Code: 459

costs. "Allocable nondirect costs" shall be calculated as follows: 462
direct costs actually incurred for the provision of services 463
pursuant to a contract entered into under section 9.231 of the 464
Revised Code divided by the minimum percentage of money that is to 465
be expended on the recipient's direct costs, as specified in the 466
contract, minus the direct costs actually incurred. 467

(B) "Contract payment earned" means payment pursuant to a 468
contract entered into under section 9.231 of the Revised Code for 469
direct costs actually incurred in performing the contract, up to 470
the minimum percentage of money that is to be expended on the 471
recipient's direct costs, as specified in the contract, plus 472

allocable nondirect costs associated with those direct costs. 473

(C) "Direct costs" means the costs of providing services that 474
directly benefit a patient, client, or the public and that are set 475
forth in the contract entered into under section 9.231 of the 476
Revised Code. "Direct costs" does not include the costs of any 477
financial review or audit required under section 9.234 of the 478
Revised Code. 479

(D)(1) "Governmental entity" means a state agency or a 480
political subdivision of the state. 481

(2) "Contracting authority" of a governmental entity means 482
the director or chief executive officer, in the case of a state 483
agency, or the legislative authority, in the case of a political 484
subdivision. 485

(E) "Minimum percentage of money that is to be expended on 486
the recipient's direct costs" means the percentage of the total 487
amount of the contract entered into under section 9.231 of the 488
Revised Code that, at a minimum, has to be expended on the 489
recipient's direct costs in performing the contract in order for 490
the recipient to earn the total amount of the contract. 491

(F) "Political subdivision" means a county, township, 492
municipal corporation, or any other body corporate and politic 493

with a governmental entity under section 9.231 of the Revised 497
Code. 498

(H) "State agency" means any organized body, office, agency, 499
institution, or other entity established by the laws of the state 500
for the exercise of any function of state government. 501

(I) A judgment is "uncollectible" if, at least ninety days 502

after the judgment is obtained, the full amount of the judgment 503
has not been collected and either a settlement agreement between 504
the governmental entity and the recipient has not been entered 505
into or a settlement agreement has been entered into but has not 506
been materially complied with. 507

Sec. 9.231. (A)(1) Subject to divisions (A)(2) and (3) of 508
this section, a governmental entity shall not disburse money 509
totaling twenty-five thousand dollars or more to any person for 510
the provision of services for the primary benefit of individuals 511
or the public and not for the primary benefit of a governmental 512
entity or the employees of a governmental entity, unless the 513
contracting authority of the governmental entity first enters into 514
a written contract with the person that is signed by the person or 515
by an officer or agent of the person authorized to legally bind 516
the person and that embodies all of the requirements and 517
conditions set forth in sections 9.23 to 9.236 of the Revised 518
Code. If the disbursement of money occurs over the course of a 519
governmental entity's fiscal year, rather than in a lump sum, the 520

entity disbursed to that person an aggregate amount totaling at 529

(3) The person receives the money solely in return for the 633
performance of services intended to help preserve public health or 634

(C) With respect to a nonprofit association, corporation, or 637

section 9.231 of the Revised Code, any financial compliance 663

contract. 708

(b) Any other information that may be required by the 709
contract. 710

(B) (1) A recipient that, pursuant to one or more contracts 711
entered into under section 9.231 of the Revised Code, receives 712
money totaling at least one hundred thousand dollars but less than 713
three hundred thousand dollars in any fiscal year shall have a 714
financial review performed for each fiscal year in which it 715
receives that amount of money in accordance with the financial 716
review standards of the American institute of certified public 717

accountants. The financial review shall be performed by an 718
independent public accounting firm. The financial review contract 719
between the recipient and the firm shall provide that the state is 720
an intended third-party beneficiary of the contract. 721

This financial review requirement may be waived, however, if 722
the contracting authority of each governmental entity from which 723
the recipient received money that fiscal year pursuant to a 724
contract entered into under section 9.231 of the Revised Code 725
agrees to the waiver. 726

(2) A recipient that, pursuant to one or more contracts 727
entered into under section 9.231 of the Revised Code, receives 728

between the recipient and the firm shall provide that the state is 736
an intended third-party beneficiary of the contract. 737

(3) A recipient that, pursuant to one or more contracts 738
entered into under section 9.231 of the Revised Code, receives 739
money totaling five hundred thousand dollars or more in any fiscal 740
year shall have a financial audit performed for each fiscal year 741
in which it receives that amount of money according to generally 742
accepted auditing standards by an independent public accounting 743
firm. The engagement letter between the recipient and the firm 744
shall provide that the state is an intended third-party 745
beneficiary of the contract. The audit shall comply with rules 746
adopted by the auditor of state under section 9.238 of the Revised 747
Code. An audit performed pursuant to the federal "Single Audit Act 748
of 1984," 98 Stat. 2327, 31 U.S.C. 7501 et seq., as amended, is 749

sufficient if the state is an intended third-party beneficiary of 750
the audit contract. 751

(C)(1) An audit conducted by the auditor of state pursuant to 752
any other provision of the Revised Code is sufficient for purposes 753
of division (B) of this section. 754

(2) A financial audit meeting the requirements of division 755
(B)(3) of this section satisfies the financial review requirements 756
of divisions (B)(1) and (2) of this section. 757

(3) The references in division (B) of this section to fiscal 758
year mean the recipient's fiscal year. 759

contracts for the performance of the recipient's obligations under 766
the recipient's contract with the governmental entity, shall be 767
open to inspection by the governmental entity and by the state 768
from the time the recipient first applies for payment under the 769
contract. If the recipient is paid before the performance of its 770

programs established pursuant to this section: 1283

(1) Such funds shall be reserved as are necessary, in the 1284
exercise of sound and prudent actuarial judgment, to cover 1285
potential cost of health care benefits for the officers and 1286
employees of the political subdivision. A report of amounts so 1287
reserved and disbursements made from such funds, together with a 1288
written report of a member of the American academy of actuaries 1289
certifying whether the amounts reserved conform to the 1290
requirements of this division, are computed in accordance with 1291
accepted loss reserving standards, and are fairly stated in 1292
accordance with sound loss reserving principles, shall be prepared 1293
and maintained, within ninety days after the last day of the 1294
fiscal year of the entity for which the report is provided for 1295
that fiscal year, in the office of the program administrator 1296
described in division (C)(3) of this section. 1297

The report required by division (C)(1) of this section shall 1298
include, but not be limited to, disbursements made for the 1299

The program administrator described in division (C)(3) of 1303

during regular business hours, and, upon the request of such 1306
person, shall make copies of the report available at cost within a 1307
reasonable period of time. 1308

(2) Each political subdivision shall reserve funds necessary 1309

reserve the funds necessary for an individual or joint 1315
self-insurance program in a special fund established pursuant to a 1316
resolution duly adopted by the agency's or instrumentality's 1317
governing board. The political subdivision may allocate the costs 1318
of insurance or any self-insurance program, or both, among the 1319
funds or accounts ~~in the subdivision's treasury~~ established under 1320
this division on the basis of relative exposure and loss 1321
experience. 1322

(3) A contract may be awarded, without the necessity of 1323
competitive bidding, to any person, political subdivision, 1324
nonprofit corporation organized under Chapter 1702. of the Revised 1325
Code, or regional council of governments created under Chapter 1326
167. of the Revised Code for purposes of administration of an 1327
individual or joint self-insurance program. No such contract shall 1328

terms and conditions. The disclosure shall include, at a minimum, 1330

any possible savings and losses resulting from the contract, and 1332
potential liability of any political subdivision or employee. The 1333
proposed contract and statement shall be disclosed and presented 1334
at a meeting of the political subdivision not less than one week 1335
prior to the meeting at which the political subdivision authorizes 1336
the contract. 1337

A contract awarded to a nonprofit corporation or a regional 1338
council of governments under this division may provide that all 1339
employees of the nonprofit corporation or regional council of 1340
governments and the employees of all entities related to the 1341
nonprofit corporation or regional council of governments may be 1342
covered by the individual or joint self-insurance program under 1343
the terms and conditions set forth in the contract. 1344

(4) The individual or joint self-insurance program shall 1345
include a contract with a member of the American academy of 1346
actuaries for the preparation of the written evaluation of the 1347
reserve funds required under division (C)(1) of this section. 1348

(5) A joint self-insurance program may allocate the costs of 1349
funding the program among the funds or accounts ~~in the treasuries~~ 1350
~~of~~ established under this division to the participating political 1351
subdivisions on the basis of their relative exposure and loss 1352

(6) An individual self-insurance program may allocate the 1354
costs of funding the program among the funds or accounts ~~in the~~ 1355
~~treasury of~~ established under this division to the political 1356
subdivision that established the program. 1357

(7) Two or more political subdivisions may also authorize the 1358
establishment and maintenance of a joint health care cost 1359
containment program, including, but not limited to, the employment 1360

of risk managers, health care cost containment specialists, and 1361
consultants, for the purpose of preventing and reducing health 1362
care costs covered by insurance, individual self-insurance, or 1363
joint self-insurance programs. 1364

(8) A political subdivision is not liable under a joint 1365
self-insurance program for any amount in excess of amounts payable 1366
pursuant to the written agreement for the participation of the 1367
political subdivision in the joint self-insurance program. Under a 1368
joint self-insurance program agreement, a political subdivision 1369
may, to the extent permitted under the written agreement, assume 1370
the risks of any other political subdivision. A joint 1371
self-insurance program established under this section is deemed a 1372
separate legal entity for the public purpose of enabling the 1373
members of the joint self-insurance program to obtain insurance or 1374
to provide for a formalized, jointly administered self-insurance 1375
fund for its members. An entity created pursuant to this section 1376
is exempt from all state and local taxes. 1377

instrumentality, may issue general obligation bonds, or special 1379
obligation bonds that are not payable from real or personal 1380
property taxes, and may also issue notes in anticipation of such 1381
bonds, pursuant to an ordinance or resolution of its legislative 1382
authority or other governing body for the purpose of providing 1383
funds to pay expenses associated with the settlement of claims, 1384
whether by way of a reserve or otherwise, and to pay the political 1385
subdivision's portion of the cost of establishing and maintaining 1386
an individual or joint self-insurance program or to provide for 1387
the reserve in the special fund authorized by division (C)(2) of 1388
this section. 1389

In its ordinance or resolution authorizing bonds or notes 1390
under this section, a political subdivision may elect to issue 1391
such bonds or notes under the procedures set forth in Chapter 133. 1392

of the Revised Code. In the event of such an election, 1393
notwithstanding Chapter 133. of the Revised Code, the maturity of 1394
the bonds may be for any period authorized in the ordinance or 1395
resolution not exceeding twenty years, which period shall be the 1396
maximum maturity of the bonds for purposes of section 133.22 of 1397
the Revised Code. 1398

Bonds and notes issued under this section shall not be 1399
considered in calculating the net indebtedness of the political 1400
subdivision under sections 133.04, 133.05, 133.06, and 133.07 of 1401
the Revised Code. Sections 9.98 to 9.983 of the Revised Code are 1402
hereby made applicable to bonds or notes authorized under this 1403
section. 1404

(10) A joint self-insurance program is not an insurance 1405
company. Its operation does not constitute doing an insurance 1406
business and is not subject to the insurance laws of this state. 1407

(D) A political subdivision may procure group life insurance 1408
for its employees in conjunction with an individual or joint 1409
self-insurance program authorized by this section, provided that 1410
the policy of group life insurance is not self-insured. 1411

(E) Divisions (C)(1), (2), and (4) of this section do not 1412
apply to individual self-insurance programs in municipal 1413
corporations, townships, or counties. 1414

(F) A public official or employee of a political subdivision 1415
who is or becomes a member of the governing body of the program 1416
administrator of a joint self-insurance program in which the 1417
political subdivision participates is not in violation of division 1418
(D) or (E) of section 102.03, division (C) of section 102.04, or 1419
section 2921.42 of the Revised Code as a result of either of the 1420
following: 1421

(1) The political subdivision's entering under this section 1422
into the written agreement to participate in the joint 1423

self-insurance program; 1424

(2) The political subdivision's entering under this section 1425

into any other contract with the joint self-insurance program. 1426

medical, hospital, dental, or surgical coverage and benefits, or 1437

any combination thereof, by means of insurance plans or other 1438

types of coverage, family, group or otherwise, and may pay from 1439

funds under its control and available for such purpose all or any 1440

portion of the cost, premium, or charge for such insurance, 1441

coverage, or benefits. However, the governing board, in addition 1442

to or as an alternative to the authority otherwise granted by 1443

division (A)(1) of this section, may elect to procure coverage for 1444

health care services, for or on behalf of such of its employees as 1445

it may determine, by means of policies, contracts, certificates, 1446

or agreements issued by at least two health insuring corporations 1447

holding a certificate of authority under Chapter 1751. of the 1448

Revised Code and may pay from funds under the governing board's 1449

control and available for such purpose all or any portion of the 1450

cost of such coverage. 1451

(2) Make payments to a custodial account for investment in 1452

regulated investment company stock for the purpose of providing 1453

retirement benefits as described in section 403(b)(7) of the 1454

Internal Revenue Code of 1954, as amended. Such stock shall be 1455
purchased only from persons authorized to sell such stock in this 1456
state. 1457

Any income of an employee deferred under divisions (A)(1) and 1458

(B) All or any portion of the cost, premium, or charge 1466
therefor may be paid in such other manner or combination of 1467
manners as the governing board ~~or the school board~~ may determine, 1468
including direct payment by the employee in cases under division 1469
(A)(1) of this section, and, if authorized in writing by the 1470
employee in cases under division (A)(1) or (2) of this section, by 1471
such governing board ~~or school board~~ with moneys made available by 1472
deduction from or reduction in salary or wages or by the foregoing 1473
of a salary or wage increase. Division (B)(7) of section 3917.01 1474
and the last paragraph of section 3917.06 of the Revised Code 1475
shall not prohibit the issuance or purchase of group life 1476
insurance authorized by this section by reason of payment of 1477
premiums therefor by the governing board ~~or the school board~~ from 1478
its funds, and such group life insurance may be so issued and 1479
purchased if otherwise consistent with the provisions of sections 1480
3917.01 to 3917.07 of the Revised Code. 1481

(C) The board of education of any school district may 1482
exercise any of the powers granted to the governing boards of 1483
public institutions of higher education under divisions (A) and 1484
(B) of this section, except in relation to the provision of health 1485
care benefits to employees. All health care benefits provided to 1486

persons employed by the public schools of this state shall be 1487
medical plans designed by the school employees health care board 1488
pursuant to section 9.901 of the Revised Code. 1489

Sec. 9.901. (A)(1) All health care benefits provided to 1490
persons employed by the public schools of this state shall be 1491

with the superintendent of insurance, shall negotiate with and, in 1494
accordance with the competitive selection procedures of Chapter 1495
125. of the Revised Code, contract with one or more insurance 1496

of the plans. Any or all of the medical plans designed by the 1498
board may be self-insured. All self-insured plans adopted shall be 1499
administered by the board in accordance with this section. As used 1500
in this section, a "public school" means a school in a city, 1501
local, exempted village, or joint vocational school district, and 1502
includes the educational service centers associated with those 1503
schools. 1504

(2) Prior to soliciting proposals from insurance companies 1505
for the issuance of medical plans, the board shall determine what 1506
geographic regions exist in the state based on the availability of 1507
providers, networks, costs, and other factors relating to 1508
providing health care benefits. The board shall then determine 1509
what medical plans are offered by school districts and existing 1510
consortiums in the state. The board shall determine what medical 1511
plan offered by a school district or existing consortium in the 1512
region offers the lowest premium cost plan. 1513

(3) The board shall develop a request for proposals and 1514
solicit bids for medical plans for the school districts in a 1515
region similar to the existing plans. The board shall also 1516
determine the benefits offered by existing medical plans, the 1517

employees' costs, and the cost-sharing arrangements used by public 1518
schools participating in a consortium. The board shall determine 1519
what strategies are used by the existing medical plans to manage 1520
health care costs and shall study the potential benefits of state 1521
or regional consortiums of public schools offering multiple health 1522
care plans. 1523

(4) As used in this section, a "medical plan" includes group 1524
policies, contracts, and agreements that provide hospital, 1525
surgical, or medical expense coverage, including self-insured 1526
plans. A "medical plan" does not include an individual plan 1527
offered to the employees of a public school, or a plan that 1528
provides coverage only for specific disease or accidents, or a 1529
hospital indemnity, medicare supplement, or other plan that 1530
provides only supplemental benefits, paid for by the employees of 1531
a public school. 1532

(B) The school employees health care board is hereby created. 1533
The school employees health care board shall consist of the 1534
following nine members and shall include individuals with 1535
experience with public school benefit programs, health care 1536
industry providers, and medical plan beneficiaries: 1537

(1) Three members appointed by the governor; 1538

(2) Three members appointed by the president of the senate; 1539

(3) Three members appointed by the speaker of the house of 1540
representatives. 1541

A member of the school employees health care board shall not 1542
be employed by, represent, or in any way be affiliated with a 1543
private entity that is providing services to the board, an 1544
individual school district, employers, or employees in the state 1545
of Ohio. 1546

(C)(1) Members of the school employees health care board 1547
shall serve four-year terms; however, one of each of the initial 1548

members appointed under divisions (B)(1) to (3) of this section 1549
shall be appointed to a term of one year. The initial appointments 1550
under this section shall be made within forty-five days after the 1551
effective date of this section. 1552

Members' terms shall end on the same day of the same month as 1553
the effective date of this section, but a member shall continue to 1554
serve subsequent to the expiration of the member's term until a 1555
successor is appointed. Any vacancy occurring during a member's 1556
term shall be filled in the same manner as the original 1557
appointment, except that the person appointed to fill the vacancy 1558
shall be appointed to the remainder of the unexpired term. 1559

(2) Members shall serve without compensation but shall be 1560
reimbursed from the school employees health care fund for actual 1561
and necessary expenses incurred in the performance of their 1562
official duties as members of the board. 1563

(3) Members may be removed by their appointing authority for 1564
misfeasance, malfeasance, incompetence, dereliction of duty, or 1565
other just cause. 1566

(D)(1) The governor shall call the first meeting of the 1567
school employees health care board. At that meeting, and annually 1568
thereafter, the board shall elect a chairperson and may elect 1569
members to other positions on the board as the board considers 1570
necessary or appropriate. The board shall meet at least four times 1571
each calendar year and shall also meet at the call of the 1572
chairperson or three or more board members. The chairperson shall 1573
provide reasonable advance notice of the time and place of board 1574
meetings to all members. 1575

(2) A majority of the board constitutes a quorum for the 1576
transaction of business at a board meeting. A majority vote of the 1577
members present is necessary for official action. 1578

(E) The school employees health care board shall conduct its 1579

business at open meetings; however, the records of the board are 1580
not public records for purposes of section 149.43 of the Revised 1581
Code. 1582

(F) The school employees health care fund is hereby created 1583
in the state treasury. The public schools shall pay all school 1584
employees health care board plan premiums in the manner prescribed 1585
by the school employees health care board to the board for deposit 1586
into the school employees health care fund. All funds in the 1587
school employees health care fund shall be used solely for the 1588
provision of health care benefits to public schools employees 1589
pursuant to this section and related administrative costs. 1590
Premiums received by the board or insurance companies contracted 1591
pursuant to division (A) of this section are not subject to any 1592
state insurance premium tax. 1593

(G) The school employees health care board shall do all of 1594
the following: 1595

(1) Design multiple medical plans, including regional plans, 1596
to provide, in the board's judgment, the optimal combination of 1597
coverage, cost, choice, and stability of health cost benefits. The 1598
board may establish more than one tier of premium rates for any 1599
medical plan. The board shall establish regions as necessary for 1600
the implementation of the board's medical plans. Plans and premium 1601
rates may vary across the regions established by the board. 1602

(2) Set an aggregate goal for employee and employer portions 1603
of premiums for the board's medical plans so as to manage plan 1604
participation and encourage the use of value-based plan 1605
participation by employees; 1606

(3) Set employer and employee plan copayments, deductibles, 1607
exclusions, limitations, formularies, premium shares, and other 1608
responsibilities; 1609

(4) Include disease management and consumer education 1610

programs, to the extent that the board determines is appropriate, 1611
in all medical plans designed by the board, which programs shall 1612
include, but are not limited to, wellness programs and other 1613
measures designed to encourage the wise use of medical plan 1614
coverage. These programs are not services or treatments for 1615
purposes of section 3901.71 of the Revised Code. 1616

(5) Create and distribute to the governor, the speaker of the 1617
house of representatives, and the president of the senate, an 1618
annual report covering the plan background; plan coverage options; 1619
plan administration, including procedures for monitoring and 1620
managing objectives, scope, and methodology; plan operations; 1621
employee and employer contribution rates and the relationship 1622
between the rates and the school employees health care fund 1623
balance; a means to develop and maintain identity and evaluate 1624
alternative employee and employer cost-sharing strategies; an 1625
evaluation of the effectiveness of cost-saving services and 1626
programs; an evaluation of efforts to control and manage member 1627
eligibility and to insure that proper employee and employer 1628
contributions are remitted to the trust fund; efforts to prevent 1629
and detect fraud; and efforts to manage and monitor board 1630
contracts; 1631

(6) Utilize cost containment measures aligned with patient, 1632
plan, and provider management strategies in developing and 1633
managing medical plans. 1634

(H) The sections in Chapter 3923. of the Revised Code 1635
regulating public employee benefit plans are not applicable to the 1636
medical plans designed pursuant to this section. 1637

(I)(1) Public schools are not subject to this section prior 1638
to the release of medical plans designed pursuant to this section. 1639

(2) Prior to the school employees health care board's release 1640
of the board's initial medical plans, the board shall contract 1641

with an independent consultant to analyze costs related to 1642
employee health care benefits provided by existing school district 1643
plans in this state. The consultant shall determine the benefits 1644
offered by existing medical plans, the employees' costs, and the 1645
cost-sharing arrangements used by public schools either 1646
participating in a consortium or by other means. The consultant 1647
shall determine what strategies are used by the existing medical 1648
plans to manage health care costs and shall study the potential 1649
benefits of state or regional consortiums of public schools 1650
offering multiple health care plans. Based on the findings of the 1651
analysis, the consultant shall submit written recommendations to 1652
the board for the development and implementation of a successful 1653
program for pooling school districts' purchasing power for the 1654

person shall be required to file with the appropriate ethics 2223
commission more than one statement or pay more than one filing fee 2224
for any one calendar year. 2225

The appropriate ethics commission, for good cause, may extend 2226
for a reasonable time the deadline for filing a statement under 2227
this section. 2228

A statement filed under this section is subject to public 2229
inspection at locations designated by the appropriate ethics 2230
commission except as otherwise provided in this section. 2231

(B) The Ohio ethics commission, the joint legislative ethics 2232
committee, and the board of commissioners on grievances and 2233
discipline of the supreme court, using the rule-making procedures 2234
of Chapter 119. of the Revised Code, may require any class of 2235

specifically excluded by this section whose positions involve a 2237
substantial and material exercise of administrative discretion in 2238
the formulation of public policy, expenditure of public funds, 2239
enforcement of laws and rules of the state or a county or city, or 2240
the execution of other public trusts, to file an annual statement 2241
on or before the fifteenth day of April under division (A) of this 2242

section. The appropriate ethics commission shall send the public 2243

117. of the Revised Code may examine the disclosure statement of 2266
any business manager, treasurer, or superintendent of that school 2267
district or educational service center. The Ohio ethics commission 2268
shall examine each disclosure statement required to be kept 2269
confidential to determine whether a potential conflict of interest 2270
exists for the person who filed the disclosure statement. A 2271
potential conflict of interest exists if the private interests of 2272
the person, as indicated by the person's disclosure statement, 2273
might interfere with the public interests the person is required 2274
to serve in the exercise of the person's authority and duties in 2275

the person's office or position of employment. If the commission 2276
determines that a potential conflict of interest exists, it shall 2277
notify the person who filed the disclosure statement and shall 2278
make the portions of the disclosure statement that indicate a 2279
potential conflict of interest subject to public inspection in the 2280
same manner as is provided for other disclosure statements. Any 2281
portion of the disclosure statement that the commission determines 2282
does not indicate a potential conflict of interest shall be kept 2283
confidential by the commission and shall not be made subject to 2284
public inspection, except as is necessary for the enforcement of 2285
Chapters 102. and 2921. of the Revised Code and except as 2286
otherwise provided in this division. 2287

(C) No person shall knowingly fail to file, on or before the 2288
applicable filing deadline established under this section, a 2289
statement that is required by this section. 2290

(D) No person shall knowingly file a false statement that is 2291
required to be filed under this section. 2292

(E)(1) Except as provided in divisions (E)(2) and (3) of this 2293
section, the statement required by division (A) or (B) of this 2294
section shall be accompanied by a filing fee of forty dollars. 2295

(2) The statement required by division (A) of this section 2296

Code, into the Ohio ethics commission fund, which is hereby 2341
created in the state treasury. All moneys credited to the fund 2342
shall be used solely for expenses related to the operation and 2343
statutory functions of the commission. 2344

(H) Division (A) of this section does not apply to a person 2345

who is paid a salary or wage in accordance with schedule C of 2350
section 124.15 or schedule E-2 of section 124.152 of the Revised 2351
Code and whose primary duties do not require the exercise of 2352
administrative discretion; or any member of a board, commission, 2353
or bureau of any county or city who receives less than one 2354
thousand dollars per year for serving in that position. 2355

Sec. 102.06. (A) The appropriate ethics commission shall 2356
receive and may initiate complaints against persons subject to 2357
this chapter concerning conduct alleged to be in violation of this 2358
chapter or section 2921.42 or 2921.43 of the Revised Code. All 2359
complaints except those by the commission shall be by affidavit 2360
made on personal knowledge, subject to the penalties of perjury. 2361
Complaints by the commission shall be by affidavit, based upon 2362
reasonable cause to believe that a violation has occurred. 2363

(B) The appropriate ethics commission shall investigate 2364
complaints, may investigate charges presented to it, and may 2365
request further information, including the specific amount of 2366
income from a source, from any person filing with the commission a 2367
statement required by section 102.02 or 102.021 of the Revised 2368
Code, if the information sought is directly relevant to a 2369

complaint or charges received by the commission pursuant to this 2370
section. This information is confidential, except that the 2371
commission, in its discretion, may share information gathered in 2372
the course of any investigation with, or disclose the information 2373
to, the inspector general, any appropriate prosecuting authority, 2374
any law enforcement agency, or any other appropriate ethics 2375
commission. If the accused person is a member of the public 2376
employees retirement board, state teachers retirement board, 2377
school employees retirement board, board of trustees of the Ohio 2378
police and fire pension fund, or state highway patrol retirement 2379
board, or is a voting member of the workers' compensation 2380
oversight commission the appropriate ethics commission, in its 2381
discretion, also may share information gathered in the course of 2382
an investigation with, or disclose the information to, the 2383
attorney general and the auditor of state. The person so requested 2384
shall furnish the information to the commission, unless within 2385
fifteen days from the date of the request the person files an 2386
action for declaratory judgment challenging the legitimacy of the 2387
request in the court of common pleas of the county of the person's 2388
residence, the person's place of employment, or Franklin county. 2389
The requested information need not be furnished to the commission 2390
during the pendency of the judicial proceedings. Proceedings of 2391
the commission in connection with the declaratory judgment action 2392
shall be kept confidential except as otherwise provided by this 2393
section. Before the commission proceeds to take any formal action 2394
against a person who is the subject of an investigation based on 2395
charges presented to the commission, a complaint shall be filed 2396
against the person. If the commission finds that a complaint is 2397
not frivolous, and there is reasonable cause to believe that the 2398
facts alleged in a complaint constitute a violation of section 2399
102.02, 102.021, 102.03, 102.04, 102.07, 2921.42, or 2921.43 of 2400
the Revised Code, it shall hold a hearing. If the commission does 2401
not so find, it shall dismiss the complaint and notify the accused 2402

person in writing of the dismissal of the complaint. The 2403
commission shall not make a report of its finding unless the 2404
accused person requests a report. Upon the request of the accused 2405
person, the commission shall make a public report of its finding. 2406
The person against whom the complaint is directed shall be given 2407
reasonable notice by certified mail of the date, time, and place 2408
of the hearing and a statement of the charges and the law directly 2409
involved and shall be given the opportunity to be represented by 2410
counsel, to have counsel appointed for the person if the person is 2411
unable to afford counsel without undue hardship, to examine the 2412
evidence against the person, to produce evidence and to call and 2413
subpoena witnesses in the person's defense, to confront the 2414
person's accusers, and to cross-examine witnesses. The commission 2415
shall have a stenographic record made of the hearing. The hearing 2416
shall be closed to the public. 2417

(C)(1)(a) If, upon the basis of the hearing, the appropriate 2418
ethics commission finds by a preponderance of the evidence that 2419
the facts alleged in the complaint are true and constitute a 2420
violation of section 102.02, 102.021, 102.03, 102.04, 102.07, 2421
2921.42, or 2921.43 of the Revised Code, it shall report its 2422
findings to the appropriate prosecuting authority for proceedings 2423
in prosecution of the violation and to the appointing or employing 2424
authority of the accused. If the accused person is a member of the 2425
public employees retirement board, state teachers retirement 2426
board, school employees retirement board, board of trustees of the 2427
Ohio police and fire pension fund, or state highway patrol 2428
retirement board, the commission also shall report its findings to 2429
the Ohio retirement study council. 2430

(b) If the Ohio ethics commission reports its findings to the 2431
appropriate prosecuting authority under division (C)(1)(a) of this 2432
section and the prosecuting authority has not initiated any 2433
official action on those findings within ninety days after 2434

receiving the commission's report of them, the commission may 2435
publicly comment that no official action has been taken on its 2436
findings, except that the commission shall make no comment in 2437
violation of the Rules of Criminal Procedure or about any 2438
indictment that has been sealed pursuant to any law or those 2439
rules. The commission shall make no comment regarding the merits 2440
of its findings. As used in division (C)(1)(b) of this section, 2441
"official action" means prosecution, closure after investigation, 2442
or grand jury action resulting in a true bill of indictment or no 2443
true bill of indictment. 2444

(2) If the appropriate ethics commission does not find by a 2445
preponderance of the evidence that the facts alleged in the 2446
complaint are true and constitute a violation of section 102.02, 2447
102.021, 102.03, 102.04, 102.07, 2921.42, or 2921.43 of the 2448
Revised Code or if the commission has not scheduled a hearing 2449
within ninety days after the complaint is filed or has not finally 2450
disposed of the complaint within six months after it has been 2451
heard, it shall dismiss the complaint and notify the accused 2452
person in writing of the dismissal of the complaint. The 2453
commission shall not make a report of its finding unless the 2454
accused person requests a report. Upon the request of the accused 2455
person, the commission shall make a public report of the finding, 2456
but in this case all evidence and the record of the hearing shall 2457
remain confidential unless the accused person also requests that 2458
the evidence and record be made public. Upon request by the 2459
accused person, the commission shall make the evidence and the 2460
record available for public inspection. 2461

(D) The appropriate ethics commission, or a member of the 2462
commission, may administer oaths, and the commission may issue 2463
subpoenas to any person in the state compelling the attendance of 2464
witnesses and the production of relevant papers, books, accounts, 2465
and records. The commission shall issue subpoenas to compel the 2466

attendance of witnesses and the production of documents upon the 2467
request of an accused person. Section 101.42 of the Revised Code 2468
shall govern the issuance of these subpoenas insofar as 2469
applicable. Upon the refusal of any person to obey a subpoena or 2470
to be sworn or to answer as a witness, the commission may apply to 2471
the court of common pleas of Franklin county under section 2705.03 2472
of the Revised Code. The court shall hold proceedings in 2473
accordance with Chapter 2705. of the Revised Code. The commission 2474
or the accused person may take the depositions of witnesses 2475
residing within or without the state in the same manner as 2476
prescribed by law for the taking of depositions in civil actions 2477
in the court of common pleas. 2478

(E) At least once each year, the Ohio ethics commission shall 2479
report on its activities of the immediately preceding year to the 2480
majority and minority leaders of the senate and house of 2481
representatives of the general assembly. The report shall indicate 2482
the total number of complaints received, initiated, and 2483
investigated by the commission, the total number of complaints for 2484
which formal hearings were held, and the total number of 2485
complaints for which formal prosecution was recommended or 2486
requested by the commission. The report also shall indicate the 2487
nature of the inappropriate conduct alleged in each complaint and 2488
the governmental entity with which any employee or official that 2489
is the subject of a complaint was employed at the time of the 2490
alleged inappropriate conduct. 2491

(F) All papers, records, affidavits, and documents upon any 2492
complaint, inquiry, or investigation relating to the proceedings 2493
of the appropriate ethics commission shall be sealed and are 2494
private and confidential, except as otherwise provided in this 2495
section and section 102.07 of the Revised Code. 2496

(G)(1) When a complaint or charge is before it, the Ohio 2497
ethics commission or the appropriate prosecuting authority, in 2498

consultation with the person filing the complaint or charge, the 2499
accused, and any other person the commission or prosecuting 2500
authority considers necessary, may compromise or settle the 2501
complaint or charge with the agreement of the accused. The 2502
compromise or settlement may include mediation, restitution, 2503
rescission of affected contracts, forfeiture of any benefits 2504

the award; specify the total amount of the award as determined by 3403
the attorney general; itemize the portions of the award that 3404
represent legal fees, court costs, and expenses; specify any 3405
limitation applied pursuant to division (E)(2)(b) of this section 3406
to reduce the amount of the award sought by the private legal 3407
counsel; state that the award is payable from the state treasury 3408
pursuant to division (E)(2)(a)(iii) of this section; and be 3409
approved by the inclusion of the signatures of the attorney 3410
general, the state public defender, and the private legal counsel. 3411

(iii) The attorney general shall forward a copy of the 3412
document prepared pursuant to division (E)(2)(a)(ii) of this 3413

section to the director of budget and management. The award of 3414
legal fees, court costs, or expenses shall be paid out of the 3415
state public defender's appropriations, to the extent there is a 3416
sufficient available balance in those appropriations. If the state 3417
public defender does not have a sufficient available balance in 3418
the state public defender's appropriations to pay the entire award 3419
of legal fees, court costs, or expenses, the director shall make 3420
application for a transfer of appropriations out of the emergency 3421
purposes account or any other appropriation for emergencies or 3422
contingencies in an amount equal to the portion of the award that 3423
exceeds the sufficient available balance in the state public 3424
defender's appropriations. A transfer of appropriations out of the 3425
emergency purposes account or any other appropriation for 3426
emergencies or contingencies shall be authorized if there are 3427
sufficient moneys greater than the sum total of then pending 3428
emergency purposes account requests, or requests for releases from 3429
the other appropriation. If a transfer of appropriations out of 3430
the emergency purposes account or other appropriation for 3431
emergencies or contingencies is made to pay an amount equal to the 3432
portion of the award that exceeds the sufficient available balance 3433
in the state public defender's appropriations, the director shall 3434
cause the payment to be made to the private legal counsel. If 3435
sufficient moneys do not exist in the emergency purposes account 3436
or other appropriation for emergencies or contingencies to pay an 3437
amount equal to the portion of the award that exceeds the 3438
sufficient available balance in the state public defender's 3439
appropriations, the private legal counsel shall request the 3440
general assembly to make an appropriation sufficient to pay an 3441
amount equal to the portion of the award that exceeds the 3442
sufficient available balance in the state public defender's 3443
appropriations, and no payment in that amount shall be made until 3444
the appropriation has been made. The private legal counsel shall 3445
make the request during the current biennium and during each 3446

succeeding biennium until a sufficient appropriation is made. 3447

(b) An award of legal fees, court costs, and expenses 3448
pursuant to division (E) of this section is subject to the 3449
following limitations: 3450

(i) The maximum award or maximum aggregate of a series of 3451
awards of legal fees, court costs, and expenses to the private 3452
legal counsel in connection with the defense of the Ohio public 3453
defender commission, the state public defender, an assistant state 3454
public defender, an employee, or an attorney in a specified civil 3455
action or proceeding shall not exceed fifty thousand dollars. 3456

(ii) The private legal counsel shall not be awarded legal 3457
fees, court costs, or expenses to the extent the fees, costs, or 3458
expenses are covered by a policy of malpractice or other 3459
insurance. 3460

(iii) The private legal counsel shall be awarded legal fees 3461
and expenses only to the extent that the fees and expenses are 3462
reasonable in light of the legal services rendered by the private 3463
legal counsel in connection with the defense of the Ohio public 3464
defender commission, the state public defender, an assistant state 3465
public defender, an employee, or an attorney in a specified civil 3466
action or proceeding. 3467

(c) If, pursuant to division (E)(2)(a) of this section, the 3468
attorney general denies a request for an award of legal fees, 3469
court costs, or expenses to private legal counsel because of the 3470
application of a limitation specified in division (E)(2)(b) of 3471
this section, the attorney general shall notify the private legal 3472
counsel in writing of the denial and of the limitation applied. 3473

(d) If, pursuant to division (E)(2)(c) of this section, a 3474
private legal counsel receives a denial of an award notification 3475
or if a private legal counsel refuses to approve a document under 3476
division (E)(2)(a)(ii) of this section because of the proposed 3477

application of a limitation specified in division (E)(2)(b) of 3478
this section, the private legal counsel may commence a civil 3479
action against the attorney general in the court of claims to 3480
prove the private legal counsel's entitlement to the award sought, 3481
to prove that division (E)(2)(b) of this section does not prohibit 3482
or otherwise limit the award sought, and to recover a judgment for 3483
the amount of the award sought. A civil action under division 3484
(E)(2)(d) of this section shall be commenced no later than two 3485
years after receipt of a denial of award notification or, if the 3486
private legal counsel refused to approve a document under division 3487
(E)(2)(a)(ii) of this section because of the proposed application 3488
of a limitation specified in division (E)(2)(b) of this section, 3489
no later than two years after the refusal. Any judgment of the 3490
court of claims in favor of the private legal counsel shall be 3491
paid from the state treasury in accordance with division (E)(2)(a) 3492
of this section. 3493

(F) If a court appoints the office of the state public 3494
defender to represent a petitioner in a postconviction relief 3495
proceeding under section 2953.21 of the Revised Code, the 3496
petitioner has received a sentence of death, and the proceeding 3497
relates to that sentence, all of the attorneys who represent the 3498
petitioner in the proceeding pursuant to the appointment, whether 3499
an assistant state public defender, the state public defender, or 3500
another attorney, shall be certified under Rule 20 of the Rules of 3501
Superintendence for the Courts of Ohio to represent indigent 3502

remainder of such term. Any member shall continue in office 3543
subsequent to the expiration date of ~~his~~ the member's term until 3544
~~his~~ a successor takes office, or until a period of sixty days has 3545

(E) The county commissioners may terminate the county public 3558
defender commission at any time if at least ninety days prior to 3559
termination, the commissioners notify the Ohio public defender 3560
commission in writing of the termination date. Upon the 3561

(F) ~~Fifty per cent of the~~ The cost of representation in all 3565
matters assumed by the state public defender shall be charged to 3566
the counties in accordance with division (D) of section 120.06 of 3567

Sec. 120.23. (A) The boards of county commissioners in two or 3569
more adjoining or neighboring counties may form themselves into a 3570
joint board and proceed to organize a district for the 3571

establishment of a joint county public defender commission. The 3572
commission shall have three members from each county, who shall be 3573
appointed by the board of county commissioners of the county. 3574

(B) The boards shall agree on a specific date for the joint 3575
county public defender commission to be established, on which date 3576
the appointments of all members shall take effect. The joint board 3577

for a term of one year ending one year after the date the 3581
commission is established, one appointment shall be for a term of 3582
two years ending two years after the date the commission is 3583

years, ending three years after the date the commission is 3585
established. Thereafter, terms of office shall be for three years, 3586
each term ending on the same day of the same month of the year as 3587
did the term which it succeeds. Each member shall hold office from 3588
the date of ~~his~~ appointment until the end of the term for which ~~he~~ 3589
the member was appointed. Any member appointed to fill a vacancy 3590
occurring prior to the expiration of the term for which ~~his~~ the 3591
member's predecessor was appointed shall hold office for the 3592
remainder of the term. Any member shall continue in office 3593

chairperson or by request of the joint county public defender. 3601
Members of the commission may receive an amount fixed by the 3602
agreement of the boards of commissioners of the counties in the 3603

district, but not in excess of the amount set for the members of 3604
the Ohio public defender commission pursuant to section 124.14 of 3605
the Revised Code per diem for every meeting of the commission they 3606
attend, and necessary expenses including mileage for each mile 3607
necessarily traveled. 3608

(E) The agreement of the boards of county commissioners 3609
establishing the joint county public defender commission shall 3610
provide for the allocation of the proportion of expenses to be 3611
paid by each county, which may be based upon population, number of 3612
cases, or such other factors as the commissioners determine to be 3613
appropriate. The county commissioners may amend their agreement 3614
from time to time to provide for a different allocation of the 3615
proportion of expenses to be paid by each county. 3616

(F) The county auditor of the county^r with the greatest 3617
population is hereby designated as the fiscal officer of a joint 3618

expenses upon a warrant drawn by the county auditor of ~~his~~ the 3629
member's county. 3630

(H) The board of county commissioners of any county within a 3631
joint county public defender commission district may withdraw from 3632
the district. Such withdrawal shall not be effective until at 3633
least ninety days after the board has notified the Ohio public 3634
defender commission, the joint county public defender commission 3635

of the district, and each board of county commissioners in the 3636
district, in writing of the termination date. The failure of a 3637
board of county commissioners to approve an annual operating 3638
budget for the office of the joint county public defender as 3639
provided in division (C)(1) of section 120.24 of the Revised Code 3640
constitutes a notice of withdrawal by the county from the 3641
district, effective on the ninetieth day after commencement of the 3642
next fiscal year. Upon the termination date, all joint county 3643
public defender matters relating to the withdrawing county shall 3644
be transferred to the state public defender, a county public 3645
defender, or appointed counsel. 3646

(I) ~~Fifty per cent of the~~ The cost of representation in all 3647
matters assumed by the state public defender shall be charged to 3648

Members of the joint county public defender commission who 3651
are residents of a county withdrawing from such district are 3652
deemed to have resigned their positions upon the completion of the 3653
withdrawal procedure provided by this section. Vacancies thus 3654
created shall not be filled. 3655

If two or more counties remain within the district after the 3656
withdrawal, the boards of county commissioners of the remaining 3657
adjoining or neighboring counties may agree to continue the 3658
operation of the joint county public defender commission and to 3659
reallocate the proportionate share of expenses to be paid by each 3660
participating county. 3661

Sec. 120.36. (A) If a person who is a defendant in a criminal 3662
case or a party in a case in juvenile court requests or is 3663
provided a state public defender, a county or joint county public 3664
defender, or any other counsel appointed by the court, the court 3665
in which the criminal case is initially filed or the juvenile 3666

court, whichever is applicable, shall assess, unless the 3667
application fee is waived or reduced, a non-refundable application 3668
fee of twenty-five dollars. 3669

The court shall direct the person to pay the application fee 3670
to the clerk of court. The person shall pay the application fee at 3671
the time the person files an affidavit of indigency or a financial 3672
disclosure form with the court or within seven days of that date. 3673
If the person does not pay the application fee within that 3674
seven-day period, the court shall assess the application fee at 3675
sentencing or at the final disposition of the case. 3676

If a case involving a felony that was initially filed in a 3677
municipal court or a county court is bound over to the court of 3678
common pleas and the defendant in the case failed to pay the 3679
application fee in the municipal court or county court, the court 3680
of common pleas shall assess the application fee at the initial 3681
appearance of the defendant in the court of common pleas. If a 3682
case involving an alleged delinquent child is transferred to the 3683
court of common pleas for prosecution of the involved child as an 3684
adult and if the involved child failed to pay the fee in the 3685
juvenile court, the court of common pleas shall assess the 3686
application fee at the initial appearance of the child in the 3687
court of common pleas. 3688

The court shall assess an application fee pursuant to this 3689
section one time per case. An appeal shall not be considered a 3690
separate case for the purpose of assessing the application fee. 3691
The court may waive or reduce the fee upon a finding that the 3692
person lacks financial resources that are sufficient to pay the 3693
fee or that payment of the fee would result in an undue hardship. 3694

(B) No court, state public defender, county or joint county 3695
public defender, or other counsel appointed by the court shall 3696
deny a person the assistance of counsel solely due to the person's 3697

failure to pay the application fee assessed pursuant to division 3698
(A) of this section. A person's present inability, failure, or 3699
refusal to pay the application fee shall not disqualify that 3700
person from legal representation. 3701

(C) The application fee assessed pursuant to division (A) of 3702
this section is separate from and in addition to any other amount 3703
assessed against a person who is found to be able to contribute 3704
toward the cost of the person's legal representation pursuant to 3705
division (D) of section 2941.51 of the Revised Code. 3706

(D) The clerk of the court that assessed the fees shall 3707
forward all application fees collected pursuant to this section to 3708
the county treasurer for deposit in the county treasury. The 3709
county shall retain eighty per cent of the application fees so 3710
collected to offset the costs of providing legal representation to 3711
indigent persons. Each month, the county auditor shall remit 3712
twenty per cent of the application fees so collected to the state 3713
public defender. The state public defender shall deposit the 3714
remitted fees into the state treasury to the credit of the client 3715
payment fund created pursuant to division (B)(5) of section 120.04 3716
of the Revised Code. The state public defender may use that money 3717
in accordance with that section. 3718

(E) On or before the first day of March of each year 3719
beginning in the year 2007, each clerk of court shall provide to 3720
the state public defender and the state auditor a report including 3721
all of the following: 3722

(1) The number of persons in the previous calendar year who 3723
requested or were provided a state public defender, county or 3724

eligible, estimate the amount that will be available for that 3826
applicant for each six-month distribution period, as determined 3827
under division (D) of this section. 3828

(D) The Ohio legal assistance foundation shall allocate 3829
moneys contained in the legal aid fund twice each year for 3830
distribution to applicants that filed their applications in the 3831
previous calendar year and were determined to be eligible 3832
applicants. 3833

All moneys contained in the fund on the first day of January 3834
of a calendar year shall be allocated, after deduction of the 3835
costs of administering sections 120.51 to 120.55 and sections 3836
1901.26, 1907.24, 2303.201, 3953.231, 4705.09₁ and 4705.10 of the 3837
Revised Code that are authorized by section 120.52 of the Revised 3838
Code, according to this section and shall be distributed 3839
accordingly on the thirty-first day of January of that calendar 3840
year, and all moneys contained in the fund on the first day of 3841
July of that calendar year shall be allocated, after deduction of 3842
the costs of administering those sections that are authorized by 3843
section 120.52 of the Revised Code, according to this section and 3844
shall be distributed accordingly on the thirty-first day of July 3845
of that calendar year. In making the allocations under this 3846
section, the moneys in the fund that were generated pursuant to 3847
sections 1901.26, 1907.24, 2303.201, 3953.231, 4705.09₁ and 3848
4705.10 of the Revised Code and all income generated from the 3849
investment of such moneys shall be apportioned as follows: 3850

(1) After deduction of the amount authorized and used for 3851

actual, reasonable administrative costs under section 120.52 of 3852
the Revised Code: 3853

(a) Five per cent of the moneys remaining in the fund, ~~plus~~ 3854
~~any moneys reserved for administrative costs under that section~~ 3855
~~that are not used for actual, reasonable administrative costs,~~ 3856
shall be reserved for use in the manner described in division (A) 3857
of section 120.521 of the Revised Code or for distribution to 3858
legal aid societies that provide assistance to special population 3859
groups of their eligible clients, engage in special projects that 3860
have a substantial impact on their local service area or on 3861
significant segments of the state's poverty population, or provide 3862
legal training or support to other legal aid societies in the 3863
state; 3864

(b) After deduction of the amount described in division 3865
(D)(1)(a) of this section, one and three-quarters per cent of the 3866
moneys remaining in the fund shall be apportioned among entities 3867
that received financial assistance from the legal aid fund prior 3868
to the effective date of this amendment but that, on and after the 3869
effective date of this amendment, no longer qualify as a legal aid 3870
society that is eligible for financial assistance under this 3871
section. 3872

(c) After deduction of the amounts described in divisions 3873
(D)(1)(a) and (b) of this section, fifteen per cent of the moneys 3874
remaining in the fund shall be placed in the legal assistance 3875
foundation fund for use in the manner described in division (A) of 3876
section 120.521 of the Revised Code. 3877

(2) After deduction of the actual, reasonable administrative 3878
costs under section 120.52 of the Revised Code and after deduction 3879
of the amounts identified in ~~division~~ divisions (D)(1)(a) ~~and,~~ 3880
(b), and (c) of this section, the remaining moneys shall be 3881
apportioned among the counties that are served by eligible legal 3882
aid societies that have applied for financial assistance under 3883

this section so that each such county is apportioned a portion of 3884
those moneys, based upon the ratio of the number of indigents who 3885
reside in that county to the total number of indigents who reside 3886
in all counties of this state that are served by eligible legal 3887
aid societies that have applied for financial assistance under 3888
this section. Subject to division (E) of this section, the moneys 3889
apportioned to a county under this division then shall be 3890
allocated to the eligible legal aid society that serves the county 3891
and that has applied for financial assistance under this section. 3892
For purposes of this division, the source of data identifying the 3893
number of indigent persons who reside in a county shall be the 3894
most recent decennial census figures from the United States 3895
department of commerce, division of census. 3896

(E) If the Ohio legal assistance foundation, in attempting to 3897
make an allocation of moneys under division (D)(2) of this 3898
section, determines that a county that has been apportioned money 3899
under that division is served by more than one eligible legal aid 3900
society that has applied for financial assistance under this 3901
section, the Ohio legal assistance foundation shall allocate the 3902
moneys that have been apportioned to that county under division 3903
(D)(2) of this section among all eligible legal aid societies that 3904
serve that county and that have applied for financial assistance 3905
under this section on a pro rata basis, so that each such eligible 3906
society is allocated a portion based upon the amount of its total 3907
budget expended in the prior calendar year for legal services in 3908
that county as compared to the total amount expended in the prior 3909
calendar year for legal services in that county by all eligible 3910
legal aid societies that serve that county and that have applied 3911
for financial assistance under this section. 3912

(F) Moneys allocated to eligible applicants under this 3913
section shall be paid twice annually, on the thirty-first day of 3914
January and on the thirty-first day of July of the calendar year 3915

following the calendar year in which the application is filed. 3916

(G)(1) A legal aid society that receives financial assistance 3917
in any calendar year under this section shall file an annual 3918
report with the Ohio legal assistance foundation detailing the 3919
number and types of cases handled, and the amount and types of 3920
legal training, legal technical assistance, and other service 3921
provided, by means of that financial assistance. No information 3922
contained in the report shall identify or enable the 3923
identification of any person served by the legal aid society or in 3924
any way breach client confidentiality. 3925

(2) The Ohio legal assistance foundation shall make an annual 3926
report to the governor, the general assembly, and the supreme 3927
court on the distribution and use of the legal aid fund. The 3928
foundation also shall include in the annual report an audited 3929
financial statement of all gifts, bequests, donations, 3930
contributions, and other moneys the foundation receives. No 3931
information contained in the report shall identify or enable the 3932
identification of any person served by a legal aid society, or in 3933
any way breach confidentiality. 3934

(H) A legal aid society may enter into agreements for the 3935
provision of services, programs, training, or legal technical 3936
assistance for the legal aid society or to indigent persons. 3937

(2) A The purpose of the county council is to streamline and 4079

application shall describe the proposed program or approach and 4113
specify the rules or interagency agreements from which an 4114
exemption is necessary. The cabinet council shall approve or 4115

other than the board of county commissioners, may decline to serve 4134
as the council's administrative agent. 4135

council's appointing authority for any employees of the council. 4137
The council shall file an annual budget with its administrative 4138
agent, with copies filed with the county auditor and with the 4139
board of county commissioners, unless the board is serving as the 4140
council's administrative agent. The council's administrative agent 4141
shall ensure that all expenditures are handled in accordance with 4142
policies, procedures, and activities prescribed by state 4143
departments in rules or interagency agreements that are applicable 4144
to the council's functions. 4145

The administrative agent for a county council may do any of 4146
the following on behalf of the council: 4147

(i) Enter into agreements or administer contracts with public 4148
or private entities to fulfill specific council business. Such 4149
agreements and contracts are exempt from the competitive bidding 4150
requirements of section 307.86 of the Revised Code if they have 4151
been approved by the county council and they are for the purchase 4152
of family and child welfare or child protection services or other 4153
social or job and family services for families and children. The 4154
approval of the county council is not required to exempt 4155
agreements or contracts entered into under section 5139.34, 4156

bidding requirements of section 307.86 of the Revised Code. 4158

expenses related to council activity; 4161

(iii) Receive by gift, grant, devise, or bequest any moneys, 4162
lands, or other property for the purposes for which the council is 4163
established. The agent shall hold, apply, and dispose of the 4164
moneys, lands, or other property according to the terms of the 4165
gift, grant, devise, or bequest. Any interest or earnings shall be 4166
treated in the same manner and are subject to the same terms as 4167
the gift, grant, devise, or bequest from which it accrues. 4168

(b)(i) If the county council designates the board of county 4169
commissioners as its administrative agent, the board may, by 4170
resolution, delegate any of its powers and duties as 4171
administrative agent to an executive committee the board 4172
establishes from the membership of the county council. The board 4173
shall name to the executive committee at least the individuals 4174
described in divisions (B)(1)~~(b) through (h)~~(a) to (i) of this 4175
section and may appoint the president of the board or another 4176
individual as the chair of the executive committee. The executive 4177
committee must include at least one family county council 4178
representative who does not have a family member employed by an 4179
agency represented on the council. 4180

(ii) The executive committee may, with the approval of the 4181
board, hire an executive director to assist the county council in 4182
administering its powers and duties. The executive director shall 4183
serve in the unclassified civil service at the pleasure of the 4184
executive committee. The executive director may, with the approval 4185
of the executive committee, hire other employees as necessary to 4186
properly conduct the county council's business. 4187

(iii) The board may require the executive committee to submit 4188
an annual budget to the board for approval and may amend or repeal 4189
the resolution that delegated to the executive committee its 4190
authority as the county council's administrative agent. 4191

(5) Two or more county councils may enter into an agreement 4192
to administer their county councils jointly by creating a regional 4193

family and children first council. A regional council possesses 4194
the same duties and authority possessed by a county council, 4195
except that the duties and authority apply regionally rather than 4196
to individual counties. Prior to entering into an agreement to 4197
create a regional council, the members of each county council to 4198
be part of the regional council shall meet to determine whether 4199
all or part of the members of each county council will serve as 4200
members of the regional council. 4201

(6) A board of county commissioners may approve a resolution 4202
by a majority vote of the board's members that requires the county 4203
council to submit a statement to the board each time the council 4204
proposes to enter into an agreement, adopt a plan, or make a 4205
decision, other than a decision pursuant to section 121.38 of the 4206
Revised Code, that requires the expenditure of funds for two or 4207
more families. The statement shall describe the proposed 4208
agreement, plan, or decision. 4209

Not later than fifteen days after the board receives the 4210
statement, it shall, by resolution approved by a majority of its 4211
members, approve or disapprove the agreement, plan, or decision. 4212
Failure of the board to pass a resolution during that time period 4213
shall be considered approval of the agreement, plan, or decision. 4214

An agreement, plan, or decision for which a statement is 4215
required to be submitted to the board shall be implemented only if 4216
it is approved by the board. 4217

(C) Each county shall develop a county service coordination 4218
mechanism. The county service coordination mechanism shall serve 4219
as the guiding document for coordination of services in the 4220
county. For children who also receive services under the help me 4221
grow program, the service coordination mechanism shall be 4222
consistent with rules adopted by the department of health under 4223
section 3701.61 of the Revised Code. All family service 4224
coordination plans shall be developed in accordance with the 4225

county service coordination mechanism. The mechanism shall be 4226
developed and approved with the participation of the county 4227
entities representing child welfare; mental retardation and 4228
developmental disabilities; alcohol, drug addiction, and mental 4229
health services; health; juvenile judges; education; the county 4230
family and children first council; and the county early 4231
intervention collaborative established pursuant to the federal 4232
early intervention program operated under the "Education of the 4233
Handicapped Act Amendments of 1986." The county shall establish an 4234
implementation schedule for the mechanism. The cabinet council may 4235
monitor the implementation and administration of each county's 4236
service coordination mechanism. 4237

Each mechanism shall include all of the following: 4238

(3) A procedure that permits a family to initiate a meeting 4251
to develop or review the family's service coordination plan and 4252
allows the family to invite a family advocate, mentor, or support 4253

(4) A procedure for ensuring that a family service 4255
coordination plan meeting is conducted before a non-emergency 4256

out-of-home placement for all multi-need children, or within ten 4257
days of a placement for emergency placements of multi-need 4258
children. The family service coordination plan shall outline how 4259
the county council members will jointly pay for services, where 4260
applicable, and provide services in the least restrictive 4261
environment. 4262

(5) A procedure for monitoring the progress and tracking the 4263
outcomes of each service coordination plan requested in the county 4264
including monitoring and tracking children in out-of-home 4265

with appropriate arrangements for housing, treatment, and 4268
education. 4269

taxpayer's agreement with the tax credit authority under division 4721
(D) of this section. The With respect to taxes imposed under 4722
section 5733.06 or 5747.02 or Chapter 5751. of the Revised Code, 4723
the credit shall be claimed after the allowance of all other 4724
credits provided by Chapter 5733. or 5747. in the order required 4725
under section 5733.98, 5747.98, or 5751.98 of the Revised Code. 4726
The amount of the credit available for a taxable year or for a 4727
calendar year that includes a tax period equals the new income tax 4728
revenue for ~~the taxable~~ that year multiplied by the percentage 4729
specified in the agreement with the tax credit authority. Any 4730
credit granted under this section against the tax imposed by 4731
section 5733.06 or 5747.02 of the Revised Code, to the extent not 4732
fully utilized against such tax for taxable years ending prior to 4733
2008, shall automatically be converted without any action taken by 4734
the tax credit authority to a credit against the tax levied under 4735
Chapter 5751. of the Revised Code for tax periods beginning on or 4736
after July 1, 2008, provided that the person to whom the credit 4737
was granted is subject to such tax. The converted credit shall 4738
apply to those calendar years in which the remaining taxable years 4739
specified in the agreement end. 4740

(C) A taxpayer or potential taxpayer who proposes a project 4741
to create new jobs in this state may apply to the tax credit 4742
authority to enter into an agreement for a tax credit under this 4743
section. The director of development shall prescribe the form of 4744
the application. After receipt of an application, the authority 4745
may enter into an agreement with the taxpayer for a credit under 4746
this section if it determines all of the following: 4747

- (1) The taxpayer's project will create new jobs in this state; 4748
4749
- (2) The taxpayer's project is economically sound and will benefit the people of this state by increasing opportunities for employment and strengthening the economy of this state; 4750
4751
4752
- (3) Receiving the tax credit is a major factor in the taxpayer's decision to go forward with the project. 4753
4754
- (D) An agreement under this section shall include all of the following: 4755
4756
- (1) A detailed description of the project that is the subject of the agreement; 4757
4758
- (2) The term of the tax credit, which shall not exceed fifteen years, and the first taxable year, or first calendar year that includes a tax period, for which the credit may be claimed; 4759
4760
4761
- (3) A requirement that the taxpayer shall maintain operations at the project location for at least twice the number of years as the term of the tax credit; 4762
4763
4764
- (4) The percentage, as determined by the tax credit authority, of new income tax revenue that will be allowed as the amount of the credit for each taxable year or for each calendar year that includes a tax period; 4765
4766
4767
4768
- (5) A specific method for determining how many new employees are employed during a taxable year or during a calendar year that includes a tax period; 4769
4770
4771
- (6) A requirement that the taxpayer annually shall report to the director of development the number of new employees, the new income tax revenue withheld in connection with the new employees, and any other information the director needs to perform the director's duties under this section; 4772
4773
4774
4775
4776
- (7) A requirement that the director of development annually 4777

shall verify the amounts reported under division (D)(6) of this 4778
section, and after doing so shall issue a certificate to the 4779
taxpayer stating that the amounts have been verified; 4780

(8)(a) A provision requiring that the taxpayer, except as 4781
otherwise provided in division (D)(8)(b) of this section, shall 4782
not relocate employment positions from elsewhere in this state to 4783
the project site that is the subject of the agreement for the 4784
lesser of five years from the date the agreement is entered into 4785
or the number of years the taxpayer is entitled to claim the tax 4786
credit. 4787

(b) The taxpayer may relocate employment positions from 4788
elsewhere in this state to the project site that is the subject of 4789
the agreement if the director of development determines both of 4790
the following: 4791

(i) That the site from which the employment positions would 4792
be relocated is inadequate to meet market and industry conditions, 4793
expansion plans, consolidation plans, or other business 4794
considerations affecting the taxpayer; 4795

(ii) That the legislative authority of the county, township, 4796
or municipal corporation from which the employment positions would 4797
be relocated has been notified of the relocation. 4798

For purposes of this section, the movement of an employment 4799
position from one political subdivision to another political 4800
subdivision shall be considered a relocation of an employment 4801
position, but the transfer of an individual employee from one 4802
political subdivision to another political subdivision shall not 4803
be considered a relocation of an employment position as long as 4804
the individual's employment position in the first political 4805
subdivision is refilled. 4806

(E) If a taxpayer fails to meet or comply with any condition 4807
or requirement set forth in a tax credit agreement, the tax credit 4808

authority may amend the agreement to reduce the percentage or term 4809
of the tax credit. The reduction of the percentage or term shall 4810
take effect in the taxable year immediately following the taxable 4811
year in which the authority amends the agreement or in the first 4812
tax period beginning in the calendar year immediately following 4813
the calendar year in which the authority amends the agreement. If 4814
the taxpayer relocates employment positions in violation of the 4815
provision required under division (D)(8)(a) of this section, the 4816
taxpayer shall not claim the tax credit under section 5733.0610 of 4817
the Revised Code for any tax years following the calendar year in 4818
which the relocation occurs, or shall not claim the tax credit 4819
under section 5725.32, 5729.032, or 5747.058 of the Revised Code 4820
for the taxable year in which the relocation occurs and any 4821
subsequent taxable years, and shall not claim the tax credit under 4822
division (A) of section 5751.50 of the Revised Code for any tax 4823
period in the calendar year in which the relocation occurs and any 4824
subsequent tax periods. 4825

(F) Projects that consist solely of point-of-final-purchase 4826
retail facilities are not eligible for a tax credit under this 4827
section. If a project consists of both point-of-final-purchase 4828
retail facilities and nonretail facilities, only the portion of 4829
the project consisting of the nonretail facilities is eligible for 4830
a tax credit and only the new income tax revenue from new 4831
employees of the nonretail facilities shall be considered when 4832
computing the amount of the tax credit. If a warehouse facility is 4833
part of a point-of-final-purchase retail facility and supplies 4834
only that facility, the warehouse facility is not eligible for a 4835
tax credit. Catalog distribution centers are not considered 4836
point-of-final-purchase retail facilities for the purposes of this 4837
division, and are eligible for tax credits under this section. 4838

(G) Financial statements and other information submitted to 4839
the department of development or the tax credit authority by an 4840

applicant or recipient of a tax credit under this section, and any 4841
information taken for any purpose from such statements or 4842
information, are not public records subject to section 149.43 of 4843
the Revised Code. However, the chairperson of the authority may 4844
make use of the statements and other information for purposes of 4845
issuing public reports or in connection with court proceedings 4846
concerning tax credit agreements under this section. Upon the 4847
request of the tax commissioner or, if the applicant or recipient 4848
is an insurance company, upon the request of the superintendent of 4849
insurance, the chairperson of the authority shall provide to the 4850
commissioner or superintendent any statement or information 4851
submitted by an applicant or recipient of a tax credit in 4852
connection with the credit. The commissioner or superintendent 4853
shall preserve the confidentiality of the statement or 4854
information. 4855

(H) A taxpayer claiming a credit under this section shall 4856
submit to the tax commissioner or, if the taxpayer is an insurance 4857
company, to the superintendent of insurance, a copy of the 4858
director of development's certificate of verification under 4859
division (D)(7) of this section for the taxable year or for the 4860
calendar year that includes the tax period. However, failure to 4861
submit a copy of the certificate does not invalidate a claim for a 4862
credit. 4863

(I) The director of development, after consultation with the 4864
tax commissioner and the superintendent of insurance and in 4865
accordance with Chapter 119. of the Revised Code, shall adopt 4866
rules necessary to implement this section. The rules may provide 4867
for recipients of tax credits under this section to be charged 4868
fees to cover administrative costs of the tax credit program. At 4869
the time the director gives public notice under division (A) of 4870
section 119.03 of the Revised Code of the adoption of the rules, 4871
the director shall submit copies of the proposed rules to the 4872

chairpersons of the standing committees on economic development in 4873
the senate and the house of representatives. 4874

(J) For the purposes of this section, a taxpayer may include 4875
a partnership, a corporation that has made an election under 4876
subchapter S of chapter one of subtitle A of the Internal Revenue 4877
Code, or any other business entity through which income flows as a 4878
distributive share to its owners. A credit received under this 4879
section by a partnership, S-corporation, or other such business 4880
entity shall be apportioned among the persons to whom the income 4881
or profit of the partnership, S-corporation, or other entity is 4882
distributed, in the same proportions as those in which the income 4883
or profit is distributed. 4884

(K) If the director of development determines that a taxpayer 4885
who has received a credit under this section is not complying with 4886
the requirement under division (D)(3) of this section, the 4887
director shall notify the tax credit authority of the 4888
noncompliance. After receiving such a notice, and after giving the 4889
taxpayer an opportunity to explain the noncompliance, the tax 4890
credit authority may require the taxpayer to refund to this state 4891
a portion of the credit in accordance with the following: 4892

(1) If the taxpayer maintained operations at the project 4893
location for at least one and one-half times the number of years 4894
of the term of the tax credit, an amount not exceeding twenty-five 4895
per cent of the sum of any previously allowed credits under this 4896
section; 4897

(2) If the taxpayer maintained operations at the project 4898
location for at least the number of years of the term of the tax 4899
credit, an amount not exceeding fifty per cent of the sum of any 4900
previously allowed credits under this section; 4901

(3) If the taxpayer maintained operations at the project 4902
location for less than the number of years of the term of the tax 4903

credit, an amount not exceeding one hundred per cent of the sum of 4904
any previously allowed credits under this section. 4905

In determining the portion of the tax credit to be refunded 4906
to this state, the tax credit authority shall consider the effect 4907
of market conditions on the taxpayer's project and whether the 4908
taxpayer continues to maintain other operations in this state. 4909
After making the determination, the authority shall certify the 4910
amount to be refunded to the tax commissioner or superintendent of 4911
insurance, as appropriate. ~~The~~ If the amount is certified to the 4912
commissioner, the commissioner shall make an assessment for that 4913
amount against the taxpayer under Chapter 5733. ~~or, 5747., or~~ 4914
5751. of the Revised Code. If the amount is certified to the 4915
superintendent, the superintendent shall make an assessment for 4916
that amount against the taxpayer under Chapter 5725. or 5729. of 4917
the Revised Code. The time limitations on assessments under 4918
~~Chapter 5733. or 5747. of the Revised Code~~ those chapters do not 4919
apply to an assessment under this division, but the commissioner 4920
or superintendent, as appropriate, shall make the assessment 4921
within one year after the date the authority certifies to the 4922
commissioner or superintendent the amount to be refunded. 4923

(L) On or before the thirty-first day of March each year, the 4924
director of development shall submit a report to the governor, the 4925
president of the senate, and the speaker of the house of 4926
representatives on the tax credit program under this section. The 4927
report shall include information on the number of agreements that 4928
were entered into under this section during the preceding calendar 4929
year, a description of the project that is the subject of each 4930
such agreement, and an update on the status of projects under 4931
agreements entered into before the preceding calendar year. 4932

~~During the fifth year of the tax credit program, the director~~ 4933
~~of development in conjunction with the director of budget and~~ 4934
~~management shall conduct an evaluation of it. The evaluation shall~~ 4935

~~include assessments of the effectiveness of the program in 4936
creating new jobs in this state and of the revenue impact of the 4937
program, and may include a review of the practices and experiences 4938
of other states with similar programs. The director of development 4939
shall submit a report on the evaluation to the governor, the 4940
president of the senate, and the speaker of the house of 4941
representatives on or before January 1, 1998. 4942~~

(M) There is hereby created the tax credit authority, which 4943
consists of the director of development and four other members 4944
appointed as follows: the governor, the president of the senate, 4945
and the speaker of the house of representatives each shall appoint 4946
one member who shall be a specialist in economic development; the 4947
governor also shall appoint a member who is a specialist in 4948
taxation. Of the initial appointees, the members appointed by the 4949

the president of the senate and the speaker of the house of 4951
representatives shall serve a term of four years. Thereafter, 4952
terms of office shall be for four years. Initial appointments to 4953
the authority shall be made within thirty days after January 13, 4954
1993. Each member shall serve on the authority until the end of 4955
the term for which the member was appointed. Vacancies shall be 4956
filled in the same manner provided for original appointments. Any 4957
member appointed to fill a vacancy occurring prior to the 4958
expiration of the term for which the member's predecessor was 4959
appointed shall hold office for the remainder of that term. 4960
Members may be reappointed to the authority. Members of the 4961
authority shall receive their necessary and actual expenses while 4962
engaged in the business of the authority. The director of 4963
development shall serve as chairperson of the authority, and the 4964
members annually shall elect a vice-chairperson from among 4965
themselves. Three members of the authority constitute a quorum to 4966
transact and vote on the business of the authority. The majority 4967
vote of the membership of the authority is necessary to approve 4968

any such business, including the election of the vice-chairperson. 4969

The director of development may appoint a professional 4970
employee of the department of development to serve as the 4971
director's substitute at a meeting of the authority. The director 4972
shall make the appointment in writing. In the absence of the 4973
director from a meeting of the authority, the appointed substitute 4974
shall serve as chairperson. In the absence of both the director 4975
and the director's substitute from a meeting, the vice-chairperson 4976
shall serve as chairperson. 4977

(3) The taxpayer intends to and has the ability to maintain 5151
operations at the project site for at least twice the term of the 5152
credit. 5153

(4) Receiving the credit is a major factor in the taxpayer's 5154
decision to begin, continue with, or complete the project. 5155

(5) The political subdivisions in which the project is 5156
located have agreed to provide substantial financial support to 5157
the project. 5158

(E) An agreement under this section shall include all of the 5159
following: 5160

(1) A detailed description of the project that is the subject 5161
of the agreement, including the amount of the investment, the 5162
period over which the investment has been or is being made, and 5163
the number of full-time employment positions at the project site. 5164

(2) The method of calculating the number of full-time 5165
employment positions as specified in division (A)(3) of this 5166
section. 5167

(3) The term and percentage of the tax credit, and the first 5168
year for which the credit may be claimed. 5169

(4) A requirement that the taxpayer maintain operations at 5170
the project site for at least twice the number of years as the 5171
term of the credit. 5172

(5) A requirement that the taxpayer retain a specified number 5173
of full-time employment positions at the project site and within 5174
this state for the term of the credit, including a requirement 5175
that the taxpayer continue to employ at least one thousand 5176
employees in full-time employment positions at the project site 5177
during the entire term of any agreement, subject to division 5178
(E)(7) of this section. 5179

(6) A requirement that the taxpayer annually report to the 5180
director of development the number of full-time employment 5181
positions subject to the credit, the amount of tax withheld from 5182
employees in those positions, the amount of the payments made for 5183
the capital investment project, and any other information the 5184
director needs to perform the director's duties under this 5185
section. 5186

(7) A requirement that the director of development annually review the annual reports of the taxpayer to verify the information reported under division (E)(6) of this section and compliance with the agreement. Upon verification, the director shall issue a certificate to the taxpayer stating that the information has been verified and identifying the amount of the credit for the taxable year. Unless otherwise specified by the tax credit authority in a resolution and included as part of the agreement, the director shall not issue a certificate for any year in which the total number of filled full-time employment positions for each day of the calendar year divided by three hundred sixty-five is less than ninety per cent of the full-time employment positions specified in division (E)(5) of this section. In determining the number of full-time employment positions, no position shall be counted that is filled by an employee who is included in the calculation of a tax credit under section 122.17 of the Revised Code.

(8)(a) A provision requiring that the taxpayer, except as otherwise provided in division (E)(8)(b) of this section, shall not relocate employment positions from elsewhere in this state to the project site that is the subject of the agreement for the lesser of five years from the date the agreement is entered into or the number of years the taxpayer is entitled to claim the credit.

(b) The taxpayer may relocate employment positions from elsewhere in this state to the project site that is the subject of the agreement if the director of development determines both of the following:

(i) That the site from which the employment positions would be relocated is inadequate to meet market and industry conditions, expansion plans, consolidation plans, or other business considerations affecting the taxpayer;

(ii) That the legislative authority of the county, township, 5219
or municipal corporation from which the employment positions would 5220
be relocated has been notified of the relocation. 5221

For purposes of this section, the movement of an employment 5222
position from one political subdivision to another political 5223
subdivision shall be considered a relocation of an employment 5224
position unless the movement is confined to the project site. The 5225
transfer of an individual employee from one political subdivision 5226
to another political subdivision shall not be considered a 5227
relocation of an employment position as long as the individual's 5228
employment position in the first political subdivision is 5229
refilled. 5230

(9) A waiver by the taxpayer of any limitations periods 5231
relating to assessments or adjustments resulting from the 5232
taxpayer's failure to comply with the agreement. 5233

(F) If a taxpayer fails to meet or comply with any condition 5234
or requirement set forth in a tax credit agreement, the tax credit 5235
authority may amend the agreement to reduce the percentage or term 5236
of the credit. The reduction of the percentage or term shall take 5237
effect in the taxable year immediately following the taxable year 5238
in which the authority amends the agreement or in the first tax 5239
period beginning in the calendar year immediately following the 5240
calendar year in which the authority amends the agreement. If the 5241
taxpayer relocates employment positions in violation of the 5242
provision required under division (D)(8)(a) of this section, the 5243
taxpayer shall not claim the tax credit under section 5733.0610 of 5244
the Revised Code for any tax years following the calendar year in 5245
which the relocation occurs, ~~or~~ shall not claim the tax credit 5246
under section 5747.058 of the Revised Code for the taxable year in 5247
which the relocation occurs and any subsequent taxable years, and 5248
shall not claim the tax credit under division (A) of section 5249
5751.50 of the Revised Code for the tax period in which the 5250

relocation occurs and any subsequent tax periods. 5251

(G) Financial statements and other information submitted to 5252
the department of development or the tax credit authority by an 5253
applicant for or recipient of a tax credit under this section, and 5254
any information taken for any purpose from such statements or 5255
information, are not public records subject to section 149.43 of 5256
the Revised Code. However, the chairperson of the authority may 5257
make use of the statements and other information for purposes of 5258
issuing public reports or in connection with court proceedings 5259
concerning tax credit agreements under this section. Upon the 5260
request of the tax commissioner, the chairperson of the authority 5261
shall provide to the commissioner any statement or other 5262
information submitted by an applicant for or recipient of a tax 5263
credit in connection with the credit. The commissioner shall 5264
preserve the confidentiality of the statement or other 5265
information. 5266

(H) A taxpayer claiming a tax credit under this section shall 5267
submit to the tax commissioner a copy of the director of 5268
development's certificate of verification under division (E)(7) of 5269
this section for the taxable year or for the calendar year that 5270
includes the tax period. However, failure to submit a copy of the 5271
certificate does not invalidate a claim for a credit. 5272

(I) For the purposes of this section, a taxpayer may include 5273
a partnership, a corporation that has made an election under 5274
subchapter S of chapter one of subtitle A of the Internal Revenue 5275
Code, or any other business entity through which income flows as a 5276
distributive share to its owners. A tax credit received under this 5277
section by a partnership, S-corporation, or other such business 5278
entity shall be apportioned among the persons to whom the income 5279
or profit of the partnership, S-corporation, or other entity is 5280
distributed, in the same proportions as those in which the income 5281
or profit is distributed. 5282

(J) If the director of development determines that a taxpayer 5283
that received a tax credit under this section is not complying 5284
with the requirement under division (E)(4) of this section, the 5285
director shall notify the tax credit authority of the 5286
noncompliance. After receiving such a notice, and after giving the 5287
taxpayer an opportunity to explain the noncompliance, the 5288
authority may terminate the agreement and require the taxpayer to 5289
refund to the state all or a portion of the credit claimed in 5290
previous years, as follows: 5291

(1) If the taxpayer maintained operations at the project site 5292
for less than the term of the credit, the amount required to be 5293
refunded shall not exceed the amount of any tax credits previously 5294
allowed and received under this section. 5295

(2) If the taxpayer maintained operations at the project site 5296
longer than the term of the credit but less than one and one-half 5297
times the term of the credit, the amount required to be refunded 5298
shall not exceed fifty per cent of the sum of any tax credits 5299
previously allowed and received under this section. 5300

(3) If the taxpayer maintained operations at the project site 5301
for at least one and one-half times the term of the credit but 5302
less than twice the term of the credit, the amount required to be 5303
refunded shall not exceed twenty-five per cent of the sum of any 5304
tax credits previously allowed and received under this section. 5305

In determining the portion of the credit to be refunded to 5306
this state, the authority shall consider the effect of market 5307
conditions on the taxpayer's project and whether the taxpayer 5308
continues to maintain other operations in this state. After making 5309
the determination, the authority shall certify the amount to be 5310
refunded to the tax commissioner. The commissioner shall make an 5311
assessment for that amount against the taxpayer under Chapter 5312
5733. ~~or, 5747., or 5751.~~ of the Revised Code. The time 5313
limitations on assessments under ~~Chapter 5733. or 5747. of the~~ 5314

~~Revised Code~~ those chapters do not apply to an assessment under 5315
this division, but the commissioner shall make the assessment 5316
within one year after the date the authority certifies to the 5317
commissioner the amount to be refunded. 5318

If the director of development determines that a taxpayer 5319
that received a tax credit under this section has reduced the 5320
number of employees agreed to under division (E)(5) of this 5321
section by more than ten per cent, the director shall notify the 5322
tax credit authority of the noncompliance. After receiving such 5323
notice, and after providing the taxpayer an opportunity to explain 5324
the noncompliance, the authority may amend the agreement to reduce 5325
the percentage or term of the tax credit. The reduction in the 5326
percentage or term shall take effect in the taxable year, or in 5327
the calendar year that includes the tax period, in which the 5328
authority amends the agreement. 5329

(K) The director of development, after consultation with the 5330
tax commissioner and in accordance with Chapter 119. of the 5331
Revised Code, shall adopt rules necessary to implement this 5332
section. The rules may provide for recipients of tax credits under 5333
this section to be charged fees to cover administrative costs of 5334
the tax credit program. At the time the director gives public 5335
notice under division (A) of section 119.03 of the Revised Code of 5336
the adoption of the rules, the director shall submit copies of the 5337
proposed rules to the chairpersons of the standing committees on 5338
economic development in the senate and the house of 5339
representatives. 5340

(L) On or before the thirty-first day of March of each year, 5341
the director of development shall submit a report to the governor, 5342
the president of the senate, and the speaker of the house of 5343
representatives on the tax credit program under this section. The 5344
report shall include information on the number of agreements that 5345
were entered into under this section during the preceding calendar 5346

year, a description of the project that is the subject of each 5347
such agreement, and an update on the status of projects under 5348
agreements entered into before the preceding calendar year. 5349

(M)(1) A nonrefundable credit shall be allowed to an 5350
applicable corporation and its related members in an amount equal 5351
to the applicable difference. The credit is in addition to the 5352
credit granted to the corporation or related members under 5353
division (B) of this section. The credit is subject to divisions 5354
(B) to (E) and division (J) of this section. 5355

(2) A person qualifying as an applicable corporation under 5356
this section for a tax year does not necessarily qualify as an 5357
applicable corporation for any other tax year. No person is 5358
entitled to the credit allowed under division (M) of this section 5359
for the tax year immediately following the taxable year during 5360
which the person fails to meet the requirements in divisions 5361
(A)(6)(a)(i) and (A)(6)(b) of this section. No person is entitled 5362
to the credit allowed under division (M) of this section for any 5363
tax year for which the person is not eligible for the credit 5364
provided under division (B) of this section. 5365

Sec. 122.172. (A) As used in this section, "tax liability" 5366
means the tax owed under section 5733.06 or 5747.02 of the Revised 5367
Code after allowance of all nonrefundable credits and prior to the 5368
allowance of all refundable credits. The tax owed under section 5369
5733.06 of the Revised Code shall take into account any 5370
adjustments to such tax required by division (G) of section 5371
5733.01 of the Revised Code that apply prior to allowance of 5372
refundable credits. 5373

(B)(1) The director of development shall administer the 5374
manufacturing equipment grant program to provide grants for new 5375
manufacturing machinery and equipment qualifying for the grant 5376
under section 122.173 of the Revised Code. Except as provided in 5377

division (C) of this section, the grants apply to the taxes 5378
imposed by sections 5733.06 and 5747.02 of the Revised Code for 5379
taxable years ending on or after July 1, 2005. 5380

(2) To claim a grant, a taxpayer satisfying the requirements 5381
of section 122.173 of the Revised Code shall complete a grant 5382
request form, as prescribed by the director in consultation with 5383
the tax commissioner, and shall file the form with the tax return 5384
for the taxable year for which the grant is claimed. In no event 5385
shall the grant reduce a taxpayer's tax liability below the 5386
minimum tax owed for the taxable year. The grant request form 5387
shall provide the information required to allow the grant for the 5388
taxable year and is subject to audit by the director and the 5389
commissioner. Any portion of the grant in excess of the taxpayer's 5390
tax liability shall not be refundable but may be carried forward 5391
as provided in section 122.173 of the Revised Code. Upon the 5392
director's request, the commissioner shall provide completed grant 5393
request forms filed under this section to the director in a 5394
mutually agreed upon format. 5395

(C) If a taxpayer is required to repay any credit allowed 5396
under section 5733.33 or 5747.31 of the Revised Code for a taxable 5397
year ending prior to July 1, 2005, for a reason not specified in 5398
Chapter 5733. or 5747. of the Revised Code, a grant shall be 5399
available for that taxable year under section 122.173 of the 5400
Revised Code to the extent provided in that section. 5401

(D) Any tax liability under section 5733.06 or 5747.02 of the 5402
Revised Code that is underpaid as the result of an improper claim 5403
for a grant under this section may be assessed by the tax 5404
commissioner in the manner provided by section 5733.11 or 5747.11 5405
of the Revised Code. 5406

(c) New manufacturing machinery and equipment is not 5638
considered sold if a pass-through entity transfers to another 5639
pass-through entity substantially all of its assets as part of a 5640

under this section had the taxpayer not sold the manufacturing 5660
machinery or equipment. Nothing in division (C)(5)(b) or (e) of 5661
this section shall be construed to allow a taxpayer to claim any 5662
grant amount with respect to the acquired manufacturing machinery 5663

twenty-fourth month following the last day of the period described 5705

associated with the abolishment of the position, except that the 7213
reasons of economy associated with the position's abolishment 7214
instead may be based on the appointing authority's estimated 7215
amount of savings with respect to salary and benefits only, if: 7216

(i) Either the appointing authority's operating appropriation 7217
has been reduced by an executive or legislative action, or the 7218

appointing authority's estimated amount of savings with respect to 7230
salary and benefits only: 7231

and not as a subterfuge for discipline. 7233

(ii) If a circumstance affects a specific program only, the 7234
appointing authority only may abolish a position within that 7235
program. 7236

(iii) If a circumstance does not affect a specific program 7237
only, the appointing authority may identify a position that it 7238

economy. Appointing authorities 7240

(3) Each appointing authority shall themselves determine 7241

statement of rationale and supporting documentation with the 7243
director of administrative services prior to sending the notice of 7244

If an abolishment results in a reduction of the work force, 7246
the appointing authority shall follow the procedures for laying 7247
off employees, subject to the following modifications: 7248

~~(1)~~(a) The employee whose position has been abolished shall 7249

the fewest retention points in the classification, the employee 7261

shall displace the employee with the fewest retention points in 7262
the next or successively lower classification in the 7263
classification series. 7264

(E) The director of administrative services shall ~~promulgate~~ 7265
~~adopt~~ rules, under Chapter 119. of the Revised Code, for the 7266
determination of lack of work within an appointing authority, for 7267
the abolishment of positions by an appointing authority, and for 7268
the implementation of this section. 7269

displacement ~~which~~ that is the result of a layoff, to the state 7271
personnel board of review. The appeal shall be filed or 7272
~~post-marked~~ postmarked no later than ten days after receipt of the 7273
layoff notice ~~of layoff~~ or after the date the employee is 7274

appeal the decision of the state personnel board of review to the 7277
court of common pleas court. ~~The appeal from the state personnel~~ 7278
~~board of review shall be made~~ in accordance with section 119.12 of 7279
the Revised Code. 7280

supplies that cost twenty-five thousand dollars or less. The 7310
agency may make the purchase directly or may make the purchase 7311
from or through the department of administrative services, 7312
whichever the agency determines. The department shall establish 7313
written procedures to assist state agencies when they make direct 7314
purchases. If the agency makes the purchase directly, it shall 7315
make the purchase by a term contract whenever possible. 7316

(B) Subject to division (D) of this section, a state agency 7317

state where sufficient competition can be generated within this 7395
state to ensure that compliance with these requirements will not 7396

disproportionately inferior product. If there are two or more 7398
qualified bids that offer products that have been produced or 7399
mined in this state, it shall be deemed that there is sufficient 7400

in purchasing and public improvement contracting procedures under 7414
which the state operates pursuant to this chapter and section 7415
153.012 of the Revised Code. To the maximum extent possible, 7416

promulgate the model act by rule adopted pursuant to Chapter 119. 7428
of the Revised Code and shall revise the act as necessary to 7429
reflect changes in this chapter or section 153.012 of the Revised 7430
Code. 7431

The director shall make available copies of the model act, 7432
supporting information, and technical assistance to any township, 7433

provide, and may prescribe the form and manner by which they must 7466
provide, information to fulfill the director's alignment and 7467
oversight role. 7468

(D) The office of information technology shall have the same 7469
authority given to the department of administrative services under 7470

the Revised Code for the purchase of information technology 7473
supplies and services for state agencies. 7474

fair market price for an item, the office of procurement from 7668
community rehabilitation programs shall consider the costs of 7669
doing business with respect to that item, including sales, 7670

not subject to any competitive selection or competitive bidding 7696
requirements, notwithstanding any other provision of law. 7697

(E) The department of administrative services has the 7698
authority to structure or regulate competition among qualified 7699
nonprofit agencies for the overall benefit of the program. 7700

Sec. 125.608. All government ordering offices purchasing 7701
supplies and services from qualified non-profit agencies or their 7702
approved agents shall reimburse the department of administrative 7703
services a reasonable sum to cover the department's costs of 7704

offices directly, or allow qualified non-profit agencies or 7707

administrative fees collected and remitted by qualified nonprofit 7710
agencies or their approved agents shall be considered allowable 7711
expenses in addition to the fair market price approved under 7712

shall be deposited in the state treasury to the credit of the 7714
general services fund created under section 125.15 of the Revised 7715
Code. 7716

Sec. 125.609. The office of procurement from community 7717
rehabilitation programs, on its own or pursuant to a request from 7718
a government ordering office, may release a government ordering 7719
office from compliance with sections 125.60 to 125.6012 of the 7720

Revised Code. If the office determines that compliance is not possible or not advantageous, or if conditions prescribed in rules as may be adopted under section 125.603 of the Revised Code for granting a release are met, the office may grant a release. The release shall be in writing, and shall specify the supplies or services to which it applies, the period of time during which it is effective, and the reason for which it is granted.

Sec. 125.6010. Section 125.607 of the Revised Code does not apply to the purchase of a product or service available from a state agency, state instrumentality, or political subdivision under any law in effect on July 1, 2005.

(C) A political subdivision, as defined in section 125.04 of the Revised Code, may not purchase under division (C) of that section a supply or service on the procurement list established under section 125.603 of the Revised Code.

Sec. 125.6012. A government ordering office and qualified nonprofit agency shall provide the necessary information and documentation requested by the office of procurement from community rehabilitation programs to enable the office to effectively administer sections 125.60 to 125.6012 of the Revised Code.

Except as otherwise provided in division (A)(1) of this section, on and after July 1, 2005, each state agency shall acquire all passenger motor vehicles under the department's master leasing program. If the department determines that acquisition under that program is not the most economical method and if the department and the state agency acquiring the passenger motor vehicle can provide economic justification for doing so, the department may approve the purchase, rather than the lease, of a passenger motor vehicle for the acquiring state agency.

(H) The proceeds derived from the disposition of any motor vehicles under this section shall be paid to whichever of the following applies:

(1) The fund that originally provided moneys for the purchase or lease of the motor vehicles;

Revised Code of state employees who use their own motor vehicles 7897
for any mileage they incur above an amount that the department 7898
shall determine annually unless reimbursement for the excess 7899

to such recording and which shall be open to inspection by the 8396
public. 8397

commissioner, and authorized by the taxing authority, provided the 8405
taxing authority of that subdivision may by resolution submit to 8406
the electors of that subdivision the question of issuing such 8407
bonds. Such resolution shall make the declarations and statements 8408
required by section 133.18 of the Revised Code. The county auditor 8409
and taxing authority shall thereupon proceed as set forth in 8410
divisions (C) and (D) of such section. The election on the 8411
question of issuing such bonds shall be held under divisions (E), 8412
(F), and (G) of such section, except that publication of the 8413
notice of such election shall be made on four separate days prior 8414
to such election in one or more newspapers of general circulation 8415
in the subdivisions. Such bonds may be exchanged at their face 8416

(I) This section is for the sole purpose of assisting the 8430
various subdivisions in paying their unsecured indebtedness, and 8431
providing funds for disability financial assistance ~~and disability~~ 8432
~~medical assistance~~. The bonds issued under authority of this 8433
section shall not be used for any other purpose and any exchange 8434
for other purposes, or the use of the money derived from the sale 8435
of such bonds by the subdivision for any other purpose, is 8436
misapplication of funds. 8437

(J) The bonds authorized by this section shall be redeemable 8438
or payable in not to exceed ten years from date of issue and shall 8439
not be subject to or considered in calculating the net 8440
indebtedness of the subdivision. The budget commission of the 8441

counties, according to their relative needs for disability 8453
financial assistance ~~and disability medical assistance~~ as 8454
determined by such county. 8455

All sections of the Revised Code inconsistent with or 8456
prohibiting the exercise of the authority conferred by this 8457
section are inoperative respecting bonds issued under this 8458
section. 8459

Sec. 133.08. (A) In addition to any power to issue securities 8460
under other provisions of the Revised Code for the purposes, a 8461
county may issue revenue securities as authorized in this section. 8462
8463

(B) A county may issue revenue securities to fund or refund 8464
revenue securities previously issued, or for any purposes for 8465
which it could issue self-supporting securities and, without 8466
limitation, any of the following general purposes: 8467

(1) For one or more established sewer districts, any of the 8468
purposes provided in divisions (C)(2)(a) and (b) of section 133.07 8469
of the Revised Code; 8470

(2) Hospital facilities as defined in division (E) of section 8471
140.01 of the Revised Code; 8472

(3) Facilities described in division (C)(10) of section 8473
133.07 of the Revised Code; 8474

(4) Off-street parking facilities pursuant to section 307.02 8475
of the Revised Code. 8476

(C) The county shall establish rates or charges for the use, 8477
availability, or rental of the facilities to which the financing 8478
relates, being the improvement, enterprise, system, project, or 8479
categories of improvements or the operation or function that the 8480
facilities serve, which rates or charges shall be designed to 8481
provide revenues to the county sufficient to pay the costs of all 8482

current expenses of the facilities payable by the county and to 8483
pay the debt charges on the securities and to establish and 8484
maintain any contractually required special funds relating to the 8485
securities or the facilities. 8486

(D) Revenue securities issued under this section shall not be 8487
general obligations of the county. Revenue securities issued under 8488
this section shall be secured only by a pledge of and lien upon 8489
the revenues of the county, derived from its ownership or 8490
operation of the facilities, including those rates or charges or 8491
rents and any interest subsidies or debt charges, grants, or other 8492
payments by federal or state agencies available therefor, and the 8493
covenants of the county to maintain sufficient rentals, rates, and 8494
charges to produce revenues sufficient to pay all current expenses 8495
of the facilities payable by the county and to pay the debt 8496
charges on the securities and to establish and maintain any 8497
contractually required special funds relating to the securities or 8498
the facilities, and, if the securities are anticipatory 8499
securities, to issue the revenue securities in anticipation of the 8500
issuance of which the revenue securities are issued. Revenue 8501
securities may also be secured by a pledge of and lien on the 8502
proceeds of any securities issued to fund or refund those revenue 8503
securities. 8504

(E) The county officers authorized by the county taxing 8505
authority shall execute the necessary documents, including but not 8506
limited to trust agreements and leases, to provide for the pledge, 8507
protection, and disposition of the pledged revenues from which 8508
debt charges and any special fund deposits are to be paid. 8509

(F) As long as any of these revenue securities, in either 8510
original or refunded form, remain outstanding, except as otherwise 8511
provided in those documents, all parts of the facilities the 8512
revenues from which are pledged, shall remain under the control of 8513
the county taxing authority, whether any parts of the facilities 8514

are leased to or operated by others or are in or thereafter come 8515
within the boundaries of any municipal corporation, and the 8516
facilities shall remain subject to the power and duty of the 8517
taxing authority to fix and collect rates or charges or rents for 8518
the use of facilities. 8519

(G) The authority to issue securities of the county under 8520
this section for permanent improvements described in division 8521
(B)(2) of this section or division (C)(2)(d) of section 133.07 of 8522
the Revised Code may separately and independently be exercised by 8523
a board of county hospital trustees established under section 8524
339.02 of the Revised Code for those permanent improvements and 8525
related operations under the control of that board. 8526

(H) Sections 9.98 to 9.983 of the Revised Code apply to 8527
securities issued under this section, notwithstanding any other 8528
provision in this chapter. 8529

Sec. 133.081. (A) As used in this section: 8530

(1) "Anticipation notes" means notes issued in anticipation 8531
of the sales tax supported bonds authorized by this section; 8532

(2) "Authorizing proceedings" means the resolution, 8533
legislation, trust agreement, certification, and other agreements, 8534
instruments, and documents, as amended and supplemented, 8535
authorizing, or providing for the security or sale or award of, 8536
sales tax supported bonds, and includes the provisions set forth 8537
or incorporated in those bonds and proceedings; 8538

(3) "County sales tax" means any sales tax levied by the 8539
taxing authority of a county pursuant to section 5739.021 or 8540
5739.026 of the Revised Code, and any tax levied by that taxing 8541
authority upon storage, use, or consumption under section 5741.021 8542
or 5741.023 of the Revised Code. However, "county sales tax" does 8543
not include a sales tax subject to referendum or a sales tax that 8544

was adopted as an emergency measure and is subject to initiative 8545
petition under section 5739.022 of the Revised Code. 8546

(4) "Sales tax supported bonds" means the sales tax supported 8547
bonds authorized by this section, including anticipation notes; 8548

(5) "Refunding bonds" means sales tax supported bonds issued 8549
to provide for the refunding of the sales tax supported bonds 8550
referred to in this section as refunded obligations. 8551

(B) The taxing authority of a county which has levied a 8552
county sales tax for the purpose of providing additional general 8553
revenues of the county pursuant to Chapter 5739. of the Revised 8554
Code may anticipate the receipts of such tax and issue sales tax 8555
supported bonds of the county in the principal amount necessary to 8556
pay the costs of financing any permanent improvement as defined in 8557
division (CC) of section 133.01 of the Revised Code, or to refund 8558
any refunded obligations, provided that the taxing authority 8559
certifies that the annual debt charges on the sales tax supported 8560
bonds, or on the sales tax supported bonds being anticipated by 8561
anticipation notes, do not exceed the estimated annual county 8562
sales tax. The maximum aggregate amount of sales tax supported 8563
bonds that may be outstanding at any time in accordance with their 8564
terms shall not exceed an amount which requires or is estimated to 8565
require payments from sales tax receipts of debt charges on the 8566
sales tax supported bonds, or, in the case of anticipation notes, 8567
projected debt charges on the sales tax supported bonds 8568
anticipated, in any calendar year in an amount exceeding the 8569
county sales tax in anticipation of which the bonds or 8570
anticipation notes are issued as estimated by the fiscal officer 8571
based on general sales tax receipts averaged for the prior two 8572
calendar years prior to the year in which the sales tax supported 8573
bonds are issued, and annualized for any increase in the county 8574
sales tax which may have been levied in part during such period or 8575
levied after such period. A taxing authority may at any time issue 8576

renewal anticipation notes, issue sales tax supported bonds to pay 8577
renewal anticipation notes, and, if it considers refunding 8578
expedient, issue refunding sales tax supported bonds whether the 8579
refunded obligations have or have not matured. The refunding sales 8580
tax supported bonds shall be sold and the proceeds needed for such 8581
purpose applied in the manner provided in the authorizing 8582
proceedings of the taxing authority. The maximum maturity of sales 8583
tax supported bonds shall be calculated by the fiscal officer in 8584
accordance with section 133.20 of the Revised Code, and such 8585
calculation shall be filed with the taxing authority of the county 8586
prior to passage of a bond authorizing resolution. If the county 8587
sales tax pledged to the payment of the sales tax supported bonds 8588
has a stated expiration date, the final principal maturity date of 8589
the sales tax supported bonds shall not extend beyond the final 8590
year of collection of the county sales tax pledged to the payment 8591
of the sales tax supported bonds. 8592

(C) Every issue of sales tax supported bonds outstanding in 8593
accordance with their terms shall be payable out of the sales tax 8594
receipts received by the county or proceeds of sales tax supported 8595
bonds, renewal anticipation notes, or refunding sales tax 8596
supported bonds which may be pledged for such payment in the 8597
authorizing proceedings. The pledge shall be valid and binding 8598
from the time the pledge is made, and the county sales tax 8599
receipts and proceeds so pledged and thereafter received by the 8600
county shall immediately be subject to the lien of that pledge 8601
without any physical delivery of the county sales tax receipts or 8602
proceeds or further act. The lien of any pledge is valid and 8603
binding as against all parties having claims of any kind in tort, 8604
contract, or otherwise against the county, whether or not such 8605
parties have notice of the lien. Neither the resolution nor any 8606
trust agreement by which a pledge is created or further evidenced 8607
need be filed or recorded except in the records of the taxing 8608
authority. 8609

(D) Sales tax supported bonds issued under this section do 8610
not constitute a debt, or a pledge of the faith and credit, of the 8611
state, the county, or any other political subdivision of the 8612
state, and the holders or owners of the notes have no right to 8613
have taxes levied by the general assembly or by the taxing 8614
authority of any political subdivision of the state, including the 8615
taxing authority of the county, for the payment of debt charges. 8616
Unless paid from other sources, sales tax supported bonds are 8617
payable from the sales tax receipts pledged for their payment as 8618
authorized by this section. All sales tax supported bonds shall 8619
contain on their face a statement to the effect that the sales tax 8620
supported bonds, as to debt charges, are not debts or obligations 8621
of the state and are not debts of any political subdivision of the 8622
state, but, unless paid from other sources, are payable from the 8623
sales tax receipts pledged for their payment. The utilization and 8624
pledge of the sales tax receipts and proceeds of sales tax 8625
supported bonds, renewal anticipation notes, or refunding sales 8626
tax supported bonds for the payment of debt charges is determined 8627
by the general assembly to create a special obligation which is 8628
not a bonded indebtedness subject to Section 11 of Article XII, 8629
Ohio Constitution. 8630

(E) The sales tax supported bonds shall bear such date or 8631
dates, shall be executed in the manner, and shall mature at such 8632
time or times, in the case of any anticipation notes not exceeding 8633
ten years from the date of issue of the original anticipation 8634
notes and in the case of any sales tax supported bonds or of any 8635
refunding sales tax supported bonds, not exceeding the maximum 8636
maturity certified to the taxing authority pursuant to division 8637
(B) of this section, all as the authorizing proceedings may 8638
provide. The sales tax supported bonds shall bear interest at such 8639
rates, or at variable rate or rates changing from time to time, in 8640
accordance with provisions in the authorizing proceedings, be in 8641
such denominations and form, either coupon or registered, carry 8642

such registration privileges, be payable in such medium of payment 8643
and at such place or places, and be subject to such terms of 8644
redemption, as the taxing authority may authorize or provide. The 8645
sales tax supported bonds may be sold at public or private sale, 8646
and at, or at not less than, the price or prices as the taxing 8647
authority determines. If any officer whose signature or a 8648
facsimile of whose signature appears on any sales tax supported 8649
bonds or coupons ceases to be such officer before delivery of the 8650
sales tax supported bonds or anticipation notes, the signature or 8651
facsimile shall nevertheless be sufficient for all purposes as if 8652
that officer had remained in office until delivery of the sales 8653
tax supported bonds. Whether or not the sales tax supported bonds 8654
are of such form and character as to be negotiable instruments 8655
under Title XIII of the Revised Code, the sales tax supported 8656
bonds shall have all the qualities and incidents of negotiable 8657
instruments, subject only to any provisions for registration. 8658
Neither the members of the board of the taxing authority nor any 8659
person executing the sales tax supported bonds shall be liable 8660
personally on the sales tax supported bonds or be subject to any 8661
personal liability or accountability by reason of their issuance. 8662

(F) Notwithstanding any other provision of this section, 8663
sections 9.98 to 9.983, 133.02, 133.70, and 5709.76, and division 8664
(A) of section 133.03 of the Revised Code apply to the sales tax 8665
supported bonds. Sales tax supported bonds issued under this 8666
section need not comply with any other law applicable to notes or 8667
bonds but the authorizing proceedings may provide that divisions 8668
(B) to (E) of section 133.25 of the Revised Code apply to the 8669
sales tax supported bonds or anticipation notes. 8670

(G) Any authorized proceedings may contain provisions, 8671
subject to any agreements with holders as may then exist, which 8672
shall be a part of the contract with the holders, as to the 8673
pledging of any or all of the county's anticipated sales tax 8674

receipts to secure the payment of the sales tax supported bonds; 8675
the use and disposition of the sales tax receipts of the county; 8676
the crediting of the proceeds of the sale of sales tax supported 8677
bonds to and among the funds referred to or provided for in the 8678
authorizing proceedings; limitations on the purpose to which the 8679
proceeds of the sales tax supported bonds may be applied and the 8680
pledging of portions of such proceeds to secure the payment of the 8681
sales tax supported bonds or of anticipation notes; the agreement 8682
of the county to do all things necessary for the authorization, 8683
issuance, and sale of those notes anticipated in such amounts as 8684
may be necessary for the timely payment of debt charges on any 8685
anticipation notes; limitations on the issuance of additional 8686
sales tax supported bonds; the terms upon which additional sales 8687
tax supported bonds may be issued and secured; the refunding of 8688
refunded obligations; the procedure by which the terms of any 8689
contract with holders may be amended, and the manner in which any 8690
required consent to amend may be given; securing any sales tax 8691
supported bonds by a trust agreement or other agreement; and any 8692
other matters, of like or different character, that in any way 8693
affect the security or protection of the sales tax supported bonds 8694
or anticipation notes. 8695

(H) The taxing authority of a county may not repeal, rescind, 8696
or reduce any portion of a county sales tax pledged to the payment 8697
of debt charges on sales tax supported bonds issued by the county 8698
while such sales tax supported bonds remain outstanding, and no 8699
portion of a county sales tax pledged to the payment of debt 8700
charges on sales tax supported bonds shall be subject to repeal or 8701
reduction by the electorate of the county or by the taxing 8702
authority of the county while such sales tax supported bonds are 8703
outstanding. 8704

Sec. 133.09. (A) Unless it is a township that has adopted a 8705
limited home rule government under Chapter 504. of the Revised 8706

Code, a township shall not incur net indebtedness that exceeds an amount equal to five per cent of its tax valuation and, except as specifically authorized by section 505.262 of the Revised Code or other laws, shall not incur any net indebtedness unless authorized by vote of the electors.

(B) A township that has adopted a limited home rule government under Chapter 504. of the Revised Code shall not incur net indebtedness that exceeds an amount equal to ten and one-half per cent of its tax valuation, or incur without a vote of the electors net indebtedness that exceeds an amount equal to five and one-half per cent of that tax valuation. In calculating the net indebtedness of a township that has adopted a limited home rule government, none of the following securities shall be considered:

(1) Self-supporting securities issued for any purpose;

(2) Securities issued for the purpose of purchasing, constructing, improving, or extending water or sanitary or surface and storm water sewerage systems or facilities, or a combination of those systems or facilities, to the extent that an agreement entered into with another subdivision requires the other subdivision to pay to the township amounts equivalent to debt charges on the securities;

(3) Securities that are not general obligations of the township;

(4) Voted securities issued for the purposes of redevelopment to the extent that their principal amount does not exceed an amount equal to two per cent of the tax valuation of the township;

(5) Securities issued for the purpose of acquiring or constructing roads, highways, bridges, or viaducts, or for the purpose of acquiring or making other highway permanent improvements, to the extent that the resolution of the board of township trustees authorizing the issuance of the securities

includes a covenant to appropriate from money distributed to the township under Chapter 4501., 4503., 4504., or 5735. of the Revised Code a sufficient amount to cover debt charges on and financing costs relating to the securities as they become due;

(6) Securities issued for energy conservation measures under section 505.264 of the Revised Code.

(C) In calculating the net indebtedness of any township, no obligation incurred under division (B) of section 513.17 or under section 505.261, 505.264, 505.265, 505.267, or 505.37 of the Revised Code, or in connection with a project undertaken pursuant to Section 515.03 of H.B. 66 of the 126th General Assembly, shall be considered.

Sec. 140.01. As used in this chapter:

system only when the employee has made payment, to be computed on 9232
the salary earned from the date of appointment to the date 9233
membership was established in the public employees retirement 9234
system, at the rate in effect at the time of payment, and the 9235
employer has made payment of the corresponding full liability as 9236
provided by section 145.44 of the Revised Code. "Prior service" 9237
also means all service credited for active duty with the armed 9238

dollars or less, the service credit for each such calendar year 9257

such calendar year shall be increased by two and one-half per 9261
cent. 9262

(2) When the member is paid on a per diem basis, the service 9263
credit for any single year of the service shall be determined by 9264
using the number of days of service for which the compensation was 9265
received in any such year as a numerator and using two hundred 9266
fifty days as a denominator. 9267

(3) When the member is paid on an hourly basis, the service 9268
credit for any single year of the service shall be determined by 9269
using the number of hours of service for which the compensation 9270
was received in any such year as a numerator and using two 9271
thousand hours as a denominator. 9272

(F) "Contributor" means any person who has an account in the 9273

period, not in excess of three years, during which a member was 9292
out of service and receiving benefits under Chapters 4121. and 9293
4123. of the Revised Code. For the exclusive purpose of satisfying 9294
the service credit requirement and of determining eligibility for 9295
benefits under sections 145.32, 145.33, 145.331, 145.35, 145.36, 9296
and 145.361 of the Revised Code, "five or more years of total 9297

the public employees retirement system, shall make a payment of 9307
the contributions they would have paid had they been members of 9308
this system for the eighteen months of employment preceding the 9309
date membership was established. When that payment has been made 9310
by all such employee members, a corresponding payment shall be 9311
paid into the employers' accumulation fund by that municipal 9312
corporation as the employer of the employees. 9313

(3) Where a member also is a member of the state teachers 9314
retirement system or the school employees retirement system, or 9315
both, except in cases of retirement on a combined basis pursuant 9316
to section 145.37 of the Revised Code or as provided in section 9317
145.383 of the Revised Code, service credit for any period shall 9318
be credited on the basis of the ratio that contributions to the 9319
public employees retirement system bear to total contributions in 9320

Revised Code. 9334

(K)(1) "Final average salary" means the quotient obtained by 9335
dividing by three the sum of the three full calendar years of 9336
contributing service in which the member's earnable salary was 9337
highest, except that if the member has a partial year of 9338
contributing service in the year the member's employment 9339
terminates and the member's earnable salary for the partial year 9340
is higher than for any comparable period in the three years, the 9341
member's earnable salary for the partial year shall be substituted 9342
for the member's earnable salary for the comparable period during 9343
the three years in which the member's earnable salary was lowest. 9344

(2) If a member has less than three years of contributing 9345
service, the member's final average salary shall be the member's 9346
total earnable salary divided by the total number of years, 9347
including any fraction of a year, of the member's contributing 9348

Amended Substitute House Bill No. 405 of the 124th general 9448
assembly; 9449

(h) Anything of value received by the contributor that is 9450
based on or attributable to retirement or an agreement to retire, 9451
except that payments made on or before January 1, 1989, that are 9452
based on or attributable to an agreement to retire shall be 9453

(i) The payments are made in accordance with contract 9455
provisions that were in effect prior to January 1, 1986; 9456

(ii) The employer pays the retirement system an amount 9457
specified by the retirement board equal to the additional 9458

145.483 of the Revised Code. In any year subsequent to 1934, 9471
credit for any service shall be allowed by the following formula: 9472

(a) For each month for which the member's earnable salary is 9473
two hundred fifty dollars or more, allow one month's credit. 9474

(b) For each month for which the member's earnable salary is 9475
less than two hundred fifty dollars, allow a fraction of a month's 9476
credit. The numerator of this fraction shall be the earnable 9477
salary during the month, and the denominator shall be two hundred 9478
fifty dollars, except that if the member's annual earnable salary 9479
is less than six hundred dollars, the member's credit shall not be 9480
reduced below twenty per cent of a year for a calendar year of 9481
employment during which the member worked each month. Division 9482
(T)(1)(b) of this section shall not reduce any credit earned 9483
before January 1, 1985. 9484

(2) Notwithstanding division (T)(1) of this section, an 9485
elected official who prior to January 1, 1980, was granted a full 9486
year of credit for each year of service as an elected official 9487
shall be considered to have earned a full year of credit for each 9488
year of service regardless of whether the service was full-time or 9489
part-time. The public employees retirement board has no authority 9490
to reduce the credit. 9491

(W) "Employer contribution" means the amount paid by an 9498
employer as determined under section 145.48 of the Revised Code. 9499

the term of which is two or more years, for which an annual salary 9505

is established, and in the event that the salary of the office is 9506
increased and the member is denied the additional salary by reason 9507
of any constitutional provision prohibiting an increase in salary 9508
during a term of office, the member may elect to have the amount 9509
of the member's contributions calculated upon the basis of the 9510
increased salary for the office. At the member's request, the 9511
board shall compute the total additional amount the member would 9512
have contributed, or the amount by which each of the member's 9513
contributions would have increased, had the member received the 9514
increased salary for the office the member holds. If the member 9515
elects to have the amount by which the member's contribution would 9516
have increased withheld from the member's salary, the member shall 9517
notify the employer, and the employer shall make the withholding 9518
and transmit it to the retirement system. A member who has not 9519
elected to have that amount withheld may elect at any time to make 9520
a payment to the retirement system equal to the additional amount 9521
the member's contribution would have increased, plus interest on 9522
that contribution, compounded annually at a rate established by 9523
the board and computed from the date on which the last 9524
contribution would have been withheld from the member's salary to 9525
the date of payment. A member may make a payment for part of the 9526
period for which the increased contribution was not withheld, in 9527
which case the interest shall be computed from the date the last 9528
contribution would have been withheld for the period for which the 9529
payment is made. Upon the payment of the increased contributions 9530
as provided in this division, the increased annual salary as 9531
provided by law for the office for the period for which the member 9532
paid increased contributions thereon shall be used in determining 9533
the member's earnable salary for the purpose of computing the 9534
member's final average salary. 9535

of satisfying the service credit requirements and of determining 9537
eligibility for benefits under section 145.33 of the Revised Code, 9538

including, but not limited to, residential, commercial, 11202
institutional, or industrial buildings or structures or other 11203
permanent structures, as defined in section 1506.01 of the Revised 11204
Code. Rules adopted under division (B)(2) of this section shall 11205
not conflict with the state residential and nonresidential 11206
building codes adopted pursuant to section 3781.10 of the Revised 11207
Code. 11208

(3)(a) A board may adopt regulations that provide for a 11209
review of the specific effects of a proposed new construction on 11210
existing surface or subsurface drainage. The regulations may 11211
require reasonable drainage mitigation and reasonable alteration 11212
of a proposed new construction before a building permit is issued 11213
in order to prevent or correct any adverse effects that the 11214
proposed new construction may have on existing surface or 11215
subsurface drainage. The regulations shall not be inconsistent 11216
with, more stringent than, or broader in scope than standards 11217
adopted by the natural resource conservation service in the United 11218
States department of agriculture concerning drainage or rules 11219
adopted by the environmental protection agency for reducing, 11220
controlling, or mitigating storm water runoff from construction 11221
sites, where applicable. The regulations shall allow a person who 11222
is registered under Chapter 4703. or 4733. of the Revised Code to 11223
prepare and submit relevant plans and other documents for review, 11224

provided that the person is authorized to prepare the plans and 11225
other documents pursuant to the person's registration. 11226

(b) If regulations are adopted under division (B)(3) of this 11227
section, the board shall specify in the regulations a procedure 11228
for the review of the specific effects of a proposed new 11229
construction on existing surface or subsurface drainage. The 11230
procedure shall include at a minimum all of the following: 11231

(i) A meeting at which the proposed new construction shall be 11232
examined for those specific effects. The meeting shall be held 11233
within thirty days after an application for a building permit is 11234
filed or a review is requested unless the applicant agrees in 11235
writing to extend that time period or to postpone the meeting to 11236
another date, time, or place. The meeting shall be scheduled 11237
within five days after an application for a building permit is 11238
filed or a review is requested. 11239

(ii) Written notice of the date, time, and place of that 11240
meeting, sent by regular mail to the applicant. The written notice 11241
shall be mailed at least seven days before the scheduled meeting 11242
date. 11243

(iii) Completion of the review by the board of county 11244
commissioners not later than thirty days after the application for 11245
a building permit is filed or a review is requested unless the 11246
applicant has agreed in writing to extend that time period or 11247
postpone the meeting to a later time, in which case the review 11248
shall be completed not later than two days after the date of the 11249
meeting. A complete review shall include the issuance of any order 11250
of the board of county commissioners regarding necessary 11251
reasonable drainage mitigation and necessary reasonable 11252
alterations to the proposed new construction to prevent or correct 11253
any adverse effects on existing surface or subsurface drainage so 11254
long as those alterations comply with the state residential and 11255
nonresidential building codes adopted pursuant to section 3781.10 11256

of the Revised Code. If the review is not completed within the 11257
thirty-day period or an extended or postponed period that the 11258
applicant has agreed to, the proposed new construction shall be 11259
deemed to have no adverse effects on existing surface or 11260
subsurface drainage, and those effects shall not be a valid basis 11261
for the denial of a building permit. 11262

(iv) A written statement, provided to the applicant at the 11263
meeting or in an order for alterations to a proposed new 11264
construction, informing the applicant of the right to seek 11265
appellate review of the denial of a building permit under division 11266
(B)(3)(b)(iii) of this section by filing a petition in accordance 11267
with Chapter 2506. of the Revised Code. 11268

(c) The regulations may authorize the board, after obtaining 11269
the advice of the county engineer, to enter into an agreement with 11270
the county engineer or another qualified person or entity to carry 11271
out any necessary inspections and make evaluations about what, if 11272
any, alterations are necessary to prevent or correct any adverse 11273
effects that a proposed new construction may have on existing 11274
surface or subsurface drainage. 11275

(d) Regulations adopted pursuant to division (B)(3) of this 11276
section shall not apply to any property that a platting authority 11277
has approved under section 711.05, 711.09, or 711.10 of the 11278
Revised Code and shall not govern the same subject matter as the 11279
state residential or nonresidential building codes adopted 11280
pursuant to section 3781.10 of the Revised Code. 11281

(e) As used in division (B)(3) of this section, "subsurface 11282
drainage" does not include a household sewage treatment system as 11283
defined in section 3709.091 of the Revised Code. 11284

(C)(1) Any regulation, code, or amendment may be adopted 11285
under this section only after a public hearing at not fewer than 11286
two regular or special sessions of the board. The board shall 11287

cause notice of any public hearing to be published in a newspaper 11288
of general circulation in the county once a week for the two 11289
consecutive weeks immediately preceding the hearing, except that 11290
if the board posts the hearing notice on the board's internet site 11291
on the world wide web, the board need publish only one notice of 11292
the hearing in a newspaper of general circulation if that 11293
newspaper notice includes the board's internet site and a 11294
statement that the notice is also posted on the internet site. Any 11295
notice of a public hearing shall include the time, date, and place 11296
of the hearing. 11297

(2) Any proposed regulation, code, or amendment shall be made 11298
available to the public at the board office. The regulations or 11299
amendments shall take effect on the thirty-first day following the 11300
date of their adoption. 11301

(D)(1) No person shall violate any regulation, code, or 11302
amendment the board adopts under sections 307.37 to 307.40 of the 11303
Revised Code. 11304

(2) Each day during which an illegal location, erection, 11305
construction, floodproofing, repair, alteration, development, 11306
redevelopment, or maintenance continues may be considered a 11307
separate offense. 11308

(E) Regulations or amendments the board adopts pursuant to 11309
this section, with the exception of an existing structures code, 11310
do not affect buildings or structures that exist or on which 11311
construction has begun on or before the date the board adopts the 11312
regulation or amendment. 11313

(F)(1) The board may create a building department and employ 11314
the personnel it determines necessary to administer and enforce 11315
any local residential building regulations or existing structures 11316
code the board adopts pursuant to this section. The building 11317
department may enforce the state residential and nonresidential 11318

building codes adopted pursuant to Chapter 3781. of the Revised 11319
Code if the building department is certified pursuant to section 11320
3781.10 of the Revised Code to enforce those codes. 11321

(2) The board may direct the building department, upon 11322
certification, to exercise enforcement authority and to accept and 11323
approve plans pursuant to sections 3781.03 and 3791.04 of the 11324
Revised Code for the class of building for which the department 11325

| (B) A board of county commissioners may enter into an | 11391 |

actual costs of administering the tax imposed by division (C) of 11412
section 5739.09 of the Revised Code may not be pledged or 11413
contributed. The agreement shall provide that any such bonds and 11414
notes shall be secured by a trust agreement between the bureau or 11415
other issuer acting for the benefit of the bureau and a corporate 11416
trustee that is a trust company or bank having the powers of a 11417

convention bureau as the site of the convention center. The lease 11432
shall be for a term not to exceed thirty years and shall be on 11433
such terms as are set forth in the agreement. The purchase and 11434
lease are not subject to the limitations of sections 307.02 and 11435
307.09 of the Revised Code. 11436

(F) In addition to the authority granted to a board of county 11437
commissioners under divisions (B) to (E) of this section, a board 11438
of county commissioners in a county with a population of one 11439
million two hundred thousand or more may establish and provide 11440
local funding options for constructing and equipping a convention 11441
center. 11442

authority in procuring appropriate coverages at the best and 11517
lowest prices; 11518

(C) In lieu of keeping the six separate sets of records 11725

~~5111.021~~ 5111.022, 5310.15, 5719.07, 5727.56, 5733.18, 5733.22, 11743

equal to the amount of any base fee the recorder is authorized to 11746
collect for services. The housing trust fund fee shall be 11747
collected in addition to the base fee. 11748

(B) The recorder shall certify the amounts collected as 11749

Sec. 319.20. After complying with sections 319.202, 315.251, 11754
and 319.203 of the Revised Code, and on application and 11755
presentation of title, with the affidavits required by law, or the 11756
proper order of a court, bearing the last known address of the 11757
grantee, or of any one of the grantees named in the title, and a 11758
reference to the volume and page of the recording of the next 11759
preceding recorded instrument by or through which the grantor 11760
claims title, the county auditor shall transfer any land or town 11761
lot or part thereof, minerals therein, or mineral rights thereto, 11762
charged with taxes on the tax list, from the name in which it 11763
stands into the name of the owner, when rendered necessary by a 11764
conveyance, partition, devise, descent, or otherwise. If by reason 11765
of the conveyance or otherwise, a part only of a tract or lot, 11766
minerals therein, or mineral rights thereto, as charged in the tax 11767
list, is to be transferred, the auditor shall determine the tax 11768
value of the part of a tract or lot of real estate, minerals 11769
therein, or mineral rights thereto, so transferred, and the value 11770
of the remaining part compared with the value of the whole. 11771

Whenever a part only of a tract or lot of real estate has 11772
been transferred by the auditor and ~~such~~ the tract or lot bears 11773
unpaid taxes, penalties, interest, or special assessments, the 11774
unpaid taxes, penalties, interest, or special assessments shall 11775
immediately be apportioned, upon demand or request by the 11776
transferee or remaining owner, in the following manner: 11777

(A) The auditor shall allocate to the part so transferred, 11778
and to the remaining part, amounts of any current or delinquent 11779
taxes, interest, or penalties that have accrued against the parcel 11780
as a whole, proportionate to their respective values. 11781

(B) The lien of taxes, penalties, interest, and special 11782
assessments, as levied against the original tract, shall extend to 11783
the part so transferred and the part remaining only to the extent 11784

of the amounts so allocated to the respective parts. 11785

This section does not change the total amount of taxes, 11786
special assessments, or other charges as originally levied, or the 11787
total amount of the balance due. The auditor shall certify such 11788
apportionments to the county treasurer. 11789

Whenever the state acquires an entire parcel or a part only 11790
of a parcel of real property in fee simple, the county auditor, 11791
upon application of the grantor or property owner or the state, 11792
which application shall contain a description of the property as 11793
it appears on the tax list and the date of transfer of ownership, 11794
shall prepare an estimate of the taxes that are a lien on ~~said the~~ 11795
property, but have not been determined, assessed, and levied for 11796
the year in which the property was acquired. The county auditor 11797
shall thereupon apportion ~~such the~~ estimated taxes proportionately 11798
between the grantor and the state for the period of the lien year 11799
that each had or shall have had ownership or possession of the 11800
property, whichever is earlier. The county treasurer shall accept 11801
payment from the state for estimated taxes at the time that the 11802
real property is acquired. If the state has paid in full in the 11803
year in which the property is acquired that proportion of the 11804
estimated taxes that the tax commissioner determines are not 11805
subject to remission by the county auditor for such year under 11806
division (C) of section 5713.08 of the Revised Code, the estimated 11807
taxes paid shall be considered the tax liability on the exempted 11808
property for that year. 11809

Section 319.42 of the Revised Code applies to the 11810
apportionment of special assessments. 11811

Complaint against such values as determined by the auditor or 11812
the allocation of assessments by the certifying authority may be 11813
filed by the transferee or the remaining owner, and if filed, 11814
proceedings including appeals shall be had in the manner and 11815
within the time provided by sections 5717.01 to 5717.06 and 11816

5715.19 to 5715.22 of the Revised Code, for complaints against 11817
valuation or assessment of real property. 11818

The auditor shall endorse on the deed or other evidences of 11819
title presented to the auditor that the proper transfer of the 11820
real estate described in ~~such~~ the deed has been made in the 11821
auditor's office or that it is not entered for taxation, and sign 11822
the auditor's name to ~~such~~ the deed. The address of the grantee, 11823
or any one of the grantees, set forth in the deed or other 11824
evidences of title shall be entered by the auditor on the transfer 11825
sheets and on the general tax list of real property prepared 11826
pursuant to section 319.28 of the Revised Code. 11827

Sec. 319.302. (A)(1) Real property that is not intended 11828
primarily for use in a business activity shall qualify for a 11829
partial exemption from real property taxation. For purposes of 11830
this partial exemption, "business activity" includes all uses of 11831
real property, except farming; leasing property for farming; 11832
occupying or holding property improved with single-family, 11833
two-family, or three-family dwellings; leasing property improved 11834
with single-family, two-family, or three-family dwellings; or 11835
holding vacant land that the county auditor determines will be 11836
used for farming or to develop single-family, two-family, or 11837
three-family dwellings. For purposes of this partial exemption, 11838
"farming" does not include land used for the commercial production 11839
of timber that is receiving the tax benefit under section 5713.23 11840
or 5713.31 of the Revised Code and all improvements connected with 11841
such commercial production of timber. 11842

(2) Each year, the county auditor shall review each parcel of 11843
real property to determine whether it qualifies for the partial 11844
exemption provided for by this section as of the first day of 11845
January of the current tax year. 11846

(B) After complying with section 319.301 of the Revised Code, 11847

the county auditor shall reduce the remaining sums to be levied 11848
against each parcel of real property that is listed on the general 11849
tax list and duplicate of real and public utility property for the 11850
current tax year and that qualifies for partial exemption under 11851
division (A) of this section, and against each manufactured and 11852
mobile home that is taxed pursuant to division (D)(2) of section 11853
4503.06 of the Revised Code and that is on the manufactured home 11854
tax list for the current tax year, by ten per cent, to provide a 11855
partial exemption for that parcel or home. Except as otherwise 11856
provided in sections 323.152, 323.158, 505.06, and 715.263 of the 11857
Revised Code, the amount of the taxes remaining after any such 11858
reduction shall be the real and public utility property taxes 11859
charged and payable on each parcel of real property, including 11860
property that does not qualify for partial exemption under 11861
division (A) of this section, and the manufactured home tax 11862
charged and payable, ~~on each property~~ manufactured or mobile home, 11863
and shall be the amounts certified to the county treasurer for 11864
collection. Upon receipt of the tax duplicate, the treasurer shall 11865
certify to the tax commissioner the total amount by which taxes 11866
were reduced under this section, as shown on the duplicate. Such 11867
reduction shall not directly or indirectly affect the 11868
determination of the principal amount of notes that may be issued 11869
in anticipation of any tax levies or the amount of bonds or notes 11870
for any planned improvements. If after application of sections 11871
5705.31 and 5705.32 of the Revised Code and other applicable 11872
provisions of law, including divisions (F) and (I) of section 11873
321.24 of the Revised Code, there would be insufficient funds for 11874
payment of debt charges on bonds or notes payable from taxes 11875
reduced by this section, the reduction of taxes provided for in 11876
this section shall be adjusted to the extent necessary to provide 11877
funds from such taxes. 11878

(C) The tax commissioner may adopt rules governing the 11879
administration of the partial exemption provided for by this 11880

section. 11881

(D) The determination of whether property qualifies for 11882
partial exemption under division (A) of this section is solely for 11883
the purpose of allowing the partial exemption under division (B) 11884
of this section. 11885

Sec. 321.24. (A) On or before the fifteenth day of February, 11886
in each year, the county treasurer shall settle with the county 11887
auditor for all taxes and assessments that the treasurer has 11888
collected on the general duplicate of real and public utility 11889
property at the time of making the settlement. 11890

(B) On or before the thirtieth day of June, in each year, the 11891
treasurer shall settle with the auditor for all advance payments 11892
of general personal and classified property taxes that the 11893
treasurer has received at the time of making the settlement. 11894

(C) On or before the tenth day of August, in each year, the 11895
treasurer shall settle with the auditor for all taxes and 11896
assessments that the treasurer has collected on the general 11897
duplicates of real and public utility property at the time of 11898
making such settlement, not included in the preceding February 11899
settlement. 11900

(D) On or before the thirty-first day of October, in each 11901
year, the treasurer shall settle with the auditor for all taxes 11902
that the treasurer has collected on the general personal and 11903
classified property duplicates, and for all advance payments of 11904
general personal and classified property taxes, not included in 11905
the preceding June settlement, that the treasurer has received at 11906
the time of making such settlement. 11907

(E) In the event the time for the payment of taxes is 11908
extended, pursuant to section 323.17 of the Revised Code, the date 11909
on or before which settlement for the taxes so extended must be 11910

made, as herein prescribed, shall be deemed to be extended for a 11911
like period of time. At each such settlement, the auditor shall 11912
allow to the treasurer, on the moneys received or collected and 11913
accounted for by the treasurer, the treasurer's fees, at the rate 11914
or percentage allowed by law, at a full settlement of the 11915
treasurer. 11916

(F) Within thirty days after the day of each settlement of 11917
taxes required under divisions (A) and (C) of this section, the 11918
treasurer shall certify to the tax commissioner any adjustments 11919
~~which~~ that have been made to the amount certified previously 11920
pursuant to section 319.302 of the Revised Code and that the 11921
settlement has been completed. Upon receipt of such certification, 11922
the commissioner shall provide for payment to the county treasurer 11923
from the general revenue fund of an amount equal to one-half of 11924
the amount certified by the treasurer in the preceding tax year 11925
under section 319.302 of the Revised Code, less one-half of the 11926
amount computed for all taxing districts in that county for the 11927
current fiscal year under section 5703.80 of the Revised Code for 11928
crediting to the property tax administration fund. Such payment 11929
shall be credited upon receipt to the county's undivided income 11930
tax fund, and the county auditor shall transfer to the county 11931
general fund from the amount thereof the total amount of all fees 11932
and charges which the auditor and treasurer would have been 11933
authorized to receive had such section not been in effect and that 11934
amount had been levied and collected as taxes. The county auditor 11935
shall distribute the amount remaining among the various taxing 11936
districts in the county as if it had been levied, collected, and 11937
settled as real property taxes. The amount distributed to each 11938
taxing district shall be reduced by the total of the amounts 11939
computed for the district under ~~divisions (A), (B), and (C) of~~ 11940
section 5703.80 of the Revised Code, but the reduction shall not 11941
exceed the amount that otherwise would be distributed to the 11942
taxing district under this division. The tax commissioner shall 11943

make available to taxing districts such information as is 11944
sufficient for a taxing district to be able to determine the 11945
amount of the reduction in its distribution under this section. 11946

(G)(1) Within thirty days after the day of the settlement 11947
required in division (D) of this section, the county treasurer 11948
shall notify the tax commissioner that the settlement has been 11949
completed. Upon receipt of that notification, the commissioner 11950
shall provide for payment to the county treasurer from the general 11951
revenue fund of an amount equal to the amount certified under 11952
former section 319.311 of the Revised Code and paid in the state's 11953
fiscal year 2003 multiplied by the percentage specified in 11954
division (G)(2) of this section. The payment shall be credited 11955
upon receipt to the county's undivided income tax fund, and the 11956
county auditor shall distribute the amount thereof among the 11957
various taxing districts of the county as if it had been levied, 11958
collected, and settled as personal property taxes. The amount 11959
received by a taxing district under this division shall be 11960
apportioned among its funds in the same proportion as the current 11961
year's personal property taxes are apportioned. 11962

(2) Payments required under division (G)(1) of this section 11963
shall be made at the following percentages of the amount certified 11964
under former section 319.311 of the Revised Code and paid under 11965
division (G)(1) of this section in the state's fiscal year 2003: 11966

(a) In fiscal year 2004, ninety per cent; 11967

(b) In fiscal year 2005, eighty per cent; 11968

(c) In fiscal year 2006, ~~seventy~~ sixty-four per cent; 11969

(d) In fiscal year 2007, ~~sixty~~ forty per cent; 11970

(e) In fiscal year 2008, ~~fifty~~ thirty-two per cent; 11971

(f) In fiscal year 2009, ~~forty~~ sixteen per cent; 11972

~~(g) In fiscal year 2010, thirty per cent;~~ 11973

~~(h) In fiscal year 2011, twenty per cent;~~ 11974

~~(i) In fiscal year 2012, ten per cent.~~ 11975

After fiscal year ~~2012~~ 2009, no payments shall be made under 11976
division (G)(1) of this section. 11977

(H)(1) On or before the fifteenth day of April each year, the 11978
county treasurer shall settle with the county auditor for all 11979
manufactured home taxes that the county treasurer has collected on 11980
the manufactured home tax duplicate at the time of making the 11981
settlement. 11982

(2) On or before the fifteenth day of September each year, 11983
the county treasurer shall settle with the county auditor for all 11984
remaining manufactured home taxes that the county treasurer has 11985
collected on the manufactured home tax duplicate at the time of 11986
making the settlement. 11987

(3) If the time for payment of such taxes is extended under 11988
section 4503.06 of the Revised Code, the time for making the 11989
settlement as prescribed by divisions (H)(1) and (2) of this 11990
section is extended for a like period of time. 11991

(I) Within thirty days after the day of each settlement of 11992
taxes required under division (H) of this section, the county 11993
treasurer shall certify to the tax commissioner any adjustments 11994
that have been made to the amount certified previously pursuant to 11995
section 319.302 of the Revised Code and that the settlement has 11996
been completed. Upon receipt of such certification, the 11997
commissioner shall provide for payment to the county treasurer 11998

If the director disapproves all or part of any plan, the 12403
director shall inform the board of the reasons for the disapproval 12404
and of the criteria that must be met before the plan may be 12405

recommendations of the mediator, shall make a final determination 12420
and approve or disapprove the plan, in whole or in part. 12421

amendment to the director. The director may approve or disapprove 12425
all or part of the amendment. If the director does not approve all 12426

the amendment or part of it shall be considered to have been 12428
approved. The director shall inform the board of the reasons for 12429

case on behalf of the amendment. The director shall give the board 12433
a reasonable time in which to meet the criteria, and shall offer 12434
the board technical assistance to help it meet the criteria. 12435

services from a community mental health agency as defined in 12445
section 5122.01 of the Revised Code, or from a residential 12446
facility licensed under section 5119.22 of the Revised Code. If 12447
the investigation substantiates the charge of abuse or neglect, 12448
the board shall take whatever action it determines is necessary to 12449
correct the situation, including notification of the appropriate 12450
authorities. Upon request, the board shall provide information 12451
about such investigations to the department. 12452

(3) For the purpose of section 5119.611 of the Revised Code, 12453

resolve any dispute through good faith collaboration and 12510
negotiation in order to continue to provide services to persons in 12511
need. If the dispute has not been resolved sixty days before the 12512
expiration date of the contract, either party may notify the 12513
department of mental health of the unresolved dispute. The 12514
director may require both parties to submit the dispute to a third 12515
party with the cost to be shared by the board and the facility or 12516
community mental health agency. The third party shall issue to the 12517
board, the facility or agency, and the department recommendations 12518
on how the dispute may be resolved twenty days prior to the 12519
expiration date of the contract, unless both parties agree to a 12520
time extension. The director shall adopt rules establishing the 12521
procedures of this dispute resolution process. 12522

The director shall not give a board approval to operate a 12544
facility or provide a community mental health service under 12545
division (A)(8)(b)(ii) or (iii) of this section unless the 12546
director determines that it is not feasible to have the department 12547
operate the facility or provide the service. 12548

facility or provide a community mental health service under 12550
division (A)(8)(b)(iii) of this section unless the director 12551

community mental health agency. 12555

The director shall not give a board approval to operate a 12556
facility previously operated by a person or other government 12557
entity unless the board has established to the director's 12558

satisfaction that the person or other government entity cannot 12559
effectively operate the facility or that the person or other 12560
government entity has requested the board to take over operation 12561
of the facility. The director shall not give a board approval to 12562

with their terms, unless provision is made by law or by the 13163
authority for an adequate substitute therefor reasonably 13164

year the tax will be levied. Each ordinance also shall state that 13337
the question of the income tax will be submitted to the electors 13338
of the municipal corporation on the same date as the submission of 13339
questions of an identical tax to the electors of each of the other 13340
municipal corporations in the group, and that unless the electors 13341
of all of the municipal corporations in the group approve the tax 13342
in their respective municipal corporations, none of the municipal 13343

corporations in the group shall levy the tax. Each legislative 13344

municipal corporation once a week for four consecutive weeks prior 13357
to the election. The notice shall include a statement of the rate 13358
and municipal corporation and school district purposes of the 13359
income tax, the percentage of tax revenue that will be paid to the 13360
school district, and the first year the tax will be levied, and an 13361
explanation that the tax will not be levied unless an identical 13362
tax is approved by the electors of each of the other municipal 13363
corporations in the group. The ballot shall be in the following 13364
form: 13365

"Shall the ordinance providing for a ... per cent levy on 13366

district) be passed? The income tax, if approved, will not be 13370
levied on the incomes of individuals who do not reside in (the 13371

discontinue the manufacture and sale of soft drinks or other 14106
products for which the license was issued. When a registration has 14107
been revoked, the registrant shall discontinue the sale within 14108
this state of the registrant's products until those sections have 14109
been complied with and a new license or registration has been 14110

with a cold-storage warehouse holding a license under section 14130
915.02 of the Revised Code is not required to secure an additional 14131
license under section 915.15 of the Revised Code so long as ~~he~~ the 14132
operator continues to be licensed as a cold-storage warehouse; but 14133
~~he~~ the operator shall comply with sections 915.14 to 915.24~~7~~, 14134

law. 14217

(F) ~~Each~~ Beginning January 1, 2007, each applicant shall pay 14218
a registration and inspection fee ~~established by rule of one~~ 14219

files for a renewal of registration after the deadline established 14222
by rule, the applicant shall pay a penalty fee ~~established by rule~~ 14223
of seventy-five dollars for each product name and brand registered 14224

shall require the information set forth under divisions (B), (C), 14238
(D), and (E) of this section and shall register any such pesticide 14239
after determining that all of the following conditions are met: 14240

(1) Its composition is such as to warrant the proposed claims 14241
for it. 14242

(2) Its labeling and other material required to be submitted 14243
comply with the requirements of the federal act and of this 14244

chapter, and rules adopted thereunder. 14245

(3) It will perform its intended function without 14246
unreasonable adverse effects on the environment. 14247

(4) When used in accordance with widespread and commonly 14248
recognized practice, it will not generally cause unreasonable 14249
adverse effects on the environment. 14250

(5) The classification for general or restricted use is in 14251
conformity with the federal act. 14252

The director shall not make any lack of essentiality a 14253
criterion for denying the registration of any pesticide. When two 14254
pesticides meet the requirements of division (G) of this section, 14255
the director shall not register one in preference to the other. 14256

(H)(1) The director may refuse to register a pesticide if the 14257
application for registration fails to comply with this section. 14258

(2) The director may suspend or revoke a pesticide 14259
registration after a hearing in accordance with Chapter 119. of 14260
the Revised Code for a pesticide that fails to meet the claims 14261
made for it on its label. 14262

(3) The director may immediately suspend a pesticide 14263
registration, prior to a hearing, when the director believes that 14264
the pesticide poses an immediate hazard to human or animal health 14265
or a hazard to the environment. Not later than fifteen days after 14266
suspending the registration, the director shall determine whether 14267
the pesticide poses such a hazard. If the director determines that 14268
no hazard exists, the director shall lift the suspension of the 14269
registration. If the director determines that a hazard exists, the 14270
director shall revoke the registration in accordance with Chapter 14271
119. of the Revised Code. 14272

Sec. 921.16. (A) The director of agriculture shall adopt 14273
rules the director determines necessary for the effective 14274

enforcement and administration of this chapter. The rules may 14275
relate to, but are not limited to, the time, place, manner, and 14276
methods of application, materials, and amounts and concentrations 14277
of application of pesticides, may restrict or prohibit the use of 14278
pesticides in designated areas during specified periods of time, 14279
and shall encompass all reasonable factors that the director 14280
determines necessary to minimize or prevent damage to the 14281
environment. In addition, the rules shall establish the fees, 14282
deadlines, and time periods for registration, registration 14283
renewal, late registration renewal, and failure to register under 14284
section 921.02 of the Revised Code; the fees for registration, 14285
registration renewal, late registration renewal, and failure to 14286
register under section 921.02 of the Revised Code that shall apply 14287
until the fees that are established under that section take effect 14288
on January 1, 2007; and the fees, deadlines, and time periods for 14289
licensure and license renewal under sections 921.06, 921.09, 14290
921.11, and 921.13 of the Revised Code. ~~The aggregate amount of~~ 14291
~~the fees that initially are established by rule after the~~ 14292
~~effective date of this amendment shall be designed to cover, but~~ 14293
~~not exceed, the costs incurred by the department of agriculture in~~ 14294
~~administering this chapter. Thereafter, the fees shall not be~~ 14295
~~increased without the approval of the general assembly.~~ 14296

(B) The director shall adopt rules that establish a schedule 14297
of civil penalties for violations of this chapter, or any rule or 14298
order adopted or issued under it, provided that the civil penalty 14299
for a first violation shall not exceed five thousand dollars and 14300
the civil penalty for each subsequent violation shall not exceed 14301
ten thousand dollars. In determining the amount of a civil penalty 14302
for a violation, the director shall consider factors relevant to 14303
the severity of the violation, including past violations and the 14304
amount of actual or potential damage to the environment or to 14305
human beings. 14306

| | |
|---|--|

considers it necessary, to further restrict such use; 14356

(2) Define what constitutes "acting under the instructions 14357
and control of a commercial applicator" as used in the definition 14358

Based on consideration of the factors, the director may define 14363
"acting under the instructions and control of a commercial 14364
applicator" to include communications between a commercial 14365

gas well owner shall fail to restore the land surface within the 14931
area disturbed in siting, drilling, completing, and producing the 14932

(A) Within five months after the date upon which the surface 14934
drilling of a well is commenced, the owner or the owner's agent, 14935

other state or federal law or regulation, and remove all concrete 14941

production of the well where necessary to bind the soil and 14946

prevent substantial erosion and sedimentation. If the chief of the 14947
division of mineral resources management finds that a pit used for 14948
containing brine, other waste substances, or oil is in violation 14949
of section 1509.22 of the Revised Code or rules adopted or orders 14950
issued under it, the chief may require the pit to be emptied and 14951

waiver with and obtaining the written approval of the chief, which 14964
request shall be signed by the surface owner to certify the 14965
approval of the surface owner of the release sought. The chief 14966
shall approve the request unless the chief finds upon inspection 14967

provided to the division, it shall be provided on a form 14992
prescribed and provided by the division and verified by both the 14993
assignor or transferor and by the assignee or transferee. The 14994
notice form applicable to assignments or transfers of a well to 14995
the owner of the surface estate of the tract on which the well is 14996
located shall contain a statement informing the landowner that the 14997

determinations relevant to the project or to an action taken or 15877
agreement entered into under sections 1547.721 to 1547.726 of the 15878

for a watercraft or outboard motor shall be made upon a form 15922
prescribed by the chief of the division of watercraft and shall be 15923
sworn to before a notary public or other officer empowered to 15924
administer oaths. The application shall be filed with the clerk of 15925
any court of common pleas. An application for a certificate of 15926
title may be filed electronically by any electronic means approved 15927
by the chief in any county with the clerk of the court of common 15928
pleas of that county. The application shall be accompanied by the 15929
fee prescribed in section 1548.10 of the Revised Code. The fee 15930
shall be retained by the clerk who issues the certificate of title 15931
and shall be distributed in accordance with that section. If a 15932
clerk of a court of common pleas, other than the clerk of the 15933
court of common pleas of an applicant's county of residence, 15934
issues a certificate of title to the applicant, the clerk shall 15935
transmit data related to the transaction to the automated title 15936

processing system. 15937

(2) If a certificate of title previously has been issued for 15938
the watercraft or outboard motor, the application for a 15939
certificate of title also shall be accompanied by the certificate 15940
of title duly assigned unless otherwise provided in this chapter. 15941
If a certificate of title previously has not been issued for the 15942
watercraft or outboard motor in this state, the application, 15943
unless otherwise provided in this chapter, shall be accompanied by 15944
a manufacturer's or importer's certificate; by a sworn statement 15945
of ownership if the watercraft or outboard motor was purchased by 15946
the applicant on or before October 9, 1963, or if the watercraft 15947
is less than fourteen feet long with a permanently affixed 15948
mechanical means of propulsion and was purchased by the applicant 15949
on or before January 1, 2000; or by a certificate of title, bill 15950
of sale, or other evidence of ownership required by the law of 15951
another state from which the watercraft or outboard motor was 15952
brought into this state. Evidence of ownership of a watercraft or 15953
outboard motor for which an Ohio certificate of title previously 15954
has not been issued and which watercraft or outboard motor does 15955
not have permanently affixed to it a manufacturer's serial number 15956
shall be accompanied by the certificate of assignment of a hull 15957
identification number assigned by the chief as provided in section 15958
1548.07 of the Revised Code. 15959

(3) The clerk shall retain the evidence of title presented by 15960
the applicant and on which the certificate of title is issued, 15961
except that, if an application for a certificate of title is filed 15962
electronically, by a vendor on behalf of a purchaser of a 15963
watercraft or outboard motor, the clerk shall retain the completed 15964
electronic record to which the vendor converted the certificate of 15965
title application and other required documents. The chief, after 15966
consultation with the attorney general, shall adopt rules that 15967
govern the location at which, and the manner in which, are stored 15968

the actual application and all other documents relating to the 15969
sale of a watercraft or outboard motor when a vendor files the 15970
application for a certificate of title electronically on behalf of 15971
a purchaser. 15972

(B) The clerk shall use reasonable diligence in ascertaining 15973
whether the facts in the application are true by checking the 15974
application and documents accompanying it or the electronic record 15975
to which a vendor converted the application and accompanying 15976
documents with the records of watercraft and outboard motors in 15977
the clerk's office. If the clerk is satisfied that the applicant 15978
is the owner of the watercraft or outboard motor and that the 15979
application is in the proper form, the clerk shall issue a 15980
physical certificate of title over the clerk's signature and 15981
sealed with the clerk's seal unless the applicant specifically 15982
requests the clerk not to issue a physical certificate of title 15983
and instead to issue an electronic certificate of title. However, 15984
if the evidence indicates and an investigation shows that one or 15985
more Ohio titles already exist for the watercraft or outboard 15986
motor, the chief may cause the redundant title or titles to be 15987
canceled. 15988

(C) In the case of the sale of a watercraft or outboard motor 15989
by a vendor to a general purchaser or user, the certificate of 15990
title shall be obtained in the name of the purchaser by the vendor 15991
upon application signed by the purchaser. In all other cases, the 15992
certificate shall be obtained by the purchaser. In all cases of 15993
transfer of watercraft or outboard motors, the application for 15994
certificate of title shall be filed within thirty days after the 15995
later of the date of purchase or assignment of ownership of the 15996
watercraft or outboard motor. If the application for certificate 15997
of title is not filed within thirty days after the later of the 15998
date of purchase or assignment of ownership of the watercraft or 15999
outboard motor, the clerk shall charge a late penalty fee of five 16000

dollars in addition to the fee prescribed by section 1548.10 of 16001
the Revised Code. The clerk shall retain the entire amount of each 16002
late penalty fee. 16003

(D) The clerk shall refuse to accept an application for 16004
certificate of title unless the applicant either tenders with the 16005
application payment of all taxes levied by or pursuant to Chapter 16006
5739. or 5741. of the Revised Code based on the applicant's county 16007
of residence less, in the case of a sale by a vendor, any discount 16008
to which the vendor is entitled under section 5739.12 of the 16009
Revised Code, or submits any of the following: 16010

~~(A)~~(1) A receipt issued by the tax commissioner or a clerk of 16011
courts showing payment of the tax; 16012

~~(B)~~(2) A copy of the unit certificate of exemption completed 16013
by the purchaser at the time of sale as provided in section 16014
5739.03 of the Revised Code; 16015

~~(C)~~(3) An exemption certificate, in a form prescribed by the 16016
tax commissioner, that specifies why the purchase is not subject 16017
to the tax imposed by Chapter 5739. or 5741. of the Revised Code. 16018

Payment of the tax shall be in accordance with rules issued 16019
by the tax commissioner, and the clerk shall issue a receipt in 16020
the form prescribed by the tax commissioner to any applicant who 16021
tenders payment of the tax with the application for the 16022
certificate of title. 16023

(E)(1) For receiving and disbursing the taxes paid to the 16024
clerk by a resident of the clerk's county, the clerk may retain a 16025
poundage fee of one and one one-hundredth per cent of the taxes 16026
collected, which shall be paid into the certificate of title 16027
administration fund created by section 325.33 of the Revised Code. 16028
The clerk shall not retain a poundage fee from payments of taxes 16029
by persons who do not reside in the clerk's county. 16030

(2) A clerk, however, may retain from the taxes paid to the 16031

clerk an amount equal to the poundage fees associated with 16032
certificates of title issued by other clerks of courts of common 16033
pleas to applicants who reside in the first clerk's county. The 16034
chief of the division of watercraft, in consultation with the tax 16035
commissioner and the clerks of the courts of common pleas, shall 16036
develop a report from the automated title processing system that 16037
informs each clerk of the amount of the poundage fees that the 16038
clerk is permitted to retain from those taxes because of 16039
certificates of title issued by the clerks of other counties to 16040
applicants who reside in the first clerk's county. 16041

(F) In the case of casual sales of watercraft or outboard 16042
motors that are subject to the tax imposed by Chapter 5739. or 16043
5741. of the Revised Code, the purchase price for the purpose of 16044
determining the tax shall be the purchase price on an affidavit 16045
executed and filed with the clerk by the vendor on a form to be 16046
prescribed by the chief, which shall be prima-facie evidence of 16047
the price for the determination of the tax. In addition to the 16048
information required by section 1548.08 of the Revised Code, each 16049
certificate of title shall contain in bold lettering the following 16050
notification and statements: "WARNING TO TRANSFEROR AND TRANSFEREE 16051
(SELLER AND BUYER). You are required by law to state the true 16052
selling price. A false statement is a violation of section 2921.13 16053
of the Revised Code and is punishable by six months imprisonment 16054
or a fine of up to one thousand dollars, or both. All transfers 16055
are audited by the department of taxation. The seller and buyer 16056
must provide any information requested by the department of 16057
taxation. The buyer may be assessed any additional tax found to be 16058
due." 16059

~~The clerk shall forward all payments of taxes, less poundage 16060
fees, to the treasurer of state in a manner to be prescribed by 16061
the tax commissioner and shall furnish information to the 16062
commissioner as the commissioner may require. (G) Each county 16063~~

clerk of courts shall forward to the treasurer of state all sales 16064
and use tax collections resulting from sales of titled watercraft 16065
and outboard motors during a calendar week on or before the Friday 16066
following the close of that week. If, on any Friday, the offices 16067
of the clerk of courts or the state are not open for business, the 16068
tax shall be forwarded to the treasurer of state on or before the 16069
next day on which the offices are open. Every remittance of tax 16070
under this division shall be accompanied by a remittance report in 16071
such form as the tax commissioner prescribes. Upon receipt of a 16072
tax remittance and remittance report, the treasurer of state shall 16073
date stamp the report and forward it to the tax commissioner. If 16074
the tax due for any week is not remitted by a clerk of courts as 16075
required under this division, the clerk shall forfeit the poundage 16076
fees for the sales made during that week. The treasurer of state 16077
may require the clerks of courts to transmit tax collections and 16078
remittance reports electronically. 16079

(H) For purposes of a transfer of a certificate of title, if 16080
the clerk is satisfied that a secured party has discharged a lien 16081
but has not canceled the lien notation with a clerk, the clerk may 16082
cancel the lien notation on the automated title processing system 16083
and notify the clerk of the county of origin. 16084

(I) Every clerk shall have the capability to transact by 16085
electronic means all procedures and transactions relating to the 16086
issuance of watercraft or outboard motor certificates of title 16087
that are described in the Revised Code as being accomplished by 16088
electronic means. 16089

of the division of securities, notwithstanding that the rule, 16831
form, or order may later be amended or rescinded or be determined 16832
by judicial or other authority to be invalid for any reason, 16833
except that the issuance of an order granting effectiveness to a 16834

registration under section 1707.09 or 1707.091 of the Revised Code 16835
for the purposes of this division shall not be deemed an order 16836

in it are registered or exempt, the aggrieved party may appeal in 16848
accordance with Chapter 119. of the Revised Code. 16849

from the order, a new registration by description, or a new 16862
application of the plaintiff for such a license or qualification 16863
or for a withdrawal of a revocation or suspension; nor shall an 16864
order in favor of the plaintiff prevent the division, after proper 16865
notice and hearing, from thereafter revoking or suspending such 16866

license, registration, or right to buy, sell, or deal in a 16867
particular security, for any proper cause which may, after the 16868
order, accrue or be discovered. 16869

Sec. 1707.23. Whenever it appears to the division of 16870

Revised Code. 17024

(C) A court order granting restitution or rescission based 17025
upon a request made pursuant to division (A) of this section shall 17026
meet the requirements of division (B) of this section and may not 17027
be based solely upon a final order issued by the division of 17028
securities pursuant to Chapter 119. of the Revised Code or upon an 17029
action to enforce a final order issued by the division pursuant to 17030
that chapter. Notwithstanding the foregoing provision, a request 17031
for restitution or rescission pursuant to division (A) of this 17032
section may concern the same acts, practices, or transactions that 17033
were, or may later be, the subject of a division of securities 17034
action for a violation of any provision of sections 1707.01 to 17035
1707.45 of the Revised Code. If a request for restitution or 17036
rescission pursuant to division (A) of this section concerns the 17037
same acts, practices, or transactions that were the subject of a 17038
final order issued by the division of securities pursuant to 17039
Chapter 119. of the Revised Code, the court shall review the 17040
request in accordance with division (B) of this section, and the 17041
standard of review in section 119.12 of the Revised Code shall not 17042
apply to the request. 17043

(D) No purchaser or holder of securities who is entitled to 17044
restitution or rescission under this section shall recover, 17045
pursuant to this section or any other proceeding, a total amount 17046
in excess of the person's purchase price for the securities sold 17047
in violation of sections 1707.01 to 1707.45 of the Revised Code. 17048

(E)(1) If a court of common pleas grants an injunction 17049
pursuant to section 1707.26 of the Revised Code against any state 17050
retirement system investment officer, after consultation with the 17051
attorney general, the director of commerce may request that court 17052
to order the state retirement system investment officer or 17053
officers that are subject to the injunction to make restitution to 17054
the state retirement system damaged by the state retirement system 17055

investment officer's or officers' violation of any provision of 17056
sections 1707.01 to 1707.45 of the Revised Code. 17057

(2) If the court of common pleas is satisfied with the 17058
sufficiency of the director's request for restitution under 17059
division (E)(1) of this section and with the sufficiency of the 17060
proof of a substantial violation of any provision of sections 17061
1707.01 to 1707.45 of the Revised Code, or of the use of any act, 17062
practice, or transaction declared to be illegal or prohibited or 17063
defined as fraudulent by those sections or rules adopted under 17064
those sections by the division of securities, to the material 17065
prejudice of a state retirement system, the court may order the 17066
state retirement system investment officer or officers subject to 17067
the injunction to make restitution to the state retirement system 17068
damaged by the state retirement system investment officer's or 17069
officers' violation of sections 1707.01 to 1707.45 of the Revised 17070
Code. A request for restitution pursuant to division (E)(1) of 17071
this section may concern the same acts, practices, or transactions 17072
that were, or may later be, the subject of a division of 17073
securities action for a violation of any provision of section 17074
1707.01 to 1707.45 of the Revised Code. 17075

(F)(1) If a court of common pleas grants an injunction 17076
pursuant to section 1707.26 of the Revised Code against a bureau 17077
of workers' compensation chief investment officer, after 17078
consultation with the attorney general, the director of commerce 17079
may request that court to order the bureau of workers' 17080
compensation chief investment officer who is subject to the 17081
injunction to make restitution to the bureau of workers' 17082
compensation damaged by the bureau of workers' compensation chief 17083
investment officer's violation of any provision of sections 17084
1707.01 to 1707.45 of the Revised Code. 17085

(2) If the court of common pleas is satisfied with the 17086
sufficiency of the director's request for restitution under 17087

division (F)(1) of this section and with the sufficiency of the 17088
proof of a substantial violation of any provision of sections 17089
1707.01 to 1707.45 of the Revised Code, or of the use of any act, 17090
practice, or transaction declared to be illegal or prohibited or 17091
defined as fraudulent by those sections or rules adopted under 17092
those sections by the division of securities, to the material 17093
prejudice of the bureau of workers' compensation, the court may 17094
order the bureau of workers' compensation chief investment officer 17095
subject to the injunction to make restitution to the bureau of 17096
workers' compensation damaged by the bureau of workers' 17097
compensation chief investment officer's violation of sections 17098
1707.01 to 1707.45 of the Revised Code. A request for restitution 17099
pursuant to division (F)(1) of this section may concern the same 17100
acts, practices, or transactions that were, or may later be, the 17101
subject of a division of securities action for a violation of any 17102
provision of section 1707.01 to 1707.45 of the Revised Code. 17103

Sec. 1707.431. For purposes of this section, the following 17104
persons shall not be deemed to have effected, participated in, or 17105

in violation of sections 1707.01 to 1707.45 of the Revised Code: 17107

who brings any issuer together with any potential investor, 17113
without receiving, directly or indirectly, a commission, fee, or 17114
other remuneration based on the sale of any securities by the 17115
issuer to the investor. Remuneration received by the person solely 17116
for the purpose of offsetting the reasonable out-of-pocket costs 17117
incurred by the person shall not be deemed a commission, fee, or 17118

other remuneration. 17119

Any person claiming exemption under this division for a 17120
publicly advertised meeting shall file a notice with the division 17121
of securities indicating an intent to cause or hold such a meeting 17122
at least twenty-one days prior to the meeting. The division may, 17123
upon receipt of such notice, issue an order denying the 17124
availability of an exemption under this division not more than 17125
fourteen days after receipt of the notice based on a finding that 17126
the applicant is not entitled to the exemption. Notwithstanding 17127
the notice described in this section, a failure to file the notice 17128
does not create a presumption that a person was participating in 17129
or aiding in the making of a sale or contract of sale in violation 17130
of this chapter. 17131

(C) Any person whom the division exempts from this provision 17132
by rule. 17133

the Revised Code. 17141

(3) No person shall engage in any act or practice that 17142
violates section 1707.162 of the Revised Code. 17143

(4) No person shall engage in any act or practice that 17144
violates section 1707.164 of the Revised Code. 17145

(B) No person shall knowingly make or cause to be made any 17146
false representation concerning a material and relevant fact, in 17147
any oral statement or in any prospectus, circular, description, 17148

all amusement rides as are necessary for amusement ride safety and 17399
for the protection of the general public. Rules adopted by the 17400
director for the safe operation and inspection of amusement rides 17401
shall be reasonable and based upon generally accepted engineering 17402
standards and practices. In adopting rules under this section, the 17403
director may adopt by reference, in whole or in part, the national 17404
fire code or the national electrical code (NEC) prepared by the 17405
national fire protection association, the standards of the 17406
American society for testing and materials (ASTM) or the American 17407
national standards institute (ANSI), or any other principles, 17408
tests, or standards of nationally recognized technical or 17409
scientific authorities. Insofar as is practicable and consistent 17410
with sections 1711.50 to 1711.57 of the Revised Code, rules 17411
adopted under this division shall be consistent with the rules of 17412
other states. The department shall cause sections 1711.50 to 17413
1711.57 of the Revised Code and the rules adopted in accordance 17414
with this division and division (B) of section 1711.551 of the 17415
Revised Code to be published in pamphlet form and a copy to be 17416
furnished without charge to each owner of an amusement ride who 17417
holds a current permit or is an applicant therefor. 17418

(C) With respect to an application for a permit for an 17419
amusement ride, an owner may apply to the director for a waiver or 17420
modification of any rule adopted under division (B) of this 17421
section if there are practical difficulties or unnecessary 17422
hardships for the amusement ride to comply with the rules. Any 17423
application shall set forth the reasons for the request. The 17424
director, with the approval of the advisory council on amusement 17425
ride safety, may waive or modify the application of a rule to any 17426

amusement ride if the public safety is secure. Any authorization 17427
by the director under this division shall be in writing and shall 17428
set forth the conditions under which the waiver or modification is 17429
authorized, and the department shall retain separate records of 17430
all proceedings under this division. 17431

(D)(1) The director shall employ and provide for training of 17432
a chief inspector and additional inspectors and employees as may 17433
be necessary to administer and enforce sections 1711.50 to 1711.57 17434
of the Revised Code. The director may appoint or contract with 17435
other persons to perform inspections of amusement rides, provided 17436
that the persons meet the qualifications for inspectors 17437
established by rules adopted under division (B) of this section 17438
and are not owners, or employees of owners, of any amusement ride 17439
subject to inspection under sections 1711.50 to 1711.57 of the 17440
Revised Code. No person shall inspect an amusement ride who, 17441
within six months prior to the date of inspection, was an employee 17442
of the owner of the ride. 17443

(2) Before the director contracts with other persons to 17444
inspect amusement rides, the director shall seek the advice of the 17445
advisory council on amusement ride safety on whether to contract 17446
with those persons. The advice shall not be binding upon the 17447
director. After having received the advice of the council, the 17448
director may proceed to contract with inspectors in accordance 17449
with the procedures specified in division (E)(2) of section 17450
1711.11 of the Revised Code. 17451

amusement ride safety, the director may employ a special 17453
consultant to conduct an independent investigation of an amusement 17454
ride accident. This consultant need not be in the civil service of 17455

These supplemental inspections are in addition to any other inspection or reinspection of the ride as may be required under sections 1711.50 to 1711.57 of the Revised Code, and the owner of the temporary amusement ride is not required to pay an inspection or reinspection fee for this supplemental inspection. (I) For the purposes of this section, whenever the population 18568
of the territory of a municipal court falls below one hundred 18569
thousand but not below ninety thousand, and the population of the 18570

be considered to have a population of at least one hundred 18574
thousand. 18575

(J) The clerk or a deputy clerk shall be in attendance at all 18576
sessions of the municipal court, although not necessarily in the 18577

Sec. 1907.24. (A) Subject to division (C) of this section, a 18580
county court shall fix and tax fees and costs as follows: 18581

(1) The county court shall require an advance deposit for the 18582
filing of any new civil action or proceeding when required by 18583
division (C) of this section and, in all other cases, shall 18584
establish a schedule of fees and costs to be taxed in any civil or 18585

criminal action or proceeding. 18586

(2) The county court by rule may require an advance deposit 18587
for the filing of a civil action or proceeding and publication 18588
fees as provided in section 2701.09 of the Revised Code. The court 18589
may waive an advance deposit requirement upon the presentation of 18590
an affidavit or other evidence that establishes that a party is 18591
unable to make the requisite deposit. 18592

(3) When a party demands a jury trial in a civil action or 18593
proceeding, the county court may require the party to make an 18594
advance deposit as fixed by rule of court, unless the court 18595
concludes, on the basis of an affidavit or other evidence 18596
presented by the party, that the party is unable to make the 18597
requisite deposit. If a jury is called, the county court shall tax 18598
the fees of a jury as costs. 18599

(4) In a civil or criminal action or proceeding, the county 18600
court shall fix the fees of witnesses in accordance with sections 18601
2335.06 and 2335.08 of the Revised Code. 18602

(5) A county court may tax as part of the costs in a trial of 18603
the cause, in an amount fixed by rule of court, a reasonable 18604
charge for driving, towing, carting, storing, keeping, and 18605
preserving motor vehicles and other personal property recovered or 18606
seized in a proceeding. 18607

(6) The court shall preserve chattel property seized under a 18608
writ or process issued by the court pending final disposition for 18609
the benefit of all interested persons. The court may place the 18610
chattel property in storage when necessary or proper for its 18611
preservation. The custodian of chattel property so stored shall 18612
not be required to part with the possession of the property until 18613
a reasonable charge, to be fixed by the court, is paid. 18614

(7) The county court, as it determines, may refund all 18615
deposits and advance payments of fees and costs, including those 18616

for jurors and summoning jurors, when they have been paid by the 18617
losing party. 18618

(8) The court may tax as part of costs charges for the 18619
publication of legal notices required by statute or order of 18620
court, as provided by section 7.13 of the Revised Code. 18621

(B)(1) The county court may determine that, for the efficient 18622
operation of the court, additional funds are necessary to acquire 18623
and pay for special projects of the court including, but not 18624
limited to, the acquisition of additional facilities or the 18625
rehabilitation of existing facilities, the acquisition of 18626
equipment, the hiring and training of staff, community service 18627
programs, mediation or dispute resolution services, the employment 18628
of magistrates, the training and education of judges, acting 18629
judges, and magistrates, and other related services. Upon that 18630
determination, the court by rule may charge a fee, in addition to 18631
all other court costs, on the filing of each criminal cause, civil 18632
action or proceeding, or judgment by confession. 18633

If the county court offers a special program or service in 18634
cases of a specific type, the county court by rule may assess an 18635
additional charge in a case of that type, over and above court 18636
costs, to cover the special program or service. The county court 18637
shall adjust the special assessment periodically, but not 18638
retroactively, so that the amount assessed in those cases does not 18639
exceed the actual cost of providing the service or program. 18640

All moneys collected under division (B) of this section shall 18641
be paid to the county treasurer for deposit into either a general 18642
special projects fund or a fund established for a specific special 18643
project. Moneys from a fund of that nature shall be disbursed upon 18644

products, or accommodations that will be necessary because of the 20203
injury; 20204

(d) All expenditures of a person whose property was injured 20205
or destroyed or of another person on behalf of the person whose 20206

property injury or property loss. 20219

"The actual loss of the person who is awarded the damages" 20220

Sec. 2744.08. (A)(1) A political subdivision may use public 20228
funds to secure insurance with respect to its and its employees' 20229
potential liability in damages in civil actions for injury, death, 20230

omission of the political subdivision or any of its employees in 20232
connection with a governmental or proprietary function. The 20233
insurance may be at the limits, for the circumstances, and subject 20234
to the terms and conditions, that are determined by the political 20235
subdivision in its discretion. 20236

(2)(a) Regardless of whether a political subdivision procures 20244
a policy or policies of liability insurance pursuant to division 20245
(A)(1) of this section or otherwise, the political subdivision may 20246
establish and maintain a self-insurance program relative to its 20247
and its employees' potential liability in damages in civil actions 20248
for injury, death, or loss to persons or property allegedly caused 20249
by an act or omission of the political subdivision or any of its 20250
employees in connection with a governmental or proprietary 20251
function. The political subdivision may reserve such funds as it 20252
deems appropriate in a special fund that may be established 20253
pursuant to an ordinance or resolution of the political 20254
subdivision and not subject to section 5705.12 of the Revised 20255
Code. The political subdivision may allocate the costs of 20256
insurance or a self-insurance program, or both, among the funds or 20257

Sec. 2933.43. (A)(1) Except as provided in this division or 21473
in section 2913.34 or sections 2923.44 to 2923.47 or 2925.41 to 21474
2925.45 of the Revised Code, a law enforcement officer shall seize 21475

any contraband that has been, is being, or is intended to be used 21476
in violation of division (A) of section 2933.42 of the Revised 21477
Code. A law enforcement officer shall seize contraband that is a 21478
watercraft, motor vehicle, or aircraft and that has been, is 21479
being, or is intended to be used in violation of division (A) of 21480
section 2933.42 of the Revised Code only if the watercraft, motor 21481
vehicle, or aircraft is contraband because of its relationship to 21482
an underlying criminal offense that is a felony. 21483

Additionally, a law enforcement officer shall seize any 21484
watercraft, motor vehicle, aircraft, or other personal property 21485
that is classified as contraband under division (B) of section 21486
2933.42 of the Revised Code if the underlying offense involved in 21487
the violation of division (A) of that section that resulted in the 21488
watercraft, motor vehicle, aircraft, or personal property being 21489
classified as contraband, is a felony. 21490

(2) If a law enforcement officer seizes property that is 21491
titled or registered under law, including a motor vehicle, 21492
pursuant to division (A)(1) of this section, the officer or the 21493
officer's employing law enforcement agency shall notify the owner 21494
of the seizure. The notification shall be given to the owner at 21495
the owner's last known address within seventy-two hours after the 21496
seizure, and may be given orally by any means, including 21497
telephone, or by certified mail, return receipt requested. 21498

If the officer or the officer's agency is unable to provide 21499
the notice required by this division despite reasonable, good 21500
faith efforts to do so, the exercise of the reasonable, good faith 21501
efforts constitutes fulfillment of the notice requirement imposed 21502
by this division. 21503

(B)(1) A motor vehicle seized pursuant to division (A)(1) of 21504
this section and the contents of the vehicle may be retained for a 21505
reasonable period of time, not to exceed seventy-two hours, for 21506
the purpose of inspection, investigation, and the gathering of 21507

evidence of any offense or illegal use. 21508

At any time prior to the expiration of the seventy-two-hour 21509
period, the law enforcement agency that seized the motor vehicle 21510
may petition the court of common pleas of the county that has 21511
jurisdiction over the underlying criminal case or administrative 21512
proceeding involved in the forfeiture for an extension of the 21513
seventy-two-hour period if the motor vehicle or its contents are 21514
needed as evidence or if additional time is needed for the 21515
inspection, investigation, or gathering of evidence. Upon the 21516
filing of such a petition, the court immediately shall schedule a 21517
hearing to be held at a time as soon as possible after the filing, 21518
but in no event at a time later than the end of the next business 21519
day subsequent to the day on which the petition was filed, and 21520
upon scheduling the hearing, immediately shall notify the owner of 21521
the vehicle, at the address at which notification of the seizure 21522
was provided under division (A) of this section, of the date, 21523
time, and place of the hearing. If the court, at the hearing, 21524
determines that the vehicle or its contents, or both, are needed 21525
as evidence or that additional time is needed for the inspection, 21526
investigation, or gathering of evidence, the court may grant the 21527
petition and issue an order authorizing the retention of the 21528
vehicle or its contents, or both, for an extended period as 21529
specified by the court in its order. An order extending a period 21530
of retention issued under this division may be renewed. 21531

If no petition for the extension of the initial 21532
seventy-two-hour period has been filed, prior to the expiration of 21533
that period, under this division, if the vehicle was not in the 21534
custody and control of the owner at the time of its seizure, and 21535
if, at the end of that seventy-two-hour period, the owner of the 21536
vehicle has not been charged with an offense or administrative 21537
violation that includes the use of the vehicle as an element and 21538
has not been charged with any other offense or administrative 21539

violation in the actual commission of which the motor vehicle was 21540
used, the vehicle and its contents shall be released to its owner 21541
or the owner's agent, provided that the law enforcement agency 21542
that seized the vehicle may require proof of ownership of the 21543
vehicle, proof of ownership or legal possession of the contents, 21544
and an affidavit of the owner that the owner neither knew of nor 21545
expressly or impliedly consented to the use of the vehicle that 21546
resulted in its forfeiture as conditions precedent to release. If 21547
a petition for the extension of the initial seventy-two-hour 21548
period has been filed, prior to the expiration of that period, 21549
under this division but the court does not grant the petition, if 21550
the vehicle was not in the custody and control of the owner at the 21551
time of its seizure, and if, at the end of that seventy-two-hour 21552
period, the owner of the vehicle has not been charged with an 21553
offense or administrative violation that includes the use of the 21554
vehicle as an element and has not been charged with any other 21555
offense or administrative violation in the actual commission of 21556
which the motor vehicle was used, the vehicle and its contents 21557
shall be released to its owner or the owner's agent, provided that 21558
the court may require the proof and affidavit described in the 21559
preceding sentence as conditions precedent to release. If the 21560
initial seventy-two-hour period has been extended under this 21561
division, the vehicle and its contents to which the extension 21562
applies may be retained in accordance with the extension order. 21563
If, at the end of that extended period, the owner of the vehicle 21564
has not been charged with an offense or administrative violation 21565
that includes the use of the vehicle as an element and has not 21566
been charged with any other offense or administrative violation in 21567
the actual commission of which the motor vehicle was used, and if 21568
the vehicle was not in the custody and control of the owner at the 21569
time of its seizure, the vehicle and its contents shall be 21570
released to its owner or the owner's agent, provided that the 21571
court may require the proof and affidavit described in the third 21572

preceding sentence as conditions precedent to release. In cases in 21573
which the court may require proof and affidavits as conditions 21574
precedent to release, the court also may require the posting of a 21575
bond, with sufficient sureties approved by the court, in an amount 21576
equal to the value of the property to be released, as determined 21577
by the court, and conditioned upon the return of the property to 21578
the court if it is forfeited under this section, as a further 21579
condition to release. If, at the end of the initial 21580
seventy-two-hour period or at the end of any extended period 21581
granted under this section, the owner has been charged with an 21582
offense or administrative violation that includes the use of the 21583
vehicle as an element or has been charged with another offense or 21584
administrative violation in the actual commission of which the 21585
motor vehicle was used, or if the vehicle was in the custody and 21586
control of the owner at the time of its seizure, the vehicle and 21587
its contents shall be retained pending disposition of the charge, 21588
provided that upon the filing of a motion for release by the 21589
owner, if the court determines that the motor vehicle or its 21590
contents, or both, are not needed as evidence in the underlying 21591
criminal case or administrative proceeding, the court may permit 21592
the release of the property that is not needed as evidence to the 21593
owner; as a condition precedent to a release of that nature, the 21594
court may require the owner to execute a bond with the court. Any 21595
bond so required shall be in an amount equal to the value of the 21596
property to be released, as determined by the court, shall have 21597
sufficient sureties approved by the court, and shall be 21598
conditioned upon the return of the property to the court to which 21599
it is forfeited under this section. 21600

The final disposition of a motor vehicle seized pursuant to 21601
division (A)(1) of this section shall be determined in accordance 21602
with division (C) of this section. 21603

(2) Pending a hearing pursuant to division (C) of this 21604

section, and subject to divisions (B)(1) and (C) of this section, 21605
any property lawfully seized pursuant to division (A) of this 21606
section because it was contraband of a type described in division 21607
(A)(13)(b), (d), (e), (f), (g), (h), (i), or (j) of section 21608
2901.01 of the Revised Code shall not be subject to replevin or 21609
other action in any court and shall not be subject to release upon 21610
request of the owner, and no judgment shall be enforced against 21611
the property. Pending the hearing, and subject to divisions (B)(1) 21612
and (C) of this section, the property shall be kept in the custody 21613
of the law enforcement agency responsible for its seizure. 21614

Pending a hearing pursuant to division (C) of this section, 21615
and notwithstanding any provisions of division (B)(1) or (C) of 21616
this section to the contrary, any property lawfully seized 21617
pursuant to division (A) of this section because it was contraband 21618
of a type described in division (A)(13)(a) or (c) of section 21619
2901.01 of the Revised Code shall not be subject to replevin or 21620
other action in any court and shall not be subject to release upon 21621
request of the owner, and no judgment shall be enforced against 21622
the property. Pending the hearing, and notwithstanding any 21623
provisions of division (B)(1) or (C) of this section to the 21624
contrary, the property shall be kept in the custody of the law 21625
enforcement agency responsible for its seizure. 21626

A law enforcement agency that seizes property under division 21627
(A) of this section because it was contraband of any type 21628
described in division (A)(13) of section 2901.01 or division (B) 21629
of section 2933.42 of the Revised Code shall maintain an accurate 21630
record of each item of property so seized, which record shall 21631
include the date on which each item was seized, the manner and 21632
date of its disposition, and if applicable, the name of the person 21633
who received the item; however, the record shall not identify or 21634
enable the identification of the individual officer who seized the 21635
item. The record of property of that nature that no longer is 21636

needed as evidence shall be open to public inspection during the 21637
agency's regular business hours. Each law enforcement agency that, 21638
during any calendar year, seizes property under division (A) of 21639
this section because it was contraband shall prepare a report 21640
covering the calendar year that cumulates all of the information 21641
contained in all of the records kept by the agency pursuant to 21642
this division for that calendar year, and shall send a copy of the 21643
cumulative report, no later than the first day of March in the 21644
calendar year following the calendar year covered by the report, 21645
to the attorney general. Each report received by the attorney 21646
general is a public record open for inspection under section 21647
149.43 of the Revised Code. Not later than the fifteenth day of 21648
April in the calendar year in which the reports are received, the 21649
attorney general shall send to the president of the senate and the 21650
speaker of the house of representatives a written notification 21651
that does all of the following: 21652

(a) Indicates that the attorney general has received from law 21653
enforcement agencies reports of the type described in this 21654
division that cover the previous calendar year and indicates that 21655
the reports were received under this division; 21656

(b) Indicates that the reports are open for inspection under 21657
section 149.43 of the Revised Code; 21658

(c) Indicates that the attorney general will provide a copy 21659
of any or all of the reports to the president of the senate or the 21660
speaker of the house of representatives upon request. 21661

(C) The prosecuting attorney, village solicitor, city 21662
director of law, or similar chief legal officer who has 21663
responsibility for the prosecution of the underlying criminal case 21664
or administrative proceeding, or the attorney general if the 21665
attorney general has that responsibility, shall file a petition 21666
for the forfeiture, to the seizing law enforcement agency of the 21667
contraband seized pursuant to division (A) of this section. The 21668

petition shall be filed in the court that has jurisdiction over 21669
the underlying criminal case or administrative proceeding involved 21670
in the forfeiture. If the property was seized on the basis of both 21671
a criminal violation and an administrative regulation violation, 21672
the petition shall be filed by the officer and in the court that 21673
is appropriate in relation to the criminal case. 21674

The petitioner shall conduct or cause to be conducted a 21675
search of the appropriate public records that relate to the seized 21676
property for the purpose of determining, and shall make or cause 21677
to be made reasonably diligent inquiries for the purpose of 21678
determining, any person having an ownership or security interest 21679
in the property. The petitioner then shall give notice of the 21680
forfeiture proceedings by personal service or by certified mail, 21681
return receipt requested, to any persons known, because of the 21682
conduct of the search, the making of the inquiries, or otherwise, 21683
to have an ownership or security interest in the property, and 21684
shall publish notice of the proceedings once each week for two 21685
consecutive weeks in a newspaper of general circulation in the 21686
county in which the seizure occurred. The notices shall be 21687
personally served, mailed, and first published at least four weeks 21688
before the hearing. They shall describe the property seized; state 21689
the date and place of seizure; name the law enforcement agency 21690
that seized the property and, if applicable, that is holding the 21691
property; list the time, date, and place of the hearing; and state 21692
that any person having an ownership or security interest in the 21693
property may contest the forfeiture. 21694

If the property seized was determined by the seizing law 21695
enforcement officer to be contraband because of its relationship 21696
to an underlying criminal offense or administrative violation, no 21697
forfeiture hearing shall be held under this section unless the 21698
person pleads guilty to or is convicted of the commission of, or 21699
an attempt or conspiracy to commit, the offense or a different 21700

offense arising out of the same facts and circumstances or unless 21701
the person admits or is adjudicated to have committed the 21702
administrative violation or a different violation arising out of 21703
the same facts and circumstances; a forfeiture hearing shall be 21704
held in a case of that nature no later than forty-five days after 21705
the conviction or the admission or adjudication of the violation, 21706
unless the time for the hearing is extended by the court for good 21707
cause shown. The owner of any property seized because of its 21708
relationship to an underlying criminal offense or administrative 21709
violation may request the court to release the property to the 21710
owner. Upon receipt of a request of that nature, if the court 21711
determines that the property is not needed as evidence in the 21712
underlying criminal case or administrative proceeding, the court 21713
may permit the release of the property to the owner. As a 21714
condition precedent to a release of that nature, the court may 21715
require the owner to execute a bond with the court. Any bond so 21716
required shall have sufficient sureties approved by the court, 21717
shall be in a sum equal to the value of the property, as 21718
determined by the court, and shall be conditioned upon the return 21719
of the property to the court if the property is forfeited under 21720
this section. Any property seized because of its relationship to 21721
an underlying criminal offense or administrative violation shall 21722
be returned to its owner if charges are not filed in relation to 21723
that underlying offense or violation within thirty days after the 21724
seizure, if charges of that nature are filed and subsequently are 21725
dismissed, or if charges of that nature are filed and the person 21726
charged does not plead guilty to and is not convicted of the 21727
offense or does not admit and is not found to have committed the 21728
violation. 21729

If the property seized was determined by the seizing law 21730
enforcement officer to be contraband other than because of a 21731
relationship to an underlying criminal offense or administrative 21732
violation, the forfeiture hearing under this section shall be held 21733

no later than forty-five days after the seizure, unless the time 21734
for the hearing is extended by the court for good cause shown. 21735

Where possible, a court holding a forfeiture hearing under 21736
this section shall follow the Rules of Civil Procedure. When a 21737
hearing is conducted under this section, property shall be 21738
forfeited upon a showing, by a preponderance of the evidence, by 21739
the petitioner that the person from which the property was seized 21740
was in violation of division (A) of section 2933.42 of the Revised 21741
Code. If that showing is made, the court shall issue an order of 21742
forfeiture. If an order of forfeiture is issued in relation to 21743
contraband that was released to the owner or the owner's agent 21744
pursuant to this division or division (B)(1) of this section, the 21745
order shall require the owner to deliver the property, by a 21746
specified date, to the law enforcement agency that employed the 21747
law enforcement officer who made the seizure of the property, and 21748
the court shall deliver a copy of the order to the owner or send a 21749
copy of it by certified mail, return receipt requested, to the 21750
owner at the address to which notice of the seizure was given 21751
under division (A)(2) of this section. Except as otherwise 21752
provided in this division, all rights, interest, and title to the 21753
forfeited contraband vests in the state, effective from the date 21754
of seizure. 21755

No property shall be forfeited pursuant to this division if 21756
the owner of the property establishes, by a preponderance of the 21757
evidence, that the owner neither knew, nor should have known after 21758
a reasonable inquiry, that the property was used, or was likely to 21759
be used, in a crime or administrative violation. No bona fide 21760
security interest shall be forfeited pursuant to this division if 21761
the holder of the interest establishes, by a preponderance of the 21762
evidence, that the holder of the interest neither knew, nor should 21763
have known after a reasonable inquiry, that the property was used, 21764
or likely to be used, in a crime or administrative violation, that 21765

the holder of the interest did not expressly or impliedly consent 21766
to the use of the property in a crime or administrative violation, 21767
and that the security interest was perfected pursuant to law prior 21768
to the seizure. If the holder of the interest satisfies the court 21769
that these requirements are met, the interest shall be preserved 21770
by the court. In a case of that nature, the court shall either 21771
order that the agency to which the property is forfeited reimburse 21772
the holder of the interest to the extent of the preserved interest 21773
or order that the holder be paid for the interest from the 21774
proceeds of any sale pursuant to division (D) of this section. 21775

(D)(1) Contraband ordered forfeited pursuant to this section 21776
shall be disposed of pursuant to divisions (D)(1) to (7) of 21777
section 2933.41 of the Revised Code or, if the contraband is not 21778
described in those divisions, may be used, with the approval of 21779
the court, by the law enforcement agency that has custody of the 21780
contraband pursuant to division (D)(8) of that section. In the 21781
case of contraband not described in any of those divisions and of 21782
contraband not disposed of pursuant to any of those divisions, the 21783
contraband shall be sold in accordance with this division or, in 21784
the case of forfeited moneys, disposed of in accordance with this 21785
division. If the contraband is to be sold, the prosecuting 21786
attorney shall cause a notice of the proposed sale of the 21787
contraband to be given in accordance with law, and the property 21788
shall be sold, without appraisal, at a public auction to the 21789
highest bidder for cash. The proceeds of a sale and forfeited 21790
moneys shall be applied in the following order: 21791

(a) First, to the payment of the costs incurred in connection 21792
with the seizure of, storage of, maintenance of, and provision of 21793
security for the contraband, the forfeiture proceeding, and, if 21794
any, the sale; 21795

(b) Second, the remaining proceeds or forfeited moneys after 21796
compliance with division (D)(1)(a) of this section, to the payment 21797

of the balance due on any security interest preserved pursuant to 21798
division (C) of this section; 21799

(c) Third, the remaining proceeds or forfeited moneys after 21800
compliance with divisions (D)(1)(a) and (b) of this section, as 21801
follows: 21802

(i) If the forfeiture was ordered in a juvenile court, ten 21803
per cent to one or more alcohol and drug addiction treatment 21804
programs that are certified by the department of alcohol and drug 21805
addiction services under section 3793.06 of the Revised Code and 21806
that are specified in the order of forfeiture. A juvenile court 21807
shall not certify an alcohol or drug addiction treatment program 21808
in the order of forfeiture unless the program is a certified 21809
alcohol and drug addiction treatment program and, except as 21810
provided in division (D)(1)(c)(i) of this section, unless the 21811
program is located in the county in which the court that orders 21812
the forfeiture is located or in a contiguous county. If no 21813
certified alcohol and drug addiction treatment program is located 21814
in any of those counties, the juvenile court may specify in the 21815
order a certified alcohol and drug addiction treatment program 21816
located anywhere within this state. 21817

(ii) If the forfeiture was ordered in a juvenile court, 21818
ninety per cent, and if the forfeiture was ordered in a court 21819
other than a juvenile court, one hundred per cent to the law 21820
enforcement trust fund of the prosecuting attorney and to the law 21821
enforcement trust fund of the county sheriff if the county sheriff 21822
made the seizure, to the law enforcement trust fund of a municipal 21823
corporation if its police department made the seizure, to the law 21824
enforcement trust fund of a township if the seizure was made by a 21825
township police department, township police district police force, 21826
or office of a township constable, to the law enforcement trust 21827
fund of a park district created pursuant to section 511.18 or 21828
1545.01 of the Revised Code if the seizure was made by the park 21829

district police force or law enforcement department, to the ~~state~~ 21830
highway patrol state contraband, forfeiture, and other fund if the 21831
state highway patrol made the seizure, to the department of public 21832
safety investigative unit contraband, forfeiture, and other fund 21833
if the investigative unit of the department of public safety made 21834
the seizure, to the department of taxation enforcement fund if the 21835
department of taxation made the seizure, to the board of pharmacy 21836
drug law enforcement fund created by division (B)(1) of section 21837
4729.65 of the Revised Code if the board made the seizure, or to 21838
the treasurer of state for deposit into the peace officer training 21839
commission fund if a state law enforcement agency, other than the 21840
state highway patrol, the investigative unit of the department of 21841
public safety, the enforcement division of the department of 21842
taxation, or the state board of pharmacy, made the seizure. The 21843
prosecuting attorney may decline to accept any of the remaining 21844
proceeds or forfeited moneys, and, if the prosecuting attorney so 21845
declines, the remaining proceeds or forfeited moneys shall be 21846
applied to the fund described in this division that relates to the 21847
law enforcement agency that made the seizure. 21848

A law enforcement trust fund shall be established by the 21849
prosecuting attorney of each county who intends to receive any 21850
remaining proceeds or forfeited moneys pursuant to this division, 21851
by the sheriff of each county, by the legislative authority of 21852
each municipal corporation, by the board of township trustees of 21853
each township that has a township police department, township 21854
police district police force, or office of the constable, and by 21855
the board of park commissioners of each park district created 21856
pursuant to section 511.18 or 1545.01 of the Revised Code that has 21857
a park district police force or law enforcement department, for 21858
the purposes of this division. There is hereby created in the 21859
state treasury the ~~state~~ highway patrol state contraband, 21860
forfeiture, and other fund, the department of public safety 21861
investigative unit contraband, forfeiture, and other fund, the 21862

department of taxation enforcement fund, and the peace officer 21863
training commission fund, for the purposes described in this 21864
division. 21865

Proceeds or forfeited moneys distributed to any municipal 21866
corporation, township, or park district law enforcement trust fund 21867
shall be allocated from the fund by the legislative authority only 21868
to the police department of the municipal corporation, by the 21869
board of township trustees only to the township police department, 21870
township police district police force, or office of the constable, 21871
and by the board of park commissioners only to the park district 21872
police force or law enforcement department. 21873

Additionally, no proceeds or forfeited moneys shall be 21874
allocated to or used by the state highway patrol, the department 21875
of public safety, the department of taxation, the state board of 21876

payment of all court costs imposed upon the offender. 22477

Sec. 2949.093. (A) A board of county commissioners of any 22478
county containing fifty-five or more law enforcement agencies by 22479

information system, either by creating and maintaining a new 22481
criminal justice regional information system or by participating 22482
in an existing criminal justice regional information system. 22483

justice regional information system unless it creates in its 22485

criminal justice regional information fund. 22487

(C) A county that elects to participate in a criminal justice 22488
regional information system shall obtain revenues to fund its 22489
participation by establishing an additional court cost not 22490
exceeding five dollars to be imposed for moving violations that 22491
occur in that county. The board of county commissioners of that 22492
county shall establish the amount of the additional court cost by 22493

shall impose that amount as an additional court cost for all 22499
moving violations the court adjudicates or otherwise processes, in 22500
accordance with divisions (D) and (E) of this section. 22501

pursuant to division (C) of this section as costs in the case in 22506
addition to any other court costs that the court is required by 22507
law to impose upon the offender. The court shall not waive the 22508
payment of the additional court cost established by the board 22509
pursuant to division (C) of this section unless the court 22510
determines that the offender is indigent and waives the payment of 22511
all court costs imposed upon the indigent offender. 22512

All such money collected during a month shall be transmitted 22513
on the first business day of the following month by the clerk of 22514
the court to the county treasurer of the county in which the court 22515
is located and thereafter the county treasurer shall deposit the 22516
money in that county's criminal justice regional information fund. 22517

(2) The juvenile court in which a child is found to be a 22518
juvenile traffic offender for an act that is a moving violation 22519
occurring in a county participating in a criminal justice regional 22520
information system shall impose the sum established by the board 22521
pursuant to division (C) of this section as costs in the case in 22522
addition to any other court costs that the court is required by 22523
law to impose upon the juvenile traffic offender. The juvenile 22524
court shall not waive the payment of the additional court cost 22525
established by the board pursuant to division (C) of this section 22526
unless the court determines that the juvenile is indigent and 22527
waives the payment of all court costs imposed upon the indigent 22528
offender. 22529

All such money collected during a month shall be transmitted 22530

on the first business day of the following month by the clerk of 22531
the court to the county treasurer of the county in which the 22532
juvenile court is located and thereafter the county treasurer 22533
shall deposit the money in that county's criminal justice regional 22534
information fund. 22535

moving violation and posts bail, the court shall add to the amount 22537
of the bail the set sum required to be paid by division (D)(1) of 22538
this section. The clerk of the court shall retain that set sum 22539
until the person is convicted, pleads guilty, forfeits bail, is 22540
found not guilty, or has the charges dismissed. If the person is 22541
convicted, pleads guilty, or forfeits bail, the clerk shall 22542
transmit the set sum to the county treasurer, who shall deposit it 22543
in the county criminal justice regional information fund. If the 22544
person is found not guilty or the charges are dismissed, the clerk 22545
shall return the set sum to the person. 22546

(F) No person shall be placed or held in a detention facility 22547
as defined in section 2921.01 of the Revised Code for failing to 22548
pay the court cost or bail that is required to be paid by this 22549
section. 22550

(G)(1) Except as provided in division (G)(2) of this section, 22551
all funds collected by a county under this section shall be used 22552
by that county only to pay the costs it incurs in creating and 22553
maintaining a new criminal justice regional information system or 22554
to pay the costs it incurs in participating in an existing 22555
criminal justice regional information system. 22556

(2) If the board of county commissioners of a county 22557
determines that the funds in that county's criminal justice 22558
regional information fund are more than sufficient to satisfy the 22559
purpose for which the additional court cost described in division 22560
(C) of this section was imposed, the board may declare a surplus 22561
in the fund. The county may expend the surplus only to pay the 22562

costs it incurs in improving the law enforcement computer 22563
technology of local law enforcement agencies located in that 22564
county. 22565

trolleys on highways or streets or that regulates size or load 22571
limitations or fitness requirements of vehicles. "Moving 22572
violation" does not include the violation of any statute or 22573

Sec. 2971.05. (A)(1) After control over an offender's service 22586
of a prison term imposed pursuant to division (A)(3) of section 22587
2971.03 of the Revised Code has been transferred pursuant to 22588
section 2971.04 of the Revised Code to the court, the court shall 22589
schedule, within thirty days of any of the following, a hearing on 22590
whether to modify in accordance with division (C) of this section 22591
the requirement that the offender serve the entire prison term in 22592
a state correctional institution or to terminate the prison term 22593

in accordance with division (D) of this section: 22594

(a) Control over the offender's service of a prison term is 22595
transferred pursuant to section 2971.04 of the Revised Code to the 22596
court, and no hearing to modify the requirement has been held; 22597

(b) Two years elapse after the most recent prior hearing held 22598
pursuant to division (A)(1) or (2) of this section; 22599

(c) The prosecuting attorney, the department of 22600
rehabilitation and correction, or the adult parole authority 22601
requests the hearing, and recommends that the requirement be 22602
modified or that the offender's prison term be terminated. 22603

(2) After control over the offender's service of a prison 22604
term has been transferred pursuant to section 2971.04 of the 22605
Revised Code to the court, the court, within thirty days of either 22606
of the following, shall conduct a hearing on whether to modify in 22607
accordance with division (C) of this section the requirement that 22608
the offender serve the entire prison term in a state correctional 22609
institution, whether to continue, revise, or revoke an existing 22610
modification of that requirement, or whether to terminate the term 22611
in accordance with division (D) of this section: 22612

(a) The requirement that the offender serve the entire prison 22613
term in a state correctional institution has been modified, and 22614
the offender is taken into custody for any reason. 22615

(b) The department of rehabilitation and correction or the 22616
prosecuting attorney notifies the court pursuant to section 22617
2971.06 of the Revised Code regarding a known or suspected 22618
violation of a term or condition of the modification or a belief 22619
that there is a substantial likelihood that the offender has 22620
committed or is about to commit a sexually violent offense. 22621

(3) After control over the offender's service of a prison 22622
term has been transferred pursuant to section 2971.04 of the 22623
Revised Code to the court, the court, in any of the following 22624

circumstances, may conduct a hearing within thirty days to 22625
determine whether to modify in accordance with division (C) of 22626
this section the requirement that the offender serve the entire 22627
prison term in a state correctional institution, whether to 22628
continue, revise, or revoke an existing modification of that 22629
requirement, or whether to terminate the sentence in accordance 22630
with division (D) of this section: 22631

(a) The offender requests the hearing; 22632

(b) Upon the court's own motion; 22633

(c) One or more examiners who have conducted a psychological 22634
examination and assessment of the offender file a statement that 22635
states that there no longer is a likelihood that the offender will 22636
engage in the future in a sexually violent offense. 22637

(B)(1) Before a court holds a hearing pursuant to division 22638
(A) of this section, the court shall provide notice of the date, 22639
time, place, and purpose of the hearing to the offender, the 22640
prosecuting attorney, the department of rehabilitation and 22641
correction, and the adult parole authority and shall request the 22642
department to prepare pursuant to section 5120.61 of the Revised 22643
Code an update of the most recent risk assessment and report 22644
relative to the offender. The offender has the right to be present 22645
at any hearing held under this section. At the hearing, the 22646
offender and the prosecuting attorney may make a statement and 22647
present evidence as to whether the requirement should or should 22648
not be modified, whether the existing modification of the 22649
requirement should be continued, revised, or revoked, and whether 22650
the prison term should or should not be terminated. 22651

(2) At a hearing held pursuant to division (A) of this 22652
section, the court may and, if the hearing is held pursuant to 22653
division (A)(1)(a), (1)(b), or (3)(c) of this section, shall 22654
determine by clear and convincing evidence whether the offender is 22655

unlikely to commit a sexually violent offense in the future. 22656

(3) At the conclusion of the hearing held pursuant to 22657
division (A) of this section, the court may order that the 22658
requirement that the offender serve the entire prison term in a 22659
state correctional institution be continued, that the requirement 22660
be modified pursuant to division (C) of this section, that an 22661
existing modification be continued, revised, or revoked pursuant 22662
to division (C) of this section, or that the prison term be 22663
terminated pursuant to division (D) of this section. 22664

(C)(1) If, at the conclusion of a hearing held pursuant to 22665
division (A) of this section, the court determines by clear and 22666
convincing evidence that the offender will not represent a 22667
substantial risk of physical harm to others, the court may modify 22668
the requirement that the offender serve the entire prison term in 22669
a state correctional institution in a manner that the court 22670
considers appropriate. If the court modifies the requirement, the 22671
offender is subject to supervision under division (E) of this 22672
section. 22673

(2) The modification of the requirement does not terminate 22674
the prison term but serves only to suspend the requirement that 22675
the offender serve the entire term in a state correctional 22676
institution. The prison term shall remain in effect for the 22677
offender's entire life unless the court terminates the prison term 22678
pursuant to division (D) of this section. The offender shall 22679
remain under the jurisdiction of the court for the offender's 22680
entire life unless the court so terminates the prison term. The 22681
modification of the requirement does not terminate the 22682
classification of the offender, as described in division (F) of 22683
section 2971.03 of the Revised Code, as a sexual predator for 22684
purposes of Chapter 2950. of the Revised Code, and the offender is 22685
subject to supervision under division (E) of this section. 22686

(3) If the court revokes the modification under 22687

consideration, the court shall order that the offender be returned 22688
to the custody of the department of rehabilitation and correction 22689
to continue serving the prison term to which the modification 22690
applied, and section 2971.06 of the Revised Code applies regarding 22691
the offender. 22692

(D)(1) If, at the conclusion of a hearing held pursuant to 22693
division (A) of this section, the court determines by clear and 22694
convincing evidence that the offender is unlikely to commit a 22695
sexually violent offense in the future, the court may terminate 22696
the offender's prison term imposed under division (A)(3) of 22697
section 2971.03 of the Revised Code, subject to the offender 22698
satisfactorily completing the period of conditional release 22699
required by this division and compliance with division (E) of this 22700
section. If the court terminates the prison term, the court shall 22701
place the offender on conditional release for five years, require 22702
the offender to comply with division (E) of this section, notify 22703
the adult parole authority of its determination and of the 22704
termination of the prison term, and order the adult parole 22705
authority to supervise the offender during the five-year period of 22706
conditional release and to supervise the offender pursuant to 22707
division (E) of this section. Upon receipt of a notice from a 22708
court pursuant to this division, the adult parole authority shall 22709
supervise the offender who is the subject of the notice during the 22710
five-year period of conditional release, periodically notify the 22711
court of the offender's activities during that five-year period of 22712
conditional release, and file with the court no later than thirty 22713
days prior to the expiration of the five-year period of 22714
conditional release a written recommendation as to whether the 22715
termination of the offender's prison term should be finalized, 22716
whether the period of conditional release should be extended, or 22717
whether another type of action authorized pursuant to this chapter 22718
should be taken. 22719

Upon receipt of a recommendation of the adult parole authority filed pursuant to this division, the court shall hold a hearing to determine whether to finalize the termination of the offender's prison term, to extend the period of conditional release, or to take another type of action authorized pursuant to this chapter. The court shall hold the hearing no later than the date on which the five-year period of conditional release terminates and shall provide notice of the date, time, place, and purpose of the hearing to the offender and to the prosecuting attorney. At the hearing, the offender, the prosecuting attorney, and the adult parole authority employee who supervised the offender during the period of conditional release may make a statement and present evidence.

(2) If the court determines to extend an offender's period of conditional release, it may do so for additional periods of one year in the same manner as the original period of conditional release, and except as otherwise described in this division, all procedures and requirements that applied to the original period of conditional release apply to the additional period of extended conditional release unless the court modifies a procedure or requirement. If an offender's period of conditional release is extended as described in this division, all references to a five-year period of conditional release that are contained in division (D)(1) of this section shall be construed, in applying the provisions of that division to the extension, as being references to the one-year period of the extension of the conditional release.

If the court determines to take another type of action authorized pursuant to this chapter, it may do so in the same manner as if the action had been taken at any other stage of the proceedings under this chapter. As used in this division, "another type of action" includes the revocation of the conditional release

and the return of the offender to a state correctional institution 22752
to continue to serve the prison term. 22753

If the court determines to finalize the termination of the 22754
offender's prison term, it shall notify the department of 22755
rehabilitation and correction, the department shall enter into its 22756
records a final release and issue to the offender a certificate of 22757
final release, and the prison term thereafter shall be considered 22758
completed and terminated in every way. 22759

The termination of the offender's prison term pursuant to 22760
division (D)(1) or (2) of this section does not affect the 22761
classification of the offender, as described in division (F) of 22762
section 2971.03 of the Revised Code, as a sexual predator for 22763
purposes of Chapter 2950. of the Revised Code, and does not 22764
terminate the adult parole authority's supervision of a sexually 22765
violent predator with an active global positioning system device, 22766
pursuant to division (E) of this section. The classification of 22767
the offender as a sexual predator is permanent and continues until 22768
the offender's death as described in division (D)(2) of section 22769
2950.09 of the Revised Code. 22770

(E) The adult parole authority shall supervise an offender 22771
whose prison term is modified as provided in division (C) of this 22772
section or whose prison term is terminated as provided in division 22773
(D) of this section with an active global positioning system 22774
device during any time period in which the offender is not 22775
incarcerated in a state correctional institution. Unless the court 22776
removes the offender's classification as a sexually violent 22777
predator, an offender is subject to supervision with an active 22778
global positioning system pursuant to this division for the 22779
offender's entire life. The costs of administering the supervision 22780
of sexually violent offenders with an active global positioning 22781
system device shall be paid out of funds from the reparations 22782
fund, created pursuant to section 2743.191 of the Revised Code. 22783

This division shall only apply to a sexually violent predator who 22784
is released from the custody of the department of rehabilitation 22785
and correction on or after the effective date of this amendment. 22786

Sec. 3107.10. (A) Notwithstanding section 3107.01 of the 22787
Revised Code, as used in this section, "agency" does not include a 22788
public children services agency. 22789

(B) An agency or attorney, whichever arranges a minor's 22790
adoption, shall file with the court a preliminary estimate 22791
accounting not later than the time the adoption petition for the 22792
minor is filed with the court. The agency or attorney, whichever 22793
arranges the adoption, also shall file a final accounting with the 22794
court before a final decree of adoption is issued or an 22795

5103.15 of the Revised Code, placement under section 5103.16 of 22803
the Revised Code, and adoption under this chapter. The agency or 22804
attorney shall include in an accounting an itemization of each 22805
expense listed in division (C) of this section. The itemization of 22806
the expenses specified in divisions (C)(3) and (4) of this section 22807
shall show the amount the agency or attorney charged or is going 22808
to charge for the services and the actual cost to the agency or 22809
attorney of providing the services. An accounting shall indicate 22810
whether any expenses listed in division (C) of this section do not 22811
apply to the adoption proceeding for which the accounting is 22812
filed. 22813

The agency or attorney shall include with a preliminary 22814

estimate accounting and a final accounting a written statement 22815
signed by the petitioner that the petitioner has reviewed the 22816
accounting and attests to its accuracy. 22817

(C) No petitioner, person acting on a petitioner's behalf, or 22818
agency or attorney shall make or agree to make any disbursements 22819
in connection with the minor's permanent surrender, placement, or 22820
adoption other than for the following: 22821

Revised Code; 22832

(4) Expenses charged by the agency arranging the adoption for 22833

3107.12, 5103.151, and 5103.152 of the Revised Code; 22837

(5) Temporary costs of routine maintenance and medical care 22838

an expense listed in division (C) of this section, the court may 22853
order the person who received the disbursement to refund to the 22854
person who made the disbursement an amount the court orders. 22855

If a court determines from an accounting that a disbursement 22856
for an expense not permitted by division (C) of this section is 22857
going to be made, the court may issue an injunction prohibiting 22858
the disbursement. If a court determines from an accounting that a 22859
disbursement for an expense not permitted by division (C) of this 22860
section was made, the court may order the person who received the 22861

If a court determines that a final accounting does not 22863
completely report all the disbursements that are going to be made 22864
or have been made in connection with the minor's permanent 22865
surrender, placement, and adoption, the court shall order the 22866
agency or attorney to file with the court an accounting that 22867

files the final accounting. 22874

~~(E) At the conclusion of each adoption proceeding, the court~~ 22875

(f) Four statewide achievement tests, one each designed to 23143
measure the level of reading, mathematics, science, and social 23144
studies skill expected at the end of eighth grade. 23145

(2) The state board shall determine and designate at least 23146
five ranges of scores on each of the achievement tests described 23147
in divisions (A)(1) and (B) of this section. Each range of scores 23148
shall be deemed to demonstrate a level of achievement so that any 23149
student attaining a score within such range has achieved one of 23150

the following: 23151

- (a) An advanced level of skill; 23152
- (b) An accelerated level of skill; 23153
- (c) A proficient level of skill; 23154
- (d) A basic level of skill; 23155

(B) The tests prescribed under this division shall 23157
collectively be known as the Ohio graduation tests. The state 23158
board shall prescribe five statewide high school achievement 23159
tests, one each designed to measure the level of reading, writing, 23160

of tenth grade. The state board shall designate a score in at 23162
least the range designated under division (A)(2)(c) of this 23163
section on each such test that shall be deemed to be a passing 23164
score on the test as a condition toward granting high school 23165
diplomas under sections 3313.61, 3313.611, 3313.612, and 3325.08 23166
of the Revised Code. 23167

The state board may enter into a reciprocal agreement with 23168
the appropriate body or agency of any other state that has similar 23169
statewide achievement testing requirements for receiving high 23170
school diplomas, under which any student who has met an 23171
achievement testing requirement of one state is recognized as 23172
having met the similar achievement testing requirement of the 23173
other state for purposes of receiving a high school diploma. For 23174
purposes of this section and sections 3301.0711 and 3313.61 of the 23175
Revised Code, any student enrolled in any public high school in 23176
this state who has met an achievement testing requirement 23177
specified in a reciprocal agreement entered into under this 23178

board. To the extent possible, these percentages shall be 23235
disaggregated by gender, major racial and ethnic groups, limited 23236
English proficient students, economically disadvantaged students, 23237
students with disabilities, and migrant students. 23238

If the state board intends to make any change to the 23239

intended change to the Ohio accountability task force established 23241
by section 3302.021 of the Revised Code. The task force shall 23242
recommend whether the state board should proceed to adopt the 23243

student to whom the test will be administered, as assigned 23268
pursuant to division (D)(2) of section 3301.0714 of the Revised 23269
Code. In furnishing the practice versions of Ohio graduation tests 23270
prescribed by division (F) of section 3301.0710 of the Revised 23271

of section 3301.0710 of the Revised Code at least once annually to all students in the eighth grade.

(8) Except as provided in division (B)(9) of this section, administer any test prescribed under division (B) of section 3301.0710 of the Revised Code as follows:

(a) At least once annually to all tenth grade students and at least twice annually to all students in eleventh or twelfth grade who have not yet attained the score on that test designated under that division;

(b) To any person who has successfully completed the curriculum in any high school or the individualized education program developed for the person by any high school pursuant to section 3323.08 of the Revised Code but has not received a high school diploma and who requests to take such test, at any time such test is administered in the district.

(9) In lieu of the board of education of any city, local, or exempted village school district in which the student is also enrolled, the board of a joint vocational school district shall administer any test prescribed under division (B) of section 3301.0710 of the Revised Code at least twice annually to any student enrolled in the joint vocational school district who has not yet attained the score on that test designated under that division. in the school year that starts July 1, 2005. 23337

(C)(1)(a) Any student receiving special education services 23338
under Chapter 3323. of the Revised Code may be excused from taking 23339
any particular test required to be administered under this section 23340
if the individualized education program developed for the student 23341
pursuant to section 3323.08 of the Revised Code excuses the 23342
student from taking that test and instead specifies an alternate 23343
assessment method approved by the department of education as 23344
conforming to requirements of federal law for receipt of federal 23345
funds for disadvantaged pupils. To the extent possible, the 23346
individualized education program shall not excuse the student from 23347
taking a test unless no reasonable accommodation can be made to 23348

(b) Any alternate assessment approved by the department for a 23350
student under this division shall produce measurable results 23351
comparable to those produced by the tests which the alternate 23352
assessments are replacing in order to allow for the student's 23353
assessment results to be included in the data compiled for a 23354
school district or building under section 3302.03 of the Revised 23355
Code. 23356

(c) Any student enrolled in a chartered nonpublic school who 23357
has been identified, based on an evaluation conducted in 23358

of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 23360
794, as amended, as a child with a disability shall be excused 23361
from taking any particular test required to be administered under 23362
this section if a plan developed for the student pursuant to rules 23363
adopted by the state board excuses the student from taking that 23364
test. In the case of any student so excused from taking a test, 23365
the chartered nonpublic school shall not prohibit the student from 23366
taking the test. 23367

(2) A district board may, for medical reasons or other good 23368

cause, excuse a student from taking a test administered under this 23369
section on the date scheduled, but any such test shall be 23370
administered to such excused student not later than nine days 23371
following the scheduled date. The board shall annually report the 23372
number of students who have not taken one or more of the tests 23373
required by this section to the state board of education not later 23374
than the thirtieth day of June. 23375

(3) As used in this division, "limited English proficient 23376
student" has the same meaning as in 20 U.S.C. 7801. 23377

No school district board shall excuse any limited English 23378
proficient student from taking any particular test required to be 23379
administered under this section, except that any limited English 23380
proficient student who has been enrolled in United States schools 23381
for less than one full school year shall not be required to take 23382
any such reading or writing test. However, no board shall prohibit 23383
a limited English proficient student who is not required to take a 23384
test under this division from taking the test. A board may permit 23385
any limited English proficient student to take any test required 23386
to be administered under this section with appropriate 23387
accommodations, as determined by the department. For each limited 23388
English proficient student, each school district shall annually 23389
assess that student's progress in learning English, in accordance 23390
with procedures approved by the department. 23391

The governing authority of a chartered nonpublic school may 23392
excuse a limited English proficient student from taking any test 23393
administered under this section. However, no governing authority 23394
shall prohibit a limited English proficient student from taking 23395
the test. 23396

(D)(1) In the school year next succeeding the school year in 23397
which the tests prescribed by division (A)(1) or (B) of section 23398
3301.0710 of the Revised Code or former division (A)(1), (A)(2), 23399
or (B) of section 3301.0710 of the Revised Code as it existed 23400

board of education of any school district in which the student is 23402

services commensurate with the student's test performance, 23404
including any intensive intervention required under section 23405
3313.608 of the Revised Code, in any skill in which the student 23406
failed to demonstrate at least a score at the proficient level on 23407
the test. 23408

(2) Following any administration of the tests prescribed by 23409
division (F) of section 3301.0710 of the Revised Code to ninth 23410
grade students, each school district that has a three-year average 23411
graduation rate of not more than seventy-five per cent shall 23412
determine for each high school in the district whether the school 23413
shall be required to provide intervention services to any students 23414
who took the tests. In determining which high schools shall 23415
provide intervention services based on the resources available, 23416
the district shall consider each school's graduation rate and 23417
scores on the practice tests. The district also shall consider the 23418
scores received by ninth grade students on the reading and 23419
mathematics tests prescribed under division (A)(1)(f) of section 23420
3301.0710 of the Revised Code in the eighth grade in determining 23421
which high schools shall provide intervention services. 23422

Each high school selected to provide intervention services 23423
under this division shall provide intervention services to any 23424
student whose test results indicate that the student is failing to 23425
make satisfactory progress toward being able to attain scores at 23426
the proficient level on the Ohio graduation tests. Intervention 23427
services shall be provided in any skill in which a student 23428
demonstrates unsatisfactory progress and shall be commensurate 23429
with the student's test performance. Schools shall provide the 23430
intervention services prior to the end of the school year, during 23431
the summer following the ninth grade, in the next succeeding 23432

school year, or at any combination of those times. 23433

(E) Except as provided in section 3313.608 of the Revised 23434
Code and division (M) of this section, no school district board of 23435
education shall utilize any student's failure to attain a 23436
specified score on any test administered under this section as a 23437
factor in any decision to deny the student promotion to a higher 23438
grade level. However, a district board may choose not to promote 23439
to the next grade level any student who does not take any test 23440
administered under this section or make up such test as provided 23441
by division (C)(2) of this section and who is not exempt from the 23442
requirement to take the test under division (C)(3) of this 23443
section. 23444

(F) No person shall be charged a fee for taking any test 23445
administered under this section. 23446

(G) ~~Not later than sixty days after any administration of any~~ 23447

for the scoring of the tests not later than the Friday after the 23453
tests are administered, except that any such test that a student 23454
takes during the make-up period described in division (C)(2) of 23455
this section shall be submitted not later than the Friday 23456
following the day the student takes the test. 23457

(2) The department or an entity with which the department 23458
contracts for the scoring of the test shall send to each school 23459
district board a list of the individual test scores of all persons 23460
taking ~~the~~ any test prescribed by division (A)(1) or (B) of 23461
section 3301.0710 of the Revised Code within sixty days after its 23462
administration, but in no case shall the scores be returned later 23463
than the fifteenth day of June following the administration. For 23464

any tests administered under this section by a joint vocational school district, the department or entity shall also send to each city, local, or exempted village school district a list of the individual test scores of any students of such city, local, or exempted village school district who are attending school in the joint vocational school district.

(H) Individual test scores on any tests administered under this section shall be released by a district board only in accordance with section 3319.321 of the Revised Code and the rules adopted under division (A) of this section. No district board or its employees shall utilize individual or aggregate test results in any manner that conflicts with rules for the ethical use of tests adopted pursuant to division (A) of this section.

(J) Notwithstanding division (D) of section 3311.52 of the Revised Code, this section does not apply to the board of education of any cooperative education school district except as provided under rules adopted pursuant to this division.

(1) In accordance with rules that the state board of education shall adopt, the board of education of any city, exempted village, or local school district with territory in a cooperative education school district established pursuant to divisions (A) to (C) of section 3311.52 of the Revised Code may enter into an agreement with the board of education of the

cooperative education school district for administering any test 23497
prescribed under this section to students of the city, exempted 23498
village, or local school district who are attending school in the 23499
cooperative education school district. 23500

(2) In accordance with rules that the state board of 23501

testing program by administering any of the tests prescribed by 23519
section 3301.0710 or 3301.0712 of the Revised Code if the chief 23520
administrator of the school specifies which tests the school 23521
wishes to administer. Such specification shall be made in writing 23522
to the superintendent of public instruction prior to the first day 23523
of August of any school year in which tests are administered and 23524
shall include a pledge that the nonpublic school will administer 23525

24823
24824

(1) The student either: 24825

(a) Is enrolled in a school building that is operated by the student's resident district and that the department of education 24826
24827

declared, in the most recent rating of school buildings published 24828
prior to the first day of July of the school year for which a 24829
scholarship is sought and in the two preceding school years, to be 24830
in a state of academic emergency under section 3302.03 of the 24831
Revised Code; 24832

(b) Is eligible to enroll in kindergarten in the school year 24833
for which a scholarship is sought and otherwise would be assigned 24834
under section 3319.01 of the Revised Code to a school building 24835
described in division (A)(1)(a) of this section; 24836

(c) Is enrolled in a community school established under 24837
Chapter 3314. of the Revised Code but otherwise would be assigned 24838
under section 3319.01 of the Revised Code to a building described 24839
in division (A)(1)(a) of this section. 24840

(2) The student's resident district is not a school district 24841
in which the pilot project scholarship program is operating under 24842
sections 3313.974 to 3313.979 of the Revised Code. 24843

(B) A student who receives a scholarship under the 24844
educational choice scholarship pilot program remains an eligible 24845
student and may continue to receive scholarships in subsequent 24846
school years until the student completes grade twelve, so long as 24847
all of the following apply: 24848

(1) The student's resident district remains the same; 24849

(2) The student takes each state test prescribed for the 24850
student's grade level under section 3301.0710 or 3301.0712 of the 24851
Revised Code while enrolled in a chartered nonpublic school; 24852

(3) In each school year that the student is enrolled in a 24853
chartered nonpublic school, the student is absent from school for 24854
not more than twenty days that the school is open for instruction, 24855
not including absences due to illness or injury confirmed in 24856
writing by a physician. 24857

(C) The superintendent shall cease awarding first-time 24858
scholarships with respect to a school building that, in the most 24859
recent ratings of school buildings published under section 3302.03 24860
of the Revised Code prior to the first day of July of the school 24861
year, ceases to be in a state of academic emergency. However, 24862
students who have received scholarships in the prior school year 24863
remain eligible students pursuant to division (B) of this section. 24864

Sec. 3310.04. Any eligible student who is enrolled in a 24865
chartered nonpublic school and for whom a scholarship under the 24866
educational choice scholarship pilot program has been awarded 24867
shall be entitled to transportation to and from the chartered 24868
nonpublic school by the student's resident district in the manner 24869
prescribed in section 3327.01 of the Revised Code. 24870

Sec. 3310.05. A scholarship under the educational choice 24871
scholarship pilot program is not available for any student whose 24872
resident district is a school district in which the pilot project 24873
scholarship program is operating under sections 3313.974 to 24874
3313.979 of the Revised Code. The two pilot programs are separate 24875
and distinct. The general assembly has prescribed separate 24876
scholarship amounts for the two pilot programs in recognition of 24877
their differing eligibility criteria. The pilot project 24878
scholarship program operating under sections 3313.974 to 3313.979 24879
of the Revised Code is a district-wide program that may award 24880
scholarships to students who do not attend district schools that 24881
face academic challenges, whereas the educational choice 24882
scholarship pilot program established under sections 3310.01 to 24883
3310.17 of the Revised Code is limited to students of individual 24884
district school buildings that face academic challenges. 24885

Sec. 3310.06. It is the policy adopted by the general 24886
assembly that the educational choice scholarship pilot program 24887

shall be construed as one of several educational options available 24888
for students enrolled in academic emergency school buildings. 24889
Students may be enrolled in the schools of the student's resident 24890
district, in a community school established under Chapter 3314. of 24891
the Revised Code, in the schools of another school district 24892
pursuant to an open enrollment policy adopted under section 24893
3313.98 of the Revised Code, in a chartered nonpublic school with 24894
or without a scholarship under the educational choice scholarship 24895
pilot program, or in other schools as the law may provide. 24896

Sec. 3310.07. Any parent, or any student who is at least 24897
eighteen years of age, who is seeking a scholarship under the 24898
educational choice scholarship pilot program shall notify the 24899
department of education of the student's and parent's names and 24900
address, the chartered nonpublic school in which the student has 24901
been accepted for enrollment, and the tuition charged by the 24902
school. 24903

Sec. 3310.08. (A) The amount paid for an eligible student 24904
under the educational choice scholarship pilot program shall be 24905
the lesser of the tuition of the chartered nonpublic school in 24906
which the student is enrolled or the maximum amount prescribed in 24907
section 3310.09 of the Revised Code. 24908

(B)(1) The department shall pay to the parent of each 24909
eligible student for whom a scholarship is awarded under the 24910
program, or to the student if at least eighteen years of age, 24911
periodic partial payments of the scholarship. 24912

(2) The department shall proportionately reduce or terminate 24913
the payments for any student who withdraws from a chartered 24914
nonpublic school prior to the end of the school year. 24915

(C)(1) The department shall deduct from the payments made to 24916
each school district under Chapter 3317. and, if necessary, 24917

sections 321.24 and 323.156 of the Revised Code the amount of five 24918
thousand two hundred dollars for each eligible student awarded a 24919
scholarship under the educational choice scholarship pilot program 24920
who is entitled under section 3313.64 or 3313.65 of the Revised 24921
Code to attend school in the district. The amount deducted under 24922
this division funds scholarships for students under both the 24923
educational choice scholarship pilot program and the pilot project 24924
scholarship program under sections 3313.974 to 3313.979 of the 24925
Revised Code. 24926

(2) If the department reduces or terminates payments to a 24927
parent or a student, as prescribed in division (B)(2) of this 24928
section, and the student re-enrolls in the schools of the 24929
student's resident district before the end of the school year, the 24930
department shall proportionally restore to the resident district 24931
the amount deducted for that student under division (C)(1) of this 24932
section. 24933

(D) In the case of any school district from which a deduction 24934
is made under division (C) of this section, the department shall 24935
disclose on the district's SF-3 form, or any successor to that 24936
form used to calculate a district's state funding for operating 24937
expenses, a comparison of the following: 24938

(1) The district's state base-cost payment, as calculated 24939
under division (A)(1) of section 3317.022 of the Revised Code 24940
prior to making the adjustments under divisions (A)(2) and (3) of 24941
that section, with the scholarship students included in the 24942
district's formula ADM; 24943

(2) What the district's state base-cost payment would have 24944
been, as calculated under division (A)(1) of that section prior to 24945
making the adjustments under divisions (A)(2) and (3) of that 24946
section, if the scholarship students were not included in the 24947
district's formula ADM. 24948

This comparison shall display both the aggregate difference between the amounts described in divisions (D)(1) and (2) of this section, and the quotient of that aggregate difference divided by the number of eligible students for whom deductions are made under division (C) of this section.

Sec. 3310.09. (A) The maximum amount awarded to an eligible student in fiscal year 2007 under the educational choice scholarship pilot program shall be as follows:

(1) For grades kindergarten through eight, four thousand two hundred fifty dollars;

(2) For grades nine through twelve, five thousand dollars.

(B) In fiscal year 2008 and in each fiscal year thereafter, the maximum amount awarded under the program shall be the applicable maximum amount awarded in the previous fiscal year increased by the same percentage by which the general assembly increased the formula amount, as defined in section 3317.02 of the Revised Code, from the previous fiscal year.

Sec. 3310.10. A scholarship awarded under section 3310.08 of the Revised Code may be used only to pay tuition to any chartered nonpublic school.

Sec. 3310.13. (A) No chartered nonpublic school shall charge any student whose family income is at or below two hundred per cent of the federal poverty guidelines, as defined in section 5101.46 of the Revised Code, a tuition fee that is greater than the total amount paid for that student under section 3310.08 of the Revised Code.

(B) A chartered nonpublic school may charge any other student who is paid a scholarship under that section the difference

between the amount of the scholarship and the regular tuition 24978
charge of the school. Each chartered nonpublic school shall permit 24979
such an eligible student's family, at the family's option, to 24980
provide volunteer services in lieu of cash payment to pay all or 24981
part of the amount of the school's tuition not covered by the 24982
scholarship paid under section 3310.08 of the Revised Code. 24983

Sec. 3310.14. Notwithstanding division (K) of section 24984
3301.0711 of the Revised Code, each chartered nonpublic school 24985
that enrolls students awarded scholarships under sections 3310.01 24986
to 3310.17 of the Revised Code annually shall administer the tests 24987
prescribed by section 3301.0710 or 3301.0712 of the Revised Code 24988
to each scholarship student in accordance with section 3301.0711 24989
of the Revised Code. Each chartered nonpublic school shall report 24990
to the department of education the results of each test 24991
administered to each scholarship student under this section. 24992

Nothing in this section requires a chartered nonpublic school 24993
to administer any achievement test, except for an Ohio graduation 24994
test prescribed by division (B) of section 3301.0710 of the 24995
Revised Code, as required by section 3313.612 of the Revised Code, 24996
to any student enrolled in the school who is not a scholarship 24997
student. 24998

Sec. 3310.16. (A) The state board of education shall adopt 24999
rules in accordance with Chapter 119. of the Revised Code 25000
prescribing procedures for the administration of the educational 25001
choice scholarship pilot program. 25002

(B) The state board and the department of education shall not 25003
require chartered nonpublic schools to comply with any education 25004
laws or rules or other requirements that are not specified in 25005
sections 3310.01 to 3310.17 of the Revised Code and that otherwise 25006
would not apply to a chartered nonpublic school. 25007

Sec. 3310.17. The general assembly shall prescribe the number 25008
of students that may be selected each fiscal year for scholarships 25009
under the educational choice scholarship pilot program. 25010

Sec. 3311.11. If the state board of education adopts a 25011
resolution under this chapter proposing the creation of a new city 25012
or local school district that was not in operation during the 25013
2004-2005 school year, the district shall not be created unless 25014
both houses of the general assembly approve the creation of the 25015
district through passage of a concurrent resolution. 25016

Sec. 3311.19. (A) The management and control of a joint 25017
vocational school district shall be vested in the joint vocational 25018
school district board of education. Where a joint vocational 25019
school district is composed only of two or more local school 25020
districts located in one county, or when all the participating 25021
districts are in one county and the boards of such participating 25022
districts so choose, the educational service center governing 25023
board of the county in which the joint vocational school district 25024
is located shall serve as the joint vocational school district 25025
board of education. Where a joint vocational school district is 25026
composed of local school districts of more than one county, or of 25027
any combination of city, local, or exempted village school 25028
districts or educational service centers, unless administration by 25029
the educational service center governing board has been chosen by 25030
all the participating districts in one county pursuant to this 25031
section, the board of education of the joint vocational school 25032
district shall be composed of one or more persons who are members 25033
of the boards of education from each of the city or exempted 25034
village school districts or members of the educational service 25035
centers' governing boards affected to be appointed by the boards 25036
of education or governing boards of such school districts and 25037

educational service centers. In such joint vocational school 25038
districts the number and terms of members of the joint vocational 25039
school district board of education and the allocation of a given 25040
number of members to each of the city and exempted village 25041
districts and educational service centers shall be determined in 25042
the plan for such district, provided that each such joint 25043
vocational school district board of education shall be composed of 25044
an odd number of members. 25045

(B) Notwithstanding division (A) of this section, a governing 25046
board of an educational service center that has members of its 25047
governing board serving on a joint vocational school district 25048
board of education may make a request to the joint vocational 25049
district board that the joint vocational school district plan be 25050
revised to provide for one or more members of boards of education 25051
of local school districts that are within the territory of the 25052
educational service district and within the joint vocational 25053
school district to serve in the place of or in addition to its 25054
educational service center governing board members. If agreement 25055
is obtained among a majority of the boards of education and 25056
governing boards that have a member serving on the joint 25057
vocational school district board of education and among a majority 25058
of the local school district boards of education included in the 25059
district and located within the territory of the educational 25060
service center whose board requests the substitution or addition, 25061
the state board of education may revise the joint vocational 25062
school district plan to conform with such agreement. 25063

(C) If the board of education of any school district or 25064
educational service center governing board included within a joint 25065
vocational district that has had its board or governing board 25066
membership revised under division (B) of this section requests the 25067
joint vocational school district board to submit to the state 25068
board of education a revised plan under which one or more joint 25069

vocational board members chosen in accordance with a plan revised 25070
under such division would again be chosen in the manner prescribed 25071
by division (A) of this section, the joint vocational board shall 25072
submit the revised plan to the state board of education, provided 25073
the plan is agreed to by a majority of the boards of education 25074
represented on the joint vocational board, a majority of the local 25075
school district boards included within the joint vocational 25076
district, and each educational service center governing board 25077
affected by such plan. The state board of education may revise the 25078
joint vocational school district plan to conform with the revised 25079
plan. 25080

(D) The vocational schools in such joint vocational school 25081
district shall be available to all youth of school age within the 25082
joint vocational school district subject to the rules adopted by 25083
the joint vocational school district board of education in regard 25084
to the standards requisite to admission. A joint vocational school 25085
district board of education shall have the same powers, duties, 25086
and authority for the management and operation of such joint 25087
vocational school district as is granted by law, except by this 25088
chapter and Chapters 124., 3317., 3323., and 3331. of the Revised 25089
Code, to a board of education of a city school district, and shall 25090
be subject to all the provisions of law that apply to a city 25091
school district, except such provisions in this chapter and 25092
Chapters 124., 3317., 3323., and 3331. of the Revised Code. 25093

(E) Where a governing board of an educational service center 25094
has been designated to serve as the joint vocational school 25095
district board of education, the educational service center 25096
superintendent shall be the executive officer for the joint 25097
vocational school district, and the governing board may provide 25098
for additional compensation to be paid to the educational service 25099
center superintendent by the joint vocational school district, but 25100
the educational service center superintendent shall have no 25101

continuing tenure other than that of educational service center 25102
superintendent. The superintendent of schools of a joint 25103
vocational school district shall exercise the duties and authority 25104
vested by law in a superintendent of schools pertaining to the 25105
operation of a school district and the employment and supervision 25106
of its personnel. The joint vocational school district board of 25107
education shall appoint a treasurer of the joint vocational school 25108
district who shall be the fiscal officer for such district and who 25109
shall have all the powers, duties, and authority vested by law in 25110
a treasurer of a board of education. Where a governing board of an 25111
educational service center has been designated to serve as the 25112
joint vocational school district board of education, such board 25113
may appoint the educational service center superintendent as the 25114
treasurer of the joint vocational school district. 25115

(F) Each member of a joint vocational school district board 25116
of education may be paid such compensation as the board provides 25117
by resolution, but it shall not exceed one hundred twenty-five 25118
dollars per member for each meeting attended plus mileage, at the 25119
rate per mile provided by resolution of the board, to and from 25120
meetings of the board. 25121

The board may provide by resolution for the deduction of 25122
amounts payable for benefits under ~~division (D) of section~~ 25123
3313.202 of the Revised Code. ~~No member of a board of a joint~~ 25124
~~vocational school district who is purchasing any category of~~ 25125

~~village school board or educational service center governing~~ 25127
~~board, shall purchase the same category of benefits as a member of~~ 25128
~~the joint vocational school board.~~ 25129

Each member of a joint vocational school district board may 25130
be paid such compensation as the board provides by resolution for 25131
attendance at an approved training program, provided that such 25132
compensation shall not exceed sixty dollars per day for attendance 25133

at a training program three hours or fewer in length and one 25134
hundred twenty-five dollars a day for attendance at a training 25135
program longer than three hours in length. However, no board 25136
member shall be compensated for the same training program under 25137
this section and section 3313.12 of the Revised Code. 25138

Sec. 3313.12. Each member of the educational service center 25139
governing board may be paid such compensation as the governing 25140
board provides by resolution, provided that any such compensation 25141
shall not exceed one hundred twenty-five dollars a day plus 25142
mileage both ways, at the rate per mile provided by resolution of 25143
the governing board, for attendance at any meeting of the board. 25144
Such compensation and the expenses of the educational service 25145
center superintendent, itemized and verified, shall be paid from 25146
the educational service center governing board fund upon vouchers 25147
signed by the president of the governing board. 25148

The board of education of any city, local, or exempted 25149
village school district may provide by resolution for compensation 25150
of its members, provided that such compensation shall not exceed 25151
one hundred twenty-five dollars per member for meetings attended. 25152

payable for benefits under ~~division (D)~~ of section 3313.202 of the 25154

governing board may be paid such compensation as the respective 25157
board provides by resolution for attendance at an approved 25158
training program, provided that such compensation shall not exceed 25159

for such a program. 25313~~

~~(2) The board may provide ancillary services for the program 25314

the information contained therein, together with any other 25378
relevant information, indicates that the district may be 25379
financially unable to operate its instructional program on all 25380
days set forth in its adopted school calendars and pay all 25381
obligated expenses during the current fiscal year. If a board of 25382
education has not adopted a school calendar for the school year 25383
beginning on the first day of July of the current fiscal year at 25384
the time an examination is required under this division, the 25385
superintendent shall examine the ~~spending plan and appropriations~~ 25386
~~measure~~ five-year projection and determine whether the district 25387
may be financially unable to pay all obligated expenses and 25388
operate its instructional program for the number of days on which 25389
instruction was held in the preceding fiscal year. 25390

(B) If the superintendent of public instruction determines 25391
pursuant to division (A) of this section that a school district 25392
may be financially unable to operate its instructional program on 25393
all days required by such division and pay all obligated expenses 25394
during the current fiscal year, the superintendent shall provide 25395
written notification of such determination to the president of the 25396
district's board of education and the auditor of state. 25397

(C) This section does not apply to a school district declared 25398
to be under a fiscal emergency pursuant to division (B) of section 25399
3316.03 of the Revised Code. 25400

Sec. 3313.6410. This section applies to any school that is 25401
operated by a school district and in which the enrolled students 25402
work primarily on assignments in nonclassroom-based learning 25403
opportunities provided via an internet- or other computer-based 25404
instructional method. 25405

(A) Any school to which this section applies shall withdraw 25406
from the school any student who, for two consecutive school years, 25407
has failed to participate in the spring administration of any test 25408

prescribed under section 3301.0710 or 3301.0712 of the Revised 25409
Code for the student's grade level and was not excused from the 25410
test pursuant to division (C)(1) or (3) of section 3301.0711 of 25411
the Revised Code. The school shall report any such student's data 25412
verification code, as assigned pursuant to section 3301.0714 of 25413
the Revised Code, to the department of education to be added to 25414
the list maintained by the department under section 3314.26 of the 25415
Revised Code. 25416

(B) No school to which this section applies shall receive any 25417
state funds under Chapter 3317. of the Revised Code for any 25418
enrolled student whose data verification code appears on the list 25419

Code. Notwithstanding any provision of the Revised Code to the 25421

school district that operates the school in an amount equal to the 25423
state funds the district otherwise would receive for that student, 25424
as determined by the department. A school to which this section 25425
applies may withdraw any student for whom the parent does not pay 25426
tuition as required by this division. 25427

Sec. 3313.975. As used in this section and in sections 25428
3313.975 to 3313.979 of the Revised Code, "the pilot project 25429
school district" or "the district" means any school district 25430
included in the pilot project scholarship program pursuant to this 25431
section. 25432

(A) The superintendent of public instruction shall establish 25433
a pilot project scholarship program and shall include in such 25434
program any school districts that are or have ever been under 25435
federal court order requiring supervision and operational 25436
management of the district by the state superintendent. The 25437
program shall provide for a number of students residing in any 25438
such district to receive scholarships to attend alternative 25439

schools, and for an equal number of students to receive tutorial 25440
assistance grants while attending public school in any such 25441
district. 25442

(B) The state superintendent shall establish an application 25443
process and deadline for accepting applications from students 25444
residing in the district to participate in the scholarship 25445
program. In the initial year of the program students may only use 25446
a scholarship to attend school in grades kindergarten through 25447
third. 25448

The state superintendent shall award as many scholarships and 25449
tutorial assistance grants as can be funded given the amount 25450
appropriated for the program. In no case, however, shall more than 25451
fifty per cent of all scholarships awarded be used by students who 25452
were enrolled in a nonpublic school during the school year of 25453
application for a scholarship. 25454

(C)(1) The pilot project program shall continue in effect 25455
each year that the general assembly has appropriated sufficient 25456
money to fund scholarships and tutorial assistance grants. In each 25457
year the program continues, no new students may receive 25458
scholarships unless they are enrolled in ~~grade~~ grades 25459
kindergarten, ~~one, two, or three~~ to eight. However, any student 25460
who has received a scholarship the preceding year may continue to 25461
receive one until the student has completed grade ~~eight~~ ten. 25462
Beginning in the ~~2003-2004~~ 2005-2006 academic year, a student who 25463
previously has received a scholarship may receive a scholarship in 25464
grade ~~nine~~ eleven. Beginning in the ~~2004-2005~~ 2006-2007 academic 25465
year, a student who previously has received a scholarship may 25466
receive a scholarship in grade ~~ten~~ twelve. 25467

(2) If the general assembly discontinues the scholarship 25468
program, all students who are attending an alternative school 25469
under the pilot project shall be entitled to continued admittance 25470
to that specific school through all grades ~~up to the tenth grade~~ 25471

that are provided in such school, under the same conditions as 25472
when they were participating in the pilot project. The state 25473
superintendent shall continue to make scholarship payments in 25474
accordance with division (A) or (B) of section 3313.979 of the 25475
Revised Code for students who remain enrolled in an alternative 25476
school under this provision in any year that funds have been 25477
appropriated for this purpose. 25478

If funds are not appropriated, the tuition charged to the 25479
parents of a student who remains enrolled in an alternative school 25480
under this provision shall not be increased beyond the amount 25481
equal to the amount of the scholarship plus any additional amount 25482
charged that student's parent in the most recent year of 25483
attendance as a participant in the pilot project, except that 25484
tuition for all the students enrolled in such school may be 25485
increased by the same percentage. 25486

(D) Notwithstanding sections 124.39, 3307.54, and 3319.17 of 25487
the Revised Code, if the pilot project school district experiences 25488
a decrease in enrollment due to participation in a state-sponsored 25489
scholarship program pursuant to sections 3313.974 to 3313.979 of 25490
the Revised Code, the district board of education may enter into 25491
an agreement with any teacher it employs to provide to that 25492
teacher severance pay or early retirement incentives, or both, if 25493
the teacher agrees to terminate the employment contract with the 25494
district board, provided any collective bargaining agreement in 25495
force pursuant to Chapter 4117. of the Revised Code does not 25496
prohibit such an agreement for termination of a teacher's 25497
employment contract. 25498

Sec. 3313.976. (A) No private school may receive scholarship 25499
payments from parents pursuant to section 3313.979 of the Revised 25500

students pursuant to section 3313.977 of the Revised Code; 25511

(3) The school meets all state minimum standards for 25512
chartered nonpublic schools in effect on July 1, 1992, except that 25513

(4) The school does not discriminate on the basis of race, 25517
religion, or ethnic background; 25518

(5) The school enrolls a minimum of ten students per class or 25519
a sum of at least twenty-five students in all the classes offered; 25520

(7) The school does not provide false or misleading 25524
information about the school to parents, students, or the general 25525
public; 25526

(8) For students in grades kindergarten through eight, the 25527
school agrees not to charge any tuition to low-income families 25528

scholarship program, pursuant to division (A) of section 3313.978 25530

at the discretion of the parent, to be satisfied by the low-income 25535
family's provision of in-kind contributions or services. 25536

(9) For students in grades kindergarten through eight, the 25537
school agrees not to charge any tuition to low-income families 25538
receiving a seventy-five per cent scholarship amount through the 25539
scholarship program, pursuant to division (A) of section 3313.978 25540
of the Revised Code, in excess of the difference between the 25541
actual tuition charge of the school and seventy-five per cent of 25542
the scholarship amount established pursuant to division (C)(1) of 25543
section 3313.978 of the Revised Code, excluding any increase 25544
described in division (C)(2) of that section. The school shall 25545
permit such tuition, at the discretion of the parent, to be 25546
satisfied by the low-income family's provision of in-kind 25547
contributions or services. 25548

(10) The school agrees not to charge any tuition to families 25549
of students in grades nine ~~and ten~~ through twelve receiving a 25550
scholarship in excess of the actual tuition charge of the school 25551
less seventy-five or ninety per cent of the scholarship amount 25552
established pursuant to division (C)(1) of section 3313.978 of the 25553
Revised Code, as applicable, excluding any increase described in 25554
division (C)(2) of that section. 25555

(B) The state superintendent shall revoke the registration of 25556
any school if, after a hearing, the superintendent determines that 25557
the school is in violation of any of the provisions of division 25558
(A) of this section. 25559

(C) Any public school located in a school district adjacent 25560

sponsorship under this division as necessary to accommodate the 26160

the school equivalent to the greater of the following: 27415

occurred; 27418

(2) The difference between the amount the department 27419
determines the school was required to have spent for pupil 27420
instruction and the amount the department determines the school 27421
actually spent for pupil instruction. 27422

The department's methods of collecting the fine may include 27423
withholding state payments under this chapter in the current or 27424
subsequent fiscal year. 27425

The department may cancel a fine it has imposed under this 27426
section if the school submits a plan for coming into compliance 27427
with the requirements of this section that the department 27428
approves, and the school demonstrates to the department's 27429
satisfaction that it is implementing the plan. 27430

(D) The superintendent of public instruction shall adopt 27431
rules in accordance with Chapter 119. of the Revised Code 27432
specifying expenditures that qualify as expenditures for pupil 27433
instruction for purposes of this section. 27434

Sec. 3314.12. On or before the first day of November each 27435
year, the sponsor of each community school established under this 27436
chapter shall submit to the department of education, in accordance 27437
with guidelines adopted by the department for purposes of this 27438
section, a report that describes the special education and related 27439
services provided by that school to enrolled students during the 27440

3317.02 of the Revised Code. 27447

(B) The Except as provided in division (C) of this section, 27448
the department of education annually shall pay each community 27449
school established under this chapter one-half of the formula 27450

(1) The student is entitled to attend school under section 27452
3313.64 or 3313.65 of the Revised Code in a school district that 27453

of this section is entitled to attend school in a district that 27461
receives any payment for all-day kindergarten under division (D) 27462
of section 3317.029 of the Revised Code, the department shall 27463
deduct the payment to the community school under this section from 27464
the amount paid that school district under that division. If that 27465
school district does not receive payment for all-day kindergarten 27466
under that division because it does not provide all-day 27467
kindergarten, the department shall pay the community school from 27468
state funds appropriated generally for ~~disadvantaged pupil impact~~ 27469
~~aid~~ poverty-based assistance to school districts. 27470

~~(D)~~(E) The department shall adjust the amounts deducted from 27471
school districts and paid to community schools under this section 27472
to reflect any enrollments of students in all-day kindergarten in 27473
community schools for less than the equivalent of a full school 27474
year. 27475

supplying a computer to the child. The prohibition contained in 27522
the preceding sentence is intended to clarify the meaning of this 27523
division as it existed prior to the effective date of this 27524
amendment and is not intended to change that meaning in any way. 27525

(2) Notwithstanding division (A)(1) of this section, if more 27526
than one child living in a single ~~household~~ residence is enrolled 27527
in an internet- or computer-based community school, at the option 27528

school as described in division (A) of this section, the 27568
department of education shall not make any payments under section 27569

or computer-based community school and receives any instructional 27572
services from the internet- or computer-based community school at 27573
the nonpublic school. 27574

Sec. 3314.25. Each internet- or computer-based community 27575
school shall provide its students a location within a fifty-mile 27576
radius of the student's residence at which to complete the 27577

which section 3313.6410 of the Revised Code applies. 27593

(B) No internet- or computer-based community school shall 27594
receive any state funds under this chapter for any enrolled 27595
student whose data verification code appears on the list 27596
maintained by the department under division (A) of this section. 27597

Notwithstanding any provision of the Revised Code to the contrary, the parent of any such student shall pay tuition to the internet- or computer-based community school in an amount equal to the state funds the school otherwise would receive for that student, as determined by the department. An internet- or computer-based community school may withdraw any student for whom the parent does not pay tuition as required by this division.

Sec. 3314.27. No student enrolled in an internet- or computer-based community school may participate in more than ten hours of learning opportunities in any period of twenty-four consecutive hours. Any time such a student participates in learning opportunities beyond the limit prescribed in this section shall not count toward the annual minimum number of hours required to be provided to that student as prescribed in division (A)(11)(a) of section 3314.03 of the Revised Code. If any internet- or computer-based community school requires its students to participate in learning opportunities on the basis of days rather than hours, one day shall consist of a minimum of five hours of such participation.

Sec. 3314.28. (A) Each internet- or computer-based community school established under this chapter shall submit to the school's sponsor a plan for providing special education and related services to disabled students enrolled in the school in accordance with division (A)(1) or (2) of this section.

(1) If the school was established prior to the effective date of this section, the plan shall be submitted to the sponsor on or before September 1, 2005, and on or before the first day of September in each year thereafter that the school is in operation.

(2) If the school is established after the effective date of this section, the plan shall be submitted to the sponsor prior to

the school's receipt of its first payment under this chapter and 27628
on or before the first day of September in each year thereafter 27629
that the school is in operation. 27630

(B) Within thirty days after receiving the plan prescribed in 27631
division (A) of this section, the sponsor of each internet- or 27632
computer-based community school shall certify all of the following 27633
to the department of education: 27634

(1) A statement of whether the plan received is satisfactory 27635
to the sponsor; 27636

(2) If the plan received is not satisfactory to the sponsor, 27637
the sponsor's assurance that it will promptly assist the school in 27638
developing a plan that is satisfactory to the sponsor; 27639

(3) The sponsor's assurance that it will monitor the 27640
implementation of the plan; 27641

(4) The sponsor's assurance that it will take any necessary 27642
corrective action to ensure that the school's plan is properly and 27643
fully implemented. 27644

(C) The department shall develop guidelines for the content 27645
and format of the plan required under this section. 27646

Sec. 3314.35. (A) This section applies to any community 27647
school established under this chapter that meets one or more of 27648
the following criteria: 27649

Revised Code or the number of students enrolled in each grade 27657

prescribed is too small to yield statistically reliable data about 27659
student performance, as determined by the department of education. 27660

(B) Beginning in the 2006-2007 school year, each community 27661
school to which this section applies shall administer a reading 27662
and mathematics assessment approved by the department in the fall 27663
and spring of the school year to each student who is enrolled in 27664
any of grades one through twelve to measure the academic progress 27665
made by students during the school year. For each grade level, the 27666
community school shall administer the same assessment in the 27667
spring that the school administers in the fall. 27668

(C) Each community school that administers the assessments 27669
required by division (B) of this section shall be responsible for 27670
all costs associated with the administration and scoring of the 27671

mathematics assessments in accordance with this section. 27683

Sec. 3314.36. (A) Not later than July 1, 2006, the state 27684
board of education shall adopt rules establishing reasonable 27685
standards for expected gains in student achievement between the 27686
fall and spring administrations of the reading and mathematics 27687

assessments administered under section 3314.35 of the Revised Code 27688
and for expected gains in the graduation rate. 27689

(B) Any community school that is declared to be under an 27690
academic watch or in a state of academic emergency pursuant to 27691
section 3302.03 of the Revised Code after July 1, 2006, or to 27692
which division (A)(3) of section 3314.35 of the Revised Code 27693
applies shall be subject to division (C) of this section beginning 27694
the next school year if either of the following apply to the 27695
school: 27696

(1) The percentage of the school's total student population 27697
showing the expected gains in student achievement established 27698
under division (A) of this section on the reading or mathematics 27699
assessments administered most recently under section 3314.35 of 27700
the Revised Code is less than fifty-five per cent. 27701

(2) The school offers a high school diploma but is not 27702
showing the expected gains in the graduation rate established 27703
under division (A) of this section. 27704

A community school that has been in operation for one school 27705
year shall not be subject to division (C) of this section. 27706

(C)(1) In the first school year that a community school is 27707
subject to division (C) of this section, if the school is an 27708
internet- or computer-based community school, the school shall not 27709
enroll any students in excess of the number of students the school 27710
enrolled at the conclusion of the preceding school year. 27711

(2) In the second consecutive school year that a community 27712
school is subject to division (C) of this section, if the school 27713
is an internet- or computer-based community school, the school 27714
shall do both of the following: 27715

(a) Continue to comply with division (C)(1) of this section; 27716

(b) Withdraw from the school at the conclusion of the school 27717

year any student for whom any of the following conditions apply, 27718
unless the student's parent agrees to pay tuition to the school in 27719
an amount equal to the state funds the school otherwise would 27720
receive for that student as determined by the department of 27721
education: 27722

(i) For two consecutive school years, the student has taken 27723
the reading and mathematics assessments administered under section 27724
3314.35 of the Revised Code but has failed to show the expected 27725
gains in student achievement established under division (A) of 27726
this section for both reading and mathematics. 27727

(ii) For two consecutive school years, the student has not 27728
taken one or more of the reading and mathematics assessments 27729
described in division (C)(2)(b)(i) of this section. 27730

(iii) For one of two consecutive school years, the student 27731
took the reading and mathematics assessments described in division 27732
(C)(2)(b)(i) of this section but failed to show the expected gains 27733
in student achievement also described in that division for both 27734
reading and mathematics, and, for the other school year, the 27735
student did not take one or more of those assessments. 27736

After the conclusion of the school year, the school shall not 27737
receive state funds for any student who is required to be 27738
withdrawn or for whom tuition is owed under division (C)(2)(b) of 27739
this section. 27740

(3) In the third consecutive school year that any community 27741
school is subject to division (C) of this section, the following 27742
shall apply: 27743

(a) If the school is an internet- or computer-based community 27744
school, the school shall continue to comply with division 27745
(C)(1)(a) of this section. 27746

(b) The school shall be permanently closed at the conclusion 27747
of the school year. 27748

(D) The sponsor of any community school that is declared to be in need of continuous improvement, effective, or excellent pursuant to section 3302.03 of the Revised Code and offers one or more grade levels for which an achievement test is prescribed under section 3301.0710 of the Revised Code may elect to evaluate the performance of the school in accordance with division (B) of this section, provided the school administers reading and mathematics assessments under section 3314.35 of the Revised Code. If the sponsor so elects, the evaluation method shall be used for a minimum of three school years and shall be specified in the contract required by section 3314.03 of the Revised Code. Nothing in this division requires the sponsor of a community school that elects to evaluate the school in accordance with division (B) of this section to take any action specified in division (C) of this section, unless the contract requires such action.

(E) In calculating the gains in student achievement demonstrated by a community school for the purposes of division (B) of this section, the department shall include the scores of all students who participated in the fall and spring administrations of the assessments administered under section 3314.35 of the Revised Code. If the school's participation rate for any grade level is less than ninety per cent, the department shall calculate the gains in academic achievement demonstrated by the students in that grade level as if the participation rate was ninety per cent by assuming a score of zero for each student that it is necessary to add to the participation rate to make that rate equal ninety per cent.

Sec. 3315.17. (A) The board of education of each city, exempted village, local, and joint vocational school district shall establish a textbook and instructional materials fund. Each board annually shall deposit into that fund an amount derived from revenues received by the district for operating expenses that is

equal to three per cent of the formula amount for the preceding 27781
fiscal year, as defined in section 3317.02 of the Revised Code, or 27782
another percentage if established by the auditor of state under 27783
division (C) of this section, multiplied by the district's student 27784
population for the preceding fiscal year. Money in the fund shall 27785
be used solely for textbooks, instructional software, and 27786
instructional materials, supplies, and equipment. Any money in the 27787
fund that is not used in any fiscal year shall carry forward to 27788
the next fiscal year. 27789

(B)(1) Notwithstanding division (A) of this section, if in a 27790
fiscal year a district board deposits in the textbook and 27791
instructional materials fund an amount of money greater than the 27792
amount required to be deposited by this section or the rules 27793
adopted under division (C) of this section, the board may deduct 27794
the excess amount of money from the amount of money required to be 27795
deposited in succeeding fiscal years. 27796

(2) Notwithstanding division (A) of this section, in any year 27797
a district is in fiscal emergency status as declared pursuant to 27798
section 3316.03 of the Revised Code, the district may deposit an 27799
amount less than required by division (A) of this section, or make 27800
no deposit, into the district textbook and instructional materials 27801
fund for that year. 27802

(3) Notwithstanding division (A) of this section, in any 27803
fiscal year that a school district is either in fiscal watch 27804
status, as declared pursuant to section 3316.03 of the Revised 27805
Code, or in fiscal caution status, as declared pursuant to section 27806
3316.031 of the Revised Code, the district may apply to the 27807
superintendent of public instruction for a waiver from the 27808
requirements of division (A) of this section, under which the 27809
district may be permitted to deposit an amount less than required 27810
by that division or permitted to make no deposit into the district 27811

textbook and instructional materials fund for that year. The 27812
superintendent may grant a waiver under division (B)(3) of this 27813
section if the district demonstrates to the satisfaction of the 27814
superintendent that compliance with division (A) of this section 27815
that year will create an undue financial hardship on the district. 27816

(4) Notwithstanding division (A) of this section, not more 27817
often than one fiscal year in every three consecutive fiscal 27818
years, any school district that does not satisfy the conditions 27819
for the exemption described in division (B)(2) of this section or 27820
the conditions to apply for the waiver described in division 27821
(B)(3) of this section may apply to the superintendent of public 27822
instruction for a waiver from the requirements of division (A) of 27823
this section, under which the district may be permitted to deposit 27824
an amount less than required by that division or permitted to make 27825
no deposit into the district textbook and instructional materials 27826
fund for that year. The superintendent may grant a waiver under 27827
division (B)(4) of this section if the district demonstrates to 27828
the satisfaction of the superintendent that compliance with 27829
division (A) of this section that year will necessitate the 27830
reduction or elimination of a program currently offered by the 27831
district that is critical to the academic success of students of 27832
the district and that no reasonable alternatives exist for 27833
spending reductions in other areas of operation within the 27834
district that negate the necessity of the reduction or elimination 27835
of that program. 27836

(C) The state superintendent of public instruction and the 27837
auditor of state jointly shall adopt rules in accordance with 27838
Chapter 119. of the Revised Code defining what constitutes 27839
textbooks, instructional software, and instructional materials, 27840
supplies, and equipment for which money in a school district's 27841
textbook and instructional materials fund may be used. The auditor 27842
of state also may designate a percentage, other than three per 27843

cent, of the formula amount multiplied by the district's student population that must be deposited into the fund. 27844
27845

(D) Notwithstanding division (A) of this section, a district board of education in any fiscal year may appropriate money in the district textbook and instructional materials fund for purposes other than those permitted by that division if both of the following occur during that fiscal year: 27846
27847
27848
27849
27850

(1) All of the following certify to the district board in writing that the district has sufficient textbooks, instructional software, and instructional materials, supplies, and equipment to ensure a thorough and efficient education within the district: 27851
27852
27853
27854

(a) The district superintendent; 27855

(b) In districts required to have a business advisory council, a person designated by vote of the business advisory council; 27856
27857
27858

(c) If the district teachers are represented by an exclusive bargaining representative for purposes of Chapter 4117. of the Revised Code, the president of that organization or the president's designee. 27859
27860
27861
27862

(2) The district board adopts, by unanimous vote of all members of the board, a resolution stating that the district has sufficient textbooks, instructional software, and instructional materials, supplies, and equipment to ensure a thorough and efficient education within the district. 27863
27864
27865
27866
27867

(E) Notwithstanding any provision to the contrary in Chapter 4117. of the Revised Code, the requirements of this section prevail over any conflicting provisions of agreements between employee organizations and public employers entered into on or after November 21, 1997. 27868
27869
27870
27871
27872

(F) As used in this section and in section 3315.18 of the 27873

Revised Code, "student population" means the average, daily, 27874
full-time-equivalent number of students in kindergarten through 27875
twelfth grade receiving any educational services from the school 27876
district during the first full school week in October, excluding 27877
students enrolled in adult education classes, but including all of 27878
the following: 27879

(1) Adjacent or other district students enrolled in the 27880
district under an open enrollment policy pursuant to section 27881
3313.98 of the Revised Code; 27882

(2) Students receiving services in the district pursuant to a 27883
compact, cooperative education agreement, or a contract, but who 27884
are entitled to attend school in another district pursuant to 27885
section 3313.64 or 3313.65 of the Revised Code; 27886

(3) Students for whom tuition is payable pursuant to sections 27887
3317.081 and 3323.141 of the Revised Code. 27888

The department of education shall determine a district's 27889
student population using data reported to it under section 3317.03 27890
of the Revised Code for the applicable fiscal year. 27891

Sec. 3315.18. (A) The board of education of each city, 27892
exempted village, local, and joint vocational school district 27893
shall establish a capital and maintenance fund. Each board 27894
annually shall deposit into that fund an amount derived from 27895
revenues received by the district that would otherwise have been 27896
deposited in the general fund that is equal to three per cent of 27897
the formula amount for the preceding fiscal year, as defined in 27898
section 3317.02 of the Revised Code, or another percentage if 27899
established by the auditor of state under division (B) of this 27900
section, multiplied by the district's student population for the 27901
preceding fiscal year, except that money received from a permanent 27902
improvement levy authorized by section 5705.21 of the Revised Code 27903
may replace general revenue moneys in meeting the requirements of 27904

this section. Money in the fund shall be used solely for 27905
acquisition, replacement, enhancement, maintenance, or repair of 27906
permanent improvements, as that term is defined in section 5705.01 27907
of the Revised Code. Any money in the fund that is not used in any 27908
fiscal year shall carry forward to the next fiscal year. 27909

(B) The state superintendent of public instruction and the 27910
auditor of state jointly shall adopt rules in accordance with 27911
Chapter 119. of the Revised Code defining what constitutes 27912
expenditures permitted by division (A) of this section. The 27913
auditor of state may designate a percentage, other than three per 27914
cent, of the formula amount multiplied by the district's student 27915
population that must be deposited into the fund. 27916

(C) Within its capital and maintenance fund, a school 27917
district board of education may establish a separate account 27918
solely for the purpose of depositing funds transferred from the 27919
district's reserve balance account established under former 27920
division (H) of section 5705.29 of the Revised Code. After ~~the~~ 27921
~~effective date of this amendment~~ April 10, 2001, a board may 27922
deposit all or part of the funds formerly included in such reserve 27923
balance account in the separate account established under this 27924
section. Funds deposited in this separate account and interest on 27925
such funds shall be utilized solely for the purpose of providing 27926
the district's portion of the basic project costs of any project 27927
undertaken in accordance with Chapter 3318. of the Revised Code. 27928

(D) (1) Notwithstanding division (A) of this section, in any 27929
year a district is in fiscal emergency status as declared pursuant 27930
to section 3316.03 of the Revised Code, the district may deposit 27931
an amount less than required by division (A) of this section, or 27932
make no deposit, into the district capital and maintenance fund 27933
for that year. 27934

(2) Notwithstanding division (A) of this section, in any 27935
fiscal year that a school district is either in fiscal watch 27936

status, as declared pursuant to section 3316.03 of the Revised Code, or in fiscal caution status, as declared pursuant to section 3316.031 of the Revised Code, the district may apply to the superintendent of public instruction for a waiver from the requirements of division (A) of this section, under which the district may be permitted to deposit an amount less than required by that division or permitted to make no deposit into the district capital and maintenance fund for that year. The superintendent may grant a waiver under division (D)(2) of this section if the district demonstrates to the satisfaction of the superintendent that compliance with division (A) of this section that year will create an undue financial hardship on the district.

(3) Notwithstanding division (A) of this section, not more often than one fiscal year in every three consecutive fiscal years, any school district that does not satisfy the conditions for the exemption described in division (D)(1) of this section or the conditions to apply for the waiver described in division (D)(2) of this section may apply to the superintendent of public instruction for a waiver from the requirements of division (A) of this section, under which the district may be permitted to deposit an amount less than required by that division or permitted to make no deposit into the district capital and maintenance fund for that year. The superintendent may grant a waiver under division (D)(3) of this section if the district demonstrates to the satisfaction of the superintendent that compliance with division (A) of this section that year will necessitate the reduction or elimination of a program currently offered by the district that is critical to the academic success of students of the district and that no reasonable alternatives exist for spending reductions in other areas of operation within the district that negate the necessity of the reduction or elimination of that program.

(E) Notwithstanding any provision to the contrary in Chapter

4117. of the Revised Code, the requirements of this section 27969
prevail over any conflicting provisions of agreements between 27970
employee organizations and public employers entered into after 27971
November 21, 1997. 27972

Sec. 3315.37. The board of education of a school district may 27973
establish a teacher education loan program and may expend school 27974
funds for the program. The program shall be for the purpose of 27975
making loans to students who are residents of the school district 27976
or graduates of schools in the school district, who are enrolled 27977
in teacher preparation programs at institutions approved by the 27978
state board pursuant to section 3319.23 of the Revised Code, and 27979
who indicate an intent to teach in the school district providing 27980
the loan. The district board may forgive the obligation to repay 27981
any or all of the principal and interest on the loan if the 27982
borrower teaches in that school district. 27983

The district board shall adopt rules establishing eligibility 27984
criteria, application procedures, procedures for review of 27985
applications, loan amounts, interest, repayment schedules, 27986
conditions under which principal and interest obligations incurred 27987
under the program will be forgiven, and any other matter 27988
incidental to the operation of the program. 27989

The board may contract with a private, nonprofit foundation, 27990
one or more institutions of higher education, or other educational 27991
agencies to administer the program. 27992

The receipt of a loan under this section does not affect a 27993
student's eligibility for assistance, or the amount of such 27994
assistance, granted under section 3315.33, 3333.12, 3333.122, 27995
3333.22, 3333.26, 3333.27, 5910.04, or 5919.34 of the Revised 27996
Code, but the board's rules may provide for taking such assistance 27997
into consideration when determining a student's eligibility for a 27998
loan under this section. 27999

Sec. 3316.043. Upon the approval by the superintendent of 28000
public instruction of an initial financial plan under section 28001
3316.04 of the Revised Code or a financial recovery plan under 28002
section 3316.06 of the Revised Code, the board of education of the 28003
school district for which the plan was approved shall revise the 28004
district's five-year projection of revenues and expenditures in 28005
accordance with rules adopted under section 5705.391 of the 28006
Revised Code so that the five-year projection is consistent with 28007
the financial plan or financial recovery plan. In the case of a 28008
school district declared to be in a state of fiscal emergency, the 28009
five-year projection shall be revised by the financial planning 28010
and supervision commission for that district. 28011

Sec. 3316.06. (A) Within one hundred twenty days after the 28012
first meeting of a school district financial planning and 28013
supervision commission, the commission shall adopt a financial 28014
recovery plan regarding the school district for which the 28015
commission was created. During the formulation of the plan, the 28016
commission shall seek appropriate input from the school district 28017
board and from the community. This plan shall contain the 28018
following: 28019

(1) Actions to be taken to: 28020

(a) Eliminate all fiscal emergency conditions declared to 28021
exist pursuant to division (B) of section 3316.03 of the Revised 28022
Code; 28023

(b) Satisfy any judgments, past-due accounts payable, and all 28024
past-due and payable payroll and fringe benefits; 28025

(c) Eliminate the deficits in all deficit funds, except that 28026
any prior year deficits in the textbook and instructional 28027
materials fund established pursuant to section 3315.17 of the 28028
Revised Code and the capital and maintenance fund established 28029

pursuant to section 3315.18 of the Revised Code shall be forgiven; 28030

(d) Restore to special funds any moneys from such funds that 28031
were used for purposes not within the purposes of such funds, or 28032
borrowed from such funds by the purchase of debt obligations of 28033
the school district with the moneys of such funds, or missing from 28034
the special funds and not accounted for, if any; 28035

(e) Balance the budget, avoid future deficits in any funds, 28036
and maintain on a current basis payments of payroll, fringe 28037
benefits, and all accounts; 28038

(f) Avoid any fiscal emergency condition in the future; 28039

(g) Restore the ability of the school district to market 28040
long-term general obligation bonds under provisions of law 28041
applicable to school districts generally. 28042

(2) The management structure that will enable the school 28043
district to take the actions enumerated in division (A)(1) of this 28044
section. The plan shall specify the level of fiscal and management 28045
control that the commission will exercise within the school 28046
district during the period of fiscal emergency, and shall 28047
enumerate respectively, the powers and duties of the commission 28048
and the powers and duties of the school board during that period. 28049
The commission may elect to assume any of the powers and duties of 28050
the school board it considers necessary, including all powers 28051
related to personnel, curriculum, and legal issues in order to 28052
successfully implement the actions described in division (A)(1) of 28053
this section. 28054

(3) The target dates for the commencement, progress upon, and 28055
completion of the actions enumerated in division (A)(1) of this 28056
section and a reasonable period of time expected to be required to 28057
implement the plan. The commission shall prepare a reasonable time 28058
schedule for progress toward and achievement of the requirements 28059
for the plan, and the plan shall be consistent with that time 28060

schedule. 28061

(4) The amount and purpose of any issue of debt obligations 28062
that will be issued, together with assurances that any such debt 28063
obligations that will be issued will not exceed debt limits 28064
supported by appropriate certifications by the fiscal officer of 28065
the school district and the county auditor. Debt obligations 28066
issued pursuant to section 133.301 of the Revised Code shall 28067
include assurances that such debt shall be in an amount not to 28068
exceed the amount certified under division (B) of such section. If 28069
the commission considers it necessary in order to maintain or 28070
improve educational opportunities of pupils in the school 28071
district, the plan may include a proposal to restructure or 28072
refinance outstanding debt obligations incurred by the board under 28073
section 3313.483 of the Revised Code contingent upon the approval, 28074
during the period of the fiscal emergency, by district voters of a 28075
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 28076
5748.02, or 5748.08 of the Revised Code, that is not a renewal or 28077
replacement levy and that will provide new operating revenue. 28078
Notwithstanding any provision of Chapter 133. or sections 3313.483 28079
to 3313.4811 of the Revised Code, following the required approval 28080
of the district voters and with the approval of the commission, 28081
the school district may issue securities to evidence the 28082
restructuring or refinancing. Those securities may extend the 28083
original period for repayment, not to exceed ten years, and may 28084
alter the frequency and amount of repayments, interest or other 28085
financing charges, and other terms of agreements under which the 28086
debt originally was contracted, at the discretion of the 28087
commission, provided that any loans received pursuant to section 28088
3313.483 of the Revised Code shall be paid from funds the district 28089
would otherwise receive under sections 3317.022 to 3317.025 of the 28090
Revised Code, as required under division (E)(3) of section 28091
3313.483 of the Revised Code. The securities issued for the 28092
purpose of restructuring or refinancing the debt shall be repaid 28093

in equal payments and at equal intervals over the term of the debt 28094
and are not eligible to be included in any subsequent proposal for 28095
the purpose of restructuring or refinancing debt under this 28096
section. 28097

(B) Any financial recovery plan may be amended subsequent to 28098
its adoption. Each financial recovery plan shall be updated 28099
annually. 28100

(C) Each school district financial planning and supervision 28101
commission shall submit the financial recovery plan it adopts or 28102
updates under this section to the state superintendent of public 28103
instruction for approval immediately following its adoption or 28104
updating. The state superintendent shall evaluate the plan and 28105
either approve or disapprove it within thirty calendar days from 28106
the date of its submission. If the plan is disapproved, the state 28107
superintendent shall recommend modifications that will render it 28108
acceptable. No financial planning and supervision commission shall 28109
implement a financial recovery plan that is adopted or updated on 28110
or after ~~the effective date of this amendment~~ April 10, 2001, 28111
unless the state superintendent has approved it. 28112

Sec. 3316.16. (A) A school district financial planning and 28113
supervision commission, with respect to its functions under this 28114
chapter, shall continue in existence until such time as a 28115
determination is made under division (B) of this section that all 28116
of the following have occurred: 28117

(1) An effective financial accounting and reporting system in 28118
accordance with section 3316.10 of the Revised Code is in the 28119
process of being implemented, and it is reasonably expected that 28120
this implementation will be completed within two years. 28121

(2) All of the fiscal emergency conditions determined 28122
pursuant to division (B) of section 3316.03 of the Revised Code 28123
have been corrected or eliminated, and no new fiscal emergency 28124

of the Revised Code. 28157

(E) If, at the time of termination of the commission, an 28158
effective financial accounting and reporting system has not been 28159
fully implemented, the auditor of state shall monitor the progress 28160
of implementation and shall exercise authority under this section 28161
and Chapter 117. of the Revised Code to secure full implementation 28162
at the earliest time feasible but within two years after such 28163
termination. 28164

Sec. 3317.01. As used in this section and section 3317.011 of 28165
the Revised Code, "school district," unless otherwise specified, 28166
means any city, local, exempted village, joint vocational, or 28167
cooperative education school district and any educational service 28168
center. 28169

This chapter shall be administered by the state board of 28170
education. The superintendent of public instruction shall 28171
calculate the amounts payable to each school district and shall 28172
certify the amounts payable to each eligible district to the 28173
treasurer of the district as provided by this chapter. As soon as 28174
possible after such amounts are calculated, the superintendent 28175
shall certify to the treasurer of each school district the 28176
district's adjusted charge-off amount, as defined in section 28177
5705.211 of the Revised Code, for the fiscal year for which those 28178
amounts are computed and for the fiscal year preceding that fiscal 28179
year. A separate certification of the adjusted charge-off amounts 28180
is not required if the certification of other amounts computed 28181
under this chapter indicates those adjusted charge-off amounts. No 28182
moneys shall be distributed pursuant to this chapter without the 28183
approval of the controlling board. 28184

The state board of education shall, in accordance with 28185
appropriations made by the general assembly, meet the financial 28186

obligations of this chapter. 28187

Annually, the department of education shall calculate and 28188
report to each school district the district's total state and 28189
local funds for providing an adequate basic education to the 28190
district's nonhandicapped students, utilizing the determination in 28191
section 3317.012 of the Revised Code. In addition, the department 28192
shall calculate and report separately for each school district the 28193
district's total state and local funds for providing an adequate 28194
education for its handicapped students, utilizing the 28195
determinations in both sections 3317.012 and 3317.013 of the 28196
Revised Code. 28197

Not later than the thirty-first day of August of each fiscal 28198
year, the department of education shall provide to each school 28199
district and county MR/DD board a preliminary estimate of the 28200
amount of funding that the department calculates the district will 28201
receive under each of divisions (C)(1) and (4) of section 3317.022 28202
of the Revised Code. No later than the first day of December of 28203
each fiscal year, the department shall update that preliminary 28204
estimate. 28205

Moneys distributed pursuant to this chapter shall be 28206
calculated and paid on a fiscal year basis, beginning with the 28207
first day of July and extending through the thirtieth day of June. 28208
The moneys appropriated for each fiscal year shall be distributed 28209
at least monthly to each school district unless otherwise provided 28210
for. The state board shall submit a yearly distribution plan to 28211
the controlling board at its first meeting in July. The state 28212
board shall submit any proposed midyear revision of the plan to 28213
the controlling board in January. Any year-end revision of the 28214
plan shall be submitted to the controlling board in June. If 28215
moneys appropriated for each fiscal year are distributed other 28216
than monthly, such distribution shall be on the same basis for 28217
each school district. 28218

The total amounts paid each month shall constitute, as nearly
as possible, one-twelfth of the total amount payable for the
entire year. ~~Payments~~

Until fiscal year 2006, payments made during the first six
months of the fiscal year may be based on an estimate of the
amounts payable for the entire year. Payments made in the last six
months shall be based on the final calculation of the amounts
payable to each school district for that fiscal year. Payments
made in the last six months may be adjusted, if necessary, to
correct the amounts distributed in the first six months, and to
reflect enrollment increases when such are at least three per
cent. ~~Except~~

Beginning in fiscal year 2006, payments shall be calculated
to reflect the biannual reporting of average daily membership. In
fiscal year 2006 and in each fiscal year thereafter, payments for
July through December shall be based on student counts certified
pursuant to section 3317.03 of the Revised Code for the first full
week in October, and payments for January through June shall be
based on the average of student counts certified pursuant to that
section for the first full week of the previous October and the
third full week in February.

Except as otherwise provided, payments under this chapter
shall be made only to those school districts in which:

(A) The school district, except for any educational service
center and any joint vocational or cooperative education school
district, levies for current operating expenses at least twenty
mills. Levies for joint vocational or cooperative education school
districts or county school financing districts, limited to or to
the extent apportioned to current expenses, shall be included in
this qualification requirement. School district income tax levies
under Chapter 5748. of the Revised Code, limited to or to the
extent apportioned to current operating expenses, shall be

included in this qualification requirement to the extent 28251
determined by the tax commissioner under division (D) of section 28252
3317.021 of the Revised Code. 28253

(B) The school year next preceding the fiscal year for which 28254
such payments are authorized meets the requirement of section 28255
3313.48 or 3313.481 of the Revised Code, with regard to the 28256
minimum number of days or hours school must be open for 28257
instruction with pupils in attendance, for individualized 28258
parent-teacher conference and reporting periods, and for 28259
professional meetings of teachers. This requirement shall be 28260
waived by the superintendent of public instruction if it had been 28261
necessary for a school to be closed because of disease epidemic, 28262
hazardous weather conditions, inoperability of school buses or 28263
other equipment necessary to the school's operation, damage to a 28264
school building, or other temporary circumstances due to utility 28265
failure rendering the school building unfit for school use, 28266
provided that for those school districts operating pursuant to 28267
section 3313.48 of the Revised Code the number of days the school 28268
was actually open for instruction with pupils in attendance and 28269
for individualized parent-teacher conference and reporting periods 28270
is not less than one hundred seventy-five, or for those school 28271
districts operating on a trimester plan the number of days the 28272
school was actually open for instruction with pupils in attendance 28273
not less than seventy-nine days in any trimester, for those school 28274
districts operating on a quarterly plan the number of days the 28275
school was actually open for instruction with pupils in attendance 28276
not less than fifty-nine days in any quarter, or for those school 28277
districts operating on a pentamester plan the number of days the 28278
school was actually open for instruction with pupils in attendance 28279
not less than forty-four days in any pentamester. 28280

A school district shall not be considered to have failed to 28281
comply with this division or section 3313.481 of the Revised Code 28282

because schools were open for instruction but either twelfth grade 28283
students were excused from attendance for up to three days or only 28284
a portion of the kindergarten students were in attendance for up 28285
to three days in order to allow for the gradual orientation to 28286
school of such students. 28287

The superintendent of public instruction shall waive the 28288
requirements of this section with reference to the minimum number 28289
of days or hours school must be in session with pupils in 28290
attendance for the school year succeeding the school year in which 28291
a board of education initiates a plan of operation pursuant to 28292
section 3313.481 of the Revised Code. The minimum requirements of 28293
this section shall again be applicable to such a district 28294
beginning with the school year commencing the second July 28295
succeeding the initiation of one such plan, and for each school 28296
year thereafter. 28297

A school district shall not be considered to have failed to 28298
comply with this division or section 3313.48 or 3313.481 of the 28299
Revised Code because schools were open for instruction but the 28300
length of the regularly scheduled school day, for any number of 28301
days during the school year, was reduced by not more than two 28302
hours due to hazardous weather conditions. 28303

(C) The school district has on file, and is paying in 28304
accordance with, a teachers' salary schedule which complies with 28305
section 3317.13 of the Revised Code. 28306

A board of education or governing board of an educational 28307
service center which has not conformed with other law and the 28308
rules pursuant thereto, shall not participate in the distribution 28309
of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 28310
3317.16, 3317.17, and 3317.19 of the Revised Code, except for good 28311
and sufficient reason established to the satisfaction of the state 28312
board of education and the state controlling board. 28313

All funds allocated to school districts under this chapter, 28314
except those specifically allocated for other purposes, shall be 28315
used to pay current operating expenses only. 28316

Sec. 3317.012. (A) The general assembly, having deliberated 28317
on the model with which to calculate the base cost of an adequate 28318
education per pupil, has made a policy decision to calculate that 28319
amount as consisting of the following building blocks: 28320

(1) Base classroom teachers; 28321

(2) Other personnel support, which includes additional 28322
teachers, such as music, arts, and physical education teachers 28323
funded by state, local, or federal funds or other funds that are 28324
above the base cost funding level, and other school personnel 28325
including administrators; 28326

(3) Nonpersonnel support. 28327

This model reflects policy decisions made by the general 28328
assembly concerning the cost of base classroom teachers, which 28329
decisions entail two policy variables: the number of students per 28330
base classroom teacher necessary for an adequate education and the 28331
average compensation for a base classroom teacher necessary for an 28332
adequate education. The model requires the general assembly to 28333
decide the amount of other personnel support necessary for an 28334
adequate education, and increase that amount from year to year by 28335
the same percentage as it increases the average compensation for 28336
base classroom teachers. The model finally requires the general 28337
assembly to decide the nonpersonnel costs necessary for an 28338
adequate education and to inflate the nonpersonnel costs from year 28339
to year using the projected inflationary measure for the gross 28340
domestic product deflator (all items) prepared by the bureau of 28341
labor statistics of the United States department of labor. 28342

(B)(1) For fiscal year 2006, the general assembly has 28343

resolved that a ratio of one base classroom teacher per twenty 28344
students is necessary for an adequate education. The general 28345
assembly has made a policy decision that the average compensation 28346
for base classroom teachers is \$53,680 for fiscal year 2006, which 28347
includes an amount for the value of fringe benefits. For fiscal 28348
year 2007, the general assembly has resolved that a ratio of one 28349
base classroom teacher per twenty students is necessary for an 28350
adequate education. The general assembly has made a policy 28351
decision that the average compensation for base classroom teachers 28352
is \$54,941, which includes an amount for the value of fringe 28353
benefits. Based on a ratio of twenty students per base classroom 28354
teacher, these amounts equal \$2,684 per pupil in fiscal year 2006 28355
and \$2,747 per pupil in fiscal year 2007. 28356

(2) The general assembly has made a policy decision that the 28357
per pupil cost of salary and benefits of other personnel support 28358
is \$1,807 in fiscal year 2006. Based on the percentage increase 28359
for the average compensation of base classroom teachers from 28360
fiscal year 2006 to fiscal year 2007, the per pupil cost of other 28361
personnel support is \$1,850 in fiscal year 2007. 28362

(3) The general assembly has made a policy decision that the 28363
per pupil cost of nonpersonnel support is \$792 in fiscal year 2006 28364
and \$806 in fiscal year 2007. The amount for fiscal year 2007 28365
reflects the projected inflationary measure for the gross domestic 28366
product deflator (all items) of 1.80%. 28367

(4) Based on the determinations specified in divisions (B)(1) 28368
to (3) of this section, the per-pupil base cost is \$5,283 in 28369
fiscal year 2006 and \$5,403 in fiscal year 2007. 28370

(C) In addition to the per-pupil base cost as determined 28371
under divisions (A) and (B) of this section, the general assembly 28372
determines that the following base funding supplements shall be 28373
paid to each school district: 28374

| | |
|--|-------|
| <u>(1) Base funding for large-group academic intervention for</u> | 28375 |
| <u>all students, based on 25 hours per group of students per year at</u> | 28376 |

| <u>(2) Base funding for professional development, phased in</u> | 28385 |
| <u>according to the following formula:</u> | 28386 |

| <u>Where:</u> | 28389 |

| <u>(b) "Phase-in percentage" equals 0.25 in fiscal year 2006 and</u> | 28392 |
| <u>0.75 in fiscal year 2007.</u> | 28393 |
| <u>(3) Base funding for data-based decision making, calculated</u> | 28394 |
| <u>according to the following formula:</u> | 28395 |
| <u>0.001 X formula amount X formula ADM</u> | 28396 |
| <u>(4) Base funding for professional development regarding</u> | 28397 |
| <u>data-based decision making, calculated according to the following</u> | 28398 |
| <u>formula:</u> | 28399 |
| <u>(0.20 X the district's teacher factor X 0.08 X formula amount) +</u> | 28400 |
| <u>(the district's principal factor X</u> | 28401 |
| <u>0.08 X formula amount)</u> | 28402 |
| <u>Where:</u> | 28403 |
| <u>(a) For each school district, the district's "teacher factor"</u> | 28404 |

| | |

| <u>is the district's formula ADM divided by 17;</u> | 28405 |
| <u>(b) For each school district, the district's "principal factor" is the district's formula ADM divided by 340.</u> | 28406 28407 |
| <u>(D) The general assembly intends that school districts spend the state funds calculated and paid for each component of the building blocks methodology described in divisions (B)(1) to (3) and (C)(1) to (4) of this section according to the purposes described in those divisions.</u> | 28408 28409 28410 28411 28412 |
| Sec. 3317.013. This section does not apply to handicapped preschool students. | 28413 28414 |
| Analysis of special education cost data has resulted in a finding that the average special education additional cost per pupil, including the costs of related services, can be expressed as a multiple of the base cost per pupil calculated under section 3317.012 of the Revised Code. The multiples for the following categories of special education programs, as these programs are defined for purposes of Chapter 3323. of the Revised Code, and adjusted as provided in this section, are as follows: | 28415 28416 28417 28418 28419 28420 28421 28422 |
| (A) A multiple of 0.2892 for students whose primary or only identified handicap is a speech and language handicap, as this term is defined pursuant to Chapter 3323. of the Revised Code; | 28423 28424 28425 |
| (B) A multiple of 0.3691 for students identified as specific learning disabled or developmentally handicapped, as these terms are defined pursuant to Chapter 3323. of the Revised Code, or other health handicapped-minor; | 28426 28427 28428 28429 |
| (C) A multiple of 1.7695 for students identified as hearing handicapped, vision impaired, or severe behavior handicapped, as these terms are defined pursuant to Chapter 3323. of the Revised Code; | 28430 28431 28432 28433 |
| (D) A multiple of 2.3646 for students identified as | 28434 |

orthopedically handicapped, as this term is defined pursuant to 28435
Chapter 3323. of the Revised Code or other health handicapped - 28436
major; 28437

(E) A multiple of 3.1129 for students identified as 28438
multihandicapped, as this term is defined pursuant to Chapter 28439
3323. of the Revised Code; 28440

(F) A multiple of 4.7342 for students identified as autistic, 28441
having traumatic brain injuries, or as both visually and hearing 28442
disabled, as these terms are defined pursuant to Chapter 3323. of 28443
the Revised Code. 28444

In fiscal year 2004, the multiples specified in divisions (A) 28445
to (F) of this section shall be adjusted by multiplying them by 28446
0.88. In fiscal ~~year~~ years 2005, 2006, and 2007, the multiples 28447
specified in those divisions shall be adjusted by multiplying them 28448
by 0.90. 28449

Not later than the thirtieth day of May 30, in 2004, and May 28450
30, 2005, 2006, and 2007, the department shall submit to the 28451
office of budget and management a report that specifies for each 28452
city, local, exempted village, and joint vocational school 28453
district the fiscal year allocation of the state and local shares 28454
of special education and related services additional weighted 28455
funding and federal special education funds passed through to the 28456
district. 28457

Sec. 3317.016. In addition to its form SF-3, or any successor 28458
to that form, the department of education shall publish on its web 28459
site a spreadsheet for each school district that specifies the 28460
constituent components of the district's "building blocks" funds, 28461
as follows: 28462

(A) For compensation of base classroom teachers, as described 28463
in division (B)(1) of section 3317.012 of the Revised Code, each 28464

spreadsheet shall specify the district's aggregate and per pupil amounts of state funds and of combined state and local funds, the average compensation decided by the general assembly for base classroom teachers, as specified in that division, and the number of base classroom teachers attributable to the district based on the student-teacher ratio decided by the general assembly, as specified in that division. 28465

28467
28468
28469

28473
28474

(1) Other personnel support, as described in division (B)(2) of section 3317.012 of the Revised Code; 28475

section, by (ii) a fraction, the numerator of which is the 29017
difference between (I) the amount of anticipated revenue such 29018
school district would have received in the preceding fiscal year 29019
if the real property exempted from taxation pursuant to such 29020
ordinance or resolution had not been exempted from taxation and 29021

real property in the school district exempted from taxation 29033
pursuant to such ordinance or resolution, if and to the extent 29034
that, on or before April 1, 2006, the fiscal officer of the 29035

provides appropriate supporting documentation to the tax 29038
commissioner and the director of development that, based on 29039
hold-harmless provisions in any agreement between the school 29040
district and the legislative authority of the municipal 29041
corporation, board of township trustees, or board of county 29042
commissioners that was entered into on or before June 1, 2005, the 29043
ability or obligation of the municipal corporation, township, or 29044

(d) The aggregate value of the improvements to parcels of 29052
real property in the school district exempted from taxation 29053
pursuant to such ordinance or resolution, if the ordinance or 29054

corporation with a population that exceeds one hundred thousand, 29056
as shown by the most recent federal decennial census, that 29057
includes a major employment center and that is adjacent to 29058
historically distressed neighborhoods, if the legislative 29059

authority of the municipal corporation, the board of township trustees, or the board of county commissioners that exempted the property prepares an economic analysis that demonstrates that all taxes generated within the incentive district accruing to the state by reason of improvements constructed within the district during its existence exceed the amount the state pays the school district under section 3317.022 of the Revised Code attributable to such property exemption from the school district's recognized valuation. The analysis shall be submitted to and approved by the department of development prior to January 1, 2006, and the department shall not unreasonably withhold approval. Approval shall permit use of the aggregate value for the life of the incentive district as designated in the ordinance or resolution creating it.

(e) The aggregate value of the improvements to parcels of real property in the school district exempted from taxation under such ordinance or resolution, if the ordinance or resolution is adopted prior to January 1, 2006, and if service payments have been pledged to be used for mixed-use riverfront entertainment development in any county with a population that exceeds six hundred thousand, as shown by the most recent federal decennial census;

(f) The aggregate value of the improvements to parcels of real property in the school district exempted from taxation under such ordinance or resolution, if, prior to January 1, 2006, the legislative authority of a municipal corporation, board of township trustees, or board of county commissioners has pledged service payments for a designated transportation capacity project approved by the transportation review advisory council under Chapter 5512. of the Revised Code;

(g) The aggregate value of the improvements to parcels of real property in the school district exempted from taxation under

such ordinance or resolution if the legislative authority of a 29092
municipal corporation, board of township trustees, or board of 29093
county commissioners have, by January 1, 2006, pledged proceeds 29094
for designated transportation improvement projects that involve 29095
federal funds for which the proceeds are used to meet a local 29096
share match requirement for such funding. 29097

As used in division (A)(6) of this section, "project" has the 29098
same meaning as in section 5709.40 of the Revised Code. 29099

(7) The aggregate value of real property in the school 29100
district for which an exemption from taxation is granted on or 29101
after January 1, 2006, under Chapter 725. or 1728., sections 29102
3735.65 to 3735.70, or section 5709.62, 5709.63, 5709.632, 29103
5709.84, or 5709.88 of the Revised Code, as indicated on the list 29104
of exempted property for the preceding tax year under section 29105
5713.08 of the Revised Code and as if such property had been 29106
assessed for taxation that year, but not including compensation 29107
for tax revenue foregone pursuant to an agreement entered into on 29108
or after January 1, 2006, under section 5709.82 of the Revised 29109
Code, and minus the product determined by multiplying (a) the 29110
aggregate value of the real property in the school district 29111
exempted from taxation under any of the chapters or sections 29112
specified in this division, by (b) a fraction, the numerator of 29113
which is the difference between (i) the amount of anticipated 29114
revenue such school district would have received in the preceding 29115
fiscal year if the real property exempted from taxation had not 29116
been exempted from taxation and (ii) the aggregate amount of 29117
payments and other compensation received in the preceding fiscal 29118
year by the school district pursuant to any agreements between the 29119
school district and the legislative authority of a political 29120
subdivision that acted under the authority of a chapter or statute 29121
specified in this division, that were entered into in relation to 29122
such exemption, and the denominator of which is the amount of 29123

anticipated revenue such school district would have received in 29124
the preceding fiscal year if the real property exempted from 29125
taxation had not been exempted. 29126

(B) On or before the first day of May each year, the tax 29127
commissioner shall certify to the department of education the 29128
total taxable real property value of railroads and, separately, 29129
the total taxable tangible personal property value of all public 29130

county of location. 29132

(C) If a public utility has properly and timely filed a 29133
petition for reassessment under section 5727.47 of the Revised 29134
Code with respect to an assessment issued under section 5727.23 of 29135
the Revised Code affecting taxable property apportioned by the tax 29136
commissioner to a school district, the taxable value of public 29137
utility tangible personal property included in the certification 29138
under divisions (A)(2) and (B) of this section for the school 29139
district shall include only the amount of taxable value on the 29140
basis of which the public utility paid tax for the preceding year 29141
as provided in division (B)(1) or (2) of section 5727.47 of the 29142
Revised Code. 29143

(D) If on the basis of the information certified under 29144
division (A) of this section, the department determines that any 29145
district fails in any year to meet the qualification requirement 29146
specified in division (A) of section 3317.01 of the Revised Code, 29147
the department shall immediately request the tax commissioner to 29148
determine the extent to which any school district income tax 29149
levied by the district under Chapter 5748. of the Revised Code 29150
shall be included in meeting that requirement. Within five days of 29151
receiving such a request from the department, the tax commissioner 29152
shall make the determination required by this division and report 29153
the quotient obtained under division (D)(3) of this section to the 29154
department. This quotient represents the number of mills that the 29155

department shall include in determining whether the district meets 29156
the qualification requirement of division (A) of section 3317.01 29157
of the Revised Code. 29158

The tax commissioner shall make the determination required by 29159
this division as follows: 29160

(1) Multiply one mill times the total taxable value of the 29161
district as determined in divisions (A)(1) and (2) of this 29162
section; 29163

(2) Estimate the total amount of tax liability for the 29164
current tax year under taxes levied by Chapter 5748. of the 29165
Revised Code that are apportioned to current operating expenses of 29166
the district; 29167

(3) Divide the amount estimated under division (D)(2) of this 29168
section by the product obtained under division (D)(1) of this 29169
section. 29170

(E) On or before June 1, 2006, and the first day of June of 29171
each year thereafter, the director of development shall certify to 29172
the department of education the total amount of payments received 29173
by each city, local, exempted village, or joint vocational school 29174
district during the preceding tax year pursuant to an agreement 29175
entered into under division (B) of section 5709.82 of the Revised 29176
Code in relation to exemptions from taxation granted pursuant to 29177
an ordinance adopted by the legislative authority of a municipal 29178
corporation under division (C)(1) of section 5709.40 of the 29179
Revised Code, or a resolution adopted by a board of township 29180
trustees or board of county commissioners under division (C)(1) of 29181
section 5709.73 or division (B)(1) of section 5709.78 of the 29182
Revised Code, respectively. On or before April 1, 2006, and the 29183
first day of April of each year thereafter, the treasurer of each 29184
city, local, exempted village, or joint vocational school district 29185
that has entered into such an agreement shall report to the 29186

director of development the total amount of such payments the 29187
district received during the preceding tax year pursuant to each 29188
such agreement. The state board of education, in accordance with 29189
sections 3319.31 and 3319.311 of the Revised Code, may suspend or 29190
revoke the license of a treasurer found to have willfully reported 29191
erroneous, inaccurate, or incomplete data under this division. 29192

Sec. 3317.022. (A)~~(1)~~ The department of education shall 29193
compute and distribute state base cost funding to each school 29194
district for the fiscal year ~~in accordance with the following~~ 29195
~~formula, making any adjustment required by division (A)(2) of this~~ 29196
~~section and~~ using the information obtained under section 3317.021 29197
of the Revised Code in the calendar year in which the fiscal year 29198
begins. 29199

(1) Compute the following for each eligible district: 29200

[(cost-of-doing-business factor X 29201

the formula amount X 29202

formula ADM) + the sum of the base funding supplements prescribed 29203

in divisions (C)(1) to (4) of section 3317.012 of the Revised 29204

Code] - 29205

~~(.023 x recognized valuation)~~[.023 x (the sum of recognized 29206

valuation and property exemption (value)] 29207

If the difference obtained is a negative number, the 29208
district's computation shall be zero. 29209

(2) Compute both of the following for each school district: 29210

(a) The difference of (i) the district's fiscal year 2005 29211

base cost payment under the version of division (A)(1) of this 29212

section in effect in fiscal year 2005, minus (ii) the amount 29213

computed for the district for the current fiscal year under 29214

current division (A)(1) of this section; 29215

(b) The following amount: 29216

[(fiscal year 2005 base cost payment/fiscal year 2005 formula 29217
ADM) X current year formula ADM] minus the amount computed for the 29218
district under current division (A)(1) of this section 29219

If one of the amounts computed under division (A)(2)(a) or 29220
(b) of this section is a positive amount, the department shall pay 29221
the district that amount in addition to the amount calculated 29222
under division (A)(1) of this section. If both amounts are 29223
positive amounts, the department shall pay the district the lesser 29224
of the two amounts in addition to the amount calculated under 29225
division (A)(1) of this section. 29226

(3)(a) For each school district for which the tax exempt 29227
value of the district equals or exceeds twenty-five per cent of 29228
the potential value of the district, the department of education 29229
shall calculate the difference between the district's tax exempt 29230
value and twenty-five per cent of the district's potential value. 29231

(b) For each school district to which division (A)~~(2)~~(3)(a) 29232

| (3)(a) The department shall compute and pay in accordance with this division additional state aid to school districts for students in categories two through six special education ADM. If a district's costs for the fiscal year for a student in its categories two through six special education ADM exceed the threshold catastrophic cost for serving the student, the district may submit to the superintendent of public instruction documentation, as prescribed by the superintendent, of all its costs for that student. Upon submission of documentation for a student of the type and in the manner prescribed, the department shall pay to the district an amount equal to the sum of the following: | 29313 |
| (i) One-half of the district's costs for the student in excess of the threshold catastrophic cost; | 29314 |

(ii) For a student in the district's category six special education ADM, thirty thousand dollars in fiscal year 2002 ~~and~~, thirty thousand eight hundred forty dollars in fiscal years 2003, 2004, and 2005, and thirty-one thousand eight hundred dollars in fiscal years 2006 and 2007.

(c) The district shall only report under division (C)(3)(a) of this section, and the department shall only pay for, the costs of educational expenses and the related services provided to the student in accordance with the student's individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be included in the amount.

(4)(a) As used in this division, the "personnel allowance" means thirty thousand dollars in fiscal years 2002, 2003, 2004, ~~and~~, 2005, 2006, and 2007.

(cost-of-doing-business factor X

formula amount X the sum of categories

one through six special education ADM) +

(total special education weight X formula amount)

The purposes approved by the department for special education expenses shall include, but shall not be limited to, identification of handicapped children, compliance with state rules governing the education of handicapped children and prescribing the continuum of program options for handicapped children, provision of speech language pathology services, and the portion of the school district's overall administrative and overhead costs that are attributable to the district's special education student population.

The department shall require school districts to report data annually to allow for monitoring compliance with division (C)(5) of this section. The department shall annually report to the governor and the general assembly the amount of money spent by each school district for special education and related services.

(6) In any fiscal year, a school district shall spend for the provision of speech language pathology services not less than the sum of the amount calculated under division (C)(1) of this section for the students in the district's category one special education ADM and the amount calculated under division (C)(4) of this section.

(D)(1) As used in this division:

(a) "Daily bus miles per student" equals the number of bus miles traveled per day, divided by transportation base.

(b) "Transportation base" equals total student count as defined in section 3301.011 of the Revised Code, minus the number of students enrolled in preschool handicapped units, plus the number of nonpublic school students included in transportation ADM.

(c) "Transported student percentage" equals transportation ADM divided by transportation base.

(d) "Transportation cost per student" equals total operating

costs for board-owned or contractor-operated school buses divided 29401
by transportation base. 29402

(2) Analysis of student transportation cost data has resulted 29403
in a finding that an average efficient transportation use cost per 29404
student can be calculated by means of a regression formula that 29405
has as its two independent variables the number of daily bus miles 29406
per student and the transported student percentage. For fiscal 29407
year 1998 transportation cost data, the average efficient 29408
transportation use cost per student is expressed as follows: 29409

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + 29410$$
$$(116.25573 \times \text{transported student percentage}) 29411$$

The department of education shall annually determine the 29412
average efficient transportation use cost per student in 29413
accordance with the principles stated in division (D)(2) of this 29414
section, updating the intercept and regression coefficients of the 29415
regression formula modeled in this division, based on an annual 29416
statewide analysis of each school district's daily bus miles per 29417
student, transported student percentage, and transportation cost 29418
per student data. The department shall conduct the annual update 29419
using data, including daily bus miles per student, transported 29420
student percentage, and transportation cost per student data, from 29421
the prior fiscal year. The department shall notify the office of 29422
budget and management of such update by the fifteenth day of 29423
February of each year. 29424

(3) In addition to funds paid under divisions (A), (C), and 29425
(E) of this section, each district with a transported student 29426
percentage greater than zero shall receive a payment equal to a 29427
percentage of the product of the district's transportation base 29428
from the prior fiscal year times the annually updated average 29429
efficient transportation use cost per student, times an inflation 29430
factor of two and eight tenths per cent to account for the 29431
one-year difference between the data used in updating the formula 29432

and calculating the payment and the year in which the payment is 29433
made. The percentage shall be the following percentage of that 29434
product specified for the corresponding fiscal year: 29435

| FISCAL YEAR | PERCENTAGE | |
|---------------------|---|----------------|
| 2000 | 52.5% | 29436 |
| 2001 | 55% | 29437 |
| 2002 | 57.5% | 29438 |
| 2003 and thereafter | The greater of 60% or the district's state share percentage | 29439 29440 |

The payments made under division (D)(3) of this section each 29441
year shall be calculated based on all of the same prior year's 29442
data used to update the formula. 29443

(4) In addition to funds paid under divisions (D)(2) and (3) 29444
of this section, a school district shall receive a rough road 29445
subsidy if both of the following apply: 29446

(a) Its county rough road percentage is higher than the 29447
statewide rough road percentage, as those terms are defined in 29448
division (D)(5) of this section; 29449

(b) Its district student density is lower than the statewide 29450
student density, as those terms are defined in that division. 29451

(5) The rough road subsidy paid to each district meeting the 29452
qualifications of division (D)(4) of this section shall be 29453
calculated in accordance with the following formula: 29454

(per rough mile subsidy X total rough road miles) X 29455
density multiplier 29456

where: 29457

(a) "Per rough mile subsidy" equals the amount calculated in 29458
accordance with the following formula: 29459

0.75 - {0.75 X [(maximum rough road percentage - 29460

county rough road percentage)/(maximum rough road percentage -
statewide rough road percentage)]]} 29461
29462

(i) "Maximum rough road percentage" means the highest county
rough road percentage in the state. 29463
29464

(ii) "County rough road percentage" equals the percentage of
the mileage of state, municipal, county, and township roads that
is rated by the department of transportation as type A, B, C, E2,
or F in the county in which the school district is located or, if
the district is located in more than one county, the county to
which it is assigned for purposes of determining its
cost-of-doing-business factor. 29465
29466
29467
29468
29469
29470
29471

(iii) "Statewide rough road percentage" means the percentage
of the statewide total mileage of state, municipal, county, and
township roads that is rated as type A, B, C, E2, or F by the
department of transportation. 29472
29473
29474
29475

(b) "Total rough road miles" means a school district's total
bus miles traveled in one year times its county rough road
percentage. 29476
29477
29478

(c) "Density multiplier" means a figure calculated in
accordance with the following formula: 29479
29480

1 - [(minimum student density - district student
density)/(minimum student density -
statewide student density)] 29481
29482
29483

(i) "Minimum student density" means the lowest district
student density in the state. 29484
29485

(ii) "District student density" means a school district's
transportation base divided by the number of square miles in the
district. 29486
29487
29488

(iii) "Statewide student density" means the sum of the
transportation bases for all school districts divided by the sum
of the square miles in all school districts. 29489
29490
29491

(6) In addition to funds paid under divisions (D)(2) to (5) 29492
of this section, each district shall receive in accordance with 29493
rules adopted by the state board of education a payment for 29494
students transported by means other than board-owned or 29495
contractor-operated buses and whose transportation is not funded 29496
under division (J) of section 3317.024 of the Revised Code. The 29497
rules shall include provisions for school district reporting of 29498
such students. 29499

(E)(1) The department shall compute and distribute state 29500
vocational education additional weighted costs funds to each 29501
school district in accordance with the following formula: 29502
state share percentage X 29503
the formula amount X 29504
total vocational education weight 29505

In any fiscal year, a school district receiving funds under 29506
division (E)(1) of this section shall spend those funds only for 29507
the purposes that the department designates as approved for 29508
vocational education expenses. Vocational educational expenses 29509
approved by the department shall include only expenses connected 29510
to the delivery of career-technical programming to 29511
career-technical students. The department shall require the school 29512
district to report data annually so that the department may 29513
monitor the district's compliance with the requirements regarding 29514
the manner in which funding received under division (E)(1) of this 29515
section may be spent. 29516

(2) The department shall compute for each school district 29517
state funds for vocational education associated services in 29518
accordance with the following formula: 29519
state share percentage X .05 X 29520
the formula amount X the sum of categories one and two 29521
vocational education ADM 29522

In any fiscal year, a school district receiving funds under 29523

division (E)(2) of this section, or through a transfer of funds 29524
pursuant to division (L) of section 3317.023 of the Revised Code, 29525
shall spend those funds only for the purposes that the department 29526
designates as approved for vocational education associated 29527
services expenses, which may include such purposes as 29528
apprenticeship coordinators, coordinators for other vocational 29529
education services, vocational evaluation, and other purposes 29530
designated by the department. The department may deny payment 29531
under division (E)(2) of this section to any district that the 29532
department determines is not operating those services or is using 29533
funds paid under division (E)(2) of this section, or through a 29534
transfer of funds pursuant to division (L) of section 3317.023 of 29535
the Revised Code, for other purposes. 29536

(F) The actual local share in any fiscal year for the 29537
combination of special education and related services additional 29538
weighted costs funding calculated under division (C)(1) of this 29539
section, transportation funding calculated under divisions (D)(2) 29540

services additional weighted costs funding calculated under 29542
divisions (E)(1) and (2) of this section shall not exceed for any 29543
school district the product of three and three-tenths mills times 29544
the district's recognized valuation. The department annually shall 29545
pay each school district as an excess cost supplement any amount 29546
by which the sum of the district's attributed local shares for 29547
that funding exceeds that product. For purposes of calculating the 29548
excess cost supplement: 29549

(1) The attributed local share for special education and 29550
related services additional weighted costs funding is the amount 29551
specified in division (C)(2) of this section. 29552

(2) The attributed local share of transportation funding 29553
equals the difference of the total amount calculated for the 29554
district using the formula developed under division (D)(2) of this 29555

section minus the actual amount paid to the district after 29556
applying the percentage specified in division (D)(3) of this 29557
section. 29558

(3) The attributed local share of vocational education and 29559
associated services additional weighted costs funding is the 29560
amount determined as follows: 29561

(1 - state share percentage) X 29562
[(total vocational education weight X the formula amount) + 29563
the payment under division (E)(2) of this section] 29564

Sec. 3317.023. (A) Notwithstanding section 3317.022 of the 29565
Revised Code, the amounts required to be paid to a district under 29566
this chapter shall be adjusted by the amount of the computations 29567
made under divisions (B) to ~~(M)~~(O) of this section. 29568

As used in this section: 29569

(1) "Classroom teacher" means a licensed employee who 29570

from money paid to the district from federal sources; educational 29572
service personnel; and vocational and special education teachers. 29573

(2) "Educational service personnel" shall not include such 29574
specialists funded from money paid to the district from federal 29575
sources or assigned full-time to vocational or special education 29576
students and classes and may only include those persons employed 29577
in the eight specialist areas in a pattern approved by the 29578
department of education under guidelines established by the state 29579
board of education. 29580

(3) "Annual salary" means the annual base salary stated in 29581
the state minimum salary schedule for the performance of the 29582
teacher's regular teaching duties that the teacher earns for 29583
services rendered for the first full week of October of the fiscal 29584
year for which the adjustment is made under division (C) of this 29585

section. It shall not include any salary payments for supplemental 29586
teachers contracts. 29587

(4) "Regular student population" means the formula ADM plus 29588
the number of students reported as enrolled in the district 29589
pursuant to division (A)(1) of section 3313.981 of the Revised 29590
Code; minus the number of students reported under division (A)(2) 29591
of section 3317.03 of the Revised Code; minus the FTE of students 29592
reported under division (B)(6), (7), (8), (9), (10), (11), or (12) 29593
of that section who are enrolled in a vocational education class 29594
or receiving special education; and minus twenty per cent of the 29595
students enrolled concurrently in a joint vocational school 29596
district. 29597

(5) "State share percentage" has the same meaning as in 29598
section 3317.022 of the Revised Code. 29599

(6) "VEPD" means a school district or group of school 29600
districts designated by the department of education as being 29601
responsible for the planning for and provision of vocational 29602
education services to students within the district or group. 29603

(7) "Lead district" means a school district, including a 29604
joint vocational school district, designated by the department as 29605
a VEPD, or designated to provide primary vocational education 29606
leadership within a VEPD composed of a group of districts. 29607

(B) If the district employs less than one full-time 29608
equivalent classroom teacher for each twenty-five pupils in the 29609
regular student population in any school district, deduct the sum 29610
of the amounts obtained from the following computations: 29611

(1) Divide the number of the district's full-time equivalent 29612
classroom teachers employed by one twenty-fifth; 29613

(2) Subtract the quotient in (1) from the district's regular 29614
student population; 29615

(3) Multiply the difference in (2) by seven hundred fifty-two 29616
dollars. 29617

(C) If a positive amount, add one-half of the amount obtained 29618
by multiplying the number of full-time equivalent classroom 29619
teachers by: 29620

(1) The mean annual salary of all full-time equivalent 29621
classroom teachers employed by the district at their respective 29622
training and experience levels minus; 29623

(2) The mean annual salary of all such teachers at their 29624
respective levels in all school districts receiving payments under 29625
this section. 29626

The number of full-time equivalent classroom teachers used in 29627
this computation shall not exceed one twenty-fifth of the 29628
district's regular student population. In calculating the 29629
district's mean salary under this division, those full-time 29630
equivalent classroom teachers with the highest training level 29631
shall be counted first, those with the next highest training level 29632
second, and so on, in descending order. Within the respective 29633
training levels, teachers with the highest years of service shall 29634
be counted first, the next highest years of service second, and so 29635
on, in descending order. 29636

(D) This division does not apply to a school district that 29637
has entered into an agreement under division (A) of section 29638
3313.42 of the Revised Code. Deduct the amount obtained from the 29639
following computations if the district employs fewer than five 29640
full-time equivalent educational service personnel, including 29641
elementary school art, music, and physical education teachers, 29642
counselors, librarians, visiting teachers, school social workers, 29643
and school nurses for each one thousand pupils in the regular 29644
student population: 29645

(1) Divide the number of full-time equivalent educational 29646

service personnel employed by the district by five 29647
one-thousandths; 29648

(2) Subtract the quotient in (1) from the district's regular 29649
student population; 29650

(3) Multiply the difference in (2) by ninety-four dollars. 29651

(E) If a local school district, or a city or exempted village 29652
school district to which a governing board of an educational 29653
service center provides services pursuant to section 3313.843 of 29654
the Revised Code, deduct the amount of the payment required for 29655
the reimbursement of the governing board under section 3317.11 of 29656
the Revised Code. 29657

department shall make a payment under this division to any school 30298
district that, in a prior fiscal year, qualified for this payment 30299
and provided all-day kindergarten, regardless of changes to the 30300
district's poverty index. The department shall calculate the 30301
payment under this division by multiplying the all-day 30302
kindergarten percentage by the kindergarten ADM and multiplying 30303
that product by the formula amount. 30304

(E) A class-size reduction payment based on calculating the 30305
number of new teachers necessary to achieve a lower 30306
student-teacher ratio, as follows: 30307

(1) Determine or calculate a formula number of teachers per 30308
one thousand students based on the ~~DPIA~~ poverty index of the 30309
school district as follows: 30310

(a) If the ~~DPIA~~ poverty index of the school district is less 30311
than ~~six-tenths~~ 1.0, the formula number of teachers is ~~43.478~~ 30312

a student-teacher ratio of ~~twenty-three~~ twenty to one; 30314

(b) If the ~~DPIA~~ poverty index of the school district is 30315
greater than or equal to ~~six-tenths~~ 1.0, but less than ~~two and~~ 30316
~~one-half~~ 1.5, the formula number of teachers is calculated as 30317
follows: 30318

$$43.478 + \{[(\text{DPIA index} - 0.6) / 1.9] \times 23.188\} \quad 30319$$
$$50.0 + \{[(\text{poverty index} - 1.0) / 0.5] \times 16.667\} \quad 30320$$

Where ~~43.478~~ 50.0 is the number of teachers per one thousand 30321
students at a student-teacher ratio of ~~twenty-three~~ twenty to one; 30322
~~1.9~~ 0.5 is the interval from a ~~DPIA~~ poverty index of ~~six-tenths~~ 30323
1.0 to a ~~DPIA~~ poverty index of ~~two and one-half~~ 1.5; and ~~23.188~~ 30324
16.667 is the difference in the number of teachers per one 30325
thousand students at a student-teacher ratio of fifteen to one and 30326

the number of teachers per one thousand students at a 30327
student-teacher ratio of ~~twenty-three~~ twenty to one. 30328

(c) If the ~~DPIA~~ poverty index of the school district is 30329
greater than or equal to ~~two and one-half~~ 1.5, the formula number 30330

thousand students at a student-teacher ratio of fifteen to one. 30332

(2) Multiply the formula number of teachers determined or 30333
calculated in division (E)(1) of this section by the kindergarten 30334
through third grade ADM for the district and divide that product 30335
by one thousand; 30336

(3) Calculate the number of new teachers as follows: 30337

(a) Multiply the kindergarten through third grade ADM by 30338
~~43.478~~ 50.0, which is the number of teachers per one thousand 30339
students at a student-teacher ratio of ~~twenty-three~~ twenty to one, 30340
and divide that product by one thousand; 30341

(b) Subtract the quotient obtained in division (E)(3)(a) of 30342
this section from the product in division (E)(2) of this section. 30343

(4) Multiply the greater of the difference obtained under 30344
division (E)(3) of this section or zero by the statewide average 30345
teachers ~~salary~~ compensation. For this purpose, the "statewide 30346
average teacher compensation" is \$53,680 in fiscal year 2006 and 30347
\$54,941 in fiscal year 2007, which includes an amount for the 30348
value of fringe benefits. 30349

students, if the district's poverty index is greater than or equal 30351
to 1.0 and the proportion of its students who are limited English 30352
proficient, as reported in 2003 on its school district report 30353
issued under section 3302.03 of the Revised Code for the 2002-2003 30354
school year, is greater than or equal to 2.0%, calculated as 30355
follows: 30356

(1) If the district's poverty index is greater than or equal to 1.0, but less than 1.75, determine the amount per limited English proficient student as follows: 30357
30358
30359

{0.125 + [0.125 X ((poverty index - 1.0)/0.75)]} X formula amount 30360

(2) If the district's poverty index is greater than or equal to 1.75, the amount per limited English proficient student equals: 30361
30362

0.25 X formula amount 30363

(3) Multiply the per student amount determined for the district under division (F)(1) or (2) of this section by the number of the district's limited English proficient students, times a phase-in percentage of 0.40 in fiscal year 2006 and 0.70 in fiscal year 2007. For purposes of this calculation, the number of limited English proficient students for each district shall be the number determined by the department when it calculated the district's percentage of limited English students for its school district report card issued in 2003 for the 2002-2003 school year. 30364
30365
30366
30367
30368
30369
30370
30371
30372

Not later than December 31, 2006, the department of education shall recommend to the general assembly and the director of budget and management a method of identifying the number of limited English proficient students for purposes of calculating payments under this division after fiscal year 2007. 30373
30374
30375
30376
30377

(G) A payment for professional development of teachers, if the district's poverty index is greater than or equal to 1.0, calculated as follows: 30378
30379
30380

(1) If the district's poverty index is greater than or equal to 1.0, but less than 1.75, determine the amount per teacher as follows: 30381
30382
30383

[(poverty index - 1.0)/ 0.75] X 0.045 X formula amount 30384

(2) If the district's poverty index is greater than or equal to 1.75, the amount per teacher equals: 30385
30386

0.045 X formula amount 30387

(a) Data-based decision making; 30433

(b) Standards-based curriculum models; 30434

(c) Job-embedded professional development activities that are 30435
research-based, as defined in federal law. 30436

In addition, each district shall use the payment only to 30437
implement programs identified on a list of eligible professional 30438
development programs provided by the department of education. The 30439
department annually shall provide the list to each district 30440
receiving a payment under division (G) of this section. However, a 30441
district may apply to the department for a waiver to implement an 30442
alternative professional development program in one or more of the 30443
areas specified in divisions (J)(3)(a) to (c) of this section. If 30444
the department grants the waiver, the district may use its payment 30445
under division (G) of this section to implement the alternative 30446
program. 30447

(4) Each big eight school district shall use its payment under division (H) of this section either for preventing at-risk students from dropping out of school, for safety and security measures described in division (J)(5)(b) of this section, for academic intervention services described in division (J)(6) of this section, or for a combination of those purposes. Not later than September 1, 2005, the department of education shall provide each big eight school district with a list of dropout prevention programs that it has determined are successful. The department subsequently may update the list. Each district that elects to use its payment under division (H) of this section for dropout prevention shall use the payment only to implement a dropout prevention program specified on the department's list. However, a district may apply to the department for a waiver to implement an alternative dropout prevention program. If the department grants the waiver, the district may use its payment under division (H) of this section to implement the alternative program.

(5) Each urban school district that has a poverty index greater than or equal to 1.0 shall use its payment under division (I) of this section for one or a combination of the following purposes:

(a) To hire or contract for community liaison officers, attendance or truant officers, or safety and security personnel;

(b) To implement programs designed to ensure that schools are free of drugs and violence and have a disciplined environment conducive to learning;

(c) To implement academic intervention services described in division (J)(6) of this section.

(6) Each school district with a poverty index greater than or equal to 1.0 shall use the amount of its payment under division (C) of this section, and may use any amount of its payment under

~~division (H) or (I) of this section, for one or both of the~~ 30479
~~following:~~ 30480

~~(a) Programs designed to ensure that schools are free of~~ 30481

~~students to instructional personnel or by increasing the amount of~~ 30505

| following methods: | 30510 |
| (a) Reducing the number of students in a classroom taught by a single teacher; | 30511 30512 |
| (b) Employing full-time educational aides or educational paraprofessionals issued a permit or license under section 3319.088 of the Revised Code; | 30513 30514 30515 |
| (c) Instituting a team-teaching method that will result in a lower student-teacher ratio in a classroom. | 30516 30517 |
| Districts may extend the school day either by increasing the amount of time allocated for each class, increasing the number of classes provided per day, offering optional academic-related after-school programs, providing curriculum-related extra curricular activities, or establishing tutoring or remedial services for students who have demonstrated an educational need. In accordance with section 3319.089 of the Revised Code, a district extending the school day pursuant to this division may utilize a participant of the work experience program who has a child enrolled in a public school in that district and who is fulfilling the work requirements of that program by volunteering or working in that public school. If the work experience program participant is compensated, the school district may use the funds distributed under this section for all or part of the compensation. | 30518 30519 30520 30521 30522 30523 30524 30525 30526 30527 30528 30529 30530 30531 30532 |

| (G)(K) Each district subject to division (F) of this section shall not expend any funds received under division (E) of this section in any school buildings that are not buildings with the highest concentration of need, unless there is a ratio of instructional personnel to students of no more than fifteen to one | 30536 30537 30538 30539 30540 |

in each kindergarten and first grade class in all buildings with 30541
the highest concentration of need. This division does not require 30542
that the funds used in buildings with the highest concentration of 30543
need be spent solely to reduce the ratio of instructional 30544
personnel to students in kindergarten and first grade. A school 30545
district may spend the funds in those buildings in any manner 30546
permitted by division ~~(F)(3)~~(J)(7) of this section, but may not 30547
spend the money in other buildings unless the fifteen-to-one ratio 30548
required by this division is attained. 30549

~~(H)~~(L)(1) By the first day of August of each fiscal year, 30550
each school district wishing to receive any funds under division 30551
(D) of this section shall submit to the department of education an 30552
estimate of its all-day kindergarten percentage. Each district 30553
shall update its estimate throughout the fiscal year in the form 30554
and manner required by the department, and the department shall 30555
adjust payments under this section to reflect the updates. 30556

(2) Annually by the end of December, the department of 30557
education, utilizing data from the information system established 30558
under section 3301.0714 of the Revised Code and after consultation 30559
with the legislative office of education oversight, shall 30560
determine for each school district subject to division ~~(F)~~(J) of 30561
this section whether in the preceding fiscal year the district's 30562
ratio of instructional personnel to students and its number of 30563
kindergarten students receiving all-day kindergarten appear 30564
reasonable, given the amounts of money the district received for 30565
that fiscal year pursuant to divisions (D) and (E) of this 30566
section. If the department is unable to verify from the data 30567
available that students are receiving reasonable amounts of 30568
instructional attention and all-day kindergarten, given the funds 30569
the district has received under this section and that class-size 30570
reduction funds are being used in school buildings with the 30571
highest concentration of need as required by division ~~(G)~~(K) of 30572

this section, the department shall conduct a more intensive 30573
investigation to ensure that funds have been expended as required 30574
by this section. The department shall file an annual report of its 30575
findings under this division with the chairpersons of the 30576
committees in each house of the general assembly dealing with 30577
finance and education. 30578

~~(I) Any (M)(1) Each~~ school district with a ~~DPIA~~ poverty index 30579
less than ~~one~~ 1.0 and a three-year average formula ADM exceeding 30580
seventeen thousand five hundred shall first utilize funds received 30581
under this section so that, when combined with other funds of the 30582
district, sufficient funds exist to provide all-day kindergarten 30583
to at least the number of children in the district's all-day 30584
kindergarten percentage. ~~Such a district~~ 30585

(2) Each school district with a poverty index less than 1.0 30586
that receives a payment under division (C) of this section shall 30587
use its payment under that division in accordance with all 30588
requirements of division (J)(6) of this section. 30589

(3) Each school district with a poverty index less than 1.0 30590
that receives a payment under division (I) of this section shall 30591
use its payment under that division for one or a combination of 30592
the following purposes: 30593

(a) To hire or contract for community liaison officers, 30594
attendance or truant officers, or safety and security personnel; 30595

(b) To implement programs designed to ensure that schools are 30596
free of drugs and violence and have a disciplined environment 30597
conducive to learning; 30598

(c) To implement academic intervention services described in 30599
division (J)(6) of this section. 30600

(4) Each school district to which division (M)(1), (2), or 30601
(3) of this section applies shall expend at least seventy per cent 30602
of the remaining funds received under this section, and any other 30603

district with a ~~DPIA~~ poverty index less than ~~one~~ 1.0 shall expend 30604
~~at least seventy per cent of~~ all funds received under this 30605
section, for any of the following purposes: 30606

~~(1)~~(a) The purchase of technology for instructional purposes 30607
for remediation; 30608

~~(4)~~(d) Summer school remediation; 30612

~~(5)~~(e) Dropout prevention programs approved by the department 30613
of education under division (J)(4) of this section; 30614

~~(6)~~(f) Guaranteeing that all third graders are ready to 30615
progress to more advanced work; 30616

~~(7)~~(g) Summer education and work programs; 30617

~~(8)~~(h) Adolescent pregnancy programs; 30618

~~(9)~~(i) Head start ~~or~~, preschool, early childhood education, 30619

~~(J)~~(N) If at any time the superintendent of public instruction determines that a school district receiving funds under division (D) of this section has enrolled less than the all-day kindergarten percentage reported for that fiscal year, the superintendent shall withhold from the funds otherwise due the district under this section a proportional amount as determined by the difference in the certified all-day kindergarten percentage and the percentage actually enrolled in all-day kindergarten. 30637

30647

~~(K)~~(O)(1) A district may use a portion of the funds calculated for it under division (D) of this section to modify or purchase classroom space to provide all-day kindergarten, if both of the following conditions are met: 30648
30649
30650
30651

(a) The district certifies to the department, in a manner acceptable to the department, that it has a shortage of space for providing all-day kindergarten. 30652

30654

(b) The district provides all-day kindergarten to the number of children in the all-day kindergarten percentage it certified under this section. 30655
30656
30657

(2) A district may use a portion of the funds described in division ~~(F)~~~~(3)~~(J)(7) of this section to modify or purchase classroom space to enable it to further reduce class size in grades kindergarten through two with a goal of attaining class sizes of fifteen students per licensed teacher. To do so, the district must certify its need for additional space to the 30658

department, in a manner satisfactory to the department. 30664

Sec. 3317.0216. (A) As used in this section: 30665

(1) "Total taxes charged and payable for current expenses" 30666
means the sum of the taxes charged and payable as certified under 30667
division (A)(3)(a) of section 3317.021 of the Revised Code less 30668
any amounts reported under division (A)(3)(b) of that section, and 30669
the tax distribution for the preceding year under any school 30670
district income tax levied by the district pursuant to Chapter 30671
5748. of the Revised Code to the extent the revenue from the 30672
income tax is allocated or apportioned to current expenses. 30673

(2) "Charge-off amount" means ~~the product obtained by~~ 30674
~~multiplying~~ two and three-tenths per cent multiplied by (the sum of 30675
recognized valuation and property exemption value). 30676

(3) Until fiscal year 2003, the "actual local share of 30677
special education, transportation, and vocational education 30678
funding" for any school district means the sum of the district's 30679
attributed local shares described in divisions (F)(1) to (3) of 30680
section 3317.022 of the Revised Code. Beginning in fiscal year 30681
2003, the "actual local share of special education, 30682
transportation, and vocational education funding" means that sum 30683
minus the amount of any excess cost supplement payment calculated 30684
for the district under division (F) of section 3317.022 of the 30685
Revised Code. 30686

(4) "Current expense revenues from the tangible property tax 30687
replacement fund" means payments received from the school district 30688
tangible property tax replacement fund or the general revenue fund 30689
under section 5751.21 of the Revised Code for fixed-rate levies 30690
for current expenses and for fixed-sum levies for current 30691
expenses, including school district emergency levies under 30692
sections 5705.194 to 5705.197 of the Revised Code. 30693

(B) Upon receiving the certifications under section 3317.021 30694
of the Revised Code, the department of education shall determine 30695
for each city, local, and exempted village school district whether 30696
the district's charge-off amount is greater than the sum of the 30697
district's total taxes charged and payable for current expenses 30698
and current expense revenues from the tangible property tax 30699
replacement fund, and if ~~it~~ the charge-off amount is greater, 30700
shall pay the district the amount of the difference. A payment 30701
shall not be made to any school district for which the computation 30702
under division (A) of section 3317.022 of the Revised Code equals 30703
zero. 30704

(C)(1) If a district's charge-off amount is equal to or 30705
greater than the sum of its total taxes charged and payable for 30706
current expenses and current expense revenues from the tangible 30707
property tax replacement fund, the department shall, in addition 30708
to the payment required under division (B) of this section, pay 30709
the district the amount of its actual local share of special 30710
education, transportation, and vocational education funding. 30711

(2) If a district's charge-off amount is less than the sum of 30712
its total taxes charged and payable for current expenses and 30713
current expense revenues from the tangible property tax 30714
replacement fund, the department shall pay the district any amount 30715
by which its actual local share of special education, 30716
transportation, and vocational education funding exceeds the sum 30717
of its total taxes charged and payable for current expenses and 30718
current expense revenues from the tangible property tax 30719
replacement fund minus its charge-off amount. 30720

(D) If a school district that received a payment under 30721
division (B) or (C) of this section in the prior fiscal year is 30722
ineligible for payment under those divisions in the current fiscal 30723
year, the department shall determine if the ineligibility is the 30724
result of a property tax or income tax levy approved by the 30725

district's voters to take effect in tax year 2005 or thereafter. 30726

If the department determines that is the case, and calculates that 30727

the levy causing the ineligibility exceeded by at least one mill 30728

the equivalent millage of the prior year's payment under divisions 30729

(B) and (C) of this section, the department shall make a payment 30730

to the district for the first three years that the district loses 30731

eligibility for payment under divisions (B) and (C) of this 30732

section, as follows: 30733

(1) In the first year of ineligibility, the department shall 30734

pay the district seventy-five per cent of the amount it last paid 30735

the district under divisions (B) and (C) of this section. 30736

(2) In the second year of ineligibility, the department shall 30737

pay the district fifty per cent of the amount it last paid the 30738

district under those divisions. 30739

(3) In the third year of ineligibility, the department shall 30740

pay the district twenty-five per cent of the amount it last paid 30741

the district under those divisions. 30742

(E) A district that receives payment under division (D) of 30743

this section and subsequently qualifies for payment under division 30744

(B) or (C) of this section is ineligible for future payments under 30745

division (D) of this section. 30746

Sec. 3317.0217. The department of education shall annually 30747

compute and pay state parity aid to school districts, as follows: 30748

(A) Calculate the local wealth per pupil of each school 30749

district, which equals the following sum: 30750

(1) Two-thirds times the quotient of (a) the district's 30751

recognized valuation divided by (b) its formula ADM; plus 30752

(2) One-third times the quotient of (a) the average of the 30753

total federal adjusted gross income of the school district's 30754

residents for the three years most recently reported under section 30755

3317.021 of the Revised Code divided by (b) its formula ADM. 30756

(B) Rank all school districts in order of local wealth per 30757
pupil, from the district with the lowest local wealth per pupil to 30758
the district with the highest local wealth per pupil. 30759

(C) Compute the per pupil state parity aid funding for each 30760
school district in accordance with the following formula: 30761

~~Payment percentage~~ X (threshold local wealth 30762
per pupil - the district's local 30763
wealth per pupil) X ~~0.0095~~ 0.0075 30764

Where: 30765

(1) ~~"Payment percentage," for purposes of division (C) of 30766
this section, equals 20% in fiscal year 2002, 40% in fiscal year 30767
2003, 58% in fiscal year 2004, 76% in fiscal year 2005, and 100% 30768
after fiscal year 2005.~~ 30769

~~(2) Nine and one half mills (0.0095) is the general 30770
assembly's determination of the average number of effective 30771
operating mills that districts in the seventieth to ninetieth 30772
percentiles of valuations per pupil collected in fiscal year 2001 30773
above the revenues required to finance their attributed local 30774
shares of the calculated cost of an adequate education. This was 30775
determined by (a) adding the district revenues from operating 30776
property tax levies and income tax levies, (b) subtracting from 30777
that total the sum of (i) twenty three mills times adjusted 30778
recognized valuation plus (ii) the attributed local shares of 30779
special education, transportation, and vocational education 30780
funding as described in divisions (F)(1) to (3) of section 30781
3317.022 of the Revised Code, and (c) converting the result to an 30782
effective operating property tax rate Seven and one-half mills 30783
(0.0075) is an adjustment to the original parity aid standard of 30784
nine and one-half mills, to account for the general assembly's 30785
policy decision to phase-out use of the cost-of-doing-business 30786~~

factor in the base cost formula. 30787

~~(3)~~(2) The "threshold local wealth per pupil" is the local 30788
wealth per pupil of the school district with the 30789
four-hundred-ninetieth lowest local wealth per pupil. 30790

If the result of the calculation for a school district under 30791
division (C) of this section is less than zero, the district's per 30792
pupil parity aid shall be zero. 30793

(D) Compute the per pupil alternative parity aid for each 30794
school district that has a combination of an income factor of 1.0 30795
or less, a ~~DPIA~~ poverty index of 1.0 or greater, and a fiscal year 30796
2005 cost-of-doing-business factor of 1.0375 or greater, in 30797
accordance with the following formula: 30798

Payment percentage X \$60,000 X 30799
(1 - income factor) X 4/15 X 0.023 30800

Where: 30801

(1) "~~DPIA~~ Poverty index" has the same meaning as in section 30802
3317.029 of the Revised Code. 30803

(2) "Payment percentage," for purposes of division (D) of 30804
this section, equals 50% in fiscal year 2002 and 100% after fiscal 30805
year 2002. 30806

(E) Pay each district that has a combination of an income 30807
factor of 1.0 or less, a ~~DPIA~~ poverty index of 1.0 or greater, and 30808
a fiscal year 2005 cost-of-doing-business factor of 1.0375 or 30809
greater, the greater of the following: 30810

(1) The product of the district's per pupil parity aid 30811
calculated under division (C) of this section times its net 30812
formula ADM; 30813

(2) The product of its per pupil alternative parity aid 30814
calculated under division (D) of this section times its net 30815
formula ADM. 30816

(F) Pay every other district the product of its per pupil parity aid calculated under division (C) of this section times its net formula ADM.

(G) As used in divisions (E) and (F) of this section, "net formula ADM" means formula ADM minus the number of internet- and computer-based community school students and scholarship students reported under divisions (B)(3)(e) and (f) of section 3317.03 of the Revised Code.

Sec. 3317.03. Notwithstanding divisions (A)(1), (B)(1), and (C) of this section, any student enrolled in kindergarten more than half time shall be reported as one-half student under this section.

(A) The superintendent of each city and exempted village school district and of each educational service center shall, for the schools under the superintendent's supervision, certify to the state board of education on or before the fifteenth day of October in each year for the first full school week in October the formula ADM, which. Beginning in fiscal year 2006, each superintendent also shall certify to the state board, for the schools under the superintendent's supervision, the formula ADM for the third full week in February. If a school under the superintendent's supervision is closed for one or more days during that week due to hazardous weather conditions or other circumstances described in the first paragraph of division (B) of section 3317.01 of the Revised Code, the superintendent may apply to the superintendent of public instruction for a waiver, under which the superintendent of public instruction may exempt the district superintendent from certifying the formula ADM for that school for that week and specify an alternate week for certifying the formula ADM of that school.

The formula ADM shall consist of the average daily membership

during such week of the sum of the following: 30848

(1) On an FTE basis, the number of students in grades 30849
kindergarten through twelve receiving any educational services 30850
from the district, except that the following categories of 30851
students shall not be included in the determination: 30852

(a) Students enrolled in adult education classes; 30853

(b) Adjacent or other district students enrolled in the 30854

If, however, any veteran described by division (E)(4) of this 31188
section elects to enroll in special courses organized for veterans 31189
for whom tuition is paid under the provisions of federal laws, or 31190
otherwise, that veteran shall not be included in average daily 31191
membership. 31192

Notwithstanding division (E)(3) of this section, the 31193
membership of any school may include a pupil who did not take a 31194
test required by section 3301.0711 of the Revised Code if the 31195

~~in October~~ for which the formula ADM is being certified by the 31206

vocational school district or educational service center shall 31220

instruction shall use the increased formula ADM in calculating or 31225
recalculating the amounts to be allocated in accordance with 31226
section 3317.022 or 3317.16 of the Revised Code. In no event shall 31227
the superintendent use an increased membership certified to the 31228
superintendent after the fifteenth day of February. Division 31229
(F)(1) of this section does not apply after fiscal year 2005. 31230

(2) If on the first school day of April the total number of 31231
classes or units for handicapped preschool children that are 31232
eligible for approval under division (B) of section 3317.05 of the 31233
Revised Code exceeds the number of units that have been approved 31234
for the year under that division, the superintendent of schools of 31235
any city, exempted village, or cooperative education school 31236
district or educational service center shall make the 31237
certifications required by this section for that day. If the 31238
department determines additional units can be approved for the 31239
fiscal year within any limitations set forth in the acts 31240
appropriating moneys for the funding of such units, the department 31241
shall approve additional units for the fiscal year on the basis of 31242
