To amend section 125.021 of the Revised Code to allow 1  
the Industrial Commission to make contracts 2  
concerning telecommunications and computer 3  
services and to make appropriations for the 4  
Industrial Commission for the biennium beginning 5  
July 1, 2005, and ending June 30, 2007, and to 6  
provide authorization and conditions for the 7  
operation of Commission programs. 8

**BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:**

**Section 1.** That section 125.021 of the Revised Code be 9  
amended to read as follows: 10

**Sec. 125.021.** Except as to the military department, the 11  
general assembly, the bureau of workers' compensation, the 12  
industrial commission, and institutions administered by boards of 13  
trustees, the department of administrative services may make 14  
contracts for, operate, and superintend the telephone, other 15

telecommunication, and computer services for state agencies. 16

Nothing in this section precludes the bureau or the 17  
commission from entering into a contract with the department of 18  
 administrative services for the department to make contracts for, 19  
 operate, or superintend such systems for the bureau or the 20  
commission. 21

**Section 2.** That existing section 125.021 of the Revised Code 22  
 is hereby repealed. 23

**Section 3.** All items in this section are hereby appropriated 24  
 out of any moneys in the state treasury to the credit of the 25  
 designated fund. For all appropriations made in this section, 26  
 those in the first column are for fiscal year 2006, and those in 27

<b>Section 4.</b> Law contained in the main operating appropriations	53

appropriations made in this act.	56
<b>Section 5.</b> If any item of law that constitutes the whole or	57

act, or if any application of any item of law that constitutes the	59
whole or part of a codified or uncodified section of law contained	60
