secretary of state alternative payment program fund, the secretary 1637  
of state shall pay those funds ~~into the state treasury~~ to the 1638  
credit of the corporate and uniform commercial code filing fund, 1639

**Sec. 117.11.** (A) Except as otherwise provided in this 1644  
division and in sections 117.112 and 117.113 of the Revised Code, 1645

every two fiscal years. The auditor of state shall audit a public 1647  
office each fiscal year if that public office is required to be 1648  
audited on an annual basis pursuant to "The Single Audit Act of 1649  
1984," 98 Stat. 2327, 31 U.S.C.A. 7501 et seq., as amended. In the 1650  
annual or biennial audit, inquiry shall be made into the methods, 1651  
accuracy, and legality of the accounts, financial reports, 1652  
records, files, and reports of the office, whether the laws, 1653  
rules, ordinances, and orders pertaining to the office have been 1654  
observed, and whether the requirements and rules of the auditor of 1655  
state have been complied with. Except as otherwise provided in 1656  
this division or where auditing standards or procedures dictate 1657  
otherwise, each audit shall cover at least one fiscal year. If a 1658  
public office is audited only once every two fiscal years, the 1659  
audit shall cover both fiscal years. 1660

(B) In addition to the annual or biennial audit provided for 1661  
in division (A) of this section, the auditor of state may conduct 1662  
an audit of a public office at any time when so requested by the 1663  
public office or upon the auditor of state's own initiative if the 1664

auditor of state has reasonable cause to believe that an 1665  
additional audit is in the public interest. 1666

(C)(1) The auditor of state shall identify any public office 1667  
in which the auditor of state will be unable to conduct an audit 1668  
at least once every two fiscal years as required by division (A) 1669  
of this section and shall provide immediate written notice to the 1670  
clerk of the legislative authority or governing board of the 1671  
public office so identified. Within six months of the receipt of 1672  
such notice, the legislative authority or governing board may 1673  
engage an independent certified public accountant to conduct an 1674  
audit pursuant to section 117.12 of the Revised Code. 1675

(2) When the chief fiscal officer of a public office notifies 1676  
the auditor of state that an audit is required at a time prior to 1677  
the next regularly scheduled audit by the auditor of state, the 1678  
auditor of state shall either cause an earlier audit to be made by 1679  
the auditor of state or authorize the legislative authority or 1680  
governing board of the public office to engage an independent 1681  
certified public accountant to conduct the required audit. The 1682  
scope of the audit shall be as authorized by the auditor of state. 1683

(3) The auditor of state shall approve the scope of an audit 1684  
under division (C)(1) or (2) of this section as set forth in the 1685  
contract for the proposed audit before the contract is executed on 1686  
behalf of the public office that is to be audited. The independent 1687  
accountant conducting an audit under division (C)(1) or (2) of 1688  
this section shall be paid by the public office. 1689

(D) If a uniform accounting network is established under 1690  
section 117.101 of the Revised Code, the auditor of state or a 1691  
certified public accountant employed pursuant to this section or 1692  
section 115.56 or 117.112 of the Revised Code shall, to the extent 1693  
practicable, utilize services offered by the network in order to 1694  
conduct efficient and economical audits of public offices. 1695

(E) The auditor of state shall, in accordance with division 1696  
(A)(3) of section 9.65 of the Revised Code and this section, audit 1697  
an annuity program for volunteer fire fighters established by a 1698  
political subdivision under section 9.65 of the Revised Code. As 1699  
used in this section, "volunteer fire fighters" and "political 1700  
subdivision" have the same meanings as in division (C) of section 1701  
9.65 of the Revised Code. 1702

Sec. 117.112. The auditor of state shall audit the buckeye 1703  
tobacco settlement financing authority each fiscal year in 1704  
accordance with this chapter. The auditor may engage an 1705  
independent certified public accountant to conduct the audit. 1706

Sec. 117.113. The auditor of state shall audit each science, 1707  
technology, engineering, and mathematics school established under 1708  
Chapter 3326. of the Revised Code in accordance with this chapter 1709  
each fiscal year. 1710

Sec. 119.07. Except when a statute prescribes a notice and 1711  
the persons to whom it shall be given, in all cases in which 1712  
section 119.06 of the Revised Code requires an agency to afford an 1713  
opportunity for a hearing prior to the issuance of an order, the 1714  
agency shall give notice to the party informing ~~him~~ the party of 1715  
~~his~~ the party's right to a hearing. Notice shall be given by 1716  
registered mail, return receipt requested, and shall include the 1717  
charges or other reasons for the proposed action, the law or rule 1718  
directly involved, and a statement informing the party that ~~he~~ the 1719  
party is entitled to a hearing if ~~he~~ the party requests it within 1720  
thirty days of the time of mailing the notice. The notice shall 1721  
also inform the party that at the hearing ~~he~~ the party may appear 1722  
in person, by ~~his~~ the party's attorney, or by such other 1723  
representative as is permitted to practice before the agency, or 1724  
may present ~~his~~ the party's position, arguments, or contentions in 1725

writing and that at the hearing ~~he~~ the party may present evidence 1726  
and examine witnesses appearing for and against ~~him~~ the party. A 1727  
copy of the notice shall be mailed to attorneys or other 1728  
representatives of record representing the party. This paragraph 1729  
does not apply to situations in which such section provides for a 1730  
hearing only when it is requested by the party. 1731

When a statute specifically permits the suspension of a 1732  
license without a prior hearing, notice of the agency's order 1733  
shall be sent to the party by registered mail, return receipt 1734  
requested, not later than the business day next succeeding such 1735  
order. The notice shall state the reasons for the agency's action, 1736  
cite the law or rule directly involved, and state that the party 1737  
will be afforded a hearing if ~~he~~ the party requests it within 1738  
thirty days of the time of mailing the notice. A copy of the 1739  
notice shall be mailed to attorneys or other representatives of 1740  
record representing the party. 1741

Whenever a party requests a hearing in accordance with this 1742  
section and section 119.06 of the Revised Code, the agency shall 1743  
immediately set the date, time, and place for the hearing and 1744  
forthwith notify the party thereof. The date set for the hearing 1745  
shall be within fifteen days, but not earlier than seven days, 1746  
after the party has requested a hearing, unless otherwise agreed 1747  
to by both the agency and the party. 1748

When any notice sent by registered mail, as required by 1749  
sections 119.01 to 119.13 of the Revised Code, is returned because 1750  
of failure of delivery the party fails to claim the notice, the 1751  
agency shall send the notice by ordinary mail to the party at the 1752  
party's last known address and shall obtain a certificate of 1753  
mailing. Service by ordinary mail is complete when the certificate 1754  
of mailing is obtained unless the notice is returned showing 1755  
failure of delivery. 1756

If any notice sent by registered or ordinary mail is returned 1757

for failure of delivery, the agency either shall make personal 1758  
delivery of the notice by an employee or agent of the agency or 1759  
shall cause a summary of the substantive provisions of the notice 1760  
to be published once a week for three consecutive weeks in a 1761  
newspaper of general circulation in the county where the last 1762  
known ~~place of residence or business~~ address of the party is 1763  
located. When notice is given by publication, a ~~copy of the~~ 1764  
~~newspaper~~ proof of publication affidavit, with the first 1765  
publication of the notice ~~marked~~ set forth in the affidavit, shall 1766  
be mailed by ordinary mail to the party at the party's last known 1767  
address and the notice shall be deemed received as of the date of 1768  
the last publication. An employee or agent of the agency may make 1769  
personal delivery of the notice upon a party at any time. 1770

Refusal of delivery by personal service or by mail is not 1771  
failure of delivery and service is deemed to be complete. Failure 1772  
of delivery occurs only when a mailed notice is returned by the 1773  
postal authorities marked undeliverable, address or addressee 1774  
unknown, or forwarding address unknown or expired. A party's last 1775  
known address is the mailing address of the party appearing in the 1776  
records of the agency. 1777

The failure of an agency to give the notices for any hearing 1778  
required by sections 119.01 to 119.13 of the Revised Code in the 1779  
manner provided in this section shall invalidate any order entered 1780  
pursuant to the hearing. 1781

**Sec. 120.33.** (A) In lieu of using a county public defender or 1782  
joint county public defender to represent indigent persons in the 1783  
proceedings set forth in division (A) of section 120.16 of the 1784  
Revised Code, the board of county commissioners of any county may 1785  
adopt a resolution to pay counsel who are either personally 1786  
selected by the indigent person or appointed by the court. The 1787  
resolution shall include those provisions the board of county 1788

commissioners considers necessary to provide effective 1789  
representation of indigent persons in any proceeding for which 1790  
counsel is provided under this section. The resolution shall 1791  
include provisions for contracts with any municipal corporation 1792  
under which the municipal corporation shall reimburse the county 1793  
for counsel appointed to represent indigent persons charged with 1794  
violations of the ordinances of the municipal corporation. 1795

(1) In a county that adopts a resolution to pay counsel, an 1796  
indigent person shall have the right to do either of the 1797

the person in any proceeding included within the provisions of the 1800  
resolution; 1801

(b) To request the court to appoint counsel to represent the 1802  
person in such a proceeding. 1803

(2) The court having jurisdiction over the proceeding in a 1804  
county that adopts a resolution to pay counsel shall, after 1805  
determining that the person is indigent and entitled to legal 1806  
representation under this section, do either of the following: 1807

(3) The board of county commissioners shall establish a 1815  
schedule of fees by case or on an hourly basis to be paid to 1816  
counsel for legal services provided pursuant to a resolution 1817  
adopted under this section. Prior to establishing the schedule, 1818  
the board of county commissioners shall request the bar 1819

association or associations of the county to submit a proposed 1820  
schedule. The schedule submitted shall be subject to the review, 1821  
amendment, and approval of the board of county commissioners. 1822

(4) Counsel selected by the indigent person or appointed by 1823  
the court at the request of an indigent person in a county that 1824  
adopts a resolution to pay counsel, except for counsel appointed 1825  
to represent a person charged with any violation of an ordinance 1826  
of a municipal corporation that has not contracted with the county 1827  
commissioners for the payment of appointed counsel, shall be paid 1828  
by the county and shall receive the compensation and expenses the 1829  
court approves. Each request for payment shall be accompanied by a 1830  
financial disclosure form and an affidavit of indigency that are 1831  
completed by the indigent person on forms prescribed by the state 1832  
public defender. Compensation and expenses shall not exceed the 1833  
amounts fixed by the board of county commissioners in the schedule 1834  
adopted pursuant to division (A)(3) of this section. No court 1835  
shall approve compensation and expenses that exceed the amount 1836  
fixed pursuant to division (A)(3) of this section. 1837

The fees and expenses approved by the court shall not be 1838  
taxed as part of the costs and shall be paid by the county. 1839  
However, if the person represented has, or may reasonably be 1840  
expected to have, the means to meet some part of the cost of the 1841  
services rendered to the person, the person shall pay the county 1842  
an amount that the person reasonably can be expected to pay. 1843  
Pursuant to section 120.04 of the Revised Code, the county shall 1844  
pay to the state public defender a percentage of the payment 1845  
received from the person in an amount proportionate to the 1846  
percentage of the costs of the person's case that were paid to the 1847  
county by the state public defender pursuant to this section. The 1848  
money paid to the state public defender shall be credited to the 1849  
client payment fund created pursuant to division (B)(5) of section 1850  
120.04 of the Revised Code. 1851

The county auditor shall draw a warrant on the county treasurer for the payment of counsel in the amount fixed by the court, plus the expenses the court fixes and certifies to the auditor. The county auditor shall report periodically, but not less than annually, to the board of county commissioners and to the ~~Ohio state~~ state public defender ~~commission~~ the amounts paid out pursuant to the approval of the court. The board of county commissioners, after review and approval of the auditor's report, or the county auditor, with permission from and notice to the board of county commissioners, may then certify it to the state public defender for reimbursement. ~~If a~~ The state public defender may pay a requested reimbursement only if the request for reimbursement is ~~not~~ accompanied by a financial disclosure form and an affidavit of indigency completed by the indigent person on forms prescribed by the state public defender, ~~the state public defender shall not pay the requested reimbursement or if the court certifies by electronic signature as prescribed by the state public defender that a financial disclosure form and affidavit of indigency have been completed by the indigent person and are available for inspection.~~ If a request for the reimbursement of the cost of counsel in any case is not received by the state public defender within ninety days after the end of the calendar month in which the case is finally disposed of by the court, unless the county has requested and the state public defender has granted an extension of the ninety-day limit, the state public defender shall not pay the requested reimbursement. The state public defender shall also review the report and, in accordance with the standards, guidelines, and maximums established pursuant to divisions (B)(7) and (8) of section 120.04 of the Revised Code, prepare a voucher for fifty per cent of the total cost of each county appointed counsel system in the period of time covered by the certified report and a voucher for fifty per cent of the costs and expenses that are reimbursable under section 120.35 of the

Revised Code, if any, or, if the amount of money appropriated by 1885  
the general assembly to reimburse counties for the operation of 1886  
county public defender offices, joint county public defender 1887  
offices, and county appointed counsel systems is not sufficient to 1888

systems other than costs and expenses that are reimbursable under 1890  
section 120.35 of the Revised Code, for the lesser amount required 1891  
by section 120.34 of the Revised Code. 1892

(5) If any county appointed counsel system fails to maintain 1893  
the standards for the conduct of the system established by the 1894  
rules of the Ohio public defender commission pursuant to divisions 1895  
(B) and (C) of section 120.03 or the standards established by the 1896  
state public defender pursuant to division (B)(7) of section 1897  
120.04 of the Revised Code, the Ohio public defender commission 1898  
shall notify the board of county commissioners of the county that 1899  
the county appointed counsel system has failed to comply with its 1900  
rules or the standards of the state public defender. Unless the 1901  
board of county commissioners corrects the conduct of its 1902  
appointed counsel system to comply with the rules and standards 1903  
within ninety days after the date of the notice, the state public 1904  
defender may deny all or part of the county's reimbursement from 1905  
the state provided for in division (A)(4) of this section. 1906

(B) In lieu of using a county public defender or joint county 1907

set forth in division (A) of section 120.16 of the Revised Code, 1909  
and in lieu of adopting the resolution and following the procedure 1910  
described in division (A) of this section, the board of county 1911  
commissioners of any county may contract with the state public 1912  
defender for the state public defender's legal representation of 1913  
indigent persons. A contract entered into pursuant to this 1914  
division may provide for payment for the services provided on a 1915  
per case, hourly, or fixed contract basis. 1916

(C) If a court appoints an attorney pursuant to this section 1917  
to represent a petitioner in a postconviction relief proceeding 1918  
under section 2953.21 of the Revised Code, the petitioner has 1919  
received a sentence of death, and the proceeding relates to that 1920  
sentence, the attorney who represents the petitioner in the 1921  
proceeding pursuant to the appointment shall be certified under 1922  
Rule 20 of the Rules of Superintendence for the Courts of Ohio to 1923

the rights of the parties involved in each case are protected. The 2042  
inspector general shall include in the annual report required by 2043

section 121.48 of the Revised Code a summary of the deputy 2044  
inspector general's activities during the previous year. 2045

No person shall disclose any information that is designated 2046  
as confidential in accordance with section 121.44 of the Revised 2047  
Code or any confidential information that is acquired in the 2048  
course of an investigation conducted under this section to any 2049  
person who is not legally entitled to disclosure of that 2050  
information. 2051

Sec. 122.051. There is hereby created in the state treasury 2052  
the international trade cooperative projects fund. The fund shall 2053  
consist of moneys received from private and nonprofit 2054  
organizations involved in cooperative agreements related to 2055  
import/export and direct foreign investment activities and cash 2056  
transfers from other state agencies or any state or local 2057  
government to encourage, promote, and assist trade and commerce 2058  
between this state and foreign nations, pursuant to section 122.05 2059  
and division (E) of section 122.04 of the Revised Code. 2060

Sec. 122.071. There is hereby created in the state treasury 2061  
the travel and tourism cooperative projects fund consisting of all 2062  
grants, gifts, and contributions made to the director of 2063  
development for marketing and promotion of travel and tourism 2064  
within this state pursuant to division (F) of section 122.04 and 2065  
section 122.07 of the Revised Code. 2066

Sec. 122.076. There is hereby created in the state treasury 2067  
the energy projects fund consisting of nonfederal revenue that is 2068  
remitted to the director of development for the purpose of energy 2069  
projects. Money in the fund shall be used by the department of 2070  
development for energy projects and to pay the costs incurred in 2071  
administering the energy projects. 2072

Sec. 122.17. (A) As used in this section: 2073

(1) "Full-time employee" means an individual who is employed 2074  
for consideration for at least an average of thirty-five hours a 2075  
week ~~or~~, who renders any other standard of service generally 2076  
accepted by custom or specified by contract as full-time 2077  
employment, or who is employed for consideration for such time or 2078  
renders such service but is on family or medical leave under the 2079  
federal Family and Medical Leave Act of 1993, Pub. L. No. 103-3, 2080  
107 Stat. 6, as amended, or on active duty reserve or Ohio 2081  
national guard service. 2082

(2) "New employee" means one of the following: 2083

(a) A full-time employee first employed by a taxpayer in the 2084  
project that is the subject of the agreement after the taxpayer 2085  
enters into a tax credit agreement with the tax credit authority 2086  
under this section; 2087

(b) A full-time employee first employed by a taxpayer in the 2088  
project that is the subject of the tax credit after the tax credit 2089  
authority approves a project for a tax credit under this section 2090  
in a public meeting, as long as the taxpayer enters into the tax 2091  
credit agreement prepared by the department of development after 2092  
such meeting within sixty days after receiving the agreement from 2093  
the department. If the taxpayer fails to enter into the agreement 2094  
within sixty days, "new employee" has the same meaning as under 2095  
division (A)(2)(a) of this section. A full-time employee may be 2096  
considered a "new employee" of a taxpayer, despite previously 2097  
having been employed by a related member of the taxpayer, if all 2098  
of the following apply: 2099

(i) The related member is a party to the tax credit agreement 2100  
at the time the employee is first employed with the taxpayer; 2101

(ii) The related member will remain subject to the tax 2102

imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 2103  
under Chapter 5751. of the Revised Code for the remainder of the 2104  
term of the tax credit, and the tax credit is taken against 2105  
liability for that same tax through the remainder of the term of 2106  
the tax credit; and 2107

(iii) The employee was considered a new employee of the 2108  
related member prior to employment with the taxpayer. 2109

Under division (A)(2)(a) or (b) of this section, if the tax 2110  
credit authority determines it appropriate, "new employee" also 2111  
may include an employee re-hired or called back from lay-off to 2112  
work in a new facility or on a new product or service established 2113  
or produced by the taxpayer after entering into the agreement 2114  
under this section or after the tax credit authority approves the 2115  
tax credit in a public meeting. Except as otherwise provided in 2116  
this paragraph, "new employee" does not include any employee of 2117  
the taxpayer who was previously employed in this state by a 2118  
related member of the taxpayer and whose employment was shifted to 2119  
the taxpayer after the taxpayer entered into the tax credit 2120  
agreement or after the tax credit authority approved the credit in 2121  
a public meeting, or any employee of the taxpayer for which the 2122  
taxpayer has been granted a certificate under division (B) of 2123  
section 5709.66 of the Revised Code. However, if the taxpayer is 2124  
engaged in the enrichment and commercialization of uranium or 2125  
uranium products or is engaged in research and development 2126  
activities related thereto and if the tax credit authority 2127  
determines it appropriate, "new employee" may include an employee 2128  
of the taxpayer who was previously employed in this state by a 2129  
related member of the taxpayer and whose employment was shifted to 2130  
the taxpayer after the taxpayer entered into the tax credit 2131  
agreement or after the tax credit authority approved the credit in 2132  
a public meeting. "New employee" does not include an employee of 2133  
the taxpayer who is employed in an employment position that was 2134

relocated to a project from other operations of the taxpayer in 2135  
this state or from operations of a related member of the taxpayer 2136  
in this state. In addition, "new employee" does not include a 2137  
child, grandchild, parent, or spouse, other than a spouse who is 2138  
legally separated from the individual, of any individual who is an 2139  
employee of the taxpayer and who has a direct or indirect 2140  
ownership interest of at least five per cent in the profits, 2141  
capital, or value of the taxpayer. Such ownership interest shall 2142  
be determined in accordance with section 1563 of the Internal 2143  
Revenue Code and regulations prescribed thereunder. 2144

(3) "New income tax revenue" means the total amount withheld 2145  
under section 5747.06 of the Revised Code by the taxpayer during 2146  
the taxable year, or during the calendar year that includes the 2147  
tax period, from the compensation of new employees for the tax 2148  
levied under Chapter 5747. of the Revised Code. 2149

(4) "Related member" has the same meaning as under division 2150  
(A)(6) of section 5733.042 of the Revised Code without regard to 2151  
division (B) of that section. 2152

(B) The tax credit authority may make grants under this 2153  
section to foster job creation in this state. Such a grant shall 2154  
take the form of a refundable credit allowed against the tax 2155  
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 2156  
under Chapter 5751. of the Revised Code. The credit shall be 2157  
claimed for the taxable years or tax periods specified in the 2158  
taxpayer's agreement with the tax credit authority under division 2159  
(D) of this section. With respect to taxes imposed under section 2160  
5733.06 or 5747.02 or Chapter 5751. of the Revised Code, the 2161  
credit shall be claimed in the order required under section 2162  
5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of 2163  
the credit available for a taxable year or for a calendar year 2164  
that includes a tax period equals the new income tax revenue for 2165  
that year multiplied by the percentage specified in the agreement 2166

with the tax credit authority. Any credit granted under this 2167  
section against the tax imposed by section 5733.06 or 5747.02 of 2168  
the Revised Code, to the extent not fully utilized against such 2169  
tax for taxable years ending prior to 2008, shall automatically be 2170  
converted without any action taken by the tax credit authority to 2171  
a credit against the tax levied under Chapter 5751. of the Revised 2172  
Code for tax periods beginning on or after July 1, 2008, provided 2173  
that the person to whom the credit was granted is subject to such 2174  
tax. The converted credit shall apply to those calendar years in 2175  
which the remaining taxable years specified in the agreement end. 2176

(C) A taxpayer or potential taxpayer who proposes a project 2177  
to create new jobs in this state may apply to the tax credit 2178  
authority to enter into an agreement for a tax credit under this 2179  
section. The director of development shall prescribe the form of 2180  
the application. After receipt of an application, the authority 2181  
may enter into an agreement with the taxpayer for a credit under 2182  
this section if it determines all of the following: 2183

(1) The taxpayer's project will create new jobs in this 2184  
state; 2185

(2) The taxpayer's project is economically sound and will 2186  
benefit the people of this state by increasing opportunities for 2187  
employment and strengthening the economy of this state; 2188

(3) Receiving the tax credit is a major factor in the 2189  
taxpayer's decision to go forward with the project. 2190

(D) An agreement under this section shall include all of the 2191  
following: 2192

(1) A detailed description of the project that is the subject 2193  
of the agreement; 2194

(2) The term of the tax credit, which shall not exceed 2195  
fifteen years, and the first taxable year, or first calendar year 2196  
that includes a tax period, for which the credit may be claimed; 2197

(3) A requirement that the taxpayer shall maintain operations at the project location for at least twice the number of years as the term of the tax credit;	2198 2199 2200
(4) The percentage, as determined by the tax credit authority, of new income tax revenue that will be allowed as the amount of the credit for each taxable year or for each calendar year that includes a tax period;	2201 2202 2203 2204
(5) A specific method for determining how many new employees are employed during a taxable year or during a calendar year that includes a tax period;	2205 2206 2207
(6) A requirement that the taxpayer annually shall report to the director of development the number of new employees, the new income tax revenue withheld in connection with the new employees, and any other information the director needs to perform the director's duties under this section;	2208 2209 2210 2211 2212
(7) A requirement that the director of development annually shall verify the amounts reported under division (D)(6) of this section, and after doing so shall issue a certificate to the taxpayer stating that the amounts have been verified;	2213 2214 2215 2216
(8)(a) A provision requiring that the taxpayer, except as otherwise provided in division (D)(8)(b) of this section, shall not relocate employment positions from elsewhere in this state to the project site that is the subject of the agreement for the lesser of five years from the date the agreement is entered into or the number of years the taxpayer is entitled to claim the tax credit.	2217 2218 2219 2220 2221 2222 2223
(b) The taxpayer may relocate employment positions from elsewhere in this state to the project site that is the subject of the agreement if the director of development determines both of the following:	2224 2225 2226 2227
(i) That the site from which the employment positions would	2228

be relocated is inadequate to meet market and industry conditions, 2229  
expansion plans, consolidation plans, or other business 2230  
considerations affecting the taxpayer; 2231

(ii) That the legislative authority of the county, township, 2232  
or municipal corporation from which the employment positions would 2233  
be relocated has been notified of the relocation. 2234

For purposes of this section, the movement of an employment 2235  
position from one political subdivision to another political 2236  
subdivision shall be considered a relocation of an employment 2237  
position, but the transfer of an individual employee from one 2238  
political subdivision to another political subdivision shall not 2239  
be considered a relocation of an employment position as long as 2240  
the individual's employment position in the first political 2241  
subdivision is refilled. 2242

(E) If a taxpayer fails to meet or comply with any condition 2243  
or requirement set forth in a tax credit agreement, the tax credit 2244  
authority may amend the agreement to reduce the percentage or term 2245  
of the tax credit. The reduction of the percentage or term shall 2246  
take effect (1) in the taxable year immediately following the 2247  
taxable year in which the authority amends the agreement or the 2248  
director of development notifies the taxpayer in writing of such 2249  
failure, or (2) in the first tax period beginning in the calendar 2250  
year immediately following the calendar year in which the 2251  
authority amends the agreement or the director notifies the 2252  
taxpayer in writing of such failure. If the taxpayer fails to 2253  
annually report any of the information required by division (D)(6) 2254  
of this section within the time required by the director, the 2255  
reduction of the percentage or term may take effect in the current 2256  
taxable year. If the taxpayer relocates employment positions in 2257  
violation of the provision required under division (D)(8)(a) of 2258  
this section, the taxpayer shall not claim the tax credit under 2259  
section 5733.0610 of the Revised Code for any tax years following 2260

the calendar year in which the relocation occurs, or shall not 2261  
claim the tax credit under section 5725.32, 5729.032, or 5747.058 2262  
of the Revised Code for the taxable year in which the relocation 2263  
occurs and any subsequent taxable years, and shall not claim the 2264  
tax credit under division (A) of section 5751.50 of the Revised 2265  
Code for any tax period in the calendar year in which the 2266  
relocation occurs and any subsequent tax periods. 2267

(F) Projects that consist solely of point-of-final-purchase 2268  
retail facilities are not eligible for a tax credit under this 2269  
section. If a project consists of both point-of-final-purchase 2270  
retail facilities and nonretail facilities, only the portion of 2271  
the project consisting of the nonretail facilities is eligible for 2272  
a tax credit and only the new income tax revenue from new 2273  
employees of the nonretail facilities shall be considered when 2274  
computing the amount of the tax credit. If a warehouse facility is 2275  
part of a point-of-final-purchase retail facility and supplies 2276  
only that facility, the warehouse facility is not eligible for a 2277  
tax credit. Catalog distribution centers are not considered 2278  
point-of-final-purchase retail facilities for the purposes of this 2279  
division, and are eligible for tax credits under this section. 2280

(G) Financial statements and other information submitted to 2281  
the department of development or the tax credit authority by an 2282  
applicant or recipient of a tax credit under this section, and any 2283  
information taken for any purpose from such statements or 2284  
information, are not public records subject to section 149.43 of 2285  
the Revised Code. However, the chairperson of the authority may 2286  
make use of the statements and other information for purposes of 2287  
issuing public reports or in connection with court proceedings 2288  
concerning tax credit agreements under this section. Upon the 2289  
request of the tax commissioner or, if the applicant or recipient 2290  
is an insurance company, upon the request of the superintendent of 2291  
insurance, the chairperson of the authority shall provide to the 2292

commissioner or superintendent any statement or information 2293  
submitted by an applicant or recipient of a tax credit in 2294  
connection with the credit. The commissioner or superintendent 2295  
shall preserve the confidentiality of the statement or 2296  
information. 2297

(H) A taxpayer claiming a credit under this section shall 2298  
submit to the tax commissioner or, if the taxpayer is an insurance 2299  
company, to the superintendent of insurance, a copy of the 2300  
director of development's certificate of verification under 2301  
division (D)(7) of this section with the taxpayer's tax report or 2302  
return for the taxable year or for the calendar year that includes 2303  
the tax period. Failure to submit a copy of the certificate with 2304  
the report or return does not invalidate a claim for a credit if 2305  
the taxpayer submits a copy of the certificate to the commissioner 2306  
or superintendent within sixty days after the commissioner or 2307  
superintendent requests it. 2308

(I) The director of development, after consultation with the 2309  
tax commissioner and the superintendent of insurance and in 2310  
accordance with Chapter 119. of the Revised Code, shall adopt 2311  
rules necessary to implement this section. The rules may provide 2312  
for recipients of tax credits under this section to be charged 2313  
fees to cover administrative costs of the tax credit program. The 2314  
fees collected shall be credited to the tax incentive programs 2315  
operating fund created in section 122.174 of the Revised Code. At 2316  
the time the director gives public notice under division (A) of 2317  
section 119.03 of the Revised Code of the adoption of the rules, 2318  
the director shall submit copies of the proposed rules to the 2319  
chairpersons of the standing committees on economic development in 2320  
the senate and the house of representatives. 2321

(J) For the purposes of this section, a taxpayer may include 2322  
a partnership, a corporation that has made an election under 2323  
subchapter S of chapter one of subtitle A of the Internal Revenue 2324

Code, or any other business entity through which income flows as a 2325  
distributive share to its owners. A ~~credit received under this~~ 2326  
~~section by a~~ partnership, S-corporation, or other such business 2327  
entity ~~shall be apportioned among~~ may elect to pass the credit 2328  
received under this section through to the persons to whom the 2329  
income or profit of the partnership, S-corporation, or other 2330  
entity is distributed<sup>7</sup>. The election shall be made on the annual 2331  
report required under division (D)(6) of this section. The 2332  
election applies to and is irrevocable for the credit for which 2333  
the report is submitted. If the election is made, the credit shall 2334  
be apportioned among those persons in the same proportions as 2335  
those in which the income or profit is distributed. 2336

(K) If the director of development determines that a taxpayer 2337  
who has received a credit under this section is not complying with 2338  
the requirement under division (D)(3) of this section, the 2339  
director shall notify the tax credit authority of the 2340  
noncompliance. After receiving such a notice, and after giving the 2341  
taxpayer an opportunity to explain the noncompliance, the tax 2342  
credit authority may require the taxpayer to refund to this state 2343  
a portion of the credit in accordance with the following: 2344

(1) If the taxpayer maintained operations at the project 2345  
location for at least one and one-half times the number of years 2346  
of the term of the tax credit, an amount not exceeding twenty-five 2347  
per cent of the sum of any previously allowed credits under this 2348  
section; 2349

(2) If the taxpayer maintained operations at the project 2350  
location for at least the number of years of the term of the tax 2351  
credit, an amount not exceeding fifty per cent of the sum of any 2352  
previously allowed credits under this section; 2353

(3) If the taxpayer maintained operations at the project 2354  
location for less than the number of years of the term of the tax 2355  
credit, an amount not exceeding one hundred per cent of the sum of 2356

any previously allowed credits under this section. 2357

In determining the portion of the tax credit to be refunded 2358  
to this state, the tax credit authority shall consider the effect 2359  
of market conditions on the taxpayer's project and whether the 2360  
taxpayer continues to maintain other operations in this state. 2361  
After making the determination, the authority shall certify the 2362  
amount to be refunded to the tax commissioner or superintendent of 2363  
insurance, as appropriate. If the amount is certified to the 2364  
commissioner, the commissioner shall make an assessment for that 2365  
amount against the taxpayer under Chapter 5733., 5747., or 5751. 2366  
of the Revised Code. If the amount is certified to the 2367  
superintendent, the superintendent shall make an assessment for 2368  
that amount against the taxpayer under Chapter 5725. or 5729. of 2369  
the Revised Code. The time limitations on assessments under those 2370  
chapters do not apply to an assessment under this division, but 2371  
the commissioner or superintendent, as appropriate, shall make the 2372  
assessment within one year after the date the authority certifies 2373  
to the commissioner or superintendent the amount to be refunded. 2374

(L) On or before the thirty-first day of March each year, the 2375  
director of development shall submit a report to the governor, the 2376  
president of the senate, and the speaker of the house of 2377  
representatives on the tax credit program under this section. The 2378  
report shall include information on the number of agreements that 2379  
were entered into under this section during the preceding calendar 2380  
year, a description of the project that is the subject of each 2381  
such agreement, and an update on the status of projects under 2382  
agreements entered into before the preceding calendar year. 2383

(M) There is hereby created the tax credit authority, which 2384  
consists of the director of development and four other members 2385  
appointed as follows: the governor, the president of the senate, 2386  
and the speaker of the house of representatives each shall appoint 2387  
one member who shall be a specialist in economic development; the 2388

governor also shall appoint a member who is a specialist in 2389  
taxation. Of the initial appointees, the members appointed by the 2390  
governor shall serve a term of two years; the members appointed by 2391  
the president of the senate and the speaker of the house of 2392  
representatives shall serve a term of four years. Thereafter, 2393  
terms of office shall be for four years. Initial appointments to 2394  
the authority shall be made within thirty days after January 13, 2395  
1993. Each member shall serve on the authority until the end of 2396  
the term for which the member was appointed. Vacancies shall be 2397  
filled in the same manner provided for original appointments. Any 2398  
member appointed to fill a vacancy occurring prior to the 2399  
expiration of the term for which the member's predecessor was 2400  
appointed shall hold office for the remainder of that term. 2401  
Members may be reappointed to the authority. Members of the 2402  
authority shall receive their necessary and actual expenses while 2403  
engaged in the business of the authority. The director of 2404  
development shall serve as chairperson of the authority, and the 2405  
members annually shall elect a vice-chairperson from among 2406  
themselves. Three members of the authority constitute a quorum to 2407  
transact and vote on the business of the authority. The majority 2408  
vote of the membership of the authority is necessary to approve 2409  
any such business, including the election of the vice-chairperson. 2410

The director of development may appoint a professional 2411  
employee of the department of development to serve as the 2412  
director's substitute at a meeting of the authority. The director 2413  
shall make the appointment in writing. In the absence of the 2414  
director from a meeting of the authority, the appointed substitute 2415  
shall serve as chairperson. In the absence of both the director 2416  
and the director's substitute from a meeting, the vice-chairperson 2417  
shall serve as chairperson. 2418

(N) For purposes of the credits granted by this section 2419  
against the taxes imposed under sections 5725.18 and 5729.03 of 2420

the Revised Code, "taxable year" means the period covered by the 2421  
taxpayer's annual statement to the superintendent of insurance. 2422

**Sec. 122.171.** (A) As used in this section: 2423

(1) "Capital investment project" means a plan of investment 2424  
at a project site for the acquisition, construction, renovation, 2425  
or repair of buildings, machinery, or equipment, or for 2426  
capitalized costs of basic research and new product development 2427  
determined in accordance with generally accepted accounting 2428  
principles, but does not include any of the following: 2429

(a) Payments made for the acquisition of personal property 2430  
through operating leases; 2431

(b) Project costs paid before January 1, 2002; 2432

(c) Payments made to a related member as defined in section 2433  
5733.042 of the Revised Code or to an elected consolidated 2434  
taxpayer or a combined taxpayer as defined in section 5751.01 of 2435  
the Revised Code. 2436

full-time employees for a calendar year prior to the calendar year 2557  
in which the minimum investment requirement referred to in 2558  
division (A)(2)(b) of this section is completed. The credit shall 2559

5751. of the Revised Code for tax periods beginning on or after 2570  
July 1, 2008, provided that the person to whom the credit was 2571

to those calendar years in which the remaining taxable years 2573  
specified in the agreement end. 2574

credit allowed under division (M) of this section which the tax 2576

credit authority may also include in the agreement. 2577

(C) A taxpayer that proposes a capital investment project to 2581  
retain jobs in this state may apply to the tax credit authority to 2582  
enter into an agreement for a tax credit under this section. The 2583  
director of development shall prescribe the form of the 2584  
application. After receipt of an application, the authority shall 2585  
forward copies of the application to the director of budget and 2586  
management, the tax commissioner, and the director of development, 2587  
each of whom shall review the application to determine the 2588  
economic impact the proposed project would have on the state and 2589  
the affected political subdivisions and shall submit a summary of 2590  
their determinations and recommendations to the authority. 2591

(D) Upon review of the determinations and recommendations 2592  
described in division (C) of this section, the tax credit 2593  
authority may enter into an agreement with the taxpayer for a 2594  
credit under this section if the authority determines all of the 2595  
following: 2596

(1) The taxpayer's capital investment project will result in 2597  
the retention of full-time employment positions in this state. 2598

(2) The taxpayer is economically sound and has the ability to 2599  
complete the proposed capital investment project. 2600

(3) The taxpayer intends to and has the ability to maintain 2601  
operations at the project site for at least twice the term of the 2602  
credit. 2603

(4) Receiving the credit is a major factor in the taxpayer's 2604  
decision to begin, continue with, or complete the project. 2605

(5) The political subdivisions in which the project is 2606

located have agreed to provide substantial financial support to 2607  
the project. 2608

(E) An agreement under this section shall include all of the 2609  
following: 2610

(1) A detailed description of the project that is the subject 2611  
of the agreement, including the amount of the investment, the 2612  
period over which the investment has been or is being made, and 2613  
the number of full-time employment positions at the project site. 2614

(2) The method of calculating the number of full-time 2615  
employment positions as specified in division (A)(3) of this 2616  
section. 2617

(3) The term and percentage of the tax credit, and the first 2618  
year for which the credit may be claimed. 2619

(4) A requirement that the taxpayer maintain operations at 2620  
the project site for at least twice the number of years as the 2621  
term of the credit. 2622

(5) A requirement that the taxpayer retain a specified number 2623  
of full-time employment positions at the project site and within 2624  
this state for the term of the credit, including a requirement 2625  
that the taxpayer continue to employ at least one thousand 2626  
employees in full-time employment positions at the project site 2627  
during the entire term of any agreement, subject to division 2628  
(E)(7) of this section. 2629

(6) A requirement that the taxpayer annually report to the 2630  
director of development the number of full-time employment 2631  
positions subject to the credit, the amount of tax withheld from 2632  
employees in those positions, the amount of the payments made for 2633  
the capital investment project, and any other information the 2634  
director needs to perform the director's duties under this 2635  
section. 2636

(7) A requirement that the director of development annually review the annual reports of the taxpayer to verify the information reported under division (E)(6) of this section and compliance with the agreement. Upon verification, the director shall issue a certificate to the taxpayer stating that the information has been verified and identifying the amount of the credit for the taxable year. Unless otherwise specified by the tax credit authority in a resolution and included as part of the agreement, the director shall not issue a certificate for any year in which the total number of filled full-time employment positions for each day of the calendar year divided by three hundred sixty-five is less than ninety per cent of the full-time employment positions specified in division (E)(5) of this section. In determining the number of full-time employment positions, no position shall be counted that is filled by an employee who is included in the calculation of a tax credit under section 122.17 of the Revised Code.

(8)(a) A provision requiring that the taxpayer, except as otherwise provided in division (E)(8)(b) of this section, shall not relocate employment positions from elsewhere in this state to the project site that is the subject of the agreement for the lesser of five years from the date the agreement is entered into or the number of years the taxpayer is entitled to claim the credit.

(b) The taxpayer may relocate employment positions from elsewhere in this state to the project site that is the subject of the agreement if the director of development determines both of the following:

(i) That the site from which the employment positions would be relocated is inadequate to meet market and industry conditions, expansion plans, consolidation plans, or other business considerations affecting the taxpayer;

(ii) That the legislative authority of the county, township, 2669  
or municipal corporation from which the employment positions would 2670  
be relocated has been notified of the relocation. 2671

For purposes of this section, the movement of an employment 2672  
position from one political subdivision to another political 2673  
subdivision shall be considered a relocation of an employment 2674  
position unless the movement is confined to the project site. The 2675  
transfer of an individual employee from one political subdivision 2676  
to another political subdivision shall not be considered a 2677  
relocation of an employment position as long as the individual's 2678  
employment position in the first political subdivision is 2679  
refilled. 2680

(9) A waiver by the taxpayer of any limitations periods 2681  
relating to assessments or adjustments resulting from the 2682  
taxpayer's failure to comply with the agreement. 2683

(F) If a taxpayer fails to meet or comply with any condition 2684  
or requirement set forth in a tax credit agreement, the tax credit 2685  
authority may amend the agreement to reduce the percentage or term 2686  
of the credit. The reduction of the percentage or term shall take 2687  
effect (1) in the taxable year immediately following the taxable 2688  
year in which the authority amends the agreement or the director 2689  
of development notifies the taxpayer in writing of such failure, 2690  
or (2) in the first tax period beginning in the calendar year 2691  
immediately following the calendar year in which the authority 2692  
amends the agreement or the director notifies the taxpayer in 2693  
writing of such failure. If the taxpayer fails to annually report 2694  
any of the information required by division (E)(6) of this section 2695  
within the time required by the director, the reduction of the 2696  
percentage or term may take effect in the current taxable year. If 2697  
the taxpayer relocates employment positions in violation of the 2698  
provision required under division (D)(8)(a) of this section, the 2699  
taxpayer shall not claim the tax credit under section 5733.0610 of 2700

the Revised Code for any tax years following the calendar year in 2701  
which the relocation occurs, shall not claim the tax credit under 2702  
section 5747.058 of the Revised Code for the taxable year in which 2703  
the relocation occurs and any subsequent taxable years, and shall 2704  
not claim the tax credit under division (A) of section 5751.50 of 2705  
the Revised Code for the tax period in which the relocation occurs 2706  
and any subsequent tax periods. 2707

(G) Financial statements and other information submitted to 2708  
the department of development or the tax credit authority by an 2709  
applicant for or recipient of a tax credit under this section, and 2710  
any information taken for any purpose from such statements or 2711  
information, are not public records subject to section 149.43 of 2712  
the Revised Code. However, the chairperson of the authority may 2713  
make use of the statements and other information for purposes of 2714  
issuing public reports or in connection with court proceedings 2715  
concerning tax credit agreements under this section. Upon the 2716  
request of the tax commissioner, the chairperson of the authority 2717  
shall provide to the commissioner any statement or other 2718  
information submitted by an applicant for or recipient of a tax 2719  
credit in connection with the credit. The commissioner shall 2720  
preserve the confidentiality of the statement or other 2721  
information. 2722

(H) A taxpayer claiming a tax credit under this section shall 2723  
submit to the tax commissioner a copy of the director of 2724  
development's certificate of verification under division (E)(7) of 2725  
this section with the taxpayer's tax report or return for the 2726  
taxable year or for the calendar year that includes the tax 2727  
period. Failure to submit a copy of the certificate with the 2728  
report or return does not invalidate a claim for a credit if the 2729  
taxpayer submits a copy of the certificate to the commissioner 2730  
within sixty days after the commissioner requests it. 2731

(I) For the purposes of this section, a taxpayer may include 2732

a partnership, a corporation that has made an election under 2733  
subchapter S of chapter one of subtitle A of the Internal Revenue 2734  
Code, or any other business entity through which income flows as a 2735  
distributive share to its owners. A ~~tax credit received under this~~ 2736  
~~section by a~~ partnership, S-corporation, or other such business 2737  
entity ~~shall be apportioned among~~ may elect to pass the credit 2738  
received under this section through to the persons to whom the 2739  
income or profit of the partnership, S-corporation, or other 2740  
entity is distributed<sup>7</sup>. The election shall be made on the annual 2741  
report required under division (E)(6) of this section. The 2742  
election applies to and is irrevocable for the credit for which 2743  
the report is submitted. If the election is made, the credit shall 2744  
be apportioned among those persons in the same proportions as 2745  
those in which the income or profit is distributed. 2746

(J) If the director of development determines that a taxpayer 2747  
that received a tax credit under this section is not complying 2748  
with the requirement under division (E)(4) of this section, the 2749  
director shall notify the tax credit authority of the 2750  
noncompliance. After receiving such a notice, and after giving the 2751  
taxpayer an opportunity to explain the noncompliance, the 2752  
authority may terminate the agreement and require the taxpayer to 2753  
refund to the state all or a portion of the credit claimed in 2754  
previous years, as follows: 2755

(1) If the taxpayer maintained operations at the project site 2756  
for less than the term of the credit, the amount required to be 2757  
refunded shall not exceed the amount of any tax credits previously 2758  
allowed and received under this section. 2759

(2) If the taxpayer maintained operations at the project site 2760  
longer than the term of the credit but less than one and one-half 2761  
times the term of the credit, the amount required to be refunded 2762  
shall not exceed fifty per cent of the sum of any tax credits 2763  
previously allowed and received under this section. 2764

(3) If the taxpayer maintained operations at the project site 2765  
for at least one and one-half times the term of the credit but 2766  
less than twice the term of the credit, the amount required to be 2767  
refunded shall not exceed twenty-five per cent of the sum of any 2768  
tax credits previously allowed and received under this section. 2769

In determining the portion of the credit to be refunded to 2770  
this state, the authority shall consider the effect of market 2771  
conditions on the taxpayer's project and whether the taxpayer 2772  
continues to maintain other operations in this state. After making 2773  
the determination, the authority shall certify the amount to be 2774  
refunded to the tax commissioner. The commissioner shall make an 2775  
assessment for that amount against the taxpayer under Chapter 2776  
5733., 5747., or 5751. of the Revised Code. The time limitations 2777  
on assessments under those chapters do not apply to an assessment 2778  
under this division, but the commissioner shall make the 2779  
assessment within one year after the date the authority certifies 2780  
to the commissioner the amount to be refunded. 2781

If the director of development determines that a taxpayer 2782  
that received a tax credit under this section has reduced the 2783  
number of employees agreed to under division (E)(5) of this 2784  
section by more than ten per cent, the director shall notify the 2785  
tax credit authority of the noncompliance. After receiving such 2786  
notice, and after providing the taxpayer an opportunity to explain 2787  
the noncompliance, the authority may amend the agreement to reduce 2788  
the percentage or term of the tax credit. The reduction in the 2789  
percentage or term shall take effect in the taxable year, or in 2790  
the calendar year that includes the tax period, in which the 2791  
authority amends the agreement. 2792

(K) The director of development, after consultation with the 2793  
tax commissioner and in accordance with Chapter 119. of the 2794  
Revised Code, shall adopt rules necessary to implement this 2795  
section. The rules may provide for recipients of tax credits under 2796

this section to be charged fees to cover administrative costs of 2797  
the tax credit program. The fees collected shall be credited to 2798  
the tax incentive programs operating fund created in section 2799  
122.174 of the Revised Code. At the time the director gives public 2800  
notice under division (A) of section 119.03 of the Revised Code of 2801  
the adoption of the rules, the director shall submit copies of the 2802  
proposed rules to the chairpersons of the standing committees on 2803  
economic development in the senate and the house of 2804  
representatives. 2805

(L) On or before the thirty-first day of March of each year, 2806  
the director of development shall submit a report to the governor, 2807  
the president of the senate, and the speaker of the house of 2808  
representatives on the tax credit program under this section. The 2809  
report shall include information on the number of agreements that 2810  
were entered into under this section during the preceding calendar 2811  
year, a description of the project that is the subject of each 2812  
such agreement, and an update on the status of projects under 2813  
agreements entered into before the preceding calendar year. 2814

(M)(1) A nonrefundable credit shall be allowed to an 2815  
applicable corporation and its related members in an amount equal 2816  
to the applicable difference. The credit is in addition to the 2817  
credit granted to the corporation or related members under 2818  
division (B) of this section. The credit is subject to divisions 2819  
(B) to (E) and division (J) of this section. 2820

(2) A person qualifying as an applicable corporation under 2821  
this section for a tax year does not necessarily qualify as an 2822  
applicable corporation for any other tax year. No person is 2823  
entitled to the credit allowed under division (M) of this section 2824  
for the tax year immediately following the taxable year during 2825  
which the person fails to meet the requirements in divisions 2826  
(A)(6)(a)(i) and (A)(6)(b) of this section. No person is entitled 2827  
to the credit allowed under division (M) of this section for any 2828

tax year for which the person is not eligible for the credit 2829  
provided under division (B) of this section. 2830

Sec. 122.174. There is hereby created in the state treasury 2831  
the tax incentive programs operating fund. Money collected 2832  
pursuant to division (I) of section 121.17, division (K) of 2833  
section 122.171, division (C) of section 3735.672, and division 2834  
(C) of section 5709.68 of the Revised Code shall be credited to 2835  
the fund. The director of development shall use money in the fund 2836  
to pay expenses related to the administration of the tax credit 2837  
programs authorized by sections 122.17, 122.171, 3735.672, and 2838  
5709.68 of the Revised Code. 2839

**Sec. 122.602.** (A) There is hereby created in the department 2840  
of development the capital access loan program to assist 2841  
participating financial institutions in making program loans to 2842  
eligible businesses that face barriers in accessing working 2843  
capital and obtaining fixed asset financing. In administering the 2844  
program, the director of development may do any of the following: 2845

(1) Receive and accept grants, gifts, and contributions of 2846  
money, property, labor, and other things of value to be held, 2847  
used, and applied only for the purpose for which the grants, 2848  
gifts, and contributions are made, from individuals, private and 2849  
public corporations, the United States or any agency of the United 2850  
States, the state or any agency of the state, or any political 2851  
subdivision of the state; 2852

(2) Agree to repay any contribution of money or return any 2853  
property contributed or the value of that property at the times, 2854

~~requested,~~ except that the director shall not disapprove any 3607  
encumbrancing document submitted by the attorney general, auditor 3608  
of state, secretary of state, or treasurer of state unless there 3609  
is an insufficient unobligated balance in the appropriation or the 3610  
encumbrance does not meet all other legal requirements. Those 3611  
portions of an appropriation that are encumbered are not available 3612  
for expenditure for any purpose other than that indicated on the 3613  
encumbrancing document. If any requirements of the director 3614  
regarding the submission of encumbrancing documents or other 3615

that section. 3632

(B) For purposes of the computation of debt service under 3633  
Section 17 of Article VIII, Ohio Constitution, there shall be 3634  
included debt service payable on bonds that are direct obligations 3635  
of the state issued under Article VIII, Ohio Constitution, and on 3636  
those bonds anticipated by bond anticipation notes, to the extent 3637  
that debt service on those bonds is anticipated to be paid from 3638  
the state general revenue fund or net state lottery proceeds. 3639  
Examples of bonds the debt service on which is not anticipated to 3640  
be paid from either of those sources are bonds of the state issued 3641  
for highway purposes pursuant to Section 2i or 2m of Article VIII, 3642  
Ohio Constitution, which, although general obligations of the 3643  
state, have been and are anticipated to be paid from highway user 3644  
receipts and not from the general revenue fund or net state 3645  
lottery proceeds. 3646

(C) If there is no separate constitutional or statutory provision applicable for the purpose, debt service on bonds anticipated by bond anticipation notes shall be estimated as provided in division (C) of this section. That amount, to be certified either by the issuing authority of the particular notes or by the governor or the governor's designee pursuant to division (E) of this section, shall be the estimated amount that would have been payable on bonds maturing serially in each fiscal year after the fiscal year of the issuance of the notes over the maximum period of maturity for the bonds authorized in the particular governing constitutional or statutory provision, as if those bonds had been issued without the prior issuance of the notes, and computed on a substantially level debt service basis applying an interest rate or rates certified to be market rates at the time of issuance of the notes.

(D) In the case of bonds issued to refund or retire bonds, the debt service on the new bonds shall be counted and the debt service on the bonds being refunded or retired shall not be counted.

(E) The governor, or the governor's designee for the purpose, shall determine and certify the fiscal year amounts required to be applied or set aside for payment of debt service, including debt service on any variable rate bonds, the securities to which that debt service relates, the total office of budget and management estimated revenues of the state for the general revenue fund and from net state lottery proceeds during the particular fiscal year, and any other financial data necessary or appropriate for the purpose of the computations under division (A) of Section 17 of Article VIII, Ohio Constitution, and this section. Those determinations and certifications shall be filed with the director of budget and management, the treasurer of state, and the issuing authority for the particular obligations, at or prior to the time

those securities are issued. The governor's designee for the 3679  
purpose may be the director or assistant director of budget and 3680  
management, or any employee or official of the governor's office. 3681

(F) For purposes of this section, "securities," "interest or 3682  
interest equivalent," and "outstanding" have the same meanings as 3683  
in section 133.01 of the Revised Code, and "debt service" means 3684  
principal, including any mandatory sinking fund deposits and 3685  
mandatory redemption payments, and interest or interest equivalent 3686  
payable on securities, as those payments are stated to come due 3687  
and to be payable. 3688

(G)(1) As used in this division, "avoided obligations" means 3689  
direct obligations of the state that are not issued because the 3690  
capital facilities they would have financed are instead paid for 3691  
with the proceeds of obligations issued under division (C) of 3692  
section 183.51 of the Revised Code. 3693

(2) For purposes of computing the limitation on issuing 3694  
direct obligations of the state under this section and Section 17 3695  
of Article VIII, Ohio Constitution, any avoided obligations shall 3696  
be considered as having been issued. The fiscal year amounts that 3697  
would have been required to be applied or set aside for payment of 3698  
debt service over the maximum period of maturity of the avoided 3699  
obligations had the avoided obligations been issued shall be 3700  
included in the computations. 3701

amount of any appropriation and the aggregate amount of items of 3712  
the appropriation, with the advice and assistance of the state 3713  
agency affected by it and the legislative service commission, 3714  
totals so as to correspond in the aggregate with the total 3715  
appropriation. In the case of a conflict between the item and the 3716  
total of which it is a part, the item shall be considered the 3717  
intended appropriation. 3718

(5) Evaluate on an ongoing basis and, if necessary, recommend 3719  
improvements to the internal controls used in state agencies; 3720

(6) Authorize the establishment of petty cash accounts. The 3721

petty cash account and require the officer in charge to return to 3723  
the state treasury any unexpended balance shown by the officer's 3724  
accounts to be on hand. Any officer who is issued a warrant for 3725  
petty cash shall render a detailed account of the expenditures of 3726  
the petty cash and shall report when requested the balance of 3727

the appropriation to be charged for the purchase. State agencies 3763  
may ~~only~~ participate in only those state payment card programs 3764

authority determines. If any officer whose signature or a 4675  
facsimile of whose signature appears on any sales tax supported 4676  
bonds or coupons ceases to be such officer before delivery of the 4677  
sales tax supported bonds or anticipation notes, the signature or 4678  
facsimile shall nevertheless be sufficient for all purposes as if 4679  
that officer had remained in office until delivery of the sales 4680  
tax supported bonds. Whether or not the sales tax supported bonds 4681

(2) They are issued within the limitations prescribed by this section;

(3) Their purchase price has been paid in full;

Constitution, shall issue obligations of the state under this 5642  
section in the required amount; provided that such obligations may 5643

the issuance of such obligations shall be deposited into such fund 5656  
or funds provided for in the bond proceedings and, to the extent 5657  
provided for in the bond proceedings, such proceeds shall be 5658

(C) The holders or owners of such obligations shall have no right to have moneys raised by taxation obligated or pledged, and moneys raised by taxation shall not be obligated or pledged, for the payment of bond service charges. Such holders or owners shall have no rights to payment of bond service charges from any moneys accruing to the state from the lease, sale, or other disposition, or use, of project facilities, or from payment of the principal of or interest on loans made, or fees charged for guarantees made, or from any money or property received by the director, treasurer of state, or the state under Chapter 122. of the Revised Code, or from any other use of the proceeds of the sale of the obligations, and no such moneys may be used for the payment of bond service charges, except for accrued interest, capitalized interest, and reserves funded from proceeds received upon the sale of the obligations and except as otherwise expressly provided in the applicable bond proceedings pursuant to written directions by the director. The right of such holders and owners to payment of bond service charges is limited to all or that portion of the pledged receipts and those special funds pledged thereto pursuant to the bond proceedings in accordance with this section, and each such obligation shall bear on its face a statement to that effect.

(D) Obligations shall be authorized by resolution or order of the issuing authority and the bond proceedings shall provide for

the purpose thereof and the principal amount or amounts, and shall 5694  
provide for or authorize the manner or agency for determining the 5695  
principal maturity or maturities, not exceeding twenty-five years 5696  
from the date of issuance, the interest rate or rates or the 5697  
maximum interest rate, the date of the obligations and the dates 5698  
of payment of interest thereon, their denomination, and the 5699  
establishment within or without the state of a place or places of 5700  
payment of bond service charges. Sections 9.98 to 9.983 of the 5701  
Revised Code are applicable to obligations issued under this 5702  
section, subject to any applicable limitation under section 166.11 5703  
of the Revised Code. The purpose of such obligations may be stated 5704  
in the bond proceedings in terms describing the general purpose or 5705  
purposes to be served. The bond proceedings also shall provide, 5706  
subject to the provisions of any other applicable bond 5707  
proceedings, for the pledge of all, or such part as the issuing 5708  
authority may determine, of the pledged receipts and the 5709  
applicable special fund or funds to the payment of bond service 5710  
charges, which pledges may be made either prior or subordinate to 5711  
other expenses, claims, or payments, and may be made to secure the 5712  
obligations on a parity with obligations theretofore or thereafter 5713  
issued, if and to the extent provided in the bond proceedings. The 5714  
pledged receipts and special funds so pledged and thereafter 5715  
received by the state are immediately subject to the lien of such 5716  
pledge without any physical delivery thereof or further act, and 5717  
the lien of any such pledges is valid and binding against all 5718  
parties having claims of any kind against the state or any 5719  
governmental agency of the state, irrespective of whether such 5720  
parties have notice thereof, and shall create a perfected security 5721  
interest for all purposes of Chapter 1309. of the Revised Code, 5722  
without the necessity for separation or delivery of funds or for 5723  
the filing or recording of the bond proceedings by which such 5724  
pledge is created or any certificate, statement or other document 5725  
with respect thereto; and the pledge of such pledged receipts and 5726

special funds is effective and the money therefrom and thereof may 5727  
be applied to the purposes for which pledged without necessity for 5728  
any act of appropriation. Every pledge, and every covenant and 5729  
agreement made with respect thereto, made in the bond proceedings 5730  
may therein be extended to the benefit of the owners and holders 5731  
of obligations authorized by this section, and to any trustee 5732  
therefor, for the further security of the payment of the bond 5733  
service charges. 5734

(E) The bond proceedings may contain additional provisions as 5735  
to: 5736

(1) The redemption of obligations prior to maturity at the 5737  
option of the issuing authority at such price or prices and under 5738  
such terms and conditions as are provided in the bond proceedings; 5739

(2) Other terms of the obligations; 5740

regard to Chapter 131. or 135. of the Revised Code, but subject to 5746  
any special provisions of this chapter, with respect to particular 5747  
funds or moneys, provided that any bank or trust company which 5748  
acts as depository of any moneys in the special funds may furnish 5749  
such indemnifying bonds or may pledge such securities as required 5750  
by the issuing authority; 5751

(6) Any or every provision of the bond proceedings being 5752  
binding upon such officer, board, commission, authority, agency, 5753  
department, or other person or body as may from time to time have 5754  
the authority under law to take such actions as may be necessary 5755  
to perform all or any part of the duty required by such provision; 5756

(7) Any provision that may be made in a trust agreement or indenture; 5757  
5758

(8) Any other or additional agreements with the holders of the obligations, or the trustee therefor, relating to the obligations or the security therefor, including the assignment of mortgages or other security obtained or to be obtained for loans under section 122.43, 166.07, or 166.16 of the Revised Code. 5759

(F) The obligations may have the great seal of the state or a facsimile thereof affixed thereto or printed thereon. The obligations and any coupons pertaining to obligations shall be signed or bear the facsimile signature of the issuing authority. Any obligations or coupons may be executed by the person who, on the date of execution, is the proper issuing authority although on the date of such bonds or coupons such person was not the issuing authority. If the issuing authority whose signature or a facsimile of whose signature appears on any such obligation or coupon ceases to be the issuing authority before delivery thereof, such signature or facsimile is nevertheless valid and sufficient for all purposes as if the former issuing authority had remained the issuing authority until such delivery; and if the seal to be affixed to obligations has been changed after a facsimile of the seal has been imprinted on such obligations, such facsimile seal shall continue to be sufficient as to such obligations and obligations issued in substitution or exchange therefor. 5764

by the issuing authority, be sold at private sale, and without 5797  
publication of a notice of sale. 5798

(I) Pending preparation of definitive obligations, the 5799  
issuing authority may issue interim receipts or certificates which 5800  
shall be exchanged for such definitive obligations. 5801

(J) In the discretion of the issuing authority, obligations 5802  
may be secured additionally by a trust agreement or indenture 5803  
between the issuing authority and a corporate trustee which may be 5804  
any trust company or bank having ~~its principal~~ a place of business 5805

resolution or order authorizing the issuance of the obligations, 5807  
any provisions that may be contained in any bond proceedings, and 5808  
other provisions which are customary or appropriate in an 5809  
agreement or indenture of such type, including, but not limited 5810  
to: 5811

(1) Maintenance of each pledge, trust agreement, indenture, 5812  
or other instrument comprising part of the bond proceedings until 5813  
the state has fully paid the bond service charges on the 5814  
obligations secured thereby, or provision therefor has been made; 5815

(2) In the event of default in any payments required to be 5816

obligations were issued, enforcement of such payments or agreement 5819

by mandamus, the appointment of a receiver, suit in equity, action 5820  
at law, or any combination of the foregoing; 5821

(3) The rights and remedies of the holders of obligations and 5822  
of the trustee, and provisions for protecting and enforcing them, 5823  
including limitations on rights of individual holders of 5824  
obligations; 5825

or are destroyed, lost, or stolen; 5827

(5) Such other provisions as the trustee and the issuing 5828  
authority agree upon, including limitations, conditions, or 5829  
qualifications relating to any of the foregoing. 5830

(K) Any holders of obligations or trustees under the bond 5831  
proceedings, except to the extent that their rights are restricted 5832  
by the bond proceedings, may by any suitable form of legal 5833  
proceedings, protect and enforce any rights under the laws of this 5834  
state or granted by such bond proceedings. Such rights include the 5835  
right to compel the performance of all duties of the issuing 5836  
authority, the director of development, or the division of liquor 5837  
control required by this chapter or the bond proceedings; to 5838  
enjoin unlawful activities; and in the event of default with 5839  
respect to the payment of any bond service charges on any 5840  
obligations or in the performance of any covenant or agreement on 5841  
the part of the issuing authority, the director of development, or 5842  
the division of liquor control in the bond proceedings, to apply 5843  
to a court having jurisdiction of the cause to appoint a receiver 5844  
to receive and administer the pledged receipts and special funds, 5845  
other than those in the custody of the treasurer of state, which 5846  
are pledged to the payment of the bond service charges on such 5847

charges on, such obligations, and with such powers, subject to the 5850  
direction of the court, as are accorded receivers in general 5851

equity cases, excluding any power to pledge additional revenues or 5852  
receipts or other income or moneys of the issuing authority or the 5853  
state or governmental agencies of the state to the payment of such 5854  
principal and interest and excluding the power to take possession 5855  
of, mortgage, or cause the sale or otherwise dispose of any 5856  
project facilities. 5857

Each duty of the issuing authority and the issuing 5858  
authority's officers and employees, and of each governmental 5859  
agency and its officers, members, or employees, undertaken 5860  
pursuant to the bond proceedings or any agreement or lease, 5861  
lease-purchase agreement, or loan made under authority of this 5862  
chapter, and in every agreement by or with the issuing authority, 5863  
is hereby established as a duty of the issuing authority, and of 5864  
each such officer, member, or employee having authority to perform 5865  
such duty, specifically enjoined by the law resulting from an 5866  
office, trust, or station within the meaning of section 2731.01 of 5867  
the Revised Code. 5868

The person who is at the time the issuing authority, or the 5869  
issuing authority's officers or employees, are not liable in their 5870  
personal capacities on any obligations issued by the issuing 5871  
authority or any agreements of or with the issuing authority. 5872

(L) The issuing authority may authorize and issue obligations 5873  
for the refunding, including funding and retirement, and advance 5874  
refunding with or without payment or redemption prior to maturity, 5875  
of any obligations previously issued by the issuing authority. 5876  
Such obligations may be issued in amounts sufficient for payment 5877  
of the principal amount of the prior obligations, any redemption 5878  
premiums thereon, principal maturities of any such obligations 5879  
maturing prior to the redemption of the remaining obligations on a 5880  
parity therewith, interest accrued or to accrue to the maturity 5881  
dates or dates of redemption of such obligations, and any 5882  
allowable costs including expenses incurred or to be incurred in 5883

connection with such issuance and such refunding, funding, and 5884  
retirement. Subject to the bond proceedings therefor, the portion 5885  
of proceeds of the sale of obligations issued under this division 5886  
to be applied to bond service charges on the prior obligations 5887  
shall be credited to an appropriate account held by the trustee 5888  
for such prior or new obligations or to the appropriate account in 5889  
the bond service fund for such obligations. Obligations authorized 5890  
under this division shall be deemed to be issued for those 5891  
purposes for which such prior obligations were issued and are 5892  
subject to the provisions of this section pertaining to other 5893  
obligations, except as otherwise provided in this section; 5894  
provided that, unless otherwise authorized by the general 5895  
assembly, any limitations imposed by the general assembly pursuant 5896  
to this section with respect to bond service charges applicable to 5897  
the prior obligations shall be applicable to the obligations 5898  
issued under this division to refund, fund, advance refund or 5899  
retire such prior obligations. 5900

(M) The authority to issue obligations under this section 5901  
includes authority to issue obligations in the form of bond 5902  
anticipation notes and to renew the same from time to time by the 5903  
issuance of new notes. The holders of such notes or interest 5904  
coupons pertaining thereto shall have a right to be paid solely 5905  
from the pledged receipts and special funds that may be pledged to 5906  
the payment of the bonds anticipated, or from the proceeds of such 5907  
bonds or renewal notes, or both, as the issuing authority provides 5908  
in the resolution or order authorizing such notes. Such notes may 5909  
be additionally secured by covenants of the issuing authority to 5910  
the effect that the issuing authority and the state will do such 5911  
or all things necessary for the issuance of such bonds or renewal 5912  
notes in appropriate amount, and apply the proceeds thereof to the 5913  
extent necessary, to make full payment of the principal of and 5914  
interest on such notes at the time or times contemplated, as 5915  
provided in such resolution or order. For such purpose, the 5916

issuing authority may issue bonds or renewal notes in such 5917  
principal amount and upon such terms as may be necessary to 5918  
provide funds to pay when required the principal of and interest 5919  
on such notes, notwithstanding any limitations prescribed by or 5920  
for purposes of this section. Subject to this division, all 5921  
provisions for and references to obligations in this section are 5922  
applicable to notes authorized under this division. 5923

The issuing authority in the bond proceedings authorizing the 5924  
issuance of bond anticipation notes shall set forth for such bonds 5925  
an estimated interest rate and a schedule of principal payments 5926  
for such bonds and the annual maturity dates thereof, and for 5927  
purposes of any limitation on bond service charges prescribed 5928  
under division (A) of section 166.11 of the Revised Code, the 5929  
amount of bond service charges on such bond anticipation notes is 5930  
deemed to be the bond service charges for the bonds anticipated 5931  
thereby as set forth in the bond proceedings applicable to such 5932  
notes, but this provision does not modify any authority in this 5933  
section to pledge receipts and special funds to, and covenant to 5934  
issue bonds to fund, the payment of principal of and interest and 5935  
any premium on such notes. 5936

(N) Obligations issued under this section are lawful 5937  
investments for banks, societies for savings, savings and loan 5938  
associations, deposit guarantee associations, trust companies, 5939  
trustees, fiduciaries, insurance companies, including domestic for 5940  
life and domestic not for life, trustees or other officers having 5941  
charge of sinking and bond retirement or other special funds of 5942  
political subdivisions and taxing districts of this state, the 5943  
commissioners of the sinking fund of the state, the administrator 5944  
of workers' compensation, the state teachers retirement system, 5945  
the public employees retirement system, the school employees 5946  
retirement system, and the Ohio police and fire pension fund, 5947  
notwithstanding any other provisions of the Revised Code or rules 5948

adopted pursuant thereto by any governmental agency of the state 5949  
with respect to investments by them, and are also acceptable as 5950  
security for the deposit of public moneys. 5951

(O) Unless otherwise provided in any applicable bond 5952  
proceedings, moneys to the credit of or in the special funds 5953  
established by or pursuant to this section may be invested by or 5954  
on behalf of the issuing authority only in notes, bonds, or other 5955  
obligations of the United States, or of any agency or 5956  
instrumentality of the United States, obligations guaranteed as to 5957  
principal and interest by the United States, obligations of this 5958  
state or any political subdivision of this state, and certificates 5959  
of deposit of any national bank located in this state and any 5960  
bank, as defined in section 1101.01 of the Revised Code, subject 5961  
to inspection by the superintendent of banks. If the law or the 5962  
instrument creating a trust pursuant to division (J) of this 5963  
section expressly permits investment in direct obligations of the 5964  
United States or an agency of the United States, unless expressly 5965  
prohibited by the instrument, such moneys also may be invested in 5966  
no-front-end-load money market mutual funds consisting exclusively 5967  
of obligations of the United States or an agency of the United 5968  
States and in repurchase agreements, including those issued by the 5969  
fiduciary itself, secured by obligations of the United States or 5970  
an agency of the United States; and in common trust funds 5971  
established in accordance with section 1111.20 of the Revised Code 5972  
and consisting exclusively of any such securities, notwithstanding 5973

waiting list who reside in a community setting not required to be 6299  
licensed or certified shall have their eligibility for the 6300  
payments assessed before other individuals on the waiting list. 6301  
The rules specifying priorities may give priority to individuals 6302  
placed on the waiting list on or after July 1, 2006, who receive 6303  
supplemental security income benefits under Title XVI of the 6304  
"Social Security Act," 86 Stat. 1475 (1972), 42 U.S.C. 1381, as 6305

November 15, 1990. 6318

long-term care consultation program administrator serving the area 6345  
in which the individual resides about the determination. The 6346  
administrator shall determine whether the residential state 6347  
supplement program is appropriate for the individual and whether 6348

determines that the residential state supplement program is 6351  
appropriate for the individual and the individual would rather 6352  
participate in the program than continue residing in the nursing 6353

not prohibited by the applicable bond proceedings, "debt service" 6812

are related to and represent, or are intended to provide a source 6814  
of payment of or limitation on, other debt service. 6815

the purpose of paying costs of capital facilities for: (a) housing 6833  
branches and agencies of state government limited to facilities 6834

and to be credited to the particular fund. "Special funds" does 6870  
not include any improvement fund or investment earnings on amounts 6871  
in any improvement fund, or other funds created by the bond 6872  
proceedings that are not stated by those proceedings to be special 6873  
funds. 6874

(B) The state may assign and sell to the issuing authority, 6875  
and the issuing authority may accept and purchase, all or a 6876  
portion of the amounts to be received by the state under the 6877  
tobacco master settlement agreement for a purchase price payable 6878  
by the issuing authority to the state consisting of the net 6879  
proceeds of obligations and any residual interest, if any. Any 6880  
such assignment and sale shall be irrevocable in accordance with 6881  
its terms during the period any obligations secured by amounts so 6882  
assigned and sold are outstanding under the applicable bond 6883  
proceedings, and shall constitute a contractual obligation to the 6884  
holders or owners of those obligations. Any such assignment and 6885  
sale shall also be treated as an absolute transfer and true sale 6886  
for all purposes, and not as a pledge or other security interest. 6887  
The characterization of any such assignment and sale as a true 6888  
sale and absolute transfer shall not be negated or adversely 6889  
affected by only a portion of the amounts to be received under the 6890  
tobacco master settlement agreement being transferred, the 6891  
acquisition or retention by the state of a residual interest, the 6892  
participation of any state officer or employee as a member or 6893  
officer of, or providing staff support to, the issuing authority, 6894  
any responsibility of an officer or employee of the state for 6895  
collecting the amounts to be received under the tobacco master 6896  
settlement agreement or otherwise enforcing that agreement or 6897  
retaining any legal title to or interest in any portion of the 6898  
amounts to be received under that agreement for the purpose of 6899

these collection activities, any characterization of the issuing authority or its obligations for purposes of accounting, taxation, or securities regulation, or by any other factors whatsoever. A true sale shall exist under this section regardless of whether the issuing authority has any recourse against the state or any other term of the bond proceedings or the treatment or characterization of the transfer as a financing for any purpose. Upon and following the assignment and sale, the state shall not have any right, title, or interest in the portion of the receipts under the tobacco master settlement agreement so assigned and sold, other than any residual interest that may be described in the applicable bond proceedings for those obligations, and that portion, if any, shall be the property of the issuing authority and not of the state, and shall be paid directly to the issuing authority, and shall be owned, received, held, and disbursed by the issuing authority and not by the state.

The state may covenant, pledge, and agree in the bond proceedings, with and for the benefit of the issuing authority, the holders and owners of obligations, and providers of any credit enhancement facilities, that it shall: (1) maintain statutory authority for, and cause to be collected and paid directly to the issuing authority or its assignee, the pledged receipts, (2) enforce the rights of the issuing authority to receive the receipts under the tobacco master settlement agreement assigned and sold to the issuing authority, (3) not materially impair the rights of the issuing authority to fulfill the terms of its agreements with the holders or owners of outstanding obligations under the bond proceedings, (4) not materially impair the rights and remedies of the holders or owners of outstanding obligations or materially impair the security for those outstanding obligations, and (5) enforce Chapter 1346. of the Revised Code, the tobacco master settlement agreement, and the consent decree to effectuate the collection of the pledged tobacco settlement

receipts. The bond proceedings may provide or authorize the manner 6933  
for determining material impairment of the security for any 6934  
outstanding obligations, including by assessing and evaluating the 6935  
pledged receipts in the aggregate. 6936

As further provided for in division (H) of this section, the 6937  
bond proceedings may also include such other covenants, pledges, 6938  
and agreements by the state to protect and safeguard the security 6939  
and rights of the holders and owners of the obligations, and of 6940  
the providers of any credit enhancement facilities, including, 6941  
without limiting the generality of the foregoing, any covenant, 6942  
pledge, or agreement customary in transactions involving the 6943  
issuance of securities the debt service on which is payable from 6944  
or secured by amounts received under the tobacco master settlement 6945  
agreement. Notwithstanding any other provision of law, any 6946  
covenant, pledge, and agreement of the state, if and when made in 6947  
the bond proceedings, shall be controlling and binding upon, and 6948  
enforceable against the state in accordance with its terms for so 6949  
long as any obligations are outstanding under the applicable bond 6950  
proceedings. The bond proceedings may also include limitations on 6951  
the remedies available to the issuing authority, the holders and 6952  
owners of the obligations, and the providers of any credit 6953  
enhancement facilities, including, without limiting the generality 6954  
of the foregoing, a provision that those remedies may be limited 6955  
to injunctive relief in circumstances where there has been no 6956  
prior determination by a court of competent jurisdiction that the 6957  
state has not enforced Chapter 1346. of the Revised Code, the 6958  
tobacco master settlement agreement, or the consent decree as may 6959  
have been covenanted or agreed in the bond proceedings under 6960  
division (B)(5) of this section. 6961

Nothing in this section or the bond proceedings shall 6962  
preclude or limit, or be construed to preclude or limit, the state 6963  
from regulating or authorizing or permitting the regulation of 6964

smoking or from taxing and regulating the sale of cigarettes or 6965  
other tobacco products, or from defending or prosecuting cases or 6966  
other actions relating to the sale or use of cigarettes or other 6967  
tobacco products. Except as otherwise may be agreed in writing by 6968  
the attorney general, nothing in this section or the bond 6969  
proceedings shall modify or limit, or be construed to modify or 6970  
limit, the responsibility, power, judgment, and discretion of the 6971  
attorney general to protect and discharge the duties, rights, and 6972  
obligations of the state under the tobacco master settlement 6973  
agreement, the consent decree, or Chapter 1346. of the Revised 6974  
Code. 6975

The governor and the director of budget and management, in 6976  
consultation with the attorney general, on behalf of the state, 6977  
and any member or officer of the issuing authority as authorized 6978  
by that issuing authority, on behalf of the issuing authority, may 6979  
take any action and execute any documents, including any purchase 6980  
and sale agreements, necessary to effect the assignment and sale 6981  
and the acceptance of the assignment and title to the receipts 6982  
including, providing irrevocable direction to the escrow agent 6983  
acting under the tobacco master settlement agreement to transfer 6984  
directly to the issuing authority the amounts to be received under 6985  
that agreement that are subject to such assignment and sale. Any 6986  
purchase and sale agreement or other bond proceedings may contain 6987  
the terms and conditions established by the state and the issuing 6988  
authority to carry out and effectuate the purposes of this 6989  
section, including, without limitation, covenants binding the 6990  
state in favor of the issuing authority and its assignees and the 6991  
owners of the obligations. Any such purchase and sale agreement 6992  
shall be sufficient to effectuate such purchase and sale without 6993  
regard to any other laws governing other property sales or 6994  
financial transactions by the state. 6995

Not later than two years following the date on which there 6996

are no longer any obligations outstanding under the bond 6997  
proceedings, all assets of the issuing authority shall vest in the 6998  
state, the issuing authority shall execute any necessary 6999  
assignments or instruments, including any assignment of any right, 7000  
title, or ownership to the state for receipt of amounts under the 7001  
tobacco master settlement agreement, and the issuing authority 7002  
shall be dissolved. 7003

(C) The issuing authority is authorized to issue and to sell 7004  
obligations as provided in this section. The aggregate principal 7005  
amount of obligations issued under this section shall not exceed 7006  
six billion dollars, exclusive of obligations issued under 7007  
division (M)(1) of this section to refund, renew, or advance 7008  
refund other obligations issued or incurred. At least seventy-five 7009  
per cent of the aggregate net proceeds of the obligations issued 7010  
under the authority of this section, exclusive of obligations 7011  
issued to refund, renew, or advance refund other obligations, 7012  
shall be paid to the state for deposit into the school building 7013  
program assistance fund created in section 3318.25 of the Revised 7014  
Code. 7015

(D) Each issue of obligations shall be authorized by 7016  
resolution or order of the issuing authority. The bond proceedings 7017  
shall provide for or authorize the manner for determining the 7018  
principal amount or maximum principal amount of obligations of an 7019  
issue, the principal maturity or maturities, the interest rate or 7020  
rates, the date of and the dates of payment of interest on the 7021  
obligations, their denominations, and the place or places of 7022  
payment of debt service which may be within or outside the state. 7023  
Unless otherwise provided by law, the latest principal maturity 7024  
may not be later than the earlier of the thirty-first day of 7025  
December of the fiftieth calendar year after the year of issuance 7026  
of the particular obligations or of the fiftieth calendar year 7027  
after the year in which the original obligation to pay was issued 7028

or entered into. Sections 9.96, 9.98, 9.981, 9.982, and 9.983 of 7029  
the Revised Code apply to the obligations. 7030

The purpose of the obligations may be stated in the bond 7031  
proceedings in general terms, such as, as applicable, "paying 7032  
costs of capital facilities for a system of common schools" and 7033  
"paying costs of facilities for state-supported and state-assisted 7034  
institutions of higher education." Unless otherwise provided in 7035  
the bond proceedings or in division (C) of this section, the net 7036  
proceeds from the issuance of the obligations shall be paid to the 7037  
state for deposit into the applicable improvement fund. In 7038  
addition to the investments authorized in Chapter 135. of the 7039  
Revised Code, the net proceeds held in an improvement fund may be 7040  
invested by the treasurer of state in guaranteed investment 7041  
contracts with providers rated at the time of any investment in 7042  
the three highest rating categories by two nationally recognized 7043  
rating agencies, all subject to the terms and conditions set forth 7044  
in those agreements or the bond proceedings. Notwithstanding 7045  
division (B)(4) of section 3318.38 of the Revised Code, net 7046  
proceeds of obligations deposited into the school building program 7047  
assistance fund created in section 3318.25 of the Revised Code may 7048  
be used to pay basic project costs under section 3318.38 of the 7049  
Revised Code at the times determined by the Ohio school facilities 7050  
commission without regard to whether those expenditures are in 7051  
proportion to the state's and the school district's respective 7052  
shares of that basic project cost; provided that this shall not 7053  
result in any change in the state or school district shares of the 7054  
basic project costs provided under Chapter 3318. of the Revised 7055  
Code. As used in the preceding sentence, "Ohio school facilities 7056  
commission" and "basic project costs" have the same meanings as in 7057  
section 3318.01 of the Revised Code. 7058

(E) The issuing authority may, without need for any other 7059  
approval, appoint or provide for the appointment of paying agents, 7060

bond registrars, securities depositories, credit enhancement 7061  
providers or counterparties, clearing corporations, and transfer 7062  
agents, and retain or contract for the services of underwriters, 7063  
investment bankers, financial advisers, accounting experts, 7064  
marketing, remarketing, indexing, and administrative agents, other 7065  
consultants, and independent contractors, including printing 7066  
services, as are necessary in the judgment of the issuing 7067  
authority to carry out the issuing authority's functions under 7068  
this section and section 183.52 of the Revised Code. The attorney 7069  
general as counsel to the issuing authority shall represent the 7070  
authority in the execution of its powers and duties, and shall 7071  
institute and prosecute all actions on its behalf. The issuing 7072  
authority, in consultation with the attorney general, shall select 7073  
counsel, and the attorney general shall appoint the counsel 7074  
selected, for the purposes of carrying out the functions under 7075  
this section and related sections of the Revised Code. Financing 7076  
costs are payable, as may be provided in the bond proceedings, 7077  
from the proceeds of the obligations, from special funds, or from 7078  
other moneys available for the purpose, including as to future 7079  
financing costs, from the pledged receipts. 7080

(F) The issuing authority may irrevocably pledge and assign 7081  
all, or such portion as the issuing authority determines, of the 7082  
pledged receipts to the payment of the debt service charges on 7083  
obligations issued under this section, and for the establishment 7084  
and maintenance of any reserves, as provided in the bond 7085  
proceedings, and make other provisions in the bond proceedings 7086  
with respect to pledged receipts as authorized by this section, 7087  
which provisions are controlling notwithstanding any other 7088  
provisions of law pertaining to them. Any and all pledged receipts 7089  
received by the issuing authority and required by the bond 7090  
proceedings, consistent with this section, to be deposited, 7091  
transferred, or credited to the bond service fund, and all other 7092  
money transferred or allocated to or received for the purposes of 7093

that fund, shall be deposited and credited to the bond service 7094  
fund created in the bond proceedings for the obligations, subject 7095  
to any applicable provisions of those bond proceedings, but 7096  
without necessity for any act of appropriation. Those pledged 7097  
receipts shall immediately be subject to the lien of that pledge 7098  
without any physical delivery thereof or further act, and shall 7099  
not be subject to other court judgments. The lien of the pledge of 7100  
those pledged receipts shall be valid and binding against all 7101  
parties having claims of any kind against the issuing authority, 7102  
irrespective of whether those parties have notice thereof. The 7103  
pledge shall create a perfected security interest for all purposes 7104  
of Chapter 1309. of the Revised Code and a perfected lien for 7105  
purposes of any other interest, all without the necessity for 7106  
separation or delivery of funds or for the filing or recording of 7107  
the applicable bond proceedings by which that pledge is created or 7108  
any certificate, statement, or other document with respect 7109  
thereto. The pledge of the pledged receipts shall be effective and 7110  
the money therefrom and thereof may be applied to the purposes for 7111  
which pledged. 7112

(G) Obligations may be further secured, as determined by the 7113  
issuing authority, by an indenture or a trust agreement between 7114  
the issuing authority and a corporate trustee, which may be any 7115  
trust company or bank having a place of business within the state. 7116  
Any indenture or trust agreement may contain the resolution or 7117  
order authorizing the issuance of the obligations, any provisions 7118  
that may be contained in any bond proceedings, and other 7119  
provisions that are customary or appropriate in an agreement of 7120  
that type, including, but not limited to: 7121

(1) Maintenance of each pledge, indenture, trust agreement, 7122  
or other instrument comprising part of the bond proceedings until 7123  
the issuing authority has fully paid or provided for the payment 7124  
of debt service on the obligations secured by it; 7125

(2) In the event of default in any payments required to be 7126  
made by the bond proceedings, enforcement of those payments or 7127  
agreements by mandamus, the appointment of a receiver, suit in 7128  
equity, action at law, or any combination of them; 7129

(3) The rights and remedies of the holders or owners of 7130  
obligations and of the trustee and provisions for protecting and 7131  
enforcing them, including limitations on rights of individual 7132  
holders and owners. 7133

(H) The bond proceedings may contain additional provisions 7134  
customary or appropriate to the financing or to the obligations or 7135  
to particular obligations including, but not limited to, 7136  
provisions for: 7137

(1) The redemption of obligations prior to maturity at the 7138  
option of the issuing authority or of the holder or upon the 7139  
occurrence of certain conditions, and at a particular price or 7140  
prices and under particular terms and conditions; 7141

(2) The form of and other terms of the obligations; 7142

(3) The establishment, deposit, investment, and application 7143  
of special funds, and the safeguarding of moneys on hand or on 7144  
deposit, in lieu of the applicability of provisions of Chapter 7145  
131. or 135. of the Revised Code, but subject to any special 7146  
provisions of this section with respect to the application of 7147  
particular funds or moneys. Any financial institution that acts as 7148  
a depository of any moneys in special funds or other funds under 7149  
the bond proceedings may furnish indemnifying bonds or pledge 7150  
securities as required by the issuing authority. 7151

(4) Any or every provision of the bond proceedings being 7152  
binding upon the issuing authority and upon such governmental 7153  
agency or entity, officer, board, authority, agency, department, 7154  
institution, district, or other person or body as may from time to 7155  
time be authorized to take actions as may be necessary to perform 7156

all or any part of the duty required by the provision; 7157

(5) The maintenance of each pledge or instrument comprising 7158  
part of the bond proceedings until the issuing authority has fully 7159  
paid or provided for the payment of the debt service on the 7160  
obligations or met other stated conditions; 7161

(6) In the event of default in any payments required to be 7162  
made by the bond proceedings, or by any other agreement of the 7163  
issuing authority made as part of a contract under which the 7164  
obligations were issued or secured, including a credit enhancement 7165  
facility, the enforcement of those payments by mandamus, a suit in 7166  
equity, an action at law, or any combination of those remedial 7167  
actions; 7168

(7) The rights and remedies of the holders or owners of 7169  
obligations or of book-entry interests in them, and of third 7170  
parties under any credit enhancement facility, and provisions for 7171  
protecting and enforcing those rights and remedies, including 7172  
limitations on rights of individual holders or owners; 7173

(8) The replacement of mutilated, destroyed, lost, or stolen 7174  
obligations; 7175

(9) The funding, refunding, or advance refunding, or other 7176  
provision for payment, of obligations that will then no longer be 7177  
outstanding for purposes of this section or of the applicable bond 7178  
proceedings; 7179

(10) Amendment of the bond proceedings; 7180

(11) Any other or additional agreements with the owners of 7181  
obligations, and such other provisions as the issuing authority 7182  
determines, including limitations, conditions, or qualifications, 7183  
relating to any of the foregoing or the activities of the issuing 7184  
authority in connection therewith. 7185

The bond proceedings shall make provision for the payment of 7186

the expenses of the enforcement activity of the attorney general 7187  
referred to in division (B) of this section from the amounts from 7188  
the tobacco master settlement agreement assigned and sold to the 7189  
issuing authority under that division or from the proceeds of 7190  
obligations, or a combination thereof, which may include provision 7191  
for both annual payments and a special fund providing reserve 7192  
amounts for the payment of those expenses. 7193

The issuing authority shall not, and shall covenant in the 7194  
bond proceedings that it shall not, be authorized to and shall not 7195  
file a voluntary petition under the United States Bankruptcy Code, 7196  
11 U.S.C. 101 et seq., as amended, or voluntarily commence any 7197  
similar bankruptcy proceeding under state law including, without 7198  
limitation, consenting to the appointment of a receiver or trustee 7199  
or making a general or specific assignment for the benefit of 7200  
creditors, and neither any public officer or any organization, 7201  
entity, or other person shall authorize the issuing authority to 7202  
be or become a debtor under the United States Bankruptcy Code or 7203  
take any of those actions under the United States Bankruptcy Code 7204  
or state law. The state hereby covenants, and the issuing 7205  
authority shall covenant, with the holders or owners of the 7206  
obligations, that the state shall not permit the issuing authority 7207  
to file a voluntary petition under the United States Bankruptcy 7208  
Code or take any of those actions under the United States 7209  
Bankruptcy Code or state law during the period obligations are 7210  
outstanding and for any additional period for which the issuing 7211  
authority covenants in the bond proceedings, which additional 7212  
period may, but need not, be a period of three hundred sixty-seven 7213  
days or more. 7214

(I) The obligations requiring execution by or for the issuing 7215  
authority shall be signed as provided in the bond proceedings, and 7216  
may bear the official seal of the issuing authority or a facsimile 7217  
thereof. Any obligation may be signed by the individual who, on 7218

the date of execution, is the authorized signer even though, on 7219  
the date of the obligations, that individual is not an authorized 7220  
signer. In case the individual whose signature or facsimile 7221  
signature appears on any obligation ceases to be an authorized 7222  
signer before delivery of the obligation, that signature or 7223  
facsimile is nevertheless valid and sufficient for all purposes as 7224  
if that individual had remained the authorized signer until 7225  
delivery. 7226

(J) Obligations are investment securities under Chapter 1308. 7227  
of the Revised Code. Obligations may be issued in bearer or in 7228  
registered form, registrable as to principal alone or as to both 7229  
principal and interest, or both, or in certificated or 7230  
uncertificated form, as the issuing authority determines. 7231  
Provision may be made for the exchange, conversion, or transfer of 7232  
obligations and for reasonable charges for registration, exchange, 7233  
conversion, and transfer. Pending preparation of final 7234  
obligations, the issuing authority may provide for the issuance of 7235  
interim instruments to be exchanged for the final obligations. 7236

(K) Obligations may be sold at public sale or at private 7237  
sale, in such manner, and at such price at, above, or below par, 7238  
all as determined by and provided by the issuing authority in the 7239  
bond proceedings. 7240

(L) Except to the extent that rights are restricted by the 7241  
bond proceedings, any owner of obligations or provider of or 7242  
counterparty to a credit enhancement facility may by any suitable 7243  
form of legal proceedings protect and enforce any rights relating 7244  
to obligations or that facility under the laws of this state or 7245  
granted by the bond proceedings. Those rights include the right to 7246  
compel the performance of all applicable duties of the issuing 7247  
authority and the state. Each duty of the issuing authority and 7248  
that issuing authority's officers, staff, and employees, and of 7249  
each state entity or agency, or using district or using 7250

institution, and its officers, members, staff, or employees, 7251  
undertaken pursuant to the bond proceedings, is hereby established 7252  
as a duty of the entity or individual having authority to perform 7253  
that duty, specifically enjoined by law and resulting from an 7254  
office, trust, or station within the meaning of section 2731.01 of 7255  
the Revised Code. The individuals who are from time to time 7256  
members of the issuing authority, or their designees acting 7257  
pursuant to section 183.52 of the Revised Code, or the issuing 7258  
authority's officers, staff, agents, or employees, when acting 7259  
within the scope of their employment or agency, shall not be 7260  
liable in their personal capacities on any obligations or 7261  
otherwise under the bond proceedings, or for otherwise exercising 7262  
or carrying out any purposes or powers of the issuing authority. 7263

(M)(1) Subject to any applicable limitations in division (C) 7264  
of this section, the issuing authority may also authorize and 7265  
provide for the issuance of: 7266

(a) Obligations in the form of bond anticipation notes, and 7267  
may authorize and provide for the renewal of those notes from time 7268  
to time by the issuance of new notes. The holders of notes or 7269  
appertaining interest coupons have the right to have debt service 7270  
on those notes paid solely from the moneys and special funds, and 7271  
all or any portion of the pledged receipts, that are or may be 7272  
pledged to that payment, including the proceeds of bonds or 7273  
renewal notes or both, as the issuing authority provides in the 7274  
bond proceedings authorizing the notes. Notes may be additionally 7275  
secured by covenants of the issuing authority to the effect that 7276  
the issuing authority will do all things necessary for the 7277  
issuance of bonds or renewal notes in such principal amount and 7278  
upon such terms as may be necessary to provide moneys to pay when 7279  
due the debt service on the notes, and apply their proceeds to the 7280  
extent necessary, to make full and timely payment of debt service 7281  
on the notes as provided in the applicable bond proceedings. In 7282

the bond proceedings authorizing the issuance of bond anticipation 7283  
notes the issuing authority shall set forth for the bonds 7284  
anticipated an estimated schedule of annual principal payments the 7285  
latest of which shall be no later than provided in division (D) of 7286  
this section. While the notes are outstanding there shall be 7287  
deposited, as shall be provided in the bond proceedings for those 7288  
notes, from the sources authorized for payment of debt service on 7289  
the bonds, amounts sufficient to pay the principal of the bonds 7290  
anticipated as set forth in that estimated schedule during the 7291  
time the notes are outstanding, which amounts shall be used solely 7292  
to pay the principal of those notes or of the bonds anticipated. 7293

(b) Obligations for the refunding, including funding and 7294  
retirement, and advance refunding, with or without payment or 7295  
redemption prior to maturity, of any obligations previously issued 7296  
under this section and any bonds or notes previously issued for 7297  
the purpose of paying costs of capital facilities for: (i) 7298  
state-supported or state-assisted institutions of higher education 7299  
as authorized by sections 151.01 and 151.04 of the Revised Code, 7300  
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution, 7301  
and (ii) housing branches and agencies of state government limited 7302  
to facilities for a system of common schools throughout the state 7303  
as authorized by sections 151.01 and 151.03 of the Revised Code, 7304  
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution. 7305  
Refunding obligations may be issued in amounts sufficient to pay 7306  
or to provide for repayment of the principal amount, including 7307  
principal amounts maturing prior to the redemption of the 7308  
remaining prior obligations or bonds or notes, any redemption 7309  
premium, and interest accrued or to accrue to the maturity or 7310  
redemption date or dates, payable on the prior obligations or 7311  
bonds or notes, and related financing costs and any expenses 7312  
incurred or to be incurred in connection with that issuance and 7313  
refunding. Subject to the applicable bond proceedings, the portion 7314  
of the proceeds of the sale of refunding obligations issued under 7315

division (M)(1)(b) of this section to be applied to debt service 7316  
on the prior obligations or bonds or notes shall be credited to an 7317  
appropriate separate account in the bond service fund and held in 7318  
trust for the purpose by the issuing authority or by a corporate 7319  
trustee, and may be invested as provided in the bond proceedings. 7320  
Obligations authorized under this division shall be considered to 7321  
be issued for those purposes for which the prior obligations or 7322  
bonds or notes were issued. 7323

(2) The principal amount of refunding, advance refunding, or 7324  
renewal obligations issued pursuant to division (M) of this 7325  
section shall be in addition to the amount authorized in division 7326  
(C) of this section. 7327

(N) Obligations are lawful investments for banks, savings and 7328  
loan associations, credit union share guaranty corporations, trust 7329  
companies, trustees, fiduciaries, insurance companies, including 7330  
domestic for life and domestic not for life, trustees or other 7331  
officers having charge of sinking and bond retirement or other 7332  
special funds of the state and political subdivisions and taxing 7333  
districts of this state, notwithstanding any other provisions of 7334  
the Revised Code or rules adopted pursuant to those provisions by 7335  
any state agency with respect to investments by them, and are also 7336  
acceptable as security for the repayment of the deposit of public 7337  
moneys. The exemptions from taxation in Ohio as provided for in 7338  
particular sections of the Ohio Constitution and section 5709.76 7339  
of the Revised Code apply to the obligations. 7340

(O)(1) Unless otherwise provided or provided for in any 7341  
applicable bond proceedings, moneys to the credit of or in a 7342  
special fund shall be disbursed on the order of the issuing 7343  
authority. No such order is required for the payment, from the 7344  
bond service fund or other special fund, when due of debt service 7345  
or required payments under credit enhancement facilities. 7346

(2) Payments received by the issuing authority under interest 7347

rate hedges entered into as credit enhancement facilities under 7348  
this section shall be deposited as provided in the applicable bond 7349  
proceedings. 7350

(P) The obligations shall not be general obligations of the 7351  
state and the full faith and credit, revenue, and taxing power of 7352  
the state shall not be pledged to the payment of debt service on 7353  
them or to any guarantee of the payment of that debt service. The 7354  
holders or owners of the obligations shall have no right to have 7355  
any moneys obligated or pledged for the payment of debt service 7356  
except as provided in this section and in the applicable bond 7357  
proceedings. The rights of the holders and owners to payment of 7358  
debt service are limited to all or that portion of the pledged 7359  
receipts, and those special funds, pledged to the payment of debt 7360  
service pursuant to the bond proceedings in accordance with this 7361  
section, and each obligation shall bear on its face a statement to 7362  
that effect. 7363

(Q) Each bond service fund is a trust fund and is hereby 7364  
pledged to the payment of debt service on the applicable 7365  
obligations. Payment of that debt service shall be made or 7366  
provided for by the issuing authority in accordance with the bond 7367  
proceedings without necessity for any act of appropriation. The 7368  
bond proceedings may provide for the establishment of separate 7369  
accounts in the bond service fund and for the application of those 7370  
accounts only to debt service on specific obligations, and for 7371  
other accounts in the bond service fund within the general 7372  
purposes of that fund. 7373

(R) Subject to the bond proceedings pertaining to any 7374  
obligations then outstanding in accordance with their terms, the 7375  
issuing authority may in the bond proceedings pledge all, or such 7376  
portion as the issuing authority determines, of the moneys in the 7377  
bond service fund to the payment of debt service on particular 7378  
obligations, and for the establishment and maintenance of any 7379

reserves for payment of particular debt service. 7380

(S)(1) Unless otherwise provided in any applicable bond 7381  
proceedings, moneys to the credit of special funds may be invested 7382  
by or on behalf of the issuing authority only in one or more of 7383  
the following: 7384

(a) Notes, bonds, or other direct obligations of the United 7385  
States or of any agency or instrumentality of the United States, 7386  
or in no-front-end-load money market mutual funds consisting 7387  
exclusively of those obligations, or in repurchase agreements, 7388  
including those issued by any fiduciary, secured by those 7389  
obligations, or in collective investment funds consisting 7390  
exclusively of those obligations; 7391

(b) Obligations of this state or any political subdivision of 7392  
this state; 7393

(c) Certificates of deposit of any national bank located in 7394  
this state and any bank, as defined in section 1101.01 of the 7395  
Revised Code, subject to inspection by the superintendent of 7396  
financial institutions; 7397

(d) The treasurer of state's pooled investment program under 7398  
section 135.45 of the Revised Code; 7399

(e) Other investment agreements or repurchase agreements that 7400  
are consistent with the ratings on the obligations. 7401

(2) The income from investments referred to in division 7402  
(S)(1) of this section shall be credited to special funds or 7403  
otherwise as the issuing authority determines in the bond 7404  
proceedings. Those investments may be sold or exchanged at times 7405  
as the issuing authority determines, provides for, or authorizes. 7406

(T) The treasurer of state shall have responsibility for 7407  
keeping records, making reports, and making payments, relating to 7408  
any arbitrage rebate requirements under the applicable bond 7409

proceedings. 7410

(U) The issuing authority shall make quarterly reports to the 7411  
general assembly of the amounts in, and activities of, each 7412  
improvement fund, including amounts and activities on the subfund 7413  
level. Each report shall include a detailed description and 7414  
analysis of the amount of proceeds remaining in each fund from the 7415  
sale of obligations pursuant to this section, and any other 7416  
deposits, credits, interest earnings, disbursements, expenses, 7417  
transfers, or activities of each fund. 7418

(V) The costs of the annual audit of the authority conducted 7419  
pursuant to section 117.112 of the Revised Code are payable, as 7420  
may be provided in the bond proceedings, from the proceeds of the 7421  
obligations, from special funds, or from other moneys available 7422  
for the purpose, including as to future financing costs, from the 7423  
pledged receipts. 7424

**Sec. 183.52.** (A) There is hereby created a body, both 7425  
corporate and politic, constituting a public body, agency, and 7426  
instrumentality of this state and performing essential functions 7427  
of the state, to be known as the buckeye tobacco settlement 7428  
financing authority, which in that name may contract and be 7429  
contracted with, sue and be sued, and exercise all other authority 7430  
vested in that authority by this section and section 183.51 of the 7431  
Revised Code. The authority is created for the sole purpose of 7432  
purchasing and receiving any assignment of the tobacco settlement 7433  
receipts and issuing obligations, all as provided for in section 7434  
183.51 of the Revised Code, to provide financing of essential 7435  
functions and facilities. The property of the authority and its 7436  
income and operations shall be exempt from taxation involving the 7437  
state or by the state and any political subdivision of the state. 7438  
All income of the authority, after the payment of necessary 7439  
expenses, shall accrue to the state. 7440

(B) The authority shall consist of, in each case ex officio, 7441  
the governor, the director of budget and management, and the 7442  
treasurer of state. The governor shall serve as the chair of the 7443  
authority, the director of budget and management shall serve as 7444  
its secretary, and the authority shall have such other officers as 7445  
it determines, who may but need not be members of the authority. 7446  
Two members of the authority constitute a quorum and the 7447  
affirmative vote of two members is necessary for any action taken 7448  
by vote of the authority. No vacancy in the membership of the 7449  
authority shall impair the rights of a quorum by such vote to 7450  
exercise all the rights and perform all the duties of the 7451  
authority. Each of the members above identified may designate an 7452  
employee or officer of their office to attend meetings of the 7453  
authority when that member is absent or unable for any reason to 7454  
attend and that designee, when present, shall be counted in 7455  
determining whether a quorum is present at any meeting and may 7456  
vote and participate in all proceedings and actions of the 7457  
authority. A designee may not execute or cause a facsimile 7458  
signature to be placed on any obligation. That designation shall 7459  
be in writing, executed by the designating member, and be filed 7460  
with the secretary of the authority. A designation may be changed 7461  
from time to time by a similar written designation. The authority 7462  
may delegate to such of its members, officers, employees, or staff 7463  
as it determines those powers and duties as it deems appropriate. 7464  
No member of the authority or designee shall, by reason of being 7465  
or serving as a member of the authority, be required to abstain 7466  
from action in any other capacity as an incumbent of a state 7467  
office or position or from any action as a member of the authority 7468  
in any matter affecting or in any way pertaining to both that 7469  
office or position and the authority, or for any purpose be deemed 7470  
to be disqualified from either such office or position or as a 7471  
member of the authority by reason of so acting or to have violated 7472  
any law by reason thereof. The authority may adopt and alter 7473

bylaws and rules for the conduct of its affairs, including 7474  
provisions for meetings, and for the manner in which its powers 7475  
and functions are to be exercised and embodied, and may adopt and 7476  
alter at will an official seal to be affixed to official 7477  
documents, provided that the failure to affix any such seal shall 7478  
not affect the legality of such documents. Members of the 7479  
authority shall receive no added compensation for their services 7480  
as such members but may be reimbursed, as determined by the 7481  
authority, for their necessary and actual expenses incurred in the 7482  
conduct of the authority's business. The office of budget and 7483  
management shall provide staff support to the authority. 7484

7485  
Notwithstanding the existence of common management, the 7486  
authority shall be treated and accounted for as a separate and 7487  
independent legal entity with its separate purposes as set forth 7488  
in this section and section 183.51 of the Revised Code. The 7489  
assets, liabilities, and funds of the authority shall not be 7490  
consolidated or commingled with those of the state, and contracts 7491  
entered into by the authority shall be entered into in the name of 7492  
the authority and not in the name of the state. 7493

The authority shall prepare annually an operating and 7494  
financial statement covering the authority's operations for the 7495  
preceding fiscal year. 7496

(C) In connection with the exercise of its powers pursuant to 7497  
this section and section 183.51 of the Revised Code, the authority 7498  
may enter into contracts and execute all instruments necessary or 7499  
incidental to the performance of the issuing authority's duties 7500  
and the execution of the issuing authority's powers and do all 7501  
other acts necessary or proper to the fulfillment of the issuing 7502  
authority's purposes and to carry out the powers expressly granted 7503  
in this section and section 183.51 of the Revised Code. The 7504  
authority is subject to sections 121.22 and 149.43 of the Revised 7505

Code. 7506

(D) Unless otherwise provided in Article IV of the Ohio 7507  
Constitution, any action, suit, or special proceeding brought 7508  
against the issuing authority or the state concerning or relating 7509  
to the bond proceedings, section 183.51 of the Revised Code, or 7510  
this section, shall be filed and determined in the court of claims 7511  
under Chapter 2743. of the Revised Code. Any special proceeding 7512  
brought against the issuing authority or the state in which the 7513  
court of appeals has original jurisdiction shall be filed and 7514  
determined in the court of appeals of Franklin county. Any such 7515  
action or proceeding to which the issuing authority or the state 7516  
is a party shall be preferred over all other civil causes of 7517  
action or cases, except election causes of action or cases, 7518  
irrespective of position on the calendar. 7519

**Sec. 305.31.** The procedure for submitting to a referendum a 7520  
resolution adopted by a board of county commissioners under 7521  
division (H) of section 307.695 of the Revised Code that is not 7522  
submitted to the electors of the county for their approval or 7523  
disapproval; any resolution adopted by a board of county 7524  
commissioners pursuant to division (D)(1) of section 307.697, 7525  
section 322.02, 322.06, or 324.02, sections 1515.22 and 1515.24, 7526  
division (B)(1) of section 4301.421, section 4504.02, 5739.021, or 7527  
5739.026, division (A)(6) of section 5739.09, section 5741.021, or 7528  
5741.023, or division (C)(1) of section 5743.024 of the Revised 7529  
Code; or a rule adopted pursuant to section 307.79 of the Revised 7530  
Code shall be as prescribed by this section. 7531

Except as otherwise provided in this paragraph, when a 7532  
petition, signed by ten per cent of the number of electors who 7533  
voted for governor at the most recent general election for the 7534  
office of governor in the county, is filed with the county auditor 7535  
within thirty days after the date the resolution is passed or rule 7536

is adopted by the board of county commissioners, or is filed 7537  
within forty-five days after the resolution is passed, in the case 7538  
of a resolution adopted pursuant to section 5739.021 of the 7539  
Revised Code that is passed within one year after a resolution 7540  
adopted pursuant to that section has been rejected or repealed by 7541  
the electors, requesting that the resolution be submitted to the 7542  
electors of the county for their approval or rejection, the county 7543  
auditor shall, after ten days following the filing of the 7544  
petition, and not later than four p.m. of the seventy-fifth day 7545  
before the day of election, transmit a certified copy of the text 7546  
of the resolution or rule to the board of elections. In the case 7547  
of a petition requesting that a resolution adopted under division 7548  
(D)(1) of section 307.697, division (B)(1) of section 4301.421, or 7549  
division (C)(1) of section 5743.024 of the Revised Code be 7550  
submitted to electors for their approval or rejection, the 7551  
petition shall be signed by seven per cent of the number of 7552  
electors who voted for governor at the most recent election for 7553  
the office of governor in the county. The county auditor shall 7554  
transmit the petition to the board together with the certified 7555  
copy of the resolution or rule. The board shall examine all 7556  
signatures on the petition to determine the number of electors of 7557  
the county who signed the petition. The board shall return the 7558  
petition to the auditor within ten days after receiving it, 7559  
together with a statement attesting to the number of such electors 7560  
who signed the petition. The board shall submit the resolution or 7561  
rule to the electors of the county, for their approval or 7562  
rejection, at the succeeding general election held in the county 7563  
in any year, or on the day of the succeeding primary election held 7564  
in the county in even-numbered years, occurring subsequent to 7565  
seventy-five days after the auditor certifies the sufficiency and 7566  
validity of the petition to the board of elections. 7567

No resolution shall go into effect until approved by the 7568  
majority of those voting upon it. However, a rule shall take 7569

effect and remain in effect unless and until a majority of the 7570  
electors voting on the question of repeal approve the repeal. 7571  
Sections 305.31 to 305.41 of the Revised Code do not prevent a 7572  
county, after the passage of any resolution or adoption of any 7573  
rule, from proceeding at once to give any notice or make any 7574  
publication required by the resolution or rule. 7575

The board of county commissioners shall make available to any 7576  
person, upon request, a certified copy of any resolution or rule 7577  
subject to the procedure for submitting a referendum under 7578  
sections 305.31 to 305.42 of the Revised Code beginning on the 7579  
date the resolution or rule is adopted by the board. The board may 7580  
charge a fee for the cost of copying the resolution or rule. 7581

As used in this section, "certified copy" means a copy 7582  
containing a written statement attesting that it is a true and 7583  
exact reproduction of the original resolution or rule. 7584

at any time, the principal of and interest and any premium due on 7597

the completed application to the corporation. Not later than the 8843  
fifteenth day of May, the corporation shall file all completed 8844

An application for a reduction under division (A) of section 8863  
323.152 of the Revised Code constitutes a continuing application 8864  
for a reduction in taxes for each year in which the dwelling is 8865

~~the applicant's homestead and the amount of the reduction in 8866  
taxable value to which the applicant is entitled does not exceed 8867  
either the amount or percentage of the reduction to which the 8868  
applicant was entitled for the year in which the application was 8869  
first filed. 8870~~

(2) An application for a reduction in taxes under division 8871  
(B) of section 323.152 of the Revised Code shall be filed only if 8872  
the homestead or manufactured or mobile home was transferred in 8873  
the preceding year or did not qualify for and receive the 8874

The application for homesteads transferred in the preceding year 8876  
shall be incorporated into any form used by the county auditor to 8877

4503.06 of the Revised Code to be taxed under division (D)(2) of 8883  
that section for the ensuing year may file the application at the 8884  
time of making that election. The application shall contain a 8885  
statement that failure by the applicant to affirm on the 8886  
application that the dwelling on the property conveyed is the 8887  
applicant's homestead prohibits the owner from receiving the 8888  
reduction in taxes until a proper application is filed within the 8889  
period prescribed by division (A)(3) of this section. Such an 8890  
application constitutes a continuing application for a reduction 8891  
in taxes for each year in which the dwelling is the applicant's 8892  
homestead. 8893

(3) Failure to receive a new application filed under division 8894  
(A)(1) or (2) or notification under division (C) of this section 8895

323.154 of the Revised Code, or failure to receive a new 8897

application filed under division (A)(1) or notification under 8898  
division (C) of this section after a certificate of reduction has 8899

the reduction in taxes calculated on the basis of the information 8902  
contained in the original application. The original application 8903  
and any subsequent application, including any late application, 8904  
shall be in the form of a signed statement and shall be filed 8905  
after the first Monday in January and not later than the first 8906

application for a reduction in real property taxes shall be filed 8908  
in the year for which the reduction is sought. The original 8909  
application and any subsequent application for a reduction in 8910  
manufactured home taxes shall be filed in the year preceding the 8911  
year for which the reduction is sought. The statement shall be on 8912  
a form, devised and supplied by the tax commissioner, which shall 8913  
require no more information than is necessary to establish the 8914  
applicant's eligibility for the reduction in taxes and the amount 8915  
of the reduction, and, for a certificate of reduction issued under 8916  
section 323.154 of the Revised Code, shall include an affirmation 8917  
by the applicant that ownership of the homestead was not acquired 8918  
from a person, other than the applicant's spouse, related to the 8919  
owner by consanguinity or affinity for the purpose of qualifying 8920  
for the real property or manufactured home tax reduction provided 8921  
for in division (A) or (B) of section 323.152 of the Revised Code. 8922  
The form shall contain a statement that conviction of willfully 8923  
falsifying information to obtain a reduction in taxes or failing 8924  
to comply with division (C) of this section results in the 8925  
revocation of the right to the reduction for a period of three 8926  
years. ~~In the case of an application for a reduction in taxes 8927~~  
~~under division (A) of section 323.152 of the Revised Code, the 8928~~

earned by the applicant as stated on the application for the 8932  
purpose of determining a possible violation of division (D) or (E) 8933  
of this section. 8934~~

(B) A late application for a tax reduction for the year 8935  
preceding the year in which an original application is filed, or 8936  
for a reduction in manufactured home taxes for the year in which 8937  
an original application is filed, may be filed with the original 8938  
application. If the county auditor determines the information 8939  
contained in the late application is correct, the auditor shall 8940  
determine the amount of the reduction in taxes to which the 8941  
applicant would have been entitled for the preceding tax year had 8942  
the applicant's application been timely filed and approved in that 8943  
year. 8944

The amount of such reduction shall be treated by the auditor 8945  
as an overpayment of taxes by the applicant and shall be refunded 8946  
in the manner prescribed in section 5715.22 of the Revised Code 8947  
for making refunds of overpayments. On the first day of July of 8948  
each year, the county auditor shall certify the total amount of 8949  
the reductions in taxes made in the current year under this 8950  
division to the tax commissioner, who shall treat the full amount 8951  
thereof as a reduction in taxes for the preceding tax year and 8952  
shall make reimbursement to the county therefor in the manner 8953  
prescribed by section 323.156 of the Revised Code, from money 8954  
appropriated for that purpose. 8955

(C)(1) If, in any year after an application has been filed 8956  
under division (A)(1) or (2) of this section, the owner does not 8957  
qualify for a reduction in taxes on the homestead or on the 8958  
manufactured or mobile home set forth on such application, ~~or 8959

~~reduction in taxes or file a new application under division (A)(1) 8965~~  
~~or (2) of this section. 8966~~

(2) If, in any year after an application has been filed under 8967  
division (A)~~(1)~~ of this section, the occupant of a homestead in a 8968  
housing cooperative does not qualify for a reduction in taxes on 8969  
the homestead, the occupant shall notify the county auditor that 8970  
the occupant is not qualified for a reduction in taxes or file a 8971  
new application under division (A)~~(1)~~ of this section. 8972

(3) If the county auditor or county treasurer discovers that 8973  
the owner of property not entitled to the reduction in taxes under 8974  
division (B) of section 323.152 of the Revised Code failed to 8975  
notify the county auditor as required by division (C)(1) of this 8976  
section, a charge shall be imposed against the property in the 8977  
amount by which taxes were reduced under that division for each 8978  
tax year the county auditor ascertains that the property was not 8979  
entitled to the reduction and was owned by the current owner. 8980  
Interest shall accrue in the manner prescribed by division (B) of 8981  
section 323.121 or division (G)(2) of section 4503.06 of the 8982  
Revised Code on the amount by which taxes were reduced for each 8983  
such tax year as if the reduction became delinquent taxes at the 8984  
close of the last day the second installment of taxes for that tax 8985  
year could be paid without penalty. The county auditor shall 8986  
notify the owner, by ordinary mail, of the charge, of the owner's 8987  
right to appeal the charge, and of the manner in which the owner 8988  
may appeal. The owner may appeal the imposition of the charge and 8989  
interest by filing an appeal with the county board of revision not 8990  
later than the last day prescribed for payment of real and public 8991  
utility property taxes under section 323.12 of the Revised Code 8992  
following receipt of the notice and occurring at least ninety days 8993  
after receipt of the notice. The appeal shall be treated in the 8994

same manner as a complaint relating to the valuation or assessment 8995  
of real property under Chapter 5715. of the Revised Code. The 8996  
charge and any interest shall be collected as other delinquent 8997  
taxes. 8998

(4) Each year during January, the county auditor shall 8999  
furnish by ordinary mail a continuing application to each person 9000  
issued a certificate of reduction under section 323.154 or 323.159 9001  
of the Revised Code with respect to a reduction in taxes under 9002  
division (A) of section 323.152 of the Revised Code. The 9003  
continuing application shall be used to report ~~changes in total~~ 9004  
~~income that would have the effect of increasing or decreasing the~~ 9005  
~~reduction in taxable value to which the person is entitled,~~ 9006  
changes in ownership or occupancy of the homestead, including 9007  
changes in or revocation of a revocable inter vivos trust, changes 9008  
in disability, and other changes in the information earlier 9009  
furnished the auditor relative to the reduction in taxes on the 9010  
property. The continuing application shall be returned to the 9011  
auditor not later than the first Monday in June; provided, that if 9012  
such changes do not affect the status of the homestead exemption 9013  
or the amount of the reduction to which the owner is entitled 9014  
under division (A) of section 323.152 of the Revised Code or to 9015  
which the occupant is entitled under section 323.159 of the 9016  
Revised Code, the application does not need to be returned. 9017

(5) Each year during February, the county auditor, except as 9018  
otherwise provided in this paragraph, shall furnish by ordinary 9019  
mail an original application to the owner, as of the first day of 9020  
January of that year, of a homestead or a manufactured or mobile 9021  
home that transferred during the preceding calendar year and that 9022  
qualified for and received a reduction in taxes under division (B) 9023  
of section 323.152 of the Revised Code for the preceding tax year. 9024  
In order to receive the reduction under that division, the owner 9025  
shall file the application with the county auditor not later than 9026

the first Monday in June. If the application is not timely filed, 9027  
the auditor shall not grant a reduction in taxes for the homestead 9028  
for the current year, and shall notify the owner that the 9029  
reduction in taxes has not been granted, in the same manner 9030  
prescribed under section 323.154 of the Revised Code for 9031  
notification of denial of an application. Failure of an owner to 9032  
receive an application does not excuse the failure of the owner to 9033  
file an original application. The county auditor is not required 9034  
to furnish an application under this paragraph for any homestead 9035  
for which application has previously been made on a form 9036  
incorporated into any form used by the county auditor to 9037  
administer the tax law in respect to the conveyance of real 9038  
property or of used manufactured homes or used mobile homes, and 9039  
an owner who previously has applied on such a form is not required 9040  
to return an application furnished under this paragraph. 9041

(D) No person shall knowingly make a false statement for the 9042

manufactured home taxes under section 323.152 of the Revised Code. 9044

(E) No person shall knowingly fail to notify the county 9045  
auditor of changes required by division (C) of this section that 9046

certification attesting to any person's physical or mental 9051  
condition for purposes of qualifying such person for tax relief 9052  
pursuant to sections 323.151 to 323.159 of the Revised Code. 9053

**Sec. 323.154.** On or before the day the county auditor has 9054

Revised Code, the auditor shall issue a certificate of reduction 9056  
in taxes in triplicate for each person who has complied with 9057

certificate shall state the taxable value of the homestead on the 9065  
first day of January of that year, the ~~amount of the reduction in~~ 9066

that section, the tax rate that is applicable against such 9068  
homestead for that year, and any other information the tax 9069  
commissioner requires. In the case of a homestead or a 9070  
manufactured or mobile home entitled to a reduction under division 9071  
(B) of that section, the certificate shall state the total amount 9072  
of the reduction in taxes for that year under that section and any 9073  
other information the tax commissioner requires. The certificate 9074  
for reduction in taxes shall be on a form approved by the 9075  
commissioner. Upon issuance of such a certificate, the county 9076  
auditor shall forward one copy and the original to the county 9077  
treasurer and retain one copy. The county auditor also shall 9078  
record the amount of reduction in taxes in the appropriate column 9079  
on the general tax list and duplicate of real and public utility 9080  
property and on the manufactured home tax list. 9081

application is not approved, or if the county auditor otherwise 9083  
determines that a homestead or a manufactured or mobile home does 9084  
not qualify for a reduction in taxes under division (A) or (B) of 9085  
section 323.152 of the Revised Code, the auditor shall notify the 9086  
applicant of the reasons for denial not later than the first 9087  
Monday in October. If an applicant believes that the application 9088  
for reduction has been improperly denied or that the reduction is 9089  
for less than that to which the applicant is entitled, the 9090

applicant may file an appeal with the county board of revision not 9091  
later than the date of closing of the collection for the first 9092  
half of real and public utility property taxes or manufactured 9093  
home taxes. The appeal shall be treated in the same manner as a 9094  
complaint relating to the valuation or assessment of real property 9095  
under Chapter 5715. of the Revised Code. 9096

the loss of any matching funds in an amount equal to the amount of 9332  
the withdrawal. 9333

(3) Regardless of the reason for the withdrawal, a withdrawal 9334  
from an individual development account may be made only with the 9335

determination that the plan and allocation request are complete, 9380  
the department shall approve or disapprove the plan and request, 9381  
in whole or in part, according to the criteria developed pursuant 9382  
to section 5119.61 of the Revised Code. The department's statement 9383  
of approval or disapproval shall specify the inpatient and the 9384  
community-based services that the department will operate for the 9385  
board. Eligibility 9386

and of the criteria that must be met before the plan may be 9405  
approved. The director shall provide the board an opportunity to 9406  
present its case on behalf of the plan. The director shall give 9407  
the board a reasonable time in which to meet the criteria, and 9408  
shall offer the board technical assistance to help it meet the 9409  
criteria. 9410

If the approval of a plan remains in dispute thirty days 9411  
prior to the conclusion of the fiscal year in which the board's 9412  
current plan is scheduled to expire, the board or the director may 9413  
request that the dispute be submitted to a mutually agreed upon 9414  
third-party mediator with the cost to be shared by the board and 9415  
the department. The mediator shall issue to the board and the 9416  
department recommendations for resolution of the dispute. Prior to 9417

scheduled to expire, the director, taking into consideration the 9419  
recommendations of the mediator, shall make a final determination 9420  
and approve or disapprove the plan, in whole or in part. 9421

If a board determines that it is necessary to amend a plan or 9422  
an allocation request that has been approved under division 9423  
(A)(1)(c) of this section, the board shall submit a proposed 9424  
amendment to the director. The director may approve or disapprove 9425  
all or part of the amendment. If the director does not approve all 9426  
or part of the amendment within thirty days after it is submitted, 9427  
the amendment or part of it shall be considered to have been 9428  
approved. The director shall inform the board of the reasons for 9429  
disapproval of all or part of an amendment and of the criteria 9430  
that must be met before the amendment may be approved. The 9431  
director shall provide the board an opportunity to present its 9432

case on behalf of the amendment. The director shall give the board 9433  
a reasonable time in which to meet the criteria, and shall offer 9434  
the board technical assistance to help it meet the criteria. 9435

The board shall implement the plan approved by the 9436

services from a community mental health agency as defined in 9445  
section 5122.01 of the Revised Code, or from a residential 9446  
facility licensed under section 5119.22 of the Revised Code. If 9447  
the investigation substantiates the charge of abuse or neglect, 9448  
the board shall take whatever action it determines is necessary to 9449  
correct the situation, including notification of the appropriate 9450  
authorities. Upon request, the board shall provide information 9451  
about such investigations to the department. 9452

(3) For the purpose of section 5119.611 of the Revised Code, 9453  
cooperate with the director of mental health in visiting and 9454  
evaluating whether the services of a community mental health 9455  
agency satisfy the certification standards established by rules 9456  
adopted under that section; 9457

(4) In accordance with criteria established under division 9458  
(G) of section 5119.61 of the Revised Code, review and evaluate 9459

through its community mental health plan and submit its findings 9461  
and recommendations to the department of mental health; 9462

(5) In accordance with section 5119.22 of the Revised Code, 9463

(6) Audit, in accordance with rules adopted by the auditor of 9467  
state pursuant to section 117.20 of the Revised Code, at least 9468  
annually all programs and services provided under contract with 9469  
the board. In so doing, the board may contract for or employ the 9470  
services of private auditors. A copy of the fiscal audit report 9471  
shall be provided to the director of mental health, the auditor of 9472  
state, and the county auditor of each county in the board's 9473  
district. 9474

(7) Recruit and promote local financial support for mental 9475  
health programs from private and public sources; 9476

(8)(a) Enter into contracts with public and private 9477  
facilities for the operation of facility services included in the 9478  
board's community mental health plan and enter into contracts with 9479  
public and private community mental health agencies for the 9480  
provision of community mental health services that are listed in 9481  
section 340.09 of the Revised Code and included in the board's 9482  
community mental health plan. The board may not contract with a 9483  
community mental health agency to provide community mental health 9484  
services included in the board's community mental health plan 9485  
unless the services are certified by the director of mental health 9486  
under section 5119.611 of the Revised Code. Section 307.86 of the 9487  
Revised Code does not apply to contracts entered into under this 9488  
division. In contracting with a community mental health agency, a 9489  
board shall consider the cost effectiveness of services provided 9490  
by that agency and the quality and continuity of care, and may 9491  
review cost elements, including salary costs, of the services to 9492  
be provided. A utilization review process shall be established as 9493  
part of the contract for services entered into between a board and 9494  
a community mental health agency. The board may establish this 9495

process in a way that is most effective and efficient in meeting 9496  
local needs. In the case of a contract with a community mental 9497  
health facility, as defined in section 5111.023 of the Revised 9498  
Code, to provide services listed in division (B) of that section, 9499  
the contract shall provide for the facility to be paid in 9500  
accordance with the contract entered into between the departments 9501  
of job and family services and mental health under section 5111.91 9502  
of the Revised Code and any rules adopted under division (A) of 9503  
section 5119.61 of the Revised Code. 9504

If either the board or a facility or community mental health 9505  
agency with which the board contracts under division (A)(8)(a) of 9506  
this section proposes not to renew the contract or proposes 9507  
substantial changes in contract terms, the other party shall be 9508  
given written notice at least one hundred twenty days before the 9509  
expiration date of the contract. During the first sixty days of 9510  
this one hundred twenty-day period, both parties shall attempt to 9511  
resolve any dispute through good faith collaboration and 9512  
negotiation in order to continue to provide services to persons in 9513  
need. If the dispute has not been resolved sixty days before the 9514  
expiration date of the contract, either party may notify the 9515  
department of mental health of the unresolved dispute. The 9516  
director may require both parties to submit the dispute to a third 9517  
party with the cost to be shared by the board and the facility or 9518  
community mental health agency. The third party shall issue to the 9519  
board, the facility or agency, and the department recommendations 9520  
on how the dispute may be resolved twenty days prior to the 9521  
expiration date of the contract, unless both parties agree to a 9522  
time extension. The director shall adopt rules establishing the 9523  
procedures of this dispute resolution process. 9524

(b) With the prior approval of the director of mental health, 9525  
a board may operate a facility or provide a community mental 9526  
health service as follows, if there is no other qualified private 9527

or public facility or community mental health agency that is 9528  
immediately available and willing to operate such a facility or 9529  
provide the service: 9530

(i) In an emergency situation, any board may operate a 9531  
facility or provide a community mental health service in order to 9532  
provide essential services for the duration of the emergency; 9533

(ii) In a service district with a population of at least one 9534  
hundred thousand but less than five hundred thousand, a board may 9535  
operate a facility or provide a community mental health service 9536  
for no longer than one year; 9537

(iii) In a service district with a population of less than 9538  
one hundred thousand, a board may operate a facility or provide a 9539  
community mental health service for no longer than one year, 9540  
except that such a board may operate a facility or provide a 9541  
community mental health service for more than one year with the 9542  
prior approval of the director and the prior approval of the board 9543  
of county commissioners, or of a majority of the boards of county 9544  
commissioners if the district is a joint-county district. 9545

The director shall not give a board approval to operate a 9546  
facility or provide a community mental health service under 9547  
division (A)(8)(b)(ii) or (iii) of this section unless the 9548  
director determines that it is not feasible to have the department 9549  
operate the facility or provide the service. 9550

The director shall not give a board approval to operate a 9551  
facility or provide a community mental health service under 9552  
division (A)(8)(b)(iii) of this section unless the director 9553  
determines that the board will provide greater administrative 9554  
efficiency and more or better services than would be available if 9555  
the board contracted with a private or public facility or 9556  
community mental health agency. 9557

The director shall not give a board approval to operate a 9558

facility previously operated by a person or other government 9559  
entity unless the board has established to the director's 9560  
satisfaction that the person or other government entity cannot 9561  
effectively operate the facility or that the person or other 9562  
government entity has requested the board to take over operation 9563  
of the facility. The director shall not give a board approval to 9564  
provide a community mental health service previously provided by a 9565  
community mental health agency unless the board has established to 9566  
the director's satisfaction that the agency cannot effectively 9567  
provide the service or that the agency has requested the board 9568  
take over providing the service. 9569

The director shall review and evaluate a board's operation of 9570  
a facility and provision of community mental health service under 9571  
division (A)(8)(b) of this section. 9572

Nothing in division (A)(8)(b) of this section authorizes a 9573  
board to administer or direct the daily operation of any facility 9574  
or community mental health agency, but a facility or agency may 9575  
contract with a board to receive administrative services or staff 9576  
direction from the board under the direction of the governing body 9577  
of the facility or agency. 9578

(9) Approve fee schedules and related charges or adopt a unit 9579  
cost schedule or other methods of payment for contract services 9580  
provided by community mental health agencies in accordance with 9581  
guidelines issued by the department as necessary to comply with 9582  
state and federal laws pertaining to financial assistance; 9583

(10) Submit to the director and the county commissioners of 9584  
the county or counties served by the board, and make available to 9585  
the public, an annual report of the programs under the 9586  
jurisdiction of the board, including a fiscal accounting; 9587

(11) Establish, to the extent resources are available, a 9588  
community support system, which provides for treatment, support, 9589

and rehabilitation services and opportunities. The essential 9590  
elements of the system include, but are not limited to, the 9591  
following components in accordance with section 5119.06 of the 9592  
Revised Code: 9593

(a) To locate persons in need of mental health services to 9594  
inform them of available services and benefits mechanisms; 9595

the rules for ensuring that the ongoing mental health services are 9663  
effectively arranged for the individuals. 9664

(B) The board shall establish such rules, operating 9665  
procedures, standards, and bylaws, and perform such other duties 9666  
as may be necessary or proper to carry out the purposes of this 9667  
chapter. 9668

employment, whether or not such action or inaction is expressly 9684  
authorized by this section, section 340.033, or any other section 9685  
of the Revised Code, unless such action or inaction constitutes 9686  
willful or wanton misconduct. Chapter 2744. of the Revised Code 9687  
applies to any action or inaction by a board member or employee of 9688  
a board taken within the scope of the board member's official 9689  
duties or employee's employment. For the purposes of this 9690  
division, the conduct of a board member or employee shall not be 9691  
considered willful or wanton misconduct if the board member or 9692  
employee acted in good faith and in a manner that the board member 9693  
or employee reasonably believed was in or was not opposed to the 9694  
best interests of the board and, with respect to any criminal 9695

conduct was unlawful. 9697

(E) The meetings held by any committee established by a board 9698  
of alcohol, drug addiction, and mental health services shall be 9699

**Sec. 505.37.** (A) The board of township trustees may establish 9702  
all necessary rules to guard against the occurrence of fires and 9703  
to protect the property and lives of the citizens against damage 9704  
and accidents, and may, with the approval of the specifications by 9705  
the prosecuting attorney or, if the township has adopted limited 9706  
home rule government under Chapter 504. of the Revised Code, with 9707  
the approval of the specifications by the township's law director, 9708  
purchase, lease, lease with an option to purchase, or otherwise 9709  
provide any fire apparatus, mechanical resuscitators, or other 9710  
equipment, appliances, materials, fire hydrants, and water supply 9711  
for fire-fighting purposes that seems advisable to the board. The 9712  
board shall provide for the care and maintenance of fire 9713  
equipment, and, for these purposes, may purchase, lease, lease 9714  
with an option to purchase, or construct and maintain necessary 9715

buildings, and it may establish and maintain lines of fire-alarm 9716  
communications within the limits of the township. The board may 9717  
employ one or more persons to maintain and operate fire-fighting 9718  
equipment, or it may enter into an agreement with a volunteer fire 9719  
company for the use and operation of fire-fighting equipment. The 9720  
board may compensate the members of a volunteer fire company on 9721  
any basis and in any amount that it considers equitable. 9722

9723  
When the estimated cost to purchase fire apparatus, 9724  
mechanical resuscitators, other equipment, appliances, materials, 9725  
fire hydrants, buildings, or fire-alarm communications equipment 9726  
or services exceeds fifty thousand dollars, the contract shall be 9727  
let by competitive bidding. When competitive bidding is required, 9728  
the board shall advertise for not less than two nor more than four 9729  
consecutive weeks in a newspaper of general circulation within the 9730  
township. The advertisement shall include the time, date, and 9731  
place where the clerk of the township, or the clerk's designee, 9732  
will read bids publicly. The time, date, and place of bid openings 9733  
may be extended to a later date by the board of township trustees, 9734  
provided that written or oral notice of the change shall be given 9735  
to all persons who have received or requested specifications not 9736  
later than ninety-six hours prior to the original time and date 9737  
fixed for the opening. The board may reject all the bids or accept 9738  
the lowest and best bid, provided that the successful bidder meets 9739  
the requirements of section 153.54 of the Revised Code when the 9740  
contract is for the construction, demolition, alteration, repair, 9741  
or reconstruction of an improvement. 9742

(B) The boards of township trustees of any two or more 9743  
townships, or the legislative authorities of any two or more 9744  
political subdivisions, or any combination of these, may, through 9745  
joint action, unite in the joint purchase, lease, lease with an 9746  
option to purchase, maintenance, use, and operation of 9747

fire-fighting equipment, or for any other purpose designated in 9748  
sections 505.37 to 505.42 of the Revised Code, and may prorate the 9749  
expense of the joint action on any terms that are mutually agreed 9750  
upon. 9751

(C) The board of township trustees of any township may, by 9752  
resolution, whenever it is expedient and necessary to guard 9753  
against the occurrence of fires or to protect the property and 9754  
lives of the citizens against damages resulting from their 9755  
occurrence, create a fire district of any portions of the township 9756  
that it considers necessary. The board may purchase, lease, lease 9757  
with an option to purchase, or otherwise provide any fire 9758  
apparatus, appliances, materials, fire hydrants, and water supply 9759  
for fire-fighting purposes, or may contract for the fire 9760  
protection for the fire district as provided in section 9.60 of 9761  
the Revised Code. The fire district so created shall be given a 9762  
separate name by which it shall be known. 9763

Additional unincorporated territory of the township may be 9764  
added to a fire district upon the board's adoption of a resolution 9765  
authorizing the addition. A municipal corporation that is within 9766  
or adjoining the township may be added to a fire district upon the 9767  
board's adoption of a resolution authorizing the addition and the 9768  
municipal legislative authority's adoption of a resolution or 9769  
ordinance requesting the addition of the municipal corporation to 9770  
the fire district. 9771

If the township fire district imposes a tax, additional 9772  
unincorporated territory of the township or a municipal 9773  
corporation that is within or adjoining the township shall become 9774  
part of the fire district only after all of the following have 9775  
occurred: 9776

(1) Adoption by the board of township trustees of a 9777  
resolution approving the expansion of the territorial limits of 9778  
the district and, if the resolution proposes to add a municipal 9779

corporation, adoption by the municipal legislative authority of a 9780  
resolution or ordinance requesting the addition of the municipal 9781  
corporation to the district; 9782

(2) Adoption by the board of township trustees of a 9783  
resolution recommending the extension of the tax to the additional 9784  
territory; 9785

(3) Approval of the tax by the electors of the territory 9786  
proposed for addition to the district. 9787

Each resolution of the board adopted under division (C)(2) of 9788  
this section shall state the name of the fire district, a 9789  
description of the territory to be added, and the rate and 9790  
termination date of the tax, which shall be the rate and 9791  
termination date of the tax currently in effect in the fire 9792  
district. 9793

The board of trustees shall certify each resolution adopted 9794  
under division (C)(2) of this section to the board of elections in 9795  
accordance with section 5705.19 of the Revised Code. The election 9796  
required under division (C)(3) of this section shall be held, 9797  
canvassed, and certified in the manner provided for the submission 9798  
of tax levies under section 5705.25 of the Revised Code, except 9799  
that the question appearing on the ballot shall read: 9800

"Shall the territory within ..... 9801  
(description of the proposed territory to be added) be added to 9802  
..... (name) fire district, and a property tax 9803  
at a rate of taxation not exceeding ..... (here insert tax rate) 9804  
be in effect for ..... (here insert the number of years the 9805  
tax is to be in effect or "a continuing period of time," as 9806  
applicable)?" 9807

If the question is approved by at least a majority of the 9808  
electors voting on it, the joinder shall be effective as of the 9809  
first day of July of the year following approval, and on that 9810

date, the township fire district tax shall be extended to the 9811  
taxable property within the territory that has been added. If the 9812  
territory that has been added is a municipal corporation and if it 9813  
had adopted a tax levy for fire purposes, the levy is terminated 9814  
on the effective date of the joinder. 9815

Any municipal corporation may withdraw from a township fire 9816  
district created under division (C) of this section by the 9817  
adoption by the municipal legislative authority of a resolution or 9818  
ordinance ordering withdrawal. On the first day of July of the 9819  
year following the adoption of the resolution or ordinance of 9820  
withdrawal, the municipal corporation withdrawing ceases to be a 9821  
part of the district, and the power of the fire district to levy a 9822  
tax upon taxable property in the withdrawing municipal corporation 9823  
terminates, except that the fire district shall continue to levy 9824  
and collect taxes for the payment of indebtedness within the 9825  
territory of the fire district as it was composed at the time the 9826  
indebtedness was incurred. 9827

Upon the withdrawal of any municipal corporation from a 9828  
township fire district created under division (C) of this section, 9829  
the county auditor shall ascertain, apportion, and order a 9830  
division of the funds on hand, moneys and taxes in the process of 9831  
collection except for taxes levied for the payment of 9832  
indebtedness, credits, and real and personal property, either in 9833  
money or in kind, on the basis of the valuation of the respective 9834  
tax duplicates of the withdrawing municipal corporation and the 9835  
remaining territory of the fire district. 9836

A board of township trustees may remove unincorporated 9837  
territory of the township from the fire district upon the adoption 9838  
of a resolution authorizing the removal. On the first day of July 9839  
of the year following the adoption of the resolution, the 9840  
unincorporated township territory described in the resolution 9841  
ceases to be a part of the district, and the power of the fire 9842

district to levy a tax upon taxable property in that territory 9843  
terminates, except that the fire district shall continue to levy 9844  
and collect taxes for the payment of indebtedness within the 9845  
territory of the fire district as it was composed at the time the 9846  
indebtedness was incurred. 9847

(D) The board of township trustees of any township, the board 9848  
of fire district trustees of a fire district created under section 9849  
505.371 of the Revised Code, or the legislative authority of any 9850  
municipal corporation may purchase, lease, or lease with an option 9851  
to purchase the necessary fire-fighting equipment, buildings, and 9852  
sites for the township, fire district, or municipal corporation 9853  
and issue securities for that purpose with maximum maturities as 9854  
provided in section 133.20 of the Revised Code. The board of 9855  
township trustees, board of fire district trustees, or legislative 9856  
authority may also construct any buildings necessary to house 9857  
fire-fighting equipment and issue securities for that purpose with 9858  
maximum maturities as provided in section 133.20 of the Revised 9859  
Code. 9860

The board of township trustees, board of fire district 9861  
trustees, or legislative authority may issue the securities of the 9862  
township, fire district, or municipal corporation, signed by the 9863  
board or designated officer of the municipal corporation and 9864  
attested by the signature of the township fiscal officer, fire 9865  
district clerk, or municipal clerk, covering any deferred payments 9866  
and payable at the times provided, which securities shall bear 9867  
interest not to exceed the rate determined as provided in section 9868  
9.95 of the Revised Code, and shall not be subject to Chapter 133. 9869  
of the Revised Code. The legislation authorizing the issuance of 9870  
the securities shall provide for levying and collecting annually 9871  
by taxation, amounts sufficient to pay the interest on and 9872  
principal of the securities. The securities shall be offered for 9873  
sale on the open market or given to the vendor or contractor if no 9874

sale is made. 9875

Section 505.40 of the Revised Code does not apply to any 9876  
securities issued, or any lease with an option to purchase entered 9877  
into, in accordance with this division. 9878

(E) A board of township trustees of any township or a board 9879  
of fire district trustees of a fire district created under section 9880  
505.371 of the Revised Code may purchase a policy or policies of 9881  
liability insurance for the officers, employees, and appointees of 9882  
the fire department, fire district, or joint fire district 9883  
governed by the board that includes personal injury liability 9884  
coverage as to the civil liability of those officers, employees, 9885  
and appointees for false arrest, detention, or imprisonment, 9886  
malicious prosecution, libel, slander, defamation or other 9887  
violation of the right of privacy, wrongful entry or eviction, or 9888  
other invasion of the right of private occupancy, arising out of 9889  
the performance of their duties. 9890

When a board of township trustees cannot, by deed of gift or 9891  
by purchase and upon terms it considers reasonable, procure land 9892  
for a township fire station that is needed in order to respond in 9893  
reasonable time to a fire or medical emergency, the board may 9894  
appropriate land for that purpose under sections 163.01 to 163.22 9895  
of the Revised Code. If it is necessary to acquire additional 9896  
adjacent land for enlarging or improving the fire station, the 9897  
board may purchase, appropriate, or accept a deed of gift for the 9898  
land for these purposes. 9899

(F) As used in this division, "emergency medical service 9900  
organization" has the same meaning as in section 4766.01 of the 9901  
Revised Code. 9902

A board of township trustees, by adoption of an appropriate 9903  
resolution, may choose to have the Ohio medical transportation 9904  
board license any emergency medical service organization it 9905

operates. If the board adopts such a resolution, Chapter 4766. of 9906  
the Revised Code, except for sections 4766.06 and 4766.99 of the 9907  
Revised Code, applies to the organization. All rules adopted under 9908  
the applicable sections of that chapter also apply to the 9909  
organization. A board of township trustees, by adoption of an 9910  
appropriate resolution, may remove its emergency medical service 9911  
organization from the jurisdiction of the Ohio medical 9912  
transportation board. 9913

**Sec. 505.376.** When any expenditure of a fire and ambulance 9914  
district, other than for the compensation of district employees, 9915  
exceeds ~~twenty-five~~ fifty thousand dollars, the contract for the 9916  
expenditure shall be in writing and made with the lowest and best 9917  
bidder after advertising for not less than two nor more than four 9918  
consecutive weeks in a newspaper of general circulation within the 9919  
district. The bids shall be opened and shall be publicly read by 9920  
the clerk of the district, or the clerk's designee, at the time, 9921  
date, and place specified in the advertisement to bidders or the 9922  
specifications. The time, date, and place of bid openings may be 9923  
extended to a later date by the board of trustees of the district, 9924  
provided that written or oral notice of the change shall be given 9925  
to all persons who have received or requested specifications no 9926  
later than ninety-six hours prior to the original time and date 9927  
fixed for the opening. 9928

Each bid on any contract shall contain the full name of every 9929  
person interested in the bid. If the bid is for a contract for the 9930  
construction, demolition, alteration, repair, or reconstruction of 9931  
an improvement, it shall meet the requirements of section 153.54 9932  
of the Revised Code. If the bid is for any other contract, it 9933  
shall be accompanied by a sufficient bond or certified check, 9934  
cashier's check, or money order on a solvent bank or savings and 9935  
loan association that, if the bid is accepted, a contract will be 9936  
entered into and the performance of it will be properly secured. 9937

If the bid for work embraces both labor and material, it shall be 9938  
separately stated, with the price of the labor and the material. 9939  
The board may reject any and all bids. The contract shall be 9940  
between the district and the bidder, and the district shall pay 9941  
the contract price in cash. When a bonus is offered for completion 9942  
of a contract prior to a specified date, the board may exact a 9943  
prorated penalty in like sum for each day of delay beyond the 9944  
specified date. When there is reason to believe there is collusion 9945  
or combination among bidders, the bids of those concerned shall be 9946  
rejected. 9947

**Sec. 505.705.** A board of township trustees may agree to 9948  
appropriate township general revenue fund moneys to, and may agree 9949  
to grant or lend moneys from the township general revenue fund to, 9950  
any political subdivision with authority to provide water ~~or,~~ 9951  
sanitary sewerage services, or ~~both,~~ to storm water drainage 9952

fees, debt retirement, or any other expense, including, but not 9955  
limited to, administrative and professional fees, incurred in 9956  
supplying one or more of these purposes within the township, or 9957  
the planning of or actual construction, maintenance, repair, ~~and~~ 9958

service storm water drainage within the township. A board of 9960  
township trustees that grants or lends moneys to a political 9961  
subdivision for this purpose shall expressly state the terms of 9962  
the grant or loan agreement in a written memorandum. 9963

**Sec. 517.08.** The proceeds arising from the sale of cemetery 9964  
lots under section 517.07 of the Revised Code shall be used in 9965  
maintaining, improving, beautifying, and embellishing such 9966  
grounds, except that upon unanimous consent of the board of 9967  
township trustees, such proceeds may be used in the purchase or 9968

appropriation of additional land for cemetery purposes in 9969  
accordance with sections 517.01 and 517.13 of the Revised Code; 9970  
and the board of township trustees may build and maintain proper 9971  
and secure fences around all such cemeteries, to be paid for from 9972  
the township funds. 9973

**Sec. 709.01.** Territory may be annexed to, merged with, or 9974  
detached from, municipal corporations, in the manner provided in 9975  
~~sections 709.01 to 709.47 of the Revised Code. No~~ this chapter, 9976

**Sec. 711.05.** (A) Upon the submission of a plat for approval, in accordance with section 711.041 of the Revised Code, the board of county commissioners shall certify on it the date of the submission. Within five days of submission of the plat, the board shall schedule a meeting to consider the plat and send a written notice by regular mail to the fiscal officer of the board of township trustees of the township in which the plat is located and the board of health of the health district in which the plat is located. The notice shall inform the trustees and the board of health of the submission of the plat and of the date, time, and location of any meeting at which the board of county commissioners will consider or act upon the proposed plat. meeting shall be held until at least seven days have passed from 10030  
the date the notice was sent by the board of county commissioners. 10031  
The approval of the board required by section 711.041 of the 10032  
Revised Code or the refusal to approve shall take place within 10033  
thirty days from the date of submission or such further time as 10034  
the applying party may agree to in writing; otherwise, the plat is 10035  
deemed approved and may be recorded as if bearing such approval. 10036

(B) The board may adopt general rules governing plats and 10037  
subdivisions of land falling within its jurisdiction, to secure 10038  
and provide for the coordination of the streets within the 10039  
subdivision with existing streets and roads or with existing 10040  
county highways, for the proper amount of open spaces for traffic, 10041  
circulation, and utilities, and for the avoidance of future 10042  
congestion of population detrimental to the public health, safety, 10043  
or welfare, but shall not impose a greater minimum lot area than 10044  
forty-eight hundred square feet. Before the board may amend or 10045  
adopt rules, it shall notify all the townships in the county of 10046  
the proposed amendments or rules by regular mail at least thirty 10047  
days before the public meeting at which the proposed amendments or 10048  
rules are to be considered. 10049

The rules may require the board of health to review and 10050  
comment on a plat before the board of county commissioners acts 10051  
upon it and may also require proof of compliance with any 10052  
applicable zoning resolutions, and with rules governing household 10053  
sewage treatment ~~rules adopted under section 3718.02 of the~~ 10054  
~~Revised Code~~ systems, as a basis for approval of a plat. Where 10055  
under section 711.101 of the Revised Code the board of county 10056  
commissioners has set up standards and specifications for the 10057  
construction of streets, utilities, and other improvements for 10058  
common use, the general rules may require the submission of 10059  
appropriate plans and specifications for approval. The board shall 10060  
not require the person submitting the plat to alter the plat or 10061

any part of it as a condition for approval, as long as the plat is 10062  
in accordance with general rules governing plats and subdivisions 10063  
of land, adopted by the board as provided in this section, in 10064  
effect at the time the plat was submitted and the plat is in 10065  
accordance with any standards and specifications set up under 10066  
section 711.101 of the Revised Code, in effect at the time the 10067  
plat was submitted. 10068

(C) The ground of refusal to approve any plat, submitted in 10069  
accordance with section 711.041 of the Revised Code, shall be 10070  
stated upon the record of the board, and, within sixty days 10071  
thereafter, the person submitting any plat that the board refuses 10072  
to approve may file a petition in the court of common pleas of the 10073  
county in which the land described in the plat is situated to 10074  
review the action of the board. A board of township trustees is 10075  
not entitled to appeal a decision of the board of county 10076  
commissioners under this section. 10077

**Sec. 711.10.** (A) Whenever a county planning commission or a 10078  
regional planning commission adopts a plan for the major streets 10079  
or highways of the county or region, no plat of a subdivision of 10080  
land within the county or region, other than land within a 10081  
municipal corporation or land within three miles of a city or one 10082  
and one-half miles of a village as provided in section 711.09 of 10083  
the Revised Code, shall be recorded until it is approved by the 10084  
county or regional planning commission under division (C) of this 10085  
section and the approval is endorsed in writing on the plat. 10086

(B) A county or regional planning commission may require the 10087  
submission of a preliminary plan for each plat sought to be 10088  
recorded. If the commission requires this submission, it shall 10089  
provide for a review process for the preliminary plan. Under this 10090  
review process, the planning commission shall give its approval, 10091  
its approval with conditions, or its disapproval of each 10092

preliminary plan. The commission's decision shall be in writing, 10093  
shall be under the signature of the secretary of the commission, 10094  
and shall be issued within thirty-five business days after the 10095  
submission of the preliminary plan to the commission. The 10096  
disapproval of a preliminary plan shall state the reasons for the 10097  
disapproval. A decision of the commission under this division is 10098  
preliminary to and separate from the commission's decision to 10099  
approve, conditionally approve, or refuse to approve a plat under 10100  
division (C) of this section. 10101

(C) Within five calendar days after the submission of a plat 10102  
for approval under this division, the county or regional planning 10103  
commission shall schedule a meeting to consider the plat and send 10104  
a notice by regular mail or by electronic mail to the fiscal 10105  
officer of the board of township trustees of the township in which 10106  
the plat is located and the board of health of the health district 10107  
in which the plat is located. The notice shall inform the trustees 10108  
and the board of health of the submission of the plat and of the 10109  
date, time, and location of any meeting at which the county or 10110  
regional planning commission will consider or act upon the plat. 10111  
The meeting shall take place within thirty calendar days after 10112  
submission of the plat, and no meeting shall be held until at 10113  
least seven calendar days have passed from the date the planning 10114  
commission sent the notice. 10115

The approval of the county or regional planning commission, 10116  
the commission's conditional approval as described in this 10117  
division, or the refusal of the commission to approve shall be 10118  
endorsed on the plat within thirty calendar days after the 10119  
submission of the plat for approval under this division or within 10120  
such further time as the applying party may agree to in writing; 10121  
otherwise that plat is deemed approved, and the certificate of the 10122  
commission as to the date of the submission of the plat for 10123  
approval under this division and the failure to take action on it 10124

within that time shall be sufficient in lieu of the written 10125  
endorsement or evidence of approval required by this division. 10126

A county or regional planning commission may grant 10127  
conditional approval under this division to a plat by requiring a 10128  
person submitting the plat to alter the plat or any part of it, 10129  
within a specified period after the end of the thirty calendar 10130  
days, as a condition for final approval under this division. Once 10131  
all the conditions have been met within the specified period, the 10132  
commission shall cause its final approval under this division to 10133  
be endorsed on the plat. No plat shall be recorded until it is 10134  
endorsed with the commission's final or unconditional approval 10135  
under this division. 10136

The ground of refusal of approval of any plat submitted under 10137  
this division, including citation of or reference to the rule 10138  
violated by the plat, shall be stated upon the record of the 10139  
county or regional planning commission. Within sixty calendar days 10140  
after the refusal under this division, the person submitting any 10141  
plat that the commission refuses to approve under this division 10142  
may file a petition in the court of common pleas of the proper 10143  
county, and the proceedings on the petition shall be governed by 10144  
section 711.09 of the Revised Code as in the case of the refusal 10145  
of a planning authority to approve a plat. A board of township 10146  
trustees is not entitled to appeal a decision of the commission 10147  
under this division. 10148

A county or regional planning commission shall adopt general 10149  
rules, of uniform application, governing plats and subdivisions of 10150  
land falling within its jurisdiction, to secure and provide for 10151  
the proper arrangement of streets or other highways in relation to 10152  
existing or planned streets or highways or to the county or 10153  
regional plan, for adequate and convenient open spaces for 10154  
traffic, utilities, access of firefighting apparatus, recreation, 10155  
light, and air, and for the avoidance of congestion of population. 10156

The rules may provide for their modification by the commission in 10157  
specific cases where unusual topographical and other exceptional 10158  
conditions require the modification. The rules may require the 10159  
board of health to review and comment on a plat before the 10160  
commission acts upon it and also may require proof of compliance 10161  
with any applicable zoning resolutions, and with rules governing 10162  
household sewage treatment ~~rules adopted under section 3718.02 of~~ 10163  
~~the Revised Code~~ systems, as a basis for approval of a plat. 10164

Before adoption of its rules or amendment of its rules, the 10165  
commission shall hold a public hearing on the adoption or 10166  
amendment. Notice of the public hearing shall be sent to all 10167  
townships in the county or region by regular mail or electronic 10168  
mail at least thirty business days before the hearing. No county 10169  
or regional planning commission shall adopt any rules requiring 10170  
actual construction of streets or other improvements or facilities 10171  
or assurance of that construction as a condition precedent to the 10172  
approval of a plat of a subdivision unless the requirements have 10173  
first been adopted by the board of county commissioners after a 10174  
public hearing. A copy of the rules shall be certified by the 10175  
planning commission to the county recorders of the appropriate 10176  
counties. 10177

After a county or regional street or highway plan has been 10178  
adopted as provided in this section, the approval of plats and 10179  
subdivisions provided for in this section shall be in lieu of any 10180  
approvals provided for in other sections of the Revised Code, 10181  
insofar as the territory within the approving jurisdiction of the 10182  
county or regional planning commission, as provided in this 10183  
section, is concerned. Approval of a plat shall not be an 10184  
acceptance by the public of the dedication of any street, highway, 10185  
or other way or open space shown upon the plat. 10186

No county or regional planning commission shall require a 10187  
person submitting a plat to alter the plat or any part of it as 10188

long as the plat is in accordance with the general rules governing 10189  
plats and subdivisions of land, adopted by the commission as 10190  
provided in this section, in effect at the time the plat is 10191  
submitted. 10192

A county or regional planning commission and a city or 10193  
village planning commission, or platting commissioner or 10194  
legislative authority of a village, with subdivision regulation 10195  
jurisdiction over unincorporated territory within the county or 10196  
region may cooperate and agree by written agreement that the 10197  
approval of a plat by the city or village planning commission, or 10198  
platting commissioner or legislative authority of a village, as 10199  
provided in section 711.09 of the Revised Code, shall be 10200  
conditioned upon receiving advice from or approval by the county 10201  
or regional planning commission. 10202

(D) As used in this section, "business day" means a day of 10203  
the week excluding Saturday, Sunday, or a legal holiday as defined 10204  
in section 1.14 of the Revised Code. 10205

of the Revised Code and except as provided in division (C) of this 10207  
section, unless the rules adopted under section 711.05, 711.09, or 10208  
711.10 of the Revised Code are amended pursuant to division (B) of 10209  
this section, a proposed division of a parcel of land along an 10210  
existing public street, not involving the opening, widening, or 10211  
extension of any street or road, and involving no more than five 10212  
lots after the original tract has been completely subdivided, may 10213  
be submitted to the planning authority having approving 10214  
jurisdiction of plats under section 711.05, 711.09, or 711.10 of 10215  
the Revised Code for approval without plat. If the authority 10216  
acting through a properly designated representative finds that a 10217  
proposed division is not contrary to applicable platting, 10218  
subdividing, zoning, health, sanitary, or access management 10219

regulations, regulations adopted under division (B)(3) of section 10220  
307.37 of the Revised Code regarding existing surface or 10221  
subsurface drainage, or rules governing household sewage treatment 10222  
~~rules adopted under section 3718.02 of the Revised Code,~~ 10223  
~~including, but not limited to, rules governing household sewage~~ 10224

within seven business days after its submission and, on 10226  
presentation of a conveyance of the parcel, shall stamp the 10227  
conveyance "approved by (planning authority); no plat required" 10228  
and have it signed by its clerk, secretary, or other official as 10229  
may be designated by it. The planning authority may require the 10230  
submission of a sketch and other information that is pertinent to 10231  
its determination under this division. 10232

(B) For a period of up to two years after ~~the effective date~~ 10233  
~~of this amendment~~ April 15, 2005, the rules adopted under section 10234  
711.05, 711.09, or 711.10 of the Revised Code may be amended 10235  
within that period to authorize the planning authority involved to 10236  
approve proposed divisions of parcels of land without plat under 10237  
this division. If an authority so amends its rules, it may approve 10238  
no more than five lots without a plat from an original tract as 10239  
that original tract exists on the effective date of the amendment 10240  
to the rules. The authority shall make the findings and approve a 10241  
proposed division in the time and manner specified in division (A) 10242

(b) Division (D)(2)(a) of this section does not apply to any 10392  
taxpayer required to file a return under section 5745.03 of the 10393  
Revised Code or to the net profit from a sole proprietorship. 10394

(E) The legislative authority of a municipal corporation may, 10395  
by ordinance or resolution, exempt from withholding and from a tax 10396  
on income the following: 10397

(1) Compensation arising from the sale, exchange, or other 10398

(2) Compensation attributable to a nonqualified deferred 10402  
compensation plan or program described in section 3121(v)(2)(C) of 10403

If an individual's taxable income includes income against 10405  
which the taxpayer has taken a deduction for federal income tax 10406  
purposes as reportable on the taxpayer's form 2106, and against 10407  
which a like deduction has not been allowed by the municipal 10408  
corporation, the municipal corporation shall deduct from the 10409  
taxpayer's taxable income an amount equal to the deduction shown 10410  
on such form allowable against such income, to the extent not 10411  
otherwise so allowed as a deduction by the municipal corporation. 10412

In the case of a taxpayer who has a net profit from a 10413  
business or profession that is operated as a sole proprietorship, 10414  
no municipal corporation may tax or use as the base for 10415  
determining the amount of the net profit that shall be considered 10416  
as having a taxable situs in the municipal corporation, an amount 10417  
other than the net profit required to be reported by the taxpayer 10418  
on schedule C or F from such sole proprietorship for the taxable 10419  
year. 10420

In the case of a taxpayer who has a net profit from rental 10421  
activity required to be reported on schedule E, no municipal 10422  
corporation may tax or use as the base for determining the amount 10423  
of the net profit that shall be considered as having a taxable 10424  
situs in the municipal corporation, an amount other than the net 10425  
profit from rental activities required to be reported by the 10426

(4) Compensation paid under section 3501.28 or 3501.36 of the 10440  
Revised Code to a person serving as a precinct election official, 10441  
to the extent that such compensation does not exceed one thousand 10442  
dollars annually. Such compensation in excess of one thousand 10443  
dollars may be subjected to taxation by a municipal corporation. A 10444  
municipal corporation shall not require the payer of such 10445  
compensation to withhold any tax from that compensation. 10446

(5) Compensation paid to an employee of a transit authority, 10447  
regional transit authority, or regional transit commission created 10448  
under Chapter 306. of the Revised Code for operating a transit bus 10449  
or other motor vehicle for the authority or commission in or 10450  
through the municipal corporation, unless the bus or vehicle is 10451  
operated on a regularly scheduled route, the operator is subject 10452  
to such a tax by reason of residence or domicile in the municipal 10453  
corporation, or the headquarters of the authority or commission is 10454  
located within the municipal corporation; 10455

(a) Beginning January 1, 2002, the income of an electric 10460  
company or combined company; 10461

(b) Beginning January 1, 2004, the income of a telephone 10462  
company. 10463

(7) On and after January 1, 2003, items excluded from federal gross income pursuant to section 107 of the Internal Revenue Code; (10467-10468)

(8) On and after January 1, 2001, compensation paid to a nonresident individual to the extent prohibited under section 718.011 of the Revised Code; (10469-10471)

(9)(a) Except as provided in division (F)(9)(b) and (c) of this section, an S corporation shareholder's distributive share of net profits of the S corporation, other than any part of the distributive share of net profits that represents wages as defined in section 3121(a) of the Internal Revenue Code or net earnings from self-employment as defined in section 1402(a) of the Internal Revenue Code. (10472-10478)

(b) If, pursuant to division (H) of former section 718.01 of the Revised Code as it existed before March 11, 2004, a majority of the electors of a municipal corporation voted in favor of the question at an election held on November 4, 2003, the municipal corporation may continue after 2002 to tax an S corporation shareholder's distributive share of net profits of an S corporation. (10479-10485)

(c) If, on December 6, 2002, a municipal corporation was imposing, assessing, and collecting a tax on an S corporation shareholder's distributive share of net profits of the S corporation to the extent the distributive share would be allocated or apportioned to this state under divisions (B)(1) and (2) of section 5733.05 of the Revised Code if the S corporation were a corporation subject to taxes imposed under Chapter 5733. of the Revised Code, the municipal corporation may continue to impose the tax on such distributive shares to the extent such shares (10486-10494)

would be so allocated or apportioned to this state only until 10495  
December 31, 2004, unless a majority of the electors of the 10496  
municipal corporation voting on the question of continuing to tax 10497  
such shares after that date vote in favor of that question at an 10498  
election held November 2, 2004. If a majority of those electors 10499  
vote in favor of the question, the municipal corporation may 10500  
continue after December 31, 2004, to impose the tax on such 10501  
distributive shares only to the extent such shares would be so 10502  
allocated or apportioned to this state. 10503

(d) For the purposes of division (D) of section 718.14 of the 10504  
Revised Code, a municipal corporation shall be deemed to have 10505  
elected to tax S corporation shareholders' distributive shares of 10506  
net profits of the S corporation in the hands of the shareholders 10507  
if a majority of the electors of a municipal corporation vote in 10508  
favor of a question at an election held under division (F)(9)(b) 10509  
or (c) of this section. The municipal corporation shall specify by 10510  
ordinance or rule that the tax applies to the distributive share 10511  
of a shareholder of an S corporation in the hands of the 10512  
shareholder of the S corporation. 10513

(10) Employee compensation that is not "qualifying wages" as 10514  
defined in section 718.03 of the Revised Code; 10515

(11) Beginning August 1, 2007, compensation paid to a person 10516  
employed within the boundaries of a United States air force base 10517  
under the jurisdiction of the United States air force that is used 10518  
for the housing of members of the United States air force and is a 10519  
center for air force operations, unless the person is subject to 10520  
taxation because of residence or domicile. If the compensation is 10521  
subject to taxation because of residence or domicile, municipal 10522  
income tax shall be payable only to the municipal corporation of 10523  
residence or domicile. 10524

(G) Any municipal corporation that taxes any type of 10525  
intangible income on March 29, 1988, pursuant to Section 3 of 10526

Amended Substitute Senate Bill No. 238 of the 116th general assembly, may continue to tax that type of income after 1988 if a majority of the electors of the municipal corporation voting on the question of whether to permit the taxation of that type of intangible income after 1988 vote in favor thereof at an election held on November 8, 1988.

(H) Nothing in this section or section 718.02 of the Revised Code shall authorize the levy of any tax on income that a municipal corporation is not authorized to levy under existing laws or shall require a municipal corporation to allow a deduction from taxable income for losses incurred from a sole proprietorship or partnership.

(I)(1) Nothing in this chapter prohibits a municipal corporation from allowing, by resolution or ordinance, a net operating loss carryforward.

(2) Nothing in this chapter requires a municipal corporation to allow a net operating loss carryforward.

(J)(1) A single member limited liability company that is a disregarded entity for federal tax purposes may elect to be a separate taxpayer from its single member in all Ohio municipal corporations in which it either filed as a separate taxpayer or did not file for its taxable year ending in 2003, if all of the following conditions are met:

(a) The limited liability company's single member is also a limited liability company;

(b) The limited liability company and its single member were formed and doing business in one or more Ohio municipal corporations for at least five years before January 1, 2004;

(c) Not later than December 31, 2004, the limited liability company and its single member each make an election to be treated as a separate taxpayer under division (J) of this section;

(d) The limited liability company was not formed for the purpose of evading or reducing Ohio municipal corporation income tax liability of the limited liability company or its single member;

(e) The Ohio municipal corporation that is the primary place of business of the sole member of the limited liability company consents to the election.

(2) For purposes of division (J)(1)(e) of this section, a municipal corporation is the primary place of business of a limited liability company if, for the limited liability company's taxable year ending in 2003, its income tax liability is greater in that municipal corporation than in any other municipal corporation in Ohio, and that tax liability to that municipal corporation for its taxable year ending in 2003 is at least four hundred thousand dollars.

Division (A)(2)(b)(ii) of this section applies only to those amounts constituting ordinary income.	10591 10592 10593 10594 10595 10596 10597 10598

(d) Deduct any amount included in wages if the amount arises from the sale, exchange, or other disposition of a stock option, the exercise of a stock option, or the sale, exchange, or other disposition of stock purchased under a stock option and the municipal corporation has, by resolution or ordinance, exempted the amount from withholding and tax.	10611 10612 10613 10614 10615 10616
(B) For taxable years beginning after 2003, no municipal corporation shall require any employer or any agent of any	10617 10618

prohibits an employer from withholding tax on a basis greater than 10621  
qualifying wages. 10622

(C) An employer is not required to make any withholding with 10623  
respect to an individual's disqualifying disposition of an 10624

with respect to whose stock the option has been issued. 10627

(D)(1) An employee is not relieved from liability for a tax 10628  
by the failure of the employer to withhold the tax as required by 10629  
a municipal corporation or by the employer's exemption from the 10630  
requirement to withhold the tax. 10631

(2) The failure of an employer to remit to the municipal 10632  
corporation the tax withheld relieves the employee from liability 10633  
for that tax unless the employee colluded with the employer in 10634

requirement to the extent the deferred compensation does not 10639  
constitute qualifying wages at the time the deferred compensation 10640  
is paid or distributed. 10641

**Sec. 718.13. (A)** Any information gained as a result of 10642  
returns, investigations, hearings, or verifications required or 10643  
authorized by this chapter or by a charter or ordinance of a 10644  
municipal corporation levying an income tax pursuant to this 10645  
chapter is confidential, and no person shall disclose such 10646  
information except in accordance with a proper judicial order or 10647  
in connection with the performance of that person's official 10648  
duties or the official business of the municipal corporation as 10649

authorized by this chapter or the charter or ordinance authorizing 10650  
the levy. The tax administrator of the municipal corporation may 10651  
furnish copies of returns filed under this chapter to the internal 10652  
revenue service and to the tax commissioner. 10653

(B) This section does not prohibit the legislative authority 10654  
of a municipal corporation, by ordinance or resolution, from 10655  
authorizing the tax administrator to publish statistics in a form 10656  
that does not disclose information with respect to particular 10657  
taxpayers. 10658

**Sec. 901.171.** The department of agriculture may promote the 10659  
use of Ohio-produced agricultural goods, including natural spring 10660  
water, through the issuance of logotypes to qualified producers 10661  
and processors under a promotional certification program to be 10662  
developed and administered by the division of markets. 10663

Pursuant to rules adopted under Chapter 119. of the Revised 10664  
Code, the department may establish reasonable fees and criteria 10665  
for participation in the program. All such fees shall be credited 10666  
to the general revenue fund and used to finance the program. 10667

**Sec. 901.261.** The director of agriculture, in conducting 10668  
investigations, inquiries, or hearings, may assess the party to an 10669  
action that is brought before the department of agriculture 10670  
pursuant to Chapter 119. of the Revised Code the actual costs 10671  
incurred by the department for depositions, investigations, 10672  
issuance and service of subpoenas, witness fees, employment of a 10673  
stenographer and hearing officer, and the production of books, 10674  
accounts, papers, records, documents, and testimony if the 10675  
applicable hearing officer determines that the party to the action 10676  
has failed to comply with any chapter of the Revised Code or any 10677  
rule adopted under any of those chapters that is administered by 10678  
the director or if the hearing officer determines that the action 10679

was frivolous conduct by the party. Assessment of costs under this 10680  
section may be appealed to a court of competent jurisdiction. 10681

Nothing in this section shall be construed to apply to 10682  
investigations, inquiries, or hearings conducted under Chapter 10683  
4741. of the Revised Code. 10684

**Sec. 1503.05.** (A) The chief of the division of forestry may 10685  
sell timber and other forest products from the state forest and 10686  
state forest nurseries whenever the chief considers such a sale 10687  
desirable and, with the approval of the attorney general and the 10688  
director of natural resources, may sell portions of the state 10689  
forest lands when such a sale is advantageous to the state. 10690

(B) Except as otherwise provided in this section, a timber 10691  
sale agreement shall not be executed unless the person or 10692  
governmental entity bidding on the sale executes and files a 10693  
surety bond conditioned on completion of the timber sale in 10694  
accordance with the terms of the agreement in an amount equal to 10695  
twenty-five per cent of the highest value cutting section. All 10696  
bonds shall be given in a form prescribed by the chief and shall 10697  
run to the state as obligee. 10698

The chief shall not approve any bond until it is personally 10699  
signed and acknowledged by both principal and surety, or as to 10700  
either by the attorney in fact thereof, with a certified copy of 10701  
the power of attorney attached. The chief shall not approve the 10702  
bond unless there is attached a certificate of the superintendent 10703  
of insurance that the company is authorized to transact a fidelity 10704  
and surety business in this state. 10705

In lieu of a bond, the bidder may deposit any of the 10706  
following: 10707

- (1) Cash in an amount equal to the amount of the bond; 10708
- (2) United States government securities having a par value 10709

equal to or greater than the amount of the bond; 10710

(3) Negotiable certificates of deposit or irrevocable letters 10711  
of credit issued by any bank organized or transacting business in 10712  
this state having a par value equal to or greater than the amount 10713  
of the bond. 10714

The cash or securities shall be deposited on the same terms 10715  
as bonds. If one or more certificates of deposit are deposited in 10716  
lieu of a bond, the chief shall require the bank that issued any 10717  
of the certificates to pledge securities of the aggregate market 10718  
value equal to the amount of the certificate or certificates that 10719  
is in excess of the amount insured by the federal deposit 10720  
insurance corporation. The securities to be pledged shall be those 10721  
designated as eligible under section 135.18 of the Revised Code. 10722  
The securities shall be security for the repayment of the 10723  
certificate or certificates of deposit. 10724

Immediately upon a deposit of cash, securities, certificates 10725  
of deposit, or letters of credit, the chief shall deliver them to 10726  
the treasurer of state, who shall hold them in trust for the 10727  
purposes for which they have been deposited. The treasurer of 10728  
state is responsible for the safekeeping of the deposits. A bidder 10729  
making a deposit of cash, securities, certificates of deposit, or 10730  
letters of credit may withdraw and receive from the treasurer of 10731  
state, on the written order of the chief, all or any portion of 10732  
the cash, securities, certificates of deposit, or letters of 10733  
credit upon depositing with the treasurer of state cash, other 10734  
United States government securities, or other negotiable 10735  
certificates of deposit or irrevocable letters of credit issued by 10736  
any bank organized or transacting business in this state, equal in 10737  
par value to the par value of the cash, securities, certificates 10738  
of deposit, or letters of credit withdrawn. 10739

A bidder may demand and receive from the treasurer of state 10740  
all interest or other income from any such securities or 10741

certificates as it becomes due. If securities so deposited with 10742  
and in the possession of the treasurer of state mature or are 10743  
called for payment by their issuer, the treasurer of state, at the 10744  
request of the bidder who deposited them, shall convert the 10745  
proceeds of the redemption or payment of the securities into other 10746  
United States government securities, negotiable certificates of 10747  
deposit, or cash as the bidder designates. 10748

When the chief finds that a person or governmental agency has 10749  
failed to comply with the conditions of the person's or 10750  
governmental agency's bond, the chief shall make a finding of that 10751  
fact and declare the bond, cash, securities, certificates, or 10752  
letters of credit forfeited. The chief thereupon shall certify the 10753  
total forfeiture to the attorney general, who shall proceed to 10754  
collect the amount of the bond, cash, securities, certificates, or 10755  
letters of credit. 10756

In lieu of total forfeiture, the surety, at its option, may 10757  
cause the timber sale to be completed or pay to the treasurer of 10758  
state the cost thereof. 10759

All moneys collected as a result of forfeitures of bonds, 10760  
cash, securities, certificates, and letters of credit under this 10761  
section shall be credited to the state forest fund created in this 10762  
section. 10763

(C) The chief may grant easements and leases on portions of 10764  
the state forest lands and state forest nurseries under terms that 10765  
are advantageous to the state, and the chief may grant mineral 10766  
rights on a royalty basis on those lands and nurseries, with the 10767  
approval of the attorney general and the director. 10768

(D) All moneys received from the sale of state forest lands, 10769  
or in payment for easements or leases on or as rents from those 10770  
lands or from state forest nurseries, shall be paid into the state 10771  
treasury to the credit of the state forest fund, which is hereby 10772

created. In addition, all moneys received from federal grants, 10773  
payments, and reimbursements, from the sale of reforestation tree 10774  
stock, from the sale of forest products, other than standing 10775  
timber, and from the sale of minerals taken from the state forest 10776  
lands and state forest nurseries, together with royalties from 10777  
mineral rights, shall be paid into the state treasury to the 10778  
credit of the state forest fund. Any other revenues derived from 10779  
the operation of the state forests and related facilities or 10780  
equipment also shall be paid into the state treasury to the credit 10781  
of the state forest fund, as shall contributions received for the 10782  
issuance of Smokey Bear license plates under section 4503.574 of 10783  
the Revised Code and any other moneys required by law to be 10784  
deposited in the fund. 10785

The state forest fund shall not be expended for any purpose 10786  
other than the administration, operation, maintenance, 10787  
development, or utilization of the state forests, forest 10788  
nurseries, and forest programs, for facilities or equipment 10789  
incident to them, or for the further purchase of lands for state 10790  
forest or forest nursery purposes and, in the case of 10791  
contributions received pursuant to section 4503.574 of the Revised 10792  
Code, for fire prevention purposes. 10793

All moneys received from the sale of standing timber taken 10794  
from state forest lands and state forest nurseries shall be 10795  
deposited into the state treasury to the credit of the forestry 10796  
holding account redistribution fund, which is hereby created. The 10797  
moneys shall remain in the fund until they are redistributed in 10798  
accordance with this division. 10799

The redistribution shall occur at least once each year. To 10800  
begin the redistribution, the chief first shall determine the 10801  
amount of all standing timber sold from state forest lands and 10802  
state forest nurseries, together with the amount of the total sale 10803  
proceeds, in each county, in each township within the county, and 10804

in each school district within the county. The chief next shall 10805  
determine the amount of the direct costs that the division of 10806  
forestry incurred in association with the sale of that standing 10807  
timber. The amount of the direct costs shall be subtracted from 10808  
the amount of the total sale proceeds and shall be transferred 10809

required to prepare the plans and specifications for those 11180  
projects. 11181

**Sec. ~~1521.25~~ 1506.43.** The ~~chief director~~ of the ~~division of~~ 11182  
~~water~~ natural resources may enter into a contract with any county, 11183  
township, municipal corporation, conservancy district, or park 11184  
board that has an agreement with the state in accordance with 11185  
section ~~1521.24~~ 1506.42 of the Revised Code for the construction 11186  
of a shore erosion project. No contract shall be let until all 11187  
money that is to be paid by the political subdivision entering 11188  
into the agreement has been deposited in the shore erosion fund 11189  
created in that section ~~1521.24~~ of the Revised Code, and no 11190  
~~contract shall be valid until approved by the director of natural~~ 11191  
~~resources.~~ 11192

**Sec. ~~1521.26~~ 1506.44.** (A) A board of county commissioners may 11193  
use a loan obtained under division (C) of this section to provide 11194  
financial assistance to any person who owns real property in a 11195  
coastal erosion area, ~~as defined in section 1506.01 of the Revised~~ 11196  
~~Code,~~ and who has received a permit under section ~~1521.22~~ 1506.40 11197  
of the Revised Code to construct an erosion control structure in 11198  
that coastal erosion area. The board shall enter into an agreement 11199  
with the person that complies with all of the following 11200  
requirements: 11201

(1) The agreement shall identify the person's real property 11202  
for which the erosion control structure is being constructed and 11203  
shall include a legal description of that property and a reference 11204  
to the volume and page of the deed record in which the title of 11205  
that person to that property is recorded. 11206

(2) In accordance with rules adopted by the Ohio water development authority under division (V) of section 6121.04 of the Revised Code for the purposes of division (C) of this section and pursuant to an agreement between the board and the authority under that division, the board shall agree to cause payments to be made by the authority to the contractor hired by the person to construct an erosion control structure in amounts not to exceed the total amount specified in the agreement between the board and the person.

(3) The person shall agree to pay to the board, or to the authority as the assignee pursuant to division (C) of this section, the total amount of the payments plus administrative or other costs of the board or the authority at times, in installments, and bearing interest as specified in the agreement.

The agreement may contain additional provisions that the board determines necessary to safeguard the interests of the county or to comply with an agreement entered into under division (C) of this section.

(B) Upon entering into an agreement under division (A) of this section, the board shall do all of the following:

(1) Cause the agreement to be recorded in the county deed records in the office of the county recorder of the county in which the real property is situated. Failure to record the agreement does not affect the validity of the agreement or the collection of any amounts due under the agreement.

(2) Establish by resolution an erosion control repayment fund into which shall be deposited all amounts collected under division (B)(3) of this section. Moneys in that fund shall be used by the board for the repayment of the loan and for administrative or other costs of the board or the authority as specified in an agreement entered into under division (C) of this section. If the

amount of money in the fund is inadequate to repay the loan when 11238  
due, the board of county commissioners, by resolution, may advance 11239  
money from any other fund in order to repay the loan if that use 11240  
of the money from the other fund is not in conflict with law. If 11241  
the board so advances money in order to repay the loan, the board 11242  
subsequently shall reimburse each fund from which the board 11243  
advances money with moneys from the erosion control repayment 11244  
fund. 11245

(3) Bill and collect all amounts when due under the agreement 11246  
entered into under division (A) of this section. The board shall 11247  
certify amounts not paid when due to the county auditor, who shall 11248  
enter the amounts on the real property tax list and duplicate 11249  
against the property identified under division (A)(1) of this 11250  
section. The amounts not paid when due shall be a lien on that 11251  
property from the date on which the amounts are placed on the tax 11252  
list and duplicate and shall be collected in the same manner as 11253  
other taxes. 11254

(C) A board may apply to the authority for a loan for the 11255  
purpose of entering into agreements under division (A) of this 11256  
section. The loan shall be for an amount and on the terms 11257  
established in an agreement between the board and the authority. 11258  
The board may assign any agreements entered into under division 11259  
(A) of this section to the authority in order to provide for the 11260  
repayment of the loan and may pledge any lawfully available 11261  
revenues to the repayment of the loan, provided that no moneys 11262  
raised by taxation shall be obligated or pledged by the board for 11263  
the repayment of the loan. Any agreement with the authority 11264  
pursuant to this division is not subject to Chapter 133. of the 11265  
Revised Code or any requirements or limitations established in 11266  
that chapter. 11267

(D) The authority, as assignee of any agreement pursuant to 11268  
division (C) of this section, may enforce and compel the board and 11269

the county auditor by mandamus pursuant to Chapter 2731. of the 11270  
Revised Code to comply with division (B) of this section in a 11271  
timely manner. 11272

(E) The construction of an erosion control structure by a 11273  
contractor hired by an individual homeowner, group of individual 11274  
homeowners, or homeowners association that enters into an 11275  
agreement with a board under division (A) of this section is not a 11276  
public improvement, as defined in section 4115.03 of the Revised 11277  
Code, and is not subject to competitive bidding or public bond 11278  
laws. 11279

**Sec. ~~1521.27~~ 1506.45.** The state, or any county, township, 11280  
municipal corporation, conservancy district, or park board that 11281  
has entered into a contract under section ~~1521.25~~ 1506.43 of the 11282  
Revised Code, may acquire lands by gift or devise, purchase, or 11283  
appropriation. In case of appropriation, the proceedings shall be 11284  
instituted in the name of the state or the political subdivision 11285  
and shall be conducted in the manner provided for the 11286  
appropriation of private property by the state or the political 11287  
subdivision insofar as those proceedings are applicable. Either 11288  
the fee or any lesser interest may be acquired as the state or the 11289  
political subdivision considers advisable. 11290

**Sec. ~~1521.28~~ 1506.46.** Any action taken by the ~~chief director~~ 11291  
of ~~the division of water~~ natural resources under sections ~~1521.20~~ 11292  
1506.38 to ~~1521.30~~ 1506.48 of the Revised Code shall not be deemed 11293  
in conflict with certain powers and duties conferred upon and 11294  
delegated to federal agencies and to municipal corporations under 11295  
Section 7 of Article XVIII, Ohio Constitution, or as provided by 11296  
sections 721.04 to 721.11 of the Revised Code. 11297

**Sec. ~~1521.29~~ 1506.47.** The ~~chief director~~ of ~~the division of~~ 11298  
~~water~~ natural resources, in cooperation with appropriate offices 11299

and divisions, including the division of geological survey, may 11300  
prepare a plan for the management of shore erosion in the state 11301  
along Lake Erie, its bays, and associated inlets, revise the plan 11302  
whenever it can be made more effective, and make the plan 11303  
available for public inspection. In the preparation of the plan, 11304  
the ~~chief~~ director may employ such existing plans as are 11305  
available. 11306

The ~~chief~~ director also may establish a program to provide 11307  
technical assistance on shore erosion control measures to 11308  
municipal corporations, counties, townships, conservancy 11309  
districts, park boards, and shoreline property owners. 11310

**Sec. ~~1521.30~~ 1506.48.** Upon application of any owner of real 11311  
property damaged or destroyed by shore erosion, the county auditor 11312  
of the county in which the real property is situated shall cause a 11313  
reappraisal to be made and shall place the property on the tax 11314  
list at its true value in money. 11315

Whenever the county auditor finds that ninety per cent or 11316  
more of the area of any littoral parcel of land appearing upon the 11317  
tax duplicate has been eroded and lies within the natural 11318  
boundaries of Lake Erie and that the remainder of the parcel, if 11319  
any, has no taxable value, the auditor may certify that finding to 11320  
the county board of revision. Upon consideration thereof, the 11321  
board may authorize removal of the parcel from the tax duplicate 11322  
and cancellation of all current and delinquent taxes, assessments, 11323  
interest, and penalties charged against the parcel. 11324

**Sec. 1506.99.** (A) Whoever violates division (A) of section 11325  
1506.09 of the Revised Code shall be fined not less than one 11326  
hundred nor more than five hundred dollars for each offense. 11327

(B) Whoever violates division (K) of section 1506.32 of the 11328  
Revised Code is guilty of a misdemeanor of the third degree. 11329

(C) Whoever violates sections 1506.38 to 1506.48 of the Revised Code shall be fined not less than one hundred dollars nor more than five hundred dollars for each offense. Each day of violation constitutes a separate offense.

**Sec. 1513.08.** (A) After a coal mining and reclamation permit application has been approved, ~~but before the permit is issued,~~ the applicant shall file with the chief of the division of mineral resources management, on a form prescribed and furnished by the chief, the performance security required under this section.

(B) Using the information contained in the permit application; the requirements contained in the approved permit and reclamation plan; and, after considering the topography, geology, hydrology, and revegetation potential of the area of the approved permit, the probable difficulty of reclamation; the chief shall determine the estimated cost of reclamation under the initial term of the permit if the reclamation has to be performed by the division of mineral resources management in the event of forfeiture of the performance security by the applicant. The chief shall send written notice of the amount of the estimated cost of reclamation by certified mail to the applicant. The applicant shall send written notice to the chief indicating the method by which the applicant will provide the performance security pursuant to division (C) of this section.

(C) The applicant shall provide the performance security in an amount using one of the following:

(1) If the applicant elects to provide performance security without reliance on the reclamation forfeiture fund created in section 1513.18 of the Revised Code, the amount of the estimated cost of reclamation as determined by the chief under division (B) of this section for the increments of land on which the operator will conduct a coal mining and reclamation operation under the

initial term of the permit as indicated in the application; 11361

(2) If the applicant elects to provide performance security 11362  
together with reliance on the reclamation forfeiture fund through 11363  
payment of the additional tax on the severance of coal that is 11364  
levied under division (A)(8) of section 5749.02 of the Revised 11365  
Code, an amount of twenty-five hundred dollars per acre of land on 11366  
which the operator will conduct coal mining and reclamation under 11367  
the initial term of the permit as indicated in the application. 11368  
However, in order for an applicant to be eligible to provide 11369  
performance security in accordance with division (C)(2) of this 11370  
section, an the applicant, an owner and controller of the 11371  
applicant, or an affiliate of the applicant shall have held a 11372  
permit issued under this chapter for any coal mining and 11373  
reclamation operation for a period of not less than five years. In 11374  
the event of forfeiture of performance security that was provided 11375  
in accordance with division (C)(2) of this section, the difference 11376  
between the amount of that performance security and the estimated 11377  
cost of reclamation as determined by the chief under division (B) 11378  
of this section shall be obtained from money in the reclamation 11379  
forfeiture fund as needed to complete the reclamation. 11380

The performance security provided under division (C) of this 11381  
section for the entire area to be mined under one permit issued 11382  
under this chapter shall not be less than ten thousand dollars. 11383

The performance security shall cover areas of land affected 11384  
by mining within or immediately adjacent to the permitted area, so 11385  
long as the total number of acres does not exceed the number of 11386  
acres for which the performance security is provided. However, the 11387  
authority for the performance security to cover areas of land 11388  
immediately adjacent to the permitted area does not authorize a 11389  
permittee to mine areas outside an approved permit area. As 11390  
succeeding increments of coal mining and reclamation operations 11391  
are to be initiated and conducted within the permit area, the 11392

permittee shall file with the chief additional performance 11393  
security to cover the increments in accordance with this section. 11394  
If a permittee intends to mine areas outside the approved permit 11395  
area, the permittee shall provide additional performance security 11396  
in accordance with this section to cover the areas to be mined. 11397

An applicant shall provide performance security in accordance 11398  
with division (C)(1) of this section in the full amount of the 11399  
estimated cost of reclamation as determined by the chief for a 11400  
permitted coal preparation plant or coal refuse disposal area that 11401  
is not located within a permitted area of a mine. A permittee 11402  
shall provide the performance security not later than one year 11403  
after ~~the effective date of this amendment~~ April 6, 2007, for a 11404  
permitted coal preparation plant or coal refuse disposal area that 11405  
is in existence on ~~the effective date of this amendment~~ April 6, 11406  
2007, and that is not located within a permitted area of a mine. 11407

(D) A permittee's liability under the performance security 11408  
shall be limited to the obligations established under the permit, 11409  
which include completion of the reclamation plan in order to make 11410  
the land capable of supporting the postmining land use that was 11411  
approved in the permit. The period of liability under the 11412  
performance security shall be for the duration of the coal mining 11413  
and reclamation operation and for a period coincident with the 11414  
operator's responsibility for revegetation requirements under 11415  
section 1513.16 of the Revised Code. 11416

(E) The amount of the estimated cost of reclamation 11417  
determined under division (B) of this section and the amount of a 11418  
permittee's performance security provided in accordance with 11419  
division (C)(1) of this section may be adjusted by the chief as 11420  
the land that is affected by mining increases or decreases or if 11421  
the cost of reclamation increases or decreases. If the performance 11422  
security was provided in accordance with division (C)(2) of this 11423  
section and the chief has issued a cessation order under division 11424

(D)(2) of section 1513.02 of the Revised Code for failure to abate 11425  
a violation of the contemporaneous reclamation requirement under 11426  
division (A)(15) of section 1513.16 of the Revised Code, the chief 11427  
may require the permittee to increase the amount of performance 11428  
security from twenty-five hundred dollars per acre of land to five 11429  
thousand dollars per acre of land. 11430

The chief shall notify the permittee, each surety, and any 11431  
person who has a property interest in the performance security and 11432  
who has requested to be notified of any proposed adjustment to the 11433  
performance security. The permittee may request an informal 11434  
conference with the chief concerning the proposed adjustment, and 11435  
the chief shall provide such an informal conference. 11436

If the chief increases the amount of performance security 11437  
under this division, the permittee shall provide additional 11438  
performance security in an amount determined by the chief. If the 11439  
chief decreases the amount of performance security under this 11440  
division, the chief shall determine the amount of the reduction of 11441  
the performance security and send written notice of the amount of 11442  
reduction to the permittee. The permittee may reduce the amount of 11443  
the performance security in the amount determined by the chief. 11444

(F) A permittee may request a reduction in the amount of the 11445  
performance security by submitting to the chief documentation 11446  
proving that the amount of the performance security provided by 11447  
the permittee exceeds the estimated cost of reclamation if the 11448  
reclamation would have to be performed by the division in the 11449  
event of forfeiture of the performance security. The chief shall 11450  
examine the documentation and determine whether the permittee's 11451  
performance security exceeds the estimated cost of reclamation. If 11452  
the chief determines that the performance security exceeds that 11453  
estimated cost, the chief shall determine the amount of the 11454  
reduction of the performance security and send written notice of 11455  
the amount to the permittee. The permittee may reduce the amount 11456

of the performance security in the amount determined by the chief. 11457  
Adjustments in the amount of performance security under this 11458  
division shall not be considered release of performance security 11459  
and are not subject to section 1513.16 of the Revised Code. 11460

(G) If the performance security is a bond, it shall be 11461  
executed by the operator and a corporate surety licensed to do 11462  
business in this state. If the performance security is a cash 11463  
deposit or negotiable certificates of deposit of a bank or savings 11464  
and loan association, the bank or savings and loan association 11465  
shall be licensed and operating in this state. The cash deposit or 11466  
market value of the securities shall be equal to or greater than 11467  
the amount of the performance security required under this 11468  
section. The chief shall review any documents pertaining to the 11469  
performance security and approve or disapprove the documents. The 11470  
chief shall notify the applicant of the chief's determination. 11471

(H) If the performance security is a bond, the chief may 11472  
accept the bond of the applicant itself without separate surety 11473  
when the applicant demonstrates to the satisfaction of the chief 11474  
the existence of a suitable agent to receive service of process 11475  
and a history of financial solvency and continuous operation 11476  
sufficient for authorization to self-insure or bond the amount. 11477

(I) Performance security provided under this section may be 11478  
held in trust, provided that the state is the conditional 11479  
beneficiary of the trust and the custodian of the performance 11480  
security held in trust is a bank, trust company, or other 11481  
financial institution that is licensed and operating in this 11482  
state. The chief shall review the trust document and approve or 11483  
disapprove the document. The chief shall notify the applicant of 11484  
the chief's determination. 11485

(J) If a surety, bank, savings and loan association, trust 11486  
company, or other financial institution that holds the performance 11487  
security required under this section becomes insolvent, the 11488

permittee shall notify the chief of the insolvency, and the chief 11489  
shall order the permittee to submit a plan for replacement 11490  
performance security within thirty days after receipt of notice 11491  
from the chief. If the permittee provided performance security in 11492  
accordance with division (C)(1) of this section, the permittee 11493  
shall provide the replacement performance security within ninety 11494  
days after receipt of notice from the chief. If the permittee 11495  
provided performance security in accordance with division (C)(2) 11496  
of this section, the permittee shall provide the replacement 11497  
performance security within one year after receipt of notice from 11498  
the chief, and, for a period of one year after the permittee's 11499  
receipt of notice from the chief or until the permittee provides 11500  
the replacement performance security, whichever occurs first, 11501  
money in the reclamation forfeiture fund shall be the permittee's 11502  
replacement performance security in an amount not to exceed the 11503  
estimated cost of reclamation as determined by the chief. 11504

(K) A permittee's responsibility for repairing material 11505  
damage and replacement of water supply resulting from subsidence 11506  
may be satisfied by liability insurance required under this 11507  
chapter in lieu of the permittee's performance security if the 11508  
liability insurance policy contains terms and conditions that 11509  
specifically provide coverage for repairing material damage and 11510  
replacement of water supply resulting from subsidence. 11511

(L) If the performance security provided in accordance with 11512  
this section exceeds the estimated cost of reclamation, the chief 11513  
may authorize the amount of the performance security that exceeds 11514  
the estimated cost of reclamation together with any interest or 11515  
other earnings on the performance security to be paid to the 11516  
permittee. 11517

(M) A permittee that held a valid coal mining and reclamation 11518  
permit immediately prior to April 6, 2007, shall provide, not 11519  
later than a date established by the chief, performance security 11520

in accordance with division (C)(1) or (2) of this section, rather 11521  
than in accordance with the law as it existed prior to that date, 11522  
by filing it with the chief on a form that the chief prescribes 11523  
and furnishes. Accordingly, for purposes of this section, 11524  
"applicant" is deemed to include such a permittee. 11525

(N) As used in this section: 11526

(1) "Affiliate of the applicant" means an entity that has a 11527  
parent entity in common with the applicant. 11528

(2) "Owner and controller of the applicant" means a person 11529  
that has any relationship with the applicant that gives the person 11530  
authority to determine directly or indirectly the manner in which 11531  
the applicant conducts coal mining operations. 11532

**Sec. 1513.18.** (A) All money that becomes the property of the 11533  
state under division (G) of section 1513.16 of the Revised Code 11534  
shall be deposited in the reclamation forfeiture fund, which is 11535  
hereby created in the state treasury. Disbursements from the fund 11536  
shall be made by the chief of the division of mineral resources 11537  
management for the purpose of reclaiming areas of land affected by 11538  
coal mining under a coal mining and reclamation permit issued on 11539  
or after September 1, 1981, on which an operator has defaulted. 11540

(B) The fund also shall consist of all money from the 11541  
collection of liens under section 1513.081 of the Revised Code, 11542  
any moneys transferred to it under section 1513.181 of the Revised 11543  
Code from the coal mining and reclamation reserve fund created in 11544  
that section, fines collected under division (E) of section 11545  
1513.02 and section 1513.99 of the Revised Code, fines collected 11546  
for a violation of section 2921.31 of the Revised Code that, prior 11547  
to July 1, 1996, would have been a violation of division (G) of 11548  
section 1513.17 of the Revised Code as it existed prior to that 11549  
date, and moneys collected and credited to it pursuant to section 11550  
5749.02 of the Revised Code. Disbursements from the fund shall be 11551

made by the chief in accordance with division (D) of this section 11552  
for the purpose of reclaiming areas that an operator has affected 11553  
by mining and failed to reclaim under a coal mining and 11554  
reclamation permit issued under this chapter or under a surface 11555  
mining permit issued under Chapter 1514. of the Revised Code. 11556

The chief may expend moneys from the fund to pay necessary 11557  
administrative costs, including engineering and design services, 11558  
incurred by the division of mineral resources management in 11559  
reclaiming these areas. The chief also may expend moneys from the 11560  
fund to pay necessary administrative costs of the reclamation 11561  
forfeiture fund advisory board created in section 1513.182 of the 11562  
Revised Code as authorized by the board under that section. 11563  
Expenditures from the fund to pay such administrative costs need 11564  
not be made under contract. 11565

(C) Except when paying necessary administrative costs 11566  
authorized by division (B) of this section, expenditures from the 11567  
fund shall be made under contracts entered into by the chief, with 11568  
the approval of the director of natural resources, in accordance 11569  
with procedures established by the chief, by rules adopted in 11570  
accordance with section 1513.02 of the Revised Code. The chief may 11571  
reclaim the land in the same manner as set forth in sections 11572  
1513.21 to 1513.24 of the Revised Code. Each contract awarded by 11573  
the chief shall be awarded to the lowest responsive and 11574  
responsible bidder, in accordance with section 9.312 of the 11575  
Revised Code, after sealed bids are received, opened, and 11576  
published at the time and place fixed by the chief. The chief 11577  
shall publish notice of the time and place at which bids will be 11578  
received, opened, and published, at least once and at least ten 11579  
days before the date of the opening of the bids, in a newspaper of 11580  
general circulation in the county in which the area of land to be 11581  
reclaimed under the contract is located. If, after advertising, no 11582  
bids are received at the time and place fixed for receiving them, 11583

the chief may advertise again for bids, or, if the chief considers 11584  
the public interest will best be served, the chief may enter into 11585  
a contract for the reclamation of the area of land without further 11586  
advertisement for bids. The chief may reject any or all bids 11587  
received and again publish notice of the time and place at which 11588  
bids for contracts will be received, opened, and published. The 11589  
chief, with the approval of the director, may enter into a 11590  
contract with the landowner, a coal mine operator or surface mine 11591  
operator mining under a current, valid permit issued under this 11592  
chapter or Chapter 1514. of the Revised Code, or a contractor 11593  
hired by the surety or trustee, if the performance security is 11594  
held in trust, to complete reclamation to carry out reclamation on 11595  
land affected by coal mining on which an operator has defaulted 11596  
without advertising for bids. 11597

(D)(1) The chief shall expend money credited to the 11598  
reclamation forfeiture fund from the forfeiture of the performance 11599  
security applicable to an area of land to pay for the cost of the 11600  
reclamation of the land. 11601

(2) If the performance security for the area of land was 11602  
provided under division (C)(1) of section 1513.08 of the Revised 11603  
Code, the chief shall use the money from the forfeited performance 11604  
security to complete the reclamation that the operator failed to 11605  
do under the operator's applicable coal mining and reclamation 11606  
permit issued under this chapter. 11607

(3) If the performance security for the area of land was 11608  
provided under division (C)(2) of section 1513.08 of the Revised 11609  
Code, the chief shall use the money from the forfeited performance 11610  
security to complete the reclamation that the operator failed to 11611  
do under the operator's applicable coal mining and reclamation 11612  
permit issued under this chapter. If the money credited to the 11613  
reclamation forfeiture fund from the forfeiture of the performance 11614  
security provided under division (C)(2) of section 1513.08 of the 11615

Revised Code is not sufficient to complete the reclamation, the 11616  
chief shall notify the reclamation forfeiture fund advisory board 11617  
of the amount of the insufficiency. The chief may expend money 11618  
credited to the reclamation forfeiture fund under section 5749.02 11619  
of the Revised Code or transferred to the fund under section 11620  
1513.181 of the Revised Code to complete the reclamation. The 11621  
chief shall not expend money from the fund in an amount that 11622  
exceeds the difference between the amount of the performance 11623  
security provided under division (C)(2) of section 1513.08 of the 11624  
Revised Code and the estimated cost of reclamation as determined 11625  
by the chief under divisions (B) and (E) of that section. 11626

(4) Money from the reclamation forfeiture fund shall not be 11627  
used for reclamation of land or water resources affected by 11628  
material damage from subsidence, or mine drainage that requires 11629  
extended water treatment after reclamation is completed under the 11630  
terms of the permit, ~~or coal preparation plants or coal refuse~~ 11631  
~~disposal areas not located within a permitted area of a mine if~~ 11632  
~~performance security for the area of land was provided under~~ 11633  
~~division (C)(2) of section 1513.08 of the Revised Code. In~~ 11634  
addition, money from the reclamation forfeiture fund shall not be 11635  
used to supplement the performance security of an applicant or 11636  
permittee that has provided performance security in accordance 11637  
with division (C)(1) of section 1513.08 of the Revised Code. 11638

(E) The chief shall keep a detailed accounting of the 11639  
expenditures from the reclamation forfeiture fund to complete 11640  
reclamation of the land and, upon completion of the reclamation, 11641  
shall certify the expenditures to the attorney general. Upon the 11642  
chief's certification of the expenditures from the reclamation 11643  
forfeiture fund, the attorney general shall bring an action for 11644  
that amount of money. The operator is liable for that expense in 11645  
addition to any other liabilities imposed by law. Moneys so 11646  
recovered shall be credited to the reclamation forfeiture fund. 11647

The chief shall not postpone the reclamation because of any action brought by the attorney general under this division. Prior to completing reclamation, the chief may collect through the attorney general any additional amount that the chief believes will be necessary for reclamation in excess of the forfeited performance security amount applicable to the land that the operator should have, but failed to, reclaim.

(F) Except as otherwise provided in division (H) of this section, if any part of the moneys in the reclamation forfeiture fund remains in the fund after the chief has caused the area of land to be reclaimed and has paid all the reclamation costs and expenses, the chief may expend those moneys to complete other reclamation work performed under this section on forfeiture areas affected under a coal mining and reclamation permit issued on or after September 1, 1981.

(G) The chief shall require every contractor performing reclamation work pursuant to this section to pay workers at the greater of their regular rate of pay, as established by contract, agreement, or prior custom or practice, or the average wage rate paid in this state for the same or similar work as determined by the chief under section 1513.02 of the Revised Code.

(H) All investment earnings of the fund shall be credited to the fund and shall be used only for the reclamation of land for which performance security was provided under division (C)(2) of section 1513.08 of the Revised Code.

rates as determined by standard soil testing, for land reclamation 11687  
in accordance with this chapter and rules adopted under it, 11688  
including, but not limited to, use as fill material, as defined by 11689

order to protect human health and environment. 11711

The beneficial use of lime mining wastes is subject to any 11712  
applicable standards and requirements established under this 11713  
chapter and rules adopted under it. Until such time as the chief 11714  
adopts rules under this section, the beneficial use of lime mining 11715  
wastes shall require the prior written approval of the chief in a 11716  
surface mining permit issued under this chapter. 11717

**Sec. 2744.02.** (A)(1) For the purposes of this chapter, the 13026  
functions of political subdivisions are hereby classified as 13027  
governmental functions and proprietary functions. Except as 13028  
provided in division (B) of this section, a political subdivision 13029  
is not liable in damages in a civil action for injury, death, or 13030  
loss to person or property allegedly caused by any act or omission 13031  
of the political subdivision or an employee of the political 13032  
subdivision in connection with a governmental or proprietary 13033  
function. 13034

civil actions governed by or brought pursuant to this chapter. 13043

(B) Subject to sections 2744.03 and 2744.05 of the Revised 13044  
Code, a political subdivision is liable in damages in a civil 13045  
action for injury, death, or loss to person or property allegedly 13046  
caused by an act or omission of the political subdivision or of 13047  
any of its employees in connection with a governmental or 13048  
proprietary function, as follows: 13049

(1) Except as otherwise provided in this division, political subdivisions are liable for injury, death, or loss to person or property caused by the negligent operation of any motor vehicle by their employees when the employees are engaged within the scope of their employment and authority. The following are full defenses to that liability:

(a) A member of a municipal corporation police department or any other police agency was operating a motor vehicle while responding to an emergency call and the operation of the vehicle did not constitute willful or wanton misconduct;

(b) A member of a municipal corporation fire department or any other firefighting agency was operating a motor vehicle while engaged in duty at a fire, proceeding toward a place where a fire is in progress or is believed to be in progress, or answering any other emergency alarm and the operation of the vehicle did not constitute willful or wanton misconduct;

(2) Except as otherwise provided in sections 3314.07 and 3746.24 of the Revised Code, political subdivisions are liable for injury, death, or loss to person or property caused by the negligent performance of acts by their employees with respect to proprietary functions of the political subdivisions.

(3) Except as otherwise provided in section 3746.24 of the

Revised Code, political subdivisions are liable for injury, death, 13081  
or loss to person or property caused by their negligent failure to 13082  
keep public roads in repair and other negligent failure to remove 13083  
obstructions from public roads, except that it is a full defense 13084  
to that liability, when a bridge within a municipal corporation is 13085  
involved, that the municipal corporation does not have the 13086  
responsibility for maintaining or inspecting the bridge. 13087

(4) Except as otherwise provided in section 3746.24 of the 13088  
Revised Code, political subdivisions are liable for injury, death, 13089  
or loss to person or property that is caused by the negligence of 13090  
their employees and that occurs within or on the grounds of, and 13091  
is due to physical defects within or on the grounds of, buildings 13092

section of the Revised Code, including, but not limited to, 13102  
sections 2743.02 and 5591.37 of the Revised Code. Civil liability 13103  
shall not be construed to exist under another section of the 13104  
Revised Code merely because that section imposes a responsibility 13105  
or mandatory duty upon a political subdivision, because that 13106  
section provides for a criminal penalty, because of a general 13107  
authorization in that section that a political subdivision may sue 13108  
and be sued, or because that section uses the term "shall" in a 13109  
provision pertaining to a political subdivision. 13110

(C) An order that denies a political subdivision or an 13111  
employee of a political subdivision the benefit of an alleged 13112

immunity from liability as provided in this chapter or any other 13113  
provision of the law is a final order. 13114

(ii) If violence is alleged, whether the alleged violence was caused by a person acting in self-defense;

(iii) Each person's fear of physical harm, if any, resulting from the other person's threatened use of force against any person or resulting from the other person's use or history of the use of force against any person, and the reasonableness of that fear;

(e)(i) A peace officer described in division (A) of this section shall not require, as a prerequisite to arresting or charging a person who has committed the offense of domestic violence or the offense of violating a protection order, that the victim of the offense specifically consent to the filing of charges against the person who has committed the offense or sign a complaint against the person who has committed the offense.

(ii) If a person is arrested for or charged with committing the offense of domestic violence or the offense of violating a protection order and if the victim of the offense does not cooperate with the involved law enforcement or prosecuting authorities in the prosecution of the offense or, subsequent to the arrest or the filing of the charges, informs the involved law enforcement or prosecuting authorities that the victim does not wish the prosecution of the offense to continue or wishes to drop charges against the alleged offender relative to the offense, the involved prosecuting authorities, in determining whether to continue with the prosecution of the offense or whether to dismiss charges against the alleged offender relative to the offense and notwithstanding the victim's failure to cooperate or the victim's wishes, shall consider all facts and circumstances that are relevant to the offense, including, but not limited to, the statements and observations of the peace officers who responded to the incident that resulted in the arrest or filing of the charges and of all witnesses to that incident.

(f) In determining pursuant to divisions (B)(3)(a) to (g) of this section whether to arrest a person pursuant to division (B)(1) of this section, a peace officer described in division (A) of this section shall not consider as a factor any possible shortage of cell space at the detention facility to which the

**Sec. 3109.04.** (A) In any divorce, legal separation, or 13865  
annulment proceeding and in any proceeding pertaining to the 13866  
allocation of parental rights and responsibilities for the care of 13867  
a child, upon hearing the testimony of either or both parents and 13868  
considering any mediation report filed pursuant to section 13869  
3109.052 of the Revised Code and in accordance with sections 13870  
3127.01 to 3127.53 of the Revised Code, the court shall allocate 13871  
the parental rights and responsibilities for the care of the minor 13872  
children of the marriage. Subject to division (D)(2) of this 13873  
section, the court may allocate the parental rights and 13874  
responsibilities for the care of the children in either of the 13875  
following ways: 13876

(1) If neither parent files a pleading or motion in 13877  
accordance with division (G) of this section, if at least one 13878

division but no plan for shared parenting is in the best interest 13883  
of the children, the court, in a manner consistent with the best 13884  
interest of the children, shall allocate the parental rights and 13885  
responsibilities for the care of the children primarily to one of 13886  
the parents, designate that parent as the residential parent and 13887  
the legal custodian of the child, and divide between the parents 13888  
the other rights and responsibilities for the care of the 13889  
children, including, but not limited to, the responsibility to 13890  
provide support for the children and the right of the parent who 13891  
is not the residential parent to have continuing contact with the 13892  
children. 13893

(2) If at least one parent files a pleading or motion in 13894  
accordance with division (G) of this section and a plan for shared 13895  
parenting pursuant to that division and if a plan for shared 13896

parenting is in the best interest of the children and is approved 13897  
by the court in accordance with division (D)(1) of this section, 13898  
the court may allocate the parental rights and responsibilities 13899  
for the care of the children to both parents and issue a shared 13900  
parenting order requiring the parents to share all or some of the 13901  
aspects of the physical and legal care of the children in 13902  
accordance with the approved plan for shared parenting. If the 13903  
court issues a shared parenting order under this division and it 13904  
is necessary for the purpose of receiving public assistance, the 13905  
court shall designate which one of the parents' residences is to 13906  
serve as the child's home. The child support obligations of the 13907  
parents under a shared parenting order issued under this division 13908

(B)(1) When making the allocation of the parental rights and 13911  
responsibilities for the care of the children under this section 13912  
in an original proceeding or in any proceeding for modification of 13913  
a prior order of the court making the allocation, the court shall 13914  
take into account that which would be in the best interest of the 13915  
children. In determining the child's best interest for purposes of 13916  
making its allocation of the parental rights and responsibilities 13917  
for the care of the child and for purposes of resolving any issues 13918  
related to the making of that allocation, the court, in its 13919  
discretion, may and, upon the request of either party, shall 13920  
interview in chambers any or all of the involved children 13921  
regarding their wishes and concerns with respect to the 13922  
allocation. 13923

(2) If the court interviews any child pursuant to division 13924  
(B)(1) of this section, all of the following apply: 13925

(a) The court, in its discretion, may and, upon the motion of 13926  
either parent, shall appoint a guardian ad litem for the child. 13927

(b) The court first shall determine the reasoning ability of 13928

the child. If the court determines that the child does not have 13929  
sufficient reasoning ability to express the child's wishes and 13930  
concern with respect to the allocation of parental rights and 13931  
responsibilities for the care of the child, it shall not determine 13932  
the child's wishes and concerns with respect to the allocation. If 13933  
the court determines that the child has sufficient reasoning 13934  
ability to express the child's wishes or concerns with respect to 13935  
the allocation, it then shall determine whether, because of 13936  
special circumstances, it would not be in the best interest of the 13937  
child to determine the child's wishes and concerns with respect to 13938  
the allocation. If the court determines that, because of special 13939  
circumstances, it would not be in the best interest of the child 13940  
to determine the child's wishes and concerns with respect to the 13941  
allocation, it shall not determine the child's wishes and concerns 13942  
with respect to the allocation and shall enter its written 13943  
findings of fact and opinion in the journal. If the court 13944  
determines that it would be in the best interests of the child to 13945  
determine the child's wishes and concerns with respect to the 13946  
allocation, it shall proceed to make that determination. 13947

(c) The interview shall be conducted in chambers, and no 13948  
person other than the child, the child's attorney, the judge, any 13949  
necessary court personnel, and, in the judge's discretion, the 13950  
attorney of each parent shall be permitted to be present in the 13951  
chambers during the interview. 13952

(3) No person shall obtain or attempt to obtain from a child 13953  
a written or recorded statement or affidavit setting forth the 13954  
child's wishes and concerns regarding the allocation of parental 13955  
rights and responsibilities concerning the child. No court, in 13956  
determining the child's best interest for purposes of making its 13957  
allocation of the parental rights and responsibilities for the 13958  
care of the child or for purposes of resolving any issues related 13959  
to the making of that allocation, shall accept or consider a 13960

written or recorded statement or affidavit that purports to set forth the child's wishes and concerns regarding those matters.

(C) Prior to trial, the court may cause an investigation to be made as to the character, family relations, past conduct, earning ability, and financial worth of each parent and may order the parents and their minor children to submit to medical, psychological, and psychiatric examinations. The report of the investigation and examinations shall be made available to either parent or the parent's counsel of record not less than five days before trial, upon written request. The report shall be signed by the investigator, and the investigator shall be subject to cross-examination by either parent concerning the contents of the report. The court may tax as costs all or any part of the expenses for each investigation.

If the court determines that either parent previously has been convicted of or pleaded guilty to any criminal offense involving any act that resulted in a child being a neglected child, that either parent previously has been determined to be the perpetrator of the neglectful act that is the basis of an adjudication that a child is a neglected child, or that there is reason to believe that either parent has acted in a manner resulting in a child being a neglected child, the court shall consider that fact against naming that parent the residential parent and against granting a shared parenting decree. When the court allocates parental rights and responsibilities for the care of children or determines whether to grant shared parenting in any proceeding, it shall consider whether either parent or any member of the household of either parent has been convicted of or pleaded guilty to a violation of section 2919.25 of the Revised Code or a sexually oriented offense involving a victim who at the time of the commission of the offense was a member of the family or household that is the subject of the proceeding, has been

convicted of or pleaded guilty to any sexually oriented offense or 13993  
other offense involving a victim who at the time of the commission 13994  
of the offense was a member of the family or household that is the 13995  
subject of the proceeding and caused physical harm to the victim 13996  
in the commission of the offense, or has been determined to be the 13997  
perpetrator of the abusive act that is the basis of an 13998  
adjudication that a child is an abused child. If the court 13999  
determines that either parent has been convicted of or pleaded 14000  
guilty to a violation of section 2919.25 of the Revised Code or a 14001  
sexually oriented offense involving a victim who at the time of 14002  
the commission of the offense was a member of the family or 14003  
household that is the subject of the proceeding, has been 14004  
convicted of or pleaded guilty to any sexually oriented offense or 14005  
other offense involving a victim who at the time of the commission 14006  
of the offense was a member of the family or household that is the 14007  
subject of the proceeding and caused physical harm to the victim 14008  
in the commission of the offense, or has been determined to be the 14009  
perpetrator of the abusive act that is the basis of an 14010  
adjudication that a child is an abused child, it may designate 14011  
that parent as the residential parent and may issue a shared 14012  
parenting decree or order only if it determines that it is in the 14013  
best interest of the child to name that parent the residential 14014  
parent or to issue a shared parenting decree or order and it makes 14015  
specific written findings of fact to support its determination. 14016

(D)(1)(a) Upon the filing of a pleading or motion by either 14017  
parent or both parents, in accordance with division (G) of this 14018  
section, requesting shared parenting and the filing of a shared 14019  
parenting plan in accordance with that division, the court shall 14020  
comply with division (D)(1)(a)(i), (ii), or (iii) of this section, 14021  
whichever is applicable: 14022

(i) If both parents jointly make the request in their 14023  
pleadings or jointly file the motion and also jointly file the 14024

plan, the court shall review the parents' plan to determine if it 14025  
is in the best interest of the children. If the court determines 14026  
that the plan is in the best interest of the children, the court 14027  
shall approve it. If the court determines that the plan or any 14028  
part of the plan is not in the best interest of the children, the 14029  
court shall require the parents to make appropriate changes to the 14030  
plan to meet the court's objections to it. If changes to the plan 14031  
are made to meet the court's objections, and if the new plan is in 14032  
the best interest of the children, the court shall approve the 14033  
plan. If changes to the plan are not made to meet the court's 14034  
objections, or if the parents attempt to make changes to the plan 14035  
to meet the court's objections, but the court determines that the 14036  
new plan or any part of the new plan still is not in the best 14037  
interest of the children, the court may reject the portion of the 14038  
parents' pleadings or deny their motion requesting shared 14039  
parenting of the children and proceed as if the request in the 14040  
pleadings or the motion had not been made. The court shall not 14041  
approve a plan under this division unless it determines that the 14042  
plan is in the best interest of the children. 14043

(ii) If each parent makes a request in the parent's pleadings 14044  
or files a motion and each also files a separate plan, the court 14045  
shall review each plan filed to determine if either is in the best 14046  
interest of the children. If the court determines that one of the 14047  
filed plans is in the best interest of the children, the court may 14048  
approve the plan. If the court determines that neither filed plan 14049  
is in the best interest of the children, the court may order each 14050  
parent to submit appropriate changes to the parent's plan or both 14051  
of the filed plans to meet the court's objections, or may select 14052  
one of the filed plans and order each parent to submit appropriate 14053  
changes to the selected plan to meet the court's objections. If 14054  
changes to the plan or plans are submitted to meet the court's 14055  
objections, and if any of the filed plans with the changes is in 14056  
the best interest of the children, the court may approve the plan 14057

with the changes. If changes to the plan or plans are not 14058  
submitted to meet the court's objections, or if the parents submit 14059  
changes to the plan or plans to meet the court's objections but 14060  
the court determines that none of the filed plans with the 14061  
submitted changes is in the best interest of the children, the 14062  
court may reject the portion of the parents' pleadings or deny 14063  
their motions requesting shared parenting of the children and 14064  
proceed as if the requests in the pleadings or the motions had not 14065  
been made. If the court approves a plan under this division, 14066  
either as originally filed or with submitted changes, or if the 14067  
court rejects the portion of the parents' pleadings or denies 14068  
their motions requesting shared parenting under this division and 14069  
proceeds as if the requests in the pleadings or the motions had 14070  
not been made, the court shall enter in the record of the case 14071  
findings of fact and conclusions of law as to the reasons for the 14072  
approval or the rejection or denial. Division (D)(1)(b) of this 14073  
section applies in relation to the approval or disapproval of a 14074  
plan under this division. 14075

(iii) If each parent makes a request in the parent's 14076  
pleadings or files a motion but only one parent files a plan, or 14077  
if only one parent makes a request in the parent's pleadings or 14078  
files a motion and also files a plan, the court in the best 14079  
interest of the children may order the other parent to file a plan 14080  
for shared parenting in accordance with division (G) of this 14081  
section. The court shall review each plan filed to determine if 14082  
any plan is in the best interest of the children. If the court 14083  
determines that one of the filed plans is in the best interest of 14084  
the children, the court may approve the plan. If the court 14085  
determines that no filed plan is in the best interest of the 14086  
children, the court may order each parent to submit appropriate 14087  
changes to the parent's plan or both of the filed plans to meet 14088  
the court's objections or may select one filed plan and order each 14089  
parent to submit appropriate changes to the selected plan to meet 14090

the court's objections. If changes to the plan or plans are 14091  
submitted to meet the court's objections, and if any of the filed 14092  
plans with the changes is in the best interest of the children, 14093  
the court may approve the plan with the changes. If changes to the 14094  
plan or plans are not submitted to meet the court's objections, or 14095  
if the parents submit changes to the plan or plans to meet the 14096  
court's objections but the court determines that none of the filed 14097  
plans with the submitted changes is in the best interest of the 14098  
children, the court may reject the portion of the parents' 14099  
pleadings or deny the parents' motion or reject the portion of the 14100  
parents' pleadings or deny their motions requesting shared 14101  
parenting of the children and proceed as if the request or 14102  
requests or the motion or motions had not been made. If the court 14103  
approves a plan under this division, either as originally filed or 14104  
with submitted changes, or if the court rejects the portion of the 14105  
pleadings or denies the motion or motions requesting shared 14106  
parenting under this division and proceeds as if the request or 14107  
requests or the motion or motions had not been made, the court 14108  
shall enter in the record of the case findings of fact and 14109  
conclusions of law as to the reasons for the approval or the 14110  
rejection or denial. Division (D)(1)(b) of this section applies in 14111  
relation to the approval or disapproval of a plan under this 14112  
division. 14113

(b) The approval of a plan under division (D)(1)(a)(ii) or 14114  
(iii) of this section is discretionary with the court. The court 14115  
shall not approve more than one plan under either division and 14116  
shall not approve a plan under either division unless it 14117  
determines that the plan is in the best interest of the children. 14118  
If the court, under either division, does not determine that any 14119  
filed plan or any filed plan with submitted changes is in the best 14120  
interest of the children, the court shall not approve any plan. 14121

(c) Whenever possible, the court shall require that a shared 14122

parenting plan approved under division (D)(1)(a)(i), (ii), or 14123  
(iii) of this section ensure the opportunity for both parents to 14124  
have frequent and continuing contact with the child, unless 14125  
frequent and continuing contact with any parent would not be in 14126  
the best interest of the child. 14127

(d) If a court approves a shared parenting plan under 14128  
division (D)(1)(a)(i), (ii), or (iii) of this section, the 14129  
approved plan shall be incorporated into a final shared parenting 14130  
decree granting the parents the shared parenting of the children. 14131  
Any final shared parenting decree shall be issued at the same time 14132  
as and shall be appended to the final decree of dissolution, 14133  
divorce, annulment, or legal separation arising out of the action 14134  
out of which the question of the allocation of parental rights and 14135  
responsibilities for the care of the children arose. 14136

No provisional shared parenting decree shall be issued in 14137  
relation to any shared parenting plan approved under division 14138  
(D)(1)(a)(i), (ii), or (iii) of this section. A final shared 14139  
parenting decree issued under this division has immediate effect 14140  
as a final decree on the date of its issuance, subject to 14141  
modification or termination as authorized by this section. 14142

(2) If the court finds, with respect to any child under 14143  
eighteen years of age, that it is in the best interest of the 14144  
child for neither parent to be designated the residential parent 14145  
and legal custodian of the child, it may commit the child to a 14146  
relative of the child or certify a copy of its findings, together 14147  
with as much of the record and the further information, in 14148  
narrative form or otherwise, that it considers necessary or as the 14149  
juvenile court requests, to the juvenile court for further 14150  
proceedings, and, upon the certification, the juvenile court has 14151  
exclusive jurisdiction. 14152

(E)(1)(a) The court shall not modify a prior decree 14153  
allocating parental rights and responsibilities for the care of 14154

children unless it finds, based on facts that have arisen since 14155  
the prior decree or that were unknown to the court at the time of 14156  
the prior decree, that a change has occurred in the circumstances 14157  
of the child, the child's residential parent, or either of the 14158  
parents subject to a shared parenting decree, and that the 14159  
modification is necessary to serve the best interest of the child. 14160  
In applying these standards, the court shall retain the 14161  
residential parent designated by the prior decree or the prior 14162  
shared parenting decree, unless a modification is in the best 14163  
interest of the child and one of the following applies: 14164

(i) The residential parent agrees to a change in the 14165  
residential parent or both parents under a shared parenting decree 14166  
agree to a change in the designation of residential parent. 14167

(ii) The child, with the consent of the residential parent or 14168  
of both parents under a shared parenting decree, has been 14169  
integrated into the family of the person seeking to become the 14170  
residential parent. 14171

(iii) The harm likely to be caused by a change of environment 14172  
is outweighed by the advantages of the change of environment to 14173  
the child. 14174

(b) One or both of the parents under a prior decree 14175  
allocating parental rights and responsibilities for the care of 14176  
children that is not a shared parenting decree may file a motion 14177  
requesting that the prior decree be modified to give both parents 14178  
shared rights and responsibilities for the care of the children. 14179  
The motion shall include both a request for modification of the 14180  
prior decree and a request for a shared parenting order that 14181  
complies with division (G) of this section. Upon the filing of the 14182  
motion, if the court determines that a modification of the prior 14183  
decree is authorized under division (E)(1)(a) of this section, the 14184  
court may modify the prior decree to grant a shared parenting 14185  
order, provided that the court shall not modify the prior decree 14186

to grant a shared parenting order unless the court complies with 14187  
divisions (A) and (D)(1) of this section and, in accordance with 14188  
those divisions, approves the submitted shared parenting plan and 14189  
determines that shared parenting would be in the best interest of 14190  
the children. 14191

(2) In addition to a modification authorized under division 14192  
(E)(1) of this section: 14193

(a) Both parents under a shared parenting decree jointly may 14194  
modify the terms of the plan for shared parenting approved by the 14195  
court and incorporated by it into the shared parenting decree. 14196  
Modifications under this division may be made at any time. The 14197  
modifications to the plan shall be filed jointly by both parents 14198  
with the court, and the court shall include them in the plan, 14199  
unless they are not in the best interest of the children. If the 14200  
modifications are not in the best interests of the children, the 14201  
court, in its discretion, may reject the modifications or make 14202  
modifications to the proposed modifications or the plan that are 14203  
in the best interest of the children. Modifications jointly 14204  
submitted by both parents under a shared parenting decree shall be 14205  
effective, either as originally filed or as modified by the court, 14206  
upon their inclusion by the court in the plan. Modifications to 14207  
the plan made by the court shall be effective upon their inclusion 14208  
by the court in the plan. 14209

(b) The court may modify the terms of the plan for shared 14210  
parenting approved by the court and incorporated by it into the 14211  
shared parenting decree upon its own motion at any time if the 14212  
court determines that the modifications are in the best interest 14213  
of the children or upon the request of one or both of the parents 14214  
under the decree. Modifications under this division may be made at 14215  
any time. The court shall not make any modification to the plan 14216  
under this division, unless the modification is in the best 14217  
interest of the children. 14218

(c) The court may terminate a prior final shared parenting decree that includes a shared parenting plan approved under division (D)(1)(a)(i) of this section upon the request of one or both of the parents or whenever it determines that shared parenting is not in the best interest of the children. The court may terminate a prior final shared parenting decree that includes a shared parenting plan approved under division (D)(1)(a)(ii) or (iii) of this section if it determines, upon its own motion or upon the request of one or both parents, that shared parenting is not in the best interest of the children. If modification of the terms of the plan for shared parenting approved by the court and incorporated by it into the final shared parenting decree is attempted under division (E)(2)(a) of this section and the court rejects the modifications, it may terminate the final shared parenting decree if it determines that shared parenting is not in the best interest of the children.

(d) Upon the termination of a prior final shared parenting decree under division (E)(2)(c) of this section, the court shall proceed and issue a modified decree for the allocation of parental rights and responsibilities for the care of the children under the standards applicable under divisions (A), (B), and (C) of this section as if no decree for shared parenting had been granted and as if no request for shared parenting ever had been made.

(F)(1) In determining the best interest of a child pursuant to this section, whether on an original decree allocating parental rights and responsibilities for the care of children or a modification of a decree allocating those rights and responsibilities, the court shall consider all relevant factors, including, but not limited to:

(a) The wishes of the child's parents regarding the child's care;

(b) If the court has interviewed the child in chambers

pursuant to division (B) of this section regarding the child's 14251  
wishes and concerns as to the allocation of parental rights and 14252  
responsibilities concerning the child, the wishes and concerns of 14253  
the child, as expressed to the court; 14254

(c) The child's interaction and interrelationship with the 14255  
child's parents, siblings, and any other person who may 14256  
significantly affect the child's best interest; 14257

(d) The child's adjustment to the child's home, school, and 14258  
community; 14259

(e) The mental and physical health of all persons involved in 14260  
the situation; 14261

(f) The parent more likely to honor and facilitate 14262  
court-approved parenting time rights or visitation and 14263  
companionship rights; 14264

(g) Whether either parent has failed to make all child 14265  
support payments, including all arrearages, that are required of 14266  
that parent pursuant to a child support order under which that 14267  
parent is an obligor; 14268

(h) Whether either parent or any member of the household of 14269  
either parent previously has been convicted of or pleaded guilty 14270  
to any criminal offense involving any act that resulted in a child 14271  
being an abused child or a neglected child; whether either parent, 14272  
in a case in which a child has been adjudicated an abused child or 14273  
a neglected child, previously has been determined to be the 14274  
perpetrator of the abusive or neglectful act that is the basis of 14275  
an adjudication; whether either parent or any member of the 14276  
household of either parent previously has been convicted of or 14277  
pleaded guilty to a violation of section 2919.25 of the Revised 14278  
Code or a sexually oriented offense involving a victim who at the 14279  
time of the commission of the offense was a member of the family 14280  
or household that is the subject of the current proceeding; 14281

whether either parent or any member of the household of either 14282  
parent previously has been convicted of or pleaded guilty to any 14283  
offense involving a victim who at the time of the commission of 14284  
the offense was a member of the family or household that is the 14285  
subject of the current proceeding and caused physical harm to the 14286  
victim in the commission of the offense; and whether there is 14287  
reason to believe that either parent has acted in a manner 14288  
resulting in a child being an abused child or a neglected child; 14289

(i) Whether the residential parent or one of the parents 14290  
subject to a shared parenting decree has continuously and 14291  
willfully denied the other parent's right to parenting time in 14292  
accordance with an order of the court; 14293

(j) Whether either parent has established a residence, or is 14294  
planning to establish a residence, outside this state. 14295

(2) In determining whether shared parenting is in the best 14296  
interest of the children, the court shall consider all relevant 14297  
factors, including, but not limited to, the factors enumerated in 14298  
division (F)(1) of this section, the factors enumerated in section 14299  
3119.23 of the Revised Code, and all of the following factors: 14300

(a) The ability of the parents to cooperate and make 14301  
decisions jointly, with respect to the children; 14302

(b) The ability of each parent to encourage the sharing of 14303  
love, affection, and contact between the child and the other 14304  
parent; 14305

(c) Any history of, or potential for, child abuse, spouse 14306  
abuse, other domestic violence, or parental kidnapping by either 14307  
parent; 14308

(d) The geographic proximity of the parents to each other, as 14309  
the proximity relates to the practical considerations of shared 14310  
parenting; 14311

(e) The recommendation of the guardian ad litem of the child, 14312  
if the child has a guardian ad litem. 14313

(3) When allocating parental rights and responsibilities for 14314  
the care of children, the court shall not give preference to a 14315  
parent because of that parent's financial status or condition. 14316

(G) Either parent or both parents of any children may file a 14317  
pleading or motion with the court requesting the court to grant 14318  
both parents shared parental rights and responsibilities for the 14319  
care of the children in a proceeding held pursuant to division (A) 14320  
of this section. If a pleading or motion requesting shared 14321  
parenting is filed, the parent or parents filing the pleading or 14322  
motion also shall file with the court a plan for the exercise of 14323  
shared parenting by both parents. If each parent files a pleading 14324  
or motion requesting shared parenting but only one parent files a 14325  
plan or if only one parent files a pleading or motion requesting 14326  
shared parenting and also files a plan, the other parent as 14327  
ordered by the court shall file with the court a plan for the 14328  
exercise of shared parenting by both parents. The plan for shared 14329  
parenting shall be filed with the petition for dissolution of 14330  
marriage, if the question of parental rights and responsibilities 14331  
for the care of the children arises out of an action for 14332  
dissolution of marriage, or, in other cases, at a time at least 14333  
thirty days prior to the hearing on the issue of the parental 14334  
rights and responsibilities for the care of the children. A plan 14335  
for shared parenting shall include provisions covering all factors 14336  
that are relevant to the care of the children, including, but not 14337  
limited to, provisions covering factors such as physical living 14338  
arrangements, child support obligations, provision for the 14339  
children's medical and dental care, school placement, and the 14340  
parent with which the children will be physically located during 14341  
legal holidays, school holidays, and other days of special 14342  
importance. 14343

(H) If an appeal is taken from a decision of a court that grants or modifies a decree allocating parental rights and responsibilities for the care of children, the court of appeals shall give the case calendar priority and handle it expeditiously.

(I) Upon receipt of an order to active military service in the uniformed services, a parent who is subject to an order allocating parental rights and responsibilities or in relation to whom an action to allocate parental rights and responsibilities is pending and who is ordered to active military service shall notify the other parent who is subject to the order or in relation to whom the case is pending of the order to active military service within three days of receiving the military service order. Either parent may apply to the court for a hearing to expedite an allocation or modification proceeding. The application shall include the date on which the active military service begins.

The court shall schedule a hearing upon receipt of the application and hold the hearing not later than thirty days after receipt of the application, except that the court shall give the case calendar priority and handle the case expeditiously if exigent circumstances exist in the case.

The court shall not modify a prior decree allocating parental rights and responsibilities unless the court determines that there has been a change in circumstances of the child, the child's residential parent, or either of the parents subject to a shared parenting decree, and that modification is necessary to serve the best interest of the child. The court may consider active military service in the uniformed services in determining whether a change in circumstances exists under this section and shall make specific written findings of fact to support any modification under this division.

Upon application by either parent, the court may modify a prior decree allocating parental rights and responsibilities after

the parent's active military service has been terminated, hearing testimony and making specific written findings of fact to support the modification. 14376  
14377  
14378

Nothing in this division shall prevent a court from issuing a temporary order allocating or modifying parental rights and responsibilities for the duration of the parent's active military service. 14379

**Sec. 3119.05.** When a court computes the amount of child 15181  
support required to be paid under a court child support order or a 15182  
child support enforcement agency computes the amount of child 15183  
support to be paid pursuant to an administrative child support 15184  
order, all of the following apply: 15185

(A) The parents' current and past income and personal 15186  
earnings shall be verified by electronic means or with suitable 15187  
documents, including, but not limited to, paystubs, employer 15188

statements, receipts and expense vouchers related to 15189  
self-generated income, tax returns, and all supporting 15190  
documentation and schedules for the tax returns. 15191

(B) The amount of any pre-existing child support obligation 15192  
of a parent under a child support order and the amount of any 15193  
court-ordered spousal support actually paid shall be deducted from 15194  
the gross income of that parent to the extent that payment under 15195  
the child support order or that payment of the court-ordered 15196  
spousal support is verified by supporting documentation. 15197

(C) If other minor children who were born to the parent and a 15198  
person other than the other parent who is involved in the 15199  
immediate child support determination live with the parent, the 15200  
court or agency shall deduct an amount from that parent's gross 15201  
income that equals the number of such minor children times the 15202  
federal income tax exemption for such children less child support 15203  
received for them for the year, not exceeding the federal income 15204  
tax exemption. 15205

(D) When the court or agency calculates the gross income of a 15206  
parent, it shall include the lesser of the following as income 15207  
from overtime and bonuses: 15208

(1) The yearly average of all overtime, commissions, and 15209  
bonuses received during the three years immediately prior to the 15210  
time when the person's child support obligation is being computed; 15211

(2) The total overtime, commissions, and bonuses received 15212  
during the year immediately prior to the time when the person's 15213  
child support obligation is being computed. 15214

(E) When the court or agency calculates the gross income of a 15215  
parent, it shall not include any income earned by the spouse of 15216  
that parent. 15217

~~(F) The court shall not order an amount of child support for 15218  
reasonable and ordinary uninsured medical or dental expenses in 15219~~

~~addition to the amount of the child support obligation determined~~ 15220  
~~in accordance with the schedule.~~ The court shall issue a separate 15221  
order for extraordinary medical or dental expenses, including, but 15222  
not limited to, orthodontia, psychological, appropriate private 15223  
education, and other expenses, and may consider the expenses in 15224  
adjusting a child support order. 15225

(G) When a court or agency calculates the amount of child 15226  
support to be paid pursuant to a court child support order or an 15227  
administrative child support order, if the combined gross income 15228  
of both parents is an amount that is between two amounts set forth 15229  
in the first column of the schedule, the court or agency may use 15230  
the basic child support obligation that corresponds to the higher 15231  
of the two amounts in the first column of the schedule, use the 15232  
basic child support obligation that corresponds to the lower of 15233  
the two amounts in the first column of the schedule, or calculate 15234  
a basic child support obligation that is between those two amounts 15235  
and corresponds proportionally to the parents' actual combined 15236  
gross income. 15237

(H) When the court or agency calculates gross income, the 15238  
court or agency, when appropriate, may average income over a 15239  
reasonable period of years. 15240

(I) A court or agency shall not determine a parent receiving 15241  
means-tested public assistance benefits to be voluntarily 15242  
unemployed or underemployed and shall not impute income to that 15243  
parent, unless not making such determination and not imputing 15244  
income would be unjust, inappropriate, and not in the best 15245  
interest of the child. 15246

(J) When a court or agency requires a parent to pay an amount 15247  
for that parent's failure to support a child for a period of time 15248  
prior to the date the court modifies or issues a court child 15249  
support order or an agency modifies or issues an administrative 15250  
child support order for the current support of the child, the 15251

court or agency shall calculate that amount using the basic child support schedule, worksheets, and child support laws in effect, and the incomes of the parents as they existed, for that prior period of time.

**Sec. 3119.27.** (A) A court that issues or modifies a court support order, or an administrative agency that issues or modifies an administrative child support order, shall impose on the obligor under the support order a processing charge that is the greater of two per cent of the support payment to be collected under a support order or one dollar per month. No court or agency may call the charge a poundage fee.

(B) In each child support case that is a Title IV-D case, the department of job and family services shall annually claim twenty-five dollars from the processing charge described in division (A) of this section for federal reporting purposes if the obligee has never received assistance under Title IV-A and the department has collected at least five hundred dollars of child support for the obligee. The director of job and family services shall adopt rules under Chapter 119. of the Revised Code to implement this division, and the department shall implement this division not later than March 31, 2008.

(C) As used in this section:

(1) "Annual" means the period as defined in regulations issued by the United States secretary of health and human services to implement the Deficit Reduction Act of 2005 (P.L. 109-171).

(2) "Title IV-A" has the same meaning as in section 5107.02 of the Revised Code.

(3) "Title IV-D case" has the same meaning as in section 3125.01 of the Revised Code.

(C)(1)(a) Any student receiving special education services 15799  
under Chapter 3323. of the Revised Code may be excused from taking 15800  
any particular test required to be administered under this section 15801  
if the individualized education program developed for the student 15802  
pursuant to section 3323.08 of the Revised Code excuses the 15803  
student from taking that test and instead specifies an alternate 15804  
assessment method approved by the department of education as 15805  
conforming to requirements of federal law for receipt of federal 15806  
funds for disadvantaged pupils. To the extent possible, the 15807  
individualized education program shall not excuse the student from 15808  
taking a test unless no reasonable accommodation can be made to 15809  
enable the student to take the test. 15810

(b) Any alternate assessment approved by the department for a 15811

student under this division shall produce measurable results 15812  
comparable to those produced by the tests which the alternate 15813  
assessments are replacing in order to allow for the student's 15814  
assessment results to be included in the data compiled for a 15815  
school district or building under section 3302.03 of the Revised 15816  
Code. 15817

(c) Any student enrolled in a chartered nonpublic school who 15818

accordance with section 3323.03 of the Revised Code or section 504 15820  
of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 15821  
794, as amended, as a child with a disability shall be excused 15822  
from taking any particular test required to be administered under 15823  
this section if a plan developed for the student pursuant to rules 15824  
adopted by the state board excuses the student from taking that 15825  
test. In the case of any student so excused from taking a test, 15826  
the chartered nonpublic school shall not prohibit the student from 15827  
taking the test. 15828

(2) A district board may, for medical reasons or other good 15829  
cause, excuse a student from taking a test administered under this 15830  
section on the date scheduled, but any such test shall be 15831  
administered to such excused student not later than nine days 15832  
following the scheduled date. The board shall annually report the 15833  
number of students who have not taken one or more of the tests 15834  
required by this section to the state board of education not later 15835  
than the thirtieth day of June. 15836

(3) As used in this division, "limited English proficient 15837

No school district board shall excuse any limited English 15839  
proficient student from taking any particular test required to be 15840  
administered under this section, except that any limited English 15841  
proficient student who has been enrolled in United States schools 15842  
for less than one full school year shall not be required to take 15843

any such reading or writing test. However, no board shall prohibit 15844  
a limited English proficient student who is not required to take a 15845  
test under this division from taking the test. A board may permit 15846  
any limited English proficient student to take any test required 15847  
to be administered under this section with appropriate 15848  
accommodations, as determined by the department. For each limited 15849  
English proficient student, each school district shall annually 15850  
assess that student's progress in learning English, in accordance 15851  
with procedures approved by the department. 15852

The governing authority of a chartered nonpublic school may 15853  
excuse a limited English proficient student from taking any test 15854  
administered under this section. However, no governing authority 15855  
shall prohibit a limited English proficient student from taking 15856  
the test. 15857

(D)(1) In the school year next succeeding the school year in 15858  
which the tests prescribed by division (A)(1) or (B) of section 15859  
3301.0710 of the Revised Code or former division (A)(1), (A)(2), 15860  
or (B) of section 3301.0710 of the Revised Code as it existed 15861

board of education of any school district in which the student is 15863  
enrolled in that year shall provide to the student intervention 15864  
services commensurate with the student's test performance, 15865  
including any intensive intervention required under section 15866  
3313.608 of the Revised Code, in any skill in which the student 15867  
failed to demonstrate at least a score at the proficient level on 15868  
the test. 15869

(2) Following any administration of the tests prescribed by 15870  
division (F) of section 3301.0710 of the Revised Code to ninth 15871  
grade students, each school district that has a three-year average 15872  
graduation rate of not more than seventy-five per cent shall 15873  
determine for each high school in the district whether the school 15874  
shall be required to provide intervention services to any students 15875

who took the tests. In determining which high schools shall 15876  
provide intervention services based on the resources available, 15877  
the district shall consider each school's graduation rate and 15878  
scores on the practice tests. The district also shall consider the 15879  
scores received by ninth grade students on the reading and 15880  
mathematics tests prescribed under division (A)(1)(f) of section 15881  
3301.0710 of the Revised Code in the eighth grade in determining 15882  
which high schools shall provide intervention services. 15883

Each high school selected to provide intervention services 15884  
under this division shall provide intervention services to any 15885  
student whose test results indicate that the student is failing to 15886  
make satisfactory progress toward being able to attain scores at 15887  
the proficient level on the Ohio graduation tests. Intervention 15888  
services shall be provided in any skill in which a student 15889  
demonstrates unsatisfactory progress and shall be commensurate 15890  
with the student's test performance. Schools shall provide the 15891  
intervention services prior to the end of the school year, during 15892  
the summer following the ninth grade, in the next succeeding 15893  
school year, or at any combination of those times. 15894

(E) Except as provided in section 3313.608 of the Revised 15895  
Code and division (M) of this section, no school district board of 15896  
education shall utilize any student's failure to attain a 15897  
specified score on any test administered under this section as a 15898  
factor in any decision to deny the student promotion to a higher 15899  
grade level. However, a district board may choose not to promote 15900  
to the next grade level any student who does not take any test 15901  
administered under this section or make up such test as provided 15902  
by division (C)(2) of this section and who is not exempt from the 15903  
requirement to take the test under division (C)(3) of this 15904  
section. 15905

(F) No person shall be charged a fee for taking any test 15906  
administered under this section. 15907

(G)(1) Each school district board shall ~~submit~~ designate one 15908  
location for the collection of tests administered in the spring 15909  
under division (B)(1) of this section and the tests administered 15910  
under divisions (B)(2) to (7) of this section. Each district board 15911  
shall submit the tests to the entity with which the department 15912  
contracts for the scoring of the tests as follows: 15913

(a) If the district's total enrollment in grades kindergarten 15914  
through twelve during the first full school week of October was 15915  
less than two thousand five hundred, not later than the Friday 15916  
after the tests are administered, ~~except that;~~ 15917

(b) If the district's total enrollment in grades kindergarten 15918  
through twelve during the first full school week of October was 15919  
two thousand five hundred or more, but less than seven thousand, 15920  
not later than the Monday after the tests are administered; 15921

(c) If the district's total enrollment in grades kindergarten 15922  
through twelve during the first full school week of October was 15923  
seven thousand or more, not later than the Tuesday after the tests 15924  
are administered. 15925

However, any such test that a student takes during the 15926  
make-up period described in division (C)(2) of this section shall 15927  
be submitted not later than the Friday following the day the 15928  
student takes the test. 15929

(2) The department or an entity with which the department 15930  
contracts for the scoring of the test shall send to each school 15931  
district board a list of the individual test scores of all persons 15932  
taking any test prescribed by division (A)(1) or (B) of section 15933  
3301.0710 of the Revised Code within sixty days after its 15934  
administration, but in no case shall the scores be returned later 15935  
than the fifteenth day of June following the administration. For 15936  
any tests administered under this section by a joint vocational 15937  
school district, the department or entity shall also send to each 15938

city, local, or exempted village school district a list of the 15939  
individual test scores of any students of such city, local, or 15940  
exempted village school district who are attending school in the 15941  
joint vocational school district. 15942

(H) Individual test scores on any tests administered under 15943  
this section shall be released by a district board only in 15944  
accordance with section 3319.321 of the Revised Code and the rules 15945  
adopted under division (A) of this section. No district board or 15946  
its employees shall utilize individual or aggregate test results 15947  
in any manner that conflicts with rules for the ethical use of 15948  
tests adopted pursuant to division (A) of this section. 15949

department or an entity with which the department contracts for 15951  
the scoring of the test shall not release any individual test 15952  
scores on any test administered under this section. The state 15953  
board of education shall adopt rules to ensure the protection of 15954  
student confidentiality at all times. The rules may require the 15955  
use of the data verification codes assigned to students pursuant 15956  
to division (D)(2) of section 3301.0714 of the Revised Code to 15957  
protect the confidentiality of student test scores. 15958

(J) Notwithstanding division (D) of section 3311.52 of the 15959  
Revised Code, this section does not apply to the board of 15960  
education of any cooperative education school district except as 15961  
provided under rules adopted pursuant to this division. 15962

(1) In accordance with rules that the state board of 15963  
education shall adopt, the board of education of any city, 15964  
exempted village, or local school district with territory in a 15965  
cooperative education school district established pursuant to 15966  
divisions (A) to (C) of section 3311.52 of the Revised Code may 15967  
enter into an agreement with the board of education of the 15968  
cooperative education school district for administering any test 15969

(a) Students who are attending school in the cooperative district and who, if the cooperative district were not established, would be entitled to attend school in the city, local, or exempted village school district pursuant to section 3313.64 or 3313.65 of the Revised Code;

(b) Persons described in division (B)(8)(b) of this section.

Any testing of students pursuant to such an agreement shall be in lieu of any testing of such students or persons pursuant to this section.

(K)(1) Any chartered nonpublic school may participate in the testing program by administering any of the tests prescribed by section 3301.0710 or 3301.0712 of the Revised Code if the chief administrator of the school specifies which tests the school wishes to administer. Such specification shall be made in writing to the superintendent of public instruction prior to the first day of August of any school year in which tests are administered and shall include a pledge that the nonpublic school will administer the specified tests in the same manner as public schools are required to do under this section and rules adopted by the department.

(2) The department of education shall furnish the tests

prescribed by section 3301.0710 or 3301.0712 of the Revised Code 16002  
to any chartered nonpublic school electing to participate under 16003  
this division. 16004

(L)(1) The superintendent of the state school for the blind 16005  
and the superintendent of the state school for the deaf shall 16006  
administer the tests described by section 3301.0710 of the Revised 16007  
Code. Each superintendent shall administer the tests in the same 16008  
manner as district boards are required to do under this section 16009  
and rules adopted by the department of education and in conformity 16010  
with division (C)(1)(a) of this section. 16011

(2) The department of education shall furnish the tests 16012  
described by section 3301.0710 of the Revised Code to each 16013  
superintendent. 16014

(M) Notwithstanding division (E) of this section, a school 16015  
district may use a student's failure to attain a score in at least 16016  
the basic range on the mathematics test described by division 16017  
(A)(1)(a) of section 3301.0710 of the Revised Code or on any of 16018  
the tests described by division (A)(1)(b), (c), (d), (e), or (f) 16019  
of section 3301.0710 of the Revised Code as a factor in retaining 16020  
that student in the current grade level. 16021

(N)(1) In the manner specified in divisions (N)(3) to (5) of 16022  
this section, the tests required by section 3301.0710 of the 16023  
Revised Code shall become public records pursuant to section 16024  
149.43 of the Revised Code on the first day of July following the 16025  
school year that the test was administered. 16026

(2) The department may field test proposed test questions 16027  
with samples of students to determine the validity, reliability, 16028  
or appropriateness of test questions for possible inclusion in a 16029  
future year's test. The department also may use anchor questions 16030  
on tests to ensure that different versions of the same test are of 16031  
comparable difficulty. 16032

Field test questions and anchor questions shall not be considered in computing test scores for individual students. Field test questions and anchor questions may be included as part of the administration of any test required by section 3301.0710 of the Revised Code.

(3) Any field test question or anchor question administered under division (N)(2) of this section shall not be a public record. Such field test questions and anchor questions shall be redacted from any tests which are released as a public record pursuant to division (N)(1) of this section.

(4) This division applies to the tests prescribed by division (A) of section 3301.0710 of the Revised Code.

(a) The first administration of each test, as specified in section 3301.0712 of the Revised Code, shall be a public record.

(b) For subsequent administrations of each test, not less than forty per cent of the questions on the test that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future test and those questions shall not be public records and shall be redacted from the test prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted by the state board of education under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (N)(3) of this section.

(5) Each test prescribed by division (B) of section 3301.0710 of the Revised Code that is administered in the spring shall be a public record. Each test prescribed by that division that is administered in the fall or summer shall not be a public record.

this section and the rules adopted under this section. The 16086  
guidelines shall include: 16087

Revised Code. 16992

(D)(1) In calculating reading, writing, mathematics, social 16993

**Sec. 3302.10.** (A) Beginning July 1, 2007, the superintendent 17018  
of public instruction shall establish an academic distress 17019

commission for each school district that has been declared to be 17020  
in a state of academic emergency pursuant to section 3302.03 of 17021  
the Revised Code and has failed to make adequate yearly progress 17022  
for four or more consecutive school years. Each commission shall 17023  
assist the district for which it was established in improving the 17024  
district's academic performance. 17025

Each commission is a body both corporate and politic, 17026  
constituting an agency and instrumentality of the state and 17027  
performing essential governmental functions of the state. A 17028  
commission shall be known as the "academic distress commission for 17029  
..... (name of school district)," and, in that name, may 17030  
exercise all authority vested in such a commission by this 17031  
section. A separate commission shall be established for each 17032  
school district to which this division applies. 17033

(B) Each academic distress commission shall consist of five 17034  
voting members, three of whom shall be appointed by the 17035

section, the superintendent of public instruction shall provide 17040  
written notification of that fact to the district board of 17041  
education and shall request the president of the district board to 17042  
submit to the superintendent of public instruction, in writing, 17043  
the names of the president's appointees to the commission. The 17044  
superintendent of public instruction and the president of the 17045  
district board shall make appointments to the commission within 17046  
thirty days after the district is notified that it is subject to 17047  
this section. 17048

Members of the commission shall serve at the pleasure of 17049  
their appointing authority during the life of the commission. In 17050  
the event of the death, resignation, incapacity, removal, or 17051

ineligibility to serve of a member, the appointing authority shall 17052  
appoint a successor within fifteen days after the vacancy occurs. 17053  
Members shall serve without compensation, but shall be paid by the 17054  
commission their necessary and actual expenses incurred while 17055

(C) Immediately after appointment of the initial members of 17057  
an academic distress commission, the superintendent of public 17058  
instruction shall call the first meeting of the commission and 17059  
shall cause written notice of the time, date, and place of that 17060  
meeting to be given to each member of the commission at least 17061  
forty-eight hours in advance of the meeting. The first meeting 17062  
shall include an overview of the commission's roles and 17063  
responsibilities, the requirements of section 2921.42 and Chapter 17064  
102. of the Revised Code as they pertain to commission members, 17065  
the requirements of section 121.22 of the Revised Code, and the 17066  
provisions of division (F) of this section. At its first meeting, 17067  
the commission shall adopt temporary bylaws in accordance with 17068  
division (D) of this section to govern its operations until the 17069  
adoption of permanent bylaws. 17070

The superintendent of public instruction shall designate a 17071  
chairperson for the commission from among the members appointed by 17072  
the superintendent. The chairperson shall call and conduct 17073  
meetings, set meeting agendas, and serve as a liaison between the 17074  
commission and the district board of education. The chairperson 17075  
also shall appoint a secretary, who shall not be a member of the 17076  
commission. 17077

The department of education shall provide administrative 17078  
support for the commission, provide data requested by the 17079  
commission, and inform the commission of available state resources 17080  
that could assist the commission in its work. 17081

(D) Each academic distress commission may adopt and alter 17082  
bylaws and rules, which shall not be subject to section 111.15 or 17083

Chapter 119. of the Revised Code, for the conduct of its affairs 17084  
and for the manner, subject to this section, in which its powers 17085  
and functions shall be exercised and embodied. 17086

(E) Three members of an academic distress commission 17087  
constitute a quorum of the commission. The affirmative vote of 17088  
three members of the commission is necessary for any action taken 17089  
by vote of the commission. No vacancy in the membership of the 17090  
commission shall impair the rights of a quorum by such vote to 17091  
exercise all the rights and perform all the duties of the 17092  
commission. Members of the commission are not disqualified from 17093  
voting by reason of the functions of any other office they hold 17094  
and are not disqualified from exercising the functions of the 17095  
other office with respect to the school district, its officers, or 17096  
the commission. 17097

(F) The members of an academic distress commission, the 17098  
superintendent of public instruction, and any person authorized to 17099  
act on behalf of or assist them shall not be personally liable or 17100  
subject to any suit, judgment, or claim for damages resulting from 17101  
the exercise of or failure to exercise the powers, duties, and 17102  
functions granted to them in regard to their functioning under 17103  
this section, but the commission, superintendent of public 17104  
instruction, and such other persons shall be subject to mandamus 17105  
proceedings to compel performance of their duties under this 17106  
section. 17107

(G) Each member of an academic distress commission shall file 17108  
the statement described in section 102.02 of the Revised Code with 17109

subject to review, as described in division (B) of that section. 17111

(H) Meetings of each academic distress commission shall be 17112  
subject to section 121.22 of the Revised Code. 17113

(I)(1) Within one hundred twenty days after the first meeting 17114

of an academic distress commission, the commission shall adopt an 17115  
academic recovery plan to improve academic performance in the 17116  
school district. The plan shall address academic problems at both 17117  
the district and school levels. The plan shall include the 17118  
following: 17119

(a) Short-term and long-term actions to be taken to improve 17120

division (I)(1)(a) of this section and the persons responsible for 17124

efforts; 17129

district board of education on the status of improvement efforts. 17131

(2) The commission may amend the academic recovery plan 17132  
subsequent to adoption. The commission shall update the plan at 17133  
least annually. 17134

(3) The commission shall submit the academic recovery plan it 17135  
adopts or updates to the superintendent of public instruction for 17136  
approval immediately following its adoption or updating. The 17137  
superintendent shall evaluate the plan and either approve or 17138  
disapprove it within thirty days after its submission. If the plan 17139  
is disapproved, the superintendent shall recommend modifications 17140  
that will render it acceptable. No academic distress commission 17141  
shall implement an academic recovery plan unless the 17142  
superintendent has approved it. 17143

(4) County, state, and school district officers and employees 17144

shall assist the commission diligently and promptly in the 17145  
implementation of the academic recovery plan. 17146

(J) Each academic distress commission shall seek input from 17147  
the district board of education regarding ways to improve the 17148  
district's academic performance, but any decision of the 17149  
commission related to any authority granted to the commission 17150  
under this section shall be final. 17151

The commission may do any of the following: 17152

(3) Contract with a private entity to perform school or 17159

(4) Establish a budget for the district and approve district 17161

supervision commission has been established for the district 17163  
pursuant to section 3316.05 of the Revised Code. 17164

~~(D)~~(K) If the board of education of a district for which an 17165  
academic distress commission has been established under this 17166  
section renews any collective bargaining agreement under Chapter 17167  
4117. of the Revised Code during the existence of the commission, 17168  
the district board shall not enter into any agreement that would 17169  
render any decision of the commission unenforceable. Section 17170  
3302.08 of the Revised Code does not apply to this division. 17171

Notwithstanding any provision to the contrary in Chapter 17172  
4117. of the Revised Code, if the board of education has entered 17173  
into a collective bargaining agreement after ~~the effective date of~~ 17174

~~this section~~ September 29, 2005, that contains stipulations 17175  
relinquishing one or more of the rights or responsibilities listed 17176  
in division (C) of section 4117.08 of the Revised Code, those 17177  
stipulations are not enforceable and the district board shall 17178  
resume holding those rights or responsibilities as if it had not 17179  
relinquished them in that agreement until such time as both the 17180  
academic distress commission ceases to exist and the district 17181  
board agrees to relinquish those rights or responsibilities in a 17182  
new collective bargaining agreement. The provisions of this 17183  
paragraph apply to a collective bargaining agreement entered into 17184  
after ~~the effective date of this section~~ September 29, 2005, and 17185  
those provisions are deemed to be part of that agreement 17186  
regardless of whether the district satisfied the conditions 17187  
prescribed in division (A) of this section at the time the 17188  
district entered into that agreement. 17189

~~(E)~~(L) An academic distress commission shall cease to exist 17190  
when the district for which it was established receives a 17191  
performance rating under section 3302.03 of the Revised Code of in 17192  
need of continuous improvement or better for two ~~out~~ of the three 17193  
prior school years; however, the superintendent of public 17194

without the supervision of the commission. Upon termination of the 17197  
commission, the department of education shall compile a final 17198

bilateral agreement, or a parent whose child attends a community 17821  
school, from applying for and accepting a scholarship under this 17822  
section so that the parent may withdraw the child from that 17823  
program or community school and use the scholarship for the child 17824  
to attend a special education program for which the parent is 17825  
required to pay for services for the child. A child attending a 17826

Code. 17856

(3) From time to time, the department shall make a payment to 17857  
the parent of each qualified special education child for whom a 17858  
scholarship has been awarded under this section. The scholarship 17859  
amount shall be proportionately reduced in the case of any such 17860  
child who is not enrolled in the special education program for 17861  
which a scholarship was awarded under this section for the entire 17862  
school year. The department shall make no payments to the parent 17863  
of a child while any administrative or judicial mediation or 17864  
proceedings with respect to the content of the child's 17865  
individualized education program are pending. 17866

(D) A scholarship shall not be paid to a parent for payment 17867  
of tuition owed to a nonpublic entity unless that entity is a 17868

instruction. 18498

(B) Beginning September 15, 2001, except as required in 18499  
division (C) of this section and division (C) of section 3313.614 18500  
of the Revised Code, the requirements for graduation from every 18501

Each school shall integrate the study of economics and 18550  
financial literacy, as expressed in the social studies academic 18551  
content standards adopted by the state board of education under 18552  
section 3301.079 of the Revised Code, into one or more existing 18553  
social studies credits required under division (C)(6) of this 18554  
section, or into the content of another class, so that every high 18555  
school student receives instruction in those concepts. In 18556  
developing the curriculum required by this paragraph, schools 18557  
shall use available public-private partnerships and resources and 18558  
materials that exist in business, industry, and through the 18559  
centers for economics education at institutions of higher 18560  
education in the state. 18561

(7) Five units consisting of one or any combination of 18562  
foreign language, fine arts, business, career-technical education, 18563  
family and consumer sciences, technology, agricultural education, 18564  
or English language arts, mathematics, science, or social studies 18565

Ohioans must be prepared to apply increased knowledge and 18567  
skills in the workplace and to adapt their knowledge and skills 18568  
quickly to meet the rapidly changing conditions of the 18569  
twenty-first century. National studies indicate that all high 18570  
school graduates need the same academic foundation, regardless of 18571  
the opportunities they pursue after graduation. The goal of Ohio's 18572  
system of elementary and secondary education is to prepare all 18573  
students for and seamlessly connect all students to success in 18574  
life beyond high school graduation, regardless of whether the next 18575

step is entering the workforce, beginning an apprenticeship, 18576  
engaging in post-secondary training, serving in the military, or 18577  
pursuing a college degree. 18578

The Ohio core curriculum is the standard expectation for all 18579  
students entering ninth grade for the first time at a public or 18580  
chartered nonpublic high school on or after July 1, 2010. A 18581  
student may satisfy this expectation through a variety of methods, 18582  
including, but not limited to, integrated, applied, 18583  
career-technical, and traditional coursework. 18584

Whereas teacher quality is essential for student success in 18585  
completing the Ohio core curriculum, the general assembly shall 18586  
appropriate funds for strategic initiatives designed to strengthen 18587  
schools' capacities to hire and retain highly qualified teachers 18588  
in the subject areas required by the curriculum. Such initiatives 18589  
are expected to require an investment of \$120,000,000 over five 18590  
years. 18591

Stronger coordination between high schools and institutions 18592  
of higher education is necessary to prepare students for more 18593  
challenging academic endeavors and to lessen the need for academic 18594  
remediation in college, thereby reducing the costs of higher 18595  
education for Ohio's students, families, and the state. The state 18596  
board of education, the Ohio board of regents, and the partnership 18597  
for continued learning shall develop policies to ensure that only 18598  
in rare instances will students who complete the Ohio core 18599  
curriculum require academic remediation after high school. 18600

School districts, community schools, and chartered nonpublic 18601  
schools shall integrate technology into learning experiences 18602  
whenever practicable across the curriculum in order to maximize 18603  
efficiency, enhance learning, and prepare students for success in 18604  
the technology-driven twenty-first century. Districts and schools 18605  
may use distance and web-based course delivery as a method of 18606  
providing or augmenting all instruction required under this 18607

division, including laboratory experience in science. Districts 18608  
and schools shall whenever practicable utilize technology access 18609  
and electronic learning opportunities provided by the eTech Ohio 18610  
commission, the Ohio learning network, education technology 18611  
centers, public television stations, and other public and private 18612  
providers. 18613

(D) Except as provided in division (E) of this section, a 18614  
student who enters ninth grade on or after July 1, 2010, and 18615  
before July 1, 2014, may qualify for graduation from a public or 18616  
chartered nonpublic high school even though the student has not 18617  
completed the Ohio core curriculum prescribed in division (C) of 18618  
this section if all of the following conditions are satisfied: 18619

(1) After the student has attended high school for two years, 18620  
as determined by the school, the student and the student's parent, 18621  
guardian, or custodian sign and file with the school a written 18622  
statement asserting the parent's, guardian's, or custodian's 18623  
consent to the student's graduating without completing the Ohio 18624  
core curriculum and acknowledging that one consequence of not 18625  
completing the Ohio core curriculum is ineligibility to enroll in 18626  
most state universities in Ohio without further coursework. 18627

(2) The student and parent, guardian, or custodian fulfill 18628  
any procedural requirements the school stipulates to ensure the 18629  
student's and parent's, guardian's, or custodian's informed 18630  
consent and to facilitate orderly filing of statements under 18631  
division (D)(1) of this section. 18632

(3) The student and the student's parent, guardian, or 18633  
custodian and a representative of the student's high school 18634  
jointly develop an individual career plan for the student that 18635  
specifies the student matriculating to a two-year degree program, 18636  
acquiring a business and industry credential, or entering an 18637  
apprenticeship. 18638

(4) The student's high school provides counseling and support 18639  
for the student related to the plan developed under division 18640  
(D)(3) of this section during the remainder of the student's high 18641  
school experience. 18642

(5) The student successfully completes, at a minimum, the 18643  
curriculum prescribed in division (B) of this section. 18644

The partnership for continued learning, in collaboration with 18645  
the department of education and the Ohio board of regents, shall 18646  
analyze student performance data to determine if there are 18647  
mitigating factors that warrant extending the exception permitted 18648  
by division (D) of this section to high school classes beyond 18649  
those entering ninth grade before July 1, 2014. The partnership 18650  
shall submit its findings and any recommendations not later than 18651  
August 1, 2014, to the speaker and minority leader of the house of 18652  
representatives, the president and minority leader of the senate, 18653  
the chairpersons and ranking minority members of the standing 18654  
committees of the house of representatives and the senate that 18655  
consider education legislation, the state board of education, and 18656  
the superintendent of public instruction. 18657

(E) Each school district and chartered nonpublic school 18658  
retains the authority to require an even more rigorous minimum 18659  
curriculum for high school graduation than specified in division 18660  
(B) or (C) of this section. A school district board of education, 18661  
through the adoption of a resolution, or the governing authority 18662  
of a chartered nonpublic school may stipulate any of the 18663  
following: 18664

(1) A minimum high school curriculum that requires more than 18665  
twenty units of academic credit to graduate; 18666

(2) An exception to the district's or school's minimum high 18667  
school curriculum that is comparable to the exception provided in 18668  
division (D) of this section but with additional requirements, 18669

which may include a requirement that the student successfully 18670  
complete more than the minimum curriculum prescribed in division 18671  
(B) of this section; 18672

(3) That no exception comparable to that provided in division 18673  
(D) of this section is available. 18674

(F) A student enrolled in a dropout prevention and recovery 18675  
program, which program has received a waiver from the department 18676  
of education, may qualify for graduation from high school by 18677  
successfully completing a competency-based instructional program 18678  
administered by the dropout prevention and recovery program in 18679  
lieu of completing the Ohio core curriculum prescribed in division 18680  
(C) of this section. The department shall grant a waiver to a 18681  
dropout prevention and recovery program, within sixty days after 18682  
the program applies for the waiver, if the program meets all of 18683  
the following conditions: 18684

(1) The program serves only students not younger than sixteen 18685  
years of age and not older than twenty-one years of age. 18686

(2) The program enrolls students who, at the time of their 18687  
initial enrollment, either, or both, are at least one grade level 18688  
behind their cohort age groups or experience crises that 18689  
significantly interfere with their academic progress such that 18690  
they are prevented from continuing their traditional programs. 18691

(3) The program requires students to attain at least the 18692  
applicable score designated for each of the tests prescribed under 18693  
division (B) of section 3301.0710 of the Revised Code. 18694

(4) The program develops an individual career plan for the 18695  
student that specifies the student's matriculating to a two-year 18696  
degree program, acquiring a business and industry credential, or 18697  
entering an apprenticeship. 18698

(5) The program provides counseling and support for the 18699  
student related to the plan developed under division (F)(4) of 18700

this section during the remainder of the student's high school 18701  
experience. 18702

(6) The program requires the student and the student's 18703  
parent, guardian, or custodian to sign and file, in accordance 18704  
with procedural requirements stipulated by the program, a written 18705  
statement asserting the parent's, guardian's, or custodian's 18706  
consent to the student's graduating without completing the Ohio 18707  
core curriculum and acknowledging that one consequence of not 18708  
completing the Ohio core curriculum is ineligibility to enroll in 18709  
most state universities in Ohio without further coursework. 18710

(7) Prior to receiving the waiver, the program has submitted 18711  
to the department an instructional plan that demonstrates how the 18712  
academic content standards adopted by the state board of education 18713  
under section 3301.079 of the Revised Code will be taught and 18714  
assessed. 18715

If the department does not act either to grant the waiver or 18716  
to reject the program application for the waiver within sixty days 18717  
as required under this section, the waiver shall be considered to 18718  
be granted. 18719

(G) Every high school may permit students below the ninth 18720  
grade to take advanced work for high school credit. A high school 18721  
shall count such advanced work toward the graduation requirements 18722  
of division (B) or (C) of this section if the advanced work was 18723  
both: 18724

(1) Taught by a person who possesses a license or certificate 18725  
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 18726  
Code that is valid for teaching high school; 18727

(2) Designated by the board of education of the city, local, 18728  
or exempted village school district, the board of the cooperative 18729  
education school district, or the governing authority of the 18730  
chartered nonpublic school as meeting the high school curriculum 18731

requirements. 18732

Each high school shall record on the student's high school transcript all high school credit awarded under division (G) of this section. In addition, if the student completed a seventh- or eighth-grade fine arts course described in division (K) of this section and the course qualified for high school credit under that division, the high school shall record that course on the student's high school transcript. 18733  
18734  
18735  
18736  
18737  
18738  
18739

(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses. 18740  
18741  
18742  
18743  
18744

(I) Units earned in English language arts, mathematics, science, and social studies that are delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section. 18745  
18746  
18747  
18748

(J) The state board of education, in consultation with the Ohio board of regents and the partnership for continued learning, shall adopt a statewide plan implementing methods for students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction. The state board shall adopt the plan not later than March 31, 2009, and commence phasing in the plan during the 2009-2010 school year. The plan shall include a standard method for recording demonstrated proficiency on high school transcripts. Each school district, community school, and chartered nonpublic school shall comply with the state board's plan adopted under this division and award units of high school credit in accordance with the plan. The state board may adopt existing methods for earning high school credit based on a demonstration of subject area competency as necessary prior to the 18749  
18750  
18751  
18752  
18753  
18754  
18755  
18756  
18757  
18758  
18759  
18760  
18761  
18762  
18763

2009-2010 school year. 18764

(K) This division does not apply to students who qualify for 18765  
graduation from high school under division (D) or (F) of this 18766  
section, or to students pursuing a career-technical instructional 18767  
track as determined by the school district board of education or 18768  
the chartered nonpublic school's governing authority. 18769  
Nevertheless, the general assembly encourages such students to 18770  
consider enrolling in a fine arts course as an elective. 18771

Beginning with students who enter ninth grade for the first 18772  
time on or after July 1, 2010, each student enrolled in a public 18773  
or chartered nonpublic high school shall complete two semesters or 18774  
the equivalent of fine arts to graduate from high school. The 18775  
coursework may be completed in any of grades seven to twelve. Each 18776  
student who completes a fine arts course in grade seven or eight 18777  
may elect to count that course toward the five units of electives 18778  
required for graduation under division (C)(7) of this section, if 18779  
the course satisfied the requirements of division (G) of this 18780  
section. In that case, the high school shall award the student 18781  
high school credit for the course and count the course toward the 18782  
five units required under division (C)(7) of this section. If the 18783  
course in grade seven or eight did not satisfy the requirements of 18784  
division (G) of this section, the high school shall not award the 18785  
student high school credit for the course but shall count the 18786  
course toward the two semesters or the equivalent of fine arts 18787  
required by this division. 18788

(L) Notwithstanding anything to the contrary in this section, 18789  
the board of education of each school district and the governing 18790  
authority of each chartered nonpublic school may adopt a policy to 18791  
excuse from the high school physical education requirement each 18792  
student who, during high school, has participated in 18793  
interscholastic athletics, marching band, or cheerleading for at 18794  
least two full seasons. If the board or authority adopts such a 18795

policy, the board or authority shall not require the student to 18796  
complete any physical education course as a condition to graduate. 18797  
However, the student shall be required to complete one-half unit, 18798  
consisting of at least sixty hours of instruction, in another 18799  
course of study. 18800

**Sec. 3313.615.** This section shall apply to diplomas awarded 18801  
after September 15, 2006, to students who are required to take the 18802  
five Ohio graduation tests prescribed by division (B) of section 18803  
3301.0710 of the Revised Code. 18804

(A) As an alternative to the requirement that a person attain 18805  
the scores designated under division (B) of section 3301.0710 of 18806  
the Revised Code on all the tests required under that division in 18807  
order to be eligible for a high school diploma or an honors 18808  
diploma under sections 3313.61, 3313.612, or 3325.08 of the 18809  
Revised Code or for a diploma of adult education under section 18810  
3313.611 of the Revised Code, a person who has attained at least 18811  
the applicable scores designated under division (B) of section 18812  
3301.0710 of the Revised Code on all but one of the tests required 18813  
by that division and from which the person was not excused or 18814  
exempted, pursuant to division ~~(H)~~ (L) of section 3313.61, 18815  
division (B)(1) of section 3313.612, or section 3313.532 of the 18816  
Revised Code, may be awarded a diploma or honors diploma if the 18817  
person has satisfied all of the following conditions: 18818

(1) On the one test required under division (B) of section 18819  
3301.0710 of the Revised Code for which the person failed to 18820  
attain the designated score, the person missed that score by ten 18821  
points or less; 18822

(2) Has a ninety-seven per cent school attendance rate in 18823  
each of the last four school years, excluding any excused 18824  
absences; 18825

of the Revised Code in any of the last four school years; 18827

(4) Has a grade point average of at least 2.5 out of 4.0, or 18828  
its equivalent as designated in rules adopted by the state board 18829  
of education, in the subject area of the test required under 18830  
division (B) of section 3301.0710 of the Revised Code for which 18831  
the person failed to attain the designated score; 18832

(5) Has completed the high school curriculum requirements 18833  
prescribed in section 3313.603 of the Revised Code or has 18834  
qualified under division (D) or (F) of that section; 18835

(6) Has taken advantage of any intervention programs provided 18836  
by the school district or school in the subject area described in 18837  
division (A)(4) of this section and has a ninety-seven per cent 18838  
attendance rate, excluding any excused absences, in any of those 18839  
programs that are provided at times beyond the normal school day, 18840  
school week, or school year or has received comparable 18841  
intervention services from a source other than the school district 18842  
or school; 18843

(7) Holds a letter recommending graduation from each of the 18844  
person's high school teachers in the subject area described in 18845  
division (A)(4) of this section and from the person's high school 18846  
principal. 18847

(B) The state board of education shall establish rules 18848  
designating grade point averages equivalent to the average 18849  
specified in division (A)(4) of this section for use by school 18850  
districts and schools with different grading systems. 18851

(C) Any student who is exempt from attaining the applicable 18852  
score designated under division (B) of section 3301.0710 of the 18853  
Revised Code on the Ohio graduation test in social studies 18854  
pursuant to division (H) of section 3313.61 or division (B)(2) of 18855  
section 3313.612 of the Revised Code shall not qualify for a high 18856  
school diploma under this section, unless, notwithstanding the 18857

exemption, the student attains the applicable score on that test. 18858  
If the student attains the applicable score on that test, the 18859  
student may qualify for a diploma under this section in the same 18860  
manner as any other student who is required to take the five Ohio 18861  
graduation tests prescribed by division (B) of section 3301.0710 18862  
of the Revised Code. 18863

**Sec. 3313.64.** (A) As used in this section and in section 18864  
3313.65 of the Revised Code: 18865

(1)(a) Except as provided in division (A)(1)(b) of this 18866  
section, "parent" means either parent, unless the parents are 18867  
separated or divorced or their marriage has been dissolved or 18868  
annulled, in which case "parent" means the parent who is the 18869  
residential parent and legal custodian of the child. When a child 18870  
is in the legal custody of a government agency or a person other 18871  
than the child's natural or adoptive parent, "parent" means the 18872  
parent with residual parental rights, privileges, and 18873  
responsibilities. When a child is in the permanent custody of a 18874  
government agency or a person other than the child's natural or 18875  
adoptive parent, "parent" means the parent who was divested of 18876  
parental rights and responsibilities for the care of the child and 18877  
the right to have the child live with the parent and be the legal 18878  
custodian of the child and all residual parental rights, 18879  
privileges, and responsibilities. 18880

document resides applies until the end of the school year in which 19264  
the military power of attorney or comparable document expires. 19265

(G) A board of education, after approving admission, may 19266  
waive tuition for students who will temporarily reside in the 19267

(I)(1) Notwithstanding anything to the contrary in this 19279  
section or section 3313.65 of the Revised Code, a child under 19280  
twenty-two years of age may attend school in the school district 19281  
in which the child, at the end of the first full week of October 19282  
of the school year, was entitled to attend school as otherwise 19283  
provided under this section or section 3313.65 of the Revised 19284  
Code, if at that time the child was enrolled in the schools of the 19285  
district but since that time the child or the child's parent has 19286  
relocated to a new address located outside of that school district 19287  
and within the same county as the child's or parent's address 19288  
immediately prior to the relocation. The child may continue to 19289  
attend school in the district, and at the school to which the 19290

child was assigned at the end of the first full week of October of 19291  
the current school year, for the balance of the school year. 19292  
Division (I)(1) of this section applies only if both of the 19293  
following conditions are satisfied: 19294

(a) The board of education of the school district in which 19295  
the child was entitled to attend school at the end of the first 19296  
full week in October and of the district to which the child or 19297  
child's parent has relocated each has adopted a policy to enroll 19298  
children described in division (I)(1) of this section. 19299

(b) The child's parent provides written notification of the 19300  
relocation outside of the school district to the superintendent of 19301  
each of the two school districts. 19302

(2) At the beginning of the school year following the school 19303  
year in which the child or the child's parent relocated outside of 19304  
the school district as described in division (I)(1) of this 19305  
section, the child is not entitled to attend school in the school 19306  
district under that division. 19307

(3) Any person or entity owing tuition to the school district 19308  
on behalf of the child at the end of the first full week in 19309  
October, as provided in division (C) of this section, shall 19310  
continue to owe such tuition to the district for the child's 19311  
attendance under division (I)(1) of this section for the lesser of 19312  
the balance of the school year or the balance of the time that the 19313  
child attends school in the district under division (I)(1) of this 19314  
section. 19315

(4) A pupil who may attend school in the district under 19316  
division (I)(1) of this section shall be entitled to 19317  
transportation services pursuant to an agreement between the 19318  
district and the district in which the child or child's parent has 19319  
relocated unless the districts have not entered into such 19320  
agreement, in which case the child shall be entitled to 19321

transportation services in the same manner as a pupil attending 19322  
school in the district under interdistrict open enrollment as 19323  
described in division (H) of section 3313.981 of the Revised Code, 19324  
regardless of whether the district has adopted an open enrollment 19325  
policy as described in division (B)(1)(b) or (c) of section 19326  
3313.98 of the Revised Code. 19327

(J) This division does not apply to a child receiving special 19328  
education. 19329

A school district required to pay tuition pursuant to 19330  
division (C)(2) or (3) of this section or section 3313.65 of the 19331  
Revised Code shall have an amount deducted under division (F) of 19332  
section 3317.023 of the Revised Code equal to its own tuition rate 19333  
for the same period of attendance. A school district entitled to 19334  
receive tuition pursuant to division (C)(2) or (3) of this section 19335  
or section 3313.65 of the Revised Code shall have an amount 19336  
credited under division (F) of section 3317.023 of the Revised 19337  
Code equal to its own tuition rate for the same period of 19338  
attendance. If the tuition rate credited to the district of 19339  
attendance exceeds the rate deducted from the district required to 19340  
pay tuition, the department of education shall pay the district of 19341  
attendance the difference from amounts deducted from all 19342  
districts' payments under division (F) of section 3317.023 of the 19343  
Revised Code but not credited to other school districts under such 19344  
division and from appropriations made for such purpose. The 19345  
treasurer of each school district shall, by the fifteenth day of 19346  
January and July, furnish the superintendent of public instruction 19347  
a report of the names of each child who attended the district's 19348  
schools under divisions (C)(2) and (3) of this section or section 19349  
3313.65 of the Revised Code during the preceding six calendar 19350  
months, the duration of the attendance of those children, the 19351  
school district responsible for tuition on behalf of the child, 19352  
and any other information that the superintendent requires. 19353

Upon receipt of the report the superintendent, pursuant to 19354  
division (F) of section 3317.023 of the Revised Code, shall deduct 19355  
each district's tuition obligations under divisions (C)(2) and (3) 19356  
of this section or section 3313.65 of the Revised Code and pay to 19357  
the district of attendance that amount plus any amount required to 19358  
be paid by the state. 19359

(K) In the event of a disagreement, the superintendent of 19360  
public instruction shall determine the school district in which 19361  
the parent resides. 19362

(L) Nothing in this section requires or authorizes, or shall 19363  
be construed to require or authorize, the admission to a public 19364  
school in this state of a pupil who has been permanently excluded 19365  
from public school attendance by the superintendent of public 19366  
instruction pursuant to sections 3301.121 and 3313.662 of the 19367  
Revised Code. 19368

(M) In accordance with division (B)(1) of this section, a 19369  
child whose parent is a member of the national guard or a reserve 19370  
unit of the armed forces of the United States and is called to 19371  
active duty, or a child whose parent is a member of the armed 19372  
forces of the United States and is ordered to a temporary duty 19373  
assignment outside of the district, may continue to attend school 19374  
in the district in which the child's parent lived before being 19375  
called to active duty or ordered to a temporary duty assignment 19376  
outside of the district, as long as the child's parent continues 19377  
to be a resident of that district, and regardless of where the 19378  
child lives as a result of the parent's active duty status or 19379  
temporary duty assignment. However, the district is not 19380  
responsible for providing transportation for the child if the 19381  
child lives outside of the district as a result of the parent's 19382  
active duty status or temporary duty assignment. 19383

A board of education may establish fees or tuition, which may 19401  
be graduated in proportion to family income, for participation in 19402  
a preschool program. In cases where payment of fees or tuition 19403

rise to the suspension takes place, the superintendent may apply 19446  
any remaining part or all of the period of the suspension to the 19447  
following school year. Except in the case of a pupil given an 19448  
in-school suspension, no pupil shall be suspended unless prior to 19449  
the suspension such superintendent or principal does both of the 19450  
following: 19451

(1) Gives the pupil written notice of the intention to 19452  
suspend the pupil and the reasons for the intended suspension and, 19453  
if the proposed suspension is based on a violation listed in 19454  
division (A) of section 3313.662 of the Revised Code and if the 19455  
pupil is sixteen years of age or older, includes in the notice a 19456

pupil's actions. 19464

(B)(1) Except as provided under division (B)(2), (3), or (4) 19465  
of this section, the superintendent of schools of a city, exempted 19466  
village, or local school district may expel a pupil from school 19467  
for a period not to exceed the greater of eighty school days or 19468  
the number of school days remaining in the semester or term in 19469  
which the incident that gives rise to the expulsion takes place, 19470  
unless the expulsion is extended pursuant to division (F) of this 19471  
section. If at the time an expulsion is imposed there are fewer 19472  
than eighty school days remaining in the school year in which the 19473  
incident that gives rise to the expulsion takes place, the 19474  
superintendent may apply any remaining part or all of the period 19475  
of the expulsion to the following school year. 19476

(2)(a) Unless a pupil is permanently excluded pursuant to 19477

section 3313.662 of the Revised Code, the superintendent of 19478

interscholastic competition, an extracurricular event, or any 19489  
other school program or activity that is not located in a school 19490  
or on property that is owned or controlled by the district. The 19491  
superintendent may reduce this disciplinary action on a 19492  
case-by-case basis in accordance with the policy adopted by the 19493  
board under section 3313.661 of the Revised Code. 19494

(c) Any expulsion pursuant to division (B)(2) of this section 19495  
shall extend, as necessary, into the school year following the 19496  
school year in which the incident that gives rise to the expulsion 19497  
takes place. As used in this division, "firearm" has the same 19498  
meaning as provided pursuant to the "Gun-Free Schools Act of 1994," ~~108~~ 115 Stat. ~~270~~ 1762, 20 U.S.C. ~~8001(a)(2)~~ 7151. 19499

(3) The board of education of a city, exempted village, or 19501  
local school district may adopt a resolution authorizing the 19502  
superintendent of schools to expel a pupil from school for a 19503  
period not to exceed one year for bringing a knife to a school 19504  
operated by the board, onto any other property owned or controlled 19505  
by the board, or to an interscholastic competition, an 19506  
extracurricular event, or any other program or activity sponsored 19507  
by the school district or in which the district is a participant, 19508  
or for possessing a firearm or knife at a school, on any other 19509

property owned or controlled by the board, or at an 19510  
interscholastic competition, an extracurricular event, or any 19511  
other school program or activity, which firearm or knife was 19512  
initially brought onto school board property by another person. 19513  
The resolution may authorize the superintendent to extend such an 19514  
expulsion, as necessary, into the school year following the school 19515  
year in which the incident that gives rise to the expulsion takes 19516  
place. 19517

(4) The board of education of a city, exempted village, or 19518  
local school district may adopt a resolution establishing a policy 19519  
under section 3313.661 of the Revised Code that authorizes the 19520  
superintendent of schools to expel a pupil from school for a 19521  
period not to exceed one year for committing an act that is a 19522  
criminal offense when committed by an adult and that results in 19523  
serious physical harm to persons as defined in division (A)(5) of 19524  
section 2901.01 of the Revised Code or serious physical harm to 19525  
property as defined in division (A)(6) of section 2901.01 of the 19526  
Revised Code while the pupil is at school, on any other property 19527  
owned or controlled by the board, or at an interscholastic 19528  
competition, an extracurricular event, or any other school program 19529  
or activity. Any expulsion under this division shall extend, as 19530  
necessary, into the school year following the school year in which 19531  
the incident that gives rise to the expulsion takes place. 19532

(5) The board of education of any city, exempted village, or 19533  
local school district may adopt a resolution establishing a policy 19534  
under section 3313.661 of the Revised Code that authorizes the 19535  
superintendent of schools to expel a pupil from school for a 19536  
period not to exceed one year for making a bomb threat to a school 19537  
building or to any premises at which a school activity is 19538  
occurring at the time of the threat. Any expulsion under this 19539  
division shall extend, as necessary, into the school year 19540  
following the school year in which the incident that gives rise to 19541

the expulsion takes place. 19542

(6) No pupil shall be expelled under division (B)(1), (2), 19543  
(3), (4), or (5) of this section unless, prior to the pupil's 19544  
expulsion, the superintendent does both of the following: 19545

(a) Gives the pupil and the pupil's parent, guardian, or 19546  
custodian written notice of the intention to expel the pupil; 19547

(b) Provides the pupil and the pupil's parent, guardian, 19548  
custodian, or representative an opportunity to appear in person 19549  
before the superintendent or the superintendent's designee to 19550  
challenge the reasons for the intended expulsion or otherwise to 19551  
explain the pupil's actions. 19552

The notice required in this division shall include the 19553  
reasons for the intended expulsion, notification of the 19554  
opportunity of the pupil and the pupil's parent, guardian, 19555  
custodian, or representative to appear before the superintendent 19556  
or the superintendent's designee to challenge the reasons for the 19557  
intended expulsion or otherwise to explain the pupil's action, and 19558  
notification of the time and place to appear. The time to appear 19559  
shall not be earlier than three nor later than five school days 19560  
after the notice is given, unless the superintendent grants an 19561  
extension of time at the request of the pupil or the pupil's 19562  
parent, guardian, custodian, or representative. If an extension is 19563  
granted after giving the original notice, the superintendent shall 19564  
notify the pupil and the pupil's parent, guardian, custodian, or 19565  
representative of the new time and place to appear. If the 19566  
proposed expulsion is based on a violation listed in division (A) 19567  
of section 3313.662 of the Revised Code and if the pupil is 19568  
sixteen years of age or older, the notice shall include a 19569  
statement that the superintendent may seek to permanently exclude 19570  
the pupil if the pupil is convicted of or adjudicated a delinquent 19571  
child for that violation. 19572

(7) A superintendent of schools of a city, exempted village, 19573  
or local school district shall initiate expulsion proceedings 19574  
pursuant to this section with respect to any pupil who has 19575  
committed an act warranting expulsion under the district's policy 19576  
regarding expulsion even if the pupil has withdrawn from school 19577  
for any reason after the incident that gives rise to the hearing 19578  
but prior to the hearing or decision to impose the expulsion. If, 19579  
following the hearing, the pupil would have been expelled for a 19580  
period of time had the pupil still been enrolled in the school, 19581  
the expulsion shall be imposed for the same length of time as on a 19582  
pupil who has not withdrawn from the school. 19583

(C) If a pupil's presence poses a continuing danger to 19584  
persons or property or an ongoing threat of disrupting the 19585  
academic process taking place either within a classroom or 19586  
elsewhere on the school premises, the superintendent or a 19587  
principal or assistant principal may remove a pupil from 19588  
curricular activities or from the school premises, and a teacher 19589  
may remove a pupil from curricular activities under the teacher's 19590  
supervision, without the notice and hearing requirements of 19591  
division (A) or (B) of this section. As soon as practicable after 19592  
making such a removal, the teacher shall submit in writing to the 19593  
principal the reasons for such removal. 19594

If a pupil is removed under this division from a curricular 19595  
activity or from the school premises, written notice of the 19596  
hearing and of the reason for the removal shall be given to the 19597  
pupil as soon as practicable prior to the hearing, which shall be 19598  
held within three school days from the time the initial removal is 19599  
ordered. The hearing shall be held in accordance with division (A) 19600  
of this section unless it is probable that the pupil may be 19601  
subject to expulsion, in which case a hearing in accordance with 19602  
division (B) of this section shall be held, except that the 19603  
hearing shall be held within three school days of the initial 19604

removal. The individual who ordered, caused, or requested the removal to be made shall be present at the hearing.

If the superintendent or the principal reinstates a pupil in a curricular activity under the teacher's supervision prior to the hearing following a removal under this division, the teacher, upon request, shall be given in writing the reasons for such reinstatement.

(D) The superintendent or principal, within one school day after the time of a pupil's expulsion or suspension, shall notify in writing the parent, guardian, or custodian of the pupil and the treasurer of the board of education of the expulsion or suspension. The notice shall include the reasons for the expulsion or suspension, notification of the right of the pupil or the pupil's parent, guardian, or custodian to appeal the expulsion or suspension to the board of education or to its designee, to be represented in all appeal proceedings, to be granted a hearing before the board or its designee in order to be heard against the suspension or expulsion, and to request that the hearing be held in executive session, notification that the expulsion may be subject to extension pursuant to division (F) of this section if the pupil is sixteen years of age or older, and notification that the superintendent may seek the pupil's permanent exclusion if the suspension or expulsion was based on a violation listed in division (A) of section 3313.662 of the Revised Code that was committed when the child was sixteen years of age or older and if the pupil is convicted of or adjudicated a delinquent child for that violation.

In accordance with the policy adopted by the board of education under section 3313.661 of the Revised Code, the notice provided under this division shall specify the manner and date by which the pupil or the pupil's parent, guardian, or custodian shall notify the board of the pupil's, parent's, guardian's, or

custodian's intent to appeal the expulsion or suspension to the 19637  
board or its designee. 19638

Any superintendent expelling a pupil under this section for 19639  
more than twenty school days or for any period of time if the 19640  
expulsion will extend into the following semester or school year 19641  
shall, in the notice required under this division, provide the 19642  
pupil and the pupil's parent, guardian, or custodian with 19643  
information about services or programs offered by public and 19644  
private agencies that work toward improving those aspects of the 19645  
pupil's attitudes and behavior that contributed to the incident 19646  
that gave rise to the pupil's expulsion. The information shall 19647  
include the names, addresses, and phone numbers of the appropriate 19648  
public and private agencies. 19649

(E) A pupil or the pupil's parent, guardian, or custodian may 19650  
appeal the pupil's expulsion by a superintendent or suspension by 19651  
a superintendent, principal, assistant principal, or other 19652  
administrator to the board of education or to its designee. If the 19653  
pupil or the pupil's parent, guardian, or custodian intends to 19654  
appeal the expulsion or suspension to the board or its designee, 19655  
the pupil or the pupil's parent, guardian, or custodian shall 19656  
notify the board in the manner and by the date specified in the 19657  
notice provided under division (D) of this section. The pupil or 19658  
the pupil's parent, guardian, or custodian may be represented in 19659  
all appeal proceedings and shall be granted a hearing before the 19660  
board or its designee in order to be heard against the suspension 19661  
or expulsion. At the request of the pupil or of the pupil's 19662  
parent, guardian, custodian, or attorney, the board or its 19663  
designee may hold the hearing in executive session but shall act 19664  
upon the suspension or expulsion only at a public meeting. The 19665  
board, by a majority vote of its full membership or by the action 19666  
of its designee, may affirm the order of suspension or expulsion, 19667  
reinstate the pupil, or otherwise reverse, vacate, or modify the 19668

order of suspension or expulsion. 19669

The board or its designee shall make a verbatim record of 19670  
hearings held under this division. The decisions of the board or 19671  
its designee may be appealed under Chapter 2506. of the Revised 19672  
Code. 19673

This section shall not be construed to require notice and 19674  
hearing in accordance with division (A), (B), or (C) of this 19675  
section in the case of normal disciplinary procedures in which a 19676  
pupil is removed from a curricular activity for a period of less 19677  
than one school day and is not subject to suspension or expulsion. 19678

(F)(1) If a pupil is expelled pursuant to division (B) of 19679  
this section for committing any violation listed in division (A) 19680  
of section 3313.662 of the Revised Code and the pupil was sixteen 19681  
years of age or older at the time of committing the violation, if 19682  
a complaint, indictment, or information is filed alleging that the 19683  
pupil is a delinquent child based upon the commission of the 19684  
violation or the pupil is prosecuted as an adult for the 19685  
commission of the violation, and if the resultant juvenile court 19686  
or criminal proceeding is pending at the time that the expulsion 19687  
terminates, the superintendent of schools that expelled the pupil 19688  
may file a motion with the court in which the proceeding is 19689  
pending requesting an order extending the expulsion for the lesser 19690  
of an additional eighty days or the number of school days 19691  
remaining in the school year. Upon the filing of the motion, the 19692  
court immediately shall schedule a hearing and give written notice 19693  
of the time, date, and location of the hearing to the 19694  
superintendent and to the pupil and the pupil's parent, guardian, 19695  
or custodian. At the hearing, the court shall determine whether 19696  
there is reasonable cause to believe that the pupil committed the 19697  
alleged violation that is the basis of the expulsion and, upon 19698  
determining that reasonable cause to believe the pupil committed 19699  
the violation does exist, shall grant the requested extension. 19700

(2) If a pupil has been convicted of or adjudicated a delinquent child for a violation listed in division (A) of section 3313.662 of the Revised Code for an act that was committed when the child was sixteen years of age or older, if the pupil has been expelled pursuant to division (B) of this section for that violation, and if the board of education of the school district of the school from which the pupil was expelled has adopted a resolution seeking the pupil's permanent exclusion, the superintendent may file a motion with the court that convicted the pupil or adjudicated the pupil a delinquent child requesting an order to extend the expulsion until an adjudication order or other determination regarding permanent exclusion is issued by the superintendent of public instruction pursuant to section 3301.121 and division (D) of section 3313.662 of the Revised Code. Upon the filing of the motion, the court immediately shall schedule a hearing and give written notice of the time, date, and location of the hearing to the superintendent of the school district, the pupil, and the pupil's parent, guardian, or custodian. At the hearing, the court shall determine whether there is reasonable cause to believe the pupil's continued attendance in the public school system may endanger the health and safety of other pupils or school employees and, upon making that determination, shall grant the requested extension.

(G) The failure of the superintendent or the board of education to provide the information regarding the possibility of permanent exclusion in the notice required by divisions (A), (B), and (D) of this section is not jurisdictional, and the failure shall not affect the validity of any suspension or expulsion procedure that is conducted in accordance with this section or the validity of a permanent exclusion procedure that is conducted in accordance with sections 3301.121 and 3313.662 of the Revised Code.

(H) With regard to suspensions and expulsions pursuant to 19733  
divisions (A) and (B) of this section by the board of education of 19734  
any city, exempted village, or local school district, this section 19735  
shall apply to any student, whether or not the student is enrolled 19736  
in the district, attending or otherwise participating in any 19737  
curricular program provided in a school operated by the board or 19738  
provided on any other property owned or controlled by the board. 19739

(I) Whenever a student is expelled under this section, the 19740  
expulsion shall result in removal of the student from the 19741  
student's regular school setting. However, during the period of 19742  
the expulsion, the board of education of the school district that 19743  
expelled the student or any board of education admitting the 19744  
student during that expulsion period may provide educational 19745  
services to the student in an alternative setting. 19746

(J)(1) Notwithstanding sections 3109.51 to 3109.80, 3313.64, 19747  
and 3313.65 of the Revised Code, any school district, after 19748  
offering an opportunity for a hearing, may temporarily deny 19749  
admittance to any pupil if one of the following applies: 19750

(a) The pupil has been suspended from the schools of another 19751  
district under division (A) of this section and the period of 19752  
suspension, as established under that division, has not expired; 19753

(b) The pupil has been expelled from the schools of another 19754  
district under division (B) of this section and the period of the 19755  
expulsion, as established under that division or as extended under 19756  
division (F) of this section, has not expired. 19757

If a pupil is temporarily denied admission under this 19758  
division, the pupil shall be admitted to school in accordance with 19759  
sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised 19760  
Code no later than upon expiration of the suspension or expulsion 19761  
period, as applicable. 19762

(2) Notwithstanding sections 3109.51 to 3109.80, 3313.64, and 19763

3313.65 of the Revised Code, any school district, after offering 19764  
an opportunity for a hearing, may temporarily deny admittance to 19765  
any pupil if the pupil has been expelled or otherwise removed for 19766  
disciplinary purposes from a public school in another state and 19767  
the period of expulsion or removal has not expired. If a pupil is 19768  
temporarily denied admission under this division, the pupil shall 19769  
be admitted to school in accordance with sections 3109.51 to 19770  
3109.80, 3313.64, or 3313.65 of the Revised Code no later than the 19771  
earlier of the following: 19772

(a) Upon expiration of the expulsion or removal period 19773  
imposed by the out-of-state school; 19774

(b) Upon expiration of a period established by the district, 19775  
beginning with the date of expulsion or removal from the 19776  
out-of-state school, that is no greater than the period of 19777  
expulsion that the pupil would have received under the policy 19778  
adopted by the district under section 3313.661 of the Revised Code 19779  
had the offense that gave rise to the expulsion or removal by the 19780  
out-of-state school been committed while the pupil was enrolled in 19781  
the district. 19782

(K) As used in this section: 19783

(1) "Permanently exclude" and "permanent exclusion" have the 19784  
same meanings as in section 3313.662 of the Revised Code. 19785

(2) "In-school suspension" means the pupil will serve all of 19786  
the suspension in a school setting. 19787

**Sec. 3313.661.** (A) The board of education of each city, 19788  
exempted village, and local school district shall adopt a policy 19789  
regarding suspension, expulsion, removal, and permanent exclusion 19790  
that specifies the types of misconduct for which a pupil may be 19791  
suspended, expelled, or removed. The types of misconduct may 19792  
include misconduct by a pupil that occurs off of property owned or 19793

controlled by the district but that is connected to activities or 19794  
incidents that have occurred on property owned or controlled by 19795  
that district and misconduct by a pupil that, regardless of where 19796  
it occurs, is directed at a district official or employee, or the 19797  
property of such official or employee. The policy shall specify 19798  
the reasons for which the superintendent of the district may 19799  
reduce the expulsion requirement in division (B)(2) of section 19800  
3313.66 of the Revised Code. If a board of education adopts a 19801  
resolution pursuant to division (B)(3) of section 3313.66 of the 19802  
Revised Code, the policy shall define the term "knife" or 19803  
"firearm," as applicable, for purposes of expulsion under that 19804  
resolution and shall specify any reasons for which the 19805  
superintendent of the district may reduce any required expulsion 19806  
period on a case-by-case basis. If a board of education adopts a 19807  
resolution pursuant to division (B)(4) or (5) of section 3313.66 19808  
of the Revised Code, the policy shall specify any reasons for 19809  
which the superintendent of the district may reduce any required 19810  
expulsion period on a case-by-case basis. The policy also shall 19811  
set forth the acts listed in section 3313.662 of the Revised Code 19812  
for which a pupil may be permanently excluded. 19813

The policy adopted under this division shall specify the date 19814  
and manner by which a pupil or a pupil's parent, guardian, or 19815  
custodian may notify the board of the pupil's, parent's, 19816  
guardian's, or custodian's intent to appeal an expulsion or 19817  
suspension to the board or its designee pursuant to division (E) 19818  
of section 3313.66 of the Revised Code. In the case of any 19819  
expulsion, the policy shall not specify a date that is less than 19820  
fourteen days after the date of the notice provided to the pupil 19821  
or the pupil's parent, guardian, or custodian under division (D) 19822  
of that section. 19823

A copy of the policy shall be posted in a central location in 19824  
the school and made available to pupils upon request. No pupil 19825

shall be suspended, expelled, or removed except in accordance with 19826  
the policy adopted by the board of education of the school 19827  
district in which the pupil attends school, and no pupil shall be 19828  
permanently excluded except in accordance with sections 3301.121 19829  
and 3313.662 of the Revised Code. 19830

(B) A board of education may establish a program and adopt 19831  
guidelines under which a superintendent may require a pupil to 19832  
perform community service in conjunction with a suspension or 19833  
expulsion imposed under section 3313.66 of the Revised Code or in 19834  
place of a suspension or expulsion imposed under section 3313.66 19835  
of the Revised Code except for an expulsion imposed pursuant to 19836  
division (B)(2) of that section. If a board adopts guidelines 19837  
under this division, they shall permit, except with regard to an 19838  
expulsion pursuant to division (B)(2) of section 3313.66 of the 19839  
Revised Code, a superintendent to impose a community service 19840  
requirement beyond the end of the school year in lieu of applying 19841  
the suspension or expulsion into the following school year. Any 19842  
guidelines adopted shall be included in the policy adopted under 19843  
this section. 19844

(C) The written policy of each board of education that is 19845  
adopted pursuant to section 3313.20 of the Revised Code shall be 19846  
posted in a central location in each school that is subject to the 19847  
policy and shall be made available to pupils upon request. 19848

(D) Any policy, program, or guideline adopted by a board of 19849  
education under this section with regard to suspensions or 19850  
expulsions pursuant to division (A) or (B) of section 3313.66 of 19851  
the Revised Code shall apply to any student, whether or not the 19852  
student is enrolled in the district, attending or otherwise 19853  
participating in any curricular program provided in a school 19854  
operated by the board or provided on any other property owned or 19855  
controlled by the board. 19856

(E) As used in this section, "permanently exclude" and 19857

"permanent exclusion" have the same meanings as in section 19858  
3313.662 of the Revised Code. 19859

procedures mutually agreed to by the boards of education that are 19884  
parties to the agreement. 19885

(B) Each student special services district shall be governed 19886  
by a board of directors. The superintendent of each board of 19887

education that is a party to the agreement shall serve on the 19888

office of directors. Directors shall receive no compensation, but 19890  
shall be reimbursed, from the special fund of the student special 19891  
services district, for the reasonable and necessary expenses they 19892  
incur in the performance of their duties for the district. The 19893

the meaning of section 149.43 of the Revised Code. 19909

The agreement shall require the board to designate a 19910  
permanent location for its offices and meeting place, and may 19911  
provide for the use of such facilities and property for the 19912

contracts under division (C) of this section. 19914

establish one additional start-up school that is located in the 20804  
same school district as the current start-up school, regardless of 20805  
whether that district is a challenged school district as otherwise 20806

(a) The governing authority may establish single-gender 21051

provided comparable facilities and learning opportunities are 21053  
offered for both boys and girls. Such comparable facilities and 21054  
opportunities may be offered for each sex at separate locations. 21055

(b) The governing authority may establish a school that 21056  
simultaneously serves a group of students identified as autistic 21057  
and a group of students who are not ~~handicapped~~ disabled, as 21058  
authorized in section 3314.061 of the Revised Code. However, 21059  
unless the total capacity established for the school has been 21060  
filled, no student with any ~~handicap~~ disability shall be denied 21061

admission on the basis of that ~~handicap~~ disability. 21062

(2) That upon admission of any ~~handicapped~~ student with a 21063  
disability, the community school will comply with all federal and 21064  
state laws regarding the education of ~~handicapped~~ students with 21065  
disabilities. 21066

(E) That the school may not limit admission to students on 21067  
the basis of intellectual ability, measures of achievement or 21068

enrollment to students as described in division (B) of this 21070  
section. 21071

(F) That the community school will admit the number of 21072

district the option of a single-gender education. 21079

(H) That, except as otherwise provided under division (B) of 21080  
this section or section 3314.061 of the Revised Code, if the 21081  
number of applicants exceeds the capacity restrictions of division 21082

those submitting applications, except preference shall be given to 21084  
students attending the school the previous year and to students 21085

students in the school's population, the total number of autistic 21102  
students that may be enrolled in the school, and the total number 21103  
of ~~nonhandicapped~~ nondisabled students that may be enrolled in the 21104  
school. A school established in accordance with this section is 21105  
subject to division (H) of section 3314.06 of the Revised Code, 21106  
except that because the governing authority establishes a separate 21107  
capacity for autistic students and ~~nonhandicapped~~ nondisabled 21108  
students, if the number of applicants among the group of autistic 21109  
students or the group of ~~nonhandicapped~~ students with disabilities 21110  
exceeds the capacity restrictions for that group, students shall 21111  
be admitted by lot from all those of that same group submitting 21112  
applications. However, unless the total capacity established for 21113  
the school has been filled, no student with any ~~handicap~~ 21114  
disability shall be denied admission on the basis of that ~~handicap~~ 21115

were enrolled in the school at the time it ceased operation were 21128  
entitled to attend school under section 3313.64 or 3313.65 of the 21129  
Revised Code. The amount distributed to each school district shall 21130  
be proportional to the district's share of the total enrollment in 21131  
the community school. 21132

(B) If a community school closes and ceases to operate as a 21133  
community school and the school has received computer hardware or 21134  
software from the former Ohio SchoolNet commission or the eTech 21135  
Ohio commission, such hardware or software shall be returned to 21136  
the eTech Ohio commission, and the eTech Ohio commission shall 21137  
redistribute the hardware and software, to the extent such 21138  
redistribution is possible, to school districts in conformance 21139  
with the provisions of the programs operated and administered by 21140  
the eTech Ohio commission. 21141

(C) If the assets of the school are insufficient to pay all 21142  
persons or entities to whom compensation is owed, the 21143  
prioritization of the distribution of the assets to individual 21144  
persons or entities within each class of payees may be determined 21145

department shall reduce the amounts otherwise payable under 21690  
division (D) of this section to any community school that includes 21691  
in its program the provision of computer hardware and software 21692

governing authority of the community school written notice stating 21710  
the specific grounds for the challenge and requiring the school 21711  
district to submit evidence supporting its claim that a particular 21712  
student should not be included in the community school's 21713

corrects its earlier reports regarding that student. 21727

21728  
(2) If the department finds that the school district has 21729  
timely submitted evidence and has met its burden of proof and, 21730  
accordingly, that the particular student for which the district 21731  
brought the challenge should not be included in the community 21732  
school's enrollment or that payment otherwise should be denied for 21733  
that student, the department shall withhold payments to the 21734  
community school for that student. 21735

If the governing authority of the community school 21736  
subsequently submits documentation that the department finds 21737  
confirms or corrects the earlier reports regarding that student, 21738  
the department shall resume payments to the community school for 21739  
that student and, if appropriate, shall include payment for the 21740  
prior months that were withheld. 21741

(3) The department shall not withhold any other payments from 21742

the extension. 21756

(b) Delays in data submission caused by either a community 21757  
school or its sponsor. 21758

(2) If the review results in a finding that additional 21759  
funding is owed to the school, such payment shall be made within 21760  
thirty days of the written notice. If the review results in a 21761  
finding that the community school owes moneys to the state, the 21762  
following procedure shall apply: 21763

(a) Within ten business days of the receipt of the notice of 21764  
findings, the community school may appeal the department's 21765  
determination to the state board of education or its designee. 21766

(b) The board or its designee shall conduct an informal 21767  
hearing on the matter within thirty days of receipt of such an 21768  
appeal and shall issue a decision within fifteen days of the 21769  
conclusion of the hearing. 21770

(c) If the board has enlisted a designee to conduct the 21771  
hearing, the designee shall certify its decision to the board. The 21772  
board may accept the decision of the designee or may reject the 21773  
decision of the designee and issue its own decision on the matter. 21774

(d) Any decision made by the board under this division is 21775

division (A) of this section, the department of education ~~annually~~ 21948  
shall ~~pay~~ make payments to the community school ~~the amount~~ 21949  
~~specified in division (C)(2) of this section for each of the~~ 21950  
~~enrolled students for whom the school's governing authority~~ 21951  
~~provides or arranges transportation to and from school. The~~ 21952  
according to the terms of the agreement for each student actually 21953

If a community school governing authority accepts 21955  
transportation responsibility under division (B) of this section, 21956  
the department shall make payments to the community school for 21957  
each student actually transported or for whom transportation is 21958  
arranged by the community school under division (C)(1) of this 21959  
section, calculated as follows: 21960

(a) For any fiscal year which the general assembly has 21961  
specified that transportation payments to school districts be 21962

based on an across-the-board percentage of the district's payment 21963  
for the previous school year, the per pupil payment to the 21964  
community school shall be the following quotient: 21965

(i) The total amount calculated for the school district in 21966  
which the child is entitled to attend school for student 21967  
transportation other than transportation of children with 21968

(b) For any fiscal year which the general assembly has 21976  
specified that the transportation payments to school districts be 21977  
calculated in accordance with division (D) of section 3317.022 of 21978  
the Revised Code and any rules of the state board of education 21979  
implementing that division, the payment to the community school 21980  
shall be the amount so calculated that otherwise would be paid to 21981  
the school district in which the student is entitled to attend 21982  
school by the method of transportation the district would have 21983  
used. The community school, however, is not required to use the 21984  
same method to transport that student. 21985

As used in this division "entitled to attend school" means 21986  
entitled to attend school under section 3313.64 or 3313.65 of the 21987  
Revised Code. 21988

(2) The department shall deduct the payment under division 21989  
(D)(1) of this section from the ~~state payment under Chapter 3317.~~ 21990

the number of the district's native students for whom payment is 21996  
made to a community school under ~~this~~ division (D)(1) of this 21997  
section in the calculation of the district's transportation 21998

and the operating appropriations act. 22000

(3) A community school shall be paid under ~~this~~ division 22001  
(D)(1) of this section only for students who are eligible as 22002  
specified in section 3327.01 of the Revised Code ~~or who are~~ 22003  
~~disabled and whose individualized education program requires~~ 22004  
transportation and division (C)(1) of this section, and whose 22005  
transportation to and from school is actually provided ~~or,~~ who 22006  
actually utilized transportation arranged, or for whom a payment 22007  
in lieu of transportation is made by the community school's 22008  
governing authority. To qualify for the payments, the community 22009  
school shall report to the department, in the form and manner 22010  
required by the department, data on the number of students 22011  
transported or whose transportation is arranged, the number of 22012  
miles traveled, cost to transport, and any other information 22013  
requested by the department. 22014

(4) A community school shall use payments received under this 22015  
~~division~~ section solely to pay the costs of providing or arranging 22016  
for the transportation of students who are eligible as specified 22017  
in section 3327.01 of the Revised Code ~~or who are disabled and~~ 22018  
~~whose individualized education program requires transportation and~~ 22019  
division (C)(1) of this section, which may include payments to a 22020  
parent, guardian, or other person in charge of a child in lieu of 22021

~~(2) The payment to a community school governing authority~~ 22023  
~~under this section for eligible students shall be made according~~ 22024  
~~to the terms of the agreement entered into under this section.~~ 22025

~~(D)~~(E) Except when arranged through payment to a parent, guardian, or person in charge of a child, transportation provided or arranged for by a community school pursuant to an agreement under this section is subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to the construction, design, equipment, and operation of school buses and other vehicles transporting students to and from school. The drivers and mechanics of the vehicles are subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to drivers and mechanics of such vehicles. The community school also shall comply with sections 3313.201, 3327.09, and 3327.10 ~~and of the Revised Code,~~ division (B) of section 3327.16 of the Revised Code ~~and, subject to division (C)(1) of this section, sections 3327.01 and 3327.02 of the Revised Code,~~ as if it were a school district. ~~For purposes of complying with section 3327.10 of the Revised Code, the educational service center that serves the county in which the community school is located shall be the certifying agency, unless the agreement designates the school district as the certifying agency.~~

<b>Sec. 3314.26.</b> (A) Each internet- or computer-based community	22110
school shall withdraw from the school any student who, for two	22111
consecutive school years, has failed to participate in the spring	22112
administration of any test prescribed under section 3301.0710 or	22113
3301.0712 of the Revised Code for the student's grade level and	22114
was not excused from the test pursuant to division (C)(1) or (3)	22115
of section 3301.0711 of the Revised Code, regardless of whether a	22116

waiver was granted for the student under division ~~(P)~~(Q)(3) of 22117  
section 3314.08 of the Revised Code. The school shall report any 22118  
such student's data verification code, as assigned pursuant to 22119  
section 3301.0714 of the Revised Code, to the department of 22120  
education. The department shall maintain a list of all data 22121  
verification codes reported under this division and section 22122  
3313.6410 of the Revised Code and provide that list to each 22123  
internet- or computer-based community school and to each school to 22124  
which section 3313.6410 of the Revised Code applies. 22125

(B) No internet- or computer-based community school shall 22126  
receive any state funds under this chapter for any enrolled 22127  
student whose data verification code appears on the list 22128  
maintained by the department under division (A) of this section. 22129

Notwithstanding any provision of the Revised Code to the 22130

internet- or computer-based community school in an amount equal to 22132  
the state funds the school otherwise would receive for that 22133  
student, as determined by the department. An internet- or 22134  
computer-based community school may withdraw any student for whom 22135  
the parent does not pay tuition as required by this division. 22136

**Sec. 3317.01.** As used in this section and section 3317.011 of 22137  
the Revised Code, "school district," unless otherwise specified, 22138  
means any city, local, exempted village, joint vocational, or 22139  
cooperative education school district and any educational service 22140  
center. 22141

This chapter shall be administered by the state board of 22142  
education. The superintendent of public instruction shall 22143  
calculate the amounts payable to each school district and shall 22144  
certify the amounts payable to each eligible district to the 22145  
treasurer of the district as provided by this chapter. As soon as 22146  
possible after such amounts are calculated, the superintendent 22147

shall certify to the treasurer of each school district the 22148  
district's adjusted charge-off increase, as defined in section 22149  
5705.211 of the Revised Code. No moneys shall be distributed 22150  
pursuant to this chapter without the approval of the controlling 22151  
board. 22152

The state board of education shall, in accordance with 22153  
appropriations made by the general assembly, meet the financial 22154  
obligations of this chapter. 22155

Annually, the department of education shall calculate and 22156  
report to each school district the district's total state and 22157  
local funds for providing an adequate basic education to the 22158  
district's ~~nonhandicapped~~ nondisabled students, utilizing the 22159  
determination in section 3317.012 of the Revised Code. In 22160  
addition, the department shall calculate and report separately for 22161  
each school district the district's total state and local funds 22162  
for providing an adequate education for its ~~handicapped~~ 22163  
with disabilities, utilizing the determinations in both sections 22164  
3317.012 and 3317.013 of the Revised Code. 22165

Not later than the thirty-first day of August of each fiscal 22166  
year, the department of education shall provide to each school 22167  
district and county MR/DD board a preliminary estimate of the 22168  
amount of funding that the department calculates the district will 22169  
receive under each of divisions (C)(1) and (4) of section 3317.022 22170  
of the Revised Code. No later than the first day of December of 22171  
each fiscal year, the department shall update that preliminary 22172  
estimate. 22173

Moneys distributed pursuant to this chapter shall be 22174  
calculated and paid on a fiscal year basis, beginning with the 22175  
first day of July and extending through the thirtieth day of June. 22176  
The moneys appropriated for each fiscal year shall be distributed 22177  
at least monthly to each school district unless otherwise provided 22178  
for. The state board shall submit a yearly distribution plan to 22179

the controlling board at its first meeting in July. The state 22180  
board shall submit any proposed midyear revision of the plan to 22181  
the controlling board in January. Any year-end revision of the 22182  
plan shall be submitted to the controlling board in June. If 22183  
moneys appropriated for each fiscal year are distributed other 22184  
than monthly, such distribution shall be on the same basis for 22185  
each school district. 22186

The total amounts paid each month shall constitute, as nearly 22187  
as possible, one-twelfth of the total amount payable for the 22188  
entire year. 22189

Until fiscal year 2007, payments made during the first six 22190  
months of the fiscal year may be based on an estimate of the 22191  
amounts payable for the entire year. Payments made in the last six 22192  
months shall be based on the final calculation of the amounts 22193  
payable to each school district for that fiscal year. Payments 22194  
made in the last six months may be adjusted, if necessary, to 22195  
correct the amounts distributed in the first six months, and to 22196  
reflect enrollment increases when such are at least three per 22197  
cent. 22198

Beginning in fiscal year 2007, payments shall be calculated 22199  
to reflect the biannual reporting of average daily membership. In 22200  
fiscal year 2007 and in each fiscal year thereafter, annualized 22201  
periodic payments for each school district shall be based on the 22202  
district's final student counts ~~certified pursuant to~~ verified by 22203  
the superintendent of public instruction based on reports under 22204  
section 3317.03 of the Revised Code, as adjusted, if so ordered, 22205  
under division (K) of that section, as follows: 22206

the sum of one-half of the number of students ~~reported~~ verified 22207  
and adjusted 22208

for the first full week in October plus one-half of the 22209  
average of the numbers ~~reported~~ verified and adjusted for the 22210  
first full week 22211

in October and for the first full week in February 22212

Except as otherwise provided, payments under this chapter 22213  
shall be made only to those school districts in which: 22214

(A) The school district, except for any educational service 22215  
center and any joint vocational or cooperative education school 22216  
district, levies for current operating expenses at least twenty 22217  
mills. Levies for joint vocational or cooperative education school 22218  
districts or county school financing districts, limited to or to 22219  
the extent apportioned to current expenses, shall be included in 22220  
this qualification requirement. School district income tax levies 22221  
under Chapter 5748. of the Revised Code, limited to or to the 22222  
extent apportioned to current operating expenses, shall be 22223  
included in this qualification requirement to the extent 22224  
determined by the tax commissioner under division (D) of section 22225  
3317.021 of the Revised Code. 22226

(B) The school year next preceding the fiscal year for which 22227  
such payments are authorized meets the requirement of section 22228  
3313.48 or 3313.481 of the Revised Code, with regard to the 22229  
minimum number of days or hours school must be open for 22230  
instruction with pupils in attendance, for individualized 22231  
parent-teacher conference and reporting periods, and for 22232  
professional meetings of teachers. This requirement shall be 22233  
waived by the superintendent of public instruction if it had been 22234  
necessary for a school to be closed because of disease epidemic, 22235  
hazardous weather conditions, inoperability of school buses or 22236  
other equipment necessary to the school's operation, damage to a 22237  
school building, or other temporary circumstances due to utility 22238  
failure rendering the school building unfit for school use, 22239  
provided that for those school districts operating pursuant to 22240  
section 3313.48 of the Revised Code the number of days the school 22241  
was actually open for instruction with pupils in attendance and 22242  
for individualized parent-teacher conference and reporting periods 22243

is not less than one hundred seventy-five, or for those school 22244  
districts operating on a trimester plan the number of days the 22245  
school was actually open for instruction with pupils in attendance 22246  
not less than seventy-nine days in any trimester, for those school 22247  
districts operating on a quarterly plan the number of days the 22248  
school was actually open for instruction with pupils in attendance 22249  
not less than fifty-nine days in any quarter, or for those school 22250  
districts operating on a pentamester plan the number of days the 22251  
school was actually open for instruction with pupils in attendance 22252  
not less than forty-four days in any pentamester. 22253

A school district shall not be considered to have failed to 22254  
comply with this division or section 3313.481 of the Revised Code 22255  
because schools were open for instruction but either twelfth grade 22256  
students were excused from attendance for up to three days or only 22257  
a portion of the kindergarten students were in attendance for up 22258  
to three days in order to allow for the gradual orientation to 22259  
school of such students. 22260

The superintendent of public instruction shall waive the 22261  
requirements of this section with reference to the minimum number 22262  
of days or hours school must be in session with pupils in 22263  
attendance for the school year succeeding the school year in which 22264  
a board of education initiates a plan of operation pursuant to 22265  
section 3313.481 of the Revised Code. The minimum requirements of 22266  
this section shall again be applicable to such a district 22267  
beginning with the school year commencing the second July 22268  
succeeding the initiation of one such plan, and for each school 22269  
year thereafter. 22270

A school district shall not be considered to have failed to 22271  
comply with this division or section 3313.48 or 3313.481 of the 22272  
Revised Code because schools were open for instruction but the 22273  
length of the regularly scheduled school day, for any number of 22274  
days during the school year, was reduced by not more than two 22275

hours due to hazardous weather conditions.	22276
(C) The school district has on file, and is paying in accordance with, a teachers' salary schedule which complies with section 3317.13 of the Revised Code.	22277 22278 22279
A board of education or governing board of an educational service center which has not conformed with other law and the rules pursuant thereto, shall not participate in the distribution of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 3317.16, 3317.17, and 3317.19 of the Revised Code, except for good and sufficient reason established to the satisfaction of the state board of education and the state controlling board.	22280 22281 22282 22283 22284 22285 22286
All funds allocated to school districts under this chapter, except those specifically allocated for other purposes, shall be used to pay current operating expenses only.	22287 22288 22289
<b>Sec. 3317.012.</b> (A) The general assembly, having deliberated on the model with which to calculate the base cost of an adequate education per pupil, has made a policy decision to calculate that amount as consisting of the following building blocks:	22290 22291 22292 22293
(1) Base classroom teachers;	22294
(2) Other personnel support, which includes additional teachers, such as music, arts, and physical education teachers funded by state, local, or federal funds or other funds that are above the base cost funding level, and other school personnel including administrators;	22295 22296 22297 22298 22299
(3) Nonpersonnel support.	22300
This model reflects policy decisions made by the general assembly concerning the cost of base classroom teachers, which decisions entail two policy variables: the number of students per base classroom teacher necessary for an adequate education and the average compensation for a base classroom teacher necessary for an	22301 22302 22303 22304 22305

adequate education. The model requires the general assembly to 22306  
decide the amount of other personnel support necessary for an 22307  
adequate education, ~~and increase that amount from year to year by~~ 22308  
~~the same percentage as it increases the average compensation for~~ 22309  
~~base classroom teachers.~~ The model finally requires the general 22310  
assembly to decide the nonpersonnel costs necessary for an 22311  
adequate education and to inflate the nonpersonnel costs from year 22312  
to year using the projected inflationary measure for the gross 22313  
domestic product deflator (all items) prepared by the bureau of 22314  
labor statistics of the United States department of labor. 22315

(B)(1) For fiscal year ~~2006~~ 2008, the general assembly has 22316  
resolved that a ratio of one base classroom teacher per twenty 22317  
students is necessary for an adequate education. The general 22318  
assembly has made a policy decision that the average compensation 22319  
for base classroom teachers is ~~\$53,680~~ \$56,754 for fiscal year 22320  
~~2006~~ 2008, which includes an amount for the value of fringe 22321  
benefits. For fiscal year ~~2007~~ 2009, the general assembly has 22322  
resolved that a ratio of one base classroom teacher per twenty 22323  
students is necessary for an adequate education. The general 22324  
assembly has made a policy decision that the average compensation 22325  
for base classroom teachers is ~~\$54,941~~ \$58,621 for fiscal year 22326  
2009, which includes an amount for the value of fringe benefits. 22327  
Based on a ratio of twenty students per base classroom teacher, 22328  
these amounts equal ~~\$2,684~~ \$2,838 per pupil in fiscal year ~~2006~~ 22329  
2008 and ~~\$2,747~~ \$2,931 per pupil in fiscal year ~~2007~~ 2009. 22330

(2) The general assembly has made a policy decision that the 22331  
per pupil cost of salary and benefits of other personnel support 22332  
is ~~\$1,807~~ \$1,905 in fiscal year ~~2006~~ 2008. Based on the percentage 22333  
increase for the ~~average compensation of base classroom teachers~~ 22334

formula ADM divided by 20; 22360

(b) "Hourly rate" equals ~~\$20.00~~ \$21.01 in fiscal year ~~2006~~ 22361

according to the following formula: 22364

district's teacher factor X 0.045 X 22365

formula amount X phase-in percentage 22366

Where: 22367

(a) For each school district, the district's "teacher factor" is the district's formula ADM divided by 17;	22368 22369
(b) "Phase-in percentage" equals <del>0.25 in fiscal year 2006 and 0.75 in fiscal year 2007.</del>	22370 22371

(the district's principal factor X	22379
0.08 X formula amount)	22380
Where:	22381
(a) For each school district, the district's "teacher factor" is the district's formula ADM divided by 17;	22382 22383

if the real property exempted from taxation had not been exempted. 23194

(8) For each school district receiving payments under 23195  
division (B) or (C) of section 3317.0216 of the Revised Code 23196

program options for ~~handicapped~~ children with disabilities, 23499  
provision of speech language pathology services, and the portion 23500  
of the school district's overall administrative and overhead costs 23501  
that are attributable to the district's special education student 23502  
population. 23503

The scholarships deducted from the school district's account 23504  
under section 3310.41 or 3310.55 of the Revised Code shall be 23505  
considered to be an approved special education and related 23506  
services expense for the purpose of the school district's 23507  
compliance with division (C)(5) of this section. 23508

The department shall require school districts to report data 23509  
annually to allow for monitoring compliance with division (C)(5) 23510  
of this section. The department shall annually report to the 23511  
governor and the general assembly the amount of money spent by 23512  
each school district for special education and related services. 23513

(6) In any fiscal year, a school district shall spend for the 23514  
provision of speech language pathology services not less than the 23515  
sum of the amount calculated under division (C)(1) of this section 23516  
for the students in the district's category one special education 23517  
ADM and the amount calculated under division (C)(4) of this 23518  
section. 23519

The scholarships deducted from the school district's account 23520  
under section 3310.55 of the Revised Code for students counted in 23521  
the district's category one special education ADM shall be 23522  
considered to be an approved speech language pathology services 23523  
expense for the purpose of the school district's compliance with 23524  
division (C)(6) of this section. 23525

(D)(1) As used in this division:	23526
(a) "Daily bus miles per student" equals the number of bus miles traveled per day, divided by transportation base.	23527 23528
(b) "Transportation base" equals total student count as defined in section 3301.011 of the Revised Code, minus the number of students enrolled in <del>preschool-handicapped</del> units <u>for preschool children with disabilities</u> , plus the number of nonpublic school students included in transportation ADM.	23529 23530 23531 23532 23533
(c) "Transported student percentage" equals transportation ADM divided by transportation base.	23534 23535
(d) "Transportation cost per student" equals total operating costs for board-owned or contractor-operated school buses divided by transportation base.	23536 23537 23538
(2) Analysis of student transportation cost data has resulted in a finding that an average efficient transportation use cost per student can be calculated by means of a regression formula that has as its two independent variables the number of daily bus miles per student and the transported student percentage. For fiscal year 1998 transportation cost data, the average efficient transportation use cost per student is expressed as follows:	23539 23540 23541 23542 23543 23544 23545
51.79027 + (139.62626 X daily bus miles per student) + (116.25573 X transported student percentage)	23546 23547
The department of education shall annually determine the average efficient transportation use cost per student in accordance with the principles stated in division (D)(2) of this section, updating the intercept and regression coefficients of the regression formula modeled in this division, based on an annual statewide analysis of each school district's daily bus miles per student, transported student percentage, and transportation cost per student data. The department shall conduct the annual update using data, including daily bus miles per student, transported	23548 23549 23550 23551 23552 23553 23554 23555 23556

student percentage, and transportation cost per student data, from 23557  
the prior fiscal year. The department shall notify the office of 23558  
budget and management of such update by the fifteenth day of 23559  
February of each year. 23560

(3) In addition to funds paid under divisions (A), (C), and 23561  
(E) of this section, each district with a transported student 23562  
percentage greater than zero shall receive a payment equal to a 23563  
percentage of the product of the district's transportation base 23564  
from the prior fiscal year times the annually updated average 23565  
efficient transportation use cost per student, times an inflation 23566  
factor of two and eight tenths per cent to account for the 23567  
one-year difference between the data used in updating the formula 23568  
and calculating the payment and the year in which the payment is 23569  
made. The percentage shall be the following percentage of that 23570  
product specified for the corresponding fiscal year: 23571

FISCAL YEAR	PERCENTAGE	
2000	52.5%	23572
2001	55%	23573
2002	57.5%	23574
2003 and thereafter	The greater of 60% or the district's state share percentage	23575 23576 23577

The payments made under division (D)(3) of this section each 23577  
year shall be calculated based on all of the same prior year's 23578  
data used to update the formula. 23579

(4) In addition to funds paid under divisions (D)(2) and (3) 23580  
of this section, a school district shall receive a rough road 23581  
subsidy if both of the following apply: 23582

(a) Its county rough road percentage is higher than the 23583  
statewide rough road percentage, as those terms are defined in 23584  
division (D)(5) of this section; 23585

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division. 23586  
23587

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula: 23588  
23589  
23590

(per rough mile subsidy X total rough road miles) 23591  
X density multiplier 23592

where: 23593

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula: 23594  
23595

0.75 - {0.75 X [(maximum rough road percentage - county rough road percentage)/(maximum rough road percentage - statewide rough road percentage)]} 23596  
23597  
23598

(i) "Maximum rough road percentage" means the highest county rough road percentage in the state. 23599  
23600

(ii) "County rough road percentage" equals the percentage of the mileage of state, municipal, county, and township roads that is rated by the department of transportation as type A, B, C, E2, or F in the county in which the school district is located or, if the district is located in more than one county, the county to which it is assigned for purposes of determining its cost-of-doing-business factor. 23601  
23602  
23603  
23604  
23605  
23606  
23607

(iii) "Statewide rough road percentage" means the percentage of the statewide total mileage of state, municipal, county, and township roads that is rated as type A, B, C, E2, or F by the department of transportation. 23608  
23609  
23610  
23611

(b) "Total rough road miles" means a school district's total bus miles traveled in one year times its county rough road percentage. 23612  
23613  
23614

(c) "Density multiplier" means a figure calculated in 23615

accordance with the following formula: 23616

1 - [(minimum student density - district student 23617  
density)/(minimum student density - 23618  
statewide student density)] 23619

(i) "Minimum student density" means the lowest district 23620  
student density in the state. 23621

(ii) "District student density" means a school district's 23622  
transportation base divided by the number of square miles in the 23623  
district. 23624

(iii) "Statewide student density" means the sum of the 23625  
transportation bases for all school districts divided by the sum 23626  
of the square miles in all school districts. 23627

(6) In addition to funds paid under divisions (D)(2) to (5) 23628  
of this section, each district shall receive in accordance with 23629  
rules adopted by the state board of education a payment for 23630  
students transported by means other than board-owned or 23631  
contractor-operated buses and whose transportation is not funded 23632  
under division (G) of section 3317.024 of the Revised Code. The 23633  
rules shall include provisions for school district reporting of 23634  
such students. 23635

(E)(1) The department shall compute and distribute state 23636  
vocational education additional weighted costs funds to each 23637  
school district in accordance with the following formula: 23638

state share percentage X 23639  
the formula amount X 23640  
total vocational education weight 23641

In any fiscal year, a school district receiving funds under 23642  
division (E)(1) of this section shall spend those funds only for 23643  
the purposes that the department designates as approved for 23644  
vocational education expenses. Vocational educational expenses 23645  
approved by the department shall include only expenses connected 23646

to the delivery of career-technical programming to 23647  
career-technical students. The department shall require the school 23648  
district to report data annually so that the department may 23649  
monitor the district's compliance with the requirements regarding 23650  
the manner in which funding received under division (E)(1) of this 23651  
section may be spent. 23652

(2) The department shall compute for each school district 23653  
state funds for vocational education associated services in 23654  
accordance with the following formula: 23655

state share percentage X .05 X the formula amount X 23656  
the sum of categories one and two vocational education ADM 23657

In any fiscal year, a school district receiving funds under 23658  
division (E)(2) of this section, or through a transfer of funds 23659  
pursuant to division (L) of section 3317.023 of the Revised Code, 23660  
shall spend those funds only for the purposes that the department 23661  
designates as approved for vocational education associated 23662  
services expenses, which may include such purposes as 23663  
apprenticeship coordinators, coordinators for other vocational 23664  
education services, vocational evaluation, and other purposes 23665  
designated by the department. The department may deny payment 23666  
under division (E)(2) of this section to any district that the 23667  
department determines is not operating those services or is using 23668  
funds paid under division (E)(2) of this section, or through a 23669  
transfer of funds pursuant to division (L) of section 3317.023 of 23670  
the Revised Code, for other purposes. 23671

(F) The actual local share in any fiscal year for the 23672  
combination of special education and related services additional 23673  
weighted costs funding calculated under division (C)(1) of this 23674  
section, transportation funding calculated under divisions (D)(2) 23675

services additional weighted costs funding calculated under 23677  
divisions (E)(1) and (2) of this section shall not exceed for any 23678

school district the product of three and three-tenths mills times 23679  
the district's recognized valuation. The department annually shall 23680  
pay each school district as an excess cost supplement any amount 23681  
by which the sum of the district's attributed local shares for 23682  
that funding exceeds that product. For purposes of calculating the 23683  
excess cost supplement: 23684

(1) The attributed local share for special education and 23685  
related services additional weighted costs funding is the amount 23686  
specified in division (C)(2) of this section. 23687

(2) The attributed local share of transportation funding 23688  
equals the difference of the total amount calculated for the 23689  
district using the formula developed under division (D)(2) of this 23690  
section minus the actual amount paid to the district after 23691  
applying the percentage specified in division (D)(3) of this 23692  
section. 23693

(3) The attributed local share of vocational education and 23694  
associated services additional weighted costs funding is the 23695  
amount determined as follows: 23696

(1 - state share percentage) X 23697  
[(total vocational education weight X 23698  
the formula amount) + the payment under 23699  
division (E)(2) of this section] 23700

**Sec. 3317.023.** (A) Notwithstanding section 3317.022 of the 23701

Code; minus the number of students reported under division (A)(2) 23727

(1) Divide the number of the district's full-time equivalent classroom teachers employed by one twenty-fifth;

(2) Subtract the quotient in (1) from the district's regular student population;

(3) Multiply the difference in (2) by seven hundred fifty-two dollars.

(1) The mean annual salary of all full-time equivalent classroom teachers employed by the district at their respective training and experience levels minus;

(2) The mean annual salary of all such teachers at their respective levels in all school districts receiving payments under this section.

The number of full-time equivalent classroom teachers used in this computation shall not exceed one twenty-fifth of the district's regular student population. In calculating the district's mean salary under this division, those full-time equivalent classroom teachers with the highest training level shall be counted first, those with the next highest training level second, and so on, in descending order. Within the respective

training levels, teachers with the highest years of service shall 23770  
be counted first, the next highest years of service second, and so 23771

(2) Subtract the quotient in (1) from the district's regular 23785  
student population; 23786

(3) Multiply the difference in (2) by ninety-four dollars. 23787

(E) If a local school district, or a city or exempted village 23788  
school district to which a governing board of an educational 23789  
service center provides services pursuant to section 3313.843 of 23790

student pursuant to section 3317.013 or 3317.014 of the Revised 23853  
Code. 23854

(2) Deduct any amount credited pursuant to division (K)(1) of 23855

**Sec. 3317.025.** On or before the first day of June of each 24020  
year, the tax commissioner shall certify the following information 24021  
to the department of education and the office of budget and 24022  
management, for each school district in which the value of the 24023  
property described under division (A) of this section exceeds one 24024  
per cent of the taxable value of all real and tangible personal 24025  
property in the district or in which is located tangible personal 24026  
property designed for use or used in strip mining operations, 24027  
whose taxable value exceeds five million dollars, and the taxes 24028  
upon which the district is precluded from collecting by virtue of 24029  
legal proceedings to determine the value of such property: 24030

(A) The total taxable value of all property in the district 24031  
owned by a public utility or railroad that has filed a petition 24032  
for reorganization under the "Bankruptcy Act," 47 Stat. 1474 24033  
(1898), 11 U.S.C. 205, as amended, and all tangible personal 24034

which have not been paid in full on or before the first day of 24037  
April of that calendar year all real and tangible personal 24038

the district was precluded from collecting by virtue of 24040

date; 24047

(C) The product obtained by multiplying the value certified 24048  
under division (A) of this section by the percentage certified 24049

division (A) of this section includes taxable property owned by a 24051  
public utility or railroad that has filed a petition for 24052  
reorganization under the bankruptcy act, the amount used in making 24053

Upon receipt of the certification, the department shall 24058  
recompute the payments required under section 3317.022 of the 24059  
Revised Code in the manner the payments would have been computed 24060  
if: 24061

(1) The amount certified under division (C) of this section 24062

section 3317.021 of the Revised Code. 24065

(2) The amount of taxes charged and payable and unpaid and 24066  
used to make the computation under division (B) of this section 24067  
had not been levied and had not been used in the computation 24068  
required by division (B) of section 3317.021 of the Revised Code. 24069  
The department shall pay the district that amount in the ensuing 24070  
fiscal year in lieu of the amounts computed under section 3317.022 24071  
of the Revised Code. 24072

If a school district received a grant from the catastrophic 24073  
expenditures account pursuant to division (C) of section 3316.20 24074  
of the Revised Code on the basis of the same circumstances for 24075  
which a recomputation is made under this section, the amount of 24076  
the recomputation shall be reduced and transferred in accordance 24077  
with division (C) of section 3316.20 of the Revised Code. 24078

**Sec. 3317.026.** (A) As used in this section, "refunded taxes" 24079  
means taxes charged and payable from real and tangible personal 24080

property, including public utility property, that have been found 24081  
to have been overpaid as the result of reductions in the taxable 24082  
value of such property and that have been refunded, including any 24083  
interest or penalty refunded with those taxes. If taxes are 24084  
refunded over a period of time pursuant to division (B)(2), (3), 24085  
or (4) of section 319.36 or division (C) of section 5727.471 of 24086  
the Revised Code, the total amount of taxes required to be 24087  
refunded, excluding any interest accruing after the day the 24088  
undertaking is entered into, shall be considered to have been 24089  
refunded on the day the first portion of the overpayment is paid 24090  
or credited. 24091

(B) Not later than the last day of February each year, each 24092  
county auditor shall certify to the tax commissioner, for each 24093  
school district in the county, the amount of refunded taxes 24094  
refunded in the preceding calendar year and the reductions in 24095  
taxable value that resulted in those refunds, except for 24096  
reductions in taxable value that previously have been reported to 24097  
the tax commissioner on an abstract. If the tax commissioner 24098  
determines that the amount of refunded taxes certified for a 24099  
school district exceeds three per cent of the total taxes charged 24100  
and payable for current expenses of the school district for the 24101  
calendar year in which those taxes were refunded, the tax 24102  
commissioner shall certify the reductions in taxable value that 24103  
resulted in those refunds on or before the first day of June to 24104  
the department of education and the office of budget and 24105  
management. Upon receiving the certification by the tax 24106  
commissioner, the department of education shall reduce the total 24107  
taxable value of the school district, as defined in section 24108  
3317.02 of the Revised Code, by the total amount of the reductions 24109  
in taxable value that resulted in those refunds for the purpose of 24110  
computing the ~~SF-3 payment~~ state education aid for the school 24111  
district for the current fiscal year. The increase in the amount 24112  
of such aid resulting from the adjustment required by this section 24113

shall be paid to the school district ~~on or before the thirty first~~ 24114  
~~day of July of the following fiscal year. The payment date shall~~ 24115  
~~be determined by the director of budget and management. The~~ 24116  
~~director shall select a payment date that is not earlier than the~~ 24117  
~~first day of June of the current fiscal year and not later than~~ 24118  
~~the thirty-first day of July of the following fiscal year. The~~ 24119  
~~department of education shall not pay the district under this~~ 24120  
~~section prior to approval by the director of budget and management~~ 24121  
~~to make that payment.~~ 24122

If an adjustment is made under this division in the amount of 24123  
state aid paid to a school district, the tax value reductions from 24124  
which that adjustment results shall not be used in recomputing aid 24125  
to a school district under section 3317.027 of the Revised Code. 24126

(C) If a school district received a grant from the 24127  
catastrophic expenditures account pursuant to division (C) of 24128  
section 3316.20 of the Revised Code on the basis of the same 24129  
circumstances for which an adjustment is made under this section, 24130  
the amount of the adjustment shall be reduced and transferred in 24131  
accordance with division (C) of section 3316.20 of the Revised 24132  
Code. 24133

(D) Not later than the first day of June each year, the tax 24134  
commissioner shall certify to the department of education and the 24135  
office of budget and management for each school district the total 24136  
of the increases in taxable value above the amount of taxable 24137  
value on which tax was paid, as provided in division (B)(1) or (2) 24138  
of section 5727.47 of the Revised Code, as determined by the 24139  
commissioner, and for which a notification was sent pursuant to 24140  
section 5727.471 of the Revised Code, in the preceding calendar 24141  
year. Upon receiving the certification, the department shall 24142  
increase the total taxable value, as defined in section 3317.02 of 24143  
the Revised Code, of the school district by the total amount of 24144  
the increase in taxable value certified by the commissioner for 24145

the school district for the purpose of computing the school 24146  
district's ~~SF-3 payment~~ state education aid for the following 24147  
fiscal year. 24148

**Sec. 3317.027.** On or before the fifteenth day of May of each 24149  
year, the tax commissioner shall certify to the department of 24150  
education and the office of budget and management: 24151

(A) The amount by which applications filed under section 24152  
5713.38 of the Revised Code or complaints filed under section 24153  
5715.19 of the Revised Code resulted in a reduction in the second 24154  
preceding year's taxable value in each school district in which 24155  
such a reduction occurred, and the amount by which such reduction 24156  
reduced the district's taxes charged and payable for such year; 24157  
and 24158

(B) The taxes charged and payable for the second preceding 24159  
tax year that were remitted under section 5713.081 of the Revised 24160  
Code and the taxable value against which such taxes were imposed. 24161

Upon receipt of such certifications, the department shall 24162  
recompute the district's ~~SF-3 payment~~ state education aid and 24163  
determine the amount that the ~~SF-3 payment~~ state education aid 24164  
would have been ~~paid~~ had the taxable value not been used in the 24165  
computation made under division (A)(1) of section 3317.021 of the 24166  
Revised Code and had the taxes charged and payable not been 24167  
included in the certification made under division (A)(3) of such 24168  
section. The department shall calculate the amount that the 24169  
remainder of the fiscal year's payments should have been for the 24170  
fiscal year including the amount of the ~~SF-3 payment~~ state 24171  
education aid as recomputed. The increase or decrease in the 24172  
amount of aid resulting from the adjustment required under this 24173  
section shall be paid to the school district ~~on or before the~~ 24174  
~~thirty first day of July of the following fiscal year.~~ The payment 24175  
date shall be determined by the director of budget and management. 24176

The director shall select a payment date that is not earlier than 24177  
the first day of June of the current fiscal year and not later 24178  
than the thirty-first day of July of the following fiscal year. 24179  
The department of education shall not pay the district under this 24180  
section prior to approval by the director of budget and management 24181  
to make that payment. 24182

If a school district received a grant from the catastrophic 24183  
expenditures account pursuant to division (C) of section 3316.20 24184  
of the Revised Code on the basis of the same circumstances for 24185  
which a recomputation is made under this section, the amount of 24186  
the recomputation shall be reduced and transferred in accordance 24187  
with division (C) of section 3316.20 of the Revised Code. 24188

taxable value of all tangible personal property, including utility 24192  
tangible personal property, subject to taxation by the district in 24193  
the preceding tax year was less or greater than the taxable value 24194  
of such property during the second preceding tax year. If any such 24195  
decrease exceeds five per cent of the district's tangible personal 24196  
property taxable value included in the total taxable value used in 24197  
computing the district's ~~SF-3 payment~~ state education aid for the 24198

students at a student-teacher ratio of twenty to one; 0.5 is the 24480  
interval from a poverty index of 1.0 to a poverty index of 1.5; 24481  
and 16.667 is the difference in the number of teachers per one 24482  
thousand students at a student-teacher ratio of fifteen to one and 24483

the number of teachers per one thousand students at a 24484  
student-teacher ratio of twenty to one. 24485

(c) If the poverty index of the school district is greater 24486

a student-teacher ratio of twenty to one, and divide that product 24497  
by one thousand; 24498

(b) Subtract the quotient obtained in division (E)(3)(a) of 24499  
this section from the product in division (E)(2) of this section. 24500

(4) Multiply the greater of the difference obtained under 24501  
division (E)(3) of this section or zero by the statewide average 24502

teacher compensation" is ~~\$53,680~~ \$56,754 in fiscal year ~~2006~~ 2008 24504

English proficient student as follows: 24516

$$\{0.125 + [0.125 \times ((\text{poverty index} - 1.0)/0.75)]\} \times \text{formula amount} \quad 24517$$

X formula amount 24518

(2) If the district's poverty index is greater than or equal 24519  
to 1.75, the amount per limited English proficient student equals: 24520  
0.25 X formula amount 24521

(3) Multiply the per student amount determined for the 24522  
district under division (F)(1) or (2) of this section by the 24523  
number of the district's limited English proficient students, 24524  
times a phase-in percentage of ~~0.40 in fiscal year 2006 and~~ 0.70 24525

when it calculated the district's percentage of limited English 24529  
proficient students for its school district report card issued in 24530  
2003 for the 2002-2003 school year. 24531

~~Not later than December 31, 2006, the department of education 24532

(7) ~~Except as otherwise required by division (K) or permitted under division (O) of this section, all remaining funds distributed under this section to districts with a poverty index greater than or equal to 1.0 shall be utilized for the purpose of the third grade guarantee. The third grade guarantee consists of~~  
For increased classroom learning opportunities by increasing the amount of instructional attention received per pupil in kindergarten through third grade, either by reducing the ratio of students to instructional personnel or by increasing the amount of instruction and curriculum-related activities by extending the length of the school day or the school year.

School districts may implement a reduction of the ratio of students to instructional personnel through any or all of the following methods:

(a) Reducing the number of students in a classroom taught by a single teacher;

(b) Employing full-time educational aides or educational paraprofessionals, issued a permit or license under section 3319.088 of the Revised Code, who are engaged in classroom support activities;

(c) Instituting a team-teaching method that will result in a lower student-teacher ratio in a classroom.

Districts may extend the school day either by increasing the amount of time allocated for each class, increasing the number of classes provided per day, offering optional academic-related after-school programs, providing curriculum-related extra curricular activities, or establishing tutoring or remedial services for students who have demonstrated an educational need. In accordance with section 3319.089 of the Revised Code, a district extending the school day pursuant to this division may utilize a participant of the work experience program who has a

child enrolled in a public school in that district and who is 24699  
fulfilling the work requirements of that program by volunteering 24700  
or working in that public school. If the work experience program 24701  
participant is compensated, the school district may use the funds 24702  
distributed under this section for all or part of the 24703  
compensation. 24704

Districts may extend the school year either through adding 24705  
regular days of instruction to the school calendar or by providing 24706  
summer programs. 24707

(8) For early childhood programs or early learning programs, 24708  
as defined by the department of education, for children age three 24709  
or four who are not eligible for kindergarten; 24710

(9) To furnish, free of charge, materials used in courses of 24711  
instruction, except for the necessary textbooks or electronic 24712  
textbooks required to be furnished without charge pursuant to 24713  
section 3329.06 of the Revised Code, to pupils living in families 24714  
participating in Ohio works first in accordance with section 24715  
3313.642 of the Revised Code; 24716

(10) For programs designed to reduce nonacademic barriers to 24717  
learning, in accordance with guidelines developed by the 24718  
department of education; 24719

(11) For start-up costs associated with school breakfast 24720  
programs provided pursuant to section 3313.813 of the Revised 24721  
Code. 24722

A school district may apply to the department, in the form 24723  
and manner prescribed by the department, for a waiver to spend 24724  
funds paid under this section for programs not described in 24725  
divisions (J)(1) to (11) of this section. The waiver application 24726  
shall specify the rationale for the alternative expenditure and 24727  
the intended benefits for disadvantaged students. If the 24728  
department grants the waiver, the district may use funds paid 24729

under this section to implement the alternative program. 24730

~~(K) Each district shall not expend any funds received under

buildings with the highest concentration of need, unless there is  
a ratio of instructional personnel to students of no more than

buildings with the highest concentration of need. This division  
does not require that the funds used in buildings with the highest  
concentration of need be spent solely to reduce the ratio of  
instructional personnel to students in kindergarten and first  
grade. A school district may spend the funds in those buildings in  
any manner permitted by division (J)(7) of this section, but may

instructional personnel to students and its number of kindergarten 24808  
students receiving all day kindergarten appear reasonable, given 24809  
the amounts of money the district received for that fiscal year 24810

**Sec. 3317.0216.** (A) As used in this section: 24920

(1) "Total taxes charged and payable for current expenses" 24921

division (A)(3)(a) of section 3317.021 of the Revised Code less 24923  
any amounts reported under division (A)(3)(b) of that section, and 24924  
the tax distribution for the preceding year under any school 24925  
district income tax levied by the district pursuant to Chapter 24926  
5748. of the Revised Code to the extent the revenue from the 24927  
income tax is allocated or apportioned to current expenses. 24928

(2) "Charge-off amount" means two and three-tenths per cent 24929

attributed local shares described in divisions (F)(1) to (3) of 24935  
section 3317.022 of the Revised Code. Beginning in fiscal year 24936  
2003, the "actual local share of special education, 24937  
transportation, and vocational education funding" means that sum 24938  
minus the amount of any excess cost supplement payment calculated 24939  
for the district under division (F) of section 3317.022 of the 24940  
Revised Code. 24941

~~(4) "Current expense revenues from the tangible property tax~~ 24942  
~~replacement fund" means payments received from the school district~~ 24943

sections 5705.194 to 5705.197 of the Revised Code. 24948~~

(B) Upon receiving the certifications under section 3317.021 24949  
of the Revised Code, the department of education shall determine 24950  
for each city, local, and exempted village school district whether 24951  
the district's charge-off amount is greater than ~~the sum of the~~ 24952  
district's total taxes charged and payable for current expenses 24953  
~~and current expense revenues from the tangible property tax~~ 24954

division (A) of section 3317.022 of the Revised Code equals zero. 24958

(C)(1) If a district's charge-off amount is equal to or 24959  
greater than ~~the sum of~~ its total taxes charged and payable for 24960  
current expenses ~~and current expense revenues from the tangible~~ 24961  
~~property tax replacement fund~~, the department shall, in addition 24962  
to the payment required under division (B) of this section, pay 24963  
the district the amount of its actual local share of special 24964  
education, transportation, and vocational education funding. 24965

~~of~~ its total taxes charged and payable for current expenses ~~and~~ 24972  
~~current expense revenues from the tangible property tax~~ 24973  
~~replacement fund~~ minus its charge-off amount. 24974

(D) If a school district that received a payment under 24975  
division (B) or (C) of this section in the prior fiscal year is 24976  
ineligible for payment under those divisions in the current fiscal 24977  
year, the department shall determine if the ineligibility is the 24978

result of a property tax or income tax levy approved by the 24979  
district's voters to take effect in tax year 2005 or thereafter. 24980  
If the department determines that is the case, and calculates that 24981  
the levy causing the ineligibility exceeded by at least one mill 24982  
the equivalent millage of the prior year's payment under divisions 24983  
(B) and (C) of this section, the department shall make a payment 24984

eligibility for payment under divisions (B) and (C) of this 24986  
section, as follows: 24987

(1) In the first year of ineligibility, the department shall 24988  
pay the district seventy-five per cent of the amount it last paid 24989  
the district under divisions (B) and (C) of this section. 24990

(2) In the second year of ineligibility, the department shall 24991  
pay the district fifty per cent of the amount it last paid the 24992  
district under those divisions. 24993

(3) In the third year of ineligibility, the department shall 24994  
pay the district twenty-five per cent of the amount it last paid 24995  
the district under those divisions. 24996

(E) A district that receives payment under division (D) of 24997  
this section and subsequently qualifies for payment under division 24998  
(B) or (C) of this section is ineligible for future payments under 24999  
division (D) of this section. 25000

(F) To enable the department of education to make the 25001  
determinations and to calculate payments under division (D) of 25002  
this section, on ~~the effective date of this amendment~~ March 30, 25003  
2006, and on or before the first day of March of each year 25004  
thereafter, the department shall send to the tax commissioner a 25005  
list of school districts receiving payments under division (B) or 25006  
(C) of this section for the current fiscal year. On or before the 25007  
first day of the following June, the tax commissioner shall 25008  
certify to the department of education for those school districts 25009

the information required by division (A)(8) of section 3317.021 of 25010  
the Revised Code. 25011

**Sec. 3317.0217.** The payment of the amount calculated for a 25012  
school district under this section shall be made under division 25013  
(A) of section 3317.022 of the Revised Code. 25014

The department of education shall annually compute ~~and pay~~ 25015  
state parity aid to school districts, as follows: 25016

district, which equals the following sum: 25018

(1) Two-thirds times the quotient of (a) the district's 25019  
recognized valuation divided by (b) its formula ADM; plus 25020

(2) One-third times the quotient of (a) the average of the 25021  
total federal adjusted gross income of the school district's 25022  
residents for the three years most recently reported under section 25023  
3317.021 of the Revised Code divided by (b) its formula ADM. 25024

(B) Rank all school districts in order of local wealth per 25025  
pupil, from the district with the lowest local wealth per pupil to 25026  
the district with the highest local wealth per pupil. 25027

cost-of-doing-business factor of 1.0375 or greater, in accordance 25056  
with the following formula: 25057

$$\begin{aligned} & \text{Payment percentage X } \$60,000 \text{ X} & 25058 \\ & (1 - \text{income factor}) \text{ X } 4/15 \text{ X } 0.023 & 25059 \end{aligned}$$

(D) of this section, except as follows: 25386

(a) A child with a ~~handicap~~ disability described in section 25387  
3317.013 of the Revised Code may be counted both in formula ADM 25388  
and in category one, two, three, four, five, or six special 25389  
education ADM and, if applicable, in category one or two 25390  
vocational education ADM. As provided in division (C) of section 25391  
3317.02 of the Revised Code, such a child shall be counted in 25392  
category one, two, three, four, five, or six special education ADM 25393  
in the same proportion that the child is counted in formula ADM. 25394

(b) A child enrolled in vocational education programs or 25395  
classes described in section 3317.014 of the Revised Code may be 25396  
counted both in formula ADM and category one or two vocational 25397  
education ADM and, if applicable, in category one, two, three, 25398  
four, five, or six special education ADM. Such a child shall be 25399  
counted in category one or two vocational education ADM in the 25400  
same proportion as the percentage of time that the child spends in 25401  
the vocational education programs or classes. 25402

(4) Based on the information reported under this section, the 25403  
department of education shall determine the total student count, 25404  
as defined in section 3301.011 of the Revised Code, for each 25405  
school district. 25406

(D)(1) The superintendent of each joint vocational school 25407  
district shall certify to the superintendent of public instruction 25408  
on or before the fifteenth day of October in each year for the 25409

first full school week in October the formula ADM. Beginning in 25410  
fiscal year 2007, each superintendent also shall certify to the 25411  
state superintendent the formula ADM for the first full week in 25412  
February. If a school operated by the joint vocational school 25413  
district is closed for one or more days during that week due to 25414  
hazardous weather conditions or other circumstances described in 25415  
the first paragraph of division (B) of section 3317.01 of the 25416  
Revised Code, the superintendent may apply to the superintendent 25417  
of public instruction for a waiver, under which the superintendent 25418  
of public instruction may exempt the district superintendent from 25419  
certifying the formula ADM for that school for that week and 25420  
specify an alternate week for certifying the formula ADM of that 25421  
school. 25422

The formula ADM, except as otherwise provided in this 25423  
division, shall consist of the average daily membership during 25424  
such week, on an FTE basis, of the number of students receiving 25425  
any educational services from the district, including students 25426  
enrolled in a community school established under Chapter 3314. or 25427  
a science, technology, engineering, and mathematics school 25428  
established under Chapter 3326. of the Revised Code who are 25429  
attending the joint vocational district under an agreement between 25430  
the district board of education and the governing authority of the 25431  
community school or the science, technology, engineering, and 25432  
mathematics school and are entitled to attend school in a city, 25433  
local, or exempted village school district whose territory is part 25434  
of the territory of the joint vocational district. Beginning in 25435  
fiscal year 2007, in the case of the report submitted for the 25436  
first week in February, or the alternative week if specified by 25437  
the superintendent of public instruction, the superintendent of 25438  
the joint vocational school district may include the number of 25439  
students reported under division (D)(1) of this section for the 25440  
first full week of the preceding October but who since that week 25441  
have received high school diplomas. 25442

(2) To enable the department of education to obtain the data needed to complete the calculation of payments pursuant to this chapter, in addition to the formula ADM, each superintendent shall report separately the average daily membership included in the report under division (D)(1) of this section for each of the following categories of students for the same week for which formula ADM is certified:	25457 25458 25459 25460 25461 25462 25463

(E) In each school of each city, local, exempted village, joint vocational, and cooperative education school district there shall be maintained a record of school membership, which record	25500 25501 25502

shall accurately show, for each day the school is in session, the 25503  
actual membership enrolled in regular day classes. For the purpose 25504  
of determining average daily membership, the membership figure of 25505  
any school shall not include any pupils except those pupils 25506  
described by division (A) of this section. The record of 25507  
membership for each school shall be maintained in such manner that 25508  
no pupil shall be counted as in membership prior to the actual 25509  
date of entry in the school and also in such manner that where for 25510  
any cause a pupil permanently withdraws from the school that pupil 25511  
shall not be counted as in membership from and after the date of 25512  
such withdrawal. There shall not be included in the membership of 25513  
any school any of the following: 25514

(1) Any pupil who has graduated from the twelfth grade of a 25515  
public or nonpublic high school; 25516

(2) Any pupil who is not a resident of the state; 25517

(3) Any pupil who was enrolled in the schools of the district 25518  
during the previous school year when tests were administered under 25519  
section 3301.0711 of the Revised Code but did not take one or more 25520  
of the tests required by that section and was not excused pursuant 25521  
to division (C)(1) or (3) of that section; 25522

(4) Any pupil who has attained the age of twenty-two years, 25523  
except for veterans of the armed services whose attendance was 25524  
interrupted before completing the recognized twelve-year course of 25525  
the public schools by reason of induction or enlistment in the 25526  
armed forces and who apply for reenrollment in the public school 25527  
system of their residence not later than four years after 25528  
termination of war or their honorable discharge. 25529

If, however, any veteran described by division (E)(4) of this 25530  
section elects to enroll in special courses organized for veterans 25531  
for whom tuition is paid under the provisions of federal laws, or 25532  
otherwise, that veteran shall not be included in average daily 25533

membership. 25534

Notwithstanding division (E)(3) of this section, the 25535  
membership of any school may include a pupil who did not take a 25536  
test required by section 3301.0711 of the Revised Code if the 25537  
superintendent of public instruction grants a waiver from the 25538  
requirement to take the test to the specific pupil and a parent is 25539  
not paying tuition for the pupil pursuant to section 3313.6410 of 25540  
the Revised Code. The superintendent may grant such a waiver only 25541  
for good cause in accordance with rules adopted by the state board 25542  
of education. 25543

Except as provided in divisions (B)(2) and (F) of this 25544  
section, the average daily membership figure of any local, city, 25545  
exempted village, or joint vocational school district shall be 25546  
determined by dividing the figure representing the sum of the 25547  
number of pupils enrolled during each day the school of attendance 25548  
is actually open for instruction during the week for which the 25549  
formula ADM is being certified by the total number of days the 25550  
school was actually open for instruction during that week. For 25551  
purposes of state funding, "enrolled" persons are only those 25552  
pupils who are attending school, those who have attended school 25553  
during the current school year and are absent for authorized 25554  
reasons, and those ~~handicapped~~ children with disabilities 25555  
currently receiving home instruction. 25556

The average daily membership figure of any cooperative 25557  
education school district shall be determined in accordance with 25558  
rules adopted by the state board of education. 25559

(F)(1) If the formula ADM for the first full school week in 25560  
February is at least three per cent greater than that certified 25561  
for the first full school week in the preceding October, the 25562  
superintendent of schools of any city, exempted village, or joint 25563  
vocational school district or educational service center shall 25564  
certify such increase to the superintendent of public instruction. 25565

Such certification shall be submitted no later than the fifteenth 25566  
day of February. For the balance of the fiscal year, beginning 25567  
with the February payments, the superintendent of public 25568  
instruction shall use the increased formula ADM in calculating or 25569  
recalculating the amounts to be allocated in accordance with 25570  
section 3317.022 or 3317.16 of the Revised Code. In no event shall 25571  
the superintendent use an increased membership certified to the 25572  
superintendent after the fifteenth day of February. Division 25573  
(F)(1) of this section does not apply after fiscal year 2006. 25574

(2) If on the first school day of April the total number of 25575  
classes or units for ~~handicapped~~ preschool children with 25576  
disabilities that are eligible for approval under division (B) of 25577  
section 3317.05 of the Revised Code exceeds the number of units 25578  
that have been approved for the year under that division, the 25579  
superintendent of schools of any city, exempted village, or 25580  
cooperative education school district or educational service 25581  
center shall make the certifications required by this section for 25582  
that day. If the department determines additional units can be 25583  
approved for the fiscal year within any limitations set forth in 25584  
the acts appropriating moneys for the funding of such units, the 25585  
department shall approve additional units for the fiscal year on 25586  
the basis of such average daily membership. For each unit so 25587  
approved, the department shall pay an amount computed in the 25588  
manner prescribed in section 3317.052 or 3317.19 and section 25589  
3317.053 of the Revised Code. 25590

(3) If a student attending a community school under Chapter 25591  
3314. or a science, technology, engineering, and mathematics 25592  
school established under Chapter 3326. of the Revised Code is not 25593  
included in the formula ADM certified for the school district in 25594  
which the student is entitled to attend school under section 25595  
3313.64 or 3313.65 of the Revised Code, the department of 25596  
education shall adjust the formula ADM of that school district to 25597

include the ~~community school~~ student in accordance with division 25598  
(C)(2) of this section, and shall recalculate the school 25599  
district's payments under this chapter for the entire fiscal year 25600  
on the basis of that adjusted formula ADM. This requirement 25601  
applies regardless of whether the student was enrolled, as defined 25602  
in division (E) of this section, in the community school or the 25603  
science, technology, engineering, and mathematics school during 25604  
the week for which the formula ADM is being certified. 25605

(4) If a student awarded an educational choice scholarship is 25606  
not included in the formula ADM of the school district from which 25607  
the department deducts funds for the scholarship under section 25608  
3310.08 of the Revised Code, the department shall adjust the 25609  
formula ADM of that school district to include the student to the 25610  
extent necessary to account for the deduction, and shall 25611  
recalculate the school district's payments under this chapter for 25612  
the entire fiscal year on the basis of that adjusted formula ADM. 25613  
This requirement applies regardless of whether the student was 25614  
enrolled, as defined in division (E) of this section, in the 25615  
chartered nonpublic school, the school district, or a community 25616  
school during the week for which the formula ADM is being 25617  
certified. 25618

(G)(1)(a) The superintendent of an institution operating a 25619  
special education program pursuant to section 3323.091 of the 25620  
Revised Code shall, for the programs under such superintendent's 25621  
supervision, certify to the state board of education, in the 25622  
manner prescribed by the superintendent of public instruction, 25623  
both of the following: 25624

(i) The average daily membership of all ~~handicapped~~ children 25625  
with disabilities other than ~~handicapped~~ preschool children with 25626  
disabilities receiving services at the institution for each 25627  
category of ~~handicap~~ disability described in divisions (A) to (F) 25628  
of section 3317.013 of the Revised Code; 25629

(ii) The average daily membership of all ~~handicapped~~ 25630  
preschool children with disabilities in classes or programs 25631  
approved annually by the department of education for unit funding 25632  
under section 3317.05 of the Revised Code. 25633

(b) The superintendent of an institution with vocational 25634  
education units approved under division (A) of section 3317.05 of 25635  
the Revised Code shall, for the units under the superintendent's 25636  
supervision, certify to the state board of education the average 25637  
daily membership in those units, in the manner prescribed by the 25638  
superintendent of public instruction. 25639

(2) The superintendent of each county MR/DD board that 25640  
maintains special education classes under section 3317.20 of the 25641  
Revised Code or units approved pursuant to section 3317.05 of the 25642  
Revised Code shall do both of the following: 25643

(a) Certify to the state board, in the manner prescribed by 25644  
the board, the average daily membership in classes under section 25645  
3317.20 of the Revised Code for each school district that has 25646  
placed children in the classes; 25647

(b) Certify to the state board, in the manner prescribed by 25648  
the board, the number of all ~~handicapped~~ preschool children with 25649  
disabilities enrolled as of the first day of December in classes 25650  
eligible for approval under division (B) of section 3317.05 of the 25651  
Revised Code, and the number of those classes. 25652

(3)(a) If on the first school day of April the number of 25653  
classes or units maintained for ~~handicapped~~ preschool children 25654  
with disabilities by the county MR/DD board that are eligible for 25655  
approval under division (B) of section 3317.05 of the Revised Code 25656  
is greater than the number of units approved for the year under 25657  
that division, the superintendent shall make the certification 25658  
required by this section for that day. 25659

(b) If the department determines that additional classes or 25660

units can be approved for the fiscal year within any limitations 25661  
set forth in the acts appropriating moneys for the funding of the 25662  
classes and units described in division (G)(3)(a) of this section, 25663  
the department shall approve and fund additional units for the 25664  
fiscal year on the basis of such average daily membership. For 25665  
each unit so approved, the department shall pay an amount computed 25666  
in the manner prescribed in sections 3317.052 and 3317.053 of the 25667  
Revised Code. 25668

(H) Except as provided in division (I) of this section, when 25669  
any city, local, or exempted village school district provides 25670  
instruction for a nonresident pupil whose attendance is 25671  
unauthorized attendance as defined in section 3327.06 of the 25672  
Revised Code, that pupil's membership shall not be included in 25673  
that district's membership figure used in the calculation of that 25674  
district's formula ADM or included in the determination of any 25675  
unit approved for the district under section 3317.05 of the 25676  
Revised Code. The reporting official shall report separately the 25677  
average daily membership of all pupils whose attendance in the 25678  
district is unauthorized attendance, and the membership of each 25679  
such pupil shall be credited to the school district in which the 25680  
pupil is entitled to attend school under division (B) of section 25681  
3313.64 or section 3313.65 of the Revised Code as determined by 25682  
the department of education. 25683

(I)(1) A city, local, exempted village, or joint vocational 25684  
school district admitting a scholarship student of a pilot project 25685  
district pursuant to division (C) of section 3313.976 of the 25686  
Revised Code may count such student in its average daily 25687  
membership. 25688

(2) In any year for which funds are appropriated for pilot 25689  
project scholarship programs, a school district implementing a 25690  
state-sponsored pilot project scholarship program that year 25691  
pursuant to sections 3313.974 to 3313.979 of the Revised Code may 25692

count in average daily membership: 25693

(a) All children residing in the district and utilizing a 25694  
scholarship to attend kindergarten in any alternative school, as 25695  
defined in section 3313.974 of the Revised Code; 25696

(b) All children who were enrolled in the district in the 25697  
preceding year who are utilizing a scholarship to attend any such 25698  
alternative school. 25699

(J) The superintendent of each cooperative education school 25700  
district shall certify to the superintendent of public 25701  
instruction, in a manner prescribed by the state board of 25702  
education, the applicable average daily memberships for all 25703  
students in the cooperative education district, also indicating 25704  
the city, local, or exempted village district where each pupil is 25705  
entitled to attend school under section 3313.64 or 3313.65 of the 25706  
Revised Code. 25707

(K) If the superintendent of public instruction determines 25708  
that a component of the formula ADM certified or reported by a 25709  
district superintendent, or other reporting entity, is not 25710  
correct, the superintendent of public instruction may order that 25711  
the formula ADM used for the purposes of payments under any 25712  
section of Title XXXVIII of the Revised Code be adjusted in the 25713  
amount of the error. 25714

**Sec. 3317.031.** A membership record shall be kept by grade 25715  
level in each city, local, exempted village, joint vocational, and 25716  
cooperative education school district and such a record shall be 25717  
kept by grade level in each educational service center that 25718  
provides academic instruction to pupils, classes for ~~handicapped~~ 25719  
pupils with disabilities, or any other direct instructional 25720

following information for each pupil enrolled: Name, date of 25722  
birth, name of parent, date entered school, date withdrawn from 25723

school, days present, days absent, and the number of days school 25724

days present, the total days absent, and the total days due for 25727  
all pupils in each grade. Such membership record shall show the 25728  
pupils that are transported to and from school and it shall also 25729  
show the pupils that are transported living within one mile of the 25730  
school attended. This membership record shall also show any other 25731  
information prescribed by the state board of education. 25732

This membership record shall be kept intact for at least five 25733  
years and shall be made available to the state board of education 25734  
or its representative in making an audit of the average daily 25735  
membership or the transportation of the district or educational 25736  
service center. The membership records of local school districts 25737  
shall be filed at the close of each school year in the office of 25738  
the educational service center superintendent. 25739

The state board of education may withhold any money due any 25740

3317.022 to 3317.0211, 3317.11, 3317.16, 3317.17, or 3317.19 of 25742  
the Revised Code until it has satisfactory evidence that the board 25743  
of education or educational service center governing board has 25744  
fully complied with all of the provisions of this section. 25745

Nothing in this section shall require any person to release, 25746  
or to permit access to, public school records in violation of 25747  
section 3319.321 of the Revised Code. 25748

special education program pursuant to section 3323.091 of the 25752  
Revised Code shall, in accordance with procedures adopted by the 25753  
state board of education, maintain a record of district membership 25754

of both of the following: 25755

school districts under division (I) of section 3317.024 of the 26136  
Revised Code for purposes of this section may be disbursed without 26137  
submission to and approval of the controlling board. 26138

The allocation of payments for materials, equipment, 26139  
textbooks, electronic textbooks, health services, and remedial 26140  
services to city, local, and exempted village school districts 26141  
shall be on the basis of the state board of education's estimated 26142  
annual average daily membership in nonpublic elementary and high 26143  
schools located in the district. 26144

Payments made to city, local, and exempted village school 26145  
districts under this section shall be equal to specific 26146  
appropriations made for the purpose. All interest earned by a 26147  
school district on such payments shall be used by the district for 26148  
the same purposes and in the same manner as the payments may be 26149  
used. 26150

The department of education shall adopt guidelines and 26151  
procedures under which such programs and services shall be 26152  
provided, under which districts shall be reimbursed for 26153  
administrative costs incurred in providing such programs and 26154  
services, and under which any unexpended balance of the amounts 26155  
appropriated by the general assembly to implement this section may 26156  
be transferred to the auxiliary services personnel unemployment 26157  
compensation fund established pursuant to section 4141.47 of the 26158  
Revised Code. The department shall also adopt guidelines and 26159  
procedures limiting the purchase and loan of the items described 26160  
in division (K) of this section to items that are in general use 26161  
in the public schools of the state, that are incapable of 26162

diversion to religious use, and that are susceptible to individual 26163  
use rather than classroom use. Within thirty days after the end of 26164  
each biennium, each board of education shall remit to the 26165  
department all moneys paid to it under division (I) of section 26166  
3317.024 of the Revised Code and any interest earned on those 26167  
moneys that are not required to pay expenses incurred under this 26168  
section during the biennium for which the money was appropriated 26169  
and during which the interest was earned. If a board of education 26170  
subsequently determines that the remittal of moneys leaves the 26171  
board with insufficient money to pay all valid expenses incurred 26172  
under this section during the biennium for which the remitted 26173  
money was appropriated, the board may apply to the department of 26174  
education for a refund of money, not to exceed the amount of the 26175  
insufficiency. If the department determines the expenses were 26176  
lawfully incurred and would have been lawful expenditures of the 26177  
refunded money, it shall certify its determination and the amount 26178  
of the refund to be made to the director of job and family 26179  
services who shall make a refund as provided in section 4141.47 of 26180  
the Revised Code. 26181

Each school district shall label materials, equipment, 26182  
computer hardware or software, textbooks, and electronic textbooks 26183  
purchased or leased for loan to a nonpublic school under this 26184  
section, acknowledging that they were purchased or leased with 26185  
state funds under this section. However, a district need not label 26186  
materials, equipment, computer hardware or software, textbooks, or 26187  
electronic textbooks that the district determines are consumable 26188  
in nature or have a value of less than two hundred dollars. 26189

**Sec. 3317.063.** The superintendent of public instruction, in 26190  
accordance with rules adopted by the department of education, 26191  
shall annually reimburse each chartered nonpublic school for the 26192  
actual mandated service administrative and clerical costs incurred 26193  
by such school during the preceding school year in preparing, 26194

maintaining, and filing reports, forms, and records, and in 26195  
providing such other administrative and clerical services that are 26196  
not an integral part of the teaching process as may be required by 26197  
state law or rule or by requirements duly promulgated by city, 26198  
exempted village, or local school districts. The mandated service 26199  
costs reimbursed pursuant to this section shall include, but are 26200  
not limited to, the preparation, filing and maintenance of forms, 26201  
reports, or records and other clerical and administrative services 26202  
relating to state chartering or approval of the nonpublic school, 26203  
pupil attendance, pupil health and health testing, transportation 26204  
of pupils, federally funded education programs, pupil appraisal, 26205  
pupil progress, educator licensure, unemployment and workers' 26206  
compensation, transfer of pupils, and such other education related 26207  
data which are now or hereafter shall be required of such 26208  
nonpublic school by state law or rule, or by requirements of the 26209  
state department of education, other state agencies, or city, 26210  
exempted village, or local school districts. 26211

The reimbursement required by this section shall be for 26212  
school years beginning on or after July 1, 1981. 26213

Each nonpublic school which seeks reimbursement pursuant to 26214  
this section shall submit to the superintendent of public 26215  
instruction an application together with such additional reports 26216  
and documents as the department of education may require. Such 26217  
application, reports, and documents shall contain such information 26218  
as the department of education may prescribe in order to carry out 26219  
the purposes of this section. No payment shall be made until the 26220  
superintendent of public instruction has approved such 26221  
application. 26222

Each nonpublic school which applies for reimbursement 26223  
pursuant to this section shall maintain a separate account or 26224  
system of accounts for the expenses incurred in rendering the 26225  
required services for which reimbursement is sought. Such accounts 26226

shall contain such information as is required by the department of 26227  
education and shall be maintained in accordance with rules adopted 26228  
by the department of education. 26229

Reimbursement payments to a nonpublic school pursuant to this 26230  
section shall not exceed an amount for each school year equal to 26231  
~~two~~ three hundred ~~seventy-five~~ dollars per pupil enrolled in that 26232  
nonpublic school. 26233

The superintendent of public instruction may, from time to 26234  
time, examine any and all accounts and records of a nonpublic 26235  
school which have been maintained pursuant to this section in 26236  
support of an application for reimbursement, for the purpose of 26237  
determining the costs to such school of rendering the services for 26238  
which reimbursement is sought. If after such audit it is 26239  
determined that any school has received funds in excess of the 26240  
actual cost of providing such services, said school shall 26241  
immediately reimburse the state in such excess amount. 26242

Any payments made to chartered nonpublic schools under this 26243  
section may be disbursed without submission to and approval of the 26244  
controlling board. 26245

**Sec. 3317.07.** The state board of education shall establish 26246  
rules for the purpose of distributing subsidies for the purchase 26247  
of school buses under division (D) of section 3317.024 of the 26248  
Revised Code. 26249

No school bus subsidy payments shall be paid to any district 26250  
unless such district can demonstrate that pupils residing more 26251  
than one mile from the school could not be transported without 26252  
such additional aid. 26253

The amount paid to a county MR/DD board for buses purchased 26254  
for transportation of children in special education programs 26255  
operated by the board shall be based on a per pupil allocation for 26256

eligible students. 26257

The amount paid to a school district for buses purchased for 26258  
transportation of ~~handicapped~~ pupils with disabilities and 26259  
nonpublic school pupils shall be determined by a per pupil 26260  
allocation based on the number of special education and nonpublic 26261  
school pupils for whom transportation is provided. 26262

The state board of education shall adopt a formula to 26263  
determine the amount of payments that shall be distributed to 26264  
school districts to purchase school buses for pupils other than 26265  
~~handicapped~~ pupils with disabilities or nonpublic school pupils. 26266

If any district or MR/DD board obtains bus services for pupil 26267  
transportation pursuant to a contract, such district or board may 26268  
use payments received under this section to defray the costs of 26269  
contracting for bus services in lieu of for purchasing buses. 26270

If the department of education determines that a county MR/DD 26271  
board no longer needs a school bus because the board no longer 26272  
transports children to a special education program operated by the 26273  
board, or if the department determines that a school district no 26274  
longer needs a school bus to transport pupils to a nonpublic 26275  
school or special education program, the department may reassign a 26276  
bus that was funded with payments provided pursuant to this 26277  
section for the purpose of transporting such pupils. The 26278  
department may reassign a bus to a county MR/DD board or school 26279  
district that transports children to a special education program 26280  
designated in the children's individualized education plans, or to 26281  
a school district that transports pupils to a nonpublic school, 26282  
and needs an additional school bus. 26283

**Sec. 3317.08.** A board of education may admit to its schools a 26284  
child it is not required by section 3313.64 or 3313.65 of the 26285  
Revised Code to admit, if tuition is paid for the child. 26286

Unless otherwise provided by law, tuition shall be computed 26287  
in accordance with this section. A district's tuition charge for a 26288  
school year shall be one of the following: 26289

(A) For any child, except a ~~handicapped~~ preschool child with 26290  
a disability described in division (B) of this section, the 26291  
quotient obtained by dividing the sum of the amounts described in 26292  
divisions (A)(1) and (2) of this section by the district's formula 26293  
ADM. 26294

(1) The district's total taxes charged and payable for 26295  
current expenses for the tax year preceding the tax year in which 26296  
the school year begins as certified under division (A)(3) of 26297  
section 3317.021 of the Revised Code. 26298

(2) The district's total taxes collected for current expenses 26299  
under a school district income tax adopted pursuant to section 26300

district during the fiscal year. On or before the first day of 26302  
June of each year, the tax commissioner shall certify the amount 26303  
to be used in the calculation under this division for the next 26304  
fiscal year to the department of education and the office of 26305  
budget and management for each city, local, and exempted village 26306  
school district that levies a school district income tax. 26307

(B) For any ~~handicapped~~ preschool child with a disability not 26308  
included in a unit approved under division (B) of section 3317.05 26309  
of the Revised Code, an amount computed for the school year as 26310  
follows: 26311

(1) For each type of special education service provided to 26312  
the child for whom tuition is being calculated, determine the 26313  
amount of the district's operating expenses in providing that type 26314  
of service to all ~~handicapped~~ preschool children with disabilities 26315  
not included in units approved under division (B) of section 26316  
3317.05 of the Revised Code; 26317

(2) For each type of special education service for which 26318  
operating expenses are determined under division (B)(1) of this 26319  
section, determine the amount of such operating expenses that was 26320  
paid from any state funds received under this chapter; 26321

(3) For each type of special education service for which 26322  
operating expenses are determined under division (B)(1) of this 26323  
section, divide the difference between the amount determined under 26324  
division (B)(1) of this section and the amount determined under 26325  
division (B)(2) of this section by the total number of ~~handicapped~~ 26326  
preschool children with disabilities not included in units 26327  
approved under division (B) of section 3317.05 of the Revised Code 26328  
who received that type of service; 26329

(4) Determine the sum of the quotients obtained under 26330  
division (B)(3) of this section for all types of special education 26331  
services provided to the child for whom tuition is being 26332  
calculated. 26333

The state board of education shall adopt rules defining the 26334  
types of special education services and specifying the operating 26335  
expenses to be used in the computation under this section. 26336

If any child for whom a tuition charge is computed under this 26337  
section for any school year is enrolled in a district for only 26338  
part of that school year, the amount of the district's tuition 26339  
charge for the child for the school year shall be computed in 26340  
proportion to the number of school days the child is enrolled in 26341  
the district during the school year. 26342

Except as otherwise provided in division (J) of section 26343  
3313.64 of the Revised Code, whenever a district admits a child to 26344  
its schools for whom tuition computed in accordance with this 26345  
section is an obligation of another school district, the amount of 26346  
the tuition shall be certified by the treasurer of the board of 26347  
education of the district of attendance, to the board of education 26348

of the district required to pay tuition for its approval and 26349  
payment. If agreement as to the amount payable or the district 26350  
required to pay the tuition cannot be reached, or the board of 26351  
education of the district required to pay the tuition refuses to 26352  
pay that amount, the board of education of the district of 26353  
attendance shall notify the superintendent of public instruction. 26354  
The superintendent shall determine the correct amount and the 26355  
district required to pay the tuition and shall deduct that amount, 26356  
if any, under division (G) of section 3317.023 of the Revised 26357  
Code, from the district required to pay the tuition and add that 26358  
amount to the amount allocated to the district attended under such 26359  
division. The superintendent of public instruction shall send to 26360  
the district required to pay the tuition an itemized statement 26361  
showing such deductions at the time of such deduction. 26362

When a political subdivision owns and operates an airport, 26363  
welfare, or correctional institution or other project or facility 26364  
outside its corporate limits, the territory within which the 26365  
facility is located is exempt from taxation by the school district 26366  
within which such territory is located, and there are school age 26367  
children residing within such territory, the political subdivision 26368  
owning such tax exempt territory shall pay tuition to the district 26369  
in which such children attend school. The tuition for these 26370  
children shall be computed as provided for in this section. 26371

**Sec. 3317.15.** (A) As used in this section, "~~handicapped~~ child 26372  
with a disability" has the same meaning as in section 3323.01 of 26373  
the Revised Code. 26374

(B) Each city, exempted village, local, and joint vocational 26375  
school district shall continue to comply with all requirements of 26376  
federal statutes and regulations, the Revised Code, and rules 26377  
adopted by the state board of education governing education of 26378

Revised Code, the county MR/DD board of that county, in providing 26387  
services that serve the best interests of ~~handicapped~~ children 26388  
with disabilities. 26389

(D) Each school district shall annually provide documentation 26390  
to the department of education that it employs the appropriate 26391  
number of licensed or certificated personnel to serve the 26392  
district's ~~handicapped~~ students with disabilities. 26393

(E) The department annually shall audit a sample of school 26394  
districts to ensure that ~~handicapped~~ children with disabilities 26395  
are being appropriately reported. 26396

(F) Each school district shall provide speech-language 26397

provide school psychological services at a ratio of one school 26401  
psychologist per two thousand five hundred students receiving any 26402  
educational services from the district other than adult education. 26403  
A district may obtain the services of speech-language pathologists 26404  
and school psychologists by any means permitted by law, including 26405  
contracting with an educational service center. If, however, a 26406  
district is unable to obtain the services of the required number 26407  
of speech-language pathologists or school psychologists, the 26408  
district may request from the superintendent of public 26409  
instruction, and the superintendent may grant, a waiver of this 26410  
provision for a period of time established by the superintendent. 26411

the electors of the district approved a bond issue to pay the 26977  
district's portion of the basic project cost. The percentile 26978

commission only to determine when the district is eligible for 26980  
assistance under sections 3318.01 to 3318.20 of the Revised Code 26981  
and shall not be used to calculate the district's portion of the 26982  
basic project cost. For this purpose, the commission annually 26983  
shall notify the department of all school districts that have 26984  
become subject to division (F) of section 3318.36 of the Revised 26985

project cost but that are related to the district's project. If 27028  
the district board adopts a resolution in favor of using those 27029  
investment earnings as authorized under division (B)(2) of this 27030  
section, the treasurer shall disburse the amount as designated and 27031  
directed by the board. However, if the district board chooses to 27032  
use any part of the investment earnings for classroom facilities 27033  
or portions or components of classroom facilities that are not 27034  
included in the basic project cost, as authorized under division 27035  
(B)(2) of this section, and, subsequently, the cost of the project 27036  
exceeds the amount in the project construction fund, the district 27037  
board shall restore to the project construction fund the full 27038  
amount of the investment earnings used under division (B)(2) of 27039

for maintaining the classroom facilities included in the project; 27052

(c) Transferred to the district's permanent improvement fund. 27053

(2) Any investment earnings remaining in the project 27054  
construction fund that are attributable to the state's 27055  
contribution to the fund shall be transferred to the commission 27056  
for expenditure pursuant to sections 3318.01 to 3318.20 or 27057

sections 3318.40 to 3318.45 of the Revised Code. 27058

for future expenditures for projects under sections 3318.40 to 27070  
3318.45 of the Revised Code, notwithstanding the two per cent 27071  
annual limit specified in division (B) of section 3318.40 of the 27072  
Revised Code. 27073

the Revised Code as prescribed by the general assembly. 27085

**Sec. 3318.26.** (A) The provisions of this section apply only 27086  
to obligations issued by the issuing authority prior to December 27087

issuing authority's judgment to carry out this section. The costs 27116  
of such services are payable from the school building program 27117  
assistance fund or any special fund determined by the issuing 27118  
authority. 27119

(C) The holders or owners of such obligations shall have no 27120  
right to have moneys raised by taxation obligated or pledged, and 27121  
moneys raised by taxation shall not be obligated or pledged, for 27122  
the payment of bond service charges. Such holders or owners shall 27123  
have no rights to payment of bond service charges from any money 27124  
or property received by the commission, treasurer of state, or the 27125  
state, or from any other use of the proceeds of the sale of the 27126  
obligations, and no such moneys may be used for the payment of 27127  
bond service charges, except for accrued interest, capitalized 27128  
interest, and reserves funded from proceeds received upon the sale 27129  
of the obligations and except as otherwise expressly provided in 27130  
the applicable bond proceedings pursuant to written directions by 27131  
the treasurer of state. The right of such holders and owners to 27132  
payment of bond service charges shall be limited to all or that 27133  
portion of the pledged receipts and those special funds pledged 27134  
thereto pursuant to the bond proceedings in accordance with this 27135  
section, and each such obligation shall bear on its face a 27136  
statement to that effect. 27137

(D) Obligations shall be authorized by resolution or order of 27138  
the issuing authority and the bond proceedings shall provide for 27139  
the purpose thereof and the principal amount or amounts, and shall 27140

issued under this section, subject to any applicable limitation 27149  
under section 3318.29 of the Revised Code. The purpose of such 27150  
obligations may be stated in the bond proceedings in terms 27151  
describing the general purpose or purposes to be served. The bond 27152

proceedings shall also provide, subject to the provisions of any 27153  
other applicable bond proceedings, for the pledge of all, or such 27154  
part as the issuing authority may determine, of the pledged 27155  
receipts and the applicable special fund or funds to the payment 27156  
of bond service charges, which pledges may be made either prior or 27157  
subordinate to other expenses, claims, or payments, and may be 27158  
made to secure the obligations on a parity with obligations 27159  
theretofore or thereafter issued, if and to the extent provided in 27160  
the bond proceedings. The pledged receipts and special funds so 27161  
pledged and thereafter received by the state are immediately 27162  
subject to the lien of such pledge without any physical delivery 27163  
thereof or further act, and the lien of any such pledges is valid 27164  
and binding against all parties having claims of any kind against 27165  
the state or any governmental agency of the state, irrespective of 27166  
whether such parties have notice thereof, and shall create a 27167  
perfected security interest for all purposes of Chapter 1309. of 27168  
the Revised Code, without the necessity for separation or delivery 27169  
of funds or for the filing or recording of the bond proceedings by 27170  
which such pledge is created or any certificate, statement or 27171  
other document with respect thereto; and the pledge of such 27172  
pledged receipts and special funds is effective and the money 27173  
therefrom and thereof may be applied to the purposes for which 27174  
pledged without necessity for any act of appropriation, except as 27175  
required by section 3770.06 of the Revised Code. Every pledge, and 27176  
every covenant and agreement made with respect thereto, made in 27177  
the bond proceedings may therein be extended to the benefit of the 27178  
owners and holders of obligations authorized by this section, and 27179  
to any trustee therefor, for the further security of the payment 27180  
of the bond service charges. 27181

(E) The bond proceedings may contain additional provisions as 27182  
to: 27183

(1) The redemption of obligations prior to maturity at the 27184

option of the issuing authority at such price or prices and under	27185
such terms and conditions as are provided in the bond proceedings;	27186
(2) Other terms of the obligations;	27187
(3) Limitations on the issuance of additional obligations;	27188
(4) The terms of any trust agreement or indenture securing	27189
the obligations or under which the same may be issued;	27190
(5) The deposit, investment and application of special funds,	27191
and the safeguarding of moneys on hand or on deposit, without	27192
regard to Chapter 131., 133., or 135. of the Revised Code, but	27193
subject to any special provisions of sections 3318.21 to 3318.29	27194
of the Revised Code, with respect to particular funds or moneys,	27195
provided that any bank or trust company that acts as depository of	27196
any moneys in the special funds may furnish such indemnifying	27197
bonds or may pledge such securities as required by the issuing	27198
authority;	27199
(6) Any or every provision of the bond proceedings being	27200
binding upon such officer, board, commission, authority, agency,	27201
department, or other person or body as may from time to time have	27202
the authority under law to take such actions as may be necessary	27203
to perform all or any part of the duty required by such provision;	27204
(7) Any provision that may be made in a trust agreement or	27205
indenture;	27206

more permanent improvements, to or from the issuing authority, as	27210
provided in one or more lease or sublease agreements between the	27211
school or the state and the issuing authority;	27212
(9) Any other or additional agreements with the holders of	27213
the obligations, or the trustee therefor, relating to the	27214

obligations or the security therefor. 27215

(F) The obligations may have the great seal of the state or a 27216  
facsimile thereof affixed thereto or printed thereon. The 27217  
obligations and any coupons pertaining to obligations shall be 27218  
signed or bear the facsimile signature of the issuing authority. 27219  
Any obligations or coupons may be executed by the person who, on 27220  
the date of execution, is the proper issuing authority although on 27221  
the date of such bonds or coupons such person was not the issuing 27222  
authority. In case the issuing authority whose signature or a 27223  
facsimile of whose signature appears on any such obligation or 27224  
coupon ceases to be the issuing authority before delivery thereof, 27225  
such signature or facsimile is nevertheless valid and sufficient 27226  
for all purposes as if the issuing authority had remained the 27227  
issuing authority until such delivery; and in case the seal to be 27228  
affixed to obligations has been changed after a facsimile of the 27229  
seal has been imprinted on such obligations, such facsimile seal 27230  
shall continue to be sufficient as to such obligations and 27231  
obligations issued in substitution or exchange therefor. 27232

(G) All obligations are negotiable instruments and securities 27233  
under Chapter 1308. of the Revised Code, subject to the provisions 27234  
of the bond proceedings as to registration. The obligations may be 27235  
issued in coupon or in registered form, or both, as the issuing 27236  
authority determines. Provision may be made for the registration 27237  
of any obligations with coupons attached thereto as to principal 27238  
alone or as to both principal and interest, their exchange for 27239  
obligations so registered, and for the conversion or reconversion 27240  
into obligations with coupons attached thereto of any obligations 27241  
registered as to both principal and interest, and for reasonable 27242  
charges for such registration, exchange, conversion, and 27243  
reconversion. 27244

(H) Obligations may be sold at public sale or at private 27245  
sale, as determined in the bond proceedings. 27246

(I) Pending preparation of definitive obligations, the 27247  
issuing authority may issue interim receipts or certificates which 27248  
shall be exchanged for such definitive obligations. 27249

(J) In the discretion of the issuing authority, obligations 27250  
may be secured additionally by a trust agreement or indenture 27251  
between the issuing authority and a corporate trustee which may be 27252  
any trust company or bank having ~~its principal~~ a place of business 27253  
within the state. Any such agreement or indenture may contain the 27254  
resolution or order authorizing the issuance of the obligations, 27255  
any provisions that may be contained in any bond proceedings, and 27256  
other provisions that are customary or appropriate in an agreement 27257  
or indenture of such type, including, but not limited to: 27258

(2) In the event of default in any payments required to be 27263  
made by the bond proceedings, or any other agreement of the 27264  
issuing authority made as a part of the contract under which the 27265  
obligations were issued, enforcement of such payments or agreement 27266  
by mandamus, the appointment of a receiver, suit in equity, action 27267  
at law, or any combination of the foregoing; 27268

obligations; 27272

(4) The replacement of any obligations that become mutilated 27273  
or are destroyed, lost, or stolen; 27274

proceedings, except to the extent that the holder's or trustee's 27279  
rights are restricted by the bond proceedings, may by any suitable 27280  
form of legal proceedings, protect and enforce any rights under 27281  
the laws of this state or granted by such bond proceedings. Such 27282  
rights include the right to compel the performance of all duties 27283  
of the issuing authority, the commission, or the director of 27284  
budget and management required by sections 3318.21 to 3318.29 of 27285  
the Revised Code or the bond proceedings; to enjoin unlawful 27286

issuing authority, the commission, or the director of budget and 27290  
management in the bond proceedings, to apply to a court having 27291  
jurisdiction of the cause to appoint a receiver to receive and 27292

which are pledged to the payment of the bond service charges on 27295  
such obligations or which are the subject of the covenant or 27296  
agreement, with full power to pay, and to provide for payment of 27297  
bond service charges on, such obligations, and with such powers, 27298  
subject to the direction of the court, as are accorded receivers 27299  
in general equity cases, excluding any power to pledge additional 27300  
revenues or receipts or other income or moneys of the issuing 27301  
authority or the state or governmental agencies of the state to 27302  
the payment of such principal and interest and excluding the power 27303  
to take possession of, mortgage, or cause the sale or otherwise 27304  
dispose of any permanent improvement. 27305

Each duty of the issuing authority and the issuing 27306  
authority's officers and employees, and of each governmental 27307  
agency and its officers, members, or employees, undertaken 27308  
pursuant to the bond proceedings or any agreement or loan made 27309  
under authority of sections 3318.21 to 3318.29 of the Revised 27310

Code, and in every agreement by or with the issuing authority, is 27311  
hereby established as a duty of the issuing authority, and of each 27312  
such officer, member, or employee having authority to perform such 27313  
duty, specifically enjoined by the law resulting from an office, 27314  
trust, or station within the meaning of section 2731.01 of the 27315  
Revised Code. 27316

The person who is at the time the issuing authority, or the 27317  
issuing authority's officers or employees, are not liable in their 27318  
personal capacities on any obligations issued by the issuing 27319  
authority or any agreements of or with the issuing authority. 27320

(L) Obligations issued under this section are lawful 27321  
investments for banks, societies for savings, savings and loan 27322  
associations, deposit guarantee associations, trust companies, 27323  
trustees, fiduciaries, insurance companies, including domestic for 27324  
life and domestic not for life, trustees or other officers having 27325  
charge of sinking and bond retirement or other special funds of 27326  
political subdivisions and taxing districts of this state, the 27327  
commissioners of the sinking fund of the state, the administrator 27328  
of workers' compensation, the state teachers retirement system, 27329  
the public employees retirement system, the school employees 27330  
retirement system, and the Ohio police and fire pension fund, 27331  
notwithstanding any other provisions of the Revised Code or rules 27332  
adopted pursuant thereto by any governmental agency of the state 27333  
with respect to investments by them, and also are acceptable as 27334  
security for the deposit of public moneys. 27335

(M) Unless otherwise provided in any applicable bond 27336  
proceedings, moneys to the credit of or in the special funds 27337  
established by or pursuant to this section may be invested by or 27338  
on behalf of the issuing authority only in notes, bonds, or other 27339  
obligations of the United States, or of any agency or 27340  
instrumentality of the United States, obligations guaranteed as to 27341  
principal and interest by the United States, obligations of this 27342

state or any political subdivision of this state, and certificates 27343  
of deposit of any national bank located in this state and any 27344  
bank, as defined in section 1101.01 of the Revised Code, subject 27345  
to inspection by the superintendent of financial institutions. If 27346  
the law or the instrument creating a trust pursuant to division 27347  
(J) of this section expressly permits investment in direct 27348  
obligations of the United States or an agency of the United 27349  
States, unless expressly prohibited by the instrument, such moneys 27350  
also may be invested in no front end load money market mutual 27351  
funds consisting exclusively of obligations of the United States 27352  
or an agency of the United States and in repurchase agreements, 27353  
including those issued by the fiduciary itself, secured by 27354  
obligations of the United States or an agency of the United 27355  
States; and in collective investment funds established in 27356  
accordance with section 1111.14 of the Revised Code and consisting 27357  
exclusively of any such securities, notwithstanding division 27358  
(B)(1)(c) of that section. The income from such investments shall 27359  
be credited to such funds as the issuing authority determines, and 27360  
such investments may be sold at such times as the issuing 27361  
authority determines or authorizes. 27362

(N) Provision may be made in the applicable bond proceedings 27363  
for the establishment of separate accounts in the bond service 27364  
fund and for the application of such accounts only to the 27365  
specified bond service charges on obligations pertinent to such 27366  
accounts and bond service fund and for other accounts therein 27367  
within the general purposes of such fund. Unless otherwise 27368  
provided in any applicable bond proceedings, moneys to the credit 27369  
of or in the several special funds established pursuant to this 27370  
section shall be disbursed on the order of the treasurer of state, 27371  
provided that no such order is required for the payment from the 27372  
bond service fund when due of bond service charges on obligations. 27373

(O) The issuing authority may pledge all, or such portion as 27374

the issuing authority determines, of the pledged receipts to the 27375  
payment of bond service charges on obligations issued under this 27376  
section, and for the establishment and maintenance of any 27377  
reserves, as provided in the bond proceedings, and make other 27378  
provisions therein with respect to pledged receipts as authorized 27379  
by this chapter, which provisions shall be controlling 27380  
notwithstanding any other provisions of law pertaining thereto. 27381

(P) The issuing authority may covenant in the bond 27382  
proceedings, and any such covenants shall be controlling 27383  
notwithstanding any other provision of law, that the state and 27384  
applicable officers and governmental agencies of the state, 27385  
including the general assembly, so long as any obligations are 27386  
outstanding, shall: 27387

(1) Maintain statutory authority for and cause to be operated 27388  
the state lottery, including the transfers to and from the lottery 27389  
profits education fund created in section 3770.06 of the Revised 27390  
Code so that the pledged receipts shall be sufficient in amount to 27391  
meet bond service charges, and the establishment and maintenance 27392  
of any reserves and other requirements provided for in the bond 27393  
proceedings; 27394

(2) Take or permit no action, by statute or otherwise, that 27395  
would impair the exclusion from gross income for federal income 27396  
tax purposes of the interest on any obligations designated by the 27397  
bond proceeding as tax-exempt obligations. 27398

(Q) There is hereby created the school building program bond 27399  
service fund, which shall be in the custody of the treasurer of 27400  
state but shall be separate and apart from and not a part of the 27401  
state treasury. All moneys received by or on account of the 27402  
issuing authority or state agencies and required by the applicable 27403  
bond proceedings, consistent with this section, to be deposited, 27404  
transferred, or credited to the school building program bond 27405  
service fund, and all other moneys transferred or allocated to or 27406

received for the purposes of the fund, shall be deposited and 27407  
credited to such fund and to any separate accounts therein, 27408  
subject to applicable provisions of the bond proceedings, but 27409  
without necessity for any act of appropriation, except as required 27410  
by section 3770.06 of the Revised Code. During the period 27411  
beginning with the date of the first issuance of obligations and 27412  
continuing during such time as any such obligations are 27413  
outstanding, and so long as moneys in the school building program 27414  
bond service fund are insufficient to pay all bond service charges 27415  
on such obligations becoming due in each year, a sufficient amount 27416  
of the moneys from the lottery profits education fund included in 27417  
pledged receipts, subject to appropriation for such purpose as 27418  
provided in section 3770.06 of the Revised Code, are committed and 27419  
shall be paid to the school building program bond service fund in 27420  
each year for the purpose of paying the bond service charges 27421  
becoming due in that year. The school building program bond 27422  
service fund is a trust fund and is hereby pledged to the payment 27423  
of bond service charges solely on obligations issued to provide 27424  
moneys for the school building program assistance fund to the 27425  
extent provided in the applicable bond proceedings, and payment 27426  
thereof from such fund shall be made or provided for by the 27427  
treasurer of state in accordance with such bond proceedings 27428  
without necessity for any act of appropriation except as required 27429  
by section 3770.06 of the Revised Code. 27430

(R) The obligations, the transfer thereof, and the income 27431  
therefrom, including any profit made on the sale thereof, at all 27432  
times shall be free from taxation within the state. 27433

**Sec. 3318.36.** (A)(1) As used in this section: 27434

(a) "Ohio school facilities commission," "classroom 27435  
facilities," "school district," "school district board," "net 27436  
bonded indebtedness," "required percentage of the basic project 27437

costs," "basic project cost," "valuation," and "percentile" have 27438  
the same meanings as in section 3318.01 of the Revised Code. 27439

(b) "Required level of indebtedness" means five per cent of 27440  
the school district's valuation for the year preceding the year in 27441  
which the commission and school district enter into an agreement 27442  
under division (B) of this section, plus [two one-hundredths of 27443  
one per cent multiplied by (the percentile in which the district 27444  
ranks minus one)]. 27445

(c) "Local resources" means any moneys generated in any 27446  
manner permitted for a school district board to raise the school 27447  
district portion of a project undertaken with assistance under 27448  
sections 3318.01 to 3318.20 of the Revised Code. 27449

(2) For purposes of determining either the required level of 27450  
indebtedness, as defined in division (A)(1)(b) of this section, or 27451  
the required percentage of the basic project costs, under division 27452  
(C)(1) of this section, the percentile ranking of a school 27453  
district with which the commission has entered into an agreement 27454  
under this section between the first day of July and the 27455  
thirty-first day of August in each fiscal year is the percentile 27456  
ranking calculated for that district for the immediately preceding 27457  
fiscal year, and the percentile ranking of a school district with 27458  
which the commission has entered into such agreement between the 27459  
first day of September and the thirtieth day of June in each 27460  
fiscal year is the percentile ranking calculated for that district 27461  
for the current fiscal year. 27462

(B)(1) There is hereby established the school building 27463  
assistance expedited local partnership program. Under the program, 27464  
the Ohio school facilities commission may enter into an agreement 27465  
with the school district board of any school district under which 27466  
the school district board may proceed with the new construction or 27467  
major repairs of a part of the school district's classroom 27468  
facilities needs, as determined under sections 3318.01 to 3318.20 27469

of the Revised Code, through the expenditure of local resources 27470  
prior to the school district's eligibility for state assistance 27471  
under sections 3318.01 to 3318.20 of the Revised Code and may 27472  
apply that expenditure toward meeting the school district's 27473  
portion of the basic project cost of the total of the school 27474  
district's classroom facilities needs, as determined under 27475  
sections 3318.01 to 3318.20 of the Revised Code and as 27476  
recalculated under division (E) of this section, that are eligible 27477  
for state assistance under sections 3318.01 to 3318.20 of the 27478  
Revised Code when the school district becomes eligible for such 27479  
state assistance. Any school district that is reasonably expected 27480  
to receive assistance under sections 3318.01 to 3318.20 of the 27481  
Revised Code within two fiscal years from the date the school 27482  
district adopts its resolution under division (B) of this section 27483  
shall not be eligible to participate in the program. 27484

(2) To participate in the program, a school district board 27485  
shall first adopt a resolution certifying to the commission the 27486  
board's intent to participate in the program. 27487

The resolution shall specify the approximate date that the 27488  
board intends to seek elector approval of any bond or tax measures 27489  
or to apply other local resources to use to pay the cost of 27490  
classroom facilities to be constructed under this section. The 27491  
resolution may specify the application of local resources or 27492  
elector-approved bond or tax measures after the resolution is 27493  
adopted by the board, and in such case the board may proceed with 27494  
a discrete portion of its project under this section as soon as 27495  
the commission and the controlling board have approved the basic 27496  
project cost of the district's classroom facilities needs as 27497  
specified in division (D) of this section. The board shall submit 27498  
its resolution to the commission not later than ten days after the 27499  
date the resolution is adopted by the board. 27500

The commission shall not consider any resolution that is 27501

submitted pursuant to division (B)(2) of this section, as amended 27502  
by this amendment, sooner than September 14, 2000. 27503

(3) Any project under this section shall comply with section 27504  
3318.03 of the Revised Code and with any specifications for plans 27505  
and materials for classroom facilities adopted by the commission 27506  
under section 3318.04 of the Revised Code. 27507

(4) If a school district that enters into an agreement under 27508  
this section has not begun a project applying local resources as 27509  
provided for under that agreement at the time the district is 27510  
notified by the commission that it is eligible to receive state 27511  
assistance under sections 3318.01 to 3318.20 of the Revised Code, 27512  
all assessment and agreement documents entered into under this 27513  
section are void. 27514

(5) Only construction of or repairs to classroom facilities 27515  
that have been approved by the commission and have been therefore 27516  
included as part of a district's basic project cost qualify for 27517  
application of local resources under this section. 27518

(C) Based on the results of the on-site visits and assessment 27519  
conducted under division (B)(2) of this section, the commission 27520  
shall determine the basic project cost of the school district's 27521  
classroom facilities needs. The commission shall determine the 27522  
school district's portion of such basic project cost, which shall 27523  
be the greater of: 27524

(1) The required percentage of the basic project costs, 27525  
determined based on the school district's percentile ranking; 27526

(2) An amount necessary to raise the school district's net 27527  
bonded indebtedness, as of the fiscal year the commission and the 27528  
school district enter into the agreement under division (B) of 27529  
this section, to within five thousand dollars of the required 27530  
level of indebtedness. 27531

(D)(1) When the commission determines the basic project cost 27532

of the classroom facilities needs of a school district and the 27533  
school district's portion of that basic project cost under 27534  
division (C) of this section, the project shall be conditionally 27535  
approved. Such conditional approval shall be submitted to the 27536  
controlling board for approval thereof. The controlling board 27537  
shall forthwith approve or reject the commission's determination, 27538  
conditional approval, and the amount of the state's portion of the 27539  
basic project cost; however, no state funds shall be encumbered 27540  
under this section. Upon approval by the controlling board, the 27541  
school district board may identify a discrete part of its 27542  
classroom facilities needs, which shall include only new 27543  
construction of or additions or major repairs to a particular 27544  
building, to address with local resources. Upon identifying a part 27545  
of the school district's basic project cost to address with local 27546  
resources, the school district board may allocate any available 27547  
school district moneys to pay the cost of that identified part, 27548  
including the proceeds of an issuance of bonds if approved by the 27549  
electors of the school district. 27550

All local resources utilized under this division shall first 27551  
be deposited in the project construction account required under 27552  
section 3318.08 of the Revised Code. 27553

(2) Unless the school district board exercises its option 27554  
under division (D)(3) of this section, for a school district to 27555  
qualify for participation in the program authorized under this 27556  
section, one of the following conditions shall be satisfied: 27557

(a) The electors of the school district by a majority vote 27558  
shall approve the levy of taxes outside the ten-mill limitation 27559  
for a period of twenty-three years at the rate of not less than 27560  
one-half mill for each dollar of valuation to be used to pay the 27561  
cost of maintaining the classroom facilities included in the basic 27562  
project cost as determined by the commission. The form of the 27563  
ballot to be used to submit the question whether to approve the 27564

tax required under this division to the electors of the school 27565  
district shall be the form for an additional levy of taxes 27566  
prescribed in section 3318.361 of the Revised Code, which may be 27567  
combined in a single ballot question with the questions prescribed 27568  
under section 5705.218 of the Revised Code. 27569

(b) As authorized under division (C) of section 3318.05 of 27570  
the Revised Code, the school district board shall earmark from the 27571  
proceeds of a permanent improvement tax levied under section 27572  
5705.21 of the Revised Code, an amount equivalent to the 27573  
additional tax otherwise required under division (D)(2)(a) of this 27574  
section for the maintenance of the classroom facilities included 27575  
in the basic project cost as determined by the commission. 27576

(c) As authorized under section 3318.051 of the Revised Code, 27577  
the school district board shall, if approved by the commission, 27578  
annually transfer into the maintenance fund required under section 27579  
3318.05 of the Revised Code the amount prescribed in section 27580  
3318.051 of the Revised Code in lieu of the tax otherwise required 27581  
under division (D)(2)(a) of this section for the maintenance of 27582  
the classroom facilities included in the basic project cost as 27583  
determined by the commission. 27584

(d) If the school district board has rescinded the agreement 27585  
to make transfers under section 3318.051 of the Revised Code, as 27586  
provided under division (F) of that section, the electors of the 27587  
school district, in accordance with section 3318.063 of the 27588  
Revised Code, first shall approve the levy of taxes outside the 27589  
ten-mill limitation for the period specified in that section at a 27590  
rate of not less than one-half mill for each dollar of valuation. 27591

(e) The school district board shall apply the proceeds of a 27592  
tax to leverage bonds as authorized under section 3318.052 of the 27593  
Revised Code or dedicate a local donated contribution in the 27594  
manner described in division (B) of section 3318.084 of the 27595  
Revised Code in an amount equivalent to the additional tax 27596

otherwise required under division (D)(2)(a) of this section for 27597  
the maintenance of the classroom facilities included in the basic 27598  
project cost as determined by the commission. 27599

(3) A school district board may opt to delay taking any of 27600  
the actions described in division (D)(2) of this section until 27601  
such time as the school district becomes eligible for state 27602  
assistance under sections 3318.01 to 3318.20 of the Revised Code. 27603  
In order to exercise this option, the board shall certify to the 27604  
commission a resolution indicating the board's intent to do so 27605  
prior to entering into an agreement under division (B) of this 27606  
section. 27607

(4) If pursuant to division (D)(3) of this section a district 27608  
board opts to delay levying an additional tax until the district 27609  
becomes eligible for state assistance, it shall submit the 27610  
question of levying that tax to the district electors as follows: 27611

(a) In accordance with section 3318.06 of the Revised Code if 27612  
it will also be necessary pursuant to division (E) of this section 27613  
to submit a proposal for approval of a bond issue; 27614

(b) In accordance with section 3318.361 of the Revised Code 27615  
if it is not necessary to also submit a proposal for approval of a 27616  
bond issue pursuant to division (E) of this section. 27617

(5) No state assistance under sections 3318.01 to 3318.20 of 27618  
the Revised Code shall be released until a school district board 27619  
that adopts and certifies a resolution under division (D) of this 27620  
section also demonstrates to the satisfaction of the commission 27621  
compliance with the provisions of division (D)(2) of this section. 27622

Any amount required for maintenance under division (D)(2) of 27623  
this section shall be deposited into a separate fund as specified 27624  
in division (B) of section 3318.05 of the Revised Code. 27625

(E)(1) If the school district becomes eligible for state 27626  
assistance under sections 3318.01 to 3318.20 of the Revised Code 27627

based on its percentile ranking as determined under division (B) 27628  
of this section, the commission shall conduct a new assessment of 27629  
the school district's classroom facilities needs and shall 27630  
recalculate the basic project cost based on this new assessment. 27631  
The basic project cost recalculated under this division shall 27632  
include the amount of expenditures made by the school district 27633  
board under division (D)(1) of this section. The commission shall 27634  
then recalculate the school district's portion of the new basic 27635  
project cost, which shall be the percentage of the original basic 27636  
project cost assigned to the school district as its portion under 27637  
division (C) of this section. The commission shall deduct the 27638  
expenditure of school district moneys made under division (D)(1) 27639  
of this section from the school district's portion of the basic 27640  
project cost as recalculated under this division. If the amount of 27641  
school district resources applied by the school district board to 27642  
the school district's portion of the basic project cost under this 27643  
section is less than the total amount of such portion as 27644  
recalculated under this division, the school district board by a 27645  
majority vote of all of its members shall, if it desires to seek 27646  
state assistance under sections 3318.01 to 3318.20 of the Revised 27647  
Code, adopt a resolution as specified in section 3318.06 of the 27648  
Revised Code to submit to the electors of the school district the 27649  
question of approval of a bond issue in order to pay any 27650  
additional amount of school district portion required for state 27651  
assistance. Any tax levy approved under division (D) of this 27652  
section satisfies the requirements to levy the additional tax 27653  
under section 3318.06 of the Revised Code. 27654

(2) If the amount of school district resources applied by the 27655  
school district board to the school district's portion of the 27656  
basic project cost under this section is more than the total 27657  
amount of such portion as recalculated under this division, within 27658  
one year after the school district's portion is recalculated under 27659  
division (E)(1) of this section the commission may grant to the 27660

school district the difference between the two calculated 27661  
portions, but at no time shall the commission expend any state 27662  
funds on a project in an amount greater than the state's portion 27663  
of the basic project cost as recalculated under this division. 27664

Any reimbursement under this division shall be only for local 27665  
resources the school district has applied toward construction cost 27666  
expenditures for the classroom facilities approved by the 27667  
commission, which shall not include any financing costs associated 27668

district of residence shall pay to the board of the school 29199  
district that is providing the special education such excess cost 29200  
as is determined by using a formula approved by the department of 29201  
education and agreed upon in contracts entered into by the boards 29202  
of the ~~district~~ districts concerned at the time the district 29203  
providing such special education accepts the child for enrollment. 29204

The department ~~of education~~ shall certify the amount of the 29205  
payments under Chapter 3317. of the Revised Code for such 29206  
~~handicapped~~ pupils with disabilities for each school year ending 29207  
on the thirtieth day of July. 29208

(B) In the case of a child described in division (A) of this 29209  
section who has been placed in a home, as defined in section 29210  
3313.64 of the Revised Code, pursuant to the order of a court and 29211  
who is not subject to section 3323.141 of the Revised Code, the 29212  
district providing the child with special education and related 29213  
services may charge to the child's district of residence the 29214  
excess cost determined by formula approved by the department, 29215  
regardless of whether the district of residence has entered into a 29216  
contract with the district providing the services. If the district 29217  
providing the services chooses to charge excess costs, the 29218  
district may report the amount calculated under this division to 29219  
the department. 29220

(C) If a district providing special education for a child 29221  
reports an amount for the excess cost of those services, as 29222  
authorized and calculated under division (A) or (B) of this 29223  
section, the department shall pay that amount of excess cost to 29224  
the district providing the services and shall deduct that amount 29225  
from the child's district of residence in accordance with division 29226  
(N) of section 3317.023 of the Revised Code. 29227

**Sec. 3323.141.** (A) When a child who is not in the legal or 29228  
permanent custody of an Ohio resident or a government agency in 29229  
this state and whose natural or adoptive parents are not known to 29230

~~and developmental disabilities~~, the home shall pay tuition to the 29235

board providing the special education. 29236

(B) In the case of a child described in division (A) of this 29237  
section who receives special education and related services from a 29238  
school district, tuition shall be the amount determined under 29239  
division (B)(1) or (2) of this section. 29240

(1) For a child other than a child described in division 29241  
(B)(2) of this section the tuition shall be an amount equal to the 29242  
sum of the following: 29243

(a) Tuition as determined in the manner provided for by 29244  
division (B) of section 3317.081 of the Revised Code for the 29245  
district that provides the special education; 29246

(b) Such excess cost as is determined by using a formula 29247  
established by rule of the department of education. The excess 29248  
cost computed in this section shall not be used as excess cost 29249  
computed under section 3323.14 of the Revised Code. 29250

(2) For a child who is a ~~handicapped~~ preschool child with a 29251  
disability not included in a unit approved under division (B) of 29252  
section 3317.05 of the Revised Code, the tuition shall be computed 29253  
as follows: 29254

(a) Determine the amount of the tuition of the district 29255  
providing the education for the child as calculated under division 29256  
(B) of section 3317.08 of the Revised Code; 29257

(b) For each type of special education service included in 29258  
the computation of the amount of tuition under division (B)(2)(a) 29259  
of this section, divide the amount determined for that computation 29260  
under division (B)(2) of section 3317.08 of the Revised Code by 29261  
the total number of ~~handicapped~~ preschool children with 29262  
disabilities used for that computation under division (B)(3) of 29263  
section 3317.08 of the Revised Code; 29264

(c) Determine the sum of the quotients obtained under 29265

division (B)(2)(b) of this section;	29266
(d) Determine the sum of the amounts determined under divisions (B)(2)(a) and (c) of this section.	29267 29268
(C) In the case of a child described in division (A) of this section who receives special education and related services from a county <u>MR/DD</u> board <del>of mental retardation and developmental disabilities</del> , tuition shall be the amount determined under division (C)(1) or (2) of this section.	29269 29270 29271 29272 29273
(1) For a child other than a child described in division (C)(2) of this section, the tuition shall be an amount equal to such board's per capita cost of providing special education and related services for children at least three but less than twenty-two years of age as determined by using a formula established by rule of the department of mental retardation and developmental disabilities.	29274 29275 29276 29277 29278 29279 29280
(2) For a child who is a <del>handicapped</del> preschool child <u>with a disability</u> not included in a unit approved under division (B) of section 3317.05 of the Revised Code, the tuition shall equal the sum of the amounts of each such board's per capita cost of providing each of the special education or related service that the child receives. The calculation of tuition shall be made by using a formula established by rule of the department of mental retardation and developmental disabilities. The formula for the calculation of per capita costs under division (C)(2) of this section shall be based only on each such MR/DD board's cost of providing each type of special education or related service to <del>handicapped</del> preschool children <u>with disabilities</u> not included in a unit approved under division (B) of section 3317.05 of the Revised Code.	29281 29282 29283 29284 29285 29286 29287 29288 29289 29290 29291 29292 29293 29294
(D) If a home fails to pay the tuition required under this section, the board of education or <u>county MR/DD</u> board <del>of mental</del>	29295 29296

~~retardation and developmental disabilities~~ providing the education 29297  
may recover in a civil action the tuition and the expenses 29298  
incurred in prosecuting the action, including court costs and 29299  
reasonable attorney's fees. If the prosecuting attorney or city 29300  
director of law represents the board in such action, costs and 29301  
reasonable attorney's fees awarded by the court, based upon the 29302  
time spent preparing and presenting the case by the prosecuting 29303  
attorney, director, or a designee of either, shall be deposited in 29304  
the county or city general fund. 29305

**Sec. 3323.142.** This section does not apply to any ~~handicapped~~ 29306  
preschool child with a disability except if included in a unit 29307  
approved under division (B) of section 3317.05 of the Revised 29308  
Code. 29309

As used in this section, "per pupil amount" for a ~~handicapped~~ 29310  
preschool child with a disability included in such an approved 29311  
unit means the amount determined by dividing the amount received 29312  
for the classroom unit in which the child has been placed by the 29313  
number of children in the unit. For any other child, "per pupil 29314  
amount" means the amount paid for the child under section 3317.20 29315  
of the Revised Code. 29316

When a school district places or has placed a child with a 29317  
county MR/DD board for special education, but another district is 29318  
responsible for tuition under section 3313.64 or 3313.65 of the 29319  
Revised Code and the child is not a resident of the territory 29320  
served by the county MR/DD board, the board may charge the 29321  
district responsible for tuition with the educational costs in 29322  
excess of the per pupil amount received by the board under Chapter 29323  
3317. of the Revised Code. The amount of the excess cost shall be 29324  
determined by the formula established by rule of the department of 29325  
education under section 3323.14 of the Revised Code, and the 29326  
payment for such excess cost shall be made by the school district 29327

directly to the county MR/DD board. 29328

A school district board of education and the county MR/DD 29329  
board that serves the school district may negotiate and contract, 29330  
at or after the time of placement, for payments by the board of 29331  
education to the county MR/DD board for additional services 29332  
provided to a child placed with the county MR/DD board and whose 29333  
individualized education program established pursuant to section 29334  
3323.08 of the Revised Code requires additional services that are 29335  
not routinely provided children in the county MR/DD board's 29336  
program but are necessary to maintain the child's enrollment and 29337  
participation in the program. Additional services may include, but 29338  
are not limited to, specialized supplies and equipment for the 29339  
benefit of the child and instruction, training, or assistance 29340  
provided by staff members other than staff members for which 29341  
funding is received under Chapter 3317. of the Revised Code. 29342

**Sec. 3323.143.** If a ~~handicapped child's~~ child with a 29343  
disability's custodial parent has made a unilateral placement of 29344  
the child, the parent shall be responsible for payment of tuition 29345  
to the program or facility the child is attending as a result of 29346  
that placement as long as the district of residence has offered a 29347  
free appropriate public education to that child. As used in this 29348  
section, "unilateral placement" means withdrawing a ~~handicapped~~ 29349  
child with a disability from a program or facility operated by the 29350  
district of residence or from a program or facility with which the 29351  
district of residence has arranged for education of the child and 29352  
instead enrolling that child in another program or facility that 29353  
is not a home, as defined in section 3313.64 of the Revised Code, 29354  
or that is not a facility or program available to the child 29355  
pursuant to an open enrollment policy under section 3313.98 or 29356  
3313.983 of the Revised Code. 29357

**Sec. 3323.15.** The state board of education may arrange to pay 29358

to any board of education, the board for any ~~handicapped~~ children 29359  
with disabilities who are not residents of the district but for 29360  
whom the district is providing special education. Payments shall 29361  
be made in accordance with rules and standards of the state board 29362  
of education. 29363

**Sec. 3323.17.** The department of education shall: 29364

(A) Provide supervision and technical assistance to school 29365  
districts in all accepted methods of educating ~~handicapped~~ 29366

method over another; 29370

(B) Consult with employees of school districts and chartered 29371  
nonpublic schools who confer with the parents of ~~deaf or hard of~~ 29372

education; 29374

(C) Consult with chartered nonpublic schools and consult with 29375  
and provide technical assistance to school districts that are or 29376

sign language as a foreign language; 29379

(D) Consult with school districts and chartered nonpublic 29380  
schools that use interpreters in classrooms and with any other 29381  
interested school districts or chartered nonpublic schools about 29382

improve their skills. 29384

**Sec. 3323.18.** If any special education program provided 29385  
pursuant to this chapter or Chapter 3325. of the Revised Code 29386  
serves a student with a visual ~~disability~~ impairment for whom 29387  
instruction in braille reading and writing is specified as 29388

appropriate pursuant to division (A)(2) of section 3323.011 of the Revised Code, the entity providing the program shall integrate the use of braille reading and writing into the student's entire curriculum and other classroom activities in such a manner that braille reading and writing becomes an effective learning tool for the student.

blind and deaf residents of this state, who, in the judgment of 29428  
the superintendent of public instruction and the superintendent of 29429  
the school for the deaf, due to such ~~handicap~~ disability, cannot 29430  
be educated in the public school system and are suitable persons 29431  
to receive instructions according to the methods employed in such 29432  
school. The superintendent of the school for the deaf may pay the 29433  
expenses necessary for the instruction of children who are both 29434

the STEM school who are subject to that collective bargaining 29761  
agreement sign and submit to the state employment relations board 29762  
a petition requesting all of the following: 29763

pursuant to that division, shall cease to be part of the 29783  
collective bargaining unit that is subject to that and all 29784  
subsequent agreements, and shall cease to be represented by any 29785  
exclusive representative of that collective bargaining unit, if a 29786  
majority of the employees assigned to the STEM school who are 29787

(1) That all the employees assigned to the STEM school who 29791  
are subject to that agreement be removed from the bargaining unit 29792  
that is subject to that agreement; 29793

Code. 29800

(E) Upon receipt of a petition under division (C) or (D) of 29801  
this section, the state employment relations board shall check the 29802  
sufficiency of the signatures on the petition. If the signatures 29803  
are found sufficient, the board shall certify the sufficiency of 29804

where resident school pupils in grades kindergarten through eight 30053  
live more than two miles from the school for which the state board 30054  
of education prescribes minimum standards pursuant to division (D) 30055  
of section 3301.07 of the Revised Code and to which they are 30056

another school district unless the pupil is enrolled pursuant to 30120  
section 3313.98 of the Revised Code or the board of the other 30121  
district has given its written consent thereto. If the board of 30122  
any school district files with the state board of education a 30123  
written complaint that transportation for resident pupils is being 30124  
provided by the board of another school district contrary to this 30125  
division, the state board of education shall make an investigation 30126  
of such complaint. If the state board of education finds that 30127  
transportation is being provided contrary to this section, it may 30128  
withdraw from state funds due the offending district any part of 30129  
the amount that has been approved for transportation pursuant to 30130  
division (D) of section 3317.022 of the Revised Code. 30131

(B) Notwithstanding division (D) of section 3311.19 and 30132  
division (D) of section 3311.52 of the Revised Code, this division 30133  
does not apply to any joint vocational or cooperative education 30134  
school district. 30135

A board of education may provide transportation to and from 30136  
the nonpublic high school of attendance if both of the following 30137

pupil being transported under this division, or that district is 30145  
not required under section 3327.01 of the Revised Code to 30146  
transport the pupil to and from the nonpublic school because the 30147  
direct travel time to the nonpublic school is more than thirty 30148  
minutes. 30149

Upon receipt of the request to provide transportation, the 30150  
board shall review the request and determine whether the board 30151  
will accommodate the request. If the board agrees to transport the 30152  
pupil, the board may transport the pupil to and from the nonpublic 30153  
school and a collection point in the district, as determined by 30154  
the board. If the board transports the pupil, the board may 30155  
include the pupil in the district's transportation ADM reported to 30156  
the department of education under section 3317.03 of the Revised 30157  
Code and, accordingly, may receive a state payment under division 30158  
(D) of section 3317.022 of the Revised Code for transporting the 30159  
pupil. 30160

If the board declines to transport the pupil, the board, in a 30161  
written communication to the parent, guardian, or other person in 30162  
charge of the pupil, shall state the reasons for declining the 30163  
request. 30164

**Sec. 3327.16.** Notwithstanding division (D) of section 3311.19 30165  
and division (D) of section 3311.52 of the Revised Code, this 30166  
section does not apply to any joint vocational or cooperative 30167  
education school district or its superintendent. 30168

(A) The superintendent of each school district may establish a volunteer bus rider assistance program, under which qualified adults or responsible older pupils, as determined by the superintendent, may be authorized to ride on school buses with pupils during such periods of time that the buses are being used to transport pupils to and from schools. Volunteers shall not be compensated for their services, but older pupils may be excused early from school to participate in the program.

Volunteers may be assigned duties or responsibilities by the superintendent, including but not limited to, assisting younger pupils in embarking and disembarking from buses and in crossing streets where necessary to ensure the safety of the pupil, aiding the driver of the bus to maintain order on buses, assisting ~~handicapped~~ pupils with disabilities, and such other activities as the superintendent determines will aid in the safe and efficient transportation of pupils.

development shall make grants to school districts that use 30201  
biodiesel fuel for pupil transportation to help offset incremental 30202  
costs incurred by using biodiesel instead of one hundred per cent 30203  
petroleum diesel. 30204

As used in this section, "biodiesel" has the same meaning as 30205  
in section 122.075 of the Revised Code. 30206

**Sec. 3333.04.** The chancellor of the Ohio board of regents 30207

facilities and personnel; 30230

(F) Recommend to the state colleges, universities, and other 30231  
state-assisted institutions of higher education graduate or 30232  
professional programs, including, but not limited to, doctor of 30233

could be eliminated because they constitute unnecessary 30235  
duplication, as shall be determined using the process developed 30236  
pursuant to this division, or for other good and sufficient cause. 30237  
Prior to recommending a program for elimination, the chancellor 30238  
shall request the board of regents to hold at least one public 30239

chancellor initially commences to exclude students under this 30254  
division. 30255

The chancellor and state colleges, universities, and other 30256  
state-assisted institutions of higher education shall jointly 30257

amounts of instructional subsidies to be paid to state-assisted 30282  
colleges and universities, the chancellor shall define "full-time 30283

shall make a recommendation to the controlling board asking for 30845  
approval of each award selected by the chancellor. 30846

Any state university or college may apply for one or more 30847  
awards under one or both programs. The state university or college 30848

one or both programs. 30856

The chancellor shall determine which proposals will receive 30857  
awards each fiscal year, and the amount of each award, on the 30858

30888

baccalaureate degrees in science, technology, engineering, 30889

(P) The extent to which the proposal increases the likelihood 30906

technology, engineering, mathematics, or medical education. 30915

**Sec. 3333.63.** The chancellor of the Ohio board of regents 30916

deciding awards under the Ohio innovation partnership. At the 30918

meeting, an employee of the chancellor shall summarize the 30919  
proposals submitted for consideration, and each state university 30920  
or college that has a proposal pending shall have the opportunity 30921  
to review the summary of their proposal prepared by the 30922  
chancellor's staff and answer questions or respond to concerns 30923  
about the proposal raised by the chancellor's staff. 30924

**Sec. 3333.64.** The chancellor of the Ohio board of regents 30925  
shall endeavor to make awards under the choose Ohio first 30926  
scholarship program and the Ohio research scholars program such 30927  
that the aggregate, statewide amount of other institutional, 30928  
public, and private money pledged to the proposals in each fiscal 30929  
year equals at least one hundred per cent of the aggregate amount 30930  
of the money awarded under both programs that year. The chancellor 30931  
shall endeavor to make awards under the choose Ohio first 30932  
scholarship program in such a way that at least fifty per cent of 30933  
the students receiving the scholarships are involved in a co-op or 30934  
internship program in a private industry or a university 30935  
laboratory. The value of institutional, public, or private 30936

students from all regions of the state are able to participate in 30943  
the scholarship program. 30944

**Sec. 3333.65.** The chancellor of the Ohio board of regents 30945  
shall require each state university or college that the 30946  
controlling board approves to receive an award under the Ohio 30947

use of the award. The agreement shall contain terms the chancellor 30949

determines to be necessary, which shall include performance 30950  
measures, reporting requirements, and an obligation to fulfill 30951  
pledges of other institutional, public, or nonpublic resources for 30952

The chancellor may require a state university or college that 30954  
violates the terms of its agreement to repay the award plus 30955  
interest at the rate required by section 5703.47 of the Revised 30956  
Code to the chancellor. 30957

that is intended to be implemented by a state university or 30959  
college in collaboration with other state institutions of higher 30960  
education or nonpublic Ohio universities or colleges, the 30961  
chancellor may enter into an agreement with the collaborating 30962  
universities or colleges that permits awards to be received 30963  
directly by the collaborating universities or colleges consistent 30964  
with the terms of the program or initiative. In that case, the 30965  
chancellor shall incorporate into the agreement terms consistent 30966  
with the requirements of this section. 30967

provided to all Ohio residents. 30979

(B) The chancellor of the Ohio board of regents shall 30980

encourage state universities and colleges, alone or in 30981  
collaboration with other state institutions of higher education, 30982  
nonpublic Ohio universities and colleges, or other public or 30983  
private Ohio entities, to submit proposals under the choose Ohio 30984  
first scholarship program for initiatives that recruit Ohio 30985  
residents enrolled in colleges and universities in other states or 30986

or colleges as graduate students in the fields of science, 30988  
technology, engineering, mathematics, and medicine, or in the 30989  
fields of science, technology, engineering, mathematics, or 30990

chancellor's competitive criteria for awards, the chancellor, 30992  
subject to approval by the controlling board, shall give at least 30993  
one of the proposals preference for an award. 30994

**Sec. 3333.67.** Each state university or college that receives 30998  
an award under the Ohio research scholars program shall deposit 30999  
the amount it receives into a new or existing endowment fund. The 31000  
university or college shall maintain the amount received and use 31001  
income generated from that amount, and other institutional, 31002  
public, or nonpublic resources, to finance the proposal approved 31003  
by the chancellor of the Ohio board of regents and the controlling 31004  
board. 31005

partnership, the chancellor of the Ohio board of regents, subject 31007  
to approval by the controlling board, may commit to giving a state 31008  
university's or college's proposal preference for future awards 31009
