officers and departments, and road machinery, equipment, tools, or 395
supplies, which is not needed for public use, is obsolete, or is 396
unfit for the use for which it was acquired, and when the fair 397
market value of the property to be sold or donated under this 398

division is, in the opinion of the board, in excess of two 399
thousand five hundred dollars, the board may do either of the 400
following: 401

(1) Sell the property at public auction or by sealed bid to 402
the highest bidder. Notice of the time, place, and manner of the 403

If a board conducts a sale of property by sealed bid, the 409
form of the bid shall be as prescribed by the board, and each bid 410
shall contain the name of the person submitting it. Bids received 411
shall be opened and tabulated at the time stated in the notice. 412

or sealed bid, in the manner prescribed by this section. 415

(2) Donate any motor vehicle that does not exceed four 416
thousand five hundred dollars in value to a nonprofit organization 417
exempt from federal income taxation pursuant to 26 U.S.C. 501(a) 418

participants in the Ohio works first program established under 420
Chapter 5107. of the Revised Code and participants in the 421
prevention, retention, and contingency program established under 422
Chapter 5108. of the Revised Code. 423

(B) When the board of county commissioners finds, by 424
resolution, that the county has personal property, including motor 425
vehicles acquired for the use of county officers and departments, 426
and road machinery, equipment, tools, or supplies, which is not 427
needed for public use, is obsolete, or is unfit for the use for 428
which it was acquired, and when the fair market value of the 429
property to be sold or donated under this division is, in the 430

opinion of the board, two thousand five hundred dollars or less, 431
the board may do either of the following: 432

(1) Sell the property by private sale, without advertisement 433
or public notification; 434

(2) Donate the property to an eligible nonprofit organization 435
that is located in this state and is exempt from federal income 436
taxation pursuant to 26 U.S.C. 501(a) and (c)(3). Before donating 437
any property under this division, the board shall adopt a 438
resolution expressing its intent to make unneeded, obsolete, or 439
unfit-for-use county personal property available to these 440
organizations. The resolution shall include guidelines and 441
procedures the board considers necessary to implement a donation 442
program under this division and shall indicate whether the county 443
will conduct the donation program or the board will contract with 444
a representative to conduct it. If a representative is known when 445
the resolution is adopted, the resolution shall provide contact 446
information such as the representative's name, address, and 447
telephone number. 448

The resolution shall include within its procedures a 449
requirement that any nonprofit organization desiring to obtain 450
donated property under this division shall submit a written notice 451
to the board or its representative. The written notice shall 452
include evidence that the organization is a nonprofit organization 453
that is located in this state and is exempt from federal income 454
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 455
the organization's primary purpose; a description of the type or 456
types of property the organization needs; and the name, address, 457
and telephone number of a person designated by the organization's 458
governing board to receive donated property and to serve as its 459
agent. 460

After adoption of the resolution, the board shall publish, in 461

a newspaper of general circulation in the county, notice of its
intent to donate unneeded, obsolete, or unfit-for-use county
personal property to eligible nonprofit organizations. The notice
shall include a summary of the information provided in the
resolution and shall be published at least twice. The second and
any subsequent notice shall be published not less than ten nor
more than twenty days after the previous notice. A similar notice
also shall be posted continually in a conspicuous place in the
offices of the county auditor and the board of county
commissioners, and, if the county maintains a web site on the
internet, the notice shall be posted continually at that web site.

The board or its representative shall maintain a list of all
nonprofit organizations that notify the board or its
representative of their desire to obtain donated property under
this division and that the board or its representative determines
to be eligible, in accordance with the requirements set forth in
this section and in the donation program's guidelines and
procedures, to receive donated property.

The board or its representatives also shall maintain a list
of all county personal property the board finds to be unneeded,
obsolete, or unfit for use and to be available for donation under
this division. The list shall be posted continually in a
conspicuous location in the offices of the county auditor and the
board of county commissioners, and, if the county maintains a web
site on the internet, the list shall be posted continually at that
web site. An item of property on the list shall be donated to the
eligible nonprofit organization that first declares to the board
or its representative its desire to obtain the item unless the
board previously has established, by resolution, a list of
eligible nonprofit organizations that shall be given priority with
respect to the item's donation. Priority may be given on the basis
that the purposes of a nonprofit organization have a direct

relationship to specific public purposes of programs provided or 494
administered by the board. A resolution giving priority to certain 495
nonprofit organizations with respect to the donation of an item of 496
property shall specify the reasons why the organizations are given 497
that priority. 498

(C) Members of the board of county commissioners shall 499
consult with the Ohio ethics commission, and comply with the 500
provisions of Chapters 102. and 2921. of the Revised Code, with 501
respect to any sale or donation under division (A) or (B) of this 502
section to a nonprofit organization of which a county 503
commissioner, any member of the county commissioner's family, or 504
any business associate of the county commissioner is a trustee, 505
officer, board member, or employee. 506

(D) Notwithstanding anything to the contrary in division (A), 507
(B), or (E) of this section and regardless of the property's 508
value, the board of county commissioners may sell or donate county 509
personal property, including motor vehicles, to the federal 510
government, the state, or any political subdivision of the state 511
without advertisement or public notification. 512

(E) Notwithstanding anything to the contrary in division (A), 513
(B), or (G) of this section and regardless of the property's 514
value, the board of county commissioners may sell personal 515
property, including motor vehicles acquired for the use of county 516
officers and departments, and road machinery, equipment, tools, or 517
supplies, which is not needed for public use, is obsolete, or is 518
unfit for the use for which it was acquired, by internet auction. 519
The board shall adopt, during each calendar year, a resolution 520
expressing its intent to sell that property by internet auction. 521
The resolution shall include a description of how the auctions 522
will be conducted and shall specify the number of days for bidding 523
on the property, which shall be no less than fifteen days, 524
including Saturdays, Sundays, and legal holidays. The resolution 525

shall indicate whether the county will conduct the auction or the
board will contract with a representative to conduct the auction
and shall establish the general terms and conditions of sale. If a
representative is known when the resolution is adopted, the
resolution shall provide contact information such as the
representative's name, address, and telephone number.

After adoption of the resolution, the board shall publish, in
a newspaper of general circulation in the county, notice of its
intent to sell unneeded, obsolete, or unfit-for-use county
personal property by internet auction. The notice shall include a
summary of the information provided in the resolution and shall be
published at least twice. The second and any subsequent notice
shall be published not less than ten nor more than twenty days
after the previous notice. A similar notice also shall be posted
continually throughout the calendar year in a conspicuous place in
the offices of the county auditor and the board of county
commissioners, and, if the county maintains a web site on the
internet, the notice shall be posted continually throughout the
calendar year at that web site.

When property is to be sold by internet auction, the board or
its representative may establish a minimum price that will be
accepted for specific items and may establish any other terms and
conditions for the particular sale, including requirements for
pick-up or delivery, method of payment, and sales tax. This type
of information shall be provided on the internet at the time of
the auction and may be provided before that time upon request
after the terms and conditions have been determined by the board
or its representative.

(F) When a county officer or department head determines that
county-owned personal property under the jurisdiction of the
officer or department head, including motor vehicles, road
machinery, equipment, tools, or supplies, is not of immediate

need, the county officer or department head may notify the board 558
of county commissioners, and the board may lease that personal 559
property to any municipal corporation, township, or other 560
political subdivision of the state. The lease shall require the 561
county to be reimbursed under terms, conditions, and fees 562
established by the board, or under contracts executed by the 563
board. 564

(G) If the board of county commissioners finds, by 565
resolution, that the county has vehicles, equipment, or machinery 566
which is not needed, or is unfit for public use, and the board 567
desires to sell the vehicles, equipment, or machinery to the 568
person or firm from which it proposes to purchase other vehicles, 569
equipment, or machinery, the board may offer to sell the vehicles, 570
equipment, or machinery to that person or firm, and to have the 571
selling price credited to the person or firm against the purchase 572
price of other vehicles, equipment, or machinery. 573

(H) If the board of county commissioners advertises for bids 574
for the sale of new vehicles, equipment, or machinery to the 575
county, it may include in the same advertisement a notice of the 576
willingness of the board to accept bids for the purchase of 577
county-owned vehicles, equipment, or machinery which is obsolete 578
or not needed for public use, and to have the amount of those bids 579
subtracted from the selling price of the other vehicles, 580
equipment, or machinery as a means of determining the lowest 581
responsible bidder. 582

(I) If a board of county commissioners determines that county 583
personal property is not needed for public use, or is obsolete or 584
unfit for the use for which it was acquired, and that the property 585
has no value, the board may discard or salvage that property. 586

(J) A county engineer, in the engineer's discretion, may 587
dispose of scrap construction materials on such terms as the 588

engineer determines reasonable, including disposal without 589
recovery of costs, if the total value of the materials does not 590
exceed twenty-five thousand dollars. The engineer shall maintain 591
records of all dispositions made under this division, including 592
identification of the origin of the materials, the final 593
disposition, and copies of all receipts resulting from the 594
dispositions. 595

As used in division (I) of this section, "scrap construction 596
materials" means construction materials that result from a road or 597
bridge improvement, remain after the improvement is completed, and 598
are not reusable. Construction material that is metal and that 599
results from a road or bridge improvement and remains after the 600
improvement is completed is scrap construction material only if it 601
cannot be used in any other road or bridge improvement or other 602
construction project in its current state. 603

Sec. 315.08. The county engineer shall perform for the county 604
all duties authorized or declared by law to be done by a 605
registered professional engineer or registered surveyor, except 606

county fairgrounds, and other public improvements, except 612
buildings, constructed under the authority of any board within and 613
for the county. The engineer shall not be required to prepare 614
plans, specifications, details, estimates of costs, or forms of 615
contracts for emergency repairs authorized under section 315.13 of 616
the Revised Code, unless ~~he deems~~ the engineer determines them 617
necessary. 618

Sec. 315.14. The county engineer shall be responsible for the 619
inspection of all public improvements made under authority of the 620
board of county commissioners. The engineer shall keep in suitable 621
books a complete record of all estimates and summaries of bids 622
received and contracts for the various improvements, together with 623
the record of all estimates made for payments on that work. The 624
engineer shall make all surveys required by law, shall perform all 625
necessary services to be performed by a registered surveyor or 626
registered professional engineer in connection with the 627

other duties as the board requires, provided that the duties 630
described in sections 307.37 and 307.38 and Chapters 343., 6103., 631
and 6117. of the Revised Code shall be performed only pursuant to 632
an agreement between the county engineer and the board; ~~an~~. An 633
agreement of that type may provide for the county engineer's 634
performance of duties described in one or more of those sections 635

Chapters 6103. and 6117. of the Revised Code or only the duties 638
imposed upon a county sanitary engineer under Chapter 6117. of the 639

for a certificate of title may be filed electronically by any 1566
electronic means approved by the registrar in any county with the 1567
clerk of the court of common pleas of that county. Any payments 1568
required by this chapter shall be considered as accompanying any 1569
electronically transmitted application when payment actually is 1570
received by the clerk. Payment of any fee or taxes may be made by 1571
electronic transfer of funds. 1572

(2) The application for a certificate of title shall be 1573
accompanied by the fee prescribed in section 4505.09 of the 1574
Revised Code. The fee shall be retained by the clerk who issues 1575
the certificate of title and shall be distributed in accordance 1576
with that section. If a clerk of a court of common pleas, other 1577
than the clerk of the court of common pleas of an applicant's 1578
county of residence, issues a certificate of title to the 1579
applicant, the clerk shall transmit data related to the 1580
transaction to the automated title processing system. 1581

(3) If a certificate of title previously has been issued for 1582
a motor vehicle in this state, the application for a certificate 1583
of title also shall be accompanied by that certificate of title 1584
duly assigned, unless otherwise provided in this chapter. If a 1585
certificate of title previously has not been issued for the motor 1586
vehicle in this state, the application, unless otherwise provided 1587

in this chapter, shall be accompanied by a manufacturer's or 1588
importer's certificate or by a certificate of title of another 1589
state from which the motor vehicle was brought into this state. If 1590
the application refers to a motor vehicle last previously 1591
registered in another state, the application also shall be 1592
accompanied by the physical inspection certificate required by 1593
section 4505.061 of the Revised Code. If the application is made 1594
by two persons regarding a motor vehicle in which they wish to 1595
establish joint ownership with right of survivorship, they may do 1596
so as provided in section 2131.12 of the Revised Code. If the 1597
applicant requests a designation of the motor vehicle in 1598
beneficiary form so that upon the death of the owner of the motor 1599
vehicle, ownership of the motor vehicle will pass to a designated 1600
transfer-on-death beneficiary or beneficiaries, the applicant may 1601
do so as provided in section 2131.13 of the Revised Code. A person 1602
who establishes ownership of a motor vehicle that is transferable 1603
on death in accordance with section 2131.13 of the Revised Code 1604
may terminate that type of ownership or change the designation of 1605
the transfer-on-death beneficiary or beneficiaries by applying for 1606
a certificate of title pursuant to this section. The clerk shall 1607
retain the evidence of title presented by the applicant and on 1608
which the certificate of title is issued, except that, if an 1609
application for a certificate of title is filed electronically by 1610
an electronic motor vehicle dealer on behalf of the purchaser of a 1611
motor vehicle, the clerk shall retain the completed electronic 1612
record to which the dealer converted the certificate of title 1613
application and other required documents. The registrar, after 1614
consultation with the attorney general, shall adopt rules that 1615
govern the location at which, and the manner in which, are stored 1616
the actual application and all other documents relating to the 1617
sale of a motor vehicle when an electronic motor vehicle dealer 1618
files the application for a certificate of title electronically on 1619
behalf of the purchaser. 1620

The clerk shall use reasonable diligence in ascertaining 1621
whether or not the facts in the application for a certificate of 1622
title are true by checking the application and documents 1623
accompanying it or the electronic record to which a dealer 1624
converted the application and accompanying documents with the 1625
records of motor vehicles in the clerk's office. If the clerk is 1626
satisfied that the applicant is the owner of the motor vehicle and 1627
that the application is in the proper form, the clerk, within five 1628
business days after the application is filed and except as 1629
provided in section 4505.021 of the Revised Code, shall issue a 1630
physical certificate of title over the clerk's signature and 1631
sealed with the clerk's seal, unless the applicant specifically 1632
requests the clerk not to issue a physical certificate of title 1633
and instead to issue an electronic certificate of title. For 1634
purposes of the transfer of a certificate of title, if the clerk 1635
is satisfied that the secured party has duly discharged a lien 1636
notation but has not canceled the lien notation with a clerk, the 1637
clerk may cancel the lien notation on the automated title 1638
processing system and notify the clerk of the county of origin. 1639

(4) In the case of the sale of a motor vehicle to a general 1640
buyer or user by a dealer, by a motor vehicle leasing dealer 1641
selling the motor vehicle to the lessee or, in a case in which the 1642
leasing dealer subleased the motor vehicle, the sublessee, at the 1643
end of the lease agreement or sublease agreement, or by a 1644
manufactured home broker, the certificate of title shall be 1645
obtained in the name of the buyer by the dealer, leasing dealer, 1646
or manufactured home broker, as the case may be, upon application 1647
signed by the buyer. The certificate of title shall be issued, or 1648
the process of entering the certificate of title application 1649
information into the automated title processing system if a 1650
physical certificate of title is not to be issued shall be 1651
completed, within five business days after the application for 1652

title is filed with the clerk. If the buyer of the motor vehicle 1653
previously leased the motor vehicle and is buying the motor 1654
vehicle at the end of the lease pursuant to that lease, the 1655
certificate of title shall be obtained in the name of the buyer by 1656
the motor vehicle leasing dealer who previously leased the motor 1657
vehicle to the buyer or by the motor vehicle leasing dealer who 1658
subleased the motor vehicle to the buyer under a sublease 1659
agreement. 1660

In all other cases, except as provided in section 4505.032 1661
and division (D)(2) of section 4505.11 of the Revised Code, such 1662
certificates shall be obtained by the buyer. 1663

(5)(a)(i) If the certificate of title is being obtained in 1664
the name of the buyer by a motor vehicle dealer or motor vehicle 1665
leasing dealer and there is a security interest to be noted on the 1666
certificate of title, the dealer or leasing dealer shall submit 1667
the application for the certificate of title and payment of the 1668
applicable tax to a clerk within seven business days after the 1669
later of the delivery of the motor vehicle to the buyer or the 1670
date the dealer or leasing dealer obtains the manufacturer's or 1671
importer's certificate, or certificate of title issued in the name 1672
of the dealer or leasing dealer, for the motor vehicle. Submission 1673
of the application for the certificate of title and payment of the 1674
applicable tax within the required seven business days may be 1675
indicated by postmark or receipt by a clerk within that period. 1676

(ii) Upon receipt of the certificate of title with the 1677
security interest noted on its face, the dealer or leasing dealer 1678
shall forward the certificate of title to the secured party at the 1679
location noted in the financing documents or otherwise specified 1680
by the secured party. 1681

(iii) A motor vehicle dealer or motor vehicle leasing dealer 1682
is liable to a secured party for a late fee of ten dollars per day 1683

for each certificate of title application and payment of the 1684
applicable tax that is submitted to a clerk more than seven 1685
business days but less than twenty-one days after the later of the 1686
delivery of the motor vehicle to the buyer or the date the dealer 1687
or leasing dealer obtains the manufacturer's or importer's 1688
certificate, or certificate of title issued in the name of the 1689
dealer or leasing dealer, for the motor vehicle and, from then on, 1690
twenty-five dollars per day until the application and applicable 1691
tax are submitted to a clerk. 1692

(b) In all cases of transfer of a motor vehicle, the 1693
application for certificate of title shall be filed within thirty 1694
days after the assignment or delivery of the motor vehicle. If an 1695
application for a certificate of title is not filed within the 1696
period specified in division (A)(5)(b) of this section, the clerk 1697
shall collect a fee of five dollars for the issuance of the 1698
certificate, except that no such fee shall be required from a 1699
motor vehicle salvage dealer, as defined in division (A) of 1700
section 4738.01 of the Revised Code, who immediately surrenders 1701
the certificate of title for cancellation. The fee shall be in 1702
addition to all other fees established by this chapter, and shall 1703
be retained by the clerk. The registrar shall provide, on the 1704
certificate of title form prescribed by section 4505.07 of the 1705
Revised Code, language necessary to give evidence of the date on 1706
which the assignment or delivery of the motor vehicle was made. 1707

(6) As used in division (A) of this section, "lease 1708
agreement," "lessee," and "sublease agreement" have the same 1709
meanings as in section 4505.04 of the Revised Code. 1710

(B) The clerk, except as provided in this section, shall 1711
refuse to accept for filing any application for a certificate of 1712
title and shall refuse to issue a certificate of title unless the 1713
dealer or manufactured home broker or the applicant, in cases in 1714
which the certificate shall be obtained by the buyer, submits with 1715

the application payment of the tax levied by or pursuant to 1716
Chapters 5739. and 5741. of the Revised Code based on the 1717
purchaser's county of residence. Upon payment of the tax in 1718
accordance with division (E) of this section, the clerk shall 1719
issue a receipt prescribed by the registrar and agreed upon by the 1720
tax commissioner showing payment of the tax or a receipt issued by 1721
the commissioner showing the payment of the tax. When submitting 1722
payment of the tax to the clerk, a dealer shall retain any 1723
discount to which the dealer is entitled under section 5739.12 of 1724
the Revised Code. 1725

For receiving and disbursing such taxes paid to the clerk by 1726
a resident of the clerk's county, the clerk may retain a poundage 1727
fee of one and one one-hundredth per cent, and the clerk shall pay 1728
the poundage fee into the certificate of title administration fund 1729
created by section 325.33 of the Revised Code. The clerk shall not 1730
retain a poundage fee from payments of taxes by persons who do not 1731
reside in the clerk's county. 1732

A clerk, however, may retain from the taxes paid to the clerk 1733
an amount equal to the poundage fees associated with certificates 1734
of title issued by other clerks of courts of common pleas to 1735
applicants who reside in the first clerk's county. The registrar, 1736
in consultation with the tax commissioner and the clerks of the 1737
courts of common pleas, shall develop a report from the automated 1738
title processing system that informs each clerk of the amount of 1739
the poundage fees that the clerk is permitted to retain from those 1740
taxes because of certificates of title issued by the clerks of 1741
other counties to applicants who reside in the first clerk's 1742
county. 1743

In the case of casual sales of motor vehicles, as defined in 1744
section 4517.01 of the Revised Code, the price for the purpose of 1745
determining the tax shall be the purchase price on the assigned 1746
certificate of title executed by the seller and filed with the 1747

clerk by the buyer on a form to be prescribed by the registrar, 1748
which shall be prima-facie evidence of the amount for the 1749
determination of the tax. 1750

(C)(1) If the transferor indicates on the certificate of 1751
title that the odometer reflects mileage in excess of the designed 1752
mechanical limit of the odometer, the clerk shall enter the phrase 1753
"exceeds mechanical limits" following the mileage designation. If 1754
the transferor indicates on the certificate of title that the 1755
odometer reading is not the actual mileage, the clerk shall enter 1756
the phrase "nonactual: warning - odometer discrepancy" following 1757
the mileage designation. The clerk shall use reasonable care in 1758
transferring the information supplied by the transferor, but is 1759
not liable for any errors or omissions of the clerk or those of 1760
the clerk's deputies in the performance of the clerk's duties 1761
created by this chapter. 1762

The registrar shall prescribe an affidavit in which the 1763
transferor shall swear to the true selling price and, except as 1764
provided in this division, the true odometer reading of the motor 1765
vehicle. The registrar may prescribe an affidavit in which the 1766
seller and buyer provide information pertaining to the odometer 1767
reading of the motor vehicle in addition to that required by this 1768
section, as such information may be required by the United States 1769
secretary of transportation by rule prescribed under authority of 1770
subchapter IV of the "Motor Vehicle Information and Cost Savings 1771
Act," 86 Stat. 961 (1972), 15 U.S.C. 1981. 1772

(2) Division (C)(1) of this section does not require the 1773
giving of information concerning the odometer and odometer reading 1774
of a motor vehicle when ownership of a motor vehicle is being 1775
transferred as a result of a bequest, under the laws of intestate 1776
succession, to a survivor pursuant to section 2106.18, 2131.12, or 1777
4505.10 of the Revised Code, to a transfer-on-death beneficiary or 1778
beneficiaries pursuant to section 2131.13 of the Revised Code, in 1779

connection with the creation of a security interest or for a 1780
vehicle with a gross vehicle weight rating of more than sixteen 1781
thousand pounds. 1782

(D) When the transfer to the applicant was made in some other 1783
state or in interstate commerce, the clerk, except as provided in 1784
this section, shall refuse to issue any certificate of title 1785
unless the tax imposed by or pursuant to Chapter 5741. of the 1786
Revised Code based on the purchaser's county of residence has been 1787
paid as evidenced by a receipt issued by the tax commissioner, or 1788
unless the applicant submits with the application payment of the 1789
tax. Upon payment of the tax in accordance with division (E) of 1790
this section, the clerk shall issue a receipt prescribed by the 1791
registrar and agreed upon by the tax commissioner, showing payment 1792
of the tax. 1793

For receiving and disbursing such taxes paid to the clerk by 1794
a resident of the clerk's county, the clerk may retain a poundage 1795
fee of one and one one-hundredth per cent. The clerk shall not 1796
retain a poundage fee from payments of taxes by persons who do not 1797
reside in the clerk's county. 1798

A clerk, however, may retain from the taxes paid to the clerk 1799
an amount equal to the poundage fees associated with certificates 1800
of title issued by other clerks of courts of common pleas to 1801
applicants who reside in the first clerk's county. The registrar, 1802
in consultation with the tax commissioner and the clerks of the 1803
courts of common pleas, shall develop a report from the automated 1804
title processing system that informs each clerk of the amount of 1805
the poundage fees that the clerk is permitted to retain from those 1806
taxes because of certificates of title issued by the clerks of 1807
other counties to applicants who reside in the first clerk's 1808
county. 1809

When the vendor is not regularly engaged in the business of 1810

selling motor vehicles, the vendor shall not be required to 1811
purchase a vendor's license or make reports concerning those 1812
sales. 1813

(E) The clerk shall accept any payment of a tax in cash, or 1814
by cashier's check, certified check, draft, money order, or teller 1815
check issued by any insured financial institution payable to the 1816
clerk and submitted with an application for a certificate of title 1817
under division (B) or (D) of this section. The clerk also may 1818
accept payment of the tax by corporate, business, or personal 1819
check, credit card, electronic transfer or wire transfer, debit 1820
card, or any other accepted form of payment made payable to the 1821
clerk. The clerk may require bonds, guarantees, or letters of 1822
credit to ensure the collection of corporate, business, or 1823
personal checks. Any service fee charged by a third party to a 1824
clerk for the use of any form of payment may be paid by the clerk 1825
from the certificate of title administration fund created in 1826
section 325.33 of the Revised Code, or may be assessed by the 1827
clerk upon the applicant as an additional fee. Upon collection, 1828
the additional fees shall be paid by the clerk into that 1829
certificate of title administration fund. 1830

The clerk shall make a good faith effort to collect any 1831
payment of taxes due but not made because the payment was returned 1832
or dishonored, but the clerk is not personally liable for the 1833
payment of uncollected taxes or uncollected fees. The clerk shall 1834
notify the tax commissioner of any such payment of taxes that is 1835
due but not made and shall furnish the information to the 1836
commissioner that the commissioner requires. The clerk shall 1837
deduct the amount of taxes due but not paid from the clerk's 1838
periodic remittance of tax payments, in accordance with procedures 1839
agreed upon by the tax commissioner. The commissioner may collect 1840
taxes due by assessment in the manner provided in section 5739.13 1841
of the Revised Code. 1842

Any person who presents payment that is returned or 1843
dishonored for any reason is liable to the clerk for payment of a 1844
penalty over and above the amount of the taxes due. The clerk 1845
shall determine the amount of the penalty, and the penalty shall 1846
be no greater than that amount necessary to compensate the clerk 1847
for banking charges, legal fees, or other expenses incurred by the 1848
clerk in collecting the returned or dishonored payment. The 1849
remedies and procedures provided in this section are in addition 1850
to any other available civil or criminal remedies. Subsequently 1851
collected penalties, poundage fees, and title fees, less any title 1852
fee due the state, from returned or dishonored payments collected 1853
by the clerk shall be paid into the certificate of title 1854
administration fund. Subsequently collected taxes, less poundage 1855
fees, shall be sent by the clerk to the treasurer of state at the 1856
next scheduled periodic remittance of tax payments, with 1857
information as the commissioner may require. The clerk may abate 1858
all or any part of any penalty assessed under this division. 1859

(F) In the following cases, the clerk shall accept for filing 1860
an application and shall issue a certificate of title without 1861
requiring payment or evidence of payment of the tax: 1862

(1) When the purchaser is this state or any of its political 1863
subdivisions, a church, or an organization whose purchases are 1864
exempted by section 5739.02 of the Revised Code; 1865

(2) When the transaction in this state is not a retail sale 1866
as defined by section 5739.01 of the Revised Code; 1867

(3) When the purchase is outside this state or in interstate 1868
commerce and the purpose of the purchaser is not to use, store, or 1869
consume within the meaning of section 5741.01 of the Revised Code; 1870

(4) When the purchaser is the federal government; 1871

(5) When the motor vehicle was purchased outside this state 1872
for use outside this state; 1873

(6) When the motor vehicle is purchased by a nonresident of this state for immediate removal from this state, and will be permanently titled and registered in another state, as provided by division (B)(23) of section 5739.02 of the Revised Code, and upon presentation of a copy of the affidavit provided by that section, and a copy of the exemption certificate provided by section 5739.03 of the Revised Code.

The clerk shall forward all payments of taxes, less poundage fees, to the treasurer of state in a manner to be prescribed by the tax commissioner and shall furnish information to the commissioner as the commissioner requires.

(G) An application, as prescribed by the registrar and agreed to by the tax commissioner, shall be filled out and sworn to by the buyer of a motor vehicle in a casual sale. The application shall contain the following notice in bold lettering: "WARNING TO TRANSFEROR AND TRANSFEREE (SELLER AND BUYER): You are required by law to state the true selling price. A false statement is in violation of section 2921.13 of the Revised Code and is punishable by six months' imprisonment or a fine of up to one thousand dollars, or both. All transfers are audited by the department of taxation. The seller and buyer must provide any information requested by the department of taxation. The buyer may be assessed any additional tax found to be due."

(H) For sales of manufactured homes or mobile homes occurring on or after January 1, 2000, the clerk shall accept for filing, pursuant to Chapter 5739. of the Revised Code, an application for a certificate of title for a manufactured home or mobile home without requiring payment of any tax pursuant to section 5739.02, 5741.021, 5741.022, or 5741.023 of the Revised Code, or a receipt issued by the tax commissioner showing payment of the tax. For sales of manufactured homes or mobile homes occurring on or after January 1, 2000, the applicant shall pay to the clerk an

additional fee of five dollars for each certificate of title 1906
issued by the clerk for a manufactured or mobile home pursuant to 1907
division (H) of section 4505.11 of the Revised Code and for each 1908
certificate of title issued upon transfer of ownership of the 1909
home. The clerk shall credit the fee to the county certificate of 1910
title administration fund, and the fee shall be used to pay the 1911
expenses of archiving those certificates pursuant to division (A) 1912
of section 4505.08 and division (H)(3) of section 4505.11 of the 1913
Revised Code. The tax commissioner shall administer any tax on a 1914
manufactured or mobile home pursuant to Chapters 5739. and 5741. 1915
of the Revised Code. 1916

(I) Every clerk shall have the capability to transact by 1917
electronic means all procedures and transactions relating to the 1918
issuance of motor vehicle certificates of title that are described 1919
in the Revised Code as being accomplished by electronic means. 1920

Sec. 4505.08. (A) When the clerk of a court of common pleas 1921
issues a physical certificate of title, the clerk shall issue the 1922
certificate of title on a form and in a manner prescribed by the 1923
registrar of motor vehicles. The clerk shall file a copy of the 1924
physical evidence for the creation of the certificate of title in 1925
a manner prescribed by the registrar. A clerk may retain digital 1926
images of documents used as evidence for issuance of a certificate 1927
of title. Certified printouts of documents retained as digital 1928
images shall have the same evidentiary value as the original 1929
physical documents. The record of the issuance of the certificate 1930
of title shall be maintained in the automated title processing 1931
system. The clerk shall sign and affix the clerk's seal to the 1932
original certificate of title and, if there are no liens on the 1933
motor vehicle, shall deliver the certificate to the applicant or 1934
the selling dealer. If there are one or more liens on the motor 1935
vehicle, the certificate of title shall be delivered to the holder 1936

of the first lien or the selling dealer, who shall deliver the 1937
certificate of title to the holder of the first lien. 1938

The registrar shall prescribe a uniform method of numbering 1939
certificates of title, and such numbering shall be in such manner 1940
that the county of issuance is indicated. The clerk shall assign 1941
numbers to certificates of title in the manner prescribed by the 1942
registrar. The clerk shall file all certificates of title 1943
according to rules to be prescribed by the registrar, and the 1944
clerk shall maintain in the clerk's office indexes for the 1945
certificates of title. 1946

The clerk need not retain on file any current certificates of 1947
title, current duplicate certificates of title, current memorandum 1948
certificates of title, or current salvage certificates of title, 1949
or supporting evidence of them covering any motor vehicle or 1950
manufactured or mobile home for a period longer than seven years 1951
after the date of its filing; thereafter, the documents and 1952
supporting evidence may be destroyed. The clerk need not retain on 1953
file any inactive records, including certificates of title, 1954
duplicate certificates of title, or memorandum certificates of 1955
title, or supporting evidence of them, including the electronic 1956
record described in division (A) of section 4505.06 of the Revised 1957
Code, covering any motor vehicle or manufactured or mobile home 1958
for a period longer than five years after the date of its filing; 1959
thereafter, the documents and supporting evidence may be 1960
destroyed. 1961

The automated title processing system shall contain all 1962
active records and an index of the active records, a record and 1963
index of all inactive titles for ten years, and a record and index 1964
of all inactive titles for manufactured and mobile homes for 1965
thirty years. If the clerk provides a written copy of any 1966
information contained in the database, the copy shall be 1967

considered the original for purposes of the clerk certifying the
record of the information for use in any legal proceeding.

(B)(1) If the clerk issues a certificate of title for a motor
vehicle that was last previously registered in another state, the
clerk shall record verbatim, where practicable, in the space on
the title described in division (B)(19) of section 4505.07 of the
Revised Code, the words that appear as a notation to the vehicle
on the title issued by the previous state. These notations may
include, but are not limited to, words to the effect that the
vehicle was considered or was categorized by the state in which it
was last previously registered to be a law enforcement vehicle or
a taxicab or was once in a flood.

(2) If the clerk, while issuing a certificate of title for a
motor vehicle that was last previously registered in another
state, receives information from the automated title processing
system indicating that a title to the vehicle previously was
issued by this state and that the previous title contained
notations that appeared in the space described in division (B)(19)
or (20) of section 4505.07 of the Revised Code, the clerk shall
enter the notations that appeared on the previous certificate of
title issued by this state on the new certificate of title in the
space described in division (B)(19) or (20) of section 4505.07 of
the Revised Code, irrespective of whether the notations appear on
the certificate of title issued by the state in which the vehicle
was last previously registered.

(3) If the clerk, while issuing a certificate of title for a
motor vehicle that was last previously registered in another
state, receives information from the automated title processing
system indicating that the vehicle was previously issued a title
by this state and that the previous title bore the notation
"REBUILT SALVAGE" as required by division (E) of section 4505.11
of the Revised Code, or the previous title to the vehicle issued

by this state was a salvage certificate of title, the clerk shall
cause the certificate of title the clerk issues to bear the
notation "REBUILT SALVAGE" in the location prescribed by the
registrar pursuant to that division.

(C) When the clerk issues a certificate of title for a motor
vehicle that was last previously registered in this state and was
a law enforcement vehicle or a taxicab or was once in a flood, the
clerk shall record that information in the space on the title
described in division (B)(20) of section 4505.07 of the Revised
Code. The registrar, by rule, may prescribe any additional uses of
or happenings to a motor vehicle that the registrar has reason to
believe should be noted on the certificate of title as provided in
this division.

(D) The clerk shall use reasonable care in recording or
entering onto titles the clerk issues any notation and information
the clerk is required by divisions (B) and (C) of this section to
record or enter and in causing the titles the clerk issues to bear
any notation required by those divisions, but the clerk is not
liable for any of the clerk's errors or omissions or those of the
clerk's deputies, or the automated title processing system, in the
performance of the duties imposed on the clerk by this section.

Code, the clerk shall issue a physical certificate of title to an
applicant unless the applicant specifically requests the clerk not
to issue a physical certificate of title and instead to issue an
electronic certificate of title. The fact that a physical
certificate of title is not issued for a motor vehicle does not
affect ownership of the vehicle. In that case, when the clerk
completes the process of entering certificate of title application

information into the automated title processing system, the effect 2031
of the completion of the process is the same as if the clerk 2032
actually issued a physical certificate of title for the motor 2033
vehicle. 2034

(G) An electronic motor vehicle dealer who applies for a 2035
certificate of title on behalf of a customer who purchases a motor 2036
vehicle from the dealer may print a non-negotiable evidence of 2037
ownership for the customer if the customer so requests. The 2038
authorization to print the non-negotiable evidence of ownership 2039
shall come from the clerk with whom the dealer makes application 2040
for the certificate of title for the customer, but the printing by 2041
the dealer does not create an agency relationship of any kind 2042
between the dealer and the clerk. 2043

(H) The owner of a motor vehicle may apply at any time to a 2044
clerk of a court of common pleas for a non-negotiable evidence of 2045
ownership for the motor vehicle. 2046

birthday three years after the date of issuance, a fee of twelve 2058
dollars and fifty cents if the license will expire on the 2059
licensee's birthday two years after the date of issuance, and a 2060
fee of six dollars and twenty-five cents if the license will 2061

expire on the licensee's birthday one year after the date of 2062
issuance. Each application for a duplicate commercial driver's 2063
license shall be accompanied by a fee of ten dollars. ~~In~~ 2064

(2) In addition, the registrar of motor vehicles or deputy 2065
registrar may collect and retain an additional fee of no more than 2066
two dollars and seventy-five cents commencing on July 1, 2001, 2067
three dollars and twenty-five cents commencing on January 1, 2003, 2068

instruction permit, commercial driver's license, renewal of a 2071
commercial driver's license, or duplicate commercial driver's 2072
license received by the registrar or deputy. ~~No~~ 2073

(3) No fee shall be charged for the annual issuance of a 2074
waiver for farm-related service industries pursuant to section 2075
4506.24 of the Revised Code. 2076

(B) Each deputy registrar shall transmit the fees collected 2077
under division (A)(1) of this section to the registrar at the time 2078
and in the manner prescribed by the registrar by rule. The 2079
registrar shall pay the fees into the state highway safety fund 2080
established in section 4501.06 of the Revised Code. 2081

~~(B)~~(C) In addition to the fees imposed under division (A) of 2082
this section, the registrar of motor vehicles or deputy registrar 2083
shall collect a fee of twelve dollars commencing on October 1, 2084
2003, for each application for a commercial driver's license 2085
temporary instruction permit, commercial driver's license, or 2086
duplicate commercial driver's license and for each application for 2087
renewal of a commercial driver's license with an expiration date 2088
on or after that date received by the registrar or deputy 2089
registrar. The additional fee is for the purpose of defraying the 2090
department of public safety's costs associated with the 2091
administration and enforcement of the motor vehicle and traffic 2092
laws of Ohio. Each deputy registrar shall transmit the fees 2093

collected under division ~~(B)~~(C) of this section in the time and 2094
manner prescribed by the registrar. The registrar shall deposit 2095
all moneys received under division ~~(B)~~(C) of this section into the 2096
state highway safety fund established in section 4501.06 of the 2097

~~(C)~~(D) Information regarding the driving record of any person 2099

and each such license issued to a person whose temporary residence 2116
is in this state shall expire in accordance with rules adopted by 2117
the registrar of motor vehicles. A license issued to a person with 2118
a temporary residence in this state is nonrenewable, but may be 2119
replaced with a new license within ninety days prior to its 2120
expiration upon the applicant's compliance with all applicable 2121
requirements. 2122

(3) The registrar or a deputy registrar may issue a license 2123
that expires on a date earlier than the licensee's birthday in the 2124

fourth year after the date of issuance if the licensee has 2125
undergone a security threat assessment required by federal law to 2126

expire before that date. 2128

(4) Each such license issued to replace the operator's or 2129
chauffeur's license of a person who is less than twenty-one years 2130

person who is less than twenty-one years of age, shall expire on 2132
the licensee's twenty-first birthday. 2133

period longer than four years and ninety days. Except as provided 2135
in section 4507.12 of the Revised Code, the registrar may waive 2136
the examination of any person applying for the renewal of a 2137
commercial driver's license issued under this chapter, provided 2138
that the applicant presents either an unexpired commercial 2139
driver's license or a commercial driver's license that has expired 2140
not more than six months prior to the date of application. 2141

of a minor misdemeanor. 2162

Sec. 4508.06. (A) The director of public safety may refuse to 2163
issue, or may suspend or revoke, a license or may impose a fine of 2164
not more than ten thousand dollars per occurrence in any case in 2165
which the director finds the applicant or licensee has violated 2166
any of the provisions of this chapter, or any of the ~~regulations~~ 2167
rules adopted by the director, or has failed to pay a fine imposed 2168
under this division. No person whose license has been suspended or 2169
revoked under this section shall fail to return the license to the 2170
director. 2171

(B) The director shall deposit all fines collected under 2172
division (A) of this section into the state treasury to the credit 2173
of the state highway safety fund created by section 4501.06 of the 2174
Revised Code. 2175

(C) Whoever violates fails to return a license that has been 2176
suspended or revoked under division (A) of this section is guilty 2177
of failing to return a suspended or revoked license, a minor 2178

each driver training school with the certificate of completion 2185
forms. 2186

(B) The fee for each driver's license certificate of completion provided by the department to a driver training school is four dollars. 2189
2190
2191
2192

(C) As used in this section, "driver's license" has the same meaning as in section 4507.01 of the Revised Code. 2193
2194

Sec. 4509.27. There is hereby created in the state treasury 2195
the security deposit fund. All security deposits that the 2196
registrar of motor vehicles requires to be paid under section 2197
4509.12 of the Revised Code and that the registrar receives shall 2198
be deposited into the fund. Moneys in the fund shall be applied 2199
only to the payment of a judgment for damages arising out of an 2200
accident as provided in section 4509.28 of the Revised Code and to 2201
the return of security deposits as provided in sections 4509.25 2202
and 4509.29 of the Revised Code. All investment earnings ~~on the~~ 2203
~~cash balance in~~ of the fund shall be credited to the roadwork 2204
development fund created by section 122.14 of the Revised Code. 2205

Sec. 4513.34. (A) The director of transportation with respect 2206
to all highways that are a part of the state highway system and 2207
local authorities with respect to highways under their 2208
jurisdiction, upon application in writing and for good cause 2209
shown, may issue a special permit in writing authorizing the 2210
applicant to operate or move a vehicle or combination of vehicles 2211
of a size or weight of vehicle or load exceeding the maximum 2212
specified in sections 5577.01 to 5577.09 of the Revised Code, or 2213
otherwise not in conformity with sections 4513.01 to 4513.37 of 2214
the Revised Code, upon any highway under the jurisdiction of the 2215
authority granting the permit. 2216

For purposes of this section, the director may designate 2217
certain state highways or portions of state highways as special 2218
economic development highways. If an application submitted to the 2219
director under this section involves travel of a nonconforming 2220
vehicle or combination of vehicles upon a special economic 2221
development highway, the director, in determining whether good 2222
cause has been shown that issuance of a permit is justified, shall 2223
consider the effect the travel of the vehicle or combination of 2224
vehicles will have on the economic development in the area in 2225
which the designated highway or portion of highway is located. 2226

(B) Notwithstanding sections 715.22 and 723.01 of the Revised 2227
Code, the holder of a special permit issued by the director under 2228
this section may move the vehicle or combination of vehicles 2229
described in the special permit on any highway that is a part of 2230
the state highway system when the movement is partly within and 2231
partly without the corporate limits of a municipal corporation. No 2232
local authority shall require any other permit or license or 2233
charge any license fee or other charge against the holder of a 2234
permit for the movement of a vehicle or combination of vehicles on 2235
any highway that is a part of the state highway system. The 2236
director shall not require the holder of a permit issued by a 2237
local authority to obtain a special permit for the movement of 2238
vehicles or combination of vehicles on highways within the 2239
jurisdiction of the local authority. Permits may be issued for any 2240
period of time not to exceed one year, as the director in the 2241
director's discretion or a local authority in its discretion 2242
determines advisable, or for the duration of any public 2243
construction project. 2244

(C) The application for a permit shall be in the form that 2245
the director or local authority prescribes. The director or local 2246
authority may prescribe a permit fee to be imposed and collected 2247
when any permit described in this section is issued. The permit 2248

fee may be in an amount sufficient to reimburse the director or 2249
local authority for the administrative costs incurred in issuing 2250
the permit, and also to cover the cost of the normal and expected 2251
damage caused to the roadway or a street or highway structure as 2252
the result of the operation of the nonconforming vehicle or 2253
combination of vehicles. The director, in accordance with Chapter 2254
119. of the Revised Code, shall establish a schedule of fees for 2255
permits issued by the director under this section. 2256

~~For the purposes of this section and of rules adopted by the 2257
director under this section, milk transported in bulk by vehicle 2258
is deemed a nondivisible load. 2259~~

(D) The director or local authority may issue or withhold a 2260
permit. If a permit is to be issued, the director or local 2261
authority may limit or prescribe conditions of operation for the 2262
vehicle and may require the posting of a bond or other security 2263
conditioned upon the sufficiency of the permit fee to compensate 2264
for damage caused to the roadway or a street or highway structure. 2265
In addition, a local authority, as a condition of issuance of an 2266
overweight permit, may require the applicant to develop and enter 2267
into a mutual agreement with the local authority to compensate for 2268
or to repair excess damage caused to the roadway by travel under 2269
the permit. 2270

For a permit that will allow travel of a nonconforming 2271
vehicle or combination of vehicles on a special economic 2272
development highway, the director, as a condition of issuance, may 2273
require the applicant to agree to make periodic payments to the 2274
department to compensate for damage caused to the roadway by 2275
travel under the permit. 2276

(E) Every permit shall be carried in the vehicle or 2277
combination of vehicles to which it refers and shall be open to 2278
inspection by any police officer or authorized agent of any 2279

authority granting the permit. No person shall violate any of the 2280
terms of a permit. 2281

(F) For the purposes of this section: 2282

(1) Milk transported in bulk by vehicle is deemed a 2283
nondivisible load. 2284

(2) Three or fewer steel coils transported by vehicle is 2285
deemed a nondivisible load. In no case shall the gross vehicle 2286
weight exceed ninety-two thousand pounds. 2287

(G) Whoever violates this section shall be punished as 2288
provided in section 4513.99 of the Revised Code. 2289

Sec. 4519.58. (A) When the clerk of a court of common pleas 2290
issues a physical certificate of title, the clerk shall issue the 2291
certificate of title on a form and in a manner prescribed by the 2292
registrar of motor vehicles. The clerk shall file a copy of the 2293
physical evidence for the creation of the certificate of title in 2294
a manner prescribed by the registrar. A clerk may retain digital 2295
images of documents used as evidence for issuance of a certificate 2296
of title. Certified printouts of documents retained as digital 2297
images shall have the same evidentiary value as the original 2298
physical documents. The record of the issuance of the certificate 2299
of title shall be maintained in the automated title processing 2300
system. The clerk shall sign and affix the clerk's seal to the 2301
original certificate of title and, if there are no liens on the 2302
off-highway motorcycle or all-purpose vehicle, shall deliver the 2303
certificate to the applicant or the selling dealer. Except as 2304
otherwise provided in this section, if there are one or more liens 2305
on the off-highway motorcycle or all-purpose vehicle, the 2306
certificate of title shall be delivered to the holder of the first 2307
lien. If the certificate of title is obtained by a dealer on 2308
behalf of the applicant and there are one or more liens on the 2309

off-highway motorcycle or all-purpose vehicle, the clerk shall 2310
issue a certificate of title and may issue a memorandum 2311
certificate of title. The certificate of title and memorandum 2312
certificate of title, if issued, shall be delivered to the holder 2313
of the first lien or the selling dealer, who shall deliver the 2314
certificate of title to the holder of the first lien and the 2315
memorandum certificate of title to the applicant. The selling 2316
dealer also may make arrangements with the clerk to have the clerk 2317
deliver the memorandum certificate of title to the applicant. 2318

(B) The registrar shall prescribe a uniform method of 2319
numbering certificates of title. The numbering shall be in such 2320
manner that the county of issuance is indicated. Numbers shall be 2321
assigned to certificates of title in the manner prescribed by the 2322
registrar. The clerk shall file all certificates of title 2323
according to the rules to be prescribed by the registrar, and the 2324
clerk shall maintain in the clerk's office indexes for the 2325
certificates of title. 2326

The clerk need not retain on file any current certificates of 2327
title, current duplicate certificates of title, current memorandum 2328
certificates of title, or current salvage certificates of title, 2329
or supporting evidence of them, covering any off-highway 2330
motorcycle or all-purpose vehicle for a period longer than seven 2331
years after the date of their filing; thereafter, the documents 2332
and supporting evidence may be destroyed. The clerk need not 2333
retain on file any inactive records, including certificates of 2334
title, duplicate certificates of title, or memorandum certificates 2335
of title, or supporting evidence of them, including the electronic 2336
record described in section 4519.55 of the Revised Code, covering 2337
any off-highway motorcycle or all-purpose vehicle for a period 2338
longer than five years after the date of their filing; thereafter, 2339
the documents and supporting evidence may be destroyed. 2340

The automated title processing system shall contain all 2341
active records and an index of the active records, and shall 2342
contain a record and index of all inactive titles for ten years, 2343
and a record and index of all inactive titles for manufactured and 2344
mobile homes for thirty years. If the clerk provides a written 2345
copy of any information contained in the database, the copy shall 2346
be considered the original for purposes of the clerk certifying 2347
the record of such information for use in any legal proceedings. 2348

(C) The Except as provided in this division, the clerk shall 2349
issue a physical certificate of title to an applicant unless the 2350
applicant specifically requests the clerk not to issue a physical 2351
certificate of title and instead to issue an electronic 2352
certificate of title. In the case of a title application that is 2353
submitted electronically to the clerk, the clerk shall issue an 2354
electronic certificate of title unless the applicant requests the 2355
issuance of a physical certificate of title. The fact that a 2356
physical certificate of title is not issued for an off-highway 2357
motorcycle or all-purpose vehicle does not affect ownership of the 2358
motorcycle or vehicle. In that case, when the clerk completes the 2359
process of entering certificate of title application information 2360
into the automated title processing system, the effect of the 2361
completion of the process is the same as if the clerk actually 2362
issued a physical certificate of title for the motorcycle or 2363
vehicle. 2364

(D) An electronic dealer who applies for a certificate of 2365
title on behalf of a customer who purchases an off-highway 2366
motorcycle or all-purpose vehicle from the dealer may print a 2367
non-negotiable evidence of ownership for the customer if the 2368
customer so requests. The authorization to print the 2369
non-negotiable evidence of ownership shall come from the clerk 2370
with whom the dealer makes application for the certificate of 2371
title for the customer, but the printing by the dealer does not 2372

create an agency relationship of any kind between the dealer and 2373
the clerk. 2374

(E) The owner of the off-highway motorcycle or all-purpose 2375
vehicle may apply at any time to a clerk of a court of common 2376
pleas for a non-negotiable evidence of ownership for the 2377
off-highway motorcycle or all-purpose vehicle. 2378

Sec. 4549.10. (A) No person shall operate or cause to be 2379
operated upon a public road or highway a motor vehicle of a 2380
manufacturer or dealer unless the vehicle carries and displays ~~two~~ 2381
~~placards~~ a placard, except as provided in section 4503.21 of the 2382
Revised Code, issued by the director of public safety that ~~bear~~ 2383
bears the registration number of its manufacturer or dealer. 2384

(B) Whoever violates division (A) of this section is guilty 2385
of illegal operation of a manufacturer's or dealer's motor 2386
vehicle, a minor misdemeanor on a first offense and a misdemeanor 2387
of the fourth degree on each subsequent offense. 2388

Sec. 4749.03. (A)(1) Any individual, including a partner in a 2389
partnership, may be licensed as a private investigator under a 2390
class B license, or as a security guard provider under a class C 2391

section 5122.301 of the Revised Code, without having been restored 2399
to legal capacity for that purpose. 2400

(b) Depending upon the class of license for which application 2401
is made, for a continuous period of at least two years immediately 2402

preceding application for a license, has been engaged in 2403

other public agency engaged in investigatory activities, or for a 2405

practice of law, or has acquired equivalent experience as 2407
determined by rule of the director of public safety. 2408

(c) Demonstrates competency as a private investigator or 2409
security guard provider by passing an examination devised for this 2410
purpose by the director, except that any individually licensed 2411

required to be reexamined if the person qualifies the corporation 2413
in the same capacity that the person was individually licensed. 2414

insurance coverage, or other equivalent guarantee approved by the 2416
director in such form and in principal amounts satisfactory to the 2417

bodily injury liability, and one hundred thousand dollars for 2420
property damage liability. 2421

(2) A corporation may be licensed as a private investigator 2423
under a class B license, or as a security guard provider under a 2424
class C license, or as a private investigator and a security guard 2425
provider under a class A license, if an application for licensure 2426
is filed by an officer of the corporation and the officer, another 2427
officer, or the qualifying agent of the corporation satisfies the 2428
requirements of divisions (A)(1) and (F)(1) of this section. 2429
Officers and the statutory agent of a corporation shall be 2430
determined in accordance with Chapter 1701. of the Revised Code. 2431

(3) At least one partner in a partnership shall be licensed 2432
as a private investigator, or as a security guard provider, or as 2433

a private investigator and a security guard provider. Partners in
a partnership shall be determined as provided for in Chapter 1775.

with the requirements of this chapter. In the case of a
corporation, the application shall state the name of the officer
or qualifying agent filing the application; the state in which the
corporation is incorporated and the date of incorporation; the
states in which the corporation is authorized to transact
business; the name of its qualifying agent; the name of the

requirements of divisions (A)(1) and (F)(1) of this section and
the birth date, citizenship, physical description, current

The application described in this division shall be
accompanied by all of the following:

~~(2) One complete set of the applicant's fingerprints or, in 2468
the case of a corporation, of the fingerprints of each officer or 2469

section, each of whom has known the applicant, officer, or 2476

license fee of two hundred fifty in the amount the director 2484
determines, not to exceed three hundred seventy-five dollars. The 2485
license fee shall be refunded if a license is not issued. 2486~~

~~(C) Upon receipt of the application and accompanying matter 2487
described in division (B) of this section, the director shall 2488
forward to the bureau of criminal identification and investigation 2489
a request that it make an investigation of the applicant or, in 2490
the case of a corporation, each officer or qualifying agent 2491

divisions (A)(1) and (F)(1) of this section, to determine whether 2493
the applicant, officer, or qualifying agent meets the requirements 2494
of division (A)(1)(a) of this section. (1) Each individual 2495
applying for a license and each individual specified by a 2496~~

corporation as an officer or qualifying agent in an application 2497
shall submit one complete set of fingerprints directly to the 2498
superintendent of the bureau of criminal identification and 2499
investigation for the purpose of conducting a criminal records 2500
check. The individual shall provide the fingerprints using a 2501
method the superintendent prescribes pursuant to division (C)(2) 2502
of section 109.572 of the Revised Code and fill out the form the 2503
superintendent prescribes pursuant to division (C)(1) of section 2504
109.572 of the Revised Code. An applicant who intends to carry a 2505
firearm as defined in section 2923.11 of the Revised Code in the 2506
course of business or employment shall so notify the 2507
superintendent. This notification is in addition to any other 2508
requirement related to carrying a firearm that applies to the 2509
applicant. The individual or corporation requesting the criminal 2510
records check shall pay the fee the superintendent prescribes. 2511

(2) The superintendent shall conduct the criminal records 2512
check as set forth in division (B) of section 109.572 of the 2513
Revised Code. If an applicant intends to carry a firearm in the 2514
course of business or employment, the superintendent shall make a 2515
request to the federal bureau of investigation for any information 2516
and review the information the bureau provides pursuant to 2517
division (B)(2) of section 109.572 of the Revised Code. The 2518
superintendent shall submit all results of the completed 2519
investigation to the director of public safety. 2520

(3) If the director determines that the applicant, officer, 2521
or qualifying agent meets the requirements of divisions (A)(1)(a), 2522
(b), and (d) of this section and that an officer or qualifying 2523
agent meets the requirement of division (F)(1) of this section, 2524
the director shall notify the applicant, officer, or agent of the 2525
time and place for the examination. If the director determines 2526
that an applicant does not meet the requirements of divisions 2527
(A)(1)(a), (b), and (d) of this section, the director shall notify 2528

the applicant that the applicant's application is refused and 2529
refund the license fee. If the director determines that none of 2530
the individuals specified in the application of a corporation as 2531
satisfying the requirements of divisions (A)(1) and (F)(1) of this 2532
section meet the requirements of divisions (A)(1)(a), (b), and (d) 2533
and (F)(1) of this section, the director shall notify the 2534
corporation that its application is refused and refund the license 2535
fee. ~~If the director requests an investigation of any applicant,~~ 2536
~~officer, or qualifying agent and if the bureau assesses the~~ 2537
director a fee for ~~the~~ any investigation, the director, in 2538
addition to any other fee assessed pursuant to this chapter, may 2539
assess the applicant, officer, or qualifying agent, as 2540
appropriate, a fee that is equal to the fee assessed by the 2541
bureau. 2542

(D) If upon application, investigation, and examination, the 2543
director finds that the applicant or, in the case of a 2544
corporation, any officer or qualifying agent specified in the 2545
application as satisfying the requirements of divisions (A)(1) and 2546
(F)(1) of this section, meets the applicable requirements, the 2547
director shall issue the applicant or the corporation a class A, 2548
B, or C license. The director also shall issue an identification 2549
card to an applicant, but not an officer or qualifying agent of a 2550
corporation, who meets the applicable requirements. The license 2551
and identification card shall state the licensee's name, the 2552
classification of the license, the location of the licensee's 2553
principal place of business in this state, and the expiration date 2554
of the license, and, in the case of a corporation, it also shall 2555
state the name of each officer or qualifying agent who satisfied 2556
the requirements of divisions (A)(1) and (F)(1) of this section. 2557

Licenses expire on the first day of March following the date 2558
of initial issue, and on the first day of March of each year 2559
thereafter. ~~Renewals~~ Annual renewals shall be according to the 2560

standard renewal procedures contained in Chapter 4745. of the 2561
Revised Code, upon payment of a an annual renewal fee ~~of two~~ 2562
~~hundred-fifty~~ the director determines, not to exceed two hundred 2563
seventy-five dollars. No license shall be renewed if the licensee 2564
or, in the case of a corporation, each officer or qualifying agent 2565
who qualified the corporation for licensure no longer meets the 2566
applicable requirements of this section. No license shall be 2567
renewed unless the licensee provides evidence of workers' 2568
compensation risk coverage and unemployment compensation insurance 2569
coverage, other than for clerical employees and excepting sole 2570
proprietors who are exempted therefrom, as provided for in 2571
Chapters 4123. and 4141. of the Revised Code, respectively, as 2572
well as the licensee's state tax identification number. No 2573
reexamination shall be required for renewal of a current license. 2574

For purposes of this chapter, a class A, B, or C license 2575
issued to a corporation shall be considered as also having 2576
licensed the individuals who qualified the corporation for 2577
licensure, for as long as they are associated with the 2578
corporation. 2579

For purposes of this division, "sole proprietor" means an 2580
individual licensed under this chapter who does not employ any 2581
other individual. 2582

(E) The director may issue a duplicate copy of a license 2583
issued under this section for the purpose of replacement of a 2584
lost, spoliated, or destroyed license, upon payment of a fee ~~fixed~~ 2585
~~by the director~~ determines, not exceeding twenty-five dollars. Any 2586
change in license classification requires new application and 2587
application fees. 2588

(F)(1) In order to qualify a corporation for a class A, B, or 2589
C license, an officer or qualifying agent may qualify another 2590
corporation for similar licensure, provided that the officer or 2591
qualifying agent is actively engaged in the business of both 2592

corporations. 2593

(2) Each officer or qualifying agent who qualifies a 2594
corporation for class A, B, or C licensure shall surrender any 2595
personal license of a similar nature that the officer or 2596
qualifying agent possesses. 2597

(3) Upon written notification to the director, completion of 2598
an application similar to that for original licensure, surrender 2599
of the corporation's current license, and payment of a twenty-five 2600
dollar fee, a corporation's class A, B, or C license may be 2601
transferred to another corporation. 2602

(4) Upon written notification to the director, completion of 2603
an application similar to that for an individual seeking class A, 2604
B, or C licensure, payment of a twenty-five dollar fee, and, if 2605
the individual was the only individual that qualified a 2606
corporation for licensure, surrender of the corporation's license, 2607
any officer or qualifying agent who qualified a corporation for 2608
licensure under this chapter may obtain a similar license in the 2609
individual's own name without reexamination. A request by an 2610
officer or qualifying agent for an individual license shall not 2611
affect a corporation's license unless the individual is the only 2612
individual that qualified the corporation for licensure or all the 2613
other individuals who qualified the corporation for licensure 2614
submit such requests. 2615

(G) If a corporation is for any reason no longer associated 2616
with an individual who qualified it for licensure under this 2617
chapter, an officer of the corporation shall notify the director 2618
of that fact by certified mail, return receipt requested, within 2619
ten days after the association terminates. If the notification is 2620
so given, the individual was the only individual that qualified 2621
the corporation for licensure, and the corporation submits the 2622
name of another officer or qualifying agent to qualify the 2623

corporation for the license within thirty days after the
association terminates, the corporation may continue to operate in
the business of private investigation, the business of security
services, or both businesses in this state under that license for
ninety days after the association terminates. If the officer or
qualifying agent whose name is submitted satisfies the
requirements of divisions (A)(1) and (F)(1) of this section, the
director shall issue a new license to the corporation within that
ninety-day period. The names of more than one individual may be
submitted.

Sec. 4749.06. (A) Each class A, B, or C licensee shall
register the licensee's investigator or security guard employees,
with the department of public safety, which shall maintain a
record of each licensee and registered employee and make it
available, upon request, to any law enforcement agency. The class
A, B, or C licensee shall file an application to register a new
employee no sooner than three days nor later than seven calendar
days after the date on which the employee is hired.

(B)(1) Each employee's registration application shall be
accompanied by ~~one complete set of the employee's fingerprints,~~
one recent photograph of the employee, the employee's physical
description, and ~~an eighteen-dollar~~ the registration fee the
director determines, not to exceed forty dollars.

(2) ~~If the director of public safety requests the bureau of
criminal identification and investigation to conduct an
investigation of a licensee's employee and if the bureau assesses
the director a fee for the investigation, the director, in
addition to any other fee assessed pursuant to this chapter, may
assess the licensee a fee that is equal to the fee assessed by the
bureau. The employee shall submit one complete set of fingerprints
directly to the superintendent of the bureau of criminal~~

identification and investigation for the purpose of conducting a 2655
criminal records check. The employee shall provide the 2656
fingerprints using a method the superintendent prescribes pursuant 2657
to division (C)(2) of section 109.572 of the Revised Code and fill 2658
out the form the superintendent prescribes pursuant to division 2659
(C)(1) of section 109.572 of the Revised Code. An employee who 2660
intends to carry a firearm as defined in section 2923.11 of the 2661
Revised Code in the course of business or employment shall so 2662
notify the superintendent. This notification is in addition to any 2663
other requirement related to carrying a firearm that applies to 2664
the employee. The individual or corporation requesting the 2665
criminal records check shall pay the fee the superintendent 2666
prescribes. 2667

The superintendent shall conduct the criminal records check 2668
as set forth in division (B) of section 109.572 of the Revised 2669
Code. If an employee intends to carry a firearm in the course of 2670
business or employment, pursuant to division (B)(2) of section 2671
109.572 of the Revised Code the superintendent shall make a 2672
request of the federal bureau of investigation for any information 2673
and review the information the bureau provides. The superintendent 2674
shall submit all results of the completed investigation to the 2675
director of public safety. 2676

(3) If, after investigation, the bureau finds that the 2677
employee has not been convicted of a felony within the last twenty 2678
years, the director shall issue to the employee an identification 2679
card bearing the license number and signature of the licensee, 2680
which in the case of a corporation shall be the signature of its 2681
president or its qualifying agent, and containing the employee's 2682
name, address, age, physical description, and right thumb print or 2683
other identifying mark as the director prescribes, a recent 2684
photograph of the employee, and the employee's signature. The 2685
director may issue a duplicate of a lost, spoliated, or destroyed 2686

identification card issued under this section, upon payment of a 2687
fee fixed by the director, not exceeding five dollars. 2688

(C) Except as provided in division (E) of this section, no 2689
class A, B, or C licensee shall permit an employee, other than an 2690
individual who qualified a corporation for licensure, to engage in 2691
the business of private investigation, the business of security 2692
services, or both businesses until the employee receives an 2693
identification card from the department, except that pending the 2694
issuance of an identification card, a class A, B, or C licensee 2695
may offer for hire security guard or investigator employees 2696
provided the licensee obtains a waiver from the person who 2697
receives, for hire, security guard or investigative services, 2698
acknowledging that the person is aware the employees have not 2699
completed their registration and agreeing to their employment. 2700

(D) If a class A, B, or C licensee, or a registered employee 2701
of a class A, B, or C licensee, intends to carry a firearm, as 2702
defined in section 2923.11 of the Revised Code, in the course of 2703
engaging in the business or employment, the licensee or registered 2704
employee shall satisfactorily complete a firearms basic training 2705
program that includes twenty hours of handgun training and five 2706
hours of training in the use of other firearms, if any other 2707
firearm is to be used, or equivalency training, if authorized, or 2708
shall be a former peace officer who previously had successfully 2709
completed a firearms training course, shall receive a certificate 2710
of satisfactory completion of that program or written evidence of 2711
approval of the equivalency training, shall file an application 2712
for registration, shall receive a firearm-bearer notation on the 2713
licensee's or registered employee's identification card, and shall 2714
annually requalify on a firearms range, all as described in 2715
division (A) of section 4749.10 of the Revised Code. A private 2716
investigator, security guard provider, or employee is authorized 2717
to carry a firearm only in accordance with that division. 2718

(E) This section does not apply to commissioned peace officers, as defined in division (B) of section 2935.01 of the Revised Code, working for, either as an employee or independent contractor, a class A, B, or C licensee. For purposes of this chapter, a commissioned peace officer is an employee exempt from registration.

(F) The registration of an investigator or security guard employee expires annually on the anniversary date of its initial issuance. Annual renewals shall be made pursuant to procedures the director establishes by rule and upon payment of a renewal fee the director determines, not to exceed thirty-five dollars. The director shall not renew the registration of any investigator or security guard employee who no longer meets the requirements of this section. No background check is required for annual renewal, but an investigator or security guard employee shall report any felony conviction to the employer and the director of public safety as a condition of continued registration.

Sec. 4749.10. (A) No class A, B, or C licensee and no registered employee of a class A, B, or C licensee shall carry a firearm, as defined in section 2923.11 of the Revised Code, in the course of engaging in the business of private investigation, the business of security services, or both businesses, unless all of the following apply:

(1) The licensee or employee either has successfully completed a basic firearm training program at a training school approved by the Ohio peace officer training commission, which program includes twenty hours of training in handgun use and, if any firearm other than a handgun is to be used, five hours of training in the use of other firearms, and has received a certificate of satisfactory completion of that program from the executive director of the commission; the licensee or employee

has, within three years prior to November 27, 1985, satisfactorily
completed firearms training that has been approved by the
commission as being equivalent to such a program and has received
written evidence of approval of that training from the executive
director of the commission; or the licensee or employee is a
former peace officer, as defined in section 109.71 of the Revised
Code, who previously had successfully completed a firearms
training course at a training school approved by the Ohio peace
officer training commission and has received a certificate or
other evidence of satisfactory completion of that course from the
executive director of the commission.

(2) The licensee or employee submits an application to the
director of public safety, on a form prescribed by the director,
in which the licensee or employee requests registration as a class
A, B, or C licensee or employee who may carry a firearm. The
application shall be accompanied by a copy of the certificate or
the written evidence or other evidence described in division
(A)(1) of this section, the identification card issued pursuant to
section 4749.03 or 4749.06 of the Revised Code if one has
previously been issued, a statement of the duties that will be
performed while the licensee or employee is armed, and a fee ~~of~~
~~ten~~ the director determines, not to exceed fifteen dollars. In the
case of a registered employee, the statement shall be prepared by
the employing class A, B, or C licensee.

(3) The licensee or employee receives a notation on the
licensee's or employee's identification card that the licensee or
employee is a firearm-bearer and carries the identification card
whenever the licensee or employee carries a firearm in the course
of engaging in the business of private investigation, the business
of security services, or both businesses.

(4) At any time within the immediately preceding twelve-month
period, the licensee or employee has requalified in firearms use

on a firearms training range at a firearms requalification program 2782
certified by the Ohio peace officer training commission or on a 2783
firearms training range under the supervision of an instructor 2784
certified by the commission and has received a certificate of 2785
satisfactory requalification from the certified program or 2786
certified instructor, provided that this division does not apply 2787
to any licensee or employee prior to the expiration of eighteen 2788
months after the licensee's or employee's completion of the 2789
program described in division (A)(1) of this section. A 2790
certificate of satisfactory requalification is valid and remains 2791
in effect for twelve months from the date of the requalification. 2792

(5) If division (A)(4) of this section applies to the 2793
licensee or employee, the licensee or employee carries the 2794
certificate of satisfactory requalification that then is in effect 2795
or any other evidence of requalification issued or provided by the 2796
director. 2797

(B)(1) The director of public safety shall register an 2798
applicant under division (A) of this section who satisfies 2799
divisions (A)(1) and (2) of this section, and place a notation on 2800
the applicant's identification card indicating that the applicant 2801
is a firearm-bearer and the date on which the applicant completed 2802
the program described in division (A)(1) of this section. 2803

(2) A firearms requalification training program or instructor 2804
certified by the commission for the annual requalification of 2805
class A, B, or C licensees or employees who are authorized to 2806
carry a firearm under section 4749.10 of the Revised Code shall 2807
award a certificate of satisfactory requalification to each class 2808
A, B, or C licensee or registered employee of a class A, B, or C 2809
licensee who satisfactorily requalifies in firearms training. The 2810
certificate shall identify the licensee or employee and indicate 2811
the date of the requalification. A licensee or employee who 2812
receives such a certificate shall submit a copy of it to the 2813

director of public safety. A licensee shall submit the copy of the
requalification certificate at the same time that the licensee
makes application for renewal of the licensee's class A, B, or C
license. The director shall keep a record of all copies of
requalification certificates the director receives under this
division and shall establish a procedure for the updating of
identification cards to provide evidence of compliance with the
annual requalification requirement. The procedure for the updating
of identification cards may provide for the issuance of a new card
containing the evidence, the entry of a new notation containing
the evidence on the existing card, the issuance of a separate card
or paper containing the evidence, or any other procedure
determined by the director to be reasonable. Each person who is
issued a requalification certificate under this division promptly
shall pay to the Ohio peace officer training commission
established by section 109.71 of the Revised Code a fee ~~of five~~
the director determines, not to exceed fifteen dollars, which fee

or a security guard provider from carrying a concealed handgun if
the private investigator or security guard provider complies with
sections 2923.124 to 2923.1213 of the Revised Code.

develop and implement a pavement management system. The system 2861
shall inventory and evaluate basic road and bridge conditions 2862
throughout the state highway system and develop strategies to 2863
improve those conditions and to minimize annual maintenance of the 2864
state highway system. 2865

Sec. 5513.04. (A) Notwithstanding sections 125.12, 125.13, 2866
and 125.14 of the Revised Code, the director of transportation, 2867

chapter, and pay the balance of the cost of such new item from 2873
funds appropriated to the department. The director also may accept 2874
a credit voucher or cash in an amount mutually agreed upon between 2875

a vendor and the department. The director shall apply the amount 2876

the sale. The director shall similarly notify the board of 2901
trustees of any regional water and sewer district established 2902
under Chapter 6119. of the Revised Code, when the board has 2903
forwarded to the director the district's name and current business 2904
address. For the purposes of this division, the name and current 2905
business address of a regional water and sewer district shall be 2906
forwarded to the director once each year during any year in which 2907

the board wishes the notification to be given. The notice required 2908
by this division may be given by the most economical means 2909
considered to be effective, ~~including, but not limited to, regular~~ 2910
~~mail, electronic mail, electronic bulletin board, and publication~~ 2911
~~in a periodical or newspaper.~~ If after seven days following 2912
mailing or other issuance of the director's notice, no county, 2913
municipal corporation, township, regional water and sewer 2914
district, educational service center, or school district has 2915
notified the director that it wishes to purchase any such vehicle 2916
or other heavy equipment, the director may proceed with the sale 2917
under division ~~(D)~~(C) of this section. ~~The director may exchange~~ 2918
~~such vehicles and other heavy equipment for new vehicles or other~~ 2919
~~heavy equipment, in the manner provided for in sections 5513.01 to~~ 2920
~~5513.04 of the Revised Code, and pay the balance of the cost of~~ 2921
~~such new vehicles or other heavy equipment from the funds~~ 2922
~~appropriated to the department. The director also may elect to~~ 2923
~~accept a credit voucher from a vendor in an amount mutually agreed~~ 2924
~~to by the department and the vendor. The director shall apply the~~ 2925
~~credit voucher to future purchases from that vendor.~~ 2926

In an ~~emergency situation as determined by the discretion of~~ 2927
the director, the director may transfer any ~~vehicles~~ vehicle or 2928
other heavy equipment that is unfit for use or not needed by the 2929
department to any agency of the state or political subdivision of 2930
the state without advertising for bids and upon mutually agreed ~~to~~ 2931
upon terms. 2932

~~(C)~~(3) The director may sell or otherwise dispose of any 2933
structure or structural materials salvaged on the state highway 2934
system that in the director's judgment are no longer needed by the 2935
department, or that, through wear or obsolescence, have become 2936
unfit for use. The director may transfer the structure or 2937
materials to counties, municipal corporations, school districts, 2938
or other ~~governmental~~ political subdivisions without advertising 2939

for bids and upon mutually agreed ~~to~~ upon terms. The director may 2940
transfer the structure or ~~structures~~ structural materials to a 2941
nonprofit corporation upon being furnished a copy of a contract 2942
between the nonprofit corporation and a county, municipal 2943
corporation, or other ~~governmental~~ political subdivision to which 2944
the structure is to be moved pursuant to which the nonprofit 2945
corporation must make the structure or ~~structures~~ structural 2946
materials available for rent or sale within a period of three 2947
months after becoming available for occupancy to an individual or 2948
family which has been displaced by governmental action or which 2949
occupies substandard housing as certified by such ~~governmental~~ 2950
political subdivision, without advertising for bids. Any such 2951
transfers shall be for such consideration as shall be determined 2952
by the director to be fair and reasonable, and shall be upon such 2953
terms and specifications with respect to performance and indemnity 2954
as shall be determined necessary by the director. 2955

When, in carrying out an improvement that replaces any 2956
structure or structural materials, it is advantageous to dispose 2957
of the structure or structural materials by providing in the 2958
contract for the improvement that the structure or structural 2959
materials, or any part thereof, shall become the property of the 2960
contractor, the director may so proceed. 2961

~~(D)(C)~~(1) Any item ~~specified in division (A), (B), or (C) of~~ 2962
~~this section that has an estimated market value greater than one~~ 2963
~~thousand dollars and that has not been sold or transferred as~~ 2964
provided in ~~those divisions~~ division (B) of this section may be 2965
sold at a public sale, as determined by the director. The director 2966
may authorize such sale by the ~~district~~ deputy directors of 2967
transportation, and the proceedings of such sale shall be 2968
conducted in the same manner as provided for sales by the 2969
director. The director may establish a minimum price for any item 2970
to be sold and may establish any other terms, conditions, and 2971

manner for the sale of a particular item, which may be on any 2972
basis the director determines to be most advantageous to the 2973
department. The director may reject any offer or bid for an item. 2974
The director may remove any item from a sale if it develops that a 2975
public authority has a use for the item. In any notice of a sale, 2976
the director shall include a brief description of the item to be 2977
sold, the terms and conditions of the sale, and a statement of the 2978
time, place, and manner of the sale. 2979

~~Before making any sale under division (D)(1) of this section~~ 2980
~~(2)(a) If, in the opinion of the director, any item to be sold has~~ 2981
~~an estimated fair market value in excess of one thousand dollars,~~ 2982
the director shall give post a notice of the sale ~~by posting~~, for 2983
not less than ten days, ~~a written, typed, or printed invitation to~~ 2984
~~bidders on a traditional or electronic bulletin board in the~~ 2985
~~offices~~ on the official web site of the department. ~~The bulletin~~ 2986
~~board shall be located in a place open to the public during normal~~ 2987
~~business hours~~ If the district where the property is located 2988
maintains a web site, notice of the sale also shall be posted on 2989
that web site. At least ten days before ~~bids are to be received~~ 2990
the sale, the director also shall publish one notice of the sale 2991
in a periodical or newspaper of general circulation in the region 2992
in which the items are located. ~~The invitation to bidders and the~~ 2993
~~published notice of the sale shall contain a brief description of~~ 2994
~~the items to be sold and a statement of the time and place where~~ 2995
~~bids will be received. The director may receive bids and make such~~ 2996
~~sale on any basis the director determines is most advantageous to~~ 2997
~~the department. A sale under division (D)(1) of this section shall~~ 2998
~~be made to the highest responsible bidder. If, after invitations~~ 2999
~~are issued, it develops that any public authority has use for any~~ 3000
~~of the items, the director may reject all bids and dispose of the~~ 3001
~~items as set out in this section.~~ 3002

~~(2)(b)~~ (b) If, in the opinion of the director, any item ~~specified~~ 3003

~~in division (A), (B), or (C) of this section to be sold~~ has an 3004
estimated fair market value of one thousand dollars or less, the 3005
director is not required to advertise the proposed sale except by 3006
notice posted on a ~~traditional or electronic bulletin board in one~~ 3007
~~or more offices~~ the official web site of the department. The 3008
~~bulletin board shall be located in a place open to the public~~ 3009
~~during normal business hours.~~ The notice shall be posted for at 3010
least five working days and shall contain a brief description of 3011
the items to be sold and a statement of the time and place where 3012
bids will be received. The director may receive bids and make such 3013
sale on any basis the director determines is most advantageous to 3014
the department. Sale of any item using this method of advertising 3015
shall be made to the highest responsible bidder. If it develops 3016
that any public authority has use for any of the items, the 3017
director may reject all bids and dispose of the items as set out 3018
in this section. 3019

~~(E)~~(D) Proceeds of any sale described in this section shall 3020
be paid into the state treasury to the credit of the ~~state~~ highway 3021
operating fund or any other fund of the department as determined 3022
by the director. 3023

(E) Once each year, the state board of education shall 3024
provide the director with a current list of the addresses of all 3025
school districts and educational service centers in the state. 3026

(F) As used in this section, ~~"school:~~ 3027

(1) "Personal property" means any structure or structural 3028
material, machinery, tools, equipment, parts, material, office 3029
furniture, supplies, passenger vehicle, van, truck, trailer, or 3030
other heavy equipment of the department; 3031

(2) "School district" means any city school district, local 3032
school district, exempted village school district, cooperative 3033
education school district, and joint vocational school district, 3034

~~as defined in Chapter 3311. of the Revised Code. Once each year,~~ 3035
~~the state board of education shall provide the director with a~~ 3036
~~current list of the addresses of all school districts and~~ 3037
~~educational service centers in the state.~~ 3038

(3) "Sale" means fixed price sale, live or internet auction, 3039
or any other type of sale determined by the director. 3040

Sec. 5525.01. Before entering into a contract the director of 3041
transportation shall advertise for bids for two consecutive weeks 3042
in one newspaper of general circulation published in the county in 3043
which the improvement or part thereof is located, but if there is 3044
no such newspaper then in one newspaper having general circulation 3045
in an adjacent county. The director may advertise for bids in such 3046
other publications as the director considers advisable. Such 3047
notices shall state that plans and specifications for the 3048
improvement are on file in the office of the director and the 3049
district deputy director of the district in which the improvement 3050
or part thereof is located and the time within which bids therefor 3051
will be received. 3052

Each bidder shall be required to file with the bidder's bid a 3053
bid guaranty in the form of a certified check or cashier's check 3054
for an amount equal to five per cent of the bidder's bid, but in 3055
no event more than fifty thousand dollars, or a bid bond for ten 3056
per cent of the bidder's bid, payable to the director, which check 3057
or bond shall be forthwith returned to the bidder in case the 3058
contract is awarded to another bidder, or, in case of a successful 3059
bidder, when the bidder has entered into a contract and furnished 3060
the bonds required by section 5525.16 of the Revised Code. In the 3061
event the contract is awarded to a bidder, and the bidder fails or 3062
refuses to furnish the bonds as required by section 5525.16 of the 3063
Revised Code, the check or bid bond filed with the bidder's bid 3064
shall be forfeited as liquidated damages. No bidder shall be 3065

required either to file a signed contract with the bidder's bid, 3066
to enter into a contract, or to furnish the contract performance 3067
bond and the payment bond required by that section until the bids 3068
have been opened and the bidder has been notified by the director 3069
that the bidder is awarded the contract. 3070

The director shall permit a bidder to withdraw the bidder's 3071
bid from consideration, without forfeiture of the certified check 3072
or bid bond filed with the bid, providing a written request 3073
together with a sworn statement of the grounds for such withdrawal 3074
is delivered within forty-eight hours after the time established 3075
for the receipt of bids, and if the price bid was substantially 3076
lower than the other bids, providing the bid was submitted in good 3077
faith, and the reason for the price bid being substantially lower 3078
was a clerical mistake evident on the face of the bid, as opposed 3079
to a judgment mistake, and was actually due to an unintentional 3080
and substantial arithmetic error or an unintentional omission of a 3081
substantial quantity of work, labor, or material made directly in 3082
the compilation of the bid. In the event the director decides the 3083
conditions for withdrawal have not been met, the director may 3084
award the contract to such bidder. If such bidder does not then 3085
enter into a contract and furnish the contract bond as required by 3086
law, the director may declare forfeited the certified check or bid 3087
bond as liquidated damages and award the contract to the next 3088
higher bidder or reject the remaining bids and readvertise the 3089
project for bids. Such bidder may, within thirty days, appeal the 3090
decision of the director to the court of common pleas of Franklin 3091
county and the court may affirm or reverse the decision of the 3092
director and may order the director to refund the amount of the 3093
forfeiture. At the hearing before the common pleas court evidence 3094
may be introduced for and against the decision of the director. 3095
The decision of the common pleas court may be appealed as in other 3096
cases. 3097

The director shall require all bidders to furnish the 3098
director ~~under oath~~, upon such ~~printed~~ forms as the director may 3099
prescribe, detailed information with respect to all pending work 3100
of the bidder, whether with the department of transportation or 3101
otherwise, together with such other information as the director 3102
considers necessary. 3103

In the event a bidder fails to submit anything required to be 3104
submitted with the bid and then fails or refuses to so submit such 3105
at the request of the director, the failure or refusal constitutes 3106
grounds for the director, in the director's discretion, to declare 3107
as forfeited the bid guaranty submitted with the bid. 3108

The director may reject any or all bids. Except in regard to 3109
contracts for environmental remediation and specialty work for 3110
which there are no classes of work set out in the rules adopted by 3111
the director, if the director awards the contract, the director 3112
shall award it to the lowest competent and responsible bidder as 3113
defined by rules adopted by the director under section 5525.05 of 3114
the Revised Code, who is qualified to bid under sections 5525.02 3115
to 5525.09 of the Revised Code. In regard to contracts for 3116
environmental remediation and specialty work for which there are 3117
no classes of work set out in the rules adopted by the director, 3118
the director shall competitively bid the projects in accordance 3119
with this chapter and shall award the contracts to the lowest and 3120
best bidder. 3121

The award for all projects competitively let by the director 3122
under this section shall be made within ten days after the date on 3123
which the bids are opened, and the successful bidder shall enter 3124
into a contract and furnish a contract performance bond and a 3125
payment bond, as provided for in section 5525.16 of the Revised 3126
Code, within ten days after the bidder is notified that the bidder 3127
has been awarded the contract. 3128

The director may insert in any contract awarded under this 3129
chapter a clause providing for value engineering change proposals, 3130
under which a contractor who has been awarded a contract may 3131
propose a change in the plans and specifications of the project 3132
that saves the department time or money on the project without 3133
impairing any of the essential functions and characteristics of 3134
the project such as service life, reliability, economy of 3135
operation, ease of maintenance, safety, and necessary standardized 3136
features. If the director adopts the value engineering proposal, 3137
the savings from the proposal shall be divided between the 3138
department and the contractor according to guidelines established 3139
by the director, provided that the contractor shall receive at 3140
least fifty per cent of the savings from the proposal. The 3141
adoption of a value engineering proposal does not invalidate the 3142
award of the contract or require the director to rebid the 3143
project. 3144

Sec. 5525.10. ~~No~~ Except as provided in section 5525.15 of the 3145
Revised Code, no contract for any road improvement shall be 3146
awarded for a greater sum than the estimated cost thereof plus 3147
five per cent. The bids received for an improvement shall be 3148
opened at the time and place stated in the notice and the bids 3149
shall conform to such other requirements as the director of 3150
transportation prescribes. If no acceptable bid is made the 3151
director may readvertise the work at the original estimate or 3152
amend the estimate and again proceed to advertise for bids. The 3153
director may contract for the construction or improvement of 3154
bridges and culverts or the grading required in connection with an 3155
improvement and may defer making contracts for the remainder of 3156
said improvement until such grade has become stable and solid. 3157

Sec. 5525.15. The director of transportation may provide that 3158
the estimate of cost of any project to be constructed by the 3159

department by the taking of bids and awarding of contracts shall 3160
be confidential information and so remain until after all bids on 3161
the project have been received. The estimate then shall be 3162
publicly read prior to the opening of the bids of the subject. 3163

When the director exercises the authority conferred by this 3164
section, all information with respect to the total estimate of 3165
cost of the project to be built by contract and with respect to 3166
the estimate of cost of any particular item of work involved 3167
therein shall be kept and regarded by the director and all the 3168
director's subordinates as confidential, and shall not be revealed 3169
to any person not employed in the department, or by the United 3170
States department of transportation in the case of projects 3171
financed in whole or part by federal funds, until after the bids 3172
on the project have been opened and read. Section 5517.01 of the 3173
Revised Code with respect to the public inspection of estimates of 3174
cost prior to the opening of bids and with respect to filing 3175
estimates of cost in the office of the district deputy director of 3176
transportation does not apply when the authority conferred by this 3177
section is exercised. This section does not prohibit the 3178
department from furnishing estimates of cost to counties, 3179
municipal corporations, or other local political subdivisions or 3180
to railroad or railway companies proposing to pay any portion of 3181
the cost of an improvement. 3182

Section 5525.10 of the Revised Code, which provides that no 3183
contract for any improvement shall be awarded for a greater sum 3184
than the estimated cost thereof plus five per cent, does not apply 3185
in the case of any project with respect to which the authority 3186
conferred by this section is exercised. In cases in which the 3187
authority conferred by this section is exercised and in which the 3188
bid of the successful bidder exceeds the estimate, the director, 3189
before entering into a contract, shall determine that the bid of 3190
the successful bidder is fair and reasonable, and as long as the 3191

federal government imposes regulation on prices charged for 3192
construction service, shall require the successful bidder to 3193
certify that the bidder's bid does not exceed the maximum 3194
permitted by such federal regulation. 3195

Sec. 5531.09. (A) The state infrastructure bank shall consist 3196
of the highway and transit infrastructure bank fund, the aviation 3197
infrastructure bank fund, the rail infrastructure bank fund, and 3198
the infrastructure bank obligations fund, which are hereby created 3199
as funds of the state treasury, to be administered by the director 3200
of transportation and used for the purposes described in division 3201
(B) of this section. The highway and transit infrastructure bank 3202
fund, the aviation infrastructure bank fund, and the rail 3203
infrastructure bank fund shall consist of federal grants and 3204
awards or other assistance received by the state and eligible for 3205
deposit therein under applicable federal law, payments received by 3206
the department in connection with providing financial assistance 3207
for qualifying projects under division (B) of this section, and 3208
such other amounts as may be provided by law. The infrastructure 3209
bank obligations fund shall consist of such amounts of the 3210
proceeds of obligations issued under section 5531.10 of the 3211
Revised Code as the director of transportation determines with the 3212
advice of the director of budget and management; and such other 3213
amounts as may be provided by law. The director of budget and 3214
management, upon the request of the director of transportation, 3215
may transfer amounts between the funds created in this division, 3216
except the infrastructure bank obligations fund. The investment 3217
earnings of each fund created by this division shall be credited 3218
to such fund. 3219

(B) The director of transportation shall use the state 3220
infrastructure bank to encourage public and private investment in 3221
transportation facilities that contribute to the multi-modal and 3222
intermodal transportation capabilities of the state, develop a 3223

variety of financing techniques designed to expand the 3224
availability of funding resources and to reduce direct state 3225
costs, maximize private and local participation in financing 3226
projects, and improve the efficiency of the state transportation 3227
system by using and developing the particular advantages of each 3228
transportation mode to the fullest extent. In furtherance of these 3229
purposes, the director shall use the state infrastructure bank to 3230
provide financial assistance to public or private entities for 3231
qualified projects. Such assistance shall be in the form of loans, 3232
loan guarantees, letters of credit, leases, lease-purchase 3233
agreements, interest rate subsidies, debt service reserves, and 3234
such other forms as the director determines to be appropriate. All 3235
fees, charges, rates of interest, payment schedules, security for, 3236
and other terms and conditions relating to such assistance shall 3237
be determined by the director. The highway and transit 3238
infrastructure bank fund, the aviation infrastructure bank fund, 3239
and the rail infrastructure bank fund may be used to pay debt 3240
service on obligations whose proceeds have been deposited into the 3241
infrastructure bank obligations fund. 3242

(C) The director of transportation shall adopt rules 3243
establishing guidelines necessary for the implementation and 3244
exercise of the authority granted by this section, including rules 3245
for receiving, reviewing, evaluating, and selecting projects for 3246
which financial assistance may be approved. 3247

(D) As used in this section and in section 5531.10 of the 3248
Revised Code, "qualified project" means any public or private 3249
transportation project as determined by the director of 3250
transportation, including, without limitation, planning, 3251
environmental impact studies, engineering, construction, 3252
reconstruction, resurfacing, restoring, rehabilitation, or 3253
replacement of public or private transportation facilities within 3254
the state, studying the feasibility thereof, and the acquisition 3255

of real or personal property or interests therein; any highway, 3256
public transit, aviation, rail, or other transportation project 3257
eligible for financing or aid under any federal or state program; 3258
and any project involving the maintaining, repairing, improving, 3259
or construction of any public or private highway, road, street, 3260
parkway, public transit, aviation, or rail project, and any 3261
related rights-of-way, bridges, tunnels, railroad-highway 3262
crossings, drainage structures, signs, guardrails, or protective 3263
structures. 3264

(E) The general assembly finds that state infrastructure 3265
projects, as defined in division (A)(8) of section 5531.10 of the 3266
Revised Code, and the state infrastructure bank, will materially 3267
contribute to the economic revitalization of areas of the state 3268
and result in improving the economic welfare of all the people of 3269
the state. Accordingly, it is declared to be the public purpose of 3270
the state, through operations under sections 5531.09 and 5531.10 3271
of the Revised Code, and other applicable laws adopted pursuant to 3272
Section 13 of Article VIII, Ohio Constitution, and other authority 3273
vested in the general assembly, to assist in and facilitate the 3274
purposes set forth in division (B) of section 5531.10 of the 3275
Revised Code, and to assist and cooperate with any governmental 3276
agency in achieving such ~~purpose~~ purposes. 3277

(1) "Bond proceedings" means the resolution, order, trust 3279
agreement, indenture, lease, lease-purchase agreements, and other 3280
agreements, amendments and supplements to the foregoing, or any 3281
one or more or combination thereof, authorizing or providing for 3282
the terms and conditions applicable to, or providing for the 3283
security or liquidity of, obligations issued pursuant to this 3284
section, and the provisions contained in such obligations. 3285

(2) "Bond service charges" means principal, including 3286

(R) of this section including all moneys and investments, and 3294
earnings from investments, credited and to be credited thereto. 3295

pursuant to this section. 3301

(6) "Pledged receipts" means moneys accruing to the state 3302

obligations; accrued interest received from the sale of 3306
obligations; income from the investment of the special funds; any 3307
gifts, grants, donations, and pledges, and receipts therefrom, 3308
available for the payment of bond service charges; and any amounts 3309
in the state infrastructure bank pledged to the payment of such 3310
charges. If the amounts in the state infrastructure bank are 3311
insufficient for the payment of such charges, "pledged receipts" 3312
also means moneys that are apportioned by the United States 3313
secretary of transportation under United States Code, Title XXIII, 3314
as amended, or any successor legislation, or under any other 3315
federal law relating to aid for highways, and that are to be 3316
received as a grant by the state, to the extent the state is not 3317

(7) "Special funds" or "funds" means, except where the 3320
context does not permit, the bond service fund, and any other 3321
funds, including reserve funds, created under the bond 3322
proceedings, and the state infrastructure bank revenue bond 3323
service fund created by division (R) of this section to the extent 3324

limited to, all components of any such project, as described in 3330
division (D) of section 5131.09 of the Revised Code. 3331

(B) The issuing authority, after giving written notice to the 3332
director of budget and management and upon the certification by 3333
the director of transportation to the issuing authority of the 3334
amount of moneys or additional moneys needed either for state 3335
infrastructure projects or to provide financial assistance for any 3336
of the purposes for which the state infrastructure bank may be 3337
used under section 5531.09 of the Revised Code, or needed for 3338
capitalized interest, funding reserves, and paying costs and 3339

expenses relating to letters of credit, lines of credit, 3343
insurance, put agreements, standby purchase agreements, indexing, 3344
marketing, remarketing and administrative arrangements, interest 3345
swap or hedging agreements, and any other credit enhancement, 3346
liquidity, remarketing, renewal, or refunding arrangements, all of 3347
which are authorized by this section, shall issue obligations of 3348

from funds of the state infrastructure bank.

(C) The Except as otherwise provided in this division, the
holders or owners of such obligations shall have no right to have
moneys raised by taxation by the state of Ohio obligated or
pledged, and moneys so raised shall not be obligated or pledged,
for the payment of bond service charges. The municipal
corporations and counties may pledge and obligate moneys received
pursuant to sections 4501.04, 5709.42, 5709.79, 5735.23, 5735.27,
and 5735.291 of the Revised Code to the payment of amounts payable
by those municipal corporations and counties to the state
infrastructure bank pursuant to section 5531.09 of the Revised
Code, and the bond proceedings for obligations may provide that
such payments shall constitute pledged receipts, provided such
moneys are obligated, pledged, and paid only with respect to
obligations issued exclusively for public transportation projects.
The right of such holders and owners to the payment of bond
service charges is limited to all or that portion of the pledged
receipts and those special funds pledged thereto pursuant to the

bond proceedings for such obligations in accordance with this 3382
section, and each such obligation shall bear on its face a 3383
statement to that effect. 3384

(D) Obligations shall be authorized by order of the issuing 3385
authority and the bond proceedings shall provide for the purpose 3386
thereof and the principal amount or amounts, and shall provide for 3387
or authorize the manner or agency for determining the principal 3388
maturity or maturities, not exceeding twenty-five years from the 3389
date of issuance, the interest rate or rates or the maximum 3390
interest rate, the date of the obligations and the dates of 3391

section. The purpose of such obligations may be stated in the bond 3396
proceedings in terms describing the general purpose or purposes to 3397
be served. The bond proceedings also shall provide, subject to the 3398
provisions of any other applicable bond proceedings, for the 3399
pledge of all, or such part as the issuing authority may 3400
determine, of the pledged receipts and the applicable special fund 3401
or funds to the payment of bond service charges, which pledges may 3402
be made either prior or subordinate to other expenses, claims, or 3403
payments, and may be made to secure the obligations on a parity 3404
with obligations theretofore or thereafter issued, if and to the 3405
extent provided in the bond proceedings. The pledged receipts and 3406
special funds so pledged and thereafter received by the state 3407
immediately are subject to the lien of such pledge without any 3408
physical delivery thereof or further act, and the lien of any such 3409
pledges is valid and binding against all parties having claims of 3410
any kind against the state or any governmental agency of the 3411
state, irrespective of whether such parties have notice thereof, 3412
and shall create a perfected security interest for all purposes of 3413
Chapter 1309. of the Revised Code, without the necessity for 3414

separation or delivery of funds or for the filing or recording of 3415
the bond proceedings by which such pledge is created or any 3416
certificate, statement, or other document with respect thereto; 3417
and the pledge of such pledged receipts and special funds is 3418
effective and the money therefrom and thereof may be applied to 3419
the purposes for which pledged without necessity for any act of 3420
appropriation. Every pledge, and every covenant and agreement made 3421
with respect thereto, made in the bond proceedings may therein be 3422
extended to the benefit of the owners and holders of obligations 3423
authorized by this section, and to any trustee therefor, for the 3424
further security of the payment of the bond service charges. 3425

(E) The bond proceedings may contain additional provisions as 3426
to: 3427

option of the issuing authority at such price or prices and under 3429
such terms and conditions as are provided in the bond proceedings; 3430

(2) Other terms of the obligations; 3431

(3) Limitations on the issuance of additional obligations; 3432

(4) The terms of any trust agreement or indenture securing 3433
the obligations or under which the same may be issued; 3434

(5) The deposit, investment, and application of special 3435

particular funds or moneys, provided that any bank or trust 3439
company which acts as depository of any moneys in the special 3440
funds may furnish such indemnifying bonds or may pledge such 3441
securities as required by the issuing authority; 3442

(6) Any or every provision of the bond proceedings being 3443
binding upon such officer, board, commission, authority, agency, 3444

department, or other person or body as may from time to time have 3445
the authority under law to take such actions as may be necessary 3446
to perform all or any part of the duty required by such provision; 3447

(7) Any provision that may be made in a trust agreement or 3448
indenture; 3449

qualified projects under section 5531.09 of the Revised Code. 3454

facsimile thereof affixed thereto or printed thereon. The 3456
obligations and any coupons pertaining to obligations shall be 3457
signed or bear the facsimile signature of the issuing authority. 3458
Any obligations or coupons may be executed by the person who, on 3459
the date of execution, is the proper issuing authority although on 3460
the date of such bonds or coupons such person was not the issuing 3461
authority. In case the issuing authority whose signature or a 3462
facsimile of whose signature appears on any such obligation or 3463
coupon ceases to be the issuing authority before delivery thereof, 3464
such signature or facsimile nevertheless is valid and sufficient 3465
for all purposes as if the former issuing authority had remained 3466
the issuing authority until such delivery; and in case the seal to 3467
be affixed to obligations has been changed after a facsimile of 3468
the seal has been imprinted on such obligations, such facsimile 3469
seal shall continue to be sufficient as to such obligations and 3470
obligations issued in substitution or exchange therefor. 3471

(G) All obligations are negotiable instruments and securities 3472
under Chapter 1308. of the Revised Code, subject to the provisions 3473
of the bond proceedings as to registration. The obligations may be 3474
issued in coupon or in registered form, or both, as the issuing 3475

authority determines. Provision may be made for the registration 3476
of any obligations with coupons attached thereto as to principal 3477
alone or as to both principal and interest, their exchange for 3478
obligations so registered, and for the conversion or reconversion 3479
into obligations with coupons attached thereto of any obligations 3480

charges for such registration, exchange, conversion, and 3482
reconversion. 3483

(H) Obligations may be sold at public sale or at private 3484
sale, as determined in the bond proceedings. 3485

(I) Pending preparation of definitive obligations, the 3486
issuing authority may issue interim receipts or certificates which 3487
shall be exchanged for such definitive obligations. 3488

(J) In the discretion of the issuing authority, obligations 3489
may be secured additionally by a trust agreement or indenture 3490
between the issuing authority and a corporate trustee which may be 3491
any trust company or bank having its principal place of business 3492
within the state. Any such agreement or indenture may contain the 3493
order authorizing the issuance of the obligations, any provisions 3494
that may be contained in any bond proceedings, and other 3495
provisions which are customary or appropriate in an agreement or 3496
indenture of such type, including, but not limited to: 3497

(1) Maintenance of each pledge, trust agreement, indenture, 3498

of the trustee, and provisions for protecting and enforcing them, 3509
including limitations on the rights of individual holders of 3510
obligations; 3511

or are destroyed, lost, or stolen; 3513

(5) Such other provisions as the trustee and the issuing 3514
authority agree upon, including limitations, conditions, or 3515
qualifications relating to any of the foregoing. 3516

(K) Any holder of obligations or a trustee under the bond 3517
proceedings, except to the extent that the holder's or trustee's 3518
rights are restricted by the bond proceedings, may by any suitable 3519
form of legal proceedings, protect and enforce any rights under 3520
the laws of this state or granted by such bond proceedings. Such 3521
rights include the right to compel the performance of all duties 3522
of the issuing authority and the director of transportation 3523
required by the bond proceedings or sections 5531.09 and 5531.10 3524
of the Revised Code; to enjoin unlawful activities; and in the 3525
event of default with respect to the payment of any bond service 3526
charges on any obligations or in the performance of any covenant 3527
or agreement on the part of the issuing authority or the director 3528
of transportation in the bond proceedings, to apply to a court 3529
having jurisdiction of the cause to appoint a receiver to receive 3530
and administer the pledged receipts and special funds, other than 3531
those in the custody of the treasurer of state, which are pledged 3532
to the payment of the bond service charges on such obligations or 3533
which are the subject of the covenant or agreement, with full 3534
power to pay, and to provide for payment of bond service charges 3535
on, such obligations, and with such powers, subject to the 3536
direction of the court, as are accorded receivers in general 3537

equity cases, excluding any power to pledge additional revenues or 3538
receipts or other income or moneys of the state or local 3539
governmental entities, or agencies thereof, to the payment of such 3540
principal and interest and excluding the power to take possession 3541
of, mortgage, or cause the sale or otherwise dispose of any 3542
project facilities. 3543

Each duty of the issuing authority and the issuing 3544
authority's officers and employees, and of each state or local 3545
governmental agency and its officers, members, or employees, 3546
undertaken pursuant to the bond proceedings or any loan, loan 3547

in every agreement by or with the issuing authority, is hereby 3550
established as a duty of the issuing authority, and of each such 3551
officer, member, or employee having authority to perform such 3552
duty, specifically enjoined by the law resulting from an office, 3553
trust, or station within the meaning of section 2731.01 of the 3554
Revised Code. 3555

The person who is at the time the issuing authority, or the 3556
issuing authority's officers or employees, are not liable in their 3557
personal capacities on any obligations issued by the issuing 3558
authority or any agreements of or with the issuing authority. 3559

(L) The issuing authority may authorize and issue obligations 3560
for the refunding, including funding and retirement, and advance 3561
refunding with or without payment or redemption prior to maturity, 3562
of any obligations previously issued by the issuing authority. 3563
Such obligations may be issued in amounts sufficient for payment 3564
of the principal amount of the prior obligations, any redemption 3565
premiums thereon, principal maturities of any such obligations 3566
maturing prior to the redemption of the remaining obligations on a 3567
parity therewith, interest accrued or to accrue to the maturity 3568
dates or dates of redemption of such obligations, and any expenses 3569

incurred or to be incurred in connection with such issuance and 3570
such refunding, funding, and retirement. Subject to the bond 3571
proceedings therefor, the portion of proceeds of the sale of 3572
obligations issued under this division to be applied to bond 3573
service charges on the prior obligations shall be credited to an 3574
appropriate account held by the trustee for such prior or new 3575
obligations or to the appropriate account in the bond service fund 3576
for such obligations. Obligations authorized under this division 3577
shall be deemed to be issued for those purposes for which such 3578
prior obligations were issued and are subject to the provisions of 3579
this section pertaining to other obligations, except as otherwise 3580
provided in this section. The last maturity of obligations 3581
authorized under this division shall not be later than twenty-five 3582
years from the date of issuance of the original securities issued 3583
for the original purpose. 3584

(M) The authority to issue obligations under this section 3585
includes authority to issue obligations in the form of bond 3586
anticipation notes and to renew the same from time to time by the 3587
issuance of new notes. The holders of such notes or interest 3588
coupons pertaining thereto shall have a right to be paid solely 3589
from the pledged receipts and special funds that may be pledged to 3590
the payment of the bonds anticipated, or from the proceeds of such 3591
bonds or renewal notes, or both, as the issuing authority provides 3592
in the order authorizing such notes. Such notes may be 3593
additionally secured by covenants of the issuing authority to the 3594
effect that the issuing authority and the state will do such or 3595
all things necessary for the issuance of such bonds or renewal 3596
notes in the appropriate amount, and apply the proceeds thereof to 3597
the extent necessary, to make full payment of the principal of and 3598
interest on such notes at the time or times contemplated, as 3599
provided in such order. For such purpose, the issuing authority 3600
may issue bonds or renewal notes in such principal amount and upon 3601

such terms as may be necessary to provide funds to pay when 3602
required the principal of and interest on such notes, 3603
notwithstanding any limitations prescribed by or for purposes of 3604
this section. Subject to this division, all provisions for and 3605

of the Revised Code or rules adopted pursuant thereto by any 3626
agency of the state with respect to investments by them, and are 3627
also acceptable as security for the deposit of public moneys. 3628

(O) Unless otherwise provided in any applicable bond 3629
proceedings, moneys to the credit of or in the special funds 3630
established by or pursuant to this section may be invested by or 3631
on behalf of the issuing authority only in notes, bonds, or other 3632

for the establishment of separate accounts in the bond service 3656
fund and for the application of such accounts only to the 3657
specified bond service charges on obligations pertinent to such 3658
accounts and bond service fund and for other accounts therein 3659
within the general purposes of such fund. Unless otherwise 3660
provided in any applicable bond proceedings, moneys to the credit 3661

and is subject to division (C) of this section and, if and to the 3676
extent otherwise applicable, Section 13 of Article VIII, Ohio 3677
Constitution. The bond proceedings may contain a covenant that, in 3678
the event the pledged receipts primarily pledged and required to 3679

purpose to the department of transportation. The covenant also may 3688
provide that if the payments are not made or the moneys are not 3689
immediately and fully restored to the reserves from such moneys, 3690
the director shall promptly submit to the governor and to the 3691
director of budget and management a written request for either or 3692

requests a recommendation that the payment of the bond service 3706
charges and the replenishment of the reserves be made in the 3707
interest of maximizing the benefits of the state infrastructure 3708
bank. Any such covenant shall not obligate or purport to obligate 3709
the state to pay the bond service charges on such bonds or notes 3710
or to deposit moneys in a reserve established for such payments 3711
other than from moneys that may be lawfully available and 3712
appropriated for that purpose during the then-current biennium. 3713

state agencies and required by the applicable bond proceedings, 3718
consistent with this section, to be deposited, transferred, or 3719
credited to the bond service fund, and all other moneys 3720
transferred or allocated to or received for the purposes of the 3721
fund, shall be deposited and credited to such fund and to any 3722

bond proceedings, but without necessity for any act of 3724

provided for by the treasurer of state in accordance with such 3729

bond proceedings without necessity for any act of appropriation. 3730

having lawful title to it, without incurring liability for such 3921
tax. 3922

and the denominator of which fraction is that portion of the tax 3980
per gallon determined under division (B)(2)(a) of section 5735.06 3981
of the Revised Code; 3982

The Director of the Public Works Commission is authorized to 5093
create a District Administration Costs Program from interest 5094
earnings of the Capital Improvements Fund and Local Transportation 5095

REAPPROPRIATIONS 5115

All capital appropriations from the Local Transportation 5116
Improvement Program Fund (Fund 052) in Am. Sub. H.B. 87 of the 5117
125th General Assembly remaining unencumbered as of June 30, 2005, 5118
are reappropriated for use during the period July 1, 2005, through 5119
June 30, 2006, for the same purpose. 5120

Notwithstanding division (B) of section 127.14 of the Revised Code, all capital appropriations and reappropriations from the Local Transportation Improvement Program Fund (Fund 052) in this act remaining unencumbered as of June 30, 2006, are reappropriated for use during the period July 1, 2006, through June 30, 2007, for the same purposes, subject to the availability of revenue as determined by the Director of the Public Works Commission.

Section 303.03. PROVISIONS OF LAW GENERALLY APPLICABLE TO APPROPRIATIONS

Law contained in the main operating appropriations act of the 126th General Assembly that is generally applicable to the appropriations made in the main operating appropriations act also is generally applicable to the appropriations made in this act.

Section 303.06. LEASE PAYMENTS TO OBA AND TREASURER

Certain appropriations are in this act for the purpose of lease payments to the Ohio Building Authority or to the Treasurer of State under leases and agreements relating to bonds or notes issued by the Ohio Building Authority or the Treasurer of State under the Ohio Constitution and acts of the General Assembly. If it is determined that additional appropriations are necessary for this purpose, such amounts are hereby appropriated.

Section 606.03. If any item of law that constitutes the whole or part of a codified or uncodified section of law contained in this act, or if any application of any item of law that constitutes the whole or part of a codified or uncodified section of law contained in this act, is held invalid, the invalidity does not affect other items of law or applications of items of law that can be given effect without the invalid item of law or application. To this end, the items of law of which the codified

and uncodified sections contained in this act are composed, and 5150
their applications, are independent and severable. 5151

Section 612.03. Except as otherwise specifically provided in 5152
this act, the codified sections of law amended or enacted in this 5153
act, and the items of law of which the codified sections of law 5154
amended or enacted in this act are composed, are subject to the 5155
referendum. Therefore, under Ohio Constitution, Article II, 5156
Section 1c and section 1.471 of the Revised Code, the codified 5157
sections of law amended or enacted by this act, and the items of 5158
law of which the codified sections of law as amended or enacted by 5159
this act are composed, take effect on the ninety-first day after 5160
this act is filed with the Secretary of State. If, however, a 5161
referendum petition is filed against any such codified section of 5162
law as amended or enacted by this act, or against any item of law 5163
of which any such codified section of law as amended or enacted by 5164
this act is composed, the codified section of law as amended or 5165
enacted, or item of law, unless rejected at the referendum, takes 5166
effect at the earliest time permitted by law. 5167

Section 612.09. Sections 109.572, 4501.26, 4503.26, 4503.40, 5168
4503.42, 4508.06, 4508.10, 4509.27, 4749.03, 4749.06, and 4749.10 5169
of the Revised Code, as amended or enacted by this act, and the 5170
items of law of which such sections as amended or enacted by this 5171
act are composed, are not subject to the referendum. Therefore, 5172
under Ohio Constitution, Article II, Section 1d and section 1.471 5173
of the Revised Code, such sections as amended or enacted by this 5174
act, and the items of law of which such sections as amended or 5175
enacted by this act are composed, are entitled to go into 5176
immediate effect when this act becomes law. However, those 5177
sections as amended by this act, and the items of law which those 5178
sections as amended by this act are composed, take effect on July 5179

1, 2005. 5180

Section 612.12. The repeal by this act of sections 4501.12 5181
and 4501.35 of the Revised Code is not subject to the referendum. 5182
Therefore, under Ohio Constitution, Article II, Section 1d and 5183
section 1.471 of the Revised Code, such repeals are entitled to go 5184
into immediate effect when this act becomes law. However, those 5185
sections as repealed by this act, and the items of law which those 5186
sections as repealed by this act are composed, go into effect on 5187
July 1, 2005. 5188

Section 612.18. If the amendment or enactment in this act of 5189
a codified section of law is subject to the referendum, the 5190
corresponding indications in the amending, enacting, or existing 5191
repeal clauses commanding the amendment or enactment also are 5192
subject to the referendum, along with the amendment or enactment. 5193
If the amendment, enactment, or repeal by this act of a codified 5194
or uncodified section of law is not subject to the referendum, the 5195
corresponding indications in the amending, enacting, or repeal 5196
clauses commanding the amendment, enactment, or repeal also are 5197
not subject to the referendum, the same as the amendment, 5198
enactment, or repeal. 5199

Section 615.03. The items in the uncodified sections of law 5200
contained in this act that appropriate money for the current 5201
expenses of state government, earmark this class of 5202
appropriations, or depend for their implementation upon an 5203
appropriation for the current expenses of state government are not 5204
subject to the referendum. Therefore, under Ohio Constitution, 5205
Article II, Section 1d and section 1.471 of the Revised Code, 5206
these items go into immediate effect when this act becomes law. 5207

The items in the uncodified sections of law contained in this 5208
act that appropriate money other than for the current expenses of 5209

state government, earmark this class of appropriations, or do not
depend for their implementation upon an appropriation for the
current expenses of state government are subject to the
referendum. Therefore, under Ohio Constitution, Article II,
Section 1c and section 1.471 of the Revised Code, these items take
effect on the ninety-first day after this act is filed with the
Secretary of State. If, however, a referendum petition is filed
against such an item, the item, unless rejected at the referendum,
takes effect at the earliest time permitted by law.

This section is not subject to the referendum. Therefore,
under Ohio Constitution, Article II, Section 1d and section 1.471
of the Revised Code, this section goes into immediate effect when
this act becomes law.

Section 618.03. The General Assembly, applying the principle
stated in division (B) of section 1.52 of the Revised Code that
amendments are to be harmonized if reasonably capable of
simultaneous operation, finds that the following sections,
presented in this act as composites of the sections as amended by
the acts indicated, are the resulting versions of the sections in
effect prior to the effective date of the sections as presented in
this act:

Section 109.572 of the Revised Code as amended by Am. Sub.
H.B. 117, Am. Sub. H.B. 306, Am. Sub. S.B. 53, and Am. S.B. 178,
all of the 125th General Assembly.

Section 307.12 of the Revised Code as amended by both Sub.
H.B. 204 and Sub. H.B. 323 of the 125th General Assembly.
