Within thirty days after the creation or dissolution or the winding up of the affairs of any public office, that public office shall notify the auditor of state in writing that this action has occurred.

Sec. 117.16. (A) The auditor of state shall do all of the following:

(1) Develop a force account project assessment form that each public office that undertakes force account projects shall use to estimate or report the cost of a force account project. The form shall include costs for employee salaries and benefits, any other labor costs, materials, freight, fuel, hauling, overhead expense, workers' compensation premiums, and all other items of cost and expense, including a reasonable allowance for the use of all tools and equipment used on or in connection with such work and for the depreciation on the tools and equipment.

(3) When conducting an audit under this chapter of a public office that undertakes force account projects, examine the forms and records of a sampling of the force account projects the public office completed since an audit was last conducted, to determine compliance with its force account limits.

(B) If the auditor of state receives a complaint from any

person that a public office has violated the force account limits 2431
established for that office, the auditor of state may conduct an 2432
audit in addition to the audit provided in section 117.11 of the 2433
Revised Code if the auditor of state has reasonable cause to 2434
believe that an additional audit is in the public interest. 2435

(C)(1) If the auditor of state finds that a county, township, 2436
or municipal corporation violated the force account limits 2437
established for that political subdivision, the auditor of state, 2438
in addition to any other action authorized by this chapter, shall 2439
notify the political subdivision that, for a period of one year 2440
from the date of the notification, the force account limits for 2441
the subdivision are reduced as follows: 2442

(a) For a county, the limits shall be ten thousand dollars 2443

thousand dollars for construction, reconstruction, maintenance, or 2445

(b) For a township, the limit shall be fifteen thousand 2447
dollars for maintenance and repair of a road or five thousand per 2448
mile for construction or reconstruction of a township road; 2449

(c) For a municipal corporation, the limit shall be ten 2450
thousand dollars for the construction, reconstruction, widening, 2451

(3) If the auditor of state finds that a county, township, or 2461

municipal corporation violated the force account limits 2462
established for that political subdivision a third or subsequent 2463
time, the auditor of state shall certify to the tax commissioner 2464
an amount the auditor of state determines to be twenty per cent of 2465
the total cost of the force account project that is the basis of 2466
the violation. Upon receipt of this certification, the tax 2467
commissioner shall withhold the certified amount from any funds 2468
under the tax commissioner's control that are due or payable to 2469
that political subdivision. The tax commissioner shall promptly 2470
deposit this withheld amount to the credit of the local 2471
transportation improvement program fund created by section 164.14 2472
of the Revised Code. 2473

If the tax commissioner determines that no funds are due and 2474
payable to the violating political subdivision or that 2475
insufficient amounts of such funds are available to cover the 2476
entire certified amount, the tax commissioner shall withhold and 2477
deposit to the credit of the local transportation improvement 2478
program fund any amount available and certify the remaining amount 2479
to be withheld to the county auditor of the county in which the 2480
political subdivision is located. The county auditor shall 2481
withhold from that political subdivision any amount, up to that 2482
certified by the tax commissioner, that is available from any 2483
funds under the county auditor's control, that is due or payable 2484
to that political subdivision, and that can be lawfully withheld. 2485
The county auditor shall promptly pay that withheld amount to the 2486
tax commissioner for deposit into the local transportation 2487
improvement program fund. 2488

The payments required under division (C)(3) of this section 2489
are in addition to the force account limit reductions described in 2490
division (C)(2) of this section and also are in addition to any 2491
other action authorized by this chapter. 2492

(D) If the auditor of state finds that a county, township, or 2493

municipal corporation violated its force account limits when 2494
participating in a joint force account project, the auditor of 2495
state shall impose the reduction in force account limits under 2496

are only for legal services rendered to the date of the request 2682
and additional legal services likely will have to be provided in 2683
connection with that defense, or are for the final legal services 2684
rendered in connection with that defense; a written statement 2685
indicating whether the private legal counsel previously submitted 2686
a request for an award under division (E)(2) of this section in 2687
connection with that defense and, if so, the date and the amount 2688
of each award granted; and, if the fees, costs, and expenses are 2689

with that defense, a certified copy of any judgment entry in the 2692
civil action or proceeding or a signed copy of any settlement 2693

section to the director of budget and management. The award of 2717
legal fees, court costs, or expenses shall be paid out of the 2718
state public defender's appropriations, to the extent there is a 2719
sufficient available balance in those appropriations. If the state 2720
public defender does not have a sufficient available balance in 2721
the state public defender's appropriations to pay the entire award 2722
of legal fees, court costs, or expenses, the director shall make 2723
application for a transfer of appropriations out of the emergency 2724
purposes account or any other appropriation for emergencies or 2725
contingencies in an amount equal to the portion of the award that 2726
exceeds the sufficient available balance in the state public 2727
defender's appropriations. A transfer of appropriations out of the 2728
emergency purposes account or any other appropriation for 2729
emergencies or contingencies shall be authorized if there are 2730
sufficient moneys greater than the sum total of then pending 2731
emergency purposes account requests, or requests for releases from 2732
the other appropriation. If a transfer of appropriations out of 2733
the emergency purposes account or other appropriation for 2734
emergencies or contingencies is made to pay an amount equal to the 2735
portion of the award that exceeds the sufficient available balance 2736
in the state public defender's appropriations, the director shall 2737
cause the payment to be made to the private legal counsel. If 2738
sufficient moneys do not exist in the emergency purposes account 2739
or other appropriation for emergencies or contingencies to pay an 2740
amount equal to the portion of the award that exceeds the 2741
sufficient available balance in the state public defender's 2742
appropriations, the private legal counsel shall request the 2743
general assembly to make an appropriation sufficient to pay an 2744

amount equal to the portion of the award that exceeds the 2745
sufficient available balance in the state public defender's 2746
appropriations, and no payment in that amount shall be made until 2747
the appropriation has been made. The private legal counsel shall 2748
make the request during the current biennium and during each 2749
succeeding biennium until a sufficient appropriation is made. 2750

(b) An award of legal fees, court costs, and expenses 2751
pursuant to division (E) of this section is subject to the 2752
following limitations: 2753

(i) The maximum award or maximum aggregate of a series of 2754

shall not disqualify that person from legal representation. 2979

(C) The application fee assessed pursuant to division (A) of 2980
this section is separate from and in addition to any other amount 2981
assessed against a person who is found to be able to contribute 2982

cent of the application fees so collected to offset the costs of 2988
providing legal representation to indigent persons. Each month, 2989
the county auditor shall remit twenty per cent of the application 2990
fees so collected to the state public defender. The state public 2991
defender shall deposit the remitted fees into the state treasury 2992

foundation, shall administer the payment of moneys out of the 3036
fund. Four and one-half per cent of the moneys in the fund shall 3037
be reserved for the actual, reasonable costs of administering 3038
sections 120.51 to 120.55 and sections 1901.26, 1907.24, 2303.201, 3039

section 120.52 of the Revised Code to be used for the funding of 3055
the society during the calendar year following the calendar year 3056
in which application is made. 3057

(B) An application for financial assistance made under 3058
division (A) of this section shall be submitted by the first day 3059

3085

(C) The Ohio legal assistance foundation shall determine 3086
whether each applicant that filed an application for financial 3087
assistance under division (A) of this section in a calendar year 3088
is eligible for financial assistance under this section. To be 3089
eligible for such financial assistance, an applicant shall satisfy 3090
the criteria for being a legal aid society and shall be in 3091
compliance with the provisions of sections 120.51 to 120.55 of the 3092
Revised Code and with the rules and requirements the foundation 3093

under division (D) of this section. 3101

(D) The Ohio legal assistance foundation shall allocate 3102
moneys contained in the legal aid fund twice each year for 3103

Revised Code that are authorized by section 120.52 of the Revised 3111
Code, according to this section and shall be distributed 3112
accordingly on the thirty-first day of January of that calendar 3113
year, and all moneys contained in the fund on the first day of 3114
July of that calendar year shall be allocated, after deduction of 3115

the costs of administering those sections that are authorized by 3116
section 120.52 of the Revised Code, according to this section and 3117
shall be distributed accordingly on the thirty-first day of July 3118
of that calendar year. In making the allocations under this 3119

actual, reasonable administrative costs under section 120.52 of 3125
the Revised Code: 3126

(a) Five per cent of the moneys remaining in the fund, ~~plus~~ 3127
~~any moneys reserved for administrative costs under that section~~ 3128

of section 120.521 of the Revised Code or for distribution to 3131
legal aid societies that provide assistance to special population 3132
groups of their eligible clients, engage in special projects that 3133
have a substantial impact on their local service area or on 3134
significant segments of the state's poverty population, or provide 3135
legal training or support to other legal aid societies in the 3136
state; 3137

(b) After deduction of the amount described in division 3138
(D)(1)(a) of this section, one and three-quarters per cent of the 3139

section 120.521 of the Revised Code. 3150

(2) After deduction of the actual, reasonable administrative 3151
costs under section 120.52 of the Revised Code and after deduction 3152
of the amounts identified in ~~division~~ divisions (D)(1)(a) ~~and~~, 3153
(b), and (c) of this section, the remaining moneys shall be 3154
apportioned among the counties that are served by eligible legal 3155
aid societies that have applied for financial assistance under 3156
this section so that each such county is apportioned a portion of 3157
those moneys, based upon the ratio of the number of indigents who 3158
reside in that county to the total number of indigents who reside 3159
in all counties of this state that are served by eligible legal 3160
aid societies that have applied for financial assistance under 3161
this section. Subject to division (E) of this section, the moneys 3162

and that has applied for financial assistance under this section. 3165
For purposes of this division, the source of data identifying the 3166
number of indigent persons who reside in a county shall be the 3167
most recent decennial census figures from the United States 3168
department of commerce, division of census. 3169

(E) If the Ohio legal assistance foundation, in attempting to 3170

section, determines that a county that has been apportioned money 3172
under that division is served by more than one eligible legal aid 3173
society that has applied for financial assistance under this 3174
section, the Ohio legal assistance foundation shall allocate the 3175
moneys that have been apportioned to that county under division 3176
(D)(2) of this section among all eligible legal aid societies that 3177
serve that county and that have applied for financial assistance 3178

(b) On application of a county council, the cabinet council 3383
may grant an exemption from any rules or interagency agreements of 3384
a state department participating on the council if an exemption is 3385
necessary for the council to implement an alternative program or 3386
approach for service delivery to families and children. The 3387
application shall describe the proposed program or approach and 3388
specify the rules or interagency agreements from which an 3389
exemption is necessary. The cabinet council shall approve or 3390
disapprove the application in accordance with standards and 3391
procedures it shall adopt. If an application is approved, the 3392

exemption is effective only while the program or approach is being 3393
implemented, including a reasonable period during which the 3394
program or approach is being evaluated for effectiveness. 3395

(4)(a) Each county council shall designate an administrative 3396
agent for the council from among the following public entities: 3397

the Revised Code; the county board of mental retardation and 3405
developmental disabilities; any of the county's boards of 3406
education or governing boards of educational service centers; or 3407
the county's juvenile court. Any of the foregoing public entities, 3408
other than the board of county commissioners, may decline to serve 3409
as the council's administrative agent. 3410

A county council's administrative agent shall serve as the 3411
council's appointing authority for any employees of the council. 3412
The council shall file an annual budget with its administrative 3413
agent, with copies filed with the county auditor and with the 3414
board of county commissioners, unless the board is serving as the 3415
council's administrative agent. The council's administrative agent 3416
shall ensure that all expenditures are handled in accordance with 3417
policies, procedures, and activities prescribed by state 3418
departments in rules or interagency agreements that are applicable 3419
to the council's functions. 3420

The administrative agent for a county council may do any of 3421
the following on behalf of the council: 3422

(i) Enter into agreements or administer contracts with public 3423

or private entities to fulfill specific council business. Such 3424
agreements and contracts are exempt from the competitive bidding 3425
requirements of section 307.86 of the Revised Code if they have 3426
been approved by the county council and they are for the purchase 3427
of family and child welfare or child protection services or other 3428
social or job and family services for families and children. The 3429
approval of the county council is not required to exempt 3430
agreements or contracts entered into under section 5139.34, 3431
5139.41, or 5139.43 of the Revised Code from the competitive 3432
bidding requirements of section 307.86 of the Revised Code. 3433

(ii) As determined by the council, provide financial 3434
stipends, reimbursements, or both, to family representatives for 3435
expenses related to council activity; 3436

(iii) Receive by gift, grant, devise, or bequest any moneys, 3437
lands, or other property for the purposes for which the council is 3438
established. The agent shall hold, apply, and dispose of the 3439
moneys, lands, or other property according to the terms of the 3440
gift, grant, devise, or bequest. Any interest or earnings shall be 3441
treated in the same manner and are subject to the same terms as 3442
the gift, grant, devise, or bequest from which it accrues. 3443

(b)(i) If the county council designates the board of county 3444
commissioners as its administrative agent, the board may, by 3445
resolution, delegate any of its powers and duties as 3446
administrative agent to an executive committee the board 3447
establishes from the membership of the county council. The board 3448
shall name to the executive committee at least the individuals 3449
described in divisions (B)(1)~~(b) through (h)~~(a) to (i) of this 3450
section and may appoint the president of the board or another 3451
individual as the chair of the executive committee. 3452

(ii) The executive committee may, with the approval of the 3453
board, hire an executive director to assist the county council in 3454

administering its powers and duties. The executive director shall 3455
serve in the unclassified civil service at the pleasure of the 3456
executive committee. The executive director may, with the approval 3457
of the executive committee, hire other employees as necessary to 3458
properly conduct the county council's business. 3459

(iii) The board may require the executive committee to submit 3460
an annual budget to the board for approval and may amend or repeal 3461
the resolution that delegated to the executive committee its 3462
authority as the county council's administrative agent. 3463

(5) Two or more county councils may enter into an agreement 3464
to administer their county councils jointly by creating a regional 3465
family and children first council. A regional council possesses 3466
the same duties and authority possessed by a county council, 3467
except that the duties and authority apply regionally rather than 3468
to individual counties. Prior to entering into an agreement to 3469
create a regional council, the members of each county council to 3470
be part of the regional council shall meet to determine whether 3471
all or part of the members of each county council will serve as 3472
members of the regional council. 3473

(6) A board of county commissioners may approve a resolution 3474
by a majority vote of the board's members that requires the county 3475
council to submit a statement to the board each time the council 3476
proposes to enter into an agreement, adopt a plan, or make a 3477
decision, other than a decision pursuant to section 121.38 of the 3478
Revised Code, that requires the expenditure of funds for two or 3479
more families. The statement shall describe the proposed 3480
agreement, plan, or decision. 3481

Not later than fifteen days after the board receives the 3482
statement, it shall, by resolution approved by a majority of its 3483
members, approve or disapprove the agreement, plan, or decision. 3484
Failure of the board to pass a resolution during that time period 3485

shall be considered approval of the agreement, plan, or decision. 3486

An agreement, plan, or decision for which a statement is 3487
required to be submitted to the board shall be implemented only if 3488
it is approved by the board. 3489

(C) Each county shall develop a county service coordination 3490
mechanism. The mechanism shall be developed and approved with the 3491
participation of the county entities representing child welfare; 3492
mental retardation and developmental disabilities; alcohol, drug 3493
addiction, and mental health services; health; juvenile judges; 3494
education; the county family and children first council; and the 3495
county early intervention collaborative established pursuant to 3496
the federal early intervention program operated under the 3497
"Education of the Handicapped Act Amendments of 1986." The county 3498
shall establish an implementation schedule for the mechanism. The 3499
cabinet council may monitor the implementation and administration 3500

is conducted within ten days of the placement. 3528

(6) A procedure for monitoring the progress and tracking the 3529
outcomes of each service coordination plan requested in the county 3530

education. 3535

Sec. 121.38. (A) An agency represented on a county family and 3654
children first council that disagrees with the council's decision 3655
concerning the services or funding for services a child is to 3656
receive from agencies represented on the council may initiate the 3657
local dispute resolution process established in the county service 3658
coordination mechanism applicable to the council. On completion of 3659
the process, the decision maker designated in the mechanism shall 3660
issue a written determination that directs one or more agencies 3661
represented on the council to provide services or funding for 3662
services to the child. The determination shall include a plan of 3663

part of the county's service coordination mechanism and on 3667
evidence presented during the local dispute resolution process. 3668

The decision maker may require an agency to provide services or 3669
funding only if the child's condition or needs qualify the child 3670
for services under the laws governing the agency. 3671

3672

(B) An agency subject to a determination issued pursuant to a 3673
local dispute resolution process shall immediately comply with the 3674

The court shall hold a hearing as soon as possible, but not 3688
later than ninety days after the motion or complaint is filed. At 3689
least five days before the date on which the court hearing is to 3690
be held, the court shall send each agency subject to the 3691
determination written notice by first class mail of the date, 3692
time, place, and purpose of the court hearing. In the case of a 3693
motion filed under division (B)(1) of this section, the court may 3694
conduct the hearing as part of the adjudicatory or dispositional 3695
hearing concerning the child, if appropriate, and shall provide 3696
notice as required for those hearings. 3697

Except in cases in which the hearing is conducted as part of 3698
the adjudicatory or dispositional hearing, a hearing held pursuant 3699

to this division shall be limited to a determination of which 3700
agencies are to provide services or funding for services to the 3701
child. At the conclusion of the hearing, the court shall issue an 3702
order directing one or more agencies represented on the county 3703
council to provide services or funding for services to the child. 3704
The order shall include a plan of care governing the manner in 3705
which the services or funding are to be provided. The court shall 3706
base the plan of care on the comprehensive ~~joint~~ family service 3707
coordination plan developed as part of the county's service 3708
coordination plan and on evidence presented during the hearing. An 3709
agency required by the order to provide services or funding shall 3710
be a party to any juvenile court proceeding concerning the child. 3711
The court may require an agency to provide services or funding for 3712
a child only if the child's condition or needs qualify the child 3713
for services under the laws governing the agency. 3714

(C) While the local dispute resolution process or court 3715
proceedings pursuant to this section are pending, each agency 3716
shall provide services and funding as required by the decision 3717
made by the county council before dispute resolution was 3718
initiated. If an agency that provides services or funds during the 3719
local dispute resolution process or court proceedings is 3720
determined through the process or proceedings not to be 3721
responsible for providing them, it shall be reimbursed for the 3722
costs of providing the services or funding by the agencies 3723
determined to be responsible for providing them. 3724

decision rendered by a county family and children first council 3726

Sec. 122.17. (A) As used in this section: 3852

(1) "Full-time employee" means an individual who is employed 3853
for consideration for at least thirty-five hours a week, or who 3854
renders any other standard of service generally accepted by custom 3855
or specified by contract as full-time employment. 3856

(2) "New employee" means one of the following: 3857

(a) A full-time employee first employed by a taxpayer in the 3858
project that is the subject of the agreement after the taxpayer 3859
enters into a tax credit agreement with the tax credit authority 3860
under this section; 3861

(b) A full-time employee first employed by a taxpayer in the 3862
project that is the subject of the tax credit after the tax credit 3863
authority approves a project for a tax credit under this section 3864
in a public meeting, as long as the taxpayer enters into the tax 3865
credit agreement prepared by the department of development after 3866
such meeting within sixty days after receiving the agreement from 3867
the department. If the taxpayer fails to enter into the agreement 3868
within sixty days, "new employee" has the same meaning as under 3869
division (A)(2)(a) of this section. 3870

Under division (A)(2)(a) or (b) of this section, if the tax 3871
credit authority determines it appropriate, "new employee" also 3872
may include an employee re-hired or called back from lay-off to 3873
work in a new facility or on a new product or service established 3874

under this section or after the tax credit authority approves the 3876
tax credit in a public meeting. Except as otherwise provided in 3877
this paragraph, "new employee" does not include any employee of 3878
the taxpayer who was previously employed in this state by a 3879

related member of the taxpayer and whose employment was shifted to 3880
the taxpayer after the taxpayer entered into the tax credit 3881
agreement or after the tax credit authority approved the credit in 3882
a public meeting, or any employee of the taxpayer for which the 3883
taxpayer has been granted a certificate under division (B) of 3884
section 5709.66 of the Revised Code. However, if the taxpayer is 3885
engaged in the enrichment and commercialization of uranium or 3886
uranium products or is engaged in research and development 3887
activities related thereto and if the tax credit authority 3888
determines it appropriate, "new employee" may include an employee 3889
of the taxpayer who was previously employed in this state by a 3890

Revenue Code and regulations prescribed thereunder. 3905

(3) "New income tax revenue" means the total amount withheld 3906
under section 5747.06 of the Revised Code by the taxpayer during 3907
the taxable year, or during the calendar year that includes the 3908
tax period, from the compensation of new employees for the tax 3909
levied under Chapter 5747. of the Revised Code. 3910

(4) "Related member" has the same meaning as under division 3911

(A)(6) of section 5733.042 of the Revised Code without regard to 3912
division (B) of that section. 3913

(B) The tax credit authority may make grants under this 3914
section to foster job creation in this state. Such a grant shall 3915
take the form of a refundable credit allowed against the tax 3916
imposed by section 5733.06 or 5747.02 of the Revised Code for 3917
taxable years ending prior to 2008 and against the tax levied by 3918
Chapter 5751. of the Revised Code for tax periods beginning on or 3919
after July 1, 2008. The credit shall be claimed for the taxable 3920
years or tax periods specified in the taxpayer's agreement with 3921
the tax credit authority under division (D) of this section. The 3922
credit shall be claimed ~~after the allowance of all other credits~~ 3923
~~provided by Chapter 5733. or 5747. in the order required under~~ 3924
section 5733.98, 5747.98, or 5751.98 of the Revised Code. The 3925
amount of the credit available for a taxable year or for a 3926
calendar year that includes a tax period equals the new income tax 3927
revenue for ~~the taxable~~ that year multiplied by the percentage 3928
specified in the agreement with the tax credit authority. 3929

(C) A taxpayer or potential taxpayer who proposes a project 3930
to create new jobs in this state may apply to the tax credit 3931
authority to enter into an agreement for a tax credit under this 3932
section. The director of development shall prescribe the form of 3933
the application. After receipt of an application, the authority 3934
may enter into an agreement with the taxpayer for a credit under 3935
this section if it determines all of the following: 3936

(1) The taxpayer's project will create new jobs in this 3937
state; 3938

(2) The taxpayer's project is economically sound and will 3939
benefit the people of this state by increasing opportunities for 3940
employment and strengthening the economy of this state; 3941

(3) Receiving the tax credit is a major factor in the 3942

taxpayer's decision to go forward with the project. 3943

(D) An agreement under this section shall include all of the 3944
following: 3945

(1) A detailed description of the project that is the subject 3946
of the agreement; 3947

(2) The term of the tax credit, which shall not exceed 3948
fifteen years, and the first taxable year, or first calendar year 3949
that includes a tax period, for which the credit may be claimed; 3950

(3) A requirement that the taxpayer shall maintain operations 3951
at the project location for at least twice the number of years as 3952
the term of the tax credit; 3953

(4) The percentage, as determined by the tax credit 3954
authority, of new income tax revenue that will be allowed as the 3955
amount of the credit for each taxable year or for each calendar 3956
year that includes a tax period; 3957

(5) A specific method for determining how many new employees 3958
are employed during a taxable year or during a calendar year that 3959
includes a tax period; 3960

(6) A requirement that the taxpayer annually shall report to 3961
the director of development the number of new employees, the new 3962
income tax revenue withheld in connection with the new employees, 3963
and any other information the director needs to perform the 3964
director's duties under this section; 3965

(7) A requirement that the director of development annually 3966
shall verify the amounts reported under division (D)(6) of this 3967
section, and after doing so shall issue a certificate to the 3968
taxpayer stating that the amounts have been verified; 3969

(8)(a) A provision requiring that the taxpayer, except as 3970
otherwise provided in division (D)(8)(b) of this section, shall 3971
not relocate employment positions from elsewhere in this state to 3972

the project site that is the subject of the agreement for the 3973
lesser of five years from the date the agreement is entered into 3974
or the number of years the taxpayer is entitled to claim the tax 3975
credit. 3976

(b) The taxpayer may relocate employment positions from 3977
elsewhere in this state to the project site that is the subject of 3978
the agreement if the director of development determines both of 3979
the following: 3980

(i) That the site from which the employment positions would 3981
be relocated is inadequate to meet market and industry conditions, 3982
expansion plans, consolidation plans, or other business 3983
considerations affecting the taxpayer; 3984

(ii) That the legislative authority of the county, township, 3985
or municipal corporation from which the employment positions would 3986
be relocated has been notified of the relocation. 3987

For purposes of this section, the movement of an employment 3988
position from one political subdivision to another political 3989
subdivision shall be considered a relocation of an employment 3990
position, but the transfer of an individual employee from one 3991
political subdivision to another political subdivision shall not 3992
be considered a relocation of an employment position as long as 3993
the individual's employment position in the first political 3994
subdivision is refilled. 3995

(E) If a taxpayer fails to meet or comply with any condition 3996
or requirement set forth in a tax credit agreement, the tax credit 3997
authority may amend the agreement to reduce the percentage or term 3998
of the tax credit. The reduction of the percentage or term shall 3999
take effect in the taxable year immediately following the taxable 4000
year in which the authority amends the agreement or in the first 4001
tax period beginning in the calendar year immediately following 4002
the calendar year in which the authority amends the agreement. If 4003

the taxpayer relocates employment positions in violation of the 4004
provision required under division (D)(8)(a) of this section, the 4005
taxpayer shall not claim the tax credit under section 5733.0610 of 4006
the Revised Code for any tax years following the calendar year in 4007
which the relocation occurs, or shall not claim the tax credit 4008
under section 5747.058 of the Revised Code for the taxable year in 4009
which the relocation occurs and any subsequent taxable years, and 4010
shall not claim the tax credit under division (A) of section 4011
5751.50 of the Revised Code for any tax period in the calendar 4012
year in which the relocation occurs and any subsequent tax 4013
periods. 4014

(F) Projects that consist solely of point-of-final-purchase 4015
retail facilities are not eligible for a tax credit under this 4016
section. If a project consists of both point-of-final-purchase 4017
retail facilities and nonretail facilities, only the portion of 4018
the project consisting of the nonretail facilities is eligible for 4019
a tax credit and only the new income tax revenue from new 4020
employees of the nonretail facilities shall be considered when 4021
computing the amount of the tax credit. If a warehouse facility is 4022
part of a point-of-final-purchase retail facility and supplies 4023
only that facility, the warehouse facility is not eligible for a 4024
tax credit. Catalog distribution centers are not considered 4025
point-of-final-purchase retail facilities for the purposes of this 4026
division, and are eligible for tax credits under this section. 4027

(G) Financial statements and other information submitted to 4028
the department of development or the tax credit authority by an 4029
applicant or recipient of a tax credit under this section, and any 4030
information taken for any purpose from such statements or 4031
information, are not public records subject to section 149.43 of 4032
the Revised Code. However, the chairperson of the authority may 4033
make use of the statements and other information for purposes of 4034
issuing public reports or in connection with court proceedings 4035

concerning tax credit agreements under this section. Upon the
request of the tax commissioner, the chairperson of the authority
shall provide to the commissioner any statement or information
submitted by an applicant or recipient of a tax credit in
connection with the credit. The commissioner shall preserve the
confidentiality of the statement or information.

(H) A taxpayer claiming a credit under this section shall
submit to the tax commissioner a copy of the director of
development's certificate of verification under division (D)(7) of
this section for the taxable year or for the calendar year that
includes the tax period. However, failure to submit a copy of the
certificate does not invalidate a claim for a credit.

(I) The director of development, after consultation with the
tax commissioner and in accordance with Chapter 119. of the
Revised Code, shall adopt rules necessary to implement this
section. The rules may provide for recipients of tax credits under
this section to be charged fees to cover administrative costs of
the tax credit program. At the time the director gives public
notice under division (A) of section 119.03 of the Revised Code of
the adoption of the rules, the director shall submit copies of the
proposed rules to the chairpersons of the standing committees on
economic development in the senate and the house of
representatives.

(J) For the purposes of this section, a taxpayer may include
a partnership, a corporation that has made an election under
subchapter S of chapter one of subtitle A of the Internal Revenue
Code, or any other business entity through which income flows as a
distributive share to its owners. A credit received under this
section by a partnership, S-corporation, or other such business
entity shall be apportioned among the persons to whom the income
or profit of the partnership, S-corporation, or other entity is
distributed, in the same proportions as those in which the income

or profit is distributed.

4068

(K) If the director of development determines that a taxpayer who has received a credit under this section is not complying with the requirement under division (D)(3) of this section, the director shall notify the tax credit authority of the noncompliance. After receiving such a notice, and after giving the taxpayer an opportunity to explain the noncompliance, the tax credit authority may require the taxpayer to refund to this state a portion of the credit in accordance with the following:

4069

4070

4071

4072

4073

4074

4075

4076

(1) If the taxpayer maintained operations at the project location for at least one and one-half times the number of years of the term of the tax credit, an amount not exceeding twenty-five per cent of the sum of any previously allowed credits under this section;

4077

4078

4079

4080

4081

(2) If the taxpayer maintained operations at the project location for at least the number of years of the term of the tax credit, an amount not exceeding fifty per cent of the sum of any previously allowed credits under this section;

4082

4083

4084

4085

(3) If the taxpayer maintained operations at the project location for less than the number of years of the term of the tax credit, an amount not exceeding one hundred per cent of the sum of any previously allowed credits under this section.

4086

4087

4088

4089

In determining the portion of the tax credit to be refunded to this state, the tax credit authority shall consider the effect of market conditions on the taxpayer's project and whether the taxpayer continues to maintain other operations in this state. After making the determination, the authority shall certify the amount to be refunded to the tax commissioner. each of whom shall review the application to determine the 4302
economic impact the proposed project would have on the state and 4303

their determinations and recommendations to the authority. ~~The~~ 4305
~~authority shall make no agreements under this section after June~~ 4306
~~30, 2007.~~ 4307

(D) Upon review of the determinations and recommendations 4308
described in division (C) of this section, the tax credit 4309

(3) The taxpayer intends to and has the ability to maintain 4317
operations at the project site for at least twice the term of the 4318
credit. 4319

(4) Receiving the credit is a major factor in the taxpayer's 4320
decision to begin, continue with, or complete the project. 4321

(5) The political subdivisions in which the project is 4322
located have agreed to provide substantial financial support to 4323
the project. 4324

(E) An agreement under this section shall include all of the 4325

(1) A detailed description of the project that is the subject 4327
of the agreement, including the amount of the investment, the 4328
period over which the investment has been or is being made, and 4329
the number of full-time employment positions at the project site. 4330

(2) The method of calculating the number of full-time 4331
employment positions as specified in division (A)(3) of this 4332
section. 4333

year for which the credit may be claimed. 4335

(4) A requirement that the taxpayer maintain operations at 4336
the project site for at least twice the number of years as the 4337
term of the credit. 4338

(5) A requirement that the taxpayer retain a specified number 4339
of full-time employment positions at the project site and within 4340
this state for the term of the credit, including a requirement 4341
that the taxpayer continue to employ at least one thousand 4342
employees in full-time employment positions at the project site 4343
during the entire term of any agreement, subject to division 4344
(E)(7) of this section. 4345

(6) A requirement that the taxpayer annually report to the director of development the number of full-time employment positions subject to the credit, the amount of tax withheld from employees in those positions, the amount of the payments made for the capital investment project, and any other information the director needs to perform the director's duties under this section.

(7) A requirement that the director of development annually review the annual reports of the taxpayer to verify the information reported under division (E)(6) of this section and compliance with the agreement. Upon verification, the director shall issue a certificate to the taxpayer stating that the information has been verified and identifying the amount of the credit for the taxable year. Unless otherwise specified by the tax credit authority in a resolution and included as part of the agreement, the director shall not issue a certificate for any year in which the total number of filled full-time employment positions for each day of the calendar year divided by three hundred sixty-five is less than ninety per cent of the full-time employment positions specified in division (E)(5) of this section. In determining the number of full-time employment positions, no position shall be counted that is filled by an employee who is included in the calculation of a tax credit under section 122.17 of the Revised Code.

(8)(a) A provision requiring that the taxpayer, except as otherwise provided in division (E)(8)(b) of this section, shall not relocate employment positions from elsewhere in this state to the project site that is the subject of the agreement for the lesser of five years from the date the agreement is entered into or the number of years the taxpayer is entitled to claim the credit.

(b) The taxpayer may relocate employment positions from

elsewhere in this state to the project site that is the subject of 4378
the agreement if the director of development determines both of 4379
the following: 4380

(i) That the site from which the employment positions would 4381
be relocated is inadequate to meet market and industry conditions, 4382
expansion plans, consolidation plans, or other business 4383
considerations affecting the taxpayer; 4384

(ii) That the legislative authority of the county, township, 4385
or municipal corporation from which the employment positions would 4386
be relocated has been notified of the relocation. 4387

For purposes of this section, the movement of an employment 4388
position from one political subdivision to another political 4389
subdivision shall be considered a relocation of an employment 4390
position unless the movement is confined to the project site. The 4391
transfer of an individual employee from one political subdivision 4392
to another political subdivision shall not be considered a 4393
relocation of an employment position as long as the individual's 4394
employment position in the first political subdivision is 4395
refilled. 4396

(9) A waiver by the taxpayer of any limitations periods 4397
relating to assessments or adjustments resulting from the 4398
taxpayer's failure to comply with the agreement. 4399

(F) If a taxpayer fails to meet or comply with any condition 4400
or requirement set forth in a tax credit agreement, the tax credit 4401
authority may amend the agreement to reduce the percentage or term 4402
of the credit. The reduction of the percentage or term shall take 4403
effect in the taxable year immediately following the taxable year 4404
in which the authority amends the agreement or in the first tax 4405
period beginning in the calendar year immediately following the 4406
calendar year in which the authority amends the agreement. If the 4407
taxpayer relocates employment positions in violation of the 4408

provision required under division (D)(8)(a) of this section, the 4409
taxpayer shall not claim the tax credit under section 5733.0610 of 4410
the Revised Code for any tax years following the calendar year in 4411
which the relocation occurs, ~~or~~ shall not claim the tax credit 4412
under section 5747.058 of the Revised Code for the taxable year in 4413
which the relocation occurs and any subsequent taxable years, and 4414
shall not claim the tax credit under division (A) of section 4415
5751.50 of the Revised Code for the tax period in which the 4416
relocation occurs and any subsequent tax periods. 4417

(G) Financial statements and other information submitted to 4418
the department of development or the tax credit authority by an 4419
applicant for or recipient of a tax credit under this section, and 4420
any information taken for any purpose from such statements or 4421
information, are not public records subject to section 149.43 of 4422
the Revised Code. However, the chairperson of the authority may 4423
make use of the statements and other information for purposes of 4424
issuing public reports or in connection with court proceedings 4425
concerning tax credit agreements under this section. Upon the 4426
request of the tax commissioner, the chairperson of the authority 4427
shall provide to the commissioner any statement or other 4428
information submitted by an applicant for or recipient of a tax 4429
credit in connection with the credit. The commissioner shall 4430
preserve the confidentiality of the statement or other 4431
information. 4432

(H) A taxpayer claiming a tax credit under this section shall 4433
submit to the tax commissioner a copy of the director of 4434
development's certificate of verification under division (E)(7) of 4435
this section for the taxable year or for the calendar year that 4436
includes the tax period. However, failure to submit a copy of the 4437
certificate does not invalidate a claim for a credit. 4438

(I) For the purposes of this section, a taxpayer may include 4439
a partnership, a corporation that has made an election under 4440

subchapter S of chapter one of subtitle A of the Internal Revenue Code, or any other business entity through which income flows as a distributive share to its owners. A tax credit received under this section by a partnership, S-corporation, or other such business entity shall be apportioned among the persons to whom the income or profit of the partnership, S-corporation, or other entity is distributed, in the same proportions as those in which the income or profit is distributed.

(J) If the director of development determines that a taxpayer that received a tax credit under this section is not complying with the requirement under division (E)(4) of this section, the director shall notify the tax credit authority of the noncompliance. After receiving such a notice, and after giving the taxpayer an opportunity to explain the noncompliance, the authority may terminate the agreement and require the taxpayer to refund to the state all or a portion of the credit claimed in previous years, as follows:

(1) If the taxpayer maintained operations at the project site for less than the term of the credit, the amount required to be refunded shall not exceed the amount of any tax credits previously allowed and received under this section.

(2) If the taxpayer maintained operations at the project site longer than the term of the credit but less than one and one-half times the term of the credit, the amount required to be refunded shall not exceed fifty per cent of the sum of any tax credits previously allowed and received under this section.

(3) If the taxpayer maintained operations at the project site for at least one and one-half times the term of the credit but less than twice the term of the credit, the amount required to be refunded shall not exceed twenty-five per cent of the sum of any tax credits previously allowed and received under this section.

In determining the portion of the credit to be refunded to 4472
this state, the authority shall consider the effect of market 4473
conditions on the taxpayer's project and whether the taxpayer 4474
continues to maintain other operations in this state. After making 4475
the determination, the authority shall certify the amount to be 4476
refunded to the tax commissioner. The commissioner shall make an 4477
assessment for that amount against the taxpayer under Chapter 4478
5733. ~~or, 5747., or 5751.~~ of the Revised Code. The time 4479
limitations on assessments under ~~Chapter 5733. or 5747. of the~~ 4480
~~Revised Code~~ those chapters do not apply to an assessment under 4481
this division, but the commissioner shall make the assessment 4482
within one year after the date the authority certifies to the 4483
commissioner the amount to be refunded. 4484

If the director of development determines that a taxpayer 4485
that received a tax credit under this section has reduced the 4486
number of employees agreed to under division (E)(5) of this 4487
section by more than ten per cent, the director shall notify the 4488
tax credit authority of the noncompliance. After receiving such 4489
notice, and after providing the taxpayer an opportunity to explain 4490
the noncompliance, the authority may amend the agreement to reduce 4491
the percentage or term of the tax credit. The reduction in the 4492
percentage or term shall take effect in the taxable year, or in 4493
the calendar year that includes the tax period, in which the 4494
authority amends the agreement. 4495

(K) The director of development, after consultation with the 4496
tax commissioner and in accordance with Chapter 119. of the 4497
Revised Code, shall adopt rules necessary to implement this 4498
section. The rules may provide for recipients of tax credits under 4499
this section to be charged fees to cover administrative costs of 4500
the tax credit program. At the time the director gives public 4501
notice under division (A) of section 119.03 of the Revised Code of 4502
the adoption of the rules, the director shall submit copies of the 4503

proposed rules to the chairpersons of the standing committees on 4504
economic development in the senate and the house of 4505
representatives. 4506

(L) On or before the thirty-first day of March of each year, 4507
the director of development shall submit a report to the governor, 4508
the president of the senate, and the speaker of the house of 4509
representatives on the tax credit program under this section. The 4510
report shall include information on the number of agreements that 4511
were entered into under this section during the preceding calendar 4512
year, a description of the project that is the subject of each 4513
such agreement, and an update on the status of projects under 4514
agreements entered into before the preceding calendar year. 4515

(M)(1) A nonrefundable credit shall be allowed to an 4516
applicable corporation and its related members in an amount equal 4517
to the applicable difference. The credit is in addition to the 4518
credit granted to the corporation or related members under 4519
division (B) of this section. The credit is subject to divisions 4520
(B) to (E) and division (J) of this section. 4521

(2) A person qualifying as an applicable corporation under 4522
this section for a tax year does not necessarily qualify as an 4523
applicable corporation for any other tax year. No person is 4524
entitled to the credit allowed under division (M) of this section 4525
for the tax year immediately following the taxable year during 4526
which the person fails to meet the requirements in divisions 4527
(A)(6)(a)(i) and (A)(6)(b) of this section. No person is entitled 4528
to the credit allowed under division (M) of this section for any 4529
tax year for which the person is not eligible for the credit 4530
provided under division (B) of this section. 4531

Sec. 122.603. (A)(1) Upon approval by the director of 4532
development and after entering into a participation agreement with 4533
the department of development, a participating financial 4534

institution making a capital access loan shall establish a program 4535
reserve account. The account shall be an interest-bearing account 4536
and shall contain only moneys deposited into it under the program 4537
and the interest payable on the moneys in the account. 4538

(2) All interest payable on the moneys in the program reserve 4539
account shall be added to the moneys and held as an additional 4540
loss reserve. The director may require that a portion or all of 4541
the accrued interest so held in the account be released to the 4542
department. If the director causes a release of accrued interest, 4543
the director shall deposit the released amount into the capital 4544
access loan program fund created in section 122.601 of the Revised 4545
Code. The director shall not require the release of that accrued 4546
interest more than twice in a fiscal year. 4547

(B) When a participating financial institution makes a 4548

demonstrates to the satisfaction of the department both of the 5548

program, including, but not limited to, the presence of a 5551

employees retirement system, then the prior service ceases to be
the liability of this system.

If the board determines that a position of any member in any
calendar year prior to January 1, 1935, was a part-time position,
the board shall determine what fractional part of a year's credit
shall be allowed by the following formula:

(1) When the member has been either elected or appointed to
an office the term of which was two or more years and for which an
annual salary is established, the fractional part of the year's
credit shall be computed as follows:

First, when the member's annual salary is one thousand 6728
dollars or less, the service credit for each such calendar year 6729
shall be forty per cent of a year. 6730

Second, for each full one hundred dollars of annual salary 6731
above one thousand dollars, the member's service credit for each 6732
such calendar year shall be increased by two and one-half per 6733
cent. 6734

(2) When the member is paid on a per diem basis, the service 6735
credit for any single year of the service shall be determined by 6736
using the number of days of service for which the compensation was 6737
received in any such year as a numerator and using two hundred 6738
fifty days as a denominator. 6739

(3) When the member is paid on an hourly basis, the service 6740
credit for any single year of the service shall be determined by 6741
using the number of hours of service for which the compensation 6742
was received in any such year as a numerator and using two 6743
thousand hours as a denominator. 6744

(H)(1) "Total service credit," except as provided in section 6754
145.37 of the Revised Code, means all service credited to a member 6755
of the retirement system since last becoming a member, including 6756
restored service credit as provided by section 145.31 of the 6757
Revised Code; credit purchased under sections 145.293 and 145.299 6758

of the Revised Code; all the member's prior service credit; all
the member's military service credit computed as provided in this
chapter; all service credit established pursuant to section
145.297 of the Revised Code; and any other service credited under
this chapter. In addition, "total service credit" includes any
period, not in excess of three years, during which a member was
out of service and receiving benefits under Chapters 4121. and

the service credit requirement and of determining eligibility for
benefits under sections 145.32, 145.33, 145.331, 145.35, 145.36,
and 145.361 of the Revised Code, "five or more years of total
service credit" means sixty or more calendar months of
contributing service in this system.

(2) "One and one-half years of contributing service credit,"
as used in division (B) of section 145.45 of the Revised Code,
also means eighteen or more calendar months of employment by a
municipal corporation that formerly operated its own retirement
plan for its employees or a part of its employees, provided that
all employees of that municipal retirement plan who have eighteen
or more months of such employment, upon establishing membership in
the public employees retirement system, shall make a payment of
the contributions they would have paid had they been members of
this system for the eighteen months of employment preceding the
date membership was established. When that payment has been made
by all such employee members, a corresponding payment shall be
paid into the employers' accumulation fund by that municipal
corporation as the employer of the employees.

(3) Where a member also is a member of the state teachers
retirement system or the school employees retirement system, or
both, except in cases of retirement on a combined basis pursuant
to section 145.37 of the Revised Code or as provided in section
145.383 of the Revised Code, service credit for any period shall

be credited on the basis of the ratio that contributions to the
public employees retirement system bear to total contributions in
all state retirement systems.

period of twelve months.

(5) "Ohio service credit" means credit for service that was
rendered to the state or any of its political subdivisions or any

credited to a contributor's individual account in the employees'
savings fund together with any interest credited to the
contributor's account under section 145.471 or 145.472 of the
Revised Code.

(K)(1) "Final average salary" means the quotient obtained by
dividing by three the sum of the three full calendar years of
contributing service in which the member's earnable salary was
highest, except that if the member has a partial year of
contributing service in the year the member's employment
terminates and the member's earnable salary for the partial year
is higher than for any comparable period in the three years, the
member's earnable salary for the partial year shall be substituted
for the member's earnable salary for the comparable period during

exempt a bid from any or all of the requirements of section 153.54 8110
of the Revised Code if the estimated cost is ~~less than~~ twenty-five 8111
thousand dollars or less. If the board exempts a bid from any but 8112
not all of ~~these~~ those requirements, the bid notice published in 8113
the newspaper pursuant to section 307.87 of the Revised Code shall 8114
state the specific bid guaranty requirements that apply. If the 8115
board exempts a bid from all requirements of section 153.54 of the 8116
Revised Code, the notice shall state that none of the requirements 8117
of that section apply. 8118

Sec. 317.08. (A) Except as provided in divisions (C) and (D) 8119
of this section, the county recorder shall keep six separate sets 8120

them within one year of the date of the contracts;	8173
(c) All options to purchase real estate, including	8174

(d) Any tax certificate sold under section 5721.33 of the	8178
Revised Code, or memorandum of it, that is presented for filing of	8179
record.	8180

of trust, as described in division (A) of section 5301.255 of the	8182
Revised Code, that do not describe specific real property;	8183
(4) A record of plats, in which shall be recorded all plats	8184

and maps of town lots, of the subdivision of town lots, and of

health care executed pursuant to section 1337.12 of the Revised

(B) All instruments or memoranda of instruments entitled to
record shall be recorded in the proper record in the order in
which they are presented for record. The recorder may index, keep,

described in division (A) of section 317.09 of the Revised Code,
personal tax liens, mechanic's liens, agricultural product liens,
notices of liens, certificates of satisfaction or partial release
of estate tax liens, discharges of recognizances, excise and
franchise tax liens on corporations, broker's liens, and liens
provided for in sections 1513.33, 1513.37, 3752.13, ~~5111.021~~
5111.022, and 5311.18 of the Revised Code.

The recording of an option to purchase real estate, including
any supplement, modification, and amendment of the option, under
this section shall serve as notice to any purchaser of an interest
in the real estate covered by the option only during the period of
the validity of the option as stated in the option.

(C) In lieu of keeping the six separate sets of records

required in divisions (A)(1) to (6) of this section and the 8216
records required in division (D) of this section, a county 8217
recorder may record all the instruments required to be recorded by 8218
this section in two separate sets of record books. One set shall 8219
be called the "official records" and shall contain the instruments 8220
listed in divisions (A)(1), (2), (3), (5), and (6) and (D) of this 8221
section. The second set of records shall contain the instruments 8222
listed in division (A)(4) of this section. 8223

(D) Except as provided in division (C) of this section, the 8224
county recorder shall keep a separate set of records containing 8225
all corrupt activity lien notices filed with the recorder pursuant 8226
to section 2923.36 of the Revised Code and a separate set of 8227
records containing all medicaid fraud lien notices filed with the 8228
recorder pursuant to section 2933.75 of the Revised Code. 8229

Sec. 317.36. (A) The county recorder shall collect the low- 8230
and moderate-income housing trust fund fee as specified in 8231
sections 317.32, 1563.42, 1702.59, 2505.13, 4141.23, 4509.60, 8232
~~5111.021~~ 5111.022, 5310.15, 5719.07, 5727.56, 5733.18, 5733.22, 8233
6101.09, and 6115.09 of the Revised Code. The amount of any 8234
housing trust fund fee the recorder is authorized to collect is 8235
equal to the amount of any base fee the recorder is authorized to 8236
collect for services. The housing trust fund fee shall be 8237
collected in addition to the base fee. 8238

(B) The recorder shall certify the amounts collected as 8239
housing trust fund fees pursuant to division (A) of this section 8240
into the county treasury as housing trust fund fees to be paid to 8241
the treasurer of state pursuant to section 319.63 of the Revised 8242
Code. 8243

Sec. 319.20. After complying with sections 319.202, 315.251, 8244
and 319.203 of the Revised Code, and on application and 8245

presentation of title, with the affidavits required by law, or the 8246
proper order of a court, bearing the last known address of the 8247
grantee, or of any one of the grantees named in the title, and a 8248
reference to the volume and page of the recording of the next 8249
preceding recorded instrument by or through which the grantor 8250
claims title, the county auditor shall transfer any land or town 8251
lot or part thereof, minerals therein, or mineral rights thereto, 8252
charged with taxes on the tax list, from the name in which it 8253
stands into the name of the owner, when rendered necessary by a 8254
conveyance, partition, devise, descent, or otherwise. If by reason 8255
of the conveyance or otherwise, a part only of a tract or lot, 8256
minerals therein, or mineral rights thereto, as charged in the tax 8257
list, is to be transferred, the auditor shall determine the tax 8258
value of the part of a tract or lot of real estate, minerals 8259
therein, or mineral rights thereto, so transferred, and the value 8260
of the remaining part compared with the value of the whole. 8261

Whenever a part only of a tract or lot of real estate has 8262
been transferred by the auditor and ~~such~~ the tract or lot bears 8263
unpaid taxes, penalties, interest, or special assessments, the 8264
unpaid taxes, penalties, interest, or special assessments shall 8265
immediately be apportioned, upon demand or request by the 8266
transferee or remaining owner, in the following manner: 8267

(A) The auditor shall allocate to the part so transferred, 8268
and to the remaining part, amounts of any current or delinquent 8269
taxes, interest, or penalties that have accrued against the parcel 8270
as a whole, proportionate to their respective values. 8271

(B) The lien of taxes, penalties, interest, and special 8272
assessments, as levied against the original tract, shall extend to 8273
the part so transferred and the part remaining only to the extent 8274
of the amounts so allocated to the respective parts. 8275

This section does not change the total amount of taxes, 8276
special assessments, or other charges as originally levied, or the 8277

total amount of the balance due. The auditor shall certify such 8278
apportionments to the county treasurer. 8279

Whenever the state acquires an entire parcel or a part only 8280
of a parcel of real property in fee simple, the county auditor, 8281
upon application of the grantor or property owner or the state, 8282
which application shall contain a description of the property as 8283
it appears on the tax list and the date of transfer of ownership, 8284
shall prepare an estimate of the taxes that are a lien on ~~said~~ the 8285
property, but have not been determined, assessed, and levied for 8286
the year in which the property was acquired. The county auditor 8287
shall thereupon apportion ~~such~~ the estimated taxes proportionately 8288
between the grantor and the state for the period of the lien year 8289
that each had or shall have had ownership or possession of the 8290
property, whichever is earlier. The county treasurer shall accept 8291
payment from the state for estimated taxes at the time that the 8292
real property is acquired. If the state has paid in full in the 8293
year in which the property is acquired that proportion of the 8294
estimated taxes that the tax commissioner determines are not 8295
subject to remission by the county auditor for such year under 8296
division (C) of section 5713.08 of the Revised Code, the estimated 8297
taxes paid shall be considered the tax liability on the exempted 8298
property for that year. 8299

Section 319.42 of the Revised Code applies to the 8300
apportionment of special assessments. 8301

Complaint against such values as determined by the auditor or 8302
the allocation of assessments by the certifying authority may be 8303
filed by the transferee or the remaining owner, and if filed, 8304
proceedings including appeals shall be had in the manner and 8305
within the time provided by sections 5717.01 to 5717.06 and 8306
5715.19 to 5715.22 of the Revised Code, for complaints against 8307
valuation or assessment of real property. 8308

The auditor shall endorse on the deed or other evidences of title presented to the auditor that the proper transfer of the real estate described in ~~such~~ the deed has been made in the auditor's office or that it is not entered for taxation, and sign the auditor's name to ~~such~~ the deed. The address of the grantee, or any one of the grantees, set forth in the deed or other evidences of title shall be entered by the auditor on the transfer sheets and on the general tax list of real property prepared pursuant to section 319.28 of the Revised Code.

Sec. 319.301. (A) This section does not apply to any of the following:

(1) Taxes levied at whatever rate is required to produce a specified amount of tax money or an amount to pay debt charges;

(2) Taxes levied within the one per cent limitation imposed by Section 2 of Article XII, Ohio Constitution, except as otherwise provided in division (F) of this section;

(3) Taxes provided for by the charter of a municipal corporation.

(B) As used in this section:

(1) "Real property" includes real property owned by a railroad.

(2) "Carryover property" means all real property on the current year's tax list except:

(a) Land and improvements that were not taxed by the district in both the preceding year and the current year;

(b) Land and improvements that were not in the same class in both the preceding year and the current year.

(3) "Effective tax rate" means with respect to each class of property:

(a) The sum of the total taxes that would have been charged 8338
and payable for current expenses against real property in that 8339
class if each of the district's taxes were reduced for the current 8340
year under division (D)(1) of this section without regard to the 8341
application of division (E)(3) of this section divided by 8342

(b) The taxable value of all real property in that class. 8343

(4) "Taxes charged and payable" means the taxes charged and 8344
payable prior to any reduction required by section 319.302 of the 8345
Revised Code. 8346

(C) The tax commissioner shall make the determinations 8347
required by this section each year, without regard to whether a 8348
taxing district has territory in a county to which section 5715.24 8349
of the Revised Code applies for that year. Separate determinations 8350
shall be made for each of the two classes established pursuant to 8351
section 5713.041 of the Revised Code. 8352

(D) With respect to each tax authorized to be levied by each 8353
taxing district, the tax commissioner, annually, shall do both of 8354
the following: 8355

(1) Determine by what percentage, if any, the sums levied by 8356
such tax against the carryover property in each class would have 8357
to be reduced for the tax to levy the same number of dollars 8358
against such property in that class in the current year as were 8359
charged against such property by such tax in the preceding year 8360
subsequent to the reduction made under this section but before the 8361
reduction made under section 319.302 of the Revised Code. In the 8362
case of a tax levied for the first time that is not a renewal of 8363
an existing tax, the commissioner shall determine by what 8364
percentage the sums that would otherwise be levied by such tax 8365
against carryover property in each class would have to be reduced 8366
to equal the amount that would have been levied if the full rate 8367
thereof had been imposed against the total taxable value of such 8368

property in the preceding tax year. A tax or portion of a tax that
is designated a replacement levy under section 5705.192 of the
Revised Code is not a renewal of an existing tax for purposes of
this division.

(2) Certify each percentage determined in division (D)(1) of
this section, as adjusted under division (E) of this section, and
the class of property to which that percentage applies to the
auditor of each county in which the district has territory. The
auditor, after complying with section 319.30 of the Revised Code,
shall reduce the sum to be levied by such tax against each parcel
of real property in the district by the percentage so certified
for its class. Certification shall be made by the first day of
September except in the case of a tax levied for the first time,
in which case certification shall be made within fifteen days of
the date the county auditor submits the information necessary to
make the required determination.

(E)(1) As used in division (E)(2) of this section, "pre-1982
joint vocational taxes" means, with respect to a class of
property, the difference between the following amounts:

(a) The taxes charged and payable in tax year 1981 against
the property in that class for the current expenses of the joint
vocational school district of which the school district is a part
after making all reductions under this section;

(b) The following percentage of the taxable value of all real
property in that class:

(i) In 1987, five one-hundredths of one per cent;

(ii) In 1988, one-tenth of one per cent;

(iii) In 1989, fifteen one-hundredths of one per cent;

(iv) In 1990 and each subsequent year, two-tenths of one per
cent.

If the amount in division (E)(1)(b) of this section exceeds 8399
the amount in division (E)(1)(a) of this section, the pre-1982 8400
joint vocational taxes shall be zero. 8401

As used in divisions (E)(2) and (3) of this section, "taxes 8402
charged and payable" has the same meaning as in division (B)(4) of 8403
this section, and excludes any tax charged and payable in 1985 or 8404
thereafter under sections 5705.194 to 5705.197 or section 5705.213 8405
or 5705.219 of the Revised Code. 8406

(2) If in the case of a school district other than a joint 8407
vocational or cooperative education school district any percentage 8408
required to be used in division (D)(2) of this section for either 8409
class of property could cause the total taxes charged and payable 8410
for current expenses to be less than two per cent of the taxable 8411
value of all real property in that class that is subject to 8412
taxation by the district, the commissioner shall determine what 8413
percentages would cause the district's total taxes charged and 8414
payable for current expenses against that class, after all 8415
reductions that would otherwise be made under this section, to 8416
equal, when combined with the pre-1982 joint vocational taxes 8417
against that class, the lesser of the following: 8418

(a) The sum of the rates at which those taxes are authorized 8419
to be levied; 8420

(b) Two per cent of the taxable value of the property in that 8421
class. The auditor shall use such percentages in making the 8422
reduction required by this section for that class. 8423

(3)(a) If in the case of a joint vocational school district 8424
any percentage required to be used in division (D)(2) of this 8425
section for either class of property could cause the total taxes 8426
charged and payable for current expenses for that class to be less 8427
than the designated amount, the commissioner shall determine what 8428
percentages would cause the district's total taxes charged and 8429

payable for current expenses for that class, after all reductions 8430
that would otherwise be made under this section, to equal the 8431
designated amount. The auditor shall use such percentages in 8432
making the reductions required by this section for that class. 8433

(b) As used in division (E)(3)(a) of this section, the 8434
designated amount shall equal the taxable value of all real 8435
property in the class that is subject to taxation by the district 8436
times the lesser of the following: 8437

(i) Two-tenths of one per cent; 8438

(ii) The district's effective rate plus the following 8439
percentage for the year indicated: 8440

WHEN COMPUTING THE 8441

TAXES CHARGED FOR ADD THE FOLLOWING PERCENTAGE: 8442

1987	0.025%	8443
1988	0.05%	8444
1989	0.075%	8445
1990	0.1%	8446
1991	0.125%	8447
1992	0.15%	8448
1993	0.175%	8449
1994 and thereafter	0.2%	8450

(F) As used in this division, "specified percentage" means 8451
the percentage specified in a resolution under division (A)(2) of 8452
section 5705.219 of the Revised Code, plus one hundred per cent. 8453

With respect to each tax authorized to be levied by a school 8454
district under section 5705.219 of the Revised Code, the tax 8455
commissioner, annually, shall do both of the following: 8456

(1) Determine by what percentage, if any, the sums levied by 8457
such tax against the carryover property in each class would have 8458
to be reduced for the tax to levy the specified percentage of the 8459
number of dollars against such property in that class in the 8460

current year as were charged against such property by such tax in 8461
the preceding year subsequent to the reduction made under this 8462
division but before the reduction made under section 319.302 of 8463
the Revised Code. 8464

If the sums that otherwise would be levied by the tax against 8465
the carryover property in a class in the current year do not 8466
exceed the specified percentage of the sums charged against such 8467
property in that class in the preceding year subsequent to the 8468
reduction under this division but before the reduction made under 8469
section 319.302 of the Revised Code, no reduction shall be made 8470
under this division for the current year. In the case of a tax 8471
levied for the first time that is not a renewal of an existing 8472
tax, the commissioner shall determine by what percentage the sums 8473
that otherwise would be levied by such tax against carryover 8474
property in each class would have to be reduced to equal the 8475
specified percentage of the amount that would have been levied if 8476
the full rate thereof had been imposed against the total taxable 8477
value of such property in the preceding tax year. A tax or portion 8478
of a tax levied under section 5705.219 of the Revised Code that is 8479
designated a replacement levy is not a renewal of an existing tax 8480
for the purposes of this division. 8481

(2) Certify each percentage determined in division (F)(1) of 8482
this section and the class of property to which that percentage 8483
applies to the county auditor of each county in which the district 8484
has territory. The county auditor, after complying with section 8485
319.30 of the Revised Code, shall reduce the sum to be levied by 8486
such tax against each parcel of real property in the district by 8487
the percentage so certified for its class. Certification shall be 8488
made by the first day of September except in the case of a tax 8489
levied for the first time, in which case certification shall be 8490
made within fifteen days of the date the county auditor submits 8491
the information necessary to make the required determination. 8492

(G) No reduction shall be made under this section in the rate 8493
at which any tax is levied. 8494

~~(G)~~(H) The commissioner may order a county auditor to furnish 8495
any information ~~he~~ the commissioner needs to make the 8496
determinations required under division (D) ~~or~~ (E), or (F) of this 8497
section, and the auditor shall supply the information in the form 8498
and by the date specified in the order. If the auditor fails to 8499
comply with an order issued under this division, except for good 8500
cause as determined by the commissioner, the commissioner shall 8501
withhold from such county or taxing district therein fifty per 8502
cent of state revenues to local governments pursuant to section 8503
5747.50 of the Revised Code or shall direct the department of 8504
education to withhold therefrom fifty per cent of state revenues 8505
to school districts pursuant to Chapter 3317. of the Revised Code. 8506
The commissioner shall withhold the distribution of such revenues 8507
until the county auditor has complied with this division, and the 8508
department shall withhold the distribution of such revenues until 8509
the commissioner has notified the department that the county 8510
auditor has complied with this division. 8511

~~(H)~~(I) If the commissioner is unable to certify a tax 8512
reduction factor for either class of property in a taxing district 8513
located in more than one county by the last day of November 8514
because information required under division ~~(G)~~(H) of this section 8515
is unavailable, ~~he~~ the commissioner may compute and certify an 8516
estimated tax reduction factor for that district for that class. 8517
The estimated factor shall be based upon an estimate of the 8518
unavailable information. Upon receipt of the actual information 8519
for a taxing district that received an estimated tax reduction 8520
factor, the commissioner shall compute the actual tax reduction 8521
factor and use that factor to compute the taxes that should have 8522
been charged and payable against each parcel of property for the 8523
year for which the estimated reduction factor was used. The amount 8524

by which the estimated factor resulted in an overpayment or 8525
underpayment in taxes on any parcel shall be added to or 8526
subtracted from the amount due on that parcel in the ensuing tax 8527
year. 8528

A percentage or a tax reduction factor determined or computed 8529
by the commissioner under this section shall be used solely for 8530
the purpose of reducing the sums to be levied by the tax to which 8531
it applies for the year for which it was determined or computed. 8532
It shall not be used in making any tax computations for any 8533
ensuing tax year. 8534

~~(I)~~(J) In making the determinations under division (D)(1) or 8535
(F)(1) of this section, the tax commissioner shall take account of 8536
changes in the taxable value of carryover property resulting from 8537
complaints filed under section 5715.19 of the Revised Code for 8538
determinations made for the tax year in which such changes are 8539
reported to the commissioner. Such changes shall be reported to 8540
the commissioner on the first abstract of real property filed with 8541
the commissioner under section 5715.23 of the Revised Code 8542
following the date on which the complaint is finally determined by 8543
the board of revision or by a court or other authority with 8544
jurisdiction on appeal. The tax commissioner shall account for 8545
such changes in making the determinations only for the tax year in 8546
which the change in valuation is reported. Such a valuation change 8547
shall not be used to recompute the percentages determined under 8548
division (D)(1) or (F)(1) of this section for any prior tax year. 8549

Sec. 319.302. (A)(1) The county auditor shall classify each 8550
parcel of real property as qualifying property or nonqualifying 8551
property, according to its principal, current use. Vacant lots and 8552
tracts of land upon which there are no structures or improvements 8553
shall be classified in accordance with their location and their 8554
highest and best probable legal use. For purposes of this section, 8555

lands and improvements thereon used for residential or 8556
agricultural purposes shall be classified as qualifying property, 8557
and all other lands and improvements thereon and minerals or 8558
rights to minerals shall be classified as nonqualifying property. 8559

(2) Each year, the county auditor shall reclassify each 8560
parcel of real property whose principal, current use has changed 8561
from the preceding year to reflect the use of the property as of 8562
the first day of January of the current tax year. 8563

(B) After complying with section 319.301 of the Revised Code, 8564
the county auditor shall reduce the remaining sums to be levied 8565
against each parcel of real property listed on the general tax 8566
list and duplicate of real and public utility property for the 8567
current tax year and classified for that tax year as qualifying 8568
property under division (A) of this section, and against each 8569
manufactured and mobile home that is taxed pursuant to division 8570
(D)(2) of section 4503.06 of the Revised Code and that is on the 8571
manufactured home tax list for the current tax year, by ten per 8572
cent, to provide a partial exemption for that property or such 8573
home. Except as otherwise provided in sections 323.152, 323.158, 8574
505.06, and 715.263 of the Revised Code, the amount of the taxes 8575
remaining after such reduction, if any, shall be the real and 8576
public utility property taxes charged and payable on each parcel 8577
of real property, including nonqualifying property, and the 8578
manufactured home tax charged and payable, ~~on each property~~ 8579
manufactured or mobile home, and shall be the amounts certified to 8580
the county treasurer for collection. Upon receipt of the tax 8581
duplicate, the treasurer shall certify to the tax commissioner the 8582
total amount by which taxes were reduced under this section, as 8583
shown on the duplicate. Such reduction shall not directly or 8584
indirectly affect the determination of the principal amount of 8585
notes that may be issued in anticipation of any tax levies or the 8586
amount of bonds or notes for any planned improvements. If after 8587

application of sections 5705.31 and 5705.32 of the Revised Code 8588
and other applicable provisions of law, including divisions (F) 8589
and (I) of section 321.24 of the Revised Code, there would be 8590
insufficient funds for payment of debt charges on bonds or notes 8591
payable from taxes reduced by this section, the reduction of taxes 8592
provided for in this section shall be adjusted to the extent 8593
necessary to provide funds from such taxes. 8594

(C) The tax commissioner shall adopt rules governing the 8595
classification of property under this section, and no property 8596
shall be classified under this section except in accordance with 8597
those rules. 8598

(D) The classification required by division (A) of this 8599
section is solely for the purpose of allowing the partial 8600
exemption for qualifying property under division (B) of this 8601
section. This section does not apply to classifying real property 8602
for any other purpose authorized or required by law, or by rule of 8603

upon receipt to the county's undivided income tax fund, and the 8882
county auditor shall distribute the amount thereof among the 8883
various taxing districts of the county as if it had been levied, 8884
collected, and settled as personal property taxes. The amount 8885
received by a taxing district under this division shall be 8886

year's personal property taxes are apportioned. 8888

the county treasurer shall settle with the county auditor for all 8910
remaining manufactured home taxes that the county treasurer has 8911
collected on the manufactured home tax duplicate at the time of 8912

section 4503.06 of the Revised Code, the time for making the 8915
settlement as prescribed by divisions (H)(1) and (2) of this 8916
section is extended for a like period of time. 8917

commissioner shall provide for payment to the county treasurer
from the general revenue fund of an amount equal to one-half of
the amount certified by the treasurer in the current tax year
under section 319.302 of the Revised Code. Such payment shall be
credited upon receipt to the county's undivided income tax fund,
and the county auditor shall transfer to the county general fund
from the amount thereof the total amount of all fees and charges
that the auditor and treasurer would have been authorized to
receive had such section not been in effect and that amount had
been levied and collected as taxes. The county auditor shall
distribute the amount remaining among the various taxing districts

Sec. 323.152. In addition to the reduction in taxes required 8993
under section 319.302 of the Revised Code, taxes shall be reduced 8994
as provided in divisions (A) and (B) of this section. 8995

(A)(1) Division (A) of this section applies to any of the 8996

the county auditor under section 323.154 of the Revised Code or 9010
for which the occupant obtains a certificate of reduction in 9011
accordance with section 323.159 of the Revised Code. The reduction 9012

\$11,900 or less	\$5,000 or seventy-five per cent

More than \$23,000	-0-	

(3) Each calendar year, the tax commissioner shall adjust the
foregoing schedule by completing the following calculations in
September of each year:

amounts, and to each of the dollar amounts by which taxable value

The commissioner shall certify the amounts resulting from the
adjustment to each county auditor not later than the first day of
December each year. The certified amounts apply to the following
tax year. The commissioner shall not make the adjustment in any
calendar year in which the amounts resulting from the adjustment
would be less than the total income amounts, or less than the

(B) ~~Real~~ To provide a partial exemption, real property taxes

after applying section ~~319.302~~ 319.301 of the Revised Code.

(C) The reductions granted by this section do not apply to

reductions are not forfeited for such year by virtue of such

(D) The reductions in taxable value referred to in this
section shall be applied solely as a factor for the purpose of
computing the reduction of taxes under this section and shall not
affect the total value of property in any subdivision or taxing

district as listed and assessed for taxation on the tax lists and
duplicates, or any direct or indirect limitations on indebtedness
of a subdivision or taxing district. If after application of
sections 5705.31 and 5705.32 of the Revised Code, including the
allocation of all levies within the ten-mill limitation to debt
charges to the extent therein provided, there would be
insufficient funds for payment of debt charges not provided for by
levies in excess of the ten-mill limitation, the reduction of
taxes provided for in sections 323.151 to 323.159 of the Revised
Code shall be proportionately adjusted to the extent necessary to
provide such funds from levies within the ten-mill limitation.

(E) No reduction shall be made on the taxes due on the
homestead of any person convicted of violating division (C) or (D)
of section 323.153 of the Revised Code for a period of three years

tax to be levied on the current tax list and duplicate for any
purpose, or if the auditor has not received the certified
reduction factors as required by division (D)(2) or (F)(2) of
section 319.301 of the Revised Code, the time for delivery of the
tax duplicate of the county treasurer by the county auditor as
provided in section 319.28 of the Revised Code shall be extended
to the first Monday in December. When delivery of the tax
duplicate has been so delayed, the times for payment of taxes as

the county auditor, in the case of a delay in the delivery of the 9106
tax duplicate, or from the treasurer regarding an extension of the 9107
time for the billing and collection of taxes. 9108

When a delay in the closing of a tax collection period 9109
becomes unavoidable, the tax commissioner, upon application of the 9110
county auditor and county treasurer, may extend the time for 9111
payment of taxes if ~~he~~ the commissioner determines that penalties 9112
have accrued or would otherwise accrue for reasons beyond the 9113
control of the taxpayers of the county. The order so issued by the 9114
commissioner shall prescribe the final extended date for the 9115
payment of taxes for that collection period. 9116

serious illness, any organized work stoppage, mechanical failure 9118
of office equipment or machinery, or a delay in complying with 9119

unavoidable delay in the delivery of duplicates or in the billing 9121
or collection of taxes. Such application shall contain a statement 9122
describing the emergency that will cause the unavoidable delay. 9123
Any application from the county auditor for an extension of time 9124
for delivery of the duplicate due to an emergency must be received 9125
by the tax commissioner on or before the last day of the month 9126
preceding the date required for such delivery. When an extension 9127
of time for delivery of the duplicate is so granted, the time for 9128
payment of taxes shall be extended for a like period of time. 9129

Whenever taxable real property has been destroyed or damaged 9130
by fire, flood, tornado, or otherwise, in an amount not less than 9131
twenty-five per cent of the value as listed and assessed for 9132
taxation but in no event less than two thousand dollars of taxable 9133
value, the county board of revision, by resolution, may extend the 9134

time for payment of taxes on such property not more than one year 9135
after the time fixed by section 323.12 of the Revised Code. The 9136
board shall file a copy of such resolution with the county auditor 9137
and county treasurer, stating the name of the owner and 9138

section 319.54 of the Revised Code, which shall be paid into the 9150
county treasury to the credit of the real estate assessment fund 9151
hereby created. 9152

recommendations of the mediator, shall make a final determination 9431

year the tax will be levied. Each ordinance also shall state that 9868
the question of the income tax will be submitted to the electors 9869
of the municipal corporation on the same date as the submission of 9870
questions of an identical tax to the electors of each of the other 9871
municipal corporations in the group, and that unless the electors 9872
of all of the municipal corporations in the group approve the tax 9873
in their respective municipal corporations, none of the municipal 9874
corporations in the group shall levy the tax. Each legislative 9875
authority also shall adopt a resolution specifying the regular or 9876

corporations in the group. The ballot shall be in the following 9895
form: 9896

"Shall the ordinance providing for a ... per cent levy on 9897

fertilizer that have been sold to the consumer. 10381

(C) Upon making a determination under this section that a 10382

(H)(1) The director may refuse to register a pesticide if the 10740
application for registration fails to comply with this section. 10741

(2) The director may suspend or revoke a pesticide 10742
registration after a hearing in accordance with Chapter 119. of 10743
the Revised Code for a pesticide that fails to meet the claims 10744
made for it on its label. 10745

(3) The director may immediately suspend a pesticide 10746
registration, prior to a hearing, when the director believes that 10747
the pesticide poses an immediate hazard to human or animal health 10748
or a hazard to the environment. Not later than fifteen days after 10749
suspending the registration, the director shall determine whether 10750
the pesticide poses such a hazard. If the director determines that 10751
no hazard exists, the director shall lift the suspension of the 10752

director shall revoke the registration in accordance with Chapter 10754
119. of the Revised Code. 10755

Sec. 921.16. (A) The director of agriculture shall adopt 10756
rules the director determines necessary for the effective 10757

relate to, but are not limited to, the time, place, manner, and 10759
methods of application, materials, and amounts and concentrations 10760
of application of pesticides, may restrict or prohibit the use of 10761
pesticides in designated areas during specified periods of time, 10762
and shall encompass all reasonable factors that the director 10763
determines necessary to minimize or prevent damage to the 10764
environment. In addition, the rules shall establish the ~~fees,~~ 10765
~~deadlines,~~ and time periods for registration, registration 10766
renewal, late registration renewal, and failure to register under 10767
section 921.02 of the Revised Code; the fees for registration, 10768

registration renewal, late registration renewal, and failure to 10769
register under section 921.02 of the Revised Code that shall apply 10770

~~the fees that initially are established by rule after the~~ 10775
~~effective date of this amendment shall be designed to cover, but~~ 10776
~~not exceed, the costs incurred by the department of agriculture in~~ 10777

order adopted or issued under it, provided that the civil penalty 10782
for a first violation shall not exceed five thousand dollars and 10783
the civil penalty for each subsequent violation shall not exceed 10784
ten thousand dollars. In determining the amount of a civil penalty 10785
for a violation, the director shall consider factors relevant to 10786
the severity of the violation, including past violations and the 10787
amount of actual or potential damage to the environment or to 10788
human beings. 10789

(C) The director shall adopt rules that set forth the 10790
conditions under which the director: 10791

application of a pesticide; 10793

(2) Requires inspection, condemnation, or repair of equipment 10794

(3) Training requirements for a trained serviceperson. 10892

(L) The director shall adopt all rules under this chapter in 10893

cigarettes to the retailer, or the replacement cost of cigarettes 11089
to the retailer within thirty days prior to the date of sale, in 11090
the quantity last purchased, whichever is lower, less all trade 11091
discounts except customary discounts for cash, to which shall be 11092
added the cost of doing business by the retailer as evidenced by 11093
the standards and the methods of accounting regularly employed by 11094
the retailer in the retailer's allocation of overhead costs and 11095
expenses, paid or incurred. "Cost to the retailer" must include, 11096
without limitation, labor, including salaries of executives and 11097
officers, rent, depreciation, selling costs, maintenance of 11098
equipment, delivery costs, all types of licenses, insurance, 11099

or payable on the cigarettes. Where the sale to the retailer is on 11101
a cash and carry basis, the cartage to the retail outlet, if 11102
performed or paid for by the retailer, shall be added to the 11103
invoice cost of the cigarettes to the retailer. In the absence of 11104
proof of a lesser or higher cost by the retailer, the cartage cost 11105
shall be three-fourths of one per cent of the invoice cost of the 11106
cigarettes to the retailer, not including the amount added thereto 11107
by the wholesaler for the face value of state and county cigarette 11108
tax stamps affixed to each package of cigarettes. 11109

(B) In the absence of proof of a lesser or higher cost of 11110
doing business by the retailer making the sale, the cost of doing 11111
business to the retailer shall be eight per cent of the invoice 11112
cost of the cigarettes to the retailer exclusive of the face value 11113
of county cigarette taxes paid on the cigarettes or of the 11114
replacement cost of the cigarettes to the retailer within thirty 11115
days prior to the date of sale in the quantity last purchased 11116
exclusive of the face value of county cigarette taxes paid on the 11117
cigarettes, whichever is lower, less all trade discounts except 11118
customary discounts for cash. 11119

(C) "Cost to the wholesaler" means the invoice cost of the 11120
cigarettes to the wholesaler, or the replacement cost of the 11121
cigarettes to the wholesaler within thirty days prior to the date 11122
of sale, in the quantity last purchased, whichever is lower, less 11123
all trade discounts except customary discounts for cash, to which 11124

doing business, which wholesaler's markup, in the absence of proof 11126
of a lesser or higher cost of doing business by the wholesaler as 11127
evidenced by the standards and methods of accounting regularly 11128

overhead costs and expenses, paid or incurred, including without 11130
limitation, labor, salaries of executives and officers, rent, 11131
depreciation, selling costs, maintenance of equipment, delivery, 11132
delivery costs, all types of licenses, taxes, insurance, and 11133

be added the full face value of state and county cigarette tax 11136
stamps affixed by the wholesaler to each package of cigarettes, or 11137
of the replacement cost of the cigarettes to the wholesaler within 11138
thirty days prior to the date of sale in the quantity last 11139
purchased, whichever is lower, less all trade discounts except 11140
customary discounts for cash. Where the sale by the wholesaler to 11141

the retailer is on a cash and carry basis, the wholesaler may, in 11142
the absence of proof of a lesser or higher cost, allow to the 11143
retailer an amount not to exceed three-fourths of one per cent of 11144
the "cost to the wholesaler" excluding the amount added thereto 11145
for the face value of state and county cigarette tax stamps 11146
affixed to each package of cigarettes. 11147

(D) Any person licensed to sell cigarettes as both a 11148
wholesaler and a retailer, who does sell cigarettes at retail, 11149
shall, in determining "cost to the retailer", first compute "cost 11150
to the wholesaler" as provided in division (C) of this section; 11151
that "cost to the wholesaler" shall then be used in lieu of the 11152
lower of either invoice cost or replacement cost less all trade 11153
discounts except customary discounts for cash in computing "cost 11154
to the retailer" as provided in divisions (A) and (B) of this 11155
section. 11156

involving two or more items at a combined price and in all 11158
advertisements, offers for sale, or sales involving the giving of 11159
any concession of any kind, whether it be coupons or otherwise, 11160
the retailer's or wholesaler's selling price shall not be below 11161
the "cost to the retailer" or the "cost to wholesaler", 11162
respectively, of all articles, products, commodities, and 11163
concessions included in such transactions. 11164

(F)(1) "Sell at retail," "sales at retail," and "retail 11165
sales" include any transfer of title to tangible personal property 11166
for a valuable consideration made, in the ordinary course of trade 11167
or usual prosecution of the seller's business, to the purchaser 11168
for consumption or use. 11169

(2) "Sell at wholesale," "sales at wholesale," and "wholesale 11170
sales" include any such transfer of title to tangible personal 11171
property for the purpose of resale. 11172

(G) "Retailer" includes any person who is permitted to sell 11173

permit, except as otherwise provided in this section or unless the 11613
rules adopted under division (B) of section 1533.12 of the Revised 11614
Code provide for issuance of a fur taker permit to the applicant 11615
free of charge. Except as provided in rules adopted under division 11616

the issuing agent the evidence required by this section. Issuance 11644

considers necessary to carry out this section. 11671

The owner and the children of the owner of lands in this 11672

taker permit. The tenant and children of the tenant may hunt or 11674

issuance of a wetlands habitat stamp to the applicant free of 11688
charge. 11689

Moneys received from the stamp fee shall be paid into the 11690
state treasury to the credit of the wetlands habitat fund, which 11691
is hereby established. Moneys shall be paid from the fund on the 11692
order of the director of natural resources for the following 11693

for the acquisition, development, management, or preservation of 11696

waterfowl areas within the state; 11697

prescribed by the chief of the division of wildlife and issued by 11708

under section 1533.13 of the Revised Code. The record of stamps 11710
kept by the clerks and other agents shall be uniform throughout 11711
the state, in such form or manner as the director prescribes, and 11712
open at all reasonable hours to the inspection of any person. 11713
Unless otherwise provided by rule, each stamp shall remain in 11714
force until midnight of the thirty-first day of August next 11715
ensuing. Wetlands habitat stamps may be issued in any manner to 11716
any person on any date, whether or not that date is within the 11717
period in which they are effective. 11718

Every person to whom this section applies, while hunting 11719
ducks, geese, or brant, shall carry an unexpired wetlands habitat 11720
stamp that is validated by the person's signature written on the 11721
stamp in ink and shall exhibit the stamp to any enforcement 11722
officer so requesting. No person shall fail to carry and exhibit 11723
the person's stamp. 11724

A wetlands habitat stamp is not transferable. 11725

Code. 12010

(C) "Revolving loan program" means the loan program 12011
established under sections 1547.721 to 1547.726 of the Revised 12012
Code. 12013

(D) "State agency" has the same meaning as in section 9.66 of 12014
the Revised Code. 12015

Sec. 1547.722. There is hereby created in the state treasury 12016
the watercraft revolving loan fund consisting of money 12017
appropriated or transferred to it, money received and credited to 12018
the fund under section 1547.726 of the Revised Code, and any 12019
grants, gifts, or contributions of moneys received for deposit to 12020
the credit of the fund. 12021

The director of natural resources shall use money in the 12022
watercraft revolving loan fund for the purpose of making loans 12023
under section 1547.724 of the Revised Code for eligible projects 12024
and taking actions under sections 1547.721 to 1547.726 of the 12025
Revised Code necessary to fulfill that purpose. The director may 12026
establish separate accounts in the fund for particular projects or 12027
otherwise. Income from the investment of money in the fund shall 12028
be credited to the fund, and, if the director so requires, to 12029
particular accounts in the fund. 12030

Sec. 1547.723. (A) The director of natural resources shall 12031
adopt rules under Chapter 119. of the Revised Code that the 12032
director determines to be necessary for the implementation of the 12033
revolving loan program. The rules shall include a definition of 12034

what constitutes "allowable costs" of an eligible project for 12035
purposes of the program together with a definition of "marine 12036
recreational facilities," "refuge harbors," and "light draft 12037
vessels," respectively. 12038

(B) The director may delegate any of the director's duties or 12039
responsibilities under sections 1547.721 to 1547.726 of the 12040
Revised Code to the chief of the division of watercraft. 12041

Sec. 1547.724. (A) With the approval of the controlling 12042
board, and subject to the other applicable provisions of sections 12043
1547.721 to 1547.726 of the Revised Code, the director of natural 12044
resources may lend moneys in the watercraft revolving loan fund to 12045
public or private entities for the purpose of paying the allowable 12046
costs of an eligible project. Loans shall be made under this 12047
division only if the director determines that all of the following 12048
apply: 12049

(1) The project is an eligible project and is economically 12050
sound; 12051

(2) The borrower is unable to finance the necessary allowable 12052
costs through ordinary financial channels upon comparable terms; 12053

(3) The repayment of the loan will be adequately secured by a 12054
mortgage, lien, assignment, or pledge at a level of priority as 12055
the director may require; 12056

(4) The amount of the loan does not exceed ninety per cent of 12057
the total cost of the project. 12058

(B) The determinations of the director under division (A) of 12059
this section shall be conclusive for purposes of the validity of a 12060
loan commitment evidenced by a loan agreement signed by the 12061
director. Further, the director's determinations that a project 12062
constitutes an eligible project and that the costs of such a 12063

project are allowable costs, together with all other 12064
determinations relevant to the project or to an action taken or 12065
agreement entered into under sections 1547.721 to 1547.726 of the 12066
Revised Code shall be conclusive for purposes of the validity and 12067
enforceability of rights of parties arising from actions taken and 12068
agreements entered into under those sections. 12069

(C) The director may take any actions necessary or 12070
appropriate with respect to a loan made under this section, 12071
including facilitating the collection of amounts due on a loan. 12072

Sec. 1547.725. For purposes of the revolving loan program, 12073
the director of natural resources may do any of the following: 12074

(A) Establish fees, charges, rates of interest, times of 12075
payment of interest and principal, and other terms, conditions, 12076
and provisions of and security for loans made from the watercraft 12077
revolving loan fund that the director determines to be appropriate 12078
and in furtherance of the purpose for which the loans are made; 12079

(B) Retain the services of or employ financial consultants, 12080
appraisers, consulting engineers, superintendents, managers, 12081
construction and accounting experts, attorneys, and employees, 12082
agents, and independent contractors that the director determines 12083
to be necessary and fix the compensation for their services; 12084

(C) Receive and accept from any person grants, gifts, 12085
contributions of money, property, labor, and other things of value 12086
to be held, used, and applied only for the purpose for which such 12087
grants, gifts, and contributions are made; 12088

(D) Enter into appropriate agreements with other governmental 12089
entities to provide for all of the following: 12090

(1) Payment of allowable costs related to the development of 12091
eligible projects for which loans have been made from the 12092
watercraft revolving loan fund; 12093

(2) Any governmental action a governmental entity is 12094
authorized to take, including undertaking on behalf and at the 12095
request of the director any action that the director is authorized 12096
to undertake pursuant to sections 1547.721 to 1547.725 of the 12097
Revised Code; 12098

(3) The operation of facilities associated with eligible 12099
projects. 12100

All state agencies shall cooperate with and provide 12101
assistance to the director as is necessary for the administration 12102
of sections 1547.721 to 1547.726 of the Revised Code. 12103

Sec. 1547.726. All money received by the state from the 12104
repayment of loans made from the watercraft revolving loan fund, 12105
including interest, fees, and charges associated with such loans, 12106
shall be deposited to the credit of the watercraft revolving loan 12107
fund. 12108

Sec. 1548.06. (A)(1) Application for a certificate of title 12109
for a watercraft or outboard motor shall be made upon a form 12110
prescribed by the chief of the division of watercraft and shall be 12111
sworn to before a notary public or other officer empowered to 12112
administer oaths. The application shall be filed with the clerk of 12113
any court of common pleas. An application for a certificate of 12114
title may be filed electronically by any electronic means approved 12115
by the chief in any county with the clerk of the court of common 12116
pleas of that county. The application shall be accompanied by the 12117
fee prescribed in section 1548.10 of the Revised Code. The fee 12118
shall be retained by the clerk who issues the certificate of title 12119
and shall be distributed in accordance with that section. If a 12120
clerk of a court of common pleas, other than the clerk of the 12121
court of common pleas of an applicant's county of residence, 12122
issues a certificate of title to the applicant, the clerk shall 12123

transmit data related to the transaction to the automated title processing system. 12124
12125

(2) If a certificate of title previously has been issued for the watercraft or outboard motor, the application for a certificate of title also shall be accompanied by the certificate of title duly assigned unless otherwise provided in this chapter. If a certificate of title previously has not been issued for the watercraft or outboard motor in this state, the application, unless otherwise provided in this chapter, shall be accompanied by a manufacturer's or importer's certificate; by a sworn statement of ownership if the watercraft or outboard motor was purchased by the applicant on or before October 9, 1963, or if the watercraft is less than fourteen feet long with a permanently affixed mechanical means of propulsion and was purchased by the applicant on or before January 1, 2000; or by a certificate of title, bill of sale, or other evidence of ownership required by the law of another state from which the watercraft or outboard motor was brought into this state. Evidence of ownership of a watercraft or outboard motor for which an Ohio certificate of title previously has not been issued and which watercraft or outboard motor does not have permanently affixed to it a manufacturer's serial number shall be accompanied by the certificate of assignment of a hull identification number assigned by the chief as provided in section 1548.07 of the Revised Code. 12126

(3) The clerk shall retain the evidence of title presented by the applicant and on which the certificate of title is issued, except that, if an application for a certificate of title is filed electronically, by a vendor on behalf of a purchaser of a watercraft or outboard motor, the clerk shall retain the completed electronic record to which the vendor converted the certificate of title application and other required documents. The chief, after consultation with the attorney general, shall adopt rules that 12148

12154

govern the location at which, and the manner in which, are stored 12156
the actual application and all other documents relating to the 12157
sale of a watercraft or outboard motor when a vendor files the 12158
application for a certificate of title electronically on behalf of 12159
a purchaser. 12160

(B) The clerk shall use reasonable diligence in ascertaining 12161
whether the facts in the application are true by checking the 12162
application and documents accompanying it or the electronic record 12163
to which a vendor converted the application and accompanying 12164
documents with the records of watercraft and outboard motors in 12165
the clerk's office. If the clerk is satisfied that the applicant 12166
is the owner of the watercraft or outboard motor and that the 12167
application is in the proper form, the clerk shall issue a 12168
physical certificate of title over the clerk's signature and 12169
sealed with the clerk's seal unless the applicant specifically 12170
requests the clerk not to issue a physical certificate of title 12171
and instead to issue an electronic certificate of title. However, 12172
if the evidence indicates and an investigation shows that one or 12173
more Ohio titles already exist for the watercraft or outboard 12174
motor, the chief may cause the redundant title or titles to be 12175
canceled. 12176

(C) In the case of the sale of a watercraft or outboard motor 12177
by a vendor to a general purchaser or user, the certificate of 12178
title shall be obtained in the name of the purchaser by the vendor 12179
upon application signed by the purchaser. In all other cases, the 12180
certificate shall be obtained by the purchaser. In all cases of 12181
transfer of watercraft or outboard motors, the application for 12182
certificate of title shall be filed within thirty days after the 12183
later of the date of purchase or assignment of ownership of the 12184
watercraft or outboard motor. If the application for certificate 12185
of title is not filed within thirty days after the later of the 12186
date of purchase or assignment of ownership of the watercraft or 12187

outboard motor, the clerk shall charge a late penalty fee of five 12188
dollars in addition to the fee prescribed by section 1548.10 of 12189
the Revised Code. The clerk shall retain the entire amount of each 12190
late penalty fee. 12191

(D) The clerk shall refuse to accept an application for 12192
certificate of title unless the applicant either tenders with the 12193
application payment of all taxes levied by or pursuant to Chapter 12194
5739. or 5741. of the Revised Code based on the applicant's county 12195
of residence less, in the case of a sale by a vendor, any discount 12196
to which the vendor is entitled under section 5739.12 of the 12197
Revised Code, or submits any of the following: 12198

~~(A)~~(1) A receipt issued by the tax commissioner or a clerk of 12199
courts showing payment of the tax; 12200

~~(B)~~(2) A copy of the unit certificate of exemption completed 12201
by the purchaser at the time of sale as provided in section 12202
5739.03 of the Revised Code; 12203

~~(C)~~(3) An exemption certificate, in a form prescribed by the 12204
tax commissioner, that specifies why the purchase is not subject 12205
to the tax imposed by Chapter 5739. or 5741. of the Revised Code. 12206

Payment of the tax shall be in accordance with rules issued 12207
by the tax commissioner, and the clerk shall issue a receipt in 12208
the form prescribed by the tax commissioner to any applicant who 12209
tenders payment of the tax with the application for the 12210
certificate of title. 12211

(E)(1) For receiving and disbursing the taxes paid to the 12212
clerk by a resident of the clerk's county, the clerk may retain a 12213
poundage fee of one and one one-hundredth per cent of the taxes 12214
collected, which shall be paid into the certificate of title 12215
administration fund created by section 325.33 of the Revised Code. 12216
The clerk shall not retain a poundage fee from payments of taxes 12217
by persons who do not reside in the clerk's county. 12218

(2) A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The chief of the division of watercraft, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

(F) In the case of casual sales of watercraft or outboard motors that are subject to the tax imposed by Chapter 5739. or 5741. of the Revised Code, the purchase price for the purpose of determining the tax shall be the purchase price on an affidavit executed and filed with the clerk by the vendor on a form to be prescribed by the chief, which shall be prima-facie evidence of the price for the determination of the tax. In addition to the information required by section 1548.08 of the Revised Code, each certificate of title shall contain in bold lettering the following notification and statements: "WARNING TO TRANSFEROR AND TRANSFEREE (SELLER AND BUYER). You are required by law to state the true selling price. A false statement is a violation of section 2921.13 of the Revised Code and is punishable by six months imprisonment or a fine of up to one thousand dollars, or both. All transfers are audited by the department of taxation. The seller and buyer must provide any information requested by the department of taxation. The buyer may be assessed any additional tax found to be due."

~~The clerk shall forward all payments of taxes, less poundage fees, to the treasurer of state in a manner to be prescribed by the tax commissioner and shall furnish information to the~~

~~commissioner as the commissioner may require.~~ (G) Each county 12251
clerk of courts shall forward to the treasurer of state all sales 12252
and use tax collections resulting from sales of titled watercraft 12253
and outboard motors during a calendar week on or before the Friday 12254
following the close of that week. If, on any Friday, the offices 12255
of the clerk of courts or the state are not open for business, the 12256
tax shall be forwarded to the treasurer of state on or before the 12257
next day on which the offices are open. Every remittance of tax 12258
under this division shall be accompanied by a remittance report in 12259
such form as the tax commissioner prescribes. Upon receipt of a 12260
tax remittance and remittance report, the treasurer of state shall 12261
date stamp the report and forward it to the tax commissioner. If 12262
the tax due for any week is not remitted by a clerk of courts as 12263
required under this division, the clerk shall forfeit the poundage 12264
fees for the sales made during that week. The treasurer of state 12265
may require the clerks of courts to transmit tax collections and 12266
remittance reports electronically. 12267

(H) For purposes of a transfer of a certificate of title, if 12268
the clerk is satisfied that a secured party has discharged a lien 12269
but has not canceled the lien notation with a clerk, the clerk may 12270
cancel the lien notation on the automated title processing system 12271
and notify the clerk of the county of origin. 12272

(I) Every clerk shall have the capability to transact by 12273
electronic means all procedures and transactions relating to the 12274
issuance of watercraft or outboard motor certificates of title 12275
that are described in the Revised Code as being accomplished by 12276
electronic means. 12277

Sec. 1711.53. (A)(1) No person shall operate an amusement 12278
ride within the state without a permit issued by the director of 12279
agriculture under division (A)(2) of this section. The owner of an 12280
amusement ride, whether the ride is a temporary amusement ride or 12281

a permanent amusement ride, who desires to operate the amusement 12282
ride within the state shall, prior to the operation of the 12283
amusement ride and annually thereafter, submit to the department 12284
of agriculture an application for a permit, together with the 12285
appropriate permit and inspection fee, on a form to be furnished 12286
by the department. Prior to issuing any permit the department 12287
shall, within thirty days after the date on which it receives the 12288
application, inspect each amusement ride described in the 12289
application. The owner of an amusement ride shall have the 12290
amusement ride ready for inspection not later than two hours after 12291
the time that is requested by the person for the inspection. 12292

(2) For each amusement ride found to comply with the rules 12293
adopted by the director under division (B) of this section and 12294
division (B) of section 1711.551 of the Revised Code, the director 12295
shall issue an annual permit, provided that evidence of liability 12296
insurance coverage for the amusement ride as required by section 12297
1711.54 of the Revised Code is on file with the department. 12298

(3) The director shall issue with each permit a decal 12299
indicating that the amusement ride has been issued the permit. The 12300
owner of the amusement ride shall affix the decal on the ride at a 12301
location where the decal is easily visible to the patrons of the 12302
ride. A copy of the permit shall be kept on file at the same 12303
address as the location of the amusement ride identified on the 12304
permit, and shall be made available for inspection, upon 12305
reasonable demand, by any person. An owner may operate an 12306
amusement ride prior to obtaining a permit, provided that the 12307
operation is for the purpose of testing the amusement ride or 12308
training amusement ride operators and other employees of the owner 12309
and the amusement ride is not open to the public. 12310

(B) The director, in accordance with Chapter 119. of the 12311
Revised Code, shall adopt rules providing for a schedule of fines, 12312
with no fine exceeding five thousand dollars, for violations of 12313

sections 1711.50 to 1711.57 of the Revised Code or any rules
adopted under this division and for the classification of
amusement rides and rules for the safe operation and inspection of
all amusement rides as are necessary for amusement ride safety and
for the protection of the general public. Rules adopted by the
director for the safe operation and inspection of amusement rides
shall be reasonable and based upon generally accepted engineering
standards and practices. In adopting rules under this section, the
director may adopt by reference, in whole or in part, the national
fire code or the national electrical code prepared by the national
fire protection association, the standards of ASTM or the American
national standards institute, or any other principles, tests, or
standards of nationally recognized technical or scientific
authorities. Insofar as is practicable and consistent with
sections 1711.50 to 1711.57 of the Revised Code, rules adopted
under this division shall be consistent with the rules of other
states. The department shall cause sections 1711.50 to 1711.57 of
the Revised Code and the rules adopted in accordance with this
division and division (B) of section 1711.551 of the Revised Code
to be published in pamphlet form and a copy to be furnished
without charge to each owner of an amusement ride who holds a
current permit or is an applicant therefor.

(C) With respect to an application for a permit for an
amusement ride, an owner may apply to the director for a waiver or
modification of any rule adopted under division (B) of this
section if there are practical difficulties or unnecessary
hardships for the amusement ride to comply with the rules. Any
application shall set forth the reasons for the request. The
director, with the approval of the advisory council on amusement
ride safety, may waive or modify the application of a rule to any
amusement ride if the public safety is secure. Any authorization
by the director under this division shall be in writing and shall

set forth the conditions under which the waiver or modification is 12346
authorized, and the department shall retain separate records of 12347
all proceedings under this division. 12348

(D)(1) The director shall employ and provide for training of 12349
a chief inspector and additional inspectors and employees as may 12350
be necessary to administer and enforce sections 1711.50 to 1711.57 12351
of the Revised Code. The director may appoint or contract with 12352
other persons to perform inspections of amusement rides, provided 12353
that the persons meet the qualifications for inspectors 12354
established by rules adopted under division (B) of this section 12355
and are not owners, or employees of owners, of any amusement ride 12356
subject to inspection under sections 1711.50 to 1711.57 of the 12357
Revised Code. No person shall inspect an amusement ride who, 12358
within six months prior to the date of inspection, was an employee 12359
of the owner of the ride. 12360

(2) Before the director contracts with other persons to 12361
inspect amusement rides, the director shall seek the advice of the 12362
advisory council on amusement ride safety on whether to contract 12363
with those persons. The advice shall not be binding upon the 12364
director. After having received the advice of the council, the 12365
director may proceed to contract with inspectors in accordance 12366
with the procedures specified in division (E)(2) of section 12367
1711.11 of the Revised Code. 12368

(3) With the advice and consent of the advisory council on 12369
amusement ride safety, the director may employ a special 12370
consultant to conduct an independent investigation of an amusement 12371
ride accident. This consultant need not be in the civil service of 12372
the state, but shall have qualifications to conduct the 12373
investigation acceptable to the council. 12374

(E)(1) Except as otherwise provided in division (E)(1) of 12375
this section, the department shall charge the following amusement 12376

ride fees:		12377

The go kart inspection fee is in addition to the inspection		12392

The fees for an expedited inspection, failure to cancel a		12394
scheduled inspection, and failure to have an amusement ride ready		12395
for inspection do not apply to go karts.		12396
As used in division (E)(1) of this section, "expedited		12397
inspection" means an inspection of an amusement ride by the		12398
department not later than ten days after the owner of the		12399
amusement ride files an application for a permit under this		12400
section.		12401
(2) All fees and fines collected by the department under		12402
sections 1711.50 to 1711.57 of the Revised Code shall be deposited		12403
in the state treasury to the credit of the amusement ride		12404
inspection fund, which is hereby created, and shall be used only		12405

for the purpose of administering and enforcing sections 1711.11 12406
and 1711.50 to 1711.57 of the Revised Code. 12407

(3) The owner of an amusement ride shall be required to pay a 12408
reinspection fee only if the reinspection was conducted at the 12409
owner's request under division (F) of this section, if the 12410
reinspection is required by division (F) of this section because 12411
of an accident, or if the reinspection is required by division (F) 12412
of section 1711.55 of the Revised Code. If a reinspection is 12413
conducted at the request of the chief officer of a fair, festival, 12414
or event where the ride is operating, the reinspection fee shall 12415
be charged to the fair, festival, or event. 12416

(4) The rules adopted under division (B) of this section 12417
shall define "kiddie rides," "roller coaster," "aerial lifts," "go 12418
karts," and "other rides" for purposes of determining the fees 12419
under division (E) of this section. The rules shall define "other 12420
rides" to include go kart tracks. 12421

(F) A reinspection of an amusement ride shall take place if 12422
an accident occurs, if the owner of the ride or the chief officer 12423
of the fair, festival, or event where the ride is operating 12424
requests a reinspection, or if the reinspection is required by 12425
division (F) of section 1711.55 of the Revised Code. 12426

(G) As a supplement to its annual inspection of a temporary 12427
amusement ride, the department may inspect the ride during each 12428
scheduled event, as listed in the schedule of events provided to 12429
the department by the owner pursuant to division (C) of section 12430
1711.55 of the Revised Code, at which the ride is operated in this 12431
state. These supplemental inspections are in addition to any other 12432

	12724
(2) The municipal court, by rule, may require an advance deposit for the filing of any civil action or proceeding and publication fees as provided in section 2701.09 of the Revised Code. 	12728
	12729
	12730
(3) When a jury trial is demanded in any civil action or proceeding, the party making the demand may be required to make an advance deposit as fixed by rule of court, unless, upon affidavit or other evidence, the court concludes that the party is unable to make the required deposit. If a jury is called, the fees of a jury shall be taxed as costs.	12731
	12732
	12733
	12734
	12735
	12736
(4) In any civil or criminal action or proceeding, witnesses' fees shall be fixed in accordance with sections 2335.06 and 2335.08 of the Revised Code.	12737

be fixed by rule of court. 12744

(6) Chattel property seized under any writ or process issued 12745

If the municipal court offers a special program or service in 12771

cases of a specific type, the municipal court by rule may assess 12772
an additional charge in a case of that type, over and above court 12773

because of the discontinuance of a program or service established 12786
under division (B) of this section, the municipal court may order 12787
that moneys remaining in the fund be transferred to an account 12788

to the office of the clerk. The clerk may require any of the 13284
deputy clerks to give bond of not less than three thousand 13285
dollars, conditioned for the faithful performance of the deputy 13286
clerk's duties. 13287

(I) For the purposes of this section, whenever the population 13288
of the territory of a municipal court falls below one hundred 13289
thousand but not below ninety thousand, and the population of the 13290
territory prior to the most recent regular federal census exceeded 13291
one hundred thousand, the legislative authority of the municipal 13292
corporation may declare, by resolution, that the territory shall 13293
be considered to have a population of at least one hundred 13294
thousand. 13295

(J) The clerk or a deputy clerk shall be in attendance at all 13296
sessions of the municipal court, although not necessarily in the 13297
courtroom, and may administer oaths to witnesses and jurors and 13298
receive verdicts. 13299

Sec. 1907.24. (A) Subject to division (C) of this section, a 13300
county court shall fix and tax fees and costs as follows: 13301

(1) The county court shall require an advance deposit for the 13302
filing of any new civil action or proceeding when required by 13303
division (C) of this section and, in all other cases, shall 13304
establish a schedule of fees and costs to be taxed in any civil or 13305
criminal action or proceeding. 13306

(2) The county court by rule may require an advance deposit 13307
for the filing of a civil action or proceeding and publication 13308
fees as provided in section 2701.09 of the Revised Code. The court 13309
may waive an advance deposit requirement upon the presentation of 13310
an affidavit or other evidence that establishes that a party is 13311

unable to make the requisite deposit. 13312

(3) When a party demands a jury trial in a civil action or 13313
proceeding, the county court may require the party to make an 13314
advance deposit as fixed by rule of court, unless the court 13315
concludes, on the basis of an affidavit or other evidence 13316
presented by the party, that the party is unable to make the 13317
requisite deposit. If a jury is called, the county court shall tax 13318
the fees of a jury as costs. 13319

(4) In a civil or criminal action or proceeding, the county 13320
court shall fix the fees of witnesses in accordance with sections 13321
2335.06 and 2335.08 of the Revised Code. 13322

(5) A county court may tax as part of the costs in a trial of 13323
the cause, in an amount fixed by rule of court, a reasonable 13324
charge for driving, towing, carting, storing, keeping, and 13325
preserving motor vehicles and other personal property recovered or 13326
seized in a proceeding. 13327

(6) The court shall preserve chattel property seized under a 13328
writ or process issued by the court pending final disposition for 13329
the benefit of all interested persons. The court may place the 13330
chattel property in storage when necessary or proper for its 13331
preservation. The custodian of chattel property so stored shall 13332
not be required to part with the possession of the property until 13333
a reasonable charge, to be fixed by the court, is paid. 13334

(7) The county court, as it determines, may refund all 13335
deposits and advance payments of fees and costs, including those 13336
for jurors and summoning jurors, when they have been paid by the 13337
losing party. 13338

(8) The court may tax as part of costs charges for the 13339
publication of legal notices required by statute or order of 13340
court, as provided by section 7.13 of the Revised Code. 13341

(B)(1) The county court may determine that, for the efficient 13342
operation of the court, additional funds are necessary to acquire 13343
and pay for special projects of the court including, but not 13344
limited to, the acquisition of additional facilities or the 13345
rehabilitation of existing facilities, the acquisition of 13346
equipment, the hiring and training of staff, community service 13347
programs, mediation or dispute resolution services, the employment 13348
of magistrates, the training and education of judges, acting 13349
judges, and magistrates, and other related services. Upon that 13350
determination, the court by rule may charge a fee, in addition to 13351
all other court costs, on the filing of each criminal cause, civil 13352
action or proceeding, or judgment by confession. 13353

If the county court offers a special program or service in 13354
cases of a specific type, the county court by rule may assess an 13355
additional charge in a case of that type, over and above court 13356
costs, to cover the special program or service. The county court 13357
shall adjust the special assessment periodically, but not 13358
retroactively, so that the amount assessed in those cases does not 13359
exceed the actual cost of providing the service or program. 13360

All moneys collected under division (B) of this section shall 13361
be paid to the county treasurer for deposit into either a general 13362
special projects fund or a fund established for a specific special 13363
project. Moneys from a fund of that nature shall be disbursed upon 13364
an order of the court in an amount no greater than the actual cost 13365
to the court of a project. If a specific fund is terminated 13366
because of the discontinuance of a program or service established 13367
under division (B) of this section, the county court may order 13368
that moneys remaining in the fund be transferred to an account 13369
established under this division for a similar purpose. 13370

(2) As used in division (B) of this section: 13371

(a) "Criminal cause" means a charge alleging the violation of 13372

a statute or ordinance, or subsection of a statute or ordinance, 13373
that requires a separate finding of fact or a separate plea before 13374
disposition and of which the defendant may be found guilty, 13375
whether filed as part of a multiple charge on a single summons, 13376
citation, or complaint or as a separate charge on a single 13377
summons, citation, or complaint. "Criminal cause" does not include 13378
separate violations of the same statute or ordinance, or 13379
subsection of the same statute or ordinance, unless each charge is 13380
filed on a separate summons, citation, or complaint. 13381

(b) "Civil action or proceeding" means any civil litigation 13382
that must be determined by judgment entry. 13383

(C) Subject to division (E) of this section, the county court 13384
shall collect in all its divisions except the small claims 13385
division the sum of ~~fifteen~~ twenty-five dollars as additional 13386
filing fees in each new civil action or proceeding for the 13387
charitable public purpose of providing financial assistance to 13388
legal aid societies that operate within the state. Subject to 13389
division (E) of this section, the county court shall collect in 13390
its small claims division the sum of ~~seven~~ ten dollars as 13391
additional filing fees in each new civil action or proceeding for 13392
the charitable public purpose of providing financial assistance to 13393
legal aid societies that operate within the state. This division 13394
does not apply to any execution on a judgment, proceeding in aid 13395
of execution, or other post-judgment proceeding arising out of a 13396
civil action. The filing fees required to be collected under this 13397
division shall be in addition to any other court costs imposed in 13398
the action or proceeding and shall be collected at the time of the 13399
filing of the action or proceeding. The court shall not waive the 13400
payment of the additional filing fees in a new civil action or 13401
proceeding unless the court waives the advanced payment of all 13402
filing fees in the action or proceeding. All such moneys collected 13403
during a month shall be transmitted on or before the twentieth day 13404

of the following month by the clerk of the court to the treasurer 13405
of state in a manner prescribed by the treasurer of state or by 13406
the Ohio legal assistance foundation. The moneys then shall be 13407
deposited by the treasurer of state to the credit of the legal aid 13408
fund established under section 120.52 of the Revised Code. 13409

The court may retain up to one per cent of the moneys it 13410
collects under this division to cover administrative costs, 13411
including the hiring of any additional personnel necessary to 13412
implement this division. 13413

(D) The county court shall establish by rule a schedule of 13414
fees for miscellaneous services performed by the county court or 13415
any of its judges in accordance with law. If judges of the court 13416
of common pleas perform similar services, the fees prescribed in 13417
the schedule shall not exceed the fees for those services 13418
prescribed by the court of common pleas. 13419

(E) Under the circumstances described in sections 2969.21 to 13420
2969.27 of the Revised Code, the clerk of the county court shall 13421
charge the fees and perform the other duties specified in those 13422
sections. 13423

Sec. 2113.041. (A) The administrator of the estate recovery 13424
program established pursuant to section 5111.11 of the Revised 13425
Code may present an affidavit to a financial institution 13426
requesting that the financial institution release account proceeds 13427

recipient who is subject to the estate recovery program. The 13429
affidavit shall include all of the following information: 13430

(4) The financial institution has received no objections or has determined that no valid objections to release of proceeds have been received.	13448 13449 13450
(C) If proceeds have been released pursuant to division (B) of this section and the department of job and family services receives notice of a valid claim to the proceeds that has a higher priority under section 2117.25 of the Revised Code than the claim of the estate recovery program, the department may refund the proceeds to the financial institution or pay them to the person or government entity with the claim.	13451 13452 13453 13454 13455 13456 13457

(A) Is the victim of "sexual activity" as defined under Chapter 2907. of the Revised Code, where such activity would constitute an offense under that chapter, except that the court need not find that any person has been convicted of the offense in	13460 13461 13462 13463

two or more such parties conflict, separate counsel shall be 13511
provided for each of them. 13512

Section 2935.14 of the Revised Code applies to any child 13513

2151.412 of the Revised Code to prepare a case plan for a child 13526
shall complete a semiannual administrative review of the case plan 13527
no later than six months after the earlier of the date on which 13528
the complaint in the case was filed or the child was first placed 13529
in shelter care. After the first administrative review, the agency 13530
shall complete semiannual administrative reviews no later than 13531
every six months. If the court issues an order pursuant to section 13532
2151.414 or 2151.415 of the Revised Code, the agency shall 13533
complete an administrative review no later than six months after 13534
the court's order and continue to complete administrative reviews 13535
no later than every six months after the first review, except that 13536
the court hearing held pursuant to section 2151.417 of the Revised 13537
Code may take the place of any administrative review that would 13538
otherwise be held at the time of the court hearing. When 13539
conducting a review, the child's health and safety shall be the 13540
paramount concern. 13541

(B) Each administrative review required by division (A) of 13542
this section shall be conducted by a review panel of at least 13543
three persons, including, but not limited to, both of the 13544
following: 13545

(1) A caseworker with day-to-day responsibility for, or 13546

(2) A person who is not responsible for the management of the 13548
child's case plan or for the delivery of services to the child or 13549

litem of the child, and the child's foster care provider and shall 13554
include an opportunity for those persons to submit any written 13555

alleviating the circumstances that required the agency to assume
temporary custody of the child;

(4) An estimated date by which the child may be returned to
and safely maintained in the child's home or placed for adoption
or legal custody;

(5) An updated case plan that includes any changes that the
agency is proposing in the case plan;

(6) The recommendation of the agency as to which agency or
person should be given custodial rights over the child for the
six-month period after the administrative review;

(7) The names of all persons who participated in the
administrative review.

(E) The agency shall file the summary with the court no later
than seven days after the completion of the administrative review.
If the agency proposes a change to the case plan as a result of
the administrative review, the agency shall file the proposed

change with the court at the time it files the summary. The agency 13586
shall give notice of the summary and proposed change in writing 13587
before the end of the next day after filing them to all parties 13588
and the child's guardian ad litem. All parties and the guardian ad 13589
litem shall have seven days after the date the notice is sent to 13590
object to and request a hearing on the proposed change. 13591

(1) If the court receives a timely request for a hearing, the 13592
court shall schedule a hearing pursuant to section 2151.417 of the 13593
Revised Code to be held not later than thirty days after the court 13594
receives the request. The court shall give notice of the date, 13595
time, and location of the hearing to all parties and the guardian 13596
ad litem. The agency may implement the proposed change after the 13597
hearing, if the court approves it. The agency shall not implement 13598
the proposed change unless it is approved by the court. 13599

(2) If the court does not receive a timely request for a 13600
hearing, the court may approve the proposed change without a 13601
hearing. If the court approves the proposed change without a 13602
hearing, it shall journalize the case plan with the change not 13603
later than fourteen days after the change is filed with the court. 13604
If the court does not approve the proposed change to the case 13605
plan, it shall schedule a review hearing to be held pursuant to 13606
section 2151.417 of the Revised Code no later than thirty days 13607
after the expiration of the fourteen-day time period and give 13608
notice of the date, time, and location of the hearing to all 13609
parties and the guardian ad litem of the child. If, despite the 13610
requirements of this division and division (D) of section 2151.417 13611
of the Revised Code, the court neither approves and journalizes 13612
the proposed change nor conducts a hearing, the agency may 13613
implement the proposed change not earlier than fifteen days after 13614
it is submitted to the court. 13615

(F) The director of job and family services may adopt rules 13616
pursuant to Chapter 119. of the Revised Code for procedures and 13617

standard forms for conducting administrative reviews pursuant to 13618
this section. 13619

(G) The juvenile court that receives the written summary of 13620
the administrative review, upon determining, either from the 13621
written summary, case plan, or otherwise, that the custody or care 13622
arrangement is not in the best interest of the child, may 13623
terminate the custody of an agency and place the child in the 13624
custody of another institution or association certified by the 13625
department of job and family services under section 5103.03 of the 13626
Revised Code. 13627

(H) The department of job and family services shall report 13628
annually to the public and to the general assembly on the results 13629
of the review of case plans of each agency ~~and on the results of~~ 13630
~~the summaries submitted to the department under section 3107.10 of~~ 13631
~~the Revised Code.~~ The annual report shall include any information 13632
that is required by the department, including, but not limited to, 13633

period, and the number of residential placement changes for each 13642
child during the period; 13643

an additional charge in a case of that type, over and above court 14219
costs, to cover the special program or service. The court shall 14220
adjust the special assessment periodically, but not retroactively, 14221

(e) If the amount of marihuana involved equals or exceeds five thousand grams but is less than twenty thousand grams, illegal cultivation of marihuana is a felony of the third degree or, if the offense was committed in the vicinity of a school or in the vicinity of a juvenile, a felony of the second degree, and there is a presumption for a prison term for the offense.

(f) Except as otherwise provided in this division, if the amount of marihuana involved equals or exceeds twenty thousand grams, illegal cultivation of marihuana is a felony of the second degree, and the court shall impose as a mandatory prison term the maximum prison term prescribed for a felony of the second degree. If the amount of the drug involved equals or exceeds twenty thousand grams and if the offense was committed in the vicinity of a school or in the vicinity of a juvenile, illegal cultivation of marihuana is a felony of the first degree, and the court shall impose as a mandatory prison term the maximum prison term prescribed for a felony of the first degree.

(D) In addition to any prison term authorized or required by division (C) or (E) of this section and sections 2929.13 and 2929.14 of the Revised Code and in addition to any other sanction imposed for the offense under this section or sections 2929.11 to 2929.18 of the Revised Code, the court that sentences an offender who is convicted of or pleads guilty to a violation of division (A) of this section shall do all of the following that are applicable regarding the offender:

(1) If the violation of division (A) of this section is a felony of the first, second, or third degree, the court shall

impose upon the offender the mandatory fine specified for the
offense under division (B)(1) of section 2929.18 of the Revised
Code unless, as specified in that division, the court determines
that the offender is indigent. The clerk of the court shall pay a
mandatory fine or other fine imposed for a violation of this
section pursuant to division (A) of section 2929.18 of the Revised
Code in accordance with and subject to the requirements of
division (F) of section 2925.03 of the Revised Code. The agency
that receives the fine shall use the fine as specified in division
(F) of section 2925.03 of the Revised Code. If a person is charged
with a violation of this section that is a felony of the first,
second, or third degree, posts bail, and forfeits the bail, the
clerk shall pay the forfeited bail as if the forfeited bail were a
fine imposed for a violation of this section.

(2) The court shall suspend the offender's driver's or
commercial driver's license or permit in accordance with division
(G) of section 2925.03 of the Revised Code. If an offender's
driver's or commercial driver's license or permit is suspended in
accordance with that division, the offender may request
termination of, and the court may terminate, the suspension in
accordance with that division.

(3) If the offender is a professionally licensed person, the
court immediately shall comply with section 2925.38 of the Revised
Code.

(E) Notwithstanding the prison term otherwise authorized or
required for the offense under division (C) of this section and
sections 2929.13 and 2929.14 of the Revised Code, if the violation
of division (A) of this section involves the sale, offer to sell,
or possession of a schedule I or II controlled substance, with the
exception of marihuana, and if the court imposing sentence upon
the offender finds that the offender as a result of the violation
is a major drug offender and is guilty of a specification of the

type described in section 2941.1410 of the Revised Code, the
court, in lieu of the prison term otherwise authorized or
required, shall impose upon the offender the mandatory prison term
specified in division (D)(3)(a) of section 2929.14 of the Revised
Code and may impose an additional prison term under division
(D)(3)(b) of that section.

(F) It is an affirmative defense, as provided in section
2901.05 of the Revised Code, to a charge under this section for a
fifth degree felony violation of illegal cultivation of marihuana
that the marihuana that gave rise to the charge is in an amount,
is in a form, is prepared, compounded, or mixed with substances
that are not controlled substances in a manner, or is possessed or
cultivated under any other circumstances that indicate that the
marihuana was solely for personal use.

Notwithstanding any contrary provision of division (F) of
this section, if, in accordance with section 2901.05 of the
Revised Code, a person who is charged with a violation of illegal
cultivation of marihuana that is a felony of the fifth degree
sustains the burden of going forward with evidence of and
establishes by a preponderance of the evidence the affirmative
defense described in this division, the person may be prosecuted
for and may be convicted of or plead guilty to a misdemeanor
violation of illegal cultivation of marihuana.

(G) Arrest or conviction for a minor misdemeanor violation of
this section does not constitute a criminal record and need not be
reported by the person so arrested or convicted in response to any
inquiries about the person's criminal record, including any
inquiries contained in an application for employment, a license,
or any other right or privilege or made in connection with the
person's appearance as a witness.

Sec. 2925.041. (A) No person shall knowingly ~~assemble~~ do any

<u>of the following:</u>	16199
<u>(1) Assemble or possess any ephedrine product,</u>	16200
<u>phenylpropanolamine product, or pseudoephedrine product with the</u>	16201

with the intent to manufacture a controlled substance in schedule	16207
I or II in violation of section 2925.04 of the Revised Code.	16208
(B)(1) In a prosecution under this section, it is not	16209
necessary to allege or prove that the offender assembled or	16210
possessed all chemicals necessary to manufacture a controlled	16211
substance in schedule I or II. The assembly or possession of a	16212
single chemical that may be used in the manufacture of a	16213
controlled substance in schedule I or II, with the intent to	16214
manufacture a controlled substance in either schedule, is	16215
sufficient to violate this section.	16216

<u>(d) A pharmacist;</u>	16236
<u>(e) A licensed health care professional authorized to</u>	16237
<u>prescribe drugs possessing the drug products in the course of</u>	16238
<u>carrying out the person's profession;</u>	16239
<u>(f) A terminal distributor of dangerous drugs.</u>	16240
(C) Whoever violates this section is guilty of illegal	16241
assembly or possession of chemicals for the manufacture of drugs.	16242
Except as otherwise provided in this division, illegal assembly or	16243
possession of chemicals for the manufacture of drugs is a felony	16244
of the third degree, and division (C) of section 2929.13 of the	16245
Revised Code applies in determining whether to impose a prison	16246
term on the offender. If the offense was committed in the vicinity	16247
of a juvenile or in the vicinity of a school, illegal assembly or	16248
possession of chemicals for the manufacture of drugs is a felony	16249
of the second degree, and division (C) of section 2929.13 of the	16250
Revised Code applies in determining whether to impose a prison	16251
term on the offender.	16252
(D) In addition to any prison term authorized by division (C)	16253
of this section and sections 2929.13 and 2929.14 of the Revised	16254
Code and in addition to any other sanction imposed for the offense	16255
under this section or sections 2929.11 to 2929.18 of the Revised	16256
Code, the court that sentences an offender who is convicted of or	16257
pleads guilty to a violation of this section shall do all of the	16258
following that are applicable regarding the offender:	16259

(1) The court shall impose upon the offender the mandatory fine specified for the offense under division (B)(1) of section 2929.18 of the Revised Code unless, as specified in that division, the court determines that the offender is indigent. The clerk of the court shall pay a mandatory fine or other fine imposed for a violation of this section under division (A) of section 2929.18 of the Revised Code in accordance with and subject to the requirements of division (F) of section 2925.03 of the Revised Code. The agency that receives the fine shall use the fine as specified in division (F) of section 2925.03 of the Revised Code. If a person charged with a violation of this section posts bail and forfeits the bail, the clerk shall pay the forfeited bail as if the forfeited bail were a fine imposed for a violation of this section.

(2) The court shall revoke or suspend the offender's driver's or commercial driver's license or permit in accordance with division (G) of section 2925.03 of the Revised Code. If an offender's driver's or commercial driver's license or permit is revoked in accordance with that division, the offender may request termination of, and the court may terminate, the revocation in accordance with that division.

(3) If the offender is a professionally licensed person or a person who has been admitted to the bar by order of the supreme court in compliance with its prescribed and published rules, the court shall comply with section 2925.38 of the Revised Code.

Sec. 2925.15. (A) No retailer or terminal distributor of dangerous drugs shall knowingly sell, offer to sell, hold for sale, deliver, or otherwise provide to any individual within any thirty-day period an amount of ephedrine product, phenylpropanolamine product, or pseudoephedrine product that exceeds two packages of any one of those products or of any

combination of those products, with neither package so sold 16291
containing more than three grams of the product. 16292

(B) Each retailer or terminal distributor of dangerous drugs 16293
that sells, offers to sell, holds for sale, delivers, or otherwise 16294
provides any ephedrine product, phenylpropanolamine product, or 16295
pseudoephedrine product to the public shall do all of the 16296
following: 16297

(1) Keep each ephedrine product, phenylpropanolamine product, 16298
or pseudoephedrine product in a secure, locked area in the place 16299
of business of the retailer or terminal distributor or, if the 16300
place of business is a pharmacy, behind the counter, so that no 16301
member of the public may procure or purchase the product without 16302
the direct assistance of a pharmacist or other authorized employee 16303
of the retailer or terminal distributor. 16304

(2) Prior to selling or providing any ephedrine product, 16305
phenylpropanolamine product, or pseudoephedrine product to any 16306
person, determine, by examination of a valid proof of age, that 16307
the purchaser or recipient is eighteen years of age or older. 16308

(C)(1) No retailer or terminal distributor of dangerous drugs 16309
that sells, offers to sell, holds for sale, delivers, or otherwise 16310
provides any ephedrine product, phenylpropanolamine product, or 16311
pseudoephedrine product to the public shall fail to comply with 16312
division (B)(1) of this section. 16313

(2) No retailer or terminal distributor of dangerous drugs 16314
shall sell, offer to sell, hold for sale, deliver, or otherwise 16315
provide any ephedrine product, phenylpropanolamine product, or 16316
pseudoephedrine product to an individual that the retailer or 16317
terminal distributor knows or reasonably should know is under 16318
eighteen years of age. 16319

(D) Whoever violates this section is guilty of "illegal 16320

transactions in an ephedrine, phenylpropanolamine, or 16321
pseudoephedrine product." Illegal transactions in an ephedrine, 16322
phenylpropanolamine, or pseudoephedrine product in violation of 16323
division (A) of this section is a misdemeanor, and the offender 16324
shall be fined not more than three hundred fifty dollars. Except 16325
as otherwise provided in this division, illegal transactions in an 16326
ephedrine, phenylpropanolamine, or pseudoephedrine product in 16327
violation of division (C)(1) or (2) of this section is a minor 16328
misdemeanor. If an offender who commits a violation of division 16329
(C)(1) or (2) of this section previously has been convicted of or 16330
pleaded guilty to a violation of division (A), (C)(1), or (C)(2) 16331
of this section, illegal transactions in an ephedrine, 16332
phenylpropanolamine, or pseudoephedrine product in violation of 16333
division (C)(1) or (2) of this section is a misdemeanor of the 16334
third degree. 16335

Sec. 2927.30. (A) As used in this section: 16336

a period of thirty days, unless dispensed by a pharmacist pursuant 16360
to a valid prescription issued by a licensed health care 16361
professional authorized to prescribe drugs. 16362

(C)(1) Except as provided in division (C)(2) of this section, 16363
no retailer or terminal distributor of dangerous drugs shall 16364

Sec. 2929.13. (A) Except as provided in division (E), (F), or (G) of this section and unless a specific sanction is required to be imposed or is precluded from being imposed pursuant to law, a court that imposes a sentence upon an offender for a felony may impose any sanction or combination of sanctions on the offender that are provided in sections 2929.14 to 2929.18 of the Revised Code. The sentence shall not impose an unnecessary burden on state or local government resources. 16394
16395
16396
16397
16398
16399
16400
16401

If the offender is eligible to be sentenced to community control sanctions, the court shall consider the appropriateness of imposing a financial sanction pursuant to section 2929.18 of the Revised Code or a sanction of community service pursuant to section 2929.17 of the Revised Code as the sole sanction for the offense. Except as otherwise provided in this division, if the court is required to impose a mandatory prison term for the offense for which sentence is being imposed, the court also may impose a financial sanction pursuant to section 2929.18 of the 16402
16403
16404

16406
16407

16409
16410

Revised Code but may not impose any additional sanction or
combination of sanctions under section 2929.16 or 2929.17 of the
Revised Code.

If the offender is being sentenced for a fourth degree felony
OVI offense or for a third degree felony OVI offense, in addition
to the mandatory term of local incarceration or the mandatory
prison term required for the offense by division (G)(1) or (2) of
this section, the court shall impose upon the offender a mandatory
fine in accordance with division (B)(3) of section 2929.18 of the
Revised Code and may impose whichever of the following is
applicable:

(1) For a fourth degree felony OVI offense for which sentence
is imposed under division (G)(1) of this section, an additional
community control sanction or combination of community control
sanctions under section 2929.16 or 2929.17 of the Revised Code. If
the court imposes upon the offender a community control sanction
and the offender violates any condition of the community control
sanction, the court may take any action prescribed in division (B)
of section 2929.15 of the Revised Code relative to the offender,
including imposing a prison term on the offender pursuant to that
division.

(2) For a third or fourth degree felony OVI offense for which
sentence is imposed under division (G)(2) of this section, an
additional prison term as described in division (D)(4) of section
2929.14 of the Revised Code or a community control sanction as
described in division (G)(2) of this section.

(B)(1) Except as provided in division (B)(2), (E), (F), or
(G) of this section, in sentencing an offender for a felony of the
fourth or fifth degree, the sentencing court shall determine
whether any of the following apply:

(a) In committing the offense, the offender caused physical

harm to a person. 16442

(b) In committing the offense, the offender attempted to 16443
cause or made an actual threat of physical harm to a person with a 16444
deadly weapon. 16445

(c) In committing the offense, the offender attempted to 16446
cause or made an actual threat of physical harm to a person, and 16447
the offender previously was convicted of an offense that caused 16448
physical harm to a person. 16449

(d) The offender held a public office or position of trust 16450
and the offense related to that office or position; the offender's 16451
position obliged the offender to prevent the offense or to bring 16452
those committing it to justice; or the offender's professional 16453
reputation or position facilitated the offense or was likely to 16454
influence the future conduct of others. 16455

(e) The offender committed the offense for hire or as part of 16456
an organized criminal activity. 16457

(f) The offense is a sex offense that is a fourth or fifth 16458
degree felony violation of section 2907.03, 2907.04, 2907.05, 16459
2907.22, 2907.31, 2907.321, 2907.322, 2907.323, or 2907.34 of the 16460
Revised Code. 16461

(g) The offender at the time of the offense was serving, or 16462
the offender previously had served, a prison term. 16463

(h) The offender committed the offense while under a 16464
community control sanction, while on probation, or while released 16465
from custody on a bond or personal recognizance. 16466

(i) The offender committed the offense while in possession of 16467
a firearm. 16468

(2)(a) If the court makes a finding described in division 16469
(B)(1)(a), (b), (c), (d), (e), (f), (g), (h), or (i) of this 16470
section and if the court, after considering the factors set forth 16471

in section 2929.12 of the Revised Code, finds that a prison term 16472
is consistent with the purposes and principles of sentencing set 16473
forth in section 2929.11 of the Revised Code and finds that the 16474
offender is not amenable to an available community control 16475
sanction, the court shall impose a prison term upon the offender. 16476

(b) Except as provided in division (E), (F), or (G) of this 16477
section, if the court does not make a finding described in 16478
division (B)(1)(a), (b), (c), (d), (e), (f), (g), (h), or (i) of 16479
this section and if the court, after considering the factors set 16480
forth in section 2929.12 of the Revised Code, finds that a 16481
community control sanction or combination of community control 16482
sanctions is consistent with the purposes and principles of 16483
sentencing set forth in section 2929.11 of the Revised Code, the 16484
court shall impose a community control sanction or combination of 16485
community control sanctions upon the offender. 16486

(C) Except as provided in division (E), (F), or (G) of this 16487
section, in determining whether to impose a prison term as a 16488
sanction for a felony of the third degree or a felony drug offense 16489
that is a violation of a provision of Chapter 2925. of the Revised 16490
Code and that is specified as being subject to this division for 16491
purposes of sentencing, the sentencing court shall comply with the 16492
purposes and principles of sentencing under section 2929.11 of the 16493
Revised Code and with section 2929.12 of the Revised Code. 16494

(D) Except as provided in division (E) or (F) of this 16495
section, for a felony of the first or second degree and for a 16496
felony drug offense that is a violation of any provision of 16497
Chapter 2925., 3719., or 4729. of the Revised Code for which a 16498
presumption in favor of a prison term is specified as being 16499
applicable, it is presumed that a prison term is necessary in 16500
order to comply with the purposes and principles of sentencing 16501
under section 2929.11 of the Revised Code. Notwithstanding the 16502
presumption established under this division, the sentencing court 16503

may impose a community control sanction or a combination of 16504
community control sanctions instead of a prison term on an 16505
offender for a felony of the first or second degree or for a 16506
felony drug offense that is a violation of any provision of 16507
Chapter 2925., 3719., or 4729. of the Revised Code for which a 16508
presumption in favor of a prison term is specified as being 16509
applicable if it makes both of the following findings: 16510

(1) A community control sanction or a combination of 16511
community control sanctions would adequately punish the offender 16512
and protect the public from future crime, because the applicable 16513
factors under section 2929.12 of the Revised Code indicating a 16514
lesser likelihood of recidivism outweigh the applicable factors 16515
under that section indicating a greater likelihood of recidivism. 16516

(2) A community control sanction or a combination of 16517
community control sanctions would not demean the seriousness of 16518
the offense, because one or more factors under section 2929.12 of 16519
the Revised Code that indicate that the offender's conduct was 16520
less serious than conduct normally constituting the offense are 16521
applicable, and they outweigh the applicable factors under that 16522
section that indicate that the offender's conduct was more serious 16523
than conduct normally constituting the offense. 16524

(E)(1) Except as provided in division (F) of this section, 16525
for any drug offense that is a violation of any provision of 16526
Chapter 2925. of the Revised Code and that is a felony of the 16527
third, fourth, or fifth degree, the applicability of a presumption 16528
under division (D) of this section in favor of a prison term or of 16529
division (B) or (C) of this section in determining whether to 16530
impose a prison term for the offense shall be determined as 16531
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 16532
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the 16533
Revised Code, whichever is applicable regarding the violation. 16534

(2) If an offender who was convicted of or pleaded guilty to a felony violates the conditions of a community control sanction imposed for the offense solely by reason of producing positive results on a drug test, the court, as punishment for the violation of the sanction, shall not order that the offender be imprisoned unless the court determines on the record either of the following:

(a) The offender had been ordered as a sanction for the felony to participate in a drug treatment program, in a drug education program, or in narcotics anonymous or a similar program, and the offender continued to use illegal drugs after a reasonable period of participation in the program.

rehabilitation and correction may place an offender sentenced to a 16684
mandatory prison term under this division in an intensive program 16685
prison established pursuant to section 5120.033 of the Revised 16686
Code if the department gave the sentencing judge prior notice of 16687
its intent to place the offender in an intensive program prison 16688
established under that section and if the judge did not notify the 16689
department that the judge disapproved the placement. Upon the 16690
establishment of the initial intensive program prison pursuant to 16691
section 5120.033 of the Revised Code that is privately operated 16692

and managed by a contractor pursuant to a contract entered into 16693
under section 9.06 of the Revised Code, both of the following 16694

make a reasonable effort to ensure that a sufficient number of 16697
offenders sentenced to a mandatory prison term under this division 16698
are placed in the privately operated and managed prison so that 16699
the privately operated and managed prison has full occupancy. 16700

(b) Unless the privately operated and managed prison has full 16701
occupancy, the department of rehabilitation and correction shall 16702
not place any offender sentenced to a mandatory prison term under 16703

to section 5120.033 of the Revised Code other than the privately 16705
operated and managed prison. 16706

(H) If an offender is being sentenced for a sexually oriented 16707
offense committed on or after January 1, 1997, the judge shall 16708
require the offender to submit to a DNA specimen collection 16709
procedure pursuant to section 2901.07 of the Revised Code if 16710
either of the following applies: 16711

(1) The offense was a violent sex offense or a designated 16712
homicide, assault, or kidnapping offense and, in relation to that 16713
offense, the offender was adjudicated a sexually violent predator. 16714

(2) The judge imposing sentence for the sexually oriented 16715
offense determines pursuant to division (B) of section 2950.09 of 16716
the Revised Code that the offender is a sexual predator. 16717

(I) If an offender is being sentenced for a sexually oriented 16718
offense that is not a registration-exempt sexually oriented 16719
offense or for a child-victim oriented offense committed on or 16720
after January 1, 1997, the judge shall include in the sentence a 16721
summary of the offender's duties imposed under sections 2950.04, 16722
2950.041, 2950.05, and 2950.06 of the Revised Code and the 16723

duration of the duties. The judge shall inform the offender, at 16724
the time of sentencing, of those duties and of their duration and, 16725
if required under division (A)(2) of section 2950.03 of the 16726
Revised Code, shall perform the duties specified in that section. 16727

(J)(1) Except as provided in division (J)(2) of this section, 16728
when considering sentencing factors under this section in relation 16729
to an offender who is convicted of or pleads guilty to an attempt 16730
to commit an offense in violation of section 2923.02 of the 16731
Revised Code, the sentencing court shall consider the factors 16732
applicable to the felony category of the violation of section 16733
2923.02 of the Revised Code instead of the factors applicable to 16734
the felony category of the offense attempted. 16735

(2) When considering sentencing factors under this section in 16736
relation to an offender who is convicted of or pleads guilty to an 16737
attempt to commit a drug abuse offense for which the penalty is 16738
determined by the amount or number of unit doses of the controlled 16739
substance involved in the drug abuse offense, the sentencing court 16740
shall consider the factors applicable to the felony category that 16741
the drug abuse offense attempted would be if that drug abuse 16742
offense had been committed and had involved an amount or number of 16743
unit doses of the controlled substance that is within the next 16744
lower range of controlled substance amounts than was involved in 16745
the attempt. 16746

(K) As used in this section, "drug abuse offense" has the 16747
same meaning as in section 2925.01 of the Revised Code. 16748

Sec. 2929.14. (A) Except as provided in division (C), (D)(1), 16749
(D)(2), (D)(3), (D)(4), (D)(5), (D)(6), or (G) of this section and 16750
except in relation to an offense for which a sentence of death or 16751
life imprisonment is to be imposed, if the court imposing a 16752
sentence upon an offender for a felony elects or is required to 16753
impose a prison term on the offender pursuant to this chapter, the 16754

court shall impose a definite prison term that shall be one of the following: 16755
16756

(1) For a felony of the first degree, the prison term shall be three, four, five, six, seven, eight, nine, or ten years. 16757
16758

(2) For a felony of the second degree, the prison term shall be two, three, four, five, six, seven, or eight years. 16759
16760

(3) For a felony of the third degree, the prison term shall be one, two, three, four, or five years. 16761
16762

(4) For a felony of the fourth degree, the prison term shall be six, seven, eight, nine, ten, eleven, twelve, thirteen, fourteen, fifteen, sixteen, seventeen, or eighteen months. 16763
16764
16765

(5) For a felony of the fifth degree, the prison term shall be six, seven, eight, nine, ten, eleven, or twelve months. 16766
16767

(B) Except as provided in division (C), (D)(1), (D)(2), (D)(3), (D)(5), (D)(6), or (G) of this section, in section 2907.02 of the Revised Code, or in Chapter 2925. of the Revised Code, if the court imposing a sentence upon an offender for a felony elects or is required to impose a prison term on the offender, the court shall impose the shortest prison term authorized for the offense pursuant to division (A) of this section, unless one or more of the following applies: 16768
16769
16770
16771
16772
16773
16774
16775

(1) The offender was serving a prison term at the time of the offense, or the offender previously had served a prison term. 16776
16777

(2) The court finds on the record that the shortest prison term will demean the seriousness of the offender's conduct or will not adequately protect the public from future crime by the offender or others. 16778
16779
16780
16781

(C) Except as provided in division (G) of this section or in Chapter 2925. of the Revised Code, the court imposing a sentence upon an offender for a felony may impose the longest prison term 16782
16783
16784

authorized for the offense pursuant to division (A) of this section only upon offenders who committed the worst forms of the offense, upon offenders who pose the greatest likelihood of committing future crimes, upon certain major drug offenders under division (D)(3) of this section, and upon certain repeat violent offenders in accordance with division (D)(2) of this section.

(D)(1)(a) Except as provided in division (D)(1)(e) of this section, if an offender who is convicted of or pleads guilty to a felony also is convicted of or pleads guilty to a specification of the type described in section 2941.141, 2941.144, or 2941.145 of the Revised Code, the court shall impose on the offender one of the following prison terms:

(ii) A prison term of three years if the specification is of the type described in section 2941.145 of the Revised Code that charges the offender with having a firearm on or about the offender's person or under the offender's control while committing the offense and displaying the firearm, brandishing the firearm, indicating that the offender possessed the firearm, or using it to facilitate the offense;

(iii) A prison term of one year if the specification is of the type described in section 2941.141 of the Revised Code that charges the offender with having a firearm on or about the offender's person or under the offender's control while committing the felony.

(b) If a court imposes a prison term on an offender under

division (D)(1)(a) of this section, subject to section 2967.24 of 16816
the Revised Code, the prison term shall not be reduced pursuant to 16817
section 2929.20, section 2967.193, or any other provision of 16818
Chapter 2967. or Chapter 5120. of the Revised Code. A court shall 16819
not impose more than one prison term on an offender under division 16820
(D)(1)(a) of this section for felonies committed as part of the 16821
same act or transaction. 16822

(c) Except as provided in division (D)(1)(e) of this section, 16823
if an offender who is convicted of or pleads guilty to a violation 16824
of section 2923.161 of the Revised Code or to a felony that 16825
includes, as an essential element, purposely or knowingly causing 16826
or attempting to cause the death of or physical harm to another, 16827
also is convicted of or pleads guilty to a specification of the 16828
type described in section 2941.146 of the Revised Code that 16829
charges the offender with committing the offense by discharging a 16830
firearm from a motor vehicle other than a manufactured home, the 16831
court, after imposing a prison term on the offender for the 16832
violation of section 2923.161 of the Revised Code or for the other 16833
felony offense under division (A), (D)(2), or (D)(3) of this 16834
section, shall impose an additional prison term of five years upon 16835
the offender that, subject to section 2967.24 of the Revised Code, 16836
shall not be reduced pursuant to section 2929.20, section 16837
2967.193, or any other provision of Chapter 2967. or Chapter 5120. 16838
of the Revised Code. A court shall not impose more than one 16839
additional prison term on an offender under division (D)(1)(c) of 16840
this section for felonies committed as part of the same act or 16841
transaction. If a court imposes an additional prison term on an 16842
offender under division (D)(1)(c) of this section relative to an 16843
offense, the court also shall impose a prison term under division 16844
(D)(1)(a) of this section relative to the same offense, provided 16845
the criteria specified in that division for imposing an additional 16846
prison term are satisfied relative to the offender and the 16847

offense. 16848

(d) If an offender who is convicted of or pleads guilty to an 16849
offense of violence that is a felony also is convicted of or 16850
pleads guilty to a specification of the type described in section 16851
2941.1411 of the Revised Code that charges the offender with 16852
wearing or carrying body armor while committing the felony offense 16853
of violence, the court shall impose on the offender a prison term 16854
of two years. The Subject to section 2967.24 of the Revised Code, 16855
the prison term so imposed shall not be reduced pursuant to 16856
section 2929.20, section 2967.193, or any other provision of 16857
Chapter 2967. or Chapter 5120. of the Revised Code. A court shall 16858
not impose more than one prison term on an offender under division 16859
(D)(1)(d) of this section for felonies committed as part of the 16860
same act or transaction. If a court imposes an additional prison 16861
term under division (D)(1)(a) or (c) of this section, the court is 16862
not precluded from imposing an additional prison term under 16863
division (D)(1)(d) of this section. 16864

(e) The court shall not impose any of the prison terms 16865
described in division (D)(1)(a) of this section or any of the 16866
additional prison terms described in division (D)(1)(c) of this 16867
section upon an offender for a violation of section 2923.12 or 16868
2923.123 of the Revised Code. The court shall not impose any of 16869
the prison terms described in division (D)(1)(a) of this section 16870
or any of the additional prison terms described in division 16871
(D)(1)(c) of this section upon an offender for a violation of 16872
section 2923.13 of the Revised Code unless all of the following 16873
apply: 16874

(i) The offender previously has been convicted of aggravated 16875
murder, murder, or any felony of the first or second degree. 16876

(ii) Less than five years have passed since the offender was 16877
released from prison or post-release control, whichever is later, 16878
for the prior offense. 16879

(f) If an offender is convicted of or pleads guilty to a felony that includes, as an essential element, causing or attempting to cause the death of or physical harm to another and also is convicted of or pleads guilty to a specification of the type described in section 2941.1412 of the Revised Code that charges the offender with committing the offense by discharging a firearm at a peace officer as defined in section 2935.01 of the Revised Code or a corrections officer as defined in section 2941.1412 of the Revised Code, the court, after imposing a prison term on the offender for the felony offense under division (A), (D)(2), or (D)(3) of this section, shall impose an additional prison term of seven years upon the offender that, subject to section 2967.24 of the Revised Code, shall not be reduced pursuant to section 2929.20, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code. A court shall not impose more than one additional prison term on an offender under division (D)(1)(f) of this section for felonies committed as part of the same act or transaction. If a court imposes an additional prison term on an offender under division (D)(1)(f) of this section relative to an offense, the court shall not impose a prison term under division (D)(1)(a) or (c) of this section relative to the same offense.

(2)(a) If an offender who is convicted of or pleads guilty to a felony also is convicted of or pleads guilty to a specification of the type described in section 2941.149 of the Revised Code that the offender is a repeat violent offender, the court shall impose a prison term from the range of terms authorized for the offense under division (A) of this section that may be the longest term in the range and that, subject to section 2967.24 of the Revised Code, shall not be reduced pursuant to section 2929.20, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code. If the court finds that the repeat violent

offender, in committing the offense, caused any physical harm that 16912
carried a substantial risk of death to a person or that involved 16913
substantial permanent incapacity or substantial permanent 16914
disfigurement of a person, the court shall impose the longest 16915
prison term from the range of terms authorized for the offense 16916
under division (A) of this section. 16917

(b) If the court imposing a prison term on a repeat violent 16918
offender imposes the longest prison term from the range of terms 16919
authorized for the offense under division (A) of this section, the 16920
court may impose on the offender an additional definite prison 16921
term of one, two, three, four, five, six, seven, eight, nine, or 16922
ten years if the court finds that both of the following apply with 16923
respect to the prison terms imposed on the offender pursuant to 16924
division (D)(2)(a) of this section and, if applicable, divisions 16925
(D)(1) and (3) of this section: 16926

(i) The terms so imposed are inadequate to punish the 16927
offender and protect the public from future crime, because the 16928
applicable factors under section 2929.12 of the Revised Code 16929
indicating a greater likelihood of recidivism outweigh the 16930
applicable factors under that section indicating a lesser 16931
likelihood of recidivism. 16932

(ii) The terms so imposed are demeaning to the seriousness of 16933
the offense, because one or more of the factors under section 16934
2929.12 of the Revised Code indicating that the offender's conduct 16935
is more serious than conduct normally constituting the offense are 16936
present, and they outweigh the applicable factors under that 16937
section indicating that the offender's conduct is less serious 16938
than conduct normally constituting the offense. 16939

(3)(a) Except when an offender commits a violation of section 16940
2903.01 or 2907.02 of the Revised Code and the penalty imposed for 16941
the violation is life imprisonment or commits a violation of 16942
section 2903.02 of the Revised Code, if the offender commits a 16943

violation of section 2925.03 or 2925.11 of the Revised Code and 16944
that section classifies the offender as a major drug offender and 16945
requires the imposition of a ten-year prison term on the offender, 16946
if the offender commits a felony violation of section 2925.02, 16947
2925.04, 2925.05, 2925.36, 3719.07, 3719.08, 3719.16, 3719.161, 16948

offender finds that the offender is guilty of a specification of 16954
the type described in section 2941.1410 of the Revised Code 16955

offender is guilty of corrupt activity with the most serious 16958
offense in the pattern of corrupt activity being a felony of the 16959

Code that was attempted, the offender would have been subject to a 16963
sentence of life imprisonment or life imprisonment without parole 16964
for the violation of section 2907.02 of the Revised Code, the 16965
court shall impose upon the offender for the felony violation a 16966

division (D)(3)(a) of this section may impose an additional prison 16971
term of one, two, three, four, five, six, seven, eight, nine, or 16972
ten years, if the court, with respect to the term imposed under 16973
division (D)(3)(a) of this section and, if applicable, divisions 16974

of the authorized prison terms specified in division (A)(3) of 16996
this section for a third degree felony OVI offense. If the court 16997
imposes an additional prison term under division (D)(4) of this 16998

section of the Revised Code, and consecutively to any other prison 17078
term or mandatory prison term previously or subsequently imposed 17079
upon the offender. 17080

(2) If an offender who is an inmate in a jail, prison, or 17081
other residential detention facility violates section 2917.02, 17082

who is under detention at a detention facility commits a felony 17084
violation of section 2923.131 of the Revised Code, or if an 17085
offender who is an inmate in a jail, prison, or other residential 17086

(4) If multiple prison terms are imposed on an offender for convictions of multiple offenses, the court may require the offender to serve the prison terms consecutively if the court finds that the consecutive service is necessary to protect the public from future crime or to punish the offender and that consecutive sentences are not disproportionate to the seriousness of the offender's conduct and to the danger the offender poses to the public, and if the court also finds any of the following:

(a) The offender committed one or more of the multiple offenses while the offender was awaiting trial or sentencing, was under a sanction imposed pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, or was under post-release control for a prior offense.

(b) At least two of the multiple offenses were committed as part of one or more courses of conduct, and the harm caused by two or more of the multiple offenses so committed was so great or unusual that no single prison term for any of the offenses committed as part of any of the courses of conduct adequately reflects the seriousness of the offender's conduct.

(c) The offender's history of criminal conduct demonstrates that consecutive sentences are necessary to protect the public from future crime by the offender.

(5) If a mandatory prison term is imposed upon an offender pursuant to division (D)(5) or (6) of this section, the offender shall serve the mandatory prison term consecutively to and prior to any prison term imposed for the underlying violation of division (A)(1) or (2) of section 2903.06 of the Revised Code pursuant to division (A) of this section. If a mandatory prison term is imposed upon an offender pursuant to division (D)(5) of this section, and if a mandatory prison term also is imposed upon the offender pursuant to division (D)(6) of this section in

relation to the same violation, the offender shall serve the 17134
mandatory prison term imposed pursuant to division (D)(5) of this 17135
section consecutively to and prior to the mandatory prison term 17136
imposed pursuant to division (D)(6) of this section and 17137

underlying violation of division (A)(1) or (2) of section 2903.06 17139
of the Revised Code pursuant to division (A) of this section. 17140

(6) When consecutive prison terms are imposed pursuant to 17141
division (E)(1), (2), (3), (4), or (5) of this section, the term 17142
to be served is the aggregate of all of the terms so imposed. 17143

(F) If a court imposes a prison term of a type described in 17144
division (B) of section 2967.28 of the Revised Code, it shall 17145
include in the sentence a requirement that the offender be subject 17146
to a period of post-release control after the offender's release 17147
from imprisonment, in accordance with that division. If a court 17148
imposes a prison term of a type described in division (C) of that 17149
section, it shall include in the sentence a requirement that the 17150
offender be subject to a period of post-release control after the 17151
offender's release from imprisonment, in accordance with that 17152
division, if the parole board determines that a period of 17153
post-release control is necessary. 17154

(G) If a person is convicted of or pleads guilty to a violent 17155
sex offense or a designated homicide, assault, or kidnapping 17156
offense and, in relation to that offense, the offender is 17157
adjudicated a sexually violent predator, the court shall impose 17158
sentence upon the offender in accordance with section 2971.03 of 17159
the Revised Code, and Chapter 2971. of the Revised Code applies 17160
regarding the prison term or term of life imprisonment without 17161
parole imposed upon the offender and the service of that term of 17162
imprisonment. 17163

(H) If a person who has been convicted of or pleaded guilty 17164

to a felony is sentenced to a prison term or term of imprisonment 17165
under this section, sections 2929.02 to 2929.06 of the Revised 17166
Code, section 2971.03 of the Revised Code, or any other provision 17167
of law, section 5120.163 of the Revised Code applies regarding the 17168
person while the person is confined in a state correctional 17169
institution. 17170

(I) If an offender who is convicted of or pleads guilty to a 17171
felony that is an offense of violence also is convicted of or 17172
pleads guilty to a specification of the type described in section 17173
2941.142 of the Revised Code that charges the offender with having 17174
committed the felony while participating in a criminal gang, the 17175
court shall impose upon the offender an additional prison term of 17176
one, two, or three years. 17177

(J) If an offender who is convicted of or pleads guilty to 17178
aggravated murder, murder, or a felony of the first, second, or 17179
third degree that is an offense of violence also is convicted of 17180
or pleads guilty to a specification of the type described in 17181
section 2941.143 of the Revised Code that charges the offender 17182
with having committed the offense in a school safety zone or 17183
towards a person in a school safety zone, the court shall impose 17184
upon the offender an additional prison term of two years. The 17185
offender shall serve the additional two years consecutively to and 17186
prior to the prison term imposed for the underlying offense. 17187

(K) At the time of sentencing, the court may recommend the 17188
offender for placement in a program of shock incarceration under 17189
section 5120.031 of the Revised Code or for placement in an 17190
intensive program prison under section 5120.032 of the Revised 17191
Code, disapprove placement of the offender in a program of shock 17192
incarceration or an intensive program prison of that nature, or 17193
make no recommendation on placement of the offender. In no case 17194
shall the department of rehabilitation and correction place the 17195
offender in a program or prison of that nature unless the 17196

department determines as specified in section 5120.031 or 5120.032 17197
of the Revised Code, whichever is applicable, that the offender is 17198
eligible for the placement. 17199

If the court disapproves placement of the offender in a 17200
program or prison of that nature, the department of rehabilitation 17201
and correction shall not place the offender in any program of 17202
shock incarceration or intensive program prison. 17203

If the court recommends placement of the offender in a 17204

and if the offender is subsequently placed in the recommended 17206
program or prison, the department shall notify the court of the 17207
placement and shall include with the notice a brief description of 17208
the placement. 17209

If the court recommends placement of the offender in a 17210
program of shock incarceration or in an intensive program prison 17211
and the department does not subsequently place the offender in the 17212
recommended program or prison, the department shall send a notice 17213
to the court indicating why the offender was not placed in the 17214
recommended program or prison. 17215

If the court does not make a recommendation under this 17216
division with respect to an offender and if the department 17217
determines as specified in section 5120.031 or 5120.032 of the 17218
Revised Code, whichever is applicable, that the offender is 17219
eligible for placement in a program or prison of that nature, the 17220
department shall screen the offender and determine if there is an 17221
available program of shock incarceration or an intensive program 17222
prison for which the offender is suited. If there is an available 17223
program of shock incarceration or an intensive program prison for 17224

any other materials or information the commission requests that is 17353
relevant to the request for the medical hardship release from 17354
imprisonment. 17355

Upon receipt of a request from the director of rehabilitation 17356
and correction pursuant to this division, the commission promptly 17357
shall review the request and all other materials and information 17358
provided by the department and promptly shall determine whether it 17359

hardship release and whether the director's request should be 17361
approved or denied. Upon making its determinations, the commission 17362
promptly shall notify the director of rehabilitation and 17363
correction in writing of the determinations. If the commission 17364

a medical hardship release to a prisoner pursuant to this section, 17378
the department shall release the prisoner from imprisonment as if 17379
the prisoner's stated prison term had expired, and the prisoner is 17380
subject to a period of post-release control of up to three years 17381
after the prisoner's release from imprisonment. Before the 17382
department releases the prisoner from imprisonment, the department 17383

shall impose upon the prisoner one or more post-release control 17384
sanctions to apply during the prisoner's period of post-release 17385
control. The department shall impose the sanction or sanctions in 17386

Code, and divisions (D)(2) and (F) of that section apply to the 17388
prisoner after the prisoner's release from imprisonment and during 17389
the period of post-release control. When the prisoner has 17390
faithfully performed the conditions and obligations of the 17391
inmate's post-release control sanctions and has obeyed the rules 17392
and regulations adopted by the adult parole authority that apply 17393
to the released prisoner or has the period of post-release control 17394
terminated by a court pursuant to section 2929.141 of the Revised 17395

term of life imprisonment without parole and prisoners serving a 17407
mandatory prison term. This section does not apply to any prisoner 17408
who is confined in a state correctional institution under a 17409
sentence of death, and no medical hardship release from 17410
imprisonment shall be granted under this section to any prisoner 17411
who is so confined. 17412

(F) The procedures for medical hardship release of prisoners 17413

the Revised Code, and adoption under this chapter. The agency or 17438

and social studies. 17760

(A)(1) The state board shall prescribe all of the following: 17761

five ranges of scores on each of the achievement tests described 17781
in divisions (A)(1) and (B) of this section. Each range of scores 17782

The state board may enter into a reciprocal agreement with 17802
the appropriate body or agency of any other state that has similar 17803
statewide achievement testing requirements for receiving high 17804
school diplomas, under which any student who has met an 17805
achievement testing requirement of one state is recognized as 17806

student from taking that test and instead specifies an alternate 17977

school district or building under section 3302.03 of the Revised 17989
Code. 17990

this section if a plan developed for the student pursuant to rules 17997
adopted by the state board excuses the student from taking that 17998
test. In the case of any student so excused from taking a test, 17999
the chartered nonpublic school shall not prohibit the student from 18000
taking the test. 18001

(2) A district board may, for medical reasons or other good 18002
cause, excuse a student from taking a test administered under this 18003

administered under this section, except that any limited English 18014
proficient student who has been enrolled in United States schools 18015
for less than one full school year shall not be required to take 18016

test under this division from taking the test. A board may permit 18019
any limited English proficient student to take any test required 18020
to be administered under this section with appropriate 18021
accommodations, as determined by the department. For each limited 18022
English proficient student, each school district shall annually 18023
assess that student's progress in learning English, in accordance 18024
with procedures approved by the department. 18025

The governing authority of a chartered nonpublic school may 18026
excuse a limited English proficient student from taking any test 18027

the test. 18042

(2) Following any administration of the tests prescribed by 18043
division (F) of section 3301.0710 of the Revised Code to ninth 18044
grade students, each school district that has a three-year average 18045
graduation rate of not more than seventy-five per cent shall 18046
determine for each high school in the district whether the school 18047
shall be required to provide intervention services to any students 18048
who took the tests. In determining which high schools shall 18049
provide intervention services based on the resources available, 18050
the district shall consider each school's graduation rate and 18051
scores on the practice tests. The district also shall consider the 18052
scores received by ninth grade students on the reading and 18053
mathematics tests prescribed under division (A)(1)(f) of section 18054
3301.0710 of the Revised Code in the eighth grade in determining 18055
which high schools shall provide intervention services. 18056

Intervention services shall be provided in any skill in which a student demonstrates unsatisfactory progress and shall be commensurate with the student's test performance. Schools shall provide the intervention services prior to the end of the school year, during the summer following the ninth grade, in the next succeeding school year, or at any combination of those times.

(E) Except as provided in section 3313.608 of the Revised Code and division (M) of this section, no school district board of education shall utilize any student's failure to attain a specified score on any test administered under this section as a factor in any decision to deny the student promotion to a higher grade level. However, a district board may choose not to promote to the next grade level any student who does not take any test administered under this section or make up such test as provided by division (C)(2) of this section and who is not exempt from the requirement to take the test under division (C)(3) of this section.

(F) No person shall be charged a fee for taking any test administered under this section.

this section shall be submitted not later than the Friday 18090
following the day the student takes the test. 18091

(2) The department or an entity with which the department 18092
contracts for the scoring of the test shall send to each school 18093

city, local, or exempted village school district a list of the 18101
individual test scores of any students of such city, local, or 18102
exempted village school district who are attending school in the 18103
joint vocational school district. 18104

(H) Individual test scores on any tests administered under 18105
this section shall be released by a district board only in 18106
accordance with section 3319.321 of the Revised Code and the rules 18107
adopted under division (A) of this section. No district board or 18108
its employees shall utilize individual or aggregate test results 18109
in any manner that conflicts with rules for the ethical use of 18110
tests adopted pursuant to division (A) of this section. 18111

(I) Except as provided in division (G) of this section, the 18112
department or an entity with which the department contracts for 18113
the scoring of the test shall not release any individual test 18114

on tests to ensure that different versions of the same test are of 18197
comparable difficulty. 18198

Field test questions and anchor questions shall not be 18199
considered in computing test scores for individual students. Field 18200

future test and those questions shall not be public records and 18217
shall be redacted from the test prior to its release as a public 18218

financially unable to operate its instructional program on all 19691
days set forth in its adopted school calendars and pay all 19692
obligated expenses during the current fiscal year. If a board of 19693

beginning on the first day of July of the current fiscal year at 19695
the time an examination is required under this division, the 19696

(B) If the superintendent of public instruction determines 19702
pursuant to division (A) of this section that a school district 19703
may be financially unable to operate its instructional program on 19704

during the current fiscal year, the superintendent shall provide 19706
written notification of such determination to the president of the 19707
district's board of education and the auditor of state. 19708

(C) This section does not apply to a school district declared 19709
to be under a fiscal emergency pursuant to division (B) of section 19710

program any school districts that are or have ever been under 19719
federal court order requiring supervision and operational 19720
management of the district by the state superintendent. The 19721
program shall provide for a number of students residing in any 19722
such district to receive scholarships to attend alternative 19723

a scholarship to attend school in grades kindergarten through 19731

fifty per cent of all scholarships awarded be used by students who 19736
were enrolled in a nonpublic school during the school year of 19737
application for a scholarship. 19738

(C)(1) The pilot project program shall continue in effect 19739
each year that the general assembly has appropriated sufficient 19740
money to fund scholarships and tutorial assistance grants. In each 19741
year the program continues, no new students may receive 19742
scholarships unless they are enrolled in ~~grade~~ grades 19743
kindergarten, ~~one, two, or three~~ to eight. However, any student 19744

Revised Code for students who remain enrolled in an alternative 19760
school under this provision in any year that funds have been 19761
appropriated for this purpose. 19762

If funds are not appropriated, the tuition charged to the 19763
parents of a student who remains enrolled in an alternative school 19764
under this provision shall not be increased beyond the amount 19765
equal to the amount of the scholarship plus any additional amount 19766
charged that student's parent in the most recent year of 19767
attendance as a participant in the pilot project, except that 19768
tuition for all the students enrolled in such school may be 19769
increased by the same percentage. 19770

(D) Notwithstanding sections 124.39, 3307.54, and 3319.17 of 19771

scholarship program pursuant to sections 3313.974 to 3313.979 of 19774
the Revised Code, the district board of education may enter into 19775
an agreement with any teacher it employs to provide to that 19776
teacher severance pay or early retirement incentives, or both, if 19777
the teacher agrees to terminate the employment contract with the 19778
district board, provided any collective bargaining agreement in 19779
force pursuant to Chapter 4117. of the Revised Code does not 19780

prohibit such an agreement for termination of a teacher's 19781
employment contract. 19782

payments from parents pursuant to section 3313.979 of the Revised 19784

of the Revised Code shall enter into a preliminary agreement under 20307
division (C)(2) of section 3314.02 of the Revised Code until it 20308
has received approval from the department of education to sponsor 20309
community schools under this chapter and has entered into a 20310
written agreement with the department regarding the manner in 20311

sponsor community schools may enter into ~~any number of~~ preliminary 20333
agreements and sponsor ~~any number of~~ not more than thirty-five 20334
schools, provided each school and the contract for sponsorship 20335
meets the requirements of this chapter, except that the department 20336
on a case-by-case basis may permit an entity to sponsor up to 20337
fifty schools. However, any school the mission of which, as 20338
specified under division (A)(2) of section 3314.03 of the Revised 20339
Code, is solely to serve dropouts shall not be counted toward the 20340
limit imposed by this paragraph. This paragraph does not apply to 20341
entities described in division (C)(1)(e) of section 3314.02 of the 20342
Revised Code. 20343

Upon approval of an entity to be a sponsor under this 20344
division, the department shall notify the entity of the number of 20345
schools the entity may sponsor. If at any time a sponsor exceeds 20346
the number of schools it may sponsor under this division, the 20347

contracts with the sponsor under section 3314.03 of the Revised 20352
Code. 20353

(2) The department of education shall determine, pursuant to 20354
criteria adopted by rule of the department, whether the mission 20355
proposed to be specified in the contract of a community school to 20356
be sponsored by a state university board of trustees or the 20357
board's designee under division (C)(1)(e) of section 3314.02 of 20358
the Revised Code complies with the requirements of that division. 20359
Such determination of the department is final. 20360

(3) The department of education shall determine, pursuant to 20361
criteria adopted by rule of the department, if any tax-exempt 20362
entity under section 501(c)(3) of the Internal Revenue Code that 20363

is proposed to be a sponsor of a community school is an 20364
education-oriented entity for purpose of satisfying the condition 20365
prescribed in division (C)(1)~~(e)(iv)~~(f)(iii) of section 3314.02 of 20366

(C) If at any time the state board of education finds that a 20368
sponsor is not in compliance or is no longer willing to comply 20369
with its contract with any community school or with the 20370
department's rules for sponsorship, the state board or designee 20371
shall conduct a hearing in accordance with Chapter 119. of the 20372
Revised Code on that matter. If after the hearing, the state board 20373
or designee has confirmed the original finding, the department of 20374

schools and may assume the sponsorship of any schools with which 20376
the sponsor has contracted until the earlier of the expiration of 20377
two school years or until a new sponsor as described in division 20378
(C)(1) of section 3314.02 of the Revised Code is secured by the 20379
school's governing authority. The department may extend the term 20380
of the contract in the case of a school for which it has assumed 20381
sponsorship under this division as necessary to accommodate the 20382
term of the department's authorization to sponsor the school 20383
specified in this division. 20384

(D) The decision of the department to disapprove an entity 20385
for sponsorship of a community school or to revoke approval for 20386
such sponsorship, as provided in division (C) of this section, may 20387
be appealed by the entity in accordance with section 119.12 of the 20388
Revised Code. 20389

(E) In carrying out its duties under this chapter, the 20390
department shall not impose requirements on community schools or 20391

rules. 20393

school's population, the total number of autistic students that 20932

nonhandicapped students that may be enrolled in the school. A 20934
school established in accordance with this section is subject to 20935
division (H) of section 3314.06 of the Revised Code, except that 20936
because the governing authority establishes a separate capacity 20937
for autistic students and nonhandicapped students, if the number 20938
of applicants among the group of autistic students or the group of 20939
nonhandicapped students exceeds the capacity restrictions for that 20940
group, students shall be admitted by lot from all those of that 20941
same group submitting applications. However, unless the total 20942

the formula amount for the preceding fiscal year, as defined in 21728
section 3317.02 of the Revised Code, or another percentage if 21729
established by the auditor of state under division (B) of this 21730
section, multiplied by the district's student population for the 21731
preceding fiscal year, except that money received from a permanent 21732
improvement levy authorized by section 5705.21 of the Revised Code 21733

this section. Money in the fund shall be used solely for 21735
acquisition, replacement, enhancement, maintenance, or repair of 21736
permanent improvements, as that term is defined in section 5705.01 21737

cent, of the formula amount multiplied by the district's student 21745
population that must be deposited into the fund. 21746

(C) Within its capital and maintenance fund, a school 21747
district board of education may establish a separate account 21748
solely for the purpose of depositing funds transferred from the 21749
district's reserve balance account established under former 21750
division (H) of section 5705.29 of the Revised Code. After ~~the~~ 21751
~~effective date of this amendment~~ April 10, 2001, a board may 21752
deposit all or part of the funds formerly included in such reserve 21753
balance account in the separate account established under this 21754
section. Funds deposited in this separate account and interest on 21755
such funds shall be utilized solely for the purpose of providing 21756
the district's portion of the basic project costs of any project 21757
undertaken in accordance with Chapter 3318. of the Revised Code. 21758

(D) Notwithstanding division (A) of this section, in any year 21759
a district is in fiscal emergency status as declared pursuant to 21760
section 3316.03 of the Revised Code, the district may deposit an 21761
amount less than required by division (A) of this section, or make 21762
no deposit, into the district capital and maintenance fund for 21763
that year. 21764

(E) Notwithstanding any provision to the contrary in Chapter 21765
4117. of the Revised Code, the requirements of this section 21766
prevail over any conflicting provisions of agreements between 21767
employee organizations and public employers entered into after 21768
November 21, 1997. 21769

Sec. 3315.37. The board of education of a school district may 21770

state board pursuant to section 3319.23 of the Revised Code, and 21776
who indicate an intent to teach in the school district providing 21777
the loan. The district board may forgive the obligation to repay 21778
any or all of the principal and interest on the loan if the 21779
borrower teaches in that school district. 21780

The district board shall adopt rules establishing eligibility 21781
criteria, application procedures, procedures for review of 21782
applications, loan amounts, interest, repayment schedules, 21783

under the program will be forgiven, and any other matter 21785
incidental to the operation of the program. 21786

The board may contract with a private, nonprofit foundation, 21787
one or more institutions of higher education, or other educational 21788
agencies to administer the program. 21789

The receipt of a loan under this section does not affect a 21790
student's eligibility for assistance, or the amount of such 21791
assistance, granted under section 3315.33, 3333.12, 3333.122, 21792
3333.22, 3333.26, 3333.27, 5910.04, or 5919.34 of the Revised 21793
Code, but the board's rules may provide for taking such assistance 21794
into consideration when determining a student's eligibility for a 21795
loan under this section. 21796

public instruction of an initial financial plan under section 21798
3316.04 of the Revised Code or a financial recovery plan under 21799

school district for which the plan was approved shall revise the 21801
district's five-year projection of revenues and expenditures in 21802
accordance with rules adopted under section 5705.391 of the 21803
Revised Code so that the five-year projection is consistent with 21804
the financial plan or financial recovery plan. In the case of a 21805
school district declared to be in a state of fiscal emergency, the 21806
five-year projection shall be revised by the financial planning 21807
and supervision commission for that district. 21808

first meeting of a school district financial planning and 21810
supervision commission, the commission shall adopt a financial 21811
recovery plan regarding the school district for which the 21812
commission was created. During the formulation of the plan, the 21813
commission shall seek appropriate input from the school district 21814
board and from the community. This plan shall contain the 21815
following: 21816

pursuant to section 3315.18 of the Revised Code shall be forgiven; 21827

were used for purposes not within the purposes of such funds, or 21829

borrowed from such funds by the purchase of debt obligations of 21830
the school district with the moneys of such funds, or missing from 21831
the special funds and not accounted for, if any; 21832

(e) Balance the budget, avoid future deficits in any funds, 21833

applicable to school districts generally. 21839

(2) The management structure that will enable the school 21840
district to take the actions enumerated in division (A)(1) of this 21841
section. The plan shall specify the level of fiscal and management 21842
control that the commission will exercise within the school 21843
district during the period of fiscal emergency, and shall 21844
enumerate respectively, the powers and duties of the commission 21845
and the powers and duties of the school board during that period. 21846
The commission may elect to assume any of the powers and duties of 21847
the school board it considers necessary, including all powers 21848
related to personnel, curriculum, and legal issues in order to 21849
successfully implement the actions described in division (A)(1) of 21850
this section. 21851

(3) The target dates for the commencement, progress upon, and 21852
completion of the actions enumerated in division (A)(1) of this 21853
section and a reasonable period of time expected to be required to 21854

for the plan, and the plan shall be consistent with that time 21857
schedule. 21858

(4) The amount and purpose of any issue of debt obligations 21859
that will be issued, together with assurances that any such debt 21860

improve educational opportunities of pupils in the school 21868
district, the plan may include a proposal to restructure or 21869
refinance outstanding debt obligations incurred by the board under 21870
section 3313.483 of the Revised Code contingent upon the approval, 21871
during the period of the fiscal emergency, by district voters of a 21872
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 21873
5748.02, or 5748.08 of the Revised Code, that is not a renewal or 21874
replacement levy and that will provide new operating revenue. 21875
Notwithstanding any provision of Chapter 133. or sections 3313.483 21876
to 3313.4811 of the Revised Code, following the required approval 21877
of the district voters and with the approval of the commission, 21878
the school district may issue securities to evidence the 21879
restructuring or refinancing. Those securities may extend the 21880
original period for repayment, not to exceed ten years, and may 21881

debt originally was contracted, at the discretion of the 21884
commission, provided that any loans received pursuant to section 21885
3313.483 of the Revised Code shall be paid from funds the district 21886
would otherwise receive under sections 3317.022 to 3317.025 of the 21887
Revised Code, as required under division (E)(3) of section 21888
3313.483 of the Revised Code. The securities issued for the 21889
purpose of restructuring or refinancing the debt shall be repaid 21890
in equal payments and at equal intervals over the term of the debt 21891
and are not eligible to be included in any subsequent proposal for 21892
the purpose of restructuring or refinancing debt under this 21893

section. 21894

(B) Any financial recovery plan may be amended subsequent to 21895
its adoption. Each financial recovery plan shall be updated 21896
annually. 21897

(C) Each school district financial planning and supervision 21898
commission shall submit the financial recovery plan it adopts or 21899
updates under this section to the state superintendent of public 21900
instruction for approval immediately following its adoption or 21901
updating. The state superintendent shall evaluate the plan and 21902
either approve or disapprove it within thirty calendar days from 21903
the date of its submission. If the plan is disapproved, the state 21904
superintendent shall recommend modifications that will render it 21905
acceptable. No financial planning and supervision commission shall 21906
implement a financial recovery plan that is adopted or updated on 21907
or after ~~the effective date of this amendment~~ April 10, 2001, 21908
unless the state superintendent has approved it. 21909

compliance with sections 3315.17 and 3315.18 of the Revised Code 21930
beginning in the year the commission is proposed for termination. 21931

(B) The determination that all conditions listed in division 21932

the commission, the auditor of state, the governor, the director 21936
of budget and management, and the budget commission, whereupon 21937

chapter in the conduct of their functions. All of the books and 21948

management shall follow the procedures set forth in section 126.29 21953
of the Revised Code. 21954

(E) If, at the time of termination of the commission, an 21955
effective financial accounting and reporting system has not been 21956
fully implemented, the auditor of state shall monitor the progress 21957
of implementation and shall exercise authority under this section 21958
and Chapter 117. of the Revised Code to secure full implementation 21959
at the earliest time feasible but within two years after such 21960
termination. 21961

Sec. 3317.01. As used in this section and section 3317.011 of 21962
the Revised Code, "school district," unless otherwise specified, 21963
means any city, local, exempted village, joint vocational, or 21964
cooperative education school district and any educational service 21965
center. 21966

This chapter shall be administered by the state board of 21967
education. The superintendent of public instruction shall 21968
calculate the amounts payable to each school district and shall 21969
certify the amounts payable to each eligible district to the 21970
treasurer of the district as provided by this chapter. No moneys 21971
shall be distributed pursuant to this chapter without the approval 21972
of the controlling board. 21973

The state board of education shall, in accordance with 21974
appropriations made by the general assembly, meet the financial 21975
obligations of this chapter. 21976

Annually, the department of education shall calculate and 21977
report to each school district the district's total state and 21978
local funds for providing an adequate basic education to the 21979
district's nonhandicapped students, utilizing the determination in 21980
section 3317.012 of the Revised Code. In addition, the department 21981
shall calculate and report separately for each school district the 21982
district's total state and local funds for providing an adequate 21983
education for its handicapped students, utilizing the 21984
determinations in both sections 3317.012 and 3317.013 of the 21985

Revised Code. 21986

Not later than the thirty-first day of August of each fiscal 21987
year, the department of education shall provide to each school 21988
district and county MR/DD board a preliminary estimate of the 21989
amount of funding that the department calculates the district will 21990
receive under each of divisions (C)(1) and (4) of section 3317.022 21991
of the Revised Code. No later than the first day of December of 21992
each fiscal year, the department shall update that preliminary 21993
estimate. 21994

Moneys distributed pursuant to this chapter shall be 21995
calculated and paid on a fiscal year basis, beginning with the 21996
first day of July and extending through the thirtieth day of June. 21997
The moneys appropriated for each fiscal year shall be distributed 21998
at least monthly to each school district unless otherwise provided 21999
for. The state board shall submit a yearly distribution plan to 22000
the controlling board at its first meeting in July. The state 22001
board shall submit any proposed midyear revision of the plan to 22002
the controlling board in January. Any year-end revision of the 22003
plan shall be submitted to the controlling board in June. If 22004
moneys appropriated for each fiscal year are distributed other 22005
than monthly, such distribution shall be on the same basis for 22006
each school district. 22007

The total amounts paid each month shall constitute, as nearly 22008
as possible, one-twelfth of the total amount payable for the 22009
entire year. ~~Payments~~ 22010

Until fiscal year 2007, payments made during the first six 22011
months of the fiscal year may be based on an estimate of the 22012
amounts payable for the entire year. Payments made in the last six 22013
months shall be based on the final calculation of the amounts 22014
payable to each school district for that fiscal year. Payments 22015
made in the last six months may be adjusted, if necessary, to 22016

correct the amounts distributed in the first six months, and to 22017
reflect enrollment increases when such are at least three per 22018
cent. ~~Except~~ 22019

Beginning in fiscal year 2007, payments shall be calculated 22020
to reflect the biannual reporting of formula ADM. Payments for 22021
July through December shall be based on the formula ADM, special 22022
education ADM, and vocational education ADM certified in the 22023
spring of the previous fiscal year, and payments for January 22024
through June shall be based on formula ADM, special education ADM, 22025
and vocational education ADM certified in October of the current 22026
fiscal year. 22027

Except as otherwise provided, payments under this chapter 22028
shall be made only to those school districts in which: 22029

(A) The school district, except for any educational service 22030
center and any joint vocational or cooperative education school 22031
district, levies for current operating expenses at least twenty 22032
mills. Levies for joint vocational or cooperative education school 22033
districts or county school financing districts, limited to or to 22034
the extent apportioned to current expenses, shall be included in 22035
this qualification requirement. School district income tax levies 22036
under Chapter 5748. of the Revised Code, limited to or to the 22037
extent apportioned to current operating expenses, shall be 22038
included in this qualification requirement to the extent 22039
determined by the tax commissioner under division (D) of section 22040
3317.021 of the Revised Code. 22041

(B) The school year next preceding the fiscal year for which 22042
such payments are authorized meets the requirement of section 22043
3313.48 or 3313.481 of the Revised Code, with regard to the 22044
minimum number of days or hours school must be open for 22045
instruction with pupils in attendance, for individualized 22046
parent-teacher conference and reporting periods, and for 22047
professional meetings of teachers. This requirement shall be 22048

waived by the superintendent of public instruction if it had been 22049
necessary for a school to be closed because of disease epidemic, 22050
hazardous weather conditions, inoperability of school buses or 22051
other equipment necessary to the school's operation, damage to a 22052
school building, or other temporary circumstances due to utility 22053
failure rendering the school building unfit for school use, 22054
provided that for those school districts operating pursuant to 22055
section 3313.48 of the Revised Code the number of days the school 22056
was actually open for instruction with pupils in attendance and 22057
for individualized parent-teacher conference and reporting periods 22058
is not less than one hundred seventy-five, or for those school 22059
districts operating on a trimester plan the number of days the 22060
school was actually open for instruction with pupils in attendance 22061
not less than seventy-nine days in any trimester, for those school 22062
districts operating on a quarterly plan the number of days the 22063
school was actually open for instruction with pupils in attendance 22064
not less than fifty-nine days in any quarter, or for those school 22065
districts operating on a pentamester plan the number of days the 22066
school was actually open for instruction with pupils in attendance 22067
not less than forty-four days in any pentamester. 22068

A school district shall not be considered to have failed to 22069
comply with this division or section 3313.481 of the Revised Code 22070
because schools were open for instruction but either twelfth grade 22071
students were excused from attendance for up to three days or only 22072
a portion of the kindergarten students were in attendance for up 22073
to three days in order to allow for the gradual orientation to 22074
school of such students. 22075

The superintendent of public instruction shall waive the 22076
requirements of this section with reference to the minimum number 22077
of days or hours school must be in session with pupils in 22078
attendance for the school year succeeding the school year in which 22079
a board of education initiates a plan of operation pursuant to 22080

section 3313.481 of the Revised Code. The minimum requirements of 22081
this section shall again be applicable to such a district 22082
beginning with the school year commencing the second July 22083
succeeding the initiation of one such plan, and for each school 22084
year thereafter. 22085

A school district shall not be considered to have failed to 22086
comply with this division or section 3313.48 or 3313.481 of the 22087
Revised Code because schools were open for instruction but the 22088
length of the regularly scheduled school day, for any number of 22089
days during the school year, was reduced by not more than two 22090
hours due to hazardous weather conditions. 22091

(C) The school district has on file, and is paying in 22092
accordance with, a teachers' salary schedule which complies with 22093
section 3317.13 of the Revised Code. 22094

A board of education or governing board of an educational 22095
service center which has not conformed with other law and the 22096
rules pursuant thereto, shall not participate in the distribution 22097
of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 22098
3317.16, 3317.17, and 3317.19 of the Revised Code, except for good 22099
and sufficient reason established to the satisfaction of the state 22100
board of education and the state controlling board. 22101

All funds allocated to school districts under this chapter, 22102
except those specifically allocated for other purposes, shall be 22103
used to pay current operating expenses only. 22104

Sec. 3317.012. (A)(1) The general assembly, having analyzed 22105
school district expenditure and cost data for fiscal year 1999, 22106
performed the calculation described in division ~~(B)~~(C) of this 22107
section, adjusted the results for inflation, and added the amounts 22108
described in division (A)(2) of this section, hereby determines 22109
that the base cost of an adequate education per pupil for the 22110

fiscal year beginning July 1, 2001, is \$4,814. The base cost per pupil, reflecting an annual rate of inflation of two and eight-tenths per cent, is \$4,949 for fiscal year 2003. The base cost per pupil, reflecting an annual rate of inflation of two and two-tenths per cent, is \$5,058 for fiscal year 2004 ~~and~~, \$5,169 for fiscal year 2005, \$5,283 in fiscal year 2006, and \$5,399 in fiscal year 2007.

(2) The base cost per pupil amounts specified in division (A)(1) of this section include amounts to reflect the cost to school districts of increasing the minimum number of high school academic units required for graduation beginning September 15, 2001, under section 3313.603 of the Revised Code. Analysis of fiscal year 1999 data revealed that the school districts meeting the requirements of division ~~(B)~~(C) of this section on average required high school students to complete a minimum of nineteen and eight-tenths units to graduate. The general assembly determines that the cost of funding the additional two-tenths unit required by section 3313.603 of the Revised Code is \$12 per pupil in fiscal year 2002. This amount was added after the calculation described in division ~~(B)~~(C) of this section and the adjustment for inflation from fiscal year 1999 to fiscal year 2002. It is this total amount, the calculated base cost plus the supplement to pay for the additional partial unit, that constitutes the base cost amount specified in division (A)(1) of this section for fiscal year 2002 and that is inflated to produce the base cost amounts for fiscal years 2003 through 2005.

(B) In addition, to the per-pupil base cost as determined under division (A) of this section, the general assembly determines that the following base funding supplements shall be paid to school districts in fiscal year 2007:

(1) Base funding for academic intervention services, calculated according to the following formula:

<u>0.005 X the formula amount X formula ADM X multiple</u>	22143
<u>Where "multiple" equals 0.50 in fiscal year 2007.</u>	22144
<u>(2) Base funding for professional development, calculated</u>	22145
<u>according to the following formula:</u>	22146
<u>(formula ADM / 20) X (0.044484 X formula amount) X multiple</u>	22147
<u>Where "multiple" equals 0.50 in fiscal year 2007.</u>	22148
<u>(3) Base funding for data-based decision making, calculated</u>	22149
<u>according to the following formula:</u>	22150
<u>0.001087 X formula amount X formula ADM</u>	22151
<u>(4) Base funding for professional development regarding</u>	22152
<u>data-based decision making, calculated according to the following</u>	22153
<u>formula:</u>	22154
<u>(0.20 X the district's teacher factor X 0.079082 X</u>	22155
<u>formula amount) + (the district's principal factor X</u>	22156
<u>0.079082 X formula amount)</u>	22157
<u>Where:</u>	22158
<u>(a) For each urban school district, as defined in section</u>	22159
<u>3314.02 of the Revised Code, the district's "teacher factor" is</u>	22160
<u>the district's formula ADM divided by twelve;</u>	22161
<u>(b) For every other school district, the district's "teacher</u>	22162
<u>factor" is the district's formula ADM divided by seventeen;</u>	22163
<u>(c) For all school districts, a district's "principal factor"</u>	22164
<u>is the district's teacher factor divided by twenty.</u>	22165
<u>(C) In determining the base cost stated in division (A) of</u>	22166
<u>this section, capital and debt costs, costs paid for by federal</u>	22167
<u>funds, and costs covered by funds provided for disadvantaged pupil</u>	22168
<u>impact aid and transportation were excluded, as were the effects</u>	22169
<u>on the districts' state funds of the application of the</u>	22170
<u>cost-of-doing-business factors, assuming a seven and one-half per</u>	22171
<u>cent variance.</u>	22172

The base cost for fiscal year 1999 was calculated as the
unweighted average cost per student, on a school district basis,
of educating students who were not receiving vocational education
or services pursuant to Chapter 3323. of the Revised Code and who
were enrolled in a city, exempted village, or local school
district that in fiscal year 1999 met all of the following
criteria:

(1) The district met at least twenty of the following
twenty-seven performance indicators:

(a) A ninety per cent or higher graduation rate;

(b) At least seventy-five per cent of fourth graders
proficient on the mathematics test prescribed under former
division (A)(1) of section 3301.0710 of the Revised Code;

(c) At least seventy-five per cent of fourth graders

(p) At least seventy-five per cent of ninth graders	22225
proficient on the science test prescribed under Section 4 of Am.	22226
Sub. S.B. 55 of the 122nd general assembly;	22227
(q) At least eighty-five per cent of tenth graders proficient	22228
on the mathematics test prescribed under Section 4 of Am. Sub.	22229
S.B. 55 of the 122nd general assembly;	22230
(r) At least eighty-five per cent of tenth graders proficient	22231
on the reading test prescribed under Section 4 of Am. Sub. S.B. 55	22232

of the 122nd general assembly;	22233

on the writing test prescribed under Section 4 of Am. Sub. S.B. 55	22235

(v) At least sixty per cent of twelfth graders proficient on	22243
the mathematics test prescribed under former division (A)(3) of	22244
section 3301.0710 of the Revised Code;	22245
(w) At least sixty per cent of twelfth graders proficient on	22246
the reading test prescribed under former division (A)(3) of	22247
section 3301.0710 of the Revised Code;	22248
(x) At least sixty per cent of twelfth graders proficient on	22249
the writing test prescribed under former division (A)(3) of	22250
section 3301.0710 of the Revised Code;	22251
(y) At least sixty per cent of twelfth graders proficient on	22252
the citizenship test prescribed under former division (A)(3) of	22253
section 3301.0710 of the Revised Code;	22254

section 3301.0710 of the Revised Code;	22257
(aa) An attendance rate for the year of at least ninety-three	22258
per cent.	22259
In determining whether a school district met any of the	22260
performance standards specified in divisions (B) (C)(1)(a) to (aa)	22261
of this section, the general assembly used a rounding procedure	22262

previously recommended by the department of education. It is the 22263
same rounding procedure the general assembly used in 1998 to 22264
determine whether a district had met the standards of former 22265
divisions ~~(B)~~(C)(1)(a) to (r) of this section for purposes of 22266
constructing the previous model based on fiscal year 1996 data. 22267

(2) The district was not among the five per cent of all 22268
districts with the highest income, nor among the five per cent of 22269
all districts with the lowest income. 22270

(3) The district was not among the five per cent of all 22271
districts with the highest valuation per pupil, nor among the five 22272
per cent of all districts with the lowest valuation per pupil. 22273

This model for calculating the base cost of an adequate 22274
education is expenditure-based. The general assembly recognizes 22275
that increases in state funding to school districts since fiscal 22276
year 1996, the fiscal year upon which the general assembly based 22277
its model for calculating state funding to school districts for 22278
fiscal years 1999 through 2001, has increased school district base 22279
cost expenditures for fiscal year 1999, the fiscal year upon which 22280
the general assembly based its model for calculating state funding 22281
for fiscal years 2002 through 2005. In the case of school 22282
districts included in the fiscal year 1999 model that also had met 22283
the fiscal year 1996 performance criteria of former division 22284
~~(B)~~(C)(1) of this section, the increased state funding may have 22285
driven the districts' expenditures beyond the expenditures that 22286
were actually needed to maintain their educational programs at the 22287
level necessary to maintain their ability to meet the fiscal year 22288
1999 performance criteria of current division ~~(B)~~(C)(1) of this 22289
section. The general assembly has determined to control for this 22290
effect by stipulating in the later model that the fiscal year 1999 22291
base cost expenditures of the districts that also met the 22292
performance criteria of former division ~~(B)~~(C)(1) of this section 22293
equals their base cost expenditures per pupil for fiscal year 22294

1996, inflated to fiscal year 1999 using an annual rate of 22295
inflation of two and eight-tenths per cent. However, if this 22296
inflated amount exceeded the district's actual fiscal year 1999 22297
base cost expenditures per pupil, the district's actual fiscal 22298
year 1999 base cost expenditures per pupil were used in the 22299
calculation. For districts in the 1999 model that did not also 22300
meet the performance criteria of former division ~~(B)~~(C)(1) of this 22301
section, the actual 1999 base cost per pupil expenditures were 22302
used in the calculation of the average district per pupil costs of 22303
the model districts. 22304

Sec. 3317.013. This section does not apply to handicapped 22305
preschool students. 22306

Analysis of special education cost data has resulted in a 22307
finding that the average special education additional cost per 22308
pupil, including the costs of related services, can be expressed 22309
as a multiple of the base cost per pupil calculated under section 22310
3317.012 of the Revised Code. The multiples for the following 22311
categories of special education programs, as these programs are 22312
defined for purposes of Chapter 3323. of the Revised Code, and 22313
adjusted as provided in this section, are as follows: 22314

(A) A multiple of 0.2892 for students whose primary or only 22315
identified handicap is a speech and language handicap, as this 22316
term is defined pursuant to Chapter 3323. of the Revised Code; 22317

(B) A multiple of 0.3691 for students identified as specific 22318
learning disabled or developmentally handicapped, as these terms 22319
are defined pursuant to Chapter 3323. of the Revised Code, or 22320
other health handicapped-minor; 22321

(C) A multiple of 1.7695 for students identified as hearing 22322
handicapped, vision impaired, or severe behavior handicapped, as 22323
these terms are defined pursuant to Chapter 3323. of the Revised 22324
Code; 22325

(D) A multiple of 2.3646 for students identified as orthopedically handicapped, as this term is defined pursuant to Chapter 3323. of the Revised Code or other health handicapped - major;

(E) A multiple of 3.1129 for students identified as multihandicapped, as this term is defined pursuant to Chapter 3323. of the Revised Code;

(F) A multiple of 4.7342 for students identified as autistic, having traumatic brain injuries, or as both visually and hearing disabled, as these terms are defined pursuant to Chapter 3323. of the Revised Code.

In fiscal year 2004, the multiples specified in divisions (A) to (F) of this section shall be adjusted by multiplying them by 0.88. In fiscal ~~year~~ years 2005, 2006, and 2007, the multiples specified in those divisions shall be adjusted by multiplying them by 0.90.

Not later than the thirtieth day of May ~~30, in~~ 2004, ~~and May 30,~~ 2005, 2006, and 2007, the department shall submit to the office of budget and management a report that specifies for each city, local, exempted village, and joint vocational school district the fiscal year allocation of the state and local shares of special education and related services additional weighted funding and federal special education funds passed through to the district.

Sec. 3317.02. As used in this chapter:

(A) Unless otherwise specified, "school district" means city, local, and exempted village school districts.

(B) "Formula amount" means the base cost for the fiscal year specified in division (A)(1) of section 3317.012 of the Revised Code.

(C) "FTE basis" means a count of students based on full-time 22356
equivalency, in accordance with rules adopted by the department of 22357
education pursuant to section 3317.03 of the Revised Code. In 22358
adopting its rules under this division, the department shall 22359
provide for counting any student in category one, two, three, 22360
four, five, or six special education ADM or in category one or two 22361
vocational education ADM in the same proportion the student is 22362
counted in formula ADM. 22363

(D)~~(1)~~ "Formula ADM" means, for a city, local, or exempted 22364
village school district, the number reported pursuant to division 22365
(A) of section 3317.03 of the Revised Code less any subtraction 22366
required under section 3317.034 of the Revised Code, and for a 22367

adjusted formula ADM) + the sum of the base funding supplements 22777
prescribed in divisions (B)(1) to (4) of section 3317.012 of the 22778
Revised Code. 22779

A district's base cost funding shall be the greater of the 22780
amount computed under division (A)(1)(a) or (b) of this section 22781
minus (0.023 times the sum of recognized valuation and incentive 22782
district tax exempt value). 22783

If the difference obtained is a negative number, the 22784
district's computation shall be zero. 22785

~~(2)~~(3)(a) For each school district for which the tax exempt 22786
value of the district equals or exceeds twenty-five per cent of 22787
the potential value of the district, the department of education 22788
shall calculate the difference between the district's tax exempt 22789
value and twenty-five per cent of the district's potential value. 22790

(b) For each school district to which division (A)~~(2)~~(3)(a) 22791
of this section applies, the department shall adjust the 22792
recognized valuation used in the calculation under division (A)(1) 22793
or (2) of this section by subtracting from it the amount 22794
calculated under division (A)~~(2)~~(3)(a) of this section. 22795

(B) As used in this section: 22796

(1) The "total special education weight" for a district means 22797
the sum of the following amounts: 22798

(a) The district's category one special education ADM 22799
multiplied by the multiple specified in division (A) of section 22800
3317.013 of the Revised Code; 22801

(b) The district's category two special education ADM 22802
multiplied by the multiple specified in division (B) of section 22803
3317.013 of the Revised Code; 22804

(c) The district's category three special education ADM 22805
multiplied by the multiple specified in division (C) of section 22806
3317.013 of the Revised Code; 22807

(d) The district's category four special education ADM 22808
multiplied by the multiple specified in division (D) of section 22809
3317.013 of the Revised Code; 22810

(e) The district's category five special education ADM 22811
multiplied by the multiple specified in division (E) of section 22812
3317.013 of the Revised Code; 22813

(f) The district's category six special education ADM 22814
multiplied by the multiple specified in division (F) of section 22815
3317.013 of the Revised Code. 22816

(2) "State share percentage" means the percentage calculated 22817
for a district as follows: 22818

(a) Calculate the state base cost funding amount for the 22819
district for the fiscal year under division (A) of this section. 22820

If the district would not receive any state base cost funding for 22821
that year under that division, the district's state share 22822
percentage is zero. 22823

(b) If the district would receive state base cost funding 22824
under that division, in fiscal year 2006 divide that amount by an 22825
amount equal to the following: 22826

Cost-of-doing-business factor X 22827

the formula amount X 22828

adjusted formula ADM 22829

(c) If the district would receive base cost funding under 22830
that division, in fiscal year 2007 or thereafter divide that 22831
amount by an amount equal to the greater of the following: 22832

(i) Cost-of-doing-business factor for fiscal year 2006 X 22833
formula amount for fiscal year 2006 X adjusted formula ADM for 22834
fiscal year 2006; 22835

(ii) (Formula amount for the current fiscal year X current 22836
adjusted formula ADM) + the sum of the base funding supplements 22837
prescribed in divisions (B)(1) to (4) of section 3317.012 of the 22838
Revised Code. 22839

The resultant number in division (B)(2)(b) or (c) of this 22840
section is the district's state share percentage. 22841

(3) "Related services" includes: 22842

(a) Child study, special education supervisors and 22843
coordinators, speech and hearing services, adaptive physical 22844
development services, occupational or physical therapy, teacher 22845

in division (B) of section 3317.013 or division (F)(3) of section 22847
3317.02 of the Revised Code, behavioral intervention, interpreter 22848
services, work study, nursing services, and specialized 22849
integrative services as those terms are defined by the department; 22850

(b) Speech and language services provided to any student with a handicap, including any student whose primary or only handicap is a speech and language handicap;	22851 22852 22853
(c) Any related service not specifically covered by other state funds but specified in federal law, including but not limited to, audiology and school psychological services;	22854 22855 22856
(d) Any service included in units funded under former division (0)(1) of section 3317.023 of the Revised Code;	22857 22858
(e) Any other related service needed by handicapped children in accordance with their individualized education plans.	22859 22860
(4) The "total vocational education weight" for a district means the sum of the following amounts:	22861 22862

(b) The district's category two vocational education ADM multiplied by the multiple specified in division (B) of section 3317.014 of the Revised Code.	22866 22867 22868
(C)(1) The department shall compute and distribute state special education and related services additional weighted costs funds to each school district in accordance with the following formula:	22869 22870 22871 22872

X the district's total special education weight	22876
(2) The attributed local share of special education and related services additional weighted costs equals:	22877 22878
(1 - the district's state share percentage) X	22879
the district's total special education weight X	22880

the formula amount 22881

(3)(a) The department shall compute and pay in accordance 22882
with this division additional state aid to school districts for 22883
students in categories two through six special education ADM. If a 22884
district's costs for the fiscal year for a student in its 22885
categories two through six special education ADM exceed the 22886
threshold catastrophic cost for serving the student, the district 22887
may submit to the superintendent of public instruction 22888
documentation, as prescribed by the superintendent, of all its 22889
costs for that student. Upon submission of documentation for a 22890
student of the type and in the manner prescribed, the department 22891
shall pay to the district an amount equal to the sum of the 22892
following: 22893

(i) One-half of the district's costs for the student in 22894
excess of the threshold catastrophic cost; 22895

(ii) The product of one-half of the district's costs for the 22896
student in excess of the threshold catastrophic cost multiplied by 22897
the district's state share percentage. 22898

(b) For purposes of division (C)(3)(a) of this section, the 22899
threshold catastrophic cost for serving a student equals: 22900

2007; 22906

(ii) For a student in the district's category six special 22907
education ADM, thirty thousand dollars in fiscal year 2002 ~~and~~, 22908
thirty thousand eight hundred forty dollars in fiscal years 2003, 22909
2004, and 2005, and thirty-one thousand eight hundred dollars in 22910
fiscal years 2006 and 2007. 22911

(c) The district shall only report under division (C)(3)(a) 22912
of this section, and the department shall only pay for, the costs 22913
of educational expenses and the related services provided to the 22914
student in accordance with the student's individualized education 22915
program. Any legal fees, court costs, or other costs associated 22916
with any cause of action relating to the student may not be 22917
included in the amount. 22918

(4)(a) As used in this division, the "personnel allowance" 22919
means thirty thousand dollars in fiscal years 2002, 2003, 2004, 22920
~~and~~, 2005, 2006, and 2007. 22921

(b) For the provision of speech language pathology services 22922
to students, including students who do not have individualized 22923
education programs prepared for them under Chapter 3323. of the 22924
Revised Code, and for no other purpose, the department of 22925
education shall pay each school district an amount calculated 22926
under the following formula: 22927

(formula ADM divided by 2000) X 22928

the personnel allowance X the state share percentage 22929

(5) In ~~any~~ fiscal year 2006, a school district shall spend 22930
for purposes that the department designates as approved for 22931
special education and related services expenses at least the 22932
amount calculated as follows: 22933

(cost-of-doing-business factor X 22934

formula amount X the sum of categories 22935

one through six special education ADM) + 22936

(total special education weight X formula amount) 22937

In fiscal year 2007 and thereafter, a school district shall 22938
spend for those purposes at least the greater of the amount 22939
calculated under division (C)(5)(a) or (b) of this section + 22940
(total special education weight X formula amount). 22941

In making the calculation required under division (C)(5) of 22942

<u>this section, the department shall calculate for each school</u>	22943
<u>district both of the following:</u>	22944
<u>(a) Cost-of-doing-business factor for fiscal year 2006 X</u>	22945
<u>formula amount for fiscal year 2006 X the sum of categories one</u>	22946
<u>through six special education ADM for fiscal year 2006;</u>	22947
<u>(b) Formula amount for the current fiscal year X the sum of</u>	22948
<u>categories one through six special education ADM for the current</u>	22949
<u>fiscal year.</u>	22950
The purposes approved by the department for special education	22951
expenses shall include, but shall not be limited to,	22952
identification of handicapped children, compliance with state	22953
rules governing the education of handicapped children and	22954
prescribing the continuum of program options for handicapped	22955
children, provision of speech language pathology services, and the	22956
portion of the school district's overall administrative and	22957
overhead costs that are attributable to the district's special	22958
education student population.	22959
The department shall require school districts to report data	22960
annually to allow for monitoring compliance with division (C)(5)	22961
of this section. The department shall annually report to the	22962
governor and the general assembly the amount of money spent by	22963
each school district for special education and related services.	22964
(6) In any fiscal year, a school district shall spend for the	22965
provision of speech language pathology services not less than the	22966
sum of the amount calculated under division (C)(1) of this section	22967
for the students in the district's category one special education	22968
ADM and the amount calculated under division (C)(4) of this	22969
section.	22970
(D)(1) As used in this division:	22971
(a) "Daily bus miles per student" equals the number of bus	22972

miles traveled per day, divided by transportation base. 22973

(b) "Transportation base" equals total student count as 22974
defined in section 3301.011 of the Revised Code, minus the number 22975
of students enrolled in preschool handicapped units, plus the 22976
number of nonpublic school students included in transportation 22977
ADM. 22978

(c) "Transported student percentage" equals transportation 22979
ADM divided by transportation base. 22980

(d) "Transportation cost per student" equals total operating 22981
costs for board-owned or contractor-operated school buses divided 22982
by transportation base. 22983

(2) Analysis of student transportation cost data has resulted 22984
in a finding that an average efficient transportation use cost per 22985
student can be calculated by means of a regression formula that 22986
has as its two independent variables the number of daily bus miles 22987
per student and the transported student percentage. For fiscal 22988
year 1998 transportation cost data, the average efficient 22989
transportation use cost per student is expressed as follows: 22990

51.79027 + (139.62626 X daily bus miles per student) + 22991
(116.25573 X transported student percentage) 22992

The department of education shall annually determine the 22993
average efficient transportation use cost per student in 22994
accordance with the principles stated in division (D)(2) of this 22995
section, updating the intercept and regression coefficients of the 22996
regression formula modeled in this division, based on an annual 22997
statewide analysis of each school district's daily bus miles per 22998
student, transported student percentage, and transportation cost 22999
per student data. The department shall conduct the annual update 23000
using data, including daily bus miles per student, transported 23001
student percentage, and transportation cost per student data, from 23002
the prior fiscal year. The department shall notify the office of 23003

budget and management of such update by the fifteenth day of 23004
February of each year. 23005

(3) In addition to funds paid under divisions (A), (C), and 23006
(E) of this section, each district with a transported student 23007
percentage greater than zero shall receive a payment equal to a 23008
percentage of the product of the district's transportation base 23009
from the prior fiscal year times the annually updated average 23010
efficient transportation use cost per student, times an inflation 23011
factor of two and eight tenths per cent to account for the 23012
one-year difference between the data used in updating the formula 23013
and calculating the payment and the year in which the payment is 23014
made. The percentage shall be the following percentage of that 23015
product specified for the corresponding fiscal year: 23016

FISCAL YEAR	PERCENTAGE	
2000	52.5%	23017
2001	55%	23018
2002	57.5%	23019
2003 and thereafter	The greater of 60% or the district's state share percentage	23020 23021

The payments made under division (D)(3) of this section each 23022
year shall be calculated based on all of the same prior year's 23023
data used to update the formula. 23024

(4) In addition to funds paid under divisions (D)(2) and (3) 23025
of this section, a school district shall receive a rough road 23026
subsidy if both of the following apply: 23027

(a) Its county rough road percentage is higher than the 23028
statewide rough road percentage, as those terms are defined in 23029
division (D)(5) of this section; 23030

(b) Its district student density is lower than the statewide 23031
student density, as those terms are defined in that division. 23032

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula:

$$\frac{(\text{per rough mile subsidy} \times \text{total rough road miles}) \times \text{density multiplier}}{\text{density multiplier}}$$

where:

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula:

$$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$$

(i) "Maximum rough road percentage" means the highest county rough road percentage in the state.

(ii) "County rough road percentage" equals the percentage of the mileage of state, municipal, county, and township roads that is rated by the department of transportation as type A, B, C, E2, or F in the county in which the school district is located or, if the district is located in more than one county, the county to which it is assigned for purposes of determining its cost-of-doing-business factor.

(iii) "Statewide rough road percentage" means the percentage of the statewide total mileage of state, municipal, county, and township roads that is rated as type A, B, C, E2, or F by the department of transportation.

(b) "Total rough road miles" means a school district's total bus miles traveled in one year times its county rough road percentage.

(c) "Density multiplier" means a figure calculated in accordance with the following formula:

$$1 - [(\text{minimum student density} - \text{district student}$$

density)/(minimum student density - 23063
statewide student density)] 23064

(i) "Minimum student density" means the lowest district 23065
student density in the state. 23066

(ii) "District student density" means a school district's 23067
transportation base divided by the number of square miles in the 23068
district. 23069

(iii) "Statewide student density" means the sum of the 23070
transportation bases for all school districts divided by the sum 23071
of the square miles in all school districts. 23072

(6) In addition to funds paid under divisions (D)(2) to (5) 23073
of this section, each district shall receive in accordance with 23074
rules adopted by the state board of education a payment for 23075
students transported by means other than board-owned or 23076
contractor-operated buses and whose transportation is not funded 23077
under division (J) of section 3317.024 of the Revised Code. The 23078
rules shall include provisions for school district reporting of 23079
such students. 23080

(E)(1) The department shall compute and distribute state 23081
vocational education additional weighted costs funds to each 23082
school district in accordance with the following formula: 23083

state share percentage X 23084
the formula amount X 23085
total vocational education weight 23086

In any fiscal year, a school district receiving funds under 23087
division (E)(1) of this section shall spend those funds only for 23088
the purposes that the department designates as approved for 23089
vocational education expenses. Vocational educational expenses 23090
approved by the department shall include only expenses connected 23091
to the delivery of career-technical programming to 23092
career-technical students. The department shall require the school 23093

district to report data annually so that the department may 23094
monitor the district's compliance with the requirements regarding 23095
the manner in which funding received under division (E)(1) of this 23096
section may be spent. 23097

(2) The department shall compute for each school district 23098
state funds for vocational education associated services in 23099
accordance with the following formula: 23100

state share percentage X .05 X 23101

the formula amount X the sum of categories one and two 23102

vocational education ADM 23103

In any fiscal year, a school district receiving funds under 23104
division (E)(2) of this section, or through a transfer of funds 23105
pursuant to division (L) of section 3317.023 of the Revised Code, 23106
shall spend those funds only for the purposes that the department 23107
designates as approved for vocational education associated 23108
services expenses, which may include such purposes as 23109
apprenticeship coordinators, coordinators for other vocational 23110
education services, vocational evaluation, and other purposes 23111
designated by the department. The department may deny payment 23112
under division (E)(2) of this section to any district that the 23113
department determines is not operating those services or is using 23114
funds paid under division (E)(2) of this section, or through a 23115
transfer of funds pursuant to division (L) of section 3317.023 of 23116
the Revised Code, for other purposes. 23117

(F) The actual local share in any fiscal year for the 23118
combination of special education and related services additional 23119
weighted costs funding calculated under division (C)(1) of this 23120
section, transportation funding calculated under divisions (D)(2) 23121
and (3) of this section, and vocational education and associated 23122
services additional weighted costs funding calculated under 23123
divisions (E)(1) and (2) of this section shall not exceed for any 23124
school district the product of three and three-tenths mills times 23125

the district's recognized valuation. The department annually shall
pay each school district as an excess cost supplement any amount
by which the sum of the district's attributed local shares for
that funding exceeds that product. For purposes of calculating the
excess cost supplement:

(1) The attributed local share for special education and
related services additional weighted costs funding is the amount
specified in division (C)(2) of this section.

(2) The attributed local share of transportation funding
equals the difference of the total amount calculated for the
district using the formula developed under division (D)(2) of this
section minus the actual amount paid to the district after
applying the percentage specified in division (D)(3) of this
section.

(3) The attributed local share of vocational education and
associated services additional weighted costs funding is the
amount determined as follows:

(1 - state share percentage) X
[(total vocational education weight X the formula amount) +
the payment under division (E)(2) of this section]

Sec. 3317.023. (A) Notwithstanding section 3317.022 of the
Revised Code, the amounts required to be paid to a district under
this chapter shall be adjusted by the amount of the computations
made under divisions (B) to ~~(M)~~(N) of this section.

As used in this section:

provides direct instruction to pupils, excluding teachers funded
from money paid to the district from federal sources; educational
service personnel; and vocational and special education teachers.

(2) "Educational service personnel" shall not include such

specialists funded from money paid to the district from federal 23156
sources or assigned full-time to vocational or special education 23157
students and classes and may only include those persons employed 23158
in the eight specialist areas in a pattern approved by the 23159
department of education under guidelines established by the state 23160
board of education. 23161

(3) "Annual salary" means the annual base salary stated in 23162
the state minimum salary schedule for the performance of the 23163
teacher's regular teaching duties that the teacher earns for 23164
services rendered for the first full week of October of the fiscal 23165
year for which the adjustment is made under division (C) of this 23166
section. It shall not include any salary payments for supplemental 23167
teachers contracts. 23168

(4) "Regular student population" means the formula ADM plus 23169
the number of students reported as enrolled in the district 23170
pursuant to division (A)(1) of section 3313.981 of the Revised 23171
Code; minus the number of students reported under division (A)(2) 23172
of section 3317.03 of the Revised Code; minus the FTE of students 23173
reported under division (B)(6), (7), (8), (9), (10), (11), or (12) 23174
of that section who are enrolled in a vocational education class 23175
or receiving special education; and minus twenty per cent of the 23176
students enrolled concurrently in a joint vocational school 23177
district. 23178

(5) "State share percentage" has the same meaning as in 23179
section 3317.022 of the Revised Code. 23180

(6) "VEPD" means a school district or group of school 23181
districts designated by the department of education as being 23182
responsible for the planning for and provision of vocational 23183
education services to students within the district or group. 23184

(7) "Lead district" means a school district, including a 23185
joint vocational school district, designated by the department as 23186

a VEPD, or designated to provide primary vocational education 23187
leadership within a VEPD composed of a group of districts. 23188

(B) If the district employs less than one full-time 23189
equivalent classroom teacher for each twenty-five pupils in the 23190
regular student population in any school district, deduct the sum 23191
of the amounts obtained from the following computations: 23192

(1) Divide the number of the district's full-time equivalent 23193
classroom teachers employed by one twenty-fifth; 23194

(2) Subtract the quotient in (1) from the district's regular 23195
student population; 23196

(3) Multiply the difference in (2) by seven hundred fifty-two 23197
dollars. 23198

(C) If a positive amount, add one-half of the amount obtained 23199
by multiplying the number of full-time equivalent classroom 23200
teachers by: 23201

(1) The mean annual salary of all full-time equivalent 23202
classroom teachers employed by the district at their respective 23203
training and experience levels minus; 23204

(2) The mean annual salary of all such teachers at their 23205
respective levels in all school districts receiving payments under 23206
this section. 23207

The number of full-time equivalent classroom teachers used in 23208
this computation shall not exceed one twenty-fifth of the 23209
district's regular student population. In calculating the 23210
district's mean salary under this division, those full-time 23211
equivalent classroom teachers with the highest training level 23212
shall be counted first, those with the next highest training level 23213
second, and so on, in descending order. Within the respective 23214
training levels, teachers with the highest years of service shall 23215
be counted first, the next highest years of service second, and so 23216

on, in descending order. 23217

Where ~~43.478~~ 50.0 is the number of teachers per one thousand 23837
students at a student-teacher ratio of ~~twenty-three~~ twenty to one; 23838
~~1.9~~ 0.5 is the interval from a ~~DPIA~~ poverty index of ~~six-tenths~~ 23839
1.0 to a ~~DPIA~~ poverty index of ~~two and one-half~~ 1.5; and ~~23.188~~ 23840
16.667 is the difference in the number of teachers per one 23841
thousand students at a student-teacher ratio of fifteen to one and 23842
the number of teachers per one thousand students at a 23843
student-teacher ratio of ~~twenty-three~~ twenty to one. 23844

(c) If the ~~DPIA~~ poverty index of the school district is 23845

(4) Multiply the greater of the difference obtained under 23860
division (E)(3) of this section or zero by the statewide average 23861
teachers salary. For this purpose, the "statewide average teacher 23862

formula amount) - (0.12851 X formula amount)]} 23876

(2) If the district's poverty index is greater than or equal 23877
to 2.0, the amount per limited English proficient student equals: 23878

0.25702 X formula amount 23879

(3) Multiply the per student amount determined for the 23880
district under division (F)(1) or (2) of this section by the 23881
number of the district's limited English proficient students, 23882
times a multiple of 0.50 in fiscal year 2007. For purposes of this 23883
calculation in fiscal year 2007, the number of limited English 23884
proficient students for each district shall be the number 23885

~~Beginning with the school year that starts on July 1, 2002,~~ 24006
~~each~~ In addition, a school district may use all or a portion of its payment under division (G) of this section for the activities described in divisions (J)(6)(a) and (b) of this section. 24007
24008
24009

Each school district shall use at least twenty per cent of the funds set aside for the purposes of divisions ~~(F)(2)~~(J)(6)(a) and (b) of this section to provide intervention services required by section 3313.608 of the Revised Code. 24010
24011
24012
24013

~~(3)(7)~~ Except as otherwise required by division ~~(G)(K)~~ or permitted under division ~~(K)(O)~~ of this section, all ~~other~~ remaining funds distributed under this section to districts subject to this division with a poverty index greater than or 24014
24015
24016
24017

equal to 1.0 shall be utilized for the purpose of the third grade 24018
guarantee. The third grade guarantee consists of increasing the 24019
amount of instructional attention received per pupil in 24020
kindergarten through third grade, either by reducing the ratio of 24021
students to instructional personnel or by increasing the amount of 24022
instruction and curriculum-related activities by extending the 24023
length of the school day or the school year. 24024

School districts may implement a reduction of the ratio of 24025
students to instructional personnel through any or all of the 24026
following methods: 24027

(a) Reducing the number of students in a classroom taught by 24028
a single teacher; 24029

(b) Employing full-time educational aides or educational 24030
paraprofessionals issued a permit or license under section 24031
3319.088 of the Revised Code; 24032

(c) Instituting a team-teaching method that will result in a 24033
lower student-teacher ratio in a classroom. 24034

Districts may extend the school day either by increasing the 24035
amount of time allocated for each class, increasing the number of 24036
classes provided per day, offering optional academic-related 24037
after-school programs, providing curriculum-related extra 24038
curricular activities, or establishing tutoring or remedial 24039
services for students who have demonstrated an educational need. 24040
In accordance with section 3319.089 of the Revised Code, a 24041
district extending the school day pursuant to this division may 24042
utilize a participant of the work experience program who has a 24043
child enrolled in a public school in that district and who is 24044
fulfilling the work requirements of that program by volunteering 24045
or working in that public school. If the work experience program 24046
participant is compensated, the school district may use the funds 24047
distributed under this section for all or part of the 24048

compensation. 24049

Districts may extend the school year either through adding 24050
regular days of instruction to the school calendar or by providing 24051
summer programs. 24052

~~(G)~~(K) Each district ~~subject to division (F) of this section~~ 24053
shall not expend any funds received under division (E) of this 24054
section in any school buildings that are not buildings with the 24055
highest concentration of need, unless there is a ratio of 24056
instructional personnel to students of no more than fifteen to one 24057
in each kindergarten and first grade class in all buildings with 24058
the highest concentration of need. This division does not require 24059
that the funds used in buildings with the highest concentration of 24060
need be spent solely to reduce the ratio of instructional 24061
personnel to students in kindergarten and first grade. A school 24062
district may spend the funds in those buildings in any manner 24063
permitted by division ~~(F)~~(3)~~(J)~~(7) of this section, but may not 24064
spend the money in other buildings unless the fifteen-to-one ratio 24065
required by this division is attained. 24066

~~(H)~~(L)(1) By the first day of August of each fiscal year, 24067
each school district wishing to receive any funds under division 24068
(D) of this section shall submit to the department of education an 24069
estimate of its all-day kindergarten percentage. Each district 24070
shall update its estimate throughout the fiscal year in the form 24071
and manner required by the department, and the department shall 24072
adjust payments under this section to reflect the updates. 24073

(2) Annually by the end of December, the department of 24074
education, utilizing data from the information system established 24075
under section 3301.0714 of the Revised Code and after consultation 24076
with the legislative office of education oversight, shall 24077
determine for each school district subject to division ~~(F)~~(J) of 24078
this section whether in the preceding fiscal year the district's 24079

ratio of instructional personnel to students and its number of 24080
kindergarten students receiving all-day kindergarten appear 24081
reasonable, given the amounts of money the district received for 24082
that fiscal year pursuant to divisions (D) and (E) of this 24083
section. If the department is unable to verify from the data 24084
available that students are receiving reasonable amounts of 24085
instructional attention and all-day kindergarten, given the funds 24086
the district has received under this section and that class-size 24087
reduction funds are being used in school buildings with the 24088
highest concentration of need as required by division ~~(G)~~(K) of 24089
this section, the department shall conduct a more intensive 24090
investigation to ensure that funds have been expended as required 24091
by this section. The department shall file an annual report of its 24092
findings under this division with the chairpersons of the 24093
committees in each house of the general assembly dealing with 24094
finance and education. 24095

~~(I) Any (M)(1) Each~~ school district with a ~~DPIA~~ poverty index 24096
less than ~~one~~ 1.0 and a three-year average formula ADM exceeding 24097
seventeen thousand five hundred shall first utilize funds received 24098
under this section so that, when combined with other funds of the 24099
district, sufficient funds exist to provide all-day kindergarten 24100
to at least the number of children in the district's all-day 24101
kindergarten percentage. ~~Such a district~~ 24102

(2) Each school district with a poverty index less than 1.0 24103
that receives a payment under division (I) of this section shall 24104
use its payment under that division for one or both of the 24105
following purposes: 24106

(a) To hire or contract for community liaison officers, 24107
attendance or truant officers, or safety and security personnel; 24108

(b) To implement any of the safety, security, or remediation 24109
activities described in divisions (J)(6)(a) and (b) of this 24110
section. 24111

<u>(3) Each school district to which division (M)(1) or (2) of</u>	24112
<u>this section applies shall expend at least seventy per cent of the</u>	24113
remaining funds received under this section, and any other	24114
district with a DPIA <u>poverty</u> index less than one <u>1.0</u> shall expend	24115
at least seventy per cent of all funds received under this	24116
section, for any of the following purposes:	24117
(1)(a) <u>The purchase of technology for instructional purposes</u>	24118
<u>for remediation;</u>	24119
(2)(b) <u>All-day kindergarten;</u>	24120
(3)(c) <u>Reduction of class sizes in grades kindergarten</u>	24121

(4)(d) <u>Summer school remediation;</u>	24123
(5)(e) <u>Dropout prevention programs approved by the department</u>	24124
<u>of education under division (J)(4) of this section;</u>	24125
(6)(f) <u>Guaranteeing that all third graders are ready to</u>	24126
<u>progress to more advanced work;</u>	24127
(7)(g) <u>Summer education and work programs;</u>	24128
(8)(h) <u>Adolescent pregnancy programs;</u>	24129
(9)(i) <u>Head start or preschool programs;</u>	24130
(10)(j) <u>Reading improvement and remediation programs</u>	24131
<u>described by the department of education;</u>	24132
(11)(k) <u>Programs designed to ensure that schools are free of</u>	24133

3313.642 of the Revised Code; 24141

~~(I)~~(M) School breakfasts provided pursuant to section 24142
3313.813 of the Revised Code. 24143

~~Each district shall submit to the department, in such format 24144
and at such time as the department shall specify, a report on the 24145
programs for which it expended funds under this division. 24146~~

~~(J)~~(N) If at any time the superintendent of public 24147
instruction determines that a school district receiving funds 24148
under division (D) of this section has enrolled less than the 24149
all-day kindergarten percentage reported for that fiscal year, the 24150
superintendent shall withhold from the funds otherwise due the 24151
district under this section a proportional amount as determined by 24152
the difference in the certified all-day kindergarten percentage 24153
and the percentage actually enrolled in all-day kindergarten. 24154

The superintendent shall also withhold an appropriate amount 24155
of funds otherwise due a district for any other misuse of funds 24156
not in accordance with this section. 24157

~~(K)~~(O)(1) A district may use a portion of the funds 24158
calculated for it under division (D) of this section to modify or 24159
purchase classroom space to provide all-day kindergarten, if both 24160
of the following conditions are met: 24161

(a) The district certifies to the department, in a manner 24162
acceptable to the department, that it has a shortage of space for 24163
providing all-day kindergarten. 24164

(b) The district provides all-day kindergarten to the number 24165
of children in the all-day kindergarten percentage it certified 24166
under this section. 24167

(2) A district may use a portion of the funds described in 24168
division ~~(F)~~(3)(J)(7) of this section to modify or purchase 24169
classroom space to enable it to further reduce class size in 24170

grades kindergarten through two with a goal of attaining class 24171
sizes of fifteen students per licensed teacher. To do so, the 24172
district must certify its need for additional space to the 24173
department, in a manner satisfactory to the department. 24174

Sec. 3317.0212. Division (B) of this section does not apply 24175
to a school district with a formula ADM of one hundred fifty or 24176
less. 24177

(1) "Fundamental FY 1997 state aid" or "fundamental FY 1998 24179
state aid" for a district means the total amount of state money 24180
received by the district for the applicable fiscal year as 24181
reported on the department of education's form "SF-12," adjusted 24182

units to students entitled to attend school in another school 24202
district; 24203

(g) Plus any additional amount paid in the applicable fiscal 24204

(2) "State basic aid" for a district for any fiscal year 24220

(a) The amount computed for the district for base cost 24222

The department shall compute and pay the state basic aid guarantee for each school district for the fiscal year as follows: 24238
24239
24240
24241
24242
24243

(1) Subtract the amount of state basic aid from the amount of fundamental FY 1998 state aid. If a negative number, this computation shall be deemed to be zero. 24244

than the guarantee amount determined for the district under 24260
division (C)(1) of this section, the department of education shall 24261
pay the district the amount of the difference. 24262

Sec. 3317.0216. (A) As used in this section: 24263

(1) "Total taxes charged and payable for current expenses" 24264
means the sum of the taxes charged and payable as certified under 24265
division (A)(3)(a) of section 3317.021 of the Revised Code less 24266
any amounts reported under division (A)(3)(b) of that section, and 24267
the tax distribution for the preceding year under any school 24268
district income tax levied by the district pursuant to Chapter 24269
5748. of the Revised Code to the extent the revenue from the 24270
income tax is allocated or apportioned to current expenses. 24271

(2) "Charge-off amount" means ~~the product obtained by~~ 24272
~~multiplying~~ [two and three-tenths per cent multiplied by (the sum 24273
of recognized valuation and incentive district tax-exempt value)] 24274
plus (fifty per cent multiplied by payments in lieu of taxes). 24275

(3) Until fiscal year 2003, the "actual local share of 24276
special education, transportation, and vocational education 24277
funding" for any school district means the sum of the district's 24278
attributed local shares described in divisions (F)(1) to (3) of 24279
section 3317.022 of the Revised Code. Beginning in fiscal year 24280
2003, the "actual local share of special education, 24281
transportation, and vocational education funding" means that sum 24282
minus the amount of any excess cost supplement payment calculated 24283
for the district under division (F) of section 3317.022 of the 24284
Revised Code. 24285

(B) Upon receiving the certifications under section 3317.021 24286
of the Revised Code, the department of education shall determine 24287
for each city, local, and exempted village school district whether 24288
the district's charge-off amount is greater than the district's 24289

total taxes charged and payable for current expenses, and if it 24290
is, shall pay the district the amount of the difference. A payment 24291
shall not be made to any school district for which the computation 24292
under division (A) of section 3317.022 of the Revised Code equals 24293
zero. 24294

(C)(1) If a district's charge-off amount is equal to or 24295
greater than its total taxes charged and payable for current 24296
expenses, the department shall, in addition to the payment 24297
required under division (B) of this section, pay the district the 24298
amount of its actual local share of special education, 24299
transportation, and vocational education funding. 24300

(2) If a district's charge-off amount is less than its total 24301
taxes charged and payable for current expenses, the department 24302
shall pay the district any amount by which its actual local share 24303
of special education, transportation, and vocational education 24304
funding exceeds its total taxes charged and payable for current 24305
expenses minus its charge-off amount. 24306

(D) If a school district that received a payment under 24307
division (B) or (C) of this section in the prior fiscal year is 24308
ineligible for payment under those divisions in the current fiscal 24309
year, the department shall determine if the ineligibility is the 24310
result of a property tax or income tax levy approved by the 24311
district's voters to take effect in tax year 2005 or thereafter. 24312
If the department determines that is the case, and calculates that 24313
the levy causing the ineligibility exceeded by at least one mill 24314
the equivalent millage of the prior year's payment under divisions 24315
(B) and (C) of this section, the department shall make a payment 24316
to the district for the first three years that the district loses 24317
eligibility for payment under divisions (B) and (C) of this 24318
section, as follows: 24319

(1) In the first year of ineligibility, the department shall 24320

<u>pay the district seventy-five per cent of the amount it last paid</u>	24321
<u>the district under divisions (B) and (C) of this section.</u>	24322
<u>(2) In the second year of ineligibility, the department shall</u>	24323
<u>pay the district fifty per cent of the amount it last paid the</u>	24324
<u>district under those divisions.</u>	24325
<u>(3) In the third year of ineligibility, the department shall</u>	24326
<u>pay the district twenty-five per cent of the amount it last paid</u>	24327
<u>the district under those divisions.</u>	24328
<u>(E) A district that receives payment under division (D) of</u>	24329
<u>this section and subsequently qualifies for payment under division</u>	24330
<u>(B) or (C) of this section is ineligible for future payments under</u>	24331
<u>division (D) of this section.</u>	24332
Sec. 3317.0217. The department of education shall annually	24333
compute and pay state parity aid to school districts, as follows:	24334
(A) Calculate the local wealth per pupil of each school	24335
district, which equals the following sum:	24336
(1) Two-thirds times the quotient of (a) the district's	24337
recognized valuation divided by (b) its <u>adjusted</u> formula ADM; plus	24338
(2) One-third times the quotient of (a) the average of the	24339
total federal adjusted gross income of the school district's	24340
residents for the three years most recently reported under section	24341
3317.021 of the Revised Code divided by (b) its <u>adjusted</u> formula	24342
ADM.	24343
(B) Rank all school districts in order of local wealth per	24344
pupil, from the district with the lowest local wealth per pupil to	24345
the district with the highest local wealth per pupil.	24346
(C) Compute the per pupil state parity aid funding for each	24347
school district in accordance with the following formula:	24348
Payment percentage X (threshold local wealth	24349

per pupil - the district's local 24350

wealth per pupil) X 0.0095 24351

Where: 24352

(1) "Payment percentage," for purposes of division (C) of 24353
this section, equals 20% in fiscal year 2002, 40% in fiscal year 24354
2003, 58% in fiscal year 2004, 76% in fiscal year 2005, ~~and 100%~~ 24355
~~after fiscal year 2005~~ 80% in fiscal year 2006, and 85% in fiscal 24356
year 2007. 24357

(2) Nine and one-half mills (0.0095) is the general 24358
assembly's determination of the average number of effective 24359
operating mills that districts in the seventieth to ninetieth 24360
percentiles of valuations per pupil collected in fiscal year 2001 24361
above the revenues required to finance their attributed local 24362
shares of the calculated cost of an adequate education. This was 24363
determined by (a) adding the district revenues from operating 24364
property tax levies and income tax levies, (b) subtracting from 24365
that total the sum of (i) twenty-three mills times adjusted 24366
recognized valuation plus (ii) the attributed local shares of 24367
special education, transportation, and vocational education 24368
funding as described in divisions (F)(1) to (3) of section 24369
3317.022 of the Revised Code, and (c) converting the result to an 24370
effective operating property tax rate. 24371

(3) The "threshold local wealth per pupil" is the local 24372
wealth per pupil of the school district with the 24373
four-hundred-ninetieth lowest local wealth per pupil. 24374

If the result of the calculation for a school district under 24375
division (C) of this section is less than zero, the district's per 24376
pupil parity aid shall be zero. 24377

(D) Compute the per pupil alternative parity aid for each 24378
school district that has a combination of an income factor of 1.0 24379
or less, a ~~DPIA~~ poverty index of 1.0 or greater, and a fiscal year 24380

2006 cost-of-doing-business factor of 1.0375 or greater, in accordance with the following formula:	24381
Payment percentage X \$60,000 X	24382
(1 - income factor) X 4/15 X 0.023	24383
Where:	24384
(1) "DPIA Poverty index" has the same meaning as in section 3317.029 of the Revised Code.	24385
(2) "Payment percentage," for purposes of division (D) of this section, equals 50% in fiscal year 2002 and 100% after fiscal year 2002.	24386
(E) Pay each district that has a combination of an income factor of <u>1.0</u> or less, a <u>DPIA poverty</u> index of 1.0 or greater, and a <u>fiscal year 2006</u> cost-of-doing-business factor of 1.0375 or greater, the greater of the following:	24387
(1) The product of the district's per pupil parity aid calculated under division (C) of this section times its formula ADM;	24388

The superintendent of each joint vocational school district	24702
shall also indicate the city, local, or exempted village school	24703
district in which each joint vocational district pupil is entitled	24704

shall be maintained a record of school membership, which record	24709

of determining average daily membership, the membership figure of	24712
any school shall not include any pupils except those pupils	24713

membership for each school shall be maintained in such manner that	24715
no pupil shall be counted as in membership prior to the actual	24716
date of entry in the school and also in such manner that where for	24717

any cause a pupil permanently withdraws from the school that pupil 24718

except for veterans of the armed services whose attendance was 24731
interrupted before completing the recognized twelve-year course of 24732
the public schools by reason of induction or enlistment in the 24733
armed forces and who apply for reenrollment in the public school 24734
system of their residence not later than four years after 24735
termination of war or their honorable discharge. 24736

If, however, any veteran described by division (E)(4) of this 24737
section elects to enroll in special courses organized for veterans 24738
for whom tuition is paid under the provisions of federal laws, or 24739
otherwise, that veteran shall not be included in average daily 24740
membership. 24741

Notwithstanding division (E)(3) of this section, the 24742
membership of any school may include a pupil who did not take a 24743
test required by section 3301.0711 of the Revised Code if the 24744
superintendent of public instruction grants a waiver from the 24745
requirement to take the test to the specific pupil. The 24746
superintendent may grant such a waiver only for good cause in 24747
accordance with rules adopted by the state board of education. 24748

Except as provided in divisions (B)(2) and (F) of this section, the average daily membership figure of any local, city, exempted village, or joint vocational school district shall be determined by dividing the figure representing the sum of the number of pupils enrolled during each day the school of attendance is actually open for instruction during the ~~first full school week in October~~ for which the formula ADM is being certified by the total number of days the school was actually open for instruction during that week. For purposes of state funding, "enrolled" persons are only those pupils who are attending school, those who have attended school during the current school year and are absent for authorized reasons, and those handicapped children currently receiving home instruction.

The average daily membership figure of any cooperative education school district shall be determined in accordance with rules adopted by the state board of education.

(F)(1) If the formula ADM for the first full school week in February is at least three per cent greater than that certified for the first full school week in the preceding October, the superintendent of schools of any city, exempted village, or joint vocational school district or educational service center shall certify such increase to the superintendent of public instruction. Such certification shall be submitted no later than the fifteenth day of February. For the balance of the fiscal year, beginning with the February payments, the superintendent of public instruction shall use the increased formula ADM in calculating or recalculating the amounts to be allocated in accordance with section 3317.022 or 3317.16 of the Revised Code. In no event shall the superintendent use an increased membership certified to the superintendent after the fifteenth day of February. Division (F)(1) of this section does not apply after fiscal year 2006.

(2) If on the first school day of April the total number of

classes or units for handicapped preschool children that are 24781
eligible for approval under division (B) of section 3317.05 of the 24782
Revised Code exceeds the number of units that have been approved 24783
for the year under that division, the superintendent of schools of 24784
any city, exempted village, or cooperative education school 24785
district or educational service center shall make the 24786
certifications required by this section for that day. If the 24787
department determines additional units can be approved for the 24788
fiscal year within any limitations set forth in the acts 24789
appropriating moneys for the funding of such units, the department 24790
shall approve additional units for the fiscal year on the basis of 24791
such average daily membership. For each unit so approved, the 24792
department shall pay an amount computed in the manner prescribed 24793
in section 3317.052 or 3317.19 and section 3317.053 of the Revised 24794
Code. 24795

(3) If a student attending a community school under Chapter 24796
3314. of the Revised Code is not included in the formula ADM 24797
~~certified for the first full school week of October~~ for the school 24798
district in which the student is entitled to attend school under 24799
section 3313.64 or 3313.65 of the Revised Code, the department of 24800
education shall adjust the formula ADM of that school district to 24801
include the community school student in accordance with division 24802
(C)(2) of this section, and shall recalculate the school 24803
district's payments under this chapter for the entire fiscal year 24804
on the basis of that adjusted formula ADM. This requirement 24805
applies regardless of whether the student was enrolled, as defined 24806
in division (E) of this section, in the community school during 24807
the first full school week in October. 24808

(G)(1)(a) The superintendent of an institution operating a 24809
special education program pursuant to section 3323.091 of the 24810
Revised Code shall, for the programs under such superintendent's 24811
supervision, certify to the state board of education ~~the, in the~~ 24812

<u>manner prescribed by the superintendent of public instruction,</u>	24813
<u>both of the following:</u>	24814
<u>(i) The average daily membership of all handicapped children</u>	24815

board with insufficient money to pay all valid expenses incurred
under this section during the biennium for which the remitted
money was appropriated, the board may apply to the department of
education for a refund of money, not to exceed the amount of the
insufficiency. If the department determines the expenses were
lawfully incurred and would have been lawful expenditures of the
refunded money, it shall certify its determination and the amount

under Chapter 5115. of the Revised Code. 25418~~

The department of job and family services shall certify this 25419
information according to the school district of residence for each 25420
child. Except as provided under division (B) of this section, the 25421
number of children so certified in any year shall be used by the 25422
department of education in calculating the distribution of moneys 25423
for the ensuing fiscal year as provided in section 3317.029 of the 25424
Revised Code. 25425

(B) Upon the transfer of part of the territory of one school 25426

the department of education may adjust the number of children 25428
certified under division (A) of this section for any district 25429
gaining or losing territory in such a transfer in order to take 25430
into account the effect of the transfer on the number of such 25431
children who reside in the district. Within sixty days of receipt 25432
of a request for information from the department of education, the 25433

department of job and family services shall provide any 25434
information the department of education determines is necessary to 25435

in lieu of the number certified for the district for that fiscal 25438
year under division (A) of this section, in the calculation of the 25439
distribution of moneys provided in section 3317.029 of the Revised 25440

for a joint vocational school district as follows: 25444

(a) Calculate the state base cost funding amount for the 25445
district under division (B) of this section. If the district would 25446
not receive any base cost funding for that year under that 25447
division, the district's state share percentage is zero. 25448

(b) If the district would receive base cost funding under 25449
that division, in fiscal year 2006 divide that base cost amount by 25450
an amount equal to the following: 25451

cost-of-doing-business factor X 25452

the formula amount X 25453

formula ADM 25454

(c) If the district would receive base cost funding under 25455
that division, in fiscal year 2007 and thereafter divide that 25456
amount by an amount equal to the greater of the following: 25457

(i) Cost-of-doing-business factor for fiscal year 2006 X 25458
formula amount for fiscal year 2006 X formula ADM for fiscal year 25459
2006; 25460

(ii) Formula amount for the current fiscal year X current 25461
formula ADM. 25462

The resultant number in division (A)(1)(b) or (c) of this 25463

section is the district's state share percentage. 25464

(2) The "total special education weight" for a joint 25465
vocational school district shall be calculated in the same manner 25466
as prescribed in division (B)(1) of section 3317.022 of the 25467
Revised Code. 25468

(3) The "total vocational education weight" for a joint 25469

(cost-of-doing-business factor X 25489
formula amount X 25490
formula ADM) - 25491
(.0005 X total recognized valuation) 25492

(2) Beginning in fiscal year 2007, state base cost funding 25493

for each joint vocational school district shall be the greater of 25494
the amount computed under division (B)(2)(a) or (b) of this 25495
section minus (0.0005 times recognized valuation). 25496

Accordingly, beginning in fiscal year 2007, the department 25497
shall compute both of the following for each joint vocational 25498
school district: 25499

(C)(1) The department shall compute and distribute state 25507
vocational education additional weighted costs funds to each joint 25508

In each fiscal year, a joint vocational school district 25513
receiving funds under division (C)(1) of this section shall spend 25514
those funds only for the purposes the department designates as 25515
approved for vocational education expenses. Vocational educational 25516
expenses approved by the department shall include only expenses 25517
connected to the delivery of career-technical programming to 25518
career-technical students. The department shall require the joint 25519
vocational school district to report data annually so that the 25520
department may monitor the district's compliance with the 25521
requirements regarding the manner in which funding received under 25522
division (C)(1) of this section may be spent. 25523

(2) The department shall compute for each joint vocational school district state funds for vocational education associated services costs in accordance with the following formula:

as approved for special education and related services expenses at
least the amount calculated as follows:

(cost-of-doing-business factor X formula amount
X the sum of categories one through
six special education ADM) +
(total special education weight X
formula amount)

In fiscal year 2007 and thereafter, a school district shall
spend for those purposes at least the greater of the amount

this section, the department shall calculate for each joint
vocational school district both of the following:

categories one through six special education ADM for the current
fiscal year.

district wherein the provisions of Chapter 124. of the Revised 26134

Code do not apply may terminate any of its transportation staff positions for reasons of economy and efficiency if the board instead of employing its own staff to transport some or all of the students enrolled in the district schools enters into a contract with an independent agent for the provision of transportation services for such students. Such a contract may be entered into only if all of the following conditions are satisfied:

(1) Any collective bargaining agreement between the employee organization representing the employees whose positions are terminated under this section and the board has expired or will expire within sixty days and has not been renewed in conformance with provisions of that agreement and with Chapter 4117. of the Revised Code, or the agreement contains provisions permitting the termination of positions for reasons of economy and efficiency while the agreement is in force and the board is in conformance with those provisions.

(2) The board permits any employee whose position is terminated under this section to fill any vacancy within the district's organization for which the employee is qualified. The board shall select from among similarly qualified employees to fill such vacancies pursuant to procedures established under any collective bargaining agreement between the employee organization representing the terminated employees and the board that is in force at the time of the termination, or in absence of such provisions on the basis of seniority of employment by the board with the employee with the greatest seniority having highest priority.

(3) Unless a collective bargaining agreement between the employee organization representing the terminated employees and the board that is in force at the time of the termination provides otherwise, the board permits any employee whose position is terminated under this section to fill the employee's former

terminated under this section in collective bargaining with the 26188
board at the time of the termination provided: 26189

(B) If after terminating any positions of employment under this section the board fails to comply with any condition prescribed in division (A) of this section or fails to enforce on the agent its contractual obligations prescribed in divisions (A)(5) and (6) of this section, the terminations shall be void and the board shall reinstate the positions and fill them with the employees who filled those positions just prior to the terminations. Such employees shall be compensated at a rate equal to their rate of compensation in those positions just prior to the terminations plus any increases paid since the terminations to other nonteaching employees. The employees shall also be entitled to back pay at such rate for the period from the date of the terminations to the date of the reinstatements minus any pay received by the employees during any time the board was in compliance with such conditions or during any time the board enforced those obligations. 26201

Sec. 3319.172. The board of education of each school district 26295
wherein the provisions of Chapter 124. of the Revised Code do not 26296
apply and the governing board of each educational service center 26297
may adopt a resolution ordering reasonable reductions in the 26298
number of nonteaching employees for any of the reasons for which 26299
the board of education or governing board may make reductions in 26300
teaching employees, as set forth in division (B) of section 26301

In making any reduction under this section, the board of 26303

suspended under this section shall have the right of restoration 26316
to continuing service status by the board of education or 26317
governing board that suspended that contract in order of seniority 26318
of service in the district or service center, if and when a 26319
nonteaching position for which the employee is qualified becomes 26320
vacant or is created. No nonteaching employee whose continuing 26321

contract has been suspended under this section shall lose that 26322
right of restoration to continuing service status by reason of 26323
having declined recall to a position requiring fewer regularly 26324
scheduled hours of work than required by the position the employee 26325
last held while employed in the district or service center. 26326

Sec. 3319.22. (A)(1) The state board of education shall adopt 26327
rules establishing the standards and requirements for obtaining 26328
temporary, associate, provisional, and professional educator 26329
licenses of any categories, types, and levels the board elects to 26330
provide. However, no educator license shall be required for 26331
teaching children two years old or younger. 26332

(2) If the state board requires any examinations for educator 26333
licensure, the department of education shall provide the results 26334
of such examinations received by the department to the Ohio board 26335
of regents, in the manner and to the extent permitted by state and 26336
federal law. 26337

(B) Any rules the state board of education adopts, amends, or 26338
rescinds for educator licenses under this section, division (D) of 26339
section 3301.07 of the Revised Code, or any other law shall be 26340
adopted, amended, or rescinded under Chapter 119. of the Revised 26341
Code except as follows: 26342

(1) Notwithstanding division (D) of section 119.03 and 26343
division (A)(1) of section 119.04 of the Revised Code, in the case 26344
of the adoption of any rule or the amendment or rescission of any 26345
rule that necessitates institutions' offering teacher preparation 26346
programs that are approved by the state board of education under 26347
section 3319.23 of the Revised Code to revise the curriculum of 26348
those programs, the effective date shall not be as prescribed in 26349
division (D) of section 119.03 and division (A)(1) of section 26350
119.04 of the Revised Code. Instead, the effective date of such 26351
rules, or the amendment or rescission of such rules, shall be the 26352

date prescribed by section 3319.23 of the Revised Code. 26353

(2) Notwithstanding the authority to adopt, amend, or rescind 26354
emergency rules in division (F) of section 119.03 of the Revised 26355
Code, this authority shall not apply to the state board of 26356
education with regard to rules for educator licenses. 26357

(C)(1) The rules adopted under this section establishing 26358
standards requiring additional coursework for the renewal of any 26359
educator license shall require a school district and a chartered 26360
nonpublic school to establish local professional development 26361
committees. In a nonpublic school, the chief administrative 26362
officer shall establish the committees in any manner acceptable to 26363
such officer. The committees established under this division shall 26364
determine whether coursework that a district or chartered 26365
nonpublic school teacher proposes to complete meets the 26366
requirement of the rules. The department of education shall 26367
provide technical assistance and support to committees as the 26368
committees incorporate the professional development standards 26369
adopted by the state board of education pursuant to section 26370
3319.61 of the Revised Code into their review of coursework that 26371
is appropriate for license renewal. The rules shall establish a 26372
procedure by which a teacher may appeal the decision of a local 26373
professional development committee. 26374

(2) In any school district in which there is no exclusive 26375
representative established under Chapter 4117. of the Revised 26376
Code, the professional development committees shall be established 26377
as described in division (C)(2) of this section. 26378

Not later than the effective date of the rules adopted under 26379
this section, the board of education of each school district shall 26380
establish the structure for one or more local professional 26381
development committees to be operated by such school district. The 26382
committee structure so established by a district board shall 26383

remain in effect unless within thirty days prior to an anniversary 26384
of the date upon which the current committee structure was 26385
established, the board provides notice to all affected district 26386
employees that the committee structure is to be modified. 26387
Professional development committees may have a district-level or 26388
building-level scope of operations, and may be established with 26389
regard to particular grade or age levels for which an educator 26390
license is designated. 26391

Each professional development committee shall consist of at 26392
least three classroom teachers employed by the district, one 26393
principal employed by the district, and one other employee of the 26394
district appointed by the district superintendent. For committees 26395
with a building-level scope, the teacher and principal members 26396
shall be assigned to that building, and the teacher members shall 26397
be elected by majority vote of the classroom teachers assigned to 26398
that building. For committees with a district-level scope, the 26399
teacher members shall be elected by majority vote of the classroom 26400
teachers of the district, and the principal member shall be 26401
elected by a majority vote of the principals of the district, 26402
unless there are two or fewer principals employed by the district, 26403
in which case the one or two principals employed shall serve on 26404
the committee. If a committee has a particular grade or age level 26405
scope, the teacher members shall be licensed to teach such grade 26406
or age levels, and shall be elected by majority vote of the 26407
classroom teachers holding such a license and the principal shall 26408
be elected by all principals serving in buildings where any such 26409
teachers serve. The district superintendent shall appoint a 26410
replacement to fill any vacancy that occurs on a professional 26411
development committee, except in the case of vacancies among the 26412
elected classroom teacher members, which shall be filled by vote 26413
of the remaining members of the committee so selected. 26414

Terms of office on professional development committees shall 26415

be prescribed by the district board establishing the committees. 26416
The conduct of elections for members of professional development 26417
committees shall be prescribed by the district board establishing 26418
the committees. A professional development committee may include 26419
additional members, except that the majority of members on each 26420
such committee shall be classroom teachers employed by the 26421
district. Any member appointed to fill a vacancy occurring prior 26422
to the expiration date of the term for which a predecessor was 26423
appointed shall hold office as a member for the remainder of that 26424
term. 26425

The initial meeting of any professional development 26426
committee, upon election and appointment of all committee members, 26427
shall be called by a member designated by the district 26428
superintendent. At this initial meeting, the committee shall 26429
select a chairperson and such other officers the committee deems 26430
necessary, and shall adopt rules for the conduct of its meetings. 26431
Thereafter, the committee shall meet at the call of the 26432
chairperson or upon the filing of a petition with the district 26433
superintendent signed by a majority of the committee members 26434
calling for the committee to meet. 26435

(3) In the case of a school district in which an exclusive 26436
representative has been established pursuant to Chapter 4117. of 26437
the Revised Code, professional development committees shall be 26438
established in accordance with any collective bargaining agreement 26439
in effect in the district that includes provisions for such 26440
committees. 26441

If the collective bargaining agreement does not specify a 26442
different method for the selection of teacher members of the 26443
committees, the exclusive representative of the district's 26444
teachers shall select the teacher members. 26445

If the collective bargaining agreement does not specify a 26446

different structure for the committees, the board of education of 26447
the school district shall establish the structure, including the 26448
number of committees and the number of teacher and administrative 26449
members on each committee; the specific administrative members to 26450
be part of each committee; whether the scope of the committees 26451
will be district levels, building levels, or by type of grade or 26452
age levels for which educator licenses are designated; the lengths 26453
of terms for members; the manner of filling vacancies on the 26454
committees; and the frequency and time and place of meetings. 26455
However, in all cases, except as provided in division (C)(4) of 26456
this section, there shall be a majority of teacher members of any 26457
professional development committee, there shall be at least five 26458
total members of any professional development committee, and the 26459
exclusive representative shall designate replacement members in 26460
the case of vacancies among teacher members, unless the collective 26461
bargaining agreement specifies a different method of selecting 26462
such replacements. 26463

(4) Whenever an administrator's coursework plan is being 26464
discussed or voted upon, the local professional development 26465
committee shall, at the request of one of its administrative 26466
members, cause a majority of the committee to consist of 26467
administrative members by reducing the number of teacher members 26468
voting on the plan. 26469

(D)(1) The department of education, educational service 26470
centers, county boards of mental retardation and developmental 26471
disabilities, regional professional development centers, special 26472
education regional resource centers, college and university 26473
departments of education, head start programs, the agency 26474
designated by the governor to assume the functions of the Ohio 26475
SchoolNet commission, and the Ohio education computer network may 26476
establish local professional development committees to determine 26477
whether the coursework proposed by their employees who are 26478

licensed or certificated under this section or section 3319.222 of 26479
the Revised Code meet the requirements of the rules adopted under 26480
this section. They may establish local professional development 26481
committees on their own or in collaboration with a school district 26482
or other agency having authority to establish them. 26483

Local professional development committees established by 26484
county boards of mental retardation and developmental disabilities 26485
shall be structured in a manner comparable to the structures 26486
prescribed for school districts in divisions (C)(2) and (3) of 26487
this section, as shall the committees established by any other 26488
entity specified in division (D)(1) of this section that provides 26489
educational services by employing or contracting for services of 26490
classroom teachers licensed or certificated under this section or 26491
section 3319.222 of the Revised Code. All other entities specified 26492
in division (D)(1) of this section shall structure their 26493
committees in accordance with guidelines which shall be issued by 26494
the state board. 26495

(2) Any public agency that is not specified in division 26496
(D)(1) of this section but provides educational services and 26497
employs or contracts for services of classroom teachers licensed 26498
or certificated under this section or section 3319.222 of the 26499
Revised Code may establish a local professional development 26500
committee, subject to the approval of the department of education. 26501
The committee shall be structured in accordance with guidelines 26502
issued by the state board. 26503

Sec. 3319.235. (A) The standards for the preparation of 26504
teachers adopted under section 3319.23 of the Revised Code shall 26505
require any institution that provides a course of study for the 26506
training of teachers to ensure that graduates of such course of 26507
study are skilled at integrating educational technology in the 26508
instruction of children, as evidenced by the graduate having 26509

either demonstrated proficiency in such skills in a manner 26510
prescribed by the department of education or completed a course 26511
that includes training in such skills. 26512

(B) The agency designated by the governor to assume the 26513
functions of the Ohio SchoolNet commission, ~~established pursuant~~ 26514
~~to section 3301.80 of the Revised Code,~~ shall establish model 26515
professional development programs to assist teachers who completed 26516
their teacher preparation prior to the effective date of division 26517
(A) of this section to become skilled at integrating educational 26518
technology in the instruction of children. The ~~commission~~ agency 26519
shall provide technical assistance to school districts wishing to 26520
establish such programs. 26521

Sec. 3319.55. (A) A grant program is hereby established to 26522
recognize and reward teachers in public and chartered nonpublic 26523
schools who hold valid teaching certificates or licenses issued by 26524
the national board for professional teaching standards. The 26525
superintendent of public instruction shall administer this program 26526
in accordance with this section and rules which the state board of 26527
education shall adopt in accordance with Chapter 119. of the 26528
Revised Code. 26529

In each fiscal year that the general assembly appropriates 26530
funds for purposes of this section, the superintendent of public 26531
instruction shall award a grant to each person who, by the first 26532
day of April of that year and in accordance with the rules adopted 26533
under this section, submits to the superintendent evidence 26534

(B) "Resident" and "full-time student" have the meanings established for purposes of this section by rule of the Ohio board of regents.

The board shall establish and administer a student choice grant program and shall adopt rules for the administration of the program.

The board may make a grant to any resident of this state who is enrolled as a full-time student in a bachelor's degree program at an eligible institution and maintains an academic record that meets or exceeds the standard established pursuant to this section by rule of the board, except that no grant shall be made to any individual who was enrolled as a student in an institution of higher education on or before July 1, 1984, or is serving a term of imprisonment. The grant shall not exceed the lesser of the total instructional and general charges of the institution in which the student is enrolled, or an amount equal to one-fourth of the total of any state instructional subsidy amount distributed by the board in the second fiscal year of the preceding biennium for all full-time students enrolled in bachelor's degree programs at four-year state-assisted institutions of higher education divided by the sum of the actual number of full-time students enrolled in bachelor's degree programs at four-year state-assisted institutions of higher education reported to the board for such year by the institutions to which the subsidy was distributed.

The board shall prescribe the form and manner of application for grants including the manner of certification by eligible institutions that each applicant from such institution is enrolled

in a bachelor's degree program as a full-time student and has an
academic record that meets or exceeds the standard established by
the board.

institution in which the student is enrolled, and the institution
shall reduce the student's instructional and general charges by
the amount of the grant. Each grant awarded shall be prorated and
paid in equal installments at the time of enrollment for each term
of the academic year for which the grant is awarded. No student
shall be eligible to receive a grant for more than ten semesters,
fifteen quarters, or the equivalent of five academic years.

The receipt of an Ohio student choice grant shall not affect
a student's eligibility for assistance, or the amount of such

3333.22, 3333.26, 5910.03, 5910.032, or 5919.34 of the Revised
Code. If a student receives assistance under one or more of such
sections, the student choice grant made to the student shall not
exceed the difference between the amount of assistance received
under such sections and the total instructional and general
charges of the institution in which the student is enrolled.

The general assembly shall support the student choice grant
program by such sums and in such manner as it may provide, but the
board may also receive funds from other sources to support the
program.

No grant shall be made to any student enrolled in a course of
study leading to a degree in theology, religion, or other field of
preparation for a religious profession unless the course of study
leads to an accredited bachelor of arts or bachelor of science
degree.

Institutions of higher education that enroll students
receiving grants under this section shall report to the board the

name of each student who has received such a grant but who is no
longer eligible for all or part of such grant and shall refund all
moneys due to the state within thirty days after the beginning of

employees retirement board in a manner agreed upon by the 28587
authority that maximizes the return on investment and minimizes 28588

authority determines appropriate, shall be deposited in the 28627

this section and sections 145.112 and 145.113 of the Revised Code. 28632
All investment fees and other costs incurred in connection with 28633
the exercise of the investment powers shall be paid from the 28634
assets of the reserve fund. Except as otherwise provided for in 28635
this chapter, all operating expenses of the authority and costs of 28636
administering the program shall be paid from the operating fund. 28637

The treasurer shall, upon request of the authority, transfer funds 28638
from the reserve fund to the operating fund as the authority 28639
determines appropriate to pay those current operating expenses of 28640
the authority and costs of administering the program as the 28641
authority designates. Any interest or investment income earned on 28642
the assets of the operating fund shall be deposited in the 28643
operating fund. 28644

(H) In January of each year the authority shall report to 28645
each person who received any payments or refunds from the 28646
authority during the preceding year information relative to the 28647

would use in the conduct of an enterprise of a like character and 28666
with like aims; and by diversifying the investments of the assets 28667
of the funds so as to minimize the risk of large losses, unless 28668
under the circumstances it is clearly prudent not to do so. 28669

establish a partnership, trust, limited liability company, 28671

(A) Annually, the Ohio tuition trust authority shall have the 28737
actuarial soundness of the Ohio tuition trust fund evaluated by a 28738
nationally recognized actuary and shall determine whether 28739
additional assets are necessary to defray the obligations of the 28740

soundness of the fund, the executive director shall have a 28744
nationally recognized actuary conduct the necessary evaluation. If 28745
the assets of the fund are insufficient to ensure the actuarial 28746
soundness of the fund, the authority shall adjust the price of 28747
subsequent purchases of tuition ~~credits~~ units to the extent 28748
necessary to help restore the actuarial soundness of the fund. If, 28749
at any time, the adjustment is likely, in the opinion of the 28750
authority, to diminish the marketability of tuition ~~credits~~ units 28751
to an extent that the continued sale of the ~~credits~~ units likely 28752
would not restore the actuarial soundness of the fund and external 28753
economic factors continue to negatively impact the soundness of 28754
the program, the authority may suspend sales, either permanently 28755
or temporarily, of tuition ~~credits~~ units. During any suspension, 28756
the authority shall continue to service existing college savings 28757

(C) The authority shall prepare and cause to have audited an 28765
annual financial report on all financial activity of the Ohio 28766
tuition trust authority within ninety days of the end of the 28767

financial report to the governor, the president of the senate, the 28769

receives state appropriations. Therefore, the authority is 28792
directed by the state of Ohio to assume it is exempt from federal 28793

tax liability. 28794

Sec. 3334.17. (A) The state, any political subdivision of the 28795

units shall have the same value to the beneficiary of a 28815
scholarship awarded pursuant to this section as they would have to 28816
any other beneficiary pursuant to division (B) of section 3334.09 28817
of the Revised Code. 28818

(C) The entity establishing and maintaining a scholarship 28819
program shall specify whether a scholarship beneficiary may 28820
receive a refund or payment for the amount awarded under the 28821
scholarship program directly from the authority, or whether the 28822
amount awarded shall be paid by the authority only to the 28823
institution of higher education in which the student is enrolled. 28824

(D) If a scholarship beneficiary does not use the amount 28825
awarded within a length of time specified under the scholarship 28826

other higher education expenses of the beneficiary, consistent 28841
with the maximum contributions permitted by section 529 of the 28842
Internal Revenue Code. However, in no event shall contributions or 28843
purchases exceed the allowable limit for a qualified ~~state~~ tuition 28844
program under section 529 of the Internal Revenue Code. 28845

does not guarantee that contributions and the investment return on 28847
contributions, if any, will be adequate to cover future tuition 28848
and other higher education expenses or that a beneficiary will be 28849
admitted to or permitted to continue to attend an institution of 28850
higher education. 28851

(2) Returns on contributors' investments in the variable 28852

(2) On the filing of a divorce decree under section 3105.10 31280
or a decree of dissolution under section 3105.65 of the Revised 31281

forthcoming to the board of health of ~~such~~ the district out of the 31310
district health fund because the taxes within the ten-mill 31311
limitation will be insufficient, the board of health shall certify 31312
~~the fact of such~~ that there is an insufficiency of funds for the 31313
program to the board of county commissioners of the county in 31314
which ~~such~~ the district is located. ~~Such~~ The board of county 31315

~~which that~~ may be raised within the ten-mill limitation will be 31327
insufficient to provide an adequate amount for the necessary 31328
requirements of ~~such~~ the district within the county, and that it 31329
is necessary to levy a tax in excess of ~~such~~ the limitation in 31330
order to provide the board of health with sufficient funds to 31331

space and utilities. ~~Such~~ The resolution shall be filed with the 31332
board of elections not later than four p.m. of the seventy-fifth 31333

~~Such resolution and~~ shall specify the amount of increase in 31336
rate ~~which that~~ it is necessary to levy and the number of years 31337

in section 5705.25 of the Revised Code, provided that the proposal 31342
shall be placed on the ballot at the next primary or general 31343

resolution is filed with the board of elections. 31345

Sec. 3709.34. (A) ~~The board of county commissioners or the~~ 31346
legislative authority of any city may furnish suitable quarters 31347
for any board of health or health department having jurisdiction 31348
over all or a major part of ~~such county or~~ that city. 31349

(B)(1) Subject to division (B)(6) of this section, through 31350
fiscal year 2005, the board of county commissioners shall provide 31351
office space and utilities for the board of health having 31352
jurisdiction over the county's general health district. 31353

Thereafter, subject to division (B)(6) of this section, the board of county commissioners shall make payments as provided in divisions (B)(2) and (3) of this section for the office space and utilities until fiscal year 2010. Starting in fiscal year 2010, the board has no duty to provide office space or utilities, or to make payments for office space or utilities, for the board of health of the county's general health district.

(2)(a) Not later than the thirtieth day of September 2005, 2006, 2007, and 2008, the board of county commissioners shall make a written estimate of the total cost for the ensuing fiscal year to provide office space and utilities to the board of health of the county's general health district. The estimate of total cost shall include all of the following:

(i) The total square feet of space to be used by the board of health;

(ii) The total square feet of any common areas that should be reasonably allocated to the board of health and the method for making this allocation;

(iii) The actual cost per square foot for both the space used by and the common areas allocated to the board of health;

(iv) An explanation of the method used to determine the actual cost per square foot;

(v) The estimated cost of providing utilities, including an explanation of how this cost was determined;

(vi) Any other estimated costs the board of county commissioners anticipates will be incurred to provide office space and utilities to the board of health, including a detailed explanation of those costs and the rationale used to determine them.

(b) The board of county commissioners shall forward a copy of

the estimate of total cost to the director of the board of health 31384
not later than the fifth day of October 2005, 2006, 2007, and 31385
2008. The director shall review the estimate and notify the board 31386
of county commissioners not later than twenty days after its 31387
receipt of either agreement with it or any specific objections to 31388
it and the reasons for the objections. If the director agrees with 31389
the estimate, it shall become the final estimate of total cost. 31390
Failure of the director to make objections to the estimate by the 31391
twentieth day after its receipt shall be deemed to mean that the 31392
director is in agreement with the estimate. 31393

If the director timely provides specific objections to the 31394
board of county commissioners, the board shall review the 31395
objections and may modify the original estimate and send a revised 31396
estimate of total cost to the director within ten days after 31397
receipt of the objections. The director shall respond to a revised 31398
estimate within ten days after its receipt. If the director agrees 31399
with it, the revised estimate shall become the final estimate of 31400
total cost. If the director fails to respond within the ten-day 31401
period, the director shall be deemed to have agreed with the 31402
revised estimate. If the director disagrees with the revised 31403
estimate, the director shall send specific objections to the board 31404
of county commissioners within the ten-day period. 31405

(c) If the director sends specific objections to a revised 31406
estimate within the required time, or if there is no revised 31407
estimate and the director timely objected to the original 31408
estimate, the probate judge of the county shall determine the 31409
final estimate of total cost and certify this amount to the 31410
director and the board of county commissioners before the first 31411
day of January 2006, 2007, 2008, or 2009, as applicable. 31412

(3)(a) Subject to division (B)(6) of this section, a board of 31413
county commissioners shall be responsible for the following 31414
percentages of the final estimate of total cost established by 31415

<u>division (B)(2) of this section:</u>	31416

<u>of office space and utilities for the board of health, including</u>	31426
<u>any unanticipated or unexpected increases in costs beyond the</u>	31427

<u>(c) Beginning in fiscal year 2010, the board of county</u>	31429
<u>commissioners has no obligation to provide office space or</u>	31430
<u>utilities, or to make payments for office space or utilities, for</u>	31431
<u>the board of health.</u>	31432
<u>(4) After fiscal year 2009, the board of county commissioners</u>	31433
<u>and the board of health of the county's general health district</u>	31434
<u>may enter into a contract for the board of county commissioners to</u>	31435
<u>provide office space for the use of the board of health and to</u>	31436
<u>provide utilities for that office space. The term of any such</u>	31437

of its functions, the board of county commissioners of the county 31450
served by the general health district has no further obligation 31451
under division (B) of this section to provide office space or 31452
utilities, or to make payments for office space or utilities, for 31453
the board of health, unless the board of county commissioners 31454
enters into a contract under division (B)(4) of this section or 31455

(2) The owner or operator of a construction and demolition 31507
debris facility or a solid waste facility shall determine if cubic 31508
yards or tons will be used as the unit of measurement. In 31509
estimating the fee based on cubic yards, the owner or operator 31510
shall utilize either the maximum cubic yard capacity of the 31511
container, or the hauling volume of the vehicle, that transports 31512
the construction and demolition debris to the facility or the 31513
cubic yards actually logged for disposal by the owner or operator 31514
in accordance with rules adopted under section 3714.02 of the 31515
Revised Code. If basing the fee on tonnage, the owner or operator 31516
shall use certified scales to determine the tonnage of 31517
construction and demolition debris that is transported to the 31518
facility for disposal. 31519

(3) The owner or operator of a construction and demolition 31520
debris facility or a solid waste facility shall collect the fee 31521

director of environmental protection monthly returns indicating 31527
the total volume or weight, as applicable, of construction and 31528
demolition debris received for disposal at the facility and the 31529
total amount of money required to be collected on the construction 31530

money required to be collected on the construction and demolition 31535
debris disposed of during that month. The owner or operator may 31536
request, in writing, an extension of not more than thirty days 31537

after the last day of the month to which the return applies. A 31538
request for extension may be denied. If the owner or operator 31539
submits the money late, the owner or operator shall pay a penalty 31540
of ten per cent of the amount of the money due for each month that 31541
it is late. 31542

(4) Of the money that is collected from a construction and 31543
demolition debris facility or a solid waste facility on a per 31544
cubic yard or per ton basis under this section, a board of health 31545
shall transmit three cents per cubic yard or six cents per ton, as 31546

section to the treasurer of state to be credited to the 31555
construction and demolition debris facility oversight fund, which 31556
is hereby created in the state treasury. The fund shall be 31557
administered by the director, and money credited to the fund shall 31558
be used exclusively for the administration and enforcement of this 31559
chapter and rules adopted under it. 31560

(B) The board of health of a health district or the director 31561
may enter into an agreement with the owner or operator of a 31562
construction and demolition debris facility or a solid waste 31563
facility for the quarterly payment of the money collected from the 31564
disposal fee. The board of health shall notify the director of any 31565
such agreement. Not later than forty-five days after receipt of 31566
the quarterly payment, the board of health shall transmit the 31567

solid waste facility is located within the territorial boundaries 31576
of a municipal corporation or the unincorporated area of a 31577
township, the municipal corporation or township may appropriate up 31578
to four cents per cubic yard or up to eight cents per ton of the 31579
disposal fee required to be paid by the facility under division 31580
(A) of this section for the same purposes that a municipal 31581
corporation or township may levy a fee under division (C) of 31582
section 3734.57 of the Revised Code. 31583

The legislative authority of the municipal corporation or 31584
township may appropriate the money from the fee by enacting an 31585
ordinance or adopting a resolution establishing the amount of the 31586
fee to be appropriated. Upon doing so, the legislative authority 31587
shall mail a certified copy of the ordinance or resolution to the 31588
board of health of the health district in which the construction 31589
and demolition debris facility or the solid waste facility is 31590
located or, if the facility is located in a health district that 31591
is not on the approved list under section 3714.09 of the Revised 31592
Code, to the director. Upon receipt of the copy of the ordinance 31593
or resolution and not later than forty-five days after receipt of 31594
money collected from the fee, the board or the director, as 31595
applicable, shall transmit to the treasurer or other appropriate 31596
officer of the municipal corporation or clerk of the township that 31597
portion of the money collected from the disposal fee by the owner 31598
or operator of the facility that is required by the ordinance or 31599
resolution to be paid to that municipal corporation or township. 31600

Money received by the treasurer or other appropriate officer 31601

of a municipal corporation under this division shall be paid into 31602
the general fund of the municipal corporation. Money received by 31603
the clerk of a township under this division shall be paid into the 31604
general fund of the township. The treasurer or other officer of 31605
the municipal corporation or the clerk of the township, as 31606
appropriate, shall maintain separate records of the money received 31607
under this division. 31608

The legislative authority of a municipal corporation or 31609
township may cease collecting money under this division by 31610
repealing the ordinance or resolution that was enacted or adopted 31611
under this division. 31612

(D) The board of county commissioners of a county in which a 31613
construction and demolition debris facility or a solid waste 31614
facility is located may appropriate up to three cents per cubic 31615
yard or up to six cents per ton of the disposal fee required to be 31616
paid by the facility under division (A) of this section for the 31617
same purposes that a solid waste management district may levy a 31618
fee under division (B) of section 3734.57 of the Revised Code. 31619

The board of county commissioners may appropriate the money 31620
from the fee by adopting a resolution establishing the amount of 31621
the fee to be appropriated. Upon doing so, the board of county 31622
commissioners shall mail a certified copy of the resolution to the 31623
board of health of the health district in which the construction 31624
and demolition debris facility or the solid waste facility is 31625
located or, if the facility is located in a health district that 31626
is not on the approved list under section 3714.09 of the Revised 31627
Code, to the director. Upon receipt of the copy of the resolution 31628
and not later than forty-five days after receipt of money 31629

or operator of the facility that is required by the resolution to 31633

be paid to that county. 31634

Money received by a county treasurer under this division 31635
shall be paid into the general fund of the county. The county 31636
treasurer shall maintain separate records of the money received 31637
under this division. 31638

A board of county commissioners may cease collecting money 31639
under this division by repealing the resolution that was adopted 31640
under this division. 31641

(E)(1) This section does not apply to the disposal of 31642
