initiated under division (B)(2) of this section, the department may withhold payments only to the extent that they equal amounts determined in a final fiscal audit as being due the state. This division does not apply to nursing facilities and intermediate care facilities for the mentally retarded ~~subject to sections as defined in section 5111.20 to 5111.32~~ of the Revised Code.

If necessary, the director may apply to the United States secretary of health and human services for a waiver of federal statutes and regulations to establish the supplemental drug rebate program.

If the director establishes a supplemental drug rebate program, the director shall consult with drug manufacturers regarding the establishment

and implementation of the program.

If the director establishes a supplemental drug rebate program, the director shall exempt from the program and from prior authorization or any other restriction all of a drug manufacturer's drug products that have been approved by the United States food and drug administration and for which there is no generic equivalent for the treatment of either of the following:

(B) HIV or AIDS, both as defined in section 3701.24 of the Revised Code.

applicant or recipient is both institutionalized and first applies for medical assistance. The following conditions also apply to look-back periods for transfers of assets involving medicaid qualifying trusts:

(a) If a medicaid qualifying trust is a revocable trust and a portion of the trust is distributed to someone other than the applicant or recipient for the benefit of someone other than the applicant or recipient, the distribution shall be considered an improper transfer of resources. The look-back period shall be sixty months from the baseline date. The transfer shall be considered to have taken place on the date on which the payment to someone other than the applicant or recipient was made.

(b) If a medicaid qualifying trust is an irrevocable trust and a portion of the trust is not distributable to the applicant or recipient, the trust shall be treated as an improper transfer of resources. The look-back period shall be sixty months from the baseline date. The transfer is considered to have been made as of the later of the date the trust was established or the date on which payment to the applicant or recipient was foreclosed. The value of the assets shall not be reduced by any payments from the trust that may be made from these unavailable assets at a later date.

(c) If a medicaid qualifying trust is an irrevocable trust and a portion or all of the trust may be disbursed to or for the benefit of the applicant or recipient, any payment that is made to another person other than the applicant or recipient shall be considered an improper transfer of resources. The look-back period shall be thirty-six months from the baseline date. The transfer shall be considered to have been made as of the date of payment to the other person.

(E)(1) A trust or legal instrument or device similar to a trust shall be considered a self-settled trust if all of the following apply:

(a) The trust was established on or after August 11, 1993.

(b) The trust was not established by a will.

(c) The trust was established by an applicant or recipient, spouse of an applicant or recipient, or a person, including a court or administrative body, with legal authority to act in place of or on behalf of an applicant, recipient, or spouse, or acting at the direction or on request of an applicant, recipient, or spouse.

(2) A trust that meets the requirements of division (E)(1) of this section and is a revocable trust shall be treated by the county department of job and family services as follows:

(a) The corpus of the trust shall be considered a resource available to the applicant or recipient.

(b) Payments from the trust to or for the benefit of the applicant or

recipient shall be considered unearned income of the applicant or recipient.

(c) Any other payments from the trust shall be considered an improper transfer of resources and shall be subject to rules adopted by the department of job and family services governing improper transfers of resources.

(3) A trust that meets the requirements of division (E)(1) of this section and is an irrevocable trust shall be treated by the county department of job and family services as follows:

(a) If there are any circumstances under which payment from the trust could be made to or for the benefit of the applicant or recipient, including a payment that can be made only in the future, the portion from which payments could be made shall be considered a resource available to the applicant or recipient. The county department of job and family services shall not take into account when payments can be made.

(b) Any payment that is actually made to or for the benefit of the applicant or recipient from either the corpus or income shall be considered unearned income.

(c) If a payment is made to someone other than to the applicant or recipient and the payment is not for the benefit of the applicant or recipient, the payment shall be considered an improper transfer of resources and shall be subject to rules adopted by the department of job and family services governing improper transfers of resources.

(d) The date of the transfer shall be the later of the date of establishment of the trust or the date of the occurrence of the event.

(e) When determining the value of the transferred resource under this provision, the value of the trust shall be its value on the date payment to the applicant or recipient was foreclosed.

(f) Any income earned or other resources added subsequent to the foreclosure date shall be added to the total value of the trust.

(g) Any payments to or for the benefit of the applicant or recipient after the foreclosure date but prior to the application date shall be subtracted from the total value. Any other payments shall not be subtracted from the value.

(h) Any addition of resources after the foreclosure date shall be considered a separate transfer.

(4) If a trust is funded with assets of another person or persons in addition to assets of the applicant or recipient, the applicable provisions of this section and rules adopted by the department of job and family services governing trusts shall apply only to the portion of the trust attributable to the applicant or recipient.

(5) The availability of a self-settled trust shall be considered without regard to any of the following:

(a) The purpose for which the trust is established;
(b) Whether the trustees have exercised or may exercise discretion under the trust;

(c) Any restrictions on when or whether distributions may be made from the trust;

(d) Any restrictions on the use of distributions from the trust.

(6) The baseline date for the look-back period for transfers of assets involving a self-settled trust shall be the date on which the applicant or recipient is both institutionalized and first applies for medical assistance. The following conditions also apply to look-back periods for transfers of assets involving self-settled trusts:

(a) If a self-settled trust is a revocable trust and a portion of the trust is distributed to someone other than the applicant or recipient for the benefit of someone other than the applicant or recipient, the distribution shall be considered an improper transfer of resources. The look-back period shall be sixty months from the baseline date. The transfer shall be considered to have taken place on the date on which the payment to someone other than the applicant or recipient was made.

(b) If a self-settled trust is an irrevocable trust and a portion of the trust is not distributable to the applicant or recipient, the trust shall be treated as an improper transfer of resources. The look-back period shall be sixty months from the baseline date. The transfer is considered to have been made as of the later of the date the trust was established or the date on which payment to the applicant or recipient was foreclosed. The value of these assets shall not be reduced by any payments from the trust that may be made from these unavailable assets at a later date.

(c) If a self-settled trust is an irrevocable trust and a portion or all of the trust may be disbursed to or for the benefit of the applicant or recipient, any payment that is made to another person other than the applicant or recipient shall be considered an improper transfer of resources. The look-back period shall be thirty-six months from the baseline date. The transfer shall be considered to have been made as of the date of payment to the other person.

(F) The principal or income from any of the following shall be exempt from being counted as a resource by a county department of job and family services:

(1)(a) A special needs trust that meets all of the following requirements:

(i) The trust contains assets of an applicant or recipient under sixty-five years of age and may contain the assets of other individuals.

(ii) The applicant or recipient is disabled as defined in rules adopted by the department of job and family services.

(iii) The trust is established for the benefit of the applicant or recipient by a parent, grandparent, legal guardian, or a court.

(iv) The trust requires that on the death of the applicant or recipient the state will receive all amounts remaining in the trust up to an amount equal to the total amount of medical assistance paid on behalf of the applicant or recipient.

(b) If a special needs trust meets the requirements of division (F)(1)(a) of this section and has been established for a disabled applicant or recipient under sixty-five years of age, the exemption for the trust granted pursuant to division (F) of this section shall continue after the disabled applicant or recipient becomes sixty-five years of age if the applicant or recipient continues to be disabled as defined in rules adopted by the department of job and family services. Except for income earned by the trust, the grantor shall not add to or otherwise augment the trust after the applicant or recipient attains sixty-five years of age. An addition or augmentation of the trust by the applicant or recipient with the applicant's own assets after the applicant or recipient attains sixty-five years of age shall be treated as an improper transfer of resources.

(c) Cash distributions to the applicant or recipient shall be counted as unearned income. All other distributions from the trust shall be treated as provided in rules adopted by the department of job and family services governing in-kind income.

(d) Transfers of assets to a special needs trust shall not be treated as an improper transfer of resources. Assets held prior to the transfer to the trust shall be considered as countable assets or countable income or countable assets and income.

(2)(a) A qualifying income trust that meets all of the following requirements:

(i) The trust is composed only of pension, social security, and other income to the applicant or recipient, including accumulated interest in the trust.

(b) No resources shall be used to establish or augment the trust.

(c) If an applicant or recipient has irrevocably transferred or assigned the applicant's or recipient's right to receive income to the trust, the trust

shall not be considered a qualifying income trust by the county department of job and family services.

(d) Income placed in a qualifying income trust shall not be counted in determining an applicant's or recipient's eligibility for medical assistance. The recipient of the funds may place any income directly into a qualifying income trust without those funds adversely affecting the applicant's or recipient's eligibility for medical assistance. Income generated by the trust that remains in the trust shall not be considered as income to the applicant or recipient.

(e) All income placed in a qualifying income trust shall be combined with any countable income not placed in the trust to arrive at a base income figure to be used for spend down calculations.

(f) The base income figure shall be used for post-eligibility deductions, including personal needs allowance, monthly income allowance, family allowance, and medical expenses not subject to third party payment. Any income remaining shall be used toward payment of patient liability. Payments made from a qualifying income trust shall not be combined with the base income figure for post-eligibility calculations.

(g) The base income figure shall be used when determining the spend down budget for the applicant or recipient. Any income remaining after allowable deductions are permitted as provided under rules adopted by the department of job and family services shall be considered the applicant's or recipient's spend down liability.

(3)(a) A pooled trust that meets all of the following requirements:

(i) The trust contains the assets of the applicant or recipient of any age who is disabled as defined in rules adopted by the department of job and family services.

(iv) Accounts in the trust are established by the applicant or recipient, the applicant's or recipient's parent, grandparent, or legal guardian, or a court solely for the benefit of individuals who are disabled.

(v) The trust requires that, to the extent that any amounts remaining in the beneficiary's account on the death of the beneficiary are not retained by the trust, the trust pay to the state the amounts remaining in the trust up to an amount equal to the total amount of medical assistance paid on behalf of the beneficiary.

(b) Cash distributions to the applicant or recipient shall be counted as

unearned income. All other distributions from the trust shall be treated as provided in rules adopted by the department of job and family services governing in-kind income.

(c) Transfers of assets to a pooled trust shall not be treated as an improper transfer of resources. Assets held prior to the transfer to the trust shall be considered as countable assets, countable income, or countable assets and income.

(4) A supplemental services trust that meets the requirements of section 1339.51 of the Revised Code and to which all of the following apply:

(a) A person may establish a supplemental services trust pursuant to section 1339.51 of the Revised Code only for another person who is eligible to receive services through one of the following agencies:

(c) At the time the trust is created, the trust principal does not exceed the maximum amount permitted. The maximum amount permitted in calendar year 2002 is two hundred fourteen thousand dollars. Each year thereafter, the maximum amount permitted is the prior year's amount plus two thousand dollars.

(d) A county department of job and family services shall review the trust to determine whether it complies with the provisions of section 1339.51 of the Revised Code.

(e) Payments from supplemental services trusts shall be exempt as long as the payments are for supplemental services as defined in rules adopted by the department of job and family services. All supplemental services shall be purchased by the trustee and shall not be purchased through direct cash payments to the beneficiary.

(f) If a trust is represented as a supplemental services trust and a county department of job and family services determines that the trust does not meet the requirements provided in division (F)(4) of this section and section 1339.51 of the Revised Code, the county department of job and family services shall not consider it an exempt trust.

(G)(1) A trust or legal instrument or device similar to a trust shall be considered a trust established by an individual for the benefit of the applicant or recipient if all of the following apply:

(a) The trust is created by a person other than the applicant or recipient.

(b) The trust names the applicant or recipient as a beneficiary.

(c) The trust is funded with assets or property in which the applicant or recipient has never held an ownership interest prior to the establishment of the trust.

(2) Any portion of a trust that meets the requirements of division (G)(1) of this section shall be an available resource only if the trust permits the trustee to expend principal, corpus, or assets of the trust for the applicant's or recipient's medical care, care, comfort, maintenance, health, welfare, general well being, or any combination of these purposes.

(3) A trust that meets the requirements of division (G)(1) of this section shall be considered an available resource even if the trust contains any of the following types of provisions:

(a) A provision that prohibits the trustee from making payments that would supplant or replace medical assistance or other public assistance;

(b) A provision that prohibits the trustee from making payments that would impact or have an effect on the applicant's or recipient's right, ability, or opportunity to receive medical assistance or other public assistance;

(c) A provision that attempts to prevent the trust or its corpus or principal from being counted as an available resource.

(4) A trust that meets the requirements of division (G)(1) of this section shall not be counted as an available resource if at least one of the following circumstances applies:

(a) If a trust contains a clear statement requiring the trustee to preserve a portion of the trust for another beneficiary or remainderman, that portion of the trust shall not be counted as an available resource. Terms of a trust that grant discretion to preserve a portion of the trust shall not qualify as a clear statement requiring the trustee to preserve a portion of the trust.

(b) If a trust contains a clear statement requiring the trustee to use a portion of the trust for a purpose other than medical care, care, comfort, maintenance, welfare, or general well being of the applicant or recipient, that portion of the trust shall not be counted as an available resource. Terms

of a trust that grant discretion to limit the use of a portion of the trust shall not qualify as a clear statement requiring the trustee to use a portion of the trust for a particular purpose.

(c) If a trust contains a clear statement limiting the trustee to making fixed periodic payments, the trust shall not be counted as an available resource and payments shall be treated in accordance with rules adopted by the department of job and family services governing income. Terms of a trust that grant discretion to limit payments shall not qualify as a clear statement requiring the trustee to make fixed periodic payments.

(d) If a trust contains a clear statement that requires the trustee to terminate the trust if it is counted as an available resource, the trust shall not be counted as an available resource. Terms of a trust that grant discretion to terminate the trust do not qualify as a clear statement requiring the trustee to terminate the trust.

(e) If a person obtains a judgment from a court of competent jurisdiction that expressly prevents the trustee from using part or all of the trust for the medical care, care, comfort, maintenance, welfare, or general well being of the applicant or recipient, the trust or that portion of the trust subject to the court order shall not be counted as a resource.

(f) If a trust is specifically exempt from being counted as an available resource by a provision of the Revised Code, rules, or federal law, the trust shall not be counted as a resource.

(g) If an applicant or recipient presents a final judgment from a court demonstrating that the applicant or recipient was unsuccessful in a civil action against the trustee to compel payments from the trust, the trust shall not be counted as an available resource.

(h) If an applicant or recipient presents a final judgment from a court demonstrating that in a civil action against the trustee the applicant or recipient was only able to compel limited or periodic payments, the trust shall not be counted as an available resource and payments shall be treated in accordance with rules adopted by the department of job and family services governing income.

(i) If an applicant or recipient provides written documentation showing that the cost of a civil action brought to compel payments from the trust would be cost prohibitive, the trust shall not be counted as an available resource.

(5) Any actual payments to the applicant or recipient from a trust that meet the requirements of division (G)(1) of this section, including trusts that are not counted as an available resource, shall be treated as provided in rules adopted by the department of job and family services governing income.

Payments to any person other than the applicant or recipient shall not be considered income to the applicant or recipient. Payments from the trust to a person other than the applicant or recipient shall not be considered an improper transfer of assets.

Sec. 5111.16. (A) As part of the medicaid program, the department of job and family services shall establish a care management system. The department shall submit, if necessary, applications to the United States department of health and human services for waivers of federal medicaid requirements that would otherwise be violated in the implementation of the system.

The department shall implement the care management system in some or all counties and shall designate the medicaid recipients who are required or permitted to participate in the system. In the case of individuals who receive medicaid on the basis of being aged, blind, or disabled, as specified in division (A)(2) of section 5111.01 of the Revised Code, all of the following apply:

(1) Not later than July 1, 2004, the department shall designate a portion of the individuals for participation in the care management system.

(2) Individuals shall not be designated for participation unless they reside in a county in which individuals who receive medicaid on another basis have been designated for participation.

(3) If, pursuant to division (B)(2) of this section, the department requires or permits the individuals to obtain health care services through managed care organizations, the department shall select the managed care organizations to be used by the individuals through a request for proposals process. The department shall issue its initial request for proposals not later than December 31, 2003.

(4) Individuals shall not be required to obtain health care services through managed care organizations unless they are at least twenty-one years of age.

(B) Under the care management system, the department may do both of the following:

(1) Require or permit participants in the system to obtain health care services from providers designated by the department;

(2) Subject to division (A)(4) of this section, require or permit participants in the system to obtain health care services through managed care organizations under contract with the department pursuant to section 5111.17 of the Revised Code.

(C) The director of job and family services may adopt rules in accordance with Chapter 119. of the Revised Code to implement this

section.

Sec. 5111.161. (A) As used in this section, "chronically ill child" means an individual who is not more than twenty-one years of age and meets the conditions specified in division (A)(2) of section 5111.01 of the Revised Code to be eligible for medicaid on the basis of being blind or disabled.

(B) The department of job and family services shall develop a pilot program under which chronically ill children are included among the medicaid recipients who are required to participate in the care management system established under section 5111.16 of the Revised Code. The pilot program shall be implemented not later than October 1, 2004, or, if by that date the department has not received any necessary federal approval to implement the program, as soon as practicable after receiving the approval. The department shall operate the program until October 1, 2006, except that the department shall cease operation of the program before that date if either of the following is the case:

(1) The department determines that requiring chronically ill children to participate in the care management system is not a cost-effective means of providing medicaid services;

(2) The combined state and federal cost of the children's care coordination described in division (D) of this section reaches three million dollars.

(C) The department shall ensure that the pilot program is operated in at least three counties selected by the department. In its consideration of the counties to be selected, the department may give priority to Hamilton county and Muskingum county. The department may extend its operation of the program into the areas surrounding the counties in which the program is operated.

(D) The purpose of the pilot program shall be to determine whether occurrences of acute illnesses and hospitalizations among chronically ill children can be prevented or reduced by establishing a medical home for the children where care is administered proactively and in a manner that is accessible, continuous, family-centered, coordinated, and compassionate. In establishing a medical home for a chronically ill child, all of the following apply:

(1) A physician shall serve as the care coordinator for the child. The care coordinator may be engaged in practice as a pediatrician certified in pediatrics by a medical specialty board of the American medical association or American osteopathic association, a pediatric subspecialist, or a provider for the bureau of children with medical handicaps within the department of health. If the physician is in a group practice, any member of the group

practice may serve as the child's care coordinator. The duties of the care coordinator may be performed by a person acting under the supervision of the care coordinator.

(2) The child may receive care from any health care practitioner appropriate to the child's needs, but the care coordinator shall direct and oversee the child's overall care.

(3) The care coordinator shall establish a relationship of mutual responsibility with the child's parents or other persons who are responsible for the child. Under this relationship, the care coordinator shall commit to developing a long-term disease prevention strategy and providing disease management and education services, while the child's parents or other persons who are responsible for the child shall commit to participate fully in implementing the child's care management plan.

(4) The medicaid program shall provide reimbursement for the reasonable and necessary costs of the services associated with care coordination, including, but not limited to, case management, care plan oversight, preventive care, health and behavioral care assessment and intervention, and any service modifier that reflects the provision of prolonged services or additional care.

(E) The department shall conduct an evaluation of the pilot program's effectiveness. As part of the evaluation, the department shall maintain statistics on physician expenditures, hospital expenditures, preventable hospitalizations, and other matters the department considers necessary to conduct the evaluation.

(F) The department shall adopt rules in accordance with Chapter 119. of the Revised Code as necessary to implement this section. The rules shall specify standards and procedures to be used in designating the chronically ill children who are required to participate in the pilot program.

Sec. 5111.172. When contracting under section 5111.17 of the Revised

Code with a managed care organization that is a health insuring corporation, the department of job and family services may require the health insuring corporation to provide coverage of prescription drugs for medicaid recipients enrolled in the health insuring corporation. In providing the required coverage, the health insuring corporation may, subject to the department's approval, use strategies for the management of drug utilization.

Sec. 5111.173. The department of job and family services shall appoint a temporary manager for a managed care organization under contract with the department pursuant to section 5111.17 of the Revised Code if the department determines that the managed care organization has repeatedly failed to meet substantive requirements specified in section 1903(m) of the "Social Security Act," 79 Stat. 286 (1965), 42 U.S.C. 1396b(m), as amended; section 1932 of the Social Security Act, 42 U.S.C. 1396u-2, as amended; or 42 C.F.R. 438 Part I. The appointment of a temporary manager does not preclude the department from imposing other sanctions available to the department against the managed care organization.

The managed care organization shall pay all costs of having the temporary manager perform the temporary manager's duties, including all costs the temporary manager incurs in performing those duties. If the temporary manager incurs costs or liabilities on behalf of the managed care organization, the managed care organization shall pay those costs and be responsible for those liabilities.

The appointment of a temporary manager is not subject to Chapter 119. of the Revised Code, but the managed care organization may request a reconsideration of the appointment. Reconsiderations shall be requested and conducted in accordance with rules the director of job and family services shall adopt in accordance with Chapter 119. of the Revised Code.

The appointment of a temporary manager does not cause the managed care organization to lose the right to appeal, in accordance with Chapter 119. of the Revised Code, any proposed termination or any decision not to renew the managed care organization's medicaid provider agreement or the right to initiate the sale of the managed care organization or its assets.

In addition to the rules required to be adopted under this section, the director may adopt any other rules necessary to implement this section. The rules shall be adopted in accordance with Chapter 119. of the Revised Code.

Sec. 5111.174. The department of job and family services may disenroll some or all medicaid recipients enrolled in a managed care organization under contract with the department pursuant to section 5111.17 of the Revised Code if the department proposes to terminate or not to renew the contract and determines that the recipients' access to medically necessary

services is jeopardized by the proposal to terminate or not to renew the contract. The disenrollment is not subject to Chapter 119. of the Revised Code, but the managed care organization may request a reconsideration of the disenrollment. Reconsiderations shall be requested and conducted in accordance with rules the director of job and family services shall adopt in accordance with Chapter 119. of the Revised Code. The request for, or conduct of, a reconsideration regarding a proposed disenrollment shall not delay the disenrollment.

In addition to the rules required to be adopted under this section, the director may adopt any other rules necessary to implement this section. The rules shall be adopted in accordance with Chapter 119. of the Revised Code.

Sec. 5111.175. A renovation may include betterment, improvement, restoration, or replacement of assets that are affixed to the building and have a useful life of at least five years. A renovation may include costs that otherwise would be considered maintenance and repair expenses if they are an integral part of the structural change that makes up the renovation project. "Renovation" does not mean construction of additional space for beds that will be added to a facility's licensed or certified capacity.

(b) "Extensive renovation" means a renovation that costs more than sixty-five per cent and no more than eighty-five per cent of the cost of constructing a new bed and that extends the useful life of the assets for at least ten years.

For the purposes of division (X)(2) of this section, the cost of constructing a new bed shall be considered to be forty thousand dollars, adjusted for the estimated rate of inflation from January 1, 1993, to the end of the calendar year during which the renovation is completed, using the consumer price index for shelter costs for all urban consumers for the north central region, as published by the United States bureau of labor statistics.

The department of job and family services may treat a renovation that costs more than eighty-five per cent of the cost of constructing new beds as an extensive renovation if the department determines that the renovation is more prudent than construction of new beds.

Sec. 5111.21. (A) Subject to sections 5111.01, 5111.011, 5111.012, ~~and 5111.02, and 5111.211~~ of the Revised Code, the department of job and family services shall pay, as provided in sections 5111.20 to 5111.32 of the Revised Code, the reasonable costs of services provided to an eligible medicaid recipient by an eligible nursing facility or intermediate care facility for the mentally retarded.

The director of job and family services may adopt rules in accordance with Chapter 119. of the Revised Code to establish the time frame in which a nursing facility must comply with this requirement.

Sec. 5111.211. (A) The department of mental retardation and developmental disabilities is responsible for the nonfederal share of claims submitted for services that are covered by the medicaid program and provided to an eligible medicaid recipient by an intermediate care facility for the mentally retarded if all of the following are the case:

Whenever the director of job and family services files a proposed rule or proposed rule in revised form under division (D) of section 111.15 or division (B) of section 119.03 of the Revised Code, the department shall provide the facility with one copy of such rule. In the case of a rescission or proposed rescission of a rule, the department may provide the rule number and title instead of the rules rescinded or proposed to be rescinded.~~

(B) The provider agrees to:

(1) Maintain eligibility as provided in section 5111.21 of the Revised Code;

(2) Keep records relating to a cost reporting period for the greater of seven years after the cost report is filed or, if the department issues an audit report in accordance with division (B) of section 5111.27 of the Revised Code, six years after all appeal rights relating to the audit report are exhausted;

The provider agreement may contain other provisions that are consistent

with law and considered necessary by the department.

A provider agreement shall be effective for no longer than twelve months, except that if federal statute or regulations authorize a longer term, it may be effective for a longer term so authorized. A provider agreement may be renewed only if the facility is certified by the department of health for participation in the medicaid program.

The department of job and family services, in accordance with rules adopted by the director pursuant to Chapter 119. of the Revised Code, may elect not to enter into, not to renew, or to terminate a provider agreement when the department determines that such an agreement would not be in the best interests of the recipients or of the state.

Sec. 5111.251. (A) The department of job and family services shall pay each eligible intermediate care facility for the mentally retarded for its reasonable capital costs, a per resident per day rate established prospectively each fiscal year for each intermediate care facility for the mentally retarded. Except as otherwise provided in sections 5111.20 to 5111.32 of the Revised Code, the rate shall be based on the facility's capital costs for the calendar year preceding the fiscal year in which the rate will be paid. The rate shall equal the sum of the following:

Any rules adopted under this division that specify useful lives of buildings, components, or equipment apply only to assets acquired on or after July 1, 1993. Depreciation for costs paid or reimbursed by any government agency shall not be included in costs of ownership or renovation unless that part of the payment under sections 5111.20 to 5111.32 of the Revised Code is used to

reimburse the government agency.

(B) The department of job and family services shall pay to each intermediate care facility for the mentally retarded an efficiency incentive equal to fifty per cent of the difference between any desk-reviewed, actual, allowable cost of ownership and the applicable limit on cost of ownership payments under division (C) of this section. For purposes of computing the efficiency incentive, depreciation for costs paid or reimbursed by any government agency shall be considered as a cost of ownership, and the applicable limit under division (C) of this section shall apply both to facilities with more than eight beds and facilities with eight or fewer beds. The efficiency incentive paid to a facility with eight or fewer beds shall not exceed three dollars per patient day, adjusted annually for the inflation rate for the twelve-month period beginning on the first day of July of the calendar year preceding the calendar year that precedes the fiscal year for which the efficiency incentive is determined and ending on the thirtieth day of the following June, using the consumer price index for shelter costs for all urban consumers for the north central region, as published by the United States bureau of labor statistics.

(D) Beginning January 1, 1981, regardless of the original date of licensure, the department of job and family services shall pay a rate for the per diem capitalized costs of renovations to intermediate care facilities for the mentally retarded made after January 1, 1981, not exceeding six dollars per patient day using 1980 as the base year and adjusting the amount annually until June 30, 1993, for fluctuations in construction costs calculated by the department using the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift. The payment provided for in this division is the only payment that shall be made for the capitalized costs of a nonextensive renovation of an intermediate care facility for the mentally retarded. Nonextensive renovation costs shall not be included in cost of ownership, and a nonextensive renovation shall not affect the date of licensure for purposes of division (C) of this section. This division applies to nonextensive renovations regardless of whether they are made by an owner or a lessee. If the tenancy of a lessee that has made renovations ends before the depreciation expense for the renovation costs has been fully reported, the former lessee shall not report the undepreciated balance as an expense.

For a nonextensive renovation to qualify for payment under this division, both of the following conditions must be met:

(1) At least five years have elapsed since the date of licensure or date of an extensive renovation of the portion of the facility that is proposed to be

renovated, except that this condition does not apply if the renovation is necessary to meet the requirements of federal, state, or local statutes, ordinances, rules, or policies.

(2) The provider has obtained prior approval from the department of job and family services. The provider shall submit a plan that describes in detail the changes in capital assets to be accomplished by means of the renovation and the timetable for completing the project. The time for completion of the project shall be no more than eighteen months after the renovation begins. The director of job and family services shall adopt rules in accordance with Chapter 119. of the Revised Code that specify criteria and procedures for prior approval of renovation projects. No provider shall separate a project with the intent to evade the characterization of the project as a renovation or as an extensive renovation. No provider shall increase the scope of a project after it is approved by the department of job and family services unless the increase in scope is approved by the department.

(E) The amounts specified in divisions (C) and (D) of this section shall be adjusted beginning July 1, 1993, for the estimated inflation for the twelve-month period beginning on the first day of July of the calendar year preceding the calendar year that precedes the fiscal year for which rate will be paid and ending on the thirtieth day of the following June, using the consumer price index for shelter costs for all urban consumers for the north central region, as published by the United States bureau of labor statistics.

(F)(1) For facilities of eight or fewer beds that have dates of licensure or have been granted project authorization by the department of mental retardation and developmental disabilities before July 1, 1993, and for facilities of eight or fewer beds that have dates of licensure or have been granted project authorization after that date if the facilities demonstrate that they made substantial commitments of funds on or before that date, cost of ownership shall not exceed eighteen dollars and thirty cents per resident per day. The eighteen-dollar and thirty-cent amount shall be increased by the change in the "Dodge building cost indexes, northeastern and north central states," published by Marshall and Swift, during the period beginning June 30, 1990, and ending July 1, 1993, and by the change in the consumer price index for shelter costs for all urban consumers for the north central region, as published by the United States bureau of labor statistics, annually thereafter.

(2) For facilities with eight or fewer beds that have dates of licensure or have been granted project authorization by the department of mental retardation and developmental disabilities on or after July 1, 1993, for which substantial commitments of funds were not made before that date, cost of

ownership payments shall not exceed the applicable amount calculated under division (F)(1) of this section, if the department of job and family services gives prior approval for construction of the facility or, regardless of whether the department gives prior approval, if the facility obtains a residential facility license under section 5123.19 of the Revised Code pursuant to section 5123.1910 of the Revised Code. If the department does not give prior approval, cost of ownership payments shall not exceed the amount specified in division (C) of this section unless the facility obtains a residential facility license under section 5123.19 of the Revised Code pursuant to section 5123.1910 of the Revised Code.

(3) Notwithstanding divisions (D) and (F)(1) and (2) of this section, the total payment for cost of ownership, cost of ownership efficiency incentive, and capitalized costs of renovations for an intermediate care facility for the mentally retarded with eight or fewer beds shall not exceed the sum of the limitations specified in divisions (C) and (D) of this section.

(G) Notwithstanding any provision of this section or section 5111.24 of the Revised Code, the director of job and family services may adopt rules in accordance with Chapter 119. of the Revised Code that provide for a calculation of a combined maximum payment limit for indirect care costs and cost of ownership for intermediate care facilities for the mentally retarded with eight or fewer beds.

(H) After June 30, 1980, the owner of an intermediate care facility for the mentally retarded operating under a provider agreement shall provide written notice to the department of job and family services at least forty-five days prior to entering into any contract of sale for the facility or voluntarily terminating participation in the medical assistance program. After the date on which a transaction of sale is closed, the owner shall refund to the department the amount of excess depreciation paid to the facility by the department for each year the owner has operated the facility under a provider agreement and prorated according to the number of medicaid patient days for which the facility has received payment. If an intermediate care facility for the mentally retarded is sold after five or fewer years of operation under a provider agreement, the refund to the department shall be equal to the excess depreciation paid to the facility. If an intermediate care facility for the mentally retarded is sold after more than five years but less than ten years of operation under a provider agreement, the refund to the department shall equal the excess depreciation paid to the facility multiplied by twenty per cent, multiplied by the number of years less than ten that a facility was operated under a provider agreement. If an intermediate care facility for the mentally retarded is sold after ten or more years of operation

under a provider agreement, the owner shall not refund any excess depreciation to the department. For the purposes of this division, "depreciation paid to the facility" means the amount paid to the intermediate care facility for the mentally retarded for cost of ownership pursuant to this section less any amount paid for interest costs. For the purposes of this division, "excess depreciation" is the intermediate care facility for the mentally retarded's depreciated basis, which is the owner's cost less accumulated depreciation, subtracted from the purchase price but not exceeding the amount of depreciation paid to the facility.

A cost report shall be filed with the department within ninety days after the date on which the transaction of sale is closed or participation is voluntarily terminated for an intermediate care facility for the mentally retarded subject to this division. The report shall show the accumulated depreciation, the sales price, and other information required by the department. The department shall provide for a bank, trust company, or savings and loan association to hold in escrow the amount of the last two monthly payments to an intermediate care facility for the mentally retarded made pursuant to division (A)(1) of section 5111.22 of the Revised Code before a sale or voluntary termination of participation or, if the owner fails, within the time required by this division, to notify the department before entering into a contract of sale for the facility, the amount of the first two monthly payments made to the facility after the department learns of the contract, regardless of whether a new owner is in possession of the facility. If the amount the owner will be required to refund under this section is likely to be less than the amount of the two monthly payments otherwise put into escrow under this division, the department shall take one of the following actions instead of withholding the amount of the two monthly payments:

(1) In the case of an owner that owns other facilities that participate in the medical assistance program, obtain a promissory note in an amount sufficient to cover the amount likely to be refunded;

(2) In the case of all other owners, withhold the amount of the last monthly payment to the intermediate care facility for the mentally retarded or, if the owner fails, within the time required by this division, to notify the department before entering into a contract of sale for the facility, the amount of the first monthly payment made to the facility after the department learns of the contract, regardless of whether a new owner is in possession of the facility.

The department shall, within ninety days following the filing of the cost report, audit the report and issue an audit report to the owner. The

department also may audit any other cost reports for the facility that have been filed during the previous three years. In the audit report, the department shall state its findings and the amount of any money owed to the department by the intermediate care facility for the mentally retarded. The findings shall be subject to an adjudication conducted in accordance with Chapter 119. of the Revised Code. No later than fifteen days after the owner agrees to a settlement, any funds held in escrow less any amounts due to the department shall be released to the owner and amounts due to the department shall be paid to the department. If the amounts in escrow are less than the amounts due to the department, the balance shall be paid to the department within fifteen days after the owner agrees to a settlement. If the department does not issue its audit report within the ninety-day period, the department shall release any money held in escrow to the owner. For the purposes of this section, a transfer of corporate stock, the merger of one corporation into another, or a consolidation does not constitute a sale.

If an intermediate care facility for the mentally retarded is not sold or its participation is not terminated after notice is provided to the department under this division, the department shall order any payments held in escrow released to the facility upon receiving written notice from the owner that there will be no sale or termination of participation. After written notice is received from an intermediate care facility for the mentally retarded that a sale or termination of participation will not take place, the facility shall provide notice to the department at least forty-five days prior to entering into any contract of sale or terminating participation at any future time.

(I) The department of job and family services shall pay each eligible proprietary intermediate care facility for the mentally retarded a return on the facility's net equity computed at the rate of one and one-half times the average of interest rates on special issues of public debt obligations issued to the federal hospital insurance trust fund for the cost reporting period. No facility's return on net equity paid under this division shall exceed one dollar per patient day.

In calculating the rate for return on net equity, the department shall use the greater of the facility's inpatient days during the applicable cost reporting period or the number of inpatient days the facility would have had during that period if its occupancy rate had been ninety-five per cent.

(J)(1) Except as provided in division (J)(2) of this section, if a provider leases or transfers an interest in a facility to another provider who is a related party, the related party's allowable cost of ownership shall include the lesser of the following:

(a) The annual lease expense or actual cost of ownership, whichever is

applicable;

(b) The reasonable cost to the lessor or provider making the transfer.

(2) If a provider leases or transfers an interest in a facility to another provider who is a related party, regardless of the date of the lease or transfer, the related party's allowable cost of ownership shall include the annual lease expense or actual cost of ownership, whichever is applicable, subject to the limitations specified in divisions (B) to (I) of this section, if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) In the case of a lease, if the lessor retains any ownership interest, it is, except as provided in division (J)(2)(d)(ii) of this section, in only the real property and any improvements on the real property;

(c) In the case of a transfer, the provider making the transfer retains, except as provided in division (J)(2)(d)(iv) of this section, no ownership interest in the facility;

(d) The department of job and family services determines that the lease or transfer is an arm's length transaction pursuant to rules the department shall adopt in accordance with Chapter 119. of the Revised Code no later than December 31, 2000. The rules shall provide that a lease or transfer is an arm's length transaction if all of the following, as applicable, apply:

(i) In the case of a lease, once the lease goes into effect, the lessor has no direct or indirect interest in the lessee or, except as provided in division (J)(2)(b) of this section, the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a lessor.

(ii) In the case of a lease, the lessor does not reacquire an interest in the facility except through the exercise of a lessor's rights in the event of a default. If the lessor reacquires an interest in the facility in this manner, the department shall treat the facility as if the lease never occurred when the department calculates its reimbursement rates for capital costs.

(iii) In the case of a transfer, once the transfer goes into effect, the provider that made the transfer has no direct or indirect interest in the provider that acquires the facility or the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a creditor.

(iv) In the case of a transfer, the provider that made the transfer does not reacquire an interest in the facility except through the exercise of a creditor's rights in the event of a default. If the provider reacquires an interest in the facility in this manner, the department shall treat the facility as if the transfer never occurred when the department calculates its reimbursement rates for

capital costs.

(v) The lease or transfer satisfies any other criteria specified in the rules.

(e) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a lessor or provider making the transfer who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, allowable cost of ownership was determined most recently under this division.

(B) Review and evaluate, and, taking into account the findings and recommendations of the board of alcohol, drug addiction, and mental health services of the district served by the program and the requirements and priorities of the state mental health plan, including the needs of residents of the district now residing in state mental institutions, approve and allocate funds to support community programs, and make recommendations for needed improvements to boards of alcohol, drug addiction, and mental health services;

(C) Withhold state and federal funds for any program, in whole or in part, from a board of alcohol, drug addiction, and mental health services in the event of failure of that program to comply with Chapter 340. or section 5119.61, 5119.611, 5119.612, or 5119.62 of the Revised Code or rules of the department of mental health. The director shall identify the areas of noncompliance and the action necessary to achieve compliance. The director shall offer technical assistance to the board to achieve compliance. The director shall give the board a reasonable time within which to comply or to present its position that it is in compliance. Before withholding funds, a hearing shall be conducted to determine if there are continuing violations and that either assistance is rejected or the board is unable to achieve

compliance. Subsequent to the hearing process, if it is determined that compliance has not been achieved, the director may allocate all or part of the withheld funds to a public or private agency to provide the services not in compliance until the time that there is compliance. The director shall establish rules pursuant to Chapter 119. of the Revised Code to implement this division.

(D) Withhold state or federal funds from a board of alcohol, drug addiction, and mental health services that denies available service on the basis of religion, race, color, creed, sex, national origin, age, disability as defined in section 4112.01 of the Revised Code, developmental disability, or the inability to pay;

(G) Establish criteria by which a board of alcohol, drug addiction, and mental health services reviews and evaluates the quality, effectiveness, and efficiency of services provided through its community mental health plan. The criteria shall include requirements ensuring appropriate service utilization. The department shall assess a board's evaluation of services and the compliance of each board with this section, Chapter 340. or section 5119.62 of the Revised Code, and other state or federal law and regulations. The department, in cooperation with the board, periodically shall review and evaluate the quality, effectiveness, and efficiency of services provided through each board. The department shall collect information that is necessary to perform these functions.

(H) Develop and operate a community mental health information system.

Code;

(2) Financial information other than price or price-related data regarding expenditures of boards and community mental health agencies, including units of service provided, budgeted and actual expenses by type, and sources of funds.

Boards shall submit the information specified in division (H)(1) of this section no less frequently than annually for each client, and each time the client's case is opened or closed. The department shall not collect any information for the purpose of identifying by name any person who receives a service through a board of alcohol, drug addiction, and mental health services, except as required by state or federal law to validate appropriate reimbursement. For the purposes of division (H)(1) of this section, the department shall use an identification system that is consistent with applicable nationally recognized standards.

(I) Review each board's community mental health plan submitted pursuant to section 340.03 of the Revised Code and approve or disapprove it in whole or in part. Periodically, in consultation with representatives of boards and after considering the recommendations of the medical director, the director shall issue criteria for determining when a plan is complete, criteria for plan approval or disapproval, and provisions for conditional approval. The factors that the director considers may include, but are not limited to, the following:

(1) The mental health needs of all persons residing within the board's service district, especially severely mentally disabled children, adolescents, and adults;

(2) The demonstrated quality, effectiveness, efficiency, and cultural relevance of the services provided in each service district, the extent to which any services are duplicative of other available services, and whether the services meet the needs identified above;

(3) The adequacy of the board's accounting for the expenditure of funds.

If the director disapproves all or part of any plan, the director shall provide the board an opportunity to present its position. The director shall inform the board of the reasons for the disapproval and of the criteria that must be met before the plan may be approved. The director shall give the board a reasonable time within which to meet the criteria, and shall offer technical assistance to the board to help it meet the criteria.

If the approval of a plan remains in dispute thirty days prior to the conclusion of the fiscal year in which the board's current plan is scheduled to expire, the board or the director may request that the dispute be submitted to a mutually agreed upon third-party mediator with the cost to be shared by

the board and the department. The mediator shall issue to the board and the department recommendations for resolution of the dispute. Prior to the conclusion of the fiscal year in which the current plan is scheduled to expire, the director, taking into consideration the recommendations of the mediator, shall make a final determination and approve or disapprove the plan, in whole or in part.

Sec. 5119.611. (A) A board of alcohol, drug addiction, and mental health services may not contract with a community mental health agency under division (A)(8)(a) of section 340.03 of the Revised Code to provide community mental health services included in the board's community mental health plan unless the services are certified by the director of mental health under this section.

A community mental health agency that seeks the director's certification of its community mental health services shall submit an application to the director. On receipt of the application, the director may visit and shall evaluate the agency to determine whether its services satisfy the standards established by rules adopted under division (C) of this section. The director shall make the evaluation, and, if the director visits the agency, shall make the visit, in cooperation with the board of alcohol, drug addiction, and mental health services with which the agency seeks to contract.

If the director determines that a community mental health agency's services satisfy the standards, the director shall certify the services.

If the director determines that a community mental health agency's services do not satisfy the standards, the director shall identify the areas of noncompliance, specify what action is necessary to satisfy the standards, and offer technical assistance to the board of alcohol, drug addiction, and mental health services so that the board may assist the agency in satisfying the standards. The director shall give the agency a reasonable time within which to demonstrate that its services satisfy the standards or to bring the services into compliance with the standards. If the director concludes that the services continue to fail to satisfy the standards, the director may request that the board reallocate the funds for the community mental health services the agency was to provide to another community mental health agency whose community mental health services satisfy the standards. If the board does not reallocate those funds in a reasonable period of time, the director may withhold state and federal funds for the community mental health services and allocate those funds directly to a community mental health agency whose community mental health services satisfy the standards.

(B) Each community mental health agency seeking certification of its community mental health services under this section shall pay a fee for the

certification review required by this section. Fees shall be paid into the sale of goods and services fund created pursuant to section 5119.161 of the Revised Code.

(1) Establish certification standards for community mental health services, including assertive community treatment and intensive home-based mental health services, that are consistent with nationally recognized applicable standards and facilitate participation in federal assistance programs. The rules shall include as certification standards only requirements that improve the quality of services or the health and safety of clients of community mental health services. The standards shall address at a minimum all of the following:

- (a) Reporting major unusual incidents to the director;
- (b) Procedures for applicants for and clients of community mental health services to file grievances and complaints;
- (c) Seclusion;
- (d) Restraint;

 - (ii) The right at all times to be treated with consideration and respect for the client's privacy and dignity;
 - (iii) The right to have access to the client's own psychiatric, medical, or other treatment records unless access is specifically restricted in the client's treatment plan for clear treatment reasons;
 - (iv) The right to have a client rights officer provided by the agency or board of alcohol, drug addiction, and mental health services advise the client of the client's rights, including the client's rights under Chapter 5122. of the Revised Code if the client is committed to the agency or board.

(2) Establish standards for qualifications of mental health professionals as defined in section 340.02 of the Revised Code and personnel who provide the community mental health services;

(3) Establish the process for certification of community mental health services;

(4) Set the amount of certification review fees based on a portion of the cost of performing the review;

(5) Specify the type of notice and hearing to be provided prior to a decision on whether to reallocate funds.

(D) The rules adopted under division (C)(1) of this section to establish certification standards for assertive community treatment and intensive home-based mental health services shall be adopted not later than July 1, 2004.

(9) In proceedings initiated to deny, refuse to renew, or revoke licenses, the director may deny, refuse to renew, or revoke a license regardless of whether some or all of the deficiencies that prompted the proceedings have been corrected at the time of the hearing.

(E) The director shall establish a program under which public notification may be made when the director has initiated license revocation proceedings or has issued an order for the suspension of admissions, placement of a monitor, or removal of residents. The director shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this division. The rules shall establish the procedures by which the public notification will be made and specify the circumstances for which the notification must be made. The rules shall require that public notification be made if the director has taken action against the facility in the eighteen-month period immediately preceding the director's latest action against the facility and the latest action is being taken for the same or a substantially similar violation of a provision of this chapter that applies to residential facilities or the rules adopted under such a provision. The rules shall specify a method for removing or amending the public notification if the director's action is found to have been unjustified or the violation at the residential facility has been corrected.

(F)(1) Except as provided in division (F)(2) of this section, appeals from proceedings initiated to impose a sanction under division (D) of this section shall be conducted in accordance with Chapter 119. of the Revised Code.

(2) Appeals from proceedings initiated to order the suspension of admissions to a facility shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(a) The licensee may request a hearing not later than ten days after receiving the notice specified in section 119.07 of the Revised Code.

(b) If a timely request for a hearing is made, the hearing shall commence not later than thirty days after the department receives the request.

(d) If the hearing is conducted by a hearing examiner, the hearing examiner shall file a report and recommendations not later than ten days after the close of the hearing.

(e) Not later than five days after the hearing examiner files the report and recommendations, the licensee may file objections to the report and recommendations.

(f) Not later than fifteen days after the hearing examiner files the report and recommendations, the director shall issue an order approving, modifying, or disapproving the report and recommendations.

(g) Notwithstanding the pendency of the hearing, the director shall lift the order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

The rules for intermediate care facilities for the mentally retarded may differ from those for other residential facilities. The rules shall establish and specify the following:

(1) Procedures and criteria for issuing and renewing licenses, including procedures and criteria for determining the length of the licensing period that the director must specify for each license when it is issued or renewed;

(11) Procedures for waiving any provision of any rule adopted under

this section.

(H) Before issuing a license, the director of the department or the director's designee shall conduct a survey of the residential facility for which application is made. The director or the director's designee shall conduct a survey of each licensed residential facility at least once during the period the license is valid and may conduct additional inspections as needed. A survey includes but is not limited to an on-site examination and evaluation of the residential facility, its personnel, and the services provided there.

In conducting surveys, the director or the director's designee shall be given access to the residential facility; all records, accounts, and any other documents related to the operation of the facility; the licensee; the residents of the facility; and all persons acting on behalf of, under the control of, or in connection with the licensee. The licensee and all persons on behalf of, under the control of, or in connection with the licensee shall cooperate with the director or the director's designee in conducting the survey.

Following each survey, unless the director initiates a license revocation proceeding, the director or the director's designee shall provide the licensee with a report listing any deficiencies, specifying a timetable within which the licensee shall submit a plan of correction describing how the deficiencies will be corrected, and, when appropriate, specifying a timetable within which the licensee must correct the deficiencies. After a plan of correction is submitted, the director or the director's designee shall approve or disapprove the plan. A copy of the report and any approved plan of correction shall be provided to any person who requests it.

The director shall initiate disciplinary action against any department employee who notifies or causes the notification to any unauthorized person of an unannounced survey of a residential facility by an authorized representative of the department.

(I) In addition to any other information which may be required of applicants for a license pursuant to this section and except as provided in section 5123.1910 of the Revised Code, the director shall require each applicant to provide a copy of an approved plan for a proposed residential facility pursuant to section 5123.042 of the Revised Code. This division does not apply to renewal of a license.

(J) A licensee shall notify the owner of the building in which the licensee's residential facility is located of any significant change in the identity of the licensee or management contractor before the effective date of the change if the licensee is not the owner of the building.

Pursuant to rules which shall be adopted in accordance with Chapter

119. of the Revised Code, the director may require notification to the department of any significant change in the ownership of a residential facility or in the identity of the licensee or management contractor. If the director determines that a significant change of ownership is proposed, the director shall consider the proposed change to be an application for development by a new operator pursuant to section 5123.042 of the Revised Code and shall advise the applicant within sixty days of such notification that the current license shall continue in effect or a new license will be required pursuant to this section. If the director requires a new license, the director shall permit the facility to continue to operate under the current license until the new license is issued, unless the current license is revoked, refused to be renewed, or terminated in accordance with Chapter 119. of the Revised Code.

(K) A county board of mental retardation and developmental disabilities, the legal rights service, and any interested person may file complaints alleging violations of statute or department rule relating to residential facilities with the department. All complaints shall be in writing and shall state the facts constituting the basis of the allegation. The department shall not reveal the source of any complaint unless the complainant agrees in writing to waive the right to confidentiality or until so ordered by a court of competent jurisdiction.

The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures for the receipt, referral, investigation, and disposition of complaints filed with the department under this division.

(L) The department shall establish procedures for the notification of interested parties of the transfer or interim care of residents from residential facilities that are closing or are losing their license.

(2) If the facility will be located in unincorporated territory, the clerk of the appropriate board of county commissioners and the clerk of the appropriate board of township trustees.

The director shall not issue the license for ten days after mailing the notice, excluding Saturdays, Sundays, and legal holidays, in order to give the notified local officials time in which to comment on the proposed issuance.

Any legislative authority of a municipal corporation, board of county commissioners, or board of township trustees that receives notice under this division of the proposed issuance of a license for a residential facility may comment on it in writing to the director within ten days after the director mailed the notice, excluding Saturdays, Sundays, and legal holidays. If the director receives written comments from any notified officials within the specified time, the director shall make written findings concerning the comments and the director's decision on the issuance of the license. If the director does not receive written comments from any notified local officials within the specified time, the director shall continue the process for issuance of the license.

(N) Any person may operate a licensed residential facility that provides room and board, personal care, habilitation services, and supervision in a family setting for at least six but not more than eight persons with mental retardation or a developmental disability as a permitted use in any residential district or zone, including any single-family residential district or zone, of any political subdivision. These residential facilities may be required to comply with area, height, yard, and architectural compatibility requirements that are uniformly imposed upon all single-family residences within the district or zone.

(O) Any person may operate a licensed residential facility that provides room and board, personal care, habilitation services, and supervision in a family setting for at least nine but not more than sixteen persons with mental retardation or a developmental disability as a permitted use in any multiple-family residential district or zone of any political subdivision, except that a political subdivision that has enacted a zoning ordinance or resolution establishing planned unit development districts may exclude these residential facilities from such districts, and a political subdivision that has enacted a zoning ordinance or resolution may regulate these residential facilities in multiple-family residential districts or zones as a conditionally permitted use or special exception, in either case, under reasonable and specific standards and conditions set out in the zoning ordinance or resolution to:

(1) Require the architectural design and site layout of the residential facility and the location, nature, and height of any walls, screens, and fences to be compatible with adjoining land uses and the residential character of the neighborhood;

(2) Require compliance with yard, parking, and sign regulation;

(3) Limit excessive concentration of these residential facilities.

(P) This section does not prohibit a political subdivision from applying

to residential facilities nondiscriminatory regulations requiring compliance with health, fire, and safety regulations and building standards and regulations.

(Q) Divisions (N) and (O) of this section are not applicable to municipal corporations that had in effect on June 15, 1977, an ordinance specifically permitting in residential zones licensed residential facilities by means of permitted uses, conditional uses, or special exception, so long as such ordinance remains in effect without any substantive modification.

(R)(1) The director may issue an interim license to operate a residential facility to an applicant for a license under this section if either of the following is the case:

(a) The director determines that an emergency exists requiring immediate placement of persons in a residential facility, that insufficient licensed beds are available, and that the residential facility is likely to receive a permanent license under this section within thirty days after issuance of the interim license.

(b) The director determines that the issuance of an interim license is necessary to meet a temporary need for a residential facility.

(2) To be eligible to receive an interim license, an applicant must meet the same criteria that must be met to receive a permanent license under this section, except for any differing procedures and time frames that may apply to issuance of a permanent license.

(3) An interim license shall be valid for thirty days and may be renewed by the director for a period not to exceed one hundred fifty days.

(4) The director shall adopt rules in accordance with Chapter 119. of the Revised Code as the director considers necessary to administer the issuance of interim licenses.

(T) The director or the director's designee may enter at any time, for purposes of investigation, any home, facility, or other structure that has been reported to the director or that the director has reasonable cause to believe is being operated as a residential facility without a license issued under this section.

The director may petition the court of common pleas of the county in which an unlicensed residential facility is located for an order enjoining the person or governmental agency operating the facility from continuing to operate without a license. The court may grant the injunction on a showing that the person or governmental agency named in the petition is operating a residential facility without a license. The court may grant the injunction, regardless of whether the residential facility meets the requirements for receiving a license under this section.

Sec. 5123.196. (A) Except as provided in divisions (E) and (F) of this section, the director of mental retardation and developmental disabilities shall not issue a license under section 5123.19 of the Revised Code on or after July 1, 2003, if issuance will result in there being more beds in all residential facilities licensed under that section than is permitted under division (B) of this section.

(B) The maximum number of beds for the purpose of division (A) of this section shall not exceed ten thousand eight hundred thirty-eight minus, except as provided in division (C) of this section, both of the following:

(1) The number of such beds that cease to be residential facility beds on or after July 1, 2003, because a residential facility license is revoked, terminated, or not renewed for any reason or is surrendered in accordance with section 5123.19 of the Revised Code and after the issuance of an adjudication order pursuant to Chapter 119. of the Revised Code;

(2) The number of such beds for which a licensee voluntarily converts to use for supported living on or after July 1, 2003.

(C) The director is not required to reduce the maximum number of beds pursuant to division (B) of this section by a bed that ceases to be a residential facility bed if the director determines that the bed is needed to provide services to an individual with mental retardation or a developmental disability who resided in the residential facility in which the bed was located.

(D) The director shall maintain an up-to-date written record of the maximum number of residential facility beds provided for by division (B) of this section.

(E) If required by section 5123.1910 of the Revised Code to issue a license under section 5123.19 of the Revised Code, the director shall issue the license regardless of whether issuance will result in there being more beds in all residential facilities licensed under that section than is permitted under division (B) of this section.

(F) The director may issue an interim license under division (R) of section 5123.19 of the Revised Code and issue, pursuant to rules adopted

under division (G)(11) of that section, a waiver allowing a residential facility to admit more residents than the facility is licensed to admit regardless of whether the interim license or waiver will result in there being more beds in all residential facilities licensed under that section than is permitted under division (B) of this section.

Sec. 5123.198. (A) As used in this section, "date of the commitment" means the date that an individual specified in division (B) of this section begins to reside in a state-operated intermediate care facility for the mentally retarded after being committed to the facility pursuant to sections 5123.71 to 5123.76 of the Revised Code.

(D) The department may reduce under division (B) of this section the number of residents for which a residential facility is licensed even though the residential facility completes the actions specified in division (C)(4) of this section not later than ninety days after the date of the commitment if all of the following are the case:

(1) The department shall give to each county a proportional allocation of commitment credits. The proportional allocation of commitment credits shall be calculated by the following procedures:

(a) The department shall determine for each county and for the state a four year average of felony adjudications.

(b) The department shall determine for each county and for the state the number of charged bed days, for both the department and community correctional facilities, from the previous year.

(c) The department shall divide the statewide total number of charged bed days by the statewide total number of felony adjudications, which quotient shall then be multiplied by a factor determined by the department.

(2) The department shall subtract from the allocation determined pursuant to division (C)(1) of this section a credit for every chargeable bed day a youth stays in a department institution and two-thirds of credit for every chargeable bed day a youth stays in a community correctional facility. At the end of the year, the department shall divide the amount of remaining credits of that county's allocation by the total number of remaining credits to all counties, to determine the county's percentage, which shall then be applied to the total county allocation to determine the county's payment for the fiscal year.

(3) The department shall pay counties three times during the fiscal year to allow for credit reporting and audit adjustments, and modifications to the appropriated line item for the care and custody of felony delinquents, as described in this section. The department shall pay fifty per cent of the payment by the fifteenth of July of each fiscal year, twenty-five per cent by the fifteenth of January of that fiscal year, and twenty-five per cent of the payment by the fifteenth of June of that fiscal year.

(D) In fiscal year 2004, the payment of county juvenile programs shall be based on the following procedure:

(1) The department shall divide the funding earned by each court in fiscal year 2003 by the aggregate funding of all courts, resulting in a percentage.

(2) The department shall apply the percentage determined under division (D)(1) of this section to the total county juvenile program allocation for fiscal year 2004 to determine each court's total payment.

(3) The department shall make payments in accordance with the schedule established in division (C)(3) of this section.

Sec. 5139.43. (A) The department of youth services shall operate a felony delinquent care and custody program ~~with the remainder of the appropriation described in division (E) of section 5139.41 of the Revised Code. ~~(B)(1) The department of youth services annually shall allocate to each county a portion of the remainder of the appropriation described in division (E) of section 5139.41 of the Revised Code. The portion to be allocated to each county shall be determined by multiplying the county's percentage determined under division (E) of section 5139.42 of the Revised Code by the amount of that remainder. The department shall divide the portion to be~~

allocated to each county by twelve or, if in a particular fiscal year the felony delinquent care and custody program is in effect in a county less than twelve months, by the number of months the program is in effect in that county to ~~determine the monthly allocation to that county.~~

(i) Seventy-five per cent of the amount determined by multiplying the per diem cost for the care and custody of felony delinquents, as determined pursuant to division (D) of section 5139.42 of the Revised Code, by the number of felony delinquents who have been adjudicated delinquent children and, except as otherwise provided in divisions (B)(2)(a) and (3) of this section, who are in the care and custody of an institution pursuant to a commitment, recommitment, or revocation of a release by the juvenile court ~~of that county;~~

(ii) Fifty per cent of the amount determined by multiplying the per diem cost for the care and custody of felony delinquents, as determined pursuant to division (D) of section 5139.42 of the Revised Code, by the number of felony delinquents who have been adjudicated delinquent children and, except as otherwise provided in division (B)(3) of this section, who are in the care and custody of a community corrections facility pursuant to a placement by the department with the consent of the juvenile court of that ~~county as described in division (E) of section 5139.36 of the Revised Code.~~

Public safety beds shall not be included in the number of felony delinquents who have been adjudicated delinquent children by a juvenile court in making the seventy-five per cent reduction described in division (B)(2)(a)(i) of this section. The department shall bear the care and custody ~~costs associated with public safety beds.~~

(b) If a county has exhausted its current and future monthly allocations for the current fiscal year as determined under division (B)(1) of this section, the department shall bear the remainder of the amounts calculated under divisions (B)(2)(a)(i) and (ii) of this section for the care and custody of felony delinquents who are in the care and custody of an institution pursuant to a commitment, recommitment, or revocation of a release or in the care and custody of a community corrections facility by debiting, in accordance with division (C)(2) of section 5139.45 of the Revised Code, the amount of the appropriation for care and custody of felony delinquents that was set aside for the contingency program pursuant to division (A) of ~~section 5139.41 of the Revised Code.~~

(3)(a) Subject to divisions (B)(2)(b) and (4) and (C)(3)(b) and (c) of this section and subject to the special provisions of division (B)(3)(b) of this section pertaining to monthly allocations under divisions (B)(1) and (2)(a) of this section for the month of June, after the application of division (B)(2)(a) of this section and on or before the fifteenth day of the following month, the department shall disburse to the juvenile court of each county the remainder of the monthly allocation of that county as determined pursuant to ~~divisions (B)(1) and (2)(a) of this section.~~

(b)(i) For the monthly allocation for the month of June of each fiscal year, the department shall estimate for each county the number of felony delinquents described in divisions (B)(2)(a)(i) and (ii) of this section rather than use the actual number of those felony delinquents, shall use the estimated number of those felony delinquents in making the seventy-five per cent and fifty per cent reductions described in those divisions, and shall encumber the remainder of the estimated monthly allocation of each county for the month of June, as determined pursuant to divisions (B)(1), (2)(a), and (3)(b)(i) of this section, for disbursement in the month of July of the next fiscal year in accordance with division (B)(3)(b)(ii) of this section. After that reconciliation occurs, subject to divisions (B)(2)(b) and (4) and (C)(3)(b) and (c) of this section, the department shall disburse to each county the remainder of its monthly allocation for the month of June of the prior fiscal year as adjusted pursuant to the reconciliation and division ~~(B)(3)(b)(ii) of this section.~~

allocations for that month to which those counties are entitled under divisions (B)(1) and (2)(a) of this section by using the actual number of felony delinquents described in divisions (B)(2)(a)(i) and (ii) of this section rather than the estimated number of those felony delinquents, the department may make the necessary adjustments in the monthly allocations of those counties for the month of June of the prior fiscal year within the total of the moneys for monthly allocations for that month that were encumbered for all of the counties. If that total amount is insufficient to make the requisite monthly allocations for that month to all counties in accordance with divisions (B)(1) and (2)(a) of this section, the department shall cover the insufficiency by debiting, in accordance with division (C)(2) of section 5139.45 of the Revised Code, the amount of the appropriation for care and custody of felony delinquents that was set aside for the contingency program ~~pursuant to division (A) of section 5139.41 of the Revised Code.~~

(C) The tax commissioner, on the commissioner's own initiative or on complaint by the county auditor of the any county in which any property to which such air or noise pollution control the exempt facility certificate relates is located, shall revoke such air or noise pollution control certificate whenever any of the following appears the certificate, or modify it by restricting its operation, if it appears to the commissioner that any of the following has occurred:

~~(A)(1)~~ The certificate was obtained by fraud or misrepresentation; ~~(B)(2)~~

The holder of the certificate has failed substantially to proceed with the construction, reconstruction, installation, or acquisition of air or noise pollution control facilities an exempt facility;

~~(C)(3)~~ The structure or equipment or both property to which the certificate relates has ceased to be used for the primary purpose of pollution control and is being used for a different purpose.

Provided, that where the circumstances so require, the commissioner in lieu of revoking such certificate may modify the same by restricting its operations as an exempt facility;

(4) The tax commissioner issued the certificate in error. As used in this section, "error" means any of the following:

(a) A clerical or mathematical mistake;

(b) When the commissioner agrees with an opinion from the director of environmental protection or the director of development that a certificate should not have been issued;

(c) When the tax commissioner determines that the issuance of the certificate may have been improper as the result of a final adjudication by the board of tax appeals, or by a court with jurisdiction on appeal from that

board, that is adverse to the original exempt status of the facility, regardless of whether the holder of the certificate was a party to such adjudication.

(D) If the revocation or modification of a certificate under division (C)(4) of this section is an action found to be frivolous for the purposes of section 5703.54 of the Revised Code the certificate holder may claim damages as provided under division (B) of that section.

~~On the mailing of notice of the action of the commissioner revoking or modifying an air or noise pollution control certificate as provided in section 5709.23 of the Revised Code, such~~ (E) Upon service of notice certificate to the holder of an exempt facility certificate, in the manner provided in section 5703.37 of the Revised Code, of the tax commissioner's revocation or modification of the certificate under division (C) of this section, the certificate shall cease to be in force or shall remain in force only as modified, as the case may require. The notice is subject to appeal under section 5717.02 of the Revised Code. Once all appeals are exhausted, the commissioner shall issue a modified certificate, if applicable, and the holder of the certificate shall be allowed to claim a refund within one hundred eighty days, notwithstanding any other time limitation provided by law of the taxes paid as a result of the certificate being revoked or modified.

Sec. 5709.23. (A) As soon as is practicable after receiving an application for an exempt facility certificate, the tax commissioner shall provide a copy of the application and any accompanying documentation to the county auditor of the county in which the facility is located. The copy shall be accompanied by a statement showing an estimate of what the assessed value of the facility would be, based on the appropriate assessment percentage, if the facility were to be taxable, and an estimate of the taxes that would be chargeable against the facility computed on the basis of the rate of taxation in the taxing district in the year in which the application is received. Within sixty days after receiving such a statement, the county auditor shall issue a notice to the taxing authority of each taxing unit in which the facility is or is to be located. The notice shall state that an application for an exempt facility certificate has been filed for the facility; the estimated assessed value of the facility shown on the statement; the annual amount of taxes that would be charged and payable on that value at the current rate of taxation in effect in the taxing unit; and that, if approved, the application entitles the facility to exemption from taxation and the taxing unit may be required to refund any taxes on the facility accruing after the certificate becomes effective. The tax commissioner shall issue an amended statement if, after the original statement is issued, the estimate of such assessed value increases or decreases by more than ten per cent of the

estimated value shown on the most recently issued statement or amended statement, and the county auditor shall issue an amended notice reflecting such change.

(B) Upon request by the county auditor of the county in which the exempt facility described in the application is located, the tax commissioner shall provide the county auditor with any documents submitted with the opinion of the director of environmental protection or director of development, including a copy of opinion.

(C) Any documents, statements, and notices provided for under this section are solely for the purpose of notifying taxing authorities of the existence of an exempt facility application and the potential for a refund of taxes paid on an exempt facility before a tax exemption certificate is issued. Such documents, statements, and notices do not constitute an assessment that is subject to a petition for reassessment nor are such documents, statements, and notices appealable under section 5717.02 of the Revised Code by any person.

(D) The documents, statements, and notices provided by the tax commissioner under this section are subject to all applicable confidentiality provisions of law.

Sec. 5709.24. The tax commissioner may adopt rules to administer sections 5709.20 to 5709.27 of the Revised Code.

Sec. 5709.25. (A) Whenever an ~~air or noise pollution control~~ exempt facility certificate is issued ~~on a pollution control facility~~, the transfer of tangible personal property to the holder of the certificate, whether such transfer takes place before or after the issuance of the certificate, shall not be considered a "sale" of such tangible personal property for the purpose of the sales tax, or a "use" for the purpose of the use tax, if the tangible personal property is to be or was a material or part to be incorporated into an ~~air or noise pollution control~~ exempt facility as defined in section 5709.20 of the Revised Code.

(B) For the period subsequent to the effective date of an ~~air or noise pollution control~~ exempt facility certificate and continuing for so long as the certificate is in force, no ~~pollution control~~ exempt facility or certified portion thereof shall be considered to be either of the following:

- (1) An improvement on the land on which the ~~same~~ exempt facility is located for the purpose of real property taxation;
- (2) As "used in business" for the purpose of personal property taxation;
- (3) ~~As an asset of any corporation in determining the value of its issued and outstanding shares or the value of the property owned and used by it in this state for the purpose of the franchise tax.~~

(C)(1) The tax commissioner, upon receiving a properly completed application for an exempt facility certificate, may allow the applicant to claim the exemption provided by this section before the commissioner issues the certificate. The applicant is entitled to the exemption unless the commissioner notifies the applicant otherwise by serving notice upon the applicant in the manner prescribed by section 5703.37 of the Revised Code.

(2) A taxpayer whose tangible personal property is subject to taxation under Chapter 5727. of the Revised Code shall notify the commissioner in writing of any property the applicant does not want the commissioner to exclude from assessment. The notice shall be provided before the date the commissioner issues the preliminary assessment under section 5727.23 of the Revised Code.

(D)(1) Notwithstanding any other time limitations imposed by law, the commissioner may assess any additional tax or may assess any additional taxable property, including any applicable interest, on the denied portion of the applicant's claim for an exempt facility that the applicant claimed prior to the exempt facility certificate being issued or the application being denied. No assessment shall be made pursuant to this division after one hundred eighty days from the date the commissioner mails the exempt facility certificate or notice of the denial of the exempt facility certificate pursuant to section 5709.22 of the Revised Code. Nothing in this section shall prohibit an assessment that otherwise may be timely made by law.

(2) Assessments issued pursuant to division (D)(1) of this section shall be issued as amended preliminary assessment certificates under section 5711.31 of the Revised Code for personal property tax, as amended preliminary assessment certificates under section 5727.23 of the Revised Code for public utility tax, and as assessments under section 5733.11 of the Revised Code for corporation franchise tax, section 5739.13 of the Revised Code for sales tax, and section 5741.11 of the Revised Code for use tax, and are subject to the same appeal requirements as defined in those sections.

(3) Nothing in division (D) of this section allows the tax commissioner, after the expiration of the time limitation, to issue an assessment referenced in division (D)(2) of this section that increases any tax beyond the amount claimed by the applicant as an exempt facility.

(4) If an assessment is issued for only the denied portion of the application for an exempt facility, the only issue the applicant is permitted to raise on appeal of the assessment referenced in division (D)(2) of this section is that of the taxable property or transaction constituting the denied portion of the applicant's claim for an exempt facility.

(E) Except as otherwise provided in this division, no exemption for

additional property shall be claimed under this section after an exempt facility certificate has been issued for that facility unless the applicant files a new application under section 5709.21 of the Revised Code. The tax commissioner shall waive the requirement to file a new application under section 5709.21 of the Revised Code if the cost of the additional property, net of retirements for similar property, does not exceed five hundred thousand dollars during any calendar year. The fee imposed under section 5709.212 of the Revised Code for applications filed as a result of this division shall be five hundred dollars.

(F) If, as the result of a revaluation due to sale or bankruptcy or any other reason, the book value of property that is the subject of an exempt facility certificate is changed from the book value at the time of the original issuance of the certificate, the amount of exemption available to the owner is limited to the percentage resulting from the ratio of the historical cost of the property that is the subject of the exempt facility certificate to the historic cost of all tangible personal property and real property of the owner located at the same location as the property subject to the exempt facility certificate. If the result of using this ratio is greater than the original cost, then acceptable reasons for allowing such greater cost must be established with supporting documentation in order to qualify for the exemption above the original cost.

(G) After two years from the date the tax commissioner receives an application, the applicant may request in writing that the tax commissioner take final action on the pending application. Within ten days after receiving such a request, the tax commissioner shall issue a proposed finding, under section 5709.22 of the Revised Code, if the application is allowed in whole or in part. Otherwise, the tax commissioner shall issue a final determination denying the issuance of the certificate, which is a final determination appealable under section 5717.02 of the Revised Code.

Sec. 5709.26. When an ~~air or noise pollution control~~ exempt facility certificate is revoked ~~because obtained by fraud or misrepresentation or~~ modified for the reason stated in division (C)(1) of section 5709.22 of the Revised Code, all taxes ~~which that~~ would have been payable had no certificate been issued shall be assessed with ~~maximum~~ penalties and interest prescribed by law applicable thereto dating to when the exemption was first allowed. Notwithstanding any other time limitations imposed by law, if the certificate is revoked or modified under division (C)(2), (3), or (4) of section 5709.22 of the Revised Code, all taxes that would have been payable had no certificate existed as of the first day of January of the calendar year in which the certificate was revoked or modified are subject to

assessment.

Sec. 5709.27. In the event of the sale, lease, or other transfer of an ~~air or noise pollution control~~ exempt facility, not involving a different location or use, the holder of an ~~air or noise pollution control~~ the exempt facility certificate ~~for such facility may~~ shall transfer the certificate by written instrument to the person who, except for the transfer of the certificate, would be obligated to pay taxes on ~~such~~ the facility. The transferee shall become the holder of the certificate and shall have all the rights to exemption from taxes ~~which were~~ granted to the former holder or holders, effective as of the date of transfer of the facility or the date of transfer of the certificate, whichever is earlier. The transferee shall promptly give written notice of the effective date of the transfer, together with a copy of the instrument of transfer, to the tax commissioner and the county auditor of the county in which the facility is located. Upon request, the commissioner may provide the transferee with any information the commissioner possesses related to the issuance of the exempt facility certificate.

Sec. 5709.62. (A) In any municipal corporation that is defined by the United States office of management and budget as a central city of a metropolitan statistical area, or in a city designated as an urban cluster in a rural statistical area, the legislative authority of the municipal corporation may designate one or more areas within its municipal corporation as proposed enterprise zones. Upon designating an area, the legislative authority shall petition the director of development for certification of the area as having the characteristics set forth in division (A)(1) of section 5709.61 of the Revised Code as amended by Substitute Senate Bill No. 19 of the 120th general assembly. Except as otherwise provided in division (E) of this section, on and after July 1, 1994, legislative authorities shall not enter into agreements under this section unless the legislative authority has petitioned the director and the director has certified the zone under this section as amended by that act; however, all agreements entered into under this section as it existed prior to July 1, 1994, and the incentives granted under those agreements shall remain in effect for the period agreed to under those agreements. Within sixty days after receiving such a petition, the director shall determine whether the area has the characteristics set forth in division (A)(1) of section 5709.61 of the Revised Code, and shall forward the findings to the legislative authority of the municipal corporation. If the director certifies the area as having those characteristics, and thereby

certifies it as a zone, the legislative authority may enter into an agreement with an enterprise under division (C) of this section.

(B) Any enterprise that wishes to enter into an agreement with a municipal corporation under division (C) of this section shall submit a proposal to the legislative authority of the municipal corporation on a form prescribed by the director of development, together with the application fee established under section 5709.68 of the Revised Code. The form shall require the following information:

(1) An estimate of the number of new employees whom the enterprise intends to hire, or of the number of employees whom the enterprise intends to retain, within the zone at a facility that is a project site, and an estimate of the amount of payroll of the enterprise attributable to these employees;

(2) An estimate of the amount to be invested by the enterprise to establish, expand, renovate, or occupy a facility, including investment in new buildings, additions or improvements to existing buildings, machinery, equipment, furniture, fixtures, and inventory;

(3) A listing of the enterprise's current investment, if any, in a facility as of the date of the proposal's submission.

The enterprise shall review and update the listings required under this division to reflect material changes, and any agreement entered into under division (C) of this section shall set forth final estimates and listings as of the time the agreement is entered into. The legislative authority may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(C) Upon receipt and investigation of a proposal under division (B) of this section, if the legislative authority finds that the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and improve the economic climate of the municipal corporation, the legislative authority, on or before ~~June 30, 2004~~ October 15, 2009, may do one of the following:

(1) Enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the following incentives:

(a) Exemption for a specified number of years, not to exceed ten, of a specified portion, up to seventy-five per cent, of the assessed value of tangible personal property first used in business at the project site as a result of the agreement. An exemption granted pursuant to this division applies to

inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except that, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the establishment of the zone, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(b) Exemption for a specified number of years, not to exceed ten, of a specified portion, up to seventy-five per cent, of the increase in the assessed valuation of real property constituting the project site subsequent to formal approval of the agreement by the legislative authority;

(c) Provision for a specified number of years, not to exceed ten, of any optional services or assistance that the municipal corporation is authorized to provide with regard to the project site.

(2) Enter into an agreement under which the enterprise agrees to remediate an environmentally contaminated facility, to spend an amount equal to at least two hundred fifty per cent of the true value in money of the real property of the facility prior to remediation as determined for the purposes of property taxation to establish, expand, renovate, or occupy the remediated facility, and to hire new employees or preserve employment opportunities for existing employees at the remediated facility, in return for one or more of the following incentives:

(a) Exemption for a specified number of years, not to exceed ten, of a specified portion, not to exceed fifty per cent, of the assessed valuation of the real property of the facility prior to remediation;

(b) Exemption for a specified number of years, not to exceed ten, of a specified portion, not to exceed one hundred per cent, of the increase in the assessed valuation of the real property of the facility during or after remediation;

(c) The incentive under division (C)(1)(a) of this section, except that the percentage of the assessed value of such property exempted from taxation shall not exceed one hundred per cent;

(d) The incentive under division (C)(1)(c) of this section.

(3) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has ceased operation or announced its intention to cease operation, in return for exemption for a specified number of years, not to exceed ten, of a specified portion, up to one hundred per cent, of the assessed value of tangible personal property used in business at the project site as a result of the agreement, or of the assessed valuation of real property constituting the project site, or both.

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this section, the portion of the assessed value of tangible personal property or of the increase in the assessed valuation of real property exempted from taxation under those divisions may exceed seventy-five per cent in any year for which that portion is exempted if the average percentage exempted for all years in which the agreement is in effect does not exceed sixty per cent, or if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a percentage in excess of seventy-five per cent. For the purpose of obtaining such approval, the legislative authority shall deliver to the board of education a notice not later than forty-five days prior to approving the agreement, excluding Saturdays, Sundays, and legal holidays as defined in section 1.14 of the Revised Code. The notice shall state the percentage to be exempted, an estimate of the true value of the property to be exempted, and the number of years the property is to be exempted. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the legislative authority not later than fourteen days prior to the date stipulated by the legislative authority as the date upon which approval of the agreement is to be formally considered by the legislative authority. The board of education may include in the resolution conditions under which the board would approve the agreement, including the execution of an agreement to compensate the school district under division (B) of section 5709.82 of the Revised Code. The legislative authority may approve the agreement at any time after the board of education certifies its resolution approving the agreement to the legislative authority, or, if the board approves the agreement conditionally, at any time after the conditions are agreed to by the board and the legislative authority.

If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board is not required under this division. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under this division fewer than forty-five business days prior to the legislative authority's approval of the agreement, the legislative authority shall deliver the notice to the board not later than the number of days prior to such approval as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the

legislative authority.

(2) The legislative authority shall comply with section 5709.83 of the Revised Code unless the board of education has adopted a resolution under that section waiving its right to receive such notice.

(E) This division applies to zones certified by the director of development under this section prior to July 22, 1994.

On or before ~~June 30, 2004~~ October 15, 2009, the legislative authority that designated a zone to which this division applies may enter into an agreement with an enterprise if the legislative authority makes the finding required under that division and determines that the enterprise satisfies one of the criteria described in divisions (E)(1) to (5) of this section:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development has issued a waiver for the enterprise under division

(B) of section 5709.633 of the Revised Code.

The agreement shall require the enterprise to agree to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the incentives described in division (C) of this section.

(F) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement is entered into under this division, if the legislative authority revokes its designation of a zone, or if the director of development revokes the zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(G) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the

value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority and shall be used by the legislative authority exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority may waive or reduce the amount of the fee charged against an enterprise, but such a waiver or reduction does not affect the obligations of the legislative authority or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code.

(H) When an agreement is entered into pursuant to this section, the legislative authority authorizing the agreement shall forward a copy of the agreement to the director of development and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, or exempted village school district or causing revenue to be foregone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development along with the copy of the agreement forwarded under this division.

(I) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed, or annual report required to be filed under section 5727.08 of the Revised Code, while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(J) Enterprises may agree to give preference to residents of the zone within which the agreement applies relative to residents of this state who do not reside in the zone when hiring new employees under the agreement.

(K) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise

at the completion of the internship.

Sec. 5709.63. (A) With the consent of the legislative authority of each affected municipal corporation or of a board of township trustees, a board of county commissioners may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in one or more municipal corporations or in unincorporated areas of the county as proposed enterprise zones. A board of county commissioners may designate no more than one area within a township, or within adjacent townships, as a proposed enterprise zone. The board shall petition the director of development for certification of the area as having the characteristics set forth in division (A)(1) or (2) of section 5709.61 of the Revised Code as amended by Substitute Senate Bill No. 19 of the 120th general assembly. Except as otherwise provided in division (D) of this section, on and after July 1, 1994, boards of county commissioners shall not enter into agreements under this section unless the board has petitioned the director and the director has certified the zone under this section as amended by that act; however, all agreements entered into under this section as it existed prior to July 1, 1994, and the incentives granted under those agreements shall remain in effect for the period agreed to under those agreements. The director shall make the determination in the manner provided under section 5709.62 of the Revised Code. Any enterprise wishing to enter into an agreement with the board under division (B) or (D) of this section shall submit a proposal to the board on the form and accompanied by the application fee prescribed under division (B) of section 5709.62 of the Revised Code. The enterprise shall review and update the estimates and listings required by the form in the manner required under that division. The board may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(B) If the board of county commissioners finds that an enterprise submitting a proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and to improve the economic climate of the municipal corporation or municipal corporations or the unincorporated areas in which the zone is located and to which the proposal applies, the board, on or before ~~June 30, 2004~~ October 15, 2009, and with the consent of the legislative authority of each affected municipal corporation or of the board of township trustees may do either of the following:

(1) Enter into an agreement with the enterprise under which the

enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(a) When the facility is located in a municipal corporation, the board may enter into an agreement for one or more of the incentives provided in division (C) of section 5709.62 of the Revised Code, subject to division (D) of that section;

(b) When the facility is located in an unincorporated area, the board may enter into an agreement for one or more of the following incentives:

(i) Exemption for a specified number of years, not to exceed ten, of a specified portion, up to sixty per cent, of the assessed value of tangible personal property first used in business at a project site as a result of the agreement. An exemption granted pursuant to this division applies to inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the establishment of the zone, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(ii) Exemption for a specified number of years, not to exceed ten, of a specified portion, up to sixty per cent, of the increase in the assessed valuation of real property constituting the project site subsequent to formal approval of the agreement by the board;

(iii) Provision for a specified number of years, not to exceed ten, of any optional services or assistance the board is authorized to provide with regard to the project site;

(iv) The incentive described in division (C)(2) of section 5709.62 of the Revised Code.

(2) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has ceased operation or has announced its intention to cease operation, in return for exemption for a specified number of years, not to exceed ten, of a specified portion, up to one hundred per cent, of tangible personal property used in business at the project site as a result of the agreement, or of real property constituting the project site, or both.

(C)(1) Notwithstanding divisions (B)(1)(b)(i) and (ii) of this section, the portion of the assessed value of tangible personal property or of the increase in the assessed valuation of real property exempted from taxation under those divisions may exceed sixty per cent in any year for which that portion

is exempted if the average percentage exempted for all years in which the agreement is in effect does not exceed fifty per cent, or if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a percentage in excess of sixty per cent. For the purpose of obtaining such approval, the board of commissioners shall deliver to the board of education a notice not later than forty-five days prior to approving the agreement, excluding Saturdays, Sundays, and legal holidays as defined in section 1.14 of the Revised Code. The notice shall state the percentage to be exempted, an estimate of the true value of the property to be exempted, and the number of years the property is to be exempted. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the board of commissioners not later than fourteen days prior to the date stipulated by the board of commissioners as the date upon which approval of the agreement is to be formally considered by the board of commissioners. The board of education may include in the resolution conditions under which the board would approve the agreement, including the execution of an agreement to compensate the school district under division (B) of section 5709.82 of the Revised Code. The board of county commissioners may approve the agreement at any time after the board of education certifies its resolution approving the agreement to the board of county commissioners, or, if the board of education approves the agreement conditionally, at any time after the conditions are agreed to by the board of education and the board of county commissioners.

If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under this division fewer than forty-five business days prior to approval of the agreement by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners.

(2) The board of county commissioners shall comply with section 5709.83 of the Revised Code unless the board of education has adopted a resolution under that section waiving its right to receive such notice.

(D) This division applies to zones certified by the director of development under this section prior to July 22, 1994.

On or before ~~June 30, 2004~~ October 15, 2009, and with the consent of the legislative authority of each affected municipal corporation or board of township trustees of each affected township, the board of commissioners that designated a zone to which this division applies may enter into an agreement with an enterprise if the board makes the finding required under that division and determines that the enterprise satisfies one of the criteria described in divisions (D)(1) to (5) of this section:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

The agreement shall require the enterprise to agree to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the incentives described in division (B) of this section.

(E) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement under this section is entered into, if the board of county commissioners revokes its designation of the zone, or if the director of development revokes the zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(F) Except as otherwise provided in this paragraph, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives

offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the board of commissioners once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the board and shall be used by the board exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The board may waive or reduce the amount of the fee charged against an enterprise, but such waiver or reduction does not affect the obligations of the board or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code, respectively.

(G) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board to negotiate and administer agreements with regard to that zone under this section.

(H) When an agreement is entered into pursuant to this section, the legislative authority authorizing the agreement shall forward a copy of the agreement to the director of development and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, or exempted village school district or causing revenue to be foregone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development along with the copy of the agreement forwarded under this division.

(I) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed, or annual report that is required to be filed under section 5727.08 of the Revised Code, while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(J) Enterprises may agree to give preference to residents of the zone within which the agreement applies relative to residents of this state who do not reside in the zone when hiring new employees under the agreement.

(K) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

Sec. 5709.632. (A)(1) The legislative authority of a municipal corporation defined by the United States office of management and budget as a central city of a metropolitan statistical area or designated as an urban cluster in a rural statistical area may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in the municipal corporation as a proposed enterprise zone.

(2) With the consent of the legislative authority of each affected municipal corporation or of a board of township trustees, a board of county commissioners may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in one or more municipal corporations or in unincorporated areas of the county as proposed urban jobs and enterprise zones, except that a board of county commissioners may designate no more than one area within a township, or within adjacent townships, as a proposed urban jobs and enterprise zone.

(3)(a) The legislative authority or board of county commissioners may petition the director of development for certification of the area as having the characteristics set forth in division (A)(3) of section 5709.61 of the Revised Code. Within sixty days after receiving such a petition, the director shall determine whether the area has the characteristics set forth in that division and forward the findings to the legislative authority or board of county commissioners. If the director certifies the area as having those characteristics and thereby certifies it as a zone, the legislative authority or board may enter into agreements with enterprises under division (B) of this section. Any enterprise wishing to enter into an agreement with a legislative authority or board of commissioners under this section and satisfying one of the criteria described in divisions (B)(1) to (5) of this section shall submit a proposal to the legislative authority or board on the form prescribed under division (B) of section 5709.62 of the Revised Code and shall review and update the estimates and listings required by the form in the manner required under that division. The legislative authority or board may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of

the Revised Code.

(b) The legislative authority of a city designated as an urban cluster in a rural statistical area that has, pursuant to this section, as amended by H.B. 95 of the 125th general assembly, designated one or more areas in the city as a proposed enterprise zone, shall not enter into an agreement under this section unless it has petitioned the director and the director has certified the proposed enterprise zone under division (A)(3)(a) of this section.

(B) Prior to entering into an agreement with an enterprise, the legislative authority or board of county commissioners shall determine whether the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and to improve the economic climate of the municipal corporation or municipal corporations or the unincorporated areas in which the zone is located and to which the proposal applies, and whether the enterprise satisfies one of the following criteria:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development has issued a waiver for the enterprise under division

(B) of section 5709.633 of the Revised Code.

(C) If the legislative authority or board determines that the enterprise is so qualified and satisfies one of the criteria described in divisions (B)(1) to (5) of this section, the legislative authority or board may, after complying with section 5709.83 of the Revised Code and on or before ~~June 30, 2004~~ October 15, 2009, and, in the case of a board of commissioners, with the consent of the legislative authority of each affected municipal corporation or of the board of township trustees, enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(1) When the facility is located in a municipal corporation, a legislative authority or board of commissioners may enter into an agreement for one or more of the incentives provided in division (C) of section 5709.62 of the Revised Code, subject to division (D) of that section;

(2) When the facility is located in an unincorporated area, a board of commissioners may enter into an agreement for one or more of the incentives provided in divisions (B)(1)(b), (B)(2), and (B)(3) of section 5709.63 of the Revised Code, subject to division (C) of that section.

(D) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement under this section is entered into, if the legislative authority or board of county commissioners revokes its designation of the zone, or if the director of development revokes the zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(E) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority or board of commissioners once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority or board and shall be used by the legislative authority or board exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority or board may waive or reduce the amount of the fee charged against an enterprise, but such waiver or reduction does not affect the obligations of the legislative authority or board or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code, respectively.

(F) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A)(2) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board to negotiate and administer agreements with regard to that zone under this section.

(G) When an agreement is entered into pursuant to this section, the legislative authority or board of commissioners authorizing the agreement shall forward a copy of the agreement to the director of development and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, or exempted village school district or causing revenue to be foregone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development along with the copy of the agreement forwarded under this division.

(H) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(I) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

Sec. 5709.64. (A) If an enterprise has been granted an incentive for the current calendar year under an agreement entered pursuant to section 5709.62, 5709.63, or 5709.632 of the Revised Code, it may apply, on or before the thirtieth day of April of that year, to the director of development, on a form prescribed by the director, for a tax incentive qualification certificate. The enterprise qualifies for an initial certificate if, on or before the last day of the calendar year immediately preceding that in which application is made, it satisfies all of the following requirements:

(1) The enterprise has established, expanded, renovated, or occupied a facility pursuant to the agreement under section 5709.62, 5709.63, or 5709.632 of the Revised Code.

(2) The enterprise has hired new employees to fill nonretail positions at the facility, at least twenty-five per cent of whom at the time they were employed were at least one of the following:

(a) Unemployed persons who had resided at least six months in the county in which the enterprise's project site is located;

(b) JPTA eligible employees who had resided at least six months in the

county in which the enterprise's project site is located;

(c) Participants of the Ohio works first program under Chapter 5107. of the Revised Code or the prevention, retention, and contingency program under Chapter 5108. of the Revised Code or recipients of general assistance under former Chapter 5113. of the Revised Code, ~~disability~~ financial assistance under Chapter 5115. of the Revised Code, or unemployment compensation benefits who had resided at least six months in the county in which the enterprise's project site is located;

(d) Handicapped persons, as defined under division (A) of section 3304.11 of the Revised Code, who had resided at least six months in the county in which the enterprise's project site is located;

(e) Residents for at least one year of a zone located in the county in which the enterprise's project site is located.

The director of development shall, by rule, establish criteria for determining what constitutes a nonretail position at a facility.

(3) The average number of positions attributable to the enterprise in the municipal corporation during the calendar year immediately preceding the calendar year in which application is made exceeds the maximum number of positions attributable to the enterprise in the municipal corporation during the calendar year immediately preceding the first year the enterprise satisfies the requirements set forth in divisions (A)(1) and (2) of this section. If the enterprise is engaged in a business which, because of its seasonal nature, customarily enables the enterprise to operate at full capacity only during regularly recurring periods of the year, the average number of positions attributable to the enterprise in the municipal corporation during each period of the calendar year immediately preceding the calendar year in which application is made must exceed only the maximum number of positions attributable to the enterprise in each corresponding period of the calendar year immediately preceding the first year the enterprise satisfies the requirements of divisions (A)(1) and (2) of this section. The director of development shall, by rule, prescribe methods for determining whether an enterprise is engaged in a seasonal business and for determining the length of the corresponding periods to be compared.

(4) The enterprise has not closed or reduced employment at any place of business in the state for the primary purpose of establishing, expanding, renovating, or occupying a facility. The legislative authority of any municipal corporation or the board of county commissioners of any county that concludes that an enterprise has closed or reduced employment at a place of business in that municipal corporation or county for the primary purpose of establishing, expanding, renovating, or occupying a facility in a

zone may appeal to the director to determine whether the enterprise has done so. Upon receiving such an appeal, the director shall investigate the allegations and make such a determination before issuing an initial or renewal tax incentive qualification certificate under this section.

Within sixty days after receiving an application under this division, the director shall review, investigate, and verify the application and determine whether the enterprise qualifies for a certificate. The application shall include an affidavit executed by the applicant verifying that the enterprise satisfies the requirements of division (A)(2) of this section, and shall contain such information and documents as the director requires, by rule, to ascertain whether the enterprise qualifies for a certificate. If the director finds the enterprise qualified, the director shall issue a tax incentive qualification certificate, which shall bear as its date of issuance the thirtieth day of June of the year of application, and shall state that the applicant is entitled to receive, for the taxable year that includes the certificate's date of issuance, the tax incentives provided under section 5709.65 of the Revised Code with regard to the facility to which the certificate applies. If an enterprise is issued an initial certificate, it may apply, on or before the thirtieth day of April of each succeeding calendar year for which it has been granted an incentive under an agreement entered pursuant to section 5709.62, 5709.63, or 5709.632 of the Revised Code, for a renewal certificate. Subsequent to its initial certification, the enterprise qualifies for up to three successive renewal certificates if, on or before the last day of the calendar year immediately preceding that in which the application is made, it satisfies all the requirements of divisions (A)(1) to (4) of this section, and neither the zone's designation nor the zone's certification has been revoked prior to the fifteenth day of June of the year in which the application is made. The application shall include an affidavit executed by the applicant verifying that the enterprise satisfies the requirements of division (A)(2) of this section. An enterprise with ten or more supervisory personnel at the facility to which a certificate applies qualifies for any subsequent renewal certificates only if it meets all of the foregoing requirements and, in addition, at least ten per cent of those supervisory personnel are employees who, when first hired by the enterprise, satisfied at least one of the criteria specified in divisions (A)(2)(a) to (e) of this section. If the enterprise qualifies, a renewal certificate shall be issued bearing as its date of issuance the thirtieth day of June of the year of application. The director shall send copies of the initial certificate, and each renewal certificate, by certified mail, to the enterprise, the tax commissioner, the board of county commissioners, and the chief executive of the municipal corporation in

which the facility to which the certificate applies is located.

(B) If the director determines that an enterprise is not qualified for an initial or renewal tax incentive qualification certificate, the director shall send notice of this determination, specifying the reasons for it, by certified mail, to the applicant, the tax commissioner, the board of county commissioners, and the chief executive of the municipal corporation in which the facility to which the certificate would have applied is located. Within thirty days after receiving such a notice, an enterprise may request, in writing, a hearing before the director for the purpose of reviewing the application and the reasons for the determination. Within sixty days after receiving a request for a hearing, the director shall afford one and, within thirty days after the hearing, shall issue a redetermination of the enterprise's qualification for a certificate. If the enterprise is found to be qualified, the director shall proceed in the manner provided under division (A) of this section. If the enterprise is found to be unqualified, the director shall send notice of this finding, by certified mail, to the applicant, the tax commissioner, the board of county commissioners, and the chief executive of the municipal corporation in which the facility to which the certificate would have applied is located. The director's redetermination that an enterprise is unqualified may be appealed to the board of tax appeals in the manner provided under section 5717.02 of the Revised Code.

Sec. 5711.02. Except as otherwise provided by section 5711.13 of the Revised Code, each year, beginning in tax year 2004, each taxpayer having taxable personal property with an aggregate taxable value in excess of ten thousand dollars shall make a return, annually, to the county auditor of each county in which any taxable property, which the taxpayer must return, is required by this chapter to be listed and. The taxpayer shall truly and correctly list therein on the return all taxable property so required to be listed, including property exempt under division (C)(3) of section 5709.01 of the Revised Code. Such returns shall be made on the blanks prescribed by the tax commissioner, which the county auditor shall supply at his the auditor's office along with blanks of the kind required for the county supplemental return required by section 5711.131 of the Revised Code for the use of taxpayers. The county auditor shall mail or distribute such blanks prior to the fifteenth day of February to all persons known to him the auditor to be taxpayers and to all persons to whom the commissioner may direct blanks of either type to be mailed or distributed, and he. The county auditor may place listing and county supplemental blanks at convenient places in his the county. The failure of a taxpayer to receive or procure blanks shall not excuse him the taxpayer from making any return or county supplemental

return. The individual required to make the return shall furnish all statements and documents, give all information required, answer all questions asked on the required blanks, and subscribe to the truth and correctness of all matters contained therein.

Sec. 5711.13. (b) If no reduction in the assessment rate is made for a year, the rate is the same as for the preceding year.

(2) Each year until the year the assessment rate equals zero, the tax commissioner shall determine the assessment rate required under this division and shall notify all county auditors of that rate.

(1) Beginning in tax year 2002 and for each of tax years 2003, and 2004, ~~2005, and 2006~~, subtract one percentage point from the rate at which the property was required to be listed and assessed in the preceding year, if the total statewide collection of tangible personal property taxes for the second preceding year exceeded the total statewide collection of tangible

personal property taxes for the third preceding year. If no reduction in the assessment rate is made for a year, the rate is the same as for the preceding year. ~~For purposes of this division, total statewide collection of tangible personal property taxes excludes taxes collected from public utilities and interexchange telecommunications companies on property that is determined to be taxable pursuant to section 5727.06 of the Revised Code.~~

(2) ~~In tax year 2007, the assessment rate shall be the lesser of twenty-four per cent or one percentage point less than the rate at which property was required to be listed and assessed the preceding year. Each tax year thereafter years 2005 and 2006, the assessment rate shall be reduced by one two percentage point until it equals zero per cent not later than tax year 2031 points, if the total statewide collection of tangible personal property taxes for the second preceding year exceeded the total statewide collection of tangible personal property taxes for the third preceding year. If no reduction in the assessment rate is made for a year, the rate is the same as for the preceding year.~~

(3) For tax year 2007 and each tax year thereafter, the assessment rate shall be reduced by two percentage points. During and after the tax year that the assessment rate equals zero, the property described in division (E) of this section shall not be listed for taxation.

Each year until the year the assessment rate equals zero, the tax commissioner shall determine the assessment rate required under this division and shall notify all county auditors of that rate.

For purposes of division (E) of this section, "total statewide collection of tangible person property taxes" excludes taxes collected from public utilities and interexchange telecommunications companies on property that is determined to be taxable pursuant to section 5727.06 of the Revised Code.

(F) Unless otherwise provided by law, all other personal property used in business that has not been legally regarded as an improvement on land and considered in arriving at the value of the real property assessed for taxation shall be listed and assessed at the rate of twenty-five per cent of its true value in money.

Sec. 5711.27. No taxpayer shall fail to make a return within the time prescribed by law, or as extended pursuant to section 5711.04 of the Revised Code, nor fail to list in a return or disclose on an accompanying balance sheet or in other information filed with the return any item of taxable property ~~which he the taxpayer is required by to list in the return under sections 5711.01 to 5711.36 of the Revised Code, to list therein.~~

If any taxpayer ~~does so fail the following shall apply:~~

(A) ~~In the case of a taxpayer who fails to make a timely return, the~~

assessor shall add to the taxpayer's assessment as a penalty, one-half of the taxpayer's taxable value that is exempt from taxation under division (C)(3) of section 5709.01 of the Revised Code. If the taxpayer's taxable value that is exempt from taxation under division (C)(3) of section 5709.01 of the Revised Code is located in more than one taxing district, the penalty assessment shall be applied among taxing districts as if only five thousand dollars, or one-half of the taxpayer's taxable valuation, whichever is less, ~~had been exempt from taxation under such division.~~

~~(B) In the case of a taxpayer who fails to make a timely return, or fails to list or disclose any item he the taxpayer is required to return, the assessor shall add to the assessment of each class or item of taxable property which the taxpayer failed to return, list, or disclose and to any amount added under division (A) of this section, a penalty of up to fifty per cent thereof of the assessment;~~ but if such taxpayer makes, within sixty days after the expiration of the time prescribed by such sections, a return or an amended or supplementary return and lists therein or discloses on an accompanying balance sheet or in other information filed with the return all items of taxable property ~~which he the taxpayer~~ is required by such sections to list, and in all cases in which the taxpayer's only default is ~~his the~~ failure to pay the amounts specified in section 5719.02 of the Revised Code within the time therein specified, such penalty shall be five per cent of the assessment, and, if the assessment certificate has been issued, an amended assessment certificate shall be issued and substituted therefor.

~~Either or both of the penalties~~ The penalty provided in this section may be abated in whole or in part by the assessor when it is shown that such failure is due to reasonable cause. The penalty assessment shall be entered on the proper tax list and duplicate, and taxes shall be levied thereon the same as on the assessment itself.

~~If any taxpayer does so fail with respect to a return required to be filed for tax year 1982 or any prior year, the assessor shall add to the assessment of each class or item of taxable property which the taxpayer failed to return, list or disclose in addition to the penalties provided by law, an additional charge at the rate of one-half of one per cent per month from the date such property should have been returned or disclosed until the same is assessed, provided that said additional charge shall not be added to an assessment for any period of time in excess of ten years previous to the date of the assessment.~~

A fiduciary against whom a penalty assessment is made shall be personally liable for the amount of taxes levied in respect to such penalty assessment and any additional charge, and in case of fraud or intent to evade

taxes, such fiduciary shall have no right of reimbursement against the property held by ~~him~~ the fiduciary as such fiduciary nor against the person for whose benefit the same is held.

Sec. 5711.33. (A)(1) When a county treasurer receives a certificate from a county auditor pursuant to division (A) of section 5711.32 of the Revised Code charging the treasurer with the collection of an amount of taxes due as the result of a deficiency assessment, the treasurer shall immediately prepare and mail a tax bill to the taxpayer owing such tax. The tax bill shall contain the name of the taxpayer; the taxable value, tax rate, and taxes charged for each year being assessed; the total amount of taxes due; the final date payment may be made without additional penalty; and any other information the treasurer considers pertinent or necessary. Taxes due and payable as a result of a deficiency assessment, less any amount specifically excepted from collection under division (B) of section 5711.32 of the Revised Code, shall be paid with interest thereon as prescribed by section 5719.041 of the Revised Code on or before the sixtieth day following the date of issuance of the certificate by the county auditor. The balance of taxes found due and payable after a final determination by the tax commissioner or a final judgment of the board of tax appeals or any court to which such final judgment may be appealed, shall be paid with interest thereon as prescribed by section 5719.041 of the Revised Code on or before the sixtieth day following the date of certification by the auditor to the treasurer pursuant to division (C) of section 5711.32 of the Revised Code of such final determination or judgment. Such final dates for payment shall be determined and exhibited on the tax bill by the treasurer.

(2) If, on or before the sixtieth day following the date of a certification of a deficiency assessment under division (A) of section 5711.32 of the Revised Code or of a certification of a final determination or judgment under division (C) of section 5711.32 of the Revised Code, the taxpayer pays the full amount of taxes and interest due at the time of the receipt of certification with respect to that assessment, determination, or judgment, no interest shall accrue or be charged with respect to that assessment, determination, or judgment for the period that begins on the first day of the month in which the certification is made and that ends on the last day of the month preceding the month in which such sixtieth day occurs.

(B) When the taxes charged, as mentioned in division (A) of this section, are not paid within the time prescribed by such division, a penalty of ten per cent of the amount due and unpaid and interest for the period described in division (A)(2) of this section shall accrue at the time the treasurer closes the treasurer's office for business on the last day so

prescribed, but if the taxes are paid within ten days subsequent to the last day prescribed, the treasurer shall waive the collection of and the auditor shall remit one-half of the penalty. The treasurer shall not thereafter accept less than the full amount of taxes and penalty except as otherwise authorized by law. Such penalty shall be distributed in the same manner and at the same time as the tax upon which it has accrued. The whole amount collected shall be included in the next succeeding settlement of appropriate taxes.

(C) When the taxes charged, as mentioned in division (A) of this section, remain unpaid after the final date for payment prescribed by such division, such charges shall be deemed to be delinquent taxes. The county auditor shall cause such charges, including the penalty that has accrued pursuant to this section, to be added to the delinquent tax duplicate in accordance with section 5719.04 of the Revised Code.

(D) The county auditor, upon consultation with the county treasurer, shall remit a penalty imposed under division (B) of this section or division (C) of section 5719.03 of the Revised Code for the late payment of taxes when:

(1) The taxpayer could not make timely payment of the tax because of the negligence or error of the county auditor or county treasurer in the performance of a statutory duty relating to the levy or collection of such tax.

(2) In cases other than those described in division (D)(1) of this section, the taxpayer failed to receive a tax bill or a correct tax bill, and the taxpayer made a good faith effort to obtain such bill within thirty days after the last day for payment of the tax.

(3) The tax was not timely paid because of the death or serious injury of the taxpayer, or the taxpayer's confinement in a hospital within sixty days preceding the last day for payment of the tax if, in any case, the tax was subsequently paid within sixty days after the last day for payment of such tax.

(4) The taxpayer demonstrates ~~to the satisfaction of the auditor~~ that the full payment was properly deposited in the mail in sufficient time for the envelope to be postmarked by the United States postal service on or before the last day for payment of such tax. A private meter postmark on an envelope is not a valid postmark for purposes of establishing the date of payment of such tax.

(5) In cases other than those described in divisions (D)(1) to (4) of this section, the taxpayer's failure to make timely payment of the tax is due to reasonable cause and not willful neglect.

(E) The taxpayer, upon application within sixty days after the mailing of the county auditor's decision, may request the tax commissioner to review

the denial of the remission of a penalty by the county auditor. The application may be filed in person or by certified mail. If the application is filed by certified mail, the date of the United States postmark placed on the sender's receipt by the postal service shall be treated as the date of filing. The commissioner shall consider the application, determine whether the penalty should be remitted, and certify the determination to the taxpayer and to the county treasurer and county auditor, who shall correct the tax list and duplicate accordingly. The commissioner ~~shall~~ may issue orders and instructions for the uniform implementation of this section by all county auditors and county treasurers, and such orders and instructions shall be followed by such officers.

Sec. 5713.07. The county auditor, at the time of making the assessment of real property subject to taxation, shall enter in a separate list pertinent descriptions of all burying grounds, public schoolhouses, houses used exclusively for public worship, institutions of purely public charity, real property used exclusively for a home for the aged, as defined in section 5701.13 of the Revised Code, ~~and~~ public buildings and property used exclusively for any public purpose, and any other property, with the lot or tract of land on which such house, institution, ~~or~~ public building, or other property is situated, and which ~~are exempt~~ have been exempted from taxation by either the tax commissioner under section 5715.27 of the Revised Code or by the housing officer under section 3735.67 of the Revised Code. ~~He~~ The auditor shall value such houses, buildings, property, and lots and tracts of land at their taxable value in the same manner as ~~he~~ the auditor is required to value other real property, designating in each case the township, municipal corporation, and number of the school district, or the name or designation of the school, religious society, or institution to which each house, lot, or tract belongs. If such property is held and used for other public purposes, ~~he~~ the auditor shall state by whom or how it is held.

Sec. 5713.08. (A) The county auditor shall make a list of all real and personal property in the auditor's county, including money, credits, and investments in bonds, stocks, or otherwise, which is exempted from taxation. Such list shall show the name of the owner, the value of the property exempted, and a statement in brief form of the ground on which such exemption has been granted. It shall be corrected annually by adding thereto the items of property which have been exempted during the year, and by striking therefrom the items which in the opinion of the auditor have lost their right of exemption and which have been reentered on the taxable list. No additions shall be made to such exempt lists and no additional items of property shall be exempted from taxation without the consent of the tax

commissioner as is provided for in section 5715.27 of the Revised Code, ~~but when or without the consent of the housing officer under section 3735.67 of the Revised Code.~~ When any personal property or endowment fund of an institution has once been held by the commissioner to be properly exempt from taxation, it is not necessary to obtain the commissioner's consent to the exemption of additional property or investments of the same kind belonging to the same institution, but such property shall appear on the abstract filed annually with the commissioner. The commissioner may revise at any time the list in every county so that no property is improperly or illegally exempted from taxation. The auditor shall follow the orders of the commissioner given under this section. An abstract of such list shall be filed annually with the commissioner, on a form approved by the commissioner, and a copy thereof shall be kept on file in the office of each auditor for public inspection.

The commissioner shall not consider an application for exemption of property unless the application has attached thereto a certificate executed by the county treasurer certifying one of the following:

(1) That all taxes, assessments, interest, and penalties levied and assessed against the property sought to be exempted have been paid in full to the date upon which the application for exemption is filed, except for such taxes, interest, and penalties that may be remitted under division (B) of this section;

(2) That the applicant has entered into a valid delinquent tax contract with the county treasurer pursuant to division (A) of section 323.31 of the Revised Code to pay all of the delinquent taxes, assessments, interest, and penalties charged against the property, except for such taxes, interest, and penalties that may be remitted under division (B) of this section. If the auditor receives notice under section 323.31 of the Revised Code that such a written delinquent tax contract has become void, the auditor shall strike such property from the list of exempted property and reenter such property on the taxable list. If property is removed from the exempt list because a written delinquent tax contract has become void, current taxes shall first be extended against that property on the general tax list and duplicate of real and public utility property for the tax year in which the auditor receives the notice required by division (A) of section 323.31 of the Revised Code that the delinquent tax contract has become void or, if that notice is not timely made, for the tax year in which falls the latest date by which the treasurer is required by such section to give such notice. A county auditor shall not remove from any tax list and duplicate the amount of any unpaid delinquent taxes, assessments, interest, or penalties owed on property that is placed on

the exempt list pursuant to this division.

(3) That a tax certificate has been issued under section 5721.32 or 5721.33 of the Revised Code with respect to the property that is the subject of the application, and the tax certificate is outstanding.

(B) Any taxes, interest, and penalties which have become a lien after the property was first used for the exempt purpose, but in no case prior to the date of acquisition of the title to the property by the applicant, may be remitted by the commissioner, except as is provided in division (A) of section 5713.081 of the Revised Code.

(C) Real property acquired by the state in fee simple is exempt from taxation from the date of acquisition of title or date of possession, whichever is the earlier date, provided that all taxes, interest, and penalties as provided in the apportionment provisions of section 319.20 of the Revised Code have been paid to the date of acquisition of title or date of possession by the state, whichever is earlier. The proportionate amount of taxes that are a lien but not yet determined, assessed, and levied for the year in which the property is acquired, shall be remitted by the county auditor for the balance of the year from date of acquisition of title or date of possession, whichever is earlier. This section shall not be construed to authorize the exemption of such property from taxation or the remission of taxes, interest, and penalties thereon until all private use has terminated.

Sec. 5713.081. (A) No application for real property tax exemption and tax remission shall be filed with, or considered by, the tax commissioner in which tax remission is requested for more than three tax years, and the commissioner shall not remit more than three years' ~~delinquent~~ taxes, penalties, and interest.

(B) All taxes, penalties, and interest, that have been delinquent for more than three years, appearing on the general tax list and duplicate of real property which have been levied and assessed against parcels of real property owned by the state, any political subdivision, or any other entity whose ownership of real property would constitute public ownership, shall be collected by the county auditor of the county where the real property is located. Such ~~official~~ auditor shall deduct from each distribution made by ~~him~~ the auditor, the amount necessary to pay the tax delinquency from any revenues or funds to the credit of the state, any political subdivision, or any other entity whose ownership of real property would constitute public ownership thereof, passing under ~~his~~ the auditor's control, or which come into ~~his~~ the auditor's possession, and such deductions shall be made on a continuing basis until all delinquent taxes, penalties, and interest noted in this section have been paid.

(C) As used in division (B) of this section, "political subdivision" includes townships, municipalities, counties, school districts, boards of education, all state and municipal universities, park boards, and any other entity whose ownership of real property would constitute public ownership.

Sec. 5713.082. (A) Whenever the county auditor reenters an item of property to the tax list as provided in section 5713.08 of the Revised Code and there has been no conveyance of the property between separate entities, the auditor shall send notice by certified mail to the owner of the property that it is now subject to property taxation as a result of such action. The auditor shall send the notice at the same time ~~he~~ the auditor certifies the real property tax duplicate to the county treasurer. The notice shall describe the property and indicate that the owner may reapply for tax exemption by filing an application for exemption as provided in section 5715.27 of the Revised Code, and that failure to file such an application within the proper time period will result in the owner having to pay the taxes even if the property continued to be used for an exempt purpose.

(B) If the auditor failed to send the notice required by this section, and if the owner of the property subsequently files an application for tax exemption for the property for the current tax year, the tax commissioner may grant exemption to the property, and ~~he~~ the commissioner shall remit all ~~unpaid~~ taxes and penalties for each prior year since the property was reentered on the tax list notwithstanding the provisions of division (A) of section 5713.081 of the Revised Code.

Such land shall remain designated as land devoted exclusively to agricultural use provided that beyond one year, but less than three years, the landowner proves good cause as determined by the board of revision.

"Land devoted exclusively to agricultural use" includes tracts, lots, or parcels of land or portions thereof that are used for conservation practices, provided that the tracts, lots, or parcels of land or portions thereof comprise twenty-five per cent or less of the total of the tracts, lots, or parcels of land that satisfy the criteria established in division (A)(1), (2), or (4) of this section together with the tracts, lots, or parcels of land or portions thereof that are used for conservation practices.

(B) "Conversion of land devoted exclusively to agricultural use" means any of the following:

(3) The failure of such land or portion thereof to qualify as land devoted

exclusively to agricultural use for the current calendar year as requested by an application filed under such section;

(4) The failure of the owner of the land described in division (A)(4) of this section to act on such land in a manner that is consistent with the return of the land to agricultural production after three years.

(C) "Tax savings" means the difference between the dollar amount of real property taxes levied in any year on land valued and assessed in accordance with its current agricultural use value and the dollar amount of real property taxes ~~which~~ that would have been levied upon such land if it had been valued and assessed for such year in accordance with Section 2 of Article XII, Ohio Constitution.

(D) "Owner" includes, but is not limited to, any person owning a fee simple, fee tail, or life estate, or a buyer on a land installment contract.

(E) "Conservation practices" are practices used to abate soil erosion as required in the management of the farming operation, and include, but are not limited to, the installation, construction, development, planting, or use of grass waterways, terraces, diversions, filter strips, field borders, windbreaks, riparian buffers, wetlands, ponds, and cover crops for that purpose.

(F) "Wetlands" has the same meaning as in section 6111.02 of the Revised Code.

Sec. 5715.27. (A) ~~The~~ Except as provided in section 3735.67 of the Revised Code, the owner of any property may file an application with the tax commissioner, on forms prescribed by the commissioner, requesting that such property be exempted from taxation and that ~~unpaid~~ taxes and penalties be remitted as provided in division (B) of section 5713.08 of the Revised Code.

(B) The board of education of any school district may request the tax commissioner to provide it with notification of applications for exemption from taxation for property located within that district. If so requested, the commissioner shall send to the board for the quarters ending on the last day of March, June, September, and December of each year, reports that contain sufficient information to enable the board to identify each property that is the subject of an exemption application, including, but not limited to, the name of the property owner or applicant, the address of the property, and the auditor's parcel number. The commissioner shall mail the reports on or about the fifteenth day of the month following the end of the quarter.

(C) A board of education that has requested notification under division (B) of this section may, with respect to any application for exemption of property located in the district and included in the commissioner's most recent report provided under that division, file a statement with the

commissioner and with the applicant indicating its intent to submit evidence and participate in any hearing on the application. The statements shall be filed prior to the first day of the third month following the end of the quarter in which that application was docketed by the commissioner. A statement filed in compliance with this division entitles the district to submit evidence and to participate in any hearing on the property and makes the district a party for purposes of sections 5717.02 to 5717.04 of the Revised Code in any appeal of the commissioner's decision to the board of tax appeals.

(D) The commissioner shall not hold a hearing on or grant or deny an application for exemption of property in a school district whose board of education has requested notification under division (B) of this section until the end of the period within which the board may submit a statement with respect to that application under division (C) of this section. The commissioner may act upon an application at any time prior to that date upon receipt of a written waiver from each such board of education, or, in the case of exemptions authorized by section 725.02, 1728.10, ~~3735.67~~, 5709.41, 5709.62, or 5709.63 of the Revised Code, upon the request of the property owner. Failure of a board of education to receive the report required in division (B) of this section shall not void an action of the commissioner with respect to any application. The commissioner may extend the time for filing a statement under division (C) of this section.

(E) A complaint may also be filed with the commissioner by any person, board, or officer authorized by section 5715.19 of the Revised Code to file complaints with the county board of revision against the continued exemption of any property granted exemption by the commissioner under this section.

(F) An application for exemption and a complaint against exemption shall be filed prior to the thirty-first day of December of the tax year for which exemption is requested or for which the liability of ~~any~~ the property to taxation in that year is requested. The commissioner shall consider such application or complaint in accordance with procedures established by the commissioner, determine whether the property is subject to taxation or exempt therefrom, and certify the commissioner's findings to the auditor, who shall correct the tax list and duplicate accordingly. If a tax certificate has been sold under section 5721.32 or 5721.33 of the Revised Code with respect to property for which an exemption has been requested, the tax commissioner shall also certify the findings to the county treasurer of the county in which the property is located.

(G) Applications and complaints, and documents of any kind related to applications and complaints, filed with the tax commissioner under this

section, are public records within the meaning of section 149.43 of the Revised Code.

(H) If the commissioner determines that the use of property or other facts relevant to the taxability of property that is the subject of an application for exemption or a complaint under this section has changed while the application or complaint was pending, the commissioner may make the determination under division (F) of this section separately for each tax year beginning with the year in which the application or complaint was filed or the year for which remission of ~~unpaid~~ taxes under division (B) of section 5713.08 of the Revised Code was requested, and including each subsequent tax year during which the application or complaint is pending before the commissioner.

Sec. 5715.39. (A) The tax commissioner may remit real property taxes, manufactured home taxes, penalties, and interest found by the commissioner to have been illegally assessed. The commissioner also may remit any penalty charged against any real property or manufactured or mobile home that was the subject of an application for exemption from taxation under section 5715.27 of the Revised Code if the commissioner determines that the applicant requested such exemption in good faith. The commissioner shall include notice of the remission in the commissioner's certification to the county auditor required under that section.

(B) The ~~commissioner, on application by a taxpayer~~ county auditor, upon consultation with the county treasurer, shall remit a penalty for late payment of any real property taxes or manufactured home taxes when:

~~(A)~~(1) The taxpayer could not make timely payment of the tax because of the negligence or error of the county auditor or county treasurer in the performance of a statutory duty relating to the levy or collection of such tax.

~~(B)~~(2) In cases other than those described in division ~~(A)~~(B)(1) of this section, the taxpayer failed to receive a tax bill or a correct tax bill, and the taxpayer made a good faith effort to obtain such bill within thirty days after the last day for payment of the tax.

~~(C)~~(3) The tax was not timely paid because of the death or serious injury of the taxpayer, or the taxpayer's confinement in a hospital within sixty days preceding the last day for payment of the tax if, in any case, the tax was subsequently paid within sixty days after the last day for payment of such tax.

~~(D)~~(4) The taxpayer demonstrates ~~to the satisfaction of the commissioner~~ that the full payment was properly deposited in the mail in sufficient time for the envelope to be postmarked by the United States postal service on or before the last day for payment of such tax. A private meter

postmark on an envelope is not a valid postmark for purposes of establishing the date of payment of such tax.

(C) The board of revision shall remit a penalty for late payment of any real property taxes or manufactured homes taxes if, in cases other than those described in division (B)(1) to (4) of this section, the taxpayer's failure to make timely payment of the tax is due to reasonable cause and not willful neglect.

(D) The taxpayer, upon application within sixty days after the mailing of the county auditor's or board of revision's decision, may request the tax commissioner to review the denial of the remission of a penalty by the auditor or board. The application may be filed in person or by certified mail. If the application is filed by certified mail, the date of the United States postmark placed on the sender's receipt by the postal service shall be treated as the date of filing. The commissioner shall consider the application, determine whether the penalty should be remitted, and certify the determination to the taxpayer, to the county treasurer, and to the county auditor, who shall correct the tax list and duplicate accordingly. The commissioner may issue orders and instructions for the uniform implementation of this section by all county boards of revision, county auditors, and county treasurers, and such orders and instructions shall be followed by such officers and boards.

(E) This section shall not provide to the taxpayer any remedy with respect to any matter that the taxpayer may be authorized to complain of under section 4503.06, 5715.19, 5717.02, and or 5727.47 of the Revised Code.

(F) Applications for remission, and documents of any kind related to those applications, filed with the tax commissioner under this section, are public records within the meaning of section 149.43 of the Revised Code, unless otherwise excepted under that section.

Sec. 5717.011. (A) As used in this chapter, "tax administrator" has the same meaning as in section 718.01 of the Revised Code.

(B) Appeals from a municipal board of appeal created under section 718.11 of the Revised Code may be taken by the taxpayer or the tax administrator to the board of tax appeals or may be taken by the taxpayer or the tax administrator to a court of common pleas as otherwise provided by law. If the taxpayer or the tax administrator elects to make an appeal to the board of tax appeals or court of common pleas, the appeal shall be taken by the filing of a notice of appeal with the board of tax appeals or court of common pleas, the municipal board of appeal, and the opposing party. The notice of appeal shall be filed within sixty days after the day the appellant

receives notice of the decision issued under section 718.11 of the Revised Code. The notice of appeal may be filed in person or by certified mail, express mail, or authorized delivery service as provided in section 5703.056 of the Revised Code. If the notice of appeal is filed by certified mail, express mail, or authorized delivery service as provided in section 5703.056 of the Revised Code, the date of the United States postmark placed on the sender's receipt by the postal service or the date of receipt recorded by the authorized delivery service shall be treated as the date of filing. The notice of appeal shall have attached thereto and incorporated therein by reference a true copy of the decision issued under section 718.11 of the Revised Code and shall specify the errors therein complained of, but failure to attach a copy of such notice and incorporate it by reference in the notice of appeal does not invalidate the appeal.

(C) Upon the filing of a notice of appeal with the board of tax appeals, the municipal board of appeal shall certify to the board of tax appeals a transcript of the record of the proceedings before it, together with all evidence considered by it in connection therewith. Such appeals may be heard by the board at its office in Columbus or in the county where the appellant resides, or it may cause its examiners to conduct such hearings and to report to it their findings for affirmation or rejection. The board may order the appeal to be heard upon the record and the evidence certified to it by the administrator, but upon the application of any interested party the board shall order the hearing of additional evidence, and the board may make such investigation concerning the appeal as it considers proper.

(D) If an issue being appealed under this section is addressed in a municipal corporation's ordinance or regulation, the tax administrator, upon the request of the board of tax appeals, shall provide a copy of the ordinance or regulation to the board of tax appeals.

Sec. 5717.03. (A) A decision of the board of tax appeals on an appeal filed with it pursuant to section 5717.01, 5717.011, or 5717.02 of the Revised Code shall be entered of record on the journal together with the date when the order is filed with the secretary for journalization.

(B) In case of an appeal from a decision of a county board of revision, the board of tax appeals shall determine the taxable value of the property whose valuation or assessment by the county board of revision is complained of, or in the event the complaint and appeal is against a discriminatory valuation, shall determine a valuation which shall correct such discrimination, and shall determine the liability of the property for taxation, if that question is in issue, and its the board of tax appeals' decision and the date when it was filed with the secretary for journalization
