Each nonpublic school which seeks reimbursement pursuant to 31847
this section shall submit to the superintendent of public 31848
instruction an application together with such additional reports 31849
and documents as the department of education may require. Such 31850
application, reports, and documents shall contain such information 31851
as the department of education may prescribe in order to carry out 31852
the purposes of this section. No payment shall be made until the 31853
superintendent of public instruction has approved such 31854
application. 31855

Each nonpublic school which applies for reimbursement 31856
pursuant to this section shall maintain a separate account or 31857
system of accounts for the expenses incurred in rendering the 31858
required services for which reimbursement is sought. Such accounts 31859
shall contain such information as is required by the department of 31860
education and shall be maintained in accordance with rules adopted 31861
by the department of education. 31862

Reimbursement payments to a nonpublic school pursuant to this 31863
section shall not exceed an amount for each school year equal to 31864
two hundred ~~fifty~~ seventy-five dollars per pupil enrolled in that 31865
nonpublic school. 31866

The superintendent of public instruction may, from time to 31867
time, examine any and all accounts and records of a nonpublic 31868
school which have been maintained pursuant to this section in 31869
support of an application for reimbursement, for the purpose of 31870
determining the costs to such school of rendering the services for 31871
which reimbursement is sought. If after such audit it is 31872
determined that any school has received funds in excess of the 31873
actual cost of providing such services, said school shall 31874

immediately reimburse the state in such excess amount. 31875

Any payments made to chartered nonpublic schools under this 31876
section may be disbursed without submission to and approval of the 31877
controlling board. 31878

Sec. 3317.07. The state board of education shall establish 31879
rules for the purpose of distributing subsidies for the purchase 31880
of school buses under division (E) of section 3317.024 of the 31881
Revised Code. 31882

No school bus subsidy payments shall be paid to any district 31883
unless such district can demonstrate that pupils residing more 31884
than one mile from the school could not be transported without 31885
such additional aid. 31886

The amount paid to a county MR/DD board for buses purchased 31887
for transportation of children in special education programs 31888
operated by the board shall be ~~one hundred per cent of the board's~~ 31889
net cost based on a per pupil allocation for eligible students. 31890

The amount paid to a school district for buses purchased for 31891
transportation of handicapped and nonpublic school pupils shall be 31892
~~one hundred per cent of the school district's net cost~~ determined 31893
by a per pupil allocation based on the number of special education 31894
and nonpublic school pupils for whom transportation is provided. 31895

The state board of education shall adopt a formula to 31896
determine the amount of payments that shall be distributed to 31897
school districts to purchase school buses for pupils other than 31898
handicapped or nonpublic school pupils. 31899

If any district or MR/DD board obtains bus services for pupil 31900
transportation pursuant to a contract, such district or board may 31901
use payments received under this section to defray the costs of 31902
contracting for bus services in lieu of for purchasing buses. 31903

If the department of education determines that a county MR/DD 31904

board no longer needs a school bus because the board no longer 31905
transports children to a special education program operated by the 31906
board, or if the department determines that a school district no 31907
longer needs a school bus to transport pupils to a nonpublic 31908
school or special education program, the department may reassign a 31909
bus that was funded with payments provided pursuant to this 31910
section for the purpose of transporting such pupils. The 31911
department may reassign a bus to a county MR/DD board or school 31912
district that transports children to a special education program 31913
designated in the children's individualized education plans, or to 31914
a school district that transports pupils to a nonpublic school, 31915
and needs an additional school bus. 31916

Sec. 3317.081. (A) Tuition shall be computed in accordance 31917
with this section if: 31918

(1) The tuition is required by division (C)(3)(b) of section 31919
3313.64 of the Revised Code; or 31920

(2) Neither the child nor the child's parent resides in this 31921
state and tuition is required by section 3327.06 of the Revised 31922
Code. 31923

(B) Tuition computed in accordance with this section shall 31924
equal the attendance district's tuition rate computed under 31925
section 3317.08 of the Revised Code plus the amount that district 31926
would have received for the child pursuant to sections 3317.022, 31927
3317.023, and 3317.025 to ~~3317.0213~~ 3317.0211 of the Revised Code 31928
during the school year had the attendance district been authorized 31929
to count the child in its formula ADM for that school year under 31930
section 3317.03 of the Revised Code. 31931

Sec. 3317.09. All moneys distributed to a school district, 31932
including any cooperative education or joint vocational school 31933
district and all moneys distributed to any educational service 31934

center, by the state whether from a state or federal source, shall 31935
be accounted for by the division of school finance of the 31936
department of education. All moneys distributed shall be coded as 31937
to county, school district or educational service center, source, 31938
and other pertinent information, and at the end of each month, a 31939
report of such distribution shall be made by such division of 31940
school finance ~~to the clerk of the senate and the chief~~ 31941

and educational service center, ~~and to the governor.~~ 31945

~~On or before the first day of September in each year, a copy~~ 31946
~~of the annual statistical report required in section 3319.33 of~~ 31947

~~shall contain an analysis for the prior fiscal year on an accrual~~ 31952
~~basis of revenue receipts from all sources and expenditures for~~ 31953
~~all purposes for each school district, including each joint~~ 31954
~~vocational and cooperative education school district, in the~~ 31955
state. If any board of education fails to make the report required 31956
in section 3319.33 of the Revised Code, the superintendent of 31957
public instruction shall be without authority to distribute funds 31958
to that school district or educational service center pursuant to 31959
sections 3317.022 to ~~3317.0212~~ 3317.0211, 3317.11, 3317.16, 31960
3317.17, or 3317.19 of the Revised Code until such time as the 31961
required reports are filed with all specified officers, boards, or 31962
agencies. 31963

Sec. 3317.10. (A) On or before the first day of March of each 31964
year, the department of job and family services shall certify to 31965
the state board of education the unduplicated number of children 31966

ages five through seventeen residing in each school district and 31967
living in a family that, during the preceding October, ~~had family~~ 31968

~~under Chapter 5115. of the Revised Code;~~ 31980

~~(6) The disability medical assistance program established~~ 31981
~~under Chapter 5115. of the Revised Code.~~ 31982

The department of job and family services shall certify this 31983
information according to the school district of residence for each 31984
child. Except as provided under division (B) of this section, the 31985
number of children so certified in any year shall be used by the 31986
department of education in calculating the distribution of moneys 31987
for the ensuing fiscal year as provided in section 3317.029 of the 31988
Revised Code. 31989

(B) Upon the transfer of part of the territory of one school 31990
district to the territory of one or more other school districts, 31991
the department of education may adjust the number of children 31992
certified under division (A) of this section for any district 31993
gaining or losing territory in such a transfer in order to take 31994
into account the effect of the transfer on the number of such 31995
children who reside in the district. Within sixty days of receipt 31996

of a request for information from the department of education, the 31997
department of job and family services shall provide any 31998
information the department of education determines is necessary to 31999

adjusted number for any district for the applicable fiscal year, 32001
in lieu of the number certified for the district for that fiscal 32002
year under division (A) of this section, in the calculation of the 32003
distribution of moneys provided in section 3317.029 of the Revised 32004
Code. 32005

Sec. 3317.16. (A) As used in this section: 32006

(1) "State share percentage" means the percentage calculated 32007
for a joint vocational school district as follows: 32008

(a) Calculate the state base cost funding amount for the 32009
district under division (B) of this section. If the district would 32010
not receive any base cost funding for that year under that 32011
division, the district's state share percentage is zero. 32012

(b) If the district would receive base cost funding under 32013
that division, divide that base cost amount by an amount equal to 32014
the following: 32015

cost-of-doing-business factor X 32016

the formula amount X 32017

formula ADM 32018

The resultant number is the district's state share 32019
percentage. 32020

(2) The "total special education weight" for a joint 32021
vocational school district shall be calculated in the same manner 32022
as prescribed in division (B)(1) of section 3317.022 of the 32023
Revised Code. 32024

(3) The "total vocational education weight" for a joint 32025
vocational school district shall be calculated in the same manner 32026

as prescribed in division (B)(4) of section 3317.022 of the Revised Code. 32027
32028

(4) The "total recognized valuation" of a joint vocational school district shall be determined by adding the recognized valuations of all its constituent school districts for the applicable fiscal year. 32029
32030
32031
32032

(5) "Resident district" means the city, local, or exempted village school district in which a student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code. 32033
32034
32035

(6) "Community school" means a community school established under Chapter 3314. of the Revised Code. 32036
32037

(B) The department of education shall compute and distribute state base cost funding to each joint vocational school district for the fiscal year in accordance with division (B) of this section. 32038
32039
32040
32041

(1) Compute the following formula for each eligible district: 32042
(cost-of-doing-business factor X 32043
formula amount X 32044
formula ADM) - 32045
(.0005 X total recognized valuation) 32046

If the difference obtained under this division is a negative number, the district's computation shall be zero. 32047
32048

(2) Compute both of the following for each district: 32049

(a) The difference of (i) the district's fiscal year 2005 base cost payment under the version of division (B) of this section in effect in fiscal year 2005, minus (ii) the amount computed for the district for the current fiscal year under current division (B)(1) of this section; 32050
32051
32052
32053
32054

(b) The following amount: 32055

[(fiscal year 2005 base cost payment/fiscal year 2005 formula 32056

ADM) X current year formula ADM] minus the amount computed for 32057
the district under current division (B)(1) of this section 32058

If one of the amounts computed under division (B)(2)(a) or 32059
(b) of this section is a positive amount, the department shall pay 32060
the district that amount in addition to the amount calculated 32061
under division (B)(1) of this section. If both amounts are 32062
positive amounts, the department shall pay the district the lesser 32063
of the two amounts in addition to the amount calculated under 32064
division (B)(1) of this section. 32065

(C)(1) The department shall compute and distribute state 32066
vocational education additional weighted costs funds to each joint 32067
vocational school district in accordance with the following 32068
formula: 32069

state share percentage X formula amount X 32070
total vocational education weight 32071

In each fiscal year, a joint vocational school district 32072
receiving funds under division (C)(1) of this section shall spend 32073
those funds only for the purposes the department designates as 32074
approved for vocational education expenses. Vocational educational 32075
expenses approved by the department shall include only expenses 32076
connected to the delivery of career-technical programming to 32077
career-technical students. The department shall require the joint 32078
vocational school district to report data annually so that the 32079
department may monitor the district's compliance with the 32080
requirements regarding the manner in which funding received under 32081
division (C)(1) of this section may be spent. 32082

(2) The department shall compute for each joint vocational 32083
school district state funds for vocational education associated 32084
services costs in accordance with the following formula: 32085

state share percentage X .05 X 32086
the formula amount X the sum of 32087
categories one and two vocational 32088

education ADM 32089

In any fiscal year, a joint vocational school district 32090
receiving funds under division (C)(2) of this section, or through 32091
a transfer of funds pursuant to division (L) of section 3317.023 32092
of the Revised Code, shall spend those funds only for the purposes 32093
that the department designates as approved for vocational 32094
education associated services expenses, which may include such 32095
purposes as apprenticeship coordinators, coordinators for other 32096
vocational education services, vocational evaluation, and other 32097
purposes designated by the department. The department may deny 32098
payment under division (C)(2) of this section to any district that 32099
the department determines is not operating those services or is 32100
using funds paid under division (C)(2) of this section, or through 32101
a transfer of funds pursuant to division (L) of section 3317.023 32102
of the Revised Code, for other purposes. 32103

(D)(1) The department shall compute and distribute state 32104
special education and related services additional weighted costs 32105
funds to each joint vocational school district in accordance with 32106
the following formula: 32107

state share percentage X formula amount X 32108

total special education weight 32109

(2)(a) As used in this division, the "personnel allowance" 32110
means thirty thousand dollars in fiscal years 2002, 2003, 2004, 32111

(b) For the provision of speech language pathology services 32113
to students, including students who do not have individualized 32114
education programs prepared for them under Chapter 3323. of the 32115
Revised Code, and for no other purpose, the department shall pay 32116
each joint vocational school district an amount calculated under 32117
the following formula: 32118

(formula ADM divided by 2000) X the personnel 32119

allowance X state share percentage 32120

(3) In any fiscal year, a joint vocational school district shall spend for purposes that the department designates as approved for special education and related services expenses at least the amount calculated as follows:

(cost-of-doing-business factor X formula amount
X the sum of categories one through
six special education ADM) +
(total special education weight X
formula amount)

The purposes approved by the department for special education expenses shall include, but shall not be limited to, compliance with state rules governing the education of handicapped children, providing services identified in a student's individualized education program as defined in section 3323.01 of the Revised Code, provision of speech language pathology services, and the portion of the district's overall administrative and overhead costs that are attributable to the district's special education student population.

The department shall require joint vocational school districts to report data annually to allow for monitoring compliance with division (D)(3) of this section. The department shall annually report to the governor and the general assembly the amount of money spent by each joint vocational school district for special education and related services.

(4) In any fiscal year, a joint vocational school district shall spend for the provision of speech language pathology services not less than the sum of the amount calculated under division (D)(1) of this section for the students in the district's category one special education ADM and the amount calculated under division (D)(2) of this section.

special education ADM exceed the threshold catastrophic cost for 32153
serving the student, as specified in division (C)(3)(b) of section 32154
3317.022 of the Revised Code, the district may submit to the 32155
superintendent of public instruction documentation, as prescribed 32156
by the superintendent, of all of its costs for that student. Upon 32157
submission of documentation for a student of the type and in the 32158
manner prescribed, the department shall pay to the district an 32159
amount equal to the sum of the following: 32160

(a) One-half of the district's costs for the student in 32161
excess of the threshold catastrophic cost; 32162

(b) The product of one-half of the district's costs for the 32163
student in excess of the threshold catastrophic cost multiplied by 32164
the district's state share percentage. 32165

(2) The district shall only report under division (E)(1) of 32166
this section, and the department shall only pay for, the costs of 32167
educational expenses and the related services provided to the 32168
student in accordance with the student's individualized education 32169

vocational education and specialized consultants. 32175

(G)(1) A joint vocational school district's local share of 32176
special education and related services additional weighted costs 32177
equals: 32178

(1 - state share percentage) X 32179
Total special education weight X 32180
the formula amount 32181

(2) For each handicapped student receiving special education 32182
and related services under an individualized education program, as 32183

defined in section 3323.01 of the Revised Code, at a joint 32184
vocational district, the resident district or, if the student is 32185
enrolled in a community school, the community school shall be 32186
responsible for the amount of any costs of providing those special 32187
education and related services to that student that exceed the sum 32188
of the amount calculated for those services attributable to that 32189
student under divisions (B), (D), (E), and (G)(1) of this section. 32190

Those excess costs shall be calculated by subtracting the sum 32191
of the following from the actual cost to provide special education 32192
and related services to the student: 32193

(a) The product of the formula amount times the 32194
cost-of-doing-business factor; 32195

(b) The product of the formula amount times the applicable 32196
multiple specified in section 3317.013 of the Revised Code; 32197

district ~~shall~~ may report the excess costs calculated under 32205
division (G)(2) of this section to the department of education. 32206

section, the department shall pay the amount of excess cost 32209
calculated under division (G)(2) of this section to the joint 32210
vocational school district and shall deduct that amount as 32211
provided in division (G)(4)(a) or (b) of this section, as 32212
applicable: 32213

(a) If the student is not enrolled in a community school, the department shall deduct the amount from the account of the student's resident district pursuant to division (M) of section 3317.023 of the Revised Code.

(b) If the student is enrolled in a community school, the department shall deduct the amount from the account of the community school pursuant to section 3314.083 of the Revised Code.

~~(H) In any fiscal year, if the total of all payments made to a joint vocational school district under divisions (B) to (D) of this section and division (R) of section 3317.024 of the Revised Code is less than the amount that district received in fiscal year 1999 under the version of this section in effect that year, plus the amount that district received under the version of section 3317.162 of the Revised Code in effect that year and minus the amounts received that year for driver education and adult education, the department shall pay the district an additional amount equal to the difference between those two amounts.~~

Sec. 3317.20. This section does not apply to handicapped preschool children.

greater of the amount calculated under division (B)(1) or (2) of 32248
this section: 32249

~~(formula amount X the cost of doing business factor~~ 32250
~~for the child's school district) +~~ 32251
~~(state share percentage X formula amount X~~ 32252
~~the applicable weight)~~ 32253

(1) (The formula amount for fiscal year 2005 X the 32254
cost-of-doing-business factor for the child's school district for 32255
fiscal year 2005) + (state share percentage for fiscal year 2005 X 32256
formula amount for fiscal year 2005 X the applicable weight); 32257

(2) (The current formula amount times the current 32258
cost-of-doing-business factor for the child's school district) + 32259
(state share percentage X current formula amount X the applicable 32260

board in fiscal year 1998, the department shall not make a payment 32264
under division (B) of this section for the number of children 32265
exceeding the number placed in fiscal year 1998. The department 32266
instead shall deduct from the district's payments under this 32267
chapter, and pay to the county MR/DD board, an amount calculated 32268
in accordance with the formula prescribed in division (B) of this 32269
section for each child over the number of children placed in 32270
fiscal year 1998. 32271

(D) The department shall calculate for each county MR/DD 32272
board receiving payments under divisions (B) and (C) of this 32273
section the following amounts: 32274

(C) The contracts as provided for in this section may be 32663
terminated by a majority vote of the board of education. ~~Such~~ 32664

or modify the action of the school board. 32682

A violation of division (A)(7) of section 2907.03 of the 32683
Revised Code is grounds for termination of employment of a 32684
nonteaching employee under this division. 32685

(D) All employees who have been employed by a school district 32686
where the provisions of Chapter 124. of the Revised Code do not 32687
apply, for a period of at least three years on November 24, 1967, 32688
shall hold continuing contracts of employment pursuant to this 32689
section. 32690

(E) Any nonteaching school employee may terminate ~~his~~ the 32691
nonteaching school employee's contract of employment thirty days 32692
subsequent to the filing of a written notice of such termination 32693
with the treasurer of the board. 32694

(F) A person hired exclusively for the purpose of replacing a 32695
nonteaching school employee while such employee is on leave of 32696
absence granted under section 3319.13 of the Revised Code is not a 32697
regular nonteaching school employee under this section. 32698

(G) All nonteaching employees employed pursuant to this 32699
section and Chapter 124. of the Revised Code shall be paid for all 32700
time lost when the schools in which they are employed are closed 32701
owing to an epidemic or other public calamity. Nothing in this 32702
division shall be construed as requiring payment in excess of an 32703
employee's regular wage rate or salary for any time worked while 32704
the school in which ~~he~~ the employee is employed is officially 32705
closed for the reasons set forth in this division. 32706

Sec. 3319.0810. (A) The board of education of any school 32707
district wherein the provisions of Chapter 124. of the Revised 32708
Code do not apply may terminate any of its transportation staff 32709
positions for reasons of economy and efficiency if the board 32710
instead of employing its own staff to transport some or all of the 32711
students enrolled in the district schools enters into a contract 32712
with an independent agent for the provision of transportation 32713
services for such students. Such a contract may be entered into 32714
only if all of the following conditions are satisfied: 32715

(1) Any collective bargaining agreement between the employee 32716
organization representing the employees whose positions are 32717
terminated under this section and the board has expired or will 32718
expire within sixty days and has not been renewed in conformance 32719
with provisions of that agreement and with Chapter 4117. of the 32720
Revised Code, or the agreement contains provisions permitting the 32721
termination of positions for reasons of economy and efficiency 32722
while the agreement is in force and the board is in conformance 32723
with those provisions. 32724

(2) The board permits any employee whose position is 32725
terminated under this section to fill any vacancy within the 32726
district's organization for which the employee is qualified. The 32727
board shall select from among similarly qualified employees to 32728
fill such vacancies pursuant to procedures established under any 32729
collective bargaining agreement between the employee organization 32730
representing the terminated employees and the board that is in 32731
force at the time of the termination, or in absence of such 32732
provisions on the basis of seniority of employment by the board 32733
with the employee with the greatest seniority having highest 32734
priority. 32735

(3) Unless a collective bargaining agreement between the 32736
employee organization representing the terminated employees and 32737

the board that is in force at the time of the termination provides 32738
otherwise, the board permits any employee whose position is 32739
terminated under this section to fill the employee's former 32740
position in the event that the board reinstates that position 32741
within one year after the date the position is terminated under 32742
this section. 32743

(4) The board permits any employee whose position is 32744
terminated under this section to appeal in accordance with section 32745
119.12 of the Revised Code the board's decision to terminate the 32746
employee's position, not to hire that employee for another 32747
position pursuant to division (A)(2) of this section, or not to 32748
rehire that employee for the position if it is reinstated within 32749
one year after the position is terminated pursuant to division 32750
(A)(3) of this section. 32751

(5) The contract entered into by the board and an independent 32752
agent for the provision of transportation services contains a 32753
stipulation requiring the agent to consider hiring any employees 32754
of the school district whose positions are terminated under this 32755
section for similar positions within the agent's organization. 32756

(6) The contract entered into by the board and an independent 32757
agent for the provision of transportation services contains a 32758
stipulation requiring the agent to recognize for purposes of 32759
employee representation in collective bargaining any employee 32760
organization that represented the employees whose positions are 32761
terminated under this section in collective bargaining with the 32762
board at the time of the termination provided: 32763

(a) A majority of all employees in the bargaining unit agree 32764
to such representation; 32765

(b) Such representation is not prohibited by federal law, 32766
including any ruling of the national labor relations board; 32767

(c) The employee organization is not prohibited from 32768

representing nonpublic employees by other provisions of law or its 32769
own governing instruments. 32770

However, any employee whose position is terminated under this 32771
section shall not be compelled to be included in such bargaining 32772
unit if there is another bargaining unit within the agent's 32773
organization that is applicable to the employee. 32774

(B) If after terminating any positions of employment under 32775
this section the board fails to comply with any condition 32776
prescribed in division (A) of this section or fails to enforce on 32777
the agent its contractual obligations prescribed in divisions 32778
(A)(5) and (6) of this section, the terminations shall be void and 32779
the board shall reinstate the positions and fill them with the 32780
employees who filled those positions just prior to the 32781
terminations. Such employees shall be compensated at a rate equal 32782
to their rate of compensation in those positions just prior to the 32783
terminations plus any increases paid since the terminations to 32784
other nonteaching employees. The employees shall also be entitled 32785
to back pay at such rate for the period from the date of the 32786
terminations to the date of the reinstatements minus any pay 32787
received by the employees during any time the board was in 32788
compliance with such conditions or during any time the board 32789
enforced those obligations. 32790

Any employee aggrieved by the failure of the board to comply 32791
with any condition prescribed in division (A) of this section or 32792
to enforce on the agent its contractual obligations prescribed in 32793
divisions (A)(5) and (6) of this section shall have the right to 32794
sue the board for reinstatement of the employee's former position 32795
as provided for in this division in the court of common pleas for 32796
the county in which the school district is located or, if the 32797
school district is located in more than one county, in the court 32798
of common pleas for the county in which the majority of the 32799
territory of the school district is located. 32800

Sec. 3319.17. (A) As used in this section, "interdistrict 32801
contract" means any contract or agreement entered into by an 32802
educational service center governing board and another board or 32803
other public entity pursuant to section 3313.17, 3313.841, 32804
3313.842, 3313.843, 3313.91, or 3323.08 of the Revised Code, 32805
including any such contract or agreement for the provision of 32806
services funded under division (L) of section 3317.024 of the 32807
Revised Code or provided in any unit approved under section 32808
3317.05 of the Revised Code. 32809

(B) When, for any of the following reasons that apply to any 32810
city, exempted village, local, or joint vocational school district 32811
or any educational service center, the board decides that it will 32812
be necessary to reduce the number of teachers it employs, it may 32813
make a reasonable reduction: 32814

(1) In the case of any district or service center, return to 32815
duty of regular teachers after leaves of absence including leaves 32816
provided pursuant to division (B) of section 3314.10 of the 32817
Revised Code, suspension of schools, ~~or~~ territorial changes 32818
affecting the district or center, or financial reasons; 32819

(2) In the case of any city, exempted village, local, or 32820
joint vocational school district, decreased enrollment of pupils 32821
in the district; 32822

(3) In the case of any governing board of a service center 32823
providing any particular service directly to pupils pursuant to 32824
one or more interdistrict contracts requiring such service, 32825
reduction in the total number of pupils the governing board is 32826
required to provide with the service under all interdistrict 32827
contracts as a result of the termination or nonrenewal of one or 32828
more of these interdistrict contracts; 32829

(4) In the case of any governing board providing any 32830
particular service that it does not provide directly to pupils 32831

pursuant to one or more interdistrict contracts requiring such 32832
service, reduction in the total level of the service the governing 32833
board is required to provide under all interdistrict contracts as 32834
a result of the termination or nonrenewal of one or more of these 32835
interdistrict contracts. 32836

(C) In making any such reduction, any city, exempted village, 32837
local, or joint vocational school board shall proceed to suspend 32838
contracts in accordance with the recommendation of the 32839
superintendent of schools who shall, within each teaching field 32840
affected, give preference first to teachers on continuing 32841
contracts and then to teachers who have greater seniority. In 32842
making any such reduction, any governing board of a service center 32843
shall proceed to suspend contracts in accordance with the 32844
recommendation of the superintendent who shall, within each 32845
teaching field or service area affected, give preference first to 32846
teachers on continuing contracts and then to teachers who have 32847
greater seniority. 32848

On a case-by-case basis, in lieu of suspending a contract in 32849
whole, a board may suspend a contract in part, so that an 32850
individual is required to work a percentage of the time the 32851
employee otherwise is required to work under the contract and 32852
receives a commensurate percentage of the full compensation the 32853
employee otherwise would receive under the contract. 32854

The teachers whose continuing contracts are suspended by any 32855
board pursuant to this section shall have the right of restoration 32856
to continuing service status by that board in the order of 32857
seniority of service in the district or service center if and when 32858
teaching positions become vacant or are created for which any of 32859
such teachers are or become qualified. No teacher whose continuing 32860
contract has been suspended pursuant to this section shall lose 32861
that right of restoration to continuing service status by reason 32862
of having declined recall to a position that is less than 32863

full-time or, if the teacher was not employed full-time just prior 32864
to suspension of the teacher's continuing contract, to a position 32865
requiring a lesser percentage of full-time employment than the 32866
position the teacher last held while employed in the district or 32867
service center. 32868

(D) Notwithstanding any provision to the contrary in Chapter 32869
4117. of the Revised Code, the requirements of this section 32870
prevail over any conflicting provisions of agreements between 32871
employee organizations and public employers entered into after the 32872
effective date of this amendment. 32873

Sec. 3319.172. The board of education of each school district 32874
wherein the provisions of Chapter 124. of the Revised Code do not 32875
apply and the governing board of each educational service center 32876
may adopt a resolution ordering reasonable reductions in the 32877
number of nonteaching employees for any of the reasons for which 32878
the board of education or governing board may make reductions in 32879
teaching employees, as set forth in division (B) of section 32880
3319.17 of the Revised Code. 32881

In making any reduction under this section, the board of 32882
education or governing board shall proceed to suspend contracts in 32883
accordance with the recommendation of the superintendent of the 32884
district or service center who shall, within each pay 32885
classification affected, give preference first to employees under 32886
continuing contracts and then to employees on the basis of 32887
seniority. On a case-by-case basis, in lieu of suspending a 32888
contract in whole, a board may suspend a contract in part, so that 32889
an individual is required to work a percentage of the time the 32890
employee otherwise is required to work under the contract and 32891
receives a commensurate percentage of the full compensation the 32892
employee otherwise would receive under the contract. 32893

Any nonteaching employee whose continuing contract is 32894

suspended under this section shall have the right of restoration 32895
to continuing service status by the board of education or 32896
governing board that suspended that contract in order of seniority 32897
of service in the district or service center, if and when a 32898
nonteaching position for which the employee is qualified becomes 32899
vacant or is created. No nonteaching employee whose continuing 32900
contract has been suspended under this section shall lose that 32901
right of restoration to continuing service status by reason of 32902
having declined recall to a position requiring fewer regularly 32903
scheduled hours of work than required by the position the employee 32904
last held while employed in the district or service center. 32905

Notwithstanding any provision to the contrary in Chapter 32906
4117. of the Revised Code, the requirements of this section 32907
prevail over any conflicting provisions of agreements between 32908
employee organizations and public employers entered into after the 32909
effective date of this section. 32910

Sec. 3319.22. (A)(1) The state board of education shall adopt 32911
rules establishing the standards and requirements for obtaining 32912
temporary, associate, provisional, and professional educator 32913
licenses of any categories, types, and levels the board elects to 32914
provide. However, no educator license shall be required for 32915
teaching children two years old or younger. 32916

(2) If the state board requires any examinations for educator 32917
licensure, the department of education shall provide the results 32918
of such examinations received by the department to the Ohio board 32919
of regents, in the manner and to the extent permitted by state and 32920
federal law. 32921

(B) Any rules the state board of education adopts, amends, or 32922
rescinds for educator licenses under this section, division (D) of 32923
section 3301.07 of the Revised Code, or any other law shall be 32924
adopted, amended, or rescinded under Chapter 119. of the Revised 32925

Code except as follows: 32926

(1) Notwithstanding division (D) of section 119.03 and 32927
division (A)(1) of section 119.04 of the Revised Code, in the case 32928
of the adoption of any rule or the amendment or rescission of any 32929
rule that necessitates institutions' offering teacher preparation 32930
programs that are approved by the state board of education under 32931
section 3319.23 of the Revised Code to revise the curriculum of 32932
those programs, the effective date shall not be as prescribed in 32933
division (D) of section 119.03 and division (A)(1) of section 32934
119.04 of the Revised Code. Instead, the effective date of such 32935
rules, or the amendment or rescission of such rules, shall be the 32936
date prescribed by section 3319.23 of the Revised Code. 32937

(2) Notwithstanding the authority to adopt, amend, or rescind 32938
emergency rules in division (F) of section 119.03 of the Revised 32939
Code, this authority shall not apply to the state board of 32940
education with regard to rules for educator licenses. 32941

(C)(1) The rules adopted under this section establishing 32942
standards requiring additional coursework for the renewal of any 32943
educator license shall require a school district and a chartered 32944
nonpublic school to establish local professional development 32945
committees. In a nonpublic school, the chief administrative 32946
officer shall establish the committees in any manner acceptable to 32947
such officer. The committees established under this division shall 32948
determine whether coursework that a district or chartered 32949
nonpublic school teacher proposes to complete meets the 32950
requirement of the rules. The department of education shall 32951
provide technical assistance and support to committees as the 32952
committees incorporate the professional development standards 32953
adopted by the state board of education pursuant to section 32954
3319.61 of the Revised Code into their review of coursework that 32955
is appropriate for license renewal. The rules shall establish a 32956
procedure by which a teacher may appeal the decision of a local 32957

professional development committee. 32958

(2) In any school district in which there is no exclusive 32959
representative established under Chapter 4117. of the Revised 32960
Code, the professional development committees shall be established 32961
as described in division (C)(2) of this section. 32962

Not later than the effective date of the rules adopted under 32963
this section, the board of education of each school district shall 32964
establish the structure for one or more local professional 32965
development committees to be operated by such school district. The 32966
committee structure so established by a district board shall 32967
remain in effect unless within thirty days prior to an anniversary 32968
of the date upon which the current committee structure was 32969
established, the board provides notice to all affected district 32970
employees that the committee structure is to be modified. 32971
Professional development committees may have a district-level or 32972
building-level scope of operations, and may be established with 32973
regard to particular grade or age levels for which an educator 32974
license is designated. 32975

Each professional development committee shall consist of at 32976
least three classroom teachers employed by the district, one 32977
principal employed by the district, and one other employee of the 32978
district appointed by the district superintendent. For committees 32979
with a building-level scope, the teacher and principal members 32980
shall be assigned to that building, and the teacher members shall 32981
be elected by majority vote of the classroom teachers assigned to 32982
that building. For committees with a district-level scope, the 32983
teacher members shall be elected by majority vote of the classroom 32984
teachers of the district, and the principal member shall be 32985
elected by a majority vote of the principals of the district, 32986
unless there are two or fewer principals employed by the district, 32987
in which case the one or two principals employed shall serve on 32988
the committee. If a committee has a particular grade or age level 32989

scope, the teacher members shall be licensed to teach such grade 32990
or age levels, and shall be elected by majority vote of the 32991
classroom teachers holding such a license and the principal shall 32992
be elected by all principals serving in buildings where any such 32993
teachers serve. The district superintendent shall appoint a 32994
replacement to fill any vacancy that occurs on a professional 32995
development committee, except in the case of vacancies among the 32996
elected classroom teacher members, which shall be filled by vote 32997
of the remaining members of the committee so selected. 32998

Terms of office on professional development committees shall 32999
be prescribed by the district board establishing the committees. 33000
The conduct of elections for members of professional development 33001
committees shall be prescribed by the district board establishing 33002
the committees. A professional development committee may include 33003
additional members, except that the majority of members on each 33004
such committee shall be classroom teachers employed by the 33005
district. Any member appointed to fill a vacancy occurring prior 33006
to the expiration date of the term for which a predecessor was 33007
appointed shall hold office as a member for the remainder of that 33008
term. 33009

The initial meeting of any professional development 33010
committee, upon election and appointment of all committee members, 33011
shall be called by a member designated by the district 33012
superintendent. At this initial meeting, the committee shall 33013
select a chairperson and such other officers the committee deems 33014
necessary, and shall adopt rules for the conduct of its meetings. 33015
Thereafter, the committee shall meet at the call of the 33016
chairperson or upon the filing of a petition with the district 33017
superintendent signed by a majority of the committee members 33018
calling for the committee to meet. 33019

(3) In the case of a school district in which an exclusive 33020
representative has been established pursuant to Chapter 4117. of 33021

the Revised Code, professional development committees shall be 33022
established in accordance with any collective bargaining agreement 33023
in effect in the district that includes provisions for such 33024
committees. 33025

If the collective bargaining agreement does not specify a 33026
different method for the selection of teacher members of the 33027
committees, the exclusive representative of the district's 33028
teachers shall select the teacher members. 33029

If the collective bargaining agreement does not specify a 33030
different structure for the committees, the board of education of 33031
the school district shall establish the structure, including the 33032
number of committees and the number of teacher and administrative 33033
members on each committee; the specific administrative members to 33034
be part of each committee; whether the scope of the committees 33035
will be district levels, building levels, or by type of grade or 33036
age levels for which educator licenses are designated; the lengths 33037
of terms for members; the manner of filling vacancies on the 33038
committees; and the frequency and time and place of meetings. 33039
However, in all cases, except as provided in division (C)(4) of 33040
this section, there shall be a majority of teacher members of any 33041
professional development committee, there shall be at least five 33042
total members of any professional development committee, and the 33043
exclusive representative shall designate replacement members in 33044
the case of vacancies among teacher members, unless the collective 33045
bargaining agreement specifies a different method of selecting 33046
such replacements. 33047

(4) Whenever an administrator's coursework plan is being 33048
discussed or voted upon, the local professional development 33049
committee shall, at the request of one of its administrative 33050
members, cause a majority of the committee to consist of 33051
administrative members by reducing the number of teacher members 33052
voting on the plan. 33053

(D)(1) The department of education, educational service 33054
centers, county boards of mental retardation and developmental 33055
disabilities, regional professional development centers, special 33056
education regional resource centers, college and university 33057
departments of education, head start programs, the eTech Ohio 33058
~~SchoolNet~~ commission, and the Ohio education computer network may 33059
establish local professional development committees to determine 33060
whether the coursework proposed by their employees who are 33061
licensed or certificated under this section or section 3319.222 of 33062
the Revised Code meet the requirements of the rules adopted under 33063
this section. They may establish local professional development 33064
committees on their own or in collaboration with a school district 33065
or other agency having authority to establish them. 33066

Local professional development committees established by 33067
county boards of mental retardation and developmental disabilities 33068
shall be structured in a manner comparable to the structures 33069
prescribed for school districts in divisions (C)(2) and (3) of 33070
this section, as shall the committees established by any other 33071
entity specified in division (D)(1) of this section that provides 33072
educational services by employing or contracting for services of 33073
classroom teachers licensed or certificated under this section or 33074
section 3319.222 of the Revised Code. All other entities specified 33075
in division (D)(1) of this section shall structure their 33076
committees in accordance with guidelines which shall be issued by 33077
the state board. 33078

(2) Any public agency that is not specified in division 33079
(D)(1) of this section but provides educational services and 33080
employs or contracts for services of classroom teachers licensed 33081
or certificated under this section or section 3319.222 of the 33082
Revised Code may establish a local professional development 33083
committee, subject to the approval of the department of education. 33084
The committee shall be structured in accordance with guidelines 33085

issued by the state board. 33086

Sec. 3319.235. (A) The standards for the preparation of 33087
teachers adopted under section 3319.23 of the Revised Code shall 33088
require any institution that provides a course of study for the 33089
training of teachers to ensure that graduates of such course of 33090
study are skilled at integrating educational technology in the 33091
instruction of children, as evidenced by the graduate having 33092
either demonstrated proficiency in such skills in a manner 33093
prescribed by the department of education or completed a course 33094
that includes training in such skills. 33095

(B) The eTech Ohio ~~SchoolNet~~ commission, ~~established pursuant~~ 33096
~~to section 3301.80 of the Revised Code,~~ shall establish model 33097
professional development programs to assist teachers who completed 33098
their teacher preparation prior to the effective date of division 33099
(A) of this section to become skilled at integrating educational 33100
technology in the instruction of children. The commission shall 33101
provide technical assistance to school districts wishing to 33102
establish such programs. 33103

Sec. 3319.55. (A) A grant program is hereby established to 33104
recognize and reward teachers in public and chartered nonpublic 33105
schools who hold valid teaching certificates or licenses issued by 33106
the national board for professional teaching standards. The 33107
superintendent of public instruction shall administer this program 33108
in accordance with this section and rules which the state board of 33109

~~credit~~ unit in the ensuing sales period. Such price shall be based 34838
on sound actuarial principles, and shall, to the extent 34839

general revenue fund appropriations for administrative costs. The 34843
sales period to which such price applies shall consist of twelve 34844
months, and the authority by rule shall establish the date on 34845
which the sales period begins. If circumstances arise during a 34846
sales period that the authority determines causes the price of 34847
tuition ~~credits~~ units to be insufficient to ensure the actuarial 34848
soundness of the Ohio tuition trust fund, the authority may adjust 34849
the price of tuition ~~credits~~ units purchased during the remainder 34850
of the sales period. To promote the purchase of tuition ~~credits~~ 34851
units and in accordance with actuarially sound principles, the 34852
authority may adjust the sales price as part of incentive 34853

the beneficiary is enrolled. The authority may, at its sole 35175
option, designate the institution of higher education at which the 35176
beneficiary is enrolled as the agent of the authority for purposes 35177
of refunds pursuant to this division. 35178~~

~~(G) If, in any academic term for which tuition credits or any 35179
amounts in a variable college savings program account have been 35180
used to pay all or part of a beneficiary's tuition, the 35181
beneficiary withdraws from the institution of higher education at 35182
which the beneficiary is enrolled prior to the end of the academic 35183

withdrawal equal to that portion of the tuition paid with tuition 35185
credits or the amounts in a variable college savings program 35186
account shall be made to the authority, unless the authority 35187
designates a different procedure. The authority shall credit any 35188
refund received, less any reasonable charges and fees provided for 35189
by the authority, to the appropriate account established under 35190
division (F)(1) or (2) of section 3334.11 of the Revised Code or 35191
division (H) of this section. 35192~~

~~(H)(D) The authority shall maintain a separate account for 35193
each variable college savings contract entered into pursuant to 35194
division (A) of section 3334.18 of the Revised Code for 35195~~

contributions made on behalf of a beneficiary, showing the name of 35196
the beneficiary of that contract and the amount of contributions 35197
made pursuant to that contract. Upon request of any beneficiary or 35198
contributor, the authority shall provide a statement indicating, 35199
in the case of a beneficiary, the amount of contributions made 35200
pursuant to that contract on behalf of the beneficiary, or, in the 35201
case of a contributor, contributions made, disbursed, or refunded 35202
pursuant to that contract. 35203

Sec. 3334.11. (A) The assets of the Ohio tuition trust 35204
authority reserved for payment of the obligations of the authority 35205
pursuant to tuition payment contracts shall be placed in a fund, 35206
which is hereby created and shall be known as the Ohio tuition 35207
trust fund. The fund shall be in the custody of the treasurer of 35208
state, but shall not be part of the state treasury. That portion 35209
of payments received by the authority or the treasurer of state 35210
from persons purchasing tuition ~~credits~~ units under tuition 35211
payment contracts that the authority determines is actuarially 35212
necessary for the payment of obligations of the authority pursuant 35213
to tuition payment contracts, all interest and investment income 35214
earned by the fund, and all other receipts of the authority from 35215
any other source that the authority determines appropriate, shall 35216
be deposited in the fund. No purchaser or beneficiary of tuition 35217
~~credits~~ units shall have any claim against the funds of any state 35218
institution of higher education. All investment fees and other 35219
costs incurred in connection with the exercise of the investment 35220
powers of the authority pursuant to divisions (D) and (E) of this 35221
section shall be paid from the assets of the fund. 35222

(B) Unless otherwise provided by the authority, the assets of 35223
the Ohio tuition trust fund shall be expended in the following 35224
order: 35225

(1) To make payments to beneficiaries, or institutions of 35226

higher education on behalf of beneficiaries, under division (B) of 35227
section 3334.09 of the Revised Code; 35228

(2) To make refunds as provided in divisions ~~(B)~~, ~~(E)~~, (A) and 35229
~~(F)~~(C) of section 3334.10 of the Revised Code; 35230

(3) To pay the investment fees and other costs of 35231
administering the fund. 35232

(C)(1) Except as may be provided in an agreement under 35233
division (A)(19) of section 3334.08 of the Revised Code, all 35234
disbursements from the Ohio tuition trust fund shall be made by 35235
the treasurer of state on order of a designee of the authority. 35236

(2) The treasurer of state shall deposit any portion of the 35237
Ohio tuition trust fund not needed for immediate use in the same 35238
manner as state funds are deposited. 35239

(D) The authority is the trustee of the Ohio tuition trust 35240
fund. The authority shall have full power to invest the assets of 35241
the fund and in exercising this power shall be subject to the 35242
limitations and requirements contained in divisions (K) to (M) of 35243
this section and sections 145.112 and 145.113 of the Revised Code. 35244
The evidences of title of all investments shall be delivered to 35245
the treasurer of state or to a qualified trustee designated by the 35246
treasurer of state as provided in section 135.18 of the Revised 35247
Code. Assets of the fund shall be administered by the authority in 35248
a manner designed to be actuarially sound so that the assets of 35249
the fund will be sufficient to satisfy the obligations of the 35250
authority pursuant to tuition payment contracts and defray the 35251
reasonable expenses of administering the fund. 35252

(E) The public employees retirement board shall, with the 35253
approval of the authority, exercise the investment powers of the 35254
authority as set forth in division (D) of this section until the 35255
authority determines that assumption and exercise by the authority 35256
of the investment powers is financially and administratively 35257

feasible. The investment powers shall be exercised by the public 35258
employees retirement board in a manner agreed upon by the 35259
authority that maximizes the return on investment and minimizes 35260
the administrative expenses. 35261

(F)(1) The authority shall maintain a separate account for 35262
each tuition payment contract entered into pursuant to division 35263
(A) of section 3334.09 of the Revised Code for the purchase of 35264
tuition ~~credits~~ units on behalf of a beneficiary or beneficiaries 35265
showing the beneficiary or beneficiaries of that contract and the 35266
number of tuition ~~credits~~ units purchased pursuant to that 35267
contract. Upon request of any beneficiary or person who has 35268
entered into a tuition payment contract, the authority shall 35269
provide a statement indicating, in the case of a beneficiary, the 35270
number of tuition ~~credits~~ units purchased on behalf of the 35271
beneficiary, or in the case of a person who has entered into a 35272
tuition payment contract, the number of tuition ~~credits~~ units 35273
purchased, used, or refunded pursuant to that contract. A 35274
beneficiary and person that have entered into a tuition payment 35275
contract each may file only one request under this division in any 35276
year. 35277

(2) The authority shall maintain an account for each 35278
scholarship program showing the number of tuition ~~credits~~ units 35279
that have been purchased for or donated to the program and the 35280
number of tuition ~~credits~~ units that have been used. Upon the 35281
request of the entity that established the scholarship program, 35282
the authority shall provide a statement indicating these numbers. 35283

(G) In addition to the Ohio tuition trust fund, there is 35284
hereby established a reserve fund that shall be in the custody of 35285
the treasurer of state but shall not be part of the state 35286
treasury, and shall be known as the Ohio tuition trust reserve 35287
fund, and an operating fund that shall be part of the state 35288
treasury, and shall be known as the Ohio tuition trust operating 35289

fund. That portion of payments received by the authority or the 35290
treasurer of state from persons purchasing tuition ~~credits~~ units 35291
under tuition payment contracts that the authority determines is 35292
not actuarially necessary for the payment of obligations of the 35293
authority pursuant to tuition payment contracts, any interest and 35294
investment income earned by the reserve fund, any administrative 35295
charges and fees imposed by the authority on transactions under 35296
this chapter or on purchasers or beneficiaries of tuition ~~credits~~ 35297
units, and all other receipts from any other source that the 35298
authority determines appropriate, shall be deposited in the 35299
reserve fund to pay the operating expenses of the authority and 35300
the costs of administering the program. The assets of the reserve 35301
fund may be invested in the same manner and subject to the same 35302
limitations set forth in divisions (D), (E), and (K) to (M) of 35303
this section and sections 145.112 and 145.113 of the Revised Code. 35304
All investment fees and other costs incurred in connection with 35305
the exercise of the investment powers shall be paid from the 35306
assets of the reserve fund. Except as otherwise provided for in 35307
this chapter, all operating expenses of the authority and costs of 35308
administering the program shall be paid from the operating fund. 35309
The treasurer shall, upon request of the authority, transfer funds 35310
from the reserve fund to the operating fund as the authority 35311
determines appropriate to pay those current operating expenses of 35312
the authority and costs of administering the program as the 35313
authority designates. Any interest or investment income earned on 35314
the assets of the operating fund shall be deposited in the 35315
operating fund. 35316

(H) In January of each year the authority shall report to 35317
each person who received any payments or refunds from the 35318
authority during the preceding year information relative to the 35319
value of the payments or refunds to assist in determining that 35320
person's tax liability. 35321

(I) The authority shall report to the tax commissioner any 35322
information, and at the times, as the tax commissioner requires to 35323
determine any tax liability that a person may have incurred during 35324
the preceding year as a result of having received any payments or 35325
refunds from the authority. 35326

(J) All records of the authority indicating the identity of 35327
purchasers and beneficiaries of tuition ~~credits~~ units or college 35328
savings bonds, the number of tuition ~~credits~~ units purchased, 35329
used, or refunded under a tuition payment contract, and the number 35330
of college savings bonds purchased, held, or redeemed are not 35331
public records within the meaning of section 149.43 of the Revised 35332
Code. 35333

(K) The authority and other fiduciaries shall discharge their 35334
duties with respect to the funds with care, skill, prudence, and 35335
diligence under the circumstances then prevailing that a prudent 35336
person acting in a like capacity and familiar with such matters 35337
would use in the conduct of an enterprise of a like character and 35338
with like aims; and by diversifying the investments of the assets 35339
of the funds so as to minimize the risk of large losses, unless 35340
under the circumstances it is clearly prudent not to do so. 35341

To facilitate investment of the funds, the authority may 35342
establish a partnership, trust, limited liability company, 35343
corporation, including a corporation exempt from taxation under 35344
the Internal Revenue Code, 100 Stat. 2085, 26 U.S.C. 1, as 35345
amended, or any other legal entity authorized to transact business 35346
in this state. 35347

(L) In exercising its fiduciary responsibility with respect 35348
to the investment of the assets of the funds, it shall be the 35349
intent of the authority to give consideration to investments that 35350
enhance the general welfare of the state and its citizens where 35351
the investments offer quality, return, and safety comparable to 35352
other investments currently available to the authority. In 35353

fulfilling this intent, equal consideration shall also be given to 35354
investments otherwise qualifying under this section that involve 35355
minority owned and controlled firms and firms owned and controlled 35356
by women, either alone or in joint venture with other firms. 35357

The authority shall adopt, in regular meeting, policies, 35358
objectives, or criteria for the operation of the investment 35359
program that include asset allocation targets and ranges, risk 35360
factors, asset class benchmarks, time horizons, total return 35361
objectives, and performance evaluation guidelines. In adopting 35362
policies and criteria for the selection of agents with whom the 35363
authority may contract for the administration of the assets of the 35364
funds, the authority shall give equal consideration to minority 35365
owned and controlled firms, firms owned and controlled by women, 35366
and ventures involving minority owned and controlled firms and 35367
firms owned and controlled by women that otherwise meet the 35368
policies and criteria established by the authority. Amendments and 35369
additions to the policies and criteria shall be adopted in regular 35370
meeting. The authority shall publish its policies, objectives, and 35371
criteria under this provision no less often than annually and 35372
shall make copies available to interested parties. 35373

When reporting on the performance of investments, the 35374
authority shall comply with the performance presentation standards 35375
established by the association for investment management and 35376
research. 35377

(M) All investments shall be purchased at current market 35378
prices and the evidences of title of the investments shall be 35379
placed in the hands of the treasurer of state, who is hereby 35380
designated as custodian thereof, or in the hands of the treasurer 35381
of state's authorized agent. The treasurer of state or the agent 35382
shall collect the principal, dividends, distributions, and 35383
interest thereon as they become due and payable and place them 35384
when so collected into the custodial funds. 35385

The treasurer of state shall pay for investments purchased by 35386
the authority on receipt of written or electronic instructions 35387
from the authority or the authority's designated agent authorizing 35388
the purchase and pending receipt of the evidence of title of the 35389
investment by the treasurer of state or the treasurer of state's 35390
authorized agent. The authority may sell investments held by the 35391
authority, and the treasurer of state or the treasurer of state's 35392
authorized agent shall accept payment from the purchaser and 35393
deliver evidence of title of the investment to the purchaser on 35394
receipt of written or electronic instructions from the authority 35395
or the authority's designated agent authorizing the sale, and 35396
pending receipt of the moneys for the investments. The amount 35397
received shall be placed in the custodial funds. The authority and 35398
the treasurer of state may enter into agreements to establish 35399
procedures for the purchase and sale of investments under this 35400
division and the custody of the investments. 35401

No purchase or sale of any investment shall be made under 35402
this section except as authorized by the authority. 35403

Any statement of financial position distributed by the 35404
authority shall include fair value, as of the statement date, of 35405
all investments held by the authority under this section. 35406

Sec. 3334.12. Notwithstanding anything to the contrary in 35407
sections 3334.07 and 3334.09 of the Revised Code: 35408

(A) Annually, the Ohio tuition trust authority shall have the 35409
actuarial soundness of the Ohio tuition trust fund evaluated by a 35410
nationally recognized actuary and shall determine whether 35411
additional assets are necessary to defray the obligations of the 35412
authority. If, after the authority sets the price for tuition 35413
~~credits~~ units, circumstances arise that the executive director 35414
determines necessitate an additional evaluation of the actuarial 35415
soundness of the fund, the executive director shall have a 35416

nationally recognized actuary conduct the necessary evaluation. If 35417
the assets of the fund are insufficient to ensure the actuarial 35418
soundness of the fund, the authority shall adjust the price of 35419
subsequent purchases of tuition ~~credits~~ units to the extent 35420
necessary to help restore the actuarial soundness of the fund. If, 35421
at any time, the adjustment is likely, in the opinion of the 35422
authority, to diminish the marketability of tuition ~~credits~~ units 35423
to an extent that the continued sale of the ~~credits~~ units likely 35424
would not restore the actuarial soundness of the fund and external 35425
economic factors continue to negatively impact the soundness of 35426
the program, the authority may suspend sales, either permanently 35427
or temporarily, of tuition ~~credits~~ units. During any suspension, 35428
the authority shall continue to service existing college savings 35429
program accounts. 35430

(B) Upon termination of the program or liquidation of the 35431
Ohio tuition trust fund, the Ohio tuition trust reserve fund, and 35432
the Ohio tuition trust operating fund, any remaining assets of the 35433
funds after all obligations of the funds have been satisfied 35434
pursuant to division (B) of section 3334.11 of the Revised Code 35435
shall be transferred to the general revenue fund of the state. 35436

(C) The authority shall prepare and cause to have audited an 35437
annual financial report on all financial activity of the Ohio 35438
tuition trust authority within ninety days of the end of the 35439
fiscal year. The authority shall transmit a copy of the audited 35440
financial report to the governor, the president of the senate, the 35441
speaker of the house of representatives, and the minority leaders 35442
of the senate and the house of representatives. Copies of the 35443
audited financial report also shall be made available, upon 35444
request, to the persons entering into contracts with the authority 35445
and to prospective purchasers of tuition ~~credits~~ units and 35446
prospective contributors to variable college savings program 35447
accounts. 35448

Sec. 3334.15. (A) The right of a person to a tuition ~~credit~~ unit or a payment under section 3334.09 of the Revised Code pursuant to a tuition ~~credit~~ payment contract, a scholarship program, or a variable college savings program account shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or the insolvency laws, or other process of law.

(B) The right of a person to a tuition ~~credit~~ unit or a payment under section 3334.09 of the Revised Code pursuant to a tuition ~~credit~~ payment contract, a scholarship program, or a variable college savings program account shall not be used as security or collateral for a loan.

Sec. 3334.16. The general assembly hereby finds that the prepaid tuition program providing for the sale of tuition credits units by the Ohio tuition trust authority is an official state function, offered through an agency of this state, which agency receives state appropriations. Therefore, the authority is directed by the state of Ohio to assume it is exempt from federal tax liability.

Sec. 3334.17. (A) The state, any political subdivision of the state, and any organization that is exempt from federal income taxation under section 501 (a) and described in section 501 (c)(3) of the Internal Revenue Code, including the Ohio tuition trust authority if this is authorized under federal tax law, may establish a scholarship program to award scholarships consisting of contributions made to any college savings program for students. Any scholarship program established under this section shall be registered with the authority. The authority shall be notified of the name and address of each scholarship beneficiary under the program, the amounts awarded, and the institution of higher education in which the beneficiary is enrolled. Scholarship

beneficiaries shall be selected by the entity establishing the 35479
scholarship program, in accordance with criteria established by 35480
the entity. 35481

(B) Any person or governmental entity may purchase tuition 35482
~~credits~~ units on behalf of a scholarship program that is or is to 35483
be established in accordance with division (A) of this section at 35484
the same price as is established for the purchase of ~~credits~~ units 35485
for named beneficiaries pursuant to this chapter. Tuition ~~credits~~ 35486
units shall have the same value to the beneficiary of a 35487
scholarship awarded pursuant to this section as they would have to 35488
any other beneficiary pursuant to division (B) of section 3334.09 35489
of the Revised Code. 35490

(C) The entity establishing and maintaining a scholarship 35491
program shall specify whether a scholarship beneficiary may 35492
receive a refund or payment for the amount awarded under the 35493
scholarship program directly from the authority, or whether the 35494
amount awarded shall be paid by the authority only to the 35495
institution of higher education in which the student is enrolled. 35496

(D) If a scholarship beneficiary does not use the amount 35497
awarded within a length of time specified under the scholarship 35498
program, the amount may be awarded to another beneficiary. 35499

Sec. 3334.18. (A) A variable college savings program 35500
established by the Ohio tuition trust authority shall include 35501
provisions for a contract to be entered into between a contributor 35502
and the authority that will authorize the contributor to open an 35503
account for a beneficiary and authorize the contributor to 35504
substitute a new beneficiary for one originally named in the 35505
contract, to the extent permitted by section 529 of the Internal 35506
Revenue Code. 35507

(B) The authority shall provide adequate safeguards to 35508
prevent total contributions to a variable college savings program 35509

account or purchases of tuition ~~credits~~ units, either separately 35510
or combined, that are made on behalf of a beneficiary from 35511
exceeding the amount necessary to provide for the tuition and 35512
other higher education expenses of the beneficiary, consistent 35513
with the maximum contributions permitted by section 529 of the 35514
Internal Revenue Code. However, in no event shall contributions or 35515
purchases exceed the allowable limit for a qualified ~~state~~ tuition 35516
program under section 529 of the Internal Revenue Code. 35517

(C)(1) Participation in the variable college savings program 35518
does not guarantee that contributions and the investment return on 35519
contributions, if any, will be adequate to cover future tuition 35520
and other higher education expenses or that a beneficiary will be 35521
admitted to or permitted to continue to attend an institution of 35522
higher education. 35523

(2) Returns on contributors' investments in the variable 35524
college savings program are not guaranteed by the state and the 35525
contributors to the variable college savings program assume all 35526
investment risk, including the potential loss of principal and 35527
liability for penalties such as those levied for noneducational 35528
withdrawals. 35529

(3) The state shall have no debt or obligation to any 35530
contributor, beneficiary, or any other person as a result of the 35531
establishment of the program, and the state assumes no risk or 35532
liability for funds invested in the variable college savings 35533
program. 35534

(4) Informational materials about the variable college 35535
savings program prepared by the authority or its agents and 35536
provided to prospective contributors shall state clearly the 35537
information set forth in division (C) of this section. 35538

Sec. 3334.19. (A) The Ohio tuition trust authority shall 35539
adopt an investment plan that sets forth investment policies and 35540

guidelines to be utilized in administering the variable college 35541
savings program. Except as provided in section 3334.20 of the 35542
Revised Code, the authority shall contract with one or more 35543
insurance companies, banks, or other financial institutions to act 35544
as its investment agents and to provide such services as the 35545
authority considers appropriate to the investment plan, including: 35546

(2) Record keeping and accounting for individual accounts and 35548
for the program as a whole; 35549

(3) Provision of consolidated statements of account. 35550

(B) The authority or its investment agents shall maintain a 35551
separate account for the beneficiary of each contract entered into 35552
under the variable college savings program. If a beneficiary has 35553
more than one such account, the authority or its agents shall 35554
track total contributions and earnings and provide a consolidated 35555
system of account distributions to institutions of higher 35556
education. 35557

(C) The authority or its investment agents may place assets 35558
of the program in savings accounts and may purchase fixed or 35559
variable life insurance or annuity contracts, securities, evidence 35560
of indebtedness, or other investment products pursuant to the 35561
investment plan. 35562

(D) Contributors shall not direct the investment of their 35563
contributions under the investment plan. The authority shall 35564
impose other limits on contributors' investment discretion to the 35565
extent required under section 529 of the Internal Revenue Code. 35566

(E) The investment agents with which the authority contracts 35567
shall discharge their duties with respect to program funds with 35568
the care and diligence that a prudent person familiar with such 35569
matters and with the character and aims of the program would use. 35570

(F) The assets of the program shall be preserved, invested, 35571
and expended solely for the purposes of this chapter and shall not 35572
be loaned or otherwise transferred or used by the state for any 35573
other purpose. This section shall not be construed to prohibit the 35574
investment agents of the authority from investing, by purchase or 35575
otherwise, in bonds, notes, or other obligations of the state or 35576
any agency or instrumentality of the state. Unless otherwise 35577
specified by the authority, assets of the program shall be 35578
expended in the following order of priority: 35579

(1) To make payments on behalf of beneficiaries; 35580

(2) To make refunds upon termination of variable college 35581
savings program contracts; 35582

(3) To pay the authority's costs of administering the 35583
program; 35584

(4) To pay or cover any other expenditure or disbursement the 35585
authority determines necessary or appropriate. 35586

(G) Fees, charges, and other costs imposed or collected by 35587
the authority in connection with the variable college savings 35588
program, including any fees or other payments that the authority 35589
requires an investment agent to pay to the authority, shall be 35590
credited to either the variable operating fund or the index 35591
operating fund at the discretion of the authority. ~~The fund shall~~ 35592
~~be~~ These funds are hereby created ~~in the custody of the treasurer~~ 35593
~~of state, but shall not be part of the state treasury.~~ Expenses 35594

program, as well as other expenses, disbursements, or payments the 35596
authority considers appropriate for the benefit of any college 35597
savings programs administered by the authority, the state of Ohio 35598
and its citizens, shall be paid from the variable operating fund 35599
or the index operating fund at the discretion of the authority. 35600

(H) No records of the authority indicating the identity of 35601

purchasers, contributors, and beneficiaries under the program or 35602
amounts contributed to, earned by, or distributed from program 35603
accounts are public records within the meaning of section 149.43 35604

Code but before the reduction prescribed by section 319.302 or 36203
323.152 of the Revised Code, by the taxable value for the taxing 36204
subdistrict for that tax year. 36205

(G)(1) The board of trustees may propose to levy a tax on 36206
taxable property in Montgomery county to be voted on by the 36207
electors of Montgomery county as provided in division (G)(3) of 36208
this section. Any money raised by a tax levied by the former 36209
community college district of Montgomery county or a subsequent 36210
tax levied in Montgomery county in accordance with division (G)(3) 36211
of this section shall be used solely for the benefit of Montgomery 36212
county residents attending Sinclair community college in the form 36213

instructional facilities, equipment and support services located 36215
within Montgomery county, shall be deposited into a separate fund 36216
from all other revenues of the district, and shall be budgeted 36217

rate of tuition charged to Warren county residents commensurate 36230
with the amount of that tax the board of trustees dedicates for 36231
instructional and general services provided to Warren county 36232
residents. 36233

(3) For each taxing subdistrict of the community college 36234

"district" and "community college district" are used, those terms 36240
shall be construed to mean the appropriate taxing subdistrict 36241
described in division (B)(2) of this section, except that the 36242
"board of trustees of the community college district" means the 36243
board of trustees for the entire community college district as 36244
described in division (C) of this section. That board of trustees 36245

subdistricts. 36247

(b) "Tax duplicate," as used in section 3354.12 of the 36248
Revised Code, means the tax duplicate of only the appropriate 36249
taxing subdistrict and not the tax duplicate of the entire 36250

levy in the Warren county taxing subdistrict is subject to 36253
approval of a two-thirds vote of the board of county commissioners 36254
of Warren county. If so approved by the board of county 36255
commissioners of Warren county, that board shall certify the 36256
resolution to the Warren county board of elections, which shall 36257
place on the ballot for the electors of Warren county the question 36258
of levying the tax proposed in the resolution on all taxable 36259
property of the county. If approved by the electors of the county, 36260
the tax shall be levied as provided in section 3354.12 of the 36261
Revised Code and anticipation notes may be issued by the board of 36262
trustees in accordance with that section. 36263

(H)(1) The board of trustees of the community college 36264
district created by this section may issue bonds in accordance 36265
with section 3354.11 of the Revised Code; however, the board may 36266
limit the question of approval of the issue of those bonds to the 36267
electors of only one of the two taxing subdistricts described in 36268
division (B)(2) of this section, in which case the board also may 36269
limit the use of the property or improvements to the residents of 36270
that subdistrict. 36271

(2) A resolution of the board of trustees proposing the 36272
issuance of bonds for only the Warren county taxing subdistrict is 36273
subject to approval of a two-thirds vote of the board of county 36274
commissioners of Warren county. If so approved by the board of 36275
county commissioners of Warren county, that board shall certify 36276
the resolution to the Warren county board of elections which shall 36277
place on the ballot for the electors of Warren county the question 36278
of issuing bonds as proposed in the resolution. 36279

3365.041 of the Revised Code, if the student successfully 36448

When determining a school district's formula ADM under 36462
section 3317.03 of the Revised Code, the time a participant is 36463
attending courses under division (A) of this section shall be 36464
considered as time the participant is not attending or enrolled in 36465
school anywhere, and the time a participant is attending courses 36466

superintendent or board shall send a written notice of the 36472
expulsion to any college in which the expelled student is enrolled 36473
under section 3365.03 of the Revised Code at the time the 36474
expulsion is imposed. The notice shall indicate the date the 36475
expulsion is scheduled to expire. The notice also shall indicate 36476
whether the district board of education or community school 36477
governing authority has adopted a policy under section 3313.613 of 36478
the Revised Code to deny high school credit for post-secondary 36479
courses taken during an expulsion. If the expulsion is extended 36480
under division (F) of section 3313.66 of the Revised Code, the 36481
district superintendent or governing authority shall notify the 36482
college of the extension. 36483

(B) A college may withdraw its acceptance under section 36484
3365.03 of the Revised Code of a student who is expelled from 36485
school under division (B) of section 3313.66 of the Revised Code. 36486
As provided in section 3365.03 of the Revised Code, regardless of 36487
whether the college withdraws its acceptance of the student for 36488
the college term in which the student is expelled, the student is 36489
ineligible to enroll in a college under that section for 36490
subsequent college terms during the period of the expulsion, 36491
unless the student enrolls in another school district or community 36492
school, or participating nonpublic school during that period. 36493

If a college withdraws its acceptance of an expelled student 36494
who elected ~~the~~ either option of division (A) (1) or (2) of section 36495
3365.04 of the Revised Code, the college shall refund tuition and 36496
fees paid by the student in the same proportion that it refunds 36497

tuition and fees to students who voluntarily withdraw from the 36498
college at the same time in the term. 36499

If a college withdraws its acceptance of an expelled student 36500
who elected the option of division (B) of section 3365.04 of the 36501
Revised Code, the school district or community school shall not 36502

Revised Code for the student's attendance prior to the withdrawal 36506
shall be the same as would be paid for a student who voluntarily 36507

the college may require the student to return or pay for the 36510
textbooks and materials it provided the student free of charge 36511
under section 3365.08 of the Revised Code. 36512

(C) When a student who elected the option of division (B) of 36513
section 3365.04 of the Revised Code is expelled under division (B) 36514
of section 3313.66 of the Revised Code from a school district or 36515
community school that has adopted a policy under section 3313.613 36516
of the Revised Code, that election is automatically revoked for 36517
all college courses in which the student is enrolled during the 36518
college term in which the expulsion is imposed. Any reimbursement 36519
under section 3365.07 of the Revised Code for the student's 36520
attendance prior to the expulsion shall be the same as would be 36521
paid for a student who voluntarily withdrew from the college at 36522
the same time in the term. If the revocation results in the 36523
college's receiving no reimbursement, the college may require the 36524
student to return or pay for the textbooks and materials it 36525
provided the student free of charge under section 3365.08 of the 36526
Revised Code. 36527

3313.613 of the Revised Code, the college shall send a written 36531
notice to the expelled student that the student's election of 36532
division (B) of section 3365.04 of the Revised Code is revoked. If 36533
the college elects not to withdraw its acceptance of the student, 36534
the student shall pay all applicable tuition and fees for the 36535
college courses and shall pay for the textbooks and materials that 36536
the college provided under section 3365.08 of the Revised Code. 36537

Sec. 3365.05. High school credit awarded for courses 36538
successfully completed under this chapter shall count toward the 36539
graduation requirements and subject area requirements of the 36540
school district, community school, or nonpublic school. If a 36541
course comparable to one a student completed at a college is 36542
offered by the district, community school, or nonpublic school, 36543
the board or school shall award comparable credit for the course 36544
completed at the college. If no comparable course is offered by 36545
the district, community school, or nonpublic school, the board or 36546
school shall grant an appropriate number of credits in a similar 36547
subject area to the student. 36548

If there is a dispute between a school district board or a 36549
community school governing authority and a student regarding high 36550
school credits granted for a course, the student may appeal the 36551
board's or governing authority's decision to the state board of 36552
education. The state board's decision regarding any high school 36553
credits granted under this ~~division~~ section is final. 36554

Evidence of successful completion of each course and the high 36555
school credits awarded by the district, community school, or 36556
participating nonpublic school shall be included in the student's 36557
record. The record shall indicate that the credits were earned as 36558
a participant under this chapter and shall include the name of the 36559
college at which the credits were earned. The district board, 36560

community school governing authority, or nonpublic school shall 36561
determine whether and the manner in which the grade achieved in a 36562
course completed at a college under division (A)(2) or (B) of 36563

cumulative grade point average maintained for the student. 36565

receives reimbursement under section 3365.07 of the Revised Code 36567
shall furnish to a participant all textbooks and materials 36568
directly related to a course taken by the participant under 36569
division (B) of section 3365.04 of the Revised Code. No college 36570
shall charge such participant for tuition, textbooks, materials, 36571
or other fees directly related to any such course. 36572

of the Revised Code, a parent of a pupil enrolled in a course 36578
under division (A)(2) or (B) of section 3365.04 of the Revised 36579
Code may apply to the board of education for full or partial 36580
reimbursement for the necessary costs of transporting the student 36581
between the secondary school the student attends and the college 36582
in which the student is enrolled. Reimbursement may be paid solely 36583
from funds received by the district under division (D) of section 36584
3317.022 of the Revised Code. The state board of education shall 36585
establish guidelines, based on financial need, under which a 36586
district may provide such reimbursement. 36587

(D) If a community school provides or arranges transportation 36588
for its pupils in grades nine through twelve under section 36589
3314.091 of the Revised Code, a parent of a pupil of the community 36590
school who is enrolled in a course under division (A)(2) or (B) of 36591

section 3365.04 of the Revised Code may apply to the governing 36592

authority may pay the reimbursement in accordance with the state 36596
board's rules adopted under division (C) of this section solely 36597
from funds paid to it under section 3314.091 of the Revised Code. 36598

school in which the student is enrolled notifies the 36601
superintendent of public instruction that the student has not 36602

student is enrolled under this chapter, the superintendent of 36604
public instruction shall initiate proceedings to seek 36605
reimbursement from the student or the student's parent for the 36606
amount of state funds calculated for payment to the college on 36607

seeking reimbursement, the superintendent of public instruction 36609
may request that the attorney general bring a civil action in the 36610
court of common pleas of the county in which the school district, 36611
community school, or nonpublic school is located, if the 36612
superintendent of public instruction determines it appropriate to 36613
bring such an action. 36614

Upon the collection of any funds from a student or student's 36615
parent under this section, the superintendent of public 36616
instruction shall credit the amount collected to the school 36617
district or community school from which an amount was deducted 36618
under division (D) of section 3365.07 of the Revised Code for the 36619

for the cost of ballots and advertising. Where a special election 37246
is held on the same day as a primary or general election in an 37247
odd-numbered year, the subdivision submitting the special election 37248
shall be charged for the cost of ballots and advertising for such 37249
special election, in addition to the charges prorated to such 37250
subdivision for the election or nomination of candidates in each 37251
precinct within the subdivision, as set forth in the preceding 37252
paragraph. 37253

(E) Where a special election is held on the day specified by 37254
division (E) of section 3501.01 of the Revised Code for the 37255
holding of a primary election, for the purpose of submitting to 37256
the voters of the state constitutional amendments proposed by the 37257
general assembly, and a subdivision conducts a special election on 37258
the same day, the entire cost of the special election shall be 37259
divided proportionally between the state and the subdivision based 37260
upon a ratio determined by the number of issues placed on the 37261
ballot by each, except as otherwise provided in division (G) of 37262
this section. Such proportional division of cost shall be made 37263
only to the extent funds are available for such purpose from 37264
amounts appropriated by the general assembly to the secretary of 37265
state. If a primary election is also being conducted in the 37266
subdivision, the costs shall be apportioned as otherwise provided 37267
in this section. 37268

(F) When a precinct is open during a general, primary, or 37269
special election solely for the purpose of submitting to the 37270
voters a statewide ballot issue, the state shall bear the entire 37271
cost of the election in that precinct and shall reimburse the 37272
county for all expenses incurred in opening the precinct. 37273

(G) The state shall bear the entire cost of advertising in 37274
newspapers statewide ballot issues, explanations of those issues, 37275
and arguments for or against those issues, as required by Section 37276

1g of Article II and Section 1 of Article XVI, Ohio Constitution, 37277
and any other section of law and shall reimburse the counties for 37278
all expenses they incur for such advertising. 37279

(H) The cost of renting, heating, and lighting registration 37280
places; the cost of the necessary books, forms, and supplies for 37281
the conduct of registration; and the cost of printing and posting 37282
precinct registration lists shall be charged to the subdivision in 37283
which such registration is held. 37284

(I) As used in this section, "statewide ballot issue" means 37285
any ballot issue, whether proposed by the general assembly or by 37286
initiative or referendum, that is submitted to the voters 37287
throughout the state. 37288

Sec. 3513.04. Candidates for party nominations to state, 37289
district, county, and municipal offices or positions, for which 37290
party nominations are provided by law, and for election as members 37291
of party controlling committees shall have their names printed on 37292
the official primary ballot by filing a declaration of candidacy 37293
and paying the fees specified for the office under divisions (A) 37294
and (B) of section 3513.10 of the Revised Code, except that the 37295
joint candidates for party nomination to the offices of governor 37296
and lieutenant governor shall, for the two of them, file one 37297
declaration of candidacy. The joint candidates also shall pay the 37298
fees specified for the joint candidates under divisions (A) and 37299
(B) of section 3513.10 of the Revised Code. 37300

The secretary of state shall not accept for filing the 37301
declaration of candidacy of a candidate for party nomination to 37302
the office of governor unless the declaration of candidacy also 37303
shows a joint candidate for the same party's nomination to the 37304
office of lieutenant governor, shall not accept for filing the 37305
declaration of candidacy of a candidate for party nomination to 37306
the office of lieutenant governor unless the declaration of 37307

candidacy also shows a joint candidate for the same party's 37308
nomination to the office of governor, and shall not accept for 37309
filing a declaration of candidacy that shows a candidate for party 37310
nomination to the office of governor or lieutenant governor who, 37311
for the same election, has already filed a declaration of 37312
candidacy or a declaration of intent to be a write-in candidate, 37313
or has become a candidate by the filling of a vacancy under 37314
section 3513.30 of the Revised Code for any other state office or 37315
any federal or county office. 37316

No person who seeks party nomination for an office or 37317
position at a primary election by declaration of candidacy or by 37318
declaration of intent to be a write-in candidate and no person who 37319
is a first choice for president of candidates seeking election as 37320
delegates and alternates to the national conventions of the 37321
different major political parties who are chosen by direct vote of 37322
the electors as provided in this chapter shall be permitted to 37323
become a candidate by nominating petition or by declaration of 37324
intent to be a write-in candidate at the following general 37325
election for any office other than the office of member of the 37326
state board of education, office of member of a city, local, or 37327
exempted village board of education, office of member of a 37328
governing board of an educational service center, or office of 37329
township trustee. 37330

Sec. 3513.041. A write-in space shall be provided on the 37331
ballot for every office, except in an election for which the board 37332
of elections has received no valid declarations of intent to be a 37333
write-in candidate under this section. Write-in votes shall not be 37334
counted for any candidate who has not filed a declaration of 37335
intent to be a write-in candidate pursuant to this section. A 37336
qualified person who has filed a declaration of intent may receive 37337
write-in votes at either a primary or general election. Any 37338
candidate, ~~except one whose candidacy is to be submitted to~~ 37339

~~electors throughout the entire state,~~ shall file a declaration of 37340
intent to be a write-in candidate before four p.m. of the fiftieth 37341
day preceding the election at which such candidacy is to be 37342
considered. If the election is to be determined by electors of a 37343
county or a district or subdivision within the county, such 37344
declaration shall be filed with the board of elections of that 37345
county. If the election is to be determined by electors of a 37346
subdivision located in more than one county, such declaration 37347
shall be filed with the board of elections of the county in which 37348
the major portion of the population of such subdivision is 37349
located. If the election is to be determined by electors of a 37350
district comprised of more than one county but less than all of 37351
the counties of the state, such declaration shall be filed with 37352
the board of elections of the most populous county in such 37353
district. Any candidate for an office to be voted upon by electors 37354
throughout the entire state shall file a declaration of intent to 37355
be a write-in candidate with the secretary of state before four 37356
p.m. of the fiftieth day preceding the election at which such 37357
candidacy is to be considered. In addition, candidates for 37358
president and vice-president of the United States shall also file 37359
with the secretary of state by said fiftieth day a slate of 37360
presidential electors sufficient in number to satisfy the 37361
requirements of the United States constitution. 37362

A board of elections shall not accept for filing the 37363
declaration of intent to be a write-in candidate of a person 37364
seeking to become a candidate if that person, for the same 37365
election, has already filed a declaration of candidacy, a 37366
declaration of intent to be a write-in candidate, or a nominating 37367
petition, or has become a candidate through party nomination at a 37368
primary election or by the filling of a vacancy under section 37369
3513.30 or 3513.31 of the Revised Code, for any federal, state, or 37370
county office, if the declaration of intent to be a write-in 37371
candidate is for a state or county office, or for any municipal or 37372

township office, for member of a city, local, or exempted village 37373
board of education, or for member of a governing board of an 37374
educational service center, if the declaration of intent to be a 37375
write-in candidate is for a municipal or township office, or for 37376
member of a city, local, or exempted village board of education, 37377
or for member of a governing board of an educational service 37378
center. 37379

No person shall file a declaration of intent to be a write-in 37380
candidate for the office of governor unless the declaration also 37381
shows the intent of another person to be a write-in candidate for 37382
the office of lieutenant governor. No person shall file a 37383
declaration of intent to be a write-in candidate for the office of 37384
lieutenant governor unless the declaration also shows the intent 37385
of another person to be a write-in candidate for the office of 37386
governor. No person shall file a declaration of intent to be a 37387
write-in candidate for the office of governor or lieutenant 37388
governor if the person has previously filed a declaration of 37389
intent to be a write-in candidate to the office of governor or 37390
lieutenant governor at the same primary or general election. A 37391
write-in vote for the two candidates who file such a declaration 37392
shall be counted as a vote for them as joint candidates for the 37393
offices of governor and lieutenant governor. 37394

The secretary of state shall not accept for filing the 37395
declaration of intent to be a write-in candidate of a person for 37396
the office of governor unless the declaration also shows the 37397
intent of another person to be a write-in candidate for the office 37398
of lieutenant governor, shall not accept for filing the 37399
declaration of intent to be a write-in candidate of a person for 37400
the office of lieutenant governor unless the declaration also 37401
shows the intent of another person to be a write-in candidate for 37402
the office of governor, and shall not accept for filing the 37403
declaration of intent to be a write-in candidate of a person to 37404

the office of governor or lieutenant governor if that person, for 37405
the same election, has already filed a declaration of candidacy, a 37406
declaration of intent to be a write-in candidate, or a nominating 37407
petition, or has become a candidate through party nomination at a 37408
primary election or by the filling of a vacancy under section 37409
3513.30 or 3513.31 of the Revised Code, for any other state office 37410
or any federal or county office. 37411

Protests against the candidacy of any person filing a 37412
declaration of intent to be a write-in candidate may be filed by 37413
any qualified elector who is eligible to vote in the election at 37414
which the candidacy is to be considered. The protest shall be in 37415
writing and shall be filed not later than four p.m. of the 37416
forty-fifth day before the day of the election. The protest shall 37417
be filed with the board of elections with which the declaration of 37418
intent to be a write-in candidate was filed. Upon the filing of 37419
the protest, the board with which it is filed shall promptly fix 37420
the time for hearing it and shall proceed in regard to the hearing 37421
in the same manner as for hearings set for protests filed under 37422
section 3513.05 of the Revised Code. At the time fixed, the board 37423
shall hear the protest and determine the validity or invalidity of 37424
the declaration of intent to be a write-in candidate. If the board 37425
finds that the candidate is not an elector of the state, district, 37426
county, or political subdivision in which the candidate seeks 37427
election to office or has not fully complied with the requirements 37428
of Title XXXV of the Revised Code in regard to the candidate's 37429
candidacy, the candidate's declaration of intent to be a write-in 37430
candidate shall be determined to be invalid and shall be rejected; 37431
otherwise, it shall be determined to be valid. The determination 37432
of the board is final. 37433

The secretary of state shall prescribe the form of the 37434
declaration of intent to be a write-in candidate. 37435

Sec. 3513.05. Each person desiring to become a candidate for 37436
a party nomination or for election to an office or position to be 37437
voted for at a primary election, except persons desiring to become 37438
joint candidates for the offices of governor and lieutenant 37439
governor and except as otherwise provided in section 3513.051 of 37440
the Revised Code, shall, not later than four p.m. of the 37441
seventy-fifth day before the day of the primary election, or if 37442
the primary election is a presidential primary election, not later 37443
than four p.m. of the sixtieth day before the day of the 37444
presidential primary election, file a declaration of candidacy and 37445
petition and pay the fees required under divisions (A) and (B) of 37446
section 3513.10 of the Revised Code. The declaration of candidacy 37447
and all separate petition papers shall be filed at the same time 37448
as one instrument. When the offices are to be voted for at a 37449
primary election, persons desiring to become joint candidates for 37450
the offices of governor and lieutenant governor shall, not later 37451
than four p.m. of the seventy-fifth day before the day of the 37452
primary election, comply with section 3513.04 of the Revised Code. 37453
The prospective joint candidates' declaration of candidacy and all 37454
separate petition papers of candidacies shall be filed at the same 37455
time as one instrument. The secretary of state or a board of 37456
elections shall not accept for filing a declaration of candidacy 37457
and petition of a person seeking to become a candidate if that 37458
person, for the same election, has already filed a declaration of 37459
candidacy or a declaration of intent to be a write-in candidate, 37460
or has become a candidate by the filling of a vacancy under 37461
section 3513.30 of the Revised Code for any federal, state, or 37462
county office, if the declaration of candidacy is for a state or 37463
county office, or for any municipal or township office, if the 37464
declaration of candidacy is for a municipal or township office. 37465

If the declaration of candidacy declares a candidacy which is 37466
to be submitted to electors throughout the entire state, the 37467

petition, including a petition for joint candidates for the 37468
offices of governor and lieutenant governor, shall be signed by at 37469
least one thousand qualified electors who are members of the same 37470
political party as the candidate or joint candidates, and the 37471
declaration of candidacy and petition shall be filed with the 37472
secretary of state; provided that the secretary of state shall not 37473
accept or file any such petition appearing on its face to contain 37474
signatures of more than three thousand electors. 37475

Except as otherwise provided in this paragraph, if the 37476
declaration of candidacy is of one that is to be submitted only to 37477
electors within a district, political subdivision, or portion 37478
thereof, the petition shall be signed by not less than fifty 37479
qualified electors who are members of the same political party as 37480
the political party of which the candidate is a member. If the 37481
declaration of candidacy is for party nomination as a candidate 37482
for member of the legislative authority of a municipal corporation 37483
elected by ward, the petition shall be signed by not less than 37484
twenty-five qualified electors who are members of the political 37485
party of which the candidate is a member. 37486

No such petition, except the petition for a candidacy that is 37487
to be submitted to electors throughout the entire state, shall be 37488
accepted for filing if it appears to contain on its face 37489
signatures of more than three times the minimum number of 37490
signatures. When a petition of a candidate has been accepted for 37491
filing by a board of elections, the petition shall not be deemed 37492
invalid if, upon verification of signatures contained in the 37493
petition, the board of elections finds the number of signatures 37494
accepted exceeds three times the minimum number of signatures 37495
required. A board of elections may discontinue verifying 37496
signatures on petitions when the number of verified signatures 37497
equals the minimum required number of qualified signatures. 37498

If the declaration of candidacy declares a candidacy for 37499

party nomination or for election as a candidate of an intermediate 37500
or minor party, the minimum number of signatures on such petition 37501
is one-half the minimum number provided in this section, except 37502
that, when the candidacy is one for election as a member of the 37503
state central committee or the county central committee of a 37504
political party, the minimum number shall be the same for an 37505
intermediate or minor party as for a major party. 37506

If a declaration of candidacy is one for election as a member 37507
of the state central committee or the county central committee of 37508
a political party, the petition shall be signed by five qualified 37509
electors of the district, county, ward, township, or precinct 37510
within which electors may vote for such candidate. The electors 37511
signing such petition shall be members of the same political party 37512
as the political party of which the candidate is a member. 37513

For purposes of signing or circulating a petition of 37514
candidacy for party nomination or election, an elector is 37515
considered to be a member of a political party if the elector 37516
voted in that party's primary election within the preceding two 37517
calendar years, or if the elector did not vote in any other 37518
party's primary election within the preceding two calendar years. 37519

If the declaration of candidacy is of one that is to be 37520
submitted only to electors within a county, or within a district 37521
or subdivision or part thereof smaller than a county, the petition 37522
shall be filed with the board of elections of the county. If the 37523
declaration of candidacy is of one that is to be submitted only to 37524
electors of a district or subdivision or part thereof that is 37525
situated in more than one county, the petition shall be filed with 37526
the board of elections of the county within which the major 37527
portion of the population thereof, as ascertained by the next 37528
preceding federal census, is located. 37529

A petition shall consist of separate petition papers, each of 37530
which shall contain signatures of electors of only one county. 37531

Petitions or separate petition papers containing signatures of 37532
electors of more than one county shall not thereby be declared 37533
invalid. In case petitions or separate petition papers containing 37534
signatures of electors of more than one county are filed, the 37535
board shall determine the county from which the majority of 37536
signatures came, and only signatures from such county shall be 37537
counted. Signatures from any other county shall be invalid. 37538

Each separate petition paper shall be circulated by one 37539
person only, who shall be the candidate or a joint candidate or a 37540
member of the same political party as the candidate or joint 37541
candidates, and each separate petition paper shall be governed by 37542
the rules set forth in section 3501.38 of the Revised Code. 37543

The secretary of state shall promptly transmit to each board 37544
such separate petition papers of each petition accompanying a 37545
declaration of candidacy filed with the secretary of state as 37546
purport to contain signatures of electors of the county of such 37547
board. The board of the most populous county of a district shall 37548
promptly transmit to each board within such district such separate 37549
petition papers of each petition accompanying a declaration of 37550
candidacy filed with it as purport to contain signatures of 37551
electors of the county of each such board. The board of a county 37552
within which the major portion of the population of a subdivision, 37553
situated in more than one county, is located, shall promptly 37554
transmit to the board of each other county within which a portion 37555
of such subdivision is located such separate petition papers of 37556
each petition accompanying a declaration of candidacy filed with 37557
it as purport to contain signatures of electors of the portion of 37558
such subdivision in the county of each such board. 37559

All petition papers so transmitted to a board and all 37560
petitions accompanying declarations of candidacy filed with ~~such a~~ 37561
board shall, under proper regulations, be open to public 37562
inspection until four p.m. of the seventieth day before the day of 37563

the next primary election, or if that next primary election is a presidential primary election, the fifty-fifth day before that presidential primary election. Each board shall, not later than the sixty-eighth day before the day of ~~such~~ that primary election, or if the primary election is a presidential primary election, not later than the fifty-third day before such presidential primary election, examine and determine the validity or invalidity of the signatures on the petition papers so transmitted to or filed with it and shall return to the secretary of state all petition papers transmitted to it by the secretary of state, together with its certification of its determination as to the validity or invalidity of signatures thereon, and shall return to each other board all petition papers transmitted to it by such board, together with its certification of its determination as to the validity or invalidity of the signatures thereon. All other matters affecting the validity or invalidity of such petition papers shall be determined by the secretary of state or the board with whom such petition papers were filed.

Protests against the candidacy of any person filing a declaration of candidacy for party nomination or for election to an office or position, as provided in this section, may be filed by any qualified elector who is a member of the same political party as the candidate and who is eligible to vote at the primary election for the candidate whose declaration of candidacy the elector objects to, or by the controlling committee of ~~such~~ that political party. ~~Such~~ The protest ~~must~~ shall be in writing, and ~~must~~ shall be filed not later than four p.m. of the sixty-fourth day before the day of the primary election, or if the primary election is a presidential primary election, not later than four p.m. of the forty-ninth day before the day of the presidential primary election. ~~Such~~ The protest shall be filed with the election officials with whom the declaration of candidacy and petition was filed. Upon the filing of ~~such~~ the protest, the

election officials with whom it is filed shall promptly fix the 37597
time for hearing it, and shall forthwith mail notice of the filing 37598
of ~~such~~ the protest and the time fixed for hearing to the person 37599
whose candidacy is so protested. They shall also forthwith mail 37600
notice of the time fixed for such hearing to the person who filed 37601
the protest. At the time fixed, such election officials shall hear 37602
the protest and determine the validity or invalidity of the 37603
declaration of candidacy and petition. If they find that such 37604
candidate is not an elector of the state, district, county, or 37605
political subdivision in which the candidate seeks a party 37606
nomination or election to an office or position, or has not fully 37607
complied with this chapter, the candidate's declaration of 37608
candidacy and petition shall be determined to be invalid and shall 37609
be rejected; otherwise, it shall be determined to be valid. ~~Such~~ 37610
That determination shall be final. 37611

A protest against the candidacy of any persons filing a 37612
declaration of candidacy for joint party nomination to the offices 37613
of governor and lieutenant governor shall be filed, heard, and 37614
determined in the same manner as a protest against the candidacy 37615
of any person filing a declaration of candidacy singly. 37616

The secretary of state shall, on the sixtieth day before the 37617
day of a primary election, or if the primary election is a 37618
presidential primary election, on the forty-fifth day before the 37619
day of the presidential primary election, certify to each board in 37620
the state the forms of the official ballots to be used at ~~such~~ the 37621
primary election, together with the names of the candidates to be 37622
printed ~~thereon~~ on the ballots whose nomination or election is to 37623
be determined by electors throughout the entire state and who 37624
filed valid declarations of candidacy and petitions. 37625

The board of the most populous county in a district comprised 37626
of more than one county but less than all of the counties of the 37627
state shall, on the sixtieth day before the day of a primary 37628

election, or if the primary election is a presidential primary 37629
election, on the forty-fifth day before the day of a presidential 37630
primary election, certify to the board of each county in the 37631
district the names of the candidates to be printed on the official 37632
ballots to be used at ~~such~~ the primary election, whose nomination 37633
or election is to be determined only by electors within ~~such~~ the 37634
district and who filed valid declarations of candidacy and 37635
petitions. 37636

The board of a county within which the major portion of the 37637
population of a subdivision smaller than the county and situated 37638
in more than one county is located shall, on the sixtieth day 37639
before the day of a primary election, or if the primary election 37640
is a presidential primary election, on the forty-fifth day before 37641
the day of a presidential primary election, certify to the board 37642
of each county in which a portion of ~~such~~ that subdivision is 37643
located the names of the candidates to be printed on the official 37644
ballots to be used at ~~such~~ the primary election, whose nomination 37645
or election is to be determined only by electors within ~~such~~ that 37646
subdivision and who filed valid declarations of candidacy and 37647
petitions. 37648

Sec. 3513.052. (A) No person shall seek nomination or 37649
election to any of the following offices or positions at the same 37650
election by filing a declaration of candidacy and petition, a 37651

- (B) The secretary of state or a board of elections shall not 37664
accept for filing a declaration of candidacy and petition, a 37665
declaration of intent to be a write-in candidate, or a nominating 37666
petition of a person seeking to become a candidate if that person, 37667
for the same election, has already filed a declaration of 37668
candidacy, a declaration of intent to be a write-in candidate, or 37669
a nominating petition, or has become a candidate through party 37670
nomination at a primary election or by the filling of a vacancy 37671
under section 3513.30 or 3513.31 of the Revised Code for: 37672
- (1) Any federal, state, or county office, if the declaration 37673
of candidacy, declaration of intent to be a write-in candidate, or 37674
nominating petition is for a state or county office; 37675
- (2) Any municipal or township office, or for member of a 37676
city, local, or exempted village board of education, or for member 37677
of a governing board of an educational service center, if the 37678
declaration of candidacy, declaration of intent to be a write-in 37679
candidate, or nominating petition is for a municipal or township 37680
office, or for member of a city, local, or exempted village board 37681
of education, or for member of a governing board of an educational 37682
service center. 37683
- (C)(1) If the secretary of state determines, before the day 37684
of the primary election, that a person is seeking nomination to 37685
more than one office at that election in violation of division (A) 37686
of this section, the secretary of state shall do one of the 37687
following: 37688
- (a) If each office or the district for each office for which 37689

the person is seeking nomination is wholly within a single county 37690
and none of those offices is a federal office, the secretary of 37691
state shall notify the board of elections of that county. The 37692
board then shall determine the date on which the person first 37693
sought to become a candidate for each of those offices by filing a 37694
declaration of candidacy or a declaration of intent to be a 37695
write-in candidate or by the filling of a vacancy under section 37696
3513.30 of the Revised Code. The board shall vote promptly to 37697
disqualify that person as a candidate for each office for which 37698
the person sought to become a candidate after the date on which 37699
the person first sought to become a candidate for any of those 37700
offices. If the board determines that the person sought to become 37701
a candidate for more than one of those offices on the same date, 37702
the board shall vote promptly to disqualify that person as a 37703
candidate for each office that would be listed on the ballot below 37704
the highest office for which that person seeks nomination, 37705
according to the ballot order prescribed under section 3505.03 of 37706
the Revised Code. 37707

(b) If one or more of the offices for which the person is 37708
seeking nomination is a state office or an office with a district 37709
larger than a single county and none of the offices for which the 37710
person is seeking nomination is a federal office, the secretary of 37711
state shall determine the date on which the person first sought to 37712
become a candidate for each of those offices by filing a 37713
declaration of candidacy or a declaration of intent to be a 37714
write-in candidate or by the filling of a vacancy under section 37715
3513.30 of the Revised Code. The secretary of state shall order 37716
the board of elections of each county in which the person is 37717
seeking to appear on the ballot to disqualify that person as a 37718
candidate for each office for which the person sought to become a 37719
candidate after the date on which the person first sought to 37720
become a candidate for any of those offices. If the secretary of 37721
state determines that the person sought to become a candidate for 37722

more than one of those offices on the same date, the secretary of 37723
state shall order the board of elections of each county in which 37724
the person is seeking to appear on the ballot to disqualify that 37725
person as a candidate for each office that would be listed on the 37726
ballot below the highest office for which that person seeks 37727
nomination, according to the ballot order prescribed under section 37728
3505.03 of the Revised Code. Each board of elections so notified 37729
shall vote promptly to disqualify the person as a candidate in 37730
accordance with the order of the secretary of state. 37731

(c) If each office or the district for each office for which 37732
the person is seeking nomination is wholly within a single county 37733
and any of those offices is a federal office, the secretary of 37734
state shall notify the board of elections of that county. The 37735
board then shall vote promptly to disqualify that person as a 37736
candidate for each office that is not a federal office. 37737

(d) If one or more of the offices for which the person is 37738
seeking nomination is a state office and any of the offices for 37739
which the person is seeking nomination is a federal office, the 37740
secretary of state shall order the board of elections of each 37741
county in which the person is seeking to appear on the ballot to 37742
disqualify that person as a candidate for each office that is not 37743
a federal office. Each board of elections so notified shall vote 37744
promptly to disqualify the person as a candidate in accordance 37745
with the order of the secretary of state. 37746

(2) If a board of elections determines, before the day of the 37747
primary election, that a person is seeking nomination to more than 37748
one office at that election in violation of division (A) of this 37749
section, the board shall do one of the following: 37750

(a) If each office or the district for each office for which 37751
the person is seeking nomination is wholly within that county and 37752
none of those offices is a federal office, the board shall 37753
determine the date on which the person first sought to become a 37754

candidate for each of those offices by filing a declaration of 37755
candidacy or a declaration of intent to be a write-in candidate or 37756
by the filling of a vacancy under section 3513.30 of the Revised 37757
Code. The board shall vote promptly to disqualify that person as a 37758
candidate for each office for which the person sought to become a 37759
candidate after the date on which the person first sought to 37760
become a candidate for any of those offices. If the board 37761
determines that the person sought to become a candidate for more 37762
than one of those offices on the same date, the board shall vote 37763
promptly to disqualify that person as a candidate for each office 37764
that would be listed on the ballot below the highest office for 37765
which that person seeks nomination, according to the ballot order 37766
prescribed under section 3505.03 of the Revised Code. 37767

(b) If one or more of the offices for which the person is 37768
seeking nomination is a state office or an office with a district 37769
larger than a single county and none of the offices for which the 37770
person is seeking nomination is a federal office, the board shall 37771
notify the secretary of state. The secretary of state then shall 37772
determine the date on which the person first sought to become a 37773
candidate for each of those offices by filing a declaration of 37774
candidacy or a declaration of intent to be a write-in candidate or 37775
by the filling of a vacancy under section 3513.30 of the Revised 37776
Code. The secretary of state shall order the board of elections of 37777
each county in which the person is seeking to appear on the ballot 37778
to disqualify that person as a candidate for each office for which 37779
the person sought to become a candidate after the date on which 37780
the person first sought to become a candidate for any of those 37781
offices. If the secretary of state determines that the person 37782
sought to become a candidate for more than one of those offices on 37783
the same date, the secretary of state shall order the board of 37784
elections of each county in which the person is seeking to appear 37785
on the ballot to disqualify that person as a candidate for each 37786
office that would be listed on the ballot below the highest office 37787

for which that person seeks nomination, according to the ballot 37788
order prescribed under section 3505.03 of the Revised Code. Each 37789
board of elections so notified shall vote promptly to disqualify 37790
the person as a candidate in accordance with the order of the 37791
secretary of state. 37792

(c) If each office or the district for each office for which 37793
the person is seeking nomination is wholly within a single county 37794
and any of those offices is a federal office, the board shall vote 37795
promptly to disqualify that person as a candidate for each office 37796
that is not a federal office. 37797

(d) If one or more of the offices for which the person is 37798
seeking nomination is a state office and any of the offices for 37799
which the person is seeking nomination is a federal office, the 37800
board shall notify the secretary of state. The secretary of state 37801
then shall order the board of elections of each county in which 37802
the person is seeking to appear on the ballot to disqualify that 37803
person as a candidate for each office that is not a federal 37804
office. Each board of elections so notified shall vote promptly to 37805
disqualify the person as a candidate in accordance with the order 37806
of the secretary of state. 37807

(D)(1) If the secretary of state determines, after the day of 37808
the primary election and before the day of the general election, 37809
that a person is seeking election to more than one office at that 37810
election in violation of division (A) of this section, the 37811
secretary of state shall do one of the following: 37812

(a) If each office or the district for each office for which 37813
the person is seeking election is wholly within a single county 37814
and none of those offices is a federal office, the secretary of 37815
state shall notify the board of elections of that county. The 37816
board then shall determine the offices for which the person seeks 37817
to appear as a candidate on the ballot. The board shall vote 37818
promptly to disqualify that person as a candidate for each office 37819

that would be listed on the ballot below the highest office for 37820
which that person seeks election, according to the ballot order 37821
prescribed under section 3505.03 of the Revised Code. If the 37822
person sought nomination at a primary election and has not yet 37823
been issued a certificate of nomination, the board shall not issue 37824
that certificate for that person for any office that would be 37825
listed on the ballot below the highest office for which that 37826
person seeks election, according to the ballot order prescribed 37827
under section 3505.03 of the Revised Code. 37828

(b) If one or more of the offices for which the person is 37829
seeking election is a state office or an office with a district 37830
larger than a single county and none of the offices for which the 37831
person is seeking election is a federal office, the secretary of 37832
state shall promptly investigate and determine the offices for 37833
which the person seeks to appear as a candidate on the ballot. The 37834
secretary of state shall order the board of elections of each 37835
county in which the person is seeking to appear on the ballot to 37836
disqualify that person as a candidate for each office that would 37837
be listed on the ballot below the highest office for which that 37838
person seeks election, according to the ballot order prescribed 37839
under section 3505.03 of the Revised Code. Each board of elections 37840
so notified shall vote promptly to disqualify the person as a 37841
candidate in accordance with the order of the secretary of state. 37842
If the person sought nomination at a primary election and has not 37843
yet been issued a certificate of nomination, the board shall not 37844
issue that certificate for that person for any office that would 37845
be listed on the ballot below the highest office for which that 37846
person seeks election, according to the ballot order prescribed 37847
under section 3505.03 of the Revised Code. 37848

(c) If each office or the district for each office for which 37849
the person is seeking election is wholly within a single county 37850
and any of those offices is a federal office, the secretary of 37851

state shall notify the board of elections of that county. The 37852
board then shall vote promptly to disqualify that person as a 37853
candidate for each office that is not a federal office. If the 37854
person sought nomination at a primary election and has not yet 37855
been issued a certificate of nomination, the board shall not issue 37856
that certificate for that person for any office that is not a 37857
federal office. 37858

(d) If one or more of the offices for which the person is 37859
seeking election is a state office and any of the offices for 37860
which the person is seeking election is a federal office, the 37861
secretary of state shall order the board of elections of each 37862
county in which the person is seeking to appear on the ballot to 37863
disqualify that person as a candidate for each office that is not 37864
a federal office. Each board of elections so notified shall vote 37865
promptly to disqualify the person as a candidate in accordance 37866
with the order of the secretary of state. If the person sought 37867
nomination at a primary election and has not yet been issued a 37868
certificate of nomination, the board shall not issue that 37869
certificate for that person for any office that is not a federal 37870
office. 37871

(2) If a board of elections determines, after the day of the 37872
primary election and before the day of the general election, that 37873
a person is seeking election to more than one office at that 37874
election in violation of division (A) of this section, the board 37875
of elections shall do one of the following: 37876

(a) If each office or the district for each office for which 37877
the person is seeking election is wholly within that county and 37878
none of those offices is a federal office, the board shall 37879
determine the offices for which the person seeks to appear as a 37880
candidate on the ballot. The board shall vote promptly to 37881
disqualify that person as a candidate for each office that would 37882
be listed on the ballot below the highest office for which that 37883

person seeks election, according to the ballot order prescribed 37884
under section 3505.03 of the Revised Code. If the person sought 37885
nomination at a primary election and has not yet been issued a 37886
certificate of nomination, the board shall not issue that 37887
certificate for that person for any office that would be listed on 37888
the ballot below the highest office for which that person seeks 37889
election, according to the ballot order prescribed under section 37890
3505.03 of the Revised Code. 37891

(b) If one or more of the offices for which the person is 37892
seeking election is a state office or an office with a district 37893
larger than a single county and none of the offices for which the 37894
person is seeking election is a federal office, the board shall 37895
notify the secretary of state. The secretary of state promptly 37896
shall investigate and determine the offices for which the person 37897
seeks to appear as a candidate on the ballot. The secretary of 37898
state shall order the board of elections of each county in which 37899
the person is seeking to appear on the ballot to disqualify that 37900
person as a candidate for each office that would be listed on the 37901
ballot below the highest office for which that person seeks 37902
election, according to the ballot order prescribed under section 37903
3505.03 of the Revised Code. Each board of elections so notified 37904
shall vote promptly to disqualify the person as a candidate in 37905
accordance with the order of the secretary of state. If the person 37906
sought nomination at a primary election and has not yet been 37907
issued a certificate of nomination, the board shall not issue that 37908
certificate for that person for any office that would be listed on 37909
the ballot below the highest office for which that person seeks 37910
election, according to the ballot order prescribed under section 37911
3505.03 of the Revised Code. 37912

(c) If each office or the district for each office for which 37913
the person is seeking election is wholly within that county and 37914
any of those offices is a federal office, the board shall vote 37915

promptly to disqualify that person as a candidate for each office 37916
that is not a federal office. If the person sought nomination at a 37917
primary election and has not yet been issued a certificate of 37918
nomination, the board shall not issue that certificate for that 37919
person for any office that is not a federal office. 37920

(d) If one or more of the offices for which the person is 37921
seeking election is a state office and any of the offices for 37922
which the person is seeking election is a federal office, the 37923
board shall notify the secretary of state. The secretary of state 37924
shall order the board of elections of each county in which the 37925
person is seeking to appear on the ballot to disqualify that 37926
person as a candidate for each office that is not a federal 37927
office. Each board of elections so notified shall vote promptly to 37928
disqualify the person as a candidate in accordance with the order 37929
of the secretary of state. If the person sought nomination at a 37930
primary election and has not yet been issued a certificate of 37931
nomination, the board shall not issue that certificate for that 37932
person for any office that is not a federal office. 37933

(E) When a person is disqualified as a candidate under 37934
division (C) or (D) of this section, that person's name shall not 37935
appear on the ballots for any office for which that person has 37936
been disqualified as a candidate. If the ballots have already been 37937
prepared, the board of elections shall remove the name of the 37938
disqualified candidate from the ballots to the extent practicable 37939
in the time remaining before the election and according to the 37940
directions of the secretary of state. If the name is not removed 37941
from the ballots before the day of the election, the votes for the 37942
disqualified candidate are void and shall not be counted. 37943

(F) Any vacancy created by the disqualification of a person 37944
as a candidate under division (C) or (D) of this section may be 37945
filled in the manner provided for in sections 3513.30 and 3513.31 37946
of the Revised Code. 37947

(G) Nothing in this section or section 3513.04, 3513.041, 37948
3513.05, 3513.251, 3513.253, 3513.254, 3513.255, 3513.257, 37949
3513.259, or 3513.261 of the Revised Code prohibits, and the 37950
secretary of state or a board of elections shall not disqualify, a 37951

of this section for which that person first sought to become a 37954
candidate by filing a declaration of candidacy and petition, a 37955

petition, by party nomination in a primary election, or by the 37957
filling of a vacancy under section 3513.30 or 3513.31 of the 37958
Revised Code. 37959

nominating petition of a person seeking to become a candidate if 38067
that person, for the same election, has already filed a 38068
declaration of candidacy, a declaration of intent to be a write-in 38069
candidate, or a nominating petition, or has become a candidate by 38070
the filling of a vacancy under section 3513.30 of the Revised Code 38071
for any federal, state, or county office, if the nominating 38072
petition is for a state or county office, or for any municipal or 38073

township office, for member of a city, local, or exempted village 38074
board of education, or for member of a governing board of an 38075
educational service center, if the nominating petition is for a 38076
municipal or township office, or for member of a city, local, or 38077
exempted village board of education, or for member of a governing 38078
board of an educational service center. When a petition of a 38079
candidate has been accepted for filing by a board of elections, 38080
the petition shall not be deemed invalid if, upon verification of 38081
signatures contained in the petition, the board of elections finds 38082
the number of signatures accepted exceeds three times the minimum 38083
number of signatures required. A board of elections may 38084
discontinue verifying signatures when the number of verified 38085
signatures on a petition equals the minimum required number of 38086
qualified signatures. 38087

Any nonjudicial candidate who files a nominating petition may 38088
request, at the time of filing, that the candidate be designated 38089
on the ballot as a nonparty candidate or as an other-party 38090
candidate, or may request that the candidate's name be placed on 38091
the ballot without any designation. Any such candidate who fails 38092
to request a designation either as a nonparty candidate or as an 38093
other-party candidate shall have the candidate's name placed on 38094
the ballot without any designation. 38095

The purpose of establishing a filing deadline for independent 38096
candidates prior to the primary election immediately preceding the 38097
general election at which the candidacy is to be voted on by the 38098
voters is to recognize that the state has a substantial and 38099
compelling interest in protecting its electoral process by 38100
encouraging political stability, ensuring that the winner of the 38101
election will represent a majority of the community, providing the 38102
electorate with an understandable ballot, and enhancing voter 38103
education, thus fostering informed and educated expressions of the 38104
popular will in a general election. The filing deadline for 38105

independent candidates required in this section prevents 38106
splintered parties and unrestrained factionalism, avoids political 38107
fragmentation, and maintains the integrity of the ballot. The 38108
deadline, one day prior to the primary election, is the least 38109
drastic or restrictive means of protecting these state interests. 38110
The general assembly finds that the filing deadline for 38111
independent candidates in primary elections required in this 38112
section is reasonably related to the state's purpose of ensuring 38113
fair and honest elections while leaving unimpaired the political, 38114
voting, and associational rights secured by the first and 38115
fourteenth amendments to the United States Constitution. 38116

Sec. 3513.259. Nominations of candidates for the office of 38117
member of the state board of education shall be made only by 38118
nominating petition. The nominating petition of a candidate for 38119
the office of member of the state board of education shall be 38120
signed by not less than one hundred qualified electors. 38121

No such nominating petition shall be accepted for filing if 38122
it appears on its face to contain signatures aggregating in number 38123
more than three times the minimum number of signatures required by 38124
this section. A board of elections shall not accept for filing a 38125
nominating petition of a person if that person, for the same 38126
election, has already filed a declaration of candidacy, a 38127
declaration of intent to be a write-in candidate, or a nominating 38128
petition, or has become a candidate through party nomination at a 38129
primary election or by the filling of a vacancy under section 38130
3513.30 or 3513.31 of the Revised Code, to be a candidate for any 38131
other state office or any federal or county office. When a 38132
petition of a candidate has been accepted for filing by a board of 38133
elections, the petition shall not be deemed invalid if, upon 38134
verification of signatures contained in the petition, the board of 38135
elections finds the number of signatures accepted exceeds three 38136
times the minimum number of signatures required. A board of 38137

elections may discontinue verifying signatures when the number of 38138
verified signatures equals the minimum required number of 38139
signatures. Such petition shall be filed with the board of 38140
elections of the most populous county in such district not later 38141
than four p.m. of the seventy-fifth day before the day of the 38142
general election at which state board of education members are 38143
elected. 38144

Each nominating petition shall be signed by qualified 38145
electors residing in the district in which the candidate 38146
designated therein would be a candidate for election to the office 38147
of member of the state board of education. Each candidate shall be 38148
a qualified elector residing in the district in which the 38149
candidate seeks election to such office. 38150

As the word "district" is used in this section, it refers to 38151
a district created under section 3301.01 of the Revised Code. 38152

Sec. 3513.261. A nominating petition may consist of one or 38153
more separate petition papers, each of which shall be 38154
substantially in the form prescribed in this section. If the 38155
petition consists of more than one separate petition paper, the 38156
statement of candidacy of the candidate or joint candidates named 38157
need be signed by the candidate or joint candidates on only one of 38158
such separate petition papers, but the statement of candidacy so 38159
signed shall be copied on each other separate petition paper 38160
before the signatures of electors are placed on it. Each 38161
nominating petition containing signatures of electors of more than 38162
one county shall consist of separate petition papers each of which 38163
shall contain signatures of electors of only one county; provided 38164
that petitions containing signatures of electors of more than one 38165
county shall not thereby be declared invalid. In case petitions 38166
containing signatures of electors of more than one county are 38167
filed, the board of elections shall determine the county from 38168

which the majority of the signatures came, and only signatures 38169
from this county shall be counted. Signatures from any other 38170
county shall be invalid. 38171

All signatures on nominating petitions shall be written in 38172
ink or indelible pencil. 38173

At the time of filing a nominating petition, the candidate 38174
designated in the nominating petition, and joint candidates for 38175
governor and lieutenant governor, shall pay to the election 38176
officials with whom it is filed the fees specified for the office 38177
under divisions (A) and (B) of section 3513.10 of the Revised 38178
Code. The fees shall be disposed of by those election officials in 38179
the manner that is provided in section 3513.10 of the Revised Code 38180
for the disposition of other fees, and in no case shall a fee 38181
required under that section be returned to a candidate. 38182

Candidates or joint candidates whose names are written on the 38183
ballot, and who are elected, shall pay the same fees under section 38184
3513.10 of the Revised Code that candidates who file nominating 38185
petitions pay. Payment of these fees shall be a condition 38186
precedent to the granting of their certificates of election. 38187

Each nominating petition shall contain a statement of 38188
candidacy that shall be signed by the candidate or joint 38189
candidates named in it. Such statement of candidacy shall contain 38190
a declaration made under penalty of election falsification that 38191
the candidate desires to be a candidate for the office named in 38192
it, and that the candidate is an elector qualified to vote for the 38193
office the candidate seeks. 38194

The form of the nominating petition and statement of 38195
candidacy shall be substantially as follows: 38196

The secretary of state or a board of elections shall not 38299

program in a county in which such a program is not operating on 39963
that date. 39964

(C) ~~Notwithstanding~~ Except as authorized in section 3704.14 39965
of the Revised Code ~~or any other section of the Revised Code that~~ 39966

2001, the director of environmental protection shall terminate all 39971
motor vehicle inspection and maintenance programs in this state 39972
and shall not implement a new motor vehicle inspection and 39973

yards or tons will be used as the unit of measurement. In 40273
estimating the fee based on cubic yards, the owner or operator 40274
shall utilize either the maximum cubic yard capacity of the 40275
container, or the hauling volume of the vehicle, that transports 40276
the construction and demolition debris to the facility or the 40277

construction and demolition debris that is transported to the 40282
facility for disposal. 40283

(3) The owner or operator of a construction and demolition 40284

money required to be collected on the construction and demolition 40299
debris disposed of during that month. The owner or operator may 40300
request, in writing, an extension of not more than thirty days 40301
after the last day of the month to which the return applies. A 40302
request for extension may be denied. If the owner or operator 40303

construction and demolition debris facility oversight fund, which 40320
is hereby created in the state treasury. The fund shall be 40321

administered by the director, and money credited to the fund shall 40322

chapter and rules adopted under it. 40324

may enter into an agreement with the owner or operator of a 40326
construction and demolition debris facility or a solid waste 40327
facility for the quarterly payment of the money collected from the 40328

The legislative authority of the municipal corporation or 40348
township may appropriate the money from the fee by enacting an 40349
ordinance or adopting a resolution establishing the amount of the 40350
fee to be appropriated. Upon doing so, the legislative authority 40351
shall mail a certified copy of the ordinance or resolution to the 40352

under this division. 40376

(D) The board of county commissioners of a county in which a 40377
construction and demolition debris facility or a solid waste 40378
facility is located may appropriate up to three cents per cubic 40379
yard or up to six cents per ton of the disposal fee required to be 40380
paid by the facility under division (A) of this section for the 40381
same purposes that a solid waste management district may levy a 40382
fee under division (B) of section 3734.57 of the Revised Code. 40383

The board of county commissioners may appropriate the money 40384
from the fee by adopting a resolution establishing the amount of 40385

and discrete part or unit is in compliance with the Ohio basic 40831
building code established by the board of building standards under 40832
Chapters 3781. and 3791. of the Revised Code and the home permits 40833

chapter or another chapter of the Revised Code in any action or 40853
proceeding other than an action commenced under division (I) of 40854
section 3721.17 of the Revised Code. Those results of an 40855

action by the department of health under this chapter or is an 40861
action by any department or agency of the state to enforce this 40862
chapter or another chapter of the Revised Code. 40863

skilled nursing care shall be considered to be provided by a 41766

facility if they are provided by a person employed by or 41767
associated with the facility or by another person pursuant to an 41768
agreement to which neither the resident who receives the services 41769
nor the resident's sponsor is a party. 41770

(C) Nothing in division (A)(6) of this section shall be 41771
construed to permit personal care services to be imposed upon a 41772
resident who is capable of performing the activity in question 41773
without assistance. 41774

(E) Proof of insurance in an amount and type determined in 41833
rules adopted by the public health council pursuant to this 41834
chapter to be adequate; 41835

established in rules adopted by the public health council pursuant 41837
to this chapter. 41838

Sec. 3722.04. (A)(1) The director of health shall inspect, 41839
license, and regulate adult care facilities. Except as otherwise 41840
provided in division (D) of this section, the director shall issue 41841
a license to an adult care facility that meets the requirements of 41842
section 3722.02 of the Revised Code and that the director 41843
determines to be in substantial compliance with the rules adopted 41844
by the public health council pursuant to this chapter. The 41845
director shall consider the past record of the owner and manager 41846
and any individuals who are principal participants in an entity 41847
that is the owner or manager in operating facilities providing 41848
care to adults. The director may, in accordance with Chapter 119. 41849
of the Revised Code, deny a license if the past record indicates 41850
that the owner or manager is not suitable to own or manage an 41851
adult care facility. 41852

The license shall contain the name and address of the 41853
facility for which it was issued, the date of expiration of the 41854
license, and the maximum number of residents that may be 41855
accommodated by the facility. A license for an adult care facility 41856
shall be valid for a period of two years after the date of 41857
issuance. No single facility may be licensed to operate as more 41858

than one adult care facility. 41859

(2) Notwithstanding division (A)(1) of this section and 41860
sections 3722.02 and 3722.041 of the Revised Code, the director 41861
may issue a temporary license if the requirements of divisions 41862
(C), (D), and (F) of section 3722.02 of the Revised Code have been 41863
met. A temporary license shall be valid for a period of ninety 41864
days and, except as otherwise provided in division (A)(3) of 41865
section 3722.05 of the Revised Code, may be renewed, without 41866
payment of an additional application fee, for an additional ninety 41867
days. 41868

(B) The director shall renew a license for a two-year period 41869
if the facility continues to be in compliance with the 41870
requirements of this chapter and in substantial compliance with 41871
the rules adopted under this chapter. The owner shall submit a 41872
nonrefundable license renewal application fee in an amount 41873
established in rules adopted by the public health council pursuant 41874
to this chapter. Before the license of an adult group home is 41875
renewed, if any alterations have been made to the buildings, a 41876
certificate of occupancy for the facility shall have been issued 41877
by the division of industrial compliance in the department of 41878
commerce or a local certified building department. The facility 41879
shall have water and sewage system approvals, if required by law, 41880
and, in the case of an adult group home, documentation of 41881
continued compliance with the rules adopted by the state fire 41882
marshal under division (F) of section 3737.83 of the Revised Code. 41883

(C) The director shall make at least one unannounced 41884
inspection of an adult care facility during each licensure period 41885
in addition to inspecting the facility to determine whether a 41886
license should be issued or renewed, and may make additional 41887
unannounced inspections as the director considers necessary. Other 41888
inspections may be made at any time that the director considers 41889
appropriate. The director shall take all reasonable actions to 41890

avoid giving notice of an inspection by the manner in which the 41891
inspection is scheduled or performed. Not later than sixty days 41892
after the date of an inspection of a facility, the director shall 41893
send a report of the inspection to the ombudsperson in whose 41894
region the facility is located. The state fire marshal or fire 41895
prevention officer of a municipal, township, or other legally 41896
constituted fire department approved by the state fire marshal 41897
shall inspect an adult group home seeking a license or renewal 41898
under this chapter as an adult care facility prior to issuance of 41899
a license or renewal, at least once annually thereafter, and at 41900
any other time at the request of the director, to determine 41901
compliance with the rules adopted under division (F) of section 41902
3737.83 of the Revised Code. 41903

(D) The director may waive any of the licensing requirements 41904
having to do with fire and safety requirements or building 41905
standards established by rule adopted by the public health council 41906
pursuant to this chapter upon written request of the facility. The 41907
director may grant a waiver if the director determines that the 41908
strict application of the licensing requirement would cause undue 41909
hardship to the facility and that granting the waiver would not 41910
jeopardize the health or safety of any resident. The director may 41911
provide a facility with an informal hearing concerning the denial 41912
of a waiver request, but the facility shall not be entitled to a 41913
hearing under Chapter 119. of the Revised Code unless the director 41914
takes an action that requires a hearing to be held under section 41915
3722.05 of the Revised Code. 41916

(E)(1) Not later than thirty days after ~~the issuance or~~ 41917
~~renewal of the license, other than a temporary license, of an~~ 41918
~~adult care facility under this section~~ each of the following, the 41919
owner of an adult care facility shall submit an inspection fee of 41920
~~ten~~ twenty dollars for each bed for which the facility is 41921
licensed: 41922

director has reason to believe hazardous waste was treated, 42321
stored, or disposed of constitute a substantial threat to public 42322
health or safety or are causing or contributing to or threatening 42323
to cause or contribute to air or water pollution or soil 42324
contamination. The director or the director's authorized 42325
representative may apply for, and any judge of a court of common 42326
pleas shall issue, an appropriate search warrant necessary to 42327

Code is not wholly complied with within the time prescribed in the 42348
order, the director may, through officers or employees of the 42349
environmental protection agency or through contractors employed 42350
for that purpose in accordance with the bidding procedure 42351
established in division (C) of section 3734.23 of the Revised 42352
Code, enter upon the facility and perform those measures necessary 42353
to abate or prevent air or water pollution or soil contamination 42354
from the facility or to protect public health or safety, 42355
including, but not limited to, measures prescribed in division (B) 42356
of section 3734.23 of the Revised Code. The director shall keep an 42357
itemized record of the cost of the investigation and measures 42358
performed, including costs for labor, materials, and any contract 42359
services required. Upon completion of the investigation or 42360
measures, the director shall record the cost of performing those 42361

measures at the office of the county recorder of the county in 42362
which the facility is located. The cost so recorded constitutes a 42363
lien against the property on which the facility is located until 42364
discharged. Upon written request of the director, the attorney 42365
general shall institute a civil action to recover the cost. Any 42366
moneys so received shall be credited to the hazardous waste 42367
clean-up fund ~~created in section 3734.28 of the Revised Code~~ or 42368
the environmental protection remediation fund, as applicable. 42369

When entering upon a facility under this division, the 42370
director shall perform or cause to be performed only those 42371
measures necessary to abate or prevent air or water pollution or 42372
soil contamination caused by conditions at the facility or to 42373
abate threats to public health or safety caused by conditions at 42374
the facility. For this purpose the director may expend moneys from 42375
~~the~~ either fund and may expend moneys from loans from the Ohio 42376
water development authority to the environmental protection agency 42377
that pledge moneys from ~~the~~ either fund for the repayment of and 42378
for the interest on such loans. 42379

Sec. 3734.21. (A) The director of environmental protection 42380
may expend moneys credited to the hazardous waste clean-up fund 42381
created in section 3734.28 of the Revised Code or the 42382
environmental protection remediation fund created in section 42383
3734.281 of the Revised Code for the payment of the cost of 42384
measures necessary for the proper closure of hazardous waste 42385
facilities or any solid waste facilities containing significant 42386
quantities of hazardous waste, for the payment of costs of the 42387
development and construction of suitable hazardous waste 42388
facilities required by division (B) of section 3734.23 of the 42389
Revised Code to the extent the director determines that such 42390
facilities are not available, and for the payment of costs that 42391
are necessary to abate conditions thereon that are causing or 42392
contributing to or threatening to cause or contribute to air or 42393

water pollution or soil contamination or that constitute a 42394
substantial threat to public health or safety. In addition, the 42395
director may expend and pledge moneys credited to ~~the~~ either fund 42396
for repayment of and for interest on any loan made by the Ohio 42397
water development authority to the environmental protection agency 42398
for the payment of such costs. 42399

(B) Before beginning to clean up any facility under this 42400
section, the director shall develop a plan for the cleanup and an 42401
estimate of the cost thereof. The plan shall include only those 42402
measures necessary to abate conditions thereon that are causing or 42403
contributing to or threatening to cause or contribute to air or 42404
water pollution or soil contamination or that constitute a 42405
substantial threat to public health or safety, including, but not 42406
limited to, establishment and maintenance of an adequate cover of 42407
soil and vegetation on any facility for the burial of hazardous 42408
waste to prevent the infiltration of water into cells where 42409
hazardous waste is buried, the accumulation or runoff of 42410
contaminated surface water, the production of leachate, and air 42411
emissions of hazardous waste; the collection and treatment of 42412
contaminated surface water runoff; the collection and treatment of 42413
leachate; or, if conditions so require, the removal of hazardous 42414
waste from the facility and the treatment or disposal of the waste 42415
at a suitable hazardous waste facility. The plan or any part of 42416
the plan for the cleanup of the facility shall be carried out by 42417
entering into contracts therefor in accordance with the procedures 42418
established in division (C) of section 3734.23 of the Revised 42419
Code. 42420

Sec. 3734.22. Before beginning to clean up any facility under 42421
section 3734.21 of the Revised Code, the director of environmental 42422
protection shall endeavor to enter into an agreement with the 42423
owner of the land on which the facility is located, or with the 42424
owner of the facility, specifying the measures to be performed and 42425

authorizing the director, employees of the agency, or contractors 42426
retained by the director to enter upon the land and perform the 42427
specified measures. 42428

Each agreement ~~shall~~ may contain provisions for the 42429
reimbursement of the state for the costs of the cleanup. 42430

All reimbursements and payments shall be credited to the 42431
hazardous waste clean-up fund created in section 3734.28 of the 42432
Revised Code or the environmental protection remediation fund 42433
created in section 3734.281 of the Revised Code, as applicable. 42434

The agreement may require the owner to execute an easement 42435
whereby the director, an authorized employee of the agency, or a 42436
contractor employed by the agency in accordance with the bidding 42437
procedure established in division (C) of section 3734.23 of the 42438
Revised Code may enter upon the facility to sample, repair, or 42439
reconstruct air and water quality monitoring equipment constructed 42440
under the agreement. Such easements shall be for a specified 42441
period of years and may be extinguished by agreement between the 42442
owner and the director. When necessary to protect the public 42443
health or safety, the agreement may require the owner to enter 42444
into an environmental covenant with the director in accordance 42445
with sections 5301.80 to 5301.92 of the Revised Code. 42446

Upon a breach of the reimbursement provisions of the 42447
agreement by the owner of the land or facility, or upon 42448
notification to the director by the owner that the owner is unable 42449
to perform the duties under the reimbursement provisions of the 42450
agreement, the director ~~shall~~ may record the unreimbursed portion 42451
of the costs of cleanup at the office of the county recorder of 42452
the county in which the facility is located. The costs so recorded 42453
constitute a lien against the property on which the facility is 42454
located until discharged. Upon written request of the director, 42455
the attorney general shall institute a civil action to recover the 42456
unreimbursed portion of the costs of cleanup. Any moneys so 42457

recovered shall be credited to the hazardous waste clean-up fund 42458
or the environmental protection remediation fund, as applicable. 42459

Sec. 3734.23. (A) The director of environmental protection 42460
may acquire by purchase, gift, donation, contribution, or 42461
appropriation in accordance with sections 163.01 to 163.21 of the 42462
Revised Code any hazardous waste facility or any solid waste 42463
facility containing significant quantities of hazardous waste 42464
that, because of its condition and the types and quantities of 42465
hazardous waste contained in the facility, constitutes an imminent 42466
and substantial threat to public health or safety or results in 42467
air pollution, pollution of the waters of the state, or soil 42468
contamination. For this purpose and for the purposes of division 42469
(B) of this section, the director may expend moneys from the 42470
hazardous waste clean-up fund created in section 3734.28 of the 42471
Revised Code or the environmental protection remediation fund 42472
created in section 3734.281 of the Revised Code and may expend 42473
moneys from loans from the Ohio water development authority to the 42474
environmental protection agency that pledge moneys from ~~the~~ either 42475
fund for the repayment of and for the interest on such loans. Any 42476
lands or facilities purchased or acquired under this section shall 42477
be deeded to the state, but no deed shall be accepted or the 42478
purchase price paid until the title has been approved by the 42479
attorney general. 42480

(B) The director shall, with respect to any land or facility 42481
acquired under this section or cleaned up under section 3734.20 of 42482
the Revised Code, perform closure or other measures necessary to 42483
abate conditions thereon that are causing or contributing to or 42484
threatening to cause or contribute to air or water pollution or 42485
soil contamination or that constitute a substantial threat to 42486
public health or safety, including, but not limited to, 42487
establishment and maintenance of an adequate cover of soil and 42488
vegetation on any facility for the burial of hazardous waste to 42489

prevent the infiltration of water into cells where hazardous waste 42490
is buried, the accumulation or runoff of contaminated surface 42491
water, the production of leachate, and air emissions of hazardous 42492
waste; the collection and treatment of contaminated surface water 42493
runoff; the collection and treatment of leachate; or, if 42494
conditions so require, the removal of hazardous waste from the 42495
facility and the treatment or disposal of the waste at a suitable 42496
hazardous waste facility. After performing these measures, the 42497
director shall provide for the post-closure care, maintenance, and 42498
monitoring of facilities cleaned up under this section. 42499

(C) Before proceeding to clean up any facility under this 42500
section or section 3734.20 or 3734.21 of the Revised Code, the 42501
director shall develop a plan for the cleanup of the facility and 42502
an estimate of the cost thereof. The director may carry out the 42503
plan or any part of the plan by contracting for the services, 42504
construction, and repair necessary therefor. The director shall 42505
award each such contract to the lowest responsible bidder after 42506
sealed bids therefor are received, opened, and published at the 42507
time fixed by the director and notice of the time and place at 42508
which the sealed bids will be received, opened, and published has 42509
been published by the director in a newspaper of general 42510
circulation in the county in which the facility to be cleaned up 42511
under the contract is located at least once within the ten days 42512
before the opening of the bids. However, if after advertising for 42513
bids for the contract, no bids are received by the director at the 42514
time and place fixed for receiving them, the director may 42515
advertise again for bids, or ~~he~~ the director may, if ~~he~~ the 42516
director considers the public interest will best be served 42517
thereby, enter into a contract for the cleanup of the facility 42518
without further advertisement for bids. The director may reject 42519
any or all bids received and fix and publish again notice of the 42520
time and place at which bids for the contracts will be received, 42521
opened, and published. 42522

(D) The director shall keep an itemized record of the costs 42523
of any acquisition under division (A) of this section and the 42524
costs of cleanup under division (B) of this section. 42525

Sec. 3734.28. All moneys collected under sections 3734.122, 42526

Code and natural resource damages collected by the state under the 42528
"Comprehensive Environmental Response, Compensation, and Liability 42529
Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as amended, shall 42530
be paid into the state treasury to the credit of the hazardous 42531
waste clean-up fund, which is hereby created. In addition, any 42532
moneys recovered for costs paid from the fund for activities 42533
described in division (A)(1) and (2) of section 3745.12 of the 42534
Revised Code shall be credited to the fund. The environmental 42535
protection agency shall use the moneys in the fund for the 42536
purposes set forth in division (D) of section 3734.122, sections 42537

3745.12 and Chapter 3746. of the Revised Code, including any 42540
related enforcement expenses. In addition, the agency shall use 42541
the moneys in the fund to pay the state's long-term operation and 42542
maintenance costs or matching share for actions taken under the 42543
"Comprehensive Environmental Response, Compensation, and Liability 42544
Act of 1980," as amended. If those moneys are reimbursed by grants 42545
or other moneys from the United States or any other person, the 42546
moneys shall be placed in the fund and not in the general revenue 42547
fund. 42548

surveys or investigations of solid waste facilities or other 42557
locations where it is believed that significant quantities of 42558
hazardous waste were disposed of and for conducting enforcement 42559
actions arising from the findings of such surveys or 42560
investigations; paying the costs of acquiring and cleaning up, or 42561

the transfer facility as a trustee for the state. The amount of 42608
fees required to be collected under this division at such a 42609

director may grant a refund to the owner or operator or may permit 42702
a credit to be taken by the owner or operator on a subsequent 42703
monthly return submitted by the owner or operator. The amount of a 42704

owner or operator receives payment of all or part of the fees, the 42712
owner or operator shall remit the fees with the next monthly 42713
return submitted to the director together with a written 42714

explanation of the reason for the submittal. 42715

For purposes of computing the fees levied under this division 42716
or division (B) of this section, any solid waste transfer or 42717

determining gate receipts shall use a conversion factor of three 42719
cubic yards per ton of solid waste or one cubic yard per ton for 42720
baled waste, as applicable. 42721

The fees levied under this division and divisions (B) and (C) 42722
of this section are in addition to all other applicable fees and 42723
taxes and shall be added to ~~any other fee or amount specified in a~~ 42724

division, the ratification thereof, and the notification of owners 43492
and operators required to collect the fees, except as otherwise 43493

of the district. 43506

(D) The policy committee of a county or joint district may 43507
amend the fee levied by the district under division (A) of this 43508

establishing the amount of the amended fee. The policy committee 43510
may abolish the fee or an amended fee established under this 43511
division by adopting and obtaining ratification of a resolution 43512
proposing to repeal it. The requirements and procedures under 43513
division (B) and, if applicable, division (C) of this section 43514

be adopted under this division and the notification of owners and 43516
operators of solid waste facilities required to collect the fees. 43517

(E) Collection of a fee or amended fee levied under division 43518
(A) or (D) of this section shall commence or cease in accordance 43519
with division (B) of section 3734.57 of the Revised Code. If a 43520
district is levying a fee under section 3734.572 of the Revised 43521
Code, collection of that fee shall cease on the date on which 43522

collection of the fee levied under division (A) of this section 43523
commences in accordance with division (B) of section 3734.57 of 43524
the Revised Code. 43525

(F) In the case of solid wastes that are taken to a solid 43526
waste transfer facility prior to being transported to a solid 43527
waste disposal facility for disposal, the fee levied under 43528
division (A) of this section shall be collected by the owner or 43529
operator of the transfer facility as a trustee for the district. 43530
In the case of solid wastes that are not taken to a solid waste 43531
transfer facility prior to being transported to a solid waste 43532
disposal facility, the fee shall be collected by the owner or 43533
operator of the solid waste disposal facility where the wastes are 43534
disposed of. An owner or operator of a solid waste transfer or 43535
disposal facility who is required to collect the fee shall collect 43536
and forward the fee to the district in accordance with section 43537
3734.57 of the Revised Code and rules adopted under division (H) 43538

If the owner or operator of a solid waste transfer or 43540
disposal facility who did not receive notice pursuant to division 43541
(B) of this section to collect the fee levied by a district under 43542
division (A) of this section receives solid wastes generated in 43543
the district, the owner or operator, within thirty days after 43544
receiving the wastes, shall send written notice of that fact to 43545
the board of county commissioners or directors of the district. 43546
Within thirty days after receiving such a notice, the board of 43547
county commissioners or directors shall send written notice to the 43548
owner or operator indicating whether the district is levying a fee 43549
under division (A) of this section and, if so, the amount of the 43550
fee. 43551

(G) Moneys received by a district levying a fee under 43552
division (A) of this section shall be credited to the special fund 43553
of the district created in division (G) of section 3734.57 of the 43554

Revised Code and shall be used exclusively for the purposes set 43555
forth specified in ~~divisions (G)(1) to (10)~~ of that section 43556
division. Prior to the approval under division (A) of section 43557
3734.56 of the Revised Code of the first amended plan that the 43558
district is required to submit for approval under that section, 43559
the approval of an initial plan under section 3734.521 of the 43560
Revised Code, the approval of an amended plan under that section 43561
or division (D) of section 3734.56 of the Revised Code, or the 43562
amendment of the district's plan under division (E) of section 43563

arising from the fee levied pursuant to a resolution adopted and 43565
ratified under division (B) of this section shall be expended for 43566
those purposes in the manner prescribed by the solid waste 43567
management policy committee by resolution. 43568

(H) The fee levied under division (A) of this section does 43569
not apply to the management of solid wastes that: 43570

(1) Are disposed of at a facility owned by the generator of 43571
the wastes when the solid waste facility exclusively disposes of 43572
solid wastes generated at one or more premises owned by the 43573
generator regardless of whether the facility is located on a 43574
premises where the wastes were generated; 43575

(2) Are disposed of at facilities that exclusively dispose of 43576
wastes that are generated from the combustion of coal, or from the 43577
combustion of primarily coal in combination with scrap tires, that 43578
is not combined in any way with garbage at one or more premises 43579
owned by the generator. 43580

(I) When solid wastes that are burned in a disposal facility 43581
that is an incinerator or energy recovery facility are delivered 43582
to a solid waste transfer facility prior to being transported to 43583
the incinerator or energy recovery facility where they are burned, 43584
the fee levied under division (A) of this section shall be levied 43585
on the wastes delivered to the transfer facility. 43586

(J) When solid wastes that are burned in a disposal facility 43587
that is an incinerator or energy recovery facility are not 43588
delivered to a solid waste transfer facility prior to being 43589
transported to the incinerator or energy recovery facility where 43590
they are burned, the fee levied under division (A) of this section 43591
shall be levied on the wastes delivered to the incinerator or 43592
energy recovery facility. 43593

(K) The fee levied under division (A) of this section does 43594
not apply to sewage sludge that is generated by a waste water 43595
treatment facility holding a national pollutant discharge 43596
elimination system permit and that is disposed of through 43597
incineration, land application, or composting or at another 43598
resource recovery or disposal facility that is not a landfill. 43599

(L) The fee levied under division (A) of this section does 43600
not apply to yard waste delivered to a solid waste composting 43601
facility for processing or to a solid waste transfer facility. 43602

(M) The fee levied under division (A) of this section does 43603
not apply to materials separated from a mixed waste stream for 43604
recycling by the generator. 43605

(N) The director of environmental protection may issue an 43606
order exempting from the fees levied under this section solid 43607
wastes, including, but not limited to, scrap tires, that are 43608
generated, transferred, or disposed of as a result of a contract 43609
providing for the expenditure of public funds entered into by the 43610
administrator or regional administrator of the United States 43611
environmental protection agency, the director of environmental 43612
protection, or the director of administrative services on behalf 43613
of the director of environmental protection for the purpose of 43614
remediating conditions at a hazardous waste facility, solid waste 43615
facility, or other location at which the administrator or regional 43616
administrator or the director of environmental protection has 43617
reason to believe that there is a substantial threat to public 43618

health or safety or the environment or that the conditions are 43619
causing or contributing to air or water pollution or soil 43620
contamination. An order issued by the director of environmental 43621
protection under this division shall include a determination that 43622
the amount of fees not received by a solid waste management 43623
district as a result of the order will not adversely impact the 43624
implementation and financing of the district's approved solid 43625
waste management plan and any approved amendments to the plan. Such 43626
an order is a final action of the director of environmental 43627
protection. 43628

Sec. 3734.85. (A) On and after the effective date of the 43629
rules adopted under sections 3734.70, 3734.71, 3734.72, and 43630
3734.73 of the Revised Code, the director of environmental 43631
protection may take action under this section to abate 43632
accumulations of scrap tires. If the director determines that an 43633
accumulation of scrap tires constitutes a danger to the public 43634
health or safety or to the environment, ~~he~~ the director shall 43635
issue an order under section 3734.13 of the Revised Code to the 43636
person responsible for the accumulation of scrap tires directing 43637
that person, within one hundred twenty days after the issuance of 43638
the order, to remove the accumulation of scrap tires from the 43639
premises on which it is located and transport the tires to a scrap 43640
tire storage, monocell, monofill, or recovery facility licensed 43641
under section 3734.81 of the Revised Code, to such a facility in 43642
another state operating in compliance with the laws of the state 43643
in which it is located, or to any other solid waste disposal 43644
facility in another state that is operating in compliance with the 43645
laws of that state. If the person responsible for causing the 43646
accumulation of scrap tires is a person different from the owner 43647
of the land on which the accumulation is located, the director may 43648
issue such an order to the landowner. 43649

If the director is unable to ascertain immediately the 43650

identity of the person responsible for causing the accumulation of scrap tires, ~~he~~ the director shall examine the records of the applicable board of health and law enforcement agencies to ascertain that person's identity. Before initiating any enforcement or removal actions under this division against the owner of the land on which the accumulation is located, the director shall initiate any such actions against the person that ~~he~~ the director has identified as responsible for causing the accumulation of scrap tires. Failure of the director to make diligent efforts to ascertain the identity of the person responsible for causing the accumulation of scrap tires or to initiate an action against the person responsible for causing the accumulation shall not constitute an affirmative defense by a landowner to an enforcement action initiated by the director under this division requiring immediate removal of any accumulation of scrap tires.

Upon the written request of the recipient of an order issued under this division, the director may extend the time for compliance with the order if the request demonstrates that the recipient has acted in good faith to comply with the order. If the recipient of an order issued under this division fails to comply with the order within one hundred twenty days after the issuance of the order or, if the time for compliance with the order was so extended, within that time, the director shall take such actions as ~~he~~ the director considers reasonable and necessary to remove and properly manage the scrap tires located on the land named in the order. The director, through employees of the environmental protection agency or a contractor, may enter upon the land on which the accumulation of scrap tires is located and remove and transport them to a scrap tire recovery facility for processing, to a scrap tire storage facility for storage, or to a scrap tire monocell or monofill facility for storage or disposal.

The director shall enter into contracts with the owners or operators of scrap tire storage, monocell, monofill, or recovery facilities for the storage, disposal, or processing of scrap tires removed through removal operations conducted under this section. In doing so, the director shall give preference to scrap tire recovery facilities.

If a person to whom a removal order is issued under this division fails to comply with the order and if the director performs a removal action under this section, the person to whom the removal order is issued is liable to the director for the costs incurred by the director for conducting the removal operation, storage at a scrap tire storage facility, storage or disposal at a scrap tire monocell or monofill facility, or processing of the scrap tires so removed, the transportation of the scrap tires from the site of the accumulation to the scrap tire storage, monocell, monofill, or recovery facility where the scrap tires were stored, disposed of, or processed, and the administrative and legal expenses incurred by the director in connection with the removal operation. The director shall keep an itemized record of those costs. Upon completion of the actions for which the costs were incurred, the director shall record the costs at the office of the county recorder of the county in which the accumulation of scrap tires was located. The costs so recorded constitute a lien on the property on which the accumulation of scrap tires was located until discharged. Upon the written request of the director, the attorney general shall bring a civil action against the person responsible for the accumulation of the scrap tires that were the subject of the removal operation to recover the costs ~~of the removal operation. If the director is unable to recover those costs through such a civil action, he shall certify them to the county recorder of the county in which the accumulation of scrap tires was located. The recorder shall record the costs so certified as a lien on the property on which the~~

~~accumulation of scrap tires was located, which costs shall be a~~ 43716
~~lien on the property until discharged for which the person is~~ 43717
~~liable under this division. Any money so received or recovered~~ 43718
~~shall be credited to the scrap tire management fund created in~~ 43719
~~section 3734.82 of the Revised Code.~~ 43720

If, in a civil action brought under this division, an owner 43721
of real property is ordered to pay to the director the costs of a 43722
removal action that removed an accumulation of scrap tires from 43723
the person's land or if a lien is placed on the person's land for 43724
the costs of such a removal action, and, in either case, if the 43725
landowner was not the person responsible for causing the 43726
accumulation of scrap tires so removed, the landowner may bring a 43727
civil action against the person who was responsible for causing 43728
the accumulation to recover the amount of the removal costs that 43729
the court ordered the landowner to pay to the director or the 43730
amount of the removal costs certified to the county recorder as a 43731
lien on the landowner's property, whichever is applicable. If the 43732
landowner prevails in the civil action against the person who was 43733
responsible for causing the accumulation of scrap tires, the 43734
court, as it considers appropriate, may award to the landowner the 43735
reasonable attorney's fees incurred by the landowner for bringing 43736
the action, court costs, and other reasonable expenses incurred by 43737
the landowner in connection with the civil action. A landowner 43738
shall bring such a civil action within two years after making the 43739
final payment of the removal costs to the director pursuant to the 43740
judgment rendered against the landowner in the civil action 43741
brought under this division upon the director's request or within 43742
two years after the director certified the costs of the removal 43743
action to the county recorder, as appropriate. A person who, at 43744
the time that a removal action was conducted under this division, 43745
owned the land on which the removal action was performed may bring 43746
an action under this division to recover the costs of the removal 43747
action from the person responsible for causing the accumulation of 43748

scrap tires so removed regardless of whether the person owns the 43749
land at the time of bringing the action. 43750

Subject to the limitations set forth in division (G) of 43751
section 3734.82 of the Revised Code, the director may use moneys 43752
in the scrap tire management fund ~~created in that division~~ for 43753
conducting removal actions under this division. Any moneys 43754
recovered under this division shall be credited to the scrap tire 43755
management fund. 43756

(B) The director shall initiate enforcement and removal 43757
actions under division (A) of this section in accordance with the 43758
following descending listing of priorities: 43759

(1) Accumulations of scrap tires that the director finds 43760
constitute a fire hazard or threat to public health; 43761

(2) Accumulations of scrap tires determined by the director 43762
to contain more than one million scrap tires; 43763

(3) Accumulations of scrap tires in densely populated areas; 43764

(4) Other accumulations of scrap tires that the director or 43765
board of health of the health district in which the accumulation 43766
is located determines constitute a public nuisance; 43767

(5) Any other accumulations of scrap tires present on 43768
premises operating without a valid license issued under section 43769
3734.05 or 3734.81 of the Revised Code. 43770

(C) The director shall not take enforcement and removal 43771
actions under division (A) of this section against the owner or 43772
operator of, or the owner of the land on which is located, any of 43773
the following: 43774

(1) A premises where not more than one hundred scrap tires 43775

division, "wholesale and commercial sales" includes all sales for 45122

wholesale or commercial sale. 45127

Sec. 3743.57. (A) All fees collected by the fire marshal for 45128

fire marshal shall impose no further assessments unless the fund 45144
balance is reduced to five thousand dollars or less. If the fund 45145
balance is reduced to five thousand dollars or less, the fire 45146
marshal shall impose an additional assessment upon each licensed 45147
fireworks manufacturer and wholesaler in order to increase the 45148
fund balance to fifteen thousand dollars. The fire marshal shall 45149~~

manufacturer or wholesaler and each additional assessment by 45151
dividing the total amount needed to be paid into the fund by the 45152
total number of fireworks manufacturers and wholesalers licensed 45153
under this chapter. If a licensed fireworks manufacturer or 45154
wholesaler fails to pay an assessment required by this division 45155
within thirty days after receiving notice of the assessment, the 45156
fire marshal, in accordance with Chapter 119. of the Revised Code, 45157

and procedures established by the director of budget and 45170
management, and all other applicable laws. 45171

fire marshal may grant variances from the requirements of this 45173
chapter or from the requirements of rules adopted pursuant to this 45174
chapter if the fire marshal determines that a literal enforcement 45175
of the requirement will result in ~~unnecessary hardship~~ practical 45176
difficulty in complying with the requirements of this chapter or 45177
the rules adopted pursuant to this chapter and that the variance 45178
will not be contrary to the public health, safety, or welfare. A 45179
variance shall not be granted to a person who is initially 45180
licensed as a manufacturer or wholesaler of fireworks after June 45181

14, 1988. 45182

(B) The fire marshal may authorize a variance from the 45183

of education, provided that the pyrotechnic compounds are used for 45187
educational purposes only, or are used only at an authorized 45188
educational function approved by the governing board that 45189
exercises authority over the educational function. 45190

indicate that the fee is required to be paid within thirty days 45418
after the issuance of the invoice. 45419

(D)(1) Except as provided in division (D)(3) of this section, 45420

(b) Beginning January 1, 2000, through June 30, ~~2006~~ 2008, 45462
each person who owns or operates a synthetic minor facility shall 45463
pay an annual fee based on the sum of the actual annual emissions 45464

(4) The fees assessed under division (D)(1) of this section 45482
shall be collected annually no sooner than the fifteenth day of 45483
April, commencing in 1995. The fees assessed under division (D)(2) 45484
of this section shall be collected annually no sooner than the 45485
fifteenth day of April, commencing in 2005. The fees assessed 45486
under division (D)(3) of this section shall be collected no sooner 45487
than the fifteenth day of April, commencing in 2000. The fees 45488
assessed under division (D) of this section in a calendar year 45489
shall be based upon the sum of the actual emissions of those 45490
regulated pollutants during the preceding calendar year. For the 45491

purpose of division (D) of this section, emissions of air 45492
contaminants may be calculated using engineering calculations, 45493
emission factors, material balance calculations, or performance 45494
testing procedures, as authorized by the director. The director, 45495
by rule, may require persons who are required to pay the fees 45496
assessed under division (D) of this section to pay those fees 45497
biennially rather than annually. 45498

(E)(1) Consistent with the need to cover the reasonable costs 45499
of the Title V permit program, the director annually shall 45500
increase the fees prescribed in division (C)(1) of this section by 45501
the percentage, if any, by which the consumer price index for the 45502
most recent calendar year ending before the beginning of a year 45503
exceeds the consumer price index for calendar year 1989. Upon 45504
calculating an increase in fees authorized by division (E)(1) of 45505
this section, the director shall compile revised fee schedules for 45506
the purposes of division (C)(1) of this section and shall make the 45507
revised schedules available to persons required to pay the fees 45508
assessed under that division and to the public. 45509

(2) For the purposes of division (E)(1) of this section: 45510

(a) The consumer price index for any year is the average of 45511
the consumer price index for all urban consumers published by the 45512
United States department of labor as of the close of the 45513
twelve-month period ending on the thirty-first day of August of 45514
that year. 45515

(b) If the 1989 consumer price index is revised, the director 45516
shall use the revision of the consumer price index that is most 45517
consistent with that for calendar year 1989. 45518

(F) Each person who is issued a permit to install pursuant to 45519
rules adopted under division (F) of section 3704.03 of the Revised 45520
Code on or after July 1, 2003, shall pay the fees specified in the 45521
following schedules: 45522

Code after the date actual construction of the source began shall 45653
pay a fee for the permit to install that is equal to twice the fee 45654
that otherwise would be assessed under the applicable division 45655
unless the applicant received authorization to begin construction 45656
under division (W) of section 3704.03 of the Revised Code. This 45657
division only applies to sources for which actual construction of 45658
the source begins on or after July 1, 1993. The imposition or 45659

building supports and foundations and the laying of underground 45670
pipework. 45671

small business assistance fund created in section 3706.19 of the 45676

Revised Code. The remainder of the moneys received by the division 45677
pursuant to that division and moneys received by the agency 45678
pursuant to divisions (D), (F), (G), (H), (I), and (J) of this 45679
section shall be deposited in the state treasury to the credit of 45680
the clean air fund created in section 3704.035 of the Revised 45681
Code. 45682

(L)(1)(a) Except as otherwise provided in division (L)(1)(b) 45683
or (c) of this section, a person issued a water discharge permit 45684
or renewal of a water discharge permit pursuant to Chapter 6111. 45685
of the Revised Code shall pay a fee based on each point source to 45686
which the issuance is applicable in accordance with the following 45687
schedule: 45688

| Design flow discharge (gallons per day) | Fee | |
|---|------|-------|
| 0 to 1000 | \$ 0 | 45689 |

(b) Notwithstanding the fee schedule specified in division 45696
(L)(1)(a) of this section, the fee for a water discharge permit 45697
that is applicable to coal mining operations regulated under 45698
Chapter 1513. of the Revised Code shall be two hundred fifty 45699
dollars per mine. 45700

(c) Notwithstanding the fee schedule specified in division 45701
(L)(1)(a) of this section, the fee for a water discharge permit 45702
for a public discharger identified by I in the third character of 45703
the permittee's NPDES permit number shall not exceed seven hundred 45704
fifty dollars. 45705

(2) A person applying for a plan approval for a wastewater 45706
treatment works pursuant to section 6111.44, 6111.45, or 6111.46 45707

The fee shall be paid at the time the application is submitted.

(3) A person issued a modification of a water discharge permit shall pay a fee equal to one-half the fee that otherwise would be charged for a water discharge permit, except that the fee for the modification shall not exceed four hundred dollars.

(4) A person who has entered into an agreement with the director under section 6111.14 of the Revised Code shall pay an administrative service fee for each plan submitted under that section for approval that shall not exceed the minimum amount necessary to pay administrative costs directly attributable to processing plan approvals. The director annually shall calculate the fee and shall notify all persons who have entered into agreements under that section, or who have applied for agreements, of the amount of the fee.

(5)(a)(i) Not later than January 30, ~~2004~~ 2006, and January 30, ~~2005~~ 2007, a person holding an NPDES discharge permit issued pursuant to Chapter 6111. of the Revised Code with an average daily discharge flow of five thousand gallons or more shall pay a nonrefundable annual discharge fee. Any person who fails to pay the fee at that time shall pay an additional amount that equals ten per cent of the required annual discharge fee.

(ii) The billing year for the annual discharge fee established in division (L)(5)(a)(i) of this section shall consist of a twelve-month period beginning on the first day of January of the year preceding the date when the annual discharge fee is due. In the case of an existing source that permanently ceases to

discharge during a billing year, the director shall reduce the 45741
annual discharge fee, including the surcharge applicable to 45742
certain industrial facilities pursuant to division (L)(5)(c) of 45743
this section, by one-twelfth for each full month during the 45744
billing year that the source was not discharging, but only if the 45745
person holding the NPDES discharge permit for the source notifies 45746
the director in writing, not later than the first day of October 45747
of the billing year, of the circumstances causing the cessation of 45748
discharge. 45749

(iii) The annual discharge fee established in division 45750
(L)(5)(a)(i) of this section, except for the surcharge applicable 45751
to certain industrial facilities pursuant to division (L)(5)(c) of 45752
this section, shall be based upon the average daily discharge flow 45753
in gallons per day calculated using first day of May through 45754
thirty-first day of October flow data for the period two years 45755
prior to the date on which the fee is due. In the case of NPDES 45756
discharge permits for new sources, the fee shall be calculated 45757
using the average daily design flow of the facility until actual 45758
average daily discharge flow values are available for the time 45759
period specified in division (L)(5)(a)(iii) of this section. The 45760
annual discharge fee may be prorated for a new source as described 45761
in division (L)(5)(a)(ii) of this section. 45762

| of this section, each sewage sludge facility shall pay a | 46301 |
| nonrefundable annual sludge fee equal to three dollars and fifty | 46302 |
| cents per dry ton of sewage sludge, including the dry tons of | 46303 |
| sewage sludge in materials derived from sewage sludge, that the | 46304 |

sewage sludge facility treats or disposes of in this state. The 46305
annual volume of sewage sludge treated or disposed of by a sewage 46306
sludge facility shall be calculated using the first day of January 46307
through the thirty-first day of December of the calendar year 46308
preceding the date on which payment of the fee is due. 46309

(2)(a) Except as provided in division (Y)(2)(d) of this 46310
section, each sewage sludge facility shall pay a minimum annual 46311
sewage sludge fee of one hundred dollars. 46312

(b) The annual sludge fee required to be paid by a sewage 46313
sludge facility that treats or disposes of exceptional quality 46314
sludge in this state shall be thirty-five per cent less per dry 46315
ton of exceptional quality sludge than the fee assessed under 46316
division (Y)(1) of this section, subject to the following 46317
exceptions: 46318

(i) Except as provided in division (Y)(2)(d) of this section, 46319
a sewage sludge facility that treats or disposes of exceptional 46320
quality sludge shall pay a minimum annual sewage sludge fee of one 46321
hundred dollars. 46322

(ii) A sewage sludge facility that treats or disposes of 46323
exceptional quality sludge shall not be required to pay the annual 46324
sludge fee for treatment or disposal in this state of exceptional 46325
quality sludge generated outside of this state and contained in 46326
bags or other containers not greater than one hundred pounds in 46327
capacity. 46328

A thirty-five per cent reduction for exceptional quality 46329
sludge applies to the maximum annual fees established under 46330
division (Y)(3) of this section. 46331

(c) A sewage sludge facility that transfers sewage sludge to 46332
another sewage sludge facility in this state for further treatment 46333
prior to disposal in this state shall not be required to pay the 46334
annual sludge fee for the tons of sewage sludge that have been 46335

transferred. In such a case, the sewage sludge facility that 46336
disposes of the sewage sludge shall pay the annual sludge fee. 46337
However, the facility transferring the sewage sludge shall pay the 46338
one-hundred-dollar minimum fee required under division (Y)(2)(a) 46339
of this section. 46340

In the case of a sewage sludge facility that treats sewage 46341
sludge in this state and transfers it out of this state to another 46342
entity for disposal, the sewage sludge facility in this state 46343
shall be required to pay the annual sludge fee for the tons of 46344
sewage sludge that have been transferred. 46345

(d) A sewage sludge facility that generates sewage sludge 46346
resulting from an average daily discharge flow of less than five 46347
thousand gallons per day is not subject to the fees assessed under 46348
division (Y) of this section. 46349

(3) No sewage sludge facility required to pay the annual 46350
sludge fee shall be required to pay more than the maximum annual 46351
fee for each disposal method that the sewage sludge facility uses. 46352
The maximum annual fee does not include the additional amount that 46353
may be charged under division (Y)(5) of this section for late 46354
payment of the annual sludge fee. The maximum annual fee for the 46355
following methods of disposal of sewage sludge is as follows: 46356

(a) Incineration: five thousand dollars; 46357

(b) Preexisting land reclamation project or disposal in a 46358
landfill: five thousand dollars; 46359

(c) Land application, land reclamation, surface disposal, or 46360
any other disposal method not specified in division (Y)(3)(a) or 46361
(b) of this section: twenty thousand dollars. 46362

(4)(a) In the case of an entity that generates sewage sludge 46363
or a sewage sludge facility that treats sewage sludge and 46364
transfers the sewage sludge to an incineration facility for 46365
disposal, the incineration facility, and not the entity generating 46366

the sewage sludge or the sewage sludge facility treating the 46367
sewage sludge, shall pay the annual sludge fee for the tons of 46368
sewage sludge that are transferred. However, the entity or 46369
facility generating or treating the sewage sludge shall pay the 46370
one-hundred-dollar minimum fee required under division (Y)(2)(a) 46371
of this section. 46372

(b) In the case of an entity that generates sewage sludge and 46373
transfers the sewage sludge to a landfill for disposal or to a 46374
sewage sludge facility for land reclamation or surface disposal, 46375
the entity generating the sewage sludge, and not the landfill or 46376
sewage sludge facility, shall pay the annual sludge fee for the 46377
tons of sewage sludge that are transferred. 46378

(5) Not later than the first day of April of the calendar 46379
year following March 17, 2000, and each first day of April 46380
thereafter, the director shall issue invoices to persons who are 46381
required to pay the annual sludge fee. The invoice shall identify 46382
the nature and amount of the annual sludge fee assessed and state 46383
the first day of May as the deadline for receipt by the director 46384
of objections regarding the amount of the fee and the first day of 46385
July as the deadline for payment of the fee. 46386

Not later than the first day of May following receipt of an 46387
invoice, a person required to pay the annual sludge fee may submit 46388
objections to the director concerning the accuracy of information 46389
regarding the number of dry tons of sewage sludge used to 46390
calculate the amount of the annual sludge fee or regarding whether 46391
the sewage sludge qualifies for the exceptional quality sludge 46392
discount established in division (Y)(2)(b) of this section. The 46393
director may consider the objections and adjust the amount of the 46394
fee to ensure that it is accurate. 46395

If the director does not adjust the amount of the annual 46396
sludge fee in response to a person's objections, the person may 46397
appeal the director's determination in accordance with Chapter 46398

119. of the Revised Code. 46399

Not later than the first day of June, the director shall 46400
notify the objecting person regarding whether the director has 46401
found the objections to be valid and the reasons for the finding. 46402
If the director finds the objections to be valid and adjusts the 46403
amount of the annual sludge fee accordingly, the director shall 46404
issue with the notification a new invoice to the person 46405
identifying the amount of the annual sludge fee assessed and 46406
stating the first day of July as the deadline for payment. 46407

Not later than the first day of July, any person who is 46408
required to do so shall pay the annual sludge fee. Any person who 46409
is required to pay the fee, but who fails to do so on or before 46410
that date shall pay an additional amount that equals ten per cent 46411
of the required annual sludge fee. 46412

(6) The director shall transmit all moneys collected under 46413
division (Y) of this section to the treasurer of state for deposit 46414
into the surface water protection fund created in section 6111.038 46415
of the Revised Code. The moneys shall be used to defray the costs 46416
of administering and enforcing provisions in Chapter 6111. of the 46417
Revised Code and rules adopted under it that govern the use, 46418
storage, treatment, or disposal of sewage sludge. 46419

(7) Beginning in fiscal year 2001, and every two years 46420
thereafter, the director shall review the total amount of moneys 46421
generated by the annual sludge fees to determine if that amount 46422
exceeded six hundred thousand dollars in either of the two 46423
preceding fiscal years. If the total amount of moneys in the fund 46424
exceeded six hundred thousand dollars in either fiscal year, the 46425
director, after review of the fee structure and consultation with 46426
affected persons, shall issue an order reducing the amount of the 46427
fees levied under division (Y) of this section so that the 46428
estimated amount of moneys resulting from the fees will not exceed 46429
six hundred thousand dollars in any fiscal year. 46430

If, upon review of the fees under division (Y)(7) of this section and after the fees have been reduced, the director determines that the total amount of moneys collected and accumulated is less than six hundred thousand dollars, the director, after review of the fee structure and consultation with affected persons, may issue an order increasing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will be approximately six hundred thousand dollars. Fees shall never be increased to an amount exceeding the amount specified in division (Y)(7) of this section.

Notwithstanding section 119.06 of the Revised Code, the director may issue an order under division (Y)(7) of this section without the necessity to hold an adjudicatory hearing in connection with the order. The issuance of an order under this division is not an act or action for purposes of section 3745.04 of the Revised Code.

Sec. 3746.04. Within one year after September 28, 1994, the 46592
director of environmental protection, in accordance with Chapter 46593
119. of the Revised Code and with the advice of the 46594
multidisciplinary council appointed under section 3746.03 of the 46595
Revised Code, shall adopt, and subsequently may amend, suspend, or 46596
rescind, rules that do both of the following: 46597

(A) Revise the rules adopted under Chapters 3704., 3714., 46598
3734., 6109., and 6111. of the Revised Code to incorporate the 46599
provisions necessary to conform those rules to the requirements of 46600
this chapter. The amended rules adopted under this division also 46601
shall establish response times for all submittals to the 46602
environmental protection agency required under this chapter or 46603
rules adopted under it. 46604

(B) Establish requirements and procedures that are reasonably 46605
necessary for the implementation and administration of this 46606
chapter, including, without limitation, all of the following: 46607

(1) Appropriate generic numerical clean-up standards for the 46608
treatment or removal of soils, sediments, and water media for 46609
hazardous substances and petroleum. The rules shall establish 46610
separate generic numerical clean-up standards based upon the 46611
intended use of properties after the completion of voluntary 46612
actions, including industrial, commercial, and residential uses 46613

and such other categories of land use as the director considers to be appropriate. The generic numerical clean-up standards established for each category of land use shall be the concentration of each contaminant that may be present on a property that shall ensure protection of public health and safety and the environment for the reasonable exposure for that category of land use. When developing the standards, the director shall consider such factors as all of the following:

(a) Scientific information, including, without limitation, toxicological information and realistic assumptions regarding human and environmental exposure to hazardous substances or petroleum;

(b) Climatic factors;

(c) Human activity patterns;

(d) Current statistical techniques;

(e) For petroleum at industrial property, alternatives to the use of total petroleum hydrocarbons.

The generic numerical clean-up standards established in the rules adopted under division (B)(1) of this section shall be consistent with and equivalent in scope, content, and coverage to any applicable standard established by federal environmental laws and regulations adopted under them, including, without limitation, the "Federal Water Pollution Control Act Amendments of 1972," 86 Stat. 886, 33 U.S.C.A. 1251, as amended; the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended; the "Toxic Substances Control Act," 90 Stat. 2003 (1976), 15 U.S.C.A. 2601, as amended; the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9601, as amended; and the "Safe Drinking Water Act," 88 Stat. 1660 (1974), 42 U.S.C.A. 300f, as amended.

In order for the rules adopted under division (B)(1) of this section to require that any such federal environmental standard apply to a property, the property shall meet the requirements of the particular federal statute or regulation involved in the manner specified by the statute or regulation.

The generic numerical clean-up standards for petroleum at commercial or residential property shall be the standards established in rules adopted under division (B) of section 3737.882 of the Revised Code.

(2)(a) Procedures for performing property-specific risk assessments that would be performed at a property to demonstrate that the remedy evaluated in a risk assessment results in protection of public health and safety and the environment instead of complying with the generic numerical clean-up standards established in the rules adopted under division (B)(1) of this section. The risk assessment procedures shall describe a methodology to establish, on a property-specific basis, allowable levels of contamination to remain at a property to ensure protection of public health and safety and the environment on the property and off the property when the contamination is emanating off the property, taking into account all of the following:

(i) The implementation of treatment, storage, or disposal, or a combination thereof, of hazardous substances or petroleum;

(ii) The existence of institutional controls or activity and use limitations that eliminate or mitigate exposure to hazardous substances or petroleum through the restriction of access to hazardous substances or petroleum;

(iii) The existence of engineering controls that eliminate or mitigate exposure to hazardous substances or petroleum through containment of, control of, or restrictions of access to hazardous substances or petroleum, including, without limitation, fences,

cap systems, cover systems, and landscaping. 46676

(b) The risk assessment procedures and levels of acceptable 46677
risk set forth in the rules adopted under division (B)(2) of this 46678
section shall be based upon all of the following: 46679

(i) Scientific information, including, without limitation, 46680
toxicological information and actual or proposed human and 46681
environmental exposure; 46682

(ii) Locational and climatic factors; 46683

(iii) Surrounding land use and human activities; 46684

(iv) Differing levels of remediation that may be required 46685
when an existing land use is continued compared to when a 46686
different land use follows the remediation. 46687

(c) Any standards established pursuant to rules adopted under 46688
division (B)(2) of this section shall be no more stringent than 46689
standards established under the environmental statutes of this 46690
state and rules adopted under them for the same contaminant in the 46691
same environmental medium that are in effect at the time the risk 46692
assessment is conducted. 46693

(3) Minimum standards for phase I property assessments. The 46694
standards shall specify the information needed to demonstrate that 46695
there is no reason to believe that contamination exists on a 46696
property. The rules adopted under division (B)(3) of this section, 46697
at a minimum, shall require that a phase I property assessment 46698
include all of the following: 46699

(a) A review and analysis of deeds, mortgages, easements of 46700
record, and similar documents relating to the chain of title to 46701
the property that are publicly available or that are known to and 46702
reasonably available to the owner or operator; 46703

(b) A review and analysis of any previous environmental 46704
assessments, property assessments, environmental studies, or 46705

geologic studies of the property and any land within two thousand feet of the boundaries of the property that are publicly available or that are known to and reasonably available to the owner or operator;

(c) A review of current and past environmental compliance histories of persons who owned or operated the property;

(d) A review of aerial photographs of the property that indicate prior uses of the property;

(e) Interviews with managers of activities conducted at the property who have knowledge of environmental conditions at the property;

(f) Conducting an inspection of the property consisting of a walkover;

(g) Identifying the current and past uses of the property, adjoining tracts of land, and the area surrounding the property, including, without limitation, interviews with persons who reside or have resided, or who are or were employed, within the area surrounding the property regarding the current and past uses of the property and adjacent tracts of land.

The rules adopted under division (B)(3) of this section shall establish criteria to determine when a phase II property assessment shall be conducted when a phase I property assessment reveals facts that establish a reason to believe that hazardous substances or petroleum have been treated, stored, managed, or disposed of on the property if the person undertaking the phase I property assessment wishes to obtain a covenant not to sue under section 3746.12 of the Revised Code.

(4) Minimum standards for phase II property assessments. The standards shall specify the information needed to demonstrate that any contamination present at the property does not exceed applicable standards or that the remedial activities conducted at

the property have achieved compliance with applicable standards. 46737
The rules adopted under division (B)(4) of this section, at a 46738
minimum, shall require that a phase II property assessment include 46739
all of the following: 46740

(a) A review and analysis of all documentation prepared in 46741
connection with a phase I property assessment conducted within the 46742
one hundred eighty days before the phase II property assessment 46743
begins. The rules adopted under division (B)(4)(a) of this section 46744
shall require that if a period of more than one hundred eighty 46745
days has passed between the time that the phase I assessment of 46746
the property was completed and the phase II assessment begins, the 46747
phase II assessment shall include a reasonable inquiry into the 46748
change in the environmental condition of the property during the 46749
intervening period. 46750

(b) Quality assurance objectives for measurements taken in 46751
connection with a phase II assessment; 46752

(c) Sampling procedures to ensure the representative sampling 46753
of potentially contaminated environmental media; 46754

(d) Quality assurance and quality control requirements for 46755
samples collected in connection with phase II assessments; 46756

(e) Analytical and data assessment procedures; 46757

(f) Data objectives to ensure that samples collected in 46758
connection with phase II assessments are biased toward areas where 46759
information indicates that contamination by hazardous substances 46760
or petroleum is likely to exist. 46761

(5) Standards governing the conduct of certified 46762
professionals, criteria and procedures for the certification of 46763
professionals to issue no further action letters under section 46764
3746.11 of the Revised Code, and criteria for the suspension and 46765
revocation of those certifications. The director shall take an 46766
action regarding a certification as a final action. The issuance, 46767

denial, renewal, suspension, and revocation of those 46768
certifications are subject to Chapter 3745. of the Revised Code, 46769
~~and the director shall take any such action regarding a~~ 46770
~~certification as a final action~~ except that, in lieu of publishing 46771
an action regarding a certification in a newspaper of general 46772
circulation as required in section 3745.07 of the Revised Code, 46773
such an action shall be published on the environmental protection 46774
agency's web site and in the agency's weekly review not later than 46775
fifteen days after the date of the issuance, denial, renewal, 46776
suspension, or revocation of the certification and not later than 46777
thirty days before a hearing or public meeting concerning the 46778
action. 46779

The rules adopted under division (B)(5) of this section shall 46780
do all of the following: 46781

(a) Provide for the certification of environmental 46782
professionals to issue no further action letters pertaining to 46783
investigations and remedies in accordance with the criteria and 46784
procedures set forth in the rules. The rules adopted under 46785
division (B)(5)(a) of this section shall do at least all of the 46786
following: 46787

(i) Authorize the director to consider such factors as an 46788

professional's environmental compliance history when determining 46791
whether to certify the environmental professional; 46792

(ii) Ensure that an application for certification is reviewed 46793
in a timely manner; 46794

(iii) Require the director to certify any environmental 46795
professional who the director determines complies with those 46796

~~protection~~ agency for the required reviews of the qualifications 46805
of environmental professionals for certification and for the 46806
issuance of the certifications. 46807

(c) Develop a schedule for and establish requirements 46808
governing the review by the director of the credentials of 46809
environmental professionals who were deemed to be certified 46810
professionals under division (D) of section 3746.07 of the Revised 46811
Code in order to determine if they comply with the criteria 46812
established in rules adopted under division (B)(5) of this 46813

finds that the environmental professional's performance has 46837
resulted in the issuance of no further action letters under 46838
section 3746.11 of the Revised Code that are not consistent with 46839
applicable standards or finds that the certified environmental 46840
professional has not substantially complied with section 3746.31 46841
of the Revised Code; 46842

(f) Authorize the director to suspend for a period of not 46843
more than five years or to permanently revoke a certified 46844

of analyses, specific test parameters or group of test parameters, 46880
or a specific matrix or matrices under this chapter. 46881

(b) Develop a schedule for and establish requirements 46882
governing the review by the director of the operations of 46883
laboratories that were deemed to be certified laboratories under 46884
division (E) of section 3746.07 of the Revised Code in order to 46885
determine if they comply with the criteria established in rules 46886
adopted under division (B)(6) of this section. The rules adopted 46887

| | |
|---|-------|
| restrictions on the use of ground water, including, without | 47014 |
| limitation, local rules or ordinances; | 47015 |
| (ii) The presence of regional commingled contamination from | 47016 |
| multiple sources that diminishes the quality of ground water; | 47017 |
| (iii) The natural quality of ground water; | 47018 |

| presence of contaminated ground water; | 47030 |
| (ii) The availability and feasibility of technology to remedy | 47031 |
| ground water contamination. | 47032 |
| (11) Governing the application for and issuance of variances | 47033 |
| under section 3746.09 of the Revised Code; | 47034 |
| (12)(a) In the case of voluntary actions involving | 47035 |

| established through a risk assessment conducted pursuant to rules | 47039 |
| adopted under division (B)(2) of this section shall be | 47040 |
| inapplicable to the remediation of contaminated ground water and | 47041 |
| under which the standards for remediating contaminated ground | 47042 |
| water shall be established on a case-by-case basis prior to the | 47043 |

commencement of the voluntary action pursuant to rules adopted 47044
under division (B)(12)(b) of this section; 47045

numerical clean-up standards and standards established through a 47049
risk assessment are precluded by the rules adopted under division 47050
(B)(12)(a) of this section. The rules governing the procedures for 47051
the case-by-case development of standards for the remediation of 47052
contaminated ground water shall establish application, public 47053
participation, adjudication, and appeals requirements and 47054
procedures that are equivalent to the requirements and procedures 47055
established in section 3746.09 of the Revised Code and rules 47056
adopted under division (B)(11) of this section, except that the 47057
procedural rules shall not require an applicant to make the 47058
demonstrations set forth in divisions (A)(1) to (3) of section 47059

Sec. 3781.10. (A)(1) The board of building standards shall 47501
formulate and adopt rules governing the erection, construction, 47502
repair, alteration, and maintenance of all buildings or classes of 47503
buildings specified in section 3781.06 of the Revised Code, 47504
including land area incidental to those buildings, the 47505
construction of industrialized units, the installation of 47506
equipment, and the standards or requirements for materials used in 47507
connection with those buildings. The board shall incorporate those 47508
rules into separate residential and nonresidential building codes. 47509
The standards shall relate to the conservation of energy and the 47510
safety and sanitation of those buildings. 47511

(2) The rules governing nonresidential buildings are the 47512
lawful minimum requirements specified for those buildings and 47513
industrialized units, except that no rule other than as provided 47514
in division (C) of section 3781.108 of the Revised Code that 47515
specifies a higher requirement than is imposed by any section of 47516
the Revised Code is enforceable. The rules governing residential 47517
buildings are uniform requirements for residential buildings in 47518
any area with a building department certified to enforce the state 47519
residential building code. In no case shall any local code or 47520
regulation differ from the state residential building code unless 47521
that code or regulation addresses subject matter not addressed by 47522
the state residential building code or is adopted pursuant to 47523
section 3781.01 of the Revised Code. 47524

(3) The rules adopted pursuant to this section are complete, 47525
lawful alternatives to any requirements specified for buildings or 47526
industrialized units in any section of the Revised Code. The board 47527
shall, on its own motion or on application made under sections 47528
3781.12 and 3781.13 of the Revised Code, formulate, propose, 47529

or desirable to effectuate the purposes of sections 3781.06 to 47531
3781.18 of the Revised Code. 47532

(B) The board shall report to the general assembly proposals 47533
for amendments to existing statutes relating to the purposes 47534
declared in section 3781.06 of the Revised Code that public health 47535
and safety and the development of the arts require and shall 47536
recommend any additional legislation to assist in carrying out 47537
fully, in statutory form, the purposes declared in that section. 47538
The board shall prepare and submit to the general assembly a 47539
summary report of the number, nature, and disposition of the 47540

Code. 47542

(C) On its own motion or on application made under sections 47543
3781.12 and 3781.13 of the Revised Code, and after thorough 47544
testing and evaluation, the board shall determine by rule that any 47545
particular fixture, device, material, process of manufacture, 47546
manufactured unit or component, method of manufacture, system, or 47547
method of construction complies with performance standards adopted 47548
pursuant to section 3781.11 of the Revised Code. The board shall 47549
make its determination with regard to adaptability for safe and 47550
sanitary erection, use, or construction, to that described in any 47551
section of the Revised Code, wherever the use of a fixture, 47552
device, material, method of manufacture, system, or method of 47553
construction described in that section of the Revised Code is 47554
permitted by law. The board shall amend or annul any rule or issue 47555
an authorization for the use of a new material or manufactured 47556
unit on any like application. No department, officer, board, or 47557
commission of the state other than the board of building standards 47558
or the board of building appeals shall permit the use of any 47559
fixture, device, material, method of manufacture, newly designed 47560
product, system, or method of construction at variance with what 47561

is described in any rule the board of building standards adopts or 47562
issues or that is authorized by any section of the Revised Code. 47563
Nothing in this section shall be construed as requiring approval, 47564
by rule, of plans for an industrialized unit that conforms with 47565
the rules the board of building standards adopts pursuant to 47566
section 3781.11 of the Revised Code. 47567

(D) The board shall recommend rules, codes, and standards to 47568
help carry out the purposes of section 3781.06 of the Revised Code 47569
and to help secure uniformity of state administrative rulings and 47570
local legislation and administrative action to the bureau of 47571
workers' compensation, the director of commerce, any other 47572
department, officer, board, or commission of the state, and to 47573
legislative authorities and building departments of counties, 47574
townships, and municipal corporations, and shall recommend that 47575
they audit those recommended rules, codes, and standards by any 47576
appropriate action that they are allowed pursuant to law or the 47577
constitution. 47578

(E)(1) The board shall certify municipal, township, and 47579
county building departments and the personnel of those building 47580
departments, and persons and employees of individuals, firms, or 47581
corporations as described in division (E)(7) of this section to 47582
exercise enforcement authority, to accept and approve plans and 47583
specifications, and to make inspections, pursuant to sections 47584
3781.03, 3791.04, and 4104.43 of the Revised Code. 47585

(2) The board shall certify departments, personnel, and 47586
persons to enforce the state residential building code, to enforce 47587
the nonresidential building code, or to enforce both the 47588
residential and the nonresidential building codes. Any department, 47589
personnel, or person may enforce only the type of building code 47590
for which certified. 47591

(3) The board shall not require a building department, its 47592
personnel, or any persons that it employs to be certified for 47593

residential building code enforcement if that building department 47594
does not enforce the state residential building code. The board 47595
shall specify, in rules adopted pursuant to Chapter 119. of the 47596
Revised Code, the requirements for certification for residential 47597
and nonresidential building code enforcement, which shall be 47598
consistent with this division. The requirements for residential 47599
and nonresidential certification may differ. Except as otherwise 47600
provided in this division, the requirements shall include, but are 47601
not limited to, the satisfactory completion of an initial 47602
examination and, to remain certified, the completion of a 47603
specified number of hours of continuing building code education 47604
within each three-year period following the date of certification 47605
which shall be not less than thirty hours. The rules shall provide 47606
that continuing education credits and certification issued by the 47607
council of American building officials, national model code 47608
organizations, and agencies or entities the board recognizes are 47609
acceptable for purposes of this division. The rules shall specify 47610
requirements that are compatible, to the extent possible, with 47611
requirements the council of American building officials and 47612
national model code organizations establish. 47613

(4) The board shall establish and collect a certification and 47614
renewal fee for building department personnel, and persons and 47615
employees of persons, firms, or corporations as described in this 47616
section, who are certified pursuant to this division. 47617

(5) Any individual certified pursuant to this division shall 47618
complete the number of hours of continuing building code education 47619
that the board requires or, for failure to do so, forfeit 47620
certification. 47621

(6) This division does not require or authorize the board to 47622
certify personnel of municipal, township, and county building 47623
departments, and persons and employees of persons, firms, or 47624
corporations as described in this section, whose responsibilities 47625

do not include the exercise of enforcement authority, the approval 47626
of plans and specifications, or making inspections under the state 47627
residential and nonresidential building codes. 47628

(7) Enforcement authority for approval of plans and 47629

(8) Municipal, township, and county building departments have 47645
jurisdiction within the meaning of sections 3781.03, 3791.04, and 47646
4104.43 of the Revised Code, only with respect to the types of 47647
buildings and subject matters for which they are certified under 47648
this section. 47649

(9) Certification shall be granted upon application by the 47650
municipal corporation, the board of township trustees, or the 47651

(2) Engage in other concerted activities for the purpose of 48721
collective bargaining or other mutual aid and protection; 48722

(3) Representation by an employee organization; 48723

(4) Bargain collectively with their public employers to 48724
determine wages, hours, terms and other conditions of employment 48725
and the continuation, modification, or deletion of an existing 48726
provision of a collective bargaining agreement, and enter into 48727
collective bargaining agreements; 48728

(5) Present grievances and have them adjusted, without the 48729
intervention of the bargaining representative, as long as the 48730
adjustment is not inconsistent with the terms of the collective 48731
bargaining agreement then in effect and as long as the bargaining 48732
representatives have the opportunity to be present at the 48733

adjustment. 48734

(B) Persons on active duty or acting in any capacity as 48735
members of the organized militia do not have collective bargaining 48736
rights. 48737

(C) Except as provided in division (D) of this section, 48738
nothing in Chapter 4117. of the Revised Code prohibits public 48739
employers from electing to engage in collective bargaining, to 48740
meet and confer, to hold discussions, or to engage in any other 48741
form of collective negotiations with public employees who are not 48742
subject to Chapter 4117. of the Revised Code pursuant to division 48743
(C) of section 4117.01 of the Revised Code. 48744

(D) A public employer shall not engage in collective 48745
bargaining or other forms of collective negotiations with the 48746

(C)(12) of section 4117.01 of the Revised Code. 48748

(E)(1) Employees of public school may bargain collectively 48749
for health care benefits; however, all health care benefits shall 48750
be provided through school employees health care board medical 48751

school district provides its employees with health care benefits 48753
pursuant to collective bargaining, the employees shall be 48754
permitted to choose a plan option from among the school employees 48755
health care board plans agreed to during collective bargaining. 48756

(2) During collective bargaining, employees of public schools 48757
may agree to pay a higher percentage of the premium for health 48758
benefit coverage under the plans designed by the school employees 48759
health care board pursuant to section 9.901 of the Revised Code 48760
than the percentage designated as the employees' contribution 48761
level by the board. A collective bargaining agreement, however, 48762
shall not permit the employees to contribute a lesser percentage 48763
of the premium than that set as the employees' contribution level 48764

by the school employees health care board, unless, in so doing, 48765
the participating school board is able to remain in compliance 48766
with the aggregate goal set pursuant to division (G)(3) of section 48767
9.901 of the Revised Code. 48768

Sec. 4117.08. (A) All matters pertaining to wages, hours, or 48769
terms and other conditions of employment and the continuation, 48770
modification, or deletion of an existing provision of a collective 48771
bargaining agreement are subject to collective bargaining between 48772
the public employer and the exclusive representative, except as 48773
otherwise specified in this section and division (E) of section 48774
4117.03 of the Revised Code. 48775

(B) The conduct and grading of civil service examinations, 48776
the rating of candidates, the establishment of eligible lists from 48777
the examinations, and the original appointments from the eligible 48778
lists are not appropriate subjects for collective bargaining. 48779

(C) Unless a public employer agrees otherwise in a collective 48780
bargaining agreement, nothing in Chapter 4117. of the Revised Code 48781
impairs the right and responsibility of each public employer to: 48782

(1) Determine matters of inherent managerial policy which 48783
include, but are not limited to areas of discretion or policy such 48784
as the functions and programs of the public employer, standards of 48785
services, its overall budget, utilization of technology, and 48786
organizational structure; 48787

(2) Direct, supervise, evaluate, or hire employees; 48788

(3) Maintain and improve the efficiency and effectiveness of 48789
governmental operations; 48790

(4) Determine the overall methods, process, means, or 48791

| Sec. 4117.10. (A) An agreement between a public employer and an exclusive representative entered into pursuant to this chapter governs the wages, hours, and terms and conditions of public employment covered by the agreement. If the agreement provides for a final and binding arbitration of grievances, public employers, employees, and employee organizations are subject solely to that grievance procedure and the state personnel board of review or civil service commissions have no jurisdiction to receive and determine any appeals relating to matters that were the subject of a final and binding grievance procedure. employees, and residency requirements, the minimum educational 48825
requirements contained in the Revised Code pertaining to public 48826
education including the requirement of a certificate by the fiscal 48827
officer of a school district pursuant to section 5705.41 of the 48828
Revised Code, the provisions of division (A) of section 124.34 of 48829
the Revised Code governing the disciplining of officers and 48830
employees who have been convicted of a felony, and the minimum 48831
standards promulgated by the state board of education pursuant to 48832
division (D) of section 3301.07 of the Revised Code prevail over 48833
conflicting provisions of agreements between employee 48834
organizations and public employers. The law pertaining to the 48835
leave of absence and compensation provided under section 5923.05 48836
of the Revised Code prevails over any conflicting provisions of 48837
such agreements if the terms of the agreement contain benefits 48838
which are less than those contained in that section or the 48839
agreement contains no such terms and the public authority is the 48840
state or any agency, authority, commission, or board of the state 48841
or if the public authority is another entity listed in division 48842
(B) of section 4117.01 of the Revised Code that elects to provide 48843
leave of absence and compensation as provided in section 5923.05 48844
of the Revised Code. Except for sections 306.08, 306.12, 306.35, 48845
and 4981.22 of the Revised Code and arrangements entered into 48846
thereunder, and section 4981.21 of the Revised Code as necessary 48847
to comply with section 13(c) of the "Urban Mass Transportation Act 48848
of 1964," 87 Stat. 295, 49 U.S.C.A. 1609(c), as amended, and 48849
arrangements entered into thereunder, this chapter prevails over 48850
any and all other conflicting laws, resolutions, provisions, 48851
present or future, except as otherwise specified in this chapter 48852
or as otherwise specified by the general assembly. Nothing in this 48853
section prohibits or shall be construed to invalidate the 48854
provisions of an agreement establishing supplemental workers' 48855
compensation or unemployment compensation benefits or exceeding 48856
minimum requirements contained in the Revised Code pertaining to 48857

public education or the minimum standards promulgated by the state 48858
board of education pursuant to division (D) of section 3301.07 of 48859
the Revised Code. 48860

(B) The public employer shall submit a request for funds 48861
necessary to implement an agreement and for approval of any other 48862
matter requiring the approval of the appropriate legislative body 48863
to the legislative body within fourteen days of the date on which 48864
the parties finalize the agreement, unless otherwise specified, 48865
but if the appropriate legislative body is not in session at the 48866
time, then within fourteen days after it convenes. The legislative 48867
body must approve or reject the submission as a whole, and the 48868
submission is deemed approved if the legislative body fails to act 48869
within thirty days after the public employer submits the 48870
agreement. The parties may specify that those provisions of the 48871
agreement not requiring action by a legislative body are effective 48872
and operative in accordance with the terms of the agreement, 48873
provided there has been compliance with division (C) of this 48874
section. If the legislative body rejects the submission of the 48875
public employer, either party may reopen all or part of the entire 48876
agreement. 48877

As used in this section, "legislative body" includes ~~the~~ 48878
~~general assembly~~, the governing board of a municipal corporation, 48879
school district, college or university, village, township, or 48880
board of county commissioners or any other body that has authority 48881
to approve the budget of their public jurisdiction and, with 48882
regard to the state, "legislative body" means the controlling 48883
board. 48884

(C) The chief executive officer, or the chief executive 48885
officer's representative, of each municipal corporation, the 48886
designated representative of the board of education of each school 48887
district, college or university, or any other body that has 48888
authority to approve the budget of their public jurisdiction, the 48889

designated representative of the board of county commissioners and 48890
of each elected officeholder of the county whose employees are 48891
covered by the collective negotiations, and the designated 48892
representative of the village or the board of township trustees of 48893
each township is responsible for negotiations in the collective 48894
bargaining process; except that the legislative body may accept or 48895
reject a proposed collective bargaining agreement. When the 48896
matters about which there is agreement are reduced to writing and 48897
approved by the employee organization and the legislative body, 48898
the agreement is binding upon the legislative body, the employer, 48899
and the employee organization and employees covered by the 48900
agreement. 48901

(D) There is hereby established an office of collective 48902
bargaining in the department of administrative services for the 48903
purpose of negotiating with and entering into written agreements 48904
between state agencies, departments, boards, and commissions and 48905
the exclusive representative on matters of wages, hours, terms and 48906
other conditions of employment and the continuation, modification, 48907
or deletion of an existing provision of a collective bargaining 48908
agreement. Nothing in any provision of law to the contrary shall 48909
be interpreted as excluding the bureau of workers' compensation 48910
and the industrial commission from the preceding sentence. This 48911
office shall not negotiate on behalf of other statewide elected 48912
officials or boards of trustees of state institutions of higher 48913
education who shall be considered as separate public employers for 48914
the purposes of this chapter; however, the office may negotiate on 48915
behalf of these officials or trustees where authorized by the 48916
officials or trustees. The staff of the office of collective 48917
bargaining are in the unclassified service. The director of 48918
administrative services shall fix the compensation of the staff. 48919

The office of collective bargaining shall: 48920

(1) Assist the director in formulating management's 48921

philosophy for public collective bargaining as well as planning 48922
bargaining strategies; 48923

(2) Conduct negotiations with the exclusive representatives 48924
of each employee organization; 48925

(3) Coordinate the state's resources in all mediation, 48926
fact-finding, and arbitration cases as well as in all labor 48927
disputes; 48928

(4) Conduct systematic reviews of collective bargaining 48929
agreements for the purpose of contract negotiations; 48930

(5) Coordinate the systematic compilation of data by all 48931
agencies that is required for negotiating purposes; 48932

(6) Prepare and submit an annual report and other reports as 48933
requested to the governor and the general assembly on the 48934
implementation of this chapter and its impact upon state 48935
government. 48936

Sec. 4117.103. Notwithstanding any provision of section 48937
4117.08 or 4117.10 of the Revised Code to the contrary, no 48938
agreement entered into under this chapter on or after the 48939
effective date of this section shall prohibit a school district 48940
board of education from utilizing volunteers to assist the 48941
district and its schools in performing any of their functions, 48942
other than functions for which a license, permit, or certificate 48943
issued by the state board of education under section 3301.074 or 48944
Chapter 3319. of the Revised Code or a certificate issued under 48945
division (A) or (B) of section 3327.10 of the Revised Code is 48946
required. 48947

Sec. 4117.24. The training and, publications, and grants fund 48948

relations board shall deposit into the training and, publications, 48950

Sec. 4121.12. (A) There is hereby created the workers' 48987
compensation oversight commission consisting of ~~nine~~ eleven 48988
members, of which members the governor shall appoint five with the 48989
advice and consent of the senate. Of the five members the governor 48990
appoints, two shall be individuals who, on account of their 48991
previous vocation, employment, or affiliations, can be classed as 48992
representative of employees, at least one of whom is 48993
representative of employees who are members of an employee 48994
organization; two shall be individuals who, on account of their 48995
previous vocation, employment, or affiliations, can be classed as 48996
representative of employers, one of whom represents self-insuring 48997
employers and one of whom has experience as an employer in 48998
compliance with section 4123.35 of the Revised Code other than a 48999
self-insuring employer, and one of those two representatives also 49000
shall represent employers whose employees are not members of an 49001
employee organization; and one shall represent the public and also 49002
be an individual who, on account of the individual's previous 49003
vocation, employment, or affiliations, cannot be classed as either 49004
predominantly representative of employees or of employers. The 49005
governor shall select the chairperson of the commission who shall 49006
serve as chairperson at the pleasure of the governor. No more than 49007
three members appointed by the governor shall belong to or be 49008
affiliated with the same political party. 49009

Each of these five members shall have at least three years' 49010
experience in the field of insurance, finance, workers' 49011
compensation, law, accounting, actuarial, personnel, investments, 49012
or data processing, or in the management of an organization whose 49013
size is commensurate with that of the bureau of workers' 49014

compensation. At least one of these five members shall be an attorney licensed under Chapter 4705. of the Revised Code to practice law in this state.

(B) Of the initial appointments made to the commission, the governor shall appoint one member who represents employees to a term ending one year after September 1, 1995, one member who represents employers to a term ending two years after September 1, 1995, the member who represents the public to a term ending three years after September 1, 1995, one member who represents employees to a term ending four years after September 1, 1995, and one member who represents employers to a term ending five years after September 1, 1995. Thereafter, terms of office shall be for ~~five~~ three years, with each term ending on the same day of the same month as did the term that it succeeds. Each member shall hold office from the date of the member's appointment until the end of the term for which the member was appointed.

The governor shall not appoint any person to more than two full terms of office on the commission. This restriction does not prevent the governor from appointing a person to fill a vacancy caused by the death, resignation, or removal of a commission member and also appointing that person twice to full terms on the commission, or from appointing a person previously appointed to fill less than a full term twice to full terms on the commission. Any member appointed to fill a vacancy occurring prior to the expiration date of the term for which the member's predecessor was appointed shall hold office as a member for the remainder of that term. A member shall continue in office subsequent to the expiration date of the member's term until a successor takes office or until a period of sixty days has elapsed, whichever occurs first.

(C) In making appointments to the commission, the governor shall select the members from the list of names submitted by the

workers' compensation oversight commission nominating committee 49047
pursuant to this division. Within fourteen days after the governor 49048
calls the initial meeting of the nominating committee pursuant to 49049
division (C) of section 4121.123 of the Revised Code, the 49050
nominating committee shall submit to the governor, for the initial 49051
appointments, a list containing four separate names for each of 49052
the members on the commission. Within fourteen days after the 49053
submission of the list, the governor shall appoint individuals 49054
from the list. 49055

For the appointment of the member who is representative of 49056
employees who are members of an employee organization, both for 49057
initial appointments and for the filling of vacancies, the list of 49058
four names submitted by the nominating committee shall be 49059
comprised of four individuals who are members of the executive 49060
committee of the largest statewide labor federation. 49061

Thereafter, within sixty days after a vacancy occurring as a 49062
result of the expiration of a term and within thirty days after 49063
other vacancies occurring on the commission, the nominating 49064
committee shall submit a list containing four names for each 49065
vacancy. Within fourteen days after the submission of the list, 49066
the governor shall appoint individuals from the list. With respect 49067
to the filling of vacancies, the nominating committee shall 49068
provide the governor with a list of four individuals who are, in 49069
the judgment of the nominating committee, the most fully qualified 49070
to accede to membership on the commission. The nominating 49071
committee shall not include the name of an individual upon the 49072
list for the filling of vacancies if the appointment of that 49073
individual by the governor would result in more than three members 49074
of the commission belonging to or being affiliated with the same 49075
political party. The committee shall include on the list for the 49076
filling of vacancies only the names of attorneys admitted to 49077
practice law in this state if, to fulfill the requirement of 49078

division (A) of section 4121.12 of the Revised Code, the vacancy 49079
must be filled by an attorney. 49080

In order for the name of an individual to be submitted to the 49081
governor under this division, the nominating committee shall 49082
approve the individual by an affirmative vote of a majority of its 49083
members. 49084

(D) The commission shall also consist of two members, known 49085
as the investment expert members. One investment expert member 49086
shall be appointed by the treasurer of state and one investment 49087
expert member shall be jointly appointed by the speaker of the 49088
house of representatives and the president of the senate. Each 49089
investment expert member shall have the following qualifications: 49090

(1) Be a resident of this state: 49091

(2) Within the three years immediately preceding the 49092
appointment, not have been employed by the bureau of workers' 49093
compensation or by any person, partnership, or corporation that 49094
has provided to the bureau services of a financial or investment 49095
nature, including the management, analysis, supervision, or 49096
investment of assets; 49097

(3) Have direct experience in the management, analysis, 49098
supervision, or investment of assets. 49099

Terms of office of the investment expert members shall be for 49100
three years, with each term ending on the same day of the same 49101
month as did the term that it succeeds. Each member shall hold 49102
office for the date of the member's appointment until the end of 49103
the term for which the member was appointed. The president, 49104
speaker, and treasurer shall not appoint any person to more than 49105
two full terms of office on the commission. This restriction does 49106
not prevent the president, speaker, and treasurer from appointing 49107
a person to fill a vacancy caused by the death, resignation, or 49108
removal of a commission member and also appointing that person 49109

twice to full terms on the commission, or from appointing a person 49110
previously appointed to fill less than a full term twice to full 49111
terms on the commission. Any investment expert member appointed to 49112
fill a vacancy occurring prior to the expiration of the term for 49113
which the member's predecessor was appointed shall hold office 49114
until the end of that term. The member shall continue in office 49115
subsequent to the expiration date of the member's term until the 49116
member's successor takes office or until a period of sixty days 49117
has elapsed, whichever occurs first. 49118

The investment expert members of the oversight commission 49119
shall vote only on investment matters. 49120

(E) The remaining four members of the commission shall be the 49121
chairperson and ranking minority member of the standing committees 49122
of the house of representatives and of the senate to which 49123
legislation concerning this chapter and Chapters 4123., 4127., and 49124
4131. of the Revised Code normally are referred, or a designee of 49125
the chairperson or ranking minority member, provided that the 49126
designee is a member of the standing committee. Legislative 49127
members shall serve during the session of the general assembly to 49128
which they are elected and for as long as they are members of the 49129
general assembly. Legislative members shall serve in an advisory 49130
capacity to the commission and shall have no voting rights on 49131
matters coming before the commission. Membership on the commission 49132
by legislative members shall not be deemed as holding a public 49133
office. 49134

~~(E)~~(F) All members of the commission shall receive their 49135
reasonable and necessary expenses pursuant to section 126.31 of 49136
the Revised Code while engaged in the performance of their duties 49137
as members. ~~Legislative members also shall receive fifty dollars~~ 49138
~~per meeting that they attend.~~ Members appointed by the governor 49139
and the investment expert members also shall receive an annual 49140
salary ~~as follows:~~ 49141

~~(1) On and before August 31, 1998, not to exceed six thousand
dollars payable at the rate of five hundred dollars per month. A
member shall receive the monthly five hundred dollar salary only
if the member has attended at least one meeting of the commission
during that month. A member may receive no more than the monthly
five hundred dollar salary regardless of the number of meetings
held by the commission during a month or the number of meetings in
excess of one within a month that the member attends.~~

~~(2) After August 31, 1998, not to exceed eighteen thousand
dollars payable on the following basis:~~

~~(a)(1) Except as provided in division (E)(F)(2)(b) of this
section, a member shall receive two thousand dollars during a
month in which the member attends one or more meetings of the
commission and shall receive no payment during a month in which
the member attends no meeting of the commission.~~

~~(b)(2) A member may receive no more than the annual eighteen

Code, and in the discharge thereof shall do all of the following: 49302

(1) Establish the overall administrative policy of the bureau 49303

(2) Employ, direct, and supervise all employees required in 49317
connection with the performance of the duties assigned to the 49318
bureau by this chapter and Chapters 4123., 4127., 4131., and 4167. 49319
of the Revised Code, and may establish job classification plans 49320
and compensation for all employees of the bureau provided that 49321
this grant of authority shall not be construed as affecting any 49322
employee for whom the state employment relations board has 49323
established an appropriate bargaining unit under section 4117.06 49324
of the Revised Code. All positions of employment in the bureau are 49325

administrator may appoint to serve at the administrator's pleasure 49327
in the unclassified civil service pursuant to section 124.11 of 49328
the Revised Code. The administrator shall fix the salaries of 49329

unavailable, the person shall be appointed to a position in the 49345
classified service within the bureau that the department of 49346
administrative services certifies is comparable in compensation to 49347
the position the person previously held. Reinstatement to a 49348
position in the classified service shall be to a position 49349
substantially equal to that held previously, as certified by the 49350
department of administrative services. Service in the position in 49351
the unclassified service shall be counted as service in the 49352
position in the classified service held by the person immediately 49353
prior to the person's appointment in the unclassified service. 49354
When a person is reinstated to a position in the classified 49355
service as provided in this section, the person is entitled to all 49356
rights, status, and benefits accruing to the position during the 49357
person's time of service in the position in the unclassified 49358
service. 49359

Personnel employed by the bureau or the commission who are subject to Chapter 4117. of the Revised Code shall retain all of their rights and benefits conferred pursuant to that chapter as it presently exists or is hereafter amended and nothing in this chapter or Chapter 4123. of the Revised Code shall be construed as eliminating or interfering with Chapter 4117. of the Revised Code or the rights and benefits conferred under that chapter to public employees or to any bargaining unit.

(4) Provide offices, equipment, supplies, and other facilities for the bureau.

other information the oversight commission requires for the prompt 49392
and efficient discharge of its duties. 49393

an accredited public school within the state. The computers and 49427
computer equipment may be repaired or refurbished prior to the 49428
transfer. 49429

(10) Separately from the budget the industrial commission 49430
submits, prepare and submit to the director of budget and 49431
management a budget for each biennium. The budget submitted shall 49432

renewal received under this section, the registrar shall collect a 51258
contribution of twenty dollars. The registrar shall transmit this 51259
contribution to the treasurer of state for deposit in the "choose 51260
life" fund created in section 3701.65 of the Revised Code. 51261

(2) The registrar shall deposit the additional fee of ten 51262
dollars specified in division (B) of this section for the purpose 51263
of compensating the bureau for the additional services required in 51264

issuing "choose life" license plates in the state bureau of motor 51265
vehicles fund created in section 4501.25 of the Revised Code. 51266

Sec. 4505.06. (A)(1) Application for a certificate of title 51267
shall be made in a form prescribed by the registrar of motor 51268
vehicles and shall be sworn to before a notary public or other 51269
officer empowered to administer oaths. The application shall be 51270
filed with the clerk of any court of common pleas. An application 51271
for a certificate of title may be filed electronically by any 51272
electronic means approved by the registrar in any county with the 51273
clerk of the court of common pleas of that county. Any payments 51274
required by this chapter shall be considered as accompanying any 51275
electronically transmitted application when payment actually is 51276
received by the clerk. Payment of any fee or taxes may be made by 51277
electronic transfer of funds. 51278

(2) The application for a certificate of title shall be 51279
accompanied by the fee prescribed in section 4505.09 of the 51280
Revised Code. The fee shall be retained by the clerk who issues 51281
the certificate of title and shall be distributed in accordance 51282
with that section. If a clerk of a court of common pleas, other 51283
than the clerk of the court of common pleas of an applicant's 51284
county of residence, issues a certificate of title to the 51285
applicant, the clerk shall transmit data related to the 51286
transaction to the automated title processing system. 51287

(3) If a certificate of title previously has been issued for 51288
a motor vehicle in this state, the application for a certificate 51289
of title also shall be accompanied by that certificate of title 51290
duly assigned, unless otherwise provided in this chapter. If a 51291
certificate of title previously has not been issued for the motor 51292
vehicle in this state, the application, unless otherwise provided 51293
in this chapter, shall be accompanied by a manufacturer's or 51294
importer's certificate or by a certificate of title of another 51295

state from which the motor vehicle was brought into this state. If 51296
the application refers to a motor vehicle last previously 51297
registered in another state, the application also shall be 51298
accompanied by the physical inspection certificate required by 51299
section 4505.061 of the Revised Code. If the application is made 51300
by two persons regarding a motor vehicle in which they wish to 51301
establish joint ownership with right of survivorship, they may do 51302
so as provided in section 2131.12 of the Revised Code. If the 51303
applicant requests a designation of the motor vehicle in 51304
beneficiary form so that upon the death of the owner of the motor 51305
vehicle, ownership of the motor vehicle will pass to a designated 51306
transfer-on-death beneficiary or beneficiaries, the applicant may 51307
do so as provided in section 2131.13 of the Revised Code. A person 51308
who establishes ownership of a motor vehicle that is transferable 51309
on death in accordance with section 2131.13 of the Revised Code 51310
may terminate that type of ownership or change the designation of 51311
the transfer-on-death beneficiary or beneficiaries by applying for 51312
a certificate of title pursuant to this section. The clerk shall 51313
retain the evidence of title presented by the applicant and on 51314
which the certificate of title is issued, except that, if an 51315
application for a certificate of title is filed electronically by 51316
an electronic motor vehicle dealer on behalf of the purchaser of a 51317
motor vehicle, the clerk shall retain the completed electronic 51318
record to which the dealer converted the certificate of title 51319
application and other required documents. The registrar, after 51320
consultation with the attorney general, shall adopt rules that 51321
govern the location at which, and the manner in which, are stored 51322
the actual application and all other documents relating to the 51323
sale of a motor vehicle when an electronic motor vehicle dealer 51324
files the application for a certificate of title electronically on 51325
behalf of the purchaser. 51326

The clerk shall use reasonable diligence in ascertaining 51327
whether or not the facts in the application for a certificate of 51328

title are true by checking the application and documents 51329
accompanying it or the electronic record to which a dealer 51330
converted the application and accompanying documents with the 51331
records of motor vehicles in the clerk's office. If the clerk is 51332
satisfied that the applicant is the owner of the motor vehicle and 51333
that the application is in the proper form, the clerk, within five 51334
business days after the application is filed and except as 51335
provided in section 4505.021 of the Revised Code, shall issue a 51336
physical certificate of title over the clerk's signature and 51337
sealed with the clerk's seal, unless the applicant specifically 51338
requests the clerk not to issue a physical certificate of title 51339
and instead to issue an electronic certificate of title. For 51340
purposes of the transfer of a certificate of title, if the clerk 51341
is satisfied that the secured party has duly discharged a lien 51342
notation but has not canceled the lien notation with a clerk, the 51343
clerk may cancel the lien notation on the automated title 51344
processing system and notify the clerk of the county of origin. 51345

(4) In the case of the sale of a motor vehicle to a general 51346
buyer or user by a dealer, by a motor vehicle leasing dealer 51347
selling the motor vehicle to the lessee or, in a case in which the 51348
leasing dealer subleased the motor vehicle, the sublessee, at the 51349
end of the lease agreement or sublease agreement, or by a 51350
manufactured home broker, the certificate of title shall be 51351
obtained in the name of the buyer by the dealer, leasing dealer, 51352
or manufactured home broker, as the case may be, upon application 51353
signed by the buyer. The certificate of title shall be issued, or 51354
the process of entering the certificate of title application 51355
information into the automated title processing system if a 51356
physical certificate of title is not to be issued shall be 51357
completed, within five business days after the application for 51358
title is filed with the clerk. If the buyer of the motor vehicle 51359
previously leased the motor vehicle and is buying the motor 51360
vehicle at the end of the lease pursuant to that lease, the 51361

certificate of title shall be obtained in the name of the buyer by 51362
the motor vehicle leasing dealer who previously leased the motor 51363
vehicle to the buyer or by the motor vehicle leasing dealer who 51364
subleased the motor vehicle to the buyer under a sublease 51365
agreement. 51366

In all other cases, except as provided in section 4505.032 51367
and division (D)(2) of section 4505.11 of the Revised Code, such 51368
certificates shall be obtained by the buyer. 51369

(5)(a)(i) If the certificate of title is being obtained in 51370
the name of the buyer by a motor vehicle dealer or motor vehicle 51371
leasing dealer and there is a security interest to be noted on the 51372
certificate of title, the dealer or leasing dealer shall submit 51373
the application for the certificate of title and payment of the 51374
applicable tax to a clerk within seven business days after the 51375
later of the delivery of the motor vehicle to the buyer or the 51376
date the dealer or leasing dealer obtains the manufacturer's or 51377
importer's certificate, or certificate of title issued in the name 51378
of the dealer or leasing dealer, for the motor vehicle. Submission 51379
of the application for the certificate of title and payment of the 51380
applicable tax within the required seven business days may be 51381
indicated by postmark or receipt by a clerk within that period. 51382

(ii) Upon receipt of the certificate of title with the 51383
security interest noted on its face, the dealer or leasing dealer 51384
shall forward the certificate of title to the secured party at the 51385
location noted in the financing documents or otherwise specified 51386
by the secured party. 51387

(iii) A motor vehicle dealer or motor vehicle leasing dealer 51388
is liable to a secured party for a late fee of ten dollars per day 51389
for each certificate of title application and payment of the 51390
applicable tax that is submitted to a clerk more than seven 51391
business days but less than twenty-one days after the later of the 51392
delivery of the motor vehicle to the buyer or the date the dealer 51393

or leasing dealer obtains the manufacturer's or importer's 51394
certificate, or certificate of title issued in the name of the 51395
dealer or leasing dealer, for the motor vehicle and, from then on, 51396
twenty-five dollars per day until the application and applicable 51397
tax are submitted to a clerk. 51398

(b) In all cases of transfer of a motor vehicle, the 51399
application for certificate of title shall be filed within thirty 51400
days after the assignment or delivery of the motor vehicle. If an 51401
application for a certificate of title is not filed within the 51402
period specified in division (A)(5)(b) of this section, the clerk 51403
shall collect a fee of five dollars for the issuance of the 51404
certificate, except that no such fee shall be required from a 51405
motor vehicle salvage dealer, as defined in division (A) of 51406
section 4738.01 of the Revised Code, who immediately surrenders 51407
the certificate of title for cancellation. The fee shall be in 51408
addition to all other fees established by this chapter, and shall 51409
be retained by the clerk. The registrar shall provide, on the 51410
certificate of title form prescribed by section 4505.07 of the 51411
Revised Code, language necessary to give evidence of the date on 51412
which the assignment or delivery of the motor vehicle was made. 51413

(6) As used in division (A) of this section, "lease 51414
agreement," "lessee," and "sublease agreement" have the same 51415
meanings as in section 4505.04 of the Revised Code. 51416

(B)(1) The clerk, except as provided in this section, shall 51417
refuse to accept for filing any application for a certificate of 51418
title and shall refuse to issue a certificate of title unless the 51419
dealer or manufactured home broker or the applicant, in cases in 51420
which the certificate shall be obtained by the buyer, submits with 51421
the application payment of the tax levied by or pursuant to 51422
Chapters 5739. and 5741. of the Revised Code based on the 51423
purchaser's county of residence. Upon payment of the tax in 51424
accordance with division (E) of this section, the clerk shall 51425

issue a receipt prescribed by the registrar and agreed upon by the 51426
tax commissioner showing payment of the tax or a receipt issued by 51427
the commissioner showing the payment of the tax. When submitting 51428
payment of the tax to the clerk, a dealer shall retain any 51429
discount to which the dealer is entitled under section 5739.12 of 51430
the Revised Code. 51431

(2) For receiving and disbursing such taxes paid to the clerk 51432
by a resident of the clerk's county, the clerk may retain a 51433
poundage fee of one and one one-hundredth per cent, and the clerk 51434
shall pay the poundage fee into the certificate of title 51435
administration fund created by section 325.33 of the Revised Code. 51436
The clerk shall not retain a poundage fee from payments of taxes 51437
by persons who do not reside in the clerk's county. 51438

A clerk, however, may retain from the taxes paid to the clerk 51439
an amount equal to the poundage fees associated with certificates 51440
of title issued by other clerks of courts of common pleas to 51441
applicants who reside in the first clerk's county. The registrar, 51442
in consultation with the tax commissioner and the clerks of the 51443
courts of common pleas, shall develop a report from the automated 51444
title processing system that informs each clerk of the amount of 51445
the poundage fees that the clerk is permitted to retain from those 51446
taxes because of certificates of title issued by the clerks of 51447
other counties to applicants who reside in the first clerk's 51448
county. 51449

(3) In the case of casual sales of motor vehicles, as defined 51450
in section 4517.01 of the Revised Code, the price for the purpose 51451
of determining the tax shall be the purchase price on the assigned 51452
certificate of title executed by the seller and filed with the 51453
clerk by the buyer on a form to be prescribed by the registrar, 51454
which shall be prima-facie evidence of the amount for the 51455
determination of the tax. 51456

(4) Each county clerk shall forward to the treasurer of state 51457

all sales and use tax collections resulting from sales of motor vehicles, off-highway motorcycles, and all-purpose vehicles during a calendar week on or before the Friday following the close of that week. If, on any Friday, the offices of the clerk of courts or the state are not open for business, the tax shall be forwarded to the treasurer of state on or before the next day on which the offices are open. Every remittance of tax under division (B)(4) of this section shall be accompanied by a remittance report in such form as the tax commissioner prescribes. Upon receipt of a tax remittance and remittance report, the treasurer of state shall date stamp the report and forward it to the tax commissioner. If the tax due for any week is not remitted by a clerk of courts as required under division (B)(4) of this section, the commissioner may require the clerk to forfeit the poundage fees for the sales made during that week. The treasurer of state may require the clerks of courts to transmit tax collections and remittance reports electronically.

(C)(1) If the transferor indicates on the certificate of title that the odometer reflects mileage in excess of the designed mechanical limit of the odometer, the clerk shall enter the phrase "exceeds mechanical limits" following the mileage designation. If the transferor indicates on the certificate of title that the odometer reading is not the actual mileage, the clerk shall enter the phrase "nonactual: warning - odometer discrepancy" following the mileage designation. The clerk shall use reasonable care in transferring the information supplied by the transferor, but is not liable for any errors or omissions of the clerk or those of the clerk's deputies in the performance of the clerk's duties created by this chapter.

The registrar shall prescribe an affidavit in which the transferor shall swear to the true selling price and, except as provided in this division, the true odometer reading of the motor

vehicle. The registrar may prescribe an affidavit in which the 51490
seller and buyer provide information pertaining to the odometer 51491
reading of the motor vehicle in addition to that required by this 51492
section, as such information may be required by the United States 51493
secretary of transportation by rule prescribed under authority of 51494
subchapter IV of the "Motor Vehicle Information and Cost Savings 51495
Act," 86 Stat. 961 (1972), 15 U.S.C. 1981. 51496

(2) Division (C)(1) of this section does not require the 51497
giving of information concerning the odometer and odometer reading 51498
of a motor vehicle when ownership of a motor vehicle is being 51499
transferred as a result of a bequest, under the laws of intestate 51500
succession, to a survivor pursuant to section 2106.18, 2131.12, or 51501
4505.10 of the Revised Code, to a transfer-on-death beneficiary or 51502
beneficiaries pursuant to section 2131.13 of the Revised Code, in 51503
connection with the creation of a security interest or for a 51504
vehicle with a gross vehicle weight rating of more than sixteen 51505
thousand pounds. 51506

(D) When the transfer to the applicant was made in some other 51507
state or in interstate commerce, the clerk, except as provided in 51508
this section, shall refuse to issue any certificate of title 51509
unless the tax imposed by or pursuant to Chapter 5741. of the 51510
Revised Code based on the purchaser's county of residence has been 51511
paid as evidenced by a receipt issued by the tax commissioner, or 51512
unless the applicant submits with the application payment of the 51513
tax. Upon payment of the tax in accordance with division (E) of 51514
this section, the clerk shall issue a receipt prescribed by the 51515
registrar and agreed upon by the tax commissioner, showing payment 51516
of the tax. 51517

For receiving and disbursing such taxes paid to the clerk by 51518
a resident of the clerk's county, the clerk may retain a poundage 51519
fee of one and one one-hundredth per cent. The clerk shall not 51520
retain a poundage fee from payments of taxes by persons who do not 51521

reside in the clerk's county. 51522

A clerk, however, may retain from the taxes paid to the clerk 51523
an amount equal to the poundage fees associated with certificates 51524
of title issued by other clerks of courts of common pleas to 51525
applicants who reside in the first clerk's county. The registrar, 51526
in consultation with the tax commissioner and the clerks of the 51527
courts of common pleas, shall develop a report from the automated 51528
title processing system that informs each clerk of the amount of 51529
the poundage fees that the clerk is permitted to retain from those 51530
taxes because of certificates of title issued by the clerks of 51531
other counties to applicants who reside in the first clerk's 51532
county. 51533

When the vendor is not regularly engaged in the business of 51534
selling motor vehicles, the vendor shall not be required to 51535
purchase a vendor's license or make reports concerning those 51536
sales. 51537

(E) The clerk shall accept any payment of a tax in cash, or 51538
by cashier's check, certified check, draft, money order, or teller 51539
check issued by any insured financial institution payable to the 51540
clerk and submitted with an application for a certificate of title 51541
under division (B) or (D) of this section. The clerk also may 51542
accept payment of the tax by corporate, business, or personal 51543
check, credit card, electronic transfer or wire transfer, debit 51544
card, or any other accepted form of payment made payable to the 51545
clerk. The clerk may require bonds, guarantees, or letters of 51546
credit to ensure the collection of corporate, business, or 51547
personal checks. Any service fee charged by a third party to a 51548
clerk for the use of any form of payment may be paid by the clerk 51549
from the certificate of title administration fund created in 51550
section 325.33 of the Revised Code, or may be assessed by the 51551
clerk upon the applicant as an additional fee. Upon collection, 51552
the additional fees shall be paid by the clerk into that 51553

certificate of title administration fund. 51554

The clerk shall make a good faith effort to collect any 51555
payment of taxes due but not made because the payment was returned 51556
or dishonored, but the clerk is not personally liable for the 51557
payment of uncollected taxes or uncollected fees. The clerk shall 51558
notify the tax commissioner of any such payment of taxes that is 51559
due but not made and shall furnish the information to the 51560
commissioner that the commissioner requires. The clerk shall 51561
deduct the amount of taxes due but not paid from the clerk's 51562
periodic remittance of tax payments, in accordance with procedures 51563
agreed upon by the tax commissioner. The commissioner may collect 51564
taxes due by assessment in the manner provided in section 5739.13 51565
of the Revised Code. 51566

Any person who presents payment that is returned or 51567
dishonored for any reason is liable to the clerk for payment of a 51568
penalty over and above the amount of the taxes due. The clerk 51569
shall determine the amount of the penalty, and the penalty shall 51570
be no greater than that amount necessary to compensate the clerk 51571
for banking charges, legal fees, or other expenses incurred by the 51572
clerk in collecting the returned or dishonored payment. The 51573
remedies and procedures provided in this section are in addition 51574
to any other available civil or criminal remedies. Subsequently 51575
collected penalties, poundage fees, and title fees, less any title 51576
fee due the state, from returned or dishonored payments collected 51577
by the clerk shall be paid into the certificate of title 51578
administration fund. Subsequently collected taxes, less poundage 51579
fees, shall be sent by the clerk to the treasurer of state at the 51580
next scheduled periodic remittance of tax payments, with 51581
information as the commissioner may require. The clerk may abate 51582
all or any part of any penalty assessed under this division. 51583

(F) In the following cases, the clerk shall accept for filing 51584
an application and shall issue a certificate of title without 51585

| | |

dollars, or both. All transfers are audited by the department of 51617
taxation. The seller and buyer must provide any information 51618
requested by the department of taxation. The buyer may be assessed 51619
any additional tax found to be due." 51620

(H) For sales of manufactured homes or mobile homes occurring 51621
on or after January 1, 2000, the clerk shall accept for filing, 51622
pursuant to Chapter 5739. of the Revised Code, an application for 51623
a certificate of title for a manufactured home or mobile home 51624
without requiring payment of any tax pursuant to section 5739.02, 51625
5741.021, 5741.022, or 5741.023 of the Revised Code, or a receipt 51626
issued by the tax commissioner showing payment of the tax. For 51627
sales of manufactured homes or mobile homes occurring on or after 51628
January 1, 2000, the applicant shall pay to the clerk an 51629
additional fee of five dollars for each certificate of title 51630
issued by the clerk for a manufactured or mobile home pursuant to 51631
division (H) of section 4505.11 of the Revised Code and for each 51632
certificate of title issued upon transfer of ownership of the 51633
home. The clerk shall credit the fee to the county certificate of 51634
title administration fund, and the fee shall be used to pay the 51635
expenses of archiving those certificates pursuant to division (A) 51636
of section 4505.08 and division (H)(3) of section 4505.11 of the 51637
Revised Code. The tax commissioner shall administer any tax on a 51638
manufactured or mobile home pursuant to Chapters 5739. and 5741. 51639
of the Revised Code. 51640

(I) Every clerk shall have the capability to transact by 51641
electronic means all procedures and transactions relating to the 51642
issuance of motor vehicle certificates of title that are described 51643
in the Revised Code as being accomplished by electronic means. 51644

Sec. 4506.03. (A) Except as provided in divisions (B) and (C) 51645
of this section, the following shall apply: 51646

(1) No person shall drive a commercial motor vehicle on a highway in this state unless the person holds, and has in the person's possession, a valid commercial driver's license with proper endorsements for the motor vehicle being driven, issued by the registrar of motor vehicles, a valid examiner's commercial driving permit issued under section 4506.13 of the Revised Code, a valid restricted commercial driver's license and waiver for farm-related service industries issued under section 4506.24 of the Revised Code, or a valid commercial driver's license temporary instruction permit issued by the registrar and is accompanied by an authorized state driver's license examiner or tester or a person who has been issued and has in the person's immediate possession a current, valid commercial driver's license with proper endorsements for the motor vehicle being driven.

(2) No person shall be issued a commercial driver's license until the person surrenders to the registrar of motor vehicles all valid licenses issued to the person by another jurisdiction recognized by this state. The registrar shall report the surrender of a license to the issuing authority, together with information that a license is now issued in this state. The registrar shall destroy any such license that is not returned to the issuing authority.

(3) No person who has been a resident of this state for thirty days or longer shall drive a commercial motor vehicle under the authority of a commercial driver's license issued by another jurisdiction.

(2) Fire equipment for a fire department, volunteer or

| | |
|---|--|
| nonvolunteer fire company, fire district, or joint fire district; | 51678 |

utilities fund is sufficient to support the appropriations from 54660
the fund for the fiscal year. The director may transfer less than 54661
that amount if the director determines that the revenues of the 54662
public utilities fund during the fiscal year will be insufficient 54663

Revised Code, has removed from the base rates of the natural gas 54842
company the amount of assessment under this section that is 54843

| (8) "Title IV-A program" has the same meaning as in section 5101.80 of the Revised Code. | 55046 55047 |
| (B) Each board of county commissioners shall pay the county share of public assistance expenditures in accordance with section 5101.161 of the Revised Code. Except as provided in division (C) of this section, a county's share of public assistance expenditures is the sum of all of the following for state fiscal year 1998 and each state fiscal year thereafter: | 55048 55049 55050 55051 55052 55053 |

Reconciliation Act of 1996," 110 Stat. 2105. The department of job and family services shall determine the actual amount of the county share from expenditure reports submitted to the United States department of health and human services. The percentage shall be the percentage established in rules adopted under division (F) of this section.

(C)(1) If a county's share of public assistance expenditures determined under division (B) of this section for a state fiscal year exceeds one hundred ten per cent of the county's share for those expenditures for the immediately preceding state fiscal year, the department of job and family services shall reduce the county's share for expenditures under divisions (B)(1) and (2) of this section so that the total of the county's share for expenditures under division (B) of this section equals one hundred ten per cent of the county's share of those expenditures for the immediately preceding state fiscal year.

(2) A county's share of public assistance expenditures determined under division (B) of this section may be increased pursuant to section 5101.163 of the Revised Code and a sanction under section 5101.24 of the Revised Code. An increase made pursuant to section 5101.163 of the Revised Code may cause the county's share to exceed the limit established by division (C)(1) of this section.

(D)(1) If the per capita tax duplicate of a county is less than the per capita tax duplicate of the state as a whole and division (D)(2) of this section does not apply to the county, the percentage to be used for the purpose of division (B)(2) of this section is the product of ten multiplied by a fraction of which the numerator is the per capita tax duplicate of the county and the denominator is the per capita tax duplicate of the state as a whole. The department of job and family services shall compute the per capita tax duplicate for the state and for each county by

dividing the tax duplicate for the most recent available year by 55106
the current estimate of population prepared by the department of 55107
development. 55108

(2) If the percentage of families in a county with an annual 55109
income of less than three thousand dollars is greater than the 55110

this section does not apply to the county, the percentage to be 55112
used for the purpose of division (B)(2) of this section is the 55113
product of ten multiplied by a fraction of which the numerator is 55114
the percentage of families in the state with an annual income of 55115
less than three thousand dollars a year and the denominator is the 55116
percentage of such families in the county. The department of job 55117
and family services shall compute the percentage of families with 55118
an annual income of less than three thousand dollars for the state 55119
and for each county by multiplying the most recent estimate of 55120
such families published by the department of development, by a 55121
fraction, the numerator of which is the estimate of average annual 55122
personal income published by the bureau of economic analysis of 55123
the United States department of commerce for the year on which the 55124
census estimate is based and the denominator of which is the most 55125

(3) If the per capita tax duplicate of a county is less than 55127
the per capita tax duplicate of the state as a whole and the 55128
percentage of families in the county with an annual income of less 55129
than three thousand dollars is greater than the percentage of such 55130
families in the state, the percentage to be used for the purpose 55131
of division (B)(2) of this section shall be determined as follows: 55132

(a) Multiply ten by the fraction determined under division 55133
(D)(1) of this section; 55134

(b) Multiply the product determined under division (D)(3)(a) 55135
of this section by the fraction determined under division (D)(2) 55136
of this section. 55137

(4) The department of job and family services shall 55138
determine, for each county, the percentage to be used for the 55139
purpose of division (B)(2) of this section not later than the 55140

which the percentage is used. 55142

(E) The department of job and family services shall credit to 55143
a county the amount of federal reimbursement the department 55144
receives from the United States departments of agriculture and 55145
health and human services for the county's expenditures for 55146
administration of food stamps and medicaid that the department 55147
determines are allowable administrative expenditures. 55148

rules in accordance with section 111.15 of the Revised Code to 55150

(B)(3) of this section, which shall, except as provided in section 55162
5101.163 of the Revised Code, meet both of the following 55163
requirements: 55164

(i) The percentage shall not be less than seventy-five per 55165

state expenditures as those terms are defined in 42 U.S.C. 55169
609(a)(7). 55170

(2) The director of job and family services may amend the 55173
rule adopted under division (F)(1)(d) of this section to modify 55174

The department of job and family services may increase a 55183
county's share of public assistance expenditures determined under 55184
division (B) of section 5101.16 of the Revised Code if the United 55185

fiscal audit conducted pursuant to division ~~(A)(4)(D)~~ of section 58014
~~5111.02~~ 5111.021 of the Revised Code, upon the issuance of an 58015

adjudication order pursuant to Chapter 119. of the Revised Code 58016
that contains a finding that there is a preponderance of the 58017
evidence that the provider will liquidate assets or file 58018
bankruptcy in order to prevent payment of the amount determined to 58019
be owed the state, becomes a lien upon the real and personal 58020
property of the provider. Upon failure of the provider to pay the 58021
amount to the state, the director of job and family services shall 58022
file notice of the lien, for which there shall be no charge, in 58023
the office of the county recorder of the county in which it is 58024
ascertained that the provider owns real or personal property. The 58025
director shall notify the provider by mail of the lien, but 58026
absence of proof that the notice was sent does not affect the 58027
validity of the lien. The lien is not valid as against the claim 58028
of any mortgagee, pledgee, purchaser, judgment creditor, or other 58029
lienholder of record at the time the notice is filed. 58030

If the provider acquires real or personal property after 58031
notice of the lien is filed, the lien shall not be valid as 58032
against the claim of any mortgagee, pledgee, subsequent bona fide 58033
purchaser for value, judgment creditor, or other lienholder of 58034
record to such after-acquired property unless the notice of lien 58035
is refiled after the property is acquired by the provider and 58036
before the competing lien attaches to the after-acquired property 58037
or before the conveyance to the subsequent bona fide purchaser for 58038
value. 58039

When the amount has been paid, the provider may record with 58040
the recorder notice of the payment. For recording such notice of 58041
payment, the recorder shall charge and receive from the provider a 58042
base fee of one dollar for services and a housing trust fund fee 58043
of one dollar pursuant to section 317.36 of the Revised Code. 58044

In the event of a distribution of a provider's assets 58045
pursuant to an order of any court under the law of this state 58046
including any receivership, assignment for benefit of creditors, 58047

adjudicated insolvency, or similar proceedings, amounts then or 58048
thereafter due the state under this chapter have the same priority 58049
as provided by law for the payment of taxes due the state and 58050
shall be paid out of the receivership trust fund or other such 58051
trust fund in the same manner as provided for claims for unpaid 58052
taxes due the state. 58053

If the attorney general finds after investigation that any 58054
amount due the state under this chapter is uncollectable, in whole 58055
or in part, the attorney general shall recommend to the director 58056
the cancellation of all or part of the claim. The director may 58057
thereupon effect the cancellation. 58058

section, from the calendar year preceding the fiscal year in which 59828
the rate is paid. To determine the rate, the department shall do 59829
all of the following: 59830

paid by dividing the facility's desk-reviewed, actual, allowable, 59833
per diem direct care costs for that year by its average case-mix 59834
score determined under section ~~5111.231~~ 5111.232 of the Revised 59835
Code for the same calendar year. 59836

(2)(a) ~~Set the maximum cost per case-mix unit for each peer~~ 59837
~~group of nursing facilities specified in rules adopted under~~ 59838
~~division (E) of this section at a percentage above the cost per~~ 59839
~~case-mix unit of the facility in the group that has the group's~~ 59840
~~median medicaid inpatient day for the calendar year preceding the~~ 59841
~~fiscal year in which the rate will be paid, as calculated under~~ 59842

~~division (B)(1) of this section, that is no less than the~~ 59843
~~percentage calculated under division (D)(1) of this section.~~ 59844

~~(b)~~ Set the maximum cost per case-mix unit for each peer 59845
group of intermediate care facilities for the mentally retarded 59846
with more than eight beds specified in rules adopted under 59847
division (E) of this section at a percentage above the cost per 59848
case-mix unit of the facility in the group that has the group's 59849
median medicaid inpatient day for the calendar year preceding the 59850
fiscal year in which the rate will be paid, as calculated under 59851
division (B)(1) of this section, that is no less than the 59852
percentage calculated under division (D)(2) of this section. 59853

~~(e)~~(b) Set the maximum cost per case-mix unit for each peer 59854
group of intermediate care facilities for the mentally retarded 59855
with eight or fewer beds specified in rules adopted under division 59856
(E) of this section at a percentage above the cost per case-mix 59857
unit of the facility in the group that has the group's median 59858
medicaid inpatient day for the calendar year preceding the fiscal 59859
year in which the rate will be paid, as calculated under division 59860

for less than twelve months during the calendar year preceding the 59868
fiscal year in which the rate will be paid. 59869

(3) Estimate the rate of inflation for the eighteen-month 59870
period beginning on the first day of July of the calendar year 59871
preceding the fiscal year in which the rate will be paid and 59872

percentage based on information available at the time of the 59889
original calculation. 59890

(C) Each facility's rate for direct care costs shall be 59891

fiscal year in which the rate will be paid for the facility's peer 59902
group under division (B)(2) of this section; 59903

(2) Adjust the product determined under division (C)(1) of 59904
this section by the inflation rate estimated under division (B)(3) 59905

of this section. 59906

~~(D)(1) The department shall calculate the percentage above 59907
the median cost per case-mix unit determined under division (B)(1) 59908
of this section for the facility that has the median medicaid 59909
inpatient day for calendar year 1992 for all nursing facilities 59910
that would result in payment of all desk reviewed, actual, 59911
allowable direct care costs for eighty five per cent of the 59912
medicaid inpatient days for nursing facilities for calendar year 59913
1992. 59914~~

~~(2) The department shall calculate the percentage above the 59915
median cost per case-mix unit determined under division (B)(1) of 59916
this section for the facility that has the median medicaid 59917
inpatient day for calendar year 1992 for all intermediate care 59918
facilities for the mentally retarded with more than eight beds 59919
that would result in payment of all desk-reviewed, actual, 59920
allowable direct care costs for eighty and one-half per cent of 59921
the medicaid inpatient days for such facilities for calendar year 59922
1992. 59923~~

~~(3)(2) The department shall calculate the percentage above 59924
the median cost per case-mix unit determined under division (B)(1) 59925
of this section for the facility that has the median medicaid 59926
inpatient day for calendar year 1992 for all intermediate care 59927
facilities for the mentally retarded with eight or fewer beds that 59928
would result in payment of all desk-reviewed, actual, allowable 59929
direct care costs for eighty and one-half per cent of the medicaid 59930
inpatient days for such facilities for calendar year 1992. 59931~~

(E) The director of job and family services shall adopt rules 59932

retarded with eight or fewer beds, based on findings of 59937~~

significant per diem direct care cost differences due to geography 59938
and facility bed-size. The rules also may specify peer groups 59939
based on findings of significant per diem direct care cost 59940
differences due to other factors which may include, ~~in the case of~~ 59941

assessment ~~information~~ data necessary to calculate ~~its~~ an 59947
intermediate care facility for the mentally retarded's case-mix 59948

group's cost per case-mix unit only if it made an error in 60031

Revised Code that do any of the following: 60061

(a) Adjust the case-mix values specified in division 60062
(A)(1)(b) of this section to reflect changes in relative wage 60063
differentials that are specific to this state; 60064

(b) Express all of ~~the~~ those case-mix values in numeric terms 60065
that are different from the terms specified by the United States 60066
department of health and human services but that do not alter the 60067
relationship of the case-mix values to one another; 60068

(c) Modify the grouper methodology specified in division 60069
(A)(1)(c) of this section as follows: 60070

(i) Establish a different hierarchy for assigning residents 60071
to case-mix categories under the methodology; 60072

(ii) Prohibit the use of the index maximizer element of the 60073
methodology; 60074

(iii) Incorporate changes to the methodology the United 60075
States department of health and human services makes after June 60076
30, 1999; 60077

(iv) Make other changes the ~~nursing facility reimbursement~~ 60078

~~(2)(B)~~ The department shall determine case-mix scores for 60081
intermediate care facilities for the mentally retarded using data 60082
for each resident, regardless of payment source, from a resident 60083
assessment instrument and grouper methodology prescribed in rules 60084
adopted ~~in accordance with Chapter 119. under section 5111.02~~ of 60085

the department in those rules. 60087

~~(B) Not later than fifteen days after the end of each (C)~~ 60088
Each calendar quarter, each ~~nursing facility and intermediate care~~ 60089

~~facility for the mentally retarded provider shall submit to the~~ 60090
~~department the compile~~ complete assessment data, from the ~~resident~~ 60091
~~assessment~~ instrument specified in rules ~~adopted under~~ authorized 60092
by division (A) or (B) of this section, for each resident of each 60093
of the provider's facilities, regardless of payment source, who 60094
was in the facility or on hospital or therapeutic leave from the 60095
facility on the last day of the quarter. Providers of a nursing 60096
facility shall submit the data to the department of health and, if 60097
required by rules, the department of job and family services. 60098
Providers of an intermediate care facility for the mentally 60099
retarded shall submit the data to the department of job and family 60100
services. The data shall be submitted not later than fifteen days 60101
after the end of the calendar quarter for which the data is 60102
compiled. 60103

Except as provided in division ~~(C)~~(D) of this section, the 60104
department, every six months and after the end of each calendar 60105
~~year and pursuant to procedures specified in rules adopted in~~ 60106
~~accordance with Chapter 119. of the Revised Code, shall calculate~~ 60107
~~an~~ a semiannual and annual average case-mix score for each nursing 60108
~~facility and intermediate care facility for the mentally retarded~~ 60109
using the facility's quarterly case-mix scores for that six-month 60110
period or calendar year. Also except as provided in division (D) 60111
of this section, the department, after the end of each calendar 60112
year, shall calculate an annual average case-mix score for each 60113
intermediate care facility for the mentally retarded using the 60114
facility's quarterly case-mix scores for that calendar year. The 60115
department shall make the calculations pursuant to procedures 60116
specified in rules adopted under section 5111.02 of the Revised 60117
Code. 60118

~~(C)~~(D)(1) If a ~~faecility~~ provider does not timely submit 60119
information for a calendar quarter necessary to calculate ~~its~~ a 60120
facility's case-mix score, or submits incomplete or inaccurate 60121

information for a calendar quarter, the department may assign the 60122
facility a quarterly average case-mix score that is five per cent 60123
less than the facility's quarterly average case-mix score for the 60124
preceding calendar quarter. If the facility was subject to an 60125
exception review under division (C) of section 5111.27 of the 60126
Revised Code for the preceding calendar quarter, the department 60127
may assign a quarterly average case-mix score that is five per 60128
cent less than the score determined by the exception review. If 60129
the facility was assigned a quarterly average case-mix score for 60130
the preceding quarter, the department may assign a quarterly 60131
average case-mix score that is five per cent less than that score 60132
assigned for the preceding quarter. 60133

The department may use a quarterly average case-mix score 60134
assigned under division ~~(C)~~(D)(1) of this section, instead of a 60135
quarterly average case-mix score calculated based on the 60136
~~facility's~~ provider's submitted information, to calculate the 60137
facility's rate for direct care costs being established under 60138
section 5111.23 or 5111.231 of the Revised Code for one or more 60139
months, as specified in rules ~~adopted under~~ authorized by division 60140
~~(D)~~(E) of this section, of the quarter for which the rate 60141
established under section 5111.23 or 5111.231 of the Revised Code 60142
will be paid. 60143

Before taking action under division ~~(C)~~(D)(1) of this 60144
section, the department shall permit the ~~facility~~ provider a 60145
reasonable period of time, specified in rules ~~adopted under~~ 60146
authorized by division ~~(D)~~(E) of this section, to correct the 60147
information. In the case of an intermediate care facility for the 60148
mentally retarded, the department shall not assign a quarterly 60149
average case-mix score due to late submission of corrections to 60150
assessment information unless the ~~facility~~ provider fails to 60151
submit corrected information prior to the eighty-first day after 60152
the end of the calendar quarter to which the information pertains. 60153

In the case of a nursing facility, the department shall not assign a quarterly average case-mix score due to late submission of corrections to assessment information unless the ~~facility~~ provider fails to submit corrected information prior to the earlier of the eighty-first day after the end of the calendar quarter to which the information pertains or the deadline for submission of such corrections established by regulations adopted by the United States department of health and human services under Titles XVIII and XIX ~~of the Social Security Act.~~

(2) If a ~~facility~~ provider is paid a rate for a facility calculated using a quarterly average case-mix score assigned under division ~~(C)~~(D)(1) of this section for more than six months in a calendar year, the department may assign the facility a cost per case-mix unit that is five per cent less than the facility's actual or assigned cost per case-mix unit for the preceding calendar year. The department may use the assigned cost per case-mix unit, instead of calculating the facility's actual cost per case-mix unit in accordance with section 5111.23 or 5111.231 of the Revised Code, to establish the facility's rate for direct care costs for the following fiscal year.

(3) The department shall take action under division ~~(C)~~(D)(1) or (2) of this section only in accordance with rules ~~adopted under~~ authorized by division ~~(D)~~(E) of this section. The department shall not take an action that affects rates for prior payment periods except in accordance with sections 5111.27 and 5111.28 of the Revised Code.

~~(D)~~(E) The director ~~may~~ shall adopt rules ~~in accordance with~~ Chapter 119. under section 5111.02 of the Revised Code that do ~~any~~ all of the following:

(1) Specify whether providers of a nursing facility must submit the assessment data to the department of job and family services;

(2) Specify the medium or media through which the completed assessment ~~information~~ data shall be submitted; 60186
60187

~~(2)(3)~~ Establish procedures under which the ~~department will review~~ assessment ~~information~~ data shall be reviewed for accuracy and ~~notify the facility providers shall be notified~~ of any ~~information~~ data that requires correction; 60188
60189
60190
60191

~~(3)(4)~~ Establish procedures for ~~facilities providers~~ to correct assessment information. The procedures may prohibit an intermediate care facility for the mentally retarded from submitting corrected assessment information, for the purpose of calculating its annual average case mix score, more than two calendar quarters after the end of the quarter to which the information pertains or, if the information pertains to the quarter ending the thirty first day of December, after the thirty first day of the following March data and specify a reasonable period of time by which providers shall submit the corrections. The procedures may limit the content of corrections by providers of nursing facilities in the manner required by regulations adopted by the United States department of health and human services under Titles XVIII and XIX ~~of the Social Security Act and prohibit a nursing facility from submitting corrected assessment information, for the purpose of calculating its annual average case mix score, more than the earlier of the following:~~ 60192
60193

60195
60196
60197
60198
60199

60202
60203
60204
60205
60206
60207
60208

~~(a) Two calendar quarters after the end of the quarter to which the information pertains or, if the information pertains to the quarter ending the thirty first day of December, after the thirty first day of the following March;~~ 60209
60210
60211
60212

~~(b) The deadline for submission of such corrections established by regulations adopted by the United States department of health and human services under Titles XVIII and XIX of the Social Security Act.~~ 60213
60214
60215
60216

~~(4)~~(5) Specify when and how the department will assign 60217
case-mix scores or costs per case-mix unit under division ~~(C)~~(D) 60218
of this section if information necessary to calculate the 60219
facility's ~~average annual or quarterly~~ case-mix score is not 60220
provided or corrected in accordance with the procedures 60221
established by the rules. Notwithstanding any other provision of 60222
sections 5111.20 to ~~5111.32~~ 5111.33 of the Revised Code, the rules 60223
also may provide for ~~exclusion~~ the following: 60224

(a) Exclusion of case-mix scores assigned under division 60225
~~(C)~~(D) of this section from calculation of ~~the facility's an~~ 60226
intermediate care facility for the mentally retarded's annual 60227
average case-mix score and the maximum cost per case-mix unit for 60228
the facility's peer group; 60229

(b) Exclusion of case-mix scores assigned under division (D) 60230
of this section from calculation of a nursing facility's 60231
semiannual or annual average case-mix score and the cost per 60232
case-mix unit for the facility's peer group. 60233

Sec. 5111.235. The department of job and family services 60234
shall pay a provider for each of the provider's eligible nursing 60235
~~facility and~~ intermediate care facility facilities for the 60236
mentally retarded a per resident per day rate for other protected 60237
costs established prospectively each fiscal year for each 60238
facility. The rate for each facility shall be the facility's 60239
desk-reviewed, actual, allowable, per diem other protected costs 60240
from the calendar year preceding the fiscal year in which the rate 60241
will be paid, all adjusted, ~~except for franchise permit fees paid~~ 60242
~~under section 3721.53 of the Revised Code,~~ for the estimated 60243
inflation rate for the eighteen-month period beginning on the 60244
first day of July of the calendar year preceding the fiscal year 60245
in which the rate will be paid and ending on the thirty-first day 60246
of December of that fiscal year. The department shall estimate 60247

inflation using the consumer price index for all urban consumers 60248
for nonprescription drugs and medical supplies, as published by 60249
the United States bureau of labor statistics. If the estimated 60250
inflation rate for the eighteen-month period is different from the 60251
actual inflation rate for that period, the difference shall be 60252
added to or subtracted from the inflation rate estimated for the 60253
following year. 60254

Sec. 5111.24. (A) As used in this section, "applicable 60255
calendar year" means the following: 60256

and support costs, the department shall do all of the following: 60310

(a) Determine the rate for ancillary and support costs for 60311
each nursing facility in the peer group for the applicable 60312
calendar year by using the greater of the nursing facility's 60313
actual inpatient days for the applicable calendar year or the 60314
inpatient days the nursing facility would have had for the 60315
applicable calendar year if its occupancy rate had been ninety per 60316
cent. For the purpose of determining a nursing facility's 60317
occupancy rate under division (D)(1)(a) of this section, the 60318
department shall include any beds that the nursing facility 60319
removes from its medicaid-certified capacity unless the nursing 60320
facility also removes the beds from its licensed bed capacity. 60321

(b) Subject to division (D)(2) of this section, identify 60322
which nursing facility in the peer group is at the twenty-fifth 60323
percentile of the rate for ancillary and support costs for the 60324
applicable calendar year determined under division (D)(1)(a) of 60325
this section. 60326

(c) Calculate the amount that is three per cent above the 60327

(D)(1)(a) of this section for the nursing facility identified 60329
under division (D)(1)(b) of this section. 60330

(d) Multiply the amount calculated under division (D)(1)(c) 60331
of this section by the rate of inflation for the eighteen-month 60332
period beginning on the first day of July of the applicable 60333
calendar year and ending the last day of December of the calendar 60334
year immediately following the applicable calendar year using the 60335
consumer price index for all items for all urban consumers for the 60336
north central region, published by the United States bureau of 60337
labor statistics. 60338

(2) In making the identification under division (D)(1)(b) of 60339
this section, the department shall exclude both of the following: 60340

60342
60343

(b) Nursing facilities whose ancillary and support costs are more than one standard deviation from the mean desk-reviewed, actual, allowable, per diem ancillary and support cost for all nursing facilities in the nursing facility's peer group for the applicable calendar year. 60344
60345
60346
60347
60348

(3) The department shall not redetermine a peer group's rate for ancillary and support costs under this division based on additional information that it receives after the rate is determined. The department shall redetermine a peer group's rate for ancillary and support costs only if it made an error in determining the rate based on information available to the department at the time of the original determination. 60349

group under division (B) of this section; 60374

(ii) In the case of intermediate care facilities for the 60375
mentally retarded with eight or fewer beds, seven per cent of the 60376
maximum rate established for the facility's peer group under 60377
division (B) of this section; 60378

the amount calculated for the preceding fiscal year under division 60380
(A)(2)(a) of this section. 60381

(B)(1) The maximum rate for indirect care costs for each peer 60382
group of intermediate care facilities for the mentally retarded 60383
with more than eight beds specified in rules adopted under 60384
division (D) of this section shall be determined as follows: 60385

(a) For fiscal years ending in even-numbered calendar years, 60386
the maximum rate for each peer group shall be the rate that is no 60387

desk-reviewed, actual, allowable, per diem indirect care cost for 60389
all intermediate care facilities for the mentally retarded with 60390
more than eight beds in the group, excluding facilities in the 60391
group whose indirect care costs for that period are more than 60392
three standard deviations from the mean desk-reviewed, actual, 60393
allowable, per diem indirect care cost for all intermediate care 60394
facilities for the mentally retarded with more than eight beds, 60395
for the calendar year preceding the fiscal year in which the rate 60396

division (C)(1) of this section. 60398

(b) For fiscal years ending in odd-numbered calendar years, 60399
the maximum rate for each peer group is the group's maximum rate 60400

estimated under division (C)(2) of this section. 60402

(2) The maximum rate for indirect care costs for each peer 60403
group of intermediate care facilities for the mentally retarded 60404
with eight or fewer beds specified in rules adopted under division 60405
(D) of this section shall be determined as follows: 60406

(a) For fiscal years ending in even-numbered calendar years, 60407
the maximum rate for each peer group shall be the rate that is no 60408
less than ten and three-tenths per cent above the median 60409
desk-reviewed, actual, allowable, per diem indirect care cost for 60410
all intermediate care facilities for the mentally retarded with 60411
eight or fewer beds in the group, excluding facilities in the 60412
group whose indirect care costs are more than three standard 60413
deviations from the mean desk-reviewed, actual, allowable, per 60414
diem indirect care cost for all intermediate care facilities for 60415
the mentally retarded with eight or fewer beds, for the calendar 60416
year preceding the fiscal year in which the rate will be paid, 60417
adjusted by the inflation rate estimated under division (C)(1) of 60418
this section. 60419

(b) For fiscal years that end in odd-numbered calendar years, 60420
the maximum rate for each peer group is the group's maximum rate 60421
for the previous fiscal year, adjusted for the inflation rate 60422
estimated under division (C)(2) of this section. 60423

(3) The department shall not recalculate a maximum rate for 60424
indirect care costs under division (B)(1) or (2) of this section 60425
based on additional information that it receives after the maximum 60426
rate is set. The department shall recalculate the maximum rate for 60427
indirect care costs only if it made an error in computing the 60428
maximum rate based on the information available at the time of the 60429
original calculation. 60430

(C)(1) When adjusting rates for inflation under divisions 60431
(A)(1), (B)(1)(a), and (B)(2)(a) of this section, the department 60432

shall estimate the rate of inflation for the eighteen-month period 60433
beginning on the first day of July of the calendar year preceding 60434
the fiscal year in which the rate will be paid and ending on the 60435
thirty-first day of December of the fiscal year in which the rate 60436
will be paid, using the consumer price index for all items for all 60437
urban consumers for the north central region, published by the 60438
United States bureau of labor statistics. 60439

(2) When adjusting rates for inflation under divisions 60440
(B)(1)(b) and (B)(2)(b) of this section, the department shall 60441
estimate the rate of inflation for the twelve-month period 60442
beginning on the first day of January of the fiscal year preceding 60443
the fiscal year in which the rate will be paid and ending on the 60444
thirty-first day of December of the fiscal year in which the rate 60445
will be paid, using the consumer price index for all items for all 60446
urban consumers for the north central region, published by the 60447
United States bureau of labor statistics. 60448

(3) If an inflation rate estimated under division (C)(1) or 60449
(2) of this section is different from the actual inflation rate 60450
for the relevant time period, as measured using the same index, 60451
the difference shall be added to or subtracted from the inflation 60452
rate estimated pursuant to this division for the following fiscal 60453
year. 60454

(D) The director of job and family services shall adopt rules 60455
~~in accordance with Chapter 119.~~ under section 5111.02 of the 60456
Revised Code that specify peer groups of intermediate care 60457
facilities for the mentally retarded with more than eight beds, 60458
and peer groups of intermediate care facilities for the mentally 60459
retarded with eight or fewer beds, based on findings of 60460
significant per diem indirect care cost differences due to 60461
geography and facility bed-size. The rules also may specify peer 60462
groups based on findings of significant per diem indirect care 60463
cost differences due to other factors, including case-mix. 60464

calendar year" means the following: 60556

(a) Subject to division (D)(2) of this section, use the 60645
greater of each nursing facility's actual inpatient days for the 60646

licensed bed capacity. 60663

(E) Buildings shall be depreciated using the straight line 60664
method over forty years or over a different period approved by the 60665
department. Components and equipment shall be depreciated using 60666
the straight-line method over a period designated in rules adopted 60667
by the director of job and family services in accordance with 60668
Chapter 119. under section 5111.02 of the Revised Code, consistent 60669
with the guidelines of the American hospital association, or over 60670
a different period approved by the department. Any rules adopted 60671
under authorized by this division that specify useful lives of 60672
buildings, components, or equipment apply only to assets acquired 60673

licensure on or before June 30, 1993, the capital cost basis shall 60683
be equal to the following: 60684~~

~~(a) For facilities that have not had a change of ownership 60685
during the period beginning January 1, 1993, and ending June 30, 60686
1993, the desk reviewed, actual, allowable capital cost basis that 60687
is listed on the facility's cost report for the cost reporting 60688
period ending December 31, 1992, plus the actual, allowable 60689
capital cost basis of any assets constructed or acquired after 60690
December 31, 1992, but before July 1, 1993, if the aggregate 60691
capital costs of those assets would increase the facility's rate 60692
for capital costs by twenty or more cents per resident per day. 60693~~

~~(b) For facilities that have a date of licensure or had a 60694
change of ownership during the period beginning January 1, 1993, 60695
and ending June 30, 1993, the actual, allowable capital cost basis 60696

States health care financing administration of any necessary 60701
amendment to the state plan for providing medical assistance. 60702~~

~~The department shall include the actual, allowable capital 60703
cost basis of assets constructed or acquired during the period 60704
beginning January 1, 1993, and ending June 30, 1993, in the 60705
calculation for the facility's rate effective July 1, 1993, if the 60706
aggregate capital costs of the assets would increase the 60707
facility's rate by twenty or more cents per resident per day and 60708
the facility provides the department with sufficient documentation 60709~~

~~of the costs before June 1, 1993. If the facility provides the documentation after that date, the department shall adjust the facility's rate to reflect the costs of the assets one month after the first day of the month after the department receives the documentation.~~

~~(2)~~ Except as provided in division ~~(B)(4)(F)(3)~~ of this section, for purposes of calculating the rates to be paid for ~~fiscal years beginning after June 30, 1994,~~ for facilities with dates of licensure on or before June 30, 1993, the capital cost basis of each asset shall be equal to the desk-reviewed, actual, allowable, capital cost basis that is listed on the facility's cost report for the calendar year preceding the fiscal year during which the rate will be paid.

~~(3)(2)~~ For facilities with dates of licensure after June 30, 1993, the capital cost basis shall be determined in accordance with the principles of the medicare program established under Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, except as otherwise provided in sections 5111.20 to ~~5111.32~~ 5111.33 of the Revised Code.

~~(4)(3)~~ Except as provided in division ~~(B)(5)(F)(4)~~ of this section, if a provider transfers an interest in a facility to another provider after June 30, 1993, there shall be no increase in the capital cost basis of the asset if the providers are related parties or the provider to which the interest is transferred authorizes the provider that transferred the interest to continue to operate the facility under a lease, management agreement, or other arrangement. If the ~~providers are not related parties or if they are related parties and division (B)(5) of this section requires~~ previous sentence does not prohibit the adjustment of the capital cost basis under this division, the basis of the asset shall be adjusted by the lesser of the following:

(a) One-half of the change in construction costs during the 60742
time that the transferor held the asset, as calculated by the 60743
department of job and family services using the "Dodge building 60744
cost indexes, northeastern and north central states," published by 60745
Marshall and Swift; 60746

(b) One-half of the change in the consumer price index for 60747
all items for all urban consumers, as published by the United 60748
States bureau of labor statistics, during the time that the 60749
transferor held the asset. 60750

~~(5)(4)~~ If a provider transfers an interest in a facility to 60751
another provider who is a related party, the capital cost basis of 60752
the asset shall be adjusted as specified in division ~~(B)(4)(F)(3)~~ 60753
of this section ~~for a transfer to a provider that is not a related~~ 60754

this section, the provider making the transfer retains no 60758
ownership interest in the facility; 60759

(c) The department of job and family services determines that 60760

under section 5111.02 of the Revised Code ~~no later than December~~ 60763

length transaction if all of the following apply: 60765

(i) Once the transfer goes into effect, the provider that 60766
made the transfer has no direct or indirect interest in the 60767
provider that acquires the facility or the facility itself, 60768
including interest as an owner, officer, director, employee, 60769
independent contractor, or consultant, but excluding interest as a 60770
creditor. 60771

(ii) The provider that made the transfer does not reacquire 60772

an interest in the facility except through the exercise of a 60773
creditor's rights in the event of a default. If the provider 60774
reacquires an interest in the facility in this manner, the 60775
department shall treat the facility as if the transfer never 60776
occurred when the department calculates its reimbursement rates 60777
for capital costs. 60778

(iii) The transfer satisfies any other criteria specified in 60779
the rules. 60780

event, as determined by the department, or in the case of a 60782
provider making the transfer who is at least sixty-five years of 60783
age, not less than twenty years have elapsed since, for the same 60784
facility, the capital cost basis was adjusted most recently under 60785

division ~~(C)~~(G)(9)(b) of this section, the facility itself, 60937
including interest as an owner, officer, director, employee, 60938
independent contractor, or consultant, but excluding interest as a 60939
lessor. 60940

(ii) The lessor does not reacquire an interest in the 60941

as if the lease never occurred when the department calculates its 60945
reimbursement rates for capital costs. 60946

(iii) The lease satisfies any other criteria specified in the 60947
rules. 60948

(d) Except in the case of hardship caused by a catastrophic 60949

~~(D)(1) Subject to division (D)(2) of this section, the department shall pay each nursing facility an efficiency incentive that is equal to fifty per cent of the difference between the following:~~

~~(a) Eighty eight and sixty five one hundredths per cent of the facility's desk reviewed, actual, allowable, per diem cost of ownership;~~

~~(b) The applicable amount specified in division (E) of this section.~~

~~(2) The efficiency incentive paid to a nursing facility shall not exceed the greater of the following:~~

~~(3) For purposes of calculating the efficiency incentive, depreciation for costs that are paid or reimbursed by any government agency shall be considered as costs of ownership, and renovation costs that are paid under division (F) of this section shall not be considered costs of ownership.~~

increased by twenty five cents. For the fiscal year that begins 61072
July 1, 1995, each of those amounts shall be increased by an 61073
additional twenty five cents. For subsequent fiscal years, each of 61074
those amounts, as increased for the prior fiscal year, shall be 61075
adjusted to reflect the rate of inflation for the twelve month 61076
period beginning on the first day of July of the calendar year 61077
preceding the calendar year that precedes the fiscal year and 61078
ending on the following thirtieth day of June, using the consumer 61079~~

~~price index for shelter costs for all urban consumers for the north central region, as published by the United States bureau of labor statistics.~~

~~If the amount established for a nursing facility under this division is less than the amount that applied to the facility under division (B) of former section 5111.25 of the Revised Code, as the former section existed immediately prior to December 22, 1992, the amount used to calculate the efficiency incentive for the facility under division (D)(2) of this section shall be the amount that was calculated under division (B) of the former section.~~

~~(F) Beginning July 1, 1993, regardless of the facility's date of licensure or the date of the nonextensive renovations, the rate for the costs of nonextensive renovations for nursing facilities shall be eighty five per cent of the desk reviewed, actual, allowable, per diem, nonextensive renovation costs. This division applies to nonextensive renovations regardless of whether they are made by an owner or a lessee. If the tenancy of a lessee that has made nonextensive renovations ends before the depreciation expense for the renovation costs has been fully reported, the former lessee shall not report the undepreciated balance as an expense.~~

~~(1) For a nonextensive renovation made after July 1, 1993, to qualify for payment under this division, both of the following conditions must be met:~~

~~(a) At least five years have elapsed since the date of licensure of the portion of the facility that is proposed to be renovated, except that this condition does not apply if the renovation is necessary to meet the requirements of federal, state, or local statutes, ordinances, rules, or policies.~~

~~(b) The provider has obtained prior approval from the department of job and family services, and if required the~~

~~director of health has granted a certificate of need for the 61111
renovation under section 3702.52 of the Revised Code. The provider 61112
shall submit a plan that describes in detail the changes in 61113
capital assets to be accomplished by means of the renovation and 61114
the timetable for completing the project. The time for completion 61115
of the project shall be no more than eighteen months after the 61116
renovation begins. The department of job and family services shall 61117
adopt rules in accordance with Chapter 119. of the Revised Code 61118
that specify criteria and procedures for prior approval of 61119
renovation projects. No provider shall separate a project with the 61120
intent to evade the characterization of the project as a 61121
renovation or as an extensive renovation. No provider shall 61122
increase the scope of a project after it is approved by the 61123
department of job and family services unless the increase in scope 61124
is approved by the department. 61125~~

~~(2) The payment provided for in this division is the only 61126
payment that shall be made for the costs of a nonextensive 61127
renovation. Nonextensive renovation costs shall not be included in 61128
costs of ownership, and a nonextensive renovation shall not affect 61129
the date of licensure for purposes of calculating the efficiency 61130
incentive under divisions (D) and (E) of this section. 61131~~

~~(G) The owner of a nursing facility operating under a 61132
provider agreement shall provide written notice to the department 61133
of job and family services at least forty five days prior to 61134
entering into any contract of sale for the facility or voluntarily 61135
terminating participation in the medical assistance program. (H) 61136
After the date on which a transaction of sale is closed, the ~~owner~~ 61137
provider shall refund to the department the amount of excess 61138
depreciation paid to the provider for the facility by the 61139
department for each year the ~~owner~~ provider has operated the 61140
facility under a provider agreement and prorated according to the 61141
number of medicaid patient days for which the ~~facility~~ provider 61142~~

has received payment for the facility. If a nursing facility is 61143
sold after five or fewer years of operation under a provider 61144
agreement, the refund to the department shall be equal to the 61145
excess depreciation paid to the facility. If a nursing facility is 61146
sold after more than five years but less than ten years of 61147
operation under a provider agreement, the refund to the department 61148
shall equal the excess depreciation paid to the facility 61149
multiplied by twenty per cent, multiplied by the difference 61150
between ten and the number of years that the facility was operated 61151
under a provider agreement. If a nursing facility is sold after 61152
ten or more years of operation under a provider agreement, the 61153
owner shall not refund any excess depreciation to the department. 61154
The ~~owner~~ provider of a facility that is sold or that voluntarily 61155
terminates participation in the ~~medical assistance~~ medicaid 61156
program also shall refund any other amount that the department 61157
properly finds to be due after the audit conducted under this 61158
division. For the purposes of this division, "depreciation paid to 61159
the provider for the facility" means the amount paid to the 61160
provider for the nursing facility for cost of ownership capital 61161
costs pursuant to this section less any amount paid for interest 61162
costs, amortization of financing costs, and lease expenses. For 61163
the purposes of this division, "excess depreciation" is the 61164
nursing facility's depreciated basis, which is the ~~owner's~~ 61165
provider's cost less accumulated depreciation, subtracted from the 61166
purchase price net of selling costs but not exceeding the amount 61167
of depreciation paid to the provider for the facility. 61168

~~A cost report shall be filed with the department within~~ 61169
~~ninety days after the date on which the transaction of sale is~~ 61170
~~closed or participation is voluntarily terminated. The report~~ 61171
~~shall show the accumulated depreciation, the sales price, and~~ 61172
~~other information required by the department. The department shall~~ 61173
~~provide for a bank, trust company, or savings and loan association~~ 61174
~~to hold in escrow the amount of the last two monthly payments to a~~ 61175

~~nursing facility made pursuant to division (A)(1) of section 61176
5111.22 of the Revised Code before a sale or termination of 61177
participation or, if the owner fails, within the time required by 61178
this division, to notify the department before entering into a 61179
contract of sale for the facility, the amount of the first two 61180
monthly payments made to the facility after the department learns 61181
of the contract, regardless of whether a new owner is in 61182
possession of the facility. If the amount the owner will be 61183
required to refund under this section is likely to be less than 61184
the amount of the two monthly payments otherwise put into escrow 61185
under this division, the department shall take one of the 61186
following actions instead of withholding the amount of the two 61187
monthly payments:~~ 61188

~~(1) In the case of an owner that owns other facilities that 61189
participate in the medical assistance program, obtain a promissory 61190
note in an amount sufficient to cover the amount likely to be 61191
refunded;~~ 61192

~~(2) In the case of all other owners, withhold the amount of 61193
the last monthly payment to the nursing facility or, if the owner 61194
fails, within the time required by this division, to notify the 61195
department before entering into a contract of sale for the 61196
facility, the amount of the first monthly payment made to the 61197
facility after the department learns of the contract, regardless 61198
of whether a new owner is in possession of the facility.~~ 61199

~~The department shall, within ninety days following the filing 61200
of the cost report, audit the cost report and issue an audit 61201
report to the owner. The department also may audit any other cost 61202
report that the facility has filed during the previous three 61203
years. In the audit report, the department shall state its 61204
findings and the amount of any money owed to the department by the 61205
nursing facility. The findings shall be subject to adjudication 61206
conducted in accordance with Chapter 119. of the Revised Code. No 61207~~

~~later than fifteen days after the owner agrees to a settlement, 61208
any funds held in escrow less any amounts due to the department 61209
shall be released to the owner and amounts due to the department 61210
shall be paid to the department. If the amounts in escrow are less 61211
than the amounts due to the department, the balance shall be paid 61212
to the department within fifteen days after the owner agrees to a 61213
settlement. If the department does not issue its audit report 61214
within the ninety day period, the department shall release any 61215
money held in escrow to the owner. For the purposes of this 61216
section, a transfer of corporate stock, the merger of one 61217
corporation into another, or a consolidation does not constitute a 61218
sale. 61219~~

~~If a nursing facility is not sold or its participation is not 61220
terminated after notice is provided to the department under this 61221
division, the department shall order any payments held in escrow 61222
released to the facility upon receiving written notice from the 61223
owner that there will be no sale or termination. After written 61224
notice is received from a nursing facility that a sale or 61225
termination will not take place, the facility shall provide notice 61226
to the department at least forty five days prior to entering into 61227
any contract of sale or terminating participation at any future 61228
time. 61229~~

~~(H) The department shall pay each eligible proprietary 61230
nursing facility a return on the facility's net equity computed at 61231
the rate of one and one half times the average interest rate on 61232
special issues of public debt obligations issued to the federal 61233
hospital insurance trust fund for the cost reporting period, 61234
except that no facility's return on net equity shall exceed fifty 61235
cents per patient day. 61236~~

~~When calculating the rate for return on net equity, the 61237
department shall use the greater of the facility's inpatient days 61238
during the applicable cost reporting period or the number of 61239~~

~~inpatient days the facility would have had during that period if
its occupancy rate had been ninety five per cent.~~ 61240
61241

~~(I) If a nursing facility would receive a lower rate for
capital costs for assets in the facility's possession on July 1,
1993, under this section than it would receive under former
section 5111.25 of the Revised Code, as the former section existed
immediately prior to December 22, 1992, the facility shall receive
for those assets the rate it would have received under the former
section for each fiscal year beginning on or after July 1, 1993,
until the rate it would receive under this section exceeds the
rate it would have received under the former section. Any facility
that receives a rate calculated under the former section 5111.25
of the Revised Code for assets in the facility's possession on
July 1, 1993, also shall receive a rate calculated under this
section for costs of any assets it constructs or acquires after
July 1, 1993.~~ 61242

Sec. 5111.251. (A) The department of job and family services 61256
shall pay a provider for each of the provider's eligible 61257
intermediate care ~~faecility~~ facilities for the mentally retarded 61258
for its reasonable capital costs, a per resident per day rate 61259
established prospectively each fiscal year for each intermediate 61260
care facility for the mentally retarded. Except as otherwise 61261
provided in sections 5111.20 to ~~5111.32~~ 5111.33 of the Revised 61262
Code, the rate shall be based on the facility's capital costs for 61263
the calendar year preceding the fiscal year in which the rate will 61264
be paid. The rate shall equal the sum of the following: 61265

(1) The facility's desk-reviewed, actual, allowable, per diem 61266
cost of ownership for the preceding cost reporting period, limited 61267
as provided in divisions (C) and (F) of this section; 61268

(2) Any efficiency incentive determined under division (B) of 61269
this section; 61270

(3) Any amounts for renovations determined under division (D) 61271
of this section; 61272

(4) Any amounts for return on equity determined under 61273
division (I) of this section. 61274

Buildings shall be depreciated using the straight line method 61275
over forty years or over a different period approved by the 61276
department. Components and equipment shall be depreciated using 61277
the straight line method over a period designated by the director 61278
of job and family services in rules adopted ~~in accordance with~~ 61279
~~Chapter 119. under section 5111.02~~ of the Revised Code, consistent 61280
with the guidelines of the American hospital association, or over 61281
a different period approved by the department of job and family 61282
services. Any rules ~~adopted under~~ authorized by this division that 61283
specify useful lives of buildings, components, or equipment apply 61284
only to assets acquired on or after July 1, 1993. Depreciation for 61285
costs paid or reimbursed by any government agency shall not be 61286
included in costs of ownership or renovation unless that part of 61287
the payment under sections 5111.20 to ~~5111.32~~ 5111.33 of the 61288
Revised Code is used to reimburse the government agency. 61289

(B) The department of job and family services shall pay to a 61290
provider for each of the provider's eligible intermediate care 61291
~~facility facilities~~ for the mentally retarded an efficiency 61292
incentive equal to fifty per cent of the difference between any 61293
desk-reviewed, actual, allowable cost of ownership and the 61294
applicable limit on cost of ownership payments under division (C) 61295
of this section. For purposes of computing the efficiency 61296
incentive, depreciation for costs paid or reimbursed by any 61297
government agency shall be considered as a cost of ownership, and 61298
the applicable limit under division (C) of this section shall 61299
apply both to facilities with more than eight beds and facilities 61300
with eight or fewer beds. The efficiency incentive paid to a 61301
provider for a facility with eight or fewer beds shall not exceed 61302

three dollars per patient day, adjusted annually for the inflation 61303
rate for the twelve-month period beginning on the first day of 61304
July of the calendar year preceding the calendar year that 61305
precedes the fiscal year for which the efficiency incentive is 61306
determined and ending on the thirtieth day of the following June, 61307
using the consumer price index for shelter costs for all urban 61308
consumers for the north central region, as published by the United 61309
States bureau of labor statistics. 61310

(C) Cost of ownership payments ~~to~~ for intermediate care 61311
facilities for the mentally retarded with more than eight beds 61312
shall not exceed the following limits: 61313

(1) For facilities with dates of licensure prior to January 61314
1, 1958, not exceeding two dollars and fifty cents per patient 61315
day; 61316

(2) For facilities with dates of licensure after December 31, 61317
1957, but prior to January 1, 1968, not exceeding: 61318

(a) Three dollars and fifty cents per patient day if the cost 61319
of construction was three thousand five hundred dollars or more 61320
per bed; 61321

(b) Two dollars and fifty cents per patient day if the cost 61322
of construction was less than three thousand five hundred dollars 61323
per bed. 61324

of construction was five thousand one hundred fifty dollars or 61328
more per bed; 61329

(19) For facilities with dates of licensure after December 61452

per patient day. 61454

(D) Beginning January 1, 1981, regardless of the original 61455
date of licensure, the department of job and family services shall 61456
pay a rate for the per diem capitalized costs of renovations to 61457
intermediate care facilities for the mentally retarded made after 61458
January 1, 1981, not exceeding six dollars per patient day using 61459
1980 as the base year and adjusting the amount annually until June 61460
30, 1993, for fluctuations in construction costs calculated by the 61461
department using the "Dodge building cost indexes, northeastern 61462
and north central states," published by Marshall and Swift. The 61463
payment provided for in this division is the only payment that 61464
shall be made for the capitalized costs of a nonextensive 61465
renovation of an intermediate care facility for the mentally 61466
retarded. Nonextensive renovation costs shall not be included in 61467
cost of ownership, and a nonextensive renovation shall not affect 61468
the date of licensure for purposes of division (C) of this 61469
section. This division applies to nonextensive renovations 61470
regardless of whether they are made by an owner or a lessee. If 61471
the tenancy of a lessee that has made renovations ends before the 61472
depreciation expense for the renovation costs has been fully 61473
reported, the former lessee shall not report the undepreciated 61474
balance as an expense. 61475

For a nonextensive renovation to qualify for payment under 61476
this division, both of the following conditions must be met: 61477

(1) At least five years have elapsed since the date of 61478
licensure or date of an extensive renovation of the portion of the 61479
facility that is proposed to be renovated, except that this 61480
condition does not apply if the renovation is necessary to meet 61481
the requirements of federal, state, or local statutes, ordinances, 61482
rules, or policies. 61483

(2) The provider has obtained prior approval from the 61484

department of job and family services. The provider shall submit a 61485
plan that describes in detail the changes in capital assets to be 61486
accomplished by means of the renovation and the timetable for 61487
completing the project. The time for completion of the project 61488
shall be no more than eighteen months after the renovation begins. 61489
The director of job and family services shall adopt rules ~~in~~ 61490
~~accordance with Chapter 119.~~ under section 5111.02 of the Revised 61491
Code that specify criteria and procedures for prior approval of 61492
renovation projects. No provider shall separate a project with the 61493
intent to evade the characterization of the project as a 61494
renovation or as an extensive renovation. No provider shall 61495
increase the scope of a project after it is approved by the 61496
department of job and family services unless the increase in scope 61497
is approved by the department. 61498

(E) The amounts specified in divisions (C) and (D) of this 61499
section shall be adjusted beginning July 1, 1993, for the 61500
estimated inflation for the twelve-month period beginning on the 61501
first day of July of the calendar year preceding the calendar year 61502
that precedes the fiscal year for which rate will be paid and 61503
ending on the thirtieth day of the following June, using the 61504
consumer price index for shelter costs for all urban consumers for 61505
the north central region, as published by the United States bureau 61506
of labor statistics. 61507

(F)(1) For facilities of eight or fewer beds that have dates 61508
of licensure or have been granted project authorization by the 61509
department of mental retardation and developmental disabilities 61510
before July 1, 1993, and for facilities of eight or fewer beds 61511
that have dates of licensure or have been granted project 61512
authorization after that date if the providers of the facilities 61513
demonstrate that they made substantial commitments of funds on or 61514
before that date, cost of ownership shall not exceed eighteen 61515
dollars and thirty cents per resident per day. The eighteen-dollar 61516

and thirty-cent amount shall be increased by the change in the 61517
"Dodge building cost indexes, northeastern and north central 61518
states," published by Marshall and Swift, during the period 61519
beginning June 30, 1990, and ending July 1, 1993, and by the 61520
change in the consumer price index for shelter costs for all urban 61521
consumers for the north central region, as published by the United 61522
States bureau of labor statistics, annually thereafter. 61523

(2) For facilities with eight or fewer beds that have dates 61524
of licensure or have been granted project authorization by the 61525
department of mental retardation and developmental disabilities on 61526
or after July 1, 1993, for which substantial commitments of funds 61527
were not made before that date, cost of ownership payments shall 61528
not exceed the applicable amount calculated under division (F)(1) 61529
of this section, if the department of job and family services 61530
gives prior approval for construction of the facility. If the 61531
department does not give prior approval, cost of ownership 61532
payments shall not exceed the amount specified in division (C) of 61533
this section. 61534

(3) Notwithstanding divisions (D) and (F)(1) and (2) of this 61535
section, the total payment for cost of ownership, cost of 61536
ownership efficiency incentive, and capitalized costs of 61537
renovations for an intermediate care facility for the mentally 61538
retarded with eight or fewer beds shall not exceed the sum of the 61539
limitations specified in divisions (C) and (D) of this section. 61540

(G) Notwithstanding any provision of this section or section 61541
~~5111.24~~ 5111.241 of the Revised Code, the director of job and 61542
family services may adopt rules ~~in accordance with Chapter 119.~~ 61543
under section 5111.02 of the Revised Code that provide for a 61544
calculation of a combined maximum payment limit for indirect care 61545
costs and cost of ownership for intermediate care facilities for 61546
the mentally retarded with eight or fewer beds. 61547

(H) ~~After June 30, 1980, the owner of an intermediate care~~ 61548

~~facility for the mentally retarded operating under a provider~~ 61549
~~agreement shall provide written notice to the department of job~~ 61550
~~and family services at least forty five days prior to entering~~ 61551
~~into any contract of sale for the facility or voluntarily~~ 61552
~~terminating participation in the medical assistance program. After~~ 61553
the date on which a transaction of sale is closed, the ~~owner~~ 61554
provider shall refund to the department the amount of excess 61555
depreciation paid to the provider for the facility by the 61556
department for each year the ~~owner~~ provider has operated the 61557
facility under a provider agreement and prorated according to the 61558
number of medicaid patient days for which the ~~facility~~ provider 61559
has received payment for the facility. ~~If an intermediate care~~ 61560
~~facility for the mentally retarded is sold after five or fewer~~ 61561
~~years of operation under a provider agreement, the refund to the~~ 61562
~~department shall be equal to the excess depreciation paid to the~~ 61563
~~facility. If an intermediate care facility for the mentally~~ 61564
~~retarded is sold after more than five years but less than ten~~ 61565
~~years of operation under a provider agreement, the refund to the~~ 61566
~~department shall equal the excess depreciation paid to the~~ 61567
~~facility multiplied by twenty per cent, multiplied by the number~~ 61568
~~of years less than ten that a facility was operated under a~~ 61569
~~provider agreement. If an intermediate care facility for the~~ 61570
~~mentally retarded is sold after ten or more years of operation~~ 61571
~~under a provider agreement, the owner shall not refund any excess~~ 61572
~~depreciation to the department. For the purposes of this division,~~ 61573
"depreciation paid to the provider for the facility" means the 61574
amount paid to the provider for the intermediate care facility for 61575
the mentally retarded for cost of ownership pursuant to this 61576
section less any amount paid for interest costs. For the purposes 61577
of this division, "excess depreciation" is the intermediate care 61578
facility for the mentally retarded's depreciated basis, which is 61579
the ~~owner's~~ provider's cost less accumulated depreciation, 61580
subtracted from the purchase price but not exceeding the amount of 61581

depreciation paid to the provider for the facility. 61582

~~A cost report shall be filed with the department within 61583
ninety days after the date on which the transaction of sale is 61584
closed or participation is voluntarily terminated for an 61585
intermediate care facility for the mentally retarded subject to 61586
this division. The report shall show the accumulated depreciation, 61587
the sales price, and other information required by the department. 61588
The department shall provide for a bank, trust company, or savings 61589
and loan association to hold in escrow the amount of the last two 61590
monthly payments to an intermediate care facility for the mentally 61591
retarded made pursuant to division (A)(1) of section 5111.22 of 61592
the Revised Code before a sale or voluntary termination of 61593
participation or, if the owner fails, within the time required by 61594
this division, to notify the department before entering into a 61595
contract of sale for the facility, the amount of the first two 61596
monthly payments made to the facility after the department learns 61597
of the contract, regardless of whether a new owner is in 61598
possession of the facility. If the amount the owner will be 61599
required to refund under this section is likely to be less than 61600
the amount of the two monthly payments otherwise put into escrow 61601
under this division, the department shall take one of the 61602
following actions instead of withholding the amount of the two 61603
monthly payments:~~ 61604

~~(1) In the case of an owner that owns other facilities that 61605
participate in the medical assistance program, obtain a promissory 61606
note in an amount sufficient to cover the amount likely to be 61607
refunded;~~ 61608

~~(2) In the case of all other owners, withhold the amount of 61609
the last monthly payment to the intermediate care facility for the 61610
mentally retarded or, if the owner fails, within the time required 61611
by this division, to notify the department before entering into a 61612
contract of sale for the facility, the amount of the first monthly 61613~~

~~payment made to the facility after the department learns of the 61614
contract, regardless of whether a new owner is in possession of 61615
the facility. 61616~~

~~The department shall, within ninety days following the filing 61617
of the cost report, audit the report and issue an audit report to 61618
the owner. The department also may audit any other cost reports 61619
for the facility that have been filed during the previous three 61620
years. In the audit report, the department shall state its 61621
findings and the amount of any money owed to the department by the 61622
intermediate care facility for the mentally retarded. The findings 61623
shall be subject to an adjudication conducted in accordance with 61624
Chapter 119. of the Revised Code. No later than fifteen days after 61625
the owner agrees to a settlement, any funds held in escrow less 61626
any amounts due to the department shall be released to the owner 61627
and amounts due to the department shall be paid to the department. 61628
If the amounts in escrow are less than the amounts due to the 61629
department, the balance shall be paid to the department within 61630
fifteen days after the owner agrees to a settlement. If the 61631
department does not issue its audit report within the ninety day 61632
period, the department shall release any money held in escrow to 61633
the owner. For the purposes of this section, a transfer of 61634
corporate stock, the merger of one corporation into another, or a 61635
consolidation does not constitute a sale. 61636~~

~~If an intermediate care facility for the mentally retarded is 61637
not sold or its participation is not terminated after notice is 61638
provided to the department under this division, the department 61639
shall order any payments held in escrow released to the facility 61640
upon receiving written notice from the owner that there will be no 61641
sale or termination of participation. After written notice is 61642
received from an intermediate care facility for the mentally 61643
retarded that a sale or termination of participation will not take 61644
place, the facility shall provide notice to the department at 61645~~

~~least forty five days prior to entering into any contract of sale~~ 61646
~~or terminating participation at any future time.~~ 61647

(I) The department of job and family services shall pay a 61648
provider for each of the provider's eligible proprietary 61649
intermediate care ~~facility~~ facilities for the mentally retarded a 61650
return on the facility's net equity computed at the rate of one 61651
and one-half times the average of interest rates on special issues 61652
of public debt obligations issued to the federal hospital 61653
insurance trust fund for the cost reporting period. No facility's 61654
return on net equity paid under this division shall exceed one 61655
dollar per patient day. 61656

In calculating the rate for return on net equity, the 61657
department shall use the greater of the facility's inpatient days 61658
during the applicable cost reporting period or the number of 61659
inpatient days the facility would have had during that period if 61660
its occupancy rate had been ninety-five per cent. 61661

(J)(1) Except as provided in division (J)(2) of this section, 61662
if a provider leases or transfers an interest in a facility to 61663
another provider who is a related party, the related party's 61664
allowable cost of ownership shall include the lesser of the 61665
following: 61666

(a) The annual lease expense or actual cost of ownership, 61667
whichever is applicable; 61668

(b) The reasonable cost to the lessor or provider making the 61669
transfer. 61670

(2) If a provider leases or transfers an interest in a 61671
facility to another provider who is a related party, regardless of 61672
the date of the lease or transfer, the related party's allowable 61673
cost of ownership shall include the annual lease expense or actual 61674
cost of ownership, whichever is applicable, subject to the 61675
limitations specified in divisions (B) to (I) of this section, if 61676

all of the following conditions are met: 61677

(a) The related party is a relative of owner; 61678

(b) In the case of a lease, if the lessor retains any 61679
ownership interest, it is, except as provided in division 61680
(J)(2)(d)(ii) of this section, in only the real property and any 61681
improvements on the real property; 61682

(c) In the case of a transfer, the provider making the 61683
transfer retains, except as provided in division (J)(2)(d)(iv) of 61684
this section, no ownership interest in the facility; 61685

(d) The department of job and family services determines that 61686
the lease or transfer is an arm's length transaction pursuant to 61687
~~rules the department shall adopt in accordance with Chapter 119.~~ 61688
~~adopted under section 5111.02 of the Revised Code no later than~~ 61689
~~December 31, 2000.~~ The rules shall provide that a lease or 61690
transfer is an arm's length transaction if all of the following, 61691
as applicable, apply: 61692

(i) In the case of a lease, once the lease goes into effect, 61693
the lessor has no direct or indirect interest in the lessee or, 61694
except as provided in division (J)(2)(b) of this section, the 61695
facility itself, including interest as an owner, officer, 61696
director, employee, independent contractor, or consultant, but 61697
excluding interest as a lessor. 61698

(ii) In the case of a lease, the lessor does not reacquire an 61699
interest in the facility except through the exercise of a lessor's 61700
rights in the event of a default. If the lessor reacquires an 61701
interest in the facility in this manner, the department shall 61702
treat the facility as if the lease never occurred when the 61703
department calculates its reimbursement rates for capital costs. 61704

(iii) In the case of a transfer, once the transfer goes into 61705
effect, the provider that made the transfer has no direct or 61706
indirect interest in the provider that acquires the facility or 61707

the facility itself, including interest as an owner, officer, 61708
director, employee, independent contractor, or consultant, but 61709
excluding interest as a creditor. 61710

(iv) In the case of a transfer, the provider that made the 61711
transfer does not reacquire an interest in the facility except 61712
through the exercise of a creditor's rights in the event of a 61713
default. If the provider reacquires an interest in the facility in 61714
this manner, the department shall treat the facility as if the 61715
transfer never occurred when the department calculates its 61716
reimbursement rates for capital costs. 61717

(v) The lease or transfer satisfies any other criteria 61718
specified in the rules. 61719

(e) Except in the case of hardship caused by a catastrophic 61720
event, as determined by the department, or in the case of a lessor 61721
or provider making the transfer who is at least sixty-five years 61722
of age, not less than twenty years have elapsed since, for the 61723
same facility, allowable cost of ownership was determined most 61724
recently under this division. 61725

Sec. 5111.254. (A) The department of job and family services 61726
shall establish initial rates for a nursing facility with a first 61727
date of licensure that is on or after July 1, 2006, including a 61728
facility that replaces one or more existing facilities, or for a 61729
nursing facility with a first date of licensure before that date 61730
that was initially certified for the medicaid program on or after 61731
that date, in the following manner: 61732

(1) The rate for direct care costs shall be the product of 61733
the cost per case-mix unit determined under division (D) of 61734
section 5111.231 of the Revised Code for the facility's peer group 61735
and the nursing facility's case-mix score. For the purpose of 61736
division (A)(1) of this section, the nursing facility's case-mix 61737
score shall be the following: 61738

(a) Unless the nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the replacement nursing facility begins participating in the medicaid program, the median annual average case-mix score for the nursing facility's peer group; 61739
61740
61741
61742
61743

(b) If the nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the replacement nursing facility begins participating in the medicaid program, the semiannual case-mix score most recently determined under section 5111.232 of the Revised Code for the replaced nursing facility as adjusted, if necessary, to reflect any difference in the number of beds in the replaced and replacement nursing facilities. 61744
61745
61746
61747
61748
61749
61750
61751

(2) The rate for ancillary and support costs shall be the rate for the facility's peer group determined under division (D) of section 5111.24 of the Revised Code. 61752
61753
61754

(3) The rate for capital costs shall be the median rate for the facility's peer group determined under division (D) of section 5111.25 of the Revised Code. 61755
61756
61757

(4) The rate for tax costs as defined in section 5111.242 of the Revised Code shall be the median rate for tax costs for the facility's peer group in which the facility is placed under division (C) of section 5111.24 of the Revised Code. 61758
61759
61760
61761

(5) The quality incentive payment shall be the mean payment specified in division (B) of section 5111.244 of the Revised Code. 61762
61763

(B) Subject to division (C) of this section, the department shall adjust the rates established under division (A) of this section effective the first day of July, to reflect new rate calculations for all nursing facilities under sections 5111.20 to 5111.33 of the Revised Code. 61764
61765
61766
61767
61768

(C) If a rate for direct care costs is determined under this 61769

section for a nursing facility using the median annual average case-mix score for the nursing facility's peer group, the rate shall be redetermined to reflect the replacement nursing facility's actual semiannual case-mix score determined under section 5111.232 of the Revised Code after the nursing facility submits its first two quarterly assessment data that qualify for use in calculating a case-mix score in accordance with rules authorized by division (E) of section 5111.232 of the Revised Code. If the nursing facility's quarterly submissions do not qualify for use in calculating a case-mix score, the department shall continue to use the median annual average case-mix score for the nursing facility's peer group in lieu of the nursing facility's semiannual case-mix score until the nursing facility submits two consecutive quarterly assessment data that qualify for use in calculating a case-mix score.

Sec. 5111.255. (A) The department of job and family services shall establish initial rates for ~~a nursing facility or an~~ intermediate care facility for the mentally retarded with a first date of licensure that is on or after January 1, 1993, including a facility that replaces one or more existing facilities, or for ~~a nursing facility or an~~ intermediate care facility for the mentally retarded with a first date of licensure before that date that was initially certified for the ~~medical assistance~~ medicaid program on or after that date, in the following manner:

(1) The rate for direct care costs shall be determined as follows:

(a) If there are no cost or resident assessment data as necessary to calculate a rate under section 5111.23 of the Revised Code, the rate shall be the median cost per case-mix unit calculated under division (B)(1) of that section for the relevant peer group for the calendar year preceding the fiscal year in

which the rate will be paid, multiplied by the median annual 61801
average case-mix score for the peer group for that period and by 61802
the rate of inflation estimated under division (B)~~(5)~~(3) of that 61803
section. This rate shall be recalculated to reflect the facility's 61804
actual quarterly average case-mix score, in accordance with that 61805
section, after it submits its first quarterly assessment 61806
~~information data~~ data that qualifies for use in calculating a case-mix 61807
score in accordance with rules ~~adopted under~~ authorized by 61808
division ~~(D)~~(E) of section ~~5111.231~~ 5111.232 of the Revised Code. 61809
If the facility's first two quarterly submissions do not contain 61810
assessment ~~information data~~ data that qualifies for use in calculating 61811
a case-mix score, the department shall continue to calculate the 61812
rate using the median annual case-mix score for the peer group in 61813
lieu of an assigned quarterly case-mix score. The department shall 61814
assign a case-mix score or, if necessary, a cost per case-mix unit 61815
under division ~~(C)~~(D) of section ~~5111.231~~ 5111.232 of the Revised 61816
Code for any subsequent submissions that do not contain assessment 61817
~~information data~~ data that qualifies for use in calculating a case-mix 61818
score. 61819

(b) If the facility is a replacement facility and the 61820
facility or facilities that are being replaced are in operation 61821
immediately before the replacement facility opens, the rate shall 61822
be the same as the rate for the replaced facility or facilities, 61823
proportionate to the number of beds in each replaced facility. If 61824
one or more of the replaced facilities is not in operation 61825
immediately before the replacement facility opens, its proportion 61826
shall be determined under division (A)(1)(a) of this section. 61827

(2) The rate for other protected costs shall be one hundred 61828
fifteen per cent of the median rate for ~~the applicable type of~~ 61829
~~facility~~ intermediate care facilities for the mentally retarded 61830
calculated for the fiscal year under section 5111.235 of the 61831
Revised Code. 61832

(3) The rate for indirect care costs shall be the applicable maximum rate for the facility's peer group as specified in division (B) of section ~~5111.24~~ or ~~division (B) of section~~ 5111.241 of the Revised Code.

(4) The rate for capital costs shall be determined under section ~~5111.25~~ or 5111.251 of the Revised Code using the greater of actual inpatient days or an imputed occupancy rate of eighty per cent.

(B) The department shall adjust the rates established under division (A) of this section at both of the following times:

(1) Effective the first day of July, to reflect new rate calculations for all facilities under sections ~~5111.23~~ 5111.20 to ~~5111.25~~ and ~~5111.251~~ 5111.33 of the Revised Code;

(2) Following the ~~facility's~~ provider's submission of ~~its~~ the facility's cost report under division (A)(1)(b) of section 5111.26 of the Revised Code.

The department shall pay the rate adjusted based on the cost report beginning the first day of the calendar quarter that begins more than ninety days after the department receives the cost report.

Sec. 5111.257. If a provider of a nursing facility adds or replaces one or more medicaid certified beds to or at the nursing facility, or renovates one or more of the nursing facility's beds, the rate for the added, replaced, or renovated beds shall be the same as the rate for the nursing facility's existing beds.

Sec. ~~5111.257~~ 5111.258. (A) Notwithstanding sections ~~5111.23~~, 5111.231, 5111.235, 5111.24, 5111.241, 5111.25, 5111.251, and ~~5111.255~~ 5111.20 to 5111.33 of the Revised Code, the director of job and family services shall adopt rules ~~in accordance with~~ Chapter 119. under section 5111.02 of the Revised Code that

establish a methodology for calculating the prospective rates ~~for~~ 61863
~~direct care costs, other protected costs, indirect care costs, and~~ 61864
~~capital costs~~ that will be paid each fiscal year to a provider for 61865
each of the provider's eligible nursing facilities and 61866
intermediate care facilities for the mentally retarded, and 61867
discrete units of the provider's nursing facilities or 61868
intermediate care facilities for the mentally retarded, that serve 61869
residents who have diagnoses or special care needs that require 61870
direct care resources that are not measured adequately by the 61871
applicable assessment instrument specified in rules ~~adopted under~~ 61872
authorized by section ~~5111.231~~ 5111.232 of the Revised Code, or 61873
who have diagnoses or special care needs specified in the rules as 61874
otherwise qualifying for consideration under this section. The 61875
facilities and units of facilities whose rates are established 61876
under this division may include, but shall not be limited to, any 61877
of the following: 61878

(1) In the case of nursing facilities, facilities and units 61879
of facilities that serve medically fragile pediatric residents, 61880
residents who are dependent on ventilators, or residents who have 61881
severe traumatic brain injury, end-stage Alzheimer's disease, or 61882
end-stage acquired immunodeficiency syndrome; 61883

(2) In the case of intermediate care facilities for the 61884
mentally retarded, facilities and units of facilities that serve 61885
residents who have complex medical conditions or severe behavioral 61886
problems. 61887

The department shall use the methodology established under 61888
this division to pay for services rendered by such facilities and 61889
units after June 30, 1993. 61890

The rules ~~adopted under~~ authorized by this division shall 61891
specify the criteria and procedures the department will apply when 61892
designating facilities and units that qualify for calculation of 61893
rates under this division. The criteria shall include 61894

consideration of whether all of the allowable costs of the 61895
facility or unit would be paid by rates established under sections 61896
~~5111.23, 5111.231, 5111.235, 5111.24, 5111.241, 5111.25, 5111.251,~~ 61897
~~and 5111.255~~ 5111.20 to 5111.33 of the Revised Code, and shall 61898
establish a minimum bed size for a facility or unit to qualify to 61899
have its rates established under this division. The criteria shall 61900
not be designed to require that residents be served only in 61901
facilities located in large cities. The methodology established by 61902
the rules shall consider the historical costs of providing care to 61903
the residents of the facilities or units. 61904

The rules may require that a facility designated under this 61905
division or containing a unit designated under this division 61906
receive authorization from the department to admit or retain a 61907
resident to the facility or unit and shall specify the criteria 61908
and procedures the department will apply when granting that 61909
authorization. 61910

Notwithstanding any other provision of sections 5111.20 to 61911
~~5111.32~~ 5111.33 of the Revised Code, the costs incurred by 61912
facilities or units whose rates are established under this 61913
division shall not be considered in establishing payment rates for 61914
other facilities or units. 61915

(B) The director may adopt rules ~~in accordance with Chapter~~ 61916
~~119.~~ under section 5111.02 of the Revised Code under which the 61917
department, notwithstanding any other provision of sections 61918
5111.20 to ~~5111.32~~ 5111.33 of the Revised Code, may adjust the 61919
rates determined under sections ~~5111.23~~ 5111.20 to ~~5111.255~~ 61920
5111.33 of the Revised Code for a facility that serves a resident 61921
who has a diagnosis or special care need that, in the rules 61922
~~adopted under~~ authorized by division (A) of this section, would 61923
qualify a facility or unit of a facility to have its rate 61924
determined under that division, but who is not in such a unit. The 61925
rules may require that a facility that qualifies for a rate 61926

adjustment under this division receive authorization from the 61927
department to admit or retain a resident who qualifies the 61928
facility for the rate adjustment and shall specify the criteria 61929
and procedures the department will apply when granting that 61930
authorization. 61931

Sec. 5111.26. (A)(1)(a) Except as provided in division 61932
(A)(1)(b) of this section, each ~~nursing facility and intermediate~~ 61933
~~care facility for the mentally retarded~~ provider shall file with 61934
the department of job and family services an annual cost report 61935
~~prepared for each of the provider's nursing facilities and~~ 61936
intermediate care facilities for the mentally retarded that 61937
participate in the medicaid program. A provider shall prepare the 61938
reports in accordance with guidelines established by the 61939
department. ~~The~~ A report shall cover a calendar year or the 61940
portion of a calendar year during which the facility participated 61941
in the ~~medical assistance~~ medicaid program. ~~All facilities~~ A 61942
provider shall file the reports within ninety days after the end 61943
of the calendar year. The department, for good cause, may grant a 61944
fourteen-day extension of the time for filing cost reports upon 61945
written request from a ~~facility~~ provider. The director of job and 61946
family services shall prescribe, in rules adopted ~~in accordance~~ 61947
~~with Chapter 119.~~ under section 5111.02 of the Revised Code, the 61948
cost reporting form and a uniform chart of accounts for the 61949
purpose of cost reporting, and shall distribute cost reporting 61950
forms or computer software for electronic submission of the cost 61951
report to each ~~nursing facility and intermediate care facility for~~ 61952
~~the mentally retarded~~ provider at least sixty days before the 61953
~~facility's~~ reporting date. 61954

(b) ~~A facility for which~~ If rates are for a provider's 61955
nursing facility or intermediate care facility for the mentally 61956
retarded were most recently established under section 5111.254 or 61957
5111.255 of the Revised Code, the provider shall submit a cost 61958

report for that facility no later than ninety days after the end 61959
of the facility's first three full calendar months of operation. A 61960
If a nursing facility or intermediate care facility for the 61961
mentally retarded undergoes a change of provider that the 61962
department determines, in accordance with rules adopted under 61963
section 5111.02 of the Revised Code, is an arm's length 61964
transaction, the new provider shall submit a cost report for that 61965
facility not later than ninety days after the end of the 61966
facility's first three full calendar months of operation under the 61967
new provider. The provider of a facility that opens or undergoes a 61968
change of provider that is an arm's length transaction after the 61969
first day of October in any calendar year is not required to file 61970
a cost report for that calendar year. 61971

(c) If a nursing facility undergoes a change of provider that 61972
the department determines, in accordance with rules adopted under 61973
section 5111.02 of the Revised Code, is not an arms length 61974
transaction, the new provider shall file a cost report under 61975
division (A)(1)(a) of this section for the facility. The cost 61976
report shall cover the portion of the calendar year during which 61977
the new provider operated the nursing facility and the portion of 61978
the calendar year during which the previous provider operated the 61979
nursing facility. 61980

(2) If a ~~nursing facility or intermediate care facility for~~ 61981
~~the mentally retarded~~ provider required to submit a cost ~~reports~~ 61982
report for a nursing facility or intermediate care facility for 61983
the mentally retarded does not file the ~~reports~~ report within the 61984
required time ~~periods~~ period or within fourteen days thereafter if 61985
an extension is granted under division (A)(1)(a) of this section, 61986
or files an incomplete or inadequate report for the facility, the 61987
department shall provide immediate written notice to the facility 61988
provider that ~~its~~ the provider agreement for the facility will be 61989
terminated in thirty days unless the facility provider submits a 61990

complete and adequate cost report for the facility within thirty 61991
days. During the thirty-day termination period or any additional 61992
time allowed for an appeal of the proposed termination of a 61993
provider agreement, the ~~facility~~ provider shall be paid ~~its~~ the 61994
facility's then current per resident per day rate, minus two 61995
dollars. On July 1, 1994, the department shall adjust the 61996
two-dollar reduction to reflect the rate of inflation during the 61997
preceding twelve months, as shown in the consumer price index for 61998
all items for all urban consumers for the north central region, 61999
published by the United States bureau of labor statistics. On July 62000
1, 1995, and the first day of July of each year thereafter, the 62001
department shall adjust the amount of the reduction in effect 62002
during the previous twelve months to reflect the rate of inflation 62003
during the preceding twelve months, as shown in the same index. 62004

(B) No ~~nursing facility or intermediate care facility for the~~ 62005
~~mentally retarded~~ provider shall report fines paid under sections 62006
5111.35 to 5111.62 or section 5111.99 of the Revised Code in any 62007
cost report filed under this section. 62008

(C) The department shall develop an addendum to the cost 62009
report form that a ~~nursing facility or intermediate care facility~~ 62010
~~for the mentally retarded~~ provider may use to set forth costs that 62011
the ~~facility~~ provider believes may be disputed by the department. 62012
Any costs reported by the ~~facility~~ provider on the addendum may be 62013
considered by the department in setting the facility's rate. If 62014
the department does not consider the costs listed on the addendum 62015
in setting the facility's rate, the ~~facility~~ provider may seek 62016
reconsideration of that determination under section 5111.29 of the 62017
Revised Code. If the department subsequently includes the costs 62018
listed in the addendum in the facility's rate, the department 62019
shall pay the ~~facility~~ provider interest at a reasonable rate 62020
established in rules adopted ~~in accordance with Chapter 119.~~ under 62021
section 5111.02 of the Revised Code for the time that the rate 62022

paid excluded the costs. 62023

Sec. 5111.261. Except as otherwise provided in ~~sections~~ 62024
~~5111.262 to~~ section 5111.264 of the Revised Code, the department 62025
of job and family services, in determining whether an intermediate 62026
care facility for the mentally retarded's direct care costs and 62027
indirect care costs are allowable, shall place no limit on 62028
specific categories of reasonable costs other than compensation of 62029
owners, compensation of relatives of owners, compensation of 62030
administrators and costs for resident meals that are prepared and 62031
consumed outside the facility. 62032

Compensation cost limits for owners and relatives of owners 62033
shall be based on compensation costs for individuals who hold 62034
comparable positions but who are not owners or relatives of 62035
owners, as reported on facility cost reports. As used in this 62036
section, "comparable position" means the position that is held by 62037
the owner or the owner's relative, if that position is listed 62038
separately on the cost report form, or if the position is not 62039
listed separately, the group of positions that is listed on the 62040
cost report form and that includes the position held by the owner 62041
or the owner's relative. In the case of an owner or owner's 62042
relative who serves the facility in a capacity such as corporate 62043
officer, proprietor, or partner for which no comparable position 62044
or group of positions is listed on the cost report form, the 62045
compensation cost limit shall be based on civil service 62046
equivalents and shall be specified in rules adopted ~~by the~~ 62047
~~director of job and family services in accordance with Chapter~~ 62048
~~119.~~ under section 5111.02 of the Revised Code. 62049

Compensation cost limits for administrators shall be based on 62050
compensation costs for administrators who are not owners or 62051
relatives of owners, as reported on facility cost reports. 62052
Compensation cost limits for administrators of four or more 62053

intermediate care facilities for the mentally retarded shall be 62054
the same as the limits for administrators of ~~nursing facilities or~~ 62055
intermediate care facilities for the mentally retarded with one 62056
hundred fifty or more beds. 62057

~~For nursing facilities, cost limits for resident meals that 62058
are prepared and consumed outside the facility shall be based on 62059
the statewide average cost of serving and preparing meals in all 62060
nursing facilities, as reported on the facility cost reports. For 62061
intermediate care facilities for the mentally retarded, cost 62062
limits for resident meals that are prepared and consumed outside 62063
the facility shall be based on the statewide average cost of 62064
serving and preparing meals in all intermediate care facilities 62065
for the mentally retarded, as reported on the facility cost 62066
reports. 62067~~

Sec. 5111.263. (A) As used in this section, "covered therapy 62068
services" means physical therapy, occupational therapy, audiology, 62069
and speech therapy services that are provided by appropriately 62070
licensed therapists or therapy assistants and that are covered for 62071
nursing facility residents either by the medicare program 62072
established under Title XVIII of the ~~"Social Security Act," 49 62073
Stat. 620 (1935), 42 U.S.C.A. 301, as amended, or the medical 62074
assistance medicaid program as specified in rules adopted by the 62075
director of job and family services in accordance with Chapter 62076
119. under section 5111.02 of the Revised Code. 62077~~

(B) Except as provided in division (G) of this section, the 62078
costs of therapy are not allowable costs for nursing facilities 62079
for the purpose of determining rates under sections ~~5111.23, 62080
5111.231, 5111.235, 5111.24, 5111.241, 5111.25, 5111.251, 62081
5111.255, and 5111.257 5111.20 to 5111.33~~ of the Revised Code. 62082

(C) The department of job and family services shall process 62083
no claims for payment under the ~~medical assistance~~ medicaid 62084

program for covered therapy services rendered to a resident of a nursing facility other than such claims submitted, in accordance with this section, by a nursing facility that has a valid provider agreement with the department.

(D) ~~Nursing Providers of nursing facilities that have entered into a provider agreement~~ may bill the department of job and family services for covered therapy services ~~it provides the nursing facilities provide~~ to residents of any nursing facility who are medicaid recipients ~~of the medical assistance program~~ and not eligible for the medicare program.

(E) The department shall not process any claim for a covered therapy service provided to a nursing facility resident who is eligible for the medicare program unless the claim is for a copayment or deductible or the conditions in division (E)(1) or (2) of this section apply:

(1) The covered therapy service provided is, under the federal statutes, regulations, or policies governing the medicare program, not covered by the medicare program and the service is, under the provisions of this chapter or the rules adopted under this chapter, covered by the ~~medical assistance~~ medicaid program.

(2) All of the following apply:

(a) The individual or entity who provided the covered therapy service was eligible to bill the medicare program for the service.

(b) A complete, accurate, and timely claim was submitted to the medicare program and the program denied payment for the service as not medically necessary for the resident. For the purposes of division (E)(2)(b) of this section, a claim is not considered to have been denied by the medicare program until either a denial has been issued following a medicare fair hearing or six months have elapsed since the request for a fair hearing was filed.

(c) The facility is required to provide or arrange for the 62116
provision of the service by a licensed therapist or therapy 62117
assistant to be in compliance with federal or state nursing 62118
facility certification requirements for the ~~medical assistance~~ 62119
medicaid program. 62120

(d) The claim for payment for the services under the ~~medical~~ 62121
~~assistance~~ medicaid program is accompanied by documentation that 62122
divisions (E)(2)(b) and (c) of this section apply to the service. 62123

(F) The reimbursement allowed by the department for covered 62124
therapy services provided to nursing facility residents and billed 62125
under division (D) or (E) of this section shall be fifteen per 62126
cent less than the fees it pays for the same services rendered to 62127
hospital outpatients. The director may adopt rules ~~in accordance~~ 62128
~~with Chapter 119.~~ under section 5111.02 of the Revised Code 62129
establishing comparable fees for covered therapy services that are 62130
not included in its schedule of fees paid for services rendered to 62131
hospital outpatients. 62132

(G) A nursing facility's reasonable costs for rehabilitative, 62133
restorative, or maintenance therapy services rendered to facility 62134
residents by nurses or nurse aides, and the facility's overhead 62135
costs to support provision of therapy services provided to nursing 62136
facility residents, are allowable costs for the purposes of 62137
establishing rates under sections ~~5111.23, 5111.231, 5111.235,~~ 62138
~~5111.24, 5111.241, 5111.25, 5111.251, 5111.255, and 5111.257~~ 62139
5111.20 to 5111.33 of the Revised Code. 62140

Sec. 5111.264. Except as provided in section 5111.25 or 62141
~~5111.264~~ 5111.251 of the Revised Code, the costs of goods, 62142
services, and facilities, furnished to a provider by a related 62143
party are includable in the allowable costs of the provider at the 62144
reasonable cost to the related party. 62145

Sec. 5111.265. If one or more medicaid-certified beds are 62146
relocated from one nursing facility to another nursing facility 62147
owned by a different person or government entity and the 62148
application for the certificate of need authorizing the relocation 62149
is filed with the director of health on or after the effective 62150
date of this section, amortization of the cost of acquiring 62151
operating rights for the relocated beds is not an allowable cost 62152
for the purpose of determining the nursing facility's medicaid 62153
reimbursement rate. 62154

Sec. 5111.266. A provider of a nursing facility filing the 62155
facility's cost report with the department of job and family 62156
services under section 5111.26 of the Revised Code shall report as 62157
a nonreimbursable expense the cost of the nursing facility's 62158
franchise permit fee. 62159

Sec. 5111.27. (A) The department of job and family services 62160
shall conduct a desk review of each cost report it receives under 62161
section 5111.26 of the Revised Code. Based on the desk review, the 62162
department shall make a preliminary determination of whether the 62163
reported costs are allowable costs. The department shall notify 62164
each ~~nursing facility and intermediate care facility for the~~ 62165
~~mentally retarded~~ provider of whether any of ~~its~~ the reported 62166
costs are preliminarily determined not to be allowable, the rate 62167
calculation under sections ~~5111.23~~ 5111.20 to ~~5111.257~~ 5111.33 of 62168
the Revised Code that results from that determination, and the 62169
reasons for the determination and resulting rate. The department 62170
shall allow the ~~facility~~ provider to verify the calculation and 62171
submit additional information. 62172

(B) The department may conduct an audit, as defined by rule 62173
~~adopted by the director of job and family services in accordance~~ 62174
~~with Chapter 119.~~ under section 5111.02 of the Revised Code, of 62175

any cost report and shall notify the ~~nursing facility or~~ 62176
~~intermediate care facility for the mentally retarded~~ provider of 62177
its findings. 62178

Audits shall be conducted by auditors under contract with or 62179
employed by the department. The decision whether to conduct an 62180
audit and the scope of the audit, which may be a desk or field 62181
audit, shall be determined based on prior performance of the 62182
provider and may be based on a risk analysis or other evidence 62183
that gives the department reason to believe that the provider has 62184
reported costs improperly. A desk or field audit may be performed 62185
annually, but is required whenever a provider does not pass the 62186
risk analysis tolerance factors. The department shall issue the 62187
audit report no later than three years after the cost report is 62188
filed, or upon the completion of a desk or field audit on the 62189
report or a report for a subsequent cost reporting period, 62190
whichever is earlier. During the time within which the department 62191
may issue an audit report, the provider may amend the cost report 62192
upon discovery of a material error or material additional 62193
information. The department shall review the amended cost report 62194
for accuracy and notify the provider of its determination. 62195

The department may establish a contract for the auditing of 62196
facilities by outside firms. Each contract entered into by bidding 62197
shall be effective for one to two years. The department shall 62198
establish an audit manual and program which shall require that all 62199
field audits, conducted either pursuant to a contract or by 62200
department employees: 62201

(1) Comply with the applicable rules prescribed pursuant to 62202
Titles XVIII and XIX ~~of the "Social Security Act," 49 Stat. 620~~ 62203
~~(1935), 42 U.S.C.A. 301, as amended;~~ 62204

(2) Consider generally accepted auditing standards prescribed 62205
by the American institute of certified public accountants; 62206

(3) Include a written summary as to whether the costs 62207
included in the report examined during the audit are allowable and 62208
are presented fairly in accordance with generally accepted 62209
accounting principles and department rules, and whether, in all 62210
material respects, allowable costs are documented, reasonable, and 62211
related to patient care; 62212

(4) Are conducted by accounting firms or auditors who, during 62213
the period of the auditors' professional engagement or employment 62214
and during the period covered by the cost reports, do not have nor 62215
are committed to acquire any direct or indirect financial interest 62216
in the ownership, financing, or operation of a nursing facility or 62217
intermediate care facility for the mentally retarded in this 62218
state; 62219

(5) Are conducted by accounting firms or auditors who, as a 62220
condition of the contract or employment, shall not audit any 62221
facility that has been a client of the firm or auditor; 62222

(6) Are conducted by auditors who are otherwise independent 62223
as determined by the standards of independence established by the 62224
American institute of certified public accountants; 62225

(7) Are completed within the time period specified by the 62226
department; 62227

(8) Provide to the ~~nursing facility or intermediate care~~ 62228
~~facility for the mentally retarded~~ provider complete written 62229
interpretations that explain in detail the application of all 62230
relevant contract provisions, regulations, auditing standards, 62231
rate formulae, and departmental policies, with explanations and 62232
examples, that are sufficient to permit the ~~facility~~ provider to 62233
calculate with reasonable certainty those costs that are allowable 62234
and the rate to which the provider's facility is entitled. 62235

For the purposes of division (B)(4) of this section, 62236
employment of a member of an auditor's family by a nursing 62237

facility or intermediate care facility for the mentally retarded 62238
that the auditor does not review does not constitute a direct or 62239
indirect financial interest in the ownership, financing, or 62240
operation of the facility. 62241

(C) The department, pursuant to rules adopted ~~in accordance~~ 62242
~~with Chapter 119.~~ under section 5111.02 of the Revised Code, may 62243
conduct an exception review of assessment ~~information data~~ 62244
submitted under section ~~5111.231~~ 5111.232 of the Revised Code. The 62245
department may conduct an exception review based on the findings 62246
of a certification survey conducted by the department of health, a 62247
risk analysis, or prior performance of the provider. 62248

Exception reviews shall be conducted at the facility by 62249
appropriate health professionals under contract with or employed 62250
by the department of job and family services. The professionals 62251
may review resident assessment forms and supporting documentation, 62252
conduct interviews, and observe residents to identify any patterns 62253
or trends of inaccurate assessments and resulting inaccurate 62254
case-mix scores. 62255

The rules shall establish an exception review program that 62256
requires that exception reviews do all of the following: 62257

(1) Comply with Titles XVIII and XIX ~~of the "Social Security~~ 62258
~~Act";~~ 62259

(2) Provide a written summary that states whether the 62260
resident assessment forms have been completed accurately; 62261

(3) Are conducted by health professionals who, during the 62262
period of their professional engagement or employment with the 62263
department, neither have nor are committed to acquire any direct 62264
or indirect financial interest in the ownership, financing, or 62265
operation of a nursing facility or intermediate care facility for 62266
the mentally retarded in this state; 62267

(4) Are conducted by health professionals who, as a condition 62268

of their engagement or employment with the department, shall not 62269
review any facility provider that has been a client of the 62270
professional. 62271

For the purposes of division (C)(3) of this section, 62272
employment of a member of a health professional's family by a 62273
nursing facility or intermediate care facility for the mentally 62274
retarded that the professional does not review does not constitute 62275
a direct or indirect financial interest in the ownership, 62276
financing, or operation of the facility. 62277

If an exception review is conducted before the effective date 62278
of the rate that is based on the case-mix information data subject 62279
to the review and the review results in findings that exceed 62280
tolerance levels specified in the rules adopted under this 62281
division, the department, in accordance with those rules, may use 62282
the findings to recalculate individual resident case-mix scores, 62283
quarterly average facility case-mix scores, and annual average 62284
facility case-mix scores. The department may use the recalculated 62285
quarterly and annual facility average case-mix scores to calculate 62286
the facility's rate for direct care costs for the appropriate 62287
calendar quarter or quarters. 62288

(D) The department shall prepare a written summary of any 62289
audit disallowance or exception review finding that is made after 62290
the effective date of the rate that is based on the cost or 62291
case-mix information data. Where the facility provider is pursuing 62292
judicial or administrative remedies in good faith regarding the 62293
disallowance or finding, the department shall not withhold from 62294
the facility's provider's current payments any amounts the 62295
department claims to be due from the facility provider pursuant to 62296
section 5111.28 of the Revised Code. 62297

(E) The department shall not reduce rates calculated under 62298
sections ~~5111.23~~ 5111.20 to ~~5111.28~~ 5111.33 of the Revised Code on 62299
the basis that the facility provider charges a lower rate to any 62300

resident who is not eligible for the ~~medical assistance~~ medicaid program. 62301
62302

(F) The department shall adjust the rates calculated under 62303
sections ~~5111.23~~ 5111.20 to ~~5111.28~~ 5111.33 of the Revised Code to 62304
account for reasonable additional costs that must be incurred by 62305
nursing facilities and intermediate care facilities for the 62306
mentally retarded to comply with requirements of federal or state 62307
statutes, rules, or policies enacted or amended after January 1, 62308
1992, or with orders issued by state or local fire authorities. 62309

Sec. 5111.28. (A) If a provider properly amends its cost 62310
report under section 5111.27 of the Revised Code and the amended 62311
report shows that the provider received a lower rate under the 62312
original cost report than it was entitled to receive, the 62313
department of job and family services shall adjust the provider's 62314
rate prospectively to reflect the corrected information. The 62315
department shall pay the adjusted rate beginning two months after 62316
the first day of the month after the provider files the amended 62317
cost report. If the department finds, from an exception review of 62318
resident assessment information conducted after the effective date 62319
of the rate for direct care costs that is based on the assessment 62320
information, that inaccurate assessment information resulted in 62321
the provider receiving a lower rate than it was entitled to 62322
receive, the department prospectively shall adjust the provider's 62323
rate accordingly and shall make payments using the adjusted rate 62324
for the remainder of the calendar quarter for which the assessment 62325
information is used to determine the rate, beginning one month 62326
after the first day of the month after the exception review is 62327
completed. 62328

(B) If the provider properly amends its cost report under 62329
section 5111.27 of the Revised Code, the department makes a 62330
finding based on an audit under that section, or the department 62331

makes a finding based on an exception review of resident 62332
assessment information conducted under that section after the 62333
effective date of the rate for direct care costs that is based on 62334
the assessment information, any of which results in a 62335
determination that the provider has received a higher rate than it 62336
was entitled to receive, the department shall recalculate the 62337
provider's rate using the revised information. The department 62338
shall apply the recalculated rate to the periods when the provider 62339
received the incorrect rate to determine the amount of the 62340
overpayment. The provider shall refund the amount of the 62341
overpayment. 62342

In addition to requiring a refund under this division, the 62343
department may charge the provider interest at the applicable rate 62344
specified in this division from the time the overpayment was made. 62345

(1) If the overpayment resulted from costs reported for 62346
calendar year 1993, the interest shall be no greater than one and 62347
one-half times the average bank prime rate. 62348

(2) If the overpayment resulted from costs reported for 62349
subsequent calendar years: 62350

(a) The interest shall be no greater than two times the 62351
average bank prime rate if the overpayment was equal to or less 62352
than one per cent of the total medicaid payments to the provider 62353
for the fiscal year for which the incorrect information was used 62354
to establish a rate. 62355

(b) The interest shall be no greater than two and one-half 62356
times the current average bank prime rate if the overpayment was 62357
greater than one per cent of the total medicaid payments to the 62358
provider for the fiscal year for which the incorrect information 62359
was used to establish a rate. 62360

(C) The department also may impose the following penalties: 62361

(1) If a provider does not furnish invoices or other 62362

documentation that the department requests during an audit within 62363
sixty days after the request, no more than the greater of one 62364
thousand dollars per audit or twenty-five per cent of the 62365
cumulative amount by which the costs for which documentation was 62366
not furnished increased the total medicaid payments to the 62367
provider during the fiscal year for which the costs were used to 62368
establish a rate; 62369

(2) If an exiting operator or owner fails to provide notice 62370
of ~~sale of the a facility or closure~~, voluntary termination, or 62371
voluntary withdrawal of participation in the ~~medical assistance~~ 62372
medicaid program, as required by section ~~5111.25 or 5111.251~~ 62373
5111.66 of the Revised Code, or an exiting operator or owner and 62374
entering operator fail to provide notice of a change of operator 62375
as required by section 5111.67 of the Revised Code, no more than 62376
the current average bank prime rate plus four per cent of the last 62377
two monthly payments. 62378

(D) If the provider continues to participate in the ~~medical~~ 62379
~~assistance~~ medicaid program, the department shall deduct any 62380
amount that the provider is required to refund under this section, 62381
and the amount of any interest charged or penalty imposed under 62382
this section, from the next available payment from the department 62383
to the provider. The department and the provider may enter into an 62384
agreement under which the amount, together with interest, is 62385
deducted in installments from payments from the department to the 62386
provider. 62387

(E) The department shall transmit refunds and penalties to 62388
the treasurer of state for deposit in the general revenue fund. 62389

(F) For the purpose of this section, the department shall 62390
determine the average bank prime rate using statistical release 62391
H.15, "selected interest rates," a weekly publication of the 62392
federal reserve board, or any successor publication. If 62393
statistical release H.15, or its successor, ceases to contain the 62394

bank prime rate information or ceases to be published, the 62395
department shall request a written statement of the average bank 62396
prime rate from the federal reserve bank of Cleveland or the 62397
federal reserve board. 62398

Sec. 5111.29. (A) The director of job and family services 62399
shall adopt rules ~~in accordance with Chapter 119.~~ under section 62400
5111.02 of the Revised Code that establish a process under which a 62401
~~nursing facility or intermediate care facility for the mentally~~ 62402
~~retarded~~ provider, or a group or association of ~~facilities~~ 62403
providers, may seek reconsideration of rates established under 62404
sections ~~5111.23~~ 5111.20 to ~~5111.28~~ 5111.33 of the Revised Code, 62405
including a rate for direct care costs recalculated before the 62406
effective date of the rate as a result of an exception review of 62407
resident assessment information conducted under section 5111.27 of 62408
the Revised Code. 62409

(1) Except as provided in divisions (A)(2) to (4) of this 62410
section, the only issue that a ~~facility~~ provider, group, or 62411
association may raise in the rate reconsideration shall be whether 62412
the rate was calculated in accordance with sections ~~5111.23~~ 62413
5111.20 to ~~5111.28~~ 5111.33 of the Revised Code and the rules 62414
adopted under ~~those sections~~ section 5111.02 of the Revised Code. 62415
The rules shall permit a ~~facility~~ provider, group, or association 62416
to submit written arguments or other materials that support its 62417
position. The rules shall specify time frames within which the 62418
~~facility~~ provider, group, or association and the department must 62419
act. If the department determines, as a result of the rate 62420
reconsideration, that the rate established for one or more 62421
facilities of a provider is less than the rate to which ~~it~~ the 62422
facility is entitled, the department shall increase the rate. If 62423
the department has paid the incorrect rate for a period of time, 62424
the department shall pay the ~~facility~~ provider the difference 62425
between the amount ~~it~~ the provider was paid for that period for 62426

the facility and the amount ~~it~~ the provider should have been paid 62427
for the facility. 62428

(2) The rules shall provide that during a fiscal year, the 62429
department, by means of the rate reconsideration process, may 62430
increase ~~a facility's~~ the rate determined for an intermediate care 62431
facility for the mentally retarded as calculated under sections 62432
~~5111.23~~ 5111.20 to ~~5111.28~~ 5111.33 of the Revised Code if the 62433
provider of the facility demonstrates that ~~its~~ the facility's 62434
actual, allowable costs have increased because of extreme 62435
circumstances. A facility may qualify for a rate increase only if 62436
~~its~~ the facility's per diem, actual, allowable costs have 62437
increased to a level that exceeds its total rate, ~~including any~~ 62438
~~efficiency incentive and return on equity payment.~~ The rules shall 62439
specify the circumstances that would justify a rate increase under 62440
division (A)(2) of this section. ~~In the case of nursing~~ 62441
~~facilities, the~~ The rules shall provide that the extreme 62442
circumstances include ~~increased security costs for an inner-city~~ 62443

~~requirements by the department of health. In the case of~~ 62449
~~intermediate care facilities for the mentally retarded, the rules~~ 62450
~~shall provide that the extreme circumstances include, but are not~~ 62451
~~limited to, natural disasters,~~ renovations approved under division 62452
(D) of section 5111.251 of the Revised Code, an increase in 62453
workers' compensation experience rating of greater than five per 62454

program, increased security costs for an inner-city facility, and 62456
a change of ownership that results from bankruptcy, foreclosure, 62457
or findings of violations of certification requirements by the 62458
department of health. An increase under division (A)(2) of this 62459

section is subject to any rate limitations or maximum rates 62460
established by sections ~~5111.23~~ 5111.20 to ~~5111.28~~ 5111.33 of the 62461
Revised Code for specific cost centers. Any rate increase granted 62462
under division (A)(2) of this section shall take effect on the 62463
first day of the first month after the department receives the 62464
request. 62465

(3) The rules shall provide that the department, through the 62466
rate reconsideration process, may increase a ~~facility's~~ an 62467
intermediate care facility for the mentally retarded's rate as 62468
calculated under sections ~~5111.23~~ 5111.20 to ~~5111.28~~ 5111.33 of 62469
the Revised Code if the department, in ~~its~~ the department's sole 62470
discretion, determines that the rate as calculated under those 62471
sections works an extreme hardship on the facility. 62472

(4) The rules shall provide that when beds certified for the 62473
~~medical assistance~~ medicaid program are added to an existing 62474
intermediate care facility, ~~for the mentally retarded or~~ replaced 62475
at the same site, ~~or subject to a change of ownership or lease,~~ 62476
the department, through the rate reconsideration process, shall 62477
increase the ~~facility's~~ intermediate care facility for the 62478
mentally retarded's rate for capital costs proportionately, as 62479
limited by any applicable limitation under section ~~5111.25~~ or 62480
5111.251 of the Revised Code, to account for the costs of the beds 62481
that are added, or replaced, ~~or subject to a change of ownership~~ 62482
~~or lease.~~ The department shall make this increase one month after 62483
the first day of the month after the department receives 62484
sufficient documentation of the costs. Any rate increase granted 62485
under division (A)(4) of this section after June 30, 1993, shall 62486
remain in effect until the effective date of a rate calculated 62487
under section ~~5111.25~~ or 5111.251 of the Revised Code that 62488
includes costs incurred for a full calendar year for the bed 62489
addition, or bed replacement, ~~or change of ownership or lease.~~ The 62490
facility shall report double accumulated depreciation in an amount 62491

equal to the depreciation included in the rate adjustment on its 62492
cost report for the first year of operation. During the term of 62493
any loan used to finance a project for which a rate adjustment is 62494
granted under division (A)(4) of this section, if the facility is 62495
operated by the same provider, the facility provider shall 62496
subtract from the interest costs it reports on its cost report an 62497
amount equal to the difference between the following: 62498

(a) The actual, allowable interest costs for the loan during 62499
the calendar year for which the costs are being reported; 62500

(b) The actual, allowable interest costs attributable to the 62501
loan that were used to calculate the rates paid to the provider 62502
for the facility during the same calendar year. 62503

(5) The department's decision at the conclusion of the 62504
reconsideration process shall not be subject to any administrative 62505
proceedings under Chapter 119. or any other provision of the 62506
Revised Code. 62507

(B) ~~Any~~ All of the following are subject to an adjudication 62508

(3) Any medicaid payment deemed an overpayment under section 62517
5111.683 of the Revised Code; 62518

(4) Any penalty the department imposes under division (C) of 62519
