state public defender's appropriations, to the extent there is a 2721
sufficient available balance in those appropriations. If the state 2722
public defender does not have a sufficient available balance in 2723
the state public defender's appropriations to pay the entire award 2724
of legal fees, court costs, or expenses, the director shall make 2725
application for a transfer of appropriations out of the emergency 2726
purposes account or any other appropriation for emergencies or 2727
contingencies in an amount equal to the portion of the award that 2728
exceeds the sufficient available balance in the state public 2729
defender's appropriations. A transfer of appropriations out of the 2730
emergency purposes account or any other appropriation for 2731
emergencies or contingencies shall be authorized if there are 2732

portion of the award that exceeds the sufficient available balance 2738
in the state public defender's appropriations, the director shall 2739
cause the payment to be made to the private legal counsel. If 2740
sufficient moneys do not exist in the emergency purposes account 2741
or other appropriation for emergencies or contingencies to pay an 2742
amount equal to the portion of the award that exceeds the 2743
sufficient available balance in the state public defender's 2744
appropriations, the private legal counsel shall request the 2745
general assembly to make an appropriation sufficient to pay an 2746
amount equal to the portion of the award that exceeds the 2747
sufficient available balance in the state public defender's 2748
appropriations, and no payment in that amount shall be made until 2749
the appropriation has been made. The private legal counsel shall 2750
make the request during the current biennium and during each 2751
succeeding biennium until a sufficient appropriation is made. 2752

(b) An award of legal fees, court costs, and expenses 2753

public defender, an employee, or an attorney in a specified civil 2760
action or proceeding shall not exceed fifty thousand dollars. 2761

(ii) The private legal counsel shall not be awarded legal 2762

reasonable in light of the legal services rendered by the private 2768

legal counsel in connection with the defense of the Ohio public 2769
defender commission, the state public defender, an assistant state 2770
public defender, an employee, or an attorney in a specified civil 2771
action or proceeding. 2772

(c) If, pursuant to division (E)(2)(a) of this section, the 2773
attorney general denies a request for an award of legal fees, 2774
court costs, or expenses to private legal counsel because of the 2775
application of a limitation specified in division (E)(2)(b) of 2776
this section, the attorney general shall notify the private legal 2777
counsel in writing of the denial and of the limitation applied. 2778

(d) If, pursuant to division (E)(2)(c) of this section, a 2779
private legal counsel receives a denial of an award notification 2780
or if a private legal counsel refuses to approve a document under 2781
division (E)(2)(a)(ii) of this section because of the proposed 2782
application of a limitation specified in division (E)(2)(b) of 2783
this section, the private legal counsel may commence a civil 2784
action against the attorney general in the court of claims to 2785
prove the private legal counsel's entitlement to the award sought, 2786
to prove that division (E)(2)(b) of this section does not prohibit 2787
or otherwise limit the award sought, and to recover a judgment for 2788
the amount of the award sought. A civil action under division 2789
(E)(2)(d) of this section shall be commenced no later than two 2790
years after receipt of a denial of award notification or, if the 2791
private legal counsel refused to approve a document under division 2792
(E)(2)(a)(ii) of this section because of the proposed application 2793
of a limitation specified in division (E)(2)(b) of this section, 2794
no later than two years after the refusal. Any judgment of the 2795
court of claims in favor of the private legal counsel shall be 2796
paid from the state treasury in accordance with division (E)(2)(a) 2797
of this section. 2798

(F) If a court appoints the office of the state public 2799
defender to represent a petitioner in a postconviction relief 2800

proceeding under section 2953.21 of the Revised Code, the
petitioner has received a sentence of death, and the proceeding
relates to that sentence, all of the attorneys who represent the

provide for the allocation of the proportion of expenses to be 2908
paid by each county, which may be based upon population, number of 2909
cases, or such other factors as the commissioners determine to be 2910

costs under section 120.52 of the Revised Code and after deduction 3154
of the amounts identified in ~~division~~ divisions (D)(1)(a) and, 3155
(b), and (c) of this section, the remaining moneys shall be 3156
apportioned among the counties that are served by eligible legal 3157
aid societies that have applied for financial assistance under 3158
this section so that each such county is apportioned a portion of 3159
those moneys, based upon the ratio of the number of indigents who 3160
reside in that county to the total number of indigents who reside 3161
in all counties of this state that are served by eligible legal 3162
aid societies that have applied for financial assistance under 3163
this section. Subject to division (E) of this section, the moneys 3164
apportioned to a county under this division then shall be 3165
allocated to the eligible legal aid society that serves the county 3166
and that has applied for financial assistance under this section. 3167
For purposes of this division, the source of data identifying the 3168
number of indigent persons who reside in a county shall be the 3169
most recent decennial census figures from the United States 3170
department of commerce, division of census. 3171

(E) If the Ohio legal assistance foundation, in attempting to 3172

make an allocation of moneys under division (D)(2) of this 3173
section, determines that a county that has been apportioned money 3174
under that division is served by more than one eligible legal aid 3175
society that has applied for financial assistance under this 3176
section, the Ohio legal assistance foundation shall allocate the 3177
moneys that have been apportioned to that county under division 3178
(D)(2) of this section among all eligible legal aid societies that 3179
serve that county and that have applied for financial assistance 3180
under this section on a pro rata basis, so that each such eligible 3181
society is allocated a portion based upon the amount of its total 3182
budget expended in the prior calendar year for legal services in 3183
that county as compared to the total amount expended in the prior 3184
calendar year for legal services in that county by all eligible 3185
legal aid societies that serve that county and that have applied 3186
for financial assistance under this section. 3187

(F) Moneys allocated to eligible applicants under this 3188
section shall be paid twice annually, on the thirty-first day of 3189
January and on the thirty-first day of July of the calendar year 3190
following the calendar year in which the application is filed. 3191

(G)(1) A legal aid society that receives financial assistance 3192
in any calendar year under this section shall file an annual 3193
report with the Ohio legal assistance foundation detailing the 3194
number and types of cases handled, and the amount and types of 3195
legal training, legal technical assistance, and other service 3196
provided, by means of that financial assistance. No information 3197
contained in the report shall identify or enable the 3198
identification of any person served by the legal aid society or in 3199
any way breach client confidentiality. 3200

(2) The Ohio legal assistance foundation shall make an annual 3201
report to the governor, the general assembly, and the supreme 3202
court on the distribution and use of the legal aid fund. The 3203
foundation also shall include in the annual report an audited 3204

financial statement of all gifts, bequests, donations, 3205
contributions, and other moneys the foundation receives. No 3206
information contained in the report shall identify or enable the 3207
identification of any person served by a legal aid society, or in 3208
any way breach confidentiality. 3209

(H) A legal aid society may enter into agreements for the 3210
provision of services, programs, training, or legal technical 3211
assistance for the legal aid society or to indigent persons. 3212

Notwithstanding any other provision of law, the public members of a county council are not prohibited from serving on the council and making decisions regarding the duties of the council, including those involving the funding of joint projects and those outlined in the county's service coordination mechanism implemented pursuant to division (C) of this section.

The cabinet council shall establish a state appeals process to resolve disputes among the members of a county council concerning whether reasonable responsibilities as members are being shared. The appeals process may be accessed only by a

section, a county council shall comply with the policies, 3380
procedures, and activities prescribed by the rules or interagency 3381
agreements of a state department participating on the cabinet 3382
council whenever the county council performs a function subject to 3383
those rules or agreements. 3384

(b) On application of a county council, the cabinet council 3385
may grant an exemption from any rules or interagency agreements of 3386

approach for service delivery to families and children. The 3389
application shall describe the proposed program or approach and 3390
specify the rules or interagency agreements from which an 3391

exemption is effective only while the program or approach is being 3395
implemented, including a reasonable period during which the 3396
program or approach is being evaluated for effectiveness. 3397

(4)(a) Each county council shall designate an administrative 3398
agent for the council from among the following public entities: 3399

education or governing boards of educational service centers; or 3409
the county's juvenile court. Any of the foregoing public entities, 3410
other than the board of county commissioners, may decline to serve 3411
as the council's administrative agent. 3412

A county council's administrative agent shall serve as the 3413
council's appointing authority for any employees of the council. 3414
The council shall file an annual budget with its administrative 3415
agent, with copies filed with the county auditor and with the 3416

board of county commissioners, unless the board is serving as the
council's administrative agent. The council's administrative agent
shall ensure that all expenditures are handled in accordance with
policies, procedures, and activities prescribed by state
departments in rules or interagency agreements that are applicable
to the council's functions.

The administrative agent for a county council may do any of
the following on behalf of the council:

(i) Enter into agreements or administer contracts with public
or private entities to fulfill specific council business. Such
agreements and contracts are exempt from the competitive bidding
requirements of section 307.86 of the Revised Code if they have
been approved by the county council and they are for the purchase
of family and child welfare or child protection services or other
social or job and family services for families and children. The
approval of the county council is not required to exempt
agreements or contracts entered into under section 5139.34,
5139.41, or 5139.43 of the Revised Code from the competitive
bidding requirements of section 307.86 of the Revised Code.

(ii) As determined by the council, provide financial
stipends, reimbursements, or both, to family representatives for
expenses related to council activity;

(iii) Receive by gift, grant, devise, or bequest any moneys,
lands, or other property for the purposes for which the council is
established. The agent shall hold, apply, and dispose of the
moneys, lands, or other property according to the terms of the
gift, grant, devise, or bequest. Any interest or earnings shall be
treated in the same manner and are subject to the same terms as
the gift, grant, devise, or bequest from which it accrues.

(b)(i) If the county council designates the board of county
commissioners as its administrative agent, the board may, by

resolution, delegate any of its powers and duties as 3448
administrative agent to an executive committee the board 3449
establishes from the membership of the county council. The board 3450
shall name to the executive committee at least the individuals 3451
described in divisions (B)(1)~~(b) through (h)~~(a) to (i) of this 3452
section and may appoint the president of the board or another 3453
individual as the chair of the executive committee. 3454

(ii) The executive committee may, with the approval of the 3455
board, hire an executive director to assist the county council in 3456
administering its powers and duties. The executive director shall 3457
serve in the unclassified civil service at the pleasure of the 3458
executive committee. The executive director may, with the approval 3459
of the executive committee, hire other employees as necessary to 3460
properly conduct the county council's business. 3461

(iii) The board may require the executive committee to submit 3462
an annual budget to the board for approval and may amend or repeal 3463
the resolution that delegated to the executive committee its 3464
authority as the county council's administrative agent. 3465

(5) Two or more county councils may enter into an agreement 3466
to administer their county councils jointly by creating a regional 3467
family and children first council. A regional council possesses 3468
the same duties and authority possessed by a county council, 3469
except that the duties and authority apply regionally rather than 3470
to individual counties. Prior to entering into an agreement to 3471
create a regional council, the members of each county council to 3472
be part of the regional council shall meet to determine whether 3473
all or part of the members of each county council will serve as 3474
members of the regional council. 3475

(6) A board of county commissioners may approve a resolution 3476
by a majority vote of the board's members that requires the county 3477
council to submit a statement to the board each time the council 3478

proposes to enter into an agreement, adopt a plan, or make a
decision, other than a decision pursuant to section 121.38 of the
Revised Code, that requires the expenditure of funds for two or
more families. The statement shall describe the proposed
agreement, plan, or decision.

Not later than fifteen days after the board receives the
statement, it shall, by resolution approved by a majority of its
members, approve or disapprove the agreement, plan, or decision.
Failure of the board to pass a resolution during that time period
shall be considered approval of the agreement, plan, or decision.

An agreement, plan, or decision for which a statement is
required to be submitted to the board shall be implemented only if
it is approved by the board.

(C) Each county shall develop a county service coordination
mechanism. The mechanism shall be developed and approved with the
participation of the county entities representing child welfare;
mental retardation and developmental disabilities; alcohol, drug
addiction, and mental health services; health; juvenile judges;
education; the county family and children first council; and the
county early intervention collaborative established pursuant to
the federal early intervention program operated under the
"Education of the Handicapped Act Amendments of 1986." The county
shall establish an implementation schedule for the mechanism. The
cabinet council may monitor the implementation and administration
of each county's service coordination mechanism.

Each mechanism shall include all of the following:

is conducted within ten days of the placement. 3530

(6) A procedure for monitoring the progress and tracking the 3531
outcomes of each service coordination plan requested in the county 3532
including monitoring and tracking children in out-of-home 3533

evidence presented during the local dispute resolution process. 3670
The decision maker may require an agency to provide services or 3671

3674

(B) An agency subject to a determination issued pursuant to a 3675
local dispute resolution process shall immediately comply with the 3676

notice as required for those hearings. 3699

Except in cases in which the hearing is conducted as part of 3700
the adjudicatory or dispositional hearing, a hearing held pursuant 3701

agencies are to provide services or funding for services to the 3703
child. At the conclusion of the hearing, the court shall issue an 3704
order directing one or more agencies represented on the county 3705

shall provide services and funding as required by the decision 3719

3915

(B) The tax credit authority may make grants under this section to foster job creation in this state. Such a grant shall take the form of a refundable credit allowed against the tax imposed by section 5733.06 or 5747.02 of the Revised Code for taxable years ending prior to 2008 and against the tax levied by Chapter 5751. of the Revised Code for tax periods beginning on or after July 1, 2008. (C) A taxpayer or potential taxpayer who proposes a project to create new jobs in this state may apply to the tax credit authority to enter into an agreement for a tax credit under this section. The director of development shall prescribe the form of the application. After receipt of an application, the authority 3932
3933
3934
3935
3936

may enter into an agreement with the taxpayer for a credit under 3937
this section if it determines all of the following: 3938

(1) The taxpayer's project will create new jobs in this 3939
state; 3940

(2) The taxpayer's project is economically sound and will 3941
benefit the people of this state by increasing opportunities for 3942
employment and strengthening the economy of this state; 3943

(3) Receiving the tax credit is a major factor in the 3944
taxpayer's decision to go forward with the project. 3945

at the project location for at least twice the number of years as 3954
the term of the tax credit; 3955

(4) The percentage, as determined by the tax credit 3956
authority, of new income tax revenue that will be allowed as the 3957

the director of development the number of new employees, the new 3964
income tax revenue withheld in connection with the new employees, 3965
and any other information the director needs to perform the 3966

director's duties under this section; 3967

(7) A requirement that the director of development annually 3968
shall verify the amounts reported under division (D)(6) of this 3969
section, and after doing so shall issue a certificate to the 3970
taxpayer stating that the amounts have been verified; 3971

(8)(a) A provision requiring that the taxpayer, except as 3972
otherwise provided in division (D)(8)(b) of this section, shall 3973
not relocate employment positions from elsewhere in this state to 3974
the project site that is the subject of the agreement for the 3975
lesser of five years from the date the agreement is entered into 3976
or the number of years the taxpayer is entitled to claim the tax 3977
credit. 3978

(b) The taxpayer may relocate employment positions from 3979

expansion plans, consolidation plans, or other business 3985
considerations affecting the taxpayer; 3986

(ii) That the legislative authority of the county, township, 3987
or municipal corporation from which the employment positions would 3988

For purposes of this section, the movement of an employment 3990
position from one political subdivision to another political 3991
subdivision shall be considered a relocation of an employment 3992
position, but the transfer of an individual employee from one 3993
political subdivision to another political subdivision shall not 3994
be considered a relocation of an employment position as long as 3995
the individual's employment position in the first political 3996
subdivision is refilled. 3997

(E) If a taxpayer fails to meet or comply with any condition 3998
or requirement set forth in a tax credit agreement, the tax credit 3999
authority may amend the agreement to reduce the percentage or term 4000
of the tax credit. The reduction of the percentage or term shall 4001
take effect in the taxable year immediately following the taxable 4002
year in which the authority amends the agreement or in the first 4003
tax period beginning in the calendar year immediately following 4004
the calendar year in which the authority amends the agreement. If 4005
the taxpayer relocates employment positions in violation of the 4006

year in which the relocation occurs and any subsequent tax 4015
periods. 4016

(F) Projects that consist solely of point-of-final-purchase 4017
retail facilities are not eligible for a tax credit under this 4018

the project consisting of the nonretail facilities is eligible for 4021
a tax credit and only the new income tax revenue from new 4022
employees of the nonretail facilities shall be considered when 4023
computing the amount of the tax credit. If a warehouse facility is 4024
part of a point-of-final-purchase retail facility and supplies 4025
only that facility, the warehouse facility is not eligible for a 4026
tax credit. Catalog distribution centers are not considered 4027
point-of-final-purchase retail facilities for the purposes of this 4028
division, and are eligible for tax credits under this section. 4029

(G) Financial statements and other information submitted to 4030
the department of development or the tax credit authority by an 4031
applicant or recipient of a tax credit under this section, and any 4032
information taken for any purpose from such statements or 4033
information, are not public records subject to section 149.43 of 4034
the Revised Code. However, the chairperson of the authority may 4035
make use of the statements and other information for purposes of 4036
issuing public reports or in connection with court proceedings 4037
concerning tax credit agreements under this section. Upon the 4038
request of the tax commissioner, the chairperson of the authority 4039
shall provide to the commissioner any statement or information 4040
submitted by an applicant or recipient of a tax credit in 4041
connection with the credit. The commissioner shall preserve the 4042
confidentiality of the statement or information. 4043

(H) A taxpayer claiming a credit under this section shall 4044
submit to the tax commissioner a copy of the director of 4045
development's certificate of verification under division (D)(7) of 4046
this section for the taxable year or for the calendar year that 4047
includes the tax period. However, failure to submit a copy of the 4048
certificate does not invalidate a claim for a credit. 4049

(I) The director of development, after consultation with the 4050
tax commissioner and in accordance with Chapter 119. of the 4051
Revised Code, shall adopt rules necessary to implement this 4052
section. The rules may provide for recipients of tax credits under 4053
this section to be charged fees to cover administrative costs of 4054
the tax credit program. At the time the director gives public 4055
notice under division (A) of section 119.03 of the Revised Code of 4056
the adoption of the rules, the director shall submit copies of the 4057
proposed rules to the chairpersons of the standing committees on 4058
economic development in the senate and the house of 4059
representatives. 4060

taxpayer continues to maintain other operations in this state.
After making the determination, the authority shall certify the

director of development shall submit a report to the governor, the
president of the senate, and the speaker of the house of

appointed shall hold office for the remainder of that term. 4141
Members may be reappointed to the authority. Members of the 4142
authority shall receive their necessary and actual expenses while 4143
engaged in the business of the authority. The director of 4144

members annually shall elect a vice-chairperson from among 4146
themselves. Three members of the authority constitute a quorum to 4147
transact and vote on the business of the authority. The majority 4148
vote of the membership of the authority is necessary to approve 4149
any such business, including the election of the vice-chairperson. 4150

The director of development may appoint a professional 4151
employee of the department of development to serve as the 4152
director's substitute at a meeting of the authority. The director 4153
shall make the appointment in writing. In the absence of the 4154
director from a meeting of the authority, the appointed substitute 4155

information reported under division (E)(6) of this section and
compliance with the agreement. Upon verification, the director
shall issue a certificate to the taxpayer stating that the
information has been verified and identifying the amount of the
credit for the taxable year. Unless otherwise specified by the tax
credit authority in a resolution and included as part of the
agreement, the director shall not issue a certificate for any year
in which the total number of filled full-time employment positions
for each day of the calendar year divided by three hundred

(8)(a) A provision requiring that the taxpayer, except as 4372
otherwise provided in division (E)(8)(b) of this section, shall 4373
not relocate employment positions from elsewhere in this state to 4374
the project site that is the subject of the agreement for the 4375
lesser of five years from the date the agreement is entered into 4376
or the number of years the taxpayer is entitled to claim the 4377
credit. 4378

(b) The taxpayer may relocate employment positions from 4379
elsewhere in this state to the project site that is the subject of 4380
the agreement if the director of development determines both of 4381
the following: 4382

(i) That the site from which the employment positions would 4383
be relocated is inadequate to meet market and industry conditions, 4384
expansion plans, consolidation plans, or other business 4385
considerations affecting the taxpayer; 4386

(ii) That the legislative authority of the county, township, 4387
or municipal corporation from which the employment positions would 4388
be relocated has been notified of the relocation. 4389

For purposes of this section, the movement of an employment 4390
position from one political subdivision to another political 4391
subdivision shall be considered a relocation of an employment 4392
position unless the movement is confined to the project site. The 4393
transfer of an individual employee from one political subdivision 4394
to another political subdivision shall not be considered a 4395
relocation of an employment position as long as the individual's 4396
employment position in the first political subdivision is 4397

authority may amend the agreement to reduce the percentage or term
of the credit. The reduction of the percentage or term shall take
effect in the taxable year immediately following the taxable year
in which the authority amends the agreement or in the first tax
period beginning in the calendar year immediately following the
calendar year in which the authority amends the agreement. If the
taxpayer relocates employment positions in violation of the
provision required under division (D)(8)(a) of this section, the
taxpayer shall not claim the tax credit under section 5733.0610 of
the Revised Code for any tax years following the calendar year in
which the relocation occurs, ~~or~~ shall not claim the tax credit
under section 5747.058 of the Revised Code for the taxable year in
which the relocation occurs and any subsequent taxable years, and
shall not claim the tax credit under division (A) of section
5751.50 of the Revised Code for the tax period in which the
relocation occurs and any subsequent tax periods.

(G) Financial statements and other information submitted to
the department of development or the tax credit authority by an
applicant for or recipient of a tax credit under this section, and
any information taken for any purpose from such statements or
information, are not public records subject to section 149.43 of
the Revised Code. However, the chairperson of the authority may
make use of the statements and other information for purposes of
issuing public reports or in connection with court proceedings
concerning tax credit agreements under this section. Upon the
request of the tax commissioner, the chairperson of the authority
shall provide to the commissioner any statement or other
information submitted by an applicant for or recipient of a tax
credit in connection with the credit. The commissioner shall
preserve the confidentiality of the statement or other
information.

(H) A taxpayer claiming a tax credit under this section shall 4435
submit to the tax commissioner a copy of the director of 4436
development's certificate of verification under division (E)(7) of 4437
this section for the taxable year or for the calendar year that 4438
includes the tax period. However, failure to submit a copy of the 4439
certificate does not invalidate a claim for a credit. 4440

(I) For the purposes of this section, a taxpayer may include 4441
a partnership, a corporation that has made an election under 4442
subchapter S of chapter one of subtitle A of the Internal Revenue 4443
Code, or any other business entity through which income flows as a 4444
distributive share to its owners. A tax credit received under this 4445
section by a partnership, S-corporation, or other such business 4446
entity shall be apportioned among the persons to whom the income 4447
or profit of the partnership, S-corporation, or other entity is 4448
distributed, in the same proportions as those in which the income 4449
or profit is distributed. 4450

(J) If the director of development determines that a taxpayer 4451
that received a tax credit under this section is not complying 4452
with the requirement under division (E)(4) of this section, the 4453
director shall notify the tax credit authority of the 4454
noncompliance. After receiving such a notice, and after giving the 4455
taxpayer an opportunity to explain the noncompliance, the 4456
authority may terminate the agreement and require the taxpayer to 4457
refund to the state all or a portion of the credit claimed in 4458
previous years, as follows: 4459

(1) If the taxpayer maintained operations at the project site 4460
for less than the term of the credit, the amount required to be 4461
refunded shall not exceed the amount of any tax credits previously 4462
allowed and received under this section. 4463

(2) If the taxpayer maintained operations at the project site 4464
longer than the term of the credit but less than one and one-half 4465

times the term of the credit, the amount required to be refunded 4466
shall not exceed fifty per cent of the sum of any tax credits 4467
previously allowed and received under this section. 4468

(3) If the taxpayer maintained operations at the project site 4469
for at least one and one-half times the term of the credit but 4470
less than twice the term of the credit, the amount required to be 4471
refunded shall not exceed twenty-five per cent of the sum of any 4472
tax credits previously allowed and received under this section. 4473

In determining the portion of the credit to be refunded to 4474
this state, the authority shall consider the effect of market 4475
conditions on the taxpayer's project and whether the taxpayer 4476
continues to maintain other operations in this state. After making 4477
the determination, the authority shall certify the amount to be 4478
refunded to the tax commissioner. The commissioner shall make an 4479
assessment for that amount against the taxpayer under Chapter 4480
5733. ~~or, 5747., or 5751.~~ of the Revised Code. The time 4481
limitations on assessments under ~~Chapter 5733. or 5747. of the~~ 4482
~~Revised Code~~ those chapters do not apply to an assessment under 4483
this division, but the commissioner shall make the assessment 4484
within one year after the date the authority certifies to the 4485
commissioner the amount to be refunded. 4486

If the director of development determines that a taxpayer 4487
that received a tax credit under this section has reduced the 4488
number of employees agreed to under division (E)(5) of this 4489
section by more than ten per cent, the director shall notify the 4490
tax credit authority of the noncompliance. After receiving such 4491
notice, and after providing the taxpayer an opportunity to explain 4492
the noncompliance, the authority may amend the agreement to reduce 4493
the percentage or term of the tax credit. The reduction in the 4494
percentage or term shall take effect in the taxable year, or in 4495
the calendar year that includes the tax period, in which the 4496
authority amends the agreement. 4497

(K) The director of development, after consultation with the tax commissioner and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section. The rules may provide for recipients of tax credits under this section to be charged fees to cover administrative costs of the tax credit program. At the time the director gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

(L) On or before the thirty-first day of March of each year, the director of development shall submit a report to the governor, the president of the senate, and the speaker of the house of representatives on the tax credit program under this section. The report shall include information on the number of agreements that were entered into under this section during the preceding calendar year, a description of the project that is the subject of each such agreement, and an update on the status of projects under agreements entered into before the preceding calendar year.

(M)(1) A nonrefundable credit shall be allowed to an applicable corporation and its related members in an amount equal to the applicable difference. The credit is in addition to the credit granted to the corporation or related members under division (B) of this section. The credit is subject to divisions (B) to (E) and division (J) of this section.

(2) A person qualifying as an applicable corporation under this section for a tax year does not necessarily qualify as an applicable corporation for any other tax year. No person is entitled to the credit allowed under division (M) of this section for the tax year immediately following the taxable year during which the person fails to meet the requirements in divisions

(A)(6)(a)(i) and (A)(6)(b) of this section. No person is entitled 4530

salary during the month, and the denominator shall be two hundred 6952

is less than six hundred dollars, the member's credit shall not be 6954
reduced below twenty per cent of a year for a calendar year of 6955
employment during which the member worked each month. Division 6956

the date of payment. A member may make a payment for part of the 7000
period for which the increased contribution was not withheld, in 7001
which case the interest shall be computed from the date the last 7002
contribution would have been withheld for the period for which the 7003
payment is made. Upon the payment of the increased contributions 7004
as provided in this division, the increased annual salary as 7005
provided by law for the office for the period for which the member 7006

grantee, or of any one of the grantees named in the title, and a 8299
reference to the volume and page of the recording of the next 8300
preceding recorded instrument by or through which the grantor 8301
claims title, the county auditor shall transfer any land or town 8302
lot or part thereof, minerals therein, or mineral rights thereto, 8303
charged with taxes on the tax list, from the name in which it 8304
stands into the name of the owner, when rendered necessary by a 8305
conveyance, partition, devise, descent, or otherwise. If by reason 8306
of the conveyance or otherwise, a part only of a tract or lot, 8307
minerals therein, or mineral rights thereto, as charged in the tax 8308
list, is to be transferred, the auditor shall determine the tax 8309
value of the part of a tract or lot of real estate, minerals 8310
therein, or mineral rights thereto, so transferred, and the value 8311
of the remaining part compared with the value of the whole. 8312

Whenever a part only of a tract or lot of real estate has 8313
been transferred by the auditor and ~~such~~ the tract or lot bears 8314
unpaid taxes, penalties, interest, or special assessments, the 8315
unpaid taxes, penalties, interest, or special assessments shall 8316
immediately be apportioned, upon demand or request by the 8317
transferee or remaining owner, in the following manner: 8318

(A) The auditor shall allocate to the part so transferred, 8319
and to the remaining part, amounts of any current or delinquent 8320

as a whole, proportionate to their respective values. 8322

(B) The lien of taxes, penalties, interest, and special 8323
assessments, as levied against the original tract, shall extend to 8324
the part so transferred and the part remaining only to the extent 8325
of the amounts so allocated to the respective parts. 8326

This section does not change the total amount of taxes, 8327
special assessments, or other charges as originally levied, or the 8328

total amount of the balance due. The auditor shall certify such
apportionments to the county treasurer.

8329
8330

Whenever the state acquires an entire parcel or a part only
of a parcel of real property in fee simple, the county auditor,
upon application of the grantor or property owner or the state,
which application shall contain a description of the property as
it appears on the tax list and the date of transfer of ownership,
shall prepare an estimate of the taxes that are a lien on ~~said~~ the
property, but have not been determined, assessed, and levied for
the year in which the property was acquired. The county auditor
shall thereupon apportion ~~such~~ the estimated taxes proportionately
between the grantor and the state for the period of the lien year
that each had or shall have had ownership or possession of the
property, whichever is earlier. The county treasurer shall accept
payment from the state for estimated taxes at the time that the
real property is acquired. If the state has paid in full in the
year in which the property is acquired that proportion of the
estimated taxes that the tax commissioner determines are not
subject to remission by the county auditor for such year under
division (C) of section 5713.08 of the Revised Code, the estimated
taxes paid shall be considered the tax liability on the exempted
property for that year.

Sec. 319.301. (A) This section does not apply to any of the following:

(1) Taxes levied at whatever rate is required to produce a specified amount of tax money or an amount to pay debt charges;

(2) Taxes levied within the one per cent limitation imposed by Section 2 of Article XII, Ohio Constitution, except as otherwise provided in division (F) of this section;

(3) Taxes provided for by the charter of a municipal corporation.

(B) As used in this section:

(1) "Real property" includes real property owned by a railroad.

(2) "Carryover property" means all real property on the current year's tax list except:

(a) Land and improvements that were not taxed by the district in both the preceding year and the current year;

(b) Land and improvements that were not in the same class in both the preceding year and the current year.

(3) "Effective tax rate" means with respect to each class of property:

(a) The sum of the total taxes that would have been charged 8389
and payable for current expenses against real property in that 8390
class if each of the district's taxes were reduced for the current 8391
year under division (D)(1) of this section without regard to the 8392
application of division (E)(3) of this section divided by 8393

(b) The taxable value of all real property in that class. 8394

(4) "Taxes charged and payable" means the taxes charged and 8395
payable prior to any reduction required by section 319.302 of the 8396
Revised Code. 8397

(C) The tax commissioner shall make the determinations 8398
required by this section each year, without regard to whether a 8399
taxing district has territory in a county to which section 5715.24 8400
of the Revised Code applies for that year. Separate determinations 8401
shall be made for each of the two classes established pursuant to 8402
section 5713.041 of the Revised Code. 8403

(D) With respect to each tax authorized to be levied by each 8404
taxing district, the tax commissioner, annually, shall do both of 8405
the following: 8406

(1) Determine by what percentage, if any, the sums levied by 8407
such tax against the carryover property in each class would have 8408
to be reduced for the tax to levy the same number of dollars 8409
against such property in that class in the current year as were 8410
charged against such property by such tax in the preceding year 8411
subsequent to the reduction made under this section but before the 8412
reduction made under section 319.302 of the Revised Code. In the 8413
case of a tax levied for the first time that is not a renewal of 8414
an existing tax, the commissioner shall determine by what 8415
percentage the sums that would otherwise be levied by such tax 8416
against carryover property in each class would have to be reduced 8417
to equal the amount that would have been levied if the full rate 8418
thereof had been imposed against the total taxable value of such 8419

property in the preceding tax year. A tax or portion of a tax that
is designated a replacement levy under section 5705.192 of the
Revised Code is not a renewal of an existing tax for purposes of
this division.

(2) Certify each percentage determined in division (D)(1) of
this section, as adjusted under division (E) of this section, and
the class of property to which that percentage applies to the
auditor of each county in which the district has territory. The
auditor, after complying with section 319.30 of the Revised Code,
shall reduce the sum to be levied by such tax against each parcel
of real property in the district by the percentage so certified
for its class. Certification shall be made by the first day of
September except in the case of a tax levied for the first time,
in which case certification shall be made within fifteen days of
the date the county auditor submits the information necessary to
make the required determination.

(E)(1) As used in division (E)(2) of this section, "pre-1982
joint vocational taxes" means, with respect to a class of
property, the difference between the following amounts:

(a) The taxes charged and payable in tax year 1981 against
the property in that class for the current expenses of the joint
vocational school district of which the school district is a part
after making all reductions under this section;

(b) The following percentage of the taxable value of all real
property in that class:

(i) In 1987, five one-hundredths of one per cent;

(ii) In 1988, one-tenth of one per cent;

(iii) In 1989, fifteen one-hundredths of one per cent;

(iv) In 1990 and each subsequent year, two-tenths of one per
cent.

If the amount in division (E)(1)(b) of this section exceeds 8450
the amount in division (E)(1)(a) of this section, the pre-1982 8451
joint vocational taxes shall be zero. 8452

As used in divisions (E)(2) and (3) of this section, "taxes 8453
charged and payable" has the same meaning as in division (B)(4) of 8454
this section, and excludes any tax charged and payable in 1985 or 8455
thereafter under sections 5705.194 to 5705.197 or section 5705.213 8456
or 5705.219 of the Revised Code. 8457

(2) If in the case of a school district other than a joint 8458
vocational or cooperative education school district any percentage 8459
required to be used in division (D)(2) of this section for either 8460
class of property could cause the total taxes charged and payable 8461
for current expenses to be less than two per cent of the taxable 8462
value of all real property in that class that is subject to 8463
taxation by the district, the commissioner shall determine what 8464
percentages would cause the district's total taxes charged and 8465
payable for current expenses against that class, after all 8466
reductions that would otherwise be made under this section, to 8467
equal, when combined with the pre-1982 joint vocational taxes 8468
against that class, the lesser of the following: 8469

(a) The sum of the rates at which those taxes are authorized 8470
to be levied; 8471

(b) Two per cent of the taxable value of the property in that 8472
class. The auditor shall use such percentages in making the 8473
reduction required by this section for that class. 8474

(3)(a) If in the case of a joint vocational school district 8475
any percentage required to be used in division (D)(2) of this 8476
section for either class of property could cause the total taxes 8477
charged and payable for current expenses for that class to be less 8478
than the designated amount, the commissioner shall determine what 8479
percentages would cause the district's total taxes charged and 8480

payable for current expenses for that class, after all reductions 8481
that would otherwise be made under this section, to equal the 8482
designated amount. The auditor shall use such percentages in 8483
making the reductions required by this section for that class. 8484

(b) As used in division (E)(3)(a) of this section, the 8485
designated amount shall equal the taxable value of all real 8486
property in the class that is subject to taxation by the district 8487
times the lesser of the following: 8488

(i) Two-tenths of one per cent; 8489

(ii) The district's effective rate plus the following 8490
percentage for the year indicated: 8491

WHEN COMPUTING THE 8492

TAXES CHARGED FOR ADD THE FOLLOWING PERCENTAGE: 8493

1987	0.025%	8494
1988	0.05%	8495
1989	0.075%	8496
1990	0.1%	8497
1991	0.125%	8498
1992	0.15%	8499
1993	0.175%	8500
1994 and thereafter	0.2%	8501

(F) As used in this division, "specified percentage" means 8502
the percentage specified in a resolution under division (A)(2) of 8503
section 5705.219 of the Revised Code, plus one hundred per cent. 8504

With respect to each tax authorized to be levied by a school 8505
district under section 5705.219 of the Revised Code, the tax 8506
commissioner, annually, shall do both of the following: 8507

(1) Determine by what percentage, if any, the sums levied by 8508
such tax against the carryover property in each class would have 8509
to be reduced for the tax to levy the specified percentage of the 8510
number of dollars against such property in that class in the 8511

current year as were charged against such property by such tax in 8512
the preceding year subsequent to the reduction made under this 8513
division but before the reduction made under section 319.302 of 8514
the Revised Code. 8515

If the sums that otherwise would be levied by the tax against 8516
the carryover property in a class in the current year do not 8517
exceed the specified percentage of the sums charged against such 8518
property in that class in the preceding year subsequent to the 8519
reduction under this division but before the reduction made under 8520
section 319.302 of the Revised Code, no reduction shall be made 8521
under this division for the current year. In the case of a tax 8522
levied for the first time that is not a renewal of an existing 8523
tax, the commissioner shall determine by what percentage the sums 8524
that otherwise would be levied by such tax against carryover 8525
property in each class would have to be reduced to equal the 8526
specified percentage of the amount that would have been levied if 8527
the full rate thereof had been imposed against the total taxable 8528
value of such property in the preceding tax year. A tax or portion 8529
of a tax levied under section 5705.219 of the Revised Code that is 8530
designated a replacement levy is not a renewal of an existing tax 8531
for the purposes of this division. 8532

(2) Certify each percentage determined in division (F)(1) of 8533
this section and the class of property to which that percentage 8534
applies to the county auditor of each county in which the district 8535
has territory. The county auditor, after complying with section 8536
319.30 of the Revised Code, shall reduce the sum to be levied by 8537
such tax against each parcel of real property in the district by 8538
the percentage so certified for its class. Certification shall be 8539
made by the first day of September except in the case of a tax 8540
levied for the first time, in which case certification shall be 8541
made within fifteen days of the date the county auditor submits 8542
the information necessary to make the required determination. 8543

(G) No reduction shall be made under this section in the rate 8544
at which any tax is levied. 8545

~~(G)~~(H) The commissioner may order a county auditor to furnish 8546
any information ~~he~~ the commissioner needs to make the 8547
determinations required under division (D) ~~or~~ (E), or (F) of this 8548
section, and the auditor shall supply the information in the form 8549
and by the date specified in the order. If the auditor fails to 8550
comply with an order issued under this division, except for good 8551
cause as determined by the commissioner, the commissioner shall 8552
withhold from such county or taxing district therein fifty per 8553
cent of state revenues to local governments pursuant to section 8554
5747.50 of the Revised Code or shall direct the department of 8555
education to withhold therefrom fifty per cent of state revenues 8556
to school districts pursuant to Chapter 3317. of the Revised Code. 8557
The commissioner shall withhold the distribution of such revenues 8558
until the county auditor has complied with this division, and the 8559
department shall withhold the distribution of such revenues until 8560
the commissioner has notified the department that the county 8561
auditor has complied with this division. 8562

~~(H)~~(I) If the commissioner is unable to certify a tax 8563
reduction factor for either class of property in a taxing district 8564
located in more than one county by the last day of November 8565
because information required under division ~~(G)~~(H) of this section 8566
is unavailable, ~~he~~ the commissioner may compute and certify an 8567
estimated tax reduction factor for that district for that class. 8568
The estimated factor shall be based upon an estimate of the 8569
unavailable information. Upon receipt of the actual information 8570
for a taxing district that received an estimated tax reduction 8571
factor, the commissioner shall compute the actual tax reduction 8572
factor and use that factor to compute the taxes that should have 8573
been charged and payable against each parcel of property for the 8574
year for which the estimated reduction factor was used. The amount 8575

by which the estimated factor resulted in an overpayment or 8576
underpayment in taxes on any parcel shall be added to or 8577
subtracted from the amount due on that parcel in the ensuing tax 8578
year. 8579

A percentage or a tax reduction factor determined or computed 8580
by the commissioner under this section shall be used solely for 8581
the purpose of reducing the sums to be levied by the tax to which 8582
it applies for the year for which it was determined or computed. 8583
It shall not be used in making any tax computations for any 8584
ensuing tax year. 8585

~~(I)~~(J) In making the determinations under division (D)(1) or 8586
(F)(1) of this section, the tax commissioner shall take account of 8587
changes in the taxable value of carryover property resulting from 8588
complaints filed under section 5715.19 of the Revised Code for 8589
determinations made for the tax year in which such changes are 8590
reported to the commissioner. Such changes shall be reported to 8591
the commissioner on the first abstract of real property filed with 8592
the commissioner under section 5715.23 of the Revised Code 8593
following the date on which the complaint is finally determined by 8594
the board of revision or by a court or other authority with 8595
jurisdiction on appeal. The tax commissioner shall account for 8596
such changes in making the determinations only for the tax year in 8597
which the change in valuation is reported. Such a valuation change 8598
shall not be used to recompute the percentages determined under 8599
division (D)(1) or (F)(1) of this section for any prior tax year. 8600

Sec. 319.302. (A)(1) The county auditor shall classify each 8601
parcel of real property as qualifying property or nonqualifying 8602
property, according to its principal, current use. Vacant lots and 8603
tracts of land upon which there are no structures or improvements 8604
shall be classified in accordance with their location and their 8605
highest and best probable legal use. For purposes of this section, 8606

lands and improvements thereon used for residential or 8607
agricultural purposes shall be classified as qualifying property, 8608
and all other lands and improvements thereon and minerals or 8609
rights to minerals shall be classified as nonqualifying property. 8610

(2) Each year, the county auditor shall reclassify each 8611
parcel of real property whose principal, current use has changed 8612
from the preceding year to reflect the use of the property as of 8613
the first day of January of the current tax year. 8614

(B) After complying with section 319.301 of the Revised Code, 8615
the county auditor shall reduce the remaining sums to be levied 8616
against each parcel of real property listed on the general tax 8617
list and duplicate of real and public utility property for the 8618
current tax year and classified for that tax year as qualifying 8619
property under division (A) of this section, and against each 8620
manufactured and mobile home that is taxed pursuant to division 8621
(D)(2) of section 4503.06 of the Revised Code and that is on the 8622
manufactured home tax list for the current tax year, by ten per 8623
cent, to provide a partial exemption for that property or such 8624
home. Except as otherwise provided in sections 323.152, 323.158, 8625
505.06, and 715.263 of the Revised Code, the amount of the taxes 8626
remaining after such reduction, if any, shall be the real and 8627
public utility property taxes charged and payable on each parcel 8628
of real property, including nonqualifying property, and the 8629
manufactured home tax charged and payable, ~~on each property~~ 8630
manufactured or mobile home, and shall be the amounts certified to 8631
the county treasurer for collection. Upon receipt of the tax 8632
duplicate, the treasurer shall certify to the tax commissioner the 8633
total amount by which taxes were reduced under this section, as 8634
shown on the duplicate. Such reduction shall not directly or 8635
indirectly affect the determination of the principal amount of 8636
notes that may be issued in anticipation of any tax levies or the 8637
amount of bonds or notes for any planned improvements. If after 8638

application of sections 5705.31 and 5705.32 of the Revised Code 8639
and other applicable provisions of law, including divisions (F) 8640
and (I) of section 321.24 of the Revised Code, there would be 8641
insufficient funds for payment of debt charges on bonds or notes 8642
payable from taxes reduced by this section, the reduction of taxes 8643
provided for in this section shall be adjusted to the extent 8644
necessary to provide funds from such taxes. 8645

(C) The tax commissioner shall adopt rules governing the 8646
classification of property under this section, and no property 8647
shall be classified under this section except in accordance with 8648
those rules. 8649

(D) The classification required by division (A) of this 8650
section is solely for the purpose of allowing the partial 8651
exemption for qualifying property under division (B) of this 8652
section. This section does not apply to classifying real property 8653
for any other purpose authorized or required by law, or by rule of 8654
the tax commissioner. 8655

Sec. 319.54. (A) On all moneys collected by the county 8656
treasurer on any tax duplicate of the county, other than estate 8657
tax duplicates, and on all moneys received as advance payments of 8658
personal property and classified property taxes, the county 8659
auditor, on settlement with the treasurer and tax commissioner, on 8660
or before the date prescribed by law for such settlement or any 8661
lawful extension of such date, shall be allowed as compensation 8662
for the county auditor's services the following percentages: 8663

(1) On the first one hundred thousand dollars, two and 8664
one-half per cent; 8665

(2) On the next two million dollars, eight thousand three 8666

fifty-five ten-thousandths of one per cent; 8669

(4) On all further sums, one thousand six hundred sixty-three 8670
ten-thousandths of one per cent. 8671

If any settlement is not made on or before the date 8672
prescribed by law for such settlement or any lawful extension of 8673
such date, the aggregate compensation allowed to the auditor shall 8674
be reduced one per cent for each day such settlement is delayed 8675
after the prescribed date. No penalty shall apply if the auditor 8676
and treasurer grant all requests for advances up to ninety per 8677
cent of the settlement pursuant to section 321.34 of the Revised 8678
Code. The compensation allowed in accordance with this section on 8679
settlements made before the dates prescribed by law, or the 8680
reduced compensation allowed in accordance with this section on 8681
settlements made after the date prescribed by law or any lawful 8682
extension of such date, shall be apportioned ratably by the 8683
auditor and deducted from the shares or portions of the revenue 8684
payable to the state as well as to the county, townships, 8685
municipal corporations, and school districts. 8686

(B) From all moneys collected by the county treasurer on any 8687
tax duplicate of the county, other than estate tax duplicates, and 8688
on all moneys received as advance payments of personal property 8689
and classified property taxes, there shall be paid into the county 8690
treasury to the credit of the real estate assessment fund created 8691
by section 325.31 of the Revised Code, an amount to be determined 8692
by the county auditor, which shall not exceed the following 8693
percentages: 8694

8705
8706
8707

(D) On or before the thirty-first day of October, in each 8878
year, the treasurer shall settle with the auditor for all taxes 8879
that the treasurer has collected on the general personal and 8880

classified property duplicates, and for all advance payments of 8881
general personal and classified property taxes, not included in 8882
the preceding June settlement, that the treasurer has received at 8883
the time of making such settlement. 8884

(E) In the event the time for the payment of taxes is 8885
extended, pursuant to section 323.17 of the Revised Code, the date 8886
on or before which settlement for the taxes so extended must be 8887
made, as herein prescribed, shall be deemed to be extended for a 8888
like period of time. At each such settlement, the auditor shall 8889
allow to the treasurer, on the moneys received or collected and 8890
accounted for by the treasurer, the treasurer's fees, at the rate 8891
or percentage allowed by law, at a full settlement of the 8892
treasurer. 8893

taxes required under divisions (A) and (C) of this section, the 8895
treasurer shall certify to the tax commissioner any adjustments 8896
~~which~~ that have been made to the amount certified previously 8897

the commissioner shall provide for payment to the county treasurer 8900
from the general revenue fund of an amount equal to one-half of 8901
the amount certified by the treasurer in the preceding tax year 8902
under section 319.302 of the Revised Code, less one-half of the 8903
amount computed for all taxing districts in that county for the 8904
current fiscal year under section 5703.80 of the Revised Code for 8905
crediting to the property tax administration fund. Such payment 8906
shall be credited upon receipt to the county's undivided income 8907
tax fund, and the county auditor shall transfer to the county 8908
general fund from the amount thereof the total amount of all fees 8909
and charges which the auditor and treasurer would have been 8910
authorized to receive had such section not been in effect and that 8911
amount had been levied and collected as taxes. The county auditor 8912

shall distribute the amount remaining among the various taxing 8913
districts in the county as if it had been levied, collected, and 8914
settled as real property taxes. The amount distributed to each 8915
taxing district shall be reduced by the total of the amounts 8916
computed for the district under ~~divisions (A), (B), and (C)~~ of 8917
section 5703.80 of the Revised Code, but the reduction shall not 8918
exceed the amount that otherwise would be distributed to the 8919
taxing district under this division. The tax commissioner shall 8920
make available to taxing districts such information as is 8921
sufficient for a taxing district to be able to determine the 8922
amount of the reduction in its distribution under this section. 8923

(G)(1) Within thirty days after the day of the settlement 8924
required in division (D) of this section, the county treasurer 8925
shall notify the tax commissioner that the settlement has been 8926
completed. Upon receipt of that notification, the commissioner 8927

revenue fund of an amount equal to the amount certified under 8929
former section 319.311 of the Revised Code and paid in the state's 8930
fiscal year 2003 multiplied by the percentage specified in 8931
division (G)(2) of this section. The payment shall be credited 8932
upon receipt to the county's undivided income tax fund, and the 8933
county auditor shall distribute the amount thereof among the 8934
various taxing districts of the county as if it had been levied, 8935
collected, and settled as personal property taxes. The amount 8936
received by a taxing district under this division shall be 8937
apportioned among its funds in the same proportion as the current 8938
year's personal property taxes are apportioned. 8939

(2) Payments required under division (G)(1) of this section 8940
shall be made at the following percentages of the amount certified 8941

After fiscal year ~~2012~~ 2009, no payments shall be made under 8953
division (G)(1) of this section. 8954

(H)(1) On or before the fifteenth day of April each year, the 8955
county treasurer shall settle with the county auditor for all 8956
manufactured home taxes that the county treasurer has collected on 8957

the county treasurer shall settle with the county auditor for all 8961
remaining manufactured home taxes that the county treasurer has 8962

commissioner shall provide for payment to the county treasurer 8975
from the general revenue fund of an amount equal to one-half of 8976
the amount certified by the treasurer in the current tax year 8977
under section 319.302 of the Revised Code. Such payment shall be 8978
credited upon receipt to the county's undivided income tax fund, 8979
and the county auditor shall transfer to the county general fund 8980
from the amount thereof the total amount of all fees and charges 8981
that the auditor and treasurer would have been authorized to 8982
receive had such section not been in effect and that amount had 8983
been levied and collected as taxes. The county auditor shall 8984
distribute the amount remaining among the various taxing districts 8985
in the county as if it had been levied, collected, and settled as 8986

(A)(1) Division (A) of this section applies to any of the 9047

(d)(i) Except as provided in division (A)(3)(d)(ii) of this
section, round the resulting sum to the nearest multiple of one
hundred dollars;

(ii) If rounding the resulting sum to the nearest multiple of
one hundred dollars under division (A)(3)(d)(i) of this section
does not increase the dollar amounts by which taxable value is

reduced, the resulting sum instead shall be rounded to the nearest
multiple of ten dollars.

The commissioner shall certify the amounts resulting from the
adjustment to each county auditor not later than the first day of
December each year. The certified amounts apply to the following

reductions are not forfeited for such year by virtue of such
transfer.

(D) The reductions in taxable value referred to in this
section shall be applied solely as a factor for the purpose of
computing the reduction of taxes under this section and shall not
affect the total value of property in any subdivision or taxing

district as listed and assessed for taxation on the tax lists and
duplicates, or any direct or indirect limitations on indebtedness
of a subdivision or taxing district. If after application of
sections 5705.31 and 5705.32 of the Revised Code, including the
allocation of all levies within the ten-mill limitation to debt
charges to the extent therein provided, there would be
insufficient funds for payment of debt charges not provided for by
levies in excess of the ten-mill limitation, the reduction of
taxes provided for in sections 323.151 to 323.159 of the Revised
Code shall be proportionately adjusted to the extent necessary to
provide such funds from levies within the ten-mill limitation.

(E) No reduction shall be made on the taxes due on the

section 319.301 of the Revised Code, the time for delivery of the
tax duplicate of the county treasurer by the county auditor as
provided in section 319.28 of the Revised Code shall be extended
to the first Monday in December. When delivery of the tax
duplicate has been so delayed, the times for payment of taxes as

tax duplicate, or from the treasurer regarding an extension of the 9158
time for the billing and collection of taxes. 9159

When a delay in the closing of a tax collection period 9160

commissioner shall prescribe the final extended date for the 9166
payment of taxes for that collection period. 9167

or collection of taxes. Such application shall contain a statement 9173
describing the emergency that will cause the unavoidable delay. 9174
Any application from the county auditor for an extension of time 9175
for delivery of the duplicate due to an emergency must be received 9176
by the tax commissioner on or before the last day of the month 9177
preceding the date required for such delivery. When an extension 9178
of time for delivery of the duplicate is so granted, the time for 9179
payment of taxes shall be extended for a like period of time. 9180

Whenever taxable real property has been destroyed or damaged 9181
by fire, flood, tornado, or otherwise, in an amount not less than 9182
twenty-five per cent of the value as listed and assessed for 9183
taxation but in no event less than two thousand dollars of taxable 9184
value, the county board of revision, by resolution, may extend the 9185

time for payment of taxes on such property not more than one year 9186
after the time fixed by section 323.12 of the Revised Code. The 9187
board shall file a copy of such resolution with the county auditor 9188
and county treasurer, stating the name of the owner and 9189

section 319.54 of the Revised Code, which shall be paid into the 9201
county treasury to the credit of the real estate assessment fund 9202
hereby created. 9203

may be expended, upon appropriation by the board of county 9205
commissioners, for the purpose of defraying one or more of the 9206

than six months prior to the conclusion of the fiscal year in 9435
which the board's current plan is scheduled to expire, a community 9436
mental health plan listing community mental health needs, 9437
including the needs of all residents of the district now residing 9438
in state mental institutions and severely mentally disabled 9439
adults, children, and adolescents; all children subject to a 9440
determination made pursuant to section 121.38 of the Revised Code; 9441
and all the facilities and community mental health services that 9442
are or will be in operation or provided during the period for 9443
which the plan will be in operation in the service district to 9444

director shall inform the board of the reasons for the disapproval 9466
and of the criteria that must be met before the plan may be 9467
approved. The director shall provide the board an opportunity to 9468
present its case on behalf of the plan. The director shall give 9469
the board a reasonable time in which to meet the criteria, and 9470
shall offer the board technical assistance to help it meet the 9471

If the approval of a plan remains in dispute thirty days 9473
prior to the conclusion of the fiscal year in which the board's 9474
current plan is scheduled to expire, the board or the director may 9475
request that the dispute be submitted to a mutually agreed upon 9476
third-party mediator with the cost to be shared by the board and 9477
the department. The mediator shall issue to the board and the 9478
department recommendations for resolution of the dispute. Prior to 9479
the conclusion of the fiscal year in which the current plan is 9480
scheduled to expire, the director, taking into consideration the 9481
recommendations of the mediator, shall make a final determination 9482
and approve or disapprove the plan, in whole or in part. 9483

If a board determines that it is necessary to amend a plan or 9484
an allocation request that has been approved under division 9485
(A)(1)(c) of this section, the board shall submit a proposed 9486
amendment to the director. The director may approve or disapprove 9487
all or part of the amendment. If the director does not approve all 9488
or part of the amendment within thirty days after it is submitted, 9489
the amendment or part of it shall be considered to have been 9490
approved. The director shall inform the board of the reasons for 9491
disapproval of all or part of an amendment and of the criteria 9492

that must be met before the amendment may be approved. The 9493
director shall provide the board an opportunity to present its 9494
case on behalf of the amendment. The director shall give the board 9495
a reasonable time in which to meet the criteria, and shall offer 9496
the board technical assistance to help it meet the criteria. 9497

The board shall implement the plan approved by the 9498
department. 9499

(d) Receive, compile, and transmit to the department of 9500
mental health applications for state reimbursement; 9501

(e) Promote, arrange, and implement working agreements with 9502
social agencies, both public and private, and with judicial 9503

(2) Investigate, or request another agency to investigate, 9505
any complaint alleging abuse or neglect of any person receiving 9506
services from a community mental health agency as defined in 9507
section 5122.01 of the Revised Code, or from a residential 9508
facility licensed under section 5119.22 of the Revised Code. If 9509
the investigation substantiates the charge of abuse or neglect, 9510
the board shall take whatever action it determines is necessary to 9511
correct the situation, including notification of the appropriate 9512
authorities. Upon request, the board shall provide information 9513
about such investigations to the department. 9514

(3) For the purpose of section 5119.611 of the Revised Code, 9515

evaluating whether the services of a community mental health 9517
agency satisfy the certification standards established by rules 9518
adopted under that section; 9519

(4) In accordance with criteria established under division 9520
(G) of section 5119.61 of the Revised Code, review and evaluate 9521

and recommendations to the department of mental health; 9524

(5) In accordance with section 5119.22 of the Revised Code, 9525

(6) Audit, in accordance with rules adopted by the auditor of 9529
state pursuant to section 117.20 of the Revised Code, at least 9530

the board. In so doing, the board may contract for or employ the 9532
services of private auditors. A copy of the fiscal audit report 9533

state, and the county auditor of each county in the board's 9535
district. 9536

(7) Recruit and promote local financial support for mental 9537
health programs from private and public sources; 9538

(8)(a) Enter into contracts with public and private 9539
facilities for the operation of facility services included in the 9540
board's community mental health plan and enter into contracts with 9541
public and private community mental health agencies for the 9542
provision of community mental health services listed in section 9543
340.09 of the Revised Code and included in the board's community 9544
mental health plan. Contracts with community mental health 9545
agencies are subject to section 5119.611 of the Revised Code. 9546
Section 307.86 of the Revised Code does not apply to contracts 9547
entered into under this division. In contracting with a community 9548
mental health agency, a board shall consider the cost 9549
effectiveness of services provided by that agency and the quality 9550
and continuity of care, and may review cost elements, including 9551
salary costs, of the services to be provided. A utilization review 9552
process shall be established as part of the contract for services 9553
entered into between a board and a community mental health agency. 9554

The board may establish this process in a way that is most 9555
effective and efficient in meeting local needs. In the case of a 9556
contract with a community mental health facility, as defined in 9557
section ~~5111.022~~ 5111.023 of the Revised Code, to provide services 9558
listed in division (B) of that section, the contract shall provide 9559
for the facility to be paid in accordance with the contract 9560
entered into between the departments of job and family services 9561
and mental health under section 5111.91 of the Revised Code and 9562
any rules adopted under division (A) of section 5119.61 of the 9563
Revised Code. 9564

If either the board or a facility or community mental health 9565
agency with which the board contracts under division (A)(8)(a) of 9566
this section proposes not to renew the contract or proposes 9567
substantial changes in contract terms, the other party shall be 9568
given written notice at least one hundred twenty days before the 9569
expiration date of the contract. During the first sixty days of 9570
this one hundred twenty-day period, both parties shall attempt to 9571
resolve any dispute through good faith collaboration and 9572
negotiation in order to continue to provide services to persons in 9573
need. If the dispute has not been resolved sixty days before the 9574
expiration date of the contract, either party may notify the 9575
department of mental health of the unresolved dispute. The 9576
director may require both parties to submit the dispute to a third 9577
party with the cost to be shared by the board and the facility or 9578
community mental health agency. The third party shall issue to the 9579
board, the facility or agency, and the department recommendations 9580
on how the dispute may be resolved twenty days prior to the 9581
expiration date of the contract, unless both parties agree to a 9582
time extension. The director shall adopt rules establishing the 9583
procedures of this dispute resolution process. 9584

(b) With the prior approval of the director of mental health, 9585
a board may operate a facility or provide a community mental 9586

health service as follows, if there is no other qualified private
or public facility or community mental health agency that is

community mental health service for no longer than one year,
except that such a board may operate a facility or provide a
community mental health service for more than one year with the
prior approval of the director and the prior approval of the board
of county commissioners, or of a majority of the boards of county
commissioners if the district is a joint-county district.

The director shall not give a board approval to operate a
facility or provide a community mental health service under
division (A)(8)(b)(ii) or (iii) of this section unless the
director determines that it is not feasible to have the department
operate the facility or provide the service.

The director shall not give a board approval to operate a
facility or provide a community mental health service under
division (A)(8)(b)(iii) of this section unless the director
determines that the board will provide greater administrative
efficiency and more or better services than would be available if
the board contracted with a private or public facility or
community mental health agency.

The director shall not give a board approval to operate a facility previously operated by a person or other government entity unless the board has established to the director's satisfaction that the person or other government entity cannot effectively operate the facility or that the person or other government entity has requested the board to take over operation of the facility. The director shall not give a board approval to provide a community mental health service previously provided by a community mental health agency unless the board has established to the director's satisfaction that the agency cannot effectively provide the service or that the agency has requested the board take over providing the service.

The director shall review and evaluate a board's operation of a facility and provision of community mental health service under division (A)(8)(b) of this section.

Nothing in division (A)(8)(b) of this section authorizes a board to administer or direct the daily operation of any facility or community mental health agency, but a facility or agency may contract with a board to receive administrative services or staff direction from the board under the direction of the governing body of the facility or agency.

(9) Approve fee schedules and related charges or adopt a unit cost schedule or other methods of payment for contract services provided by community mental health agencies in accordance with guidelines issued by the department as necessary to comply with state and federal laws pertaining to financial assistance;

(10) Submit to the director and the county commissioners of the county or counties served by the board, and make available to the public, an annual report of the programs under the jurisdiction of the board, including a fiscal accounting;

(11) Establish, to the extent resources are available, a

community support system, which provides for treatment, support, 9649
and rehabilitation services and opportunities. The essential 9650
elements of the system include, but are not limited to, the 9651
following components in accordance with section 5119.06 of the 9652
Revised Code: 9653

listed in section 340.09 of the Revised Code are available to 9688
severely mentally disabled persons residing within its service 9689

than five per cent of the territory of the school district is 9811
located outside the municipal corporation; 9812

(2) A municipal corporation that shares the same territory as 9813

division (B) of this section. 9824

(B) ~~Before January 1, 2001, the~~ The legislative authority of 9825
a municipal corporation to which this section applies may propose 9826
to the electors an income tax, one of the purposes of which shall 9827
be to provide financial assistance to the school district through 9828
payment to the district of not less than twenty-five per cent of 9829
the revenue generated by the tax. Prior to proposing the tax, the 9830
legislative authority shall negotiate and enter into a written 9831
agreement with the board of education of the school district 9832
specifying the tax rate, the percentage of tax revenue to be paid 9833

to the school district, the purpose for which the school district 9834
will use the money, the first year the tax will be levied, the 9835

as authorized by the municipal corporation's charter unless the 9842
municipal corporation is to have a primary election on that day. 9843

After the legislative authority and board of education have 9844
entered into the agreement, the legislative authority shall 9845
provide for levying the tax by ordinance. The ordinance shall 9846
state the tax rate, the percentage of tax revenue to be paid to 9847
the school district, the purpose for which the municipal 9848
corporation will use its share of the tax revenue, the first year 9849
the tax will be levied, and that the question of the income tax 9850
will be submitted to the electors of the municipal corporation. 9851
The legislative authority also shall adopt a resolution specifying 9852

authority shall file certified copies of the ordinance and 9856
resolution with the board of elections. 9857

(C) The board of elections shall make the necessary 9858

the municipal corporation, and shall conduct the election in the 9860
same manner as any other municipal income tax election. Notice of 9861
the election shall be published in a newspaper of general 9862

consecutive weeks prior to the election, and shall include 9864
statements of the rate and municipal corporation and school 9865

district purposes of the income tax, the percentage of tax revenue 9866
that will be paid to the school district, and the first year the 9867
tax will be levied. The ballot shall be in the following form: 9868

income for (brief description of the municipal corporation and 9870
school district purposes of the levy, including a statement of the 9871
percentage of tax revenue that will be paid to the school 9872
district) be passed? 9873

	For the income tax	
	Against the income tax	"

(D) If the question is approved by a majority of the 9874
electors, the municipal corporation shall impose the income tax 9875
beginning in the year specified in the ordinance. The proceeds of 9876
the levy may be used only for the specified purposes, including 9877
payment of the specified percentage to the school district. 9878

Sec. 718.10. (A) This section applies to a group of two or 9879
more municipal corporations that, taken together, share the same 9880
territory as a single city, local, or exempted village school 9881
district, to the extent that not more than five per cent of the 9882
territory of the municipal corporations as a group is located 9883
outside the school district and not more than five per cent of the 9884
territory of the school district is located outside the municipal 9885
corporations as a group. 9886

(B) ~~Before January 1, 2001, the~~ The legislative authorities 9887
of the municipal corporations in a group of municipal corporations 9888
to which this section applies each may propose to the electors an 9889
income tax, to be levied in concert with income taxes in the other 9890
municipal corporations of the group. One of the purposes of such a 9891

tax shall be to provide financial assistance to the school 9896
district through payment to the district of not less than 9897
twenty-five per cent of the revenue generated by the tax. Prior to 9898
proposing the taxes, the legislative authorities shall negotiate 9899
and enter into a written agreement with each other and with the 9900
board of education of the school district specifying the tax rate, 9901
the percentage of the tax revenue to be paid to the school 9902
district, the first year the tax will be levied, and the date of 9903
the election on the question of the tax, all of which shall be the 9904
same for each municipal corporation. The agreement also shall 9905
state the purpose for which the school district will use the 9906
money, and specify the method and schedule by which each municipal 9907
corporation will make payments to the school district. The special 9908
election shall be held ~~before January 1, 2001,~~ on a day specified 9909
in division (D) of section 3501.01 of the Revised Code, including 9910
a day on which all of the municipal corporations are to have a 9911
primary election. 9912

After the legislative authorities and board of education have 9913
entered into the agreement, each legislative authority shall 9914
provide for levying its tax by ordinance. Each ordinance shall 9915
state the rate of the tax, the percentage of tax revenue to be 9916
paid to the school district, the purpose for which the municipal 9917
corporation will use its share of the tax revenue, and the first 9918
year the tax will be levied. Each ordinance also shall state that 9919
the question of the income tax will be submitted to the electors 9920
of the municipal corporation on the same date as the submission of 9921
questions of an identical tax to the electors of each of the other 9922
municipal corporations in the group, and that unless the electors 9923
of all of the municipal corporations in the group approve the tax 9924
in their respective municipal corporations, none of the municipal 9925
corporations in the group shall levy the tax. Each legislative 9926
authority also shall adopt a resolution specifying the regular or 9927
special election date the election will be held and directing the 9928

board of elections to conduct the election. At least seventy-five
days before the date of the election, each legislative authority
shall file certified copies of the ordinance and resolution with
the board of elections.

(C) For each of the municipal corporations, the board of
elections shall make the necessary arrangements for the submission
of the question to the electors, and shall conduct the election in
the same manner as any other municipal income tax election. For
each of the municipal corporations, notice of the election shall
be published in a newspaper of general circulation in the
municipal corporation once a week for four consecutive weeks prior
to the election. The notice shall include a statement of the rate
and municipal corporation and school district purposes of the
income tax, the percentage of tax revenue that will be paid to the
school district, and the first year the tax will be levied, and an
explanation that the tax will not be levied unless an identical
tax is approved by the electors of each of the other municipal
corporations in the group. The ballot shall be in the following
form:

"Shall the ordinance providing for a ... per cent levy on
income for (brief description of the municipal corporation and
school district purposes of the levy, including a statement of the
percentage of income tax revenue that will be paid to the school
district) be passed? In order for the income tax to be levied, the
voters of (the other municipal corporations in the group), which
are also in the (name of the school district) school district,
must approve an identical income tax and agree to pay the same
percentage of the tax revenue to the school district.

and identical taxes are approved by a majority of the electors in 9962
each of the other municipal corporations in the group, the 9963
municipal corporation shall impose the tax beginning in the year 9964
specified in the ordinance. The proceeds of the levy may be used 9965

117.162 of the Revised Code, the proper officers of the municipal 9983
corporation shall be required to invite and receive competitive 9984
bids for furnishing all the labor, materials, and equipment and 9985
doing the work, after newspaper advertisement as provided by law. 9986
The officers shall consider and may reject such bids. If the bids 9987
are rejected, the officers may order the work done by force 9988

and rejected, and the work done by force account or direct labor, 9990

such work shall be performed in compliance with the plans and 9991
specifications upon which the bids were based. It shall be 9992
unlawful to divide a street or connecting streets into separate 9993
sections for the purpose of defeating this section and section 9994
723.53 of the Revised Code. 9995

"Street," as used in such sections, includes portions of 9996
connecting streets on which the same or similar construction, 9997
reconstruction, widening, resurfacing, or repair is planned or 9998
projected. 9999

Sec. 723.53. Where the proper officers of any municipal 10000
corporation construct, reconstruct, widen, resurface, or repair a 10001

account shall include labor, materials, freight, fuel, hauling, 10010
overhead expense, workers' compensation premiums, and all other 10011
items of cost and expense, including a reasonable allowance for 10012
the use of all tools and equipment used on or in connection with 10013
such work and for the depreciation on the tools and equipment. The 10014
engineer or other officer or employee shall keep such account, and 10015
within ninety days after the completion of any such work shall 10016
prepare a detailed and itemized statement of such cost and file 10017
the statement with the officer or board vested with authority to 10018
direct the doing of the work in question. Such officer or board 10019
shall thereupon examine the statement, correct it if necessary, 10020
and file it in the office of the officer or board. Such statement 10021
shall be kept on file for not less than two years and shall be 10022

comply with the requirements of the federal act and of this 10778
chapter, and rules adopted thereunder. 10779

adverse effects on the environment. 10784

(5) The classification for general or restricted use is in 10785
conformity with the federal act. 10786

criterion for denying the registration of any pesticide. When two 10788

pesticides meet the requirements of division (G) of this section, 10789
the director shall not register one in preference to the other. 10790

(H)(1) The director may refuse to register a pesticide if the 10791
application for registration fails to comply with this section. 10792

(2) The director may suspend or revoke a pesticide 10793
registration after a hearing in accordance with Chapter 119. of 10794
the Revised Code for a pesticide that fails to meet the claims 10795
made for it on its label. 10796

(3) The director may immediately suspend a pesticide 10797
registration, prior to a hearing, when the director believes that 10798
the pesticide poses an immediate hazard to human or animal health 10799
or a hazard to the environment. Not later than fifteen days after 10800
suspending the registration, the director shall determine whether 10801
the pesticide poses such a hazard. If the director determines that 10802
no hazard exists, the director shall lift the suspension of the 10803
registration. If the director determines that a hazard exists, the 10804
director shall revoke the registration in accordance with Chapter 10805
119. of the Revised Code. 10806

Sec. 921.16. (A) The director of agriculture shall adopt 10807
rules the director determines necessary for the effective 10808

methods of application, materials, and amounts and concentrations 10811
of application of pesticides, may restrict or prohibit the use of 10812
pesticides in designated areas during specified periods of time, 10813
and shall encompass all reasonable factors that the director 10814
determines necessary to minimize or prevent damage to the 10815
environment. In addition, the rules shall establish the ~~fees,~~ 10816
~~deadlines,~~ and time periods for registration, registration 10817
renewal, late registration renewal, and failure to register under 10818
section 921.02 of the Revised Code; the fees for registration, 10819

~~registration renewal, late registration renewal, and failure to~~ 10820
~~register under section 921.02 of the Revised Code that shall apply~~ 10821

licensure and license renewal under sections 921.06, 921.09, 10824
921.11, and 921.13 of the Revised Code. ~~The aggregate amount of~~ 10825
~~the fees that initially are established by rule after the~~ 10826
~~effective date of this amendment shall be designed to cover, but~~ 10827
~~not exceed, the costs incurred by the department of agriculture in~~ 10828
~~administering this chapter. Thereafter, the fees shall not be~~ 10829
~~increased without the approval of the general assembly.~~ 10830

(B) The director shall adopt rules that establish a schedule 10831
of civil penalties for violations of this chapter, or any rule or 10832
order adopted or issued under it, provided that the civil penalty 10833
for a first violation shall not exceed five thousand dollars and 10834
the civil penalty for each subsequent violation shall not exceed 10835
ten thousand dollars. In determining the amount of a civil penalty 10836
for a violation, the director shall consider factors relevant to 10837
the severity of the violation, including past violations and the 10838
amount of actual or potential damage to the environment or to 10839
human beings. 10840

(C) The director shall adopt rules that set forth the 10841
conditions under which the director: 10842

(1) Requires that notice or posting be given of a proposed 10843
application of a pesticide; 10844

(2) Requires inspection, condemnation, or repair of equipment 10845

working in the vicinity of pesticide-treated areas; 10855

(6) Requires a record to be kept of all pesticide 10856
applications made by each commercial applicator and by any trained 10857
serviceperson acting under the commercial applicator's direct 10858
supervision and of all restricted use pesticide applications made 10859
by each private applicator and by any immediate family member or 10860
subordinate employee of that private applicator who is acting 10861
under the private applicator's direct supervision as required 10862
under section 921.14 of the Revised Code; 10863

(7) Determines the pesticide-use categories of diagnostic 10864

of applicators of pesticides consistent with those prescribed by 10870
the federal act and the regulations adopted under it or prescribe 10871
standards that are more restrictive than those prescribed by the 10872

(2) Define what constitutes "acting under the instructions and control of a commercial applicator" as used in the definition of "direct supervision" in division (Q)(1) of section 921.01 of the Revised Code. In adopting a rule under division (F)(2) of this section, the director shall consider the factors associated with the use of pesticide in the various pesticide-use categories. information the agency may require. 10913
10914

storage, and disposal of pesticides if, in the director's
judgment, existing programs of the United States environmental
protection agency necessitate such rules or pesticide labels do
not sufficiently address issues or situations identified by the

10938

(d) Criteria that the director must consider when determining 10939

A fur taker permit is not transferable. No person shall carry a fur taker permit issued in the name of another person.

A fur taker permit entitles a nonresident to take from this state fur-bearing animals taken and possessed by the nonresident as provided by law or division rule.

Sec. 1533.112. Except as provided in this section or unless otherwise provided by division rule, no person shall hunt ducks, geese, or brant on the lands of another without first obtaining an annual wetlands habitat stamp. No moneys derived from the issuance of wetlands habitat stamps shall be spent for purposes other than those specified by this section. All investment earnings of the fund shall be credited to the fund.

Wetlands habitat stamps shall be furnished by and in a form prescribed by the chief of the division of wildlife and issued by clerks and other agents authorized to issue licenses and permits under section 1533.13 of the Revised Code. The record of stamps kept by the clerks and other agents shall be uniform throughout the state, in such form or manner as the director prescribes, and open at all reasonable hours to the inspection of any person. Unless otherwise provided by rule, each stamp shall remain in force until midnight of the thirty-first day of August next ensuing. Every person to whom this section applies, while hunting ducks, geese, or brant, shall carry an unexpired wetlands habitat stamp that is validated by the person's signature written on the stamp in ink and shall exhibit the stamp to any enforcement officer so requesting. No person shall fail to carry and exhibit the person's stamp.

Further, the director's determinations that a project constitutes an eligible project and that the costs of such a project are allowable costs, together with all other determinations relevant to the project or to an action taken or agreement entered into under sections 1547.721 to 1547.726 of the Revised Code shall be conclusive for purposes of the validity and enforceability of rights of parties arising from actions taken and agreements entered into under those sections. 12003

12006
12007
12008

(C) The director may take any actions necessary or 12014

appropriate with respect to a loan made under this section, 12015
including facilitating the collection of amounts due on a loan. 12016

Sec. 1547.725. For purposes of the revolving loan program, 12017
the director of natural resources may do any of the following: 12018

(B) Retain the services of or employ financial consultants, 12024

(D) Enter into appropriate agreements with other governmental 12033
entities to provide for all of the following: 12034

(1) Payment of allowable costs related to the development of 12035
eligible projects for which loans have been made from the 12036
watercraft revolving loan fund; 12037

(2) Any governmental action a governmental entity is 12038
authorized to take, including undertaking on behalf and at the 12039

Revised Code; 12042

(3) The operation of facilities associated with eligible 12043
projects. 12044

All state agencies shall cooperate with and provide 12045
assistance to the director as is necessary for the administration 12046
of sections 1547.721 to 1547.726 of the Revised Code. 12047

Sec. 1547.726. All money received by the state from the 12048
repayment of loans made from the watercraft revolving loan fund, 12049
including interest, fees, and charges associated with such loans, 12050
shall be deposited to the credit of the watercraft revolving loan 12051
fund. 12052

Sec. 1548.06. (A)(1) Application for a certificate of title 12053
for a watercraft or outboard motor shall be made upon a form 12054
prescribed by the chief of the division of watercraft and shall be 12055
sworn to before a notary public or other officer empowered to 12056
administer oaths. The application shall be filed with the clerk of 12057
any court of common pleas. An application for a certificate of 12058
title may be filed electronically by any electronic means approved 12059
by the chief in any county with the clerk of the court of common 12060
pleas of that county. The application shall be accompanied by the 12061
fee prescribed in section 1548.10 of the Revised Code. The fee 12062
shall be retained by the clerk who issues the certificate of title 12063
and shall be distributed in accordance with that section. If a 12064
clerk of a court of common pleas, other than the clerk of the 12065
court of common pleas of an applicant's county of residence, 12066
issues a certificate of title to the applicant, the clerk shall 12067
transmit data related to the transaction to the automated title 12068
processing system. 12069

(2) If a certificate of title previously has been issued for 12070
the watercraft or outboard motor, the application for a 12071
certificate of title also shall be accompanied by the certificate 12072
of title duly assigned unless otherwise provided in this chapter. 12073
If a certificate of title previously has not been issued for the 12074

watercraft or outboard motor in this state, the application, 12075
unless otherwise provided in this chapter, shall be accompanied by 12076
a manufacturer's or importer's certificate; by a sworn statement 12077
of ownership if the watercraft or outboard motor was purchased by 12078
the applicant on or before October 9, 1963, or if the watercraft 12079
is less than fourteen feet long with a permanently affixed 12080
mechanical means of propulsion and was purchased by the applicant 12081
on or before January 1, 2000; or by a certificate of title, bill 12082
of sale, or other evidence of ownership required by the law of 12083
another state from which the watercraft or outboard motor was 12084
brought into this state. Evidence of ownership of a watercraft or 12085
outboard motor for which an Ohio certificate of title previously 12086
has not been issued and which watercraft or outboard motor does 12087
not have permanently affixed to it a manufacturer's serial number 12088
shall be accompanied by the certificate of assignment of a hull 12089
identification number assigned by the chief as provided in section 12090
1548.07 of the Revised Code. 12091

(3) The clerk shall retain the evidence of title presented by 12092
the applicant and on which the certificate of title is issued, 12093
except that, if an application for a certificate of title is filed 12094
electronically, by a vendor on behalf of a purchaser of a 12095
watercraft or outboard motor, the clerk shall retain the completed 12096
electronic record to which the vendor converted the certificate of 12097
title application and other required documents. The chief, after 12098
consultation with the attorney general, shall adopt rules that 12099
govern the location at which, and the manner in which, are stored 12100
the actual application and all other documents relating to the 12101
sale of a watercraft or outboard motor when a vendor files the 12102
application for a certificate of title electronically on behalf of 12103
a purchaser. 12104

(B) The clerk shall use reasonable diligence in ascertaining 12105
whether the facts in the application are true by checking the 12106

application and documents accompanying it or the electronic record 12107
to which a vendor converted the application and accompanying 12108
documents with the records of watercraft and outboard motors in 12109
the clerk's office. If the clerk is satisfied that the applicant 12110
is the owner of the watercraft or outboard motor and that the 12111
application is in the proper form, the clerk shall issue a 12112
physical certificate of title over the clerk's signature and 12113
sealed with the clerk's seal unless the applicant specifically 12114
requests the clerk not to issue a physical certificate of title 12115
and instead to issue an electronic certificate of title. However, 12116
if the evidence indicates and an investigation shows that one or 12117
more Ohio titles already exist for the watercraft or outboard 12118
motor, the chief may cause the redundant title or titles to be 12119
canceled. 12120

(C) In the case of the sale of a watercraft or outboard motor 12121
by a vendor to a general purchaser or user, the certificate of 12122
title shall be obtained in the name of the purchaser by the vendor 12123
upon application signed by the purchaser. In all other cases, the 12124
certificate shall be obtained by the purchaser. In all cases of 12125
transfer of watercraft or outboard motors, the application for 12126
certificate of title shall be filed within thirty days after the 12127
later of the date of purchase or assignment of ownership of the 12128
watercraft or outboard motor. If the application for certificate 12129
of title is not filed within thirty days after the later of the 12130
date of purchase or assignment of ownership of the watercraft or 12131
outboard motor, the clerk shall charge a late penalty fee of five 12132
dollars in addition to the fee prescribed by section 1548.10 of 12133
the Revised Code. The clerk shall retain the entire amount of each 12134
late penalty fee. 12135

(D) The clerk shall refuse to accept an application for 12136
certificate of title unless the applicant either tenders with the 12137
application payment of all taxes levied by or pursuant to Chapter 12138

5739. or 5741. of the Revised Code based on the applicant's county 12139
of residence less, in the case of a sale by a vendor, any discount 12140
to which the vendor is entitled under section 5739.12 of the 12141
Revised Code, or submits any of the following: 12142

~~(A)~~(1) A receipt issued by the tax commissioner or a clerk of 12143
courts showing payment of the tax; 12144

~~(B)~~(2) A copy of the unit certificate of exemption completed 12145
by the purchaser at the time of sale as provided in section 12146
5739.03 of the Revised Code; 12147

~~(C)~~(3) An exemption certificate, in a form prescribed by the 12148
tax commissioner, that specifies why the purchase is not subject 12149
to the tax imposed by Chapter 5739. or 5741. of the Revised Code. 12150

Payment of the tax shall be in accordance with rules issued 12151
by the tax commissioner, and the clerk shall issue a receipt in 12152
the form prescribed by the tax commissioner to any applicant who 12153
tenders payment of the tax with the application for the 12154
certificate of title. 12155

(E)(1) For receiving and disbursing the taxes paid to the 12156
clerk by a resident of the clerk's county, the clerk may retain a 12157
poundage fee of one and one one-hundredth per cent of the taxes 12158
collected, which shall be paid into the certificate of title 12159
administration fund created by section 325.33 of the Revised Code. 12160
The clerk shall not retain a poundage fee from payments of taxes 12161
by persons who do not reside in the clerk's county. 12162

(2) A clerk, however, may retain from the taxes paid to the 12163
clerk an amount equal to the poundage fees associated with 12164
certificates of title issued by other clerks of courts of common 12165
pleas to applicants who reside in the first clerk's county. The 12166
chief of the division of watercraft, in consultation with the tax 12167
commissioner and the clerks of the courts of common pleas, shall 12168
develop a report from the automated title processing system that 12169

informs each clerk of the amount of the poundage fees that the 12170
clerk is permitted to retain from those taxes because of 12171
certificates of title issued by the clerks of other counties to 12172
applicants who reside in the first clerk's county. 12173

(F) In the case of casual sales of watercraft or outboard 12174
motors that are subject to the tax imposed by Chapter 5739. or 12175
5741. of the Revised Code, the purchase price for the purpose of 12176
determining the tax shall be the purchase price on an affidavit 12177
executed and filed with the clerk by the vendor on a form to be 12178
prescribed by the chief, which shall be prima-facie evidence of 12179
the price for the determination of the tax. In addition to the 12180
information required by section 1548.08 of the Revised Code, each 12181
certificate of title shall contain in bold lettering the following 12182
notification and statements: "WARNING TO TRANSFEROR AND TRANSFEREE 12183
(SELLER AND BUYER). You are required by law to state the true 12184
selling price. A false statement is a violation of section 2921.13 12185
of the Revised Code and is punishable by six months imprisonment 12186
or a fine of up to one thousand dollars, or both. All transfers 12187
are audited by the department of taxation. The seller and buyer 12188
must provide any information requested by the department of 12189
taxation. The buyer may be assessed any additional tax found to be 12190
due." 12191

~~The clerk shall forward all payments of taxes, less poundage 12192
fees, to the treasurer of state in a manner to be prescribed by 12193
the tax commissioner and shall furnish information to the 12194
commissioner as the commissioner may require.~~ (G) Each county 12195
clerk of courts shall forward to the treasurer of state all sales 12196
and use tax collections resulting from sales of titled watercraft 12197
and outboard motors during a calendar week on or before the Friday 12198
following the close of that week. If, on any Friday, the offices 12199
of the clerk of courts or the state are not open for business, the 12200
tax shall be forwarded to the treasurer of state on or before the 12201

next day on which the offices are open. Every remittance of tax 12202
under this division shall be accompanied by a remittance report in 12203
such form as the tax commissioner prescribes. Upon receipt of a 12204
tax remittance and remittance report, the treasurer of state shall 12205
date stamp the report and forward it to the tax commissioner. If 12206
the tax due for any week is not remitted by a clerk of courts as 12207
required under this division, the clerk shall forfeit the poundage 12208
fees for the sales made during that week. The treasurer of state 12209
may require the clerks of courts to transmit tax collections and 12210
remittance reports electronically. 12211

(H) For purposes of a transfer of a certificate of title, if 12212
the clerk is satisfied that a secured party has discharged a lien 12213
but has not canceled the lien notation with a clerk, the clerk may 12214
cancel the lien notation on the automated title processing system 12215
and notify the clerk of the county of origin. 12216

(I) Every clerk shall have the capability to transact by 12217
electronic means all procedures and transactions relating to the 12218
issuance of watercraft or outboard motor certificates of title 12219
that are described in the Revised Code as being accomplished by 12220
electronic means. 12221

Sec. 1711.53. (A)(1) No person shall operate an amusement 12222
ride within the state without a permit issued by the director of 12223
agriculture under division (A)(2) of this section. The owner of an 12224
amusement ride, whether the ride is a temporary amusement ride or 12225
a permanent amusement ride, who desires to operate the amusement 12226
ride within the state shall, prior to the operation of the 12227
amusement ride and annually thereafter, submit to the department 12228
of agriculture an application for a permit, together with the 12229
appropriate permit and inspection fee, on a form to be furnished 12230
by the department. Prior to issuing any permit the department 12231
shall, within thirty days after the date on which it receives the 12232

application, inspect each amusement ride described in the 12233
application. The owner of an amusement ride shall have the 12234
amusement ride ready for inspection not later than two hours after 12235
the time that is requested by the person for the inspection. 12236

(2) For each amusement ride found to comply with the rules 12237
adopted by the director under division (B) of this section and 12238
division (B) of section 1711.551 of the Revised Code, the director 12239
shall issue an annual permit, provided that evidence of liability 12240
insurance coverage for the amusement ride as required by section 12241
1711.54 of the Revised Code is on file with the department. 12242

(3) The director shall issue with each permit a decal 12243
indicating that the amusement ride has been issued the permit. The 12244
owner of the amusement ride shall affix the decal on the ride at a 12245
location where the decal is easily visible to the patrons of the 12246
ride. A copy of the permit shall be kept on file at the same 12247
address as the location of the amusement ride identified on the 12248
permit, and shall be made available for inspection, upon 12249
reasonable demand, by any person. An owner may operate an 12250
amusement ride prior to obtaining a permit, provided that the 12251
operation is for the purpose of testing the amusement ride or 12252
training amusement ride operators and other employees of the owner 12253
and the amusement ride is not open to the public. 12254

(B) The director, in accordance with Chapter 119. of the 12255
Revised Code, shall adopt rules providing for a schedule of fines, 12256
with no fine exceeding five thousand dollars, for violations of 12257
sections 1711.50 to 1711.57 of the Revised Code or any rules 12258
adopted under this division and for the classification of 12259
amusement rides and rules for the safe operation and inspection of 12260
all amusement rides as are necessary for amusement ride safety and 12261
for the protection of the general public. Rules adopted by the 12262
director for the safe operation and inspection of amusement rides 12263
shall be reasonable and based upon generally accepted engineering 12264

standards and practices. In adopting rules under this section, the 12265
director may adopt by reference, in whole or in part, the national 12266
fire code or the national electrical code prepared by the national 12267
fire protection association, the standards of ASTM or the American 12268
national standards institute, or any other principles, tests, or 12269
standards of nationally recognized technical or scientific 12270
authorities. Insofar as is practicable and consistent with 12271
sections 1711.50 to 1711.57 of the Revised Code, rules adopted 12272
under this division shall be consistent with the rules of other 12273
states. The department shall cause sections 1711.50 to 1711.57 of 12274
the Revised Code and the rules adopted in accordance with this 12275
division and division (B) of section 1711.551 of the Revised Code 12276
to be published in pamphlet form and a copy to be furnished 12277
without charge to each owner of an amusement ride who holds a 12278
current permit or is an applicant therefor. 12279

(C) With respect to an application for a permit for an 12280
amusement ride, an owner may apply to the director for a waiver or 12281
modification of any rule adopted under division (B) of this 12282
section if there are practical difficulties or unnecessary 12283
hardships for the amusement ride to comply with the rules. Any 12284
application shall set forth the reasons for the request. The 12285
director, with the approval of the advisory council on amusement 12286
ride safety, may waive or modify the application of a rule to any 12287
amusement ride if the public safety is secure. Any authorization 12288
by the director under this division shall be in writing and shall 12289
set forth the conditions under which the waiver or modification is 12290
authorized, and the department shall retain separate records of 12291
all proceedings under this division. 12292

(D)(1) The director shall employ and provide for training of 12293
a chief inspector and additional inspectors and employees as may 12294
be necessary to administer and enforce sections 1711.50 to 1711.57 12295
of the Revised Code. The director may appoint or contract with 12296

other persons to perform inspections of amusement rides, provided 12297
that the persons meet the qualifications for inspectors 12298
established by rules adopted under division (B) of this section 12299
and are not owners, or employees of owners, of any amusement ride 12300
subject to inspection under sections 1711.50 to 1711.57 of the 12301
Revised Code. No person shall inspect an amusement ride who, 12302
within six months prior to the date of inspection, was an employee 12303
of the owner of the ride. 12304

(2) Before the director contracts with other persons to 12305
inspect amusement rides, the director shall seek the advice of the 12306
advisory council on amusement ride safety on whether to contract 12307
with those persons. The advice shall not be binding upon the 12308
director. After having received the advice of the council, the 12309
director may proceed to contract with inspectors in accordance 12310
with the procedures specified in division (E)(2) of section 12311
1711.11 of the Revised Code. 12312

(3) With the advice and consent of the advisory council on 12313
amusement ride safety, the director may employ a special 12314
consultant to conduct an independent investigation of an amusement 12315
ride accident. This consultant need not be in the civil service of 12316
the state, but shall have qualifications to conduct the 12317
investigation acceptable to the council. 12318

(E)(1) Except as otherwise provided in division (E)(1) of 12319
this section, the department shall charge the following amusement 12320
ride fees: 12321

Permit for residential \$ 50 12322

The fees for an expedited inspection, failure to cancel a scheduled inspection, and failure to have an amusement ride ready for inspection do not apply to go karts.		12338 12339 12340
As used in division (E)(1) of this section, "expedited inspection" means an inspection of an amusement ride by the department not later than ten days after the owner of the amusement ride files an application for a permit under this section.		12341 12342 12343 12344 12345
(2) All fees and fines collected by the department under sections 1711.50 to 1711.57 of the Revised Code shall be deposited in the state treasury to the credit of the amusement ride inspection fund, which is hereby created, and shall be used only for the purpose of administering and enforcing sections 1711.11 and 1711.50 to 1711.57 of the Revised Code.		12346 12347 12348 12349 12350 12351
(3) The owner of an amusement ride shall be required to pay a reinspection fee only if the reinspection was conducted at the owner's request under division (F) of this section, if the reinspection is required by division (F) of this section because of an accident, or if the reinspection is required by division (F) of section 1711.55 of the Revised Code. (4) The rules adopted under division (B) of this section 12361

the department by the owner pursuant to division (C) of section 12374

sections 1711.50 to 1711.57 of the Revised Code, and the owner of 12378
the temporary amusement ride is not required to pay an inspection 12379
or reinspection fee for this supplemental inspection. Nothing in 12380
this division shall be construed to prohibit the owner of a 12381
temporary amusement ride having a valid permit to operate in this 12382
state from operating the ride at a scheduled event before the 12383
department conducts a supplemental inspection. 12384

(H) The department may annually conduct a midseason 12385
operational inspection of every amusement ride upon which it 12386
conducts an annual inspection pursuant to division (A) of this 12387

any other inspection or reinspection of the amusement ride as may
be required pursuant to sections 1711.50 to 1711.57 of the Revised
Code. The owner of an amusement ride shall submit to the
department, at the time determined by the department, the

In lieu of the performance bond, a medicaid health insuring corporation may deposit securities with the superintendent of insurance, acceptable to the superintendent, in the amount of one million dollars, to satisfy the bonding

requirements of this section. Upon rehabilitation or liquidation, 12632
the securities shall become a special deposit subject to sections 12633
3903.14 and 3903.421 of the Revised Code, as applicable. The 12634
health insuring corporation shall receive the interest on the 12635
deposited securities as long as the health insuring corporation 12636
remains solvent. 12637

(B) The bond shall be issued by a surety company licensed 12638
with the department of insurance. The bond or deposit, or any 12639
replacement bond or deposit, shall be in a form acceptable to the 12640
superintendent, and shall remain in effect during the duration of 12641
the medicaid health insuring corporation's license and thereafter 12642
until all claims against the medicaid health insuring corporation 12643
have been paid in full. 12644

(C) Documentation of the bond acceptable to the 12645
superintendent of insurance shall be filed with the superintendent 12646

Sec. 1901.26. (A) Subject to division (E) of this section, 12662
costs in a municipal court shall be fixed and taxed as follows: 12663

(1) The municipal court shall require an advance deposit for 12664
the filing of any new civil action or proceeding when required by 12665
division (A)(9) of this section, and in all other cases, by rule, 12666
shall establish a schedule of fees and costs to be taxed in any 12667
civil or criminal action or proceeding. 12668

(2) The municipal court, by rule, may require an advance 12669
deposit for the filing of any civil action or proceeding and 12670
publication fees as provided in section 2701.09 of the Revised 12671
Code. The court may waive the requirement for advance deposit upon 12672
affidavit or other evidence that a party is unable to make the 12673
required deposit. 12674

(3) When a jury trial is demanded in any civil action or 12675
proceeding, the party making the demand may be required to make an 12676
advance deposit as fixed by rule of court, unless, upon affidavit 12677
or other evidence, the court concludes that the party is unable to 12678
make the required deposit. If a jury is called, the fees of a jury 12679
shall be taxed as costs. 12680

(4) In any civil or criminal action or proceeding, witnesses' 12681
fees shall be fixed in accordance with sections 2335.06 and 12682
2335.08 of the Revised Code. 12683

(5) A reasonable charge for driving, towing, carting, 12684
storing, keeping, and preserving motor vehicles and other personal 12685
property recovered or seized in any proceeding may be taxed as 12686
part of the costs in a trial of the cause, in an amount that shall 12687
be fixed by rule of court. 12688

(6) Chattel property seized under any writ or process issued 12689
by the court shall be preserved pending final disposition for the 12690
benefit of all persons interested and may be placed in storage 12691

when necessary or proper for that preservation. The custodian of
any chattel property so stored shall not be required to part with
the possession of the property until a reasonable charge, to be
fixed by the court, is paid.

(7) The municipal court, as it determines, may refund all
deposits and advance payments of fees and costs, including those
for jurors and summoning jurors, when they have been paid by the
losing party.

(8) Charges for the publication of legal notices required by
statute or order of court may be taxed as part of the costs, as
provided by section 7.13 of the Revised Code.

(B)(1) The municipal court may determine that, for the
efficient operation of the court, additional funds are necessary
to acquire and pay for special projects of the court including,
but not limited to, the acquisition of additional facilities or
the rehabilitation of existing facilities, the acquisition of
equipment, the hiring and training of staff, community service
programs, mediation or dispute resolution services, the employment
of magistrates, the training and education of judges, acting
judges, and magistrates, and other related services. Upon that
determination, the court by rule may charge a fee, in addition to
all other court costs, on the filing of each criminal cause, civil
action or proceeding, or judgment by confession.

If the municipal court offers a special program or service in
cases of a specific type, the municipal court by rule may assess
an additional charge in a case of that type, over and above court
costs, to cover the special program or service. The municipal
court shall adjust the special assessment periodically, but not
retroactively, so that the amount assessed in those cases does not
exceed the actual cost of providing the service or program.

All moneys collected under division (B) of this section shall

be paid to the county treasurer if the court is a county-operated
municipal court or to the city treasurer if the court is not a
county-operated municipal court for deposit into either a general
special projects fund or a fund established for a specific special
project. Moneys from a fund of that nature shall be disbursed upon
an order of the court in an amount no greater than the actual cost
to the court of a project. If a specific fund is terminated
because of the discontinuance of a program or service established
under division (B) of this section, the municipal court may order
that moneys remaining in the fund be transferred to an account
established under this division for a similar purpose.

fees required to be collected under this division shall be in 12759
addition to any other court costs imposed in the action or 12760
proceeding and shall be collected at the time of the filing of the 12761
action or proceeding. The court shall not waive the payment of the 12762
additional filing fees in a new civil action or proceeding unless 12763
the court waives the advanced payment of all filing fees in the 12764
action or proceeding. All such moneys collected during a month 12765
shall be transmitted on or before the ~~first-business~~ twentieth day 12766

legal aid fund established under section 120.52 of the Revised 12771
Code. 12772

The court may retain up to one per cent of the moneys it 12773

implement this division. 12776

(D) In the Cleveland municipal court, reasonable charges for 12777

(I) For the purposes of this section, whenever the population 13232
of the territory of a municipal court falls below one hundred 13233
thousand but not below ninety thousand, and the population of the 13234
territory prior to the most recent regular federal census exceeded 13235
one hundred thousand, the legislative authority of the municipal 13236

(J) The clerk or a deputy clerk shall be in attendance at all 13240

Sec. 1907.24. (A) Subject to division (C) of this section, a 13244
county court shall fix and tax fees and costs as follows: 13245

(1) The county court shall require an advance deposit for the 13246
filing of any new civil action or proceeding when required by 13247
division (C) of this section and, in all other cases, shall 13248
establish a schedule of fees and costs to be taxed in any civil or 13249
criminal action or proceeding. 13250

(2) The county court by rule may require an advance deposit 13251
for the filing of a civil action or proceeding and publication 13252
fees as provided in section 2701.09 of the Revised Code. The court 13253
may waive an advance deposit requirement upon the presentation of 13254
an affidavit or other evidence that establishes that a party is 13255
unable to make the requisite deposit. 13256

(3) When a party demands a jury trial in a civil action or 13257
proceeding, the county court may require the party to make an 13258
advance deposit as fixed by rule of court, unless the court 13259
concludes, on the basis of an affidavit or other evidence 13260

presented by the party, that the party is unable to make the 13261
requisite deposit. If a jury is called, the county court shall tax 13262
the fees of a jury as costs. 13263

(4) In a civil or criminal action or proceeding, the county 13264
court shall fix the fees of witnesses in accordance with sections 13265
2335.06 and 2335.08 of the Revised Code. 13266

(5) A county court may tax as part of the costs in a trial of 13267
the cause, in an amount fixed by rule of court, a reasonable 13268
charge for driving, towing, carting, storing, keeping, and 13269
preserving motor vehicles and other personal property recovered or 13270
seized in a proceeding. 13271

(6) The court shall preserve chattel property seized under a 13272
writ or process issued by the court pending final disposition for 13273
the benefit of all interested persons. The court may place the 13274
chattel property in storage when necessary or proper for its 13275
preservation. The custodian of chattel property so stored shall 13276
not be required to part with the possession of the property until 13277
a reasonable charge, to be fixed by the court, is paid. 13278

(7) The county court, as it determines, may refund all 13279
deposits and advance payments of fees and costs, including those 13280
for jurors and summoning jurors, when they have been paid by the 13281
losing party. 13282

(8) The court may tax as part of costs charges for the 13283
publication of legal notices required by statute or order of 13284
court, as provided by section 7.13 of the Revised Code. 13285

(B)(1) The county court may determine that, for the efficient 13286
operation of the court, additional funds are necessary to acquire 13287
and pay for special projects of the court including, but not 13288
limited to, the acquisition of additional facilities or the 13289
rehabilitation of existing facilities, the acquisition of 13290
equipment, the hiring and training of staff, community service 13291

programs, mediation or dispute resolution services, the employment 13292
of magistrates, the training and education of judges, acting 13293
judges, and magistrates, and other related services. Upon that 13294
determination, the court by rule may charge a fee, in addition to 13295
all other court costs, on the filing of each criminal cause, civil 13296
action or proceeding, or judgment by confession. 13297

If the county court offers a special program or service in 13298
cases of a specific type, the county court by rule may assess an 13299
additional charge in a case of that type, over and above court 13300
costs, to cover the special program or service. The county court 13301
shall adjust the special assessment periodically, but not 13302
retroactively, so that the amount assessed in those cases does not 13303
exceed the actual cost of providing the service or program. 13304

All moneys collected under division (B) of this section shall 13305
be paid to the county treasurer for deposit into either a general 13306
special projects fund or a fund established for a specific special 13307
project. Moneys from a fund of that nature shall be disbursed upon 13308
an order of the court in an amount no greater than the actual cost 13309
to the court of a project. If a specific fund is terminated 13310
because of the discontinuance of a program or service established 13311
under division (B) of this section, the county court may order 13312
that moneys remaining in the fund be transferred to an account 13313
established under this division for a similar purpose. 13314

(2) As used in division (B) of this section: 13315

(a) "Criminal cause" means a charge alleging the violation of 13316
a statute or ordinance, or subsection of a statute or ordinance, 13317

whether filed as part of a multiple charge on a single summons, 13320
citation, or complaint or as a separate charge on a single 13321
summons, citation, or complaint. "Criminal cause" does not include 13322

separate violations of the same statute or ordinance, or 13323
subsection of the same statute or ordinance, unless each charge is 13324
filed on a separate summons, citation, or complaint. 13325

(b) "Civil action or proceeding" means any civil litigation 13326
that must be determined by judgment entry. 13327

(C) Subject to division (E) of this section, the county court 13328

division the sum of ~~fifteen~~ twenty-five dollars as additional 13330
filing fees in each new civil action or proceeding for the 13331
charitable public purpose of providing financial assistance to 13332

division (E) of this section, the county court shall collect in 13334
its small claims division the sum of ~~seven~~ ten dollars as 13335
additional filing fees in each new civil action or proceeding for 13336
the charitable public purpose of providing financial assistance to 13337
legal aid societies that operate within the state. This division 13338
does not apply to any execution on a judgment, proceeding in aid 13339
of execution, or other post-judgment proceeding arising out of a 13340
civil action. The filing fees required to be collected under this 13341
division shall be in addition to any other court costs imposed in 13342
the action or proceeding and shall be collected at the time of the 13343
filing of the action or proceeding. The court shall not waive the 13344
payment of the additional filing fees in a new civil action or 13345
proceeding unless the court waives the advanced payment of all 13346
filing fees in the action or proceeding. All such moneys collected 13347
during a month shall be transmitted on or before the twentieth day 13348
of the following month by the clerk of the court to the treasurer 13349
of state in a manner prescribed by the treasurer of state or by 13350
the Ohio legal assistance foundation. The moneys then shall be 13351
deposited by the treasurer of state to the credit of the legal aid 13352
fund established under section 120.52 of the Revised Code. 13353

The court may retain up to one per cent of the moneys it 13354

collects under this division to cover administrative costs, 13355
including the hiring of any additional personnel necessary to 13356
implement this division. 13357

(D) The county court shall establish by rule a schedule of 13358
fees for miscellaneous services performed by the county court or 13359
any of its judges in accordance with law. If judges of the court 13360
of common pleas perform similar services, the fees prescribed in 13361
the schedule shall not exceed the fees for those services 13362
prescribed by the court of common pleas. 13363

(E) Under the circumstances described in sections 2969.21 to 13364
2969.27 of the Revised Code, the clerk of the county court shall 13365
charge the fees and perform the other duties specified in those 13366
sections. 13367

the court of common pleas. In addition to the purposes stated in 14089
division (B)(1) of this section for which the moneys collected 14090

to be collected under this division shall be in addition to any 14111
other filing fees imposed in the action or proceeding and shall be 14112
collected at the time of the filing of the action or proceeding. 14113

fees in a new civil action or proceeding unless the court waives 14115
the advanced payment of all filing fees in the action or 14116
proceeding. All such moneys collected during a month shall be 14117
transmitted on or before the twentieth day of the following month 14118

an additional charge in a case of that type, over and above court 14163
costs, to cover the special program or service. The court shall 14164
adjust the special assessment periodically, but not retroactively, 14165

(3) If the offender is a professionally licensed person, the court immediately shall comply with section 2925.38 of the Revised Code.

(E) Notwithstanding the prison term otherwise authorized or required for the offense under division (C) of this section and sections 2929.13 and 2929.14 of the Revised Code, if the violation of division (A) of this section involves the sale, offer to sell, or possession of a schedule I or II controlled substance, with the exception of marihuana, and if the court imposing sentence upon the offender finds that the offender as a result of the violation is a major drug offender and is guilty of a specification of the type described in section 2941.1410 of the Revised Code, the

court, in lieu of the prison term otherwise authorized or 16113
required, shall impose upon the offender the mandatory prison term 16114
specified in division (D)(3)(a) of section 2929.14 of the Revised 16115
Code and may impose an additional prison term under division 16116
(D)(3)(b) of that section. 16117

(F) It is an affirmative defense, as provided in section 16118
2901.05 of the Revised Code, to a charge under this section for a 16119
fifth degree felony violation of illegal cultivation of marihuana 16120
that the marihuana that gave rise to the charge is in an amount, 16121
is in a form, is prepared, compounded, or mixed with substances 16122
that are not controlled substances in a manner, or is possessed or 16123
cultivated under any other circumstances that indicate that the 16124
marihuana was solely for personal use. 16125

Notwithstanding any contrary provision of division (F) of 16126
this section, if, in accordance with section 2901.05 of the 16127
Revised Code, a person who is charged with a violation of illegal 16128
cultivation of marihuana that is a felony of the fifth degree 16129
sustains the burden of going forward with evidence of and 16130
establishes by a preponderance of the evidence the affirmative 16131
defense described in this division, the person may be prosecuted 16132
for and may be convicted of or plead guilty to a misdemeanor 16133
violation of illegal cultivation of marihuana. 16134

(G) Arrest or conviction for a minor misdemeanor violation of 16135
this section does not constitute a criminal record and need not be 16136
reported by the person so arrested or convicted in response to any 16137
inquiries about the person's criminal record, including any 16138
inquiries contained in an application for employment, a license, 16139
or any other right or privilege or made in connection with the 16140

other schedule I or II controlled substance; 16147

(2) Assemble or possess one or more chemicals, other than a 16148

I or II in violation of section 2925.04 of the Revised Code. 16152

(B)(1) In a prosecution under this section, it is not 16153
necessary to allege or prove that the offender assembled or 16154
possessed all chemicals necessary to manufacture a controlled 16155
substance in schedule I or II. The assembly or possession of a 16156
single chemical that may be used in the manufacture of a 16157
controlled substance in schedule I or II, with the intent to 16158
manufacture a controlled substance in either schedule, is 16159
sufficient to violate this section. 16160

(2) In a prosecution under division (A)(1) of this section, 16161
except as otherwise provided in this division, the possession of 16162
twenty-four grams or more of an ephedrine product, 16163
phenylpropanolamine product, or pseudoephedrine product 16164
constitutes prima-facie evidence of the intent to use the product 16165
to manufacture methamphetamine or another schedule I or II 16166

(C) Whoever violates this section is guilty of illegal assembly or possession of chemicals for the manufacture of drugs. Except as otherwise provided in this division, illegal assembly or possession of chemicals for the manufacture of drugs is a felony of the third degree, and division (C) of section 2929.13 of the Revised Code applies in determining whether to impose a prison term on the offender. If the offense was committed in the vicinity of a juvenile or in the vicinity of a school, illegal assembly or possession of chemicals for the manufacture of drugs is a felony of the second degree, and division (C) of section 2929.13 of the Revised Code applies in determining whether to impose a prison term on the offender. 16185

Code. The agency that receives the fine shall use the fine as 16212
specified in division (F) of section 2925.03 of the Revised Code. 16213
If a person charged with a violation of this section posts bail 16214
and forfeits the bail, the clerk shall pay the forfeited bail as 16215

section. 16217

(2) The court shall revoke or suspend the offender's driver's 16218
or commercial driver's license or permit in accordance with 16219
division (G) of section 2925.03 of the Revised Code. If an 16220

court shall comply with section 2925.38 of the Revised Code. 16228

Sec. 2925.15. (A) No individual shall purchase, receive, or 16229
otherwise acquire more than six grams of any ephedrine product, 16230

that sells, offers to sell, holds for sale, delivers, or otherwise 16251
provides any ephedrine product, phenylpropanolamine product, or 16252
pseudoephedrine product to the public shall do all of the 16253
following: 16254

(1) Keep each ephedrine product, phenylpropanolamine product, 16255
or pseudoephedrine product in a secure, locked area in the place 16256

(G) Whoever violates this section is guilty of "illegal transactions in an ephedrine, phenylpropanolamine, or pseudoephedrine product." Illegal transactions in an ephedrine, phenylpropanolamine, or pseudoephedrine product in violation of division (B) of this section is a misdemeanor, and the offender shall be fined not more than three hundred fifty dollars. Except as otherwise provided in this division, illegal transactions in an ephedrine, phenylpropanolamine, or pseudoephedrine product in violation of division (B), (D), (E), or (F) of this section is a minor misdemeanor. If an offender who commits a violation of division (A), (D), (E), or (F) of this section previously has been convicted of or pleaded guilty to a violation of division (A), (B), (D), (E), or (F) of this section, illegal transactions in an ephedrine, phenylpropanolamine, or pseudoephedrine product in violation of division (A), (D), (E), or (F) of this section is a misdemeanor of the third degree.

Sec. 2929.13. (A) Except as provided in division (E), (F), or (G) of this section and unless a specific sanction is required to be imposed or is precluded from being imposed pursuant to law, a court that imposes a sentence upon an offender for a felony may impose any sanction or combination of sanctions on the offender that are provided in sections 2929.14 to 2929.18 of the Revised Code. The sentence shall not impose an unnecessary burden on state or local government resources.

If the offender is eligible to be sentenced to community control sanctions, the court shall consider the appropriateness of imposing a financial sanction pursuant to section 2929.18 of the Revised Code or a sanction of community service pursuant to section 2929.17 of the Revised Code as the sole sanction for the offense. Except as otherwise provided in this division, if the court is required to impose a mandatory prison term for the

offense for which sentence is being imposed, the court also may
impose a financial sanction pursuant to section 2929.18 of the
Revised Code but may not impose any additional sanction or
combination of sanctions under section 2929.16 or 2929.17 of the
Revised Code.

If the offender is being sentenced for a fourth degree felony
OVI offense or for a third degree felony OVI offense, in addition
to the mandatory term of local incarceration or the mandatory
prison term required for the offense by division (G)(1) or (2) of
this section, the court shall impose upon the offender a mandatory
fine in accordance with division (B)(3) of section 2929.18 of the
Revised Code and may impose whichever of the following is
applicable:

(1) For a fourth degree felony OVI offense for which sentence
is imposed under division (G)(1) of this section, an additional
community control sanction or combination of community control
sanctions under section 2929.16 or 2929.17 of the Revised Code. If
the court imposes upon the offender a community control sanction
and the offender violates any condition of the community control
sanction, the court may take any action prescribed in division (B)
of section 2929.15 of the Revised Code relative to the offender,
including imposing a prison term on the offender pursuant to that
division.

(2) For a third or fourth degree felony OVI offense for which
sentence is imposed under division (G)(2) of this section, an
additional prison term as described in division (D)(4) of section
2929.14 of the Revised Code or a community control sanction as
described in division (G)(2) of this section.

(B)(1) Except as provided in division (B)(2), (E), (F), or
(G) of this section, in sentencing an offender for a felony of the
fourth or fifth degree, the sentencing court shall determine

whether any of the following apply: 16359

(a) In committing the offense, the offender caused physical 16360
harm to a person. 16361

(b) In committing the offense, the offender attempted to 16362
cause or made an actual threat of physical harm to a person with a 16363
deadly weapon. 16364

(c) In committing the offense, the offender attempted to 16365
cause or made an actual threat of physical harm to a person, and 16366
the offender previously was convicted of an offense that caused 16367
physical harm to a person. 16368

(d) The offender held a public office or position of trust 16369
and the offense related to that office or position; the offender's 16370
position obliged the offender to prevent the offense or to bring 16371
those committing it to justice; or the offender's professional 16372
reputation or position facilitated the offense or was likely to 16373
influence the future conduct of others. 16374

(e) The offender committed the offense for hire or as part of 16375
an organized criminal activity. 16376

(f) The offense is a sex offense that is a fourth or fifth 16377
degree felony violation of section 2907.03, 2907.04, 2907.05, 16378
2907.22, 2907.31, 2907.321, 2907.322, 2907.323, or 2907.34 of the 16379
Revised Code. 16380

(g) The offender at the time of the offense was serving, or 16381
the offender previously had served, a prison term. 16382

(h) The offender committed the offense while under a 16383
community control sanction, while on probation, or while released 16384
from custody on a bond or personal recognizance. 16385

(i) The offender committed the offense while in possession of 16386
a firearm. 16387

(2)(a) If the court makes a finding described in division 16388

(B)(1)(a), (b), (c), (d), (e), (f), (g), (h), or (i) of this 16389
section and if the court, after considering the factors set forth 16390
in section 2929.12 of the Revised Code, finds that a prison term 16391
is consistent with the purposes and principles of sentencing set 16392
forth in section 2929.11 of the Revised Code and finds that the 16393
offender is not amenable to an available community control 16394
sanction, the court shall impose a prison term upon the offender. 16395

(b) Except as provided in division (E), (F), or (G) of this 16396
section, if the court does not make a finding described in 16397
division (B)(1)(a), (b), (c), (d), (e), (f), (g), (h), or (i) of 16398
this section and if the court, after considering the factors set 16399
forth in section 2929.12 of the Revised Code, finds that a 16400
community control sanction or combination of community control 16401
sanctions is consistent with the purposes and principles of 16402
sentencing set forth in section 2929.11 of the Revised Code, the 16403
court shall impose a community control sanction or combination of 16404
community control sanctions upon the offender. 16405

(C) Except as provided in division (E), (F), or (G) of this 16406
section, in determining whether to impose a prison term as a 16407
sanction for a felony of the third degree or a felony drug offense 16408
that is a violation of a provision of Chapter 2925. of the Revised 16409
Code and that is specified as being subject to this division for 16410
purposes of sentencing, the sentencing court shall comply with the 16411
purposes and principles of sentencing under section 2929.11 of the 16412
Revised Code and with section 2929.12 of the Revised Code. 16413

(D) Except as provided in division (E) or (F) of this 16414
section, for a felony of the first or second degree and for a 16415
felony drug offense that is a violation of any provision of 16416
Chapter 2925., 3719., or 4729. of the Revised Code for which a 16417
presumption in favor of a prison term is specified as being 16418
applicable, it is presumed that a prison term is necessary in 16419
order to comply with the purposes and principles of sentencing 16420

under section 2929.11 of the Revised Code. Notwithstanding the
presumption established under this division, the sentencing court
may impose a community control sanction or a combination of
community control sanctions instead of a prison term on an
offender for a felony of the first or second degree or for a
felony drug offense that is a violation of any provision of
Chapter 2925., 3719., or 4729. of the Revised Code for which a
presumption in favor of a prison term is specified as being
applicable if it makes both of the following findings:

(1) A community control sanction or a combination of
community control sanctions would adequately punish the offender
and protect the public from future crime, because the applicable
factors under section 2929.12 of the Revised Code indicating a
lesser likelihood of recidivism outweigh the applicable factors
under that section indicating a greater likelihood of recidivism.

(2) A community control sanction or a combination of
community control sanctions would not demean the seriousness of
the offense, because one or more factors under section 2929.12 of
the Revised Code that indicate that the offender's conduct was
less serious than conduct normally constituting the offense are
applicable, and they outweigh the applicable factors under that
section that indicate that the offender's conduct was more serious
than conduct normally constituting the offense.

(E)(1) Except as provided in division (F) of this section,
for any drug offense that is a violation of any provision of
Chapter 2925. of the Revised Code and that is a felony of the
third, fourth, or fifth degree, the applicability of a presumption
under division (D) of this section in favor of a prison term or of
division (B) or (C) of this section in determining whether to
impose a prison term for the offense shall be determined as
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06,
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the

Revised Code, whichever is applicable regarding the violation. 16453

(2) If an offender who was convicted of or pleaded guilty to 16454
a felony violates the conditions of a community control sanction 16455
imposed for the offense solely by reason of producing positive 16456
results on a drug test, the court, as punishment for the violation 16457
of the sanction, shall not order that the offender be imprisoned 16458
unless the court determines on the record either of the following: 16459

(a) The offender had been ordered as a sanction for the 16460
felony to participate in a drug treatment program, in a drug 16461
education program, or in narcotics anonymous or a similar program, 16462
and the offender continued to use illegal drugs after a reasonable 16463
period of participation in the program. 16464

(b) The imprisonment of the offender for the violation is 16465
consistent with the purposes and principles of sentencing set 16466
forth in section 2929.11 of the Revised Code. 16467

(F) Notwithstanding divisions (A) to (E) of this section, the 16468
court shall impose a prison term or terms under sections 2929.02 16469
to 2929.06, section 2929.14, or section 2971.03 of the Revised 16470
Code, and except as specifically provided in section 2929.20 ~~or~~, 16471
2967.191, or 2967.24 of the Revised Code or when parole is 16472
authorized for the offense under section 2967.13 of the Revised 16473
Code, the terms shall not ~~reduce the terms~~ be reduced pursuant to 16474
section 2929.20, section 2967.193, or any other provision of 16475
Chapter 2967. or Chapter 5120. of the Revised Code for any of the 16476
following offenses: 16477

(1) Aggravated murder when death is not imposed or murder; 16478

(2) Any rape, regardless of whether force was involved and 16479
regardless of the age of the victim, or an attempt to commit rape 16480
if, had the offender completed the rape that was attempted, the 16481
offender would have been subject to a sentence of life 16482
imprisonment or life imprisonment without parole for the rape; 16483

(3) Gross sexual imposition or sexual battery, if the victim 16484
is under thirteen years of age, if the offender previously was 16485
convicted of or pleaded guilty to rape, the former offense of 16486
felonious sexual penetration, gross sexual imposition, or sexual 16487
battery, and if the victim of the previous offense was under 16488
thirteen years of age; 16489

(4) A felony violation of section 2903.04, 2903.06, 2903.08, 16490
2903.11, 2903.12, or 2903.13 of the Revised Code if the section 16491
requires the imposition of a prison term; 16492

(5) A first, second, or third degree felony drug offense for 16493
which section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 16494
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, 2925.37, 3719.99, or 16495
4729.99 of the Revised Code, whichever is applicable regarding the 16496
violation, requires the imposition of a mandatory prison term; 16497

(6) Any offense that is a first or second degree felony and 16498
that is not set forth in division (F)(1), (2), (3), or (4) of this 16499
section, if the offender previously was convicted of or pleaded 16500
guilty to aggravated murder, murder, any first or second degree 16501
felony, or an offense under an existing or former law of this 16502
state, another state, or the United States that is or was 16503
substantially equivalent to one of those offenses; 16504

(7) Any offense that is a third degree felony and that is 16505
listed in division (DD)(1) of section 2929.01 of the Revised Code 16506
if the offender previously was convicted of or pleaded guilty to 16507
any offense that is listed in division (DD)(2)(a)(i) or (ii) of 16508
section 2929.01 of the Revised Code; 16509

(8) Any offense, other than a violation of section 2923.12 of 16510
the Revised Code, that is a felony, if the offender had a firearm 16511

and has not pleaded guilty to a specification of the type 16554
described in section 2941.1413 of the Revised Code, the court may 16555
impose upon the offender a mandatory term of local incarceration 16556
of sixty days or one hundred twenty days as specified in division 16557
(G)(1)(d) of section 4511.19 of the Revised Code. ~~The court~~ 16558

(2) If the offender is being sentenced for a third degree 16573

fourth degree felony OVI offense and the court does not impose a 16575
mandatory term of local incarceration under division (G)(1) of 16576
this section, the court shall impose upon the offender a mandatory 16577

prison term of one, two, three, four, or five years if the
offender also is convicted of or also pleads guilty to a
specification of the type described in section 2941.1413 of the
Revised Code or shall impose upon the offender a mandatory prison

underlying offense and consecutively to any other mandatory prison
term imposed in relation to the offense. In no case shall an
offender who once has been sentenced to a mandatory term of local
incarceration pursuant to division (G)(1) of this section for a
fourth degree felony OVI offense be sentenced to another mandatory
term of local incarceration under that division for any violation
of division (A) of section 4511.19 of the Revised Code. In
addition to the mandatory prison term described in division (G)(2)
of this section, the court may sentence the offender to a
community control sanction under section 2929.16 or 2929.17 of the
Revised Code, but the offender shall serve the prison term prior
to serving the community control sanction. The department of
rehabilitation and correction may place an offender sentenced to a
mandatory prison term under this division in an intensive program
prison established pursuant to section 5120.033 of the Revised
Code if the department gave the sentencing judge prior notice of
its intent to place the offender in an intensive program prison
established under that section and if the judge did not notify the
department that the judge disapproved the placement. Upon the
establishment of the initial intensive program prison pursuant to

section 5120.033 of the Revised Code that is privately operated 16611
and managed by a contractor pursuant to a contract entered into 16612
under section 9.06 of the Revised Code, both of the following 16613
apply: 16614

(a) The department of rehabilitation and correction shall 16615
make a reasonable effort to ensure that a sufficient number of 16616
offenders sentenced to a mandatory prison term under this division 16617
are placed in the privately operated and managed prison so that 16618
the privately operated and managed prison has full occupancy. 16619

(b) Unless the privately operated and managed prison has full 16620
occupancy, the department of rehabilitation and correction shall 16621
not place any offender sentenced to a mandatory prison term under 16622
this division in any intensive program prison established pursuant 16623
to section 5120.033 of the Revised Code other than the privately 16624
operated and managed prison. 16625

(H) If an offender is being sentenced for a sexually oriented 16626
offense committed on or after January 1, 1997, the judge shall 16627
require the offender to submit to a DNA specimen collection 16628
procedure pursuant to section 2901.07 of the Revised Code if 16629
either of the following applies: 16630

(1) The offense was a violent sex offense or a designated 16631
homicide, assault, or kidnapping offense and, in relation to that 16632
offense, the offender was adjudicated a sexually violent predator. 16633

(2) The judge imposing sentence for the sexually oriented 16634
offense determines pursuant to division (B) of section 2950.09 of 16635
the Revised Code that the offender is a sexual predator. 16636

(I) If an offender is being sentenced for a sexually oriented 16637
offense that is not a registration-exempt sexually oriented 16638
offense or for a child-victim oriented offense committed on or 16639
after January 1, 1997, the judge shall include in the sentence a 16640
summary of the offender's duties imposed under sections 2950.04, 16641

2950.041, 2950.05, and 2950.06 of the Revised Code and the
duration of the duties. The judge shall inform the offender, at
the time of sentencing, of those duties and of their duration and,
if required under division (A)(2) of section 2950.03 of the
Revised Code, shall perform the duties specified in that section.

(J)(1) Except as provided in division (J)(2) of this section,
when considering sentencing factors under this section in relation
to an offender who is convicted of or pleads guilty to an attempt
to commit an offense in violation of section 2923.02 of the
Revised Code, the sentencing court shall consider the factors
applicable to the felony category of the violation of section
2923.02 of the Revised Code instead of the factors applicable to
the felony category of the offense attempted.

(2) When considering sentencing factors under this section in
relation to an offender who is convicted of or pleads guilty to an
attempt to commit a drug abuse offense for which the penalty is
determined by the amount or number of unit doses of the controlled
substance involved in the drug abuse offense, the sentencing court
shall consider the factors applicable to the felony category that
the drug abuse offense attempted would be if that drug abuse
offense had been committed and had involved an amount or number of
unit doses of the controlled substance that is within the next
lower range of controlled substance amounts than was involved in
the attempt.

(K) As used in this section, "drug abuse offense" has the
same meaning as in section 2925.01 of the Revised Code.

Sec. 2929.14. (A) Except as provided in division (C), (D)(1),
(D)(2), (D)(3), (D)(4), (D)(5), (D)(6), or (G) of this section and
except in relation to an offense for which a sentence of death or
life imprisonment is to be imposed, if the court imposing a
sentence upon an offender for a felony elects or is required to

impose a prison term on the offender pursuant to this chapter, the 16673
court shall impose a definite prison term that shall be one of the 16674
following: 16675

(1) For a felony of the first degree, the prison term shall 16676
be three, four, five, six, seven, eight, nine, or ten years. 16677

(2) For a felony of the second degree, the prison term shall 16678
be two, three, four, five, six, seven, or eight years. 16679

(3) For a felony of the third degree, the prison term shall 16680
be one, two, three, four, or five years. 16681

(4) For a felony of the fourth degree, the prison term shall 16682
be six, seven, eight, nine, ten, eleven, twelve, thirteen, 16683
fourteen, fifteen, sixteen, seventeen, or eighteen months. 16684

(5) For a felony of the fifth degree, the prison term shall 16685
be six, seven, eight, nine, ten, eleven, or twelve months. 16686

(B) Except as provided in division (C), (D)(1), (D)(2), 16687
(D)(3), (D)(5), (D)(6), or (G) of this section, in section 2907.02 16688
of the Revised Code, or in Chapter 2925. of the Revised Code, if 16689
the court imposing a sentence upon an offender for a felony elects 16690
or is required to impose a prison term on the offender, the court 16691
shall impose the shortest prison term authorized for the offense 16692
pursuant to division (A) of this section, unless one or more of 16693
the following applies: 16694

(1) The offender was serving a prison term at the time of the 16695
offense, or the offender previously had served a prison term. 16696

(2) The court finds on the record that the shortest prison 16697
term will demean the seriousness of the offender's conduct or will 16698
not adequately protect the public from future crime by the 16699
offender or others. 16700

(C) Except as provided in division (G) of this section or in 16701
Chapter 2925. of the Revised Code, the court imposing a sentence 16702

upon an offender for a felony may impose the longest prison term 16703
authorized for the offense pursuant to division (A) of this 16704
section only upon offenders who committed the worst forms of the 16705
offense, upon offenders who pose the greatest likelihood of 16706
committing future crimes, upon certain major drug offenders under 16707
division (D)(3) of this section, and upon certain repeat violent 16708
offenders in accordance with division (D)(2) of this section. 16709

(D)(1)(a) Except as provided in division (D)(1)(e) of this 16710
section, if an offender who is convicted of or pleads guilty to a 16711
felony also is convicted of or pleads guilty to a specification of 16712
the type described in section 2941.141, 2941.144, or 2941.145 of 16713
the Revised Code, the court shall impose on the offender one of 16714
the following prison terms: 16715

(i) A prison term of six years if the specification is of the 16716
type described in section 2941.144 of the Revised Code that 16717
charges the offender with having a firearm that is an automatic 16718
firearm or that was equipped with a firearm muffler or silencer on 16719
or about the offender's person or under the offender's control 16720
while committing the felony; 16721

(ii) A prison term of three years if the specification is of 16722
the type described in section 2941.145 of the Revised Code that 16723
charges the offender with having a firearm on or about the 16724
offender's person or under the offender's control while committing 16725
the offense and displaying the firearm, brandishing the firearm, 16726
indicating that the offender possessed the firearm, or using it to 16727
facilitate the offense; 16728

(iii) A prison term of one year if the specification is of 16729
the type described in section 2941.141 of the Revised Code that 16730
charges the offender with having a firearm on or about the 16731
offender's person or under the offender's control while committing 16732
the felony. 16733

(b) If a court imposes a prison term on an offender under 16734
division (D)(1)(a) of this section, subject to section 2967.24 of 16735
the Revised Code, the prison term shall not be reduced pursuant to 16736
section 2929.20, section 2967.193, or any other provision of 16737
Chapter 2967. or Chapter 5120. of the Revised Code. A court shall 16738
not impose more than one prison term on an offender under division 16739
(D)(1)(a) of this section for felonies committed as part of the 16740
same act or transaction. 16741

(c) Except as provided in division (D)(1)(e) of this section, 16742
if an offender who is convicted of or pleads guilty to a violation 16743
of section 2923.161 of the Revised Code or to a felony that 16744
includes, as an essential element, purposely or knowingly causing 16745
or attempting to cause the death of or physical harm to another, 16746
also is convicted of or pleads guilty to a specification of the 16747
type described in section 2941.146 of the Revised Code that 16748

violation of section 2923.161 of the Revised Code or for the other 16752
felony offense under division (A), (D)(2), or (D)(3) of this 16753
section, shall impose an additional prison term of five years upon 16754
the offender that, subject to section 2967.24 of the Revised Code, 16755
shall not be reduced pursuant to section 2929.20, section 16756
2967.193, or any other provision of Chapter 2967. or Chapter 5120. 16757
of the Revised Code. A court shall not impose more than one 16758
additional prison term on an offender under division (D)(1)(c) of 16759
this section for felonies committed as part of the same act or 16760
transaction. If a court imposes an additional prison term on an 16761
offender under division (D)(1)(c) of this section relative to an 16762
offense, the court also shall impose a prison term under division 16763
(D)(1)(a) of this section relative to the same offense, provided 16764
the criteria specified in that division for imposing an additional 16765

prison term are satisfied relative to the offender and the offense. 16766
16767

(d) If an offender who is convicted of or pleads guilty to an offense of violence that is a felony also is convicted of or pleads guilty to a specification of the type described in section 2941.1411 of the Revised Code that charges the offender with wearing or carrying body armor while committing the felony offense of violence, the court shall impose on the offender a prison term of two years. ~~The~~ Subject to section 2967.24 of the Revised Code, the prison term so imposed shall not be reduced pursuant to section 2929.20, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code. A court shall not impose more than one prison term on an offender under division (D)(1)(d) of this section for felonies committed as part of the same act or transaction. If a court imposes an additional prison term under division (D)(1)(a) or (c) of this section, the court is not precluded from imposing an additional prison term under division (D)(1)(d) of this section. 16768

16771
16772
16773
16774
16775
16776
16777
16778
16779
16780
16781
16782
16783

(e) The court shall not impose any of the prison terms described in division (D)(1)(a) of this section or any of the additional prison terms described in division (D)(1)(c) of this section upon an offender for a violation of section 2923.12 or 2923.123 of the Revised Code. The court shall not impose any of the prison terms described in division (D)(1)(a) of this section or any of the additional prison terms described in division (D)(1)(c) of this section upon an offender for a violation of section 2923.13 of the Revised Code unless all of the following apply: 16784
16785
16786
16787
16788
16789
16790
16791
16792
16793

(i) The offender previously has been convicted of aggravated murder, murder, or any felony of the first or second degree. 16794
16795

(ii) Less than five years have passed since the offender was released from prison or post-release control, whichever is later, 16796
16797

for the prior offense. 16798

(f) If an offender is convicted of or pleads guilty to a 16799
felony that includes, as an essential element, causing or 16800
attempting to cause the death of or physical harm to another and 16801
also is convicted of or pleads guilty to a specification of the 16802
type described in section 2941.1412 of the Revised Code that 16803
charges the offender with committing the offense by discharging a 16804
firearm at a peace officer as defined in section 2935.01 of the 16805
Revised Code or a corrections officer as defined in section 16806
2941.1412 of the Revised Code, the court, after imposing a prison 16807
term on the offender for the felony offense under division (A), 16808
(D)(2), or (D)(3) of this section, shall impose an additional 16809
prison term of seven years upon the offender that, subject to 16810
section 2967.24 of the Revised Code, shall not be reduced pursuant 16811
to section 2929.20, section 2967.193, or any other provision of 16812
Chapter 2967. or Chapter 5120. of the Revised Code. A court shall 16813
not impose more than one additional prison term on an offender 16814
under division (D)(1)(f) of this section for felonies committed as 16815
part of the same act or transaction. If a court imposes an 16816
additional prison term on an offender under division (D)(1)(f) of 16817
this section relative to an offense, the court shall not impose a 16818
prison term under division (D)(1)(a) or (c) of this section 16819
relative to the same offense. 16820

(2)(a) If an offender who is convicted of or pleads guilty to 16821
a felony also is convicted of or pleads guilty to a specification 16822
of the type described in section 2941.149 of the Revised Code that 16823
the offender is a repeat violent offender, the court shall impose 16824
a prison term from the range of terms authorized for the offense 16825
under division (A) of this section that may be the longest term in 16826
the range and that, subject to section 2967.24 of the Revised 16827
Code, shall not be reduced pursuant to section 2929.20, section 16828
2967.193, or any other provision of Chapter 2967. or Chapter 5120. 16829

of the Revised Code. If the court finds that the repeat violent 16830
offender, in committing the offense, caused any physical harm that 16831
carried a substantial risk of death to a person or that involved 16832
substantial permanent incapacity or substantial permanent 16833
disfigurement of a person, the court shall impose the longest 16834
prison term from the range of terms authorized for the offense 16835
under division (A) of this section. 16836

(b) If the court imposing a prison term on a repeat violent 16837
offender imposes the longest prison term from the range of terms 16838
authorized for the offense under division (A) of this section, the 16839
court may impose on the offender an additional definite prison 16840
term of one, two, three, four, five, six, seven, eight, nine, or 16841
ten years if the court finds that both of the following apply with 16842
respect to the prison terms imposed on the offender pursuant to 16843
division (D)(2)(a) of this section and, if applicable, divisions 16844
(D)(1) and (3) of this section: 16845

(i) The terms so imposed are inadequate to punish the 16846
offender and protect the public from future crime, because the 16847
applicable factors under section 2929.12 of the Revised Code 16848
indicating a greater likelihood of recidivism outweigh the 16849
applicable factors under that section indicating a lesser 16850
likelihood of recidivism. 16851

(ii) The terms so imposed are demeaning to the seriousness of 16852
the offense, because one or more of the factors under section 16853
2929.12 of the Revised Code indicating that the offender's conduct 16854
is more serious than conduct normally constituting the offense are 16855
present, and they outweigh the applicable factors under that 16856
section indicating that the offender's conduct is less serious 16857
than conduct normally constituting the offense. 16858

(3)(a) Except when an offender commits a violation of section 16859
2903.01 or 2907.02 of the Revised Code and the penalty imposed for 16860
the violation is life imprisonment or commits a violation of 16861

section 2903.02 of the Revised Code, if the offender commits a
violation of section 2925.03 or 2925.11 of the Revised Code and
that section classifies the offender as a major drug offender and
requires the imposition of a ten-year prison term on the offender,
if the offender commits a felony violation of section 2925.02,
2925.04, 2925.05, 2925.36, 3719.07, 3719.08, 3719.16, 3719.161,
4729.37, or 4729.61, division (C) or (D) of section 3719.172,
division (C) of section 4729.51, or division (J) of section
4729.54 of the Revised Code that includes the sale, offer to sell,
or possession of a schedule I or II controlled substance, with the
exception of marihuana, and the court imposing sentence upon the
offender finds that the offender is guilty of a specification of
the type described in section 2941.1410 of the Revised Code
charging that the offender is a major drug offender, if the court
imposing sentence upon an offender for a felony finds that the
offender is guilty of corrupt activity with the most serious
offense in the pattern of corrupt activity being a felony of the
first degree, or if the offender is guilty of an attempted
violation of section 2907.02 of the Revised Code and, had the
offender completed the violation of section 2907.02 of the Revised
Code that was attempted, the offender would have been subject to a
sentence of life imprisonment or life imprisonment without parole
for the violation of section 2907.02 of the Revised Code, the
court shall impose upon the offender for the felony violation a
ten-year prison term that, subject to section 2967.24 of the
Revised Code, cannot be reduced pursuant to section 2929.20 or
Chapter 2967. or 5120. of the Revised Code.

(b) The court imposing a prison term on an offender under
division (D)(3)(a) of this section may impose an additional prison
term of one, two, three, four, five, six, seven, eight, nine, or
ten years, if the court, with respect to the term imposed under
division (D)(3)(a) of this section and, if applicable, divisions

(D)(1) and (2) of this section, makes both of the findings set forth in divisions (D)(2)(b)(i) and (ii) of this section. 16894
16895

(4) If the offender is being sentenced for a third or fourth degree felony OVI offense under division (G)(2) of section 2929.13 of the Revised Code, the sentencing court shall impose upon the offender a mandatory prison term in accordance with that division. court shall not impose more than one prison term on an offender 16961
under division (D)(6) of this section for felonies committed as 16962
part of the same act. 16963

(E)(1)(a) Subject to division (E)(1)(b) of this section, if a 16964
mandatory prison term is imposed upon an offender pursuant to 16965
division (D)(1)(a) of this section for having a firearm on or 16966
about the offender's person or under the offender's control while 16967
committing a felony, if a mandatory prison term is imposed upon an 16968
offender pursuant to division (D)(1)(c) of this section for 16969
committing a felony specified in that division by discharging a 16970
firearm from a motor vehicle, or if both types of mandatory prison 16971
terms are imposed, the offender shall serve any mandatory prison 16972
term imposed under either division consecutively to any other 16973
mandatory prison term imposed under either division or under 16974
division (D)(1)(d) of this section, consecutively to and prior to 16975
any prison term imposed for the underlying felony pursuant to 16976
division (A), (D)(2), or (D)(3) of this section or any other 16977

upon the offender. 16980

(b) If a mandatory prison term is imposed upon an offender 16981
pursuant to division (D)(1)(d) of this section for wearing or 16982
carrying body armor while committing an offense of violence that 16983

consecutively to any other prison term or mandatory prison term 16990

section of the Revised Code, and consecutively to any other prison 16997
term or mandatory prison term previously or subsequently imposed 16998
upon the offender. 16999

(2) If an offender who is an inmate in a jail, prison, or 17000
other residential detention facility violates section 2917.02, 17001
2917.03, 2921.34, or 2921.35 of the Revised Code, if an offender 17002
who is under detention at a detention facility commits a felony 17003
violation of section 2923.131 of the Revised Code, or if an 17004
offender who is an inmate in a jail, prison, or other residential 17005
detention facility or is under detention at a detention facility 17006
commits another felony while the offender is an escapee in 17007
violation of section 2921.34 of the Revised Code, any prison term 17008
imposed upon the offender for one of those violations shall be 17009
served by the offender consecutively to the prison term or term of 17010
imprisonment the offender was serving when the offender committed 17011
that offense and to any other prison term previously or 17012
subsequently imposed upon the offender. 17013

(3) If a prison term is imposed for a violation of division 17014
(B) of section 2911.01 of the Revised Code, a violation of 17015

the offender shall serve that prison term consecutively to any 17019
other prison term or mandatory prison term previously or 17020
subsequently imposed upon the offender. 17021

(4) If multiple prison terms are imposed on an offender for convictions of multiple offenses, the court may require the offender to serve the prison terms consecutively if the court finds that the consecutive service is necessary to protect the public from future crime or to punish the offender and that consecutive sentences are not disproportionate to the seriousness of the offender's conduct and to the danger the offender poses to the public, and if the court also finds any of the following:

(a) The offender committed one or more of the multiple offenses while the offender was awaiting trial or sentencing, was under a sanction imposed pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, or was under post-release control for a prior offense.

(b) At least two of the multiple offenses were committed as part of one or more courses of conduct, and the harm caused by two or more of the multiple offenses so committed was so great or unusual that no single prison term for any of the offenses committed as part of any of the courses of conduct adequately reflects the seriousness of the offender's conduct.

(c) The offender's history of criminal conduct demonstrates that consecutive sentences are necessary to protect the public from future crime by the offender.

(5) If a mandatory prison term is imposed upon an offender pursuant to division (D)(5) or (6) of this section, the offender shall serve the mandatory prison term consecutively to and prior to any prison term imposed for the underlying violation of division (A)(1) or (2) of section 2903.06 of the Revised Code pursuant to division (A) of this section. If a mandatory prison term is imposed upon an offender pursuant to division (D)(5) of this section, and if a mandatory prison term also is imposed upon the offender pursuant to division (D)(6) of this section in

relation to the same violation, the offender shall serve the
mandatory prison term imposed pursuant to division (D)(5) of this
section consecutively to and prior to the mandatory prison term
imposed pursuant to division (D)(6) of this section and
consecutively to and prior to any prison term imposed for the
underlying violation of division (A)(1) or (2) of section 2903.06
of the Revised Code pursuant to division (A) of this section.

(6) When consecutive prison terms are imposed pursuant to
division (E)(1), (2), (3), (4), or (5) of this section, the term
to be served is the aggregate of all of the terms so imposed.

(F) If a court imposes a prison term of a type described in
division (B) of section 2967.28 of the Revised Code, it shall
include in the sentence a requirement that the offender be subject
to a period of post-release control after the offender's release
from imprisonment, in accordance with that division. If a court
imposes a prison term of a type described in division (C) of that
section, it shall include in the sentence a requirement that the
offender be subject to a period of post-release control after the
offender's release from imprisonment, in accordance with that
division, if the parole board determines that a period of
post-release control is necessary.

(G) If a person is convicted of or pleads guilty to a violent
sex offense or a designated homicide, assault, or kidnapping
offense and, in relation to that offense, the offender is
adjudicated a sexually violent predator, the court shall impose
sentence upon the offender in accordance with section 2971.03 of
the Revised Code, and Chapter 2971. of the Revised Code applies
regarding the prison term or term of life imprisonment without
parole imposed upon the offender and the service of that term of
imprisonment.

(H) If a person who has been convicted of or pleaded guilty

to a felony is sentenced to a prison term or term of imprisonment 17084
under this section, sections 2929.02 to 2929.06 of the Revised 17085
Code, section 2971.03 of the Revised Code, or any other provision 17086
of law, section 5120.163 of the Revised Code applies regarding the 17087
person while the person is confined in a state correctional 17088
institution. 17089

(I) If an offender who is convicted of or pleads guilty to a 17090
felony that is an offense of violence also is convicted of or 17091
pleads guilty to a specification of the type described in section 17092
2941.142 of the Revised Code that charges the offender with having 17093
committed the felony while participating in a criminal gang, the 17094
court shall impose upon the offender an additional prison term of 17095
one, two, or three years. 17096

(J) If an offender who is convicted of or pleads guilty to 17097
aggravated murder, murder, or a felony of the first, second, or 17098
third degree that is an offense of violence also is convicted of 17099
or pleads guilty to a specification of the type described in 17100
section 2941.143 of the Revised Code that charges the offender 17101
with having committed the offense in a school safety zone or 17102
towards a person in a school safety zone, the court shall impose 17103
upon the offender an additional prison term of two years. The 17104
offender shall serve the additional two years consecutively to and 17105
prior to the prison term imposed for the underlying offense. 17106

(K) At the time of sentencing, the court may recommend the 17107
offender for placement in a program of shock incarceration under 17108
section 5120.031 of the Revised Code or for placement in an 17109
intensive program prison under section 5120.032 of the Revised 17110
Code, disapprove placement of the offender in a program of shock 17111
incarceration or an intensive program prison of that nature, or 17112
make no recommendation on placement of the offender. In no case 17113
shall the department of rehabilitation and correction place the 17114
offender in a program or prison of that nature unless the 17115

department determines as specified in section 5120.031 or 5120.032 17116
of the Revised Code, whichever is applicable, that the offender is 17117
eligible for the placement. 17118

If the court disapproves placement of the offender in a 17119
program or prison of that nature, the department of rehabilitation 17120
and correction shall not place the offender in any program of 17121
shock incarceration or intensive program prison. 17122

If the court recommends placement of the offender in a 17123
program of shock incarceration or in an intensive program prison, 17124
and if the offender is subsequently placed in the recommended 17125
program or prison, the department shall notify the court of the 17126
placement and shall include with the notice a brief description of 17127
the placement. 17128

If the court recommends placement of the offender in a 17129
program of shock incarceration or in an intensive program prison 17130
and the department does not subsequently place the offender in the 17131
recommended program or prison, the department shall send a notice 17132
to the court indicating why the offender was not placed in the 17133
recommended program or prison. 17134

If the court does not make a recommendation under this 17135
division with respect to an offender and if the department 17136
determines as specified in section 5120.031 or 5120.032 of the 17137
Revised Code, whichever is applicable, that the offender is 17138
eligible for placement in a program or prison of that nature, the 17139
department shall screen the offender and determine if there is an 17140
available program of shock incarceration or an intensive program 17141
prison for which the offender is suited. If there is an available 17142
program of shock incarceration or an intensive program prison for 17143
which the offender is suited, the department shall notify the 17144
court of the proposed placement of the offender as specified in 17145
section 5120.031 or 5120.032 of the Revised Code and shall include 17146

with the notice a brief description of the placement. The court 17147
shall have ten days from receipt of the notice to disapprove the 17148
placement. 17149

Sec. 2967.13. (A) Except as provided in division (G) of this 17150

the Revised Code for an offense committed on or after July 1, 17182

eligible for parole after serving twenty years, twenty full years, 17184
or thirty full years, as applicable, as to each such sentence of 17185
life imprisonment, which shall not be reduced for earned credits 17186

of the other sentences consecutively imposed or, if one of the 17188
other sentences is another type of life sentence with parole 17189
eligibility, the number of years before parole eligibility for 17190

prisoner serving consecutively two or more sentences in which an 17193
indefinite term of imprisonment is imposed becomes eligible for 17194
parole upon the expiration of the aggregate of the minimum terms 17195

without parole imposed pursuant to section 2907.02 or section 17204
2929.03 or 2929.06 of the Revised Code is not eligible for parole 17205
and, subject to section 2967.24 of the Revised Code, shall be 17206

(F) A prisoner serving a stated prison term shall be released 17208
in accordance with section 2967.28 of the Revised Code. 17209

(G) A prisoner serving a prison term or term of life 17210
imprisonment without parole imposed pursuant to section 2971.03 of 17211

relevant to the request for the medical hardship release from 17273

Upon receipt of a request from the director of rehabilitation 17275
and correction pursuant to this division, the commission promptly 17276
shall review the request and all other materials and information 17277
provided by the department and promptly shall determine whether it 17278
believes the specified prisoner should be granted a medical 17279
hardship release and whether the director's request should be 17280
approved or denied. Upon making its determinations, the commission 17281
promptly shall notify the director of rehabilitation and 17282

imprisonment pursuant to this section. 17295

(D) If the department of rehabilitation and correction grants 17296
a medical hardship release to a prisoner pursuant to this section, 17297
the department shall release the prisoner from imprisonment as if 17298
the prisoner's stated prison term had expired, and the prisoner is 17299
subject to a period of post-release control of up to three years 17300
after the prisoner's release from imprisonment. Before the 17301
department releases the prisoner from imprisonment, the department 17302

shall impose upon the prisoner one or more post-release control 17303
sanctions to apply during the prisoner's period of post-release 17304
control. The department shall impose the sanction or sanctions in 17305
accordance with division (D)(1) of section 2967.28 of the Revised 17306
Code, and divisions (D)(2) and (F) of that section apply to the 17307
prisoner after the prisoner's release from imprisonment and during 17308
the period of post-release control. When the prisoner has 17309
faithfully performed the conditions and obligations of the 17310
inmate's post-release control sanctions and has obeyed the rules 17311
and regulations adopted by the adult parole authority that apply 17312
to the released prisoner or has the period of post-release control 17313
terminated by a court pursuant to section 2929.141 of the Revised 17314
Code, division (B) of section 2967.16 of the Revised Code applies 17315
regarding the prisoner. 17316

(E)(1) The department of rehabilitation and correction shall 17317

which the test is administered. 17805

(2) For any test prescribed by this section, the state board 17806

division. A board of a joint vocational school district may also 17881
administer such a test to any student described in division 17882

(B)(8)(b) of this section. 17883

under Chapter 3323. of the Revised Code may be excused from taking 17892
any particular test required to be administered under this section 17893
if the individualized education program developed for the student 17894
pursuant to section 3323.08 of the Revised Code excuses the 17895
student from taking that test and instead specifies an alternate 17896
assessment method approved by the department of education as 17897
conforming to requirements of federal law for receipt of federal 17898
funds for disadvantaged pupils. To the extent possible, the 17899
individualized education program shall not excuse the student from 17900
taking a test unless no reasonable accommodation can be made to 17901

(b) Any alternate assessment approved by the department for a 17903
student under this division shall produce measurable results 17904

assessment results to be included in the data compiled for a 17907
school district or building under section 3302.03 of the Revised 17908
Code. 17909

(c) Any student enrolled in a chartered nonpublic school who 17910

from taking any particular test required to be administered under 17915
this section if a plan developed for the student pursuant to rules 17916
adopted by the state board excuses the student from taking that 17917
test. In the case of any student so excused from taking a test, 17918
the chartered nonpublic school shall not prohibit the student from 17919
taking the test. 17920

(2) A district board may, for medical reasons or other good 17921
cause, excuse a student from taking a test administered under this 17922
section on the date scheduled, but any such test shall be 17923
administered to such excused student not later than nine days 17924
following the scheduled date. The board shall annually report the 17925
number of students who have not taken one or more of the tests 17926
required by this section to the state board of education not later 17927

administered under this section, except that any limited English 17933
proficient student who has been enrolled in United States schools 17934
for less than one full school year shall not be required to take 17935
any such reading or writing test. However, no board shall prohibit 17936
a limited English proficient student who is not required to take a 17937
test under this division from taking the test. A board may permit 17938
any limited English proficient student to take any test required 17939
to be administered under this section with appropriate 17940
accommodations, as determined by the department. For each limited 17941
English proficient student, each school district shall annually 17942
assess that student's progress in learning English, in accordance 17943
with procedures approved by the department. 17944

The governing authority of a chartered nonpublic school may 17945
excuse a limited English proficient student from taking any test 17946
administered under this section. However, no governing authority 17947
shall prohibit a limited English proficient student from taking 17948
the test. 17949

(D)(1) In the school year next succeeding the school year in 17950
which the tests prescribed by division (A)(1) or (B) of section 17951
3301.0710 of the Revised Code or former division (A)(1), (A)(2), 17952

including any intensive intervention required under section 17958
3313.608 of the Revised Code, in any skill in which the student 17959
failed to demonstrate at least a score at the proficient level on 17960
the test. 17961

(2) Following any administration of the tests prescribed by 17962
division (F) of section 3301.0710 of the Revised Code to ninth 17963
grade students, each school district that has a three-year average 17964
graduation rate of not more than seventy-five per cent shall 17965
determine for each high school in the district whether the school 17966
shall be required to provide intervention services to any students 17967
who took the tests. In determining which high schools shall 17968
provide intervention services based on the resources available, 17969
the district shall consider each school's graduation rate and 17970
scores on the practice tests. The district also shall consider the 17971
scores received by ninth grade students on the reading and 17972
mathematics tests prescribed under division (A)(1)(f) of section 17973
3301.0710 of the Revised Code in the eighth grade in determining 17974
which high schools shall provide intervention services. 17975

Each high school selected to provide intervention services 17976

under this division shall provide intervention services to any student whose test results indicate that the student is failing to make satisfactory progress toward being able to attain scores at the proficient level on the Ohio graduation tests. Intervention services shall be provided in any skill in which a student demonstrates unsatisfactory progress and shall be commensurate with the student's test performance. Schools shall provide the intervention services prior to the end of the school year, during the summer following the ninth grade, in the next succeeding school year, or at any combination of those times.

(E) Except as provided in section 3313.608 of the Revised Code and division (M) of this section, no school district board of education shall utilize any student's failure to attain a specified score on any test administered under this section as a factor in any decision to deny the student promotion to a higher grade level. However, a district board may choose not to promote to the next grade level any student who does not take any test administered under this section or make up such test as provided by division (C)(2) of this section and who is not exempt from the requirement to take the test under division (C)(3) of this section.

(F) No person shall be charged a fee for taking any test administered under this section.

this section shall be submitted not later than the Friday 18009
following the day the student takes the test. 18010

(2) The department or an entity with which the department 18011
contracts for the scoring of the test shall send to each school 18012
district board a list of the individual test scores of all persons 18013

any tests administered under this section by a joint vocational 18018
school district, the department or entity shall also send to each 18019
city, local, or exempted village school district a list of the 18020
individual test scores of any students of such city, local, or 18021
exempted village school district who are attending school in the 18022
joint vocational school district. 18023

(H) Individual test scores on any tests administered under 18024
this section shall be released by a district board only in 18025
accordance with section 3319.321 of the Revised Code and the rules 18026
adopted under division (A) of this section. No district board or 18027
its employees shall utilize individual or aggregate test results 18028
in any manner that conflicts with rules for the ethical use of 18029
tests adopted pursuant to division (A) of this section. 18030

(I) Except as provided in division (G) of this section, the 18031

board of education shall adopt rules to ensure the protection of 18035
student confidentiality at all times. The rules may require the 18036
use of the data verification codes assigned to students pursuant 18037
to division (D)(2) of section 3301.0714 of the Revised Code to 18038
protect the confidentiality of student test scores. 18039

provided under rules adopted pursuant to this division.

(1) In accordance with rules that the state board of
education shall adopt, the board of education of any city,
exempted village, or local school district with territory in a
cooperative education school district established pursuant to
divisions (A) to (C) of section 3311.52 of the Revised Code may
enter into an agreement with the board of education of the
cooperative education school district for administering any test
prescribed under this section to students of the city, exempted
village, or local school district who are attending school in the
cooperative education school district.

(2) In accordance with rules that the state board of

(K)(1) Any chartered nonpublic school may participate in the

testing program by administering any of the tests prescribed by 18072
section 3301.0710 or 3301.0712 of the Revised Code if the chief 18073
administrator of the school specifies which tests the school 18074

required to do under this section and rules adopted by the 18080
department. 18081

(2) The department of education shall furnish the tests 18082
prescribed by section 3301.0710 or 3301.0712 of the Revised Code 18083
to any chartered nonpublic school electing to participate under 18084

(A)(1)(a) of section 3301.0710 of the Revised Code or on any of 18099
the tests described by division (A)(1)(b), (c), (d), (e), or (f) 18100

149.43 of the Revised Code on the first day of July following the 18106
school year that the test was administered, except that the 18107
reading test prescribed under division (A)(1)(a) of section 18108
3301.0710 of the Revised Code shall become a public record on the 18109
sixteenth day of July following the school year that the test was 18110
administered. 18111

(2) The department may field test proposed test questions 18112
with samples of students to determine the validity, reliability, 18113
or appropriateness of test questions for possible inclusion in a 18114
future year's test. The department also may use anchor questions 18115
on tests to ensure that different versions of the same test are of 18116
comparable difficulty. 18117

Field test questions and anchor questions shall not be 18118
considered in computing test scores for individual students. Field 18119
test questions and anchor questions may be included as part of the 18120

redacted from any tests which are released as a public record 18126
pursuant to division (N)(1) of this section. 18127

(4) This division applies to the tests prescribed by division 18128

section 3301.0712 of the Revised Code, shall be a public record. 18131

(b) For subsequent administrations of each test, not less 18132
than forty per cent of the questions on the test that are used to 18133

compute a student's score shall be a public record. The department 18134
shall determine which questions will be needed for reuse on a 18135
future test and those questions shall not be public records and 18136
shall be redacted from the test prior to its release as a public 18137
record. 18138

(5) Each test prescribed by division (B) of section 3301.0710 18139

serve as a registered private school. 19159

(C) The school does not discriminate on the basis of race, 19160
religion, national origin, or ethnic background. 19161

(D) If the school does not have positions available for all 19162
of the applicants who wish to enroll in the school under such 19163
scholarship, as provided in the school's regular enrollment 19164
criteria, the school fills the available positions on a random 19165

year the program continues, no new students may receive 19661
scholarships unless they are enrolled in ~~grade~~ grades 19662

under this provision shall not be increased beyond the amount 19684
equal to the amount of the scholarship plus any additional amount 19685
charged that student's parent in the most recent year of 19686
attendance as a participant in the pilot project, except that 19687
tuition for all the students enrolled in such school may be 19688
increased by the same percentage. 19689

(D) Notwithstanding sections 124.39, 3307.54, and 3319.17 of 19690

the Revised Code, the district board of education may enter into 19694
an agreement with any teacher it employs to provide to that 19695

Sec. 3314.015. (A) The department of education shall be
responsible for the oversight of sponsors of the community schools
established under this chapter and shall provide technical
assistance to schools and sponsors in their compliance with
applicable laws and the terms of the contracts entered into under
section 3314.03 of the Revised Code and in the development and
start-up activities of those schools. In carrying out its duties
under this section, the department shall do all of the following:

(1) In providing technical assistance to proposing parties,
governing authorities, and sponsors, conduct training sessions and
distribute informational materials;

(2) Approve entities to be sponsors of community schools and
monitor the effectiveness of those sponsors in their oversight of
the schools with which they have contracted;

(3) By December thirty-first of each year, issue a report to
the governor, the speaker of the house of representatives, the
president of the senate, and the chairpersons of the house and
senate committees principally responsible for education matters

regarding the effectiveness of academic programs, operations, and 20219
legal compliance and of the financial condition of all community 20220
schools established under this chapter; 20221

(4) From time to time, make legislative recommendations to 20222
the general assembly designed to enhance the operation and 20223
performance of community schools. 20224

(B)(1) No entity listed in division (C)(1) of section 3314.02 20225
of the Revised Code shall enter into a preliminary agreement under 20226
division (C)(2) of section 3314.02 of the Revised Code until it 20227
has received approval from the department of education to sponsor 20228
community schools under this chapter and has entered into a 20229
written agreement with the department regarding the manner in 20230
which the entity will conduct such sponsorship. The department 20231
shall adopt in accordance with Chapter 119. of the Revised Code 20232
rules containing criteria, procedures, and deadlines for 20233
processing applications for such approval, for oversight of 20234
sponsors, for revocation of the approval of sponsors, and for 20235
entering into written agreements with sponsors. The rules shall 20236
require an entity to submit evidence of the entity's ability and 20237
willingness to comply with the provisions of division (D) of 20238
section 3314.03 of the Revised Code. The rules also shall require 20239
entities approved as sponsors on and after the effective date of 20240
this amendment to demonstrate a record of financial responsibility 20241
and successful implementation of educational programs. If an 20242
entity seeking approval on or after the effective date of this 20243
amendment to sponsor community schools in this state sponsors or 20244
operates schools in another state, at least one of the schools 20245

better than the performance of Ohio schools in a state of academic 20247
watch under section 3302.03 of the Revised Code, as determined by 20248
the department. 20249

An entity described in division (C)(1)(a), (b), (c), (d), or 20250

(f) of section 3314.02 of the Revised Code that is approved to 20251
sponsor community schools may enter into ~~any number of~~ preliminary 20252
agreements and sponsor ~~any number of~~ not more than thirty-five 20253
schools, provided each school and the contract for sponsorship 20254
meets the requirements of this chapter, except that the department 20255
on a case-by-case basis may permit an entity to sponsor up to 20256
fifty schools. However, any school the mission of which, as 20257
specified under division (A)(2) of section 3314.03 of the Revised 20258
Code, is solely to serve dropouts shall not be counted toward the 20259
limit imposed by this paragraph. This paragraph does not apply to 20260
entities described in division (C)(1)(e) of section 3314.02 of the 20261
Revised Code. 20262

Upon approval of an entity to be a sponsor under this 20263
division, the department shall notify the entity of the number of 20264
schools the entity may sponsor. If at any time a sponsor exceeds 20265
the number of schools it may sponsor under this division, the 20266
department shall assume sponsorship of the schools in excess of 20267
the sponsor's authorized number in accordance with division (C) of 20268
this section. Those schools for which the department assumes 20269
sponsorship shall be the schools that most recently entered into 20270
contracts with the sponsor under section 3314.03 of the Revised 20271
Code. 20272

(2) The department of education shall determine, pursuant to 20273
criteria adopted by rule of the department, whether the mission 20274
proposed to be specified in the contract of a community school to 20275
be sponsored by a state university board of trustees or the 20276
board's designee under division (C)(1)(e) of section 3314.02 of 20277
the Revised Code complies with the requirements of that division. 20278
Such determination of the department is final. 20279

(3) The department of education shall determine, pursuant to 20280
criteria adopted by rule of the department, if any tax-exempt 20281
entity under section 501(c)(3) of the Internal Revenue Code that 20282

is proposed to be a sponsor of a community school is an 20283
education-oriented entity for purpose of satisfying the condition 20284
prescribed in division (C)(1)~~(e)(iv)~~(f)(iii) of section 3314.02 of 20285
the Revised Code. Such determination of the department is final. 20286

(C) If at any time the state board of education finds that a 20287
sponsor is not in compliance or is no longer willing to comply 20288
with its contract with any community school or with the 20289
department's rules for sponsorship, the state board or designee 20290
shall conduct a hearing in accordance with Chapter 119. of the 20291
Revised Code on that matter. If after the hearing, the state board 20292
or designee has confirmed the original finding, the department of 20293
education may revoke the sponsor's approval to sponsor community 20294
schools and may assume the sponsorship of any schools with which 20295
the sponsor has contracted until the earlier of the expiration of 20296
two school years or until a new sponsor as described in division 20297
(C)(1) of section 3314.02 of the Revised Code is secured by the 20298
school's governing authority. The department may extend the term 20299
of the contract in the case of a school for which it has assumed 20300
sponsorship under this division as necessary to accommodate the 20301
term of the department's authorization to sponsor the school 20302
specified in this division. 20303

(D) The decision of the department to disapprove an entity 20304
for sponsorship of a community school or to revoke approval for 20305
such sponsorship, as provided in division (C) of this section, may 20306
be appealed by the entity in accordance with section 119.12 of the 20307
Revised Code. 20308

(E) In carrying out its duties under this chapter, the 20309
department shall not impose requirements on community schools or 20310
their sponsors that are not permitted by law or duly adopted 20311
rules. 20312

pursuant to the contract. 20791

(D)(1) That there will be no discrimination in the admission 20792

opportunities may be offered for each sex at separate locations. 20799

(b) The governing authority may establish a school that 20800
simultaneously serves a group of students identified as autistic 20801

and a group of students who are not handicapped, as authorized in 20802
section 3314.061 of the Revised Code. However, unless the total 20803
capacity established for the school has been filled, no student 20804
with any handicap shall be denied admission on the basis of that 20805
handicap. 20806

(2) That upon admission of any handicapped student, the 20807
community school will comply with all federal and state laws 20808
regarding the education of handicapped students. 20809

(E) That the school may not limit admission to students on 20810

programs, classes, grade levels, or facilities. 20817

(G) That the purpose of single-gender schools that are 20818

district the option of a single-gender education. 20822

(H) That, except as otherwise provided under division (B) of 20823
this section or section 3314.061 of the Revised Code, if the 20824
number of applicants exceeds the capacity restrictions of division 20825
(F) of this section, students shall be admitted by lot from all 20826

Preference may be given to siblings of students attending the 20830
school the previous year. 20831

(I) If the school is an internet- or computer-based community 20832

handicapped. The contract between the governing authority and the 20848
school's sponsor shall specify the target ratio of number of 20849
autistic students to number of nonhandicapped students in the 20850
school's population, the total number of autistic students that 20851
may be enrolled in the school, and the total number of 20852
nonhandicapped students that may be enrolled in the school. A 20853
school established in accordance with this section is subject to 20854
division (H) of section 3314.06 of the Revised Code, except that 20855
because the governing authority establishes a separate capacity 20856
for autistic students and nonhandicapped students, if the number 20857
of applicants among the group of autistic students or the group of 20858
nonhandicapped students exceeds the capacity restrictions for that 20859
group, students shall be admitted by lot from all those of that 20860
same group submitting applications. However, unless the total 20861
capacity established for the school has been filled, no student 20862

commission, such hardware or software shall be returned to the 20879
~~commission~~ agency, and the ~~commission~~ agency shall redistribute 20880
the hardware and software, to the extent such redistribution is 20881
possible, to school districts in conformance with the provisions 20882

Money in the fund shall be used solely for textbooks, instructional software, and instructional materials, supplies, and equipment. Any money in the fund that is not used in any fiscal year shall carry forward to the next fiscal year.

(B)(1) Notwithstanding division (A) of this section, if in a fiscal year a district board deposits in the textbook and instructional materials fund an amount of money greater than the amount required to be deposited by this section or the rules adopted under division (C) of this section, the board may deduct the excess amount of money from the amount of money required to be deposited in succeeding fiscal years.

(2) Notwithstanding division (A) of this section, in any year a district is in fiscal emergency status as declared pursuant to section 3316.03 of the Revised Code, the district may deposit an amount less than required by division (A) of this section, or make no deposit, into the district textbook and instructional materials fund for that year.

(D) Notwithstanding division (A) of this section, a district board of education in any fiscal year may appropriate money in the district textbook and instructional materials fund for purposes

other than those permitted by that division if both of the 21598
following occur during that fiscal year: 21599

(1) All of the following certify to the district board in 21600
writing that the district has sufficient textbooks, instructional 21601

(c) If the district teachers are represented by an exclusive 21608
bargaining representative for purposes of Chapter 4117. of the 21609
Revised Code, the president of that organization or the 21610
president's designee. 21611

(2) The district board adopts, by unanimous vote of all 21612
members of the board, a resolution stating that the district has 21613
sufficient textbooks, instructional software, and instructional 21614
materials, supplies, and equipment to ensure a thorough and 21615
efficient education within the district. 21616

(E) Notwithstanding any provision to the contrary in Chapter 21617
4117. of the Revised Code, the requirements of this section 21618
prevail over any conflicting provisions of agreements between 21619
employee organizations and public employers entered into on or 21620
after November 21, 1997. 21621

(F) As used in this section and in section 3315.18 of the 21622
Revised Code, "student population" means the average, daily, 21623
full-time-equivalent number of students in kindergarten through 21624
twelfth grade receiving any educational services from the school 21625
district during the first full school week in October, excluding 21626
students enrolled in adult education classes, but including all of 21627

the following: 21628

district under an open enrollment policy pursuant to section 21630
3313.98 of the Revised Code; 21631

exempted village, local, and joint vocational school district 21642
shall establish a capital and maintenance fund. Each board 21643
annually shall deposit into that fund an amount derived from 21644

deposited in the general fund that is equal to three per cent of 21646
the formula amount for the preceding fiscal year, as defined in 21647
section 3317.02 of the Revised Code, or another percentage if 21648
established by the auditor of state under division (B) of this 21649
section, multiplied by the district's student population for the 21650
preceding fiscal year, except that money received from a permanent 21651
improvement levy authorized by section 5705.21 of the Revised Code 21652
may replace general revenue moneys in meeting the requirements of 21653
this section. Money in the fund shall be used solely for 21654
acquisition, replacement, enhancement, maintenance, or repair of 21655
permanent improvements, as that term is defined in section 5705.01 21656
of the Revised Code. Any money in the fund that is not used in any 21657

fiscal year shall carry forward to the next fiscal year. 21658

cent, of the formula amount multiplied by the district's student 21664
population that must be deposited into the fund. 21665

(C) Within its capital and maintenance fund, a school 21666
district board of education may establish a separate account 21667
solely for the purpose of depositing funds transferred from the 21668
district's reserve balance account established under former 21669
division (H) of section 5705.29 of the Revised Code. After ~~the~~ 21670
~~effective date of this amendment~~ April 10, 2001, a board may 21671
deposit all or part of the funds formerly included in such reserve 21672
balance account in the separate account established under this 21673
section. Funds deposited in this separate account and interest on 21674
such funds shall be utilized solely for the purpose of providing 21675
the district's portion of the basic project costs of any project 21676
undertaken in accordance with Chapter 3318. of the Revised Code. 21677

(D) Notwithstanding division (A) of this section, in any year 21678
a district is in fiscal emergency status as declared pursuant to 21679
section 3316.03 of the Revised Code, the district may deposit an 21680
amount less than required by division (A) of this section, or make 21681
no deposit, into the district capital and maintenance fund for 21682
that year. 21683

(E) Notwithstanding any provision to the contrary in Chapter 21684
4117. of the Revised Code, the requirements of this section 21685
prevail over any conflicting provisions of agreements between 21686
employee organizations and public employers entered into after 21687
November 21, 1997. 21688

Sec. 3315.37. The board of education of a school district may 21689
establish a teacher education loan program and may expend school 21690
funds for the program. The program shall be for the purpose of 21691
making loans to students who are residents of the school district 21692
or graduates of schools in the school district, who are enrolled 21693
in teacher preparation programs at institutions approved by the 21694
state board pursuant to section 3319.23 of the Revised Code, and 21695
who indicate an intent to teach in the school district providing 21696
the loan. The district board may forgive the obligation to repay 21697
any or all of the principal and interest on the loan if the 21698
borrower teaches in that school district. 21699

The district board shall adopt rules establishing eligibility 21700
criteria, application procedures, procedures for review of 21701
applications, loan amounts, interest, repayment schedules, 21702
conditions under which principal and interest obligations incurred 21703
under the program will be forgiven, and any other matter 21704
incidental to the operation of the program. 21705

The board may contract with a private, nonprofit foundation, 21706
one or more institutions of higher education, or other educational 21707
agencies to administer the program. 21708

The receipt of a loan under this section does not affect a 21709
student's eligibility for assistance, or the amount of such 21710
assistance, granted under section 3315.33, 3333.12, 3333.122, 21711
3333.22, 3333.26, 3333.27, 5910.04, or 5919.34 of the Revised 21712
Code, but the board's rules may provide for taking such assistance 21713
into consideration when determining a student's eligibility for a 21714
loan under this section. 21715

Sec. 3316.043. Upon the approval by the superintendent of 21716
public instruction of an initial financial plan under section 21717
3316.04 of the Revised Code or a financial recovery plan under 21718

section 3316.06 of the Revised Code, the board of education of the 21719
school district for which the plan was approved shall revise the 21720
district's five-year projection of revenues and expenditures in 21721
accordance with rules adopted under section 5705.391 of the 21722
Revised Code so that the five-year projection is consistent with 21723
the financial plan or financial recovery plan. In the case of a 21724
school district declared to be in a state of fiscal emergency, the 21725
five-year projection shall be revised by the financial planning 21726
and supervision commission for that district. 21727

Sec. 3316.06. (A) Within one hundred twenty days after the 21728
first meeting of a school district financial planning and 21729
supervision commission, the commission shall adopt a financial 21730
recovery plan regarding the school district for which the 21731
commission was created. During the formulation of the plan, the 21732
commission shall seek appropriate input from the school district 21733
board and from the community. This plan shall contain the 21734
following: 21735

(1) Actions to be taken to: 21736

exist pursuant to division (B) of section 3316.03 of the Revised 21738
Code; 21739

(b) Satisfy any judgments, past-due accounts payable, and all 21740
past-due and payable payroll and fringe benefits; 21741

(c) Eliminate the deficits in all deficit funds, except that 21742
any prior year deficits in the textbook and instructional 21743
materials fund established pursuant to section 3315.17 of the 21744
Revised Code and the capital and maintenance fund established 21745
pursuant to section 3315.18 of the Revised Code shall be forgiven; 21746

(d) Restore to special funds any moneys from such funds that 21747
were used for purposes not within the purposes of such funds, or 21748

borrowed from such funds by the purchase of debt obligations of 21749
the school district with the moneys of such funds, or missing from 21750
the special funds and not accounted for, if any; 21751

(e) Balance the budget, avoid future deficits in any funds, 21752
and maintain on a current basis payments of payroll, fringe 21753
benefits, and all accounts; 21754

(f) Avoid any fiscal emergency condition in the future; 21755

(g) Restore the ability of the school district to market 21756
long-term general obligation bonds under provisions of law 21757
applicable to school districts generally. 21758

(2) The management structure that will enable the school 21759
district to take the actions enumerated in division (A)(1) of this 21760
section. The plan shall specify the level of fiscal and management 21761
control that the commission will exercise within the school 21762
district during the period of fiscal emergency, and shall 21763
enumerate respectively, the powers and duties of the commission 21764
and the powers and duties of the school board during that period. 21765
The commission may elect to assume any of the powers and duties of 21766
the school board it considers necessary, including all powers 21767
related to personnel, curriculum, and legal issues in order to 21768
successfully implement the actions described in division (A)(1) of 21769
this section. 21770

(3) The target dates for the commencement, progress upon, and 21771
completion of the actions enumerated in division (A)(1) of this 21772
section and a reasonable period of time expected to be required to 21773
implement the plan. The commission shall prepare a reasonable time 21774
schedule for progress toward and achievement of the requirements 21775
for the plan, and the plan shall be consistent with that time 21776
schedule. 21777

(4) The amount and purpose of any issue of debt obligations 21778
that will be issued, together with assurances that any such debt 21779

obligations that will be issued will not exceed debt limits 21780
supported by appropriate certifications by the fiscal officer of 21781
the school district and the county auditor. Debt obligations 21782
issued pursuant to section 133.301 of the Revised Code shall 21783
include assurances that such debt shall be in an amount not to 21784
exceed the amount certified under division (B) of such section. If 21785
the commission considers it necessary in order to maintain or 21786
improve educational opportunities of pupils in the school 21787
district, the plan may include a proposal to restructure or 21788
refinance outstanding debt obligations incurred by the board under 21789
section 3313.483 of the Revised Code contingent upon the approval, 21790
during the period of the fiscal emergency, by district voters of a 21791
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 21792
5748.02, or 5748.08 of the Revised Code, that is not a renewal or 21793
replacement levy and that will provide new operating revenue. 21794
Notwithstanding any provision of Chapter 133. or sections 3313.483 21795
to 3313.4811 of the Revised Code, following the required approval 21796
of the district voters and with the approval of the commission, 21797
the school district may issue securities to evidence the 21798
restructuring or refinancing. Those securities may extend the 21799
original period for repayment, not to exceed ten years, and may 21800
alter the frequency and amount of repayments, interest or other 21801
financing charges, and other terms of agreements under which the 21802
debt originally was contracted, at the discretion of the 21803
commission, provided that any loans received pursuant to section 21804
3313.483 of the Revised Code shall be paid from funds the district 21805
would otherwise receive under sections 3317.022 to 3317.025 of the 21806
Revised Code, as required under division (E)(3) of section 21807
3313.483 of the Revised Code. The securities issued for the 21808
purpose of restructuring or refinancing the debt shall be repaid 21809
in equal payments and at equal intervals over the term of the debt 21810
and are not eligible to be included in any subsequent proposal for 21811
the purpose of restructuring or refinancing debt under this 21812

section. 21813

(B) Any financial recovery plan may be amended subsequent to 21814
its adoption. Each financial recovery plan shall be updated 21815
annually. 21816

(C) Each school district financial planning and supervision 21817
commission shall submit the financial recovery plan it adopts or 21818
updates under this section to the state superintendent of public 21819
instruction for approval immediately following its adoption or 21820
updating. The state superintendent shall evaluate the plan and 21821
either approve or disapprove it within thirty calendar days from 21822
the date of its submission. If the plan is disapproved, the state 21823
superintendent shall recommend modifications that will render it 21824
acceptable. No financial planning and supervision commission shall 21825
implement a financial recovery plan that is adopted or updated on 21826
or after ~~the effective date of this amendment~~ April 10, 2001, 21827
unless the state superintendent has approved it. 21828

Sec. 3316.16. (A) A school district financial planning and 21829
supervision commission, with respect to its functions under this 21830
chapter, shall continue in existence until such time as a 21831
determination is made under division (B) of this section that all 21832
of the following have occurred: 21833

(1) An effective financial accounting and reporting system in 21834
accordance with section 3316.10 of the Revised Code is in the 21835
process of being implemented, and it is reasonably expected that 21836
this implementation will be completed within two years. 21837

(2) All of the fiscal emergency conditions determined 21838
pursuant to division (B) of section 3316.03 of the Revised Code 21839
have been corrected or eliminated, and no new fiscal emergency 21840

issued by the auditor of state and an opinion has been rendered by 21846
the auditor of state that the financial forecast is considered to 21847
be nonadverse. The forecast shall display the district's projected 21848
compliance with sections 3315.17 and 3315.18 of the Revised Code 21849
beginning in the year the commission is proposed for termination. 21850

(B) The determination that all conditions listed in division 21851
(A) of this section for the termination of the existence of the 21852
commission and its functions exist may be made either by the 21853
auditor of state or by the commission and shall be certified to 21854
the commission, the auditor of state, the governor, the director 21855
of budget and management, and the budget commission, whereupon 21856
such commission and its functions under this chapter shall 21857
terminate. This determination shall be made by the auditor of 21858
state upon the filing with the auditor of state of a written 21859
request for such a determination by the school district board, the 21860
governor, or the commission, or may be made by the auditor of 21861
state upon the auditor of state's own initiative. 21862

(C) The commission shall prepare and submit at the time of 21863
such certification a final report of its activities, in such form 21864
as is appropriate for the purpose of providing a record of its 21865
activities and assisting other commissions created under this 21866
chapter in the conduct of their functions. All of the books and 21867
records of the commission shall be delivered to the auditor of 21868
state for retention and safekeeping. 21869

(D) Upon receipt of the certification provided for in 21870
division (B) of this section, the director of budget and 21871
management shall follow the procedures set forth in section 126.29 21872
of the Revised Code. 21873

(E) If, at the time of termination of the commission, an 21874
effective financial accounting and reporting system has not been 21875
fully implemented, the auditor of state shall monitor the progress 21876
of implementation and shall exercise authority under this section 21877
and Chapter 117. of the Revised Code to secure full implementation 21878
at the earliest time feasible but within two years after such 21879
termination. 21880

means any city, local, exempted village, joint vocational, or 21883
cooperative education school district and any educational service 21884
center. 21885

This chapter shall be administered by the state board of 21886
education. The superintendent of public instruction shall 21887
calculate the amounts payable to each school district and shall 21888
certify the amounts payable to each eligible district to the 21889
treasurer of the district as provided by this chapter. No moneys 21890
shall be distributed pursuant to this chapter without the approval 21891
of the controlling board. 21892

The state board of education shall, in accordance with 21893
appropriations made by the general assembly, meet the financial 21894
obligations of this chapter. 21895

Annually, the department of education shall calculate and 21896
report to each school district the district's total state and 21897
local funds for providing an adequate basic education to the 21898
district's nonhandicapped students, utilizing the determination in 21899
section 3317.012 of the Revised Code. In addition, the department 21900
shall calculate and report separately for each school district the 21901
district's total state and local funds for providing an adequate 21902
education for its handicapped students, utilizing the 21903
determinations in both sections 3317.012 and 3317.013 of the 21904

Revised Code. 21905

Not later than the thirty-first day of August of each fiscal 21906
year, the department of education shall provide to each school 21907
district and county MR/DD board a preliminary estimate of the 21908
amount of funding that the department calculates the district will 21909
receive under each of divisions (C)(1) and (4) of section 3317.022 21910
of the Revised Code. No later than the first day of December of 21911
each fiscal year, the department shall update that preliminary 21912
estimate. 21913

Moneys distributed pursuant to this chapter shall be 21914
calculated and paid on a fiscal year basis, beginning with the 21915
first day of July and extending through the thirtieth day of June. 21916
The moneys appropriated for each fiscal year shall be distributed 21917
at least monthly to each school district unless otherwise provided 21918
for. The state board shall submit a yearly distribution plan to 21919
the controlling board at its first meeting in July. The state 21920
board shall submit any proposed midyear revision of the plan to 21921
the controlling board in January. Any year-end revision of the 21922
plan shall be submitted to the controlling board in June. If 21923
moneys appropriated for each fiscal year are distributed other 21924
than monthly, such distribution shall be on the same basis for 21925
each school district. 21926

The total amounts paid each month shall constitute, as nearly 21927
as possible, one-twelfth of the total amount payable for the 21928
entire year. ~~Payments~~ 21929

Until fiscal year 2007, payments made during the first six 21930
months of the fiscal year may be based on an estimate of the 21931
amounts payable for the entire year. Payments made in the last six 21932
months shall be based on the final calculation of the amounts 21933
payable to each school district for that fiscal year. Payments 21934
made in the last six months may be adjusted, if necessary, to 21935

correct the amounts distributed in the first six months, and to 21936
reflect enrollment increases when such are at least three per 21937
cent. ~~Except~~ 21938

Beginning in fiscal year 2007, payments shall be calculated 21939
to reflect the biannual reporting of formula ADM. Payments for 21940
July through December shall be based on the formula ADM, special 21941
education ADM, and vocational education ADM certified in the 21942
spring of the previous fiscal year, and payments for January 21943
through June shall be based on formula ADM, special education ADM, 21944
and vocational education ADM certified in October of the current 21945
fiscal year. 21946

Except as otherwise provided, payments under this chapter 21947
shall be made only to those school districts in which: 21948

(A) The school district, except for any educational service 21949
center and any joint vocational or cooperative education school 21950
district, levies for current operating expenses at least twenty 21951
mills. Levies for joint vocational or cooperative education school 21952
districts or county school financing districts, limited to or to 21953
the extent apportioned to current expenses, shall be included in 21954
this qualification requirement. School district income tax levies 21955
under Chapter 5748. of the Revised Code, limited to or to the 21956
extent apportioned to current operating expenses, shall be 21957
included in this qualification requirement to the extent 21958
determined by the tax commissioner under division (D) of section 21959
3317.021 of the Revised Code. 21960

(B) The school year next preceding the fiscal year for which 21961
such payments are authorized meets the requirement of section 21962
3313.48 or 3313.481 of the Revised Code, with regard to the 21963
minimum number of days or hours school must be open for 21964
instruction with pupils in attendance, for individualized 21965
parent-teacher conference and reporting periods, and for 21966
professional meetings of teachers. This requirement shall be 21967

waived by the superintendent of public instruction if it had been 21968
necessary for a school to be closed because of disease epidemic, 21969
hazardous weather conditions, inoperability of school buses or 21970
other equipment necessary to the school's operation, damage to a 21971
school building, or other temporary circumstances due to utility 21972
failure rendering the school building unfit for school use, 21973
provided that for those school districts operating pursuant to 21974
section 3313.48 of the Revised Code the number of days the school 21975
was actually open for instruction with pupils in attendance and 21976
for individualized parent-teacher conference and reporting periods 21977
is not less than one hundred seventy-five, or for those school 21978
districts operating on a trimester plan the number of days the 21979
school was actually open for instruction with pupils in attendance 21980
not less than seventy-nine days in any trimester, for those school 21981
districts operating on a quarterly plan the number of days the 21982
school was actually open for instruction with pupils in attendance 21983
not less than fifty-nine days in any quarter, or for those school 21984
districts operating on a pentamester plan the number of days the 21985
school was actually open for instruction with pupils in attendance 21986
not less than forty-four days in any pentamester. 21987

A school district shall not be considered to have failed to 21988
comply with this division or section 3313.481 of the Revised Code 21989
because schools were open for instruction but either twelfth grade 21990
students were excused from attendance for up to three days or only 21991
a portion of the kindergarten students were in attendance for up 21992
to three days in order to allow for the gradual orientation to 21993
school of such students. 21994

The superintendent of public instruction shall waive the 21995
requirements of this section with reference to the minimum number 21996
of days or hours school must be in session with pupils in 21997
attendance for the school year succeeding the school year in which 21998
a board of education initiates a plan of operation pursuant to 21999

section 3313.481 of the Revised Code. The minimum requirements of 22000
this section shall again be applicable to such a district 22001
beginning with the school year commencing the second July 22002
succeeding the initiation of one such plan, and for each school 22003
year thereafter. 22004

A school district shall not be considered to have failed to 22005
comply with this division or section 3313.48 or 3313.481 of the 22006
Revised Code because schools were open for instruction but the 22007
length of the regularly scheduled school day, for any number of 22008
days during the school year, was reduced by not more than two 22009
hours due to hazardous weather conditions. 22010

(C) The school district has on file, and is paying in 22011
accordance with, a teachers' salary schedule which complies with 22012
section 3317.13 of the Revised Code. 22013

A board of education or governing board of an educational 22014
service center which has not conformed with other law and the 22015
rules pursuant thereto, shall not participate in the distribution 22016
of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 22017
3317.16, 3317.17, and 3317.19 of the Revised Code, except for good 22018
and sufficient reason established to the satisfaction of the state 22019
board of education and the state controlling board. 22020

All funds allocated to school districts under this chapter, 22021
except those specifically allocated for other purposes, shall be 22022
used to pay current operating expenses only. 22023

Sec. 3317.012. (A)(1) The general assembly, having analyzed 22024
school district expenditure and cost data for fiscal year 1999, 22025
performed the calculation described in division ~~(B)~~(C) of this 22026
section, adjusted the results for inflation, and added the amounts 22027
described in division (A)(2) of this section, hereby determines 22028
that the base cost of an adequate education per pupil for the 22029

fiscal year beginning July 1, 2001, is \$4,814. The base cost per pupil, reflecting an annual rate of inflation of two and eight-tenths per cent, is \$4,949 for fiscal year 2003. The base cost per pupil, reflecting an annual rate of inflation of two and two-tenths per cent, is \$5,058 for fiscal year 2004 ~~and~~ \$5,169 for fiscal year 2005, \$5,283 in fiscal year 2006, and \$5,399 in fiscal year 2007.

(2) The base cost per pupil amounts specified in division (A)(1) of this section include amounts to reflect the cost to school districts of increasing the minimum number of high school academic units required for graduation beginning September 15, 2001, under section 3313.603 of the Revised Code. Analysis of fiscal year 1999 data revealed that the school districts meeting the requirements of division ~~(B)~~(C) of this section on average required high school students to complete a minimum of nineteen and eight-tenths units to graduate. The general assembly determines that the cost of funding the additional two-tenths unit required by section 3313.603 of the Revised Code is \$12 per pupil in fiscal year 2002. This amount was added after the calculation described in division ~~(B)~~(C) of this section and the adjustment for inflation from fiscal year 1999 to fiscal year 2002. It is this total amount, the calculated base cost plus the supplement to pay for the additional partial unit, that constitutes the base cost amount specified in division (A)(1) of this section for fiscal year 2002 and that is inflated to produce the base cost amounts for fiscal years 2003 through 2005.

(B) In addition, to the per-pupil base cost as determined under division (A) of this section, the general assembly determines that the following base funding supplements shall be paid to school districts in fiscal year 2007:

(1) Base funding for academic intervention services, calculated according to the following formula:

<u>0.005 X the formula amount X formula ADM X multiple</u>	22062
<u>Where "multiple" equals 0.50 in fiscal year 2007.</u>	22063
<u>(2) Base funding for professional development, calculated according to the following formula:</u>	22064
<u>(formula ADM / 20) X (0.044484 X formula amount) X multiple</u>	22065
<u>Where "multiple" equals 0.50 in fiscal year 2007.</u>	22066
<u>(3) Base funding for data-based decision making, calculated according to the following formula:</u>	22068
<u>0.001087 X formula amount X formula ADM</u>	22069
<u>(4) Base funding for professional development regarding data-based decision making, calculated according to the following formula:</u>	22070
<u>(0.20 X the district's teacher factor X 0.079082 X formula amount) + (the district's principal factor X 0.079082 X formula amount)</u>	22071
<u>Where:</u>	22072
<u>(a) For each urban school district, as defined in section 3314.02 of the Revised Code, the district's "teacher factor" is the district's formula ADM divided by twelve;</u>	22073
<u>(b) For every other school district, the district's "teacher factor" is the district's formula ADM divided by seventeen;</u>	22074
<u>(c) For all school districts, a district's "principal factor" is the district's teacher factor divided by twenty.</u>	22075
<u>(C) In determining the base cost stated in division (A) of this section, capital and debt costs, costs paid for by federal funds, and costs covered by funds provided for disadvantaged pupil impact aid and transportation were excluded, as were the effects on the districts' state funds of the application of the cost-of-doing-business factors, assuming a seven and one-half per cent variance.</u>	22076

The base cost for fiscal year 1999 was calculated as the unweighted average cost per student, on a school district basis, of educating students who were not receiving vocational education or services pursuant to Chapter 3323. of the Revised Code and who were enrolled in a city, exempted village, or local school district that in fiscal year 1999 met all of the following criteria:

(1) The district met at least twenty of the following twenty-seven performance indicators:

section 3301.0710 of the Revised Code;	22176
(aa) An attendance rate for the year of at least ninety-three	22177
per cent.	22178
In determining whether a school district met any of the	22179
performance standards specified in divisions (B) (C)(1)(a) to (aa)	22180
of this section, the general assembly used a rounding procedure	22181

previously recommended by the department of education. It is the 22182
same rounding procedure the general assembly used in 1998 to 22183
determine whether a district had met the standards of former 22184
divisions ~~(B)~~(C)(1)(a) to (r) of this section for purposes of 22185
constructing the previous model based on fiscal year 1996 data. 22186

(2) The district was not among the five per cent of all 22187
districts with the highest income, nor among the five per cent of 22188
all districts with the lowest income. 22189

(3) The district was not among the five per cent of all 22190
districts with the highest valuation per pupil, nor among the five 22191
per cent of all districts with the lowest valuation per pupil. 22192

This model for calculating the base cost of an adequate 22193
education is expenditure-based. The general assembly recognizes 22194
that increases in state funding to school districts since fiscal 22195
year 1996, the fiscal year upon which the general assembly based 22196
its model for calculating state funding to school districts for 22197
fiscal years 1999 through 2001, has increased school district base 22198
cost expenditures for fiscal year 1999, the fiscal year upon which 22199
the general assembly based its model for calculating state funding 22200
for fiscal years 2002 through 2005. In the case of school 22201
districts included in the fiscal year 1999 model that also had met 22202
the fiscal year 1996 performance criteria of former division 22203
~~(B)~~(C)(1) of this section, the increased state funding may have 22204
driven the districts' expenditures beyond the expenditures that 22205
were actually needed to maintain their educational programs at the 22206
level necessary to maintain their ability to meet the fiscal year 22207
1999 performance criteria of current division ~~(B)~~(C)(1) of this 22208
section. The general assembly has determined to control for this 22209
effect by stipulating in the later model that the fiscal year 1999 22210
base cost expenditures of the districts that also met the 22211
performance criteria of former division ~~(B)~~(C)(1) of this section 22212
equals their base cost expenditures per pupil for fiscal year 22213

1996, inflated to fiscal year 1999 using an annual rate of 22214
inflation of two and eight-tenths per cent. However, if this 22215
inflated amount exceeded the district's actual fiscal year 1999 22216
base cost expenditures per pupil, the district's actual fiscal 22217
year 1999 base cost expenditures per pupil were used in the 22218
calculation. For districts in the 1999 model that did not also 22219
meet the performance criteria of former division ~~(B)~~(C)(1) of this 22220
section, the actual 1999 base cost per pupil expenditures were 22221
used in the calculation of the average district per pupil costs of 22222
the model districts. 22223

Sec. 3317.013. This section does not apply to handicapped 22224
preschool students. 22225

Analysis of special education cost data has resulted in a 22226
finding that the average special education additional cost per 22227
pupil, including the costs of related services, can be expressed 22228
as a multiple of the base cost per pupil calculated under section 22229
3317.012 of the Revised Code. The multiples for the following 22230
categories of special education programs, as these programs are 22231
defined for purposes of Chapter 3323. of the Revised Code, and 22232
adjusted as provided in this section, are as follows: 22233

(A) A multiple of 0.2892 for students whose primary or only 22234
identified handicap is a speech and language handicap, as this 22235
term is defined pursuant to Chapter 3323. of the Revised Code; 22236

(B) A multiple of 0.3691 for students identified as specific 22237
learning disabled or developmentally handicapped, as these terms 22238
are defined pursuant to Chapter 3323. of the Revised Code, or 22239
other health handicapped-minor; 22240

(C) A multiple of 1.7695 for students identified as hearing 22241
handicapped, vision impaired, or severe behavior handicapped, as 22242
these terms are defined pursuant to Chapter 3323. of the Revised 22243
Code; 22244

(D) A multiple of 2.3646 for students identified as orthopedically handicapped, as this term is defined pursuant to Chapter 3323. of the Revised Code or other health handicapped - major;

(E) A multiple of 3.1129 for students identified as multihandicapped, as this term is defined pursuant to Chapter 3323. of the Revised Code;

(F) A multiple of 4.7342 for students identified as autistic, having traumatic brain injuries, or as both visually and hearing disabled, as these terms are defined pursuant to Chapter 3323. of the Revised Code.

In fiscal year 2004, the multiples specified in divisions (A) to (F) of this section shall be adjusted by multiplying them by 0.88. In fiscal ~~year~~ years 2005, 2006, and 2007, the multiples specified in those divisions shall be adjusted by multiplying them by 0.90.

Not later than the thirtieth day of May ~~30, in~~ 2004, ~~and May 30,~~ 2005, 2006, and 2007, the department shall submit to the office of budget and management a report that specifies for each city, local, exempted village, and joint vocational school district the fiscal year allocation of the state and local shares of special education and related services additional weighted funding and federal special education funds passed through to the district.

22670

22671

22672

22673

22674

22675

22676

~~Compute the following~~ (1) In fiscal year 2006, state base cost funding for each eligible district shall be computed as follows:

22677

22678

22679

(cost-of-doing-business factor X 22680
the formula amount X 22681
adjusted formula ADM) - 22682
[(.023 X recognized valuation) 22683
plus (0.50 X payments in lieu of taxes)] 22684

(2) Beginning in fiscal year 2007, state base cost funding 22685
for each eligible district shall be computed as the greater of the 22686
amount calculated under division (A)(2)(a) or (b) of this section 22687
minus [(0.023 times recognized valuation) plus (0.50 X payments in 22688
lieu of taxes)]. 22689

Accordingly, beginning in fiscal year 2007, the department 22690
shall calculate both of the following for each eligible district: 22691

(a) Cost-of-doing-business factor for fiscal year 2006 X 22692
formula amount for fiscal year 2006 X adjusted formula ADM for 22693
fiscal year 2006; 22694

(b) (Formula amount for the current fiscal year X current 22695
adjusted formula ADM) + the sum of the base funding supplements 22696
prescribed in divisions (B)(1) to (4) of section 3317.012 of the 22697
Revised Code. 22698

A district's base cost funding shall be the greater of the 22699
amount computed under division (A)(1)(a) or (b) of this section 22700
minus (0.023 times the sum of recognized valuation and incentive 22701
district tax exempt value). 22702

If the difference obtained is a negative number, the 22703
district's computation shall be zero. 22704

~~(2)~~(3)(a) For each school district for which the tax exempt 22705
value of the district equals or exceeds twenty-five per cent of 22706
the potential value of the district, the department of education 22707
shall calculate the difference between the district's tax exempt 22708
value and twenty-five per cent of the district's potential value. 22709

(b) For each school district to which division (A)~~(2)~~(3)(a) 22710
of this section applies, the department shall adjust the 22711
recognized valuation used in the calculation under division (A)(1) 22712
or (2) of this section by subtracting from it the amount 22713
calculated under division (A)~~(2)~~(3)(a) of this section. 22714

(B) As used in this section: 22715

(1) The "total special education weight" for a district means 22716
the sum of the following amounts: 22717

(a) The district's category one special education ADM 22718
multiplied by the multiple specified in division (A) of section 22719
3317.013 of the Revised Code; 22720

(b) The district's category two special education ADM 22721
multiplied by the multiple specified in division (B) of section 22722
3317.013 of the Revised Code; 22723

(c) The district's category three special education ADM 22724
multiplied by the multiple specified in division (C) of section 22725
3317.013 of the Revised Code; 22726

(d) The district's category four special education ADM 22727
multiplied by the multiple specified in division (D) of section 22728
3317.013 of the Revised Code; 22729

(e) The district's category five special education ADM 22730
multiplied by the multiple specified in division (E) of section 22731
3317.013 of the Revised Code; 22732

(f) The district's category six special education ADM 22733
multiplied by the multiple specified in division (F) of section 22734
3317.013 of the Revised Code. 22735

(2) "State share percentage" means the percentage calculated 22736
for a district as follows: 22737

(a) Calculate the state base cost funding amount for the 22738
district for the fiscal year under division (A) of this section. 22739

If the district would not receive any state base cost funding for that year under that division, the district's state share percentage is zero. 22740
22741
22742

(b) If the district would receive state base cost funding under that division, in fiscal year 2006 divide that amount by an amount equal to the following: 22743

22745

Cost-of-doing-business factor X 22746

the formula amount X 22747

adjusted formula ADM 22748

(c) If the district would receive base cost funding under that division, in fiscal year 2007 or thereafter divide that amount by an amount equal to the greater of the following: 22749
22750
22751

(i) Cost-of-doing-business factor for fiscal year 2006 X formula amount for fiscal year 2006 X adjusted formula ADM for fiscal year 2006; 22752
22753
22754

(ii) (Formula amount for the current fiscal year X current adjusted formula ADM) + the sum of the base funding supplements prescribed in divisions (B)(1) to (4) of section 3317.012 of the Revised Code. 22755
22756
22757
22758

(b) The district's category two vocational education ADM multiplied by the multiple specified in division (B) of section 3317.014 of the Revised Code.	22785 22786 22787
(C)(1) The department shall compute and distribute state special education and related services additional weighted costs funds to each school district in accordance with the following formula:	22788 22789 22790 22791

X the formula amount for the year	22793
for which the aid is calculated	22794
X the district's total special education weight	22795
(2) The attributed local share of special education and related services additional weighted costs equals:	22796 22797

with this division additional state aid to school districts for 22802
students in categories two through six special education ADM. If a 22803
district's costs for the fiscal year for a student in its 22804
categories two through six special education ADM exceed the 22805
threshold catastrophic cost for serving the student, the district 22806
may submit to the superintendent of public instruction 22807
documentation, as prescribed by the superintendent, of all its 22808
costs for that student. Upon submission of documentation for a 22809
student of the type and in the manner prescribed, the department 22810
shall pay to the district an amount equal to the sum of the 22811
following: 22812

(i) One-half of the district's costs for the student in 22813
excess of the threshold catastrophic cost; 22814

(ii) The product of one-half of the district's costs for the 22815
student in excess of the threshold catastrophic cost multiplied by 22816
the district's state share percentage. 22817

(b) For purposes of division (C)(3)(a) of this section, the 22818
threshold catastrophic cost for serving a student equals: 22819

(i) For a student in the school district's category two, 22820
three, four, or five special education ADM, twenty-five thousand 22821
dollars in fiscal year 2002 ~~and~~, twenty-five thousand seven 22822
hundred dollars in fiscal years 2003, 2004, and 2005, and 22823
twenty-six thousand five hundred dollars in fiscal years 2006 and 22824
2007; 22825

(ii) For a student in the district's category six special 22826
education ADM, thirty thousand dollars in fiscal year 2002 ~~and~~, 22827
thirty thousand eight hundred forty dollars in fiscal years 2003, 22828
2004, and 2005, and thirty-one thousand eight hundred dollars in 22829
fiscal years 2006 and 2007. 22830

(c) The district shall only report under division (C)(3)(a) 22831
of this section, and the department shall only pay for, the costs 22832
of educational expenses and the related services provided to the 22833
student in accordance with the student's individualized education 22834
program. Any legal fees, court costs, or other costs associated 22835
with any cause of action relating to the student may not be 22836
included in the amount. 22837

(4)(a) As used in this division, the "personnel allowance" 22838
means thirty thousand dollars in fiscal years 2002, 2003, 2004, 22839
~~and~~, 2005, 2006, and 2007. 22840

(b) For the provision of speech language pathology services 22841
to students, including students who do not have individualized 22842
education programs prepared for them under Chapter 3323. of the 22843
Revised Code, and for no other purpose, the department of 22844
education shall pay each school district an amount calculated 22845
under the following formula: 22846

(formula ADM divided by 2000) X 22847

the personnel allowance X the state share percentage 22848

(5) In ~~any~~ fiscal year 2006, a school district shall spend 22849
for purposes that the department designates as approved for 22850
special education and related services expenses at least the 22851
amount calculated as follows: 22852

(cost-of-doing-business factor X 22853

formula amount X the sum of categories 22854

one through six special education ADM) + 22855

(total special education weight X formula amount) 22856

In fiscal year 2007 and thereafter, a school district shall 22857
spend for those purposes at least the greater of the amount 22858
calculated under division (C)(5)(a) or (b) of this section + 22859
(total special education weight X formula amount). 22860

In making the calculation required under division (C)(5) of 22861

this section, the department shall calculate for each school 22862
district both of the following: 22863

(a) Cost-of-doing-business factor for fiscal year 2006 X 22864
formula amount for fiscal year 2006 X the sum of categories one 22865
through six special education ADM for fiscal year 2006; 22866

(b) Formula amount for the current fiscal year X the sum of 22867
categories one through six special education ADM for the current 22868
fiscal year. 22869

The purposes approved by the department for special education 22870
expenses shall include, but shall not be limited to, 22871
identification of handicapped children, compliance with state 22872
rules governing the education of handicapped children and 22873
prescribing the continuum of program options for handicapped 22874
children, provision of speech language pathology services, and the 22875
portion of the school district's overall administrative and 22876
overhead costs that are attributable to the district's special 22877
education student population. 22878

The department shall require school districts to report data 22879
annually to allow for monitoring compliance with division (C)(5) 22880
of this section. The department shall annually report to the 22881
governor and the general assembly the amount of money spent by 22882
each school district for special education and related services. 22883

(6) In any fiscal year, a school district shall spend for the 22884
provision of speech language pathology services not less than the 22885
sum of the amount calculated under division (C)(1) of this section 22886
for the students in the district's category one special education 22887
ADM and the amount calculated under division (C)(4) of this 22888
section. 22889

(D)(1) As used in this division: 22890

(a) "Daily bus miles per student" equals the number of bus 22891

miles traveled per day, divided by transportation base. 22892

(b) "Transportation base" equals total student count as 22893
defined in section 3301.011 of the Revised Code, minus the number 22894
of students enrolled in preschool handicapped units, plus the 22895
number of nonpublic school students included in transportation 22896
ADM. 22897

(c) "Transported student percentage" equals transportation 22898
ADM divided by transportation base. 22899

(d) "Transportation cost per student" equals total operating 22900
costs for board-owned or contractor-operated school buses divided 22901
by transportation base. 22902

(2) Analysis of student transportation cost data has resulted 22903
in a finding that an average efficient transportation use cost per 22904
student can be calculated by means of a regression formula that 22905
has as its two independent variables the number of daily bus miles 22906
per student and the transported student percentage. For fiscal 22907
year 1998 transportation cost data, the average efficient 22908
transportation use cost per student is expressed as follows: 22909

51.79027 + (139.62626 X daily bus miles per student) + 22910
(116.25573 X transported student percentage) 22911

The department of education shall annually determine the 22912
average efficient transportation use cost per student in 22913
accordance with the principles stated in division (D)(2) of this 22914
section, updating the intercept and regression coefficients of the 22915
regression formula modeled in this division, based on an annual 22916
statewide analysis of each school district's daily bus miles per 22917
student, transported student percentage, and transportation cost 22918
per student data. The department shall conduct the annual update 22919
using data, including daily bus miles per student, transported 22920
student percentage, and transportation cost per student data, from 22921
the prior fiscal year. The department shall notify the office of 22922

budget and management of such update by the fifteenth day of 22923
February of each year. 22924

(3) In addition to funds paid under divisions (A), (C), and 22925
(E) of this section, each district with a transported student 22926
percentage greater than zero shall receive a payment equal to a 22927
percentage of the product of the district's transportation base 22928
from the prior fiscal year times the annually updated average 22929
efficient transportation use cost per student, times an inflation 22930
factor of two and eight tenths per cent to account for the 22931
one-year difference between the data used in updating the formula 22932
and calculating the payment and the year in which the payment is 22933
made. The percentage shall be the following percentage of that 22934
product specified for the corresponding fiscal year: 22935

FISCAL YEAR	PERCENTAGE	22936
2000	52.5%	22937
2001	55%	22938
2002	57.5%	22939
2003 and thereafter	The greater of 60% or the district's state share percentage	22940

The payments made under division (D)(3) of this section each 22941
year shall be calculated based on all of the same prior year's 22942
data used to update the formula. 22943

(4) In addition to funds paid under divisions (D)(2) and (3) 22944
of this section, a school district shall receive a rough road 22945
subsidy if both of the following apply: 22946

(a) Its county rough road percentage is higher than the 22947
statewide rough road percentage, as those terms are defined in 22948
division (D)(5) of this section; 22949

(b) Its district student density is lower than the statewide 22950
student density, as those terms are defined in that division. 22951

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula:

(per rough mile subsidy X total rough road miles) X
density multiplier

where:

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula:

$$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$$

(i) "Maximum rough road percentage" means the highest county rough road percentage in the state.

(ii) "County rough road percentage" equals the percentage of the mileage of state, municipal, county, and township roads that is rated by the department of transportation as type A, B, C, E2, or F in the county in which the school district is located or, if the district is located in more than one county, the county to which it is assigned for purposes of determining its cost-of-doing-business factor.

(iii) "Statewide rough road percentage" means the percentage of the statewide total mileage of state, municipal, county, and township roads that is rated as type A, B, C, E2, or F by the department of transportation.

(b) "Total rough road miles" means a school district's total bus miles traveled in one year times its county rough road percentage.

(c) "Density multiplier" means a figure calculated in accordance with the following formula:

$$1 - [(\text{minimum student density} - \text{district student}$$

density)/(minimum student density - 22982
statewide student density)] 22983

(i) "Minimum student density" means the lowest district 22984
student density in the state. 22985

(ii) "District student density" means a school district's 22986
transportation base divided by the number of square miles in the 22987
district. 22988

(iii) "Statewide student density" means the sum of the 22989
transportation bases for all school districts divided by the sum 22990
of the square miles in all school districts. 22991

(6) In addition to funds paid under divisions (D)(2) to (5) 22992
of this section, each district shall receive in accordance with 22993
rules adopted by the state board of education a payment for 22994
students transported by means other than board-owned or 22995
contractor-operated buses and whose transportation is not funded 22996
under division (J) of section 3317.024 of the Revised Code. The 22997
rules shall include provisions for school district reporting of 22998
such students. 22999

(E)(1) The department shall compute and distribute state 23000
vocational education additional weighted costs funds to each 23001
school district in accordance with the following formula: 23002

state share percentage X 23003
the formula amount X 23004
total vocational education weight 23005

In any fiscal year, a school district receiving funds under 23006
division (E)(1) of this section shall spend those funds only for 23007
the purposes that the department designates as approved for 23008
vocational education expenses. Vocational educational expenses 23009
approved by the department shall include only expenses connected 23010
to the delivery of career-technical programming to 23011
career-technical students. The department shall require the school 23012

district to report data annually so that the department may 23013
monitor the district's compliance with the requirements regarding 23014
the manner in which funding received under division (E)(1) of this 23015
section may be spent. 23016

(2) The department shall compute for each school district 23017
state funds for vocational education associated services in 23018
accordance with the following formula: 23019

state share percentage X .05 X 23020

the formula amount X the sum of categories one and two 23021

vocational education ADM 23022

In any fiscal year, a school district receiving funds under 23023
division (E)(2) of this section, or through a transfer of funds 23024
pursuant to division (L) of section 3317.023 of the Revised Code, 23025
shall spend those funds only for the purposes that the department 23026
designates as approved for vocational education associated 23027
services expenses, which may include such purposes as 23028
apprenticeship coordinators, coordinators for other vocational 23029
education services, vocational evaluation, and other purposes 23030
designated by the department. The department may deny payment 23031
under division (E)(2) of this section to any district that the 23032
department determines is not operating those services or is using 23033
funds paid under division (E)(2) of this section, or through a 23034
transfer of funds pursuant to division (L) of section 3317.023 of 23035
the Revised Code, for other purposes. 23036

(F) The actual local share in any fiscal year for the 23037
combination of special education and related services additional 23038
weighted costs funding calculated under division (C)(1) of this 23039
section, transportation funding calculated under divisions (D)(2) 23040
and (3) of this section, and vocational education and associated 23041
services additional weighted costs funding calculated under 23042
divisions (E)(1) and (2) of this section shall not exceed for any 23043
school district the product of three and three-tenths mills times 23044

the district's recognized valuation. The department annually shall
pay each school district as an excess cost supplement any amount
by which the sum of the district's attributed local shares for
that funding exceeds that product. For purposes of calculating the
excess cost supplement:

(1) The attributed local share for special education and
related services additional weighted costs funding is the amount
specified in division (C)(2) of this section.

(2) The attributed local share of transportation funding
equals the difference of the total amount calculated for the
district using the formula developed under division (D)(2) of this
section minus the actual amount paid to the district after
applying the percentage specified in division (D)(3) of this
section.

(3) The attributed local share of vocational education and
associated services additional weighted costs funding is the
amount determined as follows:

(1 - state share percentage) X
[(total vocational education weight X the formula amount) +
the payment under division (E)(2) of this section]

Sec. 3317.023. (A) Notwithstanding section 3317.022 of the
Revised Code, the amounts required to be paid to a district under

department of education under guidelines established by the state 23079
board of education. 23080

(3) "Annual salary" means the annual base salary stated in 23081
the state minimum salary schedule for the performance of the 23082
teacher's regular teaching duties that the teacher earns for 23083
services rendered for the first full week of October of the fiscal 23084
year for which the adjustment is made under division (C) of this 23085
section. It shall not include any salary payments for supplemental 23086
teachers contracts. 23087

(4) "Regular student population" means the formula ADM plus 23088
the number of students reported as enrolled in the district 23089
pursuant to division (A)(1) of section 3313.981 of the Revised 23090

(B) If the district employs less than one full-time 23108
equivalent classroom teacher for each twenty-five pupils in the 23109
regular student population in any school district, deduct the sum 23110
of the amounts obtained from the following computations: 23111

(1) Divide the number of the district's full-time equivalent 23112

by multiplying the number of full-time equivalent classroom 23119
teachers by: 23120

(1) The mean annual salary of all full-time equivalent 23121
classroom teachers employed by the district at their respective 23122
training and experience levels minus; 23123

(2) The mean annual salary of all such teachers at their 23124
respective levels in all school districts receiving payments under 23125
this section. 23126

The number of full-time equivalent classroom teachers used in 23127
this computation shall not exceed one twenty-fifth of the 23128
district's regular student population. In calculating the 23129
district's mean salary under this division, those full-time 23130
equivalent classroom teachers with the highest training level 23131
shall be counted first, those with the next highest training level 23132
second, and so on, in descending order. Within the respective 23133
training levels, teachers with the highest years of service shall 23134
be counted first, the next highest years of service second, and so 23135

on, in descending order. 23136

the reimbursement of the governing board under section 3317.11 of 23156
the Revised Code. 23157

(F)(1) If the district is required to pay to or entitled to 23158
receive tuition from another school district under division (C)(2) 23159
or (3) of section 3313.64 or section 3313.65 of the Revised Code, 23160

student is entitled to attend school pursuant to section 3313.64 23218
or 3313.65 of the Revised Code or the sum of the current formula 23219

Code. 23226

(2) Deduct any amount credited pursuant to division (K)(1) of this section from amounts paid to the school district in which the student is entitled to attend school pursuant to section 3313.64 or 3313.65 of the Revised Code.

(b) Add the number of students in grades one through three; 23636

(c) Subtract from the sum calculated under division (A)(6)(b) 23637
of this section the number of special education students in grades 23638
kindergarten through three. 23639

~~(9) "Statewide average teacher salary" means forty two 23640
thousand four hundred sixty nine dollars in fiscal year 2002, and 23641
forty three thousand six hundred fifty eight dollars in fiscal 23642
year 2003, which includes an amount for the value of fringe 23643
benefits. 23644~~

~~(10) "All-day kindergarten" means a kindergarten class that 23645
is in session five days per week for not less than the same number 23646
of clock hours each day as for pupils in grades one through six. 23647~~

~~(11)(10) "All-day kindergarten percentage" means the 23648
percentage of a district's actual total number of students 23649
enrolled in kindergarten who are enrolled in all-day kindergarten. 23650~~

~~(12)(11) "Buildings with the highest concentration of need" 23651
means+ 23652~~

kindergarten through three receiving assistance under Ohio works 23655
first at least as high as the district wide percentage of students 23656
receiving such assistance. 23657~~

~~(b) Beginning in fiscal year 2004, the school buildings in a 23658
district with percentages of students in grades kindergarten 23659~~

through three receiving family assistance at least as high as the 23660
district-wide percentage of students receiving family assistance. 23661

~~(e)~~ If, in any fiscal year, the information provided by the 23662
department of job and family services under section 3317.10 of the 23663
Revised Code is insufficient to determine the ~~Ohio works first or~~ 23664
family assistance percentage in each building, "buildings with the 23665
highest concentration of need" has the meaning given in rules that 23666
the department of education shall adopt. The rules shall base the 23667
definition of "buildings with the highest concentration of need" 23668
on family income of students in grades kindergarten through three 23669
in a manner that, to the extent possible with available data, 23670
approximates the intent of this division and division ~~(G)~~(K) of 23671
this section to designate buildings where the ~~Ohio works first or~~ 23672
family assistance percentage in those grades equals or exceeds the 23673
district-wide ~~Ohio works first or~~ family assistance percentage. 23674

(B) In addition to the amounts required to be paid to a 23675
school district under section 3317.022 of the Revised Code, a the 23676

as amended, or the sum of the computations made under divisions 23683
(C) to ~~(E)~~(I) of this section. 23684

(C) A ~~supplemental payment that may be utilized~~ for measures 23685
related to safety and security and for remediation or similar 23686
programs, if the district's poverty index is greater than or equal 23687

~~(1) If the DPIA index of the school district is greater than~~ 23689
~~or equal to thirty five hundredths, but less than one, an amount~~ 23690
~~obtained by multiplying the district's DPIA student count by two~~ 23691

hundred thirty dollars; 23692

~~(2) If the DPIA index of the school district is greater than 23693
or equal to one, an amount obtained by multiplying the DPIA index 23694

funds calculated for the district under this division for 23700
intervention services required by section 3313.608 of the Revised 23701
Code. 23702~~

(1) If the district's poverty index is greater than or equal 23703
to 0.25, calculate the level-one amount as follows: 23704

(a) If the district's poverty index is greater than or equal 23705
to 0.25, but less than 1.25, determine the level-one amount per 23706
poverty student as follows: 23707

(0.005 X formula amount) + {(poverty index - 0.25) X [(0.02 X 23708
formula amount) - (0.005 X formula amount)]} 23709

(b) If the district's poverty index is greater than or equal 23710
to 1.25, the level-one amount per poverty student equals: 23711

0.02 X formula amount 23712

(c) Calculate the district's level-one payment as follows: 23713
level-one amount per poverty student determined under division 23714
(C)(1)(a) or (b) of this section X poverty student count X 23715
multiple 23716

Where "multiple" equals 0.50 in fiscal year 2007. 23717

(2) If the district's poverty index is greater than or equal 23718
to 1.25, determine the level-two amount, which shall be paid in 23719
addition to the level-one amount, as follows: 23720

(a) If the district's poverty index is greater than or equal 23721

to 1.25, but less than 1.75, determine the level-two amount per
poverty student, as follows:

$$\frac{(0.04 \times \text{formula amount}) + \{[(\text{poverty index} - 1.25)/0.50] \times [(0.14 \times \text{formula amount}) - (0.04 \times \text{formula amount})]\}}{1}$$

(b) If the district's poverty index is greater than or equal to 1.75, the level-two amount per poverty student equals:

$$0.14 \times \text{formula amount}$$

(c) Calculate the district's level-two payment as follows:
level-two amount per poverty student determined under division
(C)(2)(a) or (b) of this section X poverty student count X
multiple

Where "multiple" equals 0.50 in fiscal year 2007.

(D) A payment for all-day kindergarten if the DPIA poverty index of the school district is greater than or equal to ~~one~~ 1.0 or if the district's three-year average formula ADM exceeded seventeen thousand five hundred, calculated by multiplying the all-day kindergarten percentage by the kindergarten ADM and multiplying that product by the formula amount.

(E) A class-size reduction payment based on calculating the number of new teachers necessary to achieve a lower student-teacher ratio, as follows:

(1) Determine or calculate a formula number of teachers per one thousand students based on the DPIA poverty index of the school district as follows:

(a) If the DPIA poverty index of the school district is less than ~~six tenths~~ 1.0, the formula number of teachers is ~~43.478~~ 50.0, which is the number of teachers per one thousand students at a student-teacher ratio of ~~twenty-three~~ twenty to one;

(b) If the DPIA poverty index of the school district is greater than or equal to ~~six tenths~~ 1.0, but less than ~~two and~~

~~one-half 1.5~~, the formula number of teachers is calculated as 23752
follows: 23753

$$\frac{43.478 + \{[(\text{DPIA index} - 0.6) / 1.9] \times 23.188\}}{50.0 + \{[(\text{poverty index} - 1.0) / 0.5] \times 16.667\}}$$
23754
23755

Where ~~43.478~~ 50.0 is the number of teachers per one thousand 23756
students at a student-teacher ratio of ~~twenty-three~~ twenty to one; 23757
~~1.9~~ 0.5 is the interval from a ~~DPIA~~ poverty index of ~~six-tenths~~ 23758
1.0 to a ~~DPIA~~ poverty index of ~~two and one-half~~ 1.5; and ~~23.188~~ 23759
16.667 is the difference in the number of teachers per one 23760
thousand students at a student-teacher ratio of fifteen to one and 23761
the number of teachers per one thousand students at a 23762
student-teacher ratio of ~~twenty-three~~ twenty to one. 23763

(c) If the ~~DPIA~~ poverty index of the school district is 23764
greater than or equal to ~~two and one-half~~ 1.5, the formula number 23765
of teachers is 66.667, which is the number of teachers per one 23766
thousand students at a student-teacher ratio of fifteen to one. 23767

(2) Multiply the formula number of teachers determined or 23768
calculated in division (E)(1) of this section by the kindergarten 23769
through third grade ADM for the district and divide that product 23770
by one thousand; 23771

(3) Calculate the number of new teachers as follows: 23772

(a) Multiply the kindergarten through third grade ADM by 23773
~~43.478~~ 50.0, which is the number of teachers per one thousand 23774
students at a student-teacher ratio of ~~twenty-three~~ twenty to one, 23775
and divide that product by one thousand; 23776

(b) Subtract the quotient obtained in division (E)(3)(a) of 23777
this section from the product in division (E)(2) of this section. 23778

(4) Multiply the greater of the difference obtained under 23779
division (E)(3) of this section or zero by the statewide average 23780
teachers salary. For this purpose, the "statewide average teacher 23781
salary" is \$56,465 in fiscal year 2006 and \$58,667 in fiscal year 23782

2007, which includes an amount for the value of fringe benefits. 23783

(F) A payment for services to limited English proficient 23784
students, if the district's poverty index is greater than or equal 23785
to 1.0 and the proportion of its students who are limited English 23786
proficient, as reported in 2003 on its school district report 23787
issued under section 3302.03 of the Revised Code for the 2002-2003 23788
school year, is greater than or equal to 2.0%, calculated as 23789
follows: 23790

(1) If the district's poverty index is greater than or equal 23791
to 1.0, but less than 2.0, determine the amount per limited 23792
English proficient student as follows: 23793

(0.12851 X formula amount) + {(poverty index - 1.0) X [(0.25702 X 23794
formula amount) - (0.12851 X formula amount)]} 23795

(2) If the district's poverty index is greater than or equal 23796
to 2.0, the amount per limited English proficient student equals: 23797

0.25702 X formula amount 23798

(3) Multiply the per student amount determined for the 23799
district under division (F)(1) or (2) of this section by the 23800
number of the district's limited English proficient students, 23801
times a multiple of 0.50 in fiscal year 2007. For purposes of this 23802
calculation in fiscal year 2007, the number of limited English 23803
proficient students for each district shall be the number 23804
determined by the department when it calculated the district's 23805
percentage of limited English students for its school district 23806
report issued in 2003 for the 2002-2003 school year. 23807

Not later than December 31, 2006, the department of education 23808
shall recommend to the general assembly and the director of budget 23809
and management a method of identifying the number of limited 23810
English proficient students for purposes of calculating payments 23811
under this division after fiscal year 2007. 23812

(G) A payment for professional development of teachers, if 23813

the district's poverty index is greater than or equal to 1.0, 23814
calculated as follows: 23815

(1) If the district's poverty index is greater than or equal 23816
to 1.0, but less than 2.0, determine the amount per teacher as 23817
follows: 23818

(poverty index - 1.0) X (0.044484 X formula amount) 23819

(2) If the district's poverty index is greater than or equal 23820
to 2.0, the amount per teacher equals: 23821

0.044484 X formula amount 23822

(3) Determine the number of teachers, as follows: 23823

(formula ADM/20) 23824

(4) Multiply the per teacher amount determined for the 23825
district under division (G)(1) or (2) of this section by the 23826
number of teachers determined under division (G)(3) of this 23827
section, times a multiple of 0.50 in fiscal year 2007. 23828

(H) A payment for dropout prevention, if the district is a 23829
big eight school district as defined in section 3314.02 of the 23830
Revised Code, calculated as follows: 23831

0.005 X formula amount X poverty index 23832
X formula ADM X multiple 23833

Where "multiple" equals 0.50 in fiscal year 2007. 23834

(I) An amount for community outreach, if the district is an 23835
urban school district as defined in section 3314.02 of the Revised 23836
Code, calculated as follows: 23837

(formula ADM/1,000) X community liaison 23838
personnel allowance X multiple 23839

Where: 23840

(1) "Community liaison personnel allowance" equals \$42,729 in 23841
fiscal year 2006 and \$44,396 in fiscal year 2007, which includes 23842
an amount for the value of fringe benefits. 23843

<u>(2) "Multiple" equals 0.50 in fiscal year 2007.</u>	23844
<u>(J) This division applies only to school districts whose DPIA poverty index is one 1.0 or greater.</u>	23845 23846
<u>(1) Each school district subject to this division shall first utilize funds received under this section so that, when combined with other funds of the district, sufficient funds exist to provide all-day kindergarten to at least the number of children in the district's all-day kindergarten percentage.</u>	23847 23848 23849 23850 23851

<u>(3) Each school district may, but is not required to, use all or part of its payment under division (G) of this section for professional development of teachers or other licensed personnel providing educational services to students. <u>(b) Standards-based curriculum models;</u>	23873

(c) Job-embedded professional development activities that are 23874
research-based, as defined in federal law. 23875

In addition, each district that elects to use its payment 23876
under division (G) of this section for such professional 23877
development shall use the payment only to implement programs 23878
identified on a list of eligible professional development programs 23879
provided by the department of education. The department annually 23880
shall provide the list to each district receiving a payment under 23881
division (G) of this section. However, a district may apply to the 23882
department for a waiver to implement an alternative professional 23883
development program in one or more of the areas specified in 23884
divisions (J)(3)(a) to (c) of this section. If the department 23885
grants the waiver, the district may use its payment under division 23886
(G) of this section to implement the alternative program. 23887

(4) Each big eight school district shall use its payment 23888
under division (H) of this section either for preventing at-risk 23889
students from dropping out of school or for the safety, security, 23890
or remediation activities described in divisions (J)(6)(a) and (b) 23891
of this section, or for a combination of those purposes. Not later 23892
than September 1, 2006, the department of education shall provide 23893
each big eight school district with a list of dropout prevention 23894
programs that it has determined are successful. The department 23895
subsequently may update the list. Each district that elects to use 23896
its payment under division (H) of this section for dropout 23897
prevention shall use the payment only to implement a dropout 23898
prevention program specified on the department's list. However, a 23899
district may apply to the department for a waiver to implement an 23900
alternative dropout prevention program. If the department grants 23901
the waiver, the district may use its payment under division (H) of 23902
this section to implement the alternative program. 23903

(5) Each urban school district that has a poverty index 23904
greater than or equal to 1.0 shall use its payment under division 23905

(I) of this section either to hire or contract for community liaison officers, attendance or truant officers, or safety and security personnel, or for the safety, security, or remediation activities described in divisions (J)(6)(a) and (b) of this section, or for a combination of those purposes. 23906

23926
23927
23928

Each school district shall use at least twenty per cent of the funds set aside for the purposes of divisions ~~(F)(2)~~ (J)(6)(a) and (b) of this section to provide intervention services required by section 3313.608 of the Revised Code. 23929

equal to 1.0 shall be utilized for the purpose of the third grade 23937
guarantee. The third grade guarantee consists of increasing the 23938
amount of instructional attention received per pupil in 23939
kindergarten through third grade, either by reducing the ratio of 23940
students to instructional personnel or by increasing the amount of 23941
instruction and curriculum-related activities by extending the 23942
length of the school day or the school year. 23943

School districts may implement a reduction of the ratio of 23944
students to instructional personnel through any or all of the 23945
following methods: 23946

(a) Reducing the number of students in a classroom taught by 23947
a single teacher; 23948

(b) Employing full-time educational aides or educational 23949
paraprofessionals issued a permit or license under section 23950
3319.088 of the Revised Code; 23951

(c) Instituting a team-teaching method that will result in a 23952
lower student-teacher ratio in a classroom. 23953

Districts may extend the school day either by increasing the 23954
amount of time allocated for each class, increasing the number of 23955
classes provided per day, offering optional academic-related 23956
after-school programs, providing curriculum-related extra 23957
curricular activities, or establishing tutoring or remedial 23958
services for students who have demonstrated an educational need. 23959
In accordance with section 3319.089 of the Revised Code, a 23960
district extending the school day pursuant to this division may 23961
utilize a participant of the work experience program who has a 23962
child enrolled in a public school in that district and who is 23963
fulfilling the work requirements of that program by volunteering 23964
or working in that public school. If the work experience program 23965
participant is compensated, the school district may use the funds 23966
distributed under this section for all or part of the 23967

compensation. 23968

Districts may extend the school year either through adding 23969
regular days of instruction to the school calendar or by providing 23970
summer programs. 23971

~~(G)~~(K) Each district ~~subject to division (F) of this section~~ 23972
shall not expend any funds received under division (E) of this 23973
section in any school buildings that are not buildings with the 23974
highest concentration of need, unless there is a ratio of 23975
instructional personnel to students of no more than fifteen to one 23976
in each kindergarten and first grade class in all buildings with 23977
the highest concentration of need. This division does not require 23978
that the funds used in buildings with the highest concentration of 23979
need be spent solely to reduce the ratio of instructional 23980
personnel to students in kindergarten and first grade. A school 23981
district may spend the funds in those buildings in any manner 23982
permitted by division ~~(F)~~(3)~~(J)~~(7) of this section, but may not 23983
spend the money in other buildings unless the fifteen-to-one ratio 23984
required by this division is attained. 23985

~~(H)~~(L)(1) By the first day of August of each fiscal year, 23986
each school district wishing to receive any funds under division 23987
(D) of this section shall submit to the department of education an 23988
estimate of its all-day kindergarten percentage. Each district 23989
shall update its estimate throughout the fiscal year in the form 23990
and manner required by the department, and the department shall 23991
adjust payments under this section to reflect the updates. 23992

(2) Annually by the end of December, the department of 23993
education, utilizing data from the information system established 23994
under section 3301.0714 of the Revised Code and after consultation 23995
with the legislative office of education oversight, shall 23996
determine for each school district subject to division ~~(F)~~(J) of 23997
this section whether in the preceding fiscal year the district's 23998

ratio of instructional personnel to students and its number of 23999
kindergarten students receiving all-day kindergarten appear 24000
reasonable, given the amounts of money the district received for 24001
that fiscal year pursuant to divisions (D) and (E) of this 24002
section. If the department is unable to verify from the data 24003
available that students are receiving reasonable amounts of 24004
instructional attention and all-day kindergarten, given the funds 24005
the district has received under this section and that class-size 24006
reduction funds are being used in school buildings with the 24007
highest concentration of need as required by division ~~(G)~~(K) of 24008
this section, the department shall conduct a more intensive 24009
investigation to ensure that funds have been expended as required 24010
by this section. The department shall file an annual report of its 24011
findings under this division with the chairpersons of the 24012
committees in each house of the general assembly dealing with 24013
finance and education. 24014

~~(I) Any (M)(1) Each~~ school district with a ~~DPIA~~ poverty index 24015
less than ~~one~~ 1.0 and a three-year average formula ADM exceeding 24016
seventeen thousand five hundred shall first utilize funds received 24017
under this section so that, when combined with other funds of the 24018
district, sufficient funds exist to provide all-day kindergarten 24019
to at least the number of children in the district's all-day 24020
kindergarten percentage. ~~Such a district~~ 24021

(2) Each school district with a poverty index less than 1.0 24022
that receives a payment under division (I) of this section shall 24023
use its payment under that division for one or both of the 24024
following purposes: 24025

(a) To hire or contract for community liaison officers, 24026
attendance or truant officers, or safety and security personnel; 24027

(b) To implement any of the safety, security, or remediation 24028
activities described in divisions (J)(6)(a) and (b) of this 24029
section. 24030

treasurer of any school district or educational service center 24158
shall furnish data needed to calculate the amounts specified in 24159
divisions (A)(1)(e) and (f) of this section. The department shall 24160
compute and pay the state basic aid guarantee for each school 24161
district for the fiscal year as follows: 24162

(1) Subtract the amount of state basic aid from the amount of 24163
fundamental FY 1998 state aid. If a negative number, this 24164

(2) If in any fiscal year the state basic aid for a school 24177
district with a formula ADM of one hundred fifty or less is less 24178

than the guarantee amount determined for the district under 24179
division (C)(1) of this section, the department of education shall 24180
pay the district the amount of the difference. 24181

Sec. 3317.0216. (A) As used in this section: 24182

(1) "Total taxes charged and payable for current expenses" 24183
means the sum of the taxes charged and payable as certified under 24184
division (A)(3)(a) of section 3317.021 of the Revised Code less 24185
any amounts reported under division (A)(3)(b) of that section, and 24186
the tax distribution for the preceding year under any school 24187
district income tax levied by the district pursuant to Chapter 24188
5748. of the Revised Code to the extent the revenue from the 24189
income tax is allocated or apportioned to current expenses. 24190

(2) "Charge-off amount" means ~~the product obtained by~~ 24191
~~multiplying~~ [two and three-tenths per cent multiplied by (the sum 24192
of recognized valuation and incentive district tax-exempt value)] 24193
plus (fifty per cent multiplied by payments in lieu of taxes). 24194

(3) Until fiscal year 2003, the "actual local share of 24195
special education, transportation, and vocational education 24196
funding" for any school district means the sum of the district's 24197
attributed local shares described in divisions (F)(1) to (3) of 24198
section 3317.022 of the Revised Code. Beginning in fiscal year 24199
2003, the "actual local share of special education, 24200
transportation, and vocational education funding" means that sum 24201
minus the amount of any excess cost supplement payment calculated 24202
for the district under division (F) of section 3317.022 of the 24203
Revised Code. 24204

(B) Upon receiving the certifications under section 3317.021 24205
of the Revised Code, the department of education shall determine 24206
for each city, local, and exempted village school district whether 24207
the district's charge-off amount is greater than the district's 24208

total taxes charged and payable for current expenses, and if it 24209
is, shall pay the district the amount of the difference. A payment 24210
shall not be made to any school district for which the computation 24211
under division (A) of section 3317.022 of the Revised Code equals 24212
zero. 24213

(C)(1) If a district's charge-off amount is equal to or 24214
greater than its total taxes charged and payable for current 24215
expenses, the department shall, in addition to the payment 24216
required under division (B) of this section, pay the district the 24217
amount of its actual local share of special education, 24218
transportation, and vocational education funding. 24219

(2) If a district's charge-off amount is less than its total 24220
taxes charged and payable for current expenses, the department 24221
shall pay the district any amount by which its actual local share 24222
of special education, transportation, and vocational education 24223
funding exceeds its total taxes charged and payable for current 24224
expenses minus its charge-off amount. 24225

(D) If a school district that received a payment under 24226
division (B) or (C) of this section in the prior fiscal year is 24227
ineligible for payment under those divisions in the current fiscal 24228
year, the department shall determine if the ineligibility is the 24229
result of a property tax or income tax levy approved by the 24230
district's voters to take effect in tax year 2005 or thereafter. 24231
If the department determines that is the case, and calculates that 24232
the levy causing the ineligibility exceeded by at least one mill 24233
the equivalent millage of the prior year's payment under divisions 24234
(B) and (C) of this section, the department shall make a payment 24235
to the district for the first three years that the district loses 24236
eligibility for payment under divisions (B) and (C) of this 24237
section, as follows: 24238

(1) In the first year of ineligibility, the department shall 24239

pay the district seventy-five per cent of the amount it last paid 24240
the district under divisions (B) and (C) of this section. 24241

(2) In the second year of ineligibility, the department shall 24242
pay the district fifty per cent of the amount it last paid the 24243
district under those divisions. 24244

(3) In the third year of ineligibility, the department shall 24245
pay the district twenty-five per cent of the amount it last paid 24246
the district under those divisions. 24247

(E) A district that receives payment under division (D) of 24248
this section and subsequently qualifies for payment under division 24249
(B) or (C) of this section is ineligible for future payments under 24250
division (D) of this section. 24251

Sec. 3317.0217. The department of education shall annually 24252
compute and pay state parity aid to school districts, as follows: 24253

(A) Calculate the local wealth per pupil of each school 24254
district, which equals the following sum: 24255

(1) Two-thirds times the quotient of (a) the district's 24256
recognized valuation divided by (b) its adjusted formula ADM; plus 24257

(2) One-third times the quotient of (a) the average of the 24258
total federal adjusted gross income of the school district's 24259
residents for the three years most recently reported under section 24260
3317.021 of the Revised Code divided by (b) its adjusted formula 24261
ADM. 24262

(B) Rank all school districts in order of local wealth per 24263
pupil, from the district with the lowest local wealth per pupil to 24264
the district with the highest local wealth per pupil. 24265

(C) Compute the per pupil state parity aid funding for each 24266
school district in accordance with the following formula: 24267

Payment percentage X (threshold local wealth 24268

per pupil - the district's local 24269

wealth per pupil) X 0.0095 24270

Where: 24271

(1) "Payment percentage," for purposes of division (C) of 24272
this section, equals 20% in fiscal year 2002, 40% in fiscal year 24273
2003, 58% in fiscal year 2004, 76% in fiscal year 2005, ~~and 100%~~ 24274
~~after fiscal year 2005~~ 80% in fiscal year 2006, and 85% in fiscal 24275
year 2007. 24276

(2) Nine and one-half mills (0.0095) is the general 24277
assembly's determination of the average number of effective 24278
operating mills that districts in the seventieth to ninetieth 24279
percentiles of valuations per pupil collected in fiscal year 2001 24280
above the revenues required to finance their attributed local 24281
shares of the calculated cost of an adequate education. This was 24282
determined by (a) adding the district revenues from operating 24283
property tax levies and income tax levies, (b) subtracting from 24284
that total the sum of (i) twenty-three mills times adjusted 24285
recognized valuation plus (ii) the attributed local shares of 24286
special education, transportation, and vocational education 24287
funding as described in divisions (F)(1) to (3) of section 24288
3317.022 of the Revised Code, and (c) converting the result to an 24289
effective operating property tax rate. 24290

(3) The "threshold local wealth per pupil" is the local 24291
wealth per pupil of the school district with the 24292
four-hundred-ninetieth lowest local wealth per pupil. 24293

If the result of the calculation for a school district under 24294
division (C) of this section is less than zero, the district's per 24295
pupil parity aid shall be zero. 24296

(D) Compute the per pupil alternative parity aid for each 24297
school district that has a combination of an income factor of 1.0 24298
or less, a ~~DPIA~~ poverty index of 1.0 or greater, and a fiscal year 24299

2006 cost-of-doing-business factor of 1.0375 or greater, in 24300
accordance with the following formula: 24301

Payment percentage X \$60,000 X 24302
(1 - income factor) X 4/15 X 0.023 24303

Where: 24304

(1) "DPIA Poverty index" has the same meaning as in section 24305
3317.029 of the Revised Code. 24306

(2) "Payment percentage," for purposes of division (D) of 24307
this section, equals 50% in fiscal year 2002 and 100% after fiscal 24308
year 2002. 24309

(E) Pay each district that has a combination of an income 24310
factor of 1.0 or less, a DPIA poverty index of 1.0 or greater, and 24311
a fiscal year 2006 cost-of-doing-business factor of 1.0375 or 24312
greater, the greater of the following: 24313

(1) The product of the district's per pupil parity aid 24314
calculated under division (C) of this section times its formula 24315
ADM; 24316

(2) The product of its per pupil alternative parity aid 24317
calculated under division (D) of this section times its formula 24318
ADM. 24319

(F) Pay every other district the product of its per pupil 24320
parity aid calculated under division (C) of this section times its 24321
formula ADM. 24322

Sec. 3317.03. Notwithstanding divisions (A)(1), (B)(1), and 24323
(C) of this section, any student enrolled in kindergarten more 24324
than half time shall be reported as one-half student under this 24325
section. 24326

(A) The superintendent of each city and exempted village 24327
school district and of each educational service center shall, for 24328
the schools under the superintendent's supervision, certify to the 24329

state board of education on or before the fifteenth day of October 24330
in each year for the first full school week in October the formula 24331
ADM, ~~which~~. Beginning in fiscal year 2006, each superintendent 24332
also shall certify to the state board, for the schools under the 24333
superintendent's supervision, the formula ADM for the week 24334
established for regular administration of the achievement tests 24335
prescribed under divisions (A)(1)(b) to (f) of section 3301.0710 24336
of the Revised Code. Each superintendent shall certify the second 24337
annual formula ADM no later than two weeks after the regular test 24338
administration. The formula ADM shall consist of the average daily 24339
membership during such week of the sum of the following: 24340

(1) On an FTE basis, the number of students in grades 24341
kindergarten through twelve receiving any educational services 24342
from the district, except that the following categories of 24343
students shall not be included in the determination: 24344

(a) Students enrolled in adult education classes; 24345

compact, cooperative education agreement, or a contract, but who 24350
are entitled to attend school in another district pursuant to 24351
section 3313.64 or 3313.65 of the Revised Code; 24352

(d) Students for whom tuition is payable pursuant to sections 24353
3317.081 and 3323.141 of the Revised Code. 24354

(2) On an FTE basis, the number of students entitled to 24355
attend school in the district pursuant to section 3313.64 or 24356
3313.65 of the Revised Code, but receiving educational services in 24357
grades kindergarten through twelve from one or more of the 24358
following entities: 24359

1998. If this calculation produces a negative number, the number 24394
reported under division (A)(4) of this section shall be zero. 24395

(B) To enable the department of education to obtain the data 24396
needed to complete the calculation of payments pursuant to this 24397

armed forces and who apply for reenrollment in the public school 24653
system of their residence not later than four years after 24654

section elects to enroll in special courses organized for veterans 24657
for whom tuition is paid under the provisions of federal laws, or 24658
otherwise, that veteran shall not be included in average daily 24659
membership. 24660

Notwithstanding division (E)(3) of this section, the 24661
membership of any school may include a pupil who did not take a 24662

superintendent of public instruction grants a waiver from the 24664
requirement to take the test to the specific pupil. The 24665
superintendent may grant such a waiver only for good cause in 24666
accordance with rules adopted by the state board of education. 24667

Except as provided in divisions (B)(2) and (F) of this section, the average daily membership figure of any local, city, exempted village, or joint vocational school district shall be determined by dividing the figure representing the sum of the number of pupils enrolled during each day the school of attendance is actually open for instruction during the ~~first full school week in October~~ for which the formula ADM is being certified by the total number of days the school was actually open for instruction during that week. For purposes of state funding, "enrolled" persons are only those pupils who are attending school, those who have attended school during the current school year and are absent for authorized reasons, and those handicapped children currently receiving home instruction.

The average daily membership figure of any cooperative education school district shall be determined in accordance with rules adopted by the state board of education.

(F)(1) If the formula ADM for the first full school week in February is at least three per cent greater than that certified for the first full school week in the preceding October, the superintendent of schools of any city, exempted village, or joint vocational school district or educational service center shall certify such increase to the superintendent of public instruction. Such certification shall be submitted no later than the fifteenth day of February. For the balance of the fiscal year, beginning with the February payments, the superintendent of public instruction shall use the increased formula ADM in calculating or recalculating the amounts to be allocated in accordance with section 3317.022 or 3317.16 of the Revised Code. In no event shall the superintendent use an increased membership certified to the superintendent after the fifteenth day of February. department determines additional units can be approved for the 24707
fiscal year within any limitations set forth in the acts 24708
appropriating moneys for the funding of such units, the department 24709
shall approve additional units for the fiscal year on the basis of 24710
such average daily membership. For each unit so approved, the 24711
department shall pay an amount computed in the manner prescribed 24712
in section 3317.052 or 3317.19 and section 3317.053 of the Revised 24713

district's payments under this chapter for the entire fiscal year 24723
on the basis of that adjusted formula ADM. This requirement 24724

in division (E) of this section, in the community school during 24726
the first full school week in October. 24727

the Revised Code shall, for the units under the superintendent's 24745

by this section for that day. 24768

(b) If the department determines that additional classes or 24769
units can be approved for the fiscal year within any limitations 24770
set forth in the acts appropriating moneys for the funding of the 24771
classes and units described in division (G)(3)(a) of this section, 24772

not receive any base cost funding for that year under that 25366
division, the district's state share percentage is zero. 25367

(b) If the district would receive base cost funding under 25368
that division, in fiscal year 2006 divide that base cost amount by 25369
an amount equal to the following: 25370

cost-of-doing-business factor X 25371

the formula amount X 25372

formula ADM 25373

that division, in fiscal year 2007 and thereafter divide that 25375
amount by an amount equal to the greater of the following: 25376

(i) Cost-of-doing-business factor for fiscal year 2006 X 25377
formula amount for fiscal year 2006 X formula ADM for fiscal year 25378

formula ADM. 25381

The resultant number in division (A)(1)(b) or (c) of this 25382

section is the district's state share percentage. 25383

(2) The "total special education weight" for a joint 25384
vocational school district shall be calculated in the same manner 25385
as prescribed in division (B)(1) of section 3317.022 of the 25386

formula ADM) - 25410
(.0005 X total recognized valuation) 25411

(2) Beginning in fiscal year 2007, state base cost funding 25412

for each joint vocational school district shall be the greater of 25413
the amount computed under division (B)(2)(a) or (b) of this 25414

(4) In the case of any governing board providing any 26175

Sec. 3319.172. The board of education of each school district 26214
wherein the provisions of Chapter 124. of the Revised Code do not 26215
apply and the governing board of each educational service center 26216
may adopt a resolution ordering reasonable reductions in the 26217
number of nonteaching employees for any of the reasons for which 26218
the board of education or governing board may make reductions in 26219
teaching employees, as set forth in division (B) of section 26220

In making any reduction under this section, the board of 26222

an individual is required to work a percentage of the time the 26230
employee otherwise is required to work under the contract and 26231

Any nonteaching employee whose continuing contract is 26234
suspended under this section shall have the right of restoration 26235
to continuing service status by the board of education or 26236
governing board that suspended that contract in order of seniority 26237
of service in the district or service center, if and when a 26238
nonteaching position for which the employee is qualified becomes 26239
vacant or is created. No nonteaching employee whose continuing 26240

contract has been suspended under this section shall lose that 26241
right of restoration to continuing service status by reason of 26242
having declined recall to a position requiring fewer regularly 26243
scheduled hours of work than required by the position the employee 26244
last held while employed in the district or service center. 26245

Sec. 3319.22. (A)(1) The state board of education shall adopt 26246
rules establishing the standards and requirements for obtaining 26247
temporary, associate, provisional, and professional educator 26248
licenses of any categories, types, and levels the board elects to 26249
provide. However, no educator license shall be required for 26250
teaching children two years old or younger. 26251

(2) If the state board requires any examinations for educator 26252
licensure, the department of education shall provide the results 26253
of such examinations received by the department to the Ohio board 26254
of regents, in the manner and to the extent permitted by state and 26255
federal law. 26256

(B) Any rules the state board of education adopts, amends, or 26257
rescinds for educator licenses under this section, division (D) of 26258
section 3301.07 of the Revised Code, or any other law shall be 26259
adopted, amended, or rescinded under Chapter 119. of the Revised 26260
Code except as follows: 26261

(1) Notwithstanding division (D) of section 119.03 and 26262
division (A)(1) of section 119.04 of the Revised Code, in the case 26263
of the adoption of any rule or the amendment or rescission of any 26264
rule that necessitates institutions' offering teacher preparation 26265
programs that are approved by the state board of education under 26266
section 3319.23 of the Revised Code to revise the curriculum of 26267
those programs, the effective date shall not be as prescribed in 26268
division (D) of section 119.03 and division (A)(1) of section 26269
119.04 of the Revised Code. Instead, the effective date of such 26270
rules, or the amendment or rescission of such rules, shall be the 26271

date prescribed by section 3319.23 of the Revised Code. 26272

(2) Notwithstanding the authority to adopt, amend, or rescind 26273
emergency rules in division (F) of section 119.03 of the Revised 26274
Code, this authority shall not apply to the state board of 26275
education with regard to rules for educator licenses. 26276

(C)(1) The rules adopted under this section establishing 26277
standards requiring additional coursework for the renewal of any 26278
educator license shall require a school district and a chartered 26279
nonpublic school to establish local professional development 26280
committees. In a nonpublic school, the chief administrative 26281
officer shall establish the committees in any manner acceptable to 26282
such officer. The committees established under this division shall 26283
determine whether coursework that a district or chartered 26284
nonpublic school teacher proposes to complete meets the 26285
requirement of the rules. The department of education shall 26286
provide technical assistance and support to committees as the 26287
committees incorporate the professional development standards 26288
adopted by the state board of education pursuant to section 26289
3319.61 of the Revised Code into their review of coursework that 26290
is appropriate for license renewal. The rules shall establish a 26291
procedure by which a teacher may appeal the decision of a local 26292
professional development committee. 26293

(2) In any school district in which there is no exclusive 26294
representative established under Chapter 4117. of the Revised 26295
Code, the professional development committees shall be established 26296
as described in division (C)(2) of this section. 26297

Not later than the effective date of the rules adopted under 26298
this section, the board of education of each school district shall 26299
establish the structure for one or more local professional 26300
development committees to be operated by such school district. The 26301
committee structure so established by a district board shall 26302

remain in effect unless within thirty days prior to an anniversary 26303
of the date upon which the current committee structure was 26304
established, the board provides notice to all affected district 26305
employees that the committee structure is to be modified. 26306
Professional development committees may have a district-level or 26307
building-level scope of operations, and may be established with 26308
regard to particular grade or age levels for which an educator 26309
license is designated. 26310

Each professional development committee shall consist of at 26311
least three classroom teachers employed by the district, one 26312
principal employed by the district, and one other employee of the 26313
district appointed by the district superintendent. For committees 26314
with a building-level scope, the teacher and principal members 26315
shall be assigned to that building, and the teacher members shall 26316
be elected by majority vote of the classroom teachers assigned to 26317
that building. For committees with a district-level scope, the 26318
teacher members shall be elected by majority vote of the classroom 26319
teachers of the district, and the principal member shall be 26320
elected by a majority vote of the principals of the district, 26321
unless there are two or fewer principals employed by the district, 26322
in which case the one or two principals employed shall serve on 26323
the committee. If a committee has a particular grade or age level 26324
scope, the teacher members shall be licensed to teach such grade 26325
or age levels, and shall be elected by majority vote of the 26326
classroom teachers holding such a license and the principal shall 26327
be elected by all principals serving in buildings where any such 26328
teachers serve. The district superintendent shall appoint a 26329
replacement to fill any vacancy that occurs on a professional 26330
development committee, except in the case of vacancies among the 26331
elected classroom teacher members, which shall be filled by vote 26332
of the remaining members of the committee so selected. 26333

Terms of office on professional development committees shall 26334

be prescribed by the district board establishing the committees. 26335
The conduct of elections for members of professional development 26336
committees shall be prescribed by the district board establishing 26337
the committees. A professional development committee may include 26338
additional members, except that the majority of members on each 26339
such committee shall be classroom teachers employed by the 26340
district. Any member appointed to fill a vacancy occurring prior 26341
to the expiration date of the term for which a predecessor was 26342
appointed shall hold office as a member for the remainder of that 26343
term. 26344

The initial meeting of any professional development 26345
committee, upon election and appointment of all committee members, 26346
shall be called by a member designated by the district 26347
superintendent. At this initial meeting, the committee shall 26348
select a chairperson and such other officers the committee deems 26349
necessary, and shall adopt rules for the conduct of its meetings. 26350
Thereafter, the committee shall meet at the call of the 26351
chairperson or upon the filing of a petition with the district 26352
superintendent signed by a majority of the committee members 26353
calling for the committee to meet. 26354

(3) In the case of a school district in which an exclusive 26355
representative has been established pursuant to Chapter 4117. of 26356
the Revised Code, professional development committees shall be 26357
established in accordance with any collective bargaining agreement 26358
in effect in the district that includes provisions for such 26359
committees. 26360

If the collective bargaining agreement does not specify a 26361
different method for the selection of teacher members of the 26362
committees, the exclusive representative of the district's 26363
teachers shall select the teacher members. 26364

If the collective bargaining agreement does not specify a 26365

different structure for the committees, the board of education of 26366
the school district shall establish the structure, including the 26367
number of committees and the number of teacher and administrative 26368
members on each committee; the specific administrative members to 26369
be part of each committee; whether the scope of the committees 26370
will be district levels, building levels, or by type of grade or 26371
age levels for which educator licenses are designated; the lengths 26372
of terms for members; the manner of filling vacancies on the 26373
committees; and the frequency and time and place of meetings. 26374
However, in all cases, except as provided in division (C)(4) of 26375
this section, there shall be a majority of teacher members of any 26376
professional development committee, there shall be at least five 26377
total members of any professional development committee, and the 26378
exclusive representative shall designate replacement members in 26379
the case of vacancies among teacher members, unless the collective 26380
bargaining agreement specifies a different method of selecting 26381
such replacements. 26382

(4) Whenever an administrator's coursework plan is being 26383
discussed or voted upon, the local professional development 26384
committee shall, at the request of one of its administrative 26385
members, cause a majority of the committee to consist of 26386
administrative members by reducing the number of teacher members 26387
voting on the plan. 26388

(D)(1) The department of education, educational service 26389
centers, county boards of mental retardation and developmental 26390
disabilities, regional professional development centers, special 26391
education regional resource centers, college and university 26392
departments of education, head start programs, the agency 26393
designated by the governor to assume the functions of the Ohio 26394
SchoolNet commission, and the Ohio education computer network may 26395
establish local professional development committees to determine 26396
whether the coursework proposed by their employees who are 26397

licensed or certificated under this section or section 3319.222 of 26398
the Revised Code meet the requirements of the rules adopted under 26399
this section. They may establish local professional development 26400
committees on their own or in collaboration with a school district 26401
or other agency having authority to establish them. 26402

Local professional development committees established by 26403
county boards of mental retardation and developmental disabilities 26404
shall be structured in a manner comparable to the structures 26405
prescribed for school districts in divisions (C)(2) and (3) of 26406
this section, as shall the committees established by any other 26407
entity specified in division (D)(1) of this section that provides 26408

classroom teachers licensed or certificated under this section or 26410
section 3319.222 of the Revised Code. All other entities specified 26411
in division (D)(1) of this section shall structure their 26412
committees in accordance with guidelines which shall be issued by 26413
the state board. 26414

(2) Any public agency that is not specified in division 26415
(D)(1) of this section but provides educational services and 26416
employs or contracts for services of classroom teachers licensed 26417
or certificated under this section or section 3319.222 of the 26418
Revised Code may establish a local professional development 26419
committee, subject to the approval of the department of education. 26420

study are skilled at integrating educational technology in the 26427
instruction of children, as evidenced by the graduate having 26428

either demonstrated proficiency in such skills in a manner 26429
prescribed by the department of education or completed a course 26430
that includes training in such skills. 26431

in accordance with this section and rules which the state board of 26446
education shall adopt in accordance with Chapter 119. of the 26447
Revised Code. 26448

In each fiscal year that the general assembly appropriates 26449

shall meet at least annually at the call of either co-chairperson 28052
and at such other times as either co-chairperson or the authority 28053

executive chairperson shall serve as the presiding officer of the 28055
authority. The executive committee shall meet at the call of the 28056
executive chairperson or as the executive committee determines 28057

administering the ~~tuition-credit~~ program that are in excess of 28089
general revenue fund appropriations for administrative costs. The 28090
sales period to which such price applies shall consist of twelve 28091
months, and the authority by rule shall establish the date on 28092

which the sales period begins. If circumstances arise during a 28093
sales period that the authority determines causes the price of 28094
tuition ~~credits~~ units to be insufficient to ensure the actuarial 28095
soundness of the Ohio tuition trust fund, the authority may adjust 28096
the price of tuition ~~credits~~ units purchased during the remainder 28097
of the sales period. To promote the purchase of tuition ~~credits~~ 28098
units and in accordance with actuarially sound principles, the 28099
authority may adjust the sales price as part of incentive 28100
programs, such as discounting for ~~lump-sum~~ lump sum purchases and 28101

the treasurer of state on order of a designee of the authority. 28483

(2) The treasurer of state shall deposit any portion of the 28484
Ohio tuition trust fund not needed for immediate use in the same 28485
manner as state funds are deposited. 28486

(D) The authority is the trustee of the Ohio tuition trust 28487
fund. The authority shall have full power to invest the assets of 28488
the fund and in exercising this power shall be subject to the 28489

this section and sections 145.112 and 145.113 of the Revised Code. 28491

the treasurer of state or to a qualified trustee designated by the 28493
treasurer of state as provided in section 135.18 of the Revised 28494

a manner designed to be actuarially sound so that the assets of 28496
the fund will be sufficient to satisfy the obligations of the 28497
authority pursuant to tuition payment contracts and defray the 28498
reasonable expenses of administering the fund. 28499

(E) The public employees retirement board shall, with the 28500
approval of the authority, exercise the investment powers of the 28501
authority as set forth in division (D) of this section until the 28502
authority determines that assumption and exercise by the authority 28503
of the investment powers is financially and administratively 28504
feasible. The investment powers shall be exercised by the public 28505
employees retirement board in a manner agreed upon by the 28506
authority that maximizes the return on investment and minimizes 28507
the administrative expenses. 28508

(F)(1) The authority shall maintain a separate account for 28509
each tuition payment contract entered into pursuant to division 28510
(A) of section 3334.09 of the Revised Code for the purchase of 28511
tuition ~~credits~~ units on behalf of a beneficiary or beneficiaries 28512
showing the beneficiary or beneficiaries of that contract and the 28513

contract. Upon request of any beneficiary or person who has 28515
entered into a tuition payment contract, the authority shall 28516
provide a statement indicating, in the case of a beneficiary, the 28517

(2) The authority shall maintain an account for each 28525
scholarship program showing the number of tuition ~~credits~~ units 28526
that have been purchased for or donated to the program and the 28527
number of tuition ~~credits~~ units that have been used. Upon the 28528

the authority shall provide a statement indicating these numbers. 28530

(G) In addition to the Ohio tuition trust fund, there is 28531
hereby established a reserve fund that shall be in the custody of 28532
the treasurer of state but shall not be part of the state 28533
treasury, and shall be known as the Ohio tuition trust reserve 28534
fund, and an operating fund that shall be part of the state 28535
treasury, and shall be known as the Ohio tuition trust operating 28536
fund. That portion of payments received by the authority or the 28537
treasurer of state from persons purchasing tuition ~~credits~~ units 28538
under tuition payment contracts that the authority determines is 28539
not actuarially necessary for the payment of obligations of the 28540
authority pursuant to tuition payment contracts, any interest and 28541
investment income earned by the reserve fund, any administrative 28542
charges and fees imposed by the authority on transactions under 28543
this chapter or on purchasers or beneficiaries of tuition ~~credits~~ 28544
units, and all other receipts from any other source that the 28545
authority determines appropriate, shall be deposited in the 28546
reserve fund to pay the operating expenses of the authority and 28547
the costs of administering the program. The assets of the reserve 28548
fund may be invested in the same manner and subject to the same 28549
limitations set forth in divisions (D), (E), and (K) to (M) of 28550
this section and sections 145.112 and 145.113 of the Revised Code. 28551
All investment fees and other costs incurred in connection with 28552
the exercise of the investment powers shall be paid from the 28553
assets of the reserve fund. Except as otherwise provided for in 28554
this chapter, all operating expenses of the authority and costs of 28555
administering the program shall be paid from the operating fund. 28556

The treasurer shall, upon request of the authority, transfer funds 28557
from the reserve fund to the operating fund as the authority 28558
determines appropriate to pay those current operating expenses of 28559
the authority and costs of administering the program as the 28560
authority designates. Any interest or investment income earned on 28561
the assets of the operating fund shall be deposited in the 28562
operating fund. 28563

(H) In January of each year the authority shall report to 28564
each person who received any payments or refunds from the 28565
authority during the preceding year information relative to the 28566
value of the payments or refunds to assist in determining that 28567
person's tax liability. 28568

(I) The authority shall report to the tax commissioner any 28569
information, and at the times, as the tax commissioner requires to 28570
determine any tax liability that a person may have incurred during 28571
the preceding year as a result of having received any payments or 28572
refunds from the authority. 28573

(J) All records of the authority indicating the identity of 28574
purchasers and beneficiaries of tuition ~~credits~~ units or college 28575
savings bonds, the number of tuition ~~credits~~ units purchased, 28576
used, or refunded under a tuition payment contract, and the number 28577
of college savings bonds purchased, held, or redeemed are not 28578
public records within the meaning of section 149.43 of the Revised 28579
Code. 28580

(K) The authority and other fiduciaries shall discharge their 28581
duties with respect to the funds with care, skill, prudence, and 28582
diligence under the circumstances then prevailing that a prudent 28583
person acting in a like capacity and familiar with such matters 28584
would use in the conduct of an enterprise of a like character and 28585
with like aims; and by diversifying the investments of the assets 28586
of the funds so as to minimize the risk of large losses, unless 28587
under the circumstances it is clearly prudent not to do so. 28588

To facilitate investment of the funds, the authority may 28589
establish a partnership, trust, limited liability company, 28590
corporation, including a corporation exempt from taxation under 28591
the Internal Revenue Code, 100 Stat. 2085, 26 U.S.C. 1, as 28592
amended, or any other legal entity authorized to transact business 28593
in this state. 28594

(L) In exercising its fiduciary responsibility with respect 28595
to the investment of the assets of the funds, it shall be the 28596
intent of the authority to give consideration to investments that 28597
enhance the general welfare of the state and its citizens where 28598
the investments offer quality, return, and safety comparable to 28599
other investments currently available to the authority. In 28600
fulfilling this intent, equal consideration shall also be given to 28601
investments otherwise qualifying under this section that involve 28602
minority owned and controlled firms and firms owned and controlled 28603
by women, either alone or in joint venture with other firms. 28604

The authority shall adopt, in regular meeting, policies, 28605
objectives, or criteria for the operation of the investment 28606
program that include asset allocation targets and ranges, risk 28607
factors, asset class benchmarks, time horizons, total return 28608
objectives, and performance evaluation guidelines. In adopting 28609
policies and criteria for the selection of agents with whom the 28610
authority may contract for the administration of the assets of the 28611
funds, the authority shall give equal consideration to minority 28612
owned and controlled firms, firms owned and controlled by women, 28613
and ventures involving minority owned and controlled firms and 28614
firms owned and controlled by women that otherwise meet the 28615
policies and criteria established by the authority. Amendments and 28616
additions to the policies and criteria shall be adopted in regular 28617
meeting. The authority shall publish its policies, objectives, and 28618
criteria under this provision no less often than annually and 28619
shall make copies available to interested parties. 28620

When reporting on the performance of investments, the 28621
authority shall comply with the performance presentation standards 28622
established by the association for investment management and 28623
research. 28624

(M) All investments shall be purchased at current market 28625
prices and the evidences of title of the investments shall be 28626
placed in the hands of the treasurer of state, who is hereby 28627
designated as custodian thereof, or in the hands of the treasurer 28628
of state's authorized agent. The treasurer of state or the agent 28629
shall collect the principal, dividends, distributions, and 28630
interest thereon as they become due and payable and place them 28631
when so collected into the custodial funds. 28632

The treasurer of state shall pay for investments purchased by 28633
the authority on receipt of written or electronic instructions 28634
from the authority or the authority's designated agent authorizing 28635
the purchase and pending receipt of the evidence of title of the 28636
investment by the treasurer of state or the treasurer of state's 28637
authorized agent. The authority may sell investments held by the 28638
authority, and the treasurer of state or the treasurer of state's 28639
authorized agent shall accept payment from the purchaser and 28640
deliver evidence of title of the investment to the purchaser on 28641

this section except as authorized by the authority. 28650

Any statement of financial position distributed by the 28651

authority shall include fair value, as of the statement date, of 28652
all investments held by the authority under this section. 28653

Sec. 3334.12. Notwithstanding anything to the contrary in 28654
sections 3334.07 and 3334.09 of the Revised Code: 28655

(A) Annually, the Ohio tuition trust authority shall have the 28656
actuarial soundness of the Ohio tuition trust fund evaluated by a 28657
nationally recognized actuary and shall determine whether 28658
additional assets are necessary to defray the obligations of the 28659
authority. If, after the authority sets the price for tuition 28660
~~credits~~ units, circumstances arise that the executive director 28661
determines necessitate an additional evaluation of the actuarial 28662
soundness of the fund, the executive director shall have a 28663
nationally recognized actuary conduct the necessary evaluation. If 28664
the assets of the fund are insufficient to ensure the actuarial 28665
soundness of the fund, the authority shall adjust the price of 28666
subsequent purchases of tuition ~~credits~~ units to the extent 28667
necessary to help restore the actuarial soundness of the fund. If, 28668
at any time, the adjustment is likely, in the opinion of the 28669
authority, to diminish the marketability of tuition ~~credits~~ units 28670
to an extent that the continued sale of the ~~credits~~ units likely 28671
would not restore the actuarial soundness of the fund and external 28672
economic factors continue to negatively impact the soundness of 28673
the program, the authority may suspend sales, either permanently 28674
or temporarily, of tuition ~~credits~~ units. During any suspension, 28675
the authority shall continue to service existing college savings 28676
program accounts. 28677

(B) Upon termination of the program or liquidation of the 28678
Ohio tuition trust fund, the Ohio tuition trust reserve fund, and 28679
the Ohio tuition trust operating fund, any remaining assets of the 28680
funds after all obligations of the funds have been satisfied 28681
pursuant to division (B) of section 3334.11 of the Revised Code 28682

shall be transferred to the general revenue fund of the state. 28683

(C) The authority shall prepare and cause to have audited an 28684
annual financial report on all financial activity of the Ohio 28685
tuition trust authority within ninety days of the end of the 28686
fiscal year. The authority shall transmit a copy of the audited 28687
financial report to the governor, the president of the senate, the 28688
speaker of the house of representatives, and the minority leaders 28689
of the senate and the house of representatives. Copies of the 28690
audited financial report also shall be made available, upon 28691
request, to the persons entering into contracts with the authority 28692
and to prospective purchasers of tuition ~~credits~~ units and 28693
prospective contributors to variable college savings program 28694
accounts. 28695

Sec. 3334.15. (A) The right of a person to a tuition ~~credit~~ 28696
unit or a payment under section 3334.09 of the Revised Code 28697
pursuant to a tuition ~~credit~~ payment contract, a scholarship 28698
program, or a variable college savings program account shall not 28699
be subject to execution, garnishment, attachment, the operation of 28700
bankruptcy or the insolvency laws, or other process of law. 28701

(B) The right of a person to a tuition ~~credit~~ unit or a 28702
payment under section 3334.09 of the Revised Code pursuant to a 28703
tuition ~~credit~~ payment contract, a scholarship program, or a 28704
variable college savings program account shall not be used as 28705
security or collateral for a loan. 28706

Sec. 3334.16. The general assembly hereby finds that the 28707
prepaid tuition program providing for the sale of tuition credits 28708
units by the Ohio tuition trust authority is an official state 28709
function, offered through an agency of this state, which agency 28710
receives state appropriations. Therefore, the authority is 28711
directed by the state of Ohio to assume it is exempt from federal 28712

tax liability. 28713

Sec. 3334.17. (A) The state, any political subdivision of the 28714
state, and any organization that is exempt from federal income 28715
taxation under section 501 (a) and described in section 501 (c)(3) 28716
of the Internal Revenue Code, including the Ohio tuition trust 28717
authority if this is authorized under federal tax law, may 28718
establish a scholarship program to award scholarships consisting 28719
of contributions made to any college savings program for students. 28720
Any scholarship program established under this section shall be 28721
registered with the authority. The authority shall be notified of 28722
the name and address of each scholarship beneficiary under the 28723
program, the amounts awarded, and the institution of higher 28724
education in which the beneficiary is enrolled. Scholarship 28725
beneficiaries shall be selected by the entity establishing the 28726

be established in accordance with division (A) of this section at 28731
the same price as is established for the purchase of ~~credits~~ units 28732
for named beneficiaries pursuant to this chapter. Tuition ~~credits~~ 28733
units shall have the same value to the beneficiary of a 28734
scholarship awarded pursuant to this section as they would have to 28735
any other beneficiary pursuant to division (B) of section 3334.09 28736
of the Revised Code. 28737

(C) The entity establishing and maintaining a scholarship 28738
program shall specify whether a scholarship beneficiary may 28739
receive a refund or payment for the amount awarded under the 28740
scholarship program directly from the authority, or whether the 28741
amount awarded shall be paid by the authority only to the 28742
institution of higher education in which the student is enrolled. 28743

(D) If a scholarship beneficiary does not use the amount 28744
awarded within a length of time specified under the scholarship 28745
program, the amount may be awarded to another beneficiary. 28746

Sec. 3334.18. (A) A variable college savings program 28747
established by the Ohio tuition trust authority shall include 28748
provisions for a contract to be entered into between a contributor 28749
and the authority that will authorize the contributor to open an 28750
account for a beneficiary and authorize the contributor to 28751
substitute a new beneficiary for one originally named in the 28752
contract, to the extent permitted by section 529 of the Internal 28753

(B) The authority shall provide adequate safeguards to 28755
prevent total contributions to a variable college savings program 28756
account or purchases of tuition ~~credits~~ units, either separately 28757
or combined, that are made on behalf of a beneficiary from 28758
exceeding the amount necessary to provide for the tuition and 28759
other higher education expenses of the beneficiary, consistent 28760
with the maximum contributions permitted by section 529 of the 28761
Internal Revenue Code. However, in no event shall contributions or 28762
purchases exceed the allowable limit for a qualified ~~state~~ tuition 28763
program under section 529 of the Internal Revenue Code. 28764

(C)(1) Participation in the variable college savings program 28765
does not guarantee that contributions and the investment return on 28766
contributions, if any, will be adequate to cover future tuition 28767
and other higher education expenses or that a beneficiary will be 28768
admitted to or permitted to continue to attend an institution of 28769
higher education. 28770

(2) Returns on contributors' investments in the variable 28771
college savings program are not guaranteed by the state and the 28772
contributors to the variable college savings program assume all 28773
investment risk, including the potential loss of principal and 28774

liability for penalties such as those levied for noneducational
withdrawals. 28775
28776

(3) The state shall have no debt or obligation to any 28777
contributor, beneficiary, or any other person as a result of the 28778
establishment of the program, and the state assumes no risk or 28779
liability for funds invested in the variable college savings 28780
program. 28781

(4) Informational materials about the variable college 28782
savings program prepared by the authority or its agents and 28783
provided to prospective contributors shall state clearly the 28784

(C) When a student who elected the option of division (B) of 29231
section 3365.04 of the Revised Code is expelled under division (B) 29232
of section 3313.66 of the Revised Code from a school district or 29233
community school that has adopted a policy under section 3313.613 29234
of the Revised Code, that election is automatically revoked for 29235
all college courses in which the student is enrolled during the 29236
college term in which the expulsion is imposed. Any reimbursement 29237
under section 3365.07 of the Revised Code for the student's 29238
attendance prior to the expulsion shall be the same as would be 29239
paid for a student who voluntarily withdrew from the college at 29240
the same time in the term. If the revocation results in the 29241
college's receiving no reimbursement, the college may require the 29242
student to return or pay for the textbooks and materials it 29243
provided the student free of charge under section 3365.08 of the 29244
Revised Code. 29245

No later than five days after receiving an expulsion notice 29246
from the superintendent of a district or the governing authority 29247
of a community school that has adopted a policy under section 29248
3313.613 of the Revised Code, the college shall send a written 29249
notice to the expelled student that the student's election of 29250
division (B) of section 3365.04 of the Revised Code is revoked. If 29251
the college elects not to withdraw its acceptance of the student, 29252
the student shall pay all applicable tuition and fees for the 29253
college courses and shall pay for the textbooks and materials that 29254
the college provided under section 3365.08 of the Revised Code. 29255

Sec. 3365.05. High school credit awarded for courses 29256
successfully completed under this chapter shall count toward the 29257
graduation requirements and subject area requirements of the 29258

school district, community school, or nonpublic school. If a 29259
course comparable to one a student completed at a college is 29260
offered by the district, community school, or nonpublic school, 29261
the board or school shall award comparable credit for the course 29262
completed at the college. If no comparable course is offered by 29263
the district, community school, or nonpublic school, the board or 29264
school shall grant an appropriate number of credits in a similar 29265
subject area to the student. 29266

If there is a dispute between a school district board or a 29267
community school governing authority and a student regarding high 29268
school credits granted for a course, the student may appeal the 29269
board's or governing authority's decision to the state board of 29270
education. The state board's decision regarding any high school 29271
credits granted under this ~~division~~ section is final. 29272

Evidence of successful completion of each course and the high 29273
school credits awarded by the district, community school, or 29274
participating nonpublic school shall be included in the student's 29275
record. The record shall indicate that the credits were earned as 29276
a participant under this chapter and shall include the name of the 29277
college at which the credits were earned. The district board, 29278
community school governing authority, or nonpublic school shall 29279
determine whether and the manner in which the grade achieved in a 29280
course completed at a college under division (A)(2) or (B) of 29281
section 3365.04 of the Revised Code will be counted in any 29282
cumulative grade point average maintained for the student. 29283

Sec. 3365.07. (A) The rules adopted under section 3365.02 of 29284
the Revised Code shall specify a method for each of the following: 29285

(1) Determining, with respect to any participant, the 29286
percentage of a full-time educational program constituted by the 29287
participant's total educational program. That percentage shall be 29288
the participant's full-time equivalency percentage for purposes of 29289

the computation required by division (B)(1) of this section. 29290

(2) In the case of a participant who is not enrolled in a 29291
participating nonpublic school, determining the percentage of a 29292
participant's school day during which the participant is 29293
participating in each of the following: 29294

(a) Programs provided by the city, local, or exempted village 29295
school district, or a community school; 29296

(b) Programs provided by a joint vocational school district; 29297

(c) Programs provided by a college under division (B) of 29298
section 3365.04 of the Revised Code. 29299

The sum of divisions (A)(2)(a) to (c) of this section shall equal 29300
one hundred per cent. 29301

(3) In the case of a participant who is not enrolled in a 29302
participating nonpublic school, determining the percentage of a 29303
participant's enrollment that shall be deemed to be enrollment in 29304
a joint vocational school district and the percentage that shall 29305
be deemed to be enrollment in a city, local, or exempted village 29306
school district. The sum of such percentages shall equal one 29307
hundred per cent. 29308

(4) In the case of a participant who is enrolled in a 29309
participating nonpublic school, determining the percentage of a 29310
participant's school day during which the participant is 29311
participating in programs provided by a college under division (B) 29312
of section 3365.04 of the Revised Code. 29313

(B) Each July, the department of education shall pay each 29314
college for any participant enrolled in the college in the prior 29315
school year under division (B) of section 3365.04 of the Revised 29316
Code an amount computed as follows: 29317

(1) Multiply the tuition base by the participant's full-time 29318
equivalency percentage and multiply the resulting amount by a 29319

percentage equal to the percentage of the participant's school day 29320
apportioned to the college under division (A)(2)(c) or (4) of this 29321
section, as applicable. 29322

(2) Pay the college the lesser of: 29323

(a) The amount computed under division (B)(1) of this 29324
section; 29325

(b) The actual costs that would have been the responsibility 29326
of the participant had the participant elected to enroll under 29327
division (A) of section 3365.04 of the Revised Code, as verified 29328
by the department, of tuition, textbooks, materials, and fees 29329
directly related to any courses elected by the participant during 29330
the prior school year under division (B) of section 3365.04 of the 29331
Revised Code. 29332

(C) The department shall not reimburse any college for any 29333
course taken by a participant under division (A) of section 29334
3365.04 of the Revised Code. 29335

(D) If the participant was not enrolled in a participating 29336
nonpublic school, the amount paid under division (B) of this 29337
section for each participant shall be subtracted from the school 29338
foundation payments made to the participant's school district or, 29339
if the participant was enrolled in a community school, from the 29340
community school payments made to the participant's school under 29341
section 3314.08 of the Revised Code. If the participant was 29342
enrolled in a joint vocational school district, a portion of the 29343
amount shall be subtracted from the payments to the joint 29344
vocational school district and a portion shall be subtracted from 29345
the payments to the participant's city, local, or exempted village 29346
school district. The amount of the payment subtracted from the 29347
city, local, or exempted village school district shall be computed 29348
as follows: 29349

(1) Add the following: 29350

(a) The percentage of the participant's enrollment in the school district, determined under division (A)(3) of this section; and

(b) Twenty-five per cent times the percentage of the participant's enrollment in the joint vocational school district, determined under division (A)(3) of this section.

(2) Multiply the sum obtained under division (D)(1) of this section by the amount computed under division (B)(2) of this section.

The balance of the payment shall be subtracted from the joint vocational district's school foundation payments.

(E) If the participant was enrolled in a participating chartered nonpublic school, the amount paid under division (B) of this section shall be subtracted from moneys set aside by the general assembly for such purpose from funds appropriated for the purposes of section 3317.06 of the Revised Code.

(F) No payment of state funds shall be made under this chapter for either of the following:

(1) Any student enrolled in a nonchartered nonpublic school;

(C) If a school district provides transportation for resident 29382

of the Revised Code, a parent of a pupil enrolled in a course 29384
under division (A)(2) or (B) of section 3365.04 of the Revised 29385
Code may apply to the board of education for full or partial 29386
reimbursement for the necessary costs of transporting the student 29387
between the secondary school the student attends and the college 29388
in which the student is enrolled. Reimbursement may be paid solely 29389
from funds received by the district under division (D) of section 29390
3317.022 of the Revised Code. The state board of education shall 29391
establish guidelines, based on financial need, under which a 29392
district may provide such reimbursement. 29393

(D) If a community school provides or arranges transportation 29394
for its pupils in grades nine through twelve under section 29395
3314.091 of the Revised Code, a parent of a pupil of the community 29396
school who is enrolled in a course under division (A)(2) or (B) of 29397
section 3365.04 of the Revised Code may apply to the governing 29398

semester or term that the student expects to be enrolled in 29424
programs provided by a college under division (B) of section 29425

application with the date and time of receipt. 29427

(B) Calculations involving applications under this division 29428
shall be made in the order in which the applications are received. 29429

Upon receipt of an application under division (A) of this 29430
section, the department shall calculate the amount the college 29431

Code for the student's expected participation. The department 29433
shall subtract each such calculated amount from the base amount 29434
for that year, or the amount remaining for that year after the 29435
subtraction from the base amount of amounts previously calculated 29436
under this division as a result of prior applications for 29437

results in a positive number, the department shall notify the 29440
applicant within three weeks of the receipt of ~~his~~ the application 29441

that ~~he~~ such applicant may participate in the post-secondary 29442
enrollment options program to the extent indicated in the 29443
application. 29444

(D) If such a subtraction under division (B) of this section 29445
results in a negative number, the department shall, within one 29446
week of the receipt of such application, notify the applicant, the 29447
applicant's chartered nonpublic school, and the college accepting 29448
the applicant that funds will not be available for the applicant's 29449
participation in the program during the year for which the 29450
application was made. The department shall also notify all 29451
applicants whose applications for that year are subsequently 29452
received, their chartered nonpublic schools, and the colleges 29453
accepting them of the same fact. 29454

(E) No applicant receiving notification under division (D) of 29455

the chief administrator of the community school or nonpublic 29462
school in which the student is enrolled notifies the 29463
superintendent of public instruction that the student has not 29464

shall utilize either the maximum cubic yard capacity of the
container, or the hauling volume of the vehicle, that transports
the construction and demolition debris to the facility or the
cubic yards actually logged for disposal by the owner or operator
in accordance with rules adopted under section 3714.02 of the

(C) If a construction and demolition debris facility or a 31577
solid waste facility is located within the territorial boundaries 31578
of a municipal corporation or the unincorporated area of a 31579
township, the municipal corporation or township may appropriate up 31580
to four cents per cubic yard or up to eight cents per ton of the 31581
disposal fee required to be paid by the facility under division 31582
(A) of this section for the same purposes that a municipal 31583

section 3734.57 of the Revised Code. 31585

The legislative authority of the municipal corporation or 31586

ordinance or adopting a resolution establishing the amount of the 31588
fee to be appropriated. Upon doing so, the legislative authority 31589
shall mail a certified copy of the ordinance or resolution to the 31590
board of health of the health district in which the construction 31591

or resolution and not later than forty-five days after receipt of 31596
money collected from the fee, the board or the director, as 31597
applicable, shall transmit to the treasurer or other appropriate 31598
officer of the municipal corporation or clerk of the township that 31599
portion of the money collected from the disposal fee by the owner 31600
or operator of the facility that is required by the ordinance or 31601
resolution to be paid to that municipal corporation or township. 31602

Money received by the treasurer or other appropriate officer 31603
of a municipal corporation under this division shall be paid into 31604
the general fund of the municipal corporation. Money received by 31605
the clerk of a township under this division shall be paid into the 31606
general fund of the township. The treasurer or other officer of 31607
the municipal corporation or the clerk of the township, as 31608
appropriate, shall maintain separate records of the money received 31609
under this division. 31610

The legislative authority of a municipal corporation or 31611
township may cease collecting money under this division by 31612
repealing the ordinance or resolution that was enacted or adopted 31613
under this division. 31614

(D) The board of county commissioners of a county in which a construction and demolition debris facility or a solid waste facility is located may appropriate up to three cents per cubic yard or up to six cents per ton of the disposal fee required to be paid by the facility under division (A) of this section for the same purposes that a solid waste management district may levy a fee under division (B) of section 3734.57 of the Revised Code.

The board of county commissioners may appropriate the money from the fee by adopting a resolution establishing the amount of the fee to be appropriated. Upon doing so, the board of county commissioners shall mail a certified copy of the resolution to the board of health of the health district in which the construction and demolition debris facility or the solid waste facility is located or, if the facility is located in a health district that is not on the approved list under section 3714.09 of the Revised Code, to the director. Upon receipt of the copy of the resolution and not later than forty-five days after receipt of money collected from the fee, the board of health or the director, as applicable, shall transmit to the treasurer of the county that portion of the money collected from the disposal fee by the owner or operator of the facility that is required by the resolution to be paid to that county.

Money received by a county treasurer under this division shall be paid into the general fund of the county. The county treasurer shall maintain separate records of the money received under this division.
