under section 3314.03 of the Revised Code and in the development 31757

and start-up activities of those schools. In carrying out its 31758
duties under this section, the department shall do all of the 31759
following: 31760

(1) In providing technical assistance to proposing parties, 31761
governing authorities, and sponsors, conduct training sessions and 31762
distribute informational materials; 31763

(2) Approve entities to be sponsors of community schools ~~and~~ 31764

(3) Monitor the effectiveness of ~~those~~ any and all sponsors 31766
in their oversight of the schools with which they have contracted; 31767

~~(3)~~(4) By December thirty-first of each year, issue a report 31768
to the governor, the speaker of the house of representatives, the 31769

(B)(1) ~~No~~ Except as provided in sections 3314.021 and 31779
3314.027 of the Revised Code, no entity listed in division (C)(1) 31780
of section 3314.02 of the Revised Code shall enter into a 31781
preliminary agreement under division (C)(2) of section 3314.02 of 31782
the Revised Code until it has received approval from the 31783
department of education to sponsor community schools under this 31784
chapter and has entered into a written agreement with the 31785
department regarding the manner in which the entity will conduct 31786
such sponsorship. The department shall adopt in accordance with 31787
Chapter 119. of the Revised Code rules containing criteria, 31788

procedures, and deadlines for processing applications for such 31789
approval, for oversight of sponsors, for revocation of the 31790
approval of sponsors, and for entering into written agreements 31791
with sponsors. The rules shall require an entity to submit 31792
evidence of the entity's ability and willingness to comply with 31793
the provisions of division (D) of section 3314.03 of the Revised 31794
Code. The rules also shall require entities approved as sponsors 31795
on and after June 30, 2005, to demonstrate a record of financial 31796
responsibility and successful implementation of educational 31797
programs. If an entity seeking approval on or after June 30, 2005, 31798
to sponsor community schools in this state sponsors or operates 31799
schools in another state, at least one of the schools sponsored or 31800
operated by the entity must be comparable to or better than the 31801
performance of Ohio schools in need of continuous improvement 31802
under section 3302.03 of the Revised Code, as determined by the 31803
department. 31804

An entity that sponsors community schools may enter into 31805
preliminary agreements and sponsor schools as follows, provided 31806
each school and the contract for sponsorship meets the 31807
requirements of this chapter: 31808

(a) An entity that sponsored fifty or fewer schools that were 31809
open for operation as of May 1, 2005, may sponsor not more than 31810
fifty schools. 31811

(b) An entity that sponsored more than fifty but not more 31812
than seventy-five schools that were open for operation as of May 31813
1, 2005, may sponsor not more than the number of schools the 31814
entity sponsored that were open for operation as of May 1, 2005. 31815

(c) Until June 30, 2006, an entity that sponsored more than 31816
seventy-five schools that were open for operation as of May 1, 31817
2005, may sponsor not more than the number of schools the entity 31818
sponsored that were open for operation as of May 1, 2005. After 31819
June 30, 2006, such an entity may sponsor not more than 31820

seventy-five schools. 31821

Upon approval of an entity to be a sponsor under this 31822
division, the department shall notify the entity of the number of 31823
schools the entity may sponsor. 31824

The limit imposed on an entity to which division (B)(1) of 31825
this section applies shall be decreased by one for each school 31826
sponsored by the entity that permanently closes. 31827

If at any time an entity exceeds the number of schools it may 31828
sponsor under this division, the department shall assist the 31829
schools in excess of the entity's limit in securing new sponsors. 31830
If a school is unable to secure a new sponsor, the department 31831
shall assume sponsorship of the school in accordance with division 31832
(C) of this section. Those schools for which another sponsor or 31833
the department assumes sponsorship shall be the schools that most 31834
recently entered into contracts with the entity under section 31835
3314.03 of the Revised Code. 31836

(2) The department of education shall determine, pursuant to 31837
criteria adopted by rule of the department, whether the mission 31838
proposed to be specified in the contract of a community school to 31839
be sponsored by a state university board of trustees or the 31840
board's designee under division (C)(1)(e) of section 3314.02 of 31841
the Revised Code complies with the requirements of that division. 31842
Such determination of the department is final. 31843

(3) The department of education shall determine, pursuant to 31844
criteria adopted by rule of the department, if any tax-exempt 31845
entity under section 501(c)(3) of the Internal Revenue Code that 31846
is proposed to be a sponsor of a community school is an 31847
education-oriented entity for purpose of satisfying the condition 31848
prescribed in division (C)(1)(f)(iii) of section 3314.02 of the 31849
Revised Code. Such determination of the department is final. 31850

(C) If at any time the state board of education finds that a 31851

sponsor is not in compliance or is no longer willing to comply 31852
with its contract with any community school or with the 31853
department's rules for sponsorship, the state board or designee 31854
shall conduct a hearing in accordance with Chapter 119. of the 31855
Revised Code on that matter. If after the hearing, the state board 31856
or designee has confirmed the original finding, the department of 31857
education may revoke the sponsor's ~~approval~~ authority to sponsor 31858
community schools and may assume the sponsorship of any schools 31859
with which the sponsor has contracted until the earlier of the 31860
expiration of two school years or until a new sponsor as described 31861
in division (C)(1) of section 3314.02 of the Revised Code is 31862
secured by the school's governing authority. The department may 31863
extend the term of the contract in the case of a school for which 31864
it has assumed sponsorship under this division as necessary to 31865
accommodate the term of the department's authorization to sponsor 31866
the school specified in this division. 31867

(D)(1) The department may declare any sponsor, including any 31868
sponsor that is exempt pursuant to section 3314.021 or 3314.027 of 31869
the Revised Code from obtaining the department's initial approval 31870
to sponsor, to be in a probationary status if at any time the 31871
sponsor has failed to take any of the following actions, which 31872
actions the department determines are warranted: 31873

(a) Take steps to intervene in a school's operation to 31874
correct problems in the school's performance, including the 31875
monitoring and enforcement of the implementation of a school's 31876
corrective action plan required by the department; 31877

(b) Declare a school to be in a probationary status pursuant 31878
to section 3314.073 of the Revised Code; 31879

(c) Suspend the operation of a school pursuant to section 31880
3314.072 of the Revised Code; 31881

(d) Terminate a school's contract pursuant to section 3314.07 31882

of the Revised Code. 31883

(2) If the department declares a sponsor to be in a 31884
probationary status, the department shall send a written 31885
notification stating the department's declaration, the length of 31886
the probationary status, the reasons for the declaration, and a 31887
requirement that the sponsor submit to the department an offer of 31888
reasonable remedies within ten business days after the date of the 31889
department's notice to the sponsor. If the department finds the 31890
remedies offered by the sponsor satisfactory, the sponsor shall 31891
take the actions necessary to implement them. The department shall 31892
monitor the sponsor's actions to implement the remedies. 31893

(3) If the department finds that the remedies offered by the 31894
sponsor under division (D)(2) of this section are not 31895
satisfactory, or if the department finds that the sponsor is not 31896
taking the actions necessary to implement those remedies, the 31897
department may suspend the sponsor's authority to sponsor schools 31898
or may partially restrict the sponsor's authority to sponsor 31899
schools by limiting the geographic territory within which the 31900
sponsor may sponsor schools, reducing the number of schools the 31901
sponsor may sponsor, or restricting the types of schools the 31902
sponsor may sponsor. The department also may require the sponsor 31903
to submit additional reports above and beyond those otherwise 31904
required by law. 31905

(4) If the department suspends or restricts a sponsor's 31906
authority to sponsor schools under division (D)(3) of this 31907
section, the department shall assign another sponsor that is 31908
approved by the department and that agrees to do so to sponsor any 31909
school affected by the suspension or restriction until the 31910
department rescinds the suspension or restriction, another 31911
permanent sponsor is secured, or the school's contract under 31912
section 3314.03 of the Revised Code expires, whichever occurs 31913
first. 31914

(E) The decision of the department to disapprove an entity 31915
for sponsorship of a community school ~~or~~, to revoke ~~approval~~ 31916
authority for such sponsorship, ~~as provided in~~ under division (C) 31917
of this section, or to suspend or restrict an entity's authority 31918
to sponsor schools under division (D) of this section, may be 31919
appealed by the entity in accordance with section 119.12 of the 31920
Revised Code. 31921

~~(E)~~(F) The department shall adopt procedures for use by a 31922
community school governing authority and sponsor when the school 31923
permanently closes and ceases operation, which shall include at 31924
least procedures for data reporting to the department, handling of 31925
student records, distribution of assets in accordance with section 31926
3314.074 of the Revised Code, and other matters related to ceasing 31927
operation of the school. 31928

~~(F)~~(G) In carrying out its duties under this chapter, the 31929
department shall not impose requirements on community schools or 31930
their sponsors that are not permitted by law or duly adopted 31931
rules. 31932

Sec. 3314.016. (A) After June 30, 2007, a new start-up school 31933
may be established under this chapter only if the school's 31934
governing authority enters into a contract with an operator that 31935
manages other schools in the United States that perform at a level 31936
higher than academic watch. The governing authority of the 31937
community school may sign a contract with an operator only if the 31938
operator has fewer contracts with the governing authorities of new 31939
start-up schools established under this chapter after June 30, 31940
2007, than the number of schools managed by the operator in the 31941
United States that perform at a level higher than academic watch, 31942
as determined by the department of education. However, the 31943
governing authority shall not contract with an operator that 31944
currently manages any community schools in Ohio for which the 31945

department issues annual report cards under section 3314.012 of 31946
the Revised Code, unless the latest report card issued for at 31947
least one of those schools designates a performance rating under 31948
section 3302.03 of the Revised Code of in need of continuous 31949
improvement or higher. 31950

(B) Notwithstanding division (A) of this section, the 31951
governing authority of a start-up school sponsored by an entity 31952
described in divisions (C)(1)(b) to (f) of section 3314.02 of the 31953
Revised Code may establish one additional school serving the same 31954
grade levels and providing the same educational program as the 31955
current start-up school and may open that additional school in the 31956
2007-2008 school year, if both of the following conditions are 31957
met: 31958

(1) The governing authority entered into another contract 31959
with the same sponsor or a different sponsor described in 31960
divisions (C)(1)(b) to (f) of section 3314.02 of the Revised Code 31961
and filed a copy of that contract with the superintendent of 31962
public instruction prior to March 15, 2006. 31963

(2) The governing authority's current school satisfies all of 31964
the following conditions: 31965

(a) The school currently is rated as excellent or effective 31966
pursuant to section 3302.03 of the Revised Code. 31967

(b) The school made adequate yearly progress, as defined in 31968
section 3302.01 of the Revised Code, for the previous school year. 31969

(c) The school has been in operation for at least four school 31970
years. 31971

(d) The school is not managed by an operator. 31972

(C) Notwithstanding division (A) of this section, the 31973
governing authority of a start-up school sponsored by the big 31974
eight school district in which the school is located may establish 31975

one additional start-up school that is located in the same school district and that provides a general educational program to students in any or all of grades kindergarten through five to facilitate their transition to the current start-up school, and may open the additional start-up school in the 2009-2010 school year, if both of the following conditions are met:

(1) The governing authority enters into another contract with the same sponsor and files a copy of the contract with the superintendent of public instruction prior to March 15, 2009.

(2) The governing authority's current school satisfies all of the following conditions:

(a) The school provided instruction to students for eleven months in the previous school year.

(b) The school has been in operation for at least two school years.

(c) The school qualified to be rated in need of continuous improvement or higher pursuant to section 3302.03 of the Revised Code for its first school year of operation, even though the department of education did not issue a report card for the school for that school year.

The superintendent may grant a waiver only for good cause in

accordance with rules adopted by the state board of education. 33184

the Revised Code in which a student is enrolled. 33247

(2) "Formula ADM," "category one or two vocational education 33248

(B) Notwithstanding anything to the contrary in this chapter 33255
or Chapter 3306. or 3317. of the Revised Code, a student enrolled 33256
in a community school may simultaneously enroll in the 33257
career-technical program operated by the student's resident school 33258

shall count the student in the category one or two vocational 33260

enrolled in the district's career-technical program and, 33262
accordingly, the department of education shall calculate funds 33263
under Chapter 3317. for the district attributable to the student 33264
for the proportion of time the student attends the 33265
career-technical program. The community school shall count the 33266
student in its enrollment report under section 3314.08 of the 33267

equivalency" for a community school student, as defined in 33275
division ~~(L)~~(J) of section 3314.08 of the Revised Code, does not 33276
apply to the student. 33277

Sec. 3314.091. (A) A school district is not required to 33278
provide transportation for any native student enrolled in a 33279
community school if the district board of education has entered 33280
into an agreement with the community school's governing authority 33281
that designates the community school as responsible for providing 33282
or arranging for the transportation of the district's native 33283
students to and from the community school. For any such agreement 33284
to be effective, it must be certified by the superintendent of 33285
public instruction as having met all of the following 33286
requirements: 33287

(1) It is submitted to the department of education by a 33288
deadline which shall be established by the department. 33289

(2) In accordance with divisions (C)(1) and (2) of this 33290
section, it specifies qualifications, such as residing a minimum 33291
distance from the school, for students to have their 33292
transportation provided or arranged. 33293

(3) The transportation provided by the community school is 33294
subject to all provisions of the Revised Code and all rules 33295
adopted under the Revised Code pertaining to pupil transportation. 33296

(4) The sponsor of the community school also has signed the 33297
agreement. 33298

(B)(1) For the school year that begins on July 1, 2007, a 33299
school district is not required to provide transportation for any 33300
native student enrolled in a community school, if the community 33301
school during the previous school year transported the students 33302
enrolled in the school or arranged for the students' 33303
transportation, even if that arrangement consisted of having 33304

parents transport their children to and from the school, but did 33305
not enter into an agreement to transport or arrange for 33306
transportation for those students under division (A) of this 33307
section, and if the governing authority of the community school by 33308
July 15, 2007, submits written notification to the district board 33309
of education stating that the governing authority is accepting 33310
responsibility for providing or arranging for the transportation 33311
of the district's native students to and from the community 33312
school. 33313

(2) For any school year subsequent to the school year that 33314
begins on July 1, 2007, a school district is not required to 33315

community school if the governing authority of the community 33317
school, by the thirty-first day of January of the previous school 33318
year, submits written notification to the district board of 33319
education stating that the governing authority is accepting 33320
responsibility for providing or arranging for the transportation 33321
of the district's native students to and from the community 33322
school. If the governing authority of the community school has 33323
previously accepted responsibility for providing or arranging for 33324
the transportation of a district's native students to and from the 33325
community school, under division (B)(1) or (2) of this section, 33326
and has since relinquished that responsibility under division 33327
(B)(3) of this section, the governing authority shall not accept 33328
that responsibility again unless the district board consents to 33329
the governing authority's acceptance of that responsibility. 33330

(3) A governing authority's acceptance of responsibility 33331
under division (B)(1) or (2) of this section shall cover an entire 33332
school year, and shall remain in effect for subsequent school 33333
years unless the governing authority submits written notification 33334
to the district board that the governing authority is 33335
relinquishing the responsibility. However, a governing authority 33336

shall not relinquish responsibility for transportation before the 33337
end of a school year, and shall submit the notice relinquishing 33338
responsibility by the thirty-first day of January, in order to 33339
allow the school district reasonable time to prepare 33340
transportation for its native students enrolled in the school. 33341

(C)(1) A community school governing authority that enters 33342
into an agreement under division (A) of this section, or that 33343
accepts responsibility under division (B) of this section, shall 33344
provide or arrange transportation free of any charge for each of 33345
its enrolled students who is required to be transported under 33346
section 3327.01 of the Revised Code or who would otherwise be 33347
transported by the school district under the district's 33348
transportation policy. The governing authority shall report to the 33349
department of education the number of students transported or for 33350
whom transportation is arranged under this section in accordance 33351
with rules adopted by the state board of education. 33352

(2) The governing authority may provide or arrange 33353
transportation for any other enrolled student who is not eligible 33354
for transportation in accordance with division (C)(1) of this 33355
section and may charge a fee for such service up to the actual 33356
cost of the service. 33357

(3) Notwithstanding anything to the contrary in division 33358
(C)(1) or (2) of this section, a community school governing 33359
authority shall provide or arrange transportation free of any 33360
charge for any disabled student enrolled in the school for whom 33361
the student's individualized education program developed under 33362
Chapter 3323. of the Revised Code specifies transportation. 33363

(D)(1) If a school district board and a community school 33364
governing authority elect to enter into an agreement under 33365
division (A) of this section, the department of education shall 33366
make payments to the community school according to the terms of 33367
the agreement for each student actually transported under division 33368

(C)(1) of this section. 33369

If a community school governing authority accepts 33370
transportation responsibility under division (B) of this section, 33371
the department shall make payments to the community school for 33372
each student actually transported or for whom transportation is 33373
arranged by the community school under division (C)(1) of this 33374
section, calculated as follows: 33375

(a) For any fiscal year which the general assembly has 33376
specified that transportation payments to school districts be 33377
based on an across-the-board percentage of the district's payment 33378
for the previous school year, the per pupil payment to the 33379
community school shall be the following quotient: 33380

(i) The total amount calculated for the school district in 33381
which the child is entitled to attend school for student 33382

whom a payment in lieu of transportation is made by the community 33421
school's governing authority. To qualify for the payments, the 33422
community school shall report to the department, in the form and 33423

miles traveled, cost to transport, and any other information 33426
requested by the department. 33427

(4) A community school shall use payments received under this 33428
section solely to pay the costs of providing or arranging for the 33429

drivers and mechanics of the vehicles are subject to all 33441
provisions of the Revised Code, and all rules adopted under the 33442

community school who are subject to a collective bargaining 33495

to be subject to that agreement and all subsequent agreements 33497
pursuant to that division and shall cease to be part of the 33498
collective bargaining unit that is subject to that and all 33499
subsequent agreements, if a majority of the employees of that 33500
community school who are subject to that collective bargaining 33501
agreement sign and submit to the state employment relations board 33502
a petition requesting all of the following: 33503

purposes of Chapter 4117. of the Revised Code; 33513

(c) That the governing authority of the community school be 33514
regarded as the "public employer" of these employees for purposes 33515
of Chapter 4117. of the Revised Code. 33516

(5) Notwithstanding sections 4117.03 to 4117.18 of the 33517
Revised Code and Section 4 of Amended Substitute Senate Bill No. 33518
133 of the 115th general assembly, the employees of a conversion 33519

majority of the employees of the community school who are subject 33527
to that collective bargaining agreement sign and submit to the 33528
state employment relations board a petition requesting all of the 33529
following: 33530

(a) That all the employees of the community school who are 33531
subject to that agreement be removed from the bargaining unit that 33532
is subject to that agreement; 33533

(b) That any employee organization certified as the exclusive 33534
representative of the employees of that bargaining unit be 33535
decertified as the exclusive representative of the employees of 33536
the community school who are subject to that agreement; 33537

(c) That the governing authority of the community school be 33538
regarded as the "public employer" of these employees for purposes 33539
of Chapter 4117. of the Revised Code. 33540

signatures are found sufficient, the board shall certify the 33544
sufficiency of the petition and so notify the parties involved, 33545
including the board of education, the governing authority of the 33546
community school, and any exclusive representative of the 33547
bargaining unit. The changes requested in a certified petition 33548

certified under division (A)(6) of this section. 33551

(B)(1) The board of education of each city, local, and 33552
exempted village school district sponsoring a community school and 33553
the governing board of each educational service center in which a 33554
community school is located shall adopt a policy that provides a 33555
leave of absence of at least three years to each teacher or 33556
nonteaching employee of the district or service center who is 33557

employed by a conversion or new start-up community school 33558
sponsored by the district or located in the district or center for 33559
the period during which the teacher or employee is continuously 33560
employed by the community school. The policy shall also provide 33561
that any teacher or nonteaching employee may return to employment 33562
by the district or service center if the teacher or employee 33563
leaves or is discharged from employment with the community school 33564
for any reason, unless, in the case of a teacher, the board of the 33565
district or service center determines that the teacher was 33566
discharged for a reason for which the board would have sought to 33567
discharge the teacher under section 3319.16 of the Revised Code, 33568
in which case the board may proceed to discharge the teacher 33569
utilizing the procedures of that section. Upon termination of such 33570
a leave of absence, any seniority that is applicable to the person 33571
shall be calculated to include all of the following: all 33572

any teacher holding valid certification returns to employment by 33577
the district or service center upon termination of such a leave of 33578
absence, the teacher shall be restored to the previous position 33579
and salary or to a position and salary similar thereto. If, as a 33580
result of teachers returning to employment upon termination of 33581
such leaves of absence, a school district or educational service 33582
center reduces the number of teachers it employs, it shall make 33583
such reductions in accordance with section 3319.17 or, if 33584
applicable, 3319.171 of the Revised Code. 33585

Unless a collective bargaining agreement providing otherwise 33586

pursuant to division (A)(3) of this section, an employee on a 33588
leave of absence pursuant to this division shall remain eligible 33589
for any benefits that are in addition to benefits under Chapter 33590

3307. or 3309. of the Revised Code provided by the district or 33591

entire cost associated with such benefits, except that personal 33593
leave and vacation leave cannot be accrued for use as an employee 33594
of a school district or service center while in the employ of a 33595
community school unless the district or service center board 33596
adopts a policy expressly permitting this accrual. 33597

(2) While on a leave of absence pursuant to division (B)(1) 33598
of this section, a conversion community school shall permit a 33599
teacher to use sick leave accrued while in the employ of the 33600

salary paid by the community school to the teacher for that time 33604
shall be reported to the department of education. The cost of 33605
employing a substitute teacher for that time shall be paid by the 33606
community school. The department of education shall add amounts to 33607
the payments made to a community school under this chapter and 33608
section 3306.16 of the Revised Code as necessary to cover the cost 33609
of salary reported by a community school as paid to a teacher 33610
using sick leave so accrued pursuant to this section. The 33611
department shall subtract the amounts of any payments made to 33612
community schools under this division from payments made to such 33613
sponsoring school district under ~~Chapter~~ Chapters 3306. and 3317. 33614
of the Revised Code. 33615

A school district providing a leave of absence and employee 33616

Sec. 3314.25. Each internet- or computer-based community 33803

(C)(1) or (3) of section 3301.0711 of the Revised Code, regardless 33815
of whether a waiver was granted for the student under division 33816
~~(Q)~~(N)(3) of section 3314.08 of the Revised Code. The school shall 33817

contrary, the parent of any such student shall pay tuition to the 33830
internet- or computer-based community school in an amount equal to 33831

the state funds the school otherwise would receive for that 33832
student, as determined by the department. An internet- or 33833
computer-based community school may withdraw any student for whom 33834
the parent does not pay tuition as required by this division. 33835

Sec. 3314.35. (A)(1) Except as provided in division (A)(2) of 33836
this section, this section applies to any community school that 33837

if the department determines that using the value-added progress 33884
dimension to evaluate community schools described in division 33885
(A)(1)(c)(i) of this section is not feasible, a community school 33886
described in that division shall be required to permanently close 33887
under this section only if it has been declared to be in a state 33888
of academic emergency under section 3302.03 of the Revised Code 33889

academic content standards adopted by the state board of education 33922

under section 3301.079 of the Revised Code will be taught and 33923
assessed. 33924

If the department does not act either to grant the waiver or 33925
to reject the program application for the waiver within sixty days 33926
as required under this section, the waiver shall be considered to 33927
be granted. 33928

(B) Notwithstanding division (A) of this section, the 33929
department shall not grant a waiver to any community school that 33930
did not qualify for a waiver under this section when it initially 33931
began operations, unless the state board of education approves the 33932

division (D) of this section that a community school has failed to 33982
make reasonable efforts and continuing progress to bring its 33983

accounts, records, files, or reports into an auditable condition 33984
following a declaration that the school is unauditable, the 33985
~~Department~~ department shall immediately cease all payments to the 33986

this section. 33993

Sec. 3314.39. (A) The department of education shall conduct 33994

sponsor's approval to sponsor community schools in accordance with 34034
division (C) of section 3314.015 of the Revised Code. 34035

(F) Any on-site visit required by this section may be 34036
conducted in conjunction with a site evaluation required under 34037
division (D) of section 3302.04 of the Revised Code. 34038

(G) The state board of education shall adopt rules to 34039

the Revised Code. The chief administrative officer of that sponsor 34046
shall review and sign the corrective action plan and return it to 34047
the governing authority. The signature of the sponsor's chief 34048
administrative officer shall signify the sponsor's receipt of 34049
notice of the content of the corrective action plan. 34050

(B) The sponsor shall monitor and may assist the school's 34051
implementation of the corrective action plan. 34052

(C) The school's failure to submit any corrective action plan 34053
required by the department to the chief administrative officer of 34054
the school's sponsor or to implement all of the provisions of a 34055
corrective action plan may be considered by the sponsor when 34056
determining whether to take any action under section 3314.07, 34057
3314.072, or 3314.073 of the Revised Code. 34058

Sec. 3314.43. For purposes of section 3319.321 of the Revised 34059
Code, the sponsor of a community school established under this 34060
chapter shall be an "educational institution," to which the 34061

legitimate educational purpose without the consent of the pupil or 34063
the pupil's parent, guardian, or custodian in accordance with that 34064
section. The sponsor shall handle any educational records released 34065

this chapter closes for any reason, the chief administrative 34070
officer of the school at the time the school closes shall in good 34071
faith take all reasonable steps necessary to collect and assemble 34072
in an orderly manner the educational records of each student who 34073
is or has been enrolled in the school so that those records may be 34074

transmitted in accordance with this division. The chief 34075
administrative officer shall transmit the records to the 34076
department of education, in the manner and by the date prescribed 34077
by the department. 34078

(B) No person required to collect, assemble, and transmit 34079
student records under division (A) of this section shall fail to 34080
comply with that division. 34081

(C) Whoever violates division (B) of this section is guilty 34082
of a misdemeanor in the third degree. 34083

Sec. 3315.17. (A) The board of education of each city, 34084
exempted village, local, and joint vocational school district 34085
shall establish a textbook and instructional materials fund. Each 34086
board annually shall deposit into that fund an amount derived from 34087
revenues received by the district for operating expenses that is 34088
equal to three per cent of the formula amount for the preceding 34089
fiscal year, as defined in section 3317.02 of the Revised Code, or 34090
another percentage if established by the auditor of state under 34091
division (C) of this section, multiplied by the district's student 34092
population for the preceding fiscal year. Money in the fund shall 34093
be used solely for textbooks, instructional software, and 34094
instructional materials, supplies, and equipment. Any money in the 34095
fund that is not used in any fiscal year shall carry forward to 34096
the next fiscal year. 34097

(B)(1) Notwithstanding division (A) of this section, if in a 34098
fiscal year a district board deposits in the textbook and 34099
instructional materials fund an amount of money greater than the 34100
amount required to be deposited by this section or the rules 34101
adopted under division (C) of this section, the board may deduct 34102
the excess amount of money from the amount of money required to be 34103
deposited in succeeding fiscal years. 34104

(2) Notwithstanding division (A) of this section, in any year 34105
a district is in fiscal emergency status as declared pursuant to 34106
section 3316.03 of the Revised Code, the district may deposit an 34107
amount less than required by division (A) of this section, or make 34108
no deposit, into the district textbook and instructional materials 34109
fund for that year. 34110

(3) Notwithstanding division (A) of this section, in any 34111
fiscal year that a school district is either in fiscal watch 34112
status, as declared pursuant to section 3316.03 of the Revised 34113
Code, or in fiscal caution status, as declared pursuant to section 34114
3316.031 of the Revised Code, the district may apply to the 34115
superintendent of public instruction for a waiver from the 34116
requirements of division (A) of this section, under which the 34117
district may be permitted to deposit an amount less than required 34118
by that division or permitted to make no deposit into the district 34119
textbook and instructional materials fund for that year. The 34120
superintendent may grant a waiver under division (B)(3) of this 34121
section if the district demonstrates to the satisfaction of the 34122
superintendent that compliance with division (A) of this section 34123
that year will create an undue financial hardship on the district. 34124

(4) Notwithstanding division (A) of this section, not more 34125
often than one fiscal year in every three consecutive fiscal 34126
years, any school district that does not satisfy the conditions 34127
for the exemption described in division (B)(2) of this section or 34128
the conditions to apply for the waiver described in division 34129
(B)(3) of this section may apply to the superintendent of public 34130
instruction for a waiver from the requirements of division (A) of 34131
this section, under which the district may be permitted to deposit 34132
an amount less than required by that division or permitted to make 34133
no deposit into the district textbook and instructional materials 34134
fund for that year. The superintendent may grant a waiver under 34135
division (B)(4) of this section if the district demonstrates to 34136

the satisfaction of the superintendent that compliance with 34137
division (A) of this section that year will necessitate the 34138
reduction or elimination of a program currently offered by the 34139
district that is critical to the academic success of students of 34140
the district and that no reasonable alternatives exist for 34141
spending reductions in other areas of operation within the 34142
district that negate the necessity of the reduction or elimination 34143
of that program. 34144

(C) The state superintendent of public instruction and the 34145
auditor of state jointly shall adopt rules in accordance with 34146
Chapter 119. of the Revised Code defining what constitutes 34147
textbooks, instructional software, and instructional materials, 34148
supplies, and equipment for which money in a school district's 34149
textbook and instructional materials fund may be used. The auditor 34150
of state also may designate a percentage, other than three per 34151
cent, of the formula amount multiplied by the district's student 34152
population that must be deposited into the fund. 34153

(D) Notwithstanding division (A) of this section, a district 34154
board of education in any fiscal year may appropriate money in the 34155
district textbook and instructional materials fund for purposes 34156
other than those permitted by that division if both of the 34157
following occur during that fiscal year: 34158

(1) All of the following certify to the district board in 34159
writing that the district has sufficient textbooks, instructional 34160
software, and instructional materials, supplies, and equipment to 34161
ensure a thorough and efficient education within the district: 34162

(a) The district superintendent; 34163

(b) ~~In districts required to have a business advisory~~ 34164
~~council, a~~ A person designated by vote of the district's business 34165
advisory council; 34166

(c) If the district teachers are represented by an exclusive 34167

bargaining representative for purposes of Chapter 4117. of the 34168
Revised Code, the president of that organization or the 34169
president's designee. 34170

(2) The district board adopts, by unanimous vote of all 34171
members of the board, a resolution stating that the district has 34172
sufficient textbooks, instructional software, and instructional 34173
materials, supplies, and equipment to ensure a thorough and 34174
efficient education within the district. 34175

(E) Notwithstanding any provision to the contrary in Chapter 34176
4117. of the Revised Code, the requirements of this section 34177
prevail over any conflicting provisions of agreements between 34178
employee organizations and public employers entered into on or 34179
after November 21, 1997. 34180

(F) As used in this section and in section 3315.18 of the 34181
Revised Code, "student population" means the average, daily, 34182

Sec. 3315.37. The board of education of a school district may 34200

The board may contract with a private, nonprofit foundation, 34218
one or more institutions of higher education, or other educational 34219

student's eligibility for assistance, or the amount of such 34222
assistance, granted under section 3315.33, 3333.12, 3333.122, 34223
3333.22, 3333.26, ~~3333.27~~, 5910.04, or 5919.34 of the Revised 34224
Code, but the board's rules may provide for taking such assistance 34225
into consideration when determining a student's eligibility for a 34226
loan under this section. 34227

Sec. 3316.041. (A) Notwithstanding any provision of Chapter 34228

133. or sections 3313.483 to 3313.4811 of the Revised Code, and 34229
subject to the approval of the superintendent of public 34230
instruction, a school district that is in a state of fiscal watch 34231
declared under section 3316.03 of the Revised Code may restructure 34232
or refinance loans obtained or in the process of being obtained 34233
under section 3313.483 of the Revised Code if all of the following 34234
requirements are met: 34235

(1) The operating deficit certified for the school district 34236
for the current or preceding fiscal year under section 3313.483 of 34237
the Revised Code exceeds fifteen per cent of the district's 34238
general revenue fund for the fiscal year preceding the year for 34239
which the certification of the operating deficit is made. 34240

(2) The school district voters have, during the period of the 34241
fiscal watch, approved the levy of a tax under section 718.09, 34242
718.10, 5705.194, 5705.21, or 5748.02 of the Revised Code that is 34243
not a renewal or replacement levy, or a levy under section 34244
5705.199 of the Revised Code, and that will provide new operating 34245
revenue. 34246

(3) The board of education of the school district has adopted 34247
or amended the financial plan required by section 3316.04 of the 34248
Revised Code to reflect the restructured or refinanced loans, and 34249
sets forth the means by which the district will bring projected 34250
operating revenues and expenditures, and projected debt service 34251
obligations, into balance for the life of any such loan. 34252

(B) Subject to the approval of the superintendent of public 34253
instruction, the school district may issue securities to evidence 34254
the restructuring or refinancing authorized by this section. Such 34255
securities may extend the original period for repayment not to 34256
exceed ten years, and may alter the frequency and amount of 34257
repayments, interest or other financing charges, and other terms 34258
or agreements under which the loans were originally contracted, 34259
provided the loans received under sections 3313.483 of the Revised 34260

Code are repaid from funds the district would otherwise receive 34261
under ~~sections 3317.022 to 3317.025~~ Chapters 3306. and 3317. of 34262
the Revised Code, as required under division (E)(3) of section 34263
3313.483 of the Revised Code. Securities issued for the purpose of 34264
restructuring or refinancing under this section shall be repaid in 34265
equal payments and at equal intervals over the term of the debt 34266
and are not eligible to be included in any subsequent proposal to 34267
restructure or refinance. 34268

(C) Unless the district is declared to be in a state of 34269
fiscal emergency under division (D) of section 3316.04 of the 34270
Revised Code, a school district shall remain in a state of fiscal 34271
watch for the duration of the repayment period of any loan 34272
restructured or refinanced under this section. 34273

Sec. 3316.06. (A) Within one hundred twenty days after the 34274
first meeting of a school district financial planning and 34275
supervision commission, the commission shall adopt a financial 34276
recovery plan regarding the school district for which the 34277
commission was created. During the formulation of the plan, the 34278
commission shall seek appropriate input from the school district 34279
board and from the community. This plan shall contain the 34280
following: 34281

(1) Actions to be taken to: 34282

(a) Eliminate all fiscal emergency conditions declared to 34283
exist pursuant to division (B) of section 3316.03 of the Revised 34284
Code; 34285

(b) Satisfy any judgments, past-due accounts payable, and all 34286
past-due and payable payroll and fringe benefits; 34287

(c) Eliminate the deficits in all deficit funds, except that 34288
any prior year deficits in the textbook and instructional 34289
materials fund established pursuant to section 3315.17 of the 34290

Revised Code and the capital and maintenance fund established 34291
pursuant to section 3315.18 of the Revised Code shall be forgiven; 34292

(d) Restore to special funds any moneys from such funds that 34293
were used for purposes not within the purposes of such funds, or 34294
borrowed from such funds by the purchase of debt obligations of 34295
the school district with the moneys of such funds, or missing from 34296
the special funds and not accounted for, if any; 34297

(e) Balance the budget, avoid future deficits in any funds, 34298
and maintain on a current basis payments of payroll, fringe 34299
benefits, and all accounts; 34300

(f) Avoid any fiscal emergency condition in the future; 34301

(g) Restore the ability of the school district to market 34302
long-term general obligation bonds under provisions of law 34303
applicable to school districts generally. 34304

(2) The management structure that will enable the school 34305
district to take the actions enumerated in division (A)(1) of this 34306
section. The plan shall specify the level of fiscal and management 34307
control that the commission will exercise within the school 34308
district during the period of fiscal emergency, and shall 34309
enumerate respectively, the powers and duties of the commission 34310
and the powers and duties of the school board during that period. 34311
The commission may elect to assume any of the powers and duties of 34312
the school board it considers necessary, including all powers 34313
related to personnel, curriculum, and legal issues in order to 34314
successfully implement the actions described in division (A)(1) of 34315
this section. 34316

(3) The target dates for the commencement, progress upon, and 34317
completion of the actions enumerated in division (A)(1) of this 34318
section and a reasonable period of time expected to be required to 34319
implement the plan. The commission shall prepare a reasonable time 34320
schedule for progress toward and achievement of the requirements 34321

for the plan, and the plan shall be consistent with that time schedule. 34322
34323

(4) The amount and purpose of any issue of debt obligations 34324
that will be issued, together with assurances that any such debt 34325
obligations that will be issued will not exceed debt limits 34326
supported by appropriate certifications by the fiscal officer of 34327
the school district and the county auditor. Debt obligations 34328
issued pursuant to section 133.301 of the Revised Code shall 34329
include assurances that such debt shall be in an amount not to 34330
exceed the amount certified under division (B) of such section. If 34331
the commission considers it necessary in order to maintain or 34332
improve educational opportunities of pupils in the school 34333
district, the plan may include a proposal to restructure or 34334
refinance outstanding debt obligations incurred by the board under 34335
section 3313.483 of the Revised Code contingent upon the approval, 34336
during the period of the fiscal emergency, by district voters of a 34337
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 34338
5748.02, or 5748.08 of the Revised Code that is not a renewal or 34339
replacement levy, or a levy under section 5705.199 of the Revised 34340
Code, and that will provide new operating revenue. Notwithstanding 34341
any provision of Chapter 133. or sections 3313.483 to 3313.4811 of 34342
the Revised Code, following the required approval of the district 34343
voters and with the approval of the commission, the school 34344
district may issue securities to evidence the restructuring or 34345
refinancing. Those securities may extend the original period for 34346
repayment, not to exceed ten years, and may alter the frequency 34347
and amount of repayments, interest or other financing charges, and 34348
other terms of agreements under which the debt originally was 34349
contracted, at the discretion of the commission, provided that any 34350
loans received pursuant to section 3313.483 of the Revised Code 34351
shall be paid from funds the district would otherwise receive 34352
under ~~sections 3317.022 to 3317.025~~ Chapters 3306. and 3317. of 34353
the Revised Code, as required under division (E)(3) of section 34354

3313.483 of the Revised Code. The securities issued for the 34355
purpose of restructuring or refinancing the debt shall be repaid 34356
in equal payments and at equal intervals over the term of the debt 34357
and are not eligible to be included in any subsequent proposal for 34358
the purpose of restructuring or refinancing debt under this 34359
section. 34360

(B) Any financial recovery plan may be amended subsequent to 34361
its adoption. Each financial recovery plan shall be updated 34362
annually. 34363

(C) Each school district financial planning and supervision 34364
commission shall submit the financial recovery plan it adopts or 34365
updates under this section to the state superintendent of public 34366
instruction for approval immediately following its adoption or 34367
updating. The state superintendent shall evaluate the plan and 34368
either approve or disapprove it within thirty calendar days from 34369
the date of its submission. If the plan is disapproved, the state 34370
superintendent shall recommend modifications that will render it 34371
acceptable. No financial planning and supervision commission shall 34372
implement a financial recovery plan that is adopted or updated on 34373
or after April 10, 2001, unless the state superintendent has 34374
approved it. 34375

Sec. 3316.20. (A)(1) The school district solvency assistance 34376
fund is hereby created in the state treasury, to consist of such 34377
amounts designated for the purposes of the fund by the general 34378
assembly. The fund shall be used to provide assistance and grants 34379
to school districts to enable them to remain solvent and to pay 34380
~~unforseeable~~ unforeseeable expenses of a temporary or emergency 34381
nature that they are unable to pay from existing resources. 34382

(2) There is hereby created within the fund an account known 34383
as the school district shared resource account, which shall 34384
consist of money appropriated to it by the general assembly. The 34385

money in the account shall be used solely for solvency assistance 34386
to school districts that have been declared under division (B) of 34387
section 3316.03 of the Revised Code to be in a state of fiscal 34388
emergency. 34389

(3) There is hereby created within the fund an account known 34390
as the catastrophic expenditures account, which shall consist of 34391
money appropriated to the account by the general assembly plus all 34392
investment earnings of the fund. Money in the account shall be 34393
used solely for the following: 34394

(a) Solvency assistance to school districts that have been 34395
declared under division (B) of section 3316.03 of the Revised Code 34396
to be in a state of fiscal emergency, in the event that all money 34397
in the shared resource account is utilized for solvency 34398
assistance; 34399

(b) Grants to school districts under division (C) of this 34400
section. 34401

(B) Solvency assistance payments under division (A)(2) or 34402
(3)(a) of this section shall be made from the fund by the 34403
superintendent of public instruction in accordance with rules 34404
adopted by the director of budget and management, after consulting 34405
with the superintendent, specifying approval criteria and 34406
procedures necessary for administering the fund. 34407

The fund shall be reimbursed for any solvency assistance 34408
amounts paid under division (A)(2) or (3)(a) of this section not 34409
later than the end of the second fiscal year following the fiscal 34410
year in which the solvency assistance payment was made. If not 34411
made directly by the school district, such reimbursement shall be 34412
made by the director of budget and management from the amounts the 34413
school district would otherwise receive pursuant to ~~sections~~ 34414
~~3317.022 to 3317.025~~ Chapters 3306. and 3317. of the Revised Code, 34415
or from any other funds appropriated for the district by the 34416

general assembly. Reimbursements shall be credited to the 34417
respective account from which the solvency assistance paid to the 34418
district was deducted. 34419

(C) The superintendent of public instruction may make 34420
recommendations, and the controlling board may grant money from 34421
the catastrophic expenditures account to any school district that 34422
suffers an unforeseen catastrophic event that severely depletes 34423
the district's financial resources. The superintendent shall make 34424
recommendations for the grants in accordance with rules adopted by 34425
the director of budget and management, after consulting with the 34426
superintendent. A school district shall not be required to repay 34427
any grant awarded to the district under this division, unless the 34428
district receives money from this state or a third party, 34429
including an agency of the government of the United States, 34430
specifically for the purpose of compensating the district for 34431
revenue lost or expenses incurred as a result of the unforeseen 34432
catastrophic event. If a school district receives a grant from the 34433
catastrophic expenditures account on the basis of the same 34434
circumstances for which an adjustment or recomputation is 34435
authorized under section 3317.025, 3317.026, 3317.027, 3317.028, 34436
3317.0210, or 3317.0211 of the Revised Code, the department of 34437
education shall reduce the adjustment or recomputation by an 34438
amount not to exceed the total amount of the grant, and an amount 34439
equal to the reduction shall be transferred, from the funding 34440
source from which the adjustment or recomputation would be paid, 34441
to the catastrophic expenditures account. Any adjustment or 34442
recomputation under such sections that is in excess of the total 34443
amount of the grant shall be paid to the school district. 34444

Sec. 3317.01. As used in this section and section 3317.011 of 34445
the Revised Code, "school district," unless otherwise specified, 34446
means any city, local, exempted village, joint vocational, or 34447
cooperative education school district and any educational service 34448

center. 34449

This chapter shall be administered by the state board of 34450
education. The superintendent of public instruction shall 34451
calculate the amounts payable to each school district and shall 34452
certify the amounts payable to each eligible district to the 34453
treasurer of the district as provided by this chapter. As soon as 34454
possible after such amounts are calculated, the superintendent 34455
shall certify to the treasurer of each school district the 34456
district's adjusted charge-off increase, as defined in section 34457
5705.211 of the Revised Code. No moneys shall be distributed 34458
pursuant to this chapter without the approval of the controlling 34459
board. 34460

The state board of education shall, in accordance with 34461
appropriations made by the general assembly, meet the financial 34462
obligations of this chapter. 34463

~~Annually, the department of education shall calculate and 34464
report to each school district the district's total state and 34465
local funds for providing an adequate basic education to the 34466
district's nondisabled students, utilizing the determination in 34467
section 3317.012 of the Revised Code. In addition, the department 34468
shall calculate and report separately for each school district the 34469
district's total state and local funds for providing an adequate 34470
education for its students with disabilities, utilizing the 34471
determinations in both sections 3317.012 and 3317.013 of the 34472
Revised Code. 34473~~

~~Not later than the thirty first day of August of each fiscal 34474
year, the department of education shall provide to each school 34475
district and county MR/DD board a preliminary estimate of the 34476
amount of funding that the department calculates the district will 34477
receive under each of divisions (C)(1) and (4) of section 3317.022 34478
of the Revised Code. No later than the first day of December of 34479
each fiscal year, the department shall update that preliminary 34480~~

~~estimate.~~ 34481

Moneys distributed pursuant to this chapter shall be 34482
calculated and paid on a fiscal year basis, beginning with the 34483
first day of July and extending through the thirtieth day of June. 34484
The moneys appropriated for each fiscal year shall be distributed 34485
at least monthly to each school district unless otherwise provided 34486
for. The state board shall submit a yearly distribution plan to 34487
the controlling board at its first meeting in July. The state 34488
board shall submit any proposed midyear revision of the plan to 34489
the controlling board in January. Any year-end revision of the 34490
plan shall be submitted to the controlling board in June. If 34491
moneys appropriated for each fiscal year are distributed other 34492
than monthly, such distribution shall be on the same basis for 34493
each school district. 34494

The total amounts paid each month shall constitute, as nearly 34495
as possible, one-twelfth of the total amount payable for the 34496
entire year. 34497

~~Until fiscal year 2007, payments made during the first six 34498
months of the fiscal year may be based on an estimate of the 34499
amounts payable for the entire year. Payments made in the last six 34500
months shall be based on the final calculation of the amounts 34501
payable to each school district for that fiscal year. Payments 34502
made in the last six months may be adjusted, if necessary, to 34503
correct the amounts distributed in the first six months, and to 34504
reflect enrollment increases when such are at least three per 34505
cent.~~ 34506

~~Beginning in fiscal year 2007, payments shall be calculated 34507
to reflect the biannual reporting of average daily membership. In 34508
fiscal year 2007 and in each fiscal year thereafter, annualized 34509
periodic payments for each school district shall be based on the 34510
district's final student counts verified by the superintendent of 34511
public instruction based on reports under section 3317.03 of the 34512~~

Revised Code, as adjusted, if so ordered, under division (K) of 34513
that section, as follows: 34514

~~the sum of one half of the number of students verified 34515
and adjusted for the first full week in October 34516
plus one half of the average of the numbers 34517
verified and adjusted for the first full week 34518
in October and for the first full week in February 34519~~

Except as otherwise provided, payments under this chapter 34520
shall be made only to those school districts in which: 34521

(A) The school district, except for any educational service 34522
center and any joint vocational or cooperative education school 34523
district, levies for current operating expenses at least twenty 34524
mills. Levies for joint vocational or cooperative education school 34525
districts or county school financing districts, limited to or to 34526
the extent apportioned to current expenses, shall be included in 34527
this qualification requirement. School district income tax levies 34528
under Chapter 5748. of the Revised Code, limited to or to the 34529
extent apportioned to current operating expenses, shall be 34530
included in this qualification requirement to the extent 34531
determined by the tax commissioner under division (D) of section 34532
3317.021 of the Revised Code. 34533

(B) The ~~school~~ learning year next preceding the fiscal year 34534
for which such payments are authorized meets the requirement of 34535
section 3313.48 or 3313.481 of the Revised Code, with regard to 34536
the minimum number of days or hours school must be open for 34537
instruction with pupils in attendance, for individualized 34538
parent-teacher conference and reporting periods, and for 34539
professional meetings of teachers. ~~This requirement~~ Up to five 34540
learning days shall be waived by the superintendent of public 34541
instruction if it had been necessary for a school to be closed 34542
because of disease epidemic, hazardous weather conditions, 34543
inoperability of school buses or other equipment necessary to the 34544

school's operation, damage to a school building, or other 34545
temporary circumstances due to utility failure rendering the 34546
school building unfit for school use, ~~provided that for those~~ 34547
~~school districts operating pursuant to section 3313.48 of the~~ 34548
~~Revised Code the number of days the school was actually open for~~ 34549
~~instruction with pupils in attendance and for individualized~~ 34550
~~parent teacher conference and reporting periods is not less than~~ 34551
~~one hundred seventy five, or for those school districts operating~~ 34552
~~on a trimester plan the number of days the school was actually~~ 34553
~~open for instruction with pupils in attendance not less than~~ 34554
~~seventy nine days in any trimester, for those school districts~~ 34555
~~operating on a quarterly plan the number of days the school was~~ 34556
~~actually open for instruction with pupils in attendance not less~~ 34557
~~than fifty nine days in any quarter, or for those school districts~~ 34558
~~operating on a pentamester plan the number of days the school was~~ 34559
~~actually open for instruction with pupils in attendance not less~~ 34560
~~than forty four days in any pentamester. The state board shall~~ 34561
~~adopt standards for the superintendent to apply in determining the~~ 34562
~~waiver of days or hours for schools operating under section~~ 34563
~~3313.481 of the Revised Code.~~ 34564

A school district shall not be considered to have failed to 34565
comply with this division or section 3313.481 of the Revised Code 34566
because schools were open for instruction but either twelfth grade 34567
students were excused from attendance for up to three days or only 34568
a portion of the kindergarten students were in attendance for up 34569
to three days in order to allow for the gradual orientation to 34570
school of such students. 34571

The superintendent of public instruction shall waive the 34572
requirements of this section with reference to the minimum number 34573
of days or hours school must be in session with pupils in 34574
attendance for the ~~school~~ learning year succeeding the ~~school~~ 34575
learning year in which a board of education initiates a plan of 34576

operation pursuant to section 3313.481 of the Revised Code. The 34577
minimum requirements of this section shall again be applicable to 34578
such a district beginning with the ~~school~~ learning year commencing 34579
the second July succeeding the initiation of one such plan, and 34580
for each school year thereafter. 34581

analysis that demonstrates that all taxes generated within the 35002
incentive district accruing to the state by reason of improvements 35003
constructed within the district during its existence exceed the 35004
amount the state pays the school district under section 3317.022 35005

the school district's recognized valuation. The analysis shall be 35007

numerator of which is the difference between (i) the amount of 35049
anticipated revenue such school district would have received for 35050
the preceding tax year if the real property exempted from taxation 35051
had not been exempted from taxation and (ii) the aggregate amount 35052
of payments in lieu of taxes on the exempt real property for the 35053
preceding tax year and other compensation received for the 35054
preceding tax year by the school district pursuant to any 35055

school district would have received in the preceding fiscal year 35062
if the real property exempted from taxation had not been exempted. 35063

~~(8) For each school district receiving payments under 35064

project cost, debt service, or maintenance set-aside associated 35124
with a state-assisted classroom facilities project as authorized 35125
by section 3318.052 of the Revised Code; 35126

be an approved special education and related services expense for 35347
the purpose of the school district's compliance with division 35348
(C)(5) of this section. 35349

The department shall require school districts to report data 35350
annually to allow for monitoring compliance with division (C)(5) 35351
of this section. The department shall annually report to the 35352
governor and the general assembly the amount of money spent by 35353
each school district for special education and related services. 35354

(6) In any fiscal year, a school district shall spend for the provision of speech language pathology services not less than the sum of the amount calculated under division (C)(1) of this section for the students in the district's category one special education ADM and the amount calculated under division (C)(4) of this section.

(D)(1) As used in this division:

(a) "Daily bus miles per student" equals the number of bus miles traveled per day, divided by transportation base.

(b) "Transportation base" equals total student count as defined in section 3301.011 of the Revised Code, minus the number of students enrolled in units for preschool children with disabilities, plus the number of nonpublic school students included in transportation ADM.

(c) "Transported student percentage" equals transportation ADM divided by transportation base.

(d) "Transportation cost per student" equals total operating costs for board-owned or contractor-operated school buses divided by transportation base.

(2) Analysis of student transportation cost data has resulted in a finding that an average efficient transportation use cost per student can be calculated by means of a regression formula that has as its two independent variables the number of daily bus miles per student and the transported student percentage. For fiscal year 1998 transportation cost data, the average efficient transportation use cost per student is expressed as follows:

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + (116.25573 \times \text{transported student percentage})$$

The department of education shall annually determine the average efficient transportation use cost per student in accordance with the principles stated in division (D)(2) of this

section, updating the intercept and regression coefficients of the regression formula modeled in this division, based on an annual statewide analysis of each school district's daily bus miles per student, transported student percentage, and transportation cost per student data. The department shall conduct the annual update using data, including daily bus miles per student, transported student percentage, and transportation cost per student data, from the prior fiscal year. The department shall notify the office of budget and management of such update by the fifteenth day of February of each year.

(3) In addition to funds paid under divisions (A), (C), and (E) of this section, each district with a transported student percentage greater than zero shall receive a payment equal to a percentage of the product of the district's transportation base from the prior fiscal year times the annually updated average efficient transportation use cost per student, times an inflation factor of two and eight-tenths per cent to account for the one-year difference between the data used in updating the formula and calculating the payment and the year in which the payment is made. The percentage shall be the following percentage of that product specified for the corresponding fiscal year:

FISCAL YEAR	PERCENTAGE	
2000	52.5%	
2001	55%	
2002	57.5%	
2003 and thereafter	The greater of 60% or the district's state share percentage	

The payments made under division (D)(3) of this section each year shall be calculated based on all of the same prior year's data used to update the formula.

(4) In addition to funds paid under divisions (D)(2) and (3)

of this section, a school district shall receive a rough road subsidy if both of the following apply:

(a) Its county rough road percentage is higher than the statewide rough road percentage, as those terms are defined in division (D)(5) of this section;

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division.

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula:

(per rough mile subsidy X total rough road miles)
X density multiplier

where:

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula:

$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$

(i) "Maximum rough road percentage" means the highest county rough road percentage in the state.

(ii) "County rough road percentage" equals the percentage of the mileage of state, municipal, county, and township roads that is rated by the department of transportation as type A, B, C, E2, or F in the county in which the school district is located or, if the district is located in more than one county, the county to which it is assigned for purposes of determining its cost-of-doing-business factor.

(iii) "Statewide rough road percentage" means the percentage of the statewide total mileage of state, municipal, county, and township roads that is rated as type A, B, C, E2, or F by the

department of transportation. 35446

(b) "Total rough road miles" means a school district's total 35447
bus miles traveled in one year times its county rough road 35448
percentage. 35449

(c) "Density multiplier" means a figure calculated in 35450
accordance with the following formula: 35451

1 - [(minimum student density - district student 35452
density)/(minimum student density - 35453
statewide student density)] 35454

(i) "Minimum student density" means the lowest district 35455
student density in the state. 35456

(ii) "District student density" means a school district's 35457
transportation base divided by the number of square miles in the 35458
district. 35459

(iii) "Statewide student density" means the sum of the 35460
transportation bases for all school districts divided by the sum 35461
of the square miles in all school districts. 35462

(6) In addition to funds paid under divisions (D)(2) to (5) 35463
of this section, each district shall receive in accordance with 35464
rules adopted by the state board of education a payment for 35465
students transported by means other than board-owned or 35466
contractor-operated buses and whose transportation is not funded 35467
under division (G) of section 3317.024 of the Revised Code. The 35468
rules shall include provisions for school district reporting of 35469
such students. 35470

(E)(1) The department shall compute and distribute state 35471
vocational education additional weighted costs funds to each 35472
school district in accordance with the following formula: 35473

state share percentage X 35474
the formula amount X 35475

total vocational education weight 35476

In any fiscal year, a school district receiving funds under 35477
division (E)(1) of this section shall spend those funds only for 35478
the purposes that the department designates as approved for 35479
vocational education expenses. Vocational educational expenses 35480
approved by the department shall include only expenses connected 35481
to the delivery of career-technical programming to 35482
career-technical students. The department shall require the school 35483
district to report data annually so that the department may 35484
monitor the district's compliance with the requirements regarding 35485
the manner in which funding received under division (E)(1) of this 35486
section may be spent. 35487

(2) The department shall compute for each school district 35488
state funds for vocational education associated services in 35489
accordance with the following formula: 35490

state share percentage X .05 X the formula amount X 35491
the sum of categories one and two vocational education ADM 35492

In any fiscal year, a school district receiving funds under 35493
division (E)(2) of this section, or through a transfer of funds 35494
pursuant to division (L) of section 3317.023 of the Revised Code, 35495
shall spend those funds only for the purposes that the department 35496
designates as approved for vocational education associated 35497
services expenses, which may include such purposes as 35498
apprenticeship coordinators, coordinators for other vocational 35499
education services, vocational evaluation, and other purposes 35500
designated by the department. The department may deny payment 35501
under division (E)(2) of this section to any district that the 35502
department determines is not operating those services or is using 35503
funds paid under division (E)(2) of this section, or through a 35504
transfer of funds pursuant to division (L) of section 3317.023 of 35505
the Revised Code, for other purposes. 35506

(F) The actual local share in any fiscal year for the 35507

combination of special education and related services additional 35508
weighted costs funding calculated under division (C)(1) of this 35509
section, transportation funding calculated under divisions (D)(2) 35510
and (3) of this section, and vocational education and associated 35511
services additional weighted costs funding calculated under 35512
divisions (E)(1) and (2) of this section shall not exceed for any 35513
school district the product of three and three-tenths mills times 35514
the district's recognized valuation. The department annually shall 35515
pay each school district as an excess cost supplement any amount 35516
by which the sum of the district's attributed local shares for 35517
that funding exceeds that product. For purposes of calculating the 35518
excess cost supplement: 35519

(1) The attributed local share for special education and 35520
related services additional weighted costs funding is the amount 35521
specified in division (C)(2) of this section. 35522

(2) The attributed local share of transportation funding 35523
equals the difference of the total amount calculated for the 35524
district using the formula developed under division (D)(2) of this 35525
section minus the actual amount paid to the district after 35526
applying the percentage specified in division (D)(3) of this 35527
section. 35528

(3) The attributed local share of vocational education and 35529
associated services additional weighted costs funding is the 35530
amount determined as follows: 35531

(1 - state share percentage) X 35532
[(total vocational education weight X 35533
the formula amount) + the payment under 35534
division (E)(2) of this section] 35535

Sec. 3317.023. (A) ~~Notwithstanding section 3317.022 of the~~ 35536

adjusted by the amount of the computations made under divisions 35539
(B) to (N) of this section. The department of education shall not 35540
make payments or adjustments under divisions (B), (C), and (D) of 35541

sources or assigned full-time to vocational or special education 35550
students and classes and may only include those persons employed 35551
in the eight specialist areas in a pattern approved by the 35552
department of education under guidelines established by the state 35553
board of education. 35554

(3) "Annual salary" means the annual base salary stated in 35555
the state minimum salary schedule for the performance of the 35556
teacher's regular teaching duties that the teacher earns for 35557
services rendered for the first full week of October of the fiscal 35558
year for which the adjustment is made under division (C) of this 35559
section. It shall not include any salary payments for supplemental 35560

(B) If the district employs less than one full-time 35582
equivalent classroom teacher for each twenty-five pupils in the 35583
regular student population in any school district, deduct the sum 35584
of the amounts obtained from the following computations: 35585

(1) Divide the number of the district's full-time equivalent 35586

classroom teachers employed by the district at their respective 35596
training and experience levels minus; 35597

district's regular student population. In calculating the 35603
district's mean salary under this division, those full-time 35604

excess costs of providing special education and related services 35704
to a student with a disability, as calculated under division 35705
(G)(2) of that section, the department shall deduct the amount of 35706
that payment from the city, local, or exempted village school 35707
district that is responsible as specified in that section for the 35708

If it is, the department shall recompute the basic state aid payable to the district for the immediately preceding fiscal year using the effective value in lieu of the amounts previously certified under section 3317.021 of the Revised Code. The difference between the original basic state aid amount computed for the district for the preceding fiscal year and the recomputed amount shall be paid to the district from the lottery profits education fund before the end of the current fiscal year.

(D) Except as provided in division (E) of this section, amounts received by a school district under division (C) of this section shall be repaid to the department of education in any future year to the extent the district receives payments of uncollectable taxes in such future year. for which the computation under division (A) of section 3317.022 36103
of the Revised Code equals zero. 36104

division (B) or (C) of this section in the prior fiscal year is 36118

result of a property tax or income tax levy approved by the 36121
district's voters to take effect in tax year 2005 or thereafter. 36122
If the department determines that is the case, and calculates that 36123
the levy causing the ineligibility exceeded by at least one mill 36124
the equivalent millage of the prior year's payment under divisions 36125

to the district for the first three years that the district loses 36127

pay the district fifty per cent of the amount it last paid the 36134
district under those divisions. 36135

(3) In the third year of ineligibility, the department shall 36136

this section and subsequently qualifies for payment under division 36140
(B) or (C) of this section is ineligible for future payments under 36141

March of each year thereafter, the department shall send to the 36146
tax commissioner a list of school districts receiving payments 36147

the securities for which the request is made. 37439

The department may require a school district to establish 37440
schedules for the payment of all debt charges that take into 37441
account the amount and timing of anticipated distributions of 37442
funds to the district under Chapter 3317. of the Revised Code. 37443

(C) If the department approves the request of a school 37444
district to withhold and deposit funds pursuant to this section, 37445
the department shall enter into a written agreement with the 37446
district and the primary paying agent or fiscal agent for the 37447
securities which shall provide for the withholding of funds 37448
pursuant to this section for the payment of debt charges on those 37449
securities, and may include both of the following: 37450

(1) Provisions for certification by the district to the 37451
department, at a time prior to any date for the payment of 37452
applicable debt charges, whether the district is able to pay those 37453
debt charges when due; 37454

(2) Requirements that the district deposit amounts for the 37455
payment of debt charges on the securities with the primary paying 37456
agent or fiscal agent for the securities prior to the date on 37457
which those debt charge payments are due to the owners or holders 37458
of the securities. 37459

(D) Whenever a district notifies the department of education 37460
that it will be unable to pay debt charges when they are due, 37461
subject to the withholding provisions of this section, or whenever 37462
the applicable paying agent or fiscal agent notifies the 37463
department that it has not timely received from a school district 37464
the full amount needed for the payment when due of those debt 37465
charges to the holders or owners of such securities, the 37466
department shall immediately contact the school district and the 37467
paying agent or fiscal agent to confirm or determine whether the 37468
district is unable to make the required payment by the date on 37469
which it is due. 37470

Upon demand of the treasurer of state while holding a school 37471
district obligation purchased under division (G)(1) of section 37472
135.143 of the Revised Code, the state department of education, 37473
without a request of the school district, shall withhold and 37474
deposit funds pursuant to this section for payment of debt service 37475
charges on that obligation. 37476

If the department confirms or determines that the district 37477
will be unable to make such payment and payment will not be made 37478
pursuant to a credit enhancement facility, the department shall 37479
promptly pay to the applicable primary paying agent or fiscal 37480
agent the lesser of the amount due for debt charges or the amount 37481
due the district for the remainder of the fiscal year under 37482
Chapter 3317. of the Revised Code. If this amount is insufficient 37483
to pay the total amount then due the agent for the payment of debt 37484
charges, the department shall pay to the agent each fiscal year 37485
thereafter, and until the full amount due the agent for unpaid 37486
debt charges is paid in full, the lesser of the remaining amount 37487
due the agent for debt charges or the amount due the district for 37488
the fiscal year under Chapter 3317. of the Revised Code. 37489

(E) The state department may make any payments under this 37490
division by direct deposit of funds by electronic transfer. 37491

Any amount received by a paying agent or fiscal agent under 37492
this section shall be applied only to the payment of debt charges 37493
on the securities of the school district subject to this section 37494
or to the reimbursement to the provider of a credit enhancement 37495
facility that has paid such debt charges. 37496

(F) To the extent a school district whose securities are 37497
subject to this section is unable to pay applicable debt charges 37498
because of the failure to collect property taxes levied for the 37499
payment of those debt charges, the district may transfer to or 37500
deposit into any fund that would have received payments under 37501
~~Chapter 3306.~~ or 3317. of the Revised Code that were withheld 37502
under this section any such delinquent property taxes when later 37503
collected, provided that transfer or deposit shall be limited to 37504
the amounts withheld from that fund under this section. 37505

(G) The department may make payments under this section to 37506
paying agents or fiscal agents only from and to the extent that 37507
money is appropriated by the general assembly for Chapter 3317. of 37508
the Revised Code or for the purposes of this section. No 37509
securities of a school district to which this section is made 37510
applicable constitute an obligation or a debt or a pledge of the 37511
faith, credit, or taxing power of the state, and the holders or 37512
owners of such securities have no right to have taxes levied or 37513
appropriations made by the general assembly for the payment of 37514
debt charges on those securities, and those securities, if the 37515
department requires, shall contain a statement to that effect. The 37516
agreement for or the actual withholding and payment of moneys 37517
under this section does not constitute the assumption by the state 37518
of any debt of a school district. 37519

(H) In the case of securities subject to the withholding 37520
provisions of this section, the issuing board of education shall 37521
appoint a paying agent or fiscal agent who is not an officer or 37522
employee of the school district. 37523

(I) The department of education, with the advice of the office of budget and management, may adopt reasonable rules not inconsistent with this section for the implementation of this section and division (B) of section 133.25 of the Revised Code as it relates to the withholding and depositing of payments under ~~Chapter~~ Chapters 3306. and 3317. of the Revised Code to secure payment of debt charges on school district securities. Those rules shall include criteria for the evaluation and approval or denial of school district requests for withholding under this section and limits on the obligation for the purpose of paying debt charges or reimbursing credit enhancement facilities of funds otherwise to be paid to school districts under Chapter 3317. of the Revised Code.

(J) The authority granted by this section is in addition to and not a limitation on any other authorizations granted by or pursuant to law for the same or similar purposes.

Sec. 3317.20. This section does not apply to preschool children with disabilities.

(A) As used in this section:

(1) "Applicable weight" means the multiple specified in section ~~3317.013~~ 3306.11 of the Revised Code for a disability described in that section.

(2) "Child's school district" means the school district in which a child is entitled to attend school pursuant to section 3313.64 or 3313.65 of the Revised Code.

~~(3) "State share percentage" means the state share percentage of the child's school district as defined in section 3317.022 of the Revised Code.~~

(B) Except as provided in division (C) of this section, the department shall annually pay each county MR/DD board for each child with a disability, other than a preschool child with a

disability, for whom the county MR/DD board provides special 37554
education and related services an amount equal to the formula 37555
amount + (state share percentage X formula amount X the applicable 37556
weight). 37557

(C) If any school district places with a county MR/DD board 37558
more children with disabilities than it had placed with a county 37559
MR/DD board in fiscal year 1998, the department shall not make a 37560
payment under division (B) of this section for the number of 37561
children exceeding the number placed in fiscal year 1998. The 37562
department instead shall deduct from the district's payments under 37563
this chapter and Chapter 3306. of the Revised Code, and pay to the 37564
county MR/DD board, an amount calculated in accordance with the 37565
formula prescribed in division (B) of this section for each child 37566
over the number of children placed in fiscal year 1998. 37567

(D) The department shall calculate for each county MR/DD 37568
board receiving payments under divisions (B) and (C) of this 37569
section the following amounts: 37570
37571

(1) The amount received by the county MR/DD board for 37572
approved special education and related services units, other than 37573
units for preschool children with disabilities, in fiscal year 37574
1998, divided by the total number of children served in the units 37575
that year; 37576

(2) The product of the quotient calculated under division 37577
(D)(1) of this section times the number of children for whom 37578
payments are made under divisions (B) and (C) of this section. 37579

If the amount calculated under division (D)(2) of this 37580
section is greater than the total amount calculated under 37581
divisions (B) and (C) of this section, the department shall pay 37582
the county MR/DD board one hundred per cent of the difference in 37583
addition to the payments under divisions (B) and (C) of this 37584

section. 37585

(E) Each county MR/DD board shall report to the department, 37586
in the manner specified by the department, the name of each child 37587
for whom the county MR/DD board provides special education and 37588
related services and the child's school district. 37589

(F)(1) For the purpose of verifying the accuracy of the 37590
payments under this section, the department may request from 37591
either of the following entities the data verification code 37592
assigned under division (D)(2) of section 3301.0714 of the Revised 37593
Code to any child who is placed with a county MR/DD board: 37594

(a) The child's school district; 37595

(b) The independent contractor engaged to create and maintain 37596
data verification codes. 37597

(2) Upon a request by the department under division (F)(1) of 37598
this section for the data verification code of a child, the 37599
child's school district shall submit that code to the department 37600
in the manner specified by the department. If the child has not 37601
been assigned a code, the district shall assign a code to that 37602
child and submit the code to the department by a date specified by 37603
the department. If the district does not assign a code to the 37604
child by the specified date, the department shall assign a code to 37605
the child. 37606

The department annually shall submit to each school district 37607
the name and data verification code of each child residing in the 37608
district for whom the department has assigned a code under this 37609
division. 37610

(3) The department shall not release any data verification 37611
code that it receives under division (F) of this section to any 37612
person except as provided by law. 37613

(G) Any document relative to special education and related 37614

services provided by a county MR/DD board that the department 37615
holds in its files that contains both a student's name or other 37616
personally identifiable information and the student's data 37617
verification code shall not be a public record under section 37618
149.43 of the Revised Code. 37619

Sec. 3317.201. This section does not apply to preschool 37620
children with disabilities. 37621

(A) As used in this section, the "total special education 37622
weight" for an institution means the sum of the following amounts: 37623

(1) The number of children reported by the institution under 37624
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 37625
receiving services for a disability described in division 37626
~~(A)(C)(1)~~ of section ~~3317.013~~ 3306.02 of the Revised Code 37627
multiplied by the multiple specified in that division; 37628

(2) The number of children reported by the institution under 37629
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 37630
receiving services for a disability described in division 37631
~~(B)(C)(2)~~ of section ~~3317.013~~ 3306.02 of the Revised Code 37632
multiplied by the multiple specified in that division; 37633

(3) The number of children reported by the institution under 37634
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 37635
receiving services for a disability described in division (C)(3) 37636
of section ~~3317.013~~ 3306.02 of the Revised Code multiplied by the 37637
multiple specified in that division; 37638

(4) The number of children reported by the institution under 37639
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 37640
receiving services for a disability described in division 37641
~~(D)(C)(4)~~ of section ~~3317.013~~ 3306.02 of the Revised Code 37642
multiplied by the multiple specified in that division; 37643

(5) The number of children reported by the institution under 37644

division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 37645
receiving services for a disability described in division 37646
~~(E)(C)(5)~~ of section ~~3317.013~~ 3306.02 of the Revised Code 37647
multiplied by the multiple specified in that division; 37648

(6) The number of children reported by the institution under 37649
division (G)(1)(a)(i) of section 3317.03 of the Revised Code as 37650
receiving services for a disability described in division 37651
~~(F)(C)(6)~~ of section ~~3317.013~~ 3306.02 of the Revised Code 37652
multiplied by the multiple specified in that division. 37653

(B) For each fiscal year, the department of education shall 37654
pay each state institution required to provide special education 37655
services under division (A) of section 3323.091 of the Revised 37656
Code an amount equal to the greater of: 37657

(1) The formula amount times the institution's total special 37658
education weight; 37659

(2) The aggregate amount of special education and related 37660
services unit funding the institution received for all children 37661
with disabilities other than preschool children with disabilities 37662
in fiscal year 2005 under sections 3317.052 and 3317.053 of the 37663
Revised Code, as those sections existed prior to June 30, 2005. 37664

Sec. 3318.011. For purposes of providing assistance under 37665
sections 3318.01 to 3318.20 of the Revised Code, the department of 37666
education shall annually do all of the following: 37667

(A) Calculate the adjusted valuation per pupil of each city, 37668
local, and exempted village school district according to the 37669
following formula: 37670

The district's valuation per pupil - 37671

[\$30,000 X (1 - the district's income factor)]. 37672

For purposes of this calculation: 37673

(1)(a) ~~Except for a district with an open enrollment net gain~~ 37674

~~that is ten per cent or more of its formula ADM as provided in~~ 37675
~~division (A)(1)(b) of this section, "valuation per pupil" for a~~ 37676
district means its average taxable value, divided by its formula 37677
ADM for the previous fiscal year. ~~"Valuation per pupil,"~~ 37678

(b) For calculations in which the formula ADM reported for 37679
fiscal year 2009 or earlier is a factor, for a district with an 37680
open enrollment net gain that is ten per cent or more of its 37681
formula ADM, "valuation per pupil" means its average taxable 37682
value, divided by the sum of its formula ADM for the previous 37683
fiscal year plus its open enrollment net gain for the previous 37684
fiscal year. 37685

Consideration of net open enrollment gain is not added to the 37686
calculation of valuation per pupil for calculations in which the 37687
formula ADM is reported for a fiscal year after fiscal year 2009, 37688
to account for the fact that beginning with the report of formula 37689
ADM in October 2009 open enrollment students are counted in the 37690
formula ADM of the school districts in which they are enrolled. 37691

(2) "Average taxable value" means the average of the amounts 37692
certified for a district in the second, third, and fourth 37693
preceding fiscal years under divisions (A)(1) and (2) of section 37694
3317.021 of the Revised Code. 37695

(3) "Entitled to attend school" means entitled to attend 37696
school in a city, local, or exempted village school district under 37697
section 3313.64 or 3313.65 of the Revised Code. 37698

(4) "Formula ADM" and "income factor" have the same meanings 37699
as in section 3317.02 of the Revised Code. 37700

(5) "Native student" has the same meaning as in section 37701
3313.98 of the Revised Code. 37702

(6) "Open enrollment net gain" for a district means (a) the 37703
number of the students entitled to attend school in another 37704
district but who are enrolled in the schools of the district under 37705

its open enrollment policy minus (b) the number of the district's native students who are enrolled in the schools of another district under the other district's open enrollment policy, both numbers as certified to the department under section 3313.981 of the Revised Code. If the difference is a negative number, the district's "open enrollment net gain" is zero.

(7) "Open enrollment policy" means an interdistrict open enrollment policy adopted under section 3313.98 of the Revised Code.

(B) Calculate for each district the three-year average of the adjusted valuations per pupil calculated for the district for the current and two preceding fiscal years;

(C) Rank all such districts in order of adjusted valuation per pupil from the district with the lowest three-year average adjusted valuation per pupil to the district with the highest three-year average adjusted valuation per pupil;

(D) Divide such ranking into percentiles with the first percentile containing the one per cent of school districts having the lowest three-year average adjusted valuations per pupil and the one-hundredth percentile containing the one per cent of school districts having the highest three-year average adjusted valuations per pupil;

(E) Determine the school districts that have three-year average adjusted valuations per pupil that are greater than the median three-year average adjusted valuation per pupil for all school districts in the state;

(F) On or before the first day of September, certify the information described in divisions (A) to (E) of this section to the Ohio school facilities commission.

Sec. 3318.051. (A) Any city, exempted village, or local

school district that commences a project under sections 3318.01 to 37736
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 37737
after ~~the effective date of this section~~ September 5, 2006, need 37738
not levy the tax otherwise required under division (B) of section 37739
3318.05 of the Revised Code, if the district board of education 37740
adopts a resolution petitioning the Ohio school facilities 37741
commission to approve the transfer of money in accordance with 37742
this section and the commission approves that transfer. If so 37743
approved, the commission and the district board shall enter into 37744
an agreement under which the board, in each of twenty-three 37745
consecutive years beginning in the year in which the board and the 37746
commission enter into the project agreement under section 3318.08 37747
of the Revised Code, shall transfer into the maintenance fund 37748
required by division (D) of section 3318.05 of the Revised Code 37749
not less than an amount equal to one-half mill for each dollar of 37750
the district's valuation unless and until the agreement to make 37751
those transfers is rescinded by the district board pursuant to 37752
division (F) of this section. 37753

(B) On the first day of July each year, or on an alternative 37754
date prescribed by the commission, the district treasurer shall 37755
certify to the commission and the auditor of state that the amount 37756
required for the year has been transferred. The auditor of state 37757
shall include verification of the transfer as part of any audit of 37758
the district under section 117.11 of the Revised Code. If the 37759
auditor of state finds that less than the required amount has been 37760
deposited into a district's maintenance fund, the auditor of state 37761
shall notify the district board of education in writing of that 37762
fact and require the board to deposit into the fund, within ninety 37763
days after the date of the notice, the amount by which the fund is 37764
deficient for the year. If the district board fails to demonstrate 37765
to the auditor of state's satisfaction that the board has made the 37766
deposit required in the notice, the auditor of state shall notify 37767
the department of education. At that time, the department shall 37768

withhold an amount equal to ten per cent of the district's funds 37769
calculated for the current fiscal year under ~~Chapter~~ Chapters 37770
3306. and 3317. of the Revised Code until the auditor of state 37771
notifies the department that the auditor of state is satisfied 37772
that the board has made the required transfer. 37773

(C) Money transferred to the maintenance fund shall be used 37774
for the maintenance of the facilities acquired under the 37775
district's project. 37776

(D) The transfers to the maintenance fund under this section 37777
does not affect a district's obligation to establish and maintain 37778
a capital and maintenance fund under section 3315.18 of the 37779
Revised Code. 37780

(E) Any decision by the commission to approve or not approve 37781
the transfer of money under this section is final and not subject 37782
to appeal. The commission shall not be responsible for errors or 37783
miscalculations made in deciding whether to approve a petition to 37784
make transfers under this section. 37785

(F) If the district board determines that it no longer can 37786
continue making the transfers agreed to under this section, the 37787
board may rescind the agreement only so long as the electors of 37788
the district have approved, in accordance with section 3318.063 of 37789
the Revised Code, the levy of a tax for the maintenance of the 37790
classroom facilities acquired under the district's project and 37791
that levy continues to be collected as approved by the electors. 37792
That levy shall be for a number of years that is equal to the 37793
difference between twenty-three years and the number of years that 37794
the district made transfers under this section and shall be at the 37795
rate of not less than one-half mill for each dollar of the 37796
district's valuation. The district board shall continue to make 37797
the transfers agreed to under this section until that levy has 37798
been approved by the electors. 37799

Sec. 3318.061. This section applies only to school districts 37800
eligible to receive additional assistance under division (B)(2) of 37801
section 3318.04 of the Revised Code ~~and to big eight districts~~ 37802
~~segmenting projects under section 3318.38 of the Revised Code.~~ 37803

The board of education of a school district in which a tax 37804
described by division (B) of section 3318.05 and levied under 37805
section 3318.06 of the Revised Code is in effect, may adopt a 37806
resolution by vote of a majority of its members to extend the term 37807
of that tax beyond the expiration of that tax as originally 37808
approved under that section. The school district board may include 37809
in the resolution a proposal to extend the term of that tax at the 37810
rate of not less than one-half mill for each dollar of valuation 37811
for a period of twenty-three years from the year in which the 37812
school district board and the Ohio school facilities commission 37813
enter into an agreement under division (B)(2) of section 3318.04 37814
of the Revised Code or in the following year, as specified in the 37815
resolution ~~or, as applicable in the case of a district segmenting~~ 37816
~~a project under section 3318.38 of the Revised Code, from the year~~ 37817
~~in which the last segment is undertaken.~~ Such a resolution may be 37818
adopted at any time before such an agreement is entered into and 37819
before the tax levied pursuant to section 3318.06 of the Revised 37820
Code expires. If the resolution is combined with a resolution to 37821
issue bonds to pay the school district's portion of the basic 37822
project cost, it shall conform with the requirements of divisions 37823
(A)(1), (2), and (3) of section 3318.06 of the Revised Code, 37824
except that the resolution also shall state that the tax levy 37825
proposed in the resolution is an extension of an existing tax 37826
levied under that section. A resolution proposing an extension 37827
adopted under this section does not take effect until it is 37828
approved by a majority of electors voting in favor of the 37829
resolution at a general, primary, or special election as provided 37830
in this section. 37831

A tax levy extended under this section is subject to the same terms and limitations to which the original tax levied under section 3318.06 of the Revised Code is subject under that section, except the term of the extension shall be as specified in this section.

The school district board shall certify a copy of the resolution adopted under this section to the proper county board of elections not later than seventy-five days before the date set in the resolution as the date of the election at which the question will be submitted to electors. The notice of the election shall conform with the requirements of division (A)(3) of section 3318.06 of the Revised Code, except that the notice also shall state that the maintenance tax levy is an extension of an existing tax levy.

The form of the ballot shall be as follows:

"Shall the existing tax levied to pay the cost of maintaining classroom facilities constructed with the proceeds of the previously issued bonds at the rate of (here insert the number of mills, which shall not be less than one-half mill) mills per dollar of tax valuation, be extended until (here insert the year that is twenty-three years after the year in which the district and commission will enter into an agreement under division (B)(2) of section 3318.04 of the Revised Code or the following year)?

retirement fund only to the extent of the moneys therein on the 37918
first day of the year preceding the year in which the controlling 37919

valuation of the school district so that the amount of 37921
indebtedness that can be incurred on the tax duplicates for the 37922
year in which the controlling board approved the project is less 37923
than the amount of the first installment of bond anticipation 37924
notes, there shall be paid from the school district's project 37925
construction fund to the school district's bond retirement fund to 37926

net bonded indebtedness of the school district, as of the first 37928
day of the year following the year in which the controlling board 37929
approved the project, to be within five thousand dollars of the 37930
required level of indebtedness for the year in which the 37931
controlling board approved the project. The maximum amount of 37932
indebtedness to be incurred by any school district board as its 37933
share of the cost of the project is either an amount that will 37934
cause its net bonded indebtedness, as of the first day of the year 37935
following the year in which the controlling board approved the 37936
project, to be within five thousand dollars of the required level 37937
of indebtedness, or an amount equal to the required percentage of 37938

date of this amendment. Nothing in that division shall be 38309
construed to void or otherwise affect a continuing contract 38310
entered into prior to that date. 38311

Notwithstanding any provision to the contrary in Chapter 38312
4117. of the Revised Code, the requirements of division (D)(3) of 38313
this section prevail over any conflicting provisions of a 38314
collective bargaining agreement entered into on or after the 38315
effective date of this amendment. 38316

(F) Wherever the term "educator license" is used in this 38317
section without reference to a specific type of educator license, 38318

contracts of employment are not otherwise provided by law: 38325

(A) Newly hired regular nonteaching school employees, 38326
including regular hourly rate and per diem employees, shall enter 38327
into written contracts for their employment which shall be for a 38328
period of not more than one year. If such employees are rehired, 38329
their subsequent contract shall be for a period of two years. 38330

(B) After the termination of the two-year contract provided 38331
in division (A) of this section, if the contract of a nonteaching 38332

increased but not reduced unless such reduction is a part of a 38335
uniform plan affecting the nonteaching employees of the entire 38336
district. 38337

(C) The contracts as provided for in this section may be 38338
terminated by a majority vote of the board of education. Except as 38339
provided in ~~sections 3319.0810 and section~~ 3319.172 of the Revised 38340

written rules and regulations as set forth by the board of 38342
education or for incompetency, inefficiency, dishonesty, 38343
drunkenness, immoral conduct, insubordination, discourteous 38344
treatment of the public, neglect of duty, or any other acts of 38345
misfeasance, malfeasance, or nonfeasance. In addition to the right 38346
of the board of education to terminate the contract of an 38347
employee, the board may suspend an employee for a definite period 38348
of time or demote the employee for the reasons set forth in this 38349
division. The action of the board of education terminating the 38350
contract of an employee or suspending or demoting the employee 38351

days following the receipt of such notice by the employee, the 38353
employee may file an appeal, in writing, with the court of common 38354
pleas of the county in which such school board is situated. After 38355
hearing the appeal the common pleas court may affirm, disaffirm, 38356
or modify the action of the school board. 38357

A violation of division (A)(7) of section 2907.03 of the 38358
Revised Code is grounds for termination of employment of a 38359
nonteaching employee under this division. 38360

(D) All employees who have been employed by a school district 38361
where the provisions of Chapter 124. of the Revised Code do not 38362

shall hold continuing contracts of employment pursuant to this 38364
section. 38365

(E) Any nonteaching school employee may terminate the 38366
nonteaching school employee's contract of employment thirty days 38367
subsequent to the filing of a written notice of such termination 38368
with the treasurer of the board. 38369

(F) A person hired exclusively for the purpose of replacing a 38370
nonteaching school employee while such employee is on leave of 38371
absence granted under section 3319.13 of the Revised Code is not a 38372
regular nonteaching school employee under this section. 38373

(G) All nonteaching employees employed pursuant to this 38374
section and Chapter 124. of the Revised Code shall be paid for all 38375
time lost when the schools in which they are employed are closed 38376
owing to an epidemic or other public calamity. Nothing in this 38377
division shall be construed as requiring payment in excess of an 38378
employee's regular wage rate or salary for any time worked while 38379
the school in which the employee is employed is officially closed 38380
for the reasons set forth in this division. 38381

Sec. 3319.088. As used in this section, "educational 38382
assistant" means any nonteaching employee in a school district who 38383
directly assists a teacher as defined in section 3319.09 of the 38384
Revised Code, by performing duties for which a license issued 38385
pursuant to sections 3319.22 to 3319.30 of the Revised Code is not 38386
required. 38387

(A) The state board of education shall issue educational aide 38388
permits and educational paraprofessional licenses for educational 38389
assistants and shall adopt rules for the issuance and renewal of 38390
such permits and licenses which shall be consistent with the 38391
provisions of this section. Educational aide permits and 38392
educational paraprofessional licenses may be of several types and 38393

the rules shall prescribe the minimum qualifications of education, 38394
health, and character for the service to be authorized under each 38395
type. The prescribed minimum qualifications may require special 38396
training or educational courses designed to qualify a person to 38397
perform effectively the duties authorized under an educational 38398
aide permit or educational paraprofessional license. 38399

(B)(1) Any application for a permit or license, or a renewal 38400
or duplicate of a permit or license, under this section shall be 38401
accompanied by the payment of a fee in the amount established 38402
under division (A) of section 3319.51 of the Revised Code. Any 38403
fees received under this division shall be paid into the state 38404
treasury to the credit of the state board of education licensure 38405
fund established under division (B) of section 3319.51 of the 38406
Revised Code. 38407

pursuant to this section is subject to sections 3123.41 to 3123.50 38409
of the Revised Code and any applicable rules adopted under section 38410
3123.63 of the Revised Code and sections 3319.31 and 3319.311 of 38411
the Revised Code. 38412

(C) Educational assistants shall at all times while in the 38413
performance of their duties be under the supervision and direction 38414
of a teacher as defined in section 3319.09 of the Revised Code. 38415
Educational assistants may assist a teacher to whom assigned in 38416
the supervision of pupils, in assisting with instructional tasks, 38417
and in the performance of duties which, in the judgment of the 38418
teacher to whom the assistant is assigned, may be performed by a 38419
person not licensed pursuant to sections 3319.22 to 3319.30 of the 38420
Revised Code and for which a teaching license, issued pursuant to 38421
sections 3319.22 to 3319.30 of the Revised Code is not required. 38422
The duties of an educational assistant shall not include the 38423
assignment of grades to pupils. The duties of an educational 38424
~~assistants~~ assistant need not be performed in the physical 38425

presence of the teacher to whom assigned, but the activity of an 38426
educational assistant shall at all times be under the direction of 38427
the teacher to whom assigned. The assignment of an educational 38428
assistant need not be limited to assisting a single teacher. In 38429
the event an educational assistant is assigned to assist more than 38430
one teacher the assignments shall be clearly delineated and so 38431
arranged that the educational assistant shall never be subject to 38432
simultaneous supervision or direction by more than one teacher. 38433

Educational assistants assigned to supervise children shall, 38434
when the teacher to whom assigned is not physically present, 38435
maintain the degree of control and discipline ~~which~~ that would be 38436
maintained by the teacher, ~~but an educational assistant may not~~ 38437
~~render corporal punishment.~~ 38438

~~Except when expressly permitted solely for the purposes of~~ 38439
~~section 3317.029 of the Revised Code, educational~~ Educational 38440
assistants may not be used in place of classroom teachers or other 38441
employees and any payment of compensation by boards of education 38442
to educational assistants for such services is prohibited. The 38443
ratio between the number of licensed teachers and the pupils in a 38444
school district may not be decreased by utilization of educational 38445
assistants and no grouping, or other organization of pupils, for 38446
utilization of educational assistants shall be established which 38447
is inconsistent with sound educational practices and procedures. A 38448
school district may employ up to one full time equivalent 38449
educational assistant for each six full time equivalent licensed 38450
employees of the district. Educational assistants shall not be 38451
counted as licensed employees for purposes of state support in the 38452
school foundation program and no grouping or regrouping of pupils 38453
with educational assistants may be counted as a class or unit for 38454
school foundation program purposes. Neither special courses 38455
required by the regulations of the state board of education, 38456
prescribing minimum qualifications of education for an educational 38457

assistant, nor years of service as an educational assistant shall 38458
be counted in any way toward qualifying for a teacher license, for 38459
a teacher contract of any type, or for determining placement on a 38460
salary schedule in a school district as a teacher. 38461

38462

(D) Educational assistants employed by a board of education 38463
shall have all rights, benefits, and legal protection available to 38464
other nonteaching employees in the school district, except that 38465
provisions of Chapter 124. of the Revised Code shall not apply to 38466
any person employed as an educational assistant, and shall be 38467
members of the school employees retirement system. Educational 38468
assistants shall be compensated according to a salary plan adopted 38469
annually by the board. 38470

shall not serve as educational assistants without first obtaining 38472
an appropriate educational aide permit or educational 38473
paraprofessional license from the state board of education. A 38474
nonteaching employee who is the holder of a valid educational aide 38475
permit or educational paraprofessional license shall neither 38476
render nor be required to render services inconsistent with the 38477
type of services authorized by the permit or license held. No 38478
person shall receive compensation from a board of education for 38479
services rendered as an educational assistant in violation of this 38480
provision. 38481

Nonteaching employees whose functions are solely 38482
secretarial-clerical and who do not perform any other duties as 38483
educational assistants, even though they assist a teacher and work 38484

shall not be required to hold an educational aide permit or 38488
paraprofessional license for such periods of time as such students 38489

are assigned, as part of their training program, to work with a 38490
teacher in a school district. Such students shall not be 38491
compensated for such services. 38492

Following the determination of the assignment and general job 38493
description of an educational assistant and subject to supervision 38494
by the teacher's immediate administrative officer, a teacher to 38495
whom an educational assistant is assigned shall make all final 38496
determinations of the duties to be assigned to such assistant. 38497
Teachers shall not be required to hold a license designated for 38498
being a supervisor or administrator in order to perform the 38499
necessary supervision of educational assistants. 38500

(E) No person who is, or who has been employed as an 38501
educational assistant shall divulge, except to the teacher to whom 38502
assigned, or the administrator of the school in the absence of the 38503
teacher to whom assigned, or when required to testify in a court 38504
or proceedings, any personal information concerning any pupil in 38505
the school district which was obtained or obtainable by the 38506
educational assistant while so employed. Violation of this 38507
provision is grounds for disciplinary action or dismissal, or 38508
both. 38509

Sec. 3319.11. (A) As used in this section: 38510

(1) "Evaluation procedures" means the procedures adopted 38511
pursuant to division (B) of section 3319.111 of the Revised Code. 38512

(2) "Limited contract" means a limited contract, as described 38513
in section 3319.08 of the Revised Code, that a school district 38514
board of education or governing board of an educational service 38515
center enters into with a teacher who is not eligible for 38516
continuing service status. 38517

(3) "Extended limited contract" means a limited contract, as 38518
described in section 3319.08 of the Revised Code, that a board of 38519

education or governing board enters into with a teacher who is 38520
eligible for continuing service status. 38521

(B) Teachers eligible for continuing service status in any 38522
city, exempted village, local, or joint vocational school district 38523
or educational service center shall be those teachers qualified as 38524
described in division ~~(B)(1) or (2)~~(D) of section 3319.08 of the 38525
Revised Code, who within the last five years have taught for at 38526
least three years in the district or center, and those teachers 38527
who, having attained continuing contract status elsewhere, have 38528
served two years in the district or center, but the board, upon 38529
the recommendation of the superintendent, may at the time of 38530
employment or at any time within such two-year period, declare any 38531
of the latter teachers eligible. 38532

(1) Upon the recommendation of the superintendent that a 38533
teacher eligible for continuing service status be reemployed, a 38534
continuing contract shall be entered into between the board and 38535
the teacher unless the board by a three-fourths vote of its full 38536
membership rejects the recommendation of the superintendent. If 38537
the board rejects by a three-fourths vote of its full membership 38538
the recommendation of the superintendent that a teacher eligible 38539
for continuing service status be reemployed and the superintendent 38540
makes no recommendation to the board pursuant to division (C) of 38541
this section, the board may declare its intention not to reemploy 38542
the teacher by giving the teacher written notice on or before the 38543
thirtieth day of April of its intention not to reemploy the 38544
teacher. If evaluation procedures have not been complied with 38545
pursuant to division (A) of section 3319.111 of the Revised Code 38546
or the board does not give the teacher written notice on or before 38547
the thirtieth day of April of its intention not to reemploy the 38548
teacher, the teacher is deemed reemployed under an extended 38549
limited contract for a term not to exceed one year at the same 38550
salary plus any increment provided by the salary schedule. The 38551

teacher is presumed to have accepted employment under the extended 38552
limited contract for a term not to exceed one year unless such 38553
teacher notifies the board in writing to the contrary on or before 38554
the first day of June, and an extended limited contract for a term 38555
not to exceed one year shall be executed accordingly. Upon any 38556
subsequent reemployment of the teacher only a continuing contract 38557
may be entered into. 38558

(2) If the superintendent recommends that a teacher eligible 38559
for continuing service status not be reemployed, the board may 38560
declare its intention not to reemploy the teacher by giving the 38561
teacher written notice on or before the thirtieth day of April of 38562
its intention not to reemploy the teacher. If evaluation 38563
procedures have not been complied with pursuant to division (A) of 38564
section 3319.111 of the Revised Code or the board does not give 38565
the teacher written notice on or before the thirtieth day of April 38566
of its intention not to reemploy the teacher, the teacher is 38567
deemed reemployed under an extended limited contract for a term 38568
not to exceed one year at the same salary plus any increment 38569
provided by the salary schedule. The teacher is presumed to have 38570
accepted employment under the extended limited contract for a term 38571
not to exceed one year unless such teacher notifies the board in 38572
writing to the contrary on or before the first day of June, and an 38573
extended limited contract for a term not to exceed one year shall 38574
be executed accordingly. Upon any subsequent reemployment of a 38575
teacher only a continuing contract may be entered into. 38576

(3) Any teacher receiving written notice of the intention of 38577
a board not to reemploy such teacher pursuant to this division is 38578
entitled to the hearing provisions of division (G) of this 38579
section. 38580

(C)(1) If a board rejects the recommendation of the 38581
superintendent for reemployment of a teacher pursuant to division 38582
(B)(1) of this section, the superintendent may recommend 38583

reemployment of the teacher, if continuing service status has not 38584
previously been attained elsewhere, under an extended limited 38585
contract for a term not to exceed two years, provided that written 38586
notice of the superintendent's intention to make such 38587
recommendation has been given to the teacher with reasons directed 38588
at the professional improvement of the teacher on or before the 38589
thirtieth day of April. Upon subsequent reemployment of the 38590
teacher only a continuing contract may be entered into. 38591

(2) If a board of education takes affirmative action on a 38592
superintendent's recommendation, made pursuant to division (C)(1) 38593
of this section, of an extended limited contract for a term not to 38594
exceed two years but the board does not give the teacher written 38595
notice of its affirmative action on the superintendent's 38596
recommendation of an extended limited contract on or before the 38597
thirtieth day of April, the teacher is deemed reemployed under a 38598
continuing contract at the same salary plus any increment provided 38599
by the salary schedule. The teacher is presumed to have accepted 38600
employment under such continuing contract unless such teacher 38601
notifies the board in writing to the contrary on or before the 38602
first day of June, and a continuing contract shall be executed 38603
accordingly. 38604

(3) A board shall not reject a superintendent's 38605
recommendation, made pursuant to division (C)(1) of this section, 38606
of an extended limited contract for a term not to exceed two years 38607
except by a three-fourths vote of its full membership. If a board 38608
rejects by a three-fourths vote of its full membership the 38609
recommendation of the superintendent of an extended limited 38610
contract for a term not to exceed two years, the board may declare 38611
its intention not to reemploy the teacher by giving the teacher 38612
written notice on or before the thirtieth day of April of its 38613
intention not to reemploy the teacher. If evaluation procedures 38614
have not been complied with pursuant to division (A) of section 38615

3319.111 of the Revised Code or if the board does not give the teacher written notice on or before the thirtieth day of April of its intention not to reemploy the teacher, the teacher is deemed reemployed under an extended limited contract for a term not to exceed one year at the same salary plus any increment provided by the salary schedule. The teacher is presumed to have accepted employment under the extended limited contract for a term not to exceed one year unless such teacher notifies the board in writing to the contrary on or before the first day of June, and an extended limited contract for a term not to exceed one year shall be executed accordingly. Upon any subsequent reemployment of the teacher only a continuing contract may be entered into.

Any teacher receiving written notice of the intention of a board not to reemploy such teacher pursuant to this division is entitled to the hearing provisions of division (G) of this section.

(D) A teacher eligible for continuing contract status employed under an extended limited contract pursuant to division (B) or (C) of this section, is, at the expiration of such extended limited contract, deemed reemployed under a continuing contract at the same salary plus any increment granted by the salary schedule, unless evaluation procedures have been complied with pursuant to division (A) of section 3319.111 of the Revised Code and the employing board, acting on the superintendent's recommendation that the teacher not be reemployed, gives the teacher written notice on or before the thirtieth day of April of its intention not to reemploy such teacher. A teacher who does not have evaluation procedures applied in compliance with division (A) of section 3319.111 of the Revised Code or who does not receive notice on or before the thirtieth day of April of the intention of the board not to reemploy such teacher is presumed to have accepted employment under a continuing contract unless such

teacher notifies the board in writing to the contrary on or before 38648
the first day of June, and a continuing contract shall be executed 38649
accordingly. 38650

Any teacher receiving a written notice of the intention of a 38651
board not to reemploy such teacher pursuant to this division is 38652
entitled to the hearing provisions of division (G) of this 38653
section. 38654

(E) A limited contract may be entered into by each board with 38655
each teacher who has not been in the employ of the board for at 38656
least three years and shall be entered into, regardless of length 38657
of previous employment, with each teacher employed by the board 38658
who ~~holds a provisional, temporary, or associate license, or who~~ 38659
~~holds a professional license and~~ is not eligible to be considered 38660
for a continuing contract. 38661

Any teacher employed under a limited contract, and not 38662
eligible to be considered for a continuing contract, is, at the 38663
expiration of such limited contract, considered reemployed under 38664
the provisions of this division at the same salary plus any 38665
increment provided by the salary schedule unless evaluation 38666
procedures have been complied with pursuant to division (A) of 38667
section 3319.111 of the Revised Code and the employing board, 38668
acting upon the superintendent's written recommendation that the 38669
teacher not be reemployed, gives such teacher written notice of 38670
its intention not to reemploy such teacher on or before the 38671
thirtieth day of April. A teacher who does not have evaluation 38672
procedures applied in compliance with division (A) of section 38673
3319.111 of the Revised Code or who does not receive notice of the 38674
intention of the board not to reemploy such teacher on or before 38675
the thirtieth day of April is presumed to have accepted such 38676
employment unless such teacher notifies the board in writing to 38677
the contrary on or before the first day of June, and a written 38678
contract for the succeeding school year shall be executed 38679

accordingly. 38680

Any teacher receiving a written notice of the intention of a 38681
board not to reemploy such teacher pursuant to this division is 38682
entitled to the hearing provisions of division (G) of this 38683
section. 38684

(F) The failure of a superintendent to make a recommendation 38685
to the board under any of the conditions set forth in divisions 38686
(B) to (E) of this section, or the failure of the board to give 38687
such teacher a written notice pursuant to divisions (C) to (E) of 38688
this section shall not prejudice or prevent a teacher from being 38689
deemed reemployed under either a limited or continuing contract as 38690
the case may be under the provisions of this section. A failure of 38691
the parties to execute a written contract shall not void any 38692
automatic reemployment provisions of this section. 38693

(G)(1) Any teacher receiving written notice of the intention 38694
of a board of education not to reemploy such teacher pursuant to 38695
division (B), (C)(3), (D), or (E) of this section may, within ten 38696
days of the date of receipt of the notice, file with the treasurer 38697
of the board a written demand for a written statement describing 38698
the circumstances that led to the board's intention not to 38699
reemploy the teacher. 38700

(2) The treasurer of a board, on behalf of the board, shall, 38701
within ten days of the date of receipt of a written demand for a 38702
written statement pursuant to division (G)(1) of this section, 38703
provide to the teacher a written statement describing the 38704
circumstances that led to the board's intention not to reemploy 38705
the teacher. 38706

(3) Any teacher receiving a written statement describing the 38707
circumstances that led to the board's intention not to reemploy 38708
the teacher pursuant to division (G)(2) of this section may, 38709
within five days of the date of receipt of the statement, file 38710

with the treasurer of the board a written demand for a hearing 38711
before the board pursuant to divisions (G)(4) to (6) of this 38712
section. 38713

(4) The treasurer of a board, on behalf of the board, shall, 38714
within ten days of the date of receipt of a written demand for a 38715
hearing pursuant to division (G)(3) of this section, provide to 38716
the teacher a written notice setting forth the time, date, and 38717
place of the hearing. The board shall schedule and conclude the 38718
hearing within forty days of the date on which the treasurer of 38719
the board receives a written demand for a hearing pursuant to 38720
division (G)(3) of this section. 38721

(5) Any hearing conducted pursuant to this division shall be 38722
conducted by a majority of the members of the board. The hearing 38723
shall be held in executive session of the board unless the board 38724
and the teacher agree to hold the hearing in public. The 38725
superintendent, assistant superintendent, the teacher, and any 38726
person designated by either party to take a record of the hearing 38727
may be present at the hearing. The board may be represented by 38728
counsel and the teacher may be represented by counsel or a 38729
designee. A record of the hearing may be taken by either party at 38730
the expense of the party taking the record. 38731

(6) Within ten days of the conclusion of a hearing conducted 38732
pursuant to this division, the board shall issue to the teacher a 38733
written decision containing an order affirming the intention of 38734
the board not to reemploy the teacher reported in the notice given 38735
to the teacher pursuant to division (B), (C)(3), (D), or (E) of 38736
this section or an order vacating the intention not to reemploy 38737
and expunging any record of the intention, notice of the 38738
intention, and the hearing conducted pursuant to this division. 38739

(7) A teacher may appeal an order affirming the intention of 38740
the board not to reemploy the teacher to the court of common pleas 38741
of the county in which the largest portion of the territory of the 38742

school district or service center is located, within thirty days 38743
of the date on which the teacher receives the written decision, on 38744
the grounds that the board has not complied with this section 38745
~~3319.11~~ or section 3319.111 of the Revised Code. 38746

Notwithstanding section 2506.04 of the Revised Code, the 38747
court in an appeal under this division is limited to the 38748
determination of procedural errors and to ordering the correction 38749
of procedural errors and shall have no jurisdiction to order a 38750
board to reemploy a teacher, except that the court may order a 38751
board to reemploy a teacher in compliance with the requirements of 38752
division (B), (C)(3), (D), or (E) of this section when the court 38753
determines that evaluation procedures have not been complied with 38754
pursuant to division (A) of section 3319.111 of the Revised Code 38755
or the board has not given the teacher written notice on or before 38756
the thirtieth day of April of its intention not to reemploy the 38757
teacher pursuant to division (B), (C)(3), (D), or (E) of this 38758
section. Otherwise, the determination whether to reemploy or not 38759
reemploy a teacher is solely a board's determination and not a 38760
proper subject of judicial review and, except as provided in this 38761
division, no decision of a board whether to reemploy or not 38762
reemploy a teacher shall be invalidated by the court on any basis, 38763
including that the decision was not warranted by the results of 38764
any evaluation or was not warranted by any statement given 38765
pursuant to division (G)(2) of this section. 38766

No appeal of an order of a board may be made except as 38767
specified in this division. 38768

(H)(1) In giving a teacher any notice required by division 38769
(B), (C), (D), or (E) of this section, the board or the 38770
superintendent shall do either of the following: 38771

(a) Deliver the notice by personal service upon the teacher; 38772

teacher's place of residence. 38777

(2) In giving a board any notice required by division (B), 38778
(C), (D), or (E) of this section, the teacher shall do either of 38779
the following: 38780

(a) Deliver the notice by personal delivery to the office of 38781

president's place of residence. 38787

(3) When any notice and copy of the notice are mailed 38788
pursuant to division (H)(1)(b) or (2)(b) of this section, the 38789
notice or copy of the notice with the earlier date of receipt 38790
shall constitute the notice for the purposes of division (B), (C), 38791
(D), or (E) of this section. 38792

(I) The provisions of this section shall not apply to any 38793
supplemental written contracts entered into pursuant to section 38794
3319.08 of the Revised Code. 38795

Sec. 3319.151. (A) No person shall reveal to any student any 38796
specific question that the person knows is part of ~~a test~~ an 38797

(B) On a finding by the state board of education, after 38801
investigation, that a school employee who holds a license issued 38802
under sections 3319.22 to 3319.31 of the Revised Code has violated 38803

division (A) of this section, the license of such teacher shall be 38804
suspended for one year. Prior to commencing an investigation, the 38805
board shall give the teacher notice of the allegation and an 38806
opportunity to respond and present a defense. 38807

(C)(1) Violation of division (A) of this section is grounds 38808
for termination of employment of a nonteaching employee under 38809
division (C) of section 3319.081 or section 124.34 of the Revised 38810
Code. 38811

(2) Violation of division (A) of this section is grounds for 38812
termination of a teacher contract under section 3319.16 of the 38813
Revised Code. 38814

Sec. 3319.16. The contract of any teacher employed by the 38815
board of education of any city, exempted village, local, county, 38816
or joint vocational school district may not be terminated except 38817
~~for gross inefficiency or immorality; for willful and persistent~~ 38818
~~violations of reasonable regulations of the board of education; or~~ 38819
for ~~other~~ good and just cause. Before Notwithstanding any 38820
provision to the contrary in Chapter 4117. of the Revised Code, 38821
the provisions of this section relating to the grounds for 38822
termination of the contract of a teacher prevail over any 38823
conflicting provisions of a collective bargaining agreement 38824
entered into after the effective date of this amendment. 38825

Before terminating any contract, the employing board shall 38826
furnish the teacher a written notice signed by its treasurer of 38827
its intention to consider the termination of ~~his~~ the teacher's 38828
contract with full specification of the grounds for such 38829
consideration. The board shall not proceed with formal action to 38830
terminate the contract until after the tenth day after receipt of 38831
the notice by the teacher. Within ten days after receipt of the 38832
notice from the treasurer of the board, the teacher may file with 38833
the treasurer a written demand for a hearing before the board or 38834

before a referee, and the board shall set a time for the hearing 38835
which shall be within thirty days from the date of receipt of the 38836
written demand, and the treasurer shall give the teacher at least 38837
twenty days' notice in writing of the time and place of the 38838
hearing. If a referee is demanded by either the teacher or board, 38839
the treasurer also shall give twenty days' notice to the 38840
superintendent of public instruction. No hearing shall be held 38841
during the summer vacation without the teacher's consent. The 38842
hearing shall be private unless the teacher requests a public 38843
hearing. The hearing shall be conducted by a referee appointed 38844
pursuant to section 3319.161 of the Revised Code, if demanded; 38845
otherwise, it shall be conducted by a majority of the members of 38846
the board and shall be confined to the grounds given for the 38847
termination. The board shall provide for a complete stenographic 38848
record of the proceedings, a copy of the record to be furnished to 38849
the teacher. The board may suspend a teacher pending final action 38850
to terminate ~~his~~ the teacher's contract if, in its judgment, the 38851
character of the charges warrants such action. 38852

Both parties may be present at such hearing, be represented 38853
by counsel, require witnesses to be under oath, cross-examine 38854
witnesses, take a record of the proceedings, and require the 38855
presence of witnesses in their behalf upon subpoena to be issued 38856
by the treasurer of the board. In case of the failure of any 38857
person to comply with a subpoena, a judge of the court of common 38858
pleas of the county in which the person resides, upon application 38859
of any interested party, shall compel attendance of the person by 38860
attachment proceedings as for contempt. Any member of the board or 38861
the referee may administer oaths to witnesses. After a hearing by 38862
a referee, the referee shall file ~~his~~ a report within ten days 38863
after the termination of the hearing. After consideration of the 38864
referee's report, the board, by a majority vote, may accept or 38865
reject the referee's recommendation on the termination of the 38866
teacher's contract. After a hearing by the board, the board, by 38867

majority vote, may enter its determination upon its minutes. Any 38868
order of termination of a contract shall state the grounds for 38869
termination. If the decision, after hearing, is against 38870
termination of the contract, the charges and the record of the 38871
hearing shall be physically expunged from the minutes, and, if the 38872
teacher has suffered any loss of salary by reason of being 38873
suspended, ~~he~~ the teacher shall be paid ~~his~~ the teacher's full 38874
salary for the period of such suspension. 38875

Any teacher affected by an order of termination of contract 38876
may appeal to the court of common pleas of the county in which the 38877
school is located within thirty days after receipt of notice of 38878
the entry of such order. The appeal shall be an original action in 38879
the court and shall be commenced by the filing of a complaint 38880
against the board, in which complaint the facts shall be alleged 38881
upon which the teacher relies for a reversal or modification of 38882
such order of termination of contract. Upon service or waiver of 38883
summons in that appeal, the board immediately shall transmit to 38884
the clerk of the court for filing a transcript of the original 38885
papers filed with the board, a certified copy of the minutes of 38886
the board into which the termination finding was entered, and a 38887
certified transcript of all evidence adduced at the hearing or 38888
hearings before the board or a certified transcript of all 38889
evidence adduced at the hearing or hearings before the referee, 38890
whereupon the cause shall be at issue without further pleading and 38891
shall be advanced and heard without delay. The court shall examine 38892
the transcript and record of the hearing and shall hold such 38893
additional hearings as it considers advisable, at which it may 38894
consider other evidence in addition to the transcript and record. 38895

Upon final hearing, the court shall grant or deny the relief 38896
prayed for in the complaint as may be proper in accordance with 38897
the evidence adduced in the hearing. Such an action is a special 38898
proceeding, and either the teacher or the board may appeal from 38899

the decision of the court of common pleas pursuant to the Rules of 38900
Appellate Procedure and, to the extent not in conflict with those 38901
rules, Chapter 2505. of the Revised Code. 38902

In any court action, the board may utilize the services of 38903
the prosecuting attorney, village solicitor, city director of law, 38904
or other chief legal officer of a municipal corporation as 38905
authorized by section 3313.35 of the Revised Code, or may employ 38906
other legal counsel. 38907

A violation of division (A)(7) of section 2907.03 of the 38908
Revised Code is grounds for termination of a teacher contract 38909
under this section. 38910

Sec. 3319.17. (A) As used in this section, "interdistrict 38911
contract" means any contract or agreement entered into by an 38912
educational service center governing board and another board or 38913
other public entity pursuant to section 3313.17, 3313.841, 38914
3313.842, 3313.843, 3313.844, 3313.845, 3313.91, or 3323.08 of the 38915
Revised Code, including any such contract or agreement for the 38916
provision of services funded under division (I) of section 38917
3317.024 of the Revised Code or provided in any unit approved 38918
under section 3317.05 of the Revised Code. 38919

(B) When, for any of the following reasons that apply to any 38920
city, exempted village, local, or joint vocational school district 38921
or any educational service center, the board decides that it will 38922
be necessary to reduce the number of teachers it employs, it may 38923
make a reasonable reduction: 38924

(1) In the case of any district or service center, return to 38925
duty of regular teachers after leaves of absence including leaves 38926
provided pursuant to division (B) of section 3314.10 of the 38927
Revised Code, suspension of schools, or territorial changes 38928
affecting the district or center, ~~or financial reasons;~~ 38929

(2) In the case of any city, exempted village, local, or joint vocational school district, decreased enrollment of pupils in the district;

(3) In the case of any governing board of a service center providing any particular service directly to pupils pursuant to one or more interdistrict contracts requiring such service, reduction in the total number of pupils the governing board is required to provide with the service under all interdistrict contracts as a result of the termination or nonrenewal of one or more of these interdistrict contracts;

(4) In the case of any governing board providing any particular service that it does not provide directly to pupils pursuant to one or more interdistrict contracts requiring such service, reduction in the total level of the service the governing board is required to provide under all interdistrict contracts as a result of the termination or nonrenewal of one or more of these interdistrict contracts.

(C) In making any such reduction, any city, exempted village, local, or joint vocational school board shall proceed to suspend contracts in accordance with the recommendation of the superintendent of schools who shall, within each teaching field affected, give preference first to teachers on continuing contracts and then to teachers who have greater seniority. In making any such reduction, any governing board of a service center shall proceed to suspend contracts in accordance with the recommendation of the superintendent who shall, within each teaching field or service area affected, give preference first to teachers on continuing contracts and then to teachers who have greater seniority.

On a case-by-case basis, in lieu of suspending a contract in whole, a board may suspend a contract in part, so that an individual is required to work a percentage of the time the

employee otherwise is required to work under the contract and 38962
receives a commensurate percentage of the full compensation the 38963
employee otherwise would receive under the contract. 38964

The teachers whose continuing contracts are suspended by any 38965
board pursuant to this section shall have the right of restoration 38966
to continuing service status by that board in the order of 38967
seniority of service in the district or service center if and when 38968
teaching positions become vacant or are created for which any of 38969
such teachers are or become qualified. No teacher whose continuing 38970
contract has been suspended pursuant to this section shall lose 38971
that right of restoration to continuing service status by reason 38972
of having declined recall to a position that is less than 38973
full-time or, if the teacher was not employed full-time just prior 38974
to suspension of the teacher's continuing contract, to a position 38975
requiring a lesser percentage of full-time employment than the 38976
position the teacher last held while employed in the district or 38977
service center. 38978

~~(D) Notwithstanding any provision to the contrary in Chapter 38979
4117. of the Revised Code, the requirements of this section 38980
prevail over any conflicting provisions of agreements between 38981
employee organizations and public employers entered into after 38982
September 29, 2005. 38983~~

Sec. 3319.172. The board of education of each school district 38984
wherein the provisions of Chapter 124. of the Revised Code do not 38985
apply and the governing board of each educational service center 38986
may adopt a resolution ordering reasonable reductions in the 38987
number of nonteaching employees for any of the reasons for which 38988
the board of education or governing board may make reductions in 38989
teaching employees, as set forth in division (B) of section 38990
3319.17 of the Revised Code. 38991

In making any reduction under this section, the board of 38992

education or governing board shall proceed to suspend contracts in 38993
accordance with the recommendation of the superintendent of the 38994
district or service center who shall, within each pay 38995
classification affected, give preference first to employees under 38996
continuing contracts and then to employees on the basis of 38997
seniority. On a case-by-case basis, in lieu of suspending a 38998
contract in whole, a board may suspend a contract in part, so that 38999
an individual is required to work a percentage of the time the 39000
employee otherwise is required to work under the contract and 39001
receives a commensurate percentage of the full compensation the 39002
employee otherwise would receive under the contract. 39003

Any nonteaching employee whose continuing contract is 39004
suspended under this section shall have the right of restoration 39005
to continuing service status by the board of education or 39006
governing board that suspended that contract in order of seniority 39007
of service in the district or service center, if and when a 39008
nonteaching position for which the employee is qualified becomes 39009
vacant or is created. No nonteaching employee whose continuing 39010
contract has been suspended under this section shall lose that 39011
right of restoration to continuing service status by reason of 39012
having declined recall to a position requiring fewer regularly 39013
scheduled hours of work than required by the position the employee 39014
last held while employed in the district or service center. 39015

~~Notwithstanding any provision to the contrary in Chapter 39016
4117. of the Revised Code, the requirements of this section 39017
prevail over any conflicting provisions of agreements between 39018
employee organizations and public employers entered into after the 39019
effective date of this section. 39020~~

If the collective bargaining agreement does not specify a 39214
different method for the selection of teacher members of the 39215
committees, the exclusive representative of the district's 39216
teachers shall select the teacher members. 39217

If the collective bargaining agreement does not specify a 39218

public instruction shall determine whether the department of 39739
education has received any information about the person pursuant 39740
to section 109.5721 of the Revised Code, but the person shall not 39741
be subject to division (A)(2) or (B) of this section as long as 39742
the person's certificate, license, or permit with the longest 39743
duration is valid. 39744

(2) If the certificates, licenses, or permits are of the same 39745
duration but do not expire in the same year, the person shall 39746
designate one of the certificates, licenses, or permits as the 39747

board or the superintendent of public instruction shall determine 39754
whether the department has received any information about the 39755
person pursuant to section 109.5721 of the Revised Code, but the 39756
person shall not be subject to division (A)(2) or (B) of this 39757
section as long as the person's primary certificate, license, or 39758
permit is valid. 39759

(3) If the certificates, licenses, or permits are of the same 39760
duration and expire in the same year and the person applies for 39761
renewal of the certificates, licenses, or permits at the same 39762
time, the state board or the superintendent of public instruction 39763

shall request only one criminal records check of the person under 39764
division (B) of this section. 39765

(7) Provisions of this chapter requiring a STEM school and its governing body to comply with specified laws as if it were a school district and in the same manner as a board of education shall instead require such compliance by the STEM school sponsoring district and its board of education, respectively, with respect to the STEM school. Where a STEM school or its governing body is required to perform a specific duty or permitted to take a specific action under this chapter, that duty is required to be performed or that action is permitted to be taken by the STEM school sponsoring district or its board of education, respectively, with respect to the STEM school.

(8) No provision of this chapter limits the authority, as provided otherwise by law, of a school district and its board of education to levy taxes and issue bonds secured by tax revenues.

Sec. 3327.02. (A) After considering each of the following factors, the board of education of a city, exempted village, or local school district may determine that it is impractical to transport a pupil who is eligible for transportation to and from a school under section 3327.01 of the Revised Code:

(1) The time and distance required to provide the transportation;

(2) The number of pupils to be transported;

(3) The cost of providing transportation in terms of equipment, maintenance, personnel, and administration;

(4) Whether similar or equivalent service is provided to other pupils eligible for transportation;	41602 41603
(5) Whether and to what extent the additional service unavoidably disrupts current transportation schedules;	41604 41605
(6) Whether other reimbursable types of transportation are available.	41606 41607
(B)(1) Based on its consideration of the factors established in division (A) of this section, the board may pass a resolution declaring the impracticality of transportation. The resolution shall include each pupil's name and the reason for impracticality.	41608 41609 41610 41611
(2) The board shall report its determination to the state board of education in a manner determined by the state board.	41612 41613
(3) The board of education of a local school district additionally shall submit the resolution for concurrence to the educational service center that contains the local district's territory. If the educational service center governing board considers transportation by school conveyance practicable, it shall so inform the local board and transportation shall be provided by such local board. If the educational service center board agrees with the view of the local board, the local board may offer payment in lieu of transportation as provided in this section.	41614 41615 41616 41617 41618 41619 41620 41621 41622 41623
(C) After passing the resolution declaring the impracticality of transportation, the district board shall offer to provide payment in lieu of transportation by doing the following:	41624 41625 41626
(1) In accordance with guidelines established by the department of education, informing the pupil's parent, guardian, or other person in charge of the pupil of both of the following:	41627 41628 41629
(a) The board's resolution;	41630
(b) The right of the pupil's parent, guardian, or other	41631

person in charge of the pupil to accept the offer of payment in 41632
lieu of transportation or to reject the offer and instead request 41633
the department to initiate mediation procedures. 41634

(2) Issuing the pupil's parent, guardian, or other person in 41635
charge of the pupil a contract or other form on which the parent, 41636
guardian, or other person in charge of the pupil is given the 41637
option to accept or reject the board's offer of payment in lieu of 41638
transportation. 41639

(D) If the parent, guardian, or other person in charge of the 41640
pupil accepts the offer of payment in lieu of providing 41641
transportation, the board shall pay the parent, guardian, or other 41642
person in charge of the child an amount that shall be not less 41643
than the amount determined by the department of education as the 41644
minimum for payment in lieu of transportation, and not more than 41645
the amount determined by the department as the average cost of 41646
pupil transportation for the previous school year. Payment may be 41647
prorated if the time period involved is only a part of the school 41648
year. 41649

(E)(1)(a) Upon the request of a parent, guardian, or other 41650
person in charge of the pupil who rejected the payment in lieu of 41651
transportation, the department shall conduct mediation procedures. 41652

(b) If the mediation does not resolve the dispute, the state 41653
board of education shall conduct a hearing in accordance with 41654
Chapter 119. of the Revised Code. The state board may approve the 41655
payment in lieu of transportation or may order the board of 41656
education to provide transportation. The decision of the state 41657
board is binding in subsequent years and on future parties in 41658
interest provided the facts of the determination remain 41659
comparable. 41660

(2) The school district shall provide transportation for the 41661
pupil from the time the parent, guardian, or other person in 41662

charge of the pupil requests mediation until the matter is 41663
resolved under division (E)(1)(a) or (b) of this section. 41664

(F)(1) If the department determines that a school district 41665
board has failed or is failing to provide transportation as 41666
required by division (E)(2) of this section or as ordered by the 41667
state board under division (E)(1)(b) of this section, the 41668
department shall order the school district board to pay to the 41669
pupil's parent, guardian, or other person in charge of the pupil, 41670
an amount equal to the state average daily cost of transportation 41671
as determined by the state board of education for the previous 41672
year. The school district board shall make payments on a schedule 41673
ordered by the department. 41674

(2) If the department subsequently finds that a school 41675
district board is not in compliance with an order issued under 41676
division (F)(1) of this section and the affected pupils are 41677
enrolled in a nonpublic or community school, the department shall 41678
deduct the amount that the board is required to pay under that 41679
order from any payments the department makes to the school 41680
district board under ~~division (D) of section 3317.022~~ 3306.12 of 41681
the Revised Code. The department shall use the moneys so deducted 41682
to make payments to the nonpublic or community school attended by 41683
the pupil. The department shall continue to make the deductions 41684
and payments required under this division until the school 41685
district board either complies with the department's order issued 41686
under division (F)(1) of this section or begins providing 41687
transportation. 41688

(G) A nonpublic or community school that receives payments 41689
from the department under division (F)(2) of this section shall do 41690
either of the following: 41691

(1) Disburse the entire amount of the payments to the parent, 41692
guardian, or other person in control of the pupil affected by the 41693
failure of the school district of residence to provide 41694

transportation; 41695

(2) Use the entire amount of the payments to provide 41696
acceptable transportation for the affected pupil. 41697

Sec. 3327.04. (A) The board of education of any city, 41698
exempted village, or local school district may contract with the 41699
board of another district for the admission or transportation, or 41700
both, of pupils into any school in such other district, on terms 41701
agreed upon by such boards. 41702

(B) The boards of two school districts may enter into a 41703
contract under this section to share the provision of 41704
transportation to a child who resides in one school district and 41705
attends school in the other district. Under such an agreement, one 41706
district may claim the total transportation subsidy available for 41707
such child under ~~division (D) of section 3317.022~~ 3306.12 of the 41708
Revised Code and may agree to pay any portion of such subsidy to 41709
the other district sharing the provision of transportation to that 41710
child. The contract shall delineate the transportation 41711
responsibilities of each district. 41712

A school district that enters into a contract under this 41713
section is not liable for any injury, death, or loss to the person 41714
or property of a student that may occur while the student is being 41715
furnished transportation by the other school district that is a 41716
party to the contract. 41717

(C) Whenever a board not maintaining a high school enters 41718
into an agreement with one or more boards maintaining such school 41719
for the schooling of all its high school pupils, the board making 41720
such agreement is exempt from the payment of tuition at other high 41721
schools of pupils living within three miles of the school 41722
designated in the agreement. In case no such agreement is entered 41723
into, the high school to be attended can be selected by the pupil 41724
holding an eighth grade diploma, and the tuition shall be paid by 41725

the board of the district of school residence. 41726

Sec. 3327.05. (A) Except as provided in division (B) of this 41727
section, no board of education of any school district shall 41728
provide transportation for any pupil who is a school resident of 41729
another school district unless the pupil is enrolled pursuant to 41730
section 3313.98 of the Revised Code or the board of the other 41731
district has given its written consent thereto. If the board of 41732
any school district files with the state board of education a 41733
written complaint that transportation for resident pupils is being 41734
provided by the board of another school district contrary to this 41735
division, the state board of education shall make an investigation 41736
of such complaint. If the state board of education finds that 41737
transportation is being provided contrary to this section, it may 41738
withdraw from state funds due the offending district any part of 41739
the amount that has been approved for transportation pursuant to 41740
~~division (D) of section 3317.022~~ 3306.12 of the Revised Code. 41741

(B) Notwithstanding division (D) of section 3311.19 and 41742
division (D) of section 3311.52 of the Revised Code, this division 41743
does not apply to any joint vocational or cooperative education 41744
school district. 41745

A board of education may provide transportation to and from 41746
the nonpublic school of attendance if both of the following apply: 41747

(1) The parent, guardian, or other person in charge of the 41748
pupil agrees to pay the board for all costs incurred in providing 41749
the transportation that are not reimbursed pursuant to Chapter 41750
3306. or 3317. of the Revised Code; 41751

(2) The pupil's school district of residence does not provide 41752
transportation for public school pupils of the same grade as the 41753
pupil being transported under this division, or that district is 41754
not required under section 3327.01 of the Revised Code to 41755
transport the pupil to and from the nonpublic school because the 41756

direct travel time to the nonpublic school is more than thirty 41757
minutes. 41758

Upon receipt of the request to provide transportation, the 41759
board shall review the request and determine whether the board 41760
will accommodate the request. If the board agrees to transport the 41761
pupil, the board may transport the pupil to and from the nonpublic 41762
school and a collection point in the district, as determined by 41763
the board. If the board transports the pupil, the board may 41764
include the pupil in the district's transportation ADM reported to 41765
the department of education under section 3317.03 of the Revised 41766
Code and, accordingly, may receive a state payment under ~~division~~ 41767
~~(D)~~ of section ~~3317.022~~ 3306.12 of the Revised Code for 41768
transporting the pupil. 41769

If the board declines to transport the pupil, the board, in a 41770
written communication to the parent, guardian, or other person in 41771
charge of the pupil, shall state the reasons for declining the 41772
request. 41773

Sec. 3329.16. If the superintendent of public instruction 41774
determines that a school district has expended for other purposes 41775
any moneys appropriated by the general assembly for the specific 41776
purpose of purchasing textbooks or other instructional materials, 41777
the superintendent shall notify the school district of this 41778
determination within seven days and shall deduct the amount so 41779
expended from payments otherwise due to the district under Chapter 41780
3306. or 3317. of the Revised Code. 41781

Sec. 3333.04. The chancellor of the Ohio board of regents 41782
shall: 41783

(A) Make studies of state policy in the field of higher 41784
education and formulate a master plan for higher education for the 41785

(E) Recommend the nature of the programs, undergraduate, 41800
graduate, professional, state-financed research, and public 41801
services which should be offered by the state colleges, 41802
universities, and other state-assisted institutions of higher 41803
education in order to utilize to the best advantage their 41804
facilities and personnel; 41805

(F) Recommend to the state colleges, universities, and other 41806
state-assisted institutions of higher education graduate or 41807
professional programs, including, but not limited to, doctor of 41808
philosophy, doctor of education, and juris doctor programs, that 41809
could be eliminated because they constitute unnecessary 41810
duplication, as shall be determined using the process developed 41811
pursuant to this division, or for other good and sufficient cause. 41812
Prior to recommending a program for elimination, the chancellor 41813
shall request the board of regents to hold at least one public 41814
hearing on the matter and advise the chancellor on whether the 41815
program should be recommended for elimination. The board shall 41816
provide notice of each hearing within a reasonable amount of time 41817

prior to its scheduled date. Following the hearing, the board 41818
shall issue a recommendation to the chancellor. The chancellor 41819
shall consider the board's recommendation but shall not be 41820
required to accept it. 41821

For purposes of determining the amounts of any state 41822
instructional subsidies paid to state colleges, universities, and 41823
other state-assisted institutions of higher education, the 41824
chancellor may exclude students enrolled in any program that the 41825
chancellor has recommended for elimination pursuant to this 41826
division except that the chancellor shall not exclude any such 41827
student who enrolled in the program prior to the date on which the 41828
chancellor initially commences to exclude students under this 41829
division. 41830

The chancellor and state colleges, universities, and other 41831
state-assisted institutions of higher education shall jointly 41832
develop a process for determining which existing graduate or 41833
professional programs constitute unnecessary duplication. 41834

(G) Recommend to the state colleges, universities, and other 41835
state-assisted institutions of higher education programs which 41836
should be added to their present programs; 41837

For the purpose of determining the amounts of instructional subsidies to be paid to state-assisted colleges and universities, the chancellor shall define "full-time equivalent student" by program per academic year. The definition may take into account the establishment of minimum enrollment levels in technical education programs below which support allowances will not be paid. Except as otherwise provided in this section, the chancellor shall make no change in the definition of "full-time equivalent student" in effect on November 15, 1981, which would increase or decrease the number of subsidy-eligible full-time equivalent students, without first submitting a fiscal impact statement to the president of the senate, the speaker of the house of representatives, the legislative service commission, and the director of budget and management. The chancellor shall work in close cooperation with the director of budget and management in this respect and in all other matters concerning the expenditures of appropriated funds by state colleges, universities, and other institutions of higher education.

of the resolution and any additional pertinent information the 42792
chancellor may require. 42793

The chancellor and the office of budget and management, and 42794
the authority in the case of obligations to be issued by the 42795
authority, shall evaluate each request received from a community 42796
or technical college district under this section. The chancellor, 42797
with the advice and consent of the director of budget and 42798
management and the authority in the case of obligations to be 42799
issued by the authority, shall approve each request if all of the 42800
following conditions are met: 42801

(1) Approval of the request will enhance the marketability of 42802
the obligations for which the request is made; 42803

(2) The chancellor and the office of budget and management, 42804
and the authority in the case of obligations to be issued by the 42805
authority, have no reason to believe the requesting community or 42806
technical college district or the community or technical college 42807
it operates will be unable to pay when due the bond service 42808
charges on the obligations for which the request is made, and bond 42809
service charges on those obligations are therefore not anticipated 42810
to be paid pursuant to this section from the allocated state share 42811
of instruction for purposes of Section 17 of Article VIII, Ohio 42812
Constitution. 42813

(3) Any other pertinent conditions established in rules 42814
adopted under division (H) of this section. 42815

(C) If the chancellor approves the request of a community or 42816
technical college district to withhold and deposit funds pursuant 42817
to this section, the chancellor shall enter into a written 42818
agreement with the district and the primary paying agent or fiscal 42819
agent for the obligations, which agreement shall provide for the 42820
withholding of funds pursuant to this section for the payment of 42821
bond service charges on those obligations. The agreement may also 42822
include both of the following: 42823

(1) Provisions for certification by the district to the 42824
chancellor, prior to the deadline for payment of the applicable 42825
bond service charges, whether the district and the community or 42826
technical college it operates are able to pay those bond service 42827
charges when due; 42828

(2) Requirements that the district or the community or 42829
technical college it operates deposits amounts for the payment of 42830
those bond service charges with the primary paying agent or fiscal 42831
agent for the obligations prior to the date on which the bond 42832
service charges are due to the owners or holders of the 42833
obligations. 42834

(D) Whenever a district or the community or technical college 42835
it operates notifies the chancellor that it will not be able to 42836
pay the bond service charges when they are due, subject to the 42837
withholding provisions of this section, or whenever the applicable 42838
paying agent or fiscal agent notifies the chancellor that it has 42839
not timely received from a district or from the college it 42840
operates the full amount needed for payment of the bond service 42841
charges when due to the holders or owners of such obligations, the 42842
chancellor shall immediately contact the district or college and 42843
the paying agent or fiscal agent to confirm that the district and 42844
the college are not able to make the required payment by the date 42845

on which it is due. 42846

If the chancellor confirms that the district and the college 42847
are not able to make the payment and the payment will not be made 42848
pursuant to a credit enhancement facility, the chancellor shall 42849
promptly pay to the applicable primary paying agent or fiscal 42850
agent the lesser of the amount due for bond service charges or the 42851
amount of the next periodic distribution scheduled to be made to 42852
the district or to the college in respect of its allocated state 42853
share of instruction. If this amount is insufficient to pay the 42854
total amount then due the agent for the payment of bond service 42855
charges, the chancellor shall continue to pay to the agent from 42856
each periodic distribution thereafter, and until the full amount 42857
due the agent for unpaid bond service charges is paid in full, the 42858
lesser of the remaining amount due the agent for bond service 42859
charges or the amount of the next periodic distribution scheduled 42860
to be made to the district or college in respect of its allocated 42861
state share of instruction. 42862

(E) The chancellor may make any payments under this section 42863
by direct deposit of funds by electronic transfer. 42864

Any amount received by a paying agent or fiscal agent under 42865
this section shall be applied only to the payment of bond service 42866
charges on the obligations of the community or technical college 42867
district or community or technical college subject to this section 42868
or to the reimbursement of the provider of a credit enhancement 42869
facility that has paid the bond service charges. 42870

(F) The chancellor may make payments under this section to 42871
paying agents or fiscal agents during any fiscal biennium of the 42872
state only from and to the extent that money is appropriated to 42873
the board of regents by the general assembly for distribution 42874
during such biennium for the state share of instruction and only 42875
to the extent that a portion of the state share of instruction has 42876
been allocated to the community or technical college district or 42877

community or technical college. Obligations of the authority or of 42878
a community or technical college district to which this section is 42879
made applicable do not constitute an obligation or a debt or a 42880
pledge of the faith, credit, or taxing power of the state, and the 42881
holders or owners of those obligations have no right to have 42882
excises or taxes levied or appropriations made by the general 42883
assembly for the payment of bond service charges on the 42884
obligations, and the obligations shall contain a statement to that 42885
effect. The agreement for or the actual withholding and payment of 42886
money under this section does not constitute the assumption by the 42887
state of any debt of a community or technical college district or 42888
a community or technical college, and bond service charges on the 42889
related obligations are not anticipated to be paid from the state 42890
general revenue fund for purposes of Section 17 of Article VIII, 42891
Ohio Constitution. 42892

(G) In the case of obligations subject to the withholding 42893
provisions of this section, the issuing community or technical 42894
college district, or the authority in the case of obligations 42895
issued by the authority, shall appoint a paying agent or fiscal 42896
agent who is not an officer or employee of the district or 42897
college. 42898

(H) The chancellor, with the advice and consent of the office 42899
of budget and management, may adopt reasonable rules not 42900
inconsistent with this section for the implementation of this 42901
section to secure payment of bond service charges on obligations 42902
issued by a community or technical college district or by the 42903
authority for the benefit of a community or technical college 42904
district or the community or technical college it operates. Those 42905
rules shall include criteria for the evaluation and approval or 42906
denial of community or technical college district requests for 42907
withholding under this section. 42908

(I) The authority granted by this section is in addition to 42909

and not a limitation on any other authorizations granted by or 42910
pursuant to law for the same or similar purposes. 42911

chancellor, including the terms and conditions for creating and 43222
maintaining sinking funds, reserve funds, and any other special 43223
funds as may be created in the bond proceedings separate and apart 43224
from all other funds and accounts of the state or of the issuing 43225
authority. 43226

(F) In advertising or promoting the sale of college savings 43227
bonds, the issuer and the ~~authority~~ chancellor jointly may 43228
encourage purchasers to apply the value at maturity of college 43229
savings bonds toward the cost of tuition at an institution of 43230
higher education; however, neither the ~~authority~~ chancellor, the 43231
treasurer of state, nor the issuing authority or the issuer shall 43232
provide any guarantee, nor shall any guarantee be inferred, to the 43233
effect that the value at maturity of the bonds held by a person 43234
shall be an amount sufficient to pay for the cost of tuition at 43235
any institution of higher education attended by that person for 43236
such purposes as ~~he~~ the person determines. 43237

Sec. 3334.06. (A) The chancellor of the Ohio ~~tuition trust~~ 43238
~~authority~~ board of regents shall, after consultation with the 43239
issuer, develop a plan for the sale of college savings bonds. The 43240
plan shall include: 43241

(1) An advertising program to inform the public about the 43242
availability of college savings bonds; 43243

(2) The estimated cost of financing and administering the 43244
plan; 43245

(3) A description of the ongoing administrative authority and 43246
responsibility for the plan. 43247

(B) The ~~authority~~ chancellor shall approve the sale of a 43248

college savings bond issue under division (A) of section 3334.04 43249
of the Revised Code only after ~~it~~ the chancellor has determined 43250
that the issuance would comply with section 3334.04 of the Revised 43251
Code. 43252

(C) The ~~authority~~ chancellor shall cooperate with all state 43253
issuing authorities in identifying potential bond issues which may 43254
be appropriate for designation as college savings bonds and shall 43255
encourage those issuing authorities to participate in the Ohio 43256
college savings program. 43257

Sec. 3334.07. (A) The chancellor of the Ohio tuition trust 43258
~~authority~~ board of regents shall develop a plan for the sale of 43259

weighted average tuition of four-year state universities in the 43263
academic year that begins on or after the first day of August of 43264
the current calendar year, and shall establish the price of a 43265
tuition unit in the ensuing sales period. Such price shall be 43266
based on sound actuarial principles, and shall, to the extent 43267
actuarially possible, reasonably approximate one per cent of the 43268
weighted average tuition for that academic year plus the costs of 43269
administering the program that are in excess of general revenue 43270
fund appropriations for administrative costs. The sales period to 43271
which such price applies shall consist of twelve months, and the 43272
~~authority~~ chancellor by rule shall establish the date on which the 43273
sales period begins. If circumstances arise during a sales period 43274
that the ~~authority~~ chancellor determines causes the price of 43275
tuition units to be insufficient to ensure the actuarial soundness 43276
of the Ohio tuition trust fund, the ~~authority~~ chancellor may 43277
adjust the price of tuition units purchased during the remainder 43278
of the sales period. To promote the purchase of tuition units and 43279

in accordance with actuarially sound principles, the ~~authority~~ 43280
chancellor may adjust the sales price as part of incentive 43281
programs, such as discounting for lump sum purchases and 43282
multi-year installment plans at a fixed rate of purchase. 43283

those current operating expenses ~~of the authority~~ and costs of 43662
administering the program as the ~~authority~~ chancellor designates. 43663
Any interest or investment income earned on the assets of the 43664
operating fund shall be deposited in the operating fund. 43665

(H) In January of each year the ~~authority~~ chancellor shall 43666

commissioner requires to determine any tax liability that a person 43673
may have incurred during the preceding year as a result of having 43674

consideration to investments that enhance the general welfare of 43701
the state and its citizens where the investments offer quality, 43702
return, and safety comparable to other investments currently 43703

equal consideration shall also be given to investments otherwise 43705
qualifying under this section that involve minority owned and 43706

designated as custodian thereof, or in the hands of the treasurer 43733
of state's authorized agent. The treasurer of state or the agent 43734
shall collect the principal, dividends, distributions, and 43735
interest thereon as they become due and payable and place them 43736
when so collected into the custodial funds. 43737

The treasurer of state shall pay for investments purchased by 43738
the ~~authority~~ chancellor on receipt of written or electronic 43739
instructions from the ~~authority~~ chancellor or the ~~authority's~~ 43740
chancellor's designated agent authorizing the purchase and pending 43741

No purchase or sale of any investment shall be made under 43756
this section except as authorized by the ~~authority~~ chancellor. 43757

Any statement of financial position distributed by the 43758

Sec. 3334.12. Notwithstanding anything to the contrary in 43762
sections 3334.07 and 3334.09 of the Revised Code: 43763

(A) Annually, the chancellor of the Ohio ~~tuition trust~~ 43764
~~authority~~ board of regents shall have the actuarial soundness of 43765
the Ohio tuition trust fund evaluated by a nationally recognized 43766
actuary and shall determine whether additional assets are 43767
necessary to defray ~~the~~ obligations ~~of the authority~~. If, after 43768
the ~~authority~~ chancellor sets the price for tuition units, 43769
circumstances arise that the ~~executive director~~ chancellor 43770
determines necessitate an additional evaluation of the actuarial 43771
soundness of the fund, the ~~executive director~~ chancellor shall 43772
have a nationally recognized actuary conduct the necessary 43773
evaluation. If the assets of the fund are insufficient to ensure 43774
the actuarial soundness of the fund, the ~~authority~~ chancellor 43775
shall adjust the price of subsequent purchases of tuition units to 43776
the extent necessary to help restore the actuarial soundness of 43777
the fund. If, at any time, the adjustment is likely, in the 43778

opinion of the ~~authority~~ chancellor, to diminish the marketability 43779
of tuition units to an extent that the continued sale of the units 43780
likely would not restore the actuarial soundness of the fund and 43781
external economic factors continue to negatively impact the 43782
soundness of the program, the ~~authority~~ chancellor may suspend 43783
sales, either permanently or temporarily, of tuition units. During 43784
any suspension, the ~~authority~~ chancellor shall continue to service 43785
existing college savings program accounts. 43786

(B) Upon termination of the program or liquidation of the 43787
Ohio tuition trust fund, the Ohio tuition trust reserve fund, and 43788
the Ohio tuition trust operating fund, any remaining assets of the 43789
funds after all obligations of the funds have been satisfied 43790
pursuant to division (B) of section 3334.11 of the Revised Code 43791
shall be transferred to the general revenue fund of the state. 43792

(C) The ~~authority~~ chancellor shall prepare and cause to have 43793
audited an annual financial report on all financial activity of 43794
the ~~Ohio tuition trust authority~~ chancellor under this chapter 43795
within ninety days of the end of the fiscal year. The ~~authority~~ 43796
chancellor shall transmit a copy of the audited financial report 43797
to the governor, the president of the senate, the speaker of the 43798
house of representatives, and the minority leaders of the senate 43799
and the house of representatives. Copies of the audited financial 43800
report also shall be made available, upon request, to the persons 43801
entering into contracts with the ~~authority~~ chancellor and to 43802
prospective purchasers of tuition units and prospective 43803
contributors to variable college savings program accounts. 43804

Sec. 3334.16. The general assembly hereby finds that the 43805
prepaid tuition program providing for the sale of tuition ~~credits~~ 43806
units by the chancellor of the Ohio tuition trust authority board 43807
of regents is an official state function, offered through an 43808
agency of this state, which agency receives state appropriations. 43809

Therefore, the ~~authority~~ chancellor is directed by the state of 43810
Ohio to assume ~~it~~ the program is exempt from federal tax 43811
liability. 43812

Sec. 3334.17. (A) The state, any political subdivision of the 43813
state, and any organization that is exempt from federal income 43814
taxation under section 501 (a) and described in section 501 (c)(3) 43815
of the Internal Revenue Code, including the chancellor of the Ohio 43816
~~tuition trust authority~~ board of regents if this is authorized 43817
under federal tax law, may establish a scholarship program to 43818
award scholarships consisting of contributions made to any college 43819
savings program for students. Any scholarship program established 43820
under this section shall be registered with the ~~authority~~ 43821
chancellor. The ~~authority~~ chancellor shall be notified of the name 43822
and address of each scholarship beneficiary under the program, the 43823
amounts awarded, and the institution of higher education in which 43824
the beneficiary is enrolled. Scholarship beneficiaries shall be 43825
selected by the entity establishing the scholarship program, in 43826
accordance with criteria established by the entity. 43827

(B) Any person or governmental entity may purchase tuition 43828
units on behalf of a scholarship program that is or is to be 43829
established in accordance with division (A) of this section at the 43830
same price as is established for the purchase of units for named 43831
beneficiaries pursuant to this chapter. Tuition units shall have 43832
the same value to the beneficiary of a scholarship awarded 43833
pursuant to this section as they would have to any other 43834
beneficiary pursuant to division (B) of section 3334.09 of the 43835
Revised Code. 43836

(C) The entity establishing and maintaining a scholarship 43837
program shall specify whether a scholarship beneficiary may 43838
receive a refund or payment for the amount awarded under the 43839
scholarship program directly from the ~~authority~~ chancellor, or 43840

whether the amount awarded shall be paid by the ~~authority~~ 43841
chancellor only to the institution of higher education in which 43842
the student is enrolled. 43843

(D) If a scholarship beneficiary does not use the amount 43844
awarded within a length of time specified under the scholarship 43845
program, the amount may be awarded to another beneficiary. 43846

Sec. 3334.18. (A) A variable college savings program 43847
established by the chancellor of the Ohio ~~tuition trust authority~~ 43848
board of regents shall include provisions for a contract to be 43849
entered into between a contributor and the ~~authority~~ chancellor 43850
that will authorize the contributor to open an account for a 43851
beneficiary and authorize the contributor to substitute a new 43852
beneficiary for one originally named in the contract, to the 43853
extent permitted by section 529 of the Internal Revenue Code. 43854

(B) The ~~authority~~ chancellor shall provide adequate 43855
safeguards to prevent total contributions to a variable college 43856
savings program account or purchases of tuition units, either 43857
separately or combined, that are made on behalf of a beneficiary 43858
from exceeding the amount necessary to provide for the tuition and 43859
other higher education expenses of the beneficiary, consistent 43860
with the maximum contributions permitted by section 529 of the 43861
Internal Revenue Code. However, in no event shall contributions or 43862
purchases exceed the allowable limit for a qualified tuition 43863
program under section 529 of the Internal Revenue Code. 43864

(C)(1) Participation in the variable college savings program 43865
does not guarantee that contributions and the investment return on 43866
contributions, if any, will be adequate to cover future tuition 43867
and other higher education expenses or that a beneficiary will be 43868
admitted to or permitted to continue to attend an institution of 43869
higher education. 43870

(2) Returns on contributors' investments in the variable 43871

college savings program are not guaranteed by the state and the 43872
contributors to the variable college savings program assume all 43873
investment risk, including the potential loss of principal and 43874
liability for penalties such as those levied for noneducational 43875
withdrawals. 43876

(3) The state shall have no debt or obligation to any 43877
contributor, beneficiary, or any other person as a result of the 43878
establishment of the program, and the state assumes no risk or 43879
liability for funds invested in the variable college savings 43880
program. 43881

(4) Informational materials about the variable college 43882
savings program prepared by the ~~authority~~ chancellor or ~~its~~ the 43883
chancellor's agents and provided to prospective contributors shall 43884
state clearly the information set forth in division (C) of this 43885
section. 43886

Sec. 3334.19. (A) The ~~chancellor of the Ohio tuition trust~~ 43887
~~authority~~ board of regents shall adopt an investment plan that 43888
sets forth investment policies and guidelines to be utilized in 43889

Code. 43917

(E) The investment agents with which the ~~authority~~ chancellor 43918
contracts shall discharge their duties with respect to program 43919
funds with the care and diligence that a prudent person familiar 43920
with such matters and with the character and aims of the program 43921

(F) The assets of the program shall be preserved, invested, 43923
and expended solely for the purposes of this chapter and shall not 43924
be loaned or otherwise transferred or used by the state for any 43925

investment agents of the ~~authority~~ chancellor from investing, by 43927
purchase or otherwise, in bonds, notes, or other obligations of 43928
the state or any agency or instrumentality of the state. Unless 43929

this section, and a pledge of and lien on such fund or funds 44190
provided in the bond proceedings arising from available receipts, 44191
which pledges and liens may provide for parity with obligations 44192
theretofore or thereafter issued by the institution. The available 44193
receipts so pledged and thereafter received by the institution and 44194
the funds so pledged are immediately subject to the lien of such 44195
pledge without any physical delivery thereof or further act, and 44196
the lien of any such pledge is valid and binding against all 44197
parties having claims of any kind against the institution, 44198
irrespective of whether such parties have notice thereof, and 44199
shall create a perfected security interest for all purposes of 44200
Chapter 1309. of the Revised Code, without the necessity for 44201

the bond proceedings by which such pledge is created or any 44203
certificate, statement, or other document with respect thereto; 44204
and the pledge of such available receipts and funds shall be 44205

the purposes for which pledged without necessity for any act of 44207
appropriation. 44208

institution of higher education at such price or prices and under 44218
such terms and conditions as are provided in the bond proceedings; 44219

obligations may be applied; 44221

(4) The rates or rentals or other charges for the use of or 44222
right to use the facilities financed by the obligations, or other 44223
properties the revenues or receipts from which are pledged to the 44224
obligations, and rules for assuring use and occupancy thereof, 44225
including limitations upon the right to modify such rates, 44226
rentals, other charges, or regulations; 44227

(5) The use and expenditure of the pledged available receipts 44228
in such manner and to such extent as shall be determined, which 44229
may include provision for the payment of the expenses of 44230
operation, maintenance, and repair of facilities so that such 44231
expenses, or part thereof, shall be paid or provided as a charge 44232
prior or subsequent to the payment of bond service charges and any 44233
other payments required to be made by the bond proceedings; 44234

(6) Limitations on the issuance of additional obligations; 44235

(7) The terms of any trust agreement or indenture securing 44236

provision; 44251

higher education or a facsimile thereof affixed thereto or printed 44259
thereon and shall be executed by such officers as are designated 44260
in the bond proceedings, which execution may be by facsimile 44261
signatures. Any obligations may be executed by an officer who, on 44262
the date of execution, is the proper officer although on the date 44263
of such obligations such person was not the proper officer. In 44264
case any officer whose signature or a facsimile of whose signature 44265
appears on any such obligation ceases to be such officer before 44266
delivery thereof, such signature or facsimile is nevertheless 44267
valid and sufficient for all purposes as if the person had 44268
remained such officer until such delivery; and in case the seal of 44269
the institution has been changed after a facsimile of the seal has 44270
been imprinted on such obligations, such facsimile seal continues 44271
to be sufficient as to such obligations and obligations issued in 44272
substitution or exchange therefor. 44273

(G) All such obligations are negotiable instruments and 44274
securities under Chapter 1308. of the Revised Code, subject to the 44275
provisions of the bond proceedings as to registration. The 44276
obligations may be issued in coupon or in registered form, or 44277

as to both principal and interest, their exchange for obligations 44280
so registered, and for the conversion or reconversion into 44281
obligations with coupons attached thereto of any obligations 44282
registered as to both principal and interest, and for reasonable 44283
charges for such registration, exchange, conversion, and 44284
reconversion. 44285

(H) Pending preparation of definitive obligations, the 44286
institution of higher education may issue interim receipts or 44287
certificates which shall be exchanged for such definitive 44288
obligations. 44289

(I) Such obligations may be secured additionally by a trust 44290
agreement or indenture between the institution of higher education 44291
and a corporate trustee, which may be any trust company or bank 44292
having the powers of a trust company within or without this state 44293
but authorized to exercise trust powers within this state. Any 44294
such agreement or indenture may contain the resolution authorizing 44295
the issuance of the obligations, any provisions that may be 44296
contained in the bond proceedings as authorized by this section, 44297
and other provisions which are customary or appropriate in an 44298
agreement or indenture of such type, including: 44299

(1) Maintenance of each pledge, trust agreement, and 44300

suit in equity, action at law, or any combination of the 44310
foregoing; 44311

(3) The rights and remedies of the holders of obligations and 44312
of the trustee, and provisions for protecting and enforcing them, 44313

authorizing such notes. Such notes may be additionally secured by 44340

covenants of the institution to the effect that it will do such or 44341

notes in appropriate amount, and either exchange such bonds or 44343
renewal notes therefor or apply the proceeds thereof to the extent 44344
necessary, to make full payment of the bond service charges on 44345

has registered with the selective service system in accordance 44470
with the "Military Selective Service Act," 62 Stat. 604, 50 U.S.C. 44471
App. 453, as amended. For those students not required to register 44472
with the selective service, as specified in divisions (A)(2)(b)(i) 44473
to (iv) of this section, a section shall be provided on the 44474
statement of selective service status for the certification of 44475
nonregistration and for an explanation of the reason for the 44476
exemption. The chancellor may require that such statements be 44477
accompanied by documentation specified by rule of the chancellor. 44478

(C) A state university or college that enrolls in any course, 44480
class, or program a male student born after December 31, 1959, who 44481
has not filed a statement of selective service status with the 44482
university or college shall, regardless of the student's 44483

students who are not residents of this state. 44485

(D) No male born after December 31, 1959, shall be eligible 44486
to receive any loan, grant, scholarship, or other financial 44487

under the Ohio co-op/internship program established under section 44493
3333.72 of the Revised Code, unless that person has filed a 44494
statement of selective service status with that person's 44495
institution of higher education. 44496

(E) If an institution of higher education receives a 44497

statement from an individual certifying that the individual has 44498
registered with the selective service system in accordance with 44499
the "Military Selective Service Act," 62 Stat. 604, 50 U.S.C. App. 44500
453, as amended or that the individual is exempt from registration 44501
for a reason other than that the individual is under eighteen 44502
years of age, the institution shall not require the individual to 44503
file any further statements. If it receives a statement certifying 44504
that the individual is not required to register because the 44505
individual is under eighteen years of age, the institution shall 44506
require the individual to file a new statement of selective 44507
service status each time the individual seeks to enroll for a new 44508
academic term or makes application for a new loan or loan 44509
guarantee or for any form of financial assistance for educational 44510
expenses, until it receives a statement certifying that the 44511
individual has registered with the selective service system or is 44512
exempt from registration for a reason other than that the 44513
individual is under eighteen years of age. 44514

Sec. 3349.242. Any agreement authorized by section 3349.241 44515
of the Revised Code may provide for the amounts of such 44516
participation by such school district or districts in the 44517

university, but no funds granted to school districts under Chapter 44519
3306. or 3317. of the Revised Code shall be used for such 44520
purposes. By the terms of any such agreement the school district 44521
or districts and their residents shall be entitled to the 44522
educational advantages of said municipal university at the same 44523
rate of tuition, fees, and other charges as are provided for the 44524
residents of the municipal corporation in which such municipal 44525
university is situated. 44526

Sec. 3354.24. (A) The provisions of this section prevail over 44527
conflicting provisions of this chapter; however, except as 44528

otherwise provided in this section, the eastern gateway community college district and its board of trustees shall comply with the provisions of this chapter. 44529
44530
44531

(B) The territory of Columbiana, Mahoning, and Trumbull counties is hereby added to the territory of the community college district of Jefferson county, creating a new community college district to replace the former community college district of Jefferson county. The district created under this section shall be known as and operate under the name of "eastern gateway community college district," and its charter shall be amended to this name. The Jefferson county campus is hereby part of the eastern gateway community college district and shall remain in operation unless otherwise specified by the board of trustees of the community college. 44532

The eastern gateway community college district is divided into two taxing subdistricts, one consisting of the territory of Jefferson county, and the other consisting of the territories of Columbiana, Mahoning, and Trumbull counties. 44543
44544
44545
44546

(C) On the effective date of this section as enacted by H.B. 1 of the 128th general assembly, the government of the eastern gateway community college district shall be vested in a board of eleven trustees to be appointed by the governor, with the advice and consent of the senate. The board of trustees of the former community college district of Jefferson county is abolished on that date. 44547

44551
44552
44553

The governor shall appoint the members of the board of trustees of the eastern gateway community college district as successors to the board of trustees of Jefferson community college as follows: Three members of the board of trustees shall be residents of Jefferson county. (The initial Jefferson county members shall be members of the board of trustees of the former 44554

44557
44558
44559

community college district of Jefferson county, as it existed 44560
before the effective date of this section.) Eight members of the 44561
board of trustees shall be residents of Columbiana, Mahoning, and 44562
Trumbull counties. 44563

The initial board of trustees shall be appointed within 44564
ninety days after the effective date of this section for terms as 44565
follows: Of the trustees who are residents of Jefferson county, 44566
one trustee shall be appointed for a one-year term, one trustee 44567
shall be appointed for a three-year term, and one trustee shall be 44568
appointed for a five-year term. Of the trustees who are residents 44569
of Columbiana, Mahoning, and Trumbull counties, one trustee shall 44570
be appointed for a one-year term, two trustees shall be appointed 44571
for two-year terms, two trustees shall be appointed for three-year 44572
terms, two trustees shall be appointed for four-year terms, and 44573
one trustee shall be appointed for a five-year term. 44574

At the conclusion of each initial term, the term of office of 44575
each trustee shall be five years, each term ending on the same day 44576
of the same month of the year as did the term that it succeeds. 44577

Each trustee shall hold office from the date of the trustee's 44578
appointment until the end of the term for which the trustee was 44579
appointed. Any trustee appointed to fill a vacancy occurring 44580
before the expiration of the term for which the trustee's 44581
predecessor was appointed shall hold office for the remainder of 44582
that term. Any trustee shall continue in office subsequent to the 44583
expiration date of the trustee's term until the trustee's 44584
successor takes office, or until a period of sixty days has 44585
elapsed, whichever occurs first. 44586

If a vacancy occurs and the Jefferson county tax levy is no 44587
longer in place or a conversion under division (H) of this section 44588
has occurred, the governor shall fill the vacancy with a person 44589
residing within the eastern gateway community college district. 44590

(D) The board of trustees of the eastern gateway community college district shall continue to comply with division (G) of section 3354.09 of the Revised Code regarding tuition for students who are residents of Ohio but not residents of the district, and for students who are nonresidents of Ohio. The tuition rate shall be based on the student's county of residence and shall apply to all eastern gateway community college district classes in all district locations. Except as provided in division (F)(3) of this section, students who are residents of Columbiana, Mahoning, or Trumbull county shall continue to be charged tuition at the same rate as Ohio residents who are not residents of the district.

(E)(1) Except as provided in divisions (E)(2) and (3) of this section, each member of the board of trustees shall have full voting rights on all matters that come before the board.

(2) The three trustees representing Jefferson county shall have sole authority to vote on the following matters:

(a) The Jefferson county tax levy;

(b) The expenditure of revenue from that tax levy;

(c) Levy-subsidized tuition rates.

(3) The voting restrictions under division (E)(2) of this section apply until the electors of the Columbiana, Mahoning, and Trumbull county taxing subdistrict approve a tax levy under division (F)(3) of this section that is equivalent to the tax levy approved by the electors of Jefferson county for the support of the former community college district of Jefferson county on the effective date of this section. For the purposes of this division, the tax levy is an equivalent tax levy if either:

(a) In the first tax year for which the tax is collected, it yields revenue per capita equal to or greater than the yield per capita of levies of the community college district in effect that year in Jefferson county, as jointly determined by the county

auditors of Jefferson, Columbiana, Mahoning, and Trumbull 44622
counties; or 44623

(b) In the first tax year for which the tax is collected, the 44624
effective rate of the tax is equal to or greater than the 44625
effective tax rate of levies of the community college district in 44626
effect that tax year in Jefferson county, as jointly determined by 44627
the county auditors of Jefferson, Columbiana, Mahoning, and 44628
Trumbull counties. 44629

As used in this division, "effective tax rate" means the 44630
quotient obtained by dividing the total taxes charged and payable 44631
for a taxing subdistrict for a tax year after the reduction 44632
prescribed by section 319.301 of the Revised Code but before the 44633
reduction prescribed by section 319.302 or 323.152 of the Revised 44634
Code, by the taxable value for the taxing subdistrict for that tax 44635
year. 44636

(F)(1) For each taxing subdistrict of the eastern gateway 44637
community college district, the board of trustees may propose to 44638
levy a tax in accordance with the procedures prescribed in section 44639
3354.12 of the Revised Code, except the following terms used in 44640
that section shall have the meanings given them in this section: 44641

(a) "District" and "community college district" mean the 44642
appropriate taxing subdistrict defined in this section; 44643

(b) "Board of trustees of the community college district" 44644
means the board of trustees for the entire eastern gateway 44645
community college district. That board of trustees may propose 44646
separate levies for either of the two taxing subdistricts. 44647

(c) "Tax duplicate" means the tax duplicate of only the 44648
appropriate taxing subdistrict and not the tax duplicate of the 44649
entire eastern gateway community college district. 44650

(2) The board of trustees may propose to levy a tax on 44651
taxable property in Jefferson county to be voted on by the 44652

electors of Jefferson county as provided in division (F)(1) of 44653
this section. An affirmative vote by a majority of the electors of 44654
the subdistrict voting on the question is necessary for passage. 44655
Any money raised by a tax levied by the former community college 44656
district of Jefferson county or a subsequent tax levied in 44657
Jefferson county in accordance with division (F)(1) of this 44658
section shall be used solely for the benefit of Jefferson county 44659
residents attending the eastern gateway community college in the 44660
form of student tuition subsidies, student scholarships, and 44661
instructional facilities, equipment, and support services located 44662
within Jefferson county, or for any purpose approved by the 44663
electors. Such amounts shall be deposited into a separate fund of 44664
the taxing subdistrict, and shall be budgeted separately. 44665

(3) The board of trustees may propose to levy a tax on 44666
taxable property in Columbiana, Mahoning, and Trumbull counties to 44667
be voted on by the electors of the counties as provided in 44668
division (F)(1) of this section. An affirmative vote by a majority 44669
of the electors of the subdistrict voting on the question is 44670
necessary for passage. Any amounts raised by such a tax in the tax 44671
subdistrict shall be used solely for the benefit of residents of 44672
the subdistrict attending the eastern gateway community college in 44673
the form of student tuition subsidies, student scholarships, and 44674
instructional facilities, equipment, and support services located 44675
within Columbiana, Mahoning, and Trumbull counties, or for any 44676
purpose approved by the electors. Amounts collected shall be 44677
deposited into a separate fund from all other revenues collected 44678
by each taxing subdistrict. 44679

The board of trustees may adjust the rate of tuition charged 44680
to each taxing subdistrict's residents to an amount commensurate 44681
with the amount of tax the board of trustees dedicates for 44682
instructional and general services provided to the residents of 44683
the subdistrict. 44684

(G) The board of trustees of the eastern gateway community college district may issue bonds in accordance with section 3354.11 of the Revised Code, but the board may limit the question of approval of the issue of those bonds to the electors of only one of the two taxing subdistricts, in which case the board also may limit the use of the property or improvements to the residents of that subdistrict.

(H) If the tax levy in Jefferson county expires, is not renewed, or is not approved by the electors of Jefferson county and the other taxing subdistrict does not levy a tax for the purposes of this section, the board of trustees of the eastern gateway community college district shall submit a proposal to the chancellor of the board of regents to convert to a state community college and, upon the chancellor's approval of the proposal, enter into a transition agreement with the chancellor following the procedures set forth in section 3358.05 of the Revised Code for a technical college district.

either of the following options: 44753

(A) The student may elect at the time of enrollment to be 44754

(1) The student may elect to receive only college credit for 44762
the course. Except as provided in section 3365.041 of the Revised 44763

Revised Code, if the student successfully completes the course, 44781
the college shall award the student full credit for the course, 44782
the board of education, community school governing authority, STEM 44783

officer shall send a written notice of the expulsion to any 44801
college in which the expelled student is enrolled under section 44802
3365.03 of the Revised Code at the time the expulsion is imposed. 44803
The notice shall indicate the date the expulsion is scheduled to 44804
expire. The notice also shall indicate whether the district board 44805
of education, community school governing authority, or the STEM 44806
school has adopted a policy under section 3313.613 of the Revised 44807

Code to deny high school credit for post-secondary courses taken 44808
during an expulsion. If the expulsion is extended under division 44809
(F) of section 3313.66 of the Revised Code, the district 44810
superintendent, community school governing authority, or STEM 44811
school chief administrative officer shall notify the college of 44812

(B) A college may withdraw its acceptance under section 44814
3365.03 of the Revised Code of a student who is expelled from 44815
school under division (B) of section 3313.66 of the Revised Code. 44816
As provided in section 3365.03 of the Revised Code, regardless of 44817
whether the college withdraws its acceptance of the student for 44818
the college term in which the student is expelled, the student is 44819
ineligible to enroll in a college under that section for 44820
subsequent college terms during the period of the expulsion, 44821
unless the student enrolls in another school district or community 44822
school, or a participating nonpublic school during that period. 44823

If a college withdraws its acceptance of an expelled student 44824
who elected either option of division (A)(1) or (2) of section 44825
3365.04 of the Revised Code, the college shall refund tuition and 44826
fees paid by the student in the same proportion that it refunds 44827
tuition and fees to students who voluntarily withdraw from the 44828
college at the same time in the term. 44829

If a college withdraws its acceptance of an expelled student 44830
who elected the option of division (B) of section 3365.04 of the 44831
Revised Code, the school district, community school, or STEM 44832
school shall not award high school credit for the college courses 44833
in which the student was enrolled at the time the college withdrew 44834
its acceptance, and any reimbursement under section 3365.07 of the 44835
Revised Code or through alternative funding agreements entered 44836
into under rules adopted under section 3365.12 of the Revised Code 44837
for the student's attendance prior to the withdrawal shall be the 44838
same as would be paid for a student who voluntarily withdrew from 44839

the college at the same time in the term. If the withdrawal 44840
results in the college's receiving no reimbursement, the college 44841
may require the student to return or pay for the textbooks and 44842
materials it provided the student free of charge under section 44843
3365.08 of the Revised Code. 44844

(C) When a student who elected the option of division (B) of 44845
section 3365.04 of the Revised Code is expelled under division (B) 44846
of section 3313.66 of the Revised Code from a school district, 44847
community school, or STEM school that has adopted a policy under 44848
section 3313.613 of the Revised Code, that election is 44849
automatically revoked for all college courses in which the student 44850
is enrolled during the college term in which the expulsion is 44851
imposed. Any reimbursement under section 3365.07 of the Revised 44852
Code or through alternative funding agreements entered into under 44853
rules adopted under section 3365.12 of the Revised Code for the 44854
student's attendance prior to the expulsion shall be the same as 44855
would be paid for a student who voluntarily withdrew from the 44856
college at the same time in the term. If the revocation results in 44857
the college's receiving no reimbursement, the college may require 44858
the student to return or pay for the textbooks and materials it 44859
provided the student free of charge under section 3365.08 of the 44860
Revised Code. 44861

No later than five days after receiving an expulsion notice 44862
from the superintendent of a district, the governing authority of 44863
a community school, or the chief administrative officer of a STEM 44864
school that has adopted a policy under section 3313.613 of the 44865
Revised Code, the college shall send a written notice to the 44866
expelled student that the student's election of division (B) of 44867
section 3365.04 of the Revised Code is revoked. If the college 44868
elects not to withdraw its acceptance of the student, the student 44869
shall pay all applicable tuition and fees for the college courses 44870
and shall pay for the textbooks and materials that the college 44871

provided under section 3365.08 of the Revised Code. 44872

Sec. 3365.07. (A) The rules adopted under section 3365.02 of 44873
the Revised Code shall specify a method for each of the following: 44874

(1) Determining, with respect to any participant, the 44875
percentage of a full-time educational program constituted by the 44876
participant's total educational program. That percentage shall be 44877
the participant's full-time equivalency percentage for purposes of 44878
the computation required by division (B)(1) of this section. 44879

(2) In the case of a participant who is not enrolled in a 44880
participating nonpublic school, determining the percentage of a 44881
participant's school day during which the participant is 44882
participating in each of the following: 44883

(a) Programs provided by the city, local, or exempted village 44884
school district, a community school, or a STEM school; 44885

(b) Programs provided by a joint vocational school district; 44886

(c) Programs provided by a college under division (B) of 44887
section 3365.04 of the Revised Code. 44888

The sum of divisions (A)(2)(a) to (c) of this section shall equal 44889
one hundred per cent. 44890

(3) In the case of a participant who is not enrolled in a 44891
participating nonpublic school, determining the percentage of a 44892
participant's enrollment that shall be deemed to be enrollment in 44893
a joint vocational school district and the percentage that shall 44894
be deemed to be enrollment in a city, local, or exempted village 44895
school district. The sum of such percentages shall equal one 44896
hundred per cent. 44897

applicable certificate of need criteria for approval under 45956
sections 3702.51 to 3702.62 of the Revised Code and the rules 45957

with sections 3702.51 to 3702.62 of the Revised Code or the rules 45961

of need. 46062

The transfer of a health care facility after the completion 46063

conditions specified in divisions (C)(1) and (2) of this section. 46083~~

~~If the person that acquires a certificate of need under this 46084
division intends to implement the project other than in 46085

the certificate of need is appealed under section 3702.60 of the 46092
Revised Code, not later than twenty-four months after issuance of 46093

or more of those individuals who are dependent on the services of 49605
others by reason of age or physical or mental impairment; 49606

(b) Accommodations for three or more unrelated individuals, 49607

The part or unit of a home for the aging that provides 49618

(B) The public health council may further classify homes. For 49625
the purposes of this chapter, any residence, institution, hotel, 49626
congregate housing project, or similar facility that meets the 49627
definition of a home under this section is such a home regardless 49628
of how the facility holds itself out to the public. 49629

(C) For purposes of this chapter, personal care services or 49630
skilled nursing care shall be considered to be provided by a 49631
facility if they are provided by a person employed by or 49632

associated with the facility or by another person pursuant to an 49633
agreement to which neither the resident who receives the services 49634
nor the resident's sponsor is a party. 49635

(D) Nothing in division (A)(4) of this section shall be 49636
construed to permit skilled nursing care to be imposed on an 49637
individual who does not require skilled nursing care. 49638

Nothing in division (A)(5) of this section shall be construed 49639

assistance. 49642

(E) Division (A)(1)(c)~~(*)~~(ix) of this section does not 49643
prohibit a facility, infirmary, or other entity described in that 49644
division from seeking licensure under sections 3721.01 to 3721.09 49645
of the Revised Code or certification under Title XVIII or XIX of 49646
the "Social Security Act." However, such a facility, infirmary, or 49647
entity that applies for licensure or certification must meet the 49648
requirements of those sections or titles and the rules adopted 49649
under them and obtain a certificate of need from the director of 49650
health under section 3702.52 of the Revised Code. 49651

(F) Nothing in this chapter, or rules adopted pursuant to it, 49652
shall be construed as authorizing the supervision, regulation, or 49653
control of the spiritual care or treatment of residents or 49654
patients in any home who rely upon treatment by prayer or 49655

recognized church or religious denomination. 49657

Sec. 3721.02. (A) The director of health shall license homes 49658
and establish procedures to be followed in inspecting and 49659
licensing homes. The director may inspect a home at any time. Each 49660
home shall be inspected by the director at least once prior to the 49661
issuance of a license and at least once every fifteen months 49662
thereafter. The state fire marshal or a township, municipal, or 49663

other legally constituted fire department approved by the marshal 49664
shall also inspect a home prior to issuance of a license, at least 49665
once every fifteen months thereafter, and at any other time 49666
requested by the director. A home does not have to be inspected 49667
prior to issuance of a license by the director, state fire 49668
marshal, or a fire department if ownership of the home is assigned 49669
or transferred to a different person and the home was licensed 49670
under this chapter immediately prior to the assignment or 49671
transfer. The director may enter at any time, for the purposes of 49672
investigation, any institution, residence, facility, or other 49673
structure that has been reported to the director or that the 49674
director has reasonable cause to believe is operating as a nursing 49675
home, residential care facility, or home for the aging without a 49676
valid license required by section 3721.05 of the Revised Code or, 49677
in the case of a county home or district home, is operating 49678
despite the revocation of its residential care facility license. 49679
The director may delegate the director's authority and duties 49680
under this chapter to any division, bureau, agency, or official of 49681
the department of health. 49682

(B) A single facility may be licensed both as a nursing home 49683
pursuant to this chapter and as an adult care facility pursuant to 49684
Chapter 3722. of the Revised Code if the director determines that 49685
the part or unit to be licensed as a nursing home can be 49686
maintained separate and discrete from the part or unit to be 49687
licensed as an adult care facility. 49688

(C) In determining the number of residents in a home for the 49689
purpose of licensing, the director shall consider all the 49690
individuals for whom the home provides accommodations as one group 49691
unless one of the following is the case: 49692

(1) The home is a home for the aging, in which case all the 49693
individuals in the part or unit licensed as a nursing home shall 49694
be considered as one group, and all the individuals in the part or 49695

unit licensed as a rest home shall be considered as another group. 49696

(2) The home is both a nursing home and an adult care 49697
facility. In that case, all the individuals in the part or unit 49698
licensed as a nursing home shall be considered as one group, and 49699
all the individuals in the part or unit licensed as an adult care 49700
facility shall be considered as another group. 49701

(3) The home maintains, in addition to a nursing home or 49702
residential care facility, a separate and discrete part or unit 49703
that provides accommodations to individuals who do not require or 49704
receive skilled nursing care and do not receive personal care 49705
services from the home, in which case the individuals in the 49706
separate and discrete part or unit shall not be considered in 49707
determining the number of residents in the home if the separate 49708
and discrete part or unit is in compliance with the Ohio basic 49709
building code established by the board of building standards under 49710
Chapters 3781. and 3791. of the Revised Code and the home permits 49711
the director, on request, to inspect the separate and discrete 49712
part or unit and speak with the individuals residing there, if 49713
they consent, to determine whether the separate and discrete part 49714
or unit meets the requirements of this division. 49715

(D)(1) The director of health shall charge ~~an~~ the following 49716
application fee and ~~an~~ annual renewal licensing and inspection fee 49717
~~of one hundred seventy dollars~~ for each fifty persons or part 49718
thereof of a home's licensed capacity: 49719

(a) For state fiscal year 2010, two hundred twenty dollars; 49720

(b) For state fiscal year 2011, two hundred seventy dollars; 49721

(c) For each state fiscal year thereafter, three hundred 49722

3701.83 of the Revised Code for use only in administering and 49727
enforcing this chapter and rules adopted under it. 49728

(E)(1) Except as otherwise provided in this section, the 49729
results of an inspection or investigation of a home that is 49730
conducted under this section, including any statement of 49731
deficiencies and all findings and deficiencies cited in the 49732
statement on the basis of the inspection or investigation, shall 49733
be used solely to determine the home's compliance with this 49734
chapter or another chapter of the Revised Code in any action or 49735
proceeding other than an action commenced under division (I) of 49736
section 3721.17 of the Revised Code. Those results of an 49737
inspection or investigation, that statement of deficiencies, and 49738
the findings and deficiencies cited in that statement shall not be 49739
used in any court or in any action or proceeding that is pending 49740
in any court and are not admissible in evidence in any action or 49741
proceeding unless that action or proceeding is an appeal of an 49742
action by the department of health under this chapter or is an 49743
action by any department or agency of the state to enforce this 49744
chapter or another chapter of the Revised Code. 49745

(2) Nothing in division (E)(1) of this section prohibits the 49746
results of an inspection or investigation conducted under this 49747
section from being used in a criminal investigation or 49748
prosecution. 49749

forth in the regulations of the board of building standards and 49753
the state fire marshal. 49754

The time for compliance with the requirements imposed by this 49755
section shall be January 1, 1975, except that the date for 49756
compliance with the automatic fire extinguishing requirements is 49757

extended to January 1, 1976, provided the buildings of the home 49758
are otherwise in compliance with fire safety laws and regulations 49759
and: 49760

(A) The home within thirty days after August 4, 1975, files a 49761

carried out to reduce the possibility of a fire; 49764

(2) Provides evidence that the home has entered into an 49765
agreement for a fire safety inspection to be conducted not less 49766

or a township, municipal, or other legally constituted fire 49768
department, or by a township or municipal fire prevention officer; 49769

(3) Provides verification that the home has entered into a 49770
valid contract for the installation of an automatic fire 49771
extinguishing system or fire alarm system, or both, as required to 49772

manner as subpoenas and subpoenas duces tecum issued for a trial 49813
of a civil action in a court of common pleas. If a person who is 49814
served a subpoena fails to attend a hearing or to produce 49815
documents, or refuses to be sworn or to answer any questions, the 49816
director may apply to the common pleas court of the county in 49817
which the person resides, or the county in which the long-term 49818
care facility or residential care facility is located, for a 49819

The director shall consider the petition. If, in the judgment of the director, the neglect was a singular occurrence and the employment and personal history of the individual does not evidence abuse or any other incident of neglect of residents, the director shall notify the individual and remove the statement and any accompanying information from the nurse aide registry. The director shall expunge all files and records of the investigation and the hearing, except the petition for rescission of the finding of neglect and the director's notice that the rescission has been approved.

director may grant a waiver if the director determines that the 50294
strict application of the licensing requirement would cause undue 50295

provide a facility with an informal hearing concerning the denial 50298
of a waiver request, but the facility shall not be entitled to a 50299
hearing under Chapter 119. of the Revised Code unless the director 50300

in the time prescribed by the director, the director shall issue 50478
an order upholding the penalty, plus interest at the rate 50479

if the director concludes that the conference was necessitated by 50483
a legitimate dispute. 50484

(E) The director may cancel or reduce the penalty for a class 50485
I violation if the facility corrects the violation within the time 50486
specified in the notice ~~unless, except that the director shall~~ 50487

treasury to the credit of the natural resource damages fund, which 51234
is hereby created. The director of environmental protection shall 51235
use money in the fund only in accordance with the purposes of and 51236
the limitations on natural resources damages set forth in the 51237
"Comprehensive Environmental Response, Compensation, and Liability 51238
Act of 1980," as amended, the "Oil Pollution Act of 1990," as 51239
amended, the "Clean Water Act," as amended, or another applicable 51240
federal or state law. All investment earnings of the fund shall be 51241
credited to the fund. 51242

The director of environmental protection may enter into 51243
contracts and grant agreements with federal, state, or local 51244
government agencies, nonprofit organizations, and colleges and 51245

waste facility management fund created in section 3734.18 of the 51253
Revised Code and one-half of the proceeds of which shall be 51254
deposited in the state treasury to the credit of the hazardous 51255

waste clean-up fund created in section 3734.28 of the Revised Code; 51256
51257

(2) An additional one dollar per ton on and after July 1, 51258
2003, through June 30, ~~2010~~ 2012, the proceeds of which shall be 51259
deposited in the state treasury to the credit of the solid waste 51260
fund, which is hereby created. The environmental protection agency 51261
shall use money in the solid waste fund to pay the costs of 51262
administering and enforcing the laws pertaining to solid wastes, 51263
infectious wastes, and construction and demolition debris, 51264
including, without limitation, ground water evaluations related to 51265
solid wastes, infectious wastes, and construction and demolition 51266
debris, under this chapter and Chapter 3714. of the Revised Code 51267
and any rules adopted under them, providing compliance assistance 51268
to small businesses, and paying a share of the administrative 51269

(4) An additional twenty-five cents per ton on and after July 51277
1, 2009, through June 30, 2012, the proceeds of which shall be 51278
deposited in the state treasury to the credit of the soil and 51279
water conservation district assistance fund created in section 51280
1515.14 of the Revised Code. 51281

In the case of solid wastes that are taken to a solid waste 51282
transfer facility located in this state prior to being transported 51283
for disposal at a solid waste disposal facility located in this 51284
state or outside of this state, the fees levied under this 51285
division shall be collected by the owner or operator of the 51286
transfer facility as a trustee for the state. The amount of fees 51287

required to be collected under this division at such a transfer 51288
facility shall equal the total tonnage of solid wastes received at 51289
the facility multiplied by the fees levied under this division. In 51290
the case of solid wastes that are not taken to a solid waste 51291
transfer facility located in this state prior to being transported 51292
to a solid waste disposal facility, the fees shall be collected by 51293
the owner or operator of the solid waste disposal facility as a 51294
trustee for the state. The amount of fees required to be collected 51295
under this division at such a disposal facility shall equal the 51296
total tonnage of solid wastes received at the facility that was 51297
not previously taken to a solid waste transfer facility located in 51298
this state multiplied by the fees levied under this division. Fees 51299
levied under this division do not apply to materials separated 51300
from a mixed waste stream for recycling by a generator or 51301
materials removed from the solid waste stream through recycling, 51302
as "recycling" is defined in rules adopted under section 3734.02 51303
of the Revised Code. 51304

The owner or operator of a solid waste transfer facility or 51305
disposal facility, as applicable, shall prepare and file with the 51306
director of environmental protection each month a return 51307
indicating the total tonnage of solid wastes received at the 51308
facility during that month and the total amount of the fees 51309
required to be collected under this division during that month. In 51310
addition, the owner or operator of a solid waste disposal facility 51311
shall indicate on the return the total tonnage of solid wastes 51312
received from transfer facilities located in this state during 51313
that month for which the fees were required to be collected by the 51314
transfer facilities. The monthly returns shall be filed on a form 51315
prescribed by the director. Not later than thirty days after the 51316
last day of the month to which a return applies, the owner or 51317
operator shall mail to the director the return for that month 51318
together with the fees required to be collected under this 51319
division during that month as indicated on the return or may 51320

submit the return and fees electronically in a manner approved by 51321
the director. If the return is filed and the amount of the fees 51322
due is paid in a timely manner as required in this division, the 51323
owner or operator may retain a discount of three-fourths of one 51324
per cent of the total amount of the fees that are required to be 51325
paid as indicated on the return. 51326

The owner or operator may request an extension of not more 51327
than thirty days for filing the return and remitting the fees, 51328
provided that the owner or operator has submitted such a request 51329
in writing to the director together with a detailed description of 51330
why the extension is requested, the director has received the 51331
request not later than the day on which the return is required to 51332
be filed, and the director has approved the request. If the fees 51333
are not remitted within thirty days after the last day of the 51334
month to which the return applies or are not remitted by the last 51335
day of an extension approved by the director, the owner or 51336
operator shall not retain the three-fourths of one per cent 51337
discount and shall pay an additional ten per cent of the amount of 51338
the fees for each month that they are late. For purposes of 51339
calculating the late fee, the first month in which fees are late 51340
begins on the first day after the deadline has passed for timely 51341
submitting the return and fees, and one additional month shall be 51342
counted every thirty days thereafter. 51343

The owner or operator of a solid waste facility may request a 51344
refund or credit of fees levied under this division and remitted 51345
to the director that have not been paid to the owner or operator. 51346
Such a request shall be made only if the fees have not been 51347
collected by the owner or operator, have become a debt that has 51348
become worthless or uncollectable for a period of six months or 51349
more, and may be claimed as a deduction, including a deduction 51350
claimed if the owner or operator keeps accounts on an accrual 51351
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 51352

U.S.C. 166, as amended, and regulations adopted under it. Prior to 51353
making a request for a refund or credit, an owner or operator 51354
shall make reasonable efforts to collect the applicable fees. A 51355
request for a refund or credit shall not include any costs 51356
resulting from those efforts to collect unpaid fees. 51357

A request for a refund or credit of fees shall be made in 51358
writing, on a form prescribed by the director, and shall be 51359
supported by evidence that may be required in rules adopted by the 51360
director under this chapter. After reviewing the request, and if 51361
the request and evidence submitted with the request indicate that 51362
a refund or credit is warranted, the director shall grant a refund 51363
to the owner or operator or shall permit a credit to be taken by 51364
the owner or operator on a subsequent monthly return submitted by 51365
the owner or operator. The amount of a refund or credit shall not 51366
exceed an amount that is equal to ninety days' worth of fees owed 51367
to an owner or operator by a particular debtor of the owner or 51368
operator. A refund or credit shall not be granted by the director 51369
to an owner or operator more than once in any twelve-month period 51370
for fees owed to the owner or operator by a particular debtor. 51371

If, after receiving a refund or credit from the director, an 51372
owner or operator receives payment of all or part of the fees, the 51373
owner or operator shall remit the fees with the next monthly 51374
return submitted to the director together with a written 51375
explanation of the reason for the submittal. 51376

For purposes of computing the fees levied under this division 51377
or division (B) of this section, any solid waste transfer or 51378
disposal facility that does not use scales as a means of 51379
determining gate receipts shall use a conversion factor of three 51380
cubic yards per ton of solid waste or one cubic yard per ton for 51381
baled waste, as applicable. 51382

The fees levied under this division and divisions (B) and (C) 51383
of this section are in addition to all other applicable fees and 51384

taxes and shall be paid by the customer or a political subdivision 51385
to the owner or operator of a solid waste transfer or disposal 51386
facility notwithstanding the existence of any provision in a 51387
contract that the customer or a political subdivision may have 51388
with the owner or operator or with a transporter of waste to the 51389
facility that would not require or allow such payment. 51390

(B) For the purposes specified in division (G) of this 51391
section, the solid waste management policy committee of a county 51392
or joint solid waste management district may levy fees upon the 51393
following activities: 51394

(1) The disposal at a solid waste disposal facility located 51395
in the district of solid wastes generated within the district; 51396

(2) The disposal at a solid waste disposal facility within 51397
the district of solid wastes generated outside the boundaries of 51398
the district, but inside this state; 51399

(3) The disposal at a solid waste disposal facility within 51400
the district of solid wastes generated outside the boundaries of 51401
this state. 51402

The solid waste management plan of the county or joint 51403
district approved under section 3734.521 or 3734.55 of the Revised 51404
Code and any amendments to it, or the resolution adopted under 51405
this division, as appropriate, shall establish the rates of the 51406
fees levied under divisions (B)(1), (2), and (3) of this section, 51407
if any, and shall specify whether the fees are levied on the basis 51408
of tons or cubic yards as the unit of measurement. A solid waste 51409
management district that levies fees under this division on the 51410
basis of cubic yards shall do so in accordance with division (A) 51411
of this section. 51412

The fee levied under division (B)(1) of this section shall be 51413
not less than one dollar per ton nor more than two dollars per 51414
ton, the fee levied under division (B)(2) of this section shall be 51415

not less than two dollars per ton nor more than four dollars per 51416
ton, and the fee levied under division (B)(3) of this section 51417
shall be not more than the fee levied under division (B)(1) of 51418
this section. 51419

Prior to the approval of the solid waste management plan of a 51420
district under section 3734.55 of the Revised Code, the solid 51421
waste management policy committee of a district may levy fees 51422
under this division by adopting a resolution establishing the 51423
proposed amount of the fees. Upon adopting the resolution, the 51424
committee shall deliver a copy of the resolution to the board of 51425
county commissioners of each county forming the district and to 51426
the legislative authority of each municipal corporation and 51427
township under the jurisdiction of the district and shall prepare 51428
and publish the resolution and a notice of the time and location 51429
where a public hearing on the fees will be held. Upon adopting the 51430
resolution, the committee shall deliver written notice of the 51431
adoption of the resolution; of the amount of the proposed fees; 51432
and of the date, time, and location of the public hearing to the 51433
director and to the fifty industrial, commercial, or institutional 51434
generators of solid wastes within the district that generate the 51435
largest quantities of solid wastes, as determined by the 51436
committee, and to their local trade associations. The committee 51437
shall make good faith efforts to identify those generators within 51438
the district and their local trade associations, but the 51439
nonprovision of notice under this division to a particular 51440
generator or local trade association does not invalidate the 51441
proceedings under this division. The publication shall occur at 51442
least thirty days before the hearing. After the hearing, the 51443
committee may make such revisions to the proposed fees as it 51444
considers appropriate and thereafter, by resolution, shall adopt 51445
the revised fee schedule. Upon adopting the revised fee schedule, 51446
the committee shall deliver a copy of the resolution doing so to 51447
the board of county commissioners of each county forming the 51448

district and to the legislative authority of each municipal 51449
corporation and township under the jurisdiction of the district. 51450
Within sixty days after the delivery of a copy of the resolution 51451
adopting the proposed revised fees by the policy committee, each 51452
such board and legislative authority, by ordinance or resolution, 51453
shall approve or disapprove the revised fees and deliver a copy of 51454
the ordinance or resolution to the committee. If any such board or 51455
legislative authority fails to adopt and deliver to the policy 51456
committee an ordinance or resolution approving or disapproving the 51457
revised fees within sixty days after the policy committee 51458
delivered its resolution adopting the proposed revised fees, it 51459
shall be conclusively presumed that the board or legislative 51460
authority has approved the proposed revised fees. The committee 51461
shall determine if the resolution has been ratified in the same 51462
manner in which it determines if a draft solid waste management 51463
plan has been ratified under division (B) of section 3734.55 of 51464
the Revised Code. 51465

The committee may amend the schedule of fees levied pursuant 51466
to a resolution adopted and ratified under this division by 51467
adopting a resolution establishing the proposed amount of the 51468
amended fees. The committee may repeal the fees levied pursuant to 51469
such a resolution by adopting a resolution proposing to repeal 51470
them. Upon adopting such a resolution, the committee shall proceed 51471
to obtain ratification of the resolution in accordance with this 51472
division. 51473

Not later than fourteen days after declaring the new fees to 51474
be ratified or the fees to be repealed under this division, the 51475
committee shall notify by certified mail the owner or operator of 51476
each solid waste disposal facility that is required to collect the 51477
fees of the ratification and the amount of the fees or of the 51478
repeal of the fees. Collection of any fees shall commence or 51479
collection of repealed fees shall cease on the first day of the 51480

second month following the month in which notification is sent to 51481
the owner or operator. 51482

Fees levied under this division also may be established, 51483
amended, or repealed by a solid waste management policy committee 51484
through the adoption of a new district solid waste management 51485
plan, the adoption of an amended plan, or the amendment of the 51486
plan or amended plan in accordance with sections 3734.55 and 51487
3734.56 of the Revised Code or the adoption or amendment of a 51488
district plan in connection with a change in district composition 51489
under section 3734.521 of the Revised Code. 51490

Not later than fourteen days after the director issues an 51491
order approving a district's solid waste management plan, amended 51492
plan, or amendment to a plan or amended plan that establishes, 51493
amends, or repeals a schedule of fees levied by the district, the 51494
committee shall notify by certified mail the owner or operator of 51495
each solid waste disposal facility that is required to collect the 51496
fees of the approval of the plan or amended plan, or the amendment 51497
to the plan, as appropriate, and the amount of the fees, if any. 51498
In the case of an initial or amended plan approved under section 51499
3734.521 of the Revised Code in connection with a change in 51500
district composition, other than one involving the withdrawal of a 51501
county from a joint district, the committee, within fourteen days 51502
after the change takes effect pursuant to division (G) of that 51503
section, shall notify by certified mail the owner or operator of 51504
each solid waste disposal facility that is required to collect the 51505
fees that the change has taken effect and of the amount of the 51506
fees, if any. Collection of any fees shall commence or collection 51507
of repealed fees shall cease on the first day of the second month 51508
following the month in which notification is sent to the owner or 51509
operator. 51510

If, in the case of a change in district composition involving 51511
the withdrawal of a county from a joint district, the director 51512

completes the actions required under division (G)(1) or (3) of 51513
section 3734.521 of the Revised Code, as appropriate, forty-five 51514
days or more before the beginning of a calendar year, the policy 51515
committee of each of the districts resulting from the change that 51516
obtained the director's approval of an initial or amended plan in 51517
connection with the change, within fourteen days after the 51518
director's completion of the required actions, shall notify by 51519
certified mail the owner or operator of each solid waste disposal 51520
facility that is required to collect the district's fees that the 51521
change is to take effect on the first day of January immediately 51522
following the issuance of the notice and of the amount of the fees 51523
or amended fees levied under divisions (B)(1) to (3) of this 51524
section pursuant to the district's initial or amended plan as so 51525
approved or, if appropriate, the repeal of the district's fees by 51526
that initial or amended plan. Collection of any fees set forth in 51527
such a plan or amended plan shall commence on the first day of 51528
January immediately following the issuance of the notice. If such 51529
an initial or amended plan repeals a schedule of fees, collection 51530
of the fees shall cease on that first day of January. 51531

If, in the case of a change in district composition involving 51532
the withdrawal of a county from a joint district, the director 51533
completes the actions required under division (G)(1) or (3) of 51534
section 3734.521 of the Revised Code, as appropriate, less than 51535
forty-five days before the beginning of a calendar year, the 51536
director, on behalf of each of the districts resulting from the 51537
change that obtained the director's approval of an initial or 51538
amended plan in connection with the change proceedings, shall 51539
notify by certified mail the owner or operator of each solid waste 51540
disposal facility that is required to collect the district's fees 51541
that the change is to take effect on the first day of January 51542
immediately following the mailing of the notice and of the amount 51543
of the fees or amended fees levied under divisions (B)(1) to (3) 51544
of this section pursuant to the district's initial or amended plan 51545

as so approved or, if appropriate, the repeal of the district's 51546
fees by that initial or amended plan. Collection of any fees set 51547
forth in such a plan or amended plan shall commence on the first 51548
day of the second month following the month in which notification 51549
is sent to the owner or operator. If such an initial or amended 51550
plan repeals a schedule of fees, collection of the fees shall 51551
cease on the first day of the second month following the month in 51552
which notification is sent to the owner or operator. 51553

If the schedule of fees that a solid waste management 51554
district is levying under divisions (B)(1) to (3) of this section 51555
is amended or repealed, the fees in effect immediately prior to 51556
the amendment or repeal shall continue to be collected until 51557
collection of the amended fees commences or collection of the 51558
repealed fees ceases, as applicable, as specified in this 51559
division. In the case of a change in district composition, money 51560
so received from the collection of the fees of the former 51561
districts shall be divided among the resulting districts in 51562
accordance with division (B) of section 343.012 of the Revised 51563
Code and the agreements entered into under division (B) of section 51564
343.01 of the Revised Code to establish the former and resulting 51565
districts and any amendments to those agreements. 51566

For the purposes of the provisions of division (B) of this 51567
section establishing the times when newly established or amended 51568
fees levied by a district are required to commence and the 51569
collection of fees that have been amended or repealed is required 51570
to cease, "fees" or "schedule of fees" includes, in addition to 51571
fees levied under divisions (B)(1) to (3) of this section, those 51572
levied under section 3734.573 or 3734.574 of the Revised Code. 51573

(C) For the purposes of defraying the added costs to a 51574
municipal corporation or township of maintaining roads and other 51575
public facilities and of providing emergency and other public 51576
services, and compensating a municipal corporation or township for 51577

reductions in real property tax revenues due to reductions in real 51578
property valuations resulting from the location and operation of a 51579
solid waste disposal facility within the municipal corporation or 51580
township, a municipal corporation or township in which such a 51581
solid waste disposal facility is located may levy a fee of not 51582
more than twenty-five cents per ton on the disposal of solid 51583
wastes at a solid waste disposal facility located within the 51584
boundaries of the municipal corporation or township regardless of 51585
where the wastes were generated. 51586

The legislative authority of a municipal corporation or 51587
township may levy fees under this division by enacting an 51588
ordinance or adopting a resolution establishing the amount of the 51589
fees. Upon so doing the legislative authority shall mail a 51590
certified copy of the ordinance or resolution to the board of 51591
county commissioners or directors of the county or joint solid 51592
waste management district in which the municipal corporation or 51593
township is located or, if a regional solid waste management 51594
authority has been formed under section 343.011 of the Revised 51595
Code, to the board of trustees of that regional authority, the 51596
owner or operator of each solid waste disposal facility in the 51597
municipal corporation or township that is required to collect the 51598
fee by the ordinance or resolution, and the director of 51599
environmental protection. Although the fees levied under this 51600
division are levied on the basis of tons as the unit of 51601
measurement, the legislative authority, in its ordinance or 51602
resolution levying the fees under this division, may direct that 51603
the fees be levied on the basis of cubic yards as the unit of 51604
measurement based upon a conversion factor of three cubic yards 51605
per ton generally or one cubic yard per ton for baled wastes. 51606

Not later than five days after enacting an ordinance or 51607
adopting a resolution under this division, the legislative 51608
authority shall so notify by certified mail the owner or operator 51609

of each solid waste disposal facility that is required to collect 51610
the fee. Collection of any fee levied on or after March 24, 1992, 51611
shall commence on the first day of the second month following the 51612
month in which notification is sent to the owner or operator. 51613

(D)(1) The fees levied under divisions (A), (B), and (C) of 51614
this section do not apply to the disposal of solid wastes that: 51615

(a) Are disposed of at a facility owned by the generator of 51616
the wastes when the solid waste facility exclusively disposes of 51617
solid wastes generated at one or more premises owned by the 51618
generator regardless of whether the facility is located on a 51619
premises where the wastes are generated; 51620

(b) Are disposed of at facilities that exclusively dispose of 51621
wastes that are generated from the combustion of coal, or from the 51622
combustion of primarily coal in combination with scrap tires, that 51623
is not combined in any way with garbage at one or more premises 51624
owned by the generator. 51625

(2) Except as provided in section 3734.571 of the Revised 51626
Code, any fees levied under division (B)(1) of this section apply 51627
to solid wastes originating outside the boundaries of a county or 51628
joint district that are covered by an agreement for the joint use 51629

for and obtain a Title V permit under section 3704.036 of the		52509
Revised Code shall pay the fees set forth in division (C)(1) of		52510
this section. For the purposes of that division, total emissions		52511
of air contaminants may be calculated using engineering		52512
calculations, emissions factors, material balance calculations, or		52513
performance testing procedures, as authorized by the director.		52514
The following fees shall be assessed on the total actual		52515
emissions from a source in tons per year of the regulated		52516
pollutants particulate matter, sulfur dioxide, nitrogen oxides,		52517
organic compounds, and lead:		52518
(a) Fifteen dollars per ton on the total actual emissions of		52519
each such regulated pollutant during the period July through		52520

December 1993, to be collected no sooner than July 1, 1994; 52521

(b) Twenty dollars per ton on the total actual emissions of 52522

subsequent calendar year, to be collected no sooner than the 52527
fifteenth day of April of the year next succeeding the calendar 52528
year in which the emissions occurred. 52529

The fees levied under division (C)(1) of this section do not 52530

a facility that exceed four thousand tons during a calendar year. 52532

(2) The fees assessed under division (C)(1) of this section 52533
are for the purpose of providing funding for the Title V permit 52534

do not apply to emissions from any electric generating unit 52537
designated as a Phase I unit under Title IV of the federal Clean 52538
Air Act prior to calendar year 2000. Those fees shall be assessed 52539
on the emissions from such a generating unit commencing in 52540
calendar year 2001 based upon the total actual emissions from the 52541
generating unit during calendar year 2000 and shall continue to be 52542
assessed each subsequent calendar year based on the total actual 52543
emissions from the generating unit during the preceding calendar 52544
year. 52545

(4) The director shall issue invoices to owners or operators 52546
of air contaminant sources who are required to pay a fee assessed 52547
under division (C) or (D) of this section. Any such invoice shall 52548
be issued no sooner than the applicable date when the fee first 52549

identify the nature and amount of the fee assessed, and shall 52551

indicate that the fee is required to be paid within thirty days 52552
after the issuance of the invoice. 52553

(D)(1) Except as provided in division (D)(3) of this section, 52554
from January 1, 1994, through December 31, 2003, each person who 52555
owns or operates an air contaminant source; who is required to 52556
apply for a permit to operate pursuant to rules adopted under 52557
division (G), or a variance pursuant to division (H), of section 52558
3704.03 of the Revised Code; and who is not required to apply for 52559
and obtain a Title V permit under section 3704.036 of the Revised 52560
Code shall pay a single fee based upon the sum of the actual 52561

contaminant source; who is required to apply for a permit to 52573
operate pursuant to rules adopted under division (G), or a 52574
variance pursuant to division (H), of section 3704.03 of the 52575
Revised Code; and who is not required to apply for and obtain a 52576
Title V permit under section 3704.03 of the Revised Code shall pay 52577
a single fee based upon the sum of the actual annual emissions 52578

accordance with the following schedule: 52581

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2010~~ 2012, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

(4) The fees assessed under division (D)(1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 1995. The fees assessed under division (D)(2) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 2005. The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (C)(1) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for the purposes of division (C)(1) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:

(a) The consumer price index for any year is the average of the consumer price index for all urban consumers published by the United States department of labor as of the close of the

twelve-month period ending on the thirty-first day of August of 52648
that year. 52649

(b) If the 1989 consumer price index is revised, the director 52650
shall use the revision of the consumer price index that is most 52651
consistent with that for calendar year 1989. 52652

(F) Each person who is issued a permit to install pursuant to 52653
rules adopted under division (F) of section 3704.03 of the Revised 52654

Any person who fails to pay the fee at that time shall pay an additional amount that equals ten per cent of the required annual discharge fee.

(ii) The billing year for the annual discharge fee established in division (L)(5)(a)(i) of this section shall consist

of a twelve-month period beginning on the first day of January of 52866

annual discharge fee, including the surcharge applicable to 52870
certain industrial facilities pursuant to division (L)(5)(c) of 52871
this section, by one-twelfth for each full month during the 52872

in gallons per day calculated using first day of May through 52882
thirty-first day of October flow data for the period two years 52883
prior to the date on which the fee is due. In the case of NPDES 52884
discharge permits for new sources, the fee shall be calculated 52885
using the average daily design flow of the facility until actual 52886
average daily discharge flow values are available for the time 52887
period specified in division (L)(5)(a)(iii) of this section. The 52888
annual discharge fee may be prorated for a new source as described 52889
in division (L)(5)(a)(ii) of this section. 52890

3734.76 of the Revised Code, as applicable, if the owner or 53318
operator of the facility or proposed facility is a motor vehicle 53319
salvage dealer licensed under Chapter 4738. of the Revised Code. 53320

(T) The director may adopt, amend, and rescind rules in 53321
accordance with Chapter 119. of the Revised Code that do all of 53322
the following: 53323

(1) Prescribe fees to be paid by applicants for and holders 53324
of any license, permit, variance, plan approval, or certification 53325
required or authorized by Chapter 3704., 3734., 6109., or 6111. of 53326
the Revised Code that are not specifically established in this 53327
section. The fees shall be designed to defray the cost of 53328

taxation by section 5709.07 or 5709.12 of the Revised Code, from 53345
any fee required by this section; 53346

(3) Provide for the waiver of any fee, or any part thereof, 53347

cost to the state associated with the issuance of a permit to 53355
install, license, variance, plan approval, or certification 53356
exceeds the fee for the issuance or review specified by this 53357
section, the director may condition the issuance or review on the 53358
payment by the person receiving the issuance or review of, in 53359
addition to the fee specified by this section, the amount, or any 53360
portion thereof, in excess of the fee specified under this 53361
section. The director shall not so condition issuances for which 53362
fees are prescribed in divisions (B)(7) and (L)(1)(b) of this 53363
section. 53364

(V) Except as provided in divisions (L), (M), and (P) of this 53365
section or unless otherwise prescribed by a rule of the director 53366
adopted pursuant to Chapter 119. of the Revised Code, all fees 53367

issuance of an invoice for the fee by the director or the 53369
effective date of the issuance of the license, permit, variance, 53370
plan approval, or certification. If payment is late, the person 53371

responsible for payment of the fee shall pay an additional ten per cent of the amount due for each month that it is late.

(Y)(1) Except as provided in divisions (Y)(2), (3), and (4) of this section, each sewage sludge facility shall pay a nonrefundable annual sludge fee equal to three dollars and fifty cents per dry ton of sewage sludge, including the dry tons of sewage sludge in materials derived from sewage sludge, that the sewage sludge facility treats or disposes of in this state. The annual volume of sewage sludge treated or disposed of by a sewage sludge facility shall be calculated using the first day of January through the thirty-first day of December of the calendar year preceding the date on which payment of the fee is due. 53415
53416
53417
53418
53419

53421
53422
53423
53424

(2)(a) Except as provided in division (Y)(2)(d) of this section, each sewage sludge facility shall pay a minimum annual sewage sludge fee of one hundred dollars. 53425
53426
53427

(b) The annual sludge fee required to be paid by a sewage sludge facility that treats or disposes of exceptional quality sludge in this state shall be thirty-five per cent less per dry ton of exceptional quality sludge than the fee assessed under division (Y)(1) of this section, subject to the following 53428
53429
53430
53431
53432

exceptions: 53433

(i) Except as provided in division (Y)(2)(d) of this section, 53434
a sewage sludge facility that treats or disposes of exceptional 53435
quality sludge shall pay a minimum annual sewage sludge fee of one 53436
hundred dollars. 53437

(ii) A sewage sludge facility that treats or disposes of 53438
exceptional quality sludge shall not be required to pay the annual 53439
sludge fee for treatment or disposal in this state of exceptional 53440
quality sludge generated outside of this state and contained in 53441
bags or other containers not greater than one hundred pounds in 53442
capacity. 53443

A thirty-five per cent reduction for exceptional quality 53444
sludge applies to the maximum annual fees established under 53445
division (Y)(3) of this section. 53446

(c) A sewage sludge facility that transfers sewage sludge to 53447
another sewage sludge facility in this state for further treatment 53448
prior to disposal in this state shall not be required to pay the 53449
annual sludge fee for the tons of sewage sludge that have been 53450
transferred. In such a case, the sewage sludge facility that 53451
disposes of the sewage sludge shall pay the annual sludge fee. 53452
However, the facility transferring the sewage sludge shall pay the 53453
one-hundred-dollar minimum fee required under division (Y)(2)(a) 53454
of this section. 53455

In the case of a sewage sludge facility that treats sewage 53456
sludge in this state and transfers it out of this state to another 53457
entity for disposal, the sewage sludge facility in this state 53458
shall be required to pay the annual sludge fee for the tons of 53459
sewage sludge that have been transferred. 53460

(d) A sewage sludge facility that generates sewage sludge 53461
resulting from an average daily discharge flow of less than five 53462
thousand gallons per day is not subject to the fees assessed under 53463

division (Y) of this section. 53464

(3) No sewage sludge facility required to pay the annual 53465
sludge fee shall be required to pay more than the maximum annual 53466
fee for each disposal method that the sewage sludge facility uses. 53467
The maximum annual fee does not include the additional amount that 53468
may be charged under division (Y)(5) of this section for late 53469
payment of the annual sludge fee. The maximum annual fee for the 53470
following methods of disposal of sewage sludge is as follows: 53471

(a) Incineration: five thousand dollars; 53472

(b) Preexisting land reclamation project or disposal in a 53473

(b) of this section: twenty thousand dollars. 53477

(4)(a) In the case of an entity that generates sewage sludge 53478
or a sewage sludge facility that treats sewage sludge and 53479
transfers the sewage sludge to an incineration facility for 53480
disposal, the incineration facility, and not the entity generating 53481
the sewage sludge or the sewage sludge facility treating the 53482
sewage sludge, shall pay the annual sludge fee for the tons of 53483
sewage sludge that are transferred. However, the entity or 53484
facility generating or treating the sewage sludge shall pay the 53485
one-hundred-dollar minimum fee required under division (Y)(2)(a) 53486
of this section. 53487

(b) In the case of an entity that generates sewage sludge and 53488
transfers the sewage sludge to a landfill for disposal or to a 53489
sewage sludge facility for land reclamation or surface disposal, 53490
the entity generating the sewage sludge, and not the landfill or 53491
sewage sludge facility, shall pay the annual sludge fee for the 53492
tons of sewage sludge that are transferred. 53493

(5) Not later than the first day of April of the calendar 53494

year following March 17, 2000, and each first day of April 53495
thereafter, the director shall issue invoices to persons who are 53496
required to pay the annual sludge fee. The invoice shall identify 53497
the nature and amount of the annual sludge fee assessed and state 53498
the first day of May as the deadline for receipt by the director 53499
of objections regarding the amount of the fee and the first day of 53500
July as the deadline for payment of the fee. 53501

Not later than the first day of May following receipt of an 53502
invoice, a person required to pay the annual sludge fee may submit 53503
objections to the director concerning the accuracy of information 53504
regarding the number of dry tons of sewage sludge used to 53505
calculate the amount of the annual sludge fee or regarding whether 53506
the sewage sludge qualifies for the exceptional quality sludge 53507
discount established in division (Y)(2)(b) of this section. The 53508
director may consider the objections and adjust the amount of the 53509
fee to ensure that it is accurate. 53510

If the director does not adjust the amount of the annual 53511
sludge fee in response to a person's objections, the person may 53512
appeal the director's determination in accordance with Chapter 53513
119. of the Revised Code. 53514

Not later than the first day of June, the director shall 53515
notify the objecting person regarding whether the director has 53516
found the objections to be valid and the reasons for the finding. 53517
If the director finds the objections to be valid and adjusts the 53518
amount of the annual sludge fee accordingly, the director shall 53519
issue with the notification a new invoice to the person 53520
identifying the amount of the annual sludge fee assessed and 53521
stating the first day of July as the deadline for payment. 53522

Not later than the first day of July, any person who is 53523
required to do so shall pay the annual sludge fee. Any person who 53524
is required to pay the fee, but who fails to do so on or before 53525
that date shall pay an additional amount that equals ten per cent 53526

of the required annual sludge fee. 53527

(6) The director shall transmit all moneys collected under 53528
division (Y) of this section to the treasurer of state for deposit 53529
into the surface water protection fund created in section 6111.038 53530
of the Revised Code. The moneys shall be used to defray the costs 53531
of administering and enforcing provisions in Chapter 6111. of the 53532
Revised Code and rules adopted under it that govern the use, 53533
storage, treatment, or disposal of sewage sludge. 53534

(7) Beginning in fiscal year 2001, and every two years 53535
thereafter, the director shall review the total amount of moneys 53536
generated by the annual sludge fees to determine if that amount 53537
exceeded six hundred thousand dollars in either of the two 53538
preceding fiscal years. If the total amount of moneys in the fund 53539
exceeded six hundred thousand dollars in either fiscal year, the 53540
director, after review of the fee structure and consultation with 53541
affected persons, shall issue an order reducing the amount of the 53542
fees levied under division (Y) of this section so that the 53543
estimated amount of moneys resulting from the fees will not exceed 53544
six hundred thousand dollars in any fiscal year. 53545

If, upon review of the fees under division (Y)(7) of this 53546
section and after the fees have been reduced, the director 53547
determines that the total amount of moneys collected and 53548
accumulated is less than six hundred thousand dollars, the 53549
director, after review of the fee structure and consultation with 53550
affected persons, may issue an order increasing the amount of the 53551
fees levied under division (Y) of this section so that the 53552
estimated amount of moneys resulting from the fees will be 53553
approximately six hundred thousand dollars. Fees shall never be 53554
increased to an amount exceeding the amount specified in division 53555
(Y)(7) of this section. 53556

Notwithstanding section 119.06 of the Revised Code, the 53557
director may issue an order under division (Y)(7) of this section 53558

without the necessity to hold an adjudicatory hearing in 53559
connection with the order. The issuance of an order under this 53560
division is not an act or action for purposes of section 3745.04 53561
of the Revised Code. 53562

A surety bond may be with any company that complies with the 54308
bonding and surety laws of this state and the requirements 54309

prompt and accurate payments for lottery ticket sales, for missing 54315
or stolen lottery tickets, or for damage to equipment or materials 54316
issued to the lottery sales agent, or to pay for expenses the 54317

commission incurs in connection with the lottery sales agent's 54318

this section, the director of the state lottery commission may 54349

lottery sales agent's premises are determined, in whole or in 54353
part, by the amount of retail sales the lottery sales agent makes, 54354
and if the rental agreement does not expressly provide that the 54355
amount of those retail sales includes the amounts the lottery 54356
sales agent receives from lottery ticket sales, only the amounts 54357
the lottery sales agent receives as compensation from the state 54358
lottery commission for selling lottery tickets shall be considered 54359
to be amounts the lottery sales agent receives from the retail 54360
sales the lottery sales agent makes, for the purpose of computing 54361
the lottery sales agent's rental payments. 54362

and data prepared for the construction, erection, equipment, 54714
alteration, or addition that indicate the portions that have been 54715
approved pursuant to section 3781.12 of the Revised Code and for 54716
which no further approval is required, to the municipal, township, 54717
or county building department having jurisdiction unless one of 54718

the following applies: 54719

(a) If no municipal, township, or county building department 54720

section 3781.10 of the Revised Code has jurisdiction, the owner 54722
shall make the submissions described in division (A)(1) of this 54723
section to the superintendent of ~~the division of industrial~~ 54724

described in division (A)(1) of this section. 54730

(2)(a) The seal of an architect registered under Chapter 54731
4703. of the Revised Code or an engineer registered under Chapter 54732
4733. of the Revised Code is required for any plans, drawings, 54733
specifications, or data submitted for approval, unless the plans, 54734
drawings, specifications, or data are permitted to be prepared by 54735
persons other than registered architects pursuant to division (C) 54736
or (D) of section 4703.18 of the Revised Code, or by persons other 54737
than registered engineers pursuant to division (C) or (D) of 54738
section 4733.18 of the Revised Code. 54739

(b) No seal is required for any plans, drawings, 54740
specifications, or data submitted for approval for any residential 54741
buildings, as defined in section 3781.06 of the Revised Code, or 54742
erected as industrialized one-, two-, or three-family units or 54743
structures within the meaning of "industrialized unit" as defined 54744
in section 3781.06 of the Revised Code. 54745

(c) No seal is required for approval of the installation of 54746
replacement equipment or systems that are similar in type or 54747
capacity to the equipment or systems being replaced. No seal is 54748
required for approval for any new construction, improvement, 54749

alteration, repair, painting, decorating, or other modification of 54750
any buildings or structures subject to sections 3781.06 to 3781.18 54751
and 3791.04 of the Revised Code if the proposed work does not 54752
involve technical design analysis, as defined by rule adopted by 54753
the board of building standards. 54754

(B) No owner shall proceed with the construction, erection, 54755
alteration, or equipment of any building until the plans or 54756
drawings, specifications, and data have been approved as this 54757
section requires, or the industrialized unit inspected at the 54758
point of origin. No plans or specifications shall be approved or 54759
inspection approval given unless the building represented would, 54760
if constructed, repaired, erected, or equipped, comply with 54761
Chapters 3781. and 3791. of the Revised Code and any rule made 54762
under those chapters. 54763

(C) The approval of plans or drawings and specifications or 54764
data pursuant to this section is invalid if construction, 54765
erection, alteration, or other work upon the building has not 54766
commenced within twelve months of the approval of the plans or 54767
drawings and specifications. One extension shall be granted for an 54768
additional twelve-month period if the owner requests at least ten 54769
days in advance of the expiration of the permit and upon payment 54770
of a fee not to exceed one hundred dollars. If in the course of 54771
construction, work is delayed or suspended for more than six 54772
months, the approval of plans or drawings and specifications or 54773
data is invalid. Two extensions shall be granted for six months 54774
each if the owner requests at least ten days in advance of the 54775
expiration of the permit and upon payment of a fee for each 54776
extension of not more than one hundred dollars. Before any work 54777
may continue on the construction, erection, alteration, or 54778
equipment of any building for which the approval is invalid, the 54779
owner of the building shall resubmit the plans or drawings and 54780
specifications for approval pursuant to this section. 54781

(D) Subject to section 3791.042 of the Revised Code, the board of building standards or the legislative authority of a municipal corporation, township, or county, by rule, may regulate the requirements for the submission of plans and specifications to the respective enforcing departments and for processing by those departments. The board of building standards or the legislative authority of a municipal corporation, township, or county may adopt rules to provide for the approval, subject to section 3791.042 of the Revised Code, by the department having jurisdiction of the plans for construction of a foundation or any other part of a building or structure before the complete plans and specifications for the entire building or structure are submitted. When any plans are approved by the department having jurisdiction, the structure and every particular represented by and disclosed in those plans shall, in the absence of fraud or a serious safety or sanitation hazard, be conclusively presumed to comply with Chapters 3781. and 3791. of the Revised Code and any rule issued pursuant to those chapters, if constructed, altered, or repaired in accordance with those plans and any rule in effect at the time of approval.

(E) The approval of plans and specifications, including inspection of industrialized units, under this section is a "license" and the failure to approve plans or specifications as submitted or to inspect the unit at the point of origin within thirty days after the plans or specifications are filed or the request to inspect the industrialized unit is made, the disapproval of plans and specifications, or the refusal to approve an industrialized unit following inspection at the point of origin is "an adjudication order denying the issuance of a license" requiring an "adjudication hearing" as provided by sections 119.07 to 119.13 of the Revised Code and as modified by sections 3781.031 and 3781.19 of the Revised Code. An adjudication order denying the issuance of a license shall specify the reasons for that denial.

(F) The board of building standards shall not require the 54815
submission of site preparation plans or plot plans to the division 54816
of ~~industrial-compliance~~ labor when industrialized units are used 54817
exclusively as one-, two-, or three-family dwellings. 54818

(G) Notwithstanding any procedures the board establishes, if 54819
the agency having jurisdiction objects to any portion of the plans 54820
or specifications, the owner or the owner's representative may 54821
request the agency to issue conditional approval to proceed with 54822
construction up to the point of the objection. Approval shall be 54823
issued only when the objection results from conflicting 54824
interpretations of the rules of the board of building standards 54825
rather than the application of specific technical requirements of 54826
the rules. Approval shall not be issued where the correction of 54827
the objection would cause extensive changes in the building design 54828
or construction. The giving of conditional approval is a 54829
"conditional license" to proceed with construction up to the point 54830
where the construction or materials objected to by the agency are 54831
to be incorporated into the building. No construction shall 54832
proceed beyond that point without the prior approval of the agency 54833
or another agency that conducts an adjudication hearing relative 54834
to the objection. The agency having jurisdiction shall specify its 54835
objections to the plans or specifications, which is an 54836
"adjudication order denying the issuance of a license" and may be 54837
appealed pursuant to sections 119.07 to 119.13 of the Revised Code 54838
and as modified by sections 3781.031 and 3781.19 of the Revised 54839
Code. 54840

(H) A certified municipal, township, or county building 54841
department having jurisdiction, or the superintendent ~~of the~~ 54842
~~division of industrial-compliance~~, as appropriate, shall review 54843
any plans, drawings, specifications, or data described in this 54844
section that are submitted to it or to the superintendent. 54845

(I) No owner or persons having control as an officer, or as a 54846

member of a board or committee, or otherwise, of a building to 54847
which section 3781.06 of the Revised Code is applicable, and no 54848
architect, designer, engineer, builder, contractor, subcontractor, 54849
or any officer or employee of a municipal, township, or county 54850
building department shall violate this section. 54851

(J) Whoever violates this section shall be fined not more 54852
than five hundred dollars. 54853

Sec. 3791.05. No owner, lessee, agent, factor, architect, or 54854
contractor engaged in and having supervision or charge of the 54855
building, erection, or construction of a block, building, or 54856
structure, shall neglect or refuse to place or have placed upon 54857
the joists of each story thereof, as soon as joists are in 54858
position, counter floors of such quality and strength as to render 54859
perfectly safe the going to and from thereon of all mechanics, 54860
laborers, and other persons engaged upon the work of construction 54861
or supervision, or in placing materials for such construction. 54862

Whoever violates this section shall be fined not less than 54863
twenty-five nor more than two hundred dollars. 54864

Each day that such person neglects or refuses to have such 54865
counter floors so placed, after notice is given by a building 54866
inspector, a chief inspector, or deputy inspector of the city 54867
building inspection department in cities where such department is 54868
organized, or by the superintendent of ~~the division of industrial~~ 54869
~~compliance~~ labor of the state, in cities where such departments 54870
are not organized, or from a person whose life or personal safety 54871
may be endangered by such neglect or refusal, is a separate 54872
offense. 54873

Sec. 3791.07. (A) The board of building standards may 54874
establish such reasonable inspection fee schedules as it 54875
determines necessary or desirable relating to the inspection of 54876

all plans and specifications submitted for approval to the 54877
division of ~~industrial compliance~~ labor, and all industrialized 54878
units inspected at the point of origin and at the construction 54879
site of the building. The inspection fee schedule established 54880
shall bear some reasonable relationship to the cost of 54881
administering and enforcing the provisions of Chapters 3781. and 54882
3791. of the Revised Code. 54883

(B) In addition to the fee assessed in division (A) of this 54884
section, the board shall assess a fee of not more than five 54885
dollars for each application for acceptance and approval of plans 54886
and specifications and for making inspections pursuant to section 54887
3791.04 of the Revised Code. The board shall adopt rules, in 54888
accordance with Chapter 119. of the Revised Code, specifying the 54889
manner by which the superintendent of ~~the division of industrial~~
~~compliance~~ labor shall collect and remit to the board the fees 54890
assessed under this division and requiring that remittance of the 54891
fees be made at least quarterly. 54892
54893

(C) Any person who fails to pay an inspection fee required 54894
for any inspection conducted by the department of commerce 54895
pursuant to Chapters 3781. and 3791. of the Revised Code, except 54896
for fees charged for the inspection of plans and specifications, 54897
within forty-five days after the inspection is conducted, shall 54898
pay a late payment fee equal to twenty-five per cent of the 54899
inspection fee. 54900

(D) The board shall pay the fees assessed under this section 54901
into the state treasury to the credit of the ~~industrial compliance~~
labor operating fund created in section 121.084 of the Revised 54902
Code. 54903
54904

The plan shall emphasize abstinence from the use of alcohol and drugs of abuse as the primary goal of alcohol and drug addiction services. The council on alcohol and drug addiction services shall advise the department in the development and implementation of the plan.

The plan shall provide for the allocation of state and federal funds for service furnished by alcohol and drug addiction

programs under contract with boards of alcohol, drug addiction, 54969
and mental health services and for distribution of the funds to 54970
such boards. The plan shall specify the methodology that the 54971

underserved groups, including, but not limited to, African 54982

protect the rights of those who receive services. 54986

To aid in formulating the plan and in evaluating the 54987
effectiveness and results of alcohol and drug addiction services, 54988
the department, in consultation with the department of mental 54989
health, shall establish and maintain an information system or 54990
systems. The department of alcohol and drug addiction services 54991
shall specify the information that must be provided by boards of 54992
alcohol, drug addiction, and mental health services and by alcohol 54993
and drug addiction programs for inclusion in the system. The 54994
department shall not collect any personal information ~~for the~~ 54995
~~purpose of identifying by name any person who receives a service~~ 54996

department may deny state or federal funds to a board that exceeds 55016
the limit established by the department. Administrative functions 55017
for which funds may be provided may include continuous quality 55018
improvement, utilization review, resource development, fiscal 55019
administration, general administration, and any other 55020
administrative function required by Chapter 340. of the Revised 55021
Code. 55022

(B) Any state or federal funds used for board administrative 55023
functions shall be from the funds allocated by the department to 55024
the boards according to the methodology specified by the 55025
department under the plan described in section 3793.04 of the 55026
Revised Code. 55027

(C) The director of alcohol and drug addiction services may 55028
waive the limit described by this section for a board of alcohol, 55029

exception to the limit is warranted. 55032

(D) Each board shall submit an annual report to the 55033
department detailing its use of state and federal funds for the 55034
administrative functions of the board. 55035

Sec. 3901.3812. (A) If, after completion of an examination 55036
involving information collected from a six-month period, the 55037
superintendent finds that a third-party payer has committed a 55038
series of violations that, taken together, constitutes a 55039
consistent pattern or practice of violating division (A) of 55040
section 3901.3811 of the Revised Code, the superintendent may 55041
impose on the third-party payer any of the administrative remedies 55042
specified in division (B) of this section. In making a finding 55043
under this division, the superintendent shall apply the error 55044
tolerance standards for claims processing contained in the market 55045
conduct examiners handbook issued by the national association of 55046
insurance commissioners in effect at the time the claims were 55047
processed. 55048

Before imposing an administrative remedy, the superintendent 55049
shall provide written notice to the third-party payer informing 55050
the third-party payer of the reasons for the superintendent's 55051

for a converted policy under division (D)(2) or (D)(3) of this 55427
section, a policyholder shall not be responsible for presenting or 55428
mailing such notice, unless such policyholder has actual knowledge 55429
of the person's eligibility for a converted policy. 55430

If an additional period is allowed by an employee or member 55431

for the exercise of a conversion privilege, and if written 55432
application for the converted policy, accompanied by at least the 55433
first quarterly premium, is made after the expiration of the 55434
thirty-one-day conversion period, but within the additional period 55435
allowed an employee or member in accordance with this division, 55436
the effective date of the converted policy shall be the date of 55437
application. 55438

(I) The converted policy may provide that any hospital, 55439
surgical, or medical expense benefits otherwise payable with 55440
respect to any person may be reduced by the amount of any such 55441
benefits payable under the group policy for the same loss after 55442
termination of coverage. 55443

group policy or customarily used in individual policies issued by 55446
the insurer; 55447

rider. 55452

(K) The time limit specified in a converted policy for 55453
certain defenses with respect to any person who was covered by a 55454
group policy shall commence on the effective date of such person's 55455
coverage under the group policy. 55456

(L) No insurer shall use deterioration of health as the basis 55457
for refusing to renew a converted policy. 55458

(M) No insurer shall use age or health status as the basis 55459
for refusing to renew a converted policy. 55460

(N) A converted policy made available pursuant to this 55461

section shall, if delivery of the policy is to be made in this 55462
state, comply with this section. If delivery of a converted policy 55463

benefits as if the replacement had not occurred. 55724

(D) This section does not apply to an employer's 55725
self-insurance plan if federal law supersedes, preempts, 55726

Sec. 3923.57. Notwithstanding any provision of this chapter, 55728
every individual policy of sickness and accident insurance that is 55729
delivered, issued for delivery, or renewed in this state is 55730
subject to the following conditions, as applicable: 55731

(A) Pre-existing conditions provisions shall not exclude or 55732
limit coverage for a period beyond twelve months following the 55733
policyholder's effective date of coverage and may only relate to 55734
conditions during the six months immediately preceding the 55735

effective date of coverage. 55736

(B) In determining whether a pre-existing conditions 55737
provision applies to a policyholder or dependent, each policy 55738

(3) An insurer may cancel or decide not to renew the coverage of a dependent of an individual if the dependent has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage and if the cancellation or nonrenewal is not based, either directly or indirectly, on any health status-related factor in relation to the dependent.

(D)(1) If an insurer decides to discontinue offering a particular type of health insurance coverage offered in the individual market, coverage of such type may be discontinued by the insurer if the insurer does all of the following:

(a) Provides notice to each individual provided coverage of this type in such market of the discontinuation at least ninety days prior to the date of the discontinuation of the coverage;

(b) Offers to each individual provided coverage of this type in such market, the option to purchase any other individual health

type and in offering the option of coverage under division 55800
(D)(1)(b) of this section, acts uniformly without regard to any 55801
health status-related factor of covered individuals or of 55802
individuals who may become eligible for such coverage. 55803

(2) If an insurer elects to discontinue offering all health 55804
insurance coverage in the individual market in this state, health 55805
insurance coverage may be discontinued by the insurer only if both 55806
of the following apply: 55807

of this section in the individual market, the insurer shall not 55816
provide for the issuance of any health insurance coverage in the 55817
market and this state during the five-year period beginning on the 55818
date of the discontinuation of the last health insurance coverage 55819
not so renewed. 55820

(E) Notwithstanding divisions (C) and (D) of this section, an 55821
insurer may, at the time of coverage renewal, modify the health 55822
insurance coverage for a policy form offered to individuals in the 55823
individual market if the modification is consistent with the law 55824
of this state and effective on a uniform basis among all 55825
individuals with that policy form. 55826

(F) Such policies are subject to sections 2743 and 2747 of 55827

the "Health Insurance Portability and Accountability Act of 1996," 55828

(G) Sections 3924.031 and 3924.032 of the Revised Code shall 55831
apply to sickness and accident insurance policies offered in the 55832
individual market in the same manner as they apply to health 55833
benefit plans offered in the small employer market. 55834

this section also apply to all group sickness and accident 55836
insurance policies that are not sold in connection with an 55837
employment-related group health plan and that provide more than 55838
short-term, limited duration coverage. 55839

In applying divisions (C) to (G) of this section with respect 55840
to health insurance coverage that is made available by an insurer 55841
in the individual market to individuals only through one or more 55842
associations, the term "individual" includes the association of 55843
which the individual is a member. 55844

division (C) of section 3923.13 of the Revised Code in connection 55846
with a public or private college or university student health 55847
insurance program is considered to be issued to a bona fide 55848
association. 55849

As used in this section, "bona fide association" has the same 55850
meaning as in section 3924.03 of the Revised Code, and "health 55851
status-related factor" and "network plan" have the same meanings 55852
as in section 3924.031 of the Revised Code. 55853

This section does not apply to any policy that provides 55854
coverage for specific diseases or accidents only, or to any 55855
hospital indemnity, medicare supplement, long-term care, 55856
disability income, one-time-limited-duration policy of no longer 55857
than six months, or other policy that offers only supplemental 55858

to an insured or insurer, not later than five days after the 56326
request is submitted, the independent review organization shall 56327
provide written confirmation of the request. If the review was 56328
initiated by a provider or health care facility, a copy of the 56329
request shall be submitted to the provider or health care 56330
facility. 56331

(b) An independent review organization is not required to 56332
make a decision if it has not received any requested information 56333
that it considers necessary to complete a review. An independent 56334
review organization that does not make a decision for this reason 56335
shall notify the insured and the insurer that a decision is not 56336
being made. The notice may be made in writing, orally, or by 56337
electronic means. An oral or electronic notice shall be confirmed 56338
in writing not later than five days after the oral or electronic 56339
notice is made. If the review was initiated by a provider or 56340
health care facility, a copy of the notice shall be submitted to 56341
the provider or health care facility. 56342

(7) The insurer may elect to cover the service requested and 56343
terminate the review. The insurer shall notify the insured and all 56344
other parties involved with the decision by mail, or with the 56345
consent or approval of the insured, by electronic means. 56346

(8) In making its decision, an independent review 56347
organization conducting the review shall take into account all of 56348
the following: 56349

(a) Information submitted by the insurer, the insured, the 56350
insured's provider, and the health care facility rendering the 56351

health care service, including the following: 56352

(i) The insured's medical records; 56353

(ii) The standards, criteria, and clinical rationale used by 56354
the insurer to make its decision. 56355

(b) Findings, studies, research, and other relevant documents 56356
of government agencies and nationally recognized organizations, 56357
including the national institutes of health or any board 56358
recognized by the national institutes of health, the national 56359
cancer institute, the national academy of sciences, the United 56360
States food and drug administration, the health care financing 56361
administration of the United States department of health and human 56362
services, and the agency for health care policy and research; 56363

(c) Relevant findings in peer-reviewed medical or scientific 56364
literature, published opinions of nationally recognized medical 56365
experts, and clinical guidelines adopted by relevant national 56366
medical societies. 56367

(9)(a) In the case of an expedited review, the independent 56368
review organization shall issue a written decision not later than 56369
seven days after the filing of the request for review. In all 56370
other cases, the independent review organization shall issue a 56371
written decision not later than thirty days after the filing of 56372
the request. The independent review organization shall send a copy 56373
of its decision to the insurer and the insured. If the insured's 56374
provider or the health care facility rendering health care 56375
services to the insured requested the review, the independent 56376
review organization shall also send a copy of its decision to the 56377
insured's provider or the health care facility. 56378

(b) The independent review organization's decision shall 56379
include a description of the insured's condition and the principal 56380
reasons for the decision and an explanation of the clinical 56381
rationale for the decision. 56382

(E) The independent review organization shall base its decision on the information submitted under division (D)(8) of this section. In making its decision, the independent review organization shall consider safety, efficacy, appropriateness, and cost-effectiveness.

(F) The insurer shall provide any coverage determined by the independent review organization's decision to be medically necessary, subject to the other terms, limitations, and conditions of the insured's policy or certificate.

Sec. 3923.68. (A) Each insurer shall establish a reasonable external, independent review process to examine the insurer's coverage decisions for insureds who meet all of the following criteria:

(1) The insured has a terminal condition that, according to the current diagnosis of the insured's physician, has a high probability of causing death within two years.

~~(2) The insured requests a review not later than sixty days after receipt by the insured of notice from the superintendent of insurance under section 3923.66 of the Revised Code that making a determination requires resolution of a medical issue.~~

~~(3)~~ The insured's physician certifies that the insured has the condition described in division (A)(1) of this section and any of the following situations are applicable:

(a) Standard therapies have not been effective in improving the condition of the insured.

(b) Standard therapies are not medically appropriate for the insured.

(c) There is no standard therapy covered by the insurer that is more beneficial than therapy described in division (A)~~(4)~~(3) of this section.

~~(4)~~(3) The insured's physician has recommended a drug, 56413
device, procedure, or other therapy that the physician certifies, 56414
in writing, is likely to be more beneficial to the insured, in the 56415
physician's opinion, than standard therapies, or the insured has 56416
requested a therapy that has been found in a preponderance of 56417
peer-reviewed published studies to be associated with effective 56418
clinical outcomes for the same condition. 56419

~~(5)~~(4) The insured has been denied coverage by the insurer 56420
for a drug, device, procedure, or other therapy recommended or 56421
requested pursuant to division (A)~~(4)~~(3) of this section, and has 56422
exhausted the insurer's internal review process. 56423

~~(6)~~(5) The drug, device, procedure, or other therapy, for 56424
which coverage has been denied, would be a covered health care 56425
service except for the insurer's determination that the drug, 56426
device, procedure, or other therapy is experimental or 56427
investigational. 56428

(B) A review shall be requested in writing, except that if 56429
the insured's physician determines that a therapy would be 56430
significantly less effective if not promptly initiated, the review 56431
may be requested orally or by electronic means. When an oral or 56432
electronic request for review is made, written confirmation of the 56433
request shall be submitted to the insurer not later than five days 56434
after the oral or written request is submitted. 56435

(C) The external, independent review process established by 56436
an insurer shall meet all of the following criteria: 56437

(1) Except as provided in division (E) of this section, the 56438
process shall afford all insureds who meet the criteria set forth 56439
in division (A) of this section the opportunity to have the 56440
insurer's decision to deny coverage of the recommended or 56441
requested therapy reviewed under the process. Each eligible 56442
insured shall be notified of that opportunity within thirty 56443

business days after the insurer denies coverage. 56444

(2) The review shall be conducted by an independent review 56445
organization assigned by the superintendent of insurance under 56446
section 3901.80 of the Revised Code. 56447

The independent review organization shall select a panel to 56448
conduct the review, which panel shall be composed of at least 56449
three physicians or other providers who, through clinical 56450
experience in the past three years, are experts in the treatment 56451
of the insured's medical condition and knowledgeable about the 56452
recommended or requested therapy. 56453

In either of the following circumstances, an exception may be 56454
made to the requirement that the review be conducted by an expert 56455
panel composed of a minimum of three physicians or other 56456
providers: 56457

(a) A review may be conducted by an expert panel composed of 56458
only two physicians or other providers if an insured has consented 56459
in writing to a review by the smaller panel. 56460

(b) A review may be conducted by a single expert physician or 56461
other provider if only the expert physician or other provider is 56462
available for the review. 56463

(3) Neither the insurer nor the insured shall choose, or 56464
control the choice of, the physician or other provider experts. 56465

(4) The selected experts, any health care facility with which 56466
an expert is affiliated, and the independent review organization 56467
arranging for the experts' review shall not have any professional, 56468
familial, or financial affiliation with any of the following: 56469

(a) The insurer or any officer, director, or managerial 56470
employee of the insurer; 56471

(b) The insured, the insured's physician, ~~of~~ or the practice 56472
group of the insured's physician; 56473

(c) The health care facility at which the recommended or 56474
requested therapy would be provided; 56475

(d) The development or manufacture of the principal drug, 56476
device, procedure, or therapy involved in the recommended or 56477
requested therapy. 56478

However, experts affiliated with academic medical centers who 56479
provide health care services to insureds of the insurer may serve 56480
as experts on the review panel. Further, experts with staff 56481
privileges at a health care facility that provides health care 56482
services to insureds of the insurer, as well as experts who have a 56483
contractual relationship with the insurer, but who were not 56484
involved with the insurer's denial of coverage for the therapy 56485
under review, may serve as experts on the review panel. These 56486
nonaffiliation provisions do not preclude an insurer from paying 56487
for the experts' review, as specified in division (C)(5) of this 56488
section. 56489

(5) Insureds shall not be required to pay for any part of the 56490
cost of the review. The cost of the review shall be borne by the 56491
insurer. 56492

(6) The insurer shall provide to the independent review 56493
organization arranging for the experts' review a copy of those 56494
records in the insurer's possession that are relevant to the 56495
insured's medical condition and the review. The records shall be 56496
disclosed solely to the expert reviewers and shall be used solely 56497
for the purpose of this section. At the request of the expert 56498
reviewers, the insurer or the physician requesting the therapy 56499
shall provide any additional information that the expert reviewers 56500
request to complete the review. An expert reviewer is not required 56501
to render an opinion if the reviewer has not received any 56502
requested information that the reviewer considers necessary to 56503
complete the review. 56504

(7)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the insurer and the insured. If the insured's provider or the health care facility rendering health care services to the insured requested the review, the independent review organization shall also send a copy of its decision to the insured's provider or the health care facility.

(b) In conducting the review, the experts on the panel shall take into account all of the following:

(i) Information submitted by the insurer, the insured, and the insured's physician, including the insured's medical records and the standards, criteria, and clinical rationale used by the insurer to reach its coverage decision;

(ii) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations;

(iii) Relevant findings in peer-reviewed medical or scientific literature and published opinions of nationally recognized medical experts;

(iv) Clinical guidelines adopted by relevant national medical societies;

(v) Safety, efficacy, appropriateness, and cost effectiveness.

(8) Each expert on the panel shall provide the independent review organization with a professional opinion as to whether there is sufficient evidence to demonstrate that the recommended or requested therapy is likely to be more beneficial to the

insured than standard therapies. 56536

(9) Each expert's opinion shall be presented in written form 56537
and shall include the following information: 56538

(a) A description of the insured's condition; 56539

(b) A description of the indicators relevant to determining 56540
whether there is sufficient evidence to demonstrate that the 56541
recommended or requested therapy is more likely than not to be 56542
more beneficial to the insured than standard therapies; 56543

(c) A description and analysis of any relevant findings 56544
published in peer-reviewed medical or scientific literature or the 56545
published opinions of medical experts or specialty societies; 56546

(d) A description of the insured's suitability to receive the 56547
recommended or requested therapy according to a treatment protocol 56548
in a clinical trial, if applicable. 56549

(10) The independent review organization shall provide the 56550
insurer with the opinions of the experts. The insurer shall make 56551
the experts' opinions available to the insured and the insured's 56552
physician, upon request. 56553

(11) The opinion of the majority of the experts on the panel, 56554
rendered pursuant to division (C)(8) of this section, is binding 56555
on the insurer with respect to that insured. If the opinions of 56556
the experts on the panel are evenly divided as to whether the 56557
therapy should be covered, the insurer's final decision shall be 56558
in favor of coverage. If less than a majority of the experts on 56559
the panel recommend coverage of the therapy, the insurer may, in 56560
its discretion, cover the therapy. However, any coverage provided 56561
pursuant to division (C)(11) of this section is subject to the 56562
terms, limitations, and conditions of the insured's policy or 56563
certificate with the insurer. 56564

(12) The insurer shall have written policies describing the 56565

external, independent review process. 56566

(D) If an insurer's initial denial of coverage for a therapy 56567
recommended or requested pursuant to division (A)~~(3)~~(2) of this 56568
section is based upon an external, independent review of that 56569
therapy meeting the requirements of division (C) of this section, 56570
this section shall not be a basis for requiring a second external, 56571
independent review of the recommended or requested therapy. 56572

(E) At any time during the external, independent review 56573
process, the insurer may elect to cover the recommended or 56574
requested health care service and terminate the review. The 56575
insurer shall notify the insured and all other parties involved by 56576
mail or, with consent or approval of the insured, by electronic 56577
means. 56578

(F) The insurer shall annually file a certificate with the 56579
superintendent of insurance certifying its compliance with the 56580
requirements of this section. 56581

Sec. 3923.75. (A) As used in sections 3923.75 to 3923.79 of 56582
the Revised Code: 56583

(1) "Clinical peer" and "physician" have the same meanings as 56584
in section 1751.77 of the Revised Code. 56585

(2) "Authorized person" means a parent, guardian, or other 56586
person authorized to act on behalf of a plan member with respect 56587
to health care decisions. 56588

(B) Sections 3923.75 to 3923.79 of the Revised Code do not 56589
apply to any public employee benefit plan covering only accident, 56590
credit, dental, disability income, long-term care, hospital 56591
indemnity, medicare supplement, medicare, tricare, specified 56592
disease, or vision care; coverage issued as a supplement to 56593
liability insurance; insurance arising out of workers' 56594
compensation or similar law; automobile medical payment insurance; 56595

or insurance under which benefits are payable with or without 56596
regard to fault and which is statutorily required to be contained 56597
in any liability insurance policy or equivalent self-insurance. 56598

(C) The superintendent of insurance shall establish and 56599
maintain a system for receiving and reviewing requests for review 56600
from plan members who have been denied coverage of a health care 56601
service on the grounds that the service is not a service covered 56602
under the terms of the public employee benefit plan. 56603

On receipt of a written request from a plan member or 56604
authorized person, the superintendent shall consider whether the 56605
health care service is a service covered under the terms of the 56606
plan, except that the superintendent shall not conduct a review 56607
under this section unless the plan member has exhausted the plan's 56608
internal review process. The plan and the plan member or 56609
authorized person shall provide the superintendent with any 56610
information required by the superintendent that is in their 56611
possession and is germane to the review. 56612

Unless the superintendent is not able to do so because making 56613
the determination requires resolution of a medical issue, the 56614
superintendent shall determine whether the health care service at 56615
issue is a service covered under the terms of the plan. The 56616
superintendent shall notify the plan member, or authorized person, 56617
and the plan of its determination or that it is not able to make a 56618
determination because the determination requires the resolution of 56619
a medical issue. 56620

If the superintendent notifies the plan that making the 56621
determination requires the resolution of a medical issue, the plan 56622
shall ~~afford the plan member~~ initiate an ~~opportunity for~~ external 56623
review under section 3923.76 or 3923.77 of the Revised Code. If 56624
the superintendent notifies the plan that the health care service 56625
is not a covered service, the plan is not required to cover the 56626
service or afford the plan member an external review. 56627

Sec. 3923.76. (A) Except as provided in divisions (B) and (C) 56628
of this section, a public employee benefit plan shall afford a 56629
plan member an opportunity for an external review of a coverage 56630
denial when requested by the plan member or authorized person, if 56631
both of the following are the case: 56632

(1) The plan has denied, reduced, or terminated coverage for 56633
what would be a covered health care service except that the plan 56634
has determined that the health care service is not medically 56635
necessary. 56636

(2) Except in the case of expedited review, the proposed 56637
service, plus any ancillary services and follow-up care, will cost 56638
the plan member more than five hundred dollars if the proposed 56639
service is not covered by the plan. 56640

External review shall be conducted in accordance with this 56641
section, except that if a plan member with a terminal condition 56642
meets all of the criteria of division (A) of section 3923.77 of 56643
the Revised Code, an external review shall be conducted under that 56644
section. 56645

(B) A plan member need not be afforded a review under this 56646
section in any of the following circumstances: 56647

(1) The superintendent of insurance has determined under 56648
section 3923.75 of the Revised Code that the health care service 56649
is not a service covered under the terms of the plan. 56650

(2) The plan member has failed to exhaust the plan's internal 56651
review process. 56652

(3) The plan member has previously been afforded an external 56653
review for the same denial of coverage, and no new clinical 56654
information has been submitted to the plan. 56655

~~(C)(1) A plan may deny a request for an external review if it 56656
is requested later than sixty days after receipt by the plan 56657~~

~~member of notice from the superintendent of insurance under~~ 56658
~~section 3923.75 of the Revised Code that making the determination~~ 56659
~~requires the resolution of a medical issue.~~ An external review may 56660
be requested by the plan member, an authorized person, the plan 56661
member's provider, or a health care facility rendering health care 56662
service to the plan member. The plan member may request a review 56663
without the approval of the provider or the health care facility 56664
rendering the health care service. The provider or health care 56665
facility may not request a review without the prior consent of the 56666
plan member. 56667

(2) An external review must be requested in writing, except 56668
that if the plan member has a condition that requires expedited 56669
review, the review may be requested orally or by electronic means. 56670
When an oral or electronic request for review is made, written 56671
confirmation of the request must be submitted to the plan not 56672
later than five days after the request is made. 56673

Except in the case of an expedited review, a request for an 56674
external review must be accompanied by written certification from 56675
the plan member's provider or the health care facility rendering 56676
the health care service to the plan member that the proposed 56677
service, plus any ancillary services and follow-up care, will cost 56678
the plan member more than five hundred dollars if the proposed 56679
service is not covered by the plan. 56680

(3) For an expedited review, the plan member's provider must 56681
certify that the plan member's condition could, in the absence of 56682
immediate medical attention, result in any of the following: 56683

(a) Placing the health of the plan member or, with respect to 56684
a pregnant woman, the health of the plan member or the unborn 56685
child, in serious jeopardy; 56686

(b) Serious impairment to bodily functions; 56687

(c) Serious dysfunction of any bodily organ or part. 56688

(D) The procedures used in conducting an external review shall include all of the following:	56689 56690
(1) The review shall be conducted by an independent review organization assigned by the superintendent of insurance under section 3901.80 of the Revised Code.	56691 56692 56693
(2) Except as provided in divisions (D)(3) and (4) of this section, neither the clinical peer nor any health care facility with which the clinical peer is affiliated shall have any professional, familial, or financial affiliation with any of the following:	56694 56695 56696 56697 56698
(a) The plan or any officer, director, or managerial employee of the plan;	56699 56700
(b) The plan member, the plan member's provider, or the practice group of the plan member's provider;	56701 56702
(c) The health care facility at which the health care service requested by the plan member would be provided+;	56703 56704
(d) The development or manufacture of the principal drug, device, procedure, or therapy proposed for the plan member.	56705 56706
(3) Division (D)(2) of this section does not prohibit a clinical peer from conducting a review under any of the following circumstances:	56707 56708 56709
(a) The clinical peer is affiliated with an academic medical center that provides health care services to members of the plan.	56710 56711
(b) The clinical peer has staff privileges at a health care facility that provides health care services to members of the plan.	56712 56713 56714
(c) The clinical peer has a contractual relationship with the plan but was not involved with the plan's coverage decision.	56715 56716
(4) Division (D)(2) of this section does not prohibit the plan from paying the independent review organization for the	56717 56718

conduct of the review. 56719

(5) A plan member shall not be required to pay for any part 56720
of the cost of the review. The cost of the review shall be borne 56721
by the plan. 56722

(6)(a) The plan shall provide to the independent review 56723
organization conducting the review a copy of those records in its 56724
possession that are relevant to the plan member's medical 56725
condition and the review. 56726

Records shall be used solely for the purpose of this 56727
division. At the request of the independent review organization, 56728
the plan, plan member, provider, or health care facility rendering 56729
health care services to the plan member shall provide any 56730
additional information the independent review organization 56731
requests to complete the review. A request for additional 56732
information may be made in writing, orally, or by electronic 56733
means. The independent review organization shall submit the 56734
request to the plan member and the plan. If a request is submitted 56735
orally or by electronic means to a plan member or plan, not later 56736
than five days after the request is submitted, the independent 56737
review organization shall provide written confirmation of the 56738
request. If the review was initiated by a provider or health care 56739
facility, a copy of the request shall be submitted to the provider 56740
or health care facility. 56741

(b) An independent review organization is not required to 56742
make a decision if it has not received any requested information 56743
that it considers necessary to complete a review. An independent 56744
review organization that does not make a decision for this reason 56745
shall notify the plan member and the plan that a decision is not 56746
being made. The notice may be made in writing, orally, or by 56747
electronic means. An oral or electronic notice shall be confirmed 56748
in writing not later than five days after the oral or electronic 56749
notice is made. If the review was initiated by a provider or 56750

health care facility, a copy of the notice shall be submitted to 56751
the provider or health care facility. 56752

(7) The plan may elect to cover the service requested and 56753
terminate the review. The plan shall notify the plan member and 56754
all other parties involved with the decision by mail, or with the 56755
consent or approval of the plan member, by electronic means. 56756

(8) In making its decision, an independent review 56757
organization conducting the review shall take into account all of 56758
the following: 56759

(a) Information submitted by the plan, the plan member, the 56760
plan member's provider, and the health care facility rendering the 56761
health care service, including the following: 56762

(i) The plan member's medical records; 56763

(ii) The standards, criteria, and clinical rationale used by 56764
the plan to make its decision. 56765

(b) Findings, studies, research, and other relevant documents 56766
of government agencies and nationally recognized organizations, 56767
including the national institutes of health or any board 56768
recognized by the national institutes of health, the national 56769
cancer institute, the national academy of sciences, the United 56770
States food and drug administration, the health care financing 56771
administration of the United States department of health and human 56772
services, and the agency for health care policy and research; 56773

(c) Relevant findings in peer-reviewed medical or scientific 56774
literature, published opinions of nationally recognized medical 56775
experts, and clinical guidelines adopted by relevant national 56776
medical societies. 56777

(9)(a) In the case of an expedited review, the independent 56778
review organization shall issue a written decision not later than 56779
seven days after the filing of the request for review. In all 56780

other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the plan and the plan member. If the plan member's provider or the health care facility rendering health care services to the plan member requested the review, the independent review organization shall also send a copy of its decision to the plan member's provider or the health care facility.

(b) The independent review organization's decision shall include a description of the plan member's condition and the principal reasons for the decision and an explanation of the clinical rationale for the decision.

(E) The independent review organization shall base its decision on the information submitted under division (D)(8) of this section. In making its decision, the independent review organization shall consider safety, efficacy, appropriateness, and cost-effectiveness.

(F) The plan shall provide any coverage determined by the independent review organization's decision to be medically necessary, subject to the other terms, limitations, and conditions of the plan.

Sec. 3923.77. (A) Each public employee benefit plan shall establish a reasonable external review process to examine the plan's coverage decisions for plan members who meet all of the following criteria:

(1) The plan member has a terminal condition that, according to the current diagnosis of the plan member's physician, has a high probability of causing death within two years.

~~(2) The plan member requests a review not later than sixty~~

~~days after receipt by the plan member of notice from the~~ 56811
~~superintendent of insurance under section 3923.75 of the Revised~~ 56812
~~Code that making a determination requires resolution of a medical~~ 56813
~~issue.~~ 56814

~~(3)~~ The plan member's physician certifies that the plan 56815
member has the condition described in division (A)(1) of this 56816
section and any of the following situations are applicable: 56817

(a) Standard therapies have not been effective in improving 56818
the condition of the plan member. 56819

(b) Standard therapies are not medically appropriate for the 56820
plan member. 56821

(c) There is no standard therapy covered by the plan that is 56822
more beneficial than therapy described in division (A)~~(4)~~(3) of 56823
this section. 56824

~~(4)~~(3) The plan member's physician has recommended a drug, 56825
device, procedure, or other therapy that the physician certifies, 56826
in writing, is likely to be more beneficial to the plan member, in 56827
the physician's opinion, than standard therapies, or the plan 56828
member has requested a therapy that has been found in a 56829
preponderance of peer-reviewed published studies to be associated 56830
with effective clinical outcomes for the same condition. 56831

~~(5)~~(4) The plan member has been denied coverage by the plan 56832
for a drug, device, procedure, or other therapy recommended or 56833
requested pursuant to division (A)~~(4)~~(3) of this section, and has 56834
exhausted all internal appeals. 56835

~~(6)~~(5) The drug, device, procedure, or other therapy, for 56836
which coverage has been denied, would be a covered health care 56837
service except for the plan's determination that the drug, device, 56838
procedure, or other therapy is experimental or investigational. 56839

(B) A review shall be requested in writing, except that if 56840

the plan member's physician determines that a therapy would be 56841
significantly less effective if not promptly initiated, the review 56842
may be requested orally or by electronic means. When an oral or 56843
electronic request for review is made, written confirmation of the 56844
request shall be submitted to the plan not later than five days 56845
after the oral or written request is submitted. For an expedited 56846
review, the plan member's provider must certify that the requested 56847
or recommended therapy would be significantly less effective if 56848
not promptly initiated. 56849

(C) The external review process established by a plan shall 56850
meet all of the following criteria: 56851

(1) Except as provided in division (E) of this section, the 56852
process shall afford all plan members who meet the criteria set 56853
forth in division (A) of this section the opportunity to have the 56854
plan's decision to deny coverage of the recommended or requested 56855
therapy reviewed under the process. Each eligible plan member 56856
shall be notified of that opportunity within thirty business days 56857
after the plan denies coverage. 56858

(2) The review shall be conducted by an independent review 56859
organization assigned by the superintendent of insurance under 56860
section 3901.80 of the Revised Code. The independent review 56861
organization shall select a panel to conduct the review, which 56862
panel shall be composed of at least three physicians or other 56863
providers who, through clinical experience in the past three 56864
years, are experts in the treatment of the plan member's medical 56865
condition and knowledgeable about the recommended or requested 56866
therapy. If the independent review organization retained by the 56867
plan is an academic medical center, the panel may include experts 56868
affiliated with or employed by the academic medical center. 56869

In either of the following circumstances, an exception may be 56870
made to the requirement that the review be conducted by an expert 56871
panel composed of a minimum of three physicians or other 56872

providers: 56873

(a) A review may be conducted by an expert panel composed of 56874
only two physicians or other providers if a plan member has 56875
consented in writing to a review by the smaller panel. 56876

(b) A review may be conducted by a single expert physician or 56877
other provider if only the expert physician or other provider is 56878
available for the review. 56879

(3) Neither the plan nor the plan member shall choose, or 56880
control the choice of, the physician or other provider experts. 56881

(4) The selected experts, any health care facility with which 56882
an expert is affiliated, and the independent review organization 56883
arranging for the experts' review shall not have any professional, 56884
familial, or financial affiliation with any of the following: 56885

(a) The plan or any officer, director, or managerial employee 56886
of the plan; 56887

(b) The plan member, the plan member's physician, or the 56888
practice group of the plan member's physician; 56889

(c) The health care facility at which the recommended or 56890
requested therapy would be provided; 56891

(d) The development or manufacture of the principal drug, 56892
device, procedure, or therapy involved in the recommended or 56893
requested therapy. However, experts affiliated with academic 56894
medical centers who provide health care services to members of the 56895
plan may serve as experts on the review panel. Further, experts 56896
with staff privileges at a health care facility that provides 56897
health care services to members of the plan, as well as experts 56898
who have a contractual relationship with the plan, but who were 56899
not involved with the plan's denial of coverage for the therapy 56900
under review, may serve as experts on the review panel. These 56901
nonaffiliation provisions do not preclude a plan from paying for 56902

the experts' review, as specified in division (C)(5) of this section. 56903
56904

(5) Plan members shall not be required to pay for any part of the cost of the review. The cost of the review shall be borne by the plan. 56905
56906
56907

(6) The plan shall provide to the independent review organization arranging for the experts' review a copy of those records in the plan's possession that are relevant to the plan member's medical condition and the review. The records shall be disclosed solely to the expert reviewers and shall be used solely for the purpose of this section. At the request of the expert reviewers, the plan or the physician requesting the therapy shall provide any additional information that the expert reviewers request to complete the review. An expert reviewer is not required to render an opinion if the reviewer has not received any requested information that the reviewer considers necessary to complete the review. 56908

(7)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the plan and the plan member. If the plan member's provider or the health care facility rendering health care services to the plan member requested the review, the independent review organization shall also send a copy of its decision to the plan member's provider or the health care facility. 56920

(b) In conducting the review, the experts on the panel shall take into account all of the following: 56932
56933

(i) Information submitted by the plan, the plan member, and the plan member's physician, including the plan member's medical records and the standards, criteria, and clinical rationale used by the plan to reach its coverage decision;	56934 56935 56936 56937
(ii) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations;	56938 56939 56940
(iii) Relevant findings in peer-reviewed medical or scientific literature and published opinions of nationally recognized medical experts;	56941 56942 56943
(iv) Clinical guidelines adopted by relevant national medical societies;	56944 56945
(v) Safety, efficacy, appropriateness, and cost_effectiveness.	56946 56947
(8) Each expert on the panel shall provide the independent review organization with a professional opinion as to whether there is sufficient evidence to demonstrate that the recommended or requested therapy is likely to be more beneficial to the plan member than standard therapies.	56948 56949 56950 56951 56952
(9) Each expert's opinion shall be presented in written form and shall include the following information:	56953 56954
(a) A description of the plan member's condition;	56955
(b) A description of the indicators relevant to determining whether there is sufficient evidence to demonstrate that the recommended or requested therapy is more likely than not to be more beneficial to the plan member than standard therapies;	56956 56957 56958 56959
(c) A description and analysis of any relevant findings published in peer-reviewed medical or scientific literature or the published opinions of medical experts or specialty societies;	56960 56961 56962
(d) A description of the plan member's suitability to receive	56963

the recommended or requested therapy according to a treatment 56964
protocol in a clinical trial, if applicable. 56965

(10) The independent review organization shall provide the 56966
plan with the opinions of the experts. The plan shall make the 56967
experts' opinions available to the plan member and the plan 56968
member's physician, upon request. 56969

(11) The opinion of the majority of the experts on the panel, 56970
rendered pursuant to division (C)(8) of this section, is binding 56971
on the plan with respect to that plan member. If the opinions of 56972
the experts on the panel are evenly divided as to whether the 56973
therapy should be covered, the plan's final decision shall be in 56974
favor of coverage. If less than a majority of the experts on the 56975
panel recommend coverage of the therapy, the plan may, in its 56976
discretion, cover the therapy. However, any coverage provided 56977
pursuant to division (C)(11) of this section is subject to the 56978
terms, limitations, and conditions of the plan. 56979

(12) The plan shall have written policies describing the 56980
external review process. 56981

(D) If a plan's initial denial of coverage for a therapy 56982
recommended or requested pursuant to division (A)~~(3)~~(2) of this 56983
section is based upon an external review of that therapy meeting 56984
the requirements of division (C) of this section, this section 56985
shall not be a basis for requiring a second external review of the 56986
recommended or requested therapy. 56987

(E) At any time during the external review process, the plan 56988
may elect to cover the recommended or requested health care 56989
service and terminate the review. The plan shall notify the plan 56990
member and all other parties involved by mail or, with consent or 56991
approval of the plan member, by electronic means. 56992

(F) The plan shall annually file a certificate with the 56993
superintendent of insurance certifying its compliance with the 56994

requirements of this section. 56995

Sec. 3929.43. (A) The Ohio fair plan underwriting association 57380
is hereby created consisting of all insurers authorized to write 57381
within this state, on a direct basis, basic property insurance or 57382
any component thereof in multi-peril policies, to assist 57383
applicants in urban areas to secure basic property insurance or 57384
homeowners insurance, and to formulate and administer a program 57385
for the equitable apportionment of basic property insurance or 57386
homeowners insurance which cannot be obtained in the normal 57387
market. Every such insurer shall be a member of the association 57388

and shall remain a member as a condition of its authority to write 57389
any of such insurance in this state. 57390

(B) The association, pursuant to sections 3929.41 to 3929.49 57391
of the Revised Code, and the plan of operation, with respect to 57392
basic property insurance or homeowners insurance, may assume and 57393
cede reinsurance on insurable risks written by its members. 57394

(C) The board of governors of the association shall submit to 57395
the superintendent of insurance, for ~~his~~ approval, a proposed plan 57396
of operation which shall provide for economical, fair, and 57397

homeowners insurance which may be afforded in urban areas to 57400
applicants whose property is insurable in accordance with 57401
reasonable underwriting standards, but who are unable to procure 57402
such insurance through normal channels. The association is under 57403
no obligation to issue basic property insurance or homeowners 57404
insurance to any person, unless that person and ~~his~~ that person's 57405
property would be insurable in the normal insurance market, and 57406
such property, except for its location, would constitute an 57407
insurable risk in accordance with reasonable underwriting 57408
standards. The plan of operation shall provide that the 57409
association, in determining whether the property is insurable, 57410
shall give no consideration to the condition of surrounding 57411
property or properties, where such condition is not within the 57412
control of the applicant. Rates for basic property insurance and 57413
homeowners insurance shall ~~not exceed those rates filed with~~ be 57414
subject to the approval of the superintendent ~~by the major rating~~ 57415
~~organization in this state, except that in the case of homeowners~~ 57416
~~insurance the association may file deviations to the rating plan~~ 57417
~~previously filed by such rating organization, and such deviations~~ 57418
~~shall be subject to the approval of the superintendent in the same~~ 57419
~~manner as other deviations under Chapter 3935. of the Revised~~ 57420

Code. The plan of operation may also provide for assessment of 57421
all members in amounts sufficient to operate the association, 57422
maximum limits of liability per location to be placed through the 57423
program, reasonable underwriting standards for determining 57424
insurability of a risk, and the commission to be paid to the 57425
licensed producer designated by the applicant. The superintendent 57426
shall adopt such plan and all amendments thereto pursuant to 57427
Chapter 119. of the Revised Code. 57428

If the superintendent disapproves the proposed plan of 57429
operation, the board of governors shall, within fifteen days, 57430
submit for approval an appropriately revised plan of operation and 57431
if the board of governors fails to do so, or if the revised plan 57432
submitted is unacceptable, the superintendent shall promulgate a 57433
plan of operation. 57434

If amendment of the plan of operation is requested by the 57435
superintendent or the board of governors, the board of governors 57436
shall submit to the superintendent, for ~~his~~ approval, such 57437
amendments. If such amendments are not approved by the 57438
superintendent, the board of governors shall, within fifteen days, 57439
submit for approval an appropriately revised amendment. If the 57440
board of governors fails to do so, or if the amendment is not 57441
approved by the superintendent, the superintendent shall 57442
promulgate such amendment as ~~he~~ the superintendent finds 57443

(D)(1) The plan of operation may provide for periodic advance 57445

necessary to cover any deficit or projected deficit arising out of 57447
the operation of the association. Any provision in the plan for 57448
implementation of such advance assessments shall be approved by 57449
the superintendent. Any such provision in the plan shall also 57450
provide for quarterly or other periodic installment payment of 57451
such assessments. 57452

(2) Such plan shall provide a method whereby member insurers may recoup assessments levied by the association. In order to recoup such assessments the plan may also provide for the calculation and use of rates or rating factors to be applied to direct premiums for basic property insurance and homeowners insurance located in this state. Such a provision is subject to the approval of the superintendent. Member insurers of the association implementing a change in rates pursuant to this section shall file such changes with the superintendent. Such changes shall not increase rates more than the amount authorized by the association and approved by the superintendent pursuant to the plan. The association may consult with member insurers or licensed rating bureaus in connection with the establishment and operation of any such provision.

(E) Any insurer which is a member of the association shall participate in the writings, expenses, profits, and losses of the association in the proportion that its premiums written bear to the aggregate premiums written by all members of the association, except that this division shall not be construed to preclude the board of governors from taking action to adjust assessments in accordance with a program adopted pursuant to division (I) of this section.

(F) Such plan shall require the issuance of a binder providing coverage for which the applicant tenders an amount equal to the annual premium as estimated by the association, ~~such or an~~ appropriate percentage of that annual premium as determined by the association. The binder taking shall take effect fifteen days following the date of the day after the association receives the application, provided that the application meets the underwriting standards of the association, for such term, and under such conditions as are determined by the superintendent ~~of insurance~~. The superintendent may alter such time requirement on a specific

risk under such conditions as ~~he~~ the superintendent finds 57485
appropriate. 57486

(G) The association shall be governed by a board of governors 57487
consisting of twelve members, four of whom shall be appointed by 57488
the governor with the advice and consent of the senate. One of 57489
such members shall be a licensed agent writing basic property 57490
insurance for more than one insurer. None of the other three such 57491
members shall be a director, officer, salaried employee, agent, or 57492
substantial shareholder of any insurance company and not more than 57493
two of these three members shall be members of the same political 57494
party. Terms of office of members appointed by the governor shall 57495
be for two years, commencing on the nineteenth day of September 57496
and ending on the eighteenth day of September. Each member shall 57497
hold office from the date of ~~his~~ appointment until the end of the 57498
term for which ~~he~~ the member was appointed. Any member appointed 57499
to fill a vacancy occurring prior to the expiration of the term 57500
for which ~~his~~ the member's predecessor was appointed shall hold 57501
office for the remainder of such term. Any appointed member shall 57502
continue in office subsequent to the expiration date of ~~his~~ the 57503
member's term until ~~his~~ the member's successor takes office, or 57504
until a period of sixty days has elapsed, whichever occurs first. 57505
The remaining eight members shall be representatives from member 57506
companies, at least five of whom shall be Ohio domiciled members, 57507
elected annually by accumulated voting by members of the 57508
association whose votes shall be weighed in accordance with each 57509
member's premiums written during the second preceding calendar 57510
year. Not more than one insurer in a group under the same 57511
management or ownership shall serve on the board of governors at 57512
the same time. The eight representatives of member companies shall 57513
be elected at a meeting of the members or their authorized 57514
representatives, which shall be held at a time and place 57515
designated by the superintendent. 57516

(H) The plan shall be administered under the supervision of 57517
the superintendent. 57518

(I) The board of governors shall adopt a written program for 57519
decreasing the overall utilization of the association as a source 57520
of insurance. The program shall set forth actions that the board 57521
shall take to decrease such utilization, including actions 57522
intended to reduce the number of policies issued, the number of 57523
persons whose properties are insured, and the total amount and 57524
kinds of insurance written by the association, provided this 57525
division does not authorize the board to take action intended to 57526
decrease utilization of the association as a source of insurance 57527
if such action would substantially conflict with the purposes set 57528
forth in divisions (A), (B), and (D) of section 3929.41 of the 57529
Revised Code or the plan of operation of the association. 57530

boiler shall be kept on the premises and shall be accessible at 58072
all times. 58073

(C) If an inspector at any inspection finds that the boiler 58074

effective until the nonconformities are eliminated, corrected, or 58093
otherwise remedied, or for a period of seventy-two hours from the 58094
time of issuance, whichever occurs first. During the 58095
seventy-two-hour period, the superintendent may request that the 58096
prosecuting attorney or city attorney of Franklin county or of the 58097
county in which the pressure vessel or boiler is located obtain an 58098
injunction restraining the operator or owner of the pressure 58099

seventy-two-hour period expires until the nonconformities are 58101
eliminated, corrected, or otherwise remedied. 58102

disagrees with the inspector as to the necessity for shutting down 58109
a pressure vessel or boiler or for making repairs or alterations 58110
in it, or taking any other measures for safety that are requested 58111
by an inspector, the owner or user may appeal from the decision of 58112
the inspector to the superintendent, who may, after such other 58113
inspection by a general inspector or special inspector as the 58114
superintendent deems necessary, decide the issue. 58115

No one may vote in an election by ~~mail or~~ proxy. The board may also certify an employee organization as an exclusive representative if it determines that a free and untrammelled election cannot be conducted because of the employer's unfair labor practices and that at one time the employee organization had the support of the majority of the employees in the unit.

(B) Only the names of those employee organizations designated by more than ten per cent of the employees in the unit found to be appropriate may be placed on the ballot. Nothing in this section shall be construed to prohibit the waiving of hearings by stipulation, in conformity with the rules of the board, for the purpose of a consent election.

that case, the ballot shall provide for a selection between the 59677
two choices or parties receiving the highest and the second 59678
highest number of ballots cast in the election. 59679

(6) The board may not conduct an election under this section 59680

public employer and an exclusive representative. 59684

Petitions for elections may be filed with the board no sooner 59685
than one hundred twenty days or later than ninety days before the 59686
expiration date of any collective bargaining agreement, or after 59687
the expiration date, until the public employer and exclusive 59688

For the purposes of this section, extensions of agreements do 59690
not affect the expiration date of the original agreement. 59691

Sec. 4117.12. (A) Whoever violates section 4117.11 of the 59692
Revised Code is guilty of an unfair labor practice remediable by 59693
the state employment relations board as specified in this section. 59694

(B) When anyone files a charge with the board alleging that 59695
an unfair labor practice has been committed, the board or its 59696
designated agent shall investigate the charge. If the board has 59697
probable cause for believing that a violation has occurred, the 59698
board shall issue a complaint and shall conduct a hearing 59699
concerning the charge. The board shall cause the complaint to be 59700
served upon the charged party which shall contain a notice of the 59701

time at which the hearing on the complaint will be held either 59702
before the board, a board member, or ~~a hearing officer~~ an 59703
administrative law judge. The board may not issue a notice of 59704
hearing based upon any unfair labor practice occurring more than 59705
ninety days prior to the filing of the charge with the board, 59706
unless the person aggrieved thereby is prevented from filing the 59707
charge by reason of service in the armed forces, in which event 59708
the ninety-day period shall be computed from the day of ~~his~~ the 59709
person's discharge. If the board dismisses a complaint as 59710
frivolous, it shall assess costs to the complainant pursuant to 59711
its standards governing such matters, and for that purpose, the 59712
board shall adopt a rule defining the standards by which the board 59713
will declare a complaint to be frivolous and the costs that will 59714

shall within ten days from receipt of the complaint or amendment 59721
to the complaint, file an answer to the complaint or amendment to 59722
the complaint. The charged party may file an answer to an original 59723
or amended complaint. The agents of the board and the person 59724
charged are parties and may appear or otherwise give evidence at 59725
the hearing. At the discretion of the board, board member, or 59726
~~hearing officer~~ administrative law judge, any interested party may 59727
intervene and present evidence at the hearing. The board, board 59728
member, or ~~hearing officer~~ administrative law judge is not bound 59729
by the rules of evidence prevailing in the courts. 59730

(2) A board member or ~~hearing officer~~ administrative law 59731
judge who conducts the hearing shall reduce the evidence taken to 59732
writing and file it with the board. The board member or the 59733

~~hearing officer~~ administrative law judge may thereafter take 59734
further evidence or hear further argument if notice is given to 59735
all interested parties. The ~~hearing officer~~ administrative law 59736
judge or board member shall issue to the parties a proposed 59737
decision, together with a recommended order and file it with the 59738
board. If the parties file no exceptions within twenty days after 59739
service thereof, the recommended order becomes the order of the 59740
board effective as therein prescribed. If the parties file 59741
exceptions to the proposed report, the board shall determine 59742
whether substantial issues have been raised. The board may rescind 59743
or modify the proposed order of the board member or ~~hearing~~ 59744
~~officer~~ administrative law judge; however, if the board determines 59745
that the exceptions do not raise substantial issues of fact or 59746
law, it may refuse to grant review, and the recommended order 59747
becomes effective as therein prescribed. 59748

(3) If upon the preponderance of the evidence taken, the 59749
board believes that any person named in the complaint has engaged 59750
in any unfair labor practice, the board shall state its findings 59751
of fact and issue and cause to be served on the person an order 59752
requiring that ~~he~~ the person cease and desist from these unfair 59753
labor practices, and take such affirmative action, including 59754
reinstatement of employees with or without back pay, as will 59755
effectuate the policies of Chapter 4117. of the Revised Code. If 59756
upon a preponderance of the evidence taken, the board believes 59757
that the person named in the complaint has not engaged in an 59758
unfair labor practice it shall state its findings of fact and 59759
issue an order dismissing the complaint. 59760

(4) The board may order the public employer to reinstate the 59761
public employee and further may order either the public employer 59762
or the employee organization, depending on who was responsible for 59763
the discrimination suffered by the public employee, to make such 59764
payment of back pay to the public employee as the board 59765

determines. No order of the board shall require the reinstatement 59766
of any individual as an employee who has been suspended or 59767
discharged, or require the payment to ~~him~~ the employee of any back 59768
pay, if the suspension or discharge was for just cause not related 59769
to rights provided in section 4117.03 of the Revised Code and the 59770
procedure contained in the collective bargaining agreement 59771
governing suspension or discharge was followed. The order of the 59772
board may require the party against whom the order is issued to 59773
make periodic reports showing the extent to which ~~he~~ the party has 59774
complied with the order. 59775

(C) Whenever a complaint alleges that a person has engaged in 59776
an unfair labor practice and that the complainant will suffer 59777
substantial and irreparable injury if not granted temporary 59778
relief, the board may petition the court of common pleas for any 59779
county wherein the alleged unfair labor practice in question 59780
occurs, or wherein any person charged with the commission of any 59781

(3) The parties shall continue in full force and effect all the terms and conditions of any existing collective bargaining agreement, without resort to strike or lock-out, for a period of sixty days after the party gives notice or until the expiration date of the collective bargaining agreement, whichever occurs later, or for a period of ninety days where applicable.

(4) Upon receipt of the notice, the parties shall enter into collective bargaining.

(C) In the event the parties are unable to reach an agreement, they may submit, at any time prior to forty-five days before the expiration date of the collective bargaining agreement, the issues in dispute to any mutually agreed upon dispute settlement procedure which supersedes the procedures contained in this section.

shall select the third member who shall chair the council. If the 59861
two members cannot agree upon a third member within five days 59862
after their appointments, the board shall appoint the third 59863

of the issues submitted to it pursuant to division (G) of this 59865
section. 59866

(f) Any other dispute settlement procedure mutually agreed to 59867
by the parties. 59868

addresses of the parties, the issues involved, and, if applicable, 59873
the expiration date of any agreement. 59874

The board shall intervene and investigate the dispute to 59875

bargaining. 59877

If an impasse exists or forty-five days before the expiration 59878
date of the collective bargaining agreement if one exists, the 59879
board shall appoint a mediator to assist the parties in the 59880
collective bargaining process. 59881

(3) Any time after the appointment of a mediator, either 59882
party may request the appointment of a fact-finding panel. Within 59883
fifteen days after receipt of a request for a fact-finding panel, 59884
the board shall appoint a fact-finding panel of not more than 59885
three members who have been selected by the parties in accordance 59886
with rules established by the board, from a list of qualified 59887
persons maintained by the board. 59888

(a) The fact-finding panel shall, in accordance with rules 59889
and procedures established by the board that include the 59890
regulation of costs and expenses of fact-finding, gather facts and 59891
make recommendations for the resolution of the matter. The board 59892
shall by its rules require each party to specify in writing the 59893
unresolved issues and its position on each issue to the 59894
fact-finding panel. The fact-finding panel shall make final 59895
recommendations as to all the unresolved issues. 59896

(b) The board may continue mediation, order the parties to 59897

hearings which shall be, where feasible, in the jurisdiction of 59902
the state. 59903

(b) The fact-finding panel shall conduct the hearing pursuant 59904
to rules established by the board. 59905

(c) Upon request of the fact-finding panel, the board shall 59906
issue subpoenas for hearings conducted by the panel. 59907

(d) The fact-finding panel may administer oaths. 59908

(e) The board shall prescribe guidelines for the fact-finding 59909
panel to follow in making findings. In making its recommendations, 59910
the fact-finding panel shall take into consideration the factors 59911
listed in divisions (G)(7)(a) to (f) of this section. 59912

(f) The fact-finding panel may attempt mediation at any time 59913
during the fact-finding process. From the time of appointment 59914
until the fact-finding panel makes a final recommendation, it 59915
shall not discuss the recommendations for settlement of the 59916
dispute with parties other than the direct parties to the dispute. 59917

(5) The fact-finding panel, acting by a majority of its 59918

members, shall transmit its findings of fact and recommendations 59919
on the unresolved issues to the public employer and employee 59920
organization involved and to the board no later than fourteen days 59921
after the appointment of the fact-finding panel, unless the 59922
parties mutually agree to an extension. The parties shall share 59923
the cost of the fact-finding panel in a manner agreed to by the 59924
parties. 59925

(6)(a) Not later than seven days after the findings and 59926
recommendations are sent, the legislative body, by a three-fifths 59927
vote of its total membership, and in the case of the public 59928
employee organization, the membership, by a three-fifths vote of 59929
the total membership, may reject the recommendations; if neither 59930
rejects the recommendations, the recommendations shall be deemed 59931
agreed upon as the final resolution of the issues submitted and a 59932
collective bargaining agreement shall be executed between the 59933
parties, including the fact-finding panel's recommendations, 59934
except as otherwise modified by the parties by mutual agreement. 59935
If either the legislative body or the public employee organization 59936
rejects the recommendations, the board shall publicize the 59937
findings of fact and recommendations of the fact-finding panel. 59938
The board shall adopt rules governing the procedures and methods 59939
for public employees to vote on the recommendations of the 59940
fact-finding panel. 59941

(b) As used in division (C)(6)(a) of this section, 59942
"legislative body" means the controlling board when the state or 59943
any of its agencies, authorities, commissions, boards, or other 59944
branch of public employment is party to the fact-finding process. 59945

(D) If the parties are unable to reach agreement within seven 59946
days after the publication of findings and recommendations from 59947
the fact-finding panel or the collective bargaining agreement, if 59948
one exists, has expired, then the: 59949

for the deaf or the state school for the blind, employees of any 59958
public employee retirement system, corrections officers, guards at 59959
penal or mental institutions, special police officers appointed in 59960
accordance with sections 5119.14 and 5123.13 of the Revised Code, 59961
psychiatric attendants employed at mental health forensic 59962
facilities, youth leaders employed at juvenile correctional 59963
facilities, or members of a law enforcement security force that is 59964
established and maintained exclusively by a board of county 59965
commissioners and whose members are employed by that board, shall 59966
submit the matter to a final offer settlement procedure pursuant 59967
to a board order issued forthwith to the parties to settle by a 59968
conciliator selected by the parties. The parties shall request 59969
from the board a list of five qualified conciliators and the 59970
parties shall select a single conciliator from the list by 59971
alternate striking of names. If the parties cannot agree upon a 59972
conciliator within five days after the board order, the board 59973

(D)(1) of this section have the right to strike under Chapter 59979
4117. of the Revised Code provided that the employee organization 59980
representing the employees has given a ten-day prior written 59981
notice of an intent to strike to the public employer and to the 59982
board, and further provided that the strike is for full, 59983

consecutive work days and the beginning date of the strike is at 59984
least ten work days after the ending date of the most recent prior 59985
strike involving the same bargaining unit; however, the board, at 59986
its discretion, may attempt mediation at any time. 59987

(E) Nothing in this section shall be construed to prohibit 59988
the parties, at any time, from voluntarily agreeing to submit any 59989
or all of the issues in dispute to any other alternative dispute 59990
settlement procedure. An agreement or statutory requirement to 59991
arbitrate or to settle a dispute pursuant to a final offer 59992
settlement procedure and the award issued in accordance with the 59993
agreement or statutory requirement is enforceable in the same 59994
manner as specified in division (B) of section 4117.09 of the 59995
Revised Code. 59996

(F) Nothing in this section shall be construed to prohibit a 59997
party from seeking enforcement of a collective bargaining 59998

peculiar to the area and classification involved; 60038

(c) The interests and welfare of the public, the ability of 60039
the public employer to finance and administer the issues proposed, 60040

service; 60042

(d) The lawful authority of the public employer; 60043

(e) The stipulations of the parties; 60044

(f) Such other factors, not confined to those listed in this section, which are normally or traditionally taken into consideration in the determination of the issues submitted to final offer settlement through voluntary collective bargaining, mediation, fact-finding, or other impasse resolution procedures in the public service or in private employment.

The parties may, at any time, amend or modify a conciliator's award or order by mutual agreement.

(12) The parties shall bear equally the cost of the final offer settlement procedure.

Revised Code. If the public employer is located in more than one 60077
court of common pleas district, the court of common pleas in which 60078
the principal office of the chief executive is located has 60079
jurisdiction. 60080

(I) The issuance of a final offer settlement award 60081

public employer may seek an injunction against the strike in the 60106
court of common pleas of the county in which the strike is 60107

registration of the vehicle as required under this division. 60985

(C)(1) Commencing with each registration renewal with an 60986
expiration date on or after October 1, 2003, and for each initial 60987
application for registration received on and after that date, the 60988
registrar and each deputy registrar shall collect an additional 60989
fee of eleven dollars for each application for registration and 60990
registration renewal received. The additional fee is for the 60991
purpose of defraying the department of public safety's costs 60992
associated with the administration and enforcement of the motor 60993
vehicle and traffic laws of Ohio. Each deputy registrar shall 60994
transmit the fees collected under division (C)(1) of this section 60995
in the time and manner provided in this section. The registrar 60996
shall deposit all moneys received under division (C)(1) of this 60997
section into the state highway safety fund established in section 60998
4501.06 of the Revised Code. 60999

(2) In addition, a charge of twenty-five cents shall be made 61000
for each reflectorized safety license plate issued, and a single 61001

charge of twenty-five cents shall be made for each county 61002
identification sticker or each set of county identification 61003
stickers issued, as the case may be, to cover the cost of 61004
producing the license plates and stickers, including material, 61005
manufacturing, and administrative costs. Those fees shall be in 61006
addition to the license tax. If the total cost of producing the 61007
plates is less than twenty-five cents per plate, or if the total 61008
cost of producing the stickers is less than twenty-five cents per 61009
sticker or per set issued, any excess moneys accruing from the 61010
fees shall be distributed in the same manner as provided by 61011
section 4501.04 of the Revised Code for the distribution of 61012
license tax moneys. If the total cost of producing the plates 61013
exceeds twenty-five cents per plate, or if the total cost of 61014
producing the stickers exceeds twenty-five cents per sticker or 61015
per set issued, the difference shall be paid from the license tax 61016
moneys collected pursuant to section 4503.02 of the Revised Code. 61017

dollars and seventy-five cents commencing on July 1, 2001, three 61019
dollars and twenty-five cents commencing on January 1, 2003, and 61020
three dollars and fifty cents commencing on January 1, 2004, for 61021
each application for registration and registration renewal notice 61022
the deputy registrar receives, which shall be for the purpose of 61023
compensating the deputy registrar for the deputy registrar's 61024
services, and such office and rental expenses, as may be necessary 61025
for the proper discharge of the deputy registrar's duties in the 61026
receiving of applications and renewal notices and the issuing of 61027
registrations. 61028

(E) Upon the certification of the registrar, the county 61029
sheriff or local police officials shall recover license plates 61030
erroneously or fraudulently issued. 61031

(F) Each deputy registrar, upon receipt of any application 61032

"state of Ohio, bureau of motor vehicles." Where a local bank or 61041
depository has been designated by the registrar, each deputy 61042
registrar shall deposit all moneys collected by the deputy 61043
registrar into that bank or depository not more than one business 61044

of the amounts so deposited, together with any other information, 61046
some of which may be prescribed by the treasurer of state, as the 61047
registrar may require and as prescribed by the registrar by rule. 61048
The registrar, within three days after receipt of notification of 61049
the deposit of funds by a deputy registrar in a local bank or 61050
depository, shall draw on that account in favor of the treasurer 61051
of state. The registrar, subject to the approval of the director 61052
and the treasurer of state, may make reasonable rules necessary 61053
for the prompt transmittal of fees and for safeguarding the 61054
interests of the state and of counties, townships, municipal 61055
corporations, and transportation improvement districts levying 61056
local motor vehicle license taxes. The registrar may pay service 61057
charges usually collected by banks and depositories for such 61058
service. If deputy registrars are located in communities where 61059
banking facilities are not available, they shall transmit the fees 61060
forthwith, by money order or otherwise, as the registrar, by rule 61061
approved by the director and the treasurer of state, may 61062
prescribe. The registrar may pay the usual and customary fees for 61063
such service. 61064

(G) This section does not prevent any person from making an 61065
application for a motor vehicle license directly to the registrar 61066

by mail, by electronic means, or in person at any of the 61067
registrar's offices, upon payment of a service fee of two dollars 61068

and twenty-five cents commencing on January 1, 2003, and three 61070
dollars and fifty cents commencing on January 1, 2004, for each 61071

registration or preregistration. 61096

(b) Upon request, the registrar shall provide the director of 61097
environmental protection, or any person that has been awarded a 61098

contract under ~~division (D)~~ of section 3704.14 of the Revised Code, an on-line computer data link to registration information for all passenger cars, noncommercial motor vehicles, and commercial cars that are subject to that section. The registrar also shall provide to the director of environmental protection a magnetic data tape containing registration information regarding passenger cars, noncommercial motor vehicles, and commercial cars for which a multi-year registration is in effect under section 4503.103 of the Revised Code or rules adopted under it, including, without limitation, the date of issuance of the multi-year registration, the registration deadline established under rules adopted under section 4503.101 of the Revised Code that was applicable in the year in which the multi-year registration was issued, and the registration deadline for renewal of the multi-year registration.

(J) Application for registration under the international registration plan, as set forth in sections 4503.60 to 4503.66 of the Revised Code, shall be made to the registrar on forms furnished by the registrar. In accordance with international registration plan guidelines and pursuant to rules adopted by the registrar, the forms shall include the following:

(1) A uniform mileage schedule;

(2) The gross vehicle weight of the vehicle or combined gross vehicle weight of the combination vehicle as declared by the registrant;

(3) Any other information the registrar requires by rule.

Sec. 4503.235. (A) If division (G) of section 4511.19 or division (B) of section 4511.193 of the Revised Code requires a court, as part of the sentence of an offender who is convicted of or pleads guilty to a violation of division (A) of section 4511.19 of the Revised Code or as a sanction for an offender who is

convicted of or pleaded guilty to a violation of a municipal OVI ordinance, to order the immobilization of a vehicle for a specified period of time, notwithstanding the requirement, the court in its discretion may determine not to order the immobilization of the vehicle if both of the following apply:

(1) Prior to the issuance of the order of immobilization, a family or household member of the offender files a motion with the court identifying the vehicle and requesting that the immobilization order not be issued on the ground that the family or household member is completely dependent on the vehicle for the necessities of life and that the immobilization of the vehicle would be an undue hardship to the family or household member.

(2) The court determines that the family or household member who files the motion is completely dependent on the vehicle for the necessities of life and that the immobilization of the vehicle would be an undue hardship to the family or household member.

(B) If a court pursuant to division (A) of this section determines not to order the immobilization of a vehicle that otherwise would be required pursuant to division (G) of section 4511.19 or division (B) of section 4511.193 of the Revised Code, the court shall issue an order that waives the immobilization that otherwise would be required pursuant to either of those divisions. The immobilization waiver order shall be in effect for the period of time for which the immobilization of the vehicle otherwise would have been required under division (G) of section 4511.19 or division (B) of section 4511.193 of the Revised Code if the immobilization waiver order had not been issued, subject to division (D) of this section. The immobilization waiver order shall specify the period of time for which it is in effect. The court shall provide a copy of an immobilization waiver order to

the offender and to the family or household member of the offender 61162
who filed the motion requesting that the immobilization order not 61163
be issued and shall place a copy of the immobilization waiver 61164
order in the record in the case. The court shall impose an 61165
immobilization waiver fee in the amount of fifty dollars. The 61166
court shall determine whether the fee is to be paid by the 61167
offender or by the family or household member. The clerk of the 61168
court shall transmit all of the fees collected during a month on 61169
or before the twenty-third day of the following month to the state 61170
treasury to be credited to the local indigent drivers alcohol 61171
treatment fund⁷, created by the local alcohol and drug addiction 61172
services board or the local board of alcohol, drug addiction, and 61173
mental health services under division ~~(F)~~(H) of section 4511.191 61174
of the Revised Code. 61175

(C) If a court pursuant to division (B) of this section 61176
issues an immobilization waiver order, the order shall identify 61177
the family or household member who requested the order and the 61178
vehicle to which the order applies, shall identify the family or 61179
household members who are permitted to operate the vehicle, and 61180
shall identify the offender and specify that the offender is not 61181
permitted to operate the vehicle. The immobilization waiver order 61182
shall require that the family or household member display on the 61183
vehicle to which the order applies restricted license plates that 61184
are issued under section 4503.231 of the Revised Code for the 61185
entire period for which the immobilization of the vehicle 61186
otherwise would have been required under division (G) of section 61187
4511.19 or division (B) of section 4511.193 of the Revised Code if 61188
the immobilization waiver order had not been issued. 61189

(D) A family or household member who is permitted to operate 61190
a vehicle under an immobilization waiver order issued under this 61191
section shall not permit the offender to operate the vehicle. If a 61192
family or household member who is permitted to operate a vehicle 61193

under an immobilization waiver order issued under this section 61194
permits the offender to operate the vehicle, both of the following 61195
apply: 61196

(1) The court that issued the immobilization waiver order 61197
shall terminate that order and shall issue an immobilization order 61198
in accordance with section 4503.233 of the Revised Code that 61199
applies to the vehicle, and the immobilization order shall be in 61200
effect for the remaining period of time for which the 61201
immobilization of the vehicle otherwise would have been required 61202
under division (G) of section 4511.19 or division (B) of section 61203
4511.193 of the Revised Code if the immobilization waiver order 61204
had not been issued. 61205

(2) The conduct of the family or household member in 61206
permitting the offender to operate the vehicle is a violation of 61207
section 4511.203 of the Revised Code. 61208

(E) No offender shall operate a motor vehicle subject to an 61209
immobilization waiver order. Whoever violates this division is 61210
guilty of operating a motor vehicle in violation of an 61211
immobilization waiver, a misdemeanor of the first degree. 61212

(F) "Family or household member" has the same meaning as in 61213
section 2919.25 of the Revised Code, except that the person must 61214
be currently residing with the offender. 61215

Sec. 4505.06. (A)(1) Application for a certificate of title 61216
shall be made in a form prescribed by the registrar of motor 61217
vehicles and shall be sworn to before a notary public or other 61218
officer empowered to administer oaths. The application shall be 61219
filed with the clerk of any court of common pleas. An application 61220
for a certificate of title may be filed electronically by any 61221
electronic means approved by the registrar in any county with the 61222
clerk of the court of common pleas of that county. Any payments 61223
required by this chapter shall be considered as accompanying any 61224

electronically transmitted application when payment actually is 61225
received by the clerk. Payment of any fee or taxes may be made by 61226
electronic transfer of funds. 61227

(2) The application for a certificate of title shall be 61228
accompanied by the fee prescribed in section 4505.09 of the 61229
Revised Code. The fee shall be retained by the clerk who issues 61230
the certificate of title and shall be distributed in accordance 61231
with that section. If a clerk of a court of common pleas, other 61232
than the clerk of the court of common pleas of an applicant's 61233
county of residence, issues a certificate of title to the 61234
applicant, the clerk shall transmit data related to the 61235
transaction to the automated title processing system. 61236

(3) If a certificate of title previously has been issued for 61237
a motor vehicle in this state, the application for a certificate 61238
of title also shall be accompanied by that certificate of title 61239
duly assigned, unless otherwise provided in this chapter. If a 61240
certificate of title previously has not been issued for the motor 61241
vehicle in this state, the application, unless otherwise provided 61242
in this chapter, shall be accompanied by a manufacturer's or 61243
importer's certificate or by a certificate of title of another 61244
state from which the motor vehicle was brought into this state. If 61245
the application refers to a motor vehicle last previously 61246
registered in another state, the application also shall be 61247
accompanied by the physical inspection certificate required by 61248
section 4505.061 of the Revised Code. If the application is made 61249
by two persons regarding a motor vehicle in which they wish to 61250
establish joint ownership with right of survivorship, they may do 61251
so as provided in section 2131.12 of the Revised Code. If the 61252
applicant requests a designation of the motor vehicle in 61253
beneficiary form so that upon the death of the owner of the motor 61254
vehicle, ownership of the motor vehicle will pass to a designated 61255
transfer-on-death beneficiary or beneficiaries, the applicant may 61256

do so as provided in section 2131.13 of the Revised Code. A person 61257
who establishes ownership of a motor vehicle that is transferable 61258
on death in accordance with section 2131.13 of the Revised Code 61259
may terminate that type of ownership or change the designation of 61260
the transfer-on-death beneficiary or beneficiaries by applying for 61261
a certificate of title pursuant to this section. The clerk shall 61262
retain the evidence of title presented by the applicant and on 61263
which the certificate of title is issued, except that, if an 61264
application for a certificate of title is filed electronically by 61265
an electronic motor vehicle dealer on behalf of the purchaser of a 61266
motor vehicle, the clerk shall retain the completed electronic 61267
record to which the dealer converted the certificate of title 61268
application and other required documents. The registrar, after 61269
consultation with the attorney general, shall adopt rules that 61270
govern the location at which, and the manner in which, are stored 61271
the actual application and all other documents relating to the 61272
sale of a motor vehicle when an electronic motor vehicle dealer 61273
files the application for a certificate of title electronically on 61274
behalf of the purchaser. 61275

The clerk shall use reasonable diligence in ascertaining 61276
whether or not the facts in the application for a certificate of 61277
title are true by checking the application and documents 61278
accompanying it or the electronic record to which a dealer 61279
converted the application and accompanying documents with the 61280
records of motor vehicles in the clerk's office. If the clerk is 61281
satisfied that the applicant is the owner of the motor vehicle and 61282
that the application is in the proper form, the clerk, within five 61283
business days after the application is filed and except as 61284
provided in section 4505.021 of the Revised Code, shall issue a 61285
physical certificate of title over the clerk's signature and 61286
sealed with the clerk's seal, unless the applicant specifically 61287
requests the clerk not to issue a physical certificate of title 61288
and instead to issue an electronic certificate of title. For 61289

purposes of the transfer of a certificate of title, if the clerk 61290
is satisfied that the secured party has duly discharged a lien 61291
notation but has not canceled the lien notation with a clerk, the 61292
clerk may cancel the lien notation on the automated title 61293
processing system and notify the clerk of the county of origin. 61294

(4) In the case of the sale of a motor vehicle to a general 61295
buyer or user by a dealer, by a motor vehicle leasing dealer 61296
selling the motor vehicle to the lessee or, in a case in which the 61297
leasing dealer subleased the motor vehicle, the sublessee, at the 61298
end of the lease agreement or sublease agreement, or by a 61299
manufactured home broker, the certificate of title shall be 61300
obtained in the name of the buyer by the dealer, leasing dealer, 61301
or manufactured home broker, as the case may be, upon application 61302
signed by the buyer. The certificate of title shall be issued, or 61303
the process of entering the certificate of title application 61304
information into the automated title processing system if a 61305
physical certificate of title is not to be issued shall be 61306
completed, within five business days after the application for 61307
title is filed with the clerk. If the buyer of the motor vehicle 61308
previously leased the motor vehicle and is buying the motor 61309
vehicle at the end of the lease pursuant to that lease, the 61310
certificate of title shall be obtained in the name of the buyer by 61311
the motor vehicle leasing dealer who previously leased the motor 61312
vehicle to the buyer or by the motor vehicle leasing dealer who 61313
subleased the motor vehicle to the buyer under a sublease 61314
agreement. 61315

In all other cases, except as provided in section 4505.032 61316
and division (D)(2) of section 4505.11 of the Revised Code, such 61317
certificates shall be obtained by the buyer. 61318

(5)(a)(i) If the certificate of title is being obtained in 61319
the name of the buyer by a motor vehicle dealer or motor vehicle 61320
leasing dealer and there is a security interest to be noted on the 61321

certificate of title, the dealer or leasing dealer shall submit 61322
the application for the certificate of title and payment of the 61323
applicable tax to a clerk within seven business days after the 61324
later of the delivery of the motor vehicle to the buyer or the 61325
date the dealer or leasing dealer obtains the manufacturer's or 61326
importer's certificate, or certificate of title issued in the name 61327
of the dealer or leasing dealer, for the motor vehicle. Submission 61328
of the application for the certificate of title and payment of the 61329
applicable tax within the required seven business days may be 61330
indicated by postmark or receipt by a clerk within that period. 61331

(ii) Upon receipt of the certificate of title with the 61332
security interest noted on its face, the dealer or leasing dealer 61333
shall forward the certificate of title to the secured party at the 61334
location noted in the financing documents or otherwise specified 61335
by the secured party. 61336

(iii) A motor vehicle dealer or motor vehicle leasing dealer 61337
is liable to a secured party for a late fee of ten dollars per day 61338
for each certificate of title application and payment of the 61339
applicable tax that is submitted to a clerk more than seven 61340
business days but less than twenty-one days after the later of the 61341
delivery of the motor vehicle to the buyer or the date the dealer 61342
or leasing dealer obtains the manufacturer's or importer's 61343
certificate, or certificate of title issued in the name of the 61344
dealer or leasing dealer, for the motor vehicle and, from then on, 61345
twenty-five dollars per day until the application and applicable 61346
tax are submitted to a clerk. 61347

(b) In all cases of transfer of a motor vehicle, the 61348
application for certificate of title shall be filed within thirty 61349
days after the assignment or delivery of the motor vehicle. If an 61350
application for a certificate of title is not filed within the 61351
period specified in division (A)(5)(b) of this section, the clerk 61352
shall collect a fee of five dollars for the issuance of the 61353

certificate, except that no such fee shall be required from a 61354
motor vehicle salvage dealer, as defined in division (A) of 61355
section 4738.01 of the Revised Code, who immediately surrenders 61356
the certificate of title for cancellation. The fee shall be in 61357
addition to all other fees established by this chapter, and shall 61358
be retained by the clerk. The registrar shall provide, on the 61359
certificate of title form prescribed by section 4505.07 of the 61360
Revised Code, language necessary to give evidence of the date on 61361
which the assignment or delivery of the motor vehicle was made. 61362

(6) As used in division (A) of this section, "lease 61363
agreement," "lessee," and "sublease agreement" have the same 61364
meanings as in section 4505.04 of the Revised Code. 61365

(B)(1) The clerk, except as provided in this section, shall 61366
refuse to accept for filing any application for a certificate of 61367
title and shall refuse to issue a certificate of title unless the 61368
dealer or manufactured home broker or the applicant, in cases in 61369
which the certificate shall be obtained by the buyer, submits with 61370
the application payment of the tax levied by or pursuant to 61371
Chapters 5739. and 5741. of the Revised Code based on the 61372
purchaser's county of residence. Upon payment of the tax in 61373
accordance with division (E) of this section, the clerk shall 61374
issue a receipt prescribed by the registrar and agreed upon by the 61375
tax commissioner showing payment of the tax or a receipt issued by 61376
the commissioner showing the payment of the tax. ~~When submitting 61377
payment of the tax to the clerk, a dealer shall retain any 61378
discount to which the dealer is entitled under section 5739.12 of 61379
the Revised Code.~~ 61380

(2) For receiving and disbursing such taxes paid to the clerk 61381
by a resident of the clerk's county, the clerk may retain a 61382
poundage fee of one and one one-hundredth per cent, and the clerk 61383
shall pay the poundage fee into the certificate of title 61384
administration fund created by section 325.33 of the Revised Code. 61385

The clerk shall not retain a poundage fee from payments of taxes 61386
by persons who do not reside in the clerk's county. 61387

A clerk, however, may retain from the taxes paid to the clerk 61388
an amount equal to the poundage fees associated with certificates 61389
of title issued by other clerks of courts of common pleas to 61390
applicants who reside in the first clerk's county. The registrar, 61391
in consultation with the tax commissioner and the clerks of the 61392
courts of common pleas, shall develop a report from the automated 61393
title processing system that informs each clerk of the amount of 61394
the poundage fees that the clerk is permitted to retain from those 61395
taxes because of certificates of title issued by the clerks of 61396
other counties to applicants who reside in the first clerk's 61397
county. 61398

(3) In the case of casual sales of motor vehicles, as defined 61399
in section 4517.01 of the Revised Code, the price for the purpose 61400
of determining the tax shall be the purchase price on the assigned 61401
certificate of title executed by the seller and filed with the 61402
clerk by the buyer on a form to be prescribed by the registrar, 61403
which shall be prima-facie evidence of the amount for the 61404
determination of the tax. 61405

(4) Each county clerk shall forward to the treasurer of state 61406
all sales and use tax collections resulting from sales of motor 61407
vehicles, off-highway motorcycles, and all-purpose vehicles during 61408
a calendar week on or before the Friday following the close of 61409
that week. If, on any Friday, the offices of the clerk of courts 61410
or the state are not open for business, the tax shall be forwarded 61411
to the treasurer of state on or before the next day on which the 61412
offices are open. Every remittance of tax under division (B)(4) of 61413
this section shall be accompanied by a remittance report in such 61414
form as the tax commissioner prescribes. Upon receipt of a tax 61415
remittance and remittance report, the treasurer of state shall 61416
date stamp the report and forward it to the tax commissioner. If 61417

the tax due for any week is not remitted by a clerk of courts as 61418
required under division (B)(4) of this section, the commissioner 61419
may require the clerk to forfeit the poundage fees for the sales 61420
made during that week. The treasurer of state may require the 61421
clerks of courts to transmit tax collections and remittance 61422
reports electronically. 61423

(C)(1) If the transferor indicates on the certificate of 61424
title that the odometer reflects mileage in excess of the designed 61425
mechanical limit of the odometer, the clerk shall enter the phrase 61426
"exceeds mechanical limits" following the mileage designation. If 61427
the transferor indicates on the certificate of title that the 61428
odometer reading is not the actual mileage, the clerk shall enter 61429
the phrase "nonactual: warning - odometer discrepancy" following 61430
the mileage designation. The clerk shall use reasonable care in 61431
transferring the information supplied by the transferor, but is 61432
not liable for any errors or omissions of the clerk or those of 61433
the clerk's deputies in the performance of the clerk's duties 61434
created by this chapter. 61435

The registrar shall prescribe an affidavit in which the 61436
transferor shall swear to the true selling price and, except as 61437
provided in this division, the true odometer reading of the motor 61438
vehicle. The registrar may prescribe an affidavit in which the 61439
seller and buyer provide information pertaining to the odometer 61440
reading of the motor vehicle in addition to that required by this 61441
section, as such information may be required by the United States 61442
secretary of transportation by rule prescribed under authority of 61443
subchapter IV of the "Motor Vehicle Information and Cost Savings 61444
Act," 86 Stat. 961 (1972), 15 U.S.C. 1981. 61445

(2) Division (C)(1) of this section does not require the 61446
giving of information concerning the odometer and odometer reading 61447
of a motor vehicle when ownership of a motor vehicle is being 61448
transferred as a result of a bequest, under the laws of intestate 61449

succession, to a survivor pursuant to section 2106.18, 2131.12, or 61450
4505.10 of the Revised Code, to a transfer-on-death beneficiary or 61451
beneficiaries pursuant to section 2131.13 of the Revised Code, in 61452
connection with the creation of a security interest or for a 61453
vehicle with a gross vehicle weight rating of more than sixteen 61454
thousand pounds. 61455

(D) When the transfer to the applicant was made in some other 61456
state or in interstate commerce, the clerk, except as provided in 61457
this section, shall refuse to issue any certificate of title 61458
unless the tax imposed by or pursuant to Chapter 5741. of the 61459
Revised Code based on the purchaser's county of residence has been 61460
paid as evidenced by a receipt issued by the tax commissioner, or 61461
unless the applicant submits with the application payment of the 61462
tax. Upon payment of the tax in accordance with division (E) of 61463
this section, the clerk shall issue a receipt prescribed by the 61464
registrar and agreed upon by the tax commissioner, showing payment 61465
of the tax. 61466

For receiving and disbursing such taxes paid to the clerk by 61467
a resident of the clerk's county, the clerk may retain a poundage 61468
fee of one and one one-hundredth per cent. The clerk shall not 61469
retain a poundage fee from payments of taxes by persons who do not 61470
reside in the clerk's county. 61471

A clerk, however, may retain from the taxes paid to the clerk 61472
an amount equal to the poundage fees associated with certificates 61473
of title issued by other clerks of courts of common pleas to 61474
applicants who reside in the first clerk's county. The registrar, 61475
in consultation with the tax commissioner and the clerks of the 61476
courts of common pleas, shall develop a report from the automated 61477
title processing system that informs each clerk of the amount of 61478
the poundage fees that the clerk is permitted to retain from those 61479
taxes because of certificates of title issued by the clerks of 61480
other counties to applicants who reside in the first clerk's 61481

county. 61482

When the vendor is not regularly engaged in the business of 61483
selling motor vehicles, the vendor shall not be required to 61484
purchase a vendor's license or make reports concerning those 61485
sales. 61486

(E) The clerk shall accept any payment of a tax in cash, or 61487
by cashier's check, certified check, draft, money order, or teller 61488
check issued by any insured financial institution payable to the 61489
clerk and submitted with an application for a certificate of title 61490
under division (B) or (D) of this section. The clerk also may 61491
accept payment of the tax by corporate, business, or personal 61492
check, credit card, electronic transfer or wire transfer, debit 61493
card, or any other accepted form of payment made payable to the 61494
clerk. The clerk may require bonds, guarantees, or letters of 61495
credit to ensure the collection of corporate, business, or 61496
personal checks. Any service fee charged by a third party to a 61497
clerk for the use of any form of payment may be paid by the clerk 61498
from the certificate of title administration fund created in 61499
section 325.33 of the Revised Code, or may be assessed by the 61500
clerk upon the applicant as an additional fee. Upon collection, 61501
the additional fees shall be paid by the clerk into that 61502
certificate of title administration fund. 61503

The clerk shall make a good faith effort to collect any 61504
payment of taxes due but not made because the payment was returned 61505
or dishonored, but the clerk is not personally liable for the 61506
payment of uncollected taxes or uncollected fees. The clerk shall 61507
notify the tax commissioner of any such payment of taxes that is 61508
due but not made and shall furnish the information to the 61509
commissioner that the commissioner requires. The clerk shall 61510
deduct the amount of taxes due but not paid from the clerk's 61511
periodic remittance of tax payments, in accordance with procedures 61512
agreed upon by the tax commissioner. The commissioner may collect 61513

taxes due by assessment in the manner provided in section 5739.13 61514
of the Revised Code. 61515

Any person who presents payment that is returned or 61516
dishonored for any reason is liable to the clerk for payment of a 61517
penalty over and above the amount of the taxes due. The clerk 61518
shall determine the amount of the penalty, and the penalty shall 61519
be no greater than that amount necessary to compensate the clerk 61520
for banking charges, legal fees, or other expenses incurred by the 61521

of this section at the time of the traffic offense, motor vehicle 61784

motor vehicle to produce proof of financial responsibility in a 61813
manner described in division (G) of this section at the time the 61814

officer shall inform every person who receives a traffic ticket 61822
and who has failed to produce proof of the maintenance of 61823
financial responsibility that the person must submit proof to the 61824

time and in such manner as the court determines to be necessary or 61832
appropriate. In a manner prescribed by the registrar, the clerk of 61833
courts shall provide the registrar with the identity of any person 61834
who fails to submit proof of the maintenance of financial 61835
responsibility pursuant to division (D)(3) of this section. 61836

(b) If a person who has failed to produce proof of the 61837
maintenance of financial responsibility also fails to submit that 61838
proof to the traffic violations bureau with payment of a fine and 61839
costs for the ticketed violation, the traffic violations bureau, 61840
in a manner prescribed by the registrar, shall notify the 61841
registrar of the identity of that person. 61842

(5)(a) Upon receiving notice from a clerk of courts or 61843
traffic violations bureau pursuant to division (D)(4) of this 61844
section, the registrar shall order the suspension of the license 61845
of the person required under division (A)(2)(a), (b), or (c) of 61846

financial responsibility in accordance with this section, 61852
surrender to the registrar the person's certificate of 61853
registration, license plates, and license, or submit a statement 61854
subject to section 2921.13 of the Revised Code that the person did 61855

not surrender the certificate of registration, license plates, and 61867
license, in accordance with this division, the registrar shall 61868
permit the order for the suspension of the license of the person 61869
and the impoundment of the person's certificate of registration 61870
and license plates to take effect. 61871

(b) In the case of a person who presents, within the 61872
fifteen-day period, documents to show proof of financial 61873
responsibility, the registrar shall terminate the order of 61874

plates required under division (A)(2)(d) of this section and shall 61876
send written notification to the person, at the person's last 61877
known address as shown on the records of the bureau. 61878

(c) Any person adversely affected by the order of the 61879
registrar under division (D)(5)(a) or (b) of this section, within 61880
ten days after the issuance of the order, may request an 61881
administrative hearing before the registrar, who shall provide the 61882
person with an opportunity for a hearing in accordance with this 61883
paragraph. A request for a hearing does not operate as a 61884
suspension of the order. The scope of the hearing shall be limited 61885
to whether, at the time of the hearing, the person presents proof 61886
of financial responsibility covering the vehicle and whether the 61887
person is eligible for an exemption in accordance with this 61888

hearing. If requested by the person in writing, the registrar may 61893
designate as the place of hearing the county seat of the county in 61894
which the person resides or a place within fifty miles of the 61895
person's residence. Such person shall pay the cost of the hearing 61896
before the registrar, if the registrar's order of suspension or 61897
impoundment under division (D)(5)(a) or (b) of this section is 61898

Code when the owner or operator fails to show proof of the 61902
maintenance of financial responsibility pursuant to a peace 61903
officer's request under division (D)(2) of this section, if a 61904
check of the owner or operator's driving record indicates that the 61905
owner or operator, at the time of the operation of the motor 61906
vehicle, is required to file and maintain proof of financial 61907
responsibility under section 4509.45 of the Revised Code for a 61908
previous violation of this chapter. 61909

(7) Any forms used by law enforcement agencies in 61910
administering this section shall be prescribed, supplied, and paid 61911
for by the registrar. 61912

(8) No peace officer, law enforcement agency employing a 61913
peace officer, or political subdivision or governmental agency 61914
that employs a peace officer shall be liable in a civil action for 61915
damages or loss to persons arising out of the performance of any 61916

financial responsibility reinstatement fees as otherwise specified 61922
in this division, collected under this section shall be paid into 61923
the state treasury to the credit of the financial responsibility 61924
compliance fund. The financial responsibility compliance fund 61925
shall be used exclusively to cover costs incurred by the bureau in 61926
the administration of this section and sections 4503.20, 4507.212, 61927
and 4509.81 of the Revised Code, and by any law enforcement agency 61928
employing any peace officer who returns any license, certificate 61929
of registration, and license plates to the registrar pursuant to 61930
division (C) of this section, except that the director of budget 61931
and management may transfer excess money from the financial 61932
responsibility compliance fund to the state bureau of motor 61933
vehicles fund if the registrar determines that the amount of money 61934
in the financial responsibility compliance fund exceeds the amount 61935
required to cover such costs incurred by the bureau or a law 61936
enforcement agency and requests the director to make the transfer. 61937

Of each financial responsibility reinstatement fee the 61938
registrar collects pursuant to division (A)(5)(a) of this section, 61939
the registrar shall deposit twenty-five dollars of each 61940
one-hundred-dollar reinstatement fee, fifty dollars of each 61941
three-hundred-dollar reinstatement fee, and one hundred dollars of 61942
each six-hundred-dollar reinstatement fee into the state treasury 61943
to the credit of the indigent defense support fund created by 61944
section 120.08 of the Revised Code. 61945

All investment earnings of the financial responsibility 61946
compliance fund shall be credited to the fund. 61947

(F) Chapter 119. of the Revised Code applies to this section 61948
only to the extent that any provision in that chapter is not 61949
clearly inconsistent with this section. 61950

(G)(1) The registrar, court, traffic violations bureau, or 61951
peace officer may require proof of financial responsibility to be 61952

If the use of a standard form is not required, a person may demonstrate proof of financial responsibility under this section by presenting to the traffic violations bureau, court, registrar, or peace officer any of the following documents or a copy of the documents:

(a) A financial responsibility identification card as provided in section 4509.103 of the Revised Code;

(e) A certificate of deposit of money or securities as provided in section 4509.62 of the Revised Code;

(f) A certificate of self-insurance as provided in section 4509.72 of the Revised Code.

(2) If a person fails to demonstrate proof of financial responsibility in a manner described in division (G)(1) of this section, the person may demonstrate proof of financial responsibility under this section by any other method that the court or the bureau, by reason of circumstances in a particular case, may consider appropriate.

(3) A motor carrier certificated by the interstate commerce commission or by the public utilities commission may demonstrate

proof of financial responsibility by providing a statement 61983
designating the motor carrier's operating authority and averring 61984
that the insurance coverage required by the certificating 61985
authority is in full force and effect. 61986

(4)(a) A finding by the registrar or court that a person is 61987
covered by proof of financial responsibility in the form of an 61988
insurance policy or surety bond is not binding upon the named 61989
insurer or surety or any of its officers, employees, agents, or 61990
representatives and has no legal effect except for the purpose of 61991
administering this section. 61992

(b) The preparation and delivery of a financial 61993
responsibility identification card or any other document 61994
authorized to be used as proof of financial responsibility under 61995
this division does not do any of the following: 61996

(i) Create any liability or estoppel against an insurer or 61997
surety, or any of its officers, employees, agents, or 61998
representatives; 61999

(ii) Constitute an admission of the existence of, or of any 62000
liability or coverage under, any policy or bond; 62001

(iii) Waive any defenses or counterclaims available to an 62002
insurer, surety, agent, employee, or representative in an action 62003
commenced by an insured or third-party claimant upon a cause of 62004
action alleged to have arisen under an insurance policy or surety 62005
bond or by reason of the preparation and delivery of a document 62006
for use as proof of financial responsibility. 62007

(c) Whenever it is determined by a final judgment in a 62008
judicial proceeding that an insurer or surety, which has been 62009
named on a document accepted by a court or the registrar as proof 62010
of financial responsibility covering the operation of a motor 62011
vehicle at the time of an accident or offense, is not liable to 62012
pay a judgment for injuries or damages resulting from such 62013

operation, the registrar, notwithstanding any previous contrary 62014
finding, shall forthwith suspend the operating privileges and 62015
registration rights of the person against whom the judgment was 62016
rendered as provided in division (A)(2) of this section. 62017

(H) In order for any document described in division (G)(1)(b) 62018
of this section to be used for the demonstration of proof of 62019
financial responsibility under this section, the document shall 62020
state the name of the insured or obligor, the name of the insurer 62021
or surety company, and the effective and expiration dates of the 62022
financial responsibility, and designate by explicit description or 62023
by appropriate reference all motor vehicles covered which may 62024
include a reference to fleet insurance coverage. 62025

(I) For purposes of this section, "owner" does not include a 62026
licensed motor vehicle leasing dealer as defined in section 62027
4517.01 of the Revised Code, but does include a motor vehicle 62028
renting dealer as defined in section 4549.65 of the Revised Code. 62029
Nothing in this section or in section 4509.51 of the Revised Code 62030
shall be construed to prohibit a motor vehicle renting dealer from 62031
entering into a contractual agreement with a person whereby the 62032
person renting the motor vehicle agrees to be solely responsible 62033
for maintaining proof of financial responsibility, in accordance 62034
with this section, with respect to the operation, maintenance, or 62035
use of the motor vehicle during the period of the motor vehicle's 62036
rental. 62037

(J) The purpose of this section is to require the maintenance 62038
of proof of financial responsibility with respect to the operation 62039
of motor vehicles on the highways of this state, so as to minimize 62040
those situations in which persons are not compensated for injuries 62041
and damages sustained in motor vehicle accidents. The general 62042
assembly finds that this section contains reasonable civil 62043
penalties and procedures for achieving this purpose. 62044

(K) Nothing in this section shall be construed to be subject 62045

to section 4509.78 of the Revised Code. 62046

(L)(1) The registrar may terminate any suspension imposed 62047
under this section and not require the owner to comply with 62048
divisions (A)(5)(a), (b), and (c) of this section if the registrar 62049
with or without a hearing determines that the owner of the vehicle 62050
has established by clear and convincing evidence that all of the 62051
following apply: 62052

(a) The owner customarily maintains proof of financial 62053
responsibility. 62054

(b) Proof of financial responsibility was not in effect for 62055
the vehicle on the date in question for one of the following 62056
reasons: 62057

(i) The vehicle was inoperable. 62058

(ii) The vehicle is operated only seasonally, and the date in 62059
question was outside the season of operation. 62060

(iii) A person other than the vehicle owner or driver was at 62061
fault for the lapse of proof of financial responsibility through 62062
no fault of the owner or driver. 62063

(iv) The lapse of proof of financial responsibility was 62064
caused by excusable neglect under circumstances that are not 62065
likely to recur and do not suggest a purpose to evade the 62066
requirements of this chapter. 62067

(2) The registrar may grant an owner or driver relief for a 62068
reason specified in division (L)(1)(b)(i) or (ii) of this section 62069
whenever the owner or driver is randomly selected to verify the 62070
existence of proof of financial responsibility for such a vehicle. 62071
However, the registrar may grant an owner or driver relief for a 62072
reason specified in division (L)(1)(b)(iii) or (iv) of this 62073
section only if the owner or driver has not previously been 62074
granted relief under division (L)(1)(b)(iii) or (iv) of this 62075

section. 62076

(M) The registrar shall adopt rules in accordance with 62077
Chapter 119. of the Revised Code that are necessary to administer 62078
and enforce this section. The rules shall include procedures for 62079
the surrender of license plates upon failure to maintain proof of 62080
financial responsibility and provisions relating to reinstatement 62081
of registration rights, acceptable forms of proof of financial 62082
responsibility, and verification of the existence of financial 62083
responsibility during the period of registration. 62084

Sec. 4510.14. (A) No person whose driver's or commercial 62085
driver's license or permit or nonresident operating privilege has 62086
been suspended under section 4511.19, 4511.191, or 4511.196 of the 62087
Revised Code or under section 4510.07 of the Revised Code for a 62088
conviction of a violation of a municipal OVI ordinance shall 62089
operate any motor vehicle upon the public roads or highways within 62090
this state during the period of the suspension. 62091

(B) Whoever violates this section is guilty of driving under 62092
OVI suspension. The court shall sentence the offender under 62093
Chapter 2929. of the Revised Code, subject to the differences 62094
authorized or required by this section. 62095

(1) Except as otherwise provided in division (B)(2) or (3) of 62096
this section, driving under OVI suspension is a misdemeanor of the 62097
first degree. The court shall sentence the offender to all of the 62098
following: 62099

(a) A mandatory jail term of three consecutive days. The 62100
three-day term shall be imposed, unless, subject to division (C) 62101
of this section, the court instead imposes a sentence of not less 62102
than thirty consecutive days of house arrest with electronic 62103
monitoring. A period of house arrest with electronic monitoring 62104
imposed under this division shall not exceed six months. If the 62105
court imposes a mandatory three-day jail term under this division, 62106

the court may impose a jail term in addition to that term, 62107
provided that in no case shall the cumulative jail term imposed 62108
for the offense exceed six months. 62109

(b) A fine of not less than two hundred fifty and not more 62110
than one thousand dollars; 62111

(c) A license suspension under division (E) of this section; 62112

(d) If the vehicle the offender was operating at the time of 62113
the offense is registered in the offender's name, immobilization 62114
for thirty days of the offender's vehicle and impoundment for 62115
thirty days of the identification license plates of that vehicle. 62116
The order for immobilization and impoundment shall be issued and 62117
enforced in accordance with section 4503.233 of the Revised Code. 62118

(2) If, within six years of the offense, the offender 62119
previously has been convicted of or pleaded guilty to one 62120
violation of this section or one equivalent offense, driving under 62121
OVI suspension is a misdemeanor of the first degree. The court 62122
shall sentence the offender to all of the following: 62123

(a) A mandatory jail term of ten consecutive days. 62124
Notwithstanding the jail terms provided in sections 2929.21 to 62125
2929.28 of the Revised Code, the court may sentence the offender 62126
to a longer jail term of not more than one year. The ten-day 62127
mandatory jail term shall be imposed unless, subject to division 62128
(C) of this section, the court instead imposes a sentence of not 62129
less than ninety consecutive days of house arrest with electronic 62130
monitoring. The period of house arrest with electronic monitoring 62131
shall not exceed one year. 62132

(b) Notwithstanding the fines provided for in Chapter 2929. 62133
of the Revised Code, a fine of not less than five hundred and not 62134
more than two thousand five hundred dollars; 62135

(c) A license suspension under division (E) of this section; 62136

(d) If the vehicle the offender was operating at the time of 62137
the offense is registered in the offender's name, immobilization 62138
of the offender's vehicle for sixty days and the impoundment for 62139
sixty days of the identification license plates of that vehicle. 62140
The order for immobilization and impoundment shall be issued and 62141
enforced in accordance with section 4503.233 of the Revised Code. 62142

(3) If, within six years of the offense, the offender 62143
previously has been convicted of or pleaded guilty to two or more 62144
violations of this section or two or more equivalent offenses, 62145
driving under OVI suspension is a misdemeanor. The court shall 62146
sentence the offender to all of the following: 62147

(a) A mandatory jail term of thirty consecutive days. 62148
Notwithstanding the jail terms provided in sections 2929.21 to 62149
2929.28 of the Revised Code, the court may sentence the offender 62150
to a longer jail term of not more than one year. The court shall 62151
not sentence the offender to a term of house arrest with 62152
electronic monitoring in lieu of the mandatory portion of the jail 62153
term. 62154

(b) Notwithstanding the fines set forth in Chapter 2929. of 62155
the Revised Code, a fine of not less than five hundred and not 62156
more than two thousand five hundred dollars; 62157

(c) A license suspension under division (E) of this section; 62158

(d) If the vehicle the offender was operating at the time of 62159
the offense is registered in the offender's name, criminal 62160
forfeiture to the state of the offender's vehicle. The order of 62161
criminal forfeiture shall be issued and enforced in accordance 62162
with section 4503.234 of the Revised Code. If title to a motor 62163
vehicle that is subject to an order for criminal forfeiture under 62164
this division is assigned or transferred and division (B)(2) or 62165
(3) of section 4503.234 of the Revised Code applies, the court may 62166
fine the offender the value of the vehicle as determined by 62167

publications of the national auto dealer's association. The 62168
proceeds from any fine so imposed shall be distributed in 62169
accordance with division (C)(2) of section 4503.234 of the Revised 62170
Code. 62171

(C) No court shall impose an alternative sentence of house 62172
arrest with electronic monitoring under division (B)(1) or (2) of 62173
this section unless, within sixty days of the date of sentencing, 62174
the court issues a written finding on the record that, due to the 62175
unavailability of space at the jail where the offender is required 62176
to serve the jail term imposed, the offender will not be able to 62177
begin serving that term within the sixty-day period following the 62178
date of sentencing. 62179

An offender sentenced under this section to a period of house 62180
arrest with electronic monitoring shall be permitted work release 62181
during that period. 62182

(D) Fifty per cent of any fine imposed by a court under 62183
division (B)(1), (2), or (3) of this section shall be deposited 62184
into the ~~county local~~ indigent drivers alcohol treatment fund ~~or~~ 62185
~~municipal indigent drivers alcohol treatment fund under the~~ 62186
~~control of that court, as created by the county or municipal~~ 62187
~~corporation~~ local alcohol and drug addiction services board or the 62188
local board of alcohol, drug addiction, and mental health services 62189
pursuant to division (H) of section 4511.191 of the Revised Code. 62190

(E) In addition to or independent of all other penalties 62191
provided by law or ordinance, the trial judge of any court of 62192
record or the mayor of a mayor's court shall impose on an offender 62193
who is convicted of or pleads guilty to a violation of this 62194
section a class seven suspension of the offender's driver's or 62195
commercial driver's license or permit or nonresident operating 62196
privilege from the range specified in division (A)(7) of section 62197
4510.02 of the Revised Code. 62198

When permitted as specified in section 4510.021 of the Revised Code, if the court grants limited driving privileges during a suspension imposed under this section, the privileges shall be granted on the additional condition that the offender must display restricted license plates, issued under section 4503.231 of the Revised Code, on the vehicle driven subject to the privileges, except as provided in division (B) of that section.

A suspension of a commercial driver's license under this section shall be concurrent with any period of suspension or disqualification under section 3123.58 or 4506.16 of the Revised Code. No person who is disqualified for life from holding a commercial driver's license under section 4506.16 of the Revised Code shall be issued a driver's license under Chapter 4507. of the Revised Code during the period for which the commercial driver's license was suspended under this section, and no person whose commercial driver's license is suspended under this section shall be issued a driver's license under Chapter 4507. of the Revised Code during the period of the suspension.

convicted of a violation of division (A) of this section and in 62231
relation to which all of the following apply: 62232

(a) Except as specifically authorized under this section, the 62233
term must be served in a jail. 62234

(b) Except as specifically authorized under this section, the 62235
term cannot be suspended, reduced, or otherwise modified pursuant 62236
to any provision of the Revised Code. 62237

Sec. 4510.22. (A) If a person who has a current valid Ohio 62238
driver's, commercial driver's license, or temporary instruction 62239
permit is charged with a violation of any provision in sections 62240
4511.01 to 4511.76, 4511.84, 4513.01 to 4513.65, or 4549.01 to 62241
4549.65 of the Revised Code that is classified as a misdemeanor of 62242

answer the charge or pleads guilty to or is found guilty of the 62246
violation and fails within the time allowed by the court to pay 62247
the fine imposed by the court, the court shall declare the 62248
forfeiture of the person's license. Thirty days after the 62249
declaration of forfeiture, the court shall inform the registrar of 62250
motor vehicles of the forfeiture by entering information relative 62251
to the of forfeiture on a form approved and furnished by the 62252
registrar and sending the form to the registrar. The court also 62253
shall forward the person's license, if it is in the possession of 62254
the court, to the registrar. 62255

The registrar shall impose a class F suspension of the 62256
person's driver's or commercial driver's license, or temporary 62257
instruction permit for the period of time specified in division 62258
(B)(6) of section 4510.02 of the Revised Code on any person who is 62259

named in a declaration received by the registrar under this 62260
section. The registrar shall send written notification of the 62261

if the person is in possession of the license, order the person to 62263
surrender the person's license or permit to the registrar within 62264
forty-eight hours. 62265

No valid driver's or commercial driver's license shall be 62266
granted to the person after the suspension, unless the court 62267
having jurisdiction of the offense that led to the suspension 62268
orders that the forfeiture be terminated. The court shall order 62269

the registrar. The person shall pay to the bureau of motor 62276
vehicles a ~~fifteen-dollar~~ twenty-five-dollar reinstatement fee ~~to~~ 62277

Revised Code. 62285

(B) In addition to suspending the driver's or commercial 62286
driver's license or permit of the person named in a declaration of 62287
forfeiture, the registrar, upon receipt from the court of the copy 62288
of the declaration of forfeiture, shall take any measures that may 62289
be necessary to ensure that neither the registrar nor any deputy 62290
registrar accepts any application for the registration or transfer 62291

of registration of any motor vehicle owned or leased by the person 62292
named in the declaration of forfeiture. However, for a motor 62293
vehicle leased by a person named in a declaration of forfeiture, 62294
the registrar shall not implement the preceding sentence until the 62295
registrar adopts procedures for that implementation under section 62296
4503.39 of the Revised Code. The period of denial of registration 62297
or transfer shall continue until such time as the court having 62298
jurisdiction of the offense that led to the suspension orders the 62299
forfeiture be terminated. Upon receipt by the registrar of an 62300
order terminating the forfeiture, the registrar also shall take 62301
any measures that may be necessary to permit the person to 62302
register a motor vehicle owned or leased by the person or to 62303
transfer the registration of such a motor vehicle, if the person 62304
later makes application to take such action and otherwise is 62305
eligible to register the motor vehicle or to transfer its 62306
registration. 62307

The registrar shall not be required to give effect to any 62308
declaration of forfeiture or order terminating a forfeiture 62309
provided by a court under this section unless the information 62310
contained in the declaration or order is transmitted to the 62311
registrar by means of an electronic transfer system. The registrar 62312
shall not restore the person's driving or vehicle registration 62313
privileges until the person pays the reinstatement fee as provided 62314
in this section. 62315

The period of denial relating to the issuance or transfer of 62316
a certificate of registration for a motor vehicle imposed pursuant 62317
to this division remains in effect until the person pays any fine 62318
imposed by the court relative to the offense. 62319

Sec. 4510.45. (A)(1) A manufacturer of ignition interlock 62320
devices that desires for its devices to be certified under section 62321
4510.43 of the Revised Code and then to be included on the list of 62322

licensing requirement. 62328

(2) A manufacturer shall apply to the department for the 62329
license and shall include all information the department may 62330
require by rule. Each application, including an application for 62331

treasury to the credit of the state indigent drivers alcohol 62334
treatment fund created by division (F) of section 4511.191 of the 62335
Revised Code. 62336

(3) Upon receipt of a completed application, if the 62337
department finds that a manufacturer has complied with all 62338
application requirements, the department shall issue a license to 62339
the manufacturer. A manufacturer that has been issued a license 62340
under this section is eligible immediately to have the models of 62341
ignition interlock devices it produces certified under section 62342
4510.43 of the Revised Code and then included on the list of 62343
certified devices that the department compiles and makes available 62344
to courts pursuant to that section. 62345

(4)(a) A license issued under this section shall expire 62346
annually on a date selected by the department. The department 62347
shall reject the license application of a manufacturer if any of 62348
the following apply: 62349

(i) The application is not accompanied by the application 62350
fee. 62351

time the bodily substance was withdrawn a concentration of less 62644
than the applicable concentration of alcohol specified in 62645
divisions (A)(1)(b), (c), (d), and (e) of this section or less 62646
than the applicable concentration of a listed controlled substance 62647
or a listed metabolite of a controlled substance specified for a 62648
violation of division (A)(1)(j) of this section, that fact may be 62649
considered with other competent evidence in determining the guilt 62650
or innocence of the defendant. This division does not limit or 62651
affect a criminal prosecution or juvenile court proceeding for a 62652
violation of division (B) of this section or for an equivalent 62653

a registered nurse, or a qualified technician, chemist, or 62662
phlebotomist of the person's own choosing administer a chemical 62663
test or tests, at the person's expense, in addition to any 62664

person was under arrest as described in division (A)(5) of section 62666

4511.191 of the Revised Code, the arresting officer shall advise 62667
the person at the time of the arrest that the person may have an 62668
independent chemical test taken at the person's own expense. If 62669
the person was under arrest other than described in division 62670
(A)(5) of section 4511.191 of the Revised Code, the form to be 62671
read to the person to be tested, as required under section 62672
4511.192 of the Revised Code, shall state that the person may have 62673
an independent test performed at the person's expense. The failure 62674
or inability to obtain an additional chemical test by a person 62675
shall not preclude the admission of evidence relating to the 62676
chemical test or tests taken at the request of a law enforcement 62677
officer. 62678

(4)(a) As used in divisions (D)(4)(b) and (c) of this 62679
section, "national highway traffic safety administration" means 62680

the influence of alcohol, a drug of abuse, or alcohol and a drug 62687
of abuse, or of a municipal ordinance relating to operating a 62688
vehicle with a prohibited concentration of alcohol, a controlled 62689
substance, or a metabolite of a controlled substance in the whole 62690
blood, blood serum or plasma, breath, or urine, if a law 62691
enforcement officer has administered a field sobriety test to the 62692
operator of the vehicle involved in the violation and if it is 62693
shown by clear and convincing evidence that the officer 62694
administered the test in substantial compliance with the testing 62695
standards for any reliable, credible, and generally accepted field 62696
sobriety tests that were in effect at the time the tests were 62697
administered, including, but not limited to, any testing standards 62698

then in effect that were set by the national highway traffic 62699
safety administration, all of the following apply: 62700

(i) The officer may testify concerning the results of the 62701
field sobriety test so administered. 62702

(ii) The prosecution may introduce the results of the field 62703
sobriety test so administered as evidence in any proceedings in 62704
the criminal prosecution or juvenile court proceeding. 62705

(iii) If testimony is presented or evidence is introduced 62706
under division (D)(4)(b)(i) or (ii) of this section and if the 62707

preclude a court, in its determination of whether the arrest of a 62713
person was supported by probable cause or its determination of any 62714
other matter in a criminal prosecution or juvenile court 62715
proceeding of a type described in that division, from considering 62716
evidence or testimony that is not otherwise disallowed by division 62717
(D)(4)(b) of this section. 62718

(E)(1) Subject to division (E)(3) of this section, in any 62719
criminal prosecution or juvenile court proceeding for a violation 62720
of division (A)(1)(b), (c), (d), (e), (f), (g), (h), (i), or (j) 62721
or (B)(1), (2), (3), or (4) of this section or for an equivalent 62722
offense that is substantially equivalent to any of those 62723
divisions, a laboratory report from any laboratory personnel 62724
issued a permit by the department of health authorizing an 62725
analysis as described in this division that contains an analysis 62726
of the whole blood, blood serum or plasma, breath, urine, or other 62727
bodily substance tested and that contains all of the information 62728
specified in this division shall be admitted as prima-facie 62729

evidence of the information and statements that the report 62730
contains. The laboratory report shall contain all of the 62731
following: 62732

controlled substance, or a combination of them that was found; 62737

(c) A copy of a notarized statement by the laboratory 62738
director or a designee of the director that contains the name of 62739
each certified analyst or test performer involved with the report, 62740

laboratory that issued the report, and a notation that performing 62742
an analysis of the type involved is part of the analyst's or test 62743
performer's regular duties; 62744

(d) An outline of the analyst's or test performer's 62745
education, training, and experience in performing the type of 62746
analysis involved and a certification that the laboratory 62747
satisfies appropriate quality control standards in general and, in 62748
this particular analysis, under rules of the department of health. 62749

liability and civil liability based upon a claim of assault and 62772
battery or any other claim that is not a claim of malpractice, for 62773
any act performed in withdrawing blood from the person. The 62774
immunity provided in this division is not available to a person 62775
who withdraws blood if the person engages in willful or wanton 62776
misconduct. 62777

(G)(1) Whoever violates any provision of divisions (A)(1)(a) 62778
to (i) or (A)(2) of this section is guilty of operating a vehicle 62779
under the influence of alcohol, a drug of abuse, or a combination 62780
of them. Whoever violates division (A)(1)(j) of this section is 62781
guilty of operating a vehicle while under the influence of a 62782
listed controlled substance or a listed metabolite of a controlled 62783
substance. The court shall sentence the offender for either 62784
offense under Chapter 2929. of the Revised Code, except as 62785
otherwise authorized or required by divisions (G)(1)(a) to (e) of 62786
this section: 62787

(a) Except as otherwise provided in division (G)(1)(b), (c), 62788
(d), or (e) of this section, the offender is guilty of a 62789
misdemeanor of the first degree, and the court shall sentence the 62790
offender to all of the following: 62791

(i) If the sentence is being imposed for a violation of 62792

division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a 62793
mandatory jail term of three consecutive days. As used in this 62794
division, three consecutive days means seventy-two consecutive 62795
hours. The court may sentence an offender to both an intervention 62796
program and a jail term. The court may impose a jail term in 62797
addition to the three-day mandatory jail term or intervention 62798
program. However, in no case shall the cumulative jail term 62799
imposed for the offense exceed six months. 62800

The court may suspend the execution of the three-day jail 62801
term under this division if the court, in lieu of that suspended 62802
term, places the offender under a community control sanction 62803
pursuant to section 2929.25 of the Revised Code and requires the 62804
offender to attend, for three consecutive days, a drivers' 62805
intervention program certified under section 3793.10 of the 62806
Revised Code. The court also may suspend the execution of any part 62807
of the three-day jail term under this division if it places the 62808
offender under a community control sanction pursuant to section 62809
2929.25 of the Revised Code for part of the three days, requires 62810
the offender to attend for the suspended part of the term a 62811
drivers' intervention program so certified, and sentences the 62812
offender to a jail term equal to the remainder of the three 62813
consecutive days that the offender does not spend attending the 62814
program. The court may require the offender, as a condition of 62815
community control and in addition to the required attendance at a 62816
drivers' intervention program, to attend and satisfactorily 62817
complete any treatment or education programs that comply with the 62818
minimum standards adopted pursuant to Chapter 3793. of the Revised 62819
Code by the director of alcohol and drug addiction services that 62820
the operators of the drivers' intervention program determine that 62821
the offender should attend and to report periodically to the court 62822
on the offender's progress in the programs. The court also may 62823
impose on the offender any other conditions of community control 62824
that it considers necessary. 62825

(ii) If the sentence is being imposed for a violation of 62826
division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this 62827
section, except as otherwise provided in this division, a 62828
mandatory jail term of at least three consecutive days and a 62829
requirement that the offender attend, for three consecutive days, 62830
a drivers' intervention program that is certified pursuant to 62831
section 3793.10 of the Revised Code. As used in this division, 62832
three consecutive days means seventy-two consecutive hours. If the 62833
court determines that the offender is not conducive to treatment 62834
in a drivers' intervention program, if the offender refuses to 62835
attend a drivers' intervention program, or if the jail at which 62836
the offender is to serve the jail term imposed can provide a 62837
driver's intervention program, the court shall sentence the 62838
offender to a mandatory jail term of at least six consecutive 62839
days. 62840

The court may require the offender, under a community control 62841
sanction imposed under section 2929.25 of the Revised Code, to 62842
attend and satisfactorily complete any treatment or education 62843
programs that comply with the minimum standards adopted pursuant 62844
to Chapter 3793. of the Revised Code by the director of alcohol 62845
and drug addiction services, in addition to the required 62846
attendance at drivers' intervention program, that the operators of 62847
the drivers' intervention program determine that the offender 62848
should attend and to report periodically to the court on the 62849
offender's progress in the programs. The court also may impose any 62850
other conditions of community control on the offender that it 62851
considers necessary. 62852

(iii) In all cases, a fine of not less than three hundred 62853
seventy-five and not more than one thousand seventy-five dollars; 62854
62855

(iv) In all cases, a class five license suspension of the 62856
offender's driver's or commercial driver's license or permit or 62857

nonresident operating privilege from the range specified in 62858
division (A)(5) of section 4510.02 of the Revised Code. The court 62859
may grant limited driving privileges relative to the suspension 62860
under sections 4510.021 and 4510.13 of the Revised Code. 62861

(b) Except as otherwise provided in division (G)(1)(e) of 62862
this section, an offender who, within six years of the offense, 62863
previously has been convicted of or pleaded guilty to one 62864
violation of division (A) or (B) of this section or one other 62865
equivalent offense is guilty of a misdemeanor of the first degree. 62866
The court shall sentence the offender to all of the following: 62867

(i) If the sentence is being imposed for a violation of 62868
division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a 62869
mandatory jail term of ten consecutive days. The court shall 62870
impose the ten-day mandatory jail term under this division unless, 62871
subject to division (G)(3) of this section, it instead imposes a 62872
sentence under that division consisting of both a jail term and a 62873
term of house arrest with electronic monitoring, with continuous 62874
alcohol monitoring, or with both electronic monitoring and 62875
continuous alcohol monitoring. The court may impose a jail term in 62876
addition to the ten-day mandatory jail term. The cumulative jail 62877
term imposed for the offense shall not exceed six months. 62878

In addition to the jail term or the term of house arrest with 62879
electronic monitoring or continuous alcohol monitoring or both 62880
types of monitoring and jail term, the court shall require the 62881
offender to be assessed by an alcohol and drug treatment program 62882
that is authorized by section 3793.02 of the Revised Code, subject 62883
to division (I) of this section, and shall order the offender to 62884
follow the treatment recommendations of the program. The purpose 62885
of the assessment is to determine the degree of the offender's 62886
alcohol usage and to determine whether or not treatment is 62887
warranted. Upon the request of the court, the program shall submit 62888
the results of the assessment to the court, including all 62889

treatment recommendations and clinical diagnoses related to 62890
alcohol use. 62891

(ii) If the sentence is being imposed for a violation of 62892
division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this 62893
section, except as otherwise provided in this division, a 62894
mandatory jail term of twenty consecutive days. The court shall 62895
impose the twenty-day mandatory jail term under this division 62896
unless, subject to division (G)(3) of this section, it instead 62897
imposes a sentence under that division consisting of both a jail 62898
term and a term of house arrest with electronic monitoring, with 62899
continuous alcohol monitoring, or with both electronic monitoring 62900
and continuous alcohol monitoring. The court may impose a jail 62901
term in addition to the twenty-day mandatory jail term. The 62902
cumulative jail term imposed for the offense shall not exceed six 62903
months. 62904

In addition to the jail term or the term of house arrest with 62905
electronic monitoring or continuous alcohol monitoring or both 62906
types of monitoring and jail term, the court shall require the 62907
offender to be assessed by an alcohol and drug treatment program 62908
that is authorized by section 3793.02 of the Revised Code, subject 62909
to division (I) of this section, and shall order the offender to 62910
follow the treatment recommendations of the program. The purpose 62911
of the assessment is to determine the degree of the offender's 62912
alcohol usage and to determine whether or not treatment is 62913
warranted. Upon the request of the court, the program shall submit 62914
the results of the assessment to the court, including all 62915
treatment recommendations and clinical diagnoses related to 62916
alcohol use. 62917

(iii) In all cases, notwithstanding the fines set forth in 62918
Chapter 2929. of the Revised Code, a fine of not less than five 62919
hundred twenty-five and not more than one thousand six hundred 62920
twenty-five dollars; 62921

(iv) In all cases, a class four license suspension of the 62922
offender's driver's license, commercial driver's license, 62923
temporary instruction permit, probationary license, or nonresident 62924
operating privilege from the range specified in division (A)(4) of 62925
section 4510.02 of the Revised Code. The court may grant limited 62926
driving privileges relative to the suspension under sections 62927
4510.021 and 4510.13 of the Revised Code. 62928

(v) In all cases, if the vehicle is registered in the 62929
offender's name, immobilization of the vehicle involved in the 62930
offense for ninety days in accordance with section 4503.233 of the 62931
Revised Code and impoundment of the license plates of that vehicle 62932
for ninety days. 62933

(c) Except as otherwise provided in division (G)(1)(e) of 62934
this section, an offender who, within six years of the offense, 62935
previously has been convicted of or pleaded guilty to two 62936
violations of division (A) or (B) of this section or other 62937
equivalent offenses is guilty of a misdemeanor. The court shall 62938
sentence the offender to all of the following: 62939

(i) If the sentence is being imposed for a violation of 62940
division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a 62941
mandatory jail term of thirty consecutive days. The court shall 62942
impose the thirty-day mandatory jail term under this division 62943
unless, subject to division (G)(3) of this section, it instead 62944
imposes a sentence under that division consisting of both a jail 62945
term and a term of house arrest with electronic monitoring, with 62946
continuous alcohol monitoring, or with both electronic monitoring 62947
and continuous alcohol monitoring. The court may impose a jail 62948
term in addition to the thirty-day mandatory jail term. 62949
Notwithstanding the jail terms set forth in sections 2929.21 to 62950
2929.28 of the Revised Code, the additional jail term shall not 62951
exceed one year, and the cumulative jail term imposed for the 62952
offense shall not exceed one year. 62953

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, a mandatory jail term of sixty consecutive days. The court shall impose the sixty-day mandatory jail term under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the sixty-day mandatory jail term. Notwithstanding the jail terms set forth in sections 2929.21 to 2929.28 of the Revised Code, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.

(iii) In all cases, notwithstanding the fines set forth in Chapter 2929. of the Revised Code, a fine of not less than eight hundred fifty and not more than two thousand seven hundred fifty dollars;

The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

(v) In all cases, if the vehicle is registered in the offender's name, criminal forfeiture of the vehicle involved in the offense in accordance with section 4503.234 of the Revised Code. Division (G)(6) of this section applies regarding any vehicle that is subject to an order of criminal forfeiture under this division.

(vi) In all cases, the court shall order the offender to

participate in an alcohol and drug addiction program authorized by 62986
section 3793.02 of the Revised Code, subject to division (I) of 62987
this section, and shall order the offender to follow the treatment 62988
recommendations of the program. The operator of the program shall 62989
determine and assess the degree of the offender's alcohol 62990
dependency and shall make recommendations for treatment. Upon the 62991
request of the court, the program shall submit the results of the 62992
assessment to the court, including all treatment recommendations 62993
and clinical diagnoses related to alcohol use. 62994

(d) Except as otherwise provided in division (G)(1)(e) of 62995
this section, an offender who, within six years of the offense, 62996
previously has been convicted of or pleaded guilty to three or 62997
four violations of division (A) or (B) of this section or other 62998

section, a mandatory prison term of one, two, three, four, or five 63036

request of the court, the program shall submit the results of the 63088
assessment to the court, including all treatment recommendations 63089
and clinical diagnoses related to alcohol use. 63090

(vii) In all cases, if the court sentences the offender to a 63091
