that county as compared to the total amount expended in the prior 1859
calendar year for legal services in that county by all eligible 1860

businesses receiving export assistance and to participants in 2394
foreign missions sufficient to recover the direct costs of those 2395
activities. The director shall adopt, as an internal management 2396
rule under section 111.15 of the Revised Code, a procedure for 2397
setting the fees and a schedule of fees for services commonly 2398

Code; and 2419

(C) Fees charged to businesses receiving export assistance 2420
and to participants in foreign missions to recover direct costs of 2421

Revised Code. 2423

Sec. 122.151. (A) An investor who proposes to make an 2424
investment of money in an Ohio entity may apply to an Edison 2425
center for a tax credit under this section. The Edison center 2426
shall prescribe the form of the application and any information 2427
that the investor must submit with the application. The investor 2428
shall include with the application a fee of two hundred dollars. 2429
The center, within three weeks after receiving the application, 2430
shall review it, determine whether the investor should be 2431
recommended for the tax credit, and send written notice of its 2432
initial determination to the industrial technology and enterprise 2433
advisory council and to the investor. If the center determines the 2434
investor should not be recommended for the tax credit, it shall 2435
include in the notice the reasons for the determination. Subject 2436
to divisions (C) and (D) of this section, an investor is eligible 2437
for a tax credit if all of the following requirements are met: 2438

(1) The investor's investment of money is in an Ohio entity 2439
engaged in a qualified trade or business. 2440

(2) The Ohio entity had less than two million five hundred 2441
thousand dollars of gross revenue during its most recently 2442
completed fiscal year or had a net book value of less than two 2443
million five hundred thousand dollars at the end of that fiscal 2444
year. 2445

(3) The investment takes the form of the purchase of common 2446
or preferred stock, a membership interest, a partnership interest, 2447
or any other ownership interest. 2448

(4) The amount of the investment for which the credit is 2449
being claimed does not exceed three hundred thousand dollars in 2450

the case of an investment in an EDGE business enterprise or in an Ohio entity located in a distressed area, or two hundred fifty thousand dollars in the case of an investment in any other Ohio entity.

(5) The money invested is entirely at risk of loss, where repayment depends upon the success of the business operations of the Ohio entity.

(6) No repayment of principal invested will be made for at least three years from the date the investment is made.

(7) The annual combined amount of any dividend and interest payments to be made to the investor will not exceed ten per cent of the amount of the investment for at least three years from the date the investment is made.

(8) The investor is not an employee with proprietary decision-making authority of the Ohio entity in which the investment of money is proposed, or related to such an individual. The Ohio entity is not an individual related to the investor. For purposes of this division, the industrial technology and enterprise advisory council shall define "an employee with proprietary decision-making authority."

(9) The investor is not an insider.

For the purposes of determining the net book value of an Ohio entity under division (A)(1) or (2) of this section, if the entity is a member of an affiliated group, the combined net book values of all of the members of that affiliated group shall be used.

Nothing in division (A)(6) or (7) of this section limits or disallows the distribution to an investor in a pass-through entity of a portion of the entity's profits equal to the investor's federal, state, and local income tax obligations attributable to the investor's allocable share of the entity's profits. Nothing in division (A)(6) or (7) of this section limits or disallows the

sale by an investor of part or all of the investor's interests in 2482
an Ohio entity by way of a public offering of shares in the Ohio 2483
entity. 2484

(B) A group of two but not more than twenty investors, each 2485
of whom proposes to make an investment of money in the same Ohio 2486
entity, may submit an application for tax credits under division 2487
(A) of this section. The group shall include with the application 2488
a fee of eight hundred dollars. The application shall identify 2489
each investor in the group and the amount of money each investor 2490
proposes to invest in the Ohio entity, and shall name a contact 2491
person for the group. The Edison center, within three weeks after 2492
receiving the application, shall review it, determine whether each 2493
investor of the group should be recommended for a tax credit under 2494
the conditions set forth in division (A) of this section, and send 2495
written notice of its determination to the industrial technology 2496
and enterprise advisory council and to the contact person. The 2497
center shall not recommend that a group of investors receive a tax 2498
credit unless each investor is eligible under those conditions. 2499
The center may disqualify from a group any investor who is not 2500
eligible under the conditions and recommend that the remaining 2501
group of investors receive the tax credit. If the center 2502
determines the group should not be recommended for the tax credit, 2503
it shall include in the notice the reasons for the determination. 2504

(C) The industrial technology and enterprise advisory council 2505
shall establish from among its members a three-person committee. 2506
Within four weeks after the council receives a notice of 2507
recommendation from an Edison center, the committee shall review 2508
the recommendation and issue a final determination of whether the 2509
investor or group is eligible for a tax credit under the 2510
conditions set forth in division (A) of this section. The 2511
committee may require the investor or group to submit additional 2512
information to support the application. The vote of at least two 2513

members of the committee is necessary for the issuance of a final 2514
determination or any other action of the committee. Upon making 2515
the final determination, the committee shall send written notice 2516
of approval or disapproval of the tax credit to the investor or 2517
group contact person, the director of development, and the Edison 2518
center. If the committee disapproves the tax credit, it shall 2519
include in the notice the reasons for the disapproval. 2520

(D)(1) The industrial technology and enterprise advisory 2521
council committee shall not approve more than one million five 2522
hundred thousand dollars of investments in any one Ohio entity. 2523
However, if a proposed investment of money in an Ohio entity has 2524
been approved but the investor does not actually make the 2525
investment, the committee may reassign the amount of that 2526
investment to another investor, as long as the total amount 2527
invested in the entity under this section does not exceed one 2528
million five hundred thousand dollars. 2529

If the one-million-five-hundred-thousand-dollar limit for an 2530
Ohio entity has not yet been reached and an application proposes 2531
an investment of money that would exceed the limit for that 2532
entity, the committee shall send written notice to the investor, 2533
or for a group, the contact person, that the investment cannot be 2534
approved as requested. Upon receipt of the notice, the investor or 2535
group may amend the application to propose an investment of money 2536
that does not exceed the limit. 2537

(2) Not more than ~~thirty~~ forty-five million dollars of tax 2538
credits shall be issued under sections 122.15 to 122.154 of the 2539
Revised Code. 2540

(E) If an investor makes an approved investment of less than 2541
two hundred fifty thousand dollars in any Ohio entity other than 2542
an EDGE business enterprise or in an Ohio entity located in a 2543
distressed area, the investor may apply for approval of another 2544
investment of money in that entity, as long as the total amount 2545

invested in that entity by the investor under this section does 2546
not exceed two hundred fifty thousand dollars. If an investor 2547
makes an approved investment of less than three hundred thousand 2548
dollars in an EDGE business enterprise or in an Ohio entity 2549
located in a distressed area, the investor may apply for approval 2550
of another investment of money in that entity, as long as the 2551
total amount invested in that entity by the investor under this 2552
section does not exceed three hundred thousand dollars. An 2553
investor who receives approval of an investment of money as part 2554
of a group may subsequently apply on an individual basis for 2555
approval of an additional investment of money in the Ohio entity. 2556

(F) The industrial technology and enterprise advisory council 2557
committee shall approve or disapprove tax credit applications 2558
under this section in the order in which they are received by the 2559
council. 2560

(G) The director of development may disapprove any 2561
application recommended by an Edison center and approved by the 2562
industrial technology and enterprise advisory council committee, 2563
or may disapprove a credit for which a tax credit certificate has 2564
been issued under section 122.152 of the Revised Code, if the 2565
director determines that the entity in which the applicant 2566
proposes to invest or has invested is not an Ohio entity eligible 2567
to receive investments that qualify for the credit. If the 2568
director disapproves an application, the director shall certify 2569
the action to the investor, the Edison center that recommended the 2570
application, the industrial technology and enterprise advisory 2571
council, and the tax commissioner, together with a written 2572
explanation of the reasons for the disapproval. If the director 2573
disapproves a tax credit after a tax credit certificate is issued, 2574
the investor shall not claim the credit for the taxable year that 2575
includes the day the director disapproves the credit, or for any 2576
subsequent taxable year. 2577

The director of development, in accordance with section 2578
111.15 of the Revised Code and with the advice of the industrial 2579
technology and enterprise advisory council, may adopt, amend, and 2580
rescind rules necessary to implement sections 122.15 to 122.154 of 2581
the Revised Code. 2582

(H) An Edison center shall use application fees received 2583
under this section only for the costs of administering sections 2584
122.15 to 122.154 of the Revised Code. 2585

Sec. 122.17. (A) As used in this section: 2586

~~(1) "Full-time employee" means an individual who is employed 2587
for consideration for at least an average of thirty five hours a 2588
week, who renders any other standard of service generally accepted 2589
by custom or specified by contract as full time employment, or who 2590
is employed for consideration for such time or renders such 2591
service but is on family or medical leave under the federal Family 2592
and Medical Leave Act of 1993, Pub. L. No. 103-3, 107 Stat. 6, as 2593
amended, or on active duty reserve or Ohio national guard service. 2594
2595~~

~~(2) "New employee" means one of the following: 2596~~

~~(a) A full time employee first employed by a taxpayer in the 2597
project that is the subject of the agreement after the taxpayer 2598
enters into a tax credit agreement with the tax credit authority 2599
under this section; 2600~~

~~(b) A full time employee first employed by a taxpayer in the 2601
project that is the subject of the tax credit after the tax credit 2602
authority approves a project for a tax credit under this section 2603
in a public meeting, as long as the taxpayer enters into the tax 2604
credit agreement prepared by the department of development after 2605
such meeting within sixty days after receiving the agreement from 2606
the department. If the taxpayer fails to enter into the agreement 2607~~

~~within sixty days, "new employee" has the same meaning as under 2608
division (A)(2)(a) of this section. A full time employee may be 2609
considered a "new employee" of a taxpayer, despite previously 2610
having been employed by a related member of the taxpayer, if all 2611
of the following apply: 2612~~

~~(i) The related member is a party to the tax credit agreement 2613
at the time the employee is first employed with the taxpayer; 2614~~

~~(ii) The related member will remain subject to the tax 2615
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 2616
under Chapter 5751. of the Revised Code for the remainder of the 2617
term of the tax credit, and the tax credit is taken against 2618
liability for that same tax through the remainder of the term of 2619
the tax credit; and 2620~~

~~(iii) The employee was considered a new employee of the 2621
related member prior to employment with the taxpayer. 2622~~

~~Under division (A)(2)(a) or (b) of this section, if the tax 2623
credit authority determines it appropriate, "new employee" also 2624
may include an employee re-hired or called back from lay off to 2625
work in a new facility or on a new product or service established 2626
or produced by the taxpayer after entering into the agreement 2627
under this section or after the tax credit authority approves the 2628
tax credit in a public meeting. Except as otherwise provided in 2629
this paragraph, "new employee" does not include any employee of 2630
the taxpayer who was previously employed in this state by a 2631
related member of the taxpayer and whose employment was shifted to 2632
the taxpayer after the taxpayer entered into the tax credit 2633
agreement or after the tax credit authority approved the credit in 2634
a public meeting, or any employee of the taxpayer for which the 2635
taxpayer has been granted a certificate under division (B) of 2636
section 5709.66 of the Revised Code. However, if the taxpayer is 2637
engaged in the enrichment and commercialization of uranium or 2638
uranium products or is engaged in research and development 2639~~

~~activities related thereto and if the tax credit authority 2640
determines it appropriate, "new employee" may include an employee 2641
of the taxpayer who was previously employed in this state by a 2642
related member of the taxpayer and whose employment was shifted to 2643
the taxpayer after the taxpayer entered into the tax credit 2644
agreement or after the tax credit authority approved the credit in 2645
a public meeting. "New employee" does not include an employee of 2646
the taxpayer who is employed in an employment position that was 2647
relocated to a project from other operations of the taxpayer in 2648
this state or from operations of a related member of the taxpayer 2649
in this state. In addition, "new employee" does not include a 2650
child, grandchild, parent, or spouse, other than a spouse who is 2651
legally separated from the individual, of any individual who is an 2652
employee of the taxpayer and who has a direct or indirect 2653
ownership interest of at least five per cent in the profits, 2654
capital, or value of the taxpayer. Such ownership interest shall 2655
be determined in accordance with section 1563 of the Internal 2656
Revenue Code and regulations prescribed thereunder. 2657~~

~~(3) "New income Income tax revenue" means the total amount 2658
withheld under section 5747.06 of the Revised Code by the taxpayer 2659
during the taxable year, or during the calendar year that includes 2660
the tax period, from the compensation of ~~new employees for the tax~~ 2661
~~levied under Chapter 5747. of the Revised Code.~~ 2662~~

~~(4) "Related member" has the same meaning as under division 2664
(A)(6) of section 5733.042 of the Revised Code without regard to 2665
division (B) of that section each employee employed in the project 2666
to the extent the employee's withholdings are not used to 2667
determine the credit under section 122.171 of the Revised Code. 2668~~

~~(2) "Baseline income tax revenue" means income tax revenue 2669
except that the applicable withholding period is the twelve months 2670
immediately preceding the date the tax credit authority approves 2671~~

the taxpayer's application multiplied by the sum of one plus an 2672
annual pay increase factor to be determined by the tax credit 2673
authority. If the taxpayer becomes eligible for the credit after 2674
the first day of the taxpayer's taxable year or after the first 2675
day of the calendar year that includes the tax period, the 2676
taxpayer's baseline income tax revenue shall be reduced in 2677
proportion to the number of days during the taxable or calendar 2678
year for which the taxpayer was not eligible for the credit. For 2679
subsequent taxable or calendar years, "baseline income tax 2680
revenue" equals the unreduced baseline income tax revenue for the 2681
preceding taxable or calendar year multiplied by the sum of one 2682
plus the pay increase factor. 2683

(3) "Excess income tax revenue" means income tax revenue 2684
minus baseline income tax revenue. 2685

(B) The tax credit authority may make grants under this 2686
section to foster job creation in this state. Such a grant shall 2687
take the form of a refundable credit allowed against the tax 2688
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 2689
under Chapter 5751. of the Revised Code. The credit shall be 2690
claimed for the taxable years or tax periods specified in the 2691
taxpayer's agreement with the tax credit authority under division 2692
(D) of this section. With respect to taxes imposed under section 2693
5733.06 or 5747.02 or Chapter 5751. of the Revised Code, the 2694
credit shall be claimed in the order required under section 2695
5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of 2696
the credit available for a taxable year or for a calendar year 2697
that includes a tax period equals the ~~new~~ excess income tax 2698
revenue for that year multiplied by the percentage specified in 2699
the agreement with the tax credit authority. Any credit granted 2700
under this section against the tax imposed by section 5733.06 or 2701
5747.02 of the Revised Code, to the extent not fully utilized 2702
against such tax for taxable years ending prior to 2008, shall 2703

automatically be converted without any action taken by the tax 2704
credit authority to a credit against the tax levied under Chapter 2705
5751. of the Revised Code for tax periods beginning on or after 2706
July 1, 2008, provided that the person to whom the credit was 2707
granted is subject to such tax. The converted credit shall apply 2708
to those calendar years in which the remaining taxable years 2709
specified in the agreement end. 2710

(C) A taxpayer or potential taxpayer who proposes a project 2711
to create new jobs in this state may apply to the tax credit 2712
authority to enter into an agreement for a tax credit under this 2713
section. The director of development shall prescribe the form of 2714
the application. After receipt of an application, the authority 2715
may enter into an agreement with the taxpayer for a credit under 2716
this section if it determines all of the following: 2717

(1) The taxpayer's project will ~~create new jobs in this state~~ 2718
increase payroll and income tax revenue; 2719

(2) The taxpayer's project is economically sound and will 2720
benefit the people of this state by increasing opportunities for 2721
employment and strengthening the economy of this state; 2722

(3) Receiving the tax credit is a major factor in the 2723
taxpayer's decision to go forward with the project. 2724

(D) An agreement under this section shall include all of the 2725
following: 2726

(1) A detailed description of the project that is the subject 2727
of the agreement; 2728

(2) The term of the tax credit, which shall not exceed 2729
fifteen years, and the first taxable year, or first calendar year 2730
that includes a tax period, for which the credit may be claimed; 2731

(3) A requirement that the taxpayer shall maintain operations 2732
at the project location for at least ~~twice the number of years as~~ 2733

~~the term of the tax credit~~ the greater of seven years or the term 2734
of the credit plus three years; 2735

(4) The percentage, as determined by the tax credit 2736
authority, of ~~new~~ excess income tax revenue that will be allowed 2737
as the amount of the credit for each taxable year or for each 2738
calendar year that includes a tax period; 2739

(5) ~~A specific method for determining how many new employees~~ 2740
~~are employed during a taxable year or during a calendar year that~~ 2741
~~includes a tax period~~ The pay increase factor to be applied to the 2742
taxpayer's baseline income tax revenue; 2743

(6) A requirement that the taxpayer annually shall report to 2744
the director of development ~~the number of new employees, the new~~ 2745
~~income tax revenue withheld in connection with the new employees,~~ 2746
~~and any~~ employment, tax withholding, investment, and other 2747
information the director needs to perform the director's duties 2748
under this section; 2749

(7) A requirement that the director of development annually 2750
~~shall verify the amounts~~ review the information reported under 2751
division (D)(6) of this section, ~~and after doing so shall issue a~~ 2752
~~certificate to the taxpayer stating that the amounts have been~~ 2753
~~verified~~ and verify compliance with the agreement; if the taxpayer 2754
is in compliance, a requirement that the director issue a 2755
certificate to the taxpayer stating that the information has been 2756
verified and identifying the amount of the credit that may be 2757
claimed for the taxable or calendar year; 2758

(8)(a) ~~A provision requiring that the taxpayer, except as~~ 2759
~~otherwise provided in division (D)(8)(b) of this section, shall~~ 2760
~~not relocate employment positions from elsewhere in this state to~~ 2761
~~the project site that is the subject of the agreement for the~~ 2762
~~lesser of five years from the date the agreement is entered into~~ 2763
~~or the number of years the taxpayer is entitled to claim the tax~~ 2764

~~credit.~~ 2765

~~(b) The taxpayer may relocate employment positions from
elsewhere in this state to the project site that is the subject of
the agreement if the director of development determines both of
the following:~~ 2766
2767
2768
2769

~~(i) That the site from which the employment positions would
be relocated is inadequate to meet market and industry conditions,
expansion plans, consolidation plans, or other business
considerations affecting the taxpayer;~~ 2770
2771
2772
2773

~~(ii) That A provision providing that the taxpayer may not
relocate a substantial number of employment positions from
elsewhere in this state to the project location unless the
director of development determines that the legislative authority
of the county, township, or municipal corporation from which the
employment positions would be relocated has been notified by the
taxpayer of the relocation.~~ 2774
2775
2776
2777
2778
2779
2780

For purposes of this section, the movement of an employment
position from one political subdivision to another political
subdivision shall be considered a relocation of an employment
position, ~~but the transfer of an individual employee from one
political subdivision to another political subdivision shall not
be considered a relocation of an employment position as long as
the individual's employment position in the first political
subdivision is refilled unless the employment position in the
first political subdivision is replaced.~~ 2781

(E) If a taxpayer fails to meet or comply with any condition
or requirement set forth in a tax credit agreement, the tax credit
authority may amend the agreement to reduce the percentage or term
of the tax credit. The reduction of the percentage or term ~~shall
take effect (1) in the taxable year immediately following the
taxable year in which the authority amends the agreement or the~~ 2790

~~director of development notifies the taxpayer in writing of such 2796
failure, or (2) in the first tax period beginning in the calendar 2797
year immediately following the calendar year in which the 2798
authority amends the agreement or the director notifies the 2799
taxpayer in writing of such failure. If the taxpayer fails to 2800
annually report any of the information required by division (D)(6) 2801
of this section within the time required by the director, the 2802
reduction of the percentage or term may take effect in the current 2803
taxable year. If the taxpayer relocates employment positions in 2804
violation of the provision required under division (D)(8)(a) of 2805
this section, the taxpayer shall not claim the tax credit under 2806
section 5733.0610 of the Revised Code for any tax years following 2807

or superintendent within sixty days after the commissioner or 2855
superintendent requests it. 2856

(I) The director of development, after consultation with the 2857

shall issue a certificate to the taxpayer stating that the 3242
information has been verified and identifying the amount of the 3243
credit for the taxable year or calendar year that includes the tax 3244
period. ~~Unless otherwise specified by the tax credit authority in~~ 3245
~~a resolution and included as part of the agreement, the director~~ 3246
~~shall not issue a certificate for any year in which the total~~ 3247
~~number of filled full-time employment positions for each day of~~ 3248
~~the calendar year divided by three hundred sixty five is less than~~ 3249
~~ninety per cent of the full-time employment positions specified in~~ 3250
~~division (E)(5) of this section. In determining the number of~~ 3251
full-time ~~employment positions~~ equivalent employees, no position 3252
shall be counted that is filled by an employee who is included in 3253
the calculation of a tax credit under section 122.17 of the 3254
Revised Code. 3255

~~(8)(a)~~ A provision requiring that the taxpayer, except as 3256

~~or the number of years the taxpayer is entitled to claim the~~ 3261
~~credit.~~ 3262

~~(b)~~ The taxpayer may relocate employment positions from 3263
~~elsewhere in this state to the project site that is the subject of~~ 3264
~~the agreement if the director of development determines both of~~ 3265
~~the following:~~ 3266

~~(i)~~ That the site from which the employment positions would 3267
~~be relocated is inadequate to meet market and industry conditions,~~ 3268

~~expansion plans, consolidation plans, or other business
considerations affecting the taxpayer;~~ 3269
3270

~~(ii) That (7) A provision providing that the taxpayer may not
relocate a substantial number of employment positions from
elsewhere in this state to the project site unless the director of
development determines that the taxpayer notified the legislative

For purposes of this section, the movement of an employment 3278
position from one political subdivision to another political 3279
subdivision shall be considered a relocation of an employment 3280
position unless the movement is confined to the project site. The 3281
transfer of an ~~individual employee~~ employment position from one 3282
political subdivision to another political subdivision shall not 3283
be considered a relocation of an employment position ~~as long as~~ 3284
~~the individual's employment position in the first political~~ 3285

~~(9) if the employment position in the first political
subdivision is replaced by another employment position.~~ 3287
3288

(8) A waiver by the taxpayer of any limitations periods 3289
relating to assessments or adjustments resulting from the 3290
taxpayer's failure to comply with the agreement. 3291

(F) If a taxpayer fails to meet or comply with any condition 3292
or requirement set forth in a tax credit agreement, the tax credit 3293
authority may amend the agreement to reduce the percentage or term 3294
of the credit. The reduction of the percentage or term ~~shall take~~ 3295
~~effect (1) in the taxable year immediately following the taxable~~ 3296
~~year in which the authority amends the agreement or the director~~ 3297
~~of development notifies the taxpayer in writing of such failure,~~ 3298
~~or (2) in the first tax period beginning in the calendar year~~ 3299

~~immediately following the calendar year in which the authority 3300
amends the agreement or the director notifies the taxpayer in 3301
writing of such failure. If the taxpayer fails to annually report 3302
any of the information required by division (E)(6) of this section 3303
within the time required by the director, the reduction of the 3304
percentage or term may take effect in the current taxable year. If 3305
the taxpayer relocates employment positions in violation of the 3306
provision required under division (E)(8)(a) of this section, the 3307
taxpayer shall not claim the tax credit under section 5733.0610 of 3308
the Revised Code for any tax years following the calendar year in 3309
which the relocation occurs, shall not claim the tax credit under 3310
section 5747.058 of the Revised Code for the taxable year in which 3311

the Revised Code for the tax period in which the relocation occurs 3314
and any subsequent tax periods may take effect in the current 3315
taxable or calendar year. 3316~~

(G) Financial statements and other information submitted to 3317
the department of development or the tax credit authority by an 3318
applicant for or recipient of a tax credit under this section, and 3319
any information taken for any purpose from such statements or 3320
information, are not public records subject to section 149.43 of 3321
the Revised Code. However, the chairperson of the authority may 3322
make use of the statements and other information for purposes of 3323
issuing public reports or in connection with court proceedings 3324
concerning tax credit agreements under this section. Upon the 3325
request of the tax commissioner, the chairperson of the authority 3326
shall provide to the commissioner any statement or other 3327
information submitted by an applicant for or recipient of a tax 3328
credit in connection with the credit. The commissioner shall 3329
preserve the confidentiality of the statement or other 3330
information. 3331

(H) A taxpayer claiming a tax credit under this section shall 3332
submit to the tax commissioner or, in the case of an insurance 3333
company, to the superintendent of insurance, a copy of the 3334
director of development's certificate of verification under 3335
division (E)~~(7)~~(6) of this section with the taxpayer's tax report 3336
or return for the taxable year or for the calendar year that 3337
includes the tax period. Failure to submit a copy of the 3338
certificate with the report or return does not invalidate a claim 3339
for a credit if the taxpayer submits a copy of the certificate to 3340
the commissioner within sixty days after the commissioner or 3341
superintendent requests it. 3342

(I) For the purposes of this section, a taxpayer may include 3343
a partnership, a corporation that has made an election under 3344
subchapter S of chapter one of subtitle A of the Internal Revenue 3345
Code, or any other business entity through which income flows as a 3346
distributive share to its owners. A partnership, S-corporation, or 3347
other such business entity may elect to pass the credit received 3348
under this section through to the persons to whom the income or 3349
profit of the partnership, S-corporation, or other entity is 3350
distributed. The election shall be made on the annual report 3351
required under division (E)~~(6)~~(5) of this section. The election 3352
applies to and is irrevocable for the credit for which the report 3353
is submitted. If the election is made, the credit shall be 3354
apportioned among those persons in the same proportions as those 3355
in which the income or profit is distributed. 3356

(J) If the director of development determines that a taxpayer 3357
that received a tax credit under this section is not complying 3358
with the requirement under division (E)~~(4)~~(3) of this section, the 3359
director shall notify the tax credit authority of the 3360
noncompliance. After receiving such a notice, and after giving the 3361
taxpayer an opportunity to explain the noncompliance, the 3362
authority may terminate the agreement and require the taxpayer to 3363

refund to the state all or a portion of the credit claimed in 3364
previous years, as follows: 3365

(1) If the taxpayer maintained operations at the project site 3366
for less than or equal to the term of the credit, ~~the amount~~ 3367
~~required to be refunded shall not exceed the amount~~ an amount not 3368

~~previously~~ allowed and received under this section. 3370

(2) If the taxpayer maintained operations at the project site 3371
longer than the term of the credit, but less than the greater of 3372
(a) the term of the credit plus three years, or (b) seven years, 3373
the amount required to be refunded shall not exceed fifty per cent 3374
of the sum of any tax credits ~~previously~~ allowed and received 3375
under this section. 3376

In determining the portion of the credit to be refunded to 3377
this state, the authority shall consider the effect of market 3378
conditions on the taxpayer's project and whether the taxpayer 3379
continues to maintain other operations in this state. After making 3380
the determination, the authority shall certify the amount to be 3381
refunded to the tax commissioner. ~~The~~ or the superintendent of 3382

If the taxpayer is an insurance company, the superintendent of 3386
insurance shall make an assessment under section 5725.222 or 3387
5729.102 of the Revised Code. The time limitations on assessments 3388
under those chapters and sections do not apply to an assessment 3389
under this division, but the commissioner or superintendent shall 3390
make the assessment within one year after the date the authority 3391
certifies to the commissioner or superintendent the amount to be 3392
refunded. 3393

~~If the director of development determines that a taxpayer~~ 3394
~~that received a tax credit under this section has reduced the~~ 3395

~~number of employees agreed to under division (E)(5) of this 3396
section by more than ten per cent, the director shall notify the 3397
tax credit authority of the noncompliance. After receiving such 3398
notice, and after providing the taxpayer an opportunity to explain 3399
the noncompliance, the authority may amend the agreement to reduce 3400
the percentage or term of the tax credit. The reduction in the 3401
percentage or term shall take effect in the taxable year, or in 3402
the calendar year that includes the tax period, in which the 3403
authority amends the agreement. 3404~~

(K) The director of development, after consultation with the 3405
tax commissioner and in accordance with Chapter 119. of the 3406
Revised Code, shall adopt rules necessary to implement this 3407
section. The rules may provide for recipients of tax credits under 3408
this section to be charged fees to cover administrative costs of 3409
the tax credit program. The fees collected shall be credited to 3410
the tax incentive programs operating fund created in section 3411
122.174 of the Revised Code. At the time the director gives public 3412
notice under division (A) of section 119.03 of the Revised Code of 3413
the adoption of the rules, the director shall submit copies of the 3414
proposed rules to the chairpersons of the standing committees on 3415

preceding calendar year, a description of the project that is the 3424
subject of each such agreement, and an update on the status of 3425
projects under agreements entered into before the preceding 3426
calendar year. 3427

<u>(C)(1) A motion picture company whose motion picture has been certified as a tax credit-eligible production may apply to the director of development for a refundable credit against the tax imposed by section 5733.06 or 5747.02 of the Revised Code. <u>The credit is determined as follows:</u>	3701

(a) If the total budgeted eligible production expenditures 3702
stated in the application submitted under division (B) of this 3703
section or the actual eligible production expenditures as finally 3704
determined under division (D) of this section, whichever is least, 3705
is less than or equal to one million two hundred thousand dollars, 3706
no credit is allowed; 3707

(b) If the total budgeted eligible production expenditures 3708
stated in the application submitted under division (B) of this 3709
section or the actual eligible production expenditures as finally 3710
determined under division (D) of this section, whichever is least, 3711
is greater than one million two hundred thousand dollars, the 3712
credit equals twenty-five per cent of the least of those eligible 3713
production expenditure amounts, subject to the limitation in 3714
division (C)(4) of this section. 3715

(2) Except as provided in division (C)(4) of this section, if 3716
the director of development approves a motion picture company's 3717
application for a credit, the director shall issue a tax credit 3718
certificate to the company. The director in consultation with the 3719
tax commissioner shall prescribe the form and manner of issuing 3720
certificates. The director shall assign a unique identifying 3721
number to each tax credit certificate and shall record the 3722
certificate in a register devised and maintained by the director 3723
for that purpose. The certificate shall state the amount of the 3724
eligible production expenditures on which the credit is based and 3725
the amount of the credit. Upon the issuance of a certificate, the 3726
director shall certify to the tax commissioner, in the form and 3727
manner requested by the tax commissioner, the name of the 3728
applicant, the amount of eligible production expenditures shown on 3729
the certificate, and any other information required by the rules 3730
adopted to administer this section. 3731

(3) The amount of eligible production expenditures for which 3732
a tax credit may be claimed is subject to inspection and 3733

examination by the tax commissioner or employees of the 3734
commissioner under section 5703.19 of the Revised Code and any 3735
other applicable law. Once the eligible production expenditures 3736
are finally determined under section 5703.19 of the Revised Code 3737
and division (D) of this section, the credit amount is not subject 3738
to adjustment unless the director determines an error was 3739
committed in the computation of the credit amount. 3740

(4) No tax credit certificate may be issued before the 3741
completion of the tax credit-eligible production. Not more than 3742
twenty million dollars of tax credit may be allowed per fiscal 3743
biennium, and not more than five million dollars of tax credit may 3744
be allowed per tax credit-eligible production. 3745

(D) A motion picture company whose motion picture has been 3746
certified as a tax credit-eligible production shall engage, at the 3747
company's expense, an independent certified public accountant to 3748
examine the company's production expenditures to identify the 3749
expenditures that qualify as eligible production expenditures. The 3750
certified public accountant shall issue a report to the company 3751
and to the director of development certifying the company's 3752
eligible production expenditures and any other information 3753
required by the director. Upon receiving and examining the report, 3754
the director may disallow any expenditure the director determines 3755
is not an eligible production expense. If the director disallows 3756
an expenditure, the director shall issue a written notice to the 3757
motion picture production company stating that the expenditure is 3758
disallowed and the reason for the disallowance. Upon examination 3759
of the report and disallowance of any expenditures, the director 3760
shall determine finally the lesser of the total budgeted eligible 3761
production expenditures stated in the application submitted under 3762
division (B) of this section or the actual eligible production 3763
expenditures for the purpose of computing the amount of the 3764
credit. 3765

(E) No credit shall be allowed under section 5733.59 or 5747.66 of the Revised Code unless the director has reviewed the report and made the determination prescribed by division (D) of this section. 3766

(4) To prepare and suggest comprehensive plans for the 3839
development of grounds and buildings under the control of a state 3840

(5) To acquire, by purchase, gift, devise, lease, or grant, 3842

agencies involved, rules governing space requirements for office 3886
or storage use; 3887

the lease period, the buildings, structures, and related 3895

(a) Whenever any building, structure, or other improvement is 3898
to be so leased by a state agency, the department shall retain 3899
either basic plans, specifications, bills of materials, and 3900

competent mechanic or other builder to carry them out and afford 3912
bidders all needed information; 3913

(v) A full and accurate estimate of each item of expense and 3914
of the aggregate cost thereof. 3915

(b) The department shall give public notice, in such 3916

state agency a building, structure, or other improvement. The last 3921

publication shall be at least eight days preceding the day for 3922
opening the bids. The bids shall contain the terms upon which the 3923
builder would propose to lease the building, structure, or other 3924
improvement to the state agency. The form of the bid approved by 3925
the department shall be used, and a bid is invalid and shall not 3926

(c) On the day and at the place named for receiving bids for 3930
entering into lease agreements with a state agency, the director 3931

until, if the builder submitting the lowest and best bid is a 3937
foreign corporation, the secretary of state has certified that the 3938
corporation is authorized to do business in this state, until, if 3939
the builder submitting the lowest and best bid is a person 3940
nonresident of this state, the person has filed with the secretary 3941
of state a power of attorney designating the secretary of state as 3942
its agent for the purpose of accepting service of summons in any 3943
action brought under Chapter 4123. of the Revised Code, and until 3944
the agreement is submitted to the attorney general and the 3945
attorney general's approval is certified thereon. Within thirty 3946
days after the day on which the bids are received, the department 3947
shall investigate the bids received and shall determine that the 3948
bureau and the secretary of state have made the certifications 3949
required by this section of the builder who has submitted the 3950
lowest and best bid. Within ten days of the completion of the 3951
investigation of the bids, the department shall award the lease 3952
agreement to the builder who has submitted the lowest and best bid 3953
and who has been certified by the bureau and secretary of state as 3954

required by this section. If bidding for the lease agreement has 3955

builder the department, or the builder with the approval of the 3958
department, shall appoint an architect or engineer licensed in 3959
this state to prepare such further detailed plans, specifications, 3960
and bills of materials as are required to construct the building, 3961

as are necessary to give effect to this section. The department 3963

collusion or combination among bidders, the bids of those 3965
concerned therein shall be rejected. 3966

lease shall provide that at the end of the lease period the 4012
buildings, structures, and related improvements shall become the 4013
property of the state without cost. 4014

The mere failure of an employee's appointing authority to 4132
file a statement with the department of administrative services 4133
indicating that the employee is in the unclassified civil service, 4134
or the mere late filing of such a statement, does not prevent the 4135

sobriety, industry, capacity, and experience in the work or 4551
employment for which application is made. Laborers who fulfill the 4552
requirements shall be placed on the eligible list for the kind of 4553
labor or employment sought, and preference shall be given in 4554
employment in accordance with the rating received from that 4555
evidence or in those tests. Upon the request of an appointing 4556
officer, stating the kind of labor needed, the pay and probable 4557
length of employment, and the number to be employed, the director 4558
or commission, as applicable, shall certify from the highest on 4559
the list double the number to be employed; from this number, the 4560
appointing officer shall appoint the number actually needed for 4561
the particular work. If more than one applicant receives the same 4562
rating, priority in time of application shall determine the order 4563
in which their names shall be certified for appointment. 4564

(C) A municipal or civil service township civil service 4565
commission may place volunteer firefighters who are paid on a 4566
fee-for-service basis in either the classified or the unclassified 4567

classified service under sections 4121.121, 5119.071, 5120.38, 4571
5120.381, 5120.382, 5123.08, 5139.02, and 5501.19 of the Revised 4572
Code. 4573

An appointing authority whose employees are paid directly by 4574
warrant of the director of budget and management may appoint a 4575
person who holds a certified position in the classified service 4576

unclassified service within that agency. A person appointed 4578
pursuant to this division to a position in the unclassified 4579

service shall retain the right to resume the position and status 4580
held by the person in the classified service immediately prior to 4581
the person's appointment to the position in the unclassified 4582
service, regardless of the number of positions the person held in 4583
the unclassified service. An employee's right to resume a position 4584
in the classified service may only be exercised when an appointing 4585
authority demotes the employee to a pay range lower than the 4586
employee's current pay range or revokes the employee's appointment 4587
to the unclassified service. An employee forfeits the right to 4588
resume a position in the classified service when the employee is 4589
removed from the position in the unclassified service due to 4590
incompetence, inefficiency, dishonesty, drunkenness, immoral 4591
conduct, insubordination, discourteous treatment of the public, 4592
neglect of duty, violation of this chapter or the rules of the 4593
director of administrative services, any other failure of good 4594
behavior, any other acts of misfeasance, malfeasance, or 4595
nonfeasance in office, or conviction of a felony. An employee also 4596
forfeits the right to resume a position in the classified service 4597
upon transfer to a different agency. 4598

Reinstatement to a position in the classified service shall 4599
be to a position substantially equal to that position in the 4600
classified service held previously, as certified by the director 4601
of administrative services. If the position the person previously 4602
held in the classified service has been placed in the unclassified 4603
service or is otherwise unavailable, the person shall be appointed 4604
to a position in the classified service within the appointing 4605
authority's agency that the director of administrative services 4606
certifies is comparable in compensation to the position the person 4607
previously held in the classified service. Service in the position 4608
in the unclassified service shall be counted as service in the 4609
position in the classified service held by the person immediately 4610
prior to the person's appointment to the position in the 4611
unclassified service. When a person is reinstated to a position in 4612

the classified service as provided in this division, the person is 4613
entitled to all rights, status, and benefits accruing to the 4614
position in the classified service during the person's time of 4615
service in the position in the unclassified service. 4616

Sec. 124.14. (A)(1) The director of administrative services 4617
shall establish, and may modify or rescind, by rule, a job 4618
classification plan for all positions, offices, and employments 4619
the salaries of which are paid in whole or in part by the state. 4620
The director shall group jobs within a classification so that the 4621
positions are similar enough in duties and responsibilities to be 4622
described by the same title, to have the same pay assigned with 4623
equity, and to have the same qualifications for selection applied. 4624
The director shall, by rule, assign a classification title to each 4625
classification within the classification plan. However, the 4626
director shall consider in establishing classifications, including 4627
classifications with parenthetical titles, and assigning pay 4628
ranges such factors as duties performed only on one shift, special 4629
skills in short supply in the labor market, recruitment problems, 4630
separation rates, comparative salary rates, the amount of training 4631
required, and other conditions affecting employment. The director 4632
shall describe the duties and responsibilities of the class, 4633
establish the qualifications for being employed in each position 4634
in the class, and file with the secretary of state a copy of 4635
specifications for all of the classifications. The director shall 4636
file new, additional, or revised specifications with the secretary 4637
of state before they are used. 4638

The director shall, by rule, assign each classification, 4639
either on a statewide basis or in particular counties or state 4640
institutions, to a pay range established under section 124.15 or 4641
section 124.152 of the Revised Code. The director may assign a 4642
classification to a pay range on a temporary basis for a period of 4643
six months. The director may establish, by rule adopted under 4644

Chapter 119. of the Revised Code, experimental classification 4645
plans for some or all employees paid directly by warrant of the 4646
director of budget and management. The rule shall include 4647
specifications for each classification within the plan and shall 4648
specifically address compensation ranges, and methods for 4649
advancing within the ranges, for the classifications, which may be 4650
assigned to pay ranges other than the pay ranges established under 4651
section 124.15 or 124.152 of the Revised Code. 4652

(2) The director of administrative services may reassign to a 4653
proper classification those positions that have been assigned to 4654
an improper classification. If the compensation of an employee in 4655
such a reassigned position exceeds the maximum rate of pay for the 4656
employee's new classification, the employee shall be placed in pay 4657
step X and shall not receive an increase in compensation until the 4658
maximum rate of pay for that classification exceeds the employee's 4659
compensation. 4660

(3) The director may reassign an exempt employee, as defined 4661
in section 124.152 of the Revised Code, to a bargaining unit 4662
classification if the director determines that the bargaining unit 4663
classification is the proper classification for that employee. 4664
Notwithstanding Chapter 4117. of the Revised Code or instruments 4665
and contracts negotiated under it, these placements are at the 4666
director's discretion. 4667

(4) The director shall, by rule, assign related 4668
classifications, which form a career progression, to a 4669
classification series. The director shall, by rule, assign each 4670
classification in the classification plan a five-digit number, the 4671
first four digits of which shall denote the classification series 4672
to which the classification is assigned. When a career progression 4673
encompasses more than ten classifications, the director shall, by 4674
rule, identify the additional classifications belonging to a 4675
classification series. The additional classifications shall be 4676

part of the classification series, notwithstanding the fact that 4677
the first four digits of the number assigned to the additional 4678
classifications do not correspond to the first four digits of the 4679
numbers assigned to other classifications in the classification 4680
series. 4681

(5) The director, ~~in accordance with rules adopted under~~ 4682
~~Chapter 119. of the Revised Code, shall establish, and may~~ 4683
establish, modify, or rescind, a classification plan for county 4684
agencies that elect not to use the services and facilities of a 4685
county personnel department. The director shall establish any such 4686
classification plan by means of rules adopted under Chapter 119. 4687
of the Revised Code. The rules shall include a methodology for the 4688
establishment of titles unique to county agencies, the use of 4689
state classification titles and classification specifications for 4690
common positions, the criteria for a county to meet in 4691
establishing its own classification plan, and the establishment of 4692
what constitutes a classification series for county agencies. The 4693
director may assess a county agency that chooses to use the 4694
classification plan a usage fee the director determines. All usage 4695
fees the department of administrative services receives shall be 4696
paid into the state treasury to the credit of the human resources 4697
fund created in section 124.07 of the Revised Code. 4698

(B) Division (A) of this section and sections 124.15 and 4699
124.152 of the Revised Code do not apply to the following persons, 4700
positions, offices, and employments: 4701

(1) Elected officials; 4702

(2) Legislative employees, employees of the legislative 4703
service commission, employees in the office of the governor, 4704
employees who are in the unclassified civil service and exempt 4705
from collective bargaining coverage in the office of the secretary 4706
of state, auditor of state, treasurer of state, and attorney 4707
general, and employees of the supreme court; 4708

Code. 4717

(C) The director may employ a consulting agency to aid and 4718
assist the director in carrying out this section. 4719

(D)(1) When the director proposes to modify a classification 4720
or the assignment of classes to appropriate pay ranges, the 4721
director shall send written notice of the proposed rule to the 4722
appointing authorities of the affected employees thirty days 4723
before a hearing on the proposed rule. The appointing authorities 4724
shall notify the affected employees regarding the proposed rule. 4725
The director also shall send those appointing authorities notice 4726
of any final rule that is adopted within ten days after adoption. 4727

(2) When the director proposes to reclassify any employee so 4728
that the employee is adversely affected, the director shall give 4729
to the employee affected and to the employee's appointing 4730
authority a written notice setting forth the proposed new 4731
classification, pay range, and salary. Upon the request of any 4732
classified employee who is not serving in a probationary period, 4733
the director shall perform a job audit to review the 4734
classification of the employee's position to determine whether the 4735
position is properly classified. The director shall give to the 4736
employee affected and to the employee's appointing authority a 4737
written notice of the director's determination whether or not to 4738
reclassify the position or to reassign the employee to another 4739

classification. An employee or appointing authority desiring a 4740
hearing shall file a written request for the hearing with the 4741
state personnel board of review within thirty days after receiving 4742
the notice. The board shall set the matter for a hearing and 4743
notify the employee and appointing authority of the time and place 4744
of the hearing. The employee, the appointing authority, or any 4745
authorized representative of the employee who wishes to submit 4746
facts for the consideration of the board shall be afforded 4747
reasonable opportunity to do so. After the hearing, the board 4748
shall consider anew the reclassification and may order the 4749
reclassification of the employee and require the director to 4750
assign the employee to such appropriate classification as the 4751
facts and evidence warrant. As provided in division (A)(1) of 4752
section 124.03 of the Revised Code, the board may determine the 4753
most appropriate classification for the position of any employee 4754
coming before the board, with or without a job audit. The board 4755
shall disallow any reclassification or reassignment classification 4756
of any employee when it finds that changes have been made in the 4757
duties and responsibilities of any particular employee for 4758
political, religious, or other unjust reasons. 4759

(E)(1) Employees of each county department of job and family 4760
services shall be paid a salary or wage established by the board 4761
of county commissioners. The provisions of section 124.18 of the 4762
Revised Code concerning the standard work week apply to employees 4763
of county departments of job and family services. A board of 4764
county commissioners may do either of the following: 4765

(a) Notwithstanding any other section of the Revised Code, 4766

other benefits of any employee of the county department of job and 4768
family services of that county, if the employee is eligible for 4769
the supplement under a written policy providing for the 4770
supplement; 4771

(b) Notwithstanding any other section of the Revised Code, 4772

personal leave, or other benefits for employees not inconsistent 4774
with the provisions of a collective bargaining agreement covering 4775
the affected employees. 4776

employees for whom the state employment relations board 4778
establishes appropriate bargaining units pursuant to section 4779
4117.06 of the Revised Code, except in either of the following 4780
situations: 4781

board establishes appropriate bargaining units elect no 4783
representative in a board-conducted representation election. 4784

(b) After the state employment relations board establishes 4785
appropriate bargaining units for such employees, all employee 4786
organizations withdraw from a representation election. 4787

(F)(1) Notwithstanding any contrary provision of sections 4788

each state university or college, as defined in section 3345.12 of 4790
the Revised Code, shall carry out all matters of governance 4791
involving the officers and employees of the university or college, 4792

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 5094

5097
5098

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee in the service of the state, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative services and approved by the director of budget and management, and those personal services shall not be considered as a part of the employee's compensation. An appointing authority that appoints employees in the service of the state, with the approval of the director of administrative services and the director of budget and management, may establish payments to employees for uniforms, tools, equipment, and other requirements of the department and payments for the maintenance of them. 5099

The director of administrative services may review collective bargaining agreements entered into under Chapter 4117. of the Revised Code that cover employees in the service of the state and determine whether certain benefits or payments provided to the employees covered by those agreements should also be provided to employees in the service of the state who are exempt from collective bargaining coverage and are paid in accordance with section 124.152 of the Revised Code or are listed in division (B)(2) or (4) of section 124.14 of the Revised Code. some or all of these employees any payment or benefit, except for 5126
salary, contained in such a collective bargaining agreement even 5127
if it is similar to a payment or benefit already provided by law 5128
to some or all of these employees. Any payment or benefit so 5129
provided shall not exceed the highest level for that payment or 5130
benefit specified in such a collective bargaining agreement. The 5131
director of administrative services shall not provide, and the 5132
director of budget and management shall not approve, any payment 5133
or benefit to such an employee under this division unless the 5134
payment or benefit is provided pursuant to a collective bargaining 5135
agreement to a state employee who is in a position with similar 5136
duties as, is supervised by, or is employed by the same appointing 5137
authority as, the employee to whom the benefit or payment is to be 5138
provided. 5139

As used in this division, "payment or benefit already 5140
provided by law" includes, but is not limited to, bereavement, 5141
personal, vacation, administrative, and sick leave, disability 5142
benefits, holiday pay, and pay supplements provided under the 5143
Revised Code, but does not include wages or salary. 5144

(E) New employees paid in accordance with schedule B of 5145
division (A) of this section or schedule E-1 of section 124.152 of 5146
the Revised Code shall be employed at the minimum rate established 5147
for the range unless otherwise provided. Employees with 5148
qualifications that are beyond the minimum normally required for 5149
the position and that are determined by the director to be 5150
exceptional may be employed in, or may be transferred or promoted 5151
to, a position at an advanced step of the range. Further, in time 5152
of a serious labor market condition when it is relatively 5153
impossible to recruit employees at the minimum rate for a 5154
particular classification, the entrance rate may be set at an 5155
advanced step in the range by the director of administrative 5156
services. This rate may be limited to geographical regions of the 5157

state. Appointments made to an advanced step under the provision 5158
regarding exceptional qualifications shall not affect the step 5159
assignment of employees already serving. However, anytime the 5160
hiring rate of an entire classification is advanced to a higher 5161
step, all incumbents of that classification being paid at a step 5162
lower than that being used for hiring, shall be advanced beginning 5163
at the start of the first pay period thereafter to the new hiring 5164
rate, and any time accrued at the lower step will be used to 5165
calculate advancement to a succeeding step. If the hiring rate of 5166
a classification is increased for only a geographical region of 5167
the state, only incumbents who work in that geographical region 5168
shall be advanced to a higher step. When an employee in the 5169
unclassified service changes from one state position to another or 5170
is appointed to a position in the classified service, or if an 5171
employee in the classified service is appointed to a position in 5172
the unclassified service, the employee's salary or wage in the new 5173
position shall be determined in the same manner as if the employee 5174
were an employee in the classified service. When an employee in 5175
the unclassified service who is not eligible for step increases is 5176
appointed to a classification in the classified service under 5177
which step increases are provided, future step increases shall be 5178
based on the date on which the employee last received a pay 5179
increase. If the employee has not received an increase during the 5180
previous year, the date of the appointment to the classified 5181
service shall be used to determine the employee's annual step 5182
advancement eligibility date. In reassigning any employee to a 5183
classification resulting in a pay range increase or to a new pay 5184
range as a result of a promotion, an increase pay range 5185
adjustment, or other classification change resulting in a pay 5186
range increase, the director shall assign such employee to the 5187
step in the new pay range that will provide an increase of 5188
approximately four per cent if the new pay range can accommodate 5189
the increase. When an employee is being assigned to a 5190

classification or new pay range as the result of a class plan 5191
change, if the employee has completed a probationary period, the 5192
employee shall be placed in a step no lower than step two of the 5193
new pay range. If the employee has not completed a probationary 5194
period, the employee may be placed in step one of the new pay 5195
range. Such new salary or wage shall become effective on such date 5196
as the director determines. 5197

(F) If employment conditions and the urgency of the work 5198
require such action, the director of administrative services may, 5199
upon the application of a department head, authorize payment at 5200
any rate established within the range for the class of work, for 5201
work of a casual or intermittent nature or on a project basis. 5202
Payment at such rates shall not be made to the same individual for 5203
more than three calendar months in any one calendar year. Any such 5204
action shall be subject to the approval of the director of budget 5205
and management as to the availability of funds. This section and 5206
sections 124.14 and 124.152 of the Revised Code do not repeal any 5207
authority of any department or public official to contract with or 5208
fix the compensation of professional persons who may be employed 5209
temporarily for work of a casual nature or for work on a project 5210
basis. 5211

(G)(1) Except as provided in division (G)(2) of this section, 5212
each state employee paid in accordance with schedule B of this 5213
section or schedule E-1 of section 124.152 of the Revised Code 5214
shall be eligible for advancement to succeeding steps in the range 5215
for the employee's class or grade according to the schedule 5216
established in this division. Beginning on the first day of the 5217
pay period within which the employee completes the prescribed 5218
probationary period in the employee's classification with the 5219
state, each employee shall receive an automatic salary adjustment 5220
equivalent to the next higher step within the pay range for the 5221
employee's class or grade. 5222

Each employee paid in accordance with schedule E-1 of section 124.152 of the Revised Code shall be eligible to advance to the next higher step until the employee reaches the top step in the range for the employee's class or grade, if the employee has maintained satisfactory performance in accordance with criteria established by the employee's appointing authority. Those step advancements shall not occur more frequently than once in any twelve-month period.

When an employee is promoted or reassigned to a higher pay range, the employee's step indicator shall return to "0" or be adjusted to account for a probationary period, as appropriate. Step advancement shall not be affected by demotion. A promoted employee shall advance to the next higher step of the pay range on the first day of the pay period in which the required probationary period is completed. Step advancement shall become effective at the beginning of the pay period within which the employee attains the necessary length of service. Time spent on authorized leave of absence shall be counted for this purpose.

If determined to be in the best interest of the state service, the director of administrative services may, either statewide or in selected agencies, adjust the dates on which annual step advancements are received by employees paid in accordance with schedule E-1 of section 124.152 of the Revised Code.

(2)(a)(i) Except as provided in division (G)(2)(a)(ii) of this section, there shall be a moratorium on step advancements under division (G)(1) of this section from the pay period beginning June 29, 2003, through the pay period ending June 25, 2005. Step advancements shall resume with the pay period beginning June 26, 2005. Upon the resumption of step advancements, there shall be no retroactive step advancements for the period the moratorium was in effect. The moratorium shall not affect an

employee's performance evaluation schedule. 5255

(ii) During the moratorium under division (G)(2)(a)(i) of 5256
this section, an employee who is hired or promoted and serves a 5257
probationary period in the employee's new position shall advance 5258
to the next step in the employee's pay range upon successful 5259
completion of the employee's probationary period. Thereafter, the 5260
employee is subject to the moratorium. 5261

(b) The moratorium under division (G)(2)(a)(i) of this 5262
section shall apply to the employees of the secretary of state, 5263
the auditor of state, the treasurer of state, and the attorney 5264
general, who are subject to this section unless the secretary of 5265
state, the auditor of state, the treasurer of state, or the 5266
attorney general decides to exempt the office's employees from the 5267
moratorium and so notifies the director of administrative services 5268
in writing on or before July 1, 2003. 5269

(H) Employees in appointive managerial or professional 5270
positions paid in accordance with schedule C of this section or 5271
schedule E-2 of section 124.152 of the Revised Code may be 5272
appointed at any rate within the appropriate pay range. This rate 5273
of pay may be adjusted higher or lower within the respective pay 5274
range at any time the appointing authority so desires as long as 5275
the adjustment is based on the employee's ability to successfully 5276
administer those duties assigned to the employee. Salary 5277
adjustments shall not be made more frequently than once in any 5278
six-month period under this provision to incumbents holding the 5279
same position and classification. 5280

(I) When an employee is assigned to duty outside this state, 5281
the employee may be compensated, upon request of the department 5282
head and with the approval of the director of administrative 5283
services, at a rate not to exceed fifty per cent in excess of the 5284
employee's current base rate for the period of time spent on that 5285
duty. 5286

(J) Unless compensation for members of a board or commission is otherwise specifically provided by law, the director of administrative services shall establish the rate and method of payment for members of boards and commissions pursuant to the pay schedules listed in section 124.152 of the Revised Code.

(K) Regular full-time employees in positions assigned to classes within the instruction and education administration series under the rules of the director of administrative services, except certificated employees on the instructional staff of the state school for the blind or the state school for the deaf, whose positions are scheduled to work on the basis of an academic year rather than a full calendar year, shall be paid according to the pay range assigned by such rules but only during those pay periods included in the academic year of the school where the employee is located.

(1) Part-time or substitute teachers or those whose period of employment is other than the full academic year shall be compensated for the actual time worked at the rate established by this section.

(2) Employees governed by this division are exempt from sections 124.13 and 124.19 of the Revised Code.

(3) Length of service for the purpose of determining eligibility for step advancements as provided by division (G) of this section and for the purpose of determining eligibility for longevity pay supplements as provided by division (E) of section 124.181 of the Revised Code shall be computed on the basis of one full year of service for the completion of each academic year.

(L) ~~The superintendent of the state school for the deaf and the superintendent of the state school for the blind shall, subject to the approval of the superintendent of public instruction,~~ shall carry out both of the following:

(1) Annually, between the first day of April and the last day of June, establish for the ensuing fiscal year a schedule of hourly rates for the compensation of each certificated employee on the instructional staff of ~~that superintendent's respective~~ the state school for the deaf and the state school for the blind, constructed as follows:

(a) Determine for each level of training, experience, and other professional qualification for which an hourly rate is set forth in the current schedule, the per cent that rate is of the rate set forth in such schedule for a teacher with a bachelor's degree and no experience. If there is more than one such rate for such a teacher, the lowest rate shall be used to make the computation.

(b) Determine which six city, local, and exempted village school districts with territory in Franklin county have in effect on, or have adopted by, the first day of April for the school year that begins on the ensuing first day of July, teacher salary schedules with the highest minimum salaries for a teacher with a bachelor's degree and no experience;

(c) Divide the sum of such six highest minimum salaries by ten thousand five hundred sixty;

(d) Multiply each per cent determined in division (L)(1)(a) of this section by the quotient obtained in division (L)(1)(c) of this section;

(e) One hundred five per cent of each product thus obtained shall be the hourly rate for the corresponding level of training, experience, or other professional qualification in the schedule for the ensuing fiscal year.

(2) Annually, assign each certificated employee on the instructional staff of the ~~superintendent's~~ respective school to an hourly rate on the schedule that is commensurate with the

employee's training, experience, and other professional 5349
qualifications. 5350

If an employee is employed on the basis of an academic year, 5351
the employee's annual salary shall be calculated by multiplying 5352
the employee's assigned hourly rate times one thousand seven 5353
hundred sixty. If an employee is not employed on the basis of an 5354
academic year, the employee's annual salary shall be calculated in 5355
accordance with the following formula: 5356

(a) Multiply the number of days the employee is required to 5357
work pursuant to the employee's contract by eight; 5358

(b) Multiply the product of division (L)(2)(a) of this 5359
section by the employee's assigned hourly rate. 5360

Each employee shall be paid an annual salary in biweekly 5361
installments. The amount of each installment shall be calculated 5362
by dividing the employee's annual salary by the number of biweekly 5363
installments to be paid during the year. 5364

Sections 124.13 and 124.19 of the Revised Code do not apply 5365
to an employee who is paid under this division. 5366

As used in this division, "academic year" means the number of 5367
days in each school year that the schools are required to be open 5368
for instruction with pupils in attendance. Upon completing an 5369
academic year, an employee paid under this division shall be 5370
deemed to have completed one year of service. An employee paid 5371
under this division is eligible to receive a pay supplement under 5372
division (L)(1), (2), or (3) of section 124.181 of the Revised 5373
Code for which the employee qualifies, but is not eligible to 5374
receive a pay supplement under division (L)(4) or (5) of that 5375
section. An employee paid under this division is eligible to 5376
receive a pay supplement under division (L)(6) of section 124.181 5377
of the Revised Code for which the employee qualifies, except that 5378
the supplement is not limited to a maximum of five per cent of the 5379

employee's regular base salary in a calendar year. 5380

(M) Division (A) of this section does not apply to "exempt 5381
employees," as defined in section 124.152 of the Revised Code, who 5382
are paid under that section. 5383

Notwithstanding any other provisions of this chapter, when an 5384
employee transfers between bargaining units or transfers out of or 5385
into a bargaining unit, the director of administrative services 5386
shall establish the employee's compensation and adjust the maximum 5387
leave accrual schedule as the director deems equitable. 5388

Sec. 124.152. (A)(1) Except as provided in divisions (A)(2) 5389
and (3) of this section, each exempt employee shall be paid a 5390
salary or wage in accordance with schedule E-1 or schedule E-2 of 5391
division (B), or (C), ~~or (D)~~ of this section, as applicable. 5392

(2) Each exempt employee who holds a position in the 5393
unclassified civil service pursuant to division (A)(26) or (30) of 5394
section 124.11 of the Revised Code may be paid a salary or wage in 5395
accordance with schedule E-1 of division (B) or (C), schedule E-1 5396
for step seven only of division (D) or (E), or schedule E-2 of 5397
division (B), or (C), ~~(D), (E), (F), or (G)~~ of this section, as 5398
applicable. 5399

(3)(a) Except as provided in division (A)(3)(b) of this 5400
section, each exempt employee who was paid a salary or wage at 5401
step 7 in the employee's pay range on June 28, 2003, in accordance 5402
with the applicable schedule E-1 of former section 124.152 of the 5403
Revised Code and who continued to be so paid on June 29, 2003, 5404
shall be paid a salary or wage in the corresponding pay range in 5405
schedule E-1 for step seven only of division (D) or (E), ~~(F), or~~ 5406
~~(G)~~ of this section, as applicable, for as long as the employee 5407
remains in the position the employee held as of July 1, 2003. 5408

(b) Except as provided in division (A)(3)(c) of this section, 5409

if an exempt employee who is being paid a salary or wage in 5410
accordance with schedule E-1 for step seven only of division (D) 5411
or (E), ~~(F)~~, ~~or~~ ~~(G)~~ of this section, as applicable, moves to 5412
another position, the employee shall not receive a salary or wage 5413
for that position or any other position in the future in 5414
accordance with that schedule. 5415

(c) If an exempt employee who is being paid a salary or wage 5416
in accordance with schedule E-1 for step seven only of division 5417
(D) or (E), ~~(F)~~, ~~or~~ ~~(G)~~ of this section, as applicable, moves to 5418
another position assigned to pay range 12 or above, the appointing 5419
authority may assign the employee to be paid a salary or wage in 5420
the appropriate pay range for that position in accordance with the 5421

~~(H)~~(F) As used in this section, "exempt employee" means a 5772
permanent full-time or permanent part-time employee paid directly 5773
by warrant of the director of budget and management whose position 5774
is included in the job classification plan established under 5775
division (A) of section 124.14 of the Revised Code but who is not 5776
considered a public employee for the purposes of Chapter 4117. of 5777
the Revised Code. As used in this section, "exempt employee" also 5778
includes a permanent full-time or permanent part-time employee of 5779
the secretary of state, auditor of state, treasurer of state, or 5780
attorney general who has not been placed in an appropriate 5781

bargaining unit by the state employment relations board. 5782

Sec. 124.18. (A) Forty hours shall be the standard work week 5783
for all employees whose salary or wage is paid in whole or in part 5784
by the state or by any state-supported college or university. When 5785
any employee whose salary or wage is paid in whole or in part by 5786
the state or by any state-supported college or university is 5787
required by an authorized administrative authority to be in an 5788
active pay status more than forty hours in any calendar week, the 5789
employee shall be compensated for such time over forty hours, 5790
except as otherwise provided in this section, at one and one-half 5791
times the employee's regular rate of pay. The use of sick leave or 5792
any leave used in lieu of sick leave shall not be considered to be 5793
active pay status for the purposes of earning overtime or 5794
compensatory time by employees whose wages are paid directly by 5795
warrant of the director of budget and management. A flexible-hours 5796
employee is not entitled to compensation for overtime work unless 5797
the employee's authorized administrative authority required the 5798
employee to be in active pay status for more than forty hours in a 5799
calendar week, regardless of the number of hours the employee 5800
works on any day in the same calendar week. 5801

Such compensation for overtime work shall be paid no later 5802
than at the conclusion of the next succeeding pay period. 5803

If the employee elects to take compensatory time off in lieu 5804
of overtime pay for any overtime worked, such compensatory time 5805
shall be granted by the employee's administrative superior, on a 5806
time and one-half basis, at a time mutually convenient to the 5807
employee and the administrative superior. Compensatory time is not 5808
available for use until it appears on the employee's earning 5809
statement and the compensation described in the earning statement 5810
is available to the employee. 5811

An employee may accrue compensatory time to a maximum of two 5812

hundred forty hours, except that public safety employees and other 5813
employees who meet the criteria established in the "Federal Fair 5814
Labor Standards Act of 1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, 5815
as amended, may accrue a maximum of four hundred eighty hours of 5816
compensatory time. An employee shall be paid at the employee's 5817
regular rate of pay for any hours of compensatory time accrued in 5818
excess of these maximum amounts if the employee has not used the 5819
compensatory time within one hundred eighty days after it is 5820
granted, if the employee transfers to another agency of the state, 5821
or if a change in the employee's status exempts the employee from 5822
the payment of overtime compensation. Upon the termination of 5823
employment, any employee with accrued but unused compensatory time 5824
shall be paid for that time at a rate that is the greater of the 5825
employee's final regular rate of pay or the employee's average 5826
regular rate of pay during the employee's last three years of 5827
employment with the state. 5828

No overtime, as described in this section, can be paid unless 5829
it has been authorized by the authorized administrative authority. 5830
Employees may be exempted from the payment of compensation as 5831
required by this section only under the criteria for exemption 5832
from the payment of overtime compensation established in the 5833
"Federal Fair Labor Standards Act of 1938," 52 Stat. 1060, 29 5834
U.S.C.A. 207, 213, as amended. With the approval of the director 5835
of administrative services, the appointing authority may establish 5836
a policy to grant compensatory time or to pay compensation to 5837
state employees who are exempt from overtime compensation. With 5838
the approval of the board of county commissioners, a county human 5839
services department may establish a policy to grant compensatory 5840
time or to pay compensation to employees of the department who are 5841
exempt from overtime compensation. 5842

(B)(1) ~~An~~ Except as otherwise provided in section 124.19 of 5843
the Revised Code, an employee, whose salary or wage is paid in 5844

whole or in part by the state, shall be paid for the holidays 5845
declared in that section ~~124.19 of the Revised Code~~ and shall not 5846
be required to work on those holidays, unless, in the opinion of 5847
the employee's responsible administrative authority, failure to 5848
work on those holidays would impair the public service. An 5849
employee paid directly by warrant of the director of budget and 5850
management who is scheduled to work on a holiday and who does not 5851
report to work the day before, the day of, or the day after the 5852
holiday due to an illness of the employee or of a member of the 5853
employee's immediate family shall not receive holiday pay as 5854
provided by this division, unless the employee can provide 5855
documentation of extenuating circumstances that prohibited the 5856
employee from so reporting to work. An employee also shall not be 5857
paid for a holiday unless the employee was in active pay status on 5858
the scheduled work day immediately preceding the holiday, except 5859
that an employee need not be in active pay status on that work day
in order to be paid for the holiday if the employee is furloughed
on that work day under section 124.392 of the Revised Code. 5862

(2) If any of the holidays declared in section 124.19 of the 5864
Revised Code falls on Saturday, the Friday immediately preceding 5865
shall be observed as the holiday. If any of the holidays declared 5866
in section 124.19 of the Revised Code falls on Sunday, the Monday 5867
immediately succeeding shall be observed as the holiday. Employees 5868
whose work schedules are based on the requirements of a 5869
seven-days-a-week work operation shall observe holidays on the 5870
actual days specified in section 124.19 of the Revised Code. 5871

(3) If an employee's work schedule is other than Monday 5872
through Friday, the employee shall be entitled to eight hours of 5873
holiday pay for holidays observed on the employee's day off 5874
regardless of the day of the week on which they are observed. 5875

(4) A full-time permanent employee is entitled to a minimum 5876

of eight hours of pay for each holiday regardless of the 5877
employee's work shift and work schedule. A flexible-hours 5878
employee, who is normally scheduled to work in excess of eight 5879
hours on a day on which a holiday falls, either shall be required 5880
to work an alternate schedule for that week or shall receive 5881
additional holiday pay for the hours the employee is normally 5882
scheduled to work. Such an alternate schedule may require a 5883
flexible-hours employee to work five shifts consisting of eight 5884
hours each during the week including the holiday, and, in that 5885
case, the employee shall receive eight hours of holiday pay for 5886
the day the holiday is observed. 5887

(5) Part-time permanent employees shall receive holiday pay 5888
on a pro-rated basis, based upon the daily average of actual hours 5889
worked, excluding overtime hours worked, in the previous calendar 5890
quarter. The figure shall be calculated for the preceding calendar 5891
quarter on the first day of January, April, July, and October of 5892
each year. 5893

(6) When an employee who is eligible for overtime pay under 5894
this section is required by the employee's responsible 5895
administrative authority to work on the day observed as a holiday, 5896
the employee shall be entitled to pay for such time worked at one 5897
and one-half times the employee's regular rate of pay in addition 5898
to the employee's regular pay, or to be granted compensatory time 5899
off at time and one-half thereafter, at the employee's option. 5900
Payment at such rate shall be excluded in the calculation of hours 5901
in active pay status. 5902

(C) Each appointing authority may designate the number of 5903
employees in an agency who are flexible-hours employees. The 5904
appointing authority may establish for each flexible-hours 5905
employee a specified minimum number of hours to be worked each day 5906
that is consistent with the "Federal Fair Labor Standards Act of 5907
1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended. 5908

(D) This section shall be uniformly administered for 5909
employees as defined in section 124.01 of the Revised Code and by 5910
the personnel departments of state-supported colleges and 5911
universities for employees of state-supported colleges and 5912
universities. If employees are not paid directly by warrant of the 5913
director of budget and management, the political subdivision shall 5914
determine whether the use of sick leave shall be considered to be 5915
active pay status for purposes of those employees earning overtime 5916
or compensatory time. 5917

(E) Policies relating to the payment of overtime pay or the 5918
granting of compensatory time off shall be adopted by the chief 5919
administrative officer of the house of representatives for 5920
employees of the house of representatives, by the clerk of the 5921
senate for employees of the senate, and by the director of the 5922
legislative service commission for all other legislative 5923
employees. 5924

(F) As used in this section, "regular rate of pay" means the 5925
base rate of pay an employee receives plus any pay supplements 5926
received pursuant to section 124.181 of the Revised Code. 5927

Sec. 124.19. (A)(1) State holidays shall be the first day of 5928
January, the third Monday in January, the third Monday in 5929
February, the day designated in the "Act of June 28, 1968," 82 5930
Stat. 250, 5 U.S.C. 6103, as amended, for the commemoration of 5931
Memorial day, the fourth day of July, the first Monday in 5932

this state or the president of the United States. ~~Employees~~ Except 5936
as provided in division (A)(2) of this section, employees shall be 5937
paid for these holidays as specified in section 124.18 of the 5938
Revised Code. 5939

(2)(a) Except as provided in division (A)(2)(b) of this 5940
section, if the governor declares a fiscal emergency under section 5941
126.05 of the Revised Code, the governor may place a moratorium on 5942
the receipt of pay by employees paid by warrant of the director of 5943
budget and management for any of the holidays listed in division 5944
(A)(1) of this section during the period from July 1, 2009, 5945
through June 30, 2011. 5946

The moratorium applies to employees of the secretary of 5947
state, auditor of state, treasurer of state, and attorney general 5948
who are subject to this section, unless the secretary of state, 5949
auditor of state, treasurer of state, or attorney general chooses 5950
to exempt the office's employees from the moratorium and so 5951
notifies the director of administrative services in writing not 5952
later than thirty days before the date of the unpaid holiday. 5953

The moratorium does not apply to the officers and employees 5954
of the judicial branch who are subject to this section, unless the 5955
chief justice of the supreme court determines that these officers 5956
and employees will be subject to the moratorium and so notifies 5957
the director of administrative services in writing, in accordance 5958
with guidance established by the director, not later than thirty 5959
days before the date of the unpaid holiday. 5960

The moratorium does not apply to the employees of the general 5961
assembly and legislative agencies who are subject to this section, 5962
unless the president of the senate and speaker of the house of 5963
representatives jointly determine that these employees will be 5964
subject to the moratorium and so notify the director of 5965
administrative services in writing, in accordance with guidance 5966
established by the director, not later than thirty days before the 5967
date of the unpaid holiday. 5968

(b) During the period from July 1, 2009, through June 30, 5969
2011, those employees who are subject to a moratorium imposed by 5970
division (A)(2)(a) of this section and who are required by their 5971

appointing authorities to work on the holidays listed in division 5972
(A)(1) of this section shall be paid at their regular rate of pay 5973
for any such time worked on the holiday, subject to any applicable 5974
overtime provisions of the "Federal Fair Labor Standards Act of 5975
1938," 52 Stat. 1069, 29 U.S.C. 207, 213, as amended. 5976

(B) The board of trustees of a community college, technical 5977
college, state community college, or state university or college 5978
as defined in division (A)(1) of section 3345.12 of the Revised 5979
Code may, for all employees of the college or university, observe 5980
on days other than those specified in division (A) of this section 5981
any of the holidays otherwise observed on the third Monday in 5982
January, the third Monday in February, and the second Monday in 5983
October. 5984

Sec. 124.23. (A) All applicants for positions and places in 5985
the classified service shall be subject to examination, except for 5986
applicants for positions as professional or certified service and 5987
paraprofessional employees of county boards of mental retardation 5988
and developmental disabilities, who shall be hired in the manner 5989
provided in section 124.241 of the Revised Code. 5990

(B) Any examination administered under this section shall be 5991
public and be open to all citizens of the United States and those 5992
persons who have legally declared their intentions of becoming 5993
United States citizens, ~~within certain limitations to be~~ 5994
~~determined by.~~ For examinations administered for positions in the 5995
service of the state, the director of administrative services may 5996
determine certain limitations as to citizenship, age, experience, 5997
education, health, habit, and moral character. ~~Any~~ 5998

(C) Any person who has completed service in the uniformed 5999
services, who has been honorably discharged from the uniformed 6000
services or transferred to the reserve with evidence of 6001
satisfactory service, and who is a resident of this state and any 6002

member of the national guard or a reserve component of the armed 6003
forces of the United States who has completed more than one 6004
hundred eighty days of active duty service pursuant to an 6005
executive order of the president of the United States or an act of 6006
the congress of the United States may file with the director a 6007
certificate of service or honorable discharge, and, upon this 6008
filing, the person shall receive additional credit of twenty per 6009
cent of the person's total grade given in the regular examination 6010
in which the person receives a passing grade. 6011

As used in this division, "service in the uniformed services" 6012
and "uniformed services" have the same meanings as in the 6013
"Uniformed Services Employment and Reemployment Rights Act of 6014
1994," 108 Stat. 3149, 38 U.S.C.A. 4303. 6015

~~(C)~~(D) An examination may include an evaluation of such 6016
factors as education, training, capacity, knowledge, manual 6017
dexterity, and physical or psychological fitness. An examination 6018
shall consist of one or more tests in any combination. Tests may 6019
be written, oral, physical, demonstration of skill, or an 6020
evaluation of training and experiences and shall be designed to 6021
fairly test the relative capacity of the persons examined to 6022
discharge the particular duties of the position for which 6023
appointment is sought. Tests may include structured interviews, 6024
assessment centers, work simulations, examinations of knowledge, 6025
skills, and abilities, and any other acceptable testing methods. 6026
If minimum or maximum requirements are established for any 6027
examination, they shall be specified in the examination 6028
announcement. 6029

~~(D)~~(E) The director of administrative services shall have 6030
control of all examinations administered for positions in the 6031
service of the state and all other examinations the director 6032
administers as provided in section 124.07 of the Revised Code, 6033
except as otherwise provided in sections 124.01 to 124.64 of the 6034

Revised Code. ~~No~~ 6035

(F) No questions in any examination shall relate to political 6036
or religious opinions or affiliations. No credit for seniority, 6037
efficiency, or any other reason shall be added to an applicant's 6038
examination grade unless the applicant achieves at least the 6039
minimum passing grade on the examination without counting that 6040
extra credit. 6041

~~(E)~~(G) Except as otherwise provided in sections 124.01 to 6042
124.64 of the Revised Code, the director of administrative 6043
services shall give reasonable notice of the time, place, and 6044
general scope of every competitive examination for appointment ~~to~~ 6045
~~a position in the civil service~~ that the director administers for 6046
positions in the service of the state. The director shall send 6047
written, printed, or electronic notices of every examination to be 6048
conducted for positions in the ~~state~~ classified civil service of 6049
the state to each agency of the type the director of job and 6050
family services specifies and, in the case of a county in which no 6051
such agency is located, to the clerk of the court of common pleas 6052
of that county and to the clerk of each city located within that 6053
county. Those notices shall be posted in conspicuous public places 6054
in the designated agencies or the courthouse, and city hall of the 6055
cities, of the counties in which no designated agency is located 6056
for at least two weeks preceding any examination involved, and in 6057
a conspicuous place in the office of the director of 6058
administrative services for at least two weeks preceding any 6059
examination involved. In case of examinations limited by the 6060
director to a district, county, city, or department, the director 6061
shall provide by rule for adequate publicity of an examination in 6062
the district, county, city, or department within which competition 6063
is permitted. 6064

Sec. 124.321. (A) Whenever it becomes necessary for an 6065

appointing authority to reduce its work force, the appointing 6066
authority shall lay off employees or abolish their positions in 6067
accordance with sections 124.321 to 124.327 of the Revised Code 6068
~~and. If the affected work force is in the service of the state,~~ 6069
~~the reduction shall also be in compliance with~~ the rules of the 6070
director of administrative services. 6071

(B)(1) Employees may be laid off as a result of a lack of 6072
funds within an appointing authority. For appointing authorities 6073
that employ persons whose salary or wage is paid by warrant of the 6074
director of budget and management, the director of budget and 6075
management shall be responsible for determining, consistent with 6076
the rules adopted under division (B)(3) of this section, whether a 6077
lack of funds exists. For appointing authorities that employ 6078
persons whose salary or wage is paid other than by warrant of the 6079
director of budget and management, the appointing authority itself 6080
shall determine whether a lack of funds exists ~~and shall file a~~ 6081
~~statement of rationale and supporting documentation with the~~ 6082
~~director of administrative services prior to sending the layoff~~ 6083
~~notice.~~ 6084

(2) As used in this division, a "lack of funds" means an 6085
appointing authority has a current or projected deficiency of 6086
funding to maintain current, or to sustain projected, levels of 6087
staffing and operations. This section does not require any 6088
transfer of money between funds in order to offset a deficiency or 6089
projected deficiency of funding for programs funded by the federal 6090
government, special revenue accounts, or proprietary accounts. 6091
Whenever a program receives funding through a grant or similar 6092
mechanism, a lack of funds shall be presumed for the positions 6093
assigned to and the employees who work under the grant or similar 6094
mechanism if, for any reason, the funding is reduced or withdrawn. 6095

(3) The director of budget and management shall adopt rules, 6097

under Chapter 119. of the Revised Code, for agencies whose 6098
employees are paid by warrant of the director of budget and 6099
management, for determining whether a lack of funds exists. 6100

(C)(1) Employees may be laid off as a result of lack of work 6101
within an appointing authority. For appointing authorities whose 6102
employees are paid by warrant of the director of budget and 6103
management, the director of administrative services shall 6104
determine, consistent with the rules adopted under division (F) of 6105
this section, whether a lack of work exists. All other appointing 6106
authorities shall themselves determine whether a lack of work 6107
exists ~~and shall file a statement of rationale and supporting~~ 6108
~~documentation with the director of administrative services prior~~ 6109
~~to sending the layoff notice.~~ 6110

(2) As used in this division, a "lack of work" means an 6111
appointing authority has a current or projected decrease in 6112
workload that requires a reduction of current or projected 6113
staffing levels in its organization or structure. The 6114
determination of a lack of work shall indicate the current or 6115
projected decrease in workload and whether the current or 6116
projected staffing levels of the appointing authority will be 6117
excessive. 6118

(D)(1) Employees may be laid off as a result of abolishment 6119
of positions. As used in this division, "abolishment" means the 6120
deletion of a position or positions from the organization or 6121
structure of an appointing authority. 6122

For purposes of this division, an appointing authority may 6123
abolish positions for any one or any combination of the following 6124
reasons: as a result of a reorganization for the efficient 6125
operation of the appointing authority, for reasons of economy, or 6126
for lack of work. 6127

(2)(a) Reasons of economy permitting an appointing authority 6128

to abolish a position and to lay off the holder of that position 6129
under this division shall be determined at the time the appointing 6130
authority proposes to abolish the position. The reasons of economy 6131
shall be based on the appointing authority's estimated amount of 6132
savings with respect to salary, benefits, and other matters 6133
associated with the abolishment of the position, except that the 6134
reasons of economy associated with the position's abolishment 6135
instead may be based on the appointing authority's estimated 6136
amount of savings with respect to salary and benefits only, if: 6137

(i) Either the appointing authority's operating appropriation 6138
has been reduced by an executive or legislative action, or the 6139
appointing authority has a current or projected deficiency in 6140
funding to maintain current or projected levels of staffing and 6141
operations; and 6142

(ii) In the case of a position in the service of the state, 6143
it files a notice of the position's abolishment with the director 6144
of administrative services within one year of the occurrence of 6145
the applicable circumstance described in division (D)(2)(a)(i) of 6146
this section. 6147

(b) The following principles apply when a circumstance 6148
described in division (D)(2)(a)(i) of this section would serve to 6149
authorize an appointing authority to abolish a position and to lay 6150
off the holder of the position under this division based on the 6151
appointing authority's estimated amount of savings with respect to 6152
salary and benefits only: 6153

(i) The position's abolishment shall be done in good faith 6154
and not as a subterfuge for discipline. 6155

(ii) If a circumstance affects a specific program only, the 6156
appointing authority only may abolish a position within that 6157
program. 6158

(iii) If a circumstance does not affect a specific program 6159

only, the appointing authority may identify a position that it 6160
considers appropriate for abolishment based on the reasons of 6161
economy. 6162

(3) Each appointing authority shall determine itself whether 6163
any position should be abolished. An appointing authority 6164
abolishing any position in the service of the state shall file a 6165
statement of rationale and supporting documentation with the 6166
director of administrative services prior to sending the notice of 6167
abolishment. 6168

If an abolishment results in a reduction of the work force, 6169
the appointing authority shall follow the procedures for laying 6170
off employees, subject to the following modifications: 6171

(a) The employee whose position has been abolished shall have 6172
the right to fill an available vacancy within the employee's 6173
classification. 6174

(b) If the employee whose position has been abolished has 6175
more retention points than any other employee serving in the same 6176
classification, the employee with the fewest retention points 6177
shall be displaced. 6178

(c) If the employee whose position has been abolished has the 6179
fewest retention points in the classification, the employee shall 6180
have the right to fill an available vacancy in a lower 6181
classification in the classification series. 6182

(d) If the employee whose position has been abolished has the 6183
fewest retention points in the classification, the employee shall 6184
displace the employee with the fewest retention points in the next 6185
or successively lower classification in the classification series. 6186

(E) Notwithstanding any contrary provision of the 6187
displacement procedure described in section 124.324 of the Revised 6188
Code for employees to displace other employees during a layoff, 6189
the director of administrative services or a county appointing 6190

authority may establish a paper lay-off process under which 6191
employees who are to be laid off or displaced may be required, 6192
before the date of their paper layoff, to preselect their options 6193
for displacing other employees. 6194

(F) The director of administrative services shall adopt rules 6195
under Chapter 119. of the Revised Code for the determination of 6196
lack of work within an appointing authority, for the abolishment 6197
of positions by an appointing authority, and for the 6198
implementation of this section as it relates to positions in the 6199
service of the state. 6200

Sec. 124.324. (A) A laid-off employee has the right to 6201
displace the employee with the fewest retention points in the 6202
following order: 6203

(1) Within the classification from which the employee was 6204
laid off; 6205

(2) Within the classification series from which the employee 6206
was laid off; 6207

(3) Within the classification the employee held immediately 6208
prior to holding the classification from which the employee was 6209
laid off, except that the employee may not displace employees in a 6210
classification if the employee does not meet the minimum 6211
qualifications of the classification or if the employee last held 6212
the classification more than three years prior to the date on 6213
which the employee was laid off. 6214

If, after exercising displacement rights, an employee is 6215
subject to further layoff action, the employee's displacement 6216
rights shall be in accordance with the classification from which 6217
the employee was first laid off. 6218

The director of administrative services shall verify the 6219
calculation of the retention points of all employees in the 6220

service of the state in an affected classification in accordance 6221
with section 124.325 of the Revised Code. 6222

(B) Following the order of layoff, an employee laid off in 6223
the classified civil service shall displace another employee 6224
within the same appointing authority or independent institution 6225
and layoff jurisdiction in the following manner: 6226

(1) Each laid-off employee possessing more retention points 6227
shall displace the employee with the fewest retention points in 6228
the next lower classification or successively lower classification 6229
in the same classification series. 6230

(2) Any employee displaced by an employee possessing more 6231
retention points shall displace the employee with the fewest 6232
retention points in the next lower classification or successively 6233
lower classification in the same classification series. This 6234
process shall continue, if necessary, until the employee with the 6235
fewest retention points in the lowest classification of the 6236
classification series of the same appointing authority or 6237
independent institution has been reached and, if necessary, laid 6238
off. 6239

(C) Employees shall notify the appointing authority of their 6240
intention to exercise their displacement rights, within five days 6241
after receiving notice of layoff. This division does not apply if 6242
the director of administrative services has established a paper 6243
lay-off process pursuant to division (E) of section 124.321 of the 6244
Revised Code that includes a different notification requirement 6245
for employees exercising their displacement rights under that 6246
process. 6247

(D) No employee shall displace an employee for whose position 6248
or classification there are certain position-specific minimum 6249
qualifications, as established by the appointing authority and 6250
reviewed for validity by the department of administrative 6251

services, or as established by bona fide occupational 6252
qualification, unless the employee desiring to displace another 6253
employee possesses the requisite position-specific minimum 6254
qualifications for the position or classification. 6255

(E) If an employee exercising displacement rights must 6256
displace an employee in another county within the same layoff 6257
district, the displacement shall not be construed to be a 6258
transfer. 6259

(F) The director of administrative services shall adopt rules 6260
under Chapter 119. of the Revised Code for the implementation of 6261
this section as it relates to positions in the service of the 6262
state. 6263

Sec. 124.325. (A) Retention points to reflect the length of 6264
continuous service and efficiency in service for all employees 6265
affected by a layoff shall be verified by the director of 6266
administrative services for positions in the service of the state. 6267

(B) An employee's length of continuous service will be 6268
carried from one layoff jurisdiction to another so long as no 6269
break in service occurs between transfers or appointments. 6270

(C) If two or more employees have an identical number of 6271
retention points, employees having the shortest period of 6272
continuous service shall be laid off first. 6273

(D)(1) As used in this division, "affected employee" means a 6274
city employee who becomes a county employee, or a county employee 6275
who becomes a city employee, as the result of any of the 6276
following: 6277

(a) The merger of a city and a county office; 6278

(b) The merger of city and county functions or duties; 6279

(c) The transfer of functions or duties between a city and 6280
county. 6281

(2) For purposes of this section, the new employer of any 6282
affected employee shall treat the employee's prior service with a 6283
former employer as if it had been served with the new employer. 6284

(E) The director of administrative services shall adopt rules 6285
in accordance with Chapter 119. of the Revised Code to establish a 6286
system for the assignment of retention points for each employee in 6287
the service of the state in a classification affected by a layoff 6288
and for determining, in those instances where employees in the 6289
service of the state have identical retention points, which 6290
employee shall be laid off first. 6291

Sec. 124.34. (A) The tenure of every officer or employee in 6292
the classified service of the state and the counties, civil 6293
service townships, cities, city health districts, general health 6294
districts, and city school districts of the state, holding a 6295
position under this chapter, shall be during good behavior and 6296
efficient service. No officer or employee shall be reduced in pay 6297
or position, fined, suspended, or removed, or have the officer's 6298
or employee's longevity reduced or eliminated, except as provided 6299
in section 124.32 of the Revised Code, and for incompetency, 6300
inefficiency, dishonesty, drunkenness, immoral conduct, 6301
insubordination, discourteous treatment of the public, neglect of 6302
duty, violation of any policy or work rule of the officer's or 6303
employee's appointing authority, violation of this chapter or the 6304
rules of the director of administrative services or the 6305
commission, any other failure of good behavior, any other acts of 6306
misfeasance, malfeasance, or nonfeasance in office, or conviction 6307
of a felony. The denial of a one-time pay supplement or a bonus to 6308
an officer or employee is not a reduction in pay for purposes of 6309
this section. 6310

This section does not apply to any modifications or 6311
reductions in pay authorized by section 124.152 or 124.392 of the 6312

Revised Code. 6313

An appointing authority may require an employee who is 6314
suspended to report to work to serve the suspension. An employee 6315
serving a suspension in this manner shall continue to be 6316
compensated at the employee's regular rate of pay for hours 6317
worked. The disciplinary action shall be recorded in the 6318
employee's personnel file in the same manner as other disciplinary 6319
actions and has the same effect as a suspension without pay for 6320
the purpose of recording disciplinary actions. 6321

A finding by the appropriate ethics commission, based upon a 6322
preponderance of the evidence, that the facts alleged in a 6323
complaint under section 102.06 of the Revised Code constitute a 6324
violation of Chapter 102., section 2921.42, or section 2921.43 of 6325
the Revised Code may constitute grounds for dismissal. Failure to 6326
file a statement or falsely filing a statement required by section 6327
102.02 of the Revised Code may also constitute grounds for 6328
dismissal. The tenure of an employee in the career professional 6329
service of the department of transportation is subject to section 6330
5501.20 of the Revised Code. 6331

Conviction of a felony is a separate basis for reducing in 6332
pay or position, suspending, or removing an officer or employee, 6333
even if the officer or employee has already been reduced in pay or 6334
position, suspended, or removed for the same conduct that is the 6335
basis of the felony. An officer or employee may not appeal to the 6336
state personnel board of review or the commission any disciplinary 6337
action taken by an appointing authority as a result of the 6338
officer's or employee's conviction of a felony. If an officer or 6339
employee removed under this section is reinstated as a result of 6340
an appeal of the removal, any conviction of a felony that occurs 6341
during the pendency of the appeal is a basis for further 6342
disciplinary action under this section upon the officer's or 6343
employee's reinstatement. 6344

A person convicted of a felony immediately forfeits the person's status as a classified employee in any public employment on and after the date of the conviction for the felony. If an officer or employee is removed under this section as a result of being convicted of a felony or is subsequently convicted of a felony that involves the same conduct that was the basis for the removal, the officer or employee is barred from receiving any compensation after the removal notwithstanding any modification or disaffirmance of the removal, unless the conviction for the felony is subsequently reversed or annulled.

Any person removed for conviction of a felony is entitled to a cash payment for any accrued but unused sick, personal, and vacation leave as authorized by law. If subsequently reemployed in the public sector, the person shall qualify for and accrue these forms of leave in the manner specified by law for a newly appointed employee and shall not be credited with prior public service for the purpose of receiving these forms of leave.

As used in this division, "felony" means any of the following:

(1) A felony that is an offense of violence as defined in section 2901.01 of the Revised Code;

(2) A felony that is a felony drug abuse offense as defined in section 2925.01 of the Revised Code;

(3) A felony under the laws of this or any other state or the United States that is a crime of moral turpitude;

(4) A felony involving dishonesty, fraud, or theft;

(5) A felony that is a violation of section 2921.05, 2921.32, or 2921.42 of the Revised Code.

(B) In case of a reduction, a suspension of forty or more work hours in the case of an employee exempt from the payment of

overtime compensation, a suspension of twenty-four or more work 6375

(12) "Designee" and "elected official" have the same meanings 7461
as in section 109.43 of the Revised Code. 7462

section, all public records responsive to the request shall be 7464
promptly prepared and made available for inspection to any person 7465
at all reasonable times during regular business hours. Subject to 7466
division (B)(8) of this section, upon request, a public office or 7467
person responsible for public records shall make copies of the 7468

requested public record available at cost and within a reasonable 7469
period of time. If a public record contains information that is 7470
exempt from the duty to permit public inspection or to copy the 7471
public record, the public office or the person responsible for the 7472
public record shall make available all of the information within 7473
the public record that is not exempt. When making that public 7474
record available for public inspection or copying that public 7475
record, the public office or the person responsible for the public 7476
record shall notify the requester of any redaction or make the 7477
redaction plainly visible. A redaction shall be deemed a denial of 7478
a request to inspect or copy the redacted information, except if 7479
federal or state law authorizes or requires a public office to 7480
make the redaction. 7481

(2) To facilitate broader access to public records, a public 7482
office or the person responsible for public records shall organize 7483
and maintain public records in a manner that they can be made 7484
available for inspection or copying in accordance with division 7485
(B) of this section. A public office also shall have available a 7486
copy of its current records retention schedule at a location 7487
readily available to the public. If a requester makes an ambiguous 7488
or overly broad request or has difficulty in making a request for 7489
copies or inspection of public records under this section such 7490
that the public office or the person responsible for the requested 7491
public record cannot reasonably identify what public records are 7492
being requested, the public office or the person responsible for 7493
the requested public record may deny the request but shall provide 7494
the requester with an opportunity to revise the request by 7495
informing the requester of the manner in which records are 7496
maintained by the public office and accessed in the ordinary 7497
course of the public office's or person's duties. 7498

(3) If a request is ultimately denied, in part or in whole, 7499
the public office or the person responsible for the requested 7500

public record shall provide the requester with an explanation, 7501
including legal authority, setting forth why the request was 7502
denied. If the initial request was provided in writing, the 7503
explanation also shall be provided to the requester in writing. 7504
The explanation shall not preclude the public office or the person 7505
responsible for the requested public record from relying upon 7506
additional reasons or legal authority in defending an action 7507
commenced under division (C) of this section. 7508

(4) Unless specifically required or authorized by state or 7509
federal law or in accordance with division (B) of this section, no 7510
public office or person responsible for public records may limit 7511
or condition the availability of public records by requiring 7512
disclosure of the requester's identity or the intended use of the 7513
requested public record. Any requirement that the requester 7514
disclose the requestor's identity or the intended use of the 7515
requested public record constitutes a denial of the request. 7516

(5) A public office or person responsible for public records 7517
may ask a requester to make the request in writing, may ask for 7518
the requester's identity, and may inquire about the intended use 7519
of the information requested, but may do so only after disclosing 7520
to the requester that a written request is not mandatory and that 7521
the requester may decline to reveal the requester's identity or 7522
the intended use and when a written request or disclosure of the 7523
identity or intended use would benefit the requester by enhancing 7524
the ability of the public office or person responsible for public 7525
records to identify, locate, or deliver the public records sought 7526
by the requester. 7527

(6) If any person chooses to obtain a copy of a public record 7528
in accordance with division (B) of this section, the public office 7529
or person responsible for the public record may require that 7530
person to pay in advance the cost involved in providing the copy 7531
of the public record in accordance with the choice made by the 7532

person seeking the copy under this division. The public office or 7533
the person responsible for the public record shall permit that 7534
person to choose to have the public record duplicated upon paper, 7535
upon the same medium upon which the public office or person 7536
responsible for the public record keeps it, or upon any other 7537
medium upon which the public office or person responsible for the 7538
public record determines that it reasonably can be duplicated as 7539
an integral part of the normal operations of the public office or 7540
person responsible for the public record. When the person seeking 7541
the copy makes a choice under this division, the public office or 7542
person responsible for the public record shall provide a copy of 7543
it in accordance with the choice made by the person seeking the 7544
copy. Nothing in this section requires a public office or person 7545
responsible for the public record to allow the person seeking a 7546
copy of the public record to make the copies of the public record. 7547

(7) Upon a request made in accordance with division (B) of 7548
this section and subject to division (B)(6) of this section, a 7549
public office or person responsible for public records shall 7550
transmit a copy of a public record to any person by United States 7551
mail or by any other means of delivery or transmission within a 7552
reasonable period of time after receiving the request for the 7553
copy. The public office or person responsible for the public 7554
record may require the person making the request to pay in advance 7555
the cost of postage if the copy is transmitted by United States 7556
mail or the cost of delivery if the copy is transmitted other than 7557
by United States mail, and to pay in advance the costs incurred 7558
for other supplies used in the mailing, delivery, or transmission. 7559

Any public office may adopt a policy and procedures that it 7560
will follow in transmitting, within a reasonable period of time 7561
after receiving a request, copies of public records by United 7562
States mail or by any other means of delivery or transmission 7563
pursuant to this division. A public office that adopts a policy 7564

and procedures under this division shall comply with them in 7565
performing its duties under this division. 7566

In any policy and procedures adopted under this division, a 7567
public office may limit the number of records requested by a 7568
person that the office will transmit by United States mail to ten 7569
per month, unless the person certifies to the office in writing 7570
that the person does not intend to use or forward the requested 7571
records, or the information contained in them, for commercial 7572
purposes. For purposes of this division, "commercial" shall be 7573
narrowly construed and does not include reporting or gathering 7574
news, reporting or gathering information to assist citizen 7575
oversight or understanding of the operation or activities of 7576
government, or nonprofit educational research. 7577

(8) A public office or person responsible for public records 7578
is not required to permit a person who is incarcerated pursuant to 7579
a criminal conviction or a juvenile adjudication to inspect or to 7580
obtain a copy of any public record concerning a criminal 7581
investigation or prosecution or concerning what would be a 7582
criminal investigation or prosecution if the subject of the 7583
investigation or prosecution were an adult, unless the request to 7584
inspect or to obtain a copy of the record is for the purpose of 7585
acquiring information that is subject to release as a public 7586
record under this section and the judge who imposed the sentence 7587
or made the adjudication with respect to the person, or the 7588
judge's successor in office, finds that the information sought in 7589
the public record is necessary to support what appears to be a 7590
justiciable claim of the person. 7591

(9) Upon written request made and signed by a journalist on 7592
or after December 16, 1999, a public office, or person responsible 7593
for public records, having custody of the records of the agency 7594
employing a specified peace officer, parole officer, prosecuting 7595
attorney, assistant prosecuting attorney, correctional employee, 7596

youth services employee, firefighter, or EMT shall disclose to the 7597
journalist the address of the actual personal residence of the 7598
peace officer, parole officer, prosecuting attorney, assistant 7599
prosecuting attorney, correctional employee, youth services 7600
employee, firefighter, or EMT and, if the peace officer's, parole 7601
officer's, prosecuting attorney's, assistant prosecuting 7602
attorney's, correctional employee's, youth services employee's, 7603
firefighter's, or EMT's spouse, former spouse, or child is 7604
employed by a public office, the name and address of the employer 7605
of the peace officer's, parole officer's, prosecuting attorney's, 7606
assistant prosecuting attorney's, correctional employee's, youth 7607
services employee's, firefighter's, or EMT's spouse, former 7608
spouse, or child. The request shall include the journalist's name 7609
and title and the name and address of the journalist's employer 7610
and shall state that disclosure of the information sought would be 7611
in the public interest. 7612

As used in this division, "journalist" means a person engaged 7613
in, connected with, or employed by any news medium, including a 7614
newspaper, magazine, press association, news agency, or wire 7615
service, a radio or television station, or a similar medium, for 7616
the purpose of gathering, processing, transmitting, compiling, 7617
editing, or disseminating information for the general public. 7618

(C)(1) If a person allegedly is aggrieved by the failure of a 7619
public office or the person responsible for public records to 7620
promptly prepare a public record and to make it available to the 7621
person for inspection in accordance with division (B) of this 7622
section or by any other failure of a public office or the person 7623
responsible for public records to comply with an obligation in 7624
accordance with division (B) of this section, the person allegedly 7625
aggrieved may commence a mandamus action to obtain a judgment that 7626
orders the public office or the person responsible for the public 7627
record to comply with division (B) of this section, that awards 7628

court costs and reasonable attorney's fees to the person that 7629
instituted the mandamus action, and, if applicable, that includes 7630
an order fixing statutory damages under division (C)(1) of this 7631
section. The mandamus action may be commenced in the court of 7632
common pleas of the county in which division (B) of this section 7633
allegedly was not complied with, in the supreme court pursuant to 7634
its original jurisdiction under Section 2 of Article IV, Ohio 7635
Constitution, or in the court of appeals for the appellate 7636
district in which division (B) of this section allegedly was not 7637
complied with pursuant to its original jurisdiction under Section 7638
3 of Article IV, Ohio Constitution. 7639

If a requestor transmits a written request by hand delivery 7640
or certified mail to inspect or receive copies of any public 7641
record in a manner that fairly describes the public record or 7642
class of public records to the public office or person responsible 7643
for the requested public records, except as otherwise provided in 7644
this section, the requestor shall be entitled to recover the 7645
amount of statutory damages set forth in this division if a court 7646
determines that the public office or the person responsible for 7647
public records failed to comply with an obligation in accordance 7648
with division (B) of this section. 7649

The amount of statutory damages shall be fixed at one hundred 7650
dollars for each business day during which the public office or 7651
person responsible for the requested public records failed to 7652
comply with an obligation in accordance with division (B) of this 7653
section, beginning with the day on which the requester files a 7654
mandamus action to recover statutory damages, up to a maximum of 7655
one thousand dollars. The award of statutory damages shall not be 7656
construed as a penalty, but as compensation for injury arising 7657
from lost use of the requested information. The existence of this 7658
injury shall be conclusively presumed. The award of statutory 7659
damages shall be in addition to all other remedies authorized by 7660

this section. 7661

The court may reduce an award of statutory damages or not 7662
award statutory damages if the court determines both of the 7663
following: 7664

(a) That, based on the ordinary application of statutory law 7665
and case law as it existed at the time of the conduct or 7666
threatened conduct of the public office or person responsible for 7667
the requested public records that allegedly constitutes a failure 7668
to comply with an obligation in accordance with division (B) of 7669
this section and that was the basis of the mandamus action, a 7670
well-informed public office or person responsible for the 7671
requested public records reasonably would believe that the conduct 7672
or threatened conduct of the public office or person responsible 7673
for the requested public records did not constitute a failure to 7674
comply with an obligation in accordance with division (B) of this 7675
section; 7676

(b) That a well-informed public office or person responsible 7677
for the requested public records reasonably would believe that the 7678
conduct or threatened conduct of the public office or person 7679
responsible for the requested public records would serve the 7680
public policy that underlies the authority that is asserted as 7681
permitting that conduct or threatened conduct. 7682

(2)(a) If the court issues a writ of mandamus that orders the 7683
public office or the person responsible for the public record to 7684
comply with division (B) of this section and determines that the 7685
circumstances described in division (C)(1) of this section exist, 7686
the court shall determine and award to the relator all court 7687
costs. 7688

(b) If the court renders a judgment that orders the public 7689
office or the person responsible for the public record to comply 7690
with division (B) of this section, the court may award reasonable 7691

attorney's fees subject to reduction as described in division 7692
(C)(2)(c) of this section. The court shall award reasonable 7693
attorney's fees, subject to reduction as described in division 7694
(C)(2)(c) of this section when either of the following applies: 7695

(i) The public office or the person responsible for the 7696
public records failed to respond affirmatively or negatively to 7697
the public records request in accordance with the time allowed 7698
under division (B) of this section. 7699

(ii) The public office or the person responsible for the 7700

this section shall be construed as remedial and not punitive. 7706
Reasonable attorney's fees shall include reasonable fees incurred 7707

the requested public records that allegedly constitutes a failure 7716
to comply with an obligation in accordance with division (B) of 7717
this section and that was the basis of the mandamus action, a 7718
well-informed public office or person responsible for the 7719
requested public records reasonably would believe that the conduct 7720
or threatened conduct of the public office or person responsible 7721
for the requested public records did not constitute a failure to 7722
comply with an obligation in accordance with division (B) of this 7723

section; 7724

(ii) That a well-informed public office or person responsible 7725
for the requested public records reasonably would believe that the 7726
conduct or threatened conduct of the public office or person 7727
responsible for the requested public records as described in 7728
division (C)(2)(c)(i) of this section would serve the public 7729
policy that underlies the authority that is asserted as permitting 7730
that conduct or threatened conduct. 7731

(D) Chapter 1347. of the Revised Code does not limit the 7732
provisions of this section. 7733

(E)(1) To ensure that all employees of public offices are 7734

division (B) of this section, all elected officials or their 7736

attorney general as provided in section 109.43 of the Revised 7738
Code. In addition, all public offices shall adopt a public records 7739

make available to a single person, may not limit the number of 7747
public records that it will make available during a fixed period 7748
of time, and may not establish a fixed period of time before it 7749

records, unless that period is less than eight hours. 7751

(2) The public office shall distribute the public records 7752
policy adopted by the public office under division (E)(1) of this 7753

employee to acknowledge receipt of the copy of the public records 7757
policy. The public office shall create a poster that describes its 7758
public records policy and shall post the poster in a conspicuous 7759
place in the public office and in all locations where the public 7760
office has branch offices. The public office may post its public 7761
records policy on the internet web site of the public office if 7762

for commercial purposes. "Bulk commercial special extraction 7789

charges and after any deposit of all or such lesser portion as the 7999
authority may direct of the premium received upon the sale of 8000

The bond service charges and all other payments required to be 8006
made by the trust agreement or indenture securing such obligations 8007
shall be payable solely from available receipts of the authority 8008
pledged thereto as provided in such resolution. The available 8009
receipts pledged and thereafter received by the authority are 8010
immediately subject to the lien of such pledge without any 8011

physical delivery thereof or further act, and the lien of any such 8012
pledge is valid and binding against all parties having claims of 8013
any kind against the authority, irrespective of whether those 8014
parties have notice thereof, and creates a perfected security 8015
interest for all purposes of Chapter 1309. of the Revised Code and 8016
a perfected lien for purposes of any real property interest, all 8017
without the necessity for separation or delivery of funds or for 8018
the filing or recording of the resolution, trust agreement, 8019
indenture, or other agreement by which such pledge is created or 8020
any certificate, statement, or other document with respect 8021
thereto; and the pledge of such available receipts is effective 8022
and the money therefrom and thereof may be applied to the purposes 8023
for which pledged. Every pledge, and every covenant and agreement 8024
made with respect to the pledge, made in the resolution may 8025
therein be extended to the benefit of the owners and holders of 8026
obligations authorized by Chapter 152. of the Revised Code, the 8027
net proceeds of which are to be applied to the costs of capital 8028
facilities, and to any trustee therefor, for the further securing 8029
of the payment of the bond service charges, and all or any rights 8030
under any agreement or lease made under this section may be 8031
assigned for such purpose. Obligations may be issued at one time 8032
or from time to time, and each issue shall be dated, shall mature 8033
at such time or times as determined by the authority not exceeding 8034
forty years from the date of issue, and may be redeemable before 8035
maturity at the option of the authority at such price or prices 8036
and under such terms and conditions as are fixed by the authority 8037
prior to the issuance of the obligations. The authority shall 8038
determine the form of the obligations, fix their denominations, 8039
establish their interest rate or rates, which may be a variable 8040
rate or rates, or the maximum interest rate, and establish within 8041
or without this state a place or places of payment of bond service 8042
charges. 8043

(C) The obligations shall be signed by the authority 8044

chairperson, vice-chairperson, and secretary-treasurer, and the 8045
authority seal shall be affixed. The signatures may be facsimile 8046
signatures and the seal affixed may be a facsimile seal, as 8047
provided by resolution of the authority. Any coupons attached may 8048
bear the facsimile signature of the chairperson. In case any 8049
officer who has signed any obligations, or caused the officer's 8050
facsimile signature to be affixed thereto, ceases to be such 8051
officer before such obligations have been delivered, such 8052
obligations may, nevertheless, be issued and delivered as though 8053
the person who had signed the obligations or caused the person's 8054
facsimile signature to be affixed thereto had not ceased to be 8055
such officer. 8056

Any obligations may be executed on behalf of the authority by 8057
an officer who, on the date of execution, is the proper officer 8058
although on the date of such obligations such person was not the 8059
proper officer. 8060

(D) All obligations issued by the authority shall have all 8061
the qualities and incidents of negotiable instruments and may be 8062
issued in coupon or in registered form, or both, as the authority 8063
determines. Provision may be made for the registration of any 8064
obligations with coupons attached thereto as to principal alone or 8065
as to both principal and interest, their exchange for obligations 8066
so registered, and for the conversion or reconversion into 8067
obligations with coupons attached thereto of any obligations 8068
registered as to both principal and interest, and for reasonable 8069
charges for such registration, exchange, conversion, and 8070
reconversion. The authority may sell its obligations in any manner 8071
and for such prices as it determines, except that the authority 8072
shall sell obligations sold at public or private sale in 8073
accordance with section 152.091 of the Revised Code. 8074

(E) The obligations of the authority, principal, interest, 8075
and any proceeds from their sale or transfer, are exempt from all 8076

taxation within this state. 8077

(F) The authority is authorized to issue revenue obligations 8078
and other obligations under Section 2i of Article VIII, Ohio 8079
Constitution, for the purpose of paying the cost of capital 8080
facilities for housing of branches and agencies of state 8081
government, including capital facilities for the purpose of 8082
housing personnel, equipment, or functions, or any combination 8083
thereof that the state agencies are responsible for housing, as 8084
are authorized by Chapter 152. of the Revised Code, and that are 8085
authorized by the general assembly by the appropriation of lease 8086
payments or other moneys for such capital facilities or by any 8087
other act of the general assembly, but not including the 8088
appropriation of moneys for feasibility studies for such capital 8089
facilities. This division does not authorize the authority to 8090
issue obligations pursuant to Section 2i of Article VIII, Ohio 8091
Constitution, to pay the cost of capital facilities for mental 8092
hygiene and retardation, parks and recreation, or state-supported 8093
or state-assisted institutions of higher education. 8094

(G) The authority is authorized to issue revenue obligations 8095
under Section 2i of Article VIII, Ohio Constitution, on behalf of 8096
a community or technical college district and shall cause the net 8097
proceeds thereof, after any deposits of accrued interest for the 8098
payment of bond service charges and after any deposit of all or 8099
such lesser portion as the authority may direct of the premium 8100
received upon the sale of those obligations for the payment of the 8101
bond service charges, to be applied to the cost of community or 8102
technical college capital facilities, provided that the issuance 8103
of such obligations is subject to the execution of a written 8104
agreement in accordance with division (C) of section 3333.90 of 8105
the Revised Code for the withholding and depositing of funds 8106
otherwise due the district, or the college it operates, in respect 8107
of its allocated state share of instruction. 8108

The authority shall provide by resolution for the issuance of 8109
such obligations. The bond service charges and all other payments 8110
required to be made by the trust agreement or indenture securing 8111
the obligations shall be payable solely from available community 8112
or technical college receipts pledged thereto as provided in the 8113
resolution. The available community or technical college receipts 8114
pledged and thereafter received by the authority are immediately 8115
subject to the lien of such pledge without any physical delivery 8116
thereof or further act, and the lien of any such pledge is valid 8117
and binding against all parties having claims of any kind against 8118
the authority, irrespective of whether those parties have notice 8119
thereof, and creates a perfected security interest for all 8120
purposes of Chapter 1309. of the Revised Code and a perfected lien 8121
for purposes of any real property interest, all without the 8122
necessity for separation or delivery of funds or for the filing or 8123
recording of the resolution, trust agreement, indenture, or other 8124
agreement by which such pledge is created or any certificate, 8125
statement, or other document with respect thereto; and the pledge 8126
of such available community or technical college receipts is 8127
effective and the money there from and thereof may be applied to 8128
the purposes for which pledged. Every pledge, and every covenant 8129
and agreement made with respect to the pledge, made in the 8130
resolution may therein be extended to the benefit of the owners 8131
and holders of obligations authorized by this division, and to any 8132
trustee therefor, for the further securing of the payment of the 8133
bond service charges, and all or any rights under any agreement or 8134
lease made under this section may be assigned for such purpose. 8135
Obligations may be issued at one time or from time to time, and 8136
each issue shall be dated, shall mature at such time or times as 8137
determined by the authority not exceeding forty years from the 8138

housing. 9026

~~(F)~~(E) In prescribing eligibility criteria and conditions for 9027
the use of funds, neither the department nor the agency is limited 9028
to the criteria and conditions specified in this section and each 9029
may prescribe additional eligibility criteria and conditions that 9030
relate to the purposes for which grants, loans, loan guarantees, 9031
and loan subsidies may be made. However, the department and agency 9032
are limited by the following specifically targeted low- and 9033
moderate-income guidelines: 9034

(1) Not less than seventy-five per cent of the money granted 9035

and loaned under this section in any fiscal year shall be for 9036
activities that provide affordable housing and housing assistance 9037

174.04 of the Revised Code. 9056

(2) Notwithstanding any residential prevailing rate of wages 9139
established prior to July 1, 1995, if, by October 1, 1995, the 9140
parties are unable to agree under division (A)(1) of this section 9141
as to the rate of wages payable for each occupation covered by 9142

homeownership or who provides labor in place of or as a supplement 9159
to any rental payments for the property. 9160

(D) For the purposes of this section: 9161

(1) "Project" means any construction, rehabilitation, 9162
remodeling, or improvement of residential housing, whether on a 9163
single or multiple site for which a person, as defined in section 9164
1.59 of the Revised Code, or municipal corporation, county, or 9165

from state moneys or pursuant to this chapter, section 133.51 or 9167

division (D)(2)(e) of this section, the value of the low-income 9189
housing tax credits shall be calculated as the proceeds from the 9190
sale of the tax credits, less the costs of the sale. 9191

As used in division (D)(1)(e) of this section, "sponsored" 9192
means that a general partner of a limited partnership owning the 9193
project or a managing member of a limited liability company owning 9194

Nothing in division (D)(1)(e) of this section shall be 9207
construed as permitting unrelated projects to be combined for the 9208
sole purpose of determining the total percentage of project costs 9209
furnished by the federal government or any of its agencies. 9210

(2) A "project" is a "public improvement" and the state or a 9211
political subdivision that undertakes or participates in the 9212
financing of a project is a "public authority," as both of the 9213
last two terms are defined in section 4115.03 of the Revised Code. 9214

(3) "Qualified volunteers" are volunteers who are working 9215
without compensation for a nonprofit organization that is exempt 9216
from federal income tax under section 501(c)(3) of the Internal 9217
Revenue Code, and that is providing housing or housing assistance 9218
only to families and individuals in a county whose incomes are not 9219

greater than one hundred forty per cent of the median income of 9220
that county as determined under section 174.04 of the Revised 9221
Code. 9222

Sec. 307.626. (A) By the first day of April of each year, the 9223
person convening the child fatality review board shall prepare and 9224
submit to the Ohio department of health a report that ~~includes all~~ 9225

- (6) The geographic location of death; 9234
- (7) The year of death. 9235

The report shall specify the number of child deaths that ~~have~~ 9236
~~not been reviewed since the effective date of this section~~ were 9237
not reviewed during the previous calendar year. 9238

The report may include recommendations for actions that might 9239
prevent other deaths, as well as any other information the review 9240
board determines should be included. 9241

(B) Reports prepared under division (A) of this section shall 9242
be considered public records under section 149.43 of the Revised 9243
Code. 9244

(C) The child fatality review board shall submit individual 9245
data with respect to each child death review into the Ohio 9246
department of health child death review database or the national 9247
child death review database. The individual data shall include the 9248

information specified in division (A) of this section and any 9249
other information the board considers relevant to the review. 9250
Individual data related to a child death review that is contained 9251
in the Ohio department of health child death review database is 9252
not a public record under section 149.43 of the Revised Code. 9253

Sec. 307.629. (A) Except as provided in sections 5153.171 to 9254
5153.173 of the Revised Code, any information, document, or report 9255
presented to a child fatality review board, all statements made by 9256
review board members during meetings of the review board, ~~and~~ all 9257
work products of the review board, and child fatality review data 9258
submitted by the child fatality review board to the department of 9259
health or a national child death review database, other than the 9260
report prepared pursuant to division (A) of section 307.626 of the 9261
Revised Code, are confidential and shall be used by the review 9262
board ~~and~~, its members, and the department of health only in the 9263
exercise of the proper functions of the review board and the 9264
department. 9265

(B) No person shall permit or encourage the unauthorized 9266
dissemination of the confidential information described in 9267
division (A) of this section. 9268

(C) Whoever violates division (B) of this section is guilty 9269
of a misdemeanor of the second degree. 9270

Sec. 319.301. (A) This section does not apply to any of the 9271
following: 9272

(1) Taxes levied at whatever rate is required to produce a 9273
specified amount of tax money, including a tax levied under 9274
section 5705.199 or 5705.211 of the Revised Code, or an amount to 9275
pay debt charges; 9276

(2) Taxes levied within the one per cent limitation imposed 9277
by Section 2 of Article XII, Ohio Constitution; 9278

(3) Taxes provided for by the charter of a municipal corporation.	9279 9280
(B) As used in this section:	9281
(1) "Real property" includes real property owned by a railroad.	9282 9283
(2) "Carryover property" means all real property on the current year's tax list except:	9284 9285
(a) Land and improvements that were not taxed by the district in both the preceding year and the current year;	9286 9287
(b) Land and improvements that were not in the same class in both the preceding year and the current year.	9288 9289
(3) "Effective tax rate" means with respect to each class of property:	9290 9291
(a) The sum of the total taxes that would have been charged and payable for current expenses against real property in that class if each of the district's taxes were reduced for the current year under division (D)(1) of this section without regard to the application of division (E)(3) of this section divided by	9292 9293 9294 9295 9296
(b) The taxable value of all real property in that class.	9297
(4) "Taxes charged and payable" means the taxes charged and payable prior to any reduction required by section 319.302 of the Revised Code.	9298 9299 9300
(C) The tax commissioner shall make the determinations required by this section each year, without regard to whether a taxing district has territory in a county to which section 5715.24 of the Revised Code applies for that year. Separate determinations shall be made for each of the two classes established pursuant to section 5713.041 of the Revised Code.	9301 9302 9303 9304 9305 9306
(D) With respect to each tax authorized to be levied by each taxing district, the tax commissioner, annually, shall do both of	9307 9308

the following: 9309

(1) Determine by what percentage, if any, the sums levied by 9310
such tax against the carryover property in each class would have 9311
to be reduced for the tax to levy the same number of dollars 9312
against such property in that class in the current year as were 9313
charged against such property by such tax in the preceding year 9314
subsequent to the reduction made under this section but before the 9315
reduction made under section 319.302 of the Revised Code. In the 9316
case of a tax levied for the first time that is not a renewal of 9317
an existing tax, the commissioner shall determine by what 9318
percentage the sums that would otherwise be levied by such tax 9319
against carryover property in each class would have to be reduced 9320
to equal the amount that would have been levied if the full rate 9321
thereof had been imposed against the total taxable value of such 9322
property in the preceding tax year. A tax or portion of a tax that 9323
is designated a replacement levy under section 5705.192 of the 9324
Revised Code is not a renewal of an existing tax for purposes of 9325
this division. 9326

(2) Certify each percentage determined in division (D)(1) of 9327
this section, as adjusted under division (E) of this section, and 9328
the class of property to which that percentage applies to the 9329
auditor of each county in which the district has territory. The 9330
auditor, after complying with section 319.30 of the Revised Code, 9331
shall reduce the sum to be levied by such tax against each parcel 9332
of real property in the district by the percentage so certified 9333
for its class. Certification shall be made by the first day of 9334
September except in the case of a tax levied for the first time, 9335
in which case certification shall be made within fifteen days of 9336
the date the county auditor submits the information necessary to 9337
make the required determination. 9338

(E)(1) As used in division (E)(2) of this section, "pre-1982 9339
joint vocational taxes" means, with respect to a class of 9340

property, the difference between the following amounts: 9341

(a) The taxes charged and payable in tax year 1981 against 9342
the property in that class for the current expenses of the joint 9343
vocational school district of which the school district is a part 9344
after making all reductions under this section; 9345

(b) The following percentage of the taxable value of all real 9346
property in that class: 9347

(i) In 1987, five one-hundredths of one per cent; 9348

(ii) In 1988, one-tenth of one per cent; 9349

(iii) In 1989, fifteen one-hundredths of one per cent; 9350

(iv) In 1990 and each subsequent year, two-tenths of one per 9351
cent. 9352

If the amount in division (E)(1)(b) of this section exceeds 9353
the amount in division (E)(1)(a) of this section, the pre-1982 9354
joint vocational taxes shall be zero. 9355

As used in divisions (E)(2) and (3) of this section, "taxes 9356
charged and payable" has the same meaning as in division (B)(4) of 9357
this section and excludes any tax charged and payable in 1985 or 9358
thereafter under sections 5705.194 to 5705.197 or section 5705.199 9359
or 5705.213 of the Revised Code. 9360

(2) If in the case of a school district other than a joint 9361
vocational or cooperative education school district any percentage 9362
required to be used in division (D)(2) of this section for either 9363
class of property could cause the total taxes charged and payable 9364
for current expenses to be less than two per cent of the taxable 9365
value of all real property in that class that is subject to 9366
taxation by the district, the commissioner shall determine what 9367
percentages would cause the district's total taxes charged and 9368
payable for current expenses against that class, after all 9369
reductions that would otherwise be made under this section, to 9370

equal, when combined with the pre-1982 joint vocational taxes 9371
against that class, the lesser of the following: 9372

(a) The sum of the rates at which those taxes are authorized 9373
to be levied; 9374

(b) Two per cent of the taxable value of the property in that 9375
class. The auditor shall use such percentages in making the 9376
reduction required by this section for that class. 9377

(3)(a) If in the case of a joint vocational school district 9378
any percentage required to be used in division (D)(2) of this 9379
section for either class of property could cause the total taxes 9380
charged and payable for current expenses for that class to be less 9381
than the designated amount, the commissioner shall determine what 9382
percentages would cause the district's total taxes charged and 9383
payable for current expenses for that class, after all reductions 9384
that would otherwise be made under this section, to equal the 9385
designated amount. The auditor shall use such percentages in 9386
making the reductions required by this section for that class. 9387

(b) As used in division (E)(3)(a) of this section, the 9388
designated amount shall equal the taxable value of all real 9389
property in the class that is subject to taxation by the district 9390
times the lesser of the following: 9391

(i) Two-tenths of one per cent; 9392

(ii) The district's effective rate plus the following 9393
percentage for the year indicated: 9394

WHEN COMPUTING THE	ADD THE FOLLOWING

1987	0.025%	9397

1992	0.15%	9402
1993	0.175%	9403
1994 and thereafter	0.2%	9404

(F) No reduction shall be made under this section in the rate at which any tax is levied. 9405
9406

(G) The commissioner may order a county auditor to furnish any information the commissioner needs to make the determinations required under division (D) or (E) of this section, and the auditor shall supply the information in the form and by the date specified in the order. If the auditor fails to comply with an order issued under this division, except for good cause as determined by the commissioner, the commissioner shall withhold from such county or taxing district therein fifty per cent of state revenues to local governments pursuant to section 5747.50 of the Revised Code or shall direct the department of education to withhold therefrom fifty per cent of state revenues to school districts pursuant to ~~Chapter~~ Chapters 3306. and 3317. of the Revised Code. The commissioner shall withhold the distribution of such revenues until the county auditor has complied with this division, and the department shall withhold the distribution of such revenues until the commissioner has notified the department that the county auditor has complied with this division. 9407

(H) If the commissioner is unable to certify a tax reduction factor for either class of property in a taxing district located in more than one county by the last day of November because information required under division (G) of this section is unavailable, the commissioner may compute and certify an estimated tax reduction factor for that district for that class. The estimated factor shall be based upon an estimate of the unavailable information. Upon receipt of the actual information for a taxing district that received an estimated tax reduction factor, the commissioner shall compute the actual tax reduction 9424

factor and use that factor to compute the taxes that should have 9434
been charged and payable against each parcel of property for the 9435
year for which the estimated reduction factor was used. The amount 9436
by which the estimated factor resulted in an overpayment or 9437
underpayment in taxes on any parcel shall be added to or 9438
subtracted from the amount due on that parcel in the ensuing tax 9439
year. 9440

A percentage or a tax reduction factor determined or computed 9441
by the commissioner under this section shall be used solely for 9442
the purpose of reducing the sums to be levied by the tax to which 9443
it applies for the year for which it was determined or computed. 9444
It shall not be used in making any tax computations for any 9445
ensuing tax year. 9446

(I) In making the determinations under division (D)(1) of 9447
this section, the tax commissioner shall take account of changes 9448
in the taxable value of carryover property resulting from 9449
complaints filed under section 5715.19 of the Revised Code for 9450
determinations made for the tax year in which such changes are 9451
reported to the commissioner. Such changes shall be reported to 9452
the commissioner on the first abstract of real property filed with 9453
the commissioner under section 5715.23 of the Revised Code 9454
following the date on which the complaint is finally determined by 9455
the board of revision or by a court or other authority with 9456
jurisdiction on appeal. The tax commissioner shall account for 9457
such changes in making the determinations only for the tax year in 9458
which the change in valuation is reported. Such a valuation change 9459

division (D)(1) of this section for any prior tax year. 9461

Sec. 319.302. (A)(1) Real property that is not intended 9462

three-family dwellings. For purposes of this partial exemption, 9472
"farming" does not include land used for the commercial production 9473
of timber that is receiving the tax benefit under section 5713.23 9474
or 5713.31 of the Revised Code and all improvements connected with 9475
such commercial production of timber. 9476

(2) Each year, the county auditor shall review each parcel of 9477
real property to determine whether it qualifies for the partial 9478

January of the current tax year. 9480

(B) After complying with section 319.301 of the Revised Code, 9481
the county auditor shall reduce the remaining sums to be levied 9482

current tax year and that qualifies for partial exemption under 9485
division (A) of this section, and against each manufactured and 9486
mobile home that is taxed pursuant to division (D)(2) of section 9487
4503.06 of the Revised Code and that is on the manufactured home 9488

duplicate, the treasurer shall certify to the tax commissioner the 9500
total amount by which the real property taxes were reduced under 9501
this section, as shown on the duplicate. Such reduction shall not 9502
directly or indirectly affect the determination of the principal 9503
amount of notes that may be issued in anticipation of any tax 9504
levies or the amount of bonds or notes for any planned 9505
improvements. If after application of sections 5705.31 and 5705.32 9506
of the Revised Code and other applicable provisions of law, 9507
including divisions (F) and (I) of section 321.24 of the Revised 9508

section. 9516

(D) The determination of whether property qualifies for 9517
partial exemption under division (A) of this section is solely for 9518

various taxing districts of the county as if it had been levied, 9815

the county treasurer shall settle with the county auditor for all 9838
remaining manufactured home taxes that the county treasurer has 9839
collected on the manufactured home tax duplicate at the time of 9840

treasurer would have been authorized to receive had such section 9862
not been in effect and that amount had been levied and collected 9863
as manufactured home taxes. The county auditor shall distribute 9864

Licensees and registrants shall specify on an invoice whether the 10395
per ton inspection fee has been paid or whether payment of the fee 10396
is the responsibility of the purchaser of the fertilizer. The 10397
payment of this inspection fee by a licensee or registrant shall 10398
exempt all other persons from the payment of this fee. 10399

(B) Every licensee or registrant shall file with the director 10400
an annual tonnage report that includes the number of net tons or 10401

year, a penalty of fifty dollars or ten per cent of the amount 10415

due, whichever is greater, shall be assessed against the licensee 10416

licensee or registrant. For tonnage reports found to be incorrect, 10419
a penalty of fifteen per cent of the amount due shall be assessed 10420
against the licensee or registrant and shall constitute a debt and 10421

10423

(C) No information furnished under this section shall be 10424
disclosed by any employee of the department of agriculture in such 10425

the records of the licensee or registrant. 10430

(D) All money collected under this section shall be credited 10431

labeled the fertilizer or mixed fertilizer shall pay a penalty to 10438
the consumer of the mislabeled fertilizer or, if the consumer 10439
cannot be determined with reasonable diligence or is not 10440
available, to the director ~~for deposit into~~ to be credited to the 10441
~~commercial feed~~ pesticide, fertilizer, ~~seed~~, and lime ~~inspection 10442~~
~~and laboratory~~ program fund created under section ~~905.38~~ 921.22 of 10443
the Revised Code. The amount of the penalty shall be calculated in 10444
accordance with either division (A) or (B) of this section, 10445
whichever method of calculation yields the largest amount. 10446

(A)(1) A penalty required to be paid under this section may be calculated as follows:

(a) Five dollars for each percentage point of total nitrogen or phosphorus in the fertilizer that is below the percentage of nitrogen or phosphorus guaranteed on the label, multiplied by the number of tons of mislabeled fertilizer that have been sold to the consumer;

(b) Three dollars for each percentage point of potash in the fertilizer that is below the percentage of potash guaranteed on the label, multiplied by the number of tons of mislabeled fertilizer that have been sold to the consumer.

(2) In the case of a fertilizer that contains a quantity of nitrogen, phosphorus, or potash that is more than five percentage points below the percentages guaranteed on the label, the penalties calculated under division (A)(1) of this section shall be tripled.

(3) No penalty calculated under division (A) of this section shall be less than twenty-five dollars.

(B) A penalty required to be paid under this section may be calculated by multiplying the market value of one unit of the mislabeled fertilizer by the number of units of the mislabeled fertilizer that have been sold to the consumer.

(C) Upon making a determination under this section that a person has mislabeled fertilizer or mixed fertilizer, the director shall determine the parties to whom the penalty imposed by this section is required to be paid and, in accordance with division (A) or (B) of this section, as applicable, shall calculate the amount of the penalty required to be paid to each such party. After completing those determinations and calculations, the director shall issue to the person who allegedly mislabeled the fertilizer or mixed fertilizer a notice of violation. The notice

shall be accompanied by an order requiring, and specifying the 10478
manner of, payment of the penalty imposed by this section to the 10479
parties in the amounts set forth in the determinations and 10480
calculations required by this division. The order shall be issued 10481
in accordance with Chapter 119. of the Revised Code. 10482

No person shall violate a term or condition of an order 10483
issued under this division. 10484

establishment and, upon receipt of the required license fee, the 10752
establishment shall be permitted to operate. However, if after 10753
inspection the director finds that an establishment is not in 10754
compliance with this chapter and rules adopted under it, the 10755
director shall deny the license application. The applicant may 10756
appeal the denial of the license application in accordance with 10757
Chapter 119. of the Revised Code. The license shall expire 10758
annually on the thirty-first day of March and, if the director 10759
finds that the establishment is in compliance with this chapter 10760
and rules adopted under it, shall be renewed according to the 10761
standard renewal procedure of sections 4745.01 to 4745.03 of the 10762
Revised Code. 10763

(B) The annual license fee for each establishment, or a 10764
renewal thereof, is ~~fifty~~ one hundred dollars. All fees collected 10765
under this section shall be deposited into the poultry and meat 10766
products fund created in section 918.15 of the Revised Code. 10767

(C) If after inspection the director determines that an 10768
establishment licensed under division (A) of this section is 10769
operating in violation of this chapter or the rules adopted 10770
thereunder, the director shall notify the licensee in writing of 10771
the violation and give the licensee ten days from the date of 10772
notice to cease or correct the conditions causing the violation. 10773
If the conditions causing the violation continue after the 10774
expiration of the ten-day period, the director may do either of 10775
the following: 10776

(1) Impose progressive enforcement actions as provided in 10777
division (D)(1) of this section in the same manner as inspectors; 10778

(2) Suspend or revoke the establishment's license in 10779
accordance with Chapter 119. of the Revised Code. 10780

(D)(1) If an inspector determines that an establishment 10781
licensed under division (A) of this section is operating in 10782
violation of sections 918.01 to 918.12 of the Revised Code and 10783
rules adopted under those sections, the inspector may notify the 10784
licensee in writing of the violation. The inspector immediately 10785
may impose progressive enforcement actions, including withholding 10786
the mark of inspection, suspension of inspection, suspension of 10787
inspection held in abeyance, and withdrawal of inspection. The 10788
progressive enforcement actions may be taken prior to affording 10789
the licensee an opportunity for a hearing. As authorized in 10790
division (C) of section 119.06 of the Revised Code, a decision to 10791
impose a progressive enforcement action is immediately appealable 10792
to a higher authority within the department who is classified by 10793
the director as a district supervisor and who is designated by the 10794
director to hear the appeal. If the district supervisor affirms 10795
the enforcement action of the inspector, the licensee may appeal 10796
the enforcement action in accordance with Chapter 119. of the 10797
Revised Code. 10798

(2) As used in division (D)(1) of this section, "suspension 10799
of inspection held in abeyance" means a period of time during 10800
which a suspension of inspection is lifted because an 10801
establishment has presented the director with a corrective action 10802
plan that, if implemented properly, would bring the establishment 10803
into compliance with this chapter and rules adopted under it. 10804

(E) If in the opinion of the director the establishment is 10805
being operated under such insanitary conditions as to be a hazard 10806
to public health, or if the director determines that an 10807
establishment is not in compliance with its hazard analysis 10808
critical control point plan as required by rules, the director may 10809
condemn or retain the product on hand and immediately withdraw 10810

inspection from the establishment until the insanitary conditions 10811
are corrected or until the establishment is in compliance with its 10812
hazard analysis critical control point plan, as applicable. The 10813
director may take those actions prior to an adjudication hearing 10814
as required under section 119.06 of the Revised Code. The director 10815
subsequently shall afford a hearing upon the request of the owner 10816
or operator of the establishment. 10817

(F) Any person operating an establishment as defined in 10818
section 918.01 of the Revised Code who also operates on the same 10819
premises an establishment as defined in section 918.21 of the 10820
Revised Code shall apply either for licensure under section 918.08 10821
of the Revised Code or for licensure under section 918.28 of the 10822
Revised Code, but not for both, as the director shall determine. 10823

(G) If the director determines that the owner or operator of 10824
or any person employed by an establishment licensed under division 10825
(A) of this section forcibly assaulted, resisted, opposed, 10826
impeded, intimidated, or interfered with any person while that 10827
person was engaged in, or because of the person's performance of, 10828
official duties under sections 918.01 to 918.12 of the Revised 10829
Code or the rules adopted under those sections, the director 10830
immediately may withdraw inspection from the establishment prior 10831
to an adjudication hearing as required under section 119.06 of the 10832
Revised Code. 10833

(H) In addition to any remedies provided by law and 10834
irrespective of whether or not there exists an adequate remedy at 10835
law, the director may apply to the court of common pleas of the 10836
county in which a violation of sections 918.01 to 918.12 of the 10837
Revised Code or rules adopted under those sections occurs for a 10838
temporary or permanent injunction or other appropriate relief 10839
concerning the violation. 10840

Sec. 918.28. (A) Except as provided in division (F) of 10841

section 918.08 of the Revised Code, application for a license to 10842
operate an establishment shall be made to the director of 10843
agriculture on forms provided by the department of agriculture. 10844
The director shall inspect the establishment and if, upon 10845
inspection, the establishment is found to be in compliance with 10846
this chapter and rules adopted under it, the director shall so 10847
notify the owner of the establishment and, upon receipt of the 10848
annual license fee of ~~fifty~~ one hundred dollars, shall issue the 10849
owner a license. However, if after inspection the director finds 10850
that an establishment is not in compliance with this chapter and 10851
rules adopted under it, the director shall deny the license 10852
application. The applicant may appeal the denial of the license 10853
application in accordance with Chapter 119. of the Revised Code. 10854
The license shall expire on the thirty-first day of March of each 10855
year and, if the director finds that the establishment is in 10856
compliance with this chapter and rules adopted under it, shall be 10857
renewed according to the standard renewal procedures of sections 10858
4745.01 to 4745.03 of the Revised Code. 10859

(B) If after inspection the director determines that an 10860
establishment licensed under this section is operating in 10861
violation of this chapter or a rule or order adopted or issued 10862
under authority thereof, the director shall notify the licensee in 10863
writing of the violation, giving the licensee ten days from the 10864
date of the notice to correct the conditions causing the 10865
violation. If the conditions are not corrected within the ten-day 10866
period, the director may do either of the following: 10867

(1) Impose progressive enforcement actions as provided in 10868
division (C)(1) of this section in the same manner as inspectors; 10869

(2) Suspend or revoke the license in accordance with Chapter 10870
119. of the Revised Code. 10871

(C)(1) If an inspector determines that an establishment 10872

licensed under division (A) of this section is operating in 10873
violation of sections 918.21 to 918.31 of the Revised Code and 10874
rules adopted under those sections, the inspector may notify the 10875
licensee in writing of the violation. The inspector immediately 10876
may impose progressive enforcement actions, including withholding 10877
the mark of inspection, suspension of inspection, suspension of 10878
inspection held in abeyance, and withdrawal of inspection. The 10879
progressive enforcement actions may be taken prior to affording 10880
the licensee an opportunity for a hearing. As authorized in 10881
division (C) of section 119.06 of the Revised Code, a decision to 10882
impose a progressive enforcement action is immediately appealable 10883
to a higher authority within the department who is classified by 10884
the director as a district supervisor and who is designated by the 10885
director to hear the appeal. If the district supervisor affirms 10886
the enforcement action of the inspector, the licensee may appeal 10887
the enforcement action in accordance with Chapter 119. of the 10888
Revised Code. 10889

(2) As used in division (C)(1) of this section, "suspension 10890
of inspection held in abeyance" means a period of time during 10891
which a suspension of inspection is lifted because an 10892
establishment has presented the director with a corrective action 10893
plan that, if implemented properly, would bring the establishment 10894
into compliance with this chapter and rules adopted under it. 10895

(D) If in the opinion of the director the establishment is 10896
being operated under such insanitary conditions as to be a hazard 10897
to public health, or if the director determines that an 10898
establishment is not in compliance with its hazard analysis 10899
critical control point plan as required by rules, the director may 10900
condemn or retain the product on hand and immediately withdraw 10901
inspection from the establishment until such time as the 10902
insanitary conditions are corrected or until the establishment is 10903
in compliance with its hazard analysis critical control point 10904

plan, as applicable. 10905

(E) If the director determines that the owner or operator of 10906
or any person employed by an establishment licensed under division 10907
(A) of this section forcibly assaulted, resisted, opposed, 10908
impeded, intimidated, or interfered with any person while that 10909
person was engaged in, or because of the person's performance of, 10910
official duties under sections 918.21 to 918.31 of the Revised 10911
Code or the rules adopted under those sections, the director 10912
immediately may withdraw inspection from the establishment prior 10913
to an adjudication hearing as required under section 119.06 of the 10914
Revised Code. 10915

(F) In addition to any remedies provided by law and 10916
irrespective of whether or not there exists an adequate remedy at 10917
law, the director may apply to the court of common pleas of the 10918
county in which a violation of sections 918.21 to 918.31 of the 10919
Revised Code or rules adopted under those sections occurs for a 10920
temporary or permanent injunction or other appropriate relief 10921
concerning the violation. 10922

Sec. 921.02. (A) No person shall distribute a pesticide 10923
within this state unless the pesticide is registered with the 10924
director of agriculture under this chapter. Registrations shall be 10925
issued for a period of time established by rule and shall be 10926
renewed in accordance with deadlines established by rule. 10927
Registration is not required if a pesticide is shipped from one 10928
plant or warehouse to another plant or warehouse operated by the 10929
same person and used solely at that plant or warehouse as a 10930
constituent part to make a pesticide that is registered under this 10931
chapter, or if the pesticide is distributed under the provisions 10932
of an experimental use permit issued under section 921.03 of the 10933
Revised Code or an experimental use permit issued by the United 10934
States environmental protection agency. 10935

(B) The applicant for registration of a pesticide shall file a statement with the director on a form provided by the director, which shall include all of the following:

(1) The name and address of the applicant and the name and address of the person whose name will appear on the label, if other than the applicant's name;

(2) The brand and product name of the pesticide;

(3) Any necessary information required for completion of the department of agriculture's application for registration, including the agency registration number;

(4) A complete copy of the labeling accompanying the pesticide and a statement of all claims to be made for it, including the directions for use and the use classification as provided for in the federal act.

(C) The director, when the director considers it necessary in the administration of this chapter, may require the submission of the complete formula of any pesticide including the active and inert ingredients.

(D) The director may require a full description of the tests made and the results thereof upon which the claims are based for any pesticide. The director shall not consider any data submitted in support of an application, without permission of the applicant, in support of any other application for registration unless the other applicant first has offered to pay reasonable compensation for producing the test data to be relied upon and the data are not protected from disclosure by section 921.04 of the Revised Code. In the case of a renewal of registration, a statement shall be required only with respect to information that is different from that furnished when the pesticide was registered or last registered.

(E) The director may require any other information to be

submitted with an application. 10967

Any applicant may designate any portion of the required 10968
registration information as a trade secret or confidential 10969
business information. Upon receipt of any required registration 10970
information designated as a trade secret or confidential business 10971
information, the director shall consider the designated 10972
information as confidential and shall not reveal or cause to be 10973
revealed any such designated information without the consent of 10974
the applicants, except to persons directly involved in the 10975
registration process described in this section or as required by 10976
law. 10977

(F) Beginning January 1, 2007, each applicant shall pay a 10978
registration and inspection fee of one hundred fifty dollars for 10979
each product name and brand registered for the company whose name 10980
appears on the label. If an applicant files for a renewal of 10981
registration after the deadline established by rule, the applicant 10982
shall pay a penalty fee of seventy-five dollars for each product 10983
name and brand registered for the applicant. The penalty fee shall 10984
be added to the original fee and paid before the renewal 10985
registration is issued. In addition to any other remedy available 10986
under this chapter, if a pesticide that is not registered pursuant 10987
to this section is distributed within this state, the person 10988
required to register the pesticide shall do so and shall pay a 10989
penalty fee of seventy-five dollars for each product name and 10990
brand registered for the applicant. The penalty fee shall be added 10991
to the original fee of one hundred fifty dollars and paid before 10992
the registration is issued. 10993

(G) Provided that the state is authorized by the 10994
administrator of the United States environmental protection agency 10995
to register pesticides to meet special local needs, the director 10996
shall require the information set forth under divisions (B), (C), 10997
(D), and (E) of this section and shall register any such pesticide 10998

after determining that all of the following conditions are met: 10999

(1) Its composition is such as to warrant the proposed claims 11000
for it. 11001

(2) Its labeling and other material required to be submitted 11002
comply with the requirements of the federal act and of this 11003
chapter, and rules adopted thereunder. 11004

(3) It will perform its intended function without 11005
unreasonable adverse effects on the environment. 11006

(4) When used in accordance with widespread and commonly 11007
recognized practice, it will not generally cause unreasonable 11008
adverse effects on the environment. 11009

(5) The classification for general or restricted use is in 11010
conformity with the federal act. 11011

The director shall not make any lack of essentiality a 11012
criterion for denying the registration of any pesticide. When two 11013
pesticides meet the requirements of division (G) of this section, 11014
the director shall not register one in preference to the other. 11015

(H)(1) The director may refuse to register a pesticide if the 11016
application for registration fails to comply with this section. 11017

(2) The director may suspend or revoke a pesticide 11018
registration after a hearing in accordance with Chapter 119. of 11019
the Revised Code for a pesticide that fails to meet the claims 11020
made for it on its label. 11021

(3) The director may immediately suspend a pesticide 11022
registration, prior to a hearing, when the director believes that 11023
the pesticide poses an immediate hazard to human or animal health 11024
or a hazard to the environment. Not later than fifteen days after 11025
suspending the registration, the director shall determine whether 11026
the pesticide poses such a hazard. If the director determines that 11027
no hazard exists, the director shall lift the suspension of the 11028

registration. If the director determines that a hazard exists, the 11029
director shall revoke the registration in accordance with Chapter 11030
119. of the Revised Code. 11031

(I) All money collected under this section shall be credited 11032
to the pesticide, fertilizer, and lime program fund created in 11033
section 921.22 of the Revised Code. 11034

Sec. 921.06. (A)(1) No individual shall do any of the 11035

the director of agriculture: 11037

(a) Apply pesticides for a pesticide business without direct 11038
supervision; 11039

(b) Apply pesticides as part of the individual's duties while 11040
acting as an employee of the United States government, a state, 11041
county, township, or municipal corporation, or a park district, 11042
port authority, or sanitary district created under Chapter 1545., 11043
4582., or 6115. of the Revised Code, respectively; 11044

(c) Apply restricted use pesticides. Division (A)(1)(c) of 11045
this section does not apply to a private applicator or an 11046
immediate family member or a subordinate employee of a private 11047
applicator who is acting under the direct supervision of that 11048
private applicator. 11049

(d) If the individual is the owner of a business other than a 11050
pesticide business or an employee of such an owner, apply 11051
pesticides at any of the following publicly accessible sites that 11052
are located on the property: 11053

(i) Food service operations that are licensed under Chapter 11054

(e) Conduct authorized diagnostic inspections.	11076
(2) Divisions (A)(1)(a) to (d) of this section do not apply to an individual who is acting as a trained serviceperson under the direct supervision of a commercial applicator.	11077 11078 11079
(3) Licenses shall be issued for a period of time established by rule and shall be renewed in accordance with deadlines established by rule. The fee for each such license shall be established by rule. If a license is not issued or renewed, the application fee shall be retained by the state as payment for the reasonable expense of processing the application. No individual shall be required to pay	11080 11081 11082 11083 11084 11085 11086 11087 11088

an additional license fee if the individual is licensed for more than one category.

The fee for each license or renewal does not apply to an applicant who is an employee of the department of agriculture whose job duties require licensure as a commercial applicator as a condition of employment.

(B) Application for a commercial applicator license shall be made on a form prescribed by the director. Each application for a license shall state the pesticide-use category or categories of license for which the applicant is applying and other information that the director determines essential to the administration of this chapter.

(C) If the director finds that the applicant is competent to apply pesticides and conduct diagnostic inspections and that the applicant has passed both the general examination and each applicable pesticide-use category examination as required under division (A) of section 921.12 of the Revised Code, the director shall issue a commercial applicator license limited to the pesticide-use category or categories for which the applicant is found to be competent. If the director rejects an application, the director may explain why the application was rejected, describe the additional requirements necessary for the applicant to obtain a license, and return the application. The applicant may resubmit the application without payment of any additional fee.

(D)(1) A person who is a commercial applicator shall be deemed to hold a private applicator's license for purposes of applying pesticides on agricultural commodities that are produced by the commercial applicator.

(2) A commercial applicator shall apply pesticides only in the pesticide-use category or categories in which the applicator is licensed under this chapter.

to the pesticide, fertilizer, and lime program fund created in 11121
section 921.22 of the Revised Code. 11122

Sec. 921.09. (A)(1) No person shall own or operate a 11123
pesticide business without obtaining a license from the director 11124
of agriculture. Licenses shall be issued for a period of time 11125
established by rule and shall be renewed in accordance with 11126
deadlines established by rule. 11127

(2) A person applying for a pesticide business license shall 11128
register each location that is owned by the person and used for 11129
the purpose of engaging in the pesticide business. 11130

(B) Any person who owns or operates a pesticide business 11131
outside of this state, but engages in the business of applying 11132
pesticides to properties of another for hire in this state, shall 11133
obtain a license for the person's principal out-of-state location 11134
from the director. In addition, the person shall register each 11135
location that is owned by the person in this state and used for 11136
the purpose of engaging in the pesticide business. 11137

(C)(1) The person applying for a pesticide business license 11138
shall file a statement with the director, on a form provided by 11139
the director, that shall include all of the following: 11140

by rule for each pesticide business registered location specified 11149

in the application. The license may be renewed upon payment of a 11150
renewal fee established by rule plus an additional fee established 11151
by rule for each pesticide business registered location. A copy of 11152
the license shall be maintained and conspicuously displayed at 11153
each such location. 11154

(3) The issuance of a pesticide business license constitutes 11155
registration of any pesticide business location identified in the 11156
application under division (C)(1) of this section. 11157

(4) The owner or operator of a pesticide business shall 11158
notify the director not later than fifteen days after any change 11159
occurs in the information required under division (C)(1)(a) or (b) 11160
of this section. 11161

(D) The owner or operator of a pesticide business shall 11162
employ at least one commercial applicator for each pesticide 11163
business registered location the owner or operator owns or 11164
operates. 11165

(E) The owner or operator of a pesticide business is 11166
responsible for the acts of each employee in the handling, 11167
application, and use of pesticides and in the conducting of 11168
diagnostic inspections. The pesticide business license is subject 11169
to denial, modification, suspension, or revocation after a hearing 11170
for any violation of this chapter or any rule adopted or order 11171
issued under it. The director may levy against the owner or 11172
operator any civil penalties authorized by division (B) of section 11173
921.16 of the Revised Code for any violation of this chapter or 11174
any rule adopted or order issued under it that is committed by the 11175
owner or operator or by the owner's or operator's officer, 11176
employee, or agent. 11177

(F) The director may modify a license issued under this 11178
section by one of the following methods: 11179

(1) Revoking a licensee's authority to operate out of a 11180

particular pesticide business registered location listed under 11181
division (C)(1)(b) of this section; 11182

(2) Preventing a licensee from operating within a specific 11183
pesticide-use category. 11184

(G) The director may deny a pesticide business license to any 11185
person whose pesticide business license has been revoked within 11186
the previous thirty-six months. 11187

(H) Each pesticide business registered location that is owned 11188
by a pesticide business is subject to inspection by the director. 11189

(I) All money collected under this section shall be credited 11190
to the pesticide, fertilizer, and lime program fund created in 11191
section 921.22 of the Revised Code. 11192

Sec. 921.11. (A)(1) No individual shall apply restricted use 11193

The chief may, by rule, limit the period during which a construction permit issued under this section is valid. The rules may allow for the extension of the period during which a permit is valid upon written request, provided that the written request includes a revised construction cost estimate, and may require the payment of an additional filing fee for the requested extension. Code, and the chief shall not refund to the livery owner all or 15350
any portion of an annual registration fee applicable to a 15351

pay the applicable annual registration fee for each watercraft 15354
registered under an amended certificate of livery registration 15355
that is in excess of the number of watercraft contained in the 15356
annual certificate of livery registration. 15357

In addition to the fees established in this section, 15358
watercraft that are not powercraft shall be charged a waterways 15359
conservation assessment fee. The fee shall be collected at the 15360
time of the issuance of an annual livery registration under this 15361
section and shall be one dollar and fifty cents for each 15362
watercraft included in the registration. The fee shall be 15363
deposited in the state treasury and credited to a distinct account 15364
in the waterways safety fund created in section 1547.75 of the 15365
Revised Code. 15366

The certificate of livery registration, rental receipts, and 15367
required safety equipment are subject to inspection at any time at 15368
the livery's place of business by any authorized representative of 15369
the division of watercraft or any law enforcement officer in 15370
accordance with section 1547.63 of the Revised Code. 15371

Except as provided in this section, all watercraft registered 15372
under this section are subject to this chapter and Chapter 1548. 15373
of the Revised Code. 15374

The chief may issue an order temporarily or permanently 15375
restricting or suspending a livery certificate of registration and 15376
the privileges associated with it without a hearing if the chief 15377
finds that the holder of the certificate has violated this 15378
chapter. 15379

Sec. 1547.73. There is hereby created in the division of 15380

of the senate, shall appoint a successor to fill the unexpired 15401
term who shall hold office for the remainder of the term for which 15402
~~his~~ the member's predecessor was appointed. Any member shall 15403
continue in office subsequent to the expiration date of ~~his~~ the 15404
member's term until ~~his~~ the member's successor takes office, or 15405
until a period of sixty days has elapsed, whichever occurs first. 15406

The governor may remove any appointed member of the council for 15407
misfeasance, nonfeasance, or malfeasance in office. 15408

The council may: 15409

Before entering upon the discharge of ~~his~~ official duties, 15429
each member of the council shall take and subscribe to an oath of 15430
office, which oath, in writing, shall be filed in the office of 15431
the secretary of state. 15432

The members of the council shall serve without compensation, 15433

annually from among its members a ~~chairman~~ chairperson to preside 15449

~~of the Revised Code, "watercourse" means a substantially natural~~ 15455
~~channel with recognized banks and bottom, in which a flow of water~~ 15456
~~occurs, with an average of at least ten feet mean surface water~~ 15457
~~width and at least five miles of length.~~ The director of natural 15458
resources or the director's representative may create, supervise, 15459
operate, protect, and maintain wild, scenic, and recreational 15460
river areas ~~under the classifications established in section~~ 15461
~~1517.15 of the Revised Code.~~ In creating wild, scenic, and 15462
recreational river areas, the director shall classify each such 15463
area as either a wild river area, a scenic river area, or a 15464
recreational river area. The director or the director's 15465
representative may prepare and maintain a plan for the 15466
establishment, development, use, and administration of those areas 15467

as a part of the comprehensive state plans for water management 15468
and outdoor recreation. The director or the director's 15469
representative may cooperate with federal agencies administering 15470
any federal program concerning wild, scenic, or recreational river 15471
areas. 15472

The director may propose for establishment as a wild, scenic, 15473
or recreational river area a part or parts of any watercourse in 15474
this state, with adjacent lands, that in the director's judgment 15475
possesses water conservation, scenic, fish, wildlife, historic, or 15476
outdoor recreation values that should be preserved, ~~using the~~ 15477
~~classifications established in section 1517.15 of the Revised~~ 15478
~~Code.~~ The area shall include lands adjacent to the watercourse in 15479
sufficient width to preserve, protect, and develop the natural 15480
character of the watercourse, but shall not include any lands more 15481
than one thousand feet from the normal waterlines of the 15482
watercourse unless an additional width is necessary to preserve 15483
water conservation, scenic, fish, wildlife, historic, or outdoor 15484
recreation values. 15485

The director shall publish the intention to declare an area a 15486
wild, scenic, or recreational river area at least once in a 15487
newspaper of general circulation in each county, any part of which 15488
is within the area, and shall send written notice of the intention 15489
to the legislative authority of each county, township, and 15490
municipal corporation and to each conservancy district established 15491
under Chapter 6101. of the Revised Code, any part of which is 15492
within the area, and to the director of transportation, the 15493
director of development, the director of administrative services, 15494
and the director of environmental protection. The notices shall 15495
include a copy of a map and description of the area. 15496

After thirty days from the last date of publication or 15497
dispatch of written notice as required in this section, the 15498
director shall enter a declaration in the director's journal that 15499

the area is a wild river area, scenic river area, or recreational 15500
river area. When so entered, the area is a wild, scenic, or 15501
recreational river area, as applicable. The director, after thirty 15502
days' notice as prescribed in this section and upon the approval 15503
of the recreation and resources commission created in section 15504
1501.04 of the Revised Code, may terminate the status of an area 15505
as a wild river area, scenic river area, or recreational river 15506
area by an entry in the director's journal. 15507

Declaration by the director that an area is a wild, scenic, 15508
or recreational river area does not authorize the director or any 15509
governmental agency or political subdivision to restrict the use 15510
of land by the owner thereof or any person acting under the 15511
landowner's authority or to enter upon the land and does not 15512
expand or abridge the regulatory authority of any governmental 15513
agency or political subdivision over the area. 15514

The director may enter into a lease or other agreement with a 15515
political subdivision to administer all or part of a wild, scenic, 15516
or recreational river area and may acquire real property or any 15517
estate, right, or interest therein in order to provide for the 15518
protection and public recreational use of a wild, scenic, or 15519
recreational river area. 15520

The chief of the division of ~~natural areas and preserves~~ 15521
watercraft or the chief's representative may participate in 15522
watershed-wide planning with federal, state, and local agencies in 15523
order to protect the values of wild, scenic, and recreational 15524
river areas. 15525

Sec. ~~1517.16~~ 1547.82. No state department, state agency, or 15526
political subdivision shall build or enlarge any highway, road, or 15527
structure or modify or cause the modification of the channel of 15528
any watercourse within a wild, scenic, or recreational river area 15529
outside the limits of a municipal corporation without first having 15530

obtained approval of the plans for the highway, road, or structure 15531
or channel modification from the director of natural resources or 15532
~~his~~ the director's representative. The court of common pleas 15533
having jurisdiction, upon petition by the director, shall enjoin 15534
work on any highway, road, or structure or channel modification 15535
for which such approval has not been obtained. 15536

Sec. ~~1517.17~~ 1547.83. The chief of the division of ~~natural~~ 15537
~~areas and preserves~~ watercraft shall administer the state programs 15538
for wild river areas, scenic river areas, and recreational river 15539
areas. The chief may accept and administer state and federal 15540
financial assistance ~~programs~~ for the maintenance, protection, and 15541
administration of wild, scenic, and recreational river areas and 15542
for construction of facilities within those areas. The chief, with 15543
the approval of the director of natural resources, may expend for 15544
the purpose of administering the state programs for wild, scenic, 15545
and recreational river areas money that is appropriated by the 15546
general assembly for that purpose, money that is in the scenic 15547
rivers protection fund created in section 4501.24 of the Revised 15548
Code, and money that is in the waterways safety fund created in 15549
section 1547.75 of the Revised Code as determined to be necessary 15550
by the division of watercraft not to exceed four per cent of all 15551
money accruing to the fund. The chief may condition any 15552
expenditures, maintenance activities, or construction of 15553
facilities on the adoption and enforcement of adequate floodplain 15554
zoning or land use rules. 15555

~~The director of natural resources may make a lease or~~ 15556
~~agreement with a political subdivision to administer all or part~~ 15557
~~of a wild, scenic, or recreational river area.~~ 15558

~~The director may acquire real property or any estate, right,~~ 15559
~~or interest therein for protection and public recreational use as~~ 15560
~~a wild, scenic, or recreational river area.~~ 15561

~~The chief may expend funds for the acquisition, protection, 15562
construction, maintenance, and administration of real property and 15563
public use facilities in wild, scenic, or recreational river areas 15564
when the funds are so appropriated by the general assembly. The 15565
chief may condition such expenditures, acquisition of land or 15566
easements, or construction of facilities within a wild, scenic, or 15567
recreational river area upon adoption and enforcement of adequate 15568
floodplain zoning rules. 15569~~

Any instrument by which real property is acquired pursuant to 15570
this section shall identify the agency of the state that has the 15571
use and benefit of the real property as specified in section 15572
5301.012 of the Revised Code. 15573

The chief may cooperate with federal agencies administering 15574
any federal program concerning wild, scenic, or recreational river 15575
areas. 15576

Sec. ~~1517.18~~ 1547.84. The director of natural resources shall 15577
appoint an advisory council for each wild, scenic, or recreational 15578
river area, composed of not more than ten persons who are 15579
representative of local government and local organizations and 15580
interests in the vicinity of the wild, scenic, or recreational 15581
river area, who shall serve without compensation. The chief of the 15582
division of ~~natural areas and preserves~~ watercraft or ~~his~~ the 15583
chief's representative shall serve as an ex officio member of each 15584
council. 15585

~~The terms of all members serving on any advisory council 15586
under this section on the effective date of this amendment shall 15587
end on January 31, 1995. The director shall appoint new members to 15588
serve on each council for terms beginning on February 1, 1995, 15589
provided that a member serving on a council on the effective date 15590
of this amendment may be appointed to such a new term. The initial 15591
members appointed to each council shall serve for terms of not 15592~~

more than three years, with the terms of not more than four 15593
members of any council ending in the same year. Thereafter, terms 15594
of office shall be for three years commencing on the first day of 15595
February and ending on the last day of January. 15596

Each council shall advise the chief on the acquisition of 15597
land and easements and on the lands and waters that should be 15598
included in a wild, scenic, or recreational river area or a 15599
proposed wild, scenic, or recreational river area, facilities 15600
therein, and other aspects of establishment and administration of 15601
the area that may affect the local interest. 15602

Sec. 1547.85. The director of natural resources may 15603
participate in the federal program for the protection of certain 15604
selected rivers that are located within the boundaries of the 15605
state as provided in the "Wild and Scenic Rivers Act," 82 Stat. 15606
906 (1968), 16 U.S.C. 1271 et seq., as amended. The director may 15607
authorize the chief of the division of watercraft to participate 15608
in any other federal program established for the purpose of 15609
protecting, conserving, or developing recreational access to 15610
waters in this state that possess outstanding scenic, 15611
recreational, geologic, fish and wildlife, historic, cultural, or 15612
other similar values. 15613

Sec. 1547.86. Any action taken by the chief of the division 15614
of watercraft under sections 1547.81 to 1547.87 of the Revised 15615
Code shall not be deemed in conflict with certain powers and 15616
duties conferred on and delegated to federal agencies and to 15617
municipal corporations under Section 7 of Article XVIII, Ohio 15618
Constitution, or as provided by sections 721.04 to 721.11 of the 15619
Revised Code. 15620

Sec. 1547.87. The division of watercraft, in carrying out 15621
sections 1547.81 to 1547.87 of the Revised Code, may accept, 15622

receive, and expend gifts, devises, or bequests of money, lands, 15623
or other properties under the terms established in section 9.20 of 15624
the Revised Code. 15625

Sec. 1547.99. (A) Whoever violates section 1547.91 of the 15626
Revised Code is guilty of a felony of the fourth degree. 15627

(B) Whoever violates division (F) of section 1547.08, section 15628
1547.10, division (I) of section 1547.111, section 1547.13, or 15629
section 1547.66 of the Revised Code is guilty of a misdemeanor of 15630
the first degree. 15631

(C) Whoever violates a provision of this chapter or a rule 15632
adopted thereunder, for which no penalty is otherwise provided, is 15633
guilty of a minor misdemeanor. 15634

(D) Whoever violates section 1547.07, 1547.132, or 1547.12 of 15635
the Revised Code without causing injury to persons or damage to 15636
property is guilty of a misdemeanor of the fourth degree. 15637

(E) Whoever violates section 1547.07, 1547.132, or 1547.12 of 15638
the Revised Code causing injury to persons or damage to property 15639
is guilty of a misdemeanor of the third degree. 15640

(F) Whoever violates division ~~(M)~~(N) of section 1547.54, 15641
division (G) of section 1547.30, or section 1547.131, 1547.25, 15642
1547.33, 1547.38, 1547.39, 1547.40, 1547.65, 1547.69, or 1547.92 15643
of the Revised Code or a rule adopted under division (A)(2) of 15644
section 1547.52 of the Revised Code is guilty of a misdemeanor of 15645
the fourth degree. 15646

(G) Whoever violates section 1547.11 of the Revised Code is 15647
guilty of a misdemeanor of the first degree and shall be punished 15648
as provided in division (G)(1), (2), or (3) of this section. 15649

(1) Except as otherwise provided in division (G)(2) or (3) of 15650
this section, the court shall sentence the offender to a jail term 15651
of three consecutive days and may sentence the offender pursuant 15652

to section 2929.24 of the Revised Code to a longer jail term. In 15653
addition, the court shall impose upon the offender a fine of not 15654
less than one hundred fifty nor more than one thousand dollars. 15655

The court may suspend the execution of the mandatory jail 15656
term of three consecutive days that it is required to impose by 15657
division (G)(1) of this section if the court, in lieu of the 15658
suspended jail term, places the offender under a community control 15659
sanction pursuant to section 2929.25 of the Revised Code and 15660
requires the offender to attend, for three consecutive days, a 15661
drivers' intervention program that is certified pursuant to 15662
section 3793.10 of the Revised Code. The court also may suspend 15663
the execution of any part of the mandatory jail term of three 15664
consecutive days that it is required to impose by division (G)(1) 15665
of this section if the court places the offender under a community 15666
control sanction pursuant to section 2929.25 of the Revised Code 15667
for part of the three consecutive days; requires the offender to 15668
attend, for that part of the three consecutive days, a drivers' 15669
intervention program that is certified pursuant to section 3793.10 15670
of the Revised Code; and sentences the offender to a jail term 15671
equal to the remainder of the three consecutive days that the 15672
offender does not spend attending the drivers' intervention 15673
program. The court may require the offender, as a condition of 15674
community control, to attend and satisfactorily complete any 15675
treatment or education programs, in addition to the required 15676
attendance at a drivers' intervention program, that the operators 15677
of the drivers' intervention program determine that the offender 15678
should attend and to report periodically to the court on the 15679
offender's progress in the programs. The court also may impose any 15680
other conditions of community control on the offender that it 15681
considers necessary. 15682

(2) If, within six years of the offense, the offender has 15683
been convicted of or pleaded guilty to one violation of section 15684

1547.11 of the Revised Code or one other equivalent offense, the 15685
court shall sentence the offender to a jail term of ten 15686
consecutive days and may sentence the offender pursuant to section 15687
2929.24 of the Revised Code to a longer jail term. In addition, 15688
the court shall impose upon the offender a fine of not less than 15689
one hundred fifty nor more than one thousand dollars. 15690

In addition to any other sentence that it imposes upon the 15691
offender, the court may require the offender to attend a drivers' 15692
intervention program that is certified pursuant to section 3793.10 15693
of the Revised Code. 15694

(3) If, within six years of the offense, the offender has 15695
been convicted of or pleaded guilty to more than one violation or 15696
offense identified in division (G)(2) of this section, the court 15697
shall sentence the offender to a jail term of thirty consecutive 15698
days and may sentence the offender to a longer jail term of not 15699
more than one year. In addition, the court shall impose upon the 15700
offender a fine of not less than one hundred fifty nor more than 15701
one thousand dollars. 15702

In addition to any other sentence that it imposes upon the 15703
offender, the court may require the offender to attend a drivers' 15704
intervention program that is certified pursuant to section 3793.10 15705
of the Revised Code. 15706

(4) Upon a showing that serving a jail term would seriously 15707
affect the ability of an offender sentenced pursuant to division 15708
(G)(1), (2), or (3) of this section to continue the offender's 15709
employment, the court may authorize that the offender be granted 15710
work release after the offender has served the mandatory jail term 15711
of three, ten, or thirty consecutive days that the court is 15712
required by division (G)(1), (2), or (3) of this section to 15713
impose. No court shall authorize work release during the mandatory 15714
jail term of three, ten, or thirty consecutive days that the court 15715
is required by division (G)(1), (2), or (3) of this section to 15716

impose. The duration of the work release shall not exceed the time 15717
necessary each day for the offender to commute to and from the 15718
place of employment and the place in which the jail term is served 15719
and the time actually spent under employment. 15720

(5) Notwithstanding any section of the Revised Code that 15721
authorizes the suspension of the imposition or execution of a 15722
sentence or the placement of an offender in any treatment program 15723
in lieu of being imprisoned or serving a jail term, no court shall 15724
suspend the mandatory jail term of ten or thirty consecutive days 15725
required to be imposed by division (G)(2) or (3) of this section 15726

served the mandatory jail term of ten or thirty consecutive days 15730
required to be imposed pursuant to division (G)(2) or (3) of this 15731
section. Notwithstanding any section of the Revised Code that 15732
authorizes the suspension of the imposition or execution of a 15733
sentence or the placement of an offender in any treatment program 15734
in lieu of being imprisoned or serving a jail term, no court, 15735
except as specifically authorized by division (G)(1) of this 15736
section, shall suspend the mandatory jail term of three 15737
consecutive days required to be imposed by division (G)(1) of this 15738
section or place an offender who is sentenced pursuant to division 15739
(G)(1) of this section in any treatment program in lieu of 15740
imprisonment until after the offender has served the mandatory 15741
jail term of three consecutive days required to be imposed 15742
pursuant to division (G)(1) of this section. 15743

(6) As used in division (G) of this section: 15744

4511.181 of the Revised Code. 15746

(b) "Jail term" and "mandatory jail term" have the same 15747
meanings as in section 2929.01 of the Revised Code. 15748

(H) Whoever violates section 1547.304 of the Revised Code is 15749
guilty of a misdemeanor of the fourth degree and also shall be 15750
assessed any costs incurred by the state or a county, township, 15751
municipal corporation, or other political subdivision in disposing 15752
of an abandoned junk vessel or outboard motor, less any money 15753
accruing to the state, county, township, municipal corporation, or 15754
other political subdivision from that disposal. 15755

(I) Whoever violates division (B) or (C) of section 1547.49 15756
of the Revised Code is guilty of a minor misdemeanor. 15757

(J) Whoever violates section 1547.31 of the Revised Code is 15758
guilty of a misdemeanor of the fourth degree on a first offense. 15759
On each subsequent offense, the person is guilty of a misdemeanor 15760
of the third degree. 15761

(K) Whoever violates section 1547.05 or 1547.051 of the 15762
Revised Code is guilty of a misdemeanor of the fourth degree if 15763
the violation is not related to a collision, injury to a person, 15764
or damage to property and a misdemeanor of the third degree if the 15765
violation is related to a collision, injury to a person, or damage 15766
to property. 15767

(L) The sentencing court, in addition to the penalty provided 15768
under this section for a violation of this chapter or a rule 15769
adopted under it that involves a powercraft powered by more than 15770

threat to the safety of persons or property, shall order the 15772
offender to complete successfully a boating course approved by the 15773
national association of state boating law administrators before 15774
the offender is allowed to operate a powercraft powered by more 15775
than ten horsepower on the waters in this state. Violation of a 15776
court order entered under this division is punishable as contempt 15777
under Chapter 2705. of the Revised Code. 15778

Sec. 1548.06. (A)(1) Application for a certificate of title 15779

for a watercraft or outboard motor shall be made upon a form 15780
prescribed by the chief of the division of watercraft and shall be 15781
sworn to before a notary public or other officer empowered to 15782
administer oaths. The application shall be filed with the clerk of 15783
any court of common pleas. An application for a certificate of 15784
title may be filed electronically by any electronic means approved 15785
by the chief in any county with the clerk of the court of common 15786
pleas of that county. The application shall be accompanied by the 15787
fee prescribed in section 1548.10 of the Revised Code. The fee 15788
shall be retained by the clerk who issues the certificate of title 15789
and shall be distributed in accordance with that section. If a 15790
clerk of a court of common pleas, other than the clerk of the 15791
court of common pleas of an applicant's county of residence, 15792
issues a certificate of title to the applicant, the clerk shall 15793
transmit data related to the transaction to the automated title 15794
processing system. 15795

(2) If a certificate of title previously has been issued for 15796
the watercraft or outboard motor, the application for a 15797
certificate of title also shall be accompanied by the certificate 15798
of title duly assigned unless otherwise provided in this chapter. 15799
If a certificate of title previously has not been issued for the 15800
watercraft or outboard motor in this state, the application, 15801
unless otherwise provided in this chapter, shall be accompanied by 15802
a manufacturer's or importer's certificate; by a sworn statement 15803
of ownership if the watercraft or outboard motor was purchased by 15804
the applicant on or before October 9, 1963, or if the watercraft 15805
is less than fourteen feet long with a permanently affixed 15806
mechanical means of propulsion and was purchased by the applicant 15807
on or before January 1, 2000; or by a certificate of title, bill 15808
of sale, or other evidence of ownership required by the law of 15809
another state from which the watercraft or outboard motor was 15810
brought into this state. Evidence of ownership of a watercraft or 15811
outboard motor for which an Ohio certificate of title previously 15812

has not been issued and which watercraft or outboard motor does 15813
not have permanently affixed to it a manufacturer's serial number 15814
shall be accompanied by the certificate of assignment of a hull 15815
identification number assigned by the chief as provided in section 15816
1548.07 of the Revised Code. 15817

(3) The clerk shall retain the evidence of title presented by 15818
the applicant and on which the certificate of title is issued, 15819
except that, if an application for a certificate of title is filed 15820
electronically, by a vendor on behalf of a purchaser of a 15821
watercraft or outboard motor, the clerk shall retain the completed 15822
electronic record to which the vendor converted the certificate of 15823
title application and other required documents. The chief, after 15824
consultation with the attorney general, shall adopt rules that 15825
govern the location at which, and the manner in which, are stored 15826
the actual application and all other documents relating to the 15827
sale of a watercraft or outboard motor when a vendor files the 15828
application for a certificate of title electronically on behalf of 15829
a purchaser. 15830

(B) The clerk shall use reasonable diligence in ascertaining 15831
whether the facts in the application are true by checking the 15832
application and documents accompanying it or the electronic record 15833
to which a vendor converted the application and accompanying 15834
documents with the records of watercraft and outboard motors in 15835
the clerk's office. If the clerk is satisfied that the applicant 15836
is the owner of the watercraft or outboard motor and that the 15837
application is in the proper form, the clerk shall issue a 15838
physical certificate of title over the clerk's signature and 15839
sealed with the clerk's seal unless the applicant specifically 15840
requests the clerk not to issue a physical certificate of title 15841
and instead to issue an electronic certificate of title. However, 15842
if the evidence indicates and an investigation shows that one or 15843
more Ohio titles already exist for the watercraft or outboard 15844

motor, the chief may cause the redundant title or titles to be 15845
canceled. 15846

(C) In the case of the sale of a watercraft or outboard motor 15847
by a vendor to a general purchaser or user, the certificate of 15848
title shall be obtained in the name of the purchaser by the vendor 15849
upon application signed by the purchaser. In all other cases, the 15850
certificate shall be obtained by the purchaser. In all cases of 15851
transfer of watercraft or outboard motors, the application for 15852
certificate of title shall be filed within thirty days after the 15853
later of the date of purchase or assignment of ownership of the 15854
watercraft or outboard motor. If the application for certificate 15855
of title is not filed within thirty days after the later of the 15856
date of purchase or assignment of ownership of the watercraft or 15857
outboard motor, the clerk shall charge a late penalty fee of five 15858
dollars in addition to the fee prescribed by section 1548.10 of 15859
the Revised Code. The clerk shall retain the entire amount of each 15860
late penalty fee. 15861

(D) The clerk shall refuse to accept an application for 15862
certificate of title unless the applicant either tenders with the 15863
application payment of all taxes levied by or pursuant to Chapter 15864
5739. or 5741. of the Revised Code based on the applicant's county 15865
of residence ~~less, in the case of a sale by a vendor, any discount~~ 15866
~~to which the vendor is entitled under section 5739.12 of the~~ 15867
~~Revised Code,~~ or submits any of the following: 15868

(1) A receipt issued by the tax commissioner or a clerk of 15869
courts showing payment of the tax; 15870

(2) A copy of the unit certificate of exemption completed by 15871
the purchaser at the time of sale as provided in section 5739.03 15872
of the Revised Code; 15873

(3) An exemption certificate, in a form prescribed by the tax 15874
commissioner, that specifies why the purchase is not subject to 15875

the tax imposed by Chapter 5739. or 5741. of the Revised Code. 15876

Payment of the tax shall be in accordance with rules issued 15877
by the tax commissioner, and the clerk shall issue a receipt in 15878
the form prescribed by the tax commissioner to any applicant who 15879
tenders payment of the tax with the application for the 15880
certificate of title. 15881

(E)(1) For receiving and disbursing the taxes paid to the 15882
clerk by a resident of the clerk's county, the clerk may retain a 15883
poundage fee of one and one one-hundredth per cent of the taxes 15884
collected, which shall be paid into the certificate of title 15885
administration fund created by section 325.33 of the Revised Code. 15886
The clerk shall not retain a poundage fee from payments of taxes 15887
by persons who do not reside in the clerk's county. 15888

(2) A clerk, however, may retain from the taxes paid to the 15889
clerk an amount equal to the poundage fees associated with 15890
certificates of title issued by other clerks of courts of common 15891
pleas to applicants who reside in the first clerk's county. The 15892
chief of the division of watercraft, in consultation with the tax 15893
commissioner and the clerks of the courts of common pleas, shall 15894
develop a report from the automated title processing system that 15895
informs each clerk of the amount of the poundage fees that the 15896
clerk is permitted to retain from those taxes because of 15897
certificates of title issued by the clerks of other counties to 15898
applicants who reside in the first clerk's county. 15899

(F) In the case of casual sales of watercraft or outboard 15900
motors that are subject to the tax imposed by Chapter 5739. or 15901
5741. of the Revised Code, the purchase price for the purpose of 15902
determining the tax shall be the purchase price on an affidavit 15903
executed and filed with the clerk by the vendor on a form to be 15904
prescribed by the chief, which shall be prima-facie evidence of 15905
the price for the determination of the tax. In addition to the 15906
information required by section 1548.08 of the Revised Code, each 15907

certificate of title shall contain in bold lettering the following 15908
notification and statements: "WARNING TO TRANSFEROR AND TRANSFEREE 15909
(SELLER AND BUYER). You are required by law to state the true 15910
selling price. A false statement is a violation of section 2921.13 15911
of the Revised Code and is punishable by six months imprisonment 15912
or a fine of up to one thousand dollars, or both. All transfers 15913
are audited by the department of taxation. The seller and buyer 15914
must provide any information requested by the department of 15915
taxation. The buyer may be assessed any additional tax found to be 15916
due." 15917

(G) Each county clerk of courts shall forward to the 15918
treasurer of state all sales and use tax collections resulting 15919
from sales of titled watercraft and outboard motors during a 15920
calendar week on or before the Friday following the close of that 15921
week. If, on any Friday, the offices of the clerk of courts or the 15922
state are not open for business, the tax shall be forwarded to the 15923
treasurer of state on or before the next day on which the offices 15924
are open. Every remittance of tax under this division shall be 15925
accompanied by a remittance report in such form as the tax 15926
commissioner prescribes. Upon receipt of a tax remittance and 15927
remittance report, the treasurer of state shall date stamp the 15928
report and forward it to the tax commissioner. If the tax due for 15929
any week is not remitted by a clerk of courts as required under 15930
this division, the clerk shall forfeit the poundage fees for the 15931
sales made during that week. The treasurer of state may require 15932
the clerks of courts to transmit tax collections and remittance 15933
reports electronically. 15934

(H) For purposes of a transfer of a certificate of title, if 15935
the clerk is satisfied that a secured party has discharged a lien 15936
but has not canceled the lien notation with a clerk, the clerk may 15937
cancel the lien notation on the automated title processing system 15938
and notify the clerk of the county of origin. 15939

(I) Every clerk shall have the capability to transact by 15940
electronic means all procedures and transactions relating to the 15941
issuance of watercraft or outboard motor certificates of title 15942
that are described in the Revised Code as being accomplished by 15943
electronic means. 15944

with the division of an application for renewal, and the payment 15956

of section 1716.14 of the Revised Code, is guilty of a misdemeanor 16076
of the first degree. 16077

Each occurrence of a solicitation of a contribution from any 16078
person in violation of any provision of sections 1716.02 to 16079
1716.17 of the Revised Code, other than division (A)(1) of section 16080
1716.14 of the Revised Code, is considered a separate offense. 16081

(B)(1) Whoever violates division (A)(1) of section 1716.14 of 16082
the Revised Code is guilty of solicitation fraud and shall be 16083
punished as provided in divisions (B)(2) to (4) of this section. 16084

(2) Except as otherwise provided in division (B)(4) of this 16085
section, division (B)(3) of this section applies to solicitation 16086

against an elderly person or disabled adult. Except as otherwise 19992
provided in this division, identity fraud against an elderly 19993
person or disabled adult is a felony of the fifth degree. If the 19994
value of the credit, property, services, debt, or other legal 19995
obligation involved in the violation or course of conduct is ~~five~~ 19996
seven hundred fifty dollars or more and is less than five thousand 19997
dollars, identity fraud against an elderly person or disabled 19998
adult is a felony of the third degree. If the value of the credit, 19999
property, services, debt, or other legal obligation involved in 20000
the violation or course of conduct is five thousand dollars or 20001
more and is less than one hundred thousand dollars, identity fraud 20002
against an elderly person or disabled adult is a felony of the 20003
second degree. If the value of the credit, property, services, 20004
debt, or other legal obligation involved in the violation or 20005
course of conduct is one hundred thousand dollars or more, 20006
identity fraud against an elderly person or disabled adult is a 20007
felony of the first degree. 20008

Sec. 2913.51. (A) No person shall receive, retain, or dispose 20009
of property of another knowing or having reasonable cause to 20010
believe that the property has been obtained through commission of 20011
a theft offense. 20012

(B) It is not a defense to a charge of receiving stolen property in violation of this section that the property was obtained by means other than through the commission of a theft offense if the property was explicitly represented to the accused person as being obtained through the commission of a theft offense.

(C) Whoever violates this section is guilty of receiving stolen property. Except as otherwise provided in this division, receiving stolen property is a misdemeanor of the first degree. If the value of the property involved is ~~five~~ seven hundred fifty dollars or more and is less than five thousand dollars, if the property involved is any of the property listed in section 2913.71 of the Revised Code, receiving stolen property is a felony of the fifth degree. If the property involved is a motor vehicle, as defined in section 4501.01 of the Revised Code, if the property involved is a dangerous drug, as defined in section 4729.01 of the Revised Code, if the value of the property involved is five thousand dollars or more and is less than one hundred thousand dollars, or if the property involved is a firearm or dangerous ordnance, as defined in section 2923.11 of the Revised Code, receiving stolen property is a felony of the fourth degree. If the value of the property involved is one hundred thousand dollars or more, receiving stolen property is a felony of the third degree.

Sec. 2913.61. (A) When a person is charged with a theft offense, or with a violation of division (A)(1) of section 1716.14 of the Revised Code involving a victim who is an elderly person or disabled adult that involves property or services valued at ~~five~~ seven hundred fifty dollars or more, property or services valued at ~~five~~ seven hundred fifty dollars or more and less than five thousand dollars, property or services valued at five thousand dollars or more and less than twenty-five thousand dollars,

property or services valued at twenty-five thousand dollars or 20045
more and less than one hundred thousand dollars, or property or 20046
services valued at one hundred thousand dollars or more, the jury 20047
or court trying the accused shall determine the value of the 20048
property or services as of the time of the offense and, if a 20049
guilty verdict is returned, shall return the finding of value as 20050
part of the verdict. In any case in which the jury or court 20051
determines that the value of the property or services at the time 20052
of the offense was ~~five~~ seven hundred fifty dollars or more, it is 20053
unnecessary to find and return the exact value, and it is 20054
sufficient if the finding and return is to the effect that the 20055
value of the property or services involved was ~~five~~ seven hundred 20056
fifty dollars or more and less than five thousand dollars, was 20057
five thousand dollars or more and less than twenty-five thousand 20058
dollars, was twenty-five thousand dollars or more and less than 20059
one hundred thousand dollars, or was one hundred thousand dollars 20060
or more. 20061

(B) If more than one item of property or services is involved 20062
in a theft offense or in a violation of division (A)(1) of section 20063
1716.14 of the Revised Code involving a victim who is an elderly 20064
person or disabled adult, the value of the property or services 20065
involved for the purpose of determining the value as required by 20066
division (A) of this section is the aggregate value of all 20067
property or services involved in the offense. 20068

(C)(1) When a series of offenses under section 2913.02 of the 20069
Revised Code, or a series of violations of, attempts to commit a 20070
violation of, conspiracies to violate, or complicity in violations 20071
of division (A)(1) of section 1716.14, section 2913.02, 2913.03, 20072
or 2913.04, division (B)(1) or (2) of section 2913.21, or section 20073
2913.31 or 2913.43 of the Revised Code involving a victim who is 20074
an elderly person or disabled adult, is committed by the offender 20075
in the offender's same employment, capacity, or relationship to 20076

another, all of those offenses shall be tried as a single offense. 20077
The value of the property or services involved in the series of 20078
offenses for the purpose of determining the value as required by 20079
division (A) of this section is the aggregate value of all 20080
property and services involved in all offenses in the series. 20081

(2) If an offender commits a series of offenses under section 20082
2913.02 of the Revised Code that involves a common course of 20083
conduct to defraud multiple victims, all of the offenses may be 20084
tried as a single offense. If an offender is being tried for the 20085
commission of a series of violations of, attempts to commit a 20086
violation of, conspiracies to violate, or complicity in violations 20087
of division (A)(1) of section 1716.14, section 2913.02, 2913.03, 20088
or 2913.04, division (B)(1) or (2) of section 2913.21, or section 20089
2913.31 or 2913.43 of the Revised Code, whether committed against 20090
one victim or more than one victim, involving a victim who is an 20091
elderly person or disabled adult, pursuant to a scheme or course 20092
of conduct, all of those offenses may be tried as a single 20093
offense. If the offenses are tried as a single offense, the value 20094
of the property or services involved for the purpose of 20095
determining the value as required by division (A) of this section 20096
is the aggregate value of all property and services involved in 20097
all of the offenses in the course of conduct. 20098

(3) When a series of two or more offenses under section 20099
2921.41 of the Revised Code is committed by the offender in the 20100
offender's same employment, capacity, or relationship to another, 20101
all of those offenses may be tried as a single offense. If the 20102
offenses are tried as a single offense, the value of the property 20103
or services involved for the purpose of determining the value as 20104
required by division (A) of this section is the aggregate value of 20105
all property and services involved in all of the offenses in the 20106
series of two or more offenses. 20107

(4) In prosecuting a single offense under division (C)(1), 20108

(2), or (3) of this section, it is not necessary to separately 20109
allege and prove each offense in the series. Rather, it is 20110
sufficient to allege and prove that the offender, within a given 20111
span of time, committed one or more theft offenses or violations 20112
of section 2921.41 of the Revised Code in the offender's same 20113
employment, capacity, or relationship to another as described in 20114
division (C)(1) or (3) of this section, or committed one or more 20115
theft offenses that involve a common course of conduct to defraud 20116
multiple victims or a scheme or course of conduct as described in 20117
division (C)(2) of this section. 20118

(D) The following criteria shall be used in determining the 20119
value of property or services involved in a theft offense: 20120

(1) The value of an heirloom, memento, collector's item, 20121
antique, museum piece, manuscript, document, record, or other 20122
thing that has intrinsic worth to its owner and that either is 20123
irreplaceable or is replaceable only on the expenditure of 20124
substantial time, effort, or money, is the amount that would 20125
compensate the owner for its loss. 20126

(2) The value of personal effects and household goods, and of 20127
materials, supplies, equipment, and fixtures used in the 20128
profession, business, trade, occupation, or avocation of its 20129
owner, which property is not covered under division (D)(1) of this 20130
section and which retains substantial utility for its purpose 20131
regardless of its age or condition, is the cost of replacing the 20132
property with new property of like kind and quality. 20133

(3) The value of any real or personal property that is not 20134
covered under division (D)(1) or (2) of this section, and the 20135
value of services, is the fair market value of the property or 20136
services. As used in this section, "fair market value" is the 20137
money consideration that a buyer would give and a seller would 20138
accept for property or services, assuming that the buyer is 20139
willing to buy and the seller is willing to sell, that both are 20140

fully informed as to all facts material to the transaction, and 20141
that neither is under any compulsion to act. 20142

(E) Without limitation on the evidence that may be used to 20143
establish the value of property or services involved in a theft 20144
offense: 20145

(1) When the property involved is personal property held for 20146
sale at wholesale or retail, the price at which the property was 20147
held for sale is prima-facie evidence of its value. 20148

(2) When the property involved is a security or commodity 20149
traded on an exchange, the closing price or, if there is no 20150
closing price, the asked price, given in the latest market 20151
quotation prior to the offense is prima-facie evidence of the 20152
value of the security or commodity. 20153

(3) When the property involved is livestock, poultry, or raw 20154
agricultural products for which a local market price is available, 20155
the latest local market price prior to the offense is prima-facie 20156
evidence of the value of the livestock, poultry, or products. 20157

(4) When the property involved is a negotiable instrument, 20158
the face value is prima-facie evidence of the value of the 20159
instrument. 20160

(5) When the property involved is a warehouse receipt, bill 20161
of lading, pawn ticket, claim check, or other instrument entitling 20162
the holder or bearer to receive property, the face value or, if 20163
there is no face value, the value of the property covered by the 20164
instrument less any payment necessary to receive the property is 20165
prima-facie evidence of the value of the instrument. 20166

(6) When the property involved is a ticket of admission, 20167
ticket for transportation, coupon, token, or other instrument 20168
entitling the holder or bearer to receive property or services, 20169
the face value or, if there is no face value, the value of the 20170
property or services that may be received by the instrument is 20171

prima-facie evidence of the value of the instrument. 20172

(7) When the services involved are gas, electricity, water, 20173
telephone, transportation, shipping, or other services for which 20174
the rate is established by law, the duly established rate is 20175
prima-facie evidence of the value of the services. 20176

(8) When the services involved are services for which the 20177
rate is not established by law, and the offender has been notified 20178
prior to the offense of the rate for the services, either in 20179
writing, orally, or by posting in a manner reasonably calculated 20180
to come to the attention of potential offenders, the rate 20181
contained in the notice is prima-facie evidence of the value of 20182
the services. 20183

Sec. 2915.05. (A) No person, with purpose to defraud or 20184
knowing that the person is facilitating a fraud, shall engage in 20185

(2) A violation of division (A)(1), (2), (3), or (5) or (B) 20249
of this section is a misdemeanor of the first degree on a first 20250

Each high school selected to provide intervention services 23074
under this division shall provide intervention services to any 23075
23076

the proficient level on the Ohio graduation tests. Intervention 23079
services shall be provided in any skill in which a student 23080
demonstrates unsatisfactory progress and shall be commensurate 23081
with the student's ~~test~~ performance. Schools shall provide the 23082
intervention services prior to the end of the school year, during 23083
the summer following the ninth grade, in the next succeeding 23084
school year, or at any combination of those times. 23085

(E) Except as provided in section 3313.608 of the Revised 23086
Code and division (M) of this section, no school district board of 23087
education shall utilize any student's failure to attain a 23088
specified score on ~~any test~~ an assessment administered under this 23089
section as a factor in any decision to deny the student promotion 23090
to a higher grade level. However, a district board may choose not 23091
to promote to the next grade level any student who does not take 23092
~~any test~~ an assessment administered under this section or make up 23093
~~such test~~ an assessment as provided by division (C)(2) of this 23094

Each district board shall submit the ~~tests~~ assessments to the 23103
entity with which the department contracts for the scoring of the 23104
~~tests~~ assessments as follows: 23105

less than two thousand five hundred, not later than the Friday 23108

after all of the ~~tests~~ assessments have been administered; 23109

(b) If the district's total enrollment in grades kindergarten 23110

(A)(1) or (B)(1) of section 3301.0710 of the Revised Code within 23127
sixty days after its administration, but in no case shall the 23128
scores be returned later than the fifteenth day of June following 23129

this section by a joint vocational school district, the department 23131
or entity shall also send to each city, local, or exempted village 23132
school district a list of the individual ~~test~~ scores of any 23133
students of such city, local, or exempted village school district 23134
who are attending school in the joint vocational school district. 23135

(H) Individual ~~test~~ scores on any ~~tests~~ assessments 23137
administered under this section shall be released by a district 23138
board only in accordance with section 3319.321 of the Revised Code 23139

and the rules adopted under division (A) of this section. No 23140
district board or its employees shall utilize individual or 23141
aggregate ~~test~~ results in any manner that conflicts with rules for 23142
the ethical use of ~~tests~~ assessments adopted pursuant to division 23143
(A) of this section. 23144

(I) Except as provided in division (G) of this section, the 23145
department or an entity with which the department contracts for 23146
the scoring of the ~~test~~ assessment shall not release any 23147

the Revised Code to protect the confidentiality of student ~~test~~ 23153
scores. 23154

Revised Code, this section does not apply to the board of 23156
education of any cooperative education school district except as 23157
provided under rules adopted pursuant to this division. 23158

(1) In accordance with rules that the state board of 23159

Any ~~testing~~ assessment of students pursuant to such an 23183
agreement shall be in lieu of any ~~testing~~ assessment of such 23184
students or persons pursuant to this section. 23185

(K)(1) Any chartered nonpublic school may participate in the 23186
~~testing~~ assessment program by administering any of the ~~tests~~ 23187
assessments prescribed by section 3301.0710 or 3301.0712 of the 23188
Revised Code if the chief administrator of the school specifies 23189
which ~~tests~~ assessments the school wishes to administer. Such 23190
specification shall be made in writing to the superintendent of 23191
public instruction prior to the first day of August of any school 23192
year in which ~~tests~~ assessments are administered and shall include 23193
a pledge that the nonpublic school will administer the specified 23194

required to do under this section and rules adopted by the 23196
department. 23197

(2) The department of education shall furnish the ~~tests~~ 23198
assessments prescribed by section 3301.0710 or 3301.0712 of the 23199

~~tests~~ assessments in the same manner as district boards are 23207
required to do under this section and rules adopted by the 23208
department of education and in conformity with division (C)(1)(a) 23209
of this section. 23210

(2) The department of education shall furnish the ~~tests~~ 23211
assessments described by ~~section~~ sections 3301.0710 and 3301.0712 23212
of the Revised Code to each assistant superintendent. 23213

(M) Notwithstanding division (E) of this section, a school 23214
district may use a student's failure to attain a score in at least 23215
the basic range on the mathematics ~~test~~ assessment described by 23216
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 23217

(c), (d), (e), or (f) of section 3301.0710 of the Revised Code as 23219
a factor in retaining that student in the current grade level. 23220

(N)(1) In the manner specified in divisions (N)(3) ~~to~~ (5) and 23221
(4) of this section, the ~~tests~~ assessments required by division 23222
(A)(1) of section 3301.0710 of the Revised Code shall become 23223

the first day of July following the school year that the ~~test was~~ 23225
assessments were administered. 23226

(2) The department may field test proposed ~~test~~ questions 23227
with samples of students to determine the validity, reliability, 23228
or appropriateness of ~~test~~ questions for possible inclusion in a 23229
future year's ~~test~~ assessment. The department also may use anchor 23230
questions on ~~tests~~ assessments to ensure that different versions 23231
of the same test are of comparable difficulty. 23232

Field test questions and anchor questions shall not be 23233

considered in computing ~~test~~ scores for individual students. Field 23234
test questions and anchor questions may be included as part of the 23235
administration of any ~~test~~ assessment required by division (A)(1) 23236
or (B)(1) of section 3301.0710 of the Revised Code. 23237

(3) Any field test question or anchor question administered 23238
under division (N)(2) of this section shall not be a public 23239
record. Such field test questions and anchor questions shall be 23240
redacted from any ~~tests~~ assessments which are released as a public 23241
record pursuant to division (N)(1) of this section. 23242

(4) This division applies to the ~~tests~~ assessments prescribed 23243
by division (A) of section 3301.0710 of the Revised Code. 23244

(a) The first administration of each ~~test~~ assessment, as 23245
specified in former section 3301.0712 of the Revised Code, shall 23246
be a public record. 23247

(b) For subsequent administrations of each ~~test~~ assessment, 23248
not less than forty per cent of the questions on the ~~test~~ 23249
assessment that are used to compute a student's score shall be a 23250
public record. The department shall determine which questions will 23251
be needed for reuse on a future ~~test~~ assessment and those 23252
questions shall not be public records and shall be redacted from 23253
the ~~test~~ assessment prior to its release as a public record. 23254
However, for each redacted question, the department shall inform 23255
each city, local, and exempted village school district of the 23256
statewide academic standard adopted by the state board of 23257
education under section 3301.079 of the Revised Code and the 23258
corresponding benchmark to which the question relates. The 23259
preceding sentence does not apply to field test questions that are 23260
redacted under division (N)(3) of this section. 23261

(5) Each ~~test~~ assessment prescribed by division (B)(1) of 23262

does not include a student who has departed the country. 23274

(3) "Graduation rate" means the ratio of students receiving a 23275
diploma to the number of students who entered ninth grade four 23276
years earlier. Students who transfer into the district are added 23277
to the calculation. Students who transfer out of the district for 23278
reasons other than dropout are subtracted from the calculation. If 23279
a student who was a dropout in any previous year returns to the 23280
same school district, that student shall be entered into the 23281
calculation as if the student had entered ninth grade four years 23282
before the graduation year of the graduating class that the 23283
student joins. 23284

Revised Code as a measure of student academic performance and a 23292
prerequisite for eligibility for a high school diploma in the 23293
manner prescribed by rule of the state board adopted under 23294
division (E) of this section. 23295

<u>(B) The assessment system shall consist of the following:</u>	23296
<u>(1) A nationally standardized assessment that measures</u>	23297
<u>competencies in science, mathematics, and English language arts</u>	23298

(viii) If the district is issued a report card under section 23764

the department may use its own staff or an outside entity to 23790
conduct an audit of a school district's data reporting practices 23791
any time the department has reason to believe the district has not 23792
made a good faith effort to report data as required by this 23793
section. If any audit conducted by an outside entity under 23794

district. If the referee affirms the department's contention that 23808
the district did not make a good faith effort to report data as 23809
required by this section, the district shall bear the full cost of 23810
conducting the hearing and of issuing any revised report card. 23811

(7) If the department determines that any inaccurate data 23812
reported under this section caused a school district to receive 23813
excess state funds in any fiscal year, the district shall 23814
reimburse the department an amount equal to the excess funds, in 23815
accordance with a payment schedule determined by the department. 23816

a school district regarding the appropriateness of an action taken 23823
under division (L)(2) of this section, the burden of proof shall 23824
be on the district to demonstrate that it made a good faith effort 23825
to report data as required by this section. 23826

found to have willfully reported erroneous, inaccurate, or 23839
incomplete data to the education management information system. 23840

(2) The child is determined by the superintendent of public 25196

(B)(1) For districts with a class one effective operating tax 26312
rate that is less than twenty and one-tenth effective mills as of 26313

implementing recommendations listed in the report. 26730

(F) At the end of the timeline specified in the response, the 26731
board, governing authority, or governing body shall submit a 26732
report to the office of school resource management. The report 26733

(2) With respect to a community school or a STEM school, the 26846

under division (E) of section 3301.07 of the Revised Code or fails 26853
to comply with this section. 26854

(2) At any time, the department may order a community school 26855
or a STEM school to close if the school fails to comply with this 26856
section. In that case, the governing authority or the governing 26857
body shall permanently close the school. 26858

governmental functions of the state. A commission shall be known 26863
as the "accountability compliance commission for 26864
(name of school district, community school, or STEM school)," and, 26865
in that name, may exercise all authority vested in such a 26866
commission by this section. A separate commission shall be 26867
established for each school district, community school, or STEM 26868
school for which the superintendent of public instruction opts to 26869
establish a commission under division (D) of section 3306.33 of 26870
the Revised Code. 26871

(B) Each accountability commission shall consist of three 26872
members, one of whom shall be appointed by the governor, one of 26873
whom shall be appointed by the superintendent of public 26874
instruction, and one of whom shall be appointed by the auditor of 26875

state. 26876

All members shall serve at the pleasure of the appointing authority during the life of the commission. In the event of the death, resignation, incapacity, removal, or ineligibility to serve of a member, the appointing authority shall appoint a successor within fifteen days after the vacancy occurs. Members shall serve without compensation, but shall be paid by the commission their necessary and actual expenses incurred while engaged in the business of the commission. 26877

26883
26884

(C) Immediately after appointment of the initial members of an accountability compliance commission, the state superintendent shall call the first meeting of the commission and shall cause written notice of the time, date, and place of that meeting to be given to each member of the commission at least forty-eight hours in advance of the meeting. The first meeting shall include an overview of the commission's roles and responsibilities, the requirements of section 2921.42 and Chapter 102. of the Revised Code as they pertain to commission members, the requirements of section 121.22 of the Revised Code, and the provisions of division (F) of this section. At its first meeting, the commission shall adopt temporary bylaws in accordance with division (D) of this section to govern its operations until the adoption of permanent bylaws. 26885

26905

The department of education shall provide administrative support for the commission, provide data requested by the 26906
26907

commission, and inform the commission of available state resources 26908
that could assist the commission in its work. 26909

(D) Each accountability compliance commission may adopt and 26910
alter bylaws and rules, which shall not be subject to section 26911
111.15 or Chapter 119. of the Revised Code, for the conduct of its 26912
affairs and for the manner, subject to this section, in which its 26913
powers and functions shall be exercised and embodied. 26914

(E) Two members of an accountability compliance commission 26915
constitute a quorum of the commission. The affirmative vote of two 26916
members of the commission is necessary for any action taken by 26917
vote of the commission. No vacancy in the membership of the 26918
commission shall impair the rights of a quorum by such vote to 26919
exercise all the rights and perform all the duties of the 26920
commission. Members of the commission are not disqualified from 26921
voting by reason of the functions of any other office they hold 26922
and are not disqualified from exercising the functions of the 26923
other office with respect to the school district or community 26924
school or STEM school, its officers, or the commission. 26925

(F) The members of an accountability compliance commission, 26926

to any suit, judgment, or claim for damages resulting from the 26929

other persons shall be subject to mandamus proceedings to compel 26933
performance of their duties under this section. 26934

(G) Each member of an accountability compliance commission 26935

of that section. 26939

(H) Meetings of each accountability compliance commission shall be subject to section 121.22 of the Revised Code. 26940
26941

(I) Each accountability compliance commission shall seek input from the district board of education, community school governing authority, or STEM school governing body regarding ways to improve the district's or school's operations and compliance with the requirements of this chapter, but any decision of the commission related to any authority granted to the commission under this section shall be final. 26942

The commission may do any of the following: 26949

26963
26964
26965

(6) Exercise the powers, duties, and functions with respect to the district, community school, or STEM school as are granted to a financial planning and supervision commission with respect to a school district under divisions (A)(1) to (4) of section 3316.07 26966

26968
26969

of the Revised Code, unless a financial planning and supervision 26970
commission has been established for the district. 26971

(J) If the board of education of a school district, governing 26972
authority of a community school, or governing body of a STEM 26973
school for which an accountability compliance commission has been 26974
established renews any collective bargaining agreement under 26975
Chapter 4117. of the Revised Code during the existence of the 26976
commission, the board, governing authority, or governing body 26977
shall not enter into any agreement that would render any decision 26978
of the commission unenforceable. 26979

(K) An accountability compliance commission shall cease to 26980
exist at the beginning of the first year that none of the 26981
circumstances described in division (A) of section 3306.33 of the 26982
Revised Code apply to the district, community school, or STEM 26983
school. 26984

Sec. 3306.40. The board of education of a school district, 26985
the governing authority of a community school established under 26986
Chapter 3314. of the Revised Code, or the governing body of a STEM 26987
school established under Chapter 3326. of the Revised Code may 26988
apply to the superintendent of public instruction for a waiver of 26989
any standard or requirement of this chapter. The board of 26990
education of any school district also may apply to the state 26991
superintendent for a waiver of any operating standard adopted 26992
under division (E) of section 3301.07 of the Revised Code. 26993

The state board of education shall adopt standards for the 26994
approval or disapproval of waivers under this section. The state 26995
superintendent shall consider every application for a waiver, and 26996
shall determine whether to grant or deny a waiver in accordance 26997
with the state board's standards. For each waiver granted, the 26998
state superintendent shall specify the period of time during which 26999
the waiver is in effect, which shall not exceed five years. A 27000

district, community school, or STEM school may apply to renew a 27001
waiver. 27002

Sec. 3307.31. (A) Payments by boards of education and 27003
governing authorities of community schools to the state teachers 27004
retirement system, as provided in sections 3307.29 and 3307.291 of 27005
the Revised Code, shall be made from the amount allocated under 27006
section 3314.08, Chapter 3306., or Chapter 3317. of the Revised 27007
Code prior to its distribution to the individual school districts 27008
or community schools. The amount due from each school district or 27009
community school shall be certified by the secretary of the system 27010
to the superintendent of public instruction monthly, or at such 27011
times as may be determined by the state teachers retirement board. 27012
27013

The superintendent shall deduct, from the amount allocated to 27014
each district or community school under section 3314.08, Chapter 27015
3306., or Chapter 3317. of the Revised Code, the entire amounts 27016
due to the system from such district or school upon the 27017
certification to the superintendent by the secretary thereof. 27018

The superintendent shall certify to the director of budget 27019
and management the amounts thus due the system for payment. 27020

(B) Payments to the state teachers retirement system by a 27021
science, technology, engineering, and mathematics school shall be 27022
deducted from the amount allocated under section 3326.33 of the 27023
Revised Code and shall be made in the same manner as payments by 27024
boards of education under this section. 27025

Sec. 3307.64. A disability benefit recipient, notwithstanding 27026
section 3319.13 of the Revised Code, shall retain membership in 27027
the state teachers retirement system and shall be considered on 27028
leave of absence during the first five years following the 27029
effective date of a disability benefit. 27030

The state teachers retirement board shall require any 27031
disability benefit recipient to submit to an annual medical 27032
examination by a physician selected by the board, except that the 27033
board may waive the medical examination if the board's physician 27034
certifies that the recipient's disability is ongoing. If a 27035
disability benefit recipient refuses to submit to a medical 27036
examination, the recipient's disability benefit shall be suspended 27037
until the recipient withdraws the refusal. If the refusal 27038
continues for one year, all the recipient's rights under and to 27039
the disability benefit shall be terminated as of the effective 27040
date of the original suspension. 27041

After the examination, the examiner shall report and certify 27042
to the board whether the disability benefit recipient is no longer 27043
physically and mentally incapable of resuming the service from 27044
which the recipient was found disabled. If the board concurs in a 27045
report by the examining physician that the disability benefit 27046
recipient is no longer incapable, the payment of a disability 27047
benefit shall be terminated not later than the following 27048
thirty-first day of August or upon employment as a teacher prior 27049
thereto. If the leave of absence has not expired, the board shall 27050
so certify to the disability benefit recipient's last employer 27051
before being found disabled that the recipient is no longer 27052
physically and mentally incapable of resuming service that is the 27053
same or similar to that from which the recipient was found 27054
disabled. If the recipient was under contract at the time the 27055
recipient was found disabled, the employer by the first day of the 27056
next succeeding year shall restore the recipient to the 27057
recipient's previous position and salary or to a position and 27058
salary similar thereto, unless the recipient was dismissed or 27059
resigned in lieu of dismissal for dishonesty, misfeasance, 27060
malfeasance, or conviction of a felony. 27061

A disability benefit shall terminate if the disability 27062

benefit recipient becomes employed as a teacher in any public or 27063
private school or institution in this state or elsewhere. An 27064
individual receiving a disability benefit from the system shall be 27065
ineligible for any employment as a teacher and it shall be 27066
unlawful for any employer to employ the individual as a teacher. 27067
If any employer should employ or reemploy the individual prior to 27068
the termination of a disability benefit, the employer shall file 27069
notice of employment with the board designating the date of the 27070
employment. If the individual should be paid both a disability 27071
benefit and also compensation for teaching service for all or any 27072
part of the same month, the secretary of the board shall certify 27073
to the employer or to the superintendent of public instruction the 27074
amount of the disability benefit received by the individual during 27075
the employment, which amount shall be deducted from any amount due 27076
the employing district under ~~Chapter~~ Chapters 3306. and 3317. of 27077
the Revised Code or shall be paid by the employer to the annuity 27078
and pension reserve fund. 27079

Each disability benefit recipient shall file with the board 27080
an annual statement of earnings, current medical information on 27081
the recipient's condition, and any other information required in 27082
rules adopted by the board. The board may waive the requirement 27083
that a disability benefit recipient file an annual statement of 27084
earnings or current medical information if the board's physician 27085
certifies that the recipient's disability is ongoing. 27086

The board shall annually examine the information submitted by 27087
the recipient. If a disability benefit recipient refuses to file 27088
the statement or information, the disability benefit shall be 27089
suspended until the statement and information are filed. If the 27090
refusal continues for one year, the recipient's right to the 27091
disability benefit shall be terminated as of the effective date of 27092
the original suspension. 27093

A disability benefit also may be terminated by the board at 27094

the request of the disability benefit recipient. 27095

If disability retirement under section 3307.63 of the Revised 27096
Code is terminated for any reason, the annuity and pension 27097
reserves at that time in the annuity and pension reserve fund 27098
shall be transferred to the teachers' savings fund and the 27099
employers' trust fund, respectively. If the total disability 27100
benefit paid was less than the amount of the accumulated 27101
contributions of the member transferred to the annuity and pension 27102
reserve fund at the time of the member's disability retirement, 27103
then the difference shall be transferred from the annuity and 27104
pension reserve fund to another fund as required. In determining 27105
the amount of a member's account following the termination of 27106
disability retirement for any reason, the total amount paid shall 27107
be charged against the member's refundable account. 27108

If a disability allowance paid under section 3307.631 of the 27109
Revised Code is terminated for any reason, the reserve on the 27110
allowance at that time in the annuity and pension reserve fund 27111
shall be transferred from that fund to the employers' trust fund. 27112

If a former disability benefit recipient again becomes a 27113
contributor, other than as an other system retirant under section 27114
3307.35 of the Revised Code, to this retirement system, the school 27115
employees retirement system, or the public employees retirement 27116
system, and completes at least two additional years of service 27117
credit, the former disability benefit recipient shall receive 27118
credit for the period as a disability benefit recipient. 27119

Sec. 3309.41. (A) A disability benefit recipient shall retain 27120
membership status and shall be considered on leave of absence from 27121
employment during the first five years following the effective 27122
date of a disability benefit, notwithstanding any contrary 27123
provisions in Chapter 124. or 3319. of the Revised Code. 27124

(B) The school employees retirement board shall require a 27125

disability benefit recipient to undergo an annual medical 27126
examination, except that the board may waive the medical 27127
examination if the board's physician or physicians certify that 27128
the recipient's disability is ongoing. Should any disability 27129
benefit recipient refuse to submit to a medical examination, the 27130
recipient's disability benefit shall be suspended until withdrawal 27131
of the refusal. Should the refusal continue for one year, all the 27132
recipient's rights in and to the disability benefit shall be 27133
terminated as of the effective date of the original suspension. 27134

(C) On completion of the examination by an examining 27135
physician or physicians selected by the board, the physician or 27136
physicians shall report and certify to the board whether the 27137
disability benefit recipient is no longer physically and mentally 27138
incapable of resuming the service from which the recipient was 27139
found disabled. If the board concurs in the report that the 27140
disability benefit recipient is no longer incapable, the payment 27141
of the disability benefit shall be terminated not later than three 27142
months after the date of the board's concurrence or upon 27143
employment as an employee. If the leave of absence has not 27144
expired, the retirement board shall certify to the disability 27145
benefit recipient's last employer before being found disabled that 27146
the recipient is no longer physically and mentally incapable of 27147
resuming service that is the same or similar to that from which 27148
the recipient was found disabled. The employer shall restore the 27149
recipient to the recipient's previous position and salary or to a 27150
position and salary similar thereto not later than the first day 27151
of the first month following termination of the disability 27152
benefit, unless the recipient was dismissed or resigned in lieu of 27153
dismissal for dishonesty, misfeasance, malfeasance, or conviction 27154
of a felony. 27155

(D) Each disability benefit recipient shall file with the 27156
board an annual statement of earnings, current medical information 27157

on the recipient's condition, and any other information required 27158
in rules adopted by the board. The board may waive the requirement 27159
that a disability benefit recipient file an annual statement of 27160
earnings or current medical information on the recipient's 27161
condition if the board's physician or physicians certify that the 27162
recipient's disability is ongoing. 27163

The board shall annually examine the information submitted by 27164
the recipient. If a disability benefit recipient refuses to file 27165
the statement or information, the disability benefit shall be 27166
suspended until the statement and information are filed. If the 27167
refusal continues for one year, the recipient's right to the 27168
disability benefit shall be terminated as of the effective date of 27169
the original suspension. 27170

(E) If a disability benefit recipient is employed by an 27171
employer covered by this chapter, the recipient's disability 27172
benefit shall cease. 27173

(F) If disability retirement under section 3309.40 of the 27174
Revised Code is terminated for any reason, the annuity and pension 27175
reserves at that time in the annuity and pension reserve fund 27176
shall be transferred to the employees' savings fund and the 27177
employers' trust fund, respectively. If the total disability 27178
benefit paid is less than the amount of the accumulated 27179
contributions of the member transferred into the annuity and 27180
pension reserve fund at the time of the member's disability 27181
retirement, the difference shall be transferred from the annuity 27182
and pension reserve fund to another fund as may be required. In 27183
determining the amount of a member's account following the 27184
termination of disability retirement for any reason, the amount 27185
paid shall be charged against the member's refundable account. 27186

If a disability allowance paid under section 3309.401 of the 27187
Revised Code is terminated for any reason, the reserve on the 27188
allowance at that time in the annuity and pension reserve fund 27189

shall be transferred from that fund to the employers' trust fund. 27190

The board may terminate a disability benefit at the request 27191
of the recipient. 27192

(G) If a disability benefit is terminated and a former 27193
disability benefit recipient again becomes a contributor, other 27194
than as an other system retirant as defined in section 3309.341 of 27195
the Revised Code, to this system, the public employees retirement 27196
system, or the state teachers retirement system, and completes an 27197
additional two years of service credit after the termination of 27198
the disability benefit, the former disability benefit recipient 27199
shall be entitled to full service credit for the period as a 27200
disability benefit recipient. 27201

(H) If any employer employs any member who is receiving a 27202
disability benefit, the employer shall file notice of employment 27203
with the retirement board, designating the date of employment. In 27204
case the notice is not filed, the total amount of the benefit paid 27205
during the period of employment prior to notice shall be paid from 27206
amounts allocated under ~~Chapter~~ Chapters 3306. and 3317. of the 27207
Revised Code prior to its distribution to the school district in 27208
which the disability benefit recipient was so employed. 27209

Sec. 3309.48. Any employee who left the service of an 27210
employer after attaining age sixty-five or over and such employer 27211
had failed or refused to deduct and transmit to the school 27212
employees retirement system the employee contributions as required 27213
by section 3309.47 of the Revised Code during any year for which 27214
membership was compulsory as determined by the school employees 27215
retirement board, shall be granted service credit without cost, 27216
which shall be considered as total service credit for the purposes 27217
of meeting the qualifications for service retirement provided by 27218
the law in effect on and retroactive to the first eligible 27219
retirement date following the date such employment terminated, but 27220

shall not be paid until formal application for such allowance on a 27221
form provided by the retirement board is received in the office of 27222
the retirement system. The total service credit granted under this 27223
section shall not exceed ten years for any such employee. 27224

The liability incurred by the retirement board because of the 27225
service credit granted under this section shall be determined by 27226
the retirement board, the cost of which shall be equal to an 27227
amount that is determined by applying the combined employee and 27228
employer rates of contribution against the compensation of such 27229
employee at the rates of contribution and maximum salary 27230
provisions in effect during such employment for each year for 27231
which credit is granted, together with interest at the rate to be 27232
credited accumulated contributions at retirement, compounded 27233
annually from the first day of the month payment was due the 27234
retirement system to and including the month of deposit, the total 27235
amount of which shall be collected from the employer. Such amounts 27236
shall be certified by the retirement board to the superintendent 27237
of public instruction, who shall deduct the amount due the system 27238
from any funds due the affected school district under ~~Chapter~~ 27239
Chapters 3306. and 3317. of the Revised Code. The superintendent 27240
shall certify to the director of budget and management the amount 27241
due the system for payment. The total amount paid shall be 27242
deposited into the employers' trust fund, and shall not be 27243
considered as accumulated contributions of the employee in the 27244
event of ~~his~~ the employee's death or withdrawal of funds. 27245

Sec. 3309.51. (A) Each employer shall pay annually into the 27246
employers' trust fund, in such monthly or less frequent 27247
installments as the school employees retirement board requires, an 27248
amount certified by the school employees retirement board, which 27249
shall be as required by Chapter 3309. of the Revised Code. 27250

Payments by school district boards of education to the 27251

employers' trust fund of the school employees retirement system 27252
may be made from the amounts allocated under ~~Chapter~~ Chapters 27253
3306. and 3317. of the Revised Code prior to their distribution to 27254
the individual school districts. The amount due from each school 27255
district may be certified by the secretary of the system to the 27256
superintendent of public instruction monthly, or at such times as 27257
is determined by the school employees retirement board. 27258

Payments by governing authorities of community schools to the 27259
employers' trust fund of the school employees retirement system 27260
shall be made from the amounts allocated under ~~section~~ sections 27261
3306.16 and 3314.08 of the Revised Code prior to their 27262

program or community school and use the scholarship for the child 27601
to attend a special education program for which the parent is 27602
required to pay for services for the child. A child attending a 27603

amount shall be proportionately reduced in the case of any such 27641
child who is not enrolled in the special education program for 27642
which a scholarship was awarded under this section for the entire 27643
school year. The department shall make no payments to the parent 27644
of a child while any administrative or judicial mediation or 27645
proceedings with respect to the content of the child's 27646
individualized education program are pending. 27647

(D) A scholarship shall not be paid to a parent for payment 27648

(3) "Urban school district" means a city school district with 27666
an average daily membership for the 1985-1986 school year in 27667
excess of twenty thousand that is the school district of a city 27668
that contains annexed territory. 27669

(4) "Annexation agreement" means an agreement entered into 27670
under division (F) of this section that has been approved by the 27671
state board of education or an agreement entered into prior to 27672
September 24, 1986, that meets the requirements of division (F) of 27673
this section and has been filed with the state board. 27674

(B) The territory included within the boundaries of a city, 27675
local, exempted village, or joint vocational school district shall 27676
be contiguous except where a natural island forms an integral part 27677
of the district, where the state board of education authorizes a 27678
noncontiguous school district, as provided in division (E)(1) of 27679
this section, or where a local school district is created pursuant 27680
to section 3311.26 of the Revised Code from one or more local 27681
school districts, one of which has entered into an agreement under 27682
section 3313.42 of the Revised Code. 27683

(C)(1) When all of the territory of a school district is 27684

annexed to a city or village, such territory thereby becomes a 27685
part of the city school district or the school district of which 27686
the village is a part, and the legal title to school property in 27687
such territory for school purposes shall be vested in the board of 27688
education of the city school district or the school district of 27689
which the village is a part. 27690

(2) When the territory so annexed to a city or village 27691
comprises part but not all of the territory of a school district, 27692
the said territory becomes part of the city school district or the 27693
school district of which the village is a part only upon approval 27694
by the state board of education, unless the district in which the 27695
territory is located is a party to an annexation agreement with 27696
the city school district. 27697

Any urban school district that has not entered into an 27698
annexation agreement with any other school district whose 27699
territory would be affected by any transfer under this division 27700
and that desires to negotiate the terms of transfer with any such 27701
district shall conduct any negotiations under division (F) of this 27702
section as part of entering into an annexation agreement with such 27703
a district. 27704

Any school district, except an urban school district, 27705
desiring state board approval of a transfer under this division 27706
shall make a good faith effort to negotiate the terms of transfer 27707
with any other school district whose territory would be affected 27708
by the transfer. Before the state board may approve any transfer 27709
of territory to a school district, except an urban school 27710
district, under this section, it must receive the following: 27711

(a) A resolution requesting approval of the transfer, passed 27712
by at least one of the school districts whose territory would be 27713
affected by the transfer; 27714

(b) Evidence determined to be sufficient by the state board 27715

to show that good faith negotiations have taken place or that the district requesting the transfer has made a good faith effort to hold such negotiations;

(c) If any negotiations took place, a statement signed by all boards that participated in the negotiations, listing the terms agreed on and the points on which no agreement could be reached.

(D) The state board of education shall adopt rules governing negotiations held by any school district except an urban school district pursuant to division (C)(2) of this section. The rules shall encourage the realization of the following goals:

(1) A discussion by the negotiating districts of the present and future educational needs of the pupils in each district;

(2) The educational, financial, and territorial stability of each district affected by the transfer;

(3) The assurance of appropriate educational programs, services, and opportunities for all the pupils in each participating district, and adequate planning for the facilities needed to provide these programs, services, and opportunities.

Districts involved in negotiations under such rules may agree to share revenues from the property included in the territory to be transferred, establish cooperative programs between the participating districts, and establish mechanisms for the settlement of any future boundary disputes.

(E)(1) If territory annexed after September 24, 1986, is part of a school district that is a party to an annexation agreement with the urban school district serving the annexing city, the transfer of such territory shall be governed by the agreement. If the agreement does not specify how the territory is to be dealt with, the boards of education of the district in which the territory is located and the urban school district shall negotiate with regard to the transfer of the territory which shall be

transferred to the urban school district unless, not later than 27747
ninety days after the effective date of municipal annexation, the 27748
boards of education of both districts, by resolution adopted by a 27749
majority of the members of each board, agree that the territory 27750
will not be transferred and so inform the state board of 27751
education. 27752

If territory is transferred under this division the transfer 27753
shall take effect on the first day of July occurring not sooner 27754
than ninety-one days after the effective date of the municipal 27755
annexation. Territory transferred under this division need not be 27756
contiguous to the district to which it is transferred. 27757

(2) Territory annexed prior to September 24, 1986, by a city 27758
served by an urban school district shall not be subject to 27759
transfer under this section if the district in which the territory 27760
is located is a party to an annexation agreement or becomes a 27761
party to such an agreement not later than ninety days after 27762
September 24, 1986. If the district does not become a party to an 27763
annexation agreement within the ninety-day period, transfer of 27764
territory shall be governed by division (C)(2) of this section. If 27765
the district subsequently becomes a party to an agreement, 27766
territory annexed prior to September 24, 1986, other than 27767
territory annexed under division (C)(2) of this section prior to 27768
the effective date of the agreement, shall not be subject to 27769
transfer under this section. 27770

(F) An urban school district may enter into a comprehensive 27771
agreement with one or more school districts under which transfers 27772
of territory annexed by the city served by the urban school 27773
district after September 24, 1986, shall be governed by the 27774
agreement. Such agreement must provide for the establishment of a 27775
cooperative education program under section 3313.842 of the 27776
Revised Code in which all the parties to the agreement are 27777
participants and must be approved by resolution of the majority of 27778

the members of each of the boards of education of the school 27779
districts that are parties to it. An agreement may provide for 27780
interdistrict payments based on local revenue growth resulting 27781
from development in any territory annexed by the city served by 27782
the urban school district. 27783

An agreement entered into under this division may be altered, 27784
modified, or terminated only by agreement, by resolution approved 27785
by the majority of the members of each board of education, of all 27786
school districts that are parties to the agreement, except that 27787
with regard to any provision that affects only the urban school 27788
district and one of the other districts that is a party, that 27789
district and the urban district may modify or alter the agreement 27790
by resolution approved by the majority of the members of the board 27791
of that district and the urban district. Alterations, 27792
modifications, terminations, and extensions of an agreement 27793
entered into under this division do not require approval of the 27794
state board of education, but shall be filed with the board after 27795
approval and execution by the parties. 27796

If an agreement provides for interdistrict payments, each 27797
party to the agreement, except any school district specifically 27798
exempted by the agreement, shall agree to make an annual payment 27799
to the urban school district with respect to any of its territory 27800
that is annexed territory in an amount not to exceed the amount 27801
certified for that year under former section 3317.029 of the 27802
Revised Code as that section existed prior to July 1, 1998; except 27803
that such limitation of annual payments to amounts certified under 27804
former section 3317.029 of the Revised Code does not apply to 27805
agreements or extensions of agreements entered into on or after 27806
June 1, 1992, unless such limitation is expressly agreed to by the 27807
parties. The agreement may provide that all or any part of the 27808
payment shall be waived if the urban school district receives its 27809
payment with respect to such annexed territory under former 27810

section 3317.029 of the Revised Code and that all or any part of 27811
such payment may be waived if the urban school district does not 27812
receive its payment with respect to such annexed territory under 27813
such section. 27814

With respect to territory that is transferred to the urban 27815
school district after September 24, 1986, the agreement may 27816
provide for annual payments by the urban school district to the 27817
school district whose territory is transferred to the urban school 27818
district subsequent to annexation by the city served by the urban 27819
school district. 27820

(G) In the event territory is transferred from one school 27821
district to another under this section, an equitable division of 27822
the funds and indebtedness between the districts involved shall be 27823
made under the supervision of the state board of education and 27824
that board's decision shall be final. Such division shall not 27825
include funds payable to or received by a school district under 27826
Chapter 3306. or 3317. of the Revised Code or payable to or 27827
received by a school district from the United States or any 27828
department or agency thereof. In the event such transferred 27829
territory includes real property owned by a school district, the 27830
state board of education, as part of such division of funds and 27831
indebtedness, shall determine the true value in money of such real 27832
property and all buildings or other improvements thereon. The 27833
board of education of the school district receiving such territory 27834
shall forthwith pay to the board of education of the school 27835
district losing such territory such true value in money of such 27836
real property, buildings, and improvements less such percentage of 27837
the true value in money of each school building located on such 27838
real property as is represented by the ratio of the total 27839
enrollment in day classes of the pupils residing in the territory 27840
transferred enrolled at such school building in the school year in 27841
which such annexation proceedings were commenced to the total 27842

enrollment in day classes of all pupils residing in the school 27843
district losing such territory enrolled at such school building in 27844
such school year. The school district receiving such payment shall 27845
place the proceeds thereof in its sinking fund or bond retirement 27846
fund. 27847

(H) The state board of education, before approving such 27848
transfer of territory, shall determine that such payment has been 27849
made and shall apportion to the acquiring school district such 27850
percentage of the indebtedness of the school district losing the 27851
territory as is represented by the ratio that the assessed 27852
valuation of the territory transferred bears to the total assessed 27853
valuation of the entire school district losing the territory as of 27854
the effective date of the transfer, provided that in ascertaining 27855
the indebtedness of the school district losing the territory the 27856
state board of education shall disregard such percentage of the 27857
par value of the outstanding and unpaid bonds and notes of said 27858
school district issued for construction or improvement of the 27859
school building or buildings for which payment was made by the 27860
acquiring district as is equal to the percentage by which the true 27861
value in money of such building or buildings was reduced in fixing 27862
the amount of said payment. 27863

(I) No transfer of school district territory or division of 27864
funds and indebtedness incident thereto, pursuant to the 27865
annexation of territory to a city or village shall be completed in 27866
any other manner than that prescribed by this section regardless 27867
of the date of the commencement of such annexation proceedings, 27868
and this section applies to all proceedings for such transfers and 27869
divisions of funds and indebtedness pending or commenced on or 27870
after October 2, 1959. 27871

Sec. 3311.19. (A) The management and control of a joint 27872
vocational school district shall be vested in the joint vocational 27873

school district board of education. Where a joint vocational 27874
school district is composed only of two or more local school 27875
districts located in one county, or when all the participating 27876
districts are in one county and the boards of such participating 27877
districts so choose, the educational service center governing 27878
board of the county in which the joint vocational school district 27879
is located shall serve as the joint vocational school district 27880
board of education. Where a joint vocational school district is 27881
composed of local school districts of more than one county, or of 27882
any combination of city, local, or exempted village school 27883
districts or educational service centers, unless administration by 27884
the educational service center governing board has been chosen by 27885
all the participating districts in one county pursuant to this 27886
section, the board of education of the joint vocational school 27887
district shall be composed of one or more persons who are members 27888
of the boards of education from each of the city or exempted 27889
village school districts or members of the educational service 27890
centers' governing boards affected to be appointed by the boards 27891
of education or governing boards of such school districts and 27892
educational service centers. In such joint vocational school 27893
districts the number and terms of members of the joint vocational 27894
school district board of education and the allocation of a given 27895
number of members to each of the city and exempted village 27896
districts and educational service centers shall be determined in 27897
the plan for such district, provided that each such joint 27898
vocational school district board of education shall be composed of 27899
an odd number of members. 27900

(B) Notwithstanding division (A) of this section, a governing 27901
board of an educational service center that has members of its 27902
governing board serving on a joint vocational school district 27903
board of education may make a request to the joint vocational 27904
district board that the joint vocational school district plan be 27905
revised to provide for one or more members of boards of education 27906

of local school districts that are within the territory of the 27907
educational service district and within the joint vocational 27908
school district to serve in the place of or in addition to its 27909
educational service center governing board members. If agreement 27910
is obtained among a majority of the boards of education and 27911
governing boards that have a member serving on the joint 27912
vocational school district board of education and among a majority 27913
of the local school district boards of education included in the 27914
district and located within the territory of the educational 27915
service center whose board requests the substitution or addition, 27916
the state board of education may revise the joint vocational 27917
school district plan to conform with such agreement. 27918

(C) If the board of education of any school district or 27919
educational service center governing board included within a joint 27920
vocational district that has had its board or governing board 27921
membership revised under division (B) of this section requests the 27922
joint vocational school district board to submit to the state 27923
board of education a revised plan under which one or more joint 27924
vocational board members chosen in accordance with a plan revised 27925
under such division would again be chosen in the manner prescribed 27926
by division (A) of this section, the joint vocational board shall 27927
submit the revised plan to the state board of education, provided 27928
the plan is agreed to by a majority of the boards of education 27929
represented on the joint vocational board, a majority of the local 27930
school district boards included within the joint vocational 27931
district, and each educational service center governing board 27932
affected by such plan. The state board of education may revise the 27933
joint vocational school district plan to conform with the revised 27934
plan. 27935

(D) The vocational schools in such joint vocational school 27936
district shall be available to all youth of school age within the 27937
joint vocational school district subject to the rules adopted by 27938

the joint vocational school district board of education in regard 27939
to the standards requisite to admission. A joint vocational school 27940
district board of education shall have the same powers, duties, 27941
and authority for the management and operation of such joint 27942
vocational school district as is granted by law, except by this 27943
chapter and Chapters 124., 3306., 3317., 3323., and 3331. of the 27944
Revised Code, to a board of education of a city school district, 27945
and shall be subject to all the provisions of law that apply to a 27946
city school district, except such provisions in this chapter and 27947
Chapters 124., 3306., 3317., 3323., and 3331. of the Revised Code. 27948

(E) Where a governing board of an educational service center 27949
has been designated to serve as the joint vocational school 27950
district board of education, the educational service center 27951
superintendent shall be the executive officer for the joint 27952
vocational school district, and the governing board may provide 27953
for additional compensation to be paid to the educational service 27954
center superintendent by the joint vocational school district, but 27955
the educational service center superintendent shall have no 27956
continuing tenure other than that of educational service center 27957
superintendent. The superintendent of schools of a joint 27958
vocational school district shall exercise the duties and authority 27959
vested by law in a superintendent of schools pertaining to the 27960
operation of a school district and the employment and supervision 27961
of its personnel. The joint vocational school district board of 27962
education shall appoint a treasurer of the joint vocational school 27963
district who shall be the fiscal officer for such district and who 27964
shall have all the powers, duties, and authority vested by law in 27965
a treasurer of a board of education. Where a governing board of an 27966
educational service center has been designated to serve as the 27967
joint vocational school district board of education, such board 27968
may appoint the educational service center superintendent as the 27969
treasurer of the joint vocational school district. 27970

(F) Each member of a joint vocational school district board of education may be paid such compensation as the board provides by resolution, but it shall not exceed one hundred twenty-five dollars per member for each meeting attended plus mileage, at the rate per mile provided by resolution of the board, to and from meetings of the board.

The board may provide by resolution for the deduction of amounts payable for benefits under section 3313.202 of the Revised Code.

Each member of a joint vocational school district board may be paid such compensation as the board provides by resolution for attendance at an approved training program, provided that such compensation shall not exceed sixty dollars per day for attendance at a training program three hours or fewer in length and one hundred twenty-five dollars a day for attendance at a training program longer than three hours in length. However, no board member shall be compensated for the same training program under this section and section 3313.12 of the Revised Code.

Sec. 3311.21. (A) In addition to the resolutions authorized by sections 5705.194, 5705.199, 5705.21, 5705.212, and 5705.213 of the Revised Code, the board of education of a joint vocational or cooperative education school district by a vote of two-thirds of its full membership may at any time adopt a resolution declaring the necessity to levy a tax in excess of the ten-mill limitation for a period not to exceed ten years to provide funds for any one or more of the following purposes, which may be stated in the following manner in such resolution, the ballot, and the notice of election: purchasing a site or enlargement thereof and for the erection and equipment of buildings; for the purpose of enlarging, improving, or rebuilding thereof; for the purpose of providing for the current expenses of the joint vocational or cooperative school

district; or for a continuing period for the purpose of providing 28002
for the current expenses of the joint vocational or cooperative 28003
education school district. The resolution shall specify the amount 28004
of the proposed rate and, if a renewal, whether the levy is to 28005
renew all, or a portion of, the existing levy, and shall specify 28006
the first year in which the levy will be imposed. If the levy 28007
provides for but is not limited to current expenses, the 28008
resolution shall apportion the annual rate of the levy between 28009
current expenses and the other purpose or purposes. Such 28010
apportionment may but need not be the same for each year of the 28011
levy, but the respective portions of the rate actually levied each 28012
year for current expenses and the other purpose or purposes shall 28013
be limited by such apportionment. The portion of any such rate 28014
actually levied for current expenses of a joint vocational or 28015
cooperative education school district shall be used in applying 28016
division (A)(1) of section 3306.01 and division (A) of section 28017
3317.01 of the Revised Code. The portion of any such rate not 28018
apportioned to the current expenses of a joint vocational or 28019
cooperative education school district shall be used in applying 28020
division (B) of this section. On the adoption of such resolution, 28021
the joint vocational or cooperative education school district 28022
board of education shall certify the resolution to the board of 28023
elections of the county containing the most populous portion of 28024
the district, which board shall receive resolutions for filing and 28025
send them to the boards of elections of each county in which 28026
territory of the district is located, furnish all ballots for the 28027
election as provided in section 3505.071 of the Revised Code, and 28028
prepare the election notice; and the board of elections of each 28029
county in which the territory of such district is located shall 28030
make the other necessary arrangements for the submission of the 28031
question to the electors of the joint vocational or cooperative 28032
education school district at the next primary or general election 28033
occurring not less than seventy-five days after the resolution was 28034

received from the joint vocational or cooperative education school 28035
district board of education, or at a special election to be held 28036
at a time designated by the district board of education consistent 28037
with the requirements of section 3501.01 of the Revised Code, 28038
which date shall not be earlier than seventy-five days after the 28039
adoption and certification of the resolution. 28040

The board of elections of the county or counties in which 28041
territory of the joint vocational or cooperative education school 28042
district is located shall cause to be published in one or more 28043
newspapers of general circulation in that district an 28044
advertisement of the proposed tax levy question together with a 28045
statement of the amount of the proposed levy once a week for two 28046
consecutive weeks, prior to the election at which the question is 28047
to appear on the ballot, and, if the board of elections operates 28048
and maintains a web site, the board also shall post a similar 28049
advertisement on its web site for thirty days prior to that 28050
election. 28051

If a majority of the electors voting on the question of 28052
levying such tax vote in favor of the levy, the joint vocational 28053
or cooperative education school district board of education shall 28054
annually make the levy within the district at the rate specified 28055
in the resolution and ballot or at any lesser rate, and the county 28056
auditor of each affected county shall annually place the levy on 28057
the tax list and duplicate of each school district in the county 28058
having territory in the joint vocational or cooperative education 28059
school district. The taxes realized from the levy shall be 28060
collected at the same time and in the same manner as other taxes 28061
on the duplicate, and the taxes, when collected, shall be paid to 28062
the treasurer of the joint vocational or cooperative education 28063
school district and deposited to a special fund, which shall be 28064
established by the joint vocational or cooperative education 28065
school district board of education for all revenue derived from 28066

any tax levied pursuant to this section and for the proceeds of 28067
anticipation notes which shall be deposited in such fund. After 28068
the approval of the levy, the joint vocational or cooperative 28069
education school district board of education may anticipate a 28070
fraction of the proceeds of the levy and from time to time, during 28071
the life of the levy, but in any year prior to the time when the 28072
tax collection from the levy so anticipated can be made for that 28073
year, issue anticipation notes in an amount not exceeding fifty 28074
per cent of the estimated proceeds of the levy to be collected in 28075
each year up to a period of five years after the date of the 28076
issuance of the notes, less an amount equal to the proceeds of the 28077
levy obligated for each year by the issuance of anticipation 28078
notes, provided that the total amount maturing in any one year 28079
shall not exceed fifty per cent of the anticipated proceeds of the 28080
levy for that year. Each issue of notes shall be sold as provided 28081
in Chapter 133. of the Revised Code, and shall, except for such 28082
limitation that the total amount of such notes maturing in any one 28083
year shall not exceed fifty per cent of the anticipated proceeds 28084
of the levy for that year, mature serially in substantially equal 28085
installments, during each year over a period not to exceed five 28086
years after their issuance. 28087

(B) Prior to the application of section 319.301 of the 28088
Revised Code, the rate of a levy that is limited to, or to the 28089
extent that it is apportioned to, purposes other than current 28090
expenses shall be reduced in the same proportion in which the 28091
district's total valuation increases during the life of the levy 28092
because of additions to such valuation that have resulted from 28093
improvements added to the tax list and duplicate. 28094

(C) The form of ballot cast at an election under division (A) 28095
of this section shall be as prescribed by section 5705.25 of the 28096
Revised Code. 28097

Sec. 3311.29. (A) Except as provided under division (B) or 28098
(C) of this section, no school district shall be created and no 28099
school district shall exist which does not maintain within such 28100
district public schools consisting of grades kindergarten through 28101
twelve and any such existing school district not maintaining such 28102
schools shall be dissolved and its territory joined with another 28103
school district or districts by order of the state board of 28104
education if no agreement is made among the surrounding districts 28105
voluntarily, which order shall provide an equitable division of 28106
the funds, property, and indebtedness of the dissolved school 28107

territory is in the cooperative district shall be bound for and 28143
assume its share of the outstanding indebtedness of the 28144
cooperative district. 28145

provide for the use of the board of education of the cooperative 28243
education school district; 28244

(5) Provision for adopting amendments to the provisions of 28245
divisions (B)(2) to (4) of this section. 28246

This division shall not be construed to mean that any such 28289
individual student may be counted more than once for purposes of 28290

(B) In addition to the rights, authority, and duties 28313

education that owns the property. The board may offer real 28330
property for sale as an entire tract or in parcels. 28331

(B) When the board of education has offered real or personal 28332
property for sale at public auction at least once pursuant to 28333

(D) When a board of education decides to trade as a part or 28356

to the trade. 28360

(E) The president and the treasurer of the board of education 28361
shall execute and deliver deeds or other necessary instruments of 28362
conveyance to complete any sale or trade under this section. 28363

(F) When a board of education has identified a parcel of real 28364
property that it determines is needed for school purposes, the 28365
board may, upon a majority vote of the members of the board, 28366
acquire that property by exchanging real property that the board 28367
owns in its corporate capacity for the identified real property or 28368

this section, it shall first offer that property for sale to the 28377
governing authorities of the start-up community schools 28378
established under Chapter 3314. of the Revised Code located within 28379~~

~~the territory of the school district, at a price that is not 28380

more than one community school governing authority accepts the 28382
offer made by the school district board, the board shall sell the 28383
property to the governing authority that accepted the offer first 28384
in time. If no community school governing authority accepts the 28385
offer within sixty days after the offer is made by the school 28386
district board, the board may dispose of the property in the 28387
applicable manner prescribed under divisions (A) to (F) of this 28388
section. 28389~~

~~(2) When a school district board of education has not used 28390
real property suitable for classroom space for academic 28391
instruction, administration, storage, or any other educational 28392

outlining a plan for using that property for any of those purposes 28394
within the next three school years, it shall offer that property 28395
for sale to the governing authorities of the start up community 28396
schools established under Chapter 3314. of the Revised Code 28397
located within the territory of the school district, at a price 28398
that is not higher than the appraised fair market value of that 28399
property. If more than one community school governing authority 28400
accepts the offer made by the school district board, the board 28401
shall sell the property to the governing authority that accepted 28402
the offer first in time. 28403~~

~~(H) When a school district board of education has property 28404
that the board, by resolution, finds is not needed for school 28405
district use, is obsolete, or is unfit for the use for which it 28406
was acquired, the board may donate that property in accordance 28407
with this division if the fair market value of the property is, in 28408
the opinion of the board, two thousand five hundred dollars or 28409
less. 28410~~

The property may be donated to an eligible nonprofit 28411

organization that is located in this state and is exempt from 28412
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). 28413
Before donating any property under this division, the board shall 28414
adopt a resolution expressing its intent to make unneeded, 28415
obsolete, or unfit-for-use school district property available to 28416
these organizations. The resolution shall include guidelines and 28417
procedures the board considers to be necessary to implement the 28418
donation program and shall indicate whether the school district 28419
will conduct the donation program or the board will contract with 28420
a representative to conduct it. If a representative is known when 28421
the resolution is adopted, the resolution shall provide contact 28422
information such as the representative's name, address, and 28423
telephone number. 28424

The resolution shall include within its procedures a 28425
requirement that any nonprofit organization desiring to obtain 28426
donated property under this division shall submit a written notice 28427
to the board or its representative. The written notice shall 28428
include evidence that the organization is a nonprofit organization 28429
that is located in this state and is exempt from federal income 28430
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 28431
the organization's primary purpose; a description of the type or 28432
types of property the organization needs; and the name, address, 28433
and telephone number of a person designated by the organization's 28434
governing board to receive donated property and to serve as its 28435
agent. 28436

After adoption of the resolution, the board shall publish, in 28437
a newspaper of general circulation in the school district, notice 28438
of its intent to donate unneeded, obsolete, or unfit-for-use 28439
school district property to eligible nonprofit organizations. The 28440
notice shall include a summary of the information provided in the 28441
resolution and shall be published at least twice. The second and 28442
any subsequent notice shall be published not less than ten nor 28443

more than twenty days after the previous notice. A similar notice 28444
also shall be posted continually in the board's office, and, if 28445
the school district maintains a web site on the internet, the 28446
notice shall be posted continually at that web site. 28447

The board or its representatives shall maintain a list of all 28448
nonprofit organizations that notify the board or its 28449
representative of their desire to obtain donated property under 28450
this division and that the board or its representative determines 28451
to be eligible, in accordance with the requirements set forth in 28452
this section and in the donation program's guidelines and 28453
procedures, to receive donated property. 28454

The board or its representative also shall maintain a list of 28455
all school district property the board finds to be unneeded, 28456
obsolete, or unfit for use and to be available for donation under 28457
this division. The list shall be posted continually in a 28458
conspicuous location in the board's office, and, if the school 28459
district maintains a web site on the internet, the list shall be 28460
posted continually at that web site. An item of property on the 28461
list shall be donated to the eligible nonprofit organization that 28462
first declares to the board or its representative its desire to 28463
obtain the item unless the board previously has established, by 28464
resolution, a list of eligible nonprofit organizations that shall 28465
be given priority with respect to the item's donation. Priority 28466
may be given on the basis that the purposes of a nonprofit 28467
organization have a direct relationship to specific school 28468
district purposes of programs provided or administered by the 28469
board. A resolution giving priority to certain nonprofit 28470
organizations with respect to the donation of an item of property 28471
shall specify the reasons why the organizations are given that 28472
priority. 28473

Members of the board shall consult with the Ohio ethics 28474
commission, and comply with Chapters 102. and 2921. of the Revised 28475

Code, with respect to any donation under this division to a 28476
nonprofit organization of which a board member, any member of a 28477
board member's family, or any business associate of a board member 28478
is a trustee, officer, board member, or employee. 28479

Except as otherwise provided in this section, each learning 28522

approved by the state board of education. Except as otherwise 28526
provided in this section, each learning day for grades one through 28527
six shall consist of not less than five clock hours with pupils in 28528
attendance which may include fifteen minute morning and afternoon 28529
recess periods, except in such emergency situations, including 28530
lack of classroom space, as are approved by the state board of 28531
education. 28532

Sec. 3313.481. (A) With the approval of the department of 28533
education, a board of education of a city, exempted village, 28534
local, or joint vocational school district may operate any of its 28535

schools on a schedule other than that required by section 3313.48 28536
of the Revised Code in order to do any of the following: 28537

(1) To provide a flexible school day during which may be held 28538

(2) To establish and maintain a calendar of quarters, 28542
trimesters, or pentamesters; 28543

(3) To provide staggered attendance schedules if it receives 28544

(B) A school district operating a school under this section 28546
shall have such school open for instruction for each pupil 28547
enrolled in that school for at least the following: 28548

(1) For each learning year prior to the learning year that 28549
begins on July 1, 2009, nine hundred ten hours ~~during the school~~ 28550

(6) In the learning year that begins on July 1, 2017, and in 28560
each learning year thereafter, one thousand ten hours. 28561

(C) For purposes of determining whether a school that is on a 28562
staggered attendance schedule is in compliance with this section 28563
in any ~~school~~ learning year, the department of education may 28564
include days the school was open for instruction with pupils in 28565

attendance for not more than the first seventy days of the ensuing 28566
~~school~~ learning year provided such days are not considered as days 28567
the school was open for instruction during such ensuing ~~school~~ 28568
learning year. The following shall be considered as time during 28569
which the schools are open for instruction for a pupil enrolled in 28570
such a school, or for a pupil enrolled in a school that is not on 28571
a staggered attendance schedule but that operates under this 28572
section: 28573

(1) Morning and afternoon recess periods of not more than 28574
fifteen minutes duration per period for a pupil in grades one 28575
through six; 28576

(2) Ten hours during which the pupil would otherwise be in 28577

to provide time for individualized parent-teacher conferences and 28579
reporting periods; 28580

(3) Ten hours during which the pupil would otherwise be in 28581
attendance but is not required to attend school in order to 28582
provide time for teachers to attend professional meetings; 28583

(4) The number of hours pupils would otherwise be in 28584
attendance but are not required to attend because school is closed 28585
as a result of a public calamity as provided in section 3317.01 of 28586
the Revised Code. 28587

~~(C)~~(D) No board of education shall discriminate on the basis 28588
of sex, race, religion, or national origin when assigning pupils 28589
to attendance schedules pursuant to this section. 28590

Sec. 3313.482. (A) Annually, prior to the first day of 28591
September, the board of education of each city, local, and 28592
exempted village school district shall adopt a resolution 28593
specifying a contingency plan under which the district's students 28594
will make up days on which it was necessary to close schools for 28595

any of the reasons specified in division (B) of section 3317.01 of 28596
the Revised Code, if any such days must be made up in order to 28597
comply with the requirements of that section and sections 3313.48 28598
and 3313.481 of the Revised Code. The resolution shall provide in 28599
the plan for making up at least five full ~~school~~ learning days. 28600
If, after the first day of September, the board determines that 28601
the district is unable to implement the contingency plan as 28602
originally adopted, the board may adopt a resolution to amend the 28603
plan, but in no case shall the amended plan provide for making up 28604
less than five full learning days. No resolution adopted pursuant 28605
to this division shall conflict with any collective bargaining 28606
agreement into which a board has entered pursuant to Chapter 4117. 28607
of the Revised Code and that is in effect in the district. 28608

(B) Notwithstanding the content of the contingency plan it 28609
adopts under division (A) of this section, if a school district 28610
closes or evacuates any school building as a result of a bomb 28611
threat or any other report of an alleged or impending explosion, 28612
and if, as a result of the closing or evacuation, the school 28613
district would be unable to meet the requirements of sections 28614
3313.48, 3313.481, and 3317.01 of the Revised Code regarding the 28615
number of days schools must be open for instruction or the 28616
requirements of the state minimum standards for the ~~school~~ 28617
learning day that are established by the department of education 28618
regarding the number of hours there must be in the ~~school~~ learning 28619
day, the school district may increase the length of one or more 28620
other ~~school~~ learning days for the school that was closed or 28621
evacuated, in increments of one-half hour, to make up the number 28622
of hours or days that the school building in question was so 28623
closed or evacuated for the purpose of satisfying the requirements 28624
of those sections regarding the number of days schools must be 28625
open for instruction or the requirements of those standards 28626
regarding the number of hours there must be in the ~~school~~ learning 28627
day. 28628

(C) If a school district closes or evacuates any school building for any of the reasons specified in division (B) of section 3317.01 of the Revised Code, and if for that school the total number of full ~~school~~ learning days specified in the district's contingency plan adopted under division (A) of this section is insufficient to enable the school district to meet the requirements of sections 3313.48, 3313.481, and 3317.01 of the Revised Code regarding the number of days schools must be open for instruction or the requirements of the state minimum standards for the ~~school~~ learning day that are established by the department of education regarding the number of hours there must be in the ~~school~~ learning day, the school district may increase the length of one or more other ~~school~~ learning days for the school that was closed or evacuated, in increments of one-half hour, to make up the number of hours or days that the school building in question was so closed or evacuated for the purpose of satisfying the requirements of those sections regarding the number of days schools must be open for instruction or the requirements of those standards regarding the number of hours there must be in the ~~school~~ learning day. The district shall not be required to actually make up any of the days specified in the district's contingency plan prior to increasing the length of one or more ~~school~~ learning days to make up the shortage of hours or days caused by the school's closure or evacuation, but in no case shall the district fail to make up the total number of full ~~school~~ learning days specified in the contingency plan in accordance with that plan.

(D) If a school district closes or evacuates a school building as a result of a bomb threat or any other report of an alleged or impending explosion and also closes or evacuates that school building on a different day for any of the reasons specified in division (B) of section 3317.01 of the Revised Code, division (B) of this section applies regarding the closing or

evacuation of the school building as a result of the bomb threat 28662
or report of an alleged or impending explosion and division (C) of 28663
this section applies regarding the closing or evacuation of the 28664
school building for the reason specified in division (B) of 28665
section 3317.01 of the Revised Code. 28666

Notwithstanding the provisions of sections 3313.48, 3313.481, 28667
and 3317.01 of the Revised Code and the requirements of the state 28668
minimum standards for the ~~school~~ learning day that are established 28669
by the department of education and notwithstanding the content of 28670
the contingency plan it adopts under division (A) of this section 28671
regarding the closing or evacuation of a school building as a 28672
result of a bomb threat or any other report of an alleged or 28673
impending explosion, a school district that makes up, as described 28674
in division (B) or (C) of this section, all of the hours or days 28675
that its school buildings were closed or evacuated for any of the 28676
reasons identified in division (B) or (C) of this section shall be 28677
deemed to have complied with the requirements of those sections 28678
regarding the number of days schools must be open for instruction 28679
and the requirements of those minimum standards regarding the 28680
number of hours there must be in the ~~school~~ learning day. 28681
28682

Sec. 3313.483. (A) A board of education, upon the adoption of 28683
a resolution stating that it may be financially unable to open on 28684
the day or to remain open for instruction on all days set forth in 28685
its adopted school calendar and pay all obligated expenses, or the 28686
superintendent of public instruction upon the issuance of written 28687
notification under division (B) of section 3313.489 of the Revised 28688
Code, shall request the auditor of state to determine whether such 28689
situation exists. The auditor shall deliver a copy of each request 28690
from a board of education to the superintendent of public 28691
instruction. In the case of a school district not under a fiscal 28692
emergency pursuant to Chapter 3316. of the Revised Code the 28693

auditor shall not issue a finding under this section until written 28694
notification is received from the superintendent pursuant to 28695
section 3313.487 of the Revised Code. 28696

(B) If the auditor of state finds that the board of education 28697
has attempted to avail itself to the fullest extent authorized by 28698
law of all lawful revenue sources available to it except those 28699
authorized by section 5705.21 of the Revised Code, the auditor 28700
shall certify that finding to the superintendent of public 28701
instruction and the state board of education and shall certify the 28702
operating deficit the district will have at the end of the fiscal 28703
year if it commences or continues operating its instructional 28704
program in accordance with its adopted school calendar and pays 28705
all obligated expenses. 28706

(C) No board of education may delay the opening of its 28707
schools or close its schools for financial reasons. Upon the 28708
request of the superintendent of public instruction, the attorney 28709
general shall seek injunctive relief and any other relief required 28710
to enforce this prohibition in the court of common pleas of 28711
Franklin county. The court of common pleas of Franklin county has 28712
exclusive original jurisdiction over all such actions. 28713

(D) Upon the receipt of any certification of an operating 28714
deficit from the auditor of state, a board of education shall make 28715
application to a commercial bank, underwriter, or other 28716
prospective lender or purchaser of its obligations for a loan in 28717
an amount sufficient to enable the district to open or remain open 28718
for instruction on all days set forth in its adopted school 28719
calendar but not to exceed the amount of the deficit certified. 28720

(E)(1) Any board of education that has applied for and been 28721
denied a loan from a commercial bank, underwriter, or other 28722
prospective lender or purchaser of its obligations pursuant to 28723
division (D) of this section shall submit to the superintendent of 28724
public instruction a plan for implementing reductions in the 28725

school district's budget; apply for a loan from a commercial bank, 28726
underwriter, or other prospective lender or purchaser of its 28727
obligations in an amount not to exceed its certified deficit; and 28728
provide the superintendent such information as the superintendent 28729
requires concerning its application for such a loan. The board of 28730
education of a school district declared to be under a fiscal watch 28731
pursuant to division (A) of section 3316.03 of the Revised Code 28732
may, upon approval of the superintendent, utilize the financial 28733
plan required by section 3316.04 of the Revised Code, or 28734
applicable parts thereof, as the plan required under this 28735
division. The board of education of a school district declared to 28736
be under a fiscal emergency pursuant to division (B) of section 28737
3316.03 of the Revised Code may utilize the financial recovery 28738
plan for the district, or applicable parts thereof, as the plan 28739
required under this division. Except for the plan of a school 28740
district under a fiscal emergency, the superintendent shall 28741
evaluate, make recommendations concerning, and approve or 28742
disapprove each plan. When a plan is submitted, the superintendent 28743
shall immediately notify the members of the general assembly whose 28744
legislative districts include any or all of the territory of the 28745
school district submitting the plan. 28746

(2) The superintendent shall submit to the controlling board 28747
a copy of each plan the superintendent approves, or each plan 28748
submitted by a district under a fiscal emergency pursuant to 28749
division (B) of section 3316.03 of the Revised Code, and the 28750
general terms of each proposed loan, and shall make 28751
recommendations regarding the plan and whether a proposed loan to 28752
the board of education should be approved for payment as provided 28753
in division (E)(3) of this section. The controlling board shall 28754
approve or disapprove the plan and the proposed loan presented to 28755
it by the superintendent. In the case of a district not under a 28756
fiscal emergency pursuant to division (B) of section 3316.03 of 28757
the Revised Code, the controlling board may require a board of 28758

education to implement the superintendent's recommendations for 28759
expenditure reductions or impose other requirements. Loan 28760
repayments shall be in accordance with a schedule approved by the 28761
superintendent, except that the principal amount of the loan shall 28762
be payable in monthly, semiannual, or annual installments of 28763
principal and interest that are substantially equal principal and 28764
interest installments. Except as otherwise provided in division 28765
(E)(2) of this section, repayment shall be made no later than the 28766
fifteenth day of June of the second fiscal year following the 28767
approval of the loan. A school district with a certified deficit 28768
in excess of either twenty-five million dollars or fifteen per 28769
cent of the general fund expenditures of the district during the 28770
fiscal year shall repay the loan no later than the fifteenth day 28771
of June of the tenth fiscal year following the approval of the 28772
loan. In deciding whether to approve or disapprove a proposed 28773
loan, the controlling board shall consider the deficit certified 28774
by the auditor of state pursuant to this section. A board of 28775
education that has an outstanding loan approved pursuant to this 28776
section with a repayment date of more than two fiscal years after 28777
the date of approval of such loan may not apply for another loan 28778
with such a repayment date until the outstanding loan has been 28779
repaid. 28780

(3) If a board of education has submitted and received 28781
controlling board approval of a plan and proposed loan in 28782
accordance with this section, the superintendent of public 28783
instruction shall report to the controlling board the actual 28784
amounts loaned to the board of education. Such board of education 28785
shall request the superintendent to pay any funds the board of 28786
education would otherwise receive pursuant to ~~sections 3317.022 to~~ 28787
~~3317.025~~ Chapters 3306. and 3317. of the Revised Code first 28788
directly to the holders of the board of education's notes, or an 28789
agent thereof, such amounts as are specified under the terms of 28790
the loan. Such payments shall be made only from and to the extent 28791

of money appropriated by the general assembly for purposes of such 28792
sections. No note or other obligation of the board of education 28793
under the loan constitutes an obligation nor a debt or a pledge of 28794
the faith, credit, or taxing power of the state, and the holder or 28795
owner of such note or obligation has no right to have taxes levied 28796
by the general assembly for the payment of such note or 28797
obligation, and such note or obligation shall contain a statement 28798
to that effect. 28799

(4) Pursuant to the terms of such a loan, a board of 28800
education may issue its notes in anticipation of the collection of 28801
its voted levies for current expenses or its receipt of such state 28802
funds or both. Such notes shall be issued in accordance with 28803
division (E) of section 133.10 of the Revised Code and constitute 28804
Chapter 133. securities to the extent such division and the 28805
otherwise applicable provisions of Chapter 133. of the Revised 28806
Code are not inconsistent with this section, provided that in any 28807
event sections 133.24 and 5705.21 and divisions (A), (B), (C), and 28808
(E)(2) of section 133.10 of the Revised Code do not apply to such 28809
notes. 28810

(5) Notwithstanding section 133.36 or 3313.17, any other 28811
section of the Revised Code, or any other provision of law, a 28812
board of education that has received a loan under this section may 28813
not declare bankruptcy, so long as any portion of such loan 28814
remains unpaid. 28815

(F) Under this section and sections 3313.4810 and 3313.4811, 28816
"board of education" or "district board" includes the financial 28817
planning and supervision commission of a school district under a 28818
fiscal emergency pursuant to Chapter 3316. of the Revised Code 28819
where such commission chooses to exercise the powers and duties 28820
otherwise required of the district board of education under this 28821
section and sections 3313.4810 and 3313.4811 of the Revised Code. 28822

Sec. 3313.485. Notwithstanding any provision to the contrary 28823
in sections 3313.48 and 3313.481 or in Chapter 4117. of the 28824
Revised Code, the requirements of divisions (B)(2) to (6) of 28825
section 3313.48 and divisions (B)(2) to (6) of section 3313.481 of 28826
the Revised Code do not prevail over conflicting provisions in a 28827
valid collective bargaining agreement entered into prior to the 28828
effective date of this section. However, any collective bargaining 28829
agreement entered into, renewed, or amended on or after the 28830
effective date of this section shall comply with the requirements 28831
of divisions (B)(2) to (6) of section 3313.48, as applicable, or 28832
divisions (B)(2) to (6) of section 3313.481 of the Revised Code, 28833
as applicable. 28834

Sec. 3313.53. (A) As used in this section: 28835

(1) "Licensed individual" means an individual who holds a 28836
valid educator license, certificate, or permit issued by the state 28837
board of education under section 3319.22, 3319.26, or 3319.27~~7~~ 28838
~~3319.302, or 3319.304~~ of the Revised Code. 28839

(2) "Nonlicensed individual" means an individual who does not 28840
hold a valid educator license, certificate, or permit issued by 28841
the state board of education under section 3319.22, 3319.26, or 28842
3319.27~~, 3319.302, or 3319.304~~ of the Revised Code. 28843

(B) The board of education of any city, exempted village, or 28844
local school district may establish and maintain in connection 28845
with the public school systems: 28846

(1) Manual training, industrial arts, domestic science, and 28847
commercial departments; 28848

(2) Agricultural, industrial, vocational, and trades schools. 28849

Such board may pay from the public school funds, as other 28850
school expenses are paid, the expenses of establishing and 28851
maintaining such departments and schools and of directing, 28852

supervising, and coaching the pupil-activity programs in music, 28853
language, arts, speech, government, athletics, and any others 28854
directly related to the curriculum. 28855

(C) The board of education of any city, exempted village, or 28856
local school district may employ a nonlicensed individual to 28857
direct, supervise, or coach a pupil-activity program as long as 28858
that individual holds a valid pupil-activity program permit issued 28859
by the state board of education under division (A) of section 28860
3319.303 of the Revised Code. 28861

(D)(1) Except as provided in division (D)(2) of this section, 28862
a nonlicensed individual who holds a valid pupil-activity program 28863
permit may be employed under division (C) of this section only 28864
after the school district's board of education adopts a resolution 28865
stating that it has offered such position to those employees of 28866
the district who are licensed individuals and no such employee 28867
qualified to fill the position has accepted it, and has then 28868
advertised the position as available to any licensed individual 28869
who is qualified to fill it and who is not employed by the board, 28870
and no such person has applied for and accepted the position. 28871

(2) A board of education may renew the contract of any 28872
nonlicensed individual, currently employed by the board under 28873
division (C) of this section for one or more years, without first 28874
offering the position held by that individual to employees of the 28875
district who are licensed individuals or advertising the position 28876
as available to any qualified licensed individuals who are not 28877
currently employed by the board as otherwise required under 28878
division (D)(1) of this section. 28879

(E) A nonlicensed individual employed under this section is a 28880
nonteaching employee and is not an educational assistant as 28881
defined in section 3319.088 of the Revised Code. A nonlicensed 28882

credit toward a pupil's promotion to the next grade or for 28886
graduation, or any activity conducted as a part of or required for 28887
such a class or course. A nonlicensed individual employed under 28888
this section may perform only the duties of the director, 28889
supervisor, or coach of the pupil-activity program for which the 28890
nonlicensed individual is employed. 28891

(F) The board shall fix the compensation of each nonlicensed 28892
individual employed under this section, which shall be the same 28893
amount as the position was or would be offered to the district's 28894
licensed employees, and execute a written contract with the 28895
nonlicensed individual for a term not to exceed one year. The 28896
contract shall specify the compensation, duration, and other terms 28897
of employment, and the compensation shall not be reduced unless 28898
such reduction is a part of a uniform plan affecting the entire 28899
district. 28900

If the state board suspends, revokes, or limits the 28901
pupil-activity program permit of a nonlicensed individual, the 28902
school district board may terminate or suspend the employment 28903
contract of that individual. Otherwise, no contract issued under 28904
this section shall be terminated or suspended except pursuant to 28905
the procedure established by division (C) of section 3319.081 of 28906
the Revised Code. 28907

Sec. 3313.532. (A) Any person twenty-two or more years of age 28908
and enrolled in an adult high school continuation program 28909
established pursuant to section 3313.531 of the Revised Code may 28910

first time on or after July 1, 2010, except as provided in	29357

In developing the curriculum required by this paragraph, schools shall use available public-private partnerships and resources and materials that exist in business, industry, and through the centers for economics education at institutions of higher education in the state.	29384 29385 29386 29387 29388 29389 29390 29391 29392 29393 29394 29395 29396 29397

Ohioans must be prepared to apply increased knowledge and 29403
skills in the workplace and to adapt their knowledge and skills 29404
quickly to meet the rapidly changing conditions of the 29405
twenty-first century. National studies indicate that all high 29406
school graduates need the same academic foundation, regardless of 29407
the opportunities they pursue after graduation. The goal of Ohio's 29408
system of elementary and secondary education is to prepare all 29409
students for and seamlessly connect all students to success in 29410
life beyond high school graduation, regardless of whether the next 29411
step is entering the workforce, beginning an apprenticeship, 29412
engaging in post-secondary training, serving in the military, or 29413
pursuing a college degree. 29414

The Ohio core curriculum is the standard expectation for all 29415
students entering ninth grade for the first time at a public or 29416
chartered nonpublic high school on or after July 1, 2010. A 29417
student may satisfy this expectation through a variety of methods, 29418
including, but not limited to, integrated, applied, 29419
career-technical, and traditional coursework. 29420

Whereas teacher quality is essential for student success in 29421
completing the Ohio core curriculum, the general assembly shall 29422
appropriate funds for strategic initiatives designed to strengthen 29423
schools' capacities to hire and retain highly qualified teachers 29424
in the subject areas required by the curriculum. Such initiatives 29425
are expected to require an investment of \$120,000,000 over five 29426
years. 29427

Stronger coordination between high schools and institutions 29428
of higher education is necessary to prepare students for more 29429
challenging academic endeavors and to lessen the need for academic 29430
remediation in college, thereby reducing the costs of higher 29431
education for Ohio's students, families, and the state. The state 29432
board of education, the Ohio board of regents, and the partnership 29433
for continued learning shall develop policies to ensure that only 29434

in rare instances will students who complete the Ohio core curriculum require academic remediation after high school.

School districts, community schools, and chartered nonpublic schools shall integrate technology into learning experiences whenever practicable across the curriculum in order to maximize efficiency, enhance learning, and prepare students for success in the technology-driven twenty-first century. Districts and schools may use distance and web-based course delivery as a method of providing or augmenting all instruction required under this division, including laboratory experience in science. Districts and schools shall whenever practicable utilize technology access and electronic learning opportunities provided by the eTech Ohio commission, the Ohio learning network, education technology centers, public television stations, and other public and private providers.

(D) Except as provided in division (E) of this section, a student who enters ninth grade on or after July 1, 2010, and before July 1, 2014, may qualify for graduation from a public or chartered nonpublic high school even though the student has not completed the Ohio core curriculum prescribed in division (C) of this section if all of the following conditions are satisfied:

(1) After the student has attended high school for two years, as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the Ohio core curriculum and acknowledging that one consequence of not completing the Ohio core curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

(2) The student and parent, guardian, or custodian fulfill any procedural requirements the school stipulates to ensure the student's and parent's, guardian's, or custodian's informed

consent and to facilitate orderly filing of statements under 29467
division (D)(1) of this section. 29468

(3) The student and the student's parent, guardian, or 29469
custodian and a representative of the student's high school 29470
jointly develop an individual career plan for the student that 29471
specifies the student matriculating to a two-year degree program, 29472
acquiring a business and industry credential, or entering an 29473
apprenticeship. 29474

(4) The student's high school provides counseling and support 29475
for the student related to the plan developed under division 29476
(D)(3) of this section during the remainder of the student's high 29477
school experience. 29478

(5) The student successfully completes, at a minimum, the 29479
curriculum prescribed in division (B) of this section. 29480

The partnership for continued learning, in collaboration with 29481
the department of education and the Ohio board of regents, shall 29482
analyze student performance data to determine if there are 29483
mitigating factors that warrant extending the exception permitted 29484
by division (D) of this section to high school classes beyond 29485
those entering ninth grade before July 1, 2014. The partnership 29486
shall submit its findings and any recommendations not later than 29487
August 1, 2014, to the speaker and minority leader of the house of 29488
representatives, the president and minority leader of the senate, 29489
the chairpersons and ranking minority members of the standing 29490
committees of the house of representatives and the senate that 29491
consider education legislation, the state board of education, and 29492
the superintendent of public instruction. 29493

(E) Each school district and chartered nonpublic school 29494
retains the authority to require an even more rigorous minimum 29495
curriculum for high school graduation than specified in division 29496
(B) or (C) of this section. A school district board of education, 29497

through the adoption of a resolution, or the governing authority 29498
of a chartered nonpublic school may stipulate any of the 29499
following: 29500

(1) A minimum high school curriculum that requires more than 29501
twenty units of academic credit to graduate; 29502

(2) An exception to the district's or school's minimum high 29503
school curriculum that is comparable to the exception provided in 29504
division (D) of this section but with additional requirements, 29505
which may include a requirement that the student successfully 29506
complete more than the minimum curriculum prescribed in division 29507
(B) of this section; 29508

(3) That no exception comparable to that provided in division 29509
(D) of this section is available. 29510

(F) A student enrolled in a dropout prevention and recovery 29511
program, which program has received a waiver from the department 29512
of education, may qualify for graduation from high school by 29513
successfully completing a competency-based instructional program 29514
administered by the dropout prevention and recovery program in 29515
lieu of completing the Ohio core curriculum prescribed in division 29516
(C) of this section. The department shall grant a waiver to a 29517
dropout prevention and recovery program, within sixty days after 29518
the program applies for the waiver, if the program meets all of 29519
the following conditions: 29520

(1) The program serves only students not younger than sixteen 29521
years of age and not older than twenty-one years of age. 29522

(2) The program enrolls students who, at the time of their 29523
initial enrollment, either, or both, are at least one grade level 29524
behind their cohort age groups or experience crises that 29525
significantly interfere with their academic progress such that 29526
they are prevented from continuing their traditional programs. 29527

(3) The program requires students to attain at least the 29528

applicable score designated for each of the ~~tests~~ assessments 29529
prescribed under division (B)(1) of section 3301.0710 of the 29530
Revised Code or, to the extent prescribed by rule of the state 29531
board of education under division (E)(6) of section 3301.0712 of 29532
the Revised Code, division (B)(2) of that section. 29533

(4) The program develops an individual career plan for the 29534
student that specifies the student's matriculating to a two-year 29535
degree program, acquiring a business and industry credential, or 29536
entering an apprenticeship. 29537

(5) The program provides counseling and support for the 29538
student related to the plan developed under division (F)(4) of 29539
this section during the remainder of the student's high school 29540
experience. 29541

(6) The program requires the student and the student's 29542
parent, guardian, or custodian to sign and file, in accordance 29543
with procedural requirements stipulated by the program, a written 29544
statement asserting the parent's, guardian's, or custodian's 29545
consent to the student's graduating without completing the Ohio 29546
core curriculum and acknowledging that one consequence of not 29547
completing the Ohio core curriculum is ineligibility to enroll in 29548
most state universities in Ohio without further coursework. 29549

(7) Prior to receiving the waiver, the program has submitted 29550
to the department an instructional plan that demonstrates how the 29551
academic content standards adopted by the state board of education 29552
under section 3301.079 of the Revised Code will be taught and 29553
assessed. 29554

If the department does not act either to grant the waiver or 29555
to reject the program application for the waiver within sixty days 29556
as required under this section, the waiver shall be considered to 29557
be granted. 29558

(G) Every high school may permit students below the ninth 29559

grade to take advanced work ~~for~~. If a high school so permits, it 29560
shall award high school credit. ~~A high school~~ for successful 29561
completion of the advanced work and shall count such advanced work 29562
toward the graduation requirements of division (B) or (C) of this 29563
section if the advanced work was both: 29564

(1) Taught by a person who possesses a license or certificate 29565
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 29566
Code that is valid for teaching high school; 29567

(2) Designated by the board of education of the city, local, 29568
or exempted village school district, the board of the cooperative 29569
education school district, or the governing authority of the 29570
chartered nonpublic school as meeting the high school curriculum 29571
requirements. 29572

Each high school shall record on the student's high school 29573
transcript all high school credit awarded under division (G) of 29574
this section. In addition, if the student completed a seventh- or 29575
eighth-grade fine arts course described in division (K) of this 29576
section and the course qualified for high school credit under that 29577
division, the high school shall record that course on the 29578
student's high school transcript. 29579

(H) The department shall make its individual academic career 29580
plan available through its Ohio career information system web site 29581
for districts and schools to use as a tool for communicating with 29582
and providing guidance to students and families in selecting high 29583
school courses. 29584

(I) Units earned in English language arts, mathematics, 29585
science, and social studies that are delivered through integrated 29586
academic and career-technical instruction are eligible to meet the 29587
graduation requirements of division (B) or (C) of this section. 29588

(J) The state board of education, in consultation with the 29589
Ohio board of regents and the partnership for continued learning, 29590

shall adopt a statewide plan implementing methods for students to 29591
earn units of high school credit based on a demonstration of 29592
subject area competency, instead of or in combination with 29593
completing hours of classroom instruction. The state board shall 29594
adopt the plan not later than March 31, 2009, and commence phasing 29595
in the plan during the 2009-2010 school year. The plan shall 29596
include a standard method for recording demonstrated proficiency 29597
on high school transcripts. Each school district, community 29598
school, and chartered nonpublic school shall comply with the state 29599
board's plan adopted under this division and award units of high 29600
school credit in accordance with the plan. The state board may 29601
adopt existing methods for earning high school credit based on a 29602
demonstration of subject area competency as necessary prior to the 29603
2009-2010 school year. 29604

(K) This division does not apply to students who qualify for 29605
graduation from high school under division (D) or (F) of this 29606
section, or to students pursuing a career-technical instructional 29607
track as determined by the school district board of education or 29608
the chartered nonpublic school's governing authority. 29609
Nevertheless, the general assembly encourages such students to 29610
consider enrolling in a fine arts course as an elective. 29611

Beginning with students who enter ninth grade for the first 29612
time on or after July 1, 2010, each student enrolled in a public 29613
or chartered nonpublic high school shall complete two semesters or 29614
the equivalent of fine arts to graduate from high school. The 29615
coursework may be completed in any of grades seven to twelve. Each 29616
student who completes a fine arts course in grade seven or eight 29617
may elect to count that course toward the five units of electives 29618
required for graduation under division (C)(7) of this section, if 29619
the course satisfied the requirements of division (G) of this 29620
section. In that case, the high school shall award the student 29621
high school credit for the course and count the course toward the 29622

five units required under division (C)(7) of this section. If the
course in grade seven or eight did not satisfy the requirements of
division (G) of this section, the high school shall not award the
student high school credit for the course but shall count the
course toward the two semesters or the equivalent of fine arts
required by this division.

(L) Notwithstanding anything to the contrary in this section,
the board of education of each school district and the governing
authority of each chartered nonpublic school may adopt a policy to
excuse from the high school physical education requirement each
student who, during high school, has participated in
interscholastic athletics, marching band, or cheerleading for at
least two full seasons. If the board or authority adopts such a
policy, the board or authority shall not require the student to
complete any physical education course as a condition to graduate.
However, the student shall be required to complete one-half unit,
consisting of at least sixty hours of instruction, in another
course of study.

Sec. 3313.605. (A) As used in this section:

(1) "Civic responsibility" means the patriotic and ethical
duties of all citizens to take an active role in society and to

the presence and function of nonprofit civic and charitable
organizations in the United States.

(3) "Community service" means a service performed through
educational institutions, government agencies, nonprofit
organizations, social service agencies, and philanthropies and
generally designed to provide direct experience with people or

project planning, with the goal of improving the quality of life 29654
for the community. Such activities may include but are not limited 29655
to tutoring, literacy training, neighborhood improvement, 29656
encouraging interracial and multicultural understanding, promoting 29657

implementing community service education, each board, governing 29673

for students ~~in all grades of the schools under control of the~~ 29678
~~board~~ and shall oversee and assist in the implementation of the 29679
plan adopted by the board, governing authority, or governing body 29680
under division (B)(2) of this section. Each board, governing 29681
authority, or governing body shall determine the membership and 29682
organization of its advisory committee and may designate an 29683
existing committee established for another purpose to serve as the 29684
community service advisory committee; however, each such committee 29685

shall include two or more students and shall include or consult 29686
with at least one person employed in the field of volunteer 29687

To assist in establishing its plan, the board, governing 29697
authority, or governing body shall consult with and may contract 29698
with one or more local or regional organizations with experience 29699
in volunteer program development and management. Each community 29700
service plan adopted under this division shall be based upon the 29701
recommendations of the advisory committee and shall provide for 29702
all of the following: 29703

(a) Education of students in the value of community service 29704
and its contributions to the history of this state and this 29705
nation; 29706

(b) Identification of opportunities for students to provide 29707
community service; 29708

(c) Encouragement of students to provide community service; 29709

(d) Integration of community service opportunities into the 29710
curriculum; 29711

(e) Guidelines for the community service learning project 29712
prescribed by division (B)(2) of section 3301.0710 and section 29713
3301.0712 of the Revised Code, consistent with the scoring rubric 29714
developed for such project under section 3301.0712 of the Revised 29715
Code; 29716

(f) A community service instructional program for teachers, 29717
including strategies for the teaching of community service 29718
education, for the discovery of community service opportunities, 29719
and for the motivation of students to become involved in community 29720
service. 29721

Plans shall be reviewed periodically by the advisory 29722
committee and, if necessary, revised by the board, governing 29723
authority, or governing body at least once every five years. 29724

~~Plans shall emphasize community service opportunities that~~ 29725
~~can most effectively use the skills of students, such as tutoring~~ 29726
~~or literacy programs.~~ Plans shall provide for students to perform 29727
services under the plan that will not supplant the hiring of, 29728
result in the displacement of, or impair any existing employment 29729
contract of any particular employee of any private or governmental 29730
entity for which the services are performed. The plan shall 29731
provide for any entity utilizing a student to perform community 29732
service under the plan to verify to the board that the student 29733
does not supplant the hiring of, displace, or impair the 29734
employment contract of any particular employee of the entity. 29735

Upon adoption, a board, governing authority, or governing 29736
body shall submit a copy of its plan to the department of 29737
education. Each city and exempted village board of education and 29738
each governing board of a service center shall include a copy of 29739
its plan in any course of study adopted under section 3313.60 of 29740
the Revised Code that is required to be submitted for approval to 29741
the state board for review. A joint vocational school district 29742
board of education shall submit a copy of its plan to the state 29743
board for review when required to do so by the state board. A 29744
local board shall forward its plan to the educational service 29745

course of study. ~~By December 1, 1992, and periodically thereafter,~~ 29747
~~the~~ The department of ~~education~~ periodically shall review all 29748

plans and publish those plans that could serve as models for other 29749
school districts ~~or~~, educational service centers, community 29750
schools, or STEM schools. 29751

(C) ~~A~~ Under this section, a board integrating community 29752
~~service education into the curriculum, governing authority, or~~ 29753
governing body may only grant high school credit for a community 29754
service education course if approximately half of the course is 29755
devoted to classroom study of such matters as civic 29756
responsibility, the history of volunteerism, and community service 29757
training and approximately half of the course is devoted to 29758
community service. 29759

Each board, governing authority, or governing body shall 29760
determine which specific activities will serve to fulfill the 29761
required hours of community service. 29762

(D) Each board, governing authority, or governing body shall 29763
use the rubric developed under section 3301.0712 of the Revised 29764
Code to determine whether the community service project required 29765
as a part of the high school assessment system meets the criteria 29766
for high school graduation. 29767

Sec. 3313.607. (A) The board of education of ~~any~~ each school 29768
district ~~may provide assistance to any student to,~~ the governing 29769
authority of each community school operating under Chapter 3314. 29770
of the Revised Code, and the governing body of each STEM school 29771
operating under Chapter 3326. of the Revised Code shall require 29772
all students to develop a written career and college plan as part 29773
of the course required by division (A)(9) of section 3313.60 of 29774
the Revised Code. If a school district receives any state money 29775
~~appropriated for the purposes of this section, career~~ Career and 29776
college plans developed utilizing these funds shall be completed 29777
prior to the end of the eighth grade year, shall identify career 29778
goals and indicate educational goals to prepare for those career 29779

goals, and shall be updated periodically as students successfully 29780
complete high school coursework, ~~and shall.~~ Career and college 29781
plans may culminate in a career passport described by division (B) 29782
of this section. 29783

(B) The board of education of any school district, the 29784
governing authority of a community school, or the governing body 29785
of a STEM school may provide an individual career passport to any 29786
student upon the successful completion of the coursework of any 29787
high school. If a school district, governing authority, or 29788
governing body receives any state money for the purposes of this 29789
section, a career passport shall be provided to each such student. 29790
Each such passport shall document the knowledge and skills of the 29791
student, including documentation of the student's coursework and 29792
any employment, community, or leadership experiences. Each such 29793
passport shall also list the competency levels the student 29794
achieved, disclose the student's attendance record, and identify 29795

graduation test instead of the ninth grade proficiency test in 30219
that subject to receive a diploma. 30220

(3) A person who begins ninth grade on or after July 1, 2003, 30221
in a school district, community school, or chartered nonpublic 30222

In lieu of a consent form signed by a parent, a board of 30644
education may request the grandparent of a child attending school 30645
in the district in which the grandparent resides pursuant to 30646
division (F)(11) of this section to complete any consent form 30647

required by the district, including any authorization required by 30648
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 30649
Code. Upon request, the grandparent shall complete any consent 30650
form required by the district. A school district shall not incur 30651
any liability solely because of its receipt of a consent form from 30652
a grandparent in lieu of a parent. 30653

Division (F)(11) of this section does not create, and shall 30654
not be construed as creating, a new cause of action or substantive 30655
legal right against a school district, a member of a board of 30656
education, or an employee of a school district. This section does 30657
not affect, and shall not be construed as affecting, any 30658
immunities from defenses to tort liability created or recognized 30659
by Chapter 2744. of the Revised Code for a school district, 30660
member, or employee. 30661

(12) A child under the age of twenty-two years is entitled to 30662
attend school in a school district other than the district in 30663
which the child is entitled to attend school under division (B), 30664
(C), or (E) of this section provided that, prior to such 30665
attendance in any school year, both of the following occur: 30666

(a) The superintendent of the district in which the child is 30667
entitled to attend school under division (B), (C), or (E) of this 30668
section contacts the superintendent of another district for 30669
purposes of this division; 30670

(b) The superintendents of both districts enter into a 30671
written agreement that consents to the attendance and specifies 30672
that the purpose of such attendance is to protect the student's 30673
physical or mental well-being or to deal with other extenuating 30674
circumstances deemed appropriate by the superintendents. 30675

While an agreement is in effect under this division for a 30676
student who is not receiving special education under Chapter 3323. 30677
of the Revised Code and notwithstanding Chapter 3327. of the 30678

Revised Code, the board of education of neither school district 30679
involved in the agreement is required to provide transportation 30680
for the student to and from the school where the student attends. 30681

A student attending a school of a district pursuant to this 30682
division shall be allowed to participate in all student 30683
activities, including interscholastic athletics, at the school 30684
where the student is attending on the same basis as any student 30685
who has always attended the schools of that district while of 30686
compulsory school age. 30687

(13) All school districts shall comply with the 30688
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 30689
seq., for the education of homeless children. Each city, local, 30690
and exempted village school district shall comply with the 30691
requirements of that act governing the provision of a free, 30692
appropriate public education, including public preschool, to each 30693
homeless child. 30694

When a child loses permanent housing and becomes a homeless 30695
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 30696
such a homeless person changes temporary living arrangements, the 30697
child's parent or guardian shall have the option of enrolling the 30698
child in either of the following: 30699

(a) The child's school of origin, as defined in 42 U.S.C.A. 30700
11432(g)(3)(C); 30701

(b) The school that is operated by the school district in 30702
which the shelter where the child currently resides is located and 30703
that serves the geographic area in which the shelter is located. 30704

(14) A child under the age of twenty-two years who resides 30705
with a person other than the child's parent is entitled to attend 30706
school in the school district in which that person resides if both 30707
of the following apply: 30708

(a) That person has been appointed, through a military power 30709

of attorney executed under section 574(a) of the "National Defense 30710
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 30711
U.S.C. 1044b, or through a comparable document necessary to 30712
complete a family care plan, as the parent's agent for the care, 30713
custody, and control of the child while the parent is on active 30714
duty as a member of the national guard or a reserve unit of the 30715
armed forces of the United States or because the parent is a 30716
member of the armed forces of the United States and is on a duty 30717
assignment away from the parent's residence. 30718

(b) The military power of attorney or comparable document 30719
includes at least the authority to enroll the child in school. 30720

The entitlement to attend school in the district in which the 30721
parent's agent under the military power of attorney or comparable 30722
document resides applies until the end of the school year in which 30723
the military power of attorney or comparable document expires. 30724

(G) A board of education, after approving admission, may 30725
waive tuition for students who will temporarily reside in the 30726
district and who are either of the following: 30727

(1) Residents or domiciliaries of a foreign nation who 30728
request admission as foreign exchange students; 30729

(2) Residents or domiciliaries of the United States but not 30730
of Ohio who request admission as participants in an exchange 30731
program operated by a student exchange organization. 30732

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 30733
3327.04, and 3327.06 of the Revised Code, a child may attend 30734
school or participate in a special education program in a school 30735
district other than in the district where the child is entitled to 30736
attend school under division (B) of this section. 30737

(I)(1) Notwithstanding anything to the contrary in this 30738
section or section 3313.65 of the Revised Code, a child under 30739
twenty-two years of age may attend school in the school district 30740

in which the child, at the end of the first full week of October 30741
of the school year, was entitled to attend school as otherwise 30742
provided under this section or section 3313.65 of the Revised 30743
Code, if at that time the child was enrolled in the schools of the 30744
district but since that time the child or the child's parent has 30745
relocated to a new address located outside of that school district 30746
and within the same county as the child's or parent's address 30747
immediately prior to the relocation. The child may continue to 30748
attend school in the district, and at the school to which the 30749
child was assigned at the end of the first full week of October of 30750
the current school year, for the balance of the school year. 30751
Division (I)(1) of this section applies only if both of the 30752
following conditions are satisfied: 30753

(a) The board of education of the school district in which 30754
the child was entitled to attend school at the end of the first 30755
full week in October and of the district to which the child or 30756
child's parent has relocated each has adopted a policy to enroll 30757
children described in division (I)(1) of this section. 30758

(b) The child's parent provides written notification of the 30759
relocation outside of the school district to the superintendent of 30760
each of the two school districts. 30761

(2) At the beginning of the school year following the school 30762
year in which the child or the child's parent relocated outside of 30763
the school district as described in division (I)(1) of this 30764
section, the child is not entitled to attend school in the school 30765
district under that division. 30766

(3) Any person or entity owing tuition to the school district 30767
on behalf of the child at the end of the first full week in 30768
October, as provided in division (C) of this section, shall 30769
continue to owe such tuition to the district for the child's 30770
attendance under division (I)(1) of this section for the lesser of 30771
the balance of the school year or the balance of the time that the 30772

child attends school in the district under division (I)(1) of this section. 30773
30774

(4) A pupil who may attend school in the district under 30775
division (I)(1) of this section shall be entitled to 30776
transportation services pursuant to an agreement between the 30777
district and the district in which the child or child's parent has 30778
relocated unless the districts have not entered into such 30779
agreement, in which case the child shall be entitled to 30780
transportation services in the same manner as a pupil attending 30781
school in the district under interdistrict open enrollment as 30782
described in division ~~(H)~~(F) of section 3313.981 of the Revised 30783
Code, regardless of whether the district has adopted an open 30784
enrollment policy as described in division (B)(1)(b) or (c) of 30785
section 3313.98 of the Revised Code. 30786

(J) This division does not apply to a child receiving special 30787
education. 30788

A school district required to pay tuition pursuant to 30789
division (C)(2) or (3) of this section or section 3313.65 of the 30790
Revised Code shall have an amount deducted under division (F) of 30791
section 3317.023 of the Revised Code equal to its own tuition rate 30792
for the same period of attendance. A school district entitled to 30793
receive tuition pursuant to division (C)(2) or (3) of this section 30794
or section 3313.65 of the Revised Code shall have an amount 30795
credited under division (F) of section 3317.023 of the Revised 30796
Code equal to its own tuition rate for the same period of 30797
attendance. If the tuition rate credited to the district of 30798
attendance exceeds the rate deducted from the district required to 30799
pay tuition, the department of education shall pay the district of 30800
attendance the difference from amounts deducted from all 30801
districts' payments under division (F) of section 3317.023 of the 30802
Revised Code but not credited to other school districts under such 30803
division and from appropriations made for such purpose. The 30804

treasurer of each school district shall, by the fifteenth day of 30805
January and July, furnish the superintendent of public instruction 30806
a report of the names of each child who attended the district's 30807
schools under divisions (C)(2) and (3) of this section or section 30808
3313.65 of the Revised Code during the preceding six calendar 30809
months, the duration of the attendance of those children, the 30810
school district responsible for tuition on behalf of the child, 30811
and any other information that the superintendent requires. 30812

Upon receipt of the report the superintendent, pursuant to 30813
division (F) of section 3317.023 of the Revised Code, shall deduct 30814
each district's tuition obligations under divisions (C)(2) and (3) 30815
of this section or section 3313.65 of the Revised Code and pay to 30816
the district of attendance that amount plus any amount required to 30817
be paid by the state. 30818

(K) In the event of a disagreement, the superintendent of 30819
public instruction shall determine the school district in which 30820
the parent resides. 30821

(L) Nothing in this section requires or authorizes, or shall 30822
be construed to require or authorize, the admission to a public 30823
school in this state of a pupil who has been permanently excluded 30824
from public school attendance by the superintendent of public 30825
instruction pursuant to sections 3301.121 and 3313.662 of the 30826
Revised Code. 30827

(M) In accordance with division (B)(1) of this section, a 30828
child whose parent is a member of the national guard or a reserve 30829
unit of the armed forces of the United States and is called to 30830
active duty, or a child whose parent is a member of the armed 30831
forces of the United States and is ordered to a temporary duty 30832
assignment outside of the district, may continue to attend school 30833
in the district in which the child's parent lived before being 30834
called to active duty or ordered to a temporary duty assignment 30835
outside of the district, as long as the child's parent continues 30836

to be a resident of that district, and regardless of where the 30837
child lives as a result of the parent's active duty status or 30838
temporary duty assignment. However, the district is not 30839
responsible for providing transportation for the child if the 30840
child lives outside of the district as a result of the parent's 30841
active duty status or temporary duty assignment. 30842

Sec. 3313.642. (A) Except as provided in division (B) of this 30843
section and notwithstanding the provisions of sections 3313.48 and 30844
3313.64 of the Revised Code, the board of education of a city, 30845
exempted village, or local school district shall not be required 30846
to furnish, free of charge, to the pupils attending the public 30847
schools any materials used in a course of instruction with the 30848
exception of the necessary textbooks or electronic textbooks 30849
required to be furnished without charge pursuant to section 30850
3329.06 of the Revised Code. The board may, however, make 30851
provision by appropriations transferred from the general fund of 30852
the district or otherwise for furnishing free of charge any 30853
materials used in a course of instruction to such pupils as it 30854
determines are in serious financial need of such materials. 30855

(B) No board of education of a school district that ~~receives~~ 30856
received funds under section 3317.029 of the Revised Code in 30857
fiscal year 2009 shall charge a fee to a recipient of aid under 30858
Chapter 5107. or 5115. of the Revised Code for any materials 30859
needed to enable the recipient to participate fully in a course of 30860
instruction. The prohibition in this division against charging a 30861
fee does not apply to any fee charged for any materials needed to 30862
enable a recipient to participate fully in extracurricular 30863
activities or in any pupil enrichment program that is not a course 30864
of instruction. 30865

(C) Boards of education may adopt rules and regulations 30866
prescribing a schedule of fees for materials used in a course of 30867

instruction and prescribing a schedule of charges which may be 30868
imposed upon pupils for the loss, damage, or destruction of school 30869
apparatus, equipment, musical instruments, library material, 30870
textbooks, or electronic textbooks required to be furnished 30871
without charge, and for damage to school buildings, and may 30872
enforce the payment of such fees and charges by withholding the 30873
grades and credits of the pupils concerned. 30874

Sec. 3313.6410. This section applies to any school that is 30875
operated by a school district and in which the enrolled students 30876
work primarily on assignments in nonclassroom-based learning 30877
opportunities provided via an internet- or other computer-based 30878
instructional method. 30879

(A) Any school to which this section applies shall withdraw 30880
from the school any student who, for two consecutive school years, 30881
has failed to participate in the spring administration of any ~~test~~ 30882
assessment prescribed under section 3301.0710 or 3301.0712 of the 30883
Revised Code for the student's grade level and was not excused 30884
from the ~~test~~ assessment pursuant to division (C)(1) or (3) of 30885
section 3301.0711 of the Revised Code, regardless of whether a 30886
waiver was granted for the student under division (E) of section 30887
3317.03 of the Revised Code. The school shall report any such 30888
student's data verification code, as assigned pursuant to section 30889
3301.0714 of the Revised Code, to the department of education to 30890
be added to the list maintained by the department under section 30891
3314.26 of the Revised Code. 30892

(B) No school to which this section applies shall receive any 30893
state funds under Chapter 3306. or 3317. of the Revised Code for 30894
any enrolled student whose data verification code appears on the 30895
list maintained by the department under section 3314.26 of the 30896
Revised Code. Notwithstanding any provision of the Revised Code to 30897
the contrary, the parent of any such student shall pay tuition to 30898

the school district that operates the school in an amount equal to 30899
the state funds the district otherwise would receive for that 30900
student, as determined by the department. A school to which this 30901
section applies may withdraw any student for whom the parent does 30902
