(2) The lesser of:

(a) Survivors benefits payable under the social security or railroad retirement laws in effect on the last day of the calendar year prior to the year for which a reduced rate loan under a property tax payment linked deposit program is applied for, or, if no such benefits are payable that year, survivors benefits payable the first succeeding year in which survivors benefits are payable; or

(b) Old age benefits of the deceased spouse, as determined under division (H)(1) of this section, upon which the surviving spouse's survivors benefits are based under the social security or railroad retirement laws, except in those cases where a change in benefits would cause a reduction in income.

(b) If the person received disability benefits that were included in adjusted gross income in the year preceding the first year in which the person applied for a reduced rate loan on the basis of age, subtract an amount equal to the amount of disability benefits that were subtracted pursuant to division (L)(1) of this section in that preceding year, to the extent included in total income in the current year and not subtracted under division (L)(1) of this section in the current year.

Disability benefits that are paid by the department of veterans affairs or a branch of the armed forces of the United States on account of an injury or disability shall not be included in total income.

Sec. 135.805. (A) The general assembly finds that many low to moderate income senior citizens and permanently and totally disabled citizens face financial hardship and find it difficult to timely pay property

taxes on their homesteads, which can lead to delinquencies, penalties, declines in tax receipts, foreclosures, a loss of stable and affordable housing, a loss of neighborhoods and communities, and a decline in property values. Accordingly, it is declared to be the public policy of the state through property tax payment linked deposit programs established by counties to provide a source of low-cost funds for lending purposes to assist these citizens in timely paying property taxes on their homesteads.

(B) A board of county commissioners, by resolution, may establish for the benefit of persons sixty-five years of age or older, or persons who are permanently and totally disabled, or both groups of persons, a property tax payment linked deposit program. The program shall authorize the investing authority of the county, in accordance with division (A)(2) of section 135.353 of the Revised Code, to place certificates of deposit at up to three per cent below market rates with an eligible lending institution, provided that the eligible lending institution agrees to lend the value of such deposit to eligible borrowers at up to three per cent below the present borrowing rate applicable to each eligible borrower. The resolution shall include requirements, parameters, limitations, and other provisions that are consistent with sections 135.804 to 135.807 of the Revised Code and are necessary to establish and carry out the property tax payment linked deposit program, including, but not limited to, all of the following:

(1) Eligibility requirements for borrowers who may receive reduced rate loans under the property tax payment linked deposit program, including both of the following:

(a) A total income limit for a borrower to be eligible for such a loan;

(b) An indebtedness limit that a borrower may not exceed to be eligible for such a loan, under which the sum of all recorded liens on the homestead plus the amount of the reduced rate loan cannot exceed eighty per cent of the homestead's true value as most recently determined by the county auditor.

(2) Application procedures for eligible borrowers and eligible lending institutions wishing to participate in the property tax payment linked deposit program;

(3) Review procedures for applications and criteria for acceptance or rejection of applications for reduced rate loans under the property tax payment linked deposit program;

(4) Necessary agreements between the eligible lending institution and the investing authority of the county to carry out the purposes of the property tax payment linked deposit program, including procedures for the payment directly to the county treasurer by the eligible lending institution of

the property taxes due on the homestead and delivery by the county treasurer to the eligible lending institution of the lien certificate as provided in section 135.807 of the Revised Code;

(5) Annual reports regarding the operation of the property tax payment linked deposit program to be made by the investing authority to the board of county commissioners.

(C) A board of county commissioners may appropriate funds from the general fund of the county or any other lawfully available funds of the county for the purpose of defraying some or all of the closing costs and expenses of reduced rate loans made by eligible lending institutions to eligible borrowers pursuant to the property tax payment linked deposit program.

(D) The county and its investing authority and the board of county commissioners are not liable to any eligible lending institution in any manner for the payment of the principal or interest on any reduced rate loan made under the property tax payment linked deposit program, and any delay in payment or default on the part of any borrower does not in any manner affect the deposit agreement between the eligible lending institution and the investing authority or board of county commissioners.

Sec. 135.806. Upon placement of a certificate of deposit with an eligible lending institution pursuant to an agreement described in section 135.805 of the Revised Code, the eligible lending institution shall do both of the following:

(A) Lend funds pursuant to the agreement to an eligible borrower;

(B) Comply fully with the requirements of sections 135.804 to 135.807 of the Revised Code.

Sec. 135.807. (A) A property tax payment linked deposit program shall provide for the delivery of a lien certificate to an eligible lending institution making payment to the county treasurer, pursuant to a loan agreement between the eligible lending institution and eligible borrower, of some or all of the taxes then due on the homestead of that eligible borrower.

(B)(1) To ensure uniformity among all counties, the tax commissioner shall prescribe the form for a lien certificate delivered pursuant to division (A) of this section, which form shall include the identity of the homestead, the eligible borrower, the eligible lending institution, the amount of taxes paid by that eligible lending institution, and the tax year for which the taxes were paid. The tax commissioner shall distribute the forms to the county treasurers of all counties in which a property tax payment linked deposit program is established.

(2) A county treasurer shall use the lien certificate form prescribed by

the tax commissioner, except that, prior to the time that a lien certificate form is prescribed and the forms are distributed by the tax commissioner, the form shall be prepared by the county treasurer of the county, contain the information required by division (B)(1) of this section, and include the following sentence: "This lien certificate is delivered pursuant to section 135.807 of the Revised Code and vests in the eligible lending institution the first lien held previously by the state and its taxing districts for the amount of taxes paid by the eligible lending institution, together with any and all unpaid interest thereon."

(C)(1) The delivery of the lien certificate pursuant to division (A) of this section vests in the eligible lending institution the first lien held previously by the state and its taxing districts for the amount of the taxes paid by the eligible lending institution, together with any unpaid interest thereon from the date of delivery at the interest rate specified in the loan agreement between the eligible lending institution and the eligible borrower. The lien is superior to any subsequent tax liens.

(2) Subject to division (C)(3) of this section, the lien certificate delivered pursuant to division (A) of this section is superior to all other liens and encumbrances upon the homestead described in that lien certificate, and the lien continues in full force and effect until the amount of all taxes paid by the eligible lending institution, together with any unpaid interest thereon, has been repaid to the eligible lending institution.

(3) With respect to the priority as among first liens of the state and its taxing districts, the priority is determined by the date that the first liens of the state and its taxing districts attached pursuant to section 323.11 of the Revised Code, with first priority to the earliest attached lien and each immediately subsequent priority based upon the next earliest attached lien.

(D) The eligible lending institution may record the lien certificate or memorandum thereof as a mortgage on the land in the office of the county recorder of the county in which the homestead is situated. The county recorder shall record the certificate in the record of mortgages provided in division (B) of section 317.08 of the Revised Code and shall index the certificate in the indexes provided for under section 317.18 of the Revised Code. If the lien subsequently is canceled, the cancellation also shall be recorded by the county recorder. When a loan is repaid in full, the eligible financial institution shall promptly record the full payment and cancel or otherwise release the lien. On repayment of the loan in full, the lien certificate shall be null and void.

Sec. 5739.01. As used in this chapter:

(A) "Person" includes individuals, receivers, assignees, trustees in

(e) Automatic data processing, computer services, or electronic information services are or are to be provided for use in business when the true object of the transaction is the receipt by the consumer of automatic data processing, computer services, or electronic information services rather than the receipt of personal or professional services to which automatic data processing, computer services, or electronic information services are incidental or supplemental. Notwithstanding any other provision of this chapter, such transactions that occur between members of an affiliated group are not sales. An affiliated group means two or more persons related in such a way that one person owns or controls the business operation of another member of the group. In the case of corporations with stock, one corporation owns or controls another if it owns more than fifty per cent of the other corporation's common stock with voting rights.

Except as provided in section 5739.03 of the Revised Code, a construction contract pursuant to which tangible personal property is or is to be incorporated into a structure or improvement on and becoming a part of real property is not a sale of such tangible personal property. The construction contractor is the consumer of such tangible personal property, provided that the sale and installation of carpeting, the sale and installation of agricultural land tile, the sale and erection or installation of portable grain bins, or the provision of landscaping and lawn care service and the transfer of property as part of such service is never a construction contract.

As used in division (B)(5) of this section:

(a) "Agricultural land tile" means fired clay or concrete tile, or flexible or rigid perforated plastic pipe or tubing, incorporated or to be incorporated into a subsurface drainage system appurtenant to land used or to be used directly in production by farming, agriculture, horticulture, or floriculture. The term does not include such materials when they are or are to be incorporated into a drainage system appurtenant to a building or structure even if the building or structure is used or to be used in such production.

Except as provided in this section, "sale" and "selling" do not include transfers of interest in leased property where the original lessee and the terms of the original lease agreement remain unchanged, or professional, insurance, or personal service transactions that involve the transfer of tangible personal property as an inconsequential element, for which no separate charges are made.

(C) "Vendor" means the person providing the service or by whom the transfer effected or license given by a sale is or is to be made or given and, for sales described in division (B)(3)(i) of this section, the telecommunications service vendor that provides the nine hundred telephone service; if two or more persons are engaged in business at the same place of business under a single trade name in which all collections on account of sales by each are made, such persons shall constitute a single vendor.

Physicians, dentists, hospitals, and veterinarians who are engaged in selling tangible personal property as received from others, such as eyeglasses, mouthwashes, dentifrices, or similar articles, are vendors. Veterinarians who are engaged in transferring to others for a consideration drugs, the dispensing of which does not require an order of a licensed veterinarian or physician under federal law, are vendors.

(D)(1) "Consumer" means the person for whom the service is provided, to whom the transfer effected or license given by a sale is or is to be made or given, to whom the service described in division (B)(3)(f) or (i) of this section is charged, or to whom the admission is granted.

In addition to being consumers of drugs administered by them or by their assistants according to their direction, veterinarians also are consumers of drugs that under federal law may be dispensed only by or upon the order of a licensed veterinarian or physician, when transferred by them to others for a consideration to provide treatment to animals as directed by the veterinarian.

(3) A person who performs a facility management, or similar service contract for a contractee is a consumer of all tangible personal property and

services purchased for use in connection with the performance of such contract, regardless of whether title to any such property vests in the contractee. The purchase of such property and services is not subject to the exception for resale under division (E)(1) of this section.

(4)(a) In the case of a person who purchases printed matter for the purpose of distributing it or having it distributed to the public or to a designated segment of the public, free of charge, that person is the consumer of that printed matter, and the purchase of that printed matter for that purpose is a sale.

(b) In the case of a person who produces, rather than purchases, printed matter for the purpose of distributing it or having it distributed to the public or to a designated segment of the public, free of charge, that person is the consumer of all tangible personal property and services purchased for use or consumption in the production of that printed matter. That person is not entitled to claim exemption under division (B)(42)(f) of section 5739.02 of the Revised Code for any material incorporated into the printed matter or any equipment, supplies, or services primarily used to produce the printed matter.

(c) The distribution of printed matter to the public or to a designated segment of the public, free of charge, is not a sale to the members of the public to whom the printed matter is distributed or to any persons who purchase space in the printed matter for advertising or other purposes.

(5) A person who makes sales of any of the services listed in division (B)(3) of this section is the consumer of any tangible personal property used in performing the service. The purchase of that property is not subject to the resale exception under division (E)(1) of this section.

(6) A person who engages in highway transportation for hire is the consumer of all packaging materials purchased by that person and used in performing the service, except for packaging materials sold by such person in a transaction separate from the service.

(E) "Retail sale" and "sales at retail" include all sales, except those in which the purpose of the consumer is to resell the thing transferred or benefit of the service provided, by a person engaging in business, in the form in which the same is, or is to be, received by the person.

(F) "Business" includes any activity engaged in by any person with the object of gain, benefit, or advantage, either direct or indirect. "Business" does not include the activity of a person in managing and investing the person's own funds.

(G) "Engaging in business" means commencing, conducting, or continuing in business, and liquidating a business when the liquidator

thereof holds itself out to the public as conducting such business. Making a casual sale is not engaging in business.

(H)(1)(a) "Price," except as provided in divisions (H)(2) and (3) of this section, means the total amount of consideration, including cash, credit, property, and services, for which tangible personal property or services are sold, leased, or rented, valued in money, whether received in money or otherwise, without any deduction for any of the following:

- (i) The vendor's cost of the property sold;
- (ii) The cost of materials used, labor or service costs, interest, losses, all costs of transportation to the vendor, all taxes imposed on the vendor, including the tax imposed under Chapter 5751. of the Revised Code, and any other expense of the vendor;
- (iii) Charges by the vendor for any services necessary to complete the sale;
- (iv) On and after August 1, 2003, delivery charges. As used in this division, "delivery charges" means charges by the vendor for preparation and delivery to a location designated by the consumer of tangible personal property or a service, including transportation, shipping, postage, handling, crating, and packing.
- (v) Installation charges;
- (vi) Credit for any trade-in.

(b) "Price" includes consideration received by the vendor from a third party, if the vendor actually receives the consideration from a party other than the consumer, and the consideration is directly related to a price reduction or discount on the sale; the vendor has an obligation to pass the price reduction or discount through to the consumer; the amount of the consideration attributable to the sale is fixed and determinable by the vendor at the time of the sale of the item to the consumer; and one of the following criteria is met:

- (i) The consumer presents a coupon, certificate, or other document to the vendor to claim a price reduction or discount where the coupon, certificate, or document is authorized, distributed, or granted by a third party with the understanding that the third party will reimburse any vendor to whom the coupon, certificate, or document is presented;
- (ii) The consumer identifies the consumer's self to the seller as a member of a group or organization entitled to a price reduction or discount. A preferred customer card that is available to any patron does not constitute membership in such a group or organization.
- (iii) The price reduction or discount is identified as a third party price reduction or discount on the invoice received by the consumer, or on a

coupon, certificate, or other document presented by the consumer.

(c) "Price" does not include any of the following:

(i) Discounts, including cash, term, or coupons that are not reimbursed by a third party that are allowed by a vendor and taken by a consumer on a sale;

(ii) Interest, financing, and carrying charges from credit extended on the sale of tangible personal property or services, if the amount is separately stated on the invoice, bill of sale, or similar document given to the purchaser;

(iii) Any taxes legally imposed directly on the consumer that are separately stated on the invoice, bill of sale, or similar document given to the consumer. For the purpose of this division, the tax imposed under Chapter 5751. of the Revised Code is not a tax directly on the consumer, even if the tax or a portion thereof is separately stated.

(iv) Notwithstanding divisions (H)(1)(b)(i) to (iii) of this section, any discount allowed by an automobile manufacturer to its employee, or to the employee of a supplier, on the purchase of a new motor vehicle from a new motor vehicle dealer in this state.
