follows: 411

Sec. 9.24. (A) Except as may be allowed under division (F) of 412
this section, no state agency and no political subdivision shall 413
award a contract as described in division (G)(1) of this section 414
for goods, services, or construction, paid for in whole or in part 415
with state funds, to a person against whom a finding for recovery 416
has been issued by the auditor of state on and after January 1, 417

2001, if the finding for recovery is unresolved. 418

A contract is considered to be awarded when it is entered 419
into or executed, irrespective of whether the parties to the 420
contract have exchanged any money. 421

(B) For purposes of this section, a finding for recovery is 422
unresolved unless one of the following criteria applies: 423

(1) The money identified in the finding for recovery is paid 424
in full to the state agency or political subdivision to whom the 425
money was owed; 426

(2) The debtor has entered into a repayment plan that is 427
approved by the attorney general and the state agency or political 428
subdivision to whom the money identified in the finding for 429
recovery is owed. A repayment plan may include a provision 430
permitting a state agency or political subdivision to withhold 431
payment to a debtor for goods, services, or construction provided 432
to or for the state agency or political subdivision pursuant to a 433
contract that is entered into with the debtor after the date the 434
finding for recovery was issued. 435

(3) The attorney general waives a repayment plan described in 436
division (B)(2) of this section for good cause; 437

(4) The debtor and state agency or political subdivision to 438
whom the money identified in the finding for recovery is owed have 439
agreed to a payment plan established through an enforceable 440
settlement agreement. 441

(5) The state agency or political subdivision desiring to 442
enter into a contract with a debtor certifies, and the attorney 443
general concurs, that all of the following are true: 444

(a) Essential services the state agency or political 445
subdivision is seeking to obtain from the debtor cannot be 446
provided by any other person besides the debtor; 447

(b) Awarding a contract to the debtor for the essential 448
services described in division (B)(5)(a) of this section is in the 449
best interest of the state; 450

(c) Good faith efforts have been made to collect the money 451
identified in the finding of recovery. 452

(6) The debtor has commenced an action to contest the finding 453
for recovery and a final determination on the action has not yet 454
been reached. 455

(C) The attorney general shall submit an initial report to 456
the auditor of state, not later than December 1, 2003, indicating 457
the status of collection for all findings for recovery issued by 458
the auditor of state for calendar years 2001, 2002, and 2003. 459
Beginning on January 1, 2004, the attorney general shall submit to 460
the auditor of state, on the first day of every January, April, 461
July, and October, a list of all findings for recovery that have 462
been resolved in accordance with division (B) of this section 463
during the calendar quarter preceding the submission of the list 464
and a description of the means of resolution. The attorney general 465
shall notify the auditor of state when a judgment is issued 466
against an entity described in division (F)(1) of this section. 467

(D) The auditor of state shall maintain a database, 468
accessible to the public, listing persons against whom an 469
unresolved finding for recovery has been issued, and the amount of 470
the money identified in the unresolved finding for recovery. The 471
auditor of state shall have this database operational on or before 472
January 1, 2004. The initial database shall contain the 473
information required under this division for calendar years 2001, 474
2002, and 2003. 475

Beginning January 15, 2004, the auditor of state shall update 476
the database by the fifteenth day of every January, April, July, 477
and October to reflect resolved findings for recovery that are 478

reported to the auditor of state by the attorney general on the 479
first day of the same month pursuant to division (C) of this 480
section. 481

(E) Before awarding a contract as described in division 482
(G)(1) of this section for goods, services, or construction, paid 483
for in whole or in part with state funds, a state agency or 484
political subdivision shall verify that the person to whom the 485
state agency or political subdivision plans to award the contract 486
has no unresolved finding for recovery issued against the person. 487
A state agency or political subdivision shall verify that the 488
person does not appear in the database described in division (D) 489

documentation described in division (E)(2)(a)(i) of this section,
the attorney general shall review the request and documentation;
determine whether any of the limitations specified in division
(E)(2)(b) of this section apply to the request; and, if an award

court costs, or expenses to the private legal counsel. The
document shall name the private legal counsel as the recipient of
the award; specify the total amount of the award as determined by
the attorney general; itemize the portions of the award that

section to the director of budget and management. The award of
legal fees, court costs, or expenses shall be paid out of the
state public defender's appropriations, to the extent there is a

sufficient available balance in those appropriations. If the state
public defender does not have a sufficient available balance in
the state public defender's appropriations to pay the entire award
of legal fees, court costs, or expenses, the director shall make
application for a transfer of appropriations out of the emergency
purposes account or any other appropriation for emergencies or
contingencies in an amount equal to the portion of the award that
exceeds the sufficient available balance in the state public
defender's appropriations. A transfer of appropriations out of the
emergency purposes account or any other appropriation for
emergencies or contingencies shall be authorized if there are
sufficient moneys greater than the sum total of then pending
emergency purposes account requests, or requests for releases from
the other appropriation. If a transfer of appropriations out of
the emergency purposes account or other appropriation for
emergencies or contingencies is made to pay an amount equal to the
portion of the award that exceeds the sufficient available balance
in the state public defender's appropriations, the director shall
cause the payment to be made to the private legal counsel. If
sufficient moneys do not exist in the emergency purposes account
or other appropriation for emergencies or contingencies to pay an
amount equal to the portion of the award that exceeds the
sufficient available balance in the state public defender's
appropriations, the private legal counsel shall request the
general assembly to make an appropriation sufficient to pay an
amount equal to the portion of the award that exceeds the
sufficient available balance in the state public defender's
appropriations, and no payment in that amount shall be made until
the appropriation has been made. The private legal counsel shall
make the request during the current biennium and during each
succeeding biennium until a sufficient appropriation is made.

defender commission, the state public defender, an assistant state 2222
public defender, an employee, or an attorney in a specified civil 2223

(c) If, pursuant to division (E)(2)(a) of this section, the 2225
attorney general denies a request for an award of legal fees, 2226
court costs, or expenses to private legal counsel because of the 2227
application of a limitation specified in division (E)(2)(b) of 2228
this section, the attorney general shall notify the private legal 2229
counsel in writing of the denial and of the limitation applied. 2230

private legal counsel receives a denial of an award notification 2232

action against the attorney general in the court of claims to 2237
prove the private legal counsel's entitlement to the award sought, 2238
to prove that division (E)(2)(b) of this section does not prohibit 2239
or otherwise limit the award sought, and to recover a judgment for 2240
the amount of the award sought. A civil action under division 2241
(E)(2)(d) of this section shall be commenced no later than two 2242

of a limitation specified in division (E)(2)(b) of this section, 2246
no later than two years after the refusal. Any judgment of the 2247
court of claims in favor of the private legal counsel shall be 2248
paid from the state treasury in accordance with division (E)(2)(a) 2249
of this section. 2250

Sec. 120.36. (A) If a person who is a defendant in a criminal 2411
case or a party in a case in juvenile court requests or is 2412

defender, or any other counsel appointed by the court, the court 2414
in which the criminal case is initially filed or the juvenile 2415
court, whichever is applicable, shall assess, unless the 2416
application fee is waived or reduced, a non-refundable application 2417
fee of twenty-five dollars. 2418

The court shall direct the person to pay the application fee 2419
to the clerk of the court that assessed the fee. The person shall 2420

If a case involving a felony that was initially filed in a 2427
municipal court or a county court is bound over to the court of 2428
common pleas and the defendant in the case failed to pay the 2429
application fee in the municipal court or county court, the court 2430
of common pleas shall assess the application fee at the initial 2431
appearance of the defendant in the court of common pleas. If a 2432
case involving an alleged delinquent child is transferred to the 2433
court of common pleas for prosecution of the involved child as an 2434
adult, the court of common pleas shall assess the application fee 2435
at the initial appearance of the child in the court of common 2436
pleas. 2437

The court shall assess an application fee pursuant to this 2438
section one time per case. An appeal shall not be considered a 2439
separate case for the purpose of assessing the application fee. 2440
The court may waive or reduce the fee upon a finding that the 2441
person lacks financial resources that are sufficient to pay the 2442
fee or that payment of the fee would result in an undue hardship. 2443

(B) No court, state public defender, county or joint county 2444
public defender, or other counsel appointed by the court shall 2445
deny a person the assistance of counsel solely due to the person's 2446
failure to pay the application fee assessed pursuant to division 2447
(A) of this section. A person's present inability, failure, or 2448
refusal to pay the application fee shall not disqualify that 2449
person from legal representation. 2450

(C) The application fee assessed pursuant to division (A) of 2451
this section is separate from and in addition to any other amount 2452
assessed against a person who is found to be able to contribute 2453
toward the cost of the person's legal representation pursuant to 2454

division (D) of section 2941.51 of the Revised Code.

2455

(D) The clerk of the court that assessed the fees shall forward all application fees collected pursuant to this section to the county treasurer for deposit in the county treasury. The county shall retain eighty per cent of the application fees so collected to offset the costs of providing legal representation to indigent persons. Each month, the county auditor shall remit twenty per cent of the application fees so collected to the state public defender. The state public defender shall deposit the remitted fees into the state treasury to the credit of the client payment fund created pursuant to division (B)(5) of section 120.04 of the Revised Code. The state public defender may use that money in accordance with that section.

(b), and (c) of this section, the remaining moneys shall be 2629

reside in that county to the total number of indigents who reside 2634
in all counties of this state that are served by eligible legal 2635

section, the Ohio legal assistance foundation shall allocate the 2650
moneys that have been apportioned to that county under division 2651
(D)(2) of this section among all eligible legal aid societies that 2652
serve that county and that have applied for financial assistance 2653
under this section on a pro rata basis, so that each such eligible 2654
society is allocated a portion based upon the amount of its total 2655
budget expended in the prior calendar year for legal services in 2656
that county as compared to the total amount expended in the prior 2657
calendar year for legal services in that county by all eligible 2658
legal aid societies that serve that county and that have applied 2659
for financial assistance under this section. 2660

(F) Moneys allocated to eligible applicants under this 2661
section shall be paid twice annually, on the thirty-first day of 2662
January and on the thirty-first day of July of the calendar year 2663
following the calendar year in which the application is filed. 2664

(G)(1) A legal aid society that receives financial assistance 2665
in any calendar year under this section shall file an annual 2666
report with the Ohio legal assistance foundation detailing the 2667

information contained in the report shall identify or enable the 2680
identification of any person served by a legal aid society, or in 2681
any way breach confidentiality. 2682

(H) A legal aid society may enter into agreements for the 2683

been approved by the county council and they are for the purchase 2900
of family and child welfare or child protection services or other 2901

approval of the county council is not required to exempt 2903
agreements or contracts entered into under section 5139.34, 2904

bidding requirements of section 307.86 of the Revised Code. 2906

moneys, lands, or other property according to the terms of the 2913

gift, grant, devise, or bequest. Any interest or earnings shall be 2914

establishes from the membership of the county council. The board 2921
shall name to the executive committee at least the individuals 2922
described in divisions (B)(1)~~(b) through (h)~~(a) to (i) of this 2923
section and may appoint the president of the board or another 2924

agency represented on the council. 2928

(ii) The executive committee may, with the approval of the 2929
board, hire an executive director to assist the county council in 2930
administering its powers and duties. The executive director shall 2931
serve in the unclassified civil service at the pleasure of the 2932
executive committee. The executive director may, with the approval 2933
of the executive committee, hire other employees as necessary to 2934
properly conduct the county council's business. 2935

(iii) The board may require the executive committee to submit 2936
an annual budget to the board for approval and may amend or repeal 2937
the resolution that delegated to the executive committee its 2938
authority as the county council's administrative agent. 2939

(5) Two or more county councils may enter into an agreement 2940
to administer their county councils jointly by creating a regional 2941
family and children first council. A regional council possesses 2942
the same duties and authority possessed by a county council, 2943
except that the duties and authority apply regionally rather than 2944

to individual counties. Prior to entering into an agreement to
create a regional council, the members of each county council to
be part of the regional council shall meet to determine whether
all or part of the members of each county council will serve as
members of the regional council.

Revised Code, that requires the expenditure of funds for two or
more families. The statement shall describe the proposed
agreement, plan, or decision.

Not later than fifteen days after the board receives the
statement, it shall, by resolution approved by a majority of its
members, approve or disapprove the agreement, plan, or decision.
Failure of the board to pass a resolution during that time period
shall be considered approval of the agreement, plan, or decision.

An agreement, plan, or decision for which a statement is
required to be submitted to the board shall be implemented only if
it is approved by the board.

(C) Each county shall develop a county service coordination
mechanism. The county service coordination mechanism shall serve
as the guiding document for coordination of services in the
county. For children who also receive services under the help me
grow program, the service coordination mechanism shall be
consistent with rules adopted by the department of health under
section 3701.61 of the Revised Code. All family service
coordination plans shall be developed in accordance with the
county service coordination mechanism. The mechanism shall be
developed and approved with the participation of the county

entities representing child welfare; mental retardation and 2976
developmental disabilities; alcohol, drug addiction, and mental 2977
health services; health; juvenile judges; education; the county 2978
family and children first council; and the county early 2979
intervention collaborative established pursuant to the federal 2980
early intervention program operated under the "Education of the 2981
Handicapped Act Amendments of 1986." The county shall establish an 2982
implementation schedule for the mechanism. The cabinet council may 2983

coordination plan meeting is conducted before a non-emergency 3004

children. The family service coordination plan shall outline how 3007
the county council members will jointly pay for services, where 3008
applicable, and provide services in the least restrictive 3009
environment. 3010

(5) A procedure for monitoring the progress and tracking the 3011
outcomes of each service coordination plan requested in the county 3012
including monitoring and tracking children in out-of-home 3013

resolution process. Parents or custodians shall use existing local 3046
agency grievance procedures to address disputes not involving 3047
service coordination. The dispute resolution process is in 3048

part of the county's service coordination mechanism and on 3163
evidence presented during the local dispute resolution process. 3164
The decision maker may require an agency to provide services or 3165

for services under the laws governing the agency. 3167

(B) An agency subject to a determination issued pursuant to a 3169
local dispute resolution process shall immediately comply with the 3170

be held, the court shall send each agency subject to the 3187
determination written notice by first class mail of the date, 3188
time, place, and purpose of the court hearing. In the case of a 3189
motion filed under division (B)(1) of this section, the court may 3190

conduct the hearing as part of the adjudicatory or dispositional 3191
hearing concerning the child, if appropriate, and shall provide 3192
notice as required for those hearings. 3193

Except in cases in which the hearing is conducted as part of 3194
the adjudicatory or dispositional hearing, a hearing held pursuant 3195
to this division shall be limited to a determination of which 3196
agencies are to provide services or funding for services to the 3197

order directing one or more agencies represented on the county 3199
council to provide services or funding for services to the child. 3200

base the plan of care on the ~~comprehensive-joint~~ family service 3203
coordination plan developed as part of the county's service 3204
coordination plan and on evidence presented during the hearing. An 3205
agency required by the order to provide services or funding shall 3206

5751. of the Revised Code. The credit shall be claimed for the 3543
taxable years or tax periods specified in the taxpayer's agreement 3544
with the tax credit authority under division (D) of this section. 3545

this section if it determines all of the following: 3569

year that includes a tax period; 3590

(5) A specific method for determining how many new employees 3591
are employed during a taxable year or during a calendar year that 3592

lesser of five years from the date the agreement is entered into 3607
or the number of years the taxpayer is entitled to claim the tax 3608
credit. 3609

(b) The taxpayer may relocate employment positions from 3610
elsewhere in this state to the project site that is the subject of 3611
the agreement if the director of development determines both of 3612
the following: 3613

position from one political subdivision to another political 3622
subdivision shall be considered a relocation of an employment 3623
position, but the transfer of an individual employee from one 3624
political subdivision to another political subdivision shall not 3625
be considered a relocation of an employment position as long as 3626
the individual's employment position in the first political 3627

(E) If a taxpayer fails to meet or comply with any condition 3629

take effect in the taxable year immediately following the taxable 3633
year in which the authority amends the agreement or in the first 3634
tax period beginning in the calendar year immediately following 3635

for the taxable year in which the relocation occurs and any 3643
subsequent taxable years, and shall not claim the tax credit under 3644
division (A) of section 5751.50 of the Revised Code for any tax 3645

period in the calendar year in which the relocation occurs and any 3646
subsequent tax periods. 3647

(F) Projects that consist solely of point-of-final-purchase 3648
retail facilities are not eligible for a tax credit under this 3649
section. If a project consists of both point-of-final-purchase 3650

the project consisting of the nonretail facilities is eligible for 3652
a tax credit and only the new income tax revenue from new 3653
employees of the nonretail facilities shall be considered when 3654
computing the amount of the tax credit. If a warehouse facility is 3655
part of a point-of-final-purchase retail facility and supplies 3656
only that facility, the warehouse facility is not eligible for a 3657
tax credit. Catalog distribution centers are not considered 3658
point-of-final-purchase retail facilities for the purposes of this 3659
division, and are eligible for tax credits under this section. 3660

(G) Financial statements and other information submitted to 3661
the department of development or the tax credit authority by an 3662
applicant or recipient of a tax credit under this section, and any 3663
information taken for any purpose from such statements or 3664
information, are not public records subject to section 149.43 of 3665
the Revised Code. However, the chairperson of the authority may 3666
make use of the statements and other information for purposes of 3667
issuing public reports or in connection with court proceedings 3668
concerning tax credit agreements under this section. Upon the 3669
request of the tax commissioner or, if the applicant or recipient 3670
is an insurance company, upon the request of the superintendent of 3671
insurance, the chairperson of the authority shall provide to the 3672

information. 3677

(H) A taxpayer claiming a credit under this section shall 3678
submit to the tax commissioner or, if the taxpayer is an insurance 3679
company, to the superintendent of insurance, a copy of the 3680
director of development's certificate of verification under 3681
division (D)(7) of this section for the taxable year or for the 3682
calendar year that includes the tax period. However, failure to 3683
submit a copy of the certificate does not invalidate a claim for a 3684
credit. 3685

(I) The director of development, after consultation with the 3686
tax commissioner and the superintendent of insurance and in 3687
accordance with Chapter 119. of the Revised Code, shall adopt 3688
rules necessary to implement this section. The rules may provide 3689
for recipients of tax credits under this section to be charged 3690
fees to cover administrative costs of the tax credit program. At 3691
the time the director gives public notice under division (A) of 3692
section 119.03 of the Revised Code of the adoption of the rules, 3693

distributive share to its owners. A credit received under this 3701
section by a partnership, S-corporation, or other such business 3702
entity shall be apportioned among the persons to whom the income 3703
or profit of the partnership, S-corporation, or other entity is 3704
distributed, in the same proportions as those in which the income 3705
or profit is distributed. 3706

(K) If the director of development determines that a taxpayer 3707
who has received a credit under this section is not complying with 3708
the requirement under division (D)(3) of this section, the 3709

director shall notify the tax credit authority of the 3710
noncompliance. After receiving such a notice, and after giving the 3711
taxpayer an opportunity to explain the noncompliance, the tax 3712
credit authority may require the taxpayer to refund to this state 3713
a portion of the credit in accordance with the following: 3714

(1) If the taxpayer maintained operations at the project 3715
location for at least one and one-half times the number of years 3716
of the term of the tax credit, an amount not exceeding twenty-five 3717
per cent of the sum of any previously allowed credits under this 3718
section; 3719

(2) If the taxpayer maintained operations at the project 3720
location for at least the number of years of the term of the tax 3721
credit, an amount not exceeding fifty per cent of the sum of any 3722

credit, an amount not exceeding one hundred per cent of the sum of 3726
any previously allowed credits under this section. 3727

In determining the portion of the tax credit to be refunded 3728
to this state, the tax credit authority shall consider the effect 3729
of market conditions on the taxpayer's project and whether the 3730
taxpayer continues to maintain other operations in this state. 3731
After making the determination, the authority shall certify the 3732
amount to be refunded to the tax commissioner or superintendent of 3733
insurance, as appropriate. The If the amount is certified to the 3734
commissioner, the commissioner shall make an assessment for that 3735
amount against the taxpayer under Chapter 5733. ~~or, 5747., or~~ 3736
5751. of the Revised Code. If the amount is certified to the 3737
superintendent, the superintendent shall make an assessment for 3738
that amount against the taxpayer under Chapter 5725. or 5729. of 3739
the Revised Code. The time limitations on assessments under 3740

~~Chapter 5733. or 5747. of the Revised Code those chapters~~ do not 3741
apply to an assessment under this division, but the commissioner 3742
~~or superintendent, as appropriate,~~ shall make the assessment 3743
within one year after the date the authority certifies to the 3744
commissioner ~~or superintendent~~ the amount to be refunded. 3745

(L) On or before the thirty-first day of March each year, the 3746
director of development shall submit a report to the governor, the 3747
president of the senate, and the speaker of the house of 3748

year, a description of the project that is the subject of each 3752
such agreement, and an update on the status of projects under 3753
agreements entered into before the preceding calendar year. 3754

~~During the fifth year of the tax credit program, the director~~ 3755
~~of development in conjunction with the director of budget and~~ 3756
~~management shall conduct an evaluation of it. The evaluation shall~~ 3757
~~include assessments of the effectiveness of the program in~~ 3758
~~creating new jobs in this state and of the revenue impact of the~~ 3759
~~program, and may include a review of the practices and experiences~~ 3760
~~of other states with similar programs. The director of development~~ 3761
~~shall submit a report on the evaluation to the governor, the~~ 3762
~~president of the senate, and the speaker of the house of~~ 3763
~~representatives on or before January 1, 1998.~~ 3764

1993. Each member shall serve on the authority until the end of 3777
the term for which the member was appointed. Vacancies shall be 3778
filled in the same manner provided for original appointments. Any 3779

authority shall receive their necessary and actual expenses while 3784
engaged in the business of the authority. The director of 3785
development shall serve as chairperson of the authority, and the 3786
members annually shall elect a vice-chairperson from among 3787
themselves. Three members of the authority constitute a quorum to 3788
transact and vote on the business of the authority. The majority 3789
vote of the membership of the authority is necessary to approve 3790
any such business, including the election of the vice-chairperson. 3791

The director of development may appoint a professional 3792
employee of the department of development to serve as the 3793
director's substitute at a meeting of the authority. The director 3794

includes the tax period. However, failure to submit a copy of the 4093
certificate does not invalidate a claim for a credit. 4094

(I) For the purposes of this section, a taxpayer may include 4095
a partnership, a corporation that has made an election under 4096
subchapter S of chapter one of subtitle A of the Internal Revenue 4097
Code, or any other business entity through which income flows as a 4098
distributive share to its owners. A tax credit received under this 4099
section by a partnership, S-corporation, or other such business 4100
entity shall be apportioned among the persons to whom the income 4101
or profit of the partnership, S-corporation, or other entity is 4102
distributed, in the same proportions as those in which the income 4103
or profit is distributed. 4104

(J) If the director of development determines that a taxpayer 4105
that received a tax credit under this section is not complying 4106
with the requirement under division (E)(4) of this section, the 4107
director shall notify the tax credit authority of the 4108
noncompliance. After receiving such a notice, and after giving the 4109
taxpayer an opportunity to explain the noncompliance, the 4110
authority may terminate the agreement and require the taxpayer to 4111
refund to the state all or a portion of the credit claimed in 4112

previous years, as follows: 4113

(1) If the taxpayer maintained operations at the project site 4114
for less than the term of the credit, the amount required to be 4115
refunded shall not exceed the amount of any tax credits previously 4116
allowed and received under this section. 4117

(2) If the taxpayer maintained operations at the project site 4118
longer than the term of the credit but less than one and one-half 4119
times the term of the credit, the amount required to be refunded 4120
shall not exceed fifty per cent of the sum of any tax credits 4121
previously allowed and received under this section. 4122

(3) If the taxpayer maintained operations at the project site 4123
for at least one and one-half times the term of the credit but 4124
less than twice the term of the credit, the amount required to be 4125
refunded shall not exceed twenty-five per cent of the sum of any 4126
tax credits previously allowed and received under this section. 4127

In determining the portion of the credit to be refunded to 4128
this state, the authority shall consider the effect of market 4129
conditions on the taxpayer's project and whether the taxpayer 4130
continues to maintain other operations in this state. After making 4131
the determination, the authority shall certify the amount to be 4132
refunded to the tax commissioner. The commissioner shall make an 4133
assessment for that amount against the taxpayer under Chapter 4134
5733. ~~or, 5747., or 5751.~~ of the Revised Code. The time 4135
limitations on assessments under ~~Chapter 5733. or 5747. of the~~ 4136
~~Revised Code~~ those chapters do not apply to an assessment under 4137
this division, but the commissioner shall make the assessment 4138
within one year after the date the authority certifies to the 4139
commissioner the amount to be refunded. 4140

If the director of development determines that a taxpayer 4141
that received a tax credit under this section has reduced the 4142
number of employees agreed to under division (E)(5) of this 4143

section by more than ten per cent, the director shall notify the
tax credit authority of the noncompliance. After receiving such
notice, and after providing the taxpayer an opportunity to explain
the noncompliance, the authority may amend the agreement to reduce
the percentage or term of the tax credit. The reduction in the
percentage or term shall take effect in the taxable year, or in
the calendar year that includes the tax period, in which the
authority amends the agreement.

(K) The director of development, after consultation with the
tax commissioner and in accordance with Chapter 119. of the
Revised Code, shall adopt rules necessary to implement this
section. The rules may provide for recipients of tax credits under
this section to be charged fees to cover administrative costs of
the tax credit program. At the time the director gives public
notice under division (A) of section 119.03 of the Revised Code of
the adoption of the rules, the director shall submit copies of the
proposed rules to the chairpersons of the standing committees on
economic development in the senate and the house of
representatives.

(L) On or before the thirty-first day of March of each year,
the director of development shall submit a report to the governor,
the president of the senate, and the speaker of the house of
representatives on the tax credit program under this section. The
report shall include information on the number of agreements that
were entered into under this section during the preceding calendar
year, a description of the project that is the subject of each
such agreement, and an update on the status of projects under
agreements entered into before the preceding calendar year.

(M)(1) A nonrefundable credit shall be allowed to an
applicable corporation and its related members in an amount equal
to the applicable difference. The credit is in addition to the
credit granted to the corporation or related members under

division (B) of this section. The credit is subject to divisions 4176
(B) to (E) and division (J) of this section. 4177

(2) A person qualifying as an applicable corporation under 4178
this section for a tax year does not necessarily qualify as an 4179
applicable corporation for any other tax year. No person is 4180
entitled to the credit allowed under division (M) of this section 4181
for the tax year immediately following the taxable year during 4182
which the person fails to meet the requirements in divisions 4183
(A)(6)(a)(i) and (A)(6)(b) of this section. No person is entitled 4184
to the credit allowed under division (M) of this section for any 4185
tax year for which the person is not eligible for the credit 4186
provided under division (B) of this section. 4187

the ensuing fiscal year to the state agency, the state-supported 5482
college, or university, or the municipal corporation that 5483
contributed the excess moneys. 5484

(C) The director of administrative services may enter into an 5485
agreement with any municipal corporation or other political 5486
subdivision to furnish services and facilities of the department 5487
of administrative services in the administration of its a merit 5488
program or other functions related to human resources. Such The 5489
agreement shall provide that the department shall be reimbursed 5490
for the reasonable costs of such those services and facilities as 5491
determined by the director. 5492

(D) All moneys received by the department of administrative 5493
services as reimbursement for payroll and, merit program, or other 5494
human resources services performed and facilities furnished under 5495

this section shall be paid into the state treasury to the credit 5496
of the human resources services fund, which is hereby created. 5497

(E) In counties of the state in which are located cities 5498
having municipal civil service commissions, the director of 5499
administrative services may designate the municipal civil service 5500
commission of the largest city within ~~such~~ the county as the 5501
director's agent for the purpose of carrying out ~~such~~ the 5502
provisions of sections 124.01 to 124.64 of the Revised Code, 5503
within ~~such counties~~ the county, ~~as that~~ the director designates. 5504
Each municipal civil service commission designated as an agent of 5505
the director shall render to the director, at the end of each 5506
month, ~~render~~ an itemized statement ~~to the director~~ of the cost 5507
incurred by ~~such~~ the commission for work done as the agent of the 5508
director, and the director ~~shall~~, after approving ~~such~~ that 5509
statement, shall pay the total amount of it to the treasurer of 5510
~~such~~ the municipal corporation in the same manner as other 5511
expenses of the department of administrative services. 5512

(F) The director, of administrative services and the 5513
examiners, inspectors, clerks, and assistants referred to in this 5514
section shall receive, in addition to their salaries, ~~receive~~ 5515
reimbursement for ~~such~~ necessary traveling and other expenses ~~as~~ 5516
~~are~~ incurred in the actual discharge of their official duties. The 5517
director may also incur the necessary expenses for stationery, 5518
printing, and other supplies incident to the business of the 5519
department ~~of administrative services~~. 5520

Sec. 124.321. (A) Whenever it becomes necessary for an 5521
appointing authority to reduce its work force, the appointing 5522
authority shall lay off employees or abolish their positions in 5523
accordance with sections 124.321 to 124.327 of the Revised Code 5524
and the rules of the director of administrative services. 5525

(B)(1) Employees may be laid off as a result of a lack of 5526

funds within an appointing authority. For appointing authorities 5527
~~which~~ that employ persons whose salary or wage is paid by warrant 5528
of the auditor of state, the director of budget and management 5529
shall be responsible for determining whether a lack of funds 5530
exists. For ~~all other~~ appointing authorities ~~which~~ that employ 5531
persons whose salary or wage is paid other than by warrant of the 5532
auditor of state, the appointing authority ~~shall~~ itself shall 5533
determine whether a lack of funds exists and shall file a 5534
statement of rationale and supporting documentation with the 5535
director of administrative services prior to sending the layoff 5536
notice. 5537

A (2) As used in this division, a "lack of funds" means an 5538
appointing authority has a current or projected deficiency of 5539
funding to maintain current, or to sustain projected, levels of 5540
staffing and operations. This section does not require any 5541
transfer of money between funds in order to offset a deficiency or 5542
projected deficiency of federal funding for a program. 5543

(3) The director of budget and management shall ~~promulgate~~ 5544
adopt rules, under Chapter 119. of the Revised Code, for agencies 5545
whose employees are paid by warrant of the auditor of state, for 5546
determining whether a lack of funds exists. 5547

(C)(1) Employees may be laid off as a result of lack of work 5548
within an appointing authority. For appointing authorities whose 5549
employees are paid by warrant of the auditor of state, the 5550
director of administrative services shall determine whether a lack 5551
of work exists. All other appointing authorities shall themselves 5552
determine whether a lack of work exists and shall file a statement 5553
of rationale and supporting documentation with the director of 5554
administrative services prior to sending the layoff notice ~~of~~ 5555
layoff. 5556

A (2) As used in this division, a "lack of work, ~~for purposes~~ 5557
of layoff," means an appointing authority has a current or 5558

projected temporary decrease in the workload, expected to last 5559
less than one year, ~~which~~ that requires a reduction of current or 5560
projected staffing levels. The determination of a lack of work 5561
shall indicate the current or projected temporary decrease in the 5562
workload of an appointing authority and whether the current or 5563
projected staffing levels of the appointing authority will be 5564
excessive. 5565

(D)(1) Employees may be laid off as a result of abolishment 5566
of positions. ~~Abolishment~~ As used in this division, "abolishment" 5567
means the ~~permanent~~ deletion of a position or positions from the 5568
organization or structure of an appointing authority ~~due to lack~~ 5569
~~of continued need for the position. An~~ 5570

For purposes of this division, an appointing authority may 5571
abolish positions for any one or any combination of the following 5572
reasons: as a result of a reorganization for the efficient 5573
operation of the appointing authority, for reasons of economy, or 5574
for lack of work. ~~The determination of the need to abolish~~ 5575
~~positions shall indicate the lack of continued need for positions~~ 5576
~~within an appointing authority~~ 5577

(2)(a) Reasons of economy permitting an appointing authority 5578
to abolish a position and to lay off the holder of that position 5579
under this division shall be determined at the time the appointing 5580
authority proposes to abolish the position. The reasons of economy 5581
shall be based on the appointing authority's estimated amount of 5582
savings with respect to salary, benefits, and other matters 5583
associated with the abolishment of the position, except that the 5584
reasons of economy associated with the position's abolishment 5585
instead may be based on the appointing authority's estimated 5586
amount of savings with respect to salary and benefits only, if: 5587

(i) Either the appointing authority's operating appropriation 5588
has been reduced by an executive or legislative action, or the 5589
appointing authority has a current or projected deficiency in 5590

funding to maintain current or projected levels of staffing and 5591
operations; and 5592

(ii) The appointing authority files a notice of the 5593
position's abolishment with the director of administrative 5594
services within one year of the occurrence of the applicable 5595
circumstance described in division (D)(2)(a)(i) of this section. 5596

(b) The following principles apply when a circumstance 5597
described in division (D)(2)(a)(i) of this section would serve to 5598
authorize an appointing authority to abolish a position and to lay 5599
off the holder of the position under this division based on the 5600
appointing authority's estimated amount of savings with respect to 5601
salary and benefits only: 5602

(i) The position's abolishment shall be done in good faith 5603
and not as a subterfuge for discipline. 5604

(ii) If a circumstance affects a specific program only, the 5605
appointing authority only may abolish a position within that 5606
program. 5607

(iii) If a circumstance does not affect a specific program 5608
only, the appointing authority may identify a position that it 5609
considers appropriate for abolishment based on the reasons of 5610
economy. ~~Appointing authorities~~ 5611

(3) Each appointing authority shall ~~themselves~~ determine 5612
itself whether any position should be abolished and shall file a 5613
statement of rationale and supporting documentation with the 5614
director of administrative services prior to sending the notice of 5615
abolishment. ~~If~~ 5616

If an abolishment results in a reduction of the work force, 5617
the appointing authority shall follow the procedures for laying 5618
off employees, subject to the following modifications: 5619

~~(1)~~(a) The employee whose position has been abolished shall 5620

have the right to fill an available vacancy within the employee's classification~~+~~. 5621
5622

~~(2)~~(b) If the employee whose position has been abolished has 5623
more retention points than any other employee serving in the same 5624
classification, ~~then~~ the employee with the fewest retention points 5625
shall be displaced~~+~~. 5626

~~(3)~~(c) If the employee whose position has been abolished has 5627
the fewest retention points in the classification, the employee 5628
shall have the right to fill an available vacancy in a lower 5629
classification in the classification series~~+~~. 5630

~~(4)~~(d) If the employee whose position has been abolished has 5631
the fewest retention points in the classification, the employee 5632
shall displace the employee with the fewest retention points in 5633
the next or successively lower classification in the 5634
classification series. 5635

(E) The director of administrative services shall ~~promulgate~~ 5636
adopt rules~~+~~ under Chapter 119. of the Revised Code~~+~~ for the 5637
determination of lack of work within an appointing authority, for 5638
the abolishment of positions by an appointing authority, and for 5639
the implementation of this section. 5640

Sec. 124.328. A classified employee may appeal a layoff, or a 5641
displacement ~~which~~ that is the result of a layoff, to the state 5642
personnel board of review. The appeal shall be filed or 5643
~~post-marked~~ postmarked no later than ten days after receipt of the 5644
layoff notice ~~of layoff~~ or after the date the employee is 5645
displaced. In cases involving the laying off of classified 5646
employees~~+~~ the affected employee or appointing authority may 5647
appeal the decision of the state personnel board of review to the 5648
court of common pleas court. ~~The appeal from the state personnel~~ 5649
~~board of review shall be made~~ in accordance with section 119.12 of 5650
the Revised Code. 5651

Sec. 125.041. Nothing in sections 125.02, 125.03 to 125.08, 5652
125.12 to 125.16, 125.18, 125.31 to 125.76, or 125.831 of the 5653
Revised Code shall be construed as limiting the attorney general, 5654
auditor of state, secretary of state, or treasurer of state in any 5655
of the following: 5656

(A) Purchases for less than the dollar amounts for the 5657
purchase of supplies or services determined pursuant to division 5658
(D) of section 125.05 of the Revised Code; 5659

(B) Purchases that equal or exceed the dollar amounts for the 5660
purchase of supplies or services determined pursuant to division 5661
(D) of section 125.05 of the Revised Code with the approval of the 5662
controlling board, if that approval is required by section 127.16 5663
of the Revised Code; 5664

(C) The final determination of the nature or quantity making 5665
any purchase of supplies or services to be purchased pursuant to 5666
section 125.06 of the Revised Code; 5667

(D) The final determination and disposal of excess and 5668
surplus supplies; 5669

(E) The inventory of state property; 5670

(F) The purchase of printing; 5671

(G) ~~The~~ Activities related to information technology 5672
development and use; 5673

(H) The fleet management program. 5674

Sec. 125.05. Except as provided in division (E) of this 5675
section, no state agency shall purchase any supplies or services 5676
except as provided in divisions (A) to (C) of this section. 5677

(A) Subject to division (D) of this section, a state agency 5678
may, without competitive selection, make any purchase of services 5679

that cost fifty thousand dollars or less or any purchase of 5680
supplies that cost twenty-five thousand dollars or less. The 5681
agency may make the purchase directly or may make the purchase 5682
from or through the department of administrative services, 5683
whichever the agency determines. The department shall establish 5684
written procedures to assist state agencies when they make direct 5685
purchases. If the agency makes the purchase directly, it shall 5686
make the purchase by a term contract whenever possible. 5687

(B) Subject to division (D) of this section, a state agency 5688
wanting to purchase services that cost more than fifty thousand 5689
dollars or supplies that cost more than twenty-five thousand 5690
dollars shall, unless otherwise authorized by law, make the 5691
purchase from or through the department. The department shall make 5692
the purchase by competitive selection under section 125.07 of the 5693
Revised Code. If the director of administrative services 5694
determines that it is not possible or not advantageous to the 5695
state for the department to make the purchase, the department 5696
shall grant the agency a release and permit under section 125.06 5697
of the Revised Code to make the purchase. Section 127.16 of the 5698
Revised Code does not apply to purchases the department makes 5699
under this section. 5700

(C) An agency that has been granted a release and permit to 5701
make a purchase may make the purchase without competitive 5702
selection if after making the purchase the cumulative purchase 5703
threshold as computed under division (F) of section 127.16 of the 5704
Revised Code would: 5705

(1) Be exceeded and the controlling board approves the 5706
purchase; 5707

(2) Not be exceeded and the department of administrative 5708
services approves the purchase. 5709

(D) Not later than January 31, 1997, the amounts specified in 5710

divisions (A) and (B) of this section and, not later than the 5711
thirty-first day of January of each second year thereafter, any 5712
amounts computed by adjustments made under this division, shall be 5713
increased or decreased by the average percentage increase or 5714
decrease in the consumer price index prepared by the United States 5715
bureau of labor statistics (U.S. City Average for Urban Wage 5716
Earners and Clerical Workers: "All Items 1982-1984=100") for the 5717
twenty-four calendar month period prior to the immediately 5718
preceding first day of January over the immediately preceding 5719
twenty-four calendar month period, as reported by the bureau. The 5720
director of administrative services shall make this determination 5721
and adjust the appropriate amounts accordingly. 5722

(E) If the eTech Ohio ~~SchoolNet~~ commission, the department of 5723
education, or the Ohio education computer network determines that 5724
it can purchase software services or supplies for specified school 5725
districts at a price less than the price for which the districts 5726
could purchase the same software services or supplies for 5727
themselves, the ~~office~~ commission, department, or network shall 5728
certify that fact to the department of administrative services 5729
and, acting as an agent for the specified school districts, shall 5730
make that purchase without following the provisions in divisions 5731
(A) to (D) of this section. 5732

Sec. 125.09. (A) Pursuant to section 125.07 of the Revised 5733
Code, the department of administrative services may prescribe ~~such~~ 5734
the conditions under which competitive sealed bids will be 5735
received and the terms of the proposed purchase as it considers 5736
necessary; provided, that all ~~such of the~~ conditions and terms 5737
shall be reasonable and shall not unreasonably restrict 5738
competition, and that bidders may bid upon all or any item of the 5739
supplies or services listed in ~~such~~ the notice. Those bidders 5740
claiming the preference for United States and Ohio products 5741

outlined in this chapter shall designate in their bids either that 5742
the product to be supplied is an Ohio product or that, under the 5743
rules established by the director of administrative services, they 5744
qualify as having a significant Ohio economic presence. 5745

(B) The department of administrative services may require 5746
that each bidder provide sufficient information about the energy 5747
efficiency or energy usage of the bidder's product or service. 5748

(C) The director of administrative services ~~shall~~, by rule 5749
adopted pursuant to Chapter 119. of the Revised Code, shall 5750
prescribe criteria and procedures for use by all state agencies in 5751
giving preference to United States and Ohio products as required 5752
by division (B) of section 125.11 of the Revised Code. The rules 5753
shall extend to the following: 5754

(1) Criteria for determining that a product is produced or 5755
mined in the United States rather than in another country or 5756
territory; 5757

(2) Criteria for determining that a product is produced or 5758
mined in ~~Ohio~~ this state; 5759

(3) Information to be submitted by bidders as to the nature 5760
of a product and the location where it is produced or mined; 5761

(4)(a) Criteria and procedures to be used by the director to 5762
qualify bidders located in states bordering ~~Ohio~~ this state who 5763
might otherwise be excluded from being awarded a contract by 5764
operation of this section and section 125.11 of the Revised Code. 5765
The criteria and procedures shall recognize the level and 5766
regularity of interstate commerce between ~~Ohio~~ this state and the 5767
border states and, except as provided in divisions (C)(4)(b) and 5768
(c) of this section, provide that the non-Ohio businesses may 5769
qualify for the award of a contract as long as they are located in 5770
a state that imposes no greater restrictions than are contained in 5771
this section and section 125.11 of the Revised Code upon persons 5772

located in ~~Ohio~~ this state who are selling products or services to 5773
agencies of that state. ~~The~~ 5774

(b) The criteria and procedures shall ~~also~~ provide that, in 5775
the case of a contract for state printing, a non-Ohio business 5776
shall not bid on a contract for state printing in this state if 5777
the business is located in a state that excludes Ohio businesses 5778
from bidding on state printing contracts in that state. 5779

(c) The criteria and procedures shall provide that, in the 5780
case of a contract for furniture, preference shall be given to 5781
bidders whose furniture is produced in this state, but that 5782
bidders whose furniture is produced in states bordering this state 5783
may qualify for the award of a contract if compliance with this 5784
requirement would result in the state agency involved paying an 5785
excessive price for the furniture or acquiring disproportionately 5786
inferior furniture. 5787

(5) Criteria and procedures to be used to qualify bidders 5788
whose manufactured products, except for mined products, are 5789
produced in other states or in North America, but the bidders have 5790
a significant Ohio economic presence in terms of the number of 5791
employees or capital investment a bidder has in this state. 5792
Bidders with a significant Ohio economic presence shall qualify 5793
for award of a contract on the same basis as if their products 5794
were produced in this state. 5795

(6) Criteria and procedures for the director to grant waivers 5796
of the requirements of division (B) of section 125.11 of the 5797
Revised Code on a contract-by-contract basis ~~where~~ if compliance 5798
with those requirements would result in the state agency involved 5799
paying an excessive price for the product or acquiring a 5800
disproportionately inferior product; 5801

(7) ~~Such other~~ Other requirements or procedures reasonably 5802
necessary to implement the system of preferences established 5803

pursuant to division (B) of section 125.11 of the Revised Code. 5804

(D) In adopting the rules required under ~~this~~ division (C) of 5805
this section, the director ~~shall~~ of administrative services, to 5806
the maximum extent possible, shall conform to the requirements of 5807
the federal "Buy America Act," 47 Stat. 1520, (1933), 41 U.S.C.A. 5808
10a-10d, as amended, and to the regulations adopted ~~thereunder~~ 5809
under that act. 5810

Sec. 125.11. (A) Subject to division (B) of this section, 5811
contracts awarded pursuant to a reverse auction under section 5812
125.072 of the Revised Code or pursuant to competitive sealed 5813
bidding, including contracts awarded under section 125.081 of the 5814
Revised Code, shall be awarded to the lowest responsive and 5815
responsible bidder on each item in accordance with section 9.312 5816
of the Revised Code. When the contract is for meat products as 5817
defined in section 918.01 of the Revised Code or poultry products 5818
as defined in section 918.21 of the Revised Code, only those bids 5819
received from vendors offering products from establishments on the 5820
current list of meat and poultry vendors established and 5821
maintained by the director of administrative services under 5822
section 125.17 of the Revised Code shall be eligible for 5823
acceptance. The department of administrative services may accept 5824
or reject any or all bids in whole or by items, except that when 5825
the contract is for services or products available from a 5826
qualified nonprofit agency pursuant to sections 125.60 to 125.6012 5827
or 4115.31 to 4115.35 of the Revised Code, the contract shall be 5828
awarded to that agency. 5829

(B) Prior to awarding a contract under division (A) of this 5830
section, the department of administrative services or the state 5831
agency responsible for evaluating a contract for the purchase of 5832
products shall evaluate the bids received according to the 5833
criteria and procedures established pursuant to divisions (C)(1) 5834

and (2) of section 125.09 of the Revised Code for determining if a
product is produced or mined in the United States and if a product
is produced or mined in this state. The department or other state
agency shall first remove bids that offer products that have not
been or that will not be produced or mined in the United States.
From among the remaining bids, the department or other state
agency shall select the lowest responsive and responsible bid, in
accordance with section 9.312 of the Revised Code, from among the
bids that offer products that have been produced or mined in this
state where sufficient competition can be generated within this
state to ensure that compliance with these requirements will not
result in an excessive price for the product or acquiring a
disproportionately inferior product. If there are two or more
qualified bids that offer products that have been produced or
mined in this state, it shall be deemed that there is sufficient
competition to prevent an excessive price for the product or the
acquiring of a disproportionately inferior product.

(C) Division (B) of this section applies to contracts for
which competitive bidding is waived by the controlling board.

(D) Division (B) of this section does not apply to the
purchase by the division of liquor control of spirituous liquor.

(E) The director of administrative services shall publish in
the form of a model act for use by counties, townships, municipal
corporations, or any other political subdivision described in
division (B) of section 125.04 of the Revised Code, a system of
preferences for products mined and produced in this state and in
the United States and for Ohio-based contractors. The model act
shall reflect substantial equivalence to the system of preferences
in purchasing and public improvement contracting procedures under
which the state operates pursuant to this chapter and section
153.012 of the Revised Code. To the maximum extent possible,
consistent with the Ohio system of preferences in purchasing and

public improvement contracting procedures, the model act shall 5867
incorporate all of the requirements of the federal "Buy America 5868
Act," 47 Stat. 1520 (1933), 41 U.S.C. 10a to 10d, as amended, and 5869
the rules adopted under that act. 5870

Before and during the development and promulgation of the 5871
model act, the director shall consult with appropriate statewide 5872
organizations representing counties, townships, and municipal 5873
corporations so as to identify the special requirements and 5874
concerns these political subdivisions have in their purchasing and 5875
public improvement contracting procedures. The director shall 5876
promulgate the model act by rule adopted pursuant to Chapter 119. 5877
of the Revised Code and shall revise the act as necessary to 5878
reflect changes in this chapter or section 153.012 of the Revised 5879
Code. 5880

The director shall make available copies of the model act, 5881
supporting information, and technical assistance to any township, 5882
county, or municipal corporation wishing to incorporate the 5883
provisions of the act into its purchasing or public improvement 5884
contracting procedure. 5885

Sec. 125.18. (A) There is hereby established the office of 5886
information technology in the department of administrative 5887
services. The office shall be under the supervision of a chief 5888
information officer to be appointed by the governor and subject to 5889
removal at the pleasure of the governor. The chief information 5890
officer shall serve as the director of the office. 5891

(B) The director of the office of information technology 5892
shall advise the governor regarding the superintendence and 5893
implementation of statewide information technology policy. 5894

(C) The director of the office of information technology 5895
shall lead, oversee, and direct state agency activities related to 5896

information technology development and use. In that regard, the 5897
director shall do all of the following: 5898

(1) Coordinate and superintend statewide efforts to promote 5899
common use and development of technology by multiple state 5900
agencies. The office of information technology relatedly shall 5901
establish policies and standards that govern and direct state 5902
agency participation in statewide programs and initiatives. 5903

(2) Establish policies and standards for the acquisition and 5904
use of information technology by state agencies, including, but 5905
not limited to, hardware, software, technology services, and 5906
security, with which state agencies shall comply; 5907

(3) Establish criteria and review processes to identify state 5908
agency information technology projects that require alignment or 5909
oversight. As appropriate, the office of information technology 5910
shall provide the governor and the director of budget and 5911
management with notice and advice regarding the appropriate 5912
allocation of resources for those projects. The director of the 5913
office of information technology may require state agencies to 5914
provide, and may prescribe the form and manner by which they must 5915
provide, information to fulfill the director's alignment and 5916
oversight role. 5917

(D) The office of information technology may make contracts 5918
for, operate, and superintend technology services for state 5919
agencies in accordance with this chapter. 5920

(E) The office of information technology may establish 5921
cooperative agreements with federal and local government agencies 5922
and state agencies that are not under the authority of the 5923

programs shall attempt to establish for each item on the 6107
procurement list a fair market price that is representative of the 6108

pay to purchase the item in the marketplace. When establishing a 6110
fair market price for an item, the office of procurement from 6111
community rehabilitation programs shall consider the costs of 6112
doing business with respect to that item, including sales, 6113
marketing, and research and development costs and agent fees. If 6114
the office of procurement from community rehabilitation programs 6115
cannot establish a fair market price for a particular supply or 6116

programs may accept as fair market price an agreement negotiated 6132
between the government ordering office and a qualified nonprofit 6133
agency or approved agent. 6134

(C) If an agreement is not successfully negotiated, the 6135
office may establish a fair market price, or it may release a 6136

(D) A purchase under divisions (A) to (C) of this section is 6138
not subject to any competitive selection or competitive bidding 6139
requirements, notwithstanding any other provision of law. 6140

(E) The department of administrative services has the 6141
authority to structure or regulate competition among qualified 6142
nonprofit agencies for the overall benefit of the program. 6143

Sec. 125.608. All government ordering offices purchasing 6144
supplies and services from qualified non-profit agencies or their 6145
approved agents shall reimburse the department of administrative 6146
services a reasonable sum to cover the department's costs of 6147
administering sections 125.60 to 125.6012 of the Revised Code. The 6148
department may bill administrative costs to government ordering 6149
offices directly, or allow qualified non-profit agencies or 6150
approved agents to collect and remit department administrative 6151
fees, at the department's discretion. Any department 6152
administrative fees collected and remitted by qualified non-profit 6153
agencies or their approved agents shall be considered allowable 6154
expenses in addition to the fair market price approved under 6155
section 125.606 or 125.607 of the Revised Code. The money so paid 6156
shall be deposited in the state treasury to the credit of the 6157
general services fund created under section 125.15 of the Revised 6158
Code. 6159

Sec. 125.609. The office of procurement from community 6160
rehabilitation programs, on its own or pursuant to a request from 6161
a government ordering office, may release a government ordering 6162
office from compliance with sections 125.60 to 125.6012 of the 6163
Revised Code. If the office determines that compliance is not 6164
possible or not advantageous, or if conditions prescribed in rules 6165
as may be adopted under section 125.603 of the Revised Code for 6166

granting a release are met, the office may grant a release. The 6167
release shall be in writing, and shall specify the supplies or 6168
services to which it applies, the period of time during which it 6169
is effective, and the reason for which it is granted. 6170

Sec. 125.6010. Section 125.607 of the Revised Code does not 6171
apply to the purchase of a product or service available from a 6172
state agency, state instrumentality, or political subdivision 6173
under any law in effect on July 1, 2005. 6174

Sec. 125.6011. (A) Nothing in sections 125.60 to 125.6012 of 6175
the Revised Code shall be construed to prohibit the purchase of a 6176
supply or service from a qualified nonprofit agency by a political 6177
subdivision that is not a government ordering office. 6178

(B) Purchases made under this section by a political 6179
subdivision, as defined in section 125.04 of the Revised Code, are 6180
exempt from any competitive selection procedures otherwise 6181
required by law. Purchases under this section shall be made from 6182
qualified non-profit agencies or their approved agents. 6183

(C) A political subdivision, as defined in section 125.04 of 6184
the Revised Code, may not purchase under division (C) of that 6185
section a supply or service on the procurement list established 6186
under section 125.603 of the Revised Code. 6187

Sec. 125.6012. A government ordering office and qualified 6188
nonprofit agency shall provide the necessary information and 6189
documentation requested by the office of procurement from 6190
community rehabilitation programs to enable the office to 6191
effectively administer sections 125.60 to 125.6012 of the Revised 6192
Code. 6193

and the authority to arrest violators is conferred, within the 6199
limits of that statutory duty and authority, but does not include 6200
such an officer, agent, or employee if that duty and authority is 6201
location specific. 6202

(B)(1) "Motor vehicle" means any automobile, car minivan, 6203
cargo van, passenger van, sport utility vehicle, or pickup truck 6204

by a law enforcement officer and law enforcement agency or any 6209
vehicle that is so described and that is equipped with specialized 6210
equipment that is not normally found in such a vehicle and that is 6211
used to carry out a state agency's specific and specialized duties 6212
and responsibilities. 6213

(C) "Specialized equipment" does not include standard mobile 6214
radios with no capabilities other than voice communication, 6215
exterior and interior lights, or roof-mounted caution lights. 6216

(D) "State agency" means every organized body, office, board, 6217
authority, commission, or agency established by the laws of the 6218
state for the exercise of any governmental or quasi-governmental 6219
function of state government regardless of the funding source for 6220
that entity, other than any ~~state-supported~~ state institution of 6221

section, on and after July 1, 2005, each state agency shall 6238
acquire all passenger motor vehicles under the department's master 6239
leasing program. If the department determines that acquisition 6240
under that program is not the most economical method and if the 6241
department and the state agency acquiring the passenger motor 6242
vehicle can provide economic justification for doing so, the 6243
department may approve the purchase, rather than the lease, of a 6244
passenger motor vehicle for the acquiring state agency. 6245

(2) Direct and approve all funds that are expended for the 6246

additions of motor vehicles to fleets or motor vehicle 6258
replacements, motor vehicle fueling, and motor vehicle repairs. 6259

(C) The director shall establish and maintain a fleet 6260
reporting system and shall require state agencies to submit to the 6261
department information relative to state motor vehicles, including 6262

delegated authority as described in division (G) of this section. 6279

(2) The fleets of state agencies that consist of greater than 6280
one hundred motor vehicles, but less than five hundred motor 6281

delegated authority as described in division (G) of this section. 6285

(G)(1) The department may delegate any or all of its duties 6286

regarding fleet management to a state agency, if the state agency 6287
demonstrates to the satisfaction of the department both of the 6288

program, including, but not limited to, the presence of a 6291
certified fleet manager; 6292

(b) Fleet management performance, as demonstrated by fleet 6293
data and other information submitted pursuant to annual reporting 6294
requirements and any other criteria the department considers 6295
necessary in evaluating the performance. 6296

fleet manager program. 6312

(2) State agencies that have received delegated authority as 6313
described in division (G) of this section shall have a certified 6314
fleet manager. 6315

(J) The department annually shall prepare and submit a 6316

statewide fleet report to the governor, the speaker of the house
of representatives, and the president of the senate. The report
shall be submitted not later than the thirty-first day of January
following the end of each fiscal year. It may include, but is not
limited to, the numbers and types of motor vehicles, their
mileage, miles per gallon, and cost per mile, mileage
reimbursements, accident and insurance data, and information
regarding compliance by state agencies having delegated authority
under division (G) of this section with applicable fleet
management requirements.

Revised Code. The setting and collection of fees under this
division is not subject to any restriction imposed by law upon the
director's or the department's authority to set or collect fees.

(L) The director also shall adopt rules that prohibit, except
in very limited circumstances, the exclusive assignment of
state-owned, leased, or pooled motor vehicles to state employees
and that prohibit the reimbursement under section 126.31 of the
Revised Code of state employees who use their own motor vehicles
for any mileage they incur above an amount that the department
shall determine annually unless reimbursement for the excess
mileage is approved by the department in accordance with standards
for that approval the director shall establish in those rules.
~~Beginning on the effective date of this section September 26,~~
2003, no such state-owned, leased, or pooled motor vehicle shall
be personally assigned as any form of compensation or benefit of
state employment, and no ~~such~~ state-owned, leased, or pooled motor

and from home and work. 6350

(M) The director shall do both of the following: 6351

(1) Implement to the greatest extent possible the 6352
recommendations from the 2002 report entitled "Administrative 6353
Analysis of the Ohio Fleet Management Program" in connection with 6354

(2) Attempt to reduce the number of passenger vehicles used 6356
by state agencies during the fiscal years ending on June 30, 2004, 6357
and June 30, 2005. 6358

(N) Each state agency shall reimburse the department for all 6359

Sec. 317.36. (A) The county recorder shall collect the low- 9014
and moderate-income housing trust fund fee as specified in 9015
sections 317.32, 1563.42, 1702.59, 2505.13, 4141.23, 4509.60, 9016
~~5111.021~~ 5111.022, 5310.15, 5719.07, 5727.56, 5733.18, 5733.22, 9017
6101.09, and 6115.09 of the Revised Code. The amount of any 9018
housing trust fund fee the recorder is authorized to collect is 9019
equal to the amount of any base fee the recorder is authorized to 9020
collect for services. The housing trust fund fee shall be 9021
collected in addition to the base fee. 9022

(B) The recorder shall certify the amounts collected as 9023
housing trust fund fees pursuant to division (A) of this section 9024
into the county treasury as housing trust fund fees to be paid to 9025
the treasurer of state pursuant to section 319.63 of the Revised 9026

Code. 9027

Sec. 319.20. After complying with sections 319.202, 315.251, 9028
and 319.203 of the Revised Code, and on application and 9029
presentation of title, with the affidavits required by law, or the 9030
proper order of a court, bearing the last known address of the 9031
grantee, or of any one of the grantees named in the title, and a 9032
reference to the volume and page of the recording of the next 9033
preceding recorded instrument by or through which the grantor 9034
claims title, the county auditor shall transfer any land or town 9035
lot or part thereof, minerals therein, or mineral rights thereto, 9036
charged with taxes on the tax list, from the name in which it 9037
stands into the name of the owner, when rendered necessary by a 9038
conveyance, partition, devise, descent, or otherwise. If by reason 9039
of the conveyance or otherwise, a part only of a tract or lot, 9040
minerals therein, or mineral rights thereto, as charged in the tax 9041
list, is to be transferred, the auditor shall determine the tax 9042
value of the part of a tract or lot of real estate, minerals 9043
therein, or mineral rights thereto, so transferred, and the value 9044
of the remaining part compared with the value of the whole. 9045

Whenever a part only of a tract or lot of real estate has 9046
been transferred by the auditor and ~~such~~ the tract or lot bears 9047
unpaid taxes, penalties, interest, or special assessments, the 9048
unpaid taxes, penalties, interest, or special assessments shall 9049
immediately be apportioned, upon demand or request by the 9050
transferee or remaining owner, in the following manner: 9051

(A) The auditor shall allocate to the part so transferred, 9052
and to the remaining part, amounts of any current or delinquent 9053
taxes, interest, or penalties that have accrued against the parcel 9054
as a whole, proportionate to their respective values. 9055

(B) The lien of taxes, penalties, interest, and special 9056
assessments, as levied against the original tract, shall extend to 9057

the part so transferred and the part remaining only to the extent 9058
of the amounts so allocated to the respective parts. 9059

This section does not change the total amount of taxes, 9060
special assessments, or other charges as originally levied, or the 9061
total amount of the balance due. The auditor shall certify such 9062
apportionments to the county treasurer. 9063

Whenever the state acquires an entire parcel or a part only 9064
of a parcel of real property in fee simple, the county auditor, 9065
upon application of the grantor or property owner or the state, 9066
which application shall contain a description of the property as 9067
it appears on the tax list and the date of transfer of ownership, 9068
shall prepare an estimate of the taxes that are a lien on ~~said~~ the 9069
property, but have not been determined, assessed, and levied for 9070
the year in which the property was acquired. The county auditor 9071
shall thereupon apportion ~~such~~ the estimated taxes proportionately 9072
between the grantor and the state for the period of the lien year 9073
that each had or shall have had ownership or possession of the 9074
property, whichever is earlier. The county treasurer shall accept 9075
payment from the state for estimated taxes at the time that the 9076
real property is acquired. If the state has paid in full in the 9077
year in which the property is acquired that proportion of the 9078
estimated taxes that the tax commissioner determines are not 9079
subject to remission by the county auditor for such year under 9080
division (C) of section 5713.08 of the Revised Code, the estimated 9081
taxes paid shall be considered the tax liability on the exempted 9082
property for that year. 9083

Section 319.42 of the Revised Code applies to the 9084
apportionment of special assessments. 9085

Complaint against such values as determined by the auditor or 9086
the allocation of assessments by the certifying authority may be 9087
filed by the transferee or the remaining owner, and if filed, 9088

proceedings including appeals shall be had in the manner and 9089
within the time provided by sections 5717.01 to 5717.06 and 9090
5715.19 to 5715.22 of the Revised Code, for complaints against 9091
valuation or assessment of real property. 9092

The auditor shall endorse on the deed or other evidences of 9093
title presented to the auditor that the proper transfer of the 9094
real estate described in ~~such~~ the deed has been made in the 9095
auditor's office or that it is not entered for taxation, and sign 9096
the auditor's name to ~~such~~ the deed. The address of the grantee, 9097
or any one of the grantees, set forth in the deed or other 9098
evidences of title shall be entered by the auditor on the transfer 9099
sheets and on the general tax list of real property prepared 9100
pursuant to section 319.28 of the Revised Code. 9101

Sec. 319.302. (A)(1) Real property that is not intended 9102
primarily for use in a business activity shall qualify for a 9103
partial exemption from real property taxation. For purposes of 9104
this partial exemption, "business activity" does not include 9105
farming, leasing property for farming, leasing property improved 9106
with single-family, two-family, or three-family dwellings, or 9107
holding vacant land that the county auditor determines will be 9108
used for farming or to develop single-family, two-family, or 9109
three-family dwellings. 9110

(2) Each year, the county auditor shall review each parcel of 9111
real property to determine whether it qualifies for the partial 9112
exemption provided for by this section as of the first day of 9113
January of the current tax year. 9114

(B) After complying with section 319.301 of the Revised Code, 9115
the county auditor shall reduce the remaining sums to be levied 9116
against each parcel of real property that is listed on the general 9117
tax list and duplicate of real and public utility property for the 9118
current tax year and that qualifies for partial exemption under 9119

division (A) of this section, and against each manufactured and 9120
mobile home that is taxed pursuant to division (D)(2) of section 9121
4503.06 of the Revised Code and that is on the manufactured home 9122
tax list for the current tax year, by ten per cent, to provide a 9123
partial exemption for that parcel or home. Except as otherwise 9124
provided in sections 323.152, 323.158, 505.06, and 715.263 of the 9125
Revised Code, the amount of the taxes remaining after any such 9126
reduction shall be the real and public utility property taxes 9127
charged and payable on each parcel of real property, including 9128
property that does not qualify for partial exemption under 9129
division (A) of this section, and the manufactured home tax 9130
charged and payable ~~on each property~~ manufactured or mobile home, 9131
and shall be the amounts certified to the county treasurer for 9132
collection. Upon receipt of the tax duplicate, the treasurer shall 9133
certify to the tax commissioner the total amount by which taxes 9134
were reduced under this section, as shown on the duplicate. Such 9135
reduction shall not directly or indirectly affect the 9136
determination of the principal amount of notes that may be issued 9137
in anticipation of any tax levies or the amount of bonds or notes 9138
for any planned improvements. If after application of sections 9139
5705.31 and 5705.32 of the Revised Code and other applicable 9140
provisions of law, including divisions (F) and (I) of section 9141
321.24 of the Revised Code, there would be insufficient funds for 9142
payment of debt charges on bonds or notes payable from taxes 9143
reduced by this section, the reduction of taxes provided for in 9144
this section shall be adjusted to the extent necessary to provide 9145
funds from such taxes. 9146

(C) The tax commissioner may adopt rules governing the 9147
administration of the partial exemption provided for by this 9148
section. 9149

(D) The determination of whether property qualifies for 9150
partial exemption under division (A) of this section is solely for 9151

the purpose of allowing the partial exemption under division (B) 9152
of this section. 9153

Sec. 321.24. (A) On or before the fifteenth day of February, 9154
in each year, the county treasurer shall settle with the county 9155
auditor for all taxes and assessments that the treasurer has 9156
collected on the general duplicate of real and public utility 9157
property at the time of making the settlement. 9158

(B) On or before the thirtieth day of June, in each year, the 9159
treasurer shall settle with the auditor for all advance payments 9160
of general personal and classified property taxes that the 9161
treasurer has received at the time of making the settlement. 9162

(C) On or before the tenth day of August, in each year, the 9163
treasurer shall settle with the auditor for all taxes and 9164
assessments that the treasurer has collected on the general 9165
duplicates of real and public utility property at the time of 9166
making such settlement, not included in the preceding February 9167
settlement. 9168

(D) On or before the thirty-first day of October, in each 9169
year, the treasurer shall settle with the auditor for all taxes 9170
that the treasurer has collected on the general personal and 9171
classified property duplicates, and for all advance payments of 9172
general personal and classified property taxes, not included in 9173
the preceding June settlement, that the treasurer has received at 9174
the time of making such settlement. 9175

(E) In the event the time for the payment of taxes is 9176
extended, pursuant to section 323.17 of the Revised Code, the date 9177
on or before which settlement for the taxes so extended must be 9178
made, as herein prescribed, shall be deemed to be extended for a 9179
like period of time. At each such settlement, the auditor shall 9180
allow to the treasurer, on the moneys received or collected and 9181

accounted for by the treasurer, the treasurer's fees, at the rate 9182
or percentage allowed by law, at a full settlement of the 9183
treasurer. 9184

(F) Within thirty days after the day of each settlement of 9185
taxes required under divisions (A) and (C) of this section, the 9186
treasurer shall certify to the tax commissioner any adjustments 9187
~~which~~ that have been made to the amount certified previously 9188
pursuant to section 319.302 of the Revised Code and that the 9189
settlement has been completed. Upon receipt of such certification, 9190
the commissioner shall provide for payment to the county treasurer 9191
from the general revenue fund of an amount equal to one-half of 9192
the amount certified by the treasurer in the preceding tax year 9193
under section 319.302 of the Revised Code, less one-half of the 9194
amount computed for all taxing districts in that county for the 9195
current fiscal year under section 5703.80 of the Revised Code for 9196
crediting to the property tax administration fund. Such payment 9197
shall be credited upon receipt to the county's undivided income 9198
tax fund, and the county auditor shall transfer to the county 9199
general fund from the amount thereof the total amount of all fees 9200
and charges which the auditor and treasurer would have been 9201
authorized to receive had such section not been in effect and that 9202
amount had been levied and collected as taxes. The county auditor 9203
shall distribute the amount remaining among the various taxing 9204
districts in the county as if it had been levied, collected, and 9205
settled as real property taxes. The amount distributed to each 9206
taxing district shall be reduced by the total of the amounts 9207
computed for the district under ~~divisions (A), (B), and (C) of~~ 9208
section 5703.80 of the Revised Code, but the reduction shall not 9209
exceed the amount that otherwise would be distributed to the 9210
taxing district under this division. The tax commissioner shall 9211
make available to taxing districts such information as is 9212
sufficient for a taxing district to be able to determine the 9213

amount of the reduction in its distribution under this section. 9214

(G)(1) Within thirty days after the day of the settlement 9215
required in division (D) of this section, the county treasurer 9216
shall notify the tax commissioner that the settlement has been 9217
completed. Upon receipt of that notification, the commissioner 9218
shall provide for payment to the county treasurer from the general 9219
revenue fund of an amount equal to the amount certified under 9220
former section 319.311 of the Revised Code and paid in the state's 9221
fiscal year 2003 multiplied by the percentage specified in 9222
division (G)(2) of this section. The payment shall be credited 9223
upon receipt to the county's undivided income tax fund, and the 9224
county auditor shall distribute the amount thereof among the 9225
various taxing districts of the county as if it had been levied, 9226
collected, and settled as personal property taxes. The amount 9227
received by a taxing district under this division shall be 9228
apportioned among its funds in the same proportion as the current 9229
year's personal property taxes are apportioned. 9230

(2) Payments required under division (G)(1) of this section 9231
shall be made at the following percentages of the amount certified 9232
under former section 319.311 of the Revised Code and paid under 9233
division (G)(1) of this section in the state's fiscal year 2003: 9234

(a) In fiscal year 2004, ninety per cent; 9235

(b) In fiscal year 2005, eighty per cent; 9236

(c) In fiscal year 2006, ~~seventy~~ sixty-four per cent; 9237

(d) In fiscal year 2007, ~~sixty~~ forty per cent; 9238

(e) In fiscal year 2008, ~~fifty~~ thirty-two per cent; 9239

(f) In fiscal year 2009, ~~forty~~ sixteen per cent; 9240

~~(g) In fiscal year 2010, thirty per cent;~~ 9241

~~(h) In fiscal year 2011, twenty per cent;~~ 9242

~~(i) In fiscal year 2012, ten per cent.~~ 9243

After fiscal year ~~2012~~ 2009, no payments shall be made under 9244
division (G)(1) of this section. 9245

(H)(1) On or before the fifteenth day of April each year, the 9246
county treasurer shall settle with the county auditor for all 9247
manufactured home taxes that the county treasurer has collected on 9248
the manufactured home tax duplicate at the time of making the 9249
settlement. 9250

(2) On or before the fifteenth day of September each year, 9251
the county treasurer shall settle with the county auditor for all 9252
remaining manufactured home taxes that the county treasurer has 9253
collected on the manufactured home tax duplicate at the time of 9254
making the settlement. 9255

(3) If the time for payment of such taxes is extended under 9256
section 4503.06 of the Revised Code, the time for making the 9257
settlement as prescribed by divisions (H)(1) and (2) of this 9258
section is extended for a like period of time. 9259

(I) Within thirty days after the day of each settlement of 9260
taxes required under division (H) of this section, the county 9261
treasurer shall certify to the tax commissioner any adjustments 9262
that have been made to the amount certified previously pursuant to 9263
section 319.302 of the Revised Code and that the settlement has 9264
been completed. Upon receipt of such certification, the 9265
commissioner shall provide for payment to the county treasurer 9266
from the general revenue fund of an amount equal to one-half of 9267
the amount certified by the treasurer in the current tax year 9268
under section 319.302 of the Revised Code. Such payment shall be 9269
credited upon receipt to the county's undivided income tax fund, 9270
and the county auditor shall transfer to the county general fund 9271
from the amount thereof the total amount of all fees and charges 9272
that the auditor and treasurer would have been authorized to 9273
receive had such section not been in effect and that amount had 9274

been levied and collected as taxes. The county auditor shall 9275
distribute the amount remaining among the various taxing districts 9276
in the county as if it had been levied, collected, and settled as 9277
manufactured home taxes. 9278

(E) "Delinquent taxes" means: 9303

(A)(1) Division (A) of this section applies to any of the 9338
following: 9339

(a) A person who is permanently and totally disabled; 9340

(b) A person who is sixty-five years of age or older; 9341

surviving spouse is at least fifty-nine but not sixty-five or more 9346
years of age on the date the deceased spouse dies. 9347

(2) Real property taxes on a homestead owned and occupied, or 9348

division (A) of this section applies shall be reduced for each 9350
year for which the owner obtains a certificate of reduction from 9351
the county auditor under section 323.154 of the Revised Code or 9352
for which the occupant obtains a certificate of reduction in 9353
accordance with section 323.159 of the Revised Code. The reduction 9354

More than \$23,000 -0- 9363

(3) Each calendar year, the tax commissioner shall adjust the 9364
foregoing schedule by completing the following calculations in 9365
September of each year: 9366

(a) Determine the percentage increase in the gross domestic 9367
product deflator determined by the bureau of economic analysis of 9368
the United States department of commerce from the first day of 9369
January of the preceding calendar year to the last day of December 9370
of the preceding calendar year; 9371

(b) Multiply that percentage increase by each of the total 9372
income amounts, and by each dollar amount by which taxable value 9373
is reduced, for the current tax year; 9374

(c) Add the resulting product to each of the total income 9375
amounts, and to each of the dollar amounts by which taxable value 9376
is reduced, for the current tax year; 9377

(d)(i) Except as provided in division (A)(3)(d)(ii) of this 9378
section, round the resulting sum to the nearest multiple of one 9379
hundred dollars; 9380

(ii) If rounding the resulting sum to the nearest multiple of 9381
one hundred dollars under division (A)(3)(d)(i) of this section 9382
does not increase the dollar amounts by which taxable value is 9383
reduced, the resulting sum instead shall be rounded to the nearest 9384
multiple of ten dollars. 9385

The commissioner shall certify the amounts resulting from the 9386
adjustment to each county auditor not later than the first day of 9387
December each year. The certified amounts apply to the following 9388
tax year. The commissioner shall not make the adjustment in any 9389
calendar year in which the amounts resulting from the adjustment 9390

tax year. 9393

(B) ~~Real~~ To provide a partial exemption, real property taxes 9394
on any homestead, and manufactured home taxes on any manufactured 9395
or mobile home on which a manufactured home tax is assessed 9396
pursuant to division (D)(2) of section 4503.06 of the Revised 9397
Code, shall be reduced for each year for which the owner obtains a 9398
certificate of reduction from the county auditor under section 9399
323.154 of the Revised Code. The amount of the reduction shall 9400
equal ~~one-fourth~~ two and one-half per cent of the amount ~~by which~~ 9401
~~the~~ of taxes ~~charged and payable to be levied~~ on the homestead or 9402
the manufactured or mobile home ~~are reduced for such year under~~ 9403
after applying section ~~319.302~~ 319.301 of the Revised Code. 9404

(C) The reductions granted by this section do not apply to 9405
special assessments or respread of assessments levied against the 9406
homestead, and if there is a transfer of ownership subsequent to 9407
the filing of an application for a reduction in taxes, such 9408
reductions are not forfeited for such year by virtue of such 9409
transfer. 9410

(D) The reductions in taxable value referred to in this 9411
section shall be applied solely as a factor for the purpose of 9412
computing the reduction of taxes under this section and shall not 9413
affect the total value of property in any subdivision or taxing 9414
district as listed and assessed for taxation on the tax lists and 9415
duplicates, or any direct or indirect limitations on indebtedness 9416
of a subdivision or taxing district. If after application of 9417
sections 5705.31 and 5705.32 of the Revised Code, including the 9418
allocation of all levies within the ten-mill limitation to debt 9419
charges to the extent therein provided, there would be 9420
insufficient funds for payment of debt charges not provided for by 9421
levies in excess of the ten-mill limitation, the reduction of 9422
taxes provided for in sections 323.151 to 323.159 of the Revised 9423
Code shall be proportionately adjusted to the extent necessary to 9424
provide such funds from levies within the ten-mill limitation. 9425

(E) No reduction shall be made on the taxes due on the 9426
homestead of any person convicted of violating division (C) or (D) 9427

the board shall take whatever action it determines is necessary to 9717
correct the situation, including notification of the appropriate 9718
authorities. Upon request, the board shall provide information 9719
about such investigations to the department. 9720

expiration date of the contract. During the first sixty days of 9776
this one hundred twenty-day period, both parties shall attempt to 9777
resolve any dispute through good faith collaboration and 9778
negotiation in order to continue to provide services to persons in 9779
need. If the dispute has not been resolved sixty days before the 9780
expiration date of the contract, either party may notify the 9781
department of mental health of the unresolved dispute. The 9782
director may require both parties to submit the dispute to a third 9783
party with the cost to be shared by the board and the facility or 9784
community mental health agency. The third party shall issue to the 9785
board, the facility or agency, and the department recommendations 9786
on how the dispute may be resolved twenty days prior to the 9787
expiration date of the contract, unless both parties agree to a 9788
time extension. The director shall adopt rules establishing the 9789
procedures of this dispute resolution process. 9790

(b) With the prior approval of the director of mental health, 9791
a board may operate a facility or provide a community mental 9792

community mental health service for no longer than one year,
except that such a board may operate a facility or provide a
community mental health service for more than one year with the
prior approval of the director and the prior approval of the board
of county commissioners, or of a majority of the boards of county
commissioners if the district is a joint-county district.

The director shall not give a board approval to operate a
facility or provide a community mental health service under
division (A)(8)(b)(ii) or (iii) of this section unless the
director determines that it is not feasible to have the department
operate the facility or provide the service.

The director shall not give a board approval to operate a
facility or provide a community mental health service under
division (A)(8)(b)(iii) of this section unless the director
determines that the board will provide greater administrative
efficiency and more or better services than would be available if
the board contracted with a private or public facility or
community mental health agency.

The director shall not give a board approval to operate a
facility previously operated by a person or other government

entity unless the board has established to the director's 9826
satisfaction that the person or other government entity cannot 9827
effectively operate the facility or that the person or other 9828
government entity has requested the board to take over operation 9829
of the facility. The director shall not give a board approval to 9830
provide a community mental health service previously provided by a 9831
community mental health agency unless the board has established to 9832
the director's satisfaction that the agency cannot effectively 9833
provide the service or that the agency has requested the board 9834
take over providing the service. 9835

The director shall review and evaluate a board's operation of 9836
a facility and provision of community mental health service under 9837
division (A)(8)(b) of this section. 9838

Nothing in division (A)(8)(b) of this section authorizes a 9839
board to administer or direct the daily operation of any facility 9840
or community mental health agency, but a facility or agency may 9841
contract with a board to receive administrative services or staff 9842
direction from the board under the direction of the governing body 9843
of the facility or agency. 9844

(9) Approve fee schedules and related charges or adopt a unit 9845
cost schedule or other methods of payment for contract services 9846
provided by community mental health agencies in accordance with 9847
guidelines issued by the department as necessary to comply with 9848
state and federal laws pertaining to financial assistance; 9849

(10) Submit to the director and the county commissioners of 9850

discontinue the manufacture and sale of soft drinks or other 10771
products for which the license was issued. When a registration has 10772
been revoked, the registrant shall discontinue the sale within 10773
this state of the registrant's products until those sections have 10774

10904 (D), and (E) of this section and shall register any such pesticide
10905 after determining that all of the following conditions are met:

(1) Its composition is such as to warrant the proposed claims	10906
for it.	10907
(2) Its labeling and other material required to be submitted	10908
comply with the requirements of the federal act and of this	10909
chapter, and rules adopted thereunder.	10910

recognized practice, it will not generally cause unreasonable	10914
adverse effects on the environment.	10915
(5) The classification for general or restricted use is in	10916
conformity with the federal act.	10917

criterion for denying the registration of any pesticide. When two	10919
pesticides meet the requirements of division (G) of this section,	10920
the director shall not register one in preference to the other.	10921
(H)(1) The director may refuse to register a pesticide if the	10922
application for registration fails to comply with this section.	10923
(2) The director may suspend or revoke a pesticide	10924
registration after a hearing in accordance with Chapter 119. of	10925
the Revised Code for a pesticide that fails to meet the claims	10926
made for it on its label.	10927
(3) The director may immediately suspend a pesticide	10928
registration, prior to a hearing, when the director believes that	10929
the pesticide poses an immediate hazard to human or animal health	10930
or a hazard to the environment. Not later than fifteen days after	10931
suspending the registration, the director shall determine whether	10932
the pesticide poses such a hazard. If the director determines that	10933
no hazard exists, the director shall lift the suspension of the	10934
registration. If the director determines that a hazard exists, the	10935

director shall revoke the registration in accordance with Chapter 10936
119. of the Revised Code. 10937

Sec. 921.16. (A) The director of agriculture shall adopt 10938
rules the director determines necessary for the effective 10939
enforcement and administration of this chapter. The rules may 10940

methods of application, materials, and amounts and concentrations 10942
of application of pesticides, may restrict or prohibit the use of 10943
pesticides in designated areas during specified periods of time, 10944
and shall encompass all reasonable factors that the director 10945
determines necessary to minimize or prevent damage to the 10946
environment. In addition, the rules shall establish the ~~fees,~~ 10947
~~deadlines,~~ and time periods for registration, registration 10948
renewal, late registration renewal, and failure to register under 10949
section 921.02 of the Revised Code; the fees for registration, 10950
registration renewal, late registration renewal, and failure to 10951

~~the fees that initially are established by rule after the~~ 10957
~~effective date of this amendment shall be designed to cover, but~~ 10958
~~not exceed, the costs incurred by the department of agriculture in~~ 10959
~~administering this chapter. Thereafter, the fees shall not be~~ 10960
~~increased without the approval of the general assembly.~~ 10961

(B) The director shall adopt rules that establish a schedule 10962
of civil penalties for violations of this chapter, or any rule or 10963
order adopted or issued under it, provided that the civil penalty 10964
for a first violation shall not exceed five thousand dollars and 10965
the civil penalty for each subsequent violation shall not exceed 10966

ten thousand dollars. In determining the amount of a civil penalty 10967
for a violation, the director shall consider factors relevant to 10968
the severity of the violation, including past violations and the 10969
amount of actual or potential damage to the environment or to 10970
human beings. 10971

(C) The director shall adopt rules that set forth the 10972
conditions under which the director: 10973

working in the vicinity of pesticide-treated areas; 10986

(6) Requires a record to be kept of all pesticide 10987
applications made by each commercial applicator and by any trained 10988
serviceperson acting under the commercial applicator's direct 10989
supervision and of all restricted use pesticide applications made 10990
by each private applicator and by any immediate family member or 10991
subordinate employee of that private applicator who is acting 10992
under the private applicator's direct supervision as required 10993
under section 921.14 of the Revised Code; 10994

(7) Determines the pesticide-use categories of diagnostic 10995

11017
11018
11019
11020
11021

(2) Define what constitutes "acting under the instructions and control of a commercial applicator" as used in the definition of "direct supervision" in division (Q)(1) of section 921.01 of the Revised Code. Based on consideration of the factors, the director may define 11028
"acting under the instructions and control of a commercial 11029
applicator" to include communications between a commercial 11030
applicator and a trained serviceperson that are conducted via 11031
landline telephone or a means of wireless communication. Any rules 11032

information the agency may require. 11046

(J) The director shall adopt rules for the application, use, 11047
storage, and disposal of pesticides if, in the director's 11048
judgment, existing programs of the United States environmental 11049

Ohio registered surveyor, showing the location of the well and 11375
containing such other data as may be prescribed by the chief. If 11376
the well is or is to be located within the excavations and 11377
workings of a mine, the map also shall include the location of the 11378
mine, the name of the mine, and the name of the person operating 11379

The weekly circular shall contain, in the manner prescribed by the 11384
chief, the names of all applicants for permits, the location of 11385
each well or proposed well, the information required by division 11386
~~(K)~~(A)(11) of this section, and any additional information the 11387

chief prescribes. In addition, the chief promptly shall transfer 11388
an electronic copy or facsimile, or if those methods are not 11389
available to a municipal corporation or township, a copy via 11390
regular mail, of a drilling permit application to the clerk of the 11391
legislative authority of the municipal corporation or to the clerk 11392
of the township in which the well or proposed well is or is to be 11393
located if the legislative authority of the municipal corporation 11394
or the board of township trustees has asked to receive copies of 11395

number, as applicable. 11398

(C) The chief shall not issue a permit for at least ten days 11399
after the date of filing of the application for the permit unless, 11400
upon reasonable cause shown, the chief waives that period or a 11401

the chief shall issue a permit within twenty-one days of the 11403
filing of the application unless the chief denies the application 11404
by order. 11405

(D) An applicant may file a request with the chief for 11406
expedited review of a permit application if the well is not or is 11407
not to be located in a gas storage reservoir or reservoir 11408
protective area, as "reservoir protective area" is defined in 11409
section 1571.01 of the Revised Code. If the well is or is to be 11410
located in a coal bearing township, the application shall be 11411
accompanied by the affidavit of the landowner prescribed in 11412
section 1509.08 of the Revised Code. 11413

In addition to a complete application for a permit that meets 11414
the requirements of this section and the permit fee prescribed by 11415
this section, a request for expedited review shall be accompanied 11416
by a separate nonrefundable filing fee of five hundred dollars. 11417
Upon the filing of a request for expedited review, the chief shall 11418
cause the county engineer of the county in which the well is or is 11419

to be located to be notified of the filing of the permit 11420
application and the request for expedited review by telephone or 11421
other means that in the judgment of the chief will provide timely 11422
notice of the application and request. The chief shall issue a 11423
permit within seven days of the filing of the request unless the 11424
chief denies the application by order. Notwithstanding the 11425
provisions of this section governing expedited review of permit 11426
applications, the chief may refuse to accept requests for 11427
expedited review if, in the chief's judgment, the acceptance of 11428
the requests would prevent the issuance, within twenty-one days of 11429
their filing, of permits for which applications are pending. 11430

(E) A well shall be drilled and operated in accordance with 11431
the plans, sworn statements, and other information submitted in 11432
the approved application. 11433

(F) The chief shall issue an order denying a permit if the 11434
chief finds that there is a substantial risk that the operation 11435
will result in violations of this chapter or rules adopted under 11436
it that will present an imminent danger to public health or safety 11437
or damage to the environment, provided that where the chief finds 11438
that terms or conditions to the permit can reasonably be expected 11439
to prevent such violations, the chief shall issue the permit 11440
subject to those terms or conditions, including, if applicable, 11441
terms and conditions regarding subjects identified in rules 11442
adopted under section 1509.03 of the Revised Code. 11443

(G) Each application for a permit required by section 1509.05 11444
of the Revised Code, except an application for a well drilled or 11445
reopened for purposes of section 1509.22 of the Revised Code, also 11446
shall be accompanied by a nonrefundable fee ~~of two~~ as follows: 11447

(1) Two hundred fifty dollars for a permit to conduct 11448
activities in a township with a population of fewer than five 11449
thousand; 11450

(2) Five hundred dollars for a permit to conduct activities 11451
in a township with a population of five thousand or more, but 11452
fewer than ten thousand; 11453

(3) Seven hundred fifty dollars for a permit to conduct 11454
activities in a township with a population of ten thousand or 11455
more, but fewer than fifteen thousand; 11456

(4) One thousand dollars for a permit to conduct activities 11457
in either of the following: 11458

(a) A township with a population of fifteen thousand or more; 11459

(b) A municipal corporation regardless of population. 11460

For purposes of calculating fee amounts, populations shall be 11461
determined using the most recent federal decennial census. 11462

Each application for the revision or reissuance of a permit 11463
shall be accompanied by a nonrefundable fee of two hundred fifty 11464
dollars. 11465

(H) The chief may order the immediate suspension of drilling, 11466
operating, or plugging activities after finding that any person is 11467
causing, engaging in, or maintaining a condition or activity that 11468
in the chief's judgment presents an imminent danger to public 11469
health or safety or results in or is likely to result in immediate 11470
substantial damage to natural resources or for nonpayment of ~~the~~ a 11471
fee required by this section. The chief may order the immediate 11472
suspension of the drilling or reopening of a well in a coal 11473
bearing township after determining that the drilling or reopening 11474
activities present an imminent and substantial threat to public 11475
health or safety or to miners' health or safety. Before issuing 11476
any such order, the chief shall notify the owner in such manner as 11477
in the chief's judgment would provide reasonable notification that 11478
the chief intends to issue a suspension order. The chief may issue 11479
such an order without prior notification if reasonable attempts to 11480

notify the owner have failed, but in such an event notification 11481
shall be given as soon thereafter as practical. Within five 11482
calendar days after the issuance of the order, the chief shall 11483
provide the owner an opportunity to be heard and to present 11484
evidence that the condition or activity is not likely to result in 11485
immediate substantial damage to natural resources or does not 11486
present an imminent danger to public health or safety or to 11487
miners' health or safety, if applicable. In the case of activities 11488
in a coal bearing township, if the chief, after considering 11489
evidence presented by the owner, determines that the activities do 11490
not present such a threat, the chief shall revoke the suspension 11491
order. Notwithstanding any provision of this chapter, the owner 11492
may appeal a suspension order directly to the court of common 11493
pleas of the county in which the activity is located or, if in a 11494
coal bearing township, to the reclamation commission under section 11495
1513.13 of the Revised Code. 11496

Sec. 1509.072. No oil or gas well owner or agent of an oil or 11497
gas well owner shall fail to restore the land surface within the 11498
area disturbed in siting, drilling, completing, and producing the 11499
well as required in this section. 11500

(A) Within five months after the date upon which the surface 11501
drilling of a well is commenced, the owner or the owner's agent, 11502
in accordance with the restoration plan filed under division 11503
~~(J)~~(A)(10) of section 1509.06 of the Revised Code, shall fill all 11504
the pits for containing brine, other waste substances resulting, 11505
obtained, or produced in connection with exploration or drilling 11506
for, or production of, oil or gas, or oil that are not required by 11507
other state or federal law or regulation, and remove all concrete 11508
bases, drilling supplies, and drilling equipment. Within nine 11509
months after the date upon which the surface drilling of a well is 11510
commenced, the owner or the owner's agent shall grade or terrace 11511
and plant, seed, or sod the area disturbed that is not required in 11512

production of the well where necessary to bind the soil and 11513
prevent substantial erosion and sedimentation. If the chief of the 11514
division of mineral resources management finds that a pit used for 11515
containing brine, other waste substances, or oil is in violation 11516
of section 1509.22 of the Revised Code or rules adopted or orders 11517
issued under it, the chief may require the pit to be emptied and 11518
closed before expiration of the five-month restoration period. 11519

(B) Within six months after a well that has produced oil or 11520
gas is plugged, or after the plugging of a dry hole, the owner or 11521
the owner's agent shall remove all production and storage 11522
structures, supplies, and equipment, and any oil, salt water, and 11523
debris, and fill any remaining excavations. Within that period the 11524
owner or the owner's agent shall grade or terrace and plant, seed, 11525
or sod the area disturbed where necessary to bind the soil and 11526
prevent substantial erosion and sedimentation. 11527

The owner shall be released from responsibility to perform 11528
any or all restoration requirements of this section on any part or 11529
all of the area disturbed upon the filing of a request for a 11530
waiver with and obtaining the written approval of the chief, which 11531
request shall be signed by the surface owner to certify the 11532
approval of the surface owner of the release sought. The chief 11533
shall approve the request unless the chief finds upon inspection 11534
that the waiver would be likely to result in substantial damage to 11535
adjoining property, substantial contamination of surface or 11536
underground water, or substantial erosion or sedimentation. 11537

The chief, by order, may shorten the time periods provided 11538
for under division (A) or (B) of this section if failure to 11539
shorten the periods would be likely to result in damage to public 11540
health or the waters or natural resources of the state. 11541

The chief, upon written application by an owner or an owner's 11542
agent showing reasonable cause, may extend the period within which 11543
restoration shall be completed under divisions (A) and (B) of this 11544

section, but not to exceed a further six-month period, except 11545
under extraordinarily adverse weather conditions or when essential 11546
equipment, fuel, or labor is unavailable to the owner or the 11547
owner's agent. 11548

If the chief refuses to approve a request for waiver or 11549
extension, the chief shall do so by order. 11550

Sec. 1509.31. Whenever the entire interest of an oil and gas 11551
lease is assigned or otherwise transferred, the assignor or 11552
transferor shall notify the holders of the royalty interests, and, 11553
if a well or wells exist on the lease, the division of mineral 11554
resources management, of the name and address of the assignee or 11555
transferee by certified mail, return receipt requested, not later 11556
than thirty days after the date of the assignment or transfer. 11557
When notice of any such assignment or transfer is required to be 11558
provided to the division, it shall be provided on a form 11559
prescribed and provided by the division and verified by both the 11560
assignor or transferor and by the assignee or transferee. The 11561
notice form applicable to assignments or transfers of a well to 11562
the owner of the surface estate of the tract on which the well is 11563
located shall contain a statement informing the landowner that the 11564
well may require periodic servicing to maintain its productivity; 11565
that, upon assignment or transfer of the well to the landowner, 11566
the landowner becomes responsible for compliance with the 11567
requirements of this chapter and rules adopted under it, 11568
including, without limitation, the proper disposal of brine 11569
obtained from the well, the plugging of the well when it becomes 11570
incapable of producing oil or gas, and the restoration of the well 11571
site; and that, upon assignment or transfer of the well to the 11572
landowner, the landowner becomes responsible for the costs of 11573

Sec. 1533.111. Except as provided in this section or division 11987
(A)(2) of section 1533.12 of the Revised Code, no person shall 11988
hunt or trap fur-bearing animals on land of another without first 11989
obtaining an annual fur taker permit. Each applicant for a fur 11990
taker permit shall pay an annual fee of fourteen dollars for the 11991
permit, except as otherwise provided in this section or unless the 11992
rules adopted under division (B) of section 1533.12 of the Revised 11993
Code provide for issuance of a fur taker permit to the applicant 11994
free of charge. Except as provided in rules adopted under division 11995
(B)(2) of that section, each applicant who is a resident of this 11996
state and who at the time of application is sixty-six years of age 11997
or older shall procure a special senior fur taker permit, the fee 11998
for which shall be one-half of the regular fur taker permit fee. 11999
Each applicant ~~who is a resident of the state and~~ under the age of 12000
~~sixteen~~ eighteen years shall procure a special youth fur taker 12001
permit, the fee for which shall be one-half of the regular fur 12002
taker permit fee. The fur taker permit shall run concurrently with 12003
the hunting license. The money received shall be paid into the 12004
state treasury to the credit of the fund established in section 12005
1533.15 of the Revised Code. 12006

No fur taker permit shall be issued unless it is accompanied 12007
by a written explanation of the law in section 1533.17 of the 12008
Revised Code and the penalty for its violation, including a 12009
description of terms of imprisonment and fines that may be 12010
imposed. 12011

No fur taker permit shall be issued unless the applicant 12012
presents to the agent authorized to issue a fur taker permit a 12013
previously held hunting license or trapping or fur taker permit or 12014
evidence of having held such a license or permit in content and 12015
manner approved by the chief of the division of wildlife, a 12016
certificate of completion issued upon completion of a trapper 12017
education course approved by the chief, or evidence of equivalent 12018
training in content and manner approved by the chief. 12019

No person shall issue a fur taker permit to any person who 12020
fails to present the evidence required by this section. No person 12021
shall purchase or obtain a fur taker permit without presenting to 12022
the issuing agent the evidence required by this section. Issuance 12023
of a fur taker permit in violation of the requirements of this 12024
section is an offense by both the purchaser of the illegally 12025
obtained permit and the clerk or agent who issued the permit. Any 12026
fur taker permit issued in violation of this section is void. 12027

The chief, with approval of the wildlife council, shall adopt 12028
rules prescribing a trapper education course for first-time fur 12029
taker permit buyers and for volunteer instructors. The course 12030
shall consist of subjects that include, but are not limited to, 12031
trapping techniques, animal habits and identification, trapping 12032
tradition and ethics, the trapper and conservation, the law in 12033
section 1533.17 of the Revised Code along with the penalty for its 12034
violation, including a description of terms of imprisonment and 12035
fines that may be imposed, and other law relating to trapping. 12036
Authorized personnel of the division of wildlife or volunteer 12037
instructors approved by the chief shall conduct the courses with 12038
such frequency and at such locations throughout the state as to 12039
reasonably meet the needs of permit applicants. The chief shall 12040
issue a certificate of completion to each person who successfully 12041
completes the course and passes an examination prescribed by the 12042
chief. 12043

Every person, while hunting or trapping fur-bearing animals 12044
on lands of another, shall carry the person's fur taker permit 12045
~~affixed to the person's hunting license~~ with the person's 12046
signature written ~~across the face of~~ on the permit. Failure to 12047

section. The chief shall adopt any additional rules the chief 12049
considers necessary to carry out this section. 12050

The owner and the children of the owner of lands in this 12051
state may hunt or trap fur-bearing animals thereon without a fur 12052
taker permit. The tenant and children of the tenant may hunt or 12053
trap fur-bearing animals on lands where they reside without a fur 12054
taker permit. 12055

A fur taker permit is not transferable. No person shall carry 12056
a fur taker permit issued in the name of another person. 12057

A fur taker permit entitles a nonresident to take from this 12058
state fur-bearing animals taken and possessed by the nonresident 12059
as provided by law or division rule. 12060

Sec. 1533.112. Except as provided in this section or unless 12061
otherwise provided by division rule, no person shall hunt ducks, 12062
geese, or brant on the lands of another without first obtaining an 12063
annual wetlands habitat stamp. The annual fee for the wetlands 12064
habitat stamp shall be fourteen dollars for each stamp unless the 12065
rules adopted under division (B) of section 1533.12 provide for 12066
issuance of a wetlands habitat stamp to the applicant free of 12067
charge. 12068

Moneys received from the stamp fee shall be paid into the 12069
state treasury to the credit of the wetlands habitat fund, which 12070
is hereby established. Moneys shall be paid from the fund on the 12071
order of the director of natural resources for the following 12072
purposes: 12073

(A) Sixty per cent for projects that the division approves 12074
for the acquisition, development, management, or preservation of 12075
waterfowl areas within the state; 12076

(B) Forty per cent for contribution by the division to an 12077
appropriate nonprofit organization for the acquisition, 12078
development, management, or preservation of lands and waters 12079
within the United States or Canada that provide or will provide 12080
habitat for waterfowl with migration routes that cross this state. 12081

No moneys derived from the issuance of wetlands habitat 12082
stamps shall be spent for purposes other than those specified by 12083
this section. All investment earnings of the fund shall be 12084
credited to the fund. 12085

Wetlands habitat stamps shall be furnished by and in a form 12086
prescribed by the chief of the division of wildlife and issued by 12087
clerks and other agents authorized to issue licenses and permits 12088
under section 1533.13 of the Revised Code. The record of stamps 12089
kept by the clerks and other agents shall be uniform throughout 12090
the state, in such form or manner as the director prescribes, and 12091
open at all reasonable hours to the inspection of any person. 12092
Unless otherwise provided by rule, each stamp shall remain in 12093
force until midnight of the thirty-first day of August next 12094
ensuing. Wetlands habitat stamps may be issued in any manner to 12095
any person on any date, whether or not that date is within the 12096
period in which they are effective. 12097

Every person to whom this section applies, while hunting 12098
ducks, geese, or brant, shall carry an unexpired wetlands habitat 12099
stamp that is validated by the person's signature written on the 12100
stamp in ink and shall exhibit the stamp to any enforcement 12101
officer so requesting. No person shall fail to carry and exhibit 12102
the person's stamp. 12103

A wetlands habitat stamp is not transferable. 12104

The chief shall establish a procedure to obtain subject matter to be printed on the wetlands habitat stamp and shall use, dispose of, or distribute the subject matter as the chief considers necessary. The chief also shall adopt rules necessary to administer this section.

In order to hunt deer or wild turkey, any such person shall obtain a special deer or wild turkey permit, as applicable, under section 1533.11 of the Revised Code. However, the person need not obtain a hunting license in order to obtain such a permit.

the manner prescribed by and on forms provided by the chief. The 12175

Sec. 1547.724. (A) With the approval of the controlling 12421
board, and subject to the other applicable provisions of sections 12422
1547.721 to 1547.726 of the Revised Code, the director of natural 12423
resources may lend moneys in the watercraft revolving loan fund to 12424
public or private entities for the purpose of paying the allowable 12425
costs of an eligible project. Loans shall be made under this 12426
division only if the director determines that all of the following 12427
apply: 12428

(1) The project is an eligible project and is economically 12429
sound; 12430

(2) The borrower is unable to finance the necessary allowable 12431
costs through ordinary financial channels upon comparable terms; 12432

(3) The repayment of the loan will be adequately secured by a 12433
mortgage, lien, assignment, or pledge at a level of priority as 12434
the director may require; 12435

(4) The amount of the loan does not exceed ninety per cent of 12436
the total cost of the project. 12437

(B) The determinations of the director under division (A) of 12438
this section shall be conclusive for purposes of the validity of a 12439

loan commitment evidenced by a loan agreement signed by the 12440
director. Further, the director's determinations that a project 12441
constitutes an eligible project and that the costs of such a 12442
project are allowable costs, together with all other 12443
determinations relevant to the project or to an action taken or 12444
agreement entered into under sections 1547.721 to 1547.726 of the 12445
Revised Code shall be conclusive for purposes of the validity and 12446
enforceability of rights of parties arising from actions taken and 12447
agreements entered into under those sections. 12448

(C) The director may take any actions necessary or 12449
appropriate with respect to a loan made under this section, 12450
including facilitating the collection of amounts due on a loan. 12451

Sec. 1547.725. For purposes of the revolving loan program, 12452
the director of natural resources may do any of the following: 12453

payment of interest and principal, and other terms, conditions, 12455
and provisions of and security for loans made from the watercraft 12456
revolving loan fund that the director determines to be appropriate 12457
and in furtherance of the purpose for which the loans are made; 12458

(B) Retain the services of or employ financial consultants, 12459
appraisers, consulting engineers, superintendents, managers, 12460
construction and accounting experts, attorneys, and employees, 12461
agents, and independent contractors that the director determines 12462
to be necessary and fix the compensation for their services; 12463

(C) Receive and accept from any person grants, gifts, 12464
contributions of money, property, labor, and other things of value 12465
to be held, used, and applied only for the purpose for which such 12466
grants, gifts, and contributions are made; 12467

(D) Enter into appropriate agreements with other governmental 12468
entities to provide for all of the following: 12469

(1) Payment of allowable costs related to the development of eligible projects for which loans have been made from the watercraft revolving loan fund; 12470
12471
12472

(2) Any governmental action a governmental entity is authorized to take, including undertaking on behalf and at the request of the director any action that the director is authorized to undertake pursuant to sections 1547.721 to 1547.725 of the Revised Code; 12473
12474
12475
12476
12477

(3) The operation of facilities associated with eligible projects. 12478
12479

All state agencies shall cooperate with and provide assistance to the director as is necessary for the administration of sections 1547.721 to 1547.726 of the Revised Code. 12480
12481
12482

Sec. 1547.726. All money received by the state from the repayment of loans made from the watercraft revolving loan fund, including interest, fees, and charges associated with such loans, shall be deposited to the credit of the watercraft revolving loan fund. 12483
12484
12485
12486
12487

Sec. 1548.06. (A)(1) Application for a certificate of title for a watercraft or outboard motor shall be made upon a form prescribed by the chief of the division of watercraft and shall be sworn to before a notary public or other officer empowered to administer oaths. The application shall be filed with the clerk of any court of common pleas. An application for a certificate of title may be filed electronically by any electronic means approved by the chief in any county with the clerk of the court of common pleas of that county. The application shall be accompanied by the fee prescribed in section 1548.10 of the Revised Code. The fee shall be retained by the clerk who issues the certificate of title and shall be distributed in accordance with that section. If a 12488

clerk of a court of common pleas, other than the clerk of the 12500
court of common pleas of an applicant's county of residence, 12501
issues a certificate of title to the applicant, the clerk shall 12502
transmit data related to the transaction to the automated title 12503
processing system. 12504

(2) If a certificate of title previously has been issued for 12505
the watercraft or outboard motor, the application for a 12506
certificate of title also shall be accompanied by the certificate 12507
of title duly assigned unless otherwise provided in this chapter. 12508
If a certificate of title previously has not been issued for the 12509
watercraft or outboard motor in this state, the application, 12510
unless otherwise provided in this chapter, shall be accompanied by 12511
a manufacturer's or importer's certificate; by a sworn statement 12512
of ownership if the watercraft or outboard motor was purchased by 12513
the applicant on or before October 9, 1963, or if the watercraft 12514
is less than fourteen feet long with a permanently affixed 12515
mechanical means of propulsion and was purchased by the applicant 12516
on or before January 1, 2000; or by a certificate of title, bill 12517
of sale, or other evidence of ownership required by the law of 12518
another state from which the watercraft or outboard motor was 12519
brought into this state. Evidence of ownership of a watercraft or 12520
outboard motor for which an Ohio certificate of title previously 12521
has not been issued and which watercraft or outboard motor does 12522
not have permanently affixed to it a manufacturer's serial number 12523
shall be accompanied by the certificate of assignment of a hull 12524
identification number assigned by the chief as provided in section 12525
1548.07 of the Revised Code. 12526

(3) The clerk shall retain the evidence of title presented by 12527
the applicant and on which the certificate of title is issued, 12528
except that, if an application for a certificate of title is filed 12529
electronically, by a vendor on behalf of a purchaser of a 12530
watercraft or outboard motor, the clerk shall retain the completed 12531

electronic record to which the vendor converted the certificate of 12532
title application and other required documents. The chief, after 12533
consultation with the attorney general, shall adopt rules that 12534
govern the location at which, and the manner in which, are stored 12535
the actual application and all other documents relating to the 12536
sale of a watercraft or outboard motor when a vendor files the 12537
application for a certificate of title electronically on behalf of 12538
a purchaser. 12539

(B) The clerk shall use reasonable diligence in ascertaining 12540
whether the facts in the application are true by checking the 12541
application and documents accompanying it or the electronic record 12542
to which a vendor converted the application and accompanying 12543
documents with the records of watercraft and outboard motors in 12544
the clerk's office. If the clerk is satisfied that the applicant 12545
is the owner of the watercraft or outboard motor and that the 12546
application is in the proper form, the clerk shall issue a 12547
physical certificate of title over the clerk's signature and 12548
sealed with the clerk's seal unless the applicant specifically 12549
requests the clerk not to issue a physical certificate of title 12550
and instead to issue an electronic certificate of title. However, 12551
if the evidence indicates and an investigation shows that one or 12552
more Ohio titles already exist for the watercraft or outboard 12553
motor, the chief may cause the redundant title or titles to be 12554
canceled. 12555

(C) In the case of the sale of a watercraft or outboard motor 12556
by a vendor to a general purchaser or user, the certificate of 12557
title shall be obtained in the name of the purchaser by the vendor 12558
upon application signed by the purchaser. In all other cases, the 12559
certificate shall be obtained by the purchaser. In all cases of 12560
transfer of watercraft or outboard motors, the application for 12561
certificate of title shall be filed within thirty days after the 12562
later of the date of purchase or assignment of ownership of the 12563

watercraft or outboard motor. If the application for certificate 12564
of title is not filed within thirty days after the later of the 12565
date of purchase or assignment of ownership of the watercraft or 12566
outboard motor, the clerk shall charge a late penalty fee of five 12567
dollars in addition to the fee prescribed by section 1548.10 of 12568
the Revised Code. The clerk shall retain the entire amount of each 12569
late penalty fee. 12570

(D) The clerk shall refuse to accept an application for 12571
certificate of title unless the applicant either tenders with the 12572
application payment of all taxes levied by or pursuant to Chapter 12573
5739. or 5741. of the Revised Code based on the applicant's county 12574
of residence less, in the case of a sale by a vendor, any discount 12575
to which the vendor is entitled under section 5739.12 of the 12576
Revised Code, or submits any of the following: 12577

~~(A)~~(1) A receipt issued by the tax commissioner or a clerk of 12578
courts showing payment of the tax; 12579

~~(B)~~(2) A copy of the unit certificate of exemption completed 12580
by the purchaser at the time of sale as provided in section 12581
5739.03 of the Revised Code; 12582

~~(C)~~(3) An exemption certificate, in a form prescribed by the 12583
tax commissioner, that specifies why the purchase is not subject 12584
to the tax imposed by Chapter 5739. or 5741. of the Revised Code. 12585

Payment of the tax shall be in accordance with rules issued 12586
by the tax commissioner, and the clerk shall issue a receipt in 12587
the form prescribed by the tax commissioner to any applicant who 12588
tenders payment of the tax with the application for the 12589
certificate of title. 12590

(E)(1) For receiving and disbursing the taxes paid to the 12591
clerk by a resident of the clerk's county, the clerk may retain a 12592
poundage fee of one and one one-hundredth per cent of the taxes 12593
collected, which shall be paid into the certificate of title 12594

administration fund created by section 325.33 of the Revised Code. 12595
The clerk shall not retain a poundage fee from payments of taxes 12596
by persons who do not reside in the clerk's county. 12597

(2) A clerk, however, may retain from the taxes paid to the 12598
clerk an amount equal to the poundage fees associated with 12599
certificates of title issued by other clerks of courts of common 12600
pleas to applicants who reside in the first clerk's county. The 12601
chief of the division of watercraft, in consultation with the tax 12602
commissioner and the clerks of the courts of common pleas, shall 12603
develop a report from the automated title processing system that 12604
informs each clerk of the amount of the poundage fees that the 12605
clerk is permitted to retain from those taxes because of 12606
certificates of title issued by the clerks of other counties to 12607
applicants who reside in the first clerk's county. 12608

(F) In the case of casual sales of watercraft or outboard 12609
motors that are subject to the tax imposed by Chapter 5739. or 12610
5741. of the Revised Code, the purchase price for the purpose of 12611
determining the tax shall be the purchase price on an affidavit 12612
executed and filed with the clerk by the vendor on a form to be 12613
prescribed by the chief, which shall be prima-facie evidence of 12614
the price for the determination of the tax. In addition to the 12615
information required by section 1548.08 of the Revised Code, each 12616
certificate of title shall contain in bold lettering the following 12617
notification and statements: "WARNING TO TRANSFEROR AND TRANSFEREE 12618
(SELLER AND BUYER). You are required by law to state the true 12619
selling price. A false statement is a violation of section 2921.13 12620
of the Revised Code and is punishable by six months imprisonment 12621
or a fine of up to one thousand dollars, or both. All transfers 12622
are audited by the department of taxation. The seller and buyer 12623
must provide any information requested by the department of 12624
taxation. The buyer may be assessed any additional tax found to be 12625
due." 12626

~~The clerk shall forward all payments of taxes, less poundage fees, to the treasurer of state in a manner to be prescribed by the tax commissioner and shall furnish information to the commissioner as the commissioner may require.~~ (G) Each county clerk of courts shall forward to the treasurer of state all sales and use tax collections resulting from sales of titled watercraft and outboard motors during a calendar week on or before the Friday following the close of that week. If, on any Friday, the offices of the clerk of courts or the state are not open for business, the tax shall be forwarded to the treasurer of state on or before the next day on which the offices are open. Every remittance of tax under this division shall be accompanied by a remittance report in such form as the tax commissioner prescribes. Upon receipt of a tax remittance and remittance report, the treasurer of state shall date stamp the report and forward it to the tax commissioner. If the tax due for any week is not remitted by a clerk of courts as required under this division, the clerk shall forfeit the poundage fees for the sales made during that week. The treasurer of state may require the clerks of courts to transmit tax collections and remittance reports electronically.

(H) For purposes of a transfer of a certificate of title, if the clerk is satisfied that a secured party has discharged a lien but has not canceled the lien notation with a clerk, the clerk may cancel the lien notation on the automated title processing system and notify the clerk of the county of origin.

(I) Every clerk shall have the capability to transact by electronic means all procedures and transactions relating to the issuance of watercraft or outboard motor certificates of title that are described in the Revised Code as being accomplished by electronic means.

Sec. 1711.53. (A)(1) No person shall operate an amusement

ride within the state without a permit issued by the director of 12658
agriculture under division (A)(2) of this section. The owner of an 12659
amusement ride, whether the ride is a temporary amusement ride or 12660
a permanent amusement ride, who desires to operate the amusement 12661
ride within the state shall, prior to the operation of the 12662
amusement ride and annually thereafter, submit to the department 12663
of agriculture an application for a permit, together with the 12664
appropriate permit and inspection fee, on a form to be furnished 12665
by the department. Prior to issuing any permit the department 12666
shall, within thirty days after the date on which it receives the 12667
application, inspect each amusement ride described in the 12668
application. The owner of an amusement ride shall have the 12669
amusement ride ready for inspection not later than two hours after 12670
the time that is requested by the person for the inspection. 12671

(2) For each amusement ride found to comply with the rules 12672
adopted by the director under division (B) of this section and 12673
division (B) of section 1711.551 of the Revised Code, the director 12674
shall issue an annual permit, provided that evidence of liability 12675
insurance coverage for the amusement ride as required by section 12676
1711.54 of the Revised Code is on file with the department. 12677

(3) The director shall issue with each permit a decal 12678
indicating that the amusement ride has been issued the permit. The 12679
owner of the amusement ride shall affix the decal on the ride at a 12680
location where the decal is easily visible to the patrons of the 12681
ride. A copy of the permit shall be kept on file at the same 12682
address as the location of the amusement ride identified on the 12683
permit, and shall be made available for inspection, upon 12684
reasonable demand, by any person. An owner may operate an 12685
amusement ride prior to obtaining a permit, provided that the 12686
operation is for the purpose of testing the amusement ride or 12687
training amusement ride operators and other employees of the owner 12688
and the amusement ride is not open to the public. 12689

(B) The director, in accordance with Chapter 119. of the 12690
Revised Code, shall adopt rules providing for a schedule of fines, 12691
with no fine exceeding five thousand dollars, for violations of 12692
sections 1711.50 to 1711.57 of the Revised Code or any rules 12693
adopted under this division and for the classification of 12694
amusement rides and rules for the safe operation and inspection of 12695
all amusement rides as are necessary for amusement ride safety and 12696
for the protection of the general public. Rules adopted by the 12697
director for the safe operation and inspection of amusement rides 12698
shall be reasonable and based upon generally accepted engineering 12699
standards and practices. In adopting rules under this section, the 12700
director may adopt by reference, in whole or in part, the national 12701
fire code or the national electrical code prepared by the national 12702
fire protection association, the standards of ASTM or the American 12703
national standards institute, or any other principles, tests, or 12704
standards of nationally recognized technical or scientific 12705
authorities. Insofar as is practicable and consistent with 12706
sections 1711.50 to 1711.57 of the Revised Code, rules adopted 12707
under this division shall be consistent with the rules of other 12708
states. The department shall cause sections 1711.50 to 1711.57 of 12709
the Revised Code and the rules adopted in accordance with this 12710
division and division (B) of section 1711.551 of the Revised Code 12711
to be published in pamphlet form and a copy to be furnished 12712
without charge to each owner of an amusement ride who holds a 12713
current permit or is an applicant therefor. 12714

(C) With respect to an application for a permit for an 12715
amusement ride, an owner may apply to the director for a waiver or 12716
modification of any rule adopted under division (B) of this 12717
section if there are practical difficulties or unnecessary 12718
hardships for the amusement ride to comply with the rules. Any 12719
application shall set forth the reasons for the request. The 12720
director, with the approval of the advisory council on amusement 12721

ride safety, may waive or modify the application of a rule to any 12722
amusement ride if the public safety is secure. Any authorization 12723
by the director under this division shall be in writing and shall 12724
set forth the conditions under which the waiver or modification is 12725
authorized, and the department shall retain separate records of 12726
all proceedings under this division. 12727

(D)(1) The director shall employ and provide for training of 12728
a chief inspector and additional inspectors and employees as may 12729
be necessary to administer and enforce sections 1711.50 to 1711.57 12730
of the Revised Code. The director may appoint or contract with 12731
other persons to perform inspections of amusement rides, provided 12732
that the persons meet the qualifications for inspectors 12733
established by rules adopted under division (B) of this section 12734
and are not owners, or employees of owners, of any amusement ride 12735
subject to inspection under sections 1711.50 to 1711.57 of the 12736
Revised Code. No person shall inspect an amusement ride who, 12737
within six months prior to the date of inspection, was an employee 12738
of the owner of the ride. 12739

(2) Before the director contracts with other persons to 12740
inspect amusement rides, the director shall seek the advice of the 12741
advisory council on amusement ride safety on whether to contract 12742
with those persons. The advice shall not be binding upon the 12743
director. After having received the advice of the council, the 12744
director may proceed to contract with inspectors in accordance 12745
with the procedures specified in division (E)(2) of section 12746
1711.11 of the Revised Code. 12747

(3) With the advice and consent of the advisory council on 12748
amusement ride safety, the director may employ a special 12749
consultant to conduct an independent investigation of an amusement 12750
ride accident. This consultant need not be in the civil service of 12751
the state, but shall have qualifications to conduct the 12752
investigation acceptable to the council. 12753

(E)(1) Except as otherwise provided in division (E)(1) of		12754
this section, the department shall charge the following amusement		12755
ride fees:		12756
Permit	\$ 50 <u>\$ 150</u>	12757
Annual inspection and reinspection per ride:		12758
Kiddie rides	\$ 100	12759
Roller coaster	\$ 950	12760
Aerial lifts or bungee		12761
jumping facilities	\$ 450	12762
Go karts	\$ 5	12763
Other rides	\$ 160	12764
Midseason operational inspection per ride	\$ 25	12765
Expedited inspection per ride	\$ 100	12766
Failure to cancel scheduled inspection per ride	\$ 100	12767
Failure to have amusement ride ready for		12768
inspection per ride	\$100	12769
The go kart inspection fee is in addition to the inspection		12770
fee for the go kart track.		12771
The fees for an expedited inspection, failure to cancel a		12772
scheduled inspection, and failure to have an amusement ride ready		12773
for inspection do not apply to go karts.		12774
As used in division (E)(1) of this section, "expedited		12775
inspection" means an inspection of an amusement ride by the		12776
department not later than ten days after the owner of the		12777
amusement ride files an application for a permit under this		12778
section.		12779
(2) All fees and fines collected by the department under		12780
sections 1711.50 to 1711.57 of the Revised Code shall be deposited		12781
in the state treasury to the credit of the amusement ride		12782
inspection fund, which is hereby created, and shall be used only		12783
for the purpose of administering and enforcing sections 1711.11		12784

and 1711.50 to 1711.57 of the Revised Code. 12785

(3) The owner of an amusement ride shall be required to pay a 12786
reinspection fee only if the reinspection was conducted at the 12787
owner's request under division (F) of this section, if the 12788
reinspection is required by division (F) of this section because 12789
of an accident, or if the reinspection is required by division (F) 12790
of section 1711.55 of the Revised Code. If a reinspection is 12791
conducted at the request of the chief officer of a fair, festival, 12792
or event where the ride is operating, the reinspection fee shall 12793
be charged to the fair, festival, or event. 12794

(4) The rules adopted under division (B) of this section 12795
shall define "kiddie rides," "roller coaster," "aerial lifts," "go 12796
karts," and "other rides" for purposes of determining the fees 12797
under division (E) of this section. The rules shall define "other 12798
rides" to include go kart tracks. 12799

(F) A reinspection of an amusement ride shall take place if 12800
an accident occurs, if the owner of the ride or the chief officer 12801
of the fair, festival, or event where the ride is operating 12802
requests a reinspection, or if the reinspection is required by 12803
division (F) of section 1711.55 of the Revised Code. 12804

(G) As a supplement to its annual inspection of a temporary 12805
amusement ride, the department may inspect the ride during each 12806
scheduled event, as listed in the schedule of events provided to 12807
the department by the owner pursuant to division (C) of section 12808
1711.55 of the Revised Code, at which the ride is operated in this 12809
state. These supplemental inspections are in addition to any other 12810
inspection or reinspection of the ride as may be required under 12811
sections 1711.50 to 1711.57 of the Revised Code, and the owner of 12812
the temporary amusement ride is not required to pay an inspection 12813
or reinspection fee for this supplemental inspection. Nothing in 12814
this division shall be construed to prohibit the owner of a 12815

temporary amusement ride having a valid permit to operate in this 12816
state from operating the ride at a scheduled event before the 12817
department conducts a supplemental inspection. 12818

(H) The department may annually conduct a midseason 12819
operational inspection of every amusement ride upon which it 12820
conducts an annual inspection pursuant to division (A) of this 12821
section. The midseason operational inspection is in addition to 12822
any other inspection or reinspection of the amusement ride as may 12823
be required pursuant to sections 1711.50 to 1711.57 of the Revised 12824
Code. The owner of an amusement ride shall submit to the 12825
department, at the time determined by the department, the 12826
midseason operational inspection fee specified in division (E) of 12827
this section. The director, in accordance with Chapter 119. of the 12828
Revised Code, shall adopt rules specifying the time period during 12829
which the department will conduct midseason operational 12830
inspections. 12831

Sec. 1713.03. The Ohio board of regents shall establish 12832
standards for certificates of authorization to be issued to 12833
institutions as defined in section 1713.01 of the Revised Code, to 12834

(2) The municipal court, by rule, may require an advance deposit for the filing of any civil action or proceeding and publication fees as provided in section 2701.09 of the Revised Code. The court may waive the requirement for advance deposit upon affidavit or other evidence that a party is unable to make the required deposit. 13112

13115
13116
13117

(3) When a jury trial is demanded in any civil action or 13118

(6) Chattel property seized under any writ or process issued
by the court shall be preserved pending final disposition for the
benefit of all persons interested and may be placed in storage
when necessary or proper for that preservation. The custodian of
any chattel property so stored shall not be required to part with
the possession of the property until a reasonable charge, to be

(8) The court may tax as part of costs charges for the 13726
publication of legal notices required by statute or order of 13727
court, as provided by section 7.13 of the Revised Code. 13728

(B)(1) The county court may determine that, for the efficient 13729
operation of the court, additional funds are necessary to acquire 13730
and pay for special projects of the court including, but not 13731
limited to, the acquisition of additional facilities or the 13732
rehabilitation of existing facilities, the acquisition of 13733

programs, mediation or dispute resolution services, the employment 13735
of magistrates, the training and education of judges, acting 13736

determination, the court by rule may charge a fee, in addition to 13738
all other court costs, on the filing of each criminal cause, civil 13739
action or proceeding, or judgment by confession. 13740

If the county court offers a special program or service in 13741
cases of a specific type, the county court by rule may assess an 13742
additional charge in a case of that type, over and above court 13743
costs, to cover the special program or service. The county court 13744
shall adjust the special assessment periodically, but not 13745
retroactively, so that the amount assessed in those cases does not 13746

All moneys collected under division (B) of this section shall 13748
be paid to the county treasurer for deposit into either a general 13749
special projects fund or a fund established for a specific special 13750

project. Moneys from a fund of that nature shall be disbursed upon 13751
an order of the court in an amount no greater than the actual cost 13752
to the court of a project. If a specific fund is terminated 13753
because of the discontinuance of a program or service established 13754
under division (B) of this section, the county court may order 13755
that moneys remaining in the fund be transferred to an account 13756
established under this division for a similar purpose. 13757

disposition and of which the defendant may be found guilty, 13762
whether filed as part of a multiple charge on a single summons, 13763
citation, or complaint or as a separate charge on a single 13764
summons, citation, or complaint. "Criminal cause" does not include 13765
separate violations of the same statute or ordinance, or 13766
subsection of the same statute or ordinance, unless each charge is 13767
filed on a separate summons, citation, or complaint. 13768

(b) "Civil action or proceeding" means any civil litigation 13769
that must be determined by judgment entry. 13770

division the sum of ~~fifteen~~ twenty-five dollars as additional 13773
filing fees in each new civil action or proceeding for the 13774
charitable public purpose of providing financial assistance to 13775

division (E) of this section, the county court shall collect in 13777

additional filing fees in each new civil action or proceeding for 13779
the charitable public purpose of providing financial assistance to 13780
legal aid societies that operate within the state. This division 13781

does not apply to any execution on a judgment, proceeding in aid 13782
of execution, or other post-judgment proceeding arising out of a 13783
civil action. The filing fees required to be collected under this 13784
division shall be in addition to any other court costs imposed in 13785
the action or proceeding and shall be collected at the time of the 13786
filing of the action or proceeding. The court shall not waive the 13787
payment of the additional filing fees in a new civil action or 13788
proceeding unless the court waives the advanced payment of all 13789
filing fees in the action or proceeding. All such moneys collected 13790
during a month shall be transmitted on or before the twentieth day 13791
of the following month by the clerk of the court to the treasurer 13792
of state in a manner prescribed by the treasurer of state or by 13793
the Ohio legal assistance foundation. The moneys then shall be 13794
deposited by the treasurer of state to the credit of the legal aid 13795
fund established under section 120.52 of the Revised Code. 13796

The court may retain up to one per cent of the moneys it 13797
collects under this division to cover administrative costs, 13798
including the hiring of any additional personnel necessary to 13799
implement this division. 13800

(D) The county court shall establish by rule a schedule of 13801
fees for miscellaneous services performed by the county court or 13802

the schedule shall not exceed the fees for those services 13805
prescribed by the court of common pleas. 13806

(E) Under the circumstances described in sections 2969.21 to 13807
2969.27 of the Revised Code, the clerk of the county court shall 13808
charge the fees and perform the other duties specified in those 13809
sections. 13810

have been received. 13837

of this section and the department of job and family services 13839
receives notice of a valid claim to the proceeds that has a higher 13840
priority under section 2117.25 of the Revised Code than the claim 13841

of the estate recovery program, the department may refund the 13842

service in cases of a specific type, the court by rule may assess 14475
an additional charge in a case of that type, over and above court 14476
costs, to cover the special program or service. The court shall 14477
adjust the special assessment periodically, but not retroactively, 14478

funds to secure insurance with respect to its and its employees' 15373
potential liability in damages in civil actions for injury, death, 15374
or loss to persons or property allegedly caused by an act or 15375
omission of the political subdivision or any of its employees in 15376
connection with a governmental or proprietary function. The 15377

insurance may be at the limits, for the circumstances, and subject 15378
to the terms and conditions, that are determined by the political 15379
subdivision in its discretion. 15380

The insurance may be for the period of time that is set forth 15381
in specifications for competitive bids or, when competitive 15382
bidding is not required, for the period of time that is mutually 15383
agreed upon by the political subdivision and insurance company. 15384
The period of time does not have to be, but can be, limited to the 15385
fiscal cycle under which the political subdivision is funded and 15386
operates. 15387

(2)(a) Regardless of whether a political subdivision procures 15388
a policy or policies of liability insurance pursuant to division 15389
(A)(1) of this section or otherwise, the political subdivision may 15390
establish and maintain a self-insurance program relative to its 15391
and its employees' potential liability in damages in civil actions 15392
for injury, death, or loss to persons or property allegedly caused 15393
by an act or omission of the political subdivision or any of its 15394
employees in connection with a governmental or proprietary 15395
function. The political subdivision may reserve such funds as it 15396
deems appropriate in a special fund that may be established 15397
pursuant to an ordinance or resolution of the political 15398
subdivision and not subject to section 5705.12 of the Revised 15399
Code. The political subdivision may allocate the costs of 15400
insurance or a self-insurance program, or both, among the funds or 15401
accounts in the subdivision's treasury on the basis of relative 15402
exposure and loss experience. The political subdivision may 15403
require any deductibles under an insurance or self-insurance 15404
program, or both, to be paid from funds or accounts in the 15405
subdivision's treasury from which a loss was directly 15406
attributable. If it so chooses, the political subdivision may 15407
contract with any person, other political subdivision, or regional 15408
council of governments for purposes of the administration of such 15409

a program. 15410

(b) Political subdivisions that have established 15411
self-insurance programs relative to their and their employees' 15412
potential liability as described in division (A)(2)(a) of this 15413
section may mutually agree that their self-insurance programs will 15414
be jointly administered in a specified manner. 15415

(B) The purchase of liability insurance, or the establishment 15416
and maintenance of a self-insurance program, by a political 15417
subdivision does not constitute a waiver of any immunity or 15418
defense of the political subdivision or its employees, except that 15419
the political subdivision may specifically waive any immunity or 15420
defense to which it or its employees may be entitled if a 15421
provision to that effect is specifically included in the policy of 15422
insurance or in a written plan of operation of the self-insurance 15423
program, or, if any, the legislative enactment of the political 15424
subdivision authorizing the purchase of the insurance or the 15425
establishment and maintenance of the self-insurance program. Such 15426
a specific waiver shall be only to the extent of the insurance or 15427
self-insurance program coverage. 15428

(C) The authorizations for political subdivisions to secure 15429
insurance and to establish and maintain self-insurance programs in 15430
this section are in addition to any other authority to secure 15431
insurance or to establish and maintain self-insurance programs 15432
that is granted pursuant to the Revised Code or the constitution 15433
of this state, and they are not in derogation of any other 15434
authorization. 15435

Sec. 2744.082. (A) If a political subdivision, pursuant to 15436
division (A)(2)(a) of section 2744.08 of the Revised Code, has 15437
allocated costs to, or required the payment of deductibles from, 15438
funds or accounts in the subdivision's treasury, the subdivision's 15439
fiscal officer, pursuant to an ordinance or resolution of the 15440

subdivision's legislative authority, shall transfer amounts equal 15441
to those costs or deductibles from the funds or accounts to the 15442
subdivision's general fund if both of the following occur: 15443

(1) The subdivision requests payment from the employee 15444
responsible for the funds or accounts for those costs or 15445
deductibles; 15446

(2) The employee receiving the request fails to remit payment 15447
within forty-five days after the date of receipt of the request. 15448

Code do not apply to transfers made pursuant to this section. 15450

court that imposes a sentence upon an offender for a felony may 15963
impose any sanction or combination of sanctions on the offender 15964
that are provided in sections 2929.14 to 2929.18 of the Revised 15965
Code. The sentence shall not impose an unnecessary burden on state 15966
or local government resources. 15967

If the offender is eligible to be sentenced to community 15968
control sanctions, the court shall consider the appropriateness of 15969
imposing a financial sanction pursuant to section 2929.18 of the 15970
Revised Code or a sanction of community service pursuant to 15971
section 2929.17 of the Revised Code as the sole sanction for the 15972
offense. Except as otherwise provided in this division, if the 15973
court is required to impose a mandatory prison term for the 15974
offense for which sentence is being imposed, the court also may 15975
impose a financial sanction pursuant to section 2929.18 of the 15976
Revised Code but may not impose any additional sanction or 15977
combination of sanctions under section 2929.16 or 2929.17 of the 15978
Revised Code. 15979

If the offender is being sentenced for a fourth degree felony 15980
OVI offense or for a third degree felony OVI offense, in addition 15981
to the mandatory term of local incarceration or the mandatory 15982
prison term required for the offense by division (G)(1) or (2) of 15983

Revised Code and may impose whichever of the following is 15986
applicable: 15987

is imposed under division (G)(1) of this section, an additional 15989
community control sanction or combination of community control 15990

sanctions under section 2929.16 or 2929.17 of the Revised Code. If 15991
the court imposes upon the offender a community control sanction 15992
and the offender violates any condition of the community control 15993
sanction, the court may take any action prescribed in division (B) 15994
of section 2929.15 of the Revised Code relative to the offender, 15995
including imposing a prison term on the offender pursuant to that 15996
division. 15997

(2) For a third or fourth degree felony OVI offense for which 15998

fourth or fifth degree, the sentencing court shall determine 16005

(a) In committing the offense, the offender caused physical 16007
harm to a person. 16008

(b) In committing the offense, the offender attempted to 16009

the offender previously was convicted of an offense that caused 16014
physical harm to a person. 16015

(d) The offender held a public office or position of trust 16016
and the offense related to that office or position; the offender's 16017
position obliged the offender to prevent the offense or to bring 16018

reputation or position facilitated the offense or was likely to 16020
influence the future conduct of others. 16021

16025

(i) The offender committed the offense while in possession of a firearm. 16033
16034

(2)(a) If the court makes a finding described in division (B)(1)(a), (b), (c), (d), (e), (f), (g), (h), or (i) of this section and if the court, after considering the factors set forth in section 2929.12 of the Revised Code, finds that a prison term is consistent with the purposes and principles of sentencing set forth in section 2929.11 of the Revised Code and finds that the offender is not amenable to an available community control sanction, the court shall impose a prison term upon the offender. 16035
16036
16037
16038
16039
16040
16041
16042

(b) Except as provided in division (E), (F), or (G) of this section, if the court does not make a finding described in division (B)(1)(a), (b), (c), (d), (e), (f), (g), (h), or (i) of this section and if the court, after considering the factors set forth in section 2929.12 of the Revised Code, finds that a community control sanction or combination of community control sanctions is consistent with the purposes and principles of sentencing set forth in section 2929.11 of the Revised Code, the court shall impose a community control sanction or combination of community control sanctions upon the offender. 16043
16044
16045

16048
16049
16050
16051
16052

(C) Except as provided in division (E), (F), or (G) of this section, in determining whether to impose a prison term as a sanction for a felony of the third degree or a felony drug offense that is a violation of a provision of Chapter 2925. of the Revised Code and that is specified as being subject to this division for purposes of sentencing, the sentencing court shall comply with the purposes and principles of sentencing under section 2929.11 of the Revised Code and with section 2929.12 of the Revised Code.

(D) Except as provided in division (E) or (F) of this section, for a felony of the first or second degree and for a felony drug offense that is a violation of any provision of Chapter 2925., 3719., or 4729. of the Revised Code for which a presumption in favor of a prison term is specified as being applicable, it is presumed that a prison term is necessary in order to comply with the purposes and principles of sentencing under section 2929.11 of the Revised Code. Notwithstanding the presumption established under this division, the sentencing court may impose a community control sanction or a combination of community control sanctions instead of a prison term on an offender for a felony of the first or second degree or for a felony drug offense that is a violation of any provision of Chapter 2925., 3719., or 4729. of the Revised Code for which a presumption in favor of a prison term is specified as being applicable if it makes both of the following findings:

(1) A community control sanction or a combination of community control sanctions would adequately punish the offender and protect the public from future crime, because the applicable factors under section 2929.12 of the Revised Code indicating a lesser likelihood of recidivism outweigh the applicable factors under that section indicating a greater likelihood of recidivism.

(2) A community control sanction or a combination of community control sanctions would not demean the seriousness of

the offense, because one or more factors under section 2929.12 of
the Revised Code that indicate that the offender's conduct was
less serious than conduct normally constituting the offense are
applicable, and they outweigh the applicable factors under that
section that indicate that the offender's conduct was more serious
than conduct normally constituting the offense.

(E)(1) Except as provided in division (F) of this section,
for any drug offense that is a violation of any provision of
Chapter 2925. of the Revised Code and that is a felony of the
third, fourth, or fifth degree, the applicability of a presumption
under division (D) of this section in favor of a prison term or of
division (B) or (C) of this section in determining whether to
impose a prison term for the offense shall be determined as
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06,
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the
Revised Code, whichever is applicable regarding the violation.

(2) If an offender who was convicted of or pleaded guilty to
a felony violates the conditions of a community control sanction
imposed for the offense solely by reason of producing positive
results on a drug test, the court, as punishment for the violation
of the sanction, shall not order that the offender be imprisoned
unless the court determines on the record either of the following:

(a) The offender had been ordered as a sanction for the
felony to participate in a drug treatment program, in a drug
education program, or in narcotics anonymous or a similar program,
and the offender continued to use illegal drugs after a reasonable
period of participation in the program.

(b) The imprisonment of the offender for the violation is
consistent with the purposes and principles of sentencing set
forth in section 2929.11 of the Revised Code.

(F) Notwithstanding divisions (A) to (E) of this section, the

court shall impose a prison term or terms under sections 2929.02
to 2929.06, section 2929.14, or section 2971.03 of the Revised
Code, and except as specifically provided in section 2929.20,
2967.05, or 2967.191 of the Revised Code or when parole is
authorized for the offense under section 2967.13 of the Revised
Code, the terms shall not ~~reduce the terms~~ be reduced pursuant to
section 2929.20, section 2967.193, or any other provision of
Chapter 2967. or Chapter 5120. of the Revised Code for any of the
following offenses:

(1) Aggravated murder when death is not imposed or murder; 16125

(2) Any rape, regardless of whether force was involved and
regardless of the age of the victim, or an attempt to commit rape
if, had the offender completed the rape that was attempted, the
offender would have been subject to a sentence of life
imprisonment or life imprisonment without parole for the rape; 16130

(3) Gross sexual imposition or sexual battery, if the victim
is under thirteen years of age, if the offender previously was
convicted of or pleaded guilty to rape, the former offense of
felonious sexual penetration, gross sexual imposition, or sexual
battery, and if the victim of the previous offense was under
thirteen years of age; 16136

(4) A felony violation of section 2903.04, 2903.06, 2903.08,
2903.11, 2903.12, or 2903.13 of the Revised Code if the section
requires the imposition of a prison term; 16139

(5) A first, second, or third degree felony drug offense for
which section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06,
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, 2925.37, 3719.99, or
4729.99 of the Revised Code, whichever is applicable regarding the
violation, requires the imposition of a mandatory prison term; 16144

(6) Any offense that is a first or second degree felony and
that is not set forth in division (F)(1), (2), (3), or (4) of this 16146

section, if the offender previously was convicted of or pleaded
guilty to aggravated murder, murder, any first or second degree
felony, or an offense under an existing or former law of this
state, another state, or the United States that is or was
substantially equivalent to one of those offenses;

(7) Any offense that is a third degree felony and that is
listed in division (DD)(1) of section 2929.01 of the Revised Code
if the offender previously was convicted of or pleaded guilty to
any offense that is listed in division (DD)(2)(a)(i) or (ii) of
section 2929.01 of the Revised Code;

(8) Any offense, other than a violation of section 2923.12 of
the Revised Code, that is a felony, if the offender had a firearm
on or about the offender's person or under the offender's control
while committing the felony, with respect to a portion of the
sentence imposed pursuant to division (D)(1)(a) of section 2929.14
of the Revised Code for having the firearm;

(9) Any offense of violence that is a felony, if the offender

pursuant to division (D)(1)(d) of section 2929.14 of the Revised
Code for wearing or carrying the body armor;

or kidnapping offense if, in relation to that offense, the
offender is adjudicated a sexually violent predator;

(12) A violation of division (A)(1) or (2) of section 2921.36

section involving an item listed in division (A)(1) or (2) of that

section, if the offender is an officer or employee of the 16178
department of rehabilitation and correction; 16179

(13) A violation of division (A)(1) or (2) of section 2903.06 16180
of the Revised Code if the victim of the offense is a peace 16181

respect to the portion of the sentence imposed pursuant to 16183
division (D)(5) of section 2929.14 of the Revised Code; 16184

(14) A violation of division (A)(1) or (2) of section 2903.06 16185
of the Revised Code if the offender has been convicted of or 16186
pleaded guilty to three or more violations of division (A) or (B) 16187
of section 4511.19 of the Revised Code or an equivalent offense, 16188
as defined in section 2941.1415 of the Revised Code, or three or 16189
more violations of any combination of those divisions and 16190
offenses, with respect to the portion of the sentence imposed 16191
pursuant to division (D)(6) of section 2929.14 of the Revised 16192
Code. 16193

(G) Notwithstanding divisions (A) to (E) of this section, if 16194
an offender is being sentenced for a fourth degree felony OVI 16195
offense or for a third degree felony OVI offense, the court shall 16196
impose upon the offender a mandatory term of local incarceration 16197
or a mandatory prison term in accordance with the following: 16198

(1) If the offender is being sentenced for a fourth degree 16199
felony OVI offense and if the offender has not been convicted of 16200
and has not pleaded guilty to a specification of the type 16201
described in section 2941.1413 of the Revised Code, the court may 16202
impose upon the offender a mandatory term of local incarceration 16203
of sixty days or one hundred twenty days as specified in division 16204
(G)(1)(d) of section 4511.19 of the Revised Code. ~~The court~~ 16205
Subject to section 2967.05 of the Revised Code, the term shall not 16206
~~reduce the term~~ be reduced pursuant to section 2929.20, 2967.193, 16207
or any other provision of the Revised Code. The court that imposes 16208

a mandatory term of local incarceration under this division shall 16209
specify whether the term is to be served in a jail, a 16210
community-based correctional facility, a halfway house, or an 16211
alternative residential facility, and the offender shall serve the 16212
term in the type of facility specified by the court. A mandatory 16213
term of local incarceration imposed under division (G)(1) of this 16214
section is not subject to extension under section 2967.11 of the 16215
Revised Code, to a period of post-release control under section 16216
2967.28 of the Revised Code, or to any other Revised Code 16217
provision that pertains to a prison term except as provided in 16218
division (A)(1) of this section. 16219

(2) If the offender is being sentenced for a third degree 16220
felony OVI offense, or if the offender is being sentenced for a 16221
fourth degree felony OVI offense and the court does not impose a 16222
mandatory term of local incarceration under division (G)(1) of 16223
this section, the court shall impose upon the offender a mandatory 16224
prison term of one, two, three, four, or five years if the 16225
offender also is convicted of or also pleads guilty to a 16226
specification of the type described in section 2941.1413 of the 16227
Revised Code or shall impose upon the offender a mandatory prison 16228
term of sixty days or one hundred twenty days as specified in 16229
division (G)(1)(d) or (e) of section 4511.19 of the Revised Code 16230
if the offender has not been convicted of and has not pleaded 16231
guilty to a specification of that type. ~~The court~~ Subject to 16232
section 2967.05 of the Revised Code, the term shall not reduce the 16233
~~term~~ be reduced pursuant to section 2929.20, 2967.193, or any 16234
other provision of the Revised Code. The offender shall serve the 16235
one-, two-, three-, four-, or five-year mandatory prison term 16236
consecutively to and prior to the prison term imposed for the 16237
underlying offense and consecutively to any other mandatory prison 16238
term imposed in relation to the offense. In no case shall an 16239
offender who once has been sentenced to a mandatory term of local 16240
incarceration pursuant to division (G)(1) of this section for a 16241

fourth degree felony OVI offense be sentenced to another mandatory 16242
term of local incarceration under that division for any violation 16243
of division (A) of section 4511.19 of the Revised Code. In 16244
addition to the mandatory prison term described in division (G)(2) 16245
of this section, the court may sentence the offender to a 16246
community control sanction under section 2929.16 or 2929.17 of the 16247
Revised Code, but the offender shall serve the prison term prior 16248
to serving the community control sanction. The department of 16249
rehabilitation and correction may place an offender sentenced to a 16250
mandatory prison term under this division in an intensive program 16251
prison established pursuant to section 5120.033 of the Revised 16252
Code if the department gave the sentencing judge prior notice of 16253
its intent to place the offender in an intensive program prison 16254
established under that section and if the judge did not notify the 16255
department that the judge disapproved the placement. Upon the 16256
establishment of the initial intensive program prison pursuant to 16257
section 5120.033 of the Revised Code that is privately operated 16258
and managed by a contractor pursuant to a contract entered into 16259
under section 9.06 of the Revised Code, both of the following 16260
apply: 16261

(a) The department of rehabilitation and correction shall 16262
make a reasonable effort to ensure that a sufficient number of 16263
offenders sentenced to a mandatory prison term under this division 16264
are placed in the privately operated and managed prison so that 16265
the privately operated and managed prison has full occupancy. 16266

(b) Unless the privately operated and managed prison has full 16267
occupancy, the department of rehabilitation and correction shall 16268
not place any offender sentenced to a mandatory prison term under 16269
this division in any intensive program prison established pursuant 16270
to section 5120.033 of the Revised Code other than the privately 16271
operated and managed prison. 16272

(H) If an offender is being sentenced for a sexually oriented 16273

offense committed on or after January 1, 1997, the judge shall 16274
require the offender to submit to a DNA specimen collection 16275
procedure pursuant to section 2901.07 of the Revised Code if 16276
either of the following applies: 16277

(1) The offense was a violent sex offense or a designated 16278
homicide, assault, or kidnapping offense and, in relation to that 16279
offense, the offender was adjudicated a sexually violent predator. 16280

(2) The judge imposing sentence for the sexually oriented 16281
offense determines pursuant to division (B) of section 2950.09 of 16282
the Revised Code that the offender is a sexual predator. 16283

(I) If an offender is being sentenced for a sexually oriented 16284
offense that is not a registration-exempt sexually oriented 16285
offense or for a child-victim oriented offense committed on or 16286
after January 1, 1997, the judge shall include in the sentence a 16287
summary of the offender's duties imposed under sections 2950.04, 16288
2950.041, 2950.05, and 2950.06 of the Revised Code and the 16289
duration of the duties. The judge shall inform the offender, at 16290
the time of sentencing, of those duties and of their duration and, 16291
if required under division (A)(2) of section 2950.03 of the 16292
Revised Code, shall perform the duties specified in that section. 16293

(J)(1) Except as provided in division (J)(2) of this section, 16294
when considering sentencing factors under this section in relation 16295
to an offender who is convicted of or pleads guilty to an attempt 16296
to commit an offense in violation of section 2923.02 of the 16297
Revised Code, the sentencing court shall consider the factors 16298
applicable to the felony category of the violation of section 16299
2923.02 of the Revised Code instead of the factors applicable to 16300
the felony category of the offense attempted. 16301

(2) When considering sentencing factors under this section in 16302
relation to an offender who is convicted of or pleads guilty to an 16303
attempt to commit a drug abuse offense for which the penalty is 16304

determined by the amount or number of unit doses of the controlled substance involved in the drug abuse offense, the sentencing court shall consider the factors applicable to the felony category that the drug abuse offense attempted would be if that drug abuse offense had been committed and had involved an amount or number of unit doses of the controlled substance that is within the next lower range of controlled substance amounts than was involved in the attempt.

(K) As used in this section, "drug abuse offense" has the same meaning as in section 2925.01 of the Revised Code.

Sec. 2929.14. (A) Except as provided in division (C), (D)(1), (D)(2), (D)(3), (D)(4), (D)(5), (D)(6), or (G) of this section and except in relation to an offense for which a sentence of death or life imprisonment is to be imposed, if the court imposing a sentence upon an offender for a felony elects or is required to impose a prison term on the offender pursuant to this chapter, the court shall impose a definite prison term that shall be one of the following:

(1) For a felony of the first degree, the prison term shall be three, four, five, six, seven, eight, nine, or ten years.

(2) For a felony of the second degree, the prison term shall be two, three, four, five, six, seven, or eight years.

(3) For a felony of the third degree, the prison term shall be one, two, three, four, or five years.

(4) For a felony of the fourth degree, the prison term shall be six, seven, eight, nine, ten, eleven, twelve, thirteen, fourteen, fifteen, sixteen, seventeen, or eighteen months.

(5) For a felony of the fifth degree, the prison term shall be six, seven, eight, nine, ten, eleven, or twelve months.

(B) Except as provided in division (C), (D)(1), (D)(2),

(D)(3), (D)(5), (D)(6), or (G) of this section, in section 2907.02 16335
of the Revised Code, or in Chapter 2925. of the Revised Code, if 16336
the court imposing a sentence upon an offender for a felony elects 16337
or is required to impose a prison term on the offender, the court 16338
shall impose the shortest prison term authorized for the offense 16339
pursuant to division (A) of this section, unless one or more of 16340
the following applies: 16341

(1) The offender was serving a prison term at the time of the 16342
offense, or the offender previously had served a prison term. 16343

(2) The court finds on the record that the shortest prison 16344
term will demean the seriousness of the offender's conduct or will 16345
not adequately protect the public from future crime by the 16346
offender or others. 16347

(C) Except as provided in division (G) of this section or in 16348
Chapter 2925. of the Revised Code, the court imposing a sentence 16349
upon an offender for a felony may impose the longest prison term 16350
authorized for the offense pursuant to division (A) of this 16351
section only upon offenders who committed the worst forms of the 16352
offense, upon offenders who pose the greatest likelihood of 16353
committing future crimes, upon certain major drug offenders under 16354
division (D)(3) of this section, and upon certain repeat violent 16355
offenders in accordance with division (D)(2) of this section. 16356

(D)(1)(a) Except as provided in division (D)(1)(e) of this 16357
section, if an offender who is convicted of or pleads guilty to a 16358
felony also is convicted of or pleads guilty to a specification of 16359
the type described in section 2941.141, 2941.144, or 2941.145 of 16360
the Revised Code, the court shall impose on the offender one of 16361
the following prison terms: 16362

(i) A prison term of six years if the specification is of the 16363
type described in section 2941.144 of the Revised Code that 16364
charges the offender with having a firearm that is an automatic 16365

firearm or that was equipped with a firearm muffler or silencer on 16366
or about the offender's person or under the offender's control 16367
while committing the felony; 16368

(ii) A prison term of three years if the specification is of 16369
the type described in section 2941.145 of the Revised Code that 16370
charges the offender with having a firearm on or about the 16371
offender's person or under the offender's control while committing 16372
the offense and displaying the firearm, brandishing the firearm, 16373
indicating that the offender possessed the firearm, or using it to 16374
facilitate the offense; 16375

(iii) A prison term of one year if the specification is of 16376
the type described in section 2941.141 of the Revised Code that 16377
charges the offender with having a firearm on or about the 16378
offender's person or under the offender's control while committing 16379
the felony. 16380

(b) If a court imposes a prison term on an offender under 16381
division (D)(1)(a) of this section, subject to section 2967.05 of 16382
the Revised Code, the prison term shall not be reduced pursuant to 16383
section 2929.20, section 2967.193, or any other provision of 16384
Chapter 2967. or Chapter 5120. of the Revised Code. A court shall 16385
not impose more than one prison term on an offender under division 16386
(D)(1)(a) of this section for felonies committed as part of the 16387
same act or transaction. 16388

(c) Except as provided in division (D)(1)(e) of this section, 16389
if an offender who is convicted of or pleads guilty to a violation 16390
of section 2923.161 of the Revised Code or to a felony that 16391
includes, as an essential element, purposely or knowingly causing 16392
or attempting to cause the death of or physical harm to another, 16393
also is convicted of or pleads guilty to a specification of the 16394
type described in section 2941.146 of the Revised Code that 16395
charges the offender with committing the offense by discharging a 16396

firearm from a motor vehicle other than a manufactured home, the
court, after imposing a prison term on the offender for the
violation of section 2923.161 of the Revised Code or for the other
felony offense under division (A), (D)(2), or (D)(3) of this
section, shall impose an additional prison term of five years upon
the offender that, subject to section 2967.05 of the Revised Code,
shall not be reduced pursuant to section 2929.20, section
2967.193, or any other provision of Chapter 2967. or Chapter 5120.
of the Revised Code. A court shall not impose more than one
additional prison term on an offender under division (D)(1)(c) of
this section for felonies committed as part of the same act or
transaction. If a court imposes an additional prison term on an
offender under division (D)(1)(c) of this section relative to an
offense, the court also shall impose a prison term under division
(D)(1)(a) of this section relative to the same offense, provided
the criteria specified in that division for imposing an additional
prison term are satisfied relative to the offender and the
offense.

(d) If an offender who is convicted of or pleads guilty to an
offense of violence that is a felony also is convicted of or
pleads guilty to a specification of the type described in section
2941.1411 of the Revised Code that charges the offender with
wearing or carrying body armor while committing the felony offense
of violence, the court shall impose on the offender a prison term
of two years. The Subject to section 2967.05 of the Revised Code,
the prison term so imposed shall not be reduced pursuant to
section 2929.20, section 2967.193, or any other provision of
Chapter 2967. or Chapter 5120. of the Revised Code. A court shall
not impose more than one prison term on an offender under division
(D)(1)(d) of this section for felonies committed as part of the
same act or transaction. If a court imposes an additional prison
term under division (D)(1)(a) or (c) of this section, the court is

not precluded from imposing an additional prison term under 16429
division (D)(1)(d) of this section. 16430

(e) The court shall not impose any of the prison terms 16431
described in division (D)(1)(a) of this section or any of the 16432
additional prison terms described in division (D)(1)(c) of this 16433
section upon an offender for a violation of section 2923.12 or 16434
2923.123 of the Revised Code. The court shall not impose any of 16435
the prison terms described in division (D)(1)(a) of this section 16436
or any of the additional prison terms described in division 16437
(D)(1)(c) of this section upon an offender for a violation of 16438
section 2923.13 of the Revised Code unless all of the following 16439
apply: 16440

(i) The offender previously has been convicted of aggravated 16441
murder, murder, or any felony of the first or second degree. 16442

(ii) Less than five years have passed since the offender was 16443
released from prison or post-release control, whichever is later, 16444
for the prior offense. 16445

(f) If an offender is convicted of or pleads guilty to a 16446
felony that includes, as an essential element, causing or 16447
attempting to cause the death of or physical harm to another and 16448
also is convicted of or pleads guilty to a specification of the 16449
type described in section 2941.1412 of the Revised Code that 16450
charges the offender with committing the offense by discharging a 16451
firearm at a peace officer as defined in section 2935.01 of the 16452
Revised Code or a corrections officer as defined in section 16453
2941.1412 of the Revised Code, the court, after imposing a prison 16454
term on the offender for the felony offense under division (A), 16455
(D)(2), or (D)(3) of this section, shall impose an additional 16456
prison term of seven years upon the offender that, subject to 16457
section 2967.05 of the Revised Code, shall not be reduced pursuant 16458
to section 2929.20, section 2967.193, or any other provision of 16459
Chapter 2967. or Chapter 5120. of the Revised Code. A court shall 16460

not impose more than one additional prison term on an offender 16461
under division (D)(1)(f) of this section for felonies committed as 16462
part of the same act or transaction. If a court imposes an 16463
additional prison term on an offender under division (D)(1)(f) of 16464
this section relative to an offense, the court shall not impose a 16465
prison term under division (D)(1)(a) or (c) of this section 16466
relative to the same offense. 16467

(2)(a) If an offender who is convicted of or pleads guilty to 16468
a felony also is convicted of or pleads guilty to a specification 16469
of the type described in section 2941.149 of the Revised Code that 16470
the offender is a repeat violent offender, the court shall impose 16471
a prison term from the range of terms authorized for the offense 16472
under division (A) of this section that may be the longest term in 16473
the range and that, subject to section 2967.05 of the Revised 16474
Code, shall not be reduced pursuant to section 2929.20, section 16475
2967.193, or any other provision of Chapter 2967. or Chapter 5120. 16476
of the Revised Code. If the court finds that the repeat violent 16477
offender, in committing the offense, caused any physical harm that 16478
carried a substantial risk of death to a person or that involved 16479
substantial permanent incapacity or substantial permanent 16480
disfigurement of a person, the court shall impose the longest 16481
prison term from the range of terms authorized for the offense 16482
under division (A) of this section. 16483

(b) If the court imposing a prison term on a repeat violent 16484
offender imposes the longest prison term from the range of terms 16485
authorized for the offense under division (A) of this section, the 16486
court may impose on the offender an additional definite prison 16487
term of one, two, three, four, five, six, seven, eight, nine, or 16488
ten years if the court finds that both of the following apply with 16489
respect to the prison terms imposed on the offender pursuant to 16490
division (D)(2)(a) of this section and, if applicable, divisions 16491
(D)(1) and (3) of this section: 16492

(i) The terms so imposed are inadequate to punish the offender and protect the public from future crime, because the applicable factors under section 2929.12 of the Revised Code indicating a greater likelihood of recidivism outweigh the applicable factors under that section indicating a lesser likelihood of recidivism.

(ii) The terms so imposed are demeaning to the seriousness of the offense, because one or more of the factors under section 2929.12 of the Revised Code indicating that the offender's conduct is more serious than conduct normally constituting the offense are present, and they outweigh the applicable factors under that section indicating that the offender's conduct is less serious than conduct normally constituting the offense.

(3)(a) Except when an offender commits a violation of section 2903.01 or 2907.02 of the Revised Code and the penalty imposed for the violation is life imprisonment or commits a violation of section 2903.02 of the Revised Code, if the offender commits a violation of section 2925.03 or 2925.11 of the Revised Code and that section classifies the offender as a major drug offender and requires the imposition of a ten-year prison term on the offender, if the offender commits a felony violation of section 2925.02, 2925.04, 2925.05, 2925.36, 3719.07, 3719.08, 3719.16, 3719.161, 4729.37, or 4729.61, division (C) or (D) of section 3719.172, division (C) of section 4729.51, or division (J) of section 4729.54 of the Revised Code that includes the sale, offer to sell, or possession of a schedule I or II controlled substance, with the exception of marihuana, and the court imposing sentence upon the offender finds that the offender is guilty of a specification of the type described in section 2941.1410 of the Revised Code charging that the offender is a major drug offender, if the court imposing sentence upon an offender for a felony finds that the offender is guilty of corrupt activity with the most serious

offense in the pattern of corrupt activity being a felony of the
first degree, or if the offender is guilty of an attempted
violation of section 2907.02 of the Revised Code and, had the
offender completed the violation of section 2907.02 of the Revised
Code that was attempted, the offender would have been subject to a
sentence of life imprisonment or life imprisonment without parole
for the violation of section 2907.02 of the Revised Code, the
court shall impose upon the offender for the felony violation a
ten-year prison term that, subject to section 2967.05 of the
Revised Code, cannot be reduced pursuant to section 2929.20 or
Chapter 2967. or 5120. of the Revised Code.

(b) The court imposing a prison term on an offender under
division (D)(3)(a) of this section may impose an additional prison
term of one, two, three, four, five, six, seven, eight, nine, or
ten years, if the court, with respect to the term imposed under
division (D)(3)(a) of this section and, if applicable, divisions
(D)(1) and (2) of this section, makes both of the findings set
forth in divisions (D)(2)(b)(i) and (ii) of this section.

(4) If the offender is being sentenced for a third or fourth
degree felony OVI offense under division (G)(2) of section 2929.13
of the Revised Code, the sentencing court shall impose upon the
offender a mandatory prison term in accordance with that division.
In addition to the mandatory prison term, if the offender is being
sentenced for a fourth degree felony OVI offense, the court,
notwithstanding division (A)(4) of this section, may sentence the
offender to a definite prison term of not less than six months and
not more than thirty months, and if the offender is being
sentenced for a third degree felony OVI offense, the sentencing
court may sentence the offender to an additional prison term of
any duration specified in division (A)(3) of this section. In
either case, the additional prison term imposed shall be reduced
by the sixty or one hundred twenty days imposed upon the offender

as the mandatory prison term. The total of the additional prison
term imposed under division (D)(4) of this section plus the sixty
or one hundred twenty days imposed as the mandatory prison term
shall equal a definite term in the range of six months to thirty
months for a fourth degree felony OVI offense and shall equal one
of the authorized prison terms specified in division (A)(3) of
this section for a third degree felony OVI offense. If the court
imposes an additional prison term under division (D)(4) of this
section, the offender shall serve the additional prison term after
the offender has served the mandatory prison term required for the
offense. In addition to the mandatory prison term or mandatory and
additional prison term imposed as described in division (D)(4) of
this section, the court also may sentence the offender to a
community control sanction under section 2929.16 or 2929.17 of the
Revised Code, but the offender shall serve all of the prison terms
so imposed prior to serving the community control sanction.

If the offender is being sentenced for a fourth degree felony
OVI offense under division (G)(1) of section 2929.13 of the
Revised Code and the court imposes a mandatory term of local
incarceration, the court may impose a prison term as described in
division (A)(1) of that section.

(5) If an offender is convicted of or pleads guilty to a
violation of division (A)(1) or (2) of section 2903.06 of the
Revised Code and also is convicted of or pleads guilty to a
specification of the type described in section 2941.1414 of the
Revised Code that charges that the victim of the offense is a
peace officer, as defined in section 2935.01 of the Revised Code,
the court shall impose on the offender a prison term of five
years. If a court imposes a prison term on an offender under
division (D)(5) of this section, subject to section 2967.05 of the
Revised Code, the prison term shall not be reduced pursuant to
section 2929.20, section 2967.193, or any other provision of

Chapter 2967. or Chapter 5120. of the Revised Code. A court shall 16589
not impose more than one prison term on an offender under division 16590
(D)(5) of this section for felonies committed as part of the same 16591
act. 16592

(6) If an offender is convicted of or pleads guilty to a 16593
violation of division (A)(1) or (2) of section 2903.06 of the 16594
Revised Code and also is convicted of or pleads guilty to a 16595
specification of the type described in section 2941.1415 of the 16596
Revised Code that charges that the offender previously has been 16597
convicted of or pleaded guilty to three or more violations of 16598
division (A) or (B) of section 4511.19 of the Revised Code or an 16599
equivalent offense, as defined in section 2941.1415 of the Revised 16600
Code, or three or more violations of any combination of those 16601
divisions and offenses, the court shall impose on the offender a 16602
prison term of three years. If a court imposes a prison term on an 16603
offender under division (D)(6) of this section, subject to section 16604
2967.05 of the Revised Code, the prison term shall not be reduced 16605
pursuant to section 2929.20, section 2967.193, or any other 16606
provision of Chapter 2967. or Chapter 5120. of the Revised Code. A 16607
court shall not impose more than one prison term on an offender 16608
under division (D)(6) of this section for felonies committed as 16609
part of the same act. 16610

(E)(1)(a) Subject to division (E)(1)(b) of this section, if a 16611
mandatory prison term is imposed upon an offender pursuant to 16612
division (D)(1)(a) of this section for having a firearm on or 16613
about the offender's person or under the offender's control while 16614
committing a felony, if a mandatory prison term is imposed upon an 16615
offender pursuant to division (D)(1)(c) of this section for 16616
committing a felony specified in that division by discharging a 16617
firearm from a motor vehicle, or if both types of mandatory prison 16618
terms are imposed, the offender shall serve any mandatory prison 16619
term imposed under either division consecutively to any other 16620

mandatory prison term imposed under either division or under 16621
division (D)(1)(d) of this section, consecutively to and prior to 16622
any prison term imposed for the underlying felony pursuant to 16623
division (A), (D)(2), or (D)(3) of this section or any other 16624
section of the Revised Code, and consecutively to any other prison 16625
term or mandatory prison term previously or subsequently imposed 16626
upon the offender. 16627

(b) If a mandatory prison term is imposed upon an offender 16628
pursuant to division (D)(1)(d) of this section for wearing or 16629
carrying body armor while committing an offense of violence that 16630
is a felony, the offender shall serve the mandatory term so 16631
imposed consecutively to any other mandatory prison term imposed 16632
under that division or under division (D)(1)(a) or (c) of this 16633
section, consecutively to and prior to any prison term imposed for 16634
the underlying felony under division (A), (D)(2), or (D)(3) of 16635
this section or any other section of the Revised Code, and 16636
consecutively to any other prison term or mandatory prison term 16637
previously or subsequently imposed upon the offender. 16638

(c) If a mandatory prison term is imposed upon an offender 16639
pursuant to division (D)(1)(f) of this section, the offender shall 16640
serve the mandatory prison term so imposed consecutively to and 16641
prior to any prison term imposed for the underlying felony under 16642
division (A), (D)(2), or (D)(3) of this section or any other 16643
section of the Revised Code, and consecutively to any other prison 16644
term or mandatory prison term previously or subsequently imposed 16645
upon the offender. 16646

(2) If an offender who is an inmate in a jail, prison, or 16647
other residential detention facility violates section 2917.02, 16648
2917.03, 2921.34, or 2921.35 of the Revised Code, if an offender 16649
who is under detention at a detention facility commits a felony 16650
violation of section 2923.131 of the Revised Code, or if an 16651
offender who is an inmate in a jail, prison, or other residential 16652

detention facility or is under detention at a detention facility 16653
commits another felony while the offender is an escapee in 16654
violation of section 2921.34 of the Revised Code, any prison term 16655
imposed upon the offender for one of those violations shall be 16656
served by the offender consecutively to the prison term or term of 16657
imprisonment the offender was serving when the offender committed 16658
that offense and to any other prison term previously or 16659
subsequently imposed upon the offender. 16660

(3) If a prison term is imposed for a violation of division 16661
(B) of section 2911.01 of the Revised Code, a violation of 16662
division (A) of section 2913.02 of the Revised Code in which the 16663
stolen property is a firearm or dangerous ordnance, or a felony 16664
violation of division (B) of section 2921.331 of the Revised Code, 16665
the offender shall serve that prison term consecutively to any 16666
other prison term or mandatory prison term previously or 16667
subsequently imposed upon the offender. 16668

(4) If multiple prison terms are imposed on an offender for 16669
convictions of multiple offenses, the court may require the 16670
offender to serve the prison terms consecutively if the court 16671
finds that the consecutive service is necessary to protect the 16672
public from future crime or to punish the offender and that 16673
consecutive sentences are not disproportionate to the seriousness 16674
of the offender's conduct and to the danger the offender poses to 16675
the public, and if the court also finds any of the following: 16676

(a) The offender committed one or more of the multiple 16677
offenses while the offender was awaiting trial or sentencing, was 16678
under a sanction imposed pursuant to section 2929.16, 2929.17, or 16679
2929.18 of the Revised Code, or was under post-release control for 16680
a prior offense. 16681

(b) At least two of the multiple offenses were committed as 16682
part of one or more courses of conduct, and the harm caused by two 16683

or more of the multiple offenses so committed was so great or
unusual that no single prison term for any of the offenses
committed as part of any of the courses of conduct adequately
reflects the seriousness of the offender's conduct.

(c) The offender's history of criminal conduct demonstrates
that consecutive sentences are necessary to protect the public
from future crime by the offender.

(5) If a mandatory prison term is imposed upon an offender
pursuant to division (D)(5) or (6) of this section, the offender
shall serve the mandatory prison term consecutively to and prior
to any prison term imposed for the underlying violation of
division (A)(1) or (2) of section 2903.06 of the Revised Code
pursuant to division (A) of this section. If a mandatory prison
term is imposed upon an offender pursuant to division (D)(5) of
this section, and if a mandatory prison term also is imposed upon
the offender pursuant to division (D)(6) of this section in
relation to the same violation, the offender shall serve the
mandatory prison term imposed pursuant to division (D)(5) of this
section consecutively to and prior to the mandatory prison term
imposed pursuant to division (D)(6) of this section and
consecutively to and prior to any prison term imposed for the
underlying violation of division (A)(1) or (2) of section 2903.06
of the Revised Code pursuant to division (A) of this section.

(6) When consecutive prison terms are imposed pursuant to
division (E)(1), (2), (3), (4), or (5) of this section, the term
to be served is the aggregate of all of the terms so imposed.

(F) If a court imposes a prison term of a type described in
division (B) of section 2967.28 of the Revised Code, it shall
include in the sentence a requirement that the offender be subject
to a period of post-release control after the offender's release
from imprisonment, in accordance with that division. If a court

imposes a prison term of a type described in division (C) of that section, it shall include in the sentence a requirement that the offender be subject to a period of post-release control after the offender's release from imprisonment, in accordance with that division, if the parole board determines that a period of post-release control is necessary.

(G) If a person is convicted of or pleads guilty to a violent sex offense or a designated homicide, assault, or kidnapping offense and, in relation to that offense, the offender is adjudicated a sexually violent predator, the court shall impose sentence upon the offender in accordance with section 2971.03 of the Revised Code, and Chapter 2971. of the Revised Code applies regarding the prison term or term of life imprisonment without parole imposed upon the offender and the service of that term of imprisonment.

(H) If a person who has been convicted of or pleaded guilty to a felony is sentenced to a prison term or term of imprisonment under this section, sections 2929.02 to 2929.06 of the Revised Code, section 2971.03 of the Revised Code, or any other provision of law, section 5120.163 of the Revised Code applies regarding the person while the person is confined in a state correctional institution.

(I) If an offender who is convicted of or pleads guilty to a felony that is an offense of violence also is convicted of or pleads guilty to a specification of the type described in section 2941.142 of the Revised Code that charges the offender with having committed the felony while participating in a criminal gang, the court shall impose upon the offender an additional prison term of one, two, or three years.

(J) If an offender who is convicted of or pleads guilty to aggravated murder, murder, or a felony of the first, second, or

third degree that is an offense of violence also is convicted of 16746
or pleads guilty to a specification of the type described in 16747
section 2941.143 of the Revised Code that charges the offender 16748
with having committed the offense in a school safety zone or 16749
towards a person in a school safety zone, the court shall impose 16750
upon the offender an additional prison term of two years. The 16751
offender shall serve the additional two years consecutively to and 16752
prior to the prison term imposed for the underlying offense. 16753

(K) At the time of sentencing, the court may recommend the 16754
offender for placement in a program of shock incarceration under 16755
section 5120.031 of the Revised Code or for placement in an 16756
intensive program prison under section 5120.032 of the Revised 16757
Code, disapprove placement of the offender in a program of shock 16758
incarceration or an intensive program prison of that nature, or 16759
make no recommendation on placement of the offender. In no case 16760
shall the department of rehabilitation and correction place the 16761
offender in a program or prison of that nature unless the 16762
department determines as specified in section 5120.031 or 5120.032 16763
of the Revised Code, whichever is applicable, that the offender is 16764
eligible for the placement. 16765

If the court disapproves placement of the offender in a 16766
program or prison of that nature, the department of rehabilitation 16767
and correction shall not place the offender in any program of 16768
shock incarceration or intensive program prison. 16769

If the court recommends placement of the offender in a 16770
program of shock incarceration or in an intensive program prison, 16771
and if the offender is subsequently placed in the recommended 16772
program or prison, the department shall notify the court of the 16773
placement and shall include with the notice a brief description of 16774
the placement. 16775

If the court recommends placement of the offender in a 16776

program of shock incarceration or in an intensive program prison 16777
and the department does not subsequently place the offender in the 16778
recommended program or prison, the department shall send a notice 16779
to the court indicating why the offender was not placed in the 16780
recommended program or prison. 16781

If the court does not make a recommendation under this 16782
division with respect to an offender and if the department 16783
determines as specified in section 5120.031 or 5120.032 of the 16784
Revised Code, whichever is applicable, that the offender is 16785
eligible for placement in a program or prison of that nature, the 16786
department shall screen the offender and determine if there is an 16787
available program of shock incarceration or an intensive program 16788
prison for which the offender is suited. If there is an available 16789
program of shock incarceration or an intensive program prison for 16790
which the offender is suited, the department shall notify the 16791
court of the proposed placement of the offender as specified in 16792
section 5120.031 or 5120.032 of the Revised Code and shall include 16793
with the notice a brief description of the placement. The court 16794
shall have ten days from receipt of the notice to disapprove the 16795
placement. 16796

Sec. 2967.05. Upon the recommendation of the director of 16797
rehabilitation and correction, accompanied by a certificate of the 16798
attending physician that ~~a prisoner or convict~~ an inmate is 16799
terminally ill, medically incapacitated, or in imminent danger of 16800
death, the governor may order ~~his~~ the inmate's release ~~as if on~~ 16801
~~parole, reserving the right to return him to the institution~~ 16802
~~pursuant to this section. If, subsequent to his release, his~~ 16803
~~health improves so that he is no longer in imminent danger of~~ 16804
~~death, he shall be returned, by order of the governor, to the~~ 16805
~~institution from which he was released.~~ The governor may direct 16806
the adult parole authority to conduct an investigation and prepare 16807

a recommendation regarding the release. An inmate so released 16808
shall be subject to supervision by the adult parole authority, as 16809
may be recommended by the adult parole authority and approved by 16810
the governor. If ~~he~~ the inmate violates any rules or conditions 16811
applicable to ~~him~~ the inmate, ~~he~~ the inmate may be returned to an 16812
institution under the control of the department of rehabilitation 16813
and correction. The adult parole authority shall adopt rules under 16814
Chapter 119. of the Revised Code to establish the eligibility and 16815
procedures for medical releases under this section when an inmate 16816
is terminally ill, medically incapacitated, or in imminent danger 16817
of death. 16818

Sec. 2967.13. (A) Except as provided in division (G) of this 16819
section, a prisoner serving a sentence of imprisonment for life 16820

to any earned credit under section 2967.193 of the Revised Code 16822
and becomes eligible for parole as follows: 16823

(1) If a sentence of imprisonment for life was imposed for 16824
the offense of murder, at the expiration of the prisoner's minimum 16825
term; 16826

(2) If a sentence of imprisonment for life with parole 16827
eligibility after serving twenty years of imprisonment was imposed 16828
pursuant to section 2929.022 or 2929.03 of the Revised Code, after 16829
serving a term of twenty years; 16830

(3) If a sentence of imprisonment for life with parole 16831
eligibility after serving twenty-five full years of imprisonment 16832
was imposed pursuant to section 2929.022 or 2929.03 of the Revised 16833
Code, after serving a term of twenty-five full years; 16834

(4) If a sentence of imprisonment for life with parole 16835

16846
16847
16848
16849
16850
16851
16852
16853
16854
16855
16856
16857
16858
16859
16860

(C) Except as provided in division (G) of this section, a prisoner serving consecutively two or more sentences in which an indefinite term of imprisonment is imposed becomes eligible for parole upon the expiration of the aggregate of the minimum terms of the sentences. 16861
16862
16863
16864
16865

(D) Except as provided in division (G) of this section, a prisoner serving a term of imprisonment who is described in division (A) of section 2967.021 of the Revised Code becomes eligible for parole as described in that division or, if the 16866

(F) A prisoner serving a stated prison term shall be released 16877
in accordance with section 2967.28 of the Revised Code. 16878

(G) A prisoner serving a prison term or term of life 16879
imprisonment without parole imposed pursuant to section 2971.03 of 16880
the Revised Code never becomes eligible for parole during that 16881
term of imprisonment. 16882

Sec. 2971.05. (A)(1) After control over an offender's service 16883
of a prison term imposed pursuant to division (A)(3) of section 16884
2971.03 of the Revised Code has been transferred pursuant to 16885
section 2971.04 of the Revised Code to the court, the court shall 16886
schedule, within thirty days of any of the following, a hearing on 16887
whether to modify in accordance with division (C) of this section 16888
the requirement that the offender serve the entire prison term in 16889
a state correctional institution or to terminate the prison term 16890
in accordance with division (D) of this section: 16891

(a) Control over the offender's service of a prison term is 16892
transferred pursuant to section 2971.04 of the Revised Code to the 16893
court, and no hearing to modify the requirement has been held; 16894

(b) Two years elapse after the most recent prior hearing held 16895
pursuant to division (A)(1) or (2) of this section; 16896

(c) The prosecuting attorney, the department of 16897
rehabilitation and correction, or the adult parole authority 16898
requests the hearing, and recommends that the requirement be 16899

modified or that the offender's prison term be terminated. 16900

(2) After control over the offender's service of a prison 16901
term has been transferred pursuant to section 2971.04 of the 16902
Revised Code to the court, the court, within thirty days of either 16903
of the following, shall conduct a hearing on whether to modify in 16904
accordance with division (C) of this section the requirement that 16905
the offender serve the entire prison term in a state correctional 16906
institution, whether to continue, revise, or revoke an existing 16907
modification of that requirement, or whether to terminate the term 16908
in accordance with division (D) of this section: 16909

(a) The requirement that the offender serve the entire prison 16910
term in a state correctional institution has been modified, and 16911
the offender is taken into custody for any reason. 16912

(b) The department of rehabilitation and correction or the 16913
prosecuting attorney notifies the court pursuant to section 16914
2971.06 of the Revised Code regarding a known or suspected 16915
violation of a term or condition of the modification or a belief 16916
that there is a substantial likelihood that the offender has 16917
committed or is about to commit a sexually violent offense. 16918

(3) After control over the offender's service of a prison 16919
term has been transferred pursuant to section 2971.04 of the 16920
Revised Code to the court, the court, in any of the following 16921
circumstances, may conduct a hearing within thirty days to 16922
determine whether to modify in accordance with division (C) of 16923
this section the requirement that the offender serve the entire 16924
prison term in a state correctional institution, whether to 16925
continue, revise, or revoke an existing modification of that 16926
requirement, or whether to terminate the sentence in accordance 16927
with division (D) of this section: 16928

(a) The offender requests the hearing; 16929

(b) Upon the court's own motion; 16930

(c) One or more examiners who have conducted a psychological examination and assessment of the offender file a statement that states that there no longer is a likelihood that the offender will engage in the future in a sexually violent offense.

(B)(1) Before a court holds a hearing pursuant to division (A) of this section, the court shall provide notice of the date, time, place, and purpose of the hearing to the offender, the prosecuting attorney, the department of rehabilitation and correction, and the adult parole authority and shall request the department to prepare pursuant to section 5120.61 of the Revised Code an update of the most recent risk assessment and report relative to the offender. The offender has the right to be present at any hearing held under this section. At the hearing, the offender and the prosecuting attorney may make a statement and present evidence as to whether the requirement should or should not be modified, whether the existing modification of the requirement should be continued, revised, or revoked, and whether the prison term should or should not be terminated.

(2) At a hearing held pursuant to division (A) of this section, the court may and, if the hearing is held pursuant to division (A)(1)(a), (1)(b), or (3)(c) of this section, shall determine by clear and convincing evidence whether the offender is unlikely to commit a sexually violent offense in the future.

(3) At the conclusion of the hearing held pursuant to division (A) of this section, the court may order that the requirement that the offender serve the entire prison term in a state correctional institution be continued, that the requirement be modified pursuant to division (C) of this section, that an existing modification be continued, revised, or revoked pursuant to division (C) of this section, or that the prison term be terminated pursuant to division (D) of this section.

(C)(1) If, at the conclusion of a hearing held pursuant to 16962
division (A) of this section, the court determines by clear and 16963
convincing evidence that the offender will not represent a 16964
substantial risk of physical harm to others, the court may modify 16965
the requirement that the offender serve the entire prison term in 16966
a state correctional institution in a manner that the court 16967
considers appropriate. If the court modifies the requirement, the 16968
offender is subject to supervision under division (E) of this 16969
section. 16970

(2) The modification of the requirement does not terminate 16971
the prison term but serves only to suspend the requirement that 16972
the offender serve the entire term in a state correctional 16973
institution. The prison term shall remain in effect for the 16974
offender's entire life unless the court terminates the prison term 16975
pursuant to division (D) of this section. The offender shall 16976
remain under the jurisdiction of the court for the offender's 16977
entire life unless the court so terminates the prison term. The 16978
modification of the requirement does not terminate the 16979
classification of the offender, as described in division (F) of 16980
section 2971.03 of the Revised Code, as a sexual predator for 16981
purposes of Chapter 2950. of the Revised Code, and the offender is 16982
subject to supervision under division (E) of this section. 16983

(3) If the court revokes the modification under 16984
consideration, the court shall order that the offender be returned 16985
to the custody of the department of rehabilitation and correction 16986
to continue serving the prison term to which the modification 16987
applied, and section 2971.06 of the Revised Code applies regarding 16988
the offender. 16989

(D)(1) If, at the conclusion of a hearing held pursuant to 16990
division (A) of this section, the court determines by clear and 16991
convincing evidence that the offender is unlikely to commit a 16992
sexually violent offense in the future, the court may terminate 16993

the offender's prison term imposed under division (A)(3) of 16994
section 2971.03 of the Revised Code, subject to the offender 16995
satisfactorily completing the period of conditional release 16996
required by this division and compliance with division (E) of this 16997
section. If the court terminates the prison term, the court shall 16998
place the offender on conditional release for five years, require 16999
the offender to comply with division (E) of this section, notify 17000
the adult parole authority of its determination and of the 17001
termination of the prison term, and order the adult parole 17002
authority to supervise the offender during the five-year period of 17003
conditional release and to supervise the offender pursuant to 17004
division (E) of this section. Upon receipt of a notice from a 17005
court pursuant to this division, the adult parole authority shall 17006
supervise the offender who is the subject of the notice during the 17007
five-year period of conditional release, periodically notify the 17008
court of the offender's activities during that five-year period of 17009
conditional release, and file with the court no later than thirty 17010
days prior to the expiration of the five-year period of 17011
conditional release a written recommendation as to whether the 17012
termination of the offender's prison term should be finalized, 17013
whether the period of conditional release should be extended, or 17014
whether another type of action authorized pursuant to this chapter 17015
should be taken. 17016

Upon receipt of a recommendation of the adult parole 17017
authority filed pursuant to this division, the court shall hold a 17018
hearing to determine whether to finalize the termination of the 17019
offender's prison term, to extend the period of conditional 17020
release, or to take another type of action authorized pursuant to 17021
this chapter. The court shall hold the hearing no later than the 17022
date on which the five-year period of conditional release 17023
terminates and shall provide notice of the date, time, place, and 17024
purpose of the hearing to the offender and to the prosecuting 17025

attorney. At the hearing, the offender, the prosecuting attorney, 17026
and the adult parole authority employee who supervised the 17027
offender during the period of conditional release may make a 17028
statement and present evidence. 17029

(2) If the court determines to extend an offender's period of 17030
conditional release, it may do so for additional periods of one 17031
year in the same manner as the original period of conditional 17032
release, and except as otherwise described in this division, all 17033
procedures and requirements that applied to the original period of 17034
conditional release apply to the additional period of extended 17035
conditional release unless the court modifies a procedure or 17036
requirement. If an offender's period of conditional release is 17037
extended as described in this division, all references to a 17038
five-year period of conditional release that are contained in 17039
division (D)(1) of this section shall be construed, in applying 17040
the provisions of that division to the extension, as being 17041
references to the one-year period of the extension of the 17042
conditional release. 17043

If the court determines to take another type of action 17044
authorized pursuant to this chapter, it may do so in the same 17045
manner as if the action had been taken at any other stage of the 17046
proceedings under this chapter. As used in this division, "another 17047
type of action" includes the revocation of the conditional release 17048
and the return of the offender to a state correctional institution 17049
to continue to serve the prison term. 17050

If the court determines to finalize the termination of the 17051
offender's prison term, it shall notify the department of 17052
rehabilitation and correction, the department shall enter into its 17053
records a final release and issue to the offender a certificate of 17054
final release, and the prison term thereafter shall be considered 17055
completed and terminated in every way. 17056

The termination of the offender's prison term pursuant to division (D)(1) or (2) of this section does not affect the classification of the offender, as described in division (F) of section 2971.03 of the Revised Code, as a sexual predator for purposes of Chapter 2950. of the Revised Code, and does not terminate the adult parole authority's supervision of a sexually violent predator with an active global positioning system device, pursuant to division (E) of this section. The classification of the offender as a sexual predator is permanent and continues until the offender's death as described in division (D)(2) of section 2950.09 of the Revised Code.

(E) The adult parole authority shall supervise an offender whose prison term is modified as provided in division (C) of this section or whose prison term is terminated as provided in division (D) of this section with an active global positioning system device during any time period in which the offender is not incarcerated in a state correctional institution. Unless the court removes the offender's classification as a sexually violent predator, an offender is subject to supervision with an active global positioning system pursuant to this division for the offender's entire life. The costs of administering the supervision of sexually violent offenders with an active global positioning system device shall be paid out of funds from the reparations fund, created pursuant to section 2743.191 of the Revised Code. This division shall only apply to a sexually violent predator who is released from the custody of the department of rehabilitation and correction on or after the effective date of this amendment.

to charge for the services and the actual cost to the agency or 17106
attorney of providing the services. An accounting shall indicate 17107
whether any expenses listed in division (C) of this section do not 17108
apply to the adoption proceeding for which the accounting is 17109
filed. 17110

The agency or attorney shall include with a preliminary 17111
estimate accounting and a final accounting a written statement 17112

3107.12, 5103.151, and 5103.152 of the Revised Code;	17134
(5) Temporary costs of routine maintenance and medical care	17135

that is going to be disbursed for an expense listed in division	17146
(C) of this section is unreasonable, the court may order a	17147

person who made the disbursement an amount the court orders. 17152

If a court determines from an accounting that a disbursement 17153

conforming to requirements of federal law for receipt of federal 17642
funds for disadvantaged pupils. To the extent possible, the 17643

(b) Any alternate assessment approved by the department for a 17647
student under this division shall produce measurable results 17648

school district or building under section 3302.03 of the Revised 17652

the chartered nonpublic school shall not prohibit the student from 17663
taking the test. 17664

(2) A district board may, for medical reasons or other good 17665

Each high school selected to provide intervention services under this division shall provide intervention services to any student whose test results indicate that the student is failing to make satisfactory progress toward being able to attain scores at the proficient level on the Ohio graduation tests. Intervention services shall be provided in any skill in which a student demonstrates unsatisfactory progress and shall be commensurate with the student's test performance. Schools shall provide the intervention services prior to the end of the school year, during the summer following the ninth grade, in the next succeeding school year, or at any combination of those times.

(E) Except as provided in section 3313.608 of the Revised

Code and division (M) of this section, no school district board of
education shall utilize any student's failure to attain a
specified score on any test administered under this section as a
factor in any decision to deny the student promotion to a higher
grade level. However, a district board may choose not to promote
to the next grade level any student who does not take any test
administered under this section or make up such test as provided
by division (C)(2) of this section and who is not exempt from the
requirement to take the test under division (C)(3) of this
section.

twenty-two years of age who dropped out of high school or are at 18861
risk of dropping out of high school due to poor attendance, 18862
disciplinary problems, or suspensions. 18863

For any district that sponsors a conversion community school 18864
under Chapter 3314. of the Revised Code, the department shall 18865
combine data regarding the academic performance of students 18866
enrolled in the community school with comparable data from the 18867

Revised Code. 18880

section, the department shall do all of the following: 18892

full school year. 18905

Sec. 3302.10. (A) Beginning July 1, 2007, the superintendent of public instruction shall establish an academic distress commission for each school district that has been declared to be in a state of academic emergency pursuant to section 3302.03 of the Revised Code and has failed to make adequate yearly progress for four or more consecutive school years. Each commission shall assist the district for which it was established in improving the district's academic performance.

(B) Each academic distress commission shall consist of five voting members, three of whom shall be appointed by the superintendent of public instruction and two of whom shall be appointed by the president of the board of education of the applicable school district.

(C) Each academic distress commission shall seek input from the district board of education regarding ways to improve the district's academic performance, but any decision of the commission related to any authority granted to the commission under this section shall be final.

The commission may do any of the following:

(1) Appoint school building administrators and reassign administrative personnel;

(2) Terminate the contracts of administrators or administrative personnel. The commission shall not be required to comply with section 3319.16 of the Revised Code with respect to any contract terminated under this division.

(3) Contract with a private entity to perform school or district management functions;

(4) Establish a budget for the district and approve district expenditures, unless a financial planning and supervision commission has been established for the district pursuant to

<u>section 3316.05 of the Revised Code.</u>	18936
<u>(D) If the board of education of a district for which an academic distress commission has been established under this section renews any collective bargaining agreement under Chapter 4117. of the Revised Code during the existence of the commission, the district board shall not enter into any agreement that would render any decision of the commission unenforceable. <u>(E) An academic distress commission shall cease to exist when the district for which it was established receives a performance rating under section 3302.03 of the Revised Code of in need of continuous improvement or better for two out of three school years; however, the superintendent of public instruction may dissolve the commission earlier if the superintendent determines that the district can perform adequately without the supervision of the commission.</u>	18944 18945 18946 18947 18948 18949 18950 18951
<u>Sec. 3310.01. As used in sections 3310.01 to 3310.17 of the Revised Code:</u>	18952 18953
<u>(A) An "eligible student" is a student who satisfies the conditions specified in section 3310.03 of the Revised Code.</u>	18954 18955
<u>(B) "Parent" has the same meaning as in section 3313.98 of the Revised Code.</u>	18956 18957
<u>(C) "Resident district" means the school district in which a student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.</u>	18958 18959 18960
<u>(D) "School year" has the same meaning as in section 3313.62 of the Revised Code.</u>	18961 18962

of education annually shall pay scholarships to attend chartered 18965
nonpublic schools in accordance with section 3310.08 of the 18966
Revised Code for up to the number of eligible students prescribed 18967
by the general assembly. If the number of students who apply for a 18968
scholarship exceeds the number prescribed by the general assembly, 18969
the department first shall award scholarships to eligible students 18970
who received scholarships in the prior school year, and then shall 18971
give priority to eligible students with family incomes at or below 18972
two hundred per cent of the federal poverty guidelines, as defined 18973
in section 5101.46 of the Revised Code. After awarding 18974
scholarships to previous recipients and to low-income eligible 18975
students, the department shall select students by lot to receive 18976
any remaining scholarships. 18977

Sec. 3310.03. (A) A student is an "eligible student" for 18978
purposes of the educational choice scholarship pilot program if 18979
the student satisfies both of the following conditions: 18980

(1) The student either: 18981

(a) Is enrolled in a school building that is operated by the 18982
student's resident district and that the department of education 18983
declared, in the most recent rating of school buildings published 18984
prior to the first day of July of the school year for which a 18985
scholarship is sought and in the two preceding school years, to be 18986
in a state of academic emergency under section 3302.03 of the 18987
Revised Code; 18988

(b) Is eligible to enroll in kindergarten in the school year 18989
for which a scholarship is sought and otherwise would be assigned 18990
under section 3319.01 of the Revised Code to a school building 18991
described in division (A)(1)(a) of this section; 18992

(c) Is enrolled in a community school established under 18993
Chapter 3314. of the Revised Code but otherwise would be assigned 18994

under section 3319.01 of the Revised Code to a building described 18995
in division (A)(1)(a) of this section. 18996

(2) The student's resident district is not a school district 18997
in which the pilot project scholarship program is operating under 18998
sections 3313.974 to 3313.979 of the Revised Code. 18999

(B) A student who receives a scholarship under the 19000
educational choice scholarship pilot program remains an eligible 19001
student and may continue to receive scholarships in subsequent 19002
school years until the student completes grade twelve, so long as 19003
both of the following apply: 19004

(1) The student takes each state test prescribed for the 19005
student's grade level under section 3301.0710 or 3301.0712 of the 19006
Revised Code while enrolled in a chartered nonpublic school; 19007

(2) In each school year that the student is enrolled in a 19008
chartered nonpublic school, the student is absent from school for 19009
not more than twenty days that the school is open for instruction, 19010
not including absences due to illness or injury confirmed in 19011
writing by a physician. 19012

(C) The superintendent shall cease awarding first-time 19013
scholarships with respect to a school building that, in the most 19014
recent ratings of school buildings published under section 3302.03 19015
of the Revised Code prior to the first day of July of the school 19016
year, ceases to be in a state of academic emergency. However, 19017
students who have received scholarships in the prior school year 19018
remain eligible students pursuant to division (B) of this section. 19019

Sec. 3310.04. Any eligible student who is enrolled in a 19020
chartered nonpublic school and for whom a scholarship under the 19021
educational choice scholarship pilot program has been awarded 19022
shall be entitled to transportation to and from the chartered 19023
nonpublic school by the student's resident district in the manner 19024

prescribed in section 3327.01 of the Revised Code.

19025

Sec. 3310.05. A scholarship under the educational choice scholarship pilot program is not available for any student whose resident district is a school district in which the pilot project scholarship program is operating under sections 3313.974 to 3313.979 of the Revised Code. The two pilot programs are separate and distinct. The general assembly has prescribed separate scholarship amounts for the two pilot programs in recognition of their differing eligibility criteria. The pilot project scholarship program operating under sections 3313.974 to 3313.979 of the Revised Code is a district-wide program that may award scholarships to students who do not attend district schools that face academic challenges, whereas the educational choice scholarship pilot program established under sections 3310.01 to 3310.17 of the Revised Code is limited to students of individual district school buildings that face academic challenges.

educational choice scholarship pilot program shall notify the 19054
department of education of the student's and parent's names and 19055
address, the chartered nonpublic school in which the student has 19056
been accepted for enrollment, and the tuition charged by the 19057
school. 19058

Sec. 3310.08. (A) The amount paid for an eligible student 19059
under the educational choice scholarship pilot program shall be 19060
the lesser of the tuition of the chartered nonpublic school in 19061
which the student is enrolled or the maximum amount prescribed in 19062
section 3310.09 of the Revised Code. 19063

(B)(1) The department shall pay to the parent of each 19064
eligible student for whom a scholarship is awarded under the 19065
program, or to the student if at least eighteen years of age, 19066
periodic partial payments of the scholarship. 19067

(2) The department shall proportionately reduce or terminate 19068
the payments for any student who withdraws from a chartered 19069
nonpublic school prior to the end of the school year. 19070

(C)(1) The department shall deduct from the payments made to 19071
each school district under Chapter 3317. and, if necessary, 19072
sections 321.24 and 323.156 of the Revised Code the amount of five 19073
thousand two hundred dollars for each eligible student awarded a 19074
scholarship under the educational choice scholarship pilot program 19075
who is entitled under section 3313.64 or 3313.65 of the Revised 19076
Code to attend school in the district. 19077

(2) If the department reduces or terminates payments to a 19078
parent or a student, as prescribed in division (B)(2) of this 19079
section, and the student re-enrolls in the schools of the 19080
student's resident district before the end of the school year, the 19081
department shall proportionally restore to the resident district 19082
the amount deducted for that student under division (C)(1) of this 19083

section. 19084

(D) In the case of any school district from which a deduction is made under division (C) of this section, the department shall disclose on the district's SF-3 form, or any successor to that form used to calculate a district's state funding for operating expenses, a comparison of the following: 19085
19086
19087
19088
19089

(1) The district's state base-cost payment, as calculated under division (A)(1) of section 3317.022 of the Revised Code prior to making the adjustments under divisions (A)(2) and (3) of that section, with the scholarship students included in the district's formula ADM; 19090
19091
19092
19093
19094

(2) What the district's state base-cost payment would have been, as calculated under division (A)(1) of that section prior to making the adjustments under divisions (A)(2) and (3) of that section, if the scholarship students were not included in the district's formula ADM. 19095
19096
19097
19098
19099

This comparison shall display both the aggregate difference between the amounts described in divisions (D)(1) and (2) of this section, and the quotient of that aggregate difference divided by the number of eligible students for whom deductions are made under division (C) of this section. 19100
19101
19102
19103
19104

Sec. 3310.09. (A) The maximum amount awarded to an eligible student in fiscal year 2007 under the educational choice scholarship pilot program shall be as follows: 19105
19106
19107

(1) For grades kindergarten through eight, four thousand two hundred fifty dollars; 19108
19109

19110

(2) For grades nine through twelve, five thousand dollars. 19111

(B) In fiscal year 2008 and in each fiscal year thereafter, 19112

the maximum amount awarded under the program shall be the 19113
applicable maximum amount awarded in the previous fiscal year 19114
increased by the same percentage by which the general assembly 19115
increased the formula amount, as defined in section 3317.02 of the 19116
Revised Code, from the previous fiscal year. 19117

Sec. 3310.10. A scholarship awarded under section 3310.08 of 19118
the Revised Code may be used only to pay tuition to any chartered 19119
nonpublic school. 19120

Sec. 3310.13. (A) No chartered nonpublic school shall charge 19121
any student whose family income is at or below two hundred per 19122
cent of the federal poverty guidelines, as defined in section 19123
5101.46 of the Revised Code, a tuition fee that is greater than 19124
the total amount paid for that student under section 3310.08 of 19125
the Revised Code. 19126

(B) A chartered nonpublic school may charge any other student 19127
who is paid a scholarship under that section the difference 19128
between the amount of the scholarship and the regular tuition 19129
charge of the school. Each chartered nonpublic school shall permit 19130
such an eligible student's family, at the family's option, to 19131
provide volunteer services in lieu of cash payment to pay all or 19132
part of the amount of the school's tuition not covered by the 19133
scholarship paid under section 3310.08 of the Revised Code. 19134

Sec. 3310.14. Notwithstanding division (K) of section 19135
3301.0711 of the Revised Code, each chartered nonpublic school 19136
that enrolls students awarded scholarships under sections 3310.01 19137
to 3310.17 of the Revised Code annually shall administer the tests 19138
prescribed by section 3301.0710 or 3301.0712 of the Revised Code 19139
to each scholarship student in accordance with section 3301.0711 19140
of the Revised Code. Each chartered nonpublic school shall report 19141
to the department of education the results of each test 19142

administered to each scholarship student under this section. 19143

Nothing in this section requires a chartered nonpublic school 19144
to administer any achievement test, except for an Ohio graduation 19145
test prescribed by division (B) of section 3301.0710 of the 19146
Revised Code, as required by section 3313.612 of the Revised Code, 19147
to any student enrolled in the school who is not a scholarship 19148
student. 19149

Sec. 3310.16. (A) The state board of education shall adopt 19150
rules in accordance with Chapter 119. of the Revised Code 19151
prescribing procedures for the administration of the educational 19152
choice scholarship pilot program. 19153

(B) The state board and the department of education shall not 19154
require chartered nonpublic schools to comply with any education 19155
laws or rules or other requirements that are not specified in 19156
sections 3310.01 to 3310.17 of the Revised Code and that otherwise 19157
would not apply to a chartered nonpublic school. 19158

Sec. 3310.17. The general assembly shall prescribe the number 19159
of students that may be selected each fiscal year for scholarships 19160

at least seventy-five days after the board of elections certifies
the validity and sufficiency of signatures on the petition. The

the need for latchkey programs in its district or territory and 19273
determine the best and most efficient manner of providing latchkey 19274
programs to children residing in the district or territory. Prior 19275
to operating any latchkey program, making any payments, or 19276
providing any employees or ancillary services under sections 19277
3313.207 to 3313.209 of the Revised Code, a board ~~of education~~ 19278

service center's role in the implementation and funding of any 19284

A board ~~of education~~ may ~~operate~~ provide a latchkey program, 19289

for such a program. 19301~~

~~(2) The board may provide ancillary services for the program 19302
notwithstanding the fact that some portions of such services may 19303
be supported by money from the district's general fund. 19304~~

Sec. 3313.209. (A) A board of education of a school district 19305
that does not ~~operate~~ provide a latchkey program may provide 19306
ancillary services to and may make payments to any program 19307

under division (A) of this section may furnish to any person or 19312
entity that operates a latchkey program ancillary services or 19313

this section, except as follows: 19318~~

~~(1) The board may expend any money in the district's general 19319
fund resulting from an appropriation of the general assembly that 19320
specifically permits the expenditure of such appropriated funds 19321
for latchkey programs. 19322~~

~~(2) The board may provide ancillary services pursuant to 19323~~

~~division (A) or (B) of this section notwithstanding the fact that~~ 19324

Sec. 3313.489. (A) The superintendent of public instruction 19331
shall examine each ~~spending plan and appropriations measure~~ 19332
five-year projection of revenues and expenditures submitted under 19333
section 5705.391 of the Revised Code and shall determine whether 19334
the information contained therein, together with any other 19335
relevant information, indicates that the district may be 19336
financially unable to operate its instructional program on all 19337
days set forth in its adopted school calendars and pay all 19338
obligated expenses during the current fiscal year. If a board of 19339
education has not adopted a school calendar for the school year 19340
beginning on the first day of July of the current fiscal year at 19341
the time an examination is required under this division, the 19342
superintendent shall examine the ~~spending plan and appropriations~~ 19343
~~measure~~ five-year projection and determine whether the district 19344
may be financially unable to pay all obligated expenses and 19345
operate its instructional program for the number of days on which 19346
instruction was held in the preceding fiscal year. 19347

(B) If the superintendent of public instruction determines 19348
pursuant to division (A) of this section that a school district 19349
may be financially unable to operate its instructional program on 19350
all days required by such division and pay all obligated expenses 19351
during the current fiscal year, the superintendent shall provide 19352
written notification of such determination to the president of the 19353
district's board of education and the auditor of state. 19354

(C) This section does not apply to a school district declared 19355
to be under a fiscal emergency pursuant to division (B) of section 19356
3316.03 of the Revised Code. 19357

Sec. 3313.975. As used in this section and in sections 19358
3313.975 to 3313.979 of the Revised Code, "the pilot project 19359
school district" or "the district" means any school district 19360

management of the district by the state superintendent. The 19367
program shall provide for a number of students residing in any 19368
such district to receive scholarships to attend alternative 19369
schools, and for an equal number of students to receive tutorial 19370
assistance grants while attending public school in any such 19371
district. 19372

(B) The state superintendent shall establish an application 19373
process and deadline for accepting applications from students 19374
residing in the district to participate in the scholarship 19375
program. In the initial year of the program students may only use 19376
a scholarship to attend school in grades kindergarten through 19377
third. 19378

The state superintendent shall award as many scholarships and 19379
tutorial assistance grants as can be funded given the amount 19380
appropriated for the program. In no case, however, shall more than 19381
fifty per cent of all scholarships awarded be used by students who 19382
were enrolled in a nonpublic school during the school year of 19383
application for a scholarship. 19384

(C)(1) The pilot project program shall continue in effect 19385
each year that the general assembly has appropriated sufficient 19386
money to fund scholarships and tutorial assistance grants. In each 19387
year the program continues, no new students may receive 19388
scholarships unless they are enrolled in ~~grade~~ grades 19389
kindergarten, ~~one, two, or three~~ to eight. However, any student 19390
who has received a scholarship the preceding year may continue to 19391
receive one until the student has completed grade ~~eight~~ ten. 19392
Beginning in the ~~2003-2004~~ 2005-2006 academic year, a student who 19393
previously has received a scholarship may receive a scholarship in 19394
grade ~~nine~~ eleven. Beginning in the ~~2004-2005~~ 2006-2007 academic 19395
year, a student who previously has received a scholarship may 19396
receive a scholarship in grade ~~ten~~ twelve. 19397

(2) If the general assembly discontinues the scholarship 19398
program, all students who are attending an alternative school 19399
under the pilot project shall be entitled to continued admittance 19400
to that specific school through all grades ~~up to the tenth grade~~ 19401

when they were participating in the pilot project. The state 19403
superintendent shall continue to make scholarship payments in 19404
accordance with division (A) or (B) of section 3313.979 of the 19405
Revised Code for students who remain enrolled in an alternative 19406
school under this provision in any year that funds have been 19407
appropriated for this purpose. 19408

If funds are not appropriated, the tuition charged to the 19409
parents of a student who remains enrolled in an alternative school 19410
under this provision shall not be increased beyond the amount 19411
equal to the amount of the scholarship plus any additional amount 19412
charged that student's parent in the most recent year of 19413
attendance as a participant in the pilot project, except that 19414
tuition for all the students enrolled in such school may be 19415
increased by the same percentage. 19416

(D) Notwithstanding sections 124.39, 3307.54, and 3319.17 of the Revised Code, if the pilot project school district experiences a decrease in enrollment due to participation in a state-sponsored scholarship program pursuant to sections 3313.974 to 3313.979 of the Revised Code, the district board of education may enter into an agreement with any teacher it employs to provide to that teacher severance pay or early retirement incentives, or both, if the teacher agrees to terminate the employment contract with the district board, provided any collective bargaining agreement in force pursuant to Chapter 4117. of the Revised Code does not prohibit such an agreement for termination of a teacher's employment contract.

under division (A) of this section. 21607

A community school that has been in operation for one school 21608
year shall not be subject to division (C) of this section. 21609

(C)(1) In the first school year that a community school is 21610
subject to division (C) of this section, the school shall develop 21611
and implement an improvement plan to address the school's poor 21612
academic performance. The sponsor of the school shall assist in 21613
the development of the improvement plan and shall approve the plan 21614
prior to implementation. The school shall file a copy of the 21615
improvement plan with the department of education. 21616

(2) In the second consecutive school year that a community 21617
school is subject to division (C) of this section, the sponsor of 21618
the school shall pay to the department one-half of the total 21619

amount of the payments made by the school's governing authority to 21620
the sponsor under division (C) of section 3314.03 of the Revised 21621
Code for the school year or five thousand dollars, whichever is 21622
greater. 21623

(3) In the third consecutive school year that a community 21624
school is subject to division (C) of this section, all of the 21625
following shall occur: 21626

(a) The school shall be permanently closed at the conclusion 21627
of the school year. 21628

(b) The sponsor of the school shall pay to the department the 21629
total amount of the payments made by the school's governing 21630
authority to the sponsor under division (C) of section 3314.03 of 21631
the Revised Code for the school year. 21632

(c) The limit on the number of schools with which the sponsor 21633
may enter into a contract for sponsorship under division (B)(1) of 21634
section 3314.015 of the Revised Code shall be decreased by one. 21635

(D) The sponsor of any community school that is declared to 21636
be in need of continuous improvement, effective, or excellent 21637
pursuant to section 3302.03 of the Revised Code and offers one or 21638
more grade levels for which an achievement test is prescribed 21639
under section 3301.0710 of the Revised Code may elect to evaluate 21640
the performance of the school in accordance with division (B) of 21641
this section, provided the school administers reading and 21642
mathematics assessments under section 3314.35 of the Revised Code. 21643
If the sponsor so elects, the evaluation method shall be used for 21644
a minimum of three school years and shall be specified in the 21645
contract required by section 3314.03 of the Revised Code. Nothing 21646
in this division requires the sponsor of a community school that 21647
elects to evaluate the school in accordance with division (B) of 21648
this section to take any action specified in division (C) of this 21649
section, unless the contract requires such action. 21650

(E) In calculating the gains in student achievement 21651
demonstrated by a community school for the purposes of division 21652
(B) of this section, the department shall include the scores of 21653
all students who participated in the fall and spring 21654
administrations of the assessments administered under section 21655
3314.35 of the Revised Code. If the school's participation rate 21656
for any grade level is less than ninety-five per cent, the 21657
department shall calculate the gains in academic achievement 21658
demonstrated by the students in that grade level as if the 21659
participation rate was ninety-five per cent by assuming a score of 21660
zero for each student that it is necessary to add to the 21661
participation rate to make that rate equal ninety-five per cent. 21662

Sec. 3315.17. (A) The board of education of each city, 21663
exempted village, local, and joint vocational school district 21664
shall establish a textbook and instructional materials fund. Each 21665
board annually shall deposit into that fund an amount derived from 21666
revenues received by the district for operating expenses that is 21667
equal to three per cent of the formula amount for the preceding 21668
fiscal year, as defined in section 3317.02 of the Revised Code, or 21669
another percentage if established by the auditor of state under 21670
division (C) of this section, multiplied by the district's student 21671
population for the preceding fiscal year. Money in the fund shall 21672
be used solely for textbooks, instructional software, and 21673
instructional materials, supplies, and equipment. Any money in the 21674
fund that is not used in any fiscal year shall carry forward to 21675
the next fiscal year. 21676

(B)(1) Notwithstanding division (A) of this section, if in a 21677
fiscal year a district board deposits in the textbook and 21678
instructional materials fund an amount of money greater than the 21679
amount required to be deposited by this section or the rules 21680
adopted under division (C) of this section, the board may deduct 21681

the excess amount of money from the amount of money required to be 21682
deposited in succeeding fiscal years. 21683

(2) Notwithstanding division (A) of this section, in any year 21684
a district is in fiscal emergency status as declared pursuant to 21685
section 3316.03 of the Revised Code, the district may deposit an 21686
amount less than required by division (A) of this section, or make 21687
no deposit, into the district textbook and instructional materials 21688
fund for that year. 21689

(C) The state superintendent of public instruction and the 21690
auditor of state jointly shall adopt rules in accordance with 21691
Chapter 119. of the Revised Code defining what constitutes 21692
textbooks, instructional software, and instructional materials, 21693
supplies, and equipment for which money in a school district's 21694
textbook and instructional materials fund may be used. The auditor 21695
of state also may designate a percentage, other than three per 21696
cent, of the formula amount multiplied by the district's student 21697
population that must be deposited into the fund. 21698

(D) Notwithstanding division (A) of this section, a district 21699
board of education in any fiscal year may appropriate money in the 21700
district textbook and instructional materials fund for purposes 21701
other than those permitted by that division if both of the 21702
following occur during that fiscal year: 21703

(1) All of the following certify to the district board in 21704
writing that the district has sufficient textbooks, instructional 21705
software, and instructional materials, supplies, and equipment to 21706
ensure a thorough and efficient education within the district: 21707

(a) The district superintendent; 21708

(b) In districts required to have a business advisory 21709
council, a person designated by vote of the business advisory 21710
council; 21711

(c) If the district teachers are represented by an exclusive 21712

bargaining representative for purposes of Chapter 4117. of the 21713
Revised Code, the president of that organization or the 21714
president's designee. 21715

(2) The district board adopts, by unanimous vote of all 21716
members of the board, a resolution stating that the district has 21717
sufficient textbooks, instructional software, and instructional 21718
materials, supplies, and equipment to ensure a thorough and 21719
efficient education within the district. 21720

(E) Notwithstanding any provision to the contrary in Chapter 21721
4117. of the Revised Code, the requirements of this section 21722
prevail over any conflicting provisions of agreements between 21723
employee organizations and public employers entered into on or 21724
after November 21, 1997. 21725

(F) As used in this section and in section 3315.18 of the 21726
Revised Code, "student population" means the average, daily, 21727
full-time-equivalent number of students in kindergarten through 21728
twelfth grade receiving any educational services from the school 21729
district during the first full school week in October, excluding 21730
students enrolled in adult education classes, but including all of 21731
the following: 21732

(1) Adjacent or other district students enrolled in the 21733
district under an open enrollment policy pursuant to section 21734
3313.98 of the Revised Code; 21735

(3) Students for whom tuition is payable pursuant to sections 21740
3317.081 and 3323.141 of the Revised Code. 21741

The department of education shall determine a district's 21742

student population using data reported to it under section 3317.03 21743
of the Revised Code for the applicable fiscal year. 21744

Sec. 3315.18. (A) The board of education of each city, 21745
exempted village, local, and joint vocational school district 21746
shall establish a capital and maintenance fund. Each board 21747
annually shall deposit into that fund an amount derived from 21748
revenues received by the district that would otherwise have been 21749
deposited in the general fund that is equal to three per cent of 21750
the formula amount for the preceding fiscal year, as defined in 21751
section 3317.02 of the Revised Code, or another percentage if 21752
established by the auditor of state under division (B) of this 21753
section, multiplied by the district's student population for the 21754
preceding fiscal year, except that money received from a permanent 21755
improvement levy authorized by section 5705.21 of the Revised Code 21756
may replace general revenue moneys in meeting the requirements of 21757
this section. Money in the fund shall be used solely for 21758
acquisition, replacement, enhancement, maintenance, or repair of 21759
permanent improvements, as that term is defined in section 5705.01 21760
of the Revised Code. Any money in the fund that is not used in any 21761
fiscal year shall carry forward to the next fiscal year. 21762

(B) The state superintendent of public instruction and the 21763
auditor of state jointly shall adopt rules in accordance with 21764
Chapter 119. of the Revised Code defining what constitutes 21765
expenditures permitted by division (A) of this section. The 21766
auditor of state may designate a percentage, other than three per 21767
cent, of the formula amount multiplied by the district's student 21768
population that must be deposited into the fund. 21769

(C) Within its capital and maintenance fund, a school 21770
district board of education may establish a separate account 21771
solely for the purpose of depositing funds transferred from the 21772
district's reserve balance account established under former 21773

division (H) of section 5705.29 of the Revised Code. After ~~the~~ 21774
~~effective date of this amendment~~ April 10, 2001, a board may 21775
deposit all or part of the funds formerly included in such reserve 21776
balance account in the separate account established under this 21777
section. Funds deposited in this separate account and interest on 21778
such funds shall be utilized solely for the purpose of providing 21779
the district's portion of the basic project costs of any project 21780
undertaken in accordance with Chapter 3318. of the Revised Code. 21781

(D) Notwithstanding division (A) of this section, in any year 21782
a district is in fiscal emergency status as declared pursuant to 21783
section 3316.03 of the Revised Code, the district may deposit an 21784
amount less than required by division (A) of this section, or make 21785
no deposit, into the district capital and maintenance fund for 21786
that year. 21787

(E) Notwithstanding any provision to the contrary in Chapter 21788
4117. of the Revised Code, the requirements of this section 21789
prevail over any conflicting provisions of agreements between 21790
employee organizations and public employers entered into after 21791
November 21, 1997. 21792

Sec. 3315.37. The board of education of a school district may 21793
establish a teacher education loan program and may expend school 21794
funds for the program. The program shall be for the purpose of 21795
making loans to students who are residents of the school district 21796
or graduates of schools in the school district, who are enrolled 21797
in teacher preparation programs at institutions approved by the 21798
state board pursuant to section 3319.23 of the Revised Code, and 21799
who indicate an intent to teach in the school district providing 21800
the loan. The district board may forgive the obligation to repay 21801
any or all of the principal and interest on the loan if the 21802
borrower teaches in that school district. 21803

The district board shall adopt rules establishing eligibility 21804

criteria, application procedures, procedures for review of 21805
applications, loan amounts, interest, repayment schedules, 21806
conditions under which principal and interest obligations incurred 21807
under the program will be forgiven, and any other matter 21808
incidental to the operation of the program. 21809

The board may contract with a private, nonprofit foundation, 21810
one or more institutions of higher education, or other educational 21811
agencies to administer the program. 21812

The receipt of a loan under this section does not affect a 21813
student's eligibility for assistance, or the amount of such 21814
assistance, granted under section 3315.33, 3333.12, 3333.122, 21815
3333.22, 3333.26, 3333.27, 5910.04, or 5919.34 of the Revised 21816
Code, but the board's rules may provide for taking such assistance 21817
into consideration when determining a student's eligibility for a 21818
loan under this section. 21819

Sec. 3316.043. Upon the approval by the superintendent of 21820
public instruction of an initial financial plan under section 21821
3316.04 of the Revised Code or a financial recovery plan under 21822
section 3316.06 of the Revised Code, the board of education of the 21823
school district for which the plan was approved shall revise the 21824
district's five-year projection of revenues and expenditures in 21825
accordance with rules adopted under section 5705.391 of the 21826
Revised Code so that the five-year projection is consistent with 21827
the financial plan or financial recovery plan. In the case of a 21828
school district declared to be in a state of fiscal emergency, the 21829
five-year projection shall be revised by the financial planning 21830
and supervision commission for that district. 21831

Sec. 3316.06. (A) Within one hundred twenty days after the 21832
first meeting of a school district financial planning and 21833
supervision commission, the commission shall adopt a financial 21834

recovery plan regarding the school district for which the 21835
commission was created. During the formulation of the plan, the 21836
commission shall seek appropriate input from the school district 21837
board and from the community. This plan shall contain the 21838
following: 21839

(1) Actions to be taken to: 21840

(a) Eliminate all fiscal emergency conditions declared to 21841
exist pursuant to division (B) of section 3316.03 of the Revised 21842
Code; 21843

(b) Satisfy any judgments, past-due accounts payable, and all 21844
past-due and payable payroll and fringe benefits; 21845

(c) Eliminate the deficits in all deficit funds, except that 21846
any prior year deficits in the textbook and instructional 21847
materials fund established pursuant to section 3315.17 of the 21848
Revised Code and the capital and maintenance fund established 21849
pursuant to section 3315.18 of the Revised Code shall be forgiven; 21850

(d) Restore to special funds any moneys from such funds that 21851
were used for purposes not within the purposes of such funds, or 21852
borrowed from such funds by the purchase of debt obligations of 21853
the school district with the moneys of such funds, or missing from 21854
the special funds and not accounted for, if any; 21855

(e) Balance the budget, avoid future deficits in any funds, 21856
and maintain on a current basis payments of payroll, fringe 21857
benefits, and all accounts; 21858

(f) Avoid any fiscal emergency condition in the future; 21859

(g) Restore the ability of the school district to market 21860
long-term general obligation bonds under provisions of law 21861
applicable to school districts generally. 21862

(2) The management structure that will enable the school 21863
district to take the actions enumerated in division (A)(1) of this 21864

section. The plan shall specify the level of fiscal and management control that the commission will exercise within the school district during the period of fiscal emergency, and shall enumerate respectively, the powers and duties of the commission and the powers and duties of the school board during that period. The commission may elect to assume any of the powers and duties of the school board it considers necessary, including all powers related to personnel, curriculum, and legal issues in order to successfully implement the actions described in division (A)(1) of this section.

(3) The target dates for the commencement, progress upon, and completion of the actions enumerated in division (A)(1) of this section and a reasonable period of time expected to be required to implement the plan. The commission shall prepare a reasonable time schedule for progress toward and achievement of the requirements for the plan, and the plan shall be consistent with that time schedule.

(4) The amount and purpose of any issue of debt obligations that will be issued, together with assurances that any such debt obligations that will be issued will not exceed debt limits supported by appropriate certifications by the fiscal officer of the school district and the county auditor. Debt obligations issued pursuant to section 133.301 of the Revised Code shall include assurances that such debt shall be in an amount not to exceed the amount certified under division (B) of such section. If the commission considers it necessary in order to maintain or improve educational opportunities of pupils in the school district, the plan may include a proposal to restructure or refinance outstanding debt obligations incurred by the board under section 3313.483 of the Revised Code contingent upon the approval, during the period of the fiscal emergency, by district voters of a tax levied under section 718.09, 718.10, 5705.194, 5705.21,

5748.02, or 5748.08 of the Revised Code, that is not a renewal or replacement levy and that will provide new operating revenue. 21897
21898
Notwithstanding any provision of Chapter 133. or sections 3313.483 21899
to 3313.4811 of the Revised Code, following the required approval 21900
of the district voters and with the approval of the commission, 21901
the school district may issue securities to evidence the 21902
restructuring or refinancing. Those securities may extend the 21903
original period for repayment, not to exceed ten years, and may 21904
alter the frequency and amount of repayments, interest or other 21905
financing charges, and other terms of agreements under which the 21906
debt originally was contracted, at the discretion of the 21907
commission, provided that any loans received pursuant to section 21908
3313.483 of the Revised Code shall be paid from funds the district 21909
would otherwise receive under sections 3317.022 to 3317.025 of the 21910
Revised Code, as required under division (E)(3) of section 21911
3313.483 of the Revised Code. The securities issued for the 21912
purpose of restructuring or refinancing the debt shall be repaid 21913
in equal payments and at equal intervals over the term of the debt 21914
and are not eligible to be included in any subsequent proposal for 21915
the purpose of restructuring or refinancing debt under this 21916
section. 21917

(B) Any financial recovery plan may be amended subsequent to 21918
its adoption. Each financial recovery plan shall be updated 21919
annually. 21920

(C) Each school district financial planning and supervision 21921
commission shall submit the financial recovery plan it adopts or 21922
updates under this section to the state superintendent of public 21923
instruction for approval immediately following its adoption or 21924
updating. The state superintendent shall evaluate the plan and 21925
either approve or disapprove it within thirty calendar days from 21926
the date of its submission. If the plan is disapproved, the state 21927
superintendent shall recommend modifications that will render it 21928

acceptable. No financial planning and supervision commission shall 21929
implement a financial recovery plan that is adopted or updated on 21930
or after ~~the effective date of this amendment~~ April 10, 2001, 21931
unless the state superintendent has approved it. 21932

Sec. 3316.16. (A) A school district financial planning and 21933
supervision commission, with respect to its functions under this 21934
chapter, shall continue in existence until such time as a 21935
determination is made under division (B) of this section that all 21936
of the following have occurred: 21937

(1) An effective financial accounting and reporting system in 21938
accordance with section 3316.10 of the Revised Code is in the 21939
process of being implemented, and it is reasonably expected that 21940
this implementation will be completed within two years. 21941

(2) All of the fiscal emergency conditions determined 21942
pursuant to division (B) of section 3316.03 of the Revised Code 21943
have been corrected or eliminated, and no new fiscal emergency 21944
conditions have occurred. 21945

(3) The objectives of the financial recovery plan described 21946
in section 3316.06 of the Revised Code are being met. 21947

(4) The school district board has prepared a financial 21948
forecast for a five-year period in accordance with the standards 21949
issued by the auditor of state and an opinion has been rendered by 21950
the auditor of state that the financial forecast is considered to 21951
be nonadverse. The forecast shall display the district's projected 21952
compliance with sections 3315.17 and 3315.18 of the Revised Code 21953
beginning in the year the commission is proposed for termination. 21954

(B) The determination that all conditions listed in division 21955
(A) of this section for the termination of the existence of the 21956
commission and its functions exist may be made either by the 21957
auditor of state or by the commission and shall be certified to 21958

the commission, the auditor of state, the governor, the director
of budget and management, and the budget commission, whereupon
such commission and its functions under this chapter shall
terminate. This determination shall be made by the auditor of
state upon the filing with the auditor of state of a written
request for such a determination by the school district board, the
governor, or the commission, or may be made by the auditor of
state upon the auditor of state's own initiative.

(C) The commission shall prepare and submit at the time of
such certification a final report of its activities, in such form
as is appropriate for the purpose of providing a record of its
activities and assisting other commissions created under this
chapter in the conduct of their functions. All of the books and
records of the commission shall be delivered to the auditor of
state for retention and safekeeping.

(D) Upon receipt of the certification provided for in
division (B) of this section, the director of budget and
management shall follow the procedures set forth in section 126.29
of the Revised Code.

(E) If, at the time of termination of the commission, an
effective financial accounting and reporting system has not been
fully implemented, the auditor of state shall monitor the progress
of implementation and shall exercise authority under this section
and Chapter 117. of the Revised Code to secure full implementation
at the earliest time feasible but within two years after such
termination.

Sec. 3317.01. As used in this section and section 3317.011 of
the Revised Code, "school district," unless otherwise specified,
means any city, local, exempted village, joint vocational, or
cooperative education school district and any educational service
center.

This chapter shall be administered by the state board of education. The superintendent of public instruction shall calculate the amounts payable to each school district and shall certify the amounts payable to each eligible district to the treasurer of the district as provided by this chapter. No moneys shall be distributed pursuant to this chapter without the approval of the controlling board.

The state board of education shall, in accordance with appropriations made by the general assembly, meet the financial obligations of this chapter.

Annually, the department of education shall calculate and report to each school district the district's total state and local funds for providing an adequate basic education to the district's nonhandicapped students, utilizing the determination in section 3317.012 of the Revised Code. In addition, the department shall calculate and report separately for each school district the district's total state and local funds for providing an adequate education for its handicapped students, utilizing the determinations in both sections 3317.012 and 3317.013 of the Revised Code.

Not later than the thirty-first day of August of each fiscal year, the department of education shall provide to each school district and county MR/DD board a preliminary estimate of the amount of funding that the department calculates the district will receive under each of divisions (C)(1) and (4) of section 3317.022 of the Revised Code. No later than the first day of December of each fiscal year, the department shall update that preliminary estimate.

Moneys distributed pursuant to this chapter shall be calculated and paid on a fiscal year basis, beginning with the first day of July and extending through the thirtieth day of June.

The moneys appropriated for each fiscal year shall be distributed 22021
at least monthly to each school district unless otherwise provided 22022
for. The state board shall submit a yearly distribution plan to 22023
the controlling board at its first meeting in July. The state 22024
board shall submit any proposed midyear revision of the plan to 22025
the controlling board in January. Any year-end revision of the 22026
plan shall be submitted to the controlling board in June. If 22027
moneys appropriated for each fiscal year are distributed other 22028
than monthly, such distribution shall be on the same basis for 22029
each school district. 22030

The total amounts paid each month shall constitute, as nearly 22031
as possible, one-twelfth of the total amount payable for the 22032
entire year. Payments made during the first six months of the 22033
fiscal year may be based on an estimate of the amounts payable for 22034
the entire year. Payments made in the last six months shall be 22035
based on the final calculation of the amounts payable to each 22036
school district for that fiscal year. Payments made in the last 22037
six months may be adjusted, if necessary, to correct the amounts 22038
distributed in the first six months, and to reflect enrollment 22039
increases when such are at least three per cent. Except as 22040
otherwise provided, payments under this chapter shall be made only 22041
to those school districts in which: 22042

(A) The school district, except for any educational service 22043
center and any joint vocational or cooperative education school 22044
district, levies for current operating expenses at least twenty 22045
mills. Levies for joint vocational or cooperative education school 22046
districts or county school financing districts, limited to or to 22047
the extent apportioned to current expenses, shall be included in 22048
this qualification requirement. School district income tax levies 22049
under Chapter 5748. of the Revised Code, limited to or to the 22050
extent apportioned to current operating expenses, shall be 22051
included in this qualification requirement to the extent 22052

determined by the tax commissioner under division (D) of section 22053
3317.021 of the Revised Code. 22054

(B) The school year next preceding the fiscal year for which 22055
such payments are authorized meets the requirement of section 22056
3313.48 or 3313.481 of the Revised Code, with regard to the 22057
minimum number of days or hours school must be open for 22058
instruction with pupils in attendance, for individualized 22059
parent-teacher conference and reporting periods, and for 22060
professional meetings of teachers. This requirement shall be 22061
waived by the superintendent of public instruction if it had been 22062
necessary for a school to be closed because of disease epidemic, 22063
hazardous weather conditions, inoperability of school buses or 22064
other equipment necessary to the school's operation, damage to a 22065
school building, or other temporary circumstances due to utility 22066
failure rendering the school building unfit for school use, 22067
provided that for those school districts operating pursuant to 22068
section 3313.48 of the Revised Code the number of days the school 22069
was actually open for instruction with pupils in attendance and 22070
for individualized parent-teacher conference and reporting periods 22071
is not less than one hundred seventy-five, or for those school 22072
districts operating on a trimester plan the number of days the 22073
school was actually open for instruction with pupils in attendance 22074
not less than seventy-nine days in any trimester, for those school 22075
districts operating on a quarterly plan the number of days the 22076
school was actually open for instruction with pupils in attendance 22077
not less than fifty-nine days in any quarter, or for those school 22078
districts operating on a pentamester plan the number of days the 22079
school was actually open for instruction with pupils in attendance 22080
not less than forty-four days in any pentamester. 22081

A school district shall not be considered to have failed to 22082
comply with this division or section 3313.481 of the Revised Code 22083
because schools were open for instruction but either twelfth grade 22084

students were excused from attendance for up to three days or only 22085
a portion of the kindergarten students were in attendance for up 22086
to three days in order to allow for the gradual orientation to 22087
school of such students. 22088

The superintendent of public instruction shall waive the 22089
requirements of this section with reference to the minimum number 22090
of days or hours school must be in session with pupils in 22091
attendance for the school year succeeding the school year in which 22092
a board of education initiates a plan of operation pursuant to 22093
section 3313.481 of the Revised Code. The minimum requirements of 22094
this section shall again be applicable to such a district 22095
beginning with the school year commencing the second July 22096
succeeding the initiation of one such plan, and for each school 22097
year thereafter. 22098

A school district shall not be considered to have failed to 22099
comply with this division or section 3313.48 or 3313.481 of the 22100
Revised Code because schools were open for instruction but the 22101
length of the regularly scheduled school day, for any number of 22102
days during the school year, was reduced by not more than two 22103
hours due to hazardous weather conditions. 22104

(C) The school district has on file, and is paying in 22105
accordance with, a teachers' salary schedule which complies with 22106
section 3317.13 of the Revised Code. 22107

A board of education or governing board of an educational 22108
service center which has not conformed with other law and the 22109
rules pursuant thereto, shall not participate in the distribution 22110
of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 22111
3317.16, 3317.17, and 3317.19 of the Revised Code, except for good 22112
and sufficient reason established to the satisfaction of the state 22113
board of education and the state controlling board. 22114

All funds allocated to school districts under this chapter, 22115

except those specifically allocated for other purposes, shall be 22116
used to pay current operating expenses only. 22117

Sec. 3317.012. (A) The general assembly, having deliberated 22118
on the model with which to calculate the base cost of an adequate 22119
education per pupil, has made a policy decision to calculate that 22120
amount as consisting of the following building blocks: 22121

(1) Base classroom teachers; 22122

(2) Other personnel support, which includes additional 22123
teachers, such as music, arts, and physical education teachers 22124
funded by state, local, or federal funds or other funds that are 22125
above the base cost funding level, and other school personnel 22126
including administrators; 22127

(3) Nonpersonnel support. 22128

This model reflects policy decisions made by the general 22129
assembly concerning the cost of base classroom teachers, which 22130
decisions entail two policy variables: the number of students per 22131
base classroom teacher necessary for an adequate education and the 22132
average compensation for a base classroom teacher necessary for an 22133
adequate education. The model requires the general assembly to 22134
decide the amount of other personnel support necessary for an 22135
adequate education, and increase that amount from year to year by 22136
the same percentage as it increases the average compensation for 22137
base classroom teachers. The model finally requires the general 22138
assembly to decide the nonpersonnel costs necessary for an 22139
adequate education and to inflate the nonpersonnel costs from year 22140
to year using the projected inflationary measure for the gross 22141
domestic product deflator (all items) prepared by the bureau of 22142
labor statistics of the United States department of labor. 22143

(B)(1) For fiscal year 2006, the general assembly has 22144
resolved that a ratio of one base classroom teacher per twenty 22145

students is necessary for an adequate education. The general 22146
assembly has made a policy decision that the average compensation 22147
for base classroom teachers is \$53,680 for fiscal year 2006, which 22148
includes an amount for the value of fringe benefits. For fiscal 22149
year 2007, the general assembly has resolved that a ratio of one 22150
base classroom teacher per twenty students is necessary for an 22151
adequate education. The general assembly has made a policy 22152
decision that the average compensation for base classroom teachers 22153
is \$54,941, which includes an amount for the value of fringe 22154
benefits. Based on a ratio of twenty students per base classroom 22155
teacher, these amounts equal \$2,684 per pupil in fiscal year 2006 22156
and \$2,747 per pupil in fiscal year 2007. 22157

(2) The general assembly has made a policy decision that the 22158
per pupil cost of salary and benefits of other personnel support 22159
is \$1,807 in fiscal year 2006. Based on the percentage increase 22160
for the average compensation of base classroom teachers from 22161
fiscal year 2006 to fiscal year 2007, the per pupil cost of other 22162
personnel support is \$1,850 in fiscal year 2007. 22163

(3) The general assembly has made a policy decision that the 22164
per pupil cost of nonpersonnel support is \$792 in fiscal year 2006 22165
and \$806 in fiscal year 2007. The amount for fiscal year 2007 22166
reflects the projected inflationary measure for the gross domestic 22167
product deflator (all items) of 1.80%. 22168

(4) Based on the determinations specified in divisions (B)(1) 22169
to (3) of this section, the per-pupil base cost is \$5,283 in 22170
fiscal year 2006 and \$5,403 in fiscal year 2007. 22171

(C) In addition to the per-pupil base cost as determined 22172
under divisions (A) and (B) of this section, the general assembly 22173
determines that the following base funding supplements shall be 22174
paid to each school district: 22175

(1) Base funding for large-group academic intervention for 22176

all students, phased in, based on 25 hours per group of students 22177
per year at an hourly rate of \$20.00 in fiscal year 2006 and 22178
\$20.40 in fiscal year 2007, as follows: 22179
large-group intervention units X 25 hours X hourly rate X phase-in 22180
percentage 22181

Where: 22182

(a) "Large-group intervention units" equals the district's 22183
formula ADM divided by 20; 22184

(b) "Hourly rate" equals \$20.00 in fiscal year 2006 and 22185
\$20.40 in fiscal year 2007; 22186

(c) "Phase-in percentage" equals 0.25 in fiscal year 2006 and 22187
0.50 in fiscal year 2007. 22188

(2) Base funding for professional development, phased in 22189
according to the following formula: 22190
district's teacher factor X 0.045 X 22191
formula amount X phase-in percentage 22192

Where: 22193

(a) For each school district, the district's "teacher factor" 22194
is the district's formula ADM divided by 17; 22195

(b) "Phase-in percentage" equals 0.25 in fiscal year 2006 and 22196
0.50 in fiscal year 2007. 22197

(3) Base funding for data-based decision making, calculated 22198
according to the following formula: 22199
0.001 X formula amount X formula ADM 22200

(4) Base funding for professional development regarding 22201
data-based decision making, calculated according to the following 22202
formula: 22203
(0.20 X the district's teacher factor X 0.08 X formula amount) + 22204
(the district's principal factor X 22205
0.08 X formula amount) 22206

<u>Where:</u>	22207
<u>(a) For each school district, the district's "teacher factor" is the district's formula ADM divided by 17;</u>	22208 22209
<u>(b) For each school district, the district's "principal factor" is the district's formula ADM divided by 340.</u>	22210 22211
<u>(D) The general assembly intends that school districts spend the state funds calculated and paid for each component of the building blocks methodology described in divisions (B)(1) to (3) and (C)(1) to (4) of this section according to the purposes described in those divisions.</u>	22212 22213 22214 22215 22216
Sec. 3317.013. This section does not apply to handicapped preschool students.	22217 22218
Analysis of special education cost data has resulted in a finding that the average special education additional cost per pupil, including the costs of related services, can be expressed as a multiple of the base cost per pupil calculated under section 3317.012 of the Revised Code. The multiples for the following categories of special education programs, as these programs are defined for purposes of Chapter 3323. of the Revised Code, and adjusted as provided in this section, are as follows:	22219 22220 22221 22222 22223 22224 22225 22226
(A) A multiple of 0.2892 for students whose primary or only identified handicap is a speech and language handicap, as this term is defined pursuant to Chapter 3323. of the Revised Code;	22227 22228 22229
(B) A multiple of 0.3691 for students identified as specific learning disabled or developmentally handicapped, as these terms are defined pursuant to Chapter 3323. of the Revised Code, or other health handicapped-minor;	22230 22231 22232 22233

Code; 22237

(D) A multiple of 2.3646 for students identified as 22238
orthopedically handicapped, as this term is defined pursuant to 22239
Chapter 3323. of the Revised Code or other health handicapped - 22240
major; 22241

(E) A multiple of 3.1129 for students identified as 22242
multihandicapped, as this term is defined pursuant to Chapter 22243
3323. of the Revised Code; 22244

(F) A multiple of 4.7342 for students identified as autistic, 22245
having traumatic brain injuries, or as both visually and hearing 22246
disabled, as these terms are defined pursuant to Chapter 3323. of 22247
the Revised Code. 22248

In fiscal year 2004, the multiples specified in divisions (A) 22249
to (F) of this section shall be adjusted by multiplying them by 22250
0.88. In fiscal ~~year~~ years 2005, 2006, and 2007, the multiples 22251
specified in those divisions shall be adjusted by multiplying them 22252
by 0.90. 22253

30, 2005, 2006, and 2007, the department shall submit to the 22255
office of budget and management a report that specifies for each 22256

district the fiscal year allocation of the state and local shares 22258
of special education and related services additional weighted 22259
funding and federal special education funds passed through to the 22260
district. 22261

Sec. 3317.016. In addition to its form SF-3, or any successor 22262
to that form, the department of education shall publish on its web 22263
site a spreadsheet for each school district that specifies the 22264
constituent components of the district's "building blocks" funds, 22265
as follows: 22266

in division (B)(1) of section 3317.012 of the Revised Code, each 22268

average compensation decided by the general assembly for base 22271
classroom teachers, as specified in that division, and the number 22272

section 3313.64 or 3313.65 of the Revised Code to attend school in 22412
another school district, as determined by the department. 22413~~

~~(F)(1) "Category one special education ADM" means the average 22414
daily membership of handicapped children receiving special 22415~~

education services for the handicap specified in division (A) of 22416

student in excess of the threshold catastrophic cost multiplied by 22865
the district's state share percentage. 22866

(b) For purposes of division (C)(3)(a) of this section, the 22867
threshold catastrophic cost for serving a student equals: 22868

(i) For a student in the school district's category two, 22869
three, four, or five special education ADM, twenty-five thousand 22870
dollars in fiscal year 2002 ~~and~~, twenty-five thousand seven 22871

(total special education weight X formula amount) 22905

The purposes approved by the department for special education 22906
expenses shall include, but shall not be limited to, 22907
identification of handicapped children, compliance with state 22908
rules governing the education of handicapped children and 22909

prescribing the continuum of program options for handicapped 22910
children, provision of speech language pathology services, and the 22911
portion of the school district's overall administrative and 22912
overhead costs that are attributable to the district's special 22913
education student population. 22914

The department shall require school districts to report data 22915
annually to allow for monitoring compliance with division (C)(5) 22916
of this section. The department shall annually report to the 22917
governor and the general assembly the amount of money spent by 22918

ADM and the amount calculated under division (C)(4) of this 22924
section. 22925

(D)(1) As used in this division: 22926

(a) "Daily bus miles per student" equals the number of bus 22927
miles traveled per day, divided by transportation base. 22928

(b) "Transportation base" equals total student count as 22929
defined in section 3301.011 of the Revised Code, minus the number 22930
of students enrolled in preschool handicapped units, plus the 22931
number of nonpublic school students included in transportation 22932
ADM. 22933

(c) "Transported student percentage" equals transportation 22934
ADM divided by transportation base. 22935

(d) "Transportation cost per student" equals total operating 22936
costs for board-owned or contractor-operated school buses divided 22937
by transportation base. 22938

(2) Analysis of student transportation cost data has resulted 22939

in a finding that an average efficient transportation use cost per student can be calculated by means of a regression formula that has as its two independent variables the number of daily bus miles per student and the transported student percentage. For fiscal year 1998 transportation cost data, the average efficient transportation use cost per student is expressed as follows:

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + (116.25573 \times \text{transported student percentage})$$

The department of education shall annually determine the average efficient transportation use cost per student in accordance with the principles stated in division (D)(2) of this section, updating the intercept and regression coefficients of the regression formula modeled in this division, based on an annual statewide analysis of each school district's daily bus miles per student, transported student percentage, and transportation cost per student data. The department shall conduct the annual update using data, including daily bus miles per student, transported student percentage, and transportation cost per student data, from the prior fiscal year. The department shall notify the office of budget and management of such update by the fifteenth day of February of each year.

(3) In addition to funds paid under divisions (A), (C), and (E) of this section, each district with a transported student percentage greater than zero shall receive a payment equal to a percentage of the product of the district's transportation base from the prior fiscal year times the annually updated average efficient transportation use cost per student, times an inflation factor of two and eight tenths per cent to account for the one-year difference between the data used in updating the formula and calculating the payment and the year in which the payment is made. The percentage shall be the following percentage of that product specified for the corresponding fiscal year:

FISCAL YEAR	PERCENTAGE	
2000	52.5%	22972
2001	55%	22973
2002	57.5%	22974
2003 and thereafter	The greater of 60% or the district's state share percentage	22975

The payments made under division (D)(3) of this section each year shall be calculated based on all of the same prior year's data used to update the formula. 22977
22978
22979

(4) In addition to funds paid under divisions (D)(2) and (3) of this section, a school district shall receive a rough road subsidy if both of the following apply: 22980
22981
22982

(a) Its county rough road percentage is higher than the statewide rough road percentage, as those terms are defined in division (D)(5) of this section; 22983
22984
22985

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division. 22986
22987

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula: 22988
22989
22990

(per rough mile subsidy X total rough road miles) X density multiplier 22991
22992

where: 22993

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula: 22994
22995

$$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$$
 22996
22997
22998

(i) "Maximum rough road percentage" means the highest county 22999

rough road percentage in the state. 23000

(ii) "County rough road percentage" equals the percentage of 23001
the mileage of state, municipal, county, and township roads that 23002
is rated by the department of transportation as type A, B, C, E2, 23003
or F in the county in which the school district is located or, if 23004
the district is located in more than one county, the county to 23005
which it is assigned for purposes of determining its 23006
cost-of-doing-business factor. 23007

(iii) "Statewide rough road percentage" means the percentage 23008
of the statewide total mileage of state, municipal, county, and 23009
township roads that is rated as type A, B, C, E2, or F by the 23010
department of transportation. 23011

(b) "Total rough road miles" means a school district's total 23012
bus miles traveled in one year times its county rough road 23013
percentage. 23014

(c) "Density multiplier" means a figure calculated in 23015
accordance with the following formula: 23016

1 - [(minimum student density - district student 23017
density)/(minimum student density - 23018
statewide student density)] 23019

(i) "Minimum student density" means the lowest district 23020
student density in the state. 23021

(ii) "District student density" means a school district's 23022
transportation base divided by the number of square miles in the 23023
district. 23024

(iii) "Statewide student density" means the sum of the 23025
transportation bases for all school districts divided by the sum 23026
of the square miles in all school districts. 23027

(6) In addition to funds paid under divisions (D)(2) to (5) 23028
of this section, each district shall receive in accordance with 23029

rules adopted by the state board of education a payment for 23030
students transported by means other than board-owned or 23031
contractor-operated buses and whose transportation is not funded 23032
under division (J) of section 3317.024 of the Revised Code. The 23033
rules shall include provisions for school district reporting of 23034
such students. 23035

(E)(1) The department shall compute and distribute state 23036
vocational education additional weighted costs funds to each 23037
school district in accordance with the following formula: 23038

state share percentage X 23039
the formula amount X 23040
total vocational education weight 23041

In any fiscal year, a school district receiving funds under 23042
division (E)(1) of this section shall spend those funds only for 23043
the purposes that the department designates as approved for 23044
vocational education expenses. Vocational educational expenses 23045
approved by the department shall include only expenses connected 23046
to the delivery of career-technical programming to 23047
career-technical students. The department shall require the school 23048
district to report data annually so that the department may 23049
monitor the district's compliance with the requirements regarding 23050
the manner in which funding received under division (E)(1) of this 23051
section may be spent. 23052

(2) The department shall compute for each school district 23053
state funds for vocational education associated services in 23054
accordance with the following formula: 23055

state share percentage X .05 X 23056
the formula amount X the sum of categories one and two 23057
vocational education ADM 23058

In any fiscal year, a school district receiving funds under 23059
division (E)(2) of this section, or through a transfer of funds 23060

pursuant to division (L) of section 3317.023 of the Revised Code, 23061
shall spend those funds only for the purposes that the department 23062
designates as approved for vocational education associated 23063
services expenses, which may include such purposes as 23064
apprenticeship coordinators, coordinators for other vocational 23065
education services, vocational evaluation, and other purposes 23066
designated by the department. The department may deny payment 23067
under division (E)(2) of this section to any district that the 23068
department determines is not operating those services or is using 23069
funds paid under division (E)(2) of this section, or through a 23070
transfer of funds pursuant to division (L) of section 3317.023 of 23071
the Revised Code, for other purposes. 23072

(F) The actual local share in any fiscal year for the 23073
combination of special education and related services additional 23074
weighted costs funding calculated under division (C)(1) of this 23075
section, transportation funding calculated under divisions (D)(2) 23076
and (3) of this section, and vocational education and associated 23077
services additional weighted costs funding calculated under 23078
divisions (E)(1) and (2) of this section shall not exceed for any 23079
school district the product of three and three-tenths mills times 23080
the district's recognized valuation. The department annually shall 23081
pay each school district as an excess cost supplement any amount 23082
by which the sum of the district's attributed local shares for 23083
that funding exceeds that product. For purposes of calculating the 23084
excess cost supplement: 23085

(1) The attributed local share for special education and 23086
related services additional weighted costs funding is the amount 23087
specified in division (C)(2) of this section. 23088

(2) The attributed local share of transportation funding 23089
equals the difference of the total amount calculated for the 23090
district using the formula developed under division (D)(2) of this 23091
section minus the actual amount paid to the district after 23092

applying the percentage specified in division (D)(3) of this section. 23093
23094

23096
23097

(1 - state share percentage) X 23098

[(total vocational education weight X the formula amount) + the payment under division (E)(2) of this section] 23099

regular student population in any school district, deduct the sum	23146
of the amounts obtained from the following computations:	23147
(1) Divide the number of the district's full-time equivalent	23148

classroom teachers employed by the district at their respective 23158
training and experience levels minus; 23159

~~(b)~~ Beginning in fiscal year 2004, the school buildings in a 23687
district with percentages of students in grades kindergarten 23688
through three receiving family assistance at least as high as the 23689
district wide percentage of students receiving family assistance. 23690

~~(c)~~ If, in any fiscal year, the information provided by the 23691
department of job and family services under section 3317.10 of the 23692
Revised Code is insufficient to determine the Ohio works first ~~or~~ 23693
~~family assistance~~ percentage in each building, "buildings with the 23694
highest concentration of need" has the meaning given in rules that 23695
the department of education shall adopt. The rules shall base the 23696
definition of "buildings with the highest concentration of need" 23697
on family income of students in grades kindergarten through three 23698
in a manner that, to the extent possible with available data, 23699
approximates the intent of this division and division ~~(G)~~(K) of 23700
this section to designate buildings where the Ohio works first ~~or~~ 23701
~~family assistance~~ percentage in those grades equals or exceeds the 23702
district-wide Ohio works first ~~or family assistance~~ percentage. 23703

(B) In addition to the amounts required to be paid to a 23704
school district under section 3317.022 of the Revised Code, a the 23705
department of education shall compute and distribute to each 23706
school district ~~shall receive~~ for poverty-based assistance the 23707
greater of the following: 23708

(1) The amount the district received in fiscal year ~~1998~~ 2005 23709
for disadvantaged pupil impact aid pursuant to division (B) of 23710
section 3317.023 of the Revised Code as it existed at that time or 23711
the Section 41.10 of Am. Sub. H.B. 95 of the 125th General 23712
Assembly, as amended, minus the amount deducted from the district 23713
under Section 16 of Am. Sub. S.B. 2 of the 125th General Assembly 23714
that year for payments to internet- and computer-based community 23715
schools; 23716

(2) The sum of the computations made under divisions (C) to 23717
(E)(I) of this section. 23718

(C) A supplemental payment that may be utilized for measures 23719
related to safety and security and for remediation or similar 23720
academic intervention programs, if the district's poverty index is 23721
greater than or equal to 0.25, calculated as follows: 23722

(1) If the DPIA index of the school district is greater than 23723
or equal to thirty five hundredths, but less than one, an amount 23724
obtained by multiplying the district's DPIA student count by two 23725
hundred thirty dollars; 23726

(2) If the DPIA index of the school district is greater than 23727
or equal to one, an amount obtained by multiplying the DPIA index 23728
by two hundred thirty dollars and multiplying that product by the 23729
district's DPIA student count. 23730

Except as otherwise provided in division (F) of this section, 23731
beginning with the school year that starts July 1, 2002, each 23732
school district annually shall use at least twenty per cent of the 23733
funds calculated for the district under this division for 23734
intervention services required by section 3313.608 of the Revised 23735
Code. 23736

(E) A class-size reduction payment based on calculating the number of new teachers necessary to achieve a lower student-teacher ratio, as follows:	23817 23818 23819
(1) Determine or calculate a formula number of teachers per one thousand students based on the DPIA <u>poverty</u> index of the school district as follows:	23820 23821 23822
(a) If the DPIA <u>poverty</u> index of the school district is less than six tenths <u>1.0</u> , the formula number of teachers is 43.478 <u>50.0</u> , which is the number of teachers per one thousand students at a student-teacher ratio of twenty-three <u>twenty</u> to one;	23823 23824 23825 23826
(b) If the DPIA <u>poverty</u> index of the school district is	23827

greater than or equal to ~~six tenths~~ 1.0, but less than ~~two and~~ 23828
~~one-half~~ 1.5, the formula number of teachers is calculated as 23829
follows: 23830

$$43.478 + \{[(\text{DPIA index} - 0.6) / 1.9] \times 23.188\}$$
$$50.0 + \{[(\text{poverty index} - 1.0) / 0.5] \times 16.667\}$$

23831
23832

Where ~~43.478~~ 50.0 is the number of teachers per one thousand 23833
students at a student-teacher ratio of ~~twenty-three~~ twenty to one; 23834
~~1.9~~ 0.5 is the interval from a ~~DPIA~~ poverty index of ~~six tenths~~ 23835
1.0 to a ~~DPIA~~ poverty index of ~~two and one-half~~ 1.5; and ~~23.188~~ 23836
16.667 is the difference in the number of teachers per one 23837
thousand students at a student-teacher ratio of fifteen to one and 23838
the number of teachers per one thousand students at a 23839
student-teacher ratio of ~~twenty-three~~ twenty to one. 23840

(c) If the ~~DPIA~~ poverty index of the school district is 23841
greater than or equal to ~~two and one-half~~ 1.5, the formula number 23842
of teachers is 66.667, which is the number of teachers per one 23843
thousand students at a student-teacher ratio of fifteen to one. 23844

(2) Multiply the formula number of teachers determined or 23845
calculated in division (E)(1) of this section by the kindergarten 23846
through third grade ADM for the district and divide that product 23847
by one thousand; 23848

(3) Calculate the number of new teachers as follows: 23849

(a) Multiply the kindergarten through third grade ADM by 23850
~~43.478~~ 50.0, which is the number of teachers per one thousand 23851
students at a student-teacher ratio of ~~twenty-three~~ twenty to one, 23852
and divide that product by one thousand; 23853

(b) Subtract the quotient obtained in division (E)(3)(a) of 23854
this section from the product in division (E)(2) of this section. 23855

(4) Multiply the greater of the difference obtained under 23856
division (E)(3) of this section or zero by the statewide average 23857
teachers ~~salary~~ compensation. For this purpose, the "statewide 23858

average teacher compensation" is \$53,680 in fiscal year 2006 and 23859
\$54,941 in fiscal year 2007, which includes an amount for the 23860
value of fringe benefits. 23861

(F) A payment for services to limited English proficient 23862
students, if the district's poverty index is greater than or equal 23863
to 1.0 and the proportion of its students who are limited English 23864
proficient, as reported in 2003 on its school district report 23865
issued under section 3302.03 of the Revised Code for the 2002-2003 23866
school year, is greater than or equal to 2.0%, calculated as 23867
follows: 23868

(1) If the district's poverty index is greater than or equal 23869
to 1.0, but less than 1.75, determine the amount per limited 23870
English proficient student as follows: 23871

{0.125 + [0.125 X ((poverty index - 1.0)/0.75)]} X formula amount 23872

(2) If the district's poverty index is greater than or equal 23873
to 1.75, the amount per limited English proficient student equals: 23874

0.25 X formula amount 23875

(3) Multiply the per student amount determined for the 23876
district under division (F)(1) or (2) of this section by the 23877
number of the district's limited English proficient students, 23878
times a phase-in percentage of 0.50 in fiscal year 2006 and 1.0 in 23879
fiscal year 2007. For purposes of this calculation, the number of 23880
limited English proficient students for each district shall be the 23881
number determined by the department when it calculated the 23882
district's percentage of limited English students for its school 23883
district report card issued in 2003 for the 2002-2003 school year. 23884

Not later than December 31, 2006, the department of education 23885
shall recommend to the general assembly and the director of budget 23886
and management a method of identifying the number of limited 23887
English proficient students for purposes of calculating payments 23888
under this division after fiscal year 2007. 23889

(b) Standards-based curriculum models; 23944

(c) Job-embedded professional development activities that are 23945
research-based, as defined in federal law. 23946

In addition, each district shall use the payment only to 23947
implement programs identified on a list of eligible professional 23948
development programs provided by the department of education. The 23949

department annually shall provide the list to each district receiving a payment under division (G) of this section. However, a district may apply to the department for a waiver to implement an alternative professional development program in one or more of the areas specified in divisions (J)(3)(a) to (c) of this section. Not later than September 1, 2005, the department of education shall provide each big eight school district with a list of dropout prevention programs that it has determined are successful. The department subsequently may update the list. Each district that elects to use its payment under division (H) of this section for dropout prevention shall use the payment only to implement a dropout prevention program specified on the department's list. However, a district may apply to the department for a waiver to implement an alternative dropout prevention program. guarantee. The third grade guarantee consists of increasing the 24012
amount of instructional attention received per pupil in 24013
kindergarten through third grade, either by reducing the ratio of 24014
students to instructional personnel or by increasing the amount of 24015
instruction and curriculum-related activities by extending the 24016
length of the school day or the school year. 24017

School districts may implement a reduction of the ratio of 24018
students to instructional personnel through any or all of the 24019
following methods: 24020

(a) Reducing the number of students in a classroom taught by 24021
a single teacher; 24022

(b) Employing full-time educational aides or educational 24023
paraprofessionals issued a permit or license under section 24024
3319.088 of the Revised Code; 24025

(c) Instituting a team-teaching method that will result in a 24026
lower student-teacher ratio in a classroom. 24027

Districts may extend the school day either by increasing the 24028
amount of time allocated for each class, increasing the number of 24029
classes provided per day, offering optional academic-related 24030
after-school programs, providing curriculum-related extra 24031
curricular activities, or establishing tutoring or remedial 24032
services for students who have demonstrated an educational need. 24033
In accordance with section 3319.089 of the Revised Code, a 24034
district extending the school day pursuant to this division may 24035
utilize a participant of the work experience program who has a 24036
child enrolled in a public school in that district and who is 24037
fulfilling the work requirements of that program by volunteering 24038
or working in that public school. If the work experience program 24039
participant is compensated, the school district may use the funds 24040
distributed under this section for all or part of the 24041
compensation. 24042

Districts may extend the school year either through adding 24043
regular days of instruction to the school calendar or by providing 24044
summer programs. 24045

~~(G)~~(K) Each district ~~subject to division (F) of this section~~ 24046
shall not expend any funds received under division (E) of this 24047
section in any school buildings that are not buildings with the 24048
highest concentration of need, unless there is a ratio of 24049
instructional personnel to students of no more than fifteen to one 24050
in each kindergarten and first grade class in all buildings with 24051
the highest concentration of need. This division does not require 24052
that the funds used in buildings with the highest concentration of 24053
need be spent solely to reduce the ratio of instructional 24054
personnel to students in kindergarten and first grade. A school 24055
district may spend the funds in those buildings in any manner 24056
permitted by division ~~(F)~~(3)~~(J)~~(7) of this section, but may not 24057
spend the money in other buildings unless the fifteen-to-one ratio 24058
required by this division is attained. 24059

~~(H)~~(L)(1) By the first day of August of each fiscal year, 24060
each school district wishing to receive any funds under division 24061
(D) of this section shall submit to the department of education an 24062
estimate of its all-day kindergarten percentage. Each district 24063
shall update its estimate throughout the fiscal year in the form 24064
and manner required by the department, and the department shall 24065
adjust payments under this section to reflect the updates. 24066

(2) Annually by the end of December, the department of 24067
education, utilizing data from the information system established 24068
under section 3301.0714 of the Revised Code and after consultation 24069
with the legislative office of education oversight, shall 24070
determine for each school district subject to division ~~(F)~~(J) of 24071
this section whether in the preceding fiscal year the district's 24072
ratio of instructional personnel to students and its number of 24073
kindergarten students receiving all-day kindergarten appear 24074

reasonable, given the amounts of money the district received for 24075
that fiscal year pursuant to divisions (D) and (E) of this 24076
section. If the department is unable to verify from the data 24077
available that students are receiving reasonable amounts of 24078
instructional attention and all-day kindergarten, given the funds 24079
the district has received under this section and that class-size 24080
reduction funds are being used in school buildings with the 24081
highest concentration of need as required by division ~~(G)~~(K) of 24082
this section, the department shall conduct a more intensive 24083
investigation to ensure that funds have been expended as required 24084
by this section. The department shall file an annual report of its 24085
findings under this division with the chairpersons of the 24086
committees in each house of the general assembly dealing with 24087
finance and education. 24088

~~(I) Any~~ (M)(1) Each school district with a ~~DPIA~~ poverty index 24089
less than ~~one~~ 1.0 and a three-year average formula ADM exceeding 24090
seventeen thousand five hundred shall first utilize funds received 24091
under this section so that, when combined with other funds of the 24092
district, sufficient funds exist to provide all-day kindergarten 24093
to at least the number of children in the district's all-day 24094
kindergarten percentage. ~~Such a district~~ 24095

(2) Each school district with a poverty index less than 1.0 24096
that receives a payment under division (I) of this section shall 24097
use its payment under that division for one or a combination of 24098
the following purposes: 24099

(a) To hire or contract for community liaison officers, 24100
attendance or truant officers, or safety and security personnel; 24101

(b) To implement programs designed to ensure that schools are 24102
free of drugs and violence and have a disciplined environment 24103
conducive to learning; 24104

(c) To implement academic intervention services described in 24105

<u>division (J)(6) of this section.</u>	24106

~~Each district shall submit to the department, in such format 24139
and at such time as the department shall specify, a report on the 24140
programs for which it expended funds under this division. 24141~~

~~(J)~~(N) If at any time the superintendent of public 24142
instruction determines that a school district receiving funds 24143
under division (D) of this section has enrolled less than the 24144
all-day kindergarten percentage reported for that fiscal year, the 24145
superintendent shall withhold from the funds otherwise due the 24146
district under this section a proportional amount as determined by 24147
the difference in the certified all-day kindergarten percentage 24148
and the percentage actually enrolled in all-day kindergarten. 24149

The superintendent shall also withhold an appropriate amount 24150
of funds otherwise due a district for any other misuse of funds 24151
not in accordance with this section. 24152

~~(K)~~(O)(1) A district may use a portion of the funds 24153

of the following conditions are met: 24156

(a) The district certifies to the department, in a manner 24157
acceptable to the department, that it has a shortage of space for 24158
providing all-day kindergarten. 24159

(b) The district provides all-day kindergarten to the number 24160
of children in the all-day kindergarten percentage it certified 24161
under this section. 24162

(2) A district may use a portion of the funds described in 24163
division ~~(F)~~~~(3)~~(J)(7) of this section to modify or purchase 24164

classroom space to enable it to further reduce class size in 24165
grades kindergarten through two with a goal of attaining class 24166
sizes of fifteen students per licensed teacher. To do so, the 24167
district must certify its need for additional space to the 24168
department, in a manner satisfactory to the department. 24169

Sec. 3317.0216. (A) As used in this section: 24170

(1) "Total taxes charged and payable for current expenses" 24171
means the sum of the taxes charged and payable as certified under 24172
division (A)(3)(a) of section 3317.021 of the Revised Code less 24173
any amounts reported under division (A)(3)(b) of that section, and 24174
the tax distribution for the preceding year under any school 24175
district income tax levied by the district pursuant to Chapter 24176
5748. of the Revised Code to the extent the revenue from the 24177
income tax is allocated or apportioned to current expenses. 24178

(2) "Charge-off amount" means the product obtained by 24179
multiplying two and three-tenths per cent by recognized valuation. 24180

(3) Until fiscal year 2003, the "actual local share of 24181
special education, transportation, and vocational education 24182
funding" for any school district means the sum of the district's 24183
attributed local shares described in divisions (F)(1) to (3) of 24184
section 3317.022 of the Revised Code. Beginning in fiscal year 24185
2003, the "actual local share of special education, 24186
transportation, and vocational education funding" means that sum 24187
minus the amount of any excess cost supplement payment calculated 24188
for the district under division (F) of section 3317.022 of the 24189
Revised Code. 24190

(B) Upon receiving the certifications under section 3317.021 24191
of the Revised Code, the department of education shall determine 24192
for each city, local, and exempted village school district whether 24193
the district's charge-off amount is greater than the district's 24194
total taxes charged and payable for current expenses, and if it 24195

is, shall pay the district the amount of the difference. A payment 24196
shall not be made to any school district for which the computation 24197
under division (A) of section 3317.022 of the Revised Code equals 24198
zero. 24199

(C)(1) If a district's charge-off amount is equal to or 24200
greater than its total taxes charged and payable for current 24201
expenses, the department shall, in addition to the payment 24202
required under division (B) of this section, pay the district the 24203
amount of its actual local share of special education, 24204
transportation, and vocational education funding. 24205

(2) If a district's charge-off amount is less than its total 24206
taxes charged and payable for current expenses, the department 24207
shall pay the district any amount by which its actual local share 24208
of special education, transportation, and vocational education 24209
funding exceeds its total taxes charged and payable for current 24210
expenses minus its charge-off amount. 24211

(D) If a school district that received a payment under 24212
division (B) or (C) of this section in the prior fiscal year is 24213
ineligible for payment under those divisions in the current fiscal 24214
year, the department shall determine if the ineligibility is the 24215
result of a property tax or income tax levy approved by the 24216
district's voters to take effect in tax year 2005 or thereafter. 24217
If the department determines that is the case, and calculates that 24218
the levy causing the ineligibility exceeded by at least one mill 24219
the equivalent millage of the prior year's payment under divisions 24220
(B) and (C) of this section, the department shall make a payment 24221
to the district for the first three years that the district loses 24222
eligibility for payment under divisions (B) and (C) of this 24223
section, as follows: 24224

(1) In the first year of ineligibility, the department shall 24225
pay the district seventy-five per cent of the amount it last paid 24226

the district under divisions (B) and (C) of this section. 24227

(2) In the second year of ineligibility, the department shall 24228
pay the district fifty per cent of the amount it last paid the 24229
district under those divisions. 24230

(3) In the third year of ineligibility, the department shall 24231
pay the district twenty-five per cent of the amount it last paid 24232
the district under those divisions. 24233

(E) A district that receives payment under division (D) of 24234
this section and subsequently qualifies for payment under division 24235
(B) or (C) of this section is ineligible for future payments under 24236
division (D) of this section. 24237

Sec. 3317.0217. The department of education shall annually 24238
compute and pay state parity aid to school districts, as follows: 24239

(A) Calculate the local wealth per pupil of each school 24240
district, which equals the following sum: 24241

(1) Two-thirds times the quotient of (a) the district's 24242
recognized valuation divided by (b) its formula ADM; plus 24243

(2) One-third times the quotient of (a) the average of the 24244
total federal adjusted gross income of the school district's 24245
residents for the three years most recently reported under section 24246
3317.021 of the Revised Code divided by (b) its formula ADM. 24247

(B) Rank all school districts in order of local wealth per 24248
pupil, from the district with the lowest local wealth per pupil to 24249
the district with the highest local wealth per pupil. 24250

(C) Compute the per pupil state parity aid funding for each 24251
school district in accordance with the following formula: 24252

~~Payment percentage~~ X (threshold local wealth 24253
per pupil - the district's local 24254
wealth per pupil) X ~~0.0095~~ 0.0075 24255

Where: 24256

~~(1) "Payment percentage," for purposes of division (C) of 24257
this section, equals 20% in fiscal year 2002, 40% in fiscal year 24258
2003, 58% in fiscal year 2004, 76% in fiscal year 2005, and 100% 24259
after fiscal year 2005. 24260~~

~~(2) Nine and one half mills (0.0095) is the general 24261
assembly's determination of the average number of effective 24262
operating mills that districts in the seventieth to ninetieth 24263
percentiles of valuations per pupil collected in fiscal year 2001 24264
above the revenues required to finance their attributed local 24265
shares of the calculated cost of an adequate education. This was 24266
determined by (a) adding the district revenues from operating 24267
property tax levies and income tax levies, (b) subtracting from 24268
that total the sum of (i) twenty three mills times adjusted 24269
recognized valuation plus (ii) the attributed local shares of 24270
special education, transportation, and vocational education 24271
funding as described in divisions (F)(1) to (3) of section 24272
3317.022 of the Revised Code, and (c) converting the result to an 24273
effective operating property tax rate Seven and one-half mills 24274
(0.0075) is an adjustment to the original parity aid standard of 24275
nine and one-half mills, to account for the general assembly's 24276
policy decision to eliminate use of the cost-of-doing-business 24277
factor in the base cost formula. 24278~~

~~(3)(2) The "threshold local wealth per pupil" is the local 24279
wealth per pupil of the school district with the 24280
four-hundred-ninetieth lowest local wealth per pupil. 24281~~

If the result of the calculation for a school district under 24282
division (C) of this section is less than zero, the district's per 24283
pupil parity aid shall be zero. 24284

(D) Compute the per pupil alternative parity aid for each 24285
school district that has a combination of an income factor of 1.0 24286

or less, a ~~DPIA~~ poverty index of 1.0 or greater, and a fiscal year 24287
2005 cost-of-doing-business factor of 1.0375 or greater, in 24288
accordance with the following formula: 24289

$$\begin{aligned} & \text{Payment percentage} \times \$60,000 \times & 24290 \\ & (1 - \text{income factor}) \times 4/15 \times 0.023 & 24291 \end{aligned}$$

Where: 24292

(1) "~~DPIA~~ poverty index" has the same meaning as in section 24293
3317.029 of the Revised Code. 24294

(2) "Payment percentage," for purposes of division (D) of 24295
this section, equals 50% in fiscal year 2002 and 100% after fiscal 24296
year 2002. 24297

(E) Pay each district that has a combination of an income 24298
factor of of 1.0 or less, a ~~DPIA~~ poverty index of 1.0 or greater, and 24299
a fiscal year 2005 cost-of-doing-business factor of 1.0375 or 24300
greater, the greater of the following: 24301

(1) The product of the district's per pupil parity aid 24302
calculated under division (C) of this section times its net 24303
formula ADM; 24304

(2) The product of its per pupil alternative parity aid 24305
calculated under division (D) of this section times its net 24306
formula ADM. 24307

(F) Pay every other district the product of its per pupil 24308
parity aid calculated under division (C) of this section times its 24309
net formula ADM. 24310

(G) As used in divisions (E) and (F) of this section, "net 24311
formula ADM" means formula ADM minus the number of internet- and 24312
computer-based community school students and scholarship students 24313
reported under divisions (B)(3)(e) and (f) of section 3317.03 of 24314
the Revised Code. 24315

(C) of this section, any student enrolled in kindergarten more 24317
than half time shall be reported as one-half student under this 24318
section. 24319

(A) The superintendent of each city and exempted village 24320
school district and of each educational service center shall, for 24321
the schools under the superintendent's supervision, certify to the 24322
state board of education on or before the fifteenth day of October 24323
in each year for the first full school week in October the formula 24324
ADM, which shall consist of the average daily membership during 24325
such week of the sum of the following: 24326

(1) On an FTE basis, the number of students in grades 24327

students shall not be included in the determination: 24330

(a) Students enrolled in adult education classes; 24331

district under an open enrollment policy pursuant to section 24333
3313.98 of the Revised Code; 24334

required services for which reimbursement is sought. Such accounts 25310
shall contain such information as is required by the department of 25311
education and shall be maintained in accordance with rules adopted 25312
by the department of education. 25313

section shall not exceed an amount for each school year equal to 25315
two hundred ~~fifty~~ seventy-five dollars per pupil enrolled in that 25316

(1) "State share percentage" means the percentage calculated for a joint vocational school district as follows: 25420
25421

25423
25424
25425

(b) If the district would receive base cost funding under that division, divide that base cost amount by an amount equal to the following: 25426
25427
25428

~~cost of doing business factor X~~ 25429

the formula amount X 25430

formula ADM 25431

The resultant number is the district's state share
percentage. 25432
25433

(2) The "total special education weight" for a joint
vocational school district shall be calculated in the same manner 25434
as prescribed in division (B)(1) of section 3317.022 of the 25435

employment, and the salary provided in the contract may be 26070
increased but not reduced unless such reduction is a part of a 26071
uniform plan affecting the nonteaching employees of the entire 26072
district. 26073

(C) The contracts as provided for in this section may be 26074
terminated by a majority vote of the board of education. ~~Such~~ 26075

of the board of education to terminate the contract of an 26083
employee, the board may suspend an employee for a definite period 26084
of time or demote the employee for the reasons set forth in this 26085

pleas of the county in which such school board is situated. After 26091
hearing the appeal the common pleas court may affirm, disaffirm, 26092
or modify the action of the school board. 26093

A violation of division (A)(7) of section 2907.03 of the 26094
Revised Code is grounds for termination of employment of a 26095
nonteaching employee under this division. 26096

(D) All employees who have been employed by a school district 26097
where the provisions of Chapter 124. of the Revised Code do not 26098
apply, for a period of at least three years on November 24, 1967, 26099
shall hold continuing contracts of employment pursuant to this 26100
section. 26101

(E) Any nonteaching school employee may terminate ~~his~~ the 26102
nonteaching school employee's contract of employment thirty days 26103

(G) All nonteaching employees employed pursuant to this section and Chapter 124. of the Revised Code shall be paid for all time lost when the schools in which they are employed are closed owing to an epidemic or other public calamity. district's organization for which the employee is qualified. The 26138
board shall select from among similarly qualified employees to 26139
fill such vacancies pursuant to procedures established under any 26140
collective bargaining agreement between the employee organization 26141
representing the terminated employees and the board that is in 26142
force at the time of the termination, or in absence of such 26143
provisions on the basis of seniority of employment by the board 26144
with the employee with the greatest seniority having highest 26145
priority. 26146

(3) Unless a collective bargaining agreement between the 26147
employee organization representing the terminated employees and 26148
the board that is in force at the time of the termination provides 26149
otherwise, the board permits any employee whose position is 26150
terminated under this section to fill the employee's former 26151
position in the event that the board reinstates that position 26152
within one year after the date the position is terminated under 26153
this section. 26154

employee's position, not to hire that employee for another 26158
position pursuant to division (A)(2) of this section, or not to 26159
rehire that employee for the position if it is reinstated within 26160
one year after the position is terminated pursuant to division 26161
(A)(3) of this section. 26162

(5) The contract entered into by the board and an independent 26163
agent for the provision of transportation services contains a 26164
stipulation requiring the agent to consider hiring any employees 26165
of the school district whose positions are terminated under this 26166
section for similar positions within the agent's organization. 26167

26185

(B) If after terminating any positions of employment under this section the board fails to comply with any condition prescribed in division (A) of this section or fails to enforce on the agent its contractual obligations prescribed in divisions (A)(5) and (6) of this section, the terminations shall be void and the board shall reinstate the positions and fill them with the employees who filled those positions just prior to the terminations. Such employees shall be compensated at a rate equal to their rate of compensation in those positions just prior to the terminations plus any increases paid since the terminations to other nonteaching employees. received by the employees during any time the board was in 26199
compliance with such conditions or during any time the board 26200
enforced those obligations. 26201

Any employee aggrieved by the failure of the board to comply 26202
with any condition prescribed in division (A) of this section or 26203
to enforce on the agent its contractual obligations prescribed in 26204
divisions (A)(5) and (6) of this section shall have the right to 26205
sue the board for reinstatement of the employee's former position 26206
as provided for in this division in the court of common pleas for 26207
the county in which the school district is located or, if the 26208
school district is located in more than one county, in the court 26209
of common pleas for the county in which the majority of the 26210
territory of the school district is located. 26211

Sec. 3319.17. (A) As used in this section, "interdistrict 26212
contract" means any contract or agreement entered into by an 26213
educational service center governing board and another board or 26214
other public entity pursuant to section 3313.17, 3313.841, 26215
3313.842, 3313.843, 3313.91, or 3323.08 of the Revised Code, 26216
including any such contract or agreement for the provision of 26217
services funded under division (L) of section 3317.024 of the 26218
Revised Code or provided in any unit approved under section 26219
3317.05 of the Revised Code. 26220

(B) When, for any of the following reasons that apply to any 26221
city, exempted village, local, or joint vocational school district 26222
or any educational service center, the board decides that it will 26223
be necessary to reduce the number of teachers it employs, it may 26224
make a reasonable reduction: 26225

(1) In the case of any district or service center, return to 26226
duty of regular teachers after leaves of absence including leaves 26227
provided pursuant to division (B) of section 3314.10 of the 26228
Revised Code, suspension of schools, ~~or~~ territorial changes 26229

affecting the district or center, or financial reasons; 26230

(2) In the case of any city, exempted village, local, or 26231
joint vocational school district, decreased enrollment of pupils 26232
in the district; 26233

(3) In the case of any governing board of a service center 26234
providing any particular service directly to pupils pursuant to 26235
one or more interdistrict contracts requiring such service, 26236
reduction in the total number of pupils the governing board is 26237
required to provide with the service under all interdistrict 26238
contracts as a result of the termination or nonrenewal of one or 26239
more of these interdistrict contracts; 26240

(4) In the case of any governing board providing any 26241
particular service that it does not provide directly to pupils 26242
pursuant to one or more interdistrict contracts requiring such 26243
service, reduction in the total level of the service the governing 26244
board is required to provide under all interdistrict contracts as 26245
a result of the termination or nonrenewal of one or more of these 26246
interdistrict contracts. 26247

(C) In making any such reduction, any city, exempted village, 26248
local, or joint vocational school board shall proceed to suspend 26249
contracts in accordance with the recommendation of the 26250
superintendent of schools who shall, within each teaching field 26251
affected, give preference first to teachers on continuing 26252
contracts and then to teachers who have greater seniority. In 26253
making any such reduction, any governing board of a service center 26254
shall proceed to suspend contracts in accordance with the 26255
recommendation of the superintendent who shall, within each 26256
teaching field or service area affected, give preference first to 26257
teachers on continuing contracts and then to teachers who have 26258
greater seniority. 26259

On a case-by-case basis, in lieu of suspending a contract in 26260

whole, a board may suspend a contract in part, so that an 26261
individual is required to work a percentage of the time the 26262
employee otherwise is required to work under the contract and 26263
receives a commensurate percentage of the full compensation the 26264
employee otherwise would receive under the contract. 26265

The teachers whose continuing contracts are suspended by any 26266
board pursuant to this section shall have the right of restoration 26267
to continuing service status by that board in the order of 26268
seniority of service in the district or service center if and when 26269
teaching positions become vacant or are created for which any of 26270
such teachers are or become qualified. No teacher whose continuing 26271
contract has been suspended pursuant to this section shall lose 26272
that right of restoration to continuing service status by reason 26273
of having declined recall to a position that is less than 26274
full-time or, if the teacher was not employed full-time just prior 26275
to suspension of the teacher's continuing contract, to a position 26276
requiring a lesser percentage of full-time employment than the 26277
position the teacher last held while employed in the district or 26278
service center. 26279

(D) Notwithstanding any provision to the contrary in Chapter 26280
4117. of the Revised Code, the requirements of this section 26281
prevail over any conflicting provisions of agreements between 26282
employee organizations and public employers entered into after the 26283
effective date of this amendment. 26284

Sec. 3319.172. The board of education of each school district 26285
wherein the provisions of Chapter 124. of the Revised Code do not 26286
apply and the governing board of each educational service center 26287
may adopt a resolution ordering reasonable reductions in the 26288
number of nonteaching employees for any of the reasons for which 26289
the board of education or governing board may make reductions in 26290
teaching employees, as set forth in division (B) of section 26291

3319.17 of the Revised Code. 26292

In making any reduction under this section, the board of 26293
education or governing board shall proceed to suspend contracts in 26294
accordance with the recommendation of the superintendent of the 26295
district or service center who shall, within each pay 26296
classification affected, give preference first to employees under 26297
continuing contracts and then to employees on the basis of 26298
seniority. On a case-by-case basis, in lieu of suspending a 26299
contract in whole, a board may suspend a contract in part, so that 26300
an individual is required to work a percentage of the time the 26301
employee otherwise is required to work under the contract and 26302
receives a commensurate percentage of the full compensation the 26303
employee otherwise would receive under the contract. 26304

Any nonteaching employee whose continuing contract is 26305
suspended under this section shall have the right of restoration 26306
to continuing service status by the board of education or 26307
governing board that suspended that contract in order of seniority 26308
of service in the district or service center, if and when a 26309
nonteaching position for which the employee is qualified becomes 26310
vacant or is created. No nonteaching employee whose continuing 26311
contract has been suspended under this section shall lose that 26312
right of restoration to continuing service status by reason of 26313
having declined recall to a position requiring fewer regularly 26314
scheduled hours of work than required by the position the employee 26315
last held while employed in the district or service center. 26316

Notwithstanding any provision to the contrary in Chapter 26317
4117. of the Revised Code, the requirements of this section 26318
prevail over any conflicting provisions of agreements between 26319
employee organizations and public employers entered into after the 26320
effective date of this section. 26321

Sec. 3319.22. (A)(1) The state board of education shall adopt 26322

rules establishing the standards and requirements for obtaining 26323
temporary, associate, provisional, and professional educator 26324
licenses of any categories, types, and levels the board elects to 26325
provide. However, no educator license shall be required for 26326
teaching children two years old or younger. 26327

(2) If the state board requires any examinations for educator 26328
licensure, the department of education shall provide the results 26329
of such examinations received by the department to the Ohio board 26330
of regents, in the manner and to the extent permitted by state and 26331
federal law. 26332

(B) Any rules the state board of education adopts, amends, or 26333
rescinds for educator licenses under this section, division (D) of 26334
section 3301.07 of the Revised Code, or any other law shall be 26335
adopted, amended, or rescinded under Chapter 119. of the Revised 26336
Code except as follows: 26337

(1) Notwithstanding division (D) of section 119.03 and 26338
division (A)(1) of section 119.04 of the Revised Code, in the case 26339
of the adoption of any rule or the amendment or rescission of any 26340
rule that necessitates institutions' offering teacher preparation 26341
programs that are approved by the state board of education under 26342
section 3319.23 of the Revised Code to revise the curriculum of 26343
those programs, the effective date shall not be as prescribed in 26344
division (D) of section 119.03 and division (A)(1) of section 26345
119.04 of the Revised Code. Instead, the effective date of such 26346
rules, or the amendment or rescission of such rules, shall be the 26347
date prescribed by section 3319.23 of the Revised Code. 26348

(2) Notwithstanding the authority to adopt, amend, or rescind 26349
emergency rules in division (F) of section 119.03 of the Revised 26350
Code, this authority shall not apply to the state board of 26351
education with regard to rules for educator licenses. 26352

(C)(1) The rules adopted under this section establishing 26353

standards requiring additional coursework for the renewal of any educator license shall require a school district and a chartered nonpublic school to establish local professional development committees. In a nonpublic school, the chief administrative officer shall establish the committees in any manner acceptable to such officer. The committees established under this division shall determine whether coursework that a district or chartered nonpublic school teacher proposes to complete meets the requirement of the rules. The department of education shall provide technical assistance and support to committees as the committees incorporate the professional development standards adopted by the state board of education pursuant to section 3319.61 of the Revised Code into their review of coursework that is appropriate for license renewal. The rules shall establish a procedure by which a teacher may appeal the decision of a local professional development committee.

(2) In any school district in which there is no exclusive representative established under Chapter 4117. of the Revised Code, the professional development committees shall be established as described in division (C)(2) of this section.

Not later than the effective date of the rules adopted under this section, the board of education of each school district shall establish the structure for one or more local professional development committees to be operated by such school district. The committee structure so established by a district board shall remain in effect unless within thirty days prior to an anniversary of the date upon which the current committee structure was established, the board provides notice to all affected district employees that the committee structure is to be modified. Professional development committees may have a district-level or building-level scope of operations, and may be established with regard to particular grade or age levels for which an educator

license is designated.

26386

Each professional development committee shall consist of at least three classroom teachers employed by the district, one principal employed by the district, and one other employee of the district appointed by the district superintendent. For committees with a building-level scope, the teacher and principal members shall be assigned to that building, and the teacher members shall be elected by majority vote of the classroom teachers assigned to that building. For committees with a district-level scope, the teacher members shall be elected by majority vote of the classroom teachers of the district, and the principal member shall be elected by a majority vote of the principals of the district, unless there are two or fewer principals employed by the district, in which case the one or two principals employed shall serve on the committee. If a committee has a particular grade or age level scope, the teacher members shall be licensed to teach such grade or age levels, and shall be elected by majority vote of the classroom teachers holding such a license and the principal shall be elected by all principals serving in buildings where any such teachers serve. The district superintendent shall appoint a replacement to fill any vacancy that occurs on a professional development committee, except in the case of vacancies among the elected classroom teacher members, which shall be filled by vote of the remaining members of the committee so selected.

term. 26420

The initial meeting of any professional development 26421
committee, upon election and appointment of all committee members, 26422
shall be called by a member designated by the district 26423
superintendent. At this initial meeting, the committee shall 26424
select a chairperson and such other officers the committee deems 26425
necessary, and shall adopt rules for the conduct of its meetings. 26426
Thereafter, the committee shall meet at the call of the 26427
chairperson or upon the filing of a petition with the district 26428

representative has been established pursuant to Chapter 4117. of 26432
the Revised Code, professional development committees shall be 26433
established in accordance with any collective bargaining agreement 26434
in effect in the district that includes provisions for such 26435
committees. 26436

If the collective bargaining agreement does not specify a 26437
different method for the selection of teacher members of the 26438
committees, the exclusive representative of the district's 26439
teachers shall select the teacher members. 26440

If the collective bargaining agreement does not specify a 26441
different structure for the committees, the board of education of 26442
the school district shall establish the structure, including the 26443
number of committees and the number of teacher and administrative 26444
members on each committee; the specific administrative members to 26445
be part of each committee; whether the scope of the committees 26446
will be district levels, building levels, or by type of grade or 26447
age levels for which educator licenses are designated; the lengths 26448

of terms for members; the manner of filling vacancies on the
committees; and the frequency and time and place of meetings.
However, in all cases, except as provided in division (C)(4) of
this section, there shall be a majority of teacher members of any
professional development committee, there shall be at least five
total members of any professional development committee, and the
exclusive representative shall designate replacement members in
the case of vacancies among teacher members, unless the collective
bargaining agreement specifies a different method of selecting
such replacements.

(4) Whenever an administrator's coursework plan is being
discussed or voted upon, the local professional development
committee shall, at the request of one of its administrative
members, cause a majority of the committee to consist of
administrative members by reducing the number of teacher members
voting on the plan.

(D)(1) The department of education, educational service
centers, county boards of mental retardation and developmental
disabilities, regional professional development centers, special
education regional resource centers, college and university
departments of education, head start programs, the eTech Ohio
~~SchoolNet~~ commission, and the Ohio education computer network may
establish local professional development committees to determine
whether the coursework proposed by their employees who are
licensed or certificated under this section or section 3319.222 of
the Revised Code meet the requirements of the rules adopted under
this section. They may establish local professional development
committees on their own or in collaboration with a school district
or other agency having authority to establish them.

Local professional development committees established by
county boards of mental retardation and developmental disabilities
shall be structured in a manner comparable to the structures

prescribed for school districts in divisions (C)(2) and (3) of 26481
this section, as shall the committees established by any other 26482
entity specified in division (D)(1) of this section that provides 26483
educational services by employing or contracting for services of 26484
classroom teachers licensed or certificated under this section or 26485
section 3319.222 of the Revised Code. All other entities specified 26486
in division (D)(1) of this section shall structure their 26487
committees in accordance with guidelines which shall be issued by 26488
the state board. 26489

(2) Any public agency that is not specified in division 26490

instruction of children, as evidenced by the graduate having 26503
either demonstrated proficiency in such skills in a manner 26504
prescribed by the department of education or completed a course 26505

(A) of this section to become skilled at integrating educational 26511

technology in the instruction of children. The commission shall 26512
provide technical assistance to school districts wishing to 26513
establish such programs. 26514

Sec. 3319.55. (A) A grant program is hereby established to 26515
recognize and reward teachers in public and chartered nonpublic 26516

superintendent of public instruction shall administer this program 26519
in accordance with this section and rules which the state board of 26520
education shall adopt in accordance with Chapter 119. of the 26521
Revised Code. 26522

In each fiscal year that the general assembly appropriates 26523
funds for purposes of this section, the superintendent of public 26524
instruction shall award a grant to each person who, by the first 26525
day of April of that year and in accordance with the rules adopted 26526
under this section, submits to the superintendent evidence 26527

grant amount to each person who is eligible in that fiscal year, 26552
the superintendent shall prorate the amount of the grant awarded 26553
in that fiscal year to each eligible person. 26554

Sec. 3323.021. As used in this section, "participating county 26555
MR/DD board" means a county board of mental retardation and 26556

this section. The general assembly shall support the instructional 27215
grant program by such sums and in such manner as it may provide, 27216
but the board may also receive funds from other sources to support 27217

institution of higher education. The institution shall certify 27232
that the student applicant meets the requirements set forth in 27233
divisions (A)(1)(b) and (c) of this section. Instructional grants 27234
shall be provided to an eligible student only as long as the 27235
student is making appropriate progress toward a nursing diploma or 27236

an associate or bachelor's degree. No student shall be eligible to receive a grant for more than ten semesters, fifteen quarters, or the equivalent of five academic years. A grant made to an eligible student on the basis of less than full-time enrollment shall be based on the number of credit hours for which the student is enrolled and shall be computed in accordance with a formula adopted by the board. No student shall receive more than one grant on the basis of less than full-time enrollment.

An instructional grant shall not exceed the total instructional and general charges of the institution.

general revenue fund appropriations for administrative costs. The 28228
sales period to which such price applies shall consist of twelve 28229

Sec. 3334.12. Notwithstanding anything to the contrary in 28792
sections 3334.07 and 3334.09 of the Revised Code: 28793

(A) Annually, the Ohio tuition trust authority shall have the 28794
actuarial soundness of the Ohio tuition trust fund evaluated by a 28795
nationally recognized actuary and shall determine whether 28796
additional assets are necessary to defray the obligations of the 28797
authority. If, after the authority sets the price for tuition 28798
~~credits~~ units, circumstances arise that the executive director 28799
determines necessitate an additional evaluation of the actuarial 28800
soundness of the fund, the executive director shall have a 28801
nationally recognized actuary conduct the necessary evaluation. If 28802
the assets of the fund are insufficient to ensure the actuarial 28803
soundness of the fund, the authority shall adjust the price of 28804
subsequent purchases of tuition ~~credits~~ units to the extent 28805
necessary to help restore the actuarial soundness of the fund. If, 28806
at any time, the adjustment is likely, in the opinion of the 28807
authority, to diminish the marketability of tuition ~~credits~~ units 28808
to an extent that the continued sale of the ~~credits~~ units likely 28809
would not restore the actuarial soundness of the fund and external 28810
economic factors continue to negatively impact the soundness of 28811
the program, the authority may suspend sales, either permanently 28812
or temporarily, of tuition ~~credits~~ units. During any suspension, 28813
the authority shall continue to service existing college savings 28814
program accounts. 28815

(B) Upon termination of the program or liquidation of the 28816
Ohio tuition trust fund, the Ohio tuition trust reserve fund, and 28817
the Ohio tuition trust operating fund, any remaining assets of the 28818
funds after all obligations of the funds have been satisfied 28819
pursuant to division (B) of section 3334.11 of the Revised Code 28820
shall be transferred to the general revenue fund of the state. 28821

(C) The authority shall prepare and cause to have audited an 28822
annual financial report on all financial activity of the Ohio 28823
tuition trust authority within ninety days of the end of the 28824
fiscal year. The authority shall transmit a copy of the audited 28825

financial report to the governor, the president of the senate, the speaker of the house of representatives, and the minority leaders of the senate and the house of representatives. (B) The right of a person to a tuition ~~credit~~ unit or a payment under section 3334.09 of the Revised Code pursuant to a tuition ~~credit~~ payment contract, a scholarship program, or a variable college savings program account shall not be used as security or collateral for a loan.

Sec. 3334.16. The general assembly hereby finds that the prepaid tuition program providing for the sale of tuition credits units by the Ohio tuition trust authority is an official state function, offered through an agency of this state, which agency receives state appropriations. Therefore, the authority is directed by the state of Ohio to assume it is exempt from federal tax liability.

Sec. 3334.17. (A) The state, any political subdivision of the state, and any organization that is exempt from federal income taxation under section 501 (a) and described in section 501 (c)(3) of the Internal Revenue Code, including the Ohio tuition trust

registered with the authority. The authority shall be notified of 28860
the name and address of each scholarship beneficiary under the 28861
program, the amounts awarded, and the institution of higher 28862
education in which the beneficiary is enrolled. Scholarship 28863
beneficiaries shall be selected by the entity establishing the 28864
scholarship program, in accordance with criteria established by 28865
the entity. 28866

(B) Any person or governmental entity may purchase tuition 28867
~~credits~~ units on behalf of a scholarship program that is or is to 28868
be established in accordance with division (A) of this section at 28869
the same price as is established for the purchase of ~~credits~~ units 28870

of the Revised Code. 28875

(C) The entity establishing and maintaining a scholarship 28876
program shall specify whether a scholarship beneficiary may 28877

institution of higher education in which the student is enrolled. 28881

(D) If a scholarship beneficiary does not use the amount 28882
awarded within a length of time specified under the scholarship 28883
program, the amount may be awarded to another beneficiary. 28884

Sec. 3334.18. (A) A variable college savings program 28885
established by the Ohio tuition trust authority shall include 28886

and the authority that will authorize the contributor to open an 28888
account for a beneficiary and authorize the contributor to 28889
substitute a new beneficiary for one originally named in the 28890
contract, to the extent permitted by section 529 of the Internal 28891
Revenue Code. 28892

(B) The authority shall provide adequate safeguards to 28893
prevent total contributions to a variable college savings program 28894
account or purchases of tuition ~~credits~~ units, either separately 28895
or combined, that are made on behalf of a beneficiary from 28896
exceeding the amount necessary to provide for the tuition and 28897
other higher education expenses of the beneficiary, consistent 28898
with the maximum contributions permitted by section 529 of the 28899
Internal Revenue Code. However, in no event shall contributions or 28900
purchases exceed the allowable limit for a qualified ~~state~~ tuition 28901
program under section 529 of the Internal Revenue Code. 28902

(C)(1) Participation in the variable college savings program 28903
does not guarantee that contributions and the investment return on 28904
contributions, if any, will be adequate to cover future tuition 28905
and other higher education expenses or that a beneficiary will be 28906
admitted to or permitted to continue to attend an institution of 28907
higher education. 28908

(2) Returns on contributors' investments in the variable 28909
college savings program are not guaranteed by the state and the 28910

(3) The state shall have no debt or obligation to any 28915
contributor, beneficiary, or any other person as a result of the 28916
establishment of the program, and the state assumes no risk or 28917
liability for funds invested in the variable college savings 28918

Sec. 3709.34. (A) ~~The board of county commissioners or the~~ 31472
legislative authority of any city may furnish suitable quarters 31473
for any board of health or health department having jurisdiction 31474
over all or a major part of ~~such county or~~ that city. 31475

(B)(1) Subject to division (B)(6) of this section, through 31476

fiscal year 2006, the board of county commissioners shall provide 31477
office space and utilities for the board of health having 31478
jurisdiction over the county's general health district. 31479
Thereafter, subject to division (B)(6) of this section, the board 31480
of county commissioners shall make payments as provided in 31481
divisions (B)(2) and (3) of this section for the office space and 31482
utilities until fiscal year 2010. Starting in fiscal year 2010, 31483
the board has no duty to provide office space or utilities, or to 31484
make payments for office space or utilities, for the board of 31485
health of the county's general health district. 31486

(2)(a) Not later than the thirtieth day of September 2006, 31487
2007, and 2008, the board of county commissioners shall make a 31488
written estimate of the total cost for the ensuing fiscal year to 31489
provide office space and utilities to the board of health of the 31490
county's general health district. The estimate of total cost shall 31491
include all of the following: 31492

(i) The total square feet of space to be used by the board of 31493
health; 31494

(ii) The total square feet of any common areas that should be 31495
reasonably allocated to the board of health and the method for 31496
making this allocation; 31497

(iii) The actual cost per square foot for both the space used 31498
by and the common areas allocated to the board of health; 31499

(iv) An explanation of the method used to determine the 31500
actual cost per square foot; 31501

(v) The estimated cost of providing utilities, including an 31502

(vi) Any other estimated costs the board of county 31504
commissioners anticipates will be incurred to provide office space 31505

explanation of those costs and the rationale used to determine 31507
them. 31508

(b) The board of county commissioners shall forward a copy of 31509
the estimate of total cost to the director of the board of health 31510
not later than the fifth day of October 2006, 2007, and 2008. The 31511
director shall review the estimate and notify the board of county 31512
commissioners not later than twenty days after its receipt of 31513

estimate, it shall become the final estimate of total cost. 31516
Failure of the director to make objections to the estimate by the 31517
twentieth day after its receipt shall be deemed to mean that the 31518
director is in agreement with the estimate. 31519

If the director timely provides specific objections to the 31520
board of county commissioners, the board shall review the 31521
objections and may modify the original estimate and send a revised 31522
estimate of total cost to the director within ten days after 31523
receipt of the objections. The director shall respond to a revised 31524
estimate within ten days after its receipt. If the director agrees 31525
with it, the revised estimate shall become the final estimate of 31526
total cost. If the director fails to respond within the ten-day 31527
period, the director shall be deemed to have agreed with the 31528
revised estimate. If the director disagrees with the revised 31529
estimate, the director shall send specific objections to the board 31530
of county commissioners within the ten-day period. 31531

(c) If the director sends specific objections to a revised 31532
estimate within the required time, or if there is no revised 31533
estimate and the director timely objected to the original 31534
estimate, the probate judge of the county shall determine the 31535
final estimate of total cost and certify this amount to the 31536
director and the board of county commissioners before the first 31537
day of January 2007, 2008, or 2009, as applicable. 31538

(3)(a) Subject to division (B)(6) of this section, a board of county commissioners shall be responsible for the following percentages of the final estimate of total cost established by division (B)(2) of this section: 31539
31540
31541
31542

(i) Sixty per cent for fiscal year 2007; 31543

(ii) Forty per cent for fiscal year 2008; 31544

(iii) Twenty per cent for fiscal year 2009. 31545

(b) In fiscal years 2007, 2008, and 2009, the board of health of the county's general health district shall be responsible for the payment of the remainder of any costs incurred in excess of the amount payable under division (B)(3)(a)(i), (ii), or (iii) of this section, as applicable, for the provision of office space and utilities for the board of health, including any unanticipated or unexpected increases in costs beyond the final estimate of total cost. 31546
31547
31548
31549
31550
31551
31552
31553

(c) Beginning in fiscal year 2010, the board of county commissioners has no obligation to provide office space or utilities, or to make payments for office space or utilities, for the board of health. 31554
31555
31556
31557

(4) After fiscal year 2009, the board of county commissioners and the board of health of the county's general health district may enter into a contract for the board of county commissioners to provide office space for the use of the board of health and to provide utilities for that office space. The term of any such contract shall not exceed four years and may be renewed for additional periods not to exceed four years. 31558
31559
31560
31561
31562
31563
31564

(5) In any fiscal year, notwithstanding any contrary provision of divisions (B)(1) to (4) of this section, the board of county commissioners, in its discretion, may provide office space and utilities for the board of health of the county's general 31565

(6) If the board of health of a general health district 31570
rents, leases, lease-purchases, or otherwise acquires office space 31571
to facilitate the performance of its functions, or constructs, 31572
enlarges, renovates, or otherwise modifies buildings or other 31573
structures to provide office space to facilitate the performance 31574
of its functions, the board of county commissioners of the county 31575
served by the general health district has no further obligation 31576
under division (B) of this section to provide office space or 31577
utilities, or to make payments for office space or utilities, for 31578
the board of health, unless the board of county commissioners 31579
enters into a contract under division (B)(4) of this section or 31580
exercises its option under division (B)(5) of this section. 31581

Sec. 3712.03. (A) In accordance with Chapter 119. of the 31582
Revised Code, the public health council shall adopt, and may amend 31583
and rescind, rules: 31584

(2) Establishing a license fee and license renewal fee not to 31589

(4) Establishing requirements for hospice care program 31595

~~(4)~~(5) Providing for a waiver of the requirement for the 31597
provision of physical, occupational, or speech or language therapy 31598

contained in division (A)(2) of section 3712.01 of the Revised Code when the requirement would create a hardship because such therapy is not readily available in the geographic area served by the provider of a hospice care program;

~~(5)~~(6) Providing for the granting of licenses to provide hospice care programs to persons and public agencies that are accredited or certified to provide such programs by an entity whose standards for accreditation or certification equal or exceed those provided for licensure under this chapter and rules adopted under it; and

~~(6)~~(7) Establishing interpretive guidelines for each rule.

(B) Subject to the approval of the controlling board, the public health council may establish fees in excess of the amounts provided by sections 3712.01 and 3712.03 to 3712.06 of the Revised Code, provided that the fees do not exceed those amounts by greater than fifty per cent.

(C) The department of health shall:

(1) Grant, suspend, and revoke licenses for hospice care programs in accordance with this chapter and rules adopted under it;

(2) Make such inspections as are necessary to determine whether hospice care program facilities and services meet the requirements of this chapter and rules adopted under it; and

(3) Implement and enforce this chapter and rules adopted under it.

Sec. 3714.07. (A)(1) For the purpose of assisting boards of health and the environmental protection agency in administering and enforcing this chapter and rules adopted under it, there is hereby levied on the disposal of construction and demolition debris at a construction and demolition debris facility that is

licensed under this chapter or at a solid waste facility that is 31629
licensed under Chapter 3734. of the Revised Code a fee of thirty 31630
cents per cubic yard or sixty cents per ton, as applicable. 31631

(2) The owner or operator of a construction and demolition 31632
debris facility or a solid waste facility shall determine if cubic 31633
yards or tons will be used as the unit of measurement. In 31634
estimating the fee based on cubic yards, the owner or operator 31635
shall utilize either the maximum cubic yard capacity of the 31636
container, or the hauling volume of the vehicle, that transports 31637
the construction and demolition debris to the facility or the 31638
cubic yards actually logged for disposal by the owner or operator 31639
in accordance with rules adopted under section 3714.02 of the 31640
Revised Code. If basing the fee on tonnage, the owner or operator 31641
shall use certified scales to determine the tonnage of 31642
construction and demolition debris that is transported to the 31643
facility for disposal. 31644

(3) The owner or operator of a construction and demolition 31645
debris facility or a solid waste facility shall collect the fee 31646
levied under division (A) of this section as a trustee for the 31647
health district having jurisdiction over the facility, if that 31648
district is on the approved list under section 3714.09 of the 31649
Revised Code, or for the state. The owner or operator shall 31650
prepare and file with the appropriate board of health or the 31651
director of environmental protection monthly returns indicating 31652
the total volume or weight, as applicable, of construction and 31653
demolition debris received for disposal at the facility and the 31654
total amount of money required to be collected on the construction 31655
and demolition debris disposed of during that month. Not later 31656
than thirty days after the last day of the month to which the 31657
return applies, the owner or operator shall mail to the board of 31658
health or the director the return for that month together with the 31659
money required to be collected on the construction and demolition 31660

debris disposed of during that month. The owner or operator may
request, in writing, an extension of not more than thirty days
after the last day of the month to which the return applies. A
request for extension may be denied. If the owner or operator
submits the money late, the owner or operator shall pay a penalty
of ten per cent of the amount of the money due for each month that
it is late.

(4) Of the money that is collected from a construction and
demolition debris facility or a solid waste facility on a per
cubic yard or per ton basis under this section, a board of health
shall transmit three cents per cubic yard or six cents per ton, as
applicable, to the director not later than forty-five days after
the receipt of the money. The money retained by a board of health
under this section shall be paid into a special fund, which is
hereby created in each health district, and used solely to
administer and enforce this chapter and rules adopted under it.

The director shall transmit all money received from the
boards of health of health districts under this section and all
money from the disposal fee collected by the director under this
section to the treasurer of state to be credited to the
construction and demolition debris facility oversight fund, which
is hereby created in the state treasury. The fund shall be
administered by the director, and money credited to the fund shall
be used exclusively for the administration and enforcement of this
chapter and rules adopted under it.

(B) The board of health of a health district or the director
may enter into an agreement with the owner or operator of a
construction and demolition debris facility or a solid waste
facility for the quarterly payment of the money collected from the
disposal fee. The board of health shall notify the director of any
such agreement. Not later than forty-five days after receipt of
the quarterly payment, the board of health shall transmit the

amount established in division (A)~~(5)~~(4) of this section to the 31693
director. The money retained by the board of health shall be 31694
deposited in the special fund of the district as required under 31695
that division. Upon receipt of the money from a board of health, 31696
the director shall transmit the money to the treasurer of state to 31697
be credited to the construction and demolition debris facility 31698
oversight fund. 31699

(C) If a construction and demolition debris facility or a 31700
solid waste facility is located within the territorial boundaries 31701
of a municipal corporation or the unincorporated area of a 31702
township, the municipal corporation or township may appropriate up 31703
to four cents per cubic yard or up to eight cents per ton of the 31704
disposal fee required to be paid by the facility under division 31705
(A) of this section for the same purposes that a municipal 31706
corporation or township may levy a fee under division (C) of 31707
section 3734.57 of the Revised Code. 31708

The legislative authority of the municipal corporation or 31709
township may appropriate the money from the fee by enacting an 31710
ordinance or adopting a resolution establishing the amount of the 31711
fee to be appropriated. Upon doing so, the legislative authority 31712
shall mail a certified copy of the ordinance or resolution to the 31713
board of health of the health district in which the construction 31714
and demolition debris facility or the solid waste facility is 31715
located or, if the facility is located in a health district that 31716
is not on the approved list under section 3714.09 of the Revised 31717
Code, to the director. Upon receipt of the copy of the ordinance 31718
or resolution and not later than forty-five days after receipt of 31719
money collected from the fee, the board or the director, as 31720
applicable, shall transmit to the treasurer or other appropriate 31721
officer of the municipal corporation or clerk of the township that 31722
portion of the money collected from the disposal fee by the owner 31723
or operator of the facility that is required by the ordinance or 31724

resolution to be paid to that municipal corporation or township. 31725

Money received by the treasurer or other appropriate officer 31726
of a municipal corporation under this division shall be paid into 31727
the general fund of the municipal corporation. Money received by 31728
the clerk of a township under this division shall be paid into the 31729
general fund of the township. The treasurer or other officer of 31730
the municipal corporation or the clerk of the township, as 31731
appropriate, shall maintain separate records of the money received 31732
under this division. 31733

The legislative authority of a municipal corporation or 31734
township may cease collecting money under this division by 31735
repealing the ordinance or resolution that was enacted or adopted 31736
under this division. 31737

(D) The board of county commissioners of a county in which a 31738
construction and demolition debris facility or a solid waste 31739
facility is located may appropriate up to three cents per cubic 31740
