(2) When the chief fiscal officer of a public office notifies 1241
the auditor of state that an audit is required at a time prior to 1242
the next regularly scheduled audit by the auditor of state, the 1243
auditor of state shall either cause an earlier audit to be made by 1244
the auditor of state or authorize the legislative authority or 1245
governing board of the public office to engage an independent 1246
certified public accountant to conduct the required audit. The 1247

the persons to whom it shall be given, in all cases in which 1273
section 119.06 of the Revised Code requires an agency to afford an 1274
opportunity for a hearing prior to the issuance of an order, the 1275
agency shall give notice to the party informing ~~him~~ the party of 1276
~~his~~ the party's right to a hearing. Notice shall be given by 1277
registered or certified mail, return receipt requested, and shall 1278
include the charges or other reasons for the proposed action, the 1279
law or rule directly involved, and a statement informing the party 1280
that ~~he~~ the party is entitled to a hearing if ~~he~~ the party 1281
requests it within thirty days of the time of mailing the notice. 1282
The notice shall also inform the party that at the hearing ~~he~~ the 1283
party may appear in person, by ~~his~~ the party's attorney, or by 1284
such other representative as is permitted to practice before the 1285
agency, or may present ~~his~~ the party's position, arguments, or 1286
contentions in writing and that at the hearing ~~he~~ the party may 1287
present evidence and examine witnesses appearing for and against 1288

~~him~~ the party. A copy of the notice shall be mailed to attorneys 1289
or other representatives of record representing the party. This 1290
paragraph does not apply to situations in which such section 1291
provides for a hearing only when it is requested by the party. 1292

When a statute specifically permits the suspension of a 1293
license without a prior hearing, notice of the agency's order 1294
shall be sent to the party by registered or certified mail, return 1295
receipt requested, not later than the business day next succeeding 1296
such order. The notice shall state the reasons for the agency's 1297
action, cite the law or rule directly involved, and state that the 1298
party will be afforded a hearing if ~~he~~ the party requests it 1299
within thirty days of the time of mailing the notice. A copy of 1300
the notice shall be mailed to attorneys or other representatives 1301
of record representing the party. 1302

Whenever a party requests a hearing in accordance with this 1303
section and section 119.06 of the Revised Code, the agency shall 1304
immediately set the date, time, and place for the hearing and 1305
forthwith notify the party thereof. The date set for the hearing 1306
shall be within fifteen days, but not earlier than seven days, 1307
after the party has requested a hearing, unless otherwise agreed 1308
to by both the agency and the party. 1309

When any notice sent by registered or certified mail, as 1310
required by sections 119.01 to 119.13 of the Revised Code, is 1311
returned because of failure of delivery the agency shall send the 1312
notice by ordinary mail to the party at the party's last known 1313
address and shall obtain a certificate of mailing. Service by 1314
ordinary mail is complete when the certificate of mailing is 1315
obtained. If a notice sent by ordinary mail is returned showing 1316
failure of delivery, the agency shall notify the attorneys or 1317
other representatives of record representing the party of the 1318
failure of delivery and serve a copy of the notice upon them, by 1319
ordinary or registered or certified mail; if ordinary mail is 1320

used, the agency shall obtain a certificate of mailing. Service 1321
upon the attorneys or other representatives of record is complete 1322
when the notice is mailed. If there are no attorneys or other 1323
representatives of record representing the party, the agency 1324
either shall make personal delivery of the notice by an employee 1325
or agent of the agency or shall cause a summary of the substantive 1326
provisions of the notice to be published once a week for three 1327
consecutive weeks in a newspaper of general circulation in the 1328
county where the last known ~~place of residence or business~~ address 1329
of the party is located. When notice is given by publication, a 1330
~~copy of the newspaper~~ a proof of publication affidavit, with the 1331
first publication of the notice ~~marked~~ set forth in the affidavit, 1332
shall be mailed by ordinary mail to the party at the party's last 1333
known address and the notice shall be deemed received as of the 1334
date of the last publication. An employee or agent of the agency 1335
may make personal delivery of the notice upon a party at any time. 1336

Refusal of delivery by personal service or by mail is not 1337
failure of delivery. Failure of delivery occurs only when, with 1338
reasonable diligence, a party cannot be found to make personal 1339
service of a notice, or if a mailed notice is returned by the 1340
postal authorities marked undeliverable, addressee unknown, or 1341
forwarding address unknown or expired. A party's last known 1342
address is the mailing address of the party appearing in the 1343
records of the agency. 1344

The failure of an agency to give the notices for any hearing 1345
required by sections 119.01 to 119.13 of the Revised Code in the 1346
manner provided in this section shall invalidate any order entered 1347
pursuant to the hearing. 1348

Sec. 120.33. (A) In lieu of using a county public defender or 1349
joint county public defender to represent indigent persons in the 1350
proceedings set forth in division (A) of section 120.16 of the 1351

Revised Code, the board of county commissioners of any county may
adopt a resolution to pay counsel who are either personally
selected by the indigent person or appointed by the court. The
resolution shall include those provisions the board of county
commissioners considers necessary to provide effective
representation of indigent persons in any proceeding for which
counsel is provided under this section. The resolution shall
include provisions for contracts with any municipal corporation
under which the municipal corporation shall reimburse the county
for counsel appointed to represent indigent persons charged with
violations of the ordinances of the municipal corporation.

(1) In a county that adopts a resolution to pay counsel, an
indigent person shall have the right to do either of the
following:

(a) To select the person's own personal counsel to represent
the person in any proceeding included within the provisions of the
resolution;

(b) To request the court to appoint counsel to represent the
person in such a proceeding.

(2) The court having jurisdiction over the proceeding in a
county that adopts a resolution to pay counsel shall, after
determining that the person is indigent and entitled to legal
representation under this section, do either of the following:

(a) By signed journal entry recorded on its docket, enter the
name of the lawyer selected by the indigent person as counsel of
record;

(b) Appoint counsel for the indigent person if the person has
requested the court to appoint counsel and, by signed journal
entry recorded on its dockets, enter the name of the lawyer
appointed for the indigent person as counsel of record.

(3) The board of county commissioners shall establish a

schedule of fees by case or on an hourly basis to be paid to 1383
counsel for legal services provided pursuant to a resolution 1384
adopted under this section. Prior to establishing the schedule, 1385
the board of county commissioners shall request the bar 1386
association or associations of the county to submit a proposed 1387
schedule. The schedule submitted shall be subject to the review, 1388
amendment, and approval of the board of county commissioners. 1389

(4) Counsel selected by the indigent person or appointed by 1390
the court at the request of an indigent person in a county that 1391
adopts a resolution to pay counsel, except for counsel appointed 1392
to represent a person charged with any violation of an ordinance 1393
of a municipal corporation that has not contracted with the county 1394
commissioners for the payment of appointed counsel, shall be paid 1395
by the county and shall receive the compensation and expenses the 1396
court approves. Each request for payment shall be accompanied by a 1397
financial disclosure form and an affidavit of indigency that are 1398
completed by the indigent person on forms prescribed by the state 1399
public defender. Compensation and expenses shall not exceed the 1400
amounts fixed by the board of county commissioners in the schedule 1401
adopted pursuant to division (A)(3) of this section. No court 1402
shall approve compensation and expenses that exceed the amount 1403
fixed pursuant to division (A)(3) of this section. 1404

The fees and expenses approved by the court shall not be 1405
taxed as part of the costs and shall be paid by the county. 1406
However, if the person represented has, or may reasonably be 1407
expected to have, the means to meet some part of the cost of the 1408
services rendered to the person, the person shall pay the county 1409
an amount that the person reasonably can be expected to pay. 1410
Pursuant to section 120.04 of the Revised Code, the county shall 1411
pay to the state public defender a percentage of the payment 1412
received from the person in an amount proportionate to the 1413
percentage of the costs of the person's case that were paid to the 1414

county by the state public defender pursuant to this section. The 1415
money paid to the state public defender shall be credited to the 1416
client payment fund created pursuant to division (B)(5) of section 1417
120.04 of the Revised Code. 1418

The county auditor shall draw a warrant on the county 1419
treasurer for the payment of counsel in the amount fixed by the 1420
court, plus the expenses the court fixes and certifies to the 1421
auditor. The county auditor shall report periodically, but not 1422
less than annually, to the board of county commissioners and to 1423
the ~~Ohio state~~ public defender ~~commission~~ the amounts paid out 1424
pursuant to the approval of the court. The board of county 1425
commissioners, after review and approval of the auditor's report, 1426
or the county auditor, with permission from and notice to the 1427
board of county commissioners, may then certify it to the state 1428
public defender for reimbursement. ~~If a~~ The state public defender 1429
may pay a requested reimbursement only if the request for 1430
reimbursement is ~~not~~ accompanied by a financial disclosure form 1431
and an affidavit of indigency completed by the indigent person on 1432
forms prescribed by the state public defender, ~~the state public~~ 1433
~~defender shall not pay the requested reimbursement~~ or if the court 1434
certifies by electronic signature as prescribed by the state 1435
public defender that a financial disclosure form and affidavit of 1436
indigency have been completed by the indigent person and are 1437
available for inspection. If a request for the reimbursement of 1438
the cost of counsel in any case is not received by the state 1439
public defender within ninety days after the end of the calendar 1440
month in which the case is finally disposed of by the court, 1441
unless the county has requested and the state public defender has 1442
granted an extension of the ninety-day limit, the state public 1443
defender shall not pay the requested reimbursement. The state 1444
public defender shall also review the report and, in accordance 1445
with the standards, guidelines, and maximums established pursuant 1446
to divisions (B)(7) and (8) of section 120.04 of the Revised Code, 1447

prepare a voucher for fifty per cent of the total cost of each 1448
county appointed counsel system in the period of time covered by 1449
the certified report and a voucher for fifty per cent of the costs 1450
and expenses that are reimbursable under section 120.35 of the 1451
Revised Code, if any, or, if the amount of money appropriated by 1452
the general assembly to reimburse counties for the operation of 1453
county public defender offices, joint county public defender 1454
offices, and county appointed counsel systems is not sufficient to 1455
pay fifty per cent of the total cost of all of the offices and 1456
systems other than costs and expenses that are reimbursable under 1457
section 120.35 of the Revised Code, for the lesser amount required 1458
by section 120.34 of the Revised Code. 1459

(5) If any county appointed counsel system fails to maintain 1460
the standards for the conduct of the system established by the 1461
rules of the Ohio public defender commission pursuant to divisions 1462
(B) and (C) of section 120.03 or the standards established by the 1463
state public defender pursuant to division (B)(7) of section 1464
120.04 of the Revised Code, the Ohio public defender commission 1465
shall notify the board of county commissioners of the county that 1466
the county appointed counsel system has failed to comply with its 1467
rules or the standards of the state public defender. Unless the 1468
board of county commissioners corrects the conduct of its 1469
appointed counsel system to comply with the rules and standards 1470
within ninety days after the date of the notice, the state public 1471
defender may deny all or part of the county's reimbursement from 1472
the state provided for in division (A)(4) of this section. 1473

(B) In lieu of using a county public defender or joint county 1474
public defender to represent indigent persons in the proceedings 1475
set forth in division (A) of section 120.16 of the Revised Code, 1476
and in lieu of adopting the resolution and following the procedure 1477
described in division (A) of this section, the board of county 1478
commissioners of any county may contract with the state public 1479

defender for the state public defender's legal representation of 1480
indigent persons. A contract entered into pursuant to this 1481
division may provide for payment for the services provided on a 1482
per case, hourly, or fixed contract basis. 1483

(C) If a court appoints an attorney pursuant to this section 1484
to represent a petitioner in a postconviction relief proceeding 1485
under section 2953.21 of the Revised Code, the petitioner has 1486
received a sentence of death, and the proceeding relates to that 1487
sentence, the attorney who represents the petitioner in the 1488
proceeding pursuant to the appointment shall be certified under 1489
Rule 20 of the Rules of Superintendence for the Courts of Ohio to 1490
represent indigent defendants charged with or convicted of an 1491
offense for which the death penalty can be or has been imposed. 1492

Sec. 122.051. There is hereby created in the state treasury 1493
the international trade cooperative projects fund. The fund shall 1494
consist of moneys received from private and nonprofit 1495
organizations involved in cooperative agreements related to 1496
import/export and direct foreign investment activities and cash 1497
transfers from other state agencies or any state or local 1498
government to encourage, promote, and assist trade and commerce 1499
between this state and foreign nations, pursuant to section 122.05 1500
and division (E) of section 122.04 of the Revised Code. 1501

Sec. 122.071. There is hereby created in the state treasury 1502
the travel and tourism cooperative projects fund consisting of all 1503
grants, gifts, and contributions made to the director of 1504
development for marketing and promotion of travel and tourism 1505
within this state pursuant to division (F) of section 122.04 and 1506
section 122.07 of the Revised Code. 1507

Sec. 122.076. There is hereby created in the state treasury 1508
the energy projects fund consisting of nonfederal revenue that is 1509

remitted to the director of development for the purpose of energy projects. Money in the fund shall be used by the department of development for energy projects and to pay the costs incurred in administering the energy projects.

Sec. 122.17. (A) As used in this section: 1514

(1) "Full-time employee" means an individual who is employed for consideration for at least an average of thirty-five hours a week ~~or~~, who renders any other standard of service generally accepted by custom or specified by contract as full-time employment, or who is employed for consideration for such time or renders such service but is on family or medical leave under the federal Family and Medical Leave Act of 1993, Pub. L. No. 103-3, 107 Stat. 6, as amended, or on active duty reserve or Ohio national guard service.

(2) "New employee" means one of the following: 1524

(a) A full-time employee first employed by a taxpayer in the project that is the subject of the agreement after the taxpayer enters into a tax credit agreement with the tax credit authority under this section;

(b) A full-time employee first employed by a taxpayer in the project that is the subject of the tax credit after the tax credit authority approves a project for a tax credit under this section in a public meeting, as long as the taxpayer enters into the tax credit agreement prepared by the department of development after such meeting within sixty days after receiving the agreement from the department. If the taxpayer fails to enter into the agreement within sixty days, "new employee" has the same meaning as under division (A)(2)(a) of this section. A full-time employee may be considered a "new employee" of a taxpayer, despite previously having been employed by a related member of the taxpayer, if all of the following apply:

(i) The related member is a party to the tax credit agreement 1541
at the time the employee is first employed with the taxpayer; 1542

(ii) The related member will remain subject to the tax 1543
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 1544
under Chapter 5751. of the Revised Code for the remainder of the 1545
term of the tax credit, and the tax credit is taken against 1546
liability for that same tax through the remainder of the term of 1547
the tax credit; and 1548

(iii) The employee was considered a new employee of the 1549
related member prior to employment with the taxpayer. 1550

Under division (A)(2)(a) or (b) of this section, if the tax 1551
credit authority determines it appropriate, "new employee" also 1552
may include an employee re-hired or called back from lay-off to 1553
work in a new facility or on a new product or service established 1554
or produced by the taxpayer after entering into the agreement 1555
under this section or after the tax credit authority approves the 1556
tax credit in a public meeting. Except as otherwise provided in 1557
this paragraph, "new employee" does not include any employee of 1558
the taxpayer who was previously employed in this state by a 1559
related member of the taxpayer and whose employment was shifted to 1560
the taxpayer after the taxpayer entered into the tax credit 1561
agreement or after the tax credit authority approved the credit in 1562
a public meeting, or any employee of the taxpayer for which the 1563
taxpayer has been granted a certificate under division (B) of 1564
section 5709.66 of the Revised Code. However, if the taxpayer is 1565
engaged in the enrichment and commercialization of uranium or 1566
uranium products or is engaged in research and development 1567
activities related thereto and if the tax credit authority 1568
determines it appropriate, "new employee" may include an employee 1569
of the taxpayer who was previously employed in this state by a 1570
related member of the taxpayer and whose employment was shifted to 1571
the taxpayer after the taxpayer entered into the tax credit 1572

agreement or after the tax credit authority approved the credit in 1573
a public meeting. "New employee" does not include an employee of 1574
the taxpayer who is employed in an employment position that was 1575
relocated to a project from other operations of the taxpayer in 1576
this state or from operations of a related member of the taxpayer 1577
in this state. In addition, "new employee" does not include a 1578
child, grandchild, parent, or spouse, other than a spouse who is 1579
legally separated from the individual, of any individual who is an 1580
employee of the taxpayer and who has a direct or indirect 1581
ownership interest of at least five per cent in the profits, 1582
capital, or value of the taxpayer. Such ownership interest shall 1583
be determined in accordance with section 1563 of the Internal 1584
Revenue Code and regulations prescribed thereunder. 1585

(3) "New income tax revenue" means the total amount withheld 1586
under section 5747.06 of the Revised Code by the taxpayer during 1587
the taxable year, or during the calendar year that includes the 1588
tax period, from the compensation of new employees for the tax 1589
levied under Chapter 5747. of the Revised Code. 1590

(4) "Related member" has the same meaning as under division 1591
(A)(6) of section 5733.042 of the Revised Code without regard to 1592
division (B) of that section. 1593

(B) The tax credit authority may make grants under this 1594
section to foster job creation in this state. Such a grant shall 1595
take the form of a refundable credit allowed against the tax 1596
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 1597
under Chapter 5751. of the Revised Code. The credit shall be 1598
claimed for the taxable years or tax periods specified in the 1599
taxpayer's agreement with the tax credit authority under division 1600
(D) of this section. With respect to taxes imposed under section 1601
5733.06 or 5747.02 or Chapter 5751. of the Revised Code, the 1602
credit shall be claimed in the order required under section 1603
5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of 1604

the credit available for a taxable year or for a calendar year 1605
that includes a tax period equals the new income tax revenue for 1606
that year multiplied by the percentage specified in the agreement 1607
with the tax credit authority. Any credit granted under this 1608
section against the tax imposed by section 5733.06 or 5747.02 of 1609
the Revised Code, to the extent not fully utilized against such 1610
tax for taxable years ending prior to 2008, shall automatically be 1611
converted without any action taken by the tax credit authority to 1612
a credit against the tax levied under Chapter 5751. of the Revised 1613
Code for tax periods beginning on or after July 1, 2008, provided 1614
that the person to whom the credit was granted is subject to such 1615
tax. The converted credit shall apply to those calendar years in 1616
which the remaining taxable years specified in the agreement end. 1617

(C) A taxpayer or potential taxpayer who proposes a project 1618
to create new jobs in this state may apply to the tax credit 1619
authority to enter into an agreement for a tax credit under this 1620
section. The director of development shall prescribe the form of 1621
the application. After receipt of an application, the authority 1622
may enter into an agreement with the taxpayer for a credit under 1623
this section if it determines all of the following: 1624

(1) The taxpayer's project will create new jobs in this 1625
state; 1626

(2) The taxpayer's project is economically sound and will 1627
benefit the people of this state by increasing opportunities for 1628
employment and strengthening the economy of this state; 1629

(3) Receiving the tax credit is a major factor in the 1630
taxpayer's decision to go forward with the project. 1631

(D) An agreement under this section shall include all of the 1632
following: 1633

(1) A detailed description of the project that is the subject 1634
of the agreement; 1635

(2) The term of the tax credit, which shall not exceed 1636
fifteen years, and the first taxable year, or first calendar year 1637
that includes a tax period, for which the credit may be claimed; 1638

(3) A requirement that the taxpayer shall maintain operations 1639
at the project location for at least twice the number of years as 1640
the term of the tax credit; 1641

(4) The percentage, as determined by the tax credit 1642
authority, of new income tax revenue that will be allowed as the 1643
amount of the credit for each taxable year or for each calendar 1644
year that includes a tax period; 1645

(5) A specific method for determining how many new employees 1646
are employed during a taxable year or during a calendar year that 1647
includes a tax period; 1648

(6) A requirement that the taxpayer annually shall report to 1649
the director of development the number of new employees, the new 1650
income tax revenue withheld in connection with the new employees, 1651
and any other information the director needs to perform the 1652
director's duties under this section; 1653

(7) A requirement that the director of development annually 1654
shall verify the amounts reported under division (D)(6) of this 1655
section, and after doing so shall issue a certificate to the 1656
taxpayer stating that the amounts have been verified; 1657

(8)(a) A provision requiring that the taxpayer, except as 1658
otherwise provided in division (D)(8)(b) of this section, shall 1659
not relocate employment positions from elsewhere in this state to 1660
the project site that is the subject of the agreement for the 1661
lesser of five years from the date the agreement is entered into 1662
or the number of years the taxpayer is entitled to claim the tax 1663
credit. 1664

(b) The taxpayer may relocate employment positions from 1665
elsewhere in this state to the project site that is the subject of 1666

the agreement if the director of development determines both of 1667
the following: 1668

(i) That the site from which the employment positions would 1669
be relocated is inadequate to meet market and industry conditions, 1670
expansion plans, consolidation plans, or other business 1671
considerations affecting the taxpayer; 1672

(ii) That the legislative authority of the county, township, 1673
or municipal corporation from which the employment positions would 1674
be relocated has been notified of the relocation. 1675

For purposes of this section, the movement of an employment 1676
position from one political subdivision to another political 1677
subdivision shall be considered a relocation of an employment 1678
position, but the transfer of an individual employee from one 1679
political subdivision to another political subdivision shall not 1680
be considered a relocation of an employment position as long as 1681
the individual's employment position in the first political 1682
subdivision is refilled. 1683

(E) If a taxpayer fails to meet or comply with any condition 1684
or requirement set forth in a tax credit agreement, the tax credit 1685
authority may amend the agreement to reduce the percentage or term 1686
of the tax credit. The reduction of the percentage or term shall 1687
take effect (1) in the taxable year immediately following the 1688
taxable year in which the authority amends the agreement or the 1689
director of development notifies the taxpayer in writing of such 1690
failure, or (2) in the first tax period beginning in the calendar 1691
year immediately following the calendar year in which the 1692
authority amends the agreement or the director notifies the 1693
taxpayer in writing of such failure. If the taxpayer fails to 1694
annually report any of the information required by division (D)(6) 1695
of this section within the time required by the director, the 1696
reduction of the percentage or term may take effect in the current 1697
taxable year. If the taxpayer relocates employment positions in 1698

violation of the provision required under division (D)(8)(a) of 1699
this section, the taxpayer shall not claim the tax credit under 1700
section 5733.0610 of the Revised Code for any tax years following 1701
the calendar year in which the relocation occurs, or shall not 1702
claim the tax credit under section 5725.32, 5729.032, or 5747.058 1703
of the Revised Code for the taxable year in which the relocation 1704
occurs and any subsequent taxable years, and shall not claim the 1705
tax credit under division (A) of section 5751.50 of the Revised 1706
Code for any tax period in the calendar year in which the 1707
relocation occurs and any subsequent tax periods. 1708

(F) Projects that consist solely of point-of-final-purchase 1709
retail facilities are not eligible for a tax credit under this 1710
section. If a project consists of both point-of-final-purchase 1711
retail facilities and nonretail facilities, only the portion of 1712
the project consisting of the nonretail facilities is eligible for 1713
a tax credit and only the new income tax revenue from new 1714
employees of the nonretail facilities shall be considered when 1715
computing the amount of the tax credit. If a warehouse facility is 1716
part of a point-of-final-purchase retail facility and supplies 1717
only that facility, the warehouse facility is not eligible for a 1718
tax credit. Catalog distribution centers are not considered 1719
point-of-final-purchase retail facilities for the purposes of this 1720
division, and are eligible for tax credits under this section. 1721

(G) Financial statements and other information submitted to 1722
the department of development or the tax credit authority by an 1723
applicant or recipient of a tax credit under this section, and any 1724
information taken for any purpose from such statements or 1725
information, are not public records subject to section 149.43 of 1726
the Revised Code. However, the chairperson of the authority may 1727
make use of the statements and other information for purposes of 1728
issuing public reports or in connection with court proceedings 1729
concerning tax credit agreements under this section. Upon the 1730

request of the tax commissioner or, if the applicant or recipient 1731
is an insurance company, upon the request of the superintendent of 1732
insurance, the chairperson of the authority shall provide to the 1733
commissioner or superintendent any statement or information 1734
submitted by an applicant or recipient of a tax credit in 1735
connection with the credit. The commissioner or superintendent 1736
shall preserve the confidentiality of the statement or 1737
information. 1738

(H) A taxpayer claiming a credit under this section shall 1739
submit to the tax commissioner or, if the taxpayer is an insurance 1740
company, to the superintendent of insurance, a copy of the 1741
director of development's certificate of verification under 1742
division (D)(7) of this section with the taxpayer's tax report or 1743
return for the taxable year or for the calendar year that includes 1744
the tax period. Failure to submit a copy of the certificate with 1745
the report or return does not invalidate a claim for a credit if 1746
the taxpayer submits a copy of the certificate to the commissioner 1747
or superintendent within sixty days after the commissioner or 1748
superintendent requests it. 1749

(I) The director of development, after consultation with the 1750
tax commissioner and the superintendent of insurance and in 1751
accordance with Chapter 119. of the Revised Code, shall adopt 1752
rules necessary to implement this section. The rules may provide 1753
for recipients of tax credits under this section to be charged 1754
fees to cover administrative costs of the tax credit program. The 1755
fees collected shall be credited to the tax incentive programs 1756
operating fund created in section 122.174 of the Revised Code. At 1757
the time the director gives public notice under division (A) of 1758
section 119.03 of the Revised Code of the adoption of the rules, 1759
the director shall submit copies of the proposed rules to the 1760
chairpersons of the standing committees on economic development in 1761
the senate and the house of representatives. 1762

(J) For the purposes of this section, a taxpayer may include a partnership, a corporation that has made an election under subchapter S of chapter one of subtitle A of the Internal Revenue Code, or any other business entity through which income flows as a distributive share to its owners. A ~~credit received under this section by a~~ partnership, S-corporation, or other such business entity ~~shall be apportioned among~~ may elect to pass the credit received under this section through to the persons to whom the income or profit of the partnership, S-corporation, or other entity is distributed⁷. The election shall be made on the annual report required under division (D)(6) of this section. The election applies to and is irrevocable for the credit for which the report is submitted. If the election is made, the credit shall be apportioned among those persons in the same proportions as those in which the income or profit is distributed.

(K) If the director of development determines that a taxpayer who has received a credit under this section is not complying with the requirement under division (D)(3) of this section, the director shall notify the tax credit authority of the noncompliance. After receiving such a notice, and after giving the taxpayer an opportunity to explain the noncompliance, the tax credit authority may require the taxpayer to refund to this state a portion of the credit in accordance with the following:

(1) If the taxpayer maintained operations at the project location for at least one and one-half times the number of years of the term of the tax credit, an amount not exceeding twenty-five per cent of the sum of any previously allowed credits under this section;

(2) If the taxpayer maintained operations at the project location for at least the number of years of the term of the tax credit, an amount not exceeding fifty per cent of the sum of any previously allowed credits under this section;

(3) If the taxpayer maintained operations at the project 1795
location for less than the number of years of the term of the tax 1796
credit, an amount not exceeding one hundred per cent of the sum of 1797
any previously allowed credits under this section. 1798

In determining the portion of the tax credit to be refunded 1799
to this state, the tax credit authority shall consider the effect 1800
of market conditions on the taxpayer's project and whether the 1801
taxpayer continues to maintain other operations in this state. 1802
After making the determination, the authority shall certify the 1803
amount to be refunded to the tax commissioner or superintendent of 1804
insurance, as appropriate. If the amount is certified to the 1805
commissioner, the commissioner shall make an assessment for that 1806
amount against the taxpayer under Chapter 5733., 5747., or 5751. 1807
of the Revised Code. If the amount is certified to the 1808
superintendent, the superintendent shall make an assessment for 1809
that amount against the taxpayer under Chapter 5725. or 5729. of 1810
the Revised Code. The time limitations on assessments under those 1811
chapters do not apply to an assessment under this division, but 1812
the commissioner or superintendent, as appropriate, shall make the 1813
assessment within one year after the date the authority certifies 1814
to the commissioner or superintendent the amount to be refunded. 1815

(L) On or before the thirty-first day of March each year, the 1816
director of development shall submit a report to the governor, the 1817
president of the senate, and the speaker of the house of 1818
representatives on the tax credit program under this section. The 1819
report shall include information on the number of agreements that 1820
were entered into under this section during the preceding calendar 1821
year, a description of the project that is the subject of each 1822
such agreement, and an update on the status of projects under 1823
agreements entered into before the preceding calendar year. 1824

(M) There is hereby created the tax credit authority, which 1825
consists of the director of development and four other members 1826

appointed as follows: the governor, the president of the senate, 1827
and the speaker of the house of representatives each shall appoint 1828
one member who shall be a specialist in economic development; the 1829
governor also shall appoint a member who is a specialist in 1830
taxation. Of the initial appointees, the members appointed by the 1831
governor shall serve a term of two years; the members appointed by 1832
the president of the senate and the speaker of the house of 1833
representatives shall serve a term of four years. Thereafter, 1834
terms of office shall be for four years. Initial appointments to 1835
the authority shall be made within thirty days after January 13, 1836
1993. Each member shall serve on the authority until the end of 1837
the term for which the member was appointed. Vacancies shall be 1838
filled in the same manner provided for original appointments. Any 1839
member appointed to fill a vacancy occurring prior to the 1840
expiration of the term for which the member's predecessor was 1841
appointed shall hold office for the remainder of that term. 1842
Members may be reappointed to the authority. Members of the 1843
authority shall receive their necessary and actual expenses while 1844
engaged in the business of the authority. The director of 1845
development shall serve as chairperson of the authority, and the 1846
members annually shall elect a vice-chairperson from among 1847
themselves. Three members of the authority constitute a quorum to 1848
transact and vote on the business of the authority. The majority 1849
vote of the membership of the authority is necessary to approve 1850
any such business, including the election of the vice-chairperson. 1851

The director of development may appoint a professional 1852
employee of the department of development to serve as the 1853
director's substitute at a meeting of the authority. The director 1854
shall make the appointment in writing. In the absence of the 1855
director from a meeting of the authority, the appointed substitute 1856
shall serve as chairperson. In the absence of both the director 1857
and the director's substitute from a meeting, the vice-chairperson 1858
shall serve as chairperson. 1859

(N) For purposes of the credits granted by this section 1860
against the taxes imposed under sections 5725.18 and 5729.03 of 1861
the Revised Code, "taxable year" means the period covered by the 1862
taxpayer's annual statement to the superintendent of insurance. 1863

employees in those positions, the amount of the payments made for 2062
the capital investment project, and any other information the 2063
director needs to perform the director's duties under this 2064
section. 2065

(7) A requirement that the director of development annually 2066
review the annual reports of the taxpayer to verify the 2067
information reported under division (E)(6) of this section and 2068
compliance with the agreement. Upon verification, the director 2069
shall issue a certificate to the taxpayer stating that the 2070
information has been verified and identifying the amount of the 2071
credit for the taxable year. Unless otherwise specified by the tax 2072
credit authority in a resolution and included as part of the 2073
agreement, the director shall not issue a certificate for any year 2074
in which the total number of filled full-time employment positions 2075
for each day of the calendar year divided by three hundred 2076

sixty-five is less than ninety per cent of the full-time 2077
employment positions specified in division (E)(5) of this section. 2078

lesser of five years from the date the agreement is entered into 2087
or the number of years the taxpayer is entitled to claim the 2088
credit. 2089

(b) The taxpayer may relocate employment positions from 2090
elsewhere in this state to the project site that is the subject of 2091
the agreement if the director of development determines both of 2092
the following: 2093

(i) That the site from which the employment positions would 2094
be relocated is inadequate to meet market and industry conditions, 2095
expansion plans, consolidation plans, or other business 2096
considerations affecting the taxpayer; 2097

(ii) That the legislative authority of the county, township, 2098
or municipal corporation from which the employment positions would 2099
be relocated has been notified of the relocation. 2100

For purposes of this section, the movement of an employment 2101
position from one political subdivision to another political 2102
subdivision shall be considered a relocation of an employment 2103
position unless the movement is confined to the project site. The 2104
transfer of an individual employee from one political subdivision 2105
to another political subdivision shall not be considered a 2106
relocation of an employment position as long as the individual's 2107

employment position in the first political subdivision is 2108
refilled. 2109

(9) A waiver by the taxpayer of any limitations periods 2110
relating to assessments or adjustments resulting from the 2111
taxpayer's failure to comply with the agreement. 2112

(F) If a taxpayer fails to meet or comply with any condition 2113
or requirement set forth in a tax credit agreement, the tax credit 2114
authority may amend the agreement to reduce the percentage or term 2115
of the credit. The reduction of the percentage or term shall take 2116
effect (1) in the taxable year immediately following the taxable 2117
year in which the authority amends the agreement or the director 2118
of development notifies the taxpayer in writing of such failure, 2119
or (2) in the first tax period beginning in the calendar year 2120
immediately following the calendar year in which the authority 2121
amends the agreement or the director notifies the taxpayer in 2122
writing of such failure. If the taxpayer fails to annually report 2123
any of the information required by division (E)(6) of this section 2124
within the time required by the director, the reduction of the 2125
percentage or term may take effect in the current taxable year. If 2126
the taxpayer relocates employment positions in violation of the 2127
provision required under division (D)(8)(a) of this section, the 2128
taxpayer shall not claim the tax credit under section 5733.0610 of 2129
the Revised Code for any tax years following the calendar year in 2130
which the relocation occurs, shall not claim the tax credit under 2131
section 5747.058 of the Revised Code for the taxable year in which 2132
the relocation occurs and any subsequent taxable years, and shall 2133
not claim the tax credit under division (A) of section 5751.50 of 2134
the Revised Code for the tax period in which the relocation occurs 2135
and any subsequent tax periods. 2136

(G) Financial statements and other information submitted to 2137
the department of development or the tax credit authority by an 2138
applicant for or recipient of a tax credit under this section, and 2139

any information taken for any purpose from such statements or 2140
information, are not public records subject to section 149.43 of 2141
the Revised Code. However, the chairperson of the authority may 2142
make use of the statements and other information for purposes of 2143
issuing public reports or in connection with court proceedings 2144
concerning tax credit agreements under this section. Upon the 2145
request of the tax commissioner, the chairperson of the authority 2146
shall provide to the commissioner any statement or other 2147
information submitted by an applicant for or recipient of a tax 2148
credit in connection with the credit. The commissioner shall 2149
preserve the confidentiality of the statement or other 2150
information. 2151

(H) A taxpayer claiming a tax credit under this section shall 2152
submit to the tax commissioner a copy of the director of 2153
development's certificate of verification under division (E)(7) of 2154
this section with the taxpayer's tax report or return for the 2155
taxable year or for the calendar year that includes the tax 2156
period. Failure to submit a copy of the certificate with the 2157
report or return does not invalidate a claim for a credit if the 2158
taxpayer submits a copy of the certificate to the commissioner 2159
within sixty days after the commissioner requests it. 2160

(I) For the purposes of this section, a taxpayer may include 2161
a partnership, a corporation that has made an election under 2162
subchapter S of chapter one of subtitle A of the Internal Revenue 2163
Code, or any other business entity through which income flows as a 2164
distributive share to its owners. ~~A tax credit received under this~~ 2165
~~section by a partnership, S-corporation, or other such business~~ 2166
~~entity shall be apportioned among~~ may elect to pass the credit 2167
received under this section through to the persons to whom the 2168
income or profit of the partnership, S-corporation, or other 2169
entity is distributed⁷. The election shall be made on the annual 2170
report required under division (E)(6) of this section. The 2171

election applies to and is irrevocable for the credit for which 2172
the report is submitted. If the election is made, the credit shall 2173
be apportioned among those persons in the same proportions as 2174
those in which the income or profit is distributed. 2175

(J) If the director of development determines that a taxpayer 2176
that received a tax credit under this section is not complying 2177
with the requirement under division (E)(4) of this section, the 2178
director shall notify the tax credit authority of the 2179
noncompliance. After receiving such a notice, and after giving the 2180
taxpayer an opportunity to explain the noncompliance, the 2181
authority may terminate the agreement and require the taxpayer to 2182
refund to the state all or a portion of the credit claimed in 2183
previous years, as follows: 2184

(1) If the taxpayer maintained operations at the project site 2185
for less than the term of the credit, the amount required to be 2186
refunded shall not exceed the amount of any tax credits previously 2187
allowed and received under this section. 2188

(2) If the taxpayer maintained operations at the project site 2189
longer than the term of the credit but less than one and one-half 2190
times the term of the credit, the amount required to be refunded 2191
shall not exceed fifty per cent of the sum of any tax credits 2192
previously allowed and received under this section. 2193

(3) If the taxpayer maintained operations at the project site 2194
for at least one and one-half times the term of the credit but 2195
less than twice the term of the credit, the amount required to be 2196
refunded shall not exceed twenty-five per cent of the sum of any 2197
tax credits previously allowed and received under this section. 2198

In determining the portion of the credit to be refunded to 2199
this state, the authority shall consider the effect of market 2200
conditions on the taxpayer's project and whether the taxpayer 2201
continues to maintain other operations in this state. After making 2202

the determination, the authority shall certify the amount to be 2203
refunded to the tax commissioner. The commissioner shall make an 2204
assessment for that amount against the taxpayer under Chapter 2205
5733., 5747., or 5751. of the Revised Code. The time limitations 2206
on assessments under those chapters do not apply to an assessment 2207
under this division, but the commissioner shall make the 2208
assessment within one year after the date the authority certifies 2209
to the commissioner the amount to be refunded. 2210

If the director of development determines that a taxpayer 2211
that received a tax credit under this section has reduced the 2212
number of employees agreed to under division (E)(5) of this 2213
section by more than ten per cent, the director shall notify the 2214
tax credit authority of the noncompliance. After receiving such 2215
notice, and after providing the taxpayer an opportunity to explain 2216
the noncompliance, the authority may amend the agreement to reduce 2217
the percentage or term of the tax credit. The reduction in the 2218
percentage or term shall take effect in the taxable year, or in 2219
the calendar year that includes the tax period, in which the 2220
authority amends the agreement. 2221

(K) The director of development, after consultation with the 2222
tax commissioner and in accordance with Chapter 119. of the 2223
Revised Code, shall adopt rules necessary to implement this 2224
section. The rules may provide for recipients of tax credits under 2225
this section to be charged fees to cover administrative costs of 2226
the tax credit program. The fees collected shall be credited to 2227
the tax incentive programs operating fund created in section 2228
122.174 of the Revised Code. At the time the director gives public 2229
notice under division (A) of section 119.03 of the Revised Code of 2230
the adoption of the rules, the director shall submit copies of the 2231
proposed rules to the chairpersons of the standing committees on 2232
economic development in the senate and the house of 2233
representatives. 2234

(L) On or before the thirty-first day of March of each year, 2235
the director of development shall submit a report to the governor, 2236
the president of the senate, and the speaker of the house of 2237
representatives on the tax credit program under this section. The 2238
report shall include information on the number of agreements that 2239
were entered into under this section during the preceding calendar 2240
year, a description of the project that is the subject of each 2241
such agreement, and an update on the status of projects under 2242
agreements entered into before the preceding calendar year. 2243

(M)(1) A nonrefundable credit shall be allowed to an 2244
applicable corporation and its related members in an amount equal 2245
to the applicable difference. The credit is in addition to the 2246
credit granted to the corporation or related members under 2247
division (B) of this section. The credit is subject to divisions 2248
(B) to (E) and division (J) of this section. 2249

(2) A person qualifying as an applicable corporation under 2250
this section for a tax year does not necessarily qualify as an 2251
applicable corporation for any other tax year. No person is 2252
entitled to the credit allowed under division (M) of this section 2253
for the tax year immediately following the taxable year during 2254
which the person fails to meet the requirements in divisions 2255
(A)(6)(a)(i) and (A)(6)(b) of this section. No person is entitled 2256
to the credit allowed under division (M) of this section for any 2257
tax year for which the person is not eligible for the credit 2258
provided under division (B) of this section. 2259

Sec. 122.174. There is hereby created in the state treasury 2260
the tax incentive programs operating fund. Money collected 2261
pursuant to division (I) of section 121.17, division (K) of 2262

(C) of section 5709.68 of the Revised Code shall be credited to 2264
the fund. The director of development shall use money in the fund 2265

to pay expenses related to the administration of the tax credit 2266
programs authorized by sections 122.17, 122.171, 3735.672, and 2267

in the program, a financial institution shall enter into a 2300
participation agreement with the department that sets out the 2301
terms and conditions under which the department will deposit 2302
moneys from the fund into the financial institution's program 2303
reserve account, specifies the criteria for loan qualification 2304
under the program, and contains any additional terms the director 2305
considers necessary. 2306

(D) After receiving the certification required under division 2307
(C) of section 122.603 of the Revised Code, the director may 2308
disburse moneys from the fund to a participating financial 2309

(E) The director shall not approve a capital access loan to 2328
an eligible business that exceeds two hundred fifty thousand 2329
dollars for working capital or five hundred thousand dollars for 2330
the purchase of fixed assets. An eligible business may apply for 2331
the maximum amount of both working capital and the purchase of 2332
fixed assets in the same capital access loan. 2333

(F) A financial institution may apply to the director for the 2334
approval of a capital access loan to any business that is owned or 2335

(C) A political subdivision as defined in division (B) of 2987
this section or a county board of elections may purchase supplies 2988

those notices. Upon written request to the director by the person 3254
so removed, the director may return the person to the notification 3255
list if the person provides sufficient evidence regarding intent 3256
to offer bids or proposals to the state. The director shall not 3257
remove any person from the list without notice to the person. The 3258

authority may prescribe such conditions under which competitive 3393

sealed bids will be received and terms of the proposed purchase as 3394
it considers necessary; provided, that all such conditions and 3395
terms shall be reasonable and shall not unreasonably restrict 3396
competition, and bidders may bid upon all or any item of the 3397
supplies or services listed in such notice. Those bidders claiming 3398
the preference for United States and Ohio products outlined in 3399
this chapter shall designate in their bids either that the product 3400
to be supplied is an Ohio product or that under the rules 3401
established by the ~~director of administrative services~~ purchasing 3402
authority they qualify as having a significant Ohio economic 3403
presence. 3404

(B) The ~~department~~ purchasing authority may require that each 3405
bidder provide sufficient information about the energy efficiency 3406
or energy usage of the bidder's product or service. 3407

(C) The ~~director of administrative services~~ purchasing 3408
authority shall, by rule adopted pursuant to Chapter 119. of the 3409
Revised Code, prescribe criteria and procedures for use by all 3410
state agencies in giving preference to United States and Ohio 3411
products as required by division (B) of section 125.11 of the 3412
Revised Code. The rules shall extend to: 3413

(1) Criteria for determining that a product is produced or 3414
mined in the United States rather than in another country or 3415
territory; 3416

(2) Criteria for determining that a product is produced or 3417
mined in Ohio; 3418

(3) Information to be submitted by bidders as to the nature 3419
of a product and the location where it is produced or mined; 3420

(4) Criteria and procedures to be used by the ~~director~~ 3421
purchasing authorities to qualify bidders located in states 3422
bordering Ohio who might otherwise be excluded from being awarded 3423
a contract by operation of this section and section 125.11 of the 3424

Revised Code. The criteria and procedures shall recognize the 3425
level and regularity of interstate commerce between Ohio and the 3426
border states and provide that the non-Ohio businesses may qualify 3427
for award of a contract as long as they are located in a state 3428
that imposes no greater restrictions than are contained in this 3429
section and section 125.11 of the Revised Code upon persons 3430
located in Ohio selling products or services to agencies of that 3431
state. The criteria and procedures shall also provide that a 3432
non-Ohio business shall not bid on a contract for state printing 3433
in this state if the business is located in a state that excludes 3434
Ohio businesses from bidding on state printing contracts in that 3435
state. 3436

(5) Criteria and procedures to be used to qualify bidders 3437
whose manufactured products, except for mined products, are 3438
produced in other states or in North America, but the bidders have 3439
a significant Ohio economic presence in terms of the number of 3440
employees or capital investment a bidder has in this state. 3441
Bidders with a significant Ohio economic presence shall qualify 3442
for award of a contract on the same basis as if their products 3443
were produced in this state. 3444

(6) Criteria and procedures for the ~~director~~ purchasing 3445
authority to grant waivers of the requirements of division (B) of 3446
section 125.11 of the Revised Code on a contract-by-contract basis 3447
where compliance with those requirements would result in the state 3448
agency paying an excessive price for the product or acquiring a 3449
disproportionately inferior product; 3450

(7) Such other requirements or procedures reasonably 3451
necessary to implement the system of preferences established 3452
pursuant to division (B) of section 125.11 of the Revised Code. 3453

In adopting the rules required under this division, the 3454
~~director~~ purchasing authority shall, to the maximum extent 3455
possible, conform to the requirements of the federal "Buy America 3456

Act," 47 Stat. 1520, (1933), 41 U.S.C.A. 10a-10d, as amended, and 3457
to the regulations adopted thereunder. 3458

Sec. 125.10. (A) ~~The department of administrative services~~ A 3459
purchasing authority may require that all competitive sealed bids, 3460
competitive sealed proposals, and bids received in a reverse 3461
auction be accompanied by a performance bond or other cash surety 3462
acceptable to the ~~director of administrative services~~ purchasing 3463
authority, in the sum and with the sureties it prescribes, payable 3464
to the state, and conditioned that the person submitting the bid 3465
or proposal, if that person's bid or proposal is accepted, will 3466
faithfully execute the terms of the contract and promptly make 3467
deliveries of the supplies purchased. 3468

(B) A sealed copy of each competitive sealed bid or 3469
competitive sealed proposal shall be filed with the ~~department~~ 3470
purchasing authority prior to the time specified in the notice for 3471
opening of the bids or proposals. All competitive sealed bids and 3472
competitive sealed proposals shall be publicly opened in the 3473
office of the ~~department~~ purchasing authority at the time 3474
specified in the notice. A representative of the auditor of state 3475
shall be present at the opening of all competitive sealed bids and 3476
competitive sealed proposals, and shall certify the opening of 3477
each competitive sealed bid and competitive sealed proposal. No 3478
competitive sealed bid or competitive sealed proposal shall be 3479
considered valid unless it is so certified. 3480

Sec. 125.11. (A) Subject to division (B) of this section, 3481
contracts awarded pursuant to a reverse auction under section 3482
125.072 of the Revised Code or pursuant to competitive sealed 3483
bidding, including contracts awarded under section 125.081 of the 3484
Revised Code, shall be awarded to the lowest responsive and 3485
responsible bidder on each item in accordance with section 9.312 3486
of the Revised Code. When the contract is for meat products as 3487

defined in section 918.01 of the Revised Code or poultry products 3488
as defined in section 918.21 of the Revised Code, only those bids 3489
received from vendors offering products from establishments on the 3490
current list of meat and poultry vendors established and 3491
maintained by the director of administrative services under 3492
section 125.17 of the Revised Code shall be eligible for 3493
acceptance. The ~~department of administrative services~~ purchasing 3494
authority may accept or reject any or all bids in whole or by 3495
items, except that when the contract is for services or products 3496
available from a qualified nonprofit agency pursuant to sections 3497
125.60 to 125.6012 or 4115.31 to 4115.35 of the Revised Code, the 3498
contract shall be awarded to that agency. 3499

(B) Prior to awarding a contract under division (A) of this 3500
section, the ~~department of administrative services~~ purchasing 3501
authority or the state agency responsible for evaluating a 3502
contract for the purchase of products shall evaluate the bids 3503
received according to the criteria and procedures established 3504
pursuant to divisions (C)(1) and (2) of section 125.09 of the 3505
Revised Code for determining if a product is produced or mined in 3506
the United States and if a product is produced or mined in this 3507
state. The ~~department~~ purchasing authority or other state agency 3508
shall first remove bids that offer products that have not been or 3509
that will not be produced or mined in the United States. From 3510
among the remaining bids, the ~~department~~ purchasing authority or 3511
other state agency shall select the lowest responsive and 3512
responsible bid, in accordance with section 9.312 of the Revised 3513
Code, from among the bids that offer products that have been 3514
produced or mined in this state where sufficient competition can 3515
be generated within this state to ensure that compliance with 3516
these requirements will not result in an excessive price for the 3517
product or acquiring a disproportionately inferior product. If 3518
there are two or more qualified bids that offer products that have 3519
been produced or mined in this state, it shall be deemed that 3520

there is sufficient competition to prevent an excessive price for 3521
the product or the acquiring of a disproportionately inferior 3522
product. 3523

(C) Division (B) of this section applies to contracts for 3524
which competitive bidding is waived by the controlling board. 3525

(D) Division (B) of this section does not apply to the 3526
purchase by the division of liquor control of spirituous liquor. 3527

(E) The director of administrative services shall publish in 3528
the form of a model act for use by counties, townships, municipal 3529
corporations, or any other political subdivision described in 3530
division (B) of section 125.04 of the Revised Code, a system of 3531
preferences for products mined and produced in this state and in 3532
the United States and for Ohio-based contractors. The model act 3533
shall reflect substantial equivalence to the system of preferences 3534
in purchasing and public improvement contracting procedures under 3535
which the state operates pursuant to this chapter and section 3536
153.012 of the Revised Code. To the maximum extent possible, 3537
consistent with the Ohio system of preferences in purchasing and 3538
public improvement contracting procedures, the model act shall 3539
incorporate all of the requirements of the federal "Buy America 3540
Act," 47 Stat. 1520 (1933), 41 U.S.C. 10a to 10d, as amended, and 3541
the rules adopted under that act. 3542

Before and during the development and promulgation of the 3543
model act, the director shall consult with appropriate statewide 3544
organizations representing counties, townships, and municipal 3545
corporations so as to identify the special requirements and 3546
concerns these political subdivisions have in their purchasing and 3547
public improvement contracting procedures. The director shall 3548
promulgate the model act by rule adopted pursuant to Chapter 119. 3549
of the Revised Code and shall revise the act as necessary to 3550
reflect changes in this chapter or section 153.012 of the Revised 3551
Code. 3552

The director shall make available copies of the model act, 3553
supporting information, and technical assistance to any township, 3554
county, or municipal corporation wishing to incorporate the 3555
provisions of the act into its purchasing or public improvement 3556
contracting procedure. 3557

equipment, materials, supplies, or services, including a 3564
reasonable sum to cover ~~the department's~~ administrative costs and 3565
costs relating to energy efficiency and conservation programs, 3566
whenever reimbursement is required by the ~~department~~ purchasing 3567
authority. The money so paid shall be deposited in the state 3568
treasury to the credit of the general services fund for use by the 3569
department of administrative services or the information 3570
technology fund for use by the office of information technology, 3571
as appropriate. Those funds are hereby created. 3572

Sec. 125.25. (A) ~~The director of administrative services~~ A 3573
purchasing authority may debar a vendor from consideration for 3574
contract awards upon a finding based upon a reasonable belief that 3575
the vendor has done any of the following: 3576

bids or proposals before purchase orders or contracts are issued 3578
or failing to accept orders based upon firm bids; 3579

(2) Failed to substantially perform a contract according to 3580
its terms, conditions, and specifications within specified time 3581

Revised Code. If the vendor does not respond with a request for a 3615
hearing in the manner specified in Chapter 119. of the Revised 3616
Code, the ~~director~~ purchasing authority shall issue the debarment 3617

any time upon notification to the vendor. During the period of 3622
debarment, the vendor is not eligible to participate in any state 3623
contract. After the debarment period expires, the vendor shall be 3624
eligible to be awarded contracts by state agencies. 3625

(D) The ~~director, through the~~ office of information 3626

if the director of administrative services determines that there 3645
is an emergency due to the timing of service delivery or another 3646
factor that may cause financial hardship to the state. 3647

Nothing in this section precludes the bureau from entering 3648
into a contract with the department of administrative services for 3649
the department to perform office reproduction services for the 3650
bureau. 3651

fund, the administrator of workers' compensation, the state 5658
teachers retirement system, the public employees retirement 5659
system, the school employees retirement system, and the Ohio 5660
police and fire pension fund, notwithstanding any other provisions 5661
of the Revised Code or rules adopted pursuant thereto by any state 5662
agency with respect to investments by them, and are also 5663
acceptable as security for the deposit of public moneys. 5664

(M) Unless otherwise provided in any applicable bond 5665
proceedings, moneys to the credit of or in the special funds 5666
established by or pursuant to this section may be invested by or 5667
on behalf of the issuer only in notes, bonds, or other direct 5668
obligations of the United States or of any agency or 5669
instrumentality of the United States, in obligations of this state 5670
or any political subdivision of this state, in certificates of 5671
deposit of any national bank located in this state and any bank, 5672
as defined in section 1101.01 of the Revised Code, subject to 5673
inspection by the superintendent of financial institutions, in the 5674
Ohio subdivision's fund established pursuant to section 135.45 of 5675

the Revised Code, in no-front-end-load money market mutual funds 5676
consisting exclusively of direct obligations of the United States 5677
or of an agency or instrumentality of the United States, and in 5678
repurchase agreements, including those issued by any fiduciary, 5679
secured by direct obligations of the United States or an agency or 5680
instrumentality of the United States, and in collective investment 5681
funds established in accordance with section 1111.14 of the 5682
Revised Code and consisting exclusively of direct obligations of 5683
the United States or of an agency or instrumentality of the United 5684
States, notwithstanding division (A)(1)(c) of that section. The 5685
income from investments shall be credited to such special funds or 5686
otherwise as the issuer determines in the bond proceedings, and 5687
the investments may be sold or exchanged at such times as the 5688
issuer determines or authorizes. 5689

(N) Unless otherwise provided in any applicable bond 5690
proceedings, moneys to the credit of or in a special fund shall be 5691
disbursed on the order of the issuer, provided that no such order 5692
is required for the payment from the bond service fund or other 5693
special fund when due of bond service charges or required payments 5694
under credit facilities. 5695

(O) The issuer may covenant in the bond proceedings, and any 5696
such covenants shall be controlling notwithstanding any other 5697
provision of law, that the state and the applicable officers and 5698
agencies of the state, including the general assembly, so long as 5699
any obligations are outstanding in accordance with their terms, 5700
shall maintain statutory authority for and cause to be charged and 5701
collected taxes, excises, and other receipts of the state so that 5702
the receipts to the bond service fund shall be sufficient in 5703
amounts to meet bond service charges and for the establishment and 5704
maintenance of any reserves and other requirements, including 5705
payment of financing costs, provided for in the bond proceedings. 5706

(P) The obligations, and the transfer of, and the interest 5707

and other income from, including any profit made on the sale, 5708
transfer, or other disposition of, the obligations shall at all 5709
times be free from taxation, direct or indirect, within the state. 5710

(Q) Unless a judicial action or proceeding challenging the 5711
validity of obligations is commenced by personal service on the 5712
treasurer of state prior to the initial delivery of an issue of 5713
the obligations, the obligations of that issue and the bond 5714
proceedings pertaining to that issue are incontestable and those 5715
obligations shall be conclusively considered to be and to have 5716
been issued, secured, payable, sold, executed, and delivered, and 5717
the bond proceedings relating to them taken, in conformity with 5718
law if all of the following apply to the obligations: 5719

(1) They state that they are issued under the provisions of 5720
this section and comply on their face with those provisions; 5721

(2) They are issued within the limitations prescribed by this 5722
section; 5723

(3) Their purchase price has been paid in full; 5724

(4) They state that all the bond proceedings were held in 5725
compliance with law, which statement creates a conclusive 5726
presumption that the bond proceedings were held in compliance with 5727
all laws, including section 121.22 of the Revised Code, where 5728
applicable, and rules. 5729

(R) This section applies only with respect to obligations 5730
issued and delivered before September 30, 2000. 5731

notwithstanding limitations otherwise applicable to the issuance 5808

or funds provided for in the bond proceedings and, to the extent 5819
provided for in the bond proceedings, such proceeds shall be 5820

fund and transferred to such fund or funds. The issuing authority 5822
may appoint trustees, paying agents, and transfer agents and may 5823
retain the services of financial advisors, accounting experts, and 5824
attorneys, and retain or contract for the services of marketing, 5825

the payment of bond service charges. Such holders or owners shall 5836
have no rights to payment of bond service charges from any moneys 5837
accruing to the state from the lease, sale, or other disposition, 5838
or use, of project facilities, or from payment of the principal of 5839
or interest on loans made, or fees charged for guarantees made, or 5840
from any money or property received by the director, treasurer of 5841
state, or the state under Chapter 122. of the Revised Code, or 5842

and no such moneys may be used for the payment of bond service 5844
charges, except for accrued interest, capitalized interest, and 5845
reserves funded from proceeds received upon the sale of the 5846
obligations and except as otherwise expressly provided in the 5847
applicable bond proceedings pursuant to written directions by the 5848
director. The right of such holders and owners to payment of bond 5849
service charges is limited to all or that portion of the pledged 5850
receipts and those special funds pledged thereto pursuant to the 5851
bond proceedings in accordance with this section, and each such 5852
obligation shall bear on its face a statement to that effect. 5853

(D) Obligations shall be authorized by resolution or order of 5854
the issuing authority and the bond proceedings shall provide for 5855
the purpose thereof and the principal amount or amounts, and shall 5856
provide for or authorize the manner or agency for determining the 5857
principal maturity or maturities, not exceeding twenty-five years 5858
from the date of issuance, the interest rate or rates or the 5859
maximum interest rate, the date of the obligations and the dates 5860
of payment of interest thereon, their denomination, and the 5861
establishment within or without the state of a place or places of 5862
payment of bond service charges. Sections 9.98 to 9.983 of the 5863
Revised Code are applicable to obligations issued under this 5864
section, subject to any applicable limitation under section 166.11 5865
of the Revised Code. The purpose of such obligations may be stated 5866

in the bond proceedings in terms describing the general purpose or 5867
purposes to be served. The bond proceedings also shall provide, 5868
subject to the provisions of any other applicable bond 5869
proceedings, for the pledge of all, or such part as the issuing 5870
authority may determine, of the pledged receipts and the 5871
applicable special fund or funds to the payment of bond service 5872
charges, which pledges may be made either prior or subordinate to 5873
other expenses, claims, or payments, and may be made to secure the 5874
obligations on a parity with obligations theretofore or thereafter 5875
issued, if and to the extent provided in the bond proceedings. The 5876
pledged receipts and special funds so pledged and thereafter 5877
received by the state are immediately subject to the lien of such 5878
pledge without any physical delivery thereof or further act, and 5879
the lien of any such pledges is valid and binding against all 5880
parties having claims of any kind against the state or any 5881
governmental agency of the state, irrespective of whether such 5882
parties have notice thereof, and shall create a perfected security 5883
interest for all purposes of Chapter 1309. of the Revised Code, 5884
without the necessity for separation or delivery of funds or for 5885
the filing or recording of the bond proceedings by which such 5886
pledge is created or any certificate, statement or other document 5887
with respect thereto; and the pledge of such pledged receipts and 5888
special funds is effective and the money therefrom and thereof may 5889
be applied to the purposes for which pledged without necessity for 5890
any act of appropriation. Every pledge, and every covenant and 5891
agreement made with respect thereto, made in the bond proceedings 5892
may therein be extended to the benefit of the owners and holders 5893
of obligations authorized by this section, and to any trustee 5894
therefor, for the further security of the payment of the bond 5895
service charges. 5896

(E) The bond proceedings may contain additional provisions as 5897
to: 5898

(1) The redemption of obligations prior to maturity at the option of the issuing authority at such price or prices and under such terms and conditions as are provided in the bond proceedings;	5899 5900 5901
(2) Other terms of the obligations;	5902
(3) Limitations on the issuance of additional obligations;	5903
(4) The terms of any trust agreement or indenture securing the obligations or under which the same may be issued;	5904 5905
(5) The deposit, investment and application of special funds, and the safeguarding of moneys on hand or on deposit, without regard to Chapter 131. or 135. of the Revised Code, but subject to any special provisions of this chapter, with respect to particular funds or moneys, provided that any bank or trust company which acts as depository of any moneys in the special funds may furnish such indemnifying bonds or may pledge such securities as required by the issuing authority;	5906 5907 5908 5909 5910 5911 5912 5913
(6) Any or every provision of the bond proceedings being binding upon such officer, board, commission, authority, agency, department, or other person or body as may from time to time have the authority under law to take such actions as may be necessary to perform all or any part of the duty required by such provision;	5914 5915 5916 5917 5918
(7) Any provision that may be made in a trust agreement or indenture;	5919 5920
(8) Any other or additional agreements with the holders of the obligations, or the trustee therefor, relating to the obligations or the security therefor, including the assignment of mortgages or other security obtained or to be obtained for loans under section 122.43, 166.07, or 166.16 of the Revised Code.	5921 5922 5923 5924 5925
(F) The obligations may have the great seal of the state or a facsimile thereof affixed thereto or printed thereon. The obligations and any coupons pertaining to obligations shall be	5926 5927 5928

signed or bear the facsimile signature of the issuing authority. 5929
Any obligations or coupons may be executed by the person who, on 5930
the date of execution, is the proper issuing authority although on 5931
the date of such bonds or coupons such person was not the issuing 5932
authority. If the issuing authority whose signature or a facsimile 5933
of whose signature appears on any such obligation or coupon ceases 5934
to be the issuing authority before delivery thereof, such 5935
signature or facsimile is nevertheless valid and sufficient for 5936
all purposes as if the former issuing authority had remained the 5937
issuing authority until such delivery; and if the seal to be 5938
affixed to obligations has been changed after a facsimile of the 5939
seal has been imprinted on such obligations, such facsimile seal 5940
shall continue to be sufficient as to such obligations and 5941
obligations issued in substitution or exchange therefor. 5942

(G) All obligations are negotiable instruments and securities 5943
under Chapter 1308. of the Revised Code, subject to the provisions 5944
of the bond proceedings as to registration. The obligations may be 5945
issued in coupon or in registered form, or both, as the issuing 5946
authority determines. Provision may be made for the registration 5947
of any obligations with coupons attached thereto as to principal 5948
alone or as to both principal and interest, their exchange for 5949
obligations so registered, and for the conversion or reconversion 5950
into obligations with coupons attached thereto of any obligations 5951
registered as to both principal and interest, and for reasonable 5952
charges for such registration, exchange, conversion, and 5953
reconversion. 5954

(H) Obligations may be sold at public sale or at private 5955
sale, as determined in the bond proceedings. 5956

Obligations issued to provide moneys for the loan guarantee 5957
fund or the innovation Ohio loan guarantee fund may, as determined 5958
by the issuing authority, be sold at private sale, and without 5959
publication of a notice of sale. 5960

(I) Pending preparation of definitive obligations, the 5961
issuing authority may issue interim receipts or certificates which 5962
shall be exchanged for such definitive obligations. 5963

(J) In the discretion of the issuing authority, obligations 5964
may be secured additionally by a trust agreement or indenture 5965
between the issuing authority and a corporate trustee which may be 5966
any trust company or bank having ~~its principal~~ a place of business 5967
within the state. Any such agreement or indenture may contain the 5968
resolution or order authorizing the issuance of the obligations, 5969
any provisions that may be contained in any bond proceedings, and 5970
other provisions which are customary or appropriate in an 5971
agreement or indenture of such type, including, but not limited 5972
to: 5973

(1) Maintenance of each pledge, trust agreement, indenture, 5974
or other instrument comprising part of the bond proceedings until 5975
the state has fully paid the bond service charges on the 5976
obligations secured thereby, or provision therefor has been made; 5977

(2) In the event of default in any payments required to be 5978
made by the bond proceedings, or any other agreement of the 5979
issuing authority made as a part of the contract under which the 5980
obligations were issued, enforcement of such payments or agreement 5981
by mandamus, the appointment of a receiver, suit in equity, action 5982
at law, or any combination of the foregoing; 5983

(3) The rights and remedies of the holders of obligations and 5984
of the trustee, and provisions for protecting and enforcing them, 5985
including limitations on rights of individual holders of 5986
obligations; 5987

(4) The replacement of any obligations that become mutilated 5988
or are destroyed, lost, or stolen; 5989

(5) Such other provisions as the trustee and the issuing 5990
authority agree upon, including limitations, conditions, or 5991

qualifications relating to any of the foregoing. 5992

(K) Any holders of obligations or trustees under the bond 5993
proceedings, except to the extent that their rights are restricted 5994
by the bond proceedings, may by any suitable form of legal 5995
proceedings, protect and enforce any rights under the laws of this 5996
state or granted by such bond proceedings. Such rights include the 5997
right to compel the performance of all duties of the issuing 5998
authority, the director of development, or the division of liquor 5999
control required by this chapter or the bond proceedings; to 6000
enjoin unlawful activities; and in the event of default with 6001
respect to the payment of any bond service charges on any 6002
obligations or in the performance of any covenant or agreement on 6003
the part of the issuing authority, the director of development, or 6004
the division of liquor control in the bond proceedings, to apply 6005
to a court having jurisdiction of the cause to appoint a receiver 6006
to receive and administer the pledged receipts and special funds, 6007
other than those in the custody of the treasurer of state, which 6008
are pledged to the payment of the bond service charges on such 6009
obligations or which are the subject of the covenant or agreement, 6010
with full power to pay, and to provide for payment of bond service 6011
charges on, such obligations, and with such powers, subject to the 6012
direction of the court, as are accorded receivers in general 6013
equity cases, excluding any power to pledge additional revenues or 6014
receipts or other income or moneys of the issuing authority or the 6015
state or governmental agencies of the state to the payment of such 6016
principal and interest and excluding the power to take possession 6017
of, mortgage, or cause the sale or otherwise dispose of any 6018
project facilities. 6019

Each duty of the issuing authority and the issuing 6020
authority's officers and employees, and of each governmental 6021
agency and its officers, members, or employees, undertaken 6022
pursuant to the bond proceedings or any agreement or lease, 6023

lease-purchase agreement, or loan made under authority of this 6024
chapter, and in every agreement by or with the issuing authority, 6025
is hereby established as a duty of the issuing authority, and of 6026
each such officer, member, or employee having authority to perform 6027
such duty, specifically enjoined by the law resulting from an 6028
office, trust, or station within the meaning of section 2731.01 of 6029
the Revised Code. 6030

The person who is at the time the issuing authority, or the 6031
issuing authority's officers or employees, are not liable in their 6032
personal capacities on any obligations issued by the issuing 6033
authority or any agreements of or with the issuing authority. 6034

(L) The issuing authority may authorize and issue obligations 6035
for the refunding, including funding and retirement, and advance 6036
refunding with or without payment or redemption prior to maturity, 6037
of any obligations previously issued by the issuing authority. 6038
Such obligations may be issued in amounts sufficient for payment 6039
of the principal amount of the prior obligations, any redemption 6040
premiums thereon, principal maturities of any such obligations 6041
maturing prior to the redemption of the remaining obligations on a 6042
parity therewith, interest accrued or to accrue to the maturity 6043
dates or dates of redemption of such obligations, and any 6044
allowable costs including expenses incurred or to be incurred in 6045
connection with such issuance and such refunding, funding, and 6046
retirement. Subject to the bond proceedings therefor, the portion 6047
of proceeds of the sale of obligations issued under this division 6048
to be applied to bond service charges on the prior obligations 6049
shall be credited to an appropriate account held by the trustee 6050
for such prior or new obligations or to the appropriate account in 6051
the bond service fund for such obligations. Obligations authorized 6052
under this division shall be deemed to be issued for those 6053
purposes for which such prior obligations were issued and are 6054
subject to the provisions of this section pertaining to other 6055

obligations, except as otherwise provided in this section; 6056
provided that, unless otherwise authorized by the general 6057
assembly, any limitations imposed by the general assembly pursuant 6058
to this section with respect to bond service charges applicable to 6059
the prior obligations shall be applicable to the obligations 6060
issued under this division to refund, fund, advance refund or 6061
retire such prior obligations. 6062

(M) The authority to issue obligations under this section 6063
includes authority to issue obligations in the form of bond 6064
anticipation notes and to renew the same from time to time by the 6065
issuance of new notes. The holders of such notes or interest 6066
coupons pertaining thereto shall have a right to be paid solely 6067
from the pledged receipts and special funds that may be pledged to 6068
the payment of the bonds anticipated, or from the proceeds of such 6069
bonds or renewal notes, or both, as the issuing authority provides 6070
in the resolution or order authorizing such notes. Such notes may 6071
be additionally secured by covenants of the issuing authority to 6072
the effect that the issuing authority and the state will do such 6073
or all things necessary for the issuance of such bonds or renewal 6074
notes in appropriate amount, and apply the proceeds thereof to the 6075
extent necessary, to make full payment of the principal of and 6076
interest on such notes at the time or times contemplated, as 6077
provided in such resolution or order. For such purpose, the 6078
issuing authority may issue bonds or renewal notes in such 6079
principal amount and upon such terms as may be necessary to 6080
provide funds to pay when required the principal of and interest 6081
on such notes, notwithstanding any limitations prescribed by or 6082
for purposes of this section. Subject to this division, all 6083
provisions for and references to obligations in this section are 6084
applicable to notes authorized under this division. 6085

The issuing authority in the bond proceedings authorizing the 6086
issuance of bond anticipation notes shall set forth for such bonds 6087

an estimated interest rate and a schedule of principal payments 6088
for such bonds and the annual maturity dates thereof, and for 6089
purposes of any limitation on bond service charges prescribed 6090
under division (A) of section 166.11 of the Revised Code, the 6091
amount of bond service charges on such bond anticipation notes is 6092
deemed to be the bond service charges for the bonds anticipated 6093
thereby as set forth in the bond proceedings applicable to such 6094
notes, but this provision does not modify any authority in this 6095
section to pledge receipts and special funds to, and covenant to 6096
issue bonds to fund, the payment of principal of and interest and 6097
any premium on such notes. 6098

(N) Obligations issued under this section are lawful 6099
investments for banks, societies for savings, savings and loan 6100
associations, deposit guarantee associations, trust companies, 6101

~~(C)~~(D) In developing programs under this section, the 6573
department and the agency shall invite, accept, and consider 6574
public comment, and recommendations from the housing trust fund 6575
advisory committee created under section 174.06 of the Revised 6576
Code, on how the programs should be designed to most effectively 6577
benefit low- and moderate-income families and individuals. The 6578
programs developed under this section shall respond collectively 6579
to housing and housing assistance needs of low- and 6580
moderate-income families and individuals statewide. 6581

~~(D)~~(E) The department and the agency, in accordance with 6582

implement a plan to reasonably assist any families and individuals 6606
displaced by the housing project in obtaining decent affordable 6607
housing. 6608

~~(E)~~(F) In prescribing eligibility criteria and conditions for 6609
the use of funds, neither the department nor the agency is limited 6610
to the criteria and conditions specified in this section and each 6611
may prescribe additional eligibility criteria and conditions that 6612
relate to the purposes for which grants, loans, loan guarantees, 6613
and loan subsidies may be made. However, the department and agency 6614
are limited by the following specifically targeted low- and 6615
moderate-income guidelines: 6616

they live, as determined by the department under section 174.04 of 6622
the Revised Code. 6623

individuals whose incomes are equal to or less than eighty per 6628
cent of the median income for the county in which they live, as 6629
determined by the department under section 174.04 of the Revised 6630
Code. 6631

subsidies under this section, the department and the agency shall 6633
give preference to viable projects and activities that benefit 6634
those families and individuals whose incomes are equal to or less 6635
than thirty-five per cent of the median income for the county in 6636
which they live, as determined by the department under section 6637
174.04 of the Revised Code. 6638

~~(G)~~(H) The department and the agency shall monitor the 6639
programs developed under this section to ensure that money granted 6640
and loaned under this section is not used in a manner that 6641
violates division (H) of section 4112.02 of the Revised Code or 6642
discriminates against families with children. 6643

sale and absolute transfer shall not be negated or adversely 6903
affected by only a portion of the amounts to be received under the 6904
tobacco master settlement agreement being transferred, the 6905

participation of any state officer or employee as a member or 6907
officer of, or providing staff support to, the issuing authority, 6908

amounts to be received under that agreement for the purpose of 6913
these collection activities, any characterization of the issuing 6914
authority or its obligations for purposes of accounting, taxation, 6915
or securities regulation, or by any other factors whatsoever. A 6916
true sale shall exist under this section regardless of whether the 6917

term of the bond proceedings or the treatment or characterization 6919
of the transfer as a financing for any purpose. Upon and following 6920
the assignment and sale, the state shall not have any right, 6921

title, or interest in the portion of the receipts under the 6922
tobacco master settlement agreement so assigned and sold, other 6923
than any residual interest that may be described in the applicable 6924
bond proceedings for those obligations, and that portion, if any, 6925
shall be the property of the issuing authority and not of the 6926
state, and shall be paid directly to the issuing authority, and 6927
shall be owned, received, held, and disbursed by the issuing 6928
authority and not by the state. 6929

The state may covenant, pledge, and agree in the bond 6930
proceedings, with and for the benefit of the issuing authority, 6931
the holders and owners of obligations, and providers of any credit 6932
enhancement facilities, that it shall: (1) maintain statutory 6933
authority for, and cause to be collected and paid directly to the 6934
issuing authority or its assignee, the pledged receipts, (2) 6935
enforce the rights of the issuing authority to receive the 6936
receipts under the tobacco master settlement agreement assigned 6937

rights of the issuing authority to fulfill the terms of its 6939
agreements with the holders or owners of obligations outstanding 6940
under the bond proceedings, (4) not in any way impair the rights 6941
and remedies of the holders or owners of obligations outstanding 6942
under the bond proceedings or impair the security for those 6943
obligations, (5) enforce Chapter 1346. of the Revised Code, the 6944
tobacco master settlement agreement, and the consent decree to 6945
effectuate the collection of the pledged tobacco settlement 6946
receipts, and (6) not agree to any amendment of the tobacco master 6947
settlement agreement that materially and adversely affects the 6948
issuing authority's ability to receive the portion of the receipts 6949
under the tobacco master settlement agreement assigned and sold to 6950
the issuing authority. 6951

The bond proceedings may also include such other covenants, 6952
pledges, and agreements by the state to protect and safeguard the 6953

security and rights of the holders and owners of the obligations, 6954
and of the providers of any credit enhancement facilities, 6955
including, without limiting the generality of the foregoing, any 6956
covenant, pledge, or agreement customary in transactions involving 6957
the issuance of securities the debt service on which is payable 6958
from or secured by amounts received under the tobacco master 6959
settlement agreement. Notwithstanding any other provision of law, 6960
any covenant, pledge, and agreement of the state, if and when made 6961
in the bond proceedings, shall be controlling and binding upon, 6962
and enforceable against the state in accordance with its terms for 6963
so long as any obligations are outstanding under the applicable 6964
bond proceedings. The bond proceedings may also include 6965
limitations on the remedies available to the issuing authority, 6966
the holders and owners of the obligations, and the providers of 6967
any credit enhancement facilities, including, without limiting the 6968
generality of the foregoing, a provision that those remedies may 6969
be limited to injunctive relief in circumstances where there has 6970
been no prior determination by a court of competent jurisdiction 6971
that the state has not enforced Chapter 1346. of the Revised Code, 6972
the tobacco master settlement agreement, or the consent decree as 6973
may have been covenanted or agreed in the bond proceedings under 6974
division (B)(5) of this section. 6975

Nothing in this section or the bond proceedings shall 6976
preclude or limit, or be construed to preclude or limit, the state 6977
from regulating or authorizing or permitting the regulation of 6978
smoking or from taxing and regulating the sale of cigarettes or 6979
other tobacco products, or from defending or prosecuting cases or 6980
other actions relating to the sale or use of cigarettes or other 6981
tobacco products. Except as otherwise may be agreed in writing by 6982
the attorney general, nothing in this section or the bond 6983
proceedings shall modify or limit, or be construed to modify or 6984
limit, the responsibility, power, judgment, and discretion of the 6985
attorney general to protect and discharge the duties, rights, and 6986

obligations of the state under the tobacco master settlement 6987
agreement, the consent decree, or Chapter 1346. of the Revised 6988
Code. 6989

The governor and the director of budget and management, in 6990
consultation with the attorney general, on behalf of the state, 6991
and any member or officer of the issuing authority as authorized 6992
by that issuing authority, on behalf of the issuing authority, may 6993
take any action and execute any documents, including any purchase 6994
and sale agreements, necessary to effect the assignment and sale 6995
and the acceptance of the assignment and title to the receipts 6996
including, providing irrevocable direction to the escrow agent 6997
acting under the tobacco master settlement agreement to transfer 6998
directly to the issuing authority the amounts to be received under 6999
that agreement that are subject to such assignment and sale. Any 7000
purchase and sale agreement or other bond proceedings may contain 7001
the terms and conditions established by the state and the issuing 7002
authority to carry out and effectuate the purposes of this 7003
section, including, without limitation, covenants binding the 7004
state in favor of the issuing authority and its assignees and the 7005
owners of the obligations. Any such purchase and sale agreement 7006
shall be sufficient to effectuate such purchase and sale without 7007
regard to any other laws governing other property sales or 7008
financial transactions by the state. 7009

Not later than two years following the date on which there 7010
are no longer any obligations outstanding under the bond 7011
proceedings, all assets of the issuing authority shall vest in the 7012
state, the issuing authority shall execute any necessary 7013
assignments or instruments, including any assignment of any right, 7014
title, or ownership to the state for receipt of amounts under the 7015
tobacco master settlement agreement, and the issuing authority 7016
shall be dissolved. 7017

(C) The issuing authority is authorized to issue and to sell 7018

obligations as provided in this section. The aggregate principal 7019
amount of obligations issued under this section shall not exceed 7020
six billion dollars, exclusive of obligations issued under 7021
division (M)(1) of this section to refund, renew, or advance 7022
refund other obligations issued or incurred. At least seventy-five 7023
per cent of the aggregate net proceeds of the obligations issued 7024
under the authority of this section, exclusive of obligations 7025
issued to refund, renew, or advance refund other obligations, 7026
shall be paid to the state for deposit into the school building 7027
program assistance fund created in section 3318.25 of the Revised 7028
Code. 7029

(D) Each issue of obligations shall be authorized by 7030
resolution or order of the issuing authority. The bond proceedings 7031
shall provide for or authorize the manner for determining the 7032
principal amount or maximum principal amount of obligations of an 7033
issue, the principal maturity or maturities, the interest rate or 7034
rates, the date of and the dates of payment of interest on the 7035
obligations, their denominations, and the place or places of 7036
payment of debt service which may be within or outside the state. 7037
Unless otherwise provided by law, the latest principal maturity 7038
may not be later than the earlier of the thirty-first day of 7039
December of the fiftieth calendar year after the year of issuance 7040
of the particular obligations or of the fiftieth calendar year 7041
after the year in which the original obligation to pay was issued 7042
or entered into. Sections 9.96, 9.98, 9.981, 9.982, and 9.983 of 7043
the Revised Code apply to the obligations. 7044

The purpose of the obligations may be stated in the bond 7045
proceedings in general terms, such as, as applicable, "paying 7046
costs of capital facilities for a system of common schools" and 7047
"paying costs of facilities for state-supported and state-assisted 7048
institutions of higher education." Unless otherwise provided in 7049
the bond proceedings or in division (C) of this section, the net 7050

proceeds from the issuance of the obligations shall be paid to the 7051
state for deposit into the applicable improvement fund. 7052
Notwithstanding division (B)(4) of section 3318.38 of the Revised 7053
Code, net proceeds of obligations deposited into the school 7054
building program assistance fund created in section 3318.25 of the 7055
Revised Code may be used to pay basic project costs under section 7056
3318.38 of the Revised Code at the times determined by the Ohio 7057
school facilities commission without regard to whether those 7058
expenditures are in proportion to the state's and the school 7059
district's respective shares of that basic project cost; provided 7060
that this shall not result in any change in the state or school 7061
district shares of the basic project costs provided under Chapter 7062
3318. of the Revised Code. As used in the preceding sentence, 7063
"Ohio school facilities commission" and "basic project costs" have 7064
the same meanings as in section 3318.01 of the Revised Code. 7065

(E) The issuing authority may, without need for any other 7066
approval, appoint or provide for the appointment of paying agents, 7067
bond registrars, securities depositories, credit enhancement 7068
providers or counterparties, clearing corporations, and transfer 7069
agents, and retain or contract for the services of underwriters, 7070
investment bankers, financial advisers, accounting experts, 7071
marketing, remarketing, indexing, and administrative agents, other 7072
consultants, and independent contractors, including printing 7073
services, as are necessary in the judgment of the issuing 7074
authority to carry out the issuing authority's functions under 7075
this section and section 183.52 of the Revised Code. The attorney 7076
general as counsel to the issuing authority shall represent the 7077
authority in the execution of its powers and duties, and shall 7078
institute and prosecute all actions on its behalf. The issuing 7079
authority, in consultation with the attorney general, shall select 7080
counsel, and the attorney general shall appoint the counsel 7081
selected, for the purposes of carrying out the functions under 7082
this section and related sections of the Revised Code. Financing 7083

costs are payable, as may be provided in the bond proceedings, 7084
from the proceeds of the obligations, from special funds, or from 7085
other moneys available for the purpose, including as to future 7086
financing costs, from the pledged receipts. 7087

(F) The issuing authority may irrevocably pledge and assign 7088
all, or such portion as the issuing authority determines, of the 7089
pledged receipts to the payment of the debt service charges on 7090
obligations issued under this section, and for the establishment 7091
and maintenance of any reserves, as provided in the bond 7092
proceedings, and make other provisions in the bond proceedings 7093
with respect to pledged receipts as authorized by this section, 7094
which provisions are controlling notwithstanding any other 7095
provisions of law pertaining to them. Any and all pledged receipts 7096
received by the issuing authority and required by the bond 7097
proceedings, consistent with this section, to be deposited, 7098
transferred, or credited to the bond service fund, and all other 7099
money transferred or allocated to or received for the purposes of 7100
that fund, shall be deposited and credited to the bond service 7101
fund created in the bond proceedings for the obligations, subject 7102
to any applicable provisions of those bond proceedings, but 7103
without necessity for any act of appropriation. Those pledged 7104
receipts shall immediately be subject to the lien of that pledge 7105
without any physical delivery thereof or further act, and shall 7106
not be subject to other court judgments. The lien of the pledge of 7107
those pledged receipts shall be valid and binding against all 7108
parties having claims of any kind against the issuing authority, 7109
irrespective of whether those parties have notice thereof. The 7110
pledge shall create a perfected security interest for all purposes 7111
of Chapter 1309. of the Revised Code and a perfected lien for 7112
purposes of any other interest, all without the necessity for 7113
separation or delivery of funds or for the filing or recording of 7114
the applicable bond proceedings by which that pledge is created or 7115
any certificate, statement, or other document with respect 7116

thereto. The pledge of the pledged receipts shall be effective and 7117
the money therefrom and thereof may be applied to the purposes for 7118
which pledged. 7119

(G) Obligations may be further secured, as determined by the 7120
issuing authority, by an indenture or a trust agreement between 7121
the issuing authority and a corporate trustee, which may be any 7122
trust company or bank having a place of business within the state. 7123
Any indenture or trust agreement may contain the resolution or 7124
order authorizing the issuance of the obligations, any provisions 7125
that may be contained in any bond proceedings, and other 7126
provisions that are customary or appropriate in an agreement of 7127
that type, including, but not limited to: 7128

(1) Maintenance of each pledge, indenture, trust agreement, 7129
or other instrument comprising part of the bond proceedings until 7130
the issuing authority has fully paid or provided for the payment 7131
of debt service on the obligations secured by it; 7132

(2) In the event of default in any payments required to be 7133
made by the bond proceedings, enforcement of those payments or 7134
agreements by mandamus, the appointment of a receiver, suit in 7135
equity, action at law, or any combination of them; 7136

(3) The rights and remedies of the holders or owners of 7137
obligations and of the trustee and provisions for protecting and 7138
enforcing them, including limitations on rights of individual 7139
holders and owners. 7140

(H) The bond proceedings may contain additional provisions 7141
customary or appropriate to the financing or to the obligations or 7142
to particular obligations including, but not limited to, 7143
provisions for: 7144

(1) The redemption of obligations prior to maturity at the 7145
option of the issuing authority or of the holder or upon the 7146
occurrence of certain conditions, and at a particular price or 7147

<u>prices and under particular terms and conditions;</u>	7148
<u>(2) The form of and other terms of the obligations;</u>	7149
<u>(3) The establishment, deposit, investment, and application</u>	7150
<u>of special funds, and the safeguarding of moneys on hand or on</u>	7151
<u>deposit, in lieu of the applicability of provisions of Chapter</u>	7152
<u>131. or 135. of the Revised Code, but subject to any special</u>	7153
<u>provisions of this section with respect to the application of</u>	7154
<u>particular funds or moneys. Any financial institution that acts as</u>	7155
<u>a depository of any moneys in special funds or other funds under</u>	7156
<u>the bond proceedings may furnish indemnifying bonds or pledge</u>	7157
<u>securities as required by the issuing authority.</u>	7158
<u>(4) Any or every provision of the bond proceedings being</u>	7159
<u>binding upon the issuing authority and upon such governmental</u>	7160
<u>agency or entity, officer, board, authority, agency, department,</u>	7161
<u>institution, district, or other person or body as may from time to</u>	7162
<u>time be authorized to take actions as may be necessary to perform</u>	7163
<u>all or any part of the duty required by the provision;</u>	7164
<u>(5) The maintenance of each pledge or instrument comprising</u>	7165
<u>part of the bond proceedings until the issuing authority has fully</u>	7166
<u>paid or provided for the payment of the debt service on the</u>	7167
<u>obligations or met other stated conditions;</u>	7168
<u>(6) In the event of default in any payments required to be</u>	7169
<u>made by the bond proceedings, or by any other agreement of the</u>	7170
<u>issuing authority made as part of a contract under which the</u>	7171
<u>obligations were issued or secured, including a credit enhancement</u>	7172
<u>facility, the enforcement of those payments by mandamus, a suit in</u>	7173
<u>equity, an action at law, or any combination of those remedial</u>	7174
<u>actions;</u>	7175
<u>(7) The rights and remedies of the holders or owners of</u>	7176
<u>obligations or of book-entry interests in them, and of third</u>	7177
<u>parties under any credit enhancement facility, and provisions for</u>	7178

protecting and enforcing those rights and remedies, including 7179
limitations on rights of individual holders or owners; 7180

(8) The replacement of mutilated, destroyed, lost, or stolen 7181
obligations; 7182

(9) The funding, refunding, or advance refunding, or other 7183
provision for payment, of obligations that will then no longer be 7184
outstanding for purposes of this section or of the applicable bond 7185
proceedings; 7186

(10) Amendment of the bond proceedings; 7187

(11) Any other or additional agreements with the owners of 7188
obligations, and such other provisions as the issuing authority 7189
determines, including limitations, conditions, or qualifications, 7190
relating to any of the foregoing or the activities of the issuing 7191
authority in connection therewith. 7192

The bond proceedings shall make provision for the payment of 7193
the expenses of the enforcement activity of the attorney general 7194
referred to in division (B) of this section from the amounts from 7195
the tobacco master settlement agreement assigned and sold to the 7196
issuing authority under that division or from the proceeds of 7197
obligations, or a combination thereof, which may include provision 7198
for both annual payments and a special fund providing reserve 7199
amounts for the payment of those expenses. 7200

The issuing authority shall not, and shall covenant in the 7201
bond proceedings that it shall not, be authorized to and shall not 7202
file a voluntary petition under the United States Bankruptcy Code, 7203
11 U.S.C. 101 et seq., as amended, or voluntarily commence any 7204
similar bankruptcy proceeding under state law including, without 7205
limitation, consenting to the appointment of a receiver or trustee 7206
or making a general or specific assignment for the benefit of 7207
creditors, and neither any public officer or any organization, 7208
entity, or other person shall authorize the issuing authority to 7209

be or become a debtor under the United States Bankruptcy Code or 7210
take any of those actions under the United States Bankruptcy Code 7211
or state law. The state hereby covenants, and the issuing 7212
authority shall covenant, with the holders or owners of the 7213
obligations, that the state shall not permit the issuing authority 7214
to file a voluntary petition under the United States Bankruptcy 7215
Code or take any of those actions under the United States 7216
Bankruptcy Code or state law during the period obligations are 7217
outstanding and for any additional period for which the issuing 7218
authority covenants in the bond proceedings, which additional 7219
period may, but need not, be a period of three hundred sixty-seven 7220
days or more. 7221

(I) The obligations requiring execution by or for the issuing 7222
authority shall be signed as provided in the bond proceedings, and 7223
may bear the official seal of the issuing authority or a facsimile 7224
thereof. Any obligation may be signed by the individual who, on 7225
the date of execution, is the authorized signer even though, on 7226
the date of the obligations, that individual is not an authorized 7227
signer. In case the individual whose signature or facsimile 7228
signature appears on any obligation ceases to be an authorized 7229
signer before delivery of the obligation, that signature or 7230
facsimile is nevertheless valid and sufficient for all purposes as 7231
if that individual had remained the authorized signer until 7232
delivery. 7233

(J) Obligations are investment securities under Chapter 1308. 7234
of the Revised Code. Obligations may be issued in bearer or in 7235
registered form, registrable as to principal alone or as to both 7236
principal and interest, or both, or in certificated or 7237
uncertificated form, as the issuing authority determines. 7238
Provision may be made for the exchange, conversion, or transfer of 7239
obligations and for reasonable charges for registration, exchange, 7240
conversion, and transfer. Pending preparation of final 7241

obligations, the issuing authority may provide for the issuance of 7242
interim instruments to be exchanged for the final obligations. 7243

(K) Obligations may be sold at public sale or at private 7244
sale, in such manner, and at such price at, above, or below par, 7245
all as determined by and provided by the issuing authority in the 7246
bond proceedings. 7247

(L) Except to the extent that rights are restricted by the 7248
bond proceedings, any owner of obligations or provider of or 7249
counterparty to a credit enhancement facility may by any suitable 7250
form of legal proceedings protect and enforce any rights relating 7251
to obligations or that facility under the laws of this state or 7252
granted by the bond proceedings. Those rights include the right to 7253
compel the performance of all applicable duties of the issuing 7254
authority and the state. Each duty of the issuing authority and 7255
that issuing authority's officers, staff, and employees, and of 7256
each state entity or agency, or using district or using 7257
institution, and its officers, members, staff, or employees, 7258
undertaken pursuant to the bond proceedings, is hereby established 7259
as a duty of the entity or individual having authority to perform 7260
that duty, specifically enjoined by law and resulting from an 7261
office, trust, or station within the meaning of section 2731.01 of 7262
the Revised Code. The individuals who are from time to time 7263
members of the issuing authority, or their designees acting 7264
pursuant to section 183.52 of the Revised Code, or the issuing 7265
authority's officers, staff, agents, or employees, when acting 7266
within the scope of their employment or agency, shall not be 7267
liable in their personal capacities on any obligations or 7268
otherwise under the bond proceedings, or for otherwise exercising 7269
or carrying out any purposes or powers of the issuing authority. 7270

(M)(1) Subject to any applicable limitations in division (C) 7271
of this section, the issuing authority may also authorize and 7272
provide for the issuance of: 7273

(a) Obligations in the form of bond anticipation notes, and 7274
may authorize and provide for the renewal of those notes from time 7275
to time by the issuance of new notes. The holders of notes or 7276
appertaining interest coupons have the right to have debt service 7277
on those notes paid solely from the moneys and special funds, and 7278
all or any portion of the pledged receipts, that are or may be 7279
pledged to that payment, including the proceeds of bonds or 7280
renewal notes or both, as the issuing authority provides in the 7281
bond proceedings authorizing the notes. Notes may be additionally 7282
secured by covenants of the issuing authority to the effect that 7283
the issuing authority will do all things necessary for the 7284
issuance of bonds or renewal notes in such principal amount and 7285
upon such terms as may be necessary to provide moneys to pay when 7286
due the debt service on the notes, and apply their proceeds to the 7287
extent necessary, to make full and timely payment of debt service 7288
on the notes as provided in the applicable bond proceedings. In 7289
the bond proceedings authorizing the issuance of bond anticipation 7290
notes the issuing authority shall set forth for the bonds 7291
anticipated an estimated schedule of annual principal payments the 7292
latest of which shall be no later than provided in division (D) of 7293
this section. While the notes are outstanding there shall be 7294
deposited, as shall be provided in the bond proceedings for those 7295
notes, from the sources authorized for payment of debt service on 7296
the bonds, amounts sufficient to pay the principal of the bonds 7297
anticipated as set forth in that estimated schedule during the 7298
time the notes are outstanding, which amounts shall be used solely 7299
to pay the principal of those notes or of the bonds anticipated. 7300

(b) Obligations for the refunding, including funding and 7301
retirement, and advance refunding, with or without payment or 7302
redemption prior to maturity, of any obligations previously issued 7303
under this section and any bonds or notes previously issued for 7304
the purpose of paying costs of capital facilities for: (i) 7305
state-supported or state-assisted institutions of higher education 7306

as authorized by sections 151.01 and 151.04 of the Revised Code, 7307
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution, 7308
and (ii) housing branches and agencies of state government limited 7309
to facilities for a system of common schools throughout the state 7310
as authorized by sections 151.01 and 151.03 of the Revised Code, 7311
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution. 7312
Refunding obligations may be issued in amounts sufficient to pay 7313
or to provide for repayment of the principal amount, including 7314
principal amounts maturing prior to the redemption of the 7315
remaining prior obligations or bonds or notes, any redemption 7316
premium, and interest accrued or to accrue to the maturity or 7317
redemption date or dates, payable on the prior obligations or 7318
bonds or notes, and related financing costs and any expenses 7319
incurred or to be incurred in connection with that issuance and 7320
refunding. Subject to the applicable bond proceedings, the portion 7321
of the proceeds of the sale of refunding obligations issued under 7322
division (M)(1)(b) of this section to be applied to debt service 7323
on the prior obligations or bonds or notes shall be credited to an 7324
appropriate separate account in the bond service fund and held in 7325
trust for the purpose by the issuing authority or by a corporate 7326
trustee, and may be invested as provided in the bond proceedings. 7327
Obligations authorized under this division shall be considered to 7328
be issued for those purposes for which the prior obligations or 7329
bonds or notes were issued. 7330

(2) The principal amount of refunding, advance refunding, or 7331
renewal obligations issued pursuant to division (M) of this 7332
section shall be in addition to the amount authorized in division 7333
(C) of this section. 7334

(N) Obligations are lawful investments for banks, savings and 7335
loan associations, credit union share guaranty corporations, trust 7336
companies, trustees, fiduciaries, insurance companies, including 7337
domestic for life and domestic not for life, trustees or other 7338

officers having charge of sinking and bond retirement or other 7339
special funds of the state and political subdivisions and taxing 7340
districts of this state, notwithstanding any other provisions of 7341
the Revised Code or rules adopted pursuant to those provisions by 7342
any state agency with respect to investments by them, and are also 7343
acceptable as security for the repayment of the deposit of public 7344
moneys. The exemptions from taxation in Ohio as provided for in 7345
particular sections of the Ohio Constitution and section 5709.76 7346
of the Revised Code apply to the obligations. 7347

(O)(1) Unless otherwise provided or provided for in any 7348
applicable bond proceedings, moneys to the credit of or in a 7349
special fund shall be disbursed on the order of the issuing 7350
authority. No such order is required for the payment, from the 7351
bond service fund or other special fund, when due of debt service 7352
or required payments under credit enhancement facilities. 7353

(2) Payments received by the issuing authority under interest 7354
rate hedges entered into as credit enhancement facilities under 7355
this section shall be deposited as provided in the applicable bond 7356
proceedings. 7357

(P) The obligations shall not be general obligations of the 7358
state and the full faith and credit, revenue, and taxing power of 7359
the state shall not be pledged to the payment of debt service on 7360
them or to any guarantee of the payment of that debt service. The 7361
holders or owners of the obligations shall have no right to have 7362
any moneys obligated or pledged for the payment of debt service 7363
except as provided in this section and in the applicable bond 7364
proceedings. The rights of the holders and owners to payment of 7365
debt service are limited to all or that portion of the pledged 7366
receipts, and those special funds, pledged to the payment of debt 7367
service pursuant to the bond proceedings in accordance with this 7368
section, and each obligation shall bear on its face a statement to 7369
that effect. 7370

(Q) Each bond service fund is a trust fund and is hereby 7371
pledged to the payment of debt service on the applicable 7372
obligations. Payment of that debt service shall be made or 7373
provided for by the issuing authority in accordance with the bond 7374
proceedings without necessity for any act of appropriation. The 7375
bond proceedings may provide for the establishment of separate 7376
accounts in the bond service fund and for the application of those 7377
accounts only to debt service on specific obligations, and for 7378
other accounts in the bond service fund within the general 7379
purposes of that fund. 7380

(R) Subject to the bond proceedings pertaining to any 7381
obligations then outstanding in accordance with their terms, the 7382
issuing authority may in the bond proceedings pledge all, or such 7383
portion as the issuing authority determines, of the moneys in the 7384
bond service fund to the payment of debt service on particular 7385
obligations, and for the establishment and maintenance of any 7386
reserves for payment of particular debt service. 7387

(S)(1) Unless otherwise provided in any applicable bond 7388
proceedings, moneys to the credit of special funds may be invested 7389
by or on behalf of the issuing authority only in one or more of 7390
the following: 7391

(a) Notes, bonds, or other direct obligations of the United 7392
States or of any agency or instrumentality of the United States, 7393
or in no-front-end-load money market mutual funds consisting 7394
exclusively of those obligations, or in repurchase agreements, 7395
including those issued by any fiduciary, secured by those 7396
obligations, or in collective investment funds consisting 7397
exclusively of those obligations; 7398

(b) Obligations of this state or any political subdivision of 7399
this state; 7400

(c) Certificates of deposit of any national bank located in 7401

this state and any bank, as defined in section 1101.01 of the 7402
Revised Code, subject to inspection by the superintendent of 7403
financial institutions; 7404

(d) The treasurer of state's pooled investment program under 7405
section 135.45 of the Revised Code; 7406

(e) Other investment agreements or repurchase agreements that 7407
are consistent with the ratings on the obligations. 7408

(2) The income from investments referred to in division 7409
(S)(1) of this section shall be credited to special funds or 7410
otherwise as the issuing authority determines in the bond 7411
proceedings. Those investments may be sold or exchanged at times 7412
as the issuing authority determines, provides for, or authorizes. 7413

(T) The treasurer of state shall have responsibility for 7414
keeping records, making reports, and making payments, relating to 7415
any arbitrage rebate requirements under the applicable bond 7416
proceedings. 7417

(U) The issuing authority shall make quarterly reports to the 7418
general assembly of the amounts in, and activities of, each 7419
improvement fund, including amounts and activities on the subfund 7420
level. Each report shall include a detailed description and 7421
analysis of the amount of proceeds remaining in each fund from the 7422
sale of obligations pursuant to this section, and any other 7423
deposits, credits, interest earnings, disbursements, expenses, 7424
transfers, or activities of each fund. 7425

(V) The costs of the annual audit of the authority conducted 7426
pursuant to section 117.112 of the Revised Code are payable, as 7427
may be provided in the bond proceedings, from the proceeds of the 7428
obligations, from special funds, or from other moneys available 7429
for the purpose, including as to future financing costs, from the 7430
pledged receipts. 7431

Sec. 183.52. (A) There is hereby created a body, both 7432
corporate and politic, constituting a public body, agency, and 7433
instrumentality of this state and performing essential functions 7434
of the state, to be known as the buckeye tobacco settlement 7435
financing authority, which in that name may contract and be 7436
contracted with, sue and be sued, and exercise all other authority 7437
vested in that authority by this section and section 183.51 of the 7438
Revised Code. The authority is created for the sole purpose of 7439
purchasing and receiving any assignment of the tobacco settlement 7440
receipts and issuing obligations, all as provided for in section 7441
183.51 of the Revised Code, to provide financing of essential 7442
functions and facilities. The property of the authority and its 7443
income and operations shall be exempt from taxation involving the 7444
state or by the state and any political subdivision of the state. 7445
All income of the authority, after the payment of necessary 7446
expenses, shall accrue to the state. 7447

(B) The authority shall consist of, in each case ex officio, 7448
the governor, the director of budget and management, the tax 7449
commissioner, the treasurer of state, and the auditor of state. 7450
The governor shall serve as the chair of the authority, the 7451
director of budget and management shall serve as its secretary, 7452
and the authority shall have such other officers as it determines, 7453
who may but need not be members of the authority. Four members of 7454
the authority constitute a quorum and the affirmative vote of four 7455
members is necessary for any action taken by vote of the 7456
authority. No vacancy in the membership of the authority shall 7457
impair the rights of a quorum by such vote to exercise all the 7458
rights and perform all the duties of the authority. Each of the 7459
members above identified may designate an employee or officer of 7460
their office to attend meetings of the authority when that member 7461
is absent or unable for any reason to attend and that designee, 7462

in this section and section 183.51 of the Revised Code. The 7496

assets, liabilities, and funds of the authority shall not be 7497

Sections 305.31 to 305.41 of the Revised Code do not prevent a 7579
county, after the passage of any resolution or adoption of any 7580

The board of county commissioners shall make available to any 7583

(3)(a) A board may adopt regulations that provide for a 7644
review of the specific effects of a proposed new construction on 7645
existing surface or subsurface drainage. The regulations may 7646
require reasonable drainage mitigation and reasonable alteration 7647
of a proposed new construction before a building permit is issued 7648
in order to prevent or correct any adverse effects that the 7649
proposed new construction may have on existing surface or 7650
subsurface drainage. The regulations shall not be inconsistent 7651
with, more stringent than, or broader in scope than standards 7652

date. 7678

(iii) Completion of the review by the board of county 7679
commissioners not later than thirty days after the application for 7680
a building permit is filed or a review is requested unless the 7681
applicant has agreed in writing to extend that time period or 7682
postpone the meeting to a later time, in which case the review 7683
shall be completed not later than two days after the date of the 7684
meeting. A complete review shall include the issuance of any order 7685

of the Revised Code. If the review is not completed within the 7692
thirty-day period or an extended or postponed period that the 7693
applicant has agreed to, the proposed new construction shall be 7694
deemed to have no adverse effects on existing surface or 7695
subsurface drainage, and those effects shall not be a valid basis 7696
for the denial of a building permit. 7697

(iv) A written statement, provided to the applicant at the 7698
meeting or in an order for alterations to a proposed new 7699
construction, informing the applicant of the right to seek 7700

(B)(3)(b)(iii) of this section by filing a petition in accordance 7702
with Chapter 2506. of the Revised Code. 7703

the advice of the county engineer, to enter into an agreement with 7705
the county engineer or another qualified person or entity to carry 7706
out any necessary inspections and make evaluations about what, if 7707

homestead in a housing cooperative shall file an application with 9021
the nonprofit corporation that owns and operates the housing 9022
cooperative, in accordance with this paragraph. Not later than the 9023
first day of March each year, the corporation shall obtain 9024
applications from the county auditor's office and provide one to 9025
each new occupant. Not later than the first day of May, any 9026
occupant who may be eligible for a reduction in taxes under 9027
division (A) of section 323.152 of the Revised Code shall submit 9028
the completed application to the corporation. Not later than the 9029

permanently and totally disabled as set forth in section 323.151 9044

of the Revised Code. An application for reduction based upon a 9045
disability certified as permanent and total by a state or federal 9046
agency having the function of so classifying persons shall be 9047
accompanied by a certificate from that agency. ~~Such an~~ 9048

An application for a reduction under division (A) of section 9049
323.152 of the Revised Code constitutes a continuing application 9050
for a reduction in taxes for each year in which the dwelling is 9051
the applicant's homestead ~~and the amount of the reduction in~~ 9052
~~taxable value to which the applicant is entitled does not exceed~~ 9053
~~either the amount or percentage of the reduction to which the~~ 9054
~~applicant was entitled for the year in which the application was~~ 9055
~~first filed.~~ 9056

(2) An application for a reduction in taxes under division 9057
(B) of section 323.152 of the Revised Code shall be filed only if 9058
the homestead or manufactured or mobile home was transferred in 9059
the preceding year or did not qualify for and receive the 9060
reduction in taxes under that division for the preceding tax year. 9061
The application for homesteads transferred in the preceding year 9062
shall be incorporated into any form used by the county auditor to 9063

property pursuant to section 319.20 of the Revised Code or of used 9065
manufactured homes or used mobile homes as defined in section 9066
5739.0210 of the Revised Code. The owner of a manufactured or 9067
mobile home who has elected under division (D)(4) of section 9068
4503.06 of the Revised Code to be taxed under division (D)(2) of 9069

time of making that election. The application shall contain a 9071
statement that failure by the applicant to affirm on the 9072
application that the dwelling on the property conveyed is the 9073
applicant's homestead prohibits the owner from receiving the 9074
reduction in taxes until a proper application is filed within the 9075
period prescribed by division (A)(3) of this section. Such an 9076

application constitutes a continuing application for a reduction 9077
in taxes for each year in which the dwelling is the applicant's 9078
homestead. 9079

(3) Failure to receive a new application filed under division 9080
(A)(1) or (2) or notification under division (C) of this section 9081
after a certificate of reduction has been issued under section 9082
323.154 of the Revised Code, or failure to receive a new 9083
application filed under division (A)(1) or notification under 9084
division (C) of this section after a certificate of reduction has 9085
been issued under section 323.159 of the Revised Code, is 9086
prima-facie evidence that the original applicant is entitled to 9087
the reduction in taxes calculated on the basis of the information 9088
contained in the original application. The original application 9089
and any subsequent application, including any late application, 9090
shall be in the form of a signed statement and shall be filed 9091
after the first Monday in January and not later than the first 9092
Monday in June. The original application and any subsequent 9093
application for a reduction in real property taxes shall be filed 9094
in the year for which the reduction is sought. The original 9095
application and any subsequent application for a reduction in 9096
manufactured home taxes shall be filed in the year preceding the 9097
year for which the reduction is sought. The statement shall be on 9098
a form, devised and supplied by the tax commissioner, which shall 9099
require no more information than is necessary to establish the 9100
applicant's eligibility for the reduction in taxes and the amount 9101
of the reduction, and, for a certificate of reduction issued under 9102
section 323.154 of the Revised Code, shall include an affirmation 9103
by the applicant that ownership of the homestead was not acquired 9104
from a person, other than the applicant's spouse, related to the 9105
owner by consanguinity or affinity for the purpose of qualifying 9106
for the real property or manufactured home tax reduction provided 9107
for in division (A) or (B) of section 323.152 of the Revised Code. 9108
The form shall contain a statement that conviction of willfully 9109

falsifying information to obtain a reduction in taxes or failing 9110
to comply with division (C) of this section results in the 9111
revocation of the right to the reduction for a period of three 9112
years. ~~In the case of an application for a reduction in taxes 9113
under division (A) of section 323.152 of the Revised Code, the 9114
form shall contain a statement that signing the application 9115
constitutes a delegation of authority by the applicant to the 9116
county auditor to examine any financial records relating to income 9117
earned by the applicant as stated on the application for the 9118
purpose of determining a possible violation of division (D) or (E) 9119
of this section.~~ 9120

(B) A late application for a tax reduction for the year 9121
preceding the year in which an original application is filed, or 9122
for a reduction in manufactured home taxes for the year in which 9123
an original application is filed, may be filed with the original 9124
application. If the county auditor determines the information 9125
contained in the late application is correct, the auditor shall 9126
determine the amount of the reduction in taxes to which the 9127
applicant would have been entitled for the preceding tax year had 9128
the applicant's application been timely filed and approved in that 9129
year. 9130

The amount of such reduction shall be treated by the auditor 9131
as an overpayment of taxes by the applicant and shall be refunded 9132
in the manner prescribed in section 5715.22 of the Revised Code 9133
for making refunds of overpayments. On the first day of July of 9134
each year, the county auditor shall certify the total amount of 9135
the reductions in taxes made in the current year under this 9136
division to the tax commissioner, who shall treat the full amount 9137
thereof as a reduction in taxes for the preceding tax year and 9138
shall make reimbursement to the county therefor in the manner 9139
prescribed by section 323.156 of the Revised Code, from money 9140
appropriated for that purpose. 9141

(C)(1) If, in any year after an application has been filed 9142
under division (A)(1) or (2) of this section, the owner does not 9143
qualify for a reduction in taxes on the homestead or on the 9144
manufactured or mobile home set forth on such application, ~~or~~ 9145
~~qualifies for a reduction in taxes that is to be based upon a~~ 9146
~~reduction in taxable value less than either the percentage or~~ 9147
~~amount of the reduction in taxable value to which the owner was~~ 9148
~~entitled in the year the application was filed, the owner shall~~ 9149
notify the county auditor that the owner is not qualified for a 9150
reduction in taxes ~~or file a new application under division (A)(1)~~ 9151
~~or (2) of this section.~~ 9152

(2) If, in any year after an application has been filed under 9153
division (A)~~(1)~~ of this section, the occupant of a homestead in a 9154
housing cooperative does not qualify for a reduction in taxes on 9155
the homestead, the occupant shall notify the county auditor that 9156
the occupant is not qualified for a reduction in taxes or file a 9157
new application under division (A)~~(1)~~ of this section. 9158

(3) If the county auditor or county treasurer discovers that 9159
the owner of property not entitled to the reduction in taxes under 9160
division (B) of section 323.152 of the Revised Code failed to 9161
notify the county auditor as required by division (C)(1) of this 9162
section, a charge shall be imposed against the property in the 9163
amount by which taxes were reduced under that division for each 9164
tax year the county auditor ascertains that the property was not 9165
entitled to the reduction and was owned by the current owner. 9166
Interest shall accrue in the manner prescribed by division (B) of 9167
section 323.121 or division (G)(2) of section 4503.06 of the 9168
Revised Code on the amount by which taxes were reduced for each 9169
such tax year as if the reduction became delinquent taxes at the 9170
close of the last day the second installment of taxes for that tax 9171
year could be paid without penalty. The county auditor shall 9172
notify the owner, by ordinary mail, of the charge, of the owner's 9173

right to appeal the charge, and of the manner in which the owner 9174
may appeal. The owner may appeal the imposition of the charge and 9175
interest by filing an appeal with the county board of revision not 9176
later than the last day prescribed for payment of real and public 9177
utility property taxes under section 323.12 of the Revised Code 9178
following receipt of the notice and occurring at least ninety days 9179
after receipt of the notice. The appeal shall be treated in the 9180
same manner as a complaint relating to the valuation or assessment 9181
of real property under Chapter 5715. of the Revised Code. The 9182
charge and any interest shall be collected as other delinquent 9183
taxes. 9184

(4) Each year during January, the county auditor shall 9185
furnish by ordinary mail a continuing application to each person 9186
issued a certificate of reduction under section 323.154 or 323.159 9187
of the Revised Code with respect to a reduction in taxes under 9188
division (A) of section 323.152 of the Revised Code. The 9189
continuing application shall be used to report ~~changes in total~~ 9190
~~income that would have the effect of increasing or decreasing the~~ 9191
~~reduction in taxable value to which the person is entitled,~~ 9192
changes in ownership or occupancy of the homestead, including 9193
changes in or revocation of a revocable inter vivos trust, changes 9194
in disability, and other changes in the information earlier 9195
furnished the auditor relative to the reduction in taxes on the 9196
property. The continuing application shall be returned to the 9197
auditor not later than the first Monday in June; provided, that if 9198
such changes do not affect the status of the homestead exemption 9199
or the amount of the reduction to which the owner is entitled 9200
under division (A) of section 323.152 of the Revised Code or to 9201
which the occupant is entitled under section 323.159 of the 9202
Revised Code, the application does not need to be returned. 9203

(5) Each year during February, the county auditor, except as 9204
otherwise provided in this paragraph, shall furnish by ordinary 9205

mail an original application to the owner, as of the first day of 9206
January of that year, of a homestead or a manufactured or mobile 9207
home that transferred during the preceding calendar year and that 9208
qualified for and received a reduction in taxes under division (B) 9209
of section 323.152 of the Revised Code for the preceding tax year. 9210
In order to receive the reduction under that division, the owner 9211
shall file the application with the county auditor not later than 9212
the first Monday in June. If the application is not timely filed, 9213
the auditor shall not grant a reduction in taxes for the homestead 9214
for the current year, and shall notify the owner that the 9215
reduction in taxes has not been granted, in the same manner 9216
prescribed under section 323.154 of the Revised Code for 9217
notification of denial of an application. Failure of an owner to 9218
receive an application does not excuse the failure of the owner to 9219
file an original application. The county auditor is not required 9220
to furnish an application under this paragraph for any homestead 9221
for which application has previously been made on a form 9222
incorporated into any form used by the county auditor to 9223
administer the tax law in respect to the conveyance of real 9224
property or of used manufactured homes or used mobile homes, and 9225
an owner who previously has applied on such a form is not required 9226
to return an application furnished under this paragraph. 9227

(D) No person shall knowingly make a false statement for the 9228
purpose of obtaining a reduction in the person's real property or 9229
manufactured home taxes under section 323.152 of the Revised Code. 9230

(E) No person shall knowingly fail to notify the county 9231
auditor of changes required by division (C) of this section that 9232
have the effect of maintaining or securing a reduction ~~in taxable~~ 9233
~~value of homestead property or a reduction~~ in taxes ~~in excess of~~ 9234
~~the reduction allowed~~ under section 323.152 of the Revised Code. 9235

(F) No person shall knowingly make a false statement or 9236
certification attesting to any person's physical or mental 9237

condition for purposes of qualifying such person for tax relief 9238
pursuant to sections 323.151 to 323.159 of the Revised Code. 9239

Sec. 323.154. On or before the day the county auditor has 9240
completed the duties imposed by sections 319.30 to 319.302 of the 9241
Revised Code, the auditor shall issue a certificate of reduction 9242
in taxes in triplicate for each person who has complied with 9243
section 323.153 of the Revised Code and whose homestead, as 9244
defined in division (A)(1) of section 323.151 of the Revised Code, 9245
or manufactured or mobile home the auditor finds is entitled to a 9246
reduction in real property or manufactured home taxes for that 9247
year under section 323.152 of the Revised Code. Except as provided 9248
in section 323.159 of the Revised Code, in the case of a homestead 9249
entitled to a reduction under division (A) of that section, the 9250
certificate shall state the taxable value of the homestead on the 9251
first day of January of that year, the ~~amount of the reduction in~~ 9252
~~taxable value and the~~ total reduction in taxes for that year under 9253
that section, the tax rate that is applicable against such 9254
homestead for that year, and any other information the tax 9255
commissioner requires. In the case of a homestead or a 9256
manufactured or mobile home entitled to a reduction under division 9257
(B) of that section, the certificate shall state the total amount 9258
of the reduction in taxes for that year under that section and any 9259
other information the tax commissioner requires. The certificate 9260
for reduction in taxes shall be on a form approved by the 9261
commissioner. Upon issuance of such a certificate, the county 9262
auditor shall forward one copy and the original to the county 9263
treasurer and retain one copy. The county auditor also shall 9264
record the amount of reduction in taxes in the appropriate column 9265
on the general tax list and duplicate of real and public utility 9266
property and on the manufactured home tax list. 9267

If an application, late application, or continuing 9268
application is not approved, or if the county auditor otherwise 9269

determines that a homestead or a manufactured or mobile home does 9270
not qualify for a reduction in taxes under division (A) or (B) of 9271
section 323.152 of the Revised Code, the auditor shall notify the 9272
applicant of the reasons for denial not later than the first 9273
Monday in October. If an applicant believes that the application 9274
for reduction has been improperly denied or that the reduction is 9275
for less than that to which the applicant is entitled, the 9276
applicant may file an appeal with the county board of revision not 9277
later than the date of closing of the collection for the first 9278
half of real and public utility property taxes or manufactured 9279
home taxes. The appeal shall be treated in the same manner as a 9280
complaint relating to the valuation or assessment of real property 9281
under Chapter 5715. of the Revised Code. 9282

Sec. 325.31. (A) On the first business day of each month, and 9283

section 325.27 of the Revised Code shall pay into the county 9285
treasury, to the credit of the general county fund, on the warrant 9286
of the county auditor, all fees, costs, penalties, percentages, 9287
allowances, and perquisites collected by the officer's office 9288
during the preceding month or part thereof for official services, 9289
except the fees allowed the county auditor by division ~~(B)~~(C) of 9290

by the county auditor for geographic information systems, mapping 9314
programs, and technological advances in those or similar systems 9315

(5) At the county auditor's discretion, expenses incurred by 9317
the county auditor in compiling the general tax list of tangible 9318
personal property and administering tangible personal property 9319
taxes under Chapters 5711. and 5719. of the Revised Code; 9320

(6) At the county auditor's discretion, costs, expenses, and 9321

the board a reasonable time in which to meet the criteria, and 9594

a reasonable time in which to meet the criteria, and shall offer 9620

department. 9623

(d) Receive, compile, and transmit to the department of 9624
mental health applications for state reimbursement; 9625

(e) Promote, arrange, and implement working agreements with 9626
social agencies, both public and private, and with judicial 9627

any complaint alleging abuse or neglect of any person receiving 9630
services from a community mental health agency as defined in 9631
section 5122.01 of the Revised Code, or from a residential 9632
facility licensed under section 5119.22 of the Revised Code. If 9633
the investigation substantiates the charge of abuse or neglect, 9634
the board shall take whatever action it determines is necessary to 9635
correct the situation, including notification of the appropriate 9636
authorities. Upon request, the board shall provide information 9637
about such investigations to the department. 9638

(3) For the purpose of section 5119.611 of the Revised Code, 9639

evaluating whether the services of a community mental health 9641
agency satisfy the certification standards established by rules 9642

adopted under that section; 9643

(4) In accordance with criteria established under division 9644
(G) of section 5119.61 of the Revised Code, review and evaluate 9645

(8)(a) Enter into contracts with public and private 9663
facilities for the operation of facility services included in the 9664
board's community mental health plan and enter into contracts with 9665
public and private community mental health agencies for the 9666
provision of community mental health services that are listed in 9667
section 340.09 of the Revised Code and included in the board's 9668
community mental health plan. The board may not contract with a 9669
community mental health agency to provide community mental health 9670
services included in the board's community mental health plan 9671
unless the services are certified by the director of mental health 9672
under section 5119.611 of the Revised Code. Section 307.86 of the 9673

Revised Code does not apply to contracts entered into under this 9674
division. In contracting with a community mental health agency, a 9675

part of the contract for services entered into between a board and 9680
a community mental health agency. The board may establish this 9681
process in a way that is most effective and efficient in meeting 9682
local needs. In the case of a contract with a community mental 9683
health facility, as defined in section 5111.023 of the Revised 9684
Code, to provide services listed in division (B) of that section, 9685
the contract shall provide for the facility to be paid in 9686
accordance with the contract entered into between the departments 9687
of job and family services and mental health under section 5111.91 9688
of the Revised Code and any rules adopted under division (A) of 9689

agency with which the board contracts under division (A)(8)(a) of 9692
this section proposes not to renew the contract or proposes 9693
substantial changes in contract terms, the other party shall be 9694
given written notice at least one hundred twenty days before the 9695
expiration date of the contract. During the first sixty days of 9696
this one hundred twenty-day period, both parties shall attempt to 9697
resolve any dispute through good faith collaboration and 9698
negotiation in order to continue to provide services to persons in 9699
need. If the dispute has not been resolved sixty days before the 9700
expiration date of the contract, either party may notify the 9701
department of mental health of the unresolved dispute. The 9702
director may require both parties to submit the dispute to a third 9703
party with the cost to be shared by the board and the facility or 9704
community mental health agency. The third party shall issue to the 9705
board, the facility or agency, and the department recommendations 9706

on how the dispute may be resolved twenty days prior to the 9707
expiration date of the contract, unless both parties agree to a 9708
time extension. The director shall adopt rules establishing the 9709
procedures of this dispute resolution process. 9710

(b) With the prior approval of the director of mental health, 9711
a board may operate a facility or provide a community mental 9712
health service as follows, if there is no other qualified private 9713
or public facility or community mental health agency that is 9714
immediately available and willing to operate such a facility or 9715
provide the service: 9716

(i) In an emergency situation, any board may operate a 9717
facility or provide a community mental health service in order to 9718
provide essential services for the duration of the emergency; 9719

(ii) In a service district with a population of at least one 9720
hundred thousand but less than five hundred thousand, a board may 9721
operate a facility or provide a community mental health service 9722
for no longer than one year; 9723

(iii) In a service district with a population of less than 9724
one hundred thousand, a board may operate a facility or provide a 9725
community mental health service for no longer than one year, 9726
except that such a board may operate a facility or provide a 9727
community mental health service for more than one year with the 9728
prior approval of the director and the prior approval of the board 9729
of county commissioners, or of a majority of the boards of county 9730
commissioners if the district is a joint-county district. 9731

The director shall not give a board approval to operate a 9732
facility or provide a community mental health service under 9733
division (A)(8)(b)(ii) or (iii) of this section unless the 9734
director determines that it is not feasible to have the department 9735
operate the facility or provide the service. 9736

The director shall not give a board approval to operate a 9737

facility or provide a community mental health service under 9738
division (A)(8)(b)(iii) of this section unless the director 9739
determines that the board will provide greater administrative 9740
efficiency and more or better services than would be available if 9741
the board contracted with a private or public facility or 9742
community mental health agency. 9743

The director shall not give a board approval to operate a 9744
facility previously operated by a person or other government 9745
entity unless the board has established to the director's 9746
satisfaction that the person or other government entity cannot 9747
effectively operate the facility or that the person or other 9748
government entity has requested the board to take over operation 9749
of the facility. The director shall not give a board approval to 9750
provide a community mental health service previously provided by a 9751
community mental health agency unless the board has established to 9752
the director's satisfaction that the agency cannot effectively 9753
provide the service or that the agency has requested the board 9754
take over providing the service. 9755

The director shall review and evaluate a board's operation of 9756
a facility and provision of community mental health service under 9757
division (A)(8)(b) of this section. 9758

Nothing in division (A)(8)(b) of this section authorizes a 9759
board to administer or direct the daily operation of any facility 9760
or community mental health agency, but a facility or agency may 9761
contract with a board to receive administrative services or staff 9762
direction from the board under the direction of the governing body 9763
of the facility or agency. 9764

(9) Approve fee schedules and related charges or adopt a unit 9765
cost schedule or other methods of payment for contract services 9766
provided by community mental health agencies in accordance with 9767
guidelines issued by the department as necessary to comply with 9768
state and federal laws pertaining to financial assistance; 9769

(10) Submit to the director and the county commissioners of the county or counties served by the board, and make available to the public, an annual report of the programs under the jurisdiction of the board, including a fiscal accounting;

(j) Grievance procedures and protection of the rights of 9803
consumers of mental health services; 9804

(k) Case management, which includes continual individualized 9805

Chapter 5122. of the Revised Code and authorize payment for such 9810
treatment. The board shall provide the least restrictive and most 9811
appropriate alternative that is available for any person 9812
involuntarily committed to it and shall assure that the services 9813
listed in section 340.09 of the Revised Code are available to 9814
severely mentally disabled persons residing within its service 9815
district. The board shall establish the procedure for authorizing 9816
payment for services, which may include prior authorization in 9817
appropriate circumstances. The board may provide for services 9818
directly to a severely mentally disabled person when life or 9819
safety is endangered and when no community mental health agency is 9820
available to provide the service. 9821

(13) Establish a method for evaluating referrals for 9822
involuntary commitment and affidavits filed pursuant to section 9823
5122.11 of the Revised Code in order to assist the probate 9824
division of the court of common pleas in determining whether there 9825
is probable cause that a respondent is subject to involuntary 9826
hospitalization and what alternative treatment is available and 9827

(14) Ensure that apartments or rooms built, subsidized, 9829

facilities licensed pursuant to section 5119.22 of the Revised 9836

(15) Establish a mechanism for involvement of consumer 9838
recommendation and advice on matters pertaining to mental health 9839
services in the alcohol, drug addiction, and mental health service 9840
district; 9841

(16) Perform the duties under section 3722.18 of the Revised 9842
Code required by rules adopted under section 5119.61 of the 9843
Revised Code regarding referrals by the board or mental health 9844

illness or severe mental disability to adult care facilities and 9846
effective arrangements for ongoing mental health services for the 9847
individuals. The board is accountable in the manner specified in 9848
the rules for ensuring that the ongoing mental health services are 9849
effectively arranged for the individuals. 9850

(B) The board shall establish such rules, operating 9851
procedures, standards, and bylaws, and perform such other duties 9852
as may be necessary or proper to carry out the purposes of this 9853
chapter. 9854

(C) A board of alcohol, drug addiction, and mental health 9855
services may receive by gift, grant, devise, or bequest any 9856
moneys, lands, or property for the benefit of the purposes for 9857
which the board is established, and may hold and apply it 9858
according to the terms of the gift, grant, or bequest. All money 9859
received, including accrued interest, by gift, grant, or bequest 9860

grantor. 9865

(D) No board member or employee of a board of alcohol, drug 9866
addiction, and mental health services shall be liable for injury 9867
or damages caused by any action or inaction taken within the scope 9868
of the board member's official duties or the employee's 9869
employment, whether or not such action or inaction is expressly 9870
authorized by this section, section 340.033, or any other section 9871
of the Revised Code, unless such action or inaction constitutes 9872
willful or wanton misconduct. Chapter 2744. of the Revised Code 9873
applies to any action or inaction by a board member or employee of 9874
a board taken within the scope of the board member's official 9875
duties or employee's employment. For the purposes of this 9876
division, the conduct of a board member or employee shall not be 9877
considered willful or wanton misconduct if the board member or 9878
employee acted in good faith and in a manner that the board member 9879
or employee reasonably believed was in or was not opposed to the 9880
best interests of the board and, with respect to any criminal 9881
action or proceeding, had no reasonable cause to believe the 9882
conduct was unlawful. 9883

(E) The meetings held by any committee established by a board 9884
of alcohol, drug addiction, and mental health services shall be 9885
considered to be meetings of a public body subject to section 9886
121.22 of the Revised Code. 9887

Sec. 505.37. (A) The board of township trustees may establish 9888
all necessary rules to guard against the occurrence of fires and 9889
to protect the property and lives of the citizens against damage 9890
and accidents, and may, with the approval of the specifications by 9891
the prosecuting attorney or, if the township has adopted limited 9892
home rule government under Chapter 504. of the Revised Code, with 9893

the approval of the specifications by the township's law director, 9894

buildings, and it may establish and maintain lines of fire-alarm 9902
communications within the limits of the township. The board may 9903
employ one or more persons to maintain and operate fire-fighting 9904
equipment, or it may enter into an agreement with a volunteer fire 9905
company for the use and operation of fire-fighting equipment. The 9906
board may compensate the members of a volunteer fire company on 9907
any basis and in any amount that it considers equitable. 9908

9909
When the estimated cost to purchase fire apparatus, 9910
mechanical resuscitators, other equipment, appliances, materials, 9911
fire hydrants, buildings, or fire-alarm communications equipment 9912
or services exceeds fifty thousand dollars, the contract shall be 9913
let by competitive bidding. When competitive bidding is required, 9914
the board shall advertise for not less than two nor more than four 9915
consecutive weeks in a newspaper of general circulation within the 9916
township. The advertisement shall include the time, date, and 9917
place where the clerk of the township, or the clerk's designee, 9918
will read bids publicly. The time, date, and place of bid openings 9919
may be extended to a later date by the board of township trustees, 9920
provided that written or oral notice of the change shall be given 9921
to all persons who have received or requested specifications not 9922
later than ninety-six hours prior to the original time and date 9923
fixed for the opening. The board may reject all the bids or accept 9924
the lowest and best bid, provided that the successful bidder meets 9925
the requirements of section 153.54 of the Revised Code when the 9926

contract is for the construction, demolition, alteration, repair, 9927
or reconstruction of an improvement. 9928

(B) The boards of township trustees of any two or more 9929
townships, or the legislative authorities of any two or more 9930
political subdivisions, or any combination of these, may, through 9931
joint action, unite in the joint purchase, lease, lease with an 9932
option to purchase, maintenance, use, and operation of 9933
fire-fighting equipment, or for any other purpose designated in 9934
sections 505.37 to 505.42 of the Revised Code, and may prorate the 9935
expense of the joint action on any terms that are mutually agreed 9936
upon. 9937

(C) The board of township trustees of any township may, by 9938
resolution, whenever it is expedient and necessary to guard 9939
against the occurrence of fires or to protect the property and 9940
lives of the citizens against damages resulting from their 9941
occurrence, create a fire district of any portions of the township 9942
that it considers necessary. The board may purchase, lease, lease 9943
with an option to purchase, or otherwise provide any fire 9944
apparatus, appliances, materials, fire hydrants, and water supply 9945
for fire-fighting purposes, or may contract for the fire 9946
protection for the fire district as provided in section 9.60 of 9947
the Revised Code. The fire district so created shall be given a 9948
separate name by which it shall be known. 9949

Additional unincorporated territory of the township may be 9950
added to a fire district upon the board's adoption of a resolution 9951
authorizing the addition. A municipal corporation that is within 9952
or adjoining the township may be added to a fire district upon the 9953
board's adoption of a resolution authorizing the addition and the 9954
municipal legislative authority's adoption of a resolution or 9955
ordinance requesting the addition of the municipal corporation to 9956
the fire district. 9957

If the township fire district imposes a tax, additional 9958

unincorporated territory of the township or a municipal 9959
corporation that is within or adjoining the township shall become 9960
part of the fire district only after all of the following have 9961
occurred: 9962

(1) Adoption by the board of township trustees of a 9963
resolution approving the expansion of the territorial limits of 9964
the district and, if the resolution proposes to add a municipal 9965
corporation, adoption by the municipal legislative authority of a 9966
resolution or ordinance requesting the addition of the municipal 9967
corporation to the district; 9968

(2) Adoption by the board of township trustees of a 9969
resolution recommending the extension of the tax to the additional 9970
territory; 9971

(3) Approval of the tax by the electors of the territory 9972
proposed for addition to the district. 9973

Each resolution of the board adopted under division (C)(2) of 9974
this section shall state the name of the fire district, a 9975
description of the territory to be added, and the rate and 9976
termination date of the tax, which shall be the rate and 9977
termination date of the tax currently in effect in the fire 9978
district. 9979

The board of trustees shall certify each resolution adopted 9980
under division (C)(2) of this section to the board of elections in 9981
accordance with section 5705.19 of the Revised Code. The election 9982
required under division (C)(3) of this section shall be held, 9983
canvassed, and certified in the manner provided for the submission 9984
of tax levies under section 5705.25 of the Revised Code, except 9985
that the question appearing on the ballot shall read: 9986

"Shall the territory within 9987
(description of the proposed territory to be added) be added to 9988
..... (name) fire district, and a property tax 9989

at a rate of taxation not exceeding (here insert tax rate) 9990
be in effect for (here insert the number of years the 9991
tax is to be in effect or "a continuing period of time," as 9992
applicable)?" 9993

If the question is approved by at least a majority of the 9994
electors voting on it, the joinder shall be effective as of the 9995
first day of July of the year following approval, and on that 9996
date, the township fire district tax shall be extended to the 9997
taxable property within the territory that has been added. If the 9998
territory that has been added is a municipal corporation and if it 9999
had adopted a tax levy for fire purposes, the levy is terminated 10000
on the effective date of the joinder. 10001

Any municipal corporation may withdraw from a township fire 10002
district created under division (C) of this section by the 10003
adoption by the municipal legislative authority of a resolution or 10004
ordinance ordering withdrawal. On the first day of July of the 10005
year following the adoption of the resolution or ordinance of 10006
withdrawal, the municipal corporation withdrawing ceases to be a 10007
part of the district, and the power of the fire district to levy a 10008
tax upon taxable property in the withdrawing municipal corporation 10009
terminates, except that the fire district shall continue to levy 10010
and collect taxes for the payment of indebtedness within the 10011
territory of the fire district as it was composed at the time the 10012
indebtedness was incurred. 10013

Upon the withdrawal of any municipal corporation from a 10014
township fire district created under division (C) of this section, 10015
the county auditor shall ascertain, apportion, and order a 10016
division of the funds on hand, moneys and taxes in the process of 10017
collection except for taxes levied for the payment of 10018
indebtedness, credits, and real and personal property, either in 10019
money or in kind, on the basis of the valuation of the respective 10020
tax duplicates of the withdrawing municipal corporation and the 10021

remaining territory of the fire district. 10022

A board of township trustees may remove unincorporated 10023
territory of the township from the fire district upon the adoption 10024
of a resolution authorizing the removal. On the first day of July 10025
of the year following the adoption of the resolution, the 10026
unincorporated township territory described in the resolution 10027
ceases to be a part of the district, and the power of the fire 10028
district to levy a tax upon taxable property in that territory 10029
terminates, except that the fire district shall continue to levy 10030
and collect taxes for the payment of indebtedness within the 10031
territory of the fire district as it was composed at the time the 10032
indebtedness was incurred. 10033

(D) The board of township trustees of any township, the board 10034
of fire district trustees of a fire district created under section 10035
505.371 of the Revised Code, or the legislative authority of any 10036
municipal corporation may purchase, lease, or lease with an option 10037
to purchase the necessary fire-fighting equipment, buildings, and 10038
sites for the township, fire district, or municipal corporation 10039
and issue securities for that purpose with maximum maturities as 10040
provided in section 133.20 of the Revised Code. The board of 10041
township trustees, board of fire district trustees, or legislative 10042
authority may also construct any buildings necessary to house 10043
fire-fighting equipment and issue securities for that purpose with 10044
maximum maturities as provided in section 133.20 of the Revised 10045
Code. 10046

The board of township trustees, board of fire district 10047
trustees, or legislative authority may issue the securities of the 10048
township, fire district, or municipal corporation, signed by the 10049
board or designated officer of the municipal corporation and 10050
attested by the signature of the township fiscal officer, fire 10051
district clerk, or municipal clerk, covering any deferred payments 10052
and payable at the times provided, which securities shall bear 10053

interest not to exceed the rate determined as provided in section 10054
9.95 of the Revised Code, and shall not be subject to Chapter 133. 10055
of the Revised Code. The legislation authorizing the issuance of 10056
the securities shall provide for levying and collecting annually 10057
by taxation, amounts sufficient to pay the interest on and 10058
principal of the securities. The securities shall be offered for 10059
sale on the open market or given to the vendor or contractor if no 10060
sale is made. 10061

Section 505.40 of the Revised Code does not apply to any 10062
securities issued, or any lease with an option to purchase entered 10063
into, in accordance with this division. 10064

(E) A board of township trustees of any township or a board 10065
of fire district trustees of a fire district created under section 10066
505.371 of the Revised Code may purchase a policy or policies of 10067
liability insurance for the officers, employees, and appointees of 10068
the fire department, fire district, or joint fire district 10069
governed by the board that includes personal injury liability 10070
coverage as to the civil liability of those officers, employees, 10071
and appointees for false arrest, detention, or imprisonment, 10072
malicious prosecution, libel, slander, defamation or other 10073
violation of the right of privacy, wrongful entry or eviction, or 10074

appropriate land for that purpose under sections 163.01 to 163.22 10081
of the Revised Code. If it is necessary to acquire additional 10082
adjacent land for enlarging or improving the fire station, the 10083
board may purchase, appropriate, or accept a deed of gift for the 10084
land for these purposes. 10085

the grant or loan agreement in a written memorandum. 10149

Sec. 517.08. The proceeds arising from the sale of cemetery 10150
lots under section 517.07 of the Revised Code shall be used in 10151
maintaining, improving, beautifying, and embellishing such 10152
grounds, except that upon unanimous consent of the board of 10153
township trustees, such proceeds may be used in the purchase or 10154
appropriation of additional land for cemetery purposes in 10155
accordance with sections 517.01 and 517.13 of the Revised Code; 10156

the filing of an application by one or more of the owners or 10163
lessees of property within the area proposed to be changed or 10164

mailing, filing with the county recorder, and other expenses. If 10169
the board of township trustees requires such a fee, it shall be 10170
required generally, for each application. The board of township 10171
trustees, upon the passage of such a resolution, shall certify it 10172
to the township zoning commission. 10173

(2) Upon the adoption of a motion by the township zoning 10174
commission, the certification of a resolution by the board of 10175
township trustees to the commission, or the filing of an 10176

current tax list, written notice of the hearing shall be mailed by 10188
the township zoning commission, by first class mail, at least ten 10189

property within and contiguous to and directly across the street 10191
from the area proposed to be rezoned or redistricted to the 10192
addresses of those owners appearing on the county auditor's 10193

invalidate any such amendment. 10195

(C) If the proposed amendment intends to rezone or redistrict 10196
ten or fewer parcels of land as listed on the county auditor's 10197
current tax list, the published and mailed notices shall set forth 10198

the matter will be submitted to the board of township trustees for 10220

The petition shall be filed with the board of township 10383
trustees and shall be accompanied by an appropriate map of the 10384
area affected by the zoning proposal. Within two weeks after 10385
receiving a petition filed under this section, the board of 10386
township trustees shall certify the petition to the board of 10387
elections. A petition filed under this section shall be certified 10388
to the board of elections not less than seventy-five days prior to 10389
the election at which the question is to be voted upon. 10390

The board of elections shall determine the sufficiency and 10391
validity of each petition certified to it by a board of township 10392
trustees under this section. If the board of elections determines 10393
that a petition is sufficient and valid, the question shall be 10394
voted upon at a special election to be held on the day of the next 10395

primary or general election that occurs at least seventy-five days 10396
after the date the petition is filed with the board of township 10397
trustees, regardless of whether any election will be held to 10398
nominate or elect candidates on that day. 10399

No amendment for which such a referendum vote has been 10400
requested shall be put into effect unless a majority of the vote 10401
cast on the issue is in favor of the amendment. Upon certification 10402
by the board of elections that the amendment has been approved by 10403
the voters, it shall take immediate effect. 10404

Within five working days after an amendment's effective date, 10405
the board of township trustees shall file the text and maps of the 10406
amendment in the office of the county recorder and with the county 10407
or regional planning commission, if one exists. 10408

The failure to file any amendment, or any text and maps, or 10409
duplicates of any of these documents, with the office of the 10410
county recorder or the county or regional planning commission as 10411
required by this section does not invalidate the amendment and is 10412
not grounds for an appeal of any decision of the board of zoning 10413
appeals. 10414

Sec. 521.01. (A) As used in this chapter, "private sewage 10415
collection tile" means any tile, ditch, pipe, or other improvement 10416
installed by a private person to receive and convey sewage and 10417
sewage effluent from at least five household sewage ~~treatment~~ 10418
disposal systems, as those systems are defined in rules adopted by 10419
the public health council under section ~~3718.01~~ 3701.34 of the 10420
Revised Code. 10421

(B) A board of township trustees may maintain and repair 10422
private sewage collection tiles located within a township road 10423
right-of-way in the township, where the expenditure from the 10424
township general fund for materials to maintain and repair the 10425
tiles does not exceed two hundred dollars for any one project. No 10426

maintenance or repair shall be performed that is paid for from the township general fund under this division until the board adopts a resolution authorizing the maintenance or repair. If material costs would exceed two hundred dollars, the board may proceed under this chapter to maintain and repair the tiles by assessing the cost against property based on the special benefits the property receives from the project.

Sec. 711.05. (A) Upon the submission of a plat for approval, in accordance with section 711.041 of the Revised Code, the board of county commissioners shall certify on it the date of the submission. Within five days of submission of the plat, the board shall schedule a meeting to consider the plat and send a written notice by regular mail to the fiscal officer of the board of township trustees of the township in which the plat is located ~~and the board of health of the health district in which the plat is located~~. The notice shall inform the trustees ~~and the board of health~~ of the submission of the plat and of the date, time, and location of any meeting at which the board of county commissioners will consider or act upon the proposed plat. The meeting shall take place within thirty days of submission of the plat, and no meeting shall be held until at least seven days have passed from the date the notice was sent by the board of county commissioners. The approval of the board required by section 711.041 of the Revised Code or the refusal to approve shall take place within thirty days from the date of submission or such further time as the applying party may agree to in writing; otherwise, the plat is deemed approved and may be recorded as if bearing such approval.

(B) The board may adopt general rules governing plats and subdivisions of land falling within its jurisdiction, to secure and provide for the coordination of the streets within the subdivision with existing streets and roads or with existing county highways, for the proper amount of open spaces for traffic,

circulation, and utilities, and for the avoidance of future 10459
congestion of population detrimental to the public health, safety, 10460
or welfare, but shall not impose a greater minimum lot area than 10461
forty-eight hundred square feet. Before the board may amend or 10462
adopt rules, it shall notify all the townships in the county of 10463
the proposed amendments or rules by regular mail at least thirty 10464
days before the public meeting at which the proposed amendments or 10465
rules are to be considered. 10466

The rules may require the ~~board~~ county department of health 10467
to review and comment on a plat before the board of county 10468
commissioners acts upon it and may also require proof of 10469
compliance with any applicable zoning resolutions, ~~and with~~ 10470
~~household sewage treatment rules adopted under section 3718.02 of~~ 10471
~~the Revised Code,~~ as a basis for approval of a plat. Where under 10472
section 711.101 of the Revised Code the board of county 10473
commissioners has set up standards and specifications for the 10474
construction of streets, utilities, and other improvements for 10475
common use, the general rules may require the submission of 10476
appropriate plans and specifications for approval. The board shall 10477
not require the person submitting the plat to alter the plat or 10478
any part of it as a condition for approval, as long as the plat is 10479
in accordance with general rules governing plats and subdivisions 10480
of land, adopted by the board as provided in this section, in 10481
effect at the time the plat was submitted and the plat is in 10482
accordance with any standards and specifications set up under 10483
section 711.101 of the Revised Code, in effect at the time the 10484
plat was submitted. 10485

(C) The ground of refusal to approve any plat, submitted in 10486
accordance with section 711.041 of the Revised Code, shall be 10487
stated upon the record of the board, and, within sixty days 10488
thereafter, the person submitting any plat that the board refuses 10489
to approve may file a petition in the court of common pleas of the 10490

county in which the land described in the plat is situated to 10491
review the action of the board. A board of township trustees is 10492
not entitled to appeal a decision of the board of county 10493
commissioners under this section. 10494

Sec. 711.10. (A) Whenever a county planning commission or a 10495
regional planning commission adopts a plan for the major streets 10496
or highways of the county or region, no plat of a subdivision of 10497
land within the county or region, other than land within a 10498
municipal corporation or land within three miles of a city or one 10499
and one-half miles of a village as provided in section 711.09 of 10500
the Revised Code, shall be recorded until it is approved by the 10501
county or regional planning commission under division (C) of this 10502
section and the approval is endorsed in writing on the plat. 10503

(B) A county or regional planning commission may require the 10504
submission of a preliminary plan for each plat sought to be 10505
recorded. If the commission requires this submission, it shall 10506
provide for a review process for the preliminary plan. Under this 10507
review process, the planning commission shall give its approval, 10508
its approval with conditions, or its disapproval of each 10509
preliminary plan. The commission's decision shall be in writing, 10510
shall be under the signature of the secretary of the commission, 10511
and shall be issued within thirty-five business days after the 10512
submission of the preliminary plan to the commission. The 10513
disapproval of a preliminary plan shall state the reasons for the 10514
disapproval. A decision of the commission under this division is 10515
preliminary to and separate from the commission's decision to 10516
approve, conditionally approve, or refuse to approve a plat under 10517
division (C) of this section. 10518

(C) Within five calendar days after the submission of a plat 10519
for approval under this division, the county or regional planning 10520
commission shall schedule a meeting to consider the plat and send 10521

a notice by regular mail or by electronic mail to the fiscal 10522
officer of the board of township trustees of the township in which 10523
the plat is located ~~and the board of health of the health district~~ 10524
~~in which the plat is located.~~ The notice shall inform the trustees 10525
~~and the board of health~~ of the submission of the plat and of the 10526
date, time, and location of any meeting at which the county or 10527
regional planning commission will consider or act upon the plat. 10528
The meeting shall take place within thirty calendar days after 10529
submission of the plat, and no meeting shall be held until at 10530
least seven calendar days have passed from the date the planning 10531
commission sent the notice. 10532

The approval of the county or regional planning commission, 10533
the commission's conditional approval as described in this 10534
division, or the refusal of the commission to approve shall be 10535
endorsed on the plat within thirty calendar days after the 10536
submission of the plat for approval under this division or within 10537
such further time as the applying party may agree to in writing; 10538
otherwise that plat is deemed approved, and the certificate of the 10539
commission as to the date of the submission of the plat for 10540
approval under this division and the failure to take action on it 10541
within that time shall be sufficient in lieu of the written 10542
endorsement or evidence of approval required by this division. 10543

A county or regional planning commission may grant 10544
conditional approval under this division to a plat by requiring a 10545
person submitting the plat to alter the plat or any part of it, 10546
within a specified period after the end of the thirty calendar 10547
days, as a condition for final approval under this division. Once 10548
all the conditions have been met within the specified period, the 10549
commission shall cause its final approval under this division to 10550
be endorsed on the plat. No plat shall be recorded until it is 10551
endorsed with the commission's final or unconditional approval 10552
under this division. 10553

The ground of refusal of approval of any plat submitted under this division, including citation of or reference to the rule violated by the plat, shall be stated upon the record of the county or regional planning commission. Within sixty calendar days after the refusal under this division, the person submitting any plat that the commission refuses to approve under this division may file a petition in the court of common pleas of the proper county, and the proceedings on the petition shall be governed by section 711.09 of the Revised Code as in the case of the refusal of a planning authority to approve a plat. A board of township trustees is not entitled to appeal a decision of the commission under this division.

A county or regional planning commission shall adopt general rules, of uniform application, governing plats and subdivisions of land falling within its jurisdiction, to secure and provide for the proper arrangement of streets or other highways in relation to existing or planned streets or highways or to the county or regional plan, for adequate and convenient open spaces for traffic, utilities, access of firefighting apparatus, recreation, light, and air, and for the avoidance of congestion of population. The rules may provide for their modification by the commission in specific cases where unusual topographical and other exceptional conditions require the modification. The rules may require the ~~board~~ county department of health to review and comment on a plat before the commission acts upon it and also may require proof of compliance with any applicable zoning resolutions, ~~and with household sewage treatment rules adopted under section 3718.02 of the Revised Code,~~ as a basis for approval of a plat.

Before adoption of its rules or amendment of its rules, the commission shall hold a public hearing on the adoption or amendment. Notice of the public hearing shall be sent to all townships in the county or region by regular mail or electronic

mail at least thirty business days before the hearing. No county 10586
or regional planning commission shall adopt any rules requiring 10587
actual construction of streets or other improvements or facilities 10588
or assurance of that construction as a condition precedent to the 10589
approval of a plat of a subdivision unless the requirements have 10590
first been adopted by the board of county commissioners after a 10591
public hearing. A copy of the rules shall be certified by the 10592
planning commission to the county recorders of the appropriate 10593
counties. 10594

After a county or regional street or highway plan has been 10595
adopted as provided in this section, the approval of plats and 10596
subdivisions provided for in this section shall be in lieu of any 10597
approvals provided for in other sections of the Revised Code, 10598
insofar as the territory within the approving jurisdiction of the 10599
county or regional planning commission, as provided in this 10600
section, is concerned. Approval of a plat shall not be an 10601
acceptance by the public of the dedication of any street, highway, 10602
or other way or open space shown upon the plat. 10603

No county or regional planning commission shall require a 10604
person submitting a plat to alter the plat or any part of it as 10605
long as the plat is in accordance with the general rules governing 10606
plats and subdivisions of land, adopted by the commission as 10607
provided in this section, in effect at the time the plat is 10608
submitted. 10609

A county or regional planning commission and a city or 10610
village planning commission, or platting commissioner or 10611
legislative authority of a village, with subdivision regulation 10612
jurisdiction over unincorporated territory within the county or 10613
region may cooperate and agree by written agreement that the 10614
approval of a plat by the city or village planning commission, or 10615
platting commissioner or legislative authority of a village, as 10616
provided in section 711.09 of the Revised Code, shall be 10617

conditioned upon receiving advice from or approval by the county 10618
or regional planning commission. 10619

(D) As used in this section, "business day" means a day of 10620
the week excluding Saturday, Sunday, or a legal holiday as defined 10621

of the Revised Code and except as provided in division (C) of this 10624
section, unless the rules adopted under section 711.05, 711.09, or 10625
711.10 of the Revised Code are amended pursuant to division (B) of 10626
this section, a proposed division of a parcel of land along an 10627
existing public street, not involving the opening, widening, or 10628
extension of any street or road, and involving no more than five 10629
lots after the original tract has been completely subdivided, may 10630
be submitted to the planning authority having approving 10631
jurisdiction of plats under section 711.05, 711.09, or 711.10 of 10632
the Revised Code for approval without plat. If the authority 10633
acting through a properly designated representative finds that a 10634
proposed division is not contrary to applicable platting, 10635
subdividing, zoning, health, sanitary, or access management 10636
regulations, or regulations adopted under division (B)(3) of 10637
section 307.37 of the Revised Code regarding existing surface or 10638
subsurface drainage, ~~or household sewage treatment rules adopted~~ 10639
~~under section 3718.02 of the Revised Code, including, but not~~ 10640
~~limited to, rules governing household sewage disposal systems,~~ it 10641
shall approve the proposed division within seven business days 10642
after its submission and, on presentation of a conveyance of the 10643
parcel, shall stamp the conveyance "approved by (planning 10644
authority); no plat required" and have it signed by its clerk, 10645
secretary, or other official as may be designated by it. The 10646
planning authority may require the submission of a sketch and 10647
other information that is pertinent to its determination under 10648
this division. 10649

(B) For a period of up to two years after ~~the effective date~~ 10650
~~of this amendment~~ April 15, 2005, the rules adopted under section 10651
711.05, 711.09, or 711.10 of the Revised Code may be amended 10652
within that period to authorize the planning authority involved to 10653
approve proposed divisions of parcels of land without plat under 10654
this division. If an authority so amends its rules, it may approve 10655
no more than five lots without a plat from an original tract as 10656
that original tract exists on the effective date of the amendment 10657
to the rules. The authority shall make the findings and approve a 10658
proposed division in the time and manner specified in division (A) 10659
of this section. 10660

section may be appealed to a court of competent jurisdiction. 10754

Nothing in this section shall be construed to apply to 10755

United States government securities, negotiable certificates of 10972
deposit, or cash as the bidder designates. 10973

When the chief finds that a person or governmental agency has 10974
failed to comply with the conditions of the person's or 10975
governmental agency's bond, the chief shall make a finding of that 10976

collect the amount of the bond, cash, securities, certificates, or 10980
letters of credit. 10981

In lieu of total forfeiture, the surety, at its option, may 10982
cause the timber sale to be completed or pay to the treasurer of 10983
state the cost thereof. 10984

All moneys collected as a result of forfeitures of bonds, 10985

cash, securities, certificates, and letters of credit under this 10986
section shall be credited to the state forest fund created in this 10987
section. 10988

(C) The chief may grant easements and leases on portions of 10989
the state forest lands and state forest nurseries under terms that 10990
are advantageous to the state, and the chief may grant mineral 10991
rights on a royalty basis on those lands and nurseries, with the 10992
approval of the attorney general and the director. 10993

(D) All moneys received from the sale of state forest lands, 10994
or in payment for easements or leases on or as rents from those 10995
lands or from state forest nurseries, shall be paid into the state 10996
treasury to the credit of the state forest fund, which is hereby 10997
created. In addition, all moneys received from federal grants, 10998
payments, and reimbursements, from the sale of reforestation tree 10999
stock, from the sale of forest products, other than standing 11000
timber, and from the sale of minerals taken from the state forest 11001
lands and state forest nurseries, together with royalties from 11002
mineral rights, shall be paid into the state treasury to the 11003
credit of the state forest fund. Any other revenues derived from 11004

The state forest fund shall not be expended for any purpose 11011
other than the administration, operation, maintenance, 11012
development, or utilization of the state forests, forest 11013
nurseries, and forest programs, for facilities or equipment 11014
incident to them, or for the further purchase of lands for state 11015
forest or forest nursery purposes and, in the case of 11016
contributions received pursuant to section 4503.574 of the Revised 11017

Code, for fire prevention purposes. 11018

All moneys received from the sale of standing timber taken 11019
from state forest lands and state forest nurseries shall be 11020
deposited into the state treasury to the credit of the forestry 11021
holding account redistribution fund, which is hereby created. The 11022
moneys shall remain in the fund until they are redistributed in 11023

begin the redistribution, the chief first shall determine the 11026
amount of all standing timber sold from state forest lands and 11027
state forest nurseries, together with the amount of the total sale 11028
proceeds, in each county, in each township within the county, and 11029
in each school district within the county. The chief next shall 11030
determine the amount of the direct costs that the division of 11031

timber. The amount of the direct costs shall be subtracted from 11033
the amount of the total sale proceeds and shall be transferred 11034
from the forestry holding account redistribution fund to the state 11035
forest fund. 11036

determine the net value of standing timber sold from state forest 11039
lands and state forest nurseries in each county, in each township 11040
within the county, and in each school district within the county 11041
and shall send to each county treasurer a copy of the 11042
determination at the time that moneys are paid to the county 11043
treasurer under this division. 11044

Twenty-five per cent of the net value of standing timber sold 11045
from state forest lands and state forest nurseries located in a 11046
county shall be transferred from the forestry holding account 11047
redistribution fund to the state forest fund. Ten per cent of that 11048
net value shall be transferred from the forestry holding account 11049

redistribution fund to the general revenue fund. The remaining 11050
sixty-five per cent of the net value shall be transferred from the 11051
forestry holding account redistribution fund and paid to the 11052
county treasurer for the use of the general fund of that county. 11053

The county auditor shall do all of the following: 11054

of this section; 11057

(2) Pay into the general fund of any township located within 11058
the county and containing such lands and nurseries one-fourth of 11059
the amount received by the county from standing timber sold from 11060
lands and nurseries located in the township; 11061

(3) Request the board of education of any school district 11062
located within the county and containing such lands and nurseries 11063

moneys available to the school district under division (D)(3) of 11065
this section. After receiving notice from the board, the county 11066
auditor shall pay into the fund or funds so identified one-half of 11067
the amount received by the county from standing timber sold from 11068
lands and nurseries located in the school district, distributed 11069
proportionately as identified by the board. 11070

The division of forestry shall not supply logs, lumber, or 11071
other forest products or minerals, taken from the state forest 11072
lands or state forest nurseries, to any other agency or 11073
subdivision of the state unless payment is made therefor in the 11074
amount of the actual prevailing value thereof. This section is 11075

maintaining the projects referred to in this section, the board 11356
shall be governed by and may issue and refund bonds in accordance 11357

with Chapter 133. of the Revised Code. 11358

A municipal corporation or a township, acting through the 11359
legislative authority or the board of township trustees, may enter 11360
into and carry out agreements with the ~~chief~~ director for the 11361
purpose of constructing and maintaining projects to control shore 11362
erosion. In providing the funds for the municipal corporation's or 11363
township's proportionate share of the cost of constructing and 11364
maintaining the projects referred to in this section, a municipal 11365
corporation or township may issue and refund bonds in accordance 11366
with Chapter 133. of the Revised Code. The contract shall be 11367
executed on behalf of the municipal corporation or township by the 11368
mayor, city manager, or other chief executive officer who has the 11369
authority to act for the municipal corporation or township. 11370

Conservancy districts may enter into and carry out agreements 11371
with the ~~chief~~ director, in accordance with the intent of this 11372
section, under the powers conferred upon conservancy districts 11373
under Chapter 6101. of the Revised Code. 11374

Park boards may enter into and carry out agreements with the 11375
~~chief~~ director, in accordance with the intent of this section, and 11376
issue bonds for that purpose under the powers conferred upon park 11377
districts under Chapter 1545. of the Revised Code. 11378

The ~~chief~~ director shall approve and supervise all projects 11379
that are to be constructed in accordance with this section. The 11380
~~chief~~ director shall not proceed with the construction of any 11381
project until all funds that are to be paid by the county, 11382
township, municipal corporation, park board, or conservancy 11383
district, in accordance with the terms of the agreement entered 11384
into between the ~~chief~~ director and the county, township, 11385
municipal corporation, park board, or conservancy district, are in 11386
the ~~chief's~~ director's possession and deposited in the shore 11387
erosion fund, which is hereby created in the state treasury. If 11388
the ~~chief~~ director finds it to be in the best interests of the 11389

state to construct projects as set forth in this section by the 11390
state itself, without the financial contribution of counties, 11391
townships, municipal corporations, park boards, or conservancy 11392
districts, the ~~chief~~ director may construct the projects. 11393

In deciding whether to assist a county or municipal 11394
corporation in constructing and maintaining a project under this 11395
section, the state, acting through the ~~chief~~ director, shall 11396
consider, among other factors, whether the county or municipal 11397
corporation has adopted or is in the process of adopting a Lake 11398
Erie coastal erosion area resolution or ordinance under division 11399
(D) of section 1506.07 of the Revised Code. 11400

All projects constructed by the state in conformity with 11401
sections ~~1521.20~~ 1506.38 to ~~1521.28~~ 1506.46 of the Revised Code 11402
shall be constructed subject to sections 153.01 to 153.20 of the 11403
Revised Code, except that the state architect and engineer is not 11404
required to prepare the plans and specifications for those 11405
projects. 11406

Sec. ~~1521.25~~ 1506.43. The ~~chief~~ director of the ~~division of~~ 11407
~~water~~ natural resources may enter into a contract with any county, 11408
township, municipal corporation, conservancy district, or park 11409
board that has an agreement with the state in accordance with 11410
section ~~1521.24~~ 1506.42 of the Revised Code for the construction 11411
of a shore erosion project. No contract shall be let until all 11412
money that is to be paid by the political subdivision entering 11413
into the agreement has been deposited in the shore erosion fund 11414
created in that section ~~1521.24~~ of the Revised Code, and no 11415
~~contract shall be valid until approved by the director of natural~~ 11416
~~resources.~~ 11417

Sec. ~~1521.26~~ 1506.44. (A) A board of county commissioners may 11418
use a loan obtained under division (C) of this section to provide 11419

financial assistance to any person who owns real property in a 11420
coastal erosion area, ~~as defined in section 1506.01 of the Revised~~ 11421
~~Code,~~ and who has received a permit under section ~~1521.22~~ 1506.40 11422
of the Revised Code to construct an erosion control structure in 11423
that coastal erosion area. The board shall enter into an agreement 11424
with the person that complies with all of the following 11425
requirements: 11426

(1) The agreement shall identify the person's real property 11427
for which the erosion control structure is being constructed and 11428
shall include a legal description of that property and a reference 11429
to the volume and page of the deed record in which the title of 11430
that person to that property is recorded. 11431

(2) In accordance with rules adopted by the Ohio water 11432
development authority under division (V) of section 6121.04 of the 11433
Revised Code for the purposes of division (C) of this section and 11434
pursuant to an agreement between the board and the authority under 11435
that division, the board shall agree to cause payments to be made 11436
by the authority to the contractor hired by the person to 11437
construct an erosion control structure in amounts not to exceed 11438
the total amount specified in the agreement between the board and 11439
the person. 11440

(3) The person shall agree to pay to the board, or to the 11441
authority as the assignee pursuant to division (C) of this 11442
section, the total amount of the payments plus administrative or 11443
other costs of the board or the authority at times, in 11444
installments, and bearing interest as specified in the agreement. 11445

The agreement may contain additional provisions that the 11446
board determines necessary to safeguard the interests of the 11447
county or to comply with an agreement entered into under division 11448
(C) of this section. 11449

(B) Upon entering into an agreement under division (A) of 11450

this section, the board shall do all of the following: 11451

(1) Cause the agreement to be recorded in the county deed 11452
records in the office of the county recorder of the county in 11453
which the real property is situated. Failure to record the 11454
agreement does not affect the validity of the agreement or the 11455
collection of any amounts due under the agreement. 11456

(2) Establish by resolution an erosion control repayment fund 11457
into which shall be deposited all amounts collected under division 11458
(B)(3) of this section. Moneys in that fund shall be used by the 11459
board for the repayment of the loan and for administrative or 11460
other costs of the board or the authority as specified in an 11461
agreement entered into under division (C) of this section. If the 11462
amount of money in the fund is inadequate to repay the loan when 11463
due, the board of county commissioners, by resolution, may advance 11464
money from any other fund in order to repay the loan if that use 11465
of the money from the other fund is not in conflict with law. If 11466
the board so advances money in order to repay the loan, the board 11467
subsequently shall reimburse each fund from which the board 11468
advances money with moneys from the erosion control repayment 11469
fund. 11470

(3) Bill and collect all amounts when due under the agreement 11471
entered into under division (A) of this section. The board shall 11472
certify amounts not paid when due to the county auditor, who shall 11473
enter the amounts on the real property tax list and duplicate 11474
against the property identified under division (A)(1) of this 11475
section. The amounts not paid when due shall be a lien on that 11476
property from the date on which the amounts are placed on the tax 11477
list and duplicate and shall be collected in the same manner as 11478
other taxes. 11479

(C) A board may apply to the authority for a loan for the 11480
purpose of entering into agreements under division (A) of this 11481
section. The loan shall be for an amount and on the terms 11482

established in an agreement between the board and the authority. 11483
The board may assign any agreements entered into under division 11484
(A) of this section to the authority in order to provide for the 11485
repayment of the loan and may pledge any lawfully available 11486
revenues to the repayment of the loan, provided that no moneys 11487
raised by taxation shall be obligated or pledged by the board for 11488
the repayment of the loan. Any agreement with the authority 11489
pursuant to this division is not subject to Chapter 133. of the 11490
Revised Code or any requirements or limitations established in 11491
that chapter. 11492

(D) The authority, as assignee of any agreement pursuant to 11493
division (C) of this section, may enforce and compel the board and 11494
the county auditor by mandamus pursuant to Chapter 2731. of the 11495
Revised Code to comply with division (B) of this section in a 11496
timely manner. 11497

(E) The construction of an erosion control structure by a 11498
contractor hired by an individual homeowner, group of individual 11499
homeowners, or homeowners association that enters into an 11500
agreement with a board under division (A) of this section is not a 11501
public improvement, as defined in section 4115.03 of the Revised 11502
Code, and is not subject to competitive bidding or public bond 11503
laws. 11504

Sec. ~~1521.27~~ 1506.45. The state, or any county, township, 11505
municipal corporation, conservancy district, or park board that 11506
has entered into a contract under section ~~1521.25~~ 1506.43 of the 11507
Revised Code, may acquire lands by gift or devise, purchase, or 11508
appropriation. In case of appropriation, the proceedings shall be 11509
instituted in the name of the state or the political subdivision 11510
and shall be conducted in the manner provided for the 11511
appropriation of private property by the state or the political 11512
subdivision insofar as those proceedings are applicable. Either 11513

the fee or any lesser interest may be acquired as the state or the 11514
political subdivision considers advisable. 11515

Sec. ~~1521.28~~ 1506.46. Any action taken by the chief director 11516
of ~~the division of water~~ natural resources under sections ~~1521.20~~ 11517
~~1506.38~~ to ~~1521.30~~ 1506.48 of the Revised Code shall not be deemed 11518
in conflict with certain powers and duties conferred upon and 11519
delegated to federal agencies and to municipal corporations under 11520
Section 7 of Article XVIII, Ohio Constitution, or as provided by 11521
sections 721.04 to 721.11 of the Revised Code. 11522

Sec. ~~1521.29~~ 1506.47. The chief director of ~~the division of~~ 11523
~~water~~ natural resources, in cooperation with appropriate offices 11524
and divisions, including the division of geological survey, may 11525
prepare a plan for the management of shore erosion in the state 11526
along Lake Erie, its bays, and associated inlets, revise the plan 11527
whenever it can be made more effective, and make the plan 11528
available for public inspection. In the preparation of the plan, 11529
the chief director may employ such existing plans as are 11530
available. 11531

The chief director also may establish a program to provide 11532
technical assistance on shore erosion control measures to 11533
municipal corporations, counties, townships, conservancy 11534
districts, park boards, and shoreline property owners. 11535

Sec. ~~1521.30~~ 1506.48. Upon application of any owner of real 11536
property damaged or destroyed by shore erosion, the county auditor 11537
of the county in which the real property is situated shall cause a 11538
reappraisal to be made and shall place the property on the tax 11539
list at its true value in money. 11540

Whenever the county auditor finds that ninety per cent or 11541
more of the area of any littoral parcel of land appearing upon the 11542
tax duplicate has been eroded and lies within the natural 11543

boundaries of Lake Erie and that the remainder of the parcel, if 11544
any, has no taxable value, the auditor may certify that finding to 11545
the county board of revision. Upon consideration thereof, the 11546
board may authorize removal of the parcel from the tax duplicate 11547
and cancellation of all current and delinquent taxes, assessments, 11548
interest, and penalties charged against the parcel. 11549

Sec. 1506.99. (A) Whoever violates division (A) of section 11550
1506.09 of the Revised Code shall be fined not less than one 11551
hundred nor more than five hundred dollars for each offense. 11552

(B) Whoever violates division (K) of section 1506.32 of the 11553
Revised Code is guilty of a misdemeanor of the third degree. 11554

(C) Whoever violates sections 1506.38 to 1506.48 of the 11555
Revised Code shall be fined not less than one hundred dollars nor 11556
more than five hundred dollars for each offense. Each day of 11557
violation constitutes a separate offense. 11558

Sec. 1513.08. (A) After a coal mining and reclamation permit 11559
application has been approved, ~~but before the permit is issued,~~ 11560
the applicant shall file with the chief of the division of mineral 11561
resources management, on a form prescribed and furnished by the 11562
chief, the performance security required under this section. 11563

(B) Using the information contained in the permit 11564
application; the requirements contained in the approved permit and 11565
reclamation plan; and, after considering the topography, geology, 11566
hydrology, and revegetation potential of the area of the approved 11567
permit, the probable difficulty of reclamation; the chief shall 11568
determine the estimated cost of reclamation under the initial term 11569
of the permit if the reclamation has to be performed by the 11570
division of mineral resources management in the event of 11571
forfeiture of the performance security by the applicant. The chief 11572
shall send written notice of the amount of the estimated cost of 11573

reclamation by certified mail to the applicant. The applicant 11574
shall send written notice to the chief indicating the method by 11575
which the applicant will provide the performance security pursuant 11576
to division (C) of this section. 11577

(C) The applicant shall provide the performance security in 11578
an amount using one of the following: 11579

(1) If the applicant elects to provide performance security 11580
without reliance on the reclamation forfeiture fund created in 11581
section 1513.18 of the Revised Code, the amount of the estimated 11582
cost of reclamation as determined by the chief under division (B) 11583
of this section for the increments of land on which the operator 11584
will conduct a coal mining and reclamation operation under the 11585
initial term of the permit as indicated in the application; 11586

(2) If the applicant elects to provide performance security 11587
together with reliance on the reclamation forfeiture fund through 11588
payment of the additional tax on the severance of coal that is 11589
levied under division (A)(8) of section 5749.02 of the Revised 11590
Code, an amount of twenty-five hundred dollars per acre of land on 11591
which the operator will conduct coal mining and reclamation under 11592
the initial term of the permit as indicated in the application. 11593
However, in order for an applicant to be eligible to provide 11594
performance security in accordance with division (C)(2) of this 11595
section, ~~an~~ the applicant or owner and controller of the applicant 11596
shall have held a permit issued under this chapter for any coal 11597
mining and reclamation operation for a period of not less than 11598
five years. In the event of forfeiture of performance security 11599
that was provided in accordance with division (C)(2) of this 11600
section, the difference between the amount of that performance 11601
security and the estimated cost of reclamation as determined by 11602
the chief under division (B) of this section shall be obtained 11603
from money in the reclamation forfeiture fund as needed to 11604
complete the reclamation. 11605

The performance security provided under division (C) of this section for the entire area to be mined under one permit issued under this chapter shall not be less than ten thousand dollars.

The performance security shall cover areas of land affected by mining within or immediately adjacent to the permitted area, so long as the total number of acres does not exceed the number of acres for which the performance security is provided. However, the authority for the performance security to cover areas of land immediately adjacent to the permitted area does not authorize a permittee to mine areas outside an approved permit area. As succeeding increments of coal mining and reclamation operations are to be initiated and conducted within the permit area, the permittee shall file with the chief additional performance security to cover the increments in accordance with this section. If a permittee intends to mine areas outside the approved permit area, the permittee shall provide additional performance security in accordance with this section to cover the areas to be mined.

An applicant shall provide performance security in accordance with division (C)(1) of this section in the full amount of the estimated cost of reclamation as determined by the chief for a permitted coal preparation plant or coal refuse disposal area that is not located within a permitted area of a mine. A permittee shall provide the performance security not later than one year after ~~the effective date of this amendment~~ April 6, 2007, for a permitted coal preparation plant or coal refuse disposal area that is in existence on ~~the effective date of this amendment~~ April 6, 2007, and that is not located within a permitted area of a mine.

(D) A permittee's liability under the performance security shall be limited to the obligations established under the permit, which include completion of the reclamation plan in order to make the land capable of supporting the postmining land use that was approved in the permit. The period of liability under the

performance security shall be for the duration of the coal mining 11638
and reclamation operation and for a period coincident with the 11639
operator's responsibility for revegetation requirements under 11640
section 1513.16 of the Revised Code. 11641

(E) The amount of the estimated cost of reclamation 11642
determined under division (B) of this section and the amount of a 11643
permittee's performance security provided in accordance with 11644
division (C)(1) of this section may be adjusted by the chief as 11645
the land that is affected by mining increases or decreases or if 11646
the cost of reclamation increases or decreases. If the performance 11647
security was provided in accordance with division (C)(2) of this 11648
section and the chief has issued a cessation order under division 11649
(D)(2) of section 1513.02 of the Revised Code for failure to abate 11650
a violation of the contemporaneous reclamation requirement under 11651
division (A)(15) of section 1513.16 of the Revised Code, the chief 11652
may require the permittee to increase the amount of performance 11653
security from twenty-five hundred dollars per acre of land to five 11654
thousand dollars per acre of land. 11655

The chief shall notify the permittee, each surety, and any 11656
person who has a property interest in the performance security and 11657
who has requested to be notified of any proposed adjustment to the 11658
performance security. The permittee may request an informal 11659
conference with the chief concerning the proposed adjustment, and 11660
the chief shall provide such an informal conference. 11661

If the chief increases the amount of performance security 11662
under this division, the permittee shall provide additional 11663
performance security in an amount determined by the chief. If the 11664
chief decreases the amount of performance security under this 11665
division, the chief shall determine the amount of the reduction of 11666
the performance security and send written notice of the amount of 11667
reduction to the permittee. The permittee may reduce the amount of 11668
the performance security in the amount determined by the chief. 11669

(F) A permittee may request a reduction in the amount of the performance security by submitting to the chief documentation proving that the amount of the performance security provided by the permittee exceeds the estimated cost of reclamation if the reclamation would have to be performed by the division in the event of forfeiture of the performance security. The chief shall examine the documentation and determine whether the permittee's performance security exceeds the estimated cost of reclamation. If the chief determines that the performance security exceeds that estimated cost, the chief shall determine the amount of the reduction of the performance security and send written notice of the amount to the permittee. The permittee may reduce the amount of the performance security in the amount determined by the chief. Adjustments in the amount of performance security under this division shall not be considered release of performance security and are not subject to section 1513.16 of the Revised Code.

(G) If the performance security is a bond, it shall be executed by the operator and a corporate surety licensed to do business in this state. If the performance security is a cash deposit or negotiable certificates of deposit of a bank or savings and loan association, the bank or savings and loan association shall be licensed and operating in this state. The cash deposit or market value of the securities shall be equal to or greater than the amount of the performance security required under this section. The chief shall review any documents pertaining to the performance security and approve or disapprove the documents. The chief shall notify the applicant of the chief's determination.

(H) If the performance security is a bond, the chief may accept the bond of the applicant itself without separate surety when the applicant demonstrates to the satisfaction of the chief the existence of a suitable agent to receive service of process and a history of financial solvency and continuous operation

sufficient for authorization to self-insure or bond the amount. 11702

(I) Performance security provided under this section may be 11703
held in trust, provided that the state is the conditional 11704
beneficiary of the trust and the custodian of the performance 11705
security held in trust is a bank, trust company, or other 11706
financial institution that is licensed and operating in this 11707
state. The chief shall review the trust document and approve or 11708
disapprove the document. The chief shall notify the applicant of 11709
the chief's determination. 11710

(J) If a surety, bank, savings and loan association, trust 11711
company, or other financial institution that holds the performance 11712
security required under this section becomes insolvent, the 11713
permittee shall notify the chief of the insolvency, and the chief 11714
shall order the permittee to submit a plan for replacement 11715
performance security within thirty days after receipt of notice 11716
from the chief. If the permittee provided performance security in 11717
accordance with division (C)(1) of this section, the permittee 11718
shall provide the replacement performance security within ninety 11719
days after receipt of notice from the chief. If the permittee 11720
provided performance security in accordance with division (C)(2) 11721
of this section, the permittee shall provide the replacement 11722
performance security within one year after receipt of notice from 11723
the chief, and, for a period of one year after the permittee's 11724
receipt of notice from the chief or until the permittee provides 11725
the replacement performance security, whichever occurs first, 11726
money in the reclamation forfeiture fund shall be the permittee's 11727
replacement performance security in an amount not to exceed the 11728
estimated cost of reclamation as determined by the chief. 11729

(K) A permittee's responsibility for repairing material 11730
damage and replacement of water supply resulting from subsidence 11731
may be satisfied by liability insurance required under this 11732
chapter in lieu of the permittee's performance security if the 11733

liability insurance policy contains terms and conditions that 11734
specifically provide coverage for repairing material damage and 11735
replacement of water supply resulting from subsidence. 11736

(L) If the performance security provided in accordance with 11737
this section exceeds the estimated cost of reclamation, the chief 11738
may authorize the amount of the performance security that exceeds 11739
the estimated cost of reclamation together with any interest or 11740
other earnings on the performance security to be paid to the 11741
permittee. 11742

(M) A permittee that held a valid coal mining and reclamation 11743
permit immediately prior to April 6, 2007, shall provide, not 11744
later than a date established by the chief, performance security 11745
in accordance with division (C)(1) or (2) of this section, rather 11746
than in accordance with the law as it existed prior to that date, 11747
by filing it with the chief on a form that the chief prescribes 11748
and furnishes. Accordingly, for purposes of this section, 11749
"applicant" is deemed to include such a permittee. 11750

(N) As used in this section, "owner and controller of the 11751
applicant" means a person that has any relationship with the 11752
applicant that gives the person authority to determine directly or 11753
indirectly the manner in which the applicant conducts coal mining 11754
operations. 11755

Sec. 1513.18. (A) All money that becomes the property of the 11756
state under division (G) of section 1513.16 of the Revised Code 11757
shall be deposited in the reclamation forfeiture fund, which is 11758
hereby created in the state treasury. Disbursements from the fund 11759
shall be made by the chief of the division of mineral resources 11760
management for the purpose of reclaiming areas of land affected by 11761
coal mining under a coal mining and reclamation permit issued on 11762
or after September 1, 1981, on which an operator has defaulted. 11763

(B) The fund also shall consist of all money from the 11764

collection of liens under section 1513.081 of the Revised Code, 11765
any moneys transferred to it under section 1513.181 of the Revised 11766
Code from the coal mining and reclamation reserve fund created in 11767
that section, fines collected under division (E) of section 11768
1513.02 and section 1513.99 of the Revised Code, fines collected 11769
for a violation of section 2921.31 of the Revised Code that, prior 11770
to July 1, 1996, would have been a violation of division (G) of 11771
section 1513.17 of the Revised Code as it existed prior to that 11772
date, and moneys collected and credited to it pursuant to section 11773
5749.02 of the Revised Code. Disbursements from the fund shall be 11774
made by the chief in accordance with division (D) of this section 11775
for the purpose of reclaiming areas that an operator has affected 11776
by mining and failed to reclaim under a coal mining and 11777
reclamation permit issued under this chapter or under a surface 11778
mining permit issued under Chapter 1514. of the Revised Code. 11779

The chief may expend moneys from the fund to pay necessary 11780
administrative costs, including engineering and design services, 11781
incurred by the division of mineral resources management in 11782
reclaiming these areas. The chief also may expend moneys from the 11783
fund to pay necessary administrative costs of the reclamation 11784
forfeiture fund advisory board created in section 1513.182 of the 11785
Revised Code as authorized by the board under that section. 11786
Expenditures from the fund to pay such administrative costs need 11787
not be made under contract. 11788

(C) Except when paying necessary administrative costs 11789
authorized by division (B) of this section, expenditures from the 11790
fund shall be made under contracts entered into by the chief, with 11791
the approval of the director of natural resources, in accordance 11792
with procedures established by the chief, by rules adopted in 11793
accordance with section 1513.02 of the Revised Code. The chief may 11794
reclaim the land in the same manner as set forth in sections 11795
1513.21 to 1513.24 of the Revised Code. Each contract awarded by 11796

the chief shall be awarded to the lowest responsive and 11797
responsible bidder, in accordance with section 9.312 of the 11798
Revised Code, after sealed bids are received, opened, and 11799
published at the time and place fixed by the chief. The chief 11800
shall publish notice of the time and place at which bids will be 11801
received, opened, and published, at least once and at least ten 11802
days before the date of the opening of the bids, in a newspaper of 11803
general circulation in the county in which the area of land to be 11804
reclaimed under the contract is located. If, after advertising, no 11805
bids are received at the time and place fixed for receiving them, 11806
the chief may advertise again for bids, or, if the chief considers 11807
the public interest will best be served, the chief may enter into 11808
a contract for the reclamation of the area of land without further 11809
advertisement for bids. The chief may reject any or all bids 11810
received and again publish notice of the time and place at which 11811
bids for contracts will be received, opened, and published. The 11812
chief, with the approval of the director, may enter into a 11813
contract with the landowner, a coal mine operator or surface mine 11814
operator mining under a current, valid permit issued under this 11815
chapter or Chapter 1514. of the Revised Code, or a contractor 11816
hired by the surety or trustee, if the performance security is 11817
held in trust, to complete reclamation to carry out reclamation on 11818
land affected by coal mining on which an operator has defaulted 11819
without advertising for bids. 11820

(D)(1) The chief shall expend money credited to the 11821
reclamation forfeiture fund from the forfeiture of the performance 11822
security applicable to an area of land to pay for the cost of the 11823
reclamation of the land. 11824

(2) If the performance security for the area of land was 11825
provided under division (C)(1) of section 1513.08 of the Revised 11826
Code, the chief shall use the money from the forfeited performance 11827
security to complete the reclamation that the operator failed to 11828

do under the operator's applicable coal mining and reclamation 11829
permit issued under this chapter. 11830

(3) If the performance security for the area of land was 11831
provided under division (C)(2) of section 1513.08 of the Revised 11832
Code, the chief shall use the money from the forfeited performance 11833
security to complete the reclamation that the operator failed to 11834
do under the operator's applicable coal mining and reclamation 11835
permit issued under this chapter. If the money credited to the 11836
reclamation forfeiture fund from the forfeiture of the performance 11837
security provided under division (C)(2) of section 1513.08 of the 11838
Revised Code is not sufficient to complete the reclamation, the 11839
chief shall notify the reclamation forfeiture fund advisory board 11840
of the amount of the insufficiency. The chief may expend money 11841
credited to the reclamation forfeiture fund under section 5749.02 11842
of the Revised Code or transferred to the fund under section 11843
1513.181 of the Revised Code to complete the reclamation. The 11844
chief shall not expend money from the fund in an amount that 11845
exceeds the difference between the amount of the performance 11846
security provided under division (C)(2) of section 1513.08 of the 11847
Revised Code and the estimated cost of reclamation as determined 11848
by the chief under divisions (B) and (E) of that section. 11849

(4) Money from the reclamation forfeiture fund shall not be 11850
used for reclamation of land or water resources affected by 11851
material damage from subsidence, or mine drainage that requires 11852
extended water treatment after reclamation is completed under the 11853
terms of the permit, ~~or coal preparation plants or coal refuse~~ 11854
~~disposal areas not located within a permitted area of a mine if~~ 11855
~~performance security for the area of land was provided under~~ 11856
~~division (C)(2) of section 1513.08 of the Revised Code. In~~ 11857
addition, money from the reclamation forfeiture fund shall not be 11858
used to supplement the performance security of an applicant or 11859
permittee that has provided performance security in accordance 11860

with division (C)(1) of section 1513.08 of the Revised Code. 11861

(E) The chief shall keep a detailed accounting of the 11862
expenditures from the reclamation forfeiture fund to complete 11863
reclamation of the land and, upon completion of the reclamation, 11864
shall certify the expenditures to the attorney general. Upon the 11865
chief's certification of the expenditures from the reclamation 11866
forfeiture fund, the attorney general shall bring an action for 11867
that amount of money. The operator is liable for that expense in 11868
addition to any other liabilities imposed by law. Moneys so 11869
recovered shall be credited to the reclamation forfeiture fund. 11870
The chief shall not postpone the reclamation because of any action 11871
brought by the attorney general under this division. Prior to 11872
completing reclamation, the chief may collect through the attorney 11873
general any additional amount that the chief believes will be 11874
necessary for reclamation in excess of the forfeited performance 11875
security amount applicable to the land that the operator should 11876
have, but failed to, reclaim. 11877

(F) Except as otherwise provided in division (H) of this 11878
section, if any part of the moneys in the reclamation forfeiture 11879
fund remains in the fund after the chief has caused the area of 11880
land to be reclaimed and has paid all the reclamation costs and 11881
expenses, the chief may expend those moneys to complete other 11882
reclamation work performed under this section on forfeiture areas 11883
affected under a coal mining and reclamation permit issued on or 11884
after September 1, 1981. 11885

(G) The chief shall require every contractor performing 11886
reclamation work pursuant to this section to pay workers at the 11887
greater of their regular rate of pay, as established by contract, 11888
agreement, or prior custom or practice, or the average wage rate 11889
paid in this state for the same or similar work as determined by 11890
the chief under section 1513.02 of the Revised Code. 11891

(H) All investment earnings of the fund shall be credited to 11892

the fund and shall be used only for the reclamation of land for 11893
which performance security was provided under division (C)(2) of 11894
section 1513.08 of the Revised Code. 11895

adopts rules under this section, the beneficial use of lime mining 11938
wastes shall require the prior written approval of the chief in a 11939
surface mining permit issued under this chapter. 11940

(C) The beneficial use of lime mining wastes does not 11941

any kind against the state or any governmental agency of the 12332
state, irrespective of whether such parties have notice thereof, 12333

covenant and agreement made with respect thereto, made in the bond 12342
proceedings may therein be extended to the benefit of the owners 12343
and holders of obligations authorized by this section, and to any 12344
trustee therefor, for the further security of the payment of the 12345
bond service charges. 12346

of domestic violence or the alleged incident of the offense of 13486
violating a protection order or based upon any other information, 13487
including, but not limited to, any reasonably trustworthy 13488
information given to the peace officer by the alleged victim of 13489
the alleged incident of the offense or any witness of the alleged 13490
incident of the offense, concludes that there are reasonable 13491
grounds to believe that the offense of domestic violence or the 13492
offense of violating a protection order has been committed and 13493
reasonable cause to believe that the person in question is guilty 13494
of committing the offense. 13495

(iii) No written statement of the type described in division 13496
(B)(3)(a)(i) of this section is executed, but the peace officer 13497
witnessed the person in question commit the offense of domestic 13498
violence or the offense of violating a protection order. 13499

(b) If pursuant to division (B)(3)(a) of this section a peace 13500
officer has reasonable grounds to believe that the offense of 13501
domestic violence or the offense of violating a protection order 13502
has been committed and reasonable cause to believe that a 13503
particular person is guilty of committing the offense, it is the 13504
preferred course of action in this state that the officer arrest 13505
and detain that person pursuant to division (B)(1) of this section 13506
until a warrant can be obtained. 13507

If pursuant to division (B)(3)(a) of this section a peace 13508
officer has reasonable grounds to believe that the offense of 13509
domestic violence or the offense of violating a protection order 13510
has been committed and reasonable cause to believe that family or 13511
household members have committed the offense against each other, 13512

it is the preferred course of action in this state that the 13513
officer, pursuant to division (B)(1) of this section, arrest and 13514
detain until a warrant can be obtained the family or household 13515
member who committed the offense and whom the officer has 13516
reasonable cause to believe is the primary physical aggressor. 13517
There is no preferred course of action in this state regarding any 13518
other family or household member who committed the offense and 13519
whom the officer does not have reasonable cause to believe is the 13520
primary physical aggressor, but, pursuant to division (B)(1) of 13521
this section, the peace officer may arrest and detain until a 13522
warrant can be obtained any other family or household member who 13523
committed the offense and whom the officer does not have 13524
reasonable cause to believe is the primary physical aggressor. 13525

(c) If a peace officer described in division (A) of this 13526
section does not arrest and detain a person whom the officer has 13527
reasonable cause to believe committed the offense of domestic 13528
violence or the offense of violating a protection order when it is 13529
the preferred course of action in this state pursuant to division 13530
(B)(3)(b) of this section that the officer arrest that person, the 13531
officer shall articulate in the written report of the incident 13532
required by section 2935.032 of the Revised Code a clear statement 13533
of the officer's reasons for not arresting and detaining that 13534
person until a warrant can be obtained. 13535

(d) In determining for purposes of division (B)(3)(b) of this 13536
section which family or household member is the primary physical 13537
aggressor in a situation in which family or household members have 13538
committed the offense of domestic violence or the offense of 13539
violating a protection order against each other, a peace officer 13540
described in division (A) of this section, in addition to any 13541
other relevant circumstances, should consider all of the 13542
following: 13543

(i) Any history of domestic violence or of any other violent 13544

acts by either person involved in the alleged offense that the officer reasonably can ascertain;

(ii) If violence is alleged, whether the alleged violence was caused by a person acting in self-defense;

(iii) Each person's fear of physical harm, if any, resulting from the other person's threatened use of force against any person or resulting from the other person's use or history of the use of force against any person, and the reasonableness of that fear;

(iv) The comparative severity of any injuries suffered by the persons involved in the alleged offense.

(e)(i) A peace officer described in division (A) of this section shall not require, as a prerequisite to arresting or charging a person who has committed the offense of domestic violence or the offense of violating a protection order, that the victim of the offense specifically consent to the filing of charges against the person who has committed the offense or sign a complaint against the person who has committed the offense.

(ii) If a person is arrested for or charged with committing the offense of domestic violence or the offense of violating a protection order and if the victim of the offense does not cooperate with the involved law enforcement or prosecuting authorities in the prosecution of the offense or, subsequent to the arrest or the filing of the charges, informs the involved law enforcement or prosecuting authorities that the victim does not wish the prosecution of the offense to continue or wishes to drop charges against the alleged offender relative to the offense, the involved prosecuting authorities, in determining whether to continue with the prosecution of the offense or whether to dismiss charges against the alleged offender relative to the offense and notwithstanding the victim's failure to cooperate or the victim's wishes, shall consider all facts and circumstances that are

relevant to the offense, including, but not limited to, the 13576
statements and observations of the peace officers who responded to 13577
the incident that resulted in the arrest or filing of the charges 13578
and of all witnesses to that incident. 13579

(f) In determining pursuant to divisions (B)(3)(a) to (g) of 13580
this section whether to arrest a person pursuant to division 13581
(B)(1) of this section, a peace officer described in division (A) 13582
of this section shall not consider as a factor any possible 13583
shortage of cell space at the detention facility to which the 13584
person will be taken subsequent to the person's arrest or any 13585
possibility that the person's arrest might cause, contribute to, 13586
or exacerbate overcrowding at that detention facility or at any 13587
other detention facility. 13588

(g) If a peace officer described in division (A) of this 13589
section intends pursuant to divisions (B)(3)(a) to (g) of this 13590
section to arrest a person pursuant to division (B)(1) of this 13591
section and if the officer is unable to do so because the person 13592
is not present, the officer promptly shall seek a warrant for the 13593
arrest of the person. 13594

(h) If a peace officer described in division (A) of this 13595
section responds to a report of an alleged incident of the offense 13596
of domestic violence or an alleged incident of the offense of 13597
violating a protection order and if the circumstances of the 13598
incident involved the use or threatened use of a deadly weapon or 13599
any person involved in the incident brandished a deadly weapon 13600
during or in relation to the incident, the deadly weapon that was 13601
used, threatened to be used, or brandished constitutes contraband, 13602
and, to the extent possible, the officer shall seize the deadly 13603
weapon as contraband pursuant to Chapter 2981. of the Revised 13604
Code. Upon the seizure of a deadly weapon pursuant to division 13605
(B)(3)(h) of this section, section 2981.12 of the Revised Code 13606
shall apply regarding the treatment and disposition of the deadly 13607

weapon. For purposes of that section, the "underlying criminal offense" that was the basis of the seizure of a deadly weapon under division (B)(3)(h) of this section and to which the deadly weapon had a relationship is any of the following that is applicable:

(i) The alleged incident of the offense of domestic violence or the alleged incident of the offense of violating a protection order to which the officer who seized the deadly weapon responded;

(ii) Any offense that arose out of the same facts and circumstances as the report of the alleged incident of the offense of domestic violence or the alleged incident of the offense of violating a protection order to which the officer who seized the deadly weapon responded.

(4) If, in the circumstances described in divisions (B)(3)(a) to (g) of this section, a peace officer described in division (A) of this section arrests and detains a person pursuant to division (B)(1) of this section, or if, pursuant to division (B)(3)(h) of this section, a peace officer described in division (A) of this section seizes a deadly weapon, the officer, to the extent described in and in accordance with section 9.86 or 2744.03 of the Revised Code, is immune in any civil action for damages for injury, death, or loss to person or property that arises from or is related to the arrest and detention or the seizure.

(C) When there is reasonable ground to believe that a violation of division (A)(1), (2), (3), (4), or (5) of section 4506.15 or a violation of section 4511.19 of the Revised Code has been committed by a person operating a motor vehicle subject to regulation by the public utilities commission of Ohio under Title XLIX of the Revised Code, a peace officer with authority to enforce that provision of law may stop or detain the person whom the officer has reasonable cause to believe was operating the motor vehicle in violation of the division or section and, after

investigating the circumstances surrounding the operation of the 13640
vehicle, may arrest and detain the person. 13641

(A) In any divorce, legal separation, or annulment proceeding and in any proceeding pertaining to the allocation of parental rights and responsibilities for the care of a child, upon hearing the testimony of either or both parents and considering any mediation report filed pursuant to section 3109.052 of the Revised Code and in accordance with sections 3127.01 to 3127.53 of the Revised Code, the court shall allocate the parental rights and responsibilities for the care of the minor children of the marriage. Subject to division (D)(2) of this section, the court may allocate the parental rights and responsibilities for the care of the children in either of the following ways:

(1) If neither parent files a pleading or motion in accordance with division (G) of this section, if at least one parent files a pleading or motion under that division but no parent who filed a pleading or motion under that division also files a plan for shared parenting, or if at least one parent files both a pleading or motion and a shared parenting plan under that division but no plan for shared parenting is in the best interest of the children, the court, in a manner consistent with the best interest of the children, shall allocate the parental rights and responsibilities for the care of the children primarily to one of the parents, designate that parent as the residential parent and

the legal custodian of the child, and divide between the parents 13861
the other rights and responsibilities for the care of the 13862
children, including, but not limited to, the responsibility to 13863
provide support for the children and the right of the parent who 13864
is not the residential parent to have continuing contact with the 13865
children. 13866

(2) If at least one parent files a pleading or motion in 13867
accordance with division (G) of this section and a plan for shared 13868
parenting pursuant to that division and if a plan for shared 13869
parenting is in the best interest of the children and is approved 13870
by the court in accordance with division (D)(1) of this section, 13871
the court may allocate the parental rights and responsibilities 13872
for the care of the children to both parents and issue a shared 13873
parenting order requiring the parents to share all or some of the 13874
aspects of the physical and legal care of the children in 13875
accordance with the approved plan for shared parenting. If the 13876
court issues a shared parenting order under this division and it 13877
is necessary for the purpose of receiving public assistance, the 13878
court shall designate which one of the parents' residences is to 13879

shall be determined in accordance with Chapters 3119., 3121., 13882
3123., and 3125. of the Revised Code. 13883

(B)(1) When making the allocation of the parental rights and 13884
responsibilities for the care of the children under this section 13885
in an original proceeding or in any proceeding for modification of 13886
a prior order of the court making the allocation, the court shall 13887
take into account that which would be in the best interest of the 13888

discretion, may and, upon the request of either party, shall 13893
interview in chambers any or all of the involved children 13894
regarding their wishes and concerns with respect to the 13895

either parent, shall appoint a guardian ad litem for the child. 13900

(b) The court first shall determine the reasoning ability of 13901
the child. If the court determines that the child does not have 13902
sufficient reasoning ability to express the child's wishes and 13903
concern with respect to the allocation of parental rights and 13904
responsibilities for the care of the child, it shall not determine 13905
the child's wishes and concerns with respect to the allocation. If 13906
the court determines that the child has sufficient reasoning 13907
ability to express the child's wishes or concerns with respect to 13908
the allocation, it then shall determine whether, because of 13909
special circumstances, it would not be in the best interest of the 13910
child to determine the child's wishes and concerns with respect to 13911
the allocation. If the court determines that, because of special 13912
circumstances, it would not be in the best interest of the child 13913
to determine the child's wishes and concerns with respect to the 13914
allocation, it shall not determine the child's wishes and concerns 13915
with respect to the allocation and shall enter its written 13916
findings of fact and opinion in the journal. If the court 13917
determines that it would be in the best interests of the child to 13918
determine the child's wishes and concerns with respect to the 13919
allocation, it shall proceed to make that determination. 13920

(c) The interview shall be conducted in chambers, and no 13921
person other than the child, the child's attorney, the judge, any 13922
necessary court personnel, and, in the judge's discretion, the 13923
attorney of each parent shall be permitted to be present in the 13924

chambers during the interview. 13925

(3) No person shall obtain or attempt to obtain from a child 13926
a written or recorded statement or affidavit setting forth the 13927
child's wishes and concerns regarding the allocation of parental 13928
rights and responsibilities concerning the child. No court, in 13929
determining the child's best interest for purposes of making its 13930
allocation of the parental rights and responsibilities for the 13931
care of the child or for purposes of resolving any issues related 13932
to the making of that allocation, shall accept or consider a 13933
written or recorded statement or affidavit that purports to set 13934
forth the child's wishes and concerns regarding those matters. 13935

(C) Prior to trial, the court may cause an investigation to 13936
be made as to the character, family relations, past conduct, 13937
earning ability, and financial worth of each parent and may order 13938
the parents and their minor children to submit to medical, 13939
psychological, and psychiatric examinations. The report of the 13940
investigation and examinations shall be made available to either 13941
parent or the parent's counsel of record not less than five days 13942
before trial, upon written request. The report shall be signed by 13943
the investigator, and the investigator shall be subject to 13944
cross-examination by either parent concerning the contents of the 13945
report. The court may tax as costs all or any part of the expenses 13946
for each investigation. 13947

If the court determines that either parent previously has 13948
been convicted of or pleaded guilty to any criminal offense 13949
involving any act that resulted in a child being a neglected 13950
child, that either parent previously has been determined to be the 13951
perpetrator of the neglectful act that is the basis of an 13952
adjudication that a child is a neglected child, or that there is 13953
reason to believe that either parent has acted in a manner 13954
resulting in a child being a neglected child, the court shall 13955
consider that fact against naming that parent the residential 13956

parent and against granting a shared parenting decree. When the 13957
court allocates parental rights and responsibilities for the care 13958
of children or determines whether to grant shared parenting in any 13959
proceeding, it shall consider whether either parent or any member 13960
of the household of either parent has been convicted of or pleaded 13961
guilty to a violation of section 2919.25 of the Revised Code or a 13962
sexually oriented offense involving a victim who at the time of 13963
the commission of the offense was a member of the family or 13964
household that is the subject of the proceeding, has been 13965
convicted of or pleaded guilty to any sexually oriented offense or 13966
other offense involving a victim who at the time of the commission 13967
of the offense was a member of the family or household that is the 13968
subject of the proceeding and caused physical harm to the victim 13969
in the commission of the offense, or has been determined to be the 13970
perpetrator of the abusive act that is the basis of an 13971
adjudication that a child is an abused child. If the court 13972
determines that either parent has been convicted of or pleaded 13973
guilty to a violation of section 2919.25 of the Revised Code or a 13974
sexually oriented offense involving a victim who at the time of 13975
the commission of the offense was a member of the family or 13976
household that is the subject of the proceeding, has been 13977
convicted of or pleaded guilty to any sexually oriented offense or 13978
other offense involving a victim who at the time of the commission 13979
of the offense was a member of the family or household that is the 13980
subject of the proceeding and caused physical harm to the victim 13981
in the commission of the offense, or has been determined to be the 13982
perpetrator of the abusive act that is the basis of an 13983
adjudication that a child is an abused child, it may designate 13984
that parent as the residential parent and may issue a shared 13985
parenting decree or order only if it determines that it is in the 13986
best interest of the child to name that parent the residential 13987
parent or to issue a shared parenting decree or order and it makes 13988
specific written findings of fact to support its determination. 13989

(D)(1)(a) Upon the filing of a pleading or motion by either parent or both parents, in accordance with division (G) of this section, requesting shared parenting and the filing of a shared parenting plan in accordance with that division, the court shall comply with division (D)(1)(a)(i), (ii), or (iii) of this section, whichever is applicable:

(i) If both parents jointly make the request in their pleadings or jointly file the motion and also jointly file the plan, the court shall review the parents' plan to determine if it is in the best interest of the children. If the court determines that the plan is in the best interest of the children, the court shall approve it. If the court determines that the plan or any part of the plan is not in the best interest of the children, the court shall require the parents to make appropriate changes to the plan to meet the court's objections to it. If changes to the plan are made to meet the court's objections, and if the new plan is in the best interest of the children, the court shall approve the plan. If changes to the plan are not made to meet the court's objections, or if the parents attempt to make changes to the plan to meet the court's objections, but the court determines that the new plan or any part of the new plan still is not in the best interest of the children, the court may reject the portion of the parents' pleadings or deny their motion requesting shared parenting of the children and proceed as if the request in the pleadings or the motion had not been made. The court shall not approve a plan under this division unless it determines that the plan is in the best interest of the children.

(ii) If each parent makes a request in the parent's pleadings or files a motion and each also files a separate plan, the court shall review each plan filed to determine if either is in the best interest of the children. If the court determines that one of the filed plans is in the best interest of the children, the court may

approve the plan. If the court determines that neither filed plan 14022
is in the best interest of the children, the court may order each 14023
parent to submit appropriate changes to the parent's plan or both 14024
of the filed plans to meet the court's objections, or may select 14025
one of the filed plans and order each parent to submit appropriate 14026
changes to the selected plan to meet the court's objections. If 14027
changes to the plan or plans are submitted to meet the court's 14028
objections, and if any of the filed plans with the changes is in 14029
the best interest of the children, the court may approve the plan 14030
with the changes. If changes to the plan or plans are not 14031
submitted to meet the court's objections, or if the parents submit 14032
changes to the plan or plans to meet the court's objections but 14033
the court determines that none of the filed plans with the 14034
submitted changes is in the best interest of the children, the 14035
court may reject the portion of the parents' pleadings or deny 14036
their motions requesting shared parenting of the children and 14037
proceed as if the requests in the pleadings or the motions had not 14038
been made. If the court approves a plan under this division, 14039
either as originally filed or with submitted changes, or if the 14040
court rejects the portion of the parents' pleadings or denies 14041
their motions requesting shared parenting under this division and 14042
proceeds as if the requests in the pleadings or the motions had 14043
not been made, the court shall enter in the record of the case 14044
findings of fact and conclusions of law as to the reasons for the 14045
approval or the rejection or denial. Division (D)(1)(b) of this 14046
section applies in relation to the approval or disapproval of a 14047
plan under this division. 14048

(iii) If each parent makes a request in the parent's 14049
pleadings or files a motion but only one parent files a plan, or 14050
if only one parent makes a request in the parent's pleadings or 14051
files a motion and also files a plan, the court in the best 14052
interest of the children may order the other parent to file a plan 14053
for shared parenting in accordance with division (G) of this 14054

section. The court shall review each plan filed to determine if 14055
any plan is in the best interest of the children. If the court 14056
determines that one of the filed plans is in the best interest of 14057
the children, the court may approve the plan. If the court 14058
determines that no filed plan is in the best interest of the 14059
children, the court may order each parent to submit appropriate 14060
changes to the parent's plan or both of the filed plans to meet 14061
the court's objections or may select one filed plan and order each 14062
parent to submit appropriate changes to the selected plan to meet 14063
the court's objections. If changes to the plan or plans are 14064
submitted to meet the court's objections, and if any of the filed 14065
plans with the changes is in the best interest of the children, 14066
the court may approve the plan with the changes. If changes to the 14067
plan or plans are not submitted to meet the court's objections, or 14068
if the parents submit changes to the plan or plans to meet the 14069
court's objections but the court determines that none of the filed 14070
plans with the submitted changes is in the best interest of the 14071
children, the court may reject the portion of the parents' 14072
pleadings or deny the parents' motion or reject the portion of the 14073
parents' pleadings or deny their motions requesting shared 14074
parenting of the children and proceed as if the request or 14075
requests or the motion or motions had not been made. If the court 14076
approves a plan under this division, either as originally filed or 14077
with submitted changes, or if the court rejects the portion of the 14078
pleadings or denies the motion or motions requesting shared 14079
parenting under this division and proceeds as if the request or 14080
requests or the motion or motions had not been made, the court 14081
shall enter in the record of the case findings of fact and 14082
conclusions of law as to the reasons for the approval or the 14083
rejection or denial. Division (D)(1)(b) of this section applies in 14084
relation to the approval or disapproval of a plan under this 14085
division. 14086

(b) The approval of a plan under division (D)(1)(a)(ii) or 14087

(iii) of this section is discretionary with the court. The court 14088
shall not approve more than one plan under either division and 14089
shall not approve a plan under either division unless it 14090
determines that the plan is in the best interest of the children. 14091
If the court, under either division, does not determine that any 14092
filed plan or any filed plan with submitted changes is in the best 14093
interest of the children, the court shall not approve any plan. 14094

(c) Whenever possible, the court shall require that a shared 14095
parenting plan approved under division (D)(1)(a)(i), (ii), or 14096
(iii) of this section ensure the opportunity for both parents to 14097
have frequent and continuing contact with the child, unless 14098
frequent and continuing contact with any parent would not be in 14099
the best interest of the child. 14100

(d) If a court approves a shared parenting plan under 14101
division (D)(1)(a)(i), (ii), or (iii) of this section, the 14102
approved plan shall be incorporated into a final shared parenting 14103
decree granting the parents the shared parenting of the children. 14104
Any final shared parenting decree shall be issued at the same time 14105
as and shall be appended to the final decree of dissolution, 14106
divorce, annulment, or legal separation arising out of the action 14107
out of which the question of the allocation of parental rights and 14108
responsibilities for the care of the children arose. 14109

No provisional shared parenting decree shall be issued in 14110
relation to any shared parenting plan approved under division 14111
(D)(1)(a)(i), (ii), or (iii) of this section. A final shared 14112
parenting decree issued under this division has immediate effect 14113
as a final decree on the date of its issuance, subject to 14114
modification or termination as authorized by this section. 14115

(2) If the court finds, with respect to any child under 14116
eighteen years of age, that it is in the best interest of the 14117
child for neither parent to be designated the residential parent 14118
and legal custodian of the child, it may commit the child to a 14119

relative of the child or certify a copy of its findings, together 14120
with as much of the record and the further information, in 14121
narrative form or otherwise, that it considers necessary or as the 14122
juvenile court requests, to the juvenile court for further 14123
proceedings, and, upon the certification, the juvenile court has 14124
exclusive jurisdiction. 14125

(E)(1)(a) The court shall not modify a prior decree 14126
allocating parental rights and responsibilities for the care of 14127
children unless it finds, based on facts that have arisen since 14128
the prior decree or that were unknown to the court at the time of 14129
the prior decree, that a change has occurred in the circumstances 14130
of the child, the child's residential parent, or either of the 14131
parents subject to a shared parenting decree, and that the 14132
modification is necessary to serve the best interest of the child. 14133
In applying these standards, the court shall retain the 14134
residential parent designated by the prior decree or the prior 14135
shared parenting decree, unless a modification is in the best 14136
interest of the child and one of the following applies: 14137

(i) The residential parent agrees to a change in the 14138
residential parent or both parents under a shared parenting decree 14139
agree to a change in the designation of residential parent. 14140

(ii) The child, with the consent of the residential parent or 14141
of both parents under a shared parenting decree, has been 14142
integrated into the family of the person seeking to become the 14143
residential parent. 14144

(iii) The harm likely to be caused by a change of environment 14145
is outweighed by the advantages of the change of environment to 14146
the child. 14147

(b) One or both of the parents under a prior decree 14148
allocating parental rights and responsibilities for the care of 14149
children that is not a shared parenting decree may file a motion 14150

requesting that the prior decree be modified to give both parents 14151
shared rights and responsibilities for the care of the children. 14152
The motion shall include both a request for modification of the 14153
prior decree and a request for a shared parenting order that 14154
complies with division (G) of this section. Upon the filing of the 14155
motion, if the court determines that a modification of the prior 14156
decree is authorized under division (E)(1)(a) of this section, the 14157
court may modify the prior decree to grant a shared parenting 14158
order, provided that the court shall not modify the prior decree 14159
to grant a shared parenting order unless the court complies with 14160
divisions (A) and (D)(1) of this section and, in accordance with 14161
those divisions, approves the submitted shared parenting plan and 14162
determines that shared parenting would be in the best interest of 14163
the children. 14164

(2) In addition to a modification authorized under division 14165
(E)(1) of this section: 14166

(a) Both parents under a shared parenting decree jointly may 14167
modify the terms of the plan for shared parenting approved by the 14168
court and incorporated by it into the shared parenting decree. 14169
Modifications under this division may be made at any time. The 14170
modifications to the plan shall be filed jointly by both parents 14171
with the court, and the court shall include them in the plan, 14172
unless they are not in the best interest of the children. If the 14173
modifications are not in the best interests of the children, the 14174
court, in its discretion, may reject the modifications or make 14175
modifications to the proposed modifications or the plan that are 14176
in the best interest of the children. Modifications jointly 14177
submitted by both parents under a shared parenting decree shall be 14178
effective, either as originally filed or as modified by the court, 14179
upon their inclusion by the court in the plan. Modifications to 14180
the plan made by the court shall be effective upon their inclusion 14181
by the court in the plan. 14182

(b) The court may modify the terms of the plan for shared parenting approved by the court and incorporated by it into the shared parenting decree upon its own motion at any time if the court determines that the modifications are in the best interest of the children or upon the request of one or both of the parents under the decree. Modifications under this division may be made at any time. The court shall not make any modification to the plan under this division, unless the modification is in the best interest of the children.

(c) The court may terminate a prior final shared parenting decree that includes a shared parenting plan approved under division (D)(1)(a)(i) of this section upon the request of one or both of the parents or whenever it determines that shared parenting is not in the best interest of the children. The court may terminate a prior final shared parenting decree that includes a shared parenting plan approved under division (D)(1)(a)(ii) or (iii) of this section if it determines, upon its own motion or upon the request of one or both parents, that shared parenting is not in the best interest of the children. If modification of the terms of the plan for shared parenting approved by the court and incorporated by it into the final shared parenting decree is attempted under division (E)(2)(a) of this section and the court rejects the modifications, it may terminate the final shared parenting decree if it determines that shared parenting is not in the best interest of the children.

(d) Upon the termination of a prior final shared parenting decree under division (E)(2)(c) of this section, the court shall proceed and issue a modified decree for the allocation of parental rights and responsibilities for the care of the children under the standards applicable under divisions (A), (B), and (C) of this section as if no decree for shared parenting had been granted and as if no request for shared parenting ever had been made.

(F)(1) In determining the best interest of a child pursuant 14215
to this section, whether on an original decree allocating parental 14216
rights and responsibilities for the care of children or a 14217
modification of a decree allocating those rights and 14218
responsibilities, the court shall consider all relevant factors, 14219
including, but not limited to: 14220

(a) The wishes of the child's parents regarding the child's 14221
care; 14222

(b) If the court has interviewed the child in chambers 14223
pursuant to division (B) of this section regarding the child's 14224
wishes and concerns as to the allocation of parental rights and 14225
responsibilities concerning the child, the wishes and concerns of 14226
the child, as expressed to the court; 14227

(c) The child's interaction and interrelationship with the 14228
child's parents, siblings, and any other person who may 14229
significantly affect the child's best interest; 14230

(d) The child's adjustment to the child's home, school, and 14231
community; 14232

(e) The mental and physical health of all persons involved in 14233
the situation; 14234

(f) The parent more likely to honor and facilitate 14235
court-approved parenting time rights or visitation and 14236
companionship rights; 14237

(g) Whether either parent has failed to make all child 14238
support payments, including all arrearages, that are required of 14239
that parent pursuant to a child support order under which that 14240
parent is an obligor; 14241

(h) Whether either parent or any member of the household of 14242
either parent previously has been convicted of or pleaded guilty 14243
to any criminal offense involving any act that resulted in a child 14244

being an abused child or a neglected child; whether either parent, 14245
in a case in which a child has been adjudicated an abused child or 14246
a neglected child, previously has been determined to be the 14247
perpetrator of the abusive or neglectful act that is the basis of 14248
an adjudication; whether either parent or any member of the 14249
household of either parent previously has been convicted of or 14250
pleaded guilty to a violation of section 2919.25 of the Revised 14251
Code or a sexually oriented offense involving a victim who at the 14252
time of the commission of the offense was a member of the family 14253
or household that is the subject of the current proceeding; 14254
whether either parent or any member of the household of either 14255
parent previously has been convicted of or pleaded guilty to any 14256
offense involving a victim who at the time of the commission of 14257
the offense was a member of the family or household that is the 14258
subject of the current proceeding and caused physical harm to the 14259
victim in the commission of the offense; and whether there is 14260
reason to believe that either parent has acted in a manner 14261
resulting in a child being an abused child or a neglected child; 14262

(i) Whether the residential parent or one of the parents 14263
subject to a shared parenting decree has continuously and 14264
willfully denied the other parent's right to parenting time in 14265
accordance with an order of the court; 14266

(j) Whether either parent has established a residence, or is 14267
planning to establish a residence, outside this state. 14268

(2) In determining whether shared parenting is in the best 14269
interest of the children, the court shall consider all relevant 14270
factors, including, but not limited to, the factors enumerated in 14271
division (F)(1) of this section, the factors enumerated in section 14272
3119.23 of the Revised Code, and all of the following factors: 14273

(a) The ability of the parents to cooperate and make 14274
decisions jointly, with respect to the children; 14275

(b) The ability of each parent to encourage the sharing of love, affection, and contact between the child and the other parent; 14276
14277
14278

(c) Any history of, or potential for, child abuse, spouse abuse, other domestic violence, or parental kidnapping by either parent; 14279
14280
14281

(d) The geographic proximity of the parents to each other, as the proximity relates to the practical considerations of shared parenting; 14282
14283
14284

(e) The recommendation of the guardian ad litem of the child, if the child has a guardian ad litem. 14285
14286

(3) When allocating parental rights and responsibilities for the care of children, the court shall not give preference to a parent because of that parent's financial status or condition. 14287
14288
14289

(G) Either parent or both parents of any children may file a pleading or motion with the court requesting the court to grant both parents shared parental rights and responsibilities for the care of the children in a proceeding held pursuant to division (A) of this section. If a pleading or motion requesting shared parenting is filed, the parent or parents filing the pleading or motion also shall file with the court a plan for the exercise of shared parenting by both parents. If each parent files a pleading or motion requesting shared parenting but only one parent files a plan or if only one parent files a pleading or motion requesting shared parenting and also files a plan, the other parent as ordered by the court shall file with the court a plan for the exercise of shared parenting by both parents. The plan for shared parenting shall be filed with the petition for dissolution of marriage, if the question of parental rights and responsibilities for the care of the children arises out of an action for dissolution of marriage, or, in other cases, at a time at least 14290

thirty days prior to the hearing on the issue of the parental 14307
rights and responsibilities for the care of the children. A plan 14308
for shared parenting shall include provisions covering all factors 14309
that are relevant to the care of the children, including, but not 14310
limited to, provisions covering factors such as physical living 14311
arrangements, child support obligations, provision for the 14312
children's medical and dental care, school placement, and the 14313
parent with which the children will be physically located during 14314
legal holidays, school holidays, and other days of special 14315
importance. 14316

(H) If an appeal is taken from a decision of a court that 14317
grants or modifies a decree allocating parental rights and 14318
responsibilities for the care of children, the court of appeals 14319
shall give the case calendar priority and handle it expeditiously. 14320

(I) Upon receipt of an order to active military service in 14321
the uniformed services, a parent who is subject to an order 14322
allocating parental rights and responsibilities or in relation to 14323
whom an action to allocate parental rights and responsibilities is 14324
pending and who is ordered to active military service shall notify 14325
the other parent who is subject to the order or in relation to 14326
whom the case is pending of the order to active military service. 14327
Either parent may apply to the court for a hearing to expedite an 14328
allocation or modification proceeding. The application shall 14329
include the date on which the active military service begins. 14330

The court shall schedule a hearing upon receipt of the 14331
application and hold the hearing not later than thirty days after 14332
receipt of the application, except that the court shall give the 14333
case calendar priority and handle the case expeditiously if 14334
exigent circumstances exist in the case. 14335

The court shall not modify a prior decree allocating parental 14336
rights and responsibilities unless the court determines by clear 14337
and convincing evidence that there has been a change in 14338

circumstances of the child, the child's residential parent, or 14339
either of the parents subject to a shared parenting decree, and 14340
that modification is necessary to serve the best interest of the 14341
child. The court shall not consider active military service in the 14342
uniformed services in determining whether a change in 14343
circumstances exists under this section. 14344

Nothing in this division shall prevent a court from issuing a 14345
temporary order allocating or modifying parental rights and 14346
responsibilities for the duration of the parent's active military 14347
service. 14348

shared parenting that is approved by the court under division 14365
(D)(1) and described in division ~~(K)~~(L)(6) of this section, all or 14366
some of the aspects of physical and legal care of their children. 14367

~~(K)~~(L) For purposes of the Revised Code: 14368

(1) A parent who is granted the care, custody, and control of a child under an order that was issued pursuant to this section prior to April 11, 1991, and that does not provide for shared parenting has "custody of the child" and "care, custody, and control of the child" under the order, and is the "residential parent," the "residential parent and legal custodian," or the "custodial parent" of the child under the order.

(2) A parent who primarily is allocated the parental rights and responsibilities for the care of a child and who is designated as the residential parent and legal custodian of the child under an order that is issued pursuant to this section on or after April 11, 1991, and that does not provide for shared parenting has "custody of the child" and "care, custody, and control of the child" under the order, and is the "residential parent," the "residential parent and legal custodian," or the "custodial parent" of the child under the order.

(4) A parent who is not primarily allocated the parental rights and responsibilities for the care of a child and who is not designated as the residential parent and legal custodian of the child under an order that is issued pursuant to this section on or after April 11, 1991, and that does not provide for shared parenting is the "parent who is not the residential parent," the "parent who is not the residential parent and legal custodian," or the "noncustodial parent" of the child under the order.

(5) Unless the context clearly requires otherwise, if an order is issued by a court pursuant to this section and the order

"custody of the child" or "care, custody, and control of the 14402
child" under the order, to the extent and in the manner specified 14403
in the order. 14404

(6) Unless the context clearly requires otherwise and except 14405
as otherwise provided in the order, if an order is issued by a 14406

particular point in time, as specified in the order, is the 14410
"residential parent," the "residential parent and legal 14411
custodian," or the "custodial parent" of the child. 14412

(7) Unless the context clearly requires otherwise and except 14413

of claiming the child as a dependent pursuant to section 152(e) of 14417
the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 14418
1, as amended, or as the residential parent for purposes of 14419
receiving public assistance pursuant to division (A)(2) of this 14420
section, does not affect the designation pursuant to division 14421
~~(K)~~(L)(6) of this section of each parent as the "residential 14422
parent," the "residential parent and legal custodian," or the 14423
"custodial parent" of the child. 14424

~~(L)~~(M) The court shall require each parent of a child to file 14425
an affidavit attesting as to whether the parent, and the members 14426
of the parent's household, have been convicted of or pleaded 14427
guilty to any of the offenses identified in divisions (C) and 14428
(F)(1)(h) of this section. 14429

Sec. 3109.041. (A) Parties to any custody decree issued 14430
pursuant to section 3109.04 of the Revised Code prior to ~~the~~ 14431

~~effective date of this amendment~~ April 11, 1991, may file a motion 14432
with the court that issued the decree requesting the issuance of a 14433

the Revised Code prior to ~~the effective date of this amendment~~ 14441
April 11, 1991, that granted joint care, custody, and control of 14442
the children to the parents shall not be affected or invalidated 14443
by, and shall not be construed as being affected or invalidated 14444
by, the provisions of section 3109.04 of the Revised Code relative 14445
to the granting of a shared parenting decree or a decree 14446
allocating parental rights and responsibilities for the care of 14447
children on and after ~~the effective date of this amendment~~ April 14448

~~amendment~~ April 11, 1991 shall remain in full force and effect, 14450
subject to modification or termination pursuant to section 3109.04 14451

~~effective date of this amendment~~ April 11, 1991. 14453

(C) As used in this section, "joint custody" and "joint care, 14454
custody, and control" have the same meaning as "shared parenting." 14455

site for reproduction by districts. In awarding contracts for 15270
grading tests, the department shall give preference to Ohio-based 15271
entities employing Ohio residents. 15272

(2) Adopt rules for the ethical use of tests and prescribing 15273
the manner in which the tests prescribed by section 3301.0710 of 15274

under division (A) of this section:	15279
(1) Administer the reading test prescribed under division	15280

of section 3301.0710 of the Revised Code at least once annually to	15292
all students in the fifth grade.	15293
(5) Administer the tests prescribed under division (A)(1)(d)	15294
of section 3301.0710 of the Revised Code at least once annually to	15295

(6) Administer the tests prescribed under division (A)(1)(e)	15297

administer any test prescribed under division (B) of section	15304
3301.0710 of the Revised Code as follows:	15305
(a) At least once annually to all tenth grade students and at	15306
least twice annually to all students in eleventh or twelfth grade	15307

(b) To any person who has successfully completed the 15310
curriculum in any high school or the individualized education 15311
program developed for the person by any high school pursuant to 15312
section 3323.08 of the Revised Code but has not received a high 15313
school diploma and who requests to take such test, at any time 15314
such test is administered in the district. 15315

(9) In lieu of the board of education of any city, local, or 15316

student enrolled in the joint vocational school district who has 15321
not yet attained the score on that test designated under that 15322
division. A board of a joint vocational school district may also 15323
administer such a test to any student described in division 15324
(B)(8)(b) of this section. 15325

(10) If the district has been declared to be under an 15326

section 3302.03 of the Revised Code or has a three-year average 15328
graduation rate of not more than seventy-five per cent, administer 15329
each test prescribed by division (F) of section 3301.0710 of the 15330
Revised Code in September to all ninth grade students, beginning 15331
in the school year that starts July 1, 2005. 15332

(C)(1)(a) Any student receiving special education services 15333
under Chapter 3323. of the Revised Code may be excused from taking 15334
any particular test required to be administered under this section 15335
if the individualized education program developed for the student 15336
pursuant to section 3323.08 of the Revised Code excuses the 15337
student from taking that test and instead specifies an alternate 15338
assessment method approved by the department of education as 15339

conforming to requirements of federal law for receipt of federal 15340
funds for disadvantaged pupils. To the extent possible, the 15341
individualized education program shall not excuse the student from 15342
taking a test unless no reasonable accommodation can be made to 15343
enable the student to take the test. 15344

(b) Any alternate assessment approved by the department for a 15345
student under this division shall produce measurable results 15346
comparable to those produced by the tests which the alternate 15347
assessments are replacing in order to allow for the student's 15348
assessment results to be included in the data compiled for a 15349
school district or building under section 3302.03 of the Revised 15350
Code. 15351

(c) Any student enrolled in a chartered nonpublic school who 15352
has been identified, based on an evaluation conducted in 15353
accordance with section 3323.03 of the Revised Code or section 504 15354
of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 15355
794, as amended, as a child with a disability shall be excused 15356
from taking any particular test required to be administered under 15357
this section if a plan developed for the student pursuant to rules 15358
adopted by the state board excuses the student from taking that 15359
test. In the case of any student so excused from taking a test, 15360
the chartered nonpublic school shall not prohibit the student from 15361
taking the test. 15362

(2) A district board may, for medical reasons or other good 15363
cause, excuse a student from taking a test administered under this 15364
section on the date scheduled, but any such test shall be 15365
administered to such excused student not later than nine days 15366
following the scheduled date. The board shall annually report the 15367
number of students who have not taken one or more of the tests 15368
required by this section to the state board of education not later 15369
than the thirtieth day of June. 15370

(3) As used in this division, "limited English proficient 15371

student" has the same meaning as in 20 U.S.C. 7801. 15372

No school district board shall excuse any limited English 15373
proficient student from taking any particular test required to be 15374
administered under this section, except that any limited English 15375
proficient student who has been enrolled in United States schools 15376
for less than one full school year shall not be required to take 15377
any such reading or writing test. However, no board shall prohibit 15378
a limited English proficient student who is not required to take a 15379
test under this division from taking the test. A board may permit 15380
any limited English proficient student to take any test required 15381
to be administered under this section with appropriate 15382
accommodations, as determined by the department. For each limited 15383
English proficient student, each school district shall annually 15384
assess that student's progress in learning English, in accordance 15385
with procedures approved by the department. 15386

The governing authority of a chartered nonpublic school may 15387
excuse a limited English proficient student from taking any test 15388
administered under this section. However, no governing authority 15389
shall prohibit a limited English proficient student from taking 15390
the test. 15391

(D)(1) In the school year next succeeding the school year in 15392
which the tests prescribed by division (A)(1) or (B) of section 15393
3301.0710 of the Revised Code or former division (A)(1), (A)(2), 15394
or (B) of section 3301.0710 of the Revised Code as it existed 15395
prior to September 11, 2001, are administered to any student, the 15396
board of education of any school district in which the student is 15397
enrolled in that year shall provide to the student intervention 15398
services commensurate with the student's test performance, 15399
including any intensive intervention required under section 15400
3313.608 of the Revised Code, in any skill in which the student 15401
failed to demonstrate at least a score at the proficient level on 15402
the test. 15403

(2) Following any administration of the tests prescribed by 15404
division (F) of section 3301.0710 of the Revised Code to ninth 15405
grade students, each school district that has a three-year average 15406
graduation rate of not more than seventy-five per cent shall 15407
determine for each high school in the district whether the school 15408
shall be required to provide intervention services to any students 15409
who took the tests. In determining which high schools shall 15410
provide intervention services based on the resources available, 15411
the district shall consider each school's graduation rate and 15412
scores on the practice tests. The district also shall consider the 15413
scores received by ninth grade students on the reading and 15414
mathematics tests prescribed under division (A)(1)(f) of section 15415
3301.0710 of the Revised Code in the eighth grade in determining 15416
which high schools shall provide intervention services. 15417

Each high school selected to provide intervention services 15418
under this division shall provide intervention services to any 15419
student whose test results indicate that the student is failing to 15420
make satisfactory progress toward being able to attain scores at 15421
the proficient level on the Ohio graduation tests. Intervention 15422
services shall be provided in any skill in which a student 15423
demonstrates unsatisfactory progress and shall be commensurate 15424
with the student's test performance. Schools shall provide the 15425
intervention services prior to the end of the school year, during 15426
the summer following the ninth grade, in the next succeeding 15427
school year, or at any combination of those times. 15428

(E) Except as provided in section 3313.608 of the Revised 15429
Code and division (M) of this section, no school district board of 15430
education shall utilize any student's failure to attain a 15431
specified score on any test administered under this section as a 15432
factor in any decision to deny the student promotion to a higher 15433
grade level. However, a district board may choose not to promote 15434
to the next grade level any student who does not take any test 15435

administered under this section or make up such test as provided 15436
by division (C)(2) of this section and who is not exempt from the 15437
requirement to take the test under division (C)(3) of this 15438
section. 15439

(F) No person shall be charged a fee for taking any test 15440
administered under this section. 15441

(G)(1) Each school district board shall ~~submit~~ designate one 15442
location for the collection of tests administered in the spring 15443
under division (B)(1) of this section and the tests administered 15444
under divisions (B)(2) to (7) of this section. Each district board 15445
shall submit the tests to the entity with which the department 15446
contracts for the scoring of the tests as follows: 15447

(a) If the district's total enrollment in grades kindergarten 15448
through twelve during the first full school week of October was 15449
less than two thousand five hundred, not later than the Friday 15450
after the tests are administered, ~~except that;~~ 15451

(b) If the district's total enrollment in grades kindergarten 15452
through twelve during the first full school week of October was 15453
two thousand five hundred or more, but less than seven thousand, 15454
not later than the Monday after the tests are administered; 15455

(c) If the district's total enrollment in grades kindergarten 15456
through twelve during the first full school week of October was 15457
seven thousand or more, not later than the Tuesday after the tests 15458
are administered. 15459

However, any such test that a student takes during the 15460
make-up period described in division (C)(2) of this section shall 15461
be submitted not later than the Friday following the day the 15462
student takes the test. 15463

(2) The department or an entity with which the department 15464
contracts for the scoring of the test shall send to each school 15465
district board a list of the individual test scores of all persons 15466

taking any test prescribed by division (A)(1) or (B) of section 15467
3301.0710 of the Revised Code within sixty days after its 15468
administration, but in no case shall the scores be returned later 15469
than the fifteenth day of June following the administration. For 15470
any tests administered under this section by a joint vocational 15471
school district, the department or entity shall also send to each 15472
city, local, or exempted village school district a list of the 15473
individual test scores of any students of such city, local, or 15474
exempted village school district who are attending school in the 15475
joint vocational school district. 15476

(H) Individual test scores on any tests administered under 15477
this section shall be released by a district board only in 15478
accordance with section 3319.321 of the Revised Code and the rules 15479
adopted under division (A) of this section. No district board or 15480
its employees shall utilize individual or aggregate test results 15481
in any manner that conflicts with rules for the ethical use of 15482
tests adopted pursuant to division (A) of this section. 15483

(I) Except as provided in division (G) of this section, the 15484
department or an entity with which the department contracts for 15485
the scoring of the test shall not release any individual test 15486
scores on any test administered under this section. The state 15487
board of education shall adopt rules to ensure the protection of 15488
student confidentiality at all times. The rules may require the 15489
use of the data verification codes assigned to students pursuant 15490
to division (D)(2) of section 3301.0714 of the Revised Code to 15491
protect the confidentiality of student test scores. 15492

(J) Notwithstanding division (D) of section 3311.52 of the 15493
Revised Code, this section does not apply to the board of 15494
education of any cooperative education school district except as 15495
provided under rules adopted pursuant to this division. 15496

(1) In accordance with rules that the state board of 15497
education shall adopt, the board of education of any city, 15498

exempted village, or local school district with territory in a 15499
cooperative education school district established pursuant to 15500
divisions (A) to (C) of section 3311.52 of the Revised Code may 15501
enter into an agreement with the board of education of the 15502
cooperative education school district for administering any test 15503
prescribed under this section to students of the city, exempted 15504
village, or local school district who are attending school in the 15505
cooperative education school district. 15506

(2) In accordance with rules that the state board of 15507
education shall adopt, the board of education of any city, 15508
exempted village, or local school district with territory in a 15509
cooperative education school district established pursuant to 15510
section 3311.521 of the Revised Code shall enter into an agreement 15511
with the cooperative district that provides for the administration 15512
of any test prescribed under this section to both of the 15513
following: 15514

(a) Students who are attending school in the cooperative 15515
district and who, if the cooperative district were not 15516
established, would be entitled to attend school in the city, 15517
local, or exempted village school district pursuant to section 15518
3313.64 or 3313.65 of the Revised Code; 15519

(b) Persons described in division (B)(8)(b) of this section. 15520

Any testing of students pursuant to such an agreement shall 15521
be in lieu of any testing of such students or persons pursuant to 15522
this section. 15523

(K)(1) Any chartered nonpublic school may participate in the 15524
testing program by administering any of the tests prescribed by 15525
section 3301.0710 or 3301.0712 of the Revised Code if the chief 15526
administrator of the school specifies which tests the school 15527
wishes to administer. Such specification shall be made in writing 15528
to the superintendent of public instruction prior to the first day 15529

of August of any school year in which tests are administered and 15530
shall include a pledge that the nonpublic school will administer 15531
the specified tests in the same manner as public schools are 15532
required to do under this section and rules adopted by the 15533
department. 15534

(2) The department of education shall furnish the tests 15535
prescribed by section 3301.0710 or 3301.0712 of the Revised Code 15536
to any chartered nonpublic school electing to participate under 15537
this division. 15538

(L)(1) The superintendent of the state school for the blind 15539
and the superintendent of the state school for the deaf shall 15540
administer the tests described by section 3301.0710 of the Revised 15541
Code. Each superintendent shall administer the tests in the same 15542
manner as district boards are required to do under this section 15543
and rules adopted by the department of education and in conformity 15544
with division (C)(1)(a) of this section. 15545

(2) The department of education shall furnish the tests 15546
described by section 3301.0710 of the Revised Code to each 15547
superintendent. 15548

(M) Notwithstanding division (E) of this section, a school 15549
district may use a student's failure to attain a score in at least 15550
the basic range on the mathematics test described by division 15551
(A)(1)(a) of section 3301.0710 of the Revised Code or on any of 15552
the tests described by division (A)(1)(b), (c), (d), (e), or (f) 15553
of section 3301.0710 of the Revised Code as a factor in retaining 15554
that student in the current grade level. 15555

(N)(1) In the manner specified in divisions (N)(3) to (5) of 15556
this section, the tests required by section 3301.0710 of the 15557
Revised Code shall become public records pursuant to section 15558
149.43 of the Revised Code on the first day of July following the 15559
school year that the test was administered. 15560

(2) The department may field test proposed test questions 15561
with samples of students to determine the validity, reliability, 15562
or appropriateness of test questions for possible inclusion in a 15563
future year's test. The department also may use anchor questions 15564
on tests to ensure that different versions of the same test are of 15565
comparable difficulty. 15566

Field test questions and anchor questions shall not be 15567
considered in computing test scores for individual students. Field 15568
test questions and anchor questions may be included as part of the 15569
administration of any test required by section 3301.0710 of the 15570
Revised Code. 15571

(3) Any field test question or anchor question administered 15572
under division (N)(2) of this section shall not be a public 15573
record. Such field test questions and anchor questions shall be 15574
redacted from any tests which are released as a public record 15575
pursuant to division (N)(1) of this section. 15576

(4) This division applies to the tests prescribed by division 15577
(A) of section 3301.0710 of the Revised Code. 15578

(a) The first administration of each test, as specified in 15579
section 3301.0712 of the Revised Code, shall be a public record. 15580

(b) For subsequent administrations of each test, not less 15581
than forty per cent of the questions on the test that are used to 15582
compute a student's score shall be a public record. The department 15583
shall determine which questions will be needed for reuse on a 15584
future test and those questions shall not be public records and 15585
shall be redacted from the test prior to its release as a public 15586
record. However, for each redacted question, the department shall 15587
inform each city, local, and exempted village school district of 15588
the statewide academic standard adopted by the state board of 15589
education under section 3301.079 of the Revised Code and the 15590
corresponding benchmark to which the question relates. The 15591

preceding sentence does not apply to field test questions that are 15592
redacted under division (N)(3) of this section. 15593

(5) Each test prescribed by division (B) of section 3301.0710 15594
of the Revised Code that is administered in the spring shall be a 15595
public record. Each test prescribed by that division that is 15596
administered in the fall or summer shall not be a public record. 15597

(0) As used in this section: 15598

(1) "Three-year average" means the average of the most recent 15599
consecutive three school years of data. 15600

(2) "Dropout" means a student who withdraws from school 15601
before completing course requirements for graduation and who is 15602
not enrolled in an education program approved by the state board 15603
of education or an education program outside the state. "Dropout" 15604
does not include a student who has departed the country. 15605

(3) "Graduation rate" means the ratio of students receiving a 15606
diploma to the number of students who entered ninth grade four 15607
years earlier. Students who transfer into the district are added 15608
to the calculation. Students who transfer out of the district for 15609
reasons other than dropout are subtracted from the calculation. If 15610
a student who was a dropout in any previous year returns to the 15611
same school district, that student shall be entered into the 15612
calculation as if the student had entered ninth grade four years 15613
before the graduation year of the graduating class that the 15614
student joins. 15615

Sec. 3301.0714. (A) The state board of education shall adopt 15616
rules for a statewide education management information system. The 15617
rules shall require the state board to establish guidelines for 15618
the establishment and maintenance of the system in accordance with 15619
this section and the rules adopted under this section. The 15620
guidelines shall include: 15621

(1) Standards identifying and defining the types of data in the system in accordance with divisions (B) and (C) of this section;	15622 15623 15624
(2) Procedures for annually collecting and reporting the data to the state board in accordance with division (D) of this section;	15625 15626 15627
(3) Procedures for annually compiling the data in accordance with division (G) of this section;	15628 15629
(4) Procedures for annually reporting the data to the public in accordance with division (H) of this section.	15630 15631
(B) The guidelines adopted under this section shall require the data maintained in the education management information system to include at least the following:	15632 15633 15634
(1) Student participation and performance data, for each grade in each school district as a whole and for each grade in each school building in each school district, that includes:	15635 15636 15637
(a) The numbers of students receiving each category of instructional service offered by the school district, such as regular education instruction, vocational education instruction, specialized instruction programs or enrichment instruction that is part of the educational curriculum, instruction for gifted students, instruction for handicapped students, and remedial instruction. The guidelines shall require instructional services under this division to be divided into discrete categories if an instructional service is limited to a specific subject, a specific type of student, or both, such as regular instructional services in mathematics, remedial reading instructional services, instructional services specifically for students gifted in mathematics or some other subject area, or instructional services for students with a specific type of handicap. The categories of instructional services required by the guidelines under this	15638 15639 15640 15641 15642 15643 15644 15645 15646 15647 15648 15649 15650 15651 15652

division shall be the same as the categories of instructional	15653
services used in determining cost units pursuant to division	15654

extracurricular services for each of the support services or	15657
extracurricular programs offered by the school district, such as	15658
counseling services, health services, and extracurricular sports	15659
and fine arts programs. The categories of services required by the	15660
guidelines under this division shall be the same as the categories	15661
of services used in determining cost units pursuant to division	15662
(C)(4)(a) of this section.	15663
(c) Average student grades in each subject in grades nine	15664
through twelve;	15665
(d) Academic achievement levels as assessed by the testing of	15666

Revised Code;	15668
(e) The number of students designated as having a	15669
handicapping condition pursuant to division (C)(1) of section	15670
3301.0711 of the Revised Code;	15671
(f) The numbers of students reported to the state board	15672
pursuant to division (C)(2) of section 3301.0711 of the Revised	15673
Code;	15674

the event of the death, resignation, incapacity, removal, or 16522
ineligibility to serve of a member, the appointing authority shall 16523
appoint a successor within fifteen days after the vacancy occurs. 16524
Members shall serve without compensation, but shall be paid by the 16525
commission their necessary and actual expenses incurred while 16526
engaged in the business of the commission. 16527

(C) Immediately after appointment of the initial members of 16528
an academic distress commission, the superintendent of public 16529
instruction shall call the first meeting of the commission and 16530
shall cause written notice of the time, date, and place of that 16531
meeting to be given to each member of the commission at least 16532
forty-eight hours in advance of the meeting. The first meeting 16533
shall include an overview of the commission's roles and 16534
responsibilities, the requirements of section 2921.42 and Chapter 16535
102. of the Revised Code as they pertain to commission members, 16536
the requirements of section 121.22 of the Revised Code, and the 16537
provisions of division (F) of this section. At its first meeting, 16538
the commission shall adopt temporary bylaws in accordance with 16539
division (D) of this section to govern its operations until the 16540
adoption of permanent bylaws. 16541

The superintendent of public instruction shall designate a 16542
chairperson for the commission from among the members appointed by 16543
the superintendent. The chairperson shall call and conduct 16544
meetings, set meeting agendas, and serve as a liaison between the 16545
commission and the district board of education. The chairperson 16546
also shall appoint a secretary, who shall not be a member of the 16547
commission. 16548

The department of education shall provide administrative 16549

support for the commission, provide data requested by the 16550
commission, and inform the commission of available state resources 16551
that could assist the commission in its work. 16552

(D) Each academic distress commission may adopt and alter 16553
bylaws and rules, which shall not be subject to section 111.15 or 16554
Chapter 119. of the Revised Code, for the conduct of its affairs 16555
and for the manner, subject to this section, in which its powers 16556
and functions shall be exercised and embodied. 16557

(E) Three members of an academic distress commission 16558
constitute a quorum of the commission. The affirmative vote of 16559
three members of the commission is necessary for any action taken 16560
by vote of the commission. No vacancy in the membership of the 16561
commission shall impair the rights of a quorum by such vote to 16562
exercise all the rights and perform all the duties of the 16563
commission. Members of the commission are not disqualified from 16564
voting by reason of the functions of any other office they hold 16565
and are not disqualified from exercising the functions of the 16566
other office with respect to the school district, its officers, or 16567
the commission. 16568

(F) The members of an academic distress commission, the 16569
superintendent of public instruction, and any person authorized to 16570
act on behalf of or assist them shall not be personally liable or 16571
subject to any suit, judgment, or claim for damages resulting from 16572
the exercise of or failure to exercise the powers, duties, and 16573
functions granted to them in regard to their functioning under 16574
this section, but the commission, superintendent of public 16575
instruction, and such other persons shall be subject to mandamus 16576
proceedings to compel performance of their duties under this 16577
section. 16578

(G) Each member of an academic distress commission shall file 16579
the statement described in section 102.02 of the Revised Code with 16580
the Ohio ethics commission. The statement shall be confidential. 16581

subject to review, as described in division (B) of that section. 16582

(H) Meetings of each academic distress commission shall be 16583
subject to section 121.22 of the Revised Code. 16584

(I)(1) Within one hundred twenty days after the first meeting 16585
of an academic distress commission, the commission shall adopt an 16586
academic recovery plan to improve academic performance in the 16587
school district. The plan shall address academic problems at both 16588
the district and school levels. The plan shall include the 16589
following: 16590

(a) Short-term and long-term actions to be taken to improve 16591
the district's academic performance, including any actions 16592
required by section 3302.04 of the Revised Code; 16593

(b) The sequence and timing of the actions described in 16594
division (I)(1)(a) of this section and the persons responsible for 16595
implementing the actions; 16596

(c) Resources that will be applied toward improvement 16597
efforts; 16598

(d) Procedures for monitoring and evaluating improvement 16599
efforts; 16600

(e) Requirements for reporting to the commission and the 16601
district board of education on the status of improvement efforts. 16602

(2) The commission may amend the academic recovery plan 16603
subsequent to adoption. The commission shall update the plan at 16604
least annually. 16605

(3) The commission shall submit the academic recovery plan it 16606
adopts or updates to the superintendent of public instruction for 16607
approval immediately following its adoption or updating. The 16608
superintendent shall evaluate the plan and either approve or 16609
disapprove it within thirty days after its submission. If the plan 16610
is disapproved, the superintendent shall recommend modifications 16611

that will render it acceptable. No academic distress commission 16612
shall implement an academic recovery plan unless the 16613
superintendent has approved it. 16614

(4) County, state, and school district officers and employees 16615
shall assist the commission diligently and promptly in the 16616
implementation of the academic recovery plan. 16617

(J) Each academic distress commission shall seek input from 16618
the district board of education regarding ways to improve the 16619
district's academic performance, but any decision of the 16620
commission related to any authority granted to the commission 16621
under this section shall be final. 16622

The commission may do any of the following: 16623

(1) Appoint school building administrators and reassign 16624
administrative personnel; 16625

(2) Terminate the contracts of administrators or 16626
administrative personnel. The commission shall not be required to 16627
comply with section 3319.16 of the Revised Code with respect to 16628
any contract terminated under this division. 16629

(3) Contract with a private entity to perform school or 16630
district management functions; 16631

(4) Establish a budget for the district and approve district 16632
appropriations and expenditures, unless a financial planning and 16633
supervision commission has been established for the district 16634
pursuant to section 3316.05 of the Revised Code. 16635

~~(D)~~(K) If the board of education of a district for which an 16636
academic distress commission has been established under this 16637
section renews any collective bargaining agreement under Chapter 16638
4117. of the Revised Code during the existence of the commission, 16639
the district board shall not enter into any agreement that would 16640
render any decision of the commission unenforceable. Section 16641

3302.08 of the Revised Code does not apply to this division. 16642

Notwithstanding any provision to the contrary in Chapter 16643
4117. of the Revised Code, if the board of education has entered 16644
into a collective bargaining agreement after ~~the effective date of~~ 16645
~~this section~~ September 29, 2005, that contains stipulations 16646
relinquishing one or more of the rights or responsibilities listed 16647
in division (C) of section 4117.08 of the Revised Code, those 16648
stipulations are not enforceable and the district board shall 16649
resume holding those rights or responsibilities as if it had not 16650
relinquished them in that agreement until such time as both the 16651
academic distress commission ceases to exist and the district 16652
board agrees to relinquish those rights or responsibilities in a 16653
new collective bargaining agreement. The provisions of this 16654
paragraph apply to a collective bargaining agreement entered into 16655
after ~~the effective date of this section~~ September 29, 2005, and 16656
those provisions are deemed to be part of that agreement 16657
regardless of whether the district satisfied the conditions 16658
prescribed in division (A) of this section at the time the 16659
district entered into that agreement. 16660

~~(E)~~(L) An academic distress commission shall cease to exist 16661
when the district for which it was established receives a 16662
performance rating under section 3302.03 of the Revised Code of in 16663
need of continuous improvement or better for two ~~out~~ of the three 16664
prior school years; however, the superintendent of public 16665
instruction may dissolve the commission earlier if the 16666
superintendent determines that the district can perform adequately 16667
without the supervision of the commission. Upon termination of the 16668
commission, the department of education shall compile a final 16669
report of the commission's activities to assist other academic 16670
distress commissions in the conduct of their functions. 16671

Sec. 3303.20. The superintendent of public instruction shall 16672

appoint a supervisor of agricultural education within the 16673
department of education. The supervisor shall be responsible for 16674
administering and disseminating to school districts information 16675
about agricultural education. 16676

The department shall maintain an appropriate number of 16677
full-time employees focusing on agricultural education. The 16678
department shall employ at least three program consultants who 16679
shall be available to provide assistance to school districts on a 16680
regional basis throughout the state. At least one consultant may 16681
coordinate local activities of the student organization known as 16682
the future farmers of America. 16683

Sec. 3311.24. (A)(1) Except as provided in division (B) of 16684
this section, ~~if~~ the board of education of a city, exempted 16685
village, or local school district ~~deems it advisable~~ shall file 16686
with the state board of education a proposal to transfer territory 16687
from such district to an adjoining city, exempted village, or 16688
local school district, ~~or if a~~ in any of the following 16689
circumstances: 16690

(a) The district board deems the transfer advisable; 16691

(b) A petition, signed by seventy-five per cent of the 16692
qualified electors residing within that portion of a city, 16693
exempted village, or local school district proposed to be 16694
transferred voting at the last general election, requests such a 16695
transfer, ~~the;~~ 16696

(c) If no qualified electors reside in that portion of the 16697
district proposed to be transferred, a petition, signed by 16698
seventy-five per cent of the owners of parcels of real property on 16699
the tax duplicate within that portion of the district, requests 16700
such a transfer. 16701

(2) The board of education of the district in which such 16702

proposal originates shall file such proposal, together with a map 16703
showing the boundaries of the territory proposed to be 16704
transferred, with the state board of education prior to the first 16705
day of April in any even-numbered year. The state board of 16706
education may, if it is advisable, provide for a hearing in any 16707
suitable place in any of the school districts affected by such 16708
proposed transfer of territory. The state board of education or 16709
its representatives shall preside at any such hearing. 16710

(3) A board of education of a city, exempted village, or 16711
local school district that receives a petition of transfer signed 16712
by electors of the district under ~~this~~ division (A)(1)(b) of this 16713
section shall cause the board of elections to check the 16714
sufficiency of signatures on the petition. A board of education of 16715
a city, exempted village, or local school district that receives a 16716
petition of transfer signed by owners of parcels of real property 16717
under division (A)(1)(c) of this section shall cause the county 16718
auditor to check the sufficiency of signatures on the petition. 16719

(4) Not later than the first day of September the state board 16720
of education shall either approve or disapprove a proposed 16721
transfer of territory filed with it as provided by this section 16722
and shall notify, in writing, the boards of education of the 16723
districts affected by such proposed transfer of territory of its 16724
decision. 16725

If the decision of the state board of education is an 16726
approval of the proposed transfer of territory then the board of 16727
education of the district in which the territory is located shall, 16728
within thirty days after receiving the state board of education's 16729
decision, adopt a resolution transferring the territory and shall 16730
forthwith submit a copy of such resolution to the treasurer of the 16731
board of education of the city, exempted village, or local school 16732
district to which the territory is transferred. Such transfer 16733
shall not be complete however, until: 16734

~~(1)~~(a) A resolution accepting the transfer has been passed by 16735
a majority vote of the full membership of the board of education 16736
of the city, exempted village, or local school district to which 16737
the territory is transferred; 16738

~~(2)~~(b) An equitable division of the funds and indebtedness 16739
between the districts involved has been made by the board of 16740
education making the transfer; 16741

~~(3)~~(c) A map showing the boundaries of the territory 16742
transferred has been filed, by the board of education accepting 16743
the transfer, with the county auditor of each county affected by 16744
the transfer. 16745

When such transfer is complete the legal title of the school 16746
property in the territory transferred shall be vested in the board 16747
of education or governing board of the school district to which 16748
the territory is transferred. 16749

(B) Whenever the transfer of territory pursuant to this 16750
section is initiated by a board of education, the board shall, 16751
before filing a proposal for transfer with the state board of 16752
education under this section, make a good faith effort to 16753
negotiate the terms of transfer with any other school district 16754
whose territory would be affected by the transfer. Before the 16755
state board may hold a hearing on the transfer, or approve or 16756
disapprove any such transfer, it must receive the following: 16757

(1) A resolution requesting approval of the transfer, passed 16758
by the school district submitting the proposal; 16759

(2) Evidence determined to be sufficient by the state board 16760
to show that good faith negotiations have taken place or that the 16761
district requesting the transfer has made a good faith effort to 16762
hold such negotiations; 16763

(3) If any negotiations took place, a statement signed by all 16764
boards that participated in the negotiations, listing the terms 16765

agreed on and the points on which no agreement could be reached. 16766

Negotiations held pursuant to this section shall be governed 16767
by the rules adopted by the state board under division (D) of 16768
section 3311.06 of the Revised Code. Districts involved in a 16769
transfer under division (B) of this section may agree to share 16770
revenues from the property included in the territory to be 16771
transferred, establish cooperative programs between the 16772
participating districts, and establish mechanisms for the 16773
settlement of any future boundary disputes. 16774

Sec. 3313.603. (A) As used in this section: 16775

(1) "One unit" means a minimum of one hundred twenty hours of 16776

business/technology, fine arts, and/or foreign language.	16806

first time on or after July 1, 2010, except as provided in	16808
divisions (D) to (F) of this section, the requirements for	16809
graduation from every public and chartered nonpublic high school	16810

In developing the curriculum required by this paragraph, schools shall use available public-private partnerships and resources and materials that exist in business, industry, and through the centers for economics education at institutions of higher education in the state.	16835 16836 16837 16838 16839 16840 16841 16842 16843 16844 16845 16846

Ohioans must be prepared to apply increased knowledge and skills in the workplace and to adapt their knowledge and skills	16852 16853

quickly to meet the rapidly changing conditions of the 16854
twenty-first century. National studies indicate that all high 16855
school graduates need the same academic foundation, regardless of 16856
the opportunities they pursue after graduation. The goal of Ohio's 16857
system of elementary and secondary education is to prepare all 16858
students for and seamlessly connect all students to success in 16859
life beyond high school graduation, regardless of whether the next 16860
step is entering the workforce, beginning an apprenticeship, 16861
engaging in post-secondary training, serving in the military, or 16862
pursuing a college degree. 16863

The Ohio core curriculum is the standard expectation for all 16864
students entering ninth grade for the first time at a public or 16865
chartered nonpublic high school on or after July 1, 2010. A 16866
student may satisfy this expectation through a variety of methods, 16867
including, but not limited to, integrated, applied, 16868
career-technical, and traditional coursework. 16869

Whereas teacher quality is essential for student success in 16870
completing the Ohio core curriculum, the general assembly shall 16871
appropriate funds for strategic initiatives designed to strengthen 16872
schools' capacities to hire and retain highly qualified teachers 16873
in the subject areas required by the curriculum. Such initiatives 16874
are expected to require an investment of \$120,000,000 over five 16875
years. 16876

Stronger coordination between high schools and institutions 16877
of higher education is necessary to prepare students for more 16878
challenging academic endeavors and to lessen the need for academic 16879
remediation in college, thereby reducing the costs of higher 16880
education for Ohio's students, families, and the state. The state 16881
board of education, the Ohio board of regents, and the partnership 16882
for continued learning shall develop policies to ensure that only 16883
in rare instances will students who complete the Ohio core 16884
curriculum require academic remediation after high school. 16885

School districts, community schools, and chartered nonpublic schools shall integrate technology into learning experiences whenever practicable across the curriculum in order to maximize efficiency, enhance learning, and prepare students for success in the technology-driven twenty-first century. Districts and schools may use distance and web-based course delivery as a method of providing or augmenting all instruction required under this division, including laboratory experience in science. Districts and schools shall whenever practicable utilize technology access and electronic learning opportunities provided by the eTech Ohio commission, the Ohio learning network, education technology centers, public television stations, and other public and private providers.

(D) Except as provided in division (E) of this section, a student who enters ninth grade on or after July 1, 2010, and before July 1, 2014, may qualify for graduation from a public or chartered nonpublic high school even though the student has not completed the Ohio core curriculum prescribed in division (C) of this section if all of the following conditions are satisfied:

(1) After the student has attended high school for two years, as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the Ohio core curriculum and acknowledging that one consequence of not completing the Ohio core curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

(2) The student and parent, guardian, or custodian fulfill any procedural requirements the school stipulates to ensure the student's and parent's, guardian's, or custodian's informed consent and to facilitate orderly filing of statements under division (D)(1) of this section.

(3) The student and the student's parent, guardian, or 16918
custodian and a representative of the student's high school 16919
jointly develop an individual career plan for the student that 16920
specifies the student matriculating to a two-year degree program, 16921
acquiring a business and industry credential, or entering an 16922
apprenticeship. 16923

(4) The student's high school provides counseling and support 16924
for the student related to the plan developed under division 16925
(D)(3) of this section during the remainder of the student's high 16926
school experience. 16927

(5) The student successfully completes, at a minimum, the 16928
curriculum prescribed in division (B) of this section. 16929

The partnership for continued learning, in collaboration with 16930
the department of education and the Ohio board of regents, shall 16931
analyze student performance data to determine if there are 16932
mitigating factors that warrant extending the exception permitted 16933
by division (D) of this section to high school classes beyond 16934
those entering ninth grade before July 1, 2014. The partnership 16935
shall submit its findings and any recommendations not later than 16936
August 1, 2014, to the speaker and minority leader of the house of 16937
representatives, the president and minority leader of the senate, 16938
the chairpersons and ranking minority members of the standing 16939
committees of the house of representatives and the senate that 16940
consider education legislation, the state board of education, and 16941
the superintendent of public instruction. 16942

(E) Each school district and chartered nonpublic school 16943
retains the authority to require an even more rigorous minimum 16944
curriculum for high school graduation than specified in division 16945
(B) or (C) of this section. A school district board of education, 16946
through the adoption of a resolution, or the governing authority 16947
of a chartered nonpublic school may stipulate any of the 16948
following: 16949

- (1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate; 16950
16951
- (2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section; 16952
16953
16954
16955
16956
16957
- (3) That no exception comparable to that provided in division (D) of this section is available. 16958
16959
- (F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department of education, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the Ohio core curriculum prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions: 16960
16961
16962
16963
16964
16965
16966
16967

16974
16975
16976

16978
16979
- (4) The program develops an individual career plan for the 16980

student that specifies the student's matriculating to a two-year 16981
degree program, acquiring a business and industry credential, or 16982
entering an apprenticeship. 16983

(5) The program provides counseling and support for the 16984
student related to the plan developed under division (F)(4) of 16985
this section during the remainder of the student's high school 16986
experience. 16987

(6) The program requires the student and the student's 16988
parent, guardian, or custodian to sign and file, in accordance 16989
with procedural requirements stipulated by the program, a written 16990
statement asserting the parent's, guardian's, or custodian's 16991
consent to the student's graduating without completing the Ohio 16992
core curriculum and acknowledging that one consequence of not 16993
completing the Ohio core curriculum is ineligibility to enroll in 16994
most state universities in Ohio without further coursework. 16995

(7) Prior to receiving the waiver, the program has submitted 16996
to the department an instructional plan that demonstrates how the 16997
academic content standards adopted by the state board of education 16998
under section 3301.079 of the Revised Code will be taught and 16999
assessed. 17000

If the department does not act either to grant the waiver or 17001
to reject the program application for the waiver within sixty days 17002
as required under this section, the waiver shall be considered to 17003
be granted. 17004

(G) Every high school may permit students below the ninth 17005
grade to take advanced work for high school credit. A high school 17006
shall count such advanced work toward the graduation requirements 17007
of division (B) or (C) of this section if the advanced work was 17008
both: 17009

(1) Taught by a person who possesses a license or certificate 17010
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 17011

Code that is valid for teaching high school; 17012

(2) Designated by the board of education of the city, local, 17013
or exempted village school district, the board of the cooperative 17014
education school district, or the governing authority of the 17015
chartered nonpublic school as meeting the high school curriculum 17016
requirements. 17017

Each high school shall record on the student's high school 17018
transcript all high school credit awarded under division (G) of 17019
this section. In addition, if the student completed a seventh- or 17020
eighth-grade fine arts course described in division (K) of this 17021
section and the course qualified for high school credit under that 17022
division, the high school shall record that course on the 17023
student's high school transcript. 17024

(H) The department shall make its individual academic career 17025
plan available through its Ohio career information system web site 17026
for districts and schools to use as a tool for communicating with 17027
and providing guidance to students and families in selecting high 17028
school courses. 17029

(I) Units earned in English language arts, mathematics, 17030
science, and social studies that are delivered through integrated 17031
academic and career-technical instruction are eligible to meet the 17032
graduation requirements of division (B) or (C) of this section. 17033

(J) The state board of education, in consultation with the 17034
Ohio board of regents and the partnership for continued learning, 17035
shall adopt a statewide plan implementing methods for students to 17036
earn units of high school credit based on a demonstration of 17037
subject area competency, instead of or in combination with 17038
completing hours of classroom instruction. The state board shall 17039
adopt the plan not later than March 31, 2009, and commence phasing 17040
in the plan during the 2009-2010 school year. The plan shall 17041
include a standard method for recording demonstrated proficiency 17042

on high school transcripts. Each school district, community 17043
school, and chartered nonpublic school shall comply with the state 17044
board's plan adopted under this division and award units of high 17045
school credit in accordance with the plan. The state board may 17046
adopt existing methods for earning high school credit based on a 17047
demonstration of subject area competency as necessary prior to the 17048
2009-2010 school year. 17049

(K) This division does not apply to students who qualify for 17050
graduation from high school under division (D) or (F) of this 17051
section, or to students pursuing a career-technical instructional 17052
track as determined by the school district board of education or 17053
the chartered nonpublic school's governing authority. 17054
Nevertheless, the general assembly encourages such students to 17055
consider enrolling in a fine arts course as an elective. 17056

time on or after July 1, 2010, each student enrolled in a public 17058
or chartered nonpublic high school shall complete two semesters or 17059
the equivalent of fine arts to graduate from high school. The 17060
coursework may be completed in any of grades seven to twelve. Each 17061
student who completes a fine arts course in grade seven or eight 17062
may elect to count that course toward the five units of electives 17063
required for graduation under division (C)(7) of this section, if 17064
the course satisfied the requirements of division (G) of this 17065
section. In that case, the high school shall award the student 17066
high school credit for the course and count the course toward the 17067
five units required under division (C)(7) of this section. If the 17068
course in grade seven or eight did not satisfy the requirements of 17069
division (G) of this section, the high school shall not award the 17070
student high school credit for the course but shall count the 17071
course toward the two semesters or the equivalent of fine arts 17072
required by this division. 17073

(L) Notwithstanding anything to the contrary in this section, 17074

the board of education of each school district and the governing 17075
authority of each chartered nonpublic school may adopt a policy to 17076
excuse from the high school physical education requirement each 17077
student who, during high school, has participated in 17078
interscholastic athletics, marching band, or cheerleading for at 17079
least two full seasons. If the board or authority adopts such a 17080
policy, the board or authority shall not require the student to 17081
complete any physical education course as a condition to graduate. 17082
However, the student shall be required to complete one-half unit, 17083
consisting of at least sixty hours of instruction, in another 17084
course of study. 17085

Sec. 3313.615. This section shall apply to diplomas awarded 17086
after September 15, 2006, to students who are required to take the 17087
five Ohio graduation tests prescribed by division (B) of section 17088
3301.0710 of the Revised Code. 17089

the scores designated under division (B) of section 3301.0710 of 17091
the Revised Code on all the tests required under that division in 17092
order to be eligible for a high school diploma or an honors 17093

(b) A statement from a real estate broker or bank officer 17396
confirming that the parent has a contract to purchase the house, 17397
that the parent is waiting upon the date of closing of the 17398
mortgage loan, and that the house is at the location indicated in 17399
the parent's statement. 17400

The district superintendent shall establish a period of time 17401
not to exceed ninety days during which the child entitled to 17402
attend school under division (F)(6) or (7) of this section may 17403
attend without tuition obligation. A student attending a school 17404
under division (F)(6) or (7) of this section shall be eligible to 17405
participate in interscholastic athletics under the auspices of 17406
that school, provided the board of education of the school 17407
district where the student's parent resides, by a formal action, 17408
releases the student to participate in interscholastic athletics 17409
at the school where the student is attending, and provided the 17410
student receives any authorization required by a public agency or 17411
private organization of which the school district is a member 17412
exercising authority over interscholastic sports. 17413

(8) A child whose parent is a full-time employee of a city, 17414
local, or exempted village school district, or of an educational 17415
service center, may be admitted to the schools of the district 17416
where the child's parent is employed, or in the case of a child 17417
whose parent is employed by an educational service center, in the 17418
district that serves the location where the parent's job is 17419
primarily located, provided the district board of education 17420
establishes such an admission policy by resolution adopted by a 17421
majority of its members. Any such policy shall take effect on the 17422
first day of the school year and the effective date of any 17423
amendment or repeal may not be prior to the first day of the 17424
subsequent school year. The policy shall be uniformly applied to 17425
all such children and shall provide for the admission of any such 17426
child upon request of the parent. No child may be admitted under 17427
this policy after the first day of classes of any school year. 17428

(9) A child who is with the child's parent under the care of 17429
a shelter for victims of domestic violence, as defined in section 17430
3113.33 of the Revised Code, is entitled to attend school free in 17431
the district in which the child is with the child's parent, and no 17432
other school district shall be required to pay tuition for the 17433
child's attendance in that school district. 17434

The enrollment of a child in a school district under this 17435
division shall not be denied due to a delay in the school 17436
district's receipt of any records required under section 3313.672 17437
of the Revised Code or any other records required for enrollment. 17438
Any days of attendance and any credits earned by a child while 17439
enrolled in a school district under this division shall be 17440
transferred to and accepted by any school district in which the 17441
child subsequently enrolls. The state board of education shall 17442
adopt rules to ensure compliance with this division. 17443

(10) Any child under the age of twenty-two years whose parent 17444
has moved out of the school district after the commencement of 17445

classes in the child's senior year of high school is entitled, 17446
subject to the approval of that district board, to attend school 17447
in the district in which the child attended school at the time of 17448
the parental move for the remainder of the school year and for one 17449
additional semester or equivalent term. A district board may also 17450
adopt a policy specifying extenuating circumstances under which a 17451
student may continue to attend school under division (F)(10) of 17452
this section for an additional period of time in order to 17453
successfully complete the high school curriculum for the 17454
individualized education program developed for the student by the 17455
high school pursuant to section 3323.08 of the Revised Code. 17456

(11) As used in this division, "grandparent" means a parent 17457
of a parent of a child. A child under the age of twenty-two years 17458
who is in the custody of the child's parent, resides with a 17459
grandparent, and does not require special education is entitled to 17460
attend the schools of the district in which the child's 17461
grandparent resides, provided that, prior to such attendance in 17462
any school year, the board of education of the school district in 17463
which the child's grandparent resides and the board of education 17464
of the school district in which the child's parent resides enter 17465
into a written agreement specifying that good cause exists for 17466
such attendance, describing the nature of this good cause, and 17467
consenting to such attendance. 17468

In lieu of a consent form signed by a parent, a board of 17469
education may request the grandparent of a child attending school 17470
in the district in which the grandparent resides pursuant to 17471
division (F)(11) of this section to complete any consent form 17472
required by the district, including any authorization required by 17473
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 17474
Code. Upon request, the grandparent shall complete any consent 17475
form required by the district. A school district shall not incur 17476
any liability solely because of its receipt of a consent form from 17477

a grandparent in lieu of a parent. 17478

Division (F)(11) of this section does not create, and shall 17479
not be construed as creating, a new cause of action or substantive 17480
legal right against a school district, a member of a board of 17481
education, or an employee of a school district. This section does 17482
not affect, and shall not be construed as affecting, any 17483
immunities from defenses to tort liability created or recognized 17484
by Chapter 2744. of the Revised Code for a school district, 17485
member, or employee. 17486

(12) A child under the age of twenty-two years is entitled to 17487
attend school in a school district other than the district in 17488
which the child is entitled to attend school under division (B), 17489
(C), or (E) of this section provided that, prior to such 17490
attendance in any school year, both of the following occur: 17491

(a) The superintendent of the district in which the child is 17492
entitled to attend school under division (B), (C), or (E) of this 17493
section contacts the superintendent of another district for 17494
purposes of this division; 17495

(b) The superintendents of both districts enter into a 17496
written agreement that consents to the attendance and specifies 17497
that the purpose of such attendance is to protect the student's 17498
physical or mental well-being or to deal with other extenuating 17499
circumstances deemed appropriate by the superintendents. 17500

While an agreement is in effect under this division for a 17501
student who is not receiving special education under Chapter 3323. 17502
of the Revised Code and notwithstanding Chapter 3327. of the 17503
Revised Code, the board of education of neither school district 17504
involved in the agreement is required to provide transportation 17505
for the student to and from the school where the student attends. 17506

A student attending a school of a district pursuant to this 17507
division shall be allowed to participate in all student 17508

activities, including interscholastic athletics, at the school 17509
where the student is attending on the same basis as any student 17510
who has always attended the schools of that district while of 17511
compulsory school age. 17512

(13) All school districts shall comply with the 17513
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 17514
seq., for the education of homeless children. Each city, local, 17515
and exempted village school district shall comply with the 17516
requirements of that act governing the provision of a free, 17517
appropriate public education, including public preschool, to each 17518
homeless child. 17519

When a child loses permanent housing and becomes a homeless 17520
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 17521
such a homeless person changes temporary living arrangements, the 17522
child's parent or guardian shall have the option of enrolling the 17523
child in either of the following: 17524

(a) The child's school of origin, as defined in 42 U.S.C.A. 17525
11432(g)(3)(C); 17526

(b) The school that is operated by the school district in 17527
which the shelter where the child currently resides is located and 17528
that serves the geographic area in which the shelter is located. 17529

(14) A child under the age of twenty-two years who resides 17530
with a person other than the child's parent is entitled to attend 17531
school in the school district in which that person resides if both 17532
of the following apply: 17533

(a) That person has been appointed, through a military power 17534
of attorney executed under section 574(a) of the "National Defense 17535
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 17536
U.S.C. 1044b, or through a comparable document necessary to 17537
complete a family care plan, as the parent's agent for the care, 17538
custody, and control of the child while the parent is on active 17539

duty as a member of the national guard or a reserve unit of the 17540
armed forces of the United States or because the parent is a 17541
member of the armed forces of the United States and is on a duty 17542
assignment away from the parent's residence. 17543

(b) The military power of attorney or comparable document 17544
includes at least the authority to enroll the child in school. 17545

The entitlement to attend school in the district in which the 17546
parent's agent under the military power of attorney or comparable 17547
document resides applies until the end of the school year in which 17548
the military power of attorney or comparable document expires. 17549

(G) A board of education, after approving admission, may 17550
waive tuition for students who will temporarily reside in the 17551
district and who are either of the following: 17552

(1) Residents or domiciliaries of a foreign nation who 17553
request admission as foreign exchange students; 17554

(2) Residents or domiciliaries of the United States but not 17555
of Ohio who request admission as participants in an exchange 17556
program operated by a student exchange organization. 17557

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 17558
3327.04, and 3327.06 of the Revised Code, a child may attend 17559
school or participate in a special education program in a school 17560
district other than in the district where the child is entitled to 17561
attend school under division (B) of this section. 17562

(I)(1) Notwithstanding anything to the contrary in this 17563
section or section 3313.65 of the Revised Code, a child under 17564
twenty-two years of age may attend school in the school district 17565
in which the child, at the end of the first full week of October 17566
of the school year, was entitled to attend school as otherwise 17567
provided under this section or section 3313.65 of the Revised 17568
Code, if at that time the child was enrolled in the schools of the 17569
district but since that time the child or the child's parent has 17570

relocated to a new address located outside of that school district 17571
and within the same county as the child's or parent's address 17572
immediately prior to the relocation. The child may continue to 17573
attend school in the district, and at the school to which the 17574
child was assigned at the end of the first full week of October of 17575
the current school year, for the balance of the school year. 17576
Division (I)(1) of this section applies only if both of the 17577
following conditions are satisfied: 17578

(a) The board of education of the school district in which 17579
the child was entitled to attend school at the end of the first 17580
full week in October and of the district to which the child or 17581
child's parent has relocated each has adopted a policy to enroll 17582
children described in division (I)(1) of this section. 17583

(b) The child's parent provides written notification of the 17584
relocation outside of the school district to the superintendent of 17585
each of the two school districts. 17586

(2) At the beginning of the school year following the school 17587
year in which the child or the child's parent relocated outside of 17588
the school district as described in division (I)(1) of this 17589
section, the child is not entitled to attend school in the school 17590
district under that division. 17591

(3) Any person or entity owing tuition to the school district 17592
on behalf of the child at the end of the first full week in 17593
October, as provided in division (C) of this section, shall 17594
continue to owe such tuition to the district for the child's 17595
attendance under division (I)(1) of this section for the lesser of 17596
the balance of the school year or the balance of the time that the 17597
child attends school in the district under division (I)(1) of this 17598
section. 17599

(4) A pupil who may attend school in the district under 17600
division (I)(1) of this section shall be entitled to 17601

transportation services pursuant to an agreement between the 17602
district and the district in which the child or child's parent has 17603
relocated unless the districts have not entered into such 17604
agreement, in which case the child shall be entitled to 17605
transportation services in the same manner as a pupil attending 17606
school in the district under interdistrict open enrollment as 17607
described in division (H) of section 3313.981 of the Revised Code, 17608
regardless of whether the district has adopted an open enrollment 17609
policy as described in division (B)(1)(b) or (c) of section 17610
3313.98 of the Revised Code. 17611

(J) This division does not apply to a child receiving special 17612
education. 17613

A school district required to pay tuition pursuant to 17614
division (C)(2) or (3) of this section or section 3313.65 of the 17615
Revised Code shall have an amount deducted under division (F) of 17616
section 3317.023 of the Revised Code equal to its own tuition rate 17617
for the same period of attendance. A school district entitled to 17618
receive tuition pursuant to division (C)(2) or (3) of this section 17619
or section 3313.65 of the Revised Code shall have an amount 17620
credited under division (F) of section 3317.023 of the Revised 17621
Code equal to its own tuition rate for the same period of 17622
attendance. If the tuition rate credited to the district of 17623
attendance exceeds the rate deducted from the district required to 17624
pay tuition, the department of education shall pay the district of 17625
attendance the difference from amounts deducted from all 17626
districts' payments under division (F) of section 3317.023 of the 17627
Revised Code but not credited to other school districts under such 17628
division and from appropriations made for such purpose. The 17629
treasurer of each school district shall, by the fifteenth day of 17630
January and July, furnish the superintendent of public instruction 17631
a report of the names of each child who attended the district's 17632
schools under divisions (C)(2) and (3) of this section or section 17633

3313.65 of the Revised Code during the preceding six calendar months, the duration of the attendance of those children, the school district responsible for tuition on behalf of the child, and any other information that the superintendent requires.

Upon receipt of the report the superintendent, pursuant to division (F) of section 3317.023 of the Revised Code, shall deduct each district's tuition obligations under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code and pay to the district of attendance that amount plus any amount required to be paid by the state.

(K) In the event of a disagreement, the superintendent of public instruction shall determine the school district in which the parent resides.

(L) Nothing in this section requires or authorizes, or shall be construed to require or authorize, the admission to a public school in this state of a pupil who has been permanently excluded from public school attendance by the superintendent of public instruction pursuant to sections 3301.121 and 3313.662 of the Revised Code.

(M) In accordance with division (B)(1) of this section, a child whose parent is a member of the national guard or a reserve unit of the armed forces of the United States and is called to active duty, or a child whose parent is a member of the armed forces of the United States and is ordered to a temporary duty assignment outside of the district, may continue to attend school in the district in which the child's parent lived before being called to active duty or ordered to a temporary duty assignment outside of the district, as long as the child's parent continues to be a resident of that district, and regardless of where the child lives as a result of the parent's active duty status or temporary duty assignment. However, the district is not responsible for providing transportation for the child if the

child lives outside of the district as a result of the parent's 17666
active duty status or temporary duty assignment. 17667

Sec. 3313.646. (A) The board of education of a school 17668
district, except a cooperative education district established 17669
pursuant to section 3311.521 of the Revised Code, may establish 17670
and operate a preschool program ~~except that no such program shall~~ 17671

~~pursuant to divisions (A) to (C) of section 3311.52 of the Revised~~ 17677
~~Code, the school district is eligible for moneys distributed by~~ 17678
~~the department of education pursuant to section 3317.029 of the~~ 17679
~~Revised Code.~~ A board may use school funds in support of preschool 17680
programs. The board shall maintain, operate, and admit children to 17681
any such program pursuant to rules adopted by such board and the 17682
rules of the state board of education adopted under sections 17683
3301.52 to 3301.57 of the Revised Code. 17684

A board of education may establish fees or tuition, which may 17685
be graduated in proportion to family income, for participation in 17686
a preschool program. In cases where payment of fees or tuition 17687
would create a hardship for the child's parent or guardian, the 17688
board may waive any such fees or tuition. 17689

(B) No board of education that is not receiving funds under 17690
the "Head Start Act," 95 Stat. 489 (1981), 42 U.S.C.A. 9831, on 17691

with any grantee receiving funds under that act. 17693

(C) A board of education may contract with any of the 17694
following preschool providers to provide preschool programs, other 17695

(1) Any organization receiving funds under the "Head Start 17699
Act"; 17700

(2) Any nonsectarian eligible nonpublic school as defined in 17701
division (H) of section 3301.52 of the Revised Code; 17702

(3) Any child care provider licensed under Chapter 5104. of 17703
the Revised Code. 17704

Boards may contract to provide preschool programs only with 17705
such organizations whose staff meet the requirements of rules 17706
adopted under section 3301.53 of the Revised Code or those of the 17707
child development associate credential established by the national 17708
association for the education of young children. 17709

(D) A contract entered into under division (C) of this 17710
section may provide for the board of education to lease school 17711
facilities to the preschool provider or to furnish transportation, 17712
utilities, or staff for the preschool program. 17713

(E) The treasurer of any board of education operating a 17714
preschool program pursuant to this section shall keep an account 17715
of all funds used to operate the program in the same manner as ~~he~~ 17716
the treasurer would any other funds of the district pursuant to 17717
this chapter. 17718

Sec. 3313.66. (A) Except as provided under division (B)(2) of 17719
this section, the superintendent of schools of a city, exempted 17720
village, or local school district, or the principal of a public 17721
school may suspend a pupil from school for not more than ten 17722
school days. The board of education of a city, exempted village, 17723
or local school district may adopt a policy granting assistant 17724
principals and other administrators the authority to suspend a 17725

pupil from school for a period of time as specified in the policy 17726
of the board of education, not to exceed ten school days. If at 17727
the time a suspension is imposed there are fewer than ten school 17728
days remaining in the school year in which the incident that gives 17729
rise to the suspension takes place, the superintendent may apply 17730
any remaining part or all of the period of the suspension to the 17731
following school year. Except in the case of a pupil given an 17732
in-school suspension, no pupil shall be suspended unless prior to 17733
the suspension such superintendent or principal does both of the 17734
following: 17735

(1) Gives the pupil written notice of the intention to 17736
suspend the pupil and the reasons for the intended suspension and, 17737
if the proposed suspension is based on a violation listed in 17738
division (A) of section 3313.662 of the Revised Code and if the 17739
pupil is sixteen years of age or older, includes in the notice a 17740
statement that the superintendent may seek to permanently exclude 17741
the pupil if the pupil is convicted of or adjudicated a delinquent 17742
child for that violation; 17743

(2) Provides the pupil an opportunity to appear at an 17744
informal hearing before the principal, assistant principal, 17745
superintendent, or superintendent's designee and challenge the 17746

pupil's actions. 17748

(B)(1) Except as provided under division (B)(2), (3), or (4) 17749
of this section, the superintendent of schools of a city, exempted 17750
village, or local school district may expel a pupil from school 17751
for a period not to exceed the greater of eighty school days or 17752
the number of school days remaining in the semester or term in 17753
which the incident that gives rise to the expulsion takes place, 17754
unless the expulsion is extended pursuant to division (F) of this 17755
section. If at the time an expulsion is imposed there are fewer 17756
than eighty school days remaining in the school year in which the 17757

incident that gives rise to the expulsion takes place, the 17758
superintendent may apply any remaining part or all of the period 17759
of the expulsion to the following school year. 17760

(2)(a) Unless a pupil is permanently excluded pursuant to 17761
section 3313.662 of the Revised Code, the superintendent of 17762
schools of a city, exempted village, or local school district 17763
shall expel a pupil from school for a period of one year for 17764
bringing a firearm to a school operated by the board of education 17765
of the district or onto any other property owned or controlled by 17766
the board, except that the superintendent may reduce this 17767
requirement on a case-by-case basis in accordance with the policy 17768
adopted by the board under section 3313.661 of the Revised Code. 17769

(b) The superintendent of schools of a city, exempted 17770
village, or local school district may expel a pupil from school 17771
for a period of one year for bringing a firearm to an 17772
interscholastic competition, an extracurricular event, or any 17773
other school program or activity that is not located in a school 17774
or on property that is owned or controlled by the district. The 17775
superintendent may reduce this disciplinary action on a 17776
case-by-case basis in accordance with the policy adopted by the 17777
board under section 3313.661 of the Revised Code. 17778

(c) Any expulsion pursuant to division (B)(2) of this section 17779
shall extend, as necessary, into the school year following the 17780
school year in which the incident that gives rise to the expulsion 17781
takes place. As used in this division, "firearm" has the same 17782
meaning as provided pursuant to the "Gun-Free Schools Act of 17783
1994," ~~108~~ 115 Stat. ~~270~~ 1762, 20 U.S.C. ~~8001(a)(2)~~ 7151. 17784

(3) The board of education of a city, exempted village, or 17785
local school district may adopt a resolution authorizing the 17786
superintendent of schools to expel a pupil from school for a 17787
period not to exceed one year for bringing a knife to a school 17788
operated by the board, onto any other property owned or controlled 17789

by the board, or to an interscholastic competition, an 17790
extracurricular event, or any other program or activity sponsored 17791
by the school district or in which the district is a participant, 17792
or for possessing a firearm or knife at a school, on any other 17793
property owned or controlled by the board, or at an 17794
interscholastic competition, an extracurricular event, or any 17795
other school program or activity, which firearm or knife was 17796
initially brought onto school board property by another person. 17797
The resolution may authorize the superintendent to extend such an 17798
expulsion, as necessary, into the school year following the school 17799
year in which the incident that gives rise to the expulsion takes 17800
place. 17801

(4) The board of education of a city, exempted village, or 17802
local school district may adopt a resolution establishing a policy 17803
under section 3313.661 of the Revised Code that authorizes the 17804
superintendent of schools to expel a pupil from school for a 17805
period not to exceed one year for committing an act that is a 17806
criminal offense when committed by an adult and that results in 17807
serious physical harm to persons as defined in division (A)(5) of 17808
section 2901.01 of the Revised Code or serious physical harm to 17809
property as defined in division (A)(6) of section 2901.01 of the 17810
Revised Code while the pupil is at school, on any other property 17811
owned or controlled by the board, or at an interscholastic 17812
competition, an extracurricular event, or any other school program 17813
or activity. Any expulsion under this division shall extend, as 17814
necessary, into the school year following the school year in which 17815
the incident that gives rise to the expulsion takes place. 17816

(5) The board of education of any city, exempted village, or 17817
local school district may adopt a resolution establishing a policy 17818
under section 3313.661 of the Revised Code that authorizes the 17819
superintendent of schools to expel a pupil from school for a 17820
period not to exceed one year for making a bomb threat to a school 17821

building or to any premises at which a school activity is 17822
occurring at the time of the threat. Any expulsion under this 17823
division shall extend, as necessary, into the school year 17824
following the school year in which the incident that gives rise to 17825
the expulsion takes place. 17826

(6) No pupil shall be expelled under division (B)(1), (2), 17827
(3), (4), or (5) of this section unless, prior to the pupil's 17828
expulsion, the superintendent does both of the following: 17829

(a) Gives the pupil and the pupil's parent, guardian, or 17830
custodian written notice of the intention to expel the pupil; 17831

(b) Provides the pupil and the pupil's parent, guardian, 17832
custodian, or representative an opportunity to appear in person 17833
before the superintendent or the superintendent's designee to 17834
challenge the reasons for the intended expulsion or otherwise to 17835
explain the pupil's actions. 17836

The notice required in this division shall include the 17837
reasons for the intended expulsion, notification of the 17838
opportunity of the pupil and the pupil's parent, guardian, 17839
custodian, or representative to appear before the superintendent 17840
or the superintendent's designee to challenge the reasons for the 17841
intended expulsion or otherwise to explain the pupil's action, and 17842
notification of the time and place to appear. The time to appear 17843
shall not be earlier than three nor later than five school days 17844
after the notice is given, unless the superintendent grants an 17845
extension of time at the request of the pupil or the pupil's 17846
parent, guardian, custodian, or representative. If an extension is 17847
granted after giving the original notice, the superintendent shall 17848
notify the pupil and the pupil's parent, guardian, custodian, or 17849
representative of the new time and place to appear. If the 17850
proposed expulsion is based on a violation listed in division (A) 17851
of section 3313.662 of the Revised Code and if the pupil is 17852
sixteen years of age or older, the notice shall include a 17853

statement that the superintendent may seek to permanently exclude 17854
the pupil if the pupil is convicted of or adjudicated a delinquent 17855
child for that violation. 17856

(7) A superintendent of schools of a city, exempted village, 17857
or local school district shall initiate expulsion proceedings 17858
pursuant to this section with respect to any pupil who has 17859
committed an act warranting expulsion under the district's policy 17860
regarding expulsion even if the pupil has withdrawn from school 17861
for any reason after the incident that gives rise to the hearing 17862
but prior to the hearing or decision to impose the expulsion. If, 17863
following the hearing, the pupil would have been expelled for a 17864
period of time had the pupil still been enrolled in the school, 17865
the expulsion shall be imposed for the same length of time as on a 17866
pupil who has not withdrawn from the school. 17867

(C) If a pupil's presence poses a continuing danger to 17868
persons or property or an ongoing threat of disrupting the 17869
academic process taking place either within a classroom or 17870
elsewhere on the school premises, the superintendent or a 17871
principal or assistant principal may remove a pupil from 17872
curricular activities or from the school premises, and a teacher 17873
may remove a pupil from curricular activities under the teacher's 17874
supervision, without the notice and hearing requirements of 17875
division (A) or (B) of this section. As soon as practicable after 17876
making such a removal, the teacher shall submit in writing to the 17877
principal the reasons for such removal. 17878

If a pupil is removed under this division from a curricular 17879
activity or from the school premises, written notice of the 17880
hearing and of the reason for the removal shall be given to the 17881
pupil as soon as practicable prior to the hearing, which shall be 17882
held within three school days from the time the initial removal is 17883
ordered. The hearing shall be held in accordance with division (A) 17884
of this section unless it is probable that the pupil may be 17885

subject to expulsion, in which case a hearing in accordance with 17886
division (B) of this section shall be held, except that the 17887
hearing shall be held within three school days of the initial 17888
removal. The individual who ordered, caused, or requested the 17889
removal to be made shall be present at the hearing. 17890

If the superintendent or the principal reinstates a pupil in 17891
a curricular activity under the teacher's supervision prior to the 17892
hearing following a removal under this division, the teacher, upon 17893
request, shall be given in writing the reasons for such 17894
reinstatement. 17895

(D) The superintendent or principal, within one school day 17896
after the time of a pupil's expulsion or suspension, shall notify 17897
in writing the parent, guardian, or custodian of the pupil and the 17898
treasurer of the board of education of the expulsion or 17899
suspension. The notice shall include the reasons for the expulsion 17900
or suspension, notification of the right of the pupil or the 17901
pupil's parent, guardian, or custodian to appeal the expulsion or 17902
suspension to the board of education or to its designee, to be 17903
represented in all appeal proceedings, to be granted a hearing 17904
before the board or its designee in order to be heard against the 17905
suspension or expulsion, and to request that the hearing be held 17906
in executive session, notification that the expulsion may be 17907
subject to extension pursuant to division (F) of this section if 17908
the pupil is sixteen years of age or older, and notification that 17909
the superintendent may seek the pupil's permanent exclusion if the 17910
suspension or expulsion was based on a violation listed in 17911
division (A) of section 3313.662 of the Revised Code that was 17912
committed when the child was sixteen years of age or older and if 17913
the pupil is convicted of or adjudicated a delinquent child for 17914
that violation. 17915

In accordance with the policy adopted by the board of 17916
education under section 3313.661 of the Revised Code, the notice 17917

provided under this division shall specify the manner and date by 17918
which the pupil or the pupil's parent, guardian, or custodian 17919
shall notify the board of the pupil's, parent's, guardian's, or 17920
custodian's intent to appeal the expulsion or suspension to the 17921
board or its designee. 17922

Any superintendent expelling a pupil under this section for 17923
more than twenty school days or for any period of time if the 17924
expulsion will extend into the following semester or school year 17925
shall, in the notice required under this division, provide the 17926
pupil and the pupil's parent, guardian, or custodian with 17927
information about services or programs offered by public and 17928
private agencies that work toward improving those aspects of the 17929
pupil's attitudes and behavior that contributed to the incident 17930
that gave rise to the pupil's expulsion. The information shall 17931
include the names, addresses, and phone numbers of the appropriate 17932
public and private agencies. 17933

(E) A pupil or the pupil's parent, guardian, or custodian may 17934
appeal the pupil's expulsion by a superintendent or suspension by 17935
a superintendent, principal, assistant principal, or other 17936
administrator to the board of education or to its designee. If the 17937
pupil or the pupil's parent, guardian, or custodian intends to 17938
appeal the expulsion or suspension to the board or its designee, 17939
the pupil or the pupil's parent, guardian, or custodian shall 17940
notify the board in the manner and by the date specified in the 17941
notice provided under division (D) of this section. The pupil or 17942
the pupil's parent, guardian, or custodian may be represented in 17943
all appeal proceedings and shall be granted a hearing before the 17944
board or its designee in order to be heard against the suspension 17945
or expulsion. At the request of the pupil or of the pupil's 17946
parent, guardian, custodian, or attorney, the board or its 17947
designee may hold the hearing in executive session but shall act 17948
upon the suspension or expulsion only at a public meeting. The 17949

board, by a majority vote of its full membership or by the action 17950
of its designee, may affirm the order of suspension or expulsion, 17951
reinstate the pupil, or otherwise reverse, vacate, or modify the 17952
order of suspension or expulsion. 17953

The board or its designee shall make a verbatim record of 17954
hearings held under this division. The decisions of the board or 17955
its designee may be appealed under Chapter 2506. of the Revised 17956
Code. 17957

This section shall not be construed to require notice and 17958
hearing in accordance with division (A), (B), or (C) of this 17959
section in the case of normal disciplinary procedures in which a 17960
pupil is removed from a curricular activity for a period of less 17961
than one school day and is not subject to suspension or expulsion. 17962

(F)(1) If a pupil is expelled pursuant to division (B) of 17963
this section for committing any violation listed in division (A) 17964
of section 3313.662 of the Revised Code and the pupil was sixteen 17965
years of age or older at the time of committing the violation, if 17966
a complaint, indictment, or information is filed alleging that the 17967
pupil is a delinquent child based upon the commission of the 17968
violation or the pupil is prosecuted as an adult for the 17969
commission of the violation, and if the resultant juvenile court 17970
or criminal proceeding is pending at the time that the expulsion 17971
terminates, the superintendent of schools that expelled the pupil 17972
may file a motion with the court in which the proceeding is 17973
pending requesting an order extending the expulsion for the lesser 17974
of an additional eighty days or the number of school days 17975
remaining in the school year. Upon the filing of the motion, the 17976
court immediately shall schedule a hearing and give written notice 17977
of the time, date, and location of the hearing to the 17978
superintendent and to the pupil and the pupil's parent, guardian, 17979
or custodian. At the hearing, the court shall determine whether 17980
there is reasonable cause to believe that the pupil committed the 17981

alleged violation that is the basis of the expulsion and, upon 17982
determining that reasonable cause to believe the pupil committed 17983
the violation does exist, shall grant the requested extension. 17984

(2) If a pupil has been convicted of or adjudicated a 17985
delinquent child for a violation listed in division (A) of section 17986
3313.662 of the Revised Code for an act that was committed when 17987
the child was sixteen years of age or older, if the pupil has been 17988
expelled pursuant to division (B) of this section for that 17989
violation, and if the board of education of the school district of 17990
the school from which the pupil was expelled has adopted a 17991
resolution seeking the pupil's permanent exclusion, the 17992
superintendent may file a motion with the court that convicted the 17993
pupil or adjudicated the pupil a delinquent child requesting an 17994
order to extend the expulsion until an adjudication order or other 17995
determination regarding permanent exclusion is issued by the 17996
superintendent of public instruction pursuant to section 3301.121 17997
and division (D) of section 3313.662 of the Revised Code. Upon the 17998
filing of the motion, the court immediately shall schedule a 17999
hearing and give written notice of the time, date, and location of 18000
the hearing to the superintendent of the school district, the 18001
pupil, and the pupil's parent, guardian, or custodian. At the 18002
hearing, the court shall determine whether there is reasonable 18003
cause to believe the pupil's continued attendance in the public 18004
school system may endanger the health and safety of other pupils 18005
or school employees and, upon making that determination, shall 18006
grant the requested extension. 18007

(G) The failure of the superintendent or the board of 18008
education to provide the information regarding the possibility of 18009
permanent exclusion in the notice required by divisions (A), (B), 18010
and (D) of this section is not jurisdictional, and the failure 18011
shall not affect the validity of any suspension or expulsion 18012
procedure that is conducted in accordance with this section or the 18013

validity of a permanent exclusion procedure that is conducted in 18014
accordance with sections 3301.121 and 3313.662 of the Revised 18015
Code. 18016

(H) With regard to suspensions and expulsions pursuant to 18017
divisions (A) and (B) of this section by the board of education of 18018
any city, exempted village, or local school district, this section 18019
shall apply to any student, whether or not the student is enrolled 18020
in the district, attending or otherwise participating in any 18021
curricular program provided in a school operated by the board or 18022
provided on any other property owned or controlled by the board. 18023

(I) Whenever a student is expelled under this section, the 18024
expulsion shall result in removal of the student from the 18025
student's regular school setting. However, during the period of 18026
the expulsion, the board of education of the school district that 18027
expelled the student or any board of education admitting the 18028
student during that expulsion period may provide educational 18029
services to the student in an alternative setting. 18030

(J)(1) Notwithstanding sections 3109.51 to 3109.80, 3313.64, 18031
and 3313.65 of the Revised Code, any school district, after 18032
offering an opportunity for a hearing, may temporarily deny 18033
admittance to any pupil if one of the following applies: 18034

(a) The pupil has been suspended from the schools of another 18035
district under division (A) of this section and the period of 18036
suspension, as established under that division, has not expired; 18037

(b) The pupil has been expelled from the schools of another 18038
district under division (B) of this section and the period of the 18039
expulsion, as established under that division or as extended under 18040
division (F) of this section, has not expired. 18041

If a pupil is temporarily denied admission under this 18042
division, the pupil shall be admitted to school in accordance with 18043
sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised 18044

Code no later than upon expiration of the suspension or expulsion 18045
period, as applicable. 18046

(2) Notwithstanding sections 3109.51 to 3109.80, 3313.64, and 18047
3313.65 of the Revised Code, any school district, after offering 18048
an opportunity for a hearing, may temporarily deny admittance to 18049
any pupil if the pupil has been expelled or otherwise removed for 18050
disciplinary purposes from a public school in another state and 18051
the period of expulsion or removal has not expired. If a pupil is 18052
temporarily denied admission under this division, the pupil shall 18053
be admitted to school in accordance with sections 3109.51 to 18054
3109.80, 3313.64, or 3313.65 of the Revised Code no later than the 18055
earlier of the following: 18056

(a) Upon expiration of the expulsion or removal period 18057
imposed by the out-of-state school; 18058

(b) Upon expiration of a period established by the district, 18059
beginning with the date of expulsion or removal from the 18060
out-of-state school, that is no greater than the period of 18061
expulsion that the pupil would have received under the policy 18062
adopted by the district under section 3313.661 of the Revised Code 18063
had the offense that gave rise to the expulsion or removal by the 18064
out-of-state school been committed while the pupil was enrolled in 18065
the district. 18066

(K) As used in this section: 18067

(1) "Permanently exclude" and "permanent exclusion" have the 18068
same meanings as in section 3313.662 of the Revised Code. 18069

(2) "In-school suspension" means the pupil will serve all of 18070
the suspension in a school setting. 18071

Sec. 3313.661. (A) The board of education of each city, 18072
exempted village, and local school district shall adopt a policy 18073
regarding suspension, expulsion, removal, and permanent exclusion 18074

that specifies the types of misconduct for which a pupil may be 18075
suspended, expelled, or removed. The types of misconduct may 18076
include misconduct by a pupil that occurs off of property owned or 18077
controlled by the district but that is connected to activities or 18078
incidents that have occurred on property owned or controlled by 18079
that district and misconduct by a pupil that, regardless of where 18080
it occurs, is directed at a district official or employee, or the 18081
property of such official or employee. The policy shall specify 18082
the reasons for which the superintendent of the district may 18083
reduce the expulsion requirement in division (B)(2) of section 18084
3313.66 of the Revised Code. If a board of education adopts a 18085
resolution pursuant to division (B)(3) of section 3313.66 of the 18086
Revised Code, the policy shall define the term "knife" or 18087
"firearm," as applicable, for purposes of expulsion under that 18088
resolution and shall specify any reasons for which the 18089
superintendent of the district may reduce any required expulsion 18090
period on a case-by-case basis. If a board of education adopts a 18091
resolution pursuant to division (B)(4) or (5) of section 3313.66 18092
of the Revised Code, the policy shall specify any reasons for 18093
which the superintendent of the district may reduce any required 18094
expulsion period on a case-by-case basis. The policy also shall 18095
set forth the acts listed in section 3313.662 of the Revised Code 18096
for which a pupil may be permanently excluded. 18097

The policy adopted under this division shall specify the date 18098
and manner by which a pupil or a pupil's parent, guardian, or 18099
custodian may notify the board of the pupil's, parent's, 18100
guardian's, or custodian's intent to appeal an expulsion or 18101
suspension to the board or its designee pursuant to division (E) 18102
of section 3313.66 of the Revised Code. In the case of any 18103
expulsion, the policy shall not specify a date that is less than 18104
fourteen days after the date of the notice provided to the pupil 18105
or the pupil's parent, guardian, or custodian under division (D) 18106
of that section. 18107

A copy of the policy shall be posted in a central location in 18108
the school and made available to pupils upon request. No pupil 18109
shall be suspended, expelled, or removed except in accordance with 18110
the policy adopted by the board of education of the school 18111
district in which the pupil attends school, and no pupil shall be 18112
permanently excluded except in accordance with sections 3301.121 18113
and 3313.662 of the Revised Code. 18114

(B) A board of education may establish a program and adopt 18115
guidelines under which a superintendent may require a pupil to 18116
perform community service in conjunction with a suspension or 18117
expulsion imposed under section 3313.66 of the Revised Code or in 18118
place of a suspension or expulsion imposed under section 3313.66 18119
of the Revised Code except for an expulsion imposed pursuant to 18120
division (B)(2) of that section. If a board adopts guidelines 18121
under this division, they shall permit, except with regard to an 18122
expulsion pursuant to division (B)(2) of section 3313.66 of the 18123
Revised Code, a superintendent to impose a community service 18124
requirement beyond the end of the school year in lieu of applying 18125
the suspension or expulsion into the following school year. Any 18126
guidelines adopted shall be included in the policy adopted under 18127
this section. 18128

(C) The written policy of each board of education that is 18129
adopted pursuant to section 3313.20 of the Revised Code shall be 18130
posted in a central location in each school that is subject to the 18131
policy and shall be made available to pupils upon request. 18132

(D) Any policy, program, or guideline adopted by a board of 18133
education under this section with regard to suspensions or 18134
expulsions pursuant to division (A) or (B) of section 3313.66 of 18135
the Revised Code shall apply to any student, whether or not the 18136
student is enrolled in the district, attending or otherwise 18137
participating in any curricular program provided in a school 18138
operated by the board or provided on any other property owned or 18139

controlled by the board. 18140

(E) As used in this section, "permanently exclude" and 18141
"permanent exclusion" have the same meanings as in section 18142
3313.662 of the Revised Code. 18143

Sec. 3313.82. (A)(1) The boards of education of two or more 18144
city, local, or exempted village school districts each having a 18145
majority of its territory in a county with a population greater 18146
than one million two hundred thousand, by adopting identical 18147
resolutions, may enter into an agreement providing for the 18148
creation of a student special services district for the purpose of 18149
funding the following for students enrolled in those school 18150
districts, including students diagnosed as autistic and students 18151
with special needs, and their immediate family members: 18152

(a) Special education services; 18153

(b) Behavioral health services for persons with special 18154
needs. 18155

If more than eight boards of education adopt resolutions to 18156
form a student special services district, the boards may meet at 18157
facilities of the educational service center of the county to 18158
discuss membership in the district. 18159

(2) The territory of a student special services district at 18160
any time shall be composed of the combined territories of the 18161
school districts that are parties to the agreement at that time. 18162
Services funded by a student special services district shall be 18163
available to all individuals enrolled in a school district that is 18164
a part of the student special services district and members of 18165
their immediate family. 18166

(3) The agreement may be amended pursuant to terms and 18167
procedures mutually agreed to by the boards of education that are 18168
parties to the agreement. 18169

(B) Each student special services district shall be governed 18170
by a board of directors. The superintendent of each board of 18171
education that is a party to the agreement shall serve on the 18172
board of directors. The agreement shall provide for the terms of 18173
office of directors. Directors shall receive no compensation, but 18174
shall be reimbursed, from the special fund of the student special 18175
services district, for the reasonable and necessary expenses they 18176
incur in the performance of their duties for the district. The 18177
agreement shall provide for the conduct of the board's initial 18178
organizational meeting and for the frequency of subsequent 18179
meetings and quorum requirements. At its first meeting, the board 18180
shall designate from among its members a president and secretary 18181
in the manner provided in the agreement. 18182

The board of directors of a student special services district 18183
is a body corporate and politic, is capable of suing and being 18184
sued, is capable of contracting within the limits of this section 18185
and the agreement governing the district, and is capable of 18186
accepting gifts, donations, bequests, or other grants of money for 18187
use in paying its expenses. The district is a public office and 18188
its directors are public officials within the meaning of section 18189
117.01 of the Revised Code, the board of directors is a public 18190
body within the meaning of section 121.22 of the Revised Code, and 18191
records of the board and of the district are public records within 18192
the meaning of section 149.43 of the Revised Code. 18193

The agreement shall require the board to designate a 18194
permanent location for its offices and meeting place, and may 18195
provide for the use of such facilities and property for the 18196
provision of services by the agencies with which the board 18197
contracts under division (C) of this section. 18198

(C)(1) To provide the services identified in division (A)(1) 18199

processing applications for such approval, for oversight of 18532
sponsors, for revocation of the approval of sponsors, and for 18533
entering into written agreements with sponsors. The rules shall 18534
require an entity to submit evidence of the entity's ability and 18535

entity sponsored that were open for operation as of May 1, 2005. 18558

(c) Until June 30, 2006, an entity that sponsored more than 18559
seventy-five schools that were open for operation as of May 1, 18560
2005, may sponsor not more than the number of schools the entity 18561
sponsored that were open for operation as of May 1, 2005. After 18562
June 30, 2006, such an entity may sponsor not more than 18563
seventy-five schools. 18564

Upon approval of an entity to be a sponsor under this 18565
division, the department shall notify the entity of the number of 18566
schools the entity may sponsor. 18567

The limit imposed on an entity to which division (B)(1) of 18568
this section applies shall be decreased by one for each school 18569
sponsored by the entity that permanently closes. 18570

If at any time an entity exceeds the number of schools it may 18571
sponsor under this division, the department shall assist the 18572
schools in excess of the entity's limit in securing new sponsors. 18573

(2) The department of education shall determine, pursuant to 18580
criteria adopted by rule of the department, whether the mission 18581
proposed to be specified in the contract of a community school to 18582
be sponsored by a state university board of trustees or the 18583
board's designee under division (C)(1)(e) of section 3314.02 of 18584
the Revised Code complies with the requirements of that division. 18585
Such determination of the department is final. 18586

(3) The department of education shall determine, pursuant to 18587
criteria adopted by rule of the department, if any tax-exempt 18588
entity under section 501(c)(3) of the Internal Revenue Code that 18589
is proposed to be a sponsor of a community school is an 18590
education-oriented entity for purpose of satisfying the condition 18591
prescribed in division (C)(1)(f)(iii) of section 3314.02 of the 18592
Revised Code. Such determination of the department is final. 18593

(C) If at any time the state board of education finds that a 18594
sponsor is not in compliance or is no longer willing to comply 18595
with its contract with any community school or with the 18596
department's rules for sponsorship, the state board or designee 18597
shall conduct a hearing in accordance with Chapter 119. of the 18598
Revised Code on that matter. If after the hearing, the state board 18599
or designee has confirmed the original finding, the department of 18600
education may revoke the sponsor's approval to sponsor community 18601
schools and may assume the sponsorship of any schools with which 18602
the sponsor has contracted until the earlier of the expiration of 18603
two school years or until a new sponsor as described in division 18604

sponsorship under this division as necessary to accommodate the 18608
term of the department's authorization to sponsor the school 18609
specified in this division. 18610

(D) The decision of the department to disapprove an entity 18611
for sponsorship of a community school or to revoke approval for 18612
such sponsorship, as provided in division (C) of this section, may 18613
be appealed by the entity in accordance with section 119.12 of the 18614
Revised Code. 18615

(E) The department shall adopt procedures for use by a 18616
community school governing authority and sponsor when the school 18617
permanently closes and ceases operation, which shall include at 18618
least procedures for data reporting to the department, handling of 18619
student records, distribution of assets in accordance with section 18620

within ninety days of the end of the community school's fiscal 19432
year, unless extended for a period not to exceed thirty additional 19433
days for one of the following reasons: 19434

(a) The department and the community school mutually agree to 19435
the extension. 19436

(b) Delays in data submission caused by either a community 19437
school or its sponsor. 19438

(2) If the review results in a finding that additional 19439
funding is owed to the school, such payment shall be made within 19440
thirty days of the written notice. If the review results in a 19441
finding that the community school owes moneys to the state, the 19442

following procedure shall apply: 19443

(a) Within ten business days of the receipt of the notice of 19444
findings, the community school may appeal the department's 19445
determination to the state board of education or its designee. 19446

(b) The board or its designee shall conduct an informal 19447
hearing on the matter within thirty days of receipt of such an 19448
appeal and shall issue a decision within fifteen days of the 19449
conclusion of the hearing. 19450

(c) If the board has enlisted a designee to conduct the 19451
hearing, the designee shall certify its decision to the board. The 19452
board may accept the decision of the designee or may reject the 19453
decision of the designee and issue its own decision on the matter. 19454

(d) Any decision made by the board under this division is 19455
final. 19456

(3) If it is decided that the community school owes moneys to 19457
the state, the department shall deduct such amount from the 19458
school's future payments in accordance with guidelines issued by 19459
the superintendent of public instruction. 19460

(P) The department shall not subtract from a school 19461
district's state aid account under division (C) of this section 19462
and shall not pay to a community school under division (D) of this 19463
section any amount for any of the following: 19464

(1) Any student who has graduated from the twelfth grade of a 19465
public or nonpublic high school; 19466

(2) Any student who is not a resident of the state; 19467

(3) Any student who was enrolled in the community school 19468
during the previous school year when tests were administered under 19469
section 3301.0711 of the Revised Code but did not take one or more 19470
of the tests required by that section and was not excused pursuant 19471
to division (C)(1) or (3) of that section, unless the 19472

superintendent of public instruction grants the student a waiver 19473
from the requirement to take the test and a parent is not paying 19474
tuition for the student pursuant to section 3314.26 of the Revised 19475
Code. The superintendent may grant a waiver only for good cause in 19476
accordance with rules adopted by the state board of education. 19477

(4) Any student who has attained the age of twenty-two years, 19478
except for veterans of the armed services whose attendance was 19479
interrupted before completing the recognized twelve-year course of 19480
the public schools by reason of induction or enlistment in the 19481
armed forces and who apply for enrollment in a community school 19482
not later than four years after termination of war or their 19483
honorable discharge. If, however, any such veteran elects to 19484
enroll in special courses organized for veterans for whom tuition 19485
is paid under federal law, or otherwise, the department shall not 19486
subtract from a school district's state aid account under division 19487
(C) of this section and shall not pay to a community school under 19488
division (D) of this section any amount for that veteran. 19489

Sec. 3314.086. If the department of education is required to 19490
pay an amount under section 3353.25 of the Revised Code to a 19491
school district delivering a course included in the clearinghouse 19492
established under section 3353.21 of the Revised Code for a 19493
student enrolled in a community school established under this 19494
chapter, the department shall deduct the amount of that payment 19495
from the amount calculated for payment to the community school 19496
under section 3314.08 of the Revised Code. 19497

Sec. 3314.087. (A) As used in this section: 19498

(1) "Career-technical program" means vocational programs or 19499
classes described in division (A) or (B) of section 3317.014 of 19500
the Revised Code in which a student is enrolled. 19501

(2) "Formula ADM," "category one or two vocational education 19502

ADM," and "FTE basis" have the same meanings as in section 3317.02 19503
of the Revised Code. 19504

(3) "Resident school district" means the city, exempted 19505
village, or local school district in which a student is entitled 19506
to attend school under section 3313.64 or 3313.65 of the Revised 19507
Code. 19508

(B) Notwithstanding anything to the contrary in this chapter 19509
or Chapter 3317. of the Revised Code, a student enrolled in a 19510
community school may simultaneously enroll in the career-technical 19511
program operated by the student's resident school district. On an 19512
FTE basis, the student's resident school district shall count the 19513
student in the category one or two vocational education ADM for 19514
the proportion of the time the student is enrolled in the 19515
district's career-technical program and, accordingly, the 19516
department of education shall calculate funds under Chapter 3317. 19517
for the district attributable to the student for the proportion of 19518
time the student attends the career-technical program. The 19519
community school shall count the student in its enrollment report 19520
under section 3314.08 of the Revised Code and shall report to the 19521
department the proportion of time that the student attends classes 19522
at the community school. The department shall pay the community 19523
school and deduct from the student's resident school district the 19524
amount computed for the student under section 3314.08 of the 19525
Revised Code in proportion to the fraction of the time on an FTE 19526
basis that the student attends classes at the community school. 19527
"Full-time equivalency" for a community school student, as defined 19528
in division (L) of section 3314.08 of the Revised Code, does not 19529
apply to the student. 19530

Sec. 3314.088. This section applies to any student who, in 19531
accordance with division (A)(6)(b) of section 3314.03 of the 19532
Revised Code, is withdrawn from a community school managed by an 19533

operator for failure to participate in one hundred five 19534
consecutive hours of the learning opportunities offered to the 19535
student without a legitimate excuse. 19536

If a student to whom this section applies enrolls in the same 19537
community school or a different community school managed by the 19538
same operator in the same school year after becoming subject to 19539
this section and that community school subsequently withdraws the 19540
student in accordance with division (A)(6)(b) of section 3314.03 19541
of the Revised Code prior to the end of the same school year, the 19542
department of education shall not pay any state funds under this 19543
chapter for the student to that community school, and shall not 19544
deduct any funds under this chapter for the student from the state 19545
aid account of the school district in which the student is 19546
entitled to attend school, for the period of one hundred five 19547
consecutive hours of learning opportunities in which the student 19548
failed to participate without a legitimate excuse. 19549

Sec. 3314.19. The sponsor of each community school annually 19550

department of education not later than ten business days prior to 19552
the opening of the school: 19553

This chapter shall be administered by the state board of education. The superintendent of public instruction shall calculate the amounts payable to each school district and shall certify the amounts payable to each eligible district to the treasurer of the district as provided by this chapter. As soon as	19619 19620 19621 19622 19623

possible after such amounts are calculated, the superintendent 19624
shall certify to the treasurer of each school district the 19625
district's adjusted charge-off increase, as defined in section 19626
5705.211 of the Revised Code. No moneys shall be distributed 19627
pursuant to this chapter without the approval of the controlling 19628
board. 19629

The state board of education shall, in accordance with 19630
appropriations made by the general assembly, meet the financial 19631
obligations of this chapter. 19632

Annually, the department of education shall calculate and 19633
report to each school district the district's total state and 19634
local funds for providing an adequate basic education to the 19635
district's nonhandicapped students, utilizing the determination in 19636
section 3317.012 of the Revised Code. In addition, the department 19637
shall calculate and report separately for each school district the 19638
district's total state and local funds for providing an adequate 19639
education for its handicapped students, utilizing the 19640
determinations in both sections 3317.012 and 3317.013 of the 19641
Revised Code. 19642

Not later than the thirty-first day of August of each fiscal 19643
year, the department of education shall provide to each school 19644
district and county MR/DD board a preliminary estimate of the 19645
amount of funding that the department calculates the district will 19646
receive under each of divisions (C)(1) and (4) of section 3317.022 19647
of the Revised Code. No later than the first day of December of 19648
each fiscal year, the department shall update that preliminary 19649
estimate. 19650

Moneys distributed pursuant to this chapter shall be 19651
calculated and paid on a fiscal year basis, beginning with the 19652
first day of July and extending through the thirtieth day of June. 19653
The moneys appropriated for each fiscal year shall be distributed 19654
at least monthly to each school district unless otherwise provided 19655

for. The state board shall submit a yearly distribution plan to 19656
the controlling board at its first meeting in July. The state 19657
board shall submit any proposed midyear revision of the plan to 19658
the controlling board in January. Any year-end revision of the 19659
plan shall be submitted to the controlling board in June. If 19660
moneys appropriated for each fiscal year are distributed other 19661
than monthly, such distribution shall be on the same basis for 19662
each school district. 19663

The total amounts paid each month shall constitute, as nearly 19664
as possible, one-twelfth of the total amount payable for the 19665
entire year. 19666

~~Until fiscal year 2007, payments~~ Payments made during the 19667
first six months of the fiscal year may be based on an estimate of 19668
the amounts payable for the entire year. Payments made in the last 19669
six months shall be based on the final calculation of the amounts 19670
payable to each school district for that fiscal year. Payments 19671
made in the last six months may be adjusted, if necessary, to 19672
correct the amounts distributed in the first six months, and to 19673
reflect enrollment increases when such are at least three per 19674
cent. 19675

~~Beginning in fiscal year 2007, payments shall be calculated~~ 19676
~~to reflect the biannual reporting of average daily membership. In~~ 19677
~~fiscal year 2007 and in each fiscal year thereafter, annualized~~ 19678
~~periodic payments for each school district shall be based on the~~ 19679
~~district's student counts certified pursuant to section 3317.03 of~~ 19680
~~the Revised Code as follows:~~ 19681

~~the sum of one half of the number of students reported~~ 19682
~~for the first full week in October plus one half of the~~ 19683
~~average of the numbers reported for the first full week~~ 19684
~~in October and for the first full week in February~~ 19685

Except as otherwise provided, payments under this chapter 19686
shall be made only to those school districts in which: 19687

(A) The school district, except for any educational service center and any joint vocational or cooperative education school district, levies for current operating expenses at least twenty mills. Levies for joint vocational or cooperative education school districts or county school financing districts, limited to or to the extent apportioned to current expenses, shall be included in this qualification requirement. School district income tax levies under Chapter 5748. of the Revised Code, limited to or to the extent apportioned to current operating expenses, shall be included in this qualification requirement to the extent determined by the tax commissioner under division (D) of section 3317.021 of the Revised Code.

(B) The school year next preceding the fiscal year for which such payments are authorized meets the requirement of section 3313.48 or 3313.481 of the Revised Code, with regard to the minimum number of days or hours school must be open for instruction with pupils in attendance, for individualized parent-teacher conference and reporting periods, and for professional meetings of teachers. This requirement shall be waived by the superintendent of public instruction if it had been necessary for a school to be closed because of disease epidemic, hazardous weather conditions, inoperability of school buses or other equipment necessary to the school's operation, damage to a school building, or other temporary circumstances due to utility failure rendering the school building unfit for school use, provided that for those school districts operating pursuant to section 3313.48 of the Revised Code the number of days the school was actually open for instruction with pupils in attendance and for individualized parent-teacher conference and reporting periods is not less than one hundred seventy-five, or for those school districts operating on a trimester plan the number of days the school was actually open for instruction with pupils in attendance not less than seventy-nine days in any trimester, for those school

districts operating on a quarterly plan the number of days the 19721
school was actually open for instruction with pupils in attendance 19722
not less than fifty-nine days in any quarter, or for those school 19723
districts operating on a pentamester plan the number of days the 19724
school was actually open for instruction with pupils in attendance 19725
not less than forty-four days in any pentamester. 19726

A school district shall not be considered to have failed to 19727
comply with this division or section 3313.481 of the Revised Code 19728
because schools were open for instruction but either twelfth grade 19729
students were excused from attendance for up to three days or only 19730
a portion of the kindergarten students were in attendance for up 19731
to three days in order to allow for the gradual orientation to 19732
school of such students. 19733

The superintendent of public instruction shall waive the 19734
requirements of this section with reference to the minimum number 19735
of days or hours school must be in session with pupils in 19736
attendance for the school year succeeding the school year in which 19737
a board of education initiates a plan of operation pursuant to 19738
section 3313.481 of the Revised Code. The minimum requirements of 19739
this section shall again be applicable to such a district 19740
beginning with the school year commencing the second July 19741
succeeding the initiation of one such plan, and for each school 19742
year thereafter. 19743

A school district shall not be considered to have failed to 19744
comply with this division or section 3313.48 or 3313.481 of the 19745
Revised Code because schools were open for instruction but the 19746
length of the regularly scheduled school day, for any number of 19747
days during the school year, was reduced by not more than two 19748
hours due to hazardous weather conditions. 19749

(C) The school district has on file, and is paying in 19750
accordance with, a teachers' salary schedule which complies with 19751
section 3317.13 of the Revised Code. 19752

A board of education or governing board of an educational service center which has not conformed with other law and the rules pursuant thereto, shall not participate in the distribution of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 3317.16, 3317.17, and 3317.19 of the Revised Code, except for good and sufficient reason established to the satisfaction of the state board of education and the state controlling board.

All funds allocated to school districts under this chapter, except those specifically allocated for other purposes, shall be used to pay current operating expenses only.

Sec. 3317.012. (A) The general assembly, having deliberated on the model with which to calculate the base cost of an adequate education per pupil, has made a policy decision to calculate that amount as consisting of the following building blocks:

(1) Base classroom teachers;

(2) Other personnel support, which includes additional teachers, such as music, arts, and physical education teachers funded by state, local, or federal funds or other funds that are above the base cost funding level, and other school personnel including administrators;

(3) Nonpersonnel support.

This model reflects policy decisions made by the general assembly concerning the cost of base classroom teachers, which decisions entail two policy variables: the number of students per base classroom teacher necessary for an adequate education and the average compensation for a base classroom teacher necessary for an adequate education. The model requires the general assembly to decide the amount of other personnel support necessary for an adequate education, ~~and increase that amount from year to year by the same percentage as it increases the average compensation for~~

~~base classroom teachers~~. The model finally requires the general 19783
assembly to decide the nonpersonnel costs necessary for an 19784
adequate education and to inflate the nonpersonnel costs from year 19785
to year using the projected inflationary measure for the gross 19786
domestic product deflator (all items) prepared by the bureau of 19787
labor statistics of the United States department of labor. 19788

(B)(1) For fiscal year ~~2006~~ 2008, the general assembly has 19789
resolved that a ratio of one base classroom teacher per twenty 19790
students is necessary for an adequate education. The general 19791
assembly has made a policy decision that the average compensation 19792
for base classroom teachers is ~~\$53,680~~ \$56,754 for fiscal year 19793
~~2006~~ 2008, which includes an amount for the value of fringe 19794
benefits. For fiscal year ~~2007~~ 2009, the general assembly has 19795
resolved that a ratio of one base classroom teacher per twenty 19796
students is necessary for an adequate education. The general 19797
assembly has made a policy decision that the average compensation 19798
for base classroom teachers is ~~\$54,941~~ \$58,621 for fiscal year 19799
2009, which includes an amount for the value of fringe benefits. 19800
Based on a ratio of twenty students per base classroom teacher, 19801
these amounts equal ~~\$2,684~~ \$2,838 per pupil in fiscal year ~~2006~~ 19802
2008 and ~~\$2,747~~ \$2,931 per pupil in fiscal year ~~2007~~ 2009. 19803

(2) The general assembly has made a policy decision that the 19804
per pupil cost of salary and benefits of other personnel support 19805
is ~~\$1,807~~ \$1,905 in fiscal year ~~2006~~ 2008. Based on the percentage 19806
increase for the ~~average compensation of base classroom teachers~~ 19807
per pupil cost of salary and benefits of other personnel support 19808
from fiscal year ~~2006~~ 2007 to fiscal year ~~2007~~ 2008, the per pupil 19809
cost of other personnel support is ~~\$1,850~~ \$1,962 in fiscal year 19810
~~2007~~ 2009. 19811

(3) The general assembly has made a policy decision that the 19812
per pupil cost of nonpersonnel support is ~~\$792~~ \$822 in fiscal year 19813
~~2006~~ 2008 and ~~\$806~~ \$839 in fiscal year ~~2007~~ 2009. The amount for 19814

fiscal year ~~2007~~ 2009 reflects the projected inflationary measure 19815
for the gross domestic product deflator (all items) of ~~1.80%~~ 19816
2.00%. 19817

(4) Based on the determinations specified in divisions (B)(1) 19818
to (3) of this section, the per-pupil base cost is ~~\$5,283~~ \$5,565 19819
in fiscal year ~~2006~~ 2008 and ~~\$5,403~~ \$5,732 in fiscal year ~~2007~~ 19820
2009. 19821

(C) In addition to the per-pupil base cost as determined 19822
under divisions (A) and (B) of this section, the general assembly 19823
determines that the following base funding supplements shall be 19824
paid to each school district: 19825

(1) Base funding for large-group academic intervention for 19826
all students, based on 25 hours per group of students per year at 19827
an hourly rate of ~~\$20.00~~ \$21.01 in fiscal year ~~2006~~ 2008 and 19828
~~\$20.40~~ \$21.64 in fiscal year ~~2007~~ 2009, as follows: 19829

large-group intervention units X 25 hours X hourly rate 19830

Where: 19831

(a) "Large-group intervention units" equals the district's 19832
formula ADM divided by 20; 19833

(b) "Hourly rate" equals ~~\$20.00~~ \$21.01 in fiscal year ~~2006~~ 19834
2008 and ~~\$20.40~~ \$21.64 in fiscal year ~~2007~~ 2009. 19835

(2) Base funding for professional development, phased in 19836
according to the following formula: 19837

district's teacher factor X 0.045 X 19838

formula amount X phase-in percentage 19839

Where: 19840

(a) For each school district, the district's "teacher factor" 19841
is the district's formula ADM divided by 17; 19842

(b) "Phase-in percentage" equals ~~0.25 in fiscal year 2006 and~~ 19843
~~0.75 in fiscal year 2007.~~ 19844

(3) Base funding for data-based decision making, calculated 19845
according to the following formula: 19846
 0.001 X formula amount X formula ADM 19847

(4) Base funding for professional development regarding 19848
data-based decision making, calculated according to the following 19849
formula: 19850
(0.20 X the district's teacher factor X 0.08 X formula amount) + 19851

building blocks methodology described in divisions (B)(1) to (3) 19861
and (C)(1) to (4) of this section according to the purposes 19862

Analysis of special education cost data has resulted in a 19868
finding that the average special education additional cost per 19869
pupil, including the costs of related services, can be expressed 19870
as a multiple of the base cost per pupil calculated under section 19871
3317.012 of the Revised Code. The multiples for the following 19872
categories of special education programs, as these programs are 19873
defined for purposes of Chapter 3323. of the Revised Code, and 19874

term is defined pursuant to Chapter 3323. of the Revised Code; 19878

(B) A multiple of 0.3691 for students identified as specific 19879
learning disabled or developmentally handicapped, as these terms 19880
are defined pursuant to Chapter 3323. of the Revised Code, or 19881
other health handicapped-minor; 19882

these terms are defined pursuant to Chapter 3323. of the Revised 19885
Code; 19886

(D) A multiple of 2.3646 for students identified as 19887
orthopedically handicapped, as this term is defined pursuant to 19888
Chapter 3323. of the Revised Code or other health handicapped - 19889
major; 19890

having traumatic brain injuries, or as both visually and hearing 19895
disabled, as these terms are defined pursuant to Chapter 3323. of 19896
the Revised Code. 19897

In fiscal ~~year 2004~~ years 2008 and 2009, the multiples 19898
specified in divisions (A) to (F) of this section ~~shall be~~ 19899
~~adjusted by multiplying them by 0.88. In fiscal years 2005, 2006,~~ 19900
~~and 2007, the multiples specified in those divisions shall be~~ 19901
adjusted by multiplying them by 0.90. 19902

Not later than the thirtieth day of ~~May~~ December in ~~2004,~~ 19903
~~2005, 2006, and 2007,~~ 2008, and 2009, the department of education 19904

shall submit to the office of budget and management a report that 19905
specifies for each city, local, exempted village, and joint 19906
vocational school district the fiscal year allocation of the state 19907
and local shares of special education and related services 19908
additional weighted funding and federal special education funds 19909
passed through to the district. 19910

Sec. 3317.014. The average vocational education additional 19911
cost per pupil can be expressed as a multiple of the base cost per 19912
pupil calculated under section 3317.012 of the Revised Code. ~~the~~ 19913
The multiples for the following categories of vocational education 19914
programs are as follows: 19915

education classes other than job-training and workforce 19921
development programs. 19922

Vocational education associated services costs can be 19923
expressed as a multiple of 0.05 of the base cost per pupil 19924
calculated under section 3317.012 of the Revised Code. 19925

~~The general assembly has adjusted the multiples specified in 19926
this section for calculating payments beginning in fiscal year 19927
2002 in recognition that its policy change regarding the 19928
application of the cost of doing business factor produces a higher 19929
base cost amount than would exist if no change were made to its 19930
application. The adjustment maintains the same weighted costs as 19931
would exist if no change were made to the application of the 19932
cost of doing business factor. 19933~~

~~The~~ By the thirtieth day of each December, the department of 19934

education shall ~~annually~~ report to the ~~governor~~ office of budget 19935

funding for vocational education and associated services that ~~is~~ 19937
was spent by each city, local, exempted village, and joint 19938
vocational school district specifically for vocational educational 19939
and associated services during the previous fiscal year. 19940

calculate each school district's recognized valuation in the 19957
following manner: 19958

increase in the carryover value from the second preceding tax year 19963
to the preceding tax year. 19964

analysis that demonstrates that all taxes generated within the 20601
incentive district accruing to the state by reason of improvements 20602
constructed within the district during its existence exceed the 20603
amount the state pays the school district under section 3317.022 20604
of the Revised Code attributable to such property exemption from 20605
the school district's recognized valuation. The analysis shall be 20606
submitted to and approved by the department of development prior 20607
to January 1, 2006, and the department shall not unreasonably 20608
withhold approval. 20609

been pledged to be used for mixed-use riverfront entertainment 20614
development in any county with a population that exceeds six 20615
hundred thousand, as shown by the most recent federal decennial 20616
census; 20617

(h) The portion of school district compensation value that 20618
was exempted from taxation for the preceding tax year under such 20619
an ordinance or resolution, if, prior to January 1, 2006, the 20620
legislative authority of a municipal corporation, board of 20621
township trustees, or board of county commissioners has pledged 20622

(i) The portion of school district compensation value that 20626
was exempted from taxation for the preceding tax year under such 20627
an ordinance or resolution if the legislative authority of a 20628
municipal corporation, board of township trustees, or board of 20629

share match requirement for such funding. 20633

same meaning as in section 5709.40 of the Revised Code. 20635

preceding tax year under section 5713.08 of the Revised Code and 20642
as if such property had been assessed for taxation that year, 20643
minus the product determined by multiplying (a) the aggregate 20644
value of the real property in the school district exempted from 20645
taxation for the preceding tax year under any of the chapters or 20646
sections specified in this division, by (b) a fraction, the 20647
numerator of which is the difference between (i) the amount of 20648
anticipated revenue such school district would have received for 20649
the preceding tax year if the real property exempted from taxation 20650
had not been exempted from taxation and (ii) the aggregate amount 20651
of payments in lieu of taxes on the exempt real property for the 20652
preceding tax year and other compensation received for the 20653
preceding tax year by the school district pursuant to any 20654

school district would have received in the preceding fiscal year 20661
if the real property exempted from taxation had not been exempted. 20662

(8) For each school district receiving payments under 20663
division (B) or (C) of section 3317.0216 of the Revised Code 20664

list of such districts sent to the tax commissioner under division 20666
(F) of that section, the following: 20667

(a) The portion of the total amount of taxes charged and 20668
payable for current expenses certified under division (A)(3)(a) of 20669
this section that is attributable to each new levy approved and 20670

value of railroads and, separately, the total taxable tangible 20683
personal property value of all public utilities for the preceding 20684
tax year, by school district and by county of location. 20685

(C) If a public utility has properly and timely filed a 20686
petition for reassessment under section 5727.47 of the Revised 20687

Code with respect to an assessment issued under section 5727.23 of 20688
the Revised Code affecting taxable property apportioned by the tax 20689

district shall include only the amount of taxable value on the 20693
basis of which the public utility paid tax for the preceding year 20694
as provided in division (B)(1) or (2) of section 5727.47 of the 20695
Revised Code. 20696

(D) If on the basis of the information certified under 20697
division (A) of this section, the department determines that any 20698
district fails in any year to meet the qualification requirement 20699
specified in division (A) of section 3317.01 of the Revised Code, 20700

receiving such a request from the department, the tax commissioner 20705
shall make the determination required by this division and report 20706
the quotient obtained under division (D)(3) of this section to the 20707
department and the office of budget and management. This quotient 20708
represents the number of mills that the department shall include 20709
in determining whether the district meets the qualification 20710
requirement of division (A) of section 3317.01 of the Revised 20711
Code. 20712

The tax commissioner shall make the determination required by 20713
this division as follows: 20714

district as determined in divisions (A)(1) and (2) of this 20716
section; 20717

(2) Estimate the total amount of tax liability for the 20718

section by the product obtained under division (D)(1) of this 20723
section. 20724

(E)(1) On or before June 1, 2006, and the first day of April 20725

the formula amount X (formula ADM + 20779
preschool scholarship ADM)] + 20780
the sum of the base funding supplements 20781
prescribed in divisions (C)(1) to (4) 20782

of section 3317.012 of the Revised Code} - 20783
[.023 x (the sum of recognized valuation 20784
and property exemption value)] ± 20785
the amounts calculated for the district under 20786
sections 3317.029 and 3317.0217 of the Revised Code 20787

(current year formula ADM + preschool scholarship ADM)} 20799
minus the amount computed for the district 20800
under current division (A)(1) of this section 20801~~

~~If one of the amounts computed under division (A)(2)(a) or 20802
(b) of this section is a positive amount, the department shall pay 20803
the district that amount in addition to the amount calculated 20804
under division (A)(1) of this section. If both amounts are 20805
positive amounts, the department shall pay the district the lesser 20806
of the two amounts in addition to the amount calculated under 20807
division (A)(1) of this section. 20808~~

~~(3)(a) For each school district for which the tax exempt 20809
value of the district equals or exceeds twenty-five per cent of 20810

shall calculate the difference between the district's tax exempt 20812
value and twenty-five per cent of the district's potential value. 20813~~

(b) For each school district to which division (A)~~(3)~~(2)(a) 20814
of this section applies, the department shall adjust the 20815
recognized valuation used in the calculation under division (A)(1) 20816
of this section by subtracting from it the amount calculated under 20817
division (A)~~(3)~~(2)(a) of this section. 20818

for a district as follows: 20841

(a) Calculate the state base cost funding amount for the 20842
district for the fiscal year under division (A) of this section. 20843

If the district would not receive any state base cost funding for 20844
that year under that division, the district's state share 20845
percentage is zero. 20846

(b) If the district would receive state base cost funding 20847
under that division, divide that amount by an amount equal to the 20848
following: 20849

~~(Cost of doing business factor X~~ 20850
the formula amount X formula ADM) + 20851

ADM and the amount calculated under division (C)(4) of this 20983
section. 20984

(D)(1) As used in this division: 20985

(a) "Daily bus miles per student" equals the number of bus 20986
miles traveled per day, divided by transportation base. 20987

(b) "Transportation base" equals total student count as 20988
defined in section 3301.011 of the Revised Code, minus the number 20989
of students enrolled in preschool handicapped units, plus the 20990
number of nonpublic school students included in transportation 20991
ADM. 20992

(c) "Transported student percentage" equals transportation 20993
ADM divided by transportation base. 20994

(d) "Transportation cost per student" equals total operating 20995
costs for board-owned or contractor-operated school buses divided 20996
by transportation base. 20997

(2) Analysis of student transportation cost data has resulted 20998
in a finding that an average efficient transportation use cost per 20999
student can be calculated by means of a regression formula that 21000
has as its two independent variables the number of daily bus miles 21001
per student and the transported student percentage. For fiscal 21002
year 1998 transportation cost data, the average efficient 21003
transportation use cost per student is expressed as follows: 21004

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + 21005 \\ (116.25573 \times \text{transported student percentage}) 21006$$

The department of education shall annually determine the 21007
average efficient transportation use cost per student in 21008
accordance with the principles stated in division (D)(2) of this 21009
section, updating the intercept and regression coefficients of the 21010
regression formula modeled in this division, based on an annual 21011
statewide analysis of each school district's daily bus miles per 21012
student, transported student percentage, and transportation cost 21013
per student data. The department shall conduct the annual update 21014
using data, including daily bus miles per student, transported 21015
student percentage, and transportation cost per student data, from 21016
the prior fiscal year. The department shall notify the office of 21017
budget and management of such update by the fifteenth day of 21018
February of each year. 21019

(3) In addition to funds paid under divisions (A), (C), and 21020
(E) of this section, each district with a transported student 21021
percentage greater than zero shall receive a payment equal to a 21022
percentage of the product of the district's transportation base 21023
from the prior fiscal year times the annually updated average 21024
efficient transportation use cost per student, times an inflation 21025
factor of two and eight tenths per cent to account for the 21026
one-year difference between the data used in updating the formula 21027
and calculating the payment and the year in which the payment is 21028
made. The percentage shall be the following percentage of that 21029

product specified for the corresponding fiscal year:		21030
FISCAL YEAR	PERCENTAGE	21031
2000	52.5%	21032
2001	55%	21033
2002	57.5%	21034
2003 and thereafter	The greater of 60% or the district's state share percentage	21035

The payments made under division (D)(3) of this section each year shall be calculated based on all of the same prior year's data used to update the formula.

(4) In addition to funds paid under divisions (D)(2) and (3) of this section, a school district shall receive a rough road subsidy if both of the following apply:

(a) Its county rough road percentage is higher than the statewide rough road percentage, as those terms are defined in division (D)(5) of this section;

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division.

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula:

$$\begin{aligned} & (\text{per rough mile subsidy} \times \text{total rough road miles}) \\ & \quad \times \text{density multiplier} \end{aligned}$$

where:

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula:

$$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$$

- (i) "Maximum rough road percentage" means the highest county rough road percentage in the state. 21058
21059
- (ii) "County rough road percentage" equals the percentage of the mileage of state, municipal, county, and township roads that is rated by the department of transportation as type A, B, C, E2, or F in the county in which the school district is located or, if the district is located in more than one county, the county to which it is assigned for purposes of determining its cost-of-doing-business factor. 21060
21061
21062
21063
21064
21065
21066
- (iii) "Statewide rough road percentage" means the percentage of the statewide total mileage of state, municipal, county, and township roads that is rated as type A, B, C, E2, or F by the department of transportation. 21067
21068
21069
21070
- (b) "Total rough road miles" means a school district's total bus miles traveled in one year times its county rough road percentage. 21071
21072
21073
- (c) "Density multiplier" means a figure calculated in accordance with the following formula: 21074
21075
- $$1 - [(\text{minimum student density} - \text{district student density}) / (\text{minimum student density} - \text{statewide student density})]$$
- 21076
21077
21078
- (i) "Minimum student density" means the lowest district student density in the state. 21079
21080
- (ii) "District student density" means a school district's transportation base divided by the number of square miles in the district. 21081
21082
21083
- (iii) "Statewide student density" means the sum of the transportation bases for all school districts divided by the sum of the square miles in all school districts. 21084
21085
21086
- (6) In addition to funds paid under divisions (D)(2) to (5) 21087

of this section, each district shall receive in accordance with 21088
rules adopted by the state board of education a payment for 21089

property, whichever is less. 21516

Upon receipt of the certification, the department shall 21517
recompute the payments required under section 3317.022 of the 21518
Revised Code in the manner the payments would have been computed 21519
if: 21520

(1) The amount certified under division (C) of this section 21521
was not subject to taxation by the district and was not included 21522
in the certification made under division (A)(1), (A)(2), or (D) of 21523

section 3317.021 of the Revised Code. 21524

(2) The amount of taxes charged and payable and unpaid and 21525
used to make the computation under division (B) of this section 21526
had not been levied and had not been used in the computation 21527
required by division (B) of section 3317.021 of the Revised Code. 21528
The department shall pay the district that amount in the ensuing 21529
fiscal year in lieu of the amounts computed under section 3317.022 21530
of the Revised Code. 21531

If a school district received a grant from the catastrophic 21532
expenditures account pursuant to division (C) of section 3316.20 21533
of the Revised Code on the basis of the same circumstances for 21534
which a recomputation is made under this section, the amount of 21535
the recomputation shall be reduced and transferred in accordance 21536
with division (C) of section 3316.20 of the Revised Code. 21537

Sec. 3317.026. (A) As used in this section, "refunded taxes" 21538
means taxes charged and payable from real and tangible personal 21539
property, including public utility property, that have been found 21540
to have been overpaid as the result of reductions in the taxable 21541
value of such property and that have been refunded, including any 21542
interest or penalty refunded with those taxes. If taxes are 21543
refunded over a period of time pursuant to division (B)(2), (3), 21544
or (4) of section 319.36 or division (C) of section 5727.471 of 21545
the Revised Code, the total amount of taxes required to be 21546
refunded, excluding any interest accruing after the day the 21547
undertaking is entered into, shall be considered to have been 21548
refunded on the day the first portion of the overpayment is paid 21549
or credited. 21550

(B) Not later than the last day of February each year, each 21551
county auditor shall certify to the tax commissioner, for each 21552
school district in the county, the amount of refunded taxes 21553
refunded in the preceding calendar year and the reductions in 21554

taxable value that resulted in those refunds, except for 21555
reductions in taxable value that previously have been reported to 21556
the tax commissioner on an abstract. If the tax commissioner 21557
determines that the amount of refunded taxes certified for a 21558
school district exceeds three per cent of the total taxes charged 21559
and payable for current expenses of the school district for the 21560
calendar year in which those taxes were refunded, the tax 21561
commissioner shall certify the reductions in taxable value that 21562
resulted in those refunds on or before the first day of June to 21563
the department of education and the office of budget and 21564
management. Upon receiving the certification by the tax 21565
commissioner, the department of education shall reduce the total 21566
taxable value of the school district, as defined in section 21567
3317.02 of the Revised Code, by the total amount of the reductions 21568
in taxable value that resulted in those refunds for the purpose of 21569
computing the ~~SF-3 payment~~ state education aid for the school 21570
district for the current fiscal year. The increase in the amount 21571
of such aid resulting from the adjustment required by this section 21572
shall be paid to the school district ~~on or before the thirty first~~ 21573
~~day of July of the following fiscal year.~~ The payment date shall 21574
be determined by the director of budget and management. The 21575
director shall select a payment date that is not earlier than the 21576
first day of June of the current fiscal year and not later than 21577
the thirty-first day of July of the following fiscal year. The 21578
department of education shall not pay the district under this 21579
section prior to approval by the director of budget and management 21580
to make that payment. 21581

If an adjustment is made under this division in the amount of 21582
state aid paid to a school district, the tax value reductions from 21583
which that adjustment results shall not be used in recomputing aid 21584
to a school district under section 3317.027 of the Revised Code. 21585

(C) If a school district received a grant from the 21586

catastrophic expenditures account pursuant to division (C) of 21587
section 3316.20 of the Revised Code on the basis of the same 21588
circumstances for which an adjustment is made under this section, 21589
the amount of the adjustment shall be reduced and transferred in 21590
accordance with division (C) of section 3316.20 of the Revised 21591
Code. 21592

(D) Not later than the first day of June each year, the tax 21593
commissioner shall certify to the department of education and the 21594
office of budget and management for each school district the total 21595
of the increases in taxable value above the amount of taxable 21596
value on which tax was paid, as provided in division (B)(1) or (2) 21597
of section 5727.47 of the Revised Code, as determined by the 21598
commissioner, and for which a notification was sent pursuant to 21599
section 5727.471 of the Revised Code, in the preceding calendar 21600
year. Upon receiving the certification, the department shall 21601
increase the total taxable value, as defined in section 3317.02 of 21602
the Revised Code, of the school district by the total amount of 21603
the increase in taxable value certified by the commissioner for 21604
the school district for the purpose of computing the school 21605
district's ~~SF-3 payment~~ state education aid for the following 21606
fiscal year. 21607

Sec. 3317.027. On or before the fifteenth day of May of each 21608
year, the tax commissioner shall certify to the department of 21609
education and the office of budget and management: 21610

(A) The amount by which applications filed under section 21611
5713.38 of the Revised Code or complaints filed under section 21612
5715.19 of the Revised Code resulted in a reduction in the second 21613
preceding year's taxable value in each school district in which 21614
such a reduction occurred, and the amount by which such reduction 21615
reduced the district's taxes charged and payable for such year; 21616
and 21617

(B) The taxes charged and payable for the second preceding 21618
tax year that were remitted under section 5713.081 of the Revised 21619
Code and the taxable value against which such taxes were imposed. 21620

Upon receipt of such certifications, the department shall 21621
recompute the district's ~~SF-3 payment~~ state education aid and 21622
determine the amount that the ~~SF-3 payment~~ state education aid 21623
would have been ~~paid~~ had the taxable value not been used in the 21624
computation made under division (A)(1) of section 3317.021 of the 21625
Revised Code and had the taxes charged and payable not been 21626
included in the certification made under division (A)(3) of such 21627
section. The department shall calculate the amount that the 21628
remainder of the fiscal year's payments should have been for the 21629
fiscal year including the amount of the ~~SF-3 payment~~ state 21630
education aid as recomputed. The increase or decrease in the 21631
amount of aid resulting from the adjustment required under this 21632
section shall be paid to the school district ~~on or before the~~ 21633
~~thirty-first day of July of the following fiscal year. The payment~~ 21634
~~date shall be determined by the director of budget and management.~~ 21635
The director shall select a payment date that is not earlier than 21636
the first day of June of the current fiscal year and not later 21637
than the thirty-first day of July of the following fiscal year. 21638
The department of education shall not pay the district under this 21639
section prior to approval by the director of budget and management 21640
to make that payment. 21641

If a school district received a grant from the catastrophic 21642
expenditures account pursuant to division (C) of section 3316.20 21643
of the Revised Code on the basis of the same circumstances for 21644
which a recomputation is made under this section, the amount of 21645
the recomputation shall be reduced and transferred in accordance 21646
with division (C) of section 3316.20 of the Revised Code. 21647

Sec. 3317.028. (A) On or before the fifteenth day of May in 21648

each calendar year prior to calendar year 2007, the tax 21649
commissioner shall determine for each school district whether the 21650
taxable value of all tangible personal property, including utility 21651
tangible personal property, subject to taxation by the district in 21652
the preceding tax year was less or greater than the taxable value 21653
of such property during the second preceding tax year. If any such 21654
decrease exceeds five per cent of the district's tangible personal 21655
property taxable value included in the total taxable value used in 21656
computing the district's ~~SF-3 payment~~ state education aid for the 21657
fiscal year that ends in the current calendar year, or if any such 21658
increase exceeds five per cent of the district's total taxable 21659
value used in computing the district's ~~SF-3 payment~~ state 21660
education aid for the fiscal year that ends in the current 21661
calendar year, the tax commissioner shall certify both of the 21662
following to the department of education and the office of budget 21663
and management: 21664

increase or decrease, including utility tangible personal property 21666
increase or decrease, which shall be considered a change in 21667
valuation; 21668

(2) The decrease or increase in taxes charged and payable on 21669
such change in taxable value calculated in the same manner as in 21670
division (A)(3) of section 3317.021 of the Revised Code. 21671

(B) On or before May 15, 2007, and the fifteenth day of May 21672
in each calendar year thereafter, the tax commissioner shall 21673
determine for each school district whether the taxable value of 21674
all utility tangible personal property subject to taxation by the 21675
district in the preceding tax year was less or greater than the 21676
taxable value of such property during the second preceding tax 21677
year. If any decrease exceeds five per cent of the district's 21678
tangible personal property taxable value included in the total 21679
taxable value used in the district's state aid computation for the 21680

fiscal year that ends in the current calendar year, or if any
increase exceeds five per cent of the district's total taxable
value used in the district's state education aid computation for
the fiscal year that ends in the current calendar year, the tax
commissioner shall certify both of the following to the department
of education and the office of budget and management:

such change in taxable value calculated in the same manner as in
division (A)(3) of section 3317.021 of the Revised Code.

(C) Upon receipt of a certification specified in this
section, the department of education shall reduce or increase by
the respective amounts certified and the taxable value and the
taxes charged and payable that were used in computing the
district's ~~SF-3 payment~~ state education aid for the fiscal year
that ends in the current calendar year and shall recompute the
~~SF-3 payment~~ state education aid for such fiscal year. The
department shall pay ~~the district a sum equal to one half of the~~
~~recomputed payments in lieu of the payments otherwise required~~
~~under that section on or before the thirty first day of July of~~
the following fiscal year to or deduct from the district an amount
equal to one-half of the difference between the district's state
education aid prior to the recomputation under this section and
the district's recomputed state education aid. The payment date
shall be determined by the director of budget and management. The
director shall select a payment date that is not earlier than the
first day of June of the current fiscal year and not later than
the thirty-first day of July of the following fiscal year. The
department of education shall not pay the district under this
section prior to approval by the director of budget and management

to make that payment. 21713

(D) If a school district received a grant from the 21714
catastrophic expenditures account pursuant to division (C) of 21715
section 3316.20 of the Revised Code on the basis of the same 21716
circumstances for which a recomputation is made under this 21717
section, the amount of the recomputation shall be reduced and 21718

(1) Determine or calculate a formula number of teachers per 21927
one thousand students based on the poverty index of the school 21928
district as follows: 21929

(a) If the poverty index of the school district is less than 21930
1.0, the formula number of teachers is 50.0, which is the number 21931
of teachers per one thousand students at a student-teacher ratio 21932
of twenty to one; 21933

(b) If the poverty index of the school district is greater 21934
than or equal to 1.0, but less than 1.5, the formula number of 21935
teachers is calculated as follows: 21936

$$50.0 + \{[(\text{poverty index} - 1.0)/0.5] \times 16.667\} \quad 21937$$

Where 50.0 is the number of teachers per one thousand 21938
students at a student-teacher ratio of twenty to one; 0.5 is the 21939
interval from a poverty index of 1.0 to a poverty index of 1.5; 21940
and 16.667 is the difference in the number of teachers per one 21941
thousand students at a student-teacher ratio of fifteen to one and 21942
the number of teachers per one thousand students at a 21943
student-teacher ratio of twenty to one. 21944

(c) If the poverty index of the school district is greater 21945
than or equal to 1.5, the formula number of teachers is 66.667, 21946
which is the number of teachers per one thousand students at a 21947
student-teacher ratio of fifteen to one. 21948

(2) Multiply the formula number of teachers determined or 21949
calculated in division (E)(1) of this section by the kindergarten 21950
through third grade ADM for the district and divide that product 21951
by one thousand; 21952

(3) Calculate the number of new teachers as follows: 21953

(a) Multiply the kindergarten through third grade ADM by 21954

50.0, which is the number of teachers per one thousand students at 21955
a student-teacher ratio of twenty to one, and divide that product 21956
by one thousand; 21957

(b) Subtract the quotient obtained in division (E)(3)(a) of 21958
this section from the product in division (E)(2) of this section. 21959

(4) Multiply the greater of the difference obtained under 21960
division (E)(3) of this section or zero by the statewide average 21961
teachers compensation. For this purpose, the "statewide average 21962
teacher compensation" is ~~\$53,680~~ \$56,754 in fiscal year ~~2006~~ 2008 21963
and ~~\$54,941~~ \$58,621 in fiscal year ~~2007~~ 2009, which includes an 21964
amount for the value of fringe benefits. 21965

(F) A payment for services to limited English proficient 21966
students, if the district's poverty index is greater than or equal 21967
to 1.0 and the proportion of its students who are limited English 21968
proficient, as reported in 2003 on its school district report 21969
issued under section 3302.03 of the Revised Code for the 2002-2003 21970
school year, is greater than or equal to 2.0%, calculated as 21971
follows: 21972

(1) If the district's poverty index is greater than or equal 21973
to 1.0, but less than 1.75, determine the amount per limited 21974
English proficient student as follows: 21975

$\{0.125 + [0.125 \times ((\text{poverty index} - 1.0)/0.75)]\}$ 21976

X formula amount 21977

(2) If the district's poverty index is greater than or equal 21978
to 1.75, the amount per limited English proficient student equals: 21979

0.25 X formula amount 21980

(3) Multiply the per student amount determined for the 21981
district under division (F)(1) or (2) of this section by the 21982
number of the district's limited English proficient students, 21983
times a phase-in percentage of ~~0.40 in fiscal year 2006~~ and 0.70 21984
in fiscal year ~~2007~~ years 2008 and 2009. For purposes of this 21985

calculation, the number of limited English proficient students for 21986
each district shall be the number determined by the department 21987
when it calculated the district's percentage of limited English 21988
proficient students for its school district report card issued in 21989
2003 for the 2002-2003 school year. 21990

~~Not later than December 31, 2006, the department of education 21991
shall recommend to the general assembly and the director of budget 21992
and management a method of identifying the number of limited 21993
English proficient students for purposes of calculating payments 21994
under this division after fiscal year 2007. 21995~~

(G) A payment for professional development of teachers, if 21996
the district's poverty index is greater than or equal to 1.0, 21997
calculated as follows: 21998

(1) If the district's poverty index is greater than or equal 21999
to 1.0, but less than 1.75, determine the amount per teacher as 22000
follows: 22001

$[(\text{poverty index} - 1.0)/0.75] \times 0.045 \times \text{formula amount}$ 22002

(2) If the district's poverty index is greater than or equal 22003
to 1.75, the amount per teacher equals: 22004

$0.045 \times \text{formula amount}$ 22005

(3) Determine the number of teachers, as follows: 22006

$(\text{formula ADM}/17)$ 22007

(4) Multiply the per teacher amount determined for the 22008
district under division (G)(1) or (2) of this section by the 22009
number of teachers determined under division (G)(3) of this 22010
section, ~~times a phase in percentage of 0.40 in fiscal year 2006 22011
and 0.70 in fiscal year 2007. 22012~~

(H) A payment for dropout prevention, if the district is a 22013
big eight school district as defined in section 3314.02 of the 22014
Revised Code, calculated as follows: 22015

0.005 X formula amount X poverty index	22016
X formula ADM X phase in percentage	22017
Where "phase in percentage" equals 0.40 in fiscal year 2006	22018

0.005 X formula amount X poverty index X	22023
formula ADM X phase in percentage	22024
Where "phase in percentage" equals 0.40 in fiscal year 2006	22025
and 0.70 in fiscal year 2007.	22026

division (B) or (C) of this section in the prior fiscal year is 22433

result of a property tax or income tax levy approved by the 22436
district's voters to take effect in tax year 2005 or thereafter. 22437
If the department determines that is the case, and calculates that 22438
the levy causing the ineligibility exceeded by at least one mill 22439

(E) A district that receives payment under division (D) of 22454
this section and subsequently qualifies for payment under division 22455
(B) or (C) of this section is ineligible for future payments under 22456
division (D) of this section. 22457

(F) To enable the department of education to make the 22458
determinations and to calculate payments under division (D) of 22459

The department of education shall annually compute ~~and pay~~ 22472
state parity aid to school districts, as follows: 22473

(A) Calculate the local wealth per pupil of each school 22474
district, which equals the following sum: 22475

(1) Two-thirds times the quotient of (a) the district's 22476
recognized valuation divided by (b) its formula ADM; plus 22477

(2) One-third times the quotient of (a) the average of the 22478
total federal adjusted gross income of the school district's 22479

residents for the three years most recently reported under section 22480
3317.021 of the Revised Code divided by (b) its formula ADM. 22481

(B) Rank all school districts in order of local wealth per 22482
pupil, from the district with the lowest local wealth per pupil to 22483
the district with the highest local wealth per pupil. 22484

(C) Compute the per pupil state parity aid funding for each 22485
eligible school district in accordance with the following formula: 22486

(threshold local wealth 22487
per pupil - the district's local 22488
wealth per pupil) X ~~0.0075~~ parity millage 22489

Where: 22490

~~(1) Seven and one half mills (0.0075) is an adjustment to the 22491
original parity aid standard of nine and one half mills, to 22492

use of the cost of doing business factor in the base cost formula 22494
In fiscal year 2008, an "eligible school district" means a school 22495
district with a local wealth per pupil less than that of the 22496
school district with the four-hundred-eleventh lowest local wealth 22497
per pupil. In fiscal year 2009, an "eligible school district" 22498
means a school district with a local wealth per pupil less than 22499
that of the school district with the three-hundred-sixty-eighth 22500
lowest local wealth per pupil. 22501~~

(2) The "threshold local wealth per pupil" is the local 22502
wealth per pupil of the school district with the 22503
four-hundred-ninetieth lowest local wealth per pupil. 22504

(3) "Parity millage," in fiscal year 2008, equals 0.0080 and, 22505
in fiscal year 2009, equals 0.0085. 22506

If the result of the calculation for a school district under 22507
division (C) of this section is less than zero, the district's per 22508
pupil parity aid shall be zero. 22509

(D) Compute the per pupil alternative parity aid for each school district that has a combination of an income factor of 1.0 or less, a poverty index of 1.0 or greater, and a fiscal year 2005 cost-of-doing-business factor of 1.0375 or greater, in accordance with the following formula:

$$\text{Payment percentage} \times \$60,000 \times (1 - \text{income factor}) \times 4/15 \times 0.023$$

Where:

(1) "Poverty index" has the same meaning as in section 3317.029 of the Revised Code.

(2) "Payment percentage," for purposes of division (D) of this section, equals 50% in fiscal year 2002 and 100% after fiscal year 2002.

(1) The product of the district's per pupil parity aid calculated under division (C) of this section times its net formula ADM;

(2) The product of its per pupil alternative parity aid calculated under division (D) of this section times its net formula ADM.

(F) Pay every other district the product of its per pupil parity aid calculated under division (C) of this section times its net formula ADM.

(G) As used in divisions (E) and (F) of this section, "net formula ADM" means formula ADM minus the number of internet- and computer-based community school students and scholarship students reported under divisions (B)(3)(e), (f), and (g) of section 3317.03 of the Revised Code.

Sec. 3317.03. Notwithstanding divisions (A)(1), (B)(1), and (C) of this section, except as provided in division (A)(2)(h) of this section, any student enrolled in kindergarten more than half time shall be reported as one-half student under this section.

the school year that the student is counted in the enrollment of 22787
the community school for purposes of section 3314.08 of the 22788
Revised Code. Notwithstanding the number of students reported 22789
pursuant to division (B)(3)(d) or (e) of this section, the 22790
department may adjust the formula ADM of a school district to 22791
account for students entitled to attend school in the district 22792
under section 3313.64 or 3313.65 of the Revised Code who are 22793
enrolled in a community school for only a portion of the school 22794
year. 22795

(3) No child shall be counted as more than a total of one 22796
child in the sum of the average daily memberships of a school 22797
district under division (A), divisions (B)(1) to (12), or division 22798
(D) of this section, except as follows: 22799

(a) A child with a handicap described in section 3317.013 of 22800
the Revised Code may be counted both in formula ADM and in 22801
category one, two, three, four, five, or six special education ADM 22802
and, if applicable, in category one or two vocational education 22803
ADM. As provided in division (C) of section 3317.02 of the Revised 22804
Code, such a child shall be counted in category one, two, three, 22805
four, five, or six special education ADM in the same proportion 22806
that the child is counted in formula ADM. 22807

(b) A child enrolled in vocational education programs or 22808

four, five, or six special education ADM. Such a child shall be 22812
counted in category one or two vocational education ADM in the 22813
same proportion as the percentage of time that the child spends in 22814
the vocational education programs or classes. 22815

(4) Based on the information reported under this section, the 22816

department of education shall determine the total student count, 22817
as defined in section 3301.011 of the Revised Code, for each 22818
school district. 22819

(D)(1) The superintendent of each joint vocational school 22820

the first paragraph of division (B) of section 3317.01 of the 22829
Revised Code, the superintendent may apply to the superintendent 22830
of public instruction for a waiver, under which the superintendent 22831
of public instruction may exempt the district superintendent from 22832
certifying the formula ADM for that school for that week and 22833
specify an alternate week for certifying the formula ADM of that 22834
school. 22835

The formula ADM, except as otherwise provided in this 22836
division, shall consist of the average daily membership during 22837
such week, on an FTE basis, of the number of students receiving 22838
any educational services from the district, including students 22839
enrolled in a community school established under Chapter 3314. of 22840
the Revised Code who are attending the joint vocational district 22841
under an agreement between the district board of education and the 22842
governing authority of the community school and are entitled to 22843
attend school in a city, local, or exempted village school 22844
district whose territory is part of the territory of the joint 22845
vocational district. ~~Beginning in fiscal year 2007, in the case of~~ 22846

~~alternative week if specified by the superintendent of public~~ 22848

~~instruction, the superintendent of the joint vocational school 22849
district may include the number of students reported under 22850
division (D)(1) of this section for the first full week of the 22851
preceding October but who since that week have received high 22852
school diplomas. 22853~~

The following categories of students shall not be included in 22854
the determination made under division (D)(1) of this section: 22855

(a) Students enrolled in adult education classes; 22856

to section 3313.98 of the Revised Code; 22859

needed to complete the calculation of payments pursuant to this 22868
chapter, in addition to the formula ADM, each superintendent shall 22869
report separately the average daily membership included in the 22870

Revised Code;	22896
(i) Students receiving category two vocational education	22897
services, described in division (B) of section 3317.014 of the	22898
Revised Code.	22899
The superintendent of each joint vocational school district	22900
shall also indicate the city, local, or exempted village school	22901
district in which each joint vocational district pupil is entitled	22902
to attend school pursuant to section 3313.64 or 3313.65 of the	22903
Revised Code.	22904
(E) In each school of each city, local, exempted village,	22905
joint vocational, and cooperative education school district there	22906
shall be maintained a record of school membership, which record	22907
shall accurately show, for each day the school is in session, the	22908

actual membership enrolled in regular day classes. For the purpose 22909
of determining average daily membership, the membership figure of 22910
any school shall not include any pupils except those pupils 22911
described by division (A) of this section. The record of 22912
membership for each school shall be maintained in such manner that 22913
no pupil shall be counted as in membership prior to the actual 22914
date of entry in the school and also in such manner that where for 22915
any cause a pupil permanently withdraws from the school that pupil 22916
shall not be counted as in membership from and after the date of 22917
such withdrawal. There shall not be included in the membership of 22918
any school any of the following: 22919

(1) Any pupil who has graduated from the twelfth grade of a 22920
public or nonpublic high school; 22921

(2) Any pupil who is not a resident of the state; 22922

(3) Any pupil who was enrolled in the schools of the district 22923
during the previous school year when tests were administered under 22924
section 3301.0711 of the Revised Code but did not take one or more 22925
of the tests required by that section and was not excused pursuant 22926
to division (C)(1) or (3) of that section; 22927

(4) Any pupil who has attained the age of twenty-two years, 22928
except for veterans of the armed services whose attendance was 22929
interrupted before completing the recognized twelve-year course of 22930
the public schools by reason of induction or enlistment in the 22931
armed forces and who apply for reenrollment in the public school 22932
system of their residence not later than four years after 22933
termination of war or their honorable discharge. 22934

If, however, any veteran described by division (E)(4) of this 22935
section elects to enroll in special courses organized for veterans 22936
for whom tuition is paid under the provisions of federal laws, or 22937
otherwise, that veteran shall not be included in average daily 22938
membership. 22939

Notwithstanding division (E)(3) of this section, the membership of any school may include a pupil who did not take a test required by section 3301.0711 of the Revised Code if the superintendent of public instruction grants a waiver from the requirement to take the test to the specific pupil and a parent is not paying tuition for the pupil pursuant to section 3313.6410 of the Revised Code. The superintendent may grant such a waiver only for good cause in accordance with rules adopted by the state board of education.

Except as provided in divisions (B)(2) and (F) of this section, the average daily membership figure of any local, city, exempted village, or joint vocational school district shall be determined by dividing the figure representing the sum of the number of pupils enrolled during each day the school of attendance is actually open for instruction during the week for which the formula ADM is being certified by the total number of days the school was actually open for instruction during that week. For purposes of state funding, "enrolled" persons are only those pupils who are attending school, those who have attended school during the current school year and are absent for authorized reasons, and those handicapped children currently receiving home instruction.

The average daily membership figure of any cooperative education school district shall be determined in accordance with rules adopted by the state board of education.

(F)(1) If the formula ADM for the first full school week in February is at least three per cent greater than that certified for the first full school week in the preceding October, the superintendent of schools of any city, exempted village, or joint vocational school district or educational service center shall certify such increase to the superintendent of public instruction. Such certification shall be submitted no later than the fifteenth

day of February. For the balance of the fiscal year, beginning 22972
with the February payments, the superintendent of public 22973
instruction shall use the increased formula ADM in calculating or 22974
recalculating the amounts to be allocated in accordance with 22975
section 3317.022 or 3317.16 of the Revised Code. In no event shall 22976
the superintendent use an increased membership certified to the 22977
superintendent after the fifteenth day of February. ~~Division~~ 22978
~~(F)(1) of this section does not apply after fiscal year 2006.~~ 22979

(2) If on the first school day of April the total number of 22980
classes or units for handicapped preschool children that are 22981
eligible for approval under division (B) of section 3317.05 of the 22982
Revised Code exceeds the number of units that have been approved 22983
for the year under that division, the superintendent of schools of 22984
any city, exempted village, or cooperative education school 22985
district or educational service center shall make the 22986
certifications required by this section for that day. If the 22987
department determines additional units can be approved for the 22988
fiscal year within any limitations set forth in the acts 22989
appropriating moneys for the funding of such units, the department 22990
shall approve additional units for the fiscal year on the basis of 22991
such average daily membership. For each unit so approved, the 22992
department shall pay an amount computed in the manner prescribed 22993
in section 3317.052 or 3317.19 and section 3317.053 of the Revised 22994
Code. 22995

(3) If a student attending a community school under Chapter 22996
3314. of the Revised Code is not included in the formula ADM 22997
certified for the school district in which the student is entitled 22998
to attend school under section 3313.64 or 3313.65 of the Revised 22999
Code, the department of education shall adjust the formula ADM of 23000
that school district to include the community school student in 23001
accordance with division (C)(2) of this section, and shall 23002
recalculate the school district's payments under this chapter for 23003

the entire fiscal year on the basis of that adjusted formula ADM. 23004
This requirement applies regardless of whether the student was 23005
enrolled, as defined in division (E) of this section, in the 23006
community school during the week for which the formula ADM is 23007
being certified. 23008

(4) If a student awarded an educational choice scholarship is 23009
not included in the formula ADM of the school district from which 23010
the department deducts funds for the scholarship under section 23011
3310.08 of the Revised Code, the department shall adjust the 23012
formula ADM of that school district to include the student to the 23013
extent necessary to account for the deduction, and shall 23014
recalculate the school district's payments under this chapter for 23015
the entire fiscal year on the basis of that adjusted formula ADM. 23016
This requirement applies regardless of whether the student was 23017
enrolled, as defined in division (E) of this section, in the 23018
chartered nonpublic school, the school district, or a community 23019
school during the week for which the formula ADM is being 23020
certified. 23021

(G)(1)~~(a)~~ The superintendent of an institution operating a 23022
special education program pursuant to section 3323.091 of the 23023
Revised Code shall, for the programs under such superintendent's 23024
supervision, certify to the state board of education, in the 23025
manner prescribed by the superintendent of public instruction, 23026
both of the following: 23027

~~(i)~~(a) The average daily membership of all handicapped 23028
children other than handicapped preschool children receiving 23029
services at the institution for each category of handicap 23030
described in divisions (A) to (F) of section 3317.013 of the 23031
Revised Code; 23032

~~(ii)~~(b) The average daily membership of all handicapped 23033
preschool children in classes or programs approved annually by the 23034
department of education for unit funding under section 3317.05 of 23035

the Revised Code. 23036

~~(b) The superintendent of an institution with vocational education units approved under division (A) of section 3317.05 of the Revised Code shall, for the units under the superintendent's supervision, certify to the state board of education the average daily membership in those units, in the manner prescribed by the superintendent of public instruction.~~ 23037

(2) The superintendent of each county MR/DD board that maintains special education classes under section 3317.20 of the Revised Code or units approved pursuant to section 3317.05 of the Revised Code shall do both of the following: 23043
23044

23048
23049
23050

(b) Certify to the state board, in the manner prescribed by the board, the number of all handicapped preschool children enrolled as of the first day of December in classes eligible for approval under division (B) of section 3317.05 of the Revised Code, and the number of those classes. 23051
23052
23053
23054
23055

(3)(a) If on the first school day of April the number of classes or units maintained for handicapped preschool children by the county MR/DD board that are eligible for approval under division (B) of section 3317.05 of the Revised Code is greater than the number of units approved for the year under that division, the superintendent shall make the certification required by this section for that day. 23056
23057
23058
23059
23060
23061
23062

(b) If the department determines that additional classes or units can be approved for the fiscal year within any limitations set forth in the acts appropriating moneys for the funding of the classes and units described in division (G)(3)(a) of this section, 23063
23064
23065
23066

the department shall approve and fund additional units for the 23067
fiscal year on the basis of such average daily membership. For 23068
each unit so approved, the department shall pay an amount computed 23069
in the manner prescribed in sections 3317.052 and 3317.053 of the 23070
Revised Code. 23071

(H) Except as provided in division (I) of this section, when 23072

instruction for a nonresident pupil whose attendance is 23074
unauthorized attendance as defined in section 3327.06 of the 23075
Revised Code, that pupil's membership shall not be included in 23076
that district's membership figure used in the calculation of that 23077
district's formula ADM or included in the determination of any 23078
unit approved for the district under section 3317.05 of the 23079
Revised Code. The reporting official shall report separately the 23080
average daily membership of all pupils whose attendance in the 23081
district is unauthorized attendance, and the membership of each 23082
such pupil shall be credited to the school district in which the 23083
pupil is entitled to attend school under division (B) of section 23084
3313.64 or section 3313.65 of the Revised Code as determined by 23085
the department of education. 23086

education, the applicable average daily memberships for all 23106
students in the cooperative education district, also indicating 23107
the city, local, or exempted village district where each pupil is 23108
entitled to attend school under section 3313.64 or 3313.65 of the 23109

(K) If the superintendent of public instruction determines 23111
that a component of the formula ADM certified or reported by a 23112
district superintendent, or other reporting entity, is not 23113
correct, the superintendent of public instruction may order that 23114
the formula ADM used for the purposes of payments under any 23115

and documents as the department of education may require. Such 23538
application, reports, and documents shall contain such information 23539

as the department of education may prescribe in order to carry out 23540
the purposes of this section. No payment shall be made until the 23541
superintendent of public instruction has approved such 23542
application. 23543

Each nonpublic school which applies for reimbursement 23544
pursuant to this section shall maintain a separate account or 23545
system of accounts for the expenses incurred in rendering the 23546
required services for which reimbursement is sought. Such accounts 23547

education and shall be maintained in accordance with rules adopted 23549
by the department of education. 23550

Reimbursement payments to a nonpublic school pursuant to this 23551
section shall not exceed an amount for each school year equal to 23552

school which have been maintained pursuant to this section in 23557
support of an application for reimbursement, for the purpose of 23558
determining the costs to such school of rendering the services for 23559
which reimbursement is sought. If after such audit it is 23560
determined that any school has received funds in excess of the 23561
actual cost of providing such services, said school shall 23562
immediately reimburse the state in such excess amount. 23563

Any payments made to chartered nonpublic schools under this 23564
section may be disbursed without submission to and approval of the 23565
controlling board. 23566

Sec. 3317.08. A board of education may admit to its schools a 23567
child it is not required by section 3313.64 or 3313.65 of the 23568

charge for the child for the school year shall be computed in 23621
proportion to the number of school days the child is enrolled in 23622

(4) The replacement of any obligations that become mutilated 24471
or are destroyed, lost, or stolen; 24472

(5) Such other provisions as the trustee and the issuing 24473
authority agree upon, including limitations, conditions, or 24474
qualifications relating to any of the foregoing. 24475

(K) Any holder of obligations or a trustee under the bond 24476
proceedings, except to the extent that the holder's or trustee's 24477
rights are restricted by the bond proceedings, may by any suitable 24478
form of legal proceedings, protect and enforce any rights under 24479
the laws of this state or granted by such bond proceedings. Such 24480
rights include the right to compel the performance of all duties 24481
of the issuing authority, the commission, or the director of 24482
budget and management required by sections 3318.21 to 3318.29 of 24483
the Revised Code or the bond proceedings; to enjoin unlawful 24484
activities; and in the event of default with respect to the 24485
payment of any bond service charges on any obligations or in the 24486
performance of any covenant or agreement on the part of the 24487
issuing authority, the commission, or the director of budget and 24488
management in the bond proceedings, to apply to a court having 24489
jurisdiction of the cause to appoint a receiver to receive and 24490
administer the pledged receipts and special funds, other than 24491
those in the custody of the treasurer of state or the commission, 24492
which are pledged to the payment of the bond service charges on 24493
such obligations or which are the subject of the covenant or 24494
agreement, with full power to pay, and to provide for payment of 24495
bond service charges on, such obligations, and with such powers, 24496
subject to the direction of the court, as are accorded receivers 24497
in general equity cases, excluding any power to pledge additional 24498
revenues or receipts or other income or moneys of the issuing 24499

authority or the state or governmental agencies of the state to 24500
the payment of such principal and interest and excluding the power 24501
to take possession of, mortgage, or cause the sale or otherwise 24502
dispose of any permanent improvement. 24503

Each duty of the issuing authority and the issuing 24504
authority's officers and employees, and of each governmental 24505
agency and its officers, members, or employees, undertaken 24506
pursuant to the bond proceedings or any agreement or loan made 24507
under authority of sections 3318.21 to 3318.29 of the Revised 24508
Code, and in every agreement by or with the issuing authority, is 24509
hereby established as a duty of the issuing authority, and of each 24510
such officer, member, or employee having authority to perform such 24511
duty, specifically enjoined by the law resulting from an office, 24512
trust, or station within the meaning of section 2731.01 of the 24513
Revised Code. 24514

The person who is at the time the issuing authority, or the 24515
issuing authority's officers or employees, are not liable in their 24516
personal capacities on any obligations issued by the issuing 24517
authority or any agreements of or with the issuing authority. 24518

(L) Obligations issued under this section are lawful 24519
investments for banks, societies for savings, savings and loan 24520
associations, deposit guarantee associations, trust companies, 24521
trustees, fiduciaries, insurance companies, including domestic for 24522
life and domestic not for life, trustees or other officers having 24523
charge of sinking and bond retirement or other special funds of 24524
political subdivisions and taxing districts of this state, the 24525
commissioners of the sinking fund of the state, the administrator 24526
of workers' compensation, the state teachers retirement system, 24527
the public employees retirement system, the school employees 24528
retirement system, and the Ohio police and fire pension fund, 24529
notwithstanding any other provisions of the Revised Code or rules 24530
adopted pursuant thereto by any governmental agency of the state 24531

with respect to investments by them, and also are acceptable as 24532
security for the deposit of public moneys. 24533

(M) Unless otherwise provided in any applicable bond 24534
proceedings, moneys to the credit of or in the special funds 24535
established by or pursuant to this section may be invested by or 24536
on behalf of the issuing authority only in notes, bonds, or other 24537
obligations of the United States, or of any agency or 24538
instrumentality of the United States, obligations guaranteed as to 24539
principal and interest by the United States, obligations of this 24540
state or any political subdivision of this state, and certificates 24541
of deposit of any national bank located in this state and any 24542
bank, as defined in section 1101.01 of the Revised Code, subject 24543
to inspection by the superintendent of financial institutions. If 24544
the law or the instrument creating a trust pursuant to division 24545
(J) of this section expressly permits investment in direct 24546
obligations of the United States or an agency of the United 24547
States, unless expressly prohibited by the instrument, such moneys 24548
also may be invested in no front end load money market mutual 24549
funds consisting exclusively of obligations of the United States 24550
or an agency of the United States and in repurchase agreements, 24551
including those issued by the fiduciary itself, secured by 24552
obligations of the United States or an agency of the United 24553
States; and in collective investment funds established in 24554
accordance with section 1111.14 of the Revised Code and consisting 24555
exclusively of any such securities, notwithstanding division 24556
(B)(1)(c) of that section. The income from such investments shall 24557
be credited to such funds as the issuing authority determines, and 24558
such investments may be sold at such times as the issuing 24559
authority determines or authorizes. 24560

(N) Provision may be made in the applicable bond proceedings 24561
for the establishment of separate accounts in the bond service 24562
fund and for the application of such accounts only to the 24563

specified bond service charges on obligations pertinent to such 24564
accounts and bond service fund and for other accounts therein 24565
within the general purposes of such fund. Unless otherwise 24566
provided in any applicable bond proceedings, moneys to the credit 24567
of or in the several special funds established pursuant to this 24568
section shall be disbursed on the order of the treasurer of state, 24569
provided that no such order is required for the payment from the 24570
bond service fund when due of bond service charges on obligations. 24571

(O) The issuing authority may pledge all, or such portion as 24572
the issuing authority determines, of the pledged receipts to the 24573
payment of bond service charges on obligations issued under this 24574
section, and for the establishment and maintenance of any 24575
reserves, as provided in the bond proceedings, and make other 24576
provisions therein with respect to pledged receipts as authorized 24577
by this chapter, which provisions shall be controlling 24578
notwithstanding any other provisions of law pertaining thereto. 24579

(P) The issuing authority may covenant in the bond 24580
proceedings, and any such covenants shall be controlling 24581
notwithstanding any other provision of law, that the state and 24582
applicable officers and governmental agencies of the state, 24583
including the general assembly, so long as any obligations are 24584
outstanding, shall: 24585

(1) Maintain statutory authority for and cause to be operated 24586
the state lottery, including the transfers to and from the lottery 24587
profits education fund created in section 3770.06 of the Revised 24588
Code so that the pledged receipts shall be sufficient in amount to 24589
meet bond service charges, and the establishment and maintenance 24590
of any reserves and other requirements provided for in the bond 24591
proceedings; 24592

(2) Take or permit no action, by statute or otherwise, that 24593
would impair the exclusion from gross income for federal income 24594
tax purposes of the interest on any obligations designated by the 24595

bond proceeding as tax-exempt obligations. 24596

(Q) There is hereby created the school building program bond 24597
service fund, which shall be in the custody of the treasurer of 24598
state but shall be separate and apart from and not a part of the 24599
state treasury. All moneys received by or on account of the 24600
issuing authority or state agencies and required by the applicable 24601
bond proceedings, consistent with this section, to be deposited, 24602
transferred, or credited to the school building program bond 24603
service fund, and all other moneys transferred or allocated to or 24604
received for the purposes of the fund, shall be deposited and 24605
credited to such fund and to any separate accounts therein, 24606
subject to applicable provisions of the bond proceedings, but 24607
without necessity for any act of appropriation, except as required 24608
by section 3770.06 of the Revised Code. During the period 24609
beginning with the date of the first issuance of obligations and 24610
continuing during such time as any such obligations are 24611
outstanding, and so long as moneys in the school building program 24612
bond service fund are insufficient to pay all bond service charges 24613
on such obligations becoming due in each year, a sufficient amount 24614
of the moneys from the lottery profits education fund included in 24615
pledged receipts, subject to appropriation for such purpose as 24616
provided in section 3770.06 of the Revised Code, are committed and 24617
shall be paid to the school building program bond service fund in 24618
each year for the purpose of paying the bond service charges 24619
becoming due in that year. The school building program bond 24620
service fund is a trust fund and is hereby pledged to the payment 24621
of bond service charges solely on obligations issued to provide 24622
moneys for the school building program assistance fund to the 24623
extent provided in the applicable bond proceedings, and payment 24624
thereof from such fund shall be made or provided for by the 24625
treasurer of state in accordance with such bond proceedings 24626
without necessity for any act of appropriation except as required 24627
by section 3770.06 of the Revised Code. 24628

(R) The obligations, the transfer thereof, and the income 24629
therefrom, including any profit made on the sale thereof, at all 24630
times shall be free from taxation within the state. 24631

Sec. 3318.36. (A)(1) As used in this section: 24632

(a) "Ohio school facilities commission," "classroom 24633
facilities," "school district," "school district board," "net 24634
bonded indebtedness," "required percentage of the basic project 24635
costs," "basic project cost," "valuation," and "percentile" have 24636
the same meanings as in section 3318.01 of the Revised Code. 24637

(b) "Required level of indebtedness" means five per cent of 24638
the school district's valuation for the year preceding the year in 24639
which the commission and school district enter into an agreement 24640
under division (B) of this section, plus [two one-hundredths of 24641
one per cent multiplied by (the percentile in which the district 24642
ranks minus one)]. 24643

(c) "Local resources" means any moneys generated in any 24644
manner permitted for a school district board to raise the school 24645
district portion of a project undertaken with assistance under 24646
sections 3318.01 to 3318.20 of the Revised Code. 24647

(2) For purposes of determining either the required level of 24648
indebtedness, as defined in division (A)(1)(b) of this section, or 24649
the required percentage of the basic project costs, under division 24650
(C)(1) of this section, the percentile ranking of a school 24651
district with which the commission has entered into an agreement 24652
under this section between the first day of July and the 24653
thirty-first day of August in each fiscal year is the percentile 24654
ranking calculated for that district for the immediately preceding 24655
fiscal year, and the percentile ranking of a school district with 24656
which the commission has entered into such agreement between the 24657
first day of September and the thirtieth day of June in each 24658
fiscal year is the percentile ranking calculated for that district 24659

for the current fiscal year. 24660

(B)(1) There is hereby established the school building 24661
assistance expedited local partnership program. Under the program, 24662
the Ohio school facilities commission may enter into an agreement 24663
with the school district board of any school district under which 24664
the school district board may proceed with the new construction or 24665
major repairs of a part of the school district's classroom 24666
facilities needs, as determined under sections 3318.01 to 3318.20 24667
of the Revised Code, through the expenditure of local resources 24668
prior to the school district's eligibility for state assistance 24669
under sections 3318.01 to 3318.20 of the Revised Code and may 24670
apply that expenditure toward meeting the school district's 24671
portion of the basic project cost of the total of the school 24672
district's classroom facilities needs, as determined under 24673
sections 3318.01 to 3318.20 of the Revised Code and as 24674
recalculated under division (E) of this section, that are eligible 24675
for state assistance under sections 3318.01 to 3318.20 of the 24676
Revised Code when the school district becomes eligible for such 24677
state assistance. Any school district that is reasonably expected 24678
to receive assistance under sections 3318.01 to 3318.20 of the 24679
Revised Code within two fiscal years from the date the school 24680
district adopts its resolution under division (B) of this section 24681
shall not be eligible to participate in the program. 24682

(2) To participate in the program, a school district board 24683
shall first adopt a resolution certifying to the commission the 24684
board's intent to participate in the program. 24685

The resolution shall specify the approximate date that the 24686
board intends to seek elector approval of any bond or tax measures 24687
or to apply other local resources to use to pay the cost of 24688
classroom facilities to be constructed under this section. The 24689
resolution may specify the application of local resources or 24690
elector-approved bond or tax measures after the resolution is 24691

adopted by the board, and in such case the board may proceed with 24692
a discrete portion of its project under this section as soon as 24693
the commission and the controlling board have approved the basic 24694
project cost of the district's classroom facilities needs as 24695
specified in division (D) of this section. The board shall submit 24696
its resolution to the commission not later than ten days after the 24697
date the resolution is adopted by the board. 24698

The commission shall not consider any resolution that is 24699
submitted pursuant to division (B)(2) of this section, as amended 24700
by this amendment, sooner than September 14, 2000. 24701

(3) Any project under this section shall comply with section 24702
3318.03 of the Revised Code and with any specifications for plans 24703
and materials for classroom facilities adopted by the commission 24704
under section 3318.04 of the Revised Code. 24705

(4) If a school district that enters into an agreement under 24706
this section has not begun a project applying local resources as 24707
provided for under that agreement at the time the district is 24708
notified by the commission that it is eligible to receive state 24709
assistance under sections 3318.01 to 3318.20 of the Revised Code, 24710
all assessment and agreement documents entered into under this 24711
section are void. 24712

(5) Only construction of or repairs to classroom facilities 24713
that have been approved by the commission and have been therefore 24714
included as part of a district's basic project cost qualify for 24715
application of local resources under this section. 24716

(C) Based on the results of the on-site visits and assessment 24717
conducted under division (B)(2) of this section, the commission 24718
shall determine the basic project cost of the school district's 24719
classroom facilities needs. The commission shall determine the 24720
school district's portion of such basic project cost, which shall 24721
be the greater of: 24722

(1) The required percentage of the basic project costs, 24723
determined based on the school district's percentile ranking; 24724

(2) An amount necessary to raise the school district's net 24725
bonded indebtedness, as of the fiscal year the commission and the 24726
school district enter into the agreement under division (B) of 24727
this section, to within five thousand dollars of the required 24728
level of indebtedness. 24729

(D)(1) When the commission determines the basic project cost 24730
of the classroom facilities needs of a school district and the 24731
school district's portion of that basic project cost under 24732
division (C) of this section, the project shall be conditionally 24733
approved. Such conditional approval shall be submitted to the 24734
controlling board for approval thereof. The controlling board 24735
shall forthwith approve or reject the commission's determination, 24736
conditional approval, and the amount of the state's portion of the 24737
basic project cost; however, no state funds shall be encumbered 24738
under this section. Upon approval by the controlling board, the 24739
school district board may identify a discrete part of its 24740
classroom facilities needs, which shall include only new 24741
construction of or additions or major repairs to a particular 24742
building, to address with local resources. Upon identifying a part 24743
of the school district's basic project cost to address with local 24744
resources, the school district board may allocate any available 24745
school district moneys to pay the cost of that identified part, 24746
including the proceeds of an issuance of bonds if approved by the 24747
electors of the school district. 24748

All local resources utilized under this division shall first 24749
be deposited in the project construction account required under 24750
section 3318.08 of the Revised Code. 24751

(2) Unless the school district board exercises its option 24752
under division (D)(3) of this section, for a school district to 24753
qualify for participation in the program authorized under this 24754

section, one of the following conditions shall be satisfied: 24755

(a) The electors of the school district by a majority vote 24756
shall approve the levy of taxes outside the ten-mill limitation 24757
for a period of twenty-three years at the rate of not less than 24758
one-half mill for each dollar of valuation to be used to pay the 24759
cost of maintaining the classroom facilities included in the basic 24760
project cost as determined by the commission. The form of the 24761
ballot to be used to submit the question whether to approve the 24762
tax required under this division to the electors of the school 24763
district shall be the form for an additional levy of taxes 24764
prescribed in section 3318.361 of the Revised Code, which may be 24765
combined in a single ballot question with the questions prescribed 24766
under section 5705.218 of the Revised Code. 24767

(b) As authorized under division (C) of section 3318.05 of 24768
the Revised Code, the school district board shall earmark from the 24769
proceeds of a permanent improvement tax levied under section 24770
5705.21 of the Revised Code, an amount equivalent to the 24771
additional tax otherwise required under division (D)(2)(a) of this 24772
section for the maintenance of the classroom facilities included 24773
in the basic project cost as determined by the commission. 24774

(c) As authorized under section 3318.051 of the Revised Code, 24775
the school district board shall, if approved by the commission, 24776
annually transfer into the maintenance fund required under section 24777
3318.05 of the Revised Code the amount prescribed in section 24778
3318.051 of the Revised Code in lieu of the tax otherwise required 24779
under division (D)(2)(a) of this section for the maintenance of 24780
the classroom facilities included in the basic project cost as 24781
determined by the commission. 24782

(d) If the school district board has rescinded the agreement 24783
to make transfers under section 3318.051 of the Revised Code, as 24784
provided under division (F) of that section, the electors of the 24785
school district, in accordance with section 3318.063 of the 24786

Revised Code, first shall approve the levy of taxes outside the 24787
ten-mill limitation for the period specified in that section at a 24788
rate of not less than one-half mill for each dollar of valuation. 24789

(e) The school district board shall apply the proceeds of a 24790
tax to leverage bonds as authorized under section 3318.052 of the 24791
Revised Code or dedicate a local donated contribution in the 24792
manner described in division (B) of section 3318.084 of the 24793
Revised Code in an amount equivalent to the additional tax 24794
otherwise required under division (D)(2)(a) of this section for 24795
the maintenance of the classroom facilities included in the basic 24796
project cost as determined by the commission. 24797

(3) A school district board may opt to delay taking any of 24798
the actions described in division (D)(2) of this section until 24799
such time as the school district becomes eligible for state 24800
assistance under sections 3318.01 to 3318.20 of the Revised Code. 24801
In order to exercise this option, the board shall certify to the 24802
commission a resolution indicating the board's intent to do so 24803
prior to entering into an agreement under division (B) of this 24804
section. 24805

(4) If pursuant to division (D)(3) of this section a district 24806
board opts to delay levying an additional tax until the district 24807
becomes eligible for state assistance, it shall submit the 24808
question of levying that tax to the district electors as follows: 24809

(a) In accordance with section 3318.06 of the Revised Code if 24810
it will also be necessary pursuant to division (E) of this section 24811
to submit a proposal for approval of a bond issue; 24812

(b) In accordance with section 3318.361 of the Revised Code 24813
if it is not necessary to also submit a proposal for approval of a 24814
bond issue pursuant to division (E) of this section. 24815

(5) No state assistance under sections 3318.01 to 3318.20 of 24816
the Revised Code shall be released until a school district board 24817

that adopts and certifies a resolution under division (D) of this 24818
section also demonstrates to the satisfaction of the commission 24819
compliance with the provisions of division (D)(2) of this section. 24820

Any amount required for maintenance under division (D)(2) of 24821
this section shall be deposited into a separate fund as specified 24822
in division (B) of section 3318.05 of the Revised Code. 24823

(E)(1) If the school district becomes eligible for state 24824
assistance under sections 3318.01 to 3318.20 of the Revised Code 24825
based on its percentile ranking as determined under division (B) 24826
of this section, the commission shall conduct a new assessment of 24827
the school district's classroom facilities needs and shall 24828
recalculate the basic project cost based on this new assessment. 24829
The basic project cost recalculated under this division shall 24830
include the amount of expenditures made by the school district 24831
board under division (D)(1) of this section. The commission shall 24832
then recalculate the school district's portion of the new basic 24833
project cost, which shall be the percentage of the original basic 24834
project cost assigned to the school district as its portion under 24835
division (C) of this section. The commission shall deduct the 24836
expenditure of school district moneys made under division (D)(1) 24837
of this section from the school district's portion of the basic 24838
project cost as recalculated under this division. If the amount of 24839
school district resources applied by the school district board to 24840
the school district's portion of the basic project cost under this 24841
section is less than the total amount of such portion as 24842
recalculated under this division, the school district board by a 24843
majority vote of all of its members shall, if it desires to seek 24844
state assistance under sections 3318.01 to 3318.20 of the Revised 24845
Code, adopt a resolution as specified in section 3318.06 of the 24846
Revised Code to submit to the electors of the school district the 24847
question of approval of a bond issue in order to pay any 24848
additional amount of school district portion required for state 24849

assistance. Any tax levy approved under division (D) of this 24850
section satisfies the requirements to levy the additional tax 24851
under section 3318.06 of the Revised Code. 24852

(2) If the amount of school district resources applied by the 24853
school district board to the school district's portion of the 24854
basic project cost under this section is more than the total 24855
amount of such portion as recalculated under this division, within 24856
one year after the school district's portion is recalculated under 24857
division (E)(1) of this section the commission may grant to the 24858
school district the difference between the two calculated 24859
portions, but at no time shall the commission expend any state 24860
funds on a project in an amount greater than the state's portion 24861
of the basic project cost as recalculated under this division. 24862

Any reimbursement under this division shall be only for local 24863
resources the school district has applied toward construction cost 24864
expenditures for the classroom facilities approved by the 24865
commission, which shall not include any financing costs associated 24866
with that construction. 24867

The school district board shall use any moneys reimbursed to 24868
the district under this division to pay off any debt service the 24869
district owes for classroom facilities constructed under its 24870
project under this section before such moneys are applied to any 24871
other purpose. However, the district board first may deposit 24872
moneys reimbursed under this division into the district's general 24873
fund or a permanent improvement fund to replace local resources 24874
the district withdrew from those funds, as long as, and to the 24875
extent that, those local resources were used by the district for 24876
constructing classroom facilities included in the district's basic 24877

counted it shall be submitted to all of the judges. If three of 27394
the judges do not agree as to how any part of the ballot shall be 27395

need be granted for each of the reviewable activities to be 28558

The director's grant of a certificate of need under division 28564
(C)(1) or (2) of this section does not affect, and sets no 28565
precedent for, the director's decision to grant or deny other 28566
applications for similar reviewable activities proposed to be 28567
conducted in the same or different health service areas. 28568

(3) If the director receives written objections to an 28569
application from any affected person by the ~~later of May 20, 1995,~~ 28570

with Chapter 119. of the Revised Code. The hearing examiner shall 28584
be employed by or under contract with the department of health. 28585

which all of the reviewable activities will be conducted. The 28590
applicant, the director, and the affected persons that filed 28591
objections to the application shall be parties to the hearing. If 28592
none of the affected persons that submitted written objections to 28593

the application appears or prosecutes the hearing, the hearing 28594
examiner shall dismiss the hearing and the director shall grant a 28595
certificate of need for the entire project that is the subject of 28596
the application if the proposed project meets all of the 28597
applicable certificate of need criteria for approval under 28598
sections 3702.51 to 3702.62 of the Revised Code and the rules 28599

in rules adopted under section 3702.57 of the Revised Code. The 28612
director shall grant or deny certificate of need applications for 28613
which an adjudication hearing is conducted under division (C)(3) 28614
of this section not later than thirty days after the expiration of 28615
the time for filing objections to the report and recommendation of 28616
the hearing examiner under section 119.09 of the Revised Code. The 28617
director shall base decisions concerning applications for which an 28618
adjudication hearing is conducted under division (C)(3) of this 28619
section on the report and recommendations of the hearing examiner. 28620

(5) Except as otherwise provided in division (C)(1), (2), or 28621
(6) of this section, the director or the applicant may extend the 28622
deadline prescribed in division (C)(4) of this section once, for 28623
no longer than thirty days, by written notice before the end of 28624

director does not grant or deny the certificate by the applicable 28633
deadline specified in division (C)(4) of this section or any 28634
extension of it under division (C)(5) of this section, the 28635
certificate shall be considered to have been granted. ~~The 28636

cause the review period for any application to be extended beyond 28641
the applicable deadline specified in division (C)(4) of this 28642
section or any extension of it under division (C)(5) of this 28643
section.~~ 28644

~~(D)~~(8) In granting a certificate of need, the director shall 28645
specify as the maximum capital expenditure the certificate holder 28646
may obligate under the certificate a figure equal to one hundred 28647
ten per cent of the approved project cost. 28648

~~(E)~~(9) In granting a certificate of need, the director may 28649

demonstration by such a source of compliance with those other 29072
standards, the shade, density, or opacity rule shall provide for 29073
establishment of a shade, density, or opacity limitation for that 29074

the level specified by those other standards; rules for the 29076
prevention or control of odors and air pollution nuisances; rules 29077
that prevent significant deterioration of air quality to the 29078
extent required by the federal Clean Air Act; rules for the 29079

adopting, modifying, suspending, or rescinding any such rules, the 29082
director, to the extent consistent with the federal Clean Air Act, 29083
shall hear and give consideration to evidence relating to all of 29084
the following: 29085

(1) Conditions calculated to result from compliance with the 29086
rules, the overall cost within this state of compliance with the 29087
rules, and their relation to benefits to the people of the state 29088
to be derived from that compliance; 29089

(2) The quantity and characteristics of air contaminants, the frequency and duration of their presence in the ambient air, and the dispersion and dilution of those contaminants;

(3) Topography, prevailing wind directions and velocities, physical conditions, and other factors that may or may combine to affect air pollution.

Consistent with division (K) of section 3704.036 of the Revised Code, the director shall consider alternative emission limits proposed by the owner or operator of an air contaminant source that is subject to an emission limit established in rules adopted under this division and shall accept those alternative emission limits that the director determines to be equivalent to emission limits established in rules adopted under this division.

(F)(1) Adopt, modify, suspend, and rescind rules consistent with the purposes of this chapter prohibiting the location, installation, construction, or modification of any air contaminant source or any machine, equipment, device, apparatus, or physical facility intended primarily to prevent or control the emission of air contaminants unless an installation permit therefor has been obtained from the director or the director's authorized representative.

(2) Applications for installation permits shall be accompanied by plans, specifications, construction schedules, and such other pertinent information and data, including data on ambient air quality impact and a demonstration of best available technology, as the director may require. Installation permits shall be issued for a period specified by the director and are transferable. The director shall specify in each permit the applicable emission standards and that the permit is conditioned upon payment of the applicable fees as required by section 3745.11 of the Revised Code and upon the right of the director's authorized representatives to enter upon the premises of the

person to whom the permit has been issued, at any reasonable time 29122
and subject to safety requirements of the person in control of the 29123
premises, for the purpose of determining compliance with such 29124
standards, this chapter, the rules adopted thereunder, and the 29125
conditions of any permit, variance, or order issued thereunder. 29126
Each proposed new or modified air contaminant source shall provide 29127
such notice of its proposed installation or modification to other 29128
states as is required under the federal Clean Air Act. 29129
Installation permits shall include the authorization to operate 29130
sources installed and operated in accordance with terms and 29131
conditions of the installation permits for a period not to exceed 29132
one year from commencement of operation, which authorization shall 29133
constitute an operating permit under division (G) of this section 29134
and rules adopted under it. 29135

No installation permit shall be required for activities that 29136
are subject to and in compliance with a plant-wide applicability 29137
limit issued by the director in accordance with rules adopted 29138
under this section. 29139

No installation permit shall be issued except in accordance 29140
with all requirements of this chapter and rules adopted 29141
thereunder. No application shall be denied or permit revoked or 29142
modified without a written order stating the findings upon which 29143
denial, revocation, or modification is based. A copy of the order 29144
shall be sent to the applicant or permit holder by certified mail. 29145

(3) Not later than two years after ~~the effective date of this~~ 29146
~~amendment~~ August 3, 2006, the director shall adopt a rule in 29147
accordance with Chapter 119. of the Revised Code specifying that a 29148
permit to install is required only for new or modified air 29149
contaminant sources that emit any of the following air 29150
contaminants: 29151

(a) An air contaminant or precursor of an air contaminant for 29152
which a national ambient air quality standard has been adopted 29153

under the federal Clean Air Act; 29154

(b) An air contaminant for which the air contaminant source 29155
is regulated under the federal Clean Air Act; 29156

(c) An air contaminant that presents, or may present, through 29157
inhalation or other routes of exposure, a threat of adverse human 29158
health effects, including, but not limited to, substances that are 29159
known to be, or may reasonably be anticipated to be, carcinogenic, 29160
mutagenic, teratogenic, or neurotoxic, that cause reproductive 29161
dysfunction, or that are acutely or chronically toxic, or a threat 29162
of adverse environmental effects whether through ambient 29163
concentrations, bioaccumulation, deposition, or otherwise, and 29164
that is identified in the rule by chemical name and chemical 29165
abstract service number. 29166

The director may modify the rule adopted under division 29167
(F)(3)(c) of this section for the purpose of adding or deleting 29168
air contaminants. For each air contaminant that is contained in or 29169
deleted from the rule adopted under division (F)(3)(c) of this 29170
section, the director shall include in a notice accompanying any 29171
proposed or final rule an explanation of the director's 29172
determination that the air contaminant meets the criteria 29173
established in that division and should be added to, or no longer 29174
meets the criteria and should be deleted from, the list of air 29175
contaminants. The explanation shall include an identification of 29176
the scientific evidence on which the director relied in making the 29177
determination. Until adoption of the rule under division (F)(3)(c) 29178
of this section, nothing shall affect the director's authority to 29179
issue, deny, modify, or revoke permits to install under this 29180
chapter and rules adopted under it. 29181

(4)(a) Applications for permits to install new or modified 29182
air contaminant sources shall contain sufficient information 29183
regarding air contaminants for which the director may require a 29184
permit to install to determine conformity with the environmental 29185

protection agency's document entitled "Review of New Sources of
Air Toxics Emissions, Option A," dated May 1986, which the
director shall use to evaluate toxic emissions from new or
modified air contaminant sources. The director shall make copies
of the document available to the public upon request at no cost
and post the document on the environmental protection agency's web
site. Any inconsistency between the document and division (F)(4)
of this section shall be resolved in favor of division (F)(4) of
this section.

(b) The maximum acceptable ground level concentration of an
air contaminant shall be calculated in accordance with the
document entitled "Review of New Sources of Air Toxics Emissions,
Option A." Modeling shall be conducted to determine the increase
in the ground level concentration of an air contaminant beyond the
facility's boundary caused by the emissions from a new or modified
source that is the subject of an application for a permit to
install. Modeling shall be based on the maximum hourly rate of
emissions from the source using information including, but not
limited to, any emission control devices or methods, operational
restrictions, stack parameters, and emission dispersion devices or
methods that may affect ground level concentrations, either
individually or in combination. The director shall determine
whether the activities for which a permit to install is sought
will cause an increase in the ground level concentration of one or
more relevant air contaminants beyond the facility's boundary by
an amount in excess of the maximum acceptable ground level
concentration. In making the determination as to whether the
maximum acceptable ground level concentration will be exceeded,
the director shall give consideration to the modeling conducted
under division (F)(4)(b) of this section and other relevant
information submitted by the applicant.

(c) If the modeling conducted under division (F)(4)(b) of

this section with respect to an application for a permit to 29218
install demonstrates that the maximum ground level concentration 29219
from a new or modified source will be greater than or equal to 29220
eighty per cent, but less than one hundred per cent of the maximum 29221
acceptable ground level concentration for an air contaminant, the 29222
director may establish terms and conditions in the permit to 29223
install for the air contaminant source that will require the owner 29224
or operator of the air contaminant source to maintain emissions of 29225
that air contaminant commensurate with the modeled level, which 29226
shall be expressed as allowable emissions per day. In order to 29227
calculate the allowable emissions per day, the director shall 29228
multiply the hourly emission rate modeled under division (F)(4)(b) 29229
of this section to determine the ground level concentration by the 29230
operating schedule that has been identified in the permit to 29231
install application. Terms and conditions imposed under division 29232
(F)(4)(c) of this section are not federally enforceable 29233
requirements and, if included in a Title V permit, shall be placed 29234
in the portion of the permit that is only enforceable by the 29235
state. 29236

(d) If the modeling conducted under division (F)(4)(b) of 29237
this section with respect to an application for a permit to 29238
install demonstrates that the maximum ground level concentration 29239
from a new or modified source will be less than eighty per cent of 29240
the maximum acceptable ground level concentration, the owner or 29241
operator of the source annually shall report to the director, on a 29242
form prescribed by the director, whether operations of the source 29243
are consistent with the information regarding the operations that 29244
was used to conduct the modeling with regard to the permit to 29245
install application. The annual report to the director shall be in 29246
lieu of an emission limit or other permit terms and conditions 29247
imposed pursuant to division (F)(4) of this section. The director 29248
may consider any significant departure from the operations of the 29249
source described in the permit to install application that results 29250

in greater emissions than the emissions rate modeled to determine 29251
the ground level concentration as a modification and require the 29252
owner or operator to submit a permit to install application for 29253
the increased emissions. The requirements established in division 29254
(F)(4)(d) of this section are not federally enforceable 29255
requirements and, if included in a Title V permit, shall be placed 29256
in the portion of the permit that is only enforceable by the 29257
state. 29258

(e) Division (F)(4) of this section and the document entitled 29259
"Review of New Sources of Air Toxics Emissions, Option A" shall 29260
not be included in the state implementation plan under section 110 29261
of the federal Clean Air Act and do not apply to an air 29262
contaminant source that is subject to a maximum achievable control 29263
technology standard or residual risk standard under section 112 of 29264
the federal Clean Air Act, to a particular air contaminant 29265
identified under 40 C.F.R. 51.166, division (b)(23), for which the 29266
director has determined that the owner or operator of the source 29267
is required to install best available control technology for that 29268
particular air contaminant, or to a particular air contaminant for 29269
which the director has determined that the source is required to 29270
meet the lowest achievable emission rate, as defined in 40 C.F.R. 29271
part 51, Appendix S, for that particular air contaminant. 29272

(f)(i) Division (F)(4) of this section and the document 29273
entitled "Review of New Sources of Air Toxics Emissions, Option A" 29274
do not apply to parking lots, storage piles, storage tanks, 29275
transfer operations, grain silos, grain dryers, emergency 29276
generators, gasoline dispensing operations, air contaminant 29277
sources that emit air contaminants solely from the combustion of 29278
fossil fuels, or the emission of wood dust, sand, glass dust, coal 29279
dust, silica, and grain dust. 29280

(ii) Notwithstanding division (F)(4)(f)(i) of this section, 29281
the director may require an individual air contaminant source that 29282

is within one of the source categories identified in division 29283
(F)(4)(f)(i) of this section to submit information in an 29284
application for a permit to install a new or modified source in 29285
order to determine the source's conformity to the document if the 29286
director has information to conclude that the particular new or 29287
modified source will potentially cause an increase in ground level 29288
concentration beyond the facility's boundary that exceeds the 29289
maximum acceptable ground level concentration as set forth in the 29290
document. 29291

(iii) The director may adopt rules in accordance with Chapter 29292
119. of the Revised Code that are consistent with the purposes of 29293
this chapter and that add to or delete from the source category 29294
exemptions established in division (F)(4)(f)(i) of this section. 29295

(5) Not later than one year after ~~the effective date of this~~ 29296
~~amendment~~ August 3, 2006, the director shall adopt rules in 29297
accordance with Chapter 119. of the Revised Code specifying 29298
activities that do not, by themselves, constitute beginning actual 29299
construction activities related to the installation or 29300
modification of an air contaminant source for which a permit to 29301
install is required such as the grading and clearing of land, 29302
on-site storage of portable parts and equipment, and the 29303
construction of foundations or buildings that do not themselves 29304
emit air contaminants. The rules also shall allow specified 29305
initial activities that are part of the installation or 29306
modification of an air contaminant source, such as the 29307
installation of electrical and other utilities for the source, 29308
prior to issuance of a permit to install, provided that the owner 29309
or operator of the source has filed a complete application for a 29310
permit to install, the director or the director's designee has 29311
determined that the application is complete, and the owner or 29312
operator of the source has notified the director that this 29313
activity will be undertaken prior to the issuance of a permit to 29314

install. Any activity that is undertaken by the source under those 29315
rules shall be at the risk of the owner or operator. The rules 29316
shall not apply to activities that are precluded prior to permit 29317
issuance under section 111, section 112, Part C of Title I, and 29318
Part D of Title I of the federal Clean Air Act. 29319

(G) Adopt, modify, suspend, and rescind rules prohibiting the 29320
operation or other use of any new, modified, or existing air 29321
contaminant source unless an operating permit has been obtained 29322
from the director or the director's authorized representative, or 29323
the air contaminant source is being operated in compliance with 29324
the conditions of a variance issued pursuant to division (H) of 29325
this section. Applications for operating permits shall be 29326
accompanied by such plans, specifications, and other pertinent 29327
information as the director may require. Operating permits may be 29328
issued for a period determined by the director not to exceed ~~five~~ 29329
ten years, are renewable, and are transferable. The director shall 29330
specify in each operating permit that the permit is conditioned 29331
upon payment of the applicable fees as required by section 3745.11 29332
of the Revised Code and upon the right of the director's 29333
authorized representatives to enter upon the premises of the 29334
person to whom the permit has been issued, at any reasonable time 29335
and subject to safety requirements of the person in control of the 29336
premises, for the purpose of determining compliance with this 29337
chapter, the rules adopted thereunder, and the conditions of any 29338
permit, variance, or order issued thereunder. Operating permits 29339
may be denied or revoked for failure to comply with this chapter 29340
or the rules adopted thereunder. An operating permit shall be 29341
issued only upon a showing satisfactory to the director or the 29342
director's representative that the air contaminant source is being 29343
operated in compliance with applicable emission standards and 29344
other rules or upon submission of a schedule of compliance 29345
satisfactory to the director for a source that is not in 29346
compliance with all applicable requirements at the time of permit 29347

issuance, provided that the compliance schedule shall be 29348
consistent with and at least as stringent as that contained in any 29349
judicial consent decree or administrative order to which the air 29350
contaminant source is subject. The rules shall provide for the 29351
issuance of conditional operating permits for such reasonable 29352
periods as the director may determine to allow the holder of an 29353
installation permit, who has constructed, installed, located, or 29354
modified a new air contaminant source in accordance with the 29355
provisions of an installation permit, to make adjustments or 29356
modifications necessary to enable the new air contaminant source 29357
to comply with applicable emission standards and other rules. 29358
Terms and conditions of operating permits issued pursuant to this 29359
division shall be federally enforceable for the purpose of 29360
establishing the potential to emit of a stationary source and 29361
shall be expressly designated as federally enforceable. Any such 29362
federally enforceable restrictions on a source's potential to emit 29363
shall include both an annual limit and a short-term limit of not 29364
more than thirty days for each pollutant to be restricted together 29365
with adequate methods for establishing compliance with the 29366
restrictions. In other respects, operating permits issued pursuant 29367
to this division are enforceable as state law only. No application 29368
shall be denied or permit revoked or modified without a written 29369
order stating the findings upon which denial, revocation, or 29370
modification is based. A copy of the order shall be sent to the 29371
applicant or permit holder by certified mail. 29372

(H) Adopt, modify, and rescind rules governing the issuance, 29373
revocation, modification, or denial of variances that authorize 29374
emissions in excess of the applicable emission standards. 29375

No variance shall be issued except pursuant to those rules. 29376
The rules shall prescribe conditions and criteria in furtherance 29377
of the purposes of this chapter and consistent with the federal 29378
Clean Air Act governing eligibility for issuance of variances, 29379

which shall include all of the following: 29380

(1) Provisions requiring consistency of emissions authorized 29381
by a variance with timely attainment and maintenance of ambient 29382
air quality standards; 29383

(2) Provisions prescribing the classes and categories of air 29384
contaminants and air contaminant sources for which variances may 29385
be issued; 29386

(3) Provisions defining the circumstances under which an 29387
applicant shall demonstrate that compliance with applicable 29388
emission standards is technically infeasible, economically 29389
unreasonable, or impossible because of conditions beyond the 29390
control of the applicant; 29391

(4) Other provisions prescribed in furtherance of the goals 29392
of this chapter. 29393

The rules shall prohibit the issuance of variances from any 29394
emission limitation that was applicable to a source pursuant to an 29395
installation permit and shall prohibit issuance of variances that 29396
conflict with the federal Clean Air Act. 29397

Applications for variances shall be accompanied by such 29398
information as the director may require. In issuing variances, the 29399
director may order the person to whom a variance is issued to 29400
furnish plans and specifications and such other information and 29401
data, including interim reports, as the director may require and 29402
to proceed to take such action within such time as the director 29403
may determine to be appropriate and reasonable to prevent, 29404
control, or abate the person's existing emissions of air 29405
contaminants. The director shall specify in each variance that the 29406
variance is conditioned upon payment of the applicable fees as 29407
required by section 3745.11 of the Revised Code and upon the right 29408
of the director's authorized representatives to enter upon the 29409
premises of the person to whom the variance has been issued, at 29410

any reasonable time and subject to safety requirements of the 29411
person in control of the premises, for the purpose of determining 29412
compliance with this chapter, the rules adopted thereunder, and 29413
the conditions of any permit, variance, or order issued 29414
thereunder. 29415

The director may hold a public hearing on an application for 29416
a variance or renewal thereof at a location in the county where 29417
the variance is sought. The director shall give not less than 29418
twenty days' notice of the hearing to the applicant by certified 29419
mail and cause at least one publication of notice in a newspaper 29420
with general circulation in the county where the variance is 29421
sought. The director shall keep available for public inspection at 29422
the principal office of the environmental protection agency a 29423
current schedule of pending applications for variances and a 29424
current schedule of pending variance hearings. The director shall 29425
make a complete stenographic record of testimony and other 29426
evidence submitted at the hearing. The director shall make a 29427
written determination to issue, renew, or deny the variance and 29428
shall enter the determination and the basis therefor into the 29429
record of the hearing. The director shall issue, renew, or deny an 29430
application for a variance or renewal thereof, or issue a proposed 29431
action upon the application pursuant to section 3745.07 of the 29432
Revised Code, within six months of the date upon which the 29433
director receives a complete application with all pertinent 29434
information and data required by the director. 29435

Any variance granted pursuant to rules adopted under this 29436
division shall be for a period specified by the director, not to 29437
exceed three years, and may be renewed from time to time on such 29438
terms and for such periods, not to exceed three years each, as the 29439
director determines to be appropriate. A variance may be revoked, 29440
or renewal denied, for failure to comply with conditions specified 29441
in the variance. No variance shall be issued, denied, revoked, or 29442

modified without a written order stating the findings upon which 29443
the issuance, denial, revocation, or modification is based. A copy 29444
of the order shall be sent to the applicant or variance holder by 29445
certified mail. 29446

(I) Require the owner or operator of an air contaminant 29447
source to install, employ, maintain, and operate such emissions, 29448
ambient air quality, meteorological, or other monitoring devices 29449
or methods as the director shall prescribe; to sample those 29450
emissions at such locations, at such intervals, and in such manner 29451
as the director prescribes; to maintain records and file periodic 29452
reports with the director containing information as to location, 29453
size, and height of emission outlets, rate, duration, and 29454
composition of emissions, and any other pertinent information the 29455
director prescribes; and to provide such written notice to other 29456
states as the director shall prescribe. In requiring monitoring 29457
devices, records, and reports, the director, to the extent 29458
consistent with the federal Clean Air Act, shall give 29459
consideration to technical feasibility and economic reasonableness 29460
and allow reasonable time for compliance. For sources where a 29461
specific monitoring, record-keeping, or reporting requirement is 29462
specified for a particular air contaminant from a particular air 29463
contaminant source in an applicable regulation adopted by the 29464
United States environmental protection agency under the federal 29465
Clean Air Act or in an applicable rule adopted by the director, 29466
the director shall not impose an additional requirement in a 29467
permit that is a different monitoring, record-keeping, or 29468
reporting requirement other than the requirement specified in the 29469
applicable regulation or rule for that air contaminant except as 29470
otherwise agreed to by the owner or operator of the air 29471
contaminant source and the director. If two or more regulations or 29472
rules impose different monitoring, record-keeping, or reporting 29473
requirements for the same air contaminant from the same air 29474
contaminant source, the director may impose permit terms and 29475

conditions that consolidate or streamline the monitoring, 29476
record-keeping, or reporting requirements in a manner that 29477
conforms with each applicable requirement. To the extent 29478
consistent with the federal Clean Air Act and except as otherwise 29479
agreed to by the owner or operator of an air contaminant source 29480
and the director, the director shall not require an operating 29481
restriction that has the practical effect of increasing the 29482
stringency of an existing applicable emission limitation or 29483
standard. 29484

(J) Establish, operate, and maintain monitoring stations and 29485
other devices designed to measure air pollution and enter into 29486
contracts with any public or private agency for the establishment, 29487
operation, or maintenance of such stations and devices; 29488

(K) By rule adopt procedures for giving reasonable public 29489
notice and conducting public hearings on any plans for the 29490
prevention, control, and abatement of air pollution that the 29491
director is required to submit to the federal government; 29492

(L) Through any employee, agent, or authorized representative 29493
of the director or the environmental protection agency, enter upon 29494
private or public property, including improvements thereon, at any 29495
reasonable time, to make inspections, take samples, conduct tests, 29496
and examine records or reports pertaining to any emission of air 29497
contaminants and any monitoring equipment or methods and to 29498
determine if there are any actual or potential emissions from such 29499
premises and, if so, to determine the sources, amounts, contents, 29500
and extent of those emissions, or to ascertain whether there is 29501
compliance with this chapter, any orders issued or rules adopted 29502
thereunder, or any other determination of the director. The 29503
director, at reasonable times, may have access to and copy any 29504
such records. If entry or inspection authorized by this division 29505
is refused, hindered, or thwarted, the director or the director's 29506
authorized representative may by affidavit apply for, and any 29507

judge of a court of record may issue, an appropriate inspection 29508
warrant necessary to achieve the purposes of this chapter within 29509
the court's territorial jurisdiction. 29510

(M) Accept and administer gifts or grants from the federal 29511
government and from any other source, public or private, for 29512
carrying out any of the functions under this chapter; 29513

(N) Obtain necessary scientific, technical, and laboratory 29514
services; 29515

(O) Establish advisory boards in accordance with section 29516
121.13 of the Revised Code; 29517

(P) Delegate to any city or general health district or 29518
political subdivision of the state any of the director's 29519
enforcement and monitoring powers and duties, other than 29520
rule-making powers, as the director elects to delegate, and in 29521
addition employ, compensate, and prescribe the powers and duties 29522
of such officers, employees, and consultants as are necessary to 29523
enable the director to exercise the authority and perform duties 29524
imposed upon the director by law. Technical and other services 29525
shall be performed, insofar as practical, by personnel of the 29526
environmental protection agency. 29527

(Q) Certify to the government of the United States or any 29528
agency thereof that an industrial air pollution facility is in 29529
conformity with the state program or requirements for control of 29530
air pollution whenever such certificate is required for a taxpayer 29531
pursuant to any federal law or requirements; 29532

(R) Issue, modify, or revoke orders requiring abatement of or 29533
prohibiting emissions that violate applicable emission standards 29534

standards. For an air contaminant or precursor of an air 29580
contaminant for which a national ambient air quality standard has 29581
been adopted under the federal Clean Air Act, best available 29582
technology only shall be required to the extent required by rules 29583
adopted under Chapter 119. of the Revised Code for permit to 29584

air contaminant source that has the potential to emit, taking into 29599
account air pollution controls installed on the source, less than 29600
ten tons per year of emissions of an air contaminant or precursor 29601

of an air contaminant for which a national ambient air quality 29602
standard has been adopted under the federal Clean Air Act. In 29603
addition, best available technology requirements established in 29604
rules adopted under this division shall not apply to any existing, 29605

auctions of emission rights, and economic incentives that would 29626
reduce the cost or increase the efficiency of achieving a 29627
specified level of environmental protection; 29628

(W) Provide for the construction of an air contaminant source 29629
prior to obtaining a permit to install pursuant to division (F) of 29630
this section if the applicant demonstrates that the source will be 29631
installed to comply with all applicable emission limits and will 29632
not adversely affect public health or safety or the environment 29633

and if the director determines that such an action will avoid an 29634
unreasonable hardship on the owner or operator of the source. Any 29635
such determination shall be consistent with the federal Clean Air 29636
Act. 29637

(X) Exercise all incidental powers, including adoption of 29638

In the case of solid wastes that are taken to a solid waste 30048
transfer facility located in this state prior to being transported 30049
for disposal at a solid waste disposal facility located in this 30050
state or outside of this state, the fees levied under this 30051
division shall be collected by the owner or operator of the 30052
transfer facility as a trustee for the state. The amount of fees 30053
required to be collected under this division at such a transfer 30054
facility shall equal the total tonnage of solid wastes received at 30055
the facility multiplied by the fees levied under this division. In 30056
the case of solid wastes that are not taken to a solid waste 30057
transfer facility located in this state prior to being transported 30058
to a solid waste disposal facility, the fees shall be collected by 30059
the owner or operator of the solid waste disposal facility as a 30060
trustee for the state. The amount of fees required to be collected 30061
under this division at such a disposal facility shall equal the 30062
total tonnage of solid wastes received at the facility that was 30063
not previously taken to a solid waste transfer facility located in 30064

this state multiplied by the fees levied under this division. Fees 30065
levied under this division do not apply to materials separated 30066
from a mixed waste stream for recycling by a generator or 30067
materials removed from the solid waste stream through recycling, 30068
as "recycling" is defined in rules adopted under section 3734.02 30069
of the Revised Code. 30070

The owner or operator of a solid waste transfer facility or 30071
disposal facility, as applicable, shall prepare and file with the 30072
director of environmental protection each month a return 30073
indicating the total tonnage of solid wastes received at the 30074
facility during that month and the total amount of the fees 30075
required to be collected under this division during that month. In 30076
addition, the owner or operator of a solid waste disposal facility 30077
shall indicate on the return the total tonnage of solid wastes 30078
received from transfer facilities located in this state during 30079
that month for which the fees were required to be collected by the 30080
transfer facilities. The monthly returns shall be filed on a form 30081
prescribed by the director. Not later than thirty days after the 30082
last day of the month to which a return applies, the owner or 30083
operator shall mail to the director the return for that month 30084
together with the fees required to be collected under this 30085
division during that month as indicated on the return. If the 30086
return is filed and the amount of the fees due is paid in a timely 30087
manner as required in this division, the owner or operator may 30088
retain a discount of three-fourths of one per cent of the total 30089
amount of the fees that are required to be paid as indicated on 30090
the return. 30091

The owner or operator may request an extension of not more 30092
than thirty days for filing the return and remitting the fees, 30093
provided that the owner or operator has submitted such a request 30094
in writing to the director together with a detailed description of 30095
why the extension is requested, the director has received the 30096

request not later than the day on which the return is required to 30097
be filed, and the director has approved the request. If the fees 30098
are not remitted within thirty days after the last day of the 30099
month to which the return applies or are not remitted by the last 30100
day of an extension approved by the director, the owner or 30101
operator shall not retain the three-fourths of one per cent 30102
discount and shall pay an additional ten per cent of the amount of 30103
the fees for each month that they are late. For purposes of 30104
calculating the late fee, the first month in which fees are late 30105
begins on the first day after the deadline has passed for timely 30106
submitting the return and fees, and one additional month shall be 30107
counted every thirty days thereafter. 30108

The owner or operator of a solid waste facility may request a 30109
refund or credit of fees levied under this division and remitted 30110
to the director that have not been paid to the owner or operator. 30111
Such a request shall be made only if the fees have not been 30112
collected by the owner or operator, have become a debt that has 30113
become worthless or uncollectable for a period of six months or 30114
more, and may be claimed as a deduction, including a deduction 30115
claimed if the owner or operator keeps accounts on an accrual 30116
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 30117
U.S.C. 166, as amended, and regulations adopted under it. Prior to 30118
making a request for a refund or credit, an owner or operator 30119
shall make reasonable efforts to collect the applicable fees. A 30120
request for a refund or credit shall not include any costs 30121
resulting from those efforts to collect unpaid fees. 30122

A request for a refund or credit of fees shall be made in 30123
writing, on a form prescribed by the director, and shall be 30124
supported by evidence that may be required in rules adopted by the 30125
director under this chapter. After reviewing the request, and if 30126
the request and evidence submitted with the request indicate that 30127
a refund or credit is warranted, the director shall grant a refund 30128

to the owner or operator or shall permit a credit to be taken by 30129
the owner or operator on a subsequent monthly return submitted by 30130
the owner or operator. The amount of a refund or credit shall not 30131
exceed an amount that is equal to ninety days' worth of fees owed 30132
to an owner or operator by a particular debtor of the owner or 30133
operator. A refund or credit shall not be granted by the director 30134
to an owner or operator more than once in any twelve-month period 30135
for fees owed to the owner or operator by a particular debtor. 30136

If, after receiving a refund or credit from the director, an 30137
owner or operator receives payment of all or part of the fees, the 30138
owner or operator shall remit the fees with the next monthly 30139
return submitted to the director together with a written 30140
explanation of the reason for the submittal. 30141

For purposes of computing the fees levied under this division 30142
or division (B) of this section, any solid waste transfer or 30143
disposal facility that does not use scales as a means of 30144
determining gate receipts shall use a conversion factor of three 30145
cubic yards per ton of solid waste or one cubic yard per ton for 30146
baled waste, as applicable. 30147

The fees levied under this division and divisions (B) and (C) 30148
of this section are in addition to all other applicable fees and 30149
taxes and shall be paid by the customer or a political subdivision 30150
to the owner or operator of a solid waste transfer or disposal 30151
facility notwithstanding the existence of any provision in a 30152
contract that the customer or a political subdivision may have 30153
with the owner or operator or with a transporter of waste to the 30154
facility that would not require or allow such payment. 30155

(B) For the purposes specified in division (G) of this 30156
section, the solid waste management policy committee of a county 30157
or joint solid waste management district may levy fees upon the 30158
following activities: 30159

(1) The disposal at a solid waste disposal facility located 30160
in the district of solid wastes generated within the district; 30161

(2) The disposal at a solid waste disposal facility within 30162
the district of solid wastes generated outside the boundaries of 30163
the district, but inside this state; 30164

(3) The disposal at a solid waste disposal facility within 30165
the district of solid wastes generated outside the boundaries of 30166
this state. 30167

The solid waste management plan of the county or joint 30168
district approved under section 3734.521 or 3734.55 of the Revised 30169
Code and any amendments to it, or the resolution adopted under 30170
this division, as appropriate, shall establish the rates of the 30171
fees levied under divisions (B)(1), (2), and (3) of this section, 30172
if any, and shall specify whether the fees are levied on the basis 30173
of tons or cubic yards as the unit of measurement. A solid waste 30174
management district that levies fees under this division on the 30175
basis of cubic yards shall do so in accordance with division (A) 30176
of this section. 30177

The fee levied under division (B)(1) of this section shall be 30178
not less than one dollar per ton nor more than two dollars per 30179
ton, the fee levied under division (B)(2) of this section shall be 30180
not less than two dollars per ton nor more than four dollars per 30181
ton, and the fee levied under division (B)(3) of this section 30182
shall be not more than the fee levied under division (B)(1) of 30183
this section. 30184

Prior to the approval of the solid waste management plan of a 30185
district under section 3734.55 of the Revised Code, the solid 30186
waste management policy committee of a district may levy fees 30187
under this division by adopting a resolution establishing the 30188
proposed amount of the fees. Upon adopting the resolution, the 30189
committee shall deliver a copy of the resolution to the board of 30190

county commissioners of each county forming the district and to 30191
the legislative authority of each municipal corporation and 30192
township under the jurisdiction of the district and shall prepare 30193
and publish the resolution and a notice of the time and location 30194
where a public hearing on the fees will be held. Upon adopting the 30195
resolution, the committee shall deliver written notice of the 30196
adoption of the resolution; of the amount of the proposed fees; 30197
and of the date, time, and location of the public hearing to the 30198
director and to the fifty industrial, commercial, or institutional 30199
generators of solid wastes within the district that generate the 30200
largest quantities of solid wastes, as determined by the 30201
committee, and to their local trade associations. The committee 30202
shall make good faith efforts to identify those generators within 30203
the district and their local trade associations, but the 30204
nonprovision of notice under this division to a particular 30205
generator or local trade association does not invalidate the 30206
proceedings under this division. The publication shall occur at 30207
least thirty days before the hearing. After the hearing, the 30208
committee may make such revisions to the proposed fees as it 30209
considers appropriate and thereafter, by resolution, shall adopt 30210
the revised fee schedule. Upon adopting the revised fee schedule, 30211
the committee shall deliver a copy of the resolution doing so to 30212
the board of county commissioners of each county forming the 30213
district and to the legislative authority of each municipal 30214
corporation and township under the jurisdiction of the district. 30215
Within sixty days after the delivery of a copy of the resolution 30216
adopting the proposed revised fees by the policy committee, each 30217
such board and legislative authority, by ordinance or resolution, 30218
shall approve or disapprove the revised fees and deliver a copy of 30219
the ordinance or resolution to the committee. If any such board or 30220
legislative authority fails to adopt and deliver to the policy 30221
committee an ordinance or resolution approving or disapproving the 30222
revised fees within sixty days after the policy committee 30223

delivered its resolution adopting the proposed revised fees, it 30224
shall be conclusively presumed that the board or legislative 30225
authority has approved the proposed revised fees. The committee 30226
shall determine if the resolution has been ratified in the same 30227
manner in which it determines if a draft solid waste management 30228
plan has been ratified under division (B) of section 3734.55 of 30229
the Revised Code. 30230

The committee may amend the schedule of fees levied pursuant 30231
to a resolution adopted and ratified under this division by 30232
adopting a resolution establishing the proposed amount of the 30233
amended fees. The committee may repeal the fees levied pursuant to 30234
such a resolution by adopting a resolution proposing to repeal 30235
them. Upon adopting such a resolution, the committee shall proceed 30236
to obtain ratification of the resolution in accordance with this 30237
division. 30238

Not later than fourteen days after declaring the new fees to 30239
be ratified or the fees to be repealed under this division, the 30240
committee shall notify by certified mail the owner or operator of 30241
each solid waste disposal facility that is required to collect the 30242
fees of the ratification and the amount of the fees or of the 30243
repeal of the fees. Collection of any fees shall commence or 30244
collection of repealed fees shall cease on the first day of the 30245
second month following the month in which notification is sent to 30246
the owner or operator. 30247

Fees levied under this division also may be established, 30248
amended, or repealed by a solid waste management policy committee 30249
through the adoption of a new district solid waste management 30250
plan, the adoption of an amended plan, or the amendment of the 30251
plan or amended plan in accordance with sections 3734.55 and 30252
3734.56 of the Revised Code or the adoption or amendment of a 30253
district plan in connection with a change in district composition 30254
under section 3734.521 of the Revised Code. 30255

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees

or amended fees levied under divisions (B)(1) to (3) of this 30289
section pursuant to the district's initial or amended plan as so 30290
approved or, if appropriate, the repeal of the district's fees by 30291
that initial or amended plan. Collection of any fees set forth in 30292
such a plan or amended plan shall commence on the first day of 30293
January immediately following the issuance of the notice. If such 30294
an initial or amended plan repeals a schedule of fees, collection 30295
of the fees shall cease on that first day of January. 30296

If, in the case of a change in district composition involving 30297
the withdrawal of a county from a joint district, the director 30298
completes the actions required under division (G)(1) or (3) of 30299
section 3734.521 of the Revised Code, as appropriate, less than 30300
forty-five days before the beginning of a calendar year, the 30301
director, on behalf of each of the districts resulting from the 30302
change that obtained the director's approval of an initial or 30303
amended plan in connection with the change proceedings, shall 30304
notify by certified mail the owner or operator of each solid waste 30305
disposal facility that is required to collect the district's fees 30306
that the change is to take effect on the first day of January 30307
immediately following the mailing of the notice and of the amount 30308
of the fees or amended fees levied under divisions (B)(1) to (3) 30309
of this section pursuant to the district's initial or amended plan 30310
as so approved or, if appropriate, the repeal of the district's 30311
fees by that initial or amended plan. Collection of any fees set 30312
forth in such a plan or amended plan shall commence on the first 30313
day of the second month following the month in which notification 30314
is sent to the owner or operator. If such an initial or amended 30315
plan repeals a schedule of fees, collection of the fees shall 30316
cease on the first day of the second month following the month in 30317
which notification is sent to the owner or operator. 30318

If the schedule of fees that a solid waste management 30319
district is levying under divisions (B)(1) to (3) of this section 30320

is amended or repealed, the fees in effect immediately prior to 30321
the amendment or repeal shall continue to be collected until 30322
collection of the amended fees commences or collection of the 30323
repealed fees ceases, as applicable, as specified in this 30324
division. In the case of a change in district composition, money 30325
so received from the collection of the fees of the former 30326
districts shall be divided among the resulting districts in 30327
accordance with division (B) of section 343.012 of the Revised 30328
Code and the agreements entered into under division (B) of section 30329
343.01 of the Revised Code to establish the former and resulting 30330
districts and any amendments to those agreements. 30331

For the purposes of the provisions of division (B) of this 30332
section establishing the times when newly established or amended 30333
fees levied by a district are required to commence and the 30334
collection of fees that have been amended or repealed is required 30335
to cease, "fees" or "schedule of fees" includes, in addition to 30336
fees levied under divisions (B)(1) to (3) of this section, those 30337
levied under section 3734.573 or 3734.574 of the Revised Code. 30338

(C) For the purposes of defraying the added costs to a 30339
municipal corporation or township of maintaining roads and other 30340
public facilities and of providing emergency and other public 30341
services, and compensating a municipal corporation or township for 30342
reductions in real property tax revenues due to reductions in real 30343
property valuations resulting from the location and operation of a 30344
solid waste disposal facility within the municipal corporation or 30345
township, a municipal corporation or township in which such a 30346
solid waste disposal facility is located may levy a fee of not 30347
more than twenty-five cents per ton on the disposal of solid 30348
wastes at a solid waste disposal facility located within the 30349
boundaries of the municipal corporation or township regardless of 30350
where the wastes were generated. 30351

for and obtain a Title V permit under section 3704.036 of the		31220
Revised Code shall pay the fees set forth in division (C)(1) of		31221
this section. For the purposes of that division, total emissions		31222
of air contaminants may be calculated using engineering		31223
calculations, emissions factors, material balance calculations, or		31224
performance testing procedures, as authorized by the director.		31225
The following fees shall be assessed on the total actual		31226
emissions from a source in tons per year of the regulated		31227

pollutants particulate matter, sulfur dioxide, nitrogen oxides, 31228
organic compounds, and lead: 31229

(a) Fifteen dollars per ton on the total actual emissions of 31230
each such regulated pollutant during the period July through 31231
December 1993, to be collected no sooner than July 1, 1994; 31232

(b) Twenty dollars per ton on the total actual emissions of 31233

subsequent calendar year, to be collected no sooner than the 31238
fifteenth day of April of the year next succeeding the calendar 31239
year in which the emissions occurred. 31240

The fees levied under division (C)(1) of this section do not 31241
apply to that portion of the emissions of a regulated pollutant at 31242
a facility that exceed four thousand tons during a calendar year. 31243

(2) The fees assessed under division (C)(1) of this section 31244
are for the purpose of providing funding for the Title V permit 31245
program. 31246

(3) The fees assessed under division (C)(1) of this section 31247
do not apply to emissions from any electric generating unit 31248
designated as a Phase I unit under Title IV of the federal Clean 31249
Air Act prior to calendar year 2000. Those fees shall be assessed 31250
on the emissions from such a generating unit commencing in 31251
calendar year 2001 based upon the total actual emissions from the 31252
generating unit during calendar year 2000 and shall continue to be 31253

emissions from the generating unit during the preceding calendar 31255
year. 31256

from January 1, 1994, through December 31, 2003, each person who 31266
owns or operates an air contaminant source; who is required to 31267
apply for a permit to operate pursuant to rules adopted under 31268
division (G), or a variance pursuant to division (H), of section 31269
3704.03 of the Revised Code; and who is not required to apply for 31270
and obtain a Title V permit under section 3704.036 of the Revised 31271
Code shall pay a single fee based upon the sum of the actual 31272

variance pursuant to division (H), of section 3704.03 of the 31286
Revised Code; and who is not required to apply for and obtain a 31287
Title V permit under section 3704.03 of the Revised Code shall pay 31288

minor facility" means a facility for which one or more permits to 31301
install or permits to operate have been issued for the air 31302
contaminant sources at the facility that include terms and 31303
conditions that lower the facility's potential to emit air 31304
contaminants below the major source thresholds established in 31305
rules adopted under section 3704.036 of the Revised Code. 31306

(b) Beginning January 1, 2000, through June 30, ~~2008~~ 2010, 31307
each person who owns or operates a synthetic minor facility shall 31308
pay an annual fee based on the sum of the actual annual emissions 31309

(4) The fees assessed under division (D)(1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 1995. The fees assessed under division (D)(2) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 2005. The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (C)(1) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for the purposes of division (C)(1) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section: 31355

(a) The consumer price index for any year is the average of 31356
the consumer price index for all urban consumers published by the 31357
United States department of labor as of the close of the 31358
twelve-month period ending on the thirty-first day of August of 31359
that year. 31360

(b) If the 1989 consumer price index is revised, the director 31361
shall use the revision of the consumer price index that is most 31362
consistent with that for calendar year 1989. 31363

(F) Each person who is issued a permit to install pursuant to 31364
rules adopted under division (F) of section 3704.03 of the Revised 31365
